A male has to be a fucking male, despite of the confusion of the jew trying to claim that a Homosexual or Heterosexual has any difference on how they should behave, dress or whatever. This is entirely false and is a jewdized crime. Males, despite of their sexual tendency and what nature intended for their sexuality should be fucking muscular, quick and should develop their individual character and intelligence in the uttermost form and perfection. Nature intends diversity. Its a law that is natural. You don't need to be the stereotypical A male or A female. You have to be the BEST you can be, so an Alpha of your own self. By becoming this Alpha you will attract the matching Alpha and you can breed individual Alpha offspring.

This bullshit that males despite of their sexual tendency have to use hair products and dress like my 10 y/o female cosmopolitan abiding cousin is just for the jew, to further confuse people in their origins and their natural tendencies. Like 'strong' women have to wear jeans and have to be rude or whatever shit their psyche has created. Or like that the 'Alpha' males are actually muscular unintelligent drones that beat others up. This unnatural bullshit, that hook nosed fat jewish monsters get the most 'beautiful' women is just sick and retarded. Or that theories about how 'ugly and bad mannered men attract women'. This is plain bullshit. Since dollar has become the 'power' term and that xianity did put the degradation of the body in the game, shit got really twisted.

We live in a society where serial killers that brutally murdered women and children are idolized like their rockstars, a society that encourages blacks and Latinos to be criminals and commit hate crimes against white people, and the courts then say it's not a hate crime (this happened in the city I live in a few years ago). Then if a white person even does something against a minority the courts scream hate crime and throw the book at us white people. (I realize I'm getting off topic) If some kind of natural disaster, or economic collapse, or long term power outage were to occur much of what has been pushed on us would go right out the door. While she is on the nest she is vulnerable to predators as are the hatched chicks. She rarely leaves the nest so he also has to feed her, he does this by visiting her in the nest and regurgitating food into her beak. If he is a weak male it will take too much out of him and he will die leaving her to raise the chicks alone. Or if he is a wuss he might fear a predator and fly away in a panic leaving her to be trapped in the nest hole and killed. So it is obvious to me why the female is a vicious bitch choosing a mate. However once they have bonded they become a close working team and will usually stay together for life or for many seasons. I have seen males commit suicide and destroy their cages, tear all their feathers out and even fly into the walls and break their necks after losing a mate.

But if we look at it, even 'wealth' and 'money' show the fact that someone has the power to get these, so these are a form of power that some women may perceive as a legitimate form of power. I thought of the given topic from 100 sides, there are a lot of why's to explain...It all comes down to different personalities and different forms of perception. So...

Subject: Re: The alpha female

You make a good point Don and I'm certainly not trying to argue what your saying. My point was that jewry encourages blacks and latinos into a life of crime, movies, tv, music, all promote it in their jewish designed cultures. Both races also have a tendency to take over white neighborhoods run the white people out and those that don't leave are attacked. The white family (man women children) that were dragged out of their house by blacks and beaten bad enough they were hospitalized. The man was a contractor, he said whose going to pay his medical bills, whose going to pay his mortgage, and his utility bills since he can't work? The courts basicly shrugged their shoulders, AND they never went after the blacks who did that to them. So I'm not here trying to argue a jewish concept about how it should be the same on both sides, what I'm trying to say is that the jew is using blacks and latinos as a battering ram against

white people to keep white flight going. Anytime a white person does something to another race, even a simple fist fight they scream hate crime. It seems more like a way to weaken white people, and encourage violence against us. Every year there's mass deforestation and farm land sold so that contractors can build more and more homes to keep white flight going. Sometimes neighborhoods can be turned around and the criminal element removed, other times white families are attacked like the one I mentioned.

This post was probably barried under the conversations of the other topic. It's strange to me how far we've gone from nature. Female animals only want the strongest male, and if their offspring are born weak/unhealthy/retarded then that offspring is kicked out of the nest. Women are attracted to the stronger men, but there's all these stupid trends like emo and girls are taught my media manipulation to be attracted to "guys" that wear her jeans and have more hair products then she does. It also seems that (thanks I'm guessing to jewry) strongest man is replaced with richest man. Strength in the material sense, not in the physical sense. I'm not trying to say women are gold diggers, some are but again I blame that on the jewish media manipulation, and some people are just worthless gold digging scum. We live in a society where serial killers that brutality murdered women and children are idolized like their rockstars, a society that encourages blacks and latinos to be criminals and commit hate crimes against white people, and the courts then say its not a hate crime (this happend in the city I live in a few years ago). Then if a white person even does something against a minority the courts scream hate crime and throw the book at us white people.(I realize I'm getting off topic) If some kind of natural disaster, or economic collapse, or long term power outage were to occur much of what has been pushed on us would go right out the door. Men and women would probably go back to our natural roles, and as we rebuild our society it would be on those terms.

I guess I think of latino or hispanic as an umbrella term for mexicans and other people of a similar ethnicity. Like saying white people, we have different backgrounds, different people in a sense, but we can all be called white. White, black, arab, asian, hispanic/latino, are to me the primary Gentile races. We can all be lumped into one of those categories....well unless race mixing has been involved, then we have to include "other".

We are not protected under any laws, like blacks, latinos, and other non-Whites. While "hate crime" is a Jew-communist term, it is never considered a so-called "hate crime" when Whites are being attacked, like when a Negro bashes a White person's brains out, and it is never so-called "hate speech" when a Negro talks about killing White mothers and their babies. On the other hand, if someone calls one of these people a "nigger," or protests against hate Whiteism, then that is considered a "hate crime/hate speech," and you are branded with other communist terms like "hater," and "bigot."

I do not agree with the terminology that I used above, because like High Priest Mageson said, these are definitely Orwellian, hence why I put the words in quotation marks.

Christianity pretends to be for law and order, but that simply isn't so. Check out this disturbing verse from the new Jew testament:

"There is neither Jew nor Greek, there is neither bond nor free, there is neither male nor female: for ye are all one in Christ Jesus." -- Galations 3:28 (KJV)

Jesus of Borg, anyone? I'm not saying anything new, or anything that group members here don't already know. I'm just showing how it is Biblical/Talmudic to force race-mixing and the forfeiting of all racial and cultural identity. What White Christians [C.R.A.P.'s] don't realize is that many of the values they hold so dear, are just as Jewish as the sermon on the mount, liberal Christianity.

My point was that jewry encourages blacks and latinos into a life of crime, movies, tv, music, all promote it in their jewish designed cultures. Both races also have a tendency to take over white neighborhoods run the white people out and those that don't leave are attacked. The white family (man women children) that were dragged out of their house by blacks and beaten bad enough they were hospitalized. The man was a contractor, he said whose going to pay his medical bills, whose going to pay his mortgage, and his utility bills since he can't work? The courts basicly shrugged their shoulders, AND they never went after the blacks who did that to them. So I'm not here trying to argue a jewish concept about how it should be the same on both sides, what I'm trying

to say is that the jew is using blacks and latinos as a battering ram against white people to keep white flight going. Anytime a white person does something to another race, even a simple fist fight they scream hate crime. It seems more like a way to weaken white people, and encourage violence against us. Every year there's mass deforestation and farm land sold so that contractors can build more and more homes to keep white flight going. Sometimes neighborhoods can be turned around and the criminal element removed, other times white families are attacked like the one I mentioned.

Subject: Government Laws on Crime

I feel many laws and regulations against crime leave people exposed to being victims more so than being protected by them. If you rely on the police /government for help, than you are being weak, in my opinion. Such as, if some one wrongs you, or dishonors you, there is no law against this, even though in ancient times this was grounds for being killed. Or, in nature, if some one steals from you, they would be killed by the original owner.

So, to the point, I feel like people like us, that are conscious and noble, should be able to enforce there own law. As I have read before, the goal of ancient societies was so that every one could govern there selves.

Today if you are a victim of a crime the courts will treat you as though your the criminal, and give the criminal a break. This in turn sets a legal president, criminals find out what they can get away with and how much leniency they can get. If you have to use lethal force to defend yourself the courts will try very hard to lock you up for a long time. A person whose will is strong enough that they will defend themselves, their family, and their home is a threat to the current society we live in, especially if your white.

This is all of the jewish court system as we all know. They set a trap...let crime get so prolific and out of hand so that the unknowing populace is literally begging for ultra-strict laws in readily giving up their rights and personal freedoms for protection- usher in communism. All of this shit is sooooo jewish. Not any different from the judeo/xian bible...turn the other cheek, walk that extra mile, and other suicidal filth. Anything goes, no matter how rotten, except whatever is against the jewish agenda.

Then, the jew-run system with their perverted psychology works to place the blame for all this on the individual. YOU are responsble for your own problems in life. YOU got yourself into this mess. YOU are responsible and to blame for everything that happens in your life. YOU make/made these choices. I have heard this SICK JEWISH FILTH ad nauseum many times over the years. They try to drum this into kids as well as adults.

Their time is coming in the way that this foul regime of theirs is coming to an end. The kikes are going to pay out the ass for their endless crimes against humanity, sooner than most people might think.

Well we got the ultra strict laws we have been 'disarmed' that is the regular law abiding public while the crooks are still armed, the police are armed, the government is armed... and yet in my state I cannot legally own a slingshot. It is only a matter of time till bladed weapons and bows are banned. Bladed weapons are already restricted you must be over 18 to purchase any type of knife even a kitchen knife, you cannot carry a knife on you unless you are going fishing, hunting or use it for work. Basically you cannot carry a blade, or any other 'weapon' for self defence. If you have a baseball bat in your car within reach you can be in trouble if the cops pull you over and see it. A robber can sue you if they hurt themselves breaking into your house.

Several years ago I did security training and part of the course we studied the case of a female security gaurd who was robbed on duty she was hit over the head and left badly injured and in shock and while still in shock and full of adrenelin she pulled her gun and shot the mugger as he attempted to escape. He had got in his car with a big haul of cash at which point the victim shot him dead this all happened very fast.

This turned into a major court case and instead the crook became the 'victim' his family crying about it. He knew he was robbing an armed gaurd, when he got in his car in the gaurds pain she had a massive head wound I believe it was brass knuckles he used she was busted open and concussed she acted on survival instinct. He could have run her over she did what I think most people would do in that situation. They tried to do her for murder. I think after a drawn out battle she was found not guilty but there have been many cases like this. Some where the one attacked acted in imediate self defence and were still arrested and tried for assault or murder.

In some areas it can take the police 30 minutes or more to get to you. In the case of a home invasion where the attackers break in and have guns and you don't your fucked.

Hail Satan

Yes.

I am responsible for the crucifixion of Jesus.

I, by my total ignorance am responsible by the corruption going into politics.

I, by my ignorance am the reason that others suffer [because of me being inhumane]

Or whatever any other shit. Again its my fault. Its always my fault. None else's fault. Never the fault of the Jews and just them. Its my fault if a grandma gets killed by a hungry immigrant, its my fault that other people are insane etc etc.

Always our fault. Never the Jews.

I've seen a few examples of both justice and punishment being delt at the same time, though this is the exception not the rule. In cleveland a few years ago 2 black kids approached a white man on his porch, as they walked up to him one of them pulled out a gun. The white man pulled out a gun and shot both of them, one died the other way charged with murder. The blacks were all fired up about what happened, they thought he should have gone to jail...for defending himself! You should get an award or a medal for that, not sent to prison. Courts will even go after you if you used hand loads instead of factory ammo, anything the jews can do to lock up brave white Gentiles who are willing to defend themselves. I'm looking foward to seeing jewry get what they deserve.

Subject: Sermon 10/06/12			

This topic [understandably] has come up many times in all of the groups...the Christian concept of 'Hell.' There have been cases of certain individuals who have seen horrors and such from near death experiences and related. Some of these people had ties to angels who showed them this sort of thing as well. This is of the Christian 'god' and has nothing to do with Satan.

Now, when I say 'Christian god' this term is a collective label for the human hating entities out there who have been exploiting humanity, using their invented Christian religion as a tool. Long before photography was readily available and knowledge of extraterrestrials was made public, occultist Aleister Crowley drew a picture of 'Jehovah' and the image was of a grey extraterrestrial. The greys hate humanity.

Not to get into a rehash of what is already on the JoS website; my point in making this post is to reassure people regarding 'Hell.' Knowing the truth is very important and when you open your mind through power meditation, you will see more and more truths. The enemy does have rotten places for human souls that fall into their traps. This has nothing to do with Satan. Things are backwards. Just as the Jews [who are of the enemy at the soul] accuse and blame Gentiles for everything THEY THEMSELVES DO, in order to create a distraction and diversion and to confuse, this bleeds over into a much larger area in the way of what Christianity does.

I have heard Christians [ad nauseum] go on and on about how 'The Devil hates humanity' 'was a murderer and a liar from the beginning' 'is all about materialism' 'works to prevent humanity from achieving everlasting life and immortality' the list of bullshit goes on and on and in reality, this all applies to jewhova, THEIR 'god.' One only needs to look to all of the murders, the endless lies and the genocide of Gentile nations in the Old Testament of THEIR bible. In addition, the Nazarene WHICH IN REALITY WAS STOLEN FROM A CONCEPT, was invented into a fictitious Jewish character for the purpose of creating another distraction and deception so that the concept is devoid of its spiritual message so that anyone who follows this kike on the cross will never perform the magnum opus and achieve immortality. Xians keep compulsively parroting 'jesus loves you' when the real truth is 'jesus hates you!' 'Jesus' hates humanity! 'Jesus' is nothing more than a subliminal tool for ushering in the Jewish messiah [if enough people believe in this 'second coming' and put their psychic energies into it, the ruling kike needed to unite the Jews of the world will appear on the scene and enslave every Gentile under the most heinous and brutal conditions] and TO KEEP THE DELUDED FROM SPIRITUAL KNOWLEDGE, ADVANCING THEIR SOULS AND ACHIEVING EVERLASTING LIFE/IMMORTALITY. 'Jesus' also serves as a distraction so that believers never meditate or do anything to advance their souls. The deluded believe 'jesus' will take care of everything and that 'jesus saves' when in truth, we all save our own souls, given we have the knowledge and that we apply it. Those who are denied this knowledge and do not meditate will die and be reincarnated over and over, damned into repeating the same mistakes and totally at the mercy of their destiny. Try running this by xians. They keep parroting 'The Devil deceives' when in truth, it is their own 'god.' And, this so-called 'god' of theirs is afraid of humanity obtaining knowledge and spiritual power? Is threatened by our physical nudity? 'Loves' you so much he will damn you to a fiery pit to burn for all eternity? Hardly our creator. Everything the Christians accuse 'The Devil' of is really their own 'god.' This is their deception. 'He deceiveth the masses.'

Now getting back to those near death experiences and such; Lilith told me something very enlightening. She told me that those who have had strong ties to Christianity in their past lives are very open to the enemy. Even if someone is non-religious, an atheist or agnostic, if there is a strong essence of xianity on that person's soul from former lifetimes; it is an opening for the enemy to manipulate him/her in this lifetime. Note that those who have had frightening experiences run straight back to the enemy. The enemy will use the individual for an example into scaring others, and in many other ways.

Many of us have been with Satan for centuries of past lives. I asked her about myself and she replied to me 'you have always rejected it' [Christianity]. Because of the systematic removal of spiritual knowledge, few of us are really open and aware to what is on our own soul and the souls of others. Regardless of where one's soul was at in former lifetimes, when one performs the Dedication to Satan, this is very real and permanent. Christian sacraments such as baptism, confirmation and such are false and non-binding. Satanic sacraments are real.

Some people have a harder time than others in coming to Satan. For those of us who have been with him through all of our lifetimes, coming to Satan is like a duck coming to water, a bird flying free; it feels so perfect. There is nothing conflicting. Some of us [myself included], when first opening to Satan and studying Satanism, have felt a beautiful comforting warm glow of energy surrounding us. People who have anxiety, more than likely have past life issues with Christianity and/or other false programs of the enemy. These need to be overcome and performing the dedication is the first step, as once one dedicates one's soul to Satan, this is permanent.

Close associations with the enemy in past lives, such as one being a devout xian [this can even be worse if the past lives were many], has made one's soul very open to the influences of the enemy; holes so to speak. The enemy then uses certain individuals for their own nefarious purposes. Some people have a more difficult time in coming to Satan than others, but those who have found the truth and are sincere can overcome any obstacles. Key indications that one was with Satan in past lives are a very strong desire to be with him again, a higher than average interest in the occult, witchcraft and such and a very positive

feeling when studying true Satanism, and in knowing Satan. Many of us have powers and knowledge that have come from past lives.

I have worked extensively with a few of those who have passed on [they do not wish to be labeled as 'dead'] and have met many spirits [human] who have /are residing in what we call 'Hell,' where Satan keeps his own. They are all very safe and protected. Those who have passed on do not eat or sleep. It is stagnation in many respects and this is why souls choose to reincarnate. Also, one does not obtain power through or after one's physical death. We take ourselves with us, our personalities, our abilities and one's spiritual power.

The experiences in death are highly individual. People who are vulnerable to the enemy, as I wrote of in the above, are at the mercy of the enemy. All of this has to do with past and present lives. There are others who for whatever reason, often an important issue, refuse to move on and remain as ghosts and stay here on earth. As I wrote of before in a sermon on ghosts, there are often serious unresolved issues such as one being murdered and others not knowing, one's corpse not being properly buried and such, as it matters to the individual.

Satan takes care of his own. I wrote of this before, but when I asked one I am working with in spirit form what happened when he died [after he fell to the floor following his swallowing of a cyanide capsule], he told me 4 of our Gods showed up and took his astral hand and lifted him from his body and took him to 'Hell' where others he knew who had passed on were already there and where he has been secure, safe, and very protected.

Much of our present life experiences have their roots in past lives. I know this sermon is already too long, but I had to address this. Also, another tip for the magnum opus...you have to raise your serpent first.

I was always more interested in the Anti-Christ rather than the 'christ'. I wanted to master my mind since a very young age. Naturally I hated jewish systems

of magick or whatever, they didn't feel right. Satan has been my personal salvation, I found my home in the JoS. When I found the webpage I literally felt some force answered my prayers. I wanted a God so I could be fucking faithful, advance and even die for them. A true Hero, not the chicken nazarene who attacked me repeatedly when I was 'praying' to this piece of shit. I had horrific and ugly experiences with xianity and it didn't feel familiar. I just couldn't get along with it, it felt wrong and a mismatch. I could never wish for more. I meditate, advance and I have Father Satan, Mother Lilith and my Gd's listening to me, protecting me and helping me. I have a rightful cause to fight for and die for. On top of this, Satan was anti-jewish as I always was even as a xian, because I just hated jews and never felt any emotion for them, even not the slightest mercy. This was the fucking cherry on the box, when things were perfect. Satan gave me love, affection, protected me and shielded me in times of need, without one failing. He is constantly observing and he made me a fucking greater creation than what I was. I have no more words, I feel devoid of any. Satan is *THE* perfect being.

Satan is eternal life. Wonderful post.

HAIL SATAN!!!!!!!!!!!!

The greys hate humanity.

The enemy does have rotten places for human souls that fall into their traps. This has nothing to do with Satan. Things are backwards. Just as the Jews [who are of the enemy at the soul] accuse and blame Gentiles for everything THEY THEMSELVES DO, in order to create a distraction and diversion and to confuse, this bleeds over into a much larger area in the way of what Christianity does.

>

> I have heard Christians [ad nauseum] go on and on about how â The Devil hates humanityâ â was a murderer and a liar from the beginningâ â is all about materialismâ â works to prevent humanity from achieving everlasting life and immortalityâ the list of bullshit goes on and on and in reality, this all applies to jewhova, THEIR â god.â One only needs to look to all of the murders, the endless lies and the genocide of Gentile nations in the Old Testament of THEIR bible. In addition, the Nazarene WHICH IN REALITY WAS STOLEN FROM A CONCEPT, was invented into a fictitious Jewish character for the purpose of creating another distraction and deception so that the concept is devoid of its spiritual message so that anyone who follows this kike on the cross will never perform the magnum opus and achieve immortality.

Xians keep compulsively parroting "Jesus loves you" when the real truth is "Jesus hates you!" "Jesus hates humanity!"
> "Jesus" is nothing more than a subliminal tool for ushering in the Jewish messiah [if enough people believe in this "second coming" and put their psychic energies into it, the ruling kike needed to unite the Jews of the world will appear on the scene and enslave every Gentile under the most heinous and brutal conditions] and TO KEEP THE DELUDED FROM SPIRITUAL KNOWLEDGE, ADVANCING THEIR SOULS AND ACHIEVING EVERLASTING LIFE/IMMORTALITY.

> "Jesus" also serves as a distraction so that believers never meditate or do anything to advance their souls. The deluded believe "Jesus" will take care of everything and that "Jesus saves" when in truth, we all save our own souls, given we have the knowledge and that we apply it. Those who are denied this knowledge and do not meditate will die and be reincarnated over and over, damned into repeating the same mistakes and totally at the mercy of their destiny. Try running this by xians. They keep parroting "The Devil deceives" when in truth, it is their own "god." And, this so-called "god" of theirs is afraid of humanity obtaining knowledge and spiritual power? Is threatened by our physical nudity? "Loves" you so much he will damn you to a fiery pit to burn for all eternity? Hardly our creator. Everything the Christians accuse "The Devil" of is really their own "god." This is their deception. "He deceiveth the

>

> Now getting back to those near death experiences and such; Lilith told me something very enlightening. She told me that those who have had strong ties to Christianity in their past lives are very open to the enemy. Even if someone is non-religious, an atheist or agnostic, if there is a strong essence of xianity on that person's soul from former lifetimes; it is an opening for the enemy to manipulate him/her in this lifetime. Note that those who have had frightening experiences run straight back to the enemy. The enemy will use the individual for an example into scaring others, and in many other ways.

>

> Many of us have been with Satan for centuries of past lives. I asked her about myself and she replied to me "you have always rejected it" [Christianity]. Because of the systematic removal of spiritual knowledge, few of us are really open and aware to what is on our own soul and the souls of others. Regardless of where one's soul was at in former lifetimes, when one performs the Dedication to Satan, this is very real and permanent. Christian sacraments such as baptism, confirmation and such are false and non-binding. Satanic sacraments are real.

>

> Some people have a harder time than others in coming to Satan. For those of us who have been with him through all of our lifetimes, coming to Satan is like a duck coming to water, a bird flying free; it feels so perfect. There is nothing conflicting. Some of us [myself included], when first opening to Satan and studying Satanism, have felt a beautiful comforting warm glow of energy surrounding us. People who have anxiety, more than likely have past life issues with Christianity and/or other false programs of the enemy. These need to be overcome and performing the dedication is the first step, as once one dedicates one's soul to Satan, this is permanent.

>

> Close associations with the enemy in past lives, such as one being a devout xian [this can even be worse if the past lives were many], has made one's soul very open to the influences of the enemy; holes so to speak. The enemy then uses certain individuals for their own nefarious purposes. Some people have a more difficult time in coming to Satan than others, but those who have found the truth and are sincere can overcome any obstacles. Key indications that one was with Satan in past lives are a very strong desire to be with him again, a higher than average interest in the occult, witchcraft and such and a very positive feeling when studying true Satanism, and in knowing Satan. Many of us

have powers and knowledge that have come from past lives.

>

> I have worked extensively with a few of those who have passed on [they do not wish to be labeled as â deadâ] and have met many spirits [human] who have/are residing in what we call â Hell,â where Satan keeps his own. They are all very safe and protected. Those who have passed on do not eat or sleep. It is stagnation in many respects and this is why souls choose to reincarnate. Also, one does not obtain power through or after oneâ s physical death. We take ourselves with us, our personalities, our abilities and oneâ s spiritual power.

>

> The experiences in death are highly individual. People who are vulnerable to the enemy, as I wrote of in the above, are at the mercy of the enemy. All of this has to do with past and present lives. There are others who for whatever reason, often an important issue, refuse to move on and remain as ghosts and stay here on earth. As I wrote of before in a sermon on ghosts, there are often serious unresolved issues such as one being murdered and others not knowing, oneâ s corpse not being properly buried and such, as it matters to the individual.

>

I have a photo of him with the cross of Lorriane if anyone could elaborate on that as well. I know about the KKK info on the Blacksun site. I think the domain registration expired on that last time that I looked a few days ago, unless I went to the old one by mistake.

I've done a search thru the JoS groups and only come up with bits & pieces in different posts & essays. I have the one post on the three world wars posted some time in the last year or so, by Don. Very good btw.

I just want to get to the bottom of the issue for own research. I have also been asked about the topic recently. Everything from JoS is certainly positive towards him. I agree, I just lack some of the details in single organized article or essay. Anything would be greatly appreciated & thanks in advance.

This kosher tax needs to go. I am disgusted by the fact that almost every product you buy in the store has this tax. So, how do you beat it? The only way would be to grow and raise all of your own food, hardly a possibility if you live in a city. We can try to be more selective in our choices at the grocery store, but this is very difficult being that nearly every product has this tax on it. I need to find a farmers market in my area.

Pike was a Satanist. His order the Scottish Rite comes originally comes from the Templars who went into Scotland and turned it into a major base. Just look at Rosslyn chapel. Pike stated in "Morals and Dogma" that Lucifer is the God of Mason's and the God of the Magnum Opus. Pike denounced the jews and their tryant "god" as oppressing the White Race. Pike was also an open racialist and for racial seperation.

The cross of Lorriane is a Templar symbol and is alchemical.

The original Klan was Founded by two 33 degree Scottish Rite Mason's Pike and Forrest. And was Masonic to the core on every level. It was founded to fight to restore the Consitutional rights to the South and end the Marital law of the 5 districts and their policies. Which was oppressing and terrorizing the South. Once the goal was reached the Klan was disbanded as a fighting force. Forrest and Pike wanted the Blacks in the South to have rights and freedoms in their community and openly advocated for them. Any Blacks targeted by the Klan where targeted for the same reason Whites where. They where working for and agents of the Federal military government. The Klan was founded to fight.

A lot of Blacks fought in the Southern Army. Many where free Blacks as the South had large free Black communities with their own businesses, schools, professions even plantations.etc It was home to them as well. The relationship between Blacks and Whites in the South is traditionally very different from the North. And not the nonsense "Roots" propaganda states. They lived together for hundreds of years even having Black women act as nurse maids to White children.etc The culture of the South is traditionally very aristocratic and based on old British culture.

The second Klan had nothing in common with the first and was more of social club and had its own social influences of the day. The third Klan is the one in

operation from the 1960's and on. And is probably made up of mostly federal agents, informants and soon to be informants. And general reactionaries without a clue to the original Klan which they have no connection too. They rail about jewsus but don't understand they are wearing ancient Satanist symbols and ritual wear.

The truth movement does not really exist except as a jewish propaganda front to mislead Gentiles. So they will repeat the same lies over and over again. They are misinfo agents. I have heard Alex Jones owns a networth of five million dollars for his shilling for his jewish bosses.

I always laught at how they attack the very truths that stand in the way of the Jew World Order will pretending they are the opposite [hence pushing the JWO core ideologies]. And thus push the enemy agenda in an insidious fashion.

I've been doing a bit of research on whether microwaves are safe or not, and it seems very similar to researching whether flouride is safe or not. Example if you type "are microwaves safe" into a search engine the pages all tend to say microwave ovens are safe, just like if you type "is flouride safe". Typing are microwaves dangerous, just like with flouride yields a different set of results. One such article talked about how heating food in a microwave changes the molecules in food.

You know that's pretty much my take on this as well. Looks like I was on target with my research. I have read some of Laurence Gardner's information on the Scottish Rite as well. That seemed all positive to me as well.

I am from the South. I have done a lot of research into the causes of that conflict. Amazing the lies we are fed. Several of my family have told me that had the occupation not ended when it did, a guerilla war was about to ensue to guarantee it did come to an end.

I have also read that the South used British English until forced to change otherwise. Which then leads to another topic I find interesting. I heard on an internet radio show from someone who does gematria, using American English (they hate jews & won't touch hebrew & they also have their own system & don't do it the Crowley method) & he stated that he feels, based on his research, that one of the reasons for the change in the language from the British was that it was decided as such as part of the occultic concept of the creation of United States as part of the New Atlantis. If any one has any thoughts on that, I wouldn't mind hearing something on it. It seems to me that there may be something to that. I don't know much about gematria. Most people who do that are messing with hebrew sorcery, however, they usually are doing it with hebrew. I know there are some who use English via some method that Crowley come up with as well, but that would seem contaminated to me. I am familiar with the occult significance of numbers & numerology in general. Again, the point being that he said that it might be possible that the English language goes back a lot further than we are led to believe & that he feels that it very well actually be part of the concept of the New Atlantis & the reasoning was to make this improvement over British English from an occult standpoint. If I remember correctly, he also said that evidence of recognizable English goes back to the 4th century CE & it could even go back to ancient Egypt. He seems to know what he's talking about all round. This guy actually does a pretty good radio show on the kike problem. He also points out the manipulation of the language that the kikes use on us. Does a pretty good job of it which is why am bringing this topic up here. I discovered him by accident. Again, any thoughts would be appreciated.

Anyway, thanks Don. I appreciate your effort & have gained much knowledge from your essays & web site. Keep up the good work.

The man who wrote these articles is not a Satanist, and this is reflected in his writings sometimes (but he's not christian), however, I do believe he did a good job showing that the microwave is indeed NOT HEALTHY!

From experience, our microwave began malfunctioning (soon after me reading his articles "coincidentally") and we ended up getting a toaster oven. The food tasted better and the only real inconvenience was cooking popcorn on a stove top, rather than tossing it in a radiation box and wandering idly for over 2 minutes.

Anyway, just recently, it was midnight and i didn't want to take the time to make popcorn on stove top, so I used a spare microwave in our basement to make popcorn....I began to feel sick after eating it, and i'm not doing it again.

Microwaves excite water molecules and the vibration of those molecules causes heat. It's not like you're using nuclear fission to heat up your food. I say it's safe but food does taste better cooked in a traditional way.

Subject: Sermon 10/09/12

All of the so-called 'occult' and spiritual can be explained scientifically. Satanism promotes science and in other more advanced worlds out there, technology is used in conjunction with the powers of the mind and soul. Both work together and compliment each other.

Vibration and the power of sound is one of the most effective ways to change something. Everything in this universe has a specific vibration. Both living and inanimate objects vibrate and have a specific unique rate of vibration. Even a rock has molecules that are vibrating at a certain rate that make it what it is...a rock.

My point here is using vibrations in your meditations will advance your workings. Runes, Sanskrit mantras and such all work to produce changes. With cleaning one's aura, for example, especially after coming into contact with negative energy; many, especially teens are forced to attend xian church against their will... the mantra for the Sun: Aum Suryae, vibrated 108 times with a Satanic Rosary, will burn off the negative energy. This can be done at any time and for as many times/days as you feel necessary.

[See the link below for correct pronunciation]

http://www.angelfire.com/empire/serpentis666/Sun_Square.html

This working is a bit different from the kabalistic squares and just vibrating 'Aum Suryae' into your aura [you should feel the vibration in your aura and/or entire being] 108 times works very well in dispelling negative energies when cleaning one's aura. Visualization using the white-gold light should also be used. Vibrating runes works just as well. It is important when using a mantra for the first time to vibrate it once or twice and feel its energy. If you feel the energy, then the mantra will work for you. If you feel nothing, then it is best not to waste your time using it.

http://www.angelfire.com/empire/serpentis666/Runic_Kabalah.html

Vibration is the most effective way to reverse negative unwanted energies. Using a Satanic Rosary is easy. These can be made from any bead kits in the hobby/notions section of most stores...Wal-Mart, K-Mart, Target, any hobby & crafts stores...you get the idea. This does NOT have to be anything fancy or embellished. The sole reason for the Satanic rosary, based upon the Tibetan Mala Beads is so that one does not have to be distracted keeping a count of reciting a high number of mantras. Just slide your fingers along the beads. If you have a rosary for black magick, then use a different one for white magick as

the energies can conflict.

I have read several posts asking 'How can I get closer to Satan?' Answer: BY WORKING FOR HIM!

People who come into these groups and are only out for what they think Satan and the Powers of Hell can do FOR them don't get very far. The more you do for Satan, the more the Powers of Hell will do for you, BUT, YOU MUST MEDITATE AND KEEP YOUR ENERGIES HIGH. Lilith mentioned to me how some of you work these groups answering questions and such on a regular basis. She told me you are given high priority and are favored in the way of obtaining help and protection from the Powers of Hell, should you need it.

This also includes anyone who is actively working for Satan. Not everyone can work online in the groups. There are many other areas where each of us can contribute in our own way to advance Satan's agenda. If you are lost concerning this, Demons will guide you; you only need ask.

Many new people are coming into the JoS groups. I am happy to say that our Teen group has well over 10,000 + members. Satan has the youth. Many come here through 'Yahoo Groups' and not the JoS website. Many who come in this way do not read the front page of the group description and ask the same old questions that are answered on the JoS website. Many who come in are indoctrinated by the system and organized 'religion' and apply this to Satanism. I know...patience is required. People are coming in from all walks of life. Many have no knowledge of the occult, witchcraft and the powers of the mind and meditation.

Note that we are all working for a higher cause. We are working together. As far as I am concerned, teamwork is by far the best way to accomplish something important. Lilith told me the Powers of Hell work as a team. 'One alone...together strong.' Each member who is actively working for Satan is very important. The more you do for Satan, the more Satan will do for you. I know this from experience.

In closing, the 666 Black Sun website is down again. HP Vovim owns this site and will have it back up and running soon. I know revising the JoS main website needs to be done and I have attempted to do this many times, but I have way too much on my plate so to speak. Those of us who are actively working for Satan are BUSY. REAL BUSY. Many of us have more than one and in some cases, several major projects going at the same time for the Powers of Hell.

Two replies that were posted in the JoS groups were VERY relavent. A member wrote that time should not be wasted on worthless crap on the internet. Time is better spent advancing one's soul through meditation and also in personal study.

People who waste time end up nowhere. You cannot hit the rewind button on your life. A wasted day is gone forever. The more you put into developing your soul through meditation, the more you will reap these rewards with spiritual freedom and the ability to control and direct your own destiny. Lilith also told me that those who have successfully raised their serpents will then be guided to performing the Magnum Opus by Demons. Our Anti-Christ told me there is more than one way to successfully perform this working.

And good riddance to Israel. They need to divide it up fairly between Lebanon, Palestine, and Jordan. Meanwhile, the kikes have to go from their country.

Meanwhile, all other countries need to evict the kikes from their own land. The United Tyranny of Stupidity has more kikes than any other land, and is more philo-Semite than any other country. Europe also harbors too many kikes. They need to make a new law--any kikes shall be shot and robbed on sight. Gentiles should be armed to the teeth, and if they see a kike, the kike gets popped. This needs to be worldwide.

At the same time, we need technology to cleanse out the kike genes from those harboring a trace of it. All it takes is for a trace of this filth from each parent, and BAM! A baby inheriting it could come out of nowhere and start the whole shit up from scratch. We already have so many mandatory medical procedures. Why not create the technology to identify and eliminate any and all traces of kike DNA from babies at birth so they at least will only pass Gentile genes to the next generation? That could replace most or all of the vaccinations, and it would be far safer to eliminate kike DNA from the population. And more beneficial.

Hail Satan!

Heil Hitler!

Jewry's Destruction Of White Rhodesia

My note all the major names behind the Communist movements in S.Africa and Rhodesia are Jewish. And as one Rhodesia vet stated the Christian churches undermined White resistance against the Communist movements. It's so bad now even most Blacks literally have shown in polling they want White rule back.

<http://www.alor.org/Volume12/Vol12No36.htm>

October 1976. Thought for the Week: "Democracy is not all clear gain. For one thing, its methods of reaching decisions by voting creates the general impression that the majority is right. From a ladies' sewing circle to the assembly of the League of Nations we count heads when we wish a matter settled. The result is that we modern democrats, who would scorn to truckle to an autocrat, truckle to the majority with all the obsequiousness of a courtier before his sovereign. Once the fashions were set by a monarch - the king could do no wrong. If he wore a beard, beards were fashionable; if he wore a ruff to cover a scar, ruffs were the order of the day. Democracy, however, which has largely abolished this mimicry of kings, has for many folk only sustained mimicry of the mob. We do not go through the outward ritual of kneeling to their Majesties, but in fact we continually bow before two great sovereigns of the democratic state - The General Average and the Majority Vote."

Harry Emerson Fosdick in "Twelve Tests of Character" (1923)

By Eric D. Butler

Approximately five months ago, Dr. Henry Kissinger [my note one of the most evil Jews of all time], with the backing of President Ford, outlined in the Zambian capital, Lusaka, a programme for crushing Rhodesia. Last Friday, September 24th, Prime Minister Ian Smith of Rhodesia reluctantly confessed that the Kissinger policy was being accepted.

In a fine dialectical display, Kissinger said in his Lusaka declaration of war, that he was pledging support to the Marxist regime of Mozambique as part of his programme to preserve "world peace". He went on to threaten that the U.S. would "approach other industrial nations to ensure the strictest and broadest international compliance with sanctions" imposed against Rhodesia by the United Nations. Kissinger has never at any time suggested economic sanctions to help end minority control of the Soviet Union and its satellites, or of Red China. Even Idi Amin's Uganda is regarded more kindly than the Rhodesia, which has threatened no one.

Events concerning Rhodesia and South Africa confirm the Malcolm Muggeridge and Solzhenitsyn view that the West is suffering from a death wish. But this death wish has been deliberately created by the agents of subversion the most dangerous being, as Muggeridge has said, those who never cease to moralise about their "progressive liberalism". The media is always open to enable these "credulous buffoons", to quote Muggeridge again, to demonstrate their capacity to be "taken in by grotesquely obvious deceptions", and to "pass on from one to another, like a torch held upside down, the same death wish..."

But behind the sick liberals are the real traitors of Civilisation, the men who have financed the Western economic blood transfusions without which the advance of International Communism could never have taken place [my note the Jew bankers and agents in the governments]. The revolting Henry Kissinger, who, in his guttural monotone, has proclaimed a number of major retreats for the West, is currently the principal agent of these traitors. The Rhodesian

retreat was the result of what has been described as Kissinger' a "meat axe diplomacy". Having served notice on the Rhodesians, he then made it clear to South African Prime Minister Vorster that he had to threaten to use the axe on Ian Smith - or else!

If John Vorster believes that he is buying time for South Africa by agreeing to sacrifice Rhodesia, then he has learned nothing from the lessons of history. The bell is already tolling for South Africa.

It was on September 14th, in his meeting with Prime Minister Smith in Pretoria, that John Vorster made his fateful statement that South African aid for Rhodesia was finished unless Ian Smith agreed to the Kissinger proposals. When Kissinger met with the Rhodesian leader he was able to produce an intelligence dossier purporting to show that the Soviet and Cubans had plans for intensifying the military pressure on Rhodesia. And Kissinger made the point once again that under no circumstances would the U.S. assist the Rhodesians if they decided to fight on.

In the face of what can only be described as treasonable blackmail, the Rhodesian Front Party obviously felt that there was no real alternative but to accept the Kissinger plan for "majority rule" in two years. And so on Friday, September 24th, Prime Minister Ian Smith had to make what must have been the most difficult address in his whole career. But he left no doubt about what had happened. He said: "The proposals which were put to us do not represent what in our view would have been the best solution for the Rhodesian problem. Regretfully, however, we were not able to make our views prevail.... The American and British governments, together with major Western powers, have made up their minds as to the kind of solution they wish to see in Rhodesia, and they are determined to bring it about."

Following the "agreement" for Rhodesia's future, there was another outburst of the same type of euphoria, which swept the world when Kissinger announced his "peace" plan for Vietnam. With his eye on the polls, President Ford expressed his pleasure with Dr. Kissinger' s efforts. Like the gadarine swine rushing towards disaster, the politicians of all labels joined in the praise for the "great international diplomat", Dr. Kissinger. Prime Minister Fraser dutifully chimed in and once again stressed his support for "majority rule". I do not anticipate that Mr. Fraser and his colleagues will accept any responsibility for the inevitable disastrous results of the criminally insane policy they are supporting.

In his concluding statement to the Rhodesian people, Prime Minister Smith said, "Now it is not the end. It is not even the beginning of the end. It is perhaps the end of the beginning." The Rhodesian leader could be right. The proposed "agreement" has yet to be finalised. The Soviet-Cuban thrust will continue even if it is. And once again the civilised world will see how it has been betrayed by Henry Kissinger and his masters. The murder of Rhodesia might yet awaken the West from its death wish. If this happens, Rhodesia will not have sacrificed and died in vain.

Chavez wins re-election in Venezuela, defeating grandson of Holocaust survivors

JTA.org

October 9, 2012

BUENOS AIRES, Argentina (JTA) -- Venezuela's President Hugo Chavez, an ally of Iran, won re-election, defeating Henrique Capriles Radonski, the grandson of Holocaust survivors.

Chavez took 54 percent of the vote to Radonski's 45 percent in the Oct. 7 poll. His term will end in 2019, extending his rule over the OPEC member state to two decades.

The Simon Wiesenthal Center expressed its concern over Chavez's re-election, citing the fact that Venezuela has Shahab 3 long-range missile launching platforms on the country's Caribbean coast aimed at Florida.

"Hugo Chavez's triumph can only strengthen Iran's political and military penetration of Latin America," Dr. Shimon Samuels, director of international relations for the Simon Wiesenthal Center, told JTA on Tuesday.

"Six more years of the Caracas-Tehran axis could be as perilous as an Afghanistan with oil," he added.

Argentina's president, Cristina Fernandez de Kirchner, used Twitter to congratulate her regional ally.

"Your victory is also ours. Go Hugo," she tweeted.

Sergio Widder, the Wiesenthal Center's director for Latin America, told JTA that "Chavez reportedly facilitated the recent dialogue between Argentina and Iran, clearly aimed at closing both the AMIA Jewish Center bombing investigation and Buenos Aires' demand for extradition of the Iranians complicit in that atrocity."

Since taking power in 1999, Chavez has become a global "anti-imperialism" fighter and a close ally of leaders from Iran, Cuba, Bolivia and Belarus. Chavez, a former soldier, has described Israel's treatment of the Palestinians as "genocide" and called Zionism racism.

Last July, Venezuela was accepted as a full member of the Mercosur regional free trade and political group, and will have increased influence in a bloc that also includes Argentina, Brazil, Paraguay and Uruguay. Mercosur's members all recognize a Palestinian state.

Subject: LHP vs RHP

LHP vs RHP

This is an answer to a question asked in another egroup.

The difference is this. The LHP if ones looks into the East, is the original path its originally called the "Royal Path." It was also called this in the West.

Due to the infestation of the enemy programs and the slowly decline and in many cases violent destruction of the original traditions it became needed to create what is now the LHP or Vamacara Tantra.etc In the East the Tantric age follows the fall of the last twilight of the Vedic age. The Tantra is the Vedic [Veda means divine knowledge] spiritual teachings of the Gods. The title Tantra literally means in English basically "Knowledge which spreads saves[or liberates]. Its relating to the Magnum Opus. Its stated Tantra [LHP] is the method to achieve the Magnum Opus in the Kali age.

The Tantra's are very blunt about this fact and the calling out the RHP as frauds and fools. Basically the RHP preaches that by strict obeying of ideological commands one will obtain liberation upon death and go to pie in the sky forever[xainity is big on that crap]. The LHP tells the truth and states liberation is done with a physical body and as the Rasarnava Tantra states the goal is to create the Godman or "Second Siva" the perfected being[Siddha] who is literally physically perfected, eternally young and has all the major and minor siddhi's.

The Tantra's stated if liberation is obtained upon physical death then even a donkey obtains liberation upon death and the whole point of the Yogic techinques [power meditation] are a waste of time. In this honest mockery of the RHP lies, is a powerful truth. The God of the Tantra in the East is Siva who as shown is another alias of Satan:

<http://groups.yahoo.com/group/JoSNewsletter/message/213>

In the Western Tradition [which is from the Eastern at the root] its the same. The 33 Degree, Satanist, Albert Pike states openly that the goal of alchemly is the Magnum Opus which the main goal of the alchemist is to be literally physically and spiritually perfected [eternally young] and powerful. He stated the single most science of alchemly or the occult science is to be found in the book of Hermes, the Tarot. Which is of Satan. Pike stated Lucifer also symbolizes the keystone in the arch [symbol of the Magnum Opus finished], the luminous energy of the soul perfected.

The RHP is death and slavery.

Subject: Semana Santa And the Penitents

Its a well known fact the Catholic program traditional symbols [even the crucifix] and dress of their clergy are stolen from the Pagan world. The Vatican alone is covered in Pagan images stolen from the world they tried to destroy, steal and cover up. Along with the corruption of the concepts behind them, to create

their program.

Here we will look into the connection between the holiday and ritual wear of Semana Santa and where its stolen origins are from.

"Ostara is a Pagan holiday celebrated between March 21-23 on the Spring Equinox. The Church came up with the bright idea to celebrate Christ's passion and resurrection taking a whole week for that which is now called Easter. In predominantly Catholic countries it is called "Semana Santa" or Holy Week in Spanish."

In some translations its also called "Easter Week."

The men in the robes and cone hats are described as:

'They are penitents — people who are paying for some kind of sin or are asking something of God. According to tradition, they are dressed like that because it makes them look like cypresses, which in turn look like candles, the traditional symbol of a soul ascending to heaven.'

This gets into the meaning behind the conical headdress and wear which goes all the way back to very ancient Pagan times:

"Sims says that these priests wore rocket-shaped conical hats decorated with rows for sun and moon symbols that are said to outline the metonic cycle of the sun and moon. Several of these tall golden hats one with a chinstrap- have been discovered in Ireland and central Europe, which suggests they may be of Celtic origin. Said to date from 1500 BC, they are possibly a precursor of the traditional conical wizard's hat. A similarly shaped hat was placed on the head of a person consider to be a "dunce", a word that derives from 'dunn' or 'dune' meaning 'hill' or an 'upwelling of energy'. By thus focusing attention (i.e.energy) on the chakra vortex above the head, it was believed that the wearer would be granted more 'brain power' or intelligence."

The Serpent Grail by Philip Gardiner with Gary Osborn.

The sun and moon depicted on the helms relate also to the union of the sun and moon or male and female aspects of the soul at the ajna or pineal gland center where the trine aspect of the serpent power meet and join.

The book also states that in China these hats were also worn by the mag [this name is important] or their court magicians the Chinese character for mag is a cross with slightly splayed ends, which was also used by the Templar.

Mag is another title for the mystic pillar [mount meru axis or spinal column] the same as the magicians who wore these conical hats. And it's also found in Sumerian meaning "to move." Mostly the power upwards.

This dress also appears in the image of the Priests of EA or Oannes in the ME with fish styled headdress [where the mitre comes from] and cloaks which gets into the ancient mention of the "Fish Tower of:

"which is depicted nondescript kind of fish formed like a column or tower, passing Maypole-like, through the ring or O of IO." Note this image where also found in Europe and where used by the Pagan cultures there as well.

Also the Benben tower of Osiris with the conical or pyramidal top which represents the spinal column and the power ascended to the top of the spine in the crown the obelisk is a version of this and was originally related to the basilisk:

"Osiris was also known as Ob-EI ('Shining Serpent'), or Pytho Sol ('Serpent Sun'). Great pillars of stone were dedicated to this worship and in Grecian times these were called Obelos or Obeliscus. They are now known as Obelisk pillars and related to the Basilisks [my note the Royal Serpent]. These pillars were obvious allusions to the axis mundi or World Axis and symbolized both the Earth's polar axis and the human spinal column, as also evidenced in the Djed column, the Egyptian symbol for stability, which was also associated with Osiris and referred to as his 'spine' or 'backbone'.

The fish headdress and ritual robe and divine phallus hold the identical meaning. Many phallus images like the serpent images have a head of a human on the top for the same meaning. The ascended power. The Benben tower is connected to the Phoenix.

The Benben stone is shown as conical stone. That sits upon the pillar symbol of the spinal column.

Ichthys, or the Fish, was one of the names of Dionysus and the divine phallus was also shown in the shape of fish. The phallus is the spinal column with the kundalini fully risen. EA [Oannes] is also shown as a Fish cloaked God in the ME and Lord of the Water for the same reason. The life force.

ICHTHYS standing for the Greek words meaning "Jesus Christ, Son of God, [our] Savior"

It's my personal opinion Jesus is mainly stolen from Dionysus. The Jews stole the image of Serapis [Osiris] who as the Egyptians stated was Dionysus as well, for their Jesus character.

This cone symbol is also shown as the top of Mount Meru in Eastern texts which appear identical to Amurru pillar seen in the Sumerian cylinder seals.

In Egypt the sacred symbol for bread is cone shaped but it relates to the bread of life or manna which is connected to the energies of the soul and

especially it seems the dew of the pineal gland.

'In religious symbolism the candlestick is the symbol of spiritual illumination, of the light, and of seed of life and of salvation.'" - Ciril in the Dictionary of symbols.

The illumanted tree is also an ancient Pagan concept and the tree as the symbol of the human soul such as the World Tree. Are also well known. The trunk is the spinal column with the branches representing the 144,000 nadis of the soul. And the individual worlds representing the charka centers along the spine. The "xmas" tree [World Tree] is an ancient Pagan symbol that was put up at Yule to symbolize the reborn sol with the candles being the illumanted nadis and the star at the top the halo of the risen serpent. The perfected and reborn soul.

A deep meaning of Druid is "Knower of the Tree" and in the ancient Priesthoods one of the highest ranking levels one could obtain such as in the Eleusinian mystery was the title of Yew. As in the sacred Yew tree that along with the Oak was honored by the Pagans. The spiritual symbolism across the Pagan world on the tree its connection to the soul could fill its own book.

Back to Semana Santa:

They are penitents people who are paying for some kind of sin or are asking something of God. According to tradition, they are dressed like that because it makes them look like cypresses, which in turn look like candles, the traditional symbol of a soul ascending to heaven.

Sin is a Pagan concept for the impurities in the soul to be burned out with the spiritual process. This also relates to the Titan aspect to be purified from the soul of the practioner, leaving only the Olympian in the Hellenic mysteries.etc In the East this process of purification by spiritual fire [the Yogic body of fire is the immortal, perfected one in the Eastern texts] is still called literally "penance". The penitent is one who is performing penance for their sins. The isle of Patmos in the Pagan world was known for housing many practioners who lived in isolation around and on the sacred mount. Spending months performing such alchemical operations or penances. To purify themselves spiritual.

To sum it all up.

What we are originally looking at is a symbol of alchemly where the men are wearing symbols of the ascended power on the time of the resurrection [the ascent of the serpent] which was celebrated by Pagans such as the followers of Dionysus at this time [Semana Santa/Easter]. Hence the tree or candle images its all symbols of the ascended power the conical hat as seen being the symbol of the Priests who have ascended the power. Who are in turn named after the mystical tree or tower the Mag and even. Which the symbol of the conical headdress symbolizes the soul ascending to heaven as heaven is the alchemist term for the crown chakra this cone represents the serpent power ascending to. The Benben or conical stone that rest upon the symbolic spine of the Osiris tower.etc

To put it bluntly these guys are walking "xmas trees" and the Pagan symbolism behind the yule tree and the illumination of the soul. Which the Priest conical hat meaning the same as the halo or star on the tree.

On Semana Santa we are looking at Pagan Priests celebrating the resurrection of the serpent power up the spine to the crown and the purification of the soul that comes with it and the reborn state of consciousness. At the time of the resurrected Pagan God which symbolizes this power. The White robes symbol the purified soul.

Some penitents in this Easter processions are holding the staff with the crescent looking metal ends are the spinal column with the dual aspects of the power. And in one photo I note the leader carrying a banner. The head of the parade for Dionysus on Easter in the ancient world had the head priest carrying a wooden pole or phallic symbol or in some cases a cross [xainity didn't use the cross till the seventh century]. In some cases a naked youth covered in white clay would do this as the symbol of the purified soul and reborn sun/soul. Some of these festivals still survive in the East today.

Subject: Re: Semana Santa And the Penitents

Very impressive. This explains the story of Sanat Kumara [Satan] descending from Venus with 144,000 "Lords of the Flame." Theosophy has fucked a lot of things up in the same manner that both Catholic and Protestant Christianity have, but people like us can see the greater truth behind the myths, unlike the mundane folk.

"Santa" and "Sanat" are both anagrams for "Satan."

As for the wooden cross actually having been one of our symbols that was originally despised by the Church, but later stolen from us, here is an excerpt from "Aryan Sun-Myths" by S. Titcomb:

"Overwhelming proof was obtained that the sun-myths of the ancient Aryans were the origin of the religions in all of the countries which were peopled by the Aryans. The Saviours worshipped in these lands are personifications of the Sun, the chief god of the Aryans. Overwhelming proof was obtained that the sun-myths of the ancient Aryans were the origin of the religions in all of the countries which were peopled by the Aryans. The Saviours worshipped in these lands are personifications of the Sun, the chief god of the Aryans. That Pagan nations worshipped a crucified man, was admitted by the Fathers of the early Christian Church. The holy Father Minucius Felix, in his Octavius, written as late as A. D. 211, indignantly resents the supposition that the sign of the cross should be considered as exclusively a Christian symbol; and represents his advocate of the Christian argument as retorting on an infidel opponent thus: "As for the adoration of crosses, which you object to against us, I must tell you that we neither adore crosses nor desire them. You it is, ye Pagans, who worship wooden gods, who are the most likely people to adore wooden crosses, as being parts of the same substance with your deities. For what else are your ensigns, flags, and standards, but crosses gilt and beautified? Your victorious trophies not only represent a simple cross, but a cross with a man upon it." Tertullian, a Christian Father of the second and third centuries, writing to the Pagans, says: "The origin of your gods is derived from figures moulded on a cross. All those rows of images on your standards are the appendages of crosses; those hangings on your standards and banners are the robes of crosses"

{Egyptian Belief, p. 217). END Quote

I am not defending what has become of "the cross," but I thought I'd share that interesting quote. As for a "man on the cross," who is the personification of the sun, I find that it is no mistake that the sun, and the "number of a man" equals "666," the number feared by the Jews, even when they try to hi-jack it with the Illuminati, and such. The Jews, by nature, are a very Lunar people, while we are Solar. The Swastika equals "666," and it was no coincidence that Adolf Hitler chose the left-hand path version of it.

You have provided some advanced knowledge that is way over the heads of mundane people, no matter how spiritual some of them may be. Many years ago, in one of the main JoS e-groups, I had posted about the connection between the Trident symbol and the AUM mantra. Some Negro-red went batshit when I said that Satan being a "water God" is symbolic of the life-force. The moron e-mails me, saying, "He's still a water God." This goes to show that Satan only places his affairs into the hands of those he can count on; those who are capable of grasping the greater truths. "En-KI" not only means "Lord of the Earth," but "Lord of the Life-force." In the Hurrian texts, Enki/Satan was known as "Ayus." "Ayus" means "life-force."

I believe that there is an "as within, so without," in many respects. Enki/Satan's Abzu [abyss] is the depths of the human soul, while at the same time being the hidden underground kingdom of Shambhala, the Far Eastern birthplace of the Aryan race, called "Aryana" by the Persians.

That is something I noticed.

In Spanish saint is Santa. Spanish and other European languages are all identical in the fact one teacher of European languages stated if you know one word in one of them. You can know a thousand other words in several of them. And its openly established and well known by researchers and scholars in general. That Sanskrit is the core and original of all Indo-European languages there are still whole words in the Welsh language that are Sanskrit today.

The point being I note in the East that saint is another title for Siddha's and spiritual adepts in general. Santa as another spelling of Satan and the fact in the ancient world as part of the culture many ascended ones took the name of the God as a symbolic honor of the spiritual meaning behind the God as part of the working. In the ancient world Sat-an as a title was a direct name for the kundalini serpent as well. Which the Sol God is also the personification of. And this Sol God is always Satan in the oldest cultures.

Santa's where once beings [Pagan world here] who had risen the power. If this had not been part of the Pagan world and proceeded xianity. Then the enemy never would have appropriate it into their program and corrupted it.

I have stated before its my belief Sat-an was once the universal title for Him in the ancient world. Otherwise the hebes would not have glumed onto this title of all other titles for Him. To defame Him with. From what I have seen the mystical jewish texts admit this fact as well in their own sideway.

Subject: Re: Semana Santa And the Penitents			

From what I have seen most ancient cultures had some kind of sacred 'tree' before I came to Satan I was looking into the Itallian tradition of the Strega. They have a story about the Walnut tree of benevento. Are you familiar with this one? It was a walnut tree and in the myths the witches would dance around the tree and perform their magic. I remember reading it was eventually cut down by a catholic priest or ordered to be cut down to deter the witches he believed worshiped 'the devil'

What is interesting about the tree being a walnut tree is the walnut itself is supposed to look like a brain, and meant to symbolise the pineal gland.

I have read various stories 'fairy tales' and myths about the tree and if you read into them right you see Satanic meaning in many of them. In one folk tale a man found this great walnut tree in the forest and it was covered in bountifull fruit. He shook a branch and the nuts fell to the ground. Beautifull women emerged from the nuts and granted him wishes. They allowed him to take home some nuts, and from one nut emerged a stream of gold that made him richer than the king. He wished to marry the kings daughter but the king had another suiter for her. So he set up a trial where he had to battle to prove his strength. The women from the walnut tree helped him gain great strength and fight like a wolf and he beat all his oponents with the power from the walnuts. Can you see it here? The nuts would be the powers of the soul.

In the end he dressed as a peasant while all other suiters looked rich on the outside the woman chose him. To me this suggests an internal power or the unseen power. Would that be acurate?

I am sure there are many more of these tales.

I think the story of the tree being cut down by a catholic priest was symbolic of what was done to our Human soul and was passed on by the witches in their myths.

Hail Satan

> Very impressive. This explains the story of Sanat Kumara [Satan] descending from Venus with 144,000 "Lords of the Flame." Theosophy has fucked a lot of things up in the same manner that both Catholic and Protestant Christianity have, but people like us can see the greater truth behind the myths, unlike the mundane folk. "Santa" and "Sanat" are both anagrams for "Satan." As for the wooden cross actually having been one of our symbols that was originally despised by the Church, but later stolen from us, here is an excerpt from "Aryan Sun-Myths" by S. Titcomb: "Overwhelming proof was obtained that the sun-myths of the ancient Aryans were the origin of the religions in all of the countries which were peopled by the Aryans. > which were peopled by the Aryans. The Saviours worshipped in these lands are personifications of the Sun, the chief god of the Aryans. That Pagan nations worshipped a crucified man, was admitted by the Fathers of the early Christian Church. The holy Father Minucius Felix, in his Octavius, written as late as A. D. 211, indignantly resents the supposition that the sign of the cross should be considered as exclusively a Christian symbol; and represents his advocate of the Christian argument as retorting on an infidel opponent thus: "As for the adoration of crosses, which you object to against us, I must tell you that we neither adore crosses nor desire them. You it is, ye Pagans, who worship wooden gods, who are the most likely people to adore wooden crosses, as being parts of the same substance with your deities. For what else are your ensigns, flags, and standards, but crosses gilt and beautified? Your victorious trophies not only represent a simple

> cross, but a cross with a man upon it." Tertullian, a Christian Father of the second and third centuries, writing to the Pagans, says: "The origin of your gods is derived from figures moulded on a cross. All those rows of images on your standards are the appendages of crosses; those hangings on your standards and banners are the robes of crosses" {Egyptian Belief, p. 217}. END Quote I am not defending what has become of "the cross," but I thought I'd share that interesting quote. As for a "man on the cross," who is the personification of the sun, I find that it is no mistake that the sun, and the "number of a man" equals "666," the number feared by the Jews, even when they try to hi-jack it with the Illuminati, and such. The Jews, by nature, are a very Lunar people, while we are Solar. The Swastika equals "666," and it was no coincidence that Adolf Hitler chose the left-hand path version of it. You have provided some advanced knowledge that is

> way over the heads of mundane people, no matter how spiritual some of them may be. Some Negro-red went batshit when I said that Satan being a "water God" is symbolic of the life-force. The moron e-mails me, saying, "He's still a water God." This goes to show that Satan only places his affairs into the hands of those he can count on; those who are capable of grasping the greater truths. "En-KI" not only means "Lord of the Earth," but "Lord of the Life-force." In the Hurrian texts, Enki/Satan was known as "Ayus." "Ayus" means "life-force." I believe that there is an "as within, so without," in many respects. Enki/Satan's Abzu [abyss] is the depths of the human soul, while at the same time being the hidden underground kingdom of Shambhala, the Far Eastern birthplace of the Aryan race, called "Aryana" by the Persians.

One more thing I forgot to add. Looking into it I also find that the myth of the tree most likely came from Germany to that region of Italy brought by the German 'longbeards' who worshipped Odin and I believe they fought the catholics and tried to restore paganism to the area. I have to look more into it but it makes sense.

Has anyone else heard of chemtrails? Years ago I saw some videos about it but kind of forgot, a coworker was talking to me about them the other day though. Those lines in the sky that we assume are from jets are chemtrails, if you watch a jet flying the exhaust dissolves right away. From what my I understand their using jets that look like passenger jets but the backs are filled with tanks containing whatever chemtrails are then filling our skies with this poison. Type chemtrails into jewtube theres quite a few videos on the subject.

I don't know much about it I thought it was just another conspiracy after a while you hear so much you don't know what is true and it does my head in. Only trails I ever remember were the little jet planes we called the sky writers when I was a kid in Sydney they left a trail and wrote messages and did patterns in the air but I doubt it was poison gas or anything. They were just little light planes.

I havnt seen any lines or anything in a real long time but I dont live under heavy airspace. Have some navy bases near me but nothing strange from there, the occasional UFO sightings usually off the coast heading north they announce them on the local radio some nights and people call in tracking them up the coast. They tend to take a straight path by the locations of callers from southern NSW up the coast and veer inland towards a big American base and vanish...hmm

Before I left Sydney I saw stacks of 'UFOs' most of my family did on and off for years, my Nan had closer encounters that were not too pleasant. But I remember the last one was over Sydney not far from the airport at first I thought it was 2 planes but I watched, I made some calls and got some witnesses to watch too. It was 2 balls of white light one behind the other moving in perfect timing high up, not on the flight path and then they turned the lights off which no conventional aircraft would do as they past over the airport. You could still see two objects up there in the same position but they were blacker than the night sky. Ive always watched the skies a lot more than most people though so I guess I have just seen more.

Here is something I have never told anyone before. It just sounds too out there... noone would believe me. It was when I was a teenager I was laying in a park one night with my boyfriend and I was looking up there were no clouds and I started seeing something really weird. To this day I have no idea what I

was looking at I know what it looked like, it looked like a shootout. Sounds crazy right? I saw strange lights and now and then what looked like a coloured 'lazerbeam' would shoot from one at another. some were a greenish tinge and some a pinky red. I wasnt on any drugs or anything. It was a long way up and it wasnt really bright but I could make out the action. Wether it was ships shooting at each other or some kind of test with satelites I have no idea what it was about but... these days nothing would suprise me.

I have noticed these. When I see those airplanes in the mid of summer, in the Sun filled skies, they leave this white trail. After like 3-4 hours the whole sky becomes white, but not with any clouds. When this happens, I feel strong mind splitting headaches and I have asked others too if they suddenly do, but I never mentioned why, I just asked. Some people do. Hours after this there are rapid weather changes. Like typhonic storms in the midst of summer or in a sunny day, sudden iced raindrops. So I would say this exists.

I remember one night I opened my window as it was summer and the air had such a pesticide smell, I will never forget this. This was done around 4 am and it was nothing like a normal 'smell' that one can come across. I also heard very loudly the planes above the city, though I could not see it. The next day everyone in town was extremely sleepy and people seemed like they were fucking hypnotized. I don't know if there is a relation to all these, but I definitely know there is a connection, somewhere. I think they were shooting mind-altering drugs, or mild anti-depressants or something. I felt very 'numb' for the entire day. I personally believe this is an actual fact about chemtrails, but there are differentiating types. Also sometimes I would see 5 planes flying over the city over and over again, spreading the chemtrail cloud and causing this white sky effect. Through my understanding I can sense when something distorted is happening in nature. When it rains, after chemtrails, the smell and generally the 'density' or the 'vibration' of the natural phenomenon that takes place later, either weather change or atmospheric change very hard to verbally explain] feels strange and unnaturally alien to me.

Shit Romney

We all know Obama is a Jew puppet. Goldman Sachs paid for his campaign and he was naturally flanked by a zillion Jews. Obama also has Jewish blood from his mother's side.

But Romney is another real piece of crap.

The first YouTube documentary below is good but fails to mention the fact 9/11 was done by the Jew World Order:

<http://www.911missinglinks.com/watch-movie/>

Also Web was killed because he had found the Israeli [jew] connection behind the drug trade into American cities.

But is one pays attention a host of jewish names naturally appear in the first vid.

Take this all as a lesson in the special kind of psychopath needed to be selected as a shabbos goy in the Jew World Order.

http://www.youtube.com/watch?v=s9QA5B6U86s&feature=player_embedded#!

Romney's secrecy in business is detailed, and revealed; as well as his role as a drug money launderer for GHW Bush; his connection, through Bush, to CIA death squads in Central America; his role in 9-11; in the murder of US ambassador to Libya, Christopher Stevens; and the significance of his endorsement of and by Cheney.

http://www.youtube.com/watch?feature=player_embedded&v=p5Jc-UjNn-uE

Romney startlingly announces at his closed-door private fundraiser, to groups of multi millionaires, that his campaign is run by consulting groups which also sponsor candidates in other countries- absolute proof he is a puppet being jerked around by powerful groups which crush democracy elsewhere.

Who's [Jews] Advising Mitt Romney on Foreign Policy?

<http://abcnews.go.com/blogs/politics/2012/09/whos-advising-mitt-romney-on-foreign-policy/#.UHXn6AL6aOM.email>

With Mitt Romney's comments on Libya drawing attention today specifically, his criticism of Obama it's worth examining whom Romney listens to on such matters.

Dan Senor is one of Romney's closest advisers on foreign policy. Since Paul Ryan has been selected as the GOP's vice presidential candidate, Senor has been traveling with Ryan but today, he left the trail because of the "foreign policy developments" and is in Boston and NYC.

Senor is the former spokesman for the American government in Iraq (the Coalition Provisional Authority at the beginning of the Iraq war under George W.

Bush) and is a particularly close adviser to Romney on the Middle East. (He has traveled with Romney to Israel three times, as well as written a book on Israel that Romney often cites). With Ryan, he consults on domestic and foreign policy issues.

Last month, the New York Times described Senor as an "advocate of neoconservative thinking that has sought to push presidents to the right for years on Middle East policy." Senor led a foreign policy briefing for Ryan on the plane yesterday from Seattle along with Jamie Fly, executive director, Foreign Policy Initiative and Reuel Marc Gerecht from the Foundation for Defense of Democracies.

Romney keeps a large group of foreign-policy advisers, eight of whom participated in the early neoconservative group Project for a New American Century think tank, founded in 1997 and headed by William Kristol, the Nation's Ari Berman reported in May. In the same month, The New York Times' Magazine's David Sanger reported on discontent within that big team, with some complaining that Romney only listens to John Bolton, the former U.N. ambassador under president Bush.

Romney has long sought to distinguish himself from the president by drawing a contrast between weakness and strength, and his posture is reflected in the team he's chosen, peppered with luminaries from the Bush administration. The "special advisers" who do not comprise the entire foreign policy team are listed on Romney's campaign website:

Cofer Black
Christopher Burnham
Michael Chertoff
Eliot Cohen
Norm Coleman
John Danilovich
Paula J. Dobriansky
Eric Edelman
Michael Hayden
Kerry Healey
Kim Holmes
Robert Joseph
Robert Kagan
John Lehman
Andrew Natsios
Meghan O'Sullivan
Walid Phares
Pierre Prosper
Mitchell Reiss
Daniel Senor
Jim Talent

Vin Weber
Richard Williamson
Dov Zakheim

Michael Hayden served as CIA director under president Bush, who nominated him in 2006. Michael Chertoff served as Bush's second Homeland Security secretary. Jim Talent and Norm Coleman are former Republican senators.

At least one of them presaged Romney's attack line on Libya. Richard Williamson, who served as Bush's special envoy to Sudan and ambassador to the U.N. Security Council, leveled an attack at Obama last night before it was known that Americans had been killed.

"The events in Egypt and Libya show the failure of the Egyptian and Libyan governments to uphold their obligations to keep our diplomatic missions safe and secure and the regard in which the United States is held under President Obama in these two countries," he told Foreign Policy's Josh Rogin. "It's all part of a broader scheme of the president's failure to be an effective leader for U.S. interests in the Middle East."

Goldman Putting Money Behind Romney
WSJ reports:

<http://www.economicpolicyjournal.com/2012/10/goldman-putting-money-behind-romney.html>

When Barack Obama ran for president in 2008, no major U.S. corporation did more to finance his campaign than Goldman Sachs Group Inc. GS +0.13%

This election, none has done more to help defeat him.

Prompted by what they call regulatory attacks on their business and personal attacks on their character, executives and employees of Goldman Sachs have largely abandoned Mr. Obama and are now the top sources of money to presidential candidate Mitt Romney and the Republican Party.

In the four decades since Congress created the campaign-finance system, no company's employees have switched sides so abruptly, moving from top supporters of one camp to the top of its rival, according to a Wall Street Journal analysis of campaign-finance data compiled by the nonpartisan Center for Responsive Politics.

Employees at Goldman donated more than \$1 million to Mr. Obama when he first ran for president. This election, they have given the president's campaign \$136,000 less than Mr. Obama has collected from employees of the State Department. The employees have contributed nothing to the leading Democratic super PAC supporting his re-election.

By contrast, Goldman employees have given Mr. Romney's campaign \$900,000, plus another \$900,000 to the super PAC founded to help him.

From what I have heard, Romney's dad fled the country to avoid prosecution in Mexico. By doing that, you automatically forfeit your citizenship. (Had to do with polygomy.) He returned to AZ 20 years later. If I remember correctly, he became governor of AZ. He tried running for president & Nixon blackmailed him & told him that if he ran, he would be exposed. He therefore withdrew & accepted some low level position under Nixon. Therefore, Romney is the son of an illegal alien.

But Romney is another real piece of crap.

The first utube documentary below is good but fails to mention the fact 911 was done by the Jew World Order:

Also Web was killed because he had found the Israeli [jew] connection behind the drug trade into American cities.

But is one pays attention a host of jewish names naturally appear in the first vid.

Take this all as a lesson in the special kind of psychopath needed to be selected as a shabbos goy in the Jew World Order.

Romney's secrecy in business is detailed, and revealed; as well as his role as a drug money launderer for GHW Bush; his connection, through Bush, to CIA death squads in Central America; his role in 9-11; in the murder of US ambassador to Libya, Christopher Stevens; and the significance of his endorsement of and by Cheney.

Romney startlingly announces at his closed-door private fundraiser, to groups of multi millionaires, that his campaign is run by consulting groups which also sponsor candidates in other countries- absolute proof he is a puppet being jerked around by powerful groups which crush democracy elsewhere.

Who's [Jews] Advising Mitt Romney on Foreign Policy?

<http://abcnews.go.com/blogs/politics/2012/09/whos-advising-mitt-romney-on-foreign-policy/#.UHXn6AL6aOM.email>

With Mitt Romney's comments on Libya drawing attention today--specifically, his criticism of Obama--it's worth examining whom Romney listens to on such matters.

Dan Senor is one of Romney's closest advisers on foreign policy. Since Paul Ryan has been selected as the GOP's vice presidential candidate, Senor has been traveling with Ryan--but today, he left the trail because of the "foreign policy developments" and is in Boston and NYC.

Senor is the former spokesman for the American government in Iraq (the Coalition Provisional Authority at the beginning of the Iraq war under George W. Bush) and is a particularly close adviser to Romney on the Middle East. (He has traveled with Romney to Israel three times, as well as written a book on Israel that Romney often cites). With Ryan, he consults on domestic and foreign policy issues.

Last month, the New York Times described Senor as an "advocate of neoconservative thinking that has sought to push presidents to the right for years on Middle East policy." Senor led a foreign policy briefing for Ryan on the plane yesterday from Seattle along with Jamie Fly, executive director, Foreign Policy Initiative and Reuel Marc Gerecht from the Foundation for Defense of Democracies.

Romney keeps a large group of foreign-policy advisers, eight of whom participated in the early neoconservative group Project for a New

American Century think tank, founded in 1997 and headed by William Kristol, the Nation's Ari Berman reported in May. In the same month, The New York Times' Magazine's David Sanger reported on discontent within that big team, with some complaining that Romney only listens to John Bolton, the former U.N. ambassador under president Bush.

Romney has long sought to distinguish himself from the president by drawing a contrast between weakness and strength, and his posture is reflected in the team he's chosen, peppered with luminaries from the Bush administration. The "special advisers"—who do not comprise the entire foreign policy team—are listed on Romney's campaign website:

Cofer Black
Christopher Burnham
Michael Chertoff
Eliot Cohen
Norm Coleman
John Danilovich
Paula J. Dobriansky
Eric Edelman
Michael Hayden
Kerry Healey
Kim Holmes
Robert Joseph
Robert Kagan
John Lehman
Andrew Natsios
Meghan O'Sullivan
Walid Phares
Pierre Prosper
Mitchell Reiss
Daniel Senor
Jim Talent
Vin Weber
Richard Williamson
Dov Zakheim

Michael Hayden served as CIA director under president Bush, who nominated him in 2006. Michael Chertoff served as Bush's second Homeland Security secretary. Jim Talent and Norm Coleman are former Republican senators.

