## Fourth Reverse Torah Ritual for the Last Week of October 2015

### Reversing the Curse for Blood Sacrifice in the Torah

This ritual can be repeated as many times as you wish. You can begin this ritual at any time.

This ritual is extremely important as it reverses

Genesis 9:5 I will surely require your blood of your lives. At the hand of every animal I will require it. At the hand of man, even at the hand of every man's brother, I will require the life of man.

This is the first in endless repeats regarding living blood sacrifices to that monster YHVH. Parasitic aliens require blood and the life-force of humans and animals alike. This has incited wars of all kinds [most instigated either directly or indirectly by Christians, Muslims, and Jews] and resulted in bloodbath after bloodbath of which parasitic human-hating aliens reap the energies. The Jews as we know have a long and ugly history of sacrificing innocent Gentile children on their holy days. By repeating this ritual, this will work to put an end to this hideous practice and deprive the Jews of their favor and power in the eyes of their so-called "God."

The words below are to be vibrated. The more people we have who will be doing this ritual, the better, as there is both strength and power in numbers.

Many of the words below are guttural. This means many syllables are vibrated in the back of the throat. Just do the best that you can. Become familiar with the words [I have included an mp3 of the words for you all to download], as much as you can before performing the ritual. This ritual may also be done as often as you like, and is a very good cathartic when you feel anger and hatred towards the enemy. All you need to do is vibrate the paragraph below 9 times. Many of the words below are guttural. This means many syllables are vibrated in the back of the throat. Just do the best that you can.

MAHD--'AH'--HAH • SHEHFF-EHN-TEH • SHOHR-DEH •

VEE-KHAH • SHEE • DAH-YEEM • MAHD--'AH'--HAH •

DAH-YEEM-UU • UUN-EHSH-EHR-DEH • AH-Y-EYEKH--LOHK •

DAH-YEEM • SHOHR-DEH • MEHKH-AYT-OSH-FAHN-LL •

MEKH-MEED--TEH • KHAH-AYV

State with conviction 9 times:

- Vibrate AUM

- The blood and lives of both human beings and animals has become toxic to enemy alien agenda and the Jews.

- The blood and lives of both human beings and animals have ceased to be effective and have lost all of their power for the enemy alien agenda and the Jews.

- Vibrate AUM

HAIL SATAN FOREVER!!

End of Ritual

Second Reverse Torah Ritual for the Last Week of October 2015: Reversing the Curse upon the Serpent

This ritual can be repeated as many times as you wish. You can begin this ritual at any time. This ritual has already been done, but due to the weekly Torah readings repeating themselves every year beginning on the Jewish holiday of Yom Kippur, which is the Jewish New Year, it must be done again.

The words below are to be vibrated. By vibrating these words, this free the Serpent of Satan, as these yearly torah readings keep the Serpent of Satan cursed and bound so that humanity cannot see the truth and the populace remains brainwashed and under the control of the Jews. This will destroy the enemy. The more people we have who will be doing this ritual, the better, as there is both strength and power in numbers. This ritual may also be done as often as you like, and is a very good cathartic when you feel anger and hatred towards the enemy. All you need to do is vibrate the paragraph below 9 times. Many of the words below are guttural. This means many syllables are vibrated in the back of the throat. Just do the best that you can. Practice the words [I have included an mp3 of the words for you all to download], as much as you can before performing the ritual.

RAISE YOUR ENERGIES AND VIBRATE THE PARAGRAPH BELOW 9 TIMES [See Link Below]:

Then state with conviction 9 times:

The Serpent is free. The Serpent is exalted. The Serpent is forever!

Vibrate AUM

HAIL SATAN FOREVER!!

Third Reverse Torah Ritual for the Last Week of October 2015: Removing the Obstacles That Prevent the Serpent from Ascending

This ritual can be repeated as many times as you wish. You can begin this ritual at any time. This ritual has already been done, but due to the weekly Torah readings repeating themselves every year beginning on the Jewish holiday of Yom Kippur, which is the Jewish New Year, it must be done again. We are following their weekly readings and reversing and erasing the curses.

Genesis 3:24- So he drove out the man; and he placed Keruvs at the east of the garden of Eden, and the flame of a sword which turned every way, to guard the way to the tree of life.

The words below are to be vibrated. By vibrating these words, this will remove another powerful biblical curse. The more people we have who will be doing this ritual, the better, as there is both strength and power in numbers. The effects of this ritual will result in a worldwide awakening through removing obstacles placed by the enemy upon the Serpent, that keep the Serpent bound. This ritual will result in many people worldwide seeing the truth.

Many of the words below are guttural. This means many syllables are vibrated in the back of the throat. Just do the best that you can. Become familiar with the words [I have included an mp3 of the words for you all to download], as much as you can before performing the ritual. This ritual may also be done as often as you like, and is a very good cathartic when you feel anger and hatred towards the enemy. All you need to do is vibrate the paragraph below 9 times. Many of the words below are guttural. This means many syllables are vibrated in the back of the throat. Just do the best that you can.

We have found that the kabalistic letter “S” is to be hissed, regardless of the language.

RAISE YOUR ENERGIES AND VIBRATE THE PARAGRAPH BELOW 9 TIMES:

SSSS • MEEY-UHY-EYEKH-HAH • TSAY • KHEHR-EHD-TEH •

ROARM-SSHHEELL • TEHKH-EHP-HAH-TEEM-HAH •

State with conviction 9 times:

- Vibrate AUM

Subject: SATANISTS, UNITE AND BRING JUSTICE!!!

My Satanic Forces, Satanic Family!

I salute all of you!

Satanic Warriors, this is one more Battle we have to do. One more War. A war that every honest Soul hungers. We have been anticipating this moment, because we are in anticipation of Satan's Justice and Judgement!

After all we have discovered on the enemy, after all we have seen, after our eyes have been opened, there is only one way to go. What abominations have been revealed right in front of our eyes- inconceivable! The enemy keeps lying, they keep attacking, they keep slaying people for no reason, other than that they want to dominate this world. They keep up with their plans to the last moment. But, we know them all too well. We know they will NOT stop. We know that every moment we stop, they are here, lurking on the corner with their hands full of blood, ready to strike. No matter what, no matter the damage, no matter the consequences, we have moved together forward. We have moved forward, into a region unknown. I am sure all of you remember the times, when we used to ask for your loyalty. We told you, that Satan guides us. It was a honest statement, it was Truth. Satan gave us advice on what to do. After some time, you evidently saw the damage we have caused to the enemy. You have eaten the fruit of our labor. It is beyond doubt even to the most faithless people. But us, we know Faith. We have Faith in what we know.

This was only the beginning. These sweet fruits were only a first harvest. We now know, as the Whole World knows, what the enemy has committed. Atrocities is the faintest word that can be used about all these crimes. The enemy not only has been destroying people physically but they also attacked Humanity at its Spiritual core. They did NOT hesitate to attempt to destroy the Legacy of Satan, who is our Forefather and God. To know is useful when one wants to act, a curse when one is unwilling. Nobody can watch this and stay idle. Our Father, who has loved us from the beginning, he gave us the Truth.

The enemy is mobilizing to destroy everyone, after they are done with the "western" world. The Earth herself is suffering and nobody does anything concrete about it. It is OUR HOME, but it's not THEIR home. The enemy wants nothing else, but the destruction of everything, if they are to go. They either want to rule a destroyed world, or go to inferno with it. Hundreds of years it has been the same identical thing, deathly and parasitic advance against the Gentile people. Murder after murder, lie after lie, slander after slander, backstab after backstab, blasphemy after blasphemy, the Jew rose and rose upwards. They are forcing matters in such evident manner, that nobody questions anymore where the problem is. The scoundrels have dropped their cloak, threatening the people of Humanity with extinction, openly, by word and action. They no longer can hide, neither they are willing to hide. They are here to destroy and they let everyone know, OPENLY. Whomever doesn't comply, they hope and try to destroy, soul spirit mind and body. As thus, the people know them. Now, people must act. We have to act swiftly for Humanity, before it is too late.

No Satanist must stay idle now. We will ALL stand in opposition to the enemy degenerates. We will all now, at this certain point in history, DECLARE OUR WILL! Our Will is the STRONGEST, our POWER IS THE MOST RESOLUTE. We are not bluffed by their Hollywood shows. The Will of the Satanic people will be heard and they will all succumb to it, as they always have had. For our Satanic people who have been butchered, in all Gentile Races, and for every word of Blasphemy against our Gods, they will pay million fold. But this even, is not enough. Those who know what we know, they are left with only ONE road to follow. We have to FIGHT. We have to AVENGE and put these criminals to SPIRITUAL JUSTICE. We work by EDUCATION and SPIRITUAL WARFARE. These destroy the enemy at the core of whatever they are. Truth burns like burning sulfur. We have to Spiritually DESTROY these accursed creations of the enemy, once and for all.

My love to Satan fills me with hatred about the enemy, our love for Truth fills us with hatred about their lies. ENOUGH IS ENOUGH. THE PEOPLE HAVE HAD ENOUGH TERROR, LIES, FEAR MORGERING. PEOPLE WILL RISE!!! SATANISTS HAVE TO RISE AND PUT THINGS IN THEIR PLACE!!!

Humanity, all Gentile people are being attacked. We are forced to destruction, a destruction that nobody deserves. People are forced to servitude. Out in the streets, most people are sad, lost Souls, because the enemy HAS LIED TO PEOPLE. THEY ARE STEALING THEIR SOULS. I know and all of us know who holds the responsibility for this. They now must PAY. They must pay, hundredfold of what they owe, for they owe upwards to infinity. This world has been put to a halt, the people were forced to destroy themselves, the Earth herself is suffering because they drain the blood out of her veins. Do you feel this is enough? What do people are waiting for? To be slaughtered first and act later? It's either- or in this situation. PEOPLE WILL RISE!!! SATANISTS WILL RISE!!!

We have had enough. We are soldiers against time. But even now, at these dark moments, we are HERE as the Light to guide people away from the Darkness. The World depends on YOU, on US. For some reason, maybe unknown to you presently, you are here. No matter who you are, or what you were, you are important. Important on a level where most others are blind to now, but one level that Satan sees. You are following a path that few if no others

dared to take. I believe in the reasons of Satan, and I believe in our Father. I believe in Him because I have seen Him, I have witnessed Him and I have felt His love, but also His hatred for His enemies. His enemies are OUR enemies, and OUR enemies are HIS enemies.

Everything comes down to our decisions. Will we take the hand of the Gods, hold tight, in the face of all this resistance? Do you love them enough? Do you love your fellow Brothers and Satanic sisters enough? Do you love the children of the world, who will have a chance to live in a degeneration-free society, happily, in a world that WE have created? Do you want to be able to state in any of the days of your life, that you fought for freedom and that you didn't sit on the side to watch everyone else get destroyed?

If these answers of YES, are the ones that arisen in your own Soul, then NOTHING can keep you back. You have the knowledge, the means and the ways to act. Now, we must act. Swiftly, with empowered Will and without any hesitation.

OUR LAST RITUALS HAVE SHAKEN THE UNDERCURRENTS OF THIS REALITY. The Satanic Heavens heard of our call. Satan has placed HIS faith in us. And my love for Him is suffocating, its explosive, its like molten lead. It explodes and overwhelms us, as the call of Truth and His molten Serpent.

Satanists, you are not the one's to stay idle. You are my people, I am of you, we all together will STAND, as we have in the past, so we will do in the present and in the future. If I, and we all together, trust each other one time, Satan Trusts us millions of times. Let's prove HIM right. You haven't stayed idle, before, you will not even do this now. You haven't stayed in ignorance, neither you stayed in bondage. You have always wondered, searched and watched. You have shed honest tears, your soul shouted a honest scream. You have fought honest battles against the enemy. You have spent your hours in service of Truth. Now, this is the time, where we will again raise the Spiritual Weapons. The Heavens will TREMBLE and the enemy will be CRUSHED BELOW OUR SATANIC FEET!!! They will feel our Will burning their souls, eradicating it from existence. Their work shall be destroyed and the legacy of the Gods will again be revived.

This Samhain, we are giving a gift to ourselves, to Humanity but above all, to our Gods and Satan. This is a time where like Suns, the people of Satan will rise, to fight just another fight for Freedom. This Samhain people will be sitting down, relaxed, joyful and knowing that they have dealt some fatal spiritual blows to the enemies of Humanity. Satan will stand upon His throne happy about us, Justice will be served. This Samhain will be celebration, love and total war!

OUR ENEMY SHALL BE ANNIHILATED!!

SATANISTS, UNITE AND BRING JUSTICE!!

SATANISTS, WE WILL WIN THIS WAR!!!

SATAN HAS WON!!!

HAIL SATAN!!!

I am reposting this, as it is extremely relevant in many ways. This video is near 15 minutes long, but it answers a lot of questions I see posted in the groups, and definitely applies to Christian idiots who just won't see or listen to reason. In addition, they are all under the spell of the Jew, which makes it that much worse. I strongly encourage everyone to take 15 minutes to watch this YouTube video and I thank Kyleshand for posting it to the JoS4Adults group.

Anyone who feels unhappy about their situation relative to being working class, a racial minority, female, LGBT, disabled or any other of the groups that the Jewish Marxist/Left wing try to incite against the nation should hear what Soviet defector Yuri Bezmenov had to say on the subject.

Feminists and company, "Social Justice Warriors" are USEFUL IDIOTS! They are there only for the process of subversion and creating the revolution. Once that is over with, they will be lined up and executed. And then the new brutal dictatorship will decide EVERYTHING for EVERYONE! Never mind your rights as a homosexual, you won't even have rights as a human being.

This is the personal story of Karl Wilhelm Krause, who was the valet. of the Fuehrer from 1934 to 1939, and was also responsible for his personal safety and

security. Through his daily contact with Adolf Hitler, and those of his most intimate circle, both in his public life, as well as, inside the Fuehrer's private quarters, no one had access like Herr Krause.

From Krause's statements on Hitler from knowing him personally:

"What he [Hitler] had did and what he had built, he did for his People, not himself."

"His main concern was he wanted to make sure nothing would ever befall his people again, he took it upon himself and he said: Never Again."

"Hitler wanted the best for the German People...."

This is the personal story of Karl Wilhelm Krause, who was the valet. of the Fuehrer from 1934 to 1939, and was also responsible for his personal safety and security. Through his daily contact with Adolf Hitler, and those of his most intimate circle, both in his public life, as well as, inside the Fuehrer's private quarters, no one had access like Herr Krause. Nor was anyone ever in a better position to observe Hitler; his personal habits, character, and demeanor, and to assess his social interactions with average citizens, employees, friends and colleagues, public figures, academics, leaders of industry, as well as, with foreign leaders and dignitaries. In this one and only interview, recorded on camera in the early 90s, Herr Krause testifies of his duties, his daily routine, and what he saw, heard and experienced, while in the constant presence of, and service to, the leader of the the Third Reich. Hitler called him "mein Schatten" (my shadow).

The testimony which you are about to hear is of invaluable historical importance, and forms a comprehensive and highly relevant, contemporary documentation, revealing surprising facts about the most talked about and enigmatic man in history, painting a far different picture of Adolf Hitler, than the court historians, Hollywood, and the Mass Media have typically portrayed.

This German language interview took place around 1990 and has been kept under wraps. We have translated it into English, paying close attention to accuracy. We do not have access to the original tapes. What is contained here is exactly what was published in Germany in its original form. We have also translated the text captions into images, inserted some extra pictures, added a musical score, and created both an intro and outro. A 90 minute version is planned with some extra related footage, but we have set no release date for the final version.

\*\*NOTE: There is one know error in this film. One picture we included is not of Herr Krause, as we have since discovered, but rather of another of Hitler's servants by then name of Rochus Misch. It is in the introduction, a colour photograph, and the gentleman is in a green uniform.

Some of the topics covered include:

What Hitler was really like as a person and as a boss, his habits, his mission, the so-called Annexation of Austria, Crystal Night, the beginnings of the war with Poland, England's declaration of war against Germany, Germany's decision to attack the Soviet Union, etc. There is a wonderful anecdotal story about a private, unscheduled taxi ride and walk around Munich, just the two of them together, one night at Christmas time.

This film is provided here for free for the purpose education.

If you appreciate the information and the effort we have made and our continued efforts on these topics, please consider making a donation.

Subject: Origin Of Trick Or Treating, Witches And The Devil

Origin Of Trick Or Treating, Witches And The Devil

Its already known Halloween is a Pagan holiday and its associated with the Devil and Witches, ghosts, goblins and such.

The traditional image of the Devil in Folk art is a man with horns, adorned with serpents carrying a pitchfork, wearing animal skins and is the god of fire,

forbidden knowledge and Siddhi's and personal freedom, He was called the "Devil of Freedom." He is colored red and associated with the Goat and mountains. Its known and admitted the Devil is taken from Pan. This is Dionysus who is Shiva in the east. The God of the Aryan People. Dionysus and Pan are the same God. They are both depicted the same. As they are the same. Pan is born from His father the Ather [Zeus] like Dionysus, Dionysus is shown as the black goat, or partial goat and man and plays the flute, like Pan. Dionysus was also shown red as well, the color of the rising sun at dawn over the mountain. The symbol of spiritual rebirth. Dionysus was also shown as the eternally young boy which is what the grimoires attribute to the appearance of the Devil. Dionysus's title in Rome was "Free". The Devil the Witches worshipped on the mountain Sabbat was called "The Devil of Freedom." Meaning the serpent of freedom. Dionysus was called the "Good Serpent." Which is a play on words. The God Serpent. Which grants Freedom by the opus, Magnum Opus means Great Serpent. The wine of Dionysus is the Kundalini energy. Devil means serpent from Devi the serpent. Dionysus is also shown horned. Dionysus wine cup is the grail.

Shiva is shown red as well in some cases, has the crescent moon on his head like horns, the trident [pitchfork] is adorned with serpents. Is the God of the mountain, wears animal skins is associated with the panther, goat and bull, the animals of Dionysus. Shiva is the God of the wilds and wine as well. The mythos of the birth of the God Dionysus and Shiva as Skanda are the same. Shiva's Gana's are the Korybantes.

As the book: "The Gods Of Love And Ecstasy". States on the subject:

The Greeks speak of "the demoniac cohort which is the following of Dionysus."

"In Shivaite tradition, the god's companions are described as a troupe of adventurous, delinquent and wild young people who prowl in the night, shouting in the storm, singing, dancing and ceaselessly playing outrageous tricks on sages and gods. They are called Ganas, the "Vagabonds", corresponding to the Cretan Korybantes and the Celtic Korrigans[FAIRIES' SONS]...."

"In Crete, the companions of Dionysus were those supernatural beings, the Korybantes, who were born of Cybele, the Lady of the Mountain. The Greeks identified them with the Dactyls of Mount Ida. The Kouretes the servants of the Mother goddess, where young men how had been initiated into the god's rites and take part in his orgiastic cult. They were still venerated in Crete during the Greek period. Hesiod connects the satyrs with the Kouretes. According to him, they are dancers, musicians, acrobats, practical jokers....They press the grape and jolly fellows in quest of good fortune. they are ecstatic demons..."

"The followers of the god have a tendency to identify themselves with his heavenly companions and imitate their behaviour. This is why the Korybantes are sometimes confused with the Kouretes, or in Indian Shivaism, the Ganas with the Bhaktas, or bacchantes."

"The practitioners of the ecstatic or devotional rites which characterize the cult of Shiva are called Bhaktas a word which is sometimes translated as "votaries" but which really means "participants". This name is applied to the god as much as to his followers. Bacchos is one of the names of Dionysus. It appears that the Greek words Bacchos and Bacchi [Bacchantes] are of foreign origin., being a transposition of the word Bhakta."

This is the Bacchanalia the ancient festivals of the God Bacchos, Dionysus.

Kouros the name of Dionysus is also Kumara in the east the name of Shiva.

Here is where the Halloween custom of Trick or Treating comes from:

"During some Celtic celebrations of Samhain, villagers disguised themselves in costumes made of animal skins to drive away phantom visitors; banquet tables were prepared and edible offerings were left out to placate unwelcome spirits. In later centuries, people began dressing as ghosts, demons and other malevolent creatures, performing antics in exchange for food and drink. This custom, known as mumming, dates back to the Middle Ages and is thought to be an antecedent of trick-or-treating."

Its the Pagan followers of the God Dionysus [The Devil] dressing up and imitating the companions of the God and their reveilles, you can note this with Shiva who travels with the Gana's who are shown as ghost, globin's, fairies, and all manner of supernatural creatures. This is also Odin and His companions on the Wild Hunt. Mumming is still associated with the Green men and the May day. The Green Man is Dionysus, to this day Shaytan [Satan] The god of the Yezidi's is called literally. "The Green Man." Its also a title of Osiris as well who was as the Egyptians and Greeks stated. Dionysus in Egypt. . This is why Witches do their Sabbaths in the wilds and mountain tops. Its the sacred places of the God Dionysus. Odin was worshipped in Ireland as Wodan or Buddha the head God who is also Bacchos the Green Man. Buddha is the ancient title of Shiva and Ptah the Memphis version of Osiris in meaning is Buddha. Bacchos in Ireland was called Essa which is still the title of Shiva and Dionysus, hence Diony...esus. As Pike stated the Druids, Greeks and Egyptians were the same group. The Jack O Lantern is the illumined soul, Jack is the ancient name of the Sun God [Dionysus]. And his Lantern is the soul.

St. Patrick is stolen from the Irish Bacchos. Hence the Green dress, drinking and merry making on St. Patrick's day. The Pagan New Year on march 17.

The kiss the Witches gave was actually:

"We may refer to a particular detail. In a description of the Sabbat it is said that an obscene kiss, osculum sub cauda or kiss below the tail, which those taking part should have given to the god of the rite, to the image of the man who was officiating and representing the god, was a chrism of their Satanic faith. Other witnesses, however, said clearly that no such rite was required..... De Lancre wrote that the actual thing in question here might be another face, a black one, which the idol or person officiating had behind him, perhaps like a mask attached to the nape of the neck, as if on a head of Janus. This symbolism is clear enough; if the light-coloured face at the front represented the outer manifested God, the rear black face represented the depthless, formless divinity ranking higher than the outer God. In the Egyptian mysteries, the formula of the ultimate secret referred to Osiris s black god." [1]

Amen was the Black God another title of Osiris, the hidden God. His hidden name from the Egyptian texts is literally "AUM". The Dionysus Pillar was called the OMphallos. The Stonehenge of the Druids was called the OMphallos. Its AUM. The mantra of the trident of Shiva the Pitchfork of the Devil. The trine nadis of the serpent energy that is the Maha Kundalini the macrocosm and the soul in the microcosm. AUM is the name of the serpent power in the tantra. And the name of Dionysus/Shiva. Black is the symbol of the element of spirit or Ather which is the element of sound which is existence. Sound, light, number and form the elements of existence all arise out of and are the primordial sound of AUM. The Pagan Priest wore black for this reason the symbol of the transformed soul by the serpent power. The purified ones.

The color black is the female aspect the serpent energy or the Devi....Devil. Yin and Yang.

This is also part of the Dionysus Mysteries. The double headed God Janus is the Baphomet of the Templars and is Dionysus who was called Jana The Baptizer. Jana is a title of Shiva in the east. Baphomet means baptized in the serpent power. The Witches rights of dancing naked around the mountain tops, Sky clad is also in the Tantra in the east. Sky clad in Sanskrit means clad in the Aether. Its a symbol of spiritual rebirth by purifying the elements of the person to Ather the element of spirit. The symbol of the serpent is the PANTacle the purified five elements the symbol of Ather. The Bon Fire is the Pagan fire altar the symbol of the Phoenix [the Vedic fire altar is in the form of a bird for this reason]the bird of rebirth of the soul, the benben bird which is also the benben stone which was also called the OMphalos and is the blazing fire of the serpent. The God in the form of the serpent fire. The bird of the fire altar is the symbol of the AUM mantra in the Vedic text's.

## Lying Jew: Yazidis Want Proof Jew Charity is Rescuing People

<http://www.dailystormer.com/lying-jew-yazidis-want-proof-jew-charity-is-rescuing-people>

Andrew Anglin

Daily Stormer

August 30, 2015

Steve Maman has devoted his life to saving the lives of stupid, filthy goyim pigs.

For Jews, every human tragedy presents a new embezzelment scam.

Good on these Yazidis for calling out this lying Jew.

Haaretz:

A group of Yazidi spiritual leaders, politicians, activists and aid workers have demanded that the Jewish Montreal businessman claiming to have rescued 128 Christian and Yazidi women and children from the Islamic State, or ISIS, provide evidence that he is saving lives.

Steve Maman has been nicknamed the "Jewish Schindler" for founding the Liberation of Christian and Yazidi Children of Iraq project, which purports to have saved 128 women and children from sex slavery and abuse at the hands of ISIS.

In a letter published on Wednesday by Vice News, 20 advocates for the Yazidis questioned Maman's methods and demanded that he inform Yazidi leaders about the specific people his group has rescued.

...

Maman told Vice News that he has not revealed the names of all 128 people he has saved in order to protect their identities and to uphold the integrity of the work his group is doing. He said that some people, if provided with names and information about those he has rescued, might take credit for the rescues.

There you have it. He can't provide the names because someone else might take credit for his great work.

Apparently, he has no proof he rescued anyone or he wouldn't be worried about that. Forgot to take pictures of the rescue, I guess, and maybe all the people he rescued will lie and say they were rescued by others.

Here's the best bit:

Maman had also told the Canadian Broadcasting Corp. that his Jewish roots inspired him to undertake the project.

Of that, there can certainly be no doubt.

Israeli forces to Aida camp: 'We will gas you until you all die'

Its like when the Jews ran the Soviet Union all over again....Where the Jews invented and used gas vans to murder thousands of innocent White Gentiles.  
[topic3995.html](http://topic3995.html)

"The gas van was invented in the Soviet Union] in 1936, presumably by Isay Berg,[my note JEW] the head of the administrative and economic department of the NKVD of Moscow Oblast which suffocated batches of prisoners with engine fumes in a camouflaged bread van while on the drive out to the mass graves at Butovo, where the prisoners were subsequently buried.[5] According to Aleksandr Solzhenitsyn:

I. D. Berg was ordered to carry out the decisions of the NKVD troika of Moscow Oblast, and Berg was decently carrying out this assignment: he was driving people to the executions by shooting. But, when in Moscow Oblast there came to be three troikas having their sessions simultaneously, the executioners could not cope with the load. They hit upon a solution: to strip the victims naked, to tie them up, plug their mouths and throw them into a closed truck, disguised from the outside as a bread van. During transportation the fuel gases came into the truck, and when delivered to the farthest [execution] ditch the arrestees were already dead.

Second Reverse Torah Ritual for the Last Week of October 2015: Reversing the Curse Upon the Serpent

This ritual can be repeated as many times as you wish. You can begin this ritual at any time. This ritual has already been done, but due to the weekly Torah readings repeating themselves every year beginning on the Jewish holiday of Yom Kippur, which is the Jewish New Year, it must be done again.

The words below are to be vibrated. By vibrating these words, this free the Serpent of Satan, as these yearly torah readings keep the Serpent of Satan cursed and bound so that humanity cannot see the truth and the populace remains brainwashed and under the control of the Jews. This will destroy the enemy. The more people we have who will be doing this ritual, the better, as there is both strength and power in numbers. This ritual may also be done as often as you like, and is a very good cathartic when you feel anger and hatred towards the enemy. All you need to do is vibrate the paragraph below 9 times. Many of the words below are guttural. This means many syllables are vibrated in the back of the throat. Just do the best that you can. Practice the words [I have included an mp3 of the words for you all to download], as much as you can before performing the ritual.

RAISE YOUR ENERGIES AND VIBRATE THE PARAGRAPH BELOW 9 TIMES [See Link Below]:

Third Reverse Torah Ritual for the Last Week of October 2015: Removing the Obstacles That Prevent the Serpent from Ascending

This ritual can be repeated as many times as you wish. You can begin this ritual at any time. This ritual has already been done, but due to the weekly Torah readings repeating themselves every year beginning on the Jewish holiday of Yom Kippur, which is the Jewish New Year, it must be done again. We are following their weekly readings and reversing and erasing the curses.

Genesis 3:24- So he drove out the man; and he placed Keruvs at the east of the garden of Eden, and the flame of a sword which turned every way, to guard the way to the tree of life.

The words below are to be vibrated. By vibrating these words, this will remove another powerful biblical curse. The more people we have who will be doing this ritual, the better, as there is both strength and power in numbers. The effects of this ritual will result in a worldwide awakening through removing obstacles placed by the enemy upon the Serpent, that keep the Serpent bound. This ritual will result in many people worldwide seeing the truth.

Many of the words below are guttural. This means many syllables are vibrated in the back of the throat. Just do the best that you can. Become familiar with the words [I have included an mp3 of the words for you all to download], as much as you can before performing the ritual. This ritual may also be done as often as you like, and is a very good cathartic when you feel anger and hatred towards the enemy. All you need to do is vibrate the paragraph below 9 times. Many of the words below are guttural. This means many syllables are vibrated in the back of the throat. Just do the best that you can.

We have found that the kabalistic letter “S” is to be hissed, regardless of the language.

Jew Soros Admits To Destroying White Europe via Invasion

<http://www.breitbart.com/london/2015/11...-obstacle/>

Billionaire investor George Soros [my note Jew] has confirmed he wants to bring down Europe's borders, following the accusation made last week by Hungarian Prime Minister Viktor Orban.

Last week, Mr Orban accused Mr Soros – who was born in Hungary – of deliberately encouraging the migrant crisis.

"This invasion is driven, on the one hand, by people smugglers, and on the other by those (human rights) activists who support everything that weakens the nation-state," Mr Orban said.

"This Western mindset and this activist network is perhaps best represented by George Soros."

Mr Soros has now issued an email statement to Bloomberg Business, claiming his foundations help "uphold European values", while Mr Orban's actions in strengthening the Hungarian border and stopping a huge migrant influx "undermine those values."

"His plan treats the protection of national borders as the objective and the refugees as an obstacle," Mr Soros added. "Our plan treats the protection of refugees as the objective and national borders as the obstacle."

Last month, Mr Orban accused pro-immigration non-governmental organisations (NGOs) of "drawing a living from the immigration crisis," singling out those funded by Mr Soros.

George Soros is a firm backer of transnational bodies such as the European Union, and his Open Society Foundation (OSF) provides assistance for pro-migration activists. He is well-known for his support for "progressive" causes such as the Centre for American Progress, Hillary Clinton and Barack Obama.

The OSF website explains: "We believe that migration and asylum policy should be grounded in economic and demographic realities, not driven by temporary political considerations or popular misconceptions.

"In Europe, many of our civil society partners are raising their voices demanding a common European approach in line with international human rights commitments."

The Prophecies and the Destinies Call

Greetings to all our Satanic Warriors and Satanic Forces.

Our Ancestors, from all over the World, have prophesized something, which can be found in all their cultures. They prophesized that the lies would take over for a short while. In the eyes of the mortals, endless lives, but In the eyes of the Gods, one season only. They saw this, wrote this down, in their own blood which became water for the soil in front of the Temples in which they died, under the merciless sword of the jews and their puppets. They knew, that they would never die in reality, as they were above their mortal enemy. They knew that the darkness would loom humanity, they warned against this, but only for so long. Their last and biggest warning was for those who instigated this attack- They would be eventually, revealed and destroyed. Annihilated.

As for them, they followed the Greatest Way. They lived, they exalted themselves and finally, they chose to die in front of the Gods and make the Greatest sacrifice. They went against the alien enemy. They didn't leave the Sanctuaries, they stayed there and burned alive, guarding these Sanctuaries against the endless hordes of decay. These hordes took their bodies, but their Souls made it to the Highest Heavens. And from there, they guide us, they keep us upright, to carry on against a battle of impossible odds. A Battle where the Light must eradicate all Darkness. These were the first and real martyrs, who gave their lives for Satan, in this battle against his enemies. Their bodies might have gone, but their ideas, their essence has remained, with us and within us. It has been passed down to Gentile people, aside with the dreams they possessed. The dreams of a world of Truth, like the Worlds that have been lost, only to be recovered in everlasting greatness, once again.

They were the ones who told us of the Dark Age. The Dark Age, where kings will be false, people will be enslaved, ignorance will reign, lies will replace Truth and false images will take the place of the True Creator. The Gods themselves would be attacked, Nature backstabbed, lack of order will reign, but only for a short lived while. Only until the beings of the Light, those soldiers of Truth, emerge again. From the belly of humanity, born as mere mortals, but with a duty and with a Divine Plan to bring order from chaos again. To give a clear message. That this World of Lies will be annihilated. They are the True Children of the Gods, Sons of those who once died, are very well alive. They are amongst the fallen species of Humanity. You might see them in the street, in the mall, in the wild. Satan Has Won and His eyes are everywhere. The Eye of Satan, the Eternal Eye has never closed upon Humanity. It's here, alive as it always were. We just have to look back, remember, and channel this Light to the World.

The clouds of lies have hid the Sun, but the Sun cannot be extinguished. With memories that lie dormant inside their own being and Soul, these people will Rise, like the Sun. Those who, have fought, are fighting and forever will fight against the forces of darkness. Outnumbered at times, this is their duty. To fight to the end. To stand in Victory humbly and to never accept defeat. So many, but so few indeed. Misunderstood, with Eternal and Unknown names. These are the Children of the Gods. They left them behind, with a promise of their eternal Trust.

They also prophesized the Great One, who would come as a Lightning in the Darkness, to show that the Truth is still alive and that it will win in the end. His name was Adolf Hitler. Adolf Hitler and the National Socialists, marched forward in a world of decay and degradation, to bring forward the light of Satan. To kill the fake and imposter "gods", not with attacks, but by Truth. With Light and a Revelation. A light so blinding, that the loyal minions of the lies tried to extinguish, but failed. A lighting of the Eternal thunderbolt of Satan's Truth. These people back then, they gave all they had, they gave their own being and their life, sacrificing again everything. Sacrificing all they had, so the last Battalion of the Beings of Light can come, to extinguish mercilessly the darkness,

which the jews have been allied with. They held the last stronghold so the Awaited Ones will find their way and arm themselves up in their Spirit and Soul, to carry the last Victorious battle in eradication of the enemy at the core. They knew that the future of this world depends not on weapons, not on guns, but on the Old and Ancient way: A new Creation had to emerge. A New Being. So Satan brought forth His Creators and Destroyers, to carry on the battle against the forces of decay.

The Ancients have prophesized that the lies Will Be Defeated. Once again, the Serpent of Truth will Rise. She will Rise, and she will suffocate all the enemies and lies, crush them completely. In Her upbringing, the Goddess will be Merciless. They also knew, that this fight will be a fight of no mercy, because the Truth shall enlighten the people to know once again their Gods. They will know all the crimes that the enemies of Truth have committed, and all the people of the World will ally against the enemy, crushing them in the spiritual level with a fatal blow, quickly and unexpectedly. Their lies will no longer stand. Nobody gave a timeline, but they gave a way and a teaching of sacrifice and loyalty. It might drag on for Aeons, it might come in years. They taught us too that time doesn't matter- what matters is the eradication of this decay. The Truth shall be Victorious in the end, exactly as Adolf Hitler stated. Then, the World will know He was right. The World will once again know the Truth and the blood and sacrifices of all these fallen soldiers of Truth will be awarded.

Awarded, with the New Golden Age of Satan. An Age in which Humanity will reach a highest potential and the forces of decay will be defeated. The Age of Spiritual Bliss, where Humanity will go to the next level and the True Ones will rise above the plenty. An Age which will bear no faults, because it has learned from the past. An Age where Humanity is relieved from their deadly aliment of all the Abrahamic hoaxes, and all the lies shall be destroyed to the ground. The Throne of Satan shall be restored and last forever. The enemy is afraid, for they know about this, and despite of all their attempts to prohibit, change and steal this, they are failing, quickly and brutally. Their stolen and malformed prophecy is gravely accurate...The Truth shall be victorious, and Satan is the Eternal Truth. The lies will be run over completely and the lies will never win.

Listen to THEM All. They call you. Don't forsake their call. Now it's the time to march forward, like them, into Eternity. Let's all, together, open the way so the Sun can rise again. Let's cleanse the Clouds of lies and lift this coffin's lid, so the Newborn Sun can arise. March Comrade and don't look back! We will meet under the Eternal Sun, Glorious and Victorious.

Do you belong? Where do you chose to belong? To the innumerable minions and sheep of the enemy, which will fight cowardly only so long they do possess the power to fight, a fake comfort of numbness, the future and present slaves? The ones who belong to the owners Abrahamic hoaxes, the illegitimate sons and daughters of the jews, who have betrayed everything for the transient and corrupted?

Or, do you belong to the Ancient ones, who are living in all times and Aeons, as an essence of Truth, immortality and bravery, which are only loyal to these? Those who are loyal to themselves, for Truth and God are found within them. To those that belongs the Final Victory. The people who fight for Freedom, with a defiant will, aiming only for annihilation of the Rotten Lies.

Time will not wait. The Children of the Ancients are amongst us. The Sun is coming and it will emerge Victorious...

Sons and Daughters of Satan, we are here to FIGHT! Onward to WAR!!!

To expose one more holyhoax propaganda, the Jews were never forced to wear the yellow "star of David" (judenstern) in the 3rd Reich. It was intruducted, infact, by the Jew and Zionist leader, Georg Kareski, who urged to all Jews in Germany and Europe, to wear the Star and differentiate themlseves from the "Goyim", mainly as a pride signal of Jews who were openly Zionists, and in

order to prevent race mixing of Jews to non-Jews:

## Jewish star in the Third Reich

The introduction of the star went back in particular on claims of Zionist circles and at the urging of opponents of National-Socialist Germany. The rise of National-Socialism had a significant strengthening of Zionism among Jews in Germany to follow. "Wear it with pride, the yellow spot" (JR, April 4, 1933, p 1) was a popular slogan, coined by Robert Weltsch, the chief editor of the Jüdische Rundschau (Jewish Review). The message of this key word that arose several years before the Jewish star-regulation, directed against the assimilationists and procrastinators.

## Zionist demands for a Jewish star

The Jew Erwin Goldmann wrote in his book "Zwischen den Völkern" (Between the Peoples):

*"In 1938, I told the Gestapo officer in one of the frequent consultations concerning the affairs of my proteges, in Berlin Director Georg Kareski a convinced Zionist have with the competent authorities repeatedly made the proposal to introduce wearing a Jewish star. Because I knew at what misfortune would lead such a measure in different ways, I called him immediately in Berlin."*

The next day, Goldman sought the Zionists, and Karski defended his opinion hard. Karski has honestly affirms therefore also the Nuremberg laws of 1935, and saw in them the way to a clear separation of the two peoples – including their own life. Kareski also admitted that the special provisions for Jewish Front fighters had not been recently removed at the request of Jewish circles.

## Military and espionage technical considerations: Wilhelm Canaris requires the Star of David

In his book "Die Tragödie der deutschen Abwehr" (The tragedy of the German Defence), Karl Bartz brings a chapter under the heading "Canaris requires the Jewish Star" in it, he describes in detail on the basis of information of the former Chief of the ministerial office in the propaganda Ministry, State Secretary Gutterer, as the representative of defenses, a colonel M., have suddenly called in one of the daily conferences Dr. Goebbels' with the department heads and radio directors, the introduction of an external identification of German Jews: "Admiral Canaris sees [Jewish espionage and spreading defeatist rumors] a great danger, so he turned with a request to you, Mr Minister, as Gauleiter of Berlin, to consider measures to ensure that at least the Jews in Berlin are marked externally. Jews capital "also should" "in" barracks or other collective accommodation "be contracted. Goebbels leaned energized from, as well as anyone else to notifying word participants in the conference also:

*"Goebbels, who has captured all the consequences of such measures during the lecture, is somewhat excited [...] He interrupts*

*the Supreme, impossible! This is an impossibility! I know my Berlin! What will come of it? A general regrets and lamentations. Everywhere they will say: the poor Jews! And the whole action will affect the movement. "A number of sensitive Jews will be driven by the identification to commit suicide, and we will lose even more credit from abroad."*

About 14 days later Colonel M. repeated Canaris' request there upon presentation of documents for identification of Jews and quartering. When again it was rejection, Canaris when Goebbels asked for a date, he received a few days later. Equivalent of Colonel M. and State Secretary Gutterer stressed Canaris then: "I want to summarize emphasize that the Jews a) marked b) have to be relocated. This under all circumstances, because the disadvantages for the Reich when leaving the previous condition would be much greater than the psychological burden involved."

Who bears this sign, is an enemy of our people  
Who bears this sign, is an enemy of our people  
Concerns on the side of the National-Socialist state leadership

Dr. Goebbels had misgivings about these claims and therefore was a Chief meeting to whose preparation a few days later leading representatives of the German Foreign Office (Auswärtigen Amtes (AA), the party Chancellery and the Reich Security main office (Reichssicherheitshauptamtes (RSHA) for further treatment when Dr. Goebbels met. Undersecretary of the German Foreign Martin Luther sharply dismissed Canaris' request, the RSHA expressed serious concerns, none agreed to Canaris or endorse his proposal. No longer held a ministerial meeting.

Canaris led to then directly his plan to Hitler, who finally ordered the introduction of the Jewish star, however, rejected the ghettoization of Jews of Berlin. Then was enacted that Jews had to wear during the Third Reich a "Star of David". A yellow cloth star with a large "J" for general identification of the carrier in the public. After the outbreak of World War II was given the Jewish declarations of war on Germany on October 28, 1939 the measure initially for the General Government, where many Jews lived. From September 15, 1941, the regulation was for the whole Reich.

Reflecting the Jewish star in the FRG

Which takes place in particular in the FRG by the politically correct historiography and the mass media sustained widespread opinion, this measure was for no apparent reason and for the purpose of mere defamation, as a result, it had come only partly lifted by special benefits for Jewish World War participants, is a misleading propaganda distortion of complex historical contexts, in the service of re-education. Accordingly, the introduction of the Jewish star in the FRG occupation construct is vilified as a typical, especially criminal motivated, anti-Semitic measures of the former German Reich leadership. Rather, these were, however, to an identification of foreigners and obvious enemies of the Reich, such as it was practiced at the time in other states and at the discretion of each sovereign state.

Subject: For Satan's Love

Greetings to all our Comrades and Family!

Its been a while I have been thinking to make this post, which is about nobody else but Father Satan.

You know, Satan really loves Humanity. HE doesn't love Humanity from somewhere afar, he doesn't demand a return of this love, he loves Humanity both as a concept and a whole. He doesn't ask for endless worship, he really is Nature's finest. He doesn't want His "ego" filled. He is only interested in our wellbeing, happiness and ascendance as species and peoples, on a personal level. Satan loves perfectly and also, hates perfectly. He does this both in accordance to highest principle. Even His name, means the highest principle in existence, to be ever conceived by Humanity: Truth. This is what Satan personifies and is.

Nowadays, we know this being as Satan, which is stolen from the Sumerian root of "Satyan" which means "Eternal Truth". Stolen by the jews, that is, and perverted into the exact reverse. In any other culture, He had other names. He had though one thing in common with everything. He was the loving, powerful and defiant Creator God of Humanity, the Gentile people, the establisher and teacher of civilization. He was the one who gave us knowledge and consciousness so we can be conscious beings and not animals, in all these cultures. In just one alien sub-culture, the one of His sworn enemies, His name ended up to mean "Adversary". Adversary is what the Truth has been made to these people, but this is a whole another matter. In just one "culture", which is nothing but an amassement of everything that is stolen from everyone else, Satan ended up as an evil being, the Gods who helped Humanity ended up as evil beings. This is the jewish, stolen and perverse pseudo-culture, that is nothing of relation to the whole of Humanity. These people literally state they are of "another g-d" and totally something unrelated to all other people.

But this was never the case. Now those of you here, you have made a brave step. Despite of what all this "society" and what the "ruling beliefs" were, you approached Father Satan, breaking the barriers of fear the enemy has created to enslave you. Something inside you told you all the time that what is being said about Him is total blasphemy and dishonesty. Something inside your own heart, knew the Truth. How this manifested in your choices and what motivated you to seek Him, or when you decided this, is another matter and falls under the core reason itself. What matters is that you have returned to Him.

Satan though was never absent and never was far away from us. Satan never made vain or fake promises or demanded anything of Humanity, other than to do what is beneficial and frees their Spirit and Mind. Satan asked us to become our own Gods, because He gave us this ability inherently in ourselves. His enemies have demanded us to be slaves, eternally damned and to return to the state of Soullessness- on top of these values and aims, all the creation they have created is shaped.

I know from within me that many of you here, you have been alone, you have been weak and frail, as this world strikes ruthlessly to break down everyone and put them under either subservience, slavery or to totally crush down their Soul. You have had a Soul in the midst of a Soulless world, a sense of Justice in a world unjust and of course, something inside you that was free inside this world of programmed slavery. Many even have been crushed to the point that they have been drained of even the Will to live. But Satan did not give you up, and He called you from within you. His call has a reason. Have you ever closed your eyes to listen to this reason, only to just feel it, only to just know Him? Without any expectations, without any desire to exalt one's vanity, position or anything other we have learned that "matters".

There are things that matter way, way more. What makes you an exalted creature has already happened: You embraced the Truth, in an age where the lies are ruling. This was a highlight in one's life and it should be treated with the same respect. For those who don't realize this, then, I have nothing but pity about their chained mind. As for others who have... We are all here moving defiantly against murderous and treacherous lies, steadfastly in the road of Truth. What motivates one deep down, but the love of Power, Truth and Light? Nothing else.

So many people say that Satan is about Darkness. While everything is under Him, including Darkness, so many do forget that after the Darkness, in the Magnum Opus, comes the Light. Satan is about this Light, eternal life. His title as Lucifer in all cultures testifies the same thing. So many enemies lie and claim of this, in the attempt to steal this from Humanity and confuse Humanity. They are investing their time in creating multitudes of lies, so that the people will be lost and never advance. They are attacking and blinding His Children in the attempt to harm our Creator, but because this is impossible, they just want to enslave what Humanity is capable of. For us here who know of Satan's Light, of Satan's love, everything is clear. We can see through all these vain promises, attempts and purposeless and unintelligent attempts of the enemy to enslave Humanity and its consciousness to an animal level. We can see the layers of this disgusting work. We can recognize its forms and our eyes have been opened. Above all, we have taken a decision: To Spiritually Act on What we SEE.

You know, the enemy supposedly, "owns" this world for this while. As Asmodeus stated, this time will be short. How many people do you see being totally happy and loved deep down? Supposedly, this world is created about "love". But there is no love in this world in any serious and higher level. Its just relations of exploitation, savior complexes, wanna-be and desires about it, songs about it, hymns about it, its blackened with victimization, sadomasochism and fear, subservience and slavery- this is the love the enemy is teaching Humanity all along. Where are the actions and the knowledge on how to love correctly? How many people you can see and state that the Light of Truth lives within them?

Obviously no being that belongs to the enemy is to be listed in this. In their eyes you can see only fear. Fear and lack of knowledge or consequence guides all their actions. Even the war these programmed robots are waging against Satan in anyway, is a war because of the "fear" of "God" or plain our sadomasochism and fear of their own "survival", and the program that reassures it. Nobody can state the same for Satan's Warriors. Satan's Warriors fight genuinely and from the Heart. Satan has touched brave and strong men to tears and made them kneel to the ground from His overwhelming majesty. How many times has He sent His beloved Demons to help you out and raise you from the pits of everlasting darkness and torment? How many of you has Satan

made better, healed and elevate yourselves?

Satan shows us His love. You don't need to believe in Him as this is beyond this relation. Satan wants you to have faith and conviction in yourself, for you are a piece of Him. He doesn't demand anything but of you to be happy, well versed, civilized and powerful. He doesn't offer anything but Power and Truth, which are centered within you. Satan is the Teacher of Teachers. Satan helps in moments least anticipated, in ways that most people cannot even understand or see, or outright and blantly. Satan acts perfectly. Satan and the Gods are not dependent on "Our" worship, or anything of this nature. They are beyond this.

Even from all His enemies, which are so unworthy of Him, they all of course may doubt the existence of their "god" which is nothing but a low grade spiritual terrorist, but almost nobody is skeptical about Satan's existence. His love is not only some emotion or some sort of promise. Satan proved His love countless of times in History, with the epitome of it being that He helped elevate and ascend Humanity to a point that it will be able to stand on its own ground. Satan gave us the deepest depths of knowledge which is the Spiritual Knowledge.

Satan was the one who came down here and helped us implement this and put it into use. Satan is the one who gave Humanity the status to be more than Animals. And Satan's enemies are the ones who are trying to rob this from people. Satan showed us endless love. He loved us as we were and like a Father, He didn't focus on providing solely, but on making His children able to provide on their own, for themselves and their existence.

Despite of what is going on right now, in this befallen Epoch, Satan's name was once sung all over the world. In any Alias and any tradition, His essence reigned triumphant. His spirit was ascended and was giving eternal life to people. The people returned this love, not because Satan wanted this or demanded this, but because they felt as such. In my own dictionary, I love means I protect and it means I fight. Satan's enemies are the enemies of all those who have seen His honest heart and love. You already have the highest privilege a being can have, right in their hands. Satan doesn't just "love" anybody personally without a reason or a mutual return, but Humanity as a whole He is obviously defending endlessly. I can also tell you of one thing Satan hates. Satan hates the jews, for they have attacked and they have sworn to destroy what He has created and put into establishment- Humanity. Satan's name must be defended from all the jewish lies, as the blasphemy these beings have committed is beyond any word. To love someone means to stand by them, not in word, but in deed.

So many are wandering around, purposelessly and asleep, without realizing what they are to do, that inside them sleeps the Gift of Satan's Providence. The Godhead. How many will die this day without the gift that you yourself have found? Does it take too much of a choice to realize, that this is the Greatest chance on can ever have? What have you done this day to seize this chance? Wake up and once and for all, realize that we have the GREATEST, STRONGEST AND MOST PROUD AND BEAUTIFUL GOD THERE IS!!

**SATAN IS KING!!!**

For Satan's Love, usher it and climb the mountain of Truth. Hold your Brothers fast, the Banner High and for Satan's love, March forward!

High Priest Jake Carlson, I have a question.

How can I make mold myself to become the embodiment of the perfect Aryan man?

I am currently not a adult, so I have a lot of time to improve myself.

I meditate every day, I do yoga everyday, I try workout every other day, I'm eating healthier, I love my nation, and I love Satan above all, and my faith in him is unshakeable. I do not have the perfect Aryan look however as my eyes and hair are brownish, but I do have enough time to build myself to be more muscular. I am a heterosexual and I am only attracted to members of my race, I actively participate in reverse torah rituals, and I despise the jews with a burning passion. The only problem is I am constantly bombarded with jewish shit because many jews live around me and go to my school. I absolutely hate the absolute bullshit that we are being force fed, I have jew teachers, and now people try to convince me that I am jewish! Some people just literally actively attempt to make me believe that I am a disgusting jew. It's insulting. I don't do drugs, as I tend to stay away from that degeneracy, and I am pretty smart as I can learn things that I like very quickly, and can remember things if I see them enough.

So I ask again.

How can I mold myself to be the perfect, Satanic, Aryan man?

If you read "The Lost Book of Enki" by Zecharia Sitchin [Sitchin], the Joy of Satan's version of "Mein Kampf" by Adolf Hitler, "March of the Titans: The History of the White Race" by Arthur Kemp, "The Revolt Against Civilization: The Menace of the Underman" by Tlothrop Stoddard [I still have to read this one], "The Track of the Jew Through the Ages" and also "Race and Race History" by Alfred Rosenberg, and "The Aryan Race: Its Origins and Its Achievements" by Charles Morris [I'm just starting to read this one], you will get a much better picture of the White Aryan Race that is much more in focus. Once you are aware of the achievements and functions of the White Aryan Race, you will then have a much better picture of the lesser races and all of the purposes or lack thereof that they serve, as well.

As far as the Joy of Satan's "Mein Kampf," the member, Egon Albrecht, has pointed out some fallacies of this copy. However, this 1933 edition of the Joy of Satan, is one of the best editions that is currently available in English, nonetheless.

I hope "Rafael" isn't your surname. "Rafael" is a Jewish surname. Unlike the Gentile races, most notably the White Aryan Race, the Jews are below the bottom, below the lowest of the low. They are below the bottom rung and have been falsely included as part of "humanity." Just know that if you are Jewish or one of the kike-sympathizing idiotic White Race traitors who tries to ask stupid questions like, "What if I have some Jewish blood but don't even know it?" My answer to this question to all of those who wonder is that the more concerns you have about having Jewish kike blood, the more likely you are to be of Jewish heritage. A lack of naturally-occurring hatred and antipathy towards the Jewish people once they have studied the truth from a non-Christian perspective, is another dead giveaway of Jewish kike blood. Such questions rarely occur to true White Aryans unless they are under enemy attack, as the enemy attacks Satan's Aryan Race the hardest by trying to convince us to second-guess ourselves.

It is true that race-mixing has been a problem that has been enforced by the Jewish people, but the same curse against any White Aryan who is as close

to White Aryanhood as is currently possible takes place for those who give the bullshit cop-out of "But many of us are already mixed! Waaaaa!" The Whiter a person is, however, the closer they are to Satan's promise of achieving immortality through Satanic meditation techniques. This is not so-called "prejudice" against the lesser races, but a sane look at ruthless reality that never forgives or turns the other cheek to those who wish to thwart us. This is the reality that wishful thinking and sympathy towards the lesser-thans cannot alter, but only the Will To Power to stay White in every aspect of life can achieve.

I strongly encourage you to try to get copies of the books I mentioned. By realizing all of the accomplishments and achievements of the White Aryan Race of Satan, you will realize what the purpose of the lesser races serve and do not serve. This is not a question that deserves answers from people putting aside time to answer such a question, as research, study, and Satanic Revelation will spell everything out in a blatantly obvious way to whom Satan has chosen and whom he finds to be in accordance with his desires.

Eat White, Fight White, and Survive White. If you are White and truly as White as you can get, having blond hair and blue eyes is not anything for you to worry about. Have White children, and for all heterosexual children that you have, teach them to have White children as far as procreation goes.

If you were to by any chance have any homosexual Third Sex children, just teach them to stick among their own, also. We are breeding a new humanity, a God-Humanity, and the Anti-Christ will be leading the way when the time is right, but it is IMPORTANT that we start on these Aryan ways BEFORE the Anti-Christ returns. To my knowledge, very limited of us are completely perfect, BUT WE WILL GET THERE!

In Satanism, our goal isn't simply to eat White, have sex White, fight White, and to die White, but to live White forever, with our God Satan who birthed us with our ultimate Satanic Leader, the Anti-Christ. We are not to merely just survive, but to achieve our rightful immortality, which is a gift that was given to us by Satan himself.

Satan once gave us the gift of Immortality, but we squandered it away by race-mixing with lower races.

Having dark hair and dark eyes doesn't indicate a lesser race. The Demon Set/Sitry, for example, has olive skin, hazel eyes and dark brown hair. Some have seen him with slicked back black hair, but when I saw him face-to-face, his hair was not slicked back with gel, but he had sandy dark brown hair and darkish hazel eyes. So, in other words, you do not have anything to be ashamed of.

I hate it when people have to hide their Satanic National Socialist religion, but unfortunately the weighted down humanity that has the enemy hovering over them are not always on our side, so we have to just be ourselves, but with restrictions on how we address our Satanic nature, or else the people who cannot

handle us will lose their touch with reality and panic, and then reveal everything we've revealed to them to others who would agree with THEM, but NOT with us Perpetual spiritual warfare is another prerequisite on our part, but the point I am making is to always be cautious in your endeavors with anyone heterosexual or homosexual who you might feel the need to awaken through personal dialogue, or in any other way.

Please always take as perfect care as you possibly can of your mind, body, and soul.

I hope that answered some questions.

However, I can leave you on this note, but not everyone is going to like it. They will have to blame Satan instead of me, though. Satan CREATED the lesser Gentile RACES. He FATHERED the White Aryan Race. We are the most talented, civilized, and sophisticated for this very reason.

International Jewish Power Openly Behind European Genocide

The EU was created by the international Jewish dynasties of Rothschild, Warburg and Baruch. You can see right in the autobiography of their major Jewish, front man and political advocate, Kalergi what they planned:

[https://en.wikipedia.org/wiki/Richard\\_N...ve-Kalergi](https://en.wikipedia.org/wiki/Richard_N...ve-Kalergi)

According to his autobiography, at the beginning of 1924 he came through Baron Louis de Rothschild in contact with Max Warburg who offered to finance his movement for the next 3 years giving him 60,000 gold marks; Warburg eventually remained sincerely interested in the movement for his entire life and served as an intermediate man as to bring him in contact with influential personalities in America such as banker Paul Warburg and financier Bernard Baruch accompanying him there. In April 1924 Coudenhove-Kalergi founded the journal Paneuropa (1924-1938) of which he was editor and principal author. The next year he started publishing his main work, the Kampf um Paneuropa (The fight for Paneuropa, 1925-1928, three volumes). In 1926, the first Congress of the Pan-European Union was held in Vienna and the 2,000 delegates elected Coudenhove-Kalergi as president of the Central Council a position he held until his death (1972)."

Kalergi laded out the blue print for the destruction of the White European Race in such an order as the Jewish run EU in his book:

In his book Praktischer Idealismus (Practical Idealism),

"The man of the future will be of mixed race. Today's races and classes will gradually disappear owing to the vanishing of space, time, and prejudice. The Eurasian-Negroid race of the future, similar in its appearance to the Ancient Egyptians, will replace the diversity of peoples with a diversity of individuals. [\*\*\*] Instead of destroying European Jewry, Europe, against its own will, refined and educated this people into a future leader-nation through this artificial selection process. No wonder that this people, that escaped Ghetto-Prison, developed into a spiritual nobility of Europe. Therefore a gracious Providence provided Europe with a new race of nobility by the Grace of Spirit. This happened at the moment when Europe's feudal aristocracy became dilapidated, and thanks to Jewish emancipation."

Now its happening.

Elder of Zion Soros the front mover for the Jewish global dynasty of the Rothschild's has admitted the role of Global Jewish power in deliberately attacking White Europe with the invasion happening:

"Billionaire investor George Soros [my note Jew] has confirmed he wants to bring down Europe's borders, following the accusation made last week by Hungarian Prime Minister Viktor Orban."

Jew Soros Admits To Destroying White Europe via Invasion

<http://www.breitbart.com/london/2015/11...-obstacle/>

Jewish executive of the most powerful global banking industry on earth, Jewish global banking power, Goldman Sachs is running the Global policy making for Europe migration and this is what the Jewish Oligarch demands:

<http://www.bbc.com/news/uk-politics-18519395>

The EU should "do its best to undermine" the "homogeneity" of its member states, the UN's special representative for migration has said.

Mr Sutherland, who is non-executive chairman of Goldman Sachs International and a former chairman of oil giant BP [my note Jewish Rothschild company], heads the Global Forum on Migration and Development , which brings together representatives of 160 nations to share policy ideas."

Go down to the EU political class these international Jews own and the Jews there are stating the same. These are not even shells but the Jews themselves:

Jewish former President of France, Sarkozy, lets all out on the table from a speech he made while President:

"What is the Goal? The Goal is to meet the EU challenge of interracial marriage, its not a choice its an obligation"...

Jewish Head of Germany's Extreme Left Calls Native Germans "Nazis" and Their Extinction "Fortunate"

Merkel is Jewish:

[topic11918.html](#)

Jew Merkel is happy Germany is going extinct.

[http://whitegenocideproject.com/merkel- ... y-forever/](http://whitegenocideproject.com/merkel-...y-forever/)

"What we are experiencing now is something that will occupy and change our country in coming years" said Merkel.

"We want that change to be positive, and we believe we can accomplish that."

"Germany has become a country that many people abroad associate with hope"

"That is something very valuable, especially in view of our history"

Her comments came in response to the government's decision to let in 20,000 pseudo-refugees during last weekend alone.

She used this incident to again insist that European countries take in illegal immigrants.

"Only with common European solidarity can we master this effort" she said, and called for a "solidarity-based and fair distribution of refugees."

She finally admits it, and she is clearly very happy.

Here is how the Jews feel about White People right from their own mouths of their own cultural Marxist warfare program they created to build the very social

psychology necessary for them to open the gates to the Turd world on the West.

For baldin\_rafael there is a lot to read but this is important to know from the start:

"The reason they went to the trouble of creating humans and the massive infrastructure to support humans, cities, farms, hospitals, schools, social organizations. Is the real ones. Humans where created to help the Gods build the earth and to be the stewards of earth. The wise care takers of the planet. The Gods then leave. They moved here with the intent of building a permanent civilization. We where created to be part of this civilization as stewards of earth. It could be the previously at some point with the lost planet or part of it was upon that world. Or perhaps not.

The second part of Humans creation lay within the texts. Humanity was created with a spiritual mission to ascend to divine from human by EA [Satan]. His intent v supreme truth and divinity in the long run. To have equality with the Gods. The greatest gift of creation in the universe.

Think about that, humanity is a brilliant, powerful and elite creation with the destiny to become fully divine and be guardians and stewards for earth as part of our the Gods. No paradise in the clouds, but a real eternal paradise right here below our feet. On earth, our home."

Thanks brother Edward Lonsa for making this page:

<http://deathofcommunism.weebly.com/white-genocide-in-south-africa.html>

The website below is just too gruesome to be fully reposted here with images and all, so I'm letting just the link, but it's the brutal truth of what is happening in South Africa, and being repeated in Europe and other areas. Just ignore the xtian biased bullshit. It's still informative and a punch in stomach on liberal race-traitor Whiggers.

DO NOT CLICK on it if you can't handle really sick stuff, or still stubbornly insist on clinging to stupid beliefs about diversity and multiculturalism. Blind idiots deserve to personally find out what you've wrought on the rest of us! <http://incogman.net/2010/03/i-killed-them-because-they-were-white>

Below I quote the text without photoes but only links to them, so that sensitive people can read.

"I Killed Them Because They Were White"

Posted on March 13, 2010 by INCOG MAN

Police sketch of unknown White girl, horribly burned to death by blacks in South Africa. She was still alive when the black bastards lit her up. Look at her: This could be your own wife or daughter!

IF YOU'RE NEW to this website and, like many Whites today, wondering what's now happening to America, then I ask you in all honesty to think about what's going down in South Africa (Zimbabwe, too) when it comes to White people. The mainstream media is keeping deathly silent about any of it, since they know if White Americans had any straight-up info, they would surely start questioning the whole PC deal.

"Well, what's all this got to do with me?" You might ask. Plenty! Besides any last shred of humanity you might still harbor for members of your very own race — after all the White guilt trips instilled by the Jew media — what's happening in South Africa is coming your way, if not already. Think that's so impossible? Ask the shades of Channon Christian and Christopher Newsom, gang-raped and tortured to death in Knoxville, Tennessee.

What do you think the real power structure has been doing to America over the last 50 years? How about the last 10? Our race has been purposefully and gradually rendered powerless; our brains are now pickled by a continous drip-drip of multicult propaganda, while at the very same time they're exporting our jobs and filling our countries with the flotsam and jetsam of the planet!

The Silent Genocide of Whites in South Africa

These kind of murders are not some random occurence, or anomaly. No way. Over 68,000 White people have been viciously killed since the end of apartheid. Proportionally, it would be like hundreds of thousands in the US. One way to put it all in perspective is to imagine living in a US state that had these kinds of brutal crime specifically directed at your race; what would you think? Would you still keep your mouth shut and just watch more nonsense on Jew TV, hoping it never happens to you or your loved ones?

If the races were reversed in any of this, we would see the liberal media and black race hucksters screaming bloody murder on the airwaves 24/7. Hell, they would be demanding we invade the country!

In addition, this whole situation should be a wake-up call to the White race on how these people really are, how they act once they gain real political power over us.

For example: Black South Africans hold political meetings where they literally chant "kill the Boers! kill the farmers!" Julius Malima, the Youth League president of South Africa's ruling political party, the ANC, recently held an outdoor rally of thousands of black Johannesburg University students where he led the crowd chanting this very thing. Whites tried to get Hate charges filed over the event, but President Jacob Zuma backed up Malima and the Whites only got the runaround by the majority black government. They don't care!

Blacks in South Africa are openly racist against Whites. The more you study the matter, the more you'll get pissed off at all those Hollywood liberals who go around kissing Nelson Mandela's ass and holding telethons to drum-up more money for blacks, like they did for Haiti recently. Did they even think to do all this for the survivors in recent earthquake in Chile? It's not fashionable to help out Whites.

Whites in South Africa are not only getting violently murdered, but are also being fired from jobs to make way for blacks and they end up living in shantytowns. Meanwhile, the country's infrastructure is falling apart, blackouts and urban blight are common, corruption is rampant. The SA is quickly descending into a typical African nation.

ANC political boss and South Africa's current President is a polygamist with 5 wives, and has numerous children with other women. He was once tried for rape of a HIV-positive woman but, not surprisingly, acquitted, forcing the accuser to flee the country for her life. The former Soviet Union trained him in military, intelligence and subversion tactics. This corrupt bastard has over 750 charges brought against him so far, but remains unscathed.

This kind of person is represented through-out the South African power structure, all the way down to the police on the street. Corrupt and often anti-White. White people frequently get no justice, sometimes the police don't even show up to the scene of a crime for hours. Last year, a White man was actually held at gunpoint while black policemen took turns raping his wife. Merely reporting a crime puts Whites in serious danger from the police.

White men incarcerated often face gang-rape at the hands of black prisoners, organized by the black police!

And Whites everywhere in the country can end-up as victims, not just farmers in remote rural areas (the actual number of White dead over-all is even higher). One of the commonest sights in city neighborhoods are all the enormous security precautions taken by White families. The homes are like fortresses: High walls with barbed wire and embedded broken glass, klieg lights and attack dogs. Black criminals use markers and spray painted symbols on the walls to alert other blacks to the defenses and crime potential of the residence.

Folks, these South African Boers, or Afrikaners, are White people just like you and me. They may speak a different language but they are our kinsfolk. Also, Whites don't usually behave like this — never have. Regardless of what the Jew organization SPLC tries to say and all the old photos from a hundred years ago they endlessly play-up on the "History" Channel. It's all a part of instilling White guilt so the real power structure gets away with turning our countries into profitable third world slave states.

From an article on a South African trial case for one of the few black animals brought to justice (watch videos below):

- “I killed them because they were white.” These famous words were spoken last year by William Kekana, who participated in one of the most horrendous incidents in which the entire family of Mr. Clifford Rawstorne was wiped out, consisting of his fiancée, baby, as well as his own mother. Even this massacre of an entire family would not have made headlines, were it not for the fact that one year-old Kayla was executed on her very first birthday with a shot in the head. Needless to say, the two adult women were first raped before being killed.

Read that paragraph back and think deeply on the kind of animal who would shoot a one-year old baby girl in the head. And it was on her very first birthday, too! These filthy animals have little or no compunctions about doing things like this (some Negro did this to a black baby in my “news region” just a couple of years ago).

These “people” will also have a little fun before they kill their White victims by raping and torturing them. Imagine suddenly finding yourself at the hands of such animals without any means to defend yourself?

What don't you get White people, for crying out loud? Look at these photos of Whites victimized:

(DO NOT click it if you are sensitive)

<http://incogman.net/wp-content/uploads/2010/03/THE-SURVIVORS-II.jpg>

The survivors. These South African Whites came within inches of losing their lives at the hands of brutal White-hating animals.

The dead. The last thing these White people experienced, before their world turned black forever, were brutal animals beating, raping, stabbing, shooting, or even burning them to death. This is only a bare few of the White victims.

A glimpse of the HELL these people suffered before death:

(DO NOT click it if you are sensitive)

<http://incogman.net/wp-content/uploads/2010/03/VICTIM-BATHTUB.jpg>

Old White man with his head bashed to pulp and dumped into his own bathtub like a sack of garbage by murderous black killers.

(DO NOT click it if you are sensitive)

<http://incogman.net/wp-content/uploads/2010/03/THE-DEAD-2-HORRIBLE.jpg>

Whites horribly victimized by insanely evil black killers: 1) Woman raped and throat cut in her own bed. 2) Woman gang-raped, hung-up by the feet and gutted out like a fish. 3) Woman gang-raped, slashed and finally killed by a broomstick jammed way up her vagina and into her body. 4) Little boy literally

beaten to death against a wall. 5) Old White woman killed with a broken bottle jammed up her rectum (blacked out because it's so grotesque). Can you believe this shit?

(DO NOT click it if you are sensitive)

<http://incogman.net/wp-content/uploads/2010/03/NEW-SA-MURDER-MONTAGE.jpg>

Blacks in South Africa are so sick, they still believe in a form of demonic witchcraft called "Muti." Teenager, Anika Smits stayed home from school because she was sick and blacks broke into the house, gang-raped her and then cut off her forearms while still alive. They wanted her hands for voodoo crap. She bled to death and her father discovered her body when he came home from work. The black boy chopped up in the photo above right was discovered in a witch's hut by SA police. On the bottom right, is a close-up shot of a White baby's toes tightly wrapped by a black maid with stolen strands of the mother's hair, so they would fall off and give her some powerful amulets. SICK!

The Jew media in the US never reports on any of this. Why? Simply put: They don't want Whites to get wise, that's why. They definitely don't want us to get angry and start demanding answers. It's already bad enough with all the rip-offs and wars they have going on.

And think a minute here: Why do they constantly broadcast news on White murderers in the US; some of them not even arrested or the bodies even found? Like that missing sheriff's wife, the Caylee Anthony case or this recent White pervert named Gardner in California whom they suspect of killing 2 young girls. The media goes on and on about these crimes, but somehow cannot find any time whatsoever for crimes against Whites, no matter how horrible!

Compare and contrast this media treatment of White criminals with what's really going down, not only in South Africa but America, Canada, Britain and all our formerly White nations.

Are you pissed yet?"

End of the quote.

Who's responsible for bringing all this horror to White people in South Africa and Western countries like America

Winnie and Nelson Mandela with the Marxist Jew, Joe Slovo.

The International Jew and his owned liberal media, that's who.

From civil rights activism, Marxism, media brainwashing and immigration of non-Whites, the Jew has always been at front and center to the destruction of White people. South Africa is but a glimpse at what these people are taking America, or any White country for that matter.

If you were old enough in the late 1980's, you will surely remember the non-stop media propaganda campaign against Whites and apartheid in South Africa. Funny, how this same media hypocritically and completely ignores the apartheid going on in Israel against the Palestinians; or the openly Jewish racism against the few black Ethiopians still living in Israel after being wooed into going there in the 1970's on the pretext they had Jew blood (Queen of Bathsheba and liberal Jew crap).

The International Jew worked for years to bring down Whites in South Africa and he succeeded. Whites are now a powerless minority, constantly at the mercy of being victimized by roving bands of Negro criminals. Whites are being turned into shantytown beggars and fired from employment to make way for blacks.

The Jews in SA never see this discrimination and keep their jobs, because they serve as the "White faces" for any of those too stupid not to know what's going on.

Jews are even allowed to immigrate from South Africa into the US (never do the hypocrites ever move to another African country), while White European Afrikaners almost invariably cannot. White South Africans who do make it to the US illegally, often get deported, even when children are involved.

All this is NOT coming to America — it's already started!

This documentary is saddening and the brutal reality about the genocide and mass rape against innocent Whites carried on by Christian and Communist blacks in South Africa, all pushed by Jewish commissars.

South Africa: Past, Present, No Future

<https://youtu.be/YIS4Pxb-3NE>

Quoting HPS Zildar Raasi about the situation in S.A.:

This is very evident over here in SA. Most people aren't even aware what is going on and how White Men, Women and Children are being targeted for rape and murder in huge numbers, as it never makes the news. I wonder why? Yet there is a full blown epidemic of murder of White South African Farmers, who are being murdered for no reason other than the fact that they are White. Their houses are vandalised with phrases such as "kill the boer" or "we're coming for you Whitey", and other derogatory things. You will NEVER see this in the news papers. You will only know about it if you have a mind of your own and are aware of what is happening around you or if you are directly connected to one of the victims.

There are cases where entire families including Grandparents going down to the Grandchildren are ambushed, held hostage at gun point in their own homes while the mothers and daughters are raped, before they are all brutally murdered. In one case, they tied up the husband and made him watch as they raped his wife and daughter. They then taunted them before fleeing the property saying they were coming back in a few days to murder them. In another case, they broke into the home of an elderly woman and her friend, tied them up, boiled the kettle and then poured the boiling water over their backs. In many of these cases, bible verses and crucifixes and other Xian crap have been left behind at the scene by the murderers, covered in blood. Go figure. This is exactly where xianity belongs. A fucking murder scene.

This has included people as old as 95 and young as 6 months! Babies have been stabbed to death. This should make front page news, but it doesn't even make the papers at all.

I remember way back in lectures for Criminal Investigation we were asked to come forward with topics we felt were important and should receive high priority focus by law enforcement. A number of us brought up the murder of White Farmers which is steadily getting worse. We were very quickly shut down. The

next week, they brought in a team of these marxist bleeding hearts and other idiots to give us a speech about "White Racism" and why its racist to talk about the epidemic of Murder of White Farmers, how its actually not that important of an issue, why we shouldn't be concerned about it and how those who promote awareness about this issue are "Neo-Nazis" as they called it. They interjected their little speech with images of the Swastika, the old, pre-apartheid era South African Flag and such. You can see how they were attempting to frighten people away from the subject.

So that is how much law enforcement here cares about White lives. It is the same all over the world. Its racist to care about White Lives.

All Gentiles need to wake the fuck up, and stop carrying out the jews dirty work.

I do not associate my race being equal to the lesser races.

That equality song that incites multiculturalism; racial mixing and brings the destruction of the Aryan Race. I refuse and will not allow the destruction of the Aryan race, for that is my 'beyond' life purpose. I place my race first and foremost.

I am **tired** of seeing my people die unjustly and yet people try to preach equality to me? That word needs to get out of the psyche.

In fact all Communism needs to get the fuck out of the soul.

We are not White Supremecists. We are Racial Separatists.

Supremacy is for the Jews, they are the ones who believe they are better than everyone. Now Ofcourse the Aryan Race is special and we must fight for our Race. However, Father Satan created Diversity for a reason. For all races on this earth to live in Peace. While I do not believe in Egalitarianism. (Equality for all no matter what).

We do not gloat our Genetics to the other Creations of Satan. Just as we as a Species do not walk up to a Dog, whom we for sure are more advanced than and gloat and taunt our friend.

This supremacy leads to Egocentricism. Which I know for a fact Father Satan is Highly Against. Even those with very High Rank to Satan are not exempt, anyone caught up in the fallacies of their own Egotism gets set back. Until they deal with and overcome this part of their self.

One day people will wake up and look in the mirror and realize how childish their actions have been. How, their ego self perpetuated most of the problems in their life, that had this centralized Force of self attention seeking been absent in their lives, many of their so called problems would have fixed themselves.

Satanism being all about the self is a corruption. Find the purpose in your life that is beyond you, see beyond the length of your nose. Everyday I seek comfort in the fact that my purpose is the continual battle, for the lives of countless. Of all Gentile Races not just my own, of all species not just my own. That one day this Battle for immeasurable good will be taken past the forefront of this planet and brought to other planets and other Galaxies abroad. ## Powerful Short-Cut Meditation

This is a bit advanced and extremely powerful. This is for people who really need results and are short on time, etc. I strongly recommend this be used with affirmations for protection. If you are new and/or unfamiliar with the following instructions, then this is too advanced for you.

Using the SATANAS mantra, do the following:

1. Breathe in energy from all sides of your body simultaneously.
2. Hold your breath, but NEVER force this!
3. When you are holding your breath, you should be extremely relaxed. Focus on feeling the energy you've just drawn in. To be even more effective, you can visualize yourself engulfed in brilliant white-gold light like the Sun and then at this time, state a short affirmation. The very same affirmation should be repeated.
4. Exhale and HISS the S
5. Repeat the above all through the SATANAS

<http://www.exposingcommunism.com/SATANAS.htm>

This meditation is very powerful, short, easy and can be done several times a day.

Another one...

To find something misplaced or lost, visualize the item engulfed in the light and affirm: I am finding \_\_\_\_\_ right now. State this several times with the visualization and you will soon find it.

Subject: Muslim immigration and the Jew World Order [microchipping humans] ar

Muslim immigration and the Jew World Order [microchipping humans] are pushed by the same people

And these people include xian church leaders of both West and East (Russia).

News Pope Francis says: "Koran And Holy Bible Are The Same"

“Jesus Christ, Jehovah, Allah. These are all names employed to describe an entity that is distinctly the same across the world. For centuries, blood has been needlessly shed because of the desire to segregate our faiths. This, however, should be the very concept which unites us as people, as nations, and as a world bound by faith. Together, we can bring about an unprecedented age of peace, all we need to achieve such a state is respect each others beliefs, for we are all children of God regardless of the name we choose to address him by. We can accomplish miraculous things in the world by merging our faiths, and the time for such a movement is now. No longer shall we slaughter our neighbors over differences in reference to their God.”

Also Jew Francis has called the rejection of migrants fleeing violence “an act of war” and said that “that turn away migrants would need to seek forgiveness from God for their actions.”

The same Jew Francis is the one pushing the Jew World Order via barcoding human beings with microchips:

<https://www.youtube.com/watch?v=5udebRy44vU>

<https://www.youtube.com/watch?v=yypgOTcVzJPU>

National Report.net Pope Francis public support RFID chips implantation

<http://nationalreport.net/pope-francis-public-support-rfid-chip-implantation/>

“We have examined the scriptures thoroughly, and I can conclusively say that there’s nothing to indicate that RFID Chips are Satanic in anyway. If anything, these devices are a blessing from God himself, bestowed upon humanity to solve many of the world’s ills.”

Russian Orthodox Church xian leader, Dmitry Smirnov also fully accept islam as the only future for Russia:

<https://www.youtube.com/watch?v=LEHF50oS-TM>

"Future belongs to muslims" - Archpriest Dmitry Smirnov

The same way he accepts microchip implants as the only future for Russia, as if islam and microchips were parts of the same movement, which they are:

<https://www.youtube.com/watch?v=zOBPIMohkkg> (Russian only)

"If there will be a FRID passport, I will be the first to accept it"

"Let them know everything. We have nothing to conceal" (about spying and datebases)

- Archpriest Dmitry Smirnov

Among those people are also Jewish banksters, funding muslim destruction of Europe:

WND reported that “the refugee resettlement industry, which includes legions of immigrant rights advocates, lawyers and community organizing

groups funded by **George Soros, the Rockefeller and Ford** foundations, among others, churned out a document in 2013 on how to deal with so-called 'pockets of resistance.' The document, authored by the Hebrew Immigrant Aid Society, one of the nine government contractors doing resettlement work, advised refugee advocates to research the backgrounds of local people who oppose resettlements and turn them over to the Southern Poverty Law Center for public shaming as 'racists' and 'anti-Muslim' bigots."

One of those billionaires, Jew Nicholas Rockefeller admitted elite goal is 100% microchip population control.

[https://www.youtube.com/watch?v=ZL\\_5bfccz1c](https://www.youtube.com/watch?v=ZL_5bfccz1c)

About 11 months before 9/11 Aaron Russo talked with Nicholas Rockefeller (one of all the traitors in the famous and praised Rockefeller family) where he (Nicholas Rockefeller, removed from the reliable Wikipedia that has NO connections whatsoever with the corrupt banking industry!!...Ha-ha!!!) admitted that the elite's goal is to microchip the world's entire population in order to control and enslave everyone to 100 %.

He also revealed that the events on 9/11 and the so called 'War on Terror' was a complete fraud in order to achieve their goal's.

Serbian news service report that Rothshilds are those who mainly sponsor shipping immigrants to Europe.

<http://www.nakanune.ru/articles/110862/> (Russian)

Translation:

"Yes, Europe is small, but to get there from Africa needs money, and a big money, so who is the tour operator for the new barbarians? They have no horses, right? The point of this version is, somebody is financing "European migrant crisis" on purpose, thinks political analyst from Skopje, Milenko Nedelkovski, reported by the Serbian edition "Kurir". In the same time "Kurir" reports, that the immigration floods in this direction are funded by "human rights" organizations of Rothshilds, and specifies, that the shipping costs of shipping migrants across the sea — 3-3,5 thousands euros, to the specific EU country — 7-11 thousands euro."

Now we have this quote that excellently explains why Jewish Banksters need muslim destruction of the world – it will bring them their communism:

<http://mensnewsdaily.com/2015/09/14/the-fake-european-refugee-crisis/>

The Fake European Refugee Crisis

by thewealthwatchman

"One of the reasons that the globalist elites love mass immigration, is because they love to flood Western job markets with infinite, cheap labor. In doing so, they can drive wages lower for everyone, and help the bottom line of all their favorite large corporations..."

"This helps to brighten up those anticipated, quarterly reports on Wall Street, all while the wage slaves continue through years of stagflation and central planning, all without significant, meaning raises in their earnings or standard of living. It's just another wondrous ingredient of the gigantic "race to the bottom" called "globalism"."

"Make no mistake, this "crisis" is fake, manufactured, and took a long time to plan. The banksters have big plans for Europe's peoples, and their leadership (with a few heroic exceptions, such as Hungary's Viktor Orban), has utterly failed to defend their peoples, and their interests."

We know what exactly plans banksters have for Europe's people – mass human microchipping. Btw, one of the main European "leaders", Angela Merkel, is famous for her rampant fight for making new Islamic State out of Germany:

Germany will become an Islamic State, says Merkel

Thursday, 06 January 2011 08:33

<http://english.sunnionline.us/News/International/2393-Germany-will-become-Is>

"Our country is going to carry on changing, and integration is also a task for the society taking up the task of dealing with immigrants," Ms. Merkel told the daily newspaper. "For years we've been deceiving ourselves about this. Mosques, for example, are going to be a more prominent part of our cities than they were before."

<http://www.dw.de/merkel-criticizes-anti-islam-pegida-movement-in-new-years-speech/a-18164445>

Jew supporter & German Counselor Angela Merkel warns of the "anti-Islam" movement PEGIDA in New Year's speech. Instead, she encourages the acceptance of multiculturalism given the rising floods of immigrants inside Europe in 2014. According to her, importing more and more immigrants from Islamic states is a win to the German populace:

Now here is how the Big Brother System is applied under Merkel as well:

BERLIN—Accusations that Germany's intelligence service helped the U.S. spy on European allies have rekindled German outrage over American snooping and ensnared Chancellor Angela Merkel's government in an espionage scandal.

Correction: May 6, 2015

An article on Friday about allegations that the German intelligence agency known as B.N.D. helped the United States National Security Agency spy on European partners and companies referred incorrectly to the B.N.D. It is Germany's foreign intelligence agency, not its domestic one.

Germany spied on France and EU commission: Report

<https://euobserver.com/news/128524>

German Chancellor Angela Merkel's government has been embarrassed by reports that the country's intelligence service was spying on France and the European Commission for the US National security agency (NSA).

According to the Sueddeutsche Zeitung newspaper on Thursday (30 April), the BND, the German intelligence service, listened in on officials from the French presidency and foreign affairs ministry, as well as the EU Commission.

Germans are so scared of surveillance they microwave their ID cards

<https://www.washingtonpost.com/news/worldviews/wp/2015/08/14/germans-are-so-scared-of-surveillance-they-microwave-their-id-cards/>

It's not only American surveillance that Germans are concerned about, however. On Tuesday, a 29-year old man was arrested at Frankfurt Airport after authorities noticed that he had microwaved his German identification card, reported German news agency dpa.

All of this shows just how well these 2 things work in combination to bring communism. They pay for shipping of muslim criminals in your country to make crime out of hand, than they propose microchips and mass surveillance as the only solution for this out-of-hand crime. Islam IS communism, human microchipping is too.

Subject: Equality, The Slothz'in Perspective

Equality, The Slothz'in Perspective

The radical biological-race egalitarianism of the Jewish programs of Christianity, Liberalism and Communism were differences between races, ethnicities, the sexes, cultures, nations. Were every person is just an interchangeable and thus a disposable human being with nothing unique or special or important about them. Which leads to the purposeful demoralization and dehumanization of everyone. Which is what opens the gates to the massacres of over a two hundred million people by Christianity and Communism together, the two great egalitarian ideologies. This egalitarianism is from the Jewish mind. Its their view of the goyim, literally that's it. Just interchangeable and disposable chattel slaves.

This is from a series of questions I answered in a thread on the forum.

The were all equal crowd:

The we are all equal mentality comes from people with outer directed values which they require fulfilment from to derive a sense of positive self regard and identification with. What they mean when they say were all equal is I am just as good and of value as anyone else and I matter too. And I extend this to everyone else for the cause of social reciprocity process back to me to gain esteem from. Part of this which is the basis of most moral systems.

However this is all occurring in a dysfunctional social environment. So it reflects this. To be balanced a person has to be inner directed from this they develop the needed sense of internal wholeness and well being that allows them to assign their own values and meanings to the world that are not depended on

others. What happens is logically there is a natural meeting between social values and internal values as many parts of the two a line in natural reality. This is how normal social cultures, ethic's and norms originate from. However the solely out directed types are unbalanced in never developing the inner anchor they have no instrument to measure any outer ideological values. This is done on this society and is engineered to create a person who can't stand upright psychologically on their own two feet. Otherwise the needed consciousness wouldn't be their for the jews to create a herd of two legged cattle. This is why you note the SJW types are always obsessed with the praise of others to the extreme they don't think they just prattle on for social praise and the feeling of worthiness they require from repeating the platitudes. If Nazi's ran the world tomorrow they would be the biggest Nazi's. The value is superficial its just the means to the end. Its a nose ring to be lead around with.

Egalitarianism do not want and want:

Radical Egalitarian systems don't work because they are built on the false premise of equal qualification in all realms by declaring the eternal differences between all individual races, beings and even the sexes to be superficial. Which is the only way they can make such a claim in the first place. This physiological egalitarianism does not exist and is left over Xian superstition. You can only have a level of social egalitarianism which is needed to establish a meritocracy within the state. This is basically the point of the American Constitution. Every citizen is protected by the same due process and constitution rights and freedoms. After that you have the freedom to go as far as you can in whatever your qualified in. However the qualification for being a citizen was based on Race as the Founders stated in the Alien and Immigration acts of the Constitution. Only Whites are citizens and only Whites Europeans may immigrate to America and become Citizens. When you have a natural system the qualifications are based in eternal scientific laws not in schizophrenic joo, mumbo jumbo from the bible.

Multi racial societies never work because the psychophysical differences between the races violently break them apart very fast in the scale of time. Nature demands racial separation and self determination. Nature is God in the big sense it can't be denied. Its laws are absolute. The eternal god, nature has decreed that racial is the qualification for strong civilizations and their nation states. Science has shown Kin altruism, is hardwired into our psyche and its based on race solely. Civilization and society needs legitimate kin altruism to exist and survive and only members of the same race manifest this glue that keeps it all together. This is why the universal morality for all groups there is a in-group morality and an out group morality. The universal, radical egalitarianism types try to extend the in-group morality and altruism to all the outer groups by claiming were all one big in-group, all ONE RACE, ONE PEOPLE. Attempting to deny the out-groups exist. Trying to make that appeal on those very grounds obviously points to the truth of different races of beings and the only real universal morality. Europe is paying for allowing jews to trick them into violating this.

The nature prerequisite for social egalitarianism and the sharing of resources it takes is Kin Altruism. And thus a racially and culturally homogeneous society. This is a positive force in such society and strengthens the entire population and civilization. A chain is only as strong as its weakest link.

Superiority exists and we all know it, its quality:

Who is we? I never said superiority was jewish. Just jews believe their false sense of superiority gives them license to be murderous criminal bastards and vampires to everyone else. Because jooz are criminally insane and their racial psychology is predated upon psychopathology. They are not some model to compare reality with. Their false sense of superiority is just an excuse to do what their going to do anyway. A way to grant moral legitimacy to themselves.

That however does not mean levels of qualification do not exist they do. Nature is aristocratic even the point of evolution is based on this. Evolution automatically presupposes physiological inequality. Along races, sexes, individuals and on. However I don't believe this is license to dehumanize or mistreat others over such differences. As do most people. As most people are not psychotic yids. And not at war with bio-diversity and the entire natural order of existence. Its normal for people to create social-nation boundaries and classes based on natural recognition of such qualities and differences and to segregate over them, to preserve their value and increases it. Which is why the jews want to tear this down in the host society as a weapon of war against the goyim host.

The jewish psyche is so unhealthy they have an unconscious urge to self destruction. And they are taking everything with them.

Subject: The House Of Satan

The House Of Satan

I wanted to share this with our people to help us all understand something and have some fun reading too. These groups, our website and anything else, what we are and how we relate with one another, this is like the House of Satan in a sense. They provide what it wants provided. They do what He wants done. Therefore one must respect this accordingly. It shows self respect to act in this way.

Father Satan and the Gods, when we dedicate, they take our Souls from infancy and they make them a part of their loving family. They take us in this family and we are expected to grow and become a powerful adult. Or, it may not begin that way on the physical level, but on a metaphysical and spiritual level, this is surely the case.

Now this place we enter, it's like a big University. Not like your present day University. Here there are no snitches, no egocentric and sick overly self righteous people, only people genuinely delving and living in Truth, from order one to the last Order, then again, there is change. This is an entirely different place. More like one House where people can learn and advance, according to the Holiest of teachings. More like a University of Divine Cosmic Order. There are teachers and places to learn everything one wills. Everyone is respected for who they are. Basic medal and Tin can become into the highest Gold here. Members and students are exalted people. We have novice people, we have initiated people who have delved into the practices more, and we have the Head of Everything and the All-Teacher. Father Satan, who is accompanied by the Council of The Gods. Our teachers are assigned to us and we form bonds with them. We form bonds with our co-students. We all also, get to know that the teacher of everyone is within reach. There is a shade of family love and devotion in all this.

All are here to guide us and teach us. We teach and guide others in return if this is what we want to do, or we delve more into ourselves. Everyone does what they are better at doing. There are rewards and endless goods for anyone, so there is no deprivation, as knowledge brings abundance. There are many other teachers, our Gods, people who have reached the exalted levels. There are divisions of almost a military manner, as to ensure security and that there are no limitations for any willing student and that all students who try, they will achieve. There can only be order, never chaos. After all here are Housed the Greatest. There are no grades to excel, there is no force for this, there is even no time, you are not forced to graduate, you are not pushed to act in a certain

way- you are only in a race with yourself and you have to advance yourself. You are yourself, because this is where things are centered in- being YOU- the original YOU. Your only obligation is to be really free. There is knowledge about everything, the cosmos is in front of the eyes of anyone willing to see it. There are only the limitations one places on themselves and the effort they take to learn. The teachers, the Will and the Knowledge exist.

In this we reside, the House of Satan. How much respect does this evoke in every mindful Soul that can see beyond their own nose? How much beauty is there in this in this inequality? How much, in the literal and spiritual sense, civilization is in this? How beautiful it makes one to know that one is not alone and that they will not be allowed to tread a path alone, if only so they ask? How relieving is all this? How lucky you are to be here, when others are nowhere?

How lucky are we all to see the Revelations of Satan in front of our eyes, the Grace of our Gods, to form bonds that will follow us forever and ever, into Eternity. To know that no matter what, you are part of this family. That you will know the Truth and ever delve more and more inside the Truth. That you will be whole again. And that finally, there is no force about anything in a negative sense. This is a trip for pleasure and you are safe in it. You are with beings that care about you and love you.

After one can see all this, many actions do not make sense by some of the newer or older students. Some students can be aggressive, overly assertive, unwilling to learn- because they are losing the fundamental message, that they are not in race with anyone else and not against anyone else. They are carrying with them misplaced beliefs mainly having to do with the "Dark" World. Most people prior to coming here, they have been on the outside, namely the Dark World, a World Devoid of Light. The outside is rumored to be a very vile and aggressive world, meant to make monsters out of people and shatter their inner existence. The lost students have of course got to exist into this, with the higher and internal need that the "Dark lords" hide from them, is this need to re-emerge into the Light and find the Lost House of Satan.

How people ended up outside of Satan's House has in the first place got to do with a peculiar and evil being that was jealous of this House and all it provided, so it hatefully attacked people to deprive them of this. It was working for another befallen empire, sworn sons of decay who want to eradicate any Light and Truth. It shaped stories and lies about this house, top on top of more lies. Rumors have it angry hook nosed bastards are sitting out of the doors of the House of Satan, shouting at it, trying to taint it, lying about it to every passenger, in every street and in every village and town, even attacking the weak in which the Light doesn't shine as much. They can't reach the building as something invisible protects it, something is Divine, a Light they cannot surmount. It writes on the Gate "Satan" which means Truth. This is something the hook nosed beings really hate...It makes their vilified and dirty blood boil.

They have taught the people that this House is actually the worst place to be, to the people that live in the slums and in the lands of suffering. . Every one of these people is allowed to come into this House, but they are robbed of this right and neither have they known it. The hook nosed beings are very well aware that whomever goes into this house, they will gain knowledge and come out of it and if necessary, they will go against them and erase their darkness. They don't want more soldiers of light, they don't want to see Satan anymore, as they remember the times where they lost battle after battle from Him, while they also remember the shattering feeling to know they have even lost the war from Him. The House must be evaded and degraded at all costs. While it's the

entrance to another World of Truth, while there inside, the Father of Humanity watches them from the tower royal Balcony and he calls them to come in, or He sends His messengers to do so.

Many people do hear the call and they joyfully and in awe come in, maybe even shaking in fear. They are given a firm hold or a hug fast, so they can know that what they once lived is now over, but they are also told the Truth- that what it has inflicted upon them might remain until they have weeded it out from themselves. The hook nosed beings are unable to hold them back, but they have harmed some more and some others too much less. They stand whining, enraged and surprised, with ever growing hatred and resentment for these people and above all those who lead them. They swear that when these people come out, they will murder them or worse, only if they are given the chance to do so. They cannot do this, but this is their wish. A shroud of light protects them and in that way, they can guide the lost people who are really willing, back into the House of Satan. They are everyday doing everything more and more, trying to make people be the worst they can become, as to drain them inside the pit of nothingness. Some people do actually get lost, but others make it in the House of Salvation.

The House of Satan though except of a place of Learning, is like a Military Unity. It specializes in the highest form of warfare. Once in time, the House of Satan was a globally spread House, all over the known and much into the unknown World. Everyone was in it, everyone was free to be in it. It wasn't residing in certain headquarters or academies. An academy was everywhere. For all people of all walks of life, kinds and vocations. Then, it's rumored the hook nosed criminals waged an attack. They brought darkness and overlapped certain places of this World, forcing the House to a more limited space. Rumor also has it that this happened because some students, still plagued by the forces of decay which were present in them due to not making the lead to Gold, they gave in to something far inferior than themselves, they gave info in return of mistrust. Long story short... These no longer exist, because they lived far from Truth and they gave in to mortality. The things they left behind them to the masters of darkness and lies do of course remain.

The High Council of Satan's House made a decision. They would send the best students to wage a war and clean the periphery, of lies and putridness. They would of course guide, co-ordinate and adjust the actions, like a Military Unit. Then they would of course be even allowed to make a sister-University of this Eternal House of Satan, if so they proved worthy, under the rule of The Gods. To spread the Light Eternally and to wake up people from ignorance and misery. To gather the willing lost and to bring them back into the House of Satan. But for this to happen, the students have to know what they want to teach, they have to graduate, they have to respect and above all...They have to put their knowledge to application, to always respect and assist one another, and always remember ; They and their Teachers are one House- The House of Satan.

So join together, learn, delve, walk on your own pace, enjoy yourselves and help us get rid of what keeps us all back...

Unfortunately there is talk about a so called "ancient isreal" in this video which we all know that there is no such thing since the filthy jews stole Palestinian land and made it isreal after the world wars, and there are references to the genesis story in this video, but there is still good information.

I am not to give out personal details at this time, but I happen to be extremely close to someone you mentioned in your post. However, you mentioned that you received High Priests Don and Hooded Cobra's, as well as High Priestess Maxine's permission, but you never thought to get my permission. What were you thinking? Did you think that my sexual orientation somehow "disqualifies" me from being considered a legitimate Aryan? I don't mean to sound accusatory, but you should think again, as someone you mentioned in your post is VERY very close to me, and this goes back before my current incarnation. And yes, I was just as shamelessly homosexual then as I am now, and it is not an issue with this individual, as this person is a SATANIST and not a Christian.

Because of the position I am in, you have to get my permission as well in order to go any further. My sexuality doesn't make me any less of an Aryan High Priest of Satan and his Chosen One than the heterosexual High Priests/esses. The person who feels differently is a Christian at heart, and the same rules against Christianity that are on the front pages of the other Joy of Satan e-groups apply here in the Black Sun, as well.

If you simply forgot to get my permission, and meant nothing by it, then I will pardon you and let you continue with your work here. The person in question who is very close to me showed me what will happen to "Satanists" who have anything in common with traditional Christian sexual morality. Not pretty. Again, I'm not accusing you of anything, but I am just re-emphasizing that I am just as much of a High Priest as the others who you received permission from before you realized that my permission is also required before you can go any further.

I have been reading this small paper and I have been wondering, what is this?

" *We do not hate any beings and we **renounce hatred.***"

" *Once the world realizes how severely the international Jews have harmed all of humanity, they are likely to turn against the Jews as a mob. Because the mob does not distinguish between **good Jews** and bad Jews, the Thule Society is trying to protect the **good Jews** from abuse. The Thule Society protects Jews from violence. **We enlist the support of genuinely sympathetic Jews** just as Hitler succeeded in doing so. In the end, an organization that could **save the lives of the Jews**, from themselves and from the results of their own actions, could be the Thule Society.*

"

All this fragments I picked go against me.

I do not agree with all of this content. There is no such thing as a good Jew. I have extreme hatred towards these beings.

Proposal to form the Thule Society

Brian Ruhe and zolaluckystar have received HP's Maxine Dietrich, Mageson6666 and Hooded Cobra's approval to submit this to JOS Members. We thought we'd include you. The following is a summary of the attached full proposal:

The Thule Society is a contemplative society of Hitler. We believe and accept that there is a special spiritual aspect to the life of Adolf Hitler which played a decisive part in his manifestation and success. Since 2012 there has been an awakening in the world regarding the virtue and the truth about Adolf Hitler. Truth is at the vital core of who and what he was and his mission as an Avatar on Earth. Compared to other groups, we are creating something distinctly gentle, spreading our message and meditation /spiritual practices while also resisting Jewish supremacy in the world.

We accept the possibility members can receive guidance and instruction from the spirit of Adolf Hitler to aid us in our struggle, but we allow members to have their own personal spiritual interpretation. There is no dogma about a deity, theology or religion other than the special qualities of Hitler. Understanding the truth about Hitler is diametrically opposed to the lies we are forced and that saturate everything – the media, movies, books, etc. It is a paradigm shift of epic proportions. He has been reviled and defamed – and it is all lies. The Jew hates the truth, the Thule Society is about telling the truth.

The Thule Society works with the Higher Realms from the perspective that the Jews are using higher realm practices to attack and control the Gentiles. We channel the Gods to help fight against the Enemy Angels who support the Jews. This higher realm belief is foundational to the Thule Society. We educate people to protect themselves from manipulation. We can shine the light of truth upon who Hitler really was with online resources while also encouraging daily meditation as this is something Hitler's SS practised.

An ideal of the Thule Society is to be a counterpart to the Council on Foreign Relations. The CFR is a Rothschild Jewish Supremacist think tank. It issues marching orders to the CIA, the enforcement arm of the CFR. Just so, the Thule Society is open to forming supportive relationships with more proactive and compatible political, government and military groups, as Brian has formed a relationship with the HP's of JOS. We would like to state how much we appreciate their support and guidance in the process of forming this society. It is our intention to make a link to JOS available on our website.

The Thule Society is an organizational structure intended to allow the natural process to occur, of drawing like minded people together to form a community from all over the world who also are aware of the special qualities of Hitler and who have an interest in following his spiritual practices and his beliefs. The Thule Society is a peaceful, educational and personal growth training spiritual society. We emphasize the benefits and unique accomplishment of Adolf Hitler in breaking Jewish power.

This will be an independent society receiving guidance from the JOS clergy. Please let us know if you are interested in joining, volunteering, or getting involved.

“One day all the lies will collapse under their own weight, and truth will once again triumph.”

Hello High Priest Jake Carlson,

I am a new kid on the JOS block. I wrote a page to you and lost it so am doing it again. I don't know my way around JOS nor the site that well so I didn't get to know you or the other four HP's yet. My apologies if I put you off as I had no idea already had a Thule Society. You make a good point that we need to distinguish them so mine can be called the Thule Contemplative Society of Hitler. I didn't know about your orientation either but my proposal doesn't get into that.

My story of how I got to know the other three HPs first is that I have 600 YouTube videos at [youtube.com/user/BrianRuhe](https://www.youtube.com/user/BrianRuhe) and on Aug. 18th I made "Penultimate Saviour" at: [https://www.youtube.com/watch?v=UaQ2\\_yCgOrA](https://www.youtube.com/watch?v=UaQ2_yCgOrA). The first time I ever heard of JOS is when some members left comments there, which you can read. This immediately drew me into JOS and it is affecting me spiritually in an inspiring way as our two big common interests are pro-Hitler and anti Jew.

I feel like I found my new spiritual community as my own teachers have abandoned me after 15 years, it feels. I am a Theravada Buddhist teacher in Vancouver, Canada with the Thai Forest tradition of Ajahn Chah. After making contact HP Maxine delegated me to work with HP Don Danko and HP Hooded Cobra. They've given me sage advice especially on the spiritual nature of Hitler and Satanism.

But now that we've made this first connection I hope you can take some time to get to know me as well. I love to get what advice I can from the High Priests/Priestess I have been fortunate to speak to already, it would be good to receive all the wisdom I can, I hope I can from you and the other HP's too. I am inspired by the JOS meditations and all that it has to offer. No other spiritual community is really relating to me about my deep interest in and love of Hitler. Adolf Hitler has become the organizing principle of my life. Adolf Hitler is a singularity in Brian Ruhe's life. I am also deeply committed to resisting Jewish supremacy in the world. I respect anyone who has risen in the ranks of JOS for so long, as yourself. We are on a sacred path to protect the whole world from Jewish subversion and lies. I thank you kindly for taking the time to write to me.

Good to meet you!

Hi lightalgur,

This is a twist. There are no Jews who I fully trust but this is a way of deflecting criticism and gaining dominance over the Jews.

Thanks for feedback,

Proposal to form the Thule Society

Brian Ruhe and zolaluckystar have received HP's Maxine Dietrich, Mageson6666 and Hooded Cobra's approval to submit this to JOS Members. We thought we'd include you. The following is a summary of the attached full proposal:

The Thule Society is a contemplative society of Hitler. We believe and accept that there is a special spiritual aspect to the life of Adolf Hitler which played a decisive part in his manifestation and success. Since 2012 there has been an awakening in the world regarding the virtue and the truth about Adolf Hitler. Truth is at the vital core of who and what he was and his mission as an Avatar on Earth. Compared to other groups, we are creating something distinctly gentle, spreading our message and meditation/spiritual practices while also resisting Jewish supremacy in the world.

We accept the possibility members can receive guidance and instruction from the spirit of Adolf Hitler to aid us in our struggle, but we allow members to have their own personal spiritual interpretation. There is no dogma about a deity, theology or religion other than the special qualities of Hitler. Understanding the truth about Hitler is diametrically opposed to the lies we are force fed and that saturate everything – the media, movies, books, etc. It is a paradigm shift of epic proportions. He has been reviled and defamed – and it is all lies. The Jew hates the truth, the Thule Society is about telling the truth.

The Thule Society works with the Higher Realms from the perspective that the Jews are using higher realm practices to attack and control the Gentiles. We channel the Gods to help fight against the Enemy Angels who support the Jews. This higher realm belief is foundational to the Thule Society. We educate people to protect themselves from manipulation. We can shine the light of truth upon who Hitler really was with online resources while also encouraging daily meditation as this is something Hitlers SS practised.

An ideal of the Thule Society is to be a counterpart to the Council on Foreign Relations. The CFR is a Rothschild Jewish Supremacist think tank. It issues marching orders to the CIA, the enforcement arm of the CFR. Just so, the Thule Society is open to forming supportive relationships with more proactive and compatible political, government and military groups, as Brian has formed a relationship with the HP's of JOS. We would like to state how much we appreciate their support and guidance in the process of forming this society. It is our intention to make a link to JOS available on our website.

The Thule Society is an organizational structure intended to allow the natural process to occur, of drawing like minded people together to form a community from all over the world who also are aware of the special qualities of Hitler and who have an interest in following his spiritual practices and his beliefs. The Thule Society is a peaceful, educational and personal growth training spiritual society. We emphasize the benefits and unique accomplishment of Adolf Hitler in breaking Jewish power.

This will be an independent society receiving guidance from the JOS clergy. Please let us know if you are interested in joining, volunteering, or getting involved.

Hi. I'm having trouble multiple times with the Curse Israel pronunciations. The others I seem to do OK with but really struggling and feel blocked.

"...Ahkh -khehrr-ahv-ah-ahv ... Ahkh-aykh-rahv-uhm..."

Not sure if there is anything to be concerned about??

Just thought I'd raise this, as there could be something more to it , or should I just keep working on it?

Is it also OK if I state instead  
"those who curse Israel, are Blessed

Those who bless & aid Israel, are cursed"

(Just stating the same, reversed, as I get tongue tied, upon repetition)??

I am sooooo fed up with the love pushing hypocrisy and suicidal anti-reality indoctrination.

Look at where our White race is at because of this sick Jewish tactic being drummed into the minds of our people in order to disarm us spiritually and open us up to their relentless obsession to annihilate and destroy us completely.

ALL Jewish programs come with the surface message; the façade of "love" "peace" "equality" and "brotherhood." This is what opens the door to victimization. No different from how an innocent unknowing child is lured to his/her hideous abuse and murder- by unknowingly trusting a sick, depraved adult who presents him/herself as a good intentioned friend.

This is reality and these Jewish programs created for the sole intention of destroying our White race are successful because they hide their most evil purpose beneath the façade of good intention.

In addition to this, the Jewish controlled media and what remains of any of the original pre-Christian religions has been infested with and corrupted with these suicidal love doctrines.

Focused hatred is the only logical solution to solving where we as a race are at.

All the while the Jewish media heaps blame, guilt and every other ugly thing on our White race, in reality, this has been the total opposite.

I have been racially aware since my early teens. This came about for me in being exposed on a daily basis to different non-White races. I have lived in numerous ghettos, rode on public transportation for most of my life, and have endured being almost incessantly accosted in my younger years by non-White males, when minding my own business. It gets to be sickening to say the least and this is what strongly influenced me at 19, to join the American Nazi Party.

In reality, the races that the Jewish media hold up as the most "persecuted" are in fact the most racist, and hateful... Not even being able to carry on a conversation without bringing the subject of race into it. I am beyond fed up with the hypocrisy and nauseum.

If the White Race wasn't so tolerant and accepting of the non-White races and the goddamned Jews, who are the most hateful of all, we would not be facing extinction as we are now

If your immune system turned the other cheek and stopped fighting harmful bacteria, viruses and other deadly invaders of your body and loved them instead, just how long do you think you would last???????

Any buzzard brained idiot should see the truth behind the peace & love masks these truly evil Jewish programs promote to try to get victims to open the door. Is Islam about peace and love and treating women decently??? There IMO, is no other program that compares with the most vile and depraved violent, bloodthirsty ROT that Islam is. Yet there are some total idiots that cannot think beyond what they are told.

As for the deluded fools who try to claim "good Jew" and "bad Jew" these people need a serious reality check. As for the Jews themselves, the Talmud preaches that even the best of the Gentiles are to be killed. When the Jews attack us as they do, to destroy our White Race, they never bother with differentiating who is who... They attack us all...

Subject: Re: On "Hate"

I once lived in a "Paradise" for non-Whites, too. I was just a child. The victimizers were the exalted "victims," just like their non-White, Jewish Christ, the professional victim and king of the slaves.

However, when I was grown up, I knew that I was a homosexual, a third sex, to use the proper term, and while the non-Whites were praised, any mention of homosexuality was treated with the Christian response of "queers," "faggots," and related Christian terms. While the suffering of third sex people at the hands of Christianity, Islam, and those who are influenced by them, isn't made up, the Jews know how to exploit this, and then blame ALL heterosexual White people, as it is only White people that are smeared with insulting terms such as "homophobes" and "haters." The Jews are very much aware that the pre-Christian Pagan religions were never against homosexuality, but it was the Judaic faiths of the Jewish racial religion Judaism, and Judaism for the Gentiles, called Christianity and Islam that made it so that only male-with-female relations are natural and normal, with the exception of Jewish, Christian, and Muslim pedophiles, of course.. The Jews will make homosexuality appear to be as ugly, dirty, shameful, and unnatural as possible to keep Christian values about it alive and well. The Jews are all calculating dictators. Everything that Adolf Hitler has been blamed for and accused of is exactly what the Jews are and what they have done and continue to do.

We will shove these brotherly love programs up the ass of the Jews and the White Race-traitors who are no longer any better than the Jews. I am willing to see the entire gay rights movement demolished so that our Satanic politics can replace it and restore order. This is just one example out of many. It's a similar story with Feminism, as the religions and politics I mentioned above have abused, exploited, and brutalized women, so the Jews come around with Feminism as a "solution" to the "oppressive" Patriarchy in hopes of getting these women to turn against our White Aryan men. This is no different than my example about the "gay rights" movement. Likewise, the Jews created the HIV/AIDS virus in White homosexual men, and then they offer the Jewish HIV/AIDS politics and so-called "activism." The psychotic Left will be destroyed in the same way as all other Jewish programs will be viciously eradicated.

Definitely. I was only 19 years old, but got quite an education. It is a sad fact they are corrupted and infested with xianity. This has brought them down. I strongly advise everyone to stay away from these organizations. Most are infested with Jews as well who work to encourage illegal activity so that

members wind up in prison where the Jew wants them. In addition, members of these organizations have been compromised by the Jewish controlled justice system and are forced to do whatever they are told in the way of setting members up to break the law so they get caught, informing on members and meetings and much more. Personally, I believe in death before dishonor. A coward dies a thousand times, and sadly, this is where a lot of the members of these orgs are at.

The Jew has had a long history of infiltrating Gentile organizations. Another blatant example is what happened to Freemasonry. Modern Freemasonry is no longer Satanic, but is geared to the Jewish New World Order of communism.

Proposal to form the Thule Society

Brian Ruhe and zolaluckystar have received HP's Maxine Dietrich, Mageson6666 and Hooded Cobra's approval to submit this to JOS Members. We thought we'd include you. The following is a summary of the attached full proposal:

The Thule Society is a contemplative society of Hitler. We believe and accept that there is a special spiritual aspect to the life of Adolf Hitler which played a decisive part in his manifestation and success. Since 2012 there has been an awakening in the world regarding the virtue and the truth about Adolf Hitler. Truth is at the vital core of who and what he was and his mission as an Avatar on Earth. Compared to other groups, we are creating something distinctly gentle, spreading our message and meditation/spiritual practices while also resisting Jewish supremacy in the world.

We accept the possibility members can receive guidance and instruction from the spirit of Adolf Hitler to aid us in our struggle, but we allow members to have their own personal spiritual interpretation. There is no dogma about a deity, theology or religion other than the special qualities of Hitler. Understanding the truth about Hitler is diametrically opposed to the lies we are force fed and that saturate everything – the media, movies, books, etc. It is a paradigm shift of epic proportions. He has been reviled and defamed – and it is all lies. The Jew hates the truth, the Thule Society is about telling the truth.

The Thule Society works with the Higher Realms from the perspective that the Jews are using higher realm practices to attack and control the Gentiles. We channel the Gods to help fight against the Enemy Angels who support the Jews. This higher realm belief is foundational to the Thule Society. We educate people to protect themselves from manipulation. We can shine the light of truth upon who Hitler really was with online resources while also encouraging daily meditation as this is something Hitlers SS practised.

An ideal of the Thule Society is to be a counterpart to the Council on Foreign Relations. The CFR is a Rothschild Jewish Supremacist think tank. It issues marching orders to the CIA, the enforcement arm of the CFR. Just so, the Thule Society is open to forming supportive relationships with more proactive and compatible political, government and military groups, as Brian has formed a relationship with the HP's of JOS. We would like to state how much we appreciate their support and guidance in the process of forming this society. It is our intention to make a link to JOS available on our website.

The Thule Society is an organizational structure intended to allow the natural process to occur, of drawing like minded people together to form a community from all over the world who also are aware of the special qualities of Hitler and who have an interest in following his spiritual practices and his beliefs. The Thule Society is a peaceful, educational and personal growth training spiritual society. We emphasize the benefits and unique accomplishment of Adolf Hitler in breaking Jewish power.

This will be an independent society receiving guidance from the JOS clergy. Please let us know if you are interested in joining, volunteering, or getting involved.

“One day all the lies will collapse under their own weight, and truth will once again triumph.”

Just always remember that although there is a Negro and Mexican problem in North America that exists with or without the Jewish puppet masters, it is still the Jews who pull the strings. No Jew is exempt from this. Once the Jewish people are dealt with, whether they all agree with each other or not, our lives will return to the way that Satan and Adolf Hitler intend for them to be. Whatever you do, don't ever forget this.

FBI says San Bernardino attacks considered act of terrorism; shooter pledged allegiance to Islamic State leader

Always remember it was the Jews who opened up the borders of America to these people in 1965. As the Jew Senator, Javis demanded in his own words: "Open the Gates". As Professor MacDonald showed in his book Culture Of Critique. It was 100 percent all Jews behind opening the borders of America to violent, turd world invaders such as these.....Why? To destroy White People of course they even stated it.

Lets go back to what the Founding Father's of America put into the actual Constitution of America in the Immigration and citizenship acts. That only White People Of the European race many immigrate and become citizens of America.....What? The jooz Libertarians didn't tell you that did they...Just like your Jew faced professor of doodlelogy didn't either in Skrule....Wonder why Goyim?

The FBI director said Friday that the San Bernardino massacre is being treated as an act of terrorism, and investigators are scrutinizing the digital footprints of the husband-and-wife killers to determine who, if anyone, may have known about the plot.

"The investigation so far has developed indications of radicalization by the killers and of potential inspiration by foreign terrorist organizations," FBI Director James Comey said. He added that authorities have "no indication that these killers are part of an organized larger group."

For two days, the FBI would not say if the shooting at the Inland Regional Center was terrorism or an unusually elaborate case of workplace violence. One pivotal shift in the investigation appeared to be the discovery of a Facebook post attributed to Tashfeen Malik, 27, who police say carried out the killing spree alongside her husband, Syed Rizwan Farook, 28.

[The victims of the San Bernardino massacre]

Just after the shooting began, Malik went on Facebook and pledged her allegiance to Abu Bakr al-Baghdadi, the emir of the self-proclaimed Islamic State, the militant group that says it has established a caliphate in Syria and Iraq, according to law enforcement officials. A Facebook official confirmed the posting, speaking on the condition of anonymity due to the ongoing investigation.

The company official said Facebook identified and removed the post a day after the attack, saying that any content praising an Islamic State leader violated its community standards. The company said that content remained available for a period of time after deletion and that it was cooperating with law enforcement.

Comey declined to discuss the Facebook posting.

"We are aware of it," he said during a briefing with reporters. "We have a lot of evidence beyond that we are looking at but it is too early for me to put it in context or comment on it."

Farook had maintained a Facebook page that was deleted before the shooting, according to Rita Katz, executive director of the SITE Intelligence Group, which tracks online communications of extremists.

A post on an Islamic State-linked blog on Friday claimed that the attack was carried out by Islamic State supporters, the SITE group reported. The post on the Amaq News Agency site cited the recent attacks in Paris, which killed 130 people.

Malik and Farook killed 14 people, most of them county workers, and wounded 21 others in the Wednesday morning attack. The shooters were killed in a frenzied gun battle with police later in the day.

"This is now a federal terrorism investigation led by the FBI," Comey said.

[Couple seemed quiet and withdrawn — until explosion of violence]

The Islamic State has quickly asserted responsibility for last month's massacre in Paris and other attacks, but the group does not appear so far to have done the same for the San Bernardino massacre. It was unclear if the attack — which would be the deadliest terrorist attack in the United States since Sept. 11, 2001 — was inspired by the group or specifically directed in some way.

Even as the focus of the investigation pivoted fully to terrorism, cable news networks on Friday showed journalists inside their home. Footage broadcast on MSNBC beamed out images of a baby's crib, personal photographs, children's toys and shredded paper.

[In televised broadcast, journalists show pictures, other possessions inside San Bernardino attackers' home]

Police said the two attackers in San Bernardino had assembled a massive arsenal of explosives and ammunition in their home, which officials say suggested a degree of planning and raised the possibility of further bloodshed.

The shooters also sought to cover their tracks by damaging some of their personal electronic devices, as authorities found two crushed cell phones and other "evidence that [the shooters] attempted to destroy their digital fingerprints," said David Bowdich, assistant director in charge of the FBI's Los Angeles office.

Investigators said the couple had managed to stay off the FBI radar and apparently didn't take any overt steps to make contact with Islamic State operatives living overseas.

"This is not Jihad 101," the senior law enforcement said, saying that the attackers had not taken the usual steps commonly seen in previous terrorist attacks. Other attackers or people accused of trying to travel overseas seeking training have made contact with terrorists through social media. In some cases, supporters of the Islamic State have shared the group's propaganda.

The Islamic State uses sophisticated propaganda to recruit adherents and has called for lone-wolf attacks in the United States and other countries, something U.S. officials have called an immediate danger.

Saudi intelligence is investigating Malik's time in that country, and the government there has not confirmed when she lived there or whether she left with Farook when he visited for nine days in the early summer of 2014.

But a Saudi official said that Malik's name does not appear on any watch list there, and that they have uncovered no evidence of contacts between her and any radical individual or group during her time there. The official said that Malik had lived with her father "off and on" in Saudi Arabia over the years, apparently traveling back and forth an undetermined number of times to Pakistan.

Since the massacre Wednesday — which also wounded 21 people — officials had been scrambling to determine whether they were looking at a terrorist attack or an extremely unusual and lethal case of

workplace violence.

Farook was a county health worker born in Chicago, while Malik had originally entered the United States on a visa. In the days after the attack, investigators found no outward sign of Islamist radicalization, psychological distress or a desire for mayhem.

[I'll take a bullet before you do': Scenes from the San Bernardino shooting]

Two criminal defense attorneys representing Farook's mother and three siblings held a news conference Friday and offered insight into the slain shooters, describing the husband as a loner and the wife as extremely conservative religiously, to the point that she would not be in the same room as her male in-laws. Malik's brother-in-law had never seen her face.

High Priest Jake Carlson, I am zolaluckystar, a member of JOS. I am the person Brian mentioned in his communication. I would like to just explain myself to you please and how I fit into all this, if I may.

I asked Satan one night about a month ago: If there is anything else I can do to help you other than what I am doing already, please let me know. I would like to help you more. I see Brian's positive regard and passion for Hitler is genuine – I have known him for a few years - I felt inspired to tell him Hitlers God was in fact, Satan. I told him about JOS. He said he has been corresponding with HP's Maxine Dietrich, Don Danko and Hooded Cobra! Imagine my surprise! It seemed to me since three HP's were so supportive to him it was my duty as a loyal spiritual satanist to support them by helping Brian as his work involves our Fuhrer and promoting him in a positive light. I felt this was Satan's response to my request to help more.

And so I offered him my assistance: in art design, secretarial volunteering and I try to help educate re our SS viewpoint. I have encouraged him to Dedicate. I have advised him to remove the jew stuff also as it goes against our views. He felt he should submit the document in its original form as was seen by the three HP's he made contact with to the forums for discussion - for the sake of honesty. So he left it in. I explained that some of our core precepts are centred around honesty and honour, but most importantly, there is no such a thing as a 'good' jew. Brian is on a learning curve. But he is sincere and has stated to me he would very much like to get to know Satan...I hope I have your support in this? Should he do the right thing and get the stuff in there about the jews out? I do agree on that. Hitler himself would not bend to the enemy.

I just want to be a good satanist and do what is right. For people to understand Hitler was actually a great man and not a villain is a powerful paradigm shift. It is world altering to grasp this since the lies and brainwashing, as we all know, are so entrenched. Like the world looks one way and then when you grasp this one crucial fact everything shifts out of recognition, like a kaleidoscope reality takes on a new design. I know it did for me. When I finally understood how deep that particular lie ran and how I had been so misled in regards to who Hitler was I sat and sobbed.

I would ask your forgiveness High Priest Jake Carlson, for not thinking - I should have advised Brian to ask all of the HP's permission. It would be very kind of you to give as I feel I ought to have thought of that and let you down in that respect. It was an honest mistake, I wasn't aware this was protocol though in hindsight of course it would be! Duh. I feel pretty stupid about not catching that. No disrespect was intended; either to you or the other Ministry. I am bi-sexual and third sex myself. I am a Dedicated SS. I dedicated on the summer solstice this year so I am rather new. Brian may not be a spiritual satanist yet, but I am and I take it seriously. I look up to my HP's and the other senior members. You are my big brothers and sisters! I would never knowingly do anything disrespectful towards any of you!

Out of esteem I would have written this to you sooner but I have been encountering heavy resistance and interference in all my efforts to do so. Strange computer malfunctions, internet going down on me, other blockages etc. I tried till 2:00 AM last night to write to you and was prevented. This afternoon I was prevented again.

I have a request of my own not related to this matter at all High Priest Jake Carlson. I may as well tag it on here...I do the spiritual warfare of course, but I was inspired a while ago to begin my own private project for Satan and the Gods of Hell. I believe it was one of the Gods who put the idea into my head. I have been quietly working on it as I can. Eventually I *think* I may be needing to ask the HP's sanction...I have been wondering who I could approach first and I get the feeling you are that person. I know I could ask openly on the forums but I feel I'm not supposed to blurt it out. Like it's not meant to be public till its ready. I'm sorry, I'm not trying to be super mysterious here. I just wish I could run it by you. Please may I e-mail you? I don't want to screw up protocol again. Thanks for your time.

