## Gems & Astrology

Every thing in this universe is composed of Seven Rays of colour. We can see these rays in Rainbow. We can call it Meghadhanusha - **VIBGYOR**-rays. VIBGYOR RAYS mean combination of **VIOLET, INDIGO, BLUE, GREEN, YELLOW, ORANGE & RED**. Through a Prism one can find or see these **COSMIC rays**. In the ancient Indian text, the "**KURMA PURANA**", the seven planets are to be seen as condensations of the seven cosmic rays. It was understood that on our planet Earth the greatest condensation of the cosmic rays are found in natural gem stones. This chart shows you the Metal, Chakra, Planets, Cosmic Colour, Primary Gems, Sanskrit Name & Alternative Gems (Secondary Gems) & Zodiac Sign as per Hindu system of astrology. Gem stone therapy should not be deemed as practise of medicine and should not be viewed as a substitute for consultations with your physician or other health care professional.

<b>Infra Red</b>	This is the hottest colour in the spectrum. This colour is most essential colour. When cold superimposes, death occurs. Hence, heat is required to revive the person. This colour is very useful in cases of cancer, paralysis, osteo Arthritis, chronic Dysentery.

Gems (Therapy) and Astrology is co-related. In study of Ayurveda & Homeopathy study of astrology is very important. Gem stone therapy should not be deemed the practice of medicine and should not be viewed as a substitute for consultations with your physician or other health care professionally, which please note. Gem Therapy is simple in application and with out any risk.

### **Some Alternative Gems (Secondary) & Their uses:**

**Amethyst:** Amethyst is the ray of spiritual Mastery. This vitalises man's spiritual nature with life giving power and animates and expands the soul consciousness. This stone is particularly used to cure gout. It is also useful in getting good sleep or pleasant dreams.

**Green Ray:** The key note of our planet and colour of nature. The green radiance is essential to our health and happiness. It is the colour of balance and harmony. Green opens and enlightens the mind and spirit with Wisdom (Yellow Ray) and Truth (Blue Ray), which are the components of green. The fulfillment or completion of the Green rays in its subjective aspect is the man of balanced Mind & the man of peace and Harmony, Sympathy and Generosity.

**Amber:** Arabs use powdered Amber to prevent miscarriage; they also use it as a medicine for boils, carbuncles, ulcers etc. Epistaxix was treated by putting the Amber in side the nose. For treating Gaitre, the stone was tied round the neck. Burnt Amber ash is useful for woman in labour pains and easy delivery. In very hot countries people keep the Amber in hand to cool their body.

**Brown Agate:** Fakirs always use a necklace of this stones. Muslims consider this stone very sacred. In ancient times this stone very used for stopping excessive bleeding in women during periods. Personally I have found this stone very sensitive for dowsing.

**Carnelion Or Blood Stone:** Used mostly for Haemorrhages from different parts of the body, Acne, & Ulcers.

**Crystal:** Crystal was used in ancient times to reduce glandular swelling and to cure eye diseases

like glaucoma, conjunctivitis. It was also supposed to strengthen the heart. Personally I have found that a necklace of crystals when worn brings down high temperature and cools the body.

**Garnet:** Garnet is useful to cure Eczema, Psoriasis and other skin affections.

A list of some common elements and the gems that might be useful in them is given below. Gems do provide only a helping hand and are not a complete cure in themselves. Regular research has given good positive results; hence some diseases which can be cured through the help of gem cosmic rays are given:

- Acidity, Digestive disorder, High Blood Pressure - **Emerald Gem**
- Common cold, constipation, Bronchitis - **Red Coral**
- Insomania - **Moon Stone**
- Piles – **Red Coral & Pearl**
- Asthma - **Blue sapphire**
- Gout (Rheumatism) - **Red coral & Amethyst**
- Heart disease - **Ruby**

Vayu, Pitta & Kapha are the three-fold forces of Harmony, Energy and Inertia inherent in every living cell. This three Doshas (TRIDOSHA) are related as under:

Doshas	Gunas	Forces	Elemnets	Combination
Vayu	Sattva	Harmony	Akash(Ether) And Air	neutrul
Pitta	Rajas	Energy	Fire	Negative
Kapha	Tamas	Inertia	Water & Earth	Positive

Elements	Rudiment Faculty	Sense Organ	Cosmic Colour
Akash (Ether) Space	Sound / Hearing	Ears	Blue
Air	Touch	Skin	Violet
Fire	Form / Sight	Eyes	Red
Water	Taste	Tongue	Orange
Earth	Smell	Nose	Green

Elements	Zodiac Signs (Sayan - Sun Sign)* (Niryan - Moon Sing)		
<b>Fire</b>	Aries* Mesha	Leo* Simha	Sagittarius* Dhanu
<b>Earth</b>	Taurus* Vrishabh	Virgo* Kanya	Capricorn* Makar
<b>Air</b>	Gemini* Mithun	Libra* Tula	Aquarius* Kumbha
<b>Water</b>	Cancer* Karka	Scorpio* Vrischika	Pisces* Meena

**Colours revealed by the Prism:**

The cavities of the human heart including

- **Ears** will appear Blue through the prism, Blue is therefore the colour of Akash (Ether) with its Sound rudiment.
- The **Skin** of the human body surveyed through a prism will appear Violet, and therefore violet is the colour of the element of Air with its Touch rudiment.
- The **Eyes** will show Red rings around them and therefore Red is the colour of Fire/Sight with its form rudiment.
- The **Tongue** will show the Orange, colour, and therefore the orange colour is that of the element of Water with its Taste rudiment.
- The **Nose** Tip will show the Green colour through the prism, and therefore the Green colour is that of the element of Earth with its Smell rudiment.

(Rudiment means the first principle or we can say the basic principle)