At least one of them presaged Romney's attack line on Libya. Richard Williamson, who served as Bush's special envoy to Sudan and ambassador to the U.N. Security Council, leveled an attack at Obama last night before it was known that Americans had been killed.

"The events in Egypt and Libya show the failure of the Egyptian and Libyan governments to uphold their obligations to keep our diplomatic missions safe and secure and the regard in which the United States is held under President Obama in these two countries," he told Foreign Policy's Josh Rogin. "It's all part of a broader scheme of the president's failure to be an effective leader for U.S. interests in the Middle East."

Goldman Putting Money Behind Romney
WSJ reports:

<http://www.economicpolicyjournal.com/2012/10/goldman-putting-money-behind-romney.html>

When Barack Obama ran for president in 2008, no major U.S. corporation did more to finance his campaign than Goldman Sachs Group Inc. GS +0.13%

This election, none has done more to help defeat him.

Prompted by what they call regulatory attacks on their business and personal attacks on their character, executives and employees of Goldman Sachs have largely abandoned Mr. Obama and are now the top sources of money to presidential candidate Mitt Romney and the Republican Party.

In the four decades since Congress created the campaign-finance system, no company's employees have switched sides so abruptly, moving from top supporters of one camp to the top of its rival, according to a Wall Street Journal analysis of campaign-finance data compiled by the nonpartisan Center for Responsive Politics.

Employees at Goldman donated more than \$1 million to Mr. Obama when he first ran for president. This election, they have given the president's campaign \$136,000—less than Mr. Obama has collected from employees of the State Department. The employees have contributed nothing to the leading Democratic super PAC supporting his re-election.

By contrast, Goldman employees have given Mr. Romney's campaign \$900,000, plus another \$900,000 to the super PAC founded to help him.

Subject: Race

Not exploring, they lived their in advanced and large civilizations there is a certain ethnic group the Uyghur today in West China that is not considered that Chinese by the rest and look very White with Asian mixture. They are the purest remnant of the Tokharian Aryans. Dozens of well preserved bodies of the people who lived along the silk road in the far east have been found from the ancient world. They all look like they belong in the Highlands of Scotland, dress, race and all.

The Chinese records all record the Tokharian race gave birth to their civilization and record green eyed generals and blue eyed kings.etc

As stated many times too much race mixing will exterminate the races off the face of the earth, literally. The more raced mixed a person becomes the more the genetic code breaks down as science found too much and in time the genetics become defective to the point of extinction. etc Racial purity is key to greater genetic health and unity for each racial group. Social Biology knows racial instinct or kin altruism is hard wired into our biology by nature for an important reason. Its part of the eternal law of life. Racial separation is and self determination is the only way for all the races to survive, advance and evolve. And the way to maintain greater peace and non-violent relationships with each race. Cram all the races and ethnic groups together like they have being doing and you get Rwanda, the Balkan war, Pol Pot. etc In the end cosmopolitan nations or empires never last the test of time only the purest races and their nations are still here. Nature is not fucking around about this subject.

As for what you are sounds like you're a White person with some native. I tell people to go with the race they most feel kin to and resemble because that is the dominate genetic race seed or template within them. I grew up near a reservation area and the blue eyed, European looking, liberals lining up to claim their total "native American" race status could fill a Barum big tent. One fellow was actually part native who came down to visit, was told to park in the White area by the local natives as he looked European to them.etc One lady I knew who was part native looked White, blue eyes and all. Because she is White.

You are reborn into the same race as the soul has a template the genetic or metagenetic template is a more condensed manifestation of that interacts with a biomorphic field that forms your body and beyond this is light. The enemy programs being nothing but communism with a tinsel of fake spirituality are the original bullshitters that race does not matter in rebirth. All the Pagan cultures on the otherhand knew you where reborn into your own blood line. There are nations in the East today who have a custom of placing a sandal paste mark on the dying relative so they will know by birth mark on any newborn [where the sandal paste was on the pervious body] who the relative was. The Tibetans send out Lama's to search their people for reborn high ranking clergy of their kind.etc

Yes jews call all non-jews the goyium, meaning cattle.

RACE, not country nationality. There is a difference. Irish, German, and French are all White. As for China, there is proof that white people were there long ago, exploring etc. HP Don has written about it in the Black Sun egroup. You didn't say that you were Chinese in the dream so if it was a past life memory, that could explain it. I'm just offering a possible explanation.

Are all non jews Gentiles? I feel very close to all my races except for french, but i do not know for certain. My question being whats wrong with race mixing exactly? And what am I? I feel like a Irish German Indian. Also i have dreams of being in china far before it was china is this just a dream? Because I read somewhere else that you do not regenerate as different races. Also there is so many sources for are religion from so many times and races. That i dont feel like race is a big deal except for the jews.

Nice post Don! I haven't had the chance to go through the romney(comney) exposed video all the way yet, what I saw was interesting but not very surprising in truth. The only info I know about the elections and these 2 individuals are through what yahoo headlines say, and that in itself is enough for me to get a sense of them. This election reminds me of the last election, both elections had someone for the republican party that the average person doesn't like (I know they can rig an election though). The last election it seemed they were trying to get people to want to vote for obama, with this election they can barely

hide what a monster comney is. Usually it takes a few years before people are able to piece everything together, it's a little over 2 weeks before elections and the info about comney is throughly out. My concerns about obama having a second term are about the same as my concern with comney having 1 term. I'll give obama this, when the prime minister from israel was pushing for war with Iran obama didn't give him any face time, basicly said "I'm busy go away". In truth that could have been staged to give people like us the impression he doesn't support israel, when in reality their his boss.

Buddhism and Satanism

Buddhism isnt a form of Xianity, it precedes Xianity by 500 yrs Buddha was a by birth prince of Modern day Nepal and was of Shakya Caste and Budhism is not a false, Xian form. It only teaches about Love, respect, unity, kindness and peace.

And all the things about Re-incarnation said by fire_starter are true they view that soul recycles.

My Reply:

It is, Buddhism centers existed in Alexandria and the head of the jewish theraputes was very close with them and translated their scripts into several languages. The jewish theraputes created xianity as even Ebus the righthand man of Constantine admits them as the source of xianity in his writing. The sermon on the mount teachings can be found in buddhist teachings.

There are realms of information by scholars showing two things. Gutama never existed and xianity is indential to Buddhism. Literally in both theme, ideology and purpose. The Herman Hesse version of Gutama in the West does not even get close to how Buddhism is in the East. We have Buddhist stories of Buddha dying on a cross and his ressurection from the tomb and ascension into the heavens.etc

The Buddhist religion denies the Atman and states only the 5 conditions recarniate. Hence they cleverly deny the existence of the souls eternal, independent consciousness. Its no mistake Buddhism is hidden atheism. This program also removed much spiritual knowledge and corrupted the meanings behind the conceptions into a literalist and social/mind control system. Same as xianity did elsewhere. It also tried to remove the connection to the Gods by disregarding them as spirits and other lies to degrade them and turn people away from them. Just as xianity turned many Gods into saints to remove them in status and advance their own program. The Buddhism program did the same in the East many Gods where turned into Buddhist saints to remove the original culture.

The Buddhist program when it took political power like xianity used terror and murder to get its own way and destroy any rivals, while pushing its lies. It like xianity was an imperial program pushed by a psychopathic emperor. As a tool of mind control and creating a weakened sheep population. Many scholars have commented on the fact buddhism destroyed the original cultural spirit of the East and weakened and demoralized the regions internally to the point. Islam was able to conqueror most of the North of India.

This program does not teach love, peace or any such buzzwords. It teaches that life is suffering all our natural desires are sinful, the world is illusion [hatred for ourselves and life] and only by the removing of our individuality can we become "enlightened." Its our individuality which is the expression of our soul nature. Its a war on the human soul by removing the actual spiritual knowledge to empower the soul and leaving people to suffer and condeming humans to the wheel of suffering [it claims to liberate them from]. While then denying the truth that you even have a soul.

It also lies about karma and slips the lie in you must suffer to purge yourself of karma and by strict adherence to this programs ideology you will escape the wheel of rebirth which is meaningless as they don't even believe in the Atman. The point being just to suck people in with legalise. The truth is you will only generate more karma for yourself in life after life and be a slave to it. Once again it claims to free you of what it only creates more of.

As part of removing spiritual knowledge Theravanda Buddhism the original sect. Forbade mantra from being used and seeked to remove its knowledge. The Tantric texts all state mantra is the most powerful method of spiritual empowerment and enlightenment. Theravanda simply left the student with nothing more then basic dyana or void meditation on the breath. It removed everything else. Leaving a person totally fucked for spiritual advancement and libertation that comes with it. All the while claiming to give what it removes any possibility of happening. Remember this program also corrupted the true 8 fold path.

The reason people today believe Buddhism to be under the Vedic or Dharamic fold. Is because Buddhism reterraformed the East in its own image totally. Leaving nothing of the culture it replaced intact, just as xianity did to the West. As one Hindu scholar admits. Hinduism falsely called Sanatana Dharma is just covert Buddhism and Jainism.

Another trick it plays despite acutally being an open anti-Vedic [Veda in its pure form was the divine knowledge of the Gods] movement in its time. It pretends it was the original essence of the Veda teachings [Jainism loves to play this lie game to] and the culture it destroyed was acutally a corruption of them. The bullshit just never ends with these characters.

Buddhism is the xianity of the East.

Subject: Re: Buddhism and Satanism			

Yes its no mistake the holy day of Buddhism is Wednesday [from Wodensday in old German]. The day of mercury.

But the original post is dealing with the popular model of Buddhism which is of the enemy. The original model was destroyed along time ago.

I wrote about what you mention here:

<http://groups.yahoo.com/group/JoSNewsletter/message/331>

Its mainly not understood by the neo-Pagans. And was part of a larger Aryan religion.

Woden was also worshipped in Ireland and the British Isle's as celtic's are a mythological construct. There was only the Teutonic world. Germany and N.W, Europe was settled out of Ireland and the Isle's around ten thousand years ago. The Druids [Naddreds] worshipped a Godman named who among many titles was also called Wod or Wodan. Who was hung on a tree, experienced a mystical death and reborn into a full God. The Tara hill was found to have been at one time ringed by three hundred plus Oak tree's as part of its sacred enclosure. In this part

Odin is symbolic of the life force and the tree the human soul. This why the other title for Wodan is Budha/Budhaya in Ireland. As it relates to mercury in sanskrit which is the original language of the Aryans. Mercury is symbolic of the life force. The science of Alchemly in the East was literally called Nagara. After the serpent energy. Think sun and serpent as Naga [serpent] and Ra [sun] and what that means spiritually. In many ancient parts of the world it was a literal serpent hung on the sacred tree or Tau cross. The Druids cut a Tau cross into the sacred tree they used to honor Wodan.

This is the meaning behind the Irminsul Pillar that stood at one of the most sacred Druidic sites on the European continent till it was destroyed in a jew backed, xian crusade into the region. The xian crusaders where fought against by Pagan armies for decades in some cases till all the fighters where killed to a man in almost endless war. But it stopped the spread of xianity further into Europe for centuries. The church did not have any real power in N.W Europe till the 14th to late 13th century. History has been rewrote to attempt to cover this up because its the end of the church on many levels. We have evidence of fully functioning Pagan churches in N.W Europe in the 13th century.

It was this act against the Irminsul that sparked the "Viking" period. Which lead to several major xian capitals being razed to the ground in revenge for the Irminsul. This site also contained the history and sacred knowledge of the Aryan race going back over 15,000 years.

The Irminsul is the Mount Meru Axis, the world column or spinial column that connects the earth to the heavens the root charka to the crown and the ascended serpent. The same pillar and religion of the Aryans was the exact same religion of the Innu Pillar in Egypt. For some reason this is lost amongst neo-Pagans who write chapters of meaning nonsense on the subject. This is one reason the Pagan Bon's [Cathars] worshipped a Godess named Mary. Because another title for

Astaroth is Isis Meru or Mary. Literally Mary/Meru the Mount Meru axis of the spinal column. The sacred tree in many places was also called Asherah after her for this reason. As symbolically Astaroth represented the Sophia [light of the serpent] or yin aspect of the soul in the ancient world. That rises up the spine to illuminate one to their rebirth or gnosis. This reveals much of the Iss rune. The Bon's also worshipped Lucibel or Lucifer. They noted the catholic church was a jewish corruption and blasphemy of the Aryan religion and wanted nothing to do with it. The Catholic church waged a 30 year crusade against them wiping most of the area out.

The mysteries of the Hellenic's [ancient Greeks] as Pike notes were the same as the Druids and Egyptians. Hu another title for Wod was the God who led the Aryans of the North to their new homelands. Hu was worshipped as Dionysus [also called Huas, Hyas] one of the main meanings of Dionysus relates to the sacred mount at the top of the spinal column or world column. Dionysus sacred animals are the black goat, snake and peacock and he also carries a spear or staff and its ivy is the symbol of immortality. Further East Dionysus is worshipped as Siva, literally. Even the ancient Greeks mentioned this numerous times as did the Vedic Aryans of the East. Siva's gana's are the Bacchantes, both have the sacred phallus.etc Another title for Wodan was Esus and we look again at Diony-esus.

Ichthys, or the Fish, was one of the names of Dionysus and the divine phallus was also shown in the shape of fish. The phallus is the spinal column with the kundalini full risen. EA [Oannes] is also shown as a Fish cloaked God in the ME and Lord of the Water for the same reason. The life force.

As D.M. Murdock notes:

"The word "Buddha" is related to the Egyptian term for the sky-god father-figure, "Ptah" and "Puttha," as well as to "Pytha," as in Pythagoras ("Buddha" + "guru"). "

Churchward also stated:

"Buddha is their representative of Ptah of the Egyptians."

I mentioned before how Buddhism is the xianity of the East, but under the corrupted form some of the origin is laying. Which gives us forensic evidence to view the original if one can dig deep enough. When I state Buddha, I am not writing about the fiction Gutama. But the original Pagan God and such title.

In Sri-Lanka, Buddha is still also called Wod or Wodan. Just as Christ, Christos was originally the eternal title of the Pagan Sun God which origin is "Karast" or "Krist" the title for the ressurected Pagan God both spelling meaning "sun/luminous" Budhaya is also for the same reason and holds the same meaning. So we are looking at Wodan on a bigger level. As a note xianity is literally jewish corrupted crap, from the original Aryan religion of which all Aryan regions held the same tradition at the core. In one tale Buddha turns himself into a serpent to heal a person. That tale is ripped right from the pages of the Pagan world. And thus is part of the origin template that stayed around mixed with the enemy lies. Buddha is also crucified on a tree in the oldest texts and reborn three days later.etc This is the remaining parts of the original Pagan mytho's.

We are looking at the grail here as well as Bacchanalian rites had a special cup called the Agathodaemon [good serpent in english]. Of which consecrated wine was drunk from. And Buddha had a serpent chalice that drinking from gave enlightenment and immortality/eternal life. The wine represented the blood of the serpent [kundalini energies, mentioned in some texts mercury/ether]. And the cup the world or human soul. It should be noted Agathodaemon meaning "Good Serpent" what the title Daemon connects to as Serpents. In some texts our Gods were called the blazing Serpents in the sense of Shining Ones. The serpent and the sun are one and the same. So we are back to the Magnum Opus. The grail is the literal symbol of Lucifer.

The warrior must die pierced by a blade[sword mainly] in battle to go to Valhalla. It's an allegory for the chaos stage and the ascent of the kundalini and its piercings aspect. In the ancient world the sword, spear and dagger were also symbols of the serpent power. The valkyrie takes him over the rainbow bridge to Valhalla we are looking at the shakti rising up the spine to the crown chakra. In the East where Bon Po [Po is another name for Budhaya] was its core tradition was called the Great Perfection and centered on creating the "Rainbow Body." The Veda's hold the same images of the Rainbow and so did the Hellenic schools. The pot of gold at the end of the rainbow comes from such schools. It's an allegory that lived on in folktales.

Bon Po was replaced by force by the enemy template of "Buddhism" just as Christianity did to the original template in the West.

Woden carries a spear which is the spinal column with the head or tip being the pineal gland it also is as stated a symbol of the piercing aspect of the kundalini. Just as Murrugan carries a spear of which the head also is depicted as a the eye of a Peacock feather and Siva carries the Trident and Ptah the staff. In the Americans where the Aryans went and passed down this culture. The same God [Votan] is literally still called the "Morning Star." Woden also leads the wild hunt as does Siva in the East.

So this is why Wodan rules Valhalla for the same reason in the East He rules Shambhala.

What is today called Odinism was based on the transformation and perfection of the soul to Godhood. God in sanskrit is Deva which is the power of the spiritual sun. The entire texts on Odin in the Saga's are allegories for perfection of the soul. They have been altered by the xians. But enough to the original is within it to the extent of understanding. But its part of a once global Aryan religion.

So to be in acutal Odinism as it really was [not how neo-paganism wishes it]. One would have to be literally a dedicated Spiritual Satanist.

Subject: Re: Buddhism and Satanism

I want to mention the Cathars also worshipped the Agathodaemon and its noted in their symbolism which is all based on serpent worship.

The Cathars were not pacifist as it does not take 30 years with a Catholic army of 300,000 plus troops to exterminate such tiny regions. The lists the inquisition had on their people so the rest could escape to other parts of Europe as they did.

They were also kin to the Templars who were Satanists:

The Templar's Serpent Tradition

"This excerpt quote from the Catholic Encyclopedia is very revealing:
In the same way the Greeks and Romans may have worshipped their divinities, fondly believing them to be good. But the Christian Scriptures declare that all the gods of the Gentiles are demons. Catholic Encyclopedia:
Devil Worship

<http://www.newadvent.org/cathen/04767a.htm>

DEMONS ARE THE GODS OF THE GENTILES!!!!!" -High Priestess Maxine

I hold the official story of the Founding of the Templar Order in suspect, the tale sounds of spiritual allegory, while they were in the Middle East, I doubt they were founded there. Looking at the fact the Vatican was not as powerful as claimed till the 14th century and for hundreds of years after the rise of Christianity, the previous Pagan houses of the Priestly blood line nobility still existed in many parts of Europe such as the Merovingian's and others it seems the Pagan leadership simply created a New Order to counter the Vatican's

growing one. But dressed it up in Christian looking tinsel on the outside to keep Rome at bay. There is a large back story in Europe of the struggle of the Nobility against the Church that spans centuries:

<http://groups.yahoo.com/group/JoSNewsletter/message/211>

"The creators of the Knights Templar were the descendants of the Merovingian dynasty...."-Tsarion

On the Merovingian's:

The Merovingians also apparently revealed their affiliation to Lucifer...the name of one of their capital cities, Satanicum the "Place of Satan." The Merovingian link to Lucifer was also implicit in a curious royal birthmark in the shape of a red cross, the ancient Mark of Cain, which a Merovingian would proudly display over his heart.

Merovee, which means "Born from the Sea". Has also been written as Merovach meaning "Born from a Bull" as well Merovie, meaning Sea of Life or Water of Life. The name Merovee thus designates first Fisher King of the Merovingian line to be the vessel of the Water of Life.

Fisher King

Legends maintain that the Fisher King Sanat Kumara [Sanat is an anagram of Satan] was the fountainhead from which many legends of the Fisher Kings started. Sanat Kumara is the Lord of Shambhala which is also shown as city in the shape of the eight pointed star[identical to the Grail Castle in the Western Tradition] of the perfected soul, the name "Shambhala" means "realm of bliss" and evolves the Godhead obtainment which is the symbol of the Grail, and this Grail symbol in the West is Lucifer Sigil of the Gold in the work. Shambhala is made mention in the Yezidhi "Black book" by Melek Taus[Satan] Himself.

<http://groups.yahoo.com/group/JoSNewsletter/message/210>

The final proof is the fact the Templar and Cathar sects both where related

shared the symbols and originally science of spirit. It is well known by writers such as Otto Rahn the Cathar's where from the Druidic[Naddred] Order.

"Deep within the grottoes of Sabarthez Rahn found chambers in which the walls were covered with symbols characteristic of the Knights Templar, side by side with emblems of the Cathars. This finding confirmed the notion, fostered by mystical historians, that the Knights Templar and the Cathars were at one time closely associated. One intriguing image which had been carved into the stone wall of a grotto was clearly a drawing of a lance. This depiction immediately suggests the bleeding lance which appears over and over again in the Arthurian legends.

The legend of the Grail, explains Miguel Serrano, "reappears forcibly Christianised in the Middle Ages. The Templars disseminated it. It is centred on the legend of the court of King Arthur (who is the King of the Grail and is also called Amfortas)."-Alexander Dugin

Here is the real origin of the Templar they where the same Aryans blood families that made up the Naddreds, they where just under a new name given the times.

Later due once again to enemy attacks they would be forced to change themselves into the Free Masons.

The Templar's Pagan Order:

In the centers of the Knight's alchemical temples were the altars upon which sat effigies of the Green Man, also gracing their shrines were Black Madonna's. The walls of these temples where adorned with alchemical symbols Black Madonna's as the personification the black or destructive/transformativ aspect of the Magnum Opus and is synonymous with Kali in India. Madonna is an Latin title and name for Mary the mother of the fictional Christ. Mary or Madonna and child was stolen from Egyptian Isis Meru and Horus child and many other Pagan cultures themes. Isis is known as Astarte/Easter and to us Astaroth. The Templar churches where decorated with the images of Satan and Astaroth, the Green Man another

alias of Satan in the image of the Serpent or Kundalini force and the Magnum Opus. The Templar's carried the same sacred black and red cords the Yezidhi's do as a link to their eternal bond to Satan or Melek Taus.

Four major confirmed articles the Church found against the Templar's was:

The Templar initiation ceremony included denying Christ as Savior and Son of God, and defiling the Cross by spitting or urinating up it.

The Knights worshipped an idol in the form of a bearded human head.

At their initiation the Knights received a sacred cord to wear around their waist that had first been bound around the idolized head. An ancient Pagan custom still found among the Yezidhi that symbolizes the connection to Satan eternally.

During initiation the Knights kissed each other on the mouth, the navel, the base of the spine, and the penis.

These articles are identical to the custom of Traditional Witchcraft Covens in Europe during initiation ceremonies into the Coven and Craft:

"Templar Kiss which according the Knights own testimonies occurred between an incoming Knight and a high ranking Knight priest. The kisses which were planted by the elder Templar on the new Knight's mouth, navel and base of the spine, where to done to specifically activate Kundalini, since most of these parts of the body are known by the Tantric's as seats of the power. The Templar kiss ostensibly involved blowing into the new initiate mouth the breath of life, which was saturated with the elder Knight's own kundalini energy. And awakened the seats of Kundalini in initiates body."

Author M. Giles , an expert on the secret Templar rites of the Rules, compares

the Templar kiss to a similar eastern rite of initiation:

"The Templar kisses....had nothing obscene about them, because they symbolized the transmission of the breath of Life of the Order, and Power of the Order as was the custom in most ancient initiations."

The Pranic kiss is still done in the East into initiation into the Charka[Sacred Circle] the Eastern Tantric version of the Coven:

"The two lower regions have for ages been recognized in the East as dwelling places of the Kundalini, and both are often touched or kissed by gurus today to awaken the indwelling Serpent Power. Typically, an initiating guru transmits a spark of his own Kundalini into the initiate, so the process is described as:

"one candle lighting another." Eastern gurus transmit their alchemical power through their breaths, which they do by blowing or kissing parts of the body, including the face and mouth."

-A thirteenth Century manuscript, entitled The Secret Tule, provided proof that the Templar's' infamous initiation kisses were not sexually motivated, but designed to awaken the inner force. One of the many "Articles" contained within the manual states:

"Article 11.Ritual of Reception of the Brothers-Elect: Oath to guard the secret of the Order, the least indiscretion being punishable by death. The Receiver shall kiss the Neophyte successively on the mouth, to transmit to him the breath; on the sacral plexus[base of the spine], which commands the creative force; then on the umbilicus, and finally on the virile member, image of the masculine principle."

"The Templar once initiated would have began the process of rebuilding Solomon's Temple" the Knight's Kundalini would work to ascended up the spine to the top o f his head a Templar would gradually become full of the Holy Spirit or Kundalini energy while being transformed, the Serpent would then enter the Holy of Holies, the skull of the Knight , and activate the Ajna Chakra of Third eye of spiritual sight along with the remaining two-thirds of his brain power, to bring forth the state of Gnosis."

On Baphomet:

According to author Hugh Schonfeld, translated via the Atbash Cipher used by the Templar's, the name Baphomet becomes Sophia, thus making Baphomet and Sophia synonymous, Sophia is the name of the Serpent Goddess[Kundalini]. Identical to the union of Siva and Shakti.

"The Knights had a name for the Kundalini power transferred through the Templar Kiss. It was Baphomet, which the occult historian Gerald Masse claims is a synonym for the "Mother of Breath."Much of what we know about the Templar's and their relationship to Kundalini comes from their remaining images of Baphomet, which includes the three black heads that once adorned the shield of Hughes de Payen collectively representing the universal Trinity and triune power of the life force."

"While studying the name Baphomet, Sufi and Arab researchers have alluded to its Gnostic overtones. They maintain that Baphomet is an evolution of the Arabic abufihamat, meaning "father of wisdom." Their perspective affiliates Baphomet with Murrugan, the Jnana Pandita, the Lord of Wisdom. Murrugan[another alias of Satan] , whose is the embodiment of Kundalini and the father of Gnosticism[Yoga] in the East."

Murrugan's main center on Sri Lanka is Mylapur the place of the Peacock. The worship of which is identical to the Yezidis, the Mandeans who are culturally connected to the Yezidis and also worship Melek Taus[Satan] state in their record they came from Sri Lanka where Melek Taus taught them the spiritual wisdom to become Gods.

From reading numerous descriptions of the Templar Baphomet and seeing the images in the Templar Rosslyn Chapel, the Baphomet of the Templar's and the old Green Man are related in image and meaning, the Kundalini force of Satan.

Another Eastern Connection:

It is well known that Siva is a later form of the Vedic God Rudra which as stated on the subject by scholar Acharya S:

"Before becoming a God himself Rudra was an epithet of Agni"...
The Goat is primarily the vehicle of the Fire God Agni....Almost every mandala or division in the RigVeda starts with a hymn to Agni. The Vedic hymns praise him copiously often describing him as the Supreme God and Creator. Agni along with Indra Lord of the Heavens and Surya Lord of the Skies constitute the first trinity of Vedism their places were later assigned to Brahma, Vishnu and Shiva....He is often invoked with Indra of whom He shares the passion for Soma drink.'

'The original Vedic triad Agni-Indra-Surya,'

What other name is Agni also known by?

The most striking similarity was found between the Vedic god of the Fire Agni and the Mesopotamian Enki (Sumerian) or Ea (Akkadian). We will first present the iconographic representations of Enki/Ea in the cylinder-seals of Mesopotamia (Sumer, Akkad and Assyria) and then turn to the images used to describe Agni in the Veda.

<http://auromere.wordpress.com/2010/11/11/similarities-between-sumerian-anki-and-\vedic-agni-by-jean-yves-lung/>

Agni is thus Rudra who later on became known as Siva. And as we see Agni is EA

or Satan.

"The image of Baphomet of western occultism was taken from the image of Shiva. Note the position of the arms, one pointing upwards and the other downwards. The Baphomet again is symbolic of both the male and the female aspects of the soul. Note the Baphomet is both male and female, as also seen with in images of the Egyptian God Akhenaton. The horns are symbolic of Mercury, which is the vril, chi, witchpower, life force, prana.

The wings of the soul represent spiritual freedom. The goat symbolizes fertility- fertility in multiplying the life force, vril, which activates and raises the serpent. The "Goat of a Thousand Young" is referring to the crown chakra, "Sahasrara" in Sanskrit which means "Thousand Petaled Lotus."

http://www.666blacksun.com/Satanic_Symbols.html

Siva is another Eastern alias of Satan and the image of Siva is the perfected Being via the kundalini energies.

The origins of the Aryan Race are infact in the East:
http://gblt.webs.com/Witchcraft_Tradition.htm

The Pagan Templar Cathedrals:

The Knights Templar were the prime movers behind the building of the great Gothic cathedrals, especially that of Chartres. As the predominant, and often the only "developers" in large European center of culture, they were behind the formation of the builders' guilds, including that of the stonemasons, who became lay members of the Templar Order and who reaped all their benefits such as exemption from paying tax."Seven of Europe's Gothic cathedrals were especially important to the Templar's. These were constructed over the seven chakras or principal contextual power points on the continent which greatly empowered them.

The location of the European centers had been known about since the time Druids who had built nature temples over them and dedicated each to one of the seven known planets. Druid priests and priestesses then served as oracles for each temple's associated planet. The Templars, or Templar-Trained masons rebuilt the sites with their own Gothic churches and cathedrals."

According to the great European alchemist Fulcanelli who visited most of these cathedrals in the early 1900's and recorded his assessments of them in his magnum opus *Le Mystere des Cathedrales*, the majority of the cathedrals had indeed been designed by Templars or Templar-trained masons and intended to be used as special initiation chambers. Apparently most of the cathedrals, including the small Gothic church of Rosslyn Chapel that is situated over Europe's seventh chakra, once possessed one or more Black Madonna's[Astaroth]....gracing their main altars."

There is also the 8 pointed star of Astaroth decorating the walls of Rosslyn, the entire Chapel is built as an alchemical map of the human soul down to the Cardinal points as where all Templar Churches.

On the most famous of such Templar Cathedrals:

The Cathedral of Notre Dame in Paris, which Fulcanelli refers to as the Philosopher's Church." It was here, according to the master alchemist, that the local alchemists built their headquarters, complete with alchemical symbols, such as salamanders, which are symbolic of alchemical fire. He states:

"The alchemists of the Fourteenth Century used to meet[at Notre Dame] once a week on the day of Saturn, either at the main porch, at the Portal of St. Marcel or else at the little Porte-Rouge, all decorated with salamanders."

Today at the main entrance of Notre Dame is the image of a Goddess, Sophia[symbol of the serpent power] who identifies the nine stage of alchemy as a ladder with nine steps. About this image Fulcanelli remarks:

Supported between her knees and leaning against her chest is the ladder with nine rungs-scala philosophorum-hieroglyph of the patience which the faithful must possess in the course of the nine successive operations of the hermetic labours."

Escape from the Vatican Forces

"How many Templar's survived Philip the Fair's onslaught The answer must be most of them. Thousands...."

On Friday the 13th, October of 1307 the King of France acting on orders from the Pope ordered the arrest of the Templar's. Of all the members of the Order many seemed to escape arrest at the hands of the Vatican agents and tools. It was found was that the Templar's knew in advance what was coming and had quietly planned their escape on the night of October the 12 a large convoy of coaches full of Knights and treasures marched to their ships moored at the Orders' principal port of La Rochelle, which they had used for years to sail between France and their castles in Italy, England, Denmark, the Orkneys, Spain, Scotland, and throughout the Mediterranean Sea. Once the Templar's had arrived at La Rochelle they and their treasures entered 18 galleys and silently set sail upon the open sea."

Free Masons

"The Templar's went underground and became members of France's masonry guild. This was an expected move considering the Templar Order was at the time of its arrest overflowing with French masons aspiring to become Knights An ensuing transformation took place as an abundance of Templar's became initiated French Freemasons and helped engender the founding of Freemasonic lodges in not only France, but throughout all continental Europe and Great Britain. The beginning of this turn of events is alluded to by the Freemasonic historian Albert Pike in *Morals and Dogma*:

"..Sword and the Trowel(became) the insignia of the Templar's, who....concealed themselves under the name of Brethren Masons. This name Freres Macons in the French , adopted by the way of secret reference to the Builders of the Second Temple, was corrupted in English into Freemasons.

The Templar's had, of course , already established a long term relationship with the European masons[being the founders of many of their societies in the past] during the Knights' nearly two hundred years of existence. The Templar's, however, placed more emphasis on their relationship with the masons when it appeared eminent that their Order would require their lodges for camouflage in order to survive. With this in mind , Jacques de Molay, the last Templar Gran Master, applied himself while in his French prison cell to the task by securing a future for his Knights by formulating the rites and degrees of the branches of Freemasonry they would unite with and found.

States Levi:

"The end of the drama is well known, and how Jacques de Molay and his fellows perished in the flames. But before his execution, the Chief of the Order organized and instituted what afterwards came to be called the Occult, Hermetic, or Scottish(Free) Masonry."

In Scotland the Knights became the "Royal Order of Scotland" And in England the Rose Cross as well the most famous of member made up the English Royal Tudor Court Queen Elizabeth the 1st, Sir Francis Bacon[also ghost wrote under the name Shakespeare] and mind behind the New World or New Atlantis, and John Dee(the original 007) as the Queen's Court astrologer:

http://gblt.webs.com/New_Atlantis.htm

England had under Elizabeth's Father who undoubtedly was a member and adept of

the same Order had broken away from Rome totally and created the Church of England with the Monarch as the Head of the English Church. The Vatican declared a crusade against the Nation and sent their ill fated Crusader force of 30,000 soldiers aboard the Spanish Armada in 1588, which was sunk in "a freak storm" the weather had been planned and was to be calm with blue skies. Anyone who understand Magic understand a Nation full of adepts can summon up such weather with ease, and they knew the Spanish were coming, Drake's job was to stall the Spanish Fleet long enough for the storm to be generated. HRAAP tech has been proven to be do the same today.

What the situation in Europe was by this time was the majority of all the members of the ruling aristocratic families of Europe and noble houses in general along with the cream of European Gentile society were members of Spiritual Satanist Orders. The very head which Jewry had tried to remove with it's tool of Christianity and the Vatican and it's attack on the Templar's, had survived and rebuilt and were working towards restoring the enlightened Pagan[Satanic] civilization. These societies all had strict rules barring Jews from joining as they knew the truth.

What ending up happening was the Jews countered directed by Rothschild put together a successful subversion of the Orders under the title of a Trojan Horse called the Illuminati, which major points was to overturn the law banning Jews from being members of the Lodge, removal of all true Gentile or Satanic Spiritual knowledge and replacement of it with Hebrew dreck (just look at any occult text from this societies today it's all Hebrew/angelic nonsense) and the subversion to the doctrine of Illuminatism which is nothing more then Jewish Communism:

<http://www.666blacksun.com/Illuminati.htm>

The last pure Templar Lodges such as the Thule Society[99 Lodge at the center it seems] where able to finally created the society they had struggled for in the form of the 3rd Reich. The Temple of the Sun which the Templar's Satanists bore in their title was to be a society in which the individual had obtained the

Magnum Opus or Rebuilt the Temple of the Sun[human soul] upon themselves, thus obtaining the personal Godhead of finishing the Enlightenment Process, and then initiate and teach others. Till the entire society had become the macrocosm of the Temple of the Sun and had finished the work that Satan and the Demons started on Humanity in the Golden Age before the planet was attacked. This was also the main purpose behind the creation of America:

In many ancient parts of the world for decades in some cases till all the fighters were killed to a man in almost endless war. But it stopped the spread of christianity further in several major christian capitals being razed to the ground in revenge for the Irminsul. This site also contained the history and sacred knowledge chapters of meaning nonsense on the subject. This is one reason the Pagan Bon's [Cathars] worshipped a Goddess named Mary. Because it reveals much of the Iss rune. The Bon's also worshipped Lucibel or Lucifer. The Cathars where not passifist as it does not take 30 years with an catholic army of 300,000 plus troops to exterminate such tiny regions. The lists the inquisition had on their people so the rest could escape to other parts of Europe as they did.

They where also kin to the Templars who where Satanists:

The Templar's Serpent Tradition

"This excerpt quote from the Catholic Encyclopedia is very revealing:

In the same way the Greeks and Romans may have worshipped their divinities, fondly believing them to be good. But the Christian Scriptures declare that all the gods of the Gentiles are demons. Catholic Encyclopedia:

DEMONS ARE THE GODS OF THE GENTILES!!!!!" -High Priestess Maxine

I hold the official story of the Founding of the Templar Order in suspect, the tale sounds of spiritual allegory, while they where in the Middle East, I doubt they where founded there. Looking at the fact the Vatican was not as powerful as claimed till the 14th century and for hundreds of years after the rise of Christianity, the previous Pagan houses of the Priestly blood line nobility still existed in many parts of Europe such as the Merovingian's and others it seems the Pagan leadership simply created a New Order to counter the Vatican's growing one. But dressed it up in Christian looking tinsel on the outside to keep Rome at bay. There is a large back story in Europe of the struggle of the Nobility against the Church that spans centuries:

<http://groups.yahoo.com/group/JoSNewsletter/message/211>

"The creators of the Knights Templar were the descendants of the Merovingian dynasty...."-Tsarion

On the Merovingian's:

The Mevovingians also apparently revealed their affiliation to Lucifer...the name of one of their capital cities, Satanicum the "Place of Satan." The Mevovingian link to Lucifer was also implicit in a curious royal birthmark in the shape of a red cross, the ancient Mark of Cain, which a Merovingian would proudly display over his heart.

Merovee, which means "Born from the Sea". Has also been written as Merovach meaning "Born from a Bull" as well Merovie, meaning Sea of Life or Water of Life. The name Merovee thus designates first Fisher King of the Merovingian line to be the vessel of the Water of Life.

Fisher King

Legends maintain that the Fisher King Sanat Kumara [Sanat is an anagram of Satan] was the fountainhead from which many legends of the Fisher Kings started. On Baphomet:

According to author Hugh Schonfeld, translated via the Atbash Cipher used by the Templars, the name Baphomet becomes Sophia, thus making Baphomet and Sophia synonymous, Sophia is the name of the Serpent Goddess [Kundalini]. Identical to the union of Siva and Shakti.

"The Knights had a name for the Kundalini power transferred through the Templar Kiss. It was Baphomet, which the occult historian Gerald Masse claims is a synonym for the "Mother of Breath." Much of what we know about the Templars and their relationship to Kundalini comes from their remaining images of Baphomet, which includes the three black heads that once adorned the shield of Hughes de Payen collectively representing the universal Trinity and triune power of the life force."

"While studying the name Baphomet, Sufi and Arab researchers have alluded to its Gnostic overtones. They maintain that Baphomet is an evolution of the Arabic abufihat, meaning "father of wisdom." Their perspective affiliates Baphomet with Murrugan, the Jnana Pandita, the Lord of Wisdom. Murrugan [another alias of Satan], whose is the embodiment of Kundalini and the father of Gnosticism [Yoga] in the East."

Murrugan's main center on Sri Lanka is Mylapur the place of the Peacock. The worship of which is identical to the Yezidis, the Mandeans who are culturally connected to the Yezidis and also worship Melek Taus[Satan] state in their record they came from Sri Lanka where Melek Taus taught them the spiritual wisdom to become Gods.

From reading numerous descriptions of the Templar Baphomet and seeing the images in the Templar Rosslyn Chapel, the Baphomet of the Templar's and the old Green Man are related in image and meaning, the Kundalini force of Satan.

Another Eastern Connection:

It is well known that Siva is a later form of the Vedic God Rudra which as stated on the subject by scholar Acharya S:

"Before becoming a God himself Rudra was an epithet of Agni"....
The Goat is primarily the vehicle of the Fire God Agni....Almost every mandala or division in the RigVeda starts with a hymn to Agni. The Vedic hymns praise him copiously often describing him as the Supreme God and Creator. Agni along with Indra Lord of the Heavens and Surya Lord of the Skies constitute the first trinity of Vedism their places were later assigned to Brahma, Vishnu and Shiva....He is often invoked with Indra of whom He shares the passion for Soma drink.'

`The original Vedic triad Agni-Indra-Surya,'

What other name is Agni also known by?

The most striking similarity was found between the Vedic god of the Fire Agni and the Mesopotamian Enki (Sumerian) or Ea (Akkadian). We will first present the iconographic representations of Enki/Ea in the cylinder-seals of Mesopotamia (Sumer, Akkad and Assyria) and then turn to the images used to describe Agni in

the Veda.

<http://auromere.wordpress.com/2010/11/11/similarities-between-sumerian-anki-and-\vedic-agni-by-jean-yves-lung/>

Agni is thus Rudra who later on became known as Siva. And as we see Agni is EA or Satan.

"The image of Baphomet of western occultism was taken from the image of Shiva. Note the position of the arms, one pointing upwards and the other downwards. The Baphomet again is symbolic of both the male and the female aspects of the soul. Note the Baphomet is both male and female, as also seen with in images of the Egyptian God Akhenaton. The horns are symbolic of Mercury, which is the vril, chi, witchpower, lifeforce, prana.

The wings of the soul represent spiritual freedom. The goat symbolizes fertility- fertility in multiplying the life force, vril, which activates and raises the serpent. The "Goat of a Thousand Young" is referring to the crown chakra, "Sahasrara" in Sanskrit which means "Thousand Petaled Lotus."

http://www.666blacksun.com/Satanic_Symbols.html

Siva is another Eastern alias of Satan and the image of Siva is the perfected Being via the kundalini energies.

The origins of the Aryan Race are infact in the East:

http://gblt.webs.com/Witchcraft_Tradition.htm

The Pagan Templar Cathedrals:

The Knights Templar were the prime movers behind the building of the great Gothic cathedrals, especially that of Chartres. As the predominant, and often the only "developers" in large European center of culture, they were behind the

formation of the builders' guilds, including that of the stonemasons, who became lay members of the Templar Order and who reaped all their benefits such as exemption from paying tax. "Seven of Europe's Gothic cathedrals were especially important to the Templar's. These were constructed over the seven chakras or principal contextual power points on the continent which greatly empowered them.

The location of the European centers had been known about since the time Druids who had built nature temples over them and dedicated each to one of the seven known planets. Druid priests and priestesses then served as oracles for each temple's associated planet. The Templar's, or Templar-Trained masons rebuilt the sites with their own Gothic churches and cathedrals."

According to the great European alchemist Fulcanelli who visited most of these cathedrals in the early 1900's and recorded his assessments of them in his magnum opus *Le Mystere des Cathedrales*, the majority of the cathedrals had indeed been designed by Templar's or Templar-trained masons and intended to be used as special initiation chambers. Apparently most of the cathedrals, including the small Gothic church of Rosslyn Chapel that is situated over Europe's seventh chakra, once possessed one or more Black Madonna's [Astaroth]....gracing their main altars."

There is also the 8 pointed star of Astaroth decorating the walls of Rosslyn, the entire Chapel is built as an alchemical map of the human soul down to the Cardinal points as where all Templar Churches.

On the most famous of such Templar Cathedrals:

The Cathedral of Notre Dame in Paris, which Fulcanelli refers to as the Philosopher's Church." It was here, according to the master alchemist, that the local alchemists built their headquarters, complete with alchemical symbols, such as salamanders, which are symbolic of alchemical fire. He states:

"The alchemists of the Fourteenth Century used to meet [at Notre Dame] once a week on the day of Saturn, either at the main porch, at the Portal of St. Marcel or else at the little Porte-Rouge, all decorated with salamanders."

Today at the main entrance of Notre Dame is the image of a Goddess, Sophia[symbol of the serpent power] who identifies the nine stage of alchemy as a ladder with nine steps. About this image Fullcanelli remarks:

Supported between her knees and leaning against her chest is the ladder with nine rungs-scala philosophorum-hieroglyph of the patience which the faithful must possess in the course of the nine successive operations of the hermetic labours."

Escape from the Vatican Forces

"How many Templar's survived Philip the Fair's onslaught The answer must be most of them. Thousands...."

On Friday the 13th, October of 1307 the King of France acting on orders from the Pope ordered the arrest of the Templar's. Of all the members of the Order many seemed to escape arrest at the hands of the Vatican agents and tools. It was found was that the Templar's knew in advance what was coming and had quietly planned their escape on the night of October the 12 a large convoy of coaches full of Knights and treasures marched to their ships moored at the Orders' principal port of La Rochelle, which they had used for years to sail between France and their castles in Italy, England, Denmark, the Orkneys, Spain, Scotland, and throughout the Mediterranean Sea. Once the Templar's had arrived at La Rochelle they and their treasures entered 18 galleys and silently set sail upon the open sea."

Free Masons

"The Templar's went underground and became members of France's masonry guild.

This was an expected move considering the Templar Order was at the time of its arrest overflowing with French masons aspiring to become Knights. An ensuing transformation took place as an abundance of Templar's became initiated French Freemasons and helped engender the founding of Freemasonic lodges in not only France, but throughout all continental Europe and Great Britain. The beginning of this turn of events is alluded to by the Freemasonic historian Albert Pike in *Morals and Dogma*:

"..Sword and the Trowel(became) the insignia of the Templar's, who....concealed themselves under the name of Brethren Masons. This name Freres Macons in the French , adopted by the way of secret reference to the Builders of the Second Temple, was corrupted in English into Freemasons.

The Templar's had, of course , already established a long term relationship with the European masons[being the founders of many of their societies in the past] during the Knights' nearly two hundred years of existence. The Templar's, however, placed more emphasis on their relationship with the masons when it appeared eminent that their Order would require their lodges for camouflage in order to survive. With this in mind , Jacques de Molay, the last Templar Gran Master, applied himself while in his French prison cell to the task by securing a future for his Knights by formulating the rites and degrees of the branches of Freemasonry they would unite with and found.

States Levi:

"The end of the drama is well known, and how Jacques de Molay and his fellows perished in the flames. But before his execution, the Chief of the Order organized and instituted what afterwards came to be called the Occult, Hermetic, or Scottish(Free) Masonry."

In Scotland the Knights became the "Royal Order of Scotland" And in England the Rose Cross as well the most famous of member made up the English Royal Tudor Court Queen Elizabeth the 1st, Sir Francis Bacon[also ghost wrote under the name Shakespeare] and mind behind the New World or New Atlantis, and John Dee(the

original 007) as the Queen's Court astrologer:

http://gbt.webs.com/New_Atlantis.htm

England had under Elizabeth's Father who undoubtedly was a member and adept of the same Order had broken away from Rome totally and created the Church of England with the Monarch as the Head of the English Church. The Vatican declared a crusade against the Nation and sent their ill fated Crusader force of 30,000 soldiers aboard the Spanish Armada in 1588, which was sunk in "a freak storm" the weather had been planned and was to be calm with blue skies. Anyone who understand Magic understand a Nation full of adepts can summon up such weather with ease, and they knew the Spanish were coming, Drake's job was to stall the Spanish Fleet long enough for the storm to be generated. HRAAP tech has been proven to be do the same today.

What the situation in Europe was by this time was the majority of all the members of the ruling aristocratic families of Europe and noble houses in general along with the cream of European Gentile society were members of Spiritual Satanist Orders. The very head which Jewry had tried to remove with it's tool of Christianity and the Vatican and it's attack on the Templar's, had survived and rebuilt and were working towards restoring the enlightened Pagan[Satanic] civilization. These societies all had strict rules barring Jews from joining as they knew the truth.

What ending up happening was the Jews countered directed by Rothschild put together a successful subversion of the Orders under the title of a Trojan Horse called the Illuminati, which major points was to overturn the law banning Jews from being members of the Lodge, removal of all true Gentile or Satanic Spiritual knowledge and replacement of it with Hebrew dreck (just look at any occult text from this societies today it's all Hebrew/angelic nonsense) and the subversion to the doctrine of Illuminatism which is nothing more then Jewish Communism:

<http://www.666blacksun.com/Illuminati.htm>

The last pure Templar Lodges such as the Thule Society[99 Lodge at the center it seems] where able to finally created the society they had struggled for in the form of the 3rd Reich. The Temple of the Sun which the Templar's Satanists bore in their title was to be a society in which the individual had obtained the Magnum Opus or Rebuilt the Temple of the Sun[human soul] upon themselves, thus obtaining the personal Godhead of finishing the Enlightenment Process, and then initiate and teach others. Till the entire society had become the macrocosm of the Temple of the Sun and had finished the work that Satan and the Demons started on Humanity in the Golden Age before the planet was attacked. This was also the main purpose behind the creation of America:

Buddhism and Satanism This is from a question on another egroup: From: General Franco <mailto:kashyap_128%40yahoo.com> To: <mailto:Teens4Satan%40yahoogroups.com>
- My Reply: It is, Buddhism centers existed in Alexandria and the head of the jewish theraputes was very close with them and translated their scripts into several languages. We have Buddhist stories of Buddha dying on a cross and his resurrection from the tomb and ascension into the heavens.etc The Buddhist religion denies the Atman and soul and separates them away from them. Just as xianity turned many Gods into saints to remove them in status and advance their own program. The Buddhism program did the same in the East and demoralized the regions internally to the point. Islam was able to conquer most of the North of India. This program does not teach love, peace or any such buzzwords that you even have a soul. It also lies about karma and slips the lie in you must suffer to purge yourself of karma and by strict adherence to this programs ideology you will find the most powerful method of spiritual empowerment and enlightenment. Theravanda simply left the student with nothing more then basic dyana or void meditation on the continent of the West. As one Hindu scholar admits. Hinduism falsely called Sanatana Dharma is just covert Buddhism and Jainism. Another trick it plays despite acutally being an open religion.

Subject: The Jewish Infection

The Jewish Infection

Environment of the social nature is mainly formed by genetics and the external reality is the interal reality. There is an interplay of forces outer forces with inner forces that do affect genetic behaviour and codes epigenetics shows. But this bring us back to nature. Where the liberal tabula rasa debate picks up from the xian disease. And thinks man exists outside of natural forces and reality. The false divide is in there thinking. Its needed to manifest the belief system of universal oneness and other racial and generally egalitarian delusions the enemy psychological warfare programs are based in.

Fact is people have been deeply saturated in jewish communist propaganda under the tinsel of false spirituality [xianity] and in its secular form [liberalism, cultural marxism, communism] and with centuries of this the jew system still has to try and force the races to mix as much as possible and yet people of all races still retain their intrinsic desire to not commit miscegenation and have thier own space. I remember sitting in a large dinner hall in liberal land and watched all the different races sit with their own at the individual tables and within that the guys with the guys and girls with the girls. All these people parrot the cultural marxist/liberal paltitudes but blood is thicker then water. And reality will not be denied. That dinner hall was a real map of reality.

This ideology of liberalism, cultural marxism and communism [the secular xian trinity of jew]. Has failed all over the Western world and all throught history causing wars, conflicts, balkandization of nations. Giving us conflicts and slaughter. Such as the slaughter in Rawanda and across Africa which was generated by the period of European [Rothschild] rule of Africa. They herded all the different African ethnicities into large new nations. When the Western governments

pulled out [Jews stayed behind as the corporations/banks] the different ethnicities started to war on against one another till new tribal lines were drawn. This failure cost millions of lives.

An interesting case of dual failure of both the multicultural[ethnic/racial] program along with communism is evidenced in the Khmer regime of "democratic Kampuchea." The reds slaughtered entire classes and populations, even breaking up the family unit, and wiping away an entire culture and social order in accordance with the communist ideology dictates. Turning the entire nation into a backward police state that would make Orwell blush. All in the name of brotherhood, equality, peace, unity and love. But there is a subtle context within the exterminations and repressions of the Khmers mission to create the perfect communist society. [Mass suicide of a people due to judeo-communist psychosis.]

Khmer exterminations which were done within the lines of communist ideology but within an ethnic conflict as well. The decades of animus over the ethnic Vietnamese population in Cambodia [Kampuchea] the majority of those sent to S21 [where the mount of skulls images are mainly from] were Vietnamese in ethnic background. The Khmer Rouge worked towards the literal goal of the total extermination of the entire Vietnamese and other non-Cambodian populations in their country. Cambodian men married to non-Cambodian women were given pistols by the Khmer's and told to kill their wives or the Khmers's would kill them both.

Here we see the failure of the multi-ethnic nation [liberal world dream] and what happens when its naturally generated hostility is given chance to be fully aired. And the reality of communist ideology all coming together. Of which liberalism is the central core. Before the left where slaughtering in the name of the communist ideology they were chopping heads and exterminating populations in the name of liberalism [of which Marx simply took and built an updated version of to suit the industrial era] as seen in the "French" revolution. Before the Bolsheviks we had the Jacobins. Pol Pot [not his real name] was converted to this [communism/liberalism a religion] in the universities and salons of Paris where he was a student for years. He returned to Cambodia with his red priest collar awarded for success at the liberal-red seminary training in Paris. And worked to fully implement the creation of the city of communism on earth. A regular red Augustine.

Western noted communist intellectual and scholars openly and proudly admitted [where their more timid brethren ran for the hills in a wave of apologetics] that Pol Pot and the Khmer's were the full implementation of the pure ideal of communism on a nation.

Another instance of this is Tito's communist Yugoslavia. After he died and the nation he forced together under the same leftist nonsense pushed by the liberals, cultural marxists kooks and ilk in the West. Broke apart into a long violent war full of ethnic cleansing and all kinds of atrocities. Till the ethnic

bounds and lines where rebuilt.

The Western liberal-red would state the problem is implementation of the ideology and the not the ideology. So they continue to push harder making the problems worse never understanding they are the cause not the solution. Because that is how mentally ill people think. This is how christianity operates as well. They are all confused and mentally ill people. As one German philosopher stated: "Christian theology is the grandmother of Bolshevism."

In India which is the liberal anti-racist world dream all races mixed. Most dating apps state "light skinned only" and people are graded and prized on their level of lightness. And group based genetic inheritance. Just look at the Bollywood stars to understand what the ideal of beauty is there. And all sorts of general ethnic conflicts dominate. India was also under a marxist, secular government after independence which just ruined their nation for decades. Once again the ideology is a failure on every level.

But schizoid liberals, cultural marxists, christians and other sundry nutted fruits of the jewed plains can't form an intelligent understanding of the nature of reality we are all formed from and a manifestation of. And hence the laws that manifest us are the laws that govern us. Their dysfunctional brains can only be at home in a violent dystopia. Because a lunatic feels at home in a sea of lunatics and lunacy only.

So we see nature will not be fooled and that which is unhealthy and against the laws of nature will consume itself in its own toxic poisons. Just as the society in live in outside of racial, ethnic tensions. [Which have consumed Western society and created a violent situation where tens of thousands have been victims many raped, beaten and murdered whole areas are no go zones] The rates of mental illness are through the roof and growing. People commit suicide in large numbers, depression and apathy are normal. The jails are over populated in the millions. Drugs are destroying whole communities. People are dying of all kinds of physical illness rates that have skyrocketed. Our nations, societies and civilizations are crumbling due to a jewish induced and injected spiritual sickness.

To paraphrase one wise person:

Governments destroy freedom, schools destroy knowledge, religion destroys spirituality, psycharists destroy mental health, medical professions destroys health, media destroys information.

The only way to create a healthy world is upon the Dharma [eternal law of nature] which is based upon racial separation, self determination and respect. A world based on truth such as this would not experience any of the violence and insanity that unsane, jewish created programs have caused. The record of history and of today is screaming this fact in our faces. Such a Dharmic world does not facilitate such problems as it does not create any basis for any. This is the healthy world the National Socialists [who where Satanists at the top] worked to give us.

Salvation is in the Swastika. Which shall break the cross.

It's also psychological and how certain ideas were presented to you while you were growing up. If you grew up learning to hate a certain nationality/race, most probably you will still hate them and would never associate with them when you grow up. In some cases it's the opposite. Human curiosity and excitement arise towards the 'forbidden'. And then there's the society thing where anyone who believes in racial separation and that races should remain pure, is pointed as a narrow-minded 'racist'. This further encourages-directly or not- the idea that people should race mix. If we discard other factors, Humans are attracted to their own race. It's human nature. --- In JoyofSatan666@yahoogroups.com, "Timothy" <lucius.oria@...> wrote: > > What about environmental factors, upbringing in society etc? > > --- In JoyofSatan666@yahoogroups.com, Don Danko <mageson6666@> wrote: > > > Attraction is hardwired into biology andÂ guided by nature for ones own kind. It was 2 balls of white light one behind the other moving in perfect timing high up, not on the flight path and then they turned the lights off which no conventional aircraft would do as they past over the airport. You could still see two objects up there in the same position but they were blacker than the night sky. Where I'm at I don't think it's as bad as what Micama described, but some night I'll look up into the sky and 1/3 of it will be completely fogged over. I've never felt any physical effects from it either.

Even the sky writers the sky would start clearing after 10 minutes it would dissapate quick. This sounds strange lasting for hours thats not good.

Was not Buddha originally a Satanic symbol for the life force, stolen and corrupted by the Jew? Or am I wrong on this?Hail Satan!

While I already gave an answer here:

<http://groups.yahoo.com/group/666BlackSun/message/261>

That thread was getting long I wanted to mention what I didn't there as further evidence.

They found a large temple cave complex in India that is ancient within one cave is Buddhist temple they found on the wall images of people engaging in Buddhist worship.

They were worshipping Buddha symbolized by a White horse, Tree and the Kalacharka lingam.

All symbols of this concept of the soul energies. We might actually be viewing what Buddhism originally looked as a state religion or before. As the Herman Hesse stuff is nonsense. As this Buddha was worshipped as a Sun God elevated even over Brahma and Indra in the Imperial period [which created it] much like Jesus in the Roman empire.

Much like the xian religion claims Jesus existed hundreds of years before the Catholic church which is a lie the group that created the church created Jesus to build their program upon. Its the same with Buddhism in the East.

I went back and watched some episodes of ancient aliens and something caught my attention. They were talking about the plagues of the middle ages, and how people reported they could see the plague coming through the streets. Objects in the sky emitting noxious gases often right before an outbreak occurred. Strange cloaked figures with what they described as sythes like the grim reaper images in the crop fields but what if they were not what was described what if they were in fact aliens with some kind of sprayers in hazmat suits spreading this disease over the crops? We can't know for sure but what has been pondered is if it was all down to rats and fleas there really were not enough rodent problems reported and it spread too fast. Is it related to what is happening now with these chemtrails? I don't know but it sounded similar in a way. Of course chemtrails are not spreading the plague but what are they spreading?

Theres a book called the gods of eden written by william bramley (highly recommended by the) one of things mentioned in it is what you were talking about. Strange objects in the sky and a thick fog that filled the air before the plague happened. A coworker of mine theorized that it has something to do with blocking out energy from the sun. This stuff is let loose high in the sky also, where as the plague causing chemicals were reportly lower to the ground. With it

being high in the sky that does have an effect on the rain, I'm not sure what the intended purpose of that would be though. There might be ufo activity increasing in large urban areas, and jewry is covering up the sky for them.

This is a video which reportedly shows various UFO sightings over Japan around the time of the Fukushima disaster. They do seem to show up whenever there is a big event some disaster etc

Cool video, that had lots of ufo footage I wonder if they were piloted by humans or by aliens. Japan has a lot of ufo history, I've seen video clips of ufos going into the sea near Japan. I heard a story that A large armada was assembled to attack Japan and all the ships sank before reaching the Japanese coast, suggesting that something protected Japan from these would be attackers. Although it could have been the dragons triangle, it has the same reputation as bermuda triangle has. Something else interesting is the dragons triangle and Bermuda triangle are on opposite ends of the earth. Meaning if you stuck a rod through the center of the earth starting at bermuda you would end up at the dragons triangle. History channel suggested that the 2 triangles are caused by a small blackhole, I suppose its possible that ufos use them as a shortcut.

about them the other day though. Those lines in the sky that we assume are from jets are chemtrails, if you watch a jet flying the exhaust disolves right away. From what my I understand their using jets that look like passenger jets but the backs are filled with tanks containing whatever chemtrails are then filling our skys with this poison. I believe that was the Yaun based dynasty in China that sent the force across they where caught in the kamikaze [divine/god wind]. The catholic army sent across the channel by Spain under papal blessing to conquer England and force it under the catholic church again. Was sunk by a storm probably called up by the occult groups in England which where Satanists. They knew they where coming in advance.

Cool video, that had lots of ufo footage I wonder if they were piliated by humans or by aliens.

Japan has a lot of ufo history, I've seen video clips of ufos going into the sea near Japan. I heard a story that A large armada was assembled to attack Japan and all the ships sank before reaching the Japanese coast, suggesting that something protected Japan from these would be attackers. Although it could have been the dragons triangle, it has the same reputation as bermuda triangle has. Something else interesting is the dragons triangle and Bermuda triangle are on opposite ends of the earth. Meaning if you stuck a rod through the center of the earth starting at bermuda you would end up at the dragons triangle. History channel suggested that the 2 triangles are caused by a small blackhole, I suppose its possible that ufos use them as a shortcut.

I didn't know that, but it makes sense. Something similar happened in the war of 1812, a tornado (or hurricane) basically attacked british troops when America was on its knees.

Scientists have not even explored all our oceans yet some parts are just too deep, and they are still finding cities way down there. There was an episode of UFO hunters based on undersea UFO's and alleged UFO bases. I'll see if I can find it. Columbus reported a UFO sighting before reaching America that he put in his journal. He said it rose up out of the ocean and into the sky. A lot of explorers saw UFO's at sea. It does make sense if they wanted to have bases here and they are able to go undersea that is a good place to have them.

Hail Satan

You could still see two objects up there in the same position but they were blacker than the night sky. Although it could have been the dragons triangle, it has the same reputation as bermuda triangle has. Something else interesting is the dragons triangle and Bermuda triangle are on opposite ends of the earth. Meaning if you stuck a rod through the center of the earth starting at bermuda you would end up at the dragons triangle. History channel suggested that the 2 triangles are caused by a small blackhole, I suppose its possible that ufos use them as a shortcut.

Some of the cities could have been from parts of continents that fell into the sea. Off the coast of Japan theres evidence of that, Easter islands suggest the same thing. Underwater bases are a good possibility though, if theres any truth to the hollow earth theory then it may be that they live inside the earth. Other theories say that blackholes could be shortcuts for getting around the universe faster, and there is evidence that the bermuda triangle and dragon triangle are part of a blackhole. It's very possible that someone or something caused what happened to Japan, that would be less of a surprise to me then saying it was just random. Theres lots of paintings from the dark ages that include ufos in them, so what you said about Columbus seems quite realistic. Check out this article

He said it rose up out of the ocean and into the sky. A lot of explorers saw UFO's at sea. It does make sense if they wanted to have bases here and they are able to go undersea that is a good place to have them.

This is the episode of ancient aliens I mentioned before. Some interesting stuff in this one, some crap too just turn your bullshit filter on lol. Some parts they use the bible and remember how everything in there is stolen and altered from earlier so the dates given if any of the events in there are based on older events will be much older than people think, such as the flood? They mention the black sea being created by the flood and finding underwater towns and villages at the bottom, which indicates the sea was not always there.

Also in this one is talked about the plague and the ancient wars. This one I think also has the columbus sighting.

So I was hanging out with this girl, real cute and all, any ways its time for me to leave or some thing and im chased about by these kids and they would hit me with some thing and the mother chases me through the whole neighborhood i am hiding like crazy she has dogs with her and whipping tools, it is a hugee and very rich neighborhood

i have to be very crafty and cunning to get out of this neighborhood and no one was helping me and very many people were trying to capture me to take me back in and i just barely made it out

I think this is a omen of the times to come, the jew will try to put us into forced slavery if not financial, they will try to lure you with all traps and deceptions.

Be wary of the jew tricks brothers and sisters they are very real

Hail Satan!

Group: 666BlackSun Message: 285 From: High Priestess Maxine Dietrich Date: 10/25/2012
Subject: Sermon 10/25/12

Given the corruption of spiritual knowledge, a blatant example is how the Sanskrit 'AUM' is being corrupted into 'OHM' in many popular mainstream books and sources. It is supposed to be pronounced 'AHH - UUUUU - MMMM' NOT OHHH - MM! The 'OHM' is so it doesn't have any power.

[The 'UUU' rhymes with the U in the word 'tUne.'

'AUM' is also the Egyptian God 'AMON RA.' Amon is known as 'King of the Gods.' As most of you know, the code-word 'Gods' means the chakras. The all-important '666' chakra, which is the solar plexus chakra; 'King of the Gods.' This is where the xians stole the 'Amen' from and corrupted it. 'AUM' means 'so mote it be.' I always vibrate 'AUM' in ending any working when I am doing a Satanic Rosary or anything in Sanskrit. Nearly all modern books and popular instructions concerning mantras state to use 'AUM' at the beginning. Using it at the end as well, is actually more powerful; at the end of the entire working.

Sanskrit is a spiritual language and as I mentioned before, I have found the names of many of our Demons of the Goetia in Sanskrit dictionaries. By looking to their names in Sanskrit, this gives much more information on a spiritual level. The legends of the Gods are all important spiritual allegories.

When selecting a mantra, it is important to vibrate it to yourself once or twice. You should definitely feel something; a powerful energy. If not, then the mantra is not for you...choose another one.

Now, I have come across several posts in the groups of late that mention needing help in dealing with bullying assholes and also in being the victim of unwanted love/sexual obsessions of another.

Here is what you can do and this definitely works:

This has to be done very regularly. If it is real serious, do a Satanic rosary working for 40 days, then you may need to reinforce it every now and then afterwards. It all depends upon how strong your own aura is and how strong the aura of the aggressor is. You will soon know this in how long it takes to work. If the results are immediate, this is an excellent sign, but as with everything, we are all individual and some of you may have to put more repetitions and energy into this. Again, this also depends upon the strength of the aura of whom you are dealing with. The strength of one's aura has nothing to do with one's spiritual beliefs. Some people are just born with stronger auras and souls, same as with physical strength, BUT, those of us who work in strengthening our souls through Satanic meditation, yoga and such, can and will become much stronger than one who was born with this and who does nothing to keep developing it.

Now, for the working...

For just doing the affirmation, visualize yourself engulfed in white light. The astral color white deflects and repels, same as with wearing white clothing deflects the heat of the sun. You can state the affirmation several times, nine is a number of endings and will work, also in its multiples, for putting an end to something unwanted. You can do this if your aura is strong enough. Otherwise, the Satanic rosary is most effective. You can also visualize yourself engulfed in the white light and state the affirmation at any time, once you have established the working. For example, say the unwanted one is near you; just visualize the light and state the affirmation with intent and note this will keep the person away from you, but make sure you have the aura in place as given the instructions below:

Affirm:

'My aura is constantly and continuously repelling [name of individual], or if the name is unknown, just state [that whatever person], and keeping him/her away from me at all times and in every way.'

Visualize the light and state the affirmation at the same time, affirming this into the light. You are programming the energy [which is the light]. You will need to do this repeatedly and with using a Satanic rosary working for 40 days, with 108 affirmations each working, this will definitely be effective, and make sure the repelling aura is in place.

Now, coming to another working is the astral line. This works as I have done it, but again, you need to make sure it is in place.

1. Breathe in energy and then exhale the energy out of your index finger of your dominant hand and visualize a line of white light being drawn. This can be at

the base of a door where you want to keep someone from crossing the line and entering a room, house or whatever.

2. Affirm several times with intent:

'This extremely powerful astral line is constantly and continuously preventing [name/s of unwanted individuals] from ever entering this room/house.' You can also add: 'This line is permanent.'

If the door where the line is drawn is facing the outside and the sun, you can then further program the line:

'The sun is constantly replenishing the energies and power of this line, making it stronger and more effective every day.'

If the line is indoors, you can state: 'This line is constantly and continuously drawing upon, replenishing and increasing its power, using universal energy.'

You get the general idea. The affirmations can be modified, but make sure they are short, to the point and in the present tense. 'Spells' are not normally one-shot deals. In order for an energy link to be firmly established, the working should be frequently and consistently repeated. Once the energy uptake is in place, you should also reinforce the affirmation every now and then, making it permanent.

Subject: WW2 Germany Vs Greece and other questions/thoughts.

Well the purpose of the post is for discussion. I hope HP Maxine or HP Don will notice this, as I expect replies from both of them. I will write somethings, the relations in which will be noticed but I think our collective knowledge is required for getting these answered.

I require and I would ask for Historical knowledge from HP Don. I hope He reads it and fills in the blanks and corrects me.

I support the White race. Therefore I support Germany and the seeds of Satan, both in Germany and in Greece. I want info so I can spread it and stop this fucking infighting between our own Family. Seriously.

This has to do with my country and I want to gain knowledge to enlighten these people, as much as I can. We are taught from a very young age to think of Germans as super war criminals, that they hated Hellas or something and there are many rumors about war atrocities [like the holohoax] running around, spread all over the country [which is highly kike infested]. I believe none of this shit. Recently, I was in class and this teacher which I recognized as a kike, started rambling about many many crimes that German soldiers did towards Hellenes, suffering they caused etc. Immediately I heard a voice in my head, which I believe it was Satan. "Never believe the jewess. -The enemy creates thoughtforms for which they become the mouths to provide false proofs about-". I got this reply in a mixed logic/feeling way, my Serpent could sense the fact that this was more like a talk-out of the lying unconscious connection of this jewess to her 'source', total lie handout. I hope its understood what this really meant. The enemy creates a psychic emotional lie, the puppet jews spread it type of thing. I checked her body language and I saw many signals of lying, scratching the nose. Not to mention her tongue getting out of the mouth during speech, which is highly reptilian and the hands dancing all over the place. I played it off like I was agreeing to what she said. Many of the points brought up

about all this hate between "Greeks vs Germans" got me to seriously think matters.

For instance one of the widespread claims is that German Nazis killed Greeks because some had darker skin or some shit. They palpitate Racial hate between Greeks and Germans for the last century, which I believe is done on purpose. Basically, the lies spread, are as sick as the Jewish psyche that created them. I heard shit I couldn't even imagine or put down in words. These lies have a life of their own and influence the blind Greek Christians and fools. It's a KNOWN historical fact, that it wasn't Hitler or Germany that proclaimed war to Greeks. They considered us Aryans as far as I know and Hitler literally loved Hellas and the Hellenic people. It was Mussolini. He was obviously un-enlightened and he was one of the reasons the Axis lost the war. So they sent an Italian diplomat to ask about the "Axis troops going through Greece". And the current minister of Greece replied "No", in full awareness that this would result in war, in which Greeks would die as we couldn't go against the Axis, they were more advanced than us. Basically, Hitler and the Axis had good intention and they wanted this country as their Allies, as we were considered an Aryan type. Now the fool sold-out minister of Greece, with his 'infamous "no" ' caused a war in which many people died.

The forces of Italy were partially crushed, so Germany had to fill-in and support them. By some, this is believed to have been a crucial move and a reason why the Axis lost. That's right. Because of Mussolini's foolishness. He was behaving like a fucking kid, trying to prove himself to Hitler and opening war without a reason really. Minister 'Metaxas' was actually "Ethnic" too and had Ethnic rulership [Yes, how ethnic was he. He provoked a war that he knew would be lost, our people would die and suffer and he basically used the faith of the Greeks and used a whole nation against our Savior, which was Hitler]...But if you look at it this mongol was actually a Racial traitor that opened up a meaningless war towards Greek Aryans and German/Italian Aryans. Hitler did never want this war to happen and I believe he was extremely displeased he had to fight with Hellenes. Why? Because he knew the Truth unlike Mussolini the blind did. Because he knew our roots were identical and that we too, as Ethnic would be a power, had we joined the Axis, fighting under the Swastika. Mussolini's mistakes were one of the main reasons of why Axis lost the war. On the other side we have the traitor mongol 'Metaxas', who declares war. Then the blind and uneducated Christian "Hellenes" follow his mistake and both annihilate and get annihilated from their fucking blood-brothers.

It is believed by many, that had we become allies with the Axis we would help them win by a large degree. Hitler loved Greeks and this is widely fucking known. I believe it was a very depressing moment when he had to kill the people here, Hitler knew the Truth about our common roots. He didn't allow anyone to say shit about us, even after the occupation of Hellas by the Nazis. He respected the monuments. His soldiers were friendly to Greeks. They respected everything they could in these cold terms of war. Though many Greek communists gone against them, aside with the Christian-influenced-uneducated fools. Sad. Our Racial faith and our Racial loyalty, even inbred with Christianity, made us to be even be respected by Hitler, which openly made many claims to support Greece. He didn't laugh at us or defame us, as he could have done. He respected our Racial loyalty, how we fought for our country as a race. Imagine how much were we fooled to go against our fucking savior. But this is what happens when Christianity is infesting the minds of people.

They placed brothers against brothers. How fucking typical of the enemy. It was truly sad to see Greeks dying for 'Christ and the nation'. It was truly ugly to imagine that a Hellene raised the weapon and killed a German, or another Aryan.

As about another lie, the lie of 'Racial Purity' or that 'Germans killed people because they had darker skin' or some shit. This was a fucking huge lie. This did not happen. Was Hitler the infamous lie of 'Nazis killed anyone who wasn't light skinned and tall with blue eyes and blonde'? Hitler was nothing of these. This lie is really one to keep the 'racist' thing going on. Was Goebbels this? Was Rudolf Hess this? Hell no. They were fucking Aryans of many types. Or was Heinrich Himmler so tall and blonde. They fought for the vision of Satan and to protect the Aryans, not to make up their face and make themselves revered. This 'Germans killed others cause they didn't like their faces or because they weren't racially pure' hype going on is a total fucking LIE, with a sole aim to

attack people emotionally and make them feel threatened. Only jews would have a problem, NO GENTILE.