Hail Satan!

Hail all the Gods of Hell!

Heil Hitler!

## Reverse Torah Ritual # 2: To Prevent Another Major War

**This ritual can be repeated as many times as you wish.**

**You can begin this ritual at any time, but for these anti-war rituals, it is best you begin these as soon as possible, as the Moon is in the sign of Libra right now and Libra is the sign of peace.**

The Jews have already planned another major war. If they succeed, this will be catastrophic for the entire world. Everyone will be affected, as Israel and the other major powers have missiles and other weapons that are capable of destroying the earth over five times, making the horrendous attacks against Hiroshima and Nagasaki look like nothing in comparison. Because the Jewish crimes against humanity are being exposed all over the internet, the Jews are again reacting to distract and to divert the attentions of the populace, no different from WW2, where Adolf Hitler exposed them. The result is the mass-murder of millions of Gentiles.

*"We possess several hundred atomic warheads and rockets and can launch them at targets in all directions, perhaps even at Rome . Most European capitals are targets for our air force. Let me quote General Moshe Dayan: ' Israel must be like a mad dog, too dangerous to bother.' I consider it all hopeless at this point. We shall have to try to prevent things from coming to that, if at all possible. Our armed forces, however, are not the thirtieth strongest in the world, but rather the second or third. We have the capability to take the world down with us. And I can assure you that that will happen before Israel goes under."*

Martin van Creveld, Israeli professor of military history at the Hebrew University in Jerusalem in an interview in the Dutch weekly magazine: Elsevier, 2002, no. 17, p. 52-53.

The words below are to be vibrated. The more people we have who will be doing this ritual, the better, as there is both strength and power in numbers.

Just do the best that you can, and become familiar with the words [I have included an mp3 of the words for you all to download], as much as you can before performing the ritual.

**The ritual below has to do with the current situation in Syria , which is extremely grave right now.** Please note I did not reverse the Hebrew word for Damascus, as doing so would be an annihilation and fulfill the evil biblical prophesy. Lilith led me to this verse. Christians not only incessantly recite and reinforce these most evil human-hating and life-hating verses, but they are also imbedded in the minds of a large percentage of the populace.

Lilith also informed me regarding these attacks against Gentile humanity, which the extent the enemy has gone to try to disconnect us Gentiles from our Pagan Gods only reveals that our Gods [Satan] are a very serious and deadly threat to this Jewish monster. The human-hating Jewish monster really fears our Original Pagan Gods.

The Jews have preplanned this war in accordance with their biblical prophesy and have pushed the Syrian hoards into Europe in an attempt to destroy Europe . This ritual is a working of peace. The Syrians must leave Europe and return to their own homeland.

The Jewish hatred and spitefulness towards what was Assyria in ancient times is the foundation of what has been occurring over there recently.

It seemed to me since three HP's were so supportive to him it was my duty as a loyal spiritual satanist to support them by helping Brian as his work involves our Fuhrer and promoting him in a positive light. I felt this was Satan's response to my request to help more.

And so I offered him my assistance: in art design, secretarial volunteering and I try to help educate re our SS viewpoint. I have encouraged him to Dedicate. I have advised him to remove the jew stuff also as it goes against our views. He felt he should submit the document in its original form as was seen by the three HP's he made contact with to the forums for discussion - for the sake of honesty. So he left it in. I explained that some of our core precepts are centred around honesty and honour, but most importantly, there is no such a thing as a 'good' jew. Brian is on a learning curve. But he is sincere and has stated to me he would very much like to get to know Satan...I hope I have your support in this? Should he do the right thing and get the stuff in there about the jews out? I do agree on that. Hitler himself would not bend to the enemy.

I just want to be a good satanist and do what is right. For people to understand Hitler was actually a great man and not a villain is a powerful paradigm shift. It is world altering to grasp this since the lies and brainwashing, as we all know, are so entrenched. Like the world looks one way and then when you grasp this one crucial fact everything shifts out of recognition, like a kaleidoscope reality takes on a new design. I know it did for me. When I finally understood how deep that particular lie ran and how I had been so misled in regards to who Hitler was I sat and sobbed.

I would ask your forgiveness High Priest Jake Carlson, for not thinking - I should have advised Brian to ask all of the HP's permission. It would be very kind of you to give as I feel I ought to have thought of that and let you down in that respect. It was an honest mistake, I wasn't aware this was protocol though in hindsight of course it would be! Duh. I feel pretty stupid about not catching that. No disrespect was intended; either to you or the other Ministry. I am bi-sexual and third sex myself. I am a Dedicated SS. I dedicated on the summer solstice this year so I am rather new. Brian may not be a spiritual satanist yet, but I am and I take it seriously. I look up to my HP's and the other senior members. You are my big brothers and sisters! The members of the Joy of Satan, are well educated in the Jewish issue.

To make the long story short, we all here know that jews cannot, neither will ever be "good" and this good cop bad cop routine, has absolutely no base in reality. It is just based in wishful thinking, false philosophies and pseudospiritually posing nonsense, that wants to prove lies unto itself.

There is, though, hard historical evidence that shows beyond a shadow of doubt, that these "possibly good" people, have pushed whole Races into extinction, including the Phoenicians, the Phillistines, even Romans and many others. They have destroyed the Pantheons of all Pagan peoples, cursed our Gods and defamed our Grand God, same as murdering outright anyone who was into the Mysteries and re-writing these to fit their ends.

Civilizations like Egypt, Ancient Greece, the Roman Empire, the Middle East, all prove the destructive intentions of this race. To us, keep the "Zionist" nonsense away. We know how this works, oldschool style. Also, one just needs to open their holiest books, with the top of these being the Bible, to see their murderous and expansionist intentions for all other Gentile people in the World. No other Race or people have ever done what this Race has ever done. The philosophies in politics they have created, are leading all civilizations to ruin. The "art" they are forcing is just art of mere degeneration and destruction of the higher abilities of the people and Races. Their control of the monetary, media and political system, which destroys people everyday, is against a testament. How whole countries are being robbed and destroyed by the so called... "Possibly good" jews, is something that one cannot neglect.

Anyone but the mob is who knows the above and is well educated on this. The Mob on the other hand, would definitely want to believe in all these sugar coated lies about "Good and Bad" jews, and whatever other excuse because they either lack knowledge, or their mind and reality cannot contain that the jews are

just a criminal Race. The evidence and historical evidence speaks, nobody else. Others just express it. These people have caused WW1, WW2, their political spawn (Communism) has given Humanity millions of dead. Right now, they are ethnically cleansing the Middle East. They have eaten Humanity alive.

Even in Buddhism, are you aware that Mao Ze Dong, basing his theories and practices on Communism (A Jewish creation) Murdered 40 to 70, some claim 100 millions of the best Chinese people, among which the greatest and most advanced practitioners of the Spiritual Practices. Let's not even mention the Middle Ages, where people like us were burned alive, simply due to the "Jewish god". Leave aside that "Christianity" has murdered all sorts of spiritual practice (Christianity is Jewish) and that it is actively leading European civilization into destruction, by weakening of one's intelligence, spiritual ability and fake "saint" standards.

This Race is a criminal Race. One can cope with reality or make up any other theory to deny, but that doesn't mean that the facts can't talk for themselves.

We have had enough lies about the Jews, and the "mob" is who is indoctrinated to always think and believe that these people could be possibly any "good". Open their holy books, study them, or just your Bible and Old Testament. 6000+ years of history, do prove a lot of things about someone. They have had their chances, and why every time they got these, they either lied, they orchestrated wars, outright killed people, used a fake program stolen from religion to enslave the masses and the endless list goes, with the pinnacle being enslaving the whole planet with the Media, the news, even inside schools and the pinnacle... The Holocaust Myth which has had the purpose to mentally enslave the Gentile people for good, to raise the Jews beyond even any remote criticism. Why all this and why nobody else has done all this in Human history? Why the Jews? Because they are a criminal Race, plain and simple.

One last question. If the enemy had full dictatorial power, like in any other time, is anybody so naïve to think that they would spare their head, or that some "good Jew" would eventually save their ass from the rest of their Race, which is probably up to the 95% that wants to outright damage or even murder, anyone who goes against their wishes? Even if this was the case, it's still nonsense, as because this small percent of the supposedly and hypothetical (but not in reality) "good" is just getting swooped below the bad, evil and destructive, EVERYTIME.

In the Joy of Satan, we know the Truth and we adhere to Satan, which we have found to be the Original God of Humanity. Nobody can accept this term that is professed here, unless it's agreed that one can be in without adhering to this opinion.

The good cop bad cop routine and the "ever wishing be good" lies will no longer work. We can agree to disagree in regards to this thing. Nobody would have accepted this if they saw the term, but it seems to have been inside the PDF.

Satan means Truth in Sanskrit. We are about Truth. Fully and unconditionally. The Jews state that "HA'SATAN" is their Enemy. Enemy in Hebrew is what to us is the Truth, our God.

It doesn't take any further insight or any superhuman ability to understand that we are dealing with a criminal Race and that even in a hypothetical "good" jew scenario, it would never be worth it, or possible. For us this doesn't exist, but since it may exist for others around, we let you know straight forward about it.

It is, what it is, for us. Point blank.

No disrespect meant, just clearing out our lines.

Hi High Priest Jake Carlson,

Thank you for your guidance. Yes. I agree with your request. I deleted the last appeasing section for 7.6 attached. The part I cut out was:

Once the world realizes how severely the international Jews have harmed all of humanity, they are likely to turn against the Jews as a mob. Because the mob does not distinguish between good Jews and bad Jews, the Thule Society is trying to protect the good Jews from abuse. The Thule Society protects Jews from violence. We enlist the support of genuinely sympathetic Jews just as Hitler succeeded in doing so. In the end, an organization that could save the lives of the Jews, from themselves and from the results of their own actions, could be the Thule Society.

With thanks,

Brian heed the lesson of Buddha on the Frog and the scorpion on the whole good Jew thing. There are only Gentiles frogs and Jewish scorpions. Its in their nature to be what they are and nothing is going to change that. Jews like to promote the myth of the good Jew so it allows them to join up with you and ruin your organization from the inside out while taking the heat off the tribe with the only a few bad apples nonsense. Its the number one need tactic from them to really take control of the opposition and misdirect people as to their real nature. Its dangerous and outright lethal to fall for it. Look at how Finkelstien the Mao supporting Jew has ruined the opposition to the Zionist state. Were you can't even criticize the holocaust. And he spends more time whining about Hitler then anything.

However after that, why are people so hostile here? Everything Brian has stated about being in communication with myself and the others mentioned is true. And how he found us is true as well. We can have disagreements without acting like such.

Interesting but his headaches are probably caused by his strange jew genes and all the medical problems they bring. That Klapner jew the Xian monk has been in and out of psych wards and hospitals its whole life as well. The jewish race suffers from the most genetic illness of any group at least 16 and numerous psyche illness in general. They really are a cursed race. You can see their a race by the fact of Tay Sacs disease its a genetic disease that only afflicts jews. It normally kills one in every five jews its so rampant. Israel had to take drastic eugenic measures to attempt to stave it off.

Hello HPs Maxine Dietrich, Jake Carlson, Don Danko and Hooded Cobra,  
I have launched this attack on a Jew Buddhist leader I have been in correspondence with. He is Bhikkhu Bodhi and last year if Tricycle magazine gave a Buddhist justification for killing with the example of stopping the Nazis in 1939. He was criticized by other senior Buddhists for that so I wrote to him and argued the truth about WW II. He would not budge so I have confronted him now.

I wrote the below channeled writing today to the leading monk in my Thai Forest tradition in England, Ajahn Amaro and to the Jew Buddhist monk Bhikkhu Bodhi (BB). BB is one of the two top American Theravada monks and he's in New Jersey...

...Confront Bhikkhu Bodhi about him likely lying to Brian Ruhe about the Holocaust and Nazi Germany. We've had several correspondences in 2014 about this and he will only study mainstream historians, he writes. I have his emails printed out. Bhikkhu Bodhi has well served Buddhism more than almost any Western monk in history. We need Bhikkhu Bodhi on video on YouTube admitting that he was wrong about Hitler and the Nazis. He should admit that he was wrong to only read mainstream historians if he was going to study World War II and that he didn't plan to spend any time doing that, he wrote to Brian Ruhe. He called the Nazis the most maniacal government.

Relate this to his chronic headaches. The truth might set him free in a philosophical sense and not help his headaches. His headaches could get better if he is an honest monk. His headaches could stay the same or they could get worse if he continues to be a lying Jew about Adolf Hitler. Bhikkhi Bodhi (BB) could die at any time from a brain hemorrhage or tumour.

Brian Ruhe will write to BB unless he doesn't make it a priority, in which case somebody could write for him...

Dear Bhikkhu Bodhi,

How are you? I wish you well! How are your headaches lately? I have not been in touch for a year because I didn't know how to proceed with you since you criticized what you people call Holocaust deniers. You wrote emails to me, which I still have, about Hitler and the Nazis which indicate that your views differ greatly from mine, are the opposite of mine. Also, your views were wrong and untrue. So, I am asking you to do some sincere

research. Please take all the time that you need. I can supply an attachment with recommended studies that I have prepared if you like. As long as you are sincere I will extend my mental protection to you. It's your life. Please learn the truth and then live in the truth like a Theravada Buddhist monk. Then, please recant your views and your statements and please make public statements to that effect on YouTube so that I can watch them for myself. Equanimity dictates that Mr. Brian Ruhe can not block the transmission of this email to you. I work by the page, regardless of what I write.

The reason why I am writing to you now is because I have had an awakening experience and I "know" truths that I did not know in 2014 when we last corresponded. The nature of these things you can glean from the attached emails I have sent to my head office monastery, at Amaravati, in England.

Yours sincerely,  
Brian

Thank you HP Don Danko,

I really am on board with not giving breaks to the Jews, yes. I think what was confusing was my writing made me seem that way but I don't really feel that way and I did agree to delete that last section of the Thule Contemplative Society of Hitler proposal. I hope some JOS members will join me, zolaluckystar and Tyrone to make it a bona fide society. We are moving forward and I am inspired to do so!

Hello HPs Maxine Dietrich, Jake Carlson, Don Danko and Hooded Cobra,

I have launched this attack on a Jew Buddhist leader I have been in correspondence with. He is Bhikkhu Bodhi and last year if Tricycle magazine gave a Buddhist justification for killing with the example of stopping the Nazis in 1939. He was criticized by other senior Buddhists for that so I wrote to him and argued the truth about WW II. He would not budge so I have confronted him now.

I wrote the below channeled writing today to the leading monk in my Thai Forest tradition in England, Ajahn Amaro and to the Jew Buddhist monk Bhikkhu Bodhi (BB). BB is one of the two top American Theravada monks and he's in New Jersey...

...Confront Bhikkhu Bodhi about him likely lying to Brian Ruhe about the Holocaust and Nazi Germany. We've had several correspondences in 2014 about this and he will only study mainstream historians, he writes. I have his emails printed out. Bhikkhu Bodhi has well served Buddhism more than almost any Western monk in history. We need Bhikkhu Bodhi on video on YouTube admitting that he was wrong about Hitler and the Nazis. He should admit that he was wrong to only read mainstream historians if he was going to study World War II and that he didn't plan to spend any time doing that, he wrote to Brian Ruhe. He called the Nazis the most maniacal government.

Subject: My Apologies

I am apologizing to Brian Ruhe and whoever else I lashed out at, directly or indirectly. I didn't mean to be a pain in the ass. However, as far as the third sex goes, all I intended was to make it clear that unlike the Nazi groups of those who are without, Satanic Nazism embraces homosexuality just like heterosexuality. However, this is where I fucked up. I became immature and acted like an insecure moron and made a fool out of myself. You have my apologies, and next time, I will try to think before I act.

Brian, by attacking the Jewish root of the problems we as White Aryans face is the right move. I didn't take it all into full consideration that you were coming from a different religion. A quote from the Crowned Princess of Hell, Astaroth, is as follows: "There is no such thing as 'blind hatred' towards the Jews." She was referring to Satanic Pagan Anti-Semitism, not Christian "Anti-Semitism," as the Christian and Mudslime versions are worse than no Anti-Semitism at all, as they flirt with the notion, but in reality, reject the real deal. True Anti-Semitism comes from one source: Satan, himself and the Powers of Hell.

I hope you will find comfort here in our religion and join when and if you feel that this is the path for you. If you go after the Jews and expose them for the sewer rats that they ALL are, you will eventually need Satan and his Demons' protection to keep you safe, as many who are not dedicated Satanists wind up behind bars or dead. Satan leads the way. He shows how to keep ourselves as safe as can be, and he keeps us out of any real trouble. Spiritual attacks still happen, but people who do not go through the blood/DNA Dedication ritual to Satan are sitting ducks for every kind of attack.

As for signing one's name in their own blood/DNA in the Dedication to Satan ritual, I used to think that this was just a traditional formality, but lately, Demons have been telling me to write a sermon that they will be dictating which proves that this is not so, and they will be telling me the real reason why a drop or two of blood to sign one's name in is so important. This will clear up many people's confusion and concerns.

My best of wishes to you!

Thanks for your thoughtful post High Priest Jake Carlson! Can you send me your email address to brian@... . There's more I need to learn about things such as your writing on: to Satanic Pagan Anti-Semitism, not Christian "Anti-Semitism," as the Christian and Mudslime versions are worse than no Anti-Semitism at all, as they flirt with the notion, but in reality, reject the real deal. True Anti-Semitism comes from one source: Satan, himself and the Powers of Hell.

Before I discovered JOS in August I had already dedicated myself to Adolf Hitler deva. I feel like this is either two masters or Hitler might be a manifestation of Satan. I don't know. So, what is your advice? I haven't seen Satan yet but I've spent a long time watching Hitler videos and listening to his warrior's cry and reading

subtitles and Googling his speeches.

If you're on Facebook please friend Brian Ruhe there as today I released some major policy statements. I am using Facebook and YouTube as my PR outlets at the present moment.

## Important Information on How to Perform the Reverse Torah Rituals

1. Raise your energies. Any formal ritual or working is empowered by raising the energies of your soul. Here is information on different ways to do this. Always do whatever you are comfortable with and what works best for you as an individual:

### Raising Energies

[http://www.exposingcommunism.com/Raising\\_Energies.htm](http://www.exposingcommunism.com/Raising_Energies.htm)

To correctly vibrate SATANAS

<http://www.exposingcommunism.com/SATANAS.htm>

2. The Invocation to Satan is optional. The reason for this is that these reverse torah rituals should be done as often as possible given their importance. Satan and Lilith want these to be as easy to do as possible, yet effective. By shortening the formal ritual, more people will be able to do them more often. There is both strength and power in numbers.

Invocation to Satan

<http://www.exposingcommunism.com/Invocation.htm>

3. After you have raised your energies and recited the Invocation to Satan, then you proceed to the important part of vibrating the words of power given for each ritual 9 times. The entire paragraph should be vibrated in its entirety for each time. Please listen to the audio recording specific to the ritual provided on an Mp3 for you to download, to make sure you are reciting the words of power properly.

4. When you are finished vibrating the words of power, then you recite the affirmation given with intent and focus.

5. When you are finished with this, the ritual is done.

We are facing a very serious situation. This is a life or death situation, especially in regards to the anti-war rituals. Many people are deluded and too weak to face reality, but this does not make the reality go away. The earth is in a disaster ecologically and has become a horrendous garbage dump. Safe food, water and even air are disappearing, for one and for another, given the missiles and the nuclear bombs, capable of destroying the entire earth over five times, everyone should be concerned.

Lilith informed me that the future is not written in stone so to speak and is open to change and it is very important that we alter the disastrous course that has been set in motion by the so-called "Holy Bible" which is nothing more than a human-hating manual for the destruction of civilization, along with the death and damnation of everything that is on this planet, along with that depraved and hideous Mudslime Koran, which is nothing more than a book of criminal insanity to its ugliest degree. For more information, please read:

Why There is Suffering? Satan Gives Answers:

<http://www.exposingcommunism.com/Why-is-there-suffering.htm>

Unlike Christian and Mudslime programs, where one is told to "have faith" and not to ask questions, Satan encourages intelligence, inquiry, and SATAN GIVES ANSWERS. Always remember that no deception, no scam, no swindle or victimization can take place when the intended victim KNOWS AND HAS KNOWLEDGE.

KNOWLEDGE IS THE FOUNDATION OF SATANISM!

I never send personal messages to members, but when my time permits, I do answer e-mails that I am able to answer.

Please just try to remember that "Satan" means Enemy and Adversary in Hebrew, which means that a human being can be \*a\* Satan, as well. Any non-Jew, namely a Satanic Aryan who is consciously dedicated to Satan and his National Socialist cause can be considered \*a\* Satan. Satan encourages us to have such racial pride, as we are his product in the first place. While we must always maintain our respect for Satan, he doesn't wish to see us "properly humbled" as his slaves, either.

While Satan is who we put first, as he is our beloved biological Father, Adolf Hitler is most definitely \*a\* Satan -- a Satan and Demi-God who has by far surpassed any other human or Man-God who has come our way, as he was more dedicated to Satan than any mortal has ever been despite the politically correct image of himself that he provided towards Christianity so that his foreign relations were not ruined. I'm not allowed to say much more about this, but Hitler's body and the body of his wife, Eva Braun, were never found. Satan gave them the instructions for completing the Magnum Opus, which is the objective of the Satanic religion. It also helped that Hitler and his wife were both Satan-dedicated meditators and practitioners of yoga.

Just please keep reading all of the Joy of Satan, as well as the Black Sun and related websites, including my website, as I occasionally make certain secrets known that speak to the souls of those who are looking.

There is nothing wrong with honoring, praising, or even worshiping Adolf Hitler. Aryans in the Far East have included bust statues of Hitler among their wide array of multiple-armed statues of their Divinities.

While Satan should be prioritized before anyone else, he encourages us, his White Aryan Race to lend an open ear to anything that Adolf Hitler might have to say because Hitler could very well have assignments to hand to us.

Subject: Re: My Apologies

Here are some quotes about the Fuhrer that I don't expect everyone here to already be fully aware of..

"Hitler was possessed probably by Lucifer himself." -- Max Dominick

"Walter Stein was to witness a maturing soul development of ...[Hitler] through which he became more and more a conscious and responsive tool of the world-shattering purposes of the Demonic Spirit which overshadowed him. 'I move like a sleep-walker where Providence [my note: Satan] dictates,' said Adolf Hitler at a press interview."

"The power that came from the Spear [at the Treasure House] into Hitler came from the Abyss." -- David Bay

[Regarding Adolf Hitler], "Eckart said, 'Here is the One from whom I was but a prophet and a forerunner.'"

"When [Hitler] held these outdoor stadium meetings, he was holding a Pagan ritual..." -- David Bay

"It was all part of the plan to set up a place where Satan could reach out to thousands of people in his vessel." -- Max Dominick

"[Hitler] was holding a Satanic ritual in front of 80, 90, or 100,000 people in these stadiums, and not only was he carrying the hearts of the people away in the stadium, Hitler had developed a speech pattern that mimicked the human heart, and it really swept [the people] away." -- David Bay

"The rally site in Nuremberg would become an imitation of the altar to Zeus at Pergamon [sp?]. Adolf Hitler commissioned Albert Speer to design his new throne based on the Pergamon Museum in Berlin, Germany. Hitler said that he wanted to create 'a mass experience.' The people would look onward at the columns of light streaming to the heavens to set the mood for a new spiritual awakening."

Revelation 2:13: "I know where thou dwellest, even where Satan's seat is."

As we can see, Adolf Hitler wasn't some gruel-munching, scowling "dictator." He was a God sent to the people to rescue the people of Satan for Satan and in full accordance with the desire of Satan.

Please take these quotes into consideration.

Trump And The Games Jews Play

<https://www.youtube.com/watch?v=PQYOvDmWqjo>

Trump spent all the time bragging about how he loves Jews, his daughter is Jewish, his grand kids are Jewish and his in laws are Jewish. How he loves the Jewish state Israel and gives money to it all the time, and is mad Obama has not done enough for Jews and Jewish Israel. Brags about his massive amounts of awards from Jewish lobbies for supporting Israel and Jews his whole life. But he says he does not want their money just their support and this is why they can trust him he is not pandering for cash so his TOTAL SUPPORT OF JEWS IS SINCERE.

The Jew media is crying trying to make Trump somehow seem against them. This is because its never good enough for Jews no matter how much you kiss their ass. Hell, Trump even gave them his own daughter and its not enough, he might as well be Jewish himself and its still not enough. Trump is the biggest Cuckservative on earth.

The other reason is Jews like to confuse things the fact Obama is their shill as much as Bush was and Trump is. Trump is being billed as anti-establishment populace, man of the people. Its a game to attempt to keep some faith in the Two Party system that is controlled by Jewish power. As some how not. Trump is not their shill he's up on stage in front of Jews gushing about it with pride.

Trump's Republican Jewish Coalition event comments stoke outrage over stereotypes during awkward day for GOP hopefuls

Donald Trump addresses the Republican Jewish Coalition at a candidate forum Thursday.

Donald Trump led a field of faux pas at an awkward presidential candidate forum for the Republican Jewish Coalition Thursday.

The GOP frontrunner stoked outrage among Jews both in attendance and in Israel with his comments about money and foreign policy at the event. His speech played out as only a sampling of the strange moments from the event, though.

Satanic Forces, I salute all of you.

A darkness is coming upon this World, or for a more accurate saying, the enemy is trying to bring this over. This world has fell for too long, but not completely, unto the hands of the enemy. The enemy is orchestrating a war. They are aiming for yet another global war which will be, the jewish oligarchy doing genocide, from all Nations and states against one another, merely due to jewish interests and to fulfill the jewish hunger for blood.

They have written the script, they have called in the actors, their payed their politicians, the sewn their costumes. They have created the stage. They have indoctrinated many people unto this world to be the audience of this act. An act which is supposed to catapult the enemy into the position of complete power, over all people on Earth. The act ends with the flowers of their dream, which is the Jewish World Order, based on the blood of countless of people. This act has started and it is proceeding.

There are some people, behind this stage. The old backstage-holders are falling, and the enemy has nowhere to turn for advice. They just want to follow the script and finish this act faster. As they are moving with this act, it's supposed to end with much killing, tons of blood. Killing of hundreds of thousands, or millions, or even billions of people. The audience will be surprised to know, what we know and have known for many years and what we have fought against. That this was never an act, and that it was reality. Reality that can shatter any weak Soul and drive them to the ground. They are going to see the blood flow, and this blood will be neither paint, nor an act. It will be as our enemy intended it, the blood of real people which they have shed and are shedding as we speak.

Envision we are above the scene of all this. We have been given orders to get down and stop this act, before it is too late. Stop this before the people do get killed, the audience dies of the terror. We know the

script of the enemy, and we know their actors. We know how this ends, and we know of the sharpened knives and guns they hold below their backs. We also know one crucial thing, that this act is moving in desperation. Actors are losing their words, the stageholders are making moves that make the audience suspicious. They have made many to leave, like so many of us have done and are now here, knowing the Truth. But above all, we know the most important thing: To not step in and finish this act, is analogous to becoming a silent acceptor of the death that is to come and follow.

Will you get down with your Brothers and Comrades, and stop this vile act, disrupt their plans? Are you willing to fight, even if it means to exhaust yourself and fall down to shreds? Knowing that you defended countless innocent people, women, children and whole Nations? That you took the only certain route of really freeing and saving, even yourself?

Or you will cower, stay back, mind your own little self and join this audience? Clap and shout for the actors, glorify the act writers, to just die like a chicken in the end?

I just have to point something. Nothing less than Destiny has brought you here. Amongst this folk, amongst your Sisters and Brothers. Under this Banner of Satan. Look at those hundreds around you, being lost in their lies and deceptions, like sleep walkers of the lowest kind, chasing the jewish carrots on a stick all their lives. Every day, you are taking a step towards that destiny, that which is a Destiny of Truth and Awareness. Your Destiny has chosen you, and you must chose it back.

Will you wither away, like another one, who never did anything, minded their small, petty, poor self, the little small life, he who someday, ceased to exist and did not receive the Hand of the Gods to go to the other side? If this is your choice, what is your destiny, but that of just another of these millions of these jew slaves, who are just waiting for the day the master will take their head, or when will the master throw a carrot so they can feed? What kind of curse are those who are going against us inviting into themselves? What is this denial, causing at their Spirit. Where does it lead their World and our shared existence? Do they affirm and accept that they are a coward, a zero, that they are nothing else, than a helper of the enemy who helps them with their silence, inaction, boredom or whatever other petty excuse? IS THIS YOUR DESTINY?

Or Will you write your name upon this Eternal Stone, of the Heroes of This Age? The ones who kept the legacy of the Gods high, the Ones who raised a voice against the Tyranny of the enemy? The ones who fought all their life, for what was Right, True and Just?

If you know the Truth, you are Responsible, because you know the Truth and you are able to act. If you was incapable, below of the circumstances, not meant to, or whatever other excuse, you simply would never know. It was your Destiny to know, same as it was your destiny to act.

It was because, something inside you holds an Eternal Fire, like the Truth. Do not betray it, for it is the flame by which you will be made Eternal. Do not extinguish it, for you will only be trying the impossible. Do not try to escape the call, for you will just be in a race of vanity, trying to escape yourself.

No matter how old, and no matter how young, no matter where you stand ,or where you come from, or what you are, or ever were. No matter what you have lost, or what you have conquered. Come with us, and become a Hero. March with us, and become a God, for a moment, even. Know for a moment, that you are HERE, that you are standing with your Comrades, defending all that of which others are trying to destroy, all that of which is Worth. Be of the few that will stand up for Truth, and raise their heads against this total Tyranny of the enemy.

Become like Father Satan. For once, raise your head against Tyranny. Fight it. Declare your will that this is going to be no more.

Our God is stronger. Our People are mightier, the Truth stands defiant above all.

Truth can only be hidden, but it can never be defeated.

THAT ENEMY FILTHY ANECDOTE, IT ENDS NOW AND FOREVER.

Your Soul must awaken Brothers and Sisters. You have our conviction and the conviction of everyone of our family, but above all, HIS conviction. Satan leads and we follow. Whomever marches with us, they pledge their faith with us and we become stronger. A huge darkness is coming upon this World, but in your Soul there is enough Light to put this Darkness away. Our Will is Truth and in our Wills, there rests enough power. In our Souls is the Salvation, not only ours, but at this time, of the Whole World.

Our Will is about Peace. The enemy advances must stop and the enemy must be brought down to shackles and be eternally bound. Their lies must be revealed and their plans for the destruction of the world must fall upon themselves and never come in play. The people they have destroyed and they have damaged beyond repair, they must be saved. Their slaves and pawns must meet their enemy masters and share their fate.

This world must stop falling into the war and bloodshed the jews are putting it. There is no reason for this, and it never was, other than the wet dreams of the jews, who want to rule as a slaver authority over people who are supposed to be free. The jews must lose this on this final advance and all advances.

For once, become like Father Satan. Rebel and Win. For once, come like the Morning Star, in this world of Darkness to save the people from Darkness. For once, bring down all the teachings of the enemy, shatter them and prove them entirely wrong, as they always were to begin with. For once, let us write our own story, which is the True Story, which was always the Truth in all Ages and all Aeons.

Satan, The Truth, always Wins. Satan stands triumphant and the liars, who lied about Him, us and stole all this legacy, will know this, despite of all their attempts to hamper this and stop this. Destiny is on the gates.

Such a needy, slaver and torturous, vile and psychopathic "God", really in the image of our enemies. A "God" that demands for billions to die, simply due to its insane and slaver desires, to enslave a world, for his chosen degenerates to "reign". A world destroyed and full of cockroaches, upon which rats will make the "kings"? That is surely the only deserving world the enemy can lead.

We reject them all. And we will fight against them all.

We declare their "God" weak, void, destroyed and bound for all Eternity. We declare the Darkness has lost.

We are more powerful than the enemy, just prove this. Let it show. Show them that a bunch of criminals and blood shedders cannot make this World a pig farm for their own alien 'desires'. Show them that the Truth can never be contained, it can never be bent and it can never be defeated. Show them that our Will is the most absolute.

The Age of Lies is coming to an end, it crumbles. As lies are ending, so does their "God", the master of all lies, deceptions and plagues put upon Humanity.

The lies will not hold the Truth, as neither will their lies win.

The Truth will Win.

Reposting this by HPS MAXINE:

## Important Information on How to Perform the Reverse Torah Rituals

1. Raise your energies. Any formal ritual or working is empowered by raising the energies of your soul. Here is information on different ways to do this. Always do whatever you are comfortable with and what works best for you as an individual:

### Raising Energies

[http://www.exposingcommunism.com/Raising\\_Energies.htm](http://www.exposingcommunism.com/Raising_Energies.htm)

### To correctly vibrate SATANAS

<http://www.exposingcommunism.com/SATANAS.htm>

2. The Invocation to Satan is optional. The reason for this is that these reverse torah rituals should be done as often as possible given their importance. Satan and Lilith want these to be as easy to do as possible, yet effective. By shortening the formal ritual, more people will be able to do them more often. There is both strength and power in numbers.

### Invocation to Satan

<http://www.exposingcommunism.com/Invocation.htm>

3. After you have raised your energies and recited the Invocation to Satan, then you proceed to the important part of vibrating the words of power given for each ritual 9 times. The entire paragraph should be vibrated in its entirety for each time. Please listen to the audio recording specific to the ritual provided on an Mp3 for you to download, to make sure you are reciting the words of power properly.

4. When you are finished vibrating the words of power, then you recite the affirmation given with intent and focus.

5. When you are finished with this, the ritual is done.

We are facing a very serious situation. This is a life or death situation, especially in regards to the anti-war rituals. Many people are deluded and too weak to face reality, but this does not make the reality go away. The earth is in a disaster ecologically and has become a horrendous garbage dump. Safe food, water and even air are disappearing, for one and for another, given the missiles and the nuclear bombs, capable of destroying the entire earth over five times, everyone should be concerned.

Lilith informed me that the future is not written in stone so to speak and is open to change and it is very important that we alter the disastrous course that has been set in motion by the so-called "Holy Bible" which is nothing more than a human-hating manual for the destruction of civilization, along with the death and damnation of everything that is on this planet, along with that depraved and hideous Mudslime Koran, which is nothing more than a book of criminal insanity to its ugliest degree. Why There is Suffering? Satan Gives Answers:  
<http://www.exposingcommunism.com/Why-is-there-suffering.htm>

Unlike Christian and Mudslime programs, where one is told to "have faith" and not to ask questions, Satan encourages intelligence, inquiry, and SATAN GIVES ANSWERS. Always remember that no deception, no scam, no swindle or victimization can take place when the intended victim KNOWS AND HAS KNOWLEDGE.

KNOWLEDGE IS THE FOUNDATION OF SATANISM!

Worshipping Hitler?

I mean, I love him, very, very much. And I understand that he is a great man, but to worship him... Doesn't that feel odd? I treat the Gods with the absolute respect that they deserve, but I only actually worship Satan. He is our one true God, our most high.

I may be wrong, but didn't Satan himself state.. "There is no God but Me..."

Please just try to remember that "Satan" means Enemy and Adversary in Hebrew, which means that a human being can be \*a\* Satan, as well. Any non-Jew, namely a Satanic Aryan who is consciously dedicated to Satan and his National Socialist cause can be considered \*a\* Satan. Satan encourages us to have such racial pride, as we are his product in the first place. While we must always maintain our respect for Satan, he doesn't wish to see us "properly humbled" as his slaves, either.

While Satan is who we put first, as he is our beloved biological Father, Adolf Hitler is most definitely \*a\* Satan -- a Satan and Demi-God who has by far surpassed any other human or Man-God who has come our way, as he was more dedicated to Satan than any mortal has ever been despite the politically correct image of himself that he provided towards Christianity so that his foreign relations were not ruined. I'm not allowed to say much more about this, but Hitler's body and the body of his wife, Eva Braun, were never found. Satan gave them the instructions for completing the Magnum Opus, which is the objective of the Satanic religion. It also helped that Hitler and his wife were both Satan-dedicated meditators and practitioners of yoga.

Just please keep reading all of the Joy of Satan, as well as the Black Sun and related websites, including my website, as I occasionally make certain secrets known that speak to the souls of those who are looking.

There is nothing wrong with honoring, praising, or even worshiping Adolf Hitler. Aryans in the Far East have included bust statues of Hitler among their wide array of multiple-armed statues of their Divinities.

While Satan should be prioritized before anyone else, he encourages us, his White Aryan Race to lend an open ear to anything that Adolf Hitler might have to say because Hitler could very well have assignments to hand to us.

Subject: Important Point

High Priest HoodedCobra666 brought up a very important point that Satan revealed to him.

That so-called "God" of the Jews, YHVH and this includes the pig excrement Allah, must be fed incessantly with energy in order to thrive and to exist.

Satan also revealed to him that directly attacking that "God" in the reverse Torah rituals is giving the enemy a total melt-down.

He will probably post more on this later. I am posting this now as it is extremely important.

Also, Lilith told me in regards to those prophesies, in the front of most Bibles, it reads "revised." I was aware of this for a long time, but her point was on how the enemy keeps changing it to suit their agenda for the current times, no different from that ubiquitous Nazarene.

Updates to fellow SS warriors.

Keep powering on with the curses HP Maxine uploaded. Even though I encountered a blockage for Curse Israel. The next day I did it... Flowed through perfectly!! Be persistent. It pays off! I can testify and encourage my JOS family, the Gods of Hell and Father Satan bless us who do it no matter how we feel.

AUM rah vibrations I feel immediate power. This is empowering! This is the least we can do to help the Gods fight the enemy.

Apply the Aura protection... Don't allow distractions to make excuses not to do them.

This is the crucial time where we have the privilege to fight and destroy the enemy. This is the least we can do for humanity. Justice, and stand to protect this beloved earth. The lizards are fucked. Show no mercy. They had it coming and deserve to be destroyed.

Thank you HP Maxine, Don, Jake, Mageson, Shannon etc and fellow brothers and sisters of Satan.

Together we fight and destroy the enemy as One!

Hail Satan!!!

Hail Lilith!!

Hail to all the Gods of Hell!!

Your time to reign is here!

Subject: Re: My Apologies

No offense, but if you love and admire Hitler, who has become one of the Gods of Hell by accomplishing the Magnum Opus, then I don't understand what your reluctance is. As it has been stated, some of the doctrines of the Al-Jilwah and other Satanic doctrines of the Yezidi tribes and others have been corrupted by the enemy. Satan shows us that he is the God of Gods, and that it is the false gods of the Bible, Koran, Communist Manifesto, and other Jewish doctrines who are, indeed, false, and do not deserve our time or effort, except when it comes to destroying the Jewish people and their bulwarks of Christianity, Islam, and Communism, and therefore, the false gods of the enemy.

Adolf Hitler is no longer a mortal. He is a God of Hell living in a different dimension until the time is right. However, if one asks Adolf Hitler certain questions, he probably won't answer them, unless they have to do with us winning the Satanic war. In other words asking Hitler certain questions that do not have to do with destroying the Jewish people and their religions, namely, Christianity, Islam, and Communism [yes, Communism is a religion], he probably will not answer, as time cannot be wasted.

There is nothing wrong with worshiping Hitler, in the sense of honoring him as one of our Gods. Many of our Gods were at one time human in the same way that Hitler was, but they have transcended their "human, all-too human" states of existence and have achieved the Magnum Opus. This is where Adolf Hitler is at, and for those of us who are as White Aryan as White Aryan can possibly get during this time of race-mixing and soul-dilution via the enemy religions, the attempt that some idiots make in regards to "But, so many of us are already mixed to some degree" is a total cop-out and it is a sign of weakness. For those of us that have any non-White mixtures, as long as we are predominantly White and we don't consciously mix races, Satanic Power Meditation thoroughly cleans us out in mind, body, and soul.

The enemy also tries to make us believe that to be an Aryan, one has to have the palest of White skin, light blond hair and blue eyes. They do this to discourage us from fighting against the Jewish enemy and the non-Whites who the Jews have under their control.

Satanic Power Meditation and devotion to Satan and the Powers of Hell make all the difference. Adolf Hitler is one of the Powers of Hell, now, and he deserves to be recognized as such from among our people.

B'nai Barry And Jews Demand Islamic Terrorism In America

If that's what not enough to get it.....

Maybe this is.....

President Obama also know as b'nai Barry. Is Jewish on his mothers side even his half brother from another Jewish mother is a full blood Jew.....Chicago Jews bragged they built his career and it was paid for by Jewish money and media.

<https://www.youtube.com/watch?v=c9uojlxzWNs>

Don't worry Trump after throwing its own daughter to the Jews for cuckolded points with the tribe has announced his greatest desire in life is to do more for the Jews then even b'nai Barry. So once Trump is done playing his new TV role as Cuckservative saviour. And he is seated in the Oval Orifice for four years. Do you think he is going to go against the Jewish agenda that controls America.....lol

This symbol of Jewish conquest and cucking of America has been going on for years:

Thursday, the beginning of Hanukkah and Thanksgiving, carries unique significance as it marks the last time for 70,000-plus years the two holidays will fall on the same date.

The President and First Lady wished the nation a happy "Thanksgivukkah," to mark the rare occurrence, in a statement issued by the White House.

Now the wretched, ugly Jews are using this pornographic event to announce their demands for more Islamic terrorists to be allowed into America the last several Islamic terrorist attacks in America [911 was the Tribe <https://www.youtube.com/watch?v=BVI-tY1aRG4> ] from Boston to California is not enough. They are moving on America with muzzies like they are moving on Europe. Just proving the Jewish race are the biggest terrorist threat on earth. If Jews were not in America there would be no recent or any terrorist attacks or 911. The Paris attacks were down with the very same Syrian Muzzies the Jews are demanding be moved to YOUR STREET.

White House Chief of Staff Denis McDonough used the lighting of the National Hanukkah Menorah to push President Obama's efforts to allow refugees fleeing conflict in the Middle East into the U.S.

[My note Chabad is the most Talmudic, best of the Goyim should be killed. Jewish organization on earth. So naturally they are in public pretending to be caring humanitarians while they promote the most dangerous and destructive forced immigration policies on our age...To kill the best of the Goyim. Don't worry while your dying they will be boogie'in with a Dreidle dance, safe in their gated and specially policed communities, like in Europe.]

Sunday evening marks the beginning of Hanukkah, the eight-day Jewish Festival of Lights, and the American Friends of Lubavitch (Chabad) held its annual event to light the National Hanukkah Menorah. The event included the lighting of the 30-foot menorah, as well as songs, men dressed as Maccabees standing as ceremonial guards and "Dreidleman" dancing to the Dreidle Song.

It is tradition for a member of the administration to make an appearance at the ceremony. Last year, Vice President Joe Biden attended the event.

Rabbi Levi Shemtov, executive vice president of American Friends of Lubavitch, began the ceremony by calling attention to the American flag at half staff on the White House, in recognition of the victims of last week's mass shooting in San Bernardino, Calif.

Note over a thousand Rabbi's walk into a bar...And demand thousands military aged men who are Islamic terrorists be brought into America. And be called reFUgees. While Israel won't take any. Note the FU part in reFUgees because that's what this is really about to us from Jews.

Subject: Hitler today. JOS compared to Buddhist cosmology.

Attachments :

Thanks High Priest Jake Carlson,

I appreciate the post about where spiritual satanists believe Hitler is today and that seems to be a positive place. You give a lot of depth in your post. I need to make time to study this more as I feel like a green student with JOS.

I have never worshipped Hitler but people may get that impression from me. I have great veneration for Hitler but that's not the same as worship which doesn't exist in Theravada Buddhism. I've been a Buddhist for 25 years and my profession has been teaching Buddhism for the past 20 years, with about 15,000 people in my courses at [brianruhe.ca](http://brianruhe.ca). I have an ecumenical relationship with JOS and I have been moving closer spiritually to spiritual satanism with the aura of protection meditation and others, and the guidance and influence of you four HP's plus the many readings I'm doing on an ongoing basis on the JOS website.

My belief about Hitler for many years is based upon Buddhist cosmology and you can see an illustration in my book, "A Short Walk On An Ancient Path" on Amazon, on page 123. There are six lower heavens in the sensuous sphere and I think of Hitler being a deva (higher realm being) in heaven number two, as Adolf Hitler deva. This is part of my visualization, channeling and deva invocation practice which I learned from Shambhala International in 1994.

This is so deeply embedded in my mind and heart so you can understand how I keep channeling to Hitler and lesser National Socialist devas in this way. I can't imagine that I will ever turn away from JOS either because our HP's are the only spiritual guidance I am receiving from anywhere. My Buddhist monks at forestsangha.org seem to be ignoring me because I am publicly very pro-Hitler and very anti-Jew.

Praise the JOS HP's!

I attach the updated version of the Thule Contemplative Society of Hitler 7.6 as a reference for anyone, for a society proposal around these ideas.

I've been a Buddhist for 25 years and my profession has been teaching Buddhism for the past 20 years, with about 15,000 people in my courses at [brianruhe.ca](http://brianruhe.ca) . I have an ecumenical relationship with JOS and I have been moving closer spiritually to spiritual satanism with the aura of protection meditation and others, and the guidance and influence of you four HP's plus the many readings I'm doing on an ongoing basis on the JOS website.

My belief about Hitler for many years is based upon Buddhist cosmology and you can see an illustration in my book, "A Short Walk On An Ancient Path" on Amazon, on page 123. There are six lower heavens in the sensuous sphere and I think of Hitler being a deva (higher realm being) in heaven number two, as Adolf Hitler deva. This is part of my visualization, channeling and deva invocation practice which I learned from Shambhala International in 1994.

This is so deeply embedded in my mind and heart so you can understand how I keep channeling to Hitler and lesser National Socialist devas in this way. I can't imagine that I will ever turn away from JOS either because our HP's are the only spiritual guidance I am receiving from anywhere. My Buddhist monks at [forestsangha.org](http://forestsangha.org) seem to be ignoring me because I am publicly very pro-Hitler and very anti-Jew.

Praise the JOS HP's!

I attach the updated version of the Thule Contemplative Society of Hitler 7.6 as a reference for anyone, for a society proposal around these ideas.

Have you seen now Russia is finding its way to Thailand under their premise isil is there.

Here is more on the article...

<http://www.aljazeera.com/news/2015/12/russia-alerts-thailand-potential-isil-attacks-151204175343246.html>

I thought immediately suspicious as Thailand openly celebrates Hitler... Jewish Russia wants to find an excuse to infiltrate it.

Yes. Now that your post was approved I guess this info is opening up. I thought that it was there for those who can "see", but I am surprised that we say it openly. Actually if you connect the dots it's more than you have said. Ramses II = "The Anti-Christ" and Hitler = Ramses II , means Hitler is our Anti-Christ and a God of Hell! It is very ironic that all the Demonization of Hitler by the Kikes have literally come true (in a good way). Their worst fears and nightmares have come true. No wonder the Media hammers Hitler, Nazis and the HoloHoax every day.

Thanks High Priest Jake Carlson,

I appreciate the post about where spiritual satanists believe Hitler is today and that seems to be a positive place. You give a lot of depth in your post. I need to make time to study this more as I feel like a green student with JOS.

I have never worshipped Hitler but people may get that impression from me. I have great veneration for Hitler but that's not the same as worship which doesn't exist in Theravada Buddhism. I've been a Buddhist for 25 years and my profession has been teaching Buddhism for the past 20 years, with about 15,000 people in my courses at brianruhe.ca . True. Adolf Hitler said that whoever isn't pissing off the Jewish media on a daily basis is not doing their jobs. This is a wake-up call to Christians. The truth is that although Adolf Hitler was a very tolerant person during the time of the Third Reich, he will have his final reconing with Christianity and related creeds, and he will never turn the other cheek again. He is instructing his people to take the very same stance, but in ways that don't land us behind bars, or dead, obviously.

Even though I have gone public about my homosexual orientation or whatever one wants to call it, some might consider me to be much more true to National Socialism than many heterosexuals. While I do not have any kind of "me versus them" attitude, I know that some people are not devoid of this mindset as of yet, but I'm just saying.

More sermons are on the way...

Egon i would add the 'Tyr' rune some place in the picture as Lord Andras is the Norse god of war Tyr

BTW just in case any one is curious Fenrir is the name of Andras/Tyr's Hell Hound, though it should be noted that the binding of Fenrir is a spiritual allegory, not an actual event.

You guys might find this interesting..... There was a type of very large wolf that lived in North America called the Dire Wolf. They went extinct 10,000 years ago (same time the enemy attacked. New testing on the bones they found in the labrea tar pits show that they have DNA unlike any Canis on the planet (and the study also showed that they probably had a large black coat of fur rather than grey like the typical modern wolf) Any of this sound familiar?

Anyways thanks Egon, I have a very strong connection to Lord Andras (pretty sure he is my GD) this picture really made my day (:

Zulu King: Blacks Destroy S. Africa

Lets not forget the Jews like Solvo who created the Communist movement in South Africa and was behind destroying S.Africa, pictured with his puppet Mandela. Just like the Jew Soros is trying to do with his Black Lives Matter, Marxist terrorist organization in America. Start a race war like the Jews did in South Africa under their Communist narrative.

As the Zulu King touches on without knowing Jews ruin everything and make racial respect between different races non-existent due to sowing the seeds of hatred and violence between everyone.

Zulu King: Blacks Destroy S. Africa

[http://newobserveronline.com/zulu-king- ... th-africa/](http://newobserveronline.com/zulu-king-...th-africa/)

The official king of South Africa's Zulu tribe has announced that that country was economically, militarily, and socially better under white Afrikaner rule—and that history will judge blacks as only having destroyed everything that they had inherited from the white government.

King Goodwill Zwelithini, who has been Zulu king since December 1971, made the remarks during a speech at an official royal household event in Nongoma, located in the northeastern part of the eastern seaboard province of KwaZulu-Natal, over the past weekend.

The event, held to mark his forty-fourth year on the Zulu throne, was reported on by the Natal Mercury newspaper.

King Zwelithini said the former white rulers of South Africa had “built a powerful government with the strongest economy and army on the continent.”

He went on to say that the white government had “a mighty army, and that the South African currency and economy had shot up” under the National Party government.

“But then,” he continued, “came this so-called democracy in which black people are destroying the gains of the past. The economy that we are now burning down.”

Addressing himself directly to black people, King Zwelethini said that “you do not want to build on what you had inherited. You are going to find yourselves on the wrong side of history.”

“History will judge black people harshly as they have failed to build on the successes of the Afrikaners,” he said, before continuing to explain that “black people loved to use matches to burn down infrastructure” built by the white government.

Below: Three photographs taken on December 7, in Johannesburg, South Africa. The country’s largest city is in the midst of a municipal workers’ strike, and part of their “protest” action consists of throwing the city’s trash into the streets.

King Zwelithini said that “people on the ground did not appreciate the infrastructure” which they had inherited from the white rulers, even though the ANC leaders themselves governed from the very buildings which the whites had created.

Referring specifically to the Union Buildings in Pretoria and the South African Parliament in Cape Town, King Zwelithini said that he was “surprised that all presidents who have been elected in this so-called democracy, occupy apartheid buildings.”

“But you on the ground, are burning everything that you found here. . . you don’t want to use them (buildings), you say this is apartheid infrastructure,” he said.

Finally, he informed his audience that he “feels lucky that I was born the same year the National Party came to power, in 1948. The Afrikaners respected me. I don’t know how it happened that the Afrikaners respect me so much.”

He also mentioned that at one of his palaces in Nongoma, he still had all the medals which the white government had awarded to his “kingdom,” marking out

historical events and achievements of the Zulu people.

King Zwelithini's comments come after a falling out with the ANC government—which he previously supported—over the reorganization and funding of his royal household

I have a question. So There's an expert regarding Hitler's "death" on the 666 black sun pdf, page 136 <http://www.exposingcommunism.com/666%20Black%20Sun.pdf>

It also says: " Incidentally, Hitler's associates Karl Haushofer and Goebbels also killed themselves in ceremonial fashion along with their wives." So did they (Goebbels and Haushofer) actually kill themselves, or did they finish the Magnum Opus like Die Fuhrer?

To my knowledge, the information on the Black Sun website about Adolf Hitler's "death" was before we found out what really happened. Hitler and his wife, Eva Braun, escaped. I have never asked Hitler where he lives right now because when going to the Fuhrer with questions of any kind, I make sure that the questions actually matter and are not just things to satisfy my personal curiosity unless answers to such questions would be of help to my fellow White Race. Anyways, to my knowledge, Professor Karl Haushofer and Joseph Goebbels, did in fact commit suicide on or around Beltane of 1945. I don't know if Haushofer has reincarnated yet, but many years ago before I knew the identity of the Aryan Anti-Christ, I once met Karl Haushofer when I was in one of my deep trance states.

Liberalism Is For the Weak, the Cowardly, and the Worthless! by High Priest Jake Carlson

There have been way too many people who have come to Satanism expecting Satan and Satanism to be Liberalism and Communism, due to the so-called "Christian Right's" oppressive standards, but Satanism is not an excuse to be a liberal. Although, there are Christians who disguise themselves as "Republicans," Christianity and related Jewish filth are Democratic religions that have simply assimilated conservative, organic Pagan elements in their attempts to stay alive. Christ is so ubiquitous that "he" can be anything to anyone during any period of time. "He" bends, molds, and assimilates to stay alive, and like "his" Jewish people, "he" feeds off of "his" Gentile hosts, namely the White Aryan Race who has laid the foundation for all civilized societies. It is the doctrine of the liberals [libtards] that harbors the blatant lie that "All men are brothers, and all races are equal." If all races were of the same blood and could be traced back to the fictitious characters of "Adam" and "Eve," like Christianity teaches in all of its politically correct, egalitarian glory, then why does DNA-testing exist to determine which race a person's blood belongs to? So much for the Jewish lie that "race is only skin deep" that the weak HERD like to repeat over and over again in order to feel better about themselves for being lesser-thans.

With the help of Liberalism and Democracy that the lesser-thans hide and seek refuge behind, the HERD animal always triumphs, as opposed to the superior Satanic Aryan God-Man who is kicked under the rug by a savage stampede of the weak, the cowardly, and the worthless who resent the Aryan Race for its superiority in every aspect of life.

Friedrich Nietzsche says about this matter: "[Democracy represents] the disbelief in great human beings and an elite society: 'everyone is equal to everyone else,'" [whereas] "Aristocracy represents the belief in an elite humanity and higher caste." [1]

"According to Nietzsche and the Nazis, who belong to the noumenalist or teleo-naturalist school of thought, Liberal institutions are therefore 'injurers of freedom' for 'they undermine the Will to Power, the freedom they advocate not being teleologically directed towards self-perfection. Scorning the liberal self-proclaimed, 'falsely named free spirits' as an 'unfree and ludicrously superficial' type of individual, Nietzsche considered that they belonged 'among the levelers' who strive after the 'universal green pasture

happiness of the herd, with security, safety, comfort and an easier life for all....'equality of rights' and 'sympathy for all that suffers.'

Socialism, Liberalism, Democracy: for Nietzsche and the Nazis, these doctrines stand accused of having led humanity into modernity's 'era of mediocrity,' which represents the 'victory of the slaves' (and their 'petty virtues') or mob rule: 'does this present not belong to the mob?' deplores Nietzsche, adding: 'Mob above, mob below! What are 'poor' and 'rich' today! I unlearned this distinction.'

Indeed, despite differences in degree, not in nature, Socialism and Liberalism are inherently one and the same 'decadent' materialistic and egalitarian paradigm, producing a leveling --and hence, a degeneration-- of the nation into a herd society, which is, in Nietzsche's view, none other than 'a sum of zeroes-- where every zero has 'equal rights,' where it is virtuous to be zero.'" [2]

"We are indeed living in the 'Era of the Slave,' a purposeless age of mediocrity in which greatness is absent and perfection, an impossibility... By imposing the Christian slogan of the 'equality of souls before God,' the French Revolution was responsible for producing the twin egalitarian and materialistic ideologies of Socialism and Liberalism, which are modern secularised versions of Christianity and which are far from achieving 'progress,' have reduced man into a 'spiritual dwarf,' a 'perfect modern slave.' Thus did Nietzsche and Nazism view modernity and the Judaeo-Christian Western civilisation... Christianity, with its notion of the transcendent and personal God, had ruled out the possibility of human perfection; only by 'killing' this God would men be able to overcome themselves and become gods, for 'precisely this is Godliness, that there are gods but no God!' ... One has to choose: either the greatness of the transcendent God or the greatness of the God-Man, the Inner God; one cannot have both, for one is always achieved at the expense of the other.

Yet according to Nietzsche and Nazism, the materialistic Liberal and Socialist doctrines of the Enlightenment were certainly not the alternative to the transcendentalism of Christianity: indeed, although these doctrines had 'killed God' for the sake of Man, their atheist materialism, by dismissing any possibility of self-overcoming and self-perfection, has turned man into a hedonistic pleasure-thirsty lustful creature, a slave to his desires and instincts, and has therefore led not only to a 'dwarfing' of man, but also to an animalisation of man... to the 'Last Man,' the 'lord and master' of the present..." [3]

"'Equality for equals, inequality for unequals' -- that would be the true voice of justice: and, what follows from it, 'Never make equal what is unequal' ... Justice speaks thus to me: 'Men are not equal.' And they should not become so, either!" -- Friedrich Nietzsche [4]

"We do not want to do away with the inequalities between men, but on the contrary, to increase them and make them into a principle protected by impenetrable barriers." -- Adolf Hitler [5]

Although Jesus Christ is a Jewish-invented thought-form that only exists on the astral plane, as "he" never existed as a man or Jewish god-man, the painful truth that many liberals who think of so-called "intolerance" and "bigotry" when they think of Christianity, do not want to realize is the following...

1) Jesus Christ was the PERFECT LIBERAL!

2) He taught mercy, compassion, unconditional love, generosity towards those less fortunate (whether they deserve such kindness or not), and tolerance.

3) He kept himself surrounded by his fan-club that consisted of the mentally-handicapped, the poor in spirit and the poor in wealth, the incompetent, rejects, cowards, misfits, the weak, the meek and submissive, societal outcasts, morons, criminals, losers, and the marginalized.

I realize that the truth about Christ's allies and his preferred company is inconvenient for many people who associate Christianity with "hate" and "oppression" at the hands of those who are stronger and more powerful, but that is YOUR problem. Satanism rejects all who Christ would have befriended in those gospel fairy-tales. If you don't like it, then leave it. I refuse to continue to walk on eggshells in hopes that I don't offend the weak and the lesser elements of society. Satanism is only for the survival and preservation of the strong, the mighty, and those who hate the Jewish people the most, as well as the destruction of any Gentile, Aryan or non-Aryan, who works for the removal of the White Aryan Race of Satan, or tries to stand in our way.

Something to understand and take into consideration is that during the time of Christ, as well as long before his time-frame, in the Aryan Pagan world, which practiced what I call primordial Nazism, which is the prototype for Satanism as we know it, today, homosexuals, properly known as the third sex, did not find themselves among the societal outcasts, criminals, or the marginalized, like they have after the enforcement of Christianity, Islam, and later, Communism. I, myself, am third sex, which means that at least when speaking for myself and my brothers and sisters in Satan, heterosexual or homosexual, I am not speaking against any so-called "sexual minority" except for those who work for the destruction of Satan's White Aryan Race through race-mixing, and true sexual deviance, which isn't homosexuality, but people who are rapists, pedophiles, and other sexual criminals who betray the White Race by not being able to control their sexual impulses that harm one's self and others.

During the time of Christ and long before his advent, Satanism, and therefore, primordial Nazism, was always inclusive of homosexuality and the third sex, but it did hold other people, such as rapists, pedophiles, and those who failed to adhere to the eugenics of the times, as sexual criminals. The Jewish people who confuse the sexes of the Aryan Race have made a temporary reversal. Initially, it was the Third Reich that accepted homosexuals, while it was Communism that criminalized homosexuality and counted homosexuals as "criminally insane." Now, however, it is post-World War Two so-called "Neo-Nazism" that tends to reject homosexuality, while Communism now includes homosexuals as Party members because the Communists who pretend to

be "enemies" of traditional Christianity, the Christianity of many of today's Neo-Nazis, claim that homosexuals are an "unpopular sexual minority." The Jews and their Marxism have made a clever switcheroo that has left many clueless Gentiles completely baffled, while creating both Old and New Testament-styled backlashes against human sexuality. As more and more White Aryan Men and Women awaken to our Satanic Destiny and come to their senses, balance, order, and justice will once again be restored.

It is a shame that there are people who call themselves "Satanists" who adhere to Liberalism, and are therefore, more true to Jesus Christ, the Marxist King of the Slaves, than most devout evangelical Christians are. As we have covered in detail, there is absolutely no room for enemy Socialism, enemy Democracy, Communism, Liberalism, Political Correctness, or any other form of or extension of Christianity and Christian politics in true Satanism -- the Satanism of the literal, physically and spiritually-existing Satan.

For the proper use of so-called "hatred" and other natural emotions that the White Aryan Race has been forbidden from tapping into when it comes to justice and re-claiming our collective Aryan throne on Satan's Earth, Satan will lead us in how to properly express these emotions in ways that are LEGAL and will not land us in prison. Satan encourages rationality and logic, just like he advocates creativity and spirit.

In closing, earlier in this sermon where Nietzsche's death of the Jewish/Christian/Islamic false god is mentioned as a necessity in order for not only for there to be "gods but no God," which is the battle cry for the victory of Paganism [Satanism], not atheism, the promise from the Serpent of Satan, which promised eternal life and eternal mental, emotional, physical, and spiritual perfection for the White Aryan Race is being addressed. To Satan's chosen initiates and representatives of the Aryan Race, Satan gives us the spiritual formula for obtaining true everlasting life and happiness, which the fictitious and worthless King of the Slaves, Jesus Christ, claims to offer in his gospels, but with knowledge comes the realization that Christ was only offering eternal life to his fellow Jews, and that the White Aryan Race is out of reach for Christ's "salvation" if one looks deeper into the words and sayings of Jesus. The Jews who are initiated deep within the inner mysteries of Christianity are very much aware of this truth, and they know that when Christ, the Jewish messiah comes, he will annihilate all of the White Aryan Race of Satan, and reign over the non-White Gentile slaves. You read this correctly. Christ even hates the Gentiles who are Christians, even if they follow every single aspect of his so-called "religion" perfectly to the letter.

Not only did Satan father his White Aryan Race and give us spiritual upgrades to our DNA, the entire fable of "Adam" and "Eve" and the Serpent on the Tree of Knowledge is an allegory about Satan being our original Guru, and our first Yoga Instructor.

In light of the sermon above, there is something else that I must state... Unlike the Jewish kikes and the non-White races, the White Aryan Race of Satan, like Satan and his Demons, are naturally inheritors of money, wealth, and material luxuries when balanced with our spiritual nature. However, unlike the Jewish people who owned and operated the African Slave Trade, we, as the Aryan Race, made in Satan's image and likeness, do not need any kind of slaves in order to survive and prosper. The ownership of slaves and the servile, is a strictly Jewish trait.

In light of the sermon above, there is something else that I must state... Unlike the Jewish kikes and the non-White races, the White Aryan Race of Satan, like Satan and his Demons, are naturally inheritors of money, wealth, and luxuries. However, unlike the Jewish people who owned and operated the African Slave Trade, we, as the Aryan Race, made in Satan's image and likeness, do not need any kind of slaves in order to survive and prosper. The ownership of slaves and the servile, is a strictly Jewish trait.

The White Aryan Race is the hardest-working Race that there is, and despite some of Nietzsche's views, as well as post-World War Two "Neo-Nazism's" views that have been influenced by Christianity and even Communism, we are naturally inheritors of money, wealth, prosperity, and material luxury. Ever since the Jewish people and their human-hating alien spooks have invaded this planet, the Jews have reversed the natural order and have claimed money, wealth, and luxury as their own, without earning or deserving it, but stealing it instead. On top of that, the Jews rely on slavery. One time, Satan, himself, visited me face-to-face with a message about his White Aryan Race versus the Jews and their non-White slaves, and he said very clearly, "We ARE the Master Race, but we do NOT need slaves!"

It is the JEWS who feel that money, wealth, prosperity, happiness, and satisfaction are "tools of the Devil," as Satan is their Adversary, and we, the White Aryan Race are his people who inherit Satanic luxury as a part of our hard-working nature that is naturally an aspect of our Aryan blood. There is NOTHING White about renouncing physical pleasures when we live a healthy balance between the physical and the spiritual. The path of denunciation or "worldly pleasure" is of the Third World to the extreme, while the Jews live in their undeserved and unearned luxuries. Spiritual Satanism and our National Socialism put an end to this unnatural, Jewish-induced disorderly, unbalanced living. Satan does, indeed, lead to the straight path without a revealed book.

## You Just Can't Win With Jew Made Up Original Sin

I know the favourite pastime of Christian moralists is to rail about Gay People, Escorts, Porno, people having sex outside of marriage, anyone whoever masturbated ever in the history of the universe and such. But lets be honest and hold the bible gropers to the standard of their own Bible which they never read anyway but like to pretend they did or something. Since they like to create their own standard of acceptable sex to make them pure to then condemn everyone from.

In Christianity all sex is deviant thus immoral and sinful. Sex is the original sin that causes the fall of man, this is mentioned in the old testament and was the original gospel of the church. The point of the gospel was Jesus is the only sinless man because he was born of a virgin, without sex involved. We are born in sin because our parents had sex to create us. Jesus the perfect Christian is a celibate, sex hating, woman hating Jewish man. Who tells everyone normal sexual desires are the worst sin and will send them all to hell. For a man to even fell desire for a women is sin in Christianity as stated by Jesus. Jesus tells everyone to be a eunuch for the Kingdom of Heaven. A eunuch is man who is castrated and thus can't ever have sex or masturbate. This is Jesus the perfected Christian all Christians are supposed to be.....CHRIST LIKE. Christian Monks would literally castrate themselves in the most devout cases. The church carried on the practice of castrating boys for centuries up till the 19th century. Many times so they would sing in their church choirs without needing any icky, Eve like, whores around. You know those people called Women and stuff.

The church mandated enforced celibacy on the European population among married couples as well for insane amounts of time. When a women gave birth the church priests would count back the months to her conception to see if it was during the periods of enforced celibacy and woe to the couple if it was. Lowering the White birth rates as much as possible. Which is what the Jews are still doing today.

Don't give me that family values talk either. Jesus the Perfect Christian hated the family unit and demanded a person has to HATE their Father and Mother, siblings in order to love him. And that he had come to turn family members against either other, thus destroying the Family unit. The European White family unit as well. This is what the Jews are still doing today.

Masturbation is also a sin the sin of Onnanism you just cant win in Christianity. Don't have sex with anyone else ever, don't masturbate, don't even think about anything sexual even the thought is a sin the same as having sex as Jesus stated.

Its the ultimate form of Jewish guilt pedaling, take something natural and psychopathologize it into something evil and then offer the solution of control by Jewish narrative. That's the same old jewish tactic even today with sexism and racism. Their attempts to turn racial altruism and normal sex roles into sinfulness. And pedal guilt and offer their solution that of Jewish communism and White genocide. The Jews took their original sin hokum and are now pedaling it as The Original Sin Of Being Born With White Skin. To which all White People must repent and embrace the Jewish salvation of enforced race mixing, open borders in the name of White Guilt.....Why? Because Jews that's why. That's always been why.

This anti-White narrative is nothing new. Its all Christianity has ever been from the start. Telling Europeans all their Pagan ancestors are burning in the Hell of a Jewish god for being Racist [following the Race Religion of the Aryans] and they must repent of being White and their natural White identity, embrace a Jewish man from ancient Judea as their Master and god. And become part of an alien, anti-White cultural identity of the Jewish promoted, universal, radical egalitarian, multi-racial brotherhood of man. What's really changed in all these centuries same Jewish game different names.

@mageson666 The Joyofsatan seems to be the only place where White Aryan gentiles can embrace our true nature in it's absolute sense. Sexual freedom, Pagan, Racial Kinship and brotherhood and honoring of the male and female God and Goddess nature of the creation as well as embrace our natural warrior and creator spirits.

Everywhere else it is fucked up in some way, the neo nazis and racist conservatives want to push xianity repress sexuality and make a sin of idolatry, the Neopagans want to push veganism, pacifism and other Jew invented mind poison. The trendy liberal air heads will simply dance to whatever tune the media masters are playing in their desperate attempts to be fashionable and then there is the Communists who are simply outright fodder of the enemy.

@hammerofthegods\_666 One thing which makes me sympathetic to liberalism is simply that I am lazy and like the idea of having a welfare state. (No I am not trolling). I am just being honest, I am White Aryan but naturally not hard working and I am mildly autistic although I exaggerated my autism before the doctors to get more disability money.

Because I have a lot of time, I do try to put as much of it as possible into power meditation and spiritually empowering myself. I am grateful to the society which enables me to do this but truth is I don't contribute anything back.

I don't have a lot of motivation in me for anything, I don't feel inspired towards pursuing any particular thing in life. I am autistic and tend to live in a fantasy world.

Another thing which makes me not so hostile towards liberalism is this issue of homosexuality, I am bisexual and have some unusual fetishes too.

Jake, it is all well and good you saying true NS is tolerant of homosexuals but your words on here do not match what I see and experience in the world. I am talking about gentiles, White Aryan gentiles, who are liberals which are tolerant and accepting of homosexuals and I see other White Aryan gentiles of the right wing, NS kind who are almost all hostile towards homosexuality.

That is what I see and experience in the world. That is the reality of my life when I encounter different people, real life experiences. And nowhere outside of the Joyofsatan do I know of any racial nationalist group of any kind which accepts my sexuality as it is.

You understand spiritual satanists are a tiny fraction of racial nationalists who are in turn a tiny fraction of the White population? You are well aware of this right? Besides spiritually, we have little to no influence in the world at this point. Our offline presence is non existent right now. And in my everyday life, I have to cooperate with people who are not SS.

You are third sex yourself, can you honestly tell me you yourself never feel like we are in an impossible position on this? I am supposed to be against the people who accept me (White liberals) and support and love the people who hate me (White nationalists + National Socialists). How? It is a total mindfuck to try and force myself to be that way!

And don't get me wrong, I do consider myself to be a White nationalist myself and the one thing I hate about liberals is the amount of non White immigration they are allowing into my homeland. But the right wing conservatives are hardly any better on this issue either.

Subject: Re: Sermon 12/11/15

The thing for you to never forget and never doubt is the impact that WE are making, and it is WE who have Satan and Adolf Hitler on our side. The types of people you mentioned will either have to give up their Christian values and embrace Satanic National Socialism or be segregated from the new breed of a new and improved Aryan Race who rules planet Earth.

I know exactly how you feel about "biting the hand that feeds us" when it comes to the mentally-challenged Liberals who seem to be feeding us acceptance, while the Conservative Whites all seem to want those of us who are third sex to be dead. To support those who hate us seems suicidal at best. However, when all is said and done, EVERY LAST VESTIGE OF CHRISTIANS AND CHRISTIANITY WILL BE SEGREGATED FROM THE NEW AND IMPROVED ARYAN MASTERS AND LEFT TO DIE OFF IF THEY DON'T WAKE THE FUCK UP!!!!

Homosexuality and bi-sexuality are just as normal and natural as heterosexuality, albeit more from an inner shamanic experience that creates circuits and loops of inner spiritual power, while heterosexuality provides external offspring and outer experiences as well as outer manifestations of power. This is hard to explain, but I know what I am talking about here. Many people are too dense to see beyond what is obvious. The Jews know how to manipulate Christians with Christian values and non-Christians with Christian values about things like homosexuality.

Although homosexuality and bi-sexuality permeate all of the natural kingdom, it is also a part of humanity and is even embraced among the Aryan Gods and Goddesses in the same way that heterosexuality is embraced and seen as a natural part of the kingdom of animals, humans, and Gods/esses. However, since people who are unbalanced only see the sexuality that provides physical offspring, and therefore physical, tangible "evidence" of the "superiority" of heterosexuality, and thus the "decadence" and "degeneracy" of homosexuality and bi-sexuality, the Jews know how to manipulate this and advertise and promote an unnatural version of human sexuality, both hetero and homo. This Jewish-induced sexual chaos leads to gender warfare and the persecution of homo/bi-sexuality.

But to address the issue you raised, it is the frowning upon of homo/bi-sexuality that is NOT normal OR natural, just like anyone who wants to stand in the way of people who are naturally heterosexual from providing future children of the White Aryan Race will be segregated from the new Aryan humanity and left to die off just like the incurable Christians and Communists.

The biggest problem is that several decades ago, the Jews decided to make a switcheroo and associate homosexuality with Marxist political correctness. The homosexuals who are persecuted by traditional Christianity and related filth who gobble up the Marxism that seems to be an "alternative" to oppressive Christianity are at fault in the same way that those from the opposite end of the political spectrum gobble up anti-homosexual religion and politics.

We, at the Joy of Satan, with the help of Satan and the Gods of Hell, including Adolf Hitler, himself, will be loosening the ties that bind homo/bi-sexuals and

heterosexuals alike, and balance and order will be restored and justice will be served. Christianity and all Christian values of both the left and right wings will be a distant memory and a tragic lesson learned. Like Adolf Hitler has told me, however, the Christians and Communists, alike, who are incurable will be isolated, segregated, and left to die off. I know that might sound harsh to those who don't have as big of a problem with Christen-DUMB as I have, but tough shit. Reality is a bitch.

The Marxist homosexuals will be corrected as well. Please don't continue feeling the way you indicated that you feel, because if you do, then you are making a total cop-out over temporary inconveniences. Things WILL change and we are making the difference that is needed.

As far as being lazy and unmotivated, when you wake up every day, why don't you try asking Satan and Adolf Hitler what you can do to help them out and then be open for direction?

The thing is that I KNOW how "crazy," "deluded," and "wrong" I look to both the Hitler-hating liberals and the Hitler-loving Christianized Nazi-wannabes, but I keep pressing on with the messages that both Satan and Adolf Hitler wish for me to share with my Aryan brothers and sisters whether they love me or hate me. A point has come where I no longer care what other people think and I just do what the Gods, including Adolf Hitler tell me to do, as this is their cause that we are fighting for. Like I said, please just don't cop-out or give up. Laziness will also get you nowhere. Once a person makes a habit out of helping Satan and Hitler, it becomes much easier to keep going.

This is why our numbers are so few in comparison with the world's population. Those who come here and remain here (in the JOS) understand the immense nature of such a task and yet shoulder it gladly - the weak are numerous, the truly strong and elite are few.

I don't have any date, but the Anti-Christ will be returning when the time is right. The key is to re-educate the masses, and as far as our current minority

status is concerned, this is why it is such a mandatory duty for heterosexual couples of the White Race to have as many healthy children as is possible. However, when I say this, I am taking into consideration the importance of the money that is needed to raise large, healthy families.

Since it is wrong to put homosexuals or heterosexuals in situations that are contrary to their nature because of how the hatred between the sexes that follows such a feat, homosexual sperm donors whose blood comes back HIV-negative [the Jews created the HIV/AIDS virus among the White homosexual population in the United States] will be accepted, but it will be households with a loving female mother and loving male father that the children will be raised in, as every child needs to experience the parenthood of a loving biological mother and father. This means that homosexuals have a different, but equally-important duty for the White Race, as well, which is to protect and secure the borders of White territories, as well as positions of leadership for those whose merit of character earns them such a position. A sexual preference is not the judge of such positions. Only one's character is, but the difference is that homosexuals who are not birthing and raising children otherwise have time on their hands that the heterosexual couples who are birthing and raising children will not have. Besides, nature has bestowed a different set of talents upon the different sexes and the different sexual preferences.

When the Anti-Christ returns, there won't be any reason for us to worry about such things, as he will make everything fall into place. The White Race will be given the order to have large, healthy families. We will also be given the means to do so that because of the Jews, many of us do not currently have the means, such as the wealth and prosperity for. People need to have more faith in our race to wake up, as well as more faith in Satan and the Anti-Christ.

What's the point in being pessimistic? This is the JOY of Satan! The time will come when our minority of Satanic Aryan souls that I have mentioned and you have brought up will re-populate the Earth with only the best of the best, and we will be the MAJORITY. Cheer up!

I am going to write a sermon that addresses the concerns that were made here tonight.

Subject: "Hispanic" does not exist

"Hispanic race" does not exist, these are either more for their White side, like Argentines and Chileans, or more for their Amerindian side like Peruvians. There are also the Black "Latinos" like Haitians and great part of Brazil, then if these speak French and Portuguese respectively, so are them of "Romanic" race? Hell no.

"Hispanic" is a fake identitarism invented by Jewish media to put all Latin Americans under a same pseudo-racial identity, make Latin Whites forget their White ancestry, push race mixing even further and turn every Latin American (including Latin Whites) against Northern Whites in a totally senseless racial warfare. (I'm part of "la raza" de los Dioses Blancos LOL)

According to the "Hispanic ethnicity/race" tale, this woman (who is demanded by the Jewish narrative to hate all White people, despite speaking a White language, enjoying White inventions and being White herself):

Is the same as these "Hispanic" women (respectively Peruvian and Brazilian):

One more thing that one can be optimistic about is that despite we do not have the exact date of when our Antichrist Adolf Hitler will come, is that it wont long too much and most of us will witness his coming and ascension to power. This post by her is very revealing:

"... You will know when the real one comes along. The time will come. You will know when it is here. For now, in the way of action, just make sure you participate in the upcoming rituals where we will be doing reverse torah rituals and learn everything you can. Right now, just stay away from any and all of that, as it can bring you more trouble than you know. Satan will reveal when the time comes. Our Anti-christ is definitely coming back. You will know beyond any doubt when he arrives."

As for lack of motivation, this comes from a lack of Fire and Earth elements in one's soul, the solution for this is balancing the elements, no other excuse:

Thank you for this sermon HP Mageson!

I didn't know: "The church mandated enforced celibacy on the European population among married couples as well for insane amounts of time."  
When was this? Can you tell us a bot more about that?

Thank you kindly,

### You Just Can't Win With Jew Made Up Original Sin

I know the favourite pastime of Christian moralists is to rail about Gay People, Escorts, Porno, people having sex outside of marriage, anyone who ever masturbated in the history of the universe and such. But let's be honest and hold the bible groppers to the standard of their own Bible which they never read anyway but like to pretend they did or something. Since they like to create their own standard of acceptable sex to make them pure to then condemn everyone from.

In Christianity all sex is deviant thus immoral and sinful. Sex is the original sin that causes the fall of man, this is mentioned in the old testament and was the original gospel of the church. The point of the gospel was Jesus is the only sinless man because he was born of a virgin, without sex involved. We are born in sin because our parents had sex to create us. Jesus the perfect Christian is a celibate, sex hating, woman hating Jewish man. Who tells everyone normal sexual desires are the worst sin and will send them all to hell. For a man to even feel desire for a woman is sin in Christianity as stated by Jesus. Jesus tells everyone to be a eunuch for the Kingdom of Heaven. A eunuch is a man who is castrated and thus can't ever have sex or masturbate. This is Jesus the perfected Christian all Christians are supposed to be.....CHRIST LIKE. Christian Monks would literally castrate themselves in the most devout cases. The church carried on the practice of castrating boys for centuries up till the 19th century. Many times so they would sing in their church choirs without needing any icky, Eve like, whores around. You know those people called Women and stuff.

The church mandated enforced celibacy on the European population among married couples as well for insane amounts of time. When a woman gave birth the church priests would count back the months to her conception to see if it was during the periods of enforced celibacy and woe to the couple if it was. Lowering the White birth rates as much as possible. Which is what the Jews are still doing today.

Don't give me that family values talk either. Jesus the Perfect Christian hated the family unit and demanded a person has to HATE their Father and Mother, siblings in order to love him. And that he had come to turn family members against either other, thus destroying the Family unit. The European White family unit as well. This is what the Jews are still doing today.

Masturbation is also a sin the sin of Onnanism you just can't win in Christianity. Don't have sex with anyone else ever, don't masturbate, don't even think about anything sexual even the thought is a sin the same as having sex as Jesus stated.

Its the ultimate form of Jewish guilt pedaling, take something natural and psychopathologize it into something evil and then offer the solution of control by Jewish narrative. That's the same old jewish tactic even today with sexism and racism. Their attempts to turn racial altruism and normal sex roles into sinfulness. And pedal guilt and offer their solution that of Jewish communism and White genocide. The Jews took their original sin hokum and are now pedaling it as The Original Sin Of Being Born With White Skin. To which all White People must repent and embrace the Jewish salvation of enforced race mixing, open borders in the name of White Guilt.....Why? Because Jews that's why. That's always been why.

This anti-White narrative is nothing new. Its all Christianity has ever been from the start. Telling Europeans all their Pagan ancestors are burning in the Hell of a Jewish god for being Racist [following the Race Religion of the Aryans] and they must repent of being White and their natural White identity, embrace a Jewish man from ancient Judea as their Master and god. And become part of an alien, anti-White cultural identity of the Jewish promoted, universal, radical egalitarian, multi-racial brotherhood of man. What's really changed in all these centuries same Jewish game different names.

Yeah, I agree, this is the path of JOY. And I will make sure to have the joy to destroy the enemies of the Aryan race through and through.

White Supremacy And Black Slavery

This is from an answer I gave in the forum:

Black Slavery

The Jews didn't even really sell slaves to Whites. In all reality only 1.4 percent of Whites owned slaves in America. Most America Whites didn't agree with it and put major regulations on it. Jews owned the majority of slaves. The Jews mainly sold them to other Jews, the slaves where used in the Jewish run industries that slaves were used to facilitate such as the sugar cane plantations. This is the source of how the Jews really made their wealth the Jew bankers, slavers, planation owners and such were all working together this was key to the rise of the massive wealth power of the Jewish bankers as well.

The Jews even got laws passed to ban all non Jews from the slaver industry so they could keep their monopoly on it. I support Blacks. Taking Jews to court in law suits for reparations from the Jews themselves. If the Jews want never ending holo shekels for a holocaust that didn't happen. Blacks should get shekels from Jews for a holocaust that really did happen to them. It was Whites who ended the slave trade much to the rage of the Jews. The only reason the slave trade went on as long as it did was because the Jews used their money and political power to manipulate governments to make sure it did. In fact the Jews originally got massively involved in politics to keep the slave trade going that is how much European opposition was against it.

The Jew Karl Marx, wrote a massive essay which was published in major papers defending and advocating for the continuation of the Jewish run slave trade as necessary for civilisation. And this was the Jew who created Marxism that did what again.....Demanded a revolutionary Holocaust in Marx's own words. And committed such. Of most of White Europe and the planet such as China and the creation of a slave state run by Jews called Communism.

## White Supremacy

White Supremacy meaning, is simple if you listen to the jews who made up this phrase.....Whites ruling their own White Nations I don't demand Arab's rule Israel so why do all Jews demand Jews and non-Whites rule White Nations?. So yes Whites should be supreme in their own home. However this does not include trolling or knuckling down on other races for not being White. I have met enough people of other races and studied their cultures to know all races are actually supremacist in their outlook for themselves. Its just the jews are totally psychotic criminals about it. And Whites are supposed to feel guilty for any normalcy on the subject...Cause Jews the biggest supremacists on earth, said so.

Yes Whites are the highest evolved race and we don't say sorry for winning epochs of hard evolutionary struggle to earn such in existence. Just to be clear this however does not mean dehumanizing other races of people or treating them badly which is unjust, just because of differences. However its also not a licence to allow ourselves to be exploited by jews, race traitors and non-Whites either. Respect us and we will respect you.

Subject: How Communism Captures

## How Communism Captures and Kills

By fourthreich666

Communism is NOT a single-party dictatorship, republic, classless and socialist system, it is A WAY OF ENSLAVEMENT OF BOTH THE BODY AND OF THE SOUL.

Communism as I continue to emphasize is a pathological criminal ideology that is both founded by Jews and run by the rats too. Russia was a Jewish paradise, and as a matter of fact the first law passed after the Communists seized power in Russia made anti-Semitism a crime punishable by death.

"Some call it Marxism I call it Judaism." – Rabbi Harry Waton

"The Communist soul is the soul of Judaism" – Rabbi Harry Waton

The first thing to lay out here is that Communism is not socialism, these are two entirely different ideologies as one is Jewish (communism) and the other is Gentile (socialism)

Thus leading to the second most important point, Communism must be run by Jews in some way, it will not work before.. As I have said before, these two different ideologies, socialism and communism come from within the soul, they are not merely just political ideologies but they are engraved. The Jew will always be a communist, no matter what, if it has the blood of rats it is communist. The gentile, deep, deep down is always a socialist, which is why they kikes have religion. No! Communism is not against religion, but rather it supports it!

Which lastly brings us to our last introductory point, Communism uses religion to spread, and after all, Communism is Christianity. The reason being that National Socialism and a general defiance of communism comes from the Gentile soul, so the Jew uses Christianity to degrade this out of their soul whilst at the same time engraving communism deep within them.

Now that we have introduced our topic we can explain how communism captures and kills.

### Part 1: How it **appeals and lies** to people

1. **War.** By this I make reference to how the Jews plunge a nation into war, have its men women and children killed, make its population starve then make the false promise of “peace, land and bread.” This is why the Communist Ideology appealed to so many during and after WWI.
2. **The Promise of Equality.** The Jews will continue to shout and scream all will be equal. This appeals especially to the masses of have been made poor by the kikes beforehand, by methods such as war they make the population as poor as possible, and then they tell them they will make them all equal. But this equality is a lie as some people such as the Jews in charge are a *little* more equal than others. Also, this equality is a very low standard, this equality means that all the non jews will be earning as much as each other, which could be just £1 or it could be £1000 (in communism this will be very low). This poverty through equality has a deeper meaning that we will be going on to soon.
3. **The Fake Promise of Socialism.** The Jew will promise and repeat that he will give socialism, and he implements it to a certain extent. He gives the vision of an ideal socialist society where everyone is working together for their national interest, but in reality, he will give them what they got in the USSR, no one is working for their national or socialist interest but rather to keep their Jewish Leaders happy
4. **Monetary Warfare.** By this, the Jews will cause economic crashes and deaths, then they will say they will fix it and that they will give the people their much wanted socialism, and from there they will push on to Communism. As Lenin said "Socialism is just a transitionary stage towards Communism."

### Part Two: Subversion through psychological warfare

**Subversion** refers to an attempt to transform the established social order and its structures of power, authority, and hierarchy. Furthermore, it is a process by which the values and principles of a system in place, are contradicted or reversed.

High Priest Hooded Cobra recommended to me Yuri Bezmenov’s lectures for these videos. One can find them on YouTube and they are very important. Much of the below is sourced from his videos

One must know that psychological warfare is as powerful as physical warfare which is why, according to Yuri Bezmenov the USSR put so much money and effort into the training of K.G.B officers in the field of subversion.

This subversion is done through the media

The first stage of subversion is called **demoralisation**. This takes between 15 and 20 years. This is the minimum number of years which requires to educate one generation of students in the country of your enemy exposed to the ideology of the enemy. In other words Marxist-Leninism ideology is being pumped into the soft heads of at least three generations

It includes infiltration, propagation. Various areas where public opinion is formulated such as religion, law enforcements (military and police) social life, power structure, education system and labour-employer relations is targeted in demoralisation.

**Family** - The Jews will also work to discredit the family as an institution. Encourage promiscuity and easy divorce and they will emphasize the need to raise children away from the negative influence of parents as well as attributing prejudices, mental blocks and retarding of children to suppressive influence of parents.

**Education** – Distracting them from learning something useful, efficient and destructive towards the Jew and teach them pointless subjects like natural foods, in other words this is the retardation of people – a tactic found in the protocols of Zion

**Social Life** – Ridding traditional Gentile social life and social organisations and replacing them with Jewish ones.

Take away the initiatives from people, take away the responsibility from naturally established links between individuals, groups of individuals and societies at large and replace them with artificial bureaucratically controlled bodies.

Instead of traditional social lives between friends and neighbours, establish social workers institutions where people who are on payroll from the government

The main concern of society becomes not your people, you family or your friends but to get your pay check

**Power Structure** - The natural bodies of administration which are traditionally elected by the people at large or appointed by elected leaders of society are being actively substituted by bodies of Jewish puppets whom nobody elected and many of the people hate them, like Trump. The power structure of a nation is eventually eroded by the Jews and it is replaced by puppets who have neither the qualifications nor the will of the people to keep them in power.

**Law and Order** – These are targeted, and made to look angry psychotic and the criminals are made look cool, and it is made seem its not their faults that they are criminals but rather it is societies and the Protectors are made mistrusted and are generalised as pigs by the enemy.

**Economy** – The classical Marxist theory, natural exchange; a person (a) has 5 sacks of grain and person (b) has 5 sacks of shoes, the natural exchange there is bargaining, and a third person (c) is introduced says don't give him the 5 sacks of grain and give it to me and give me the 5 shoes and I will distribute them accordingly, this is the destruction of natural exchange. Trade unions again are stupid, because the leaders of these unions know that they will always loose, and its at the price of cutting off vital services to citizens. These trade unions are often Jewish run.

**Culture, Intelligence and Art** – The Jews will target these three areas in order to implement retardations. The attack on these areas is called cultural Marxism. What is in quotations is taken directly from the Communist Goals of 1963.

- An American Communist cell was told to "eliminate all good sculpture from parks and
- Our plan is to promote ugliness, repulsive, meaningless art."
- Eliminate all laws governing obscenity by calling them "censorship" and a violation of free speech and free press.
- Break down cultural standards of morality by promoting obscenity in books, magazines, motion pictures, radio, and TV.
- Present degeneracy, retardation and promiscuity as "normal, natural, healthy."

The Jews will push Marxist propoganda that everyone is equal and the Marxist class struggle in trade unions, student organisations and political societies.

**Destabilisation**, the destabilisation of institutions and organisations and power structure will take place soon after. The Jew will cause some sort of conflict like the black and white conflict in America today in order to cause this. Artificial organisations that spring out of nowhere and are entirely illegitimate will spew out vile propoganda and lies and push for said conflict. An example of this is the Black Lives Matter.

As Bezmenov put it: *For example, your Leftists in the United States, all these professors and all these beautiful civil rights defender, they are instrumental in the process of subversion, only to destabilize the nation.*

He went on to say: *The next stage is destabilization. This time, the subverter does not care about your ideas, the patterns of your consumption, whether you eat junk food and get fat and flabby. It doesn't matter anymore. This time, and it only takes from two to five years to destabilize a nation, what matters is essentials, economy, foreign relations, defense systems. And you can see it quite clearly in sensitive areas as defense and economy. The Marxist-Leninist ideas in the United States is absolutely fantastic.*

Then follows the next stage – Crisis. This is the creation of economic, financial, and national security crisis. Also includes social crisis and breakdown of previous self-evident restrictions on moral behavior. The crisis produces benevolent leaders who will promise to deliver “things” (Hope and Change) to meet people’s needs through Social and Economic Justice. False illusions that the situation is under control if certain strategic directions are followed (Bailouts, Stimulus, Jobs Bills, Regulations of industry, Unconstitutional Power Grabs, Dismissal of Historical Laws, Changes in legislative processes, Changes in checks and balances of power etc).

**Normalization** – The uncomfortable feelings of change including losses of freedom are absorbed and accepted. Lost national identity becomes accepted as the norm within the new societal model. **A period of national rebranding transition where people are so overwhelmed by the change they become numb and begin to accept a ‘new normal’.** This period of normalization lasts indefinitely as the progression is continually advanced and acceptance takes place in small controlled doses. (New limits on behavior, Regulations, TSA Patdowns, Intrusions into privacy, Controls into daily life) These things begin to be accepted as “just the way it is now”

### Part Three – Religion

The first point to make here is that Communism is Christianity and vice versa. As I mentioned in the beginning, the two political ideologies – Gentile (national) socialism and Jewish communism come from within the soul.

The fact is, every Gentile has socialism deep down within them and it may be more present in some more than others. In the same way, every Jew has communism engraved within them. Perhaps the greatest obstacle to communism is the socialism found within the soul of the Gentile, and they will work tediously to remove this.

They will attempt to remove this in two ways, the first being the aforementioned demoralization and the second being Religion.

"We will find our most fertile field for infiltration by communists within the field of religion because religious people will swallow anything if it is hidden in religious terms." – Vladimir Lenin.

Through Christianity, or Islam, (they are both communist) the Jews will implant within them the fundamental communist ideologies:

1. Everyone is equal, and equality means poverty
2. Poverty is a virtue, wealth is a sin
3. There are people in command (Jews) and every gentile must succumb to them

The populace will be indoctrinated with those beliefs.

The Bible says “Each man should give what he has decided in his heart to give, not reluctantly or under compulsion, for God loves a cheerful giver.” In communism, the “God” in question will be the Jews in command, like Stalin or Lenin. The Bible itself is filled with such communism that would not be apparent to the eyes of the average person. For example, when Jesus sliced up one fish and fed it in small proportion to hundreds of people

Acts 2:44–45 states: *And all who believed were together and had all things in common. And they were selling their possessions and belongings and distributing the proceeds to all, as any had need.*

Christianity and Communism: Jewish Twins

[http://see.the.truth.webs.com/Xianity\\_and\\_Communism.htm](http://see.the.truth.webs.com/Xianity_and_Communism.htm)

The following excerpt was taken from "Nature's Eternal Religion" by Ben Klassen

Note\* Although this article was written for a white audience, Jewish communism affects all Gentiles [non-jews] regardless of race, and this is definitely worth a read. Christianity is a preparation for communism, its doctrines are identical with communist philosophy, and there is nothing spiritual about it. All occult knowledge and power that would enable Gentiles to fight back through spiritual warfare [what the Jews have been using against us for centuries] has been systematically removed. After being forcibly removed with [the Inquisition](#), this power has been in the hands of the top Jewish rabbis to throw curses, create unimaginable wealth and power, and to use at will against Gentiles. In other words, as the ["YHVH" aka "Jehova" is in truth the Jewish people](#), they become "God."

Communism is another Jewish brotherhood scam that fools Gentiles into thinking it is for equality, peace, and better living. Nothing could be further from the truth. It is a Jewish program of genocide, mass-murder, and slavery for Gentiles, regardless of color.

Quote from the Jewish Talmud: Nidrasch Talpioth, p. 225-L:

*"Jehovah created the non-Jew in human form so that the Jew would not have to be served by beasts. The non-Jew is consequently an animal in human form, and condemned to serve the Jew day and night."*

Christianity and Communism: Jewish Twins from "Nature's Eternal Religion" by Ben Klassen

To hear the Kosher Conservatives tell it, a fierce, intensive battle is raging today between the evil forces of communism and the sacred forces of Christianity. We are led to believe that it is an all out battle between good and evil. We are told that these two forces are the very essence of two poles of opposition — in complete and diametrical conflict. It is a sham battle. The fact is they are both degenerate products of the collective Jewish mind, designed to do one and the same thing — to destroy the White Race. If we take a closer look at these two evil forces that have bedeviled and tormented the minds of the White Race for all these years, we find that they are not on opposite sides at all. We find that they are both on the side of international Jewry, doing the job they were designed to do, namely: confuse and confound the White Man's intelligence so that he himself will help the Jew in destroying the White Race.

In comparing the two we find that they are strikingly similar, and not opposites. In fact, there are so many similarities in the two programs and in the philosophy of these two creeds that the hand of the same author can easily be detected. That author is the International Jewish network. They and they alone wrote both the creed of Christianity and the creed of communism. Both communism and Christianity preach against materialism. Communism designates those productive and creative forces of our society to which we owe in such large part the benefits of a productive White civilization, as "bourgeois." It then lashes out with unparalleled fury at the bourgeois and tells us over and over again that they must be destroyed. Instead of giving credit where credit is due, it slanders and vilifies these constructive and productive elements, namely the bourgeois or the capitalists, as the ultimate in evil. Christianity tells us basically the same thing. It tells us that it will be more difficult for a camel to pass through the eye of a needle than for a rich man to get to heaven. It tells us that we should "sell all thou hast and give it to the poor," an insidious piece of advice that, if followed, would make us all a pack of roving bums and beggars. It would most surely cause the breakdown of our society. Christianity further

tells us "lay not up treasures on earth, but lay up treasures in heaven." Throughout, the implication is clear. Don't accumulate unto yourself any of the good things in life. If, through hard work, you've already managed to accumulate some wealth, get rid of it, give it away, give it to the poor, above all, give it to the Church, they'll take it, with relish. The net result of this fantastically bad advice, of course, is that it will more easily pass into the hands of the Jews, who do not subscribe to such foolishness. They hope to make fools of us, knowing very well the old saying "A fool and his money are soon parted," is only too true.

The other side of the coin is that the leaders of both Christianity and communism themselves are fantastically materialistic. When we look at the Catholic Church on down through the ages, we find that whereas they were extracting the last mite from the poor widow, the church itself was gathering up and hoarding gold, silver and precious gems in unbelievable quantities. Not only was it taking in and gathering all the gold, silver and precious stones that it could, but it acquired huge amounts of real estate, and the Catholic Church today is undoubtedly the most fantastically wealthy institution on the face of the earth. Even through the Dark Ages when poverty was widespread, mostly because of Christianity itself, we find these huge and fabulously rich cathedrals, built in the midst of poverty, with gold encrusted altars and apses and vaults and columns and walls. The leadership of the Church caused to be built huge and great Basilicas, Cathedrals, Abbeys, Baptisteries, Mausoleums, Convents, and Churches. Practically all of these were so lavish and so huge in comparison with the meager surroundings of the times, that they flamboyantly stood out as the main repository of all the material wealth — gold, silver and architectural lavishness — of both their era and their geographical location. The church never has bothered to explain why it was so necessary to have such lavish wealth on display to the worshipping faithful, who were told time and again that it was evil to "lay up treasures." Unto this day, churches are built to be flamboyant, garish and bizarre. Money seems to be no object.

The Vatican, that citadel of "spiritual" leadership, which also preaches, "lay not up treasures on earth," does not practice what it preaches. On the contrary, what it practices is indeed the height of hypocrisy, and the antithesis of spirituality. It goes all out for laying up treasures on earth. It has amassed unto itself a portfolio of 5.6 billion dollars in stocks alone, not to mention all of its real estate, art treasures and other valuables. It enjoys an annual income of 1.5 billion dollars, much of it undoubtedly collected from the "widow's last mite," as well as its vast holdings. Next Back Home The United States religious establishment as a whole is valued at 102 billion dollars. In 1969, of the 17.6 billion dollars United States individuals contributed to charity, 45 percent, or 7.9 billion dollars was earmarked for religious purposes. Pretty materialistic for a religion that "shuns" earthly treasures and preaches "my kingdom is not of this world."

Likewise, the communist bosses in Russia, practically all of which are Jews, have accumulated unto themselves all the riches of the countryside. While the communist slave laborer is toiling away twelve hours a day and then comes home to a dingy, dirty, filthy, crowded little apartment shared with other families, his Jewish bosses have opulent palaces spread all over the countryside. They drive the best of cars, chauffeur driven, of course, and eat the best of foods. Not only that, but they have the best of planes at their disposal to fly wherever they see fit to govern their slave laborers. These Jewish communist bosses usually also have at their disposal imported clothes and tailors and a galaxy of servants. When they need a rest from running their slave empire, they have private villas on the Black Sea or other choice vacation spots at their beck and call. And so it goes in the Proletarian Worker's Paradise.

Let us pass on to the next similarity. Both communism and Christianity make extensive use of the weapons of terror, both psychological and real. Undoubtedly the most ghoulish and vicious concept ever contrived by the depraved and collective mind of Jewry is the concept of hell. Can you think of anything more horrible than placing millions of people in confinement in a superheated torture chamber and then burning them forever and ever without even the mitigating mercy of allowing them to die? With this piece of "Good News," and "Joyful Tidings," Christianity set out to conquer the minds of its superstitious and unreasoning victims. The fact that such a torture chamber was non-existent did not at all detract from the fact that it was a real threat to those who were made to believe that it was real. To a child, for instance, if you tell him that the Boogiemán is going to get him, and he innocently believes you, then the threat is just as real as if a Boogiemán actually existed. And so it is with hell. To those that have become convinced that it exists, this horrible threat is just as real as if it did exist. However, Christianity did not stop with using psychological terror alone. Those who deviated from the official church line were declared as heretics and forthwith burned at the stake. The idea of using fire in one form or

another as a means of torturing their opponents seems to have obsessed these "loving" Christians' minds. According to van Braght's famous Martyr's Mirror, some 33,000 Christians were put to death by other so-called Christians by means of burning at the stake, a grizzly type of revenge. Among my ancestors alone (who were of the Mennonite faith) some 2,000 martyrs were burned at the stake by these ever-loving Christians. One outstanding feature about this burning at the stake business was that they were always White people who were being burned. Never have I ever heard of a Jew being burned at the stake for not believing precisely along specified lines of Judaism, even though they did not believe in Christ at all. Burning at the stake wasn't the only means of torture and death used by these love-dispensing Christians who were so eager to spread their message of love.

During the Inquisition, and other times, all the beastly refinements of torture that the depraved human mind could devise were used to extort confessions and whip the unbelievers or heretics into line. The thumb-screw, water-dip, the iron corset, drawn and quartered, gouging out one's eyes with hot irons, and the rack (slowly tearing limb from body by means of stretching) were but some of the devices used by these ever-loving Christians to spread their gospel of Love. When the communists came along and used physical torture as one of their instruments of conquest, they had very little left to invent but what the Christians had already utilized before them. And this is as can be expected, since it was Jewish fiendishness that designed the means of torture for both. Nor did the Church hesitate to use wholesale warfare to batter down whole nations that did not submit to their religious dictation. In fact during the 16th, 17th and 18th century the main causes of war were religious dissensions in which one religious group sought to force their beliefs on their opposites by wholesale warfare and slaughter. The communist record of using wholesale terror, both psychological and physical, is so recent, so widespread and so well known that we need hardly review it here.

In Russia alone the Jewish communist regime used terror on a scale unknown before in the annals of history. In order to exterminate the best of the White Race in Russia, namely the White Russians, the Jews slaughtered some 20,000,000. The terror, the killings, the murders that are going on in Russia today defy the imagination of the average White Man's mind. In any case, both communism and Christianity are using, and have used, terror extensively, both psychological and physical, to subjugate their victims. Whereas the Christians excelled in psychological terror, the communists excel in physical terror. But in both cases the Jews were experts in using whatever type of terror best accomplished their ends. Both communism and Christianity have a book that presumably lays down the creed of their movement. Christianity has the Jewish bible which was written by Jews, mostly about Jews, for the purpose of uniting the Jewish race and for destroying the White Race.

The communist bible is Karl Marx's Das Kapital and the Communist Manifesto, written by Karl Marx in conjunction with Friedrich Engels, both of whom were Jews. Both of these Jewish creeds, communism and Christianity, are highly destructive, and when followed, tear down the fabric of the society that has fallen victim to them. Christianity teaches the evilness of man, that he is a no-good, unworthy sinner, that he is born in sin and that his every instinct is evil. Communism preaches that the productive, creative element of our society, namely the "bourgeois" as they call them, is rotten and evil, and must be destroyed. It can be safely said that any sound, healthy society that turned either to complete Christianity and practiced all of its principles, or any society that practiced pure communism, would soon destroy itself. Again we want to vigorously point out that contrary to what these Kosher Conservatives are always telling us, communism is by no means the same as socialism or collectivism. The latter are basic constructive elements of any healthy society, but communism is an undisguised Jewish slave-labor camp. Since I have gone into this matter in considerable detail in another chapter, we will not take further space to review this idea here. Both communism and Christianity preach the equality of man. Christianity preaches that we are all equal in the eyes of the Lord, whereas the communists preach that we all must become equal in the communist society. The latter argue that the only reason we are not equal is entirely due to environment, and this little quirk of Nature they are going to correct. By the time they get through processing us all in an equal environment, they assure us they will have leveled us all down to where we are all equal.

Subject: Re: White Supremacy And Black Slavery

I agree with you my priest but in addition to all that, what many of our people (Whites) need to get through their tiny small brainless soft liberal heads is OUR PEOPLE ARE STILL OUR FUCKING PEOPLE EVEN IF THEY FUCK UP SOMETIMES IN HISTORY! Can you imagine, the Chinese or Arabs or Turks or the Kikes saying "well our people have conquest in our history and owned slaves so lets now have an immigration policy which will make us out numbered and out voted in our own land" ??? "We deserve no right to self determination or sovereignty as a people whatsoever cause everyone is the same and equal".

That being said, I have to be fair in saying it is actually quite UNCLEAR just how many Whites have fallen for this garbage. I would say there is a minority of genuine liberals, who really believe in their heart of soft bleeding hearts, everyone of every race creed and kind should be allowed into our lands and be given as much power as us, whether it is good for our people or not and these people are grossly overrepresented in the media and government and academia, along with their Jewish masters who select people who think how they want them to. Then there is a great mass of people who simply walk with the heard, don't care about much unless it affects them. That is somewhat normal and natural because not everyone can be a leader and nor is it desirable that everyone should. Unfortunately in our nations WE LET THESE PEOPLE VOTE!

Then there is people like us. Those of us who still love and care about our people but are also strong minded enough and rational enough to see what is wrong with the system and recognize our enemies for what they are.

Subject: Gods, Meditation, Strength Through Joy

Dear Satanic Family and People of Satan!

Without further due, let's examine some tips and tricks for when you are meditating, so you can become better and enhance your powers and understand certain matters which will save you a lot of time with broken nerves, questions, research and untie a lot of problems. It will save you, but it won't spare you, so keep everything under inspection.

## 1. Deprogramming the mind.

Deprogramming the mind from certain things is mandatory. This is because many people do come from xian or unspiritual backgrounds and this has taught the mind to either close down results from the meditations completely, or treat this normal discipline as its some sort of alien thing. This is why so many new people do react in such a way or have many horrid thoughts, or episodes of feeling extreme agitation or fear. This is because the mind sees the new things and changes as alien or even threatening and it reacts, because the xian and other lies of the enemy are teaching that meditation is bad and other lies.

## 2. Patience.

Patience is crucial. Many people due to have been lied to, misinformed or having read the wrong things, they have wrong expectations as to what to expect spiritually. While others think that it may take decades and decades of years to get to an average level, others think that in one month or two months, they will be shooting fire on will by their palms. Both things are wrong ways to look at these matters. The correct way is to be sensible, but not put limitations to yourself.

In plain, like when one starts out to be a martial artist, unless they are a prodigy (this can happen here due to having done meditation or empowerment of the Soul in past lives) they will advance in a certain pace. Even a prodigy needs practice. The more loyally one adheres to what they are to do, the more they do, the more relentless and focused they are about what they are doing, they will get masterful knowledge in less time.

### 3. Using the Powers.

Now this here is very crucial. Many people come to Satanism and they are either testing their powers at once (most common) or they aren't testing these at all since a point they have determined for themselves. Due to lack of knowledge, one has to center themselves in order to be magickally successful. This doesn't come overnight, but here too, exceptions apply. You don't make yourself an exception by thinking you are one, or trying to convince yourself about a lie that you can do whatever you can right at once, it just happens. So the thing here is, be aware of what you can and you cannot do. Normally, as you advance, this feeling will arise and you will know what needs more power, what you can do and what you can't do. Don't fill the arsenal of your mind with failures. Start slow, do what you can do, maybe start from small works and build up onto greater things. This way you are cultivating yourself for success and not failure. Asking to raise half a ton your first day at the gym, you might do this for one rep if you are gifted and break your back, or you might not be able to do this at all. In such a case, doing the first would be more of a disaster and in this way of thinking you might be ruining talents that exist, only through stupidity.

### 4. Connecting the Worlds.

Most people struggle with this, but I am saving you years of success or failure and giving it out in the plain. What we do here, is not magickal mumbo jumbo, its the connecting of the Worlds. The higher world upon which you enter with meditation and building your Soul, with the lower and physical world. Plainly put, magick is not some sort of gimmick practice with which you will do just anything or do the totally impossible (again, exceptions do apply here too) but its more of a deeper thing. With that being stated, one has to be sensible. Sensible without crushing their spirit, or quitting, or anything else of that nature. Sensible in the sense of rationality. IF you are doing a work for money, for instance, start building or research about structures that can bring this goal in reality. Just sitting like a duck, doing weed in your grandma's basement and not minding a thing about existing, this isn't going to solve this issue, no matter how much magick you do. At best, your grandma might come in with some bill or

something, but this probably won't do what one intends. So, more things have to be done. Its not like magick will push a comet with dollars to come from outer space and land at your backyard. These could POSSIBLY happen too, but these require enormous energy and the energy takes the path of least resistance to it, unless programmed otherwise. So, build the physical structures to let this energy work itself. Let's say you want to increase your intelligence, but you sleep all day and night doing nothing about this, how is your intelligence going to increase by looking to a wall of bricks all day? Be sensible. Magick is at first, help, then its assistance, then it opens pathways and only on advanced levels, it becomes totally reliable and does things on its own. Unless one is at this level, which happens after quite a while of meditation or being gifted naturally, this has to be approached in the correct sense.

#### 5. Doing the obvious.

Let's say you are doing a working to get someone to love you. Okay, they may after a point really love you, or feel love about you, but many people are foiling their workings out of their own stupidity or physical inaction. Let's say this lady/guy falls in love with you, looks at you and even burns at you. If you don't get there and make it happen in a way, this won't materialize. This doesn't mean your working didn't succeed. It probably has succeeded, but you failed to do what was necessary about it. Magick will help you, but you must also help the magick. Magick isn't the ethreal potion of the coward and the fool, to get everything in the platter without doing anything about the matter. Act towards your goals and be specific. If you find yourself resisting for some reason, evaluate the reasons deeply and then, either make it happen or leave it be. Make sure to make sensible use of magick.

For instance you might do magick to make someone fall in love with you forever, especially in cases of infatuation, where emotions are running high. You don't even know anything about this person, neither have you taken in consideration everything else. Despite of blind shooting, your shot hits the target and your intention happens. Now this guy might turn out to be a masochist, or a person that you can't get by in anyway. You leave and they remain stuck on you and the list goes on...Like any other power, Magickal power must be cultivated and used wisely. So you must be thankful that you have time to build this up and understand where this is going. The Gods don't just want people to be strong and stupid, they want them to be strong, sensible and aware of what they are doing. They don't prepare you for animals, they prepare us for Gods. Part of being God is about being responsible for your Powers, what they do and the outcomes of these.

#### 6. Pushing the limits.

Meditation is about waking up a dormant mind. This obviously isn't meant to be an easy feat, but it comes in times for everyone. In contrast of knowing where you are and respecting where you are, enjoying the moment and where you are, be ruthless in your pushing of the limits. Not on the point of breaking yourself up, but to where your past limits are defeated. Start small and grow. When you are faced with limitations, consult the Gods and push right through them. Approach things like a researcher of real power and Truth, not wanting to fill yourself like a balloon. That means

simply, don't create new obstacles for yourself.

## 7. Trusting the Gods.

Now, this is so important. So many people are coming in with disrespectful statements or even demands, basically demanding that their foolish or Hollywood expectations are payed on the Gods, like the Gods owe them. This stems many times from ideas the enemy has cultivated, such as that Satan or the Gods need your Soul. They just don't. You better see these things in reverse, how they Truly are. The Truth is that YOU need Satan and the Gods more, for many reasons, be it from physical to non physical, to reasons for advancement.

Not only for reasons about the afterlife, or any other dangers which are basically all around especially at these ages and times, but because nobody else can guide us where these beings can and are willing to : The Godhead. The Gods also are the best friends, always honest, always loving, they are caring to their followers and considerate. They must be payed with much respect, because they are the only one who will help you in re-creating yourself into Satan's intention: That of a Perfect Human being who is a God. Additionally, Satan and the Gods truly exist, unlike the filth of the jewish enemy who has lied otherwise and all Ancient Civilizations are living testament of this. Philosophers of the past and the most prominent men in Civilization didn't glorify them for no reason. They didn't raise all these monuments for no reason- the instances are endless. Even in the texts of the enemy, it's openly stated that the Gods are more powerful than the enemy in anyway, shape or form and this is why they attacked them to hide this fact from the masses.

The times might have changed due to the enemy taking everything for a season, writing all these lies around, but to make the long story short, the Truth still remains as it is. No matter whom opposes it. Part of this Truth is that the Gods are all Powerful. The Gods are the source of powers that most can't even comprehend because they think these are so distant, but this is not the case. Merge with them, make relations and bonds with them, let Satan know you love Him and that you are here for any physical hand His Desire might require...Then you will see. Forming strong bonds with Gods also helps us.

Also, lastly, people need to drop this behavior of wanting to test the Gods or something. This is again, xianity or pisslam, or the jews talking. The Gods do exist and it's a documented fact for hundreds of thousands of years. Many people want to do this sort of thing, like they want to "test" the Gods, indirectly acting like a slaver or something who just wants to know. You don't have the consciousness to know if you are new, and this has to be understood and comprehended. The Gods do exist in a higher dimension than the physical one, which is meant to be perceived by people who are psychically open. Until one reaches this point, then, the Gods will communicate with them on your other ways.

Don't try to act like the Gods are supposed to "need" you, rather, look at facts as they are, which is that you need them most and that we all need them. The Gods aren't needy, but this I am telling out of respect. Most people don't know the Gods and from that they exact that they must be something at least similar to ourselves, so many are transferring behaviors like the martyr, the passive-aggressive snitch, the "I will leave if something doesn't happen \_\_\_insert time here\_\_\_" and they think that somehow this leaves the Gods interested. No, it doesn't interest them, neither they need this thing or tests by Mr or Ms nobody. The Gods need legit people, who are willing to listen to them, work with them and exalt themselves. It's well documented in the Ancient books that the only people the Gods are taking seriously, are those who are striving to advance in the path and raise their Serpents. Enough said.

Ideally, people should look to the Gods like what they are: Teachers to us, real friends, guides and many more things. Don't believe what the enemy states, or their offspring books, and uproot \*ALL\* the jewish lies about the Gods. Seek them out on your own. Satan is the Highest and the Gods the most High beings. They aren't what the enemy stated, neither they can be approached in such ways. Treat Gods like Gods. The Gods are those who helped Humanity advance, they are our forefathers and they are our teachers for HUNDREDS of THOUSANDS of years, even extending further, before "JHVH" and "Bordallah" even existed as an idea even. These "Gods" are jokes, they are nothing but created lies, only meant to blind and weaken down Humanity and make everyone succumb to jiewsh will. Enough said.

## 8. Strength Through Joy.

This is a very old Satanic Adage and it must be memorized. This is not a path for weakness, fake xian martyrs, people who endlessly want to complain and scorn life all the time. This is a path of preserving, being patient, more like a trip into eternity, than a short trip where you have to rush everything. In this path you are also free to express yourself and who you are, but this path leads above all in understanding of who you are first. You aren't in a race with anyone else, but your own self. You don't have to be superior to anyone else, but you have to always be superior to your former self, that is, the spirit to advance. Lastly, advance and get forward with something in mind. In Satanism, one becomes a better Human being. You are to touch your birthright of living in bliss, existing joyfully and existing on a higher level, internally, despite and such circumstances. This is a path for the strong and not of the weak, of the masters and not of the slaves. This is the path of the strong. While this is the Path of Knowledge, it's a path where you can really take a breath, relax and let go for once, knowing that you are under Truth, safe, secure and on the right way, with the real Gods. This should give you strength, make you feel gratitude and push you to advance. This is for yourself and everyone else, too. This is another beautiful thing in Satanism.

9. The real meaning of being a God. In a sum, there is the central meaning behind Satanism. \*YOU\* are to become a God and not anyone else will do this for you. Those who are Spiritual Satanist and on the path, if only so they choose and work, they can do all the feats for themselves. Calling the Gods and asking them to do things for us, is only when there is real need and when things are outside of our grasp. The Gods want to teach to their loyal ones these things, so they become Gods themselves.

The one advantage we have over the Jews is there is half of their entire population is in Israel at this point and they are only 12 million in number and their rate of intermarriage is far greater than ours, they're marrying outside their race at close to 50%. Whites (although declining in numbers) are close to a billion in number and are all over the world and only 1 in 10 Whites are dating interracially in the US. UK has the highest rate of interracial marriage in Europe but even in the UK it's only 1 in 25 Whites who date interracially.

The US which has 200 million + Whites, does not even contain half or even a third of the worlds White population. Israel which has 6 million Jews contains more than half of the worlds Jewish population and even more soon enough as more and more move there.

One big war which Israel is involved in could put a massive dent in their numbers, they must know this. That is why Israel has stocked up so heavily on nukes.

The Jews Backhandedly Admit Satan Is The True God

Numbers are letters and letters numbers. Satan as stated before is a Sanskrit word, Sat-an means God Eternal. In Sanskrit 100 is SATAM since the M and N are the nasal the M and N are interchangeable, SATAN. In the Jewish gematria HA SATAN is given the number 365 the number of the solar year. 365 is the number given to the sun god in the west. However the number One hundred is also the number of the sun. Showing SATAN is the name of the sun God. Which is always the King and ruler of the Gods. This is why the golden or solar age is the Satya age. And the name of the Aryan Religion was the Satyam.

The serpent of Satan is another symbol of the sun as well. The spiritual sun and enlightenment by the serpent of Satan.

HA like Satan is a Sanskrit word. HA means "The" HA SATAN means "The Enemy" in Hebrew. But in the original and proper Sanskrit the original language

which predates Hebrew. HA SATAN means "The God Eternal". Here even the Jews admit SATAN is God Eternal and this makes them mad, right in their own trash religion. The Jews admit Satan is God Eternal. And they have been warring on this Truth for thousands of years. They wish to rewrite history and society so they can pretend to be god themselves. Which can be seen in their garbage Torah which is full of curses against the enlightenment of Gentiles and is designed to bind Gentiles to spiritual darkness on the soul level. So the Jews can rule the ruins.

HA SATAN, The God Eternal, is the enemy of the Jewish race. The Jews are the declared enemy of God Eternal. Since the title of SATAN as God Eternal also relates to the perfection of the soul and its full enlightenment the Jews are enemies of spiritual enlightenment and freedom as well. By their own declaration and deeds. They really are just criminal trash who want others to be enslaved in spiritual darkness and suffering.

Greetings comrades!

I bring you a poem that I hope can inspire some to either join our Legion, or to do their duty in it.

It's called "Drink deep from the Chalice of Knowledge."

Drink deep from the Chalice of Knowledge

A light in the dark, so bright it fills you with hope. The darkness is large, make no mistake, yet still the light shines. A candle in the distance, the torch of our ancestors, their pride in you unshakeable. Here rests the Chalice of Knowledge, it is heavy, and filled with a liquid unknown to you. The light guards this Chalice, many try to drink, but cannot hold down the truth. Yet you are different. You stand out amount others, come to the Chalice, Our most High and Holy Father can only lead you to the Chalice, not make you drink from it. That, is a decision that you must make. Do you walk away? Become one amongst untold billions who would rather sleep right wrapped in the blanket of ignorance, and stay weak, a servant of the corpse jew. Or do you drink? Becoming a wolf among sheep, a lion among lamb, one who would rather fight the darkness with all their might than even fall to the darkness for even a second. By drinking from the Chalice, you join the ranks of a Holy Legion of true warriors, a Legion that will stand the test of time into eternity, a Legion who's soldiers fight with the raw fury of a million suns unleashed. The Legions of Hell! The greatest force of warriors in the universe! An unstoppable army that cannot and shall not be defeated. Drink from the Chalice, and you fulfill the destiny that your ancestors chose for you, take up your weapons, and make ready for war, for it is coming, and even now you can help the effort. We cannot make you drink from the Chalice, only lead you to it. Any who have drank from it and stayed shall tell you that there is no mountain too high, no enemy too large,

AND NO TYRANTS TOO POWERFUL TO STOP THE MIGHTY AND RIGHTEOUS WRATH OF SATAN'S LEGIONS OF HELL! Do you stay as you were, a man who is nothing. Or do you embark on the greatest journey that universe has ever seen, and become a God? Only you can decide, and the Chalice awaits for you.

HAIL SATAN!!!  
GODS GUIDE OUR PATH!!!  
GLORY TO OUR LEGIONS!!!

English audio with multiple subs: <https://www.youtube.com/watch?v=olcCsxOltG4>

German audio with multiple subs: <https://www.youtube.com/watch?v=7DhwNyTu-OA>

I know it's a shocking documentary but everyone must be aware and spread it. Every real SS here must realize how depraved the enemy is, and it shows the true face behind all kike programs. This is going to repeat if we don't stop a 3rd World War from happening, by doing our reverse Torah rituals. I'm sending the text file with English subtitles in case people want to translate and upload in their own channels (teach yourself how to use the programs [Handbreak](#) and [4kdownload](#)).

-----  
<http://deathofcommunism.weebly.com/heroes-of-the-ussr.html>

**All kike programs are united by the same atrocities**

"Don't be shy to use violence and break the racial pride of German women. Take them as your legit property, you, gallant soldiers of the Red Army".

- Ilia Ehrenburg, Russian Jew, holohoax propagandist

Aboda Sarah 37a: "Daughters of goyim from 3 years of age can be raped".

- Jewish Talmud

"You can't take married woman till you won her in battle with the unfaithful"

- Koran 4:24

This comparison shows that behind all programs - christianity, communism, islam, Marxism, etc. - stands the same kike mentality. As Russians during the WW2 used mongoloid battalions for rapes and atrocities, so English and Americans used Moroccans as hordes of beasts that raped everybody on their way. This is mutual tactics of all the Allies, because behind all of them were kikes:

"Soldiers and officers raped women. Two main hospitals of Berlin only received from 95 to 130 thousands raped. About 10 thousand raped committed suicide. In the Eastern Prussia Pomerania and Silesia 1,4 million women were raped, and in this case there were more deaths. As a whole not less than 2 million German women were raped. Ukrainian, Russian and Belarusian women and girls freed from German labor camps were also raped".

- Yakov Krotov. RUSSIAN HISTORY. Russia in World War Two. War crimes of Russian Army.

