

Protocols of Gangstalking (Jewish Mob Stalking); Protocols of Zion ( 1896 ) Compared With Testimonies of Two Brilliant “Targeted Individuals”- Stephen O’Keefe and Dr. Rauni Kilde, and Excerpt from “The Jewish Strategy” (2002) by Professor Oliver P. Revilo

Posted on May 17, 2019 Author Eric Karlstrom 1 Comment

Protocols of Gangstalking (Jewish Mob Stalking)

FORWARD/Epigraph quotes: The following quotes essentially identify who I believe is ultimately behind the global gangstalking-genocide GESTAPO system. Particularly pertinent passages of the “Protocols of the Learned Elders of Zion” (E) are marked with an asterisk:

1) “The day is not distant when all the riches and treasures of the earth will become the property of the Children of Israel.”

Manifesto issued to “the Jews of the Universe” in 1860 by Adolphe Cremieux, founder of Alliance Israelite Universelle, Jew, Grand Master of the French Masonic Lodges, and member of French provisional government

2) “With so many Jews involved with methods of deep psychological torment directed at me for so many years, it is impossible that these methods are not culturally Jewish, known by all Jews above a certain age.... This culturally Jewish method for profiling and stalking someone to ruin would have existed before technology made it easy, perhaps explaining why Jews have been exiled from so many nations.

What gave away the core of this mob stalking method as culturally Jewish was that Israelis always positioned themselves in the lead to appear as a victim, with their terrain cues consistently ordinary, per Mossad and Shin Bet’s mottoes of deception and concealment as a strategy. The culturally Jewish methods of deception and concealment are mafia tactics, as evidenced by the similarity in criminal activities between American Jewish mafia and the Israeli mafia, the embedded Nation of Israel and Israel proper.

... Why would I need constant stalking, discrediting, and ruin unless I had uncovered the Nation of Israel (Jews) as the culture which mastered these take-down campaigns... now using a CIA-level GPS terrain cueing system?

... The jews want to get rid of people who criticize their beloved Israel. You know, a collective of millions of jews conspiring for decades to kill people and steal their land with intent."

Stephen O'Keefe, Canadian "targeted individual" (TI), 2016, from "Deceive and Hide: Jewish Mob Stalking" youtube, webmaster of Operation Catalyst (OPCAT) website, now mostly removed from the internet

## I. Introduction: What is Judaism?

From "Judaism; The Pharisees and the Talmud" (Victor Marsden, 1938, in The Protocols of the Learned Elders of Zion)

Judaism Defined:

1) Moses Mendelssohn: "Judaism is not a religion, but a Law religionized."

"Judaism is not a religion and the Jews are not a nation, but they are a sect with Judaism as a rite. The obligations and rules of the rite of the Jewish masses are contained in the Talmud and Schulchan Aruk, but the esoteric teachings for the higher initiates are to be found in the Cabala.

Therein are contained the mysterious rites for evocations, the indications and keys for practices for conjuration of supernatural forces, the science of numbers, astrology, etc.

In his book "Nicholas II et les Juifs (Jews)," Netchvolodow explains that the "Chaldean science acquired by many of the Jewish priests, during the captivity of Babylon, gave birth to the sect of the Pharisees whose name only appears in the Holy Scriptures and in the writings of the Jewish historians after the captivity (606 BC). Celebrated scientist Munk leaves no doubt on the point that the sect appeared during the period of the (Babylonian) captivity:

"From then dates the Cabala or Tradition of the Pharisees. For a long time their precepts were only transmitted orally but later they formed the Talmud and received their final form in the book called the "Sepher ha Zohar."

Re: The Pharisees: Lt General Netcholodow: "This group of intellectual pantheists was soon to acquire a directing influence over the Jewish nation.... However saturated with pantheistic chaldeanism they might have been, the Pharisees preserved their ethnic pride intact. This religion of Man divinized, which they had absorbed at Babylon, they conceived solely as applying to the profit of the Jew, the superior and predestined being. The promises of universal domination which the orthodox Jew found in the Law, the Pharisees did not interpret in the sense of the reign of the God of Moses over the nations, but in that of a material domination to be imposed on the universe by the Jews. The awaited Messiah was no longer the Redeemer of original Sin, a spiritual victor who would lead the world, it was a temporal king, bloody with battle, who would make Israel master of the world and "drag all people under the wheels of his chariot."

The Pharisees did not ask this enslavement of the nations of a mystical Jehovah, which they continued worshipping in public, only as a concession to popular opinion, for they expected its eventual consummation to be achieved by the secular patience of Israel and the use of human means.

"A carefully restricted membership, tightly bound, imposing on their members the religion of "the secret," the Pharisees relentlessly pursued their double aim, which was:

1) The seizure of political power, by the possession of the great political offices (the influence of which was tremendous in the reconstituted Jewish nation), and the conquest of the Sanhedrin (Jewish parliament).

2) To modify gradually the conceptions of the people in the direction of their secret doctrine.

II. Judaic Law and scriptures sanction jews to murder and rape goys (Hebrew for non-Jew, unclean, filthy beasts, cattle, beasts") and steal their property in order to rule over planet earth.

Victor Marsden (1938; The Protocols of the Learned Elders of Zion):

"We know that the Jewish God is not the father of all men and the ideal of love, justice and mercy, like the Christian God, or even the Ahura-Mazd or Brahma. On the contrary, he is the God of vengeance down to the fourth generation, just and merciful only to his own people, but foe to all other nations, denying them human rights and commanding their enslavement that Israel might appropriate their riches and rule over them."

“And when the Lord thy God shall deliver them before thee; thou shalt smite them and utterly destroy them; thou shalt make no covenant with them, nor show mercy to them.”- Deut. VII 2.

“For thou art an holy people unto the Lord thy God; the Lord thy God hath chosen thee to be a special people unto himself, above all people that are upon the face of the earth.” -Deut. VII, 6.

The Talmud comments upon it: “You are human beings, but the nations of the world are not human beings but beasts.” Baba Mecia 114, 6.

“On the house of the Goy (non-Jew) one looks as on the fold of cattle.” Tosefta, Erubin VIII.

“The estates of the Goys are like the wilderness, who first settles in them has a right to them.” (Baba Batra, 14b).

“If a Jew has struck his spade into the ground of the Goy, he has become the master of the whole.” (Baba Batra, 55a).

“That the Jewish nation is the only nation selected by God, while all the remaining ones are contemptible and hateful.”

“That all property of other nations belongs to the Jewish nation, which consequently is entitled to seize upon it without any scruples.”

“That an orthodox Jew is not bound to observe principles of morality towards people of other nations, and on the contrary, he even ought to act against morality, if it were profitable for himself or for the interest of Jews in general.”

“A Jew may rob a Goy (Goy means unclean, and is the disparaging name for a non-Jew), he may cheat him over a bill, which should not be perceived by him, otherwise the name of God would become dishonored.” (Schulchan Aruch, Choszn Hamispat, 34B).

“Should a Goy to whom a Jew owed some money die without his heirs knowing about the debt, the Jew is not bound to pay the debt.” (Schulchan Aruch, Choszn Hamiszpat 283, 1)

“The son of Noah, who would steal a farthing ought to be put to death, but an Israelite is allowed to do injury to a goy; where it is written, Thou shalt not do injury to thy neighbor, is not said, Thou shalt not do injury to a goy.” (Misna, Sanhedryn 57).

“A thing lost by a goy may not only be kept by the man who found it, but it is forbidden to give it back to him.” (Schulchan Aruch, Choszen Hamiszpat, 266, 1)

“How to interpret the word “robbery.” A goy is forbidden to steal, rob, or take women slaves, etc., from a goy or from a Jew, but he (a Jew) is not forbidden to do all this to a goy.” (Tosefta, Aboda Zara, VIII, 5).

“If a goy killed a goy or a Jew he is responsible, but if a Jew killed a goy he is not responsible.” (Ibid, VIII, 5).

III. Vision Of Jewish Conquest of Non-Jewish Peoples and Nations Expressed in Various “Protocols” In Recent History:

A) Chemor, Chief Rabbi of Spain, wrote to the Grand Sanhedrin, seat in Constantinople, in 1492, when a Spanish law threatened expulsion of the Jewish people:

“Make your sons merchants that they may despoil, little by little, the Christians of their (property).

Make your sons doctors and apothecaries, that they may take away Christians’ lives.

Make your sons canons and clerics in order that they may destroy their churches.

Arrange that your sons become advocates and lawyers, and see that they always mix in affairs of State, that by putting Christians under your yoke you may dominate the world and be avenged on them.”

B) Manifesto Issued to “the Jews of the Universe” in 1860 by Adolphe Cremieux, Jew, Grand Master of the French Masonic Lodges, and founder of Alliance Israelite Universelle, and member of French provisional government:

“The Jewish teaching must cover the earth.... The net which Israel is throwing over the globe of the earth is widening and spreading daily, and the momentous prophecies of our holy books are at last to be realized... The day is not distant when all the riches and treasures of the earth will become the property of the Children of Israel.”

In a 1864 speech to a general assembly of the Alliance Israelite Universelle entitled, “Union and Progress,” Cremieux stated:

“The Alliance is not limited to our cult; it voices its appeal to all cults and wants to penetrate in all religions, as it has penetrated into all countries. Let us endeavor boldly to bring about the union of all cults under the flag of “Union and Progress:” such is the motto of humanity.”

C) Rabbi Reichorn, 1869, in Prague over tomb of Grand Rabbi Simeon ben Ihuda. #8 of 19 points.

“8. The possession of the land has always brought influence and power. In the name of social Justice and Equality we shall parcel out the great estates; we shall give the fragments to the peasants who covet them with all their powers, and who will soon be in debt to us by the expense of cultivating them. Our capital will make us their masters, and the possession of the land will assure the power to us.”

D) Protocol of 1919. A Russian newspaper, Prizyv, on 5th February, 1920, published in Berlin, contained this document in Hebrew, dated December, 1919, and found in the pocket of dead Jew, Zunder, the Bolshevik Commander of the 11th Sharpshooter Battalion.

“SECRET. To the representatives of all the branches of the Israelite International League:

Sons of Israel! The hour of our ultimate victory is near. We stand on the threshold of the command of the world... We have brought the culture, civilization, traditions and thrones of the Christian nations to stagger... We have done everything to bring the Russian people under the yoke of the Jewish power, and ultimately

compelled them to fall on their knees before us. Russia is in the agony of death under our feet. By taking from them their property, their gold, we have reduced this people to helpless slaves.

Be cautious and silent. We ought to have no mercy for our enemy. We must make an end to the best and leading elements of the Russian people, so that the vanquished Russia may not find any leader! War and class struggle will excite hatred and disputes between workers and peasants.

.... Keep holy the old laws, which history has bequeathed to us! May our intellect, our genius, protect and lead us!"

Signed, The Central Committee of the Petersburg Branch of the Israelite International League.

E) The Protocols of the Learned Elders of Zion, ca. 1896

Pertaining to the global gang stalking system:

Protocol 1: Power of Force and Make-believe:

"It is only with a despotic ruler that plans can be elaborated extensively and clearly in such a way as to distribute the whole properly among the several parts of the machinery of the State: Without an absolute despotism there can be no existence for civilization....

Our counter-sign is Force and Make-believe. Only force conquers in political affairs, especially if it be concealed in the talents essential to statesmen. Violence must be the principle, and cunning and make-believe the rule for governments. The evil is the one way and only means to attain the end, the good. Therefore we must not stop at bribery, deceit and treachery when they should serve towards the attainment of our end. In politics one must know how to seize the property of others without hesitation if by it we secure submission and sovereignty.

\* Our State, marching along the path of peaceful conquest, has the right to replace the horrors of war by less noticeable and more satisfactory sentences of death, necessary to maintain the terror which tends to produce blind submission.

(It is) by the doctrine of severity that we shall triumph and bring all governments into subjection to our super-government.

Protocol 2: Universal spying:

“... Our predominance.... Will put both sides at the mercy of our international agentur; which possesses millions of eyes ever on the watch and unhampered by any limitation whatever.

Protocol 3: “Divide and Conquer”

“In order to incite seekers after power to a misuse of power we have set all forces in opposition to another.... Abuses of power will put the final touch in preparing all institutions for their overthrow and everything will fly skyward under the blows of the maddened mob.

We are interested in the diminution, the killing out of the GOYIM.

By want and the envy and hatred which it engenders we shall move the mobs and with their hands we shall wipe out all those who hinder us on our way.

When the hour strikes for our Sovereign Lord of all the World to be crowned it is these same hands which will sweep away everything that might be a hindrance thereto.

We have been leading the peoples from one disenchantment to another, so that in the end they should turn also from us favour of that King-Despot of the blood of Zion, whom we are preparing for the world.