I want to fucking cry right now, seriously I can't take this. I hope one day the Truth will come out and I won't stay in fucking hope, I will act. I believe one day the name of this country will be cleaned out, the kikes will die and that the Truth will be known. I can't stand this hate that Germans have for us right now, or us for them. I believe Satan will avenge us all, the souls of both sides, Avenge us and as a family show us all, that the only enemy was the jew and how much were we played. I believe the Anti-christ, will raise us from ignorance, show us our positions and help us achieve our perfection again.

This article here has some correct info, showing both how the xian 'leaders' were traitors and how the communists further fought against the Nazis to further the pain that Greece was going through.

"The Germans have more respect for the Greeks then for the Italians, not only because the Greeks had defeated the Italians in the Albanian campaign but because the Germans are well read and generally philhellenes and are quite familiar with the rich history of the ancient Greeks. " <http://www.ahistoryofgreece.com/worldwarII.htm>

HITLER WAS A PHILHELLENAS. THIS IS A KNOWN FACT. Greeks and Hellenes were of the founders of the Racial Theories, Racial Separation. Ancient Greeks of Athenes were divided into RACES. Thucydides wrote about how the Greeks of Athens were divided in 12 Racial Groups. Aside other things. Hellas is the mother of the Ethic mindset and Racial Separation was taking place in Greece. Hellenes were Racists and Racial Separationists. Hitler and Germans were well educated, about our Racial roots and of all this, aside a lot of other things. We worshipped Greek Gods, and Greeks called other Races 'barbarians'. These are to just name a few.

This page contains nice info on the subject and is not infested with a lot of bullshit, though its to be filtered too. As about the anti-semitic parts, they are True. All Greeks and Hellenes hated the semite rats with a longing hatred and they wanted these invaders gone. The Nazis were there to free us from this scourge and we didn't let them, aside other things.

Subject: Re: WW2 Germany Vs Greece and other questions/thoughts.			

Germany had to act as the situation with the Italian war with Greece had opened up a window for the British forces to start pouring up onto mainland Europe again and they were opening up a new front. Right on a crucial flank they needed secure in order to deal with the preemptive invasion against the Soviet Jewion. The Germans were already fighting to control the vital supply lines to N.Africa as well in the Mediterranean it things got out of and with Britian using Greece for a military base they entire forces in N.Africa would be cut off.

The entire future of Europe was at stake with what the Soviet Jewion was planning in the spring of 42. Which was a massive invasion that would put all of Europe under their direct control. This had been the jews plan along to hand over Europe to the red beast with this war. Churchill's man in Moscow had secretly secured a deal with Stalin in 1940 that the Soviet Jewion would enter the war on their side in 42 or 43 when their forces where built up to peak strenght.

This is the difference between having a spiritual advanced leadership of Satanists such as in the Reich with not having such as in Italy. Mussolini crushed the communists in Italy and help crush them in Spain. But he was not an adept so he made big mistakes. Mussolini later did become good friends with Evola and supported his radical traditionism views. Mussolini did wish to return Italy to his Pagan culture this is obvious.

One can see in the art of the Reich the full classical influences of ancient Hellas. Hitler was bringing back its spirit to Europe. But the ancient Greeks did not create the understanding of racialism. The same racalism and blood laws where common to the Aryan world. Of which ancient Hellas was only one part. The ancient Aryan world was not separate nation states that formed on there own indepent of each other. As we have been told. Even at one point as the history in the East states all of the Aryan world from Ireland to the Far East was ruled by a single royal line from Bharat. And it was only around 5000 years ago this model fell apart and the local royals started to divide up into their own regions.

Hellenic culture was the once global Aryan culture.

They had to stop the Soviet Jewions planned invasion of Europe in time or everyone was fucked, the Greeks too.

Thucydides wrote about how the Greeks of Athens were divided in 12 Racial Groups. Aside other things. Hellas is the mother of the Ethic mindset and Racial Separation was taking place in Greece. Hellenes were Racists and Racial Separationists. Hitler and Germans were well educated, about our Racial roots and of all this, aside a lot of other things. We worshipped Greek Gods, and Greeks called other Races 'barbarians'. These are to just name a few.

Thank you HP Don. I wanted the blanks filled so I can work on my Hellenic Satanism and Socialism connection website. I needed the blanks filled. If anything else that I cannot find on my own, I will put it on here. Also I will translate whatever I write to English because the connections will serve as proof not only for Greeks but for anyone else, as with allegories etc. And of course to get any connections needed, if nessesary. Thanks again.

HAIL SATAN!!!!!!!

The Germans where already fighting to control the vital supply lines to N.Africa as well in the Mediterranean it things got out of and with Britian using Greece for a military base they entire forces in N.Africa would be cut off.

The ancient Aryan world was not separate nation states that formed on there own indepent of each other. As we have been told. Even at one point as the history in the East states all of the Aryan world from Ireland to the Far East was ruled by a single royal line from Bharat. And it was only around 5000 years ago this model fell apart and the local royals started to divide up into their own regions.

We are taught from a very young age to think of Germans as super war criminals, that they hated Hellas or something and there are many rumors about war atrocities [like the holohoax] running around, spread all over the country [which is highly kike infested]. I believe none of this shit. Recently, I was in class and this teacher which I recognized as a kike, started rambling about many many crimes that German soldiers did towards Hellenes, suffering they caused etc. Immediately I heard a voice in my head, which I believe it was Satan. "Never believe the jewess. -The enemy creates thoughtforms for which they become the mouths to provide false proofs about-". I got this reply in a mixed logic/feeling way, my Serpent could sense the fact that this was more like a talk-out of the lying unconscious connection of this jewess to her 'source', total lie

> handout. I hope its understood what this really meant. The enemy creates a psychic emotional lie, the puppet jews spread it type of thing. I checked her body language and I saw many signals of lying, scratching the nose. Not to mention her tongue getting out of the mouth during speech, which is highly reptilian and the hands dancing all over the place. I played it off like I was agreeing to what she said. Many of the points brought up about all this hate between "Greeks vs Germans" got me to seriously think matters.

> >

> > For instance one of the widespread claims is that German Nazis killed Greeks because some had darker skin or some shit. They palpitate Racial hate between Greeks and Germans for the last century, which I believe is done on purpose. Basically, the lies spread, are as sick as the jewish psyche that created them. I heard shit I couldn't even imagine or put down in words. These lies have a life of their own and influence the blind Greek xians and fools. Its a KNOWN historical fact, that it wasn't Hitler or Germany that proclaimed war to Greeks. They considered us Aryans as far as I know and Hitler literally loved Hellas and the Hellenic people. It was Mussolini. He was obviously un-enlightened and he was one of the reasons the Axis lost the war. So they sent an Italian diplomat to ask about the "Axis troops going through Greece". And the current minister of Greece replied "No", in full awareness that this would result in war, in which Greeks would die as

> we couldn't go against the Axis, they were more advanced than us. Basically, Hitler and the Axis had good intention and they wanted this country as their Allies, as we were considered an Aryan type. Now the fool sold-out minister of Greece, with his 'infamous "no" ' caused a war in which many people died.

> >

> > The forces of Italy were partially crushed, so Germany had to fill-in and support them. By some, this is believed to have been a Crucial move and a reason why the Axis lost. Thats right. Because of Musolini's foolishness. He was behaving like a fucking kid, trying to prove himself to Hitler and opening war without a reason really. Minister 'Metaxas' was actually "Ethnic" too and had Ethnic rulershit [Yes, how ethnic was he. He provoked a war that he knew would be lost, our people would die and suffer and he basically used the faith of the Greeks and used a whole nation against our Savior, which was Hitler]...But if you look at it this mongol was actually a Racial traitor that opened up a meaningless war towards Greek Aryans and German/Italian Aryans. Hitler did never want this war to Happen and I believe he was extremely displeased he had to fight with Hellenes. Why? Because he knew the Truth unlike Musolini the blind did. Because He knew our roots

> were identical and that we too, as Ethnic would be a power, had we joined the Axis, fighting under the Swastika. Musolini's mistakes were one of the main reasons of why Axis lost the war. On the other side we have the traitor mongol 'Metaxas', who declares war. Then the blind and uneducated xian "Hellenes" follow his mistake and both annihilate and get annihilated from their fucking blood-brothers.

> >

> > It is believed by many, that had we become allies with the Axis we would help them win by a large degree. Hitler loved Greeks and this is widely fucking known. I believe it was a very depressing moment when he had to kill the people here, Hitler knew the Truth about our common roots. He didn't allow anyone to say shit about us, even after the occupation of Hellas by the Nazis. He respected the monuments. His soldiers were friendly to Greeks. They respected everything they could in these cold terms of war. Though many Greek communists gone against them, aside with the xian-influenced-uneducated fools. Sad. Our Racial faith and our Racial loyalty, even inbred with xianity, made us to be even be respected by Hitler, which openly made many claims to support Greece. He didn't laugh at us or defame us, as he could have done. He respected our Racial loyalty, how we fought for our country as a race. Imagine how much were we fooled to go against our fucking

Was Hitler the infamous lie of 'Nazis killed anyone who wasn't light skinned and tall with blue eyes and blonde'? Hitler was nothing of these. This lie is really one to keep the 'racist' thing going on. Was Goebbels this? Was Rudolf Hess this? Hell no. They were fucking Aryans of many types. Or was Heinrich Himmler so tall and blonde. They fought for the vision of Satan and to protect the Aryans, not to makeup their face and make themselves revered. This 'Germans killed others cause they didn't like their faces or because they weren't racially pure' hype going on is a total fucking LIE, with a sole aim to attack people emotionally and make them feel threatened. Only jews would have a problem, NO GENTILE.

> >
> > I want to fucking cry right now, seriously I can't take this. I hope one day the Truth will come out and I won't stay in fucking hope, I will act. I believe one day the name of this country will be cleaned out, the kikes will die and that the Truth will be known. I can't stand this hate that Germans have for us right now, or us for them. I believe Satan will avenge us all, the souls of both sides, Avenge us and as a family show us all, that the only enemy was the jew and how much were we played. I believe the Anti-christ, will raise us from ignorance, show us our positions and help us achieve our perfection again.

Subject: Adolf Hitler: Man Of Peace [updated]

Adolf Hitler: Man Of Peace

"This war thrusts us years back in our constructive work. It is deplorable. I have not indeed become the Chancellor of the Greater German Reich in order to conduct war!"
-Adolf Hitler 1940

If Hitler was the monster the Jews lie and say he was, he might have won the war. Hitler showed mercy on the entire British Army at Dunkirk and personally ordered his generals to stop the attack and allow the English to leave. Hitler spared his enemies where he could have killed them all. Previous and still, Hitler had worked around the clock to obtain peace with England. Many Gentiles in England including members of the Royal family and even the famed T. E. Laurence of "Arabia" himself was a pro-Nazi. Laurence was murdered on his way to

an important meeting to help bring a peace treaty with Germany before the war.

Rudolf Hess also made a fateful mission to Britain in 1941 to meet with the Pro-Peace members of the English Nobility and Government and bring Peace between the two Nations, where he was captured by the kosher Churchill's secret police and spent the rest of his life in a solitary prison cell:

"Hess was a prominent figure in Nazi Germany, acting as Adolf Hitler's deputy in the Nazi Party. On the eve of war with the Soviet Union, he flew to Scotland in an attempt to negotiate peace, but was arrested. He was tried at Nuremberg and sentenced to life in prison where he died [was murdered] in 1987."

"My coming to England in this way is, as I realize, so unusual that nobody will easily understand it. I was confronted by a very hard decision. I do not think I could have arrived at my final choice unless I had continually kept before my eyes the vision of an endless line of children's coffins with weeping mothers behind them, both English and German, and another line of coffins of mothers with mourning children."

-Rudolf Hess Statement of 10 June 1941, as quoted in Rudolf Hess: Prisoner of Peace (1982) by Ilse Hess (his wife).

"I was suspicious for several reasons... after all, Hess who had been held in Spandau for almost 30 years was by then 93-years-old and fragile. I doubted he had the strength to kill himself with a cord which was not attached at both ends to anything."

- Lt. Col. Eugene K. Bird on the death of Hess, to a Deutsche Presse-Agentur reporter, as quoted in "Former governor of Spandau Prison dies in Berlin" in Expatica (7 November 2005)

Hess was murdered by the Jews to "tie up loose ends" and remove anyone who might still be alive to tell the truth.

And of course the Holohoax is a lie: <http://www.holocaustdenialvideos.com/>

Cole in Auschwitz 1 of 7

Even a JEW admits and proves the "holocaust" is a LIE!

Hitler also forbade the use of chemical weapons and did not allow the creation of nuclear weapons as he was disgusted and aghast at such a thing. Hitler was a combat soldier at the front [highly decorated for bravery] for the entire Great

War and knew first hand what such Jewish [the creator of Gas weapons was a Jewish chemist] created weapons were like. He like millions of men experienced being wounded by such weapons. The creators of Atomic weapons and war was a Jew named Oppenheimer and his fellow Jews were behind getting it built and used. Japan was already going to surrender to the Allies, so there was no need to use Atomic weapons on them. It was Talmudic hatred for Gentiles, nothing more. It was Jewish dominated politicking in America that had forced Japan into war on purpose in the first place by placing embargo's on Japan that would have left Japan impoverished and starving. The Jews committed a real holocaust on Japan because they also wanted to test their new Atomic weapons on a real Goyim population.

The reason America came into the War was by that time the Jewish elite were in control of its vital networks and so did everything to push America into the War. Under crypto-Jew Roosevelt [of Dutch-Jewish ancestry] and his staff with reads like a synagogue list. Roosevelt in a telegram to the French Premier Reynaud on June 15 1940. Promised to double American aid to France on the condition it continue the war against Germany. In December 19 1339 an American warship the Tuscaloosa maneuvered a German passenger vessel the Columbus in to the hands of the British navy while in the security zone. Of which was scuttled by the Germans. In January 1940 the American warship Treton in violation of internal law reported the movements of the German merchant ships Arauca, LaPlata and Wangoi to enemy naval forces. On June 27 1940 Roosevelt announced a limitation on the free movement of foreign merchant [Axis] vessels in American ports which is also in violation of internal law. In November of the same year Roosevelt allows for American warships to chase the German merchant ships Phrygia, Idarwald and Rhein. Which ended in all three ships scuttling themselves to avoid capture. This and its identical acts are all acts of provoked war against Germany. Helping enemy nations to attack their ships and citizens.

Roosevelt also sent the OSS Chief colonel Donovan to start uprisings against Germany and Italy in Sofia and Belgrade.

Roosevelt then permitted American citizens to join the RAF while also openly training RAF personal in America. In September of 1940 Roosevelt transferred fifty American destroyers to the British navy. In March 1941 Roosevelt imposed the Lend-Lease Act on America Which meant as President he could official furnish as much aid as he wanted to [at the tax payers expense] that he felt it was in American's interest to defend such as the Soviet Jewion. This aid was the major

reason the Red Beast was able to survive in the early part of the Eastern war.

Roosevelt had also worked to block other nations from making peace or having any peaceful relations with Germany. Using economic policy as weapon against them. In 1940 he froze all Norwegian and Danish assets. Despite the fact Germany had not nor had the plan the loot or dictate financial policy to either nation. Later Belgian assets in America where also frozen [frozen=stolen] with Roosevelt recognizing nonsense panels of exiles from such nations as governments in exile. An act of blatant hostility towards Axis Europe. Roosevelt's actions from even before the war showed he committed to warfare on any level against the National Socialist Nation in Europe.

On April 13 1941 American ships where permitted to pass freely thought the Red Sea to supply British armies fighting in the Middle East. In March of the same year the Americans started to openly confiscate all German ships they could. While treating German citizens once again in violation of international law like prisoners. In another indictment two German officers that escaped from Canadian custody and fled to America. Where in violation of internal law return chained back into Canada which was at war with Germany. At the same time American naval ships started to increase patrols in the Western Atlantic reporting to the British navy on any observations. On Axis ships military or civilian. While repairing British naval ship in US ports. In May Norwegian vessels working for the British where openly armed and repaired in American ports. In violation of internal law. In June America troops arrived in Greenland to start building military air bases. Then on the 9th on the same month was a report from the British that Roosevelt had ordered an American warship to openly attack a German submarine off Greenland. Then German assets in violation of internal law in the same month in America where official frozen. Around the same time Roosevelt orders the recall of the German consuls and calls for the closing of the German press agency "Transocean" the German library of information in New York as well as the German national rail office [Reichbahn].

In July of 1941 American armed forces under Roosevelt orders occupy Greenland which is in an area of German military operations. In a hope to force Germany into a war with America and attempt to influence the outcome of German U-boat operations. Against Germanys favor. As part of this on July 10th 1941 America Navy Secretary Frank Knox orders that all American warships are officially ordered to fire on all Axis vessels. That is another announcement of open war on

Germany by the American government. On September of that year the US Warship Greer joins with British warships to attack German submarines in the Atlantic. Soon after a German submarine identifies American warships acting as open military escorts for British convoys.

Roosevelt openly admits in a speech given on September 11 1941 he had personally given the order for American warships to fire on all Axis vessels and repeatedly given the order. On the 29th of the same month American warship patrols attack a German submarine off Greenland. On October the 17th the American warship Keanry acting on this order attacks another German submarine. Then in November of the same year American warships in violation of international law, capture the German ship Odenwald take it to an American port and imprison the crew.

The American Government and its Jewish controllers had already declared war on Germany privately for years. The same methods were used against Japan to force them into a war as well. It's no secret fact anymore the US government knew about Pearl Harbor months in advance and did nothing. As they wanted an official reason to do what they had been doing all along.

Poland And More Jewish Hate

The same Jews placed international embargo's on Germany during the 1930's- see Judea Declares War on Germany/Freedman confessions: would have left 1/3rd of the German people in starvation. Even then Germany did not go to war until Hitler had no choice to invade Poland to stop the genocide of the ethnic German populace which had killed around 20,000 to 50,000 innocent people by Jewish-created and backed Haitian-style murder squads. And that was after Hitler had warned Poland to stop it and appealed to the League of Nations, the UN of the day, to do something. The Broomberg massacre was the final draw. Thousands of Germans were massacred, literally Rwandan style.

Hitler's invasion of Poland was done to end the genocide of thousands of innocent people by force, as appeals to reason and compassion had failed. Churchill, the Jew puppet and who's mother was a Jewess as even reported by the Jerusalem Post, and from 1936 was being funded by a group of mainly Jewish bankers, former politicians and industrialists called "The Focus Group" and was given a huge amount of money by the Jewish Chairman of the Shell company in July of that year. He made a deal with the Pole government behind the door. They

were to force Germany into attacking by any means and then England and France could declare war and look like the morally righteous side. This was to open a two front war between Poland in the East, and France, and England in the West, which was to defeat Germany, as the Polish Army alone out-numbered the German one. Key areas of Polish society had no doubt been subverted by Jewry as well by this point.

"Lord Nathan Rothschild was the most powerful man in Britain."
-British Prime Minister Lloyd George

The British Empire had been under Jewish control for a century by this point with the Jewish Banking Dynasties. Many such Jews had also become part of the British Nobility, such as the Rothschild's:

"The Rothschild family...The British branch of the family was elevated into the British nobility at the request of Queen Victoria. It has been argued that during the 19th century, the family possessed by far the largest private fortune in the world, and by far the largest fortune in modern world history."

Even having the Jews in control of the British Government directly such as Disraeli:

"Benjamin Disraeli, 1st Earl of Beaconsfield, KG, PC, FRS, (21 December 1804 – 19 April 1881) was a British Prime Minister, parliamentarian, Conservative statesman, and literary figure. He started from comparatively humble origins. He served in government for three decades, twice as Prime Minister of the United Kingdom. Although his father had him baptized to Anglicanism at age 12, he was nonetheless Britain's first and thus far only Prime Minister who was born into a Jewish family - originally from Italy."

They did not count on the fact Hitler was a genius who had created a modern People's Army and lightning war tactics which if you study the history of military thinking were revolutionary and so far ahead of the time. Hence why Poland and then France fell in two weeks each. Even then after what the wicked Jews had done to Germans and Europe, Hitler still asked for and gave fair terms in friendship and not as a conqueror. France agreed with the Vichy Nationalist Government but England refused. Poland stayed under occupation considering what had happened and Poland had already invaded Germany several times before in the Weimar period, but they were treated with respect under Hitler's direct orders there was no revenge actions taken towards the Polish populace for Broomberg.

The Soviet Jewion which had attacked from the East taking advantage of the situation for a power grab did however commit genocide on the Polish population, the most famous example being Katyn massacre:

"The Katyn massacre, also known as the Katyn Forest massacre, was a mass execution of Polish nationals carried out by the Soviet secret police NKVD in April to May 1940. It was based on Lavrenty Beria's proposal to execute all members of the Polish Officer Corps, dated 5 March 1940. This official document was then approved and signed by the Soviet Politburo, including its leader, Joseph Stalin. The number of victims is estimated at about 22,000, the most commonly cited number being 21,768. The victims were murdered in the Katyn Forest in Russia, the Kalinin and Kharkov prisons and elsewhere. About 8,000 were officers taken prisoner during the 1939 Soviet invasion of Poland, the rest being Polish doctors, professors, lawmakers, police officers, and other public servants arrested for allegedly being "intelligence agents, gendarmes, landowners, saboteurs, factory owners, lawyers, officials and priests." Since Poland's conscription system required every unexempted university graduate to become a reserve officer, the NKVD was able to round up much of the Polish intelligentsia."

The Battle of Britain started in defense against Koshher Churchill's sending bombers across the Channel to bomb German cities and towns FIRST. Hitler warned him to stop such actions. Churchill refused and after several more times, then Hitler sent the German Air Force across the channel and then only to bomb the British Air Forces bases to cripple Koshher Churchill and Harris RAF terror bombers from attacking anymore German civilian centers. What happened is during a night attack, one of the German bombers thinking they were over the channel already had to drop their excess bombs to have the fuel left to make it home. Sadly they were over a British City but since the blackouts were in effect, they had no way of knowing. They worked to avoid any civilian causality. To the point under twenty one thousand for the entire battle. Even when they where in the position they could have leveled half of England. And this was only after Hitler had bent over backwards trying to make Peace with England from the 1930's and on. As mentioned even sparing the entire English Army at Dunkirk.

The hidden part of the Air War Talmudic Protocols In Action:

"February 13/14 1945: Holocaust over Dresden, known as the Florence of the

North. Dresden was a hospital city for wounded soldiers. Not one military unit, not one anti-aircraft battery was deployed in the city. Together with the 600.000 refugees from Breslau, Dresden was filled with nearly 1.2 million people. Churchill had asked for "suggestions how to blaze 600.000 refugees". He wasn't interested how to target military installations 60 miles outside of Dresden. More than 700.000 phosphorus bombs were dropped on 1.2 million people. One bomb for every 2 people. The temperature in the center of the city reached 1600 o centigrade. More than 260.000 bodies and residues of bodies were counted. But those who perished in the center of the city can't be traced. Approximately 500.000 children, women, the elderly, wounded soldiers and the animals of the zoo were slaughtered in one night."

"In fact, little had been done to provide the ancient city of artists and craftsmen with anti-aircraft defenses. One squadron of planes had been stationed in Dresden for awhile, but the Luftwaffe decided to move the aircraft to another area where they would be of use. A gentlemen's agreement seemed to prevail, designating Dresden an "open city."

An easy opportunity to mass murder as many innocent people as possible by Jewry. A hundred thousand people died in the first twenty minutes of the attack.

One eyewitness who survived told of seeing "young women carrying babies running up and down the streets, their dresses and hair on fire, screaming until they fell down, or the collapsing buildings fell on top of them."

As the German government stated after the attack:

"Dresden had no war industries, it was a place of culture and clinics."

"What distinguished this raid was the cold-blooded ruthlessness with which it was carried out. U.S. Mustangs appeared low over the city, strafing anything that moved, including a column of rescue vehicles rushing to the city to evacuate survivors. One assault was aimed at the banks of the Elbe River, where refugees had huddled during the horrible night.

"Dresden's citizens barely had time to reach their shelters. The first bomb fell at 10:09 p.m. The attack lasted 24 minutes, leaving the inner city a raging sea of fire. "Precision saturation bombing" had created the desired firestorm.

There was a three-hour pause between the first and second raids. The lull had

been calculated to lure civilians from their shelters into the open again. To escape the flames, tens of thousands of civilians had crowded into the Grosser Garten, a magnificent park nearly one and a half miles square.

The second raid came at 1:22 a.m. with no warning. Twice as many bombers returned with a massive load of incendiary bombs. The second wave was designed to spread the raging firestorm into the Grosser Garten.

It was a complete "success." Within a few minutes a sheet of flame ripped across the grass, uprooting trees and littering the branches of others with everything from bicycles to human limbs. For days afterward, they remained bizarrely strewn about as grim reminders of Allied sadism."

At the start of the second air assault, many were still huddled in tunnels and cellars, waiting for the fires of the first attack to die down. At 1:30 a.m. an ominous rumble reached the ears of the commander of a Labor Service convoy sent into the city on a rescue mission. He described it this way:

"The detonation shook the cellar walls. The sound of the explosions mingled with a new, stranger sound which seemed to come closer and closer, the sound of a thundering waterfall; it was the sound of the mighty tornado howling in the inner city."

"Others hiding below ground died. But they died painlessly--they simply glowed bright orange and blue in the darkness. As the heat intensified, they either disintegrated into cinders or melted into a thick liquid--often three or four feet deep in spots.

Shortly after 10:30 on the morning of February 14, the last raid swept over the city. American bombers pounded the rubble that had been Dresden for a steady 38 minutes. But this attack was not nearly as heavy as the first two.

In the last year of the war, Dresden had become a hospital town. During the previous night's massacre, heroic nurses had dragged thousands of crippled patients to the Elbe. The low-flying Mustangs machine-gunned those helpless patients, as well as thousands of old men, women and children who had escaped the city.

When the last plane left the sky, Dresden was a scorched ruin, its blackened streets filled with corpses. The city was spared no horror. A flock of vultures escaped from the zoo and fattened on the carnage. Rats swarmed over the piles of corpses.

A Swiss citizen described his visit to Dresden two weeks after the raid: "I could see torn-off arms and legs, mutilated torsos and heads which had been wrenched from their bodies and rolled away. In places the corpses were still lying so densely that I had to clear a path through them in order not to tread on arms and legs."

Kurt Vonnegut was an American POW being held in Dresden when it was bombed in 1945, and wrote a famous anti-war novel, *Slaughterhouse Five* [named after the area he took refuge in to survive the bombing of the city]. He stated after the attack the city looked like the "surface of the moon."

"In December 1944, Vonnegut was captured by the German army and became a prisoner of war. In *Slaughterhouse Five*, he describes how he narrowly escaped death a few months later in the firebombing of Dresden. "Yes, by your people [the English], may I say," he insists. "You guys burnt the place down, turned it into a single column of flame. More people died there in the firestorm, in that one big flame, than died in Hiroshima and Nagasaki combined. I'm fond of your people, on occasion, but I was just thinking about 'Bomber Harris, who believed in attacks on civilian populations to make them give up. A hell of a lot of Royal Air Force guys were ashamed of what Harris had made them do. And that's really sportsmanship and, of course, the Brits are famous for being good sports,"

As one RAF member who took part in the attack stated after: "I found myself making comments to the crew: "Oh God, those poor people." It was completely uncalled for. You can't justify it."

Here is an example of a minor RAF raid:

"During the latter stages of World War II Porzheim, a town in southwestern Germany, was bombed a number of times. The largest raid, and one of the most devastating area bombardments of the war was carried out by the Royal Air Force (RAF) on the evening of February 23, 1945. As many as 17,600 people, or 31.4% of

the town's population, were killed in the air raid. About 83% of the town's buildings were destroyed, two-thirds of the complete area of Pforzheim and between 80 and 100% of the inner city."

The RAF Bomber or Ariel Genocide Force took some of the highest death rates of any service in the war for Britain. Because the Germans fought so desperately against the terror bombing strikes on their people, German Fighter Pilots would crash their burning shot apart fighters along with themselves into a RAF Bomber just to stop one more of them from being able to murder anymore of their people. It was that horrific of a situation.

The Situation In The East Jewish Aggression On Display:

Hitler knew that fighting a defensive war against the Red Army was suicide, as they would be facing up to 30,000 million troops, thousands of tanks, planes and heavy guns. If the Red Army was not struck while still mobilizing for their invasion, Western Europe was doomed. Jewry was playing their big Red Hand as they were the Soviet Jewion. Even Stalin was a Yid. His real name `Dzhugashvili' in Georgian means "Son of a Jew."

The Eastern Struggle Jewish Aggression On Display

The invasion of the Soviet Union was done after German intelligence informed them with the overwhelming evidence that the Soviet Jewion was planning to attack them in the Spring of 1941, and yes, the entire Red Army was mobilizing on the borders. It was too big to be exercised alone. It was an invasion force. Operation Sea Lion, the invasion of England was nothing more then a ruse to distract the Soviets from the fact they knew and were preparing a first survival strike.

German Chief of Staff Franz Halder, stated "That Russia was preparing for an attack on Germany" "We know today from good sources that he [Hitler] was right about that."

At Nuremberg General Winter testified under oath: "We had at the time the subjective impression that we were striking into an offensive deployment in progress."

Senior-General Jodl is on record stating that Hitler never even mentioned the ideal of Lebensraum in 1940 when the discussion on a preemptive war with the Soviet Jewion came up. This is an open statement to the damning fact of how much the Jewish lie machine has worked to rewrite history. The war was defensive not ideological on their part. As stated by Senior-General Jodl who testified at Nuremberg:

"The Fuehrer has never named in my presence even just one hint of a reason other than the purely strategic."

Hitler by Jodl testimony made the following statements to him, many times over:

"There is no doubt now that England puts her hopes in this last mainland proxy; [my note Soviet Jewion] otherwise she would have already called off the war after Dunkirk.... Agreements have certainly already been made. The Russian deployment is unmistakable. One day suddenly we shall be either coldly blackmailed or attacked."

Churchill in 1940 purposely rejected Germany's offer of peace and voted to keep the war going because as he stated with Sir Stafford Cripps meeting with the Soviets in Moscow they had been given the direct promise the Soviet Jewion was going to come into the war on Britain's side.

So the Eastern War started because the Jews started it. The Axis Army was welcomed as a liberator across the Eastern Nations. They went through as they had freed the Gentiles from Jewish rule under Communism, which had already murdered over 20 million innocent Gentiles. Seven million died in the Ukrainian holocaust alone which was overseen by the Jew Lazar Moiseyevich Kaganovich on orders from the Jew Stalin. Millions more died in a system of death camps called Gulags, each run by a Jewish Commissar. The Jews just worked them to death on purpose as shooting them was too quick.

On the camps from survivors:

"If you complain or write anything ("Heaven forbid"), they will frame you for an attempted escape or for something else, and they will shoot you like a dog. They [the Jews] line us up naked and barefoot at 22 degrees below zero and keep us outside for up to an hour. It is difficult to describe all the chaos and terror that is going on in Kemi, Solovky, and the other sections of the concentrations camp....they forced inmates to eat their own feces."

Tens of millions of innocent Gentiles died in these Jewish run camps. The Jew

being the Master of Projection, lied and took what they did to the Gentiles in the Gulags and claimed it was what the Germans did to them!

In fact, reading the reports and letters of the Axis soldiers of the first waves going into the former Communist controlled areas, it was the citizens themselves who were rounding up and punishing the Jews in general, as they all knew the Commissars were local Jews and even anti-Semitism was literally the death penalty under the Reds. The Kosher NKVD before running away had rounded up any Gentile they could and brutally murdered them in droves with everything from axes to bullets in pure Talmudic vile. When the family members found the bodies stacked like wood in the courtyards, and as mentioned, they knew it was the Jews, so they took revenge. It was the Axis troops that ended the Pogroms, not started them. Unlike the kosher claims, and yes, all Commissar's given the disgusting crimes against humanity, the Axis troops had found they were committing were ordered to be shot on site.

The so called "Partisans" in the East as in the West were actually all Jews, especially at the start. The Western branch of the resistance [red terror] movements like the famed "French Resistance" were almost to a person, Jews. Hence why the Axis had to round up and imprison every Jew they could find, as they knew the Jews were working against them as terrorist racial collective behind the lines and at the front. Axis Europe was fighting for it's life at this point.

With the opening of the KGB archives it was found that the Russian populations living in the Axis liberated territories worked in full cooperation with the Germans against the Jewish Red Beast these people had lived fully under the Red Heel and lost many loved ones to it. Contrary to popular belief there never was a "Russian" revolution but the White Russians [Nationalist] fighting desperately against an international Jewish take over of whom the Red armies where mainly armed with Jews from the Pale and aboard and tens of thousands of Chinese Mercenaries bought and shipped in from the East by the Jews and general dregs.

The Germans worked with the Russian communities [and other Eastern Europeans] and built them hospitals, new farms, homes, community centers and schools. They liberated numerous gulags and freed the prisoners helped restore them to health and returned them to their homes and families and built a real spirit of friendship with them. In places like Ukraine as in Russia they worked with the locals to help uncover mass graves of thousands of murdered innocents by the Jewish NKVD. Helping to identify as many as possible and return them to their

families for proper burials. When investigating the crimes and bringing any still in the area responsible to justice. As it turns out 99.9% of those brought to justice all happened to be Jews. No surprise there. It was also found during the investigation the killings of the populace by the Jewish lead Reds where selective targeting of the best and brightest elements of the Gentile community. Upon after their murders any property they did have was given to the local Jewish populations. Right out of the Talmud.

The Germans helped to create in Russian and other Eastern Nations a new core of National Socialist Communities. Which was Himmler's actual plan for the East if did war occur. The East was to be developed into Slavic National Socialist States who would be part of a larger Pan-European Confederation . For the multi-cooperation and betterment and protection of the common Indo-European cultures, peoples and nations.

Another event the opening of the KGB achieves recorded was the majority of civilian deaths on the Eastern Front where literally mass liquidations of the Russian and other populaces done by the Bolsheviks. As they knew the populaces where working with the Axis for their mutual liberation and freedoms in the freed areas. They sought to deny the Axis any material industrial, agricultural or human. Their scored earth policy was applied to the human populations as well. Whole areas where wiped clean of all life.

Millions of Eastern European Gentiles volunteered to fight against the Judeo-Bolsheviks and their Red Army in the East, 50,000 White Russians fought with the 6th Army at Stalingrad alone and they all fought to the end in that desperate battle.

Hundreds of thousands more Western and central Europeans volunteered to help to fight in the Waffen SS alongside their Eastern Brethren against Judeo-Bolshevism on the Eastern front. They fought so fierce even in the face of overwhelming odds. Koshier Stalin was begging his fellow Jews to open up a second front in the West. Only a tiny percent of the Waffen SS were German Nationals. The mass majority were Europeans from every free Nation in Europe. Even some English fought in the ranks.

Hitler had done for the first time in known history what no other Man had done. He had united European Nations and peoples to fight together as one against the Jewish monster in the East and the whole of Global Jewry as well. Europeans had

decided they wanted to be free and were fighting by the millions to be free from Jewry.

Beyond that, even Indians, Blacks, Japanese, and Tibetan Gentile warriors fought in the Axis ranks as honored Gentile Brothers-in-Arms. It is a little known fact that Hitler and the Dali Lama were allies and thousands of dead Tibetans in German uniforms were pulled from the rubble of Berlin where they died fighting with thousands of other free Gentiles warriors.

The famed Indian Nationalist Leader Subhas Chandra Bose personally meet with both Hitler and Himmler and also spoke to large meetings of Axis leaders in Europe and was received by them as a hero. Bose went to the thousands of Indian POW's in German custody who where captured as part of the British Army in N. Africa who had refused to break their oath of service to England. After speaking with them on mass and telling then the truth. Thousands of Indians volunteered to fight for National Socialism and themselves became National Socialists as Bose was himself in essence. And where treated as equals by the Germans. Bose even wanted to model important aspects of National Socialist Germany for the new Indian Nation he hoped to create. Today all across India there are thousands of murals devoted to Bose who is a celebrated hero, many murals depicted the iconic meeting of Bose with Hitler both shaking the other hand.

In the memoirs of a Black soldier who fought in the German army he wrote that in the American Army Black soldiers where segregated and treated as second class people. Where in the German Army, himself and other Black troops lived side by side with the White soldiers ate at the same mess tables and had the same rights and privileges. And where treated with equal respect to the White soldiers. National Socialism is built upon racial respect and common values of kin altruism.

The Jews have lied about Hitler and project their vulgar racism onto him falsely.

Hitler's OWN statements on the subject of actual racialism:

"I promise you I am quite free from all racial hatred. It is, in my case, undesirable that one race should mix with other races. Except for a few gratuitous successes, which I am prepared to admit, systematic cross-breeding has never produced good results. It's desire to remain racially pure is proof of the vitality and good health of a race. Pride in one's own race -- is also a

normal and healthy sentiment. I have never regarded the Chinese or Japanese as being inferior to ourselves. They belong to ancient civilizations, and I admit freely that their past history is superior to our own. They have the right to be proud of their past, just as we have the right to be proud of the civilization to which we belong. Indeed, I believe the more steadfast the Chinese and the Japanese remain in their pride of race, the easier I shall find it to get on with them."

-Adolf Hitler

Hitler wanted each Gentile Race to preserve their own unique genetic line and cultures and work to become the best people they could be in the Cosmos. That is real care for the healthy order of life where the Jew wants to destroy it.

Waffen-SS General Leon Degrelle stated:

" German racialism meant re-discovering the creative values of their own race, re-discovering their culture. It was a search for excellence, a noble ideal. National Socialist racialism was not against the other races, it was for its own race. It aimed at defending and improving its race, and wished that all other races did the same for themselves....National Socialist racialism was loyal to the German race and totally respected all other races."

What the World Rejected: Hitler's Peace Offers 1933-1939

by Friedrich Stieve

Germany's enemies maintain today that Adolf Hitler is the greatest disturber of peace known to history, that he threatens every nation with sudden attack and oppression, that he has created a terrible war machine in order to cause trouble and devastation all around him. At the same time they intentionally conceal an all-important fact: they themselves drove the Leader of the German people finally to draw the sword. They themselves compelled him to seek to obtain at last by the use of force that which he had been striving to gain by persuasion from the beginning: the security of his country. They did this not only by declaring war on him on September 3, 1939, but also by blocking step by step for seven years the path to any peaceful discussion.

The attempts repeatedly made by Adolf Hitler to induce the governments of other states to collaborate with him in a reconstruction of Europe represent an ever-recurring pattern in his conduct since the commencement of his labors for the German Reich. But these attempts were wrecked every time by reason of the

fact that nowhere was there any willingness to give them due consideration, because the evil spirit of the Great War still prevailed everywhere, because in London and Paris and in the capitals of the Western Powers' vassal states there was only one fixed intention: to perpetuate the power of Versailles.

A rapid glance at the most important events will furnish incontrovertible proof for this statement.

When Adolf Hitler came to the fore, Germany was as gagged and as helpless as the victors of 1918 wanted her to be. Completely disarmed, with an army of only 100,000 men intended solely for police duties within the country, she found herself within a tightly closed ring of neighbors all armed to the teeth and leagued together. To the old enemies in the West, Britain, Belgium, and France, new ones were artificially created and added in the East and the South: above all Poland and Czechoslovakia. A quarter of the population of Germany was forcibly torn away from their mother country and handed over to foreign powers. The Reich, mutilated on all sides and robbed of every means of defense, at any moment could become the helpless victim of some rapacious neighbor.

Then it was that Adolf Hitler for the first time made his appeal to the common sense of the other powers. On May 17, 1933, a few months after his appointment to the office of Reichskanzler, he delivered a speech in the German Reichstag, from which we extract the following passages:

" . . . Germany will be perfectly ready to disband her entire military establishment and destroy the small amount of arms remaining to her, if the neighboring countries will do the same thing with equal thoroughness.

". . . Germany is entirely ready to renounce aggressive weapons of every sort if the armed nations, on their part, will destroy their aggressive weapons within a specified period, and if their use is forbidden by an international convention.

". . . Germany is at all times prepared to renounce aggressive weapons if the rest of the world does the same. Germany is prepared to agree to any solemn pact of non-aggression because she does not think of attacking anybody but only of acquiring security."

No answer was received. Without paying any heed the others continued to fill

their arsenals with weapons, to pile up their stores of explosives, to increase the numbers of their troops. At the same time the League of Nations, the instrument of the victorious powers, declared that Germany must first pass through a period of "probation" before it would be possible to discuss with her the question of the other countries. On October 14, 1933, Hitler broke away from this League of Nations with which it was impossible to come to any agreement. Shortly afterwards, however, he came forward with a new proposal for the improvement of international relations. This proposal included the following six points:

1. Germany receives full equality of rights.
2. The fully armed States undertake amongst themselves not to increase their armaments beyond their present level.
3. Germany adheres to this agreement, freely undertaking to make only so much actual moderate use of the equality of rights granted to her as will not present a threat to the security of any other European power.
4. All States recognize certain obligations in regard to conducting war on humane principles, or to the elimination of certain weapons for use against the civilian population.
5. All States accept a uniform general control which will watch over and ensure the observance of these obligations.
6. The European nations guarantee one another the unconditional maintenance of peace by the conclusion of non-aggression pacts, to be renewed after ten years.

Following upon this a proposal was made to increase the strength of the German army to 300,000 men, corresponding to the strength required by Germany "having regard to the length of her frontiers and the size of the armies of her neighbors," in order to protect her threatened territory against attacks. The defender of the principle of peaceable agreement was thus trying to accommodate himself to the unwillingness of the others to disarm by expressing a desire for a limited increase of armaments for his own country. An exchange of notes, starting from this and continuing for years, finally came to a sudden end with an unequivocal "no" from France. This "no" was moreover accompanied by

tremendous increases in the armed forces of France, Britain, and Russia.

In this way Germany's position became still worse than before. The danger to the Reich was so great that Adolf Hitler felt himself compelled to act. On March 16, 1935, he reintroduced conscription. But in direct connection with this measure he once more announced an offer of agreements of an extensive nature, the purpose of which was to ensure that any future war would be conducted on humane principles, in fact to make such a war practically impossible by eliminating destructive armaments. In his speech of May 21, 1935, he declared:

"The German Government is ready to take an active part in all efforts which may lead to a practical limitation of armaments. It regards a return to the former idea of the Geneva Red Cross Convention as the only possible way to achieve this. It believes that at first there will be only the possibility of a gradual abolition and outlawry of weapons and methods of warfare which are essentially contrary to the Geneva Red Cross Convention which is still valid.

"Just as the use of dum-dum bullets was once forbidden and, on the whole, thereby prevented in practice, so the use of other definite arms should be forbidden and prevented. Here the German Government has in mind all those arms which bring death and destruction not so much to the fighting soldiers as to non-combatant women and children.

"The German Government considers as erroneous and ineffective the idea to do away with aeroplanes while leaving the question of bombing open. But it believes it possible to proscribe the use of certain arms as contrary to international law and to excommunicate those nations which still use them from the community of mankind its rights and its laws.

"It also believes that gradual progress is the best way to success. For example, there might be prohibition of the dropping of gas, incendiary and explosive bombs outside the real battle zone. This limitation could then be extended to complete international outlawry of all bombing. But so long as bombing as such is permitted, any limitation of the number of bombing planes is questionable in view of the possibility of rapid substitution.

"Should bombing as such be branded as a barbarity contrary to international law, the construction of bombing aeroplanes will soon be abandoned as superfluous and

of no purpose. If, through the Geneva Red Cross Convention, it turned out possible as a matter of fact to prevent the killing of a defenseless wounded man or prisoner, it ought to be equally possible to forbid, by an analogous convention, and finally to stop, the bombing of equally defenseless civilian populations.

"In such a fundamental way of dealing with the problem, Germany sees a greater reassurance and security for the nations than in all pacts of assistance and military conventions.

"The German Government is ready to agree to any limitation which leads to abolition of the heaviest arms, especially suited for aggression. Such are, first, the heaviest artillery, and secondly, the heaviest tanks. In view of the enormous fortifications on the French frontier such an international abolition of the heaviest weapons of attack would ipso facto give France 100 percent security.

"Germany declares herself ready to agree to any limitation whatsoever of the caliber-strength of artillery, battleships, cruisers, and torpedo boats. In like manner the German Government is ready to accept any international limitation of the size of warships. And finally it is ready to agree to limitation of tonnage for submarines, or to their complete abolition in case of international agreement.

"And it gives further assurance that it will agree to any international limitations or abolition of arms whatsoever for a uniform space of time."

This time again Hitler's declarations did not find the slightest response. On the contrary, France made an alliance with Russia in order to increase her preponderating influence on the Continent still further, and to augment to a gigantic degree the pressure on Germany from the East. In view of the evident destructive intentions of his opponents, Adolf Hitler was therefore obliged to take new measures to ensure the safety of the German Reich. On March 3, 1936, he occupied the Rhineland, which had been without military protection since Versailles, and thus closed the wide gate through which the Western neighbor could carry out an invasion. Once again he followed the defensive step which he had been obliged to take with a liberal appeal for general reconciliation and for the settlement of all differences. On March 31, 1936, he formulated the

following peace plan:

1. In order to give to future agreements securing the peace of Europe the character of inviolable treaties, those nations participating in the negotiations do so only on an entirely equal footing and as equally esteemed members. The sole compelling reason for signing these treaties can only lie in the generally recognized and obvious practicability of these agreements for the peace of Europe, and thus for the social happiness and economic prosperity of the nations.
2. In order to shorten in the economic interest of the European nations the period of uncertainty, the German Government proposes a limit of four months for the first period up to to the signing of the pacts of non-aggression guaranteeing the peace of Europe.
3. The German Government gives the assurance not to add any reinforcements whatsoever to the troops in the Rhineland during this period, always provided that the Belgian and French Governments act in the same way.
4. The German Government gives the assurance not to move during this period closer to the Belgian and French frontiers the troops at present stationed in the Rhineland.
5. The German Government proposes the setting up of a commission composed of the two guarantor Powers, Britain and Italy, and a disinterested third neutral power, to guarantee this assurance to be given by both parties.
6. Germany, Belgium, and France are each entitled to send a representative to this Commission. If Germany, France, or Belgium think that for any particular reason they can point to a change in the military situation having taken place within this period of four months, they have the right to inform the Guarantee Commission of their observations.
7. Germany, Belgium, and France declare their willingness in such a case to permit this Commission to make the necessary investigations through the British and Italian military attaches, and to report thereon to the Powers participating.

8. Germany, Belgium and France give the assurance that they will bestow the fullest consideration to the objections arising therefrom.
9. Moreover the German Government is willing on a basis of complete reciprocity with Germany's two western neighbors to agree to any military limitations on the German western frontier.
10. Germany, Belgium, and France and the two guarantor Powers agree to enter into negotiations under the leadership of the British Government at once or, at the latest, after the French elections, for the conclusion of a 25-years non-aggression or security pact between France and Belgium on the one hand, and Germany on the other.
11. Germany agrees that Britain and Italy shall sign this security pact as guarantor Powers once more.
12. Should special engagements to render military assistance arise as a result of these security agreements, Germany on her part declares her willingness to enter into such engagements.
13. The German Government hereby repeats its proposal for the conclusion of an air-pact to supplement and consolidate these security agreements.
14. The German Government repeats that should the Netherlands so desire it is willing to include that country too in this West-European security agreement.
15. In order to stamp this peace-pact, voluntarily entered into between Germany and France, as the reconciliatory conclusion of a centuries-old dispute, Germany and France pledge themselves to take steps to see that in the education of the young, as well as in the press and publications of both nations, everything shall be avoided which might be calculated to poison the relationship between the two peoples, whether it be a derogatory or contemptuous attitude, or improper interference in the internal affairs of the other country. They agree to set up at the headquarters of the League of Nations at Geneva, a joint commission whose function it shall be to lay all complaints received before the two governments for information and investigation.
16. In pursuance of their intention to give this agreement the character of a

sacred pledge, Germany and France undertake to ratify it by means of a plebiscite if the two nations.

17. Germany expresses her willingness, on her part, to establish contact with the states on her south-eastern and north-eastern frontiers, in order to invite them directly to conclude the pacts of non-aggression already proposed.

18. Germany expresses her willingness to re-enter the League of Nations, either at once, or after the conclusion of these agreements.

At the same time, the German Government again expresses as its expectation that, after a reasonable time and by the method of friendly negotiations, the question of colonial equality of rights and that of the separation of the Covenant of the League of Nations from its foundations in the Versailles Treaty will be cleared up.

19. Germany proposes the setting up of an International Court of Arbitration, which shall be responsible for the observance of the various agreements and whose decisions shall be binding on all parties.

After the conclusion of this great work of securing European peace, the German Government considers it urgently to endeavor by practical measures to put a stop to the unlimited competition in armaments. In her opinion this would mean not merely an improvement in the financial and economic positions of the nations, but above all a diminution of the psychological tension.

The German Government, however, has no faith in the attempt to bring about universal settlements, as this would be doomed to failure from the outset, and can therefore be proposed only by those who have no interest in achieving practical results. On the other hand it is of the opinion that the negotiations held and the results achieved in limiting naval armaments should have an instructive and stimulating effect.

The German Government therefore proposes that future conferences shall have one clearly defined objective.

For the present, it believes the most important task is to bring aerial warfare into the moral and humane atmosphere of the protection afforded to

non-combatants or the wounded by the Geneva Convention. Just as the killing of defenseless wounded, or prisoners, or the use of dum dum bullets, or the waging of submarine warfare without warning, have been either forbidden or regulated by international conventions, so it must be possible for civilized humanity to prevent the senseless abuse of any new type of weapon, without running counter to the object of warfare.

The German Government therefore puts forward the proposal that the immediate practical tasks of this conference shall be:

1. Prohibition of dropping gas, poison, or incendiary bombs.
2. Prohibition of dropping bombs of any kind whatsoever on open towns and villages outside the range of the medium-heavy artillery of the fighting fronts.
3. Prohibition of the bombarding with long-range guns of towns more than 20 km. distant from the battle zone.
4. Abolition and prohibition of the construction of tanks of the heaviest type.
5. Abolition and prohibition of artillery of the heaviest calibre.

As soon as possibilities for further limitation of armaments emerge from such discussions and agreements, they should be utilized.

The German Government hereby declares itself prepared to join in every such settlement, in so far as it is valid internationally.

The German Government believes that if even a first step is made on the road to disarmament, this will be of enormous importance to the relationship between the nations, and to the recovery of confidence, trade, and prosperity.

In accordance with the general desire for the restoration of favorable economic conditions, the German Government is prepared immediately after the conclusion of the political treaties to enter into an exchange of opinions on economic problems with the other nations concerned, in the spirit of the proposals made, and to do all that lies in its power to improve the economic situation in Europe, and the world economic situation which is closely bound up with it.

The German Government believes that with the peace plan proposed above it has made its contribution to the reconstruction of a new Europe on the basis of reciprocal respect and confidence between sovereign states. Many opportunities for such a pacification of Europe, for which Germany has so often in the last few years made her proposals, have been neglected. May this attempt to achieve European understanding succeed at last!

The German Government confidently believes that it has opened the way in this direction by submitting the above peace plan.

Anyone who today reads this comprehensive peace plan will realize in what direction the development of Europe, according to the wishes of Adolf Hitler, should really have proceeded. Here was the possibility of truly constructive work, this could have been a real turning-point for the welfare of all nations. But once more he who alone called for peace was not heard. Only Britain replied with a rather scornful questionnaire which avoided any serious consideration of the essential points involved. Incidentally, however, she disclosed her actual intentions by setting herself up as the protector of France and by instituting and commencing regular military staff conversations with the French Republic just as in the period before the Great War.

There could no longer be any doubt now that the Western Powers were following the old path towards an armed conflict and were steadily preparing a new blow against Germany, although Adolf Hitler's whole thoughts and endeavors were directed towards proving to them that he wanted to remain on the best possible terms with them. In the course of the years he had undertaken numerous steps in this direction, of which a few more shall be referred to here. He negotiated the Naval Agreement of June 18, 1935, with Great Britain, which provided that the German Navy should have a strength of 35% of that of the British Navy. By this he wanted to demonstrate that the Reich, to use his own words, had "neither the intention nor the means, nor was it necessary" to enter into any rivalry as regards naval power, such as had had so fateful an influence on its relations to Great Britain in the well-remembered days before the Great War.

He assured France on every possible occasion of his desire to live at peace with her. He repeatedly renounced in plain terms any claim to Alsace-Lorraine. On the return to the Reich of the Saar territory as the result of the plebiscite, he

declared on March 1, 1935:

"It is our hope that through this act of just compensation, in which we see a return to natural reason, relations between Germany and France have permanently improved. Therefore as we desire peace, we must hope that our great neighbor is ready and willing to seek peace with us. It must be possible for two great peoples to join together and collaborate in opposing the difficulties which threaten to overwhelm Europe."

He even endeavored to arrive at a better understanding with Poland, the eastern ally of the Western Powers, although this country had unlawfully incorporated millions of Germans in 1919 and had subjected them to the worst oppression ever since. On January 26, 1934, he concluded a non-aggression pact with her in which the two Governments agreed "to settle directly all questions of whatever sort which concern their mutual relations."

Thus on all sides he opposed to the enemy plans his determination to preserve peace and strove to protect Germany in this way. When however he saw that London and Paris were arming for an attack, he was once more obliged to undertake fresh measures of defense. The enemy camp, as we have seen above, had been enormously extended through the alliance between France and Russia. In addition to this the two powers had secured a line of communication to the south of the Reich through Czechoslovakia having concluded a treaty with Russia which put her in the position of a bridge between east and west. Czechoslovakia, however, was in control of the high-lying country of Bohemia and Moravia, which Bismarck had called the citadel of Europe, and this citadel projected far into German territory. The threat to Germany thus assumed truly overpowering proportions.

The genius of Adolf Hitler found a way of meeting this danger. The conditions in German Austria, which under the terror of the Schuschnigg Government were tending towards civil war, offered him the opportunity of stepping in to save the situation, and to lead back into the Reich the sister nation to the south-east that had been sentenced by the victorious powers to lead the life of a hopelessly decaying "Free State." After he had thus established himself near the line of communication between France and Russia mentioned above, a process of disollution set in in the mixed state of Czechoslovakia, which had been artificially put together from the most diverse national elements, until after the liberation of the Sudetenland and the secession of Slovakia, the Czechs

themselves asked for the protection of the German Reich. With this the enemy's bridge came into Adolf Hitler's possession; and at the same time direct connection was made possible with Italy, whose friendship had been secured some time previously.

While he was gaining this strategic success for the security of his country, Adolf Hitler was again endeavoring with great eagerness to reach a peaceable understanding with the Western Powers. In Munich directly after liberation of the Sudeten Germans, approved by Britain, France, and Italy, he made an agreement with the British Prime Minister, Neville Chamberlain, the text of which was as follows:

We have had a further meeting today and have agreed in recognizing that the question of Anglo-German relations is of the first importance for the two countries and for Europe.

We regard the agreement signed last night and the Anglo-German Naval Agreement as symbolic of the desire of our two peoples never to go to war with one another again.

We are resolved that the method of consultation shall be the method adopted to deal with any other questions that may concern our two countries, and we are determined to continue our efforts to remove possible sources of difference and thus to contribute to assure the peace of Europe.

September 30, 1938

Adolf Hitler, Neville Chamberlain.

Two months later, on Hitler's instructions, the German Foreign Minister, von Ribbentrop, made the following agreement with France:

Herr Joachim von Ribbentrop, Reich Minister for Foreign Affairs, and M. Georges Bonnet, French Minister of Foreign Affairs, acting in the name and by the order of their Governments, are, at their meeting in Paris, on December 6, 1938, agreed as follows:

1. The German Government and the French Government fully share the conviction

that peaceful and good-neighborly relations between Germany and France constitute one of the most essential elements for the consolidation of the situation in Europe and the maintenance of general peace. The two Governments will in consequence use all their efforts to ensure the development of the relations between their countries in this direction.

2. The two Governments recognize that between the two countries there is no territorial question outstanding, and they solemnly recognize as final the frontiers between their countries as they now exist.

3. The two Governments are resolved, while leaving unaffected their particular relations with other Powers, to remain in contact with regard to all questions concerning their two countries, and mutually to consult should the later evolution of those qualities lead to international difficulties.

In token whereof the representatives of the two Governments have signed the present Declaration, which comes into immediate effect. Done in two original Documents in the French and German language respectively, in Paris, December 6, 1938.

Joachim von Ribbentrop Georges Bonnet
Reich Minister for Foreign Affairs Minister for Foreign Affairs

According to all calculations one should have been able to assume that the way was clear for collaborative reconstruction in which all leading powers would participate, and that the Fuehrer's endeavors to secure peace would at last meet with success. But the contrary was true. Scarcely had Chamberlain reached home when he called for rearmament on a considerable scale and laid plans for a new and tremendous encirclement of Germany. Britain now took over from France the leadership of this further encirclement of the Reich, in order to obtain a substitute for the lost Czechoslovakia many times its value. She opened negotiations with Russia, granted Poland a guarantee, and also Rumania, Greece, and Turkey. These were alarm signals of the greatest urgency.

Just at this time Adolf Hitler was occupied with the task of finally eliminating sources of friction with Poland. For this purpose he had made an uncommonly generous proposal by which the purely German Free City of Danzig would return to the Reich, and a narrow passage through the Polish Corridor, which since 1919

had torn asunder the north-eastern part of Germany to an unbearable extent, would provide communication with the separated area. This proposal, which moreover afforded Poland the prospect of a 25-year non-aggression pact and other advantages, was nevertheless rejected in Warsaw, because there it was believed, conscious as the authorities were of forming one of the principal members of the common front set up by London against Germany, that any concession, however minor, could be refused. This was not all! With the same consciousness Poland then started to be aggressive, threatened Danzig, and prepared to take up arms against Germany.

Thus the moment was close at hand for the attack on the Reich by the countries which had been brought together for the purpose. Adolf Hitler, making a final extreme effort in the interests of peace, saved what he could. On August 23rd, Ribbentrop succeeded in reaching an agreement in Moscow for a non-aggression pact with Russia. Two days later the German Fuehrer himself made a final and truly remarkable offer to Britain, declaring himself ready "to enter into agreements with Great Britain," "which . . . would not only, on the German side, in any case safeguard the existence of the British Empire, but if necessary would guarantee German assistance for the British Empire, irrespective of where such assistance might be required."

At the same time he was prepared "to accept a reasonable limitation of armaments, in accordance with the new political situation and economic requirements."

The reply to this was a pact of assistance signed the same day between Britain and Poland, which rendered the outbreak of war inevitable. Then a decision was made in Warsaw to mobilize at once against Germany, and the Poles began with violent attacks not only on the Germans in Poland, who for some time had been the victims of frightful massacres, but on Germans in German territory.

But even when Britain and France had already declared war, as they intended, and Germany had overcome the Polish danger in the east by a glorious campaign without a parallel, even then Adolf Hitler raised his voice once more in the name of peace. He did so although his hands were now free to act against the enemy in the west. He did so, although the fight against him personally was proclaimed in London and Paris, in immeasurable hate, as a crusade. At this moment he possessed the supreme self-control to proclaim in his speech of

October 6, 1939, a new plan for the pacification of Europe to public opinion throughout the world. This plan was as follows:

By far the most important task, in my opinion, is the creation of not only a belief in, but also a sense of, European security.

1.

For this it is necessary that the aims of the foreign policy of each European State should be made perfectly clear. As far as Germany is concerned, the Reich

Subject: Exposing Jewish Lies About Hitler			

Note feel free to use this article and info within far and wide especially in the so called "truth movement" where major disinfo agents are working around the clock to spread jew lies about Hitler and the Reich. Also make sure to debunk the holycost propaganda as well.

Exposing Jewish Lies About Hitler

Here are two parts one is dedicated to exposing the truth on the Jewish lie of Hitler's birth. And the other part is dedicated to exposing the Jewish lies of the funding of Hitler and the Party.

The Jews have a lie for every situation.

The big Jewish lies making a big coming back among the kosher approved, created and backed false frontiers today:

<http://groups.yahoo.com/group/JoSNewsletter/message/229>

Are of Hitler being a Rothschild and Funding Rothschild and other Jewish bankers funding them, both are lies. As we can see:

<http://groups.yahoo.com/group/JoSNewsletter/message/237>

<http://groups.yahoo.com/group/JoSNewsletter/message/243>

The Jewish Rothschilds and collective Race where behind creating and funding Communism its collective take over. The Jews where using Communism to take Germany over with and bring it under their control as they where doing everywhere. Hitler and his government ended the Jewish attempts to take Germany from within and aided other Nations in stopping the Jewish take over, even by military force such as in Spain.

The Third Reich was such an unexpected rise and threat to Jewry the Jew started the second war:

To destroy his Nation and National Socialist System and invented the big lie of the holocaust:

To attempt to discredit and defame National Socialism and Adolf Hitler. Of which the jews are so in fear of just as Vampires fear the sunlight. As its the only system and people to successfully oppose Jewry in a thousand years.

THE MYTH OF HITLER'S 'JEWISH' GRANDFATHER

by Martin Kerr

[note: Martin Kerr is a lifelong activist, a father, and a writer and editor on National Socialist themes. He wrote this standard refutation, which has well stood the test of time, in 1982.]

Hitler was right: The more enormous and preposterous a lie is, the quicker it captures the public imagination and is believed, and the harder it is to dispel.

". . . Since the great masses of people in the very bottom of their hearts tend

to be corrupted rather than purposely evil, and that, therefore, in view of the primitive simplicity of their minds, they fall more easily victim to a big lie than to a little one -- since they themselves lie in little things, but would be ashamed of lies that were too big.

"Such a falsehood will never enter their heads, and they will not be able to believe in the possibility in others of such monstrous ef–fronterty and infamous misrepresentation; yes, even when enlightened on the subject, they will long doubt and waver, and continue to accept at least one of the claims as true. Therefore, something of even the most insolent lie will always remain and stick. . . ." Mein Kampf(1)

It is one of the cruel ironies of history -- though perhaps not an unexpected one -- that having exposed and denounced the technique of the Big Lie to the world, Adolf Hitler himself became the subject of a whole slew of falsehoods and calumnies.

It is not our purpose here to investigate all of the Big Lies which have been propagated about Adolf Hitler, National Socialism and the Third Reich, but rather to focus on one of the most long-lived and pernicious of these lies: That Hitler was of partially Jewish ancestry.

There are a number of variations of the "Hitler was part Jewish" myth, which generally have two things in common: Most are based on the accusa–tion that Hitler's paternal grandfather was a Jew, and all are thoroughly discredited by the available documentary evidence. That this charge is still repeated today is a testament to the enduring and burning hatred which Adolf Hitler's enemies still harbor for him, even now, decades after his death. At the same time, it is a classic example of the contempt for the truth which many anti-Hitler System historians display when discussing the National Socialist era in Europe .

In point of fact, the Hitler family, including Adolf Hitler's paternal grandfather, is one of unimpeachable Aryan lineage. Through the records of births, deaths and marriages kept by the Roman Catholic church, it is possible to trace Hitler's forebears back hundreds of years.

The family, which lived since time immemorial in Upper Austria, was of solid German peasant stock, and Hitler's immediate ancestors were all either small

farmers or craftsmen. (The notable exception to this, of course, was Hitler's father, Alois Hitler, who was a commissioned official in the Austrian customs service.) The spelling and pronunciation of the family name as "Hitler" is a fairly recent development. Older versions include "Huettler" and "Hiedler," the former being the original family name from which the other forms were derived.

The sole irregularity in Hitler's ancestry was the illegitimacy of his father. Because he was born out of wedlock, Alois Hitler bore the maiden name of his mother, Maria Anna Schicklgruber, for a good portion of his life. Even after his mother finally married [his father], Johann Georg Hiedler, Alois retained the name Schicklgruber. Not until he was 39 years old did he reclaim his proper family name, which he spelled and pronounced in the manner which the world has come to know: Hitler!(3)

Yet this illegitimacy in itself is not significant or even unusual. As the anti-NS historian Bradley F. Smith notes in his well-researched and generally impartial book *Adolf Hitler: His Family, Childhood and Youth* (1967):

Although illegitimacy was frowned upon by the authorities, especially the Catholic Church, it was common in the Austrian countryside. In some districts, 40 percent of births were illegitimate. The figure for Lower Austria as late as 1903 was still 24 percent. An illegitimate child in a peasant household, therefore, was not an unusual phenomenon "(4)

Unusual or not, the illegitimacy of Alois has served as a crucial factual base for those who seek to spread the falsehood that Hitler had a Jewish grandfather.

Early Smears

As anyone who has firsthand experience in the racist movement knows, it is common practice for the Jews themselves to attempt on occasion to discredit up-and-coming anti-Jewish personalities by spreading spurious rumors that this or that leader is really a Jew, or a homosexual, or a communist, or a government agent. Indeed, with slanders of this sort even some individuals within the racist movement will attempt to undercut their political rivals.

Adolf Hitler was the target of such underhanded, contemptible opposition from within the Movement at least as early as July of 1921. A clique of NSDAP members

who evidently felt that Hitler was not suited to lead the Party began a whisper campaign that he was of Jewish ancestry.

As is always the case in stories concerning Hitler's allegedly Jewish ancestors, these conspirators had absolutely no documentary evidence for their claims, and relied instead on false innuendo, unfounded suspicions and ill will. Their efforts culminated in the circulation of a leaflet by NSDAP member Ernst Ehrensperger, which read in part:

"Hitler believes the time has come to introduce disunity and dissension into our ranks at the behest of his shady backers, and thus promote the interests of Jewry and its henchmen And how is he conducting this struggle? Like a real Jew."(5)

Although this may have been the first effort to smear the Leader in this manner, it certainly wasn't the last. Throughout the 1920s and 1930s, those hostile to Hitler propagated a number of variations of this tale, including versions that were often mutually contradictory. The London Daily Mirror futilely tried to add some substance to this lie in October 1933 by publishing a photograph of a tombstone of a Polish Jew who had borne the same name as the Leader. Two Jewish newspapers, Forward in the United States and Haynt in Poland, quickly took it upon themselves to spread this particular story further, the implication being that the deceased Jew were Hitler's grandfather!

However, since this specific Jew was born in 1832, he was only five years older than Hitler's father, which meant that he couldn't have been the man who sired the illegitimate Alois [Ed.--i.e., unless the Jew in Poland sired the Fuehrer's father in Austria at age five.]

Thus the first "Jewish grandfather" story was laid to rest.(6)

The infamous anti-National Socialist propagandist Konrad Heiden, himself part-Jewish, also suggested in his venomous biographies of Hitler, published in 1932 and 1936, that the Leader was of Jewish descent.

Although these books were highly regarded in circles hostile to the Movement, this one lie was correctly deemed too unlikely to be taken seriously and was generally dismissed.(7)

Hans Frank's Big Lie Disproved

Strangely enough, the most persistent version of the myth was not widely publicized until 1956, long after the Leader's death, with the publication of Franz Jetzinger's *Hitlers Jugend: Phantasien, Luegen-und die Wahrheit* (Hitler's Youth: Fantasies, Lies and the Truth). Whereas previous attempts to stigmatize Hitler by accusing him of being part-Jewish simply took the form of wild rumors which were as devoid of documentation as they were detached from reality, Jetzinger at least made some effort to back up his case.

Bradley Smith summarizes Jetzinger's charges:

In the German edition of his book, *Hitlers Jugend* (pp. 28-35), and especially in the later English abridgement, *Hitler's Youth* (pp. 19-30), Jetzinger argues, with increasing enthusiasm, that Alois Hitler's father was really a Jew from Graz by the name of Frankenberger

Jetzinger's only source for these surprising contentions is *Im Angesicht des Galgens* (In the Face of the Gallows), written by Hans Frank, former Nazi lawyer and Governor General of Poland, while awaiting execution at Nuremberg.

In a narrative studded with demonstrable errors (that were exposed in part by Jetzinger's own research) Frank states that towards the end of 1930 he went to Austria on Hitler's orders to investigate a threat of exposure of an alleged Jewish ancestor of the Fuehrer.

In Graz, Frank claims that he learned Alois' mother had been employed by the Jewish family Frankenberger, that she had become pregnant while in their employ, and that the family paid her support money in later years on the assumption that the child's father was the young Frankenberger Frank's narrative is vague and lacks confirming evidence. He claims letters were extant to support his story, but neither he nor anyone else has ever been able to produce them.(8)

Although it most assuredly was not his purpose in once again raising the "Jewish grandfather" allegation, Jetzinger performed in this way a valuable service to our Movement, for his accusation spurred other researchers on to determine once and for all the truth or falsity of the myth.

What these researchers found, of course, was that Hans Frank was lying.

The German historian and biographer of Adolf Hitler, Werner Maser, who is somewhat less hysterical in his opposition to National Socialism and its founder than other anti-NS writers, discovered that:

"... None of the Frankenbergers known to have lived in Graz [Ed.--capital of Upper Austria, whence, BTW, Arnold Schwarzenegger] could have been the father of Alois Schicklgruber, nor does there appear to be any trace of a German Jew bearing this name or any variant thereof in the nineteenth century.

"Indeed, from the end of the fifteenth century until a decade after Maria Anna Schicklgruber's death, no Jews were residents of Graz. Under the terms of the treaty concluded on March 19, 1496 between Emperor Maximilian I and the Styrian towns, all Jews were to be expelled from the province by January 6, 1497

".... Not until 1781, in the reign of Joseph II, were they allowed to re-enter the Duchy of Styria and then only for a few weeks at a time, ... when they were admitted to the annual fairs in Graz, Klagenfurt, Laibach and Linz against the payment of a fixed sum.

"But as early as September 9, 1783 the rights of the Jews were again curtailed, a measure that was reinforced by further discriminatory regulations in 1797, 1823 and 1828. This situation remained unchanged until the beginning of the 1860s(9)

In other words, it is simply impossible that in 1836 Adolf Hitler's paternal grandmother, Maria Anna Schicklgruber, could have become pregnant by a Jew in Graz named Frankenger, prior to giving birth to Alois Schicklgruber/Hitler, Adolfs father, in 1837.

Picture

Graz City Hall. We are told one "Frankenger" impregnated Hitler's grandmother in Graz by 1837, although no Jews were in Graz before 1860. . . .

Of course, the truth has seldom acted as a constraint on the more rabid anti-Hitler writers, such as Jetzinger. When, in 1956, the German magazine Der

Spiegel published the results of an investigation which were the same as Maser's findings, Jetzinger was apparently unfazed. Smith notes:

"In the English abridgement of his work, Jetzinger dismissed the Spiegel story, not by presenting new evidence, but by restating with increased emphasis that he believed Adolf Hitler's paternal grandfather was Jewish."(10)

It is impossible to ascertain today why Hans Frank told this unfounded and outrageous falsehood. It is clear from the confused state of his biography(11) that he suffered a mental collapse from the strain of his imprisonment and the Nuremberg kangaroo-court proceedings. One can only assume that the "Jewish grandfather" story he related was the product of this psychological debility.

..
It is less clear why Jetzinger so uncritically accepted Frank's story, especially after it was factually refuted by other anti-National Socialist historians. And it is absolutely astounding that still other historians continue to this day to parrot such nonsense in the face of a wealth of solid evidence disproving it.

Anti-Hitler Writers Ignore the Evidence

For example, the System historian Robert Waite, in a book published in 1977 (some 21 years after the Spiegel investigation), relates Hans Frank's assertion that Hitler's paternal grandfather was Jewish, saying:

"Despite Frank's reputation as the 'Butcher of Poland,' there would seem to be reason for believing his story. He wrote his memoirs as a condemned man who had converted to Catholicism. He wrote, in part, to expiate his sins. He had no apparent reason to misrepresent Hitler or to invent the story."

Waite's work, by the way, is entitled *The Psychopathic God Adolf Hitler*, the title indicating the level of historical objectivity which the author maintains throughout the book.

Others, while repeating Frank's long-disproved charges, have been less enthusiastic about an unqualified acceptance of them. Joachim Fest, in his biography of the Leader, concedes that Frank's story is "exceedingly dubious" and that "recent research has further shaken the credibility of his statement,

so that the whole notion can scarcely stand investigation."13

Having said this, however, Fest proceeds to speculate that Hitler himself may have believed Frank's tall tale and that "Frank's findings [sic] forced Hitler to doubt his own descent."(14) It should come as no surprise that Fest produces zero evidence to back up this peculiar notion.

Perhaps the most widely-read recent biography of the Leader is John Toland's *Adolf Hitler* (1976). Ignoring the investigations into Frank's story by Der Spiegel, Bradley and Maser--all of which were available to him--and spurning any personal research into the matter, Toland says that Alois Hitler's father was probably a man from the neighborhood. There is a slight possibility that Hitler's grandfather was a wealthy Jew named Frankenberger or Frankenreither; that Maria Anna had been a domestic in this Jewish household in Graz and the young son had gotten her pregnant. (15)

He goes on to cite Jetzinger as one source for this story, remarking that Jetzinger's book is "generally accurate." It should be noted that Toland [Ed.--1912-2004] may have a personal psychological motive for wishing to believe the discredited "Jewish grandfather" tale: He himself is a race-mixer with a Japanese wife and thus may be overly eager to project his own lack of racial integrity onto others.

