PERUN VEDA

FIRST CIRCLE

SANTIE 1

When in the city of Gods, in The Irian Asgard
on confluence of sacred rivers Iriy and Om
near The Great Temple Of Yngliya
at The Sacred Stone Alatyr
descended from skies Vitemana, divine chariot.
Great radiance and blaze surrounded it
when it went down to Earth...

.....

Gathered-met near heavenly Vitemana
H'Aryan and D'Aryan Kins
Russen and Svyatorus Kins
leaders and warriors of all Kins of The Great Race

Witchers silver-haired gathered
and Sages Mostwise
and priests of United God...

.....

Gathered-Met took seats in rows around Vitemana
hailed Gods for many days...
And Vitemana opened, and got out of it in the flesh
Light Heavenly God...

.....

Uttered The God Evercharming:
I came from Uray-Earth from Heavenly Svarga
where bright Iriy flows in the gardens of Viriy
near Heavenly Asgard
I am Perun Thunderer, Svarog's son.
Listen people and warriors of Human Kins to my words
to exhortation of my words listen...
Spoke to Perun Ratibor, warrior of Svyatorus Kin:
Tell us Bright Leader, is there any death for warriors of our Kins?
Answered Perun to the warrior:
There is no death for warriors of The Heavenly Kin...
Any evident or covert doubt of heart
God Vishen' Keeper of Worlds
Father of Svarog and my Grandfather

best of all Wise will settle...

I know Wisdom Of Gods is eternal.

That who becomes teacher, even if has acknowledged Great Secret
is not blamable by Gods
for there is no death for them...

.....

And asked people Thunderer Mostwise:

Tell us Svarozhich

why Priests of United God and Pilgrims of Gods

by acknowledging Vedas want to achieve Immortality?

Tell us, is there any death in World of Yav' or everything is immortal?

What is truth out of these two?

Answered Svarozhich to them: Both are true

but only in delusion singers teach about death.

I do call death – deceit

but not immortality I call deception.

In self-delusion Legs perished

not by deception immortality is achieved in Prav'

.

And death is not like a fox devouring the living
perceivable form it does not have...

You observe death in environment

but you won't find it for yourselves...

Other people think that Udrzec - God of the dead
is different from death, and your road into World of Prav' is immortal
it stays in your souls and spirit
Same God reigns in The World of Ancestors
He favours the good, but with not good he is not favourable.
By behest of Udrzec, in Human Children
manifests anger, delusion and death
which take greed's appearance...
Self misled human
will never achieve unity with soul...
In power of death, lost humans
go this way and when die
again and again The World of Nav' they reach...
Then their feelings go astray
that's why death is called Marena ...
Carried away by their deeds in chase of its fruits
they continue to go this way and don't overcome death...
Instead of tending towards righteous aims
as conscience calls
Human child, born on Midgard
will circle in ring of enjoyment
and on this way death awaits it...
.....

This great delusion of feelings
merging with futile aims
moves towards Hell on futile road...
Affected by connections with futile aims
and thinking about them day and night
your innermost Self
will begin to worship outer World of Yav'

.....

In The World of Yav',manifested through Kin
the first thing striking people
is desire for another's
which soon entails anger and lust.
These three dark products
lead foolish people to death
but in The World of Yav' only firm people
in whom governs conscience
with firmness always defeat death...

.....

With directed thought disquieted feelings appeasing
with neglect you should fight them...
There is no death for such
for they have overcame with Knowledge passions
and surpassed death...

But a human longing for lust,
following passions,perishes...

But having defeated vicious desires,
human blows off all dust of passion...

.....

For all beings and humans
Hell seems to be pitch darkness
like insane they rush with unconcern to downfall...

But to a human who has renounced madness
what can death do?

But that who refuses to possess Ancient Knowledge
let him not think about anything else
as if he got rid of his Life Power!

.....

Anger,greed and delusion of innermost Self are death
And they are - in this terrestrial body...

Human who has acknowledged Wisdom
his Gods and Ancestors
knows that death is born this way
and death does not scare him here...

In his field death disappears
just like disappears mortal
when getting into field of death...

.....

Then Odin,warrior of H'Aryan Kin,asked Perun:

Tell us,why Sages say that by performing bloodless sacrifices
humans can achieve blissful Worlds of Prav'
purest everlasting...?

Vedas call them the highest purpose

Who knows this,how should he deal with it?

.....

SANTIE 2

Answered to Odin Perun Evercharming:

only those who have not acknowledged Great Ancient Wisdom
aspire there,and it imports to them
what is told in Concealed Vedas...

The one who is free from vicious desires,aspires higher
by means of the highest Spiritual development
rejecting vicious ways of development...

You live by Laws of God Kin - The United Creator
for by these laws live all Worlds and Earths in all Universes...
which were created by The Great RA-M-HA ...

And they don't know death

because death and darkness have left these Worlds
and Light and Immortality have filled with beauty their Lives...

.....

And said Hariy Sage Mostwise:

Our Light Protector

give Your Wise Commandments to human Kins

Descendants of The Heavenly Kin and The Great Race

that Truth triumphs on Midgard-Earth

and Falsehood vanishes forever from our World

and no memory is left of it whatsoever...

.....

Answered Perun Thunderer to Sage Mostwise

and to all who gathered to listen to him:

Cognize my Commandments people

hear exhortation of my words:

Honour your parents

and support them in old age

for as you will support them

so will your children support you...

Save memory about all ancestors of your Kins

and your Descendants will remember you...

Protect the old and the young

fathers and mothers, sons and daughters

for they are your Kinsfolk

wisdom and color of your nations...

Foster in your children

love to Sacred land of Race
so that they would not be tempted by foreign wonders
but could create wonders themselves
more wonderful and beautiful
for the glory of your Sacred land...

.....

Don't create miracles for the benefit of yourself
but create miracles for the benefit
of your Kin and The Heavenly Kin...
Help your neighbour in his trouble
for when trouble will come to you
your neighbours will help you...
Do kind deeds for the glory of your Kin and your Ancestors
and you will acquire protection of your Light Gods...

.....

Assist with all your powers
in building Temples and Sanctuaries
protect God's Wisdom
Ancient Wisdom...
Wash your hands after your deeds
because those who do not wash their hands
lose God's Power...
Purify yourselves in waters of Iriy

the river which flows in Sacred Land
to wash your white body
to sanctify it with God's Power...

.....

Consolidate Heavenly Law on your land
which Light Gods gave to you...
Honour russal days
observe God's holidays...
Do not forget your Gods
burn in glory of Gods incenses
and you will acquire goodwill and grace of your Gods...

.....

Do not offend your neighbours
live in peace and concord with them...
Do not humiliate dignity of other people
and your dignity will not be humiliated...
Do not offend people of other Faiths
for God-Creator is Single over all Planets...
and over all Worlds...

.....

Do not sell your land for gold and silver
for you shall call curse upon yourselves
and there will never be forgiveness to you...

Protect the land of yours
and defeat all enemies of the Race with weapon right...

.....

