| Subject: Giving energy to Satan and Lilith - February 13th and 14th. |               |                      |                 |

Hello to our Warriors and our People.

This is a call to arms. It will be a simple action everyone, new or advanced should be doing. This is for one, so we can receive more help from the Gods and Satan, but to hasten the manifestation of our victory. We take a stand against our enemies and we ARE taking action.

This is something we will all do to aid and in a sense repay our Gods and Father Satan. I am openly calling to all our dedicated people to take action and participate in this offering of energy to Father Satan and Mother Lilith. As most people know, Satan and His Wife Lilith are patrons and guides both to all of us collectively but the Ministry aswell. In other words they relentlessly aid us with guidance and knowledge so we can free ourselves, achieve Godlike Powers and finally free the world from this unjust and horrendous rule of the jewish beings, who have been making us suffer and do all sorts of injustice towards us.

They need to be stopped. How this will happen is one through our effort, two towards the Gods and finally, through our collective effort. By giving to Satan and Lilith you are giving back to yourselves.

Now to the main point. I will be making this fairly simple so anyone can do this.

We will create an energy ball and direct it to Satan and Lilith, programming this energy ball to be under their total command and control for any purpose they wish.

You can do this for February 13th, but it would be ideal to do this for 2 days straight so a commendable amount of energy can be raised. This also is in honor of Valentine's day, which was desecrated by the enemy. Traditionally this date is to honor the merging of the male and female principle. When the Ida and Pigala Serpents meet they form the shape of the heart and this is why this symbol is used so much. So in a sense lets honor Satan, as the Divine Male and Lilith as the Divine Female.

Steps:

1. Imagine and by breathing in pull energy from the Sun and accumulate it in front of you in a ball. The ball should be bright and clear.
2. Now vibrate "Ra" or "Aum Suryae" or "Raum" or "Sol" or any other vibration of the Sun for either 9, 40, or 108 repetitions. This will intensify the power of the ball of light.
3. Focus on this ball and programm this ball to be obedient to the commands of Lilith and Satan. Then imagine the ball leaving your room and getting in front of them. An affirmation for this could be " This ball is under the total command and Will of Satan and Lilith so they can use this energy as they desire."

Beforehand, you can tune in your GD or Satan so they can assist with this.

This is it. The Gods use this energy for our collective advancement and protection.

North Korea Through the Eyes of Witnesses

My note what happens in North Korea is the same in all Communist countries. This film is Jewish Communism in its pure form and what National Socialism and millions of free Gentiles under the Swastika fought to liberate humanity and the planet from. Jewish Communism is the other side of Jewish coin as Christianity.

Subject: Christianity, Communism, and Homosexuality

This message is for our non-heterosexual NS people, as they do exist. Because of the Jews and their Kosher Konspiracies, there is a conflict within the NS who is a homosexual. Whether fellow NS brethren approve or not, you are still part of the family. And as a family, we don't have to get along about everything, but it is the core of our cause that keeps us as a White family. I am writing this because there are still members joining the e-groups, wondering if Satan approves of their sexual preference or not.

While the author of these notes uses the term "homophobia," which I don't agree with, these notes are quite revealing. They prove similarities between both ancient and modern views towards homosexuality of the Christian and Marxist creeds, and how Christianity and Communism are one and the same.

### 1) Homosexuality in Christian "History:"

[Homosexuality In Classical Antiquity](#) : In 342 (Codex Theodosianus, 9, 7, 3,) the first law was enacted in Milan regarding passive homosexuals. Harsher penalties were introduced by Theodosius I in a law addressed to the prefect of Rome in 390, with execution by burning (...). This law was inserted in the Theodosian Code of 438 (9, 7, 6), but substantially modified and with a wider scope. The new compilation condemned to burning all passive homosexuals without distinction. With the Emperor Justinian the legislation was broadened; every kind of homosexuality was repeatedly condemned with the death penalty".

From [Wikipedia](#): "Justinian's law code then served as the basis for most European countries' laws against homosexuals for the next 1400 years. Homosexual behavior, called sodomy, was considered a capital crime, and thousands of homosexual men were executed across Europe during waves of persecution in these centuries."

### 2) Homosexuality in Communism:

From [Wikipedia](#):

"Karl Marx and Friedrich Engels both to some level expressed homophobia in their public and private writings "

"In the 1930s under Joseph Stalin, homosexuality and abortion were recriminalised in the nation. Article 121 explicitly criminalised male same-sex intercourse and with five years of hard prison labor as a penalty(...) Homosexuals were sometimes denied membership or expelled from communist parties across the globe during the 20th Century, as most communist parties followed the social precedents set by the USSR. Today, however, nearly all communist parties

accept homosexuals and support the LGBT rights movement.

Homosexuality was decriminalized in China in 1997 and was removed as a mental illness in 2002"

3) My Notes:

Christianity is doing the same thing that Communism is doing with homosexuality. It is trying to appear more and more "progressive," while other Christians bitch and complain about the "subversion" of Christianity. While it is true that the inner Catholic Church has been ripe with homosexuality for quite some time, that doesn't make Christianity friendly to homosexuals OR heterosexuals, as for heterosexuals who are not Mormon Christians, but some other branch of Christianity, Christianity is like a birth control pill, as it seizes both homosexuals and heterosexuals with fear of eternal damnation over sex and masturbation. Then, for the children, an indoctrination of an odious lie is introduced that claims that we were "born into sin."

Despite what I said about there being homosexuality in the Catholic Church, make no mistake, Christianity from its inception has discouraged any sex for pleasure between consenting adults, punishing homosexuals and heterosexuals with death, while child rapists go free. This is in the Jewish Talmud where consenting adult sexuality is to be punished with death, but Jewish men or women who seduce young Gentile children are held in high regards.

As for homosexuality enjoying a greater "tolerance" in both Christianity and Communism, these programs are changing with the times, as both of them need more useful idiots, and Christianity is weakening so badly that one's sexual preference doesn't matter as much as it did before. Adolf Hitler never persecuted homosexuals who were loyal to him, but the Jews see to it that he gets the blame for how Josef Stalin treated homosexuals. Under Stalin, "incurable" homosexuals who cannot breed, but are still creative in other ways, were sent to the most horrific mental institutions for the criminally insane. Stalin certainly had Christian Values, while Hitler couldn't have cared less about one's sexual preference, provided that the individual was a good National Socialist. That is hardly Christian.

"American Newspapers claim that Stalin has been preordained to save Christianity." -- from the Goebbels Diaries

4) A message for new people who come to Satanism confused about sexual preferences

Unlike the corrupt Right-hand Path religions of the world, Satanism encourages both homosexuality and heterosexuality, as long as it doesn't involve race-mixing, and that this sexual freedom isn't abused by using it in illegal ways. Satan doesn't care about which gender you're attracted to. Satan only cares if you're a good Satanist/National Socialist. It's as easy as that.

Nine months pregnant and in chains, Haben's\* torturers beat her ruthlessly demanding a \$35,000 ransom from her husband and sisters. **She gave birth in shackles, beside other terrified captives** with only rusty metal to cut the umbilical cord. It's unbelievable that this is happening in Egypt in 2014!

Amazingly Haben, a young Eritrean refugee, survived -- but she is one of **thousands of East Africans who have been abducted by criminal trafficking rings, and tortured in Egypt's Sinai** until their desperate families pay huge ransoms for their freedom. If we can show Egypt's leaders that this dirty secret is out and damaging the Sinai's tourism reputation as the 'Red Sea Riviera', they could stop the horror.

Every hour these men, women and children are in captivity is an hour too long. Sign the urgent petition now and forward it to everyone. **When we reach 1 million signers, Avaaz will raise a massive media storm to pressure Egypt to act:**

If we can stop human smuggling in the Sinai -- one of the most notorious routes for human trafficking in the world -- we can strike a blow against a trade that imprisons nearly one million people a year.

And it's possible to stop. The Egyptian government has the power and the local resources already deployed to shut the traffickers down for good. **So here's what we could do to make that happen:**

- Join with elected officials from Egypt's major donor countries in pressing Egypt to act;
- Run hard-hitting ads targeting Egypt's prized tourism industry;
- Expose the names of the key traffickers in a series of national Avaaz campaigns in the region;

Thousands of East Africans have been **kidnapped by sadistic gangs, and tortured** in Egypt's Sinai until their families pay huge ransoms for their freedom. If we show Egypt's leaders that **this dirty secret is out and damaging the Sinai's tourism reputation**, we can force them to end the horror. Sign now:

- Help journalists get access to torture camps to investigate which officials are complicit.

Let's start it all with a million person movement to **end this horrific trade in human suffering. Sign now and share with others:**

Our community has stepped in repeatedly to help those trapped in terrible conditions. Last year, we helped rescue migrant Indian labourers trapped in Bahrain. And we've helped provide food and medicine to those trapped in Syria. Now let's help liberate those being tortured in Egypt.

Israel has full access to intelligence collected by US: Analyst

<http://www.presstv.ir/detail/2014/02/16/350932/israel-has-full-access-to-us-intel/>

An American political analyst says Israel has full access to the intelligence collected through spying activities by the United States, Press TV reports.

In an interview with Press TV on Saturday, James Fetzer pointed to an article published by Seattle-based blogger Richard Silverstein, which asserts that there is a facility in al-Quds (Jerusalem) that monitors all US satellite intelligence.

He further noted that the revelation means that the Tel Aviv regime has access to all the intelligence gathered by the US.

"In my opinion, this arrangement apparently implemented by (former US President) George Herbert Walker Bush, is a massive act of treason and betrayal to

the people of the United States," Fetzer commented.

The analyst added that a petition drive by former US Congressman and presidential candidate Ron Paul to pressure the US President Barack Obama administration to grant clemency to American whistleblower Edward Snowden is getting very little coverage in the American media.

On February 13, Paul said on his website that he wants Snowden to return to the United States without facing prosecution before his amnesty in Russia expires at the end of July.

He argued that Snowden had done a service through his "courageous actions" and should not be prosecuted for revealing the secrets of widespread communications surveillance by the US National Security Agency (NSA).

Meanwhile, Paul's son, Republican Senator Rand Paul of Kentucky filed a class action lawsuit against Obama and his top officials, saying the US government's phone-data-collection program violates the constitutional rights of the American people.

The Obama administration and many members of Congress have called for Snowden's prosecution. He has been living in Moscow under temporary asylum since releasing thousands of classified documents on NSA spying programs.

The NSA has faced severe criticism for violating privacy rights by monitoring the communications of Americans and foreigners through sweeping eavesdropping programs.

Subject: Destroy the xian chameleon - Internet Warfare.

Greetings to the members of our Family.

First on, I need to set straight some arguments going on, on if Satan should be worshipped and so on so forth. Or if he is a supernatural being and that sort of deal. Satan is against slavish worship. He does not in anyway require you or need you to worship him, especially in the xian type of worshipping or in the way the enemy religions preach one should worship 'God'. Yes, Satan is our God and we are faithful to him. In Satanism words like "Faith", "Worship", "Trust", even "Obedience" have a totally different meaning than the meaning of the modern world and these jewish crap they name religions.

Faith in Satanism means, I know, I know by my own experience that Satan does not leave his people down, therefore I know that I will receive guidance, help and the rest of things. Receiving in Satanism is different aswell. Satan is a real being, an Extra Terrestrial and he exists flesh and bone. As with any other being, one has to have manners and be sensible. You get something, you give something. Satan takes you when you are spiritually little, like a kid, from the time you dedicate to him and you join the family of Hell. They do things for you and most people who are with Satan know this. He acts like a Father to us. For instance, I am working for Satan because I love him as a Father. He is and will always be my Father. He does not require me or push me to give back to him, but I do because of appreciation for all he did. And so on so forth.

The jewish imbecile thoughtform, namely the nazarene, wanta slavish worship. He supposedly loves his cattle but lest one sheep misbehave, he is thrown

into 'hell'. Not to mention the empty life this religion gives, the total materialism, the loss of individuality. Its complete destruction of the Human Soul and all it ever produced was problematic, neurotic, hateful, full of complexities, masses of cattle. This piece of Jewish shit gives nothing to his followers but opium pills and lies. They are by the masses, they cannot heal their pain, all they do from the time of birth is reduce, reduce and de-evolve. They pile up mistakes and in ignorance, every year that passes by is more fucked up as one approaches old age. Many die abandoned and in the best situation they will live simply a 'good' material purposeless life, only to get dumped in to a mass energy vortex when dead, or simply wither out in the astral, or get caught in their own paranoia in regards to hell and get to astral planes of torment. That's all they do and are, as they are either tricked on or due to choosing so, ignorant. If any of these individuals enjoy their lives or does anything beneficial for Humanity it's because they simply, due to subconsciously knowing the Truth, they 'disobey' this piece of shit they call 'God'.

