

Dec. 22-Jan. 19

Topaz

Capricorn common features:

Element: Earth

Ruler: Saturn

The main gemstone: Topaz.

Personal qualities: Organising and constructive. Authoritative and serious. Repressive. Materialistic.

Capricorn specific features:

People born in the period of Dec. 22 - Jan. 31 are influenced by Jupiter. They are calm and composed, thrifty, methodical. They make a fortune and achieve much success, but they are taking risks and may lose everything.

Lucky stones: agate, amethyst, rock crystal , serpentine, moonstone, malachite, nephrite , obsidian, quartz , hawk's-eye, sodalite, tigers eye, jasper.

Important years: 30, 57.

People born in the period of Jan. 1-Jan. 10 are influenced by Mars. They bore other people and have a injurious effect on those around them.

Lucky stones: turquoise, heliotrope, jade, cat's-eye, onyx, opal, sardonyx, chalcedony, chrysoprase.

Important years: 16, 24, 30, 33, 57.

People born in the period of Jan. 11-Jan. 19 are influenced by Sun. They are hard-working, impassioned, contradictory. They have a vital energy, but sometimes predisposed to despondency.

Lucky stones: alexandrite, jacinth, garnet, opal, ruby, sapphire, tourmaline, zircon.

Important years: 21, 30, 31, 41, 50, 57.

#### Capricorn and Health

The balanced hard working Capricorn will only exercise if it fits into their work regime. Long periods of work could lead to aches and pains, and stress related illnesses. Keeping warm and dry is very important to those born in Capricorn.

Diseases: Rheumatism, bone and skin diseases, lame knees and sprains.

Body parts and organs: Knees, bones, skin, cutaneous system, joints and knee-cap

#### Capricorn and Wealth

Like the Scorpio, work is very important to the Capricorn. They like a predictable life and love to see their efforts applauded. They are very patient and are prepared to wait for success. Once there, they help others to achieve their goals.

Achievement must be solid and real with perfection in all cases. As hard workers, they expect high standards and tasks must be completed their way. Ambitious and self-disciplined they can be shrewd when necessary. They love responsibility and challenge at all levels.

Typical careers include: Engineering, Politics, Dentistry, Civil Service.

They are good as Bankers, Businessmen, Brewers, Miners, Engineers, Landlords.

#### Capricorn and Love

Capricorns have learned that love cannot be measured in excessive emotion. Love is quiet, and undermining, a mutual gratification. However, it may be that they have not experienced true longing, due to the quiet nature of their feelings.

#### Capricorn Compatibility

Capricorn is most compatible with: Pisces and Scorpio.

Capricorn is fairly compatible with: Cancer, Taurus and Virgo.

Capricorn is least compatible with: Aries, Leo, Libra and Gemini.