"The Mongols are coming... You go quick. Go quick."

"Composed largely of Mongols, Kulaks, Kazakhs, Kalmuks, and other Asians, as well as convicts and communists, these men who formed the second wave of troops [the first were Slavs] were regarded, even by their own comrades, as utterly merciless. Terrified by the news, many Germans did attempt to flee and move in the wake of the first Soviet wave. Most, however, found themselves trapped and could do little more than hide young girls and once again pray that their worst fears were unfounded. After a wait of sometimes days, but normally only hours, the dreaded second wave arrived".

- Thomas Goodrich's 2010 book Hellstorm: The Death of Nazi Germany (1944-1947)

"Let me tell you about one group of victims -- real victims -- from the Second World War that you've never heard about for this very reason. In May 1944 the Allies -- the forces of democracy and equality, the anti-Nazi and pro-

Jewish forces -- finally succeeded in taking Monte Cassino in the Apennines of central Italy away from the German Army, after bombing Monte Cassino's sixth-century abbey into ruins. The Allies had some Moroccan soldiers with them. They wanted "diversity" in their armed forces even then. They wanted to demonstrate their belief in racial equality. The Moroccans were only mediocre as fighters, but they really excelled at cutting the throats of prisoners after the fighting was over. They were pretty good at raping civilians too. The night after the battle for Monte Cassino was over and the Germans had withdrawn in good order, a division of Moroccan soldiers -- 12,000 of them -- left their camp and swarmed over a group of mountain villages around Monte Cassino. They raped every village woman and girl they could get their hands on, an estimated 3,000 women, ranging in age from 11 years to 86. They murdered 800 village men who tried to protect their women. They abused some of the women so badly that more than 100 of them died".

Now look here. Its same updated kike tactic of atrocities against Arian Race, namely raping to death Arian women, but in 21 century its updated version is called "Muslim immigration".

On the photo Linda, Swedish victim raped by a gang of Somali muslims:

<http://frontpagemag.com/2013/dgreenfield/1-in-4-swedish-women-will-be-raped-as-sexual-assaults-increase-500/>

"This is atrocious right here. Shows the pure hatred of the enemy bastards, their sick mentality, their sick religion and the Jewish and Muslim hatred for all that is beautiful and is of Satan. The Swedes are of the most clear blooded whites, and they get assaulted into this Marxist cultural brew.

I remember a mention by Savitri Devi, about those naturally lower, attacking their superiors, just because of pure jealousy and hatred. It's there. I was shocked to read this. Shit is very out of hand."  
- High Priest Hooded Cobra

By Daniel Greenfield:

"1 in 4 Swedish Women Will Be Raped as Sexual Assaults Increase 500%

Sweden has imported huge numbers of Muslim immigrants with catastrophic effect.

Sweden's population grew from 9 million to 9.5 million in the years 2004-2012, mainly due to immigration from "countries like Afghanistan, Iraq and Somalia". 16 percent of all newborns have mothers born in non-Western countries. Employment rate among immigrants: 54 percent.

Sweden now has the second highest number of rapes in the world, after South Africa, which at 53.2 per 100,000 is six times higher than the United States. Statistics now suggest that 1 out of every 4 Swedish women will be

raped.

In 2003, Sweden's rape statistics were higher than average at 9.24, but in 2005 they shot up to 36.8 and by 2008 were up to 53.2. Now they are almost certainly even higher as Muslim immigrants continue forming a larger percentage of the population.

With Muslims represented in as many as 77 percent of the rape cases and a major increase in rape cases paralleling a major increase in Muslim immigration, the wages of Muslim immigration are proving to be a sexual assault epidemic by a misogynistic ideology.

The statistics are skewed by urban centers where the Islamic colonists cluster. In Stockholm this summer there was an average of 5 rapes a day. Stockholm has gone from a Swedish city to a city that is one-third immigrant and is between a fifth and a quarter Muslim.

Sweden, like the rest of the West, will have to come to terms with the fact that it can either have female equality or Muslim immigration. It cannot have both".

This deep seated hatred for and fear of Aryans is so typical of the Jewish soul, and Islam as we know is Jewish to its very core.

Umar Ibn Al Khattab, after slaughtering thousands of the Aryanem/Aryan Pagan People, sold their women as sex slaves in the Islamic capital of Medina. This shows the extent of his sadistic and sick hatred of the Aryan Pagans.

The modern day Yezidi People of Iraq are distant descendants of these Aryanem Vaejah, illustrated in the fact that many of these men and women still exhibit the Aryan physical features such as blond hair and blue eyes:

"Still today, Umar Ibns hatred of our Aryan Gentile People, or should I say the jewish hatred of our People, lives on as we can see in the islamic genocide of these Yazidi's currently taking place today.

Note how they use rape and impregnation as a means of destruction. They are trying to eradicate the Aryan genes from Humanity altogether. They used the same tactics during the islamic conquests. Many of the women of the conquered lands who were not slaughtered were taken as sex slaves, impregnated and their genes destroyed. The jews often use this tactic to infiltrate, as I spoke about in more detail in my sermon about the true origins of islam. It is also why they encourage and push race mixing upon Gentile Humanity. This is systematic genocide!" - High Priestess Zildar Raasi

Jew Reveals the Jewish Plan on Microchipping the 'Goyim' Populace

Just look at this psychotic, insane, neurotic and aggressive jew. He also reveals the plans to the Goyim, as to play the "savior" to them of course. Nobody could have said it better than a jew himself. He just relates you to the plan of the Yids.

Just watch this arrogant kike, playing the "Exposing" part of what its jewish ancestors came up with, want to materialize, and now they supposedly defend the stupid "Goyim" from.

Because, "God forbid" (The jewish god of course, who is JHVH and who is the collective of the jewish beings/race/aliens), they will inform you "prophetically" about what they...themselves caused and invented. And are creating by the "Torah".

Two sided games, as always. On one hand, the jewish "JHVH" plays the bad guy. The jewish spawns play the intermediates in all levels. The Goyim watch, and await for the "jewish savior" to save them...From what the jews have caused them and are causing to them.

Goyims (animals in Hebrew)...Wake up, before its too late.

How about, we do some very ruthless Reversal Torah Workings, to save the World from this pestillence?

| Subject: SATANAS Is God |               |                   |                  |

SATANAS Is God

The creator god was originally called Atum in the West and in the east. An was an ancient name of the creator in the east. Its Anu spelled out in full and Anu means Atum in Sanskrit. However the Pyramid texts Atum is TAM. This is also Tammaz in the east and Tammuz as well.

Atum had a hidden name that was the mantra formula of the deity. Who is the divine spark that transforms the soul.

In the Egyptian texts. The SA is the hidden god as its the mantra of the Sun, which comes from the letter SAN [Sanskrit means sun script]. In the east SA is placed at the throat chakra and called the name of the god of creation. SA is the sun as Ather the hidden sun that all life is, Ather is the element of vibration, light, form and number. And its SA.

TAM is properly TAMAS however this is an N. Its TANAS, which will be shown here. SATANAS is the proper name of the creator god Atum. The hidden God [SA] then the rest is the name TANAS. SATANAS. SA means Sun and Tanas means black. SATANAS=The Black Sun among its different conceptual meanings. TANAS is also TAN and you can see what HA SATAN, really means.

The creator god was called The hidden god Atum. Which is what HA SATAN is. The [HA] hidden god [SA] TAN [Atum].

The Black Sun of the Aryan's was not some spooky thing. It was the name for the source of existence. They worshipped it in Egypt as the ATON [ATUN /ATUM] which the proper name of is shown here the SATANAS. This solar disk is the highest symbol of God from Egypt to India. The creator god is a serpent deity as well. Hence SATANAS also being the serpent. The ATUN is shown as the solar serpent.

You can see them worshipping SATANAS in ancient Egyptian spiritualized images:

TANAS is given the Tau cross, the oval on the top of the Tau making the Ankh is the symbol of the RU the mouth of creation the word of creation. Which is SA, the throat chakra SA is placed is the symbol of the Vak the spoken word of creation. Many times the SATANAS is shown with the rays holding Ankh's to the worshippers. The Ankh is the symbol of immortality and enlightenment. SATANAS is the formula of the Ankh.

HA SATANAS is shown as the power which transforms Osiris into ascension and immortality.

As I wrote here:

The Jews Backhandedly Admit Satan Is The True God

Numbers are letters and letters numbers. Satan as stated before is a Sanskrit word, Sat-an means God Eternal. In Sanskrit 100 is SATAM since the M and N are the nasal the M and N are interchangeable, SATAN. In the Jewish gematria HA SATAN is given the number 365 the number of the solar year. 365 is the number given to the sun god in the west. However the number One hundred is also the number of the sun. Showing SATAN is the name of the sun God. Which is always the King and ruler of the Gods. This is why the golden or solar age is the Satya age. And the name of the Aryan Religion was the Satyam.

The serpent of Satan is another symbol of the sun as well. The spiritual sun and enlightenment by the serpent of Satan.

HA like Satan is a Sanskrit word. HA means "The" HA SATAN means "The Enemy" in Hebrew. But in the original and proper Sanskrit the original language which predates Hebrew. HA SATAN means "The God Eternal". Here even the Jews admit SATAN is God Eternal and this makes them mad, right in their own trash religion. The Jews admit Satan is God Eternal. And they have been warring on this Truth for thousands of years. They wish to rewrite history and society so they can pretend to be god themselves. Which can be seen in their garbage Torah which is full of curses against the enlightenment of Gentiles and is designed to bind Gentiles to spiritual darkness on the soul level. So the Jews can rule the ruins.

HA SATAN, The God Eternal, is the enemy of the Jewish race. The Jews are the declared enemy of God Eternal. Since the title of SATAN as God Eternal also relates to the perfection of the soul and its full enlightenment the Jews are enemies of spiritual enlightenment and freedom as well. By their own declaration and deeds. They really are just criminal trash who want others to be enslaved in spiritual darkness and suffering.

This movie is about the composer Paganini who was said to be inspired by Father Satan. I still hadn't time to watch this movie fully but it was very interesting so far I saw, specially when they play his compositions that are so Satanic and inspiring, and understandable why the church persecuted his work with so much envy.

Greetings to all our Comrades and Satanic Family!

This time, we can share some fundamental things for advancing one's being and being happy. Having certain things in mind can help all beings advance, and this is the aim of this post.

Upon a conversation with Satan, He went on about the nature of our choice and what do these account for. Many times, people are forced to make certain

choices, for certain areas and certain times. Whether or not, one accepts or knows the outcome, when one accepts the choice, they accept the outcome. This Satan simply shared as "When you make a choice, you also choose its outcome [The outcome of that choice]." Whether or not this outcome is known, it's accepted. There are of course many times, than the outcomes are not known, yet in many choices, we can predict and know what will come from these.

Many times, we are told how important choices are. Most people don't understand when they are told, but rather when their choices lead them to ruin or something. One can though understand, before this. It takes enormous time to re-create, let's say a building that has collapsed to bits compared to just shedding of dust upon a building that is already in perfect condition, or painting the walls.

For instance, so many people are not doing worthwhile things with their lives. Everyone, in their quest to find pleasure and happiness, they try to approach this certain thing by ways which according to what they know or they were told, bring happiness to someone. This movement toward happiness is normal. Yet, the ways we are taught this happiness can be achieved can be quite abnormal, or even fake. Let's say, one of such things are drugs. So many people are wasting their time and existence on things that can at best, give them some transient experience, that isn't even worthwhile. Upon making this decision, they are also making the decision to suffer from what these drugs will cause to them, in the long-term or in the short term.

At this point, whether one is aware or mature enough to understand it, not only they are making a choice, put they are putting themselves in the road for the outcome. This outcome has many faces. It has the inner and personal face, the face of your health, the face of your social standing, whatever applies. In other words, when one does this "shot" they are also at the same time injecting all this misery and affliction that comes with this practice. In cases that one knows, that their choice is going to be a disaster and they choose this anyway, they are shaping their own fortune and their own future alike, but also their present. It doesn't matter to nature what you are doing, if you knew or didn't know, as all this is into the ethical realm at best and these do not apply here, at all.

When one raises their consciousness through meditation, knowing the enemy, they know the enemy works Human beings in very certain ways and attacks them with very certain carrots. They hit on the lack of knowledge and also, the lack of happiness, both of which are inflicted by the enemy. When one doesn't know and it not content, then they are setting themselves for disaster. If you also tie in the factor needing something, then, this person can be totally enslaved.

For instance, so many people are totally complaining all the time about how their life is. How they weren't the born son/daughter of a multibillionaire, how life is supposed to be some other way, how they are supposed to be something else. Mostly, people are complaining about things they do not have, which they think that if they had, they would elevate them to a better inner status. And this many times, is the case. But equally many times, it is not. Many times, we

are able to go into the outcome of a pleasant choice at once.

But most people are afraid to face reality, or the possible labor that something might take, and above all, they are trying to push their own standards upon reality, from a weak point and by being unwilling to change. They are just stuck in the modes and behaviors that will never bring them what they want, need, or would like to have. Their person isn't changing or advancing, and as thus, their reality doesn't either. In other words, people become either stubborn cunts or they just quit. This of course, isn't the way to follow towards any desire, and unfortunately, the jewish enemy has lied to all of you about how things do happen in "Nature". This doesn't work and then people get into a self-defeating attitude, which brings one into a spiral of downwards movement, which the enemy exploits to enslave or destroy people that could otherwise be strong. The enemy doesn't want people who are strong around. Intelligence is a thing they hate.

Now, the reality behind reality is that things are coming from one's self. For instance, many people are complaining about things that are in fact, the reaping of what they sowed. Or the reaping of what they are afraid to sow. They just complain about their own choices, or lack thereof. Many people are also sitting idly and watching, without making any choice, but this is also, the choice of not choosing, which is again a choice. This can be understood from a very simple paradigm. So many people every day, they do complain for not being happy for instance, or not feeling good etc. The enemy has taught people that if they self-whip themselves and they make themselves suffer, somehow, something will "See" them and give them mercy, or something. This is untrue and it never comes, and don't be surprized the jews and their media and teachings are lying to the Goyim again, because this is what they do. When one goes downward the spiral of sadness and despair, only the same thing they will attract. This isn't some bullshit like the law of attraction, but the reality behind such is simple.

If you are too stupid to be convinced about how you need certain things to be happy, or too stupid to be convinced that you are to self blame and make yourself suffer, then you deserve your suffering. If you are unwilling to take the labor to correct something, you are unworthy and undeserving to either ask about it. Not from the ethical standby, but from the standby of how Nature works. You can't complain you don't feel perfectly physically fine and like a supreme athlete would feel, if you aren't even walking down the block once a day. You also are too stupid if you are jealous and complaining about others who have achieved things that you watch and think that make them happy, because again, not only you don't know if these really make them happy or how THESE people are, but you are also wasting your energy idly by jealousy and resentment, remaining in your own stupid little universe of suffering. You are putting yourself on the chair to suffer, and you of course, suffer.

More so, if you can correct this and you don't, but rather continue down the same road, whining and crying, you are nothing but worthless and nobody is going to save you from this. So many people are carrying self-guilt, self-fear and self-hatred, for no absolute reason at all. This reality has made the worthy and intelligent people unhappy, while the dumb parasites are all around being all joy, because they don't even understand a thing. It doesn't matter how much life has inflicted upon you, or what has happened, or who is what. It doesn't matter if you are the richest man alive, or a prisoner, or you were a drug abuser. If you still can make a choice, you can escape from this misery. Making this choice and adhering to it, will help you out.

Of course, either in the downside or in the upside, the same rule applies. The more choices of a similar nature you make, the more you will advance into this direction. The more choices of misery, the more misery. The more choices of good and joy, the more joy. Its that easy, really.

So many people also borrow time from the future. Well, I might suck today, but in the future I will be good. Yes, this makes sense. But many people are breaking this AFTER they say such thing. For instance, one can complain they don't have spiritual power or any very serious occult power. Well, after their complaint, here they are, doing weed, playing a computer game, or senselessly chit chatting with people whom they know will bring nothing to them. Obviously, they don't have a right to complain. Then, you have this other guy. He understands he is weak and on deep problems, and on the next day, or within the next hour, they are trying to come up with plans, whatever, to surpass that issue.

They know they suffer, so they follow the way of their Ancestors and on the next 10 minutes, they are trying to meditate. He is going to go the extra mile. In the end of the day, he will be relaxed. He will be better than the other slob. In the next day, the first slob will be two times weaker. The other guy, will be two times stronger. Not before long, whether guy one and guy two started from the same spot, the second person will be on their way towards greatness. While the first one will remain a slob.

The enemy is hiding you the power of your choices. Satan wants everyone to know this. If happiness is in front of you and you don't seize it, if there is a way to go and you aren't going, then you don't love yourself enough. You have to face this. If you don't, then find the reasons, know there are no "sins" in Satanism and move on. Forgive yourself. And become happy and whole again! It's that simple. The Gods have given us the ways.

This guy will sit down and realize, that what they have given up for so long, has a right to have given them up. One cannot expect to feel like a supreme Divine being when they have been following another road, or treating themselves like the lowest of excrement. They are just reaping what they have sowed.

Satan wants His followers to make choices that will make their life, inner condition and Soul better. Don't want for gifts to fall from the skies, ascend to the skies and get your gifts. While the stupid enemy preaches that "God" and the creator is always somewhere else, that joy is in something you will buy, that a psychopathic jew that sits on the clouds governs the universe, reality hasn't changed. The Truth is that the Creator runs within yourself and within your own blood, every moment that you exist. If you choose to bring this out, then you will be eternally joyous. Because, guess what, our Creator Satan, put the Creator inside us.

He didn't want us to be the slaves which will praise Him for all eternity. He wants people to remember them in joy and love. He made beings to be free. He gave us the keys to our own freedom. When one applies these keys, devotes to meditations and opens their ears to listen, they are making the choice to become Gods. To be happy. To be strong, defiant and powerful. To be what the Creator has intended for beings.

Then, another fundamental thing. Most people become crazy or displeased or unhappy, when certain things go gamut inside them. That is, where certain forces are out of equilibrium and control, or not harmonious. This is for instance especially True when it comes to people who suffer from over reactive minds. These forces are left to wander on their own, without order and without harmony and as thus the consciousness suffers. Satanism is about being powerful and putting these in place. The minds of so many people are not even owned by themselves, but the enemy, or someone else, or just at the mercy of whatever else.

This is why so many people are experiencing so many wrongs and misfortunes, what is negatively and falsely called as "Karma". You must take your minds and Souls back, my people. And regenerate them. Make them whole again. This is what Satan wants, and to dedicate one's Soul to Truth, means this exact thing. This process and how much it will take ranges, but time doesn't even matter. The day when you will belong to yourself and be whole in yourself as an existence, all this past will disappear. Equilibrium = Peace and Joy. Chaos, forces Gamut = Suffering.

Last but not least, so many people are being fooled. The enemy has put into the minds of people, that one's happiness is another man's misery. And of course, with every lie the enemy states, they create a society, reality or problem to reinforce this and drum it into the minds of people. This doesn't apply and its yet another lie. Yes, there can exist a world where everyone is smiling and is more or less happy and content with their being.

Such were the worlds before the jewish advances. In these worlds, nobody's sexual orientation was evil, nobody's work was derogatory, nobody's existence was a shame and mistakes were treated as mistakes, not as existential mucus that sticks upon a person forever. Satan and the Gods are very forgiving and they want us to too, forgive ourselves if that is necessary for our wellbeing.

You are my people and I love you, as much strange as this may sound. I see our Creator in every and each-one of you. I don't want the enemy to lie to any of you, or to keep you in chains, or any of you to live a life in suffering, most of which you never even deserved to begin with. One of the birthrights of every Human being is to have the ability to ascend with the practices and to have the ability to choose to do this. The enemy has stolen and perverted this, but we are giving this back to everyone and with all our powers, we stand in the name of our Creator, Satan, and In Truth. If anything, our collective efforts are to both free ourselves and free Humanity. Satanism is about the Light, but also the Darkness, which symbolizes the Eternal Powers of the Cosmos.

So many times, one hears that all change starts from one's self. But only Satanism can actualize this, because this is the core religion of Humanity that works really deeply inside the person, in all levels, bringing equilibrium and harmony. People do actually heal in Satanism and through the knowledge Satan given us. Meditation will bring this, so delve, try and try again. Choose to be happy. Choose to advance. There are no failures, there are only lessons, and no mistakes, but only teachings. Move forward and advance your Souls in Satan. The Great Work of Satan upon Humanity, starts from the Self. This is why Satanism places emphasis on the individual. The many perfected selves, do as thus create a perfected whole. This is why Satanism places emphasis on the Whole. When these both unite and become a whole perfection, then there can exist everlasting joy for everyone involved.

You exist here and now. Inside you do live both your parents, your Ancestors. They live through you, even after they are gone from our physical sight and existence. They aren't you, and you aren't them. You are separate, but you are connected.

In the same way, Satan exists in us. In the same way, Satan lives through us. In the same way, Satan is the Savior...He saves us from within, when we save ourselves, by choosing and adhering to the choice of becoming our own Salvation.

In His day, the 23th, the day will start to grow larger, the darkness will start giving into the Light. The Light will start becoming stronger, in the darkness that comes with a Message of Wisdom. The Sun will start Rising ever stronger, Reborn. So make it a gift to Him and yourself, to become such a Sun. Rise from the Ashes, and be reborn. Chose this, the totality of your existence.

Become what you are: a Satanic Sun.

My Comrades,

May Satan bless all of you,

May Satan be blessed!

I suggest everyone to watch this documentary.

It's a Girl Documentary Film

It's a Girl Documentary In India, China and many other parts of the world today, girls are killed, aborted and abandoned simply because they are girls. The United Nations estimates as many as 200 million girls(1) are missing in the world today because of this so-called "gendercide".

Girls who survive infancy are often subject to neglect, and many grow up to face extreme violence and even death at the hands of their own

husbands or other family members.

The war against girls is rooted in centuries-old tradition and sustained by deeply ingrained cultural dynamics which, in combination with government policies, accelerate the elimination of girls.

Shot on location in India and China, It's a Girl reveals the issue. It asks why this is happening, and why so little is being done to save girls and women.

The film tells the stories of abandoned and trafficked girls, of women who suffer extreme dowry-related violence, of brave mothers fighting to save their daughters' lives, and of other mothers who would kill for a son. Global experts and grassroots activists put the stories in context and advocate different paths towards change, while collectively lamenting the lack of any truly effective action against this injustice.

It's a Girl is now available for screening events globally.

China is the seat of world communism. It is an atheist materialist country of Stalinist type, where spiritual practitioners of Ancient Pagan practices are tortured and killed (<http://deathofcommunism.weebly.com/communist-inquisition.html>). And where women are tortured to insanity for bearing more than one kid (examples further). Where family unit is discouraged and young girls worked to death in toy factories (<http://deathofcommunism.weebly.com/total-slavery.htm>).

Below is the 2 minutes exposure of all Chinese communism from inside out and how it is tied in jewish warfare against children and procreation. 18+ not recommended to sensitive people. Communism is based on bible and is a bible of modern days:

2 YEAR OLD GIRL RAN OVER IN CHINA - Baby ignored by 18 Chinese left to die in street! Yue Yue

<http://www.youtube.com/watch?v=SFjdMKJVkzQ>

2 year old girl wanders into a narrow lane in a wholesale market in Foshan, Guangdong Province, China and is hit by a small, white van. The driver pauses, and then pulls away, crushing the child for a second time under his rear wheels. One by one, no fewer than 18 passers-by are seen on closed circuit television ignoring the girl as she lies, clearly visible in the street, bleeding into the gutter. Not a single one of them stops to help.

Facts about the incident:

- Yue Yue was in a coma for 2 days, but died in the hospital
- Two drivers arrested for running her over claim not to have seen Yue Yue
- Over 5 million comments on Chinese Twitter (Sina Weibo): "please end cold heartedness"
- Authorities gave a reward to the rubbish collector who helped Yue Yue
- Huge debate about social behavior ignited in China

Communism in China allows a family to have only one child, and if you disobey, monstrous physical and psychological torture is awaiting for you.

Forced abortions in China show abuse of policy:

WHILE China says it is easing its one child policy there are still disturbing stories of forced late-term abortions taking place.

When her mind is clear, Gong Qifeng can recall how she begged for mercy. Several people pinned her head, arms, knees and ankles to a hospital bed before driving a syringe of labour-inducing drugs into her stomach.

She was seven months pregnant with what would have been her second boy. The drugs caused her to have a stillborn baby after 35 hours of excruciating pain. She was forced to have the abortion by officials in China's southern province of Hunan in the name of complying with national limits on family size.

"It was the pain of my lifetime, worse than the pain of delivering a child. You cannot describe it," Ms Gong, 25, said in a recent interview in Beijing. "And it has become a mental pain. I feel like a walking corpse."

Since the abortion more than two years ago, Ms Gong has been diagnosed with schizophrenia. She travelled with her husband to the capital to demand help paying for her treatment, but she ended up being hauled away in her pajamas by police, a detention recorded on video by The Associated Press.

Forced abortions are considered an acceptable way of enforcing China's population limits, but they are banned when the woman is more than five months pregnant. Yet no one has been held accountable for Ms Gong's late-term abortion, and other women in similar cases also struggle to get justice and compensation.

Women are refused their natural right to have as many children as they want, "extra children" (usually girls) being killed en mass to the extent where 200 million are absent, while hoax of christianity is not only allowed but promoted by communist government:

Women Rights and 3 Abrahamic Religions

<http://islamisjewish.weebly.com/women-rights-and-abrahamic-religions.html>

All Abrahamic religions (christianity, islam, judaism) prosecute women and baby girls because:

1. Women are live walking representations of the Serpent of Satan, which is of the feminine part of the soul.
2. Women are life-bearers of the Gentile Races, mothers, procreators, while the main jewish goal is Gentile genocide.

Let's see more in details how it works.

1. Women are live walking representations of the Serpent of Satan, which is of the feminine part of the soul:

Genesis 3:2-7

2. And the woman said unto the serpent, We may eat of the fruit of the trees of the garden:

3. But of the fruit of the tree which is in the midst of the garden, God hath said, Ye shall not eat of it, neither shall ye touch it, lest ye die.

4. And the serpent said unto the woman, Ye shall not surely die:

5. For God doth know that in the day ye eat thereof, then your eyes shall be opened, and ye shall be as gods, knowing good and evil.

6. And when the woman saw that the tree was good for food, and that it was pleasant to the eyes, and a tree to be desired to make one wise, she took of the fruit thereof, and did eat, and gave also unto her husband with her; and he did eat.

7. And the eyes of them both were opened...

Serpent is the Kundalini power in all Ancient Pagans Religions, Cultures and Myths. It gives perfection, immortality and godly power "and ye shall be as gods". The Apple is an Ancient symbol of DNA. Women/Eve symbolizes feminine/intuitive part of the soul, while Man/Adam symbolizes masculine/logical one. Intuition leads man in power meditation, raising the Serpent and left hand path. While jewish god lies them both that they will die and other bullshit to frighten them away from godly power.

Genesis 3:14-16

14. And the LORD God said unto the serpent, Because thou hast done this, thou art cursed above all cattle, and above every beast of the field; upon thy belly shalt thou go, and dust shalt thou eat all the days of thy life:

15. And I will put enmity between thee and the woman, and between thy seed and her seed; it shall bruise thy head, and thou shalt bruise his heel.

16. Unto the woman he said, I will greatly multiply thy sorrow and thy conception; in sorrow thou shalt bring forth children; and thy desire shall be to thy husband, and he shall rule over thee.

Jewish god throw curses on the Serpent Kundalini, intuition and all womankind. The above is the first writing condemning women in human history, interestingly it's also the first feminist curse on family unit and love ever documented - both are in jewish torah / Old Testament organically coexisting in one verse. It symbolizes disunity between 2 aspects of the soul, logical and intuitive part of the brain, as their unity brings physical and spiritual immortality and perfection. Disunity between female and male is the crucial part of destruction of humanity. Which is the core goal of the bible.

Jewish program of feminism disguising under "protecting women rights" is all based on this quote and the similar quotes of Nazarene who cursed family unit and love (while pushing "love to your enemies") through all New Testament, i.e. feminist "war between sexes" is a core thing to create Jewish Slave State and to fully destroy human soul.

Christian/Communist War on Women and Family fully exposed

<http://deathofcommunism.weebly.com/communist-war-on-women-exposed.html>

Genesis 3:22-24

22. And the LORD God said, Behold, the man is become as one of us, to know good and evil: and now, lest he put forth his hand, and take also of the tree of life, and eat, and live for ever:
23. Therefore the LORD God sent him forth from the garden of Eden, to till the ground from whence he was taken.
24. So he drove out the man; and he placed at the east of the garden of Eden Cherubims, and a flaming sword which turned every way, to keep the way of the tree of life.

The above proves beyond doubt that jewish god does not want our immortality, but only death and slavery, while Serpent of Satan ("Snake") and Intuition ("Eve") are direct way to break this curse.

2. Women are life-bearers of the Gentile Races, mothers, procreators, while the main jewish goal is Gentile genocide.

This point is very important. Xian "national-socialists" think that jewish god they believe in somehow protects culture and procreation in their Aryan countries, which is ridiculous. How jewish god is interested in it, if it demands Gentile genocide and does it itself all over both Testaments? Not only Gentile/Pagan women are called "whores" and hated just for bearing goyim kids, but they literally made sex with "the Devil" and were impregnated by him. It is exact knowledge how Aryan/White Race was created. They are decedents of Satan and his Demons, the fruit of love between them and humans, that's why they are "mighty men which were of old, men of renown" - Atlanteans, Hyperboreans, tall fair men with extraordinary abilities, builders of Ancient Pagan Civilizations.

Genesis 6:1-7

1. And it came to pass, when men began to multiply on the face of the earth, and daughters were born unto them,
2. That the sons of God saw the daughters of men that they were fair; and they took them wives of all which they chose.
3. And the LORD said, My spirit shall not always strive with man, for that he also is flesh: yet his days shall be an hundred and twenty years.
4. There were giants in the earth in those days; and also after that, when the sons of God came in unto the daughters of men, and they bare children to them, the same became mighty men which were of old, men of renown.

5. And GOD saw that the wickedness of man was great in the earth, and that every imagination of the thoughts of his heart was only evil continually.
6. And it repented the LORD that he had made man on the earth, and it grieved him at his heart.
7. And the LORD said, I will destroy man whom I have created from the face of the earth; both man, and beast, and the creeping thing, and the fowls of the air; for it repenteth me that I have made them.

Aryan family is a great threat to jewish agenda. Genocide needs that everybody is dead - women and children especially. Feminism makes its impact here also by shaming women for bearing children.

The results of jewish spiritual work on this world (some world statistics):

85% of domestic violence victims are women.

Around the world 1 in every 3 women have been beaten, coerced into sex or abused during her lifetime.

One in every four women will experience domestic violence in her lifetime and an estimated 1.3 million women are victims of physical assault by an intimate partner each year.

In the US, a woman is raped every 6 minutes; a woman is battered every 15 seconds.

The most common cause of death in women and girls is domestic violence worldwide. 90% of all women, girls and female children worldwide have been raped, abused or sexually harassed. 100% of all women the world, girls and female children experience, that they are second-class citizens, more worth less than men. Half of all girls worldwide are forced to marry under age 18. 75% of all women have experienced domestic and family violence, 90% were also sexually harassed in school, university and profession. 100% are daily confronted with sexism in advertising, the media, school, university and profession.

On average, every six days a woman in Canada (one of the richest countries of the world!) is killed by her intimate partner. On any given day in Canada, more than 3,000 women (along with their 2,500 children) are living in an emergency shelter to escape domestic violence.

- An estimated 150 million girls under 18 suffered some form of sexual violence in 2002 alone.
- As many as 1 in 4 women experience physical and/or sexual violence during pregnancy which increases the likelihood of having a miscarriage, stillbirth and abortion.
- Up to 53 percent of women physically abused by their intimate partners are being kicked or punched in the abdomen.
- In Sao Paulo, Brazil, a woman is assaulted every 15 seconds.
- In Ecuador, adolescent girls reporting sexual violence in school identified teachers as the perpetrator in 37 per cent of cases.

In Russian Federation we have 50% dead women killed by their spouses. Criminal code has a new specific term for the new type of crime "rape by a close man".

For muslim statistics see <http://josministries.prophpb.com/topic7485.html>

"Makes sense as over three billion people believe women are the cause for all the evil on earth and original sin, due to the Abrahamic programs. It starts with the apple story and moves on from there. The Abrahamic programs are totally left brained in their approach to themselves and everything else as well. Everything about them is designed to shut down the feminine part of the psyche as much as possible." - HP Mageson666

Europe is the place where communism have found its way to co-work with orthodox abrahamic programs such as islam in the way of destroying women and family, this way is called feminism. Feminists, after taking power, invite muslim rapists and murderers in their countries thus geno- and gender-ciding their populace while hiding themselves under "women rights" hoax:

Muslim & Jewish Destruction of Sweden, Denmark and Norway. Full Proof that Feminism is a Hoax

<http://islamisjewish.weebly.com/muslim-jewish-destruction-of-sweden.html>

Great film on how jewish program of islam is tied into this war. Islam, communism, christianity / judaism were all created by jews and bear the same credo - murder of all Gentiles. Murder of all Gentile women is a part of the whole agenda.

<http://www.youtube.com/watch?v=neQcgyUAhr8>

Great film by dutch producer Teo van Gogh, descendant of great artist Vincent van Gogh, who was killed for this film by a muslim fanatic.

The only jewish reason to do all above: to destroy our spiritual self-defence (kundalini, right side of the brain, feminine aspect of the soul), for this jewish agenda 70% women in the world and 91% women in muslim countries are facing non-ending violence.

Some of our Russian scholars have statistics like this:

800 million before forced christianization of Europe, 4 millions - after. 99,9% genocide of White Race of Europe!!!

13 million Russian Slavs before forced christianization of Russia, 3 million - after. 75% genicide of White Race of Russia!!!

Christianization of Europe and Russia resulted in greatest world-wide genocide of the White Race in history. Nearly 100% White genocide world wide! We are remains of the greatest Aryan/White civilization that perished thanks to christianity.

This is a request for HPs. I am not saying that the reverse Torah rituals or cursing the enemy is not important but what about a long term project of

manifesting things to help our people, such as a White homeland, improving the White birthrate, bringing more Whites back to spiritual Satanism, uniting our people etc.

Especially in the awakened among our people, Spiritual Satanists, if we had a high birthrate that could be excellent for change in the world, maybe even do a sermon emphasising the importance of White SS finding couples together and having lots of children?

Lets say there is several thousand White SS people today, if every one of us had 5 or so children and raised them right, then that is a guaranteed 150% increase in our numbers, every generation, even without converts who find us online.

We need a strong spiritual Satanist culture which can reproduce itself socially from one generation to the next, like the RHP religions do. And I am not saying that to give any credit to them, but it is a powerful means of propagating ourselves which we need to take advantage of in a way which I don't think many of us are right now, or at least I don't see the idea being discussed in the groups much.

See if every SS now, who is at an age of having children, in the very least has two children and raises them as SS, that at least guarantees no decline in our numbers, 4 children that guarantees at least a double in our numbers, 6 or 8 children each even better, that goes without saying. + All of the newcoming converts we will be able to make in that time.

Also what young children embrace from an early age is likely to take root in their psyche much deeper than converting a rebellious 16 year old. Which I was myself at one time.

Or a group ritual for something like, more Whites will act consciously in their own racial interests or become identified with their race or something.

I am all for cursing the enemy but I am just wondering if anyone has thought about doing some positive rituals. In Satan's spiritual warfare message he emphasised the importance of destruction and creation and as I see it we are focusing more on the destruction part at the moment. Not that there is anything wrong with cursing and destroying the enemy, I am all for that. But it's like if you get taken down in a fight the first thing you want to do is get to a vertical base before you go offensive and our people are swinging from the heels at the moment.

Sorry if I came across like I am rambling too much.

HAIL SATAN!

Subject: Sir Isaac Newton, Satanist

Sir Isaac Newton, Satanist

William Blake's, painting of Newton as the Grand Architect.

Sir Isaac Newton, Satanist

Recently I watched a bland documentary that claimed Sir Isaac Newton was some kind of Christian. This is the usual watered down mainstream, the same kind that claims Washington was a Xian. When he was openly anti-Christ. He refused to take communion his whole life and stated on the floor of the Congress while President over the first Treaty America signed: "America is not in anyway a Nation founded on Christian principals."

Laurence Gardner showed in his books Newton was called "The Last Of The Magician's" by his colleagues for a three hour lecture he gave on Sumerian occult tradition, on the subject of the Magician's. He was also a astrologer which is forbidden in the Bible along with anything to do with being a Magician.

The book "ISAAC NEWTON'S FREEMASONRY;The Alchemy of Science and Mysticism"by Alain Bauer. Goes into detail that Newton was occultist who had massive amount of Hermetic knowledge. Newton was a member of The Gentlemen's Club of Spalding,which was a secretive Masonic club.

From the book:

"Sir Isaac Newton (1642-1727), the noted English scientist and mathematician, wrote many works that would now be classified as occult studies. There is no verifiable record of Newton being a Freemason. Despite this lack of evidence, Isaac Newton is still frequently identified as being a member of several early Masonic Lodges including the Grand Lodge of England. There is a Freemason's Lodge operating at Cambridge University named The Isaac Newton University Lodge (UGLE), however this does not emphatically mean that Isaac Newton was a founder or even a member, as there are many social and scholastic clubs which bear his name. There is continued speculation as to the role that Newton may have had in the formation of Masonic Orders in their modern context. Newton's membership of The Royal Society and the fact that many Royal Society members have been identified as early Freemasons has led many to believe Newton was a Mason himself. It is clear that Newton was deeply interested in architecture, sacred geometry, and the structure of the Temple of Solomon, a subject that plays an important role in early Masonic mythology. However, ultimately there is no evidence to directly connect Newton to Freemasonry.

Perhaps the secret society which most influenced Isaac Newton were the Rosicrucians. Though the Rosicrucian movement had caused a great deal of excitement within Europe's scholarly community during the early 17th century, by the time Newton had reached maturity the movement had become less sensationalized. However, the Rosicrucian movement still would have a profound influence upon Newton, particularly in regard to his alchemical work and philosophical thought. During his own life, Newton was openly accused of being a Rosicrucian, as were many members of The Royal Society. Though it is not

known for sure if Isaac Newton was in fact a Rosicrucian, and he never publicly identified himself as one, from his writings it does appear that he may have shared many of their sentiments and beliefs."

Newton worked to keep his Masonic memberships mainly secret as his works into the occult due to the political control of the Church of England. Many of Newton's anti-Christian, belief's at his in time were illegal and could have ended his career and had him arrested. Blasphemy alone was a criminal offence in England at the time. Newton, did however refuse to become a minister in the Church of England which was part of his duty of his office at the university at the time, and he was absolved of such. Its no surprise as to why.

This was back when Free Masonry was still Satanic, before the Jewish bankers took control with their Illuminati in the later 18th century and removed the original doctrines and replaced it with Jewish doctrines and Communism. Washington himself in a letter to a friend still in the Library of Congress warned the Masonic Society was being infiltrated by the doctrine of the Illuminati. Which was a front for the Jewish Rothschild's and other Jewish power elites at the time.

"Weishaupt himself did not enter a lodge until 1777, when he received induction into the Lodge Theodore de Bon Conseil in Munich. However, once inside Masonry, Weishaupt immediately went to work another Rothschild agents to inject the Illuminate doctrine, hand in hand with Judaic occult systems to put the Gentiles under the control of the Elders of Zion. While rotting out the original Masonic spiritual doctrines and philosophy of universal-spiritual law. Weishaupt and his agents organized the Congress of Wilhelmsbad at the Castle of William IX of Hesse-Kassel, to occur on July 16, 1782. That special even, which was momentous in both size and aspirations, was attended by elite representatives of Masonic lodges from all over. It was also there that a decision was reached to allow the previously excluded Jews to be granted admittance into Freemasonry."

The Illuminati Is Jewish:

One can see the American Founder's were Satanist's and created a Masonic Republic based on the original Satanic teachings of the Mason's.

Newton left the message himself for all to witness. In his own story he created of the apple. He was sitting under the tree when the apple fell and he took up the apple in his hand and was illuminated. The tree is the forbidden tree of knowledge and the apple was what the serpent, Satan offered Adam and Eve. They took it and rebelled against the Jewish tyrant Yahweh. The God of Newton was Satan.

Fantastic idea...

Concerning birth and pregnancy... Satan and Lilith must bestow upon us women a POSITIVE experience of pregnancy. And orgasmic birthing experience (yes, you heard this right - orgasmic!! Look it up! - at least minimal, uplifting positive childbirth)...

Western women of today are turned off childbirth, and having large families - in this era, is costly and stressful, so yes I agree us SS should have a supportive world where the white race can multiply ... This topic can go on and on.. but we all get the drift of what ideally should be a supportive and positive experience for parents having larger families)

Wonderful suggestion - Father Satan wants his family to grow and be fruitful beings... This is his Kingdom!

The Jew will work to shut down anything which will expose them. Before my sites were shut down there were plenty of visitors each day coming from Israel.

The same has happened with the old nazi. co.org which the Jews in Israel worked ruthlessly to shut down through D-Dos attacks.

Anyhow, I've restored the two sites, The Fourth Reich 666 and the National Socialist Archive. Bear in mind, neither site is complete and there are still links to the Internet Archive and other broken links. These will be fixed at some stage.

Lastly, I must thank those of you who spread the links of those two sites and made it one of the top results in google for "nazi archive" I hope we can get back to that level again.

Enjoy, enlighten yourself and distribute

@rebelrainbowrose Thank you sister. (: Happy Yuletide to you. I do get carried away sometimes because I know I am male and I know that pregnancy and child birth is a lot more complicated and scary for women than it is for me so I should remember that >< I wish there was a way to help more of our people and support them including our women in child birth and having families. We should all stick together really family or not but especially with our family.

First and foremost. The jew must be wiped out completely. No matter what, at all costs, through and through, in every spiritual and physical way, no trace left behind.

At the same time focus in the gathering of wealth (money). Taking back, what once was controlled by us.

Then worry about childbirth and supporting large Aryan families.

One can do positive group rituals when Mars is in retrograde.

The jew must be annihilated from the Universe.

Keep doing the jew cleansing rituals.

Subject: Enki Is Satan

Enki Is Satan

Sumerian artifact, note the inlaid lapis blue eyes.

As Laurence Garden showed in his book: Genesis Of The Grail Kings that....

"The Serpent Lord was Enki, but in parts of Chaldea He had been called Shaitan."

The Blonde Blood Line, the Yedizi state in their own records they came from India first then into ancient Sumer and Babylon, they were Chaldean's This group

was the Aryan spiritual class. The Chaldean's from their own history came from the region of the Himalaya's near the Pamir Plateau. Chaldean is related to the word Kula meaning Klan of the sacred blood. The royal blood, Aryan blood. You can still note the Yedizi's religion is practiced in Southern India around Sri Lanka with Skanda, Shiva.. Were this survived and also in parts of Tibet with Bon whom the Tibetan's stated they got from ancient Aryan People. Shambhala is mentioned in the Yedizi texts as well. Which relates to the Himalayan region.

The Yedizi still call their God, Shaitan as well. They brought this out of the East with them. Enki/Shaitan in the Sumer texts created a second race of ascended beings into whom he put the blood of the Gods into and thus the secrets of the Gods into their blood. This was the race the texts stated Enki created in its own image, the first blue eyed people. This second race in the image of Enki was called the Ari in the Sumer texts, literally Aryan's. This is the race that was physically birthed by the Gods. The White Race is of the race of the Gods as our ancestral texts the Jewish program of Christianity tried to destroy, stated. We share the same racial soul with the Aryan Gods our first ancestors. This is why the Jews hate us. They even call us "Satans" and state we are from the Seed of Shaitan, in their texts. They are right.

The point of the Aryan path is to fully ascend and have the equality of peers with the Gods as one of their race. This is why Enki established the Brotherhood of the Serpent. The Yedizi and Mandeian texts stated Enki, Shaitan taught the Ari the secrets of ascension, the Yoga of the serpent power. Which the surviving texts in the east state by the serpent power the soul is fully transmuted into the fully divine state.

I just got home from visiting family for Yule. Here at home, my partner and I do not have cable or even the local channels, but a very large collection of DVDs. Cable does not interest us. My relatives, however, glue themselves in front of the Jew tube [cable] and zone out. You know how it is when someone is so absorbed into the consciousness of the television or a video game, and if you call their name, it takes several seconds to register and for them to acknowledge that you tried to get their attention... That's what it is like with my family and their television sets, Netflix and all.

While I was away, it became obvious to me that I have been living in a "cave," so to speak, when it comes to how the Jews use commercials to push their agenda. I know many of you are thinking "Well, duh!" but commercials are not something my partner and I have here at home.

At my folks' house, every commercial and every Yuletide movie had nothing but race-mixing and the triumph of the lesser races over the White Aryan Race. Don't get me wrong. Every once in a while I see this kind of Jewish-promoted shit in previews to movies on DVD, but since cable television is so alien to me, I was in for a shock. I now realize that this shouldn't have come as any surprise to me. I'm just not used to cable television.

While the Jews advertise the lesser non-White races sticking together and breeding only among their own, the message is that Whitey is the "bad guy" who the Negroids and other sub-human under-men must defeat. However, on the other hand, when the Jews aren't pushing racial loyalty among all races but the White Aryan Race of Satan, they show the White Race with every race except our own.

According to cable television, IT IS COMPLETELY AND TOTALLY TABOO FOR THE WHITE ARYAN RACE TO HAVE AN ALL-WHITE ARYAN FAMILY, as we are "discriminating" against the lesser races and hurting their feelings by letting Satan's White Aryan Race continue to exist without mongrelizing, bastardizing, or in any other way compromising our existence and future by contaminating our blood with the non-White slaves and stooges of the Jews and instruments of the Jewish cause.

I admit that I am a sucker for certain Yuletide movies, especially those with a happy ending, but the kikes are now combining the holidays and highly emotionally-charged themes with anti-White race-mixing. There are about 5% of the Negroid race that do not quite fit in with the typical Negroid. This 5% is smarter, educated, hard-working, and clean. The Jews advertise the FUCK out of this 5% to make the mongrelizing of the White Aryan Race combined with highly emotionally-charged themes to make race-mixing appear much more palatable.

The White Aryan Race of Satan is incessantly dumbed down and programmed to turn against our own people. For example, I imagine that many of you who have been touched by the Christian version of National Socialism do not realize that homosexuality is NOT the problem, but it is how the Jews exploit it and use it against the White Aryan Race. Don't get me wrong. There are many homosexuals who are White Race traitors by dating the wrong race, not caring about race, and even willfully working AGAINST the White Race on purpose. The thing to remember, however, despite the misinformation by individuals like Dr. William Pearce, homosexuality and bi-sexuality have always NATURALLY belonged to a small percentage of the White Aryan Race, and it is here to stay. Before the coming of Christianity, homosexuality wasn't frowned upon in the White Aryan Pagan world, but just because it wasn't exactly celebrated to the point of exploiting it, like the liberal Jewish kikes do, doesn't mean it was discouraged for the men who are impotent with women. People can be so dumb these days. They only stay within their comfort zones concerning the Jewish lies that they had always accepted as truth.

The point is that it isn't homosexuality or homosexual marriage in and of themselves that are the problem. The real problem and the real THREAT is the Jewish menace and the under-races that they use in their methods of destroying the White Aryan Race. If we do not turn up the volume to our so-called "Anti-Semitism" and against their deadly program of race-mixing, we will not have a future. Just remember to keep it legal while we still can!

For the record, for those of you who have come here from Christianity, Christian Identity, or its related offshoots, not only is the claim that today's Jews, especially that the Ashknenazi Jews are not the real Jews -- the Biblical Hebrew Israelites -- totally false, a Jew is a Jew is a Jew. The Jews know that Christianity is nothing more than a program of death and annihilation for the White would-be Aryans who do not have the SPIRITUAL eyes to see through Christianity and see it for the Jewish disease that it really is. The same goes for those White Race traitors who work at being "color-blind" while the White Race continues getting flushed down the shitter and a new "history" being fraudulently FORGED.

Again, for those of you who have any soft spots for a seemingly "White Aryan" version of Christianity, whether Jewish, Negroid, or White Aryan, Jesus Christ is not a real, physical being. He is what the occult knows to be a Jewish-invented thought-form that can bend, blend, assimilate, and mold to fit any religious, political, or personal cause. The truth is that the Jewish people -- yes, even the ones who claim to be "offended" by "White" Christianity -- are working for the coming of Yeshua/Jesus Christ/Christos, or any and all other names that have been attributed to this Jewish wad of excrement.

The Talmud states that when the Jewish Messiah arrives, he will exterminate the "Christians." This is an interpolation, and in this case, another Jewish trick to fool White Christian Supersessionists into thinking and feeling that Judaism and Christianity have "parted company." This is just as damnable of a lie as the Jewish "holocau\$t" itself. What this DOES mean is that any Christian who is White and would be Aryan if they were Pagan and not Christian, is out of reach for "salvation" from the Christian Messiah. The Christian Messiah is the Jewish Messiah.

Like with race-mixing, the Jews always use Christian themes to make it look as if the Jewish Messiah is the "reason for the season" by combining highly emotionally-charged themes with Christian elements. Right now, if the Jews don't own the White Aryans through race-mixing, then they own these unfortunate White people with their other form of Judaism for Gentiles -- Christianity or Christian Identity.

Unfortunately, when the enemy tries to hit us really hard with pessimism, the enemy and those who work for the enemy try to make it look like White/Aryan + National Socialist + Spiritual Satanist = a losing minority with no hope of triumph over the HERD. This, however, is not reality, unlike what that filthy Jew-loving anti-White [possibly Jewish] bitch who runs a politically correct form of "Satanism" that has never left the Christian stable tries to make people think when she states on her website that when the race war is over, it won't be Satanists who will be the winners. What a crock of shit. Maybe not her "evil, dark

Christian" Satanism, but our political and Spiritual Satanism will win and become planet Earth's MAJORITY, considering that our Satanism is the same exact religion of Adolf Hitler. When Hitler returns, Satanism will be the only religion allowed for planet Earth. Spiritual Satanism is National Socialism and Nordic Heathenry for the White Aryan Race of Satan, who is Wotan.

It is the enemy who wants us to give up and lose hope. However, Satan and Adolf Hitler demand just the opposite, and we WILL SURVIVE AT ANY AND ALL COSTS, AND WE WILL EXTRACT JUSTICE MUCH TO THE HORROR OF THE JEWS WHEN THEY WRITHE IN AGONY AT THE RETURN OF THE ANTI-CHRIST AND THE RESTORED KINGDOM OF SATAN!!!!

The point of what I wrote above about cable television is that the White Man/Woman's mind is so polluted with Jewish toxins that if any of you have any weaknesses for the underdog that the Jews promote and use for extracting White guilt, Satanic power meditation is the cure. The meditations for Spiritual Satanists are the cure for the White Man/Woman.

I hope all of my White Satanic brothers and sisters had an excellent Yule and has a very happy New Year!

Subject: Re: Cable Television

I want to add my two cents here.

That's why they are called "programs." The Jew let's the viewer know its OK to laugh. He/she is given permission with imbedded canned laughter.

The Jew also let's the viewer know when its OK to feel frightened. The music (nearly all composed by a Jew), tells the viewer how he/she should feel at any given time throughout the PROGRAM.

The Jew also subliminally imbeds how the viewer should feel regarding many different issues. Permissible opinions only. The Jew has always been a dictator and they set themselves as masters.

While the viewer is being entertained by this total waste of time, he/she is completely oblivious to the ugly reality of what is going on in this world. Without the direct intervention of our Gods, there is no hope. Things including the majority of humanity, the environment, the abuse of technology, which keeps advancing and much more are too far gone at this point.

While the individual idiot sits glued and programmed for hours on end to the Jew-Tube, watches commercials ending, then they show the outside of the house, then the inside of the house, then the heh heh heh... Indicating something is supposed to be funny, the Jew is rapidly advancing in destroying civilization and our world.

I am not saying all TV is bad. Even though the news is heavily controlled and censored by the Jewish controlled media, we need to know what is going on in the world and thanks to the internet, we can research important issues for alternative points of view.

Some documentaries are also worthwhile and certain movies can be educational as well as entertaining. But, watching those stupid sitcoms, night after night, those worthless talk shows (which IMO are beyond repulsive), and other worthless crap to waste time for these idiots in their dull boring lives, only serves to turn out more dumbed down programmed idiots who are too stupid to bother to try to educate or better themselves.

The TV has always been a center of focus and even worship in the true sense of the word, in nearly all households it occupies.

Time is precious. It is not to be wasted. The Jew knows how to waste your time, your mind and your life. In addition to JewTube worship, most of these idiots then attend church and get indoctrinated even more with Jewish filth.

Enlightenment brings awareness...

Few people are actually aware of just how much WORSHIP in the true sense of the word, is given to the Jewish race. Our holidays are also all focused on Jew worship.

TV, the media, so-called "religion,"

the news always focuses on what is happening in Israel, wars for Jewish interests where millions of Gentiles are brutally massacred. The entire populace, though most are unaware, has been completely programmed and saturated with Jewish values.

They have this entire world by the balls and even openly state so.

In the meantime, the programmed idiot stays glued... They show the outside of the house (no need to even try to think of the location, in spite of seeing the inside of the house where the Jewish actors and actresses play out their roles, hundreds of times), then back to the inside of the house... Heh heh heh...

It is the enemy who wants us to give up and lose hope. However, Satan and Adolf Hitler demand just the opposite, and we WILL SURVIVE AT ANY AND ALL COSTS, AND WE WILL EXTRACT JUSTICE MUCH TO THE HORROR OF THE JEWS WHEN THEY WRITHE IN AGONY AT THE RETURN OF THE ANTI-CHRIST AND THE RESTORED KINGDOM OF SATAN!!!!

The point of what I wrote above about cable television is that the White Man/Woman's mind is so polluted with Jewish toxins that if any of you have any weaknesses for the underdog that the Jews promote and use for extracting White guilt, Satanic power meditation is the cure. The meditations for Spiritual Satanists are the cure for the White Man/Woman.

I hope all of my White Satanic brothers and sisters had an excellent Yule and has a very happy New Year!

Subject: Jewish intelligence is NOT the reason for their wealth and power!

The Israeli media is bragging about the number and power of Jewish billionaires. Jews who are less than 1% of the worlds population are 11% of all the worlds billionaires. There is 165 Jewish billionaires out of a total of 1426 billionaires. (Note this does not take into account crypto Jews, the Jews who are hiding their Jewish identity and pretending to be gentiles)

Also out of the top 50 richest people on the planet, a third are Jews. The following article explains

<http://mondoweiss.net/2013/04/forbes-jewish-billionaires>

One might argue the only reason Jews have so much wealth and power is simply due to a higher IQ, but it is not so.

Here is why: Jews are only 1% of the worlds population, they are about 12 million in number. The average IQ of the Askhenazi Jewish population is 110. And that is only the Askhenazi Jewish population, the Sephardic Jews have IQ's similar to that of other Arabs.

Compared to the average White IQ which is around 100 and the average east Asian IQ which is 105

BUT there are close to a billion Whites world wide and even more east Asians. So within the White population and east Asian population, there are still far more than 12 million people (the total number of Jews) who have IQ's at 110 and over. In fact I would hazard a guess there even more than 12 million who have genius level IQ's. IQ's of 150+. An IQ of 110 is actually not exceptional, although it is higher than average.

The Jewish average IQ is 110 out of a total world population of 12 million people. Less than that actually because, the 110 figure is only true of the Ashkenazi Jews. The White average IQ is 100 out of a total world population of 1 billion people. So within that White population of 1 billion there are far more than 12 million of us who have IQ's of 110 and over.

And this is only Whites and east Asians I am talking about, there are of course many more high IQ individuals in other races, although less frequently than in the White and east Asian populations, but they do exist.

In fact consider the whole of gentile humanity, close to 7 billion people. Is there really not at least 12 million who have IQ's of 110 or above?

Whilst one would expect Jews to be slightly overrepresented for their numbers, having an average IQ of 110, the amount of wealth and power they have goes far beyond what can be accounted for by this little IQ difference.

At Harvards for instance, there is almost the same number of Jewish students as White students, despite the fact Whites are 60+% of the US population and Jews are 2%.

Jewish intelligence is NOT the reason for their succes, wealth, riches and power. The answer to it, besides the obvious which is ethnic networking, are in that Bible, the blueprint for their NWO plans. Listen to High Priestess Maxine's sermon - The Bible A Book Of Jewish Witchcraft if you haven't already as it is a fantastic sermon which explains far more than I am able to go into in this post. <https://www.youtube.com/watch?v=zr6vpBaxMPI>

Subject: Re: Cable Television

I am really aware of the constant programming on the Jew TV. I always was, to some extent, but after becoming Dedicated the agenda has become more and more clear (and infuriating) as time goes on. It is so true, how if you address someone sucked into one of the programs, it takes them awhile to snap out of it and even realize you just spoke to them. Or look how they put up big screens in restaurants so you can be inundated with the shit even while you are out eating...I see how people I am out with getting distracted and zoning in to the TV...they become non-present and drift off into Jewish La La land.

I sit with my coffee at home in my kitchen and look out the window across the way to the new condos that went up there recently (rampant 'development' - another jewish concept) and in every apartment you can see the flickering screens of the TV's. It's beyond disturbing. Oh, and that Xmas music CRAP they play EVERYWHERE! I went to the manager of a store and complained - they were playing away in a manger and it was like fingernails dragging across a blackboard - MORE incessant programming for their killer thoughtform - I just saw red....so I asked for the manager and asked him to turn it off or play regular non-religious pushing music and I was told too bad, its head office policy. Write to them if you want! So I just left and didn't bother to stay and get what I needed. And that filthy song was still echoing there in my mind for some time after leaving the store. I had to really focus on shutting it off. They really do think we are all stupid!

I noticed they had the Twilight movie series playing all day – I think it was the day before the Jewish Xmas. And I thought how interesting (and sick) is that – the underlying themes....that you fall in love with a fucking monster (who is misunderstood and really actually 'good' – doesn't THAT sound familiar?), let him suck the life out of you – oh, and get off sexually on it while you are at it – and then you DIE - the Bella character literally dies in the most horrible, disgusting fashion – and there too is the race mixing theme – oh, and every Vampire is totally gorgeous – when in reality the Jew is hideous and I think the Vampire in the movies is really code for the Jew - but its all OK in the end, see, now Bella is powerful, Immortal and has found...True Love! Because of course you can't achieve any of this without the help of the monster....and everything is now happy ever after!! Yeah. And you just know every teenager was glued to THAT. It was a huge hit in that generation when it came out. It's such a successful 'program'.....Gag.

I recently went to a film festival and saw an original documentary film – it was called Daughter. It was meant to inform about the honour killings that go on and documented one mothers story of the lengths she went through to save her daughter from the system of selling ones daughters virginity as a child bride by the father as a means to a political end. I won't say how it ends that would be a spoiler. It was so DIFFERENT from the North American Jewised crap movies you would see in a regular venue! It was incredibly beautifully shot and so powerful it gave me goosebumps. And I thought: Now there you go: A film made by Gentiles FOR Gentiles and how amazing was that? As opposed to the Jew movie garbage. It was the total opposite. And I thought: This is how it can be, when we have true freedom of media and expression! It was beautiful!

I thought Times mag had a front cover dedicated to the Ashkenazi brain and their Success.

However New York Times is the only cover I can see.

PS. Nat Geo channel is PUSHING endless documentary on Nazis, every time I switch it on.. lol I think they got a crush on Hitler, Goebbels and Himmler and Co.

Of course it's the usual ominous music, the evil dictator theatrics.

However, no one answered nor aired my question.. tell me, why was the British Royals (German, Sax Coburgs involved with the Nazi Party.. ??

I seen Margaret's eyes. They are lizards. She didn't bother to conceal hers.

I don't know where you are getting this information Kylehand.  
One of the worst things and the most lethal is to underestimate your enemy.

I happen to know different. I was a former member of American Mensa. This organization is for people with IQs in the top 2% of the populace. In other words, one must pass a supervised IQ test in order to be accepted into American Mensa by invitation. This means scoring around 135 and up.

My IQ is beyond 150. I can tell you and warn you all here, Jews are NOT stupid. Some are, no doubt, but the reality is most Jews have IQs above the 130 range. Even Hitler who was a genius underestimated them.

Upon joining American Mensa, I was required to attend a mandatory "orientation." This took place at the home of a Jewish couple. I noted I was only one of three or maybe four Gentiles there, out of a group of about 30 or more. The rest were ALL Jewish.

This is extremely serious. The majority of Jews, and yes, they make up a small percentage of the population, are medical doctors, attorneys, college professors, work in the media and so forth.

Do you have any concept at all what it takes in the way of intelligence and study to become a medical doctor? Not to mention the grades required for admittance to medical school. That is one.

The reality is that the Jews have had all of Gentile humanity by the balls for centuries. Gentile humanity has worshipped them in nearly every way, let alone in

church.

This is extremely serious. Wake up people!

In addition to their high intelligence, many are knowledgeable and sly on how to completely screw over Gentiles, of which they have been doing for centuries. They are and have always been known as "People of the Book."

There is a joke among Jews that I read: "A Jewish dropout is a Jew that did not obtain their PhD."

You underestimate your enemy and your enemy will screw you to the wall and worse!!! Look at reality!! The White Aryan race is on the verge of extinction.

There is another thread on here about the reality of Gentiles being glued to the JewTube. While our people get programmed, through hours and hours of watching Jew invented crap, attending church and all kinds of other activities devoted to Jewish advancement which is the destruction of our race, our culture, our civilization and life itself, the Jews have their heads in the books studying.

Please do not spread misinformation here. I am so fucking pissed that our people are so oblivious to the Jewish menace

The jews use their wealth to give their children the highest education possible and this is why they all go on to college to become doctors and lawyers.

Yes this is STOLEN wealth but they know how to use it to get ahead and this is why they are so damn hard to expose as well!

They not only have influence through COMPLETE CONTROL of the money supply but they know how to use this to silence and censor any opposition!

Do NOT underestimate them!

My entire life I was getting screwed over by kikes who would ALWAYS use me as a scapegoat and tried to get me arrested because they could SENSE my spiritual power even before I knew what I was!

My entire life I have been telling off marxist kike teachers and calling them on their bullshit with logic and common sense only to be dragged to the principal's office for being "politically incorrect" and when I mention freedom of speech these fuckers would actually PAY the other kids to bully me so that when I kick their ass they'd have an excuse to call the cops!

And of course they ALWAYS cover their tracks so well that the only way to truly expose them is to go full blown terrorist and hold them all hostage and force everyone to actually look at the evidence!

Obviously this was not an option but so far the only way to actually hold jews accountable in the physical realm in a quick and efficient manner is with mafia tactics to build a power base against them.

This is also why the jews DESTROY OR ASSASSINATE any racially aware gentile who gains too much material wealth!

Remember HP Salem Burke?

He used his powers to win the lottery and no one ever heard from him again since!

DO NOT underestimate the jews!

They are a hive mind and some of them DO read minds and can sense when someone is a threat to them and they use their ill gotten influence to bury those people!

Subject: Re: Jewish intelligence is NOT the reason for their wealth and powe

My entire point here is never to underestimate them. They are deadly.

Of course our White Aryan race has the highest of intelligence and creativity.

Jewish intelligence can be different. Like having a so-called "photographic memory" for one. Gentiles can have this as well, but it is a certain kind of intelligence.

The Jew also has an inborn bent to viciously exploit any situation to no end. Their intelligence is used to exploit, to deceive and to destroy.

Never, ever underestimate them. One movie worth watching that demonstrates this is "The Chosen" with Robbie Benson and Rod Steiger. Hollywood always tries to make them as positive as possible, but if you really watch this movie, it is realistic and an education regarding the Jews.

Our people need to learn as much as possible about the Jews. If you note intuitively, there is something very alien in their behavior, their choice of words and even their body language. The more Jewish they are, the more pronounced this is.

A few days ago, I had a run in with a manager at a store. He had reddish hair and blue eyes, but I knew beyond any doubt he was a kike. It is very sad that most people have no idea and would think this is a white man giving them a hard time.

Also, they have taken over all kinds of charities for animals. They rot these out from the inside. Knowing their methods of cooking and diet- "vegan latkes" Gentiles refer to these as "potato cakes." When I see "latkes" I know its a Jew.

The jewish race can not create.

The People of the Book have had all gentiles by the balls through milleniums by their Torah and Bible.

I refuse to admit that our race, though fallen, is less intelligent that this walking deadman.

Subject: The Three Main Races (from a biological standpoint)

### The Three Main Races

Okay, so lately I have been seeing a lot of things claiming that there is no such thing as race??? Such as: "Researchers have proven, scientifically, that humans are all one people. The colour of our ancestor's skin and ultimately my skin and your skin is a consequence of ultra-violet light, of latitude and climate. Despite our recent sad conflicts here in the U.S. there is really no such thing, scientifically, as race. We are one species. Each of us is much more alike than we are different. We all came from Africa..." - Bill Nye

Yes, I know, this is Bill Nye, whom every American seems to love, however, this is absolutely IDIOTIC, and even more-so, this is SCIENTIFICALLY INCORRECT!!! There are DEFINITELY races. Anyone who has studied anatomy, and/or in my case, forensics, KNOWS there are different races. Each race (white, black, Asian, AKA Caucasoid, Negroid, and Mongoloid) has various different structures such as bones, muscle, and even HAIR structure all the way down to a microscopic level!! Mongoloid hair is thicker and when cut on a cross-section, is straight and circular, and the pigment granules are densely distributed. With Caucasoid hair, the cross-section is straight and tends to be more oval-shape, with pigment granules that are small and evenly distributed. And lastly, with Negroid hair, it is more fragile, and on the cross-section it is kinky and FLAT, and the pigment granules are densely distributed and clumped together. That's not even going into BONE STRUCTURE. For some picture examples of this, here are some examples [HERE](#)

When it comes to bone structure, it is easiest to focus mainly on the skull, because these are the most obvious differences. Here is a link to my original, showing the images: <http://lightshadow666-88.tumblr.com/post/135802278546/the-three-main-races>

I'll focus mainly on the obvious features; the features that you don't need to have studied Forensics or Human Anatomy to see.

EYE SHAPE: Caucasoidal: is Angular and Sloping; Negroidal is more square, or rectangular; and Mongoloidal is rounded and non-sloping.

NASAL (Nose) INDEX AND SHAPE: Caucasoid is Narrow and Tear-shaped; Negroids are rounded and wide; Mongoloids are Intermediate and Oval-shaped.

ZYGOMATIC ARCHES (Cheekbones): Caucasoid is Narrow and Retreating; Negroid is medium to large, and retreating; and Mongoloid is projecting (protruding).

OVERALL SKULL SHAPE (FOCUSING ON TOP OF SKULL): Caucasoid from the front is kind of a rounded square; Negroid is very angular; and Mongoloid is more rounded.

As you can see, it is VERY obvious that there is a lot more besides skin tone going on when it comes to race.

Subject: Re: Jewish intelligence is NOT the reason for their wealth and power

The thing which is a bit disappointing to me is, how so many Whites in White identity movement, never just say they love our people, whatever their IQ's are, whatever our strengths and weaknesses are. I don't love my people because I think they are the best, it's because I love my people that I want what is best for them.

There is nothing wrong with being proud of your race, proud of who and what we are, because you and your race are not separate but to me pride is only one emotion and pride alone is not the sole reason I am loyal to our race.

I love our people, even if some test proved beyond all doubt there are other races more intelligent or stronger or whatever, I would still be loyal to our own people first. Same goes for this race mixing thing, I am White guy. I know I am not more attractive than every single man of another race on the planet and on the other hand not every single White female I see is more attractive than every other woman of another race. But it makes no difference to me. 10 times out of 10 I would choose a White woman to be my partner over another race, no matter who was the most attractive at a base physical level because the love for my people goes beyond that.

And that's not to put down our people in any way either, we are an intelligent, creative, beautiful race with a lot to be proud of. But to me there is no competing with other races Whites have to do in terms of who I love and who I don't, who I will hire, work for, befriend, marry, help, buy from etc I always will put our people first, especially if they are also racial nationalists and have a strong White identity like me.

Also, I agree entirely about the point of not underestimating the Jews. Once again I am sorry if my message contributed to the idea they are not intelligent or to be taken lightly in any way. The only thing I was trying to say was, they have power and privilege beyond what a higher intellect alone can explain because even with higher IQ's they are still only 12 million people world wide.

There is, though, something interesting that our Rituals are helping to accomplish and is that some Jews are "shooting their own feet" by reverse attempt of denigrate Satanism, ie. making wrong choices that little by little are undermining their own place on medie.

I downloaded and watched the 1st episode of this new show called Lucifer (based on the comics of same name) and it was very positive so to speak. Despite the obvious biblical bullshit we could expect, they portrayed Father as a cool guy who love, is charismatic, funny to children and is caring for human life, even helping investigate and enforce justice when a human woman he liked and helped with advices was outrightly murdered. Jews trying to make money with their own damnation... And I ask, how many times you saw Father Satan being the protagonist and good guy? Not before our rituals!!

New Year Address

This planet is in bad shape and so is most of everything on it. This is all due to the Jews and that's all. I have as many thought the ages wrote many volumes that show this.

Around two thousand years ago this planet was on a major cusp moving towards the age of competition that of Pisces. This was secluded to an age of high

art, culture, science, spirituality and the age in which man would ascend to the light fully. Mithraism was becoming the spiritualist movement to reconsolidate the spiritual teachings into a unified form in the Roman Empire, the movement towards technological discovery and creativity in Rome was moving along with steam ships, advanced mechanical computers, the basics of physics development in mathematical theories. A new age of architectural wonder which matched ancient Egypt being built up. A real enlightenment was advancing. Even texts mentioned in which people had achieved the full ascension of the soul. Great masters who were teachers of Great Roman Emperors, Aryan Men of great light. This current was moving towards creating a utopian world and civilization.

Then the Jews attacked with a military coup which destroyed the ascended line of the Roman Emperors who were men of the spiritual class of the Patricians. And put a line of psychopathic lunatics in power the Flavians whom the first Emperor Vespasian built a statue to the Jew whom he stated was responsible from him becoming Emperor. Who was a member of the Jewish Alexandria family, the same family became to core of the new rulers and their money and power ran it. Titus another Flavian was married to a Jewess from one of these Jewish oligarchies. The Jewish Flavian built the Coliseum and worked to destroy the spiritual mysteries from every angle and violently persecute and kill the spiritual philosophers while slowly destroying the Patricians from every method they could.

Then after a decades of this the Jews unleashed the Christian ideology from the Flavian regime they ran with their Catholic regime and did the Roman Empire what Pol Pot did to Cambodia, the year zero. These Jews bragged they exterminated the entire civilization that came before their Catholic regime. Creating the dark ages on purpose to control everything.

The Age of Pisces became the age of Jewish run terror under the Catholic Churches and Protestant ones as well. Then the rise of the Jewish bankers and the Communist terror they spread around the earth along with the world wars they started. This all designed from every angle the constant corruption of science, spiritual teachings and societies, social movements to better things even the school system what was meant to educate is now to dumb down. Every step these Kikes have tried to hold back our progress even down to pushing cancer cures and free energy technology out of existence, poisoning the food supply the water, air, everything. Destroying any high culture, art, music, ideals anything with poison of their corruption at every turn and angle without rest. We try and live and they want us to die, that's it.

Because Satan and our Gods along with noble people on earth have fought these Kikes every step of the way from Rome to this day. That is the only reason this planet is not destroyed along with everyone on it by these Kikes. The Kikes evil persistence has meant with non-stop courage of Noble human resistance. Satan sent the world Adolf Hitler at the dawning of the next age of the world, Aquarius, to open a door to a utopian world order and combat the evil of the Jew which was destroying the planet and the peoples of the world with their final end game move of World Communism. Hitler rallied the world and from Japan to India, from Africa to Europe millions of Noble people hurled themselves with total self sacrifice into the fires and against the jaws of the Jewish beast. All those men who left their families knew they were not coming back. They marched knowingly into a living nightmare for the world struggle of truth, because that's the human spirit the Jew just can't crush. They died so we could live free in a spiritually evolved world under the Swastika of Satan.

Because of our brave, noble and beloved Fuhrer, we are not living in nightmare of World Jewish Communism. He was the 11th hour saviour of the world and threw Himself into the jaws of the beast to save us along with millions of other noble people of the World Hitler Awakening. The Swastika generation.

Here we are going into 2016 and in the first few years of the Aquarian age. And the same struggle abounds. However because of the noble souls persistence to do right even if they perish in its cause. We are winning, the wheel of fate is turning our favour. However this is only due to persistence against them. All of you who have been working for enlightenment of the people and taking part in the rituals. You are a blessing to this earth and all good beings everywhere. Never give up, because in this world we will have our shining age that the previous was supposed to be. Because noble beings didn't surrender in the last age or this one.

I have read messages of people complaining about the do nothings, herd zombies in society. Don't worry about them. The world matters because your in it, not them. You are the spiritual light and hope for humanity not them. History remembers those who persisted. And in time the herding of today will stand at the base of the statues of Hitler, awaked and thankful for those who persisted for them, in the cause of truth in a time of great darkness.

And that day they will clasp their hands together in devotion and looking upwards say with deep spiritual reverence, the words:

"Hail Hitler!"

Greetings to all our Comrades and Satanic Forces!!!

Now for all who are aware and they are watching the jewish situation, but also aware of what the enemy wants, but also have been following the events, the jews want to exterminate and Genocide Whites and other people who have been resisting them or that could be a potential threat to them. The late decades and how the jews have been affecting history, its evident that their "prophecies" and all their other "religious" things, these aren't plainly some stories and lies, these are things they are using as guides to destroy the rest of Humanity and anyone who resists them.

The enemy sparked the problems in the Middle East, got the leading countries evolved, they also do run the corporations and play the Middle Eastern game from all sides. 911 was a jewish inside job to get the USA involved into the jewish domination conquest. In the movie of the "Matrix", or the Simpsons, but Batman also, the subliminals about 9-11 were launched into the mass mind of the populace. The jews are guilty. They prey and pray for the fact that the Goyim Animals do lack knowledge, determination and intelligence to fight them away of their territories, destinies and lives. They know the masses tend to be stupid, they tend to forget and they know any and all weaknesses and strengths of their hosts and victims. They are not stupid, neither they will ever admit anything, or move away of their goals. They know that after so much they have done, its either-or for them.

The ISIS is their creation, but when things got out of control, they enforced the great powers to get involved and sweep the other Races and peoples who they wanted to destroy. This is all done so Israel can get their way with Border Expansion and to create what is prophesized (from their own, to be done by their own) as the "Greater Israel". Of course this will be attempted to be built on millions upon millions of corpses.

Everyone also here knows that the enemy is hiding behind Marxism, Leftism and Multiculturalism. Their battle and destruction towards all Races on Earth and also, the White Race above all, has been going for centuries and its even described and laid out in their own "books". The enemy has also murdered, tortured and destroyed millions of people, directly or indirectly. They are also, shaping late history to fill into their demands, they brought forth the Middle Ages and they are behind every attempt to halt Gentile Evolution and to keep societies and the whole world back and in change, just to further enslave Humanity.

Needless to say, but the "Goyim" (animals in Hebrew) are being educated, they are waking up and now that these dangers are hitting the roasted steel, only fools will remain sleeping. The rest of the people will soon or later revolt against the Jewish superpower.

The enemy knows they have been exposed so they will of course, follow certain methods that are supposed to help them out of what they are experiencing. In plain, they will try to protect themselves and again, keep the people away from them when they are enforcing all they are to enforce upon people. The Joy of Satan has laid out in public all the information necessary about them. The World is nevertheless, waking up, despite of all their attempts. This is like how many of you have seen "beyond" the veil of the "good enemy" and have felt on your skin their attacks and attempts to spiritually numb you and destroy you. So much of the "good" and "innocent" god. If anything, it wants to murder you, but it may be too weak to do so and this is the only obstacle. As the enemy openly states in their texts, not only all Satanists, but in addition, all other "Idololaters" are to die (billions of people) but they are also to roast in eternal hellfire, for not succumbing to the Abrahamic Hoaxes that portray as religions. Eternal hellfire after they have suffered eternally in what the enemy calls as the "God World" or "World of the Righteous" (ie Jew World Order). When someone turns against them, mercy mode and misdirection come into play. But the goals remain the same. They don't change an opinion after they watch CNN and BBC, because "Paris Tears" in facebook, or after someone tries to explain them in ethical sugar why they shouldn't just enslave and kill all those who resist their goals. This is what they do, this is what they follow, accept it or not. And if this seems like prehistoric times warfare, well, it exists today, with the unevolved and eternal Jew. They never change. They never "evolve" in such stupid ways they have taught the populace to "change" and "evolve". They always keep the same way, mission and path.

If questioned or criticized, their answer would be like this. "No no! It never was us. We never did anything! We are the innocent Chosen Children of God. It was God, it was the Devil, it was Your aunt Matildha, it was fate, it was reality, it was him, it was her, it was it, it is what it is, it was anything but me! The poor Jew! How could it ever be me? Look at these evil Aryans and evil others. Of course its not me. All I do is cry 6 billion tears all day! How can I be guilty and responsible for everything bad that happens???:'( " Then when you believe that shit, get ready to feel the stabbing dagger in your back and wave the heavens as the world you once knew disappears from your sight, forever. Giving place to a Jewish Global Slave Order.

They will also use any astral and physical means necessary to accomplish their purposes and protect themselves for all they have been undergoing. They are alike a virus and they will do ANYTHING, absolutely ANYTHING to gain ground to protect themselves and keep the attention away from themselves, so they can escape the judgment for what they have caused and created. The enemy has been revealed completely, both "religiously" and in what they do. They have also been exposed as a Race, which is what they are. The enemy is as thus scared and will continue pulling off acts.

1. Denying everything they are accused of. The enemy will, now that they are exposed, use all vile methods and underhanded methods to deny everything. Everything that is revealed about them, they will try to pass off as a joke, as insanity, as a mere tendency of the few "bad Jews", while actively trying to erase every proof or information that leads to them as the source of what they are guilty about. Denial is a major weapon for the Jews and the

same goes for every criminal. Even though its glaringly evident that the law, the rules and regulations, the state even, are shaped in such a way as to protect them while damning Gentiles, they will just deny everything and pretend it never even happened. One of their major excuses will be that these things existed only to “ideologically defend them” and of course, they will again pull out the “sorry” and persecution complex card. Since they know 6 millions of lies can’t save them, they may move forward with outright brutal force, but this would inevitably bring over their end. This brutal force they are exacting to the populace through the immigration policies and economic warfare.

2.Re-writing History about Adolf Hitler and the 3rd Reich. The enemy knows that the 3rd Reich has been their worst enemy and that they would be eventually destroyed if Hitler won the War, or if His ideas and philosophies made it into the broad populace. They know that this would eventually bring out the Racial instincts of people and that they would be destroyed. The enemy can only thrive amongst people who are not racially aware. In the bible, they are racially infiltrating the tribes they want to destroy and the same method has been going on for centuries upon centuries. The other lies about how “jews fought in Hitlers Army” and any sorts of other lies, such as that “Hitler was an Xian” will all be used to cover up the greater Cosmic battle that underwent at this point, between Hitler and the National Socialist against the Jew War Order. The enemy will try to dilute, wear down the message and the list goes. Everything will be adjusted so that the jews are left surviving and thriving and in such a way that they aren't being recognized for what they are. Denial of the facts about Hitler being an anti-semite, or a Satanist and anything of this nature (Which is proven obvious by its outcome and the war HE carried, above all) all are tied into this too.

3.Taming “Nationalism” /Infesting Nationalism with Xianity. If you can't stop a revolt ( the jews are losing this battle, and also the battle of information against their enemies) they will try to poison this intellectual/physical revolt to fail, by infestation.

Now, Nationalism seems inevitably the future and as people are getting attacked, the jews are trying to force this wave back by their leftist and Marxist narrative. The Racial awareness of the people is coming in and awakening. Things are trying to return to natural order. Since this will no longer work after a point and will eventually collapse, they will work to infest Nationalism with Xianity and making it become corrupt and destroyed from within, while promoting a Race Mixing agenda backhandedly. So long the jewish “god” and the faith to jews remain, the populace still is enslaved mentally and spiritually, so the physical level will only follow. This is why the modern narrative, is about Nationalists being Christians and about “Christian Nationalism”. Underhanded attempts to lure the people include the show offs of the great “Medieval History” and other things that talk into the Gentile Unconscious, somehow tying the Rule of Christianity with “Innovations” and “Power” for the Goyim slaves. The other narrative that the enemy will attempt is “Christian Us, Muslim Invaders”, to again drive in the people into xianity. All this will fail but they will nevertheless, attempt it, as there are always uneducated fools and beta males who are too afraid to be cast into the jewish hellfires, so to say. It's the duty of the Alpha males/women and people who are intelligent, to wake up these slaves from their sleep and take them over. This is duping many mentally and spiritually enslaved cuckold of the jews, who are too afraid to go against the jewish “god” and their demands and who see the Christian/Muslim mud, as some sort of “Historical Continuity” of the people, which is just a virus of infection and death for Gentiles and our Cultures.

Christianity and Mud-slime has always been the destruction and the toxicity which destroyed and annihilated Gentile Civilizations. It halted and destroyed thousands upon thousands of years of evolution and empowerment and it destroyed everything. It put the real God, Satan, into the bad side, while the god of the jews, it made the “leader” and imposter of the Original God, Satan. The jews made sure to kill the greatest Pagans and the Greatest Leaders before the xian era, so the unintelligent dumbs that remained after this, were willing to be enslaved and to become servants under the “Christian” invention of the jews. The jews know that if you control someone religiously, you control them in every other level as well, according to their Marxist narrative. They used the greatest source of Gentile Power, to turn it into the greatest source of weakness. Freedom was perverted to servitude. Knowledge became ignorance, Truth

became lies. The source of powers for all Gentile civilizations, were rooted in our Pagan Faith and in our Pagan customs, all of which revolved around personal strength, dignity, resistance to lies and evolution of the spirit and civilization. If these things are crushed or diseased, the jews can move forward easily. Then when this is done with, you remove religion all together because its no longer needed and the Goyim are well enslaved. This is like the Soviet Jewnion, which was the bulwark and spear of 20th century Jew World Order. The jews retain all their copycat religious tenets for these reasons of power, while they strip off and destroy these for others to weaken them down. The second step in this is injecting their own imposter religion, then when the process of enslaving the goyim is achieved, they impose Atheism. In plain, they will try to infect a sane idea, with a point of insanity and open the door for this to be destroyed and unsuccessful. Then it is removed completely and it can never be recovered.

4.Xian church wearing a "Nationalist" façade. This was pulled up many times, especially on Hitlers era. The same kikes and sell outs who worship the jews day and night, enforce their consciousness over the Goyim (Gentiles) and those who bring the servants of the jews in, they will try to attempt to portray themselves as legitimate Nationalists who are interested in the "family" or the "volk" or the "good of the world" and the list goes. In plain, when they will be defeated and destroyed, you may even see the pope or anyone else of the side of the enemy, licking the muddy boots and feet of our own, doing the everlasting thing they always do: Lies and Mercy abuse- in order to survive. Somewhere, somehow. Anti "Muslim" and "Anti Globalist" narrative will also come handy for them, while all their Marxist spewing brew soup is found out by everyone for what jewish nature it is. They will also try to convince the masses and leaders that they didn't do anything wrong and that they always did what they should have done. They will try to pretend they are helpful to the people and such, as they always do, only this time, on a Racial level or National level. Dropping their own actions into God also ties into this. "God said so" is the favorite excuse of any xian, from serial murdering kikes, to the pope and any other bloody mass murderer like Stalin or any Middle Age "king".

5.Furthering the Claims about Satanism. After the jews have went very deeply in lying about Satan, trying to destroy the Gods themselves (pure stupidity on their behalf) they will now try other methods. The methods are as following. First, the jews outright attack something. If they cannot destroy it, they move onto the second stage. They try to turn others to destroy it for them. This is what they have done with the Goyim masses, which they turned against their own "god". If they even lose this, when they are approaching their definite end, they ask for mercy and even beg to join forces and sides with their enemies. If their enemies are foolish enough to accept them or listen to their lies, they are taken in, and then, they are destroyed from within and backstabbed to death. After this, the jews emerge stronger and with double power, expanding onto their next target. This is the same route a virus follows in destroying its victims and evolving.

After centuries and lies about Satan, or even their most recent lies, the enemy will now slowly tune down the "Anti Satanic" narrative, or after they have lost and the Pagan Practices can no longer be stopped, what once they tried to outright kill, they will try to join and poison from within. Or they will try to claim other lies, such as they "had" to do all they "had" to do in order for this faith to be restored and empowered, yadda yadda, we played our part for the Creator. The list of lies here is endless. EA Koetting and others are serving in this, to further the lies about Satanism and make it seem like some sort of charlatan religion, while in the very core, Satanism is the only religion which worships Truth and basically, worships the one all the Ancient Civilizations (except the jews) called as "Eternal Truth". The enemy if they see the popularity of Satanism is adding up, they will do all they have been doing, like the TV series "Lucifer" and all these movies, portraying Satan in a half lies, half positive light. The other filthy lies they are doing, these revolve around lying and projecting all they are and do upon Satan.

One major projection of what they are, is saying that Satan is a reptilian who wants to enslave the World and aligning themselves with the "Satanic side", while in Truth it's the exact opposite. The jews are aligned with "JHVH" and who they outright openly state, while at the same time, they themselves and their "JHVH" are the reptilians and those who want to destroy the World and make it succumb into darkness and slavery. This is a clever move, as their second

move after denial, if it fails, is illusions and then, there is reversal. 60% Truth 40% lies is the favorite of the jews. This is what they do in movies and famous literature, for the reason of its effectiveness.

The lies also, as they always have, as the smear campaigns, may run about the Joy of Satan too. Personally, impersonally, it doesn't matter. These might range from mild, to outright outrageous. The people Spiritually attacking the enemy, and this can only happen through "Satanic" Power, but also education, is what harms the enemy the most. Don't expect them to sit back idly and watch you take over from them, what they killed millions and abused millions for centuries to get. They just won't do it.

6. Attempting Outright Force/Transmuting if there is failure. If the jews weigh the circumstances in their ability, they will try to outright attack those who stand against them. Since this would cause their destruction, they will even matters out and they will persecute and try to destroy their enemies in more sly and backhanded ways. This goes especially for people on high politics and position who they can't destroy outright. If they fail, they will wear the good mask, or pretend to be innocent and never have touched anything. This is for instance, the claims of Trump about how he will just "momentarily" shut down the Internet, or other more obscure ways the jews will try to confiscate guns and leave the USA and any other country robbed of the ability to defend itself. Accurately, not the country, as the weapons of a country if its under the jewish thumb, they have become jewish guns. They just want to rob the populace of this right and they have succeeded in many places. Outright force is not the way to go to some, to some others it might be. Subliminal programming, lying to the masses, keeping them preoccupied and lying to them about everything, is the key. Its not about driving others where you want them with force, but winning a battle without starting a war. This way you have no casualties and losses on your own side. This is what the enemy aims for.

7. Upping the pre-occupation of the masses to the extremes. Now this might drag onto the far ends. When the jews are found out and the populace is being educated about them, they will try at first to destroy the economy. Then, they may even outright attempt to cause a WW3, as they have been trying to sow in Syria and other places of the World. War is where the jews thrive, as they thrive for chaos and war makes sure to keep people onto the lowest level possible, never-minding the jewish problem. The jews have shaped reality in such a way that people struggle for survival and if you struggle for such, how the fuck are you somehow supposed to look at the capstone of this slave order and see the jews? Its fairly easy to look matters as they are, but when you have a blindfold, then you can't do this. The enemy is also enforcing a false conception of reality towards all people and beings, only to just hide themselves behind this and also, dilute the lives of people into nonsense and needless things. They want all the Goyim to come, "live" and go, like they never actually existed. This is the purpose of every animal, after all. To live, to serve, to be eaten and to feed the master. Then to become mud once again. This is what the jews want to ensure by keeping the masses stupidly "pre-occupied".

Understanding it all around.

The jews are ferocious, deadly but they are sly and physically cowardly. They are also masters of deception, and the real masters of lies. Therefore, they outright try to destroy their victims and if they can't do this, they sic onto them, they try to deprive them of their power and then, by division and destruction, they take them over and drive them to the cliffs. Then, they repeat this process from whatever angle it worked. If the jew is approaching defeat, they are puffing up their feathers to show they are not, or they will just get into the ground and ask for mercy, backed up by half-baked lies and illusions as to allure the victim to give them mercy or to make their victim think that the existence of the jews would make them more powerful, whatever works on each foolish victim. The jew is the only being that asks for mercy, after evident attempts at killing and destroying you, only to do this again and to keep trying to do this. They are also the only being in existence which wants you, based on some ideological assumption they have created, to

sit idle and die because they are rightfully, your murderers. They are again, the only being in existence which will complain and throw off an ethical tantrum about you not succumbing to their murder attempts to your spirit, soul and body. Lastly, only the Jew is the one who abuses natural laws so much, but wants you to be weak and guilty when it comes to doing this yourself. This is because the Jews win only by deception and by confusing/numbing the mental and spiritual faculty of their victims and prey. If otherwise, people knew this, the Jew would have been defeated.

If their victims are foolish enough to give this mercy, they are doomed and they will be eventually destroyed. One member in the groups had in their signature, to never accept what the enemy has to offer, or listen what they have to say. This is most True in this case. The Jews work by some very certain ways:

1. Blinding/Illusions/Deception.
2. Abusing every invisible force such as law, Human Rights and anything else.
3. Outright Brutal force (only if they can exact this safely)
4. Making themselves needed and making others unnaturally dependent to them, ie, tying the survival of the victim with their own, to keep a parasitic relation going, up to the point that the removal of the parasite means the death of the host.
5. Abusing and using all the weaknesses imposed by Christianity and Islam to their victims. Which include stupidity, senseless mercy, "love all", "all equal" and all the other "values", false and senseless "hope", etc etc, all taught on by these enemy beings.
6. Robbing of the senses, be these spiritual or the judgment of victims. One being without keen senses can be destroyed fairly easily.
7. Keeping their enemies endlessly preoccupied.
8. Bribe. Self-explanatory.
9. Uniting wrong and right to produce wrong, strong Gentiles and Jews to produce more Jews. ie, Assimilation and absorption. The same thing goes for everything, be it an idea, or reality, or anything else.
10. Causing Divisions in groups that try to bring them down. Self-explanatory. How many times have you seen big ego-pathic fools and teenagers thinking they are the "shit" and trying to backhandedly fill their empty life by destroying Satanism, for instance.
11. Labelling. This is like Racist. When Jews and the enemy is losing their arguments, they are just forcing labels forward, so the foolish people who listen to these and are afraid of being pinned of these for any reason, just succumb to the pressure behind this. This can happen in the smaller or larger scale.
12. Turning the masses against their enemies/Hyper Individualization. The masses is where the enemy overlords now. They don't lord over individuals, are the

individual is analytical, while the masses in nowadays world aren't this at all. Most people hate and disagree with the jews as persons or individuals, and if they knew, they would be at the very least dissatisfied and hateful towards them. But on a massive level, the jew is trying to control people like cattle. As the time goes and the "WWW" does it job, the enemy knows this individuality will lead to their ruin, as individuals tend to think a bit more. So they try to overly-individualize people over bullshit, as to divide them from their own kinds and teams, only through which the enemy could be defeated.

This must be kept in mind, that neither the hyper senseless mass nor the individual is the way to go, but the golden node between such must be taken as a route. Satanism is the religion of the Individual, but it's also the religion for the Whole. When great and bright Satanic individuals make up a whole, then this whole is bright and great. If sheep and cattle make a whole, then this is the jewish farm.

13. Reflection/Projection. The jews always work on reflecting and projecting what they are and do to their enemies. They will for instance call their enemies pedophiles, while they themselves are sucking toddler's dicks everyday long in the synagogue. The list goes endless and this ties into all the above. Reflection also has to do with trying to steer the hatred that is directed against them, onto someone else. Now that Hitler and Satan don't exist to be called as the source of all evil, it makes everyone wonder who will be next. Relocating and reflecting the hatred that is for the, the judgement and criticism they are to receive and such, is a common jewish spiritual, physical and astral method.

Subject: Satan's Internet Defense Force

Hello all. It's been a while since we've really posts anything about S.I.D.F., but I figured we needed to.

Satan's Internet Defense Force (S.I.D.F.) has been very successful lately, but we would love to get new members to help us. We are currently working through Twitter. Teloc Vovim is in charge of the group, as well as Red Tail and myself (LightShadow666 on there) are moderators. Teloc founded this group with the help of the Gods, which is (of course) why we have been so successful. We tend to go on YouTube and comment on specified videos and post JoS links and the like. We do also go on other media platforms (i.e. Tumblr, and we post stuff on Twitter as well).

We meet every Tuesday and Thursday at 4:00 PM CST (American Central time) and the meetings last anywhere from half an hour, to an hour and a half. We'd love to have more members. If you would like to join, make a Twitter account (even if you already have one, make one specifically for this, without any images or info about yourself), and make a tweet to either Teloc, Red Tail, or myself saying something along these lines: "#SIDF I would like to be in SIDF, could you help me join", or anything close to that. Just make certain you have the #SIDF so we know that's what you want.

## Whites & Blacks 100 FACTS (and one Lie)

By Roger Roots

"If our buildings, our highways, and our railroads should be wrecked, we could rebuild them. If our cities should be destroyed, out of the very ruins we could erect newer and greater ones. Even if our armed might should be crushed, we could rear sons who would redeem our power. But if the blood of our White race should become corrupted and mingled with the blood of Africa, then the present greatness of the United States of America would be destroyed and all hope for civilization would be as impossible for a Negroid America as would be redemption and restoration of the Whiteman's blood which had been mixed with that of the Negro."

(Senator Theodore G. Bilbo, of Mississippi in 1947)

FACT #1: The White race has crossed seas, harnessed rivers, carved mountains, tamed deserts, and colonized the most barren icefields. It has been responsible for the invention of the printing press, cement, the harnessing of electricity, flight, rocketry, astronomy, the telescope, space travel, firearms, the transistor, radio, television, the telephone, the lightbulb, photography, motion pictures, the phonograph, the electric battery, the automobile, the steam engine, railroad transportation, the microscope, computers, and millions of other technological miracles. It has discovered countless medical advances, incredible applications, scientific progress, etc. Its members have included such greats as Socrates, Aristotle, Plato, Homer, Tacitus, Julius Ceaser,

Napoleon, William the Conqueror, Marco Polo, Washington, Jefferson, Hitler, Bach, Beethoven, Mozart, Magellan, Columbus, Cabot, Edison, GrahamBell, Pasteur, Leeuwenhoek, Mendel, Darwin, Newton, Galileo, Watt, Ford, Luther, Devinci, Poe, Tennyson, and thousands upon thousands of other notable achievers. (37) (39)

FACT #2: Throughout 6,000 years of recorded history, the Black African Negro has invented nothing. Not a written language, weaved cloth, a calendar, a plow, a road, a bridge, a railway, a ship, a system of measurement, or even the wheel. (Note: This is in reference to the pure-blooded Negro.) He is not known to have ever cultivated a single crop or domesticated a single animal for his own use (although many powerful and docile beasts abounded around him.) His only known means of transporting goods was on the top of his hard burry head. For shelter he never progressed beyond the common mud hut, the construction of which a beaver or muskrat is capable. (21) (39)

### INTELLIGENCE

FACT #3: The I.Q.'s of American Negroes are from 15 to 20 points, on average, below those of American Whites. (26) (16) (18) (22)

FACT #4: These Black\White differences have been demonstrated repeatedly by every test ever conducted by every branch of the U.S. Military,

every state, county, and local school board, the U.S. Dept. of Education, etc. The same ratio of difference has held true over a 40 year period. (18) (26) (24)

FACT #5: With an average I.Q. of 85, only 16% of Blacks score over 100, while half the White population does. The Negro overlap of White median I.Q.'s ranges from 10 to 25 percent– equality would require 50 percent. (31) (27) (16)

FACT #6: Blacks are 6 times as likely to have I.Q.'s of 50 to 70 which put them in the slow learner (retarded) category, while Whites are ten times more likely to score 130 or over. (15) (16) (18) (23)

FACT # 7: The U.S. government's PACE examination, given to 100,000 university graduates who are prospective professional or administrative civil-service employees each year, is passed with a score of 70 or above by 58% of the whites who take it but by only 12% of the Negroes. Among top scorers the difference between Negro and White performance is even more striking: 16% of the white applicants make scores of 90 or above, while only one-fifth of one percent of a Negro applicants score as high as 90–a White/Black success ration of 80/1. (27)

FACT #8: Differences between Negro and White children increase with chronological age, the gap in performance being largest at the high school and college levels. (31) (26)

FACT #9: White/Negro I.Q. differences are constantly excused as results of environmental variations. but at least five studies that have attempted to equate socio- economic backgrounds of the two races indicate no significant change in relative results. As environment improves, the Negro does better but so does the White. The gap is not decreased. (26) In fact, extensive research by DR. G.J. McGurk, associate Professor of Psychology at Villanove University, reveals that the gap in intelligence between Blacks and Whites INCREASES where socio-economic levels of both races are raised to the middle classes. (18)

FACT #10: In 1915, Dr. G.W. Ferfuson took 1000 school children in Virginia, divided them into 5 racial categories, and tested them for mental aptitude. On average. full- blooded Negroes scored 69.2% as high as Whites. Three-quarter Negroes scored 73.0% as high as Whites. One-half Negroes scored 81.2% as high as Whites. One- quarter Negroes scored 91.8% as high as Whites. All of these Blacks lived as and considered themselves "Negroes." Their environments and "advantages" or disadvantages were exactly the same. (14) Also see (26) pg 452.

FACT #11: Results of the Army Beta test given by the U.S. Army to over 386,000 illiterate soldiers in WWI showed Negro draftees to be "inferior to the Whites on all types of tests used in the Army." Additionally, tests were conducted upon pure Negroes, Mulattoes, and Quadroons. It was found that "the lighter groups made better scores." (14)

FACT #12: Studies conducted with identical twins raised apart in radically different environments provide conclusive evidence that over-all influence of heredity exceeds that of environment in a ratio of about 3 to 1. (41)

FACT #13: Even when Blacks and Whites have the same backgrounds, in terms of family income and childhood advantages, Blacks still have average I.Q. scores 12 to 15 points lower than comparable Whites. This includes cases where Black children have been adopted by White parents. Their I.Q.s may be improved by environment, but they are still closer to their biological parents than their adoptive parents. (3) (15) (26)

FACT #14: Equalitarian ideologists often discount I.Q. test results with the excuse that they are culturally biased. Nonetheless, NO ONE, not the NAACP nor the United Negro College Fund, nor NEA had been able to develop an intelligence test which shows Blacks and Whites scoring equally. (15) (42) (3)

FACT # 15: American Indians, who often live in conditions far worse than American Blacks during their entire lives, still consistently outscore them on I.Q. tests. (3) (27)

FACT #16: The offspring of interracial marriages tend to have lower I.Q.s than the white parent. (11) (26)

#### THE NEGRO BRAIN

FACT #17: Among human races numerous studies have been made of the comparative weight of White and Negro brains with results that fell within the range of about an 8- 12 percent lower weight for the Negro brain. Such studies have been conducted by Bean, Pearl, Vint, Tilney, Gordon, Todd, and others. (23) (27)

FACT #18: In addition to the difference in brain weight, the Negro brain grows less after puberty than the white. Though the Negro brain and nervous system mature faster than the white brain, its development is arrested at an earlier age which limits further intellectual advancement. (22) (27)

FACT #19: The thickness of the supragranular layer (the outside layer) of the Negro brain is about 15 percent thinner, and its convolutions are fewer and more simple, on average, than that of the White brain. (9)

FACT #20: The frontal lobes of the Negro brain, responsible for abstract conceptual reasoning, are smaller relative to body weight, less fissured, and less complex than those of the White brain. (9) (27) (23) (22)

#### ANTHROPOLOGY

FACT #21: The name Homo sapien was first used by the 18th Century Swedish botanist Carolus Linnaeus. The word "sapien" means "wise." The name was originally used to speak of the White man and synonymous with "europaeus." As a result, many later taxonomists and geneticists believed that Negroes and other races should be classified as different species. In fact, Darwin declared in The Descent of Man that the varieties of mankind are so distinct that similar differences found in any other animal would warrant their classification in different species, if not different genera. (39)

FACT #22: For his mammoth work, *The Origin of Races*, Professor Carleton Coon, President of the American Association of Physical Anthropologists and the premier geneticist of the world, assembled massive evidence from geography, anatomy, genetics, physiology, comparative dentition, linguistics, archeology, and fossil records from 300 bone-bearing sites to verify his theory of pre-sapien racianation." In other words, *Homo erectus* was divided by race even before evolution into *Homo sapien* stage. (12)

FACT #23: According to Dr. Coon, while the Caucasoid subspecies (the White race) was evolving in Europe, the Negro race was standing still on the evolutionary plane and is

today no less than 200,000 years behind the European in skull and brain development. (9)

FACT #24: The Negro skull, in addition to having a smaller brain volume and thicker cranial bones than that of the White, is prognathous; i.e., the lower face projects forward, rather in the manner of an animal's muzzle. In consequence, the Negro jaw is substantially longer, relative to its width, than the White jaw. A feature of the Negro lower jaw is its retention of a vestige of the "simian shelf," a bony region immediately behind the incisors. The simian shelf is a distinguishing characteristic of apes, and it is absent in Whites. (9) (12) (39)

FACT #25: The skin of the Negro is thicker and possibly superior to the White's in the way it impedes the penetration of germs and in its protection from the ultraviolet rays of the sun. (39) (14)

FACT #26: The dark color of the Negro is due to melanin pigment which is spread through every layer of the skin and is found even in the muscles and brain. (9) (27)

FACT #27: An African dentist can tell a Negro's tooth from a white man's at a glance.  
(14)

FACT #28: Negroes have arms which are longer, relative to body height, than those of Whites. This feature, together with their much thicker cranial bones, gives Black athletes an advantage over Whites in boxing. The skeletal and muscular peculiarities of Negroes' lower limbs have given them considerable success as sprinters, but have left them relative undistinguished as distance runners. (39) (27)

FACT #29: ADDITIONAL DIFFERENCES

- The hair is black, crispy, and "woolly" in texture, it is flat and elliptical with no central canal or duct like the hair of Europeans.
- The nose is thick, broad and flat, often turned up nostrils exposing the red inner lining of the mucous membrane similar to an ape.
- The arms and legs of the Negro are relatively longer than the European. The humerus is a trifle shorter and the forearm longer thereby approximating the simian form.

- The eyes are prominent, iris black and the orbits large. The eye often has a yellowish sclerotic coat over it like that of a gorilla.
  - The Negro has a shorter trunk the cross-section of the chest is more circular than whites. The pelvis is narrower and longer as it is in an ape.
  - The mouth is wide with very thick, large and protruding lips.
  - Negro skin has a thick superficial horny layer which resists scratching and impedes the penetration of germs.
  - The Negro has a larger and shorter neck akin to that of anthropoids.
- 
- The cranial sutures are more simple than in the white type and close together earlier.
  - The ears are roundish, rather small, standing somewhat high and detached thus approaching the simian form.
  - The Negro is more powerfully developed from the pelvis down and the white more powerfully developed in the chest.
  - The jaw is larger and stronger and protrudes outward which, along with lower retreating forehead, gives a facial angle of 68 to 70 degrees as opposed to a facial angle of 80 to 82 degrees for Europeans.
  - The hands and fingers are proportionally narrower and longer. The wrist and ankles are shorter and more robust.
  - The frontal and parietal bones of the cranium are less excavated and less capacious. The skull is thicker especially on the sides.
  - The brain of the Negro on the average is 9 to 20% smaller than whites.
  - The teeth are larger and are wider apart than in the white race.
  - The three curvatures of the spine are less pronounced in the Negro than in the white and thus more characteristic of an ape.
  - The femur of the Negro is less oblique, the tibia (shin bone) more curved and bent forward, the calf of the leg high and but little developed.
  - The heel is broad and projecting, the foot long and broad but slightly arched causing flat soles, the great toe is shorter than in the white.
  - The two bones proper of the nose are occasionally united, as in apes.

FACT #30: Blood group studies made during WWII suggest the American Negro gene pool is about 28% white. –This despite all manner of institutional discrimination, social segregation, etc. Keep in mind that the results of test from true Black Africans would show even bigger differences from Whites. (32) (14)

## CRIME

FACT #31: The rate at which Blacks commit murder is thirteen times that of Whites; Rape and assault, ten times. These figures, as given by the F.B.I. reports, vary somewhat from year to year but fairly represent the trend for the past decade. (27) (6) (13)

FACT #32: According to the justice Dept, 1 in every 4 Black males between the ages of 20 and 29 is currently in prison or on probation or parole. (32) (6) (3)

FACT #33: Though only 12% of the U.S. population, Blacks commit more than half of all rapes and robberies and 60% of all murders in the U.S. (32) (27) (6)

FACT #34: Approximately 50% of all Black males will be arrested and charged with a serious felony during their lifetime. (27)

FACT #35: A Black person is 56 TIMES more likely to attack a White person than Vice Versa. (3) (32)

FACT #36: Black rapists choose White victims over half (54.9%) of the time, 30X as often as Whites choose Blacks. (2) (32) (28)

FACT #37: The annual report from the Department of justice shows that when Whites commit violence they do it to Blacks 2.4% of the time. Blacks, on the other hand, choose White victims MORE THAN HALF the time. (3)

FACT #38: In New York City, any White is over 300 TIMES MORE LIKELY to be assaulted by a gang of Blacks than is a Black by a gang of Whites. (32)

FACT #39: Many people argue that high Black incarceration rates show that police center enforcement at Black crimes and ignore white-collar crimes. However, Blacks commit a disproportionate number of white-collar offenses as well. In 1990, Blacks were nearly 3 times as likely to be arrested for forgery, counterfeiting, and embezzlement as Whites. (32) (6)

FACT #40: Many people believe that crime is a product of poverty and lack of "advantages." However, the District of Columbia, which enjoys the highest average annual salaries and is second only to Alaska in personal income per capita, leads the nation in just about every category of crime including murder, robbery, aggravated assault, and vehicle theft. D.C. also has the country's strictest gun control, highest police costs per capita, highest ration of police and correctional officers per citizen, and highest rate of incarceration. Its permanent population is over 80% Black. West Virginia, which has the nation's lowest crime rate, suffers from chronic poverty and has the highest unemployment in the U.S. It also has the fewest police per capita. West Virginia is over 96% White. (33)

#### THE BLACK FAMILY

FACT #41: 46% of inner city Black men between the ages of 16 and 62 are unemployed. (27)

FACT #42: More than 66% of the children of Negroes are born out of wedlock. Per capita, their illegitimacy rate is ten times that of Whites. (32) (27)

FACT #43: Blacks are four and a half times more likely than Whites to be on welfare. (32)

FACT #44: More than 35% of all Black men in U.S. Cities are drug or alcohol abusers. (27)

#### BEAUTY

FACT #45: The January 1986 issue of the journal of Ethnic and Racial Studies, "Skin Color Preference, Sexual Dimorphism and Sexual Selection: a case of Gene-Culture Co- evolution?" by Peter Frost and Pierre Van der Herghe, stated that in any given race, the women tend to have lighter complexions than the men. Using standard ethnographic files from 51 societies on five continents which have recorded their preference for human skin color, the study found that 30 preferred lighter women and 14 preferred lighter women and lighter men. The cultures of India, China, Brazil and Bali, as well as the Arabs and Negroes regard the lightest women as the most beautiful. –perpetuating the aesthetic appeal of the ivory-skinned, rosy-cheeked, blue-eyed, blond "nordic ideal" of feminine beauty- -even though they themselves do not possess the genetic capacity to reproduce such an organism. Over time, the study said, the upper classes of all races have become lighter-skinned than their fellow countrymen because they have repeatedly skimmed off fairer women from the lower classes. (Also see #11)

FACT #46: Scientific research on what constitutes human beauty, in which 300 judges of various backgrounds were shown portrait photographs and asked to rate the beauty of the individual's face, has revealed that nordic Whites are universally recognized as the most attractive humans, even by Blacks. The judges were instructed to evaluate the faces solely on his or her "personal standards of beauty and not to consider popular norms." The results of the study "Age, Sex, Race, and the Perception of Facial Beauty." *Developmental Psychology*, 5, Nov., 1971, pp 433-439, are reprinted below.

#### GROUP BEAUTY RATINGS IN CROSS AND CROSS STUDY

FACT #47: In experiments in which Black children have been left to themselves with White and Black dolls, it has been found that most of them would rather play with White dolls. This is true all over the world. Even in such places as Tobago. (32) (22) (23)

#### AMERICAN HISTORY

FACT #48: The Declaration of Independence, which contains the oft-repeated phrase ". . . all men are created equal . . ." was written by Thomas Jefferson, who owned about 200 slaves at the time and never set any of them free, including the mulattoes and quadroons. Jefferson's words certainly had no reference to Negroes, who at that time had no place in American society except as property. (27) (38) (31)

FACT #49: The Constitution was written by and for "We the people" and dedicated to "ourselves and our posterity," All of the 55 delegates that met in Philadelphia to draft the Constitution and all of the members of the 13 state conventions that ratified it were of the White race. (38)

WEBSTER'S DICTIONARY OF 1828 defines Posterity as: POSTERITY. 1. Descendants; children, children's children, etc. indefinitely; the race that proceeds from a progenitor.

2. In a general sense, succeeding generations; opposed to ancestors. . . FACT #50: The 14th Amendment is invalid for the following reasons:

- It was never ratified by three-fourth of all the States in the Union according to Article 5 of the U.S. Constitution. Out of 37 States, 16 had

rejected it.

- Many of the States who were counted as ratifying it, were compelled to do so under duress of military occupation. Any legal act entered into under force duress, and coercion is automatically null and void.
- The fact that 23 Senators had been unlawfully excluded from the U.S. Senate, shows that the Joint Resolution proposing the Amendment was not submitted to or adopted by a constitutional Congress.
- The intent of the 14th Amendment is repugnant to the original U.S. Constitution and the Organic Law of the land. It did not, and could not, repeal anything that was part of the Organic Law. Therefore the principles of precedent and stare decisis render it void. (23)

FACT #51: In Abraham Lincoln's Emancipation Proclamation of Sept. 1862 he said: "I have urged the colonization of the Negroes, (back to Africa), and I shall continue. My Emancipation Proclamation was linked with this plan (of colonization). There is no room

for two distinct races of White men in America, much less for two distinct races of Whites and Blacks. . . . I can think of no greater calamity than the assimilation of the negro into our social and political life as our equal . . . Within twenty years we can peacefully colonize the Negro . . . under conditions in which he can rise to the full measure of manhood. This he can never do here. We can never attain the ideal union our fathers dreamed, with millions of an alien, inferior race among us, whose assimilation is neither possible nor desirable." (27)

FACT #52: Lincoln actually proposed an amendment to the constitution that would've authorized congress to recolonize all freed Blacks back to Africa. On Aug. 15, 1962, Congress did appropriate over half a million dollars for that purpose. Thousands of Negroes had been shipped back when Lincoln was shot. (27)

WASHINGTON D.C.

FACT #53: The District of Columbia, which is approximately 70% Black, leads the U.S. in many areas:

- The nation's highest crime rates
- Strictest gun control
- Highest incarceration rates
- Highest birthrate
- Highest death rate
- Highest rate of federal assistance per capita
- Highest number of welfare recipients per capita
- Highest rate of illegitimacy
- Highest high school dropout rate even though its teachers are the highest paid in the U.S.
- Highest rate of gonorrhea and syphilis
- Highest incidence of AIDS (33) (32)

## PORTUGAL

FACT #54: Populated by White stock, the nation of Portugal rose in four centuries to be the wealthiest most powerful country in the world. A great commercial and maritime power, it had large colonies in Asia, Africa, and America. Its seamen were the first to explore western Africa and they brought back hundreds of Negro slaves. By 1550, at the height of Portugal's power, one-tenth of its population were Blacks. Today, Portugal's population is described as one of the most homogeneous in Europe, having slowly absorbed the Negro gene pool. As of 1975 it had lost all of its outside territories. Its workers are the lowest paid in Europe and they have the highest rate of illiteracy and a high infant mortality rate. In terms of art, literature, music, science and philosophy the "new" Portugal has produced virtually nothing in 100 years and by most

standards is the most backward nation in Europe. \*Keep in mind that the Black population of the U.S. is approximately 13%. (27)

## HAITI

FACT #55: The Republic of Haiti, the only completely Black republic in the Western Hemisphere also happens to be the poorest country in the Western Hemisphere. It also has the lowest life expectancy, highest illiteracy, lowest per capita consumption of newsprint, lowest per capita GNP, and the lowest level of political stability. (27)

FACT #56: Haiti once had a promising future. Before 1789 as a French colony under White rule, San Domingo (Haiti) was as rich or richer in productivity as all the 13 American Colonies combined. It was considered the "crown jewel" of the French colonial system, and was in fact the most prosperous colony anywhere in the world. Populated by 40,000 Whites, 27,000 freed Mulattoes, and 450,000 Black slaves and with a bountiful climate and productive soil, it supplied all of France and half of Europe with sugar, coffee, and cotton. But in 1791, the French government issued a decree ordering Haiti to give the vote to the Mulattoes, and soon after another ordering freedom for all the slaves. This resulted in a bloody civil war in which the entire White population (about 40,000 Frenchmen) was murdered, down to the last man, woman, and child. Rape, decapitation, and mutilation were committed almost universally upon their bodies. (22) (23)

FACT #57: After the Blacks massacred the last of the White population in 1804, Haiti remained a part of Santa Domingo, until 1844 when it became a separate "republic." Between 1844 and 1915 only one Haitian president completed his term in office. Fourteen were ousted by armed uprisings, one was blown up, one was poisoned and another was hacked to pieces by a mob. Between 1908 and 1915 the revolutions and assassinations increased so rapidly that a United States military occupation was needed to restore order. This lasted from 1915 to 1934. Thereafter followed twelve years of rule by a Mulatto elite which ended in the resumption of control by the Black military in 1946. Since then wholesale corruption and political murder have been the rule. (23)

## INDIA

FACT #58: India's Negroid peoples have been subjected to numerous White invasions for over 5000 years, prompting the rise and fall of one civilization after another as the White invaders became absorbed into the non-White masses. Then, about 1800 B.C. Aryans again invaded from the northwest, this time establishing a rigid caste ("varna." meaning color) system of White supremacy which eventually evolved into an integral part of the Hindu religion. Interracial mixing was banned and punishable by death. (5) (37)

FACT #59: Led by an Aryan ruling class, Classical India blossomed into a great culture, giving expression to philosophy, poetry, science, mathematics, and literature. The land prospered as never before –or after.

FACT #60: The caste system lasted about 2,000 years (probably longer than any civilization under similar racial circumstances.) However, eventually the castes broke down due to miscegenation and by modern times virtually no pure Whites were remaining. (39) (37) (10)

FACT #61: Today, India has 834 million people who speak 150 different languages and dialects. When the annual rainfall is insufficient, they die of starvation at a rate of 2,000,000 to 6,000,000 per year. India has the highest birthrate in Asia, one of the lowest per capita incomes in the world, and an illiteracy rate close to 70%. (35) (33)

## EGYPT

FACT #62: Ancient Egypt was founded and built by Mediterranean Caucasians as far back as 4500 B.C. Egypt's period of greatness was from 3400 B.C. to 1800 B.C. and was characterized by its amazing architecture, pyramids, temples, and mastery of mathematics and engineering, the remnants of which are still evident today. The White Egyptians pioneered medicine, chemistry, astronomy, and law; In many cases, their achievements remain unequalled. (37) (39) (21)

FACT #63: But, about 3400 B.C. Egypt civilization began to spread up the Nile River, bringing it in close contact with the black Nubians to the south. Soon they were using Blacks for slave labor and Egypt became history's first melting pot. (39) (10) (14)

FACT # 64: In time the infusion of Negro blood worked itself up from the bottom of Egyptian society. The slaves were eventually freed, received political equality, and took posts of authority in government. (10) (37)

FACT #65: By the time of King Tut (1370-1352 B.C.) even the ruling classes had been mongrelized and Egypt began a tailspin downward. Today, the once-mighty Egypt is very much a Third World country, having lost its art, its medicine, its architectural ability, and its position in world affairs. (10) (37)

The absurd notion that Ancient Egypt was a product of Negro ingenuity is now being widely disseminated in the schools. Though scholars know this is a blatant lie, they justify the deception by assuming it will boost the "self-esteem" of Black children.

## SOUTH AFRICA

(Note: These facts will most likely change drastically now that South Africa has fallen under black rule.)

FACT #66: White people have lived in South Africa much longer than Negroes. There have been White settlements in South Africa for over 300 years, about the same length of time Europeans have lived in North America. Even 150 years after the first colonies around Capetown, at the beginning of the 19th Century, there still were no Blacks within 500 miles. The Blacks wandered in from central Africa later on, possibly fleeing the slave trade or due to famine. In fact, most of South Africa's Blacks were born in other countries. (29) (8) (14)

FACT #67: South Africa is by far the wealthiest and most advanced country in Africa, producing nearly 75% of the continent's Gross National Product. It is almost completely self-sufficient so boycotts have little effect upon its economy. In fact most of Africa is dependent upon South Africa. South Africa is governed by a Western parliamentary republic and strictly segregated racially. South Africa grants complete self-government to the Blacks in their own areas of the country. (29) (8) (14)

FACT #68: Though South Africa is perpetually criticized by the world press for its racial separatism, its Blacks live better than the Blacks of any other African country and are multiplying rapidly and healthily. 87% of Black welfare costs are being paid by the White man. This includes food, clothing, training, housing, education and health care. – even old age pensions. (14)

FACT #69: Thousands of South African Blacks graduate from college every year, more than three times as many as in the rest of Africa combined. Every Black child is within walking distance of a primary school. Africa's largest hospital, which serves Blacks almost exclusively and performs over 1800 operations per month, is in South Africa. (14)

FACT #70: The Blacks of South Africa own more cars than do all the citizens of the Soviet Union. (29)

FACT #71: South Africa has more Black doctors, lawyers, professional people, and millionaires than all of the rest of the world combined. (8)

FACT #72: In fact, conditions are "so bad" for Blacks in South Africa that the country has a tremendous problem with illegal Black immigration, having over one million illegal foreign workers. (14) (29)

## ICELAND

FACT #73-75: Iceland, the only all-White nation in the world, has the world's highest literacy rate. 100%. It is an island of cooled volcanic magma, located just south of the Arctic Circle. It has no coal, no fuel, no timber, no mineral wealth or natural resources, and no navigable rivers. 75% of the interior is uninhabitable and only about 1% of the land is arable. It is the youngest nation in Europe and one of the most isolated

countries in the world. Nonetheless, Iceland is #2 in the world in life expectancy and has one of the world's highest standards of living, in terms of

per capita income. It has tremendous medical facilities and a thriving publishing business. Virtually every family has a telephone. Upon graduation from high school, each Icelandic student has learned five languages. (33)

## MARTIN LUTHER KING

FACT #75-77: On Jan. 31, 1977, Martin Luther King's FBI records were sealed by court order until the year 2027 because, as his wife said, "its release would destroy his reputation" These records are rumored to contain instances of bizarre sexual perversion and homosexuality, and proof that King was under the direct orders of Soviet spies and financed by the Communist Party.

FACT #78: The Wall Street Journal (Nov.9, 1990) disclosed that Stanford University editors of The Papers of Martin Luther King Jr. have long known that King was guilty of plagiarism in his 1955 Boston University doctoral thesis, having lifted significant portions from the works of other writers and graduate students.

FACT #79: Martin Luther King frequently enjoyed prostitutes and paid for them with his church's money. Still, congress has voted to make King's birthday a national holiday, in most places replacing Columbus Day or Washington's Birthday as an official observance.

FACT #80: Almost every state in the union has a King holiday, and almost every city has a King Boulevard or King Civic Center. Yet the electoral evidence suggests that Americans will almost always vote down honors for King when given a chance. (41)

## MISCELLANEOUS

FACT #81: The entire continent of Africa, perhaps Earth's richest land, accounts for only 3% of world trade. (27)

FACT #82-84: Almost all Blacks who have been leaders in fields other than athletics or music have had some White ancestry: Fredrick Douglas, W.E.B. Dubois, Booker T. Washington, George Washington Carver, Alex Hailey, Thurgood Marshall, Bryant Gumbell, Colin Powell, Carl Rowan, Ed Bradley, Doug Wilder, etc. According to Dr. E.B. Reuter, ". . . Of successful and best known men that the Negro race has produced, at least thirteen-fourteenths are men of mixed blood. (27) (21)

FACT #85: Blacks are 50 times more likely to have syphilis than Whites. (32)

FACT #86: Twice as many Blacks as Whites receive dishonorable discharge from the U.S. military. (32)

FACT #87: A White woman is 15 times more likely to contract AIDS by engaging in sex with a Negro than with a White heterosexual. (U.S. Centers

for Disease Control)

FACT #88: 90% of U.S. children with AIDS are Black or Hispanic. (36)

FACT # 89-92: In 1950, American schools were among the best in the world. However, vocal elements within our society demanded that the public schools take on a social engineering role as well as an educational one. Violent disruptions of American education were ordered by the Supreme Court for the purpose of breaking down racial barriers. For 30 years, American schools have diverted enormous resources into forced integration, quotas, and bussing operations. (Few people realize how expensive bussing is. Annual cost may run into tens of billions of dollars. In 1990 California alone was spending \$500 million per year on integration. Many school districts spend a quarter or more of their budgets on transportation. In Milwaukee alone and in a single school year, 30,000 staff hours were diverted into calculating the race of students to attend the various schools.) The results? Today's students rank at the very bottom worldwide in science and math, some 40% of American adults are functionally illiterate, and standardized test scores have declined steadily for both Whites and Blacks. Today the average White still scores 200 points higher on the combined SAT than the average Black. Americans spend more on education than any other country in the world and have the worst results. Massive White flight to escape racial zoning has reduced the tax base of every major American city. In 1983, after nearly two generations of racial experimentation to promote equality, the research arm of the Dept. of Education could not produce a single study that showed Black children were learning appreciably better after desegregation. (25) (20) (32)

FACT #93: In Black Africa the average ruler lasts 7 months. (22) (27) (7)

FACT #94: By 1995, a third of U.S. students will be non-Whites and Whites will be a minority in the school districts of 5 states. (32)

FACT #95: Dr. William Shockley, Nobel prize winner for his work in the invention of the transistor and renowned geneticist at Stanford University, said, "The major cause for American Negroes' hereditary is origin and thus not remedial to a major degree by improvement in environment."