Protect Kins of Russen and Svyatorus
from alien enemies,who come to your lands
with evil intentions and weapons.
Do not boast of your power before battle
but boast of it after battle...

Keep in secret Wisdom of Gods
do not give Secret Wisdom to pagans...

.....

Do not convince those people
who don't want to hear you
and heed your words...

Protect your temples and sanctuaries
from desecration of pagans.
If you won't protect Shrines of Sacred Race...
and Faith of your Ancestors
years of sorrow and suffering
will visit you...

.....

That who escapes from his land to foreign
in search of easy life

is apostate of his Kin
and there is no forgiveness for him
for Gods will turn away from him...
Do not rejoice at other's sorrow
for who rejoices at other's sorrow
is calling it upon himself...
Do not say spiteful things and do not laugh
at those who love you
but answer to love with love
and acquire protection of your Gods...
Love your neighbour,if he is worth it...

.....

Do not marry brother - his sister,son - his mother
for you will anger Gods and ruin Kin's blood...
Do not marry black-skinned
for you will defile home and destroy your Kin
but marry white-skinned
you will glorify your home...
and continue your Kin...
Women - do not wear manly clothes
for you will lose your femininity
but wear what you are supposed to...

.....

Do not dissolve marriage,sanctified by Gods
for you will go against law of God - The United Creator
and lose your happiness...

A child should not be killed inside a mother's womb
for that who kills a child in a womb
will call anger of God - The United Creator upon himself...

.....

Wives - love your husbands
for they are your protection and support
and of all your Kin...

Do not drink a lot of intoxicating drinks
know limit in drinking
for that who drinks a lot
loses his human appearance...

.....

SANTIE 3

And said Sage Svyatozar to Perun Evercharming:

What does your last commandment mean?

Tell us.

Spoke Perun to all gathered people:

Recall people of The Great Race
legend about sons of Thor Mostwise
which was saved in Sacred Vedas

given to you by my son,Tarh Dajd'bog...

.....

When Thor Mostwise became old
he called his sons Star,Wing and Odin...

And told them this:

My dear sons
three Circles of Life Years have gone
old age and infirmity have filled my body...

My powers are leaving me.

I know that somewhere far in the south...

at the foot of The Himavat-Mountains
stands Skuf of Heavenly Legs...

.....

In that foothill Skuf

Wise Legs make potion to all Heavenly Gods
shining,divine drink
which grants many vital powers...
and eternal youth...

If human drinks Potion of Legs
he gains Life powers again
and again health returns into body
and eternal youth shines in him.

.....

And said Star to Thor: My dear Father

I will fetch you the potion of Gods...

And went Star to south,to The Himavat-Mountains...

For a long time Thor waited for his oldest son...

so he sent his middle son

to search for Star,saying to him:

Looks like your older brother is in trouble

go Wing and help your brother...

And went Wing to search for his brother Star...

.....

Much water has flowed since that time in The Sacred Iriy...

Small Moon nine times made its path around the Earth

and Big Moon - four times.

And said Odin to Thor Mostwise:

Dear Father,let me go to The Himavat-Mountains

to search for my brothers

to search for the foothill Skuf of Heavenly Legs

and divine potion...

.....

Thor Mostwise blessed his dear son

and Odin set off to south,to Himavat-Mountains...

to search for his brothers

and the Skuf of Heavenly Legs.

As he arrived to Himavat-Mountains

...he saw the Skuf of Heavenly Legs.

In the middle of the foothill Skuf

Leg Silverhaired was making shining potion in a golden pot
for the Light Gods...

.....

Spoke Odin these words:

Hello Leg-Mother

let there not be any black cloud above your Skuf

let all of your deeds be

be for the glory of Light Gods...

Answered to Odin Leg Silverhaired:

Hello fine young man

tell, what brought you here

to our foothill Skuf, to The Himavat-Mountains...?

.....

Anguish for my Father brought me here

three Circles of Life Years have already gone for him

old age and infirmity have seized his body.

Only your life-giving potion will oust old age and infirmity

and torments with sufferings

and will sanctify Father's Body with God's Power...

Spoke to Odin Leg Silverhaired:

in the golden pot Potion is being made
take and taste the Potion, but remember!
First cup grants power, gets rid of pain, fatigue and infirmity...
Second cup grants joy and eternal youth
gets rid of oppressive old age...
The third cup is superfluous³⁴ for people
it turns human into an animal...
Two fine young men had come before you
but didn't listen to my words
and drank three cups each
and now they are like animals pasturing on a meadow
behind our foothill Skuf...
And she showed them to Odin...
And he recognized his brothers
and they were pasturing like cattle on a green meadow...
And heart of Odin filled with great sorrow for his brothers.
And he took the cup with Potion
and drank it all at once...
Sorrow left, great powers filled his body
and appeared desire to drink another cup
in order to get eternal youth
like Light Gods have...
He drank another cup

joy and eternal youth filled his body
and appeared great desire to drink the third cup
but then Odin remembered the words of Silverhaired Leg...
and he didn't drink more
but filled his traveling jug with two cups of Potion for his Father...

.....

And made Odin hymn-prayers for Light Gods
and called them to help his brothers.
Light Gods came to call of Odin...
And returned mind to his brothers Star and Wing
and blessed Light Gods their journey...
Brothers returned to Father's House...
And Odin gave Potion to his Father.

.....

Thor Mostwise drank the first cup
illnesses and infirmity left his body
and great powers filled his mind and body.
The second cup Thor Mostwise rejected to drink
but poured it out onto roots of old,dry trees: Oak,Birch,and Ash...
And they acquired great powers...
And their green leafs blossomed out on their tops...

.....

Told Thor to his sons these words:

I have no need in eternal youth
I have lived a long life
given to me by Creator RA-M-HA
let these Trees give a lot of powers
to you,my dear sons
and to all Descendants of your Kins
in all times from Circle to Circle
Plant seeds of these trees
near mansions of your kins
and look after them like after your children...

.....

From that time Kins Of The Great Race
and Descendants of The Heavenly Kin
keep three Trees of Life and Great Power.
In an hour of need and on holidays
they come to these Trees,which give Power of Life
and recieve a lot of powers...
And glorify Light Gods and Ancestors Mostwise
for good deeds,
and in the glory of all Kins Of The Great Race...

.....

SANTIE 4

D'Aryan Rodan36 - Kodarad questioned Perun:

Tell us, God Evercharming,
why many Sages give vow of silence...
and tell that they are aspiring to understanding of Vedas...?
Is there any truth in vow of silence?
Does Sage with silence come to speechless cognition of Truth or not?
[50] Answered to Kodarad Perun Mostwise:
There is no sense in vow of silence,
because silent cannot cognize Ancient Vedas with heart...
and Ancient Vedas do not penetrate his heart...
Ancient Vedas are only cognized by living Word
and where Vedas word is heard
there hearts begin to cognize its Great essence...

.....