Yet for all their scholarly dishonesty, Waite, Fest and Toland (each of whom is at least nominally Aryan) do not begin to approach the absurd claim made by the Jewish psychologist Walter Langer.

In *The Mind of Adolf Hitler* (1972), he presents what is perhaps the most brazen and insulting version of the "Jewish grandfather" lie. In this "psychohistorical" analysis of Hitler's personality, Langer relates an account of Hitler's ancestry which maintains that his paternal grandfather was actually a member of the Rothschild family living in Vienna. He does not offer a single piece of evidence or documentation to substantiate this remarkable claim, but instead lists "several factors which seem to favor its possibility," including:

". . .the intelligence and behavior of Alois [Hitler's father], as well as that of his two sons [Adolf and Alois, Jr.], is completely out of keeping with that usually found in Austrian peasant families . . . Such ambitiousness and

extraordinary political Intuition are more in keeping with the Rothschild tradition."

In other words, Hitler was too intelligent and capable to have been descended from humble Aryan peasant stock and therefore must have been part Jewish.

What incredible arrogance!

We noted earlier that the very first people to spread the canard that the Leader was Jewish were Hitler's opponents within the Movement. Thus it is sad but unsurprising that his present-day racist critics have tried to breathe new life into this falsehood. "Direct Action," a Canadian racist newsletter with National Bolshevik leanings, repeated the Hans Frank accusation as recently as December 1980.(17) It further charged that SS leader Reinhard Heydrich was also one-quarter Jewish, and declared that one of the real reasons that the traitor Gregor Strasser was executed at the time of the Roehm putsch was that he had "proof" of all this.' (18) The newsletter does not explain why Hans Frank was not executed by the SS, too, if he was also in possession of this elusive "evidence."

Lies Die Hard ...

Lies die hard-especially, when they are deliberately propagated by scoundrels disguised as scholars or by those who have a political axe to grind. And yet, sometimes real events lend an aura of credibility to that which is false.

The unfortunate attraction that National Socialism exerts over certain unstable, self-hating Jews and part-Jews is well-known throughout the Movement.

This is particularly true of the grotesque, distorted parody of true National Socialism which has been labeled "Hollywood Nazism." Since the revival of the Movement in the early 1960s [Ed.--by George Lincoln Rockwell, 1918-1967, Cmdr, USN], there have been a number of Jews who have so strongly identified with the Movement that they have concealed their racial ancestry and joined our ranks. In at least three cases(19), these sick individuals have risen to positions of media prominence before having their backgrounds exposed.

In the most notable of these instances, Frank Collin/Cohn, founder of the

splinter group which calls itself the National Socialist Party of America, was widely presented to the public by the media as the classic example of a "Nazi" leader who was secretly a Jew. (20)

This and similar cases only serve to reinforce the popular misconception that Hitler himself was of Jewish descent.

Insult or Compliment?

These tales are spread, of course, in the hope that they will somehow discredit Adolf Hitler, his Idea and his Movement. National Socialists take such accusations as an insult-and rightly so.

Still, in a way, they are an unintended compliment. In the case of great men, it is quite common for Jews and others to besmirch their Aryan pedigree or reputation, or claim Aryan accomplishments as their own. Christopher Columbus was also Jewish, they would have us believe, and likewise Shakespeare was a homosexual, Beethoven a Negro and Thomas Jefferson a race-mixer. When the Jews and their lackeys raise such preposterous allegations against the Leader we may wax indignant outwardly, but inwardly we should smile.

We should smile because we know that such accusations are totally false, and can be so proven. But we should also smile because we know, as National Socialists, that Adolf Hitler's memory belong not only to his few faithful disciples today but ultimately to the entire Aryan race.

"Gentlemen!

Never forget this: Your names will long be forgotten even before your bodies have rotted away in the earth. But the name Adolf Hitler will still be a light in the darkness.

You cannot murder him by drowning his memory in your slop-buckets and you cannot strangle him with your filthy, ink-stained fingers. His name exists forever in hundreds of thousands of souls. You are far too insignificant to even touch him.

He loved Germany, he fretted over Germany. When he fought for honor and respect it was for German honor, for respect for Germany and when there was nothing

left, he gave Germany his life.

What have you given so far? Which one of you would give his life for Germany? The only things you care about are riches, power and never-ending luxury items. When you think of Germany, you think of indulging your senses without responsibility, without cares?

Trust me on this: The Fuehrer's utter unselfishness in word and deed alone guarantees his immortality. The fact that the bitter fight for Germany's greatness wasn't crowned by success, as with Cromwell's in Britain, has a lot to do with the mentality of the people involved.

On the one hand the Englishman's character is essentially unfair, ruled by jealousy, self-importance, and a lack of consideration. But he never forgets he is an Englishman, loyal to his people and to his crown. On the other hand, the German with his need for recognition is never first and foremost a German.

Therefore it doesn't matter to you, you insignificant beings, if you destroy the entire nation. Your only guiding thought will always be: me first, me second, me third.

In your worthlessness, you will never think of the welfare of the nation - and with that pitiful philosophy you wish to prevent the immortality of a giant?

Demystification of the Birth & Funding of the NSDAP, Part 1 and 2

Veronica Kuzniar Clark

What exactly did the NSDAP represent and who were its founding members? Why and how did Adolf Hitler transform the party from an unimpressive proletarian workers' party to a full-fledged political machine that obtained absolute power in Germany? Perhaps more importantly, how was it funded? We answer these questions in this introduction.

But first, we begin with an examination of the early stages of the NSDAP and its recruiting process. One must understand how this process unfolded if one is to understand the NSDAP's position on Judaism and Freemasonry as well as the prevailing social and political order of the day. Naturally, we also reveal what some of the other important aspects of its early development were, which necessitates a fair amount of myth-busting about Hitler, including who actually gave him money.

Triumvirate: Leadership, Development, and Unity

Adolf Hitler, contrary to his own self-myths and the myths of others, was never poor at least, not until he had drained his savings and entitlements gallivanting in Vienna. Many historians have written that Hitler simply lived day-by-day wasting both his money and time, but in so doing they overlook Hitler's experience and "life education" that later played such an important role in the development and direction of National Socialism as well as the

Second World War. The development and direction of both can be traced to Hitler's experiences during those "lost" years.

Hitler, like so many other young German men and women of his day, fell from middle-class status into that of the "wretched proletariat." This was something that young Hitler refused to accept. He was deeply embittered by his Vienna experiences, which offered false promises of prosperity and hope for young people with enough willpower and talent. The prevailing dissonance of the time and place in which he grew up inculcated in him a burning desire to change these circumstances, which is precisely what he did after 1933.

Hitler was so resentful of the class-ridden society that was Vienna, and Austria and Europe generally, that one of his key aims throughout both the peace and war years was cultivating a system of merit. One's birth station was not what mattered. What mattered were one's talent, loyalty, dependability, and fortitude, notably in the face of adversity and uncertainty.

Hitler was able to overcome most embedded class barriers in two distinct ways:

1. He recruited both men and women from all social classes and accordingly tailored his speeches and disposition to each, depending on his/her social standing.
2. He supplanted economic valuation with racial valuation.

Let's look at the first point. Hitler needed the broadest spectrum of German society he could get, so this meant that he needed to appeal to men, women, young, old, wealthy, poor, unemployed and employed alike. Women were amongst Hitler's most devoted and fervent supporters in the early years. So were low-wage earners, small businessmen, and foreign nobles, such as White Russian émigrés who wished to see the return of the Russian monarchy.

They provided Hitler with a physical audience, elite and business connections, and monetary support, most of which ended up being granted in the form of IOU credit.

Hitler needed industrialists as much as he needed the workers, elites, and disenfranchised foreigners. Since his goal was to raise the station of all

Germans, he had to win them all together, which required a strategy of multi-class appeal. When he met and spoke with counts, duchesses, and other members of the former aristocracy, he addressed them in an appropriate manner. His etiquette, speech, and personal manners proved impeccable in such company.

When he met or spoke with industrialists, such as Fritz Thyssen, he tailored his behavior and manner to match that of the hopes and fears of industrial Germany. At the same time he was careful to scale back his socialistic language in such company, so that the industrialists would not misidentify him as a Marxist-Communist. He had to convince them that he would crush Marxist-Communism and uphold their industrial powerbase in the face of the growing mass of disenchanting, underpaid workers who felt they were being cheated and exploited by German industry.

Whenever things got economically tough, the workers suffered wage and benefit cuts. They blamed the industrialists, but Hitler saw that the industrialists were also suffering: many went bankrupt during the inflation as well as during the Great Depression. The crippling Versailles reparations forced most German industrialists and exporters into an untenable economic position, which in turn harmed German workers. This meant that Hitler had to at least hint at future German rearmament, which was covertly occurring anyway.

On the other hand, Hitler had to promise the workers, his single largest and most important support base in almost every respect in the formative years, that he would not allow the state or industry to exploit them or continue treating them as automatons. We can see that balancing the wants and needs of these three core sectors of class-ridden Germany was far from simple. But Hitler did it, and nearly bloodlessly.

Now to the second point: Hitler had to come up with a unifying ideology for Germanic peoples. This task seems simple in retrospect, because Germany was a homogenous society by today's standards. However, back then this was not how the German situation was seen. Germany may have been racially homogenous, but class antagonisms were so deep-seated that few if any German elites and nobles were interested in sharing political or social power with lower-class and middle-class Germans.

The Junkers (estates Lords) treated their farmhands (serfs) as second- or

third-class citizens and ordered them to pack up and get out if they dared to vote against their landlord employers. Most of the Junkers refused to set aside the feudal lifestyle, which helped fuel growing mass discontent for monarchy and aristocracy. This only served the interests of republicans and Freemasons, both of whom wished to see the end of monarchy for good. We will discuss their motivations later. For now it is enough to say that their motives were far from benevolent.

German class divisions trumped any sort of racial or ethnic solidarity. Not surprisingly, one finds that the desire to unite all Germans as racial comrades was found almost entirely amongst the lower- and middle-classes, and even many middle-class Germans did everything they could to cling to their bourgeois station, even if it meant keeping the lower-classes downtrodden. As one can see, Hitler's goal was anything but simple.

How, then, did Hitler unite Germans? And how successful was he? Hitler united Germans by invoking an ideological concept similar to Italy's Romanita, as espoused by Benito Mussolini. Hitler's concept was Nordicism: the basic, simplified premise of which was that all Germanic peoples were united by their Nordic racial component, and because they were united by this common "race soul" or blood component, why should they fight or be divided?

While such a unifying idea sounds both feasible and reasonable, many resisted nonetheless. The Junkers, former nobility, and many other business elites in Germany saw Hitler as nothing other than a lowly former corporal who had no clout given his petit bourgeois (lower middle-class) upbringing.

Hitler was only partially successful in uniting all Germans as Volksgenossen. His lack of complete success in this regard, an unattainable goal to be sure, later proved to be his undoing. Elites amongst the officer corps did immeasurable damage to Hitler and his war effort, but the story of their treachery and sabotage is beyond the scope of this discussion.

Might Hitler have been more successful had he been more racially inclusive early on? Not necessarily. Mussolini, unlike Hitler, was not racially exclusive at any point and expended a great deal of effort and time attempting to recruit non-Italians to the Italian fascist cause. He was largely unsuccessful, especially in Ethiopia this in spite of the fact that he had Ethiopians trained

as pilots (before the Tuskegee Airmen even came into being) and promised them higher status within a Fascist Italian Empire.

We may deduce from this example that Hitler having merely extended his hand openly in the beginning to non-Germans would not have guaranteed National Socialism's political or military success. Mussolini did so, and his tolerant hand was rejected. Indeed the U.S. and Britain did not win the Second World War due to non-white conscription, but because they supported and funded the Soviet war machine and were willing to bomb Germany indiscriminately.

This brings us back to our main point, which is that unifying a body of people, regardless of whether it is homogenous or diverse, is no easy task. Hitler was only able to convince the lower- and middle-classes that racial value must supersede economic (class) value. Most of the German elites were never won over to his Nordicism.

So, what does all of this mean? First, it means that a party that wishes to succeed must appeal to women and men both, citizens of all ages, and all social classes. A sensible and serious leader and party cannot afford to leave any group out. Naturally this all depends on the individual nation and citizenry in question, as Hitler's brand of politics and leadership were formed with a specific time, culture, people, and place in mind. It was not intended for export, but for adaptation in multiple contexts. Hitler's brand of politics was in fact largely modeled after Mussolini's as well as the leadership of the Austrian mayor Karl Lueger. Thus copying Hitler's leadership style or National Socialism is unwarranted and unlikely to be successful.

Second, it means that the masses are more important to a party's success than the elites, because there are more of the masses. Only the masses have the power to invoke fear in upper-class people by threatening to support violent revolutionary parties and organizations, which are often led and funded by hostile fifth-columnists. The Communist Party (KPD) was the only party besides Hitler's that evoked genuine fear in the elite classes of Germany.

Hitler and the NSDAP could not be ignored for the very reason that they, besides the Marxist-Communists, had the largest mass following in Germany at the time. Industrialists could not afford to anger or rebuff Hitler and the NSDAP; if they did, then Hitler's followers would quickly have swelled the ranks of the

Communists or perhaps have even overthrown him, as Ernst Röhm and many SA members wished to do.

Hitler's party was the only non-Communist, nationalist party that offered the lower- and middle-classes a better standing in German society. Given Hitler's ability to keep the overwhelming majority of his followers in line and loyal meant that he alone could prevent a transitional bloodbath, which is what most of the upper-class Germans feared the most. And this is exactly what he did.

What's important to bear in mind, however, is that Hitler needed a credible threat to maintain his personal and political leverage over the upper classes and big business. Without the Communists to threaten them via mass upheaval and bloodshed, the industrialists and former nobility had little reason other than patriotism to support Hitler and the NSDAP.

Third, it means that a party needs a viable means to unite a citizenry that has every excuse not to be united. Bavarians wanted to secede from Germany and become an independent state. Big business demanded an end to the Junker estates that squandered numerous government bailouts and demanded trade tariffs that harmed German industry. The Junkers did not care whether the industrialists suffered, so long as their estates were still in their name and they could live a lavish life of luxury at the German taxpayers' expense.

To mediate such divisiveness, Hitler invoked Nordicism, which called on Germans to recognize and value their blood ties instead of their social standing (based on wealth). This unifying ideology provided Hitler with the necessary means to develop a system of merit: one could rise to the top of National Socialist society regardless of one's parents' or personal finances, because one was equal to all other Germans from the racial point-of-view.

Hitler's German racialism and anti-Semitism were the practical means for achieving classless unity among formerly divided Germans. Hitler used a similar approach later on with the Waffen-SS. He turned an exclusively German idea (the Allgemeine SS) into an international, multiethnic idea by uniting everyone who participated against Jewish-Bolshevism, the enemy of all people.

Initial Member Recruitment

Like any grassroots party, the NSDAP developed organically from amongst a handful of hardcore ideologues, the primary catalyst having been Adolf Hitler. But the NSDAP did not spring up on its own; it instead arose from out of a party that already had a platform, leadership core, and small committed following. This was the German Workers' Party led by Anton Drexler.

Hitler was actually appointed by the Army to spy on the German Workers' Party. The Army was interested in two things: locating nationalists for its own designs and rooting out Communists who threatened to turn Germany into a subservient satellite of Moscow. Hitler's speaking skills and interest in politics led the Army to select him for this covert task. He took a liking to Drexler and many of his ideas, so he finally signed up and was issued a membership card with his name and membership number on it, a tradition that Hitler maintained.

While Hitler began his political career as the propagandist for the Workers' party, he was quick to identify the party's main problems: it appealed to too few and had no outreach venue other than speaking engagements, which were often drab. He therefore focused on developing his own talents, which surpassed Drexler's, and forming his own designs for the Workers' party; hence the birth of the NSDAP.

Hitler was quick to capitalize on Drexler's connections to wealthy Thule Society members. He did not join the Thule Society but requested their patronage. They alone significantly enhanced the potential for what was now his party to appeal to upper-class Germans, who, in turn, also helped fund the party. After he quit the Army, Hitler threw himself into the development of the NSDAP with unmatched determination.

While Drexler and his core focused entirely on winning over German workers, Hitler had eyes for larger audiences and outreach. His relationships with White Russian émigrés, wealthy Thule Society members, and especially Gottfried Feder (an economist) and Dietrich Eckart (a philosopher and writer) proved invaluable in his acquisition of the bankrupt *Völkischer Beobachter* (VB). Feder together with two other early NSDAP members owned 30,000 shares of the VB. Dietrich Eckart was able to obtain a loan for RM 60,000 from the sympathetic General Ritter von Epp to acquire the VB. The rest of the RM 120,000 price tag came from an industrialist named Dr. Gottfried Grandel, who was won over by Hitler's personal appeal to him. Eckart likely helped out too, along with Dr. Gutberlet

(who pledged RM 5,000).

Hitler's early supporters came from a wide range of classes, nationalities, and ethnic backgrounds. Numerous wealthy White Russian émigrés, who had Thule Society contacts, formed an alliance with the NSDAP and allegedly raised "vast sums of money" for Hitler i.e. according to an official 1923 file note. There was Henry Ford, who was anti-Jewish and wished to spread his message to receptive nations. Benito Mussolini's personal agents were known to have established contact with NSDAP members in Germany, likely in order to arrange the transfer of financial gifts from the Duce. The Russian Grand Duchess Victoria, who was pro-monarchy and anti-Bolshevik, gave Hitler money.

Sir Henry Deterding of Royal Dutch Shell Corporation offered Hitler vast amounts of money in 1931, '32, and '33 in exchange for a guarantee that he would regain his expropriated oil interests from the Bolsheviks at some future point in time. The amount was likely between 30 and 55 million pounds sterling. Deterding was so pro-German that he ended up marrying a National Socialist woman and even moved to Germany.

Deterding, like many other members of German elites, realized that only an assertive foreign policy could secure Germany's economic survival in a world in which France and England had a monopoly over one-quarter of the globe and were determined to crush Germany's global competitiveness. The Germans had tried everything else, including complying with the Versailles reparations, which was de facto theft. This "treaty" was in fact designed with one goal in mind: the permanent crippling of German industrial competition.

Ernst Röhm was a fervent German nationalist who channeled Army funds to the NSDAP via various front organizations. The Thule Society, which was pan-Germanic and nationalist, not only contributed members to the NSDAP but helped it raise a lot of money. The two German jewelers Josef Füss and Herr Gahr supported Hitler. A certain Mr. Pöschl, a small businessman, gave to Hitler early on. Quirin Diestl was another early supporter who gave small funds. Oscar Koerner, a toy shop owner, likewise gave money to the NSDAP. Dr. Friedrich Krohn, a dentist, gave as much as he could. Adolf Müller helped the NSDAP keep the VB going by endlessly extending credit to Hitler. Frau Hoffmann, the widow of a headmaster, contributed regularly. Numerous friends of General Ludendorff, a Thule Society member, provided the NSDAP with funding.

A significant number of prominent foreigners and German nationals living or working in Austria, Britain, Czechoslovakia, Finland, France, Italy, Holland, Hungary, Switzerland, Sweden, and America gave Hitler money, much of it via Winifred Wagner, Kurt Lüdecke, and Hungarian nationalists like Gömbös.

The German Free Corps members gave Hitler money, and so did many Stahlhelm members. Several right-wing German business interests, such as Emil Kirdorf of the covert Ruhrlade group, gave Hitler money, along with many business interests that usually supported Alfred Hugenberg (a man who tried to use Hitler for his own ends). There was also General Ritter von Epp, who helped Dietrich Eckart and the NSDAP purchase the VB; Dr. Emil Gansser, who had connections to wealthy Protestants; Admiral Schröder, a former naval commander; Baron Sebottendorf, who had connections to J. F. Lehmann (a Thule member, financier and publisher for the German Navy) and sympathetic naval officers; Herr Schaffer, who acquired weapons for Hitler's SA; Kurt Lüdecke, and through him two Jewish arms dealers who were either (1) not privy to who Lüdecke was or (2) had no reason to fear Hitler (this was the early 1920s after all); possibly the Duke of Anhalt and Count Fugger; Ernst Hanfstaengl, a Harvard graduate with numerous American connections and some wealth of his own; the wealthy Frau Quandt, who married Josef Goebbels and who had elite connections; Fritz Thyssen, who later denied that he gave substantial sums to Hitler and Göring, in 1929 and off and on throughout the 1930s, both of whom he liked very much; and so forth.

No Warburgs. No Rothschilds. No Rockefellers. While the Rockefellers indirectly came into Hitler's financial sphere by way of Standard Oil technical investments, and the Warburgs via I. G. Farben and J. H. Stein later on, neither gave Hitler any financial support before 1933. And neither directly supported or paid Hitler at any point in time. The Sidney Warburg story is pure fabrication.

Fritz Thyssen and some of Hugenberg's heavy industrial connections, not James Warburg, gave Hitler substantial monetary gifts in 1929 (at least RM 1,250,000) and Deterding and several German coal companies took care of Hitler in the early 1930s.

While Hitler spent a vast amount of these funds on campaigning, he was by no means rolling in untraceable money. All of his funding was carefully accounted for and most of it came from VB advertising; party dues, insurance, and speaking

fees; Gregor Strasser's left-wing faction, which received RM 10,000 per month in 1931; the good will of VB publisher Adolf Müller; and the financial frugality of party treasurer Franz Schwarz, whose meticulous party financial records were destroyed. The Americans interrogated him so brutally that he died in 1946 in Anglo captivity. His records denoting even Hitler's anonymous donors never turned up anywhere. The American occupiers are suspected of having destroyed them.

As for Goebbels' remark on 17 January 1932 that the finances of the party "suddenly improved," this was not exactly true. The truth is that the party's credit line suddenly improved, and this was thanks to the maneuverings of Franz von Papen and Baron Kurt von Schröder with his syndicate of investors, including a number of prominent heavy industrialists, the Hamburg-America Steamship Line, the Stein Bank of Cologne, Commerz und Privat Bank, the Gelsenkirchen Mine Company, Deutsche Bank, Reichskredit-Gesellschaft Bank, Allianz Insurance, members of the potash industry, the Brabag Coal Company, Deutsches Erdöl, and a number of other brown coal industrialists.

While Hitler tolerated fifth-column banks like M. M. Warburg and the Temple Bank (a special account created for the Temple Society by the Reichsbank to fund Ha'avara emigration), he eventually restricted and regulated their business opportunities and forced them to assist with financing Jewish emigration. Hitler's goal was to increasingly inhibit and thereby financially squeeze the foreign banks until they were unable to exist any longer and had to relocate outside of Germany the same policy he employed to encourage Jewish emigration and business closures. One such example was the Germanization (i.e. German takeover) of two Jewish ironworks plants in the Rhön region in 1937.

Most potential recruits and financial supporters heard about Hitler and the NSDAP via word of mouth. Nothing was as effective as this. When men like Scheubner-Richter, Schacht, Borsig, Kirdorf, and Thyssen recommended the NSDAP and personally endorsed Hitler, wealthy and other upper- and middle-class Germans were willing to seriously consider Hitler and his party. Hitler was invited to speak to heavy industrialists in 1927 by word of mouth in fact. He even wrote a secret pamphlet intended only for this industrial-capitalist audience, which they then passed around to others.

Besides active word of mouth campaigning, the NSDAP also placed posters

everywhere they could, promoted speaking engagements and other party activities and viewpoints in their VB, sold various odds and ends to raise small funds (e.g. various items like soap with NSDAP packaging), and sent wealthier members abroad to raise funds from German expats and foreign sympathizers. Kurt Lüdecke excelled at this form of campaigning.

In the very beginning, Hitler and the NSDAP targeted veterans, farmers, workers, young men, noblemen and women, small businessmen and women, and pensioners. These were the social classes who were initially the most receptive, due to the economy and prevailing anti-monarchism, but later on Hitler's support base included wealthy elites, heavy industrialists, fascist and monarchist foreigners, landed Junkers, veterans' organizations, the German Army and Navy, and even Montagu Norman.

"Our Last Hope"

Norman was a prominent English banker and personal friend of Hjalmar Schacht who, according to both his private secretary Ernest Skinner and Émile Moreau, despised Jews, the French, and Roman Catholics. He unabashedly refused to assist France's treasury with anything and proved willing and able to arrange financing for the NSDAP by way of his connections to Bruno von Schröder (Schroder Bank), Kurt von Schröder (Stein Bank), and the Bank of England (F. C. Tiarks and M. Norman himself).

Norman had strong sympathy for the Germans which dated back to his days as a student in Dresden, and naturally offered to financially assist and thereby stabilize the new government that his friend Schacht had openly supported since 1931. Since Hitler was hostile to France (he saw the French as foreign enemy number one), friendly to Britain (which he did not feel was a threat), and discriminatory towards Jews, the three things that Norman found favorable, he recommended that Kurt von Schröder extend credit to Hitler's party, which now controlled the government.

Schacht was Hitler's de facto lifeline in this respect, a nationalist German banker who had his own designs for German recovery, but who was also personally impressed with Hitler's speeches and mass appeal, which no other politician possessed.

As for Hitler's initial support, many farmers were blighted by financial obligations to relentless moneylenders, and most, including landed Junkers, felt threatened by Communist expropriation and insufficient protective agricultural tariffs. The veterans were receptive because they felt betrayed by the ruling class, especially the liberal-democrats of the SPD, and because they had a difficult time finding work. Workers, who were mostly young men, were receptive because they felt they were being exploited by the business class, but primarily because they were the most negatively affected by the inflation and unemployment. Pensioners on fixed incomes were receptive to Hitler's socialist stance. Noblemen and women were interested in Hitler because he opposed Freemasonry and expropriation of their landed estates, and because he hinted at restoration of the monarchy. Additionally, all of these groups generally opposed Marxist-Communism because they were not interested in a revolutionary bloodbath, but economic and social security as well as justice and prosperity for the German nation.

"Death to lies"

Hitler's main opposition in the formative years came from the Communists, who denounced him as a tool of capitalism and the former nobility; the heavy industrialists, who distrusted his socialism and the SA (they feared the SA was nothing but a Communistic horde); and the left-wing faction within his own party, who questioned Hitler's financial sources and pro-business stance.

When someone requested to join the NSDAP, one paid one's initial annual dues and was then given a membership card and asked to perform some service or task for the party. This could be anything from putting up posters before speaking engagements to spreading the word by simply talking about the NSDAP or handing out flyers on street corners and at beer halls. After the Hitler-Strasser break, he or she was asked to swear allegiance to Adolf Hitler.

Vetting was likely performed by those members doing the actual talking and recruiting in the streets, as there was no known formal vetting procedure. As long as a person paid his annual dues and served the party loyally, he or she was trusted. Those who wished to break with the party were actually told to leave by Hitler himself at a rally that took place after the Strasser and Stennes affairs. We'll revisit this topic later on.

Along these lines, Kurt Lüdecke, Otto Wagener and Ernst Röhm played leading roles in arming, training, and drilling SA men. Their personal fundraising; their secret dealings with the German Army (Reichswehr), which had many prominent sympathizers of the NSDAP and SA; and Lüdecke's connections to black market Jewish arms dealers proved imperative to building a credible paramilitary threat to the status quo.

The government in Berlin tended to ignore SA violence against Communists because it opposed a Communist takeover. Also, Hitler's party supported German national unity at all costs, so Hitler and his SA were worth tolerating to prevent Bavarian secession.

Hitler's real bargaining base was his SA and the masses. Without both, he could afford to be ignored by the elites, government, and industry; however with both he was a true threat, like the Communists.

Lüdecke, Wagener, and Röhm all led, at one point or another, regular drilling and paramilitary basic training at a large hall funded by party members and various supporters. Marching in formation and drills also took place in the forests and countryside when possible, but mostly it occurred in the party's own rented hall or on a wealthy sympathizer's private estate. Fortunately for unemployed and poor members, the party paid for everyone's uniforms.

When SA and SS ranks were introduced, the requirements were loyalty and leadership aptitude. The SS consisted of men handpicked by Hitler himself. Thus, he vetted them personally. As a matter of fact, Hitler usually personally appointed leaders to their positions even in the SA. He recalled Röhm from Bolivia, for instance, to reorganize and lead the SA.

Hitler tended to choose people who he felt would resist falling prey to groupthink. Historians have tended to characterize this as Hitler's "divide and rule" tendency, but in-depth study of the party's early development suggests instead that Hitler chose people who would (a) not challenge or question his leadership, and (b) not fall prey to the "yes man" problem. This appointment procedure did two things: it prevented serious intraparty division by subordinating all to Hitler himself, while at the same time supported intraparty challenges, which prevented groupthink. Leaders could disagree and even challenge one another's authority without destroying the party.

Hitler based promotion solely on performance, not status. This tendency increased later on during the war especially after Hitler established the NSFO (National Socialist Commanding Officer Corps). This NS-high command likely would have replaced the OKW (Armed Forces High Command). Hitler wanted select NSFO officers to undergo a 4- to 18-hour course in political-ideological instruction. He himself appointed the head of the NSFO, Hermann Reinecke, in December 1944.

The NSDAP expanded into cities and states outside of Munich (Bavaria), where it had its Brown House headquarters, by appointing certain members to run party operations and perform party services in their own states, cities, towns, and villages.

The most well-known example of an NSDAP member-cum-leader who acquired almost enough personal power, financial backing and mass following to challenge Hitler himself was Gregor Strasser. Hitler was able to prevent a crisis from developing with his gifts for clever maneuvering and personal appeal, but such risks are inherent to any party that becomes as large as the NSDAP. And they are risks that must be taken if a party wishes to develop and grow.

Talented, committed and qualified speakers and leaders were appointed to run operations in every location possible. But Berlin NSDAP members also traveled around giving speeches and lectures and soliciting financial support. All speaking engagements required admittance fees. Hitler himself was constantly traveling and meeting with workers and elites alike to recruit new members and bolster his finances.

At the end of 1920, the NSDAP had about 3,000 members. Membership then grew from 27,000 in 1925 to 108,000 in 1928. In August 1931 the NSDAP created its own intelligence and security sector. Heinrich Himmler established the SD (Sicherheitsdienst) and Reinhard Heydrich was appointed head of the organization, which was kept separate from the SS (Schutzstaffel). By the time of the Strasser crisis, the SA was some 400,000 members strong and the party itself had grown to 2 million by 1933. In 1932, it was large enough to achieve control of 37% of the Reichstag.

Here are the election results from 1920 to 1933:

One can see that the NSDAP lost most of its former 230 seats in July 1932 to the even more radical-revolutionary Communist Party (KPD) in November 1932, not to conservative Catholics or social-democrats. The conservative nationalists (DNVP) only received a boost of 15 seats. These results, contrary to most historiography, do not reflect the demise of the NSDAP, but the masses' disaffection with any party that was not willing to promise sweeping social and economic change for the majority, even if change meant bloodshed. Hitler and the NSDAP were not viewed as extreme enough, so they lost seats to the KPD!

"Our German Railroad"

This alarmed men like Hjalmar Schacht and Franz von Papen so much so that they were finally willing to give Hitler the opportunity to become chancellor. He actually should have received the chancellorship in July 1932 when his party had the most seats in the Reichstag, but industrialists and noblemen surrounding General Schleicher, Franz von Papen, and President Hindenburg opposed his appointment to the chancellorship. So much for James Warburg's and the Rothschilds' "magical funding."

Hitler faced so much resistance at this stage that he, like everyone else, had to resort to blackmail to receive his due appointment. Hitler arranged a private meeting with President Hindenburg's son Oskar, during which he is suspected to have threatened to expose his father's role in the repeated taxpayer bailouts of the Junkers' mismanaged, bankrupted estates. Since blackmail and intrigue had been used to cheat Hitler of his due appointment, he decided that he could also play such a game.

Hindenburg appointed him chancellor shortly thereafter, which most historians claim was at the behest of von Papen. We see that von Papen's desire to prevent a Communist majority by giving Hitler the chancellorship was only partly why Hindenburg appointed him. Hitler won, but not because he received covert funding. Franz von Papen continued to intrigue against Hitler and urged industrialists to withdraw their financial support of the NSDAP! The goal of this so-called "cabinet of barons" was to give Hitler just enough power to satisfy him personally without actually allowing him to attain a majority strong enough to overthrow the status quo, but just strong enough to prevent a Communist majority.

Given this context of stalemate, the speed of the NSDAP's growth in just 6 years and its subsequent attainment of absolute power were only possible with an authoritarian leader in a crooked political situation in which blackmail, corruption and political sleight-of-hand was the order of the day.

are united and loyal.""

"The Reich will never be destroyed if you [Hindenburg and Hitler
What had started as a democratic-style workers' party with a simple executive committee to which Hitler was appointed in the early 1900s became an authoritarian-style organization with its own uniforms, offices, training facilities, insurance company, sales items, newspaper, propaganda machine, army (the SA), and security service (SS and SD).

This was nothing short of impressive and most of the credit for its success goes to those leaders and members like Hitler, Hess, Gansser, Eckart, Funk, Schwarz, Feder, Keppler, Himmler, Rosenberg, Goebbels, the Strassers (before 1932), Scheubner-Richter, Hanfstaengl, Lüdecke, Göring, and Röhm, all of whom literally devoted their lives to the party.

NSDAP events took place as often as they could be afforded. The newspaper was of course always available it was a daily so the public and members always knew what was going on from day-to-day. Hitler gave speeches and met with important wealthy persons almost non-stop after his release from prison. He was keen enough to purchase vehicles, which were rare in those days. Speedy travel was vital to defeating rival parties like the Communists who still had to walk to their various speaking engagements and meetings.

The NSDAPs doors, so to speak, were always open to receive new recruits. Interested persons either signed up at simple on-site recruitment centers or they mailed their applications to the party's headquarters in Munich.

The need for bodyguards arose when Hitler started regularly giving speeches. The Communists had caught on to this Adolf Hitler and his NSDAP and therefore sought to intimidate it or shut it down. The SA originally served as the party's guards, but this role was quickly taken over by the SS (Saal-Schutz), which served as an assembly hall guard as well as Hitler's personal bodyguard. Himmler started its transformation into an elite paramilitary force, renaming it the Schutzstaffel, in 1929.

"Workers of head and hand vote for front-soldier Hitler"

This Allgemeine-SS later expanded into the National Socialist Armed Forces (Waffen-SS), which eventually grew so large and powerful that it rivaled the state's official armed forces. Hitler's intent was to 'national socialize' the state armed forces, which opposed him more and more as the war progressed. The intrastate schism between military and social elites on the one side and NS-populists on the other remained intact even under Hitler's skillful leadership and absolute power. He only fully realized the extent of this social chasm in July 1944 when several of his generals attempted to murder him with a

suitcase bomb. This in fact occurred shortly after Hitler ordered the creation of the NSFO, mentioned earlier.

Most early members of the NSDAP gave an incredible amount of their personal fortune and time to the party. Countless young men defied their conservative parents by joining the NSDAP as their only hope for future employment and social security. Young women were attracted to Hitler personally, but also to NS fanfare and its commitment to uphold family values.

The lifeblood of the party was its youth, and numerous parents had their children join either the Jugendbund der NSDAP or Jungsturm Adolf Hitler, both of which were formed in 1922 the creation of at least one of these youth divisions was announced in the VB. In 1923, the organization had some 1,000 members. The Jugendbund, originally based in Bavaria, expanded into a nationwide organization in 1924 and was subsequently renamed the Grossdeutsche Jugendbewegung.

In 1925, after the NSDAP was reorganized upon Hitler's release from prison, membership grew to over 5,000. In July 1926, the Grossdeutsche Jugendbewegung was again reorganized by Kurt Gruber, a law student from Saxony, and officially renamed the Hitler Jugend Bund der deutschen Arbeiterjugend, (better known as the Hitler Youth). This organization promoted sports, political education and preparatory paramilitary training for later membership in the SA or SS once a child was old enough. Children were given performance booklets in which their HJ accomplishments were recorded. By 1930, the HJ had enlisted over 25,000 boys over age 14. The Deutsches Jungvolk, a junior branch for boys aged 10 to 14, was also formed. Girls between the ages of 10 and 18 joined a similar organization, the Bund Deutscher Mädel (BDM), or League of German Girls. In 1930, HJ membership was about 25,000. By the end of 1932, shortly before Hitler came to power, membership was 107,956. By the end of 1933, the HJ had 2,300,000 members.

Uniforms were an integral part of the NSDAP from the beginning. This was the result of Hitler's personal influence on the DAP, which did not have or require uniforms. NSDAP members often met in beer halls or at the party's headquarters for daily or weekly drill and training, and were expected to put on their uniforms after the drill leader arrived. All drills and training took place in uniform, and all NSDAP members who attended either Hitler's speeches or major party events were in uniform.

I believe this article:

Could help your site out as it is a general summary on the subject and shows the real causes for the war and debunks a mile high and wide amount of the major lies around it.

But the ancient Greeks did not create the understanding of racialism. The same racialism and blood laws where common to the Aryan world. Of which ancient Hellas was only one part. The ancient Aryan world was not separate nation states that formed on there own indepent of each other. As we have been told. Even at one point as the history in the East states all of the Aryan world from Ireland to the Far East was ruled by a single royal line from Bharat. And it was only around 5000 years ago this model fell apart and the local royals started to divide up into their own regions.

We are taught from a very young age to think of Germans as super war criminals, that they hated Hellas or something and there are many rumors about war atrocities [like the holohoax] running around, spread all over the country [which is highly kike infested]. I believe none of this shit. Recently, I was in class and this teacher which I recognized as a kike, started rambling about many many crimes that German soldiers did towards Hellenes, suffering they caused etc. Immediately I heard a voice in my head, which I believe it was Satan. "Never believe the jewess. -The enemy creates thoughtforms for which they become the mouths to provide false proofs about-". I got this reply in a mixed logic/feeling way, my Serpent could sense the fact that this was more like a talk-out of the lying unconscious connection of this jewess to her 'source', total lie

> > handout. I hope its understood what this really meant. The enemy creates a psychic emotional lie, the puppet jews spread it type of thing. I checked her body language and I saw many signals of lying, scratching the nose. Not to mention her tongue getting out of the mouth during speech, which is highly reptilian and the hands dancing all over the place. I played it off like I was agreeing to what she said. Many of the points brought up about all this hate between "Greeks vs Germans" got me to seriously think matters.

> > >

> > > For instance one of the widespread claims is that German Nazis killed Greeks because some had darker skin or some shit. They palpitate Racial hate between Greeks and Germans for the last century, which I believe is done on purpose. Basically, the lies spread, are as sick as the jewish psyche that created them. I heard shit I couldn't even imagine or put down in words. These lies have a life of their own and influence the blind Greek xians and fools. Its a KNOWN historical fact, that it wasn't Hitler or Germany that proclaimed war to Greeks. They considered us Aryans as far as I know and Hitler literally loved Hellas and the Hellenic people. It was Mussolini. He was obviously un-enlightened and he was one of the reasons the Axis lost the war. So they sent an Italian diplomat to ask about the "Axis troops going through Greece". And the current minister of Greece replied "No", in full awareness that this would result in war, in which Greeks would die as

> > we couldn't go against the Axis, they were more advanced than us. Basically, Hitler and the Axis had good intention and they wanted this country as their Allies, as we were considered an Aryan type. Now the fool sold-out minister of Greece, with his 'infamous "no" ' caused a war in which many people died.

> > >

> > > The forces of Italy were partially crushed, so Germany had to fill-in and support them. By some, this is believed to have been a Crucial move and a reason why the Axis lost. Thats right. Because of Musolini's foolishness. He was behaving like a fucking kid, trying to prove himself to Hitler and opening war without a reason really. Minister 'Metaxas' was actually "Ethnic" too and had Ethnic rulershit [Yes, how ethnic was he. He provoked a war that he knew would be lost, our people would die and suffer and he basically used the faith of the Greeks and used a whole nation against our Savior, which was Hitler]...But if you look at it this mongol was actually a Racial traitor that opened up a meaningless war towards Greek Aryans and German/Italian Aryans. Hitler did never want this war to Happen and I believe he was extremely displeased he had to fight with Hellenes. Why? Because he knew the Truth unlike Musolini the blind did. Because He knew our roots

> > were identical and that we too, as Ethnics would be a power, had we joined the Axis, fighting under the Swastika. Musolini's mistakes were one of the main reasons of why Axis lost the war. On the other side we have the traitor mongol 'Metaxas', who declares war. Then the blind and uneducated xian "Hellenes" follow his mistake and both annihilate and get annihilated from their fucking blood-brothers.

> > >

> > > It is believed by many, that had we became allies with the Axis we would help them win by a large degree. Hitler loved Greeks and this is

widely fucking known. I believe it was a very depressing moment when he had to kill the people here, Hitler knew the Truth about our common roots. He didn't allow anyone to say shit about us, even after the occupation of Hellas by the Nazis. He respected the monuments. His soldiers were friendly to Greeks. They respected everything they could in these cold terms of war. Though many Greek communists gone against them, aside with the xian-influenced-uneducated fools. Sad. Our Racial faith and our Racial loyalty, even inbred with xianity, made us to be even be respected by Hitler, which openly made many claims to support Greece. He didn't laugh at us or defame us, as he could have done. He respected our Racial loyalty, how we fought for our country as a race. Imagine how much were we fooled to go against our fucking

> > >

> > >

> > > As about another lie, the lie of 'Racial Purity' or that 'Germans killed people because they had darker skin' or some shit. This was a fucking huge lie. This did not happen. Was Hitler the infamous lie of 'Nazis killed anyone who wasn't light skinned and tall with blue eyes and blonde'? Hitler was nothing of these. This lie is really one to keep the 'racist' thing going on. Was Goebbels this? Was Rudolf Hess this? Hell no. They were fucking Aryans of many types. Or was Heinrich Himmler so tall and blonde. They fought for the vision of Satan and to protect the Aryans, not to makeup their face and make themselves revered. This 'Germans killed others cause they didn't like their faces or because they weren't racially pure' hype going on is a total fucking LIE, with a sole aim to attack people emotionally and make them feel threatened. Only jews would have a problem, NO GENTILE.

> > >

> > > I want to fucking cry right now, seriously I can't take this. I hope one day the Truth will come out and I won't stay in fucking hope, I will act. I believe one day the name of this country will be cleaned out, the kikes will die and that the Truth will be known. I can't stand this hate that Germans have for us right now, or us for them. I believe Satan will avenge us all, the souls of both sides, Avenge us and as a family show us all, that the only enemy was the jew and how much were we played. I believe the Anti-christ, will raise us from ignorance, show us our positions and help us achieve our perfection again.

This piece certainly demonstrates an in-depth understanding of history and I'm impressed. I've only had my computer for about 6 or 7 months and was immedietely "lead" to this site. As an American born German I'm intensely interested in this particular history as I've always been suspect of what I learned in school as fabricated,at least in part [I'm currently reading Mein Kampf.] Thank you so much for the hard and in depth work you're doing here as it excites me to be in this community. Subject: AUM PART 2: Blatant Examples of Jewish Corruption of Spiritual Conce

The extremely large number of repetitions recommended from many popular mainstream sources for mantras is not necessary. The reason for the thousands of reps is again...corrupted knowledge. The mantras as we know from Satan, are vibrated syllable by syllable. New age people and other idiots just keep saying them as words, not vibrating them. The power lies within the vibration. No need to do these hundreds of thousands of times.

'AUM' was seen in many ancient Western works of alchemical/occult art. I have this book 'Alchemy and Mysticism: The Hermetic Museum' by Alexander Roob (May 1, 1997) It is the book with over 700 pages; as there are different editions. Now, the kikes have [as usual] corrupted the art and the meanings. The kikes have taken great pains to delete the 'A' from ancient illustrations and then today, as I wrote in my former sermon...'AUM' has been replaced with 'OHM.'

Another thing...nearly all of the words in Sanskrit end in the letter 'A.' Then, I have this book on Laya Yoga [Layayoga: The Definitive Guide to the Chakras and Kundalini by Shyam Sundar Goswami], and the author has all of the text; the letter A in every word is in italics, like some sort of code. This AUM is also an aspect of the so-called 'trinity,' A U M. The 'trinity' has to do with the granthis of the chakras.

Now, note in this ancient illustration, this is in the Roob book; the 'A' has been erased from the top sphere:

http://www.gnosis.art.pl/iluminatornia/alkimija/dionysos_a_freher_heroglyphica_sacra1.htm

I know this because I have run across similar illustrations, where the 'A' is intact. There is no 'M U.'

Alexander Roob wrote in that book [I don't know whether or not he is a kike telling lies, or just someone who passes on corrupted information]; he writes the caption for these two illustrations:

'The starting situation shows the residence of the divine trinity including the flames of the heavenly host. They are divided into the hierarchies of the archangels Michael [M] and Uriel [U]. The third and topmost is unoccupied, for its previous occupant, the representative of Jesus, has committed high treason by his willfulness. Lucifer ascends, driven downwards by his proud willfulness, but Michael and Uriel cast him down through the fire.'

This is blatant corruption and by using these sacred letters to represent Jewish filth; this is why anyone who believes this to be fact and/or ties into these Judeo/Christian energies gets anywhere spiritually. They are under the control of the enemy when they tie into this corrupted and desecrated information.

Here is another one with the A missing and the shape of the illustration is very similar in the upper part to Belial's Sigil:

http://www.gnosis.art.pl/iluminatornia/alkimija/dionysos_a_freher_heroglyphica_sacra2.htm

Belial's Sigil:

http://www.angelfire.com/empire/serpentis666/Belial_23746.gif

Other illustrations have been corrupted with Hebrew letters, and kike symbols. In the movie 'The Ninth Gate' which is one of my favorites, in the book, the illustrations that had 'LCF' these were the ones with accurate information. Even though this movie is fiction, there *are* some truths in it. The doorway bricked up in one illustration, inside the maze, indicated the knowledge was corrupted and there was no way out. Check this movie out if you haven't seen it. They deleted a scene...Baroness Kessler was German and a Satanist:

76. KESSLER BUILDING: OFFICE INT/DAY

A black and white photo fills the screen: it shows a young and beautiful BARONESS KESSLER flanked by two men in SS uniform. One of them is Heinrich Himmler.

BARONESS KESSLER is scowling down at a wartime number of 'Signal', the Nazi propaganda magazine. It's lying open on her desk with Balkan's envelope beside it.

http://sfy.ru/?script=ninth_gate

Ok, now check this one out...The A is still at the bottom:

http://www.gnosis.art.pl/iluminatornia/alkimija/dionysos_a_freher_heroglyphica_sacra4.htm

Another one where they didn't delete the A:

http://www.gnosis.art.pl/iluminatornia/alkimija/dionysos_a_freher_heroglyphica_sacra8.htm

More...note the 'A' beneath the crown:

http://www.gnosis.art.pl/iluminatornia/alkimija/dionysos_a_freher_heroglyphica_sacra5.htm

I have also noted the 'AUM' on freemason illustrations; the ones that have the pillars of the soul. Given the enemy has been and still is working over time to remove spiritual knowledge, it is very difficult to find an example here online, I spent some time trying. I saw this in a book.

You have done such a great job with this thankyou. You have confirmed what my gut feelings on this were.

Some of my research led me to discover roosevelt and churchill had illegal private discussions ongoing from before churchill was even in power all 'off the record' documents were discovered that exposed it.

..>Hail Satan!! I realize you are replying to HP Don, so please excuse me. But I just want to say this- HP Don'articles/FACTS is where I have learned the most from about Hitler's Truth. Many, many, great articles he has written, that i have personally printed out and shared with ppl--who are now either reading exposingchritianity, or members of JoS. 'Give credit where credit is due' is what I am implying here. HP Don certainly deserves much credit.

Subject: Re: Adolf Hitler: Man Of Peace [updated]

I didn't know much about any of this before I came here either way. We didn't study WW2 at school I didn't know what a jew was I had heard about the holohoax but never looked into it or really cared that much. I had heard all the lies about Hitler just as I heard all the lies about Satan and I always believed there is more than one side to a story what is the other side and the truth? I knew it was something people were scared to talk about and that saying, you know who rules you when it's the ones you are not supposed to question. I thought why are they ramming this down people throats so much when far far worse things have happened that are talked about freely? Once a person gets passed that induced fear of a subject the truth becomes obvious very quickly.

Hail Satan!

Many, many, great articles he has written, that i have personally printed out and shared with ppl-who are now either reading exposingchritianity, or members of JoS. 'Give credit where credit is due' is what I am implying here. HP Don certainly deserves much credit.

Here was the possibility of truly constructive work, this could have been a real turning-point for the welfare of all nations. But once more he who alone called for peace was not heard. Only Britain replied with a rather scornful questionnaire which avoided any serious consideration of the essential points involved. Subject: Re: Adolf Hitler: Man Of Peace [updated]

I want to add this. What struck me the most when I started learning about Hitler is the way his people loved Him. I have not never seen any political figure in the world so loved by His people as what I saw in the videos and pictures of the Third Riech. Kids, women, men some with tears in their eyes looking adoringly at this man and the way He responded to them. To see Him with animals and children, a little bird on his shoulder, feeding deer and with His dogs. Animals don't trust truly evil people people with hate and anger get a certain smell, a certain energy animals keep away from. I saw an old colour video of a march and up on the wall a BIG yellow SUN! The symbolism so obviously PAGAN not xian as I was told. Then I looked into the occult side of it, the secret projects with downed UFO's and ET contacts. This has become so fascinating but it angers me aswell that all this has been turned into a lie, hidden and ridiculed.

Even seeing videos of kikes who were in the camps saying how well they were treated under the circumstances. That the SS officers were kind to them gave the children plays and things to do with painting and the sports there. No mention of gas chambers! Of course very few kikes have told any shred of truth but some has got out.

Plus Germany was so advanced with technology then and what the enemy says they did to kill the jews besides not being practical or possible the way described it is too crude and if The Germans had wanted to kill them they would have had far better and more efficient ways to do it. They are not a barbaric people even to an enemy. If anything too kind. A lesson that won't be forgotten!

A friend of mine was a boy during the WW2 and he remembers hearing from that time that Hitler had planned to deport the jews no mention of killing them. He does not remember any talk of gas chambers he remembers madagascar was mentioned. He has been a taxi driver for a long time and heard it all, had every kind of person through his cabs and he said to me, while people won't say it often noone likes the jews. Noone ever has.

Hail Satan!

We didn't study WW2 at school I didn't know what a Jew was I had heard about the holocaust but never looked into it or really cared that much. I had heard all the lies about Hitler just as I heard all the lies about Satan and I always believed there is more than one side to a story what is the other side and the truth? I knew it was something people were scared to talk about and that saying, you know who rules you when it's the ones you are not supposed to question. I thought why are they ramming this down people's throats so much when far far worse things have happened that are talked about freely? Once a person gets passed that induced fear of a subject the truth becomes obvious very quickly.

'Give credit where credit is due' is what I am implying here. HP Don certainly deserves much credit.

..Hail Satan!! Everything you say is true. I have a very personal reason for wanting to learn the Truth. [which i have done, thanks to this JoS ministry] I was lied to for many, many years "for my own good". [by my own family] It is ppl such as yourself that give me much hope for others to see Truth. Thanks, firebird!

I have not never seen any political figure in the world so loved by His people as what I saw in the videos and pictures of the Third Reich. Kids, women, men some with tears in their eyes looking adoringly at this man and the way He responded to them. To see Him with animals and children, a little bird on his shoulder, feeding deer and with His dogs. Animals don't trust truly evil people people with hate and anger get a certain smell, a certain energy animals keep away from. I saw an old colour video of a march and up on the wall a BIG yellow SUN! The symbolism so obviously PAGAN not xian as I was told. Then I looked into the occult side of it, the secret projects with downed UFO's and ET contacts. This has become so fascinating but it angers me aswell that all this has been turned into a lie, hidden and ridiculed.

That the SS officers were kind to them gave the children plays and things to do with painting and the sports there. No mention of gas chambers! Of course very few kikes have told any shred of truth but some has got out.

We didn't study WW2 at school I didn't know what a jew was I had heard about the holohoax but never looked into it or really cared that much. I had heard all the lies about Hitler just as I heard all the lies about Satan and I always believed there is more than one side to a story what is the other side and the truth? I knew it was something people were scared to talk about and that saying, you know who rules you when it's the ones you are not supposed to question. I thought why are they ramming this down people throats so much when far far worse things have happened that are talked about freely? Once a person gets passed that induced fear of a subject the truth becomes obvious very quickly.

Many, many, great articles he has written, that i have personally printed out and shared with ppl--who are now either reading exposingchritianity, or members of JoS. 'Give credit where credit is due' is what I am implying here. HP Don certainly deserves much credit.

Subject: Ancient Greek Knowledge (Chakras, Soul, Levels of Existence)

While researching for a book I'm writing, i found a lot of information on the ancient Greek knowledge. Here are the most amazing stuff i found.

First of all...

Did you know that the ancient Greeks had a system for chakras?!

Well... they did!

I have read a lot of books on various systems of chakras and never saw a Greek system.

Chakras

First of all the chakras according to the ancient Greeks are found in texts from Plato, Pythagoras, Hippocrates and Aristotle. They define 7 chakras that correspond to the eastern widely known definitions.

I know that most ancient Greeks were traveling throughout the world (the known world at that time) collecting knowledge, but i don't know where the first chakra system originated.

The ancient Greeks used the word "plexus" instead of chakra. With the word plexus meaning network, web or mesh. So the seven chakra names according to Pythagoras from bottom to top were (I'm translating from Greek):

- 1) sacred snake plexus
- 2) genetic plexus
- 3) solar plexus
- 4) heart plexus
- 5) throat plexus
- 6) brow plexus
- 7) crown plexus

The names are a little different from what I've found in the English language translations i found on the internet. Here are three articles about the subject in English: [1\) Greek Medicine Chakras](#), [2\) The Parts of the Soul](#), [3\) Newfinder Chakras](#)

I liked that the base chakra was called Sacred Snake, obviously meaning the kundalini serpent. A visual that we see depicted to the Caduceus. (see the [wings of the soul](#) on the JoS site)

When i read this, a thought entered my mind (raise your shields, xian bullshit following):

"And the LORD God said unto the serpent, `Because thou hast done this I will put enmity between thee and the woman, and between thy seed and her Seed; it shall bruise thy head, and thou shalt bruise his heel.'" Genesis 3:14-15

The filthy jews knew the power of the kundalini serpent and tried to crush it by removing knowledge. Bastards!

Anyway they'll get what they deserve in time...

Continuing with the Greek chakra system...

In the ancient texts you can find the number of petals in each chakra, the light that comes of each chakra (meaning the color of energy) and the god that rules each chakra (meaning the planet that rules the chakra). They also assign an element to the various chakras.

To my disappointment the planet ruler-ships and the elements don't correspond to what we Spiritual Satanists know. Also the system is wrong in a lot of other aspects. Like the parts of the body that correspond to each chakra.

Soul

The Greek System also explained parts of the soul. They stated the three natures of the soul: Mind, Will and Action. This is the original knowledge that the jews tried to cover with the filthy xian "shitty trinity" destroying old and valuable knowledge.

Levels of Existence

The ancient Greeks also stated the man has 8 levels of existence (I'm translating from the Greek text):

- 1) Earthly Body (meaning the physical body)
- 2) Desiring Body (etheric)
- 3) Willing Body (astral)
- 4) Thinking Body (lower mental body)
- 5) Causal Body (higher mental body)
- 6) Intuitive or Logoic Body
- 7) World Mind Body
- 8) Pure/Kind Body

These findings match the definitions given in the books by [A.E Powell](#) (there are a lot of good information in his books, but keep in mind that he is a Theosophist and they some weird definitions. Also some xian bullshit have crept into his books so keep that in mind)

The ancient Greeks also stated that the lower 5 bodies was the symbolism of the pentacle, but i haven't done much research on the subject to give information.

Tetractys

The ancient Greeks had a thing called [Tetractys](#) coming from numerology $1 + 2 + 3 + 4 = 10 = 1 + 0 = 1$

It was usually symbolized with a equilateral triangle. This triangle had sacred geometry used throughout ancient Greece ([see a picture](#)). In modern science the tetractys is found in quantum physics and describes the subatomic behavior of baryons (anyone interested see [baryon decuplet](#))

One of the reasons the Pythagoreans viewed math with such passion was because they believed it would explain the universe. For them, math was a religion. See [here](#) another image of the sacred tetractys geometry.

The ancient Greeks (mainly the Pythagoreans) symbolized the lower three human bodies with a downwards triangle. This was the character or the personality. The part that changes with each reincarnation. (this point is also made in the books from A.E. Powell)

They also represented the three next bodies with an upwards triangle. This was the soul, the part of the human that was immortal through the reincarnations. The part that advances further through each life. The part that reaches the Godhood.

See [this image](#) of the two triangles in a masonic representation (Amazing symbolism in this drawing). Notice the upper triangle that has the 7 branches of the tree. These are the symbols of the planets that influence the 7 chakras: Sun, Mars, Venus, Mercury, Saturn, Jupiter and Moon. Although i cannot recognize the bottom three, i anyone knows them please share the knowledge.

Here comes the interesting/shocking part. The combination of the two triangles (or tetractyes) combined was called a double tetractys. And [here](#) is the image of the geometry.

What does that [remind](#) you? Yep... filthy jews stole that too. Notice that in the flag the triangles are not filled like every star in other flags.

I hope you liked the information, phew... it took me a long time to write and to find the right images but i think it is worth it.

Oh and another thing! This new-found knowledge about ancient Greece gives me another reason why Hitler liked the Greek nation. (it was mentioned in [this](#) post)

Subject: Ark, Leviathan, Seraphim

Ark, Leviathan, Seraphim.etc

Leviathan is from ancient Sumeria. It like many things was stolen by the jews at some point. Its an allegory for the kundalini power. Seraphim means "Blazing serpent." This title was once another one for our Gods till the enemy program started trying to write themselves in there as well.

The Dragon is the ancient symbol of the perfected life force.

The Ark was a concept the jews stole from the Egyptians. As moses is just a ripoff and rewrite of the God Osiris[Bacchus] and Osiris originally had an ark. But the original ark of Osiris was more then the lower part mentioned in the mythological text of the bible which represented the lower three charkas. The Satanic ark after this had a pole which travels up the center [spinal column] into a higher part that is crowned with a pair of Shuti tablets which represent the risen power and unified hemispheres of the brain. The entire thing looked like many depictions of the mount meru axis in the East for the same reason.

By only putting the lower half within their stolen and corrupted mythology the jews are stating they and their programs intend on keeping humanity functioning on the lower chakra centers and consciousness and keep them for obtaining spiritual enlightenment. Which is what their programs do.

The title of Levite was originally a Gentile Priesthood in Egypt. The jews stole that as well. Even the dress of the Levite High Priest in the fake bible. Is that of an Egyptian priest. The jew can only steal, corrupt and counterfiet they can not create. As they are parasites.

More on the lies of the jews phoney origins:

Wow, nice information. Basically the enemy, if they tried to create something, it would have no impact on the Gentiles. Because it would be totally alien. So their soooo vast creativity just ripped off and copied everything, put jewish names and bullshit on it. Thats how far their 'spiritual' mind can go. Abominational. Informative post, both on showing more of the corruption and how stupid and uncreative these leeches are.

Subject: Evolution, Magnum Opus, Satanic Vision.

I just post that here cause what I'm saying has a very strong connection to Racial seperation etc. Given one can get it clearly.

!

As Satanists we are encouraged to meditate. This is imperative. You must devote your time to meditation. As we can notice, there are many so called 'humanists' around. Do you think they really do anything for Humanity with their theories and bunk? They do not. A person meditating under Satan, really does a lot for Humanity. Earlier today, or like 30 minutes ago I had thoughts surge of my head that I felt like I should talk about.

When you meditate, you do not only evolve yourself. You evolve the Universe and

you create the life better for anyone. This is in the Soul. The state in which nations are, or the current world, is just a reflection of the collective soul of our species. This doesn't include, of course the jews. Which is obviously weakened out and infested by these mutated rats. Those who have a decent spiritual knowledge know that the Soul within, reflects the life outside. Like a body/spirit connection. Therefore all these bullshit plaguing humanity are just bullshit we have been infested with by the jews. For every thesis, there is an anti-thesis. The jew is the antithesis to us, they are the opposition of our evolution. Satan placed us here to evolve and in due time become like the Gods, perfected, become an extension of their own civilization and completely be one with them and accompany them, as they would accompany us to further and greater purposes that really cannot be written on about, exploring the universe and other more magnificent things.

The aim of our existence is to really be 'God'. Through these powers and really following our purpose, which is to become an active creative/destructive force in the universe and all its Spheres, to create, expand, become, evolve- this is what should we follow. This is truly being Humanitarian. By meditating more and more, we would have more bioelectricity, and our souls would naturally draw more positive energy from the universe. We could revitalize and protect our planet, wreck other beings that are against our Gods and our very existence. Aside a lot of other things.

When someone advances, they may think. What if we all become Gods. What will happen then? How things will work out? I have asked Satan about this. He just explained to me that the Ether is infinite. Therefore anything can be created, there is enough place for destruction and enough place of creation for everyone. One needs not to solely think physically, but in a unified manner of reality. As seeds of Satan we're all a manifestation of the Perfection of the Universe. Your organs, your DNA, your soul and all these are a manifestation of the universe in its most profound creation. As Humans we are so profound because we present forces that could never be unified, in a unified manner. Life male and female energy. Like Fire and Water put into one. Since we are this, aside a lot of other things, we are simply miraculous. Do not let time, those who oppose our Godly purpose in Satan to win, wreck them and destroy them. The time has come. See as our Satanic souls emerge further, we are going to draw here the New Age of Satan. An Age of Truth and creation. Since we will be incarnations of Satan Truth, Satan will speak, Guide, Show, Direct and Empower our fellows from Us.

Each and every one of us, will act as the hands of Satan to construct the Perfection we deserve. We will replicate our selves and fixate ourselves in the pleasure of being a part of the Truth, in Satan's consciousness.

So do not disregard it, remember, you evolve yourself and fight for our enemies and all the shit we see around, will be sorted in time. Like our Souls and bodies do get repaired, in the same way, we shall repair the World from its misery. This was the most far-seeing vision of the 3rd Reich, of the Nazis and of Adolf Hitler and our Leaders. This was the far-seeing vision of the Pharaohs, our Ancient Priests. This was, is and will forever be everyone's vision, from past to the infinity of the Future. Become the best you can become and further. We are the ones working for the world's betterment. Never forget this. To be a Satanist and a Nazi, is to evolve the self, the universe, magnify our purpose, be the happiest you will be, its the joy of existence and understanding beyond words. So listen to Satan's mighty voice, because WE are going to represent HIS perfection. WE by our existence will show in this SICK WORLD, SATAN'S DIVINITY.

HAIL SATAN!!!!!!!!!!

Subject: Re: Ark, Leviathan, Seraphim

You can see they knew this even back in the days of DaVinci and before. As Moses was painted with horns with is what Bacchus was always shown with in many images. DaVinci himself also painted John the Baptist as Dionysus as he knew that is who John the Baptist of the bible was taken from. As John the Baptist was originally another title for Oannes. Oana [John in Greek] the Baptist, Baptist means the same as Bapohmet. Onannes or Oana as shown is also the meaning and root of the term Gnosis.

There is no jewxian Gnosticism. The Alexandrian "gospels" where all pusedo Gnosticism. Which was created by the jewish theraputes to counterfiet the appearances of the PAGAN RELIGIONS and their sarced schools. That is how subversion works. When they go to the next level of their program they created the bible and destroyed the original counterfeit text of the first wave of their agenda. Seraphim means "Blazing serpent." This title was once another one for our Gods till the enemy program started trying to write themselves in there as well.

They will mention the apostle coming supposedly to Greeks and preaching about the 'Unknown God', like the Greeks accepted his preaching. Group: 666BlackSun Message: 306 From: Don Danko Date: 11/3/2012
Subject: Re: Ark, Leviathan, Seraphim

I should mention Oannes was also Dionysus to the Greeks and the cauldron he carried was called the Horn of Plenty /Agathodaemon. I believe the Agathodaemon was also referring directly to Dionysus as the Good Serpent. Was an ancient title for the Sol God. The "Cathars" also worshipped the Good Serpent or Agathodaemon. And Dionysus temples had wooden chests in which sacred serpents were kept and honored as part of the rites and during holy days Python serpents that were record as being large up to 40 feet [such snakes do exist even today]. Where carried through the towns and cities.

The xian "Holy Spirit" is a stolen from Dionysus's mysteries where the Holy Spirit was that of Dionysus, activated power within you that would give you eternal life and perfection. Because its also symbolic of the Kundalini life force. Which Dionysus as the Sol God symbolizes. His wine is the ether.

The Pagans constantly noted and told the xians that xianity was nothing but a jew counterfiet of their Pagan religions. It was so obvious, Augstink [who recanted and admitted xianity was a hideous lie at the end of his life] came up with the bullshit lie of the xian "Devil did it" defense to try and cover it over. A bullshit lie to cover for a bullshit lie.

Xianity did not get anywhere within the Roman Empire [only about 50,000 members in a Empire of 60 million people] because as the texts that survived show. The Gentiles of the Roman Empire all knew xianity was jewish bullshit. And they knew that the Pagan religions were symbolic sciences not literal tales. And the fact xianity was pushing there ripoff as literal. Made them all that more clownish to the Gentiles.

Celeus called the xians "buffons" and Julian the "throat slitters" many Philosophers and writers of the periods all state the same. Xianity is lead and organized out of the jewish communities, funded by jews and the Romans called xianity openly "a sect of Juadism."

The Emperor Julian wrote an entire book debunking this scam in his day. The xians murdered him. The Romans also wrote that only among the Gentiles did the most stupid, basically the village idiots who brought into xianity. And when a learned man would appear at the market the xian propagandists would make scare and appear once it was only the uneducated dregs around to

push their lies again.

Constantine helped pave the way with his destruction of most of the Philosopher schools and Temples and put the jewxian terror machine based into power. Later it was Theodosius who initiated the Pol Pot style cultural revolution of jewxianity in the Roman Empire fully. After several decades of Khmer Rouge like slaughtering and destruction the Empire fell apart from within and fell to the Pagan Germans with ease.

Well the more one looks into xianity, the more one will see that its just too recent. Less than a 1600 year of an infestation. Its astounding how the kikes created all these 'historical proofs' and other manuscripts to late back up their shitty ass bible with. This is the epitome of being a malefic liar. I think some people can't even grasp how thing happened because they lack the nessesary awareness over the vileness of the jew. I have repeadetly tried to explain to people that call themselves 'Ethnic' how the plague of xianity destroyed Hellenism and how the blood of Ancestors was shitted on, quite literally, by these goddamn kikes. All they say is 'Alright but we're living in the future.' Some other come off like 'But its not jesus...It was his followers...' And the other candies you hear them chewing day and night. Today on this freaking country none can imagine Ethnicism without the religion of the jewish rabbi communist monkey jesus. Even if you bring them hardcore logical fact, you're called a Mason [?] or an Anti-Christ [?] or they simply say that whomever goes against the jewish rat on a stick is not an Ethnic [?]. They will mention the apostle coming supposedly to Greeks and preaching about the 'Unknown God', like the Greeks accepted his preaching. Or will rant about and try to mix Alexander the Great and the spread of the Hellenic world, saying it was where xianity stepped on, thus by their MIGHTY FUCKING LOGIC, Alexander and spreading the Hellenic language were the reason that xianity had so much vast power. These utter bullshit 'proofs' that are so highly illogical are ENOUGH to convince all these sheep that Hellenic Ethnicism and worshipping the jewish crucified rat that didn't even exist, ARE ONE. Now since that is logic I'm a dinosaur with flowers writting on my keyboard. HAIL SATAN!!!!!!!!!!

This series is a good one, that explains many things about WW2. Although there are some mistakes, here and there only. At least it shows for a fact, how infectious bolshevism was, how most kikes were communists, the rise of communism in Germany and the numerous atrocities by the jewish ruled communist forces in Germany, crimes of the 'red army', how the kikes almost took over Germany and how fucked up and in depression was the German people and anyone under communism, how much the russians suffered in the Gulag, how much not 'racist' Hitler was, how he constantly tried to bring peace, how many peace offers he gave to Britain and other things, the brutal murdering of Germans by the Polish [and how the jews took part in this], it mentions Jesse Owens and how Hitler waved at him, while the USA minister was just being typically racist and didn't even make a statement about Jesse. How some Russians welcomed the German troops like Saviors and gave them flowers, how the Germans didn't annihilate jews but even gave them a chance to leave with all their fortune to the Arab grounds [imagine how different it was], how 6 million Russians died under communism due to starvation while working like living slaves. Aside other things. I find it very informative. Filter the info for yourself, but I believe for the most part this documentary is very very enlightening.

It is pretended that a goddess ordered him to go and destroy a barbarous nation and that he passed through the Red Sea on foot, with a multitude of men, women, and children. Another time the river Orontes suspended its waters right and left to let him pass, and the Hydaspes did the same. He commanded the sun to stand still; two luminous rays proceeded from his head. He made a fountain of wine spout up by striking the ground with his thyrsus, and engraved his laws on two tables of marble. Subject: The Jewish Ritual Muder of Andrei

The Jewish Ritual Muder of Andrei
`Alilath Seker' a slush found in today terms provided bribe money and expenses [for Jews] to combat blood accusations.- Dr Philip Devier, "Blood Ritual"

In 1911 Kiev Russian the most notorious cases of ritual murder occurred the body of Andrei Youshchinsky a child from the local area was found in a cave drained of all his blood, a local Jew Beillies was charged with the crime. Jews from around the world poured the modern equivalent of 115 million dollars into the concealing the facts of the case and his defense. After the discovery of the body the police arrested the mother and would not allow her to attend her sons burial, during this time the family was approached by a local Jewish lawyer who attempted to bribe them into silence. Jewish owned News Papers then tried to slander the mother with false claims she ran a criminal network that killed her son, once again the Jew is the master of projection and lies.

Several witnesses including two children of the Chebariak family who witnessed the kidnapping of Andrei by local Jews where murdered during the case. It was also shown the local head of the Police had planted false evidence to get Beiliess off the hook for the murder.

The children who had been with Andrei at the time of the abduction and where witnesses where all given pieces of cake by the investigator all 3 became severally ill the next day and two died, one survived after being ill for months when she recovered she testified in the court as to what she witnessed:

"We started to ride the clay -mixer suddenly Beiliess and two other Jews ran towards us, we jumped off the clay- mixer and tried to run away Andrei and my brother [Zhenya] where caught by Beiliess and the other Jews but my brother freed himself the Jews then dragged Andrei away, my sister[Valentina] also saw this."-Court testimony of Chebariaks daughter.

John Grant the American Consulate stationed in Odessa Russia at the time reported the finding of the jury, the jury had officially found that: "A certain boy]Andrei] in Kiev Russia had been killed by fanatical Jews, and that Jews for Occult purposes had carefully drawn all blood from the dying child and that it was instance of Jewish Ritualistic murder, and that Beiliess was innocent."

While the murder which was have proven to have taken place inside the synagogue of a local Jewish owned and operated brick factory, the Jury could not determine for certain if it was Beiliess who had wielded the implement that punched Andrei over 45 times around his body killing him, drawing as much blood possible carefully from Andrei's body in the process. It was stated the puncher marks done to the side of the child's head where done specifically for a special part of the ritual as a sacrifice so the Jews could overthrow the Czar.

Medel Beiliess went free because 6 of the 12 members of the jury could not determine if he had been the murdered of the child,[despite eyewitness account from Chebariaks surviving daughter, he was one of the kidnappers of Andrei along with two other Jews] too many witnesses had been killed and too much evidence destroyed and covered over previous to the trail, by the Jews.

In 1917 G.G Zamyslovsky the prosecuting attorney wrote a 525 page book on the

subject called "The Murder Of Andrei Youshchinsky" in which he detailed the facts of the case in depth. During the Judeo-Bolshevik revolution Zamyslovsky was given a show trial by the Jewish CHEKA then murdered by them mainly for his book on the subject which revealed all the aspects of the case, his book was then classified till 1997 to keep it's contents secret, the Jews also "executed" the judge of the case and any original surviving witnesses.

A identical case in America:

<http://groups.yahoo.com/group/JoSNewsletter/message/240>

In America such a case came to light in 1955 in Chicago, with the kidnapping and murder of five children that year on the time of the major Jewish holiday. The bodies of the children show they were murdered in accordance to Jewish ritualistic laws. Chicago is also an area of large and powerful Jewish communities. The victims where of murder were John and Anton Schuessler, Jr., Robert Peterson, Barbara and Patricia Grimes.

Facts on the case show:

They had been kept alive for some time after being abducted. Their dead bodies were naked, ligature marks suggested they had been bound by wrists and held in confinement before being bleed out by small cuts and puncture wounds.

Marks on one body matched up with the floor mats of a luxury Packard automobile, so the killers where mostly likely upper-class.

The two little girls had repeatedly been punctured with a sharp pointed object in the upper torso, thighs and buttocks. This may have been part of the blood collecting process. The two boys showed signs of having been nailed through the hands and feet and injuries to the mouth and eyes,.