FACT #96: In 1930, about 33% of the world was White. Today, the U.N. estimates that only about 9.5% of the world's population is Caucasian. This percentage is falling rapidly. (34) (27)

FACT #97: In 1988 there were 9,406 cases of Black-on-White rape and fewer than 10 cases of White on Black rape in the U.S. (32)

FACT #98: For the book INTELLIGENCE AND NATIONAL ACHIEVEMENT, by Raymond Cattell, three distinguished American scholars compare massive evidence of national I.Q. score averages worldwide and warn against the decline of any nation whose population reflects declining intelligence. Taking into consideration the differential birthrates of American ethnic stocks, they concluded that American ability is declining rapidly. (21)

FACT #99: The American taxpayers have spent over \$2.5 TRILLION trying to upgrade

## Blacks since the 1960 s. (6)

FACT #100: QUOTES "The Negroes' rude ignorance has never invented any effectual weapons of defense or destruction: they appear incapable of forming any extensive plans of government or conquest: and the obvious inferiority of their mental faculties has been discovered and abused by the nations of the temperate zone." –Edward Gibbon, the great historian and author of THE DECLINE AND FALL OF THE ROMAN EMPIRE, (V.III, pg. 277) "Wherever you find the Negro everything is going down around him, and wherever you find the White man you see everything around him improving." –Robert E. Lee, to Col. Thomas H. Carter, May, 1965

THE LIE: Every race has an equal capacity to learn and contribute to civilization and any differences are caused by prejudice and racism. The fact that white skins are associated with civilization is merely a quirk of fortune and coincidence. Any attempt to distinguish the races is motivated by paranoia and hatred. We must prevent any investigation into the subject and work to melt society together into a raceless, nationless, harmonious utopia. (?)

Senator Bilbo's Warning

FACT #1: The White race has crossed seas, harnessed rivers, carved mountains, tamed deserts, and colonized the most barren icefields. It has been responsible for the invention of the printing press, cement, the harnessing of electricity, flight, rocketry, astronomy, the telescope, space travel, firearms, the transistor, radio, television, the telephone, the lightbulb, photography, motion pictures, the phonograph, the electric battery, the

automobile, the steam engine, railroad transportation, the microscope, computers, and millions of other technological miracles. It has discovered countless medical advances, incredible applications, scientific progress, etc. Its members have included such greats as Socrates, Aristotle, Plato, Homer, Tacitus, Julius Ceaser,

Napoleon, William the Conqueror, Marco Polo, Washington, Jefferson, Hitler, Bach, Beethoven, Mozart, Magellan, Columbus, Cabot, Edison, GrahamBell, Pasteur, Leeuwenhoek, Mendel, Darwin, Newton, Galileo, Watt, Ford, Luther, Devinci, Poe, Tennyson, and thousands upon thousands of other notable achievers. (37) (39)

FACT #2: Throughout 6,000 years of recorded history, the Black African Negro has invented nothing. Not a written language, weaved cloth, a calendar, a plow, a road, a bridge, a railway, a ship, a system of measurement, or even the wheel. (Note: This is in reference to the pure-blooded Negro.) He is not known to have ever cultivated a single crop or domesticated a single animal for his own use (although many powerful and docile beasts abounded around him.) His only known means of transporting goods was on the top of his hard burry head. For shelter he never progressed beyond the common mud hut, the construction of which a beaver or muskrat is capable. (21) (39)

## INTELLIGENCE

FACT #3: The I.Q.'s of American Negroes are from 15 to 20 points, on average, below those of American Whites. (26) (16) (18) (22)

FACT #4: These Black\White differences have been demonstrated repeatedly by every test ever conducted by every branch of the U.S. Military, every state, county, and local school board, the U.S. Dept. of Education, etc. The same ratio of difference has held true over a 40 year period. (18) (26) (24)

FACT #5: With an average I.Q. of 85, only 16% of Blacks score over 100, while half the White population does. The Negro overlap of White median I.Q.'s ranges from 10 to 25 percent– equality would require 50 percent. (31) (27) (16)

FACT #6: Blacks are 6 times as likely to have I.Q.'s of 50 to 70 which put them in the slow learner (retarded) category, while Whites are ten times more likely to score 130 or over. (15) (16) (18) (23)

FACT # 7: The U.S. government's PACE examination, given to 100,000 university graduates who are prospective professional or administrative civil-service employees each year, is passed with a score of 70 or above by 58% of the whites who take it but by only 12% of the Negroes. Among top scorers the difference between Negro and White performance is even more striking: 16% of the white applicants make scores of 90 or above, while only one-fifth of one percent of a Negro applicants score as high as 90—a White/Black success ration of 80/1. (27)

FACT #8: Differences between Negro and White children increase with chronological age, the gap in performance being largest at the high school and college levels. (31) (26)

FACT #9: White/Negro I.Q. differences are constantly excused as results of environmental variations. but at least five studies that have attempted to equate socio- economic backgrounds of the two races indicate no significant change in relative results. As environment improves, the Negro does better but so does the White. The gap is not decreased. (26) In fact, extensive research by DR. G.J. McGurk, associate Professor of Psychology at Villanove University, reveals that the gap in intelligence between Blacks and Whites INCREASES where socio-economic levels of both races are raised to the middle classes. (18)

FACT #10: In 1915, Dr. G.W. Ferfuson took 1000 school children in Virginia, divided them into 5 racial categories, and tested them for mental aptitude. On average. full- blooded Negroes scored 69.2% as high as Whites. Three-quarter Negroes scored 73.0% as high as Whites. One-half Negroes scored 81.2% as high as Whites. One- quarter Negroes scored 91.8% as high as Whites. All of these Blacks lived as and considered themselves "Negroes." Their environments and "advantages" or disadvantages were exactly the same. (14) Also see (26) pg 452.

FACT #11: Results of the Army Beta test given by the U.S. Army to over 386,000 illiterate soldiers in WWI showed Negro draftees to be "inferior to the Whites on all types of tests used in the Army." Additionally, tests were conducted upon pure Negroes, Mulattoes, and Quadroons. It was found that "the lighter groups made better scores." (14)

FACT #12: Studies conducted with identical twins raised apart in radically different environments provide conclusive evidence that over-all influence of heredity exceeds that of environment in a ratio of about 3 to 1. (41)

FACT #13: Even when Blacks and Whites have the same backgrounds, in terms of family income and childhood advantages, Blacks still have average I.Q. scores 12 to 15 points lower than comparable Whites. This includes cases where Black children have been adopted by White parents. Their I.Q.s may be improved by environment, but they are still closer to their biological parents than their adoptive parents. (3) (15) (26)

FACT #14: Equalitarian ideologists often discount I.Q. test results with the excuse that they are culturally biased. Nonetheless, NO ONE, not the NAACP nor the United Negro College Fund, nor NEA had been able to develop an intelligence test which shows Blacks and Whites scoring equally. (15) (42) (3)

FACT # 15: American Indians, who often live in conditions far worse than American Blacks during their entire lives, still consistently outscore them on I.Q. tests. (3) (27)

FACT #16: The offspring of interracial marriages tend to have lower I.Q.s than the white parent. (11) (26)

## THE NEGRO BRAIN

FACT #17: Among human races numerous studies have been made of the comparative weight of White and Negro brains with results that fell within

the range of about an 8- 12 percent lower weight for the Negro brain. Such studies have been conducted by Bean, Pearl, Vint, Tilney, Gordon, Todd, and others. (23) (27)

FACT #18: In addition to the difference in brain weight, the Negro brain grows less after puberty than the white. Though the Negro brain and nervous system mature faster than the white brain, its development is arrested at an earlier age which limits further intellectual advancement. (22) (27)

FACT #19: The thickness of the supragranular layer (the outside layer) of the Negro brain is about 15 percent thinner, and its convolutions are fewer and more simple, on average, than that of the White brain. (9)

FACT #20: The frontal lobes of the Negro brain, responsible for abstract conceptual reasoning, are smaller relative to body weight, less fissured, and less complex than those of the White brain. (9) (27) (23) (22)

## ANTHROPOLOGY

FACT #21: The name Homo sapien was first used by the 18th Century Swedish botanist Carolus Linnaeus. The word "sapien" means "wise." The name was originally used to speak of the White man and synonymous with "europaeus." As a result, many later taxonomists and geneticists believed that Negroes and other races should be classified as different species. In fact, Darwin declared in The Descent of Man that the varieties of mankind are so distinct that similar differences found in any other animal would warrant their classification in different species, if not different genera. (39)

FACT #22: For his mammoth work, The Origin of Races, Professor Carleton Coon, President of the American Association of Physical Anthropologists and the premier geneticist of the world, assembled massive evidence from geography, anatomy, genetics, physiology, comparative dentition, linguistics, archeology, and fossil records from 300 bone-bearing sites to verify his theory of pre-sapien racianation." In other words, Homo erectus was divided by race even before evolution into Homo sapien stage. (12)

FACT #23: According to Dr. Coon, while the Caucasoid subspecies (the White race) was evolving in Europe, the Negro race was standing still on the evolutionary plane and is

today no less than 200,000 years behind the European in skull and brain development. (9)

FACT #24: The Negro skull, in addition to having a smaller brain volume and thicker cranial bones than that of the White, is prognathous; i.e., the lower face projects forward, rather in the manner of an animal's muzzle. In consequence, the Negro jaw is substantially longer, relative to its width, than the White jaw. A feature of the Negro lower jaw is its retention of a vestige of the "simian shelf," a bony region immediately behind the incisors. The simian shelf is a distinguishing characteristic of apes, and it is absent in Whites. (9) (12) (39)

FACT #25: The skin of the Negro is thicker and possibly superior to the White's in the way it impedes the penetration of germs and in its protection from the ultraviolet rays of the sun. (39) (14)

FACT #26: The dark color of the Negro is due to melanin pigment which is spread through every layer of the skin and is found even in the muscles and brain. (9) (27)

FACT #27: An African dentist can tell a Negro's tooth from a white man's at a glance. (14)

FACT #28: Negroes have arms which are longer, relative to body height, than those of Whites. This feature, together with their much thicker cranial bones, gives Black athletes an advantage over Whites in boxing. The skeletal and muscular peculiarities of Negroes' lower limbs have given them considerable success as sprinters, but have left them relative undistinguished as distance runners. (39) (27)

FACT #29: ADDITIONAL DIFFERENCES

- The hair is black, crispy, and "woolly" in texture, it is flat and elliptical with no central canal or duct like the hair of Europeans.
  - The nose is thick, broad and flat, often turned up nostrils exposing the red inner lining of the mucous membrane similar to an ape.
  - The arms and legs of the Negro are relatively longer than the European. The humerus is a trifle shorter and the forearm longer thereby approximating the simian form.
  - The eyes are prominent, iris black and the orbits large. The eye often has a yellowish sclerotic coat over it like that of a gorilla.
  - The Negro has a shorter trunk the cross-section of the chest is more circular than whites. The pelvis is narrower and longer as it is in an ape.
  - The mouth is wide with very thick, large and protruding lips.
  - Negro skin has a thick superficial horny layer which resists scratching and impedes the penetration of germs.
  - The Negro has a larger and shorter neck akin to that of anthropoids.
- 
- The cranial sutures are more simple than in the white type and close together earlier.
  - The ears are roundish, rather small, standing somewhat high and detached thus approaching the simian form.
  - The Negro is more powerfully developed from the pelvis down and the white more powerfully developed in the chest.
  - The jaw is larger and stronger and protrudes outward which, along with lower retreating forehead, gives a facial angle of 68 to 70 degrees as opposed to a facial angle of 80 to 82 degrees for Europeans.
  - The hands and fingers are proportionally narrower and longer. The wrist and ankles are shorter and more robust.
  - The frontal and parietal bones of the cranium are less excavated and less capacious. The skull is thicker especially on the sides.
  - The brain of the Negro on the average is 9 to 20% smaller than whites.
  - The teeth are larger and are wider apart than in the white race.
  - The three curvatures of the spine are less pronounced in the Negro than in the white and thus more characteristic of an ape.

- The femur of the Negro is less oblique, the tibia (shin bone) more curved and bent forward, the calf of the leg high and but little developed.
- The heel is broad and projecting, the foot long and broad but slightly arched causing flat soles, the great toe is shorter than in the white.
- The two bones proper of the nose are occasionally united, as in apes.

FACT #30: Blood group studies made during WWII suggest the American Negro gene pool is about 28% white. –This despite all manner of institutional discrimination, social segregation, etc. Keep in mind that the results of test from true Black Africans would show even bigger differences from Whites. (32) (14)

## CRIME

FACT #31: The rate at which Blacks commit murder is thirteen times that of Whites; Rape and assault, ten times. These figures, as given by the F.B.I. reports, vary somewhat from year to year but fairly represent the trend for the past decade. (27) (6) (13)

FACT #32: According to the justice Dept, 1 in every 4 Black males between the ages of 20 and 29 is currently in prison or on probation or parole. (32) (6) (3)

FACT #33: Though only 12% of the U.S. population, Blacks commit more than half of all rapes and robberies and 60% of all murders in the U.S. (32) (27) (6)

FACT #34: Approximately 50% of all Black males will be arrested and charged with a serious felony during their lifetime. (27)

FACT #35: A Black person is 56 TIMES more likely to attack a White person than Vice Versa. (3) (32)

FACT #36: Black rapists choose White victims over half (54.9%) of the time, 30X as often as Whites choose Blacks. (2) (32) (28)

FACT #37: The annual report from the Department of justice shows that when Whites commit violence they do it to Blacks 2.4% of the time. Blacks, on the other hand, choose White victims MORE THAN HALF the time. (3)

FACT #38: In New York City, any White is over 300 TIMES MORE LIKELY to be assaulted by a gang of Blacks than is a Black by a gang of Whites. (32)

FACT #39: Many people argue that high Black incarceration rates show that police center enforcement at Black crimes and ignore white-collar crimes. However, Blacks commit a disproportionate number of white-collar offenses as well. In 1990, Blacks were nearly 3 times as likely to be arrested for forgery, counterfeiting, and embezzlement as Whites. (32) (6)

FACT #40: Many people believe that crime is a product of poverty and lack of “advantages.” However, the District of Columbia, which enjoys the highest average annual salaries and is second only to Alaska in personal income per capita, leads the nation in just about every category of crime including murder, robbery, aggravated assault, and vehicle theft. D.C. also has the country’s strictest gun control, highest police costs per capita, highest ration of police and correctional officers per citizen, and highest rate of incarceration. Its permanent population is over 80% Black. West Virginia, which has the nation’s lowest crime rate, suffers from chronic poverty and has the highest unemployment in the U.S. It also has the fewest police per capita. West Virginia is over 96% White. (33)

#### THE BLACK FAMILY

FACT #41: 46% of inner city Black men between the ages of 16 and 62 are unemployed. (27)

FACT #42: More than 66% of the children of Negroes are born out of wedlock. Per capita, their illegitimacy rate is ten times that of Whites. (32) (27)

FACT #43: Blacks are four and a half times more likely than Whites to be on welfare. (32)

FACT #44: More than 35% of all Black men in U.S. Cities are drug or alcohol abusers. (27)

#### BEAUTY

FACT #45: The January 1986 issue of the journal of Ethnic and Racial Studies, “Skin Color Preference, Sexual Dimorphism and Sexual Selection: a case of Gene-Culture Co- evolution?” by Peter Frost and Pierre Van der Herghe, stated that in any given race, the women tend to have lighter complexions than the men. Using standard ethnographic files from 51 societies on five continents which have recorded their preference for human skin color, the study found that 30 preferred lighter women and 14 preferred lighter women and lighter men. The cultures of India, China, Brazil and Bali, as well as the Arabs and Negroes regard the lightest women as the most beautiful. –perpetuating the aesthetic appeal of the ivory-skinned, rosy-cheeked, blue-eyed, blond “nordic ideal” of feminine beauty- -even though they themselves do not possess the genetic capacity to reproduce such an organism. Over time, the study said, the upper classes of all races have become lighter-skinned than their fellow countrymen because they have repeatedly skimmed off fairer women from the lower classes. (Also see #11)

FACT #46: Scientific research on what constitutes human beauty, in which 300 judges of various backgrounds were shown portrait photographs and asked to rate the beauty of the individual’s face, has revealed that nordic Whites are universally recognized as the most attractive humans, even by Blacks. The judges were instructed to evaluate the faces solely on his or her “personal standards of beauty and not to consider popular norms.” The results of the study “Age, Sex, Race, and the Perception of Facial Beauty.” *Developmental Psychology*, 5, Nov., 1971, pp 433-439, are reprinted below.

#### GROUP BEAUTY RATINGS

## IN CROSS AND CROSS STUDY

FACT #47: In experiments in which Black children have been left to themselves with White and Black dolls, it has been found that most of them would rather play with White dolls. This is true all over the world. Even in such places as Tobago. (32) (22) (23)

## AMERICAN HISTORY

FACT #48: The Declaration of Independence, which contains the oft-repeated phrase “

. . . all men are created equal . . .” was written by Thomas Jefferson, who owned about 200 slaves at the time and never set any of them free, including the mulattoes and quadroons. Jefferson's words certainly had no reference to Negroes, who at that time had no place in American society except as property. (27) (38) (31)

FACT #49: The Constitution was written by and for “We the people” and dedicated to “ourselves and our posterity,” All of the 55 delegates that met in Philadelphia to draft the Constitution and all of the members of the 13 state conventions that ratified it were of the White race. (38)

WEBSTER'S DICTIONARY OF 1828 defines Posterity as: POSTERITY. 1. Descendants; children, children's children, etc. indefinitely; the race that proceeds from a progenitor.

2. In a general sense, succeeding generations; opposed to ancestors. . . FACT #50: The 14th Amendment is invalid for the following reasons:

- It was never ratified by three-fourth of all the States in the Union according to Article 5 of the U.S. Constitution. Out of 37 States, 16 had rejected it.
- Many of the States who were counted as ratifying it, were compelled to do so under duress of military occupation. Any legal act entered into under force duress, and coercion is automatically null and void.
- The fact that 23 Senators had been unlawfully excluded from the U.S. Senate, shows that the Joint Resolution proposing the Amendment was not submitted to or adopted by a constitutional Congress.
- The intent of the 14th Amendment is repugnant to the original U.S. Constitution and the Organic Law of the land. It did not, and could not, repeal anything that was part of the Organic Law. Therefore the principles of precedent and stare decisis render it void. (23)

New Years Gift Giving to our Best Joo F(r)iends!

Greetings to all our Comrades and Satanic Forces!

Well. You people are all very impolite. Bad Goyim we are. I notice too in myself sometimes we just aren't thankful. We don't give back what is necessary and 'just to give'. I mean we have real good friendz who wanted us to, except of roast eternally in a lake of fire, help us see the light of "g-d" and to eventually die off, us our lots and families. And you all know these celebrations are about this, well not exactly, but they think to us everyday that's for sure. They would of course do it right away by chopping heads with a machete, or killing children in Torah Blood Rituals to JHVH (but then there is this unfortunate thing which is called the "Civil State", which you have to listen to every ungodly bad goyim like Hooded Cobra or any other SS for that liking...).

But don't worry they do have some alternatives. You will, sometimes, listen them screaming "Allahu Akbar" as they explode and take numerous innocents with them, whatever Abrahamic Religious Solution there is. Its just that the "Natural Allies of Jews in Europe (Islamics)" (as Rabbi Goldschmitt admitted), are for the dirty jobs. You know what our beloved Gentile Friendly Christianity did once, now it can't do, for it would end up destroyed in 3 weeks. But it did so for centuries. I mean you have to establish yourself somehow, if the people upon whom you are trying to get established, are bad bad Goyims. For centuries, they roasted people like us, even witch cats or witch dogs, into the fires, that is, after months of endless torture, the Salem Witch Trials and numerous other instances. Then they disposed the ashes bodies in the shittiest of graves. But some people tend to not be giving the enemy what they deserve for all this. Y'all just forget, because you are unthankful. Your memory span is like what the enemy wants: A Goyim's. You get a good meal and some free day and voila, you are all fine. You just aren't giving our friendz and g-d's people enough considerate attention, or enough Reversal Torah Rituals. They on the other hand care and tend about you, your past, present and future!

I mean, the Bubonic plague absolved us from Sin and fresh New, Aids, Ebola, Malaria, E-Coli and all other diseases are entering our borders every day. The enemy is bringing funny and easygoing people into our countries, which help make our lives more culturally enriched and interesting by killing and raping children as 7 years old, raping the best women, tripling the percent of AIDS infections every day, destroying the economy and beating teenagers in the streets, because the Joo's said so in their "Holy books". Its all about seeing the new, the unexpected and the different, Goyims! These people are too good and spiritually advanced, like the programs they represent, which

happen like Rabbis to have rules and regulations on how to rape children as young as 7 years old.

Literally, these people, who you will probably forget today, gave us the three best things. The Torah, the Bible and the Quran. All books of global ad-vice and global piece! Top quality books, with guides and lessons on civilization destruction, self-undoing, misery, affliction and generally, accepting jewish supremacy, whatever of such nature they have destined for the Goyim Slaves, who are basically in their mind, all Gentiles. Unlike you feasting on New Years Eve or any other celebration and such, they remember you every day. Or they are just in your local church, doing masses to enemy beings and hostile inter-dimensional creations, cursing you and all those who have taken the bad Goyim's path of Satanic Enlightenment, wishing for their immediate and most brutal destruction, death and impoverishment in every sense of the word.

I mean, these people give you gifts every day. They care for you, even if you don't care for them, or ever cared about them, at all. In fact, when you was a toddler and was learning about potty training, they still laid down the plans about making you and all your kind/race slaves and animals. You can make no mistake about such deep existential interest. So they formulated some methods to better help you in the purpose they picked up for you and all of us. For the love of g-d! Nothing bad about this! Its what "g-d" wanted after all. And we must all SHUT UP!

Endless brainwashing by all media, news and by all available means. Endless cancer and health concerns by KFC and Mac Donalds, smoking, drug business, keeping the scientific and health community in the stone age. They have made your life a chore by suppressing all forms of advanced science and raw, free renewable energy. On top of this all, they stole your rights to internal happiness and strength (which you, unfortunately for them, regained by joining the JoS, Bad Goyims). Endless non-working cures for diseases, that they and the lifestyle they enforce to you, themselves, do cause. They have also made billions of ways about how you can feel whacky, useless, ugly, putrid and guilty about you merely existing and breathing. Of course your evil bad unethical planet is no exception, so they have sped up its destruction by an unimaginable percent, never known again in recorded human history. They also give all species on Earth endless suffering, just to maintain what they falsely call "profit" (which isn't profit, but just credits the enemy keeps their existence with going, over y'all) and to further their grip onto this society. Sometimes I think to myself, we are being so intolerant, evil us. I mean it's so bad for us to even point these things out. Why don't you we just want to subject ourselves, get murdered and have our Gods destroyed by the ones, who are rightfully picked by "god" and are "g-d'z" Cheezen people, to torture us, enslave us and destroy us all now and for all eternity?

Then, there are so many positive things these people are doing. They are for instance, producing good music. Well at least sometimes. Good, looped music which is known to brainwash the masses, at a certain hertz and at a certain pace, to drive your brains into jelly and to

make you a living representation of the base chakra and a pure animal. Or, their contributions to art. How magnificent is to see a red line on a canvas, a triangle, or a pile of feces and shit with marshmallows onto the "work of art", which is really spiritually elevating, reversely elevating Gentiles from Children of the Gods to a being that observes feces on a canvas and applauding it? Then I can't help but mention the beautiful constructions the enemy has came up with. I have never seen a more monotonous, square with windows, simply retarded shape of building. I mean it lacks so much art that it actually might be a trick that what is artless is artistic. It puts the Pyramids and Ancient Shrines to shame.

Then, how can I neglect the beautiful sons of the jewish race, which have blessed this world with their creation? The Hollywood stars who are mostly empty pieces of meat running around, giving nothing to civilization but a fake standard to compare themselves just to feel useless all their life? Starting from Stalin, Karl Marx, Leon Trotsky, Beria, The al-may-tee Jewsus Emmanuel the Rabbi (never existed, but again, imagine if it ever did), tens of serial murderers and killers in every town and local city, the world's heads of the worst and deadliest of corporations, state heads which made it there by parasitism, more Ancient friends like Philo Judaeus who burned down the Library of Alexandria, the Popes and Clergymen of the Catholics and the Orthodox Xians who formulated mass murder rape and death, bright Quran Scholars of Piece, the heads of ISIS, bright men like Sarkozy who force people to assimilate racially...You just don't know where to begin with all these helpful and good friendz. Only positive VibeZ!!!

On top of everything, an act of genuine love, they gave you the programs and guides on how to, with mathematical precision, become the most useless, uncivilized and unspiritual of a human being, ever! Now with this guide, you can compete in the "Most Stupid Goyim" competition, which is namely in other words, the "Best Xian Slave" competition.

Oh, I did it again, why am I being so negative about our friendz. Maybe I'm just evil.

And for some children down in the Middle East, this New Years Eve will be an Eve of Terror, death and destruction. People will get killed for throwing rocks to tanks, children as young as 5 years old will be killed with ammunition that is meant to pierce tanks. It will just pierce their shirt instead and go into their heart. Or just have their last meal of tofu (because they don't eat to like the food, but just survive the day), as a bomb falls to end their life, which never even began, thanks to the enemy. They are adding up the list of innumerable murdered people, from the Ancient Times to this present day, hour and minute. The counter still adds up.

But we are again being bigots, impolite, not PC, threatening, bad, evil, aggressive, demonic, Satanic, Nazis and the list goes. I mean, what are the reasons for being critical in all that? Are there any?

All that hate for what? I mean these people really just wanted to just enslave you and keep you, from birth to death, in spiritual and general ignorance. They also stated ignorance is bliss, after all, what they state, according to their own word, is "g-ds" word and "will" and you know its coming from the Cheezen ones, so it is what it is. They are destroying all natural order in the world, while trying to enslave everyone as microchipped, goyim (animals in their own language) and they want to make a "god world" which is basically their race ruling over all others with "a rod of Iron" and pretty much murdering outright every resistance, even in thought.

I mean they provide all lots of baits for you to do this. For one, they provide a comfy life. Well, chances are, that is. In which an unnaturally high majority of people end up without a house or broke in the streets and die of insanity, or wherever else. Then, they offer you enlightenment, which mainly revolves around become a cyborg like low iq filthy being, that spews out their holy books and the TV programs the enemy programs into their mind. Then they offer all sorts of other multitudes of fine and good things to do, like, stop living, die off, destroy your whole Nation and individuality, and become a slave to them. Choice to suicide or die because you oppose them. At least such are the choices they would like you to have.

After all this, don't you think its necessary to have fun and strength through Joy by doing something about this? The enemy needs gifts for this day. Why don't you repay them with Spiritual Gifts? I mean it's only sensible, since they are plating your reality, soul, family and all your dreams with their gifts and resistance, every single day of your existence.

Subject: Reverse Ritual Schedule 1st to 15th of January, 2016

Reverse Torah Ritual Program – 1/Jan -15/Jan

-Notes:

1. You can do the Rituals however many times you like. The more, the better.

2. If you lose a Ritual, if its under the same moon sign, it can be done the second day. Ie, you lost 1st January Ritual, you do both in January 2nd, when the moon is in the same sign.

3. Keep your energies on a high level when doing these.

4. Space the Rituals a bit. Now, if you don't have time, you can repeat, but leave at least 3 or 5 minutes between them.

5. Everyone is advised to follow this program for maximum effectiveness. Many brothers and sisters in good will had this idea, so here it is, for all of us to follow. This way, we have maximum impact.

6. As for the time zone, we cannot sync this for everyone. Good times to do these are: 12 at noon, 3 and 4 AM in the Morning (for those who are able) or just any other hour. We don't need any confusion. For those who are still wanting to do this at the same time, this can be arranged. We have members all over the world and the differences are striking.

YET, all members from the same locations, conversation this on the comments section. For instance, all members from Europe who are in the same time zone, can do these Rituals at 12 in the morning. Others in India can do the same, or in the USA. We have people from all over the world and this would definitely be hard. Don't charge what we are doing with strife energy. Just do it and serve justice for the enemy. I will though look into this and keep everyone updated. If it's possible, we will do this.

More Notes on how to do these:

Subject: Re: Reverse Ritual Schedule 1st to 15th of January, 2016

Yes, you can do these Rituals for this day as many times as you want. The ritual that is for this day can be repeated however many times you possibly can. It can be 5, or 10, or 20 times. Just space them out a little bit. If you don't have any time, you can do these repeated one after the other. But some minutes

would suffice to let the energy go its way even better.

As for the Planetary hours of doing the Rituals. You can do these any planetary hour of the day. It doesn't reduce its power.

For those who want to get more specific with the hours for each day:

Hour of the Sun is good for all days, all Rituals and all workings.

Hours of Saturn and Mars for the days of Destruction (such as Moon in Scorpio, Capricorn and Aries) are good.

For all other days, the hours according to the planet that rules of the moon sign for that day. Ie, Sagittarius is ruled by Jupiter, Same as Pisces. It could therefore be the hour of Jupiter.

Sagittarius = Jupiter hours, Aquarius can be Moon/Mercury. Pisces can be hour fo the Moon.

PS. Not the best Planetary Hour for Libra is not Venus. Because its a Justice Working we are doing. In general, it is. Therefore, the most prominent hour is not Venus. It could be Sun, Jupiter or even Mars/Saturn.

Jews Not Want In The Jewish State, What They Force On Us

The Jews are openly behind flooding Europe and America with hostile racial aliens. As Professor Kevin MacDonald showed in his book: "Culture of Critique" it was all Jewish lobbies that over turned the anti miscegenation laws on the books in America and created desegregation in America. And enforced it literally at bayonet point with the military when America's used their constitution rights to protest. It was also all Jewish lobbies as Professor MacDonald showed that were responsible for the 1965 immigration act that opened up America to Non White tidal wave immigration. The Jewish Senator, Javis literally demand in his own words: "Open the Gates." Its also Jewish owned Hollywood as the Jewish Journalist, Joel Stein of the LA Times bragged: "Hollywood is Jewish" That promotes nothing but non stop racial mixing propaganda and the Jewish owned globalist media corporations as well. To the Goyim of course. Yet in their unholy state of Israel racial miscegenation is not tolerated and people have been tried in court for this.

The Jews have official patrols in Israel to enforce such social rules in Israel. Yet if a group of Whites had such a patrol in America the same Jewish media would be the first demanding their arrests for "Hate Crime".

Its also global Jewish power behind the tidal wave of non White invasions into Europe as well.

Lets not forget what our Hebrew speaking fellow who was an open agent of Global Jewish power stated:

More recently let us not forget the political lobby Jewess, Barbara Specter herself a Pro Israel supporting Jew states:

Its the same everywhere with Jews.

One of the most openly powerful political Jews in America. Debbie Wasserman Schultz the Congresswomen from Florida and the Chairman of the Democrat National Committee. Who openly promotes non White immigration into America and racial mixing for the Goyim openly supports Israel herself stated when it comes to Jews....

Schultz gave a speech to the Florida branch of the Jewish Federation on January 16th, 2015.

Schultz says Jews "have the problem of assimilation. We have the problem of intermarriage."

Racial mixing and open borders is for the Goyim only. Not her Jewish race.

Pay attention to how totally pro Israel she is:

"Question: The Republican Jewish Coalition head was reported in the New York Times – Matt Brooks is saying that you were proposing a gag order on this subject.

Wasserman Schultz: Ha ha, yeah, well, uh, you know I take... one of the most tremendous sources of pride for me is that I am the first jewish woman to represent the state of Florida in Congress. And, ah, another tremendous source of pride for me is that I am a pro-Israel jewish member of Congress and I proudly support a president that is pro-Israel. Um. What I think is unfortunate and what I suggested, along with others, including members of the Republican Jewish Coalition that are not the executive director of that organization, um, is that we need to make sure, like AIPAC pushes for, like Jewish Federation pushes for, like ADL and every major Jewish organization pushes for in this country, we need to make sure that Israel never becomes a partisan issue. And that's what we talked about in that meeting."

Israel is a race based state where the government even forces all immigrants applying to take a DNA test to prove their racial Jewishness:

Israel Starts Using DNA to Check for "Jewishness of Immigrants"

Posted by TNO Staff on August 12, 2013

<http://newobserveronline.com/israel-sta...mmigrants/>

Israel, which already has one of the most racially-restrictive immigration policies in the world, is about to introduce DNA testing to ensure that no non-Jews from Russia enter the country, according to an announcement from the Prime Minister's office in Tel Aviv made at the end of July 2013.

According to an article in the Times of Israel, Russian-speakers who want to make "aliya" will in future need a DNA test.

This development is the surest sign yet that Jewishness is not a cultural construct, but a biological one, and also further evidence that the "Khazar theory" which would have introduced non-Semitic elements into the Jewish gene pool is incorrect, as proved by earlier DNA evidence.

According to the Times of Israel, "would-be immigrants from former Soviet Union may be asked to prove [their] Jewish bloodline" and will be "subjected to DNA testing to prove their Jewishness."

The announcement said "many Jews from the FSU [Russia] who were born out-of-wedlock can be required to bring DNA confirmation of Jewish heritage in order to be allowed to immigrate as a Jew.

"A source in the PMO told Maariv that the consul's procedure, approved by the legal department of the Interior Ministry, states that a Russian-speaking child born out-of-wedlock is eligible to receive an Israeli immigration visa if the birth was registered before the child turned 3. Otherwise a DNA test to prove Jewish parentage is necessary.

"A Foreign Ministry spokesman said that the decision to require DNA testing for Russian Jews is based on the recommendations of Nativ, an educational program under the auspices of the Prime Minister's Office to help Jews from the FSU immigrate to Israel.

"The issue cuts to the heart of Israel's Law of Return, which allows anybody with a Jewish parent, grandparent or spouse to move to Israel and be eligible for citizenship. Determining who is a Jew a definition which has evolved along with the religion's many streams has led the interior Ministry to create a somewhat byzantine system of checks and rules and has sometimes led applicants, especially converts to Judaism, to fight for the right to immigrate in Israeli courts."

This demand for DNA tests for immigrants to Israel contrasts dramatically with the demand for open borders made by all Jewish organizations in America and elsewhere.

Israel bans novel on Arab-Jewish love story

[http://www.dw.com/en/israel-bans-novel- ... newsletter](http://www.dw.com/en/israel-bans-novel-...newsletter)

Israel's Ministry of Education has banned a novel that portrays a romantic relationship between an Israeli woman and a Palestinian man on the grounds that it "threatens Jewish identity" and encouraged "miscegenation."

The book was supposed to be taught in advanced literature classes in secondary schools across the country, following a recommendation by a professional committee of academics and educators.

The committee's role is to advise the ministry on various educational issues, including the approval of the curriculum, and its decisions are usually taken after consulting with a considerable number of veteran teachers, professors and other educationalists.

It is the first time in the country's history that the ministry disqualifies a book despite the decision of the official responsible for literature instruction in secular state schools.

Left-wing politicians, as well as worried citizens, artists and activists, expressed their outrage over the decision, calling for the minister of education, Naftali Bennett, to reverse it. However, Bennett's office has replied in an official statement that "the minister backs the decision made by the professionals."

"Bennett's commissars are boycotting an excellent book recommended by a professional committee," Zehava Galon, the leader of the dovish party Meretz, wrote in a Facebook post.

"They do it because [the book] talks about a love story between a Jewish and an Arab and is encouraging assimilation. The ministry wants to purify Israel's education system away from values like pluralism, freedom and equality."

Galon called Israeli citizens to join her in a demonstration in front of the ministry, which in her words "aims to raise obedient subjects rather than thinking citizens," adding that "we have no greater war to fight than this."

Israel Dorit Rabinyan

Israeli author Dorit Rabinyan holds her novel 'Borderlife'

The book, "Borderlife," by the Israeli author Dorit Rabinyan, tells the story of Liat, an Israeli translator, and Hilmi, a Palestinian artist, who meet in New York and fall in love. Eventually, they go their separate ways, as she has to return to Tel Aviv and he to the West Bank city of Ramallah.

"Intimate relations between Jews and non-Jews threaten the separate identity of each sector," the Education Ministry said in a statement, adding that "young adolescents don't have the systemic view that includes considerations involving maintaining the national, ethnic identity of the people and the significance of miscegenation."

Preventing fruitful debate

However, many cultural figures in Israel, and even high school pupils themselves, tend to disagree.

"I know I may not represent the opinion of all the students, but I personally think it's pretty stupid to ban the book," Noa, a 17-year-old student from Haifa, told DW. "What happens now is that it created such a stir that our teacher is forced to talk about the book with us, because we keep asking her about it," she adds.

Even public libraries expressed antagonism over the move, with some of them now offering the public the opportunity to borrow the book for free. The "Beit Ariela" library in Tel Aviv posted on its Facebook page "a call for the reader Naftali Bennett: Residents of Tel Aviv are welcome to borrow, at no cost, Dorit Rabinyan's book 'Gader Haya'" (literally 'hedgerow' - the Hebrew name of the book).

The library continued, writing that the book "awaits you at Beit Ariela as well as other libraries across the city."

According to an article in the Times of Israel, Russian-speakers who want to make "aliya" will in future need a DNA test.

This development is the surest sign yet that Jewishness is not a cultural construct, but a biological one, and also further evidence that the "Khazar theory" which would have introduced non-Semitic elements into the Jewish gene pool is incorrect, as proved by earlier DNA evidence.

According to the Times of Israel, "would-be immigrants from former Soviet Union may be asked to prove [their] Jewish bloodline" and will be "subjected to DNA testing to prove their Jewishness."

The announcement said "many Jews from the FSU [Russia] who were born out-of-wedlock can be required to bring DNA confirmation of Jewish heritage in order to be allowed to immigrate as a Jew.

"A source in the PMO told Maariv that the consul's procedure, approved by the legal department of the Interior Ministry, states that a Russian-speaking child born out-of-wedlock is

eligible to receive an Israeli immigration visa if the birth was registered before the child turned 3. Otherwise a DNA test to prove Jewish parentage is necessary.

"A Foreign Ministry spokesman said that the decision to require DNA testing for Russian Jews is based on the recommendations of Nativ, an educational program under the auspices of the Prime Minister's Office to help Jews from the FSU immigrate to Israel.

"The issue cuts to the heart of Israel's Law of Return, which allows anybody with a Jewish parent, grandparent or spouse to move to Israel and be eligible for citizenship. Determining who is a Jew a definition which has evolved along with the religion's many streams has led the interior Ministry to create a somewhat byzantine system of checks and rules and has sometimes led applicants, especially converts to Judaism, to fight for the right to immigrate in Israeli courts."

This demand for DNA tests for immigrants to Israel contrasts dramatically with the demand for open borders made by all Jewish organizations in America and elsewhere.

Israel bans novel on Arab-Jewish love story

<http://www.dw.com/en/israel-bans-novel-...-newsletter>

Israel's Ministry of Education has banned a novel that portrays a romantic relationship between an Israeli woman and a Palestinian man on the grounds that it "threatens Jewish identity" and encouraged "miscegenation."

The book was supposed to be taught in advanced literature classes in secondary schools across the country, following a recommendation by a professional committee of academics and educators.

The committee's role is to advise the ministry on various educational issues, including the approval of the curriculum, and its decisions are usually taken after consulting with a considerable number of veteran teachers, professors and other educationalists.

It is the first time in the country's history that the ministry disqualifies a book despite the decision of the official responsible for literature instruction in secular state schools.

Left-wing politicians, as well as worried citizens, artists and activists, expressed their outrage over the decision, calling for the minister of education, Naftali Bennett, to reverse it. However, Bennett's office has replied in an official statement that "the minister backs the decision made by the professionals."

"Bennett's commissars are boycotting an excellent book recommended by a professional committee," Zehava Galon, the leader of the dovish party Meretz, wrote in a Facebook post.

"They do it because [the book] talks about a love story between a Jewish and an Arab and is encouraging assimilation. The ministry wants to purify Israel's education system away from values like pluralism, freedom and equality."

Galon called Israeli citizens to join her in a demonstration in front of the ministry, which in her words "aims to raise obedient subjects rather than thinking citizens," adding that "we have no greater war to fight than this."

Israel Dorit Rabinyan

Israeli author Dorit Rabinyan holds her novel 'Borderlife'

The book, "Borderlife," by the Israeli author Dorit Rabinyan, tells the story of Liat, an Israeli translator, and Hilmi, a Palestinian artist, who meet in New York and fall in love. Eventually, they go their separate ways, as she has to return to Tel Aviv and he to the West Bank city of Ramallah.

"Intimate relations between Jews and non-Jews threaten the separate identity of each sector," the Education Ministry said in a statement, adding that "young adolescents don't have the systemic view that includes considerations involving maintaining the national, ethnic identity of the people and the significance of miscegenation."

Preventing fruitful debate

However, many cultural figures in Israel, and even high school pupils themselves, tend to disagree.

"I know I may not represent the opinion of all the students, but I personally think it's pretty stupid to ban the book," Noa, a 17-year-old student from Haifa, told DW. "What happens now is that it created such a stir that our teacher is forced to talk about the book with us, because we keep asking her about it," she adds.

Even public libraries expressed antagonism over the move, with some of them now offering the public the opportunity to borrow the book for free. The "Beit Ariela" library in Tel Aviv posted on its Facebook page "a call for the reader Naftali Bennett: Residents of Tel Aviv are welcome to borrow, at no cost, Dorit Rabinyan's book 'Gader Haya'" (literally 'hedgerow' - the Hebrew name of the book).

The library continued, writing that the book "awaits you at Beit Ariela as well as other libraries across the city."

Happy Jew Year In Europe

New Year's Eve used to be about friends, family and celebration of new hopes, ringing in the New Year with fun and cheer. Now thanks to Jews its about the ringing in your ears from the explosions of burning cars, and screaming rape mobs of worthless, hostile invaders of the turd world as they riot and rape their way thought your neighbourhood. The Jews are to blame for all this, even Merkel is Jewish:

Sweden Shocked Again after Woman Raped to Death by Somali Immigrant

[http://conservativepost.com/sweden-shoc ... immigrant/](http://conservativepost.com/sweden-shoc...immigrant/)

A 34 year old immigrant from Somalia was arrested for savagely attacking a woman next to the parking garage of a Sheraton hotel in Sweden. The woman died while being raped. Police say the perpetrator continued to rape the woman's corpse well after she had died.

The Somalian was apprehended by police while still in the act of raping the murdered woman. Source in Swedish. By the way, Sweden and Norway are in the middle of a massive epidemic of violent rapes. Crime statistics show that rapes in both countries are overwhelmingly perpetrated by Muslim immigrants.

2013 figures were given in a recent report by Swedish Public Radio. In the first seven months of 2013, over 1,000 Swedish women reported being raped by Muslim immigrants.

Over 300 of those were under the age of 15. The number of rapes is up 16% compared to 2012 numbers.

This is what Europeans can expect in the 'new normal.'

On New Year's Eve a large group of Muslims sexually harassed scores of young women in and around the main train station of Cologne. They even ripped off one girl's stockings and underwear.

"They were with their hands really everywhere. This is something I've never experienced, "citing the" Kölner Stadt-Anzeiger ", said one 22-year old victim. "When we called for help, they laughed. "Bags and valuables" been robbed." And one 17-year-old is quoted as saying: "I had fingers on every orifice"..... here

The media insist the evildoers aren't refugees, however there are people on social media who were there say otherwise. According to a post on a big local group on Facebook in Cologne, most of the perpetrators were speaking Arabic. That post got deleted pretty fast. Mark Zuckerberg is Merkel's mop up boy now.

Translation of this KSYA article [here]:

Sexual harassment on New Year's Eve –

Cologne police assumes that there have been 40 different offenders.

The extent of sexual assaults on women on New Year's Eve at Cologne Central Station is gradually becoming more evident. Investigators assume that there have been over 40 different offenders. 30 victims have already filed charges.

Cologne. The police has an investigation team set up to investigate the sexual assaults on women on New Year's Eve around the main train station. More than 30 victims have already filed a complaint with the police. According to information of the "Kölner Stadt-Anzeiger", the investigators assume that there have been over 40 different perpetrators that know each other. However, to date, no one was reliably identified and there have been no arrests.

The perpetrators supposedly consist of young men known to the police, who are committing larcenies by trick and burglaries downtown and in the amusement districts like the Zülpicher Straße for many months. Victims and witnesses told the police they had a North African male appearance.

But in the night of Friday, they supposedly haven't acted alone or in pairs as usual, but in a large group. In the areas Alter Wartesaal / main train station / Domplatte they are said to have offended women badly, taunted, surrounded and robbed them.

A 22-year-old women spoke to the "Kölner Stadt-Anzeiger" the day after, describing how the perpetrators physically and sexually harassed her and her friend.

The other victims had the same experience, she said. The robbers succeeded to hide in the crowd so that police wasn't able to track them down.

The police denied rumors in internet forums, according to which the perpetrators were refugees. An investigator said: "The recent leads go significantly towards police-known serial offenders, refugees have nothing to do with them."

To clarify what exactly happened, video recordings are evaluated. Other victims who have been at the main train station and the cathedral on New Year's Eve in the period between midnight and 4 A.M. and haven't filed charges are requested to contact the police.

Euro New Year: Sex Crimes, Arson, and Terror

Nonwhite invaders in Europe welcomed in the New Year with over 800 vehicles torched in Paris, mass sexual assaults in Cologne, and terror alerts in at least

five major European cities.

car-arson-01

Official figures from the French Ministry of the Interior showed that no less than 804 vehicles were torched overnight from December 31 to January 1, part of a now annual "celebration" in France.

The car burning "tradition" started in the 1980s in the nonwhite-dominated slums of the outlying suburbs of some northern cities, and quickly spread to other cities, and particularly Paris. This year, Parisian authorities mobilized 11,000 policemen, gendarmes, and firefighters in Paris and its inner suburbs, up from 9,000 the previous year.

A state of emergency was declared in the French capital, and all festivities were reduced to the bare minimum. Some 622 arrests were made.

Across France, more than 100,000 police and military were mobilized in order to deal with "civil unrest" and the threat of terrorism, Interior Minister Bernard Cazeneuve said.

"There is a general threat to all European capitals" from ISIS, he continued, adding that there have never before been so many French security forces mobilized.

Other establishment French politicians gave the usual platitudes about "not bowing to terrorism" and so on, but all of them ignored the real reason for the emergency: decades of mass Third World immigration, which has generated the violence, terrorism, and unrest which France now faces.

From Cologne in Germany comes the news that a large group of nonwhite invaders carried out an unprecedented mass sexual assault on German girls near the city's train station.

According to reports in local German media, the girls were returning home from New Year's celebrations near the city's famous cathedral, when they were accosted by the nonwhites.

According to a victim quoted by the Express newspaper, the women tried to flee, but were "grabbed everywhere, on the breasts and in the groin area. The men laughed, pulled our hair, and said we were fair game. We were crying and were panicked; it was horrible."

According to a victim quoted by the Kölnische Rundschau newspaper, the attack started in front of the main railway station.

"We were surrounded by a group of at least 30," a seventeen year-old girl said. "They stole our bags and valuables and groped us. I had fingers inserted in every orifice," she said. Other women had their clothes pulled off by an even larger mob.

All of the German media reports refused to carry any indication of the race of the attackers, but the Kölner Stadt-Anzeiger newspaper reported that posts about the attack made by eyewitnesses on the Facebook group Netzwerk Köln were all deleted because of their "xenophobic tendencies."

Jews: "No Limit" on Invasion—Except in Israel

How much more obvious is it that Jews are trying to destroy White Europe.....The fact they as they stated they have planned to destroy White Europe like going back a century and its all Jews including the Jew, Merkel at the top carrying this out....Even the small Jews are in on the plan, its a whole Jewish movement. Jews always proving to everyone why anti Semitism exists and its totally justified. And why in fact if your not anti Semitic your a worthless moral degenerate.

Anti Semitism has never been the problem.....Not enough anti Semitism is the problem. Because Jews are always the problem.

Jews: "No Limit" on Invasion—Except in Israel

[http://newobserveronline.com/jews-no-li ... in-israel/](http://newobserveronline.com/jews-no-li...in-israel/)

The head of the "Jewish community" in the German state of Thuringia has officially warned Germany against putting any limit on the number of Third World invaders pouring into Europe—while at the same time supporting Israel which builds walls to keep them out, crams successful invaders into concentration camps, and then deports them all.

According to a report in the Focus news service, Reinhard Schramm, the officially elected head of the Jewish community council in Thuringia, has "again warned against any ceilings on the number of refugees to be received in Germany," and that "any limit" on the number of invaders would "undermine the right of asylum."

Speaking during a recent Hanukkah celebration in Erfurt, Schramm said that "Asylum is a right irrespective of religion or origin, and there is no limit to it."

He added that he was not concerned about anti-Semitism being imported along with the Muslim flood, saying that this could be dealt with through "linguistic, humanistic and vocational training, and the further strengthening of dialogue between Muslims and Jews."

In Israel—the Jews-only country which Schramm and his community council fanatically support—there is no such "toleration" for invaders, and all non-Jews are specifically barred by law from settling, either as refugees or ordinary immigrants.

Those Third Worlders who do manage to smuggle their way into Israel past its border fences and army-patrolled borders, are promptly arrested and placed in concentration camps prior to deportation—back to Uganda, no matter what their actual country of origin might be.

According to a recent report in the Times of Israel, one of the invader concentration camps, Holot, has now reached capacity.

The concentration camp, which the Times of Israel coyly describes as a “detention center for migrants and asylum seekers who entered Israel illegally” now contains over 3,300 Third Worlders.

The Times of Israel added that the former interior minister Silvan Shalom was about to expand the size of the facility, but that, following his decision to “leave political life amid the numerous sexual harassment allegations against him,” the expansion plans have now been put on hold.

The Jewish state—which controls immigration by race, DNA, and biological ancestry, and which legally bars non-Jews from settling in the country—has officially received some 47,000 illegal immigrants, almost all from Eritrea and Sudan.

The Times of Israel boasted that the “influx has slowed dramatically of late, as Israel has sealed off its border with Egypt more effectively”—meaning that Israel erected a huge concrete barrier wall to stop the invasion—exactly the policy that Schramm and the “Jewish community” opposes for Germany.

The Times of Israel added that since 2009, less than 0.15 percent of “asylum seekers” had been granted asylum in Israel, a figure which is the “lowest rate in the Western world.”

Schramm, the controlled media—and the organized “Jewish community” in Germany and the rest of the world—is completely silent about the manner in which Israel deals with Third World invaders.

It is the old rule once again: one law for the Jews, another law for the non-Jews. Jews can have racial laws, and have an ethnically homogeneous nation, but any Europeans who seek that same right are attacked and smeared by the controlled media and the “Jewish community.”

## 1,000+ Mudslims mass rape women in German Train Station

Thanks brother eduardoquinonez88 for [posting in yahoo](#).

UPDATE: More details are emerging involving a large crowd of men who sexually assaulted some 60 women at a major train station in Germany.

[Der Express](#), a large German publication, reported that police were greatly outnumbered and were not able to save some women from the crowd. Police said to a 20-year-old woman they pulled from the crowd who had her pants and underwear torn off; "Your three girlfriends, we could not save them from the throng, because we ourselves have been pelted with firecrackers."

As to who is responsible for the horrific crimes, police officers arrested 8 men from the crowd at one point, and all had "residence certificates for asylum procedures," meaning they were Syrian refugees or refugees from similar countries.

EARLIER:

BERLIN (AP) — German police have described a series of sexual assaults against women in Cologne on New Year's Eve as "a completely new dimension of crime."

Officers received numerous complaints from women who said they had been assaulted around Cologne's main train station next to the western German city's famous cathedral on the night from Thursday to Friday.

Cologne police chief Wolfgang Albers says witnesses described the assaults as coming from a group of up to 1,000 men whose appearance indicated they were of "Arab or North African origin."

Some 60 criminal complaints have so far been filed, including one allegation of rape.

German news agency dpa quoted Albers telling reporters on Monday that it was "an intolerable situation that such crimes are committed in the middle of the city."

The German people are getting backed further and further into a corner.

Now they aren't just trying to burn down the facilities housing the foreign invaders, but we are seeing people shooting at them also.

Angela Merkel has brought race war to Germany. There is no question about this.

From Telegraph:

Police in Germany are searching for an unknown gunman who opened fire on a refugee shelter in the early hours of Monday morning, injuring an asylum-seeker.

Witnesses said the gunman fired six or seven times through the window of the shelter in the small town of Dreieich-Dreieichenhain near Frankfurt at around 2.30am local time (1.30am GMT).

A 23-year-old asylum-seeker who was sleeping inside was rushed to hospital after he was hit. Police said his injuries were not serious, and he was released later on Monday.

"This was a deliberate attack which was a serious danger to residents of the shelter," Nina Reininger, a spokesman for prosecutors, said.

Police said they have no information as to the identity of the gunman.

"We are investigating in every direction," said a spokesman.

Black sun is intended for white people. If you are mixed, just go with the race you feel mostly connected to and are most like. If in your case, you feel white, yes you join this group. If you feel black, you join the black group.

You can join of course, but this group is mainly for white aryan. If you are mostly white/aryan or consider yourself mainly aryan then of course that's fine. If you are mainly black, or asian, that is also fine, but you should join the group for your own culture as well. As you meditate, your soul and body will gradually change to whichever race you are/identify with mostly.

True. But most of the time (I'll admit, not always) the race people "identify" with most is the race that they are actually mostly a part of. I'll admit, thinking one is aryan doesn't mean they are, but most of the time, even if mixed, if one identifies as Aryan, chances are their genes are mostly Aryan

what makes an Aryan in the original sense? One who is of the White Race and who follows the Arya path. Arya was also a title for "Twice Born." Hence to be fully Arya one must also have a daily spiritual practice with the event of reaching the rising of the Serpent power to the crown lifting the person to the Twice Born state.

This is important to note as once our entire race was Arya. Race is bio-metaphysical. Over time there became a class system within the race of Arya which was for the spiritual advanced element of the race. As our race since the end of the Satyuga suffered a degeneration slowly in society. Leaving a society in which a new social adaptation was needed to manifest a system to lift the race back upwards fully. This is also where the cultural mythos of the magnum opus came from. It was created after the Satyuga period to safe guard the knowledge and to maintain a society with total focus on spiritual evolution.

This is important to understand as far too many WNist people are liberally using the title of Arya to apply to things that do not deserve it. Such as goofy xian clowns and general degenerates. Our ancestors stated those of Aryan lines who are not twice born

[meaning zero spiritual practices]. Are animalistic people who live in the lowest state of consciousness. They were to be pitied at the least and exiled at the most.

Hence we have a real cultural model of Aryan those who kept the rites, thus maintained the proper religion of the Aryans. Rites where worship [spiritual practices] included within the religion and the external rites of honoring the Gods and keeping the Devayana [path of the Gods].

Which means only Spiritual Satanist Whites are full Aryans in our world.

Subject: Re: Sermon 12/11/15

I really was interested to read this addendum as it hit a nerve for me. I have always worked harder than most people I know and found it got me absolutely nowhere. It seemed I was doomed to be living under the poverty line for my entire life. Like figuring out how to actually make the talents and gifts I have mean something in a world where they are totally NOT valued - artists are typically some of the poorest of us, unless you sell out and become a graphic artist - and spend your days doing layouts for commercial ads for corporate fucks - well, that's how we thought of it - the Fine Artists in Art College...I studied Fine Art for four years. I had stars in my eyes - I wanted to do something wonderful and be a respected artist... and instead I struggled like mad and got nowhere. My Dad and I had a falling out over this (he refused to speak to me for five years) as he was furious I was going to Art College - he wanted me to go to secretarial school - they make REAL money - he said: If you insist on this, by the time you are thirty you will be a fucking LOSER!

I was told over and over to go get a 'real' job if I wanted a decent living. But I just couldn't do it. Oh, I tried a few times, and always within a year or two I would begin to go just absolutely fucking mental - start acting out in resentment at having to be forced into this box and be a slave - because that was the pure torture of it - I KNEW I was a slave - and inevitably I'd end up getting fired - because for me being an artist is something I AM, not what I WANT, and trying to deny who I was - even though it got me nowhere - made me go fucking CRAZY. So I would go back to trying so hard to 'make it' as an artist, living hand to mouth and going to food banks and soup kitchens.

I have struggled thus for, oh, well, a LONG fucking time. Lets just say. And so here's where I am going with this:

Since I dedicated to Satan I noticed something changed. I still try as hard as ever and work my fucking ass off to make something of my art. But what HAS changed, subtly at first and lately in a fucking landslide is that in the last few months and especially in Nov, Dec, I have been SHOWERED with money. I mean, normally December into Feb is the most miserable time for me as I usually am totally broke. And its not for lack of trying. I have tried and failed, tried and

failed more times than I can even count. Others have told me I'm crazy to keep trying. They don't understand its like trying to tell an eagle it isn't supposed to fly - so it just keeps trying, not understanding it lives under an invisible net that keeps it down. It seemed the price I had to pay to be myself was to live in abject poverty. And I paid that price.

I remember someone telling me how if I really want to make money - if I farm out the production (because I also invent things) to a third world country, I can pay pennies on the dollar and make a fortune! And I said no way - I won't make money off the backs of slaves. he couldn't understand this and said I was throwing away a fortune. I said then so be it...NOW knowing what I know, I realize I really made the only decision I could have. You cannot justify a dollar if there is one person being held in bondage. I want to help people, not fuck them over.

I am part of an artists collective and have heard many, many times from the other artists I blow them away with how fucking hard I work at my craft. So anyhow, what has changed...

The amount of money that has been coming at me lately - from EVERY direction is more than I have ever seen in my life, so that's saying something. Shit, I am starting to cry (stops to wipe eyes). So what you are writing about how this is our natural inheritance (I am white aryan) - well, I had learned never expect to ever be rewarded for your work. EVER. But Satan actually rewards me! I just wanted to say something about that because I am so grateful. And blown away. He really is generous! I have never seen the like! Oh damn, stop crying! I can't see what I'm writing!

I can't wait for the parasites to be made an end of, and the natural order restored. For us all. Why the fuck should we do all the work and allow them to suck us dry for a second longer? I can't wait for our anti-christ.

Hail our Father Creator

Jesus Christ was an sun God and Xian cult is totally inspired from sun Gods cults.

Sun Gods cults are in Egypt of Hornus RA, Europe Mithra and even in India for the name of Christhna.

The perverse Jews have take control of these cult and made a new religion that take inspiration and even copy some of their religions. In Europe was an old cult that existed even more 1000 year after the romans became Christians.The religion was even called Arianism. An was an pagan religion with similarities with Christianity.

So you see how perverse are these jews that always have an war with us in different ways. The use some black alchemy to convert our pagan ancestor to Christianity after stolling and replacing religions and instead they gave us the false God Yahweh. They even do not pronounce his name to not sound Jewish. Instead they usually use father.

Using name father for Jewish God is an blasphemy addressed to Satan.

Subject: Understanding the Balkans' Racial Warfar

This interview with General Ratko Mladi is interesting to understand how the Western kikes managed to divide and conquer the Balkans in racial and religious warfare through their puppets in European Union and Crypto-Jew house of Turkey:

<https://www.youtube.com/watch?v=wTFwNGzhGJE>

They inverted everything to make look like the White Serbs were a bunch genocidal maniac mass rapists and the moslens some poor victms of genocide in their own version of moslen Holohoax:

*Genocide of "8372" muslin boys and men:*

$8+3=11$

$7+2=9$

$11/9$

General Mladi tried to end the conflict humanely and took the blame for the genocide of civilians carried on by Jew controled NATO, in a true campaign of defamation by Jewish media against him and the Serbs in General, like a WWII anti-German defamation campaign in recent times:

Rethinking Srebrenica: <http://www.cnj.it/documentazione/Srebrenica/RethinkingSrebrenica.pdf>

<https://youtu.be/jCEM-OirLBE>

The Communist Yugoslavian state didn't work well to completly consume Whites in mass mongrelization so when it fell down, the other alternative for the Jews was to nurture race war and send muslin troops to kill and rape everything at their sight as this is what Islam is all about since its Jewish conception:

[The Islamic Conquest - the Bloodiest Chapter in Human History](#)

[All kike programs are united by the same atrocities](#)

We are supposed to have pity and few sorry for these hordes of Pisslamic savages. First they were "victms of genocide" and now the excuse is that they are "refugees of war":

This reply was right on stop. The enemy stole our culture, tenets and even our deepest knowledge and formulated it into a hybrid program to enslave people and lead them to the exact opposite way of enlightenment and turn people against the Gods.

They just injected false DNA into a healthy cell and then gave this cell to replicate itself into the society. This way the jews were made into what they are. Historical evidence is too straight foward about it, same as who Satan was. Satan was the center of worship in ALL Pagan Religions.

JHVH as I have stated in one of my sermons, is nothing but a jewish trick which just means "He who does magick". The principle is stolen from Egypt and formulated to fill in jewish ends. But at the same time, this is like a sigil or name that links one to the odious enemy created thoughtform/pool of energy.

This is why Satanism is Mankind's Original Religion. We are ressurecting and adhering to the original teachings, by what we have found and what the Gods themselves have shared and are sharing.

Satan is the God beyond all Gods. Even His Name is the highest and most exalted name, both in spiritual and in general meaning. Still in places like India, the name is Intact, but also in many Ancient Languages. It means the highest thing there is, Truth. He of Truth.

'They raped every German female from eight to 80'

<http://deathofcommunism.weebly.com/they-raped-every-german-female-from-eight-to-80.html>

Antony Beevor, author of the acclaimed new book about the fall of Berlin, on a massive war crime committed by the victorious Red Army.

"Red Army soldiers don't believe in 'individual liaisons' with German women," wrote the playwright Zakhar Agranenko in his diary when serving as an officer of marine infantry in East Prussia. "Nine, ten, twelve men at a time - they rape them on a collective basis."

The Soviet armies advancing into East Prussia in January 1945, in huge, long columns, were an extraordinary mixture of modern and medieval: tank troops in padded black helmets, Cossack cavalrymen on shaggy mounts with loot strapped to the saddle, lend-lease Studebakers and Dodges towing light field guns, and then a second echelon in horse-drawn carts. The variety of character among the soldiers was almost as great as that of their military equipment. There were freebooters who drank and raped quite shamelessly, and there were idealistic, austere communists and members of the intelligentsia appalled by such behaviour.

Beria and Stalin, back in Moscow, knew perfectly well what was going on from a number of detailed reports. One stated that "many Germans declare that all German women in East Prussia who stayed behind were raped by Red Army soldiers". Numerous examples of gang rape were given - "girls under 18 and old women included".

Marshal Rokossovsky issued order No 006 in an attempt to direct "the feelings of hatred at fighting the enemy on the battlefield." It appears to have had little effect. There were also a few arbitrary attempts to exert authority. The commander of one rifle division is said to have "personally shot a lieutenant who was lining up a group of his men before a German woman spreadeagled on the ground". But either officers were involved themselves, or the lack of discipline made it too dangerous to restore order over drunken soldiers armed with submachine guns.

Calls to avenge the Motherland, violated by the Wehrmacht's invasion, had given the idea that almost any cruelty would be allowed. Even many young women soldiers and medical staff in the Red Army did not appear to disapprove. "Our soldiers' behaviour towards Germans, particularly German women, is absolutely correct!" said a 21-year-old from Agranenko's reconnaissance detachment. A number seemed to find it amusing. Several German women recorded how Soviet servicewomen watched and laughed when they were raped. But some women were deeply shaken by what they witnessed in Germany. Natalya Gesse, a close friend of the scientist Andrei Sakharov, had observed the Red Army in action in 1945 as a Soviet war correspondent. "The Russian soldiers were raping every German female from eight to eighty," she recounted later. "It was an army of rapists."

Drink of every variety, including dangerous chemicals seized from laboratories and workshops, was a major factor in the violence. It seems as if Soviet soldiers needed alcoholic courage to attack a woman. But then, all too often, they drank too much and, unable to complete the act, used the bottle instead with appalling effect. A number of victims were mutilated obscenely.

The subject of the Red Army's mass rapes in Germany has been so repressed in Russia that even today veterans refuse to acknowledge what really happened. The handful prepared to speak openly, however, are totally unrepentant. "They all lifted their skirts for us and lay on the bed," said the leader of one tank company. He even went on to boast that "two million of our children were born" in Germany.

The capacity of Soviet officers to convince themselves that most of the victims were either happy with their fate, or at least accepted that it was their turn to suffer after what the Wehrmacht had done in Russia, is striking. "Our fellows were so sex-starved," a Soviet major told a British journalist at the time, "that they often raped old women of sixty, seventy or even eighty - much to these grandmothers' surprise, if not downright delight."

One can only scratch at the surface of the psychological contradictions. When gang-raped women in Königsberg begged their attackers afterwards to put them out of their misery, the Red Army men appear to have felt insulted. "Russian soldiers do not shoot women," they replied. "Only German soldiers do that." The Red Army had managed to convince itself that because it had assumed the moral mission to liberate Europe from fascism it could behave entirely as it liked, both personally and politically.

Domination and humiliation permeated most soldiers' treatment of women in East Prussia. The victims not only bore the brunt of revenge for Wehrmacht crimes, they also represented an atavistic target as old as war itself. Rape is the act of a conqueror, the feminist historian Susan Brownmiller observed, aimed at the "bodies of the defeated enemy's women" to emphasise his victory. Yet after the initial fury of January 1945

dissipated, the sadism became less marked. By the time the Red Army reached Berlin three months later, its soldiers tended to regard German women more as a casual right of conquest. The sense of domination certainly continued, but this was perhaps partly an indirect product of the humiliations which they themselves had suffered at the hands of their commanders and the Soviet authorities as a whole.

A number of other forces or influences were at work. Sexual freedom had been a subject for lively debate within Communist party circles during the 1920s, but during the following decade, Stalin ensured that Soviet society depicted itself as virtually asexual. This had nothing to do with genuine puritanism: it was because love and sex did not fit in with dogma designed to "deindividualise" the individual. Human urges and emotions had to be suppressed. Freud's work was banned, divorce and adultery were matters for strong party disapproval. Criminal sanctions against homosexuality were reintroduced. The new doctrine extended even to the complete suppression of sex education. In graphic art, the clothed outline of a woman's breasts was regarded as dangerously erotic. They had to be disguised under boiler suits. The regime clearly wanted any form of desire to be converted into love for the party and above all for Comrade Stalin.

Most ill-educated Red Army soldiers suffered from sexual ignorance and utterly unenlightened attitudes towards women. So the Soviet state's attempts to suppress the libido of its people created what one Russian writer described as a sort of "barracks eroticism" which was far more primitive and violent than "the most sordid foreign pornography". All this was combined with the dehumanising influence of modern propaganda and the atavistic, warring impulses of men marked by fear and suffering.

The novelist Vasily Grossman, a war correspondent attached to the invading Red Army, soon discovered that rape victims were not just Germans. Polish women also suffered. So did young Russian, Belorussian and Ukrainian women who had been sent back to Germany by the Wehrmacht for slave labour. "Liberated Soviet girls quite often complain that our soldiers rape them," he noted. "One girl said to me in tears: 'He was an old man, older than my father'."

The rape of Soviet women and girls seriously undermines Russian attempts to justify Red Army behaviour on the grounds of revenge for German brutality in the Soviet Union. On March 29 1945 the central committee of the Komsomol (the youth organisation of the Soviet Union) informed Stalin's associate Malenkov of a report from the 1st Ukrainian Front. "On the night of 24 February," General Tsygankov recorded in the first of many examples, "a group of 35 provisional lieutenants on a course and their battalion commander entered the women's dormitory in the village of Grutenberg and raped them."

In Berlin, many women were simply not prepared for the shock of Russian revenge, however much horror propaganda they had heard from Goebbels. Many reassured themselves that, although the danger must be great out in the countryside, mass rapes could hardly take place in the city in front of everybody.

In Dahlem, Soviet officers visited Sister Kunigunde, the mother superior of Haus Dahlem, a maternity clinic and orphanage. The officers and their men behaved impeccably. In fact, the officers even warned Sister Kunigunde about the second-line troops following on behind. Their prediction proved entirely accurate. Nuns, young girls, old women, pregnant women and mothers who had just given birth were all raped without pity.

Yet within a couple of days, a pattern emerged of soldiers flashing torches in the faces of women huddled in the bunkers to choose their victims. This process of selection, as opposed to the indiscriminate violence shown earlier, indicates a definite change. By this stage Soviet soldiers started to

treat German women more as sexual spoils of war than as substitutes for the Wehrmacht on which to vent their rage.

Rape has often been defined by writers on the subject as an act of violence which has little to do with sex. But that is a definition from the victim's perspective. To understand the crime, one needs to see things from the perpetrator's point of view, especially in the later stages when unaggravated rape had succeeded the extreme onslaught of January and February.

Many women found themselves forced to "concede" to one soldier in the hope that he would protect them from others. Magda Wieland, a 24-year-old actress, was dragged from a cupboard in her apartment just off the Kurfürstendamm. A very young soldier from central Asia hauled her out. He was so excited at the prospect of a beautiful young blonde that he ejaculated prematurely. By sign language, she offered herself to him as a girlfriend if he would protect her from other Russian soldiers, but he went off to boast to his comrades and another soldier raped her. Ellen Goetz, a Jewish friend of Magda's, was also raped. When other Germans tried to explain to the Russians that she was Jewish and had been persecuted, they received the retort: "Frau ist Frau."

Women soon learned to disappear during the "hunting hours" of the evening. Young daughters were hidden in storage lofts for days on end. Mothers emerged into the street to fetch water only in the early morning when Soviet soldiers were sleeping off the alcohol from the night before. Sometimes the greatest danger came from one mother giving away the hiding place of other girls in a desperate bid to save her own daughter. Older Berliners still remember the screams every night. It was impossible not to hear them because all the windows had been blown in.

Estimates of rape victims from the city's two main hospitals ranged from 95,000 to 130,000. One doctor deduced that out of approximately 100,000 women raped in the city, some 10,000 died as a result, mostly from suicide. The death rate was thought to have been much higher among the 1.4 million estimated victims in East Prussia, Pomerania and Silesia. Altogether at least two million German women are thought to have been raped, and a substantial minority, if not a majority, appear to have suffered multiple rape.

If anyone attempted to defend a woman against a Soviet attacker it was either a father trying to defend a daughter or a young son trying to protect his mother. "The 13-year old Dieter Sahl," neighbours wrote in a letter shortly after the event, "threw himself with flailing fists at a Russian who was raping his mother in front of him. He did not succeed in anything except getting himself shot."

After the second stage of women offering themselves to one soldier to save themselves from others, came the post-battle need to survive starvation. Susan Brownmiller noted "the murky line that divides wartime rape from wartime prostitution". Soon after the surrender in Berlin, Ursula von Kardorff found all sorts of women prostituting themselves for food or the alternative currency of cigarettes. Helke Sander, a German film-maker who researched the subject in great detail, wrote of "the grey area of direct force, blackmail, calculation and real affection".

The fourth stage was a strange form of cohabitation in which Red Army officers settled in with German "occupation wives". The Soviet authorities were appalled and enraged when a number of Red Army officers, intent on staying with their German lovers, deserted when it was time to return to the Motherland.

Even if the feminist definition of rape purely as an act of violence proves to be simplistic, there is no justification for male complacency. If anything, the events of 1945 reveal how thin the veneer of civilisation can be when there is little fear of retribution. It also suggests a much darker side to

male sexuality than we might care to admit.

Subject: The HoloHoax

Hello brothers and sisters...

This is a selection of links to study for the subject of the holoHoax.

It's for anyone that hasn't studied, doesn't know a lot, or needs further proof.

First of all check this documentary:

THE JEWISH GAS CHAMBER HOAX [Video]

[https://www.youtube.com/watch?v=Le6oF\\_oGYfg](https://www.youtube.com/watch?v=Le6oF_oGYfg)

Some people are trying to have arguments about the Zyklon B poison (allegedly used for the gas chambers, but in reality used for delousing). So here's another video about this:

And here's the Rudolf report (that is the basis of the previous video):

Also related with the holohoax, the Anne Frank hoax:

Subject: Anti-Racism Is Anti White

Anti-Racism Is Anti White

Anti-Racism is just a code word for anti-White. You can observe this in the fact the non-Whites amongst their races all organize among racial lines and racial thinking. The mainstream, PC establishment encourages and promotes this racial supremacist psychology and organization among non-Whites. Its lauded, praised and paraded by the PC establishment as MORAL VIRTURE. Even the negative, demands made of us Whites by this mainstream crowd are always along RACE LINES. Jews are behind all this anti-racist nonsense. And Jews themselves are the most racist people on earth just look at their racist state of Israel. Its every Jewish community on earth the only difference its under its own flag.

Now the same non-Whites and Jews start screaming and bitching the second a single White person even is suspected of racial pride in their own White race. They promote Racism as a value for themselves openly and with social encouragement and approval of the mainstream PC narrative. So its not about Anti-Racism. But they go on a Witch hunt against Whites for even the suspicion of a positive self regards along race lines for themselves. Because its about anti-White that's it, and Jews are behind the whole scam. Its a psychological warfare tactic against us.

Now, White People have also been told we need permission from non-Whites and filthy Kikes to care about ourselves as a race, so its like ok here is my Black so and so he agrees. Well guess what Whites don't need a Hall Pass from non-Whites, filthy Kikes, or worthless White cucks who ask permission from their Jewish and non-White moral masters to even go to the washroom.

No we don't nor have ever needed any permission. To love, care and protect our own awesome and superior White Race. So White People, get a clue, wake up to the Jew and stand tall! Give yourself permission to embrace what you have always felt deep within your Aryan soul. Love your own White Race and speak and advocate on its behalf! If you don't, who will? In this world its your own People who are your community and love you the most. That's what is real and that's what is moral. Our People is our greatest treasure.

Hail The White Race! With supreme power, pride and love!

The term "racism" is the best example of sloppy language I can think of.

Person A - Wants to wipe out an entire race of people. Racist.

Person B - Makes insensitive jokes about another race but doesn't really hate anyone. Racist.

Person C - Polite, kind and well meaning. But believes in the science of racial differences. Racist.

Person D - Simply favors, loves and cares about his/her own race the most but doesn't hate others. Racist.

How can any reasonable person not see how this is problematic? Any number of very very different things can get slapped with this label "racist".

Me believing in the right to self determination for people of European descent means I can be branded with the same label as someone who says they think White Europeans should genocide and enslave the rest of humanity!

If I just say, "Bob is racist" that actually tells you nothing about what Bob's opinions actually are. Only that you should feel like he's a bad person and automatically view him negatively.

And as many have also pointed out, this extremely vague, poorly defined term is only ever used against Whites, when Whites support their own interests as a people we are called "racists". When other groups do it, that is never called "racism". In fact that is even called "anti racism".

Anti racist is a code word for anti White.

Subject: Review Of European History During The Dark Ages

Review Of European History During The Dark Ages

During the Period of Europe referred to as the dark ages, civilization did exist. The biggest lie seems to be that Europe got civilization off the Islamic Arabs. However this is well known the knowledge the Arabs held was from the Greco-Roman Empire. Many of the Arabs were also of Aryan blood as well at this point. Saladin was a Kurd with blonde hair and light eyes. Mecca and Medina was created by Aryan Brahmana's from Western Aryan India. The Kabba was a Shiva temple originally. The Nabataean of the Arab region where Aryan People who honored Bacchus. The Sumerians, Chaldeans were Aryan Peoples who

migrated from Aryan India. The Yezidi's, the blonde blood line stated they came from Northern India. And were the Chaldeans of ancient Sumer and Babylon. The Phoenicians were also Aryan People many of their images show them with Nordic appearance and their God was a red haired, blue eyed, thunder god.

A major claim made was the Berber's brought some higher Islamic civilization into Spain and though Europe. The Berber's were Whites from North Africa would had lived in North Africa during the Roman Empire as well. The Berber's are still known for their light eyes, fair skin and blonde hair. The Berber's were also part of the Vandal Kingdom that was built out of the Roman Empire. The Berber Empire in Spain, civilization was simply Roman if you look at the buildings you still see this in Roman architecture from the Eastern Roman Empire as well and in Greece.

As historians have pointed out the Germanic invasions didn't destroy the Roman Empires surviving knowledge they kept it and applied it for themselves. Germany is a nation of engineers who built the space age. They are not barbarians.

For some reason its a little known fact during the Dark Ages Ireland was still the educational hub of North Western Europe the Irish are responsible for civilization in much of Europe. The nobles of North Western Europe were going to Ireland to be educated in all the sciences and arts. The Irish were responsible along with the Nobles of Northern Europe for building advanced structures based on a high knowledge of engineering and astronomy during the so called dark ages this documentary on the subject also shows these people were not Christians they were Pagans like the Cathar's. Ireland was invaded by a Christian Crusade in the mid 13th century and their history was rewritten by the Church with fake characters like St. Patrick.

The Viking Serpent:

<https://www.youtube.com/watch?v=0ICR5p14DcM>

Ireland And The St. Patrick Fraud:

[topic3105.html](http://topic3105.html)

The Templar's were from the old European nobility and were building massive cathedrals that took almost a century to build all across Europe, built in the style of the Celtic, Teutonic cultures. They did not get this from the east. They always had it. The Templar's were part of the Cathar culture who were part of the culture that built such in Norway the documentary shows. The Cathar castles are still around and show a major advanced knowledge of engineering and military science. The renaissance was simply when all this advanced further minus the attempts of the Church to slow it down. The Europeans were also sailing around the world even to America during the Dark Ages as the Rune Stones in America prove, which takes a advanced knowledge of maritime sciences. There were Universities all over Europe in the Dark Ages as well. Along with natural philosophy that contained physic's many of the ground for advancements that came later in the scientific age in Europe were laid in this period. The eye glasses were also invented in the Dark Ages which enraged the Church.

The fact is the Islamic world was working from a Hellenic, Roman blueprint. Like much of Europe. The best Islam came up with on its own was a insane idea that the laws of cause and effect didn't exist. Which is anti-scientific.

Ashkenazi Jews are not white - Response to Haaretz article

In response to Haaretz article "Jews, white privilege and the fight against racism in America" (by Benjy Cannon 4/12/14) I would like to say loud and clear: Ashkenazi Jews are not white.

Every time I read about a Jew somewhere identifying as a white person, I cringe. As an Israeli Jew, who like most other Israeli Jews, is completely foreign to the concept of Jews being "white" I would like to address this article to my Jewish brothers and sisters in America.

Ashkenazi Jews who identify as "white", please understand the following:

1. History and identity - As late as 1987 the [US legally defined](#) Jews as non-white. To the best of my knowledge, 50 years ago Jews had the same skin color as they do today. I deduce that white is not skin color, it is first and foremost an issue history and identity. The "white people world" is represented by its European (often colonial) history, it's culture, heroes, it's Kings, ethos, faith etc. - and Ashkenazi Jews are not part of that world. Their heroes are the Maccabees and not the Vikings or Joan of Arc, their Kings are David King of Israel and Hezekiah King of Judah (both archeologically [confirmed historical figures](#)) and not Kings Edward and George.

Secondly, [Jews are not a "religion"](#). While in the Western world identities fall under the categories of religion or race, Middle Eastern people have tribal identities that are based neither the former nor the latter. Jews, similar to Pashtuns (who also often have pale skin and yet would not identify as white people) and other Middle Eastern Tribes, are neither religion nor race but a tribe. Jewish identity since the days of the Kingdoms of Judah and Israel had always been a tribal/national peoplehood. While tribal practices and customs (which are often incorrectly referred to as "Judaism") and a strong biological link between many of the members are certainly present, Israelite identity was never based on either of these. Israelite identity has always been a tribal membership that goes by lineage (being born into the Tribes of Israel) or tribal acceptance (which is incorrectly translated as "conversion"). The identity Ashkenazi Jews have today is identical to that of King David whose great grandmother was a Moabite convert, but was nonetheless a Jew by virtue of being born into the Tribes of Israel by lineage.

You are Jews not because of your "religion" (are you even religious?), but because you were born into a tribe/people called the Nation of Israel. You are not "white people" with a "Jewish religion", you are Jews – members of a people who originated in Judea, whether you adhere to the laws of the tribe or not.

Thirdly, Ashkenazi Jews have been the victims of Europeans and Western imperialism for centuries precisely because they were not perceived as part of the "white people world", beginning with the Roman colonialism of their nation state and ending with 6 million of them being killed precisely because they were non-whites.

2. Culture – Whether it's the Hebrew calendar, the tefillin they put on at their Bar Mitzvah identical to the ancient second Temple tefillin found in Qumran and across Israel or celebrating the Judean revolt for independence in our historic homeland on Hanukkah – [Ashkenazi Jews have kept the entire indigenous](#) culture, customs, traditions, books, and to a high extant language and of their ancestors – Judeans and other Israelites.

3. Biology – Although biology is not the main part of the issue, Ashkenazi Jews are not genetically white either. An extensive number of genetic studies show they originated in the [Middle East](#), that despite European admixture they are [genetic brothers](#) of other Jews, Palestinians, Druze and Lebanese Arabs and share a highly significant amount of ancestry with [Sephardi Jews](#) to whom they are [genetically almost identical](#). Tests also show [Ashkenazi Levites are descendants of Hebrews](#), and [Ashkenazi Cohanim share lineage with Sephardi Cohanim](#).

Lastly, Ashkenazi Jews, whether the world likes it or not (and apparently it does not), are direct descendants of the Tribes of Israel, as we know from history, culture, science and a little something I like to call reality. Those who wish to deny it for political or theological reasons, should try forming an alliance with holocaust deniers because the two are no different.

Jews are not white. People who try to argue otherwise are not only abrogating history and denying our people's authentic identity, they are in fact (even if unintentionally) also practicing a form of Western imperialism, as nobody has the right to superimpose an artificial Western identity on a people with an ancient Middle Eastern-tribal identity. Nobody has the right to try and make Jews, or any other Middle Eastern people, feel they "need" to fit into the "neat" Western categories of religion and race. Nobody has the right to force Jews into identifying as white people when they are clearly not. As for Jews who identify as white without being forced to do so – please decolonize your identities and understand that the identity your claim to express is a falsification of who you really are.

ROFL he claims king JEWvid and Israel are "historically confirmed"? Classic jew bullshit mixed in with 10% truth.

Thankfully he admits jews are NOT white but then he tries to make the claim that the kikes and their "god" JEWhova are "historically confirmed".

Even though the REAL reason the jews wanted Saddam Hussein dead is because he was about to expose the jew written version of "history" as outright lies!

Subject: Jewish lies about...Man, Woman, Gender of God...

From a reply in another post:

Its sad a mind like Evola or others didn't quite have the spiritual basis upon which he could understand that "Man Good - Woman Bad" dualism is just jewish nonsense and perversions. Which just boil into external and internal and such, having nothing to do with "Evil" in any existential form. Evil and Good never had these ethical charge in the Ancient World. Other than when it came to harming other members of one's Race or polity and such and the list goes.

In Ancient Greek these had to do with law, not some outer space meaning. Also, the Positive and Negative aspects of Male and Female, never had to do with "evil" in the social sense, either. This is a common preaching of the Jewish religions, but the Greeks and others completely understood it. This is why women and men were equally following initiation and such in the Greek Religion, while in the jewish one, the women are put into the bullseye of the "Evil" and "Tempting" in Nature. To be "tempted" is not always evil. In fact, it can be quite a good influence sometimes, if combined with logical thinking.

People due to internal disconnectedness towards their own feminine aspect, or male aspect, tend to externalize this hatred towards the world and other people who are not responsible at all. This is due to the lack, thank jews, of both spiritual understanding and the free circulation of practices for the people. But the jews had to back this up even harder, while they themselves knew the fatal Truth behind this statement, as it was stolen by Pagan Gentiles to begin with.

After all it was "Eve's" mistake and such, Adam is supposed to be a stupid idiot etc etc. Well Woman is only for this idiot and made out of his rib, not much importance. So from this stems all you see in the Middle East and all other insanities of such nature. Which of course didn't quite manifest in the same way everywhere, and the list goes, and this of course involves Race and the tendencies of the major parts of Races. How something of such nature manifests should also serve as the basis of understanding what is what, maybe Racially too. I won't get in details as to not deviate from the intention of the post, but this might help people who are interested in advancing their Race, understand.

Truths about Gender, Race or anything else, the jew has accepted these in others and in their own Racial groups, they move for centuries against Gentiles with the Truth that many are not willing to swallow, or even see. So they win and you lose, because you are too much of a wussy and you always get offended. Because oh my, reality stops where one's comfort zone stops. Yet the jews knew these Truths for hundreds of years, abused these and of course formulated everything in accordance to these, no matter how "too much" were they for others. The jew doesn't have your weaknesses such as Social Marxism and feeling a pinch in the butt every time you hear something Racial. The jew lives by the Racial laws and in the knowledge of the weaknesses and

strengths of its own Race too.

Back to the jewish fairytales of world domination which portray as religions. Well, this paved the way for the enemy to abuse the feminine largely on the host populace they wanted to destroy, in plain words. And every misogynist or anyone who didn't enjoy women, or had distorted perceptions about them due to childhood drama, somehow had a cosmic backup about their own cuckoldry, lack of understanding of choice, or affection and such, must be transcendental law. Also backed up by the jewish anti-feminine beliefs. You can be an asshole to all women on the planet, simply because "God" is your backup. Now see where this horrendous crap of the enemy and their lies did lead. Women are still being enslaved and abused in the Middle East or in any other region, only due to the shit some paranoid yids said at some point. And every heart broken teenager, male or female, can find transcendental reasons about why the whole opposite Gender sucks. Thanks jews.

But then they come and of course the jews will solve this issue of women. You know when you make a contract with a jew, its going to be a legit one. For sure. I mean just look around. Most trustworthy people, ever. So they basically try to create feminism to totally destroy the feminine and make every woman start being in denial of her nature, man hating bitchy attitude female, or at least just deviate for what she always felt was the right thing to do. Just hate men for the sake of hating them. Or just, whatever. What the jew says will "Liberate" you. If it happens due to some retarded man who thinks he can treat women badly, because of course God is on his side and teaches that men are to be stupid and animal like creatures, so he is what the jewish "god" instructs anyway, and she does what jewish Feminism said, anyway. I mean "god" is on the side of both, since they are stupid enough to listen the jews as their "god".

Another nice extreme way to see things. Screw everybody. Become either a sexless saint, chop your penis off and feed it to the wolves, for it will prohibit your entry on heaven, or become the wildest whore there has ever been and take everything that moves and walks, destroy it just to feel powerful. Become an animal, or fry your own brain by overthinking around the jewish dogma. Both ways, the jew will win, so it doesn't matter. "Opposite extremes", same racial jew behind it all, same Goyim animal slaves in the middle, trying to figure out why they are always wrong to the slaver demands of the jews.

But no matter what, its never enough. No matter what you do, it's never enough for the jews and their unnatural and sick demands. You always fall short, because you are in fact looking in the way of uprising in reverse. You are falling and falling lower, every day, and because the jews are on the rock bottom, people keep falling for their shit, sometimes only to find themselves in the mental hospital, only too late. To the jew you will pay debts eternally. Here (you must repent to your sins and bow to the jewish tribal animalistic stupid "god"), before you even were born (Men are born sinners of course, your mothers were whores, so you must repent) and of course, after you die and for all eternity, you will be paying your debts of sins to the jewish "creator" in heaven. Ah...men!

The jews also were the only idiots who put "God" as a "Male" and only in a "Male" form. In the Greek Patheon, there was an equal number of Goddesses and Gods. Also, there were Androgynous Gods like Bacchus, who personify inside them the Union that generates what is called God, as the "third" force in existence, that of creation of Male and Female forces.

Oh and Goyim (Racial jewish slang for non jews, meaning Animals). Since we are all animals and we cannot comprehend our Own Gentile Culture that the jews stole and portray it as their own, (even after historical evidence proves its only recent compared to all other Spiritual Cultures, but, fuck Historical Evidence and praise jooz) and the original is (how original of the jews) they hide from you some things. Well, God is a "male" but...He is dependent on his "Shekinah", which is actually stolen from "Shakti" and is the Feminine Energy or Aspect of "God". Oh, also Jewesus, in other "Gospels" which the church removed because they didn't align with what they wanted the Goyim to learn, do openly talk about how "Jesus" was either gay or was in sexual relation with Mary the Magdalene. But the Goyim just need to pray to jewesus and the thoughform JHVH, look in the sky, give their energy to a though form and of course, believe in no other "gods" other than the jewish creator of the cosmos, who, with one fart, created the whole existence. Keep the stolen Pagan knowledge the jews used to formulate these things, hidden from the Goyim.

But the Goyim don't need to know. They need to just have a "male" God. After all we are too stupid to figure out how deeply the jews have destroyed the "male and feminine" aspects and too stupid to figure out from where it was stolen...Which happens to be...all our Gentile Religions. Well. It seems like the Goyim know. As they always knew, way before the emergence of the emergency situation of the jew.

The jews due to lack of internal understanding and because they wanted to stupefy the masses and turn people against people, but also because they were gravely afraid of everything Feminine (as feminity is power, the attractive principle and such, all arousing emotions, unconscious mind, Serpent, Ancestral memory, giving life etc- all hazardous to the enemy's death cult). Give to the jews the greatest thing, give them time and a pen or a scribe and you will soon end with a plan on how to put the world into jewish supremacist regime, how the whole world will be degraded into a communist clump and how the people should be better enslaved under a jewish rule. Its just their supremacist and murderous nature showing itself, nothing more. Their evident paranoia and fear of anything Gentile, as well as the hatred for everything we are and do, or ever did. They turn the greatest things and the most exalted things into the lowest garbage and this is the internal nature of the jew expressed in their works and "Creations".

After all, give the most exalted work of Wagner to a pig. What it can understand? Well at least if it doesn't understand, it may just not destroy things, or formulate a plan to world enslavement with what it is given. Maybe I judge the poor pig too harshly, it doesn't deserve to be paralleled to the jew. The Pig would never do that and its a very good animal. The jew on the other hand is worse.

Its only with the power of the feminine forces this world and more especially life goes in the front and in the guidance or pointing of the masculine, which is supposed traditionally to guide the feminine, while paradoxically being guided by it, that balance and power are achieved. Cut one from the other and both remain weak, and incomplete. Harmony and Unity is what the spiritual process is about. Man and Woman are by nature tied together, and in each every man and woman, no matter they sexually prefer or what they like, are the embodiment of both forces. Both these polarities play a crucial role and complete one another. Also, two men and two women, in the same relation, can be of "Masculine" and "Feminine" nature too. This is what harmony is about. Of course, yet more lies about the enemy about sodomy or anything else. Shut it down for the masses, gay people in the Gulag and meanwhile, most of the enemy high ranking priests, do sodomy or other "forbidden" sexual practices all the time.

But when it comes to the real perversions and sicknesses of the mind and spirit, such as raping children or sex with minors, the jewish and Abrahamic religions are openly advocating. Of course. Marry every 7 year old you want, every woman at 9 years old can become a wife, suck toddler's dick for its the covenant of Abraham. But, Masturbation will get you killed by the hand of "God" as the "God" killed Annan in the bible, for masturbating. "God" is fine with sexual abuse of minors, sucking baby dick, taking sex slaves in Israel, what have you. But don't you dare masturbate, sinner.

Islam, Judaism and Christianity. Lovely advice. Quite a people to get your ethical and existential advice from, indeed.

The jew lies to people that they are to hate the other sex, or hate their own, their sexuality and anything else, or their polarity, but nothing of such is to be hated but rather accepted, so everyone can become whole and complete, externally and internally. These are personifications of the Divine and in the same way its expressions. So Women, embrace the fact of you being Women, honor this until death to the highest standard, for you are Divine. Men, do the same thing. People of the 3rd sex, adhere to your own special mission.

The jew is about discord, death and ignorance for others, which all do bring the eventual collapse of everything, in the personal, social, ethical and spiritual sphere.

Subject: Reverse Rituals after the 15th - Thanksgiving

Greetings to all our Comrades and Satanic Forces!

First of all, we are doing a very good job. The gradually building power of our Rituals is making impact. People are and MUST wake up.

Satanic Warriors, may you all be blessed. Satan will grant us Victory. But we must seize it for ourselves. For Satan lies within.

Do you all remember, where we once were and where we are now? Back in these years where people used to ask, again and again, where are our efforts? Now that everyone can observe how the enemy jewtrix is collapsing and how people are massively waking up, our impact is becoming obvious. And by our effort, we will unmask the enemy, drive away their horrors and wake the people up. This is a battle for Humanity. The ship of the enemy is being plucked serious holes. It can't help itself but sink.

Many of our Comrades have done their Rituals in accordance to this schedule we provided. This is most good, and commendable. As far as my Word goes, Thanks to all of you. But you know who we are striving and who is above us all. He must always be remembered, for He is the only being that has ever given so much, so freely to Humanity. Satan always gave to Humanity, He never took or demanded anything. He bestows to all of us with His Vision, His Power and His Grace. In our hands lie things too important to be left unfought for. If not of us, then who will do this fighting? Also, who but us, can win this fight? It doesn't matter who is only able to fight. It matters as much, who can Win this fight. Because the World is at stake.

The energies were raised and I am sure there have been many, many participations. As most people figured out, we didn't update with a new program or anything, because as a matter of fact, we can take a break. Everything can be paced in such a way, so there is maximum effectiveness. To raise one's powers, this guarantees this. Part of this is when one rests, to get into the fight even harder than before.

Especially those who have been doing the Rituals ruthlessly, its important your energies are on their right track so to say. So taking a few days until the next Rituals are posted, this would be ideal. Now, this doesn't prohibit anyone from doing more Rituals. Its just advice. This advice is for those who have really pushed their own limits so to say.

After the 25th of this Month, new Rituals will be posted by HPS Maxine. Then, we will all join and do these Rituals. Until then, everyone can rest and revamp their energies.

We have a lot of this jewtrix to reconstruct, much darkness to create into light, many lies to destroy and make Truth, many things to annihilate and many things to build again. We have work ahead of us. So take your time, relax, enjoy in what we have created, advance yourselves, live in bliss and experience the Truth through your own eyes.

May Satan bless our work and all of us.

May all of you be blessed with unfathomable Satanic Power!

Migrant crisis: Coach full of British schoolchildren 'ATTACKED by Calais refugees'

The Rape-you-with-ease, brownz invasion that is due to filthy Kikes no one likes, has swept Europe and is now violently attacking buses full of 12 year old children. Mass gang rapes and violent weapon attacks are not enough even mass slaughter like in Paris. Now its buses full of kids that are targeted for mass terrorism. This is because of Jews. Now think about this for a second.....Is Racism and Anti Semitism the problem here? No brownz and Jooz are the problem here. So White Racism and epic level, anti-Semitism is the solution. As its when the tolerance train runs the rails into get the fuck out town, baby!

A COACH full of British schoolchildren was attacked by Calais migrants who smashed a window and may have caused one child to suffer an epileptic fit.

The youngsters were left terrified after a gang of thugs targeted their bus as it travelled through the notorious port town in the early hours of Monday morning.

One child was said to have suffered an epileptic fit following the horrifying attack which marred the end of a dream school trip for the children, some of whom are as young as 12.

...

The coach was carrying 35 children from Portree High School, on the Isle of Skye, and nine teachers when violent migrants pelted it with rocks early this morning.

Officials said it was fortunate none of the youngsters were hurt in the horrific attack, although one child reportedly received medical treatment after suffering an epileptic seizure in the aftermath.

Drew Millar, a local councillor on Skye, said: "My information is that the bus taking the children through Calais was attacked by migrants.

"There was damage done to the bus and they were able to continue on and were lucky no-one was injured."

Thanks brother.

Mozart was linked to masonry in the last part of his life. He ended his official work and began investigating in mason mysteries. His last opera (after which he died soon under some very strange circumstances, like being poisoned or such) was called "Magic Flute" and actually is all about allegories. The flute as all classic instruments is symbolic, as far as all aerophones were made of wood in that time still, it is the same wood Wotan and many other Gods hang from - sacred tree of life., which made them go "through fire, storm etc." The subject was masonic as well, and those feats and tests they went through also had to do with spiritual allegories of advancement in MO and i.e. masonic hierarchy. Soon after he died mysterious death that he foreseen as far as he had extraordinary abilities, extraordinary memory etc. Mozart's music is said to be healing to the mood and soul and recommended to pregnant mothers.

It is notable how classical orchestra always was very strictly balanced. Specific number of aerophones, brass, strings, drums etc. that has unique balance that creates wonderful magical sounding that only classic orchestra can give till nowadays. There is no too much beat like in "pop" of today. It is balanced so we have the rhythm but in the same time can enjoy the beauty of violins and soft aerophones. It's because the groups of instruments are symbolic and correspond with the elements. Aerophones - with air, drums - with Earth. They can't overweight each other or it will be no that healing to soul as it would be if they were.

Also opera theater as a whole is notable: its form is of Ancient Greek amphitheater. Actually all theater and opera came from Greece. In music universities theoretical/historical faculties you can learn that Greeks had an opera, had different tonalities, modes / frets.

Classic music is healing and balancing to human Gentile soul, that's why it was destroyed totally by kikes in 20 century, as in 20 century more and more kike "composers" began getting music education and "composing" classic such as Hindemith and it became unbearable and very unhealthy.

More and more people turned their backs on classic because kikes which infiltrated there destroyed Ancient tradition of tonality with “atonal” shit they made a “fashion”.

The last thing. When I was studying in my university the history of “church” music, in both Russian Orthodox church and old Catholic one (of which more late versions of xianity took after) I found that 100% of their so called “melodies” were stolen from nearby Pagan national folk songs. Italian Catholic church - from Italian folk, Russian Orthodox church - from Greek/bisantic folk etc. They have nothing of their own - because music is national thing and xianity is not - it has no basis nor root, only lie. Once Rachmaninoff took Orthodox church melody for his famous piano concerto 2 [Rachmaninoff plays Piano Concerto 2](#) and it sound most Pagan most about love and sex, about Serpent and Pagan holidays reminding of all this to our souls and extremely famous and make us cry. Wonder why - its our folk song stolen by xians.

Daniélou’s instance on classical music is bullshit... People like to listen trash because Jews run the media, educational system as well as music industry, so these people are in a lower level of existence, being uneducated to swallow any crap they hear, as well as mocking higher culture as a whole and praising stupidity.

Classical music fans exist in great number so the argument it doesn’t fitting people’s vibration or whatever is nonsense, and these classical fan’s awareness is higher than the crowd such is its effect on the mind, just give a look at great geniuses and classical music students and fans such as Jimmy Page and Adolf Hitler, and are usually the first ones to give up on enemy programming. Satanism isn’t currently liked by the major crowd so it’s less applicable for humans? Kids learn to like what they were exposed to no matter how bad a music is, and so they are supposed to follow certain enemy religion if they are exposed to it from the birth, and in both cases it’s reversible by education and spiritual openness.

So the ‘formula’ is in the Harmonic Field and its infinity of possibilities that all geniuses of music knew how to use well (search about “The Mozart Effect”), not some 4/4 beats formula every modern music has. In either case, these classical fans majoritarily enjoy traditional folk songs which are also disliked by modern mobs. Hence why the Third Reich nourished, educated and promoted classical music and higher culture as a whole, not the other way around, as well as popular non-classical Schlager and Volksmusik if they were of good taste, not excluding the classical bases. Good examples are the State Orchestras and the obvious, Hitler liked and promoted Wagner (who like him, was a Pagan /Satanist).

An interesting side-note is that how the musical note G is Sol (Sun) in Western notation, and G in non-corrupted Freemasonry is about the “silver” elixir, that is combined with “gold” Aum for the the Magnum Opus, read: <https://groups.yahoo.com/neo/groups/JoSNewsletter/conversations/messages/382>

Mr. Daniélou can be good at understanding Ancient Paganism, but he didn't understand quite well of music in a (real) spiritual base or about Jewish control of music industry. This is not only in music but the Jewish destruction of any good art and degeneracy of educational system in order to undermine society, just look at their so called modern "art" and the rotten Jewish spirit in it.

Danielou had a doctorate in music, his statements were from studying the ancient Greek and Vedic musical systems here. He is actually correct classic was never that popular among most people they preferred folk music and the pop music of their day in general. You can restructure classical music with a proper formula and finish the point of the music. Nature wins in the end. It should be obvious the Jews use the proper structure because it makes their message more digestible in musical form to the masses.

Pope Visits Rome's Great Synagogue: You Are Our 'Elder Brothers'

There has always been another synagogue in Rome, its called the Vatican.

Its illegal to question in most nations the Holocaust Potter And Gas Chamber Of Secrets tales. Because they are as real as the original Holo Myth of the one magical Jew on a Stick who happens to the Lord and Master of the Universe. And you must bow before the Jewish People in your synagogue's you call Churches forever. Of course don't expect the Jews to apologize for the One Hundred million they killed in their Soviet Union, the real holocaust. Which is why people were rounding up Jews and putting them in detention camps to deport them out of Europe after the war. Because the Jewish race was collectively working to export the Holodomor to all of Europe. The Jews started the war which bombed Europe to the ground and killed some fifty million people including some Jews who died like millions of other Europeans from diseases born by starvation not in homicidal gas chambers. As proven by the Red Cross reports and British Intelligence. The purpose of the war was so the Jews could export the Holodomor, their Soviet Holocaust to all of Europe, that's it.

Of course lets not forgot the Pope is calling for the extermination of White Europe with the Third world, rape-you-with-ease, invasion...

Warning Graphic, Pope Demands More Europeans Dead:

[topic10790.html](http://topic10790.html)

The Pope statements is the traditional line the Church always had on the Jews and is from the Bible itself which calls Christianity, the neo Judaism, in Galatians, nothing else the Christian worships the Torah and God of Israel, thus the People of Israel. The Church always rolled out the red carpet for the Jews and elevated them to positions of privilege and protection. When the boot came down on Jews in Spain for acting as spies and saboteurs for the Moors and robbing the populace. The Church was in there on the side of the Jews and made sure the punishment was lessened as much as they could get away with. Not surprisingly it was found all the high ranking positions of the Church within Spain were held by crypto Jews. Same within Rome as well there are at the least 20 Popes in history who were known to be Jews such as John Paul the 2nd. The rest just hid it better.

Pope Visits Rome's Great Synagogue: You Are Our 'Elder Brothers'

[http://www.haaretz.com/jewish/news/1.69 ... dium=gplus](http://www.haaretz.com/jewish/news/1.69...dium=gplus)

Pope Francis denounced all violence committed in the name of God during a visit to Rome's main synagogue Sunday, joining the oldest Jewish community in the diaspora in a sign of interfaith friendship at a time of religiously-inspired attacks around the globe.

During a visit marked by tight security and historic continuity, Francis also rejected all forms of anti-Semitism and called for "maximum vigilance" and early intervention to prevent another Holocaust.

Francis repeated several times that Jews were the "elder brothers" of Christians, repeating the words first uttered by John Paul during his historic visit to the synagogue but adding that Christians' "elder sisters" in the Jewish faith were also part of God's family.

Francis joined a standing ovation when Holocaust survivors, some wearing striped scarves reminiscent of their camp uniforms, were singled out for applause at the start of the visit. And he elicited an ovation of his own when he paused in his remarks to acknowledge the survivors in the synagogue's front row.

The visit comes amid a spate of Islamic extremist attacks in Europe, Africa, the Middle East and elsewhere — violence which Francis has repeatedly condemned as anathema to religion, particularly given that Christians and religious minorities have often been the target.

"Violence of man against man is in contradiction to every religion that merits the name, in particular the three monotheistic religions," Francis said, referring to Christianity, Judaism and Islam. "Every human being, as a creature of God, is our brother regardless of his origins or religious belief."

I was going to make some sort of joke. Like oh yeah or whatever...then I got completely disgusted. Sigh I just can't. Ohhh my Beautiful Aryan Race. Looks up and smiles. I can already feel the power of the unified men and women rebuilding a vast society of Utopian Porportions. :)

The modern popular music, rock, pop etc., use the same system of frequencies that the notes of classical and the same Harmonic Field. Daniélou argues that the closer the \*frequence\* of the notes systems are to the natural pitch the more enjoyable it will be for humans. He is right on this, the right frequence of sound not the rhythm of beats or musical style and it's the whole point of his argument. Nature is right and he is half-right.

Popular music isn't based on the same musical system of old European instruments or Eastern music but in the classic chromatic one, even the same system of musical division and rhythm. The difference is that it is more simple, easy-listening and aided by propaganda.

Hence why "Greek modes" exist within western system. If the classical system is wrong the whole Western music is as well, given the Greek original pitches aren't known anymore but the division and formula is the same where classical evolved from.

"The failure of modern musicians to produce any effect when they play their transcriptions of Greek or Asian modes comes from the fact that they always approach them through temperament, which disfigures their intervals and flattens their coloring, reducing practically everything to the tempered chromatic mode. We should not forget that although it is comparatively easy to recognize a mode or melody we already know when it is played in its tempered approximation, it is extremely difficult, if not impossible, to imagine its color and expression if one has never heard its real intervals."

- Daniélou [[download](#)]

By this statement he means the notes and sounds of folk and Eastern etc., are not "tempered", ie., it does not follow a stric rule of notation of the same chromatic scale like the notes of Western music in GENERAL.

The theory is right and the observations on popular music are wrong for the already mentioned reasons, with doctorate or not. The proper tools for such effect already existed in the classical period if the composer knew how or was permitted to use them, that's where the Sonata comes from. May not in earlier classicism or barroque but looking at it later on how Mozart built his music and it's effect; hence why he was so popular from the start more than Haydn (because church restricted his creativity) and more than other musical movements of the time. Then comes Beethoven inaugurating the Romanticism and the apex of music, and later some interesting composers like Liszt till the decadence with modern scene.

Stairway to Heaven is composed in the form of a movement of a romantic Sonata as well with a main theme "A" coming and going around themes "B" and "C" in 4/4 rhythm formula. Most good metal musicians are heavily influenced by classical, mainly romantic period.

[https://en.wikipedia.org/wiki/History\\_of\\_sonata\\_form#Romantic\\_era\\_.28ca\\_1804\\_.E2.80.93\\_ca\\_1910.29](https://en.wikipedia.org/wiki/History_of_sonata_form#Romantic_era_.28ca_1804_.E2.80.93_ca_1910.29)

Daniélou simply meant that notes such as G, A, etc were different in the Primordial instruments and system, nothing else, he did not mean the vomit we hear today is more correct. "Blue notes" are like whining or wailing or such - they are not clear, meaning there were more tonalities in the Ancient World than there are now. Crap being popular through jew payment is right. So is right Daniélou about Ancient "altered" notes that make music more expressive. But in today crap pop the sounding is as tempered as in classic as it is simply a shit version of it, so according to this theory everything must be restored into Primordial intervals.

The point remains the same, popular music is more popular than classical because of the spiritual degeneracy and low level of population, and so they are more prone to be indoctrinated by what is in their low vibe, while classical is a higher vibe so they don't digest it. Good music is almost already in the right place, people who aren't.

Cologne Women Deserved To Be Raped, Imam Brownz

This is because of the Jews who brought them here....

Take note this Salafist, rape town brownz. The Salafist's are the sect that ISIS belongs to along with all the other radical Islamic terror groups. Yes all the half naked women walking around outside in the middle of a Northern European winter.....Basically brownz are animals that do not have nor want any self control over their muh dick functionz. Hey their Judaic religion is based on a Jewish, brownz, Mohamed who was always raping a nine year old sex slave. Like the Talmud tells Rabbi's they can rape three year old children. This brownz comes from a place were bestiality is actually a common norm among them.

-----  
Cologne Imam: Girls Were Raped Because They Warning women against “adding fuel to the fire”, the Imam of a Salafist Cologne mosque has said the victims of the New Year’s Eve attacks in that city were themselves responsible for their sex assault, by dressing inappropriately and wearing perfume.

<http://www.breitbart.com/london/2016/01... e-perfume/>

Speaking to major Russian channel REN TV, Imam Sami Abu-Yusuf’s remarks came during a 12 minute segment bringing Russians up to date with the latest developments in the migrant invasion of Europe. Sandwiched between eyewitness-footage of migrant rampages in Cologne, women being sexually assaulted by apparently Arab gangs, and a segment on a surge of interest in self defence courses in Germany the Imam told the interviewer: “we need to react properly, and not to add fuel to the fire”.

Explaining in the view of Salafist Islam why hundreds of women found themselves groped, sexually assaulted and in some cases raped by gangs of migrant men in cities across Germany the Imam said: “the events of New Year’s Eve were the girls own fault, because they were half naked and wearing perfume. It is not surprising the men wanted to attack them. [Dressing like that] is like adding fuel to the fire”.

The tone of the report was telling, expressing no surprise that Muslim mass migration would result in violence and gang-rape. The narrator of the report told viewers that after the events of New Year’s Eve it was becoming difficult to tell who’s country Germany was, one belonging to Muslims or to Germans. Also expressed was the opinion that the sex attacks were no more than a dress rehearsal for something much bigger to come.

The television interview with a former police officer featured in the short also expressed concern about mass migration. The officer remarks that crimes by migrants are not always recorded by the police in Germany, and even when they are they aren’t passed upwards to the government. He tells the interviewer that in his experience immigrants don’t come to Germany for a better life, but come in groups to engage in organised crime.

Sami Abu-Yusuf is the Imam of the Al Tawheed mosque in Cologne’s Kalk neighbourhood, just one of thousands of such establishments practising in converted residential, retail, and industrial properties serving the booming Muslim population of Europe. The mosque, which is named as preaching the fundamentalist Salafist creed of Islam was raided by counter terror officers in 2004.

A news report from the time states officers moved in to break up a “secret network of Arab Mujahideen” being built by the worshippers there, and suspicion of terror attacks being planned at the mosque. Officers in full riot dress raided the mosque while the “Muslim brothers” there were at prayers, seizing papers and processing the identities of those inside the building at the time.

The emergence of Salafism in Europe is a major concern for security services, as it considers itself the most pure, and original form of Islam and tries to obey the commands of the Koran literally. Breitbart London has reported at length recently on the extremist activities of Salafist Muslims in Germany, from mass-

riots in which hundreds of men armed with kebab skewers, knives, and iron bars clashed with police and Kurds on the streets of Hamburg, to their recruiting strategies, preying on newly arrived migrants.

Breitbart London reported in September about the behaviour of these Salafist radicals, who send members of their group to hang around in train stations at the southern borders and in refugee camps, to recruit newly arrived Muslims. A spokesman of the Bavarian security service said of the behaviour: "Salafists are trying to talk with unaccompanied youths who have come to Germany without their families and who are in particular need of support and connections.

"The Salafists are trying to use the desperate situation refugees find themselves in for their own goals".

Putin calls on European Jews to take refuge in Russia

Putin was put into power by the Federation Of Jewish Organizations In Russia. The Jewish Chairman of this organization Abramovich stated in a 2005 interview that Putin could obtain Israeli citizenship if he wanted as an ethnic Jew. And that his mother was a Jew Shelomova. This makes Putin full Jewish by Jewish law.

Something damning in the first addition of Putin's book: First Person: An Astonishingly Frank Self-Portrait by Russia's President. It states his mothers maiden name was Shalomovitch which is a Jewish surname. But this is changed to Shelomova in the second addition which is an attempt to cover this up:

Putin also criminalized Holocaust "denial" in Russia. Because the Holocaust Potter and the Gas Chamber of Secrets story is made up, the Jews outlaw any investigation into it. Freedom of speech would be the end of their big lie:

Abramovich is chairman of the Federation of Jewish Organizations in Russia (who are allied with the Putin administration) and he also donates money to the Jewish Chabad-Lubavitch movement. Chabad-Lubavitch is an orthodox Jewish movement.

—Chabad-Lubavitch is an orthodox Jewish movement.

Appointed Putin and Medvedev [My note Medvedev is according to Jewish archives his surname is Mendel]

Abramovich was the first person who recommended Boris Yeltsin to choose Putin as his successor. When Putin formed his first cabinet of prime minister in 1999, the Jew Abramovich was the one who first held “personal interviews” with each of the candidates before they were approved. After that, Abramovich remained one of Putin’s closest allies.

In 2007 Putin asked this Jew, who would be elected as the new President – Dmitry Medvedev was then personally recommended by Abramovich. At the G-20 meeting in London in 2009 and the G-8 meeting in 2010, it was Medvedev who became renowned as he had with him a sample of the new supranational world currency “United Future World Currency”, which he campaigned strongly for according to [Bloomberg.com](http://Bloomberg.com).

Chris Hutchins , who has written the biographies Abramovich: The Billionaire from Nowhere and Putin A Biography, describes Putin’s relationship with Abramovich like one “between a father and his favorite son”.

Appears on Russia Today’s website

Under the heading “prominent Russians”, Roman Abramovich is highlighted in Russia Today’s encyclopedia “Russiapedia”. It says, among other things, that Abramovich had access to Jeltzins “innermost circle” through the Jewish oligarch Boris Berezovsky.

Putin calls on European Jews to take refuge in Russia  
[http://www.jpost.com/Diaspora/Putin-cal ... sia-442175](http://www.jpost.com/Diaspora/Putin-cal...sia-442175)

Western European Jews fleeing anti-Semitism are welcome to take refuge in the Russian Federation, which is “ready to accept them,” President Vladimir Putin told a visiting delegation of Jewish community leaders on Tuesday.

In an exchange with Dr. Moshe Vyacheslav Kantor, president of the European Jewish Congress, in the Kremlin, Putin reacted to reports of stark increases in anti-Semitic violence by stating that Jews “should come here, to Russia. They left the Soviet Union; now they should come back.”

In response, Kantor called Putin's proposal "a fundamentally new idea" that he plans on raising for discussion among European Jewish leaders at the EJC's upcoming general assembly, adding that he hopes they would support it.

Kantor also came out in favor of Russia's involvement in Syria, where it supports dictator Bashar Assad, stating that the congress "decisively supports the actions of the Russian Federation against Islamic State.

"Why are Jews running from a Europe that was recently safe? They are fleeing, as you rightly said, not only because of terrorist attacks against our communities in Toulouse, Brussels, Paris, Copenhagen, and now Marseille, but because of their fear to simply appear in the streets of European cities," Kantor said, citing research that indicated that anti-Semitic violence surged 40 percent worldwide in 2014.

A recent study in France indicated that 43 percent of that nation's Jews are interested in emigrating.

Kantor complained both of "an explosive growth in nationalism, xenophobia and racism, with radical right movements sprouting up like mushrooms" as well as "Islamic fundamentalism and extremism" in Europe.

"The continent has not outlived the age-old disease: During times of socioeconomic crisis, it is struck again by the virus of anti-Semitism. That is why the Jews who carry the 'genetic' memory of the horrors of the 1930s are leaving Europe," he said.

Several days before the meeting, Jonathan Arkush, president of the Board of Deputies of British Jews, told the Jewish News website he understands that Putin had called for the meeting.

"Our meeting was strikingly friendly," Arkush subsequently said. "As someone with a background of activism in the campaign for Soviet Jewry, I see the encounter as a clear sign of warming relations and trust between Russia and the Jewish people and Israel. I do not believe it will be the last such meeting."

Putin's comments were generally well received, with the World Israel Beytenu Movement calling Putin's words an example of "his positive approach toward the Jewish community in Russia and the Jewish state" and the Federation of Jewish Communities of Russia calling Putin's invitation part of a "Jew-friendly position."

Ukrainian Jews were less well disposed toward Putin's call, however, with Eduard Dolinsky, who directs the Ukrainian Jewish Committee, telling The Jerusalem Post that "It's like a call from an Egyptian pharaoh for Jews to come back."

Putin's administration has consistently accused the Ukrainian state of anti-Semitism since pro-Russian President Victor Yanukovich was toppled in a popular revolution two years ago, leading to intense anger toward the Kremlin by many Ukrainian Jews, who believe they have been made into propaganda pawns in the conflict.

Noting that the Putin meeting took place only weeks before Kantor is slated to run for reelection as head of the EJC, Dolinsky said he believes the goal of the meeting was two-fold, "to show EJC members that he has support of Putin and show Putin that he controls European Jewish organization."

"I think this trip and Kantor remarks about the Congress supporting Russia operation in Syria will cause a deep disagreement inside of EJC and European Jewish organizations."

While Kantor and Putin railed against the strengthening of far-right parties in western Europe, critics have accused the Kremlin of collaborating with some of these groups. France's National Front was given a multimillion- euro loan by a Moscow bank in 2014, while Hungary's neo-Nazi Jobbik Party was included in the list of observers who oversaw elections in the Russian-backed separatist enclave of Donetsk in eastern Ukraine.

Putin, The Economist reported two years ago, "has some curious bedfellows on the fringes of European politics."

Subject: As the Slave Aweakens...

Greetings and Salutations to all our Family, People and Comrades!

So many people are wondering, why the world goes that way? Is this the inherent evil of Humanity? Human stupidity? Docility? Is it just the will of "god"? Everyone has something to state, but there are few if any times someone comes into a conclusion, or any conclusion for that liking. It all depends on what one allows themselves to see and what they restrain themselves from seeing, or, in accurate saying, what others have restrained them to see. They don't have the nessescary insight or will to see. And this they consider normal, but, is it normal? One doesn't need entirely at the skies to find meanings, they can look just in front of them.

But, what is the thing you aren't allowed to question? Who aren't you allowed to criticize, hate? Who are you forced and brainwashed to love all your life, even if you never even knew, or even if they never did anything for you, at all? Who is the one that threatens with all sorts of divine and non-divine punishments for such? Why are you always told to refrain from all sorts of power, hate yourself and self defeat yourself everyday?

I mean you can go out of your door, scream "bad Whites" and people will applaud. They will say you are fighting evil. You can also scream and rant about "Evil Power", or how you are "Egoless and Self hating". You can also say, "Bad Hitler!". Many will applaud. "Bravo! You are fighting the bad people!! Bravo!! The God of the bad!! Bravo!!" You can screw and say bad comments about any Gentile Race on the planet. You can spew poison about anyone you want. Talk bad about any Ancient God you want. After all, you will not be killed for it anyway. You can hang yourself up and die, nobody will care. Yet, if you cross a line, then everyone starts to seem to care... Just don't approach anything inappropriate. Then you start wondering.

Well, as for these "Gods" they had the uncanny tendency to not punish, exterminate and destroy whole Races, or have such followers who could easily behead someone on the spot for saying anything adverse to them. You can make up any bizarre theory of your own choice. You can fight for or against any interest. You can join any side you want. You are free to roam everywhere, do anything.

At least this is what you have been told.

But there are some areas you must never tread, because these are the holy and forbidden areas. Somehow if one winds up in these areas, life starts becoming different. These are the areas of criticizing, rejecting and fighting against the Jews. Because, let's admit it, since the time you were born, you were repeatedly told: "Hitler is Evil". "The Nazis are bad". "Satan is going to destroy you, stay away!" It almost forms a recurring pattern, that if one looks into their past, they can see this, sort of like the whole world is keeping everyone, in reaching these..."Bad" things. Bad, by the definition we have today. Then every studied, or at least every person who happened to cross a book on Ancient History, they are seeing that these..."bad" things, helped Humanity advance for hundreds of thousands of years. Still, Humanity advances on the basis of these... "Evil" things.

Meanwhile, everyone is forced, brainwashed and subjected, or even threatened and killed about not accepting the contemporary "opposites" of such, the "good" things. Well, when these "good" things come in the scene, all one sees in history is the Middle Ages, bloodshed, wars and terror, as well as existential guilt, darkness and whatever Humanity should be sad about and complaining about. There is a halting. All that is "good" nowadays, comes or is rooted in what was inherently created by the "Evil" Ancients, or their "Evil" tenets and conception. Everything that Humanity likes, is also, by definition, evil. Even what you always liked, or ever was, or even what you were born as, was evil. Even the acts towards survival and self-preservation, are evil. Somehow, man must be formed into something else, which hardly resembles man anymore. Somehow, what is "Man" in man, must die.

And you can pretty much see anything and blame anyone, have any belief you want, watch as much "Zeitgeist" as you want, have any theory that you want. No problem. You are still a nut moving around, saying crap, being weak and all of that. Knowing, but not knowing or knowing crap knowledge without application is the best thing the enemy can hope for everyone. But if something happens, even by mistake, there are three things you should always never question. And if you learn, or the "Devil" comes answering, then problems ensue from this "lovely" and "peaceful" and "equal" planet people are told they are living in. One of these unquestioned notions is "god", which is a fair say.

How many can testify about this? Almost everyone in the world. Well, some people don't like this guy, but in anyway, so very few take the moment to think, or ask about this, or completely give it up. "God" supposedly gave us sense, but in fact, it made sure to make no sense. Hardly a question, but why are you given such? Because I recall Satan was the Father of all common sense, let alone liberation, knowledge of Good and Evil, liberator of Mankind from Ignorance and the one who promised and guided the people towards Godhead...

This so called "god" is a really insecure and evil guy, if so it exists as the people are taught. He is also very jealous and brutal...Because, let's admit it, most people doubt this thing everyday. Most people just inherently doubt and reject this thing. But, brainwashing since infancy might suffice for these people to..."believe". Or should I say, succumb? It must be taught to people, or they would never find out. It's just not "there". Unlike whatever "Satanic", it's not "there". Neither it ever was. It must be "taught".