Many people think
that those who know all Vedas are sinless
even when committing evil...
But neither hymns from Wisdom Of Cognition Of Worlds
nor aphorisms from Wisdom Of World Of Radiances
nor spells from Wisdom Of Life...
will not save those who commit evil deeds...
and everyone will be charged with his lawlessness...

.....

Sacred hymns and songs

will not save from falsehood those
who easily yield to deception
who stay in a world of charms and self illusions.

Like birds leave nest
when their wings grow
so sacred songs leave human
when the time comes...

Vedas will not save those
who do not fulfill their duty of Life
They indicate you two ways:
selfless devotion and bloodless sacrifices.

Through them, knowledgeable person achieves purity...
and with this purity he keeps off sin...
self-illuminated with knowledge of Vedas...

.....

By knowing Ancient Vedas
a Soul of a knowledgeable approaches The World Of Prav'
but if he desires usual fruits of The World Of Yav'
he takes with him everything he has done here
and in The World Of Nav' having enjoyed all fruits of his deeds
he bears responsibility for his every deed
and again follows the path predestined by Great RA-M-HA...

.....

By human children selfless devotions are
being performed in World Of Yav'
and fruits of all deeds are eaten in World Of Nav'
For Sages and Kapen-Priests
who dedicate themselves to selfless devotions
those great Worlds are oriented...
Sinless selfless devotion is considered as renunciation of evil
Such self-sacrificial devotion can be successful and unsuccessful.
Through devotion, experts of Ancient Vedas
have subsequently achieved Immortality...

.....

But there is also a sinful devotion...
Those of humans who are obsessed with anger unrighteous
and other sixteen vices
and also those who violate Commandments of Gods and Ancestors
especially blood rules
those who are inhabited by thirteen meannesses - they are sinful.
But those who have clean Soul and light Spirit
and live according to covenants of their Forefathers are sinless...

.....

Unrighteous anger lust
greed, delusion, carnality, cruelty, grumble
vainglory, despondency, attraction, envy, aversion, libertinism, desire for

another's, oppression, malice - these are vices of human children, humans should avoid these sixteen...

.....

Every one of them waylays humans

wishing to seize their natures, like a hunter waylays prey...

For boastful, lustful, arrogant, rancorous, unsteady, refusing of giving protection

- are appropriate those sins

committed by unlawful people, despite their great danger...

Chase for delight, hostility, boasting of generosity, stinginess, oppression of other people, lie, weak will, glorification of feelings, hate towards wife - these are nine worst enemies of human...

.....

Observance of commandments

Laws of United God

Laws of your Kin

Truthfulness, restraint, selfless devotion, self-denial, modesty, patience,

firmness, absence of envy, bloodless sacrifices,

continuation of Kin, mercy, attentiveness

study of Sacred RA-M-HA INTA and Ancient Vedas

- these are sixteen vows of Ministers of Faith...

.....

That, who will strengthen these sixteen vows

will distinguish himself on the whole Earth
That, who observes three, two or just one of them
is considered self-affirmed
Of renunciation of vices of World of Yav',
but not in delusion consists Immortality.
Wise Ministers of Faith call them gates of Truth...

.....

In self-development there are eighteen qualities:
Restraint in action, inaction and purposefulness; eradication of injustice,
blame, false pride, brutish desires, unrighteous anger, despondency,
greed, envy, malevolence, irritation, anxiety, forgetfulness, verbosity,
conceit.

.....

This way human who has perceived self-development
becomes sensible, and gets eight qualities:
Righteousness, ability to think over, ability of self-enrichment,
ability to investigate, dispassionateness, honesty, chastity, composure...

.....

Be truthful with your Soul and Spirit.
Worlds are held by Truth.
Their gates - Truth
For it is said that on truth rests immortality.
Having turned away from sins

it is necessary to execute vows and commandments.

Such conduct, created by United God,

through Truth leads to Immortality...

Humans, keep the Sacred Writings unchanged:

RA-M-HA INTA and Ancient Vedas...

.....

SANTIE 5

And Perun Thunderer was asked by Ognoslav

Sage of Great Temple of Yngliya, of Svyatorus Kin:

Tell us Perun-Father

what awaits in future

Descendants of all Kins Of The Great Race and The Heavenly Kin?

What destiny awaits them after our departure

for Heavenly Prav', to our Sacred-Wise Ancestors?

.....

Answered to Ognoslav God Mostwise:

Listen to me, Great Keeper of Primary Fire...

and you, Ministers of Gods of The Sacred Race and The Heavenly Kin...

Like a Celestial Iriy, which divides half of Svarga

Great Changes will bring stream of Time River in its flow...

.....

Sacred land of Great Race will change its face

Great fall of temperature D'Aryan wind will bring

to this land, and Marena for a third of Year
will be covering it with her White Cloak.

There will be no food for humans and animals in this time
and will begin great migration of Descendants of The Heavenly Kin
to The Ripean Mountains
which protect western frontiers of Sacred Russeniya...

.....

And they will reach Great Waters,
of Western ocean-sea and Heavenly Force will carry them
to the land of beardless humans
with skin of Flame of Sacred Fire color
Great Leader will build in that land
Temple of Trident of God of Seas
And Niy - God of Seas
will be sending them his innumerable gifts
and will be protecting them from Evil Elements...

.....

But great prosperity will cloud minds of leaders and sages.
Great laziness and desire for another's will seize their mind.
And they will start lying to Gods and humans
and will start living by their own laws
violating Covenants of Wise Progenitors
and Laws of United God-Creator.

And they will use Force of Elements of Midgard-Earth
for achievement of their goals...

And will enrage by their deeds Niy - Great God of Seas...

.....

And Niy and Elements will destroy that land
and it will hide in depths of Great Waters
just like in Ancient times,in depths of northern waters
hid Sacred Daaria...

Gods of Race will save righteous people
and Heavenly Force will carry them to east
to land of humans with skin of color of Darkness...
And beardless humans with skin of Flame of Sacred Fire color
will be carried by Heavenly Force to boundless lands
lying at setting of Yarila-Sun...

.....

Humans with skin of color of Darkness will be honouring
Descendants of The Heavenly Kin as Gods...
And will be studying under them many sciences.
People from The Great Race will build new Cities and Temples
and will teach humans with skin of color of Darkness
to grow cereals and vegetables...
Four Kins of The Great Race,in turns
will be teaching new Sages Ancient Wisdom

and building Triran-Tombs
in the form of tetrahedral,artificial Mountains...

.....

While other Kins of The Great Race
will settle over the whole face of Midgard-Earth...
and will cross Himavat-Mountains...
and will teach humans with skin of color of Darkness
Wisdom of World of Radiances
In order that they would stop
their terrible, bloody sacrifices
to their goddess - Black Mother
and Snake-Dragons from World of Nav'
and would acquire new Divine Wisdom and Faith...

.....

Many of Kins of The Great Race
will spread over all parts of Midgard-Earth
beyond The Ripean Mountains
and will set up new Cities and Temples
and will save Faith of Progenitors and secret Veda
given by Turh Dajd'bog...and other Light Gods...
Many Kins of The Great Race and The Heavenly Kin
will shepherd countless flocks of animals
and moving from land to land

will become related with other Kins of The Heavenly Kin...