Most people lack the necessary knowledge to see the Truth with their own eyes. If our history is full of bloodshed, misguided and horrific individuals, dark ages and the rest, this ties completely into the enemy religions. Xians and those who are enemy souls and Jews, know their job and all they do is simply lie their ass off in regards to anything. They are pathological liars and born actors who will play the Nazarene "I am a victim movie" all over, daily, every moment in their lives. You see the same ideology that burned every sort of science for more than 1200 years, that drowned Humanity in its own blood, caused the greatest ignorance and destroyed whole generations, preach now that "Jesus is spiritual" or that "Jesus went in the desert, ate his own shit and he did occult practices". All this chameleon crap to keep the lie going. Humans are very vulnerable in regards to religion and the Jewish race knows and exploits this. This is for the reason we used to collectively have a True and Honest Religion back in time, massively and this was SATANISM. The followers of this lie go as far as to be scientists and lie about evident facts. They are rotten and have built a rotten system. All they do is a back and forth in on one hand being who they want and on the other, who the Jewish zombie wants them to be, supposedly.

Seeing the Xian religion in friendly light or passive light or "I do not give a fuck about the war" conditions is not less hypocritical than Xianity itself. If they had the rule and the power over you, you would now be dead and raped meat, a total slave without any rights whatsoever, living in a dump, destroyed in Soul, in Spirit and in every aspect of yourself. They curse our creed in every page of the Bible, while they glorify their race of "chosen" Jews in every page, in all their litanies, without fail. If this leaves you in a live and let be attitude, I am almost sorry for this, but you must be stupid. If Xianity's twin, Communism, leaves you idle, while it preaches you will have no home of your own and that you belong to some individual like a slave, that you will work until you die and sleep like a destroyed animal over your own feces, leaves you unalarmed, then you need to wake up... This makes people look STUPID. Stupid because that even bacteria can understand what's good for them, while some few here cannot.

IF SOMEONE UNDERSTOOD THE TRUTH OF SATAN, I CAN NEVER BY HEART BELIEVE THEY DO NOT UNDERSTAND THEY MUST ACT. NOBODY THAT PLEDGED TO OUR FATHER IS STUPID, FOR THEY HAD THE GUT AND INTELLIGENCE TO SEE THE TRUTH.

I WANT YOU TO LET THE RAGE SURGE IN YOUR VEINS. THEIR CRIMES OF CENTURIES NEED TO BE BROUGHT TO LIGHT AND WE NEED TO AVENGE OUR FATHER, OUR GENTILE BRETHEN AND OURSELVES! BELIEVE NOT IN THEIR LIES, LET THE MIGHTY POWER OF SATAN SURGE IN YOUR BEING AND DESTROY THEM. YOU NEED TO AVENGE THOSE BEFORE YOU, THOSE FIGHTING WITH YOU AND THOSE COMING AFTER YOU.

DO NOT LET THEM TAKE THE BLOOD OF OUR BLOOD AND TURN IT AGAINST US, DO NOT LET OUR PEOPLE IN IGNORANCE.

This is the time. I urge everyone to spam for half an hour daily until the end of the month, or for one hour. Do this as a mini project until the end of the month. Rejoice in the fact you make them quake in terror.

WHAT THEY TRY TO DO WITH MILLIONS UPON MILLIONS, LIES UPON LIES, YOU CAN DO THOUSANDFOLD WITH YOUR TIME AND SPREADING THE TRUTH

Satanists must understand- THIS WORLDS FATE LIES UPON YOUR SHOULDERS- MAKE OUR FATHER PROUD!

In Satanism, the ignorant, the lazy, and the stupid are worthless. They are worthless to Satan and the Powers of Hell. They also make ideal slaves. The JoS ministry works very hard to educate JoS members here, making knowledge available, but we cannot study for you. Knowledge is power. Remember this. By reading the article here and educating yourself, you will advance, having personal power because of what you know. As for the idiots who could care less or who blow this off as nothing, they aren't even worth being spat upon. Idiocy= slavery.

The article below should be read by everyone. The first part is from High Priest Don's article Jewish Bankster's War on America. This not only affects the USA, but the entire world. People need to wake up. 2015, Saturn will enter Sagittarius. The US Solar return for 2015-16 has Neptune of insecurity and uncertainty in the solar second house [finances] of the US at 9 degrees of Pisces, a fatal degree [I use the Gemini ascendant chart for the USA]. Saturn was in Sagittarius in 1929, when the stock market crashed and the depression began. Also, in 1987.

The foundation for the power of the enemy is the bible. I already wrote an extensive article regarding this and more, which can be found on [exposingchristianity.com](http://exposingchristianity.com)

We will be working as a group to destroy that power. Group rituals will be forthcoming in regards to this at the Spring Equinox, 21<sup>st</sup> march.

Again, I will reiterate, the bible is not the "word of god." I know I already mentioned this, but in that bible, there are squares of Hebrew letters imbedded. The Hebrew letters resonate to certain numbers. The bible is a book of numbered verses which correspond to witchcraft, as witchcraft at the higher levels uses numbers. Again, these Hebrew letters are vibrated in boustephedon; meaning zigzag and also up and down, no different from how one vibrates the planetary squares. One can see orthodox Jews physically bobbing and weaving during "prayer;" most often in groups.

These numbered squares are no different from magic tricks with numbers and of course, as with the planetary squares. Stupid Christian preachers and such write books about how the bible is the "word of god" and it seems convincing to many people, but books on magic tricks reveal how a lot of

this is done, no different from other magic tricks with decks of cards and such. Books on magic tricks reveal a code, though I know this has to do with the occult, but the point being, this can be proven. The planetary squares and occult numbers have major significance of course, but my point here is this is not impossible to crack the code or to understand how this is accomplished in the way of getting the numbers into the squares. Then, along with the subliminal Hollywood movies that have the Sandy Hook, the 911 and related. If these were real prophecies, the kikes wouldn't have to add all the subliminals to make it happen.

WHAT? ...Hollywood Predicted 9:11??? [Youtube video]

<http://www.youtube.com/watch?v=9sZo8sWfCs>

The above video is proof that the so-called "prophecies" in the Bible are nothing but a hoax. The Bible is not the "Book of God" but is a work of the Jews, of which they use subliminally to carry out their curses, some of which are centuries old. One only has to be knowledgeable about the workings of the mind and of witchcraft to see this and to fully understand.

The Lone Gunmen Pilot - 9/11, Aired 4th March, 2001, 6 months before the World Trade Center attacks. Note- SIX months.

<http://www.youtube.com/watch?v=z3WW6eoLcLI>

Many biblical curses and so-called "prophecies" were put forth centuries ago. The Ancient Gentile Egyptians, who had much spiritual knowledge, placed curses in the tombs of their dead, the most famous being that of King Tutankhamen, which manifested when Howard Carter opened the tomb in 1922. Given enough knowledge and occult power of the soul, any group of humans can do this. The Jews reinforce their biblical prophecies and deceptions through Jewish ritual murder. Knowledge and awareness, and educating everyone will break this spell!

The Ugly Truth about Mind Manipulation, Mass Programming,

And the Control of Money

**Harold Wallace Rosenthal, age 29, personal assistant to New York Senator Jacob Javits, in a 1976 interview with Walter White Jr., editor, Conservative monthly, Western Front:**

"Our power has been created through the manipulation of the national monetary system... The Federal Reserve System fitted our plan nicely since it is owned by us, but the name implies that it is a government institution.

From the very outset, our purpose was to confiscate all the gold and silver, replacing them with worthless non-redeemable paper notes. This we have done! Prior to 1968, the gullible goy could take a one dollar Federal Reserve note into any bank in America and redeem it for a dollar which was by law a coin containing 412 1/2 grains of 90 per cent silver. Up until 1933, one could have redeemed the same note for a coin of 25 4/5ths grains of 90 per cent gold. All we do is give the goy more non-redeemable notes, or else copper slugs, but we never give them their gold and silver, only more paper," he said contemptuously. "We Jews have prospered through the paper gimmick. It's our method through which we take money and give only paper in return. The stocks and bonds market, all forms of insurance and the fractional reserve system practiced by the Federal Reserve Corporation, not to mention the billions in gold and silver that we have gained in exchange for paper notes, are stupidly called money. Money power was essential in carrying out our master plan of international conquest through propaganda.

By controlling the banking system, we were able to control corporation capital. Through this, we acquired total monopoly of the movie industry, the radio networks, and the newly developing television media. The printing industry, newspapers, periodicals, and technical journals had already fallen into our hands. The richest plum was later to come when we took over the publication of all school materials. Through these vehicles, we could mold public opinion to suit our own purposes. The people are only stupid pigs that grunt and squeal the chants we give them, whether they be truth or lies.

There is no such thing as the silent majority because we control their cry and hue. The only thing that exists is an unthinking majority and unthinking they will remain, as long as their escape from our rigorous service is the opiate of our entertainment industry. By controlling industry, we have become the taskmasters and the people the slaves.

When the pressure of daily toil builds to an explosive degree, we have provided the safety valve of momentary pleasure. The television and movie industries furnish the necessary temporary distraction. These programs are carefully designed to appeal to the sensuous emotions, never to the logical thinking mind. Because of this, the people are programmed to respond according to our dictates, not according to reason. We have castrated society through fear and intimidation. Its manhood exists only in combination with a feminine outward appearance. Being so neutered, the populace has become docile and easily ruled. As all geldings in nature, their thoughts are not involved with the concerns of the future and their posterity, but only with the present toil and the next meal."

## On Industry

"We have been successful in dividing society against itself by pitting labor against management. This perhaps has been one of our greatest feats, since in reality it is a triangle, though only two points ever seem to occur. In modern industry where exists capital, which force we represent, is the

apex. Both management and labor are on the base of this triangle. They continually stand opposed to each other and their attention is never directed to the head of their problem. Management is forced to raise prices since we are ever increasing the cost of capital. Labor must have increasing wages and management must have higher prices, thus creating a vicious cycle.

We are never called to task for our role, which is the real reason for inflation, since the conflict between management and labor is so severe that neither has time to observe our activities. It is our increase in the cost of capital that causes the inflation cycle. We do not labor or manage, and yet we receive the profits.

Through our money manipulation, the capital that we supply industry costs us nothing. Through our national bank, the Federal Reserve, we extend book credit, which we create from nothing, to all local banks that are member banks. They in turn extend book credit to industry. Thus, we do more than God, for all of our wealth is created from nothing. You look shocked! Don't be! It's true; we actually do more than God. With this supposed capital we bring industry, management and labor into our debt, which debt only increases and is never liquidated. Through this continual increase, we are able to pit management against labor so they will never unite and attack us and usher in a debt-free industrial utopia.

We are the necessary element since we expend nothing. Management can create its own capital—the profits. Its business would grow and profits increase. Labor would prosper as well, while the price of the product would remain constant, the prosperity of industry, labor and management would continually increase.

We Jews glory in the fact that the stupid goyim have never realized that we are the parasites consuming an increasing portion of production while the producers are continually receiving less and less."

On Religion:

"Religion, too, must be taught, and through this necessity we have labored. With our control of the textbook industry and the news media, we have been able to hold ourselves up as the authorities on religion. Many of our rabbis now hold professorships in Christian theological seminaries. We are amazed by the Christians' stupidity in receiving our teachings and propagating them as their own. Judaism is not only the teaching of the synagogue, but also the doctrine of every 'Christian Church' in America. Through our propaganda, the Church has become our most avid supporter. This has even given us a special place in society, their believing the lie that we are the 'chosen people' and they, gentiles.

"These deluded children of the Church defend us to the point of destroying their own culture. This truth is evident even to the dullard when one views history and sees that all wars have been white fighting white in order that we maintain our control. We controlled England during the Revolutionary War, the North during the Civil War, and England and America during World War I and II. Through our influence of religion, we were able to involve the ignorant white Christians in wars against themselves, which always impoverished both sides while we reaped a financial and political harvest. Anytime truth comes forth which exposes us, we simply rally our forces — the ignorant Christians. They attack the crusaders even if they are members of their own families.

"Through religion we have gained complete control of society, government, and economics. No law is ever passed except its merits have previously been taught from the pulpits. An example of this is race equality which led to integration and ultimately to mongrelization. The gullible clergy in one breath instruct their parishioners that we are a special, chosen people while in another breath proclaim all races are the same. Their inconsistency is never discovered, so we Jews enjoy a special place in society while all other races are reduced to racial equality. It is for this reason that we authored the equality hoax, thereby reducing all to a lower level.