Wait...

Taught? Just by whom...Oh, it is the Jews. Because last time I checked, all power centers in the world are infested by the religions and the inevitable teaching of how one should perceive their reality and life, which stems from Jewish teachings and in turn, shapes the world according to these decrees. It's the common saying, what you have within you, you will create and see in your environment.

The means to oppose, reject and destroy the above. Why? Because simply, this world is being ruined by such. The reason that all of humanity is enslaved, repressed, depressed and with animal intelligence, or that the planet is bleeding to death, should leave every being questioning, how such a so well formed

and well executed operation is taking place. I mean, no matter what, what people think of as "good" but is the worst of evils, always seems to take its toll. Always it's the little voice in one's mind telling any decent person, how hypocritical and how bad this thing is. But it must too be the Devil.

Not only that, but the conception of people thinking of good as evil, has turned what was once accursed and evil, same as its preachers, as self-proclaimed divine gods. And yes, this is the jews. These people were once understood as vile corruptors and destroyers of civilization, but now, they have twisted through delusion, bloodshed and brainwashing the masses into thinking otherwise. Thinking or not, never changed them, and the same thing always applied. It still applies.

Without many words, when one sees this jewish supremacy problem, they start to see a pattern, the aims of the jews are fairly simple. First of all, it's a very suspicious thing. You are always drummed about the innocence of the jews, since birth. I mean, why should somebody that is so innocent, and never done a thing, play the victim in all their history. Their "god" is also a very sorry, nailed upon a cross, professional victim, crucified by its own father, for the sins of "humanity". One opens the history books and then suspicions come up and arise. Then, one opens the bible and they get more. One looks around and more even comes. Please, Devil, stop! Stop making me think! This is the loud scream of the weak.

But others, get drawn by this. They start filling themselves with more and more Devil. They open up to this side of themselves that always rejected these teachings. This side within man that isn't made to be enslaved and cannot be constrained.

Why is this behavior coming into being? Why all others, are just plain, evil and unethical, while everyone is bombarded about how good, innocent and all great and divine the jews are? Why nobody else has that right, either? Why everyone is enforced since infancy, to abide and be brainwashed by these ideas? It's more like, everyone is more focused on the jews, than their own Race. Why people and masses take almost any offence, but when it comes to any offence against the jews or their ideas, people raise their so called "voice" which was cut all along? Why? I mean I thought we were all..."equal" and all.

But unfortunately for the enemy, after this long torturous process of self-revelation gets into the mind of the Wise, the Satanic Souls and they wake up, they are going towards a destiny that is far different and even opposing to the destiny of the rest of the slaves. This building explosion within one's own Gentile mind, reaches a peak.

There are points of perspective of such. We have our own. They have their own. Others see these from the standby of the beta cuck, slave Goyim xian or muslim, pacifist-peace-cucklord-rape-me-anyday-guy, who just waits patiently and builds ruthlessly the jewish world, inside which every man is supposed to suffer.

After all, refusal to build something as such, can eventually mean the death of someone. And most people are too afraid of death, or too afraid of afterlife hellfire's. This is what happens when jews do your thinking for you. It's like a silent gun is placed onto your head, telling you to do this..Either, or. Everyone moves everyday and does and does again, but its sort of like, this invisible gun or timer is placed on their heads, forcing them to act. They don't do it from the heart, ever, never. They don't do it happily and they are doing it for people and beings they do not know, for purposes unknown to them. They don't know why, or how, or when the gun will pop. And when their brains will go after this, or where the Soul they have sold to the jews will go, they hardly know. They don't even ask. Even if they asked, who would be there to answer? These people know loneliness to be a fact of existence.

Neither they know how, or why, or what is the reason they are doing all they do, let alone for whom. They just keep going. This lie is continued indefinitely,

until the person dies and they leave something, if anything behind, moving towards a trip they never had a clue about. They let others do their research for them, they never thought, they never even asked. Many people are that way. And surely, this is a good and thriving stable for anyone who wants to enslave anyone else. If things are that way, then, it can go on. Towards where, though?

Then, you have the bad, bad Gentiles, who see matters otherwise and take a spiritual stance against all of that. Waking up from slumber, let alone opposing, requires a keen insight and the power of the people to be in place. It requires you to own yourself. When one is a slave, they never owned themselves before. It requires bravery that most cannot even possess or understand. This is why we are as many as we are, and not the whole planet. Our bravery is contagious. This is also why are too different than our enemies. We are above them, but our people need to understand this. Inside our amassment, there lies the essence of the Old Warriors, Kings and Civilizers. Inside us the same "Serpent" sleeps. Inside us this same "Serpent" is showing the way.

According to them, we were fighting a lost war. At least, years ago. Now, they are fleeing from all directions, but they are still pressing against us. Now, they are the one's fighting a lost war. Why could a bunch of nobody's do all this? Because they realized they weren't a bunch of nobodies. No matter who one is, when the Divine Light touches them, they become alit like a born star. They in fact went to the Devil and had a handshake, only to find that the Devil wasn't buying Souls, but was in fact a lovely being of light and Truth. What a shocking and relieving experience, wasn't it?

Isn't it relieving to see your broken spiritual limbs coming back in place, which of course, you never knew you possessed?

When one finds the path of God, in the path of where they were told that the "Bad" and "Evil" is, how shocking? When one chooses to deny the hypocrisy of the Jewish dogma, when one chooses to deny these lies, and move forward despite all dangers? When the "good" "god" they once believed, his good "angels" and its good "people" turn against the one who questioned or opposed. When one really sees the Devil that was preached to be in the opposite side, in the "good" side from where they left. One suddenly wakes up only to see their beloved "angels" attack them, strange entities keeping them enslaved and suppressed, a chaotic mind that is against the one who is supposed to own it, the people once thought good and supportive, turning faces. Then this is the chaotic state of awakening. Shortly, things do fall in place and one finds themselves in an elevated status, above all this and by definition far more powerful than ever before. This is when only after one has stopped being a slave...

When they see that they never had a Soul and that the Devil helped them regain it. That the Devil never bought any Soul, or did any bargains. To realize that the one who buys souls, is actually the enemy, buying them at the cheap price of fear, slavery and ignorance, making no discounts. When they see and realize, that the light that Humanity always seeking, hid in plain sight, in the evil, bad and opposing side..When they realize that the one who drinks the blood of sacrifice, is not Satan, neither the Devil, but actually, it's the god of the Jews..When they realize, that this feeling that overtook them and led them to the light, which they thought of as darkness, was in fact and in reality, the Light of The Creator... Whose name is Satan.

How is it to know, have seen, witnessed and understood, that the one who talked to you, through your own thoughts, your own lack of subservience, your own feeling of destiny, was in fact the Creator, and that He brought you here himself? What is it like to live a life without illusions? To walk the path of the hero, to be touched by the Divine Light of Lucifer, who still and forever reigned Supreme and Eternal?

But, everyone starts from the same place, irrespectively of anything else. Like a blinded man that regains their vision, once the slave understands they have been enslaved, they will certainly want their blood back. Once they realize their broken limbs and shattered mind, they will understand...This is an ongoing process. Finally, one finds their own Gentile Racial God and Gods. Finally one becomes Human.

At least those who move out of the slave farm all the way and don't return back, for a loaf of bread thrown on the ground to them...Which they of course will have to kill each other for the fun their master has. You see these people and they want to make this escape against the jews, but they can't go against their own programming. They are self destroying themselves, hanging only in the middle of the escape route, considering this place to be their freedom. Because they know the last stage of this escape is to spit on the face of the jews and defeat them now and for all eternity. And in many people, there is much jew living inside them too.

This was the most major success of the jew, to infiltrate people from within. When there is slavery, weakness and disease, but above all, illusions, then there are jews. One part of themselves is completely owned by the jews, and there is a major contradiction. Unfortunately, this is the higher part of themselves and therefore, their pettyness cannot sever this connection, but only succumb. The holy inside them is divided from the jewish unholy element. They see all this slave farm the enemy has created and as its the lower aspect of being "human", they bow down, but only halfway the road. Broken down they are, thinking they are standing upright.

But, for others, inside what the jew always preached as gross, weak and insane, there lies a memory of this Old Divinity. And a piece of it is enough. These people will run out and trample anyone under their feet. They don't need a jew to survive, or to exist. They don't need their "Gods". They trust in themselves and in their own ability. While others are freely growing wings, roaring in the Great Skies, leaving their eggs in nests up in the high mountains, others just remain as slaves. Meanwhile the free aren't a mass, they are a unity. We are a Unity.

Those inside there though, they don't see something that one can plainly see, once they look this scene from the above. But we can. They are of course, holding themselves up their own slaver masters. It is almost funny, but their own power is what keeps their masters afloat. They are in fact, building this prison on their own. Which is the greatest secret about this prison. Therefore, everyone within this prison must never understand that they are building this prison, let alone that they have the power to build this prison.

And Truth be told, nobody loves their slave masters. Nobody really likes the jews. Most people have this inherent hatred or indifference about them. Few, or closely nobody can claim that they love them. They are after all, all knowing of the fact, deeply inside, that these people didn't bring anything good with them to begin with. The only way to love them or be indifferent about them, is to not see them, or to be blind by choice.

If one even by accident sees and understands, then the reality that unfolds around them starts becoming undeniably different. Not different in regards to thinking. It's more like, the perception becomes keen. One starts to think. One doesn't want to escape from where they are, but rather they start to look around. And they start seeing gruesome plans and faces. Their hate starts swelling, their hatred starts to become consuming. Then there is blankness. A blank state. They never forget this vision which they are seeing, but they are seeing one more too...

As the slaves Aweaken...

They start to see. And they see Lucifer brining this light. They feel defeated, but Satan raises them. Their first battle has ended, but there are many more to come. They see Satan with open and stretched arms. Now the Gods are accompanying their presence. No longer are they to be slaves...

Then, life has meaning...Then the Purpose unveils...

Then, the Slave Aweakens...

Hungarian Mayor-Globalist Jews Funding Invasion

The Mayor is correct its a total Jewish movement at the top down to destroy White Europe with violent non-White invasion. The Jewish globalist elites have been planning this for awhile going back to the start of their EU.....

The EU was created by the international Jewish dynasties of Rothschild, Warburg and Baruch. You can see right in the autobiography of their major Jewish, front man and political advocate, Kalergi what they planned:

[https://en.wikipedia.org/wiki/Richard\\_N...ve-Kalergi](https://en.wikipedia.org/wiki/Richard_N...ve-Kalergi)

According to his autobiography, at the beginning of 1924 he came through Baron Louis de Rothschild in contact with Max Warburg who offered to finance his movement for the next 3 years giving him 60,000 gold marks; Warburg eventually remained sincerely interested in the movement for his entire life and served as an intermediate man as to bring him in contact with influential personalities in America such as banker Paul Warburg and financier Bernard Baruch accompanying him there. In April 1924 Coudenhove-Kalergi founded the journal Paneuropa (1924-1938) of which he was editor and principal author. The next year he started publishing his main work, the Kampf um Paneuropa (The fight for Paneuropa, 1925-1928, three volumes). In 1926, the first Congress of the Pan-European Union was held in Vienna and the 2,000 delegates elected Coudenhove-Kalergi as president of the Central Council a position he held until his death (1972)."

Kalergi laded out the blue print for the destruction of the White European Race in such an order as the Jewish run EU in his book:

In his book Praktischer Idealismus (Practical Idealism),

"The man of the future will be of mixed race. Today's races and classes will gradually disappear owing to the vanishing of space, time, and prejudice. The Eurasian-Negroid race of the future, similar in its appearance to the Ancient Egyptians, will replace the diversity of peoples with a diversity of individuals. [\*\*\*] Instead of destroying European Jewry, Europe, against its own will, refined and educated this people into a future leader-nation through this artificial selection process. No wonder that this people, that escaped Ghetto-Prison, developed into a spiritual nobility of Europe. Therefore a gracious Providence provided Europe with a new race of nobility by the Grace of Spirit. This happened at the moment when Europe's feudal aristocracy became dilapidated, and thanks to Jewish emancipation."

Now its happening.

Elder of Zion Soros the front mover for the Jewish global dynasty of the Rothschild's has admitted the role of Global Jewish power in deliberately attacking White Europe with the invasion happening:

"Billionaire investor George Soros [my note Jew] has confirmed he wants to bring down Europe's borders, following the accusation made last week by Hungarian Prime Minister Viktor Orban."

Jewish executive of the most powerful global banking industry on earth, Jewish global banking power, Goldman Sachs is running the Global policy making for Europe migration and this is what the Jewish Oligarch demands:

Merkel was born Angela Dorothea Kasner in 1954 in Hamburg, West Germany, the daughter of Horst Kasner (1926–2011),[18][19] a native of Berlin, and his wife Herlind, born in 1928 in Danzig (now Gdańsk, Poland) as Herlind Jentzsch, a teacher of English and Latin. Her mother was the daughter of the Danzig politician Willi Jentzsch and maternal granddaughter of the city clerk of Elbing (now Elbląg, Poland) Emil Drange. Herlind Jentzsch was once a member of the Social Democratic Party of Germany and briefly served as a member of the municipal council in Templin following the German reunification.[20] Merkel has Polish ancestry through her paternal grandfather, Ludwig Kasner, a German national[21] of Polish origin from Posen (now Poznań).[22] The family's original name Kaścierzka was Germanized to Kasner in 1930

Kazmierczak is a Jewish surname:

<http://mail.blockyourid.com/~gbpprorg/j...lement.htm>

Kazmierczak derives from Kazimierz, a major Jewish city in Poland, made especially for Jews outside of Cracow. Kazimierz (Latin: Casimiria; Yiddish Kuzmir) is a historical district of Kraków (Poland), best known for being home to a Jewish community from the 14th cent.

Kazmierczak is a name for a Jewish Cantor:

<http://www.4crests.com/kazmierczak-coat-of-arms.html>

This Jewish surname of KAZMIERCZAK was an occupational name for a cantor in a synagogue. The name was derived from the Hebrew CHAZAN, and it also spelt CHASAN, HAZZAN, KHAZAN, CHASINOFF, KHAZONIVCH and CHASINS, to name but a few. Many of the modern family names throughout Europe reflect the profession or occupation of their forbears in the Middle Ages and derive from the position held by their ancestors in the village, noble household or religious community in which they lived and worked. The addition of their profession to their birth name made it easier to identify individual tradesmen and craftsmen. As generations passed and families moved around, so the original identifying names developed into the corrupted but simpler versions that we recognise today. A notable member of the name was Elia KAZAN originally KAZANJOGLOUS, born in 1909, the Turkish-born American stage and film director, born in Constantinople. He founded (with Lee Strasberg) the Actors Studio in 1947 with its emphasis on 'Method Acting'. His Broadway productions include

the works of Wilder, Arthur Miller and Tennessee Williams. His films include 'A Streetcar Named Desire' (1951) 'East of Eden' (1954) and 'The Last Tycoon' (1976). Between 1880 and 1914, almost three million Jews left Eastern Europe, representing the most extensive migration in Jewish history since the expulsion of Jews from Spain at the end of the 15th century. Most of the emigrants fled from Russia, where pogroms had raged, and where the laws of Czar Alexander III had oppressed Jewish life. Most of the emigrants departed from Hamburg and went to the United States, but some emigrated to Australia, Argentina, Brazil, Canada and South Africa. While the vast majority of the immigrants to America came through Ellis Island from 1907 to 1914 thousands of East European Jews participated in a little known episode in American Jewish history. They migrated through the port of Galveston, Texas and then were routed to towns throughout the Midwest where lodging and jobs awaited them.

Kazmierczak also means: "Son of Kazimeriz".

As this Polish site states Kazimeirz is the name of the ethnic Jewish quarter and community:

<http://www.cracowplanet.com/page.php/id ... kov-poland>

The old Jewish Quarter is located in Kazimierz district, about 15 minutes of walking from the Main Square (following Starowi Ina or Stradom Street). Kazimierz was established as the separate city nearby Krakow in 1335 by the king Kazimierz the Great. In 1495 a Jewish town was founded in the neighbourhood , where all the Krakow's Jews moved after the routs that took place in the city. Jewish Kazimierz started developing as the trade and religious centre, what led to its heyday in the 16th-17th. Then the Polish Kingdom was the shelter for thousands of the Jews escaping from the persecutions and prejudice in different European countries. Krakow became the vivid international center of Jewish culture with numerous schools, Talmudic academy, famous rabbis, cabbalists, thinkers. In 1812 the Jews were allowed to settle down in all the districts of Krakow, several years later Kazimierz was incorporated into the city. Before World War II Krakow was inhabited by 65 thousands of Jews. It is worth reminding that before 1939 Poland with 3,5 million Jews, was the biggest Jewish community in Europe. Today the Jewish Community of Krakow has no more than 300 members.

Merkel's grandfather came from Poznan which had one of the largest Jewish communities in Europe:

<http://www.yivoencyclopedia.org/article.aspx/Poznan>

City in Wielkopolska province, Poland; known in Hebrew and Yiddish as Pozna and in German as Posen. Pozna 's Jewish community was one of the earliest to be established on Polish soil; the first reference to Jews living in the town comes from 1379. While tradition dates the town's synagogue to 1367, there is no documented evidence of its existence until 1449 (the cemetery, however, was first mentioned in 1438). In the second half of the fifteenth century, a legend declared that in 1399 some Jews in Pozna had committed a Host profanation. The same period also saw the establishment of Pozna 's famed yeshiva, known as Lomde Pozna

Merkel also is Jewish from her mothers side of the family:

[https://en.wikipedia.org/wiki/Emil\\_Drange](https://en.wikipedia.org/wiki/Emil_Drange)

Emil Drange (born 18 March 1866, died 8 April 1913 in Elbing) was a German municipal official who served as the city clerk (Oberstadtsekretär) and deputy mayor of Elbing and thus as one of the top municipal officials of the city. He was the great-grandfather of German Chancellor Angela Merkel, and has received media attention in Poland in recent years.

He was born in East Prussia. His father was a miller who had been born in Lower Silesia, and his mother was a native of the Posen (Poznań) area.[1] His wife Emma Wachs.....

Soros Funding Nonwhite Invasion—Hungarian Mayor

[http://newobserveronline.com/soros-fund ... ian-mayor/](http://newobserveronline.com/soros-fund...ian-mayor/)

January 22, 2016 by TNO Staff—in Europe · 13 Comments

George Soros and his Open Society Foundations (OSF) are one of the groups actively funding illegal immigration into Europe, the famous Hungarian mayor of the town of Ásotthalom, László Toroczkai, has said.

Mayor Toroczkai made the claim during a press conference yesterday in Budapest in front of the Prosecutor General's Office and the Supreme Court of Hungary, where he had just handed in a series of criminal charges against several pro-invasion left-wing organizations in Hungary.

As reported by the Custodela news service—set up by the mayor and his supporters in a specially convened meeting in December 2015, the Hungarian Parliament's National Security Committee has now been formally requested to look into how these pro-invasion organizations operate—and how they are funded.

"They also need to be banned from political activities in schools and public institutions," Mayor Toroczkai said.

"The Hungarian public must get a clear picture of migration aid organizations operating illegally without the appropriate licenses," he continued. "We have clear evidence now that illegal migration destabilizes the European Union, and that it is the result of an organized effort."

The invasion, he said, is "supported, assisted, and organized by NGOs operating illegally in Hungary while receiving billions of HUF [Hungarian forints] from

abroad.”

He also announced that he had pressed criminal charges in three particular cases against pro-invasion organizations, the details of which were uncovered by the local police of Ásotthalom.

“We have evidence, including witnesses and photo images, to prove that the migrants who broke out of the Rösztke registration center in August 2015 were incited by migration organizers posing as volunteers to create havoc and break out of the registration center,” he said.

“In our view, these migration aid activists committed the crime of incitement against a decree of authority. We also have evidence that MigSzol [the “Migrant Solidarity Group of Hungary”] leader Balázs Szalai was loading illegal border crossers into his car right next to the razor wire border fence last year,” he continued.

Furthermore, he said, the Menedék [Hungarian Association for Migrants] organization was “also using the organization’s cars to transport migrants from the border in the area of Ásotthalom.”

These proven activities, he said, fulfill the requirements of human trafficking and the facilitation of unauthorized residence in Hungary, both criminal offences under the law.

Mayor Toroczkai also submitted a request to the parliament to convene the National Security Committee to investigate how some of these illegally operating, unlicensed organizations, including MigrationAid or MigSzol could conduct their activities and what accounts they used to receive donations of tens of millions HUF.

He informed the journalists that the Menedék organization had received over one billion HUF in donations last year, 90 percent of which came from abroad.

“These organizations operated with a complete lack of transparency last year, deceiving the Hungarian authorities, and clearly posed a national security risk.”

One of these illegally operating organizations, MigSzol, had, in December last year, even visited a primary school in his town “with the obvious intention” of indoctrinating children in the area.

“There is no need for such organizations to set foot in schools and other public institutions,” he said, reminding the media that a former leader of MigSzol had turned out to be a criminal previously sentenced to prison on multiple charges, including fraud.

Mayor Toroczkai specifically named Soros's Open Society Foundations as the major contributor to these pro-invasion organizations in Hungary.

According to that organization's website, from 1993–2014, its expenditures included \$2.9 billion to defend human rights, "especially the rights of women, ethnic, racial, and religious minorities, drug users, sex workers, and LGBTQ communities;" \$1.6 billion on "developing democracy in Eastern Europe and the former Soviet Union;" \$1.5 billion in the United States "to promote reform in immigration, equal rights, and democratic governance;" and \$214 million to "advance the rights of Roma communities in Europe;" \$33 million to "civil rights and social justice organizations in the United States," including groups such as the Organization for Black Struggle, and Missourians Organizing for Reform and Empowerment, that supported protests in the wake of the shooting of Trayvon Martin, the death of Eric Garner, the shooting of Tamir Rice, and the shooting of Michael Brown.

The thing is if the Jews get run out of the US or Europe again just like old times, then this time it will be over for them for good and they know it. This is the age of mass communication and information and the truth about them is already EVERYWHERE in videos, websites and PDF's all over the internet which millions of people have seen and downloaded. There is no way of them getting rid of all of that information ever again or being able to monopolize the control of information to be able to brainwash people, as with Christianity, Marxism, Multiculturalism etc.

In fact, they've already lost control of the flow of information.

Oddly enough the very mainstream source of information Wikipedia now confirms just about everything we have been saying about Jews and what they try to force on the rest of us all along. I don't think anyone could accuse Wikipedia of being a biased source of information and if it is, it's certainly not biased towards national socialists or alternative right wing folk.

There is no opinion on this page that I can see or anything that could be accused of being "anti semitic" in any way. It just objectively lists the bare facts of Jewish involvement in everything from anti apartheid, forced integration, the bolshevik revolution, communism, multiculturalism etc.

Genocide through mass rape:

Full proof that the muslim immigration has a goal of the full extinction of White Europeans.

Answer of a muslim

<http://whitedeathofislam.weebly.com/genocide-through-mass-rape.html>

There is a well-known hoax all over the net that jews and muslims are “worst enemies”. This hoax is based on jews nuking Arabs in ME. While Jews are a race not a religion, and they really nuke Arabs as far as their goal is Gentile racial genocide. Fact is Arabs are not only Gentiles, they have some Aryan / Satanic (Arya = Satan) roots which are now almost totally gone due to rampant race-mixing on their territory - under the influence of islam. Islam is not an Arab religion, but jewish, forced on Arabs centuries ago to destroy their White genes. The truth that Aryan ME was destroyed by islam is easily proved by the fact that those ME peoples who have not been muslimized, Yezidi for example, still have a lot of blond and blue eyed people among their tribes, because their religion protects racial preservation.

Now what we see from the below, is that ISIS is the main jewish instrument of racial purge / islamization [which is the same] of the East:

ISIS is needed to destroy Aryan bloodlines

<http://whitedeathofislam.weebly.com/isis-is-needed-to-destroy-aryan-bloodlines.html>

Found and run by the jewish Mossad agent:

“ISIS” and related terrorist groups created and run by jews!

<https://exposingthelieofislam.wordpress.com/isis-and-related-terrorist-groups-created-and-run-by-jews/>

While immigration floods serve the same thing in the West, moreover they let ISIS pass the gates of Europe with them to spread White racial purges there also. Fact is, Europe is the main seat of the White Race in the world as it the ME was thousands years ago, and the islamization of it will be the end of the White Race in this region as it was in ME. And as well as the kikes of the old, that greedy Rothschild is ready to pay a lot to keep those immigration floods going, so that as many Whites as possible are murdered, raped and islamized:

ISIS Europe Infiltration: ISIS stated they are sending their people into Europe in the refugee flood

<http://whitedeathofislam.weebly.com/isis-europe-infiltration.html>

Rape, which is the main muslim tool of war against the White Europe right now, is a very old, a very effective, and a very well-known in the Ancient World tool of racial genocide as it destroys the genetics. It was always used by bestial wild tribes against higher civilizations to destroy them. And is nothing new.

“The oldest mummies found in China are DNA-confirmed Whites, some with red hair and even blonde hair. One mummy is 6' 6" inches tall! Here, have a look at what is known as 'the Beauty of Loulan." This indicates that the Whites shared their creative discoveries with the Mongoloids, before being mass murdered and blended out of existence by marauding mixed race Turkic Huns and genocidal Mongols. And yet, early Mongol Emperors retained some Aryan genes. Genghis Khan, who slaughtered many millions of Aryans and then personally raped many of their women, had green eyes and reddish hair. Even today, northern Chinese still possess traits such as height, square jaws, and in rare cases, blue eyes!"

The mass rape of the Russian and Eastern-European people is best proved by their DNA. The further in the West – the less mixed White blood we see. Is was a Mongolian tradition of that time very well shown in The Secret History of the Mongols and the Genghis Khan (2004 TV series) based on it. Is to kill all grown-up men of the enemy family, marry all women of procreational age [forced marriage of course] and sell into slavery everybody else.

The Secret History of the Mongols says Genghis Khan had a servant who asked him for 30 000 wives for his aid in raids. Wonder what for. Human can't need such amount of mates for love, relationship or even sex for pleasure. Basically such amount of mates is collected to make them bear only

your children and cut them from other males. Legends say he was given after one of the raids.

The legend says Genghis Khan himself collected about 3000 wives, wonder what for. To understand what for, one only need to see what kind of women he took. He married young princesses of the royal families in all conquered countries, males of which he killed. So the only inheritors of the royal blood of those families – the young women – could bear only Mongolian kids from specific Mongolian males... and their daughters of the next generations too... in other words those royal families went extinct.

Basically all forced marriage thing has a genocidal sense in its core, as there is no need in force when men and women of one Race, one Culture and of procreational age are intuitively attracted to each other. Muslim tradition of capturing and taking many wives also serves a purpose that no other man but a “believer” procreates.

Forced extinction of the royal families through forced marriages is not only a “women’s” problem like feminists like to claim. It’s a well-known historical fact that Russian Princes who surrendered were MADE to take brides from Golden Horde, so were their sons and grandsons... etc. Thus Russian aristocratic lineages were also destroyed by Genghisids.

And not only aristocratic ones.

Proof:

"[...] In the present study of the variation of the Y chromosome pool of ethnic Russians, we show that the patrilineages within the pre-Ivan the Terrible historic borders of Russia have two main distinct sources. One of these antedates the linguistic split between West and East Slavonic-speaking people and is common for the two groups; the other is genetically highlighted by the pre-eminence of haplogroup (hg) N3 and is most parsimoniously explained by extensive assimilation of (or language change in) northeastern indigenous Finno-Ugric tribes. Although hg N3 is common for both East European and Siberian Y chromosomes, other typically Siberian or Mongolian hgs (Q and C) have negligible influence within the studied Russian Y chromosome pool."

"Here, we see that (in our analysis) modern Russians appear to be the result of two admixture events: one event a few hundred years ago between a population best represented by modern Eastern European populations, and one best represented in our sample by the Oroquen [a Tungusic-speaking people of northern China]; and a second, much older event. [...] very ancient East Asian ancestry prior to 500BC, in the case of Russia at least, and a recent event, consistent with approximately Mongol-empire era admixture, together contributing ~10% of DNA in [ethnic] Russians [...]"

"[The results are] consistent with our detecting a genetic legacy from invasions of peoples from the Asian steppes [...] during the first millennium CE [...]"

"Mitochondrial DNA (mtDNA) polymorphism was examined in three Russian populations from the European part of Russia (Stavropol krai, Orel oblast, and Saratov oblast). This analysis showed that mitochondrial gene pool of Russians was represented by the mtDNA types belonging to haplogroups H, V, HV\*, J, T, U, K, I, W, and X. A mongoloid admixture (1.5%) was revealed in the form of mtDNA types of macrohaplogroup M."

“During the Mongol invasions of 1200, much rape took place and many of the Polish population was killed. The Mongols suddenly withdrew, due to

death of their Khan in Mongolia. History has it that over 300,000 + mixed Mongol/European Polish children were born.” A bit over 1 million people only lived in Poland that time. So you can imagine the proportions of the demographic tragedy.

The above is how the best tool of racial genocide of mass rape works.

With all DNA proof Russian internet is flooded with horrific unpatriotic lies that “there was no “Mongolian empire” and all rape and genocide was waged by “Pagan Scythian Russians” [who were already genocided at the moment] against “xian Russians”. All methods of inspiring WW3 will be exposed in another article, just I can’t not mention it here as a blatant example of the coverage of the real crimes with 100% fantastic lie. Real crimes being:

Forced christianization of Russia that costed 75% genocide of White Russians.

Mongolian invasion that destroyed White Russian lineages and made Russia actually a non-White country till nowadays.

All these lies are needed as a propaganda to push WW3 against the West.

But for this article I will just add that it is not only Russia that is attacked with this epidemics of Marxist lie.

One European decedent questioned most popular companies for his DNA-text as the results of jew-paid and non-jew-paid companies did not match. The answer he got was actually that his Indigenous blood can also be called “European”, “German” etc due to ancient times’ race mixing they simply do not count, and what they call European can actually be close to Korean.

“It’s difficult to determine which of the matching populations are more recent and which are less recent. By way of example, many Germans and others in Eastern Europe are descendants of Genghis Khan’s Mongols who invaded portions of Europe in the 13th century [Mongolian invasion existed - admitted by one of the major testing companies!]. So, do we recognize and count their DNA when found as “German,” “Polish,” “Russian,” or “Asian?” The map below shows the invasions of Genghis Khan. Based on this, Germans who descend from Genghis’s Mongols could match Koreans on those segments of DNA. Both of those people would probably find that confusing.”

Reading this blog I understood it as the most popular DNA testing companies answered him that they simply do not count Mongolian invasion, they just count everyone living on the territory of Europe at that time as “Europeans”, doesn’t matter if they invaded there, raped his female ancestors and genocided his nation.

Basically it means that Mongolian invasion which was the most horrendous non-Jewish mass crime against the Whites is now being simply ARAISED from our memory – both Russian and European. Wonder what for...

Jews knew very well this ancient and very effective tool of racial purge and used it widely during the WW2 against Germany from both fronts – eastern and western, because WW2 was actually a jewish opportunity to purge as many Whites as possible.

Americans used Moroccan troops to rape thousands of Italian women and slit their husbands' throats at Monte Cassino during World War II.

Jewish owned ISIS uses it right now against Yazidi:  
ISIS is needed to destroy Aryan bloodlines

And the same jews use muslim "refugees" in Europe for the same thing and both muslims and jews admit they know their goal is destruction of Europe. Actually liberal suicidal fools are the only ones trapped into the "jews vs muslims" game, "pour refugee" hoax, "Europe does not procreate" hoax, "mutual respect will solve the problem" hoax etc. Their rapists and murderers very well understand what they are doing and what for – even on the lowest level of their hierarchy.

The second part of this article will collect the compilation of quotes and events that proves they know it, they boast it, they tell it openly into our own eyes.

Exposing the "jews vs muslims" game:

Muslims are Jews' natural allies in Europe - Rabbi Pinchas Goldschmidt, the president of the Conference of European Rabbis

[https://www.youtube.com/watch?v=wb\\_4U2UJucE](https://www.youtube.com/watch?v=wb_4U2UJucE)

Interview with Rabbi Pinchas Goldschmidt:

Oksana Boyko was speaking about "clash of ostensibly secular and ostensibly religious worldviews" aka "reason and faith"... Goldschmidt:

- I would not call it Dark Ages, like some people call it, "it is repeating of the 1930s in Europe". It's not so. Because Europe is in the different place, Jewish people are in the totally different place. State of Israel used to be it. Then, when jews wanted to flee, wanted to leave, they had no place to go, all countries were closed to them.

- But many jews are leaving Europe. Many jews are leaving France to Brittan for example...

- When I speak to our people [jews] from Paris, for example, I ask them: why do you immigrate, be it to London or to Israel? The answer I get is, we do not see a future of our children here. But in the 1930s they immigrated not because they didn't see a future for their children, but because they did not see the future for themselves. So it is different. Now returning to your question about the clash of secular, post-Christian Europe and the new immigration. This is what exactly is happening: this is a clash of civilizations, and we, jews, we are in the middle of this clash of civilizations. On the one side this is what is to happen in Paris and Brussels and children that walk with jewish cap and being attacked. On the other side, what we have is contra reaction of Old Europe: we have laws against and limiting religious freedom: in Switzerland - against the minors, in France – against the burka, attempted law in Germany – against circumcision, attempted law in Holland and in Poland – against Halal and Kosher meet. So this is direction of Old Europe against the new wave of religious expression.

- So the essence of what you are saying is that in this boat you are together with both muslims and...

- Yes, yes, yes. And we see ourselves fighting together with our muslim brothers, who want more free more peaceful... want to integrate like our

[jewish] forefathers once integrated into West Europe 120 years ago. And they are our natural allies.

– Excerpt from the interview with Rabbi Pinchas Goldschmidt, the president of the Conference of European Rabbis.

So what we see here:

Jews are quiet happy with muslims in Europe (the very important detail, he interrupted her when she was specifying where exactly are jews immigrating – to Brittan. So they immigrate from Europe to Europe) and it is actually not a big deal – several jewish boys with jewish caps – if the extinction of the White Race is available for this cost.

Jews and muslims are natural allies in Europe: they are in one boat fighting together for Halal, Kosher (that we pay taxes for), burka (so muslims could beat European women for not wearing it), circumcision (so the European women's organs were mutilated) and other "religious freedoms".

Here is a full version of this interview 27 min. where both the end and the beginning are not cut, video was called "Civilized extremism? (ft. Chief Rabbi of Moscow & Europe, Pinchas Goldschmidt)" <https://www.youtube.com/watch?v=UOzlza34Hag>.

Where Oksana Boyko makes it look like it is a "clash between extreme reason and extreme faith" which according her should have somehow equal rights and Europe high civilization and high level of free speech is also a "kind of extremism", so too much civilization, free speech and logical thinking should "also be restraint" in regards to not insult religious feelings of women-beaters.

It's quiet notable how Russian liberal actually propose to ban of free speech in Europe, as in Russia we also have laws protecting feelings of women-beaters, both christian and muslim, as well as feelings of "hollyhoax survivors" and rapist "heroes of soviet union" – all those laws being passed by Putin in the later years of his presidency proving he was going to it through all his career. This brilliantly destroys all pathetic illusions of White Nationalists about Russia and its "white nationalism".

Rabbi Baruch Efrati very well shares the sentiments of the "ostensibly religious worldview" of muslims, i.e. burkas, circumcision and women-beating:

"Rabbi Baruch Efrati believes Jews should 'rejoice at the fact that Europe is paying for what it did to us for hundreds of years by losing its identity.' He praises Islam for promoting modesty, respect for God.

Rabbi Baruch Efrati, a yeshiva head and community rabbi in the West Bank settlement of Efrat, believes that the Islamization of Europe is actually a good thing.

"With the help of God, the gentiles there will adopt a healthier life with a lot of modesty and integrity".

It is very notable how a jew openly speaks about the "god" as both jewish and muslim god proving it is actually a one god and they are just 2 different national groups but their religion is the same.

It is notable how the sentiments Rabbi Goldschmidt expressed are shared by ordinary everyday jews in Europe: they are very comfortable with muslims and see the danger to "the future of their children" coming not from muslims at all but of Whites. Here is a proof Goldschmidt does not lie,

but reflects his people's sentiments very correctly:

To Combat the 'New Anti-Semitism,' Europe's Jews and Muslims Must Work Together by Harrison Akins (excerpts)

"In Marseille, Dr. Clement Yana, president of the Jewish Association of Provence, told us that the "new anti-Semitism" emerging from the Muslim community is tied to the conflict between Israel and Palestine. This international conflict, Dr. Yana said, has, in Marseille, become a local battle. He emphasized that the problem was political, not religious, as the two communities are so close to each other culturally. A young Jewish woman working at the Jewish Museum in London similarly told us that the suspicion and mistrust between Jews and Muslims is "inherently ridiculous" because Judaism and Islam are "identical" and "sister religions."..."

"These include significant efforts by Muslims to preserve synagogues. Zulfiqar Karim, the senior vice president for the Bradford Council of Mosques in northern England, told us about his efforts to save their city's last remaining synagogue. In 2013, the synagogue for Bradford's small Jewish community was facing closure as a result of the community's inability to raise funds to sustain their house of worship. Hearing of this dilemma, Mr. Karim worked with the Council of Mosques and local businessmen in order to raise enough money to make essential repairs for the synagogue and cover its operating expenses. Mr. Karim was pleased that this had a tremendously positive impact by building a strong relationship between the two communities.

We found a similar effort in London. In a visit to the East London Mosque in the borough of Tower Hamlets, Dilowar Khan, the mosque's executive director, pointed out that directly next to the mosque is a synagogue from 1899, a time when the neighborhood was largely Jewish. He told us that the mosque has helped the synagogue financially in essential repairs to its roof and has developed good relations with the Jewish community. He told us with a big smile and a laugh: "I don't think anywhere else you will find an example where the synagogue is almost inside the mosque!"..."

Here are some more jewish hoaxes exposed by jews themselves.

"Europe need immigration to survive" hoax

Promoted by Jewess Barbara Spectre

<https://www.youtube.com/watch?v=rA7Ymki71fM>

"Europe has not yet learned how to be multicultural, and I think we're going to be part of the throes of that transformation, which must take place. Europe is not going to be the monolithic societies that they once were in the last century Jews will be in the center of that. It's a huge transformation for Europe to make. They are now going into a multicultural mode. And jews will be resented for our leading role. But without that leading role and without that transformation Europe will not survive".

In the interview she says that "without immigration and mass rape Europe will not survive" though the history discussed in this article proves the opposite. While in social networks she says the mass rape she promotes is needed to not let Europe survive:

"We can do it, Kamau... journey begins with a first step, we must end the so called white race".

Here is an answer on what exactly transformation “MUST” take place.

- I don't understand people who try to tear down [some video]

- they are xenophobic racists scared of competing in a multicultural society, when they become a minority the world will be free”

“We can't let lone nutters get in the way of progress”

“Diversity is our future” hoax

Promoted by German JEW politician Gregor Gysi.

While openly congratulating everyone with White Europeans' extinction:

[https://www.youtube.com/watch?time\\_cont...iQh4Qpvxm4](https://www.youtube.com/watch?time_cont...iQh4Qpvxm4)

“I hereby prompt you to participate in a protest “Live better without Nazi – diversity is our future”. We have to stand against Nazi. Due to our history 1933-1945 we are obliged to treat refugees properly. We also have to save their life in the Mediterranean. There must be legal [non-bureaucratic] way to get asylum in Europe. Countries like Poland – very catholic by the way – have to be willing to accept more refugees. Oh, by the way. Every year more native Germans die than there are born. It's very fortunate. It's also because Nazi are not very good at having offspring. This [decline of Germans] is why [also translated as what for] we are so dependent on immigration from foreign countries.”

Diversity is his jewish future not ours, actually diversity is an ABSENCE of our future and that this kike knows damn well what he is fighting for.

Btw, Poland, you remember the mongoloids killing your men and raping your women? Jew Gysi want it repeated. With one difference: muslims have no “khan” in the distant country to die and distract their attention. If you also have a “Genghis Khan was Scythian Rus” hoax propagandized in your country, then I guess what for – it is harder to make you take more colored rapists into your country if you remember your being genocided by them already.

“European Union” hoax fully exposed by its creator:

Richard Nikolaus Eijiro, Count of Coudenhove-Kalergi (German: Richard Nikolaus Eijiro Graf von Coudenhove-Kalergi; a pioneer of European integration, the founder and President for 49 years of the Paneuropean Union.

How many times at school and university we were fed with lies that “The European Union was set up with the aim of ending the frequent and bloody wars between neighboring countries of Europe” (from EU official site), that it was needed to diminish taxes and thus increase the trade, rebuild the economy, end bureaucracy, etc. rosy lies. While here is the truth from the mouth of EU's actual creator on what for exactly is was created:

Picture

“We [jews] intend to turn Europe into q mixed race of Asians and Negros... ruled over by the Jews”

Jewish EU “founding father”

Richard Nikolaus Eijiro, Count of Coudenhove-Kalergi

- “Praktischer Idealismus” 1925

“The White Races of Europe should be destroyed and replaced with a race of Eurasian-Negroids who can be easily controlled by the ruling elite.”

- Judeophile and EU “founding father”

Richard Nikolaus Eijiro, Count of Coudenhove-Kalergi, 1924

Coudenhove-Kalergi in his autobiography:

“At the beginning of 1924s we received a call from Baron Louis de Rothschild [jew]; one of his friends, Marx Warburg [jew] from Hamburg, had read my book and wanted to get to know us.

To my great surprise, Warburg spontaneously offered us 60 000 gold marks, to tide the movement over for its first three years....

Max Warburg, who was one of the most distinguished and wisest men that I have ever come into contact with, had a principle of financing these movements.

He remained sincerely interested in Pan-Europe for his entire life.

Max Warburg arranged his 1925 trip to the United States to introduce me to Paul [jew] Warburg and financier Bernard Baruch [jew]”.

"The man of the future will be of mixed race. Today's races and classes will gradually disappear owing to the vanishing of space, time, and prejudice. The Eurasian-Negroid race of the future, similar in its appearance to the Ancient Egyptians, will replace the diversity of peoples with a diversity of individuals. [\*\*\*] Instead of destroying European Jewry, Europe, against its own will, refined and educated this people into a future leader-nation through this artificial selection process. No wonder that this people, that escaped Ghetto-Prison, developed into a spiritual nobility of Europe. Therefore a gracious Providence provided Europe with a new race of nobility by the Grace of Spirit. This happened at the moment when Europe's feudal aristocracy became dilapidated, and thanks to Jewish emancipation."

- Kalergi, from his book Praktischer Idealismus (Practical Idealism).

“Europe does not procreate and will die out without non-white immigration” hoax fully exposed – here is what non-white immigration is really for:

“One of the more common meme that I’ve seen white supremacists spread around recently has been “diversity is a code word for the white genocide”. The concept here is that diversity is only promoted in white nations and that the end goal is to eliminate white people altogether by flooding all white countries with non-white people until there are no white people left. Well, guess what, white supremacists? This is exactly right.

Diversity IS about getting rid of white people and that's a good thing".

- Emily Goldstein, Jewish professor

She says "The concept here is that diversity is only promoted in white nations..." and here we come to their last and strongest proof that the goal of non-white muslim presence in Europe is genocide, not survival. Israel has the most strict immigration laws in the world, they check your racial code, DNA, if you come and tell them you want live there. They preserve their ancient laws of not mating with goyim. It proves that the survival of the people PROPORTIONALLY depends on the preservation of the purity of the race and DIRECTLY correlates it.

While race-mixing, diversity and such is the direct way to extinction. There is a great amount of scientific proof of this:

The Health Consequences of Race Mixing

But I want to share some jewish news to show how it works:

Israel is shipping its deported Africans off to Sweden

<http://www.europeanguardian.com/81-uncategorised/immigration/635-israel-is-shipping-its-deported-africans-off-to-sweden>

"It should be noted that Saudi Arabia [jew-run and jew-owned] just deported 120,000 illegal aliens from Ethiopia in one month's time. They simply rounded them up, fenced them in, and forced Ethiopia to come get them at their own expense.

Israel is transporting an undisclosed number of Africans to Sweden in a deal brokered by the UN. "Dozens" have already arrived in Sweden. Each is given a \$3,500 "grant" by Israel.

Swedes, who already face massive immigration problems, fear that this will only be the tip of the iceberg.

Sweden is a tiny nation of only 9.5 million. Already, a shocking 2 million are non-Swedes. Swedes also have one of the lowest birthrates in Europe. About 530,000 are non-European immigrants. In 2013 Muslims rioted in Sweden for a week straight causing massive amounts of damage."...

Allah ska med (Swedish) = Allah is with you (English)

"I hate everything that is genuine, typical Swedish."

"If two equally qualified persons apply for a job in a company with few immigrants, the one who is named Mohammed shall have the job."

"The White Majority is the Problem"

"The Swedes must be integrated into the new Sweden, the old Sweden will not return."

- Mona Sahlin, a Member of Swedish Parliament, representing Stockholm County, from 1982 to 1996 and again from 2002 to 2011, leader of the Swedish Social Democratic Party from 2007 to 2011, held various ministerial posts in the Swedish government from 1990 to 1991, from 1994 to 1995 and from 1998 to 2006, a Jew.

Results of her work 1982-2011: Islamic Sweden is now the world's second largest rape nation with a 1,472% increase in rapes. <https://muslimstatistics.wordpress.com/2015/07/03/islamic-sweden-is-now-the-worlds-second-largest-rape-nation-with-a-1472-increase-in-rapes/>

For Putin to learn.

...“The Interior Ministry said the migrants left for Sweden in the context of a government incentive scheme and were granted \$3,500 each upon departure. They are encouraged to leave Israel voluntarily and to promise not to return.

The Jewish Supremacists argue that having non-Jews in Israel “threatens the Jewish nature of the state.”

Israeli Prime Minister Binyamin Netanyahu warned in May 2012 that his country needed to prevent “illegal infiltrators flooding the country.

“If we don’t stop their entry, the problem that currently stands at 60,000 could grow to 600,000, and that threatens our existence as a Jewish and democratic state,” Netanyahu said.”

Jews: “No Limit” on Invasion—Except in Israel

<http://newobserveronline.com/jews-no-limit-on-invasion-except-in-israel/>

“The head of the “Jewish community” in the German state of Thuringia has officially warned Germany against putting any limit on the number of Third World invaders pouring into Europe—while at the same time supporting Israel which builds walls to keep them out, crams successful invaders into concentration camps, and then deports them all.”

“According to a report in the Focus news service, Reinhard Schramm, the officially elected head of the Jewish community council in Thuringia, has “again warned against any ceilings on the number of refugees to be received in Germany,” and that “any limit” on the number of invaders would “undermine the right of asylum.”

“Speaking during a recent Hanukkah celebration in Erfurt, Schramm said that “Asylum is a right irrespective of religion or origin, and there is no limit to it.”

“He added that he was not concerned about anti-Semitism being imported along with the Muslim flood, saying that this could be dealt with through “linguistic, humanistic and vocational training, and the further strengthening of dialogue between Muslims and Jews.”

“In Israel—the Jews-only country which Schramm and his community council fanatically support—there is no such “toleration” for invaders, and all non-Jews are specifically barred by law from settling, either as refugees or ordinary immigrants.

“Those Third Worlders who do manage to smuggle their way into Israel past its border fences and army-patrolled borders, are promptly arrested and placed in concentration camps prior to deportation—back to Uganda, no matter what their actual country of origin might be.

“The concentration camp, which the Times of Israel coyly describes as a “detention center for migrants and asylum seekers who entered Israel illegally” now contains over 3,300 Third Worlders.”

“The Jewish state—which controls immigration by race, DNA, and biological ancestry, and which legally bars non-Jews from settling in the country—has officially received some 47,000 illegal immigrants, almost all from Eritrea and Sudan.

“The Times of Israel boasted that the “influx has slowed dramatically of late, as Israel has sealed off its border with Egypt more effectively”—meaning that Israel erected a huge concrete barrier wall to stop the invasion—exactly the policy that Schramm and the “Jewish community” opposes for Germany.

“The Times of Israel added that since 2009, less than 0.15 percent of “asylum seekers” had been granted asylum in Israel, a figure which is the “lowest rate in the Western world.”

“It is the old rule once again: one law for the Jews, another law for the non-Jews. Jews can have racial laws, and have an ethnically homogeneous nation, but any Europeans who seek that same right are attacked and smeared by the controlled media and the “Jewish community.””  
End of the quote.

Another old rule once again: note how he is calm about “muslim anti-Semitism” because such thing blatantly does not exist and is only a cover up for their real deal with muslims.

And right now we came to the most interesting hoax that “those refugees are just little poor victims – of politics, of war in ME, of Jewish plans etc.... just little pussies who come Europe just to honestly earn their living, asylum, survival etc.... and don’t know anything about the above”... who need our money, our lands, our homes, our women, our lives... just to survive. Don’t they?

Answer of the muslim:

ISIS fighters laugh at the Swedes - promise to bring the war to Sweden

<http://speisa.com/modules/articles/index.php/item.1411/isis-fighters-laugh-at-the-swedes-promise-to-bring-the-war-to-sweden.html>

[about ethnic Swedes]

- A spineless people, men and women born without pride. Allah has given us a safe haven in the infidel country, so we can rest and recover. Soon we will also destroy this place, God willing, says 23-year-old Abu-Ibrahim.

“Abu-Ibrahim is interviewed by the Swedish news outlet vs, and he promises that the borders of Sweden will be conquered as in Syria, Libya and

Iraq.

He has fought in Syria for two years, it is amazing he describes - to feel alive and to fight for something so sacred and so right as the Islamic State's empire in the world can not be described. In battle we feel Allah's presence, he is at our side and in our hearts, He gives us the courage and the strength to continue.

He says it's not his real name, but purports to be called Abu-Ibrahim, a name given to him when he started to fight for IS.

"How does it feel to leave everything behind to fight?"

He says nothing at first but only puts one hand over the other.

- We are on the path of Allah and we who follow His holy word have nothing to fear, we are not afraid, we die with a purpose - a purpose that gives us the ability to smile when life leaves us. In battle, it is just as much honor to die by the side of our brothers, as the honor it is to live by their side until the hour of Allah and even in jihad. In the heat of battle we feel it, while we see the prophecy being fulfilled, that every second is an opportunity to serve, and if it means death, it is only Allah's will. There is the fear in you that will make you lose, with fear in your hearts you can never win.

"What do you mean lose?"

- This battle is already won without a struggle, you have without a fight already surrendered to us because you lack the fight in your heart. You have no army, you can not defend yourselves without help from others and who wants to help a people that never stood up for themselves? While the world is laughing at you as they talk about the "Submissive people" down there in Syria, "a place for mobilization and rest." For us you have opened a sanctuary where the brothers can rest until they return.

"How would you feel if the war comes to Sweden?"

- The Swedes do not seem to understand that we fight for Islam and justice, the war is already here and everywhere. Your politicians are trying to tell you something else, but we do not hide why we exist and what we intend to achieve. Whereas you sit in your homes and continue to live life like nothing is going to change. You turn a blind eye to reality, which will soon be knocking on your door.

- You infidels are undisciplined people. You drink, you are dishonest and selfish. You have people who steal and commit crimes without proper punishment. Under Sharia law we chop the hand off thieves or we crucify them. Mark my words, when we get past the borders of Iraq, we will come for yours. We have men, we have the resources and the firepower needed - but most of all we have faith.

- We have conquered territories larger than Sweden already and we will continue.

"But how do you feel about a war against Swedes?"

- It is not in me to sympathize with the skeptics and non-believers regardless of their nationality or my own history and upbringing, for it is not Allah's will. Islamic State will impose Sharia laws and this can only be done with weapons, those who do not follow our path will ultimately still get an honorable death because, we are at least so merciful, in comparison to the Europeans and Westerners. Allah is the greatest, and Allah's willing, he will lead us to victory."

Allah himself is a jew. And he let his servants know what he really wants them to do in Europe.

With Open Gates: The forced collective suicide of European nations

<https://www.youtube.com/watch?v=44vzMNG2fZc>

This video is worth watching the whole, but I will quote particularly words of muslims explaining why they are here, what they came for, and what are their plans. Note most of them are just common muslims from the streets, from the refugee camps, studying in universities etc., not imams or leaders, not [better to say, future] ISIL fighters not high-ranked kikes, just a mob.

[muslim leader's speech before muslim mob]

"They wish they were dead!

They have lost their fertility!

So they look for fertility in our midst!

We shall give them fertility!

We will breed children with them!

We shall soon collect them in the name of the coming Caliphate!"

[muslims walk and shout]

"WASSAP! MONEY! MONEY! MONEY!"

Where do we go? Germany!

Germany! Germany!

[muslim speaking]

"If they want to push us back or something like that I don't know, maybe they can start to marry 4 wives and have a lot of children.

Start with that. Maybe they will have a chance, but I don't think so."

"You will be Muslim!

Your children will be Muslim!

Your son will be Muslim!"

“May Allah make orphans out of their children!  
May Allah make it difficult on their women!”

[the answer of a muslim, why he wants in Germany]

“People in Croatia told me here is good, good, good asylum.  
We go to Germany because their money [is] very good.”

[the plans of muslims]

“We demand our right to stay here!

We are here to stay!

We are not going to fear you.

Because we are more and stronger and stronger than yesterday!

And we will be even stronger and more tomorrow!

And we will defeat you!”

[Answer of a muslim on how they treat native Germans]

“We shout at them, we kick them.

If we see them walking around us, we punch them.

For fun. Because we travel in groups.

Interviewer: Do the Germans defend themselves?

Hoodlums: No, they're scared.

We are multiplying faster and faster.

You Germans are not getting any children!

At most you get 2 children.

We are making 7-8 children.

And then we take 4 wives each, then we have 22 children.

So make it Allah (blessed be his name) the almighty god that we conquer you.

Not with war, here in Germany, but with birth rates, firstly!

And secondly, we will marry your daughters!

And your daughter will wear a headscarf.

And your daughter will marry a bearded man.”

3 days after upload of this video, 130 civilians were murdered, 352 injured by Islamist attacks in Paris. ISIS terrorists mocked EU about how easy it was to enter as a Syrian "refugee". This video was many times complained on and attacked both in English and in Russian.

Rabbi Goldschmidt as every jew mixed truth with lie. He claimed that 99% of muslims coming to Europe want just some peaceful life, earning more money, educating their children etc. Here I wish to show some muslim statistics (from website <https://muslimstatistics.wordpress.com/>) that exposes the lie part of his speech, namely, I wish to show that even the most average muslims are MORE THAN AWARE of their mission of destroying

Europe and MORE THAN AWARE of the right methods of how to do it. To not make it long, not whole articles, only titles of the articles (all available on the above mentioned site):

Jewish crimes against Romanians during the summer of 1940

<http://deathofcommunism.weebly.com/jewish-crimes-against-romanians.html>

Special thanks to Thomas Schweizer for suggesting me this material for this section. It is notable how with kike indoctrination Russian [jew-controlled] media nurtures more and more "anti-fascist" sentiments against the West.

Unfortunately, Westerns are full of delusions about Russia, that its "about whiteness", about NS etc. Its a very big trap for the West - Russia is full of "anti-fascist" sentiments and 100% ruled by jews. Such comments as "German women deserve to be raped to death - they are bad fascists" "I raped and will rape again" etc - are normal in Russian web resources devoted to WW2 and are aproved by moderators, while protecting Germans is banned. While true White Russians are usually shy liberal people who are afraid to walk in the dark in their own Moscow, no different to White Europeans. While Mongols, kikes and Tajik mulatos run the net, the government and the media promoting WW3 and jewish holyhoax lies (we have here specific "Slav holyhoax" about "bad fascists killing Slavs" promoted by those who exactly are killing Slavs in Russia right now).

It is also notable that red troops raped and genocided not only Germans but actually all Europeans who was unhappy enough to be noticed by them, including Russian, Belarusian and Ukrainian women and children [as far as they were ordered to rape everyone from 8 to 80] - it brilliantly exposes what shit actually those colored "red troops" consisted of.

So here it goes.

Jewish crimes against Romanians during the summer of 1940

The Jewish crimes against Romanians is a subject which describes the atrocities and crimes made by the Jews against Romanians during the Romanian evacuation from Bessarabia and Bukovina especially in the summer of 1940. These crimes are a part of the Red Holocaust. The evacuation took place as a result of Russian ultimatum addressed to Romania in June 1940.

The EventsAccording to the historian Dinu C. Giurescu, Soviet trups entered in Bessarabia and Bukovina, penetrating the Romanian territory by 5 places, "as far back as the night of 27 to 28 June", 3 a.m. At the same time, specialized grups organized anti-Romanian actions to create panic, disorder and general confusion. These kinds of actions took place in cities such as: Chi in u, Cern u i, Soroca, Tighina, Reni. The state of mind of the Bessarabian population, since the beginning of the Romanian Army evacuation, administration and Romanian civils, is depicted by the Soviet sources as follows: "... The Russians are indifferent; the Jews acclaim the Soviets intrusion in Bessarabia. The Romanians inhabiting the villages are surprised by the events, and they do not understand what is happening". The documents gathered show that "the aggression acts and mockery" taken against the Romanian Army, which was retreating since June 28, 1940, were initiated and developed by the Soviet Army along with ethnic minorities gangs, "among them were also the Jews"[1].

TestimoniesDiary of King Carol II : Romania's King Carol II wrote in his diary on June 29, 1940 that the minority population, "the Jews in particular", attacked the Romanian soldiers, insulting them and mocking at them. Also, on June 30, His Majesty wrote that incidents took place and he repeated that "the Jewish population in particular", who obstructed the evacuation, shot the clerks and attacked military units; he emphasized the fact that these kind of events happened all over the region. On July 1, the King found out that the situation was similar as far as Jewish aggressions and the communist aggressions were concerned, envisaging especially the officers, who were beaten and mocked at. On July 3, considered to be the last

day of the evacuation, he wrote that “the Jews and the communists behaved in a horrible way”, the people who wanted to retreat were obstructed by them, and here he focused on the Romanian Officers, showing that they were assassinated and molested. Unfortunately the anti-Romanian actions continued after July 3[2].

Testimony of Raoul Volcinschi : Mister Raoul Volcinschi, a university professor in city of Cluj-Napoca, who is originary from Cern u i, lived the evacuation drama in his birthplace in the summer of 1940. At that moment he was a high school student. Because his family heard on Monte Carlo radio that Romania was forced to cede Bessarabia and Bukovina, his father sent him on June 28, 1940 to take his high school papers in order to flee from the Soviet invasion. In front of the City Hall he saw “on street: five dead bodies of Romanian soldiers whose blood flowed over the pavement dust”. Asking what was happening, he found out that Romanian soldiers were killed by “those”, and they pointed to a group of 12-15-year-old armed Jewish teenagers who hurried to get into two cars. Because he used to play football with them, he recognized them all, since he knew some of them in person and even by their names: Aufleger Feibis, Fiser, Abacumov, Eisinger, Siegfried. Among them he recognized the man who later became a torturer of the Communist Security from Cluj, Sigi Beiner (Bainer)[3].

Testimony of Elefterie Negel : The editor for Bessarabia of the “Universul” newspaper wrote an article which was cenzured. Mister Elefterie Negel was in Chi in u during the Romanians’ nightmare. He described those days: “rows of refugees”, “eyes full of tears”, “broken souls”. Patrols sent by military quarters tried to block the armed gangs which stopped the cars and robbed the refugees. Nests of the communist Jews were observed to be placed in strategic positions, waiting for favourable moments, such as the appearance of the Soviet Army, in order to attack the Romanians who could not flee. A group of communist Jews, whom Mister Negel recognized, appeared in front of the editorial office and they were waiting for him to get out, but the appearance of 12 soldiers made them go away. He also got a phone call from a Jew communist doctor Dorevici, who reminded him that he had been sentenced to death by the revolutionary communist committee in Tatarbunar (1924) and told him that: “We will not hang you, we will be generous, we will rip off a nail every day using the vise”. He took his kids and went to the railway station, but the train was full of people and they nevertheless crowded to enter the train, which made victims. There he found out bad news from the town. Jew lawyers Karol Steinberg and Etea Diner spread lists, written by the communist local organizations, including the names of the Romanians who had to be suppressed. The houses of the Romanian leaders were devastated. The walls were broken with pick-axes, the furniture was confiscated and transported to other places. Before the train reached the first railway station after Chi in u, the Mazarache Church, a significant building for the Romanian history, could be seen burning. The act of setting it on fire was only the beginning of the destruction of the Holy Romanian buildings by the Jew communists[4].

Why So Much Hate?“Documents and evidence, official acts and sworn statements are collected and grow in number before one’s eyes. High magistrates and brave officers, who risked their lives to protect, with their power, the retreat and the exodus of Romanians, who witnessed with their own eyes countless acts of savagery, the murder of innocents, stoning and hoot. All of these infamous and criminal gestures were committed by a furious Judaism, whose waves of hate discharged as if from an unseen command. From where comes so much hate? Is this how our goodwill and compassion is repaid? We accepted for many decades the Judaic monopolization and dominance and Judaism is avenging itself in these difficult hours in which we live. And nowhere is there discord, any vehement and public rupture with the deeds of the murderous bands of bloodthirsty cultists. The organized madness against us hasmengulfed towns, cities and villages. Our brothers have forsaken their sick children, elderly parents, properties earned with great difficulty. In their misfortune they could have used an understanding word, just a bit of mercy. Warm support and a kind word, even if just for sentimental reasons, would have been received with gratitude. They were treated with bullets, hacked with axes, many of them gave their lives. Their clothes were ripped from them, and that which they carried with them was stolen, and then they were submitted to heinous and savage treatment. This Romanian mass, of a foolish goodwill toward guests and thieves, deserved somewhat more humane treatment on the part of

Jews, who praised themselves until recently as having warm and fraternal sympathies toward our people in times of trouble"[5].

The Crimes Starting with 28 iunie 1940, communist supporters from Bessarabia and North Bukovina showed their joy of becoming Soviet citizens, some of them got guns and were waving black lists, intending to punish the people noted there. These black lists were used later to denounce the Romanians who were considered to be "Soviet Union traitors". Other lists destined to executions were written by intellectual Jew communists such as: lawyer Carol Steinberg, lawyer Etea Diner, doctor Dorevici. Jew lawyer Steinberg led a group of Jews who hit the retreating Romanian Army with rocks.

In Cern u i City, immediately after evacuation order, Jews tore and sputtered on Romanian flags, and they placed a red soviet flag on the Union Monument. They destroyed the Romanian official symbols as well as the cross on top of the Cathedral and placed the red flag and Stalin's portrait there. There were devastations and gunshots. The Romanian refugees were attacked, robbed and maltreated/molested. The Catholic priest and some guardians were shot.

The "Universul" newspaper mentioned that the Jewish population displayed an inhuman attitude which indignated even the Russian commanders of the occupation army.

In Chi in u, the Romanian refugees were attacked and robbed. The refugees and the Romanian soldiers were hit with rocks, boiled water, and jerrycan urine. Under the Russian soldiers' protection, they ripped off the stripes of the Romanian officers, they also cut off the buttons of some soldiers in guffaw, and after that they were taken by the Russian soldiers.

The moment when a group of 20-30 Russian airplanes landed at Chi in u, "the Jews immediately unfolded red flags" and they began to make a manifestation in the streets. The communists recently freed from the local jail joined the manifestation. Both "the Jewish demonstrators and the communists" shouted anti-Romanian slogans, also defamatory for the Romanian Army: "Down with the Romanian Army !", and against the king, "Down with Carol !". They also shouted slogans in favour of the Soviet occupation: "Long live Stalin and the Red Army !". Meanwhile they blocked the streets, did not allow the Romanian refugees to go to the railway station. Trying to make some order so that the refugees could reach the railway station, the police officers Pascu Nicolae, Mateescu Constantin, Severin and Stol were captured by the Jews and executed by gunshot in the street. Other incidents took place in 'Alexandru cel Bun' Street, where a Romanian clerk who wanted to go to the railway station was stoped by "a compact crowd of Jews and Russians" who took positions on the pavement and threw with rocks while threatening.

In Soroca, the city hall and the police headquarters were occupied by the Jew communists under the command of the Jewish lawyer Michel Flexer (Flexor). At the police station he delivered a speech against the Romanian administration and then killed the police officer Murafa and his adjunct Eusta iu Gabriel just in front of the statue of General Poeta .

The financial administration truck was attacked and the thesaurus was robbed. The postmaster Vartolomei, the lawyer Gheorghe St nescu and the lieutenant Pavelescu, along with some noncommissioned officers, were captured by the Jews who tore their stripes off . The manager Ion Gheorghe and the captain Georgescu were gunshot. Pavelescu and Vartolomei got free by giving money to some Jews. Noncommissioned Ene was gunshot in the back in his attemp to escape, while the lawyer St nescu was taken out of the car and gunshot by the Jewish lawyer Pizaresky Alexandru.

While trying to leave with a car, the Major Virtic Gheorghe, the gendarmerie's commander from Soroca and the captain Ramadan were captured by the Jews, who disarmed them and tore their stripes off. The priests who tried to leave the city were stopped by the Jews and forced to return.

At Vijnia, the people who generated disorder were the Jewish communists along with the Ukrainians who joined them. The manager of the town sanatorium, the Jewish doctor Winer tore off the Romanian flag, keeping only the red stripe which he tied up over his chest, screaming that "it is the Jews' moment". Also he forbade the Romanian personnel to leave the sanatorium. The moment when the Soviet Army reached the town was welcomed by the Jewish population led by the Jew Atran. The assessor and the priest were attacked and robbed by a group of Jews led by the lawyer Raufberger.

Unfortunate events took place at Românești in the Lupușna county, where the Jewish students attacked the teachers, at Reni where the Jews bearing red stripes on their hands aggressed the authorities, at Tighina where the Romanian gendarmes were disarmed by the Jews, who took their uniforms, and at Cetatea Albă where the Jews burned the city hall. At Lipcani, near the Prut River border, the Jews screamed "Long live the Soviet Russia and Stalin!".

On June 29, 1940 King Carol II wrote in his diary "that the Jews in particular" were the people "who attacked and abused our people", also insulting the Romanian officers.

The Foreign Press wrote about the events taking place in Bessarabia and North Bukovina: Corriere della Sera mentioned that on June 29 about 3000 Jews who passed in Bessarabia by Reni attacked civil refugees and the Romanian Army, hitting them with rocks, stopping them to continue their way, also robbing them, taking their guns and destroying the cars. Moreover, Jews tried to instigate the local Romanians against them. Gazzeta dell Popolo confirmed the aggravating situations created by the Jews relating that in Galați City, the local communist Jews alongside with the others who came from different places, created disorder, attacking police and military forces, 15 people being dead. The same Gazzeta dell Popolo wrote that after the evacuation of the Romanian soldiers from Cernăuți City, thousands of Jews, committed many felonies, released the convicts from prisons, gave them guns and "full of anger, started to kill the Romanians in the streets, robbed the banks, private houses, burned churches and palaces". Corriere della Sera also wrote about the events in Galați City, namely the fact that the Jews came to Galați from all directions in order to reach Bessarabia and, after they had taken the guns from watch soldiers, they attacked the city, shooting, devastating shop windows and hitting Romanian citizens.

The notes of the Romanian Army on July 30, 1940 specify that the Jews in Bessarabia did not flee. They did not leave and instigated to anti-Romanian actions, organizing communist meetings. The refugees from Bessarabia declared that the people who made their evacuation ever harder were local communists, most of them being Jews. They tortured the refugees, also robbed the luggage, threw rocks at them, did not want to let them go further, they took their animals and damaged their vehicles.

In Chișinău, even before the arrival of the Russian troops, Jews from the Bar Association tied red scarfs on their hands and aggressed Romanian clerks. In all the railway stations, from Chișinău to Ungheni, gangs of Jews armed with guns and sticks whipped the Romanian people preventing them from getting on the train. Also in Bukovina, in Cernăuți, before the arrival of the Soviet soldiers, Jews organized anti-Romanian meetings, devastated churches and assassinated Romanian personalities and officers. A report says that a group of communist Jews of 15-16-year-old

teenagers committed crimes and savage acts, killing Romanian soldiers, officers and jandarms, using the Romanians' bayonets after they disarmed them. Also in Cern u i, groups of workers devastated buildings and student residences, opened the gates for convicts, also aggressing the Romanian Army and the population which fled.

On July 1, 1940, La Stampa included the article "Horrors and devastations made by the Jews in Bessarabia and Bukovina", making mention of the manifestations of the Jews' joy regarding the Soviet occupant army and writing that in Cern u i the Jews made a provisional from the communist Jews. The same kind of initiatives were recorded at Reni, Ismail, and other places.

An army note on July 1, 1940 confirmed the fact that even before of Soviet army arrived, the Jewish population in Cern u i devastated churches and assassinated many chiefs of the local authorities. The report says that the Cavalry Brigade under the command of Mister Postelnicu crossed the Prut River in a very difficult way, missing officers and soldiers, and part of the equipment because of the attacks and humiliations initiated by the Soviet Army alongside with civil gangs made up of "bolshevics and Jews".

A synthesis of July 2, 1940 shows that the Jews organized revolutionary committees in different cities with a view to take the power. In Cern u i, the Jew Salo Brul became commissary of the people, mayor and vice-mayor were also two Jews, Glaubach and Hitzig, while the prefect was Meer, a Jew as well. The Chi in u communal Soviet was led by lawyer Steinberg, a Jewish Hu i native-born. The local committee chief of Chilia Nou was Rabinovici, a Jew doctor from the town. At Soroca, "the leader of the terrorist action" was Leizer Ghinsberg, a Jewish public guardian serving in the local police. Other two Jewish ex-journalists at the newspapers Adev rul and Diminea a, Terziman and Câdea, occupied important functions in Bessarabia.

Attempts and assassinations / Propaganda of the deed against the Romanian officials and civilians were reported as committed by the communist Jews. Jewish-communist gangs in Chi in u fluttered red flags, acted in railway stations to determine the people to go out of the trains. The Romanian refugees who could not defend themselves were robbed by these gangs, and only the people who had guns could resist the attacks. Also in Chi in u, a troupe of gendarmes saved the theology students from a band of communist Jews who wanted to lynch them. The gendarmes succeeded only after using their guns. But two financial inspectors, Preotescu and P dureauu, could not be saved, being killed. Also the Jew terrorists killed the assessor and notary of Ceadâr-Lunga, the Tighina County, and the priest Bujacovski in Tighina, ex-senator colonel Adamovici, the police chief in Abaclia, also in the Tighina County. At Cazaclia and Ceadâr-Lunga notaries, priests and policemen were killed. The Jews in Reni, wearing red scarfs, shot two Romanian sailors. This fact determined a riposte of the authorities and, as a result of the confrontation, about 15-20 communist Jews died.

Atrocities happened at Cetatea Alb , a place where the priests were tortured by the communist gangs of Jews. They burned the priests' beards with cigarettes and the churches were devastated. In Cern u i, the Jew gangs attacked two coaches with Romanian soldiers with rocks, and the attack was rejected only using the guns.

In Br ıla, the Birnbaum brothers threatened that "many of the Romanians would find their end" and they affirmed that they had some people on their list to reckon with. A man named Iancu, also called Jean, threatened that the red Sovietic flag would flutter on the Royal Palace in a very short time.

A telegram on July 3, 1940, which came from the border, informed that the Jewish population had a hostile attitude, being more aggressive day after day in the Prut River area. This fact made the places populated by Jews to be suspect of potential communist dangers.

On July 3, 1940, the Hungarian newspaper Pesti Ujsag from Budapest made reference to the "Italian press which condemned the intrigues of the

Jews in Romania" showing that the Italian newspapers wrote: "The Jews caused bloody incidents by their provocative attitude".

Other army information tells that in Cernăuți churches, among which the most important of them, named Sf. Nicolae, were vandalized. At Bolgrad, the communist Jews were in the streets, wearing the Jewish star in six corners and a red scarf. A group of Jews attacked with guns the ammo deposit in Rădăuți, but the attack was rejected by the watch, and the aggressors left two dead people behind. The action for the assassination of the Romanians in Cetatea Albă town was led by the Jew Abram Carolic. Among the victims there were the archpriest of the county Crișan Folescu, priest Petru Siniș, the railway station chief and his deputy. Also at Cetatea Albă, the communist Jews halted a train and tried to disarm an artillery division, and only after the Soviet intervention the aggression was stopped. At Volintiri, the gangs of communist Jews terrorized the Romanians and killed some persons, among whom the actuary Țirbu Iosif. In Bălți City, the gangs of Jews shot at the Romanian refugees. Meanwhile, the church crosses were broken down, being replaced with red Soviet flags. In Chișinău, the newspapers Sovietskaia Bessarabia and Bessarabskaia Pravda, edited by the Soviet occupation, were managed by the Jewish editors. At Ismail, Jewish millers and bakers instigated the terrorist gangs of Jews against army, spreading the rumour that the army commandeered the flour. They assassinated Lt. Alexandrescu and pl. mj. Jianu. Other soldiers participated as well, being manipulated by the Jewish-communist propaganda of the deed (attempts and assassinations). At Reni, a group of Jewish communists with sick impeded the population who wanted to get on board of the Carpați ship which was to leave for Romania. The ship succeeded to leave but only after hawsers for anchorage were cut off.

At Ashita commune, Jews shot two Romanian soldiers, who were left behind, in the legs. At Chilia Nouă, gangs of communist Jews devastated the churches, unfolded Soviet flags and impeded the Romanian population to seek refuge.

A Piatra Neamă native-born soldier, who was wounded, was buried alive by the Jewish Soviet commissaries who ignored his entreaties not to be buried since he had 4 kids at home.

Another ill Romanian soldier, who was carried by a wagon, was killed because the aggressors wanted the wagon. The requests of Romanian officers to let the wagon for the ill soldier were ignored and one of the aggressors shot the soldier in the head, crashing his skull.

The Jewish crimes against Romanians continued during the year 1940 and after 1944 under the communist regime brought by soviet tanks.

'They raped every German female from eight to 80'

<http://deathofcommunism.weebly.com/they-raped-every-german-female-from-eight-to-80.html>

Antony Beevor, author of the acclaimed new book about the fall of Berlin, on a massive war crime committed by the victorious Red Army.

"Red Army soldiers don't believe in 'individual liaisons' with German women," wrote the playwright Zakhar Agranenko in his diary when serving as an officer of marine infantry in East Prussia. "Nine, ten, twelve men at a time - they rape them on a collective basis."

The Soviet armies advancing into East Prussia in January 1945, in huge, long columns, were an extraordinary mixture of modern and medieval: tank troops in padded black helmets, Cossack cavalymen on shaggy mounts with loot strapped to the saddle, lend-lease Studebakers and Dodges towing light field guns, and then a second echelon in horse-drawn carts. The variety of character among the soldiers was almost as great as that of their military equipment. There were freebooters who drank and raped quite shamelessly, and there were idealistic, austere communists and members of the intelligentsia appalled by such behaviour.

Beria and Stalin, back in Moscow, knew perfectly well what was going on from a number of detailed reports. One stated that "many Germans declare that all German women in East Prussia who stayed behind were raped by Red Army soldiers". Numerous examples of gang rape were given - "girls under 18 and old women included".

Marshal Rokossovsky issued order No 006 in an attempt to direct "the feelings of hatred at fighting the enemy on the battlefield." It appears to have had little effect. There were also a few arbitrary attempts to exert authority. The commander of one rifle division is said to have "personally shot a lieutenant who was lining up a group of his men before a German woman spreadeagled on the ground". But either officers were involved themselves, or the lack of discipline made it too dangerous to restore order over drunken soldiers armed with submachine guns.

Calls to avenge the Motherland, violated by the Wehrmacht's invasion, had given the idea that almost any cruelty would be allowed. Even many young women soldiers and medical staff in the Red Army did not appear to disapprove. "Our soldiers' behaviour towards Germans, particularly

German women, is absolutely correct!" said a 21-year-old from Agranenko's reconnaissance detachment. A number seemed to find it amusing. Several German women recorded how Soviet servicewomen watched and laughed when they were raped. But some women were deeply shaken by what they witnessed in Germany. Natalya Gesse, a close friend of the scientist Andrei Sakharov, had observed the Red Army in action in 1945 as a Soviet war correspondent. "The Russian soldiers were raping every German female from eight to eighty," she recounted later. "It was an army of rapists."

Drink of every variety, including dangerous chemicals seized from laboratories and workshops, was a major factor in the violence. It seems as if Soviet soldiers needed alcoholic courage to attack a woman. But then, all too often, they drank too much and, unable to complete the act, used the bottle instead with appalling effect. A number of victims were mutilated obscenely.

The subject of the Red Army's mass rapes in Germany has been so repressed in Russia that even today veterans refuse to acknowledge what really happened. The handful prepared to speak openly, however, are totally unrepentant. "They all lifted their skirts for us and lay on the bed," said the leader of one tank company. He even went on to boast that "two million of our children were born" in Germany.

The capacity of Soviet officers to convince themselves that most of the victims were either happy with their fate, or at least accepted that it was their turn to suffer after what the Wehrmacht had done in Russia, is striking. "Our fellows were so sex-starved," a Soviet major told a British journalist at the time, "that they often raped old women of sixty, seventy or even eighty - much to these grandmothers' surprise, if not downright delight."

One can only scratch at the surface of the psychological contradictions. When gang-raped women in Königsberg begged their attackers afterwards to put them out of their misery, the Red Army men appear to have felt insulted. "Russian soldiers do not shoot women," they replied. "Only German soldiers do that." The Red Army had managed to convince itself that because it had assumed the moral mission to liberate Europe from fascism it could behave entirely as it liked, both personally and politically.

Domination and humiliation permeated most soldiers' treatment of women in East Prussia. The victims not only bore the brunt of revenge for Wehrmacht crimes, they also represented an atavistic target as old as war itself. Rape is the act of a conqueror, the feminist historian Susan Brownmiller observed, aimed at the "bodies of the defeated enemy's women" to emphasise his victory. Yet after the initial fury of January 1945 dissipated, the sadism became less marked. By the time the Red Army reached Berlin three months later, its soldiers tended to regard German women more as a casual right of conquest. The sense of domination certainly continued, but this was perhaps partly an indirect product of the humiliations which they themselves had suffered at the hands of their commanders and the Soviet authorities as a whole.

A number of other forces or influences were at work. Sexual freedom had been a subject for lively debate within Communist party circles during the 1920s, but during the following decade, Stalin ensured that Soviet society depicted itself as virtually asexual. This had nothing to do with genuine puritanism: it was because love and sex did not fit in with dogma designed to "deindividualise" the individual. Human urges and emotions had to be suppressed. Freud's work was banned, divorce and adultery were matters for strong party disapproval. Criminal sanctions against homosexuality were reintroduced. The new doctrine extended even to the complete suppression of sex education. In graphic art, the clothed outline of a woman's breasts was regarded as dangerously erotic. They had to be disguised under boiler suits. The regime clearly wanted any form of desire to be converted into love for the party and above all for Comrade Stalin.

Most ill-educated Red Army soldiers suffered from sexual ignorance and utterly unenlightened attitudes towards women. So the Soviet state's attempts to suppress the libido of its people created what one Russian writer described as a sort of "barracks eroticism" which was far more primitive and violent than "the most sordid foreign pornography". All this was combined with the dehumanising influence of modern propaganda and the atavistic, warring impulses of men marked by fear and suffering.

The novelist Vasily Grossman, a war correspondent attached to the invading Red Army, soon discovered that rape victims were not just Germans. Polish women also suffered. So did young Russian, Belorussian and Ukrainian women who had been sent back to Germany by the Wehrmacht for slave labour. "Liberated Soviet girls quite often complain that our soldiers rape them," he noted. "One girl said to me in tears: 'He was an old man, older than my father'."

The rape of Soviet women and girls seriously undermines Russian attempts to justify Red Army behaviour on the grounds of revenge for German brutality in the Soviet Union. On March 29 1945 the central committee of the Komsomol (the youth organisation of the Soviet Union) informed Stalin's associate Malenkov of a report from the 1st Ukrainian Front. "On the night of 24 February," General Tsygankov recorded in the first of many examples, "a group of 35 provisional lieutenants on a course and their battalion commander entered the women's dormitory in the village of Grutenberg and raped them."

In Berlin, many women were simply not prepared for the shock of Russian revenge, however much horror propaganda they had heard from Goebbels. Many reassured themselves that, although the danger must be great out in the countryside, mass rapes could hardly take place in the city in front of everybody.

In Dahlem, Soviet officers visited Sister Kunigunde, the mother superior of Haus Dahlem, a maternity clinic and orphanage. The officers and their men behaved impeccably. In fact, the officers even warned Sister Kunigunde about the second-line troops following on behind. Their prediction proved entirely accurate. Nuns, young girls, old women, pregnant women and mothers who had just given birth were all raped without pity.

Yet within a couple of days, a pattern emerged of soldiers flashing torches in the faces of women huddled in the bunkers to choose their victims. This process of selection, as opposed to the indiscriminate violence shown earlier, indicates a definite change. By this stage Soviet soldiers started to treat German women more as sexual spoils of war than as substitutes for the Wehrmacht on which to vent their rage.

Rape has often been defined by writers on the subject as an act of violence which has little to do with sex. But that is a definition from the victim's perspective. To understand the crime, one needs to see things from the perpetrator's point of view, especially in the later stages when unaggravated rape had succeeded the extreme onslaught of January and February.

Many women found themselves forced to "concede" to one soldier in the hope that he would protect them from others. Magda Wieland, a 24-year-old actress, was dragged from a cupboard in her apartment just off the Kurfürstendamm. A very young soldier from central Asia hauled her out. He was so excited at the prospect of a beautiful young blonde that he ejaculated prematurely. By sign language, she offered herself to him as a girlfriend if he would protect her from other Russian soldiers, but he went off to boast to his comrades and another soldier raped her. Ellen Goetz, a Jewish friend of Magda's, was also raped. When other Germans tried to explain to the Russians that she was Jewish and had been persecuted, they received the retort: "Frau ist Frau."

Women soon learned to disappear during the "hunting hours" of the evening. Young daughters were hidden in storage lofts for days on end. Mothers emerged into the street to fetch water only in the early morning when Soviet soldiers were sleeping off the alcohol from the night before. Sometimes the greatest danger came from one mother giving away the hiding place of other girls in a desperate bid to save her own daughter. Older Berliners still remember the screams every night. It was impossible not to hear them because all the windows had been blown in.

Estimates of rape victims from the city's two main hospitals ranged from 95,000 to 130,000. One doctor deduced that out of approximately 100,000 women raped in the city, some 10,000 died as a result, mostly from suicide. The death rate was thought to have been much higher among the 1.4 million estimated victims in East Prussia, Pomerania and Silesia. Altogether at least two million German women are thought to have been raped, and a substantial minority, if not a majority, appear to have suffered multiple rape.

If anyone attempted to defend a woman against a Soviet attacker it was either a father trying to defend a daughter or a young son trying to protect his mother. "The 13-year old Dieter Sahl," neighbours wrote in a letter shortly after the event, "threw himself with flailing fists at a Russian who was raping his mother in front of him. He did not succeed in anything except getting himself shot."

After the second stage of women offering themselves to one soldier to save themselves from others, came the post-battle need to survive starvation. Susan Brownmiller noted "the murky line that divides wartime rape from wartime prostitution". Soon after the surrender in Berlin, Ursula von Kardorff found all sorts of women prostituting themselves for food or the alternative currency of cigarettes. Helke Sander, a German film-maker who researched the subject in great detail, wrote of "the grey area of direct force, blackmail, calculation and real affection".

The fourth stage was a strange form of cohabitation in which Red Army officers settled in with German "occupation wives". The Soviet authorities were appalled and enraged when a number of Red Army officers, intent on staying with their German lovers, deserted when it was time to return to the Motherland.

Even if the feminist definition of rape purely as an act of violence proves to be simplistic, there is no justification for male complacency. If anything, the events of 1945 reveal how thin the veneer of civilisation can be when there is little fear of retribution. It also suggests a much darker side to male sexuality than we might care to admit.

Attention Important

Everyone who does not get a utube account and use it to upload videos on Spiritual Satanism and spread the word across the internets. Use facebook

without giving out any personal info and twitter and social media in general to spread the word. Leave comments on popular video's to wake people up. Find creative ways to be an legal activist. This has several wins, one you troll everything that sucks on this planet. And you help make the world you want to live in happen faster. Everyday this is done is a day the Jews lose. And we winz! If you care about Satan and a better place then you have to do something to make this happen.

Winz NOW!

Subject: Child 44

This recent movie Child 44 (2015) is very realistic in depicting life under communist Russia:

<http://putlockermovies.tv/child-44-2015-full-movie-watch-online-hd>

It starts with an orphan survivor of the mass murder by starvation known as Holodomor, his ascension in the MGB and how people had to deal with delating their own loved ones and that being "investigated" was the same as a death sentence. How they had to be always lying to others and themselves due the constant fear, such as the denial of a serial killing of boys by a maniac, because they had to agree that "there is no crime in the USSR", or then disagree and be killed... Since it's a common Jewish crime, the movie hints that Communism would protect such a kind of psychopatic kike.

It also shows how homosexuality, or even a suspect of homosexual act, was considered a crime punishable of death of slave labor in the Gulag, under Jewish Communism.

A maxim of the film: "You know what people get here when they demand truth? They get terror."

The sad and less know truth about Jewish holocaust against Romanians. In my country is speaks non stop of an supposed holocaust of Romanian legionaries and German soldiers against Jews during world war II. That made at an meat factory when bodies where hanged there. I find out that was dead legionaries body's from legionary revolt against Marshal Ion Antonescu. It was Jewish communist plot there to ignite a revolt of legionaries against Antonescu. Antonescu sends the army and the civil war started after with a loot of legionaries victims.

Our media is infected with lies and a loot if them and truth is hidden from us.

Subject: is the pacific ocean dead?

Attachments :

I was really disturbed when I learned this. Fukushima is STILL spewing radiation into the Pacific. This is not covered in tv media (of course). I found an excerpt of a longer interview today that really has horrified me:

He is this professional sailor named Ivan Macfadyen who sails across the Pacific every four years and he said the last trip, where before he saw a vibrant ocean, full of life, he says there is NOTHING. He said its dead. So then I tried to see the entire interview on you tube. Of course the jews have made it unavailable. So all I got is this picture of the excerpt.

Things I have read online over the years just came together in my head: There was a russian nuclear sub that had gone down years ago, I have heard it claimed that the jews recovered nukes from this. They (supposedly) set them off in that earthquake zone off Japan, triggering the tidal wave that thrashed fukishima...to punish Japan, perhaps? who happen to strongly resist multi culturalism. They are, after all, strongly national socialist....

And in the process, have they have killed an ocean? Dead sealife is washing up all over the west coast of north america. OMG. Can we say psychopathic total evil that is staggering, the crimes against the planet and humanity these jews have done.

And then a few hours later surfing about the web I found this:

with the beasts of the field, and with the fowls of heaven, yea, **the fishes of the sea also shall be taken away**

Subject: mental health

I was dreaming again (I get a ton of information when I dream) and this time it was about the healthcare industry. I woke up with all these thoughts in my head. How when they talk about themselves they speak of 'tomorrow'. Its going to be better in the future. More solutions to diseases, better, brighter. In some mythical fairyland tomorrow. I was inspired to write about the thoughts this brought up for me and to share them with you, my brothers and sisters.

They talk about tomorrow. The future is bright. But really, there IS no tomorrow, there is only today and right now. So, like the Xian death cult of living to die and go to 'heaven' tomorrow, people are brainwashed to accept disease and death as inevitable, normal, a part of life. A Lie. They are lulled into going along with it like this is the natural state of affairs. The Gods and Satan teach us otherwise.

But its the jew who invents this sick world society that causes the 'dis-ease'! I'm specifically talking mental illness. Let me say a few thoughts about mental illness. Did you know that the pharmaceutical industry leaders get together in New York City; they call it the Annual Meeting of the American Psychiatric Association? And there they unveil their latest drugs for the goyim and discuss what illnesses can we invent in order to justify people taking these? What will we call it? OOOh, I know, ADHD! They invent the drugs first, and then the 'sickness'.

The top ten global pharmaceutical and biotech companies based on revenue in 2014 were: Johnson and Johnson, Novartis AG, Bayer AG, Roche Holding AG, Pfizer Inc, Sanofi SA, Merck & Co INC, GlaxoSmithKline PLC, Sinopharm Group Co Ltd and fresenius SE & Co. KgaA. I would be willing to bet that every single one of them is owned by a jew. Did you know that the total level of pharmaceutical revenue worldwide has reached nearly one trillion U.S. Dollars? North America generates more than 40% of that total alone. What that says to me is how the Americans and Canadians are under attack. When I say this I am speaking in regards to the mental health profession. How much of that trillion is from the pushing of psycotropic drugs? And this obscene profit is based on needless human suffering and death. THAT makes me sick!

Most kids are full of energy and their thoughts go flying all about from one thing to the next. They are impulsive, bright, energetic and full of energy and life. Their attention wanders as they daydream. This is all normal. But this is not conducive to the jewish matrix of programming the young in 'school', so the kids parents are called and are told their child has ADHD. And the parents, who also have been indoctrinated to believe in the system and go along with it, take their kid to a doctor who whips out his pad and writes a prescription. It's just the worst kind of abuse and then the 'patient' is expected to be appreciative and grateful. If they aren't it's concluded this is a symptom of more mental health problems.

Scientific literature in psychiatry frequently hypothesizes about a possible chemical imbalance as being at the root of many serious mental and emotional problems, while evidence for such an imbalance remains illusory. We become sick from anxiety and depression because our society and world is run by these monsters, the jews and they make us sick. I guess this was on my mind as I have seen posts from other members speaking about involuntary committal and enforced meds. Which is totally barbaric. The experience of enforced loss of liberty - to even determine what will or will not be put into ones own body - especially for young people who may be feeling lost and are vulnerable, to suffer this is devastating. It's such a gross violation. I was reading online that this enforced medicating is a growing trend in the third world countries. Just another way the jew assaults the goyim.

I personally always thought that my own anxiety, thoughts of suicide (which I kept to myself) and depression was coming from a spiritual cause, and could only be dealt with spiritually. And so, when the school psychiatrist tried to convince my mother I was seriously disturbed and in need of medicating, I told her I wasn't. He recommended me to a specialist who interviewed me. I was sullen and angry over being forced to see him as there was nothing wrong with me. I was NOT cooperative. I was hostile. My mother went into his office after he saw me. I was made to sit outside while they consulted. When we got out to the car she turned to me and said:

"Whatever this problem of yours is, YOU have to fix it. Yourself. I'm not taking you to that quack again!"

She (fortunately) refused to go along with his recommendations which of course were forcible drugs, electroshock therapy and involuntary committal. And really, I have no idea why the school councillor singled me out for this in the first place. Sure, I was an unhappy child. So were a lot of others. But even as I write this I remember...there was a class teaching a subject that I announced I had no interest in. I wanted to opt out. They said no you can't do that. I said watch me. I refused to cooperate. When tests came, I simply sat doodling and handed back a blank with little drawings on it. This battle of wills went on for three months till I was summoned to the principals office. I re-iterated: continue to TRY to force me, or give me a free period. They gave me a free period :) A couple of the other kids said to me they wished they'd thought of that, they hated that class too. Interestingly in hindsight, it was sometime after this that the school councillor recommended I was in serious need of 'help'.

As a young adult another doctor tried to convince me through fear tactics that taking psychotropic drugs was necessary. It was the: you have a chemical imbalance in your brain. How he would know this when my chemicals weren't tested was beyond me. I refused. There really IS a program in place to either force or, if that fails, to trick people into accepting this crap pushed on us by....who else? The jew.

The information at JoS and Satan's library has shown me that in fact I was right all along; suffering from anxiety and depression IS a spiritual thing. That was a REALLY good thing to finally know for sure. And it's funny how when I Dedicated to Satan, started yoga, meditation and RTR's, the depression and anxiety melted away like snow in the summertime. I am left amazed and humbled by how resilient we are as human beings, what wonderful creations of Satan, how

after much abuse in our lives, we are still able to get up off the ground, heal ourselves and carry on. What a master craftsman and artist! What an astounding Being, as we see by our reflection of Him in ourselves. No wonder the jew is afraid of us! They should be!

Hail Satan!

PS: I'm not trying to tell anyone they ought to stop all medication. If you are on a program it could be dangerous to just simply stop cold turkey. I'm not trying to say what anyone should or should not do. These are just personal observations based on my own experiences. Not all medication is bad, obviously. When used properly it has great benefit. But it has been manipulated by those sick evil jew fucks for their own profit, as always.

Hi fakename: That doesn't surprise me - that it was invented I mean. Not that it describes your life, LOL! I remember reading somewhere online a few years ago an expose on the pharmaceutical scam...I tried to find it again so I could add the link but no luck so far. I guess this is a good reason why one bookmarks :)

One of the others I remember from that expose was Schizophrenia, that it is make believe made up too.

In the 90's I had gone to the hospital and been locked up for a while. They gave me a massive battery of written tests and some of the questions I saw they were asking it like, ten times with subtle shadings of HOW the question was asked so it was like navigating a minefield. Clearly meant to trip up the unwary and give them an excuse to keep you. It pissed me off. I thought to give the most awful answers when a voice spoke up in my mind. He said: "Don't do that, they'll commit you involuntarily!" Long story short I was cut loose. They said there's nothing wrong with you, you're just depressed! But it was awful, the male nurse examined my mouth to be SURE I swallowed all the pills, no privacy, not allowed outside but for one hour a day, ugh! It is enough to make one crazy if they weren't to begin with! I paused to smell every flower I passed on the way home!

What the fuck? they make you take a written test to decide if you're "crazy"? knowing full well that most people are complete fucking idiots and will undoubtedly get tripped up by the lawyer jew wording on the test?

**MOTHERFUCKERS!**

The more I see this kind of shit the more I want to burn every damn kike on the planet to death in the azure flames of hell!

Give those fucking vampires a fatal taste of hell's UV flames and watch them burn!

And yes by "my life" being the same I meant that as a 4 year old kid, my stupid ass xian mother took me to this bitch psychiatrist who was DEFINITELY a jew, I still remember her face, long curly black hair, had the asian style jew face and her accent was full blown yiddish, and the bitch FORCED me to take Ritalin.

Well this shit got me so fucking high that within 3 hours of taking it I jumped off the dining room table, landed on the chair by my front tooth, snapped it clean in 2 and had to go to the dentist, NOT THE HOSPITAL, A FUCKING KIKE DENTIST who had to pull what was left of that tooth!

My mother divorced my dad because he fought against this psychiatry scam from day 1 and all of her husbands ever since were kikes!

Meanwhile I'm tripping balls in school and everyone thinks im insane because I WAS BEING DRUGGED!

These idiots don't seem to realize that if you are HIGH ON DRUGS THEN OF COURSE YOU LOOK CRAZY BECAUSE YOU ARE HIGH!

And when you mentioned that they use the "oy vey goyim! your brain chemistry is fucked up!" excuse, in my last year of "high school", by then I had already gotten kicked out of high school for telling off my marxist teachers because they were making us "study" the holoHOAX and I told them, ok seriously last year you retards said "oy vey! Hitler was an alien!" and now you're saying he was a JEW?

Well when I called them on their bullshit they BANNED me from school and sent me to this PRISON they call a "school" which is really just the place they dump all the retarded, drug addict or "troublemaker" students that they can't legally arrest and all the teachers there were either kikes or black.

Well the "teacher" at this kike prison said "oy vey! your brain chemistry is fucked up goy! that's why you're on drugs!" And that never sat right with me.

I never actually thought about it at the time but I knew it was bullshit because HOW THE FUCK WOULD THEY KNOW IF NO ONE EVER ACTUALLY TESTS YOU BRAIN!

So yeah my entire childhood was ruined by kikes and specifically their psycho drug industry.

I also long suspected schizophrenia was fake because the only "schizophrenics" I ever met were either just plain mentally retarded, ACTUALLY psychic or possessed.

The last one I knew was a possessed black man who could shock you with his aura and when I told him he wasn't crazy and to stop taking the drugs since even ordinary people got shocked by his aura and I could tell he was possessed even back then and that the drugs were just making it worse, well about a month later he disappeared.

3 months later I find out that later that week he couldn't take the insanity of being drugged and possessed anymore and tried to commit suicide by cop by robbing 3 banks with a pair of scissors for "a billion dollars and 2 cents" and that he had been in jail and probably a padded cell ever since.

THANKS JEWS.

This evil industry was invented SPECIFICALLY to target any sane gentile who refuses to comply with what the commie kikes tell them and even more specifically to target anyone born with spiritual awareness and destroy our souls by forcing drugs down our throats!

FUCK THE KIKES!

20 refugees rape an 11-year old girl in a public bath, Stockholm Sweden, Husbybadet. No arrests made.  
<https://www.youtube.com/watch?v=Xy-lXixUiJM>

The whole story in Swedish.

<http://henrik.motpol.nu/?p=295>

Some (hair raising) details,

1. The 20 refugees were instructed, before they left for the bath house, that sexual attacks and rapes are not allowed. (?!)
2. Some public baths have signs that say, "rapes will be reported to the police".
3. The police said, "this is a place where temptations are great". (Really, is it "tempting" to rape 11-year olds?)
4. The cost for the taxpayers to house each refugee is US\$150 000.00 per year.

"Swedes are spineless people, men and women born without pride. Allah has given us a safe haven in the infidel country, so we can rest and recover. Soon we will also destroy this place, God willing," says 23-year-old Abu-Ibrahim, ISIL fighter.

"It is far too easy to get a Swedish whore..... girl, I mean;" says Hamid, and laughs over his own choice of words. - "I don't have too much respect for Swedish girls. I guess you can say they get fucked to pieces."

Good thanks for \$150 000.00 per year, isn't it?

Qur'an (9:3) - "...Allah and His Messenger are free from liability to the idolaters..."

In this article I want to analyze who [as not "allah" is creating real resources] and how much spends on those rapists to create "safe haven" where they can "rest and recover".

"Germany will spend around \$6.6 billion to cope with some 800,000 migrants and refugees expected to have crossed into the country by the end of 2015, the government said early Monday.

The announcement by Chancellor Angela Merkel's coalition government came after Germany and neighboring Austria threw open their borders to the wave of refugees making their way north and west from the Middle East, Africa and elsewhere. Hungary has been letting the human tide move on after holding it up for days."

Posted Sep 7 2015

So, Angela Merkel is going to steal more \$6.6 billion of German people to feed their rapists, beaters and murderers [in short, cultural enrichers]. Let's see how much Germany spends already to be raped, filled with garbage and genocided.

Germany prices refugee effort at 17 billion euros

Date 29.12.2015

<http://www.dw.com/en/germany-prices-refugee-effort-at-17-billion-euros/a-18946751>

Spending on refugees by Germany's 16 states next year could exceed 17 billion euros, according to "Die Welt" newspaper. For the 300,000 children among them, 25,000 extra teachers are needed, reckons the trade union GEW.

"Die Welt" said that its tally, found while surveying Germany's regional states or Länder, could end up even higher than the 17 billion (\$18.6 billion) estimated, because its calculations had been based on 800,000 refugees.

Refugee influx to cost Germany 25 to 55 billion euros annually

Date 11.12.2015

<http://www.dw.com/en/refugee-influx-to-cost-germany-25-to-55-billion-euros-annually/a-18912600>

Depending on the number of refugees coming to Germany over the next few years, the annual cost to Germany could range between 25 (\$27.5 billion) and 55 billion euros, according to a study by Kiel Institute for the World Economy (IfW) published on Friday.

With a million refugees expected in Germany this year, the annual cost would be 55 billion euros, the study found. But under the assumption the number drops to 360,000 refugees from 2018, annual costs could drop to 25 billion euros annually."

17 billion on 800 000 rapists is 21 250 for one rapist. 1770.83 per month. 55 billion euros on 1 million rapists is 55 000 per year for one rapist! 4583.33 each rapist gains per month. 4583.33 euros/month is a very good income!!!

"The EU has already burned through \$80 million in emergency funding, and another \$100 million is on the way. Meanwhile, Germany alone is preparing to shell out \$11 billion a year to take care of the 800,000 migrants it expects to receive. What is the money spent on? Watch the video above to find out.'

Note, in Sep. was 6,6 billion, now 11 billion.

+ already spending 17-18 billion...

(So much difference in numbers is caused by dollar-euro gap, dollar is very high, \$11 billion for 800 000 is \$1145.43 for rapist per month– the same)

Average salary in Germany statistics 2015 wikipedia is 2 315.20 per month. Average income of a rapist in Germany is going to be 4583.33 euros /month. No European country except Switzerland has average net income for a citizen as much as an average rapist is paid in Germany – only for raping German women and children, beating German people and leaving long trace of garbage and dead woman corpses everywhere he goes he earns:

- twice more than average net wage in Germany, Austria, Denmark and Belgium
- more than 3 times more than average net wage in Spain
- 9 times more than average net wage in Hungary, Greece and Lithuania
- 12 times more than average net wage in Latvia
- 13 times more than average net wage in Romania
- 14 times more than average net wage in Bulgaria

Thanks Merkel.

Coercive Engineered Migration: Zionism's War on Europe (Part 4 of 11)  
by Gearóid Ó Colmáin / January 24th, 2016

I will not quote all the article it is long and already used in another topic on this site. But this article quotes some wonderful jewish text written to show how "pour refugees" are hungry... these 2 paragraphs are worth quoting, because they brilliantly reveal actual level of life of rapists. What exactly rapists call "hungry" ....

"An article published in the *Suddeutsche Zeitung* on October 14th 2014, states that Syrian refugees in Turkey are going hungry due to lack of funds for their upkeep. It states that 280 million euros more are required to feed the refugees. In other words, pocket change. While other reports in the German media indicate that the German state will have to dish out **46 billion dollars per annum** to finance immigration....."

In another words, Mr Rothschild has *NOT ENOUGH MONEY* to feed rapists in Germany as much as they want, so German rape victims pay taxes to help him do it.

Article written on Jan 24 2016. Let's see what amount of refugees is going to be in 2016....

## [EU Refugee Crisis 2016: 10 Million More Asylum Seekers Heading To Europe, German Official Warns](#)

By Bruce Wright on 01/11/16 AT 8:57 AM

"It is the European Union's fault that as many as 10 million more will come to Europe because its countries' borders have not been regulated, the German development minister said, pointing in part to the areas in Europe that do not require any documentation for people to freely pass through."

\$46 billion / 10 million = \$4600 for every single rapist!

Guess what? THEY ARE STILL HUNGRY!!!!!!!!!!

Let's see what other countries do to be raped.

““This has created crises for countries,” said Elizabeth Collett, director of the Migration Policy Institute Europe, noting that in 2014 when **the Swedish government** tried to adjust its budget to address asylum needs, it was blocked by far-right groups. “It’s difficult to find money for immediate response, but it’s something we have to recognize isn’t going to be a short-term financial challenge.””

“To deal with the steady stream of refugees, EU members should increase their payments to the EU budget by 1 percent while also cutting spending by 1 percent, **Hungary Prime Minister Viktor Orban** proposed Wednesday. “We should repeat this as many times as necessary to have the amount of money that we need to handle the crisis,” he said.

**The Finnish government** has proposed increasing capital gains taxes on the country's highest earners to help the Nordic state deal with a tenfold increase in refugees this year. Taxes would increase by 1 percentage point, and residents who earned more than 81,000 a year would have to pay what is being called a solidarity tax to support the influx. As of Aug. 31, Finland had received more than 7,000 applications for asylum, according to the Finnish Immigration Service."

"For the short term, **European Commission President Jean-Claude Juncker** announced Wednesday an increase in funding to help the EU cope with the crisis.

"We have almost doubled the resources to tackle the refugee crisis -- **from €4.6 billion [\$5.1 billion] to €9.5 billion [\$10.6 billion]** Juncker said. He listed several other funding measures, including **100 million euros for emergency assistance** to the EU states that have been hit hardest by the refugee crisis, **600 million euros in 2016 to support EU agencies dealing with the crisis**, **200 million euros for the World Food Program this year and 300 million for humanitarian aid** in 2016.

With many different budgets, funding could come from different sources in the EU but would still likely need approval from the parliament. "What's happening now is an effort to look holistically to see how funds can be used. **Where can we find pockets of money?**" Collett asked.

Subject: Re: mental health

Yes indeed, I remember one was a very big document/test, like an inch thick. Stuff like do you hear voices? Does the voice tell you to hurt yourself? If the voice told you to do something to hurt yourself would you do it? Is the voice your friend? I don't recall much of it just how it pissed me off because I could see through it. They weren't trying to help me, they were trying to trap me.

They told me to go to this outpatient program and I thought I'd check it out. It was a circle of mentally screwed up people (like I guess me at that time). I remember I was studying the two mental health 'professional' facilitators sitting behind us intently, to get a feel for them, looking at their auras, feeling their energy. I didn't like what I sensed and so I was looking for physical proof to confirm it.

Somebody was talking about how lonely they were and the pain they lived in daily. I could feel his pain. It made me want to cry. I am watching the two 'doctors' as he was speaking. One of them rolled her eyes and looked to the other who grinned. I was so pissed to see that! I thought: WTF?!? And then this woman who had massive anger control issues, she took offence to something, leaped to her feet, and was going to attack another patient. I'm still studying the so-called 'professionals'. They were just sitting there watching like it was jerry springer tv. Like we are nothing to them but animals in a zoo. Monkeys in a cage. Look at their antics! How hilarious! So I leaped to my feet and got in there, took charge, calmed her down myself wondering: Why the fuck aren't these so-called experts handling this?!? This isn't my job! But if I hadn't gotten in there someone could have been seriously hurt. I had to do something!

I lingered behind after all the other patients left thinking to rip them a new asshole. I went to their office and the door was ajar. So I stood there and listened for a bit...they were laughing and making crude deprecating jokes about us! I was furious and almost went in to confront them and again, a voice spoke to me in my head saying: You don't want to do that; they'll report you are aggressive and a danger and you'll get locked up. Involuntary committal. I thought back: But if I tell how they were laughing at us? The voice said: They'll deny it and no one will believe the word of a mental patient against two certified professionals. You have to choose your battles. This isn't worth your freedom. Walk away. So I realized my Guide was right, I walked away and never went

back. But it just goes to show how sick these people really are. So I did the best I could to heal myself by myself.

I spent ten years after that seriously studying my dreams, working on my recall, writing them down, till I was lucid dreaming almost every night. I thought I might find my answers there. But I found that the more aware I became, the more I was attacked, both there and in the physical. And at that time I didn't understand why. I was pretty confused. I just wanted answers. I wanted the truth, whatever that was. That's why finding Satan at last was such a relief. I was looking for Him the whole time without knowing it. I am very thankful for Him, for His guidance and love. I love Him, too. I realize now I survived thanks to Him.

I know many other psychiatric survivors and on a whim I 'interviewed' them all. That was many years ago now but I asked them if they could see auras or did they just know things only to find out later they were right, ever have any psychic experiences? See ghosts, entities? Things like that. And every single one of them said YES. So, I agree with you. The purpose of the 'mental health' industry is to target spiritually aware people specifically, convince them they are mad, convince them to come to them for 'help' - for the sole purpose of destroying them. That's my belief.

There was never anything wrong with me. I'm spiritual and psychic and this sick society the kikes have created made me feel I was going crazy when THEY were the problem. Thank you Jews! I have suffered for a very long time because of them. I am grateful to have found JoS. More than I can say. It's a light in the dark.

I'm with you on that! Fuck the Kikes! Destroy them all and tear down their sick society!

HAIL SATAN!

Terrorist behind Bataclan massacre tells French Muslims to 'smash unbelievers' heads with a rock

The Paris massacre of when Mossad lead Brownz did with planning what they always want to do to you anyway. That is brutally murder you and some times rape you then murder you. As former General Clark pointed out ISIS was created by American allies in the middle east to fight Hezbollah which means.....Israel is behind ISIS.

The footage features horribly graphic footage of beheadings as the ISIS members give rambling speeches on their hatred of the West

The terror monster who calmly executed innocent music fans at a concert hall during the Paris attacks has spoken for a final time in a sickening propaganda video released online.

Samy Amimour, a 28-year-old from Paris who fought in Yemen and was known to the intelligence services, tells French Muslims to "Smash their (unbelievers) heads with a rock" in the terrifying new video - which features a chilling threat to the UK.

Brandishing a knife and with a prisoner at his feet, he says: "I was sent by Amirul-Mu'minin Abu Bakr al-Baghdadi al-Husayni al-Qurashi (the leader of ISIS) to cleanse the earth of disbelievers, whoever they may be and wherever they may be.

"By Allah, we have come to you with slaughter, and indeed our knives come closer to your throats day after day.

"And by Allah, we will fight you - with Allah's permission - in the heart of Paris and at the corner of the Eiffel Tower.

"I send a message now to those remaining in France who claim to be Muslims.

"By Allah, I ask myself what you are doing there.

We are being killed every day and you are sitting there idly, living among them, sleeping among them, eating with them, with these disbelievers, while it is within your ability to display some honour and spit in their faces - if you can't find a weapon - or smash their heads with a rock, or run them over with your car and terrorise them.

"Take action. Wake up before it's too late and they begin slaughtering you."

The video features the men performing extremely graphic beheadings on top of their rambling monologues.

The slickly-produced footage, released by Al-Hayat, the propaganda arm of the savage terror group, features the final words of the killers behind the deaths

of 130 innocent people in Paris in November.

At the end, it features footage of British RAF warplanes and, finally, David Cameron with the words: "Whoever stands in the ranks of kufr (unbelievers) will be a target for our swords and will fall in humiliation."

ISIS earlier released a chilling image portraying the Paris terror attackers as action movie-style heroes - and promised to release more footage of the sick scum who horrified the world.

The poster, also released by Al-Hayat, features the faces of eight of the jihadis who slaughtered 130 innocent people on November 13. Terror expert David Thomson and activist group Ragga Is Being Slaughtered Silently say the poster is promoting a soon-to-be released video of the massacre.

It features the words 'Kill them wherever you find them' and in French and Arabic, as well as the words 'coming soon' - which may be a reference to further attacks on its enemies.

The co-ordinated attacks in Paris led to the slaughter of 130 people - including one British man.

There were six separate assaults , including two suicide attacks and a bombing near the Stade de France stadium and shootings at a restaurant.

But the most devastating was a massacre inside the Bataclan theatre, where US rock band Eagles of Death Metal were playing to a packed crowd.

Two gunmen first sprayed cafes outside the concert hall with machine-gun fire, then went inside.

Gunmen then opened fire on the panicked audience in a sickening prolonged assault and detonated suicide vests as police closed in.

ISIS claimed the attacks, saying they were revenge for French airstrikes on their fighters in the Middle East.

The Stade de France attacks were carried out by Bilal Hadfi, a 20-year-old French citizen who had been living in Belgium, M. al-Mahmod, who had entered the EU with Syrian refugees via Greece on 3 October and a bomber carrying a passport belonging to a 25-year-old Syrian named Ahmad al-Mohammad.

Brahim Abdeslam, a 31-year-old French member of the Molenbeek terror cell living in Belgium, carried out shootings in the 10th and 11th arrondissements. Shortly afterwards, he blew himself up at the Comptoir Voltaire restaurant.

The other attackers are believed to be Abdelhamid Abaaoud and an unidentified suspect.

The three men who attacked the Bataclan theatre were Samy Amimour, Omar Ismail Mostefai, a 29-year-old from the Paris suburb of Courcouronnes, and Foued Mohamed-Aggad, a 23-year-old from Strasbourg.

A few days after the attack, terror mastermind Abdelhamid Abaaoud was among a group of terrorists brought to bloody justice by the crack team of heavily-armed French police officers.

**Leviathan: The Jewish Kundalini Serpent, Also Known As Jesus Christ by High Priest Jake Carlson**

**One time, in the Satanic Gay Community e-group, I was making a point about a deluded author on "Luciferianism" and his at-the-time approach of treating Satan-Lucifer and his Demons as if they are non-existent and/or nothing more than different aspects of the human unconscious, or the right side of the brain. Out of spite, a flaming Jew-sympathizer replied by saying that the author I am referring to obviously "hasn't met Leviathan face-to-face." It is well-known that those of us at the Joy of Satan Ministries have never met a Demon named "Leviathan." The reason is because Leviathan is an allegory for the Jewish version of the kundalini serpent, and not a real Demon. The person who claimed to have met "Leviathan" was deluded, and they sympathized with the Jewish people in some of their other posts. They might as well have been Jewish, themselves, as they would be nowhere near the first Jews who have tried to infiltrate the Joy of Satan and related e-groups. These maggots can only hide their Jewish identity for a limited time.**

**As to be expected, the Aryan soul of Anton LaVey, the founder of the Church of Satan, was incarnated into a Jewish family in order to get his books published that would bring Satan's name into the mainstream, but the physical Jewishness of LaVey led to him making**

mistakes. Although, LaVey did popularize the inverted pentagram, the Baphomet, he made the Jewish mistake of putting the Hebrew letters that spell "Leviathan" around the Baphomet, which, in fact, BIND Satan and exalt his enemies, the Jewish people, along with the Jewish thought-forms of Jehovah-Yahweh and Jesus Christ. I'm sorry to spoil anyone's fun, but this is the reality of it. Reality is not politically correct, nor will it bend and mold to suit one's wishful thinking outside of one's own imagination.

Everyone has a kundalini serpent, and each race has a collective kundalini serpent, and this includes the Jewish people. However, as noted in the Jewish Talmud and Jewish Kabbalah, the Zohar, the Jews and the White Aryan Race are of a completely DIFFERENT species -- a set of different species with different creators who totally oppose each other.

The Aryan race comes directly from the Nordic-Aryan God, Enki-Samael/Satan, who is of the Nordic race of extra-terrestrials. The Jewish people come from the reptilian race of extra-terrestrials, who have been at war with the Nordic Gods, Satan and his Demons, since time immemorial. In the Jewish literature that is approved for the Gentiles to read, the Christian Bible boasts about Jehovah-Yahweh's reptilian nature. While Jehovah-Yahweh isn't real, the reptilian creators of the Jewish people are real, and Jehovah-Yahweh and his worthless Jewish son, Jesus Christ, and his vile, rotten "Holy Spirit," are subliminal examples of the mind-hive nature of the alien reptilians and the alien greys who are under the reptilian command.

Leviathan has been considered to be an allegorical sea-dragon [reptilian] of chaos. Here are some Bible quotes that refer to the Jewish god's reptilian nature:

"There went up a smoke out of [Jehovah-Yahweh's] nostrils, and fire out of his mouth devoured: coals were kindled by it" (2 Samuel 22:9).

"And mount Sinai was altogether on a smoke, because the LORD descended upon it in fire: and the smoke thereof ascended as the smoke of a furnace, and the whole mount quaked greatly" (Exodus 19:18).

"By the blast of God they perish, and by the breath of his nostrils are they consumed" (Job 4:9).

"By the blast of your nostrils the waters piled up. The surging waters stood up like a wall; the deep waters congealed in the heart of the sea" (Exodus 15:8).

"He will not escape the darkness; a flame will wither his shoots, and the breath of God's mouth will carry him away" (Job 15:30).

"Topheth has long been prepared; it has been made ready for the king. Its fire pit has been made deep and wide, with an abundance of fire and wood; the breath of the LORD, like a stream of burning sulfur, sets it ablaze" (Isaiah 30:33).

"The valleys of the sea were exposed and the foundations of the earth laid bare at your rebuke, O LORD, at the blast of breath from your nostrils" (Psalm 18:15).

"And then the lawless one will be revealed, whom the Lord Jesus will overthrow with the breath of his mouth and destroy by the splendor of his coming" (2 Thessalonians 2:8).

**The goal of the Jews is to annihilate the White Aryan Race through race-mixing, which is a Jewish-invented program of genocide [no different from Christianity and its Communist cousin], and then to keep the politically correct, race-less, soul-less group of human cattle who no longer have any identity as their slaves:**

**"That they all may be one; as thou Father art in me, and I in thee, that they also may be one in us..." -- Jesus Christ (John 17:21)**

**In the same way as the Jewish Leviathan, the fictional Jewish character of Yeshua/Jesus Christ is an allegory for the Jewish version of the serpentine kundalini force that keeps all Jews, regardless of any differences, bound together in a mind hive. However, while Satan, himself is real, and his symbolism represents the serpentine kundalini force of the White Aryan Race, what Jehovah-Yahweh, Jesus Christ, and Leviathan also represent, is the reptilian nature of the creators of the Jewish people.**

**What not too many people realize is that the Christian and Muslim religions are Judaism -- Judaism that has been approved by the Jewish people for the White Race to "consume." With that being said, although Christ's Jewish identity doesn't go away, "he" is so ubiquitous that "he" can be anything to anyone at any moment. This Jewish maggot museum hanging from a cross has also been known to put on an Aryan mask to cater to racially-alert Christians in order to keep them under"his" spell, thus keeping them in line and no longer any kind of threat to the Jewish agenda.**

**In a photo of a Jewish greeting card that shows planet Earth being encircled by a giant snake, the Jewish goal behind their One World slave state is being depicted. The Jewish One World slave state is the ultimate goal of Judaism and Christianity. Even organic Christianity from the Right wing is Judaism. The kicking and screaming over this fact from people who sympathize with Christianity as long as it is from the Right, doesn't change anything, and has only proven to be counter-productive.**

**[Regarding the Jewish greeting card], "The objective is a Kingdom of the Jews, literally a Jewish Utopia, in which the Jews, as their own Messiah, will reign over the nations [Gentiles]. Thus, the Holy Serpent [Yeshua/Jesus Christ] is their conquering hero. The rabbis call him Leviathan, the piercing serpent." [1]**

**"The Kabbalah emphasizes the supremacy of Leviathan the Serpent who rises from the depths...to conquer all. Within his protection, the Nation, or House, of Israel will eventually ascend and become god-men and rulers of planet earth and lords over the Gentiles." [2]**

**"Epstein reports that the scene of Holy Leviathan enclosing cities with his gigantic, circular frame was embroidered on some Sabbath and Synagogue covers. Moreover, "The Leviathan as a fish encircling a city was painted in the dome of Gwodziec Synagogue in the year 1840."**

**"Epstein quotes the famed rabbi, Ibn Ezra, as teaching to the Righteous Jews that, "Serpents stand as servants to do your will." This is clearly also the reason why the Talmud says that, "On the Sabbath, serpents may be charmed." In other words, the holy day of Sabbath is an acceptable time when Jews can summon a serpent and, through magic and craft, cause the reptile to do one's bidding."**

**[Regarding the Jewish reptile-god], "He is destined, the rabbis disclose to the initiates, to incarnate the body and mind of the Christ-Messiah to come." [3]**

**The serpentine symbolism of the White Aryan Race has been confused with literal reptiles when in reality, the actual reptilian race are the progenitors of the Jewish people, who are the enemies of Satan and his Demons. The Jewish "snake-charmers" are in communication with their reptilian creators. When and if the Jews ever have any dealings with the METAPHORICAL "serpents" -- the Nordic Gods, it is only to curse and bind them. This Jewish practice was extended to the Christian practice that teaches the White Race to turn against our own Creator and blaspheme and defame him.**

**As far as Christ-Leviathan goes, if "he" were real, he would be of an exclusively Jewish-reptilian nature, which is why even the Jews who pretend to be out to "destroy" Christianity, refer to Jesus Christ, or Christos, as the "Holy One of Israel." The Jews have absolutely no problem whatsoever with "Lord Christ." What troubles the Jews is the Pagan elements that Christianity has inevitably assimilated in its quest to survive at all costs. There is nothing original about the Christos lie, as Christos was stolen, not from Pagan Gods as real, physical beings, but a Pagan CONCEPT which is told in the Pagan myths and legends that was transformed into a Jewish god-man for the Gentiles to worship and hand their damned souls over to, while he is a Jewish political leader for the Jewish people, whose mission is to join the Jews of the world together to rule over a race-less, sex-less slave state of bar-coded, micro-chipped, soul-less Gentile slaves, whose former White Aryan Race was forfeited because they couldn't let go of Christianity on time, and they have forfeited their White Aryan Race through race-mixing. Christianity is just as deadly to the mind, body, and soul as race-mixing is deadly to the physical body and the spiritual body of both the individual, and the collective White Aryan Soul. Christianity in ANY and all forms is just as destructive as race-mixing, and vice versa!**

**Satan has brought it to my attention that he desires for Satanists to not only recognize him as a literally real, physical and spiritual being, and to STOP cursing and blaspheming him by using the Jewish reptilian name for Yeshua/Jesus Christ around the Baphomet that was popularized by the Church of Satan. Anton LaVey was a rare occurrence, in that he was not actually Jewish. He was an Aryan soul who was incarnated as a Jew because this was the only way he could get his positive statements about Satan published. Any other way would have been literally impossible. The Leviathan is a mistake and nothing more on the part of Anton LaVey. However, Satan wants his people to stop using it, as it binds the Baphomet which represents Satan.**

**In closing, it must also be stated that Leviathan is most definitely not a Crowned Prince of Hell, either. To call on Leviathan during ritual is to invite the chaos of the Jesus Christ thought-form and at least indirectly give energy towards the second coming of the Christos -- the Jewish Messiah, who, this time would exist on planet Earth as a physical Jewish god-man of the "House/Tribe of David" who would rule planet Earth from Jerusalem with his fellow Jews, world-wide.**

**"Bluntly stated...if the Gospel that one preaches does not culminate with a Jewish man ruling the world, then it is not the Gospel of the New Testament." [4]**

**Leviathan is Christ and Christ is Leviathan. Although they currently only exist as astral thought-forms, and not real physical flesh and blood beings, they represent the physical and spiritual enemies of the Satanic Nazi Religion which are the enemies of the White Aryan Race of Satan, which is the Race that has given all of planet Earth the gift of civilization, arts, philosophy, technology, education, culture, true medicine, agriculture, architecture, the wheel, the motor, the pen and plow, and the Satanic Pagan religions, and basically everything that makes life worth living. If the White Aryan Race of Satan goes extinct, planet Earth will never have anything worth living for ever again.**

**This is a wake-up call for White humanity!**

I was really happy, excited and encouraged when I watched this! Just look at how much of Europe is rising up when they show the maps! It was exciting to see that! Whoopee! (bounces in chair) There's even a shot of a protester with a sign that says: Anti Racist is a code word for Anti White! Awesome!