.....

But will come from World of Darkness alien enemies

and will start saying to Human Children

words flattering,covered with lie.

And will start seducing the old and the young

and taking Human daughters to wives...

They will interbreed amongst themselves...

and amongst humans...and amongst animals...

And will start schooling it to all nations of Midgard-Earth

and those who will refuse to listen to their words

and follow vile deeds of Aliens

they will commit to torments and sufferings...

.....

Some of them are trying to enter Midgard-Earth even right now

in order to do their dark deed

to seduce out of the way of Light Forces

sons and daughters of The Great Race.

Their objective is to spoil Souls of Human Children

in order that they would never reach

Light World of Prav' and Heavenly Asgard

and also Celestial Earths and Settlements

where your Lightwise Ancestors are resting...

.....

By their grey skin you will recognize Alien enemies...

Their eyes are of color of Darkness

and they are androgynous can be either male or female.

Every one of them can be either father or mother...

They paint their faces,in order to resemble Human Children...

And they never take off their clothes,

in order that their animal nudity would not be exposed...

.....

With lie and unrighteous flattery

they will conquer many lands of Midgard-Earth

like they had already done on other Earths

in many Worlds,in Times of the last Great Assa

But they will be defeated

and sent to the land of Artificial Mountains

where will live humans with skin of color of Darkness

and Descendants of The Heavenly Kin

who came from the land of God Niy.

And Human Children will start teaching them how to work

in order that they would be able to grow cereals and vegetables

for their children themselves...

.....

But absence of wish to work will unite Aliens

and they will leave the land of Artificial Mountains

and will settle all over Midgard-Earth.

And they will create their own religion

and will proclaim themselves sons of United God

and will start sacrificing blood of their own

and of their children to their god

in order that blood union between them and their god would exist...

.....

And Light Gods will start sending to them Wanderers Mostwise

for they do not have neither Spirit or Conscience.

And Aliens will be listening to their Wise Words

and having heard them out, will sacrifice lives of

Wanderers to their god...

And they will create Golden Taurus,

as a symbol of their power, and will worship it

same way as their god...

.....

And Light Gods will send to them...Great Wanderer carrying love.

But priests of Golden Taurus will martyrize him

And upon his death, will declare him God...

And will create a new religion, built on lie, blood and oppression...

And will announce that all nations are inferior and sinful

and will call them to repent before the face of the God they will have created

and to ask forgiveness for deeds done and undone...

.....

SANTIE 6

And said Sage Svyatozar of glorious

Svyatorus Kin to Perun Evercharming:

Tell us Perun-Father

What is going to be with Sacred Land of The Great Race

and Faith of our Ancestors?

Tell us Light God

if grave time will come for Sons of The Great Race

then who will be able to save Sacred land of The Grate Race...

and Descendants of The Heavenly Kin?

.....

Spoke God Mostwise these words:

Be aware people,that grave times

will be brought by stream of Time River

to Sacred land of The Great Race...

And on this land will be left

only Sages-Keeper of Ancient Knowledge and Secret Wisdom...

...Because humans will use

Force of Elements of Midgard-Earth

and will destroy Small Moon

and their beautiful World...

And then Svarog Circle will turn

and human Souls will be horrified...

.....

Great Night will wrap Midgard-Earth...

and Celestial Fire will destroy many lands of Earth...

Where beautiful flowers bloomed once

will stretch Great Deserts...

Instead of birth-giving land

will be noisy seas

and where splashed waves of seas

will emerge high mountains

covered with everlasting snows...

.....

Humans will be hiding in caves

from poisonous rains,bringing death

and will start eating animal flesh

because arboreal fruits will be filled with poison

and many humans will die after eating them...

Poisoned water streams

will bring many deaths

to Children of The Great Race and

Descendants of The Heavenly Kin
and also thirst will bring sufferings to humans...

.....

And by advice of Aliens
secretly arrived to Midgard-Earth
people will be killing each other...
for a swallow of fresh water
for a piece of clean food...
And they will start forgetting Ancient Wisdom
and Laws of United-God Creator...

.....

Great Disconnection will come to The World of Midgard
and only Sages-Keepers of Sacred land of The Great Race
will be keeping purity of Ancient Knowledge
despite hardships and death...

.....

But River of Time will once again bring changes in its flow...
And unification of Kins of Great Race will begin again...
Ancient Knowledge will unite them
saved in songs and folk legends
passed on by word of mouth
and written on stones in Temples and Sanctuaries
and inscribed in Great Santies...

Many Wise Knowledges will become lost for many Kins
but they will remember
that they are Descendants of The Heavenly Kin...
And nobody will be able to defeat them
and take their freedom...

.....

Many Circles of Life will pass Midgard-Earth on Svarog's Way...
Human Children will anew build Cities and Temples
for Those Gods,whom they remember...
Life righteous and happy
will return to the lands of Great Russeniya...
But Alien priests...from temples of Golden Taurus
...and priests of the murdered Wanderer
will want to destroy their world and peace
for these priests live by fruits of other's work...

.....

And Alien priests will come
to the lands of The Great Race
under the guise of traders and narrators
and will bring deceitful legends
and will start teaching unrighteous life
to people of The Great Race
who won't know Evil and Deceit...

And many people will become seduced
After getting caught into nets of Flattery and Deceit
and will exchange World of Prav' for nine vices:
libertinism,lie,false pride,spiritlessness,non-fulfilment of duty
ignorance,indecision,laziness,gluttony...

.....

And many people will renounce Sacred Faith of their Ancestors
and will start listening to words of Alien priests
which are lie unrighteous
leading Human Children astray from way of Light Forces...
Times of blood and fratricide⁶² Alien priests will bring
to scopes of lands of Kins of The Great Race
and will start converting people to their faith...

.....

People of Race will be asking for help Alien priests
worshipping Alien Gods
and god of World of Darkness...
And priests of killed Wanderer
with false zeal will start comforting them
and will capture their Souls
and riches of Human Children...
And will declare people of The Great Race slaves of god
which they had killed themselves...

And will be telling them that suffering is good
for those who suffer will behold god...

.....

For seven Life Circles Darkness will wrap
lands of Kins of The Great Race...

Many people will die from metal and fire...
Grave times will come for nations of Midgard-Earth
brother will rise against brother,son against father
blood will be pouring like rivers...

Mothers will be killing their unborn children...
Hunger and Spiritual void
will cloud minds of many people of The Great Race
and they will lose Faith in justice...

.....

But United God-Creator and The Heavenly Kin
will not allow death of The Great Race...
Revival of The Great Race
and awakening of Protection-Spirit
of sons of The Heavenly Kin
will be brought by White Dog
sent by Gods to Sacred land of The Great Race...
Sacred land will be purified
from thousand-year slave yoke of Alien enemies

who sacrifice blood and flesh of their children
and with lie and unrighteous flattery
poison Souls of children of The Heavenly Kin...