"We have been taught that our current economic practices are benevolent, therefore Christian. These pulpit parrots extol our goodness for loaning them the money to build their temples. They are eager to pay our exorbitant interest rates. They have led society into our control through the same practice. Politically, they hail the blessings of democracy and never understand that through democracy we have gained control of their nation. Their book again teaches a benevolent despotic form of government in accordance with the laws of that book, while a democracy is mob rule, which we control through their Churches, our news media and economic institutions. Their religion is only another channel through which we can direct the power of our propaganda. These religious puppets' stupidity is only exceeded by their cowardice, for they are ruled easily."

"This attitude permeates our entire being and philosophy. We are not the creators, for to create would only benefit another. We are the 'acquirers' and are interested only in satisfying the 'self.' To understand our philosophy, understand the term 'to get.' We never give but only take. We never labor, but enjoy the fruits of others' labor. We do not create but confiscate. We are not the producers but the parasites. We can physically live within any society, but always remain spiritually apart. To work would be to produce, and the highest form of that labor would be to create. Your race has always worked for the satisfaction of what it produces. We would never work for anyone's benefit, only for what we can get. We have used this Aryan attitude to achieve our greatest prosperity. You will work for the enjoyment you derive out of producing, while never being concerned about the pay. We take your productivity for a paltry fee and turn it into fortunes.

"Until recently, the pride of workmanship exceeded the quest for high incomes. However, we have been able to enslave society to our own power,

which is money, by causing them to seek after it. We have converted the people to our philosophy of getting and acquiring so that they will never be satisfied. A dissatisfied people are the pawns in our game of world conquest. Thus, they are always seeking and never able to find satisfaction. The very moment they seek happiness outside themselves, they become our willing servants.

"Your people never realize that we offer them only worthless baubles that cannot bring fulfillment. They procure one and consume it and are not filled. We present another. We have an infinite number of outward distractions, to the extent that life cannot again turn inward to find its definite fulfillment. You have become addicted to our medicine through which we have become your absolute masters.

"On the first and fundamental lie, the purpose of which is to make people believe that we are not a nation but a religion, other lies are subsequently based. Our greatest fear is that this falsehood will be discovered, for we will be stamped out the moment the general public comes into possession of the truth and acts upon it. [It is one thing to put a man in possession of the truth, to get him to understand it is another, and to get him to act upon it is another still. Truth by itself has no value unless used or applied in some way.] It is becoming apparent that an awakening is occurring even here in America. We had hoped that through our devastation of Nazi Germany that any subject dealing with us would be a fearful taboo. However, there seems to be a resurgence here in the one nation that we so strongly control. We are presently making plans for a rapid exodus. We know that when the light begins to dawn, there will be no stopping it. All efforts on our part will only intensify that light and draw focus upon it.

"We fear that light is coming forth in movements across this land, especially yours. It has amazed us how you have been successful in reaching the people after we closed every door of communication. This, we fear, is a sign of a coming pogrom that will take place in America soon. The American public has realized that we are in control, which is a fatal mistake on our part. This nation could never be the land of the free as long as it is the land of the Jew. This is the revelation that will be our undoing.

"The American people have been easily ruled through our propaganda that the pen is mightier than the sword. We virtually get away with murder, and all the goyim do is to talk about it, which is ineffective since we, the masters of propaganda, always publish a contradicting account. If the Aryan would review history and apply those lessons of the past, then the pen will be thrown down in disgust and the sword wielded in the heat of passion. [A recurrence to history would edify our minds and show us that the European countries solved their Jewish problem only by use of force]. Thus far, we have escaped the sword, when the only reprisal is some periodical of no repute, or some pamphlet with limited circulation. Their pen is no match for ours, but our constant fear is that they may open their eyes and learn that no change was ever brought about with a pen. History has been written in blood, not with ink. No letter, editorial, or book has ever rallied the people or stopped tyranny. We understand this principle and are continually propagandizing the people to write letters to the President, to Congress and to their local media. We are safe to continually exploit, intimidate, and disenfranchise the white American as long as they are preoccupied with the illusion of educating the masses through printed material. Woe be unto us if they ever see the futility of it, lay down the pen and employ the sword.

"History confirms the fact that the passions of an aroused minority, no matter how small a group, have exerted enough power to topple the greatest empire. The movements that control destiny are not those that rest on the inactive majority; but on the sheer force of an active minority. Will is power, not numbers, for a strong will, will always rule the masses!"

"Again, we are safe as long as our Will is stronger, or the Will of the people is misdirected, scattered and without leadership. We will never be deposed with words, only force!"

## THE BRUTAL TRUTH ABOUT INFLATION AND FINANCIAL ENSLAVEMENT:THE FEDERAL RESERVE BOARD— THE MOST GIGANTIC COUNTERFEITING RING IN THE WORLD

By Ben Klassen, The White Man's Bible

**\* [Although the article below was written for a white audience, it affects all non-Jews, regardless of race].**

### **How to Steal the World with Worthless Paper.**

If you were to rack your brains to find the most direct, fastest means of acquiring a monopoly of all the wealth in this world, by fair means or foul, undoubtedly the idea of setting up a gigantic money printing press would cross your mind. In short, go into the counterfeiting business on a massive worldwide scale. All Profit. What is quicker than having such huge printing presses spewing out millions of ten dollar notes, twenty dollar notes, fifties, hundreds, even thousand and ten thousand dollar notes? It is all profit, except for the ink and the paper, which, incidentally, costs less than half a cent per note, whether it is a one-dollar bill or a thousand dollar bill.

## **Awesome Power.**

There is only one catch, supposedly. Counterfeiting is illegal, and

governments crack down hard on violators and the penalties are harsh. In fact, the Founding Fathers of the United States, realizing the awesome power that is inherent in the issuance of money, clearly reserved these rights to Congress and Congress alone. Article 1, Section 8, Par. 5, of the Constitution of the United States, says, "Congress shall have the power to coin money, and regulate the value thereof."

## **Own the Presses, Buy the Government.**

But what if you and your gang were so highly successful that once you got going you not only owned the presses, but you had ample money to have a monopoly of the news media, and, subsequently, own the government as well? Having done so, your captive government could then make it legal for you to own and run the printing presses at will. They could then spew out the money for you by the carload. Not only that, but you could insure your great good fortune by having the printing presses run for you under the legal auspices of the established government itself and hand over all the printed money to you, free of charge, except again, for the insignificant cost of the paper and the ink. Not only would your captive government make it legal for you to be in the counterfeiting business in a huge way, but you could even have them give you a legal monopoly, thereby keeping all other competitors out of your racket. Wouldn't that be great?

## **Not Fantasy. An Accomplished Fact.**

A wild idea, you say? Perhaps. But not at all impossible. Not only is it possible, but it is an accomplished fact. It is, in fact, a harsh, cold reality, much to our detriment. Those crisp green bills you are now carrying in your wallet are the product of such a counterfeiting ring. The international Jewish bankers accomplished that wild dream back in December, 1913, when they inveigled Congress to pass the Federal Reserve Act and, thereby created the Federal Reserve System, a private, [not governmental] corporation, for themselves.

## **Criminal Gang.**

This Jewish gang of criminals has rapidly been accumulating unto themselves, not only all the wealth of the United States, but of the world, ever since. Strange,

you say? Not at all. When we study the history of these slippery con artists it is not really so strange at all that they would try to do so. Being a

rapacious, piratical tribe for the last several thousand years, and having manipulated the money of the world for the same period of time, it is not at all strange that the Jews would try to monopolize the creation and control of money, the most powerful tool in the world. It would be strange if they had not attempted to do so.

They have been monopolizing money and the financial control of White Nations for millenniums. The thing that is strange is that the White goyim has not caught on and realized that the Jews have captured for themselves the money creating machinery of the United States, and also the rest of the world. They are now the unchallenged manipulators of the credit machinery, the banks, and the financial power of the world.

### **Private Corporation.**

There is not one American in ten thousand that doesn't believe and take for granted that the Federal Reserve System is a government agency. But nothing is further from the truth. The Federal Reserve banks are owned, lock, stock and barrel, by a criminal gang of international Jewish bankers, a gang that hasn't the slightest interest in serving the best interests of the American people. The Federal Reserve System, the Federal Reserve Banks, and its many branches and adjuncts, can be considered as a unit. For the sake of simplicity, we will simply refer to it as the Federal Reserve.

### **Government a puppet of the Fed.**

Not only does the U.S. government not own the Federal Reserve, it is, in fact, the other way around. The Federal Reserve owns the U.S. government and manipulates it like a puppet, solely for the interests of this avaricious international gang of Jewish jackals, who control the world, its money, and its economy.

### **Window Dressing.**

To most Americans, this comes as a major shock. Unbelievable, they say. Ask any banker as to who owns the Federal Reserve and they will lugubriously explain that the Federal Reserve stock is owned by the member banks, divided into twelve districts, that the President appoints members to the board of the governors of the Federal Reserve, etc. All of this is partially true as far as it goes, but it is pure window-dressing. The few details about the Federal Reserve that are known are widely disseminated. Their sole objective is to act as a smoke screen for the real ownership, the real control. What little is known to the public [and very little is known about the Federal Reserve] is very selective non-information, fed to the local bankers in order to confuse them rather than inform. Even most local bank presidents are so ignorant about the real nature of the Federal Reserve that they believe it is a government owned agency rather than a privately owned corporation solely for profit.

## **The Brutal Truth.**

The real facts are somewhat different from what the average banker thinks. They are as follows:

1. The real ownership and control of the Federal Reserve is vested in the Class A stock. The names of those owning this stock are impossible to obtain. Ask your local bank president and he'll be much surprised to find out there is a Class A stock. He will not have the slightest inkling as to its ownership. He is not alone. Those names have never been divulged, not even to the President, or the Congress of the United States. Nor has any Congressional Committee ever had the nerve to honestly investigate the question of that ownership. This should give us some indication of the Federal Reserve's power, and raise a red alert.
2. Its inception, formation and dovetailing with other such institutions in foreign countries indicates that without a doubt it is owned by a powerful clique of international Jewish bankers, most of whom are not even citizens of this country.
3. To further indicate what absolute power this monster exercises over our government and economy, the Federal Reserve has pre-empted unto itself some unusual and highly illegal privileges. For instance, it pays no income tax as do other corporations, nor does it pay taxes of any other kind.
4. The Federal Reserve has never been publicly audited since its inception in 1913.
5. The Federal Reserve, by having the power to issue money, can "create" money as easily as any other counterfeit gang with a printing press, the only difference being that it can and does do so on a massive scale and has "legal" sanction to do so. The tremendous profits from this counterfeit operation all accrue to the international gang of Jewish bankers at the expense of the American working people.
6. Americans, a little over a generation ago, owned nearly half the gold of the world. In 1934, Roosevelt [quarter Dutch Jew], made it illegal for American citizens to any longer own gold, although any foreign swindler, horse thief, or government, could, and still can, exchange their dollars for American gold. He made statutory criminals out of American citizens for owning gold, a privilege our government willingly grants to any foreign horse-thief.

## **Americans Stripped of their Gold.**

Thanks to such discriminatory policies, neither the American government nor the American citizen any longer own any significant quantities of gold. We have been fleeced clean. What was originally sold to the American people as a policy to back our paper money with gold, has ended up with America, its people and its government being robbed clean of its precious metal, although we are the most productive country on the face of the earth. The gold in Ft. Knox has rapidly been shipped to foreign shores, especially Switzerland, which the Jews have built up as a private “neutral” haven for themselves. Even what little is now left in Ft. Knox is now heavily over-pledged to foreigners and to the Federal Reserve.

### **Americans Fleeced Again.**

After having completely stripped clean the American people, in 1975, the Jew-controlled government of the United States again made it “legal” for the ordinary citizen to own gold. Americans could now buy back for \$175.00 to \$195.00 an ounce, what had been taken from their ancestors at \$20.50 an ounce 40 years earlier. Those who fell for this trap and now bought were further fleeced by speculation and falling prices, all of which further enriched the Jewish speculators.

### **And Again.**

Such was the situation in 1976. Many Americans lost money in the up and down manipulations of the Jewish gold speculators. Then towards 1979, as run-away inflation became more obvious and more rampant, confidence in the phony paper dollar plummeted even further. People at home and abroad panicked and turned to gold, driving up the price to \$800.00 an ounce. The Jews then pulled the rug out from under and it sank to under \$500.00. Again, many Americans lost, but the Jews, knowing in advance, what they were manipulating, profited from their losses.

### **Planned that way.**

This is no accident. It was planned that way. The Jews have accomplished what they set out to do— accumulate unto themselves, among other riches, all the

gold on the face of the earth.

\* \* \* \* \*

## **Back to Beginnings.**

In the foregoing, we have said that the Jews have a monopoly on printing counterfeit money and have also fleeced us of the huge gold reserves once owned by America, and Americans as individuals. To most gullible, uninformed Americans, this seems shocking and incredible. Yet, it is true. How did they accomplish such an astonishing feat, such blatant piracy?