Both grouping of victims showed enough evidence in similarities as having been done by the same group of killers.

Something more revealing:

One of the wounds to the victims contained an unspecified grain, possibly wheat.

The Jews are known for using human blood from such rituals for creating wheat based meals as Matos balls soaked in the blood of the victims of such rituals.

On the case it was openly stated in the Chicago Sun-Times: "Religious cult might be involved."

Note it only stated "Religious Cult" nothing more, could of been just about anyone or anything. But how did the Jews react. Right after the article was released fleets of trucks where sent out and all the papers where removed from the stands and literally burned. The Jews from the writing of Crowley, did the same in England when such facts where ever bought to light on such cases. Even going as so far as to buy every copy of every book or paper to burn them.

Another recent case of the Jews doing this was when Toafler who is the son of the Chief Rabbi of Rome and professor of history in Israel, wrote the book "Blood Passover." Which is a record of the Jewish ritual murders in medieval Italy. Toafler's main source of documentation was from the synagogue tracts of the time of the murders. The Jewish network combined heaven and earth to ban, remove and burn every copy made.

The Sayanim Jewish Secret Network

<http://groups.yahoo.com/group/JoSNewsletter/message/216>

Now back to the 1955 case:

Note how the Jews worked to cover it up further:

The Jewish Sheriff of the County, named Lohman, sent a Jewish deputy Horowitz to investigate the Father of the two of the murdered boys. Lohman did this as away to shift blame and be able to put the Gentile Family under house arrest, thus making it impossible for them to talk to anyone about the case. Then Lohman the Jewish Sheriff quickly orders another Jew on his force, Gloss to head the "investigation."

Two other Gentile detectives on the case Lieutenants Lynch and McMahan stated

that Cook County investigators "destroyed evidence, threatened witnesses and worked to impede their investigation at every turn."

The Father was ordered by the Police into Sanitarium (even after passing lie detector tests) under the control of a Jewish Doctor Leon Steinfeld, where he literally died the same day. The official report was it was from natural cause of a heart attack, but shortly came out he was murdered in all honesty by electro-shock treatments. Done to him within very hours of his arrival.

The coroner for Cook County a Gentile named Doctor Thomas McCarron openly called Steinfeld a murderer and liar, after brought forth important documents to that fact to the District Attorney. Shortly after Dr. McCarron had his house bombed and he was ordered to keep silent by the District Attorney. Nothing ever came from the faint investigation into the affair. Later Steinfeld after fleeing the Country was found later on in hotel room in what appeared to be a suicide. The Family of the two murdered boys was then paid One Hundred Thousand dollars from the local Jewish community to stay silent.

Obviously this is not the only case in America. Workers once tearing down a synagogue in Manhattan in 1989 found the human skeleton of a young girl in the basement's coal bin.

Churchill The Jew Praised By The Jewish State

It seems the Jews can't help but to openly worship one of their crypto's. Its that kosher hubris. They tried to cover up his Jewishness like they tried with Lenin and Stalin but failed again as the Jewish press could not help but to brag in the past. At this point they have just come totally public with Churchill being one of their own. No way would the Jew given their racism towards all Gentiles ever openly praise a goy to this level right in the heart of the Jewish state. Guess this is a close to an total, open confession we will ever get from a race of monsters that lives by deception. Even the Jewish, Mossad motto.

Note the lie Churchill who sent thousands of British to their deaths for Jewry, just stopped supporting them because the Stern Gang actions towards a so called pal.

<http://groups.yahoo.com/group/JoSNewsletter/message/328>

Churchill, the Jew puppet and who's mother was a Jewess as even reported by the Jerusalem Post, and from 1936 was being funded by a group of mainly Jewish bankers, former politicians and industrialists called "The Focus Group" and was given a huge amount of money by the Jewish Chairman of the Shell company in July of that year.

Churchill in 1940 purposely rejected Germany's offer of peace and voted to keep the war going because as he stated with Sir Stafford Cripps meeting with the Soviets in Moscow they had been given the direct promise the Soviet Jewion was going to come into the war on Britain's side.

The article rants about the holocost which is standard policy in the propaganda presses. But the holyhoax is been all debunked as yet another Jewish big lie. From the race that coined the concept.

Good links debunking the holohoax:

Note the mention of the King David Hotel attack where the Jews paided the British Army back for dying by the thousands for the Jew World Order in the second Jew Harvest.

We can see how the Jews have paided America back for the same. With the USS Liberty attacks by the Jewish states military, killing many American's and how they paided America back further with the 911 attacks:

The Jews where behind 911:

<http://www.911missinglinks.com/watch-movie/>

As part of the movie it mentions the Jews attacked the USS Liberty in June of 1967, to pull America into a war in the ME on the side of the Jews. Killing dozens of American Servicemen. Don't forget the Lavon Affair when the jews in the early 1950's used false flag terrorism against Western/American targets for their own political agenda.

Zionist is just another word for Jew as its the Jewish state for Jews by law and based upon the Jewish races psyche. Don't be fooled by the Jews that pretend to be against it in public. They seek to create false oppositon they can lead and control the natural Gentile backlash against Israel's gross behaviour. Into a non-effective corner. While pushing the enforcement of different Jewish lies on all sides. From the Jewish races texts:

Schabouth Hag. 6d: "Jews may swear falsely [my note speak falsely] by use of subterfuge wording."

Libbre David 37: "If a Jew be called upon to explain any part of the rabbinic books [my note Jewish agenda], he ought to give only a false explanation. Who ever will violate this order shall be put to death."

And the Jews admit they seek to control opposition in another texts as well.

So the Jews win in the end. And even the "anti-Zoinist" Orthodox Jews only bitch is they believe the Jewish messiah has to come first, conqueror all the Goyium nations and enslave them under global Jewish rule as the Jewish races texts state:

Schulchan Aruch, Choszen Hamiszpat 348: "All property of other nations belongs to the Jewish nation, which, consequently, is entitled to seize upon it without any scruples

Baba Necia 114, 6: "The Jews are human beings, but the nations of the world are not human beings but beasts

Then set up a global Zion where the Jews will rule from with a rod of iron. And as they "anti-Zionist" what does these Jews texts state then:

Simeon Haddarsen, fol. 56-D: "When the Messiah comes every Jew will have 2800 slaves."

As one Jewish rabbi gleefully confessed. That to understand the mind of any Jew you have to understand the Talmud. Every Jew is a walking Talumd. Its the heart of the Jewish psyche.

This is what every Jew lives and acts by right from the Talmud again:

Nidrasch Talpioth, p. 225-L: "Jehovah created the non-Jew in human form so that the Jew would not have to be served by beasts. The non-Jew is consequently an animal in human form, and condemned to serve the Jew day and night."

Abodah Zara 26b: "Even the best of the Gentiles should be killed."

Sanhedrin 59a: "Murdering Goyim is like killing a wild animal."

Zionism is the natural expression of Jewish supremacy and racial hate which flows from their racial psyche into the codex of their race texts.

As one reporter noted:

Rabbi Mendel Schneerson, the late Jewish Lubavitcher and friend of the senior George Bush, also believed the Jews are a superior Master Race. Many Jews today agree with the late Rabbi. Some even believe that Schneerson will himself someday be resurrected and return as the Jewish World Messiah. Schneerson

once explained his theory of Jewish racial superiority this way. He said, "We have a case of the Jew...a totally different species."

"The body of a Jewish person," Schneerson bragged, "is of a totally different quality from the body of members of all other nations of the world. Bodies of the Gentiles are in vain. An even greater difference is in regard to the soul...A non-Jewish soul comes from three satanic spheres, while the Jewish soul stems from holiness."

Holocaust activist Elie Wiesel, whose lies about his holocaust experiences seem to be legion, also claims that Jews are a superior race. "Everything about us is different," Wiesel boasts. "Jews are ontologically exceptional."

This poisonous theory of the Jews impacts their relations with all other nations and peoples. Because they are convinced they are the Master Race, superior, god souls living amongst inferior beasts, Israel does not sanction or allow mixed marriages (The Jerusalem Report, October 20, 1994, p.26). In the U.S.A., liberal Jews scream out for more mixed marriages, but only among Gentiles! Jewish leaders fund civil rights organizations and are in favor of increased immigration of foreign races. But back home in Israel, the Sharon government is now building a Berlin-style wall creating an apartheid nation, to keep "inferior" Arabs in their segregated ghettos.

Ze'ev Chafeto, the courageous Jewish editor of The Jerusalem Report magazine, notes that Israeli laws harshly prohibit people of non-Jewish races from immigrating to Israel. The Jews are determined to keep their race "pure" and unblemished, Christians [my note Jew code for Gentile] are especially not welcome, and Israelis frequently use words similar to the condescending slang word "nigger" to describe Gentiles and Gentiles vulgar, Yiddish slur words like "shiksa," "schwartz," and "shegetsz."

Since the Jews are claimed to be the Master Race, whose souls are said by the Talmud to be on a far higher plane than the animalistic, "satanic souls" of Gentiles, it is common for Jewish authorities to brand all Gentiles by the derogatory Yiddish term "goy," a term akin to a curse word. Meanwhile, Arabs are deemed so inferior they are even lower than the goy.

Jewish Blood vs. Inferior Blood

When several of his students were accused of murdering a teenage Arab girl, Rabbi Yitzhak Ginsburg insisted: "Jewish blood is not the same as the blood of a (Gentile) goy." In other words, if a god-like Jew kills an inferior goy, how can that be murder?

Israeli Yeshiva (school) students often demonstrate and chant, "Death to the Arabs." Defending their extreme behavior, Rabbi Ido Elba explains, "According to the Talmud (Jewish book of traditions), one may kill any Gentile." Rabbi Schlomo Aviner adds that normal human codes and laws of justice and righteousness do not apply to the Jews.

The widely studied Gush Emunim holds that, "Jews are not and cannot be a normal people...The Covenant made between God and the Jewish people effectively nullifies moral laws that bind normal nations."

.....

So we can see there Zionist state is just the natural expression of the collective Jewish race on display. Zionism is the expression of Jewish racism that ever Jew harbours deep in its rat like psyche. As even they admit proudly. And then Zionism is only one arm of the global Jewish beast. Of which there are many. Don't let the Jews fool a person into thinking there is any difference between a Zionist Jew and a Jew. The few bad apples, shell game is an old tactic. Zionism is Judaism. And Judaism is the racial culture of the Jew. Its their soul expressed.

The main article:

<http://www.independent.co.uk/news/world/middle-east/sir-winston-churchill-zionist-hero-8277918.html>

Jewish supporters of Winston Churchill are to unveil a bust of the British wartime leader in Jerusalem this weekend in what they say is a long-overdue recognition of his staunch and unwavering support of the Jewish cause and their desire for a homeland.

"As a passionate Zionist all his life and a philo-semitic, Churchill has been under-recognised," says Anthony Rosenfelder, a trustee of the Jerusalem Foundation, which is behind the project to commemorate the British leader. He "combined a historical understanding of the Jewish people and what the promised land meant for Jews with realpolitik".

It is perhaps ironic that a statue of Churchill should stand just yards away from the King David Hotel, scene of a deadly Jewish terror attack on British military headquarters in 1946 that was to hasten the demise of mandate rule in Palestine.

Sixty-four years after the British exit, Jewish antipathy towards its mandate-era rule of Palestine still remains strong.

Some regard Churchill as a controversial figure whose government turned back Jewish immigrants trying to reach Palestine during the Second World War. Others claim that Churchill was one of the greatest supporters of the Zionist movement. They say he should be acknowledged for his role in helping make real the 1917 Balfour Declaration of British support for a Jewish homeland in Palestine.

Nearly half a century after his death, though, Churchill still remains a complex historical figure among Jews. "It's always important to give history a bit of time to bed down," says Randolph Churchill, great-grandson of the British leader, a reference to the anger many Israelis still harbour towards the British. "People have had time to reflect and consider [on his role]. I don't think it's late after the event."

Most Israelis will remember Churchill for his role in defeating Hitler, and as the man who set the world against the Nazis, he is much admired. Unlike other British officials who backed the movement, such as Henry Balfour, Sir Wyndham Deedes and David Lloyd George, there is, however, almost no official

recognition of his contribution.

"Churchill is not really commemorated here, and for lots of reasons he should be," says Isaac Herzog, an Israeli politician behind the bust initiative.

Many Israelis will admit scant knowledge of his long alliance with the Jews during the early part of the 20th century, one which spurred a friend to tell his official biographer, Martin Gilbert, that Churchill was not without fault, that he was "too fond of the Jews."

Indeed, it is Mr Gilbert, himself a Jew, who has proven one of the single biggest champions of Churchill, and whose weighty tome on the subject fired imaginations, including that of Mr Rosenfelder who said the book "switched on a light for me".

Tom Segev, author of One Palestine Complete, claims that Churchill once told his close friend and an elder of the Zionist movement, Chaim Weizmann, that he would support the Zionists "even if they did horribly stupid things".

Not everybody is so convinced. Some see his support for Zionism as a matter of expediency. He spoke often of a Jewish conspiracy behind the Bolshevik Revolution, and there are those who believe that his support for a Jewish state arose from a desire to keep the Jews from meddling in the affairs of others.

"His attitude towards the Jews was very complicated," says Eli Shaltiel, a senior fellow at the Israel Democracy Institute. "The Jewish state was a way of solving the Jewish problem. Once they had a state of their own, it would serve their very uniqueness. They would be normal like any other nation."

I saw everyone around me praising Churchill and Lenin, I never felt anything but dislike and lack of interest on these so called superb individuals. I hated the smoke and V style he had. He was a fat asshole retard. I too had a dislike for both England and Russia at this time of History since a young age, for both their 'leaders'. Though now I understand how it all relates. Subject: Re: Churchill The Jew Praised By The Jewish State

Nice post Don!

Somehow it doesn't surprise me that Churchill was a kike. Movies and history videos paint a sort of "glory" about the allied leaders of that era. Even though they were all a bunch of criminals, politics hasn't changed much from then to now in that respect.

In 911missinglinks it points out the 5 dancing Israelis who were Masad operatives that had a camera set up ahead of time to take pictures of the twin towers going down. Then they were seen dancing and cheering in the streets, later they were arrested by the authorities. Once they were set free on an Israeli news show they said they were there to film the event. If any Gentile knew ahead of time that a building, especially a building containing people and children would be destroyed that Gentile would be seen as an accomplice. But unsurprisingly these rat-faced kikes are released to go back to Israel so they can cry on their national television about being arrested in the US.

This article might also help us understand why Rudolph Hess flew to England to try and negotiate peace talks behind Churchill's back. The Nazis obviously knew who Churchill was, it then should also be no surprise that Hess was given a life sentence for trying to stop the war (then later assassinated in his prison cell)

Subject: Re: Churchill The Jew Praised By The Jewish State

Churchill was a real piece of shit in general as a human being. He was such a full time drunk. They had a professional voice actor do the majority of his speeches on the radio. Because he was too wasted on booze most of the time. This pig was always laying around on his sofa, covered in cigar ashes, food and booze stains. Those around him stated he always stunk like booze sweat and arm pit funk together. And he drank most of his meals. For lunch he would drink a wine bottle the size of a large soft drink

bottle and then pass out on the sofa till late noon. Some stated he would get so drunk he would often piss himself.

Churchill was no liberal messiah either. He had a psychotic racial hate for just about every race. Especially the Indians. He personally was behind the planned famine in British owned India that killed several million people. Even his most close associates where aghast at how fucking evil he was over this. He literally made jokes and laughed with glee and releshed the misery and death toll of the Indians from his genocide famine. And bitched it was not high enough.

It was Churchill who order Dresden destroyed knowing it was a neutral city by truce. And thus undefended and full of innocents fleeing the Eastern front. He also didn't give a shit about his own as he also knew pow transfer camps where in there as well. And he had no problem getting a war that killed thousands of British people going away.

This character during the first war wanted to disguise warships as hospital ships to sneak attack German naval vessels which was a major violation of the rulers of war. And would have resulted in every hospital and civilian ship being targets. Which is what he admitted he wanted as the propaganda victory in his mind was worth the deaths of countless thousands of his own people.

This was the reason the Lusitania was sunk the Germans knew the British where using this ship to secretly transfer massive tons of military supplies across the ocean. Which was a violation of the agreed upon rules. The German embassy in America put a major message in all media warning everyone not to board the Lusitania as it was now a military target. The ship sank in several minutes from one tiny shot [this ship was the Titanic's sister ship] because it was loaded with thousands of tons of heavy ammunition. The ship blew apart basically. I wonder how much Churchill had to do with that scheme as he worked in that dept. The guy was a total clinical psychopath.

I have been staring at his photos. For one I hated his style since a young age, like I hated Jew Stalin. I didn't know it was a known fact that this dude was a Jew. I saw everyone around me praising Churchill and Lenin, I never felt anything but dislike and lack of interest on these so called superb individuals. I hated the smoke and V style he had. He was a fat asshole retard. I too had a dislike for both England and Russia at this time of History since a young age, for both their 'leaders'. Though now I understand how it all relates. So this fat pasty smile and this non-human look is simply Jewish. I didn't want to say anything because I had no proof but here it is.

Yes on the same day it was in the news. The police arrested a white van full of israeli's [due to people phoning in the dancing jews on the top of such van]. The van was loaded with military grade explosives and they had a map to a specific main support column for the cities main bridge. The men in the van where all former IDF [isreali defense force] troops who where all trained in military demolitions. This went down the media memory hole fast.

But one can still see the story aired on the news here:

Nice post Don!

Somehow it doesn't surprise me that churchill was a kike. Movies and history videos paint a sort of "glory" about the allied leaders of that era. Even though they were all a bunch of criminals, politics hasn't changed much from then to now in that respect.

In 911missinglinks it points out the 5 dancing isralies who were masad operatives that had a camera set up ahead of time to take pictures of the twin towers going down. Then they were seen dancing and cheering in the streets, later they were arrested by the authorities. Once they were set free on an isralie news show they said they were there to film the event. If any Gentile knew ahead of time that a building, especially a building containing people and children would be destroyed that Gentile would be seen as an accomplice. But unsurprisingly these rat faced kikes are released to go back to israel so they can cry on their national television about being arrested in the US.

This article might also help us understand why Rudolph Hess flew to England to try and negotiate peace talks behind churchills back. The Nazi's obviously knew who churchill was, it then should also be no surprise that Hess who given a life sentence for teying to stop the war (then later assassinated in his prison cell)

What a freaking existence his was. This fucking cigarette, his eyes and general look that just give out a supremely insane person. Like he was sleeping. Like a fat pig walking around. He was just a pig. I would have severed his spine out of his body, I don't know I just have unconditional hate for this guy. I dislike him. He looks dirty and like a fucking pile of shit. I doubt he ever washed himself. He was just walking in his highly price clothes. And this scepter he was holding, I would jam it throughout his brain. Seriously. When you see a being like that, you really wonder how this piss of shit can rise on top of leadership, like in ANYWHERE. I mean he cannot even walk yet you give a country for him to control. Fucking bullshit.

He got to where he was because he would sellout to the highest bidder. And due to his position of birth and the British governmental system of the era. He had a position within it with ease. And since he had jew blood. From reports enough to be fully racially jewish himself. The jews would naturally want one of their own in such position over a goy. The jews never really trust their goy henchmen.

What a freaking existence his was. This fucking cigarette, his eyes and general look that just give out a supremely insane person. Like he was sleeping. Like a fat pig walking around. He was just a pig. I would have severed his spine out of his body, I don't know I just have unconditional hate for this guy. I dislike him. He looks dirty and like a fucking pile of shit. I doubt he ever washed himself. He was just walking in his highly price clothes. And this scepter he was holding, I would jam it throughout his brain. Seriously. When you see a being like that, you really wonder how this piss of shit can rise on top of leadership, like in ANYWHERE. I mean he cannot even walk yet you give a country for him to control. Fucking bullshit.

Subject: Re: Churchill The Jew Praised By The Jewish State

A close family person I had, had made it high in the Banking career. He had a 'friend' which was a jew. He later wanted to retire, and told this jew and being fooled by him about his plan. The system here is, when you retire, you will gain a huge sum of money. The sum was to be around 270.000\$. The kike then backstabbed him, told those who were above him and they made hell sure through legal loopholes that he won't get a penny. This is what happens with jews. The severely want to destroy us. Also in my perception, if a manager or boss is a jew, they will only hire jews. I believe kikes hire only those of their own kind and unlike us, they are really really aware of their distant cousins, no matter which Race they try to infiltrate. I talked on about this incident because it just shows how much the kikes co-operate to promote and take over the system, get what they want etc. While we just stay blind to how they play all sides. From the whole internet only the JoS can explain these questions. Others are busy calling themselves anti-semites, while their groups and ranks are hoarded by jews and they too have high positions [like the White Powah groups] which is truly pathetic.

It wasn't much of a surprize, this fat bulldozer Churchill always reminded me of a fat cow-frog. I always had a thing of 'hate' for the Allied forces. The name just doesn't emmit any power or shit. I just don't like them. I was given long lectures on bla bla bla the Greeks bla bla bla bla bla revolution bla bla bla bla. I always disliked it for a reason that I didn't know, at the time, but now I do.

But Nazi, my God Satan, THAT IS A TITLE. It just emmits power like the Fhurer, Hitler.

Because they are convinced they are the Master Race, superior, god souls living amongst inferior beasts, Israel does not sanction or allow mixed marriages (The Jerusalem Report, October 20, 1994, p.26). In the U.S.A., liberal Jews scream out for more mixed marriages, but only among Gentiles! Jewish leaders fund civil rights organizations and are in favor of increased immigration of foreign races. But back home in Israel, the Sharon government is now building a Berlin-style wall creating an apartheid nation, to keep "inferior" Arabs in their segregated ghettos.

Zionism is the expression of Jewish racism that ever Jew harbours deep in its rat like psyche. As even they admit proudly. And then Zionism is only one arm of the global Jewish beast. Of which there are many. Don't let the Jews fool a person into thinking there is any difference between a Zionist Jew and a Jew. The few bad apples, shell game is an old tactic. Zionism is Juadism. Subject: Get into the Greek spirit

I just watched this video and damn I'm pumped to do some destruction rituals, really want to be a part of this soon to be global revolution. For now the only way we can help is spiritually, for now.

Subject: 40 day Destruction Working / Ritual

Many of us are fighting for Satan and He is number one in our lives. This is imperative and anyone has to remember that you wouldn't make it far spiritually without Satan. Satan has done many things for us that are almost never quite understood. The Powers of Hell seek their revenge and we are the Hands, Mouths and Souls from where they speak and execute their Power in this world. You are all more important here than you may think or feel. So do not let anything get in your way. I am writing this post for a reminder and to point something important out. There are people here who want to do a great work for Satan and do not know exactly what to do. Many questions are asked as of how one can grow closer to Satan. The answer has been given already; by working for Him. Then its advisable we give enemy the pain they gave to our Gods. Satan has related to me and you probably feel it too, how much pain he has undergone. Satan is not a monster, he is a being with powerful emotions and he is our creator. These bloodbaths that took place in WWII and other words caused by the kikes were done intentionally to hurt both us and Satan.

For those with historical knowledge, it should be obvious that the jews caused this war. If we let them do more and more, they will eventually destroy us. I want you NOT to sleep on your pillow thinking that the Powers of Hell will 'save' us. Or that anything is just fine and that we should keep rolling on with our lines. NOW ITS THE FUCKING TIME THAT WE HAVE BEEN WAITING FOR THOUSANDS UPON THOUSANDS OF YEARS. MANY OF OUR ANCESTORS OF ANY GENTILE RACE HAVE SPILLED THE BLOOD ON THE GROUND AND PAYED NO ATTENTION TO THEIR LIVES, SACRIFICED SO THAT YOU AND ME CAN LIVE AS WE DO TODAY AND RAISE OUR SERPENTS TO FINISH THE JOB. WE ARE THE LAST HAND OF DEATH AND MOST OF US WILL BRING FORTH THE NEW AGE OF SATAN. Our payment is required and our souls need to be avenged. So do not take shit no more. There will be no tolerance and these times are FUCKING OVER. No more tolerance. Its about time we seek revenge from all jews all over the world for what they did. The enemies of Satan are our enemies and the enemies of the JoS. From all those in the world, that are inaware in regards to that- We are of the largest groups with the most Psychic Power. Our WILL in this world can be executed, whether the enemy wants it or not. We have grown like a plague over their lie, slowly devouring it. With organization we can change the world very very soon.

Do you accept being poor? Being sick? Having not what we rightfully desire? Do you accept your kids to be brought on a kike world and in front of all this infestation? If you do then you should really question your Satanic integrity. Behave like the God you're going to be and this is a say to the enemy that we are not fucking slaves anymore. The slavery has ended and its time we will kick their skull so much that nothing remains. We will crush them.

What I'm writing here is not for everyone. Its for those who want to create a severe impact on the world and help the Powers of Hell with all their effort. Satan will reward you and like physical military, there will be honors for ANYONE who does this. This will be between you and Father Satan. Satan is always true on His word. I will rarely make such claims but this is important and has to be revealed. I asked Satan how He viewed the JoS; His reply was "It is my Major fighting unit on Earth". EVERYONE HERE WHO IS SINCERELY IN THE FIGHT IS SEEN BY A WARRIOR IN THE EYES OF HELL. NOTHING LESS.

So here is the ritual for 10 November.

<http://groups.yahoo.com/group/JoyofSatan666/message/76054>

After doing this, for those who are willing, we will continue with a 40 day working. For those who haven't got 40 days, you can do it for 9 days. Although if at least 20 people keep this effort for 40 days, the changes of the world will be notable. The kikes are already getting what they deserve, in minor ways. The ways will be palpitated to the point of their final judgement by the Powers of Hell. Ask your Guardian Demon for this. Your Guardian Demon will ensure that you will get things right and operating. Its advised that anyone working on such workings to retain their vibration high through the Merkaba meditation and keep the meditation programm up. This won't be taking you more than 15 minutes. If someone doesn't have 15 minutes for JoS, which for most is the haven that saved their lives and is the only group that fights aside with Satan, instead of sitting their asses, is not worth of what it is to come. Hell is aware of those who have a pure heart.

When you're done with the Ritual, at the time of Saturn, you will start your working. This could be on the same hour or the following hour of Saturn. Or the previous one. You can do this on the hour of Mars too. For every following day, this has to be repeated, either in the hour of Mars or in the Hour of Saturn. Its advisable that in the hour you will start this [i.e you start at Saturday, Mars hour] it should be continued on the same hour. If in anycase the hour is missed, you can do this in another hour, but focus for the hours of Mars and Saturn.

The working:

Affirmation:

"The jewish race is now completely destroyed in all ways, completely and permanently."

[The energies raised from the Runes are to be imagined like a ball of energy in front of you, but coming in no contact with you.]

-While vibrating the rune, imagine the energies destroying the jews, in anyway tha feels pleasant to you.

*****Thurisaz x9

TTTTTHHHHHHH-UUUUUUUU-RRRRRR-IIIIII-SSSSSSS-AAAAAAA-ZZZZZZZ

When you're done with 9 vibrations, programm the energy by affirming, and envisioning destruction:

"The jewish race is now completely destroyed in all ways, completely and permanently."

The above has to be repeated 4 times. That means 4x9. This has to do with Satan's numbers and this is one of the reasons it will be so powerful.

****Hagalatz x9

HHHHH-AAAAAAA-GGGGGGGG-AAAAAAAAA-LLLLLLL-AAAAAAA-TTTZZZZZZSSSS

When you're done with 9 vibrations, programm the energy by affirming and envisioning destruction:

"The jewish race is now completely destroyed in all ways, permanently and completely"

The above has to be repeated 4 times. That means 4x9. This has to do with Satan's numbers and this is one of the reasons it will be so powerful.

Sidenote:

If one doesn't have the time to do this 4 times, then they should do it either 1 time, 1x9 or 2x9. We will work with Satan's number for maximum effectiveness of the working.

If by the time we all finish that working, you see massive destruction or whole nations turning around the jews and pissreal, or jews getting kicked up to shreds in your neighborhood, then wonder not who did this. We did this.

Please post all your questions and concerns below. Anyone must participate.

The kike then backstabbed him, told those who were above him and they made hell sure through legal loopholes that he won't get a penny. This is what happens with jews. The severely want to destroy us. Also in my perception, if a manager or boss is a jew, they will only hire jews. I believe kikes hire only those of their own kind and unlike us, they are really really aware of their distant cousins, no matter which Race they try to infiltrate. I talked on about this incident because it just shows how much the kikes co-operate to promote and take over the system, get what they want etc. While we just stay blind to how they play all sides. From the whole internet only the JoS can explain these questions. Others are busy calling themselves anti-semites, while their groups and ranks are hoarded by jews and they too have high positions [like the White Powah groups] which is truly pathetic.

In the U.S.A., liberal Jews scream out for more mixed marriages, but only among Gentiles! Jewish leaders fund civil rights organizations and are in favor of increased immigration of foreign races. But back home in Israel, the Sharon government is now building a Berlin-style wall creating an apartheid nation, to keep "inferior" Arabs in their segregated ghettos.

<http://marketdailynews.com/2012/11/07/senator-dianne-feinstein-moves-to-ban-all-assault-rifles-high-capacity-magazines-and-pistol-grips/>

The agenda no longer needs to be hidden from public view. With President Obama winning another term and democrats taking control of the Senate, the move to fundamentally change America from within has begun with a vengeance.

We're all aware of the restrictive gun laws in the State of California which require low capacity magazines for handguns, fixed magazines for assault rifles, and a whole lot of running around just to be granted the right to carry a concealed firearm.

Now, Senator Dianne Feinstein (D-CA), who has championed gun control in her state for decades and co-wrote the original assault weapons ban enacted by the federal government in the 1990s, wishes to bring even more stringent federal mandates to the land of the free.

What is being proposed by Feinstein is the most significant attack on the second amendment in history.

It would essentially ban thousands of firearms and require gun owners to turn them over to the Federal government.

I don't have the minutes of the meeting (yet), but sources tell me California Senator and longtime gun-hater Dianne Feinstein's legal staff held meetings on Friday with FTB/ATF legal staff to discuss a new Assault Weapons Ban. Madame Feinstein would be looking to push through Congress if President Obama wins reelection.

This same pretty good intelligence says the items that would lead to a ban would ban pistol grips and high-capacity magazines, eliminate any grandfathering and ban sales of weapons in possession.

I don't know about you, but if these things come to pass and I'm in possession I'm certainly not selling.

In fact, the lack of interest in the idea surprised the California liberal's legal staffers. Apparently, they believe no logical person could possibly disagree with them.

I began receiving the first reports of increases in gun buying by people concerned about tomorrow's election. Dealers in Oklahoma, Arkansas, Texas, Kentucky, Tennessee, Alabama and Indiana all tell me there hasn't been a huge number of buyers expressing those concerns, but the numbers were noticeable.

Among that group -and the majority of regular purchasers- the core driving most of the purchasing seem to be in their mid-to-late 30s. Again, home and personal defense are the most frequently cited reasons for buying.

At a Congressional budget meeting in September of this year, Feinstein alluded to her desire to reintroduce federal assault weapons ban regulations similar to those she helped cosponsor and pass in 1994 during the Presidency of Bill Clinton:

Ladies and gentlemen, it is time to say, once again, in legislation, weapons of war do not belong on our streets;

It it any wonder that shares of stocks like Smith & Wesson (NASDAQ:SWHC) and Ruger (NYSE:RGR) surged this morning in response to President Obama winning a second term? While the majority of stocks across the world are in the midst of a sell-off and economic conditions indicate the country is in a recession, America's gun owners aren't waiting to see what happens next.

Senator Feinstein is serious, and despite this most recent report appearing only as a rumor, her comments earlier this year and her actions two decades ago, should leave no question as to where this is headed.

They are coming for our guns; plain and simple.

They came for our guns over here in Oz don't let them take yours!!!

We can still get a gun, some of us after jumping through a tonne of red tape and licencing requirements, police checks and restrictive use. We cannot legally use a gun for self defence. In Victoria you even need a licence to own a SWORD! You cannot import knives without a permit even ones already for sale legally in the country which is ridiculous it has to do with tax. Everything is more expensive to buy in the country wether it is made here or not. Even air rifles, replicas, and paintball guns are restricted. Australia has been disarming it's citizens and the wimps of this once great land are just handing away their rights as this pacifist agenda gets more and more grip. So we have law inforcement and criminals still armed of course! And corrupt police with guns fucking great that is NOT!

What use is a firearm that is unloaded the gun locked in one safe the ammo locked up elsewhere if your attacked in the night? NONE of course, just call 000 and pray they say fuck off. Technically I am committing an offence just by having a baseball bat or bladed weapon under my bed or within easy reach at night. What if a man breaks in and attacks me? Well the government and dogooders don't care if I fight back and kill the intruder I am up for charges. They have those excessive force laws... when you are under attack you don't think did I hit him too hard? You are thinking SURVIVE AND DESTROY THE THREAT that is nature. Of course kike agendas are anti nature and anti our natural instincts and make us criminals for defending ourselves.

If my dog bites an intruder I am up for charges and my dog is taken and killed. This is not right. They won't stop at guns either they will work there way to making you all helpless victims. Don't be fooled!

Speaking of dogs notice how powerfull breeds are being restricted and banned? Such as pitbulls anything that can and will attack an intruder and protect it's owner is now bad and dangerous. Of course the kike run media shows all these kids being mauled and plays it up everytime a dog attacks someone. It only shows some cases while ignoring the thousands of loyal balanced dogs who do no harm to the innocent.

Once upon a time such dogs of great power and bravery were highly prized and sort after. Warriors who stood by their master and protected their homes, castles and estates and warned of attack. Now such dogs they want to wipe out and replace with ridiculous little fluffy pets that yap and suffer all kinds of health and genetic problems. Domestic animals and pets are a gift from Satan and our Gods for our protection, to help us, be companions and help us in farm work and so on. Anything Satan gave us for our benefit gets attacked and taken away or ruined, abused and so on. It doesn't take a genius to see it. I know in my own life whenever Father has gifted me something special someone complains and wants to take it away from me.

Hail Satan

It was in another link I put up but I am putting it up again in case anyone missed it. This is an interview with a very brave Chief Inspector who has been investigating child sexual abuse in the catholic church in NSW Australia for a long time. He has come out at personal risk to talk about the coverup and how he was taken off a big case after receiving 'explosive' evidence from a witness. He hints that the abuse to his knowledge goes 'to the top' as I take that he means the vatican I am certain.

I must say I have never seen a detective show so much emotion in an interview you can see he has clearly been deeply effected by what he knows. Please watch this and share it EVERYWHERE you can.

Our rituals are making an impact and more of these cases will come to light.

New South Wales Premier Barry O'Farrell has announced a Special Commission of Inquiry into police handling of abuse by Catholic Church clergy in the Hunter Valley, after a senior detective aired claims of a cover-up.

His move follows a call from Nationals MP Troy Grant for a royal commission and claims people in the Catholic Church are hindering police investigations.

A senior Hunter Valley police officer, Detective Chief Inspector Peter Fox, alleges the church covers up for paedophile priests, silences investigations, and destroys crucial evidence to avoid prosecution.

He outlined his claims in an open letter to Mr O'Farrell published in the Newcastle Herald.

"I can testify from my own experience that the church covers up, silences victims, hinders police investigations, alerts offenders, destroys evidence and moves priests to protect the good name of the church. None of that stops at the Victorian border," he said.

Last night, Chief Inspector Fox told ABC TV's Lateline that he encountered alleged serious issues of cover-up in his investigation of priest Father Denis McAlinden.

The priest had arrived in Australia from Ireland in 1949 and for four decades he was transferred from parish to parish, and even outside Australia.

The NSW Department of Public Prosecutions is now looking at whether McAlinden's crimes were covered up by three senior members of the clergy, including the general secretary of the Australian Catholic Bishops conference, Brian Lucas, the Archbishop of Adelaide, Philip Wilson, and former bishop of Newcastle, Michael Malone.

Chief Inspector Fox was in the middle of investigating the matter in 2010 when he was directed to hand over all his evidence to other officers, including a statement from a critical witness.

He says the statement was "explosive".

"When I was directed to hand that statement over I described her statement as ... explosive. And I still describe that statement as explosive," he said.

"What is disclosed in that is monumental."

Video: Detective levels fresh claims of abuse within Catholic church (Lateline)

Northern Region Commander Assistant Commissioner Carlene York told Lateline that Chief Inspector Fox was directed to hand over his work because the case was taken over by a new taskforce in a different Local Area Command (LAC).

"It would be unusual for a crime manager from a neighbouring LAC to work on a Strike Force in another LAC," he said.

While similar to a royal commission, special commissions of inquiry are restricted to looking into possible offences which may justify prosecution, while royal commissions can have a wider scope.

Special commissions are also required to observe the rules of evidence as applicable in a court of law, while royal commissions have no such restrictions.

But NSW Greens MP David Shoebridge says the terms of reference for the inquiry are limited and fail to address the real concerns.

"The Premier's announcement is of a half-baked inquiry. It's looking rather remarkably at the police's handling of sexual abuse claims rather than church's handling of sexual abuse amongst their ranks," he said.

"It's also limited to only the Hunter and we know that abuse extended well beyond the Hunter Valley and an inquiry should extend to the whole state."

Mr O'Farrell's move came as calls for a royal commission intensified in Victoria, where an ongoing parliamentary inquiry is looking into the handling of child abuse.

Victims' support group Broken Rites says it has evidence that two orphaned boys died while in the care of the Hospitaller Order of St John of God in Victoria - one of them after being thrown down a flight of stairs.

Broken Rites says it will present its evidence to the ongoing parliamentary inquiry and says it wants a nationwide royal commission to look into abuse claims.

Patrick Tidmarsh, an adviser on Victoria Police's Sexual Offences Child Abuse Investigations Team, testified at the inquiry today.

He says the church should not be in charge of investigating its own sex abuse issues.

"I don't think they should be investigating themselves. I think that is absolutely the number one issue," he said.

"I find it personally extraordinary that an organisation has set up a separate system, particularly one where if you volunteer for that system, you give up your rights to any other system."

Mr Tidmarsh told the inquiry the clergy he dealt with were not brought to justice.

"They had all been known before, they had all been caught. I had wracked my brains, I could not think of a single case where they were not known, had not been moved, had reoffended, and in most cases several times after that, moved again, and reoffended, moved again, and reoffended.

And he recalled how a priest gave a chilling justification for his abusive behaviour.

"He said, 'I was available to my community 24-7. I gave myself to them, I gave myself to the church, and I figured I was entitled to a little bit back'. That was his justification for his offending.

"He was seen to be a protector of the vulnerable rather than an exploiter of the vulnerable. We've all fallen into those traps. We've all been hoodwinked by men like this."

Subject: Allegations boys died in religious group's care

The child abuse victims support group Broken Rites will tell the Victorian Parliamentary inquiry into the handling of child abuse that two boys died while in the care of a religious organisation.

The inquiry was launched by the State Government earlier this year after a concerted campaign by victims' groups.

Broken Rites spokesman Dr Wayne Chamley alleges two boys died in the 1960s while under the care of the Hospitaller Order of St John of God at Lilydale and Cheltenham.

Dr Chamley says survivors have passed on the stories.

"One of those was in a bed beside a man that I did a mediation for and that man said that that boy had just recently arrived in the orphanage and when he woke up the child was dead," he told ABC local radio.

"The other one was thrown down a set of staircases."

Dr Chamley says the children had no families.

He says he worked with police for eight years to try and move the investigation along.

"The police were just never resourced. They were never resourced to get to the bottom of this," he said.

He says the cases were put in the public record in 2004 when he testified before a Senate inquiry and he is calling for a national royal commission of inquiry.

"We need a Commonwealth-initiated royal commission into all this. There's too much going on all over the country," he said.

"It's not in the past. It's still going on now.

"The big problem now is visiting priests. They fly in ... nobody knows what their bona fides are."

The parliamentary committee has revealed it has taken steps to get documents from the Catholic Church, as part of its inquiry.

The committee is hearing from people who work on sex abuse investigations for Victoria Police.

Patrick Tidmarsh, a Victoria Police adviser, says it is extraordinary that the Catholic Church has its own system for dealing with allegations of child sex abuse.

"I don't think they should be investigating themselves. I think that is absolutely the number one issue," he said.

"I find it personally extraordinary that an organisation has set up a separate system, particularly one where if you volunteer for that system, you give up your rights to any other system."

When obama was elected president the first time anything and everything about guns was sold out and over priced. From months before and up to 2 years after guns were over priced, and ammo was out of stock. Interestingly ccl #34 primers (designed for handloading for 7.62 type battle rifles) were out of stock for over 2 years.

The only thing I will say is that kike did it once, if she can she will do it again. Just don't let yourself get paranoid and stressed out over it. Unless you have a ccw permit and your gun is registered to you because of that guns aren't registered. So for the individual with an ak/ar "assault rifle" keep in mind after the paper work was filled out and the gun dealer called the fbi they were doing a background check to make sure you don't have a felony. If somehow an assault weapon ban passes and they want you to hand over your assault weapon you could easily say it was sold at a gun show as there are no regulations about an owner of a firearm selling it to another individual.

Subject: Re: Jewish Senator Dianne Feinstein Moves To Fire Arm Bans.

Only say so, if it so. Keep it legal.

Anyway this is how the kikes get around the constitution piece by piece. The laws passed against the militia made them almost powerless to combat any current military. And now the one kind of arms that could still give American's a chance to defend themselves in the case of a civil war or revolution against the regime. They want that removed as well. Because they know they evil schemes could cause a backlash from the populace still. And they are not done yet.

Its no mistake the Founders did not want America to have a large federal army or police force. And entrusted the protection of the people and constitution to civilian patriot forces on the state level. A literally peoples army. It was the major check and balance between the people and government. After seven years of fighting against the Rothschild Empire for freedom, they understood this the best of all.

This is how the South where able to muster a fight against the growing federalism of the North. After the reigme of the North refused to follow the constitutional law and allow them to separate as they had the legal referendum that the vote was for succession. The attack on Ft. Sumter. Was a removal of a now alien occupation force from their soverign land. The reigme in Washington ordered them to stay as they wanted a incident they could use.

The American civil war shows me how much the average American didn't really give a shit about the civilized system of governence the Founders set up. Anyone who actual thinks it was because of slavery is a real tard. Of course as I wrote before there was whole books wrote by professionals on how the jews helped create this war as well.

Since we have moved beyond muskets and horses. The state militia's should be allowed to upgrade with this fact. But instead America has a large bloated federal army and police armies. That do what the regime wants. And the attitude of them is becoming that of a separate class above and beyond the people and constitution. Infact many times they gleeful chuck it to the wind. Its no mistake the jews created specific psychological test as admitting exams for such roles. Because this is the kind of psychology they are selecting for. Its all very animal farmish.

And we have the fact the jew-gov, pulled the Oklahoma false flag attack. Which was designed to target the militia movements. And it worked.

Anything that comes between their power and control they hate. You can even see that in how the average, corrupt police oaf behaves today. They have the spirit of their masters. But they and their families now and for generations will have to live in the Orwellian state they help enforce today. Thats how crazy they are. They don't care, its about their egoism.

Also these christian conservate, oafs are nothing but dickless men with a hyper femine mind. Hence their ideal of liberty is the freedom to do whatever the reigme tell them to do. While worshipping jewsus. They are the otherside of the coin of liberals.

But thats xianity it degrades the male psyche into a castrated, vain, materialistic, power worshipping, effeminate, coward.

So its no mistake everyone who got their asses out there at Valley Forge and elsewhere where 99% Luciferian Free Masons. Serpent banners and all.

And even today the joyfooly, emasulated xian patriotard. Believes more war for israel, more police state [as long as its republicans doing it] open borders [as long as they love da lard] despite the Founders stated they created a White Racial nation state only. And their love for hyper crony capitalism [as long as GOD and apple pie is on the bills]. While the Founders warned against it night and day. And their love of everything else jewish which steals a man of his soul and liberty. And thus they keep undermining what the Founders built. Because the entire jewish xian program is the enemy of the Luciferan doctrine the Founders handed down to the nation.

The Founders should have done what they wanted and banned the jews from America.

I believe the great victory the jew won was the destruction of the original Luciferian Masons. After everything just toppled into their wicked pockets.

The third phase of the American evolution was the open blooming of a Lucferian culture and the achievement of the Magnum Opus for the people of the Nation. As they stated: "The New Atlantis" For the White race to be Gods in.

The jews have worked hard to stop this. As it would be the end of their power system. The 3rd Reich was another manifestation of this in the last century.

If one looks at the system the National Socialist created it was identical to the Founders with more updated system for the level of advancement society had come to by this point and problems faced. Just like Hitler delt with the Reds and their cohorts so did the Founders deal with Rothschild loyalists.etc

Both where actual Republican systems based on the classical ideal. Both upheld by a natural elite.

The Pagan world had the same systems. The kings where elected by a specific council from the best elements of the wise. And could be sacked at anytime they failed in their duties. Including becoming a tryant. It was the jewxian model Europe was reeling from which was the opposite and designed to give the jew reigme in kosher Rome direct control over the nations. As the family

now owned their power to Rome and in many cases the original Arya classes were destroyed to allow these psychopathic interlopers into power. And in many cases they were Jews in the mix.

Simply take the model of the American Founders and state one has to be a valid 33 degree Mason [twice born with the full rising for the Serpent] or higher. To be within the government and one has to be an initiated member of a Luciferian Lodge in good standing [meaning working on themselves spiritually] to have the right to vote. And you have the official Pagan system basically. With the Prez being selected by the College from a group of those who have finished or reached the highest levels of the Magnum Opus. This is basically the Founders had secretly created by their own actions and accounts.

Remember they left us the scales of Maat the ancient symbol of a nation built upon the superconscious understanding of the laws of nature. To guide us, as they stated America is built upon the eternal laws of nature.

In a free society a person has to be free to flow their soul nature and as part of this achieve their birth right of spiritual illumination. This is what the Founders were talking about hence the creation of a meritocracy and having a Mason lodge in every town and every city block. This also allows for a natural elite to rise in each generation.

Franklin stated freedom of speech is needed so there can be wisdom in society. The Jews have worked to remove this and replace it with a MTV, Game show distraction. As freedom.

The ideal of true liberty or freedom when every man shall become his own sovereign. Comes with the Magnum Opus. This is what Jefferson who as records found now show was a highly initiated Mason in France along with Franklin. Was talking about, the symbols of the man who is his own King. Have always been the symbols of the halo [Crown] and scepter the symbol of the ascended power. The scepter was once shown as a lightning bolt in the shape of the Sig rune in the ancient world for this reason.

Satanism = true freedom.

Many of us are fighting for Satan and He is number one in our lives. This is imperative and anyone has to remember that you wouldn't make it far spiritually without Satan. Satan has done many things for us that are almost never quite understood. The Powers of Hell seek their revenge and we are the Hands, Mouths and Souls from where they speak and execute their Power in this world. You are all more important here than you may think or feel. So do not let anything get in your way. I am writing this post for a reminder and to point something important out. These bloodbaths that took place in WWII and other words caused by the kikes were done intentionally to hurt both

us and Satan.

For those with historical knowledge, it should be obvious that the jews caused this war. If we let them do more and more, they will eventually destroy us. I want you NOT to sleep on your pillow thinking that the Powers of Hell will 'save' us. Or that anything is just fine and that we should keep rolling on with our lines. What I'm writting here is not for everyone. Its for those who want to create a severe impact on the world and help the Powers of Hell with all their effort. Satan will reward you and like physical military, there will be honors for ANYONE who does this. This will be between you and Father Satan. Satan is always true on His word. So here is the ritual for 10 November.

<http://groups.yahoo.com/group/JoyofSatan666/message/76054>

After doing this, for those who are willing, we will continue with a 40 day working. For those who haven't got 40 days, you can do it for 9 days. Although if at least 20 people keep this effort for 40 days, the changes of the world will be notable. The kikes are already getting what they deserve, in minor ways. When you're done with the Ritual, at the time of Saturn, you will start your working. This could be on the same hour or the following hour of Saturn. Or the previous one. The working:

Affirmation:

"The jewish race is now completely destroyed in all ways, completely and permanently."

HHHHH-AAAAAAA-GGGGGGGG-AAAAAAAAAA-LLLLLL-AAAAAAA-TTZZZZZZZSSSS

When you're done with 9 vibrations, programm the energy by affirming and envisioning destruction:

"The jewish race is now completely destroyed in all ways, permanently and completely"

The above has to be repeated 4 times. That means 4x9. This has to do with Satan's numbers and this is one of the reasons it will be so powerful.

Sidenote:

If one doesn't have the time to do this 4 times, then they should do it either 1 time, 1x9 or 2x9. We will work with Satan's number for maximum effectiveness of the working.

If by the time we all finish that working, you see massive destruction or whole nations turning around the jews and pissreal, or jews getting kicked up to shreds in

your neighborhood, then wonder not who did this. We did this.

Please post all your questions and concerns below. Anyone must participate.

That is true in most states. You could also say that you lost the receipt for the sale. Once the American People allow the fed to take away the guns and the right to bear the arms they own, effectively we are no longer a free nation but a nation on the verge of communism. I believe the reason we have the right to keep and bear arms is not only to protect our homes from those who might wish to intrude, it is also to ensure that the public can stand up to a Government who wishes to rule the nation through Tyranny. No Guns= No Freedom. Look at Russia, only the government has weapons and crime is out of control. Look at Australia, everyone has a gun and there is hardly any crime. The US is somewhere in the middle.

When obama was elected president the first time anything and everything about guns was sold out and over priced. From months before and up to 2 years after guns were over priced, and ammo was out of stock. Interestingly ccl #34 primers (designed for handloading for 7.62 type battle rifles) were out of stock for over 2 years. The only thing I will say is that kike did it once, if she can she will do it again. Just don't let yourself get paranoid and stressed out over it. Unless you have a ccw permit and your gun is registered to you because of that guns aren't registered. So for the individual with an ak/ar "assault rifle" keep in mind after the paper work was filled out and the gun dealer called the fbi they were doing a background check to make sure you don't have a felony. If somehow an assault weapon ban passes and they want you to hand over your assault weapon you could easily say it was sold at a gun show as there are no regulations about an owner of a firearm selling it to another individual.

These laws make me sick. I grew up with my dad owning multiple hunting rifles, and he taught us how to use them for protection, and made sure we always knew where they were kept (under his bed and in a cabinet in the hallway). I felt safer. I can't stand the thought of people taking away my right to protect myself. Nobody should go to jail for defending themselves and/or their home and family.

Subject: Re: Jewish Senator Dianne Feinstein Moves To Fire Arm Bans.

Before I say anything here, just compare how all of this smacks of christianity. The bible, the system...

Any of you who ask what you can do for Satan, make sure the masses of people we have in the JoS e-groups...with all of the JoS e-groups combined, we

have an audience of between 25 and 30 thousand people. I know some of you are members of more than one group. The point is...GET THE MESSAGE OUT! Wake people up to what christianity really is. Too many are still confused and indoctrinated. Just look around yourself and compare how both the jewish run system and their fucking holy bible have the very same agenda and themes. That is NOT a religion! IT IS A PROGRAM AND ALWAYS WAS A PROGRAM AND THE JEWS TRY TO PRETEND TO BE AGAINST IT, OR PERSECUTED BY IT TO DECEIVE EVERYONE. THEY EVEN TRY TO GET OUR PEOPLE BELIEVING THEY HAVE BEEN WORKING AGAINST IT, TRYING TO DESTROY IT, WHICH IS NOT THE CASE. THIS IS ONLY TO FOOL YOU. THE ONLY TIMES THEY WORK TO DESTROY IT IS TO REPLACE IT WITH THEIR JEW COMMUNISM, OF WHICH THE PATH OF CHRISTIANITY LEADS TO. CHRISTIANITY IS IN TOTAL HARMONY WITH COMMUNISM, BOTH JEWISH INVENTED PROGRAMS OF TORTURE, GENOCIDE, AND MASS MURDER.

You know...

One enlists in the military. One is trained to KILL. What makes the green grass grow???? BLOOD AND GUTS DRILL SARGEANT!!!...I CAN'T HEAR YOU!!!...BLOOD AND GUTS DRILL SARGEANT!!!

That line was drummed into our heads repeatedly during military training.

Soldiers and others in military training are trained to follow orders and KILL. Trained to stay alive to KILL. Trained to survive in all kinds of situations and places to KILL. Trained to use a variety of weapons to KILL. Trained to get into the best physical shape possible to KILL. KILL not only what THEY TELL YOU is the enemy, but also innocent men, women and children, ONLY BECAUSE THEY TELL YOU TO DO SO???? BUT...IF SOMEONE BREAKS INTO YOUR HOME AND WANTS TO KILL YOU AND YOUR FAMILY, THEN IT IS A CRIME TO RETALIATE? ONLY IF THE JEW SYSTEM TELLS YOU TO KILL, THEN YOU ARE SUPPOSED TO KILL WITHOUT HESITATION. WHEN THE JEW SYSTEM TELLS YOU TO WORSHIP THEIR GOD, YOU ARE SUPPOSED TO DO SO WITHOUT QUESTION.

Now, how about Colonel Paul Tibbits with his 'Enola Gay' who dropped the jewish invented and constructed death bomb on Hiroshima and Nagasaki, instantly MURDERING hundreds of thousands of civilians? Oh, of course since this was designed by jews and done for jews, then this is supposed to not only be ok, but an honor. INNOCENT CIVILIANS vaporized into walls. The ones who didn't...the skin on stomachs of pregnant women opened up and their babies fell out, skin peeled off the bones of many of the survivors, hair fell out in tufts with their scalps peeling off before they died, others were charred and blackened with third degree burns and worse. Then...the black rain. It wasn't enough to flatten Hiroshima, they had to do another one on Nagasaki. Some of this was in retaliation for the Japanese Emperor kicking out the catholic jesuits who advocated murdering all of the Japanese Buddhists nearly a century before. The Japanese as a nation never accepted the jewish program of christianity.

No time was given for surrender and the Japanese were ready to surrender anyway, before the TESTING of the Hiroshima bomb. They had to finish their TEST with another bomb on Nagasaki.

'We possess several hundred atomic warheads and rockets and can launch them at targets in all directions, perhaps even at Rome. Most European capitals are targets for our air force. Let me quote General Moshe Dayan: 'Israel must be like a mad dog, too dangerous to bother.' I consider it all hopeless at this point. We shall have to try to prevent things from coming to that, if at all possible. Our armed forces, however, are not the thirtieth strongest in the world, but rather the second or third. We have the capability to take the world down with us. And I can assure you that that will happen before Israel goes under.'

- Martin van Creveld, Israeli professor of military history at the Hebrew University in Jerusalem. in an interview in the Dutch weekly magazine: Elsevier, 2002, no. 17, p. 52-53.

'We may never actually have to use this atomic weapon in military operations as the mere threat of its use will persuade any opponent to surrender to us.'
---Chaim Weizmann [jew]

THE JEWISH GIFT TO HUMANITY: NUCLEAR BOMB:

The following excerpt is from Ben Klassen:

'One of the central figures in not only laying the theoretical ground work but also persuading President Roosevelt to launch the whole atomic bomb program was Albert Einstein, a foreign-born Jew with 16 communist front affiliations.

The first commissioner of the Atomic Energy Commission was David E. Lilienthal, a Jew, who belonged to at least two communist fronts. He remained in that position for a considerable length of time. Three of the five commissioners on the board were Jews.

The chief of the Los Alamos installation from 1943 to 1945 was Robert Oppenheimer, a Jew. His brother Frank, a card carrying communist, was a key atomic scientist working at the Los Alamos installation.

Other Jews – besides Einstein and Szilard – included J. Robert Oppenheimer, David Bohm, Rudolf Peierls, Felix Bloch, Eugene Wigner, Niels Bohr, James Chadwick, James Franck, Otto Frisch and Edward Teller. Enrico Fermi was married to a Jew.

It was at this time that most of the Atomic secrets were stolen and passed on to the Soviets.

When it comes to listing the spies and traitors involved, it almost reads like a Jewish Who's Who.

The most notorious were Julius and Ethel Rosenberg, who were tried and executed for treason, the only traitors in modern U.S. history to have suffered this fate. Further involved in this spy network were Harry Gold, Abraham Brothman, David Greenglass, (Ethel Rosenberg's brother), Israel Weinbaum, Miriam Moscowitz, Sidney Weinbaum, Morton Sobell. All these were Jews, and all were convicted of treason.

It is also significant in the further development of the hydrogen bomb, again Jews were in the forefront, such as Robert Oppenheimer, Steve Nelson (real name Joseph W. Weinberg) and Edward Teller.'

Because of their well known opposition to Communism, the Japanese people were selected by Jewish strategists as the guinea pigs for the testing of the new Jewish Hellbomb, a weapon so horrible that when Hitler learned his scientists had begun work on it, he furiously ordered them to halt its development. He refused to allow his name or the name of the German people to be associated with such an inhumane operation. This allowed the Jews to develop their atomic hellbomb in Los Alamos for Roosevelt and Stalin, with no competition from anywhere in the world.

"Hitler will have no war, but he will be forced into it, not this year but later...' (The Jewish Emil Ludwig, Les Annales, June, 1934)

The bombing of Dresden was just as horrific as the bombings of Hiroshima and Nagasaki. Dresden was an unarmed city. It was one of the major centers of culture in Germany. NOW...HERE IS A BLATANT EXAMPLE OF HOW THE JEWS USE THEIR BIBLE [WHICH IS REALLY IN TRUTH, A BOOK OF JEWISH WITCHCRAFT...JUST LOOK TO THE NUMBERS, THE VERSES AND SUCH, ESPECIALLY IN HEBREW], DRESDEN WAS BOMBED AND REDUCED TO ASHES ON THE CHRISTIAN DAY OF 'ASH WEDNESDAY.' IT IS OBVIOUS THE CONNECTION HERE.

Dresden Germany was bombed with incendiary bombs [fire bombs] to where all of the oxygen was sucked out of the city. Dresden was reduced to ashes. The suffering of innocents was beyond the imagination. Given this occurred in March of 1945, this was done to further break the German morale.

On September 9, 1944 Eisenhower had discussed with Spaatz the idea of delivering a colossal air raid on Berlin. Ike's Psychological Warfare staff had recommended that they camouflage it as a strike against the Nazi administration, in order to deflect charges of delivering a terror-raid.

Page 96 - Apocalypse 1945:

The Destruction of Dresden by David Irving

'Jews Declared War on Germany. Even before the war started the Jewish leaders on a world-wide basis had years before declared that world Jewry was at war with Germany, and that they would utilize their immense financial, moral and political powers to destroy Hitler and Nazi Germany. (We have shown this in the previous chapter.) Principal among these was Chaim Weizmann, the Zionist leader, who so declared on September 5, 1939. He was enthusiastically supported by world-wide Jewry in this declaration.'

Quotes below from George Lincoln Rockwell:

'I learned that Hitler not only did NOT want to conquer the world, or any other nation, but only to get back the parts of Germany hacked off by the Versailles treaty.'

'He openly said he wanted back the parts of Germany given to Poland, Czechoslovakia, etc. The only places he ever "attacked" were once parts of GERMANY, such as Prussia and Austria, stolen by Versailles, just as if we lost Florida and Texas, you would certainly "attack" these states until they were again American.'

Perhaps even more shocking, I discovered, long after the war, just how arrogant the Jews had been in claiming that Hitler "started" World War II - when even before we got into it, they published a book called "Germany Must Perish", which actually preached the EXTERMINATION of the German people (long before any possible gas chambers were even to be alleged). And more startling still the Jews laid out the division of Germany on a map in 1940, and the line the Jews drew on their map way back in 1940 is pretty much the same line which now divides Germany!

[The above was written before the reunification of Germany]

Quotes below from (Eustace Mullins,
Foreword, War! War! War!)

'Like most historic Jewish military operations, the great massacres of World War II occurred, not on the battlefield, but in peaceful neighborhood communities. This was in accordance with the dictate of the Book of Esther, which directs the Jews to massacre women and children, and to exterminate the families of those who dare to oppose them.

Thus it was in Dresden, a historic German cultural center, where many thousands of German women and children, refugees from Communism had gathered. They were assured by the Red Cross that they would be safe, even while the Jewish generals were preparing to murder the men. The blood-maddened Jews desired not only to murder as many German civilians as possible but also to erase from history all evidence of Western civilization, the greatest examples of White culture which had been gathered in Dresden, the irreplaceable porcelain, the priceless paintings, the baroque furniture, and the rococo mansions with their poetry carved in stone. All was laid waste in a mass bombing attack in which some 300,000 German civilians died in a city which was not even a military target!

Like Dresden, Hiroshima was also an ancient cultural center, with no visible military objective. Its non-combatant families also died horribly by the hundreds of thousands. Many were pulverized instantly by the first atomic bomb ever used in a military operation, but thousands of other victims lived on for years, mangled and burned, their limbs and organs slowly rotting away from radiation poisoning. Even while the Japanese officials were desperately suing for peace, the Jews hastily ordered the dropping of a second atomic bomb, this one on Nagasaki, bringing off a second 'test' of their Hellbomb against helpless non-combatants, as prescribed by the Book of Esther. Again, hundreds of thousands of civilians died horribly.

At last, the Jews had achieved the weapon which they planned to use to terrorize the entire world into subjecting itself to their insane frenzies and their frequently voiced goal of world domination of the 'animals,' or non-Jews. As Chaim Weizmann boasted, 'We will never actually have to use this atomic weapon in military operations as the mere threat of its use will persuade any opponent to surrender to us.' (Eustace Mullins, Foreword, War! War! War!)

While this thread below reveals how Gentiles are being systematically stripped of any weapons for self-defense, Israel is threatening Nuclear war against Iran. There is much more to this, than most people now know.

With the enforcing of christianity through mass murder, genocide and torture, we gentiles have been systematically stripped of any spiritual means for self defense and forced fed a diet of suicide.

Subject: Re: Jewish Senator Dianne Feinstein Moves To Fire Arm Bans.

I was on ebay last night, looking for a floor rug of all things and one comes up from Afganastan actually there were a few with the same theme. It said made by or designed by villagers in the northern part of the country who make rugs as a way of telling stories and recording history, events that have effected them. Well if these were not a cry for help or just a cry of something all over was pictures of bombs, grenades, more bombs... guns, automatic rifles with

flames coming out, tanks, helicopters dropping more bombs. The sight of seeing those listings come up amongst pages of rugs with flowers and dolphins and all that sort of thing it really hit me. I don't know what else to say about that.

What you say HP Maxine it doesn't surprise me, not anymore. We were not taught about Hitler and the Jews at school we were only really taught that Japan wanted to take Australia and that's why they bombed them. I couldn't understand why they did it 'don't question it just be grateful you speak English' was the usual response. When I was old enough to understand what atomic bombs do I could not understand all those years the allies being praised for what they did when all it was horror, unspeakable horror. It's just sick. But no one dared to question it. What I know now I am more concerned to be caught with how I feel about the Jews and WW2 than to be found out as a Satanist.

This is how you know who rules your world who you cannot question. Make people too scared to even ask why I cannot question. Make them too scared to even THINK it. Make a person scared of THEIR OWN PRIVATE THOUGHTS!

Something else I wonder, just how much radiation is too much, how radioactive was the planet before any nuclear weapons or tests were ever done here... as some will know it happened before. It is not only the target of the bombing who gets it, that fallout goes around the world it settles and it stays for a very very long time. What effects does it have? They won't tell you. Most natural radioactive substances occur in underground deposits undisturbed where they should be until they get dug up. Then made more dangerous. We have a filter in our atmosphere for filtering out dangerous radiation from the sun and from space. It would not be there if we didn't need it for life. Now it has holes ripped in it.

It is no wonder Hitler was horrified by these bombs. The Germans were not fools very far from it. My only regret now I have seen enough evidence and see what this all is that Hitler was too kind. He was a good man, too good perhaps. I suppose He had His reasons.

Something to point out, you compared Australia and Russia saying that everyone in Australia has a gun. You might want to take a look at the post serpentfire666 wrote about how people in Australia had their guns taken away.

I understand the analogy your using though and your right about that. Places where citizens have guns legally crime is lower, places where citizens are not allowed guns crime is higher.

The founding fathers understood very well how firearms played into politics, thats also why kike politicians now call them terrorists. Remember the Thomas Jefferson quote "the tree of liberty must be refreshed from time to time with the blood of patriots and tyrants" its very obvious what he's saying.

Also a section from the Declaration of Independent "we hold these truths to be self evident, that all men are created equal, that they are endowed by their creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness. That to secure these rights governments are instituted among men, deriving their just powers from the consent of the governed, --That whenever any form of government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new government"

I believe the reason we have the right to keep and bear arms is not only to protect our homes from those who might wish to intrude, it is also to ensure that the public can stand up to a Government who wishes to rule the nation through Tyranny. No Guns= No Freedom. Look at Russia, only the government has weapons and crime is out of control. Look at Australia, everyone has a gun and there is hardly any crime. Unless you have a ccw permit and your gun is registered to you because of that guns aren't registered. So for the individual with an ak/ar "assault rifle" keep in mind after the paper work was filled out and the gun dealer called the fbi they were doing a background check to make sure you don't have a felony. If somehow an assault weapon ban passes and they want you to hand over your assault weapon you could easily say it was sold at a gun show as there are no regulations about an owner of a firearm selling it to another individual.

The other part of that Jefferson quote was where he stated "The two races equally free can not coexist under the same government." The jewusal suspects had that removed from his monument.

Also the equality Jefferson was talking about from looking at the thinking of their day. Was the ideal that all citizens where equal under the law [the opposite of the privilege system of the nobility] . And had the same chance to move up in society based upon their individual character and talent and to achieve spiritual enlightenment within the Lodges. Unlike the rigid caste systems of European society. This is identical to the same system created in NS Germany which dismantled the Junker caste system [which they hated Hitler some much for they tried to kill him many times] and created a system where the individual character of the citizen would govern their place in the social order. Not old aristocratic titles or material money rank. The old system has stagnated European society for centuries and was the cause for so much people leaving Europe to come to America. It should be noted this probably stopped many more revolutions from happening. It was this the jewish bolsheviks played to.

The Founders also placed the Alien and Immigration acts into consitutional law, which stated only White People could be citizens of and immigrate to America. Franklin also wanted to place a eugenic policy upon that only allowing the best blood into America. That stupid shit on the statue of Liberty about the tried, poor, refuse and such. Was placed their by a jewish communist in the later 19th century. The jews have been trying to communize America for awhile.

The Founders where racialists of the highest order.

Something to point out, you compared Australia and Russia saying that everyone in Australia has a gun. You might want to take a look at the post serpentfire666 wrote about how people in Australia had their guns taken away.

I understand the analogy your using though and your right about that. Places where citizens have guns legally crime is lower, places where citizens are not allowed guns crime is higher.

The founding fathers understood very well how firearms played into politics, thats also why kike politicians now call them terrorists. Remember the Thomas Jefferson quote "the tree of liberty must be refreshed from time to time with the blood of patriots and tyrants" its very obvious what he's saying.

Also a section from the Declaration of Independent "we hold these truths to be self evident, that all men are created equal, that they are endowed by their creator

with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness. That to secure these rights governments are instituted among men, deriving their just powers from the consent of the governed, --That whenever any form of government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new government"

No Guns= No Freedom. Look at Russia, only the government has weapons and crime is out of control. Look at Australia, everyone has a gun and there is hardly any crime. mind after the paper work was filled out and the gun dealer called the fbi they were doing a background check to make sure you don't have a felony. If somehow an assault weapon ban passes and they want you to hand over your assault weapon you could easily say it was sold at a gun show as there are no regulations about an owner of a firearm selling it to another individual.

That's interesting, I've never heard that 2nd part you mentioned. I've wondered if some of the founding fathers in America were reincarnated during Nazi Germany. Or at least through spirit helped with the making of Nazi Germany.

That push for all the "tired weak hungry poor" to come here to the states really took off in the late 1800's and early 1900's. You had said Jewry wanted the European countries to bleed themselves dry on the battlefield of WW1 so that the Jewish-led Soviets could walk over the European countries with little opposition. I wonder if part of the push to get Europeans here had to do with getting the populations down over there. Also the Statue of Liberty was given to

us from france, the french revolution was another jewish led "revolution" it seems quite obvious where that quote came from on the statue of liberty then.

Subject: Destruction of Jewish Sexual Energies Version 1.2			

Destruction of Jewish Sexual Energies Group Ritual Version 1.2

Introduction

Sorry for not having posted in the past two months but have been dealing with some serious life altering growth and did not have the time or energy to write these as I had more important things to see too dealing with my own growth. Looking back to the past two months I see some others have created group workings and am glad more and more people are seeing that these groups become more united when it comes to our focus in destroying our enemies. I know it may not mean much coming from me but I would like to give my personal thanks to those who have created such workings.

Before my absence I was currently working on a couple of ritual series with one of those dealt with the sexual energies of the Jew and aimed to disrupt them in as many ways as possible. In August the ritual dealt with causing all current and future Jewish men to become sterile and therefore disrupting the creation of future Jews. This month it would be only fair to our dear Jewish women that we do the same to them and ensure that by doing so both Jewish men and women shall become sterile.

Purpose

Make all Jewish women sterile and unable to be with child

Date/Time/ Reason

The date for this ritual shall be November 12th 2012. On this day the moon will be in the sign of Scorpio which is one of the best signs for black magic and will give us the following benefits.

Revenge, hatred, venting, exposing secrets, death spells, surgery, transformation, obsession, pure sex, the occult, the darker side of things, extremes, research, banishing spells, ending things permanently, death and dying. This is the most powerful and intense of all the moon signs. Secret, underhanded, and covert operations, willpower, drastic destruction. Like its opposite sign Taurus, Scorpio is usually permanent. Do NOT have surgical procedures performed on the pelvis, reproductive or sex organs at this time.

This day is also a Monday which is represented by the Moon which also aids us in this ritual and shall give us the following benefits

The moon rules over the women's womb, women, the mother, children, and childbearing

On this day the ritual should be performed during the hours of the moon.

For those who like to perform their rituals early in the morning there is a void moon on this day up until roughly 7AM. So keep this in mind.

Runes being used

1. Gebo- used in sex magic and binding spells

- 2.Fehu- controls fertility, binds enemy
- 3.Uruz- sexual potency, destruction
- 4.Bjork- female fertility, feminine magic, feminine energies
- 5.Kenaz- harnessing of sexual energies, control sexual energies

Extra Rune

- 1.Isa- when used with Gebo creates great binding

Ritual Affirmations Used

Runic Affirmation- The energies of (name of rune) are continuously working to completely and totally ensure that all present and future jewish women become sexually sterile immediately and for all eternity

Ritual Affirmation- All present and future jewish women are continuously becoming sexually sterile immediately and for all eternity

Sigil Being Used

The sigil for this ritual will be that of a binding sigil, consisting of three circles instead of the usual two.

As I said there will be three circles, one large one on the outside, another smaller one within the large one, and lastly a third small circle in the center.

In-between the outer and second circle place four Isa runes, one on top, one on bottom, one on left and one on right.

In-between the second and third circles place the other five runes and place enough of each to ensure they completely surround the space in-between the two circles.

In the center of the sigil (center of third circle) place the star of david (jewish star) and on top of the star place the five runes so they cover the star completely.

Ritual Declaration

Ever since the day the earth and all of nature was cursed with the degrading presence of the cowardly weakling known as the jew they have spread their seed so their numbers will grow and at the same time have polluted all that was pure and natural within our world, including our once great Gentile species. Through their ability to reproduce and mate with our fellow Gentiles, the jew has poisoned our Gentile people and spawned creatures that should never see the light of day, creatures that have found their way into top controlling positions within our society, fulfilling their plan as well as the plan of their revolting reptilian masters to destroy our society and our fellow Gentiles until there is nothing left but a "one" race that is even more revolting than the jew themselves. For far too long the jew was allowed to commit such crimes against the earth, as in creating abomination after abomination that went against the laws of nature. NO LONGER shall the jew be allowed to spawn that of which shall infiltrate, NO LONGER shall the jew be allowed to spawn that of which shall destroy, NO LONGER shall the jew be allowed to create that of which goes against nature, NO LONGER SHALL JEWS BE ALLOWED TO REPRODUCE AT ALL, FOR ALL ETERNITY!!!!.

I (state your full name) proclaim here tonight in front of Satan and all the Powers of Hell that no jew will know the gift of reproduction, and through the energies I raise here tonight and the eternal outcome I seek, the jewish race shall be NO MORE!!!