.....

Celestial Phoenix will point
Supreme Sage of Primary Fire
to a son of Sage of Forest of Tri-Moon Kin
and Supreme Sage will train him to be a Great Wise Sage
which will be assisted by Light Gods...
And the Great Sage will revive Ancient Faith of Progenitors
on Sacred Land of The Great Race...
And will build Temples and Sanctuaries
in order that all Kins of The Great Race
and Descendants of The Heavenly Kin
would cognize Ancient Wisdom and righteous life...

.....

And minions of Darkness will find out that their death has come...
and they will be lying about the Great Sage...
and will be seducing his apprentices and neighbours
with a glut of wealth and and vicious bliss...
In order that they would not reach
Spiritual heights of World of Prav'
and would be eternal slaves of The Dark World...

And they will do everything to destroy Great Sage
in order that Ancient Wisdom and Faith of Progenitors
would not be revived on the Sacred Land of Race...

.....

Forces of Darkness will make all efforts
in order that Sacred Fire would never light up
in front of Images and Idols of Gods and your Sacred-Wise Ancestors...
Aliens will start stirring up one nation against another
calling them to wars
in order that they would kill each other
for possession of Earth's properties...

.....

Millions of lifes will be taken by senseless wars
for the sake of Alien desires.
For the more there are wars...
and deaths of Human Children
the more wealth would acquire
envoys of World of Darkness
and more influence over minds of
many people of The Great Race...
Dark Forces for achievement of their goals
will use even Fush-Destroyer
and Fire Mushrooms bringing death

will rise above Midgard-Earth...

.....

SANTIE 7

Spoke to Perun Vedamir,warrior of H'Aryan Kin,these words:

Tell us our Light Leader,will the Great Sage

save Sacred Faith of Progenitors from Alien enemies?

I ask this,because we are relatives with Tri-Moon kin...

.....

Answered Light God to the warrior:

Listen to me,fine young man.

Hard fate is predestined for the Great Sage...

Incomprehension of people will surround him,

because Ancient Wisdom will become unintelligible

for many Kins of The Great Race and The Heavenly Kin...

And his task will be to explain to people

fundamentals of Ancient Knowledge and meaning of Rune Images,

saved in Laws of United God-Creator...

.....

A Great Priestess will bring New Life

to scopes of Sacred land of Race.

And all Kins of The Great Race

and Descendants of The Heavenly Kin

will cognize Life-bringing Light of Ancient Wisdom,

which is kept by Sages of Great Temple of Yngliya...

Happiness and righteous life

she will consolidate on the whole land of Race,

in order that World Light Soul of DJIVA

would find shelter for itself,

in heart of every human of The Heavenly Kin and The Great Race,

starting from resurrected Irian Asgard...

.....

Again Vedamir warrior of H'Aryan Kin asked Perun:

Tell us Light Leader, how will The Great Priestess be born?

Of which Kins will be her parents?

And how will Light of Ancient Wisdom illuminate

the whole World of Midgard-Earth?

Answered Perun to warrior of H'Aryan Kin:

Listen warrior to My words:

As soon as Supreme Sage of Primary Fire

will finish fourteen-year training of

son of Sage of Forest, of Tri-Moon kin...

he will declare him his successor,

and lead through Three Initiations...

.....

On the day of a Great Holiday

Light Gods and Mostwise Ancestors

will summon Supreme Sage of Primary Fire
for he will have completed his mission
on Midgard-Earth...

New Supreme Sage, of Tri-Moon Kin
will begin his deeds, traveling from City to City
propagating Ancient Wisdom of Faith of Progenitors
and healing sick with Soul and body...

.....

By return to the Irian Asgard
he will summon his apprentices
and will start teaching them Fundamentals of Ancient Wisdom
and will start building Temples of Ancient Faith of Progenitors
of The Great Race and The Heavenly Kin...

And when the time will come
daughter of Great Witch, of Kin of Newly Arrived
will be brought to The Great Sage
in order that she would study Hidden Ancient Wisdom...
And the Great Sage will start teaching daughter of the
Great Witch Secret Knowledge
and will be training her to be Priestess of White Temple...
And her mother, the Great Witch
will begin healing Souls and bringing up children
of Kins of The Great Race and The Heavenly Kin...

Supreme Sage will surround daughter of Great Witch
with care and love
and will be guarding her from minions of The World of Darkness
in order that they would not possess her Soul
and would not turn daughter of the Great Witch
to dark, spiritless way, leading Souls of people to Hell
lying in dark depths of The World of Nav'...

.....

Because minions of The World of Darkness know
that daughter of The Great Witch
surrounded by care and love of Great Sage
will give birth to a beautiful child
which will become a new Great Priestess
and a Savior of Sacred land
and all Kins of The Great Race and Descendants of The Heavenly Kin...
In a Sacred Year should this child be born
for since that time, future Great Priestess
will be helped and served by
all Gods of The Heavenly Kin...

.....

Mother Earth itself will be giving food to her
and Celestial Cow Zimun⁷⁰ will be giving milk to her...
Gamaun - Prophetic Bird

will sing to Great Priestess about saved Ancient Great Wisdom...
God Vishen' himself will be protecting her dreams
and Lada-Mother⁷¹ will be guarding her from Evil in the daytime...
Makosh-Mother will be nursing her
and God Krishen' will play pipe for her...

.....

But Forces of Darkness will gather together
and will want to destroy this Child
in order that Ancient Knowledge, Runes
and Secret Wisdom concealed in grave times would vanish...
For their great objective is not to allow birth of the Great Priestess
and they will make all their efforts
in order that this child would never be born...
And minions of The World of Darkness
will be surrounding mother of the future Great Priestess
with lie and great flattery...

.....

And they will invite mother of the future
Great Priestess to Great Festivals
where lie and spiritual impoverishment are in high esteem
where idleness and self-admiration are standart
where meanness and depravity are deified...
Dark Forces will be sending to daughter of the Great Witch

seducers and tempters,
in order that they would slander Great Sage
and Ancient Faith of Progenitors...

.....

All Dark Forces will be directed to separate
Great Sage from daughter of The Great Witch
for Dark Forces know that if they will be separated
great loss and unborn Great Priestess
will lead to death of the Supreme Sage...
so as his mission is to train a Great Priestess...
But he will revive again after one Circle of Life
and it will be the last time of Dark Forces rulership
in all lands of Midgard-Earth...

.....

The all-destructive Fire of Retribution of Forces of Light
will burn minions of The World of Darkness
and all descendants of Alien enemies
which were filling the whole Human World
with spiritual emptiness...
Carrying on their banners:
lie and vices, laziness and cruelty
desire for another's and lust
fear and lack of self-confidence...

And it will be a Great End of World
for Alien enemies,who came from The Dark World...

And will come the End of Time of Darkness,
for all Kins of The Great Race and
Descendants of The Heavenly Kin...

.....

Glorious Sages of Gods
of The Great Race and The Heavenly Kin
and you Witchers silverhaired
and you Sages Mostwise
remember my words...