## **Careful Planning.**

It is a long story. In this treatise we can only carve out the rough outlines of this sinister conspiracy that has had such a disastrous impact on the fortunes of non-Jews. It is a story that must give credit to the astounding possibilities that can be accomplished by meticulous planning, patience, and tenacity. All this the Jews have put forth in ample measure.

## **Began with Jewish Goldsmiths.**

The beginnings go back to the early ancestors of the present day Jewish bankers, back as far as medieval Europe, and even further back to ancient Rome, when the Jewish “goldsmith bankers” already predominated in the money markets. They still do today. Gold has been a medium of exchange and used for coinage from ancient times. The Jews, especially, have been wildly fascinated by gold and have undoubtedly promoted the idea that it had mystical and intrinsic values far beyond its real value. In any event, in the old days, people who acquired gold took it to these certain [Jewish] goldsmiths for safekeeping.

The goldsmith then gave the depositor a receipt or a “claim check” for the gold received. These “claim checks” could be used to reclaim the gold by anyone who had them in their possession, and not necessarily the same person who deposited the gold. Thereby these receipts were transferable, and in actual practice, these receipts for gold began to circulate as paper money. Supposedly, the receipts were as good as gold since whoever had them in their possession could claim the gold from the goldsmiths at any time they wished.

## **Jews found a Gimmick.**

So far so good. The next step was that people learned they could carry on trade and commerce by passing these goldsmiths’ receipts without ever bothering to

withdraw the gold itself. Their “faith” in the value of the paper was based on the idea that it was, after all, redeemable in gold at any time.

The third step was a major discovery by the Jewish goldsmiths themselves of what has been the Key Principle [and a very profitable one] of banking

ever since. It is called “Fractional Reserves.” Loaned out gold that wasn’t there. The Jewish goldsmiths made an amazing discovery. They found that with receipts circulating as money, few people came in to claim their gold. They conceived the idea that they could “loan out” gold, at interest— gold that really did not

belong to them, but was only in their “safekeeping.”

### **“Money” out of thin air, with interest.**

What they did was write out receipts, or “claim checks,” to borrowers, and charged interest on the gold they were loaning at the same time. These “claim checks,” or receipts, created out of thin air, then, too, passed into circulation, the same as the others that had been given to actual depositors of gold. The Jew, in actuality, was writing out and passing claim checks on several times as much gold as he had available, and nobody, it seemed, was the wiser. The Jew had struck a fabulous gold mine without having to so much as turn a shovel full of dirt!

### **“Fractional Reserve” the gimmick.**

The goldsmith was “lending out” gold that [a] was really not his to lend, and [b] several times more than he actually held in “safekeeping.” But with the calls for the actual gold by the original depositors being so infrequent, he felt relatively safe that with his “fractional reserve” of gold that he could cover any day-to-day withdrawals. He could do so, provided, of course, there was not a “run” on the gold supply that was not his, but only given to him for “safekeeping.” The goldsmith, in other words, was writing receipts for perhaps five or ten times as much gold as he had actually on deposit, betting on the theory that most of his depositors would not come to claim their gold at any given time. But the interest he was collecting on the fictitious gold he had “loaned out,” but did not really have, was very real indeed. For instance, if he charged 10% interest a year, and loaned out [via “receipts”] ten times as much gold as he had for “safekeeping,” he could acquire for himself, in only a year’s time, as much gold as was entrusted to him for “safekeeping.”

### **Acquired Monopoly.**

And thus, even in medieval Europe, these Jewish shylocks acquired a monopoly of gold and money in Venice, in Amsterdam, in London, Paris, Vienna and all other financial centers of Europe.

### **Jews have Clear Field.**

Throwing the money monopoly and control of gold into the hands of the Jewish Shylocks was strongly aided and abetted by the Christian church itself. During the Middle Ages [better known as the Dark Ages, when spook-craft ran rampant], the Catholic Church forbade Christians in engaging in the loan business, calling it “usury.” Since lending money was usurious, and usury was a sin, Christians were shut out, leaving the field wide open to the usurious and pecuniary Jew. Added to this was the stupid Christian doctrine that “money is the root of all evil.”

### **Soon Monopolized all Wealth.**

One further European practice of the time helped drive the Jews into the money manipulation monopoly. Many countries, cities, and principalities had laws prohibiting Jews from engaging in a number of trades and businesses, because they were aware of how, with his rapacious nature, the Jew soon monopolized and ruined those trades and businesses. But, foolishly, to the key, the nerve center of business— money— they left the gates wide open for the Jew to monopolize, and he had a field day. This he has to this very day, and today he not only has unchallenged control of the money markets of the world, but because of it, the Jew has a monopoly of every other meaningful and worthwhile business as well.

### **Coming and Going.**

Often these Jewish goldsmiths charged their clients both ways. They charged the depositors “fees” for “safekeeping” their gold, and they also collected interest from the borrowers of gold that did not belong to them, often, as we have stated before, lending out in the form of paper receipts five or ten times as much gold as was actually on deposit in their vaults.

### **Basis of all Modern Banking.**

From this “fractional reserve” trickery, discovered by these early Jewish goldsmiths, all modern banking principles have evolved, albeit with thousands of variations and refinements.

### **Fear a “Run.”**

The modern banker still fears, as did the ancient goldsmith, a “run” on his bank, a time of panic, or rumor, regarding their integrity or stability that sometimes caused all depositors to rush in and withdraw their deposits at the same time. When this happened to the early goldsmith, and happen it did, the enraged depositors, finding their gold was not there, usually hanged such Jewish manipulators from the nearest tree. In old Amsterdam, a Jewish goldsmith proposed a law making it a hanging offense for anyone starting a “run” on a

goldsmith. This immediately alerted his depositors and precipitated just such a “run” on him, the very thing he feared. Of course, this Jewish Shylock had far too many “receipts” out and could not pay. The depositors ended up hanging the goldsmith.

### **Jews became Fabulously Wealthy.**

Needless to say, those Jewish goldsmiths that were not hanged became fabulously wealthy by trafficking in gold that [a] was not theirs; and, [b] did not

exist. As time went on, through, fees, interest, and usury sometimes as high as 30% to 50%, they acquired most of the gold that had been earned and owned by their Gentile clients. They soon became the Shylocks and moneylenders, not only to individuals in all the civilized countries, but also to their governments. They have vigorously and aggressively maintained, enhanced and strengthened that position to this very day. They have now, as we said in the beginning, acquired absolute monopoly of all banking, issuance of money, financing, money lending, stock markets, and the gold of the world. It is their most powerful weapon. With it they have acquired their remaining weapons with which to enslave the gullible goyim. Through monopoly of money, they easily acquired monopoly of the means of propaganda, and every other nerve center

of power, including government itself.

\* \* \* \* \*

### **Acquired Legal Status by Treachery, Deceit, Betrayal.**

We now want to get back to the last part of our story— namely how the Jews acquired “legal” control and monopoly of printing the money of the United States, by setting up the Federal Reserve System. We can see from the foregoing that the foundation for this financial power group was laid many centuries before that

fateful day in December of 1913.

### **Treachery and Cunning.**

It is a fascinating story, permeated by treachery, deceit, bribery, trickery, and above all— long, patient and intricate planning on the part of the Jews. It is also marked by stupidity and betrayal by members of our own race. Rothschild owns Half the World. The International Jewish bankers, mainly based in New York, already had a tight monopoly, over the money supply of the United States long before 1913. The House of Rothschild, long ago

had established their tentacles in the industrial countries of Europe, especially England, France, Germany, Italy and Austria during the 19th century. In each of these countries [as well as the smaller nations], they had organized a Central Bank System, such as the Reichsbank in Germany, or the Bank of England in Britain. Basically, a Central Bank meant that it controlled the country's banks, using the full credit of the government to issue money. All the while, it had the legal sanction of that same government whose people it was fleecing by having a monopoly on issuance, i.e., printing money.

### **Fiercely Destroy Anyone who Interferes.**

In the United States, prior to the passage of the Federal Reserve Act in 1913, whereas the Jewish bankers had had control of the nation's money almost from its inception, that control was still fluid amongst its own rivals and could be wrecked by an aroused people and/or Congress. In fact, during the Civil War, in a temporary lapse, Abraham Lincoln invoked the legitimate powers of Congress and issued 450 million dollars in printed currency, later called "Greenbacks" that did not derive through the hands of the International Jewish Bankers, and no interest was paid on this money. This single act so enraged the Jewish bankers, that they had Lincoln assassinated by one of their agents, namely Botha, alias John Wilkes Booth, a Jew.

### **Artificial Panics.**

In any event, after the Civil War, due to the manipulations of these Jewish bankers, who had artificially created the financial panics of 1873, 1893, and the severest of all, in 1907, there were serious rumblings from the people, and from some uncontrolled members of Congress, threatening that the Jewish power might be broken. To ward off such a possibility, they decided to "legalize" their unconstitutional shenanigans by Federal Law— all in the name of "reform against the New York Bankers." This was reverse psychology at its best.

### **Paul Warburg the Master Mind.**

To lay the groundwork for such a law, a small clique of bankers headed by Paul M. Warburg, a Jew, recently arrived from Germany, met secretly on Jekyll Island at a plush hunting club in Georgia. They left in a private railroad car from Hoboken, New Jersey on November 22, 1910.

Of course one is permitted to say anything about non-Jews, BUT, if anyone DARES to speak and/or write the truth concerning the Jews, OH MY!! Then the truth is labeled as "hate." No one dare to say anything about the Jews. No one dare to bring Jewish criminals to justice, such as the leaders and perpetrators of the worst mass murders in history under Jewish communism, but innocent Nazis are forever dogged until their deaths, as a distraction from the hideous crimes and mass murders committed by Jewish controlled governments under Jewish communism. The Jews ran the REAL concentration camps where most prisoners, who were innocents, never lived to tell.

"Satan" means "TRUTH" in Sanskrit. No wonder he has been so slandered and attacked for centuries!

The Jews know the truth is now out regarding their hideous crimes against humanity for centuries and their days are numbered. We must keep educating the world as long as we are able to do so. I also note that many websites and servers removed the "www" before the URL. WWW; the Hebrew Vau Vau Vau translates into "666" a number they fear. 666 is the number of Satan and translates into spiritual empowerment for Non-Jews.

## Claims of 'Anti-Semitism' Bring Call for Internet Censorship

Posted By Staff on Feb 19, 2014

Attempts to censor the Internet because of the "danger it poses" to Jewish interests have been revealed in a special inquiry held before the Israeli parliament. According to a report in the Jerusalem Post, the Anti-Defamation League (ADL) is in an "ongoing relationship with Internet hosting company GoDaddy" to take down any website which it deems to be showing 'Jews, Jewish activities or Judaism in a negative light', and also "works with Facebook" for the same purpose.

According to the ADL representative, giving evidence during a Knesset hearing on the Internet and the threat it poses to 'Jewish special identity', the ADL has already succeeded in removing 30 sites hosted by Godaddy. Knesset Immigration, Absorption and Diaspora Committee chairman MK Yoel Razbozov called for even further censorship, saying that "countries" need to

enact legislation restricting free speech. Representatives of the Foreign Ministry, the Ministry of Jerusalem and Diaspora Affairs, the Israeli Internet Association and the Anti-Defamation League, among other bodies, testified at the hearing.

According to the report, "Facebook is coming around, they just need time," Ronald Eissens of the International Network Against Cyberhate added.

The World Zionist Organization has established a "communications center" for the internet and is "beginning two pilot courses for training Israelis to engage in this struggle," WZO Department for Countering Anti-Semitism chief Yaakov Hagoel told lawmakers.

"I don't see us winning the battle but at least we are putting up a fight," he said.

Committee member MK Dov Lipman told The Jerusalem Post that he "fear[s]

that we are fighting a losing battle," saying that countering the facts was not a way forward, and that only outright censorship provided any solution. "I am convinced that our focus should be on getting Facebook, YouTube,

Twitter and urge websites to remove anti-Semitic materials and not with setting up our own sites and pages to negate the anti-Semitism. I will present this proposal to the chairman of the committee and will push hard for this to be the government's direction."

Internet anti-Semitism a 'mortal danger,' say MKs By SAM SOKOL 02/10/2014 19:55

Stakeholders from government and non-governmental organizations testify in Knesset hearing on matter. Using Facebook on the Internet Photo: reuters Anti-Semitism on the net is "like a tsunami wave," Knesset Immigration, Absorption and Diaspora Committee chairman MK Yoel Razbozov said during a Sunday hearing on online hate speech.