Hail Satan

Hail Beelzebub

Hail Astaroth

Hail Azazel

Hail Lilith

Heil Hitler

Heil Heinrich Himmler

Hail To All the Gods of Hell

Hail To Hells Army

The Ritual

1. Before beginning the ritual make sure to cleanse and empower your aura and energies. You can cleanse your aura by engulfing yourself with white-gold energy and affirming your aura is cleansed of all negative energies. To empower your energies the alternate nostril breathing or breath of fire can be done.
2. Next cleanse your ritual area of any conflicting energies, this can be done by engulfing your ritual area with Satanic vibrant blue flames and affirming your ritual area is cleansed of all past energies.
3. Now open your ritual as you would any other either with the standard ritual found on the JoS or the opening ritual found on HP Vovim's website.
4. Read your ritual declaration with intent and know what you are saying is coming into reality
5. Burn the ritual declaration or save it until the end to burn it along with the sigil at the same time
6. Place the sigil on your alter and begin by repeating the ritual affirmation nine times while seeing the entire sigil glowing in a dirty reddish-gray color.
7. Begin with the rune Fehu. On each inhale repeat the runic affirmation in your head and on the exhale vibrate the rune while seeing all of the Fehu runes on the sigil glowing in a dirty reddish-gray energy. Do this nine times, and after the ninth time repeat the ritual affirmation one time while seeing the entire sigil glowing in a dirty reddish gray color.
8. Move onto the rune Uruz. On each inhale repeat the runic affirmation in your head and on the exhale vibrate the rune while seeing all of the Uruz runes on the sigil glowing in a dirty reddish-gray energy. Do this nine times, and after the ninth time repeat the ritual affirmation one time while seeing the entire sigil glowing in a dirty reddish gray color.
9. Move onto the rune Gebo. On each inhale repeat the runic affirmation in your head and on the exhale vibrate the rune while seeing all of the Gebo runes on the sigil glowing in a dirty reddish-gray energy. Do this nine times, and after the ninth time repeat the ritual affirmation one time while seeing the entire sigil glowing in a dirty reddish gray color
10. Move onto the rune Bjork. On each inhale repeat the runic affirmation in your head and on the exhale vibrate the rune while seeing all of the Bjork runes on the sigil glowing in a dirty reddish-gray energy. Do this nine times, and after the ninth time repeat the ritual affirmation one time while seeing the entire sigil glowing in a dirty reddish gray color
11. Move onto the rune Kenaz. On each inhale repeat the runic affirmation in your head and on the exhale vibrate the rune while seeing all of the Kenaz runes on the sigil glowing in a dirty reddish-gray energy. Do this nine times, and after the ninth time repeat the ritual affirmation one time while seeing the entire sigil glowing in a dirty reddish gray color
12. Move onto the rune Isa. On each inhale repeat the runic affirmation in your head and on the exhale vibrate the rune while seeing all of the Isa runes on the sigil glowing in a dirty reddish-gray energy. Do this nine times, and after the ninth time repeat the ritual affirmation one time while seeing the entire sigil glowing in a dirty reddish gray color
13. It is now time to make a sacrifice to ensure our goals are received. During this step take a sterilized needle, razor, or whatever you prefer. Make a small cut on your left index finger and trace the rune of Isa over the sigil. While doing so vibrate Isa nine times, while vibrating see the Isa rune that you traced in a black energy.
14. Now take the sigil and write the ritual affirmation on the back. Take a few minutes to meditate on the outcome focusing all of your hate and anger toward the jews into the sigil and see all jewish women becoming sterile and unable to become pregnant. See the jews numbers becoming less and less to where they become an endangered species.
15. Now burn the sigil and ritual declaration, while repeating the ritual affirmation until the flames burn out. Once this happens repeat the "blood affirmation" once more knowing your energy is now and forever binding the jews.
16. Afterwards further incite that the energy within your blood is binding jewish men to becoming sterile. "Through my blood and therefore through my

energies that outweigh that of the jews, I (state your full name) am ensuring that all present and future jewish men become sterile for all eternity"
VERY IMPORTANT- After you close the ritual take a few minutes and thoroughly cleanse your aura and it is wise to raise your energy too.

Destruction of jewish Sexual Energies Group Ritual Version 1.2

> Introduction

> Sorry for not having posted in the past two months but have been dealing with some serious life altering growth and did not have the time or energy to write these as I had more important things to see too dealing with my own growth. Looking back to the past two months I see some others have created group workings and am glad more and more people are seeing that these groups become more united when it comes to our focus In destroying our enemies. I know it may not mean much coming from me but I would like to give my personal thanks to those who have created such workings.

> Before my absence I was currently working on a couple of ritual series with one of those dealt with the sexual energies of the jew and aimed to disrupt them in as many ways as possible. In August the ritual dealt with causing all current and future jewish men to become sterile and therefore disrupting the creation of future jews. This month it would be only fair to our dear jewish women that we do the same to them and ensure that by doing so both jewish men and women shall become sterile.

> Purpose

> Make all jewish women sterile and unable to be with child

> Date/Time/ Reason

> The date for this ritual shall be November 12th 2012. On this day the moon will be in the sign of Scorpio which is one of the best signs for black magic and will give us the following benefits.

> Revenge, hatred, venting, exposing secrets, death spells, surgery, transformation, obsession, pure sex, the occult, the darker side of things, extremes, research, banishing spells, ending things permanently, death and dying. This is the most powerful and intense of all the moon signs. Secret, underhanded, and covert operations, willpower, drastic destruction. Like its opposite sign Taurus, Scorpio is usually permanent. Do NOT have surgical procedures performed on the pelvis, reproductive or sex organs at this time.

> This day is also a Monday which is represented by the Moon which also aides us in this ritual and shall give us the following benefits

> The moon rules over the women's womb, women, the mother, children, and childbearing

- > On this day the ritual should be performed during the hours of the moon.
- > For those who like to perform their rituals early in the morning there is a void moon on this day up until roughly 7AM. So keep this in mind.
- > Runes being used
 - > 1. Gebo- used in sex magic and binding spells
 - > 2. Fehu- controls fertility, binds enemy
 - > 3. Uruz- sexual potency, destruction
 - > 4. Bjork- female fertility, feminine magic, feminine energies
 - > 5. Kenaz- harnessing of sexual energies, control sexual energies
- > Extra Rune
 - > 1. Isa- when used with Gebo creates great binding
- > Ritual Affirmations Used
 - > Runic Affirmation- The energies of (name of rune) are continuously working to completely and totally ensure that all present and future Jewish women become sexually sterile immediately and for all eternity
 - > Ritual Affirmation- All present and future Jewish women are continuously becoming sexually sterile immediately and for all eternity
- > Sigil Being Used
 - > The sigil for this ritual will be that of a binding sigil, consisting of three circles instead of the usual two.
 - > As I said there will be three circles, one large one on the outside, another smaller one within the large one, and lastly a third small circle in the center.
 - > In-between the outer and second circle place four Isa runes, one on top, one on bottom, one on left and one on right.
 - > In-between the second and third circles place the other five runes and place enough of each to ensure they completely surround the space in-between the two circles.
 - > In the center of the sigil (center of third circle) place the star of David (Jewish star) and on top of the star place the five runes so they cover the star completely.
- > Ritual Declaration

> Ever since the day the earth and all of nature was cursed with the degrading presence of the cowardly weakling known as the Jew they have spread their seed so their numbers will grow and at the same time have polluted all that was pure and natural within our world, including our once great Gentile species.

> Through their ability to reproduce and mate with our fellow Gentiles, the Jew has poisoned our Gentile people and spawned creatures that should never see the light of day, creatures that have found their way into top controlling positions within our society, fulfilling their plan as well as the plan of their revolting reptilian masters to destroy our society and our fellow Gentiles until there is nothing left but a "one" race that is even more revolting than the Jew themselves.

> For far too long the Jew was allowed to commit such crimes against the earth, as in creating abomination after abomination that went against the laws of nature. NO LONGER shall the Jew be allowed to spawn that of which shall infiltrate, NO LONGER shall the Jew be allowed to spawn that of which shall destroy, NO LONGER shall the Jew be allowed to create that of which goes against nature, NO LONGER SHALL JEWS BE ALLOWED TO REPRODUCE AT ALL, FOR ALL ETERNITY!!!!.

> I (state your full name) proclaim here tonight in front of Satan and all the Powers of Hell that no Jew will know the gift of reproduction, and through the energies I raise here tonight and the eternal outcome I seek, the Jewish race shall be NO MORE!!!

Subject: Yesterday's Ritual and Working

Everyone here who did this, know that we made a powerful impact. Many people have felt this, moreso those who were a bit more advanced. Keep on your 40 day working, no matter what. For those who missed the working yesterday, it can be started on Tuesday, Mars day, Mars hour, Moon Scoprio.

If anyone started this, be aware the enemy will through thoughts or circumstances stop you from doing this. This is where you should NOT bend. Also there may be waves of attacks, of varying natures. Remember to NOT give up your meditations for the next 40 days and do your working, protection and cleaning no matter what. Thanks a lot to anyone who participated. This tyranny upon us must end, really. It has been abominational for us to live under such circumstances. Shit no more. There will be no rest. We need to keep doing what we should and Satan will reward and help each everyone of us in their own ways. I know many people felt this too and I too feel, Satan is pleased.

Subject: Tommorow's Destruction.

There are many many people have have helped eradicate Satan's enemies and our enemies last Saturday. Many have started their working and they should continue it for 40 days. I hope everything is fine and that none stops their working. Its imperative that anyone should finish this. We are making impact.

For those who have missed the working and only did the Ritual, or did nothing at all, worry not. You can continue tommorow, Tuesday, Day of Mars, hour of Mars, moon in Scorpio day. If its no way of getting the hour right, well then, go for Saturn hour. Though Mars/Day Mars/Hour will be the best. Since Mars is ruled by Scorpio. For anyone having started the working [this should be day 3-4, depending on time region] this day will nevertheless adding much power to it. So as to repeat:

-The Working:

Affirmation:

"The jewish race is now completely destroyed in all ways, completely and permanently."

[The energies raised from the Runes are to be imagined like a ball of energy in front of you, but coming in no contact with you.]

-While vibrating the rune, imagine the energies destroying the jews, in anyway tha feels pleasant to you.

*****Thurisaz x9

TTTTTHHHHHHHH-UUUUUUUU-RRRRRR-IIIIII-SSSSSSSS-AAAAAAA-ZZZZZZZ

When you're done with 9 vibrations, programm the energy by affirming, and envisioning destruction, with pure intent:

"The jewish race is now completely destroyed in all ways, completely and permanently."

The above has to be repeated 4 times. That means 4x9. This has to do with Satan's numbers and this is one of the reasons it will be so powerful.

****Hagalatz x9

HHHHH-AAAAAAA-GGGGGGGG-AAAAAAAAAA-LLLLLL-AAAAAAA-TTZZZZZZSSSS

When you're done with 9 vibrations, program the energy by affirming and envisioning destruction, with pure intent:

"The Jewish race is now completely destroyed in all ways, permanently and completely"

The above has to be repeated 4 times. That means 4x9. This has to do with Satan's numbers and this is one of the reasons it will be so powerful.

*****If one doesn't have the time to do this 4 times [4x9=36, 4 sets of 9, with a vibration.] Then they should do it either 1 time, [1x9, each Rune] or 2x9. We will work with Satan's number for maximum effectiveness of the working. This won't take you more than 15 minutes daily, only once a day.

Yet another sidenote:

Now generally speaking. First of all, consult your Guardian Demon, even if you can hear him/her or know him/her or not. If you're new, ask Satan to guide you and He definitely will. For those who want maximum success, do not dilute your energies. That is do not start any other working. The Powers of Hell understand and if we help them on this, they will handle other issues. Your meditations should not be stopped. Avoiding any hardship/attacks is easy. Many people have talked on about how orgasmic this working was. I feel the same way. I felt really a deep gratification and for once I felt really 'calm'. A deep inner calmness of fulfilling a right purpose.

Always keep up your MerKaBa meditation. Higher Vibration ensures further success. This is for those practicing this meditation. Remember to keep your aura of protection up. Cleaning is imperative. If any thoughts of circumstances arise, do not stop what you're doing. The enemy will in stupid or more obvious ways try to stop you, or use any trick. What matters is you finish this in 4 days. After your working, follow with a cleansing. For those who really want perfect results, do the working after you're done with the meditation. Though if you miss something once, do it. Try to aim for the Mars/Saturn hours. I write this to ensure perfect success. Anyone should do this, no matter the times, how's and why's. But those who can ensure perfect success will increase their power and the outcome. Keep yourself safe and rejoice in the kike scums suffering. So yea that was it. For those who are new, do not worry. Solely your intention to participate, is greatly valued and you should complete your working, not minding the minor stuff. Just do it.

HAIL SATAN!!!!!!

HEIL ADOLF HITLER!!!!

HEIL US, THE FOURTH REICH!!!!

Subject: PROOF			

Greetings

Hats off to firestarter,hoodedcobra and all our brothers/sisters for calling the infiltrator. Here is a link i am posting on what the RHP think about RAGNAROK

It is not a rune it means something else note how they say the world after being destroyed will be reborn and will be a much better place

Ragnarok

by Micha F. Lindemans

Ragnarok ("Doom of the Gods"), also called Gotterdammerung, means the end of the cosmos in Norse mythology. It will be preceded by Fimbulvetr, the winter of winters. Three such winters will follow each other with no summers in between. Conflicts and feuds will break out, even between families, and all morality will disappear. This is the beginning of the end.

The wolf Skoll will finally devour the sun, and his brother Hati will eat the moon, plunging the earth [into] darkness. The stars will vanish from the sky. The cock Fjalar will crow to the giants and the golden cock Gullinkambi will crow to the gods. A third cock will raise the dead.

The earth will shudder with earthquakes, and every bond and fetter will burst, freeing the terrible wolf Fenrir. The sea will rear up because Jormungand, the Midgard Serpent, is twisting and writhing in fury as he makes his way toward the land. With every breath, Jormungand will stain the soil and the sky with his poison. The waves caused by the serpent's emerging will set free the ship Naglfar, and with the giant Hymir as their commander, the giants will sail towards the battlefield. From the realm of the dead a second ship will set sail, and this ship carries the inhabitants of hell, with Loki as their helmsman. The fire giants, led by the giant Surt, will leave Muspell in the south to join against the gods. Surt, carrying a sword that blazes like the sun itself, will scorch the earth.

Meanwhile, Heimdall will sound his horn, calling the sons of Odin and the heroes to the battlefield. From all the corners of the world, gods, giants, dwarves, demons and elves will ride towards the huge plain of Vigrid ("battle shaker") where the last battle will be fought. Odin will engage Fenrir in battle, and Thor will attack Jormungand. Thor will be victorious, but the serpent's poison will gradually kill the god of thunder. Surt will seek out the swordless Freyr, who will quickly succumb to the giant. The one-handed Tyr will fight the monstrous hound Garm and they will kill each other. Loki and Heimdall, age-old enemies, will meet for a final time, and neither will survive their encounter. The fight between Odin and Fenrir will rage for a long time, but finally Fenrir will seize Odin and swallow him. Odin's son Vidar will at once leap towards the wolf and kill him with his bare hands, ripping the wolf's jaws apart.

Then Surt will fling fire in every direction. The nine worlds will burn, and friends and foes alike will perish. The earth will sink into the sea.

After the destruction, a new and idyllic world will arise from the sea and will be filled with abundant supplies. Some of the gods will survive, others will be reborn. Wickedness and misery will no longer exist and gods and men will live happily together. The descendants of Lif and Lifthrasir will inhabit this earth.

Ragnarök does not mean "Twilight of the Gods"; that phrase is the result of a famous mistranslation. "Ragnarökr" or "Ragnarøkkr" means "doom of the powers" or "destruction of the powers" (where "powers" means "gods").

My note:

Things are changing now that the Jew puppet of Egypt Mubarak was disposed by his own circle. And with tens of thousands Egyptians protesting in the streets with his image within a Israeli flag. Screaming that he was nothing but a Jew puppet [he was to the tune of tens of billions of bribe dollars]. So the Jews have lost a lot of power over Egypt. And with the fighting in Syria and Lebanon. The whole region is going up. The attempts to destroy Hezbollah again. Have also failed. Hezbollah has also defeated Israeli twice. And Hezbollah is allied to Iran as is Hamas. They could be pulled into this conflict as well. And Russia given what happened in the Caucasus that forced them to fight a victorious war. Against Israel proxies. Is no friend of them either. Egypt might also have bigger involvement as they have fought Israel before.

Even that golbinoid kike, Henry Kissinger was forced to admit: "Israel has ten years left at the most."

Israel is existing on borrowed time.

<http://news.yahoo.com/top-hamas-commander-killed-israeli-airstrike-143218204.html>

GAZA (Reuters) - Israel launched a major offensive against Palestinian militants in Gaza on Wednesday, killing the military commander of Hamas in an air strike and threatening an invasion of the enclave that the Islamist group vowed would "open the gates of hell".

The onslaught shattered hopes that a truce mediated on Tuesday by Egypt could pull the two sides back from the brink of war after five days of escalating Palestinian rocket attacks and Israeli strikes at militant targets.

Operation "Pillar of Defence" began with a surgical strike on a car carrying the commander of the military wing of Hamas, the Iranian-armed Islamist movement which controls Gaza and dominates a score of smaller armed groups.

Within minutes of the death of Ahmed Al-Jaabari, big explosions shook Gaza as the Israeli air force struck at selected targets just before sundown, blasting plumes of smoke and debris high above the crowded city.

Panicking civilians ran for cover and the death toll mounted quickly. Ten people including three children were killed, the health ministry said, and about 40 were wounded. Also among the dead were an 11-month-old baby and a woman pregnant with twins.

Army tanks shelled border areas of Gaza in south and the Israeli navy shelled a Hamas security position from the sea.

Hamas stuck back, firing at least four Grad rockets at the southern city of Beersheba in what it called its initial response. Israel reported damage but no casualties. Its 'Iron Dome' interceptor defence knocked out a dozen rockets in flight.

The escalation in Gaza came in a week when Israel fired at Syrian artillery positions it said had fired into the Israeli-annexed Golan Heights amid a civil war in Syria that has brought renewed instability to neighboring Lebanon.

Egypt, whose new Islamist government pledged to honor the 1979 peace treaty with Israel, condemned the raids as a threat to regional security, recalled its ambassador from Israel and called for an emergency session of the U.N. Security Council.

Egyptian President Mohamed Mursi's predecessor Hosni Mubarak twice withdrew his ambassador, with no lasting effect. But Israel will be watching for signs of a more aggressive approach by the Islamist leader that could imperil their ties.

Mursi has said of the Palestinians that "our blood is their blood" and Egypt may not "accept what was accepted before".

Russia called for an end to the raids. Arab League foreign ministers planned to meet on Saturday to discuss the crisis.

DOZENS OF TARGETS

A second Gaza war has loomed on the horizon for months as waves of Palestinian rocket attacks and Israeli strikes grew increasingly more intense and frequent.

Israel's Operation Cast Lead in 2008-2009 began with a week of air attacks and shelling, followed by a land invasion of the blockaded coastal strip, sealed off at sea by the Israeli navy. Some 1,400 Palestinians were killed and 13 Israelis died.

The Israel Defence Forces said it had targeted dozens of Hamas's medium range (up to 40km) underground rocket launch and infrastructure sites in Wednesday's strikes.

"This has significantly damaged the rocket launch capabilities as munitions warehouses owned by Hamas and other terror organizations were targeted. In addition, Israeli Navy soldiers targeted several Hamas terror sites stationed along the shoreline of the Gaza Strip," it said in a statement.

The Hamas internal security headquarters in southern Gaza was destroyed. There were no injuries because it had been evacuated. After dark, Gaza looked like a ghost city, with no traffic and no people in the streets, no shops open, no electric lights on.

KILLED IN HIS CAR

Hamas said Jaabari, who ran the organization's armed wing, Izz el-Deen Al-Qassam, died along with a Hamas photographer when their car was blown apart by an Israeli missile.

The charred wreckage of a car could be seen belching flames, as emergency crews picked up what appeared to be body parts.

Israel confirmed it had carried out the attack and announced there was more to come. Reuters witnesses saw Hamas security compounds and police stations blasted apart.

"Today we relayed a clear message to the Hamas organization and other terrorist organizations," Prime Minister Benjamin Netanyahu said. "And if there is a need, the IDF (Israel Defence Forces) is prepared to broaden the operation. We will continue to do everything in order to protect our citizens."

Immediate calls for revenge were broadcast over Hamas radio.

"The occupation has opened the gates of hell," Hamas's armed wing said. Smaller groups also vowed to strike back.

"Israel has declared war on Gaza and they will bear the responsibility for the consequences," Islamic Jihad said.

Southern Israeli communities within rocket range of Gaza were on full alert, and schools were ordered closed

for Thursday. About one million Israelis live in range of Gaza's relatively primitive but lethal rockets, supplemented in recent months by longer-range, more accurate systems.

"The days we face in the south will, in my estimation, prove protracted," Brigadier-General Yoav Mordechai, Israel's chief military spokesman, told Channel 2 TV.

The Israeli cabinet gave preliminary authorization for the mobilization of military reserves if required, Netanyahu's office said.

Asked if Israel might send in ground forces, Mordechai said: "There are preparations, and if we are required to, the option of an entry by ground is available."

OBAMA BRIEFED

Israeli President Shimon Peres briefed U.S. President Barack Obama on the operation, Peres's office said. He told Obama that Jaabari was a "mass-murderer" and his killing was Israel's response to Palestinian rocket attacks from Gaza.

"Israel is not interested in stoking the flames, but for the past five days there has been constant missile fire at Israel and mothers and children cannot sleep quietly at night," said Peres, who visited the border town of Sderot earlier.

In the flare-up that was prelude to Wednesday's offensive, more than 115 missiles were fired into southern Israel from Gaza and Israeli planes launched numerous strikes.

Seven Palestinians, three of them gunmen, were killed. Eight Israeli civilians were hurt by rocket fire and four soldiers wounded by an anti-tank missile.

The leader of Hamas in the Gaza Strip, Ismail Haniyeh, called on Arab states, especially Egypt, to halt the assault. The six-nation Gulf Cooperation Council said the U.N. Security Council should put pressure on Israel to stop its attacks.

Israel holds a general election on January 22 and Netanyahu has pledged to retaliate harshly against Hamas. But Israel is also wary of the reaction from Mursi's Egypt, whose ruling Muslim Brotherhood is the spiritual mentor of Hamas.

Hamas has been emboldened by its rise to power, viewing Mursi as a "safety net" who will not permit a second Israeli thrashing of Gaza, home to 1.7 million Palestinians.

Hamas is also supported by Iran, which Israel regards as a rising threat to its own existence due to its nuclear program.

Helped by the contraband trade through tunnels from Egypt, Gaza militias have smuggled in longer-range rockets.

But their estimated 35,000 Palestinian fighters are still no match for Israel's F-16 fighter-bombers, Apache helicopter gun ships, Merkava tanks and other modern weapons systems in the hands of a conscript force of 175,000, with 450,000 in reserve.

I have a belief the recent killing of the Sunni leader in Lebanon by Hezbollah which retarded the Sunni movement to topple the government and restart the civil war. Stopped what Israel was seeking. Which was to cause the fall of the current government of which Hezbollah is the strong force in. And push Lebanon into another religious civil war. As Hezbollah is Shi'a. This would have caught Hezbollah between the sunni insurgents in Syria of which the killed Sunni leader was a close ally and contact with helping. And the Sunni's within Lebanon. Knocking out Hezbollah by pulling into such a conflict and destabilizing the region. Hezbollah is allies with Iran. And a monkey on Israeli's back as from reports they are sitting on a major attack arsenal from Iran with orders to go all out if war with Iran occurs. Hezbollah troops where trained and armed by Iranian elite forces. Israeli has already lost twice to Hezbollah in war and failed to take them down with CIA, Mossad agent cells within Lebanon. They where all uncovered by Hezbollah and this royally fucked Israeli over. This was probably done with intelligence from Iran.

It seemed the last with Hezbollah started over Israeli fighting with Hamas. Reports state the jews used chemical weapons on civilian populations killing thousands. But they where as they generals admitted later on. Defeated by Hezbollah totally and suffered their worst military defeat in their history at their hands.

Its no mistake the two biggest jew owned nations in the Arab world. Saudi Arabia [the house of Saudi is jewish] and Turkey [taken over internally by jews] are working to topple Syria one of the last Gentile nation states in the region which they view as a

threat to Israeli power in the ME. The Jew neo-cons back in the 90's drafted a list of five nations they wanted to use American military forces to topple them where. Sudan, Libya, Iraq, Iran, Syria.

The Jews also failed to topple Iran from within by starting a civil war in the nation during the last election. It was stopped by the Iranian government and the foreign intelligence agents helping it were arrested. Along with the arms being shipped from American bases in Iraq discovered thus kept out of the hands of their agents.

I lol'ed on this. 'Dig little rats' Lmao. I imagined rats digging holes trying to avoid getting shot by a shotgun. I cannot help it but laugh at the jews. They are just abnormal, oh my gosh. From all the funny things, I laugh at the jew more than anything. They are simply fucking hilarious. Before jamming their brains with a battlehammer, I would definitely have them do things for my amusement and then throw them into kyadas. Dig dig you little rat, lmao. There are some kikes I know and simply, their ways of talking, moving, replying is just fucking funny. Nothing is more disgustingly funny than a jew. Totally the greatest and most hilarious mistake of nature. Dig little rats!!! They get so crazy when you laugh at them, its simply funny. Like watching a rat in their wheel going insane over the scientist. Death to all of them.

Also I have noted anti-semitism is grown rapidly in Greece. Because economical problems make the people search for the causes. They have been using weapons like pisslam, xianity and money tricks to make people worship them, but as it seems people are getting more and more mad and insane over their existence.

HAIL SATAN!!!!!!!!!!

In recent news statements it was openly stated that the Prez of Egypt is an open ally of Hamas. Things have changed a lot since the last war in Gaza in 2008. Israel spent a bundle on a rocket defense system and a lot are still getting thought from the news.

I have a belief the recent killing of the Sunni leader in Lebanon by Hezbollah which retarded the Sunni movement to topple the government and restart the civil war. Stopped what Israel was seeking. Which was to cause the fall of the current government of which Hezbollah is the strong force in. And push Lebanon into another religious civil war. As Hezbollah is Shi'a. This would have caught Hezbollah between the sunni insurgents in Syria of which the killed Sunni leader was a close ally and contact with helping. And the Sunni's within Lebanon. Knocking out Hezbollah by pulling into such a conflict and destabilizing the region. Hezbollah is allies with Iran. And a monkey on Israeli's back as from reports they are sitting on a major attack arsenal from Iran with orders to go all out if war with Iran occurs. Hezbollah troops where trained and armed by Iranian elite forces. Israeli has already lost twice to Hezbollah in war and failed to take them down with CIA, Mossad agent cells within Lebanon. They where all uncovered by Hezbollah and this royally fucked Israeli over. This was probably done with intelligence from Iran.

It seemed the last with Hezbollah started over Israeli fighting with Hamas. Reports state the jews used chemical weapons on civilian populations killing thousands. But they where as they generals admitted later on. Defeated by Hezbollah totally and suffered their worst military defeat in their history at their hands.

Its no mistake the two biggest jew owned nations in the Arab world. Saudi Arabia [the house of Saudi is jewish] and Turkey [taken over internally by jews] are working to topple Syria one of the last Gentile nation states in the region which they view as a threat to Israeli power in the ME. The jew neo-cons back in the 90's dafted a list of five nations they wanted to use American military forces to topple they where. Sudan, Lybia, Iraq, Iran, Syria.

The jews also failed to topple Iran from within by starting a civil war in the nation during the last election. It was stopped by the Iranian government and the foreign intelligence agents helping it where arrested. Along with the arms being shipped from American bases in Iraq discovered thus kept out of the hands of their agents.

As much as I don't want to say a 'stupid' claim here, I think history about Generals or the infamous things about jewish doctors in the Ranks of Hitler, I think these are lies. In one way or another. They could have never been there, or the jewish ancestry is just bunk. Or just it was staged that way for other reasons. I don't think this was True, anyways. Though the individuals shown in the pics, who the fuck gives me evidence they didn't wear the uniform and pose after the war? So yes thats my opinion.

..."There was a day,
The Truthful day,
The day when the black days ended,
The day that the Sun was actually up,
Not only up for the blind,
Up for our hopes
The day you was born.

I hope and know, one day you will,
One day you will feel,
One day you will,
You will, Your Will
To Will,
Because We, Will
Because We, Will this,
We Will your eyes to be back.
We Heil You, no matter from where,
No matter how,
Either in our bleeding heart,
Either in our smiling face,
In our hopes, in our desires,
We Heil You. We Heil our Leader.

We Hail you, come forth and avenge the bones of our Ancestors in the Grave, give us the peace we never had, take from us the pain, Avenge us.

Because who knew your Soul, but us
Because who felt your pain, but us
Because who felt your love and shared your vision,
But Us, the Children of the cause
And I hope one day,
I hope for the day,
The day when I will have nothing, but your cause,
The torch you passed me,
With all these scars and all these losses,
I Will remember Your eyes
I Will it, I promise in my life.
Who did deny you,
Only the false, Only the blind.
Who did not feel your power,
Who in their lies, did not cringe in your vision,
Who in your Power and Order did fail.
None failed. None bowed.

In all losses and In all pains,

In all mistakes and failures,
Your memory and face give salvation,
Because you lead us back again, in the days where hope was lost.

So when I look weak, am weak, dying in fighting,
I Remember your face, I remember your eyes,
I Remember who you are to me,
I Remember the Seeds of Satan whom you took an Oath to protect,
I Remember You,
I Remember Your courage, Your Words and Your face,
I Remember this while I'm getting the blows of life,
I Remember how You never did bend,
I Remember You made me Remember, that there was a God
And He was in Front of me,
He was in front of my crying eyes,
He was You, Lord Adolf Hitler,
He was You..."

This response to whether Hitler dismisses this myth.

Why you got Hitler. Ian Kershaw, the author of one of the best biographies of Hitler and an acknowledged Hitler authority, dismissed the claims of Jewish heritage, as have most other recent historians. The confusion (conspiracy theory) arises because Hitler's father was illegitimate. His mother then married and the husband admitted paternity and claimed Alois as his son. Against this evidence is the rumour that Hitler's mother worked for a Jewish family and she had fallen pregnant to the son. However, the family does not appear to have existed in the town or at the time that this seduction supposedly occurred.

Oh my you raised your hands against the holy joos, none did in so many years. So yes. This is to memorize you. There can be some shit, some mental or spiritual or physical attacks. Remember to keep your Aura of Protection ALWAYS TOTALLY AND FULLY UP. Cleanse your Aura and keep your vibration High [Merkaba]. Even in a matter of like 7 days, Israel seems to have been facing some shit already.

Anyone, please, do not stop. Do not neglect the working and avoid the enemies number one weapon: "If I miss it I will start tomorrow or on other Saturday". All thoughts against doing this are totally enemy. These could include from things and crisis in your personal life, from something that happened when you was 5 years old. It could be whatever. So just be strong and finish strong with the working.

Do not get caught in sidetrack workings. Destruction of the ratty matty jews is the first thing we can do. Remember this. You cannot repair a body or free the minds of people with all these kikes being alive and spreading shit. They are the physical agents of the enemy down here.

This is very important. Anyone participating in this working should be aware that it is making fucking impact. Those who are more advanced do see this and know it firsthand. To anyone doing this, Heils to you. Also, if anyone missed the working or he/she wasn't able to do this, the working can be done TODAY, as the moon is in Capricornus.

Subject: For Netanyahu, Gaza escalation could pave the way to Iran strike

For Netanyahu, Gaza escalation could pave the way to Iran strike

Amir Oren
Haaretz
Nov 16, 2012

Prime Minister Benjamin Netanyahu and Defense Minister Ehud Barak have not given up the dream of carrying out a major operation in Iran. For some time, prior to the recent American election, they were in disagreement: Barak was against creating facts on the ground which President Barack Obama would be forced to deal with, whereas Netanyahu entertained the idea of exploiting the sensitive political period preceding what he thought would be the surefire victory of his esteemed ally, Mitt Romney.

As the election there recedes into history while ours approaches, this twosome is going back to dealing with the Iran plan which is one that will necessarily influence the character of the next Knesset and government.

For Netanyahu, Operation Pillar of Defense is not a baptism of fire. Sixteen years have passed since the opening of the Western Wall tunnel in September 1996, an act that escalated events on the ground (called

"Hot Iron" at the time by the Israel Defense Forces). Netanyahu at the time a novice, arrogant prime minister took a public beating so painful that he was forced to revoke his refusal to make concessions to PLO leader Yasser Arafat concerning Hebron. Since then, throughout seven years of power during two terms in office, Netanyahu has kept his fingers off the trigger, and has even been proud of his restraint.

This week, however, the premier crossed a private red line by daring to authorize the undertaking of a large military operation. It isn't a war, in his view, rather a military move whose goals, duration and achievements are circumscribed. But the dark cloud in the Gaza skies might serve as an alternative, or preface to, an Iran operation. It all depends on circumstances and what happens further down what may be a long road.

Nearly 50 Million Living in Poverty in US

My note the Jewing of American keeps on rolling. These Jews have been kicked out of 84 nations 109 times.

The Jewish bankers hold on America:

<http://groups.yahoo.com/group/JoSNewsletter/message/275>

<http://groups.yahoo.com/group/JoSNewsletter/message/276>

The Jew Talmud states:

. "All property of other nations belongs to the Jewish nation, which, consequently, is entitled to seize upon it without any scruples. An orthodox Jew is not bound to observe principles of morality towards people of other tribes. He may act contrary to morality, if profitable to himself or to Jews in general." - Schulchan Aruch. Choszen Hamiszpat 348.

Nearly 50 Million Living in Poverty in US

<http://www.globalresearch.ca/nearly-50-million-living-in-poverty-in-us/5312028>

The number of people living in poverty in the United States rose last year to 49.7 million, based on a new measure that provides a fuller picture of poverty than that previously reported by U.S. Census Bureau data. The revised poverty rate of 16.1 percent is up more than a percentage point from the 15 percent figure reported by the government in September.

Coming a little more than a week after the 2012 elections, the news that nearly one in six Americans is living in poverty received little attention in the media or from the Obama administration. Neither big-business party has any policies to alleviate growing poverty, which is exacerbated by entrenched unemployment and a sluggish economy.

The Supplemental Poverty Measure (SPM), devised a year ago, factors in expenses for food, clothing, shelter, utilities, health care and other essentials beyond what the previous official formula took into account. It includes in its income measure such government-provided benefits as Social Security, unemployment benefits and nutrition assistance.

The SPM figures released by the Census Bureau on Thursday show that while some households may have

incomes above the poverty line, factors such as medical expenses are pushing increasing numbers into poverty. The new figures also indicate that the tepid job growth in the more than four years since the financial crisis has come mostly in the form of low-wage jobs that in many cases are not able to lift families out of poverty.

More than 15 percent of working-age adults, aged 18-64, lived in poverty in 2011. Among those with some form of employment, 9.4 percent fell below the poverty line. Those working less than full-time, year-round, saw an 18.5 percent poverty rate. A third of those working less than one week in the course of the year 16.2 million, or 33.5 percent lived in poverty last year.

Based on the SPM, the poverty rates were dramatically higher for several segments of the population. The share of people 65 years and older living in poverty was 15.1 percent, nearly double the 8.7 percent figure according to the official measure. The single biggest economic burden on seniors is medical expenses that must be paid out of pocket.

The poverty rate among Hispanics stood at 28 percent in 2001 using the SPM, significantly higher than the 25.4 percent rate using the older measure. This difference is attributed to limited access by immigrants to government programs, as well as the concentration of Hispanics in regions of the country that have seen big cutbacks to government programs.

According to the new measurement, more than a quarter of all African-American households were living in poverty in 2011. Poverty in households headed by a single female stood at 30 percent. Among households renting their homes, 29.3 percent were poor.

Also hard-hit are people living in urban areas where living expenses are higher and assistance from government programs has not kept pace with growing need. Under the newly devised standard, California saw the highest poverty rate of any state. A staggering 8.8 million people 23.5 percent of Californians are living in poverty, a figure largely driven by the state's high cost of living and sharp budget cuts to social programs.

Following closely behind California is the nation's capital, Washington, D.C., where 23.2 percent lived in poverty last year according to the SPM. The next most impoverished state was Florida, at 19.5 percent.

Use of the new census measurement also showed a significant shift in poverty among the various regions of the country. In the West, 20 percent of households were living in poverty in 2011, compared to 16 percent in the South, the region of the country historically more impoverished. This is undoubtedly largely influenced by factors such as the assault on social programs in California and the collapse of the housing market in Nevada.

The new Census measurement also reveals that Social Security is by far the most important program contributing to a reduction in poverty. According to the SPM, when calculating the effects of benefits and expenses on overall poverty rates in the American population, poverty was reduced by more than 8 percent due to Social Security benefits, while medical expenses increased poverty by about 3.5 percent.

The SNAP food stamp program and unemployment insurance benefits also provide significant protection against poverty. But it is precisely these programs along with Medicare and Medicaid that are being targeted for cuts as part of the bipartisan assault on social programs being prepared in the wake of the 2012 elections under the cynical pretext of averting a looming "fiscal cliff."

Coming just more than a week after the presidential election, the new poverty figures put the lie to claims by the Obama administration that significant gains have been made on the way to recovery. Also on Thursday, the Labor Department released initial claims for state unemployment benefits, which rose 78,000 last week to a seasonally adjusted 439,000.

This was the biggest one-week jump since the spike in claims caused by Hurricane Katrina in September

2005. The number has been significantly impacted by last month's Hurricane Sandy, which left millions of homes and businesses without power, paralyzed transportation and caused widespread damage in the Northeast US.

But the rise points to a more general trend of slow job growth. Economists polled by Reuters before Thursday's jobless claims were released said they expected the pace of job growth to slow to an average 144,000 jobs per month in the fourth quarter, down from 174,000 in the third quarter.

Long-term unemployment remains entrenched. According to the new Census report, about 16.4 million Americans of working age worked less than one week in all of 2011. Of these, fully a third are living in poverty, according to the new SPM measurement. Federally funded extended unemployment benefits are set to expire in January, threatening to deprive more than 2 million jobless workers of cash assistance and plunging more American households into poverty.

Here is something else...be warned, this is very powerful. Just try this and you will see for yourself how the standard traditional chants for the chakras 'lam' 'vam' and of course, that 'ohm' have all been corrupted. Lilith gave this to me. I do 7 vibrations for each of the seven chakras:

Base Chakra: Laum, vibrated as LLAHHH – UUU – MMM*

Sacral Chakra: Vaum, vibrated as VAHHH – UUU – MMM

Solar Plexus '666' Chakra: Raum, vibrated as RAHHH – UUU – MMM**

The lineage tree was for SS members. It might have also been for party members later. Just being a German did not make one a Nazi party member.

Group: 666BlackSun	Message: 388	From: High Priestess Maxine Dietrich	Date: 11/22/2012
Subject: Sermon 11/22/12			

There are a few things I need to go over; as there are times I can't answer individual posts in the groups because of a lack of time. I have seen posts concerning feeling tired, drained, headache, etc., after doing a ritual. What this means is you used too much of your own energy. The solution is to charge yourself up with energy from an external source before the ritual, such as going outside and breathing in energy from the ground, a tree or other source of your choice. Any excess energy after the ritual that is making you uncomfortable, just offer it to the Powers of Hell. They can send a Demon who will take it from you, but not drain you.

As I mentioned before, the JoS has a lot of articles badly in need of revision, as much is obsolete and outdated. Satan himself has been staying onto me to get this done in a consistent manner. This is why I no longer have any books for sale as there is info in them that is outdated and needs to be revised and edited.

As for trance. Trance will come of its own in most cases. Just begin the meditation and with concentration and focus, you will enter into a trance all by itself. No need to sit and try to get into a trance. Just let it happen and don't worry about it.

Now, the most important aspect of any working is vibration. This is symbolized by the suit of swords in the Tarot. Sound is as powerful as a sword and pierces. This is where the JoS is badly in need of revision, as nearly all of the workings, in order to really have any serious power need sound. Take cleaning your aura vibrating a word in Sanskrit, the most powerful language [which is a spiritual language], using a Satanic rosary, works wonders in contrast to trying to keep visualizing your aura getting brighter when it is covered with bad energy, like say from a church where many of our teens are forced to go. 108 times with vibrating the Sun mantra *aum suryae* or *raum* focusing both on your solar [666] chakra, and visualizing yourself engulfed in white-gold energy will do the job hundreds of times better than just sitting there trying to visualize the energy away. Always use sound and if you are in a situation where others might hear you [especially for teens], if asked, just say you were doing a Buddhist chant or if this is really severe as many of our teens live in strict xian homes, say you were tuning your voice for singing. Lilith also told me that after using vibration in black magick, it is essential to counter the vibration with a word of power that will neutralize any residual bad energy on your aura. In other words, clean your aura real well with positive vibration. This is especially important when using words of power in your workings.

Now, ceremony, especially for those who are new, along with formal rituals can be inspiring and pleasant. Ceremony and formal rituals are also excellent for large groups of people, a good example being Satanist Heinrich Himmler who designed rituals in which thousands of people participated in, that generated massive amounts of Satanic energy. Germany has always been a hotbed of Satanism, going back centuries to the orgies in the Hartz Mountains during the Grand Sabbats. These rituals resurrected massive amounts of Satanic energies. Ceremonies though, for the individual, along with everything else, the props and ritual tools are symbolic of allegories. Formal ritual is excellent for putting one in the mood, but unnecessary. The four suits of the Tarot [which is sacred to Satan]; reveal the true meanings of the ritual tools. The suit of swords, as I mentioned in the above, symbolizes sound; the athame. The suit of cups represents the chakras;

drinking from the chalice. The suit of wands/rods symbolizes the serpentine energy of the spine; the blasting rod. The pentacles represent the physical flesh and the manifestation of the working in reality and the material world. The trump suit; the major arcana, symbolizes the ether/quintessence. So to put this plainly, you need the power of your chakras, your serpentine energy, sound/vibration, your physical self, and the quintessence/ether to accomplish your ritual goals, whatever they might be. The ether/quintessence makes the connection and carries the energies raised in ritual to their target and so forth. Someone uploaded a partial copy of the Hexagradior to some of the groups here in the files section. This little pdf explains the powers of the quintessence/ether which connects everything in the universe. The exercises therein are also excellent in sensitizing one to feeling spiritual energies.

Now, as for using runes, I will be adding a section for the Runic Kabbalah instructing when certain runes are more powerful at certain times what are known as runic half days, hours and such. I encourage you in the meantime to look on the internet for any information on this, as there should be some sites out there, but check more than one and always make sure the information agrees, otherwise, there are errors. I will get this up as soon as I can.

In closing [sorry this is so long], always remember, magick is individual. If any certain technique has worked for you well in the past, then keep using it. Some people have a special affinity for runic magick, while others may find it better to use Sanskrit. Always use whatever works best for you as an individual.

The Satanic Rosary is indispensable. Every Satanist should have one. My point here is it doesn't have to be anything fancy. Just a set of 108 beads used for counting when vibrating words of power or mantras. Even if you go down to the local store and get a simple bead kit and string 108 beads along the cord, this is better and preferable to not having one at all. For those living in xian homes, the rosary can be worn around your neck under your clothes like jewelry and no one will be any wiser. Always remember the Satanic adage:

Silence is Golden. Satanist Benjamin Franklin stated three people can keep a secret as long as two of them are dead. Keep your big mouth shut and sleep peacefully at night. The big mouth tosses and turns and worries.

Subject: The King & Queen

One thing I need to tell everyone here...Satan gives knowledge as we go along and when we are ready for it. Satan places strong emphasis on being patient.

The statement concerning how many people are going to want to join on at the last minute, but it will be too late for them, that the indicates spiritual levels we reach through meditation cannot be achieved overnight. This takes time. I do know the world will go through catastrophe and total transformation before we enter the Age of Satan. Those of us who are with Satan will be protected through all of this. We are seeing evidence of this now in regards to brothers and sisters who have been in the middle of nature's disaster zones and have survived unscathed, including their property.

As I mentioned before, Satan is strong on patience and gives knowledge as we go along. Much of what is on the JoS website is outdated, but I will keep everyone up to date in the groups here, as I keep working on the website, revising it. Satan does not give knowledge all at once.

Now, getting back to allegories, even the epic of the Trojan War is another allegory, at least on some level. The 'Trojan' also infects our PCs as it IMBEDS itself. This is with the jews. They infest, imbed and through this, they destroy. Because all spiritual knowledge could not be thoroughly corrupted with the coming of the enemy programs of Christianity and Islam, what was left, they had to corrupt the information.

Satan came to me this morning with a new meditation. This has to do with the magnum opus. As I stated before, in order to have the raw power to perform the magnum opus, one must have a fully risen serpent.

This is a prerequisite to performing the operation for both spiritual and physical perfection and immortality.

Now, getting back to corruption. Unfortunately, the information out there regarding the placements and powers of the seven major chakras has been hideously corrupted. What I am about to give you here, you will be able to see this for yourselves. The legends of the Gods, along with many children's 'fairy tales' have hidden spiritual knowledge in them and are all allegories. This was in order to escape persecution, heinous torture and being murdered by the oh so 'loving' Christians.

We know from Ancient Egypt that 'Amon Ra' is 'King of the Gods.' 'Amon Ra' corresponds to the RAUM vibration, which directly empowers the solar [666] chakra. All of the Pagan [Satanic] religions preceding Christianity and its ilk placed great emphasis on the Sun. As most of you already know, the kabalistic square of the Sun is '666.'

Now, there is a male and a female aspect to the soul. The reason the enemy places so much emphasis on the 'heart' chakra, is because it is basically powerless and is neuter. It is a connector, and nothing more. Anton LaVey wrote in his book 'The Satanic Rituals' regarding 'The Seven Towers of Satan' 'At intervals along this strip were seven towers-the Towers of Satan (Ziarahs)-six of them trapezoidal in form, and one, the 'center on Mount Lalesh, shaped like a sharp, fluted point.'

The above is an allegory, the 'center' being the neuter 'heart' chakra, shaped differently from the others. In deep meditation, many of us can see this different chakra, which is shaped like a yoni [vagina].

Now, who is 'Inanna'? She is 'Queen of Heaven.' The word 'heaven' really means the 6th and 7th top chakras and their extensions such as the all-important pineal gland. Getting back to my sermon last September, about fixing the energy, the well-known valentine heart with the arrow shot through it is an allegory and symbol for fixing the serpentine energy. The heart is not in the chest as the enemy tries to get us to believe, but it is in the head and is formed by the ida, the pingala and the sushumna:

Last September, I wrote a sermon:

<http://groups.yahoo.com/group/JoSNewsletter/message/346>

Here are the illustrations for it:

<http://satans666squares.webs.com/pathsidapingla2head.GIF>

http://satans666squares.webs.com/Ida_Pingala_Heart.gif

Now, as we know Inanna aka Astaroth, Ishtar and her other names, rules the heart chakra. The heart chakra is in the head, not on the chest, as the enemy has corrupted this and with the Christian arts, where that filthy Nazarene always has his arms open with that heart chakra on the chest exposed, we can see another ugly aspect of that hoax here. In addition, from what I personally believe is that the seat of emotions is not in the chest what the uninitiated call the 'heart' chakra, but in the throat. How many times when you feel sad or like crying, it affects your throat chakra? You get a lump in your throat before you cry. So where is the real seat of emotions? Also, on this one, Satan told me concerning the throat chakra, yes, this is Mercury chakra that rules communications and its higher octave planet Uranus, is up near the pineal gland and rules telepathic communications, a higher octave of verbal communications.

The allegories preserved in children's fairy tales such as 'Sleeping Beauty' often have the prince kiss the sleeping princess and awaken her. The meaning behind this is the activation and empowerment of the solar 666 [king of the Gods], connects with the 6th chakra; the pineal gland and though this, activates this gland to secrete the elixir/ambrosia which makes immortality possible and reverses physical aging. The Tibetan mantra Aum Mani Padme Haum means 'The Jewel is in the Heart of the Lotus,' the 'jewel' being the pineal gland. The above is the correct mantra for this. The enemy as I have been writing in my sermons of late replaced the all-important 'AUM' with 'ohm', which has no real power. As most of us know the lotus/lily symbolizes the crown chakra and is ruled by Lilith; the base chakra ruled by Satan [chakra containing the

serpent], and the unification of Satan and Lilith indicates the risen serpent; the male and female.

Now, for the meditation connecting the King [3rd solar 666 chakra] and Queen [the 6th chakra and pineal gland]; for the magnum opus to work, the King and Queen must be united. Lilith told me this meditation takes a bit of time in most cases to establish an energy connection.

Note: This meditation is not for new people.

The Satanic rosary is used with this. To do this meditation, one must vibrate 108 times for the King and another 108 times for the Queen. $108 + 108 =$ the very sacred number of 216.

To unite the King & Queen:

1. Vibrate 'RAUM' -- RAH—UU—MM into your solar chakra 108 times
2. Relax and keep still and feel the energy from this well up inside of you for a few minutes.
3. Vibrate 'AUM' -- AH—UU—MM into your pineal gland 108 times. [Be=froe doing this, try to locate your pineal gland by feel. It is to the lower right side of the 6th chakra or thereabouts. It feels like a hollow. Just do the best you can.
4. Relax and keep still and feel the energy for a few minutes.
5. Now vibrate 'Inanna' into your 6th chakra seven times. YEEE—NAH---NAH
6. Focus on the energy for 10-15 more minutes. If you activate your pineal gland, you will know it. It will blow you away with intense ecstasy.

Since billions are under the spiritual enslavement of the jew, you must not be tricked into there "power" moves that many use, billions, in fact. Since it is spiritual, these people subconsciously use a false version of "power", which is simply lying, delusional diversion and subversion in the form of words and conversation, and total irrelevant related thing's in speech.

For the physical it is more obvious - judeo-christian culture causes murder, theft, fraud, rape, etc.

This is all written in the Jews holy books, be it the bible, the quran, or the kike talmud. Do not let even non jews get away with this piece of shit acting and thinking! After the statement by Jesus saying This is my body et it and this is my blood drink it there was a big fight amongst the Apostles. Luke immediately claimed his dick and balls. But John said that that wasn't fair and finally negotiated and enede up getting one of the balls for himself. Matthew wanted the meat around the butt which was his favorite and Mark got the breastmeat. They decided to make hotdogs out of the lips skin around the ass and made soup out of the guts eyeballs and intestines. After they ate the whole thing they all shared the blood wine which they decided would be the Christian thing to do. This is why nobody ever found the body because the disciples did exactly what Jesus told them to do. It was a great meal for them and was the proper thing to do with a dead jew on a stick.

Israel Delt Major Defeat By Hamas

My note this article reveals the fact Israel was defeated by Hamas and the reasons for it. The Jews are good

at putting up a bs front to hide this fact. Note most of the Jews are too lazy and cowardly to even show up when called up to duty or show up for their service in the full time branch. This is not out of any higher moral reasons. The Jew is a moral and physical coward. Who likes to have the Goy do all the fighting and dieing for them. 300 lightly armed, Hezbollah troops sent their entire army running from Lebanon in 2006.

Note the zero amount of Jewish combat troops in any major war. Even when millions of them lived in a certain nation at war. Most were either given free exemptions from service with the aid of bogus notes by fellow Jewish doctors. Or given safe positions in the military hundreds of miles behind the front lines. Of course after the war we are told every Jew was Rambo. This behaviour has been noted for centuries by authors.

This article also shows Israel is literally falling apart and the tide is turning against it.

Another interesting fact Israel was attacking the press in Gaza to attempt to stop any truth getting out and given them a freer hand in murdering the population.

Abby Martin highlights the Israeli Military's bombing of media buildings and targeting of journalists, including the RT office in Gaza, and calls out the Israeli government for making veiled threats to RT's headquarters in Moscow.

Press TV: Gaza War Israel's Military Ruse

Gaza war, Israel's military ruse to evade weakness

By Gordon Duff and Press TV

"What will be left is Israel, dependent on India, flanked between Pakistan and China, dependent on Britain, France and Germany, nations buried in debt crisis and instability and dependent on the United States, a nation increasingly aware that Israel's "knife" has been in her back for decades."

War is now and always has been the "mother of lies." The Gaza War of 2012, based on the timing, by American holiday standards, "The Thanksgiving War," is no exception.

The lies we deal with today involve political motivations that drive Israel and the "fog of war," military deception Israel is using to hide its weakness. Surprisingly, Turkish Prime Minister Erdogan fired the opening salvo, exposing the malodorous political underbelly of politics that is behind every military move Israel has ever made since its embryonic terrorist beginnings while under British rule.

Erdogan spoke out in Cairo at a Turkish-Egyptian Business Forum:

"Israel also attacked Gaza in 2008 prior to elections. Now elections are coming again and it is doing the same thing. I am calling on Netanyahu. We are not in 2008. We are in 2012 and conditions are different than 2008. Make your calculations correctly.

I am calling on Israel and Gaza to provide a cease-fire immediately, within 24 hours. Extending the situation will not bring anything to either side.

While Israel is attacking and sabotaging the peace, there will be no security or stability for any country in the region.

The party using disproportionate force is obvious; humanity will not forgive this if sovereign countries defend injustice under the guise of preserving Israel and its security.

This hypocrisy should end. These double standards should end.

I had a telephone conversation with U.S. President Barack Obama and Russian President Vladimir Putin on the issue. I asked them to convince Israel and to give an important assurance. Israel did not accord with the previous Cairo ceasefire agreement, and I told them that this could not be repeated again."

Missing from Erdogan's remarks were reminders of Netanyahu's disastrous "landslide" defeat in the American presidential elections. His surrogate did not just lose an election but destroyed his political party in the process and has, in subsequent remarks, proven himself psychologically unqualified for any position of responsibility or trust. Romney and Netanyahu would have made a good team.

The myth of Israeli invincibility shattered again

Israel is currently facing its biggest military challenge in decades. No, not from Hamas, but rather locating the 75,000 reservists recently called up for active service. With over 50% of Israeli's now refusing compulsory military service, Israel now depends on its reserves, poorly trained, undisciplined, but well armed, courtesy of the American taxpayer.

Israel still maintains two divisions that are, by American standards, combat ready, but no more than that. Years of sniping at civilians in Gaza from guard towers or dropping cluster bombs on unarmed Palestinians has not been able to erase the memory of the 2006 incursion into Lebanon and the lessons Israel may well be reminded of again. Fewer than 300 Hezbollah fighters using modern shoulder mounted weapons destroyed Israeli tanks and helicopters with ease.

Israel claims they faced an army of 25,000. What you will find is that all news of the Israeli humiliation in Lebanon and their retaliatory frenzy that resulted in bombing civilian neighborhoods in Beirut have been wiped from history, the Internet and, to some, "the sands of time."

Not all have forgotten.

Gaza and international law

Every day, weapons are being shipped into Gaza, through Egypt, weapons from every Islamic nation other than the "puppet Gulf States."

The Avalon Project at the Yale Law School describes blockades as legal only so long as they can be effective. The concept of the Gaza blockade is now in direct contravention of all relevant international conventions.

Since the blockade of Gaza requires the full and absolute cooperation of the Egyptian government, cooperation that has obviously ended, currently Israel's blockade is now classified as a "paper blockade" and has no legal standing.

The Camp David Accords of 1979 were never intended to allow the creation of an apartheid state or for Gaza to become an open-air prison.

The accords, intended to create a lasting framework for peace also clearly established a criteria for renewed conflict.

Today, that conflict could involve nations from Tunis to Jakarta.

Military reality

Exposing the hypocrisy of Israel's "Iron Dome" or "Iron Yamuka" air defense system requires elementary arithmetic skills, something obviously beyond the typical "international investigative journalist" of the "pop culture media."

One of the "stealth voices" of Israel's "fog of war" deception program within the United States is the Daily Beast, a Newsweek "on line" publication owned by Jane Harmon, an Israeli hoping to be nominated to replace Secretary Clinton.

Friends of Harmon and Netanyahu are orchestrating the attacks on Ambassador Susan Rice, the frontrunner for that position, making wild conspiratorial accusations in what has become a "witch hunt" reminiscent of America's HUAC (House Un-American Activities Committee) fiasco of the 1950s.

Harmon's publication, considered "liberal and progressive," stated the following today:

"In a conversation with The Daily Beast, Pedatzur admitted being "pleasantly surprised" by the performance of system (the "Iron Dome") over the past week. But he said the price of operating the system was prohibitively high. Each Iron Dome missile costs around \$50,000. Israel fires at least two every time it targets a rocket.

Most of the rockets the system is designed to intercept are manufactured in Gaza at a fraction of the price—sometimes for just a few hundred dollars.

The contrast reflects a broader disproportion in the conflict between Israelis and Palestinians. But other analysts say it's more relevant to compare the price of the missile with the cost of the damage it prevents."

The actual basis of the "Iron Dome system is the PAC-3 or "Patriot 3" missile system, an advanced system capable of tracking incoming ballistic missiles in addition to American AEGIS destroyers which were to be "posted" off the Israeli coast. The naval contingent, as some may note, is not only "not there," but not "on the way there" either.

Israel also builds a domestic system capable of limited interception of short-range missiles, 1980s technology "with lipstick."

The missiles the Rafael system were designed to intercept are the former Soviet "Vietnam Era" Grad missiles such as those used in Afghanistan against American airbases, not those Hamas is using which possess nearly half the range of the German V2 rockets used against London during World War II.

Hiding this fact from the public is what media assets, who publish unverified press releases from Israel as fact, have done to help prolong a conflict an informed Israeli population would reconsider.

Israel is intercepting some missiles fired by Hamas, but they are using their American supplied Patriot 3 batteries to do it.

Continual claims are made that Israel's "Iron Dome" system missiles are expensive at \$50,000 each. Their actual cost, for missiles that successfully intercept less than 25% of the time, is more like \$125,000.

Real "high probability" intercepts are done by the American missiles.

As Hamas has fired, at this writing, over 1200 missiles into Israel, many of them M-75 long range rockets capable of reaching beyond Tel Aviv and Jerusalem, missiles Israel openly admits it never planned for, it is also only logical to admit that claims of intercepts are equally inaccurate.

What does an American missile cost? Here is what Global Research says on that, comparing the PAC-3 to the PAC-2, a missile far more advanced than the Israeli "Tamir."

"The biggest difference between the PAC-2 and the PAC-3, and the thing that allows the PAC-3 to actually hit its target, is the fact that the PAC-3 has its own built-in radar transmitter and guidance computer. The operational differences between the PAC-2 and PAC-3 PAC-3 missiles currently cost \$2 to \$3 million each. (See this Web site and this site for details.)"

When we looked for the details as promised, following the links provided, we received error messages. The reality behind the "Iron Dome" is best described as "smoke and mirrors."

The real cost of defending Israel from retribution for their bombing of the civilian population of Gaza is in the hundreds of millions of dollars.

Israel, using American money of course, is spending an average of five million dollars on everything that comes out of Gaza, from the "bottle rockets" that cost a few dollars to the long-range M 75 missiles that are able to strike any target in Israel.

The key, of course, is the lying.

The Iron Dome uses American missiles designed to intercept ICBMs, not small artillery rockets used in salvo.

It is not just an economy of scale; it is the nature of the mission. If a Patriot 3 launcher with four missiles is emptied, costing millions of dollars, on two Hamas "kitchen sink" rockets a third of an "iron dome" battery is out of service until resupplied and rearmed.

The "domestic" systems, touted to the press are simply there for "cover and deception."

The actual system itself has been overwhelmed from the first.

With 900 rockets fired initially and all subject to attempted intercept, Israel has spent its entire missile inventory 20 times over.

This means Israel is utterly incapable of responding to any sustained missile attack.

Thus, the issue isn't whether Israel is hitting 100% of rockets fired but that they fire on only one in ten rockets launched from Gaza.

How armed is Gaza?

America has given Israel an excellent air force with advanced fighters. Israeli pilots are well trained. They have to be.

They bomb their own people every day and have been doing so for years.

There is now reason to believe that a significant number of advanced MANPAD (shoulder fired) air defense missiles enter Gaza each hour.

The outpouring of support for groups defending the beleaguered population of Gaza may well have opened the armories of more than one newly freed Islamic state in defense of their brothers.

Advanced bombing systems in the F-16 combined with counter-measures can defeat such systems "most of the time" but obviously failed with an Israeli F-16 was shot down over Gaza this week.

Israel also had an armed drone downed, a major escalation that makes a ground attack on Gaza potentially more costly.

If two MANPAD's are in Gaza, are there a hundred or a thousand? Though shooting down an F 16 may be difficult but not impossible, downing Israeli helicopters is relatively simple and intelligence sources indicate that Kornet missiles, effective against most armoured vehicles, helicopters and troop concentrations are plentiful.

In order to counteract this level of resistance, it would be necessary to withdraw Israel's top divisions from the Golan Heights where they are currently engaged in daily exchanges with Syria.

This leaves "second and third tier" units which are more likely to suffer far higher casualties or, worse still, break and run as was seen in Lebanon in 2006.

Being a "junk yard dog" used to be easy when only Israel had "teeth."

Conclusion

Turkish Prime Minister Erdogan was correct in his assessment that this is no longer "2008." Israel's actions in Gaza are radicalizing Egypt, destabilizing Saudi Arabia and the Persian Gulf States and will quicken the end of Jordan's servile kleptocracy.

What will be left is Israel, dependent on India, flanked between Pakistan and China, dependent on Britain, France and Germany, nations buried in debt crisis and instability and dependent on the United States, a nation increasingly aware that Israel's "knife" has been in her back for decades

This was an attempt to direct people who want to actually organize and form a real Nazi party to waste their efforts going to their site. The way for us to organize is to all of us to make the effort to contact actual members of the Military and Police and get a Coup going. It will be necessary to use their already in place infrastructure to form a real power base. It is best to contact as many online Military websites and post messages and demand that they do something about the jews who did 911, and everything else especially post the video Juba the Mossad Sniper who shot 400 Marines in the Greenzone to arouse their anger.

I had thought about it too years ago, but then I learned how the kikes had infiltrated those groups, and decided against it. Also think about this.... Do you really want the Government knowing every action of your life, that's a good way to get them to watch your every move, internet usage, tap your phones (cell included), and following you around? Because I know that the "leaders" of those groups are Required to by Law and Intimidation to submit their entire members list to the Fed, so they would know. This was discussed in the posts as well.

We've discussed American NSM in depth before, and there are some sermons as well. Do a quick search in the groups here, especially the JoSNewsletter. Basically, these groups have been infiltrated by jews and are being closely monitored. You can help, however, by using a junk email and posting links to the Black Sun, Third Reich, and Exposing Christianity. Subject: The Jews Behind Gun Control

The Jews Behind Gun Control

1968: The Gun Control Act of 1968 comes from Rep. Emanuel Celler's House bill H.R. 17735. It expands legislation already attempted by the non-Jewish Sen. Thomas Dodd. America's biggest and most far-reaching gun law came from a Zionist.

September, 1996: The Lautenberg Domestic Confiscation provision becomes law. It is part of a larger omnibus appropriations bill. It was sponsored by Senator Frank Lautenberg. It bans people convicted of misdemeanor domestic violence from ever owning a gun. 1997: Senate bill S. 54, the Federal Gang Violence Act of 1997, proposes much harsher sentences for people violating minor gun laws, including mandatory prison sentences and forfeiture of property. It was introduced by Dianne Feinstein and Senator [Hatch], among others. It returns the idea of turning every violation of the Gun Control Act of 1968 into a RICO predicate offense.

Barbara Boxer

January, 1999: Senator Barbara Boxer AKA Barbara Levy introduces bill S.193, the American Handgun Standards Act of 1999. January, 1999: Senator Kohl introduces bill S.149, the Child Safety Lock Act of 1999. It would require a child safety lock in connection with transfer of a handgun. February, 1999: Senator Frank Lautenberg introduces bill S.407, the Stop Gun Trafficking Act of 1999. February, 1999: Senator Lautenberg introduces S.443, the Gun Show Accountability Act of 1999.

March, 1999: Senator Lautenberg introduces bill S.560, the Gun Industry Accountability Act of 1999. March, 1999: Senator Feinstein introduces bill S.594, the Large Capacity Ammunition Magazine Import Ban Act of 1999. May, 2000: Senate bill S. 2515, Firearm Licensing and Record of Sale Act of 2000, is submitted by Senators Feinstein, Senator Barbara Boxer, Sen. Lautenberg and Sen. Schumer. It is a plan for a national firearms licensing system.

January, 2001: Senate bill S.25, Firearm Licensing and Record of Sale Act of 2001, is sponsored by Feinstein, Schumer, and Boxer. It is a nation-wide gun registration plan [apparently there were two versions of that Firearm Licensing and Record of Sale Act bill].

May, 2003: Senators Feinstein, Schumer, Boxer and others introduce legislation that would reauthorize the 1994 federal assault weapons ban, and, close a loophole in the law that allows large-capacity ammunition magazines to be imported into the U.S. The ban is scheduled to expire in September, 2004.

Frank Lautenberg

October, 2003: Senators Feinstein, Lautenberg, Levin [also Jewish] and Schumer co-sponsor bill S.1774, designed to stop the sunset [ending] of the Undetectable Firearms Act of 1988.

March, 2005: Senator Lautenberg introduces bill S.645, "to reinstate the Public Safety and Recreational Firearms Use Protection Act," in other words, to reinstate the 1994 assault-rifle ban [also known as the

"Violent Crime Control and Law Enforcement Act of 1994"] which expired in late 2004.

March, 2005: Senator Feinstein introduces bill S.620, "to reinstate the Public Safety and Recreational Firearms Use Protection Act," in other words, to reinstate the 1994 assault-rifle ban [also known as the "Violent Crime Control and Law Enforcement Act of 1994"] which expired in late 2004.

Chuck Schumer

Apparently it's okay for Jews to possess guns, just not Goyim cattle. Oh yes, the greatest gun grabbers in US History are and have always been quite Jewish. "Gun control" in the United States is as Jewish as our liberal and self destructive immigration policies.

Howie Metzenbaum

1988: Senate bill S. 1523 is sponsored by Senator Howard Metzenbaum. It proposes legislation turning every violation of the Gun Control Act of 1968 into a RICO predicate offense, allowing a gun owner to be charged with federal racketeering offenses. 1988: Senator Metzenbaum co-sponsors a bill -- S. 2180 -- to ban, or limit/restrict, so-called "plastic guns."

Herb Kohl

1990: Senator Herbert Kohl introduces bill S.2070, the Gun-Free School Zones Act of 1990, which bans gun possession in a school zone. The law will later be struck down in court as unconstitutional. 1993: Senate bill S.653 is sponsored by Sen. Howard Metzenbaum. It bans specific semiautomatic rifles, but also gives the Secretary of the Treasury the power to add any semiautomatic firearm to the list at a later date. February, 1994: The Brady Law, which requires waiting periods to buy handguns, becomes effective. Senator Metzenbaum wrote the Brady Bill. Metzenbaum sponsored the bill in the Senate. The sponsor of the bill in the House was Rep. Charles Schumer. 1994: Senator Metzenbaum introduces S.1878, the Gun Violence Prevention Act of 1994, aka "Brady II." Rep. Schumer sponsored "Brady II" sister legislation [H.R. 1321] in the U.S. House of Representatives.

Dianne Feinstein

September, 1994: The Violent Crime Control and Law Enforcement Act of 1994 goes into effect, including a provision that bans the manufacture and possession of semiautomatic rifles described as "assault weapons." [Note: true assault weapons are fully automatic, not semiautomatic]. That gun-ban provision was authored in the Senate by Senator Dianne Feinstein and authored in the House by Congressman Schumer.

Arlen Specter

1995: Senators Kohl, Specter, Feinstein, Lautenberg and others introduce the Gun-Free School Zones Act of 1995, an amended version of the 1990 school-zone law which was struck down in court as being unconstitutional

<http://marketdailynews.com/2012/11/07/senator-dianne-feinstein-moves-to-ban-all-assault-rifles-high-capacity-magazines-and-pistol-grips/>

The agenda no longer needs to be hidden from public view. With President Obama winning another term and democrats taking control of the Senate, the move to fundamentally change America from within has begun with a vengeance.

We're all aware of the restrictive gun laws in the State of California which require low capacity magazines for handguns, fixed magazines for assault rifles, and a whole lot of running around just to be granted the right to carry a concealed firearm.

Now, Senator Dianne Feinstein (D-CA), who has championed gun control in her state for decades and co-wrote the original assault weapons ban enacted by the federal government in the 1990s, wishes to bring even more stringent federal mandates to the land of the free.

What is being proposed by Feinstein is the most significant attack on the second amendment in history.

It would essentially ban thousands of firearms and require gun owners to turn them over to the Federal government.

I don't have the minutes of the meeting (yet), but sources tell me California Senator and longtime gun-hater Dianne Feinstein's legal staff held meetings on Friday with FTB/ATF legal staff to discuss a new Assault Weapons Ban. Madame Feinstein would be looking to push through Congress if President Obama wins reelection.

This same pretty good intelligence says the items that would lead to a ban would ban pistol grips and high-capacity magazines, eliminate any grandfathering and ban sales of weapons in possession.

I don't know about you, but if these things come to pass and I'm in possession I'm certainly not selling.

In fact, the lack of interest in the idea surprised the California liberal's legal staffers. Apparently, they believe no logical person could possibly disagree with them.

I began receiving the first reports of increases in gun buying by people concerned about tomorrow's election. Dealers in Oklahoma, Arkansas, Texas, Kentucky, Tennessee, Alabama and Indiana all tell me there hasn't been a huge number of buyers expressing those concerns, but the numbers were noticeable.

Among that group -and the majority of regular purchasers- the core driving most of the purchasing seem to be in their mid-to-late 30s. Again, home and personal defense are the most frequently cited reasons for buying.

At a Congressional budget meeting in September of this year, Feinstein alluded to her desire to reintroduce federal assault weapons ban regulations similar to those she helped cosponsor and pass in 1994 during the Presidency of Bill Clinton:

°Ladies and gentlemen, it is time to say, once again, in legislation, weapons of war do not belong on our streets;
September 5, 2012

It is any wonder that shares of stocks like Smith & Wesson (NASDAQ:SWHC) and Ruger (NYSE:RGR) surged this morning in response to President Obama winning a second term? While the majority of stocks across the world are in the midst of a sell-off and economic conditions indicate the country is in a recession, America's gun owners aren't waiting to see what happens next.

Senator Feinstein is serious, and despite this most recent report appearing only as a rumor, her comments earlier this year and her actions two decades ago, should leave no question as to where this is headed.

They are coming for our guns; plain and simple.

Subject: Re: The Jews Behind Gun Control			

A few things to add, the ccw permits issued by many states (somewhere around 40 I think) require that the ccw permit carrier register their gun. Gun registration is something all the gun grabbers have pushed for year after year.

Regardless of what state you live in it's about the same when you buy a gun, the difference is that some still require a waiting period. Anyways the paper work you fill out to buy a gun is to insure that your allowed to own a gun, that gun is not registered because of your filling out paper work and the dealer calling the fbi. This is why I don't have a ccw permit, as I'm not about to register any guns.

A few years ago the anti gunners (including obama) pushed real hard for registered ammunition. This would cause ammo to cost a fortune as each cartridge would have to be individually numbered and paper work to be done. Had this been passed there would have been more paperwork for a box of bullets than for an actual gun. This would have also made handloading illegal obviously, fortunately the NRA helped defeat that bill.

There have been plenty of attacks on gun shows as well, as someone who is not a gun dealer can set up a table and sell their own personal firearms. They often call this the gun show loop hole. If their actually concerned about someone with a felon getting a gun at a gun show from a non dealer why not have something on the individuals id that clearly says felon, that way the cop at the entrance who checks id's could spot a felon with ease. As Don said their after the honest citizens firearm, not the criminals firearm. Ordering guns online or from a catalog, I'll explain how this works for anyone interested. Go to whatever gun site find what you want and buy it like you would anything else online. To buy a gun online you have to have it shipped to an ffl dealer (federal firearms dealer) they'll usually charge somewhere between \$25-\$50 for a dealer transfer on top of shipping so it better be worth the extra 50+ dollars. The site gunsamerica which is like an ebay for all things gun related has an ffl finder, type in your zip code and it will show you the dealers within how ever many miles and what they charge.

"High capacity magazines" which are one of the things the gun grabbers love to attack usually apply to handguns in 9mm and 40 cal also to so called "assault rifles" like ar15 or ak47 rifles which are normally. 556 nato and 762x39. Generally speaking these are not the most powerful bullets in their category. Magnum revolvers such as the taurus raging bull in .454 casull or the smith and wesson .460 (bigger version of the .454) and the. 500 normally only hold 5 rounds. Their also powerful enough to take down a grizzly bear, so magaxine capacity isn't always everything.

The ar rifles usually shoot the. 556 nato round, this is also known as. 223 remington which is a varmint round (raccoon, ground hog, small animals) if you look at the laws for hunting deer where you can still use a rifle the law requires a larger caliber, the .223 is not suited for a larger animal. If you look at the weight class humans are in we're a deer sized and up weight class. That being said a .30 caliber cartridge weighting 130

grains and up would be more properly suited. There have been quite a few threads about the .556 nato round designed to wound not kill, I'll add I'm not a military man so I can't say from personal experience. However I tend to apply the concept "bring enough gun" when looking at a firearm. If I have to shoot someone I want that person to get knocked down after their shot, not still on their feet able to fight. Heres an interesting thread

Subject: Following the Natural Law			

We know we are in Satanism in order to evolve. Evolution is a known Truth in reality. Evolution takes time and doesn't conform to our lifespan. I'm writing this for people who may feel down with their progress or anything of that nature, or fail in their magick and do not know why, because it really happens both to those advanced and those starting in the path.