I encountered a LOT of resistance just now when I tried to post this for you to enjoy! The internet suddenly stops working, windows closing themselves, the usual crap. So I'm guessing the enemy doesn't like me spreading the good vibes. Too bad!

Our reverse torah rituals are working! YAY!

Subject: IAO... ABRAXAS

Hello Brothers and Sisters

I've stumbled upon the I-A-O word. In Greek it's been spelled Alpha-Iota-Omega.

Here's a picture of a coin with the letters I-A-O on the second face of the coin

<http://www.darkstar1.co.uk/GR1204a.jpg>

I've done a brief search over the internet and I'm a little bit confused by what I found. The name "IAO" is seems to be connected with Abraxas.

[https://upload.wikimedia.org/wikipedia/commons/5/54/Abraxas%2C\\_Nordisk\\_familjebok.png](https://upload.wikimedia.org/wikipedia/commons/5/54/Abraxas%2C_Nordisk_familjebok.png)

The stone engraving is in Greek and it says "IAO ABRAXAS SAKAOTH"

I've also found a lot of sources that claim the name "IAO" is attributed to the false jewish god

"YHWH". And I'm guessing that the Jews are trying to take ownership of ancient wisdom.

This is what was said in *"Isis Unveiled"*:

It would seem, therefore, but natural to make a difference between the mystery-god [*Iao*], adopted from the highest antiquity by all who participated in the esoteric knowledge of the priests, and his phonetic counterparts, whom we find treated with so little reverence by the Ophites and other Gnostics.

In the Ophite gems of King ("Gnostics") we find the name of IAO repeated, and often confounded with that of *Jervo*, while the latter simply represents one of the genii antagonistic to Abraxas. But the name IAO neither originated with, nor was it the sole property of the Jews. Even if it had pleased Moses to bestow the name upon the tutelary "Spirit," the alleged protector and national deity of the "chosen people of Israel," there is yet no possible reason why other nationalities should receive Him as the Highest and One-living God. But we deny the assumption altogether. Besides, there is the fact that Jaho or Iao was a "Mystery name" from the beginning, for and never came into use before King David. Anterior to his time, few or no proper names were compounded with *Iah* or Jah. It looks rather as though David, being a sojourner among the Tyrians and Philistines (2 Samuel), brought thence the name of Jehovah. He made Zadok high priest, from whom came the Zadokites or Sadducees. He lived and ruled first at Hebron, Habir-on or Kabeir-town, where the rites of the four (mystery-gods) were celebrated. Neither David nor Solomon recognized either Moses or the law of Moses. They aspired to build a temple to, like the structures erected by Hiram to Hercules and Venus, Adon and Astarte.

Says Furst: "The very ancient name of God, Yaho, written in the Greek law, appears, apart from its derivation, to have been an old mystic name of the Supreme deity of the

Shemites. Hence it was told to Moses when he was initiated at Hor-eb -- the *cave* -- under the direction of Jethro, the Kenite (or Cainite) priest of Midian. In an old religion of the Chaldeans, whose remains are to be found among the Neo-Platonists, the highest divinity, enthroned above the seven heavens, representing the Spiritual Light-Principle . . . . and also conceived of as Demiurgus,\* was called [[/aθ]](), who was, like the Hebrew Yaha, mysterious and unmentionable, and whose name was communicated to the Initiated. The Phoenicians had a Supreme God, whose name was trilateral and *secret*, and he was [[/ao]].\*\*\* (*Isis Unveiled*), Vol. II., p. 298.)

And this reinforces my suspicions that the name IAO was stolen by the jews and then was embedded in their teachings, making it appear as if it was their own from the start.

I've also found the numeric values of the IAO in Ancient Greek (the Ancient Greek letters were also used in place of numbers in math and had a numerical value):

I (iota) = 10

A (alpha) = 1

O (omega) = 800

this means that the numerical value of IAO = 811

I've also found that the I (iota) represents the phalus (the male energy), the O (omega) represents the vulva (the female energy) and the A (alpha) represents the one.

I have a lot of unanswered questions on this subject and if anyone has researched this subject please comment on this.

Is the word IAO synonym to God?

Is it related to our Demon Abraxas?

Is the word IAO similar to the IO chant that we use in the Full Raum Meditation?

Write a message Satan Rules Yoga

Shiva is the Lord of Yoga...Who was Dionysus in the West...

As Laurence Garden showed in his book: Genesis Of The Grail Kings that....

"The Serpent Lord was Enki, but in parts of Chaldea He had been called Shaitan."

Shaitan was the Serpent God of the Sumerian's who is also called Enki by them. Enki was also called Oannes who is known as Dionysus in the west and Shiva in the east. The Yezidi's the blonde blood line, were part of Sumer and they still call their God Shaitan they also stated they originally came out of the east from the Himalayas. Shiva is the White God [svarupa] who came from the Himalayas in the texts of the Hindu's. His sacred mountain is still there. Shiva's other name is Shaitan.

The Tibetan's stated they got the Kalachakra tantra, the Bon [the rainbow body tradition] around 17,000 years ago from White Aryan Peoples. Kalachakra is a title of Shiva. Mount Kailash, Shiva's mountain in the Himalayas, is sacred to the Bon's as the Hindu.

Alain Danielou shows in his book: The Gods Of Love And Ecstasy. That Siva and Dionysus are the same God.

The traditional image of the Devil in Folk art is a man with horns, adorned with serpents carrying a pitchfork, wearing animal skins and is the god of fire, forbidden knowledge and Siddhi's and personal freedom, He was called the "Devil of Freedom." He is colored red and associated with the Goat and mountains. Its known and admitted the Devil is taken from Pan. This is Dionysus who is Shiva in the east. The God of the Aryan People. Dionysus and Pan are the same God. They are both depicted the same. As they are the same. Pan is born from His father the Ather [Zeus] like Dionysus, Dionysus is shown as the black goat, or partial goat and man and plays the flute, like Pan. Dionysus was also shown red as well, the color of the rising sun at dawn over the mountain. The symbol of spiritual rebirth. Dionysus was also shown as the eternally young boy which is what the grimoires attribute to the appearance of the Devil and how Shaitan appears to Sheik Adi the prophet of the Yezidi's. And how Siva is shown as Skanda in the east. Dionysus's title in Rome was "Free". The Devil the Witches worshipped on the mountain Sabbat was called "The Devil of Freedom." The Meaning the serpent of freedom. Dionysus was called the "Good Serpent." Which is a play on words. The God Serpent. Which grants Freedom by the opus, Magnum Opus means Great Serpent. The wine of Dionysus is the Kundalini energy. Devil means serpent from Devi the serpent. Dionysus is also shown horned. Dionysus wine cup is the grail. The rites of Dionysus were based on the Kundalini power. As Evola states the rites of such Dionysian, western traditions are identical to those of Tantra.[1]

Shiva is shown red as well in some cases, has the crescent moon on his head like horns, the trident [pitchfork] is adorned with serpents. Is the God of the mountain and fire, Siddhi's and liberation. He wears animal skins is associated with the panther, goat and bull, the animals of Dionysus. Shiva is the God of the wilds and wine as well. The mythos of the birth of the God Dionysus and Shiva as Skanda are the same. Shiva's Gana's are the Korybantēs.

Siva, Shaitan is Lord of Yoga and this is Dionysus.

The point of Yoga as stated in the Tantra is thus:

Outer Vedic ritualistic practices mirror inner Yoga practices balancing the fire and water, Agni and Soma within us. Vedic literature contains the secrets of the practice of Yoga, including the ascending of the Kundalini-fire force and the descent of the Soma nectar that open all the chakras. The practice of Yoga itself arose from the inner Vedic sacrifice in which speech, mind and prana were offered to the immortal Divine Fire present within our own hearts. Vedic deities reflect a profound psychological and spiritual symbolism relative to the practice of Yoga and meditation, not just outer ritualistic concerns."[2]

What do the Tanta's which as stated are the inner or esoteric aspect of the Vedic rituals state themselves?

"Siva first words speak to the goals of every tantric practitioner: "Eternal youth, immortality of the body and the attainment of an identity of nature with Siva. that is , liberation in the body."

"Liberation arises from gnosis(jnana), gnosis arises from the maintenance of the vital breaths. Therefore. where there is stability mercury is empowered and the body is stabilized. Thought the use of mercury obtains a body that is unaging and immortal.

Supernatural powers and bodily immortality, the goals of the tantric practitioner[Siddha].

`So the soul penetrated by initiation [Kundalini fully risen] obtains Siva-hood"

`Therefore the breath overflowing bursting into the medial channel this surely brings immortality'

The piercing of the cakras effects a stadal resorption of implosion of the lower elements into their higher emanates. Thus, when the second cakra is pierced, the element earth whose support is the lowest, the muladhara cakra becomes imploded into the element water, the second element on the hierarchy, and so on, until nothing remains but ether in the cranial vault. The cranial vault, the locus of the ether-both the site at the Siddha techniques for penetration end and that at which mundane existence first begins, when the absolute first penetrates the human microcosm-is the zero point at which the two infinities meet, the point at which "black holes" issue into "Whites holes" This is the precisely the "end" of the process for the creation of the Alchemical Man.when all that remains of the practitioner is the fifth element, ether, in the cranial vault, he arises-out of the cauldron in which his lowering had been dissolved and imploded into its higher emanates as a massive, powerful,perfected Siddha...

The more general phenomenon of penetration or piercing that occurs within the yogic body when the breath, energy, and seed of the yogin embodied in the female kundalini serpent-pierce the six cakras-called cakra-vedhana or cakra bhedana-is also a sexual penetration of sorts, albeit with sexual polarities reversed, given that It is a female kundalini who awakens, stiffens, rises, even rushes upwards towards the cranial vault, the cavity that is the place of the passive male Siva. As the kundalini pierces each of the cakras, great quantities of heat are produced, which refine and gradually transmute the seed that is the stuff of her body: it is this transformed semen that becomes the nectar that immortalizes the yogin who holds in his cranium.  
[3]

This was the sacred knowledge the Yezidi and associated Aryan cultures stated that Shaitan taught them in the Golden age. That of perfection and ascension.

Well, since Aryans and Europeans did the mistake of buying into the Jewish lies, cultural Marxist, Christian Doctrines and all sorts of other gibberish like the "Bad Hitler" story, then, now there are consequences. Which pretty much boil down to the most dangerous times in history for the White Race, this evil Race that has given people from spirituality, to elevated cultures, to money, to education, to shelter and anything else. Of course, the Jew appalls at this stupidity and enjoys the murder taking place. People are dying and others are drinking their emotionally Jewish egalitarian Kool Aid, as their teenage daughters get raped on their way to school.

Somehow, if Whites talk about themselves (just doing what every other Race is allowed to do and is supposed to do) we are evil, egoistical, devils and the list goes. Let alone defend ourselves. Others of course have the rights to complain over their "emotions" and somehow, everyone must shut up. Don't you dare insult the kikes, or there will be issues. Or the Blacks, or the peaceful people of the Middle East who are in fact destroying even their own people, or the Jihadist horde coming into Europe. Because "Muh Emotions" that's why. And because "Muh Holocaust". Well "Muh Emotionz" and "Muh Hollycoz" or "Muh Egalitarian Kool Aid" or "Christianity Injection" can no longer tame what is going to come.

"Muh emotionz say all people must die because I feel like it, thanks to Jooz who gave me a purpose to live". "Muh emotions say I kill you with a machete, beat muh woman senseless, cut her clitoris, rape kidz and evil Westerners. Then I take da loot. Muh emotions and muhstar says is good! I muz do then!"

Kill, Murder, Rape and Enslave Whites and all is fine? Well, its not fine. We are not going to let this happen. We have done our best to now allow it to come to any Gentile Race, and we have been betrayed by almost all others in their entirety, even in the Ages of being invisibly enslaved and parasized for the Jews, we have tried and tried again. Most people who are living a decent life they have followed this prototype we have freely given, no matter the forcible attacks of the Jews against us. Of course, the Jew knows where all this ends. And its not with them being victorious...Its with them losing everything they have. The Jew will lose as he has been revealed and this train is off the rails going to the cliffs for them.

After all, thats what the Immigruntz are bringing in and its their "culture" which we somehow have to respect and admire. We somehow have to also be thankful and accept all this. Rape has become common place, Diseases that have been eradicated for centuries are returning, Xianity is doing its part in stupefying the masses, the states are in economic decline and aside anything else, endless Race Mixing.

Don't hurt the poor brownies. They want to kill you with a machete and take your head, take over your lands by their "Islam" and place the psychopathic Jew as conqueror of the planet. You must stay there and enjoy the trip. Others are rotting in jails of questioning the "Holo-Holey Loopholey Gas Potter Chamber of Secrets", facing fines and brutality just because they open their mouth, these people are just roaming the streets freely calling the next intifada which pretty much means the death of all Europeans, Americans and anyone else...But that's okay, the kikes approve.

At least, this is how the things want to go for the Jews. Of course, we have to soft soap anything. The Brownz are in our Townz, raping goats and cows, women and beating people senseless or murdering in the streets, but all that matters is if one is coined with the term "Razist" (Made by a Bolshevik Jew to undo all opposition), or if they hurt the feelings of anything that is brown. You somehow are compelled by universal decree to get your pants down, get raped and accept another modern Inquisition, as well as the Jewish advances. Somehow you have to die over Jewish invented ideas and the feelings of others.

Subject: frustration

Y'know, I've been telling everyone lately - even the bagboy who helped me with the groceries - about what is happening to Europe right now (the invasion and that it is attempted white genocide) and it is astonishing (though I don't know why I should be surprised) how ignorant people are about it! (at least here in Canada) And when I try to say anything about it, I literally see their eyes glaze over and just today one said she didn't want to hear anything 'unpleasant'! I just can't help thinking are you fucking kidding me?! It's frustrating! I feel like grabbing them and shaking them! Wake up! You know? Online warfare the other day and I got three responses back - calling me an asshole dipshit (or something like that) - I didn't bother following the link's back to the entire message's. I don't really care what shit they say. But, I am not happy about the level of denial and willful blindness. I'm guessing Satan must be pretty frustrated with willful ignorance too...

Subject: Muslim Dead After Rape Attempt on Donkey

Attachments :

Animals, children... that's all these sick anti-life, anti-sex programs [Islam, Christianity and their Jewish root] do is drive followers to sick perversion: preying on and raping innocents instead of seeking out consensual sex.

“Reports say that the man tied the donkey to his car, took off his pants, and attempted to have sex with the animal. The donkey, however, was not about to let that happen, and allegedly, it proceeded to kick the Sheikh man in the face following by three strong kicks to the chest. The man fell to the ground and allegedly suffered for some time before dying next to the angry animal.”

GOOD FOR THE DONKEY!! HE GOT WHAT HE DESERVED!!

Pools Closed Cause Brownz Sex Attacks And Excrement

Children are being sexual assaulted, raped and terrorized by Brownz and Jews as the Jews brought the Brownz here to rape, murder and terrorize White People. Because the Jews openly stated they want to abolish White People from existence. That means fucking kill you. Which is what is going on here.

That Jews just repeating what the Elders of Zion put into policy awhile ago.....

White Racism and anti-Semitism is not the problem. Not enough White Racism and Anti-Semitism is the problem. Pure White Racism means you don't tolerate your children being racially targeted for rape and murder by Brownz and Jews. That why Brownz and Jews don't like White Racism. It means the racial rape train comes to a full stop and stays that way.

If itz Brownz.....flush it downz!

Two 11-year-old girls are said to have been sexually harassed in a swimming pool in Wilhelmshaven. The children were apparently touched in intimate places by several men in the Nautimo whirlpool. The incident occurred on Saturday later did the girls tell one of their mothers. It has been stated in social media the attackers are refugees.

Zwickau: Invader Degeneracy Closes Sauna

<http://newobserveronline.com/zwickau-in...ses-sauna/>

The Glück-Auf swimming hall in the German town of Zwickau, Saxony, has been forced to temporarily close its prized facilities after a swarm of nonwhite invaders repeatedly defecated in the children's paddling pool, masturbated in the sauna, and sexually harassed girls and women

The latest outrageous Third World behavior in Germany by the "refugees" follows weeks of serious sexual attacks and violent criminality which has erupted

across Germany since Angela Merkel declared her country open to anyone who could get there.

News of the events at Zwickau only became public after an internal report on the incidents, prepared by office manager Rainer Kallweit, dated January 19, 2016, was leaked to the newspaper Bild.

According to the letter, an “asylum seeker masturbated in the hot tub and ejaculated into the basin. This is also recorded on the surveillance camera . . . the lifeguards threw him out.”

“The asylum seeker came back with his friends and with their cell phones, started taking selfies in the hot tub,” the letter continued.

The day before, it said, “eight foreign men” harassed women in the sauna, with the result that in the future when women are in the facility, it will be closed [to asylum seekers].

The letter continued with a litany of outrages: “A group of “young, unaccompanied women and children with caregivers came to the swimming hall on January 9. Since none of them could swim, they used the training pool” (what in English would be known as the “paddling pool,” or children’s pool).

“The refugees defecated in this pool while using it, forcing the native Germans to immediately leave the area,” the letter said.

“Furthermore, the lifeguards have to protect women and girls from the asylum seekers. Young men tried to forcibly enter the dressing room reserved for the women and girls.”

To add insult to injury, the “refugees” had all been given free access to the swimming hall—unlike the German residents—but had been required to pay for the sauna.

However, it transpired that they refused to pay for access to the sauna, and used their numbers just to push past the barriers.

“When prompted while checking in that they should pay extra, they just turned around and laughed, and went in,” the letter said.

How dare she not want to be culturally enriched like this Swedish woman.....

[https://www.youtube.com/watch?v=rSOOsmv7A\\_I](https://www.youtube.com/watch?v=rSOOsmv7A_I)

Nearly a dozen afghans raped of a 29-year old mother of two, a caretaker non-stop for 7 hours.

Seven-hour non-stop gang rape by 12 Afghan muslim refugees was the 'most gruesome rape marathon in Sweden's history,' say prosecutors. The rape was oral, anal, and vaginal, with up to three rapists in her at the same time. Only 7 of the 12 rapists were convicted.

The other Muslim onlookers were clapping and cheering and calling the woman a "whore" and a "slut," how Muslim men describe unveiled women. The victim is now confined to a wheelchair, suffering severe mental distress. The Swedish media concealed the ethnicity of the perpetrators and quickly removed the story. Swedish socialists say it would be "racist" to deport the rapists.....

Remember White Racism and Anti-Semitism are not the problem not enough White Racism and Anti-Semitism is the problem because Jews and Brownz are the problem.

The Jews even brag they are behind all this.

A 17-year-old Danish girl who used pepper spray to defend herself from a rape attack by a nonwhite invader "refugee" in the southern city of Sønderborg will now be prosecuted under the Firearms Act, local police have said

According to the Danish TV channel TV Syd, the 17-year-old was set upon by the nonwhite invader at 10 at night. The attacker, described as a "dark-skinned English-speaking man," grabbed the girl by the arm and told her in English that she had to come with him.

She resisted and pulled herself free, whereupon he pushed her over and jumped on top of her, at the same time unbuttoning her pants in preparation for an attempted rape.

The girl managed to pull a pepper spray out of her pocket and sprayed the nonwhite in the face, whereupon he sprang off her and ran away, police spokesman Svend Erik Lassen said

The case is being investigated as attempted rape, but it is the charges which have now been brought against the girl which have received media attention in Denmark.

According to the Danish Firearms Act, it is illegal to possess and use pepper spray—even though it is freely available across the continent and there is no active attempt to prevent its importation, as the Sønderborg case shows. Possession of pepper spray can result in fines and up to three months in prison.

Sønderborg lies on the German border, and it is likely that the victim obtained the pepper spray in Germany, where sales of the self-defense spray have rocketed following the ever-increasing rape-fuguee sex attacks on white women.

“It is illegal to be in possession of, and using pepper spray, so she probably will be charged,” the head of the Sønderborg police, Knud Kirste, told TV Syd. He would not say whether the indictment could be waived because of extenuating circumstances of self-defense.

According to the Danish tabloid BT, police are already investigating a link between the attack and “problems with the local asylum seekers who have attacked other girls” in the city at night.

A local nightclub owner in Sønderborg told BT that ever since a former military barracks in the town had been transformed into an “asylum center,” the sexual harassment had started at the nightspots.

Another article revealed that in the wake of the news about the Sønderborg attack, many other complaints have been received about sexual harassment carried out by nonwhite invader “refugees” in Thisted, where a new “asylum center” housing 400 nonwhites was built only two months ago.

There are now so many “harassment problems in the city” that the council’s children and family director, Lars Sloth, said that “preventative measures” have had to be taken.

He did not say what these measures were, but said that “Thisted recognizes that there is a problem in relation to several girls in nightspots having been harassed by the city’s refugees.”

In addition, media said, there have also been a number of clashes between “citizens and asylum seekers” after several young women were harassed.

I also want to add here to what High Priest Jake stated. JoS Ministry has worked with Adolf Hitler, our Antichrist, on the astral. Xianity is an abomination to him. One of the very first projects he had me do was put up this website:

[http://spiritualwarfare666.webs.com/Third\\_Reich.htm](http://spiritualwarfare666.webs.com/Third_Reich.htm)

Also, allegations that he was an xian are ludicrous. Can you picture him floating around up in heaven on a cloud, strumming a harp? Now let's get real.

All of the legitimate top Nazis went to Hell. Real important ones like Himmler were personally escorted there by Satan himself, by Lilith and other High Ranking Demons.

This is again, a lie. Religiously they might have had the misfortune to somehow get into jewish religious crap at some point in their life (very few to none of them), because all spirituality that existed at this time was embeed by jewish filth. This is the same lie about how the enemy, when they like this, they portray being a jew as a religion and then, as a Race. While its just a Race. This must be cleared. They do this thing about any celebrity and such and any important person, to confuse and keep everyone confused. Racially, nobody was jewish by any strain of imagination.

Buddhism Doctrine Of Evil

This is from an answer to a question on the forum I gave:

In Buddhism the only being that makes any sense is Mara. He is the god of desire and fulfilments of material existence. Buddha just states have no desire's so that the energy of the elements that forms you will dissipate so when you die the psychic aspects of the elements will fizzle out on the astral and you will cease to exist as its desire that holds them together and gives them meaning. As Buddhism preaches you have no soul, no Atman. Thus you don't actually exist as a soul consciousness. What you perceive as yourself is illusion. Your just a recycling of five elements nothing else. When you realize this deeply its suppose to cause a psychic wave that releases the power of the elements causing the dissolution of existence upon your death. This is the meaning of enlightenment in Buddhism.

Nirvana in Buddhism means literally extinction. Buddhism states EXISTANCE is suffering and that EXISTANCE has an END. That end is EXTINCTION. So if you obtain Nirvana you literally cease to exist. Lights out forever.

Mara is the god of existence and life. Buddha is the god of death and annihilation. Buddhism exists to bring death, destruction and annihilation on all life. Buddha is actually an evil character that preaches hatred for all life and the purposes of life. Buddha preached an evil doctrine that is identical to the what to the evil doctrine the fictional Nazarene preaches on the mount. This has been noted by scholars.

This is why having Buddha statues is heretical in Buddhism the form of Buddha that of Gautama is actually Mara. Because its an existing being thus the realm of Mara. MA...water....RA...fire, the two elements that generate all existence forever. The actual Buddha is literally nothing, total extinction

Write a message...Russia & Israel Partners Against Holocaust Denial

The fact is the Holocaust Potter and the Gas Chamber Of Secrets stories are so nonsensical and outrageous in there fairy tale level of claims. The Jews have to make it illegal to question them.

No surprise this is coming from Jew run Russia.....

"The Jew, Abramovich is chairman of the Federation of Jewish Organizations in Russia (who are allied with the Putin administration) and he also donates money to the Jewish Chabad-Lubavitch movement. Chabad-Lubavitch is an orthodox Jewish movement. Appointed Putin and Medvedev [My note Medvdev is according to Jewish archives his surname is Mendel]

Abramovich was the first person who recommended Boris Yeltsin to choose Putin as his successor. When Putin formed his first cabinet of prime minister in 1999, the Jew Abramovich was the one who first held "personal interviews" with each of the candidates before they were approved. After that, Abramovich remained one of Putin's closest allies."

Putin was put into power by the Federation Of Jewish Organizations In Russia. The Jewish Chairman of this organization Abramovich stated in a 2005 interview that Putin could obtain Israeli citizenship if he wanted as an ethnic Jew. And that his mother was a Jew Shelomova. This makes Putin full Jewish by Jewish law.

Something damning in the first addition of Putin's book: First Person: An Astonishingly Frank Self-Portrait by Russia's President. It states his mothers maiden name was Shalomovitch which is a Jewish surname. But this is changed to Shelomova in the second addition which is an attempt to cover this up:

'Russia & Israel Partners Against Holocaust Denial'

Russia and Israel are partners in the struggle against revisionist history, Russian officials said. Russian officials gathered to commemorate the victory of the Red Army over Nazi Germany at a monument in Netanya.

Russia and Israel are partners in the struggle against Holocaust denial, says Valentina Matviyenko, head of the Federation Council of Russia.

Matviyenko attended a memorial ceremony in Netanya on Wednesday together with a number of regional council members and members of Knesset at the National Monument Commemorating the Victory of the Red Army Over Nazi Germany.

"The Netanya monument is a symbol of a shared memory and symbolizes the brotherhood of nations," Matviyenko said, referring to Russian-Israeli partnership and friendship.

She also mentioned the current challenge faced by both Israel and Russia in fighting against false narratives

of World War II and the Holocaust.

"Russia and Israel are partners in the struggle against the falsification and revision of the history of World War II. Together, we are partners in the struggle against Holocaust denial because any attempt to deny the Holocaust is a crime."

Knesset Speaker Yuli Edelstein also spoke at the ceremony and expressed his gratitude on behalf of Israel for the Soviet victory over Nazi Germany.

"This is an expression of our profound gratitude to the Red Army," said Edelstein. "This impressive monument has also been central in allowing us to salute and remember the past. It has allowed us to build the present and the future here in Israel."

Edelstein expressed his desire for the Russian-Israeli relationship to continue advancing and growing. "I hope that we succeed in tightening the cooperation between Israel and Russia, and the Chairman of the Federation's visit expresses this important task," added Edelstein.

The National Monument Commemorating the Victory of the Red Army Over Nazi Germany was inaugurated in June, 2012 at a ceremony attended by Israeli President Shimon Peres and Russian President Vladimir Putin

I get the feeling he thought I was a girl until I turned around because I have long hair and then he looked like he wanted to stab me to death twice as hard!

This isn't in Europe btw, this is right here in northern JEWsa where right now its cold as FUCK!

I wanted to pull this mud savage out of his car and snap his chubby neck just for the way he was looking at me!

And he DEFINITELY gave off an aura of wanting to kill me just for being white and 2 for getting his rapist ass's hopes up!

These fuckers are in JEWmerica too and they're just as insane and rape driven!

ah this is the same problem I have. I'm 250lbs of muscle now but my skin is still loose like a bag of ass because before I started adding muscle to fill it in I had to cut away half my body weight. Aside from biokinesis the only thing that will really work is replacing the fat with muscle. And even then you're still going to be huge, just a huge tank of muscle instead of fat.....

I still need to double my muscle mass before my skin is tight enough to look it's best. So I definitely know what you're talking about.

All this because a bunch of kike psychiatrists drugged me as a kid so I'd be too fucked up on drugs to work out and it nearly killed me.

THANKS JEWS.

World Jewish Congress and Official German Jewry Welcome Nonwhite Invasion  
[http://newobserveronline.com/world-jewi ... -invasion/](http://newobserveronline.com/world-jewi...-invasion/)

The Jews are of course welcoming what they themselves have created, planned and executed on the White Race and nothing else.

Also note from the article:

"Germany's two largest Christian churches, the Roman Catholic and Lutheran denominations, have also come out in favor of the nonwhite invasion."

Lets not forget:

Pope Francis brands rejection of migrants 'an act of war'  
[http://www.independent.co.uk/news/world ... 48215.html](http://www.independent.co.uk/news/world...48215.html)

"In June, the Pope said countries that turn away migrants would need to seek forgiveness from God for their actions."

The EU was created by the international Jewish dynasties of Rothschild, Warburg and Baruch. You can see right in the autobiography of their major Jewish, front man and political advocate, Kalergi what they planned:

[https://en.wikipedia.org/wiki/Richard\\_N...ve-Kalergi](https://en.wikipedia.org/wiki/Richard_N...ve-Kalergi)

According to his autobiography, at the beginning of 1924 he came through Baron Louis de Rothschild in contact with Max Warburg who offered to finance his movement for the next 3 years giving him 60,000 gold marks; Warburg eventually remained sincerely interested in the movement for his entire life and served as an intermediate man as to bring him in contact with influential personalities in America such as banker Paul Warburg and financier Bernard Baruch accompanying him there. In April 1924 Coudenhove-Kalergi founded the journal Paneuropa (1924-1938) of which he was editor and principal author. The next year he started publishing his main work, the Kampf um Paneuropa (The fight for Paneuropa, 1925-1928, three volumes). In 1926, the first Congress of the Pan-European Union was held in Vienna and the 2,000 delegates elected Coudenhove-Kalergi as president of the Central Council a position he held until his death (1972)."

Kalergi laded out the blue print for the destruction of the White European Race in such an order as the Jewish run EU in his book:

In his book Praktischer Idealismus (Practical Idealism),

"The man of the future will be of mixed race. Today's races and classes will gradually disappear owing to the vanishing of space, time, and prejudice. The Eurasian-Negroid race of the future, similar in its appearance to the Ancient Egyptians, will replace the diversity of peoples with a diversity of individuals. [\*\*\*] Instead of destroying European Jewry, Europe, against its own will, refined and educated this people into a future leader-nation through this artificial selection process. No wonder that this people, that escaped Ghetto-Prison, developed into a spiritual nobility of Europe. Therefore a gracious Providence provided Europe with a new race of nobility by the Grace of Spirit. This happened at the moment when Europe's feudal aristocracy became dilapidated, and thanks to Jewish emancipation."

Now its happening.

Elder of Zion Soros the front mover for the Jewish global dynasty of the Rothschild's has admitted the role of Global Jewish power in deliberately attacking White Europe with the invasion happening:

[Jew] Soros Funding Nonwhite Invasion—Hungarian Mayor:

<http://newobserveronline.com/soros-fund...ian-mayor/>

George Soros and his Open Society Foundations (OSF) are one of the groups actively funding illegal immigration into Europe, the famous Hungarian mayor of the town of Ásotthalom, László Toroczkai, has said.

"Billionaire investor George Soros [my note Jew] has confirmed he wants to bring down Europe's borders, following the accusation made last week by Hungarian Prime Minister Viktor Orban."

<http://www.breitbart.com/london/2015/11...-obstacle/>

Jewish executive of the most powerful global banking industry on earth, Jewish global banking power, Goldman Sachs is running the Global policy making for Europe migration and this is what the Jewish Oligarch demands:

<http://www.bbc.com/news/uk-politics-18519395>

The EU should "do its best to undermine" the "homogeneity" of its member states, the UN's special representative for migration has said.

Mr Sutherland, who is non-executive chairman of Goldman Sachs International and a former chairman of oil giant BP [my note Jewish Rothschild company], heads the Global Forum on Migration and Development , which brings together representatives of 160 nations to share policy ideas."

Go down to the EU political class these international Jews own and the Jews there are stating the same. These are not even shells but the Jews themselves:

Jewish former President of France, Sarkozy, lets all out on the table from a speech he made while President:

"What is the Goal? The Goal is to meet the [Jewish run] EU challenge of interracial marriage, its not a choice its an obligation"...

The Icon of Evil, of the whole invasion Merkel is also Jewish and doing the bidding of her tribe.

[https://en.wikipedia.org/wiki/Angela\\_Merkel](https://en.wikipedia.org/wiki/Angela_Merkel)

Merkel was born Angela Dorothea Kasner in 1954 in Hamburg, West Germany, the daughter of Horst Kasner (1926–2011), [18][19] a native of Berlin, and his wife Herlind, born in 1928 in Danzig (now Gdańsk, Poland) as Herlind Jentzsch, a teacher of English and Latin. Her mother was the daughter of the Danzig politician Willi Jentzsch and maternal granddaughter of the city clerk of Elbing (now Elbląg, Poland) Emil Drange. Herlind Jentzsch was once a member of the Social Democratic Party of Germany and briefly served as a member of the municipal council in Templin following the German reunification. [20] Merkel has Polish ancestry through her paternal grandfather, Ludwig Kasner, a German national [21] of Polish origin from Posen (now Poznań). [22] The family's original name Kazmierczak was Germanized to Kasner in 1930

Kazmierczak is a Jewish surname:

<http://mail.blockyourid.com/~gbpprorg/j...lement.htm>

. Kazmierczak derives from Kazimierz, a major Jewish city in Poland, made especially for Jews outside of Cracow. Kazimierz (Latin: Casimiria; Yiddish Kuzmir) is a historical district of Kraków (Poland), best known for being home to a Jewish community from the 14th cent.

Kazmierczak is a name for a Jewish Cantor:

<http://www.4crests.com/kazmierczak-coat-of-arms.html>

This Jewish surname of KAZMIERCZAK was an occupational name for a cantor in a synagogue. The name was derived from the Hebrew CHAZAN, and it also spelt CHASAN, HAZZAN, KHAZAN, CHASINOFF, KHAZONIVCH and CHASINS, to name but a few. Many of the modern family names throughout Europe reflect the profession or occupation of their forbears in the Middle Ages and derive from the position held by their ancestors in the village, noble household or religious community in which they lived and worked. The addition of their profession to their birth name made it easier to identify individual tradesmen and craftsmen. As generations passed and families moved around, so the original identifying names developed into the corrupted but simpler versions that we recognise today. A notable member of the name was Elia KAZAN originally KAZANJOGLOUS, born in 1909, the Turkish-born American stage and film director, born in Constantinople. He founded (with Lee Strasberg) the Actors Studio in 1947 with its emphasis on 'Method Acting'. His Broadway productions include the works of Wilder, Arthur Miller and Tennessee Williams. His films include 'A Streetcar Named Desire' (1951) 'East of Eden' (1954) and 'The Last Tycoon' (1976). Between 1880 and 1914, almost three million Jews left Eastern Europe, representing the most extensive migration in Jewish history since the expulsion of Jews from Spain at the end of the 15th century. Most of the emigrants fled from Russia, where pogroms had raged, and where the laws of Czar Alexander III had oppressed Jewish life. Most of the emigrants departed from Hamburg and went to the United States, but some emigrated to Australia, Argentina, Brazil, Canada and South Africa. While the vast majority of the immigrants to America came through Ellis Island from 1907 to 1914 thousands of East European Jews participated in a little known episode in American Jewish history. They migrated through the port of Galveston, Texas and then were routed to towns throughout the Midwest where lodging and jobs awaited them.

Kazmierczak also means: "Son of Kazimeriz".

As this Polish site states Kazimeirz is the name of the ethnic Jewish quarter and community:

<http://www.cracowplanet.com/page.php/id...kov-poland>

The old Jewish Quarter is located in Kazimierz district, about 15 minutes of walking from the Main Square (following Starowi Ina or Stradom Street). Kazimierz was established as the separate city nearby Krakow in 1335 by the king Kazimierz the Great. In 1495 a Jewish town was founded in the neighbourhood, where all the Krakow's Jews moved after the routs that took place in the city. Jewish Kazimierz started developing as the trade and religious centre, what led to its heyday in the 16th-17th. Then the Polish Kingdom was the shelter for thousands of the Jews escaping from the persecutions and prejudice in different European countries. Krakow became the vivid international center of Jewish culture with numerous schools, Talmudic academy, famous rabbis, cabbalists, thinkers. In 1812 the Jews were allowed to settle down in all the districts of Krakow, several years later Kazimierz was incorporated into the city. Before World War II Krakow was inhabited by 65 thousands of Jews. It is worth reminding that before 1939 Poland with 3,5 million Jews, was the biggest Jewish community in Europe. Today the Jewish Community of Krakow has no more than 300 members.

Merkel's grandfather came from Poznan which had one of the largest Jewish communities in Europe:

<http://www.yivoencyclopedia.org/article.aspx/Poznan>

City in Wielkopolska province, Poland; known in Hebrew and Yiddish as Pozna and in German as Posen. Pozna 's Jewish community was one of the earliest to be established on Polish soil; the first reference to Jews living in the town comes from 1379. While tradition dates the town's synagogue to 1367, there is no documented evidence of its existence until 1449 (the cemetery, however, was first mentioned in 1438). In the second half of the fifteenth century, a legend declared that in 1399 some Jews in Pozna had committed a Host profanation. The same period also saw the establishment of Pozna 's famed yeshiva, known as Lomde Pozna

Merkel also is Jewish from her mothers side of the family:

[https://en.wikipedia.org/wiki/Emil\\_Drange](https://en.wikipedia.org/wiki/Emil_Drange)

Emil Drange (born 18 March 1866, died 8 April 1913 in Elbing) was a German municipal official who served as the city clerk (Oberstadtsekretär) and deputy mayor of Elbing and thus as one of the top municipal officials of the city. He was the great-grandfather of German Chancellor Angela Merkel, and has received media attention in Poland in recent years.

He was born in East Prussia. His father was a miller who had been born in Lower Silesia, and his mother was a native of the Posen (Pozna ) area.[1] His wife Emma Wachs.....

As we can tell the Jews don't believe any of the racial egalitarianism and open borders, they push on us. Take a look at the leaders of the Jewish state and their polices:

World Jewish Congress and Official German Jewry Welcome Nonwhite Invasion

[http://newobserveronline.com/world-jewi ... -invasion/](http://newobserveronline.com/world-jewi...-invasion/)

December 12, 2015 by TNO Staff—in Europe, Third World Invasion of Europe: Must Reads- 13 Comments

The World Jewish Congress and the Central Council of Jews in Germany have issued a formal statement welcoming the nonwhite invasion of Germany, calling it the "right thing" and an "evolution towards an open society."

At the same time, of course, both Jewish organizations back Israel, which has a Jews-only immigration policy and which checks potential immigrants to see if they have Jewish DNA

In a formal statement published in Die Welt newspaper in Germany, titled "Wir Juden wissen, wie bitter Flucht ist" ("We Jews Understand What Being a Refugee Means"), Ronald S. Lauder, president of the World Jewish Congress (WJC) and Dr. Josef Schuster, president of the Central Council of Jews in Germany and a vice-president of the WJC, attacked all Germans who oppose the flooding of their country by nonwhites, calling them "neo-Nazis."

"We are witnessing a huge wave of spontaneous civic involvement, and administrative decisions are being taken much more quickly than used to be the case in Germany. This has won Germany new sympathies world-wide," the Jewish leaders wrote.

"For many years, there were complaints about the country's unwillingness to become a country of immigration, and about a lack of a 'culture of welcome'. Given what we saw over the last weeks, that's obviously not the case at all," Lauder and Schuster continued—ignoring the fact that their country, Israel, arrests, detains and deports Third Worlders who try to settle in the Jews-only state.

"The Jewish community, both in Germany and world-wide, welcomes this evolution towards an open society. It is the right thing."

Also ignoring the fact that the Jewish lobby and the Jewish state is the cause of all the violence in the Middle East, the two Jewish leaders went on to claim that the wave of "refugees" from Syria are fleeing because of "religion."

#### READ Tank Float: Prosecutors Investigate

In reality, of course, the official figures show that over 70 percent of the "refugees" are not even from Syria, but from other Third World countries—none of whom would be welcome in Israel.

Furthermore, the Israeli state—which both Lauder and Schuster support—has made it absolutely clear that it will not take a single genuine refugee from Syria, and have even built a new wall to prevent any refugees from entering the Jews-only state.

The two top Jews then went on to demand that the flood of nonwhite invaders be distributed around to all European nations:

"What is needed now is not only a just allocation to the various countries, but also longer-term support. Winter is around the country, and the refugees need good housing. It won't suffice to provide them with tents, or pretzels, or teddy bears."

The Jewish leaders were also at pains to point out that the new flood of nonwhites had to become supporters of Israel and to believe in the Jewish Holocaust story:

"It's also important that those who at present can't return to their home countries will become familiar with our Western values. In Germany, that means respect for the values enshrined in the Constitution and also an acceptance that support for Israel is part of the political DNA of this country. Moreover, society by and large agrees that the Holocaust must be remembered."

The two top Jews then went on to condemn any Germans who might be opposed to the invasion, warning against not only physical opposition, but even peaceful political opposition:

"However, the images of the Good Germany we are currently seeing should not hide certain negative aspects: There are still attacks on asylum seekers' homes, and there could be a backlash at the next

elections in favor of certain political parties seeking to capitalize on fears in regard to the refugee crisis.”

In Israel it is the norm for political parties to be ultra-xenophobic, and to outlaw marriage between Jews and non-Jews, as well as between homosexuals—all things which Lauder and Schuster, and their communities in all Western nations, would condemn if practiced by any European nation.

READ Asylum Seekers? Not in Israel

The hypocrisy is staggering: on the one hand, the organized Jewish community in European nations demands that Europeans accept the Third World invasion, while on the other hand, they all fanatically support Israel which has overtly racially-based immigration policies and which actively expels any Third World invaders who might slip in.

•Germany's two largest Christian churches, the Roman Catholic and Lutheran denominations, have also come out in favor of the nonwhite invasion.

guys, the OP is asking how to deal with the loose skin AFTER losing weight, not how to lose weight. Common sense dictates losing weight means get off your ass and exercise as well as cutting junk food and any other toxic crap out of your diet.

Trust me, once I finally got off the damn psychiatric drugs that fucked up my metabolism and made me fat as fuck until age 19

I went from 310lbs to 170lbs in a year. once those drugs were out of my system I felt great and had so much energy that working out all day long was easy.

I waited until after cutting away the dead weight before trying to add muscle and so far I've added 80lbs of muscle to fill in the loose skin and it IS slowly working and I'm more than 5 times stronger than I was when I started lifting 2 years ago.

However now that my metabolism is back to its normal hi speed, (before the jews started drugging me I was the skinniest kid in class because I burn everything so fast) my body is stuck at this current weight because 1, I'm poor and cant afford a decent high protein diet for powerlifting/bodybuilding (THANKS JEWS), 2 my metabolism is so fast.

So yes I know from experience how fucking disgusting it is to deal with all that loose skin after extreme weight loss and the only thing aside from biokinesis or surgery (who can even AFFORD that kind of surgery?) that works is to fill everything in with muscle.

So in my own experience you're either stuck with replacing the fat with muscle, getting surgery to fix the skin or becoming spiritually evolved enough to do bio-kinesis.

I found this video below, which was quite reasonable with many good sources. I think it's well worth watching. They say that Hitler was anti-Christian and he described the Christian religion as an early form of Bolshevism, created by the Jews.

I was following the lead of Adolf Hitler when I wrote that he accepted thousands of part Jews in his military who were loyal to National Socialism and to himself. You can look up the evidence for this. Dennis Wise cites this in The Greatest Story Never Told, videos.

The myth of "honorary aryan" is just that: a LIE invented by jews to sow disinfo and it is no more "documented" than those phony claims Hitler was the "grandson of Rothschild".

Do you honestly believe a spiritually aware man like Hitler, or any of the Waffen SS members who can also sense the auras of other beings would allow creatures as vile and sickly as those with jewish blood ANYWHERE NEAR them?

Even the LOWEST levels of spiritual awareness that allow you to sense the vile aura of a jew make you feel sick just being NEAR them!

It is a myth that Jews were called honorary Aryans is completely rubbish, but from my research I have found nothing claiming that honorary Aryans was a lie. Aryan means noble as well as meaning the White Race of Satan, but when Hitler or Himmler said Honorary Aryans they meant Aryan in the sense of nobility and spiritual standing.

We all know that Adolf Hitler never had any Jews murdered, but despite certain "Hitler didn't hate all Jews" revisionists who write books titled "The Lives of Hitler's Jewish Soldiers," we, Satanists, not Buddhists are chosen by Adolf Hitler. Adolf Hitler, who has chosen to be very close to me, has said that he was and is a Dedicated Satanist. He wasn't a Christian, he wasn't a Buddhist, and he wasn't a Hindu. One time, when Hitler was discussing his involvement with Yoga, me made a joke about the Buddha, and claimed that it isn't his goal to find himself trapped within one of the many fat-folds of the Buddha.

Brian, I am not disrespecting your Buddhism, Brian, but you seem to think that Adolf Hitler, the Thule Society, and National Socialism can relate to Buddhism in some way. This is a schizophrenic world-view and denial of reality. If you want to be a National Socialist, you have to be a blood-dedicated Satanist. Buddhism won't cut it.

Something that has been over looked is simple and known. Hitler didn't have that much control over the Army he had to make a political pact with the Army, the Junker class [who were xians] who were his enemies and tried to assassinate him many times. And acted as fifth column sending information to their enemies during the war. And causing the loss of important battles like Stalingrad by purposely disobeying Hitler's orders. The Junker's were responsible for the defeat of Nazi Germany.

Now the one institution Hitler had total control over was the SS and no Jewish people or any Jewish blood were allowed to join Hitler's ranks. Hitler also needed the SS to protect himself from the Army. And protect the National Socialist revolution from its enemies. The SS was the seed of the Nazi Order that was to be the total future of Germany. You have to look at the SS to see what the entire German society was to become under Hitler. And to understand Hitler's will.

Dennis Wise has mistakes in his work this is due to conformation bias as he is a Christian and is promoting the lie by deliberate purpose Hitler is Christian. Despite the fact from Hitler's own actions and the statements of those close to him that lived thought the war stated. Hitler hated Christianity. Wise, like any Christian ignores this on purpose. Because Wise's god is a Jewish man from the ancient Hebrew region of the Levant and Wise's religion ends with him and the earth being ruled by a Jewish man and 144,000 elect Jews due to the laws of the Jewish race. Naturally Wise can't help but to promote the Jewish race he worships as his lord god and masters. Wise is already conquered by Judah on the meta level.

"High Priest Jake Carlson" I like how you said "He wasn't a Christian, he wasn't a Buddhist, and he wasn't a Hindu."

As Pagans -- Satanists -- we were the first religion, thus all religions are a derived from us in some way shape or form. This leads me to believe that Hitler had a firm understanding of most religions and could easily debate a Christian or a Jew with his religious knowledge.

Why is that relevant -- Because he could have had many religious debates and was so knowledgeable that the people listening in thought he was of that religion.

Do you have any knowledge on this?

I think this is a situation where we need to check our sources of history to be sure whether or not Hitler had thousands of part Jews in his military. I've seen that at at least two or three sources but now need to check this to see if my sources were false. I'm not offended at all if people point out where I'm mistaken on history. I welcome that and I have learned a lot that way.

Brian many people are confused of why there were some Jews in Nazi Germany's armies, I wrote this a while ago to clear up this confusion:

<http://deathofcommunism.weebly.com/jews-in-hitlers-armies.html>

**Jews in Hitler's Armies?**

The claims of Jewish "soldiers" is because there were traitors among the Officers of the Wehrmacht and SS who disobeyed direct orders. The fact is that the reason for the Jews to come in both is by no idealism, but the same as they do today in NSM and occult organizations. They would repeat in the NSDAP the same they did with Freemasonry, Golden Dawn and Rosacruci Order, or the same as is "Neonazism" (full of Jews). The same today that "anti-Zionist" Orthodox Jews who love to pose for anti-Israel photos... And right after the run to the synagogue to pray for our decadence... The right-wing Jews or whatever, to protest against the invasion of Gaza... Because they simply do not want to serve in the army. From them, no kind of idealism may arise, any attempt

to enter gentile organizations is to disseminate discord and destroy them from within.

The Nuremberg laws were too lenient and that was part of the reason NS Germany did not have better results in the second Jew war. All and any descendant of Jews, regardless of the mix level, should be totally banned from public life and strictly prohibited from marrying any Gentile, be a citizen or subject of the State. But it's forgive, partly because at their time there was not DNA testing and all they had to do was a long and arduous research in the lineage of individuals.

About the free Middle Easterners, don't confuse it with accepting Islam. It was very good the initiative to open the Freies Arabien and Indische Legion, and this truth breaks many myths about NS, but some revisionists make a confusion about it. They try to mix this with "acceptance of Semites" or compare it with the case of Jewish "soldiers" (infiltrators) which is totally different or, sometimes, that "NS is not racist, therefore accepts race mixing". The fact is that practically all nationalities, races and creeds willingly took part alongside with Hitler. Now they did it for the good of each peoples because anything would be worse than global communism, which does not mean their "religions" were fully accepted, since even Christians and Muslims could fight Judaism, going in favor of their racial/spiritual nature and against their Semitic religions which demand them to worship Jews in the form of Jesus or Mohammed. There are many pictures of multiracial troops in Hitler's forces, but one thing is to fight for the common good, another quite different is accept mongrelization, spreading Jewish religions or live as citizens within Germany and vice-versa. Each one fought for the good of their own peoples separately.

It really does not matter if the sources of books wrote by mainly by Jews say Hitler had part Jews in the German Army. Due to the fact as mentioned Hitler didn't have much control over the Army as seen before and during the war, the Junker's ran it mostly as their own establishment. The SS was Hitler's establishment that was in his own total control and loyal to him. You have to look at the SS to understand Hitler's political ideals that is were he was able to actualize it fully without outside interference.

Hitler actually didn't have the close to total power people think he did till towards the very end of the war and then whatever the Reich was already defeated. Hitler had to contend with the old order power establishment and work within Germany society as it was when he became the Chancellor onwards. there was a power stratification within the German power establishment. The Army threat a military coup against Hitler and tried to pull a coup off against him with the Wolf's Lair plot. It was only stopped at the last minute because Hitler didn't die and Otto Skorzeny who as an SS officer was in charge of Berlin at the time managed to pull of a miracle move and stop the coup on the ground at the center office of it. The Army was positioning itself all around the Party and SS offices at this time waiting for the orders to go into action and remove the Party from power and replace it with a new government of the Junkers and their Army.

Remember Hitler created the SS to protect the Nazi state from the Junkers in the first place. He need loyal men and the SS was Hitler's Army.

Also its my opinion from studying the Reich and war for years. If Hitler had the total power of absolute dictator the war would have been won quickly. But they would have needed a total purge of the Army first before the war. Which seems to have been weighted but they didn't have the power to go head on with the Army. It would have caused a civil war.

Thank you HP Don. I would like to emulate the SS. I was on Red Ice radio for a second time and Henrik was asking about the Thule Society in the last quarter of the two hours. I repeated some things I learned from your emails about Hitler's spiritual practice and soldiers seeing him muttering to himself during WW I as he was apparently chanting, and what you wrote about his teenage spiritual interests. The Red Ice Show should be out about Wednesday and I do want to thank you so much for your advice. I do need to study this more but time gets divided between various things of course. I will read more on the JOS site.

It really does not matter if the sources of books wrote by mainly by Jews say Hitler had part Jews in the German Army. Due to the fact as mentioned Hitler didn't have much control over the Army as seen before and during the war, the Junker's ran it mostly as their own establishment. The SS was Hitler's establishment that was in his own total control and loyal to him. You have to look at the SS to understand Hitler's political ideals that is were he was able to actualize it fully without outside interference.

Hitler actually didn't have the close to total power people think he did till towards the very end of the war and then whatever the Reich was already defeated. Hitler had to contend with the old order power establishment and work within Germany society as it was when he became the Chancellor onwards. there was a power stratification within the German power establishment. The Army threated a military coup against Hitler and tried to pull a coup off against him with the Wolf's Lair plot. It was only stopped at the last minute because Hitler didn't die and Otto Skorzeny who as an SS officer was in charge of Berlin at the time managed to pull of a miracle move and stop the coup on the ground at the center office of it. The Army was positioning itself all around the Party and SS offices at this time waiting for the orders to go into action and remove the Party from power and replace it with a new government of the Junkers and their Army.

Remember Hitler created the SS to protect the Nazi state from the Junkers in the first place. He need loyal men and the SS was Hitler's Army.

I haven't been into any other Adolf Hitler e-groups. I didn't even know about them. I haven't even taken the time to study the Third Sex Thule Society and the Joy of Satan/Black Sun sites so I admit I do need to study this more.

Well, Brian, you are a Buddhist who is no longer a member of any of Adolf Hitler's e-groups, as you have been given opportunity after opportunity to see the Anti-Hitlerian error of your ways that supposedly "support" Hitler, which only kick him to the fucking curb. You simply don't care about Adolf Hitler, but about being "historically correct" in ways that confirm to pro-Jewish material. You and your noxious company are not needed or wanted by the Master -- ADOLF HITLER -- let alone, SATAN any longer.

The Buddha has a soft, effeminate, warm, flabby place for you in his soft and degenerate tits until you see the ANTI-Hitlerian ways you have paved that are a bite in the ass to the

Learn how to read the Third Sex Thule Society and the Joy of Satan/Black Sun before you ever plan on infiltrating any Hitlerian/Satanic e-group EVER AGAIN, ASSHOLE!!!!!!!

zolaluckystar, First of all

Who are you referring to?

Who is him?

Second, is this Brian full of shit?

Everyone, I want you all to know I feel terrible that I was initially fooled by him and was a big enough fool to stick my neck out for him. I tried to tell him he was mistaken about Hitler accepting jews into his SS ranks. The thought of it made me sick. I tried to tell him there are no good or innocent jews. I told him no SS would ever condone trying to make a bargain with or protect 'innocent' jews. I told him to lose the Buddhist view and turn to Satan if he was sincere. I told him he needed to Dedicate. He didn't want to hear it and was sneering at me. And then he channeled the enemy right in front of me. IT speaking through him was very threatening to me. IT said hateful things and stared me down like it wanted to murder me on the spot. I was alone in his apartment with him.

While I wished to go toe to toe with IT, I am very new, not that powerful yet, also I am petite and he is physically much bigger than me. So I got the hell out. I went home VERY upset and crying. I was physically sick for hours after and emotionally distressed for weeks. I felt I had done wrong because I hadn't stayed to fight IT. I felt I somehow betrayed Father. I feared I was a coward. And it really hurt. I asked my GD for advice on what to do. I took His counsel and cut all contact. I was told it would be taken care of.

Please understand everyone, that while I wanted VERY badly to openly oppose him here on the e-groups I had to consider that he knows my face, name, where I live and could really cause me some major trouble if I came out against him in an overt manner and he felt vindictive. I hope you all can understand why I felt I had to keep in the background, for my personal safety. I thank all of you who challenged his BS.

I feel such relief that it is safe again for me now here! I didn't feel safe before, knowing everything I posted, he was seeing. Thank you so much, HP Jake. I am so grateful to you, to Hitler, and to Father Satan for expelling him at last. THANK YOU SO MUCH.

Hail Father Satan Forever!

Heil Hitler!

I'd like an answer from Zola himself to be 100% sure.

but

## He (zolaluckystar) deleted his message.

How do I know?

Because the ministry approved mine with the his message shown.

That leaves me a suspicion about this Brian character. . .

Something is going on

I knew there was something wrong with Brian. Not once has he ever even DARED to mention Satan by name nor has he ever listened whenever we told him flat out that there were NO jews in the German Army AT ALL.

I admit even I had no idea the Main German army was in fact plotting against Hitler and the SS were his line of defense against those fucking christian traitors but this would explain why he lost the war.

But Brian Ruhe is a fucking asshole and it does not surprise me in the least that he is also an infiltrator possessed by greys.

I hope Andras rips that kike loving bhuddist retard a new asshole.

I agree with you Fake Name,

But don't disrespect the Wehrmacht.

There were officers who were anti-Hitler yes, but the Wehrmacht was the front line. They fought very bravely, valiantly, and honorably. The common soldier fought for Hitler, for National Socialism. Had the war been won, they would have been Satanists.

So don't disrespect them by calling them traitors. They died by the millions for National Socialism, and for Hitler.

sorry I thought Brian was banned and it was safe to post again. I deleted it. I repost it now. If you have an issue with that read my message and understand my reasoning. Ask me what you want to ask me. Yes, I was speaking of Brian. And I am NOT a HE. I am a white aryan woman.

Everyone, I want you all to know I feel terrible that I was initially fooled by him and was a big enough fool to stick my neck out for him. I tried to tell him he was mistaken about Hitler accepting jews into his SS ranks. The thought of it made me sick. I tried to tell him there are no good or innocent jews. I told him no SS would ever condone trying to make a bargain with or protect 'innocent' jews. I told him to lose the Buddhist view and turn to Satan if he was sincere. I told him he needed to Dedicate. He didn't want to hear it and was sneering at me. And then he channeled the enemy right in front of me. IT speaking through him was very threatening to me. IT said hateful things and stared me down like it wanted to murder me on the spot. I was alone in his apartment with him.

While I wished to go toe to toe with IT, I am very new, not that powerful yet, also I am petite and he is physically much bigger than me. So I got the hell out. I went home VERY upset and crying. I was physically sick for hours after and emotionally distressed for weeks. I felt I had done wrong because I hadn't stayed to fight IT. I felt I somehow betrayed Father. I feared I was a coward. And it really hurt. I asked my GD for advice on what to do. I took His counsel and cut all contact. I was told it would be taken care of.

Please understand everyone, that while I wanted VERY badly to openly oppose him here on the e-groups I had to consider that he knows my face, name, where I live and could really cause me some major trouble if I came out against him in an overt manner and he felt vindictive. I hope you all can understand why I felt I had to keep in the background, for my personal safety. I thank all of you who challenged his BS.

I feel such relief that it is safe again for me now here! I didn't feel safe before, knowing everything I posted, he was seeing. Thank you so much, HP Jake. I am so grateful to you, to Hitler, and to Father Satan for expelling him at last. THANK YOU SO MUCH.

Hail Father Satan Forever!  
Heil Hitler!

sorry I thought Brian was banned and it was safe to post again. I deleted it. I repost it now. If you have an issue with that read my message and understand my reasoning. Ask me what you want to ask me. Yes, I was speaking of Brian. And I am NOT a HE. I am a white aryan woman.

Everyone, I want you all to know I feel terrible that I was initially fooled by him and was a big enough fool to stick my neck out for him. I tried to tell him he was mistaken about Hitler accepting jews into his SS ranks. The thought of it made me sick. I tried to tell him there are no good or innocent jews. I told him no SS would ever condone trying to make a bargain with or protect 'innocent' jews. I told him to lose the Buddhist view and turn to Satan if he was sincere. I told him he needed to Dedicate. He didn't want to hear it and was sneering at me. And then he channeled the enemy right in front of me. IT speaking through him was very threatening to me. IT said hateful things and stared me down like it wanted to murder me on the spot. I was alone in his apartment with him.

While I wished to go toe to toe with IT, I am very new, not that powerful yet, also I am petite and he is physically much bigger than me. So I got the hell out. I went home VERY upset and crying. I was physically sick for hours after and emotionally distressed for weeks. I felt I had done wrong because I hadn't stayed to fight IT. I felt I somehow betrayed Father. I feared I was a coward. And it really hurt. I asked my GD for advice on what to do. I took His counsel and cut all contact. I was told it would be taken care of.

Please understand everyone, that while I wanted VERY badly to openly oppose him here on the e-groups I had to consider that he knows my face, name, where I live and could really cause me some major trouble if I came out against him in an overt manner and he felt vindictive. I hope you all can understand why I felt I had to keep in the background, for my personal safety. I thank all of you who challenged his BS.

I feel such relief that it is safe again for me now here! I didn't feel safe before, knowing everything I posted, he was seeing. Thank you so much, HP Jake. I am so grateful to you, to Hitler, and to Father Satan for expelling him at last. THANK YOU SO MUCH.

Hail Father Satan Forever!

Heil Hitler!

He looks like he wants to rape your kids and steal everything you own! Every jew I've ever seen has that exact same look when they smile!

How do you not notice that giant hook nose and evil face!

Subject: Hitler, Junker's And Jews In The German Army

Hitler, Junker's And Jews In The German Army

This was from an answer I gave on the topic in the Blacksun666 group:

Something that has been overlooked is simple and known. Hitler didn't have that much control over the Army he had to make a political pact with the Army, the Junker class [who were Christians] who were his enemies and tried to assassinate him many times. And acted as fifth column sending information to their enemies during the war. And causing the loss of important battles like Stalingrad by purposely disobeying Hitler's orders and Kursk by sending information to the enemy. The Junker's were responsible for the defeat of Nazi Germany. The loss at Kursk was the start of the end after that the Axis were forced on the defensive. The Red Army was ready for them and ripped the attack to shreds because the Junker fifth column had given them over the total plans. As a former high level, Red Army Intelligence officer, Suvorov stated. In the two books he wrote on the fact, that Stalin was going to invade Europe in 1941 and Hitler knew this and was forced into a war. Which the only chance of winning was to attack the Red Army first. Hitler stuck one month before the Red Army attack was planned. Stalin had spent three five year plans and as Suvorov stated the literal total enslavement of the entire populace of the USSR to do one thing. Create the largest military in history to invade Europe with. And that he had done. In 1941 all Stalin's war machines were built with the purpose of a aggressive first strike into Europe as Suvorov showed. Stalin had already agreed in 1940 in Moscow to the British Ambassador he would enter the war. And in 1927 openly announced his plans of an invasion into Western Europe. Which was just a restrike of what the Red tried in the early 1920's the invasion of all of Europe but were driven back and then bogged down with the outbreak of the Russian civil war.

Now the one institution Hitler had total control over was the SS and no Jewish people or any Jewish blood were allowed to join Hitler's ranks. Hitler also needed the SS to protect himself from the Army. And protect the National Socialist revolution from its enemies. The SS was the seed of the Nazi Order that was to be the total future of Germany. You have to look at the SS to see what the entire German society was to become under Hitler. And to understand Hitler's will.

Dennis Wise has mistakes in his work this is due to conformation bias as he is a Christian and is promoting this misinformation by deliberate purpose. Like the lie he pushes that Hitler is Christian. Despite the fact from Hitler's own actions and the statements of those close to Hitler that lived thought the war stated and wrote in their memoir's. Hitler hated Christianity, Table Talks is in dispute but the sections on Hitler's statements on Christianity are not. Wise, like any Christian ignores this on purpose. Because Wise's god is a Jewish man from the ancient Hebrew region of the Levant and Wise's religion ends with him and the earth being ruled by a Jewish man and 144,000 elect Jews by the laws of the Jewish race which will form a Jewish World Government. Like the Jews are already doing. Naturally Wise can't help but cuck down and promote the Jewish race he worships as his lord god and masters. Wise is already conquered by Judah on the meta level.

It really does not matter if the sources of books wrote by mainly by Jews say Hitler had part Jews in the German Army. Due to the fact as mentioned Hitler didn't have much control over the Army as seen before and during the war, the Junker's ran it mostly as their own establishment. The SS was Hitler's establishment that was in his own total control and loyal to him. You have to look at the SS to understand Hitler's political ideals that is were he was able to actualize it fully without outside interference.

Hitler actually didn't have the close to total power people think he did till towards the very end of the war

and then whatever the Reich was already defeated. Hitler had to contend with the old order power establishment and work within German society as it was when he became the Chancellor onwards. there was a power stratification within the German power establishment. The Army threatened a military coup against Hitler and tried to pull a coup off against him with the Wolf's Lair plot. It was only stopped at the last minute because Hitler didn't die and Otto Skorzeny who as an SS officer was in charge of Berlin at the time managed to pull off a miracle move and stop the coup on the ground at the center office of it. The Army was positioning itself all around the Party and SS offices at this time waiting for the orders to go into action and remove the Party from power and replace it with a new government of the Junkers and their Army. And before this in the 30's Hitler faced a coup from within the SA by enemy elements that were financed by Jewish bankers and industrialists. Such as the Strasser's were on the pay role of with Rohm. Which makes one wonder about who the Junker's might have been working with. Probably some of those Jewish elements within their Army as middle men to larger Jewish power brokers. Like the Strasser's did.

Remember Hitler created the SS to protect the Nazi state from the Junkers in the first place. He needed loyal men and the SS was Hitler's Army. Also its my opinion from studying the Reich and war for years. If Hitler had the total power of absolute dictator the war would have been won quickly. But they would have needed a total purge of the Army first before the war. Which seems to have been considered at some point but they didn't have the power to go head on with the Army. It would have caused a civil war.

Play this music:

Now picture this:

You are in a huge crowd of your fellow Aryans. See them gathered.....rank on rank going off into the distance. Hundreds of thousands. Its a fine day in spring..... a crisp breeze is blowing. Flags are flapping and snapping in it. The air is crisp and fine. You take a deep breath.

The immense crowd, standing in ranks with a large space to walk down the center is silent.....but the energy in the air is electric with anticipation. People catch each others eyes and smile at their brothers and sisters. My comrades, who all joined hands and fought for TRUTH. For FREEDOM. For LIFE.

Nobody speaks, as the beautiful music lifts our spirits and hearts, that speaks to our souls and proclaims.....our day HAS COME! We all stand tall and proud as we wait.....as we all wait.....and then....

He steps into sight! The crowd roars, a swelling sound akin to thunder.....all take up the chant as our Antichrist walks by, on his way to the podium, to speak to us all.

Adolf Hitler. Our Satanic Messiah. Our Leader, our Hero. He is one of the Gods of Hell now. The Gods are celebrating with us too on this finest of days. This day of days!

Our Gods walk with Him. We watch them all pass by.....

People are literally crying for joy, with the happiness and bliss of it all, to be here at last on this day of days, hearts full, lumps in our throats. YES, we are finally here.....together....a unit.....a people gathered in celebration with our leaders, and there is no hiding us anymore! The truth is revealed! They tried to steal our light, our power and our lives! But we DO NOT surrender!

We fight the good fight for Our Father Satan, for this Earth, for our lives and the lives of all the creatures living upon Her!! SATAN is the KING of this EARTH! We will never be defeated! We Aryans ARE RISEN and we have WON this fight! Our Race is our Nation! There is NOTHING so important as our people! BLOOD AND HONOR!!! The roar is deafening!

We are FREED, HERE, NOW, finally, forever and for ALL TIME from the parasitic vampiric filth, from the jew and their matrix of slavery and death! They are defeated! We stand triumphant! The crowd roars as one:

HAIL FATHER SATAN!!!  
HAIL THE ARYAN GOD!!  
HEIL HITLER!!!  
HAIL THE ARYAN RACE!!!  
HAIL ALL THE MIGHTY GODS OF HELL!!!!!!  
SIEG HEIL!!!! SIEG HEIL!!!! SIEG HEIL!!!!

Greetings to all our Comrades and Satanic forces.

The JoS and many other websites that criticize the enemy have been under hard attacks. Many have been shutted down. This onslaught has happened recently and it has just began.

We CANNOT allow this to happen. With all legal and spiritual means, we MUST fight back, in respect to all the people who have died about the hard earned Freedoms we have today. Satanists are people of FREEDOM.

We must rise and defend these. The enemy is becoming more aggressive as they know the world is becoming educated.

ALL OF US MUST RELENTLESSLY FIGHT FOR THIS. NOBODY MUST SLACKEN AND NOBODY MUST STAY BACK. Below is the Ritual, which we all must do everyday, relentlessly until the 7th of March where the Full Moon begins. MY PEOPLE WE MUST RISE ALL TOGETHER. We will be keeping everyone informed.

Reverse Torah Ritual for November 2015 [Restoring Communications]

This ritual can be repeated as many times as you wish. You can begin this ritual at any time. It is a fact that the Jews control 96 percent of the media in the world. They enforce censorship and work to destroy the truth, replacing it with corrupted information and lies. The words below are to be vibrated. By vibrating these words, this will remove another powerful biblical curse. The more people we have who will be doing this ritual, the better, as there is both strength and power in numbers.

Become familiar with the words [I have included an mp3 of the words for you all to download], as much as

you can before performing the ritual. This ritual may also be done as often as you like, and is a very good cathartic when you feel anger and hatred towards the enemy.

All you need to do is vibrate the paragraph below 9 times:

AYF â€¢ TSEHR--'AHâ€™--AH--LOHK â€¢ YAIN-UP--Lâ€™A'-- â€¢ AHV-HUH-HUY â€¢ MAHTS-EEF-EH â€¢ MAHSH-EEM-UU â€¢ TSEHR--'AHâ€™--AH--LOHK â€¢ TAHFF-US â€¢ AHV-HUH-HUY â€¢ LAHL-AHB â€¢ MAHSH-EEK â€¢ LEHV-AHB â€¢ AHM-USH â€¢ AHR-AHK â€¢ NAYK-Lâ€™Aâ€™-- â€¢

After vibrating the above paragraph 9 times, state with conviction 9 times:

â€¢ Vibrate AUM

â€¢ The Jews are losing control of the media and of all communications totally, completely and permanently

â€¢ All media and communications are now free for Gentiles

â€¢ Vibrate AUM

(AUM -> AFFIRMATIONS -> AUM) This is to be done 9 times.

Recently, the Jews have taken down literally thousands of videos and websites. Just as with Jewish communism, where one cannot criticize one's government, it is the same with Jew control worldwide; how dare anyone criticize the Jews! They feel they have the right to control the internet, to control what you can and cannot say, to control all of our governments, control the entire world, and to freely torture and mass-murder anyone who does not comply with their agenda. They TELL you what you can and cannot say, think, write, communicate and everything else. THEY DICTATE. They always place themselves in authority where they dictate to us Gentiles what we can and cannot do and they order us about.

Unless we fight back, we will lose everything. This is natural law. As for the lazy fools who do nothing, they are worthless to Satan and the Gods of Hell. If you are unwilling, cannot be bothered or are just too goddamned lazy to do these rituals and fight back, don't bother asking Satan or any Demons for any help. The ritual below needs to be done, and redone frequently.

If your website, or your videos get taken down, then put them right back up again. If you don't, the Jews win. Over the years, JoS websites have been taken down. I just kept right on putting them right back up again. It is the same with the groups online. The loser is the one who quits. The winner is the last one standing.

There are still so many people in this world who remain ignorant as to what the problem is. The most important thing we can do is to get the message of truth to everyone. This is a last chance, historically. There won't be another.

I will be adding another ritual soon. We have the strength in numbers. There are tens of thousands in the JoS groups and forums. Also, as Gentiles, we outnumber the Jews. The Jews have kept us divided:

The Nazarene makes it plain he comes to bring war on earth and conflict, hatred and enmity among family members; breaking up the family unit and home:

Matthew 10: 34-36

34 Think not that I am come to send peace on earth: I came not to send peace, but a sword.

35 For I am come to set a man at variance against his father and the daughter against her mother and the daughter in law against her mother in law.

36 And a man's foes shall be they of his own household.

Below is the blueprint for Jewish communism where children informed on their parents and family members:

Matthew 10:21

And the brother shall deliver up the brother to death, and the father the child: and the children shall rise up against their parents, and cause them to be put to death.

This isn't just going to go away, unless we MAKE it go away by taking effective action against it.

## The "Holy" Bible: A Book of Jewish Witchcraft Part 2

For those of you who are unfamiliar with this, please read "The "Holy" Bible: A Book of Jewish Witchcraft Part 1" before reading this article.

[http://www.angelfire.com/dawn666blacksun/Bible\\_Jewish\\_Witchcraft.htm](http://www.angelfire.com/dawn666blacksun/Bible_Jewish_Witchcraft.htm)

To really expose the truth in regards to the Bible, one must be very knowledgeable concerning the occult. In other words, one must have in-depth knowledge and understanding of astrology, numerology [there are very few accurate and revealing books on this subject that are readily available], the Tarot, alchemy and so forth. This is why there are dire threats and warnings throughout the bible that work to frighten followers away from this knowledge. I also want to add here that there have been curses placed to prevent average people who do not have enough knowledge, from advancing in occult disciplines. These are NOT "acts of 'God'" but are curses perpetrated by the Jews and a few rotten Gentiles who work for them, such as the Catholic Jesuit order [also largely comprised of Jews], who are adepts in black magick.

The Bible as revealed in part 1 of this article is a powerful subliminal. This is not just a theory, but can be proven with enough knowledge. The fictitious Jewish characters that were invented and corrupted from Pagan spiritual CONCEPTS that preceded Christianity from hundreds to thousands of years, act as a subliminal tie-in.

For example, the number 7, which has to do with the main chakras [energy producers] of the human soul, is found in the Bible 735 times. Again, the Jewish preoccupation with the number 6. In numerology,  $7+3+5=15$ ;  $1+5=6$ .

What this does is it is a subliminal tie into the chakras. This sets the working so that they can steal the energy of worshippers. This is why this number is repeated so frequently in the Bible. The fictitious Jewish character of "Solomon" also has 7 letters. Solomon had unimaginable vast wealth. The " Temple of Solomon " symbolizes the Jewish people ( Israel ) as a whole. For more on this, please visit: [http://www.angelfire.com/dawn666blacksun/Temple\\_of\\_Solomon.html](http://www.angelfire.com/dawn666blacksun/Temple_of_Solomon.html)

In addition to this, the "Jehovah" was stolen from "Jove" another name for Jupiter. Jupiter in astrology is the benevolent planet that brings good fortune and abundance. It is often connected with millionaires. This sets another very powerful subliminal tie-in for the Jews to reap the energy of Gentiles, channeling it into creating material abundance for them. The number of Jews who have incredible wealth is disproportionately high.

The number 8 has to do with abundance. YHVH in Hebraic numerology equals 26;  $2+6=8$ . Combined with the number 7, as mentioned above, this equals 15;  $1+5=6$ . The number 6 is used by the Jews anytime they want to influence something, like the phony "Holocaust" of the "six-million." If one is alert and pays attention, one will notice the Jewish controlled media using the number 6 quite often, especially in relation to world events. The number 6 also has to do with Gentile slave labor.

In addition to all of this, the Jews assume the position of "God" and have dictated and ordered Gentiles about for centuries. Jews have always placed themselves in charge over Gentiles, Gentile rulers and prominent Gentile people. One of the most noted subliminals for Jews taking control of a prominent Gentile is the Book of Esther. Jews are known to marry into prominent Gentile families, especially Gentile people who have a lot of influence and from there they work to take control of that influence.

"Jesus Christ" is another fictitious Jewish invented character invented and corrupted from a powerful spiritual concept. This is the ultra-important and powerful kundalini serpent. When activated and raised, it can bestow one with the power to create miracles. One must be knowledgeable regarding spiritual alchemy to know this. His supposed life of 33 years, for one example, corresponds to the 33 esoteric vertebrae of the human spine that the kundalini serpent must pass through upon its ascension into "heaven" which is the crown chakra of the human soul.

For more in-depth information regarding this, please visit: [http://see\\_the\\_truth.webs.com/Jesus\\_Christ.htm](http://see_the_truth.webs.com/Jesus_Christ.htm)

In addition to all of this, life as we know it is made up of numbers. Numbers are the foundation of existence. The current system of time is based upon the number 6, the number used by the Jews in their workings. The minute has 60 seconds, the hour has 60 minutes, and the day has 24 hours,  $2+4=6$ . All of this is a powerful subliminal to channel energies. The Bible is made up of 66 books.

To know this, one must be knowledgeable regarding “witchcraft.” Witchcraft uses the energies of the planets, the phases of the Moon, etc, to tie into energies that are favorable and in harmony with the working, thus giving it more power. This was of the ancients and very prevalent in Pagan religions, usually for positive purposes and with black magick used for purposes of justice.

The Jews took this knowledge, and forcibly removed it from the Gentile populace, replacing it with the false programs of Christianity and Islam, where there is nothing left that is spiritual. During the Middle Ages, after Pagan libraries were burnt and destroyed, it was the Jews who “translated” the remaining spiritual texts into the languages of Europe . Through this, ancient spiritual knowledge and concepts were replaced with corruption and lies.Â Â

Any time the Jews want to start a war, as they are doing right now, as they have been exposed through the internet, they use the powers of the Bible, the numbers of the verses and the words involved in those scriptures.

A major example, as I mentioned in Part 1 of this article was the 9-11 attacks. Another tragic example is the bombing of Dresden . This was carried out on the Christian holiday of “Ash Wednesday” using the channeled energies of believers, and reduced Dresden to ashes. I also want to add here concerning the falsehood behind this Christian holiday, the ashes are placed over the third eye of the soul [which is in the middle of the forehead] and in truth are symbolic of blotting out intuition and psychic sight.

Christianity and Islam are nothing more than programs to remove all spirituality from the populace. Activated spirituality creates awareness. Few people are spiritually open enough to see the souls of others. This power comes from the third eye. The Jew has an alien soul. When the Gentile populace cannot see this, they are unknowing victims. The Jews have dominated us for centuries. Â

In the ancient painting to the left, “Witchcraft by DOSSI, Dosso 1535,”

It is glaringly obvious these are blatant Jews. In addition, the classic Halloween Witch has the Jewish physical features. Jews have used occult power for centuries, abusing black magick to no end. This is why so many Gentile Leaders have been assassinated, [especially those who were on to the crimes of the Jews] such as George Lincoln Rockwell. At the top, they know they have this knowledge and power, which was forcibly removed from the Gentile populace by enforcing Christianity and Islam, along with mass-murdering our Gentile priests and others who had spiritual knowledge, such as the Druids. The Inquisition, which was perpetrated by Jews, such as TomÃs de Torquemada, Heinrich Kramer, and Jacob Sprenger who authored “The Malleus Maleficarum” was also an act of genocide, particularly against Germany .

Many towns and villages in Germany were completely wiped out through Jewish incited mass-murder. This is no different from Jewish communism.

For more in-depth information about the Inquisition along with references, please visit:

[http://see\\_the\\_truth.webs.com/Inquisition.html](http://see_the_truth.webs.com/Inquisition.html)

The Gentile populace who lacks this knowledge is easy victim to those who have it. For example, Jews who are knowledgeable and practice Talmudic magic will curse Gentile competitors out of business and they curse Gentiles in general. Also, given the Jews control 96% of the world's media, the readily available information regarding spiritual power has been corrupted and the "New Age" movement has taken over with Christianized witchcraft. The real powerful knowledge rarely makes it into readily available books out there. For example, "Wicca" is nothing more than junk. The elaboration on the "three-fold" and the extreme perversion of "natural law" work to create fearful weaklings. True "natural law" is if someone or something, or a race, species, etc, does not act to defend itself, it will become extinct. If every cell in your body followed the teachings of the Bible and the New Age movement, by "turning the other cheek" and letting crimes go unpunished, and promoting injustice, pacifism, inaction and cowardice, you would be dead in a matter of hours, if not minutes. THIS IS NATURAL LAW!

The Jews fear black magick retaliation. We Gentiles outnumber them. Black magick is used for justice. Christianity, Islam and related are nothing more than programs. There is nothing spiritual about them. Few preachers can even diagram the human soul. The world has been under a powerful spell. It is time every Gentile wakes up to this!

Regardless, it was suchlike the energies of that being and of his people that they were almost to a point of winning the world in this battle of titans, of stars and galaxies.

My master saw Stalin too. Stalin said to him: "We can't no more; we are up to our necks". It was the aftermath of the war. Another bit and everything will be accomplished. For the attack to Russia two decisive months were lost, owing Hitler help to Mussolini in Greece and Yugoslavia. In only two months he conquered these two countries; but he lost them for the Russian summer. It was fatal. The end was getting near. Came the disembark in Normandy and in Italy. The pincers begun to close. Then, my master heard the Voice. It was an enigmatic sentence that still today I don't know how to interpret: "Go to that woman, who had the power in every part but didn't know how to redeem herself". To whom did he refer? To Germany? And later, another day: "In heaven Hitler was permitted to bring about an act of utmost surprise". Not much afterwards it would unchain the unexpected offense of the Ardennes, with the SS and the ultimate forces chosen by Hitler. Almost, nearly, Destiny took a turning point. Leon Degrelle had told me that everything was lost because of the lack of fuel for the tanks and trucks and that, nevertheless, passed through without noticing, due to the fog and snow, enormous deposits of fuel left by North Americans in their retreat.

In the Apocalypse, in the Twilight of the Gods, succumbed Berlin and the subterranean refuge of Hitler was inundated with flames and shrapnel. Also wrapped in the music of the spheres, executed by the heroes of the firmament. However, Hitler did not die there. He was transported alive, away from those territories.

For those days, one of the major disciples, today too missing like my master, he saw Hitler in the astral; he asked him: "Will you accept me amongst you?"

A long time ago Hitler had direct information about South America, sending Paul Rohrbach to investigate, studious of the German thought and his connections to the world. He also makes him go to Central Asia, Tibet and India. We are citing only one name. The majority of the others are unknown.

When everything was over, my Master heard again the Voice that always talked to him: "Was a victim of its own mental creations", said to him. And then he saw a feminine spirit, white, that exuded and moved away from a region of the Earth where it was incarnated. It was a beautiful luminous spirit. My Master thought that it was the Spirit of Germany, its Collective Soul, that abandoned it. If we observe Germany

today, so different, a country of obese ghosts, materialists, a country without a soul, the conclusion was right. It could also have been to this Feminine Spirit which the Voice was referring to when it said: "See where that woman . . ."•

The time passed; from the sky fell that rain of enclosed shadows. The tentacles of the winner were covering seas, cities, and continents. The hatred and vengeance, the carefully prepared plan, the insidious lie, centered in the education of the youth, brought to the soul of the child and the adult, with the terror of hunger, persecution, torture, material and moral misery, replacing the heroic climate, the solar magnificence, the transparent values of the light, of the Luciferian beauty, of the Grail, of the Emerald of Hermes, of the Morning Star, of the Black Sun behind the Yellow Sun, of the Green Beam behind the Black Sun. All that dies here in the surface of the Earth. Death of the blood, of the values.

One afternoon, many years ago, the Master cited me in his refuge. And to me he revealed the secret:

"Hitler is alive. He did not die in Berlin. I have seen him below Earth. He changed, his mustache is bigger now. We gazed head on. He turned and moved away quickly. I called him by his name, but disappeared below, in a dimness"• .

I have guarded this secret for many years, because it was dangerous to reveal it and even more difficult write it. Once said, the adventures of my life will be explained better, in my special travel to Antarctica, in 1947-1948, in search of the refuge where Hitler would be found, of the Oasis of temperate waters in the middle of the ices and of the "entrance"• to the subterranean world.

This I have related in my books "Neither by land nor by sea"• and "Who calls in the Ice"• , in a soiree form, for the reason of those times. In the edition of 1950 of "Neither by land nor sea"• , in page 88, I wrote: "These and another very special reason, that I won't say here and that maybe I did not disclose in this book, were the ones that took till the end of the year 1947 to decide my travel to Antarctica and to search for all the means between my reach the way for me to realize it"•

During the war, at the end of 1943, the Admiral Doenitz made a very strange declaration. That rendered the world press and that called great attention to me: "The German submarine float feels proud to have discovered a subterranean paradise, an impregnable fortitude for the Fuhrer somewhere in the world".

Where was this paradise?

Not much later after the war ends, Stalin declared to the Ministry of Relations of the United States that Hitler did not die in the Bunker of Berlin and was alive. Until today it remains inexplicable political reasons for that declaration, which, in all case, corresponded to the truth, since the Russians never found the corpse of Hitler nor his rest calcined. The body that was unburied and later taken Moscow was not of Hitler. Twenty five years later, Lev Bsymensky published in Russia a book titled "The Death of Hitler", with pictures and radiographies of the presumed cranium of Hitler, which there no coincide at all with the radiographies of Dr. Erwin Giesing and the dental-mechanic, Fritz Echtmann, who they took radiographies of the head of the Fuhrer in September and October of 1944. The Dr. Werner Maser, author of the book "Last name Hitler, First name Adolf", that has profoundly investigated this subject, interrogating Echtmann in 1971, declaring emphatically that Hitler's remains were never found, "he has disappeared without leaving a trace". The same can be said about Eva Braun.

Otto Skorzeny, also, reveals in his books that the interrogations that the North Americans subjected, while he was imprisoned, always came around, obsessively, about the same matter "Where did they take Hitler? Where have they hidden him?".

A curious book published in Buenos Aires, in 1947, by an author named Ldislao Szabo, declared that Hitler was secretly transported to Antarctica by a convoy of German submarines, where the expedition of Captain Alfred Ritscher found an, at the end of 1938, oasis of water and temperate land, in the territories of the Queen Maud. Captain Ritscher belonged to the German aviation and his expedition was very secret, even when the publish of two volumes. I could only look through the first one.

In my conference, "The Antarctic and other myths", read in 1948 in Santiago de Chile and later edited in a small booklet, I reproduce the conclusions of Szabo.

Thereby, the Hyperborean myth of the hero's resurrection, in the Kingdom of Laurin, in the mountain of Red Beard, of the Phoenix, it transfers the inverted Tule of the South Polar Now it would come to us, the hyperborean of the Great South. Almost all of the visions were met. First: "Will you accept me amongst you?" Afterwards, the Master signaled a Subterranean Kingdom, an Agarthi, a Shamballah, in an interior Earth.

| Subject: Neo-Atheism Is Jewish |               |                   |                 |

Neo-Atheism Is Jewish

This was from an answer I gave in the Forum:

A lot of this is not really important using the neo-atheists, talking points just attempts to justify their Jewish materialism and nihilism which is part of Marxism.

The fact is the early Church themselves admit they created Jesus as a fabrication by stealing Osiris and the Mystery religion around Osiris. And turning such into a Jewish version to scam the world with a Jewish cheap trick to manipulate the goyim with. The Jews put themselves into power with a coup against the Roman aristocracy and hid behind the Flavian Caesar's as their glove puppets. Vespasian the official founder of the Flavian Dynasty that created and imposed the Christian Church on the world, were the Jew is God and the Torah is the order of life to be obeyed and worshiped. Openly admitted he owed his power to Jews from Alexandria and even built a statue to one direct Jew of such who thought Titus as a middle man [Titus was married to a Jewess] put him on the throne. Vespasian's family was notable in the money lending and debt collecting business which is dominated by just Jew again? Even in the ancient Roman world. This Jewish family that was the heart of the Flavian's as their money funded it was the Alexandria's who ran the Jewish Therapeuts that as the Founders of the Catholic Church stated was Christianity origin point. Who in their own early writings openly stated Jesus is mythological character taken from Osiris. The Alexandria's where the Goldman Sachs of the ancient world.

There is no point in getting caught up in the Jewish trap of creationism and neo-atheism.

After that what is their to argue with? Five million Dawkin's quotes? Its also proven Moses is stolen and fabricated character from Bacchus as well. The ancient Greeks pointed such out. Moses is the founder of Judaism and he never existed. The Jews are not the chosen of anything and are just filthy, criminal hokum peddlers from the orient. Note all the Jewish leaders squatting over neo-Atheism don't want you to go there and examine Judaism....ever. Nor do they want any of this made public. Their gate keepers. Peddling two hundred year old arguments.

Judaism is nothing but a materialist, race based organized criminal system. That is obsessed with everything from pedophilia, bestiality, stealing from everyone and killing them. To child ritual murder to feces and is afraid toilet monsters will attack them if they don't say special shit house prayers over literal excrement. These people are sick and are disgusting, weirdo's, criminal creeps, frauds and losers and we all know it.

Normal people are anti-Semitic. People who think Jewish finger painting in poo are awesome, and Jew political leaders who support Pedophilia like Ginsberg are moral role models, are not.

All this Materialist Jewish nonsense is keeping people away from the proper understanding of the structure and laws of existence which is metaphysical. And gas lighting the world for Jewish Communism.

The debate is simply is the Absolute a being thus a theistic creationist God or not. The ancient Metaphysician's, the Adepts in the Pagan Mysteries the Jews ripped off and corrupted. Knew the Absolute is not a being. But simply a force. Spirit the fifth element all elements come from. Spirits main element is sound which light, form and number are manifestations of. The key properties' of all existence. The Absolute has always existed it has no start or end. The more maverick outside the jewtrix materialism which bogus science held up by proven frauds like the Jew, Einstein who faked the results of his great relativity experiment which brought his candy kosher ass to fame to just peddle criminal fraud-jewlent, bullshit. Like Communism which materialism forms the key element of.

It was Jews who lied and turned the Absolute into a Being....A Jewish Being. Wonder why.....

This Jew just stole anything that worked off the Goyim scientists. And people like Dawkin's and the Marxist Hitchens's promote this crap and prompted this crap. Which tricks the Goyim into materialism and neo-atheism [which is Marxism in a new uniform in the west] this is the Atheism the kind that is the real source of this word in ancient Greek, Agos. The Greeks stated was without anything spiritual the understanding of the Absolute and the metaphysical science. This is so the Jews at the top are left with this only which is their key to rule.

The Maverick science which is the future has shown everything in existence is materialized light of different density waves that are of archetypal patterns that manifest from and are of the source or ether field, the Absolute. Materialist Jew nonsense the new hokum of the Jews has been disproven that fast.

The fact is everything on earth has gone to a puddle of bagel shit because the Human beings of this world are living in an aberrant system of life which is built on anti-spiritual Jewish lies. And the problems will go on until the Human starts as a society to live proper and truthfully as a spiritual being in harmony with the Absolute laws, the supreme Divine Order of life. We have to live as the spiritual forces and laws that we are formed of and thus are. This was the tradition our Gods who are ascended Nordic's. Taught the world so the world could live without suffering and be at peace and not even know death itself. This is the key to the Great Working which gives people full ascension themselves the Celestial body and immortality.

All suffering comes from not doing this as the ancient Sages warned. And thus all suffering comes from the Jews and their trash heap Reptilian, shit lords of the galaxy that have created the Jew to use them to infiltrate humanity for thousands of years across the globe. The Jews were in the East and still are as well. Which is you look back you find them behind the destruction of civilization and the metaphysical structure of it in the east. Even Hinduism is a mixture of the Jewish programs of Islamic, Christian influence today and looks nothing like it would have just two thousand years ago. Pious Hindu's in the 20th century were engaging in the culture destruction of ancient Hindu Temples for not conforming to the corruption they follow and the morons never put two and Jew together the whole time. The Jewish Jesuit's went all over India removing and corrupting all spiritual metaphysic's for centuries as Indian Yogi's mentioned. To the point all that is left is corrupted RHP lies and garbage leaving people programmed and helpless for the final sweep of the Jews. A Global Communist Slave System. Run out of Israel.

My favorite part. Means we gotta keep going! Until the jew world completely drops.

Subject: The Smiling God

The Smiling God

Greetings to all our Family in Satan!

Well, again I come with something. Its not the ordinary, but its great. Its about time we roll together to see something. So join with me.

Now if you look around you there is much sadness indeed. There is also much despair in people, especially those hopelessly dependent upon the enemy.

Even their momentary pleasures are based on hard toil and blood, and they pay high prices for these. All of these are also fake and artificial. They are just a removeable result from a pleasurable action. But fun comes in making this happen.

Leaving all these weaklings aside, just remember something. While things may be serious and life may be hard on you, just remember we have the most Powerful God there ever was. Remember that you dedicated to Satan, Himself. Now one must treat this accordingly. Satanism is fun. Advancing is fun, power is fun and also, wrecking the enemy slave oligarchy from the comfort of your couch is also fun.

I mean its worth smiling about. Joy is Power. Joy of Satan. This is not misery loves company or my little angry teenager teddy dream soap opera. However dire the situation is, we know how much is at stake. But we are on the arms and smiling, like our Brothers from the old times who even did so at impossible odds.

Because that's the spirit of it all. Satan is the God of the impossible and the all-possible. We come here as the enemies of this eternal gloom, to bring Eternal happiness to Humanity. We bring freedom.

I know of those free wolves who have healed of the damages of the enemy chains, and they want revenge. Of course, rage is also fun. So damage the enemy spiritually and rejoice in it, for we are bringing about our own times. And once resettled, there is no going back to this mess. Be pragmatic, and remember that happiness is really within. Correct what is mistaken, fix what is broken and let go for one time. So let it shine and as you go, outshine the enemy.

Misery and tears aren't going to solve anything and these are for stupid xians who are subjected to the jewtrix without any ability to escape. Complaints neither help. To be strong is to be joyful too. So when you are joyful, chances are you are good. Don't let anyone ruin this for you as this is what Satan gives to us. Its a gift reserved for his beloved children. Its an inner world of happiness and beauty. Nobody unworthy can see this garden.

Are you having enough fun wrecking the enemy? Seeing them losing their wars just some years before they got all they struggled? Do you laugh when others don't have any clue and you know what to do? Do you laugh loud and without any mercy? Do you smirk when we are shaping something new out of these ashes?

Then we be riding good. Slothz Riderz for life.

Satan is not a God of misery. Satan is a Smiling God. Always in our hearts and minds as the source to all positive and all powerful joy.

Slothz ridin' to eternity.

From High Priest Hooded Cobra: <https://groups.yahoo.com/neo/groups/HellsArmy666/conversations/messages/17402>

The IAO is actually the Occult name of Zeus. All Gods, like Thoth, whose Occult Name is Tehuti, have this name. This is just a representation of the trine force. The jews stole this and have implemented this behind "JHVH" aside other things, mimicing the Ancient Greek and other traditions.

Like Dionyssus in the Mysteries who is Bacchus, IAO is actually Zeus. Occult names had to do with initiations and such and the deeper inner Mysteries of the Greeks and other Pagans. This was stolen as it represents the trine force which is actually a representation of "God". As thus the "Father, Son and Holy Spirit" of xianity, which is again stolen from the same concept.

This is based upon the Greek Kabbalah and probably comes from the Far East, but is corrupted in its entirety, as the jews have like anything else desecrated this knowledge. There are also the four corners, I , A , E, O, and then, the vowels which actually correspond to one chakra. These are like the most basic elements that can be uttered.

From an occult standy, this is how mantras are formed. Most of the Demonic Names are both aliases of the Gods, but also, mantras that do a lot of things. Many "Names" have been corrupted over the centuries and this can be seen in the old enemy griomoires and everywhere else.

Abrasax except of a Demon/God as a being that uses this alias, holds the essence in his name as that of the Natural Circles. The way the enemy "used" these names were just for show off and without any real significance, other than to confuse the masses and to hide these things within their own so called "tradition".

The enemy of course, they have perverted anything. Satan is God, who is the Serpent and the union of this trine force into existence and in Humanity and definitely, not "JHVH" in anyway. The enemy indirectly tries to praise serpents, however uncomfortable it is for them, because they know that all this comes from this Serpentine (trine) energy. This ties in High Priest Jake's post about the Leviathan. Remember, "God" in this

sense means nothing but the trine force.

"JHVH" is just a ripoff which is stolen from Egyptian concepts, meaning "He who does magick", or "He who utters and makes things manifest and return to him". This was formulated into something entirely else, to represent the jews and the enemy collectively and to foil subconsciously the masses into glorifying this ability for the jews.

"Jesus" comes from "ie Zeus" which means "Zeus Comes" or "May Zeus arrive". This relates to Dionyssus as the Son of Zeus, who initiates people in the Mysteries and sets them free, guiding them back to their "Father" which is actually the "Trine force" in which is the Male (I) , Female (O) and the Union, which is (A).

PS.

With Abrasax its related because Abrasax represents the eternal Natural Circle, understood and whatnot, which is the essence of all movement/life and then this ties into the Trine Force.

Good and oder christian religion is in fact inspired from European pagan religion. Trinity is in fact an pagan concept.

I find out interesting facts after I have discover ancient pre-christian dacians religion.

Dacians are now named Romanians and have arians ancestors.

I prefer my people to be named dacians instead Romanians because we have no roman ancestors and we do not liked to be confused with gypsy scums that are nasty low cast Indians who migrated at 1600-1700 and recently take the fake name roma to offend my people romanians.

I have find out that are almost similar mits of a superior Good of Sun and some high powered goods that resembles Archangels in christians mits.

I posted regarding this before. Websites and videos are now coming down like dominos. The Jews are taking over the internet. Unless we fight back, all will be lost and they will have control of communications again.

Most people are not living in reality. The facts are, if the Jews had control of communications, as they did before the internet, how many of you would still be deceived and damned by Christianity, Islam and other Jewish filth?

The Jewish intention is to create a slave state through the removal of all knowledge. They control the media, the press, etc, so any truths cannot be made public or reach the populace.

Thanks to the US Founding Fathers, many of whom were Satanists, books on the occult and other forbidden subjects have been freely available. I will always be grateful beyond words in regards to being able to purchase, and study; also to borrow books from the Public Libraries over the years. My knowledge of astrology began when I was in my teens. Thankfully, this set me on the path to the truth, much understanding of life and above all, gave me knowledge to know Christianity is a lie. This led me to Satan.

The world is in a mess right now, it is REAL bad. Idiots, no-nunks, fools, people with buzzard brains, etc, deny this and will not see the truth for what it is. Jewish doctors dole out and push subscription drugs to alter one's mind and perspective of reality, and the Jewish run press pushes lies concerning true public opinion along with many other things. The environment is to the point where it is close to being unsalvageable; Europe is a disaster with the Jews actively fighting for the genocide of the White Race, where they will then step in and use the non-Whites as slaves/disposable human beings, the USA is gradually degenerating to where there will be no more rights. The enemy is on an onslaught to destroy us all. THIS WILL AFFECT YOU, YOUR LOVED ONES, AND EVERYTHING YOU'VE WORKED FOR AND HAVE.

The Jews feel they are so entitled to do as they please. They feel they are entitled to take control of the internet, which is open and free and belongs to no one, so they can reinstate their lies.

If we do not fight back, all will be lost. Communications and knowledge are the most important factors one has when fighting a war.

All of you are here because of the internet being open and free. Satan has given his message of truth because of the freedom of the internet. If the internet goes under, which is what the Jews want, along with their Christian and Muslim lackeys, following will more than likely be another communist purge, an inquisition, where all of us "witches" will be hunted down and destroyed. After that, anyone who they even suspect in the least of not following their odious agenda for the enslavement of the world will be destroyed. Freedom must be fought for. If cowards turn the other cheek, walk the extra mile and slavishly worship jewsus and other fictitious Jewish invented scum, civilization will not last. Most people out there do not have any idea of just how serious this is.

Also, if your websites have been taken down, most of them can be accessed at:

Just copy & paste the URL into the "BROWSE HISTORY" box. A page with a calendar will come up and certain dates will be highlighted. Click on any one of those dates, usually the most recent, and this will bring up the website. Just copy & paste the URL on there to re-link anything lost.

Also, always make sure to save any videos, any websites, linked pages and so forth and burn these to disc. Be organized when saving your webpages. Don't do it haphazard. Save your graphics. Save everything and be organized. The more organized you are, the faster and easier it is to put your websites, your videos and anything else you have right back up.

This gives me a lot of insight. As I am studying psychology to become a psychiatrist. Yes they do claim depression is a lack of one of the chemicals within the brain. As there are six groups of them and all of them have their individual way of how they affect our mood. And the solution is meds, which obviously is completely dangerous. It creates only a fictitious balance that when messed with, creates a backlash for the person as the brain have a difficult time in cleaning it out. Electro-shock therapy is another solution for people that has too low bio-electricity. And they will always need to refill that by that treatment which in the long run, destroys the brains bio-electrical wave pattern and may cause other nasty problems.

Many people that I have already talked to about some of their problems can easily be fixed, by meditation alone. Yoga too.

I have explained to them in detail what really happens to the brain, nervous system and body when taking the medications.

What is difficult though, when proving them wrong is ADHD and Schizophrenia. I've seen MRI scans and the like of the difference of a "healthy" brain and by those who have this. But I will read the sermon about this so I can get further insight and knowledge.

I hope to make a difference to people who suffers because of this jewish matrix.

You must use decentralized domain hosting, website hosting and not least use cryptocurrency.

The most known cryptocurrency is Bitcoin flowed by new enters in the game One Coin. I suggest all members to research cryptocurrency and decentralized web. These is the solution to escape governments censorship and escape new Jewish Zionist communism.

Subject: Be careful about Windows 10

Hi my friends!

I have known for a few months now that the Windows 10 for free that Microsoft offered worldwide is free for a reason. Because, as you may already know, NOTHING is really for free.

The thing is, this Windows 10 Operative System is designed to spy your e-mail and all you do on your computer. We all know what Microsoft is and who its owner is: a fucking jew. The trick is, as you know, they sent people an "invitation to reserve" the free download. Ok, then when you receive the notice that it has come your turn to download it, most people go by the "automatic mode", because the "manual mode" (also offered) is quite difficult and takes much more time.

What people does not know is that accepting the manual mode will automatically grant permission to Microsoft to spy on your computer. They will know all you do, your websites, your mail, all of it. This is not mentioned in the "accepting" page, where they state the conditions bla bla bla to download it. Is not there.

I say this because of the recent messages from the HP's that the enemy is bringing down our websites, etc.

There is a video in YouTube, but it is in Spanish, I have not see any in English, where this guy explains the "thing" with Windows 10. Just type "windows 10" and the video will pop up (hoping they have not put it down already).

Maybe you all know already, but I thought I should warn you guys.

DO NOT DOWNLOAD THE SHIT!!! Windows 7, or 8, are perfectly good. No need to actualize nothing. The only safe way to download this is going though the "manual mode", but unless you know a lot of computer things, you won't be able to do it and then you'll go through the automatic mode.

Remember nothing is for free.

Hail Father Satan!

Sorry that was so 1920, Soviet Russia. You know that place were Anti-Semitism was made the literal death penalty. By all those Jewish People running the Communist Party. And never stopped running it either.

Israel Launches Initiative to Have Antisemitism Recognized as an International Crime

<http://www.algemeiner.com/2015/04/15/israel-launches-initiative-to-have-antisemitism-recognized-as-an-international-crime/>

Attorney Alan Baker, Israel's former ambassador to Canada and a legal adviser to the Foreign Ministry wants antisemitism to be treated as an international crime. In a new Israeli initiative, Baker is proposing that international courts be used to combat global hate crimes against Jews.

Baker has drafted an international convention calling on the "Prevention and Punishment of the Crime of

Antisemitism.â€• The Convention, which is drafted in the manner of classical international anti-terrorism treaties and those for other crimes, will allow countries to cooperate and exchange information with others, in order to extradite those suspected of acts that meet the definition of antisemitism, Israelâ€™s NRG reported in Wednesday.

â€œWe need to set down clear rules on what constitutes antisemitism and to set up international codes to prevent it. We expect that the initiative will be thoroughly discussed among all entities and countries that are engaging antisemitism on a global scale,â€• said Baker.

Explaining the need for the Convention, Baker noted that, â€œeveryone knows to condemn antisemitism, but they are not doing what is necessary in order to fight against it on an international legal level.â€• He added that, â€œon the other hand, international courts invite people from around the world to account for various crimes. We think that this is precisely the place to also work decisively and unambiguously against antisemitism.â€•

The Jerusalem Center for Public Affairs, where Mr. Baker is now a fellow, intends to release a draft of the Convention, during a series of conferences at the United Nations, to other international organizations, international capitals, and among Jewish communities and organizations around the world.

This will be done in order to encourage countries to support the initiative and to submit a draft of the Convention to the appropriate UN organizations, in order to obtain international approval of the Convention.

Baker said that, â€œif the world really wants to work against this terrible phenomenon, the time has come to line up behind the measures that are necessary to be employed against it.â€•

Israel calls on world nations to regulate social media anti-Semitism

Israel screams: Shut it down!

As we know the Jews are working around the clock to Shut it down as much as possible, the internet that is and your freedoms. Naturally because the Jews are a worthless race of evil criminal trash who's soul is so twisted, vile and evil they physically resemble rats, weasels, Dracula, goblin's and ghouls in general. They don't want anyone being able to use the internet or anywhere else to point out their Jewish criminality against everyone. Remember the reverse torah rituals are what is undoing them at the core, keep doing them as we are winning.

The Jews want to shut it down TO SHUT YOU DOWN.

Israel calls on world nations to regulate social media anti-Semitism

[http://www.jpost.com/Diaspora/Israel-ca ... E0NzQ1Mjc=](http://www.jpost.com/Diaspora/Israel-ca...E0NzQ1Mjc=)

Ministry official states that while the issue is certainly controversial for Americans, it is important to discern the nature of the Internet and to act accordingly.

The Foreign Ministry on Monday called on governments around the world to regulate social media in order to combat anti-Semitism and violent incitement, reiterating the governmentâ€™s support last year for Internet censorship during an anti-racism conference.

Speaking at the annual gathering of the Conference of Presidents of Major American Jewish Organizations in Jerusalem, Akiva Tor, the director of the Foreign Ministry's Department for Jewish Communities, stated that while the issue is certainly controversial for Americans, it is important to discern the nature of the Internet and to act accordingly.

“What is YouTube? What is Facebook? What is Twitter? And what is Google?” he asked. “Are they a free speech corner like [London's] Hyde Park or are they more similar to a radio station in the public domain?” Referring to cartoons of Palestinians killing Jews and other such material circulating online, Tor asked why platforms such as Google search, YouTube, Facebook and Twitter are “tolerating” violent incitement and “saying they are protected in a holy way by free speech.”

x

“How is it possible that the government of France and the European Union all feel that incitement in Arabic on social media in Europe calling for physical attacks on Jews is permitted and that there is no requirement from industry to do something about it,” he continued, adding that Israel is working with European partners to push the technology sector to adopt a definition of anti-Semitism so its constituent companies can “take responsibility for what they host.”

Tor also took issue with Facebook for its position that it will take down material that violates its terms of service following a complaint, asking why the social-networking giant cannot self-regulate and use the technology at its disposal to identify and take down offending content automatically.

“If they know how to deliver a specific ad to your Facebook page, they know how to detect speech in Arabic calling to stab someone in the neck. It is outrageous [that technology] companies hide behind the First Amendment. Industry won't correct itself without regulatory requirements by governments,” he asserted.

Following the Foreign Ministry's biennial Global Forum for Combating Anti-Semitism last year, a similar statement was issued calling for the scrubbing of Holocaust denial websites from the Internet and the omission of “hate websites and content” from web searches.

Citing the “pervasive, expansive and transnational” nature of the Internet and the viral nature of hate materials, that conference's final document called upon Internet service providers, web hosting companies and social media platforms to adopt a “clear industry standard for defining hate speech and anti-Semitism” as well as terms of service that prohibit their posting.

Such moves, the document asserted, must be implemented while preserving the Internet's “essential freedom.”

The GFC document called upon national governments to establish legal units focused on combating cyberhate and to utilize existing legislation to prosecute those engaging in such prejudices online.

Governments, likewise, should require the adoption of “global terms of service prohibiting the posting of hate speech and anti-Semitic materials,” it was recommended.

In the United States, content-hosting companies are generally exempt from liability for illegal material as long as they take steps to take it down when notified.

According to Harvard's Digital Media Law Project, online publishers who passively host third-party content are considered fully protected from liability for acts such as defamation under the Communications Decency Act.

Despite the broad immunities given to online publishers, both under the First Amendment and the Communications Decency Act, there are many in Israel who believe that social networks bear significant responsibility for hosted content.

Last October, 20,000 Israelis sued Facebook, alleging the social media platform is disregarding incitement and calls to murder Jews being posted by Palestinians.

The civil complaint sought an injunction to require Facebook to block all racist incitement and calls for violence against Jews in Israel, but no damages.

It acknowledged that Facebook has taken some steps (such as implementing rules concerning content it will prohibit) and that it has taken down some extreme calls for murder, but only after Israelis complained.

The plaintiffs argue that Facebook is "far from a neutral or passive social media platform and cannot claim it is a mere bulletin board for other parties' postings."

They say Facebook "utilizes sophisticated algorithms to serve personalized ads, monitor users' activities and connect them to potential friends" and claim it "has the ability to monitor and block postings by extremists and terrorists urging violence, just as it restricts pornography."

In a December op-ed in The New York Times, Google executive chairman Eric Schmidt wrote that the technology industry "should build tools to help deescalate tensions on social media" sort of like spell-checkers, but for hate and harassment.

"We should target social accounts for terrorist groups like the Islamic State and remove videos before they spread, or help those countering terrorist messages to find their voice.

Without this type of leadership from government, from citizens, from tech companies, the Internet could become a vehicle for further disaggregation of poorly built societies, and the empowerment of the wrong people and the wrong voices," he wrote.

Several days later, Germany announced that Facebook, Google and Twitter had agreed to delete hate speech from their websites within 24 hours.

Berlin has been trying to get social platforms to crack down on the rise in anti-foreigner comments in German on the web as the country struggles to cope with an influx of more than 1 million refugees last year.

Despite these efforts, however, Twitter recently posted on its company blog that "there is no "magic algorithm" for identifying terrorist content on the Internet, so global online platforms are forced to make challenging judgment calls based on very limited information and guidance."

"In spite of these challenges, we will continue to aggressively enforce our rules in this area, and engage with authorities and other relevant organizations to find solutions to this critical issue and promote powerful counter-speech narratives."

Asked about Twitter's policy recommendations Monday, Simon Wiesenthal Center associate dean Rabbi Abraham Cooper replied that based on recent meetings he believes that both private industry and European governments have been taking the issue much more seriously since November's terrorist attacks in Paris.

In the case of Twitter, Cooper said that while work remains to be done, the micro-blogging company is "now taking significant steps on the terrorism issue and" [now] there is a whole different mentality

and attitude when it comes to terrorism.â€•

This issue requires a great deal of effort by interested parties to lobby companies to have more transparent rules regarding hate, Cooper added, saying Tor is "œright to raise the alarm" but that he is unsure that passing legislation should be the first priority.

"œI don't know if you have to go there," he said.

I advice you all to totally renounce windows 7, 8, 10 and install a Linux favor. There are a lot of free and open source operating systems that are resistant to malware and spying bots.

Windows it is owned by an unscrupulous corporation. So you are paying for Microsoft spy you and send information to any one pay's for it and free to government.

I use Ubuntu Linux but there are a various amount of favors almost for every user need. Linux is 100% costumizable by user but you need to have knowledge of operating system. Also Linux is very secure an resistant to any type of virus or malware that have destructive effects on Windows.

Even windows designed software it is possible to run fine on Linux. You can use Wine an software that emulates windows in Linux or virtual computer inside OS that have installed Windows OS.

Maybe for windows users Ubuntu OS could be a little hard to start with. I strongly recommend to download on Linux Mint distribution and install it. You must first consult Linux community for support. I also recommend to install for first Linux as secondary OS and use it firs to navigate on internet.

Subject: Re: Be careful about Windows 10

Hi guys!

First, yes, Bill Gates is a jew, of course. You may find in Youtube some videos where he has freely spoken about the Jew World Order and the alike.

I do not know about Linux. Though, I have heard it is a good operative system. Those who can, do your research before installing anything new.

Now, my friends, I have a little story I'd like to share with you. I am sure about the Windows 10 danger because either Father Satan or my beloved, wonderful, adorable, caring Demon told me.

The thing is, I did reserve for the Windows 10 update on July last year, but after some 3 months later I still had not received the "Go Ahead" to download the update. Frankly, I was disappointed. Then, all of a sudden, that Icon that shows on the desktop after you have reserved, to remind you of it, disappeared. Okay, so I looked about how to get the icon again. I found how, and I got the icon back again, but the very next day, the icon disappeared again. It came to my mind the words "Don't do it!" but I was not sure if it was me or a message I was receiving from the Gods. Now I know where the message came from.

Any way, something told me this was not a good thing and that it might be a sign that something was wrong with this Windows 10 update. So I searched, and then is when I found the video of this Spanish guy saying how dangerous it was. I believe Father or my beautiful Demon saved me from making a terrible mistake, as Father has saved me so many times, even from death. Of course, there were also lots of videos in English telling about the wonders of this new OS. I nevertheless took the advice of the Spanish guy, his name is Jose Luis, and he has a website called "Mundo Desconocido" (Unknown World) where the speaks a lot about us being slaves, the damage corporations do, things like that. I know him for long time, I do not know if he is a xian (I doubt it) or Satanist (he never speaks of religion), but I know he speaks a lot about the wrongdoings of the high elites. That's why I followed his advice. His website has been brought down several times also, he has a lot of followers, he gives conferences, so there you go, he has to be telling/doing something the elites do not like at all.

Still, in the "pending updates" I find the message "You have reserved Windows 10" and I am still in the line to receive the notice from Microsoft that my update is ready to upload. But I will not download it if it comes sometime in the future.

Of course, new computers already have this new version, so I think the smart move would be get the new computer with the Linux OP. Of course it is different, but still is quite good, they say, not so hard to learn. I would go for that one if I needed to buy a new computer.

Okay, so THANK YOU DEAR FATHER SATAN and THANK YOU MY LOVELY BEAUTIFUL DEMON for saving me and for telling me to post this warning. Let's keep up with the fight!

Hail Satan Forever!

I use Ubuntu Linux but there are a various amount of favors almost for every user need. Linux is 100% costumizable by user but you need to have knowledge of operating system. Also Linux is very secure an resistant to any type of virus or malware that have destructive effects on Windows.

Even windows designed software it is possible to run fine on Linux. You can use Wine an software that emulates windows in Linux or virtual computer inside OS that have installed Windows OS.

Maybe for windows users Ubuntu OS could be a little hard to start with. I strongly recommend to download on Linux Mint distribution and install it. You must first consult Linux community for support. I also recommend to install for first Linux as secondary OS and use it firs to navigate on internet.

I've been doing them on the hours mentioned a few times a day but for 24 hours straight? That's too much. I match them when I can but most of us have to work and sleep and meditate every day as well. Surely you can't expect everyone to do this every 3 hours for 24 hours straight until tomorrow?

Sleep deprivation can be DEADLY.

Matching them on these hours when one has the time is all anyone can do, which I have done for the last 2 days.

However you're screaming at us for not replying or for not doing this every 3 hours?

If you haven't noticed, people aren't as active on this group as they are way more active on the main group. Maybe you should post this on all the groups just to be sure to get as many people as possible to join in on this.

Whenever my chance permits, I do the RTR's as many times possible.

Just to state an example as not every fucking Satanist can join in on this every fucking day due to

circumstances that just won't let it happen.

I am a student, living in an apartment with another student who doesn't know I am a satanist. So it would be unwise to do that when she is home.

Also, this freaking building is built pretty cheap and the rule is simple, no noise after 10pm. Which means, if I do the RTR's then, I will wake up the whole building. Although, I usually do it anyway because of the importance of the RTR's.

And with my study which is quite time consuming, I have a job too as well as a social life. So there...I am one of those who are held a little back from advancing and helping Humanity as a whole.

HAIL SATAN!!!!

Today I have found a documentary showing new proofs of lies putted on Bible that Jews were politeist at beginning and were at least 3 tribes with different gods and religion on that land.

Archaeologist consider that YAHWEH was imported god for some were like Egypt. You see another post that it can have even Greek origins.

Today I have found a new documentary with new proves that show that there are many lies in Bible. Now I see that is very clear that ancient Israel that were more than one tribes that have different gods and religions. In the old testament Torah it is some proves of a religious war between the tribes of these lands who worshiped different gods. So in the original Torah there were different gods not one that is called Yahweh.

I show them the BLACKMAGICK programs that are running in and around their lives ... what the SERPENT symbol on EMT units, HOSPITALS, all other life saving facilities really means ... This was posted to the main group as well

She is not asking to do them at ALL of the times, even one daily is best. She has all the different times for people in different time zones who may be sleeping. Again, to everyone, even ONE RTR is great! To say you have no time to do ANY is just laziness, honestly.

I work full time and go to school full time but I still make time for these plus my meditations and everything. I understand the financial situation, but surely you have a spare 15 minutes per day to do this??

True, but as I've said, I am rarely home alone, thus unable to do it. And no, there isn't really a place I can go to either. I have already tried that many times, actually. But here are people everywhere, it's insane.

Just because people aren't posting saying they are doing them, does not mean we are not. It means the Rtr's are such a part of our lives that we don't need to post constantly saying that we did them. There are many people in the JoS who do not post often in the groups, it DOES NOT mean we are not active. So don't start yelling away and throwing insults.

Look, before I even look at the responses...I woke up this morning feeling sorry for being such a witch. I apologize for yelling at you all. I have been trying to coordinate rolling RTR's. To give it a major punch. To really fuck the enemy up. And I am looking to the yahoo groups to add to it. WE have the power. There are so many members. But it means nothing if you won't fight. But...if you did...oh YES!!!

The thing is I am just am so sick of seeing people post how they want something. They whine about wanting someone to love them or I don't know...some shit about something. The bottom line is it is something for themselves...and they give NO consideration to Satan and how they might help Him!!! It's all ME ME ME. Well I say FUCK THAT!!! We should be fighting for Satan! And it made me beside myself with anger...I just fucking lost it last night. Sorry. So I lashed out. No, I don't expect a person to do them all. Just pick one and go with it! WHY is that a difficult concept to understand? Just DO something! For Satan's sake do something!

I am infuriated to receive a message regarding Why are the RTR's important? I mean, come on! I am not interested in excuses!!! Just fucking FIGHT! is that too hard to understand??? Come on now! Shake off the apathy! I want to hear a big HAIL SATAN!!! And I expect you to MEAN IT! And don't give me this SHIT about just because people aren't posting it doesn't mean they aren't...bla bla bla! That is horseshit too! Post it and be PROUD and be an EXAMPLE for all the newbies who want to fight and feel insecure about if what they can add means anything! of course it does! You show them! Be an example! Don't fucking give me excuses!!! Fuck that BS!!! You get the fuck off your asses right now!!!

Hey I've been doing RTR's every day too. Like many people here already said though we also have to work and maintain our living quarters and other stuff throughout the day and not everyone can reply to their email every day.

Mostly I've been doing 108 counts of THOTH into my 6th chakra last week and same in the 3rd eye this week when I'm not working out or doing rituals and then I'm doing internet warfare during my down time.

Plus these RTR's take alot of energy. I feel stiff and drained every time I do them and the enemy has physically tried to attack me a few times during the current RTR's so I hit them where I can whenever I have the energy but most new people can only take so much in one day.

Even I can usually only manage 2 or 3 a day because most of my energy gets spent on my powerlifting and meditations and there's not much energy left for too many rituals so I average about 2 a day.

I still do what I can whenever possible as does everyone else who isn't an uneducated newbie or lazy slacker. But we don't need to reply to these either. You posted the schedule and many people just went with it and didn't reply. They just did the rituals and never bothered to reply. This is also totally fine.

Understood. I'm not in the groups often enough to see the apathy and people posting just about what they want and so on, but when I do pop into the groups it's true, so many people not doing their part to win this war. "I want fame I want love but I don't wanna fight or meditate though" and so on.

I randomly woke up at 4am yesterday morning, was lying in bed trying to get back to sleep and I thought wait a minute, might as well do another Rtr while I'm up!

The bible and torah (the old testament is the torah) are tools to curse and enslave humanity. The bible contains endless subliminals that damn people spiritually and turn them into unthinking sheep that send their energies towards enslaving the rest of humanity. The enemy is working overtime to try and manifest the torah into reality where humanity is a powerless clump of slaves without race, identity, or knowledge that are ruled with a rod of iron.

I have been in and out and I see this apathy. I try really hard to do meditations and RTR's every single day and lately I have found I am just getting hammered. I realized yesterday this has made me really volatile lately....I just get so angry thinking about Satan and people discounting Him I flip out. Gotta do more yoga obviously.

That's awesome about the RTR you said. Maybe you caught one of ours and joined in. I can only manage two a day plus the meditations and the other demands of life. I am personally swamped every day myself so I get that. Trying to keep up to all my obligations and still fight. I never meant people were to do every single one, 8 times a day! I got a PM from someone asking me why RTR's were so important....I mean, this is the kind of thing that underscores why I got mad. if you are Dedicated and here, how many times have the HPS and HP's posted as to the importance of these? So it makes me wonder: Have they read ANYTHING? And then.....I start getting REALLY angry.....

I think Zir, its good to let others know what you do periodically, or like yourself Angryshaman, I was astounded at how much meditations you do. I've seen your earlier posts re that. I know you are no slacker. You made me want to try harder. Hence I thought it would be good for advanced members to post sometimes what they do. So newer people can be inspired and learn by example. That's why I was yelling about that. Sometimes, I just get SO angry!!

Donating blood is fine from time to time if you are young and of a robust constitution.

If you tend towards weakness frailty, exhaustion and even ongoing general tiredness and digestive insufficiency then donating blood could worsen your health.

I also am FURIOUS as my name implies of course, furious with this disgusting system of organized poverty meant solely to enslave gentiles to the jews.

I'm sick of having to ration EVERYTHING to avoid starving to death and I'm sick of going broke just buying food that isnt poisoned and having to waste 30\$ a month for reverse osmosis filters just so I can drink water that isnt contaminated with fluoride and other crap!

I'm sick of wasting countless hours on pointless bullshit when I could be spending that time meditating and doing far more productive things with my time!

I'm sick of impoverishing myself just to have electricity because the jews killed Nikola Tesla in order to stop him from giving the world free energy that we could learn to build for ourselves on A CHILD'S ALLOWANCE WITH A BOX OF SCRAPS AND VACUUM TUBE DIODES!

I'm sick of the pollution and the gentiles around me who give me this defeatist attitude about how shitty life is where these pansies just accept it saying "thats just how the world is. nothing anyone can do about it"

EVERY FUCKING TIME I HEAR THAT IT MAKES ME WANT TO SLAP THE SHIT OUT OF THEM WITH MY BARE KNUCKLES!

Hitler even beat up a cowardly defeatist German soldier during his army days in WW1 for saying the exact same thing!

I'm tired of wasting all my time and energy on pointless bullshit just to stay alive because these fucking jews are monopolizing all the resources needed for basic survival and then of course charging everyone up the ass for basic needs!

I can't wait until it's officially open season on the jews because once it is and we can openly burn down their synagogues and execute them for their crimes I will be right there leading the angry mob of nationalist gentiles who have finally had enough of this jew infested shitstain of an empire where only the jews have wealth and resources and everyone else gets fleeced into their grave!