Inscribe their Runes on Santies
and on stones in your Temples and Sanctuaries
in order that your Descendants would remember
about grave times,which will be brought by Time River
on its transient waves...
and would be ready for grave tests...

.....

If Descendants of your Kins will save in memory these words
and will unite many Forces for defence of Faith of Wise Progenitors
nothing will save enemies of The Great Race and The Heavenly Kin
from destructive Fire of Retribution of Light Forces...
For those of Human Children

who will go on the way of Forces of Light - will be saved, but those
who will go on the way of Forces of Darkness - will find death...

.....

By the will of God Svarog, My Father
I have announced you: about Eternal Laws of The Universe
and about Great Tests over Svarog Circle
and ninety-nine Circles of Life
which will occur in the future on Midgard-Earth...
This Great Predestination must be fulfilled
by you and your Descendants,
in order that everything predestined by Great RA-M-HA,
on surface of shining waves of Time River,
would come true,
and execution of which is supervised by Chislobog

SANTIE 8
Spoke to Perun Mostwise Skifadiy
Sage of Temple of Flower of Fern of Russen Kin:
Tell Wise teacher
what forces attract Aliens
to leave their homes in The World of Darkness
and bring them to us on Midgard Earth?
Answered to Sage God Mostwise:

Aliens covet everything they do not possess...
All their thoughts are only about power above all worlds
about capturing property and creations of Light Worlds...

.....

Objective of Aliens is to disturb harmony
reigning in The World of Light...
and to destroy Descendants
of The Heavenly Kin and The Great Race
for only they can give adequate repulse to The Forces of Darkness...
Minions of The World of Darkness think
that only they should possess all Worlds
which were created by Great RA-M-HA...
And arriving to blooming Earths
they seek to school Human Children to greed
for greed kills Cognition
and when Cognition is killed,shame dies...

.....

And when shame is killed,Truth is oppressed
with death of Truth dies Hapiness too...
When Hapiness is dead,Human dies,
and if Human dies,then any of his riches
are taken possession of by Aliens...
They consider wealth to be their rightest support

and they build their World on wealth...

And in The World Of Darkness

life is only available to those who have riches.

Poor human there is like a dead in a wilderness...

.....

They take away income from people

relying on Power of their Deception....

Knowing that if they take away from people support and Faith

purpose of life and Freedom of Spirit

they will destroy them...

Human Children in such situation in The World of Yav'

choose path of death freely

and direct their weapons against Aliens-villians

for it is better to accept glorious death

in battle righteous against Alien enemies

rather than to submit to the enemies...

.....

People with weak Spirit lose their minds

or fall under the authority of Alien-enemies

while others in thirst for hoarding

go to serve Aliens...

Misfortunes of such lost people are worse than death

so as Death,according to Law,is Eternal way of World

and there has been nobody,living in The World of Yav'
who has exceeded Death...

.....

Alien enemies,drive Human Children into madness
and people,losing more and more mind
accomplish cruel deeds...
...They end up violating blood rules,in their evil deeds
and for those who are guilty in Blood mixing
Hell opens its wide doors...
...And if human will not reject all of these
and if he will not wake up
he will go directly to Hell...
and Gods will not help him
for he himself chooses his Path...

.....

Awakening of human occurs only in cognition
and eye of cognition saves him...
Having achieved Cognition
Human Child looks at Vedas again
and again aspiration for Spiritual Life becomes duty
and head of all deeds becomes Conscience...
Listening to Conscience,he hates everything evil
this makes Conscience strong

and human creates his Happiness
and in Happiness human himself is created...

.....

Tranquil people are always skillful in their deeds
and invariable in duty before Kin...

They don't imagine anything unlawful, and they don't act sinfully.
Dishonourable or unreasonable people,
be it men or women,
do not succeed in fulfillment of their duty before Gods and Kin
and become like Aliens...

...Those who have Conscience
honour Gods and Ancestors
and head for Immortality
but not Hellish World...

.....

Those of Human Children
who having come from madness to rage
will be threatening, who will come to hate good
will be called by people GREY like Alien, and despicable...
Who by instigation of Aliens
in delusion and greed
seeks to take away from good people their Happiness
that, not controlling himself, will not cope with anger

and himself will not retain Happiness for a long time
for all riches of those who have gone astray from Way of Light
will go to Aliens...

.....

And hearts of all Dark Forces are filling with joy
when Human Children,listening to deceitful speeches of Aliens
go astray from Way of Light...

And go by mean way
accumulating material welfare,but not Spiritual
by will of Alien enemies
this way leading their Kins to destruction...

And Alien enemies know
that all unrighteous welfare
and riches taken away from good people
will cloud human Mind
and Souls of humans will become callous...

.....

Children of Human Kins
do not listen to words of Aliens
for they are deceitful and want to destroy your Souls
in order that they would not reach Celestial Asgard
and would be eternal wanderers in pitch Darkness...
...Do not allow Aliens to your daughters

for they will seduce your daughters
and deprave their pure Souls
and spoil Blood of Great Race
for the first man of a woman leaves Images of Spirit and Blood...

.....

Alien images of Blood
oust Light Spirit from Human Children
and Blood mixing leads to destruction...
And this Kin dies degenerating
without having healthy prosterity
for there will not be that internal Force
which kills all illnesses-diseases
which will be brought to Midgard-Earth...
by Alien enemies,coming from The Dark World...

.....

Do not listen to exhortations of alien-seducers
and don't become attracted by their deceitful promises...
Alien enemies have no compassion,
neither to Human Children of The Heavenly Kin,
nor to creatures similar to them,
for each who came from The Dark World
or his offspring born on Midgard or other Earth
thinks only about idle life

exploiting other's work and trustfulness of Human Children...

.....

By deceit and ruse, and unrighteous lie

Aliens obtain trust of people.

Boasting about their friendship with elders of Kin

they enmesh with lie Human Children...

And pervert their pure Souls

and school them to mean deeds...

Alien enemies call their lust - pleasure

and birth of children - vicious madness

and call Human Children to non-observance of Paternal Traditions...

.....

Human Children of Kins of The Great Race

and you, Descendants of The Heavenly Kin

be pure with your Soul and Spirit

and let Pure Conscience be measure of your deeds...

Banish from all your lands

Alien enemies and all their offsprings

or else they will destroy your Light Souls with their Spiritlessness

and by their vicious deeds they will ruin your bodies

and will use you and your Descendants in their dark deeds

and with your sons and daughters

they will comfort their flesh...

.....

Those of you and of your Descendants
who will remember all this
and will banish Alien enemies and their offsprings
from Sacred land of The Great Race
are true Saviors and Defenders of their Kin
and of all Kins of The Great Race and The Heavenly Kin...
And those, who will listen to deceitful words of Aliens...
and will give to them their women,
or will take Alien woman to his son,
are apostates of Human Kin,
and they will never be forgiven by Light Gods and The Heavenly Kin...

.....