I remember, when I was new, myself, it took me months until I really got into it and understood how it really works. When we're new we want like silly kids to impose our own will to nature, instead of letting her take its course. This is the same thing as expecting anything to come in your plate without working for it, or because you think you deserve it. All these are ideas and false assumptions that were pushed in our brains in one way or another and give out our disconnection from the Nature of things.

There are two ways of imposing to the natural law what you want. First, its impossible to do so. Secondly, if one has extreme power, then they can do this. Its to be noted that what we think of nature to be, is not only the plants, the animals, the Stars and how they move or anything of these. Nature and Natural law are terms better to be understood and we should be happy we're part of this and not in chaos. Natural law is really something deeper and the more one awakens their consciousness, they will see this. Many people come to Satanism and think all their wishes will come to the plate. Then they demand things, don't get it and think less of themselves, that they fail or anything. One one hand, there are these laws and these retain balance. When one is working aside with the Universe, they can attain what it has, eternal existence. Thats one of the reasons the Magnum Opus is timed and its workings are basically based upon the constellations. We are undeniably, a part of the universe. So working outside of its laws and acting like brats, will just mean our failure.

Though.

Human beings have other capabilities and can get to other realities, where the laws are different. The Higher one goes, it seems the laws are less, and since realities are interconnecting, we can act from here to change what we do there. For instance the moon can be on the least good sign for a working, but if we have the explosive power we can still make something happen. This is something to help us realize that we can alter some of these laws and what and how much or when we can alter this is up to our knowledge and our power over our environment. To be exact, it's not the laws of reality that we change, but our perception over them and their respective levels. Since every level has other laws as many people have experienced. This is basically the reason why Satanism is not about limits and is about everlasting freedom and liberation, unlimitedness. When we hear about freedom, we may think of an anomy, where anyone does what they want with the power they have. This is not actual freedom but chaos. The universe has many realities and we can tap to these, as they are not less or more real than the physical reality. Though where we are is where we are. Hope the meaning is not getting misunderstood. Our Gods are ethical and ethics and order bring the real freedom, that of the Spirit. Freedom in the form of anomy is just bound to failure, both for ourselves and the rest of the beings on the planet.

Though if you wonder why some things fail, or you have expectations that haven't arrived yet, even though you worked for them, you need to look on two things. Work with the laws of the Universe and you will never fail. That's why our Ancestors and our Gods want to return us back to nature. We are cut from our source and we're stagnating if we keep blind. Meditation opens our eyes so let it happen gradually and stay close to Satan, we all have so much to learn. Do your best to time yourself and go in accordance with the natural circles, because it's of immense power. Check the synchronicity between yourself [your own chart and transits] and the universe and through the use of your powers, steer your the wheel where you want. Also never forget, when we are Risen, there is no karma, no past life drama hindering us. Your own self is very important to Nature, each one of us represents a different point in existence, a different perception, a different soul, a different link between Nature and ourselves. Anyone here is extremely valuable. Every Human being that is of Satan is reaching on a higher, universal purpose.

I felt I should mention this, the importance of working with Nature. Be aware of the Nature and the Stars. I read something on Timaeus from Plato, but since I lack the text, I cannot post it, but when I can, I will. :)

HAIL SATAN!!!!!!

Trust me, half kike is kike. They are still capable of giving you bad luck via whatever angels they carry. I have had enough bad luck created by half kikes during the course of my life. Hitler would be able to spot someone that is half kike 10,000 kilometers away and would refuse them anything.

Yes, there are rumors that Hitler was part kike. These are simply lies intended to discredit his status and to further smear mud on his work to deliver Germany from slavery. These rumors are themselves started by kikes, and cannot be trusted. Truth is, Hitler was fully Gentile--no kikes can alter that. And obviously, the same kikes that lied about Hitler are capable of lying that some of his soldiers were kikes. All lies.

The term "illegitimate child" was invented by kike religions. It refers to a child born out of wedlock, and as such I believe the term creates damage to society much as the xian view of marriage. Children born out of wedlock deserve the same treatment as those born within marriage.

A truly illegitimate child is one where one or both parents is a kike. Usually, you get a kike seducing a Gentile into sexual contact, resulting in a child born. This child will be at least part kike, and therefore illegitimate.

Subject: Certain type of psychic attack

Brothers and Sisters, lately I have experienced a certain type of attack, that I haven't really felt in about 10 yrs.

It is the nagging feeling, or doubt even, that we are IMAGINING things.
Say, our trust and knowledge of Satan and the Gods, are just fantasies.

I had a horrible dream 10 yrs ago, before I even dedicated to Satan, that my previous employer (who is a jew!!) Randy Wright, well, he came to me in the dream, as I was at the counter working, and said, "THERES NOTHING THERE!! "

He really wanted me to know that he thought my witchcraft, (it was known by my jewelry) is just a fantasy, or psuedo religion.

It shocked and hurt me badly, when I had the dream. It took years for me to understand it.

He wanted to inflict SHAME, GUILT upon me, and tell me that I was insane woman.

Thats what the enemy tries now.....lately, telling me that being a witch, being a Satanist, KNOWING the

Gods, is a fantasy.

And lately, being around people who do not believe, or think I am a "silly woman" like its a joke!!.....these are all attacks I haven't had in years. These thoughts.

One time the greys actually tried to lie to me, and say, that NO ONE on the JoS is real, they were all greys lieing to me.

Friends, I need you, I need you all to reassure me with your energy, your strength, your love of the Gods. And I need to keep remembering, that they Love us as well.

HAIL TO OUR GODS, FOR THEY DO NOT DISAPPOINT!

Hi Hecate I have been struggling but persevering through these exact same type of attacks and let me assure you that it is all real. Every time this happens (every day) I just think about all the research, personal experiences and common sense that far surpasses any other "religion".

Take Yoga, for example, the effects are not like bodybuilding, but you definitely feel them - you feel lighter, more energetic, and more clear minded just after one session!

Now for superpowers, there is less evidence, but seeing as how the other evidence is correct, this is strong enough to support it being possible, along with history.

Also with the superpowers that is obtainable through meditation is demonstrated even on youtube by Yogi's, Tibetan Monks, Martial Artists, etc.

As for our Lord Master Satan being real - historical and common sense evidence strongly supports him being a real being along with the other Gods, even the evil angels etc.

Immortality has the least evidence supporting it but with all the other evidence supporting the above I have a certain amount of faith that it is real.

The farther we progress the more truths we see I think we are getting these attacks because our Aura of Protection isnt strong enough, I know I havent been working on mine like I should, but I slack on visualization the most!

Any ways just always look at the facts they support joyofsatan.com more than any other philosophy, religion, theory, etc.

It is true living

Treason, Betrayal and Deceit: 9/11 and Beyond

<http://www.911missinglinks.com/watch-movie/>

By Alan Sabrosky.

September 10, 2009 'Information Clearing House' -- The attacks on September 11, 2001 have been a defining moment for America. The political and psychological impact on Americans of a concerted and visible

attack in America was enormous -- indeed, it is an interesting "coincidence" that the attacks occurred on the one day of the year whose mention reinforces a public sense here of danger and emergency: 9-1-1.

A significant development in the 1990s was the formation of the neo-conservative think tank known as PNAC (Project for a New American Century), whose members prepared position papers for the Israeli government and for a future US Administration sharing their views. That happened in 2000 with the election of George W. Bush, and a contemporary writer summarized the tip of the neo-conservative iceberg in his first Administration this way:

The "outsiders" from PNAC were now powerful "insiders," placed in important positions from which they could exert maximum pressure on US policy. PNAC had a lock on military policy-creation in the Bush Administration.

Especially significant in terms of subsequent events was the acknowledgement in one of PNAC's own documents that their program for America (and Israel) would not readily be accepted by the American people. What this meant, PNAC opined in 2000, was that "the process of transformation, even if it brings revolutionary change, is likely to be a long one, absent some catastrophic and catalyzing event -- like a new Pearl Harbor."

9/11 Reconsidered

On September 11, 2001, the PNAC people in and out of government -- and by extension AIPAC and Israel - - "coincidentally" got the event they needed, barely eight months after coming into office. Most people are familiar with the basic details of that day -- two commercial aircraft crashing into the two tallest buildings in New York City's World Trade Center (WTC), a third striking the Pentagon, and a fourth ending up in a Pennsylvania field. Few people will forget the images of the burning buildings, their collapse, the casualties, and the sense of shock and tragedy that ensued.

The official 9/11 Commission's work and report were at best an incomplete exercise. Many people dismiss the findings of the Commission, and that includes its co-chairs. Many others who utterly distrust the 9/11 Commission report, dismiss the US Government's explanation of it, and point to both an official cover-up and an "inside job," include veteran fighter pilots, EMTs (Emergency Medical Technicians), air defense experts, experienced commercial pilots, demolition experts, architects and civil engineers -- none of them professions that inherently attract and retain the gullible and credulous.

Several things are very clear to me from a careful assessment of both official and critical evaluations of the 9/11 attacks. First, the striking aircraft alone simply could not have brought down either of the two buildings in the manner in which they fell, much less a third building which was not hit by a plane (I expect the one intended to do that as a "cover" had ended up in that Pennsylvania field), given the available physical evidence and a wealth of expert testimony. This means the attackers had assistance on the ground, and it had to have been active before the attacks occurred: preparing buildings for controlled demolition is not something done haphazardly in the midst of chaos.

Second, only two intelligence agencies had the expertise, assets, access and political protection to execute 9/11 in the air and on the ground: our CIA and Israel's Mossad. Only one had the incentive, using the "who benefits" principle: Mossad. And that incentive dovetailed perfectly with the neo-con's agenda and explicitly expressed need for a catalytic event to mobilize the American public for their wars, using American military power to destroy Israel's enemies. Only the unexpected strength of the Iraqi resistance kept Syria and Iran from being attacked in the second Bush Administration. Thus, the evidential trail for 9/11 and the wars in Afghanistan & Iraq run from PNAC, AIPAC and their cohorts; through the mostly Jewish neo-cons in the Bush Administration; and back to the Israeli government. None of the denials and political machinations can alter that essential reality. Terms such as treason, betrayal and deceit do not overstate the case against them.

Finally, we need to take a hard look at why the mainstream media (MSM) have paid more attention to Sarah Palin's wardrobe than they have to dissecting blatant falsehoods, discrepancies and inconsistencies in the US

Government's treatment of 9/11 and its aftermath. And the reason is that on this issue, all are on the same side, and the official line is the one they all prefer -- "all" meaning the PNAC alumni who took over the Bush Administration's national security apparatus and their counterparts in the Obama administration, AIPAC and the rest of the numerous Jewish PACs, the MSM owners and Israel. The depiction of the media management in America in 2002 is especially informative, and has not changed significantly since then:

CEOs and Directors of companies change as often as Boards of Directors vote. But if we could "freeze frame" the CEOs of the largest US Media companies in mid 2002, we would find that ten Jewish American men ran the vast majority of US television networks and other media companies including movies, radio, and publishing at that time. Not much has changed today.

Looking Ahead

Today we are getting the same line on Iran, from the same type of people -- Obama himself tries to be more independent, but most of the key staff and national security people in his Administration do not differ greatly on Israel and the Middle East from those of his predecessor. And the Congress has shown itself to be even more of AIPAC's lap-dog than the preceding Congress, an exercise in self-serving cowardice that admittedly has taken some doing.

But AIPAC and company are riding a tiger in America, and if they ever slip, the resulting convulsion will be catastrophic for them and for Israel. The open unfolding of the 9/11 tragedy and its ensuing wars that is now occurring can be that slip. The human cost to America to date is some 60,000 people, military and civilian, killed or wounded on 9/11 and in Iraq and Afghanistan together, with more to come once we go to war with Iran (or get dragged into it following an Israeli attack on Iran). Much of the deliberately misdirected rage that followed 9/11 has given way to endurance and grief.

But grief is a close cousin to rage, and an enraged America is not pretty, as anyone familiar with our history can appreciate. Americans are often deceptive without meaning to be. To much of the world, they often come across as naive, bumbling innocents in the world of global politics. And on a day-to-day basis, there is much truth to that.

But an enraged America is a very different character. You have only to look at what happened in WWII to German and Japanese cities, towns and villages, where America slaughtered literally millions of German and Japanese civilians -- most of them women and children -- knew it was doing it, and cared nothing at all. The goal was to crush, and restraint was not a word used much at all.

If these Americans and those like them ever fully understand just how much of their suffering -- and the suffering we have inflicted on others -- is properly laid on the doorsteps of Israel and its advocates in America, they will sweep aside those in politics, the press and the pulpits alike whose lies and disloyalty brought this about and concealed it from them. They may well leave Israel looking like Carthage after the Romans finished with it. It will be Israel's own great fault.

First, the striking aircraft alone simply could not have brought down either of the two buildings in the manner in which they fell, much less a third building which was not hit by a plane (I expect the one intended to do that as a "cover" had ended up in that Pennsylvania field), given the available physical evidence and a wealth of expert testimony. This means the attackers had assistance on the ground, and it had to have been active before the attacks occurred: preparing buildings for controlled demolition is not something done haphazardly in the midst of chaos.

Only the unexpected strength of the Iraqi resistance kept Syria and Iran from being attacked in the second Bush Administration. Thus, the evidential trail for 9/11 and the wars in Afghanistan & Iraq run from PNAC, AIPAC and their cohorts; through the mostly Jewish neo-cons in the Bush Administration; and back to the Israeli government. None of the denials and political machinations can alter that essential reality. Terms such as treason, betrayal and deceit do not overstate the case against them.

Finnish Official: Jews Control Money, Impede US Neutrality.....And Jews Whine and lie in return

My note here:

This article is great for showing how the Jews just love to lie right to your face:

"The remarks sparked harsh criticism from the Simon Wiesenthal Center, one of the largest international Jewish human rights organizations, which said the comments "parroted the anti-Semitic canard that an evil cabal of Jews control the media and the US government."

As one Jew [Kapner] confessed:

"The Jewish Lobby rules supreme in the realm of political control. Lobbies such as AIPAC, ADL, and the American Jewish Congress (AJC), decide which candidates will be elected. They do this by pouring millions of Jewish dollars into the campaign coffers of Pro Israel politicians, and smearing, through their connections in the Jewish-occupied media, their opponents.

Newly elected President, Barack Obama, had enormous amounts of money poured into his campaign by an elite contingent of wealthy & influential Chicago based Jews - so much so, that Obama now has an excess of \$30 million from a \$745 million haul."

High ranking Jew, Freeman. Admitted that the Jews where in control of the American government all the way back to Woody Wilson's time. We can also see Roosevelt himself Jewish [So was President Eisenhower and Johnston]. Whole cabinet was staffed with Jews to the brim the common trend in American political life."

Roosevelt purposely pushed American into a war with Germany:

<http://groups.yahoo.com/group/JoSNewsletter/message/328>

As Jew, Freeman confessed. Jewry also pushed America in the Great War.

Much of the Jewish control of the American government is covered in the article link below on the Jewish Banksters.

Final proof Jews are the force behind the creation and control of not just American banks but the international banking system:

<http://groups.yahoo.com/group/JoSNewsletter/message/275>

Do Jews own the media? Especially in America?

Lets take a look at who ownes and runs the Media in America then:

CBS: Owned by Jew Murry Rothstein

NBC: Run at the top by Zucker who just shifted over to CNN

ABC: Rober Iger

Fox: Rupert Murdoch [Jewish mother making him a full blood Jew by Jewish racial law]

CNN Owned by Time Warner, which is headed by Jewish Mogul Carl Icahn

Arthur Sulzberger is one of the major Jewish billionaires who own the American media. Rulership includes following:

The New York Times [which covered up the Jewish Communist crimes in Russia] the Boston Globe, the Tuscalossa News, the Santa Barbara News Press.

"The New York Times, the Wall Street Journal, and the Washington Post. These three...are the newspapers which set trends and guidelines for nearly all others. They are the ones which decide what is news and what isn't, at national and international levels. They originate the news; the others merely copy it. And all three newspapers are in Jewish hands...The Suzberger family also owns, through the New York Times Co. 36 other newspapers; twelve magazines, including McCall's and Family Circle..."

"New York's other newspapers are in no better hands than the Daily News. The New York Post is owned by billionaire Jewish real-estate developer Peter Kalikow. The Village Voice is the personal property of Leonard Stern

"U.S. News & World Report... owned and published by Jewish real estate developer Mortimer B. Zucherman..."

" The three largest book publishers...Random House... Simon & Schuster , and Time Inc. Book Co....All three are owned or controlled by Jews...The CEO of Simon & Schuster is Richard Snyder, and the president is Jeremy Kaplan; both are Jews too."

Time Magazine: Ownership changes hands between Jews such as Stengel and Levin.

News Week is joint owned by Diller and Harman.

Lets look at Hollywood:

"As a proud Jew," says Joel Stein [of the L.A Times], "I want America to know of our accomplishment. Yes, we control Hollywood."

Any time ownership of the major media postions changes hands its always to another Jew. Lets take at look at that:

American Broadcasting Companies (ABC), Columbia Broadcasting System (CBS), and National Broadcasting Company (NBC). Each of these three has been under the absolute control of a single man over a long enough period of time-ranging from 32 to 55 years-for him to staff the corporation at every level with officers of his choosing and then to place his imprint indelibly upon it. In each case that man has been a Jew.

"Until 1985, when ABC merged with Capital Cities Communications, Inc...the chairman of the board of directors and chief executive officer (CEO) of the network was Leonard Harry Goldenson, a Jew...In an interview in the April 1, 1985 issue of Newsweek, Goldenson boasted 'I built this company (ABC) from scratch.'"

"CBS was under the domination of William S. Paley for more than half a century. The son of immigrant Jews from Russia..." "There has been no move by top G-E management to change the Jewish "profile" of NBC or to replace key Jewish personnel. To the contrary, new Jewish executives have been added: an example is Steve Friedman..."

"The man in charge of the television entertainment division at CBS is Jeff Sagansky. At ABC the entertainment division is run by two men....nearly all of the men who shape young American's concept of reality, of good and evil, of permissible and impermissible behavior are Jews. In particular, Sagansky and Bloomberg are Jews. So is Tartikoff. Littlefield is the only Gentile who has had a significant role in TV entertainment programming in recent years."

Next the Vatican of HolyCostanity. The Simon Wiesenthal Center whined on about the holyhoax with another obnoxious, Oy Veh whined around the World.

But the holyhoax is been all debunked as yet another Jewish big lie.
From the race that coined the concept.

Good links debunking the holohoax:

<http://www.archive.org/details/Holocaust-TheLastDaysOfTheBigLie>

The real question is look at this fact in the article:

"Finnish Ambassador to the U.S., Mark Weitzman, the Wiesenthal Center's Director of Government Affairs."

How many bagels does this kike eat for lunch? And why does the Jewish special Jewtest group have a "director of Government Affairs."

So the next time you hear crap from the Jews.... Like:

"parroted the anti-Semitic canard that an evil cabal of Jews control the media and the US government."

Remember all that is stated above and the Jew won't be able to shovel their BS on your brain anymore.

On with the main article.

Finnish official asserts on state television that Jews hold vast control over wealth, media, thus impeding neutrality in US Mideast stance.

Finnish Official: Jews Control Money, Impede US Neutrality

Finnish government officials

Finland's co-chair of the Foreign Affairs Committee asserted on national television Thursday that American Jews hold vast control over the wealth and media in the United States, thus impeding the U.S. government from remaining neutral in its stance in the Middle East.

Pertti Salolainen, discussing the United Nations General Assembly vote to upgrade the Palestinian Authority to non-member observer state on the Finnish television program YLE Aamu TV, accused the U.S. of being unable to remain impartial on Mideast matters, "because they have a large Jewish population who have a significant control of the money and the media. The U.S. for internal political reasons is afraid to become adequately involved. This is a sad truth about U.S. politics."

The remarks sparked harsh criticism from the Simon Wiesenthal Center, one of the largest international

Jewish human rights organizations, which said the comments "parroted the anti-Semitic canard that an evil cabal of Jews control the media and the US government."

In a letter to Ritva Koukku-Ronde, the Finnish Ambassador to the U.S., Mark Weitzman, the Wiesenthal Center's Director of Government Affairs, wrote, "That such remarks can come from a pillar of the political elite in Finland is dismaying and astonishing; but that this remark was unchallenged makes it appear that such ideas are part of acceptable discourse in Finland."

Weitzman reminded the Ambassador that in 2010, her country joined the International Task Force for Holocaust Education, Research and Remembrance. "At this point, Finland must immediately act to show that it remains committed to these ideals," by officially condemning and repudiating Salolainen's remarks, he said.

Weitzman also urged that the Finnish government, which voted in favor of the Palestinian Authority upgrade at the United Nations on Thursday, to take steps to remove the parliamentarian from any official position.

Treason, Betrayal and Deceit: 9/11 and Beyond

<http://www.911missinglinks.com/watch-movie/>

By Alan Sabrosky.

September 10, 2009 'Information Clearing House' -- The attacks on September 11, 2001 have been a defining moment for America. The political and psychological impact on Americans of a concerted and visible attack in America was enormous -- indeed, it is an interesting "coincidence" that the attacks occurred on the one day of the year whose mention reinforces a public sense here of danger and emergency: 9-1-1.

A significant development in the 1990s was the formation of the neo-conservative think tank known as PNAC (Project for a New American Century), whose members prepared position papers for the Israeli government and for a future US Administration sharing their views. That happened in 2000 with the election of George W. Bush, and a contemporary writer summarized the tip of the neo-conservative iceberg in his first Administration this way:

The "outsiders" from PNAC were now powerful "insiders," placed in important positions from which they could exert maximum pressure on US policy...PNAC had a lock on military policy-creation in the Bush Administration.

Especially significant in terms of subsequent events was the acknowledgement in one of PNAC's own documents that their program for America (and Israel) would not readily be accepted by the American people. What this meant, PNAC opined in 2000, was that "the process of transformation, even if it brings revolutionary change, is likely to be a long one, absent some catastrophic and catalyzing event -- like a new Pearl Harbor."

9/11 Reconsidered

On September 11, 2001, the PNAC people in and out of government -- and by extension AIPAC and Israel - - "coincidentally" got the event they needed, barely eight months after coming into office. Most people are familiar with the basic details of that day -- two commercial aircraft crashing into the two tallest buildings in New York City's World Trade Center (WTC), a third striking the Pentagon, and a fourth ending up in a Pennsylvania field. Few people will forget the images of the burning buildings, their collapse, the casualties, and the sense of shock and tragedy that ensued.

The official 9/11 Commission's work and report were at best an incomplete exercise. Many people dismiss the

findings of the Commission, and that includes its co-chairs. Many others who utterly distrust the 9/11 Commission report, dismiss the US Government's explanation of it, and point to both an official cover-up and an "inside job," include veteran fighter pilots, EMTs (Emergency Medical Technicians), air defense experts, experienced commercial pilots, demolition experts, architects and civil engineers – none of them professions that inherently attract and retain the gullible and credulous.

Several things are very clear to me from a careful assessment of both official and critical evaluations of the 9/11 attacks. First, the striking aircraft alone simply could not have brought down either of the two buildings in the manner in which they fell, much less a third building which was not hit by a plane (I expect the one intended to do that as a "cover" had ended up in that Pennsylvania field), given the available physical evidence and a wealth of expert testimony. This means the attackers had assistance on the ground, and it had to have been active before the attacks occurred: preparing buildings for controlled demolition is not something done haphazardly in the midst of chaos.

Second, only two intelligence agencies had the expertise, assets, access and political protection to execute 9/11 in the air and on the ground: our CIA and Israel's Mossad. Only one had the incentive, using the "who benefits" principle: Mossad. And that incentive dovetailed perfectly with the neo-con's agenda and explicitly expressed need for a catalytic event to mobilize the American public for their wars, using American military power to destroy Israel's enemies. Only the unexpected strength of the Iraqi resistance kept Syria and Iran from being attacked in the second Bush Administration. Thus, the evidential trail for 9/11 and the wars in Afghanistan & Iraq run from PNAC, AIPAC and their cohorts; through the mostly Jewish neo-cons in the Bush Administration; and back to the Israeli government. None of the denials and political machinations can alter that essential reality. Terms such as treason, betrayal and deceit do not overstate the case against them.

Finally, we need to take a hard look at why the mainstream media (MSM) have paid more attention to Sarah Palin's wardrobe than they have to dissecting blatant falsehoods, discrepancies and inconsistencies in the US Government's treatment of 9/11 and its aftermath. And the reason is that on this issue, all are on the same side, and the official line is the one they all prefer – "all" meaning the PNAC alumni who took over the Bush Administration's national security apparatus and their counterparts in the Obama administration, AIPAC and the rest of the numerous Jewish PACs, the MSM owners and Israel. The depiction of the media management in America in 2002 is especially informative, and has not changed significantly since then:

CEOs and Directors of companies change as often as Boards of Directors vote. But if we could "freeze frame" the CEOs of the largest US Media companies in mid 2002, we would find that ten Jewish American men ran the vast majority of US television networks and other media companies including movies, radio, and publishing at that time. Not much has changed today.

Looking Ahead

Today we are getting the same line on Iran, from the same type of people -- Obama himself tries to be more independent, but most of the key staff and national security people in his Administration do not differ greatly on Israel and the Middle East from those of his predecessor. And the Congress has shown itself to be even more of AIPAC's lap-dog than the preceding Congress, an exercise in self-serving cowardice that admittedly has taken some doing.

But AIPAC and company are riding a tiger in America, and if they ever slip, the resulting convulsion will be catastrophic for them and for Israel. The open unfolding of the 9/11 tragedy and its ensuing wars that is now occurring can be that slip. The human cost to America to date is some 60,000 people, military and civilian, killed or wounded on 9/11 and in Iraq and Afghanistan together, with more to come once we go to war with Iran (or get dragged into it following an Israeli attack on Iran). Much of the deliberately misdirected rage that followed 9/11 has given way to endurance and grief.

But grief is a close cousin to rage, and an enraged America is not pretty, as anyone familiar with our history can appreciate. Americans are often deceptive without meaning to be. To much of the world, they often come across as naive, bumbling innocents in the world of global politics. And on a day-to-day basis, there is much truth to that.

But an enraged America is a very different character. You have only to look at what happened in WWII to German and Japanese cities, towns and villages, where America slaughtered literally millions of German and Japanese civilians -- most of them women and children -- knew it was doing it, and cared nothing at all. The goal was to crush, and restraint was not a word used much at all.

If these Americans and those like them ever fully understand just how much of their suffering -- and the suffering we have inflicted on others -- is properly laid on the doorsteps of Israel and its advocates in America, they will sweep aside those in politics, the press and the pulpits alike whose lies and disloyalty brought this about and concealed it from them. They may well leave Israel looking like Carthage after the Romans finished with it. It will be Israel's own great fault.

Below this article is a current news article. Our Anti-Christ told me that 'Israel is going to use the bomb.' After reading all of this, especially the current news article, it appears this is not too far off into the future.

'We possess several hundred atomic warheads and rockets and can launch them at targets in all directions, perhaps even at Rome. Most European capitals are targets for our air force. Let me quote General Moshe Dayan: 'Israel must be like a mad dog, too dangerous to bother.' I consider it all hopeless at this point. We shall have to try to prevent things from coming to that, if at all possible. Our armed forces, however, are not the thirtieth strongest in the world, but rather the second or third. We have the capability to take the world down with us. And I can assure you that that will happen before Israel goes under.'

A Jewish Gift to Humanity: The Nuclear Nightmare

Below is only a partial list. The total number of the Jews involved is staggering and shocking and the list below is incomplete, due to time restrictions. The list below contains the most noted Jewish scientists who worked directly on the Manhattan Project. Nearly all of the individuals on the list below were hard-core Communists; many more were spies, who gave the formula for the atom bomb to the Soviets. Upon researching, I was appalled at how the authors [mostly Jews], who wrote articles and biographies of the individuals below, portrayed these mass-murderers in a very positive light, exalting many to a hero status. Feel free to do your own research given the information contained on this website.

A partial list of Jews who were directly involved in the Manhattan Project:

J. Robert Oppenheimer - Scientific Director - Project "Y"

Frank Oppenheimer - Brother of and Assistant to J. Robert Oppenheimer

Albert Einstein [German born Jew] - Consultant to the Project

Niels Bohr [Danish born Jew] - Consultant to the Project

Leó Szilárd [Hungarian born Jew] - Group Leader - Metallurgical Laboratory

Nicholas Kurti [Hungarian born Jew] - Worked with Franz Eugen Simon [German born Jew] and developed a method of separating uranium 235 from raw uranium ore

David Bohm - Performed theoretical calculations for the Calutrons at the Y-12 facility in Oak Ridge, used to electromagnetically enrich uranium for use in the bomb dropped on Hiroshima in 1945

Rudolf Peierls [German born Jew] - British Mission

Felix Bloch [Swiss born Jew] - Worked under Hans Albrecht Bethe, performing nuclear fission research

Eugene [Paul] Wigner [Hungarian born Jew] - Group Leader - Metallurgical Laboratory

James Chadwick [British born Jew] - Chief - British Mission

James Franck [German born Jew] - Director - Chemistry Group

Otto Frisch [German born Jew] - British Mission

Edward Teller [Hungarian born Jew] - Thermonuclear Research

Emilio Gino Segrè [Italian born Jew] - Group Leader

Hans Albrecht Bethe [German born Jew] - Chief - Theoretical Division

Klaus Fuchs [German born Jew] - Theoretical Division [Communist Spy]

Richard Phillips Feynman - Group Leader - Theoretical Division

Morris Kolodney - Manager - DP Site

Louis Rosen - The "Father" of the Los Alamos Neutron Science Center

Louis Slotin - Critical Testing - resulted in his accidental death

Jacob Beser - Weapons firing and fusing

Theodore Alvin Hall - Youngest Scientist at Los Alamos

Samuel T. Cohen - Worked in the Efficiency Group

Samuel Goudsmit - [Danish born Jew] - Scientific Head of the Alsos Mission

George Placzek - [Moravian born Jew] - British Mission

Eugene Rabinowitch - [Russian born Jew] - Metallurgical Laboratory

Joseph Rotblat - [Polish born Jew] - Worked with James Chadwick [Communist Spy]

Gregory Breit - [Russian born Jew] - Predecessor of J. Robert Oppenheimer

David Greenglass - Manhattan Project Infiltration [Communist Spy]

George Abramovich Koval - Special Engineer Detachment [Communist Spy]

Victor Weisskopf - Theoretical Division

Alvin Martin Weinberg - Theoretical Physics under Eugene [Paul] Wigner

Rudolf Peierls - British Mission

Isidor Isaac Rabi [Polish born Jew] - Consultant to the Project

Stan Frankel - Theoretical Division

Enrico Fermi [Italian born Gentile] was married to a Jewess - Group Leader - Theoretical Division

The first atomic bomb was designed and constructed in Los Alamos, New Mexico. The top-secret code name given to this working was "The Manhattan Project." The reason for the name was that Bernard Baruch [Jew], lived in Manhattan New York, as did many of the other top officials. The chief scientist of the Los Alamos Laboratory from 1943 to 1945 was J. Robert Oppenheimer, another prominent Jew. Oppenheimer's brother Frank, a card-carrying communist, was also a leading atomic scientist working at Los Alamos.

'One of the central figures in not only laying the theoretical ground work but also persuading President Roosevelt to launch the whole atomic bomb program was Albert Einstein, a foreign-born Jew with 16 communist front affiliations.'

'The first commissioner of the Atomic Energy Commission was David E. Lilienthal, a Jew, who belonged to at least two communist fronts. He remained in that position for a considerable length of time.' 1

Niels Bohr [Danish born Jew], given the Nobel Prize in 1922, escaped Denmark in 1943. 'In September 1943, reliable word reached Bohr about his imminent arrest by the German police; the Danish resistance quickly managed to help Bohr and his wife escape by sea to Sweden. Soon after, Bohr was flown in a military aircraft to Britain. There he was introduced to the then-secret atomic bomb project (see Political activity section below for greater detail). Eventually he was directed to the project's principal location in the United States of America. Bohr worked on the Manhattan Project at the top-secret Los Alamos laboratory in New Mexico, where he was known by the name of Nicholas Baker for security reasons.' 2

Leó Szilárd [Hungarian born Jew] born in Budapest, assisted Enrico Fermi in conducting the first controlled nuclear chain reaction.

Nicholas Kürti [Hungarian born Jew: Kürti Miklós] and Franz Eugen Simon [German born Jew who fled to Britain after Hitler came to power] discovered how to separate uranium-235 from uranium ore, which was necessary for the construction of an atomic bomb. 3

'It is of utmost significance to point out that both atomic bomb and hydrogen bomb were in large measure a Jewish production. But basically the atom bomb and its further proliferation, is a Jewish idea. One of the central figures in not only laying the theoretical groundwork but also persuading President Roosevelt to launch the whole atomic bomb program was Albert Einstein, a foreign-born Jew with 16 communist front affiliations.'

'It was at this time that most of the Atomic secrets were stolen and passed on to the Soviets. When it comes to listing the spies and traitors involved, it almost reads like a Jewish Who's Who. The most notorious were Julius and Ethel Rosenberg, who were tried and executed for treason, the only traitors in modern U.S. history to have suffered this fate. Further involved in this spy network were Harry Gold, Abraham Brothman, David Greenglass, [Ethel Rosenberg's brother], Israel Weinbaum, Miriam Moscovitz, Sidney Weinbaum, Morton Sobell. All these were Jews, and all were convicted of treason. It is also significant in the further development of the hydrogen bomb, again Jews were in the forefront, such as J. Robert Oppenheimer, Steve Nelson [real name Joseph W. Weinberg] and Edward Teller.'

'To get on with the crux of our dissertation, namely the commercial and industrial proliferation of nuclear wastes in the United States, which more than any other issue hangs as an ominous pall over our heads. It threatens to bring death, cancer, leukemia, and birth defects to the mass of the population, and, in fact,

exterminate humanity itself.'

'It is of utmost significance to point out that the Jewish network, has kept close control of the development and proliferation of this most devastating of all technical achievements – nuclear fission and nuclear fusion.' 4

Israel Retaliates for UN Vote on Palestine

Robert Berger, Mark Snowiss
December 02, 2012

JERUSALEM — Israel is retaliating for Thursday's United Nations vote on Palestinian statehood, announcing it will withhold \$120 million in taxes and customs collected for the Palestinian Authority to pay debts to Israeli companies.

In a unanimous resolution passed Sunday, Israel's Cabinet said it would not negotiate on the basis of the General Assembly's recognition of a state of Palestine in the occupied West Bank, East Jerusalem and Gaza Strip.

"The unilateral step taken by the Palestinians at the United Nations violates peace agreements," Prime Minister Benjamin Netanyahu said, justifying Israel's rejection of the U.N. vote. The only way to Palestinian statehood and peace is through direct negotiations with Israel, he said.

Israeli Finance Minister Yuval Steinitz said the government would use the money it was to transfer to the Palestinians to pay off their debt to Israel's state-run electricity company and other Israeli firms.

The Cabinet also approved a plan to build 3,000 new homes for Jews in the occupied West Bank and East Jerusalem. Mr. Netanyahu said Israel would continue to build in response to the U.N. vote, which he described as an "attack on Zionism and the State of Israel."

Abbas returns home

Sunday's move came as cheering crowds welcomed Palestinian president Mahmoud Abbas back to the West Bank city of Ramallah following his diplomatic victory last week when the Palestinians won non-member state observer status at the U.N. General Assembly.

"The world said yes to the state of Palestine, yes to the freedom of Palestine, yes to the independence of Palestine, no to aggression, settlements and occupation," Abbas told some 5,000 people to wild applause.

The Palestinian president warned of "creative punishments" by Israel, referring to the latest settlement construction plans.

Israel retaliates

Friday's announcement of 3,000 new homes on Israeli-occupied land is especially contentious as building in the area near East Jerusalem known as E1 could obstruct the ultimate creation of a contiguous Palestinian state because it cuts through the West Bank.

The construction would connect the large Jewish settlement of Maale Adumim to Jerusalem, dividing the West Bank in two. The Palestinian cities of Ramallah and Bethlehem would be cut off from East Jerusalem.

U.S. Secretary of State Hillary Clinton said Saturday Israeli plans for new settlements abutting East Jerusalem "set back the cause of a negotiated peace." Britain and France urged Israel to rescind the decision, and other European states also denounced it.

Actual construction could be years away, if it takes place at all. Israeli Housing Minister Ariel Attias told Army Radio on Sunday, "There is no decision to build. There is a decision to plan. You can't build an apartment without planning."

Last week's U.N. vote was approved over fierce opposition from Israel and the United States.

Mark Snowiss reported from Washington.

I certainly didn't post this to create a panic. Do I appear to be worried? No. Where is everyone's faith in Satan? I can assure you, those of us who are dedicated to him are exempt from the fate of those who are without and will survive this unscathed. From what I was told, this will not affect the entire world in the way of devastation. Satan takes care of his own. We have seen this several times given our brothers and sisters who were in the path of natural disasters and faired well; also their properties, when everyone else around them met with disaster. This will not be world-wide in that sense, other than waking up humanity regarding the jews. Yes, this will open the door for Satan's New World Order where we can be free and humanity will evolve spiritually to a higher level.

Our Anti-Christ is not at all worried. With Satan's New Order, christianity will be totally outlawed. Please stop worrying. Satan takes care of his own!

Subject: Freeing your Soul from enemy influences / Psychic Vampires.			

I wanted to write on about some notes. There are people who are posting about being terrorized by others, either at school or whatever. Or people getting abused in home. Except of the obvious, that you should do your aura of protection, I wanted to mention something that I personally found quite handy. Before and since we have came to Satanism, we had met with people etc, many had jewish 'friends' because they didn't even know about them back then. Or close ties to assholes and destructive persons, psychic vampires etc.

I found out that by sealing your chakras against these persons, not only this

will increase your powers but all these psychic vampire bullies [like family persons] who leech on our souls and later come back with our soul power to attack us, or discourage us or whatever, will be easily dealt with this method. An infamous psychic tactic of bullies is simple. They drain the fuck out of their victim, then later they pretend to be rambo and the actually strong person, is nothing but a host to another parasitic soul. You should never allow it, neither you work your ass off meditating for fools to come and drain you and use your energy against you. This can be the case sometimes with family members. Who have really ingrained in your mind that you're weaker or something, or have worked overtime to make you their slave. This is a little meditation that nevertheless, will help your mental and spiritual part to the extremes. Because it will help your soul break free from all these influences of Satan's enemies. Influences from Satan's enemies are nothing but horrible. You don't need them in anyway.

****The meditation is quite simple:

Inhale blue Satanic energy into your chakras:

Vibrate Ansuz x9 or Ur x9 times in the chakra you feel is linked in someway to an enemy, or if you feel your chakras getting drained out of nowhere. Which is quite a disturbing feeling.

Affirmation: " The energy of the ___[rune you chose]___ is now freeing my ___ chakra from all connections and influences of the enemies of Satan, eternally and completely, NOW"

You can keep the "NOW" away, but personally I believe its a good word to specify to your mind that you want it now, in the present. I know you get the idea, if you feel that you need to specifically fix something, get down there and fix it.

Feel the chakra vibrating and engulf it in blue Satanic fire. Imagine all links on the chakra getting burned and your chakra becoming bright as a blue Sun, or whitegold. You can do this for all your chakras, so that would be 9x7. You can do far more than x9 vibrations, this is up to you and how much energy you feel is needed for this to work. This will help cut off from bad links from past lives, present incarnation, people you could have linked 'involuntarily' like when you was drunk or when you had sex with somebody and just this.

Another way to do this, is this:

http://www.angelfire.com/empire/serpentis666/Fighting_Back.html

Though because sometimes we do not know who the offending asshole is, its cool to do the above, your ordinary Aura cleaning and Aura of protection. When your aura of protection grows extremely powerful, it will help you maintain your energies high and powerful, on its own. It will deny links with all these sick faint hearted vampires who seem to have loved most of us since a young age. This method described above is on the point and will destroy the bad links whatever they may be, to whomever they may be. Aura of protection, in the long run, will really, really help you in your spiritual freedom aside many other things. But some things are better to be done manually, like in the way described above.

My personal experience with this is that this meditation felt very freeing. I felt an instant relief from bad thoughts, self hate and some other crazy stuff

that for years, I thought were my own. Probably these were from damned souls or other and I was sucking them up as in the past, I had a tendency to share the pain and be very empathic with others. I also noted a nice rise in how much I felt my energies. My energies for once felt not diluted. There were times I would meditate and feel energy loss, from sources I didn't even know why or how. Unless this is planetary or based somewhere, its probably some fool draining you of your energy or in anycase, the enemy. The Gods never leave us depleted or anything like this.

As nuclear peace talks are cancelled, overwhelming vote by general assembly calls for Israel to join nonproliferation treaty

The UN general assembly has overwhelmingly approved a resolution calling on Israel to open its nuclear programme for inspection.

The resolution, approved by a vote of 174 to six with six abstentions, calls on Israel to join the Nuclear Nonproliferation Treaty (NPT) "without further delay" and open its nuclear facilities to inspection by the International Atomic Energy Agency. Those voting against were Israel, the US, Canada, Marshall Islands, Micronesia and Palau.

Resolutions adopted by the 193-member general assembly are not legally binding but they do reflect world opinion and carry moral and political weight. And the resolution adds to pressure on Israel as it faces criticism over plans to increase settlement in the West Bank, a move seen as retaliation for the assembly recognising Palestinian statehood.

Israel refuses to confirm or deny possessing nuclear bombs though it is widely believed to have them. It has refused to join the non-proliferation treaty along with three nuclear weapon states: India, Pakistan and North Korea.

Israel insists there must first be a Middle East peace agreement before the establishment of a proposed regional zone free of weapons of mass destruction. Its rivals in the region argue that Israel's undeclared nuclear arsenal presents the greatest threat to peace in the region.

While the US voted against the resolution, it voted in favour of two paragraphs in it that were put to separate votes. Both support universal adherence to the NPT and call on those countries that aren't parties to ratify it "at the earliest date". The only no votes on those paragraphs were Israel and India.

The vote came as a sequel to the cancellation of a high-level conference aimed at banning nuclear weapons from the Middle East. All the Arab nations and Iran had planned to attend the summit in mid-December in Helsinki, Finland, but the US announced on 23 November that it would not take place, citing political turmoil in the region and Iran's defiant stance on non-proliferation. Iran and some Arab nations countered that the real reason for the cancellation was Israel's refusal to attend.

Just before Monday's vote, the Iranian diplomat Khodadad Seifi told the assembly "the truth is that the Israeli regime is the only party which rejected to conditions for a conference". He called for "strong pressure on that regime to participate in the conference without any preconditions".

Israeli diplomat Isi Yanouka told the general assembly his country had continuously pointed to the danger of nuclear proliferation in the Middle East, singling out Iran and Syria by name. "All these cases challenge Israel's security and cast a dark shadow at the prospect of embarking on a meaningful regional security process," he said.

"The fact that the sponsors include in this anti-Israeli resolution language referring to the 2012 conference proves above all the ill intent of the Arab states with regard to this conference."

The Syrian diplomat Abdullah Hallak told the assembly his government was angry the conference was not going to take place because of "the whim of just one party, a party with nuclear warheads".

"We call on the international community to put pressure on Israel to accept the NPT, get rid of its arsenal and delivery systems, in order to allow for peace and stability in our region," he said.

The conference's main sponsors are the US, Russia and Britain. The British foreign office minister Alistair Burt has said it is being postponed, not cancelled.

I've been seeing lots of articles having to do with israel, and how the UN is recognizing Palestine as a state. I know israel is pissed about that, and now they want israel is get rid of its nuclear weapons. It seems like the pressure is gradually increasing on israel, although I suspect this is just the beginning.

I happen to be a very lucky owner of a Hellenic translation of Mein Kampf, Which is about 20 years old++. Though when I started reading it, or stumbled upon some pages, my instinct really was hitting me, that something in this treasure is out of place. There are mentions on xianity, the xian hell etc.

Its the only book I found that describes in a so well put manner, why I hate xianity, marxists, jews etc. I always seemed to 'know' these things but I had the inability to express them or explain them in a so clear manner.

Which are very misleading for one, and for two, they don't even stick well in the Fhurer's awareness. He would never write anything about the Nazarene and I know this deep in my soul. Whenever I read those lines I really felt and knew these were not His words. Though there are some people, that I tried to introduce in the JoS in Nazi and Hitler videos, that tell me that Hitler was a christian and that He was against Satanism. Which I know to be 100% false and I know people are 100% uneducated, as to see how Germany has been very deep into Satanism, Heinrich Himmler, Vril Society etc. They base this conclusion probably on the altered Mein Kampf manuscripts. Additionally, the Mein Kampf I have is around 700 pages, and the unaltered PDF version on the groups is less, so I wanted to know what is going on. I definitely trust the JoS one, but I wanted to ask.

I have an original German copy from 1934 and it has somewhere around 780 pages, I can't read or speak German so I've never read it. I like the J.o.S translation more then the ralph manheim translation, or the "official Nazi English translation" which has horrible grammar and punctuation.

Its not uncommon to hear about translations of Mein Kampf being corrupted and "edited" go on amazon and see how many different english versions of Mein Kampf there are. Also look at some of the book that talk about how people remove important points from the book, add in large words that no one understands, etc.

Though there are some people, that I tried to introduce in the JoS in Nazi and Hitler videos, that tell me that Hitler was a christian and that He was against Satanism. Which I know to be 100% false and I know people are 100% uneducated, as to see how Germany has been very deep into Satanism, Heinrich Himmler, Vrill Society etc. They base this conclusion probably on the altered Mein Kampf manuscripts. Additionally, the Mein Kampf I have is around 700 pages, and the unaltered PDF version on the groups is less, so I wanted to know what is going on. I definitely trust the JoS one, but I wanted to ask.

I,too,have read the Mein Kampf. I have the 1939 edition translated by James Murphy,who was allowed into Germany at that time to perform the translation. One important point here is that Hitler was raised as a catholic,as most people know. If you read the Mein Kampf he later describes events that led to his revulsion of the church[he always mistrusted and despised the jew]. After he became chancellor[misspelled?]he became acquainted with Heinrik Himmler;his most trusted officer during the war. Himmler was a devoted Satanist and had about 12 members in a group[coven]. Hitler learned many occultic matters from Himmler and yes,Hitler was Satanist. It is my personal belief that Heinrik Himmler was most responsible for Hitlers conversion to Satanism and I hold Himmler in as high esteem as I do Hitler. Being a National Socialist,that speaks volumes,for me,anyway.

It would be obvious if you carefully read my post, that I pointed out that Hitler would never write such claims.

"Though when I started reading it, or stumbled upon some pages, my instinct really was hitting me, that something in this treasure is out of place. There are mentions on xianity, the xian hell etc."

So I hope you don't get the wrong meaning. I would never believe Hitler was a xian, one from experiences that are many, too many to count and for two...Because I'm more educated than this.

I studied it in a different, kind of...Metaphysical way. Hitler joined the Thule Society about when rampant changes in His being started. Which is indicative of His inner change and inner aweakening as a Satanist. This is no different than how one will later see xianity for the rotten piece of scum it is. This is one speculation. For another one, for obvious reasons, Hitler played off the enemy. In a sense, if you look at His speeches, there are mentions on xian priests etc. Which is indicative on how intelligent He was, aside from how deep His knowledge was. Definitely Himmler and Dietrich Eckart played a big role in His aweakening and empowerment.

You cannot wipe out straight forward something that has been infesting the whole world, like this. Imagine if Hitler went on the top and screamed that He was a Satanist. None would fight for Him etc. He tried other methods of aweakening, more subconscious, or in other words, talking directly to the unconscious of Aryans. First of all, the Swastika except of a Hindu [Aryan Power Symbol] is an Ancient Egyptian one. I have had someone who went to Egypt tell me that on the graves of Pharaohs and generally was present in Egypt, and generally all around Egypt. I remember seeing videos where some Nazi SS parades had some horsemen, dressed like knights, where the Swastika was exactly over the Solar Plexus on their clothing. Giving an important message both about the Soul and the White man. Aside a lot, and anything else.

Subject: Where Buddha Was Stolen From			

Where Buddha Was Stolen From

This is a reply I made to this topic in a thread on the egroups:

As one Hindu scholar stated: "Hinduism is covert Buddhism/Jainism." These ideologies where and still are anti-Vedic in total nature. Vedic literally is the origin of our word "verdict." The truth, its just another way to state Sanatan Dharma. And Sanatan Dharma is the original title for this [Satanic] paradigm.

This is as mentioned by High Priestess Zildar Raasi. The issue is the enemy has so done their job anti-Vedic [anti-Dharmic] ideologies are passed off as Dharmic.

This seems to start with the period of the Mauryan Empire. Ashoka created a new Imperial religion for centralized power under his control. Much the way Constantine and Akhenaten did before. There is a reason all Buddhist images only date back to the period of Ashoka and not before. And all the Buddhist texts of the Pali Cannon [original Buddhist texts] date to the so called third council authorized and overseen by Emperor Ashoka himself. Much like Constantine at Nicea. As the Pali Cannon was created at this third council

by Ashoka. This is where Buddhism really comes from.

The claim used to cover this fact over. Is the same with the fictional Jesus character in the West. That this Gautama character had existed and taught. Then left his followers and teachers behind. Which were later centralized under the Emperor.

Well we can see in the West this is false:

<http://groups.yahoo.com/group/JoSNewsletter/message/233>

And its the same in the East. This Gautama character has never existed. The actual evidence has disproved his existence on all levels.

Now as mentioned before Buddha is the ancient title of a Pagan Sol God:

<http://groups.yahoo.com/group/JoSNewsletter/message/331>

And the enemy did here what they did in the West. They took the images, concepts and myths of the symbolic culture. And they rewrote it with inserting their fictional corruption [Gautama in this case] and changed all the meanings behind the concepts into something which destroys true spirituality and spiritual teachings. This is where the corrupted 8 fold path comes from. This program is also connected to the Jains. Where they were hated as a subversive [anti-Vedic] sect in the ancient world. Much like the Theraputes in the West. The Jains in the East are the springboard to creation of a counterfeit program.

More are the reality of Buddhism in general:

<http://groups.yahoo.com/group/JoSNewsletter/message/354>

The original God that Gautama is a stolen and corrupted version of is Visnu. This is evidenced in the fact the famous Buddhist statues are images of Visnu and how he was traditionally shown. And the further fact the Mahayana sects all emerged from the major Vaishnava temple centers in India. And where openly acknowledged in the period to be a split sect of Vaishnava's. Probably because Buddha at this time could have been another title of Visnu.

Buddha rules mercury, and even to this day the Buddhist holyday is on Wednesday [the day of mercury]. Its no mistake Visnu's main yantra is a 64 number square. The same as mercury. Its no mistake even today people state Buddha as an avatar of Visnu. Its a faint echo to this characters real origin.

The ancient images show Buddha as a linga, tree and White Horse also as the Kalacharka.

Kala position is the place and title Visnu has always ruled.

If one looks far enough they will also find Visnu is another title for the Sol God, Surya.

This Gautama "Buddha" was original not shown as the Hesse style character famous today. But as an all powerful, Sun God. Images even have Brahma and Indra bowing before him. etc This was a program designed to replace the previous religion.

Like with Christianity. This new Buddhism religion was imposed by Imperial force with reports of people being killed for not bowing before it. This program simply subverted and replaced the original Dharma with an anti-Dharma.

When people finally started to go back to their original religions. It was already too late. After centuries of this Buddhism. The entire culture had been terraformed externally and internally. They simply went to practice subconscious Buddhism. Its the same with Wiccans today in the West. For the same factors.

Subject: Sermon 12/13/12

As for keeping up to date regarding new knowledge, I will be posting here in the groups. I know the JoS website is badly in need of revision. I have been consistently working on it as much as is possible, along with many other responsibilities. The Powers of Hell give me a lot of work.

Anyways, special thanks to Satan, Lilith and our Anti-christ, who have been giving me some very advanced knowledge regarding the soul. It is a sad fact that the corruption of spiritual knowledge along with the programs of islam and xianity and their jewish root have all done extensive damage to humanity in keeping us spiritually helpless and damned. The new age gurus also are on the wrong track. I know so many are just holier than thou; a bunch of arrogant assholes, who hoard spiritual knowledge for personal profit and gain. Much of what they are hoarding is not only extremely watered down, but also some of it is deadly, though they believe otherwise.

Our Anti-christ is one of the very few who has accomplished the magnum opus. He is now residing with the

Gods. To explain, 'anti-christ' is our spiritual leader and more...the arch-enemy of the enemies of Satan. He will be coming back and will establish Satan's Kingdom on this earth. He told me the magnum opus can be accomplished several different ways. The magnum opus for those of you who are new is when one achieves both physical and spiritual perfection and immortality...to where you will not die. The enemy has worked relentlessly throughout the centuries to destroy, pervert and corrupt the formula for the magnum opus. The enemy hates humanity and wants for us to be powerless slaves who are damned.

Now, I am sure many of you who are familiar with Freemasonry know about the 'G.' The letter 'G' is all over masonic symbols and such. The deluded claim this letter stands for 'geometry.' It is very sad that due to the infiltration of kikes into Freemasonry, the important rituals and meanings of the symbols have been systematically removed and corrupted. The Freemasons descended from the Knights Templars, who were on the run from being hunted down, tortured to death; murdered by the Catholic Church. Back in those days, Freemasons could communicate with each other telepathically, and do much more spiritually. A '33rd degree mason' was one who had his serpent fully ascended. There are 33 esoteric vertebrae to the spine.

Getting back to the G. This is where science meets with spirituality. Special thanks to High Priestess Zildar who brought this to light, regarding the all-important AUM. AU on the Periodic Table of Elements [Chemistry] is for Gold. The working of the magnum opus, in addition to having a fully ascended serpent is to turn the 'base metals' into gold. The base metals are the metals of the chakras. For those of you who have met Satan face to face, he has a gold aura. AU also has to do with the aura. Now, 'AG' on the Periodic Table of Elements is for silver. Its number is 47; $4 + 7 = 11$; an important number of Satan. [All Satanic symbols and numbers are of important spiritual knowledge with hidden meaning; most of which have to do with the magnum opus]. AU for gold is number 79; $7 + 9 = 16$ and in numerology, we reduce this number to $1 + 6 = 7$. The all-important number 7 for the 7 main chakras of which we transform into gold. So, now we can understand even

more why christianity so vehemently represses spiritual knowledge and persecutes scientists like Galileo, who knew that the planets revolved around the sun, not the earth as the catholic church was forcing.

The letter G in masonry has to do with the silver element which rules the pineal gland. You will note that there are three male chakras; chakras 1, 2, and 3, and three female chakras 5, 6 and 7; with the heart chakra being neuter. Each male and female chakra are planetary opposites, such as the male sun [666] chakra connects with the female moon [6th chakra], the male mars chakra which is the sacral chakra, connects with the throat chakra [which Lilith informed me recently is ruled by female Venus]. The male base chakra ruled by Saturn, connects with its opposite; female Jupiter at the crown. The 'heart' chakra is neuter and a connector, ruled by mercury. Mercury is often called 'quick-silver' but is not silver. The heart chakra is an important connector for the male and female chakras.

AG for silver, properly vibrated is GAUM. This vibration, when done correctly powerfully activates the pineal gland. Everything is in the vibration. The G is properly vibrated like an exaggerated Y, in the back of the throat. This vibration directly hits the pineal gland from the back of the throat. This is NOT for new people or those who are inexperienced in meditation. The following meditation I am going to give you below is exceptionally powerful. For experienced meditators, I strongly encourage you to do this meditation when you have an hour or more of free time. For example, performing this meditation on a daily routine before you go to work in the morning is not advisable due to the power this creates.

The new knowledge I have been getting of late is very potent. The new age crap and related is extremely watered down, unfortunately, even the Runes. The pronunciations for the Runes are also off, but these do have some power, and are effective. If you are now doing a rune working, then continue on as scheduled. I will be revealing the correct pronunciations/vibrations for the runes very soon. I haven't been given all of these yet. The runes also have the important AU within them.

As for this meditation, if you are new or inexperienced, then don't do it yet. For those who are experienced, you will know why after performing this. There are definitely levels and new people could very well experience problems and awaken energy they are not yet ready for.

You will need a Satanic Rosary for this. http://www.angelfire.com/empire/serpentis666/Satanic_Rosary.html
I keep reiterating that the Satanic rosary doesn't need to be anything fancy. Even a set of beads like a necklace is fully acceptable. The only important thing is that there are 108 beads. The reason being is when you vibrate a word of power 108 times, it is not only distracting but also you can lose count if this is done on the fingers.

The advanced meditation:

Vibrate GAUM 108 times, focusing on your pineal gland. Visualize your pineal gland bright with white light throughout the meditation. Remember, the correct way to vibrate the G is like an exaggerated Y at the back of the throat. This directly hits the pineal gland.

When you are finished with the GAUM, then focus on your solar 666 chakra and vibrate RAUM [rolling your R's] for 108 times, visualizing this chakra point down, bright with white-gold light.

Another very powerful meditation that is somewhat advanced; most people can do this one when they have their chakras opened. This meditation given its power also raises energies and can be used when one is in need of energy and short on time. I also suggest performing this meditation after doing the above meditation, as this balances the chakras.

1. Focus on your base chakra, bright glowing red, point up and vibrate LAUM 7 times into that chakra.
2. Focus on your sacral chakra, bright glowing orange, point up and vibrate VAUM 7 times into that chakra.
3. Focus on your solar chakra, bright white-gold, point down and vibrate RAUM 7 times into that chakra.
4. Focus on your 4th chakra, bright white-gold or green, shaped like a yoni and vibrate YAUM 7 times into that chakra.
5. Focus on your throat chakra, bright blue, point down and vibrate HAUM 7 times into that chakra.
6. Focus on your 6th chakra, bright white or bluish-violet, point down and vibrate THAUM 7 times into that chakra. The TH here is vibrated on the hard palate directly above the teeth like an exaggerated D.
7. Focus on your crown chakra, violet/purple, point down and vibrate MAUM 7 times into that chakra.
8. Feel your aura and visualize it full of white-gold and vibrate AUM into your aura 7 times.

Satan is strong on patience. All spiritual knowledge is not given at once. The Powers of Hell are now strong enough to where this knowledge can be revealed. More will be coming. I will post in the groups here.

Secondly, in there Ideology and RELigion section, they have a Sticky that states that satanism is bad blah blah and they do not leave it open for discussion.

Thirdly, I got banned for having 666 in my name.

Unfortunately, all of the high profile Nazi and white patriot groups here in the USA are controlled and infiltrated by jews. The ADL gives major publicity and noteriety to these organizations, as they are all heavily christian and the jews know they are under their psychic control and otherwise.

From what I understand, Black must turn his list over to the FEDS. I wouldn't doubt that he is a jew, but I don't know for sure. Christianity is pushed in these organizations, infesting just like a trojan. They are infested. Yes, the focus on the non-whites and try to take the heat off of the jew. the majority of members are double-digit IQ idiots. They claim to be against jews, but they promote and slavishly worship jewsus, who was and also ACCORDING TO SCRIPTURE IN THEIR FUCKING BIBLE, WAS CIRCUMCISED ON THE 8TH DAY IN A SYNAGOGUE BY A RABBI, IN ACCORDANCE WITH JEWISH TRADITION. This is in their scriptures. There is much more. Now, how can someone be against the jews, yet worship their 'god' and try to make a Gentile out of a circumised jew, whose parents were jewish [also according to biblical scripture], who observed jewish laws [also according to biblical scripture].

<http://see.the.truth.webs.com/JewishNazarene.htm>

The only thing you can do, as well as any of you here who are actively working for the Powers of Hell is to try to educate those who are open. The ones who are closed are no different from xian fundies and are not only of no use to us, but are a malignant cancer within the NS and related groups.

Also...open your own groups. This is what I did with the JoS some 11 years ago. Create our own networks. I remember CoS had a teen group where they were so nasty and downright mean to the teens on there, they denied the existence of Satan. I opened the JoS Teens for Satan, which is now pushing into 11,000 members. It is soooo simple. All you need to do is to tell the truth and people will come to you. They will leave the enemy groups that are full of deceit and lies. Satan means 'truth' in Sanskrit. Link up with each other. Advertise your groups anywhere you can. Put up 'Top 50' and "Top 100' NS sites and only allow non-xians to list and advertise there. We can't get anywhere unless we actively do something. When the enemy is running all of the groups, they have the control. You have the power to change this.

You should have seen the crap that was on the internet some 12 years ago regarding Satan and Satanism. Much was jewish controled and it was atrocious, all conforming with the xian concept of Satan. 'God' vs. 'The Devil.' Not anymore. JoS started out very small. I remember one night when I was at work, 3rd shift and ran to a co-worker, happily telling him how the JoS got 34 hits that day. Now, the front page alone is averaging some 3,000 hits alone per day with the total page views in the high millions. It takes time, patience and dedication to Satan. Demons will help you. One alone...together strong. Don't just sit back and let the enemy get away with this shit. Start your own groups and sites.

It is no secret now that a few of us have been in contact with Adolf Hitler on the astral. I will tell you, he was the one who asked me to put this website up:

http://spiritualwarfare666.webs.com/Third_Reich.htm

Christians will alter quotes, writings and do anything and everything to corrupt the truth, as their entire program is based upon lies. The enemy works through them. The Third Reich rose to power in a short time because they rejected the xian crap- jewsus and jewhova. Unfortunately, they were attacked by the world, as anyone who stands up to the kies and is against their agenda.

Nothing stopping people from also going into such places to help awaken others.

Subject: Physical Body: Your temple for the Soul

Many times the enemy ilk religions rant and rave on how the physical body is the temple of the Soul and how it must be kept pure. Aside from everything else, this concept is extremely infested. On top of this, they push the term right down to sexuality terms, where being pure sexually is simply their own disorted sense of 'pure'- all this mighty super info, coming from fat asses and skinny boned cracks, who rape kids because they supress sexual desires.

We must all remember how the NS took active stand against everything sick for Humanity and promoted physical wellbeing. This must never be forgotten. The Hitler Youth had to exercise. There were massive programmes for women to exercise together.

Physical and psychological health are one. Soul is sick, body is sick and vice versa.

The Physical body is very important and its one of our most basic aspects of existing. It must be treated right. Your physical body has many cells and is a piece of art, seen from an occult standby. Its important to treat it right. Your body has its own awareness, each and every cell has its own awarness and its own mechanisms. Its very important for your own well being. So here are some general rules for your physical well being. Working to improve your body, your body image, your health and everything, pays off everywhere in your life.

Its to be kept in mind increasing bioelectricity has many ways of going on about it and each exercise helps differently in regards to bioelectrcity. Its like a muscle. A muscle has explosiveness, endurance, maximum power output, agility and many other things. Its the same thing with your body. Its also to be noted that its widely known that exercise helps your genes and improves on everything. There is no excuse of being a couch potato, when with just 30 minutes a day you can increase everything. Go on with your pace and keep building up.

Exercise. This one is easy. You need to exercise. Depending on what is the ideal for yourself.

A. Cardio, which is important in increasing circulation and aids in the heart's health. Which is very important. Having a better circulatory system on the body, [blood circulation] will intensively help your Soul and its circulatory system. In the blood there is everything, nutrients and everything. This will help your brain too since the blood flow will be better and all your organs, your arteries, will empower your lungs. I think thats enough though there is far more. Forms of Cardio are running, on varying intensity.

B. Weightlifting. This is extremely important. Muscles are ruled by the Solar Plexus Chakra. Weightlifting will

increase your confidence by increasing your hormones and this will not only aid in your confidence, but you will in time look to yourself through a different eye. When you see your body evolving and seeing that it has extreme capability, you will love yourself even more. This helps physically, more physical power equals more spiritual power. People who practice forms of exercise have more powerful bioelectric fields. It will give you an aura of power and combined with cardiovascular exercise, will definitely aid you a lot. This will too make you more brave, competitive, powerful and even help your magick, because your confidence will be increased. The hormones weightlifting increases empower the Soul, since chakras correspond to glands.

C. Regular meditation. This is point 1. Meditation exercises the brain, which is extremely important. The brain is a center for all your mental capability. Meditation aids not only in the Soul but in the body too. This is the meaning of the Grail of Satan, by increasing your bioelectricity, your health and your body will start to be healthy and in a magickal way, things will happen better in the deeper levels of your being.

D. Brain Exercise. This is another way. Its called the physical way. Learning, understanding, math, science, chemistry. One must not leave the brain stagnate, it has a need to work on these, as much as it has a need to work on meditation. This is the left side of the brain and it must be taken good care of, this will make you more intelligent and help you more, in your logic part.

E. Hatha and Kundalini yoga. These are very important both for bioelectricity and your circulation. People are too sick because they are inflexible. This has both a spiritual and physical explanation. Physically this means the blood is not moving freely within the body. Spiritually the spiritually energy is either stuck or doesn't circulate in the right way, creating a lot of problems.

F. Diet. This is probably the most important of all the above. Eating is very important. You need to lack no vitamins, lack no minerals. Lacking vitamins and anything else your body requires, sets the brain for unpleasant happenings. Especially if you meditate, your body needs to be nutrioned good. It undergoes change and tries to repair itself, so you should better provide it good food. You eat what you desire, but bear in mind the widely known standars. Staying away from alcohol and tabacco, as alcohol fucks up the liver and the brain and tobacco blocks the lungs, the center of the all vital breath... Would be the best to see this for your own self. This is not to tell anyone to change their habits, its for anyone to be aware that they need to take good care of their body and that it will in turn please them with better lives. If you feel it would be right, taking a herbal vitamin supply, eating a balanced diet, these all will help your brain. The enemy has not eating as a reason for the cattle. If you do not eat right your system is not working right either and your abilities get a detriment. You see all these fat jews and fat enemy priests how they preach fasting and some shit. Not eating right makes someone weaker than a properly nutrioned person. Hydrating yourself is very important.

G. Taking care of yourself. Get this new haircut you want. Get these clothes you want. Get these pimples out of your skin or whatever you do not like. Fight to change yourself and make yourself perfect. Become the aesthetic perfect, as you see it. Constantly fight for it. Nothing is better in boosting your confidence and ability to deal with the world than this. You need to fight to become perfect and if you let a day and didn't give a fight, you're not living life to the fullest. Living life to the fullest isn't about going out with friends and getting wasted, doing drugs, smoking and endless partying under bob marley's banner. Its about becoming. If you do not push yourself you will never understand that you're limitless. Realising this and you will realize how deep a Human being is, you will love yourself, like nobody else could love you. If you have self-hate symptoms this might be your body saying: "Hey there you motherfucker! I need some good food! I need some exercise! I need better health and some love!". Love your body and it will love you back. Looking at the mirror and seeing a being of infinite capability and feeling all your cells are happy, working nice, being calm and without anxiety, is a great thing.

H. Sex. Have it as you want, how you want, with whom you want, as you see fit. It really aids in your psychological and physical health.

So in closing, you don't have to be a diet and physical wellbeing freak, but generally do whats best for you.

You need to arrange everything in your age, your ability and bear in mind any problems you might have and deal with them.

Go ahead and become the best you can become. If you lack anything, do magick to acquire it. Become the greatest you. That's your purpose in Satanism. To constantly increase your being, as nature intended for us and all other animals on the Earth.

HAIL SATAN!!!!!!!

Rather than force gun control on the American people make the American people want gun control. Don't be surprised if a new assault weapons ban is put in place after this. Just in time for when Americans may need to defend themselves.

He has a Super Strong personality, He is Sure of Himself way beyond what I thought, and quite powerful. He told me to Stand Proud, and Be Strong. It took me off guard just how little tolerance He has for weakness, Talk about Aryan Pride! He was very nice however, not aggressive towards me in anyway, just Strong. I don't know how else to say that.

know for sure. Christianity is pushed in these organizations, infesting just like a trojan. They are infested. Yes, the focus on the non-whites and try to take the heat off of the jew. the majority of members are double-digit IQ idiots. They claim to be against jews, but they promote and slavishly worship jewsus, who was and also ACCORDING TO SCRIPTURE IN THEIR FUCKING BIBLE, WAS CIRCUMCISED ON THE 8TH DAY IN A SYNAGOGUE BY A RABBI, IN ACCORDANCE WITH JEWISH TRADITION. This is in their scriptures. There is much more. Now, how can someone be against the jews, yet worship their 'god' and try to make a Gentile out of a circumcised jew, whose parents were jewish [also according to biblical scripture], who observed jewish laws [also according to biblical scripture].

http://see_the_truth.webs.com/Jewish_Nazarene.htm

The only thing you can do, as well as any of you here who are actively working for the Powers of Hell is to try to educate those who are open. The ones who are closed are no different from xian fundies and are not only of no use to us, but are a malignant cancer within the NS and related groups.

Also...open your own groups. This is what I did with the JoS some 11 years ago. Create our own networks. I remember CoS had a teen group where they were so nasty and downright mean to the teens on there, they denied the existence of Satan. I opened the JoS Teens for Satan, which is now pushing into 11,000 members. It is soooo simple. All you need to do is to tell the truth and people will come to you. They will leave the enemy groups that are full of deceit and lies. Satan means 'truth' in Sanskrit. Link up with each other. Advertise your groups anywhere you can. Put up 'Top 50' and 'Top 100' NS sites and only allow non-xians to list and advertise there. We can't get anywhere unless we actively do something. When the enemy is running all of the groups, they have the control. You have the power to change this.

You should have seen the crap that was on the internet some 12 years ago regarding Satan and Satanism. Much was jewish controled and it was atrocious, all conforming with the xian concept of Satan. 'God' vs. 'The Devil.' Not anymore. JoS started out very small. I remember one night when I was at work, 3rd shift and ran to a co-worker, happily telling him how the JoS got 34 hits that day. Now, the front page alone is averaging some 3,000 hits alone per day with the total page views in the high millions. It takes time, patience and dedication to Satan. Demons will help you. One alone...together strong. Don't just sit back and let the enemy get away with this shit. Start your own groups and sites.

It is no secret now that a few of us have been in contact with Adolf Hitler on the astral. I will tell you, he was the one who asked me to put this website up:

http://spiritualwarfare666.webs.com/Third_Reich.htm

Christians will alter quotes, writings and do anything and everything to corrupt the truth, as their entire program is based upon lies. The enemy works through them. The Third Reich rose to power in a short time because they rejected the xian crap- jewsus and jewhova. Unfortunately, they were attacked by the world, as anyone who stands up to the kies and is against their agenda.

Subject: Full Meditation 12/15/12			

Before I say anything here, any of you who are heavily involved in exercise, especially weightlifting or any physical exercise where you get sore, make sure to thoroughly, but gently stretch afterwards and then some. When muscles are sore from a heavy workout, this can trap energy as they will tighten up unless you keep stretching. Just make real sure you stretch the muscles you worked frequently, even if this is grabbing a doorframe to stretch out your arms and chest muscles for a few seconds every time you walk through a door. Otherwise, if energy gets severely trapped, an acupuncturist is needed and this is no fun. I have seen this happen in martial arts where people didn't know what they were doing in regards to their chi.

Here is a full meditation for the King and Queen. It is long, but extremely powerful. As I mentioned before, 'Amon Ra' has always been known as the 'King of the Gods.' ['Gods' being a code word for the chakras]. Not to repeat myself, but the 'King' and 'Queen' are the male and female aspects of the grail that have to do with the magnum opus. The 'King & Queen' are symbolic of the male and female aspects of the grail, with the Castle being your physical body itself, that houses the king and queen, as taught in alchemy.

The xians stole the gesture of the 'sign of the cross' from the Egyptians and corrupted it like everything else. The real sign of the cross gesture is where one touches one's third eye and then touches one's 666 chakra. This is very ancient. It's meaning is symbolic, as the gesture itself doesn't have any power, I just added this here for more information.

More and more has come to light involving the physical yogic practices such as breathing exercises. The enemy has corrupted these to center on the heart [chest chakra]. The original true meditations are to connect the energies of the king and queen. The enemy always focuses on the heart [chest chakra], as with the new age crap teachings and the nazarene and virgin muther bitch paintings to corrupt spiritual knowledge and keep you from any spiritual advancement and power.

This meditation is NOT for new people or for anyone who is not experienced to meditation. I also strongly suggest that you do this, especially if it is your first time, when you have an hour or more free time. The effects of this meditation are very powerful and mesmerizing and it is not conducive to have to get going to go to work when experiencing an extreme bliss state.

This meditation uses the breathing as well as mantra and visualization and takes some time. Always remember this...never take on more than you can maintain, in other words, don't drastically raise your energies for one day and not follow through afterwards, as raising your energies to a very high level one time and not maintaining this can cause them to drop and then you have problems. Say for example...one meditates 2 hours one day, but then on subsequent days, only for 10-15 minutes as time will permit. This can cause a drop in energies. Just make sure you are able to maintain the energies.

THE MEDITATION:

This is the Sun/Moon, alternate nostril breathing method, but connecting the energies of the King and Queen.

1. Begin by focusing on your solar 666 chakra. Close your left nostril with your thumb, inhale through your

right nostril, drawing energy up from your 666 chakra into your 6th chakra and pineal gland, then close off the right nostril with your thumb.