Protocol 4: Managed class struggle:

“The intensified struggle for superiority and shocks delivered to economic life will create, nay, have already created, disenchanted, cold, and heartless communities. Their only guide is gain, that is Gold, which they will

erect into a veritable cult, for the sake of those material delights which it can give. Then will the hour strike when, not for the sake of attaining the good, not even to win wealth, but solely out of hatred towards the privileged,

\* the lower classes of the goyim will follow our lead against our rivals for power, the intellectuals of the goyim.

Protocol 5: ....

“ Our kingdom will be distinguished by a despotism of such magnificent proportions as to be at any moment and in every place in a position to wipe out any goyim who oppose us by deed or word.

Protocol 6: Steal the goyim’s land and “extirpate” goy intellectuals:

\* “It is essential for us at whatever cost to deprive them (goy aristocracy) of their land.... (And we will take all measure) to extirpate from the face of the earth all the educated forces of the GOYIM.”

Protocol 7: Impose universal authoritarian military-police state through use of terrorism and American military as world police force.

\* “The intensification of armaments, the increase of police forces- are all essential for the completion of the aforementioned plans.

☒ To sum up our system of keeping the governments of the goyim in Europe in check, we shall show our strength to one of them by terrorist attempts and to all, if we allow the possibility of a general rising against us, we shall respond with the guns of America or China or Japan.

(The above statement suggests that the author(s) of the Protocols believed they – World Jewry- then (circa 1896) already had control of the United States, China, and Japan.)

Protocol 9: Use of terror, education, training, and “anti-Semitism” to mold, change, and subdue people

“Not a decade will pass before the most stubborn character will change and we shall add a new people to the ranks of those already subdued by us.

Nowadays, if any States raise a protest against us it is only pro-forma at our discretion and by our direction, for their anti-Semitism is indispensable to us for the management of our lesser brethren.

\* Our Super-Government subsists in extra-legal conditions which are described in the accepted terminology by the energetic and forcible word- Dictatorship.... At the proper time, we, the lawgivers, shall execute judgement and sentence, we shall slay and we shall spare, we, as head of all our troops, are mounted on the steed of the leader... the weapons in our hands are limitless ambitions, burning greediness, merciless vengeance, hatreds and malice. It is from us that the all-engulfing terror proceeds.

\* By inculcating in all a sense of self-importance, we shall destroy among the goyim the importance of the family and its educational value and remove the possibility of individual minds splitting off, for the mob, handled by us, will not let them come to the front or even give them a hearing.”

Protocol 11: The “new” Constitution; Goyim are a flock of sheep and we are the wolves.

“The freedom of the press, the right of association, freedom of conscience, the voting principle, and many another... must disappear forever from the memory of man, or undergo a radical alteration the day after the promulgation of the new constitution.

The goyim are a flock of sheep, and we are their wolves.”

Protocol 12: Controlled opposition and brainwashing and mind control of public.

“Among those making attacks upon us will also be organs established by us, but they will attack exclusively points that we have pre-determined to alter.

Not a single announcement will reach the public without our control.... We have already contrived to possess ourselves of the minds of the goy communities to such an extent that they all come near looking upon the events of the world through the colored glasses of those spectacles we are setting astride their noses.

Protocol 13: We have stage-managed reality according to our political plan for many centuries.

“When we come into our kingdom our orators will expound great problems which have turned humanity upside down in order to bring it at the end under our beneficent rule. Who will ever suspect then that all these peoples were stage-managed by us according to political plan which no one has so much as guessed at in the course of many centuries?”

Protocol 15: National and international police will come from Masonic lodges, which we control. We also control judges, senators, and the “higher administration” (presidents, etc.).

\* “Among the members of the these (Masonic) lodges will be almost all the agents of international and national police since their service is for us irreplaceable in the respect that the police is in a position not only to use its own particular measures with the insubordinate, but also to screen our activities and provide pretexts for discontents, etc.”

\* ... Under our influence the execution of the laws of the goyim has been reduced to a minimum.... In the most important and fundamental affairs and questions judges decide as we dictate to them.

\* Even senators and the higher administration accept our counsels.

Protocol 16: Subversion of universities and destruction of independent thought

“We shall abolish every kind of freedom of instruction.

\* We shall swallow up and confiscate to our own use the last scintilla of independence of thought, which we have for long past been directing towards subjects and ideas useful for us..... the purpose of which is to turn the goyim into unthinking submissive brutes waiting for things to be presented before their eyes in order to form an idea of them...”

Protocol No. 17: The King of Jews will be the Pope of the Universe. We will divide society so that 1/3 are spies and informers who will keep the rest under observation

“The King of the Jews will be the real Pope of the Universe, the patriarch of an International Church.

But in the meantime, while we are re-educating youth in new traditional religions (ETK- New Age religions, etc.), and afterwards in ours, we shall not overtly lay a finger on existing churches, but we shall fight against them by criticism calculated to produce schism....

Our kingdom will be an apolgia of the divinity Vishnu, in whom is found its personification – in our hundred hands will be, one in each, the springs of the machinery of social life. We shall see everything without the aid of official police which, in that scope of its rights which we elaborated for our the use of the goyim, hinders governments from seeing.

\* “In our program, one third of our subjects will keep the rest under observation from a sense of duty, on the principle of volunteer service to the State. It will then be no disgrace to be a spy and informer....”

\* Our agents will be taken from the higher as well as the lower ranks of society, from among the administrative class who spend their time in amusements, editors, printers, and publishers, booksellers, clerks, salesmen, workmen, coachmen, lackeys, etc. This body, having no rights and not being empowered to take any power on their own account, and consequently a police without any power, will only witness and report: verification of their reports and arrests will depend upon a responsible group of controllers of police affairs, while the actual act of arrest will be performed by the gendarmerie and the municipal police. Any person not denouncing anything seen or heard concerning questions of polity will also be charged with and made responsible for concealment, if it be proved that he is guilty of this crime.

Just as nowadays our brethren are obliged at their won risk to denounce to the kabal apostates of their own family or members who have been noticed doing anything in opposition to the kabal, so in our kingdom over all the world it will be obligatory for all our subjects to observe the duty of service to the State in this direction.

Protocol 18: Measures of secret defense. Mind control.

“Our ruler will be securely protected only by the most insignificant guard, because we shall not admit so much as a thought that there could exist against him any sedition with which he is not strong enough to contend and is compelled to hide from it.”

#### IV. Testimony of Some Exceptionally Brave and Smart Gangstalking/mind control victims; “targets” of the New World Order Against Humanity (aka Fourth Generation Warfare)

A. Stephen O’Keefe, Canadian TI and webmaster of Opcat (Operation Catalyst) explains how the “program” works. His many youtubes which have been removed from the internet

##### 1. (From: “Stephen O’Keefe Adroitly Explains How ‘The Program’ Frames Targeted Individuals As Lone Wolf Terrorist to Become an Enemy of the State”)

“My name is Stephen O’Keefe. I am the sole director of Operation Catalyst, or Op Catalyst or OpCat for short. I am what is called a “targeted individual,” or enemy of the state. Becoming an enemy of the state is quite easy: uncover a few of its crimes and criminal conspiracies; be as investigative and honest as you can be; and you’ll be an enemy of the state quite quickly.

... In my case, after some years of investigative research, I uncovered existing mysteries about my own life, while attracting the interest of government intelligence services and their secret police.

These government operations are clandestine...or secret or classified. Things a government calls secret are many times very illegal, and activities a government classifies are sometimes outright criminal. You can measure a government’s illegality and criminality in the vast number of documents it conceals from public view.

Governments which target persons in the way they have targeted me are mafia-states. Meaning the government operates in secret as a highly-evolved mafia. The way a mafia targets people is by surrounding the target mostly with others connected to, or owned by, the mafia state. Informants, government employees, snitches, lackeys...and the reason for this is because you are of more value to the government than you are a physical threat.

In my case, I was targeted at a young age because of my artistic skills, observational abilities and computer programming knowledge for what the Canadian and American governments have been testing on me, which is a highly sophisticated wireless surveillance and an unbelievably advanced intelligence and military technology.

It goes under various names; I call it virtual telepathy or VT. It's called, 'remote neural monitoring and prompting,' brain 're-patterning,' and 'EEG fingerprinting'. Basically, it's a way to wirelessly monitor anybody, using the body's biometric displacement field and also computer-interfacing the target's brain patterns. This transforms a target—that is, a responsive target—into a test subject for a super spy, soldier and super policing program.

Virtual telepathy [VT] is a bit of a parlor trick, being a combination of hands-free biometric surveillance and remotely-prompting the human target to receive and acknowledge these prompts. It may seem like telepathy, but it's only one-way. You are a targeted individual, with no formal affiliation to the government, its military, police or intelligence services. The reason for this is simple; this elaborately advanced surveillance technology and its clandestine handlers will drive you insane.

It is a weapon, and it is also the most powerful of weapons, being invisible. Imagine wearing a set of wireless earbuds or secret service ear-prompter, where you are receiving wireless radio instructions day and night, even in your sleep. To wake up, to go for a walk, to turn left, to turn right, to stop, to start, to nod 'yes' or shake your head 'no'...like an obedient soldier.

Now imagine receiving those instructions after taking off those physical headphones, and that these signals can reach your head wirelessly, anywhere you go, like radio. You can understand why intelligence, military and police desire this immensely, as there are no communications which can be monitored or intercepted by a third party.

It is private, discrete and transmitted through an anonymous computer interface to the target's own brain fingerprint, which is theirs and theirs alone, exploiting the same wireless frequencies which are all around us.

The reason a government targets unaffiliated persons like this, is because they would never subject their own employees, or anyone they cared about, to this surveillance weapon. Adapting to this technology requires isolating the target and destroying their life and sanity in a complete personality disintegration, thereby infiltrating their brain.

Canada has a history of this brain 're-patterning', going back to the 1950s with the government and CIA-funded MKUltra program at McGill University [Dr E. Cameron].

Like every type of weapon, governments never stop advancing them. It took me a long time to adapt to the VT weapon I was (and am) subjected to—over ten years. It also involved treatment with anti-psychotics, so that I could both endure it and remain sane with undisturbed sleep. As soon as I mention psychiatric medication, you're understandably going to think this is a crazy person's ramblings. Well, you can turn my recording off if you've had enough.

The reality is that this weapons' development has been going on in various forms through the participation of the American, Canadian, Israeli, and British governments for quite some time, and they generally use prisoners; who are both helpless and constantly monitored in jail cells. These governments, all the way to the top, want virtually telepathic soldiers, spies and secret police, expanding the required wireless neural monitoring to global populations, whether they know about it or not.

Not using microchips or biometric tracking implants, but following you in the same way, you are already following yourself with a portable mobile phone or device. Using nothing more than your body's displacement of the wireless frequencies already around you on the ground, underground and above ground...and your brain's unique EEG patterns.

In order to both deceive the target, and the people around them, that the person is insane, paranoid, delusional and mentally ill...discrediting the unwitting target until they are no longer believed...while being of immense financial and technological value to a government's military and intelligence, multiple cover stories are essential.

My cover stories were that I was a terrorist (since I analyzed black operation terror events like 9/11), a harasser (an army of police informants were directed by mobile phone to follow and provoke me), a white supremacist (since I was a harsh critic of Zionism and Israel), a hater of America (since I was critical of its wars) and a drug user and dealer (after being followed by the police's informant-drug addicts, who will lie about anything). I should note that I have never owned or been given a mobile phone, or any device which had wireless communication functionality.

One can be remote-influenced to think and speak about any of these topics, until the profiling and targeting campaign has an à la carte menu of options to cover-up you're being an enslaved Guinea pig. Especially if you've been prompted in sleep to obsess over these issues, as if receiving instructions for a covert mission. My remote-influencing was mostly about Jews, Israel and Zionism, as speaking critically of them gets the golden stamp of Jew-hater and white supremacist required for terror profiling.

Psychiatric discrediting is the most effective way to deceive others that the target is not a victim and slave of this clandestine government program. The target says they are being monitored and followed, they are diagnosed with any number of mental illnesses, then informants and government operatives smear the target as being 'mentally disturbed' to everyone they come in contact with.

Everyone wants a piece of this ultimate invisible weapon, as it is vital to the International and domestic terrorism racket. In my case, it is the Canadian government. Due to my campaign profiling, the nation of Israel within Canada is also a major participant, as reiterated time and again by my government's statements of a relationship with Israel "through fire and water." Of course, with the CIA funding brain 're-patterning' experiments in Canada since the 1950s, the core involvement of the American government is a given. In fact, I grew up near a Canadian/U.S./British military radome, about a half-hour's walk from my home...for fourteen years.

Some persons are being targeted with this technology, not only to monitor them, but so that they are in the right place at the wrong time for entrapment stings. The target being constantly followed...with layers of surveillance, discredited psychiatrically, discredited with smear campaigns, rumour campaigns, persons lying about the person being a harasser...compiles a dossier for the secret police. They want to fabricate some event around the target...a successful target. In most cases, that is a domestic terror event.