Hitler himself praised the fanatical and passionate gentiles who openly follow their dreams and pledge themselves to their reich and their volk! I too am every bit as fanatical and passionate about destroying this jewish menace once and for all and I will only continue to grow stronger on my quest for godhood, immortality and of course to use that power and knowledge to end the jews once and for all!

Same thing with me. I spent literally my ENTIRE youth being lectured about "why cant you get along with anyone? you're a freak! kill yourself you inhuman monster!"

All because I never played by the rules these kike pieces of shit would try to enslave everyone else with.

I vaguely remember getting into shit with my grade school music teacher (back then this was a mandatory class but this was in the early 1990's before the jews started cutting the education budget into oblivion)  
Because this "teacher" was a xian bitch who kept trying to FORCE us to sing christian songs or she threatened to flunk us.  
I protested and refused and they sent me to the principal's office (one of hundreds of visits I would have in my youth) and the principal suspended me for "being defiant".

RIIIIIIGHT. these assholes are violating separation of church and state and IM the one getting kicked out for refusing to have my rights violated.  
Fucking commie kike pieces of shit did everything they could to make my school upbringing as miserable as possible.

I'm talking CARTOONISH levels of insanity, violence and depravity being used against me for refusing to tolerate their bullshit.

I was also the smartest kid in class and had a college reading level by age 7.

Of course this was because I was born with past life knowledge of how to read fluent english so I just absorbed all other knowledge like a sponge and this advanced intellect also scared the living piss out of my "teachers".

With a proper upbringing I could have easily been classified as a genius but instead these communist jews and their marxist pet "teachers" tried to ruin me for life.

Yes me too, always considered strange and 'weird' in school. I tried to fit in for a while. But it was like I had some sort of invisible mark upon me that the others could sense if not literally see. I was told if you can't get along with the others, YOU must be doing something to make them come after you!

I didn't understand why I was different.....but in the end I decided I'd rather not be one of the herd anyways and that it was a good thing.

I was doing RTR's yesterday and today and I felt extra energy other people are putting in - I call it the echo effect because its like the words - echo astrally - like others are saying it with you. The more people joining in the bigger the effect. The vibes animate and come to life in a sense. Its hard to describe but I have done it alone and with as many as five others at the same time and I know it feels different when people do it together. it feels stronger. Try it yourself, try doing them at one of the times on the schedule and feel for yourself. And right now we probably only have a handful at the most at any one time doing the RTR at any given time - but even a handful is stronger than an individual. It needs to grow, I know.

But...it tells me some people from the groups ARE joining in and this makes me SO happy! It's awesome! Thanks to those who do! I hope more sync up too! Come on people!

Imagine if we could get like, a hundred of us doing it at the same time! What would THAT feel like!?!?

DAMN, Zir! That's a LOT of vibrating!

I've been doing them whenever I can but the last few days and most of this weekend I've been preparing to FINALLY move out of this damn house so I haven't had alot of time.

Good thing is I memorized the RTR so I can do it any time now if I'm alone.

Its just disgusting! Oh, but the races are equal! Rlllllght. I didn't see this savagery in Europe! Push those rapefugees out of Europe!

I don't know. I think the big one just now is the communications. The enemy is scared to death of us waking up. They have been trying hard to shut down our lifelines, like Satan's library. And perhaps the goat. The one that awakens Aryans to the threat and reflects their BS back onto them so we aren't believing the lies that we are to blame anymore. I don't know. Perhaps the HPS or HP can tell us?

zir I commend your efforts - I do! I really appreciate what you are doing - but what I really want you to do is sync up to the schedule and pick a few times that work for you and do them then..when we are all in sync! We are MOST powerful as a team! I am afraid you will burn yourself out doing 108 times or more at a time alone! That's not what I am encouraging! I don't want you to burn yourself out! I want you to join us! Do the RTR at the times on the schedule! Please. You are most powerful when you are in sync with the rest of us. OK? I appreciate how hard you want to go for Satan. And I appreciate you for it. But you must be strategic too. Please don't burn yourself out. Pace yourself.

Subject: Map of the Soul - Satan and Astaroth Sigils

Hello Brothers and Sisters,

In the recent past, I had some imbalances to the left (female) chakras. I'm guessing this is due to the awakening of the ida channel (one of the preliminary steps before sushumna awakening). Chaotic flows of energy all over my body, and all without any reason.

I've been troubled for a long time in order to achieve balance over this and progress, but to no success. I've been using the full raum meditation that balances the front and the back and the left and the right, the lower and higher chakras, but still couldn't achieve balance.

After asking for guidance from the Gods, I had a new thought about meditating with Father Satan's sigil. One day a vision came to me mapping Father Satan's sigil onto my body. I was imagining the lines of the sigil inside my body and moving energies along those lines while meditating.

This worked! And brought to me the needed balance!

What is interesting to me was that during the imbalance, I was feeling energy coming out of several points at the left side of my body. One was the left shoulder chakra (at the armpit) and the others where to the left of the heart (before the end of the rib-cage), one to the left of the abs, and one to the left hip.

I knew about the shoulder and hip chakras, but the other two points were unknown to me. And to have energy flowing from these points without my actions, alarmed me greatly!

I've never knew of something significant at the area. Turns out that the Father Satan's sigils and Astaroth sigils map those two points!!!

I don't know if this is valid, but it seems true to me and to my experience. It also seems to me THIS is what the JoS clergy means that the sigils of the Gods are the map of the soul.

After a long time I decided to create a few illustrations, displaying the two sigils of Father Satan, the sigil of Astaroth and the chakra system I've been imagining.

[Note that to map the sigils of Astaroth and Father Satan to an image, I created two chakra systems where they have a few differences in the positions of the chakras. But I'm guessing the sigils are a bit abstract and not exact. So I guess the differences are within reason and still mark the same chakras]

I've attached the images to this post, and also uploaded them online (just to be sure).

Anyone interested can use them freely, as my point creating them, is to spread the knowledge of Father Satan.

Note in the illustrations the female/male pairs that the JoS clergy has

already mentioned (hips, shoulders, temples) and how they match to the sigils. And also the various points of intersections on the sigils shows other two pairs of minor chakras; one extension pair for the Sacral chakra and one extension pair for the Solar chakra.

I'm not sure that it's "supposed" to look like that, it was just my interpretation of the heart chakra. If it makes any sense, the abstract thought that I had in mind while drawing this was a combination of two shapes.

The first shape was the shape of the merkaba meditation, like this image

<http://tinyurl.com/zmzh78j>

and the second shape was this alchemy symbol that represents unity, like this image

<http://tinyurl.com/jtcdwgk>

and the third shape is the ancient greek tetraktys, like this image

<http://postimg.org/image/oxjwcy9hl/>

If in any way this symbol doesn't work for you, or you have different experience then imagine it like a yoni, like this page of JoS mentions

[http://www.angelfire.com/empire/serpentis666/Chakra\\_Alignment.html](http://www.angelfire.com/empire/serpentis666/Chakra_Alignment.html)

I hope this makes sense to you.

The following part doesn't exactly relate to your question, but I'm stating this in general just to be clear for everyone else.

If in any case the above shapes remind to any of you the "star of david" then keep in mind that the filthy jews have **STOLEN** and **TOOK OWNERSHIP** a lot of knowledge from us Gentiles. They have mercilessly killed our people in the past, they slaughtered them, tortured them and then stolen and corrupted our knowledge.

This knowledge was stolen from the pythagoreans (ancient greece) and the original name was tetraktys. Here's an image of the geometry related to the tetraktys.

<http://postimg.org/image/4kmzoz5gf/>

Here is the tetraktys combined with some occult symbols

<http://tinyurl.com/gwqhejh>

And the hexagram is related to the double tetraktys. Here's an image of the geometry analysis of the double tetraktys.

<http://postimg.org/image/oxjwcy9hl/>

And to further expose their corruption on this subject, their false "kabbalah" is based on the Pythagorean Lambdoma that describes the harmonies in our universe. Here's a picture of the Pythagorean Lambdoma.

<http://tinyurl.com/g6tcnr>

If you study the teachings related to the Pythagorean Lambdoma you'll see where the jews STOLEN the knowledge and created their shitty "kabbalah".

[copy all of these images locally, as they are rare to find and may disappear from the internet at any time]

Then the filthy jews posed this knowledge as if it was theirs since the beginning. They created their false "kabbalah" based on the knowledge of the Pythagoreans (the Lambdoma). Trying to appear "wise" and "spiritual" when they took all the wisdom and knowledge from us Gentiles. And now they've put this sacred ancient greek symbol of unity upon their shitty flag of pissrael.

This is how the filthy jew worked in the past!

Now is the time that we, the Gentiles, are awakening, and their lies and tricks don't work anymore. We are here to take over what is rightfully ours! We are fighting strong!

Jewish Rabbi Admits Jews are an Alien Group Who's Goal Is Conqueror the World

The Racism of the Jewish Religion is ground in one thing. In the Jewish scriptures they state Jews have a special gene, that gives them a divine inheritance they got from Jehova. Were the Goyim literally come from the seed of Satan and is a whole another species from the Jew. Now the Jewish Cohen gene has something no other race or ethnic group on this earth has.....Reptilian DNA.

As we know our Gods are the Nordic's who are a race of ascended Extra terrestrials. Were the Jews by their own statements and genes came from another extra terrestrial race. The Reptilian one. Latiman goes on to confess that the Jew is a alien race that infiltrates all races to bring them down so the Jews can conqueror the earth. The Jews believe when this happens then their god will literally land on mount Zion and rule the world along with their Messiah. Their Extra Terrestrial creators will simply land and show themselves and over see the farming of the Goyim directly.

As Rabbi Latiman says to a Jewish audience.....

The video:

[https://www.youtube.com/watch?v=4Od3LF\\_opvE](https://www.youtube.com/watch?v=4Od3LF_opvE)

From the video:

Rav Michael Laitman: In fact, we are not coming from here. We came from there (points to outer space). This is Israel at their root. So we went through such a route that took us inside by, what is called the "shattering of the vessels"... the shattering of the collective soul...

Question from the audience: Who is the chief of staff that sent the commanding unit?

Rav Michael Laitman: Him. The Creator. Israel is a part of Him...

Question from the audience: So, this chief of staff sent this commanding unit?imageedit\_753\_7758394759

Rav Michael Laitman: Sent the commanding unit. Gave them strength. Gave them the connections. Everything....

But... they have no choice. He broke them. He shattered them. What does it mean? In order to put them inside the hostile land, he had to give them the same form as that hostile land. It's like we go into a country as an undercover team. And each one of us is exactly like the people of the land. Say we're being sent somewhere now – Africa for instance. So we'll take on the same shape and form of the people in Africa. The characteristics, traits, approach, interests, everything. The same exact for – inside and out... You know, it's like an undercover agent. He is there for a while, no one touches him, he has to start working, build a house, family... Everything is fine for years and years. After that, he starts doing something. He gets a reminder from outside. You gotta start working. He already forgot about it and all of a sudden they call him. Here is your commander, and this and that, you know – like in the movies... This is what's happening with us. We have to wake up. We have to remember that we have a special mission. And really, this isn't our place. We're coming from a completely different place. So we have to find our friends according to this awakening. Did you get a phone call? I got a phone call, he got a phone

call and so on. And then we gather as a group. So from this entire planet, we are aliens coming from a different galaxy. We receive this ray of light – this awakening – individually. And now we're gathering as groups starting to prep ourselves to conquer Earth. That's the mission.

Question from the audience: How do we conquer it?

Rav Michael Laitman: How do we conquer it? We're also sent the method. We're being shown everything gradually. We're being taught. Not being taught, but kind of trained and activated... which sets our minds in motion. But in fact, it's coming from our original planet. And thanks to that original natural force we have, we will take over those living on Earth.

Why are you looking at me like that? You don't believe me? I'm telling you seriously! It's even more than that. It's not a different galaxy – it's a different universe. It's a different dimension altogether. That's who we are...

Question from the Audience: "...Why are they aliens?"

Rev. Michael Laitman: "They're aliens because.... I'm not talking about their external form – their body or their flesh and blood organs. I'm talking about that interior that does not exist in other people in the world on Earth but only in them. It's the inner software that is in them here coming from the other world."

"...What we're talking about now is the phase where those undercover agents have to connect together and organize themselves in order to conquer Earth...

So we came here in order to put things in order – like in our home planet..."

He is not senile - he is very much aware far more aware than most of the jews he is talking to and of course ignorant gentiles, the Goyim.

He will not have our world no but it will be up to us to stop that through our magic and warfare - the mistaken perception that he is senile is dangerous as it precludes his true ability to rile up his own into action and jews and jew sympathisers outnumber us significantly.

Black Students Hold Debate To Demand All Whites Be Killed

I wonder were these ideals originally come from.....

Oh, a toilet full of Jews.....big surprise.....

What is anti-Racism.....

Oh, just trash can kikes, demanding the death of White People. I wonder why....

Oh, okay there just being Jews then.....

<https://www.youtube.com/watch?v=RC-Cqkq6zWc>

This debate about whether white people should be exterminated was held at Harvard University. The pro-genocide team, Damiyr Davis and Miguel Felician, is from the University of West Georgia.

The topic of the debate was supposed to be renewable energy — not race. The black debaters simply \*chose\* to bring up their opponents' race and demand that whites kill themselves. The black debaters also claimed they were engaged in \*sincere political activism\*, NOT just an argument to win a debate.

Black students at every major university in the country, including Harvard, Yale, and Johns Hopkins, have joined the "Black Liberation Collective" which endorses the murder of whites in a manifesto called "On Violence." <http://www.blackliberationcollective...>

Amazingly, the University of West Georgia brags about these two anti-white debaters on its website. The duo's passionate advocacy of white extermination has made them No. 2 in the country! <http://www.westga.edu/ucmassets/news/...>

White genocide is even being taught to high-school students. One of the anti-white debaters, Miguel Feliciano works as an instructor at Coppin State University's Eddie Conway Liberation Institute, run by Professor Shanara Reid-Brinkley of the University of Pittsburg. Young black students are indoctrinated in the same anti-white ideology displayed in this debate.

Subject: Important. Techniques for dilution, misdirection and control of an i

Brothers and Sisters.

Everyone should take the time and read this.

These are the techniques of any infiltrator that is acting in forums.

And these techniques are effective only if no-one knows about them.

Here is an excerpt:

COINTELPRO Techniques for dilution, misdirection and control of a internet forum..

There are several techniques for the control and manipulation of a internet forum no matter what, or who is on it. We will go over each technique and demonstrate that only a minimal number of operatives can be used to eventually and effectively gain a control of a 'uncontrolled forum.'

Technique #1 - 'FORUM SLIDING'

If a very sensitive posting of a critical nature has been posted on a forum - it can be quickly removed from public view by 'forum sliding.' In this technique a number of unrelated posts are quietly prepositioned on the forum and allowed to 'age.' Each of these misdirectional forum postings can then be called upon at will to trigger a 'forum slide.' The second requirement is that several fake accounts exist, which can be called upon, to ensure that this technique is not exposed to the public. To trigger a 'forum slide' and 'flush' the critical post out of public view it is simply a matter of logging into each account both real and fake and then 'replying' to prepositioned postings with a simple 1 or 2 line comment. This brings the unrelated postings to the top of the forum list, and the critical posting 'slides' down the front page, and quickly out of public view. Although it is difficult or impossible to censor the posting it is now lost in a sea of unrelated and unuseful postings. By this means it becomes effective to keep the readers of the forum reading unrelated and non-issue items.

Technique #2 - 'CONSENSUS CRACKING'

A second highly effective technique (which you can see in operation all the time at [www.abovetopsecret.com](http://www.abovetopsecret.com)) is 'consensus cracking.' To develop a consensus crack, the following technique is used. Under the guise of a fake account a posting is made which looks legitimate and is towards the truth is made - but the critical point is that it has a VERY WEAK PREMISE without substantive proof to back the posting. Once this is done then under alternative fake accounts a very strong position in your favour is slowly introduced over the life of the posting. It is IMPERATIVE that both sides are initially presented, so the uninformed reader cannot determine which side is the truth. As postings and replies are made the stronger 'evidence' or disinformation in your favour is slowly 'seeded in.' Thus the uninformed reader will most likely develop the same position as you, and if their position is against you their opposition to your posting will be most likely dropped. However in some cases where the forum members are highly educated and can counter your disinformation with real facts and linked postings, you can then 'abort' the consensus cracking by initiating a 'forum slide.'

Technique #3 - 'TOPIC DILUTION'

Topic dilution is not only effective in forum sliding it is also very useful in keeping the forum readers on unrelated and non-productive issues. This is a critical and useful technique to cause a 'RESOURCE BURN.' By implementing continual and non-related postings that distract and disrupt (trolling ) the forum readers they are more effectively stopped from anything of any real productivity. If the intensity of gradual dilution is intense enough, the readers will effectively stop researching and simply slip into a 'gossip mode.' In this state they can be more easily misdirected away from facts towards uninformed conjecture and opinion. The less informed they are the more effective and easy it becomes to control the entire group in the direction that you would desire the group to go in. It must be stressed that a proper assessment of the psychological capabilities and levels of education is first determined of the group to determine at what level to 'drive in the wedge.' By being too far off topic too quickly it may trigger censorship by a forum moderator.

#### Technique #4 - 'INFORMATION COLLECTION'

Information collection is also a very effective method to determine the psychological level of the forum members, and to gather intelligence that can be used against them. In this technique in a light and positive environment a 'show you mine so me yours' posting is initiated. From the number of replies and the answers that are provided much statistical information can be gathered. An example is to post your 'favourite weapon' and then encourage other members of the forum to showcase what they have. In this matter it can be determined by reverse proration what percentage of the forum community owns a firearm, and or a illegal weapon. This same method can be used by posing as one of the form members and posting your favourite 'technique of operation.' From the replies various methods that the group utilizes can be studied and effective methods developed to stop them from their activities.

#### Technique #5 - 'ANGER TROLLING'

Statistically, there is always a percentage of the forum posters who are more inclined to violence. In order to determine who these individuals are, it is a requirement to present a image to the forum to deliberately incite a strong psychological reaction. From this the most violent in the group can be effectively singled out for reverse IP location and possibly local enforcement tracking. To accomplish this only requires posting a link to a video depicting a local police officer massively abusing his power against a very innocent individual. Statistically of the million or so police officers in America there is always one or two being caught abusing there powers and the taping of the activity can be then used for intelligence gathering purposes - without the requirement to 'stage' a fake abuse video. This method is extremely effective, and the more so the more abusive the video can be made to look. Sometimes it is useful to 'lead' the forum by replying to your own posting with your own statement of violent intent, and that you 'do not care what the authorities think!!' inflammation. By doing this and showing no fear it may be more effective in getting the more silent and self-disciplined violent intent members of the forum to slip and post their real intentions. This can be used later in a court of law during prosecution.

#### Technique #6 - 'GAINING FULL CONTROL'

It is important to also be harvesting and continually maneuvering for a forum moderator position. Once this position is obtained, the forum can then be effectively and quietly controlled by deleting unfavourable postings - and one can eventually steer the forum into complete failure and lack of interest by the general public. This is the 'ultimate victory' as the forum is no longer participated with by the general public and no longer useful in maintaining their freedoms. Depending on the level of control you can obtain, you can deliberately steer a forum into defeat by censoring postings, deleting memberships, flooding, and or accidentally taking the forum offline. By this method the forum can be quickly killed. However it is not always in the interest to kill a forum as it can be converted into a 'honey pot' gathering center to collect and misdirect newcomers and from this point be completely used for your control for your agenda purposes.

#### CONCLUSION

Remember these techniques are only effective if the forum participants DO NOT KNOW ABOUT THEM. Once they are aware of these techniques the operation can completely fail, and the forum can become uncontrolled. At this point other avenues must be considered such as initiating a false legal precedence to simply have the forum shut down and taken offline. This is not desirable as it then leaves the enforcement agencies unable to track the percentage of those in the population who always resist attempts for control against them. Many other techniques can be utilized and developed by the individual and as you develop further techniques of infiltration and control it is imperative to share then with HQ.

Pope Calls For End Of White Europe Cause His Feelings And the Jewish Bible

Maybe the Pope just is really excited to have White Europe ended by hordes of people from a culture where pedophilia and child rape are normal. Birds of a feather after all.... It is not an accident he quotes the hateful Jewish book of lies the one that says the earth is flat, as his jewsification for exterminating all of White Europe.... Remember the Jews always use false philanthropy as their number one weapon. Note the pedo Pope admits this is an invasion, but wants more of it right in your backyard....

<http://www.breitbart.com/national-security/migrants/>

In his general audience Wednesday, Pope Francis launched an appeal to the nations of the world to open their hearts and their doors to migrants who are standing "at the border," in an apparent reference to the many migrants camped at key border positions trying to enter Europe.

During the last year, more than 1.1 million migrants entered the European Union and the unabated flow has prompted countries along the main migration corridor through the Balkans to seal their borders, leaving tens of thousands encamped in Greece.

The Pope compared today's migrants to the people of Israel who were deported into Babylon in the 7th century BC, as recounted in the Biblical book of the prophet Jeremiah.

"How many of our brothers and sisters are living in this time a real and dramatic situation of exile," Francis said, "far from their homeland, still in their eyes the reflection of their homes reduced to rubble, their hearts full of fear and often, unfortunately, sorrow at the loss of loved ones!"

"And when they try to go somewhere else, they find the door closed to them," Francis continued, "There they are, at the border, because so many doors and so many hearts are closed. Today's migrants suffer from the cold, without food and with no way to enter. They do not feel welcome."

"How it pleases me to hear of nations and rulers who open their hearts and open their doors!" he said.

Earlier this month, Pope Francis called Europe's migrant crisis a veritable "Arab invasion," and framed the inundation of primarily Muslim migrants in the context of invasions that Europe has suffered in the past, immediately adding: "How many invasions has Europe suffered in its history!"

In his audience Wednesday, the Pope related the situations of contemporary migrants to the Israelites' deportation to "a foreign land," which tried their faith in God's goodness.....

Awesome post comrade. Keep up the good work!

Also take note brothers and sisters. The enemy has infiltrated most forums. They scan the internet posts about keywords and are FAST to reply to certain posts, as for instance CHEMTRAILS.

ALWAYS TAKE NOTE IF THE FIRST REPLY IS DONE VERY FAST AND THE REPLY IS NEGATIVE OR DEBUNKING OF THE POST ! THIS IS DONE TO SWAY THE OPINION OF THE UNAWARE READERS !

Also there are a lot of government funded sites that give "scientific explanations" about several facts. They provide the funding. They provide photos that debunk the theories. And they are filled with paid "users" that post their "opinion".

Most people that are worried about these stuff, will do a google search and will probably land on one of these sites (as these sites are promoted by the enemy in search engines because of their rich funding). They will then read the bogus science debunking and remain deluded about the reality.

Another point is the keywords "conspiracy theories". These words are used as conversation enders. For example

- What do you think about such and such?
- Meh, just conspiracy theories...

- Really but there is this fact and the other fact (and more facts)
- Nah, conspiracy theories!

Notice that there isn't any debate, or thought process about these facts. These keywords were being used as "debunking" or "ignoring". Most people taking note of this conversation will also stop thinking about the issue! So take note brothers and sisters! This is brainwash.

Also keep in mind that the keywords "conspiracy theory" was coined by the CIA.

<http://www.zerohedge.com/news/2015-02-23/1967-he-cia-created-phrase-conspiracy-theorists-and-ways-attack-anyone-who-challenge>

So if you chose to stop thinking about an issue labeling it as "conspiracy theory" then you are being brainwashed!

.....

## In 1967, the CIA Created the Label "Conspiracy Theorists" ... to Attack Anyone Who Challenges the "Official" Narrative

Submitted by [George Washington](#) on 02/23/2015 20:26 -0400

### Conspiracy Theorists USED TO Be Accepted As Normal

Democracy and free market capitalism were [founded](#) on conspiracy theories.

The [Magna Carta, the Constitution and Declaration of Independence](#) and other founding Western documents were based on conspiracy theories. [Greek democracy and free market capitalism](#) were also based on conspiracy theories.

But those were the bad old days ...Things have now changed.

### The CIA Coined the Term Conspiracy Theorist In 1967

That all changed in the 1960s.

Specifically, in April 1967, the CIA [wrote](#) a dispatch which coined the term “conspiracy theories” ... and recommended methods for discrediting such theories. The dispatch was marked “psych” – short for “psychological operations” or disinformation – and “CS” for the CIA’s “Clandestine Services” unit.

The dispatch was produced in responses to a Freedom of Information Act request by the New York Times in 1976.

The dispatch states:

2. This trend of opinion is a matter of concern to the U.S. government, including our organization.

\* \* \*

The aim of this dispatch is to provide material countering and discrediting the claims of the conspiracy theorists, so as to inhibit the circulation of such claims in other countries. Background information is supplied in a classified section and in a number of unclassified attachments.

3. Action. We do not recommend that discussion of the [conspiracy] question be initiated where it is not already taking place. Where discussion is active addresses are requested:

- a. To discuss the publicity problem with and friendly elite contacts (especially politicians and editors) , pointing out that the [official investigation of the relevant event] made as thorough an investigation as humanly possible, that the charges of the critics are without serious foundation, and that further speculative discussion only plays into the hands of the opposition. Point out also that parts of the conspiracy talk appear to be deliberately generated by ... propagandists. Urge them to use their influence to discourage unfounded and irresponsible speculation.

- b. To employ propaganda assets to and refute the attacks of the critics. Book reviews and feature articles are particularly appropriate for this purpose. The unclassified attachments to this guidance should provide useful background material for passing to assets. Our ploy should point out, as applicable, that the critics are (I) wedded to theories adopted before the evidence was in, (II) politically interested, (III) financially

interested, (IV) hasty and inaccurate in their research, or (V) infatuated with their own theories.

\* \* \*

4. In private to media discussions not directed at any particular writer, or in attacking publications which may be yet forthcoming, the following arguments should be useful:

a. No significant new evidence has emerged which the Commission did not consider.

\* \* \*

b. Critics usually overvalue particular items and ignore others. They tend to place more emphasis on the recollections of individual witnesses (which are less reliable and more divergent- and hence offer more hand-holds for criticism) ...

\* \* \*

c. Conspiracy on the large scale often suggested would be impossible to conceal in the United States, esp. since informants could expect to receive large royalties, etc.

\* \* \*

d. Critics have often been enticed by a form of intellectual pride: they light on some theory and fall in love with

it; they also scoff at the Commission because it did not always answer every question with a flat decision one way or the other.

\* \* \*

f. As to charges that the Commission's report was a rush job, it emerged three months after the deadline originally set. But to the degree that the Commission tried to speed up its reporting, this was largely due to the pressure of irresponsible speculation already appearing, in some cases coming from the same critics who, refusing to admit their errors, are now putting out new criticisms.

g. Such vague accusations as that "more than ten people have died mysteriously" can always be explained in some natural way ...

5. Where possible, counter speculation by encouraging reference to the Commission's Report itself. Open-minded foreign readers should still be impressed by the care, thoroughness, objectivity and speed with which the Commission worked. Reviewers of other books might be encouraged to add to their account the idea that, checking back with the report itself, they found it far superior to the work of its critics.

Here are screenshots of part of the memo:

Summarizing the tactics which the CIA dispatch recommended:

- Claim that it would be impossible for so many people would keep quiet about such a big conspiracy
- Have [people friendly to the CIA](#) attack the claims, and point back to “official” reports
- Claim that eyewitness testimony is unreliable
- Claim that this is all old news, as “no significant new evidence has emerged”
- Ignore conspiracy claims unless discussion about them is already too active
- Claim that it's irresponsible to speculate
- Accuse theorists of being wedded to and infatuated with their theories
- Accuse theorists of being politically motivated
- Accuse theorists of having financial interests in promoting conspiracy theories

In other words, the CIA's clandestine services unit created the arguments for attacking conspiracy theories as unreliable in the 1960s as part of its psychological warfare operations.

## But Aren't Conspiracy Theories - In Fact - Nuts?

Forget Western history and CIA dispatches ... aren't conspiracy theorists nutty?

In fact, conspiracies are so common that judges are trained to look at conspiracy allegations as [just another legal claim](#) to be disproven or proven *based on the specific evidence*.

[Federal](#) and all 50 [state's](#) codes include specific statutes addressing conspiracy, and providing the punishment for people who commit conspiracies.

But let's examine what the people trained to weigh evidence and reach conclusions think about “conspiracies”. Let's look at what American judges think.

Searching [Westlaw](#), one of the 2 primary legal research networks which attorneys and judges use to research the

law, I searched for court decisions including the word "Conspiracy". This is such a common term in lawsuits that it overwhelmed Westlaw.

Specifically, I got the following message:

"Your query has been intercepted because it may retrieve a large number of documents."

From experience, I know that this means that there were potentially millions or many hundreds of thousands of cases which use the term. There were so many cases, that Westlaw could not even start processing the request.

So I searched again, using the phrase "Guilty of Conspiracy". I hoped that this would not only narrow my search sufficiently that Westlaw could handle it, but would give me cases where the judge actually found the defendant guilty of a conspiracy. This pulled up exactly 10,000 cases — which is the maximum number of results which Westlaw can give at one time. In other words, there were more than 10,000 cases using the phrase "Guilty of Conspiracy" (maybe there's a way to change my settings to get more than 10,000 results, but I haven't found it yet).

Moreover, as any attorney can confirm, usually only appeal court decisions are published in the Westlaw database. In other words, trial court decisions are rarely published; the only decisions normally published are those of the courts which hear appeals of the trial. Because only a very small fraction of the cases which go to trial are appealed, this logically means that the number of guilty verdicts in conspiracy cases at trial must be much, much larger than 10,000.

Moreover, "Guilty of Conspiracy" is only one of many possible search phrases to use to find cases where the defendant was found guilty of a lawsuit for conspiracy. Searching on Google, I got [3,170,000 results](#) (as of yesterday) under the term "Guilty of Conspiracy", [669,000 results](#) for the search term "Convictions for Conspiracy", and [743,000 results](#) for "Convicted for Conspiracy".

Of course, many types of conspiracies are called other things altogether. For example, a long-accepted legal doctrine makes it illegal for two or more companies to conspire to fix prices, which is called "Price Fixing" ([1,180,000 results](#)).

Given the above, I would extrapolate that there have been hundreds of thousands of convictions for criminal or civil conspiracy in the United States.

Finally, many crimes go unreported or unsolved, and the perpetrators are never caught. Therefore, the actual number of conspiracies committed in the U.S. must be even higher.

In other words, conspiracies are committed all the time in the U.S., and many of the conspirators are caught and found guilty by American courts. Remember, Bernie Madoff's Ponzi scheme was a conspiracy theory.

Indeed, conspiracy is a very well-recognized crime in American law, taught to every first-year law school student as part of their basic curriculum. Telling a judge that someone has a "conspiracy theory" would be like telling him that someone is claiming that he trespassed on their property, or committed assault, or stole his car. It is a fundamental legal concept.

Obviously, many conspiracy allegations are false (if you see a judge at a dinner party, ask him to tell you some of the crazy conspiracy allegations which were made in his court). Obviously, people will either win or lose in court depending on whether or not they can prove their claim with the available evidence. But not all allegations of trespass, assault, or theft are true, either.

Proving a claim of conspiracy is no different from proving any other legal claim, and the mere label "conspiracy" is taken no less seriously by judges.

It's not only [Madoff](#). The heads of [Enron](#) were found guilty of conspiracy, as was the head of [Adelphia](#). Numerous lower-level government officials have been found guilty of conspiracy. See [this](#), [this](#), [this](#), [this](#) and [this](#).

Time Magazine's financial columnist Justin Fox [writes](#):

Some financial market conspiracies are real ...

Most good investigative reporters are conspiracy theorists, by the way.

And what about the NSA and the tech companies that have cooperated with them?

### But Our *Leaders* Wouldn't Do That

While people might admit that corporate executives and low-level government officials might have engaged in conspiracies – they may be strongly opposed to considering that the wealthiest or most powerful might possibly have done so.

But powerful insiders have long admitted to conspiracies. For example, Obama's Administrator of the Office of Information and Regulatory Affairs, Cass Sunstein, [wrote](#):

Of course some conspiracy theories, under our definition, have turned out to be true. The Watergate hotel room used by Democratic National Committee was, in fact, bugged by Republican officials, operating at the behest of the White House. In the 1950s, the Central Intelligence Agency did, in fact, administer LSD and related drugs under Project MKULTRA, in an effort to investigate the possibility of "mind control." Operation Northwoods, a rumored plan by the Department of Defense to simulate acts of terrorism and to blame them on Cuba, really was proposed by high-level officials ....

### But Someone Would Have Spilled the Beans

A common defense to people trying sidetrack investigations into potential conspiracies is to say that "someone would have spilled the beans" if there were really a conspiracy.

But famed whistleblower Daniel Ellsberg [explains](#):

It is a commonplace that "you can't keep secrets in Washington" or "in a democracy, no matter how sensitive the secret, you're likely to read it the next day in the New York Times." These truisms are flatly false. They are in fact cover stories, ways of flattering and misleading journalists and their readers, part of the process of keeping secrets well. Of course eventually many secrets do get out that wouldn't in a fully totalitarian society. But the fact is that the overwhelming majority of secrets do not leak to the American public. This is true even when the information withheld is well known to an enemy and when it is clearly essential to the functioning of the congressional war power and to any democratic control of foreign policy. The reality unknown to the public and to most members of Congress and the press is that secrets that would be of the greatest import to many of them can be kept from them reliably for decades by the executive branch, even though they are known to thousands of insiders.

History proves Ellsberg right. For example:

- [One hundred and thirty thousand \(130,000\)](#) people from the U.S., UK and Canada worked on the Manhattan Project. But it was kept secret for years
- A BBC documentary [shows](#) that:

There was “a planned coup in the USA in 1933 by a group of right-wing American businessmen . . . . The coup was aimed at toppling President Franklin D Roosevelt with the help of half-a-million war veterans. The plotters, who were alleged to involve some of the most famous families in America, (owners of Heinz, Birds Eye, Goodtea, Maxwell Hse & George Bush’s Grandfather, Prescott) believed that their country should adopt the policies of Hitler and Mussolini to beat the great depression”

Moreover, [“the tycoons told General Butler the American people would accept the new government because they controlled all the newspapers.”](#) Have you ever heard of this conspiracy before? It was certainly a very large one. And if the conspirators controlled the newspapers then, how much worse is it today with media consolidation?

- [7 out of the 8 giant, money center banks went bankrupt](#) in the 1980 s during the “Latin American Crisis”, and the government’s response was to cover up their insolvency. That’s a cover up lasting *several decades*
- Banks have been involved in [systematic criminal behavior](#), and have manipulated [every single market](#)
- Governments have been [covering up nuclear meltdowns for fifty years](#) to protect the nuclear industry. Governments have colluded to cover up the severity of [numerous other environmental accidents](#). For many years, Texas officials [intentionally under-reported the amount of radiation in drinking water to avoid having to report violations](#)
- The government’s spying on Americans began [before 9/11](#) (confirmed [here](#) and [here](#). And see [this](#).) But the public didn’t learn about it until many years later. Indeed, the the New York Times [delayed the story](#) so that it would not affect the outcome of the 2004 presidential election
- The decision to launch the Iraq war was made [before 9/11](#). Indeed, former CIA director George Tenet said that the White House [wanted to invade Iraq long before 9/11, and inserted “crap” in its justifications for invading Iraq](#). Former Treasury Secretary Paul O’Neill – who sat on the National Security Council – also [says](#) that Bush planned the Iraq war before 9/11. And top British officials [say](#) that the U.S. discussed Iraq regime change one month after Bush took office. Dick Cheney apparently even made Iraqi’s oil fields a national security priority [before 9/11](#). And it has now been shown that [a handful of people](#) were responsible for willfully ignoring the evidence that Iraq lacked weapons of mass destruction. These facts have only been publicly disclosed recently. Indeed, Tom Brokaw [said](#), “*All wars are based on propaganda.*” A concerted effort to produce propaganda is a conspiracy

Moreover, high-level government officials and insiders have *admitted* to dramatic conspiracies after the fact, including:

- [Supporting terrorists to promote geopolitical goals](#)
- [Supporting false flag terror](#)

The admissions did not occur until *many decades* after the events.

These examples show that it is possible to keep conspiracies secret for a long time, without anyone “spilling the beans”.

In addition, to anyone who knows how covert military operations work, it is obvious that segmentation on a “need-to-know basis”, along with deference to command hierarchy, means that a couple of top dogs can call the shots and most people helping *won't even know* the big picture at the time they are participating.

Moreover, those who think that co-conspirators will brag about their deeds forget that people in the military or intelligence or who have huge sums of money on the line can be very disciplined. They are not likely to go to the bar and spill the beans like a down-on-their-luck, second-rate alcoholic robber might do.

Finally, people who carry out covert operations may do so for ideological reasons — believing that the “ends justify the means”. Never underestimate the conviction of an ideologue.

## Conclusion

The bottom line is that some conspiracy claims are nutty and some are true. Each has to be judged on its own facts.

Humans have a tendency to try to explain random events through seeing patterns ... that's how our brains are wired. Therefore, we have to test our theories of connection and causality against the cold, hard facts.

On the other hand, the old saying by Lord Acton is true:

Power tends to corrupt, and absolute power tends to corrupt absolutely.

Those who operate without checks and balances – and without the disinfectant sunlight of public scrutiny and accountability – tend to act in their own best interests ... and the little guy gets hurt.

The early Greeks knew it, as did those who forced the king to sign the Magna Carta, the Founding Fathers and the father of modern economics. We should remember this important tradition of Western civilization.

*Postscript: The ridicule of all conspiracy theories is really just an [attempt to diffuse criticism of the powerful](#).*

*The wealthy are not worse than other people ... but they are [not necessarily better](#) either. Powerful leaders may not be bad people ... or they [could be sociopaths](#).*

*We must judge each by his or her actions, and not by preconceived stereotypes that they are all saints acting in our best interest or all scheming criminals.*

Heh, scientific inquiry. Ok, lets say I agree. Let me follow your logic, just to check it out.

Science should be the basis of our arguments. OK

And there should be scientific experiments confirming or denying some facts. OK

And science (as you are trying to imply) has proved chemtrails to be wrong. WELL...

I don't seem to recall any scientific research being done on this subject. All I've seen is some "pretend scientists" making up bogus claims. No research I've seen satisfies me on the subject.

But let's say there is some research, and I haven't seen it.

Let me take it clear for everyone here reading.

The Science of today is corrupted.

Scientific research is funded by the government and corporations.

The government/corporations grant the money.

The research being done should not oppose the interests of the government/corporations.

Here is an interesting article explaining how this works (i'll paste the full text in the end):

<http://www.sott.net/article/234225-The-Corruption-of-Science-in-America>

Let's go to the next point, or points.

I personally have unanswered questions about chemtrails. And most people that are aware of this issue and have researched it, also have unanswered questions. And no "scientist" could answer these issues, but the government.

First of all.

Why the airplanes making these chemtrails, are taking off military airbases? They seem like regular flight jets that have passengers. Right?

Because every regular flight taking off a civilian air base, MUST report this flight path and these flight paths are recorded in archives. ie. flight from NYC to LONDON (and whatever intermediate stops)

When a plane takes off from a military air base, then its data is classified as private and not for civilian use.

NEXT...

I get it. There are a lot of planes flying over a city. But how many planes will make a mesh of chemtrails over a populated area?

If you spare the time and notice the trajectories of the planes in the sky (it's easy they are leaving a trail of white smoke), you can see that they are working on a pattern. And it's the same plane. The plane makes a line, turns around, makes another line next to the previous one and this goes on and on until they cover the whole area over a city.

Search for blogs where people are reporting every chemtrail they notice and post photos.

NEXT...

These chemtrails are being noticed wherever there is some kind of unrest in the political system. Take notice of this. See what's happening with politics. Did something big happen recently? Is there some kind of event coming up?

NEXT...

After chemtrails have been noticed there's an outbreak of flu. It might not be an epidemic, but people are showing symptoms. Sore throat, headaches, dripping nose etc. Most important if there are no symptoms of flu, then there are definite effects of fatigue.

Again, all these without any other reason, and across a lot of people.

Also, it might be related to this, but there is a network of data collecting organizations across Europe and the US that collect flu data (for epidemics). This means that there is already an existing structure to collect data in a wide range.

So anyone that wants to perform an "experiment" in a wide scale (a city, an area, a country) can then gather the results through these organizations without revealing its purpose. It's standard procedure.

To anyone interested for Europe it's the ECDC (<http://ecdc.europa.eu/en/Pages/home.aspx>) and for the US it's the CDC (<http://www.cdc.gov/>) every country/county has its own organization that gathers data and reports to these two.

AND THE BEST ONE...

Is that the unanswered questions that reach official channels, don't get answers. Or the answers being given are not answering these questions

- What are these white lines that we see very often?
- Oh, contrails... it's science! you wouldn't know about it!
- But... these planes are having weird trajectories and making meshes...
- Err... there are a lot of planes flying, buddy... contrails I tell you!
- Hmm... but, we've seen these planes are taking off from military bases... why...?
- Err... we don't know. It's classified by the military...! But it's probably contrails!
- Hmm... what about these flu symptoms that occur after we see the white lines!?
- Surely unrelated
- Is your answer based on any kind of research?
- No comment!

## [The Corruption of Science in America](#)

J. Marvin Herndon, Ph.D

[The Dot Connector Magazine/Sott.net](#)

Tue, 30 Aug 2011 05:10 UTC

Truth is the pillar of civilization. The word 'truth' occurs 224 times in the King James Version of the Holy Bible; witnesses testifying in American and before the United States Congress must swear to tell the truth; and, laws and civil codes require truth in advertising and in business practice. I list just a few examples.

The purpose of science is to discover the true nature of Earth and Universe and to convey that knowledge truthfully to people everywhere. Science gives birth to technology that makes our lives easier and better. Science improves our health and enables us to see our world in ways never before envisioned. It uplifts spirits and engenders optimism. And, science provides a truth-standard, securely anchored in the properties of matter, a means to expose and debunk the charlatans and science-barbarians who would lie, cheat, steal, and tyrannize under the guise of science.

Prior to World War II there was little government financial support for science. Nevertheless, the 20th century opened and seemed to offer the promise of an unparalleled age of enlightenment and reason. While supporting himself as a Swiss patent clerk, Albert Einstein explained Brownian motion, the photo-electric effect, and special relativity. Niels Bohr, supported by grants from the Carlsberg Brewery, made fundamental discoveries about atomic structure and served as a focal point and driving force for the collaborative effort that yielded quantum mechanics, the field of science underpinning the solid-state electronics technology that makes possible modern communications and computers. For a time, the meanings of ne

observations were actively debated. Fertile imaginations put forth ideas that challenged prevailing views. New ideas and new understandings began to emerge, sometimes precise, sometimes flawed, but tending toward truth and inspiring more new ideas and inspiring yet further debate. Individual imagination and creativity, driven by the quest for a true understanding of the nature of Earth and Universe, produced a sense of enthusiasm and excitement; new insights and discoveries enlightened the general public and kindled the imaginations of the young. An air of optimism prevailed.

Although money for science at the time was in short supply, scientists maintained a kind of self-discipline. A graduate student working on a Ph.D. degree was expected to make a new discovery to earn that degree, even if it meant starting over after years of work because someone else made the discovery first. Self-discipline was also part of the scientific publication system. Prior to World War II, when a scientist wanted to publish a paper, the scientist would send it to the editor of a scholarly journal for publication and generally it would be published. A new, unpublished scientist was required to obtain the endorsement of a published scientist before submitting a manuscript. The concept of 'peer review' had not yet been born.

But in the final decades of the 20th century, circumstances began to change. On one hand, outwardly, it seemed we were poised for yet another renaissance, with ready access to powerful new computers, satellite imaging, network data systems, and global communications. But, on the other hand, out of sight and unknown to nearly everyone, something had gone seriously wrong. Beneath the surface lay the foundations of a system that had been corrupted and had evolved to support a 'politically correct' consensus-view of Earth and Universe, while tending to discourage, ignore, and suppress advances and challenges by individuals.

Anonymous peer review has become a tool of suppression

Before World War II, there was very little government funding of science, but that changed because of war-time necessities. In 1951, the U.S. National Science Foundation (NSF) was established to provide support for post-World War II civilian scientific research. The process for administering the government's science-funding, invented in the early 1950s by NSF, has been adopted, essentially unchanged, by virtually all subsequent U.S. Government science-funding agencies, such as the National Aeronautics and Space Administration (NASA) and the U. S. Department of Energy.

The problem, I discovered, is that the science-funding process that the NSF invented and passed on to other U.S. Government agencies is serious and fundamentally flawed. As a consequence, for more than half a century, the NSF has been doing what no foreign power or terrorist organization can do: slowly, imperceptibly undermining American scientific capability, driving America toward third-world status in science and in education, corrupting individuals and institutions, rewarding the deceitful and the institutions that they serve, stifling creative science, and infecting the whole scientific community with flawed anti-science practices based upon an unrealistic vision of human behavior. These are the principal flaws:

*NSF Flaw #1:* Proposals for scientific funding are generally reviewed by anonymous 'peer reviewers'. NSF invented the concept of 'peer review', wherein a scientist's competitors would review and evaluate his/her/their proposal for funding, and the reviewers' identities would be concealed. The idea of using anonymous 'peer reviewers' must have seemed like an administrative stroke of genius because the process was adopted by virtually all government science-funding agencies that followed and almost universally by editors of scientific journals. But no one seems to have considered the lessons of history with respect to secrecy. Secrecy is certainly necessary in matters of national security and defense. But in civilian science, does secrecy and the concomitant freedom from accountability really encourage truthfulness? If secrecy did in fact lead to greater truthfulness, secrecy would be put to great advantage in the courts. Courts have in fact employed secrecy - during the infamous Spanish Inquisition and in virtually every totalitarian dictatorship - and the result is always the same: unscrupulous individuals falsely denounce others and corruption abounds. The application

of anonymity and freedom from accountability in the 'peer review' system gives unfair advantage to those who would unjustly berate a competitor's proposal for obtaining funding for research and for publishing research results. Anonymous 'peer review' has become the major science-suppressing method of the science-barbarians. Moreover, the perception - real or imagined - that some individuals would do just that has had a chilling effect, forcing scientists to become defensive, adopting only the 'politically correct' consensus-approved viewpoint and refraining from discussing anything that might be considered a challenge to others' work or to the funding agency's programs. And that is not what science is about at all. Not surprisingly, there exists today a widespread perception that to challenge scientific results supported by a U.S. Government agency will lead to one's own support.

*NSF Flaw #2.* NSF invented the concept of scientists proposing specific projects for funding, which has led to the trivialization and bureaucratization of science. Why so? The problem is that it is absolutely impossible to say beforehand what one will discover that has never before been discovered and to say what one will do to discover it. The consequence has been the proposing of trivial projects with often non-scientific end-results, such as the widespread practice of making models based upon assumptions, instead of making discoveries. Further, bureaucrat 'program managers' decide which projects are suitable for the programs that they design. Moreover, proposal 'evaluation' is often a guise for 'program managers' and 'peer reviewers' to engage in exclusionary and ethically questionable, anti-competitive practices. There is no incentive for scientists to make important discoveries or to challenge existing ideas; quite the contrary.

The NSF has monetized scientific discovery

*NSF Flaw #3.* NSF began the now widespread practice of making grants to universities and other non-profit institutions, with scientists, usually principal members, now being classed as 'principal investigators'. The consequence of that methodology is that there is no direct legal responsibility or liability for the scientists' conduct. All too often scientists misrepresent with impunity the state of scientific knowledge and engage in anti-competitive practices, including the blacklisting of other capable, experienced scientists. University and institution administrators, when made aware of such conduct, in my experience, do nothing to correct it, having neither the expertise nor, with tenure, the perception of authority or responsibility. The result is that American taxpayers' money is wasted on a grand scale and the science produced is greatly inferior to what it might be.

*NSF Flaw #4.* NSF began the now widespread practice whereby the government pays the publication costs, 'page charges', for scientific articles in journals run by for-profit companies or by special-interest science organizations. Because these publishers demand ownership of copyrights, taxpayers who want to obtain an electronic copy must pay, typically US\$40, for an article whose underlying research and publication costs were already paid with taxpayer dollars. Moreover, commercial and protectionist practices often subvert the free exchange of information, which should be part of science, making the publication of contradictions and new advances extremely difficult. Furthermore, publishers have little incentive or mechanism to insist upon truthful representations. For example, in ethical science, published contradictions should be cited, but with the extant system it is common practice to ignore contradictions that may call into question the validity of what is being published. The net result is that unethical scientists frequently deceive the general public and the scientific community, and waste taxpayer-provided money on questionable endeavors.

I have described these four fundamental NSF-instigated flaws that now pervade virtually all civilian U. S. Government-supported science-funding and have proposed practical ways to correct them [1], which I communicated to two NSF directors, who chose to ignore them. There seems to be a widespread perception of intrinsic 'infallibility' in the government-university complex, wherein any action, regardless of the seriousness of its adverse consequences, is considered beyond reproach.

On December 16, 2004, an individual in the White House to whom I had complained about the inequity of 'peer review' sent me a copy of the U.S. Office of Management and Budget's Final Information Quality Bulletin for Peer Review: December 15, 2004. On December 26, 2004, I sent to the White House my critique of that Bulletin and my recommendations for systemic changes, which were neither appreciated nor implemented [2]. Years later, the U.S. Government still conducts 'peer review' according to that Bulletin, which: (1) Embodies the tacit assumption that 'peer review' will always be truthful, and fails to provide any instruction, direction, or requirement either to guard against fraudulent 'peer review' or to prosecute those suspected of making untruthful reviews; (2) Approves the application of anonymity and even appears to promote some alleged virtue of its use, "e.g., to encourage candor"; (3) Gives tacit approval to circumstances that allow conflicts of interest and prevents the avoidance of conflicts of interest; and, (4) Fails to recognize or to admit the debilitating consequences of the long-term application of the practices it approves.

'Peer review' often equates to censorship

One consequence of NSF's invention of anonymous 'peer review' is that publication of scientific papers is often delayed for years or prevented by so-called 'peer-reviews' from competitors, whose primary aim is to debilitate or eliminate their competition. In the 1990s, the National Science Foundation funded the development at Los Alamos National Laboratory of an author self-posting archive, where physicists and mathematicians could post their pre-prints, without interference from their competitors, making them available worldwide almost instantly. That archive underwent various name changes, eventually becoming arXiv.org.

Since its inception, arXiv.org has become the preeminent means of scientific communication in the areas of science and mathematics it hosts. Rather than wade through the many hundreds of individual scientific journals, often having limited access without paying fees, scientists can receive by email a list of daily postings in specific areas of the scientific disciplines hosted by arXiv.org and can download scientific articles of interest without charge. The development of the author self-posting archive might have become the jewel in NSF's crown, one of its greatest achievements. Instead, NSF's mal-administration permitted it to become an instrument for science-suppression, and for blacklisting and discrimination against competent well-trained scientists worldwide.

On or about 2001, key personnel responsible for developing the author self-posting archive at Los Alamos National Laboratory left that organization to become employed by Cornell University. Presumably in a coordinated way, Cornell University, through a proposal to the National Science Foundation [NSF # 0132355, July 16, 2001], took over ownership of the author self-posting archive, now called arXiv.org, and presumably was given the requested US\$958,798 to do that. That proposal contains the following statement made to justify Cornell University's proposed use of a 'referee mechanism': "The research archives become less useful once they are inundated for example by submissions from vociferous 'amateurs' promoting their own perpetual motion machines...."

The website [archivefreedom.org](http://archivefreedom.org) displays case histories of some of the individuals who have been blacklisted by the arXiv.org administration and 'secret moderators', and includes a statement by blacklisted-scientist and Nobel Laureate Brian D. Josephson explaining the meaning of blacklisting as applied to arXiv.org [3]. Being blacklisted by arXiv.org means that either your attempts to post scientific papers are disallowed, or they are 'buried', i.e., posted in categories where scientists or mathematicians in the specific area will likely not see them, such as in General Physics or General Mathematics. The principal consequence of arXiv.org blacklisting is to deceive U.S. Government science-funding officials and individuals conducting scientific investigations and teaching science, keeping them in the dark about new ideas and discoveries. Beyond the financial and

professional debilitation suffered by blacklisted scientists and mathematicians, there is also a human toll, as one blacklisted individual noted: "Blacklisted scientists are subject to derision, ignorance, insults, lies, false accusations, personal attacks against them, misrepresentations regarding their research, culture, faith, etc."

Hundreds of thousands of scientific papers have been posted on the author self-posting archive, arXiv.org, without any human intervention at all. Human intervention, but not 'peer-review', occurs only when an individual is 'denounced', intentionally singled out for disparate treatment, through the application of unfair, arbitrary, and capricious standards. Being tagged for disparate human intervention may occur for a number of never-specified reasons. Human intervention is perpetrated by arXiv.org administrators in conspiracy with a small group of arXiv.org 'insiders' who may not call themselves 'moderators' and who discriminate in secret and without any accountability. Moreover, there is no recourse: in my experience, Cornell University's librarian, provost and president absolve themselves from any oversight responsibility for the conduct of arXiv.org by referring complaints back to the arXiv.org administrators who are the subject of the complaint in the first place. Being 'denounced' for disparate treatment by secret 'insiders', without recourse, is something I might have expected from the now-defunct Soviet Union or from Ceausescu's Romania. But, here it is in America; bought and paid for by the National Science Foundation. As an American citizen, veteran, and taxpayer, I am justifiably appalled!

arXiv.org, managed by Cornell University, 'blacklists' scientists

In my view, there is something fundamentally wrong with Cornell University receiving U.S. Government grants and contracts to conduct scientific research, and then deceiving the scientific community, via arXiv.org, by not posting or by hiding new advances or contradictions, especially in instances that potentially impact the investigations being performed at government expense at Cornell. Cornell University is a recipient of millions of dollars in U.S. Government grants and contracts, and is one of a pool of competitors for Federal grants and contracts. The National Science Foundation, I submit, made an institutionally-stupid blunder in turning over to Cornell University a powerful tool (arXiv.org) that could be used against its competitors. In doing so, I allege, the U.S. National Science Foundation violated the very law that created NSF:

"In exercising the authority and discharging the functions referred to in the foregoing subsections, it shall be an objective of the Foundation to strengthen research and education in the sciences and engineering, including independent research by individuals, throughout the United States, and to avoid undue concentration of such research and education." [42 United States Code 1862 (e)]

Instead of obeying that law, the U.S. National Science Foundation placed into the hands of one major, well-financed competitor a powerful tool (arXiv.org) which could not only be applied arbitrarily with capricious standards against its competitors, but through such actions would cast a shadow of fear at being 'denounced' in secret and thereupon being blacklisted, further ensuring 'politically correct' consensus conformity and science-suppression. So, what should be done?

In my view, the United States Congress should initiate an investigation into allegations of abuse and possible criminal activity in the acquisition and operation of arXiv.org at Cornell University, including the possibility of complicity and/or acquiescence by individuals at other universities and by other government entities, including the U.S. Department of Justice and the Attorney General of the State of New York. If evidence warrants, the United States Government, I believe, should consider initiating legal action to repossess arXiv.org and put

under aegis of a neutral, non-competitor organization, such as the National Archive or the Library of Congress, as should have been done initially.

The noted economist, George E. P. Box, said essentially this about models: all models are wrong, but some are useful. Generally, models set out to model some observable or hypothetical event or process and achieve the result they seek to obtain by making result-oriented assumptions and tweaking variables; those models do not have to be correct and can generally be replaced with other models. To me, it is much more important to discover the true nature of Earth and Universe than to make such models.

Astronomers have made some truly remarkable observations. Astrophysicists attempt to understand the physical basis underlying those observations by making models based upon assumptions or upon other models based on other assumptions. In the 1920s, scientists discovered thermonuclear fusion, the joining of two very light atomic nuclei with great energy release. The process is called 'thermonuclear' because temperatures of about one million degrees centigrade are required to ignite the reaction. In the 1930s, scientists worked out the thermonuclear reactions thought to power the Sun and other stars. The million degree ignition temperature? It was assumed to be generated when dust and gas collapsed during their formation. But, as I realized later, there are serious impediments to attaining million-degree temperatures in that manner.

Could stars, like our sun, be ignited by nuclear fission?

A star is like a hydrogen bomb held together by gravity. The thermonuclear fusion reactions of all hydrogen bombs are ignited by small nuclear fission atomic bombs. In 1994, in a scientific paper published in the *Proceedings of the Royal Society of London*, I suggested that stars, like hydrogen bombs, are ignited by nuclear fission, the splitting of uranium and heavier atomic nuclei [4]. The implications are profound: stars are not necessarily ignited during formation, as previously thought, but require a fissionable trigger. My concept of the thermonuclear ignition of stars by nuclear fission has been completely ignored by the model-making astrophysicists. Ignoring work that challenges the 'politically correct' consensus-approved story-line is common practice, thanks to the fear of retribution by secret 'peer reviewers' or to the fear of being 'denounced' and blacklisted.

In 2006, I submitted a short manuscript on the thermonuclear ignition of dark galaxies to *Astrophysical Journal Letters*. I signed the required copyright transfer form, and the manuscript went out for secret 'peer review', but it was rejected without any substantive scientific criticism. So I submitted two other brief, but important, manuscripts. The fact that I was never asked to sign the copyright transfer forms for those other two papers prior to review, as required, was clear indication that they were not going to be accorded the fair and impartial consideration that is supposed to be the usual policy of the American Astronomical Society, the journal's sponsor. Not surprisingly, those manuscripts were rejected without any scientifically valid justification. I complained to the officers of the American Astronomical Society, who never responded, even though the by-laws of the American Astronomical Society (AAS) clearly state: "As a professional society, the AAS must provide an environment that encourages the free expression and exchange of scientific ideas." In rejecting those manuscripts, the American Astronomical Society hid from its members, from the scientific community, and from U.S. Government science-funding officials, fundamentally new insights about the Universe, including why galaxies have the characteristic appearances they are observed to have [5].

Not long after the *Astrophysical Journal Letters* incident, I found myself blacklisted by arXiv.org. Before, I was not only permitted to post, but also to endorse others in the following categories: Astrophysics, Educational Physics, General Physics, Geophysics, History of Physics, and Space Physics. Now, for no legitimate reason, I am blacklisted, stripped of the ability to endorse others, and suffer having my scientific papers 'buried' in General Physics where it is unlikely they will be noticed; that is, if they are allowed to post at all. Even my scientific papers that call into question U.S. Government-funded investigations at Cornell University are either 'buried' or forbidden to post in this author self-posting archive, where hundreds of thousands of papers post automatically without human intervention.

A half-century of the use of secret 'peer reviews' by competitors, at the National Science Foundation and at the other agencies which followed, such as NASA, has produced a 'never criticize the science' mentality among grant-recipients. But science is all about finding out what is wrong with present thinking and correcting it. American science education has been stunted by that mentality. Educational organizations which receive grants from NSF or NASA almost never teach students or teachers about work that challenges the 'politically correct' consensus-approved story-line. The same goes for 'science news' organizations that rarely report the results of investigations that call into question the 'politically correct' story line. Institutionalized science-corruption is widespread and pervasive in America, and the fallout is international; the 'Climategate' debacle is just one example.

At one time, scientists thought that planets do not produce energy, except small amounts from radioactive decay; planets just receive energy from the Sun and then radiate it back into space. Beginning in the late 1960s, astronomers observed that Jupiter, Saturn and Neptune radiate into space nearly twice the energy they receive from the Sun. For twenty years the source of that internal energy was a mystery to NASA-funded scientists, who wrongly thought they had considered and eliminated all possibilities. In 1991, I submitted a scientific paper to the German *Naturwissenschaften* demonstrating the feasibility of that energy being produced by natural nuclear fission reactors at the planets' centers. I used the same approach that Paul K. Kuroda had used in 1956 to predict the occurrence of natural nuclear reactors in ancient uranium mines, the fossil remains of which were discovered in 1972 at Oklo, in the Republic of Gabon.

When that paper was accepted for publication [6], I submitted a research proposal to NASA's Planetary Geophysics Program. Paul K. Kuroda accepted my invitation to join in as a co-investigator. Kuroda, however, insisted that his efforts be pro bono as he 'did not need the money'.

NASA - top of the heap for scientific censorship

The Universities Space Research Association, an association of major institutional recipients of NASA funding, operates the Lunar and Planetary Institute, which operated the Lunar and Planetary Geoscience Review Panel (LPGRP) at the time I submitted the proposal. The LPGRP served NASA by soliciting secret 'peer reviews' of submitted proposals, then evaluating the proposals in secret session, based upon those 'peer reviews', and ranking them so as to make it easy for a NASA official to decide which to fund. The LPGRP, composed of a group of principal investigators of NASA grants, funded either through NASA's Planetary Geophysics Program or Planetary Geology Program, conducted the secret ranking of all proposals submitted to one or the other of those same two NASA programs. In other words, my proposal was competing for the same limited pool of funds as proposals from the very institutions whose personnel served on the LPGRP. A

the time, the chairman of the LPGRP was associated with NASA's Jet Propulsion Laboratory, which is operated by the California Institute of Technology (Caltech), and which consumed more than 40% of the budget of the Planetary Geophysics Program.

Needless to say, my proposal was not funded. Normally, the LPGRP's ranking of proposals is kept secret, but through extraordinary efforts learned from the U.S. Congress' General Accounting Office (called the Government Accountability Office since 2004) that on technical merit the LPGRP ranked my proposal lowest of the 120 proposals submitted to NASA's Planetary Geophysics Program. One might seriously question the integrity of that ranking, as I later independently performed all that I had proposed and much more, including demonstrating the feasibility of a nuclear fission reactor at the center of Earth, called the georeactor, as the energy source and production mechanism for the Earth's magnetic field [4, 7-11]. I also extended the concept to other planets and large moons [12]. The concept of planetary nuclear fission reactors has received quite thorough vetting in the international scientific community. So, what was NASA's response?

In the twenty years that have passed since the proposal debacle, NASA-supported scientists, to my knowledge, have never mentioned natural nuclear fission reactors or cited my publications. But they have discussed numerous observations where they should have, instances of 'mysterious' internal heat production and magnetic field generation, such as: (1) Internal heat generation in Jupiter, Saturn and Neptune; (2) Our Moon having a soft or molten core; (3) Tiny planet Mercury having a magnetic field; (4) Mars displaying evidence of an ancient magnetic field; (5) Our Moon displaying evidence of an ancient magnetic field; (6) Jupiter's moon Ganymede having an internally generated magnetic field; (7) Saturn's moon Enceladus showing evidence of internal heating; and, (8) Evidence of internal heat generation in Pluto's moon Charon. I receive numerous emails from people throughout the world who read NASA news reports and wonder why my work is not mentioned, when it would seem to provide plausible explanations.

In a manner no different from astrophysics, the American geophysical community consistently ignores my scientific challenges to the 1940 vintage thoughts that form the basis of their assumption-based models. Science is not about telling one 'politically correct' story and ignoring everything else. Instead, science is about finding out what is wrong with existing ideas and correcting them. American geophysicists have wasted untold multi-millions of taxpayer-provided dollars on totally worthless endeavors, instead of progressing in fruitful directions. I publish important, well-founded contradictions to current scientific thinking in world-class journals. It is the responsibility of an ethical scientific community to attempt to confirm or to refute the concepts presented. In any case, those contradictions should be cited [13].

In 1936, Inge Lehmann discovered the inner core, an object at the center of Earth almost as large as the Moon and about three times as massive, that, since about 1940, was thought to be iron in the process of freezing. In 1979, I published an entirely different idea of the inner core's composition. The scientific paper was communicated by Nobel Laureate Harold C. Urey to the *Proceedings of the Royal Society of London* [14] and I received a complimentary letter from Inge Lehmann. But instead of debate, discussion, and experimental and/or theoretical verification/refutation, I received silence from the geophysics community, not only on that discovery, but on a host of discoveries that followed as a consequence [15]. Real scientists welcome new ideas and advances as they open the door to more new ideas and further advances. Science-barbarians, on the other hand, ignore what they do not like, and by ignoring, deceive the scientific community, the general public, and the U.S. Government, which typically funds their questionable endeavors.

In 1838, in an address before the Young Men's Lyceum of Springfield, Illinois, Abraham Lincoln stated: "At what point, then, is the approach of danger to be expected? I answer if it ever reach us, it must spring up amongst us. It cannot come from abroad. If destruction be our lot, we must ourselves be its author and finisher." Later, U.S. president Abraham Lincoln unknowingly helped to sow the seeds for America's self-destruction when in 1863 he signed into law the Act of Incorporation of the National Academy of Sciences, which states in part: "The National Academy of Sciences shall... whenever called upon by any department of the Government, investigate, examine, experiment, and report upon any subject of science or art."

Has the National Academy of Sciences ever advised the U. S. Government of the flaws in the operating procedures of science-funding agencies, such as I have disclosed [1, 2], which are corrupting and trivializing American science? Has it ever revealed the existence of organized science-suppression under the guise of secret 'peer review' among the so-called professional societies, including within the National Academy of Sciences, the documentation of which I have provided to the president of NAS, and the consequences of which will cost American taxpayers countless millions of wasted tax dollars? I doubt it. Despite ever-increasing budgets, American science and education continues to decline toward third-world status as it has for decades. In personal, medical, legal, and business matters, it is common practice to hire an advisor. We all do that. If the advice proffered proves to be faulty, we fire the advisor and hire another. In my opinion, the United States Congress should fire the U.S. National Academy of Sciences, and find other sources of scientific and educational advice.

Suppressing and ignoring advances in science can have serious, real-world consequences. The Earth is constantly bombarded by the solar wind, a fully ionized and electrically conducting plasma, heated to about 1,000,000° C. Fortunately, Earth's self-generated magnetic field deflects the brunt of the solar wind safely around and past our planet, protecting humanity from the Sun's relentless onslaught. But reversal or demise of the geomagnetic field will doubtlessly be catastrophic, a calamity of unparalleled magnitude for our technologically-dependent civilization.

When the geomagnetic field collapses, vast segments of the population will be without electricity. Electrical power grids will act like uncontrolled generators as the charged-particle flux of the rampaging solar wind sweeps past, inducing into their lines suicidal bursts of electrical current that short-circuit and destroy essential elements of the power grid. Powerful, equipment-wrecking electrical currents will likewise be induced in gas and oil pipelines, causing explosions and fires. Electrical charges will build up on surfaces everywhere and reach staggeringly high potentials at edges and sharp points, posing risks of electrocution and igniting fires. Satellites will no longer function, their electronics fried by the plasma onslaught; there will be widespread failure of both communication and navigation systems. And, even more seriously, the long-term, unknown, but certainly adverse, impact on health will be severe.

The earth's magnetic field shields us from potentially deadly radiation

Until recently, reversals of the geomagnetic field or its complete demise were thought to be events in the far-distant future and to occur over a long period of time. But that may have changed dramatically.

Notice that as you heat a pot of water on the stovetop, before it starts to boil, the water begins to circulate from bottom to top and from

top to bottom. This is called convection and it can be better observed by adding a few tea leaves, celery seeds, or the like, which are carried along by the circulation of water. It occurs because heat at the bottom causes the water to expand a bit, becoming lighter, less dense, than the cooler water at the top. This process of convection is an unstable, top-heavy arrangement which attempts to regain stability by fluid motions.

In 1939, Walter Elsasser proposed that the geomagnetic field is produced by convection motions in the Earth's fluid core that are twisted by the planet's rotation to form a dynamo. For seventy years, the geophysics community has assumed that convection 'must' exist in the core. Untold millions of dollars have been spent on modeling convection and its applications in the Earth's fluid core.

On January 27, 2009, I submitted a brief but important scientific communication to *Physical Review Letters* which demonstrated that convection is physically impossible in the Earth's fluid core because: (1) The core is too bottom-heavy due to compression by the weight above; (2) The core-bottom cannot remain hotter than the top, as required for convection, because the core is wrapped in an insulating blanket; and, (3) The 'Rayleigh Number' has been wrongly applied to justify core-convection. I suggested instead that the geomagnetic field is produced by Elsasser's mechanism operating in the nuclear georeactor sub-shell. From bottom to top in the review process at *Physical Review Letters* and at the journal's sponsor, the American Physical Society, there were no scientifically-valid, substantive criticism only pejorative remarks and misrepresentations, including those by one or more members of the National Academy of Sciences. Of course the paper was rejected by *Physical Review Letters* and its pre-print was 'buried' by arXiv.org in General Physics [16], which effectively hid from view of U.S. Government science-funding officials, almost guaranteeing that fluid-core modeling activities would continue wasting taxpayer-funds on fruitless, physically impossible endeavors. But there is a far, far more serious implication stemming from the unwarranted rejection and 'burial' of this manuscript.

Earth's fluid core comprises about 30% of the mass of the planet; the nuclear georeactor is only one ten-millionth as massive, meaning that disrupted convection in the georeactor could lead to very rapid changes, including rapid reversals of the geomagnetic field. Think of it this way: the direction and speed of a child's tiny, self-moving toy train can be changed much more rapidly with far less force than that of the longest and heaviest, fully loaded, full-size freight train. From ancient lava flows, scientists have recently confirmed evidence of episodes of rapid geomagnetic field change - six degrees per day during one reversal and another of one degree per week - were reported [17, 18]. The relatively small mass of the georeactor is consistent with the possibility of a magnetic reversal occurring on a time scale as short as one month or several years. The recently observed more-rapid-than-usual movement of the North magnetic pole toward Siberia is thought by some to suggest that a reversal is imminent, although there is great uncertainty. Because of the global catastrophic significance, suppressing science related to the possibility of very rapid geomagnetic field changes, in my view, is tantamount to a betrayal of trust and an act of treason against humanity.

For the good of all, now is the time to rid science of the charlatans and the science-barbarians, and to create an environment where science can flourish in truth and where scientists can work freely without fear of retribution or denouncement for challenging extant ideas or for failing to adopt the 'politically correct' consensus-approved storyline. I have described four major, science-crippling flaws, instigated by the U.S. National Science Foundation a half-century ago, that are still in effect today at NSF, and at other U. S. Government science-funding agencies, and have suggested practical ways to correct them [1]. Implementation should not be too difficult; it just requires courage and

integrity.

About the author:

J. Marvin Herndon is well trained: B.A. in physics (UCSD), Ph.D. in nuclear chemistry (Texas A&M), and post doctoral apprenticeship in geochemistry and cosmochemistry under Hans E. Suess and Harold C. Urey. Dubbed a "maverick geophysicist" (by *The Washington Post*), this interdisciplinary scientist is responsible for identifying the composition of Earth's inner core as nickel-silicide and for demonstrating the feasibility of a natural nuclear reactor at Earth's center as the energy source and production mechanism for the geomagnetic field. His professional life has been one of discovering longstanding fundamental scientific mistakes; now he reveals managerial mistakes that have been crippling and corrupting American science and education for decades.

There's nothing wrong with believing theories which are true but the ones (like chemtrails) which completely deny scientific inquiry (much like this entire thread chosen to ignore) should be subject to far greater scrutiny than I feel members have given it.

Failing to think about something properly and actually study it (more than just information sites, like actual chemistry perhaps at a university level to understand things) is actually just being lazy. Much like the use of the phrases infiltrators and "jew cuck" have been used in this thread in light of actual logical argument to the contrary of what has been said.

Some conspiracy theories are just plain rubbish and chemtrails are probably numero uno. This is not conspiracies anonymous this is Spiritual Satanism Satanism concerned with KNOWLEDGE, not half baked theories written by journalists looking to make make buck at the news stand.

Subject: Reverse Ritual until a New One Is Up

Greetings to all our Comrades.

Until we receive a different order, we must focus on this Ritual.. This is because, the enemy moves EVERYTHING they do all this time with the disgusting fake "immigration" and invasion, by the "media". The people are losing faith in the jewish media everyday, and they are all making fools of themselves. These are the physical means of brainwashing the minds of the masses, helping the jews forge a false reality for all to live in.

Without these, the enemy will be destroyed and revealed. And without blame shifting they will not be saved. This is crucial. Please, until further notice, keep your focus on this Ritual, and the one with the Goat. These are the most important Rituals for now. When new Rituals or a new Scedule is needed, we will all let you know.

## Ritual 1:

Note: WE ARE CHANGING THE AFFIRMATION FOR THIS ONE: From "jews are losing", we put "Jews have lost control of the media"

[http://dawn666blacksun.angelfire.com/11\\_9\\_Ritual.htm](http://dawn666blacksun.angelfire.com/11_9_Ritual.htm)

All you need to do is vibrate the paragraph below 9 times:

AYF • TSEHR--'AH--AH--LOHK • YAIN-UP—L A'--  
AHV-HUH-HUY • MAHTS-EEF-EH • MAHSH-EEM-UU

TSEHR--'AH --AH--LOHK • TAHFF-US • AHV-HUH-HUY •  
LAHL-AHB • MAHSH-EEK • LEHV-AHB • AHM-USH •  
AHR-AHK • NAYK-L A -- •

After vibrating the above paragraph 9 times, state with conviction 9 times:

- Vibrate AUM
- The Jews HAVE LOST control of the media and of all communications totally, completely and permanently
- All media and communications are now free for Gentiles
- Vibrate AUM

HAIL SATAN FOREVER!!

End of Ritual

## Ritual 2:

[post64610.html](#)

RAISE YOUR ENERGIES AND VIBRATE THE PARAGRAPH BELOW 9 TIMES:

RAHB-DEEM-AHB• REE-AHSS-HAH-TEH• KHAHL-EESH-AYV•  
HAHR-YAYZZ-UHG• TSEHR-EH-LEH• MAHT-OHN-OH-AH-LOHK-TEH•  
VAHL-AH• REE-AHSS-HAH• AHSS-AHN-AYV

State with conviction 9 times:

- Vibrate AUM
- The entire Gentile world is fully aware of the Jews and their crimes against humanity
- Jewish blame-shifting their crimes onto Gentiles has ceased to be effective
- The Jewish scapegoat has come back to the Jews and has released all of their lies and crimes right back onto them
- Vibrate AUM

HAIL SATAN FOREVER!!

Gentiles are waking up.  
The truth is emerging.

Take note of this article. It mentions a lot of topics.

If you don't already know about these topics, some personal research is needed, as this article only comments on these subjects and doesn't expand on them.

# Have you become a stranger in your own land ?

By [Preston James, Ph.D](#) on March 20, 2016

Waking up can be hard to do, but once you are there it is easy to become a stranger in your own land

by [Preston James](#)

Have you have “woken up” and learned about Gladio-style False-flag, inside-jobs, the engineered and staged terror attacks, real and virtual, which include mass-shootings in gun-free zones?

Have you learned that this staged terror, some fake and some real, is all part of a secret Establishment strategy to produce massive societal fear in order to motivate Americans to give up their basic Constitutional rights which they would never otherwise give up?

Have you learned that the attack on America on 9-11-01 was a monstrous Gladio-style, inside-job False-flag attack done by the Mossad and the Israeli-American “Israeli-first” Dual Citizen traitors in PNAC and AIPAC along with help by Top NeoCon Traitors in the US Administration, Congress, the JCS, the USAF, NORAD and the FAA?

Have you learned that the FBI is a criminal organization set up inside the US Department of Just-us to service the cover-up needs of the Establishment and that it selects dumbed-down, retarded and mentally ill Islamic immigrants like Somali young men to mind-control, arm and entrap as patsies into their staged terror dramas?

Have you learned that the CIA, the FBI and foreign Intel Agencies like the Mossad that serve the Establishment have a long history of using drugs, implanted chips and hypnosis to mind-control victims and to activate and deploy them as stone-killers to do mass-shootings in gun-free zones.

Have you learned that these criminal Intel agencies do this as sophisticated psyops in order to generate massive fear in the American group mind in order to manipulate them to give up their Second Amendment rights and other rights which are supposed to be guaranteed in the US Constitution and which they would never otherwise even consider giving up.

Have you learned that [nobody died at Sandy Hook School](#) which was shut down in 2008, it was a two-day DHS/FEMA Capstone drill using professional crisis actors, many who have been identified as such?

Have you learned that nobody died at the Boston Marathon Bombing which was only a drill using previous amputee professional crisis actors and a harmless black-powder puffer bomb?

Have you “woken up” and learned that our Congress and President were bribed in 1913 to pass an unConstitutional Federal

Reserve Act which illegally gave the right to a private foreign owned bank to create and distribute our money in counterfeit form?

Have you learned that this illegal, unConstitutional Federal Reserve Bank charges pernicious usury to use what should be our own money in the first place and mandates inflation to continually debases its value so that it is now only worth 2% of its original symbolic value?

---

Have you learned that this progressive debasement of our money places most of us, (Excluding the Establishment Oligarchy and Plutocracy) in debt-slavery?

Have you learned that the illegal, unConstitutional private Federal Reserve Bank which issues interest-bearing fake money as debt-notes is just part of a worldwide, World's largest Organized crime Syndicate (aka the KM or the "Establishment Empire").

And have you learned that that this [Establishment Empire has an incredibly evil Globalist NWO Agenda](#) to destroy America in order to eradicate any vestige of what our Founding fathers produced, and prevent it from ever occurring again anywhere.

Have you "woken up" and learned that the Establishment has illegally and unConstitutionally passed various Free Trade Agreements such as NAFTA, CAFTA, WTO and GATT in order to fulfill their Evil Agenda to export American heavy industry and manufacturing along with most of our good jobs?

Have you learned that these Free Trade Agreements have forfeited American Sovereignty illegally and unConstitutionally and are designed to allow large international corporations to move their production facilities, hire cheap labor, while parasitizing lucrative American markets.

Have you learned that these large international corporations are doing this to maximize profits while the American economy is slowly and systematically sacked and decimated, producing the largest transfer of wealth ever conceived from the American people to the shareholders of these large international corporations who soon will no longer need American markets but will service the whole world?

---

Have you "woken up" and learned that the Establishment has set up a dualism in every one of their USG institutions and agencies, the socially desirable side for for public awareness and the secret dark side to serve their sinister, evil purposes?

Have you learned that there is a visible ceremonial USG that has little real power except what they are ordered to do by the real secret USG which is called the [Secret Shadow Government](#) (SSG) and is [invisible to most Americans](#)?

Have you learned that this SSG engineers and stages false-flag terror and projects public blame for these acts on foreign nations who had nothing to do with such, all done in order to feed the Establishment war machine and generate extreme profits while providing access to

others natural resources for their associated corporations?

Have you learned that the SSG creates CIA-backed dictators if they agree to buy weapons from Establishment-associated defense manufacturers.

Have you learned that the SSG then uses these dictators and Establishment false-flag terror to start wars, all the while secretly funding both sides of the conflict in order to fulfill their Globalist NWO Agenda of "Divide and Conquer" while stealing them and the American taxpayers blind?

*Have you learned that the SSG has built 140 Deep Underground Military Bases that are connected by high speed maglev trains?*

---

Have you learned that the SSG has deployed aerial spraying of toxic chemicals such as nano-aluminum, barium and strontium in massive quantities in order to deforest, kill plant life and cause famines, as well as to mind-control the masses?

Have you become aware that the SSG has deployed ultra-high tech eugenics against the American masses to make them sick so they will boost the establishment owned Big Medicine and Big Pharma?

Have you learned that the SSG is [secretly venting radiation](#) from many nuclear power plants. Some insiders believe that this is being done in order to increase the rates of cancer in Americans and to alter their minds to make them more amenable to Psychotronic mind-control?

Have you learned that the Secret Shadow Government is now setting up a 24/7 Total Surveillance System involving satellites, aircraft, drones, special trucks, vans, autos, cell phone Systems, Wi-Fi advanced technologies, in order to preemptively intercept any emerging spontaneous mass populism as effectively as possible?

Have you learned that the SSG has built numerous [psychotronic firewalls](#) against public truth which help keep the American Public mind-controlled and unable to know the truth even when told by others and shown the evidence?

Have you learned that the Establishment and the SSG have mind-controlled the American Public over the last 50 years to view the USG and their Controlled Major Mass Media (CMMM) Talking Heads as benevolent parent figures that would never lie to them or deceive them which is actually their mandate and daily practice?

Have you learned that the SSG has back-engineered recovered Alien ET anti-gravity craft and even negotiated beyond-black secret treaties with some Alien ET groups to obtain advanced technologies in exchange for allowing access to human and animal subjects for abductions and mind-control and alien/hum hybridization experiments.

Have you learned that ever since Nikolai Tesla, secret zero point and ether-based free energy technology has been suppressed by the Establishment to keep the Establishment owned Oil Cartel fat with profits off the backs of Americans and the World?

Have you “woken up” and become aware that the USA has been completely infiltrated and hijacked by a secret sect of Babylonian Talmudic Zionist Occultists known as the Khazarian Mafia, the World’s largest organized crime syndicate run out of the City of London?

Have you become aware that the USA has essentially become a province of Israel and that Homeland Security (DHS) was set up by this occult group as their own private police state force inside America.

---

Have you become aware that DHS was set up and has been run by KM mass-murderers who set up and deployed the attack on America of 9-11-01 and many other false-flag terror events in America; and this top DHS leadership is a strange collection of perverts, genetic weirdos and freaks?

Have you become aware that the same group who did 9-11-01 and set up DHS have been working hard to militarize the American Police and bring them under the control of Israeli anti-terror maniacs in order to quash any real American dissent and any serious attempts by We The People to take back America?

Have you become aware that this same group the KM has completely penetrated all American Intel and has been able to co-opt it, arranging for all NSA raw files to be downloaded by satellite to Tel Aviv where many defense, industrial and intellectual property secrets are sold around the world to the highest bidders, especially from China.

Have you “woken up” and learned that the establishment has allowed and even mandated excessive immigration legal and illegal including refugee status to millions of foreigners in order to destroy our language, culture and borders with the intent to Globalize America and reduce it to third world status?

Have you learned that H1 status professional foreigners are being brought in by the thousands to fill the reduced number of professional jobs that Americans have obtained college educations to get, all with the goal in mind to lower wages and increase profits for large international corporations?

Have you learned this is all part of secret evil Establishment Agenda to Globalize America by destroying its language, culture and borders along with their imposed diversity and false-equality.

---

Have you “woken up” and learned that the large Wall Street Banks launder illegal drug money for the CIA and its partner Cartels as well as profits from large illegal arms sales, and that this constitutes their greatest source of profits?

Have you learned that the Wall Street Banks have been bailed out twice by the taxpayers through illegal, unConstitutional Congressional and Presidential actions and these Banksters who have done these crimes have bribed their way out from being prosecuted with small “normal cost of doing business, hand-slap” fines being paid?

Have you “woken up” and learned that the US Congress and the Presidents are essentially bought and owned by special interest groups that feed them millions of dollars in large campaign contributions, revolving door jobs and board positions, and foreign numbered bank deposits called “set-aside allocations”?

Have you learned that the USG is essentially for sale anytime to the highest special interest bidders?

Have you learned that in 1867, the USA was illegally, unConstitutionally and secretly incorporated under the British system, was declared bankrupt in 1933, repossessed by the private Occult Zionist British Banksters.

Have you learned that at the same time a State of National Emergency was illegally and unConstitutionally declared by FDR which has been re-declared by every single later President, thus placing America in a secret state of martial law and falsely claiming to insiders that the US Constitution is suspended?

*Are you aware that the American legal system is a secret franchise of the British BAR system and operates under their rules and this completely illegal and unConstitutional?*

Have you learned that in return for these vast perks and payments, bought and owned Members of Congress provide massive “sweetheart” corporate welfare (pork) to these large corporate special interest benefactors, always at taxpayer expense one way or another?

---

Have you learned that according to two separate investigations, (one by the FBI itself, now buried) about 40% our top DC elected politicians and officials are members of occult linked mystery religion groups and [practice perversions from the dark-side](#) such as pedophilia, child sacrifice, and S&M?

Have you learned that these acts of perversion, torture and murder are typically videoed and are occasionally used to blackmail them and keep them within parameters prescribed by the Establishment Hierarchy top Policy-Makers?

Have you learned how the Controlled Major Mass Media (CMMM) Network News Cartel “Talking Heads” lie and distort everything according to an Evil Establishment Globalist NWO Agenda, continually feeding most Americans mandated big Establishment lies, Establishment mandated false-narratives and Establishment mandated propaganda?

Have you become aware that this results in the imposition and acceptance by most Americans of a completely false reality? And have you become aware that if you try and convince most of the real truth about all these serious matters you find yourself in most cases being labeled a conspiracy theorist or even a crackpot and will be socially rejected?

---

## Conclusion

George Orwell once stated that in a time of universal deceit the truth is revolutionary. Sadly in America today, if you have woken up and speak the truth to your family and friends, you are too often viewed as trying to start a revolution.

Most of the time when you tell others any of these dark side truths you have learned from picking and choosing truth nuggets from the Alternative Media provided on the Worldwide Internet (as you do your part to awaken others) you will be disbelieved, tuned out and socially rejected.

Such rejection of truth and even yourself as a person is always somewhat painful. But the more you learn about what is really going on in the Establishment backrooms of America and their institutionally rampant organized crime with corruption now at every level of our government, the more isolated you will probably feel.

If you talk too much or argue about these things at work or at church, DHS may be alerted through InfraGard, the FEMA Clergy program, or a controlling nosy neighbor or misguided fear-filled informant and you are likely to be investigated as a "suspected domestic terrorist", stalked, surveilled and even harassed in many diverse ways.

Do not be surprised if you lose your job or maybe never get another promotion despite being well deserved, if you talk about "truth" too much at work or to the wrong people. Today, if you want to be a success in a large Establishment related corporate business for the most part you must be intellectually neutered of the truth, thus willing to be quite bridled in your honest talk and willing to become a truth-gelding.

Even members of your own family members might think you have cracked and become a conspiracy nutcase or are in some kind of midlife crises, maybe even an early or delayed one.

*Yes, it now seems quite certain that if you are truly "woken up" and have learned too much, it is quite easy to find yourself increasingly becoming a stranger in your own land, and part of an ever shrinking circle of real friends and family that you can communicate with about matters of real truth about what is going on.*

You may now have a your growing obsession to share the truth with your family and friends and your legislators and Congress-people about all the Establishment corruption and how there is rampant corruption at every level.

But you also have a growing realization that most do not want to know the truth and just cannot handle it because it won't fit into their false sense of reality which has been effectively conditioned by Establishment mandated mind-kontrol.

And you also have a growing realization that Establishment oligarchs and plutocrats gain special privileges and have immunity from any correction for their obscene crimes, except in the rare occasion some go outside their allowed parameters and are made an example out of by the Top policy-Makers of the Establishment.

But despite how grim this almost total rejection of truth can seem and feel, it isn't completely hopeless because slowly and surely the truth as dispensed all across the Internet on the Alternative News sites is diffusing to the masses.

And there appears to be a growing unrest and distrust toward both the Republican and Democratic political parties which are now becoming viewed by many Americans as two divisions of the same corrupt establishment.

As the good jobs continue to leave America and our debt-slavery increases with a continually worsening economy, economic pressures are building, and these help in waking the masses up from their CMMM mind-controlled stupor.

The real question is can the American masses wake up fast enough to organize and force the changes we need to survive as a sovereign nation and not become broken up into territories annexed by China (the South), Europe (the East) and Japan (the West)?

I saw HP HC's message that we need to keep on with the communications RTR AND the Goat RTR. So starting today now we are doing BOTH. 666 to warm up, invocation, RTR #1 (communications), 15 min pause and the 666 again, invocation and RTR #2 (the goat). These are both super important. if they succeed in taking our communications away we are fucked. So don't sit on the sidelines here, get off your ass and pitch in! Or I may just have to go off on another yelling screaming rant here!!! :)

Did them for the 7:30 AM and 10:30 AM PT slots along with other Satanists. Come on people, join us! I know some of you are are....I can feel the added energy! I have done them alone and in real time group and I know there's a difference us doing them all together. So, just keep letting others know the schedule so we can get it to where there are a ton of us on every slot! It'll be AWESOME!!!! If you are PISSED like I am at these FUCKS, use that rage!!! They don't take THAT long to do!! 15 min on, 15 min pause, 15 min on and you are done. How much does Satan give for us, can't you give 45 minutes? Get up a little earlier or something!!

I'm wondering, if we ought not to be doing a third RTR, to prevent war from breaking out....because they sure damned are trying to start one (I mean look at North Korea, the BS in Brussels)...it goes on and on....and if they succeed they'll use it as pretext to take down the internet (not to mention kill a shitload of gentiles) and again, that would be devastating.....so if there's a HP reading this....is there a particular RTR?? Is this something we ought to consider?

Greetings to all our Comrades.

Until we receive a different order, we must focus on this Ritual.. This is because, the enemy moves EVERYTHING they do all this time with the disgusting fake "immigration" and invasion, by the "media". The people are losing faith in the jewish media everyday, and they are all making fools of themselves. These are the physical means of brainwashing the minds of the masses, helping the jews forge a false reality for all to live in.

Without these, the enemy will be destroyed and revealed. And without blame shifting they will not be saved. This is crucial. Please, until further notice, keep your focus on this Ritual, and the one with the Goat. These are the most important Rituals for now. When new Rituals or a new Scedule is needed, we will all let you know.

## Ritual 1:

Note: WE ARE CHANGING THE AFFIRMATION FOR THIS ONE: From "jews are losing", we put "Jews have lost control of the media"

[http://dawn666blacksun.angelfire.com/11\\_9\\_Ritual.htm](http://dawn666blacksun.angelfire.com/11_9_Ritual.htm)

All you need to do is vibrate the paragraph below 9 times:

AYF • TSEHR--'AH--AH--LOHK • YAIN-UP—L A'--  
AHV-HUH-HUY • MAHTS-EEF-EH • MAHSH-EEM-UU  
TSEHR--'AH --AH--LOHK • TAHFF-US • AHV-HUH-HUY •  
LAHL-AHB • MAHSH-EEK • LEHV-AHB • AHM-USH •  
AHR-AHK • NAYK-L A -- •

After vibrating the above paragraph 9 times, state with conviction 9 times:

• Vibrate AUM

- The Jews HAVE LOST control of the media and of all communications totally, completely and permanently
- All media and communications are now free for Gentiles
- Vibrate AUM

HAIL SATAN FOREVER!!

End of Ritual

## Ritual 2:

[post64610.html](#)

RAISE YOUR ENERGIES AND VIBRATE THE PARAGRAPH BELOW 9 TIMES:

RAHB-DEEM-AHB• REE-AHSS-HAH-TEH• KHAHL-EESH-AYV•  
HAHR-YAYZZ-UHG• TSEHR-EH-LEH• MAHT-OHN-OH-AH-LOHK-TEH•  
VAHL-AH• REE-AHSS-HAH• AHSS-AHN-AYV

State with conviction 9 times:

- Vibrate AUM
- The entire Gentile world is fully aware of the Jews and their crimes against humanity
- Jewish blame-shifting their crimes onto Gentiles has ceased to be effective
- The Jewish scapegoat has come back to the Jews and has released all of their lies and crimes right back onto them
- Vibrate AUM

HAIL SATAN FOREVER!!

End of Ritual

HAIL TO ALL OUR SATANIC COMRADES!!!

Make sure to do 3 of each. Just stack the repetitions.  
27 reps of the first RTR and then 27 reps of the next.

This is according to the GD of one of the previous posters on another thread.

3RTR's a day of each.

Since you can stack them its best to do it all in one go.

saw this post online:

"One of the greatest shame of our times is how the world goes by - without any sympathy from our usually very empathetic leaders - regarding the situation of Boer farmers in South Africa.

Mainstream media coverage about South Africa usually involves shedding tears about the apartheid system and what a great, independent nation has South Africa become. Those who prefer the facts to fairytales know that the once prosperous nation has fallen back to the Middle Ages again.

A group of Boer farmers launched an appeal in January to send a delegate to Hungary. They learned about the depopulating rural areas in Hungary and certain towns have now formally expressed an interest in offering them to Boer farmers.

The appeal was a success and donations have exceeded the initial target of £500, which means a delegate is soon to arrive to Hungary to discuss the legal formalities and possibilities of such move.

The only kind of immigrant I would like to see in my country: white, hard working folk with a European ancestry and similar cultural roots."

I think about how whites are being attacked without mercy by these savages in S Africa yet the mainstream media and the UN would push this no racism and accept more fucking Nigerians and Africans into Europe???? To murder and rape Aryans? I mean, that just makes me SICK!!!!

However I think that would be awesome to bring the Boers to Hungary, one of the places in Europe still European and Aryan as they have been busy keeping the Muslim horde OUT.

2016 Year Of The Jew

The fact is Jews have so much power and aggressive influence.....Our way of measuring history is literally based on the claimed birth of a Jewish Leader. Its been 2016 years since the clamed birth of a Jewish Leader from the ancient middle east. That two billion people worship as God.

But we are supposed to pretend the Jews have had no active agenda at all in the world, yet for 2016 years our western world has been framed by Jewish ideology of the Torah..... I mean this all just happened by accident of something....Pay no attention to the Roman Emperor who created the Dynasty that created the Christian Church and bible who erected a statue to the Jew from Alexandria who by his own statement was responsible for him becoming Emperor. The same dynasty that just happened to be funded by the money of Jewish bankers of the Empire. And created an Imperialist Theology were God becomes a Jew that was violently forced on the world.....To notice this strange conqumcidence would be anti-Semitism.....

Also consider that people who hate us have been rewriting our history in their image...

It literally took ALL my energy yesterday to do this twice.  
27 reps took 45 minutes each and then I also had to start my day with 108 algiz to clean my aura and 108 THOTH on my 3rd eye chakra.

I couldn't even sit upright to do the 108 THOTH by the time everything else was done although I burned up most of my energy smashing my punhching bag for a half hour pissed off about all the damn RAPEfugees and dindu nuffins.  
Good news is if any of those shits try to fight me they're probably going to die.

Bad news is my body and aura become super overheated from my kundalini energy the longer I do any sort of cardio.  
I can't ventilate the excess heat without opening more chakras.

Add to that a powerlifting session on my upper body where I did core twists, chest flies, and 120lb hammer curls in each hand and I was fucking exhausted by the end of the day.

Subject: More on Exposing the Bible

Please check the groups and Satan's Library frequently. More rituals to destroy the enemy will be forthcoming very soon.

I also want to add something important here. The article "The Bible: A Book of Jewish Witchcraft" only scraped the surface.Q

[http://www.angelfire.com/dawn666blacksun/Bible\\_Jewish\\_Witchcraft.htm](http://www.angelfire.com/dawn666blacksun/Bible_Jewish_Witchcraft.htm)

There is much more to this. One of the reasons this book of rot has had the immense power and hold on people over the centuries is because each letter of the Hebrew alphabet has been charged with energy, no different from how is one would charge up a talisman, etc. Then, the Christian energies fleeced from the deluded believers and of course, its incessant promotion.

In 1948, when the bandit state of Israel was established, atheistic and reform Jews fought with the orthodox over what language would be the official language of Israel. The orthodox were very much against using Hebrew, while the atheistic and reform Jews who are basically unbelievers scoffed. According to Jewish writings, the Jewish unbelievers are a most serious threat to all of the Jews.

The orthodox at the top are aware of the power the Hebrew has for them.

The biblical book of Genesis is the "book of creation." This is where the Jews use certain verses and letters to "create" what they want for the world, like inciting wars and other conflicts for example.

Idiot Christians, who only believe what they are told and who have little or no knowledge of the occult and even worse, take that bible literally are only laughed at. One has to be well versed in magick and the occult to be able to see and to know.

In addition, this damning to hell crap, which has nothing to do with Satan, is not some "act of god" but can be done by the enemy themselves with the right knowledge. No different from certain curses guarding sensitive occult knowledge. Some people were frightened away and went running back to jewsus, unaware this is no "act of god" but of Jewish mages over the centuries.

Nearly all of this hideousness occurred after the fall of Rome. Spiritual libraries were attacked and burned and the Jews, along with their Catholic Vatican usurped the knowledge. They also translated the texts that were available into European languages, so it is glaringly obvious why so much has been twisted and corrupted with lies and total misinformation.

Back in 1933, the World Jewish Congress stated with total confidence that they would destroy Hitler. They knew their power. This is why they are so cock sure of themselves and assume a position of authority over Gentiles, dictating to and ordering Gentiles about. The Gentiles comply. Foreign policy, finances, aid to Israel, enforced race-mixing... You name it.

The reason there is do much focus on the number 6 with the Jews, is again, their magickal power of the bible. The "42 letter name of god." Certain Hebrew letters are embedded like in a code within words in the Torah. It doesn't make any difference what language the bible might be in because it all has the Hebrew root. For those who are new here, the Jews most frequently use the number 6, as this creates a powerful subliminal link. For example, that 6 million "holocaust" lie, and with various news stories and so forth.

[http://www.angelfire.com/dawn666blacksun/Real\\_Holocaust.html](http://www.angelfire.com/dawn666blacksun/Real_Holocaust.html)

In closing, I also want to add, these Hebrew letters infused with power react very negatively with Gentile energies. Aleister Crowley who used this kind of magick, had very negative experiences and met with disaster.

The Jews push this shit, no different from how they push the hoax of Christianity, in order to subjugate Gentiles, getting them under Jewish spiritual control. As I mentioned before, most everything begins in the mind, with an idea before manifesting into reality.

I tried it and totally FRIED myself after 3x one RTR.

Its come down to either do both RTR's and negate my aura of protection and neglect my other meditations to deal with the energy or just do 3x one RTR and then to a different one the next day.

I still don't have the energy for both in one day yet AND my other meditations and workouts :/

Ex-KGB spy: Russian Patriarchs Aleksey and Kirill are my ex-pals from KGB

<https://drive.google.com/file/d/0B1SrVNCqac6tRVVLZXBSW/GhFZEE/view>

– Ukrainian Patriarch, Philaret was telling me, that no title in Russian Orthodox Church was ever given without approval of the KGB, that any and all leaders of the Church somehow were linked to the KGB.

– Absolutely and definitely right. And I will tell you this. First, I know personally all the post-war Russian patriarchs: Pimen, Aleksey, and nowadays Kirill – actually they are all my pals. But once I told openly and publicly in front of all Moscow about ex-patriarch Aleksey that he worked with KGB. I said: “What you expect from him? he works with the organs”...

Now to Kirill, nowadays patriarch, also my pal, ex-pal better to say. We know each other from childhood. It was when he graduated from his christian academy when I got to know him. Kirill is an old friend of ours – I mean the old friend of us – KGB.

– Church is still working with FSB, isn't it?

– Yes. All Soviet power was built upon on 3 pillars:

first – Communist party,

second – KGB,

third – military-industrial complex.

Current Russian power is also built upon 3 pillars:

first – KGB, KGB is the first pillar, because the president himself and 70% of his administration...

– ...is your co-workers?

– yes, either ex-workers or ex-assistants.

So if the KGB itself is a first pillar, Russian Orthodox Church is the second one, which is always there to help, to smooth, and even criticize when needed.

And the third one then is Russian business, that could find the way to work with them.

Subject: Trump, Won't Get Fooled Again?

Write a message...Trump, Won't Get Fooled Again?

Trump's whole platform is not having the establishment views of his opponents and thus being anti establishment a real change and all....But were does Trump sound exactly the same as everyone running and shows himself as fraud and total establishment?

Why at his AIPAC speech to the Jewish ruling establishment, watching Trump grovel before Jewish Power at AIPAC were he repeated the Jewish Neocohen party line word for word....Which leads to war with Iran for Israel. Before this Trump groveled before the Jewish Republican coalition with the same pleading and butt kissing. Even bragging about his Jewish grandchildren and son in law.

What's the deal on Trump and the current establishment Kayfabe he is running? As we know the Republican and Democratic establishment are owned by the Jewish establishment this is not in dispute.

The situation is there has been an on going mass exodus from the reservation of the two sides of the same coin for awhile now. You can note the Libertarian Party is climbing in the numbers as well and if this goes on sooner then later at some point they will be an official party. That is just tip of the iceberg of the warning as there will be multiple other movements as well. The writing is on the wall for the Jewish Coke and Pepsi game.

So Trump who was a Democratic liberal his whole life in New York decides to become a conservative Republican..... The next question is simply why does the Jewish media machine give all of their attention to Trump as they know they are making him famous....

Simple they want to keep their shell game together. Trump is billed as the Face for the disenfranchised causing a major pouring in of people into the Republican wing. As Trump will make mention of some major issues Republican supporters have been leaving over being ignored, no other candidate will, so this sets him apart and gives him support. And he becomes the heel to the Democratic supporters types who have also been a banding the ship, have galvanized themselves into a force to stop Trump and have bought into the hysteria and both sides are distracted with this game.

What ends up happening is all the attention, man power and money that would have gone to a real independent real anti establishment movement is now drained of such and the Jewish regime has got itself more time.

Lets be honest Trump does not mean a word of anything he says.....How can we know? Simple look at his career he is notorious for talking from both corners of his mouth and meaning none of it. He is a well known pathological liar. However note the major lies he told in the past were to hype himself up. What is he doing in the race? Trump is a Jew York, mogul with everything from a Jewish lawyer to Jewish business connections who made a fortune from working with Mafia suspected contractors, manipulating people, exploiting people and greasing, corrupt politicians with money to build vice capitals around America. That all. Take a look at how Trump had no problem working with mob suspected contractors who hired illegal aliens to build Trump Towers and treated them so badly and under paid them they rioted with a strike. Trump claims he didn't know anything of this. But was on the site daily from reports that came out back when this was going on years ago.

Trump if anything is politically a Neocon and don't give me the Jews hate him bit. Take a look at the top people working on his campaign, Jews. The Jews have played this game before in the past with people like Eisenhower, Teddy Roosevelt and on. Trump is just full of hot air and running on empty slogans you have already seen this before with Obama the false Democrat messiah now you get Trump the false Republican Messiah.

That's why Trump sounds just the same when it comes to bowing before the Jewish lobby.

Subject: Saviors of the Last Hour

In the midst of this dark era, the Suns do still live. Some are struggling to become brighter, while others are just coming into their newborn existence. Others, they just realize the fact of their magnificent birth. The new stars are coming in, when people are in need of most light, but also have learned to hate it the most.

Like the infinite suns in the cosmos, such are us. We are the suns of a new dawn. A dawn for Humanity, a long awaited enlightenment. We are the warriors of a dream, but when dreams are actualized, they are not dreams, they are so many things more. And this, is our struggle. The struggle of a world of Light. Out of the corrupted and damaged hearts of men, some Souls do still stand upright. Others will look to you, and they will stand too. But you must stand upright, and bright. Knowing that you are destined in your way to bring something for this world. The end of all darkness and despair. The soldiers against time, who are brining in the light of Humanity, so Humanity can look up again into the heavens, away from the pit of infernal damnation prepared on for the enemy. Away from darkness.

So, we must be loyal, persistent, ready, deeply focused. Loyal to one another, loyal to ourselves and our cause. No longer you must believe in coincidence, for there is no coincidence. The heart you once possessed, is the heart of a Truth seeker, a potential Sun. No sun must be extinguished, and no other sun must allow this to happen to themselves, for we are scarce and rare. Rare, but magnificent. Able. And inside us will be housed the Satanic holiness, and from within us will the rays of the Ancient Love of Satan, once again enlighten this Humanity in this time of despair, vanity, and lies. The long awaited warriors, of an Ancient paradise. But, how far are these things actually from us? Maybe not as much as we think. Maybe they are. Was this ever what mattered? What's in there, for the Eternal Sun?

Nothing else matters. But that we must move forth and bring these things into reality. The realities of the bright hearts of people. This last hope in Humanity, that even Humanity has forsaken. No more of this enemy despair, no more of this bad dream the enemy is creating for humanity. We will do this together. Here, and now. Like it once was, in the memory for our Souls and hearts. Like each and everyone's hearts know, of where we left. Of what was robbed of us. We aren't far, neither close. But we have so much to do. The joy is in doing. The joy is in giving. The joy is to burn bright, shine bright. Father Satan has always been the God of the highest good, of the highest and real compassion. The tears of the hearts, of the bravest people.

The last gateway of Divinity, in a world of collapsed hearts, people, minds and Souls. And so we will be like him, the Saviors of the Last Hour of Humanity. We must not come late, as time will not compensate for us. But we can only come just in time. All of your Satanic hearts, you must shine. Shine this eternal and Ancient Truth. Which naturally will extinguish the dark fires of the enemy, now and for all eternity. Do you follow our Father, Satan? Do you follow in the footsteps of the Father of Truth?

Do you accept your existential inheritance? To be like the Eternal Sun!

And I know those who do, the world expects you: The long awaited, Truthful Saviors of the Last Hour.

The Hour of Satan's Reign. And the setting hour of the enemy...

Sit and watch... Or, will you do your own part?

No, that's totally fine don't fry yourself! Do what you can do without hurting yourself. Like HP HC said this isn't going to the gym. At least you are doing something; that's all that is important. I am not trying to encourage people so they hurt themselves; just so they give whatever they can for Father. If every single Satanist here would only do something... I think while a lot of us do, there are many who do NOT and I am trying to motivate them to do something. If people are here only for themselves and to get something from Satan without helping Him then they can piss off! That's how I feel! I know very well how hard you try to help.

HAIL SATAN!!!

The below are from the same country, in different regions where in one rampant race mixing took place, where shit, trash, robbery and murder are in every corner, and the other is the sooooo bad, racist, pro-Holycaustic Gentiles who worked hard to give a safe and healthy future for their children, to save their racial heritage, with best life quality in Latin America:

"Culturaly enriched" mixed Goy region:

"Retrograde", "racist" Gentile, race-aware region with "no-culture" who dares to not be killed and raped in the very daylight:

Subject: Why Vegan?

Why Vegan?

From the Jewish Protocols:

We, on the contrary, are concerned in the opposite—in the degeneration of the Goys. Our power lies in the chronic malnutrition and in the weakness of the worker, because through this he falls under our power and is unable to find either strength or energy to combat it.

Now make you want of this document but everything written in its pages has come to pass. Dr. Henry Ford in his paper The Dearborn Independent, which had the third largest circulation in America at the time. Stated he published the Protocols because he saw them actually coming true all around him. And of

course the Jews made it the death penalty to open a copy of them when they created the Communist regime in the former Russian Empire. The smartest people in the world who read the Protocols believed they were real. The Jews have weaponized diet.

While people have the right to eat what they want. One should understand the origins of how they are eating and why and practice conscious eating. Especially when it comes to Veganism. Veganism is malnutrition and causes serious psychophysical health issues in those on a Vegan diet. If you don't take serious amounts of vitamin injections and take supplements hand over first your going to get very sick and possibility die on a long term Vegan diet which has happened. Most people report feeling weak and not well on a Vegan diet and most only stay on such a diet for not very long due to the bad effects of it.

If we look to the origins of this Veganism in the West we will see it started with the different Christian sects in the Roman Empire. The Catholic church also had people go on Vegan diets during Lent and remove as much meat as possible out of their diets on Fridays. The Monks were also forced onto Vegan style diets. The texts claimed some of the Greek Philosophers believed in Veganism. But the Church founders bragged about how they destroyed the entire Pagan civilization and what they didn't destroy they rewrote to make it into a Christian propaganda tract. The works of the Greeks we have left such as Plato, Aristotle, Pythagoras are corrupted. The ancient Greeks were not Vegan they ate meat and animal products. They also eat meat as part of their religious festivals. The Spiritual Schools of the Philosophers were part of Greek culture not apart from them. Its revealing the enemy went to the length to insert Veganism into those corrupt texts. [1]

The rise of Veganism in America started with the evangelical Christian movements such as the Seventh Day Adventists and Hygienists movements. They promoted Veganism as Christianity always has. Today many Vegan tracts openly repeat the lies of the Hygienist movements claims on humans being a Vegan species. If we move onto the Soviet Union the populace was put on Vegan diets by engineered food storages for the masses. while the Jewish leaders ate so much they were the only fat people in the USSR. This was done on purpose to weaken the populace the Jews also did this to the extreme within the death camp, GULAG system they ran. Purposely putting the inmates on Vegan diets that literally drove many of them insane. [2]

The Vegan Movement today is founded and run off Jewish ideology such as the Communist Jew, Singer and his Animal Liberation writings and the others Jews like Kupfer-Koberwitz who popularized the Animal Holocaust ideology that runs PETA. Note with PETA they did two major propaganda drives based on this and.....

" Holocaust on your Plate" exhibition consisted of eight 60-square-foot (5.6 m2) panels, each juxtaposing images of the Holocaust with images of factory-farmed animals. Photographs of concentration camp inmates were displayed next to photographs of battery chickens, and piled bodies of Holocaust victims next to a pile of pig carcasses. Captions alleged that "like the Jews murdered in concentration camps, animals are terrorized when they are housed in huge filthy warehouses and rounded up for shipment to slaughter. The leather sofa and handbag are the moral equivalent of the lampshades made from the skins of people killed in the death camps."

The exhibition was funded by an anonymous Jewish philanthropist,"[3]

The Jews run the Factory Farms and then turn around and use what they do in their own farms as propaganda drive to get people into Veganism. Note how many Jewish faces their are in the Vegan community, the major Vegan events are run by Jews. Where they promote the Jewish agenda of pacifism, cultural Marxism and Holocaustianity. Veganism is an ideology not just a diet and its Ideology is openly Jewish Communism. Note how the Vegans are always trying to take over the animal rights movements and demand everyone become Vegan or they have no place within such. Its away to bully and guilt people into accepting the Jewish agenda.

False philanthropy is the number one subservice tactic of the Jewish races war on humanity.

Whether it's Christianity, Communism or Veganism it always comes down to the exact same line of thought with the Jews - there is something wrong with you as a human being. The original sin. Your tribal nature is racist, your sexuality is impure, your diet is animal cruelty, your emotions and feelings are unmanly and weak, your ambitions and desires are greed, your anger and hatred is evil, even your devotion to beings which represent the highest ideals is "idolatry" and also wrong.

In fact if your aim is to live up to Jewish standards of right and wrong, you may as well just kill yourself because there will be nothing left of you anyway if you were to succeed.

"Conscience is a Jewish invention, it is a blemish like circumcision." - Adolf Hitler

I have discovered, when it comes to your desires, feelings and appetites, very rarely is your own biology and your own nature ever wrong about what is good for you. This is as true with your diet as it is with your sexuality and your emotions and everything else about you.

The only exception are people with serious psychological problems such as severe anorexia, that too is caused by the Jewish controlled media, pushing unnatural "beauty" standards on young girls.

Race mixing is another example, however I believe even this is a disconnect from one's own nature at a deeper level. Despite all of the propaganda by the Jews, shoving race mixing down our throats at every turn, the majority of people still marry within their own race and form most of their friendship groups with those of their own race. Though race mixing is far more common than it would otherwise be because of the Jews.

In the US the statistic is something like 1 in 10 Whites marry interracially. The UK has the highest rate of interracial marriage in Europe but even in the UK it is 1 in 25 Whites who marry interracially.

And that's the most it gets with all of the race mixing propaganda. Just imagine, if there was no societal standard of "anti racism" "tolerance" or whatever. No mass media and images of race mixing to be watched by children and young people, no propaganda. Race mixing would be a super rare occurrence. Not to mention practically very difficult if it wasn't for the open door immigration policies Jews have FORCED onto White nations, which there was never any large scale public demand for.

I loved this video also. White women have the power to guarantee the survival of our race. White men and women need to stick together, date only each other and have at least 4 - 5 White children each minimum. Ideally at least 2 girls and 2 boys each and hopefully more and raise them as racial nationalists. As a White man I wish I could make it known to more White women and girls, especially those with low self esteem and self worth issues, just how beautiful and precious they are, and how much they are loved and respected by White men. We are all brothers and sisters, we are a natural team, we have been a team since we came into existence. If we learn to stick together as a race we can do anything!

Subject: [Article] Paris "terror" Attacks - False Flag Attack

Brothers and Sisters...

Is this another false flag attack like the ones we've seen before?

My guess is it's probably is.

It's something created for the media in order to terrorize the public.

The real terrorists are the jew owned media! Never forget that!

Every time something is labeled by the jew media as a "terrorist" attack, an alarm goes off in my mind.

Here's an article that questions the alleged Paris "terror" attack...

Here's the link to the original article

<http://www.activistpost.com/2015/11/9-reasons-to-question-the-paris-terror-attacks.html>

and here's the text...

## 9 Reasons to Question the Paris Terror Attacks

TOPICS: [Brandon Turbeville](#) [false flags](#) [ISIS](#) [Paris terror attacks](#)

November 14, 2015

By [Brandon Turbeville](#)

As France finds itself in the grips of martial law and its first mandatory curfew since it was occupied by the Nazis in 1944, there exists a number of questionable details surrounding the recent terrorist attacks in Paris.

Only hours after the first shots were fired, stories and reports are beginning to change and contradict one another. Considering the history of the French government, French Intelligence agencies and the Anglo-American/NATO Intelligence apparatus, particularly the recent events surrounding the Charlie Hebdo attacks that were exposed as false flags, one would be justified in wondering whether or not these recent attacks in Paris were of the same variety.

Below are a number of reasons to question the official story of the Paris terror attacks.

1.) How many gunmen? Already, the number of individuals involved in the Paris attacks is in question. While some reports suggested four shooters were involved, others suggested three. The majority of mainstream reports seem to be only acknowledging two shooters. So how many shooters were there? Two, three or four? One witness, Pierre Marie Bertin, a 36-year-old who was at the theater when the shooting began, [stated that there were as many as four gunmen](#). Bertin described some male hostages who “went onto the balcony and tried to negotiate for the life of their wives with one of the guys [terrorists]. It was sickening.” Bertin recounted somewhat more detail than some other witnesses and was clear that there were as many as four gunmen. Australian news media is reporting that [three gunmen have been killed](#).

This might seem inconsequential to many readers, but in informed researching circles it is well-known that the information that comes out shortly after the event is usually the most reliable. This is not to discount the existence of confusion related to panicked reports coming from eyewitnesses and the like. However, the information coming out early on has not yet been subjected to the top-down media revision that will inevitably take place as the story becomes molded to fit the narrative pushed by the individuals who either directed the attack at the higher levels or at least have connections with those who are able to control the manner in which various media outlets report the event. For instance, in times of false flag attacks, the initial reports may point to 5 gunmen. Very shortly after, reports may only mention two. Only a few hours after the attack, however, all references to more than one gunman are removed entirely, with only the “lone gunman” story remaining. Any other mention of additional gunmen after this point is ridiculed as “conspiracy theory.”

2.) The types of weapons used – While some reports suggest that the attackers were using AK-47s, other reports are suggesting [that shotguns were used](#). While the contradiction in reports can certainly be attributed to victims and witnesses simply not being aware of the type of weapons being used in the attacks and panic in the heat of the moment, there is none the less contradiction in the reports being issued. As of the time of the writing of this article there has been no clarification as to what type of weapons were used. Since the assailants were supposedly killed by police it should be clear what weapons they used.

3.) Were the gunmen killed or arrested? While the number of gunmen itself is in doubt, news reports coming from Fox and Sky are suggesting that a suspected gunman was actually arrested. In fact, the suspect allegedly stated to police, “I am from ISIS” giving us all the information we need as for who is responsible for this attack.

4.) Gunmen connected to ISIS, gunmen connected to Syria – Along with the very convenient and immediate statement by an allegedly arrested suspect that he was from ISIS, we also have screams of a shooter that “This is for Syria!” This gives us all the information that we need regarding the motivation of the alleged attackers. They are from ISIS. They hate the French because the French are “attacking” ISIS and because somewhere in France in a very darkened corner, under the sofa, there are freedoms. ISIS hates freedoms. This is quite coincidental considering the fact that a Russian airliner was recently bombed, allegedly by ISIS – at least according to the West.

5.) The timing of the event – Aside from the obvious connotations derived from the attacks occurring on Friday the 13th, the Paris massacre has taken place shortly before a major climate summit that was set to take place in France. The French government was expecting massive protests they alleged could potentially become violent, by activists opposed to globalization and energy austerity. Interestingly enough, France had already planned to impose border controls starting on November 30th in anticipation of the U.N. Conference on Climate Change in Paris “because of the terrorist threat or risk of public disorder.” Needless to say, there will be no massive protest now considering the fact that 2015 France resembles the 1943 version of itself more than anything else.

6.) Security – Considering the fact that the [security had been so heightened](#) both on the heels of the Charlie Hebdo attacks and the anticipation of disorder for the U.N. Conference on Climate Change, how on earth did such a major terror attack slip through the hands of the DGSE? After all, France is nothing if not a police state. It is also giving the United States a run for its money in the contest for how much information it is able to nab up on its citizens. No doubt, we will be sold the line of “pre-civilized savages outsmarted first-world high end military surveillance states.”

7.) Drills – One hallmark of the [false flag operation](#) is the running of drills shortly before or during the actual attack. Many times, these drills will involve the actual sequence of events that takes place during the real life attack . These drills have been present on large scale false flags such as 9/11 as well as smaller scale attacks [like the Aurora shooting](#).

For instance, as Webster Tarpley documents in his book [9/11 Synthetic Terror: Made In USA](#), at least 46 drills were underway in the months leading up to 9/11 and on the morning of the attack. These 46 drills were all directly related to the events which took place on 9 /11 in some way or other. Likewise, the [7/7 bombings](#) in London were running drills of exactly the same scenario that was occurring at exactly the same times and locations.

Although one reason may take precedence over the other depending on the nature and purpose of the operation drills are used by false flag operators for at least two reasons. One such purpose is the creation of intentional confusion if the drill is taking place during the actual attack. The other, more effective aspect, however, is using the drill as a cloak to plan the attack or even “go live” when it comes time to launch the event. Even more so, it gives the individuals who are involved in the planning of the event an element of cover, especially with the military/intelligence agency's tight chain of command structure and need-to-know basis. If a loyal military officer or intelligence agent stumbles upon the planning of the attack, that individual can always be told that what he has witnessed is nothing more than the planning of a training exercise. This deniability continues all the way through to the actual “going live” of the drill. After the completion of the false flag attack, Coincidence Theory is used to explain away the tragic results.

All of this must be considered, when one reads reports suggesting that the UK conducted counter-terrorism drills earlier this year that

included scenarios that involved terror attacks in Paris similar to those that took place on the Charlie Hebdo massacre. As the reports surrounding [the UK drills](#) were released, a number 10 spokesman confirmed "it had been agreed that future exercises, which take place on a regular basis, should seek to learn from events in France." David Cameron himself stated that there was a need for police "to call on military help if there was a major emergency."

8.) Charlie Hebdo - The recent Paris attacks were similar to the Charlie Hebdo massacre that occurred earlier this year. The Charlie Hebdo attacks, however, were largely revealed as a false flag operation. Evidence for which can be seen in my article "[15 Signs the Charlie Hebdo Attack Was a False Flag](#)." Thus, there exists a clear precedent for such attacks in France, albeit on a much larger scale.

9.) Who controls ISIS? For many, claims that the attackers belong to ISIS is a deal breaker. For these individuals, ISIS is a shadowy terrorist organization that supports itself and has created a caliphate in eastern Syria and western Iraq that can scarcely be defeated (except when the Russians bomb it). However, the facts do not support such a shallow understanding of the ISIS terrorist organization. ISIS was entirely created, funded and directed by the United States, Britain, France and other NATO countries. Its actions have been coordinated by the Anglo-American Intelligence apparatus for geopolitical purposes all across the world both at home and abroad. For this reason, the declaration that ISIS committed a terrorist attack in Paris is by no means a get-out-of-jail-free card for the Western Intelligence apparatus. Instead, it is the trademark of their handiwork. Please see these articles for more information on the nature of ISIS: [here](#), [here](#), [here](#) and [here](#).

While the information presented above may not be enough evidence to conclude that the Paris attacks were false flag attacks, it is reason enough to question the official story thus far. If these attacks are indeed placed in the lap of ISIS, however, all fingers should immediately point to NATO and the Atlanticist Intelligence apparatus. It is they who control ISIS and they who bear the responsibility for its actions.

Realize the truth!

What the jews tried to do in the past with palaistine, they're trying to do with Europe today!

For anyone that doesn't know/remember history watch this 5minute video explaining what happened with palaistine and israel (keep in mind there is some mis info about the holohoax, but the general premise of the video is valid)

5 minute history of Israel Palestine conflict.

This is serious! The jews are always thinking long term, while they're trying to distract all others from realizing the truth!

After 50 years, people cannot realize what happened. They apply their brainwash through the media. They continuously hammer on their ideas to the young minds, till they cannot recognize the truth from the lies!!!

See this image. The truth is that Israel occupy Palaistine territory, yet there is a majority of people believing the exact opposite!

Here's the link to the article.

THEY CURRENTLY DOING THE SAME THING WITH EUROPE

They caused a war on Syria... immigrants were created... they are trying to concentrate the immigrants to European countries... they already control the targeted countries... the targeted countries accept the immigrants like idiots...

AND IN THE FUTURE THEY WILL LOSE CONTROL OF THEIR OWN COUNTRY

We have to fight hard for our survival!

If you were in any doubt as to the fact ChristINSANITY was ever anything but suicidal mind poison designed to turn you into the ultimate victimized cuckold degenerate slave, look no further than the Pope himself who is LITERALLY kissing the feet of the very people who are destroying Europe. This takes "turn the other cheek" to a whole new level. It should say, "if you are kicked in the teeth, suck their toes and ask for another" that is far more appropriate for the Pope. It's hardly even metaphorical in this case. [Pope washes feet of Muslim migrants, says 'We are](#)

And no despite what deluded right wing Xian conspiracy theorists who follow Alex Jones would have you believe, this is NOT because of any recent infiltration of the Catholic Church by some some Satanic Antichrist secret society or whatever it is they're blaming on Satan as usual. The Pope is behaving EXACTLY

according to Biblical principles:

That's right, when your own people are being killed through acts of terrorism, when your women are being mass raped, when you have gangs of third worlders taking over whole areas of your cities, when you find yourself becoming a racial minority everywhere you go, out numbered and out voted in your native land where your people have lived for hundreds to thousands of years, that is what the Bible asks of you to accept! Nothing about any of the Pope's actions or the immigration policies of Angela Merkel (Merkel heads the Christian democratic party) conflict with Biblical teachings in any way. The purpose of Christianity is and always was to destroy the White European race.