2. Without holding, exhale through your left nostril, slowly and evenly exhaling the energy back down into your 666 chakra. At the end of the exhale, hold for a count that is comfortable, say a count of 6 or 10, but make sure to keep the number of the count consistent throughout the meditation.

3. Keeping your right nostril closed, inhale through your left nostril back up into your 6th/pineal gland without holding, then switch and close your left nostril and exhale through your right nostril slowly and evenly exhaling energy down into your 666 chakra. At the end of the exhale, hold.

5. And then inhale through your right nostril again, close the right with your thumb exhale through the left and then hold at the bottom, this completes one round. Do this six times.

Summary:

- A. Close off your left nostril with your thumb, inhale through right nostril to your 6th/pineal- do not hold at the top
- B. Switch your thumb, closing off your right nostril, exhale through your left nostril to your 666 chakra, hold at the end of the exhale
- C. Keeping your right nostril closed, inhale energy from the left nostril from the 666 to the 6th/pineal chakra again, do not hold.
- D. Close off your left nostril and exhale through your right nostril back down into your 666 chakra and then at the end of the exhale, hold.
- E. Keeping your left nostril closed, inhale through your right back to the top, do not hold.
- F. Switch and close off your right nostril and exhale energy back down into your 666 chakra and then hold.
- G. Keeping your right nostril closed, inhale through your left nostril energy back into the 6th again.

Do six rounds of the above.

Part 2

After completing the above, focus on your 666 chakra and vibrate RAUM 108 times. Use your Satanic rosary or beads or anything where you can keep count, as using your fingers is not only distracting, but you can easily lose count.

Upon completing this, remain still for a couple of minutes and focus on the energy.

Part 3

Now, we will revise the Sun/Moon alternate nostril breathing, holding on the inhale at the top:

- A. Close off your left nostril with your thumb, inhale through right nostril to your 6th/pineal- hold at the top for as long as you held on the exhale in the previous exercise.
- B. Switch your thumb, closing off your right nostril, exhale through your left nostril to your 666 chakra, do not hold at the end of the exhale.
- C. Keeping your right nostril closed, immediately inhale energy from the left nostril from the 666 to the 6th /pineal chakra again, then hold.
- D. Close off your left nostril and exhale through your right nostril back down into your 666 chakra do not hold.
- E. Keeping your left nostril closed, inhale through your right back to the top, then hold.
- F. Switch and close off your right nostril and exhale energy back down into your 666 chakra and do not hold.
- G. Keeping your right nostril closed, inhale through your left nostril energy back into the 6th again, and hold.

Part 4

After completing the above, focus on your pineal gland/6th chakra and vibrate GAUM 108 times.

Upon completing this, remain still for a couple of minutes and focus on the energy.

Part 5

Now, perform the following breathing exercise 6 times:

1. Inhale through both nostrils for a count of 2 from your 666 chakra into your 6th chakra and pineal gland
 2. Hold for a count of 4
 3. Exhale for a count of 6, back down into your 666 chakra
 4. Hold for a count of 4
- Repeat step one.

The above constitutes one round. Perform this 6 times.

Part 6

Do NOT hold at the bottom.

1. Inhale for a count of 6 from your 666 chakra into your 6th/pineal gland
 2. Hold for a count of 6
 3. Exhale for a count of 4 back down into your 666 chakra
- Repeat step one.

The above constitutes one round. Perform this 6 times.

Part 7

To finish the meditation and balance your chakras:

- Vibrate LAUM into your base chakra 7 times
- Vibrate VAUM into your sacral chakra 7 times
- Vibrate RAUM into your 666/solar chakra 7 times
- Vibrate YAUM into your chest chakra 7 times
- Vibrate HAUM into your throat chakra 7 times
- Vibrate THAUM into your 6th chakra 7 times
- Vibrate MAUM into your crown chakra 7 times
- Vibrate AUM into your aura chakra 7 times

Remain still for 15 or more minutes and meditate on the energy. You can listen to music while you do this if you wish, but it should be soft music, as this meditation will sensitize you to sound, among many other things, opening you psychically and much more.

In closing, let other members know here if you wish, of your experiences from this meditation.

Subject: Joy of Satan - Hellenic			

This is a repost. Since the last time of the post, the website has grown even larger.

I am giving this message out, so I can know if there are any people of Hellenic descent [or simply, knowing the Hellenic language] that are interested in helping translating more of the Joy of Satan website. The site is here and is under construction:

<http://satanismgr.webs.com>

We are already 4 people working relentlessly on this, to make this project come over. A big portion of the site is already done, there is not SO much left, but we need to execute this in the least time possible. Satan wants this to happen and He has personally related to me His desire for ANYONE to learn on earth. Some of our fellows haven't got much knowledge on other languages. We must, as comrades in the Army of Satan, help them. If anyone else is from Hellas or has a decent knowledge of the Hellenic language, mail me and I will mail you the rest. Basically, what is going to be done is that I will mail you some parts to translate. Make sure you're capable for this. After this project is complete, more will follow. An establishment of Hellenic Haven for Satanists, a True online coven with good members, maybe a Group for us- and endless advertisement of the website, anywhere we can. Our people need the Truth. We want the TRUTH out there and we will fight on our own country and level, to bring on about that, safely and legally, without any problem. We *WILL* reincarnate this nation's Satanic spirit, then the rest will follow for us.

Its a great shame if our people, who were very spiritual in the past and patrons of civilization, to sleep like this.

Satan will reward you greatly for the work you do for Him and this is an opportunity for you, to work for His cause and actually add on the impact.

HAIL SATAN!!!!!!!

Subject: Re: public shootings...again			

If you look at the last names of the shooters in many of these high profile incidents, you should find out what is going on. Last year, we had the Trayvan incident. That was intended to appear as white on black--look at the shooter's last name in that incident. Zimmerman--jewish!

This pattern seems to be running through this crop of shootings. Blame something else. Blame people with guns--had just one teacher been armed in these incidents, the kike with the gun shooting at the students could have been shot at by the teacher, and that would have been the end of it. One Gentile with a gun in Portland, Oregon at the mall could have shot at the kike with the gun (and usually they are part jewish) upon the kike opening fire on innocent people, and that would have solved that issue. One armed teacher at Columbine, Virginia Tech, and at places where these shootings have happened would have solved the issue. One innocent Gentile shot at, one dead kike, massive property damage and injury saved, numerous lives saved.

The kikes do this shit with everything. They crash markets so they can enact bans on Gentiles owning valuable securities. They cause food poisoning to enact radiation being used on food. They fly planes into buildings (blaming the mudslimes), getting the TSA going and probably intruding into everything. They write worms and hack computer accounts, resulting in Internet kill switches. They stage car accidents, usually by veering into a lane at 55 MPH with a car doing the speed limit (speed limit 70 or 75) or slightly above, then whine and bitch for a 55 MPH speed limit. They use chemtrails and the HAARP to create global

warming, and then blame carbon dioxide and create a fake energy crisis. They stage shit to enact medical tyranny. They stage shit to enact monetary tyranny (such as those silver Liberty Dollar medallions being banned). I am not surprised they are staging shootings to get guns banned.

Subject: Re: Stormfront.org - White Nationalist Community

I am not surprised. Just having a kike last name as a username means nothing on its own since anyone can innocently use one of those names as a username or a stage name (even here on this site, it is possible for new users to innocently use a kike name as a username without realizing it).

However, the other problems are a good backing. Yes, "Black" is a kike name. When combined with persecution against Satan and His Demons, banning someone for having "666" in their username, and having mostly hatred for other Gentile races and none for the kikes, I would believe that this is a real kike. The problem with this is it is supposed to be

an organization to support the White race--without looking under the surface, just pushing Blacks and Asians off isn't going to undo the problem. Nor do they want the real story revealed--Black and Asian people didn't ask to be stuffed into ships and sent to White nations as slaves. That was the kikes' fault, and the kikes deserve to pay through their noses for it.

You find this frequently while researching things. I don't know how many other web sites I have found that put rubbish along with the truth. Sometimes they are just repeating the rubbish the kikes put in the system a long time ago--working with bad information. However, quite a few of them are deliberately contaminated with bullshit that suggests that kikes are responsible. Neo-Paganism, Neo-Nazism, and all the crap about the end of the world coming on December 21 are everywhere, and if you don't know what's going on, you could fall right into their traps.

Even so, I find banning someone simply for having "666" in the username quite extreme. Unless there is a rule explicitly stating this, it isn't fair either. And, going with the "Satan is bad, and we aren't even going to look into other possibilities" is bullshit--research is the key.

Yep... when i first saw it the news, i smelled jewish rats in the air.

I believe that the more arrogant they get, the more the people will wake up.

They've done a lot of bullshit with the 9/11 stuff. The smart people are starting to smell the rats. They're losing ground and they're arrogant to continue with the same tactics. Now most of their tactics are starting to getting noticed by the world.

I think that our destruction rituals are making a difference in the world! More people/nations are refusing to deal with the rats. And i believe if we continue like this, we'll laugh with our hearts with the jews failure.

Subject: Re: public shootings...again

I believe you are correct about this. That theater shooting wasn't enough to force new gun laws. But with the school shooting, which was very sad and a tragedy, the jews now are playing on the hearts and minds of Gentiles (because we have a heart and do care about life), and are using that to, as you stated, to provoke the people to Demand new laws for themselves. Because now people are being made to believe that there is a crazed gunman in every bush and around every corner wearing military fatigues and body armor, armed to the teeth with semi-automatic weapons, just waiting for an innocent good ole' American family to feel safe and then *BANG!*. People are scared of a phantom American terrorist. As such these People will gladly give up their rights and freedoms, handing them over to the Government. In place of Freedoms which our Founding Fathers saw as Unalienable Rights, such as gun ownership, you then have government control (big brother) and kike dominion over All Gentile Freedoms.

I believe this is laying the ground work for another kind of legislation, those RFID tracking chips. Because: "We just want to protect the American population from those who wish to destroy you. This is in the interest of Public Safety. We need to know the where-a-bouts of Every individual so we can prevent these tragedies from occurring again." Along with that will come the domestic profiling of everyone from your shopping habits to medical records to internet usage to communications. They will need to profile everything so that "We can be sure America is safe". Certain habits or activities will put you under close supervision. For instance someone who was treated for depression years ago, who has changed addresses in the past 2 years, who buys alcohol on occasion, who lives close to a school would not be eligible for gun ownership and would be tracked relentlessly, because "This person might become a threat in the future".

What was the first thing that they kept saying in the news broadcasts? "We are making every attempt at Identifying this person, we are investigating some leads but need more time". The statement they will propose to the populace then will be: "This could have been prevented if monitoring systems were in place to notify the authorities of Suspicious Behavior. This situation could have been avoided entirely." Then those families wouldn't be suffering, those kids would still be alive, ect.

Once the chips are in place, the jews would have finally gotten what they have always wanted, Gentile Slaves! Because if all money, medical access, food access, housing ability, transportation, commerce and communications are chip based, without having a chip you would be cold, on the street, or out in the woods somewhere, scrounging for what food you can find, homeless and desperate.

Only if the people Let this happen will it actually occur. NEVER CONFORM. That's the Aryan Gentile Way!

HAIL SATAN!!

They are only delaying there death - they know they have lost, they know it is Satan who will rule and they will be nothing.

Guliani was the mayor of New York when 911. He went along with the official story coverup and never demanded an investigation. This would be the first concern as the mayor to want no stone unturned and to follow up on all leads especially the dancing jews, the Mossad moving company, Silverstein saying pull it and profiting from his doubled insurance claim, Amdoc and Converse, the 60 Israeli spies and everything that the vidoe missing links brought to light. So Guiliani had to have been in on it.

Now we have Bloomberg a jewish mayor who is a staunch gun control advocate jumping on the school shooting that just so happened in Lieberman's home state Connecticut. Lieberman was just made to resign. There is definitely a link hers since Lieberman was also a big gun control advocate.

So far the jewsmedia has given many different versions to what happened. First they said that his mother was shot at the school then at her home, first they said he used a glock and then he was said to have used an assault rifle. They also are not following up on the second shooter story they gave. Nobody at the school even knows about a Nancy Lanza she never even worked there. This shows that they are in the process of creating the story that best fits their purpose. It is always the same whether it be Waco, the Oklahoma City bombing where they never even talk any more about the bombs that were reported to have been found inside the Mur building. Because the American public seems only to be able to remember the news that is being fed to them at the

moment and forgets quickly yesterday's news they continue to get away with creating stories. Then nothing gets done about any of the lies that they tell. So many swindles that every day there is a new one and the serious resistance is overwhelmed with so many lies that they also get overwhelmed and scatterminded.

The solution is to get a list of every swindle begin making a list of suspects and compile a data base for the files to be used when the coup attains the leadership role of setting up the Provisional Government that will be needed to sustain order while the councils set up elections that will include people with Nationalist interest and hold the necessary backgrounds in business farming and organizational skills necessary to run the Republic. So lets get started. The time is now.

Yeah, that possibility wouldn't surprise me either hopefully that won't happen though. I could see the american people saying no more assault weapons, for the time being I can't see them saying yes to an rfid chip. After 9/11 there was a big push to get Americans implanted with rfid chips, and people were up in arms about it.

I would expect to see high capacity mags going away for a while, not tomorrow but sometime in 2013. Someone told me before the clinton assault weapons ban he bought a case of the 30 round ak mags that went for around \$10 during the ban they were selling for over \$100. Not to suggest jewing people over, but if it looks like another ban will be in place that could be an easy way to make some money as Maxine already said things will get much worse.

It's interesting that the shooting at the primary school every one's talking about happened not long after Illinois started taking steps to legalize concealed carry, which would make it legal in every US state.

Hopefully the shooting won't effect ccw, I'm still hesitant to get a ccw. You have to register the weapon, and police know by doing a liscense plate check if you have a ccw, newspapers sometimes print the names of the people in a city that have a ccw permit. Then after defending yourself in person should it happen you have to defend yourself in court where your automatically guilty and the person you defended yourself against is automatically innocent. However ccw is a step in the right direction.

I stumbled across this article that states there's a prisoner in Israel that is kept in total isolation.

see the article here

<http://www.telegraph.co.uk/news/worldnews/middleeast/israel/7844607/Israel-gripped-by-identity-of-Prisoner-X.html>

I know it's an old article, but I'm very curious.

Do we have any clue who the Prisoner X is?! Is he someone important?!

Not knowing his identity, makes my imagination grow wild...

Could he be a VIP SS?

Could he be a SS that has achieved the Magnum Opus?!

(this could be a good storyline for a book!)

Rather than force gun control on the American people make the American people want gun control. Don't be surprised if a new assault weapons ban is put in place in time for when Americans may need to defend themselves.

Yes, Kvnfidler,

Yes, the shooter, and his mother, they both appear jewish to me.

There were a number of jewish children killed.....and they had a "special rabbi" there, "preying" for the families.

YEA!!!! Fuckin kikes got shot up.

But with the school shooting, which was very sad and a tragedy, the jews now are playing on the hearts and minds of Gentiles (because we have a heart and do care about life), and are using that to, as you stated, to provoke the people to Demand new laws for themselves. Because now people are being made to believe that there is a crazed gunman in every bush and around every corner wearing military fatigues and body armor, armed to the teeth with semi-automatic weapons, just waiting for an innocent good ole' American family to feel safe and then *BANG!*. People are scared of a phantom American terrorist. As such these People will gladly give up their rights and freedoms, handing them over to the Government. In place of Freedoms which our Founding Fathers saw as Unalienable Rights, such as gun ownership, you then have government control (big brother) and kike dominion over All Gentile Freedoms.

I believe this is laying the ground work for another kind of legislation, those RFID tracking chips. Because: "We just want to protect the American population from those who wish to destroy you. This is in the interest of Public Safety. We need to know the where-a-bouts of Every individual so we can prevent these tragedies from occurring again." Along with that will come the domestic profiling of everyone from your shopping habits to medical records to internet usage to communications. They will need to profile everything so that "We can be sure America is safe". Certain habits or activities will put you under close supervision. For instance someone who was treated for depression

years ago, who has changed addresses in the past 2 years, who buys alcohol on occasion, who lives close to a school would not be eligible for gun ownership and would be tracked relentlessly, because "This person might become a threat in the future".

What was the first thing that they kept saying in the news broadcasts? "We are making every attempt at Identifying this person, we are investigating some leads but need more time". The statement they will propose to the populace then will be: "This could have been prevented if monitoring systems were in place to notify the authorities of Suspicious Behavior. This situation could have been avoided entirely." Then those families wouldn't be suffering, those kids would still be alive, ect.

Once the chips are in place, the jews would have finally gotten what they have always wanted, Gentile Slaves! Because if all money, medical access, food access, housing ability, transportation, commerce and communications are chip based, without having a chip you would be cold, on the street, or out in the woods somewhere, scrounging for what food you can find, homeless and desperate.

Egyptians:

"References to some of the earliest epochs in Egypt and the arrival of Atlantean colonists can be found of the country's remaining papyrus scrolls. The papyrus of Turin, for example, alludes to priest-kings ruling Egypt. The country was ruled by the "Shemsu Hor." The original race that built and was the lived in the land today known as Egypt called themselves the Shemsu Hor or Heru. They described themselves as blue eyed sons of the blue eyed, blonde haired God Heru. Heru in the ancient language translates as "He of the Ari" and Shemsu as "Serpent(s)."

Hungarians-[Magyars] are a Finnish tribe originated from Urals. They have nothing to do with Huns or Avars who were Turks from central Asia...Many today are descended from Germanic tribes.

Greeks[hellenic]-many individuals in the elites of ancient Greece, had blond or red hair. For instance, Alcibiades, Alexander the Great, Critias, Demetrius of Phalerum, King Lysimachus, Ptolemy II Philadelphus and King Pyrrhus, were all fair-haired individuals. Dionysius I, the ruler of Syracuse, had blond hair and freckles, whilst the Athenian playwright Euripides, also had a fair and freckled complexion.

"Being mixed with middle eastern"--.Being middle eastern is an ethnicity rather than a race.They are some middle easterners who are actually black,they are some who are a mixture of races and then they are those who are white.

Exactly, although if they try and push the American people to far on gun control it will ignite a 2nd American revolution. Take a look at some of the online gun sites like centerfiresystems, aimsurplus, j@g gun sales, most of them are sold out of ak's and ar's. When obama became president this is also what happened, assault type rifles were sold out and on back order for quite sometime. For all the sophistication the US government has with advanced weaponry, and computers taking on a well armed populace at home might not go over very well, especially since not all American troops and officers would be willing to go against the populace or disarm it.

The christian blood drinking cannibal cult has already outlived its long history of giving every generation the expectation of being in their last days and the End of the World. Many people do not finish school, have children and plan for a future. Then there is the idea that this gawd of the jews needs you to give the scammers 10% of your income. Named Saul took this poisonous recipe from a suicidal cult of jews that the jews used to take Rome down. How does anyone fall for this load of shit. Even if he did exist would be a bastard born from a married jewis fucked by a Holy ghost who caused hundreds of infants to get murdered because they were looking for him. It all started with voices in his head that told him to dissect and BBQ his own son and ends with a pervert that tells guys to marry him, eat his body and drink his blood and the good news that and kill everybody.

Then after defending yourself in person should it happen you have to defend yourself where you are automatically guilty and the person you defended yourself against is automatically innocent. All these terrorist strikes, public shootings, it only needs 2 minutes of thinking to realize the government causes this to increase the control the law has in America. Governments are just fucked up, in their core. Death to the jew. Things will turn out fine for America and for the fellow Gentiles in there. I remember a quotation, as about if you take the weapons from the populace, none has the power to make a revolution come True.

Since the vast majority doesn't even have their brains as a weapon, you take the guns and you're all set for a jewish dictatorship that none can say no to. What are they going to use to defend themselves? A fucking hatchet? Having no guns will only take the RIGHT to defend yourselves away. I am getting red from anger, if any fool supports that guns should be banned because of two staged instances, he's only worth of fucking torture and death. In Greece guns are banned, but in America with the high crime rate that the jew constructed, one definitely needs to have one. Knowing a bit on American people, I doubt anybody would want to get disarmed and imagine if they try that shit on a ghetto, or in old veterans who still own guns, or just people who really need them. You will just have an internal American war. None will obey to these anyways.

Subject: A Gift for Satan, for His day. *Important.

December 23rd is approaching. This is Father Satan's day. I would say, as we would give presents to those whom we love, we can all give something massively back to Satan. He has been taking care of us since step one and we wouldn't even exist wasn't it for Him. Its only a show of a Good heart and Good Will to give something back, even if in our eyes it may seem minor.

We need to let Satan be loved. For centuries all things said about Him were only blasphemies, in their greatest form. For many centuries, all He received was attacks and yet, He was still persistant in reaching us. There were sacrifices of Animals and Children that were wrongly done on His name. He has seen and witnessed things completely against Him. Satan stood proud aside with all the Gods of Hell, step by step, patiently worked to free us. His Age is now upon us, the Truth about Him is getting out. He not a monster, He never had bad Will for Humanity. He loved us from the beggining. He has helped all His dedicated disciples personally, sent other Gods to Help us, assisted us even in the most trivial problems. He never let us down, and this is True. He showed us we have power and that we are not carpets waiting to be stepped upon.

This is not being done other than to show Satan our deep appriciation for Him, on His own personal day.

So I call anyone, anyone who feels Satan's emotions for us, anyone who has the Will to be called a child of Satan, lets all go back to our Father with an offering, an offering of our love that will show Him that He is loved and appriciated, that we patiently expect Him and all He Wills. Lets all send some energy to Satan in December 23th, a little ball of light with some Runic energy, aside from the Rituals and Prayers, keys and everything we will be doing in devotion towards Him. Lets empower our Father even more, by how much we can. It matters not how much, it matters if you will do it or not. You can do this of course, during your ritual

So here's how to do it.

Extract some bioelectrcity from your Aura, or your Solar plexus chakra, or from where you feel comfortable, condense it in a ball in your hand. Make it as bright as the Sun, cleanse it. Vibrate the Rune Sowilo, for how many times you feel comfortable. From 16, to 32, to 80. How many you will. Then if you're advanced, impregnate that ball with each of the 4 elements and the Akasha. Programm the ball to eternally empower Satan's energy, in everyway Satan desires. The affirmation can be like this [to be said while you intently focus on the Ball of Light]:

"This ball of energy is permanently empowering Satan, according to His own desire and Will".

Remember Satan and the Gods have been fighting for centuries upon centuries with the enemy, using so much of their own energy, so many ups so many downs, so much pressure. It would only be a polite move to give something back to Satan, not only to help, but as to show we appreciate HIM. Tell Father you love Him that day. He has very deep emotions. Lets all go back to our Father and have a share of His love, because He is everything, everything there is.

I will do this, I have to, I must, after all that I have seen. Without Father in my life, and Anubis, I'd be dead, because I would have taken my own life. Not to mention I got off of anti-depressants thanks to Satan and his demons as well, and got over a lot of issues, and changed my self to be less gullible towards other people, believing stuff they would say to me just on their words, which always got me in to trouble.

I hate it when people say he is a monster, he's not a fucking monster. A monster is something that kills people without cause, Father has killed no one, Father has helped us all, and he created humanity it's self. I'm proud to call Satan my Father, and humanities Father. The True monsters are the ones who blasphemy his name, the True monsters are the Jew, the Reptillians, and the Greys, and the Enemy Nordics, and lets not forget the damned angels, who a lot of people have glorified over the years....

Satan is a strong, and loving Father, he stuck with us even though we had been brainwashed, and we turned on him. He watched all of us suffer, and he never gave up. Father is courageous. He is honorable, he is loving, he is noble, he is ethical, he is a True hero.

He knows what is right, and what is wrong. I've read the bible, all I saw in there was a damned Tyrant, which everyone seems to just love. Yet on the other hand, Father is a great and loving god, he defines what True love is, and how it can stand through the test of anything.

If you ever fall in to doubt, just remember, Father has never been a tyrant, and he has been with us through all of the horrors we have ever experienced. And all of the good times we have ever experienced as well.

So I call anyone, anyone who feels Satan's emotions for us, anyone who has the Will to be called a child of Satan, lets all go back to our Father with an offering, an offering of our love that will show Him that He is loved and appreciated, that we patiently expect Him and all He Wills. Lets all send some energy to Satan in December 23th, a little ball of light with some Runic energy, aside from the Rituals and Prayers, keys and everything we will be doing in devotion towards Him. Lets empower our Father even more, by how much we can. It matters not how much, it matters if you will do it or not. You can do this of course, during your ritual

So here's how to do it.

Extract some bioelectricity from your Aura, or your Solar plexus chakra, or from where you feel comfortable, condense it in a ball in your hand. Make it as bright as the Sun, cleanse it. Vibrate the Rune Sowilo, for how many times you feel comfortable. From 16, to 32, to 80. How many you will. Then if you're advanced, impregnate that ball with each of the 4 elements and the Akasha. Program the ball to eternally empower Satan's energy, in everyway Satan desires. The affirmation can be like this [to be said while you intently focus on the Ball of Light]:

"This ball of energy is permanently empowering Satan, according to His own desire and Will".

Remember Satan and the Gods have been fighting for centuries upon centuries with the enemy, using so much of their own energy, so many ups so many downs, so much pressure. It would only be a polite move to give something back to Satan, not only to help, but as to show we appreciate HIM. Tell Father you love Him that day. He has very deep emotions. Lets all go back to our Father and have a share of His love, because He is everything, everything there is.

He has seen and witnessed things completely against Him. Satan stood proud aside with all the Gods of Hell, step by step, patiently worked to free us. His Age is now upon us, the Truth about Him is getting out. He not a monster, He never had bad Will for Humanity. He loved us from the beggining. I don't have the time to watch and read all of the links here, but I do want to comment on this. This is nothing new and blatantly exposes the jews and how they use instituting gun control.

The USA is the only country they have not been forcibly expelled from in history and USA is Israel's bitch; always supporting israel, providing troops to be slaughtered

Their use of occult powers has its roots in their gematria. The 911 was another one...very blatant. A co-worker showed me how a \$20.00 bill could be folded a certain way. All of a sudden, after the 911 incident, the older version of the \$20.00 bills where you could fold it that way, was taken out of circulation. They fed the public the new currency used and circulated in the USA.

Others include presidential assassinations. I did some research on this a few years back. Note about Lincoln and the names, dates, and the numbers and how they add up to 11 letters; just do your own research on this.

Then...we have the fucking bible. Nothing but a certain number of books, numbers of verses and so forth. It is a jewish book of witchcraft. In the meantime, they have used their psychic power and control.

They are over-confident and yes, they definitely plan things, as they know the power of their workings and this is another reason for their vast and mind-blowing magic and also with that foul jewsus messiah of theirs. This creates the necessary mass mind belief and connection so that their messiah manifests and then as our Anti-christ

All of our Pagan priests and spiritual people were mass murdered with the inquisition and other attacks. The biggest fear for the kikes is Satan. This is why they have been so confident. They must be fought on every level, spiritually, online and most important, through educating our people as to what christianity really is and that National Socialism is the only way to survive.
http://spiritualwarfare666.webs.com/Third_Reich.htm

Belief and acceptance of christianity creates a very important opening on the soul for the enemy; the jews can then manipulate the christian like a zombie, even though he/she is a good person; many murders of NS leaders were committed from inside members, [the kikes make Gentiles do their dirty work for them and pay for it all of the way], they can infiltrate and destroy Nazism from the inside, as with the trojan. As I mentioned before, IMO, the epic of the Trojan War is an allegory and statement on the jews, as their agenda is to destroy the world with their lethal SHIT. It is intermingled in nearly everything. This is how they always have an inside connection so their magickal workings succeed.

Wake our people up! FIGHT THIS SCUM! WHEN ENOUGH OF GENTILES KNOW AND ARE AWARE, THE JEWS WILL FAIL! THEIR TECHNIQUES ONLY WORK ON THOSE WHO ARE ASLEEP!

Subject: Satan's Day, Satan's Age.

We are all now in Satan's Age, the Aquarian Age. I do not know if anyone else felt this, but I feel a difference in the whole atmosphere of the world, an air of rapid change. The Age of Satan is upon us.

As we all saw, our Family here did a lot of impact. Many people did their 40 day workings, attacked the enemy through mass rituals and the epitome of saying 'Fuck you, you are no more' to the enemy, was giving energy to our Father Satan. I can say, as I feel, that Satan is proud of us and very pleased. Our people are advancing and more and more people are coming to our side, with a need to fight. I see Rising hate against jews everyday. We all see how much Hitler and the NS, ethnicism and all Satanic things are being talked on about. There is rapid flow of information. We keep on fighting and maybe our children, will only know what xianity was from History books. Hatred against the jews is Rising worldwide. We are in the verge of seeing the most epic age of all: The Age of the Fall of Satan's enemies.

Say in your heart, if you love Satan, if you're really willing to fight for Him and even die, say Truthfully that you will fucking do anything in your Power to change the fucking rotten enemy controlled world.

So I call anyone, anyone of you, no matter how new or how advanced, how strong or how 'weak' [Weak is only an irony, none of you is weak and any Satanist is Gifted and anything else but weak] to Rise up. Say for the next year, I Will fight for Satan. Say for the next I will fight by my Brothers and Sisters and become the best I can be. Say that outloud, I will do whats in my power to destroy the enemy in anyway I can and if I go back on my word, let Satan put me on the right track on the way He desires. The time has come people of our Father! We are going to create Satan's long intended dream come True! As hands and mouths of Satan, we will slit the enemy's throats, rescue our fellow Gentiles from the Shackles of ignorance and oppression. This is our Fight. Remember you get powerful through your meditation, you empower Hell in turn, the Powers of Hell get more powerful, you get more powerful in return. We will all be rewarded and you must always remember: Hell gains more influence and Power, you become more powerful, better and happy. We Rise and Fall together here.

So here is what you can be doing for the next year, everyday, so in a matter of years you can see the enemy gone. What you do is your choice.

1. Spread 10 paper tracts a day, to wherever you go.
2. Raise energy after the end of any meditation session and send it to empower Satan.
3. Chant 1 enochian key of your choice, if you want destruction then the ones cursing the jewhova.
4. Raise daily, as you would your meditations, energy for 5 minutes against the enemy. With the Runes or how you see fit.
5. Make a website and talk the Truth on Satan, the Truth.
6. Spread the Truth on the internet.
7. Do a working to wake up our Fellow Gentile people to their roots, Our Nazi heritage.
8. Spend some time aweakening and helping our fellow brothers in the Groups, or taking over and destroying enemy groups.
9. Do a weekly or twice a month ritual against the jews, aim for the jews on your destruction and not the brances they created.
10. Compose some music or poetry and make it public, write a book about Satan's greatness and about your positive experiences with Him.

Lets make our Father Proud, anyone in our own Power.

HAIL TO OUR ARMY!

HAIL OUR GOD AND FATHER SATAN!!!!

You should do your homework about the hungarians. The finnish theory about us is a pathetic jewish lie, the theory bleeds from thousand wounds.
Even the japenese dna is closer realted to hungarian, than finnish.

Also hungarian pagan culture has amazing amount of similarities with the Sumerian.(+the language) Astaroth's (Isthar) sacred animal is the lion. We have a
city called Esztergom wich used to be Istergami. Guess what is the city's symbol? The lion. Weird coincidence huh? In the 9-10th century every hungarian had
to be able to trace back his ancestors up to 10 generations (or else he would be considered a nobody). Árpád could become the leader because he was a
descendent of Attila. Also hungarians with pure blood look nothing alike germans, or finnish people, we are turanian!

You say 'turanian.'--well, The Turanians are a family of ethno-linguistically related peoples which include the Uralic group (Finnic and West Siberian peoples), and the Altaic group (Turkic, Mongolian, Tungus-Manchu, Korean and Japanese peoples). The Turanians are the indigenous inhabitants of vast territories in Eurasia, from Central Europe to the Pacific Ocean, and have a rich and ancient cultural heritage."
You sure cover alot of peoples with claim to Turanian...?
The Hungarians have a saying that their history was written by their enemies.
Although you have stated the Sumerian Ural-Altaic Magyar Relationship quite well.

..>Hail Satan!! Perhaps you may explain to me why then green eyes are most often found in people of Celtic, Germanic, and Slavic descent. Hungarians have the highest percentage of green eyes of any population, close to 20%. ?

Also, as per your asian theory,- According to a genetic study published in 2000 in the American academic journal Science, the ancestors of Hungarians appeared in Europe around 40,000 years ago and genetically, the most closely related ethnic groups are Poles, Croats, Ukrainians.

Although in the past it was thought a common origin existed among the Magyars, the Huns, the Mongols, and the Turks, modern research has disproved this claim. The only similarity between the Magyars and the peoples named above was their mode of life when they first appeared in Europe in the 9th cent. The Magyar or Hungarian language belongs to the Finno-Ugric family. A nomadic nation, the Magyars migrated (c.460) from the Urals to the Northern Caucasus region. They remained there for about 400 years; during a portion of that time they were allied with the Khazars.[contact with turkic ppl]

Subject: Materialism

Materialism

The big conflict is the thinking around materialism either its all that there is or an immoral distraction.

The enemy programs that pretend to be religion tell us materialism must be overcome and having less is better. Be not like the rich man and such. This is simply done to ingrain a poverty consciousness in the psyche of the mass. Which softens them up to be exploited and not protest or revolt in a society in which they have next to nothing and live like abused animals. When their masters live in palaces of marble and dine off plates of gold. The unconscious programming sets this up.

This also lays the foundation for convincing them that spirit is separate from the material. The material world is evil and so is the flesh, that must be overcome. So upon physical death one can achieve salvation in the pie in the sky. In return for absolute obedience to the power system thats whole authority rests upon the ruling ideology paraded as religion. The ultimate carrot and stick.

This allows them to remove true spiritual knowledge by destruction of the cultural centers and leaders and then implementing their program which is always a counterfeit and corruption of the authentic culture they wish to attack and remove. This is built upon changing the meaning behind the original symbolism into

a literal meaning built upon the psychological template of control they wish to install.

They know the effect this has upon the conscious of the victims. As time goes by living in this society people will exist on the lower octave of consciousness. Such beings are easy to control and lock into the two legged factory farm the enemy wants to create. This is done by shifting the dynamics of this template as time moves forward into new surface modalities. But unconsciously the same template animates it.

As a result materialistic ideologies will arise, atheism will become the norm and naturally the next step is materialism becomes its own ideology. The spirit is nonsense the physical is all that exists. This is the stepping point to Communism. Where all traces of the past are gone. Man is just a literal Goy. An animal of burden without a soul. The Communist [or whatever they are calling it today] state becomes God. And the Jews control this state at the top. Just look at N.Korea for an example of this impulse for religion being shifted into upholding the atheist slave state. The world devoured by Yahweh.

More on this:

<http://groups.yahoo.com/group/JoSNewsletter/message/170>

So let us leave behind the terms of thinking of a spiritually hollow and psychologically confused society.

The reality behind all creation is everything is made up of light and sound. That manifest at different octaves. All matter is spiritual energy that vibrates on different frequencies of sound and light. There is no separation of spirit and matter. Only waves of sound and light that form into different consciousnesses. At different levels.

The problem is our society due to the effects of the enemy has lost truth and puts the cart before the horse in life. They work and work in a slave society for a crumb off the Jew table. But they live deluded to the truth they are made of spiritual light and this light must be nourished and tended to daily just as eating which the body uses to obtain the same on a lower octave.

When this is done we start to move up the metaphysical ladder to higher octaves and sub-octaves of our own personal Logos, thus light/consciousness. With this we can build a better world and more abundant life for ourselves. And be around to really enjoy it. We can all manifest the highest quality life.

At this point this intrinsic impulse towards higher meta-development is being sublimated into the hamster wheel society to slave and slave in a Jewtrix system. Along with the condition of man's psyche already being subject to numerous pathological [karmic] suffering states due to its lower octave state. This generates the conditions for negative excesses and attitudes that are normal today. And allows the Jews to control the results.

The people the Catholic program dare not ever call by their true name.... The "Shining Ones." Stated that the danger to man's soul is not living in the truth he is a being of light. But losing this and sinking to the lowest octave of consciousness where all negative influences will torment them and they will perish by the forces of time.

They stated the soul was locked into a lower octave [fallen] and by purification of the soul it ascends to the higher octaves of light transformation till the

Perfection process is finished and the being is made whole. Into Shining Ones.

Which is the meaning of salvation to be healed/made perfected by the Magnum Opus. This is why the Gods of these schools where healing Gods. The Healing they gave was perfection of light and its truth. As they knew the cause of old age, suffering and death was the unperfected state. [They listed aging as a sickness].

The Magnum Opus is changing your tune and getting the lead out.

This is the core meaning of Yoga is Yagya-Austerities. Austerity was the performance of tapas or exercises that generate inner fire that purify the soul and transform it to higher levels of light. Yagya where the fire rituals that such was done with. The outer ritual is a symbol of the inner ritual. This is penance for "sins" sin was another term for the dross that had to be purified out to achieve the perfected octave of light. The ancients mention it as a literal impurity. The Eastern texts state the purpose of Yoga is to purify the body by inner spiritual fire [tapas] to the Kumara state.

Its obvious these terms and concepts have been corrupted by the enemy. Which returns to first part of this article. The enemy changes the concepts behind the terms to destroy them. And damn humanity.

The Cathar people where highly spiritually advanced beings and known for their wealthy society full of art, beauty, true knowledge and honor. They worshipped the light within and without. And our true God Satan. As Lucibel or Lucifer in Latin. Among other titles. They where keepers of the Grail mysteries [The Magnum Opus]:

<http://groups.yahoo.com/group/JoSNewsletter/message/333>

<http://groups.yahoo.com/group/JoSNewsletter/message/331>

<http://groups.yahoo.com/group/JoSNewsletter/message/210>

The Catholic church spent three decades of warfare trying to exterminate these people. Millions where killed and when the fires where out and the blood dried [they fought so well and bravely it took a Papal army of over 300,000 troops decades to take an area smaller than Texas]. They heaped lies upon lie over their graves. Pretending they where just heretical Christians to Rome. This was needed because the Church had to hide the fact there where Pagan regions and cultures still in existence in Europe in the 13th century. And understanding the charges the Cathar's brought against Rome. Exposes the entire truth. That Catholic Rome's ideology is nothing but a Jewish made corrupted, counterfeit of the original religion of the people called "Pagans" today. Lest the church dare to actually name them and exposes themselves once and for all.

The "Cathar's" stated this garbage Jewish counterfeit program from Rome. Would damn humanity by removing the true knowledge of salvation from mankind and enslave them into the lowest state of consciousness. Turning our world into a tomb world. They recognized the Jewish Yahweh as a monster of the most depraved evil. As well as its people the Jews and their Judized Goyim.

Many Cathar's chose to die by burning on the execution dock of Rome rather than renounce truth. They threw themselves into the flames refusing to bow to the evil of Judea. They did not want to be part of Yahweh's tomb world.

Subject: Satan loves you.

This is not the ordinary message coming up here. This is for people who are going through rough patches, in their homes, everywhere. This is not about rules, this is not about order, this is not about criticism or anything. Its a very sensitve point, the point of love. Satan is very loving towards His Children. Do not ignore His love, for it the deepest, most amazing, and able to satisfy into your inner depths. Let yourself free. Meditate on what Satan has done for you. Meditate on our beautiful Father. Sit down for a while and ask yourself, "How luck am I, to be a Child of Satan". Sit down and think, that you will never be alone again, that you will never be without help again. Many people have had problems with their relationships, these come and go, many people experience pain from their family, many people do feel unloved and alone in the world. This is not for those who are without, this is for our own. For a while and just a while, go look yourself at the mirror. Try to see Satan through your own eyes. And in your tears, or when your grow weak, and fail, remember. Satan is there. We all go up together and down together. Do not let yourself feel alone, unloved, weak. Be powerful and know that Satan loves you, as long as you have faith in Him.

Do not let the enemy create doubt of you. Do not forget in your day, to tell Satan just a phrase. Tell Him you love Him. Know He loves all His Gentile Sons and Daughters in a very powerful way. Xians pervert love and make it so hard, so bastardized that people run away from it. Xianity destroyed love and all the meaning in this. Xianity is nothing but like loving a person who destroys you and sucks your lifeforce and Soul out. Satanism is the opposite. Satanic love is empowering, True, you are loved for what you are and for what you can become. If you have no parent, no friend, you feel alone and about to break down, or just you feel chaos, are under attack or whatever. Sit down for a while and ask in yourself, if you are alone. You are never alone. The time you dedicated, you entered Satan's big family. Close your eyes, gather power, and carry on. Work for Satan. The more you work for Him, the closer you will grow to Satan. Do something in your power to benefit Satan. Many times people around us get lost, used by the enemy, get deep into their self drama and leave us down. Tell to yourself, from today, I realize that Father Satan loves me. I realize that every cell in my body praises His name, no matter if its sick, or if something is out of place. Today is the day to love yourself and Satan.

When the dark night flows into your Soul, when life gets hard and you feel left alone, abandoned and in pain, close your eyes and with a loud cry, call in Satan's name. Call in the Power from yourself, and never leave Father Satan's side. We're in this until the end. Tell yourself, I am to be a God! I am the seed of the Gods and I am *becoming a God* on my own! This is my birthright! You can attain anything.

Make our Father Satan proud and relentlessly work for Him. For Satan is the Greatest to ever exist, and we are His own.

HAIL SATAN!!!!!!

Subject: Letter from Chinese Laborer Pleading for Help

Here is another appalling and most sickening account of the atrocious abuses of Gentiles from jewish owned and operated slave labor in China. Most of these corporations are in the USA and in Europe, and make enormous profits off of Gentile slave labor. The Western jews work on collusion with the Chinese and other jews of the Far East to viciously abuse and exploit so-called 'goyim.' I read where some white European jews visited China and upon entering a synagogue, the Chinese jews stated 'You do not look like jews' and the white European jews replied 'You do not look like jews either.' The jew is a race within all other races. This is what gives them their power.

QUOTES FROM THE JEWISH TALMUD:

Nidrasch Talpioth, p. 225-L: "Jehovah created the non-Jew in human form so that the Jew would not have to be served by beasts. The non-Jew is consequently an animal in human form, and condemned to serve the Jew day and night."

Simeon Haddarsen, fol. 56-D: "When the Messiah comes every Jew will have 2,800 slaves."

Seph. Jp., 92, 1: "God has given the Jews power over the possessions and

blood of all nations."

Hilkkoth Akum X1: "Show no mercy to the Goyim."

Choschen Hamm 388, 15: "If it can be proven that someone has given the money of Israelites to the Goyim, a way must be found after prudent consideration to wipe him off the face of the earth."

Letter from Chinese Laborer Pleading for Help Found in Halloween Decorations

By Jessica Ferri

This letter was found in Halloween decorations purchased from Kmart. Julie Keith was unpacking some of last year's Halloween decorations when she stumbled upon an upsetting letter wedged into the packaging.

Tucked in between two novelty headstones that she had purchased at Kmart, she found what appeared to be a letter from the Chinese laborer, who had made the decoration, pleading for help.

Samsung in hot seat over abusing Chinese workers

The letter reads: "Sir, if you occasionally buy this product, please kindly resend this letter to the World Human Right Organization. Thousands people here who are under the persicution of the Chinese Communist Party Government will thank and remember you forever."

"I was so frustrated that this letter had been sitting in storage for over a year, that this person had written this plea for help and nothing had come of it." Julie Keith told Yahoo! Shine. "Then I was shocked. This person had probably risked their life to get this letter in this package."

The letter describes the conditions at the factory: "People who work here have to work 15 hours a day without Saturday, Sunday break and any holidays. Otherwise, they will suffer torturement, beat and rude remark. Nearly no payment (10 yuan/1 month)." That translates to about \$1.61 a month.

The letter was found inside this packaging. Keith, a mom who works at the Goodwill in Portland, Oregon, did some research into the letter. "I looked up this labor camp on the internet. Some horrific images popped up, and there were also testimonials about people who had lived through this camp. It was just awful."

Horrified, Keith took to Facebook. She posted an image of the letter to ask friends for advice. One responded with a contact at Amnesty International. Keith made several attempts to alert them about the letter, but the organization never responded.

With no response from various human rights organizations, Keith took her story to The Oregonian. "The reporter, Rachel Stark, got through to Human Rights Watch, but I had no luck."

This is not the first time a letter like this has turned up. Just this week, another plea was found written in Chinese on a toilet seat and posted on Reddit. Commenters on the website have questioned the letters' authenticity.

Though the letter lists the address of the specific camp, officials at Human Rights Watch were unable to verify the authenticity of the letter. However, Sophie Richardson, China director at Human Rights Watch, told The Oregonian that the description was consistent with their research. "I think it is fair to say the conditions described in the letter certainly conform to what we know about conditions in re-education through labor camps."

The concern over the conditions laborers must endure in China and other countries first came to the public eye in the 1980s with the use of sweatshops to make Nike sneakers. Since then, according to an article recently published in The New York Times, Nike "has convened public meetings of labor, human rights, environmental and business leaders to discuss how to improve overseas factories."

Tech companies, like Apple and Hewlett Packard, are being made to be accountable for their labor practices. After receiving a great deal of criticism, Apple is now making public statements that they are aware of the harsh conditions in China and are taking steps to improve them.

As for Julie Keith, she had a general idea about the conditions in Chinese labor camps, but this letter has been a dramatic eye-opener into the stark reality of the issue. "I was aware of labor camps. I knew they had factories but I had no idea of the gravity of the situation. I didn't realize how bad it could be for people."

Finding the letter has made Keith more aware of the origin of many products sold in the United States. "As I was doing my Christmas shopping this year, I checked every label. It's virtually impossible to avoid purchasing things made in China as over 90 percent of our goods are made there. But if I saw 'made in China,' this year I asked myself, 'do I really need this?'"

<http://shine.yahoo.com/work-money/letter-chinese-laborer-pleading-help-found-halloween-decorations-202400773.html>

In addition to the above, the jews also make a tremendous profit from selling the organs and body parts of political prisoners in China who have been tortured to death by the jewish communist system there. The jew never misses anything when it comes to making a profit.

Also, the doors in these factories are bolted shut. Some weeks back, in Bangladesh, many workers burned to death.

'112 people were killed in a textile factory fire in Bangladesh. The Nov. 24 incident was apparently sparked by an electrical short circuit that eventually sent flames racing through the nine-story building where products sold by the American discounter Wal-Mart, Dutch fashion chain C&A, and Hong Kong clothing distributor Li & Fung were made. The event was made all the more horrific because workers were trapped in the inferno as stairwells were blocked by rubbish and other materials -- and there were no emergency exits.

The Bangladesh fire touched a nerve around the world, but such incidents are more routine than is commonly known. Although major retailers such as Wal-

Mart Stores Inc. (NYSE:WMT) and apparel makers such as Nike Inc. (NYSE:NKE) have increasingly taken pains to make sure that the factories of their direct suppliers meet at least minimal safety standards, these suppliers often subcontract to second- and third-tier manufacturers whose practices are not closely overseen or regulated by the multinationals. In fact, the large companies that these lower-rung outfits ultimately supply frequently don't even know them.

As a result, accidents and fires at these relatively unpoliced plants are endemic. For example, a garment-factory fire this month in the southern Chinese city of Shantou claimed 14 lives, although government officials claimed that a worker disgruntled over wages started the fire. In October, the Chinese State Administration of Work Safety reported that 45,409 workers died in more than 210,000 workplace accidents in all types of factories during the first nine months of this year. In September, as many as 262 garment workers perished in a textile-factory blaze whose cause was listed as an electrical short circuit in Karachi, Pakistan. And, in June, another nine garment workers were injured in a fire in Lahore, Pakistan.

Even when calamity spares textile workers, the conditions they toil under can be equally desperate: In many cases, apparel makers in developing countries offer wages of \$100 per month at the high end, although that tiny amount is often reduced by factory owners who underpay without explanation or by claiming that the employee did not put in the hours that he or she actually worked. For this kind of pay, people of all ages -- mostly women -- may be asked to work in sweatshops that are distinguished by flammable material from floor to ceiling, locked doors, no fire extinguishers, and physically abusive bosses.'

*****NOTE: 'although that tiny amount is often reduced by factory owners who underpay without explanation or by claiming that the employee did not put in the hours that he or she actually worked.' *****

*Many of us know just how all too common this jewish cheating of hard working employees is in the USA.

Through the programs of xianity and islam, Gentile energies go into feeding the jewish agenda psychically and also through indoctrination, in the material world.

Gentiles fight jewish wars for them. Gentiles are slaughtered and killed so the jews can thrive, whilke the jews sit back and watch with glee.

Gentiles pay trillions upon trillions of dollars in free grant money to israel, reparations for that phony 'holoco\$t, kosher taxes and much more.

While most of us have to budget, make concessions and sacrifices regarding what we can and cannot have, go without and some even work 2-3 jobs just to make ends meet, the jew lives in opulence and profits tremendously. You work, save, scrimp and deny yourselves so the jew can live exceptionally well and thrive.

As it reads in the bible regarding the jews:
'Thou Shalt Prosper'

The video below [which I highly recommend everyone sees] is nothing new and blatantly exposes the jews and how they use occult power, the power of suggestion and the subliminal to make the subconscious connection to manifest their workings in reality. The shootings were for the purpose of instituting gun control.

<http://www.youtube.com/watch?v=c8nTZKpmtIQ>

The USA is the only country they have not been forcibly expelled from in history and USA is Israel's bitch; always supporting israel, providing troops to be slaughtered and is a host nation, which they are now at their death grip to work to turn USA to communism here. To accomplish their agenda, they have to enact gun control.

Their use of occult powers has its roots in their gematria. The 911 was another one...very blatant. A co-worker, some years ago, showed me how a \$20.00 bill could be folded a certain way so that on the rear of it, the twin towers going up in smoke would appear. Look on the internet for this, I don't have the time to search out the websites that have this. All of a sudden, after the 911 incident, the older version of the \$20.00 bills where you could fold it that way, was taken out of circulation. They fed the public the bullshit story that 'they were too easy to counterfeit.' Well, they disappeared real fast, as too many people knew the deal on how to fold them. The 20 is the most common currency used and circulated in the USA.

Others include presidential assassinations. I did some research on this a few years back. Note about Lincoln and the names, dates, and the numbers and how they all come together in a very creepy way, indicating the use of their version of witchcraft. 911 is another blatant one- the date, the flights, the numbers, such as 'New York City' 11 letters; just do your own research on this.

Then...we have the fucking bible. Nothing but a certain number of books, numbers of verses and so forth. It is a jewish book of witchcraft. In the meantime, they have disarmed Gentiles regarding witchcraft and spiritual knowledge. People who believe in that biblical crap and worse, those who slavishly worship that jew filth are under their psychic power and control.

They are over-confident and yes, they definitely plan things, as they know the power of their workings and this is another reason for their vast and mind-blowing material wealth. With certain types of magick, a connection has to be made, for it to work, and to get it going. Xian psychic energy provides the means for them to feed off of and also with that foul jewsus messiah of theirs. This creates the necessary mass mind belief and connection so that their messiah manifests and then as our Anti-christ stated 'will be the funeral wreath of humanity.'

All of our Pagan priests and spiritual people were mass murdered with the inquisition and other attacks. The biggest fear for the kikes is Satan.

Belief and acceptance of xianity creates a very important opening on the soul for the enemy; the jews can then manipulate the xian like a zombie, even though he/she is not consciously aware of it. As I mentioned before, IMO, the epic of the Trojan War is an allegory and statement on the jews, as their age-old technique of destroying Gentiles has always been from the inside, where they not only physically infiltrate, but also their bible, their media, their doctrines and other lethal SHIT. It is intermingled in nearly everything. This is how they always have an inside connection so their magickal workings succeed.

Yule And Santa

The 25th was the Pagan solstice was also celebrated for days and days. It was the birth of the SUN as it was the point where the sun stopped moving for any degree point in the south for three days. Would start to move one degree back on its journey to the highest point in the North. Hence its birth on the 25.

The Yule tree is a Pagan symbol to the point its openly forbidden in the Xian bible. That is why when it was reintroduced back into European culture in Germany in t it caused such an uproar of protest from xians as a PAGAN thing for decades and still does to this day.

Its a symbol of the World Tree the human soul with the trunk being the spine and the branches the nadis of the soul. The lights on it and star at the top represent t and perfected soul. The star the symbol of the risen power.etc The World Tree is the symbol at the heart of all Satanic/Pagan culture along with the Serpent.etc

Santa Claus comes from Odin the church tried to Jew-wash this with Xian bullshit. Originally Wodan would ride His Horse Sleipnir throught the sky and come down t Yuletide eve. With presents to be put in stocking of good children. Who would leave boots full of hay for Odin's horse Sleipnir. And yes they would have the Yuletide homes as well.

As I wrote Odin is Satan:

"The Yule holidays for Satanists are times of indulgence and taking pleasure in the physical and material aspects of life. Actually, xmas trees and wreaths are Pagan there is no reason not to celebrate this holiday with our families. Gift giving, baking, decorating. This is what the TRUE Yule season is about, not that filthy worthless

"Baal-Bereth is the Father of the Yule season and the Yule (xmas) Tree. "The Christmas tree, now so common among us, was equally common in Pagan Rome and P Egypt that tree was the palm-tree; in Rome it was the fir; the palm-tree denoting the Pagan Messiah, as Baal-Tamar, the fir referring to him as Baal-Berith." Yuletide is also one of the main celebrations of the year for an SS man as can be read about in "The SS Family".

Hatha Yoga, Tantra And Diet

This is from a thread on the subject from another JoS egroup:

Hatha Yoga is Tantra Yoga. First we have the Vedic Period, then Puranic Period then the Tantra Period. Which means the original spiritual knowledge of the Vedic Arya. Was transmitted down to Tantra this would have been the knowledge of the Naga's, Brahmin's.etc

In the Shatapatha Brahmana it states: "The Veda[True Knowledge] is in fact the wisdom of the serpent."

Tantra in english [remember there are words in sanskrit with no english word translation] means this:

"Knowledge which spreads, saves."

Which means this is the knowledge to make oneself whole ie Perfected. Its the Great Work.

Hatha Yoga is the name this system took in the Tantric Period in the Puranic and perhaps Vedic period it took another name. Hatha means Union of Sun and Moon basically. And is built upon the 8 fold system you can find on the Advanced Satanism page. If one reads the Hatha Yogic Pradipika you will find this science is to raise the Serpent. And if one reads the Rasarnava Tantra which is on Hatha Yoga. One will find the same the goal of Hatha Yoga is to ascend the Serpent by employing the 8 fold principal and become the Liberated being/ Siddha/Gnosis.etc

The purpose of the postures both seated and moving is to open the channels within the body and circulate prana through them and create a greater level of conductivity and the transformation it brings. Along with the other 7 points of the 8 limbed path. This in time helps awaken and ascend the Kundalini to the crown.

What happened was during the Raj period of India when the Rothschild Empire got in there. British gymnasiums were built all over the place and the British imperial system was socially implanted as part of this. So there was a blending of the British gymnastic system and mystic thought of the Indian culture. That started to use these to discipline the body to still the mind. As in the rhp world that is the sole point of meditation nothing more. Its no mistake Theravada Buddhism which is the original current of this program [Mahayana which is its own subject and the rhp attempt to corrupt the original schools that could not get swept under the rug] is based only on one main point of Dyana or chan as it went East and became known as zen from there. These systems also corrupted the 8 fold path to conform to this.

For some reason this became labelled as Hatha Yoga. Which its not. Hatha Yoga was only practiced by a small groups of Tantric's in remote locations. And handed down from teacher to pupil in secret as by this point their was major persecution by the social authority for such practioners. The Tantric's where literally consider on level as Satanists are by the Christian authority. So this was for their own safety. India changed massive in several periods the last one being after the Islamic invasions. That created the situation for this attitude of repression and negativity. When the Brahmin class became a closed caste system [as a result of the islamic invasions] they wished to keep this knowledge only for themselves and lord it over others it seems. And used it to maintain themselves. But they themselves by this point where also the result of enemy principals having been injected into their culture via Buddhism centuries before and other ideals that are anti-Vedic that laided the ground work for what is called Hinduism today. So this is a long process of downward going to get to the point practitioners outside the Brahmin class [and rhp system they laided down for the masses] are consider heretics.

So when Indians stated showing up in the Western world they brought the bizzare mystic-gymnastic system which is the child of the Raj period. And taught it as "Hatha Yoga" and another major teaching system in America calls itself Ashtanga Yoga. Is not that as Ashtanga means "eight limbed." And its not based on the proper eight limbed path, not even near it. They also imported the rhp systems and in some cases outright Theosophical doctrines as the Theosophy Society has centers in the East.

As the Eastern commentators stated on the "Six Yoga's of Naropa" all Yoga is based on Kundalini energy. The main 3HO styled systems today called Kundalini Yoga was put together by its creator on this understanding and created this modality to bypass the top heavy baggage the other systems carried.

Today due to the confusion of the enemy its almost a prerequisite to refer to Hatha and Kundalini Yoga as two different things to explain things so people can understand what you're talking about. Which is a unfortunate and necessary, false dichotomy.

On diet and Yoga, the rhp Hinduism preaches veganism and vegetarianism. To the point eating meat is consider a sin worthy of hell [yes the rhp path is basically the same the planet over as the same evil intelligence is behind it.]

Know as science has shown us veganism and vegetarianism is unhealthy for humans due to our biological nature and history which I have gone into detail on before. If we look into the early Eastern texts going back into the Vedic period where they where not vegetarian we find this:

With caraka samhita which has been stated to be the oldest Ayurvedic text it state: Sharirabrinhane Nanyat Khadyam Mamsadwishishyate." Which translates to 'For the promotion and nourishment of the body, no other food item is better than meat.'" Another Ayurvedic text the Bhava Prakash, states 'Sadyohatasya Mamsam Syadbyadhidhatiyathaamritam', which translates to 'the meat of freshly killed animals is like Amirt (the ultimate lifefiving fluid that sustains the Divine)' We have the Bagabhatt (Astanga Samgraha) stating nothing equals meat for promotion of health and substance of the body." The Vedic text Satapatha Brahamana states 'Paramam Annadyam Yan Mamsam', meaning "Meat is the best kind of food."

Meat is listed under the sattvic category. "The life substance."

With navigation of the modern diet climate. Study and use your common sense.

Tantra in english [remember there are words in sanskrit with no english word translation] means this:

"Knowledge which spreads, saves."

Which means this is the knowledge to make oneself whole ie Perfected. Its the Great Work.

Hatha Yoga is the name this system took in the Tantric Period in the Puranic and perhaps Vedic period it took another name. Hatha means Union of Sun and Moon basically. And is built upon the 8 fold system you can find on the Advanced Satanism page. If one reads the Hatha Yogic Pradipika you will find this science is to raise the Serpent. And if one reads the Rasarnava Tantra which is on Hatha Yoga. One will find the same the goal of Hatha Yoga is to ascend the Serpent by employing the 8 fold principal and become the Liberated being/ Siddha/Gnosis.etc

The purpose of the postures both seated and moving is to open the channels within the body and circulate prana through them and create a greater level of conductivity and the transformation it brings. Along with the other 7 points of the 8 limbed path. This in time helps awaken and ascend the Kundalini to the crown.

What happened was during the Raj period of India when the Rothschild Empire got in there. British gymnasiums were built all over the place and the British imperial system was socially implanted as part of this. So there was a blending of the British gymnastic system and mystic thought of the Indian culture. That started to use these to discipline the body to still the mind. As in the rhp world that is the sole point of meditation nothing more. Its no mistake Theravada Buddhism which is the original current of this program [Mahayana which is its own subject and the rhp attempt to corrupt the original schools that could not get swept under the rug] is based only on one main point of Dyana or Chan as it went East and became known as Zen from there. These systems also corrupted the 8 fold path to conform to this.

For some reason this became labelled as Hatha Yoga. Which its not. Hatha Yoga was only practiced by a small groups of Tantric's in remote locations. And handed down from teacher to pupil in secret as by this point their was major persecution by the social authority for such practioners. The Tantric's where literally consider on level as Satanists are by the Christian authority. So this was for their own safety. India changed massive in several periods the last one being after the Islamic invasions. That created the situation for this attitude of repression and negativity. When the Brahmin class became a closed caste system [as a result of the islamic invasions] they wished to keep this knowledge only for themselves and lord it over others it seems. And used it to maintain themselves. But they themselves by this point where also the result of enemy principals having been injected into their culture via Buddhism centuries before and other ideals that are anti-Vedic that laided the ground work for what is called Hinduism today. So this is a long process of downward going to get to the point practitioners outside the Brahmin class [and rhp system they laided down for the masses] are consider heretics.

So when Indians stated showing up in the Western world they brought the bizzare mystic-gymnastic system which is the child of the Raj period. And taught it as "Hatha Yoga" and another major teaching system in America calls itself Ashtanga Yoga. Is not that as Ashtanga means "eight limbed." And its not based on the proper eight limbed path, not even near it. They also imported the rhp systems and in some cases outright Theosophical doctrines as the Theosophy Society has centers in the East.

As the Eastern commentators stated on the "Six Yoga's of Naropa" all Yoga is based on Kundalini energy. The main 3HO styled systems today called Kundalini Yoga was put together by its creator on this understanding and created this modality to bypass the top heavy baggage the other systems carried.

Today due to the confusion of the enemy its almost a prerequisite to refer to Hatha and Kundalini Yoga as two different things to explain things so people can understand what you're talking about. Which is a unfortunate and necessary, false dichotomy.

On diet and Yoga, the rhp Hinduism preaches veganism and vegetarianism. To the point eating meat is consider a sin worthy of hell [yes the rhp path is basically the same the planet over as the same evil intelligence is behind it.]

Know as science has shown us veganism and vegetarianism is unhealthy for humans due to our biological nature and history which I have gone into detail on before. If we look into the early Eastern texts going back into the Vedic period where they where not vegetarian we find this:

With caraka samhita which has been stated to be the oldest Ayurvedic text it state: Sharirabrinhane Nanyat Khadyam Mamsadwishishyate." Which translates to 'For the promotion and nourishment of the body, no other food item is better than meat.'" Another Ayurvedic text the Bhava Prakash, states 'Sadyohatasya Mamsam Syadbyadhidhatiyathaamritam', which translates to 'the meat of freshly killed animals is like Amirt (the ultimate lifefiving fluid that sustains the Divine)' We have the Bagabhatt (Astanga Samgraha) stating nothing equals meat for promotion of health and substance of the body." The Vedic text Satapatha Brahamana states 'Paramam Annadyam Yan Mamsam', meaning "Meat is the best kind of food."

Meat is listed under the sattvic category. "The life substance."

With navigation of the modern diet climate. Study and use your common sense.

Wow thanks for all the posts everyone! I can understand what you went through with your husband dying of cancer Kat, glad your also sober. My father went through 3 rounds of cancer and died of it, that took quite a lot out of me and made me almost emotionless for a while.

Subject: Satanism Hellas, part 1 "Ending the myth of a 'Hellenic Jesus'."			

This is a translation of something that is going to go up to a webpage made specifically against the sect of orthodox xianity, which is what is torturing the Greek country. Around all the lies of the enemy jews, Greeks are confused and are even making disorted lies and theories as about how Greeks are the beloved of the jewish scourge. While reading, bear in mind 2 things. Orthodox xianity is an offspring of an accidental sick sperm of Catholicism and is nothing more than a chameleon morphling of the original sect of xianity. The purpose of this Sermon on the website will be exactly this: Show that jewsus was a racist piece of shit, a jew, and that not only he isn't the 'god' of Greeks, but not any other race, aside than the jew.

Here it is, translated, as because I have been told that posting translations will be valued, as some people

are interested, i.e updates. So here is it (Note the verses are from the greek version bible:::

"And to finish with the christ character.. Even if we take as a fact that this ficticious character ever existed...What is widely known is that christ was born from a jewish mother, therefore is a jew. He didn't speak Greek or Latin, but Judaic and Armaic. Since he was born from a jewish mother, we know that his body characteristics were jewish, like all jews from his time. His first disciples were all jewish. He was being called 'Rabbi', which means teacher. What this christ was studying was the jewish scriptures, what the jews of today call the "Old testament". He never read on Orphic mysteries or ever got to know the Hellenic Tradition or Manuscripts. The only thing he studied was the psalms of the jewish writtings. He even died with a line from the jewish book of psalms, which was 'Eli Eli...(the rest is known) which translates to (My god, my god, why did you forsake me- Psalm 22:1). He celebrated Savout (Celebration of the 50 days) Soukout (Celebration of the tents) and the Pesah ('Easter of the exodus'). If jesus even existed, then he was a very devoted member of the judaic faith. The purpose of this article is to get down to the jewish roots of christianity.

The mention about dogs reffers to Hellenes. This incredible story of the racist jewish bible is even mentioned in about on the testament of Marcus (Ἰῖἰἰἰ (æ´, 25-30) and is about the healing of the daughter of a Hellenic mother, of the race Syrrhophines (Ἰἰἰἰ. æ´, 26). [Now there should be given extra attention, as because only the original manuscript mentions a Hellenic woman. The christian translators that translated the bible in the Neo-Hellenic language have translated "Hellene" to "Pagan", so that the reader will skip this right away, not realizing the racist comment.]

So the story is as following. The woman fell on the knees of christ, asking him to heal her daughter, because jesus was being presented as a healer. But what was the reaction of the jewish christ?

"«Ἐε ἁεἰἰἰἰ ἁἰ ὁç ἁðἰἰἰἰἰἰἰ ἰῖἰἰ ἰβἰἰ ἰῖἰἰ. Ἐἰε ὁῖἰἰ ἰε ἰἰἰἰἰἰ ὁἰἰ ᰄçἰἰἰἰἰἰἰ ἰεἰ ὁἰἰ ἁβðἰἰἰ ἁεἰἰἰ ὁçἰ, ἁεἰἰἰ ὁἰἰῖἰἰἰ ἁðῖ ᰄβἰἰἰ ἰἰἰ. And then his disciples came close to him and said, get her away, because she is shouting from behind us. And he (jizzus) replied: " I am not sent but only for the lost sheeple of israel. Its not right to take the bread away from the children and throw it to dogs."

AND THIS WAS YESHUA, A HATEFULL ENEMY OF THE HELLENIC PEOPLE AND CULTURE, TREATING US AS THE WORST RACIST WOULD EVER DO! WAKE UP PEOPLE! THIS CHARACTER WAS NOTHING MORE THAN A FANATIC RACIST JEW!!!!

"

That was it.

Subject: Re: Eating Meat - Vedic Scripture

Because i love animals, and thats mean. I think of eating a cow, or chicken, the same as cooking up my cat, or dog, or family member or a child and eating them. Its very repulsive to me. Ive wanted to go vegetarian since i was around 8 years old, but vegetarian food is so expensive we couldnt afford it until 3 years ago, we still cant afford it, but i would rather die than eat a cute fluffy animal! :)

Animals are sacred, they are innocent and loyal and loving, just like a child, only they will be a child forever. I feel very strongly and passionatley for nature and animals, i mean, i would risk my life to save an animal! I myself save over 100 animals lives each year im vegetarian.

With animals being sacred in even Satanic culture, im surprissed there arent more vegetarian SS. I mean, why promote the murder of an animal and then eat it? Especially when there are tons of slaughter houses across the country, where there are videos of men who work there slamming infant piglets who havent even opened there eyes, onto the concrete ground, crushing their brains and killing them almost instantly, i have seen them kick chickens, stomp on them while they are still alive, with all these animals in cages so tightly packed that the animals cannot move. And a lot of these people LAUGH while they do it. They have the choice to use drug injections so they do not feel pain, but many of them enjoy the torture. And even cats and dogs, for animal experiments instead of killing them nicely, and painless there has been proof of people

like sticking some taser like thing in their vaginas, and anuses shocking them to death.

Animal cruelty is not tolerated, and not in any form for me. Including the eating of meat and most animal bi-products. And let me tell you im 5'9" 18 year old girl, thats got more muscle than most meat eating women, and i can pack a punch! Lol.

Yes, but i many times eat beans, healthy foods, and i eat Morningstar Farms brand vegetarian fake meat, its made with soy and other vegetables and things that taste quite similar to real meat (even my bf eats it, though he's not a veg), and most of their food has the same protein amounts, and other nutritional values as real meat. It may be a little less, but this brand makes their stuff very tasty, and healthy, that you can get virtually the same nutrition as eating real meat, only without the tears. :) also i take vitamins and such, so im basically getting the same as a meat eater, with half the fat and calories.

Plus, knowing me i am very silly, playful, but when i dedicate myself to something its forever. I would never forgive me if i ate meat again, id just like... Internally explode, lol.

In time I paid for it with my health. You're only 18 now so you can put yourself thought the wringer for longer. But time demands its due. We are part of nature. I had to unlearn everything I had studied on the subject and believed for years. And learn the actual truth.

The Jewish factory farm operations are horrible and I understand why Hitler banned such things in his time as part of his animal cruelty laws. Which didn't really exist anywhere else in the Western World at this point. What the Jews do to animals there, they having been doing to humanity for centuries.

But there are other ways to eat meat and not support such operations. When I had to return to meat eating. I made sure to support local, organic farms that are ethical operated.

This is in my years of researching the subject the best video I have come across explaining the situation. From a former Vegetarian of many years:

Being a satanist does not mean you can't consume meat or kill an animal. There are certain animals that are made to kill and consume, but not to a point of them becoming extinct. Then again there are animals that ARE not for consuming. That's what some animals were MADE for, to eat and grow. I'm not saying being a vegetarian is not healthy, then again being a carnivore I would not say is not healthy. Its what your body needs and desires. I myself only eat certain types of meat. And I only eat raw vegetables.

HAIL SATAN!! And the Gods of DUAT!!

Because i love animals, and thats mean. I think of eating a cow, or chicken, the same as cooking up my cat, or dog, or family member or a child and eating them. Its very repulsive to me. Ive wanted to go vegetarian since i was around 8 years old, but vegetarian food is so expensive we couldnt afford it until 3 years ago, we still cant afford it, but i would rather die than eat a cute fluffy animal! :)

Animals are sacred, they are innocent and loyal and loving, just like a child, only they will be a child forever. I feel very strongly and passionatley for nature and animals, i mean, i would risk my life to save an animal! I myself save over 100 animals lives each year im vegetarian.

With animals being sacred in even Satanic culture, im surprissed there arent more vegetarian SS. I mean, why promote the murder of an animal and then eat it? Especially when there are tons of slaughter houses across the country, where there are videos of men who work there slamming infant piglets who havent even opened there eyes, onto the concrete ground, crushing their brains and killing them almost instantly, i have seen them kick chickens, stomp on them while they are still alive, with all these animals in cages so tightly packed that the animals cannot move. And a lot of these people LAUGH while they do it. They have the choice to use drug injections so they do not feel pain, but many of them enjoy the torture. And even cats and dogs, for animal experiments instead of killing them nicely, and painless there has been proof of people like sticking some taser like thing in their vaginas, and anuses shocking them to death.

Animal cruelty is not tolerated, and not in any form for me. Including the eating of meat and most animal bi-products. And let me tell you im 5'9" 18 year old girl, thats got more muscle than most meat eating women, and i can pack a punch! Lol.

Satan

This was taken from an answer I gave to another question in the egroups:

Satan or Sat-an. Also holds another meaning. An being a prefix for ananta. Ananta is also the ancient name

for the primordial Serpent as well as Anahata/ Anahata Shesha. Eternity [Ananta] was shown as a golden serpent in a perfect circle. The symbol of the Magnum Opus. This is also why Siva has the serpent wrapped around his neck.

An ancient Roman writer states in his time. The primordial Diety where Saturn and Ops. Op[s] means serpent and Sat-urn. As Macrobius writes Saturn is the Sun. Hence the Roman celebration of Saturnalia at the Winter Solstice. When the Sun is reborn. So we have the serpent and the sun. Among if not the most ancient of spiritual meanings. Many other symbols all relate to these two. The Magnum Opus. Satan rules Saturn as this is the root charka where the Kundalini serpent dwells. The sun is the spiritual or inner sun. Our word for Soul comes from Sol. The serpent of Satan perfects us.

May I just add that I'm aware of this 43 minute information youtube video that say's soy is actually as poison and not really a human food source. Consuming too much is apparently bad and can make so you can not absorb nutrition. It's also likely GMO and has pesticides. The it also has lots of female hormone affecting masculinity and development. I forward the link here:

Dangers of soy are extensive and they are real. Soy has become very popular in the last 15 years and it is now a 4 billion dollar industry. Great marketing efforts are definitely paying off but thankfully to many scientific studies we are now aware of the real dangers of soy consumption.

288 studies on the toxic properties and effects of soybeans are listed at the Poisonous Plant Database of the United States FDA's Center for Food Safety and Applied Nutrition. It is a great concern that the FDA has this information and knowingly chose to ignore the dangers, that's why it is very important that you educate yourself on the dangers of soy. <http://www.youtube.com/watch?v=4ektAM0QoGO>

It may be a little less, but this brand makes their stuff very tasty, and healthy, that you can get virtually the same nutrition as eating real meat, only without the tears. :) also i take vitamins and such, so im basically getting the same as a meat eater, with half the fat and calories.