Now, if you don't believe governments create the crises which kill innocent persons, I'll draw your attention to all the wars in history which have come before us, where one government or another created the conflicts which killed millions of us. The ruling classes which govern us have no setbacks in killing us off in droves, nor commanding us to their will, nor exploiting us as a compliant labour force to be taxed. We all know this, whether we like to admit it or not.

Now, the government has created an even more strategic way to do it, through the terrorism racket. Meaning that, just one domestic terror event not only creates a sense of fear in the public, an immediate psychological dependence on their government for personal security—which would otherwise not exist—but it also creates a 'no questions asked' policy to initiate the aforementioned wars, which kill us off just the same. Military campaigns, invasions, nation-rebuilding, bombers in the air, drones in the skies...all with no questions asked since the public wants protection from an unseen terror hiding in their midst.

Just one domestic terror event can not only result in weapons and counter terrorism technology sales in the billions of dollars, but also immense income and funding for the mafia-state itself. Military police, secret police, regular police and law enforcement intelligence must expand to have the resources to keep the criminal methods used for this expansion from being discovered by the exploited public. This cycle is as deliberate as it is

destructive. A ruling classes' government, its police and militaries must reorganize the world into their ideology to continuously sustain the authority which have already placed them there.

In that regard, another reason for virtual telepathy is because, even though I have what is called 'hard' remote-influencing as a targeted individual, it doesn't mean that 'soft' remote influencing isn't happening on a global level at this point. This technology can influence anything: it can make you turn left if you were going to turn right; it can make you buy sugar if you were shopping for artificial sweetener; if you want to vote for one person, it can influence you to vote for another.

Most importantly, what virtual telepathy can do is remote-influence you to resist something. Meaning that, you can be wirelessly prompted to think about something, and then remote influenced that it is not a good thing to do, in combined association. That is what psychiatrists refer to as 'thought implantation' in diagnoses of schizophrenia, and this is why psychiatry is so important in the cover stories required by governments which fund the psychiatric institutions themselves.

If a targeted individual's remote handlers want them to go to a certain place, they will transmit the name of that place to the target's biometrically-located brain. Remember, this is a computer interfacing with the EEG pattern, or signature of the target's brain, it is not a sound. It is an electronically-interpreted suggestion transmitted through an EEG pattern in the target's spoken language. As if hearing the name on invisible wireless headphones, the brain creates an image of that place in hypnotic autosuggestion.

The mental images are triggered in the mind from memories, since the remote handlers know almost everything about their target. If this seems unreal or impossible, think of it this way...you are asleep in bed and having a dream—suddenly, the image and sound of a fire truck appears in your dream. You snap awake, and a fire truck was indeed passing by your home. Your mind formed the image of the fire truck to awaken you, based on your memory's association with the noise outside. This is how remote-influencing works, whether you are awake or asleep, and it can trigger recurring dreams...and even the way you dream.

When the handler does not want a target to go to a certain place or do a certain thing, the name of the place or thing will be repeatedly transmitted, followed by an EEG pattern with a negative association, like insecurity or fear. These EEG-sampled emotions can be played like musical instruments, and this is why many targeted individuals feel they are communicating with a higher power or god. As before, associations with a higher power yield yet more diagnoses of mental illness, and one can see why there is a noticeable outburst in the diagnoses of bipolar disorder, schizophrenia and complex mental illnesses.

This isn't to say mental illness does not exist and there is no need for psychiatry. On the contrary, the public being unwittingly influenced in this manner will create much more need for psychiatry and emotionally-stabilizing medications. Remote influencing becomes an immediate danger when its psychiatric abuse causes the target to lose connection with reality in a psychotic break—a reflex response by the brain to external abuse. Many victims of torture or warfare experience these reactions and, in combination with remote influencing, it makes the target unable to maintain control while being targeted with EEG-patterned prompting.

In my case, my remote handlers kept me walking to the CBC building in downtown Toronto, day after day, while in a psychotic break from their abuse. This became a daily routine until I eventually approached a security guard and said something bizarre and implausible; that I was going to psychically murder every single person there with my mind. The guard and a witness falsely reported to police that I made death threats like a terrorist, and that I had a camera. The next day I was remote-influenced to take a large 35mm camera to the CBC building, where the security guards were already waiting for me. I was under constant wireless RCMP surveillance before and after these events.

Wireless EEG patterning is being perfected for use on vast populations. To resist-influence persons to not protest, to positively influence them to vote, but to vote one way instead of another, to buy a new wireless device which will greatly improve the EEG-monitoring of their own brain, and to remote influence their involvement in electronic social media, where they will constantly report on themselves.

Virtual telepathy, military human targeting, weaponizing one's own body, will eventually be sold to the public as something beneficial. Something which allows the 'blind to see' without Seeing Eye dogs, allowing a missing child to be found or any police suspect or domestic terrorist to be tracked with secret telepathic soldiers embedded within society. Whatever will permanently monitor entire populations into an open prison yard, which stretches both to and across a nation's borders.

If you're still listening at this point, you're either finding it entertaining as science fiction, or you're seriously engaged. You should probably be the latter, as governments have remotely tracked us and catalogued us and sorted us as persons of suspicion as long as technology has allowed them to. This first became revolutionary when International Business Machines created a punch card system for the NSDAP to organize their labour camps and classify the affiliation of the prisoners interned within.

After World War II, the victorious allies absorbed the NAZI's technology with German scientists through Operation Paperclip, and re-adapted their experiments for North America, like project MKUltra. Governments have since continued influencing our thoughts and monitoring the public in every way that they can. Whether it's through our electronic communications, on foot with CCTV video, by satellite, by drone, by wireless mobile surveillance or our regular patterns of bank card and e-mail use...they do it.

So, even if you don't believe what I've said to this point, you should agree that the ruling classes' government is not going to stop finding new ways to surveil you, and that it can already do this wirelessly and hands-free. You should be asking, "What is next? What are these huge and remotely-located data centres being built for? Why are the GPS and geographic functionalities of all these wireless devices becoming more powerful? Who benefits?" Well, obviously, the answer is not good for you.

For a moment, teleport yourself back in time a hundred years or so to a frontier town. You walk into the town's square and declare that, in the future, there will be Kinetoscopes, or movie cameras, in every public building to photograph everyone all day long, every day of the year. There will be pilot-less airplanes in the sky which can photograph any horse and carriage on the street. People will carry entire libraries in their pockets, while entering their daily events into a ledger which the entire world can see, and the police will be able to follow anyone using all of these things without ever leaving the police station.

Obviously, you would be laughed at or considered a loon, since people would never believe a society would ever become that controlling and paranoid, like a prison yard. Well, we're all in that situation now, and yet when I discuss virtual telepathy, wireless biometric tracking and brain pattern remote-prompting...and that it's the most criminally sadistic weapon our governments have ever devised...it sounds like lunacy to you now, as if I mentioned what's happening today to you a hundred years ago.

My being a slave, a psychiatric abuse victim and, most importantly, a live human experiment with the Canadian, American, Israeli and British governments all involved...you're either going to believe I'm one of these targets or not. And you're either going to believe that these governments would test this biometric no-touch torture on me, or not. And you'll understand that these governments would never test this on anybody they cared about, and require socially isolated people who live alone in apartments or condos, where they can be surrounded by surveillance technology to contain and control them, or not.

If you believed it, you'll understand the need for the false cover stories to ensure nobody wants to be around you anyway. And, if they did, they would be turned into an informant or someone paid to assist in the psychiatric abuse, who I wouldn't want to be around me, either. This is why the terror racket has created and heavily-promoted the 'lone wolf' profile. Meaning that the person is isolated and that government, using immense amounts of money, technology and persons in a code of silence, work at molding the isolated target into whatever they want.

I'll state on the record: I've never had any intentions of being a terrorist, as these events only reinforce the sadists who ultimately benefit from such events. However, one can see why a cover story of a targeted

individual being a terrorist is so essential, because once a target finds out what is happening to them, the most normal, healthy and sane response would be to strike back at a government so criminally sadist as to track and bully people around using their own body and brain patterns. The response to my mafia-state's perverse sociopathy is Operation Catalyst.

After doing exhaustive research, and living for decades as a targeted individual, I'm afraid to tell you that most of the terror events the media outlets are feeding us are fabrications using wireless surveillance, to turn targeted individuals into convincing terrorism scapegoats. Yes, even 9/11, which was probably the biggest live run of this surveillance weapon's potential, having turned people doing nothing on CCTV video into 'terror masterminds'. As I make this recording on April 9, 2016, it is now on a daily basis.

CNN online front page: April 9, 2016

Only governments rotted-through with corruption would plan, let alone execute, events like these to further their invasions and warfare; with no foreseeable end in sight. Instead of cutting counterterrorism budgets when terror events occur, budgets are boosted, re-evidencing the racket. In the fifteen years of sustained domestic terrorism after 9/11, not one North American, Israeli or British political or military leader has been killed in a terror event. Allowing the state to invade our privacy and collect all the information it can, using the pretext of security, has resulted in more domestic terrorism in our lives than ever before. By design.

Fabrications by intelligence agencies and the secret police [the illegal police] keep the general public fearful, psychologically-dependent on its protector government, obedient, not speaking back, sticking to work, paying taxes and not protesting. All so that the police, intelligence agencies and government remain unchecked as they profit and benefit immensely from what they call a 'war on terror', or a war on anywhere or anyone. While the ruling class feeds us media and popular culture that the world revolves around us, and that government exists to serve our best interests, it actually revolves around them.

If you've listened so far, you should see why I was targeted by multiple governments, and why they spent so much time, effort and money to convince everyone I knew that I was insane and a threat to society. I understand the technology and the methodologies required by weaponized surveillance, remote influencing and virtual telepathy; which has been used on populations without their knowledge for quite some time now.

I also understand that the ability to record anyone, anywhere, means that governments already know where legitimate terrorists and criminals already are, and that they are pretending that they do not. This also means that private government communications have become insecure, and they have developed completely discrete

communication systems; the likes of which I have been subjected to. This also means that everyone is now on their list, and never coming off of it. Government employees and assets first.

If you read through Op Catalyst, and review its multimedia, you will see everything from courier deliveries from a biometric surveillance company to my next-door neighbour, RCMP living in my building doing counterintelligence gas-lighting skits...even if you don't believe exactly everything you read, see and hear, you'll be unable to deny that there have been serious, expensive and completely illegal government goings-on in my life for many years.

They've ruined me professionally and financially, then discredited me personally, psychiatrically and socially. They did everything they could, and all they have on me after decades of this is my making one bizarre and implausible statement to a security guard. Canadian secret police were so desperate to own me, they falsely arrested and convicted me on it.

They are recruited as sadists, gang-mentality abusers and are most likely collectively criminally insane. They target loners deliberately to bully them, ensuring the target is personally, professionally and psychiatrically abused to a point where they have nothing good to say about law, policing or government. It is as completely deliberate as torturers tormenting their victim until nothing but words of hatred and revenge come from their lips. Every provoked statement used against the lone and helpless victim, who threatens the criminal many with the truth about their torture and abuses.

This is what makes the contrived 'lone-wolf' profile so cyclical; the more they covertly abuse, provoke and gas-light you that you're insane, the faster you'll be speaking against police, government and whatever or whomever they've profiled you with. I'll tell you this; secret police especially love stalking and provoking, then psyching you out like wife beaters that it's all your fault. You'll be hating the criminal apparatus of the mafia-state pretty fast, which spends immense amounts of money and effort on its public image, but is the very definition of a secret society.

How they really sustain control is classified and secret, and those who uphold that secrecy exist in the tens of thousands of people who work in the military, the intelligence establishments and the secret and regular police. So, we're not talking about a few Illuminati or political

Machiavellians or religious power players; we're talking about entire societies which use secrecy to maintain their criminal control of whatever they cannot enforce with publicly-available laws. This ruling class is what the world exists for, despite movies, songs, books, television and news media reaffirming to you that the common person is what governance exists to serve.

There's no use asking the Royal Canadian Mounted Police, the Canadian Security Intelligence Service or the Toronto Police Service what's truly going on with me; they're all lying about it. Tribunal Orders have already been fabricated from Orders that they be fabricated, when the tribunal itself would have known those Orders were as fabricated as the ones they were fabricating. I've already endured two police-fixed hearings and a wrongful conviction, which the RCMP prevented me from overturning by shutting down my lawyer's downtown office. The money and influence backing this cutting-edge surveillance weapon, which major governments want to command—else be remotely commanded by—is limitless.

Persons regularly around the target will be either made part of the team—with a mafia's code of silence—or pushed-away, just like I was isolated. Terrorism is the mafia-state's ultimate protection racket, with unlimited profitability. Protected informants can be paid over four million dollars each in Canada to set-up other people and lie about it at hearings. Those paltry millions are a drop in the bucket compared to the billions in technology and weapons sales which come as a result of terror events. Our governing ruling class has profited and empowered themselves through warfare consistently in the past, and nothing has changed that to present.