SANTIE 9

And asked Perun Thunderer
Sages-Keepers of Tracks
which lead through Star Gates:
Tell us, our Wise Teacher
what is happening in Great Svarga
and why have many Gates to Makosh and Rada...closed?
And crystals of movement are not beaming anymore,
and Zurbine Circle has faded in half a quarter
Celestial Needles lost color

and at present from many Vitemaras
we don't get response to our long call...

.....

Answered to them Perun Mostwise:
Be advised,Keepers of Star Gates
Great Assa is happening in Svarga...
In Makosh,in Rada,in Svat' and in Rasa
Great Battle is occurring.
In it Light Gods from Prav'
entered brutal Battle
with Alien warriors of Hell...
They are defending Great Svarga...
and cleaning World,System by System,
from warriors of Darkness,from The Dark World...

.....

From those spiteful enemies
who turned blooming Earths into dust
who spilled blood of innocent creatures
nowhere spared neither the young nor the old...
That's why many Gates have closed
in order that Alien enemies would not get
to Light Lands of Great Svarga...
and that fate of Troara would not befall them.

Troara which once,in Rada most bright
illuminated worlds with Wise Love...

.....

Now Troara is deserted,without Life...
Manygate Circle is torn apart
on many needles collapsed mountains...
and ashes of fire lies in seven sazhens...
Same image, sad, cheerless
I saw in Arkoln on Rutta-Earth
which shined before in Bright Makosh...

.....

Star Gates - fritted stone...
Celestial Needles - roadside ash...
Everywhere are ruins of Great Sanctuaries
and cities are destroyed by heavy fire
which was rising from Rutta up to sky...
There is no more life in that Earth without Sun
no plants,nor birds,nor animals...

.....

Just wind carrying dust over valleys
filling ravines of intermontanes...
Despondently and quietly,in that World of ruins
where once dwelt Life far and wide...

Fush-destroyer evaporated rivers, sea
and sky got filled with black clouds.
Beams of light do not get through pitch-dark fog
and Life will never return to that World...

.....

This happened to many Earths
where had been enemies from The Dark World...
They were attracted by riches and minerals
which those beautiful Earths had...
Having earned trust of people by flattery
they stirred up people against each other...
This way were born wars in those Worlds...

.....

After the end of wars
those who remained alive, were irradiated with ziran...
And people lost their consciousness and will
and by command of Alien enemies
they were extracting riches and minerals...
And when those Earths went out of riches
and all minerals were exhausted down to the limit
all people were destroyed by enemies
who exported everything they obtained on those Earths...
But those Earths where aliens were ousted,

there they sent Fush-Destroyer...

.....

To restore zarbine Circle
to make Star Gate Spiral beam again
extract Movement Crystals
in part which fades in half a quarter...
In place of Movement Crystals of Svarga
which are on borders,for Svarozhich System
install Yngliya Crystals...
Outworld light,manifested in Nav'
will glow in Yngliya Crystals...
and shedding powerful stream
it will restore zarbine glow...

.....

As Spiral with straight radiance
manifests on zarbine Circle in front of you
once again change Crystals to previous state
for Outworld will be opened to you...
Be advised,Outworld light is harmful
it absorbs soul's radiations...
and Mind fades in it
unable to understand what happens with Soul...
And life of unreasonable soulless creatures

does not go to Svarga,but goes to Hell...

And there they pine in pitch Darkness

without knowing themselves,nor what happened...

.....

So be attentive in your deeds

and don't tempt fate in vain...

Many people got destroyed by curiosity

those who tried to cognize Outworld...

Outworld Rays are harmful to health

and humans are unable to comprehend its nature...

Life there flows by other Laws...

Bloody dawn rises above Earths.

And strange essences,like polkans

tried to destroy Vitemarars for age...

.....

You've been living on Midgard calmly

since old times,when world got established...

Remembering from Vedas,about deeds of Dazhd'bog

how he destroyed strongholds of Kosheys

which were located on the Nearest Moon

Turh didn't allow insidious Kosheys

to destroy Midgard,like they had destroyed Dea

.....

These Kosheys rulers of Greys
vanished with Moon in half a chast'
But Midgard payed for freedom
with Daariya hid by great flood...

.....

Waters of Moon caused that Flood
To Earth from Skies they fell in rainbow
for Moon split
and in svarozhich array
descended to Midgard...

.....

Ancient Strings were destroyed
which stretched to distant Systems...
And in Betweenworld some connections were interrupted...
and long call could not be heard.
Many Vitemarars got lost in Svarga...
until new Strings were born, and their call was heard from Systems.

.....

A lot of people died in that time
those who wasn't able to lift on Vitemanas
or pass through Star Gates
and save themselves in The System of Bear...

.....

Strings of Systems are deranged again
therefore Celestial Needles have lost color.

To make Needles beam with colors again
replace Irkama Crystals with Tara Crystals...
and through Zimun restore Strings...

.....

Once again will beam Celestial Needles
and Vitemarar will answer your call.

.....

Faith in success of your glorious deeds
this is what the most important at this time...

If deeds are fastened with Faith
what can hinder deeds from happening...

Only in labour created by community
you will cover your Kins with Glory...

Only by uniting all Kins by Ancient Faith
you will defend your beautiful Midgard...

.....

Ancient connections will be restored again
and to calls of Descendants - will respond Ancestors.

Aliens won't be able to prevent this
for they will be exiled to Hell from Svarga...

But remember people, that enemy is revengeful

and just pretends that it does not care about Svarga.

But actually hiding from looks

will be maturing a weapon of revenge...

They don't know about Honor and Heavenly Truth

for there is no Conscience in their hearts...

.....

Aliens have destroyed many Earths

in different systems of Svarozhich Circle...

Black envy darkens their minds

when they see prosperity of each other...

Envy,deception,desire for another's

that is their objective,even in Hellish World...

And that is why Aliens try...

to conquer everything in Svarga and Betweenworld...

Remember people of The Great Race

everything I told you in this beautiful evening...

Main thing is that for your Descendants

this Knowledge will not be useless

.....

COMMENTARIES

1 - First Circle: Complete Santies of Perun Vedas consist of 9 circles. Every circle

tells about one of nine days, when nations of Great Race held conversation with

God Perun in Irian Asgard.

2 - Irian Asgard: City of Gods on the river Iriy. Approximate location – Russia, Omsk City.

It is known that four Asgards existed on Earth - Daarian Asgard, which was located on the top of mountain Meru; Irian Asgard; Sogdian Asgard, in Asia Minor, in ancient Nissa city; Sveyan Asgard, on the territory of Scandinavia. After

a great fire, when Sveyan Asgard was burned down, new city was built there, and

got the name Uppsala.

3 - Vitimana: Flying Divine Chariot, by which Gods and humans travelled between Earths. There also existed Vitemarar - big flying ships, capable of carrying up to 144 Vitimanas inside. In Hindu Vedas, such ships are called Vimanas [because of distortion in translation from H'Aryan language to Sanskrit

4 - H'Aryan, D'Aryan, Russen, Svyatorus: Four initial Kins of The White Race. They

differed from each other in the color of their eyes [It is not known for sure, what

exact color each Kin had, but unconfirmed sources state that H'Aryan - Green

Eyes, D'Aryan - Grey Eyes, Russen - Brown Eyes, Svyatorus - Blue Eyes. Colors of

their eyes are explained by a color of Star, which shined in a System, from which

each Kin arrived.