Razbozov called for countries to enact legislation restricting online hate, and warned that if Jews will not act to combat the spread of anti-Semitism online, they will eventually "find themselves in mortal danger." Representatives of the Foreign Ministry, the Ministry of Jerusalem and Diaspora Affairs, the Israeli Internet Association and the Anti-Defamation League, among other bodies, testified regarding the dangers of online hate and discussed methods of combating disinformation about Jews and Israel.

The Anti-Defamation League testified regarding its ongoing relationship with

Internet hosting company GoDaddy to take down anti-Semitic websites, citing some 30 sites it said were taken down by the American company. Facebook has

also been working with the ADL, its representative said. "Facebook is coming around, they just need time," Ronald Eissens of the International Network Against Cyberhate added.

The World Zionist Organization established a communications center for combating hate online and is beginning two pilot courses for training Israelis to engage in this struggle, WZO Department for Countering Anti-Semitism chief Yaakov Hagoel told lawmakers.

"I don't see us winning the battle but at least we are putting up a fight," he said.

While combating disinformation with facts and taking anti-Semitism offline were both tactics discussed during the meeting, only the former will have any substantial impact, committee member MK Dov Lipman told The Jerusalem Post.

"I fear that we are fighting a losing battle," he said. "I am convinced that our focus should be on getting Facebook, YouTube, Twitter and urge websites to remove anti-Semitic materials and not with setting up our own sites and pages to negate the anti-Semitism. I will present this proposal to the chairman of the committee and will push hard for this to be the government's direction."

Jews Control the Internet, Says Pro-Palestinian Website

Dutch group charged with criminal complaint over anti-Semitic article  
Dutch antiracism groups have filed criminal charges against a pro-Palestinian organization called Stop de Bezetting- "Stop the Occupation"-whose website published an article accusing Jews of controlling the Internet. JTA reports

that  
the Center for Information and Documentation on Israel and the Dutch  
Complaints Bureau for Discrimination on the Internet have joined forces,  
filing a  
complaint against Stop de Bezetting that labels the text "offensive to  
Jews."  
Stop de Bezetting's founder, Gretta Duisenberg, denies breaking Dutch laws  
that forbid disseminating material with intention of inciting hate or  
discrimination.

The article in question was written in 2009 by the California-based Freedom  
Research Foundation and mentions the names of Jews involved with Google,  
Facebook, Wikipedia, Yahoo!, MySpace, and eBay. Titled "The Jewish Hand  
Behind the Internet," the article is split into subsections that include  
"The Jewish  
Entourage at Google," "Zuckerberg's Jewish Entourage at Facebook,"  
"Google's Cooperating with Jewish Censors," and "More Tricks to Control  
Information on Wikipedia." Wikipedia founder Jimmy Wales is called the  
"darling of the Jewish crowd at Harvard" and Sheryl Sandberg, who worked at  
Google before becoming the Chief Operating Officer of Facebook, is mocked  
for being involved with philanthropy, a "favorite Jewish pastime." The  
article also  
chronicles in great length the trips Internet moguls have taken to Israel.  
This anti-discrimination complaint comes amidst much discussion and  
concern about rising anti-Semitism in Europe, and the case against Stop de  
Bezetting's online anti-Semitism, which raises larger questions about hate  
speech on the Internet, is not the first of its kind. Last year, a French  
Jewish  
student group won a case in French court that called on Twitter to release  
the  
names of users who were promoting anti-Semitic hashtags. Duisenberg does  
not seem concerned about the prospect of legal action, and is quoted as  
saying  
"If they want to go to the police, fine. I won't remove [the article]  
because why  
should I."

Hello High Priestess Dietrich,

I honestly believe [godaddy.com](http://godaddy.com) is a pseudonym for "goydaddy," just like how tumblr is sometimes referred to as "Jumblr," in many Jewish circles.

Also note "godaddys" character (on their official logo) that features a almost "sheet" white skin complexion, green tinted glasses, and prominent wiry red hair. I believe this to be a scam onto us Gentiles (this is how their clients look in other words; often giddy headed and nerdy). They have been widely known to use half naked Gentile women ( that are suductive) to pull these weak Gentile men in. Then Christian groups accuse them of "being of the devil" lol. It could not be farther from the truth.

The Jews will stop at nothing to keep us Gentiles deluded and aimless.

We must continue the Good fight as we are damaging them where it hurts the most (the Internet).

Pussy Riot And A Look Into Russia

The reality of Russia under Jewish tyrant, Putin and his fellow Jewish oligarchs regime is that of political oppression and state terror. Its going back to the

Communist style system more and more. In the documentary below it was mentioned Putin released around 21 thousand political prisoners as PR stunt of phoney good will over the Winter Olympics'. People are being arrested for democratic protests and political difference of opinion. Many Nationalist leaders are normally arrested and put in jail as well. As Putin is marching Russian into the Eastern half of a Jewish owned, Globalist slave state. The "Pussy Riot" protest group despite their own politics' have really highlighted this fact to the world.

More on the Jewish tyrants who rule Russia:

This is quick documentary that interviews political activists in Russia and shows the reality of the Russia system. Its quiet communism. Just a warning the first couple of minutes show a graphic but censored clip of some gross stuff with a chicken in a supermarket.

The members of Pussy Riot shocked Russia when they performed their "Punk Prayer" in a Moscow church back in February 2012. The group was protesting the growing closeness between church and state under Russian President Vladimir Putin, but they became international celebrities when three of the members of the feminist, punk-rock protest group were arrested by the Russian authorities a few weeks later.

Nadezhda Tolokonnikova and Maria Alyokhina were convicted of "hooliganism motivated by religious hatred" and sentenced to two years in prison. With just two months of their sentence left, Nadya and Masha—as they're known in Russia—were freed in a general amnesty by the Russian government. Most observers saw the move as an attempt to clean up Russia's image before the 2014 Winter Olympic games in Sochi rather than a change in policy toward Putin's opponents.

VICE correspondent Simon Ostrovsky met up with the band members in Moscow just a couple weeks after they were released to find out what they're doing with their newfound freedom.

Russia sentences anti-Putin activists, detains hundreds

<http://uk.news.yahoo.com/seven-anti-putin-protesters-sentenced-four-years-101206594.html#6h0UhMg>

A Russian court on Monday sentenced seven activists to prison terms of up to four years over a protest against President Vladimir Putin as police detained hundreds of supporters outside.

A Moscow district court sentenced seven defendants to penal colony terms of between two-and-a-half and four years for what the judge ruled to be "mass riots" during a 2012 demonstration.

The high-profile case has become a symbol of the harsh crackdown on opposition protests since Putin returned to the Kremlin.

The eight in the dock were found guilty of taking part in mass riots and hitting policemen at a rally against Putin's inauguration to a third term as president.

"The sentences are harsh and inappropriate. They were issued based on the political situation, not on the nature of the charges," lawyer Dmitry Agranovsky said, adding that the group would appeal.

His client, 22-year-old Yaroslav Belousov, was sentenced to two-and-a-half years for throwing a lemon at a policeman.

An eighth defendant Alexandra Naumova, 20-year old and the only woman in the case, was given a suspended sentence of three years and three months.

Riot police detained several hundred supporters who gathered outside the court, some shouting slogans such as "Freedom" and "One for all, all for one!"

More than 200 people were detained for "attempts to breach public order", a police spokesman told AFP. Most were released shortly after arriving at police stations.

People later gathered for an evening protest on Moscow's central Manezhnaya square but the entire area was cordoned off with heavy police presence and interior troops, forcing people to crowd on sidewalks.

Several hundred stood near the parliament building nearby as police told them to leave through a loudspeaker and detained people in the crowd, an AFP correspondent said.

Police said 300 were "trying to violate public order", and 70 people had to be detained.

But Ovdinfo, a group that monitors detentions and arrests, said "a minimum of 315 people were detained" at the square and surrounding streets.

The two released members of protest punk band Pussy Riot, Nadezhda Tolokonnikova and Maria Alyokhina, as well as protest leader Alexei Navalny, were among those detained and tweeted pictures from a police van.

Amnesty International condemned the detentions, saying: "the Russian authorities' rampant violation of freedom of expression and assembly shows no sign of letting up".

Tens of thousands marched in protest the day before Putin's May 7, 2012 inauguration, in a rally that ended in scuffles with police.

The clashes on Bolotnaya Square led to dozens of arrests and injuries on both sides. Investigators said the opposition planned to overthrow the government.

- 'Hideous injustice' -

Amnesty International called the guilty verdict against the activists a "hideous injustice" and the result of a "show trial".

Judge Natalya Nikishina said Monday that the defendants "took part in mass riots. Their shared blame is established and proved".

But the defence said the case was based on conflicting police testimony that was not supported by any evidence, and that the scuffles did not qualify as mass riots due to a lack of grave injuries or property damage.

The judge handed down significantly lower sentences than the terms of up to six years that prosecutors had requested.

The court had postponed the sentencing until Monday, with the opposition saying this was to avoid publicity before Sunday's closing ceremony of the Winter Olympic Games in Sochi.

"I'm sure Putin didn't want the triumph of the closing of the Olympics to be accompanied with video footage of the detainees," Navalny told TV Rain independent channel.

Most of the defendants have been held in custody since 2012, meaning that some will be eligible for parole later this year.

Putin's spokesman Dmitry Peskov said Monday that like any other prisoner, those convicted "could apply to the head of state with a request to be pardoned" in comments to Slon.ru website.

An investigation into the rally has already seen one person sentenced to four-and-a-half years and a second committed to a psychiatric hospital.

This is a good documentary. Of course it has a leftist slant. But the fact is the Nationalist leaders and fighters were the ones who lead and fought and bled and died for the recent victory. To defeat a terrorist puppet regime. Being run by the Jewish oligarchs out of Moscow. One can see the Communist Style methods of the criminal regime they fought against. Including torcher and murder of citizens.

Kiev's Euromaidan protesters began 2014 the same way they ended 2013: by rioting in the streets in an attempt to bring down their government. Key victories have already been won, with Prime Minister Mykola Azarov and his cabinet resigning. The demonstrators also forced the annulment of a new anti-protest law that was, ironically, the cause of much of their protesting.

The protesters haven't been contented by this, however, and are still out in the streets, demanding the head of President Viktor Yanukovich and the staging of fresh elections. What began as a protest against the Ukrainian government's close ties with Russian leader Vladimir Putin has become a focus for wider discontent. However, Yanukovich seems in no mood to relinquish his power. As the social unrest spreads across the country, its first post-Soviet President, Leonid Kravchuk, has gone as far as to warn that Ukraine is on the brink of civil war. Dozens of people have lost their lives in just the last two days of violence.

At the end of January, VICE flew to Kiev as rioters hurled Molotov cocktails at police and the city turned into a battlefield.

Subject: The Metaphysic's Of Sexual Union

The Metaphysic's Of Sexual Union

The beings we call Gods are perfected and above time. They are a race of Siva's or Maha Siddha's [Great Perfected Ones]. The androgyne is spiritual of the magnetic, electric not literal. They are fully divine beings [not mortal] who lent themselves to a symbolic science of union and ascension. To go from human into fully divine. Now we examine the symbolic.

God in the macrocosm is quintessence not a literal being. Simply an impersonal cosmic force. The Logos or Shabda, the word.

"Verse 129 implies that the ultimate [ here Siva] is of the nature of Cosmic Space[Akasa or Void] and the essence of Jiva lies in the self-same Space in microcosmic condition."- Tirumantiram

God in the microcosm is the perfected human. Who is the incarnate Siva. The incarnate shabda. This is also called the Vak in Sanskrit. One who finished the union and become above time. Being made of that energy which is quintessence, the Hermetic first matter.

This is why the process of union is possible. The ancient names of God contain this understanding [AUM is the name of God as well and depicts the union of opposites]. God adds into 8 the number of quintessence/mercury and 8 forms the symbol of union. The individual soul is made of the same element that is called Siva and this by union of the body, soul and spirit is refined into the same energy and thus becomes Siva from turning copper into gold. This is done by the serpent fire. Because the element of Siva is beyond time. We have this Siva element within us like coal has the diamond within it. Kundalini fire is what transmutes us into the Diamond body.

The Zodiac

The serpent is the symbol of eternity. And the Zodiac represents the cosmic serpent Ananat. The sign of the Great Work.

Ophiuchus is the 13th constellation that has been hidden. As we know there is 13th steps of the great work. Ophiuchus means "The Serpent Holder"

The macrocosm is depicted as the Zodiac which contain both polarities. In many images the keystone is the symbol of the great work the union of opposites and is where the 13th sign is revealed. In many cases the keystone is in the shape of the yoni that the reborn God emerges from. In some images the zodiac wheel has the keystone within it as top center.

In other the 13th step appears the perfected logos of the microcosm openly in the image of the reborn sun god holding the serpent in the center of the Zodiac which is also the place of the sun. The depiction of the dual meaning of the macrocosm and microcosm. And the Great Work. The incarnation of the logos, Siva. In the east Siva in the image of the dancer with 12 arms in the center of the Zodiac wheel, crowned by Ananta shows this 13th step that is Siva.