We're now culturally bereft of philosophers, revolutionary minds and the essential groundwork to sustain healthy social resistance to government abuse and corruption. The powers that be profit from domestic terror and warfare, and they will frame those who resist the mafia-state as potential terrorists to eliminate them. The public is in the most danger it has ever been in, and if it comes to understand precisely why, wireless biometric monitoring has been established to target any resistance.

This may be why I'm still alive to be the first to break the bad news...those who remain free are free to move only in a cage of illusions. I also regret to inform that personal privacy is dead, and a continued lack of privacy eventually drives people insane. Nobody knows this better than those who developed VT, biometric tracking and EEG brain pattern-influencing. If anything, consider this recording an urgent public health and safety notice.

Visit [opcatalyst.net](http://opcatalyst.net) and its YouTube channel, Twitter feed and photo, audio and print evidence archive on MediaFire. There are many PDFs linked on the website itself, evidencing my years of abuse and entrapment by the RCMP, CSIS and the Toronto Police Service. You'll find print materials, even audio recordings, of them fabricating evidence and lying to me both personally and on the public record. One recording has a counterintelligence provocateur lying at an average speed of seven times per minute. The compulsive lying is concurrent with the use of wireless surveillance technology to fabricate any law-enforceable crisis.

As if bringing a Hollywood movie production to the city streets, the secret police can deceive anyone from passers-by to the regular police to the media who document the aftermath. As I have experienced firsthand for

years, plain clothed intelligence and paid informants are used as crisis actors and witnesses to sell the surveillance production as legal reality. It works, because as soon as lawyers and judges hear 'terror' they know their reputation and career get a major boost for doing whatever the police want done to the suspect. Especially if a target has been diagnosed insane from the required counterintelligence stalking procedures.

Layers of surveillance are already in place before any staged crisis is initiated. Mini-disasters were staged around me to see how I would react: a car crash at the Israeli embassy; a rape in a parked car; a take-down of a cabbie with automatic weapons the day after 9/11; a swarming of police officers as I walked alone at night; a fake rooftop fire and even a faked movie set. The secret police want to see how you will react in a black operation, hoping you will run away to sell the resulting CCTV video as an admission of your own guilt. I never ran, and instead documented whatever setups I could, which will be released in the future through Op Catalyst.

If you are still listening, and believing, this is most critical; if something can be vocalized by the human brain, it can be sampled by the wireless brain/computer interface. Anything you say, no matter where you are, in bed asleep or awake at work, no matter whether alone or in a group, any spoken secret, any romantic encounter, any closed-door political meeting can be sampled as speech-to-text, requiring the need for massive data centres. The best way to recruit a super soldier, spy or cop—or frame the most effective government resistance as terrorists—is to seek them through all available intelligence on all available persons.

The significant increase in mental illness diagnoses is most certainly related to the seeking of human targets most responsive to remote-influencing. Someone's propensity to mental illness may be another factor in the targeting process. My mother had a psychotic break after her divorce, but I was never told she had any mental illness until many years later. Was she targeted after leaving my father, who had once worked on an American military base? Again, I lived in a home with a Canadian/U.S./British military radome just up the hill.

A target can be remotely-infused with whatever is required to discredit or frame them, and the interests of the nation of Israel in this remote influencing technology extend to my long-term employer. My targeting really picked-up when they were awarded a file involving the future Attorney General of Israel, and a failed hedge fund whose owner had fled there. The RCMP were corrupting my employer with the wireless entrapment setup at my contract site; a corporate sabotage directed at and through me.

I never had any psychotic break before in my life, but once I dumped my handlers at work, where the RCMP were assigned, electronic harassment kept me sleepless until I went fully psychotic and into a highly suggestive state where I could be remote-influenced about anything – like repeatedly visiting the CBC building until I said something bizarre, which those tailing me could exploit as death threats and photography.

Yes, everything sounds like criminal conspiracy when it is one. What I've described sounds incredible, but is no different than wearing an invisible set of headphones which receive silent and wireless instructions from military-grade technology. Fifty years ago, psychiatry blamed such lofty beliefs on having a failed parental relationship, and I've had that, too. As Op Catalyst has evidenced, all psychiatry can diagnose you as is mentally ill. As far as a DSM-IV psychiatric classification, I am fully diagnosed with Bipolar I disorder. Many others in my situation may be, as well. The advancement of gender neutrality, fluidity and multicultural society, as revolutionary as it may seem, is mass militarized remote influencing at work right now, breaking down and aggregating the cultural, political and sexual identity of the world's minds; yet slowly enough to not be noticed as something artificial.

This is why those persons breaking down personal boundaries and sexual identity have become so aggressive in doing so. Society appears to be freer in a mix of identities, cultures and religions, while populations are enslaved more than they ever have been before in history. While remote influencing is behavioral conditioning, virtual telepathy is no-touch torture and psychiatric abuse, breaking down the identity of the individual into wirelessly-socialized networks of militarized obedience. Its prisoners will be born into open captivity, being both abused and influenced hands-free, not knowing that there is another natural world to be discovered: A world without invisible captors.

Stephen O'Keefe

2. In his "Deceive and Hide: Jewish Mob Stalking (Operation Catalyst) (2016-05-31)" youtube (here partially transcribed), O'Keefe identifies who is behind these global and criminal operations

"With so many jews involved with methods of deep psychological torment directed at me for so many years, it is impossible that these methods are not culturally jewish, known by all jews above a certain age.... This culturally jewish method of profiling and stalking someone to ruin would have existed before technology made it easy, perhaps explaining why jews have been exiled from so many lands.

The benefits to shadow governments are endless; spy operations, police stings, drug dealing, money laundering drops and black operation terror events where an asset or target are surrounded by nothing but layers of backup in a pre-scripted crowd simulation. It will eventually lead to a society covertly cued-up with attractions to products and advertising within a biometrically-monitored population to accelerate consumerism and spending. What gave away the core of this mob stalking method as culturally jewish was that Israelis always positioned themselves in the lead to appear as a victim, with their terrain cues consistently ordinary, per Mossad and Shin Bet's mottos of deception and concealment as a strategy.

The culturally jewish methods of deception and concealment are mafia tactics, as evidence by the similarity in criminal activities between American jewish mafia and the Israeli mafia; the embedded Nation of Israel and Israel proper.

Jewish-American mafia criminal activities: Narcotics trafficking, racketeering, gambling, loan sharking, bookmaking, contract killing, diamond trafficking, extortion, weapons trafficking, fraud, prostitution & money laundering.

Israeli mafia criminal activities: Drug trafficking, diamond trafficking, racketeering, loan sharking, robbery, extortion, money laundering, highjacking, gambling, prostitution, bookmaking, weapons trafficking and human trafficking.

Partial Transcription of Video Text:

“This video profiles the surveillance proficiencies of jews, and their Nation of Israel, as Shin Bet, Mossad and their sayanim (helpers)- who profiled, mob stalked and ruined my personal and professional life- have declared themselves “deceivers in hiding.”

Original Mossad slogan: “By deception thou shalt do war.”/”Deceit is essential in warfare”

Shin Bet slogan: “Defender that shall not be seen”

Jewish mob stalking works like this: jews pass your photo and details around by mobile phone and conspicuously stalk you wherever you go. Once you start discussing it, or taking their photos, they complain to authorities that you’re insane and obsessed with jews, a Nazi, white supremacist or potential terrorist and that you must be watched very closely, and that jews will help.

“Helping means setting you up for ruination which benefits the police state which protects Israeli interests- and that’s usually a white supremacist rally, violent outburst or terror event- where mob stalking victim is absorbed into the jewish profiling.

This culturally jewish method of profiling and stalking someone to ruin would have existed before technology made it easy, perhaps explaining why jews have been exiled from so many lands. For instance, if I couldn’t walk from A to B without jews following me by mobile phone or biometric surveillance, or work at KPMG Canada

without them covertly interfering with me through the RCMP or go to the Landlord and Tenant Board without jews lurking there as photo bait to discredit me, the power of jews over my host nation of Canada is irrefutable. It was thousands of jews distributing my personal information amongst themselves to ruin my life years before OP CATALYST even existed; when I had neither stalked nor ruined any of these predators.

Once spotted, those tailing you in multiple directions with wireless surveillance devices or biometric tracking will keep playing it cool, but head into the nearest dark alleyway or far down a side street to ditch you- as you will see in my videos. Contrast that with regular pedestrians who would keep with a crowd, or stop and stay visible, if feeling unsafe.

I have blurred the faces of some of these stalking skits as, once exposed as organized stalkers or spies, others involved in the harassment campaign can send anonymous death threats to those exposed.... Enabling them to counter-sue for anguish in my having published their likeness to the internet.

The May 4, 2016 event at Carlaw and Danforth shows the telltale, "leapfrog" surveillance, where one agent had to get a lead on me after passing me off to another agent waiting in an alleyway, but by following her there I inadvertently "dry-cleaned" both my tails.

It was difficult to maintain composure in a few of the video segments as the sensation of being bio-located in public (or private) is more physical than psychological, with a distinct tugging in the right cerebral cortex (motor function) and a general sensation of constriction in the frontal lobe (high functions). My biggest worry is that this finally a terror drill- about to go live.

So CSIS (Canadian Security Intelligence Service), the RCMP (Royal Canadian Mounted Police), the Toronto Police Service and the Nation of Israel embedded within Canada expanded my targeting to develop a GPS terrain surveillance and cueing system. This involves portable biometric gear in backpacks, duffle bags and luggage totes which redundantly biometrically position you amongst plain clothed police, spies and their assets and targets; fed to and through satellite GPS.

It's designed to move the target into a scripted surveillance sequence where anything can happen to them, like a mock collision to take them out while appearing accidental, with all immediate witnesses in on the black operation.

If the target has been conditioned to EEG remote influencing, as I was, they can be led along a pre-scripted surveillance path like a marionette; directed, misdirected and delayed as needed using GPS-positioned cues and resists. The cueing system covertly developed around me uses any object or mark on the terrain, other people in the biometric field or even GPS-located aircraft in the sky.

Since I'm so aware of exactly how this system works, the Israeli/RCM/CSIS biometric targeting method was certainly specifically designed for and around me as a targeted individual, for no less than a decade.

The benefits to shadow governments are endless; spy operations, police stings, drug dealing, money laundering drops and black operation terror events where an asset or target are surrounded by nothing but layers of backup in a pre-scripted crowd simulation. It will eventually lead to a society covertly cued-up with attractions to products and advertising within a biometrically-monitored population to accelerate consumerism and spending.

What gave away the core of this mob stalking method as culturally Jewish was that Israelis always positioned themselves in the lead to appear as a victim, with their terrain cues consistently ordinary, per Mossad and Shin Bet's mottos of deception and concealment as a strategy.

The culturally Jewish methods of deception and concealment are mafia tactics, as evidenced by the similarity in criminal activities between American Jewish mafia and the Israeli mafia; the embedded Nation of Israel and Israel proper.

Jewish-American mafia criminal activities: Narcotics trafficking, racketeering, gambling, loan sharking, bookmaking, contract killing, diamond trafficking, extortion, weapons trafficking, fraud, prostitution & money laundering.

Israeli mafia criminal activities: Drug trafficking, diamond trafficking, racketeering, loan sharking, robbery, extortion, money laundering, highjacking, gambling, prostitution, bookmaking, weapons trafficking and human trafficking.

Per the motto, "the mafia does not exist," the operational mandate of everything from Jewish mob stalking to covert black operations is, "the Jews didn't do it."

Domestic terror black operations send government officials, police, intelligence and the military to Israel for counter-terrorism training. There, they can be covertly EEG-fingerprinted and their unique biometric signatures cultivated by Israeli intelligence.

Beyond detecting the International locations of plain clothed intelligence and police for Israeli-jewish operations using GPS cueing systems, important decision makers can be covertly mob stalked by jews for life-yielding unlimited political blackmail.

As jewish deception and hiding are further finessed to fabricated domestic terror patsies and the events to go with them, more persons seek Israel for the best counter-terrorism training.

This completes the cycle where jews are always in the lead for what they introduced into the world by their Irgun and Lehi: domestic terrorism for political influence.

With so many jews involved with methods of deep psychological torment directed at me for so many years, it is impossible that these methods are not culturally jewish, known by all jews above a certain age.

Once targeted by them, jews stage their stalking, mimicking, and surveillance patterning and pulverize you with so much of it, you sound utterly insane as they are to have thought it up, yet alone do it.

“It’s not a jew,” counterintelligence stalking is indemnified through the infusion of “anti-semitism,” into the global lexicon; ensuring jews are never collectively held accountable for anything, while they appear as victims on any audio, video or photo their stalking victim makes.