5 - The Heavenly Kin and The Great Race: In the text,for some reason,four kins

are divided into two groups - The Great Race [D'Aryan,H'Aryan] and The Heavenly Kin [Russen,Svyatorus].But even though such classification exists,in

many parts of the text these two terms are used as interchangeable synonyms.And also,word "Aryan" is still a general name for all people of The

White Race,although used in the names of only two initial Kins.

6 - Sages: Wise keepers of Aryan Knowledge.

7 - United God: Eternal and univesal God,United Creator,whose name is RA-MHA.It is an incognizable essence,radiating Life-Giving Light and Primary Fire of

Universe [Yngliya],from which appeared all existing Worlds.

8 - Uray Earth: Planet Uray in the system of Eagle on Svarozhich Circle.

9 - Heavenly Svarga: Probably the whole Milky Way Galaxy.And Gardens of

Viriy,where bright Iriy flows,are obviously some part of it [Unfortunately,no

other info available about this].

10 - Perun Thunderer: One of the main Aryan Gods.Son of Svarog,grandson of

Vishen',father of Turh Dajd'Bog [Dajd' = даждь = давать = give.Bog = Бог =

God].

It should be noted that their relationship is not based on bloodline. They are

holding special positions, and family addresses like son/father/grandfather are representation of hierarchical structure of Aryan Civilization. Even their names

are most probably just titles of their positions. So one day, the most worthy of us

will succeed them.

11 - Vishen': Local Top God. [Vishen' = Вышень/Высота = High/Height]

12 - Svarozhich: In ancient times, everyone who came from space, and all comets

and meteorites were called Svarozhichs

13 - World of Yav'; World of Nav'; World of Prav': Yav' - World of Humans; Prav'

- world of Gods; Nav' - World of Darkness and Evil Gods. Word "World" here

means not some separate and unachievable world or place, but rather a set of interrelated things.

14 - Legs [Originally - Legi]: Messengers of Gods, who informed people of The

Race about will and advices of Light Gods. In Christianity, fallen Legs are called

Angels. There are names, honoring them, like Oleg [Grandson of Leg] or Ol'ga

[Granddaughter of Leg].

15 - Marena: Marena - Goddess of death and winter [figurative].

16 - Midgard: Ancient Aryan name of our planet.

17 - Hell [Originally - Peklo]: World of Darkness.

18 - RITA: Heavenly Laws of Purity of Race and Blood,given to humans in ancient

times.Observance of Laws of RITA saves race from

degradation,degeneration,and extinction.

19 - God Kin: Personification of all Light Gods and Ancestors.

20 - Worlds and Earths: Galaxies,Star Systems and their planets.

21 - Truth: True Laws and Orders of The World of Prav'.

22 - Falsehood: Deceitful laws and orders introduced from The World of Darkness,leading lost humans away to Hell.These laws and orders are complete

opposition to Truth.

23 - Protect Kins Of Russen And Svyatorus: It is told about some kind of vulnerability that D'Aryan and H'Aryan kins don't have,but Russen And Svyatorus kins have.

24 - Pagans: Adherents of a different faith/religion.

25 - Love your neighbour,if he is worth it: This commandment implies that you

should love and respect only those people who are worth it,but not everyone including enemies,like christianity teaches.

26 - Sacred Vedas,given to you by my son,Tarh Dajd'bog: It is told about Santies Dajd'bog Vedas,currently unreleased.

27 - Star,Wing and Odin: In scandinavian legends it is also told about two Odin's

brothers,but different sources give different names.

28 - Circles of Life Years: One Circle of Life consists of 144 Years.

29 - Himavat-Mountains: The Himalayas

30 - Skuf: Small Aryan Settlement,as a rule without Temple,as opposed to Skit

[Aryan settlement with Temple or Sanctuary].

31 - Potion [Originally - Surica]: Drink of Gods,made of special ingredients.

32 - Small Moon: Fatta,orbital period - 13 days.It was destroyed about 13000

years ago,due to unskillful usage of Elemental Forces of Midgard-Earth.

33 - Big Moon: Mesyac [Rus. Месяц - Month],orbital period - 29.5 days.In this

shlock are described times,when Midgard had two Moons: the small one - Fatta,and the big one - Mesyac.There are also parts in Santies,which describe

times when Midgard had three Moons.

34 - The third cup is superfluous for people: From the earliest times exists such

conception as a sense of proportion.

35 - From Circle to Circle: In ancient times,when people had different calendar,called Year-Circle.Calculation of time was done not with centuries [100

years],but with Circles [16 years] and Circles of Life [144 years].This is due to the

fact that hexadecimal numeration was used,but not decimal

36 - Rodan: Chosen leader of several related Kins. [Rod = Род = Kin].

37 - Wisdom Of Cognition Of Worlds; Wisdom Of World Of Radiances;
Wisdom

Of Life: Three collections of Santies,given by Light Gods.

38 - Vedas will not save those who do not fulfill their duty of Life: This
shlock

means that apart from Spiritual development,human has to do his life
duty.Life

duty involves such things as extension of kin,creation for the good of
kin,protection of kin,and many other

39 - Kapen-Priest: Priest of Kapishe.Kapishe - sacred temple

53 - Androgynous: Hermaphrodites.

54 - Great Assa: Space war between Light Gods and Dark Forces.

55 - Land of artificial mountains: Ancient Egypt,land of pyramids.

56 - Will create their own religion: It is told about Christianity. You should remember that teachings of Jesus Christ have nothing to do with what modern

Christianity teaches about. So Jesus actually struggled against this dark alien

religion,but then,as always,minions of darkness turned truth upside down.

57 - Great Wanderer: Jesus Christ.[This story is actually a lot more complicated,and would take a whole book to explain.]

58 - And then Svarog Circle will turn: In this sentence,Svarog Circle means firmament.This prophecy tells about events,which happened nearly 13000 years

ago.Unskillful usage of Midgard's Elemental Forces caused the destruction of

small Moon - Fatta,giant pieces of which fell to the Earth.And as a result,Earth

inclined its axis,thus changing the view of the firmament.Also movement of

tectonic plates occurred, which caused powerful earthquakes; volcanic eruptions; huge tsunamis; destruction of Atlantis, and many other islands; process of orogenesis [formation of mountains]; changing of climate.

61 - And many people will renounce Sacred Faith of Ancestors: Christian missionaries-preachers called nations of Great Race not to come from unbelief

to faith, but to renounce native Light Gods and Ancestors, and to accept alien God. Such renunciation is called betrayal, and betrayal is the worst sin. Moreover, Jesus himself said these words - "I am not sent but unto the lost

sheep of the house of Israel" [Bible - Matthew 15:24].