In the East the animal headed deities are representations of the Vak or the logos of creation generally shown as the keystone image of the Dragon-serpent virala. Which is manifested depending on the image the Elephant head, Lion head and on. In the microcosm image.

This is why the Lion-Dragon head that is the capstone in the East which is above the eye of the Bull. Has no lower jaw because its the Logos from which all existence flows. Hence it can never close his mouth and end existence. Its eternal. The whole temple is considered to issue from the image of the Virala the capstone. And this image as Danielou shows in the West is the Green man and is also shown on the keystone of the Templars in Rosslyn chapel which relates to the same cosmology.

The union of opposites generates the soul back into the vak or quintessence [Siva] that is symbolized as the image of the sun as the material manifestation of this principal. Which is depicted as the keystone or capstone. Which is why Yoga [union] equals to the number 13 in Sanskrit numerology.

All union is maithuna.

The feminine part is the spirit that animates and transforms the masculine, into the perfected divine form. As well as numerous sub-groupings of how this different polarity manifests within the soul. The Goddess sexually straddles over the God in many images from Egypt to India as union and transformation of the new soul. As the male is the divine form being animated and unified by the female energy of creation. Which resurrects the individual into the reborn state. As the divine child is also the reborn God who absorbs both polarity into one. More on this later.

Siva is the message of male and female unified into the primordial element the divine androgynous. Siva is androgynous and an eternal youth of 16 which adds into 7 the number of completion. Which is the process of union completed as this refines the being into the element of Siva. The agathodaemon is the androgynous. Skanda originally has 7 heads not six. This is actually Siva.

The act of union of the soul was depicted by the sexual union of the God and Goddess. Kama is depicted on the Temples in India to this day. And its considered blasphemy in the Sanskrit texts relating to the creation of Temples to not have Maithuna [sexual union] depicted upon the Temple walls. The entire temple is built according to the principal of union. As all the yantra's [the temple is also] depict the same.

Cupid, Kama And Cathar's

This is the origin and meaning of Cupid who is originally depicted not as today but as the agathodaemon [another title for Dionysus] at the source. The divine androgynous of 16 years old.

"In classical mythology, Cupid (Latin Cupido, meaning "desire") is the god of desire, erotic love, attraction and affection. He is often portrayed as the son of the love goddess Venus, and is known in Latin also as Amor ("Love"). His Greek counterpart is Eros."

“ Kamadeva is a name of Vishnu in Vishnu Purana and Bhagavata Purana and of Krishna as well as of Shiva. It is the name of author of Sanskrit work Prayaschita padyata. Kama is also a name used for Agni.”

As shown elsewhere at the link below, these above Gods are the same Primordial God at the source and have gone through centuries of cultural diffusion and adaptation.

The Supreme God:

<http://josministries.prophbb.com/topic217.html>

“K madeva is represented as a young, handsome winged man with green skin [my note blue and green where used interchangeable] who wields a bow and arrows. His bow is made of sugarcane with a string of honeybees, and his arrows are decorated with five kinds of fragrant flowers. The five flowers are Ashoka tree flowers, white and blue lotus flowers, Mallika plant (Jasmine) and Mango tree flowers”

Kama deva is the reborn soul, Cupid is a latin spelling of Kama [Latin is Sanskrit at its core]. And is the divine androgyne. As his name in latin is also Amour. Which is the Amour worshipped by the Cathar's who where worships of love.

Amour as Evola wrote also means Amrita:

“Amrita (Sanskrit: अमृता ; IAST: am ta) is a Sanskrit word that literally means "immortality", and is often referred to in texts as nectar. The word's earliest occurrence is in the Rigveda, where it is one of several synonyms of "soma" as the drink which confers immortality upon the gods.”

The bow and arrow are the spine and piercing aspect of the serpent with prana-mantra the mantra energized. Before an arrow is shot in the Eastern myths mantra is always recited to give it its power to destroy the asura's. The dross. Which in the Siva Purana's is describe as atomic [solar] style blast that destroys the Asura's totally and their three cities. Which brings the union of the soul and liberation. The Arrow tip relates to the A power as well, this power moving up the spine. The A relates to the logos/Siva. AUM is the one letter mantra because its an extension of A. The wings also represents the ascension of the soul. And the blue or green colour the purified one. The colour given the blue ether element in Sanskrit mean purified in English.

The heart shape is seen in the Yogi texts is where the pink and white channels meet in the head and where as the texts state union is achieved with the rising of the serpent. This heart symbol is a scaled down version of the Cobra serpent with its hood open. Which represents the same. Part of this symbolism is the union of the dual hemispheres of the brain that occurs. This is why all the ancient texts refer to the heart being the center of intuition, the pineal gland in the head. Their mention of the chamber of the heart is the same. The heart also represents the Yoni and the arrow the Phallus joined the symbol of union. The highest symbol of the full union behind the raising of the serpent.

On this level the androgyne is the unification of the trine channels by raising the serpent. The arrow also represents fixing this power which is also seen as Krishna being crucified to the sacred tree by arrows in an ancient form of the tale as well. Krishna is the personification of the serpent Ananta. Of which he as Vishnu is shown standing upon. The tree is the spinal column and the energy centers along it with the branches being the nadi channels.

Kama deva as the God of love, this love is taking about Shakti energy. The kundalini. The Cathar Amour is from the Sanskrit amrita the nectar of immortality. That is generated in the chakra's when kundalini pierces them as it moves upwards. And how this nectar causes the souls perfection. This is why Cupid or Kama fires arrows that cause one to experienced love [immortality]. By the transformation of the soul into the primordial element of Siva.

This shows that the love the Cathar's worshipped was immortality. Divine Love or Amrita is the energy that is generated by the exercises [Tapa's] that unify and transform the soul into Siva. Kama is Siva in the earliest images. This is embodied in the image of Kama who is also known as Dionysus, Krishna and Siva.

Dionysus . Is called the Second Zeus because he is the reborn and perfected God. Just as Skanda is called the second Siva for the same reason. The Greeks by their own record that confirm the archeological evidence. Came right from Helladiva which what is left of today Sri Lanka [who still worship Siva]. The original form of Zeus-Dionysus is the God Korous in the primordial Greek period before the destruction of their civilization at the time of the end of Crete. Which marks their decline and loss of cultural knowledge as the Egyptian records comment. And the later Greeks shown themselves. Korous later became known as Zeus-Dionysus. Korous is shown naked, and colored blue, the symbol of rebirth as a youth of 16 years and has a consort Radha as well as playing the flute having a sacred bull and 12 cowherd companions [Siva's 12 Gana's and sacred bull]. This also describes Krishna who is also called Kamadeva and who engages in sexual union with the 16,000 milkmaids and his Gopi's. As well as Radha, his half sister [the other half of the soul]. In the Kama Sutra we see something important:

"In such a away by sexual inversion In order to conquer Krishna, Radha audaciously unleashes the conflict of inverted copulation."

This is the same image as elsewhere of the Goddess sexually [such as Siva and Shakti] mounting the God to bring him to life by transformation into the divine androgyne.

The six pointed star the symbol of the union and perfection of the soul. Is the upper triangle the Yoni coming together with the lower triangle the Phallus to generate the reborn soul by inner maithuna. The images of the Gods and naturally of their sexual union form into geomantic diagrams or yantra that describes steps of the science of union of the soul.

The sexual union of the Goddess mounting the God is simply another way of depicting the hexagram.

This is a clue to the valentine day time. It was known to have been a pagan holiday in Rome and thus everywhere at one point.

Krishna is at the heart is Siva in the North of which I have shown in other articles. When we go back to Korous and primordial Hellas, we can see clearly this is the fact. There are still ancient Serpentine Lingam stones all over Greece from their Pagan sacred centers. Dionysus as the Egyptians and Greeks both

state is Osiris in Egypt and the reborn Osiris by the sexual union of the God and Goddess. Is Hari Krist [Krisnha][not Horus]. Who is depicted in images the same as Siva-Krishna in the East. Higgin's states the God in Ireland who was also known as Dionysus-Siva elsewhere is called among names, Krishna by the ancient Irish. The popular images of Hari [horus] also show him as the androgyne.

When the Greek army stopped in Sri Lanka sailing on their way home after the end of Alexander's campaign. They openly worshipped Siva-Skanda as Zeus-Dionysus.

The Bible in the book of revelations openly states Satan is the God Zeus-Dionysus.

Revelation 2:12 "Pergamos. Where Satan's throne is."

Peragmos was dedicated to the God Zeus [Dionysus] and the altar of the God was also the throne of the God.

Time

The fall in the mysteries is the loss of this inner union the one, which results in the manifestation of duality in the world [soul]. This is why the number 2 is profane in the Mysteries such as those of Pythagoras [who was a concept of the union not a person even the name means serpent]. Pythagoras morphs into a shine of Demeter upon his death. For this reason.

Something possible to consider.

There was no big bang. The universe has always existed on the level its called Siva is the Shabda the subtle element=sound that is beyond time. This is due to time and material existence being generated by the force of gravitation which an electric expansive force and magnetic contracting force. The physicist Russell wrote about this electric universe. The perfected being is also called the Shabda in the texts.

This dual polarity comes from the primordial force in a different or material manifestation. The union of the same polarity within generates one into the back into the same, the Shabda. Its like a reversal of the principal that causes the force of time. And thus one transcends it. The Shabda. Hence our God in the mysteries is called the destroyer of time over and over. Which is liberation from karma which is the force of time itself. Karma also means action which can be considered the action of the dual forces that causes time.

The Primordial being is one who is made of the same energy by union of the soul. This is the Primordial tradition in its core meaning.

## The Sacred Role Of Homosexuality

In the earliest form of the mysteries, Homosexuality is used to express this metaphysical science quite notably. Even on the temple walls.

Homosexuality was considered the third sex in the ancient world. The Kama Sutra makes statements according to this. There are also homosexual acts depicted on the temple walls that relate to maithuna in the cosmological sense.

Originally the metaphysics of sex is based upon the inner union of the soul into the sacred androgynous or third sexed principal. Heterosexuality was not important on this level. Unlike the fake religion of Christianity and its Jewish root. Who make heterosexual sex, sacred only based on the profane, material procreation of children even then done horribly in violation of all sacred, spiritual laws and thus becomes profane. Procreation of children in the Pagan Tradition was done according to proper metagenic laws, astrological timing and spiritual rituals for the auspicious creation of a spiritual child. Such required knowledge is called practicing Satanism by Judeo-Christianity. The heterosexual variation of maithuna is contained in the remnant of the marriage ritual [taken from the Pagan world]. But is so debased by Christianity its lost its metaphysical principal. Marriages where as part of such arranged by metagenic law including astrological charts.

As a note the unedited Kama Sutra has whole sections devoted to homosexual love and sex. It also mentions homosexual marriage as part of the Primordial tradition. It existed until the Jewish programs destroyed it.

The Templars who practice the primordial tradition [Satanism] chose to depict two male knights upon a single horse to show this principal. This is linked to why the oldest mysteries that of Siva are consider to be Homosexual in nature this is allegorical. Homosexuality is two of the same physical sex but together show the metaphysical polarity within the soul coming together into the same physical being. The homosexual is the third sex all of this together shows the androgyne.

Skanda. [my note Siva] He is the protector of Homosexuals who are considered privileged and beneficial beings." Alain Danielou

The horse is the symbol of the serpent power as well. Not the church chose the image of the Templars to accuse them of homosexuality.

So all of this shows the androgynous principal. As such sexual union does not create people and is based on the third sex. It exalts the highest metaphysical principal of maithuna. By attacking homosexuality the Jews [the core of Abrahamic programs that are the reason homosexuality is hated] are attacking the core knowledge of maithuna and the Godhead. This principal was always shown as sexual union. Another example the reborn God is always bisexual. For this purpose the union of opposites. Transsexualism was also sacred as it was considered along with homosexuality the third sex. Which embodies the

cosmology of the divine.

Siva is the third sex, the divine androgyne.

Subject: Communism Is A Religion

Communism Is A Religion

Danielou was correct when he called Marxism the last world religion.

Communism is a religion. This documentary film shows life in this society. They have literally created a religion of the cult of the Communist state and leaders. The head leaders are turned into near mythical-supernatural messianic beings on the level of a Jesus or Mohammed. Their lives are crafted into religious themed, mystical stories and complete with massive Temples and shines built to them across the nation. Their books are treated as Bibles or Koran's and the people forced into a literal cult of worship of them as divine hero's, full of religious zeal and fanaticism along with religious like parades and pageants. And the state as their church on earth. They even have a massive city built as the Vatican or Mecca to the state cult. This is something you would only expect to find in a place like Saudi Arabia.