Jewish stalkers were so intent on always appearing to be an victim in anything I recorded, they gave themselves away as my core predators despite so many government agencies serving as their camouflage.

Video clip: 345 Bloor Street East, Toronto/May 4, 2016 at 12:07 pm EST

TI narrator voice over video clip showing bald-headed 30-40ish, jewish man with dark-rimmed glasses wearing black sport jacket walking empty-handed inside mall:

“This is a jewish counterintelligence stalker, waiting at the front of 345 Bloor East, (I’m) trying to get a video taken of him. He’s sort of bad at looking inconspicuous, but generally the jews- world jewry and the Zionist organizations- have about, you know, a hundred thousand of these to just activate and stalk you around like this.

Even though it looks like I’m stalking him, but he was in the lead and got my location by biometric surveillance through Israel, so .... Yep.

(He’s) not shopping, not... no direction... just wandering around (the mall), yep. Yeah, that’s him.”

Text of video: Per the “it’s not a jew” mandate of RCMP, CSIS and jewish cultural mob stalking, a security guard does the intercept:

TI narrator confronting security guard: “Yeah, I know, you don’t want videos, right?”

Bald-shaven(Nazi style) mall security guard who also looks jewish: “This video.... On purpose? You are not....”

TI narrator/filmer: I’m documenting illegal RCMP surveillance and counterintelligence stalking. Okay?”

Mall security guard: “Do have any ID?”

Narrator: “No, I’m not giving you I.D. Because the fact of you showing up right here and now, when I was videotaping that guy over there- wherever he went- is not a coincidence.

I need your guard number..... 10764.. don’t hide your guard number from me, you’ve been busted. 10764871.”

Private security guard: “Just give me a second... not yet.”

Text over top of video: Your regular destinations become jewish mob stalking setup exploits.

792 Carlaw Avenue, Toronto/May 4, 2016 at 1:12 pm EST

Narrator showing 30ish man with dark leather jacket, dark glasses, and wearing blue jeans walking on street:

“Right in this door. And him... taking over my campaign.

Notice how closely they follow you.... All these jews.

So here's how it works. Off he goes- he's busted... I'm at Danforth and Carlaw.

1:12 pm and 53 seconds by my watch on May 4, 2016, EST. Remote-influenced into Re:Reading at 548 Danforth (store) with this. “(video shows woman with purple sweatshirt and white baseball cap pushing a baby stroller).

Narrator goes into store speaking: “Hi again. I had a very, uh.... I should say.... Compelling interest to look at these cards for a moment.

So, I just wanted to document them in case I missed anything. I knew was being tailed very closely, and I was being misled to delay me.

The cue was done by a CSIS spook, a blonde woman, standing here with a purse- the purse contains biometric tracking. She got made. She crossed.... Carlaw Avenue. A jew on a mobile (phone) took over. She got directed/notified by-“

Yeah, like this one.... Got notified by mobile phone that the CSIS spook had been made (busted). She took over. They busted and broke-up the tail. The jewish woman.... Walked here. I was following her, so she knew she was busted.

And this is why Mossad and Shin Bet and all the jewish mafia that observe these skits for loads of money, set up little safe-houses in like alleyways where suddenly a jewish woman on a mobile has a compelling interest to go (walk) by all this garbage (lots of garbage cans) and walk into this (unmarked alley) door.

And out she goes to the front of the pizza shop, 'cause this is all jews do, all day long... to steal your life way from you..... He popped out of here, as you saw. He was probably waiting here, "cause that's locked.

So the only way he can pop out of here- cause he popped out of the corner- is by observing her coming around the corner and entering here, cause she's been blown. She goes in.... the jewish spook- it could be any of them- any jew... because they all know how this works."

Video printed narrative: Why would I need constant stalking, isolation, discrediting and ruin unless I had uncovered the Nation of Israel (jews) as the culture which mastered take-down campaigns.... Now using a CIA-level GPS terrain cueing system?

TI narrator resumes description of video: "He activates... and tries to take over the tail, and she... heads off.

And that's how CSIS... a jewish/zionized CSIS.... Founded by Robert Kaplan, a B'Nai Brither and NAZI hunter turned Canada into a stasi/zerzetzung state.

And gas lighting is sooo obvious.

Carlaw and Danforth Avenue, Toronto/May 4, 2016 at 1:16 pm EST.....

Video gray-suited, bald-headed 40ish year old man with mobile luggage carrier:

TI narrator: "Okay, this guy was setting cues... in my lead at the Scotiabank ATM"

Young and Eglinton Avenue East, Toronto/May 20, 2016 at 6:17 pm EST

"Yeah, he's talking into his mobile, but he's receiving mobile direction.

The RCMP and Mossad are very good at saying one thing while doing another.

So I'm nearly at BMV. He's my height. So, that's so they can substitute me and him in and out of the GPS cueing system.

2289 Younge. Yup, and the biometric's in there. (video camera pans to the mobile airport luggage carrier the man is dragging next to him as the narrator follows him as he walks down the sidewalk.)

(He) knows he's busted. (He's) waiting for directions. No, you're busted. Yep. What's waiting up the hill for you is not your Israeli swap.

Time and date. May 20, 2016. 6:18 pm and ten seconds by my watch, EST.

Video printed narrative: Jewish profiled skit comes as a result of my tweet earlier today that said: "CSIS: Canada no place for jew haters, but jews organized by the millions to kill people and steal their land for decades with intent =

Standard leading tail scenario, where it looks like I'm stalking him, but he's stalking me with that. (He's) trying to get an escape. Yeah, interference. They're trying to protect him. Is it RCMP? CSIS? CSIS. Yup.

No, here's what I'm stalking... the biometric outfit in there stalking me, and them (CSIS) behind.

No, they want to misdirect me... Not 'gonna happen. CSIS is saying: "Oh no, jew hater! Jew hater! We have to protect him (the jewish stalker with biometric outfit). Not stalk him and keep him silent about jews organizing in the millions to kill people and steal their land for decades with intent."

May 24, 2016, 9:38 pm EST:

"I'm on Queen Street West just across from York Street. This is typical RCMP street theatre stuff where they have a lone jew in the middle of the road looking all alone and vulnerable... and I take a video and I upload it to my cloud service and they say- well, they lie- that it's self incriminating evidence of me being a stalker and harasser of jews.

Because that is what the jews want to get rid of people who criticize their beloved Israel. You know, a collective of millions of jews conspiring for decades to kill people and steal their land with intent.

So when I'm walking alone, they'll plop one of these in front of me. Total bait. Leading tail. Sat surveillance. And all it does is look like me stalking a lone jew.

Written on video: How could a lonely old jewish man walking right into my path be part of organized CSIS/RCMP/jewish counterintelligence stalking?... A victim in the lead is a telltale craft of their deception once you begin documenting the mob stalking campaign on video. The RCMP/CSIS tell court judges that they have video of you predatorally stalking jews like a crazy person- gaining more fabricated Orders.

"And you know, this is why they do it. Because, to actually document it for what it is makes you sound insane. And there's an immense budget....huge budget of having skits happen where the person just mentioning what's occurring to them will make them sound insane. And they spend a load of money on it. Loads of money.

So there's city hall, there. Lots of witnesses around. And witness-fabricated testimony is what they want, cause they have no evidence of harassment.

It's actually the stalking jews who are harassing you. Trying to fabricate evidence, through self-incriminating evidence, and such."

79 Saint Claire Ave. East, Toronto/April 17, 2015 at 1:41 EST

"With so many Jews involved with methods of deep psychological torment directed at me for so many years, it is impossible that these methods are not culturally jewish, known by all jews above a certain age.... This culturally jewish method for profiling and stalking someone to ruin would have existed before technology made it easy, perhaps explaining why jews have been exiled from so many nations.

What gave away the core of this mob stalking method as culturally jewish was that Israelis always positioned themselves in the lead to appear as a victim, with their terrain cues consistently ordinary, per Mossad and Shin Bet's mottos of deception and concealment as a strategy. The culturally jewish methods of deception and concealment are mafia tactics, as evidenced by the similiarity in criminal activities between American jewish mafia and the Israeli mafia, the embedded

Nation of Israel and Israel proper.

... Why would I need constant stalking, discrediting, and ruin unless I had uncovered the Nation of Israel (jews) as the culture which mastered these take-down campaigns... now using a CIA-level GPS terrain cueing system?

... The jews want to get rid of people who criticize their beloved Israel. You know, a collective of millions of jews conspiring for decades to kill people and steal their land with intent."

Stephen O'Keefe, Canadian "targeted individual" (TI), 2016, from "Deceive and Hide: Jewish Mob Stalking" youtube, webmaster of Operation Catalyst (OPCAT) website, now mostly removed from the internet

B. Dr. Rauni Kilde (author of "Bright Light on Black Shadows," 2015)

1. "The Organization" And Its Methods and Goals Exposed by Dr. Rauni Kilde (M.D.)

"The Organization" Behind Global Gang Stalking Terrorism Operations And Its Methods and Goals Exposed (From Dr. Rauni Kilde's "Bright Light on Dark Shadows," 2015)

(ETK Introduction): In her 2015 book, "Bright Light on Black Shadows," the late Dr. Rauni Kilde (MD) offers the most plausible and probably the most accurate description of "The Organization" behind global stalking terrorism operations that I have yet encountered. As a "targeted individual" herself for over 30 years and as the former Chief Medical Officer of Northern Finland with degrees in several medical specialties, Dr. Kilde had ample opportunity to study and observe the organized stalking/electronic torture/mind control system first hand. In February, 2015, she was tortured and murdered by "The Organization."

Based on the work of Preston James, PH.D. of Veterans Today and others, including myself, we can confidently state that "The Organization" identified by Dr. Kilde is also known as the "International Zionist Crime Syndicate" (IZCS).

Below are some of the most pertinent excerpts from "Bright Light on Black Shadows," her first and only book written in English. Dr. Kilde held many national and international awards for her scientific achievements and public service and she spoke 6 languages. English was not Dr. Kilde's native tongue and most of "Bright Light on Black Shadows" was assembled after her death by a European who was also not a native speaker of English. Thus, alas, the book is not well edited. For this reason, I have taken the liberty of very slightly changing the

wording of some of the more awkward passages. However, despite her relative unfamiliarity with the English language, Dr. Kilde's meaning is generally quite clear. The following passages are worth reading and re-reading until full comprehension regarding this hellish system begins to sink in!

Dr. Rauni Kilde: "We are living in an era where everything is controlled by the elite and intelligence agencies and those opposing their tyranny are eliminated by mind controlled, micro-chipped patsies, or false-flag suicide or accidents or induced illnesses.

The organization that rules the world today behind the scenes is the "New World Order", Illuminati with the Star of David, CIA, FBI, British Intelligence, and their local lackeys.... Their goal is the next generation as biological robots. And the middle class has to be eliminated.

Who controls the USA and UK?

... (A) Global secret government organization rules the world behind the scenes. (ETK note: The International Zionist Crime Syndicate (IZCS)). Many things point to Jewish sources. Banking, political figureheads, Hollywood movies, TV, radio, press ownerships internationally. Parts of armies and intelligence organizations are recruited to "secret government" with many high political figures from heads of state to big industry. They run the world with tens of thousands of recruits who are their errand boys all over the world. High-ranking officers, judges, politicians, members of Parliaments, EU. Some members of intelligence services, police, commerce and ministries work for this organization along with their daily duties. (The) Mafia is strongly involved, so is (the) drug industry from South and North America- that is how they get their money to run the show. Arms sales, antiques, and (the) art industry are among other money-making businesses.

They never run out of money; organized crime pays very well today. With legal corruption rings, they seldom get convicted – and (they) always get out quickly when the media has lost interest in the case. The Organization is an alliance which can use nuclear arms privately and target airplanes with their unbelievable laser signal technology for testing (which is) totally unknown to the masses and (the) mediocratic academic population. Evidence suggests they already went to the moon in the 1950s- but the general population is kept in the dark about the incredible technology that exists today. Occasionally, some leaks are let out about technologies that have been secretly in use since the 1940s and 1950s.

These include man-made UFOs, optic fibers, laser guns, weekly travels to the moon, holographic projections, electromagnetic weapons and bio-telemetric methods – all of which are like Hebrew to the general population and uninformed academics. Those with cosmic top secret security clearances can get information about today's

technology- like the cloning of humans. In 1977, it took 14 months to clone a human; today, it is much faster. But Scandinavian scientists still believe it is impossible and will take another 20 years to develop.

It is a crime against humanity to keep this kind of information secret. Front organizations like the Bilderberg Group, the Trilateral Commission, the Council on Foreign Relations, the Club of Rome, the Committee of 300, etc., are only facades for the real controllers of the world. Members of these groups, with a few exceptions, have no idea of the criminality involved in the system they serve. Some, involved in drug trafficking through the intelligence organizations and mafia, can be considered the biggest criminals in the world- secretly, of course. The mafia's activities are based on deception and continuous suspicion. Its international cooperation exists only in drug trafficking and it wants to remain invisible. However, it is, of course, interested in individual politicians, which can be pressured to cooperate.