See here:

"Ye have heard that it hath been said, An eye for an eye, and a tooth for a tooth:

But I say unto you, That ye resist not evil: but whosoever shall smite thee on thy right cheek, turn to him the other also.  
and if any man will sue thee at the law, and take away thy coat, let him have thy cloke also.  
And whosoever shall compel thee to go a mile, go with him twain.

Give to him that asketh thee, and from him that would borrow of thee turn not thou away."

Matthew 5:38 - 42

"But I say unto you which hear, Love your enemies, do good to them which hate you,

Bless them that curse you, and pray for them which despitefully use you.

And unto him that smiteth thee on the one cheek offer also the other; and him that taketh away thy cloke forbid not to take thy coat also.

Give to every man that asketh of thee; and of him that taketh away thy goods ask them not again."

Luke 6: 27 - 30

"When a stranger sojourns with you in your land, you shall not do him wrong. You shall treat the stranger who sojourns with you as the native among you, and you shall love him as yourself, for you were strangers in the land of Egypt: I am the Lord your God"

Its my opinion that yes, ALL these attacks are masterminded by the jews, who want to plunge us all into another WW so that the heat is taken off them...because the Gentiles are waking up to their game.

I was watching the Benghazi Hearings in full a few days ago watching Trey Gowdy (he's fucking brilliant) nailing her lying ass. I would be seriously afraid if I had to face this guy and I had something to hide...he is just SO sharp...so much fun to watch him go.....its actually amazing how that reptilian shill bitch keeps her sociopathic cool....I simply could not lie and lie like that! But...and I WISH I'd bookmarked it because now I'm trying to find it and I can't....one of the interrogators actually got that lying bitch to admit they (the US Gov't) created ISIS (or what it used to be called - its all the same shit just the names keep changing to keep the goyim confused)! She actually fucking admitted it! This is buried in the hearings when it ought to have been front page news.

Keep up the RTRs! They are working!!! These attempts to sow fear, panic and herd the Goy into another all out WWIII are going to die! We will not do the jews work for them! They will be the ones to die! Not us!

It is indeed refreshing to see a vid like this that says it like it is from the white womans perspective. Even before I was SS I always thought there was something fucked up about that militant feminism. Struck me as so unnatural. I love white men! And they seemed to really hate them! What the hell is wrong with a loving caring white husband who wants to love and protect you? Have a life and a family with you? Ummmm...WTF? And it bewildered me...we have a couple of those (or at any rate used to - they are gone now) in our organization and woe betide any man who disagreed with them or offered another outlook at the monthly meetings. They would just go off and the venom they unleashed was just horrible. I thought they were sick in the head. And as an SS I now understand how and why.

We really do need to stick together. Aryan man and woman, we are two parts of the same whole and we need each other. The other day I saw a perfectly beautiful Aryan blonde blue eyed woman - she was fucking gorgeous - sitting in the food court with her black husband and their two mixed kids and I just felt....totally fucking....disgusted. Filthy race traitors. That was all I could think. Both of them; but of her especially, as I am an Aryan woman and I would never consider reproducing with anyone not of my own race. And I felt that way even before I was SS. I am becoming more and more sensitive to this now however than I was before and when I see a white man or woman with another race I just feel sick...and angry. It ought to be outlawed.

I was actually shocked to learn that white women old enough to reproduce are only 2%. Staggering!

Hail Satan!  
Hail the Aryan God!!!  
Hail the Aryan Race!!!

Subject: Fans launch petition against kike director

This is just a funny tiny bit of the picture of what our rituals are doing in larger scale, specially this one recently to take the medias and press off the hand of Jews and give back to the hand of gentiles.

Petition link: <https://www.change.org/p/warner-bros-boot-zack-snyder-off-of-justice-league>

What happened is that fans launched a large petition asking Warner to fire the Jewish director Zack Snyder in order he does not direct upcoming movies of DC Comics, after his work in Batman vs Superman, and Man of Steel. What this actually means is that Jews are losing control and Gentile peoples are getting naturally fed up of Jews dicating to us what they wish. That kike also directed the movie 300, which contains a lot of misinfo and distortion about Aryan traditions and history, and in this case of Batman vs Superman he chose a kike actress to portray the daughter of Ares in the story, Diana Prince. Only positive thing is that this movie is probably the most honest portrait of a kike in HollyJewd, where you have a Jewish actor playing a homicidal maniac (Jew being Jew) which is a lol for nowadays.

Subject: Donald Cuck

Donald Cuck

Donald Cuck's, speech before the Jewish lobby that runs America, AIPAC. Was a half an hour Cuckstep concert.

But this is nothing new, Trump promised Shylock his pound of flesh before AIPAC, but sold his soul to the Jew along time ago. Its really this simple.... Donald Cuck is not your friend. He is just put there to keep the Jewish Frankenstein monster of the GOP machine alive and to control and manipulate the emerging narrative and steer it nowhere but hymie town.

Trump Has Strongest Jewish Ties of all GOP Candidates ...

[http://forward.com/news/breaking-news/3 ... wish-ties/](http://forward.com/news/breaking-news/3...wish-ties/)

(JTA) — Among the expansive field of Republican presidential candidates on display in the party's first debates Thursday night, Donald Trump may be the most closely connected to the Jewish people.

Trump is from New York, works in professions saturated with Jews and long has been a vocal supporter of Israel. His daughter and two grandchildren are Jewish, the executive vice president of his organization is Jewish — and Trump certainly has chutzpah.

But if you expect to find Jewish donors of influence in Trump's network of associates, you'll be disappointed: The billionaire's campaign is self-financed, not donor-funded. Forbes estimates Trump's net worth at about \$4 billion; Trump says he's worth \$10 billion.

As the main attraction of the Republican debate, Trump's trademark chutzpah was on sharp display. When asked about past references to women he dislikes as "fat pigs," "slobs" and "disgusting animals," Trump said he has no time for political correctness. He bragged about how Hillary Clinton dared not miss his most recent wedding because he donated to her campaign. And he refused to rule out running as a third-party candidate should someone else win the Republican nomination.

Given his myriad Jewish associations, Trump is not an unfamiliar face in Jewish circles. He has served as a grand marshal at New York's annual Salute to Israel Parade. After Hurricane Katrina, he was among a group of celebrities who decorated Jewish federation tzedakah boxes to be auctioned off to support hurricane disaster relief. And in February, he was honored with an award at the annual gala for the Algemeiner, a right-wing Jewish news organization.

"I have a Jewish daughter. This wasn't in the plan, but I'm very glad it happened," Trump said at the event, held in Manhattan. On Israel, he said, "We love Israel. We will fight for Israel 100 percent, 1,000 percent. It will be there forever."

Before the 2013 Israeli election, Trump recorded a video message endorsing Prime Minister Benjamin Netanyahu.

"You truly have a great prime minister in Benjamin Netanyahu. He's a winner, he's highly respected, he's highly thought of by all," Trump said in the 30-second spot. "Vote for Benjamin – terrific guy, terrific leader, great for Israel."

By the same token, Trump has made clear he believes President Barack Obama is bad for Israel and has questioned how American Jews could support the president.

"I have many Jewish friends that support Obama and I say, 'Why?' and they can't explain why. They support him, they give him money, they give him campaign contributions," Trump told radio host Michael Savage in February. "This is the worst enemy of Israel."

Trump at times has dabbled in Israeli real estate. About a decade ago, he bought a site in the Tel Aviv metropolitan area with plans to build Israel's tallest building, to be called Trump Plaza Tower. He later sold the Ramat Gan property to an Israeli firm before its development. In 2012, Trump met with Israel's tourism minister to discuss possible investments in real estate and tourism, according to the Israeli news website Ynet.

Trump's closest Jewish association is with his daughter Ivanka's family. Ivanka Trump, a fashion designer and celebrity in her own right, converted to Judaism before marrying Jared Kushner, the son of New York Jewish real estate mogul Charles Kushner.

She studied for her Orthodox conversion with Rabbi Haskel Lookstein of Manhattan's Kehilath Jeshurun synagogue and the Ramaz School, and Lookstein officiated at her wedding. Trump and Kushner are members of Lookstein's Orthodox synagogue and are Shabbat observant. They have two children.

Donald Trump is Presbyterian. He has said he goes to church on Christmas, Easter and special occasions.

When it comes to The Trump Organization, Trump's right-hand man is a Jewish lawyer, Michael Cohen, who also serves as a top campaign aide. Cohen ignited controversy last week by suggesting that spousal rape doesn't count as rape. He later apologized, saying his remarks were "inarticulate."

Trump, of course, doesn't shy away from controversy himself. Just since announcing his candidacy in June, he has called illegal Mexican immigrants rapists, disparaged Sen. John McCain (R-Ariz.), for getting captured in the Vietnam War and publicly disclosed Sen. Lindsey Graham's private mobile phone number at a campaign rally.

Then there was Thursday night's Republican debate. Following his verbal fireworks on stage, he doubled down on Twitter, saying, "I really enjoyed the debate

tonight even though the @FoxNews trio, especially @megynkelly, was not very good or professional!" He was apparently referring to Kelly's question about Trump's comments on women.

Trump's record suggests he's far from a Republican ideologue. He has given money both to Democratic and Republican candidates, including Republican primary rivals and Hillary Clinton, the likely Democratic nominee for president. Trump at varying times has supported liberal policies like abortion rights as well as Tea Party causes like strict immigration restrictions. In the debate, he stood by his past support for single-payer health care, saying that he thought it worked well in Canada and could have worked in the past in the United States.

Overall, Trump doesn't appear to have very many fixed policy positions. Unlike the other Republican candidates, he has no policy section on his campaign website.

When Ivanka Trump introduced her father at the Algemeiner dinner six months ago, she said, "He has used his voice often and loudly in support of Israel, in support of developments within Israel, in support of security for Israel and in support of the idea of the Israeli democracy."

One thing is certain of Donald Trump: As long as he stays in this campaign, he will continue to use his voice often and loudly.

I just want to add even this idea you hear from the likes of Trump and other republicans that Obama is somehow anti Israel is entirely false. What they mean is, Obama has only done 99.9% of what the Jews want and that is not good enough. Unless you do everything you can for them and more, 110% of what Israel wants, then you are an enemy of Israel and possibly an anti semite, to hear these kosher cons tell it.

Over half a billion dollars' worth of smuggled frozen meat — some of it thawed, rotting and more than 40 years old — has been seized in China, according to local reports.

"It was smelly, and I nearly threw up when I opened the door," said an official from the central Hunan province, where 800 tonnes were seized.

More than 100,000 tonnes of chicken wings, beef and pork worth up to \$624 million were seized in the nationwide crackdown, the state-run China Daily newspaper said.

Poor food safety is a major concern in China, where standards are lax and scandals involving tainted products are common.

Yang Bo, the deputy director of the anti-smuggling bureau in the Hunanese capital Changsha, said smugglers would often transport the goods in ordinary vehicles, rather than refrigerated ones, to save costs.

"So the meat has often thawed out several times before reaching customers," he added.

Two gangs from the province were among 14 busted across the country.

Reports stated that the meat seized locally came from the "border area" with Vietnam, where it was "difficult to control the flow of meat".

The China Daily said smugglers bought cheap meat abroad, shipped it to Hong Kong and on to Vietnam before bringing it to the mainland.

Officials from Guangxi, a southern region bordering Vietnam, found some of the meat was "more than 40 years old", meaning it was originally packed and stored when the country was still under the rule of Communist China's founding father Mao Zedong, who died in 1976.

The seizures were not reported on the website of China's General Administration of Customs.

China was rocked by one of its biggest-ever food safety scandals in 2008 when the industrial chemical melamine was found to have been illegally added to dairy products, killing at least six babies and making 300,000 people ill.

Subject: NOT ENOUGH PEOPLE KNOW

Satan and Lilith wanted me to do this sermon. I did hesitate given the extreme ugliness I will be exposing here. There aren't even any words to describe this. Some of you already know about this and others don't. For those of you who have no real prior knowledge of this topic here, I strongly suggest you leave it alone. I will get to this later on in this sermon.

Personally, I am beyond enraged. Beyond any words. Sick Jewish filth. They keep aggressively promoting the total LIE that "Satan harms innocents." Everything the Jews do and are, they blame on their enemies and aggressively promote their lies. This has worked wonders for them in the way of deceiving the populace for centuries. If one looks to the bible, which was authored by Jews, one will find endless and most brutal mass murder, sex slavery, cannibalism and much more depravity against innocents, especially children and infants:

Numbers 25:16 And the LORD spake unto Moses, saying,

25:17 Vex the Midianites, and smite them

Numbers 31: 17 Now therefore kill every male among the little ones, and kill every woman that hath known man by lying with him.

18 But all the women children, that have not known a man by lying with him, keep alive for yourselves.

Psalms 137:9 Happy shall he be, that taketh and dasheth thy little ones against the stones.

For extensive proof of this, please click here:

[http://see\\_the\\_truth.webs.com/YHVH\\_Murderer.htm](http://see_the_truth.webs.com/YHVH_Murderer.htm)

Of course, everyone should be aware of that Nazarene, who is nothing more than a living blood child sacrifice that was tortured to death [in details], another product of the sick Jewish mind. For more about how the fictitious Nazarene was invented from a spiritual concept in detail:

[http://see\\_the\\_truth.webs.com/Jesus\\_Christ.htm](http://see_the_truth.webs.com/Jesus_Christ.htm)

The Jewish authored bible reveals quite a bit about the sick Jewish mind. How many people have lasting and serious hang-ups from being forced into Christianity or Islam in their lives at some point? How many sick, perverted pedophiles do the Jewish invented programs of Christianity and Islam create? How many are mentally ill or insane because of these Jewish programs? This is only one example. The issue here why I am taking the time to write this is because there are still too many people who do not take this seriously. EVERYONE should be doing the Reverse Torah Rituals! I will have another one within a few days from now.

This alien race that can be readily identified by their alien DNA controls our governments globally, our media [everything we watch, see and read], our entertainment industry [ Hollywood ] which promotes endless SICK movies attacking Satan and pushing the demonic possession to frighten the vulnerable people through their Christian programs. They control all the mainstream churches, spirituality, so-called "religion" [which are programs], our legal system, our educational system and shape public opinion, dictate what is their version of "history," chock full of lies, our economic system and in addition, they own and/or operate nearly every prominent business, and much, much more.

Too many people are complacent and are stuck in only caring about themselves. The Jews have promoted and pushed a hideous image of Satan and Satanism along with vicious attacks and slander against our Gods to where, especially some time ago, before the internet and such, Satanism attracted some of the worst nutcases. Then, of course, Satan is blamed for all of this filth. SATAN HAS NOTHING WHATSOEVER TO DO WITH HARMING ANY INNOCENTS!! ANIMALS AND CHILDREN ARE SACRED IN SATANISM.

**HARMING INNOCENTS IS AN ABOMINATION TO SATAN!!**

More proof of the sick Jewish mind and their hideous atrocities can be seen in their communist programs, where over 100+ million innocent people were tortured and mass murdered, many after serving time as slaves in gulags...worked to death literally. This theme is the foundation of the "Holy Bible." The s

goes for the Jewish operated African Slave Trade. Whites are blamed for this as a distraction and diversion and of course so we are persecuted for it, when in reality, the Jews were behind this 100%.

How many of you here can honestly claim that since coming to Satan, you have personally changed for the better? I can. Satan heals from the inside out. Since I came to Satan some 16 years ago, he has made me a much better person and my life has drastically improved. I know there are many others here who can claim the very same. He has shown me in my life where I was very wrong about certain things, and given me truth. "I lead to the straight path without a book" as written in the Al Jilwah is very true. Learning where one is wrong prevents further problems in one's life and the repeating of mistakes. Satanism is the most beautiful religion.

Now, getting to the point of this sermon here, and this is exceptionally extreme and graphic, but Satan and Lilith wanted me to expose this to those who are not aware of it. I know there are members here who know already about this sort of thing. Someone brought this to my attention a couple of weeks ago. I don't have time to browse the web very much, as Satan keeps me very busy in study and other things.

There is what is called "The Deep Web." Now, to learn more about it, you can read this webpage:

<http://unpromisedone.blogspot.com/2011/09/information-about-deep-web.html?m=1>

"The deep web is usually defined as the content on the Web not accessible through a search on general search engines. This content is sometimes also referred to as the hidden or invisible web."

"most everything below the Hidden Wiki is illegal or sick because again, if it wasn't, there'd be no need to hide it..."

"The CP [Child Porn] stuff is well known but there's information on human trafficking rings, rape tourism (which happens in the US even! They happen on occasion in Native American reservations), animal cruelty that will turn anyone into a hardcore PETA/ASPCA member, and hackers lurking at every turn."

There is also a 2 part video titled "I wasn't careful enough on the deep web." I can't find the first part, but I saw both and it was factual because I did a bit of research and the sick individuals who were victimizing a young college student were arrested. This was in the news and can be found online. The video was

on YouTube.

There is a so-called “black market” on there. This is off topic here. What I am writing about is the extent of the Jewish depravity that is another area of this “Deep Web.” Yes, there are some really, really sick Gentiles, but I am talking percentages here. In addition, in doing a bit of research, it is glaringly obvious [some of this criminally insane sick filth was arrested], their ID names gave them away as Jews. I can also identify most of the time a Jew online by what a how they write. I know there are others here who can do the same. Also, years of research and study of that foul alien race has given me a lot of in-depth knowledge about them, a lot of it coming from their own writings and statements. The majority who make up this hideous depravity that preys upon children, infants, and animals in the worst ways imaginable are in fact Jewish. People really need to wake up before it is too late and what is worse is how this viral scum openly blames these vile crimes on Satan. There are also sites that are of the worst, sick extreme torture and murder, “devoted” to Satan on there. There aren’t even words to describe the depravity.

**Now, if you are sensitive, or vulnerable in any way, I strongly discourage you from clicking on the link regarding the Deep Web above, or worse clicking on the links below. This content is the extreme in depravity and is not for those who are sensitive. Satan wants these fucking Jews totally exposed! People really need to wake up and face reality.**

Some of this goes back a few years, but this sort of thing is still very prevalent and also reveals the extent of the sick Jewish mind. Yes, there are extremely depraved Gentiles out there, but I am talking percentages here.

Here is what happens to unfortunate runaways and homeless people, in addition to having their body organs forcibly removed and sold on the Jewish run black market for body parts. Sadly nobody misses them. In addition, Jewish Hollywood has made movies centering on this topic, such as the older movie “Ambulance” for one. Refugees, the homeless, those who are abducted and others are easy victims:

Here is more in detail of the above and a sample of some of the experiments performed by [majority] Jewish doctors:

<http://1.bp.blogspot.com/-9xl8dfs8DO8/T5DftOWshZI/AAAAAAAAARQ/x22I09-3C30/s1600/Deep+Web+2.jpg>

This is extremely SICK and DEPRAVED beyond any words. This is blatantly a Jewish doctor to have this medical expertise and access and knowledge of kinds of drugs described here. This also smacks of Jewish Ritual Murder in more ways than one. Please be warned, I have read all kinds of things in my life and this is the absolute worst I have ever come across, along with the article below this one:

Given many different references, and research on the topic of how young girls and children are being viciously exploited in former communist countries, especially South Eastern Europe, for example, being tricked into going to Israel to "find a good job" and when meeting up with the

Jewish organized criminals who pretend to run an agency for normal employment, kidnap these young girls and put them into the most rotten brothels in Israel, where they are sex slaves who are abused and raped over 20 times a night.

More about this:

"As a report by Israel 's Women's' Network noted in 1997:

"Every year, hundreds of women from the former Soviet Union are lured to Israel , gaining entry by posing as immigrants, on the promise of finding lucrative jobs, and then are lured into prostitution by abusive pimps." [GROSS, N., 1997, p. 16]

Women are sold into the sex business in Israel for between \$5,000 and \$15,000" reported the Jerusalem Post in 1998, "While the pimps who buy them can earn between \$10,000 and \$50,000 a year per woman. 2,000 women are brought to Israel from the CIS and forced by pimps to work as prostitutes. Many are brought here on false pretenses and held against their will." As Ira Omait, head of the Haifa Emergency Shelter for Women told the Post, "We are fast heading in the direction of trade in minors for prostitution and slavery." [COLLINS, L., 12-15-98,

p. 5] Incredibly, as noted in a Jerusalem Post editorial in 1998, "According to the Women's Lobby [a women's group in Israel ], part of the [prostitution] problem is that there is no law against slavery in Israel ." [ JERUSALEM POST, 1-13-98, p.

"Ludmila knew Israel was sunny and by the sea but not much else. She was going to meet an old friend who was working as a waitress in Israel . 'You'll love it here,' Victoria told Ludmila. 'I've got a job—the work's easy, the pay's good, and it's real fun.' What Ludmila didn't know was that at the other end of the phone, Victoria had a gun pointed at her head. She thought herself fortunate that an acquaintance of her close friend had been so helpful in arranging both her documentation and her travel. In fact, this accommodating acquaintance was a "recruiter." A majority of women are trafficked out of Moldova and Transnistria are groomed and recruited by other women. The use of women is critical to reassure the victim. Trust is essential to the smooth functioning of any organized criminal activity."

"After her recruiter had secured Ludmila a passport, she was put on a train to Odessa and then to Moscow in the company of ten other women. Once in the Russian capital, she was taken to an apartment near the Moscow River . 'This is when I first became very suspicious, because they confiscated our passports and locked the apartment, she said. 'We were imprisoned.' "

"In a hotel in the Negev capital, Beer-Sheba, Ludmila was paraded in front of potential purchasers. 'The men spoke Hebrew most of the time so we couldn't understand, but then they would order us about in fluent Russian.' At first Ludmila refused to get undressed. One of the Russians looked at her grimly. 'The word *refuse* doesn't exist here. Understand?'

By the time she arrived in Tel Aviv, she had been passed through the hands of Moldovan, Ukrainian, Russian, ...and indigenous Israeli hands, half of whom threatened her with violence. Her nightmare was only beginning." [1]

Poor Women of Ex-Soviet Union Lured Into Sex Slavery" headlined a 1998 Associated Press story. Women forced into prostitution in Israel , noted the article were locked in rooms, and provided only food and condoms, and Israeli law on the subject? In 1996, 150 men were arrested for pimping or running brothels. Merely 21 cases went to trial, and no one was ever convicted of a crime. [LINZER, D., 6-13-98] In 1998, an Israeli judge even ordered an insurance company to pay for a client's prostitution addiction: "An Israeli insurance company has been ordered to pay 300,000 shekels [\$80,000] to fund the prostitution habit of a man injured in a car accident." [DEUTSCHE PRESSEAGENTUR,

4-22-98]

I also want to add here very few if any Jewish communist mass murderers have ever been brought to trial let alone convicted for extreme crimes against humanity.

My point for including the above regarding the sex slave trade is relevant and adds a lot of credibility to the following below. **Again, this is extreme and if are sensitive or vulnerable in any way, then skip it. Reading these things can cause serious psychological problems in some people, and it already has given many accounts online:**

Kidnapping children:

<http://1.bp.blogspot.com/-SqNsO0UZPmc/UBN8wdyEhXI/AAAAAAAAAeY/QYt2ftyCI9I/s1600/arxpZ.jpg>

The Jew knows that when the non-Jewish world knows his laws and sees through his plans, that he is lost. Therefore, by threat of death, he forbids their translation and publication. A well-known Jewish scholar [Dibre David] writes:

"If the Gentiles knew what we are teaching against them, they would kill us." The Jewish secret laws are based on the fundamental principle that states:

"Only the Jew is human. In contrast, all non-Jews are animals. They are beasts in human form. Anything is permitted against them. The Jew may lie to, cheat and steal from them. He may even rape and murder them."

There are hundreds of passages in the Talmud in which the non-Jews are described as animals. Some of them are:

1. "The Jews are called human beings, but the non-Jews are not humans. They are beasts." [Talmud: Baba Mezia 114b]
2. "The Akum [non-Jew] is like a dog. Yes, the scripture teaches to honor the dog more than the non-Jew." [Ereget Raschi Erod. 22 30]
3. "Even though God created the non-Jew they are still animals in human form. It is not becoming for a Jew to be served by an animal. Therefore he will be served by animals in human form." [Midrasch Talpioth p. 255, Warsaw 1855]
4. "A pregnant non-Jew is no better than a pregnant animal." [Coschen hamischpat]
5. "The souls of non-Jews come from impure spirits and are called pigs."  
[Jalkut Rubeni gadol 12 b]
6. "Although the non-Jew has the same body structure as the Jew, they compare with the Jew like a monkey to a human." [Schene luchoth haberith, p. 250]

So that the Jew will never forget that he is dealing with animals, he is reminded by eating, by death, and even by sexual intercourse constantly. The Talmud teaches:

"If you eat with a Gentile, it is the same as eating with a dog." [Tosapoth, Jebamoth 94b]

"If a Jew has a non-Jewish servant or maid who dies, one should not express sympathy to the Jew. You should tell to the Jew: `God will replace "your loss just as if one of his oxen or asses had died." [Jore dea 377]

"Sexual intercourse between Gentiles is like intercourse between animals." [Talmud Sanhedrin 74b]

It is written in the Talmud about the murder of the Gentiles:

1. "It is permitted to take the body and the life of a Gentile." [Sepher ikkarim IIIc 25]

2. "It is the law to kill anyone who denies the Torah. The Christians belong to the denying ones of the Torah." [Coschen hamischpat 425 Hagah 425. 5]

3. "Every Jew, who spills the blood of the godless [non-Jews], is doing the same as making a sacrifice to God." [Talmud: Bammidber raba c 21 & Jalkut 77]

These laws of the Talmud and the Torah were given to the Jews over 3000 years ago. They are just as valid today as they were back then. This is how the Jews are taught from childhood. The result of this stands before us. It is Jewish ritual murder.

"Further, there is a law concerning the slaughter of foreigners, who are the same as beasts. This slaughter is to be carried out in a lawfully valid manner. To ones who do not follow the Jewish religious law have to be offered to God as a sacrifice. It is to them that Psalm 44:22 refers: `Yea, for thy sake are we killed all the day long; we are counted as sheep for the slaughter.'"

[Thikune Zohar, edition Berdiwetsch 88b]

Dr. Bischoff [the trial of 30th Oct. - 4th Nov. 1931] established the correct translation of this law: This translation and publication of the law of human sacrifici

the greatest blow that ever struck the Jews in this controversy. THIS LAW COMMANDS THE JEWS TO BUTCHER NON-JEWS. THIS IS TO BE DONE IN A "LAWFULLY VALID WAY." THIS MEANS THAT THE GENTILES ARE TO BE SACRIFICED IN THE SAME WAY AS ANIMALS. THEY ARE TO BE SACRIFICED TO THE JEWISH GOD. THEREFORE, WE ARE DEALING WITH A LAW THAT DOES NOT ONLY PERMIT THE PRACTICE OF RITUAL MURDER, BUT COMMANDS IT!

Ritual murder in America :

In America , such a case came to light in 1955 in Chicago , with the kidnapping and murder of five children that year, the time of the major Jewish holiday. The bodies of the children show they were murdered in accordance to Jewish ritualistic laws. Chicago is also an area of large and powerful Jewish communities. The victims who were murdered were John and Anton Schuessler, Jr., Robert Peterson, Barbara and Patricia Grimes.

The facts of the case reveal:

They had been kept alive for some time after being abducted. Their dead bodies were naked. Ligation marks suggested they had been bound by wrists and ankles. They were held in confinement before being bled by small cuts and puncture wounds. The marks on one body matched up with the floor mats of a luxury Packard automobile, so the killers were mostly likely upper class.

The two little girls had repeatedly been punctured with a sharp pointed object in the upper torso, thighs and buttocks. This may have been part of the blood collecting process. The two boys showed signs of having been nailed through the hands and feet, along with injuries to the mouth and eyes. Both groups of victims revealed enough similar evidence indicating the murders were committed by the same group of killers.

Something more revealing:

One of the wounds to the victims contained an unspecified grain, possibly wheat. The Jews are known for using human blood from such rituals for creating wheat-based meals as Matzo balls soaked in the blood of the victims of such rituals. In the case, it was openly stated in the Chicago Sun-Times: "Religious ritual might be involved."

Note it only stated "Religious Cult" and nothing more, indicating it could have been just about anyone or anything, but how did the Jews react? Immediately after the article was released, fleets of trucks were sent out and all the newspapers were removed from the stands and literally burned. The Jews, from the writings of Crowley, did the same in England when such facts were ever brought to light regarding such cases, even going as far as to buy every copy of every book

or paper to burn them.

Another recent case of the Jews doing this was when Toafler, the son of the Chief Rabbi of Rome and professor of history in Israel , wrote the book "Blood Passover," which is a record of the Jewish ritual murders in medieval Italy . Toafler's main source of documentation was from the synagogue tracts of the time of the murders. The Jewish network combined heaven and earth to ban, remove, and burn every copy made.

Now back to the 1955 case, note how the Jews worked to cover it up further: The Jewish Sheriff of the County, named Lohman, sent a Jewish deputy, Horowitz, to investigate the father of the two of the murdered boys. Lohman did this as away to shift blame and be able to put the Gentile family under house arrest, making it impossible for them to talk to anyone about the case. Then Lohman, the Jewish Sheriff quickly ordered another Jew on his force, Gloss to head the "investigation."

Two other Gentile detectives on the case Lieutenants Lynch and McMahon stated that Cook County investigators "destroyed evidence, threatened witnesses and worked to impede their investigation at every turn."

The father was ordered by the Police into a Sanitarium [even after passing lie detector tests], under the control of a Jewish Doctor , Leon Steinfeld, where he literally died the same day. The official report was that he died from natural causes, being a heart attack. However, it was revealed very shortly thereafter that he was murdered by electro-shock treatments, performed on him within very hours of after his arrival.

The coroner for Cook County , a Gentile named Doctor Thomas McCarron openly called Steinfeld a murderer and liar, after important documents to that fact were brought to the District Attorney. Shortly after Dr. McCarron's house was bombed and he was ordered to keep silent by the District Attorney. Nothing came from the faint investigation into the affair. Later Steinfeld, after fleeing the Country, was found dead in a hotel room from what appeared to be a suicide. The Family of the two murdered boys was then paid One Hundred Thousand dollars from the local Jewish community to stay silent. Obviously, this is not the only case in America . Workers once tearing down a synagogue in Manhattan in 1989 found the human skeleton of a young girl in the basement's coal bin.

Note that every year; thousands of Gentile Children go missing in America , many around the time of the major Jewish holidays, such as Passover, where such rituals are done. Why are no bodies showing up? A look at the names of the owners of many animal processing plants reveals them to be owned by Jews. You can put two and two together on this. After all, we are by the Jews' own words and deeds, nothing but animals to them.

Good authors and scholars on the subject: Dr. Arnold Leese, Dr. Hellmuth Schramm, Dr. Philip DeVier, Dr. Harrell Rhome, Dr. Edward Fields, Attorney and Duma Member G.G. Zamyslovsky,

Other disgusting truths on the Jews:

Rome , Italy -- Italian and Russian police, working together, broke up a ring of Jewish gangsters who had been involved in the manufacture of child rape and snuff pornography.

Three Russian Jews and eight Italian Jews were arrested after police discovered they had been kidnapping non-Jewish children between the ages of two and five years old from Russian orphanages, raping the children, and then murdering them on film. Mostly non-Jewish customers, including 1700 nationwide, 600 in Italy , and an unknown number in the United States , paid as much as \$20,000 per film to watch little children being raped and murdered.

Jewish officials in a major Italian news agency tried to cover the story up, but were circumvented by Italian news reporters, who broadcast scenes from the films live at prime time on Italian television to more than 11 million Italian viewers. Jewish officials then fired the executives responsible, claiming they were spreading "blood libel."

Throughout history, various groups have accused sects of Jews of ritually murdering small children. One such account, that of Hugh of Lincoln, led to the expulsion of all Jews from Britain in the 13th Century. Such accounts have generally been "discounted" but are so wide spread that Jewish organizations have developed a name for them -- "blood libel."

The American group the ADL was founded to defend a Jew, Leo Frank, accused of raping and murdering a five year old girl, Mary Fagan, in his Atlanta pencil factory in 1913. The ADL claims he was innocent. A mob lynched him after the governor commuted his death sentence to life in prison.

Though AP and Reuters both ran stories on the episode, US media conglomerates refused to carry the story on television news, again saying the story would prejudice Americans against Jews.

Jewish gangsters in Russia have become increasingly linked to traffic in "white slaves" and prostitutes through Israel , according to a recent report in the Jerusalem Post. Israel turns an official blind eye to forced prostitution, and does not punish Israeli citizens who choose to own "sex slaves," as long as the slaves are foreign and non-Jews.

According to the Talmudic Encyclopedia: "He who has carnal knowledge of the wife of a Gentile is not liable to the death penalty, for it is written: 'thy fellow wife' rather than the alien's wife; and even the precept that a man 'shall cleave unto his wife' which is addressed to the Gentiles does not apply to a Jew, just as there is no matrimony for a heathen; and although a married Gentile woman is forbidden to the Gentiles, in any case a Jew is exempted.' This does not imply that sexual intercourse between a Jewish man and a Gentile woman is permitted - quite the contrary, but the main punishment is inflicted on the Gentile woman; she must be executed, even if she was raped by the Jew: 'If a Jew has coitus with a Gentile woman, whether she be a child of three or an adult, whether married or unmarried, and even if he is a minor aged only nine years and one day - because he had willful coitus with her, she must be killed, as is the case with a beast, because through her a Jew got into trouble. The Jew, however, must be flogged, and if he is a Kohen [member of the priestly tribe], must receive double the number of lashes, because he has committed a double offense: a Kohen must not have inter-course with a prostitute, and all Gentile women are presumed to be prostitutes.

Jason Burke in London , Amelia Gentleman in Moscow , Philip Willan in Rome Observer - Sunday October 1, 2000

Britain is a key link in the largest ever, international investigation into the production and supply of pedophile 'snuff' movies - in which children are murdered on film. An Observer investigation can reveal. The key suspect in the inquiry, a Russian who was arrested last week in Moscow for distribution of thousands of sadistic child pornography videos and pictures, was traced following the seizure of his products from British pedophiles.

Dmitri Vladimirovich Kuznetsov, a 30-year-old former car mechanic in Moscow , was identified after British Customs and police traced the origin of violent child pornography videos found in the UK back to Russia .

Last week Italian police seized 3,000 of Kuznetsov's videos on their way to clients in Italy , sparking an international hunt for pedophiles who have bought the products. The Italian investigators say the material includes footage of children dying during abuse. Prosecutors in Naples are considering charging those who have bought the videos with complicity in murder. They say some may have specifically requested films of killings.

British authorities yesterday confirmed that scores of Kuznetsov's videos, produced in his small flat in Moscow 's rundown Vykhino district, have been found in the UK . They are concerned that 'snuff' movies in which children are killed may have also been imported.

Around a dozen British men have already been arrested and charged with offenses alleged to be connected to the Russian tapes. A second Russian child pornography ring, which allegedly had a British distributor, was broken up earlier this year. The investigation into the importing of violent Russian child porn, which led to the identification, and subsequent imprisonment of Kuznetsov started about 15 months ago after Customs seized material coming into the country. Since then there have been dozens of other finds.

'We have seen some very, very nasty stuff involving sadistic abuse of very young children, but actual deaths on film takes it a whole step further. That is very worrying,' said one senior customs officer this weekend. British paedophiles were paying between £50 and £100 for Kuznetsov's tapes, the officer said. Further fees were paid for access to a website that features pictures of extremely violent abuse. Though two men arrested with Kuznetsov have also been imprisoned by Moscow authorities, only one of the three remains behind bars. Dmitri Ivanov was sentenced to 11 years for actually participating in the abuse that was being filmed. The others were released under an amnesty aimed at clearing Russia 's overcrowded prisons.

When officers from the Moscow Criminal Investigation Department raided Kuznetsov's flat they found two boys in a makeshift studio. They seized a huge quantity of films and other pornographic material as well as lists of clients in Italy , Germany , America , and Britain .

Last week Italian detectives moved in, following months of inquiries, and arrested eight people. The police searched more than 600 homes and say they now have evidence against about 500 people. Among the suspects were businessmen, public employees and a university student. Several of them were married with children of their own. Hundreds of people are also under investigation in Germany .

The Russian videos, which had been ordered over the internet, were intercepted when they came into Italy by post, repackaged, and then delivered by undercover police officers. They cost between £300 and £4,000, depending on what type of film was ordered. Covert film of young children naked or undressing was known as a 'SNIPE' video. The most appalling category was code-named 'Necros Pedo' in which children were raped and tortured until they died. Police in Russia and the UK believe that Kuznetsov and his associates have been in business for more than two years in which time they are believed to have recruited around 100 boys - aged between 9 and 15 - to be filmed.

'Most of the children were rounded up from railway stations. A lot of them came from the suburbs, or surrounding regions and were from deprived, problem families,' said Kiril Mazurin, a police spokesman. 'Usually when children like this arrive in the capital, they've got no idea where to go and hang around in the station. It's very easy to entice this kind of teenager - with a promise of a warm bed or a trip to the cinema.' Many were lured away from orphanages. 'Children are not locked in,' said Mazurin. 'Anyone can come along and promise them a meal at McDonalds. It doesn't take any more than that.'

Some children were paid a commission to find other boys willing to be filmed, according to reports in the Russian press, for a fee of between 100 and 300 roubles [£2.50 - £7]. Kuznetsov had given up his job in 1998 to devote himself to the lucrative pornography industry. A self-taught computer expert, he was in the process of upgrading his equipment to allow him to e-mail videos directly to clients when police raided him.

Many customers repeatedly ordered videos from him. The Naples newspaper Il Mattino published a transcript of an alleged email exchange between a prospective client and the Russian vendors.

"Promise me you're not ripping me off," says the Italian.

"Relax, I can assure you this one really dies," the Russian responds.

"The last time I paid and I didn't get what I wanted."

"What do you want?"

Subject: Re: white women getting fed up

@zolaluckystar Unfortunately, ignorant gentiles getting duped by Jewish programs is nothing new and feminism isn't the half of it. I'm not unsympathetic to the suffering and oppression women have endured over the centuries myself, I just recognize that feminists are being deceived by the same enemy who created the oppression of women in the first place. HP Maxine has wrote extensively on the subject of how Jews control BOTH sides. They authored the concept that women were less than men, they wrote the Bible and they also created the controlled opposition to it known as feminism and blame White men for the problems they created. Whether it is capitalism vs communism, feminism vs patriarchy, slavery vs civil rights, the Jew is always controlling both sides playing them against each other gentile vs gentile while they wait for us to destroy each other.

On the subject of race mixing, it is sad that the Aryan DNA which created the woman you saw will die with her and never live on in her descendants. Her children will never know the same beauty and intelligence and creativity of spirit as herself. Whites, especially those of us of Aryan/Nordic blood do not realize what they are losing through race mixing because we have endured so much genetic damage over the centuries many of our people really believe we are just the same as everyone else.

You may have heard of what scientists today are calling "Junk DNA" and epigenetic effects. Basically there are millions of genes inside us which are inert, the information they carry is still there but they are inactive. This is because in White Aryans have been dealt a lot of genetic damage through centuries of christianity and spiritual degeneration.

We have DNA of the Gods within us, a fully empowered White Aryan with all of it's DNA active, is capable of things you would not believe. Even a female Aryan child, pure of blood and all it's DNA activated, is stronger and faster and more intelligent than an adult human of any race, male or female. We would also grow to an average height of 7 feet approximately. We are capable of regrowing limbs or organs or any damaged body parts and our lifespan can last several hundreds of years with no ageing, that is even without the magnum opus. This is just the physical aspect of it. Our intelligence and spiritual and psychic abilities when fully empowered are inconceivable.

Through race mixing, genocide, war, mass murder, spiritual degeneration, chemtrails, poisoning of our foods, the Jews are doing everything in their power to erase all traces of the Nordic Gods DNA from this planet. That is why, they fear us the most. They hate all gentiles but they truly fear Aryans.

HAIL SATAN! Praise be to the Gods.

Subject: Re: [JoSNewsletter] NOT ENOUGH PEOPLE KNOW

The movie "A Serbian Film" also is a realistical depiction of this sickening Jewish filth, not recommended for sensitive people.

In the hospital I work on there was a 11 years old girl who was severely injured after being repeatedly raped, probably not for the first time. Her mother who is a retarded xtian obviously didn't care and probably knew what was happening to her daughter and simply waited till it worsen. In other words she was being a good xtian and "walking the extra mile", "giving the other cheek".

Another revealing Bible quote: "I Samuel 15:3 - Jehova said: Now go and smite Amalek, and utterly destroy all that they have, and spare them not; but slay both man and woman, infants and babies, ox and sheep, camel and ass."

Every real Satanist must be doing the rituals to put an end to this Jewish filth forever. If they cannot bother themselves in ever taking on this and "have better stuff to do" they aren't even worth being called Satanists.

**Assunto:** [JoSNewsletter] NOT ENOUGH PEOPLE KNOW

Satan and Lilith wanted me to do this sermon. I did hesitate given the extreme ugliness I will be exposing here. There aren't even any words to describe this. Some of you already know about this and others don't. For those of you who have no real prior knowledge of this topic here, I strongly suggest you leave it alone. I will get to this later on in this sermon.

Personally, I am beyond enraged. Beyond any words. Sick Jewish filth. They keep aggressively promoting the total LIE that "Satan harms innocents." Everything the Jews do and are, they blame on their enemies and aggressively promote their lies. This has worked wonders for them in the way of deceiving the populace for centuries. If one looks to the bible, which was authored by Jews, one will find endless and most brutal mass murder, sex slavery, cannibalism and much more depravity against innocents, especially children and infants:

Numbers 25:16 And the LORD spake unto Moses, saying,

25:17 Vex the Midianites, and smite them

Numbers 31: 17 Now therefore kill every male among the little ones, and kill every woman that hath known man by lying with him.

18 But all the women children, that have not known a man by lying with him, keep alive for yourselves.

Psalms 137:9 Happy shall he be, that taketh and dasheth thy little ones against the stones.

For extensive proof of this, please click here:

[http://see\\_the\\_truth.webs.com/YHVH\\_Murderer.htm](http://see_the_truth.webs.com/YHVH_Murderer.htm)

Of course, everyone should be aware of that Nazarene, who is nothing more than a living blood child sacrifice that was tortured to death [in details], another product of the sick Jewish mind. For more about how the fictitious Nazarene was invented from a spiritual concept in detail:

[http://see\\_the\\_truth.webs.com/Jesus\\_Christ.htm](http://see_the_truth.webs.com/Jesus_Christ.htm)

The Jewish authored bible reveals quite a bit about the sick Jewish mind. How many people have lasting and serious hang-ups from being forced into Christianity or Islam in their lives at some point? How many sick, perverted pedophiles do the Jewish invented programs of Christianity and Islam create? How many are mentally ill or insane because of these Jewish programs? This is only one example. The issue here why I am taking the time to write this is because there are still too many people who do not take this seriously. EVERYONE should be doing the Reverse Torah Rituals! I will have another one within a few days from now.

This alien race that can be readily identified by their alien DNA controls our governments globally, our media [everything we watch, see and read], our entertainment industry [ Hollywood ] which promotes endless SICK movies attacking Satan and pushing the demonic possession to frighten the vulnerable their Christian programs. They control all the mainstream churches, spirituality, so-called “religion” [which are programs], our legal system, our educational system and shape public opinion, dictate what is their version of “history, “ chock full of lies, our economic system and in addition, they own and/or operate nearly every prominent business, and much, much more.

Too many people are complacent and are stuck in only caring about themselves. The Jews have promoted and pushed a hideous image of Satan and Satanism along with vicious attacks and slander against our Gods to where, especially some time ago, before the internet and such, Satanism attracted some of the worst nutcases. Then, of course, Satan is blamed for all of this filth. **SATAN HAS NOTHING WHATSOEVER TO DO WITH HARMING ANY INNOCENTS!! ANIMALS AND CHILDREN ARE SACRED IN SATANISM. HARMING INNOCENTS IS AN ABOMINATION TO SATAN!!**

More proof of the sick Jewish mind and their hideous atrocities can be seen in their communist programs, where over 100+ million innocent people were tortured and mass murdered, many after serving time as slaves in gulags...worked to death literally. This theme is the foundation of the “Holy Bible.” The same goes for the Jewish operated African Slave Trade. Whites are blamed for this as a distraction and diversion and of course so we are persecuted for it, when in reality, the Jews were behind this 100%.

How many of you here can honestly claim that since coming to Satan, you have personally changed for the better? I can. Satan heals from the inside out. Since I came to Satan some 16 years ago, he has made me a much better person and my life has drastically improved. I know there are many others here who can claim the very same. He has shown me in my life where I was very wrong about certain things, and given me truth. “I lead to the straight path without a book” as written in the Al Jilwah is very true. Learning where one is wrong prevents further problems in one's life and the repeating of mistakes. Satanism is the most beautiful religion.

Now, getting to the point of this sermon here, and this is exceptionally extreme and graphic, but Satan and Lilith wanted me to expose this to those who are not aware of it. I know there are members here who know already about this sort of thing. Someone brought this to my attention a couple of weeks ago. I don't have time to browse the web very much, as Satan keeps me very busy in study and other things.

There is what is called “The Deep Web.” Now, to learn more about it, you can read this webpage:  
<http://unpromisedone.blogspot.com/2011/09/information-about-deep-web.html?m=1>

“The deep web is usually defined as the content on the Web not accessible through a search on general search engines. This content is sometimes also referred to as the hidden or invisible web.”

“most everything below the Hidden Wiki is illegal or sick because again, if it wasn't, there'd be no need to hide it...”

“The CP [Child Porn] stuff is well known but there's information on human trafficking rings, rape tourism (which happens in the US even! They happen on occasion in Native American reservations), animal cruelty that will turn anyone into a hardcore PETA/ASPCA member, and hackers lurking at every turn.”

There is also a 2 part video titled "I wasn't careful enough on the deep web." I can't find the first part, but I saw both and it was factual because I did a bit of research and the sick individuals who were victimizing a young college student were arrested. This was in the news and can be found online. The video was on YouTube.

There is a so-called "black market" on there. This is off topic here. What I am writing about is the extent of the Jewish depravity that is another area of this "Deep Web." Yes, there are some really, really sick Gentiles, but I am talking percentages here. In addition, in doing a bit of research, it is glaringly obvious [some of this criminally insane sick filth was arrested], their ID names gave them away as Jews. I can also identify most of the time a Jew online by what and how they write. I know there are others here who can do the same. Also, years of research and study of that foul alien race has given me a lot of in-depth knowledge about them, a lot of it coming from their own writings and statements. The majority who make up this hideous depravity that preys upon children, infants, and animals in the worst ways imaginable are in fact Jewish. People really need to wake up before it is too late and what is worse is how this viral scum openly blames these vile crimes on Satan. There are also sites that are of the worst, sick extreme torture and murder, "devoted" to Satan on there. There aren't even words to describe the depravity.

**Now, if you are sensitive, or vulnerable in any way, I strongly discourage you from clicking on the link regarding the Deep Web above, or worse clicking on the links below. This content is the extreme in depravity and is not for those who are sensitive. Satan wants these fucking Jews totally exposed! People really need to wake up and face reality.**

Some of this goes back a few years, but this sort of thing is still very prevalent and also reveals the extent of the sick Jewish mind. Yes, there are extremely depraved Gentiles out there, but I am talking percentages here.

"Communities" [online forums] for the worst child abusers imaginable:

Here is what happens to unfortunate runaways and homeless people, in addition to having their body organs forcibly removed and sold on the Jewish run black market for body parts. Sadly nobody misses them. In addition, Jewish Hollywood has made movies centering on this topic, such as the older movie "Ambulance" for one. Refugees, the homeless, those who are abducted and others are easy victims:

<http://1.bp.blogspot.com/-hD2U7iDD22w/T5Dfsa0NMai/AAAAAAAAARl/bgE8UX6Z7fg/s1600/Deep+Web+1.jpg>

Here is more in detail of the above and a sample of some of the experiments performed by [majority] Jewish doctors:

<http://1.bp.blogspot.com/-9xI8dfs8DO8/T5DftOWshZI/AAAAAAAAARQ/x22I09-3C30/s1600/Deep+Web+2.jpg>

This is extremely SICK and DEPRAVED beyond any words. This is blatantly a Jewish doctor to have this medical expertise and access and knowledge of the kinds of drugs described here. This also smacks of Jewish Ritual Murder in more ways than one. Please be warned, I have read all kinds of things in my life and this is the absolute worst I have ever come across, along with the article below this one:

Given many different references, and research on the topic of how young girls and children are being viciously exploited in former communist countries, especially South Eastern Europe, for example, being tricked into going to Israel to "find a good job" and when meeting up with the

Jewish organized criminals who pretend to run an agency for normal employment, kidnap these young girls and put them into the most rotten brothels in Israel, where they are sex slaves who are abused and raped over 20 times a night.

More about this:

“As a report by Israel 's Women's' Network noted in 1997:

"Every year, hundreds of women from the former Soviet Union are lured to Israel , gaining entry by posing as immigrants, on the promise of finding lucrative jobs, and then are lured into prostitution by abusive pimps." [GROSS, N., 1997, p. 16]

Women are sold into the sex business in Israel for between \$5,000 and \$15,000" reported the Jerusalem Post in 1998, "While the pimps who buy them can earn between \$10,000 and \$50,000 a year per woman. 2,000 women are brought to Israel from the CIS and forced by pimps to work as prostitutes. Many are brought here on false pretenses and held against their will." As Ira Omait, head of the Haifa Emergency Shelter for Women told the Post, "We are fast heading in the direction of trade in minors for prostitution and slavery." [COLLINS, L., 12-15-98,

p. 5] Incredibly, as noted in a Jerusalem Post editorial in 1998, "According to the Women's Lobby [a women's group in Israel ], part of the [prostitution] problem is that there is no law against slavery in Israel ." [ JERUSALEM POST, 1-13-98, p.

"Ludmila knew Israel was sunny and by the sea but not much else. She was going to meet an old friend who was working as a waitress in Israel . 'You'll love it here,' Victoria told Ludmila. 'I've got a job—the work's easy, the pay's good, and it's real fun.' What Ludmila didn't know was that at the other end of the phone, Victoria had a gun pointed at her head. She thought herself fortunate that an acquaintance of her close friend had been so helpful in arranging both her documentation and her travel. In fact, this accommodating acquaintance was a "recruiter." A majority of women are trafficked out of Moldova and Transnistria are groomed and recruited by other women. The use of women is critical to reassure the victim. Trust is essential to the smooth functioning of any organized criminal activity."

"After her recruiter had secured Ludmila a passport, she was put on a train to Odessa and then to Moscow in the company of ten other women. Once in the Russian capital, she was taken to an apartment near the Moscow River . 'This is when I first became very suspicious, because they confiscated our passports and locked the apartment, she said. 'We were imprisoned.' "

"In a hotel in the Negev capital, Beer-Sheva, Ludmila was paraded in front of potential purchasers. 'The men spoke Hebrew most of the time so we couldn't understand, but then they would order us about in fluent Russian.' At first Ludmila refused to get undressed.

One of the Russians looked at her grimly. 'The word *refuse* doesn't exist here. Understand?'

By the time she arrived in Tel Aviv, she had been passed through the hands of Moldovan, Ukrainian, Russian, ...and indigenous Israeli hands, half of whom threatened her with violence. Her nightmare was only beginning." [1]

"Poor Women of Ex-Soviet Union Lured Into Sex Slavery" headlined a 1998 Associated Press story. Women forced into prostitution in Israel , noted the article were locked in rooms, and provided only food and condoms, and Israeli law on the subject? In 1996, 150 men were arrested for pimping or running brothels.

Merely 21 cases went to trial, and no one was ever convicted of a crime. [LINZER, D., 6-13-98] In 1998, an Israeli judge even ordered an insurance company to pay for a client's prostitution addiction: "An Israeli insurance company has been ordered to pay 300,000 shekels [\$80,000] to fund the prostitution habit of a man injured in a car accident." [DEUTSCHE PRESSEAGENTUR,

4-22-98]

I also want to add here very few if any Jewish communist mass murderers have ever been brought to trial let alone convicted for extreme crimes against humanity.

My point for including the above regarding the sex slave trade is relevant and adds a lot of credibility to the following below. **Again, this is extreme and if are sensitive or vulnerable in any way, then skip it. Reading these things can cause serious psychological problems in some people, and it already has given many accounts online:**

The Jew knows that when the non-Jewish world knows his laws and sees through his plans, that he is lost. Therefore, by threat of death, he forbids their translation and publication. A well-known Jewish scholar [Dibre David] writes:

"If the Gentiles knew what we are teaching against them, they would kill us." The Jewish secret laws are based on the fundamental principle that states: "Only the Jew is human. In contrast, all non-Jews are animals. They are beasts in human form. Anything is permitted against them. The Jew may lie to, cheat and steal from them. He may even rape and murder them."

There are hundreds of passages in the Talmud in which the non-Jews are described as animals. Some of them are:

1. "The Jews are called human beings, but the non-Jews are not humans. They are beasts." [Talmud: Baba Mezia 114b]
2. "The Akum [non-Jew] is like a dog. Yes, the scripture teaches to honor the dog more than the non-Jew." [Ereget Raschi Erod. 22 30]
3. "Even though God created the non-Jew they are still animals in human form. It is not becoming for a Jew to be served by an animal. Therefore he will be served by animals in human form." [Midrasch Talpioth p. 255, Warsaw 1855]
4. "A pregnant non-Jew is no better than a pregnant animal." [Coschen hamischpat]
5. "The souls of non-Jews come from impure spirits and are called pigs." [Jalkut Rubeni gadol 12 b]

6. "Although the non-Jew has the same body structure as the Jew, they compare with the Jew like a monkey to a human." [Schene luchoth haberith, p. 250]

So that the Jew will never forget that he is dealing with animals, he is reminded by eating, by death, and even by sexual intercourse constantly. The Talmud teaches:

"If you eat with a Gentile, it is the same as eating with a dog." [Tosapoth, Jebamoth 94b]

"If a Jew has a non-Jewish servant or maid who dies, one should not express sympathy to the Jew. You should tell to the Jew: `God will replace "your loss just as if one of his oxen or asses had died." [Jore dea 377]

"Sexual intercourse between Gentiles is like intercourse between animals." [Talmud Sanhedrin 74b]

It is written in the Talmud about the murder of the Gentiles:

1. "It is permitted to take the body and the life of a Gentile." [Sepher ikkarim IIIc 25]

2. "It is the law to kill anyone who denies the Torah. The Christians belong to the denying ones of the Torah." [Coschen hamischpat 425 Hagah 425. 5]

3. "Every Jew, who spills the blood of the godless [non-Jews], is doing the same as making a sacrifice to God." [Talmud: Bammidber raba c 21 & Jalkut 77]  
These laws of the Talmud and the Torah were given to the Jews over 3000 years ago. They are just as valid today as they were back then. This is how the Jews are taught from childhood. The result of this stands before us. It is Jewish ritual murder.

"Further, there is a law concerning the slaughter of foreigners, who are the same as beasts. This slaughter is to be carried out in a lawfully valid manner. To those ones who do not follow the Jewish religious law have to be offered to God as a sacrifice. It is to them that Psalm 44:22 refers: `Yea, for thy sake are we killed all the day long; we are counted as sheep for the slaughter.'"

[Thikune Zohar, edition Berdiwetsch 88b]

Dr. Bischoff [the trial of 30th Oct. - 4th Nov. 1931] established the correct translation of this law: This translation and publication of the law of human sacrifice was the greatest blow that ever struck the Jews in this controversy. THIS LAW COMMANDS THE JEWS TO BUTCHER NON-JEWS. THIS IS TO BE DONE IN A "LAWFULLY VALID WAY." THIS MEANS THAT THE GENTILES ARE TO BE SACRIFICED IN THE SAME WAY AS ANIMALS. THEY ARE TO BE SACRIFICED TO THE JEWISH GOD. THEREFORE, WE ARE DEALING WITH A LAW THAT DOES NOT ONLY PERMIT THE PRACTICE OF RITUAL MURDER, BUT COMMANDS IT!

Ritual murder in America :

In America , such a case came to light in 1955 in Chicago , with the kidnapping and murder of five children that year, the time of the major Jewish holiday. The bodies of the children show they were murdered in accordance to Jewish ritualistic laws. Chicago is also an area of large and powerful Jewish communities. The victims where of murder were John and Anton Schuessler, Jr., Robert Peterson, Barbara and Patricia Grimes.

The facts of the case reveal:

They had been kept alive for some time after being abducted. Their dead bodies were naked. Ligature marks suggested they had been bound by wrists and were held in confinement before being bled by small cuts and puncture wounds. The marks on one body matched up with the floor mats of a luxury Packard automobile, so the killers were mostly likely upper class.

The two little girls had repeatedly been punctured with a sharp pointed object in the upper torso, thighs and buttocks. This may have been part of the blood collecting process. The two boys showed signs of having been nailed through the hands and feet, along with injuries to the mouth and eyes. Both groups of victims revealed enough similar evidence indicating the murders were committed by the same group of killers.

Something more revealing:

One of the wounds to the victims contained an unspecified grain, possibly wheat. The Jews are known for using human blood from such rituals for creating wheat-based meals as Matzo balls soaked in the blood of the victims of such rituals. In the case, it was openly stated in the Chicago Sun-Times: "Religious might be involved."

Note it only stated "Religious Cult" and nothing more, indicating it could have been just about anyone or anything, but how did the Jews react? Immediately after the article was released, fleets of trucks were sent out and all the newspapers were removed from the stands and literally burned. The Jews, from the writings of Crowley, did the same in England when such facts were ever brought to light regarding such cases, even going as far as to buy every copy of every book or paper to burn them.

Another recent case of the Jews doing this was when Toafler, the son of the Chief Rabbi of Rome and professor of history in Israel, wrote the book "Blood of the Passover," which is a record of the Jewish ritual murders in medieval Italy. Toafler's main source of documentation was from the synagogue tracts of the time of the murders. The Jewish network combined heaven and earth to ban, remove, and burn every copy made.

Now back to the 1955 case, note how the Jews worked to cover it up further: The Jewish Sheriff of the County, named Lohman, sent a Jewish deputy, Horowitz, to investigate the father of the two of the murdered boys. Lohman did this as a way to shift blame and be able to put the Gentile family under house arrest, making it impossible for them to talk to anyone about the case. Then Lohman, the Jewish Sheriff quickly ordered another Jew on his force, Gloss, to head the "investigation."

Two other Gentile detectives on the case Lieutenants Lynch and McMahon stated that Cook County investigators "destroyed evidence, threatened witnesses and worked to impede their investigation at every turn."

The father was ordered by the Police into a Sanitarium [even after passing lie detector tests], under the control of a Jewish Doctor, Leon Steinfeld, where he literally died the same day. The official report was that he died from natural causes, being a heart attack. However, it was revealed very shortly thereafter that he was murdered by electro-shock treatments, performed on him within very hours of after his arrival.

The coroner for Cook County, a Gentile named Doctor Thomas McCarron openly called Steinfeld a murderer and liar, after important documents to that fact were brought to the District Attorney. Shortly after Dr. McCarron's house was bombed and he was ordered to keep silent by the District Attorney. Nothing came from the faint investigation into the affair. Later Steinfeld, after fleeing the Country, was found dead in a hotel room from what appeared to be a suicide.

The Family of the two murdered boys was then paid One Hundred Thousand dollars from the local Jewish community to stay silent. Obviously, this is not the only case in America . Workers once tearing down a synagogue in Manhattan in 1989 found the human skeleton of a young girl in the basement's coal bin.

Note that every year; thousands of Gentile Children go missing in America , many around the time of the major Jewish holidays, such as Passover, where such rituals are done. Why are no bodies showing up? A look at the names of the owners of many animal processing plants reveals them to be owned by Jews. You can put two and two together on this. After all, we are by the Jews' own words and deeds, nothing but animals to them.

Good authors and scholars on the subject: Dr. Arnold Leese, Dr. Hellmuth Schramm, Dr. Philip DeVier, Dr. Harrell Rhome, Dr. Edward Fields, Attorney and Duma Member G.G. Zamyslovsky,

Other disgusting truths on the Jews:

Rome , Italy -- Italian and Russian police, working together, broke up a ring of Jewish gangsters who had been involved in the manufacture of child rape and snuff pornography.

Three Russian Jews and eight Italian Jews were arrested after police discovered they had been kidnapping non-Jewish children between the ages of two and five years old from Russian orphanages, raping the children, and then murdering them on film. Mostly non-Jewish customers, including 1700 nationwide, 600 in Italy , and an unknown number in the United States , paid as much as \$20,000 per film to watch little children being raped and murdered.

Jewish officials in a major Italian news agency tried to cover the story up, but were circumvented by Italian news reporters, who broadcasts scenes from the films live at prime time on Italian television to more than 11 million Italian viewers. Jewish officials then fired the executives responsible, claiming they were spreading "blood libel."

Throughout history, various groups have accused sects of Jews of ritually murdering small children. One such account, that of Hugh of Lincoln, led to the expulsion of all Jews from Britain in the 13th Century. Such accounts have generally been "discounted" but are so wide spread that Jewish organizations have developed a name for them -- "blood libel."

The American group the ADL was founded to defend a Jew, Leo Frank, accused of raping and murdering a five year old girl, Mary Fagan, in his Atlanta penicillin factory in 1913. The ADL claims he was innocent. A mob lynched him after the governor commuted his death sentence to life in prison.

Though AP and Reuters both ran stories on the episode, US media conglomerates refused to carry the story on television news, again saying the story would prejudice Americans against Jews.

Jewish gangsters in Russia have become increasingly linked to traffic in "white slaves" and prostitutes through Israel , according to a recent report in the Jerusalem Post. Israel turns an official blind eye to forced prostitution, and does not punish Israeli citizens who choose to own "sex slaves," as long as the slaves are foreign and non-Jews.

According to the Talmudic Encyclopedia: "He who has carnal knowledge of the wife of a Gentile is not liable to the death penalty, for it is written: 'thy fellow Jew's wife' rather than the alien's wife; and even the precept that a man 'shall cleave unto his wife' which is addressed to the Gentiles does not apply to a Jew, ju

there is no matrimony for a heathen; and although a married Gentile woman is forbidden to the Gentiles, in any case a Jew is exempted.' This does not imply that sexual intercourse between a Jewish man and a Gentile woman is permitted - quite the contrary, but the main punishment is inflicted on the Gentile woman; she must be executed, even if she was raped by the Jew: 'If a Jew has coitus with a Gentile woman, whether she be a child of three or an adult, whether married or unmarried, and even if he is a minor aged only nine years and one day - because he had willful coitus with her, she must be killed, as is the case with a beast, because through her a Jew got into trouble. The Jew, however, must be flogged, and if he is a Kohen [member of the priestly tribe], must receive double the number of lashes, because he has committed a double offense: a Kohen must not have inter-course with a prostitute, and all Gentile women are presumed to be prostitutes.

Jason Burke in London , Amelia Gentleman in Moscow , Philip Willan in Rome Observer - Sunday October 1, 2000

Britain is a key link in the largest ever, international investigation into the production and supply of pedophile 'snuff' movies - in which children are murdered on film - an Observer investigation can reveal. The key suspect in the inquiry, a Russian who was arrested last week in Moscow for distribution of thousands of sadistic child porn videos and pictures, was traced following the seizure of his products from British pedophiles.

Dmitri Vladimirovich Kuznetsov, a 30-year-old former car mechanic in Moscow , was identified after British Customs and police traced the origin of violent child porn videos found in the UK back to Russia .

Last week Italian police seized 3,000 of Kuznetsov's videos on their way to clients in Italy , sparking an international hunt for pedophiles who have bought his products. The Italian investigators say the material includes footage of children dying during abuse. Prosecutors in Naples are considering charging those who have bought the videos with complicity in murder. They say some may have specifically requested films of killings.

British authorities yesterday confirmed that scores of Kuznetsov's videos, produced in his small flat in Moscow 's rundown Vykhino district, have been found in the UK . They are concerned that 'snuff' movies in which children are killed may have also been imported.

Around a dozen British men have already been arrested and charged with offenses alleged to be connected to the Russian tapes. A second Russian child porn ring, which allegedly had a British distributor, was broken up earlier this year. The investigation into the importing of violent Russian child porn, which led to the identification, and subsequent imprisonment of Kuznetsov started about 15 months ago after Customs seized material coming into the country. Since then there have been dozens of other finds.

'We have seen some very, very nasty stuff involving sadistic abuse of very young children, but actual deaths on film takes it a whole step further. That is very worrying,' said one senior customs officer this weekend. British paedophiles were paying between £50 and £100 for Kuznetsov's tapes, the officer said.

Further fees were paid for access to a website that features pictures of extremely violent abuse. Though two men arrested with Kuznetsov have also been imprisoned by Moscow authorities, only one of the three remains behind bars. Dmitri Ivanov was sentenced to 11 years for actually participating in the abuse that was being filmed. The others were released under an amnesty aimed at clearing Russia 's overcrowded prisons.

When officers from the Moscow Criminal Investigation Department raided Kuznetsov's flat they found two boys in a makeshift studio. They seized a huge quantity of films and other pornographic material as well as lists of clients in Italy , Germany , America , and Britain .

Last week Italian detectives moved in, following months of inquiries, and arrested eight people. The police searched more than 600 homes and say they now have evidence against about 500 people. Among the suspects were businessmen, public employees and a university student. Several of them were married with children of their own. Hundreds of people are also under investigation in Germany .

The Russian videos, which had been ordered over the internet, were intercepted when they came into Italy by post, repackaged, and then delivered by undercover police officers. They cost between £300 and £4,000, depending on what type of film was ordered. Covert film of young children naked or undressing was known as a 'SNIPE' video. The most appalling category was code-named 'Necros Pedo' in which children were raped and tortured until they died. Police in Russia and the UK believe that Kuznetsov and his associates have been in business for more than two years in which time they are believed to have recruited around 100 boys - aged between 9 and 15 - to be filmed.

'Most of the children were rounded up from railway stations. A lot of them came from the suburbs, or surrounding regions and were from deprived, problem families,' said Kiril Mazurin, a police spokesman. 'Usually when children like this arrive in the capital, they've got no idea where to go and hang around in the station. It's very easy to entice this kind of teenager - with a promise of a warm bed or a trip to the cinema.' Many were lured away from orphanages. 'Children are not locked in,' said Mazurin. 'Anyone can come along and promise them a meal at McDonalds. It doesn't take any more than that.'

Some children were paid a commission to find other boys willing to be filmed, according to reports in the Russian press, for a fee of between 100 and 300 roubles [£2.50 - £7]. Kuznetsov had given up his job in 1998 to devote himself to the lucrative pornography industry. A self-taught computer expert, he was in the process of upgrading his equipment to allow him to e-mail videos directly to clients when police raided him.

Many customers repeatedly ordered videos from him. The Naples newspaper Il Mattino published a transcript of an alleged email exchange between a prospective client and the Russian vendors.

"Promise me you're not ripping me off," says the Italian.

"Relax, I can assure you this one really dies," the Russian responds.

I put this message through early this morning, but I don't see it posted, so I am answering here. I didn't get a title for the post.

666 is very different from 6 or 66. It represents the sun and the all important solar chakra. 66 books of the bible keep humanity bound, as 66 falls short of 666, which is spiritual perfection. 6 all by itself is the biblical number of slave labor.

All of the original Pagan religions placed a strong emphasis on the sun. In addition, this is also symbolized by the inverted cross; the solar chakra.

The kabbalistic planetary squares, like everything else, did not originate with the Jews, but in the Far East. The Jews have nothing of their own except for knowledge that they stole, corrupted and perverted.

I have numerous articles on the 666 throughout the JoS website.

As for the reverse Hebrew, this is reverse and has been doing the scum plenty of damage. Reverse is a blasphemy to the Jews and their shithole "god" and has the opposite effect on us Gentiles. On the other hand, Gentiles who use the Hebrew straight up are the ones at risk for problems.

---

Maxine,

I'm new here, so please forgive my dumb questions, but you said, "the Jews most frequently use the number 6, as this creates a powerful subliminal link. For example, that 6 million "holocaust" lie, and with various news stories and so forth." But then why is the name of this e-group and your website "666 Black Sun"? Doesn't the repeated use of "666" (6 repeated three times) by Spiritual Satanists give spiritual energy to the Jews? Why do Spiritual Satanists even use "666", since it comes from the Hebrew Bible?

You also said, "In closing, I also want to add, these Hebrew letters infused with power react very negatively with Gentile energies. Aleister Crowley who used this kind of magick, had very negative experiences and met with disaster."

But as you probably know, Aleister Crowley signed his notes "666", which is from the Hebrew Bible's "Book of Revelations":

Thelemapedia: The Encyclopedia of Thelema & Magick | 666

Thelemapedia: The Encyclopedia of Thelema & Magick |666

[View on thelemapedia.org](http://thelemapedia.org)

According to the article below, Crowley used "666" because he discovered that in the Hebrew Kabbalah, "666" represents the Sun (scroll down to the sections

"Youthful Rebel" and "Little Sunshine"):

666: What's in a Number?

666: What's in a Number?

Wait, so if my great grandmother was a native American then my aryan DNA is gone? is that what you're saying?

@zolaluckystar Unfortunately, ignorant gentiles getting duped by Jewish programs is nothing new and feminism isn't the half of it. I'm not unsympathetic to the suffering and oppression women have endured over the centuries myself, I just recognize that feminists are being deceived by the same enemy who created the oppression of women in the first place. HP Maxine has wrote extensively on the subject of how Jews control BOTH sides. They authored the concept that women were less than men, they wrote the Bible and they also created the controlled opposition to it known as feminism and blame White men for the problems they created. Whether it is capitalism vs communism, feminism vs patriarchy, slavery vs civil rights, the Jew is always controlling both sides playing them against each other gentile vs gentile while they wait for us to destroy each other.

On the subject of race mixing, it is sad that the Aryan DNA which created the woman you saw will die with her and never live on in her descendants. Her children will never know the same beauty and intelligence and creativity of spirit as herself. Whites, especially those of us of Aryan/Nordic blood do not realize what they are losing through race mixing because we have endured so much genetic damage over the centuries many of our people really believe we are just the same as everyone else.

You may have heard of what scientists today are calling "Junk DNA" and epigenetic effects. Basically there are millions of genes inside us which are inert, the information they carry is still there but they are inactive. This is because in White Aryans have been dealt a lot of genetic damage through centuries of xianity and spiritual degeneration.

We have DNA of the Gods within us, a fully empowered White Aryan with all of it's DNA active, is capable of things you would not believe. Even a female Aryan child, pure of blood and all it's DNA activated, is stronger and faster and more intelligent than an adult human of any race, male or female. We would also grow to an average height of 7 feet approximately. We are capable of regrowing limbs or organs or any damaged body parts and our lifespan can last several hundreds of years with no ageing, that is even without the magnum opus. This is just the physical aspect of it. Our intelligence and spiritual and psychic abilities when fully empowered are inconceivable.

Through race mixing, genocide, war, mass murder, spiritual degeneration, chemtrails, poisoning of our foods, the Jews are doing everything in their power to erase all traces of the Nordic Gods DNA from this planet. That is why, they fear us the most. They hate all gentiles but they truly fear Aryans.

HAIL SATAN! Praise be to the Gods.

fake name I seem to recall someone asking this sort of thing before on the forums and one of the HPs answered something to the effect of that even if we have some mixing, we gravitate to our race and as we go on advancing all the dross is cleared out, we revert back to our root race...something to that effect. So no, I personally would not think your Aryan DNA is negated just because you had a grandmother who was native american.

Israel Demands World Internet Censorship

The Jews want to literally censor the entire planet over their claimed feelings. The reality is that the Jewish race is a global criminal conspiracy against all Mankind kind. So they have to work to silence all freedom of press and thought so they can go on committing global hushed up crimes against us all.

The Jews are such mega level, violent criminal bastards they have to shut up the whole planet at this point for calling them out on it. The Goyim knowing it makes it harder for the Jews to do things like murder another Hundred million Goyim like they did in their Soviet Jewion.

-----  
Israel Demands World Internet Censorship

<http://newobserveronline.com/israel-dem...ensorship/>

The Israeli Public Security Minister Gilad Erdan has unveiled plans to censor the Internet's worldwide social media platforms with the building of an "international coalition" to counter criticism of Israel.

According to an article in the Times of Israel, Erdan's plan calls for "developing legislation in conjunction with European countries," most of which "are very interested in this idea."

The legislation would have common features, such as defining what constitutes incitement and what the responsibilities of social networks regarding it are, a spokesman for the minister told the Israeli-based newspaper.

"Companies that do not comply will find themselves hauled into court, paying a penalty," he added.

According to the plan, the participating countries would be part of a "loose coalition that would keep an eye on content and where it was being posted, and members of the coalition would work to demand that the platforms remove the content that was posted in any of their countries at the request of members."

This is a perfectly logical and just project," Erdan's spokesperson said. "If a hotel was being used as a venue for a hate group, we would demand that the

hotel break its contract, and we would lean on other hotels to abstain from hosting them, so that the hate group would not be able to hold its event. This is no different.”

Although the Israelis are attempting to disguise the project as a counter to Palestinians posting “violence promoting material” on the Internet, it is clear that the extension of this “coalition” has a far wider scope.

Justifying the plan, Erdan’s office used an example of a Palestinian who allegedly posted up a body chart showing where the best places were to stab someone fatally—apparently a reference to the recent spate of knife attacks on Jews in Israel.

The number of postings of that nature are, however, tiny in comparison to the volume of material going up on the Internet, and there are already more than sufficient methods in place to deal with such incidents and get them removed.

Nonetheless, Erdan’s spokesman said the “coalition” would “force the world’s leading social media giants to prevent their platforms from being abused to peddle incitement to terrorism.”

The social media giants “make millions but claim they are not responsible for content, and that they only provide a platform,” a spokesperson for Erdan told the Times of Israel. “That is not going to wash. We are planning to put a stop to this irresponsibility, and we are going to do it as part of an international coalition that has had enough of this behavior as well.”

The following article contains graphic content. Not recommended for sensitive people:

<http://www.veteranstoday.com/2015/06/01/blitzer-website-accuses-israel-isis-of-organ-trafficking>

**“Dr. Francis Delmonico is Professor of Surgery at Harvard Medical School and practices transplant surgery at Massachusetts General Hospital. He is also the director of medical affairs for the Transplantation Society and an adviser on human transplantation for the World Health Organization (WHO) . . .**

Delmonico decried the fact that Israel is outsourcing kidney and liver transplants to Colombia and the Philippines.

Israel has, in the past, been a center for dubious human organ trafficking operations. It is also the case that Palestinian prisoners in Israel have sought to sell their kidneys to feed their children. The Israel Medical Association is opposing a bill that would allow the donors of certain organs to be reimbursed by the state.

The group claims this will 'open the door' to organ sales."

A year after our report, the Swedish newspaper [Aftonbladet](#) reported that Palestinian prisoners who died at the hands of Israeli troops had their organs harvested.

The Swedish report was met with howls of "blood libel," "anti-Semitism," "hate speech," and other typical histrionics from Jewish groups around the world, which can always be expected to act on cues from their deep-pocketed financiers.

Aftonbladet withstood the Zionist onslaught and stuck by its story. It was later vindicated when a 2000 interview with Yehuda Hiss.

Now comes the charges from Iraq's ambassador that ISIL is removing human organs from its victims. But who are the buyers?

Given Israel's tacit support for Syrian rebels, including ISIL and groups like the Al Nusra Front that are allied with it, Israel is the likely customer for the Iraqi body parts in a *quid pro quo* that only a Dr. Frankenstein could admire.

For a nation like Israel that is full of anti-Arab zealots and racists, that sort of animosity does not seem to extend, even under bizarrely antiquated Jewish religious laws, to placing Arab kidneys, livers, and pancreas into the bodies of Israeli Jews in need of organ transplants.

*Are one or possibly two Israelis now sporting Kayla Mueller's kidney or kidneys, courtesy of ISIL?*

Israeli Defense Force (IDF) and Mossad agents have been witnessed transferring weapons to ISIL units in Iraq's western Anbar province as well as in the area around Quneitra, near the Golan Heights of Syria.

In addition, wounded Syrian rebels fighting the government of Bashar al Assad, have been medically evacuated across the Israeli border for treatment in Israeli hospitals. Many of these wounded rebels are either members of ISIL or sympathizers with Al Nusra.

In return for Israeli support, ISIL never trains its long-range weapons at Israeli positions but keep them focused on Syrian government forces.

There have also been credible reports that Mossad and the IDF have supplied ISIL with intelligence on Lebanese Hezbollah units in Syria in order that the jihadist radicals launch attacks on the Shi'a Lebanese positions.

In fact, ISIL religious dogma instructs its followers that the Shi'as are worse enemies of ISIL than are Jews.

## CURSING THE JEWISH GOD, RITUAL ONE

**This ritual can be repeated as many times as you wish. You can begin this ritual at any time. This ritual is the most powerful we are doing so far and was directly from Satan in that he directed me to this.**

The words below are to be vibrated. By vibrating these words, this will strip the Jews of both protection and power. The more people we have who will be doing this ritual, the better, as there is both strength and power in numbers.

This ritual should be done as often as you are able to, and is a very good cathartic when you feel anger and hatred towards the enemy. All you need to do is vibrate the paragraph below 6 times.

A couple of the words below are guttural. This means the KH syllables are vibrated in the back of the throat. Just do the best that you can. Practice the words [I have included an mp3 of the words for you all to download], as much as you can before performing the ritual.

**RAISE YOUR ENERGIES AND VIBRATE THE PARAGRAPH BELOW 6 TIMES:**

**AHT-QHYUH • AHTZUHV • OHK • AHSH • KOHZ •**

**EHP • UHL • AYG • QHYUH • AH • AHN •**

UUT • VOHK • EHKH • GAHT • EE-TZAHR • AHT •

AHV • AYHSH • UKH-EEYUH • UH-DEEG • AHN •

SH-AH-EE-TAHN • AH • EER • OHK •

A couple of the words below are guttural. This means the KH syllables are vibrated in the back of the throat. Just do the best that you can. Practice the words [I have included an mp3 of the words for you all to download], as much as you can before performing the ritual.

Subject: Entire Server is Down, Not Just JoS

The entire web server is down, not just JoS. Other sites on the server that have nothing to do with JoS or Satanism are also down and so is the main server page. Hopefully it will be back up and running soon.

DO NOT underestimate this latest ritual. I didn't go into the details, but this is attacking them at their foundation and their root. This last ritual is more powerful than the other RTRs. Make sure that nothing interferes with your doing this latest ritual, as often as possible. I don't know why the entire server is down. It might have been attacked. I can't impress enough concerning the importance of this latest RTR. Even if everything should go down, keep doing it!

Greetings Satanic Warriors!

As many have already seen, the JOS websites are down, and many need to use them to find meditations, information, etc.

So for the time being please use the link provided for getting on the JOS main website.

This should work for everyone, please inform me if it does not.

This version of the website is quite recent, saved on the 31st of March 2016.

In this video the woman that starts speaking 0:11 is named Sinead McCarthy. She is well known around the WN community. Her youtube channel is called "Firestarter media". She is pro-white, anti-feminist and also does radio broadcast in renegade broadcasting.

The reason why I am mentioning this is because she has a lot of similar views about the jews and their slave religions that we have. Also positive views about the Pagan religion. I believe she is also behind the jewish parodies music videos (Shiksa Goddess).

I think if I can come into contact with her, we can spread even further.

I'm being gradual on telling her the truth and not just popping up with "hey I'm from the Joy of Satan". She delays a week or more to answer everytime, but it's quit harder to contact Kyle Hunt though, we may reach him through her.

I told her I'm translator and also told the truth about David Duke being a kike, she told it makes sense as she "always felt there is something 'off' with him", which I believe to be a positive signal from her. Next thing I will do is telling about the 666 Black Sun websites and that we are about researching the Aryan origins of Paganism, she may figure out the rest for herself. Kyle Hunt also researches a lot about Paganism and may be interested if she send it to him.

Subject: More Exposing the Bible 15/April/2016

This is summarized. I will have another full article with the details soon. There are a lot more.  
I've already written extensively concerning the bible as a powerful subliminal.

To fully expose what the bible really is, it is necessary to be very educated in the occult. This especially includes in depth study of the Jewish kabbalah, along with mantras, Sanskrit, and Deities and their attributes of the Far East. Most of you already know how nearly all spiritual knowledge was stolen and corrupted by the Jews, from the Far East.

Now, below, I am writing of energies. Not man and woman sort of thing. These are energies within the soul and when both are not fully empowered and

working together, an inharmonious imbalance is the result.

The feminine energy, known as "Shakti" "Kundalini" "Devi" (Devil), and by other Sanskrit names was systematically removed by the Jews and replaced with the male aspects that are of the logical side of the brain and lack the raw spiritual power.

As with Lilith, the feminine was made into something supposedly malevolent by the Jews. This is all subliminal with the direct intention of removing all feminine energy and power from us Gentiles. "Sophia" or knowledge is also a form of feminine energy, especially the spiritual aspect.

In addition, those rotten angels that Christians are taught to revere and in some cases even worship, and the New Age crap movement, they are all male. The word "angel" which in Greek is "angelos" is a masculine noun to which no female counterpart exists.

With these Jewish programs, the Goddesses have been totally removed and denigrated. Only remaining slanderous statements in regards to the female powers are "Whore of Babylon" and other Jewish invented filth.

Now, the "Torah" like many more is an anagram. "Rota" means "wheel." The 7 chakras are known as wheels. This is where connections to the soul are made. This Rota in Sanskrit also has to do with the "Chariot" and the Chariot card of the Tarot is the 7th of the trump arcana. This creates the subliminal tie-in where Gentile spiritual energies are channeled into providing unimaginable wealth and prosperity for the Jews as a whole. "Thou Shalt Prosper."

As I mentioned before, "Abraham" is an anagram of "Brahma." This is another subliminal, with the Jewish invented Abraham being the patriarch of the Jewish people; "Brahma" being the ruling caste.

Sara, was another one stolen from the Goddess of knowledge, Saraswati. Now, that "I am that I am" crap from that fictitious Hebrew so-called "God" is actually a mantra having to do with Saraswati. This is another most powerful subliminal. Her mantra is "AIM" correctly pronounced AH-EEM. Vibrating this seed mantra repeatedly results in rhyming with "I'm" this has to do with knowledge and the all-seeing eye. Big Brother is watching you. This ties into what deluded Christian idiots believe to be "God."

In addition, this knowledge energy is again channeled to the Jews. They are known as "The people of the book" and given the percentages, a most disproportionate number of Jews are highly educated and occupy key positions of power, which are also tied into the energies of the bible, for example the story of Esther. That's just one, then we have Jacob, etc, these Jewish characters are powerful subliminals, along with the numbers, the verses, the Jewish gematria and so forth.

Another one is the Goddess "Kamala." She is the Goddess of wealth. In their parasitic Bible, the Jews again create an anagram, reversing her name to "Alamek."

The Alameks symbolize the Gentiles. By reversing, as many of you have already learned through the RTRs, this reverses more than just the word and this directs poverty onto Gentiles, while channeling wealth onto the Jews.

If you look at the Yantra for the Goddess Kamala, you will see the 8 petals (8 is the number for wealth), surrounding the Star of Vishnu (where the Jews stole their "Magen David" from and now try to claim it as kamla-yantra

<http://www.gurushakti.org.in/31/kamla-yantra>

I will soon have many more examples. Many years ago, I had to obtain some services. I live in the Bible Belt. Satan helped me with what I needed at the time. I was new to Satanism back then. There was an elderly receptionist with a huge crucifix hanging around her neck. Satan said to me "That is her loss." He wasn't kidding...

The Jewish Founder of Marxism: Communism is Zionism And Zionism Is Jewish Theocratic Global Dictatorship

The Jew, Moses Hess was one of the fathers' of Jewish Communism and helped write most of the Communist Manifesto and was also a leader in the founding and promotion of Zionism. As revealed Zionism is about Jewish World Dictatorship which is to be ruled from Israel not just about a separate homeland in the Levant. Communism is simply the means of the Jewish race to establish Zionism. The World Jewish Government. Of which Israel is the capital of. Its no mistake why the Jew, Stalin got Israel up and running and was the first to recognize it in the UN as nation. Stalin showed up to bow before Otto Kahn the Jewish global banker who worked for the Jewish Rothschild family, when he landed in 1936 at Moscow airport. Kahn business partner was Jew, Schiff who financed the Jewish Bolshevik revolution out of Wall Street for the Rothschild's. The same Rothschild's who own the deed to the nation of Israel. Which is why America is owned by Israel. Because the International Jewish Elites who own rule America, own Israel.

Note the Bush family got their start as a frontmen to fund the Bolsheviks for the Rothschild's. The first President Bush passed the Jewish Noahide Laws into effect in America:

On March 5, 1991, in the House of Representatives, and March 7, 1991, in the U.S. Senate, without any knowledge of, or input by, the people of the United States, U.S. Senators and Congressmen passed a law that is so outrageous – and frankly unconstitutional – that it forces the American people to be bound by a set of monstrous rules, called the Noahide Laws, On March 20, 1991, President George H.W. Bush, , signed the bill into law.

Note the Noahide Laws are theocratic Jewish Laws that established a Jewish World Dictatorship and violation of its laws are crime punishable by decapitation by guillotine.

Of special note the confession the Jewish race uses black magic, the occult in the agenda of building a World Jewish dictatorship:

[Moses Hess] He looked to black magic, the occultism of Chasidism, which along with Zionism, was to achieve Communist dictatorship."

And the statement from Moses Hess on what Zionism actually is:

Extolling the Talmud and delegating Moses to the inferior role given him therein (page 91), [b]the whole cry of Hess was for Jewish world rule from Palestine "between Europe and far Asia ... the roads that lead to India and China,"

[/b]

-----

Marxism, Socialism, or Communism in practice are nothing but state-capitalism and rule by a privileged minority, exercising despotic and total control over a

majority having virtually no property or legal rights. As is discussed elsewhere herein, Talmudic Judaism is the progenitor of modern Communism and Marxist collectivism as it is now applied to a billion or more of the world's population.

Only through thorough understanding of the ideology from which this collectivism originates, and those who dominate and propagate it, can the rest of the world hope to escape the same fate. Communism-Communism was originated by Jews and has been dominated by them from the beginning.

There is no moral, philosophical or ethical conflict whatsoever between Judaism and Marxist collectivism as they exist in actual practice. Marxism, was originated by a Jew, Karl Marx, himself of Rabbinical descent. Every Jewish source today boasts of his rabbinical ancestry, and his "keen dialectical ability" (as presumably manifested by his abstruse, hairsplitting, *Das Kapital*) being due to his Talmudic inheritance.

Marx did not actually originate anything, but merely "streamlined" Talmudism for Gentile consumption. The Communist" system he conceived merely brings about a practical means for a state dominated and controlled through a Jewish minority to rule by absolute dictatorship over everything and everyone, a concept which has been carried out very successfully in those countries of the World brought thus far under Marxist dictatorship.

Moses Hess —  
Jewish Marxist and Progenitor of Zionism

Like Karl Marx, "Father of modern Socialism," Moses Hess (1812-1875) was born in Germany of Talmudic rabbinical ancestry, being steeped in Orthodox Judaism by the rabbi grandfather who raised him. He was active with Marx and Engels in promoting Communism which, he held, could best be achieved on a world-wide scale through Jewish Hasidism and Nationalism, or Zionism, based upon Orthodox Judaism. That he remains a pillar of present-day Zionism is illustrated by the fact that the Jewish press has recently announced removal of his body to Israel.

"He collaborated with Marx in writing, 'Die Deutsche Ideologie' (1845) ... his continued publicizing for practical socialism in Germany earned him a sentence of death after the 1848 revolution." (Universal Jewish Encyclopedia)

His chief work, authorities agree, was "Rome and Jerusalem" (translated by Meyer Waxman and published in the United States in 1945 by the Block Publishing Co.). He rushed home in 1848, says the translator, from Paris, "taking an active part in the armed resistance of the people." (page 22) "In 1845, Hess engaged in propagating the Communistic idea and founding societies devoted to its realization, an occupation which led Arnold Ruge to describe him as 'The Communist Rabbi Moses.'" (pp. 21-22)

It is stated that, "The fundamental principle of Hess' thought ... is based on the teaching of Jewish Spinoza, of which he was a devoted follower," but he went further, says the translator, in expounding the "basic unit" of mind and matter, "the basic unity and its various unfoldings."

Hess also stated, "Judaism has no other dogma but the teaching of the Unity." (page 44) "... the Rabbis never separated the idea of a future world from the

conception of the Messianic reign. Nachmanides insists ... upon the identity of ... 'the world to come' with the Messianic reign." (page 46)

Extolling the Talmud and delegating Moses to the inferior role given him therein (page 91), the whole cry of Hess was for Jewish world rule from Palestine "between Europe and far Asia ... the roads that lead to India and China," and he told Jewry:

"You have contributed enough to the cause of civilization and have helped Europe on the path of progress to make revolutions and carry them out successfully." He called for Jews to "March forward!" and stated: "The world will again pay homage to the oldest of peoples." (pp. 139-40) The "Talmud is the corner-stone of modern" Orthodoxy, (page 143). He looked to black magic, the occultism of Chasidism, which along with Zionism, was to achieve Communist dictatorship." "The great good which will result from the combination of Chasidism with the national movement is almost incalculable," (page 218), and he added, "Although the Chasidists are without social organization, they live in socialistic fashion." (same)

The translator called Hess, in the 1918 edition Preface: "The herald of Nationalism and the trumpet of Zionism."

@mageson6666 It's important to be mindful of the fact though there are many Jews now who are attempting to jump ship and are on the alternative right. Milo Yiannopoulos, Geert Wilders, Stefan Molyneux, Michael Savage, among others. Then of course you have that American Renaissance group which is pro White but avoids the Jewish question and has lots of Jewish members.

I don't trust them for a second, we've seen it too many times where they have gone from Xianity, to Communism, to NeoCons, to whatever ideology suits their interests. They have no solid principles, ideologies are just weapons to them.

I personally believe their only reason for being on the alternative right is because there is such a growing resentment and backlash against the current order of things they have created they just want to make sure they are safe if there is ever a serious revolt, either that or they are just looking to take control of it from the inside as they have done with Masonry and other occult societies.

Maybe you could do a sermon on this topic sometime? It may be helpful as I know many people out there can be confused by these Jewish tactics.

Subject: For the Final Victory, The Final Reckoning

Greetings to all our Comrades and Satanic people.

Time goes on. With it, it brings an inevitable result: A war that is about to break up between the Gentiles and the Jew. Back in time, nobody had an acute knowledge of the dangers of this race, or their plans for Humanity. They have now been revealed. Their plan is obvious, self evident, and they shout it out loud: Destroy what Nature has created. This goes hand in hand with the destruction of the Races which Nature so carefully created, so diverse and so beautiful, spreaded them evenly on top of this Earth. To the enemy this means nothing, and they want to destroy all the efforts of Nature and its Diversity, just to conquer the ruins of the ruins.

The futher someone goes to the future, the further one sees and understands more, on how our Ancestors saw Nature as. Nature was our teacher, our friend, our sustainer, our mother. Disobedience was punishment, and acceptance meant pleasure, love and comfort. All Races were handed down a mission by Nature, except of one, who self made their reason to justify their purposeless existence.

The jew.

Now, this being spitefully hated all the other races, such as if they were the evil entity in a fairytale. But this is not a fairytale and this reality extends further than the wildest dreams many people do have. What once was impossible, a dream, or could never happen, is now blantly evident even to the most blind. This man, Adolf Hitler, did not lie. The Ancient Pharaohs, did not lie. The Ancient Romans, they did not lie. The Ancient Sumerians, the Akkadians, the Phoenicians and all these people, they did not lie either: They affirmed of the enemy which happens to be "Israel".

The intelligent people are aware. They are aware and they are opening their ears. They are opening their eyes to see that what Humanity is undergoing down, is a genocide of an important Race of the planet. The White Race. The race of civilizers, the inventors and the supporters and peacekeepers of the Human Race. The teachers of dignity, comfort and spirituality. What was once a union of peace between people of the planet, the differences that were to be cherished, protected and upheld, now they are trying to crumble into the ground.

The enemy tells to people they are inferior and useless, that they somehow need to get elsewhere to live, that they need to mix and destroy what Nature has so hard labored to create. Behind these actions comes a deep acceptance of one's own inner weakness, stupidity and docility. The eyes of people and their own mind, for many, it has been given to the jews to operate. So many people have also sold their souls, believing in a jewish "god". The "God" of the self proclaimed "chosen ones" and themselves, they always have the same purpose: Weaken down, dumben, destroy, disarm and finally, assimilate everything. According to them, people are useless and helpless in the face of circumstance. Everything in this life, or in the whole of existence, is purposeless. People need to come in terms with their purposelessness, and just assimilate. They cannot have the rights to have their own schools, their own health, their own culture of civilization.

Forget your Gentile Gods, forget your people and a good future for them, betray your Race, live only for yourself- trust in that you will be saved by a jew- in the afterlife. Create what the jew demands and wants of you, then finally, die and cease existing. This is their message.

The Spirit of Satan has another thing to tell to Humanity though.

The Spirit of Satan tells to people that they are useful, that they are to advance. To have pride in themselves and on their own. That nature commits the highest acts in accordance to the highest Will. That Races and people have purposes, that they exist to get further. Satan stands for real diversity, in all of existence. Satan teaches you, that you belong to the Soul of your people, of your families, of your Ancestors, of the soil that binds you in existence. Satan is honest and he has always been honest, eventhough blantly. Eventhough the people have betrayed their old Gods, or they have lost one another, Satan is still there, supporting people and giving a battle for them. From the back of the White Soul who is being mercilessly attacked, and the Souls of the wise ones of all Gentile Races who have been subjected by the jew, the purging flame will rise.

And it will rise strong...Stronger than ever before. Behind all the futile attempts to contain it, mask it, misdirect it, destroy it, it will rise. It will rise like fire and brimstone, in an explosion never seen again by the eyes of Mankind, in proportions so titanic, that this age will only be called an age of Reckoning. When the Gentiles will wake up, the brave ones who have removed the jew from within them and recognized them, they will be a Divine Fire that will be unstoppable inside the aeons of time. Upon the sacred oil of knowledge and education inside the Souls and Minds of people, the Satanic Fire will be ignited. The people will once again want to be free. They will see their shackles, and they will break them like thin paper.

It escalates everyday. People are seeing the betrayal of their "governments", of their so called "politicians", of the so called "rights activists", of the so called "internationals". They see and feel the looming hatred of "allah", but also the traitor jew, "Jesus", whom they have been praying and asking help from, but

never replied. Enough has been the age of their enemies. But the enemy pushes the knife deeper into the back of Humanity. Reaction is necessary, as they will not stop.

It's either us, or them. People must comprehend this. Whether we like it or not, we are obligated to take on our Natural roles and fight against our Natural enemies. And time won't ask, neither times will. The times are now, they are here.

**BUT WE ARE HERE TOO. AND WE ARE HERE TO STAY AND SPIRITUALLY OBLITERATE THEM!!**

This is the time of the people to wake up. To break the chains.

And the things that bond us, these last things that bond us, that Nature has given to us, are our Races and our Forefathers, our Gods. Upon this base a new conception, a new hatred will arise like newborn life and give rise to something similar to a Divine War: A final reckoning for all of Humanity.

Satanists: You are the spiritual hierarchy of the planet. Bound by definition to go against the rotten spiritual slaver hierarchy of the enemy. So what is asked of you is very simple. Take your stand. Show your power and express it. Usher all the power you can muster. Free yourself as much as you can. Reverse what they are doing, burn their prophecies, melt their shackles with the Power of Truth. Reverse their magick like a wild animal, and let your hatred flourish in all of the realms. Let them know they attacked the wrong "God", that they mass murdered the wrong people, that they cursed the wrong people.

The Jews say they are going to win. So what? Since when did we believe them, or care about it? Are you so foolish to believe them?

So some Jews make up a story, about how all of our Ancient Cultures are wrong, demonic, evil and the list goes. What is there to believe? Who cares about them?

What is more important in your Soul? What you believe or what our Ancestors have said, or the words of some petty liars and slavers?

I then, give you something better to believe, that we have been given centuries ago, long before most people can even recall. Buried deep within the Soul that so many have forsaken. But you do remember, and that's why you are here...

The Ancient Egyptians, the Ancient Sumerians, the Ancient Aryans of the North, the Ancient Greeks, the Ancient Hindus, the Ancient Japanese, the Ancient Mayans, they all mention one thing: In the end, the evil that took over briefly the world and shed the blood, destroyed the spirit of Humanity, will be defeated.

The Sun will rise again.

And so will the Avatar of the Eternal Sun rise again...

For the Final Victory, for the Final Reckoning.

Subject: A Satanic Writing

A killer

When i was a child my first understanding of religion was, Thou shall not kill. To me, a small child at the time Killing was the most evil sin and the worst thing a man can do. I asked my grandfather about his time spent in the Vietnam war when he was a young man. I asked "did you kill anyone?" he said slowly "yes" I was confronted with my first philosophical and spiritual issue. From my understanding god punished those who kill. As a child then i could not rap up the fact that my dear grandfather is going to hell. I could not except it. The idea haunted me. So I began searching for answers. I started questing the religion of Christianity. I never really payed attention to the scripeter or what the priest say during sermon before then. I had to know about this god what is in the bible. I started listening to the sermons and then reading the bible. The priest stands tall speaking of sin. So many sins it is sin to be human! Then i began reading the bible. Oh! the horrific irony. The god that i thought hated murder above anything else loves to murder!. It is all over the bible. Men killing Men in the name of God. How can the priest stand there and speak of this monstrosity then say this god loves all mankind. How sick! How wrong! this deity is so cruel how can this be god? This thing that created humans just to torture, judge, and condemn us! This is the start of my awakening of my Gentile soul. The moment i realized the very deity i worshiped under the principle of thou shall not killer is a massive killer. That is not my god. In time i was lead back to the embracing arms of Satan. A true GOD! the Father of Humanity. The bringer of Knowledge. The liberator of mankind. A truly Loving GOD.

Heil Satan!

Subject: Women in the Jewish Religions, Bad Future of European Women

To all the Beta Cucks and liberal feminist idiots, who preach about "Diversity", or the liars who claim that Judeo Christianity has anything to do with women or their rights, or that "Christianity" is for White people, let's just let the evidence talk swiftly by itself. Women equal life and civilization. You attack and subvert women, you attack and subvert these values.

Our points are 5 and simple, clear to all educated people and the people who are aware of reality:

--Islam is a Radical program of Death and destruction for women, civilization and feminity in general.

--Christianity has also been the same, but given it failed historically to achieve its intended height of totally enslaving the West, we are now forced again back

to this by the incessant push towards "Islam".

--The opener of the doors for such is "feminism", as its named in the modern society, or any other philosophy that weakens down one's understanding of reality, or powers to resist. Then feminism replaces and attacks any warrior philosophy (such as Paganism, or Law and Justice) which like Christianity has the higher intention to destroy people, makes one docile to one's enemies, makes one neglect the fundamentals of war and reality, preaching the same universalism, naivety and slaver values of Christianity always did. Values that if followed by the letter kill people in one day. The only way to survive is to be outside of the borders of the so called "Christianity" or any of these fake values.

--All of this is based on the supposed "Human rights", which are just a blueprints of "rights" invented on by the bible, which reinforces all the above points.

--Due to systematic infiltration and destruction of the bonds that hold together a country or a race, the enemy is able to weaken down their enemy and destroy them. Christianity is one infiltration, that infiltrated and weakened the Ancient Paganism, which belonged solely to us. Because this injection was not enough, the enemy kept going, as far as to try to assimilate and destroy the people in the most basic bond in existence: Racial, Family, Man and Woman, etc.

It forms a circle easily observable if one knows of the Jewish element: Jewish religions caused problems with women and enslave them (Christianity, Islam, Judaism). Then, the Jew, if they lose power, return through as the defenders of the rights of which they stole from women, to defend these (feminism). Then, they open the doors slowly so the first process can take over in other forms, religious, social and political. The process repeats in history until the enemy "race" is destroyed. The same thing can be observed into the Bible, and specifically in the New Testament and Old Testament, the Torah, which is the divine book of the Jewish Race, by which they "survive" and "conquer" their enemies

Theory aside, we will just reply with facts and let them talk on their own:

<http://skepticsannotatedbible.com/quran/women/long.html>

"Menstruation is a filthy disease. All good Muslim men should stay the hell away from menstruating women And for God sakes, don't have sex with them while they're menstruating. It creeps Allah out just to think of it. 2:222a"

"It's OK to have two, three, or four wives, slave or free. 4:3"

"In the mind of Allah, women are like a dirty field for men to plow with their penises. Plow them whenever you like (as long as they're not menstruating, of course.) 2:223"

"A woman is worth one-half a man. 2:282"

This is what is going to happen if you don't stop this, Europeans. And this would be your daughter or your mother:

Then of course you have the jewish bible:

<http://skepticsannotatedbible.com/women/long.html>

---Lot and his daughters camp out in a cave for a while. The daughters get their "just and righteous" father drunk, and have sexual intercourse with him, and each conceives and bears a son (wouldn't you know it!). Just another wholesome family values Bible story. 19:30-38

These are some parts. Why are idiotic feminists and liberals wondering, why the massive rapes? Its their culture, its what their "God" tells them to do. They are fine with it.

Except of the above outrageous link, let's allow some pictures talk for themselves:

This is what European Women will be forced to wear soon, unless Europeans reply about this and put an end to these jewish hoaxes.

But this is not the first time European Women had this savagery of rape, suppression and destruction placed upon themselves. The jews and their agents have been on it again. This has happened again. THIS IS AN BATTLE BETWEEN THE ARYAN RACE AND THE PEOPLE OF THE LIGHT AND THE JEWISH RACE PLUS THEIR LACKEYS. It has always been and will forever be.

"Allah" and his murderous attempts are now taking the place once "Jewsus" had. The same jews are behind everything and the same purpose. It did not change. I present to you the famous "Chastity Belt" of the Middle Ages, and the witch-hunts, in which all women with "magickal" characteristics were killed and raped, or sold as slaves. "Magickal" ie, even beautiful, or piercing eyes etc. Look below this entry for their Chastity belts and torture on women. Make your own research. All this is purposeful. Same as the Race Mixing that is advised of women.

Heinrich Himmler stood against the Eternal Jew and their plans to destroy women who have been classified as HEXE, and the 3rd Reich knew of the plans of the Jewish/Abrahamic Hoaxes and the jewish instigators in trying to destroy the White people and Women:

In 1935 Himmler founded the 'H Sonderkommando' - H standing for Hexe, the German word for witch - to collate as much material as possible on sorcery, the occult and the supernatural.

The bulk of the collection was called the 'Witches Library' and concentrated on witches and their persecution in medieval Germany.

One of Himmler's quack theories was that the Roman Catholic Church tried to destroy the German race through witch hunts.

He also discovered that one of his own ancestors was burned as a witch.

<http://www.dailymail.co.uk/news/article ... years.html>

The enemy is trying to bring again the Dark Ages in Europe, through "tolerance" and Islam. Then it was Christianity, but since this program failed, they are bringing the apes from the Middle East to try to give us another Middle Ages again:

Wake up before it is too late...Do not let history repeat itself. The White man or woman are NOT evil, or guilty as a Racial entity or the Europeans or Whites as a race/continent. We must haul ourselves up and then save others who are being subjected into this endless filth, death and destruction. Justice must be served.

Then the same jews that caused all the above, directly by writting these depraved books and carrying out this war against women, are supposedly coming to save them, in order to feminize nations and AGAIN open the doors so this can happen again.

The above is proved by itself in the current European Crisis:

Feminism Is Jewish Social Marxism

Well the interesting thing is, killing isn't even the worst of all sins according to the Abrahamic religions. Oh no, that honor belongs to the sin of Idolatry or Idol Worship. Even in Judaism, Idolatry is a sin not just for Jews, but for Gentiles. Punishable by death. Even committing genocide isn't considered worse than Idolatry. In fact the Bible openly advocates, genocide, slavery, rape among many other horrific things in many places. But worshiping those statues of your numerous Gods... That is epitome of evil!

Idolatry simply means, worshiping anything except their "God" Yahweh. The kikes also extend it to making images of Yahweh but it can mean anything from worshiping Satan, worshiping multiple Gods, worshiping Stars, people, nature or whatever. Idol worshipers are us btw. According to the Jewish Torah every Spiritual Satanist deserves death, even if we never even said a word about Jews, we deserve death for our idol worship. That is how they see us. So it completely contradicts the idea "thou shalt not kill" because according to the same scriptures we are to be killed.

the sad thing is i was a child and had to find that out for myself. The priest and bible school teachers never speak of things such as the punishment for the worship of idols. I had to read it for my self while this was being told "jesus loves you" over and over. They love telling children the good stories. Then when a child gets into the darker parts of the bible they get scared of the kid and the way he or she is. Thats so messed up the bible is so full of evil shit that christians get worried when children start reading the bad parts and accept it as the "word" They know the bible is full of filth and children shouldn't read that crap and yet they still believe in it and try to push it on children by repeating over and over "jesus loves you" People should be scared of a kid that reads about a god that likes to kill and enjoys reading it. That rite there shows how christians are brainwashed they know better in their logical mind that this bible is full of evil shit yet they are too scared to deny their evil god. ugh i can rant for ever about christianity.

That's okay brother (': this is the place for ranting about it haha. Those good stories are just there to sucker you in and even they are not really "good" they are just subliminal guilt and emotionally manipulation tactics. Mind poison. All of the xian "ethics" are actually guilt trips designed to trap you in self destructive behavior, repressing your natural desires and emotions.

Tear down the walls, just not those ones around Vatican city that are manned by machine gun wielding guards. You know that Vatican City that has taken ZERO, migrants.

The Pope has been viciously demanding the end of White Europe for awhile....

Pope Calls For End Of White Europe:

[topic13676.html](http://topic13676.html)

Rabbi Rabbiovich: Jews Plan To Kill All Whites:

"We will openly reveal our identity with the races of Asia or Africa. I can state with assurance that the last generation of white children is now being born. Our control commission will, in the interests of peace and wiping out inter-racial tensions, forbid the Whites to mate with Whites. The white women must co-habit

with members of the dark races, the White man with black women. Thus the White race will disappear, for mixing the dark with the white means the end of the White Man, and our most dangerous enemy will become only a memory. We shall embark upon an era of ten thousand years of peace and plenty, the Pax Judaica, and OUR RACE will rule undisputed over the world. Our superior intelligence will enable us to retain mastery over a world of dark peoples." — Rabbi Rabinovich speaking to an assembly in Budapest, Hungary on the 12th January 1952

Vatican City (AFP) - Pope Francis said Friday he dreamed of a Europe in which "being a migrant is not a crime", as he urged EU leaders to "tear down the walls" and build a fairer society.

Invoking the memory of the EU founding fathers' pursuit of integration in the aftermath of World War II, the pontiff said they inspired because they had "dared to change radically the models" that had led to war.

"Today more than ever, their vision inspires us to build bridges and tear down walls," he told a Vatican audience including German Chancellor Angela Merkel, who has been at the centre of the EU's attempts to resolve its biggest refugee crisis since the war ended in 1945.

And in a rhetorical flourish with echoes of Martin Luther-King's legendary 'I have a dream' speech, the pope said he dreamed of a new European humanism that embraced the poor, the elderly, the young and the sick.

"I dream of a Europe where being a migrant is not a crime but a summons to greater commitment on behalf of the dignity of every human being," he said.

Francis's comments came in a speech as the 79-year-old pontiff was presented with the EU's Charlemagne Prize for his contribution to European unification.

Having unexpectedly decided to accept the award, Francis delivered a typically hard-hitting message to listeners that also included the heads of the EU's main institutions, the Council, the Commission, the Parliament and its central bank.

"What has happened to you, the Europe of humanism, the champion of human rights, democracy and freedom?" he asked. "What has happened to you, Europe, the home of poets, philosophers, artists, musicians, and men and women of letters?"

Francis has made the cause of migrants trying to reach Europe one of the defining themes of his papacy.

He has regularly railed against the "indifference" of western societies to their plight and last month he made a high-profile visit to Lesbos, the Greek island on the frontline of the crisis, returning to the Vatican with three Syrian families seeking asylum from the civil war ravaging their homeland.

- A memory transfusion needed -

He has also attacked what he says is an arbitrary division being made between asylum seekers and so-called economic migrants -- a distinction at the heart of Merkel and other EU leaders' vision of how to resolve the crisis.

Borrowing a phrase from writer and Holocaust survivor Elie Wiesel, the Argentinian pontiff said Friday that Europe needed a "memory transfusion" to free itself from the temptation of "quick and easy short-term political gains."

And after that reference to the migrant crisis, Francis went on to say Europe had to fundamentally change its economic model to give the continent's youth the security they needed to build a new world.

"If we want to rethink our society, we need to create dignified and well-paying jobs, especially for our young people," he said.

"To do so requires coming up with new, more inclusive and equitable economic models, aimed not at serving the few, but at benefiting ordinary people and society as a whole.

European Commission President Jean-Claude Juncker and European Parliament President Martin Schulz explained the decision to give the award to such a regular and prominent critic of the EU in a column for France's Le Monde.

"Some will joke that the European Union must be in a bad way if it is in need of papal assistance," they wrote.

"We are convinced that Pope Francis deserves this prize, however, simply because he has sent Europe a message of hope.

"Perhaps we needed an Argentinian to turn his outsider's gaze on the innermost values which bind us Europeans together, to remind us of our strengths.

"After all, at times when the words 'Europe' and 'crisis' are often uttered in the same breath it is easy to forget what Europe has achieved and what it is capable of."

## Spiritual Guidance

As i study and read more and more Sermons from HP Maxine Dletrich of JoyofSatan

Ministries, i am finding how similar my path is to hers. She explains how she was introduced to satanism through Anton Levey. Same for me, i read the "Satanic Bible" it made sense but enough for me to follow it. It wasn't spiritual enough i was looking for something real. She ultimately did the same. She also explains she read books such "the lost writings of Enki" and "the ancient secret power of the flower of life vol 1 & 2" in her early studies. The same thing happened to me. The book "the lost writings of Enki" called to me and was my first book i read where i felt i found something real. Then I was given the other books by a freemason. Again i found more information that is real and spiritual. Both however also have xian crap in them, however i can ignore those parts. It is fascinating to me how as i read more and more from JoS and Maxine that I am finding everything ive been looking for. Im learning what i longed to learn for so long. I can easily see that Satan guided me to this organization to give me the knowledge i so desperately needed. My questions are now turning into understanding and being put into action and practice. Thanks you Maxine Dietrich. Thank you Satan and the Gods of Hell.

Heil Satan!

Trump Works For The Global Jewish Elites

Now that Trump is secure for the nomination to run for President. Look at just who he has brought into his campaign..... Goldman Sachs.... And Sorros, people.

"Yesterday it was revealed that Steven Mnuchin would become the Trump campaign's national finance chair. Mnuchin was an Investment Professional with Soros Fund Management LLC and spent 17 years at Goldman Sachs. He also has innumerable other affiliations with establishment financial institutions and corporations.

A press release was posted on the official Trump campaign website today confirming that appointment..."

Trump is in bed with the Rothschild and Jewish Rockefeller family and their Mossad.....From the article:

"What Trump doesn't tell his readers is what the late Andrew St. George reported in The Spotlight on October 30, 1978 (and in the previous September 25, 1978, issue): Resorts International was established and controlled by front men for the Rockefeller and Rothschild families and their "enforcers" in the Central Intelligence Agency (CIA) and its allied intelligence agency, Israel's Mossad."

That is the same way the Bush family got set up back in the day. Working as front men for the Rockefeller and Rothschild's. Especially with acting as a front fancier to send millions of dollars of the two Jewish elites dynasties money to fund the Jewish Bolsheviks in Russia. Trump is just a front man for Globalist Jewish Elite.

An inquiry into the background of flamboyant American entrepreneur Donald J. Trump provides some surprising insights into Trump's path to power and influence, for the fact is that Trump's rise to stardom came as a direct consequence of his having functioned as hardly more than a colorful front man for some very wealthy behind-the-scenes sponsors.

Everyone knows, of course, about Trump's gambling operations and of the wide-ranging links of the gambling industry to organized crime. But the story is much bigger than that. In his own memoir, The Art of the Deal, Trump proudly described how in 1987 he bought his first casino interests when he purchased 93% of the voting stock in the Resorts International gambling concern.

What Trump doesn't tell his readers is what the late Andrew St. George reported in The Spotlight on October 30, 1978 (and in the previous September 25, 1978, issue): Resorts International was established and controlled by front men for the Rockefeller and Rothschild families and their "enforcers" in the Central Intelligence Agency (CIA) and its allied intelligence agency, Israel's Mossad.

What made the report so explosive was that this newspaper pointed out that the illegally rigged casinos were being operated with the collusion of "respectable" politicians, law enforcement officials, Wall Street financiers who floated loans to finance the gambling resorts and the high-profile gambling

resort operators themselves.

St. George pointed out that many of these casino resorts run by the mob through a variety of front men have actually been engaged in a de facto partnership with behind-the-scenes mobsters who have assisted the CIA and the Mossad in massive laundering of drug and gambling profits that have been channeled into covert operations of the two allied intelligence agencies. In return, the CIA and the Mossad, using their own influence, have provided “protection” for the illegally fixed gambling operations, preventing law enforcement authorities from cracking down on this corruption.

Where does would-be president Trump fit into the picture? To find the answer, one must turn to the murky origins of Resorts International.

Resorts evolved from a CIA front company set up in the early 1950s by then-CIA director Allen W. Dulles and his close associate, three-term New York Governor Thomas E. Dewey, political functionary in the so-called “Rockefeller Republican” wing of the GOP.

The front company in question was the innocuously named Mary Carter Paint Company, which operated a national chain of paint stores but was set up to function as a covert CIA money-laundering operation.

In 1958-59 Dewey and a number of associates used a reported \$2 million in CIA funds to buy a controlling interest in the Crosby-Miller Corporation (headed by Dewey friend James Crosby), which was then merged with Mary Carter.

Among other things, the new corporation laundered CIA money for arming the anti-Castro Cuban exiles. The company also launched into lucrative casino gambling enterprises in the Caribbean where the CIA was quite active during that period, having engaged the Lansky crime syndicate in now-thoroughly documented and widely known plots to topple Fidel Castro who had enraged the mob by closing down its Cuban gambling enterprises.

Thus it should be no surprise that in 1963, Alvin I. Malnik, a top henchman of crime syndicate boss Meyer Lansky, was found to be closely connected to the operations of Mary Carter Paint.

In 1963, Mary Carter Paint spun off its paint division and during the next several years began developing its casino operations, particularly in the Bahamas. In 1967-68, Mary Carter Paint officially changed its name to Resorts International and began massive international expansion. The Spotlight determined that several principal investors provided the funds and assets for the venture:

- Meyer Lansky, the acknowledged “chairman of the board” and chief financier of the underworld gambling syndicate, who maintained his own longstanding ties to not only Israel and the Mossad, but also the CIA and the American intelligence community;
- David Rockefeller, head of the Rockefeller financial empire, who provided his family’s clout and CIA and global banking connections to assist in the operation;
- The Investors Overseas Service (IOS), then the world’s largest flight-capital conglomerate, controlling assets worth \$2.5 billion.
- Tibor Rosenbaum, who was not only the Mossad’s Swiss-based chief financier behind covert arms deals but also the head of the Banque De Credit Internationale of Geneva, the Lansky syndicate’s chief European money laundry; and
- Baron Edmond de Rothschild of the European banking family and a personal business partner of Rosenbaum in Rosenbaum’s Mossad-related ventures ranging far and wide; and lastly,
- William Mellon Hitchcock, one of the heirs to the Mellon family fortune (one of America’s largest private family fortunes, which, for many years, has also maintained close ties with the CIA).

Resorts International expanded by leaps and bounds and soon became one of the most profitable of all the gambling enterprises, and by 1970 the underworld figures who were running the casinos (in league with their behind-the-scenes partners) began moving to expand casino gambling in the United States.

Mob chief Lansky called a high-level meeting of gambling syndicate figures in Acapulco, Mexico and there the assembled mobsters pinpointed the fading resort of Atlantic City as their first new target. (Prior to that time, of course, the mob had already established Nevada as the only outpost of legalized gambling on U.S. soil.)

In the wake of this meeting, the resources of Resorts International were used (publicly and privately) to begin the lobbying campaign that resulted in the legalizing of gambling in Atlantic City and once the New Jersey legislature opened up the Garden State, Resorts moved in.

In 1987, upon the death of longtime CIA front man James Crosby, the nominal head of Resorts International, up-and-coming young New York real estate tycoon Donald Trump stepped into the picture and bought Crosby’s interest in the gambling empire.

Trump soon became a household name, with his colorful personality and his insistence upon naming a variety of luxury hotels, apartment houses and other commercial ventures after himself. But while the name “Trump” appeared in the headlines, the names of the real movers behind Resorts International remained hidden from public view.

Another good book recommendation I have for you, which I know HP Maxine has also studied is Initiation Into Hermetics by Franz Bardon. I even remember her saying this book along with the others from Bardon are the best she has read. I second that. Knowing you handsareup, it wouldn't surprise me if you already have the book. But if not it is definitely worth getting.

## Story of the Social Marxist Painter, Named "Ego"

Many mistakes stem from the belief of people that they should be things they aren't made to be, by forcing themselves into certain routes of action to get what they believe to be "honor", "pleasure" or whatever else. Lack of personal knowledge overall.

Real honor comes from giving what you can give best, to what you think is best. For what you believe to be the most noble and the highest and most aspired thing. It's good to know what you can give best, but also, be honest as to what feels to you as the most aspired thing.

Otherwise, let a little, made up story answers some stuff for everyone...

From "Ego's" Life Diary:

"This is as obnoxious as for instance me, who can't paint for shit, to demand to become a painter and take DaVinci's position in painting or something. " I don't see how I want to become a better painter, or even learn to paint. I am naive enough to consider myself equal to DaVinci, or Michelangelo, or basically, everyone that paints better than me. So I keep producing (horrible) art.

In my journey in art (started 3 years ago), I had the Devil attack me many times. WAS DEVIL A NAZI? JESUS SAID WE WERE ALL EQUALS...

I would go to bed at night have some strange thoughts like...

"So let's say in a parallel universe, I become DaVinci and find myself in his place, without his talent. I will just fail everyone of what is required of me."

"Then, even if I do and my stupidity succeeds, I will produce horrible art, be useless, and destroy art all together."

The Devil kept attacking me: "In big situations, I will just bring art back in the prelithic ages, because I have nothing to offer to it, since I suck into it. All efforts and advances would be therefore, lost. Why? Because I felt like it and mommy told me we are all equals. And I was naive enough to believe it."

I started reading my bible and telling myself like a mantra what mommy told me.

Mommy and daddy and Social Marxism (hail marx the jew like jesus!) said to me, oh "you can be anything you want in this life". I grew up like a brat and never had to work hard for anything, you know, Western style. So well, I believed them, and I got aweakened by the brute stikes of reality...Kind of. People said I sucked. I denied it over and over again.

Because what do ALL these retards know? I mean mommy used to say I am the best, same as my chinese girlfriend that said she has 51 orgasms in the first time we had sex. I mean, I was the best, I knew it must have been true.

But I am a firm believer of the social marxist doctrine, so I kept going down the same route. "I will keep painting lines and feces on a canvas", I said to myself in my dark nights, after the devil got inside my head and told me I was to do something else. "One day, my abrupt lines will become the art of the world!", said the spirit of the jewish jesus in me. It made me comfortable and I liked it.

"I will also not let someone like DaVinci take the wheel, of course." "What does he know?" "Nobody does lines more stupidly and eloquently than me.", said the voice of jewsus within me. I really love jesus. He always sais these good things that make me feel good.

While, the Devil still intruded my thoughts. "It would be better that I would learn how to paint on the side of DaVinci", part of me says, damn the Devil, and he continued: ..."and then my chances of becoming better at painting would really multiply, become a student and a listener, if I so badly wanted to become a painter, in the end..."

I decide to take the other route, the route of GOOD. I always wanted to feel GOOD. Momma said, you gotta feel GOOD son. So Fuck DaVinci.

I don't like him. He made me feel BAD. His existence puts me down... FUCK HIM NOW AND IN ALL ETERNITY!!!!

Nobody understands the eloquence of my fine lines, with the smelly canvas with brown shit.....You are all terminally blind!

"Then maybe I would finally succeed in the end by learning from DaVinci, part of me says, if I were to rather listen and watch, and just get up on my turn.". The guilt kept hitting my mind. Why Devil, why do you presecute me? Probably the Devil is just too afraid of my talents. Part of me accepts he has some valid points though...

But again, FUCK DAVINCI! I know better. Its just that I had an issue in my past life and now I can't paint. Being a king in a big castle, a knight with my queen, I slipped on a banana peel and broke my pinky finger. Therefore I developed a fear of painting, riches, prominence and everything and now I am in my mother's basement drinking cool aid. This is what a jewish friend said when he saw my past life. I believe him. Like Marx, Jewsus, Lenin and Stalin, he wants the good of me. He wants to make me feel good, because feeling good is the nice thing to do. I though disagree the fact that I was a king,

sometimes. Probably, I was someone like Botticelli, but had a bad experience and now I can't paint.

Though I am the Botticelli of Feces on a Canvas. That is for sure. WHO IS LIKE ME? NOBODY! SUCK IT IDIOTS! HA!!!!!!!

Well, I was doing a meditation the other time, I tried convincing myself I was Botticelli,...Bring my other part of the old Soul back that is and guess what. I still painted lines in the same way. My mind didn't seem to take it.