As a wise person stated simply cross out God in the Bible and insert State and you have Communism.

This is what Jewish Christianity and Islam is designed to lead the planet into. As the Koran is just the Jewish Torah mixed with other Christian tales mixed with Mohammed. It plugs into the vortex of psychic power created by Judeo-Christianity.

This film also shows the reality of people forced to eat literal baked dirt and tree bark to try and stay alive, hundreds of thousands and more dead from mass starvation. Empty roads and cities, They can't even keep the power on in their capital it has constant black outs. No economy of anything in existence. Death camps and massive graveyards to the point they are reusing body bags because the state is running out of them. So many people are dying from starvation and disease.

The whole nation is crumbled into a tombworld. Full of massive mausoleum style monuments to the state cult that has exterminated them.

North Korea Documentary - Secret Filming Of A Country In Ruins - Little Left To See In North Korea

The winner of the 2001 International Emmy award for Best Documentary,

Welcome to North Korea is a grotesquely surreal look at the all-too-real conditions in modern-day North Korea.

Dutch filmmaker Peter Tetteroo and his associate Raymond Feddema spent a week in and around the North Korean capital of Pyongyang -- ample time to represent the starvation and deprivation afflicting a good portion of the population, and to offset such "contemporary" imagery as cars and public facilities with the conspicuous nonuse of these trappings.

As the filmmakers reveal, the North Koreans have no opportunity to compare their existence with that of the outside world, due to the near-total cutoff of news and free transportation.

The one predominant feature of this oppressed nation is manifested in the scores of statues, sculptures, and iconic paintings of North Korea's Communist

dictator Kim Jong II, who has gone to great and sometimes ruthless lengths to convince his subjects that he has inherited godlike powers from his equally "divine" father, the late Kim II Sung (whose mummified body still lies in state, à la Lenin).

Were this not all too painfully true, Welcome to North Korea could easily pass as a grotesque fairy tale, out Grimm-ing anything found in Grimm.

The film made its American TV debut via the Cinemax cable network on March 18, 2003.

As some of you may be already aware, there are broken links on the JoS website. The internet is under heavy attack right now, and this will more than likely get worse as time goes on, given the news articles below. The injustice is brutal. Just note how Satanism, Satanists and many others can be freely and openly attacked relentlessly, discriminated against and so forth, but we are not allowed to defend ourselves, or state truths. Oh My! Heaven forbid anyone should ever criticize the Jews!

Now, as for the web pages that are down, most of them can be accessed by copying and pasting the URL of the broken link into <http://archive.org/web/> Please add this website to your favorites, bookmark it. If you are not clear on how to do this, just ask in the groups/forums.

The more I research that filthy bible, the more appalling it becomes. All of those so-called "prophesies" are nothing more than a Jew created HOAX! Christianity is their root and their bulwark and their key to making slaves of non-Jews. I will get into this in depth, but to keep this short, if those prophesies are for real, then why do they need to make use of subliminals in order to bring them on?

Here is blatant proof of subliminals used in the Media leading up 911:  
Most people are fully aware that Jews control Hollywood and the media.  
Hollywood

Predicted 9:11??? [Youtube video]

<http://www.youtube.com/watch?v=41FRnNDZkul>

The above video is proof that the so-called "prophesies" in the Bible are nothing but a hoax. The Bible is not the "Book of God" but is a work of the

Jews, of which they use subliminally to carry out their curses, some of which are centuries old. One only has to be knowledgeable about the workings of the mind and of witchcraft to see this and to fully understand.

The above is just one, there are also many more including:

This idiot blames Satan, of course, but is too stupid to note that there is a bible in every home, no different from the money circulating, giving this a subliminal link and most important of all, if this bible is as they claim "the word of God" then WHY must the Jews use money, movies and other means to create subliminals for their so-called "prophecies"?????

The Judeo/Christian bible is nothing more than a total hoax, though given the low level of intelligence of most Christians, they cannot see this.

I explain much more [I am not the best speaker], but these videos of my mp3 audio sermons reveal more in depth concerning these so-called "prophecies":

Internet anti-Semitism a 'mortal danger,' say MKs By SAM SOKOL 02/10/2014 19:55

Stakeholders from government and non-governmental organizations testify in Knesset hearing on matter.

Using Facebook on the Internet Photo: reuters

Anti-Semitism on the net is "like a tsunami wave," Knesset Immigration, Absorption and Diaspora Committee chairman MK Yoel Razbozov said during a Sunday hearing on online hate speech.

Razbozov called for countries to enact legislation restricting online hate, and warned that if Jews will not act to combat the spread of anti-Semitism online, they will eventually "find themselves in mortal danger."

Representatives of the Foreign Ministry, the Ministry of Jerusalem and Diaspora Affairs, the Israeli Internet Association and the Anti-Defamation League, among other bodies, testified regarding the dangers of online hate and discussed methods of combating disinformation about Jews and Israel.

The Anti-Defamation League testified regarding its ongoing relationship with Internet hosting company GoDaddy to take down anti-Semitic websites, citing some 30 sites it said were taken down by the American company.

Facebook has also been working with the ADL, its representative said.

"Facebook is coming around, they just need time," Ronald Eissens of the International Network Against Cyberhate added.

The World Zionist Organization established a communications center for combating hate online and is beginning two pilot courses for training Israelis to engage in this struggle, WZO Department for Countering Anti-Semitism chief Yaakov Hagoel told lawmakers.

"I don't see us winning the battle but at least we are putting up a fight," he said.

While combating disinformation with facts and taking anti-Semitism offline were both tactics discussed during the meeting, only the former will have any substantial impact, committee member MK Dov Lipman told The Jerusalem Post.

"I fear that we are fighting a losing battle," he said. "I am convinced that our focus should be on getting Facebook, YouTube, Twitter and urge websites to remove anti-Semitic materials and not with setting up our own sites and pages to negate the anti-Semitism. I will present this proposal to the chairman of the committee and will push hard for this to be the government's direction."

Claims of 'Anti-Semitism' Bring Call for Internet Censorship

Posted By Staff on Feb 19, 2014 in culture | 0 comments

Attempts to censor the Internet because of the "danger it poses" to Jewish interests have been revealed in a special inquiry held before the Israeli parliament.

According to a report in the Jerusalem Post, the Anti-Defamation League (ADL) is in an "ongoing relationship with Internet hosting company GoDaddy" to take down any website which it deems to be showing 'Jews, Jewish activities or Judaism in a negative light', and also "works with Facebook" for the same purpose.

According to the ADL representative, giving evidence during a Knesset hearing on the Internet and the threat it poses to 'Jewish special identity', the ADL has already succeeded in removing 30 sites hosted by Godaddy.

Knesset Immigration, Absorption and Diaspora Committee chairman MK Yoel Razbozov called for even further censorship, saying that "countries" need to enact legislation restricting free speech.

Representatives of the Foreign Ministry, the Ministry of Jerusalem and Diaspora Affairs, the Israeli Internet Association and the Anti-Defamation League, among other bodies, testified at the hearing.

According to the report, "Facebook is coming around, they just need time," Ronald Eissens of the International Network Against Cyberhate added.

The World Zionist Organization has established a "communications center" for the internet and is "beginning two pilot courses for training Israelis to engage in this struggle," WZO Department for Countering Anti-Semitism chief Yaakov Hagoel told lawmakers.

"I don't see us winning the battle but at least we are putting up a fight," he said.

Committee member MK Dov Lipman told The Jerusalem Post that he "fear[s] that we are fighting a losing battle," saying that countering the facts was not a way forward, and that only outright censorship provided any solution.

"I am convinced that our focus should be on getting Facebook, YouTube, Twitter and urge websites to remove anti-Semitic materials and not with setting up our own sites and pages to negate the anti-Semitism. I will present this proposal to the chairman of the committee and will push hard

for this to be the government's direction."

Jews Control the Internet, Says Pro-Palestinian Website  
Dutch group charged with criminal complaint over anti-Semitic article

Dutch antiracism groups have filed criminal charges against a pro-Palestinian organization called Stop de Bezetting-"Stop the Occupation"-whose website published an article accusing Jews of controlling the Internet. JTA reports that the Center for Information and Documentation on Israel and the Dutch Complaints Bureau for Discrimination on the Internet have joined forces, filing a complaint against Stop de Bezetting that labels the text "offensive to Jews." Stop de Bezetting's founder, Greta Duisenberg, denies breaking Dutch laws that forbid disseminating material with intention of inciting hate or discrimination.

The article in question was written in 2009 by the California-based Freedom Research Foundation and mentions the names of Jews involved with Google, Facebook, Wikipedia, Yahoo!, MySpace, and eBay. Titled "The Jewish Hand Behind the Internet," the article is split into subsections that include "The Jewish Entourage at Google," "Zuckerberg's Jewish Entourage at Facebook," "Google's Cooperating with Jewish Censors," and "More Tricks to Control Information on Wikipedia." Wikipedia founder Jimmy Wales is called the "darling of the Jewish crowd at Harvard" and Sheryl Sandberg, who worked at Google before becoming the Chief Operating Officer of Facebook, is mocked for being involved with philanthropy, a "favorite Jewish pastime." The article also chronicles in great length the trips Internet moguls have taken to Israel.

This anti-discrimination complaint comes amidst much discussion and concern about rising anti-Semitism in Europe, and the case against Stop de Bezetting's online anti-Semitism, which raises larger questions about hate speech on the Internet, is not the first of its kind. Last year, a French Jewish student group won a case in French court that called on Twitter to release the names of users who were promoting anti-Semitic hashtags.

Duisenberg does not seem concerned about the prospect of legal action, and is quoted as saying "If they want to go to the police, fine. I won't remove [the article] because why should I."

Most of the articles on the JoS website are freely available there in pdf book forms, some in several different languages. The internet is under serious attack and the Jews are out to ruin it. The time is short. Download, save pages and help spread the word while you can. They are also trying to prevent me from posting. I posted this e-mail this morning and it still is not in the JoS e-groups. I will keep posting it until I see it in the groups.

THERE WILL BE A RITUAL ON THE EQUINOX, MARCH 19, WHICH IS OF UTMOST IMPORTANCE.

I WILL BE POSTING THIS TO THE GROUPS SEVERAL TIMES. THIS WILL BE THE MOST SERIOUS AND DEVASTATING TO THE ENEMY THAT HAS EVER BEEN DONE. LILITH IS GIVING ME THE STEPS. THE RITUAL WILL BE EASY AND STRAIGHTFORWARD. THIS RITUAL IS FROM LILITH, AND IS UNLIKE ANY RITUAL WE HAVE EVER DONE. THE ENEMY CENSORS EVERYTHING, ESPECIALLY THE CORRESPONDENCES OF THE MINISTRY AND THEY ARE TRYING TO PREVENT THIS RITUAL AT ALL COSTS. WE HAVE BEEN UNDER HEAVY ATTACK.

IF FOR SOME REASON, THE GROUPS ARE INTERFERED WITH, WHICH IS VERY POSSIBLE, THEN CHECK OUT THE JOS FORUMS:

<http://josministries.prophbb.com/>

THIS WILL BE A SERIES OF RITUALS. THE ROOT OF JEWISH POWER IS IN THEIR TORAH, IN HEBREW. LILITH HAS SHOWN ME THIS AND HOW TO DESTROY THEIR CURSES AGAINST US.

The more I research that filthy bible, the more appalling it becomes. All of those so-called "prophesies" are nothing more than a Jew created HOAX! Christianity is their root and their bulwark and their key to making slaves of non-Jews. I will get into this in depth, but to keep this short, if those prophesies are for real, then why do they need to make use of subliminals in order to bring them on?

Here is blatant proof of subliminals used in the Media leading up 911: Most people are fully aware that Jews control Hollywood and the media. Hollywood Predicted 9:11??? [Youtube video]

<http://www.youtube.com/watch?v=41FRnNDZkul>

The above video is proof that the so-called "prophesies" in the Bible are nothing but a hoax. The Bible is not the "Book of God" but is a work of the Jews, of which they use subliminally to carry out their curses, some of which are centuries old. One only has to be knowledgeable about the workings of the mind and of witchcraft to see this and to fully understand. The above video, they keep removing. People who know the truth just keep putting it right back up again.

The above is just one, there are also many more including:

1960'S SUBLIMINAL MESSAGES (in slow motion)[Youtube video]

<https://www.youtube.com/watch?v=Rnkg-yCPryE>

9/11 \$20 Bill Trick [Youtube video]

<https://www.youtube.com/watch?v=D1SYfqH8J30>

[http://www.youtube.com/watch?v=TKLw\\_Fm3tqg](http://www.youtube.com/watch?v=TKLw_Fm3tqg)

Sandy Hook and Batman shootings announced in Movie "Batman " [Youtube video] <http://www.youtube.com/watch?v=c8nTZKpmtIQ>

[The above was done to try to enact gun control. By enforcing gun control, the populace is then helpless. The communists blatantly move in and mass murder whoever they please. ARMED PEOPLES ARE FREE PEOPLES!