The real "secret government," "THE ORGANIZATION," works on all levels of society and mass media and different political powers and organized crime. They have their men in every political party, in every important industry, community, state office, insurance company, hospital, post office, bank, church, department store, fire department, taxing organization, and of course, the military and intelligence services and legal circles.

Small shop owners are recruited to observe their customers, neighbors are recruited to spy on their friends, students and school-boys and -girls to spy on their teachers and classmates, etc. In Finland, it was released that the STASSI, the East German intelligence organization, had recruited university professors as its agents. Every level of society is covered- from the garbage man to the highest levels of government. There is absolutely no lack of resources! Huge drug money profits take care of that. Intelligence agencies are involved in drug trafficking, the CIA being the biggest drug dealer in the world according to some intelligence sources.

.... Intelligence agencies infiltrate everything from left to right. From women's organizations to UFO groups to cults. They use terrorism, Satanism, sabotage, disinformation and media outlets. They recruit the fieldworkers, old-age pensioners, invalids, handicapped, wheelchair patients, teenagers, housewives, etc., for neighborhood espionage. No one suspects them until it is too late. Jobless workers, outpatients from mental hospitals, released prisoners, motorcycle gangs, immigrants, and non-white races are recruited. They become soldiers for "The Organization." For their sabotage, threats, thefts, and psychological terror they get promotions and points.

.... Victim's relatives, acquaintances and friends will be recruited to cooperate with intelligence services. This happens with the help of pressure and is generally not difficult.... Intelligence agencies' activities or counter-intelligence activities against the immigrant, which is the target, lasts throughout his whole life.

Target groups are also military research, research in chemistry, rocket technology and computers, medical research, and especially cancer research.

Recruiting scientists goes the same way as with others. Material which is received this way is bought with money. There are also ideological reasons and also pressure can be used. Pressure can happen with infidelity, hidden homosexuality or with bribes which have been given. Threats against family and relatives makes many bow down. Intelligence services also infiltrate cultural life, e.g, journalists and authors. Meaning is to recruit persons who work also in other countries, persons who are there to form opinions.

... Therefore (the) cultural sector is so important it can help with "conquering the world." It has been claimed that big film festivals, music festivals, expos, etc. are under (the) control of intelligence networks. Today even jazz festivals and pop music festivals are in this group.

(Recruits) show their rank by greeting one another with hand signals. One finger placed on the temple indicates a soldier. Two fingers, three four, etc. show your status. They use military ranks and the highest levels greet one another with Freemasonic hand signals. Female soldiers are much used. Recruitment is often very easy: Money buys most of them. Otherwise, blackmail is used. They find out everything about a person who is a target, including everything about their childhood, school years, friends, and neighbors. Then they start spreading nasty rumors and lies, trying to make the person look ugly and paranoid. Fear recruits many. They use threats against the target's children, parents, and other family members. Some are recruited using the "national security" ruse. These recruits are the most unfortunate when they gradually find out the truth that they must sabotage innocent people under the shield of "national security."

More crimes against humanity are committed under this "national security" shield than people could possibly know.... Possibly more than the mafia has ever done. But very few dare to speak out- they are efficiently silenced by the Organization- often they are killed through "accidents," "suicides," poisoning, etc.

Deception is the name of the game. All the poor recruits are being deceived. When they agree to work for the Organization, they unknowingly give up their freedom and become targets for mind control and human experimentation with electromagnetic fields, gasses and chemicals. Their health will gradually deteriorate and they won't know why. Loyalty to the Organization is everything: They can never get out and leave it alive. They have to have a criminal mindset from the beginning. Honest people cannot live their life by terrorizing innocent people- for "national security" or whatever lie was fed to them in the beginning to get them hooked.

Recruits and soldiers have no idea why they have to sabotage their former friends and neighbors who have become targets. They must blindly obey. And they don't know that 10 and even 20 other recruits are terrorizing

the same targeted person constantly in different ways. Thus, they feel no guilt. They do not know that they are in fact involved in psychological warfare, in breaking down a person for possible suicide or even driving the person to murder. They just do their own little part and don't know anything about the whole picture. Still, they are part of a potential murder group. They terrorize the targeted person's telephone and fax machine, call at all hours of the night, and hang up the phone when it is answered. They steal the target's mail: Recruits in post offices can steal, open, and destroy both incoming and outgoing mail. Recruited neighbors who were friendly before become nasty and help isolate the targeted person.

They sabotage and terrorize, break all electrical appliances, cars, grass clippers, mopeds, etc. They steal electricity and their own telephone bills get billed to the targeted person's phone. So these crimes "pay" for them from the very beginning of the process. And when they have thus shown loyalty to The Organization they don't realize that they have become criminals who, when they are no longer needed, can easily be disposed of in their weekly meetings in their "safe houses." So they can be condemned and eliminated whenever The Organization wishes. Their group of 3 (with a fourth leader) meets every week in a different house to strengthen their "brotherhood and sisterhood" and their criminality and loyalty to The Organization.

They train young girls for surveillance and sabotage. They even train children of the recruits for noise campaigns against their neighbor who is a target. Children are taught to play, laugh, and make unusually loud noises to harass the targeted person. They are taught to jump on the floors, following from room to room the targeted person who lives downstairs. They are taught to say nasty things to the target and being only 3-4 years old, they don't, of course, understand how insulting their words (taught by recruited parents) can be.

Testimony of A Victim Who Has Been Placed Under 24-Hour Surveillance, Harassment, and Torture (ETK note: It is Fairly Obvious That These Are Dr. Kilde's Own Harassment Experiences As a "Targeted Individual. Indeed, her own elderly parents and a best friend were murdered by The Organization:")

"One after another, previously friendly neighbors turned against her. They stopped greeting her, their children were forbidden to come and play in the victim's garden as before, and they spread nasty rumors and lies about her. Just like that, they portrayed her as a member of a group of 12 naked women who worshipped the sun! They said she was a spy; a threat to "national security." All nonsense, of course. One by one, her friends were recruited, bought, or blackmailed. A couple friends who remained were recruited to be her "best friends" - to find out all the information about her they could and report on her reactions while they were harassing her and to report her intentions and travels and contacts to The Organization.

Her neighbors started wearing black sunglasses when seeing her come out of her house. Black sunglasses are worn by all recruiters, soldiers, agents, etc., even in the winter and evenings. They are left on the table as a sign of belonging to the Organization. They are used for signaling that they are recruits. Just as they use bicycles,

often old, black, men's bicycles (but other types can be used too), in front of their front door or garage or office or shop or institute to show that they are in The Organization. Suddenly her neighbors started leaving their bicycles out- after their recruitment.

Suddenly "look alike cars" started coming to her neighbors for visits. Even license numbers were almost the same; only the last number or two were different. Of course, the aim was to confuse. A noise campaign started. The neighbor started slamming garage doors and house doors with great intensity several times a day. Also, lights were all lit in the house and outside, unlike before. A new strange light was built on the telephone pole giving a great intensity at night, as measured by an electromagnetic light detector.

The neighbors were always at their windows when she came home at night- or they came out and stared at her like lunatics, saying nothing. When she had been out, someone had broken into her house and turned on the lights. Someone had stolen her keys and kept breaking into her house when she was gone. Then the terrorizing intensified. Documents were constantly stolen from locked drawers. Passports, ID cards, hospital records, fax papers, insurance papers, etc. disappeared. The reports from her scientific work vanished as well as important new books acquired from abroad, conference reports, etc.

Then the sabotage spread to the furniture, which was cut and painted and some was destroyed as with some kind of heating instrument. The refrigerator and freezer doors were broken; the stove was broken, and the electricity was tampered with. She got an electric shock when putting the lights on – someone had been rewiring the electrical cords. Her alarm code was changed and later the door alarm was shot down as with a laser gun from the nearby house where recruits were having their weekly meeting. Then they shot a big energy blast in her garden and her windows shattered. Then they started using gasses and poisons. They used NSA (National Security Agency) kits. They spread chemicals through the air ducts and water pipes which cause sickness and alter the mind and moods. This went on for over a year, and still continues today, though less often.

When she lit the fireplace, suddenly a gas poison with a burning smell spread through the room. At the same time, the neighbors' kids were grilling and a huge, unusual black smoke came up so as to camouflage her fireplace poison. The poisonous smell of the poisonous gasses were also camouflaged by familiar smells such as the smell of strong coffee, freshly-baked bread, the smell of ginger or old clothes, the smell of benzene, etc.

Then came the strange whistles and bird sounds, the sounds of dogs barking- as signals from the recruits for surveillance. When she went to another town and stayed overnight with friends, garbage disposals started running for prolonged periods and way too often- as if to signal she was under surveillance. In her city apartment, her mail came late- after 10 PM, when she had just come in 5 minutes before. This became a

pattern. Also, a CIA "safe house" on the other side of the street always put the lights on in the room opposite to the room she was staying in.

Also, she started hearing comments by strangers which try to awake paranoid reactions and there are recurrent confrontations by unusually rude and hostile strangers. For example, at a railway station, guards in uniform hit her suddenly "by accident" and their police dog tries to attack her for no apparent reason. She is attacked by strangely-behaving men in the street who knock her down onto the street and then receive no punishment by the legal system.

Burglary in her house has become routine. Every time she is out, someone has been in and committed acts of vandalism. The police superintendent says only: "I cannot help you" (Are these orders from above?) and no investigations are made. Homeless people, men and women looking like bums start following her. Their clothes and faces look dirty at first, but on a closer look, they are clean. Women wear a wig and their faces are made up to look like someone who has a black eye. They simulate mental illness, trying to create a public scene around the targeted victim.

Simulated drunks also follow the victim. At home, burglars have replaced normal light bulbs with exploding ones and replaced the screws of the door handles and bed with other metallic ones that are more sensitive transmitters for electromagnetic beams.

Outside the house they have drilled several holes and put metallic-like thick needles or metal pieces into the walls. Vandalism of vehicles is commonplace. Once, they drained the oil from her car which was parked, and they failed the brakes and clutch, and contaminated the oil.

Sleep deprivation is done by electronic harassment or other conventional means. Suddenly electronic household appliances break.... Toasters and water coolers burn out- and the stove gets red hot in a few minutes when an extra-strong, electronic current is fed in by strange means.

With (electronic) beams, they break lamps, turn on the radio by remote control in the middle of the night and zap her with radio waves. They have torn every handbag by breaking the inside lining... and also torn (her) clothing. She was told it was for looking into hidden documents!

What stupidity- doing this year after year to innocent people. (Her) elderly parents in their 90's became targets of intimidation as well as young people. Microwaves are used to induce extreme stress and harassment. Strange people follow the victim in the street wearing T-shirts with special messages like "run dog run." When she wrote Canada for help and mailed the letter, in 15 minutes a strange woman also jumped at her in the street wearing a plastic bag that had the word "Canada" written on it, and coughing excessively to attract her attention. Loud speaking and artificial laughs and coughs at inappropriate occasions are part of the harassment.

Several years of covert harassment has taught her a lot about their criminal methods. Satanism is widely used. Young women and men dressed all in black and wearing ear and nose rings are doing surveillance- sometimes with bicycles and rucksacks on their backs.

Recruits signal with colors in their clothing. Fresh recruits use pink- for reasons unknown. Old ladies wear white and black. During the Vietnam War when poisons and chemicals such as Agent Orange were used, the project was called Orange. Thus, today when recruits poison the victim, they commonly wear orange shirts, coats, blouses or shorts. When they radiate with microwaves or other electromagnetic or radio waves, they use yellow. Yellow towels, yellow T-shirts are a sign for danger and radiation and radioactivity.

They can also irradiate, poison and destroy bushes, trees and flowers in the garden from helicopters when they have marked special houses for harassment. Nike clothing- caps, shorts, tennis shoes and sweat-shirts are also often worn by recruits. This is probably because a former Californian military base called NIKE has become a mind control training center.

She has often been followed by people wearing Nike caps and clothing when they terrorize her with laser beaming with instruments camouflaged as cameras, transistor radios, barbering machines, etc. The beams make one feel sick, nauseated, lethargic, and cause headaches.

They use them in buses, trains, and even airplanes, where "perps" often sit behind their victim. In buses, the recruits usually sit at the back and one comes from the same station as the victim into the bus. However, often another "soldier" who is already on the bus observes how his colleague is doing his task! Then one of them gets off the bus and another, maybe a woman, comes in with a rucksack and a fishing rod- another much-used camouflage for recruits.

Laser beaming devices can be hidden in these rucksacks, in attaché cases, and bigger EMP weapons are commonly hidden in a suitcase in the adjoining compartment of the train to where the victim sits and is beamed through the wall. They are also used in conference rooms when The Organization's "soldiers" are trying to confuse the speaker. These are called "amnesia beams" and were already developed in the 1950's. And yet very few people know about this technology even today.

She has seen one of these suitcases even in the main post office- next to the photocopying machine. It was left there by itself. And while the victim makes copies, extremely powerful radiation emissions from the machine also makes extra copies which are left in the machine. Did you know that authorities get automatically a copy of your papers this way? There are absolutely no secrets anymore, anywhere.

The victim also noticed in her apartment unusual patterns of occupancy in the flats surrounding hers, upstairs, downstairs and on all sides. Suddenly inhabitants changed apartments so that they appear empty- and then furnished- and strange operations seem to be conducted from them by electronic means. They seem to be used as bases of operation of mind control experiments. If families still live in them, they were recruited for sabotage operations. This encirclement facilitates studies of holographic human telemetrics. Devices are used to “see” through the walls and victims’ thought signals and intentions can be traced on a computer next door.

This might sound like science fiction, but it is only advanced technology today that has been kept secret from mediocratic academic circles and the general public for decades already! To camouflage all this criminal activity, doctors are taught in medical school that people that expose these “operations” are paranoid. Thus, they double the victims’ suffering, because they are not believed, and intelligence agencies’ criminality can continue as before!

#### Complicity of the Psychiatry/psychology/Neuro (cognitive) Science Professions

“... One reason this technology has remained a state secret is the widespread prestige of (the) psychiatric DIAGNOSTIC and STATISTICAL MANUAL IV produced by the US American Psychiatric Association (APA), and printed in 18 languages. Psychiatrists working for US intelligence agencies no doubt participated in writing and revising this manual. This psychiatric “bible” covers up the secret development of MC (mind control) technologies by labeling some of their effects as symptoms of paranoid schizophrenia. Victims and mind-controlled experimentees are thus routinely diagnosed, knee-jerk fashion, as mentally ill by doctors who learned the DSM “symptom” list in medical school. Physicians have not been schooled that patients may be telling the truth when they report being targeted against their will or being used as guinea pigs for electronic, chemical, and bacteriological forms of psychological warfare. Time is running out for changing the direction of military medicine, and ensuring the future of human freedom.” Rauni Kilde, MD, Dec. 6, 2000.

#### Goals of the Mind-Controllers

1) “The goal of mind controllers today is to induce the targeted persons or groups to act against his or her own convictions and best interests

(ETK note: This was the original stated goal of MKULTRA projects.). Zombified individuals can be programmed to murder and remember nothing of their crime afterward. Alarming examples of this phenomenon can be found in the U.S. and elsewhere.

2) The elite have plans to get rid of 2/3 of the world's population- with electromagnetic warfare, chemical warfare, and psychological warfare.

3) ... The elite's aim is to get the whole world population micro-chipped for total control!"

An Example and Explanation of "The Organization's" Gang Stalking Operations from 1988 (ETK Note: One can speculate here that "Eve" is Dr. Kilde herself).

"A good friend of mine was able to give insight to the way a harasser, actually, a created criminal mind recruited for an intelligence organization (Israeli Mossad), works. In 1988 she had this conversation with her nanny whom she had hired in the USA to take care of her child, whom she took to Norway during a summer holiday.

One morning the nanny suddenly said to her employer, a beautiful woman with a good background:

AG: You do not know who I am.

Eve: Oh yes, you are A.G.

A.G.: No, I am a soldier.

Eve: Yeah, right.

A.G.: I get more money than you do.

Eve: How?

A.G. Well, I get a commission.

Eve: Out of what?

A.G.: It depends on how valuable the items are, or the information is. You know you will be wiped of everything you have.

Eve: Anything is possible, but no one can touch what I have in Norway because I have no loans.

A.G. Ha, this is what you think! Your properties, with inventory down to the spoon are already on computer, with a different ownership.

At this point, I was she sure she wanted to make herself interesting by making up this bizarre conversation.

Eve: You are talking nonsense.

A.G.: No, you wait and see, after the year 2000 they have gotten everybody.

Eve: Who are "they?"

A.G.: The organization. The drug lords, the intelligence agencies, men turned drug lords, bribed, and now they control the majority of the world, but no one knows it.

Eve: Nonsense, so what does it have to do with me? I am nobody.

A.G. You have assets and art.

Eve: So what?

A.G.: Well, for us at the bottom level, it adds up.

Eve: Who are you working with?

A.G.: The Norwegian woman (who recommended her the nanny) and a third person, a real expert. Then we have a boss. It will happen to you without you knowing it. It is so-o-o-o subtle, so-o-o well done. When it is all too late, then you will know. Horrible stories will be told about you, even your neighbors, friends, and your own family will turn their backs.

Eve: This is absolutely crazy. I have never done anything criminal. I don't know any criminals and no one I know would want to hurt me, so why me? Your story doesn't make sense.

A.G.: Exactly, that is the whole idea, you came from the sunny side of life, you have everything- you are intelligent, beautiful and never had a struggle in your life. This is why you are perfect. You have not lived a life defending yourself. You don't know what hardship is, well- you will get it. You see, it is not fair to all of us who have suffered. We have it coming to us too, through people like you. This is why the organization is so big, everybody goes for it. Why shall you have 15-16 mattresses and others have none or one? We are the masses against the minority, you haven't got a chance!

At this point, I believed A.G. to be very disturbed, but I continued the conversation by asking her what had happened in her life. She said she was thrown out by her husband with \$30,000 to start a new life. Then everything was stolen from her by a big drug lord whom she fell in love with. He lived in the largest mansion at that place and she got recruited, sent to training camp with Mossad trainers. Through a Jewish

Organization she was sent as a nanny cover to the Norwegian lady's ex-husband to steal during nights. Locations of state documents, valuables were stolen. She said they worked as sisters with one rule; secrecy- never tell your sister what your assignment is in each with their boss's instructions once a week. A.G. continued.

A.G.: You see, the whole point is that none can prove anything. That is the basic rule, elimination of proof and loyalty. Those that talk get eliminated.

Eve: Are you Jewish?

A.G.: Yes, and born in Hamburg. I never have a fixed address, but stay with other recruits around the world. You see, no one can get me. I have access to lawyers and judges anywhere, who protect me. You see, those in the

organization are guaranteed salaries, tax relieves, old home and health care. Those who are not in the organization will be left out from the computer, they cannot even use money, but many will die and no one will understand but think it's from natural causes.

Eve: What do you mean, you mean they don't kill with guns?

A.G.: laughed. Guns, she laughed, we haven't used guns for ten years (1978); they use natural diseases.

She kept mixing "we" and "they", meaning the organization. At this point I was sure that she was doing psychic terror terminology (that) I lately have gotten accustomed to.

Eve: How can you kill with natural diseases?

A.G.: They have top medical staff, also dentists and scientists bribed with top psychiatrists and experts in business and finance to take over the world with microchips and the computer. You see, they have every big shot capitalist on the computer. They sabotage, lend money, and take over.

Eve: Well, but the owner remains the owner.

A.G.: Only as long as he is needed, you see, they build him up. They merge, it is easier to control. When they have someone from the organization trained and ready for that particular job, they get rid of the owner. Cancer, heart attacks are most common, but they have numerous other ways, (including) insect bites, poisons, mental instability- you name it- they do it.

Eve: This is crazy talk- this can never happen in Norway.

A.G.: Norway is the target- they already have it under control. First, they take small communities, until they have infiltrated all offices. Then the capital is lost, and then everything is too late. We have every corporation infiltrated, including security firms. You see, the trick is that we get in anywhere, only Mossad (Israeli intelligence) has a lock no one gets into.

Eve: People in Norway will find out.

Ana laughed.

A.G.: This is the most brilliantly self-financed war. They can see everything that another person does. They can read their minds, they cannot hide anywhere, and the same will happen to you. They can steer you; tiny transistors are placed in your homes, in the walls.

Here I interrupted her.

Eve: In order to follow me anywhere I would have to have a connection in my body.

A.G.: Precisely. You will be implanted. The whole game is implant, microchip, and computer. They will create chaos and sabotage everywhere and draw attention away from serious issues.

Eve: The Norwegian people will not do that.

A.G.: They organized all the down and out people, those in wheelchairs, lost jobs, old people's homes. After a planned bank crisis people will flock into the organization, but basically they take prisoners, youth without homes and family ties, to training camps where they are IQ tested and trained according to potential. (They are) trained in burglary and sabotage and MICROCHIPPED for mind control, and then they return them to Norway.

Eve: Why would anyone do this to a nice country like Norway that defends human rights and are a peaceful people?

A.G. That is exactly why. You haven't had a war for 50 years, you and Finland, why?

The region of wars has to shift. Do you think it is fair that Israel shall have this long-lasting war? It will be peace in Ireland and Israel, and you will lose out your resources, corporations and homes, so this will go to other Norwegians in the organization. Only temporarily, because lots of immigrants will be in Norway and they will continue the whole. It is fair, you see, because everybody gets a chance to live a dream life sooner or later in life.

Eve: What motivates people to do this?

A.G.: When you own airlines, banks, corporations, the top computer experts in the world, what is next? The Pentagon, they control the scientists and steal all information from the computers after 2000. They made it like that. They are the only ones that have access to the computers after 2000. They have that chip.

(She kept on talking about a special chip and that their aim was a grand takeover of the world.)

Eve: Look, every nation has a military and will fight these drug lords.

A.G.: They have even fixed that. Elderly, those on pensions and social security have to be part of the organization, all in the name of "National Security." Everybody will be grouped; the capitalists will feel like kings, they are the last ones to know what is really happening. Each political party will be approached and kept separate in the name of unity, peace, and the betterment of mankind. Everything will be legal and done through the government. You see, in order to save expenses for each nation with defense, they will have a one world army.

Eve: Someone will oppose this, what about the terrorists?

A.G.: They have them too. The Red Brigade, the Bahnhof Strasse gang, and Hells Angels, they all work closely with the very top. Everybody takes bribes, and they are trained by the tops of the military from every country. Unknowingly, they get micro-chipped. With a gas they knock you out during sleep, a tiny cut in the back of the spine. They also cut your chin and down leaving a tiny blood stripe on purpose to scare you.

They use everybody when needed to their purposes. The covert activities of humans to mass-enslave humans are done with lies, misinformation, covert grotesque human exploitation and manipulation.

To enslave or yes, to ruin, are the aims. Their plans and activities are beyond the conception of a normal thought frame. Everything is made up, so none will believe it. It is a psychological war. You see, the internet freedom is only to register people. Everything is solicited there so they later can be caught or judged. All the porno, pedophilia, etc., will get it. In Brussels, those in high offices are beamed beta, sex programming which

changes your stimuli towards children. This way the organization has something ON them and they have to obey whatever they are told.

Ana told her next business was children in Brazil.

I asked what her expertise was, and she answered, insurance. I asked what her latest job was and where. She said, "In Australia," due to her swimming abilities. She drilled a hole in the bottom of a yacht belonging to a newspaper owner. He collected insurance and at a later date, the insurance company was tipped off. He got jail!

Eve: What are you going to do with me?

A.G. You will see. Besides you are (already) put on every hit list with all agencies. You see, they plan your life 20 years ahead. They also destroy nations. They cover the law. They have a whole new law system ready to go into use after 2000. It starts with the IRS, the Internal Revenue Service, and every little detail they know of your past. And also your medical and hereditary traits.

(There are documents on this technology of how to pick up the entire past of a person, by e.g., interrupting you in your dream state.)

Eve: How does one know that is war in Norway?

Ana gave two variations: One, they call it the silent war, and two, "person to person" war. There will be an agent to every three people in Norway to do one in. The beauty of this is that no one is really doing much harm, because one does not know what the other is doing; but combined, it kills. It all happens over several years so no one reacts and it only that for ex., one person in a family gets hit. They have technology which goes direct to your brain and can make you crazy, paranoid, or angry. The idea is that during your sleep, at 4 am, they wake you up to destabilize your sleep pattern, to wear you down. TV, radio, CDs will turn on by themselves, and all electrical items will function as a slow killer. They implant your walls and roofs with magnets, and make a sign on your roof or house, to be hit when the real blitz starts, and you will hear a sound in every room all night following you from room to room.

This is how they drive you nuts, you see. A psychiatrist will say you suffer from schizophrenia paranoia, and combined with a worm filament in your system, which will work like a sputnik, triggered by a computer

program. When it rests, it lies in the elbow or hand or wrist giving constant pain. This knuckle will be somewhat paralyzed for periods of time. The worm will eat up energy centers in your back spine starting from the bottom up.

(At this point I was paralyzed from listening to all this evil. She continued.)

Satanism, you see, is our strongest card, because no one will take it seriously. The whole idea is to be as evil as possible, because it is unthinkable to normal people, no one can digest it.

Eve: Who started all this?

A.G.: Oh, you don't understand, it is practiced on the highest levels of government. We have meetings in the desert on the largest ranches in the U.S. and everybody thinks up the most evil thing one can do to another person. The CIA is directly involved; actually very heavily. We can also make ourselves transparent, but not everyone, only certain chosen for specific tasks. We have séances and do mass concentrations on a victim. Hells Angels, Nazism, and Satanism is propagated from the same source. (ETK: Judeo-Masonic-Satanism).

Eve: Is that why we have this in Norway?

A.G.: Yes, through your mind-controlled recruits, you see, there is no politics, only one communist control over the world.

Eve: Why are you so greedy and money conscious?

A.G.: Well, the communists found out that they wanted money too, so they befriended the capitalists and made them work for them without understanding it. They are so easily bribed, give them ten years and they will be in the camps. By then, the infiltrator knows the whole system. It will be grandest takeover in history.

Eve: People will spot the infiltrators.

A.G.: Oh no, the first thing we learn are manners, then correct speech, then how to dress, and the most important thing, acting. Yes, they learn acting like in Lee Strasberg acting school. They are very well trained. The name of the game is deception and AFTER SEVERAL YEARS OF FRIENDSHIP, THEY HIT YOU! Every recruit, soldier, agent must be in a charity or organization and show impeccable behavior on the outside. This is important, credibility is the main factor.

Eve: How can a woman like you lead such a false and evil life, it will all come back to you.

A.G.: It is live or let die.”

Kilde: ...”So, we got insight into how the criminal organization works to destroy the population and their recruits, including using “invisible recruits” when doing some of their harassment operations, including killing of innocent civilians.”

ETK Conclusion: In addition to the above passages, Dr. Rauni Kilde’s book includes over 100 pages of documents in the “Annex” (Appendices). The last of these references the “Protocols of the Learned Elders of Zion,” the Jewish declaration of war against all non-Jews (goyim) and Jewish plan for world conquest. Thus, Dr. Kilde has independently come to the same conclusion that I have regarding the identity of the ultimate criminal perpetrators of this criminal syndicate.

Or as one “TI” expressed succinctly:

“Jews are behind the whole thing.”

Through their control of “The Organization”/Secret Government,” Jews, aka the “Synagogue of Satan,” “Satan’s kids,” “Illuminati,” Judeo-Masonic-satanists, World Order control the world. My independent investigations into the culprits behind 9/11 yield the same conclusion (See 911nwo.com.): that Jews (Judeo-Masonic-satanists, etc.) and their legions of lackeys and minions control the United States and most of the world. Clearly, this multi-generational (Illuminati) strategy is extremely complex and multi-pronged. Even so, we may now assert with some confidence that organized stalking, mind control, and cult operations comprise important components of this grand strategy and serve to protect the (Illuminati) “Deep State” from exposure, among other things.

V. The following excerpt From “The Jewish Strategy” by Professor Oliver P. Revilo (2002) may shed additional light on this critical subject:

“This summary of the Jews’ most useful devices leaves us, of course, with the question how it is possible for the dispersed and widely scattered members of the race to act with what amounts to unanimity and perfect coordination. It is scarcely credible that so large a number of individuals, many of them showing a low order of intelligence, could carry out such operations according to a consciously formed plan on which they have all previously agreed. The great mass of Jews seem to be, almost without exception, under the tight control and discipline of their fairly numerous leaders, who could, in turn, be equally subject to the orders of a supreme and secret directorate, which plans and directs a conscious strategy as set forth in the famous “Protocols.” This is possible, although Aryans are apt to think most unlikely an operation of which they would be utterly incapable—of which they are, we must believe, genetically incapable, since their earliest records, in the Homeric traditions, the Norse legends, and even the Vedas, attest the great difficulty of maintaining an effective consensus within even compact and comparatively small bands for specific, immediate, and limited ends.

It is a pernicious and perhaps fatal error, characteristic of our race, to assume that other races have approximately the same nature as ours, so that argument against a conscious and concerted conspiracy must be discarded. The alternative to that theory, so far as I can see, can be only an hypothesis that the Jews are directed by instinct, at least to a large extent. They may represent a complex and highly advanced form of the biological phenomenon of which a simple manifestation is seen in mammals that hunt in packs or bands. As is well known, wolves and African wild dogs, for example, hunt in organized packs and stalk and bring down their game by a kind of strategy that is carried out by the pack as a unit but with each individual in it having a definite function and adapting himself to the needs of the specific situation. This activity we attribute to instincts operating entirely below the level of real consciousness. African baboons form bands that are really small tribes having an oligarchic government, and their survival under very adverse conditions is proof that they adapt their presumably instinctive methods to new conditions, and that they learn by experience and observation. It is assumed, however, partly from the structure of the baboon’s brain and the absence of a real language, that the species is not capable of conscious thought.

On the other hand, we are aware that, although we may, on strictly objective grounds, identify our race as having a peculiar capacity for objective thought, many of our actions are determined by instinctual and subconscious reactions (e.g., our perception of beauty, fear of death, reaction to odors and sounds, etc.), however much we may consciously try to rationalize them or to alter them by efforts of the will that are likely to produce schizophrenia.

It is entirely possible, therefore, that a species could have been formed by biological selection that automatically preys on our species as instinctively as wolves prey on caribou, although, of course, with much greater cunning and versatility.

This hypothesis is open to the objection that, so far as we can tell, a distinct change has taken place in the Jews' activity in this century and at approximately the time of the "Protocols."

Before this, the aliens seem to have been content to exploit the Aryans and, in biological terms, feed on them; the present objective is obviously extermination of our species through mongrelization and massacres, so that it would seem that the organization and domination of the Jewish colonies by the Zionists produced a change in purpose that must, to a large extent at least, have been consciously determined and planned.

This implies some measure of rule by some kind of directorate that has the ability and power to set objectives for the race. The alternative to explain the change as a natural result of the progressive weakening of our race by less direct attacks during the past thousand years or more, comparable to the change in the activity of a wolf pack when it senses that the harried caribou are nearing exhaustion.

Whatever the explanation, the Jews' determination to exterminate the Aryans is not unreasonable.

One may see a good analogy in the cattle that are raised in the southwestern part of the United States. For a long time, the favorite breed was the "Texas Long-horn," which was hardy, able to fight off coyotes and other predators, and to survive in the wilds until it was rounded up by the cowboys for a long drive to the market, but it was also a dangerous animal that would attack its owners when provoked. It is now virtually extinct, having been replaced on the ranches by more docile breeds, such as the "Black Angus," since the predators have been exterminated and the cattle now graze within fences or are simply fatten on corn provided for them, and the vigor of the potentially dangerous "Long-horn" is no longer needed, while the more docile and sluggish animals yield more tender meat.

Early in the Twentieth Century, Aryans, had for all practical purposes, subjugated the entire world and made it everywhere both safe and convenient for the Jews, whereas events in Germany in the 1930's proved that Aryans could be dangerous to the Master Race, if they got out of control. Elimination of the species seems therefore a logical step for the self-styled "God-people."

I shall add a disquieting consideration that, so far as I know, no other Aryan has taken into account. It is based on the work of Dr. Alfred Nossig, whose manual of advice to his (Jewish) race on the best means of expeditiously taking possession of the entire planet, published simultaneously in Austria, Germany, and the United States ("Integrales Judentum;" Vienna, Berlin, New York, 1922), must once have been widely distributed, but has now become extremely rare, so that I had to search for years before finding even a battered copy of it.

Most of what he says is, of course, mere commonplace to anyone who has observed the Jews' techniques, but there is one claim which, if true, explains much and leaves us with little or no hope, no matter what may happen in the future; he boasts of a genetic infiltration of our race that probably renders us helpless.

According to Dr. Nossig, any taint of Jewish blood ("ein einziges judisches Bluttröpfchen") will so alter the brain cells ("Geirnganglien") of many subsequent generations of an apparently pure Aryan family that the descendants will be susceptible to Jewish propaganda and can readily be mobilized against their own race. What is more, Dr. Nossig seems to reject the usual Jewish view that the genes of Jewishness, like haemophilia, are transmitted only through females, so that only the offspring of Jewesses, regardless of the race of their father, are real Jews. (This of course, explains such varied phenomena as the degeneration of the British aristocracy, which some observers trace partly to the common practice of covetous or necessitous Britons of marrying their sons to Jewesses who were provided with fat dowries and often dunked in holy water to make them more acceptable, and the kidnapping of male German infants in 1944-45, who were taken to Israel as breeding stock to improve the physique of the race.)

Dr. Nossig, astonishingly, seems to believe that the heredity is transmitted by Jews of either sex. This means that, for example, if a Jew in 1800 seduced and impregnated an Aryan matron, her descendants, even today after many generations (which would still be less than "eine lange Reihe von Generationen") of marriages to pure Aryan stock, would all have the Jewish tumor in their brains and subject to control through it. And when one tries to guess in how many nests the invading cuckoos may have laid their eggs through the centuries, one shudders.

Dr. Nossig is obviously convinced that the genes of Jewishness are not only dominant, but have a power of dominance greater than is attested for the genes of any physical trait. That does not conform to the theories held by most modern geneticists, but I can find no scientific corroboration or refutation of the claim, and I need not point out the methodological obstacles in the way of determination of the inheritance of specific mental traits in individuals, even if research on that subject were freely permitted.

Webmaster's suggestion:

Perhaps the best way to understand the "Jewish question" is to actually accept as true Jesus Christ's statement to the Pharisees (modern equivalent of Orthodox Jews) in John 8:44:

"Ye are of your father the devil, and his lusts he will do. He was a murderer from the beginning and liar and the father of lies."

In a 1976 interview, Harold Rosenthal, Senatorial Aide to Senator Jacob Javitts, also acknowledged that the God of Jews is Lucifer, stating:

“Most Jews don’t like to admit it, but the God we worship is Lucifer. He is very much alive and we are his chosen people.”

If Jews, as a race or people, are under the bondage of, or more probably, possession by Satan, isn’t it entirely possible that there already exists some sort of “hive mind” among Jews that is commanded by Satan himself?

If this is the case, wouldn’t it be logical to assume that in performing the will of their God, Satan, Jews, as a group, might be extraordinarily dedicated to the task of technologically extending the Satanic “hive mind” over the whole of humanity..... through mind control and all related strategies.... such as seems to now be occurring.

VI. Final Quotes:

“Jews rule the world by proxy. They get others to do their killing and dying for them.”

Malaysian Prime Minister, 2003

“I can pay one half of the working class to kill the other half.”

Jay Gould, 19th Century American robber baron

“Whoever can conquer the street will one day conquer the state, for every form of power politics and any dictator-run state has its roots in the street.”

Dr. Joseph Goebbels, Nazi Propaganda Minister

Something running through my mind, this seemed like an apt place to make note of it:

Re. Gaining 'permission'

Thinking back to the beginning of my targeting, around 20yrs ago, I remember a seemingly chance encounter with two individuals. Young military types. During our conversation they told me a story about putting a brick in someone's rucksack before a long hike. I laughed, taking them literally. The trick is a common one. (I heard the tale again not long afterwards, maybe even a couple of times.) The other questions the two guys asked were strange – profiling type questions of a personal, professional and social nature. Then they were gone and I never saw them again. (Australia, Oct/Nov 2000)

Anyhow, recalling the event within the context and nature of the horrific Satanic gang stalking that followed, I firmly believe that the 'brick in the bag' story was a told as something of a metaphorical analogy (if such a thing exists!) – they took my amusement as permission for them to put an analogous brick in my bag as I hiked through life...

(A false, unsubstantiated and uninvestigated rape accusation of a brick, one which i was never even made aware until 17 years later; a false accusation which lead to a sequence of druggings, honey traps, poisonings and intense social, professional and psychotronic abuse that encompassed child abuse, rape and murder with far-reaching international ramifications.)

During profiling they are especially interested in what movies and music a person has seen/heard: to see or hear movies and music (especially Hollywood and 'major label' artists) is taken by them as a permission to deploy the concept of said plots, scenes and lyrics against one in malice.

Comedy and jokes are also used against one – no matter how absurd the joke, or concepts within it, it is taken literally by them and perceived as a permission to place the target at the centre of said joke... "Do you know any sex jokes?"

Permissions are also taken from what one has done or said; if they find out about a minor theft one made in childhood this is taken as permission for them to steal whatever they can from a target. If one has ever told a lie (who hasn't?) then they take that as a permission to slander and defame a person and also to lie to them.

The aim is to destroy/steal a person's soul by exposing/coercing them through events that are a polar inversion of the targets true morals, values and principles. It is Kabalistic and Crowleyite by method, orchestrated by military untelligence and has the Satanic agenda as its end game.

(Probably just confirmation of concepts you are already aware of, but i felt the 'brick in the bag' story was worth bringing to your attention – its likely a common hook line used in the initial profiling of a target.)