There is another one, now the \$100.00 bill. Note this one was done by a Christian IMBECILE:

<http://www.youtube.com/watch?v=NU4-Ev2xLXM>

This idiot blames Satan, of course, but is too stupid to note that there is a bible in every home, no different from the money circulating, giving this a subliminal link and most important of all, if this bible is as they claim "the word of God" then WHY must the Jews use money, movies and other means to create subliminals for their so-called "prophecies"?????

The Judeo/Christian bible is nothing more than a total hoax, though given the low level of intelligence of most Christians, they cannot see this.

I explain much more [I am not the best speaker], but these videos of my mp3 audio sermons reveal more in depth concerning these so-called "prophecies":

The Holy Bible: A Book of Jewish Witchcraft:

<https://www.youtube.com/watch?v=WoNVATbbTlc>

I already posted these news articles and I am posting them again. Note the phrases contained below:

" Knesset Immigration, Absorption and Diaspora Committee chairman MK Yoel Razbozov called for even further censorship, saying that "countries" need to enact legislation restricting free speech."

"Attempts to censor the Internet because of the "danger it poses" to Jewish interests"

This right here blatantly reveals who is out to destroy your civil liberties and freedoms, and in addition, reveals the Jewish supremacy attitude over Gentiles.

Internet anti-Semitism a 'mortal danger,' say MKs By SAM SOKOL 02/10/2014 19:55 Stakeholders from government and non-governmental organizations testify in Knesset hearing on matter.

Using Facebook on the Internet Photo: reuters Anti-Semitism on the net is "like a tsunami wave," Knesset Immigration, Absorption and Diaspora Committee chairman MK Yoel Razbozov said during a Sunday hearing on online hate speech.

Razbozov called for countries to enact legislation restricting online hate, and warned that if Jews will not act to combat the spread of anti-Semitism online, they will eventually "find themselves in mortal danger."

Representatives of the Foreign Ministry, the Ministry of Jerusalem and Diaspora Affairs, the Israeli Internet Association and the Anti-Defamation League, among other bodies, testified regarding the dangers of online hate and discussed methods of combating disinformation about Jews and Israel.

The Anti-Defamation League testified regarding its ongoing relationship with Internet hosting company GoDaddy to take down anti-Semitic websites, citing some 30 sites it said were taken down by the American company.

Facebook has also been working with the ADL, its representative said.

"Facebook is coming around, they just need time," Ronald Eissens of the International Network Against Cyberhate added.

The World Zionist Organization established a communications center for combating hate online and is beginning two pilot courses for training Israelis to engage in this struggle, WZO Department for Countering Anti-Semitism chief Yaakov Hagoel told lawmakers.

"I don't see us winning the battle but at least we are putting up a fight," he said.

While combating disinformation with facts and taking anti-Semitism offline were both tactics discussed during the meeting, only the former will have any substantial impact, committee member MK Dov Lipman told The Jerusalem Post.

"I fear that we are fighting a losing battle," he said. "I am convinced that our focus should be on getting Facebook, YouTube, Twitter and urge websites to remove anti-Semitic materials and not with setting up our own sites and pages to negate the anti-Semitism. I will present this proposal to the chairman of the committee and will push hard for this to be the government's direction."

Claims of 'Anti-Semitism' Bring Call for Internet Censorship

Posted By Staff on Feb 19, 2014 in culture | 0 comments

Attempts to censor the Internet because of the "danger it poses" to Jewish interests have been revealed in a special inquiry held before the Israeli parliament.

According to a report in the Jerusalem Post, the Anti-Defamation League (ADL) is in an "ongoing relationship with Internet hosting company GoDaddy" to take down any website which it deems to be showing 'Jews, Jewish activities or Judaism in a negative light', and also "works with Facebook" for the same purpose.

According to the ADL representative, giving evidence during a Knesset hearing on the Internet and the threat it poses to 'Jewish special identity', the ADL has already succeeded in removing 30 sites hosted by Godaddy.

Knesset Immigration, Absorption and Diaspora Committee chairman MK Yoel Razbozov called for even further censorship, saying that "countries" need to enact legislation restricting free speech.

Representatives of the Foreign Ministry, the Ministry of Jerusalem and Diaspora Affairs, the Israeli Internet Association and the Anti-Defamation League, among other bodies, testified at the hearing.

According to the report, "Facebook is coming around, they just need time," Ronald Eissens of the International Network Against Cyberhate added.

The World Zionist Organization has established a "communications center" for the internet and is "beginning two pilot courses for training Israelis to engage in this struggle," WZO Department for Countering Anti-Semitism chief Yaakov Hagoel told lawmakers.

"I don't see us winning the battle but at least we are putting up a fight," he said.

Committee member MK Dov Lipman told The Jerusalem Post that he "fear[s] that we are fighting a losing battle," saying that countering the facts was not a way forward, and that only outright censorship provided any solution.

"I am convinced that our focus should be on getting Facebook, YouTube, Twitter and urge websites to remove anti-Semitic materials and not with setting up our own sites and pages to negate the anti-Semitism. I will present this proposal to the chairman of the committee and will push hard for this to be the government's direction."

Jews Control the Internet, Says Pro-Palestinian Website Dutch group charged with criminal complaint over anti-Semitic article

Dutch antiracism groups have filed criminal charges against a pro-Palestinian organization called Stop de Bezetting-"Stop the Occupation"-whose website published an article accusing Jews of controlling the Internet. JTA reports that the Center for Information and Documentation on Israel and the Dutch Complaints Bureau for Discrimination on the Internet have joined forces, filing a complaint against Stop de Bezetting that labels the text "offensive to Jews." Stop de Bezetting's founder, Greta Duisenberg, denies breaking Dutch laws that forbid disseminating material with intention of inciting hate or discrimination.

The article in question was written in 2009 by the California-based Freedom Research Foundation and mentions the names of Jews involved with Google, Facebook, Wikipedia, Yahoo!, MySpace, and eBay. Titled "The Jewish Hand Behind the Internet," the article is split into subsections that include "The Jewish Entourage at Google," "Zuckerberg's Jewish Entourage at Facebook," "Google's Cooperating with Jewish Censors," and "More Tricks to Control Information on Wikipedia." Wikipedia founder Jimmy Wales is called the "darling of the Jewish crowd at Harvard" and Sheryl Sandberg, who worked at Google before becoming the Chief Operating Officer of Facebook, is mocked for being involved with philanthropy, a "favorite Jewish pastime." The article also chronicles in great length the trips Internet moguls have taken to Israel.

This anti-discrimination complaint comes amidst much discussion and concern about rising anti-Semitism in Europe, and the case against Stop de Bezetting's online anti-Semitism, which raises larger questions about hate speech on the Internet, is not the first of its kind. Last year, a French Jewish student group won a case in French court that called on Twitter to release the names of users who were promoting anti-Semitic hashtags. Duisenberg does not seem concerned about the prospect of legal action, and is quoted as saying "If they want to go to the police, fine. I won't remove [the article] because why should I."

What We Are Fighting For Here

Take a good look at what life is like where Christianity takes over. Its the same everywhere. The rituals we are going to do to reverse the enemy curses on humanity will put an end to the pain and misery that is inflicted on people. This Jewish program of evil has to end. And it will only end by keeping up the struggle with education and rituals. By reversing this with the up coming rituals we will ensure nothing like the below ever happens again. The energy matrix of Christianity is literally the source of the misery on this earth.

A year ago, Dispatches told the story of how children in Africa's Niger Delta were being denounced by Christian pastors as witches and wizards, and then killed, tortured or abandoned by their own families. Following the introduction of the Child Rights legislation and an increase in financial support for a British charity providing a refuge for affected youngsters, the programme returns to find out what happened to some of the people featured in the first film.

Subject: IMPORTANT 2014 EQUINOX RITUAL!!

The following ritual is of extreme importance to Satan and our Gods. It should be done right after the Sun enters 0 degrees of Aries, which begins the Spring Equinox. The purpose of this ritual is to reverse curses in the bible. The bible is not a work of any "God" or divine entity, it is a manmade hoax. This also includes the biblical codes, of which I will go into detail in explaining in an article forthcoming. I will do my best to be online frequently until the time of the ritual to answer any questions related to the ritual, pronunciation and such, as will our High Priests.

The words below are to be vibrated. By vibrating these words, this will lift a powerful curse. The more people we have who will be doing this ritual, the better, as there is both strength and power in numbers. This ritual is a beginning of a series of rituals of which we will be doing similar each month or in some cases, twice a month in harmony with planetary energies. This ritual is not a curse, it is reversing a curse, of which does not in any way conflict with the retrograde Mars at this time. We are removing the weapons from the enemy's hands.

Many of the words below are guttural. This means many syllables are vibrated in the back of the throat. Just do the best that you can. Practice the words [I have included an mp3 of the words for you all to download], as much as you can before performing the ritual.

March 20, 2014, 16:57 begins the Spring Equinox. 16:57 is Greenwich Time, also known as Universal Time. To find your local time, you can visit this website: <http://www.timeanddate.com/calendar/march-equinox.html>

PLEASE PERFORM THE RAUM MEDITATION TO RAISE YOUR POWERS BEFORE PERFORMING THE RITUAL:

This meditation is exceptionally powerful and should only be performed by experienced meditators.

Vibrate RAUM

RRR into your base chakra [be sure to roll the R's]

AHH into your sacral chakra

UUU into your solar plexus chakra

MMM into your heart chakra

Now, vibrate RRR into your heart chakra [be sure to roll the R's]

AAAH into your throat chakra

UUU into your 6th chakra

MMM into your crown chakra.

The above is one round. Do several rounds. It is best to do 13 rounds, or a multiple of 13.

Following the completion of the above, vibrate I-O. I is the symbol for the masculine side of the soul [representing the penis] and O is the symbol for the feminine side of the soul [representing the vagina]. This is especially seen in the Sigils of our Gods. This is also taken from the Greek legend of IO, Princess of Argos, which is an allegory. Argos is of Agares.

Vibrate EEEE focusing on the right side of your body and immediately follow by vibrating OOOOH focusing on the left side of your body [going back and forth], 40 times.

For example, vibrate EEEE focusing on the right side of your body [torso], then immediately vibrate OOOH focusing on the left side of your body. That is one round. Then, immediately vibrate EEEE on the right, then immediately vibrate OOOH on the left. That is the second round. Do 40 rounds of vibrating I then O using a Satanic rosary. A Satanic rosary is used so one is not distracted when vibrating high numbers of repetitions, by trying to keep count.

The I vibration, pronounced as EEE, is pronounced as the long American English E, as in the American English words SEE, TEA, and ME.

The OOOH vibration is the American English long O, such as in the words HOLD, and NO.

Following the completion of the above, vibrate E-A. Vibrate E, pronounced AY, as in the American English words MAY, SAY, DAY; focusing on the front of your body, and then AHHHH, focusing on your entire spine.

For example, vibrate AAAAYYYYY, focusing on the front of your body- just your torso, then immediately vibrate AAAH focusing on your entire spine. That is one round. Then, immediately vibrate AAYYY on focusing on the front of your body, then immediately vibrate AAAH focusing on your entire spine. That is the second round. Do 40 rounds of vibrating E then A using a Satanic rosary.

This meditation empowers the entire soul. The heart chakra is a connector and energy vibrated into it from below will then connect to and transfer into the upper chakras in the second part of the meditation. Just be aware, this is exceptionally powerful and you will definitely feel it the very first time.

This is a powerful meditation to use both before a formal ritual or any informal working.

IMPORTANT! RE: THE RAUM MEDITATION FOR THE RITUAL:

If you are inexperienced with meditation, then do the meditation with only half the number of repetitions given; 6 or 7, then 20 for the IO. If you are totally new, please read this before meditating.

Subject: Answers to Questions Regarding Equinox Ritual

Here are some answers to questions that were posted in the different groups.

I am posting them here for everyone:

The ritual will be performed once. One time only. This ritual is an opening though, in beginning a series of rituals. We will be reversing biblical curses.

Special thanks to Satan and Lilith. Without their directly working with me, this would have never been possible. Be sure to acknowledge Satan and Lilith, as they made this ritual possible. Please let them know your gratitude.

I worked brutally hard, yes, but they helped me through it. This was the most difficult and grueling work I have ever done to date. The language is ancient Hebrew. I had to learn this enough to know the letters, how to pronounce them and to reverse them, as they must be vibrated in reverse. The entire line of words must be vibrated backwards in Hebrew.

Without both Satan and Lilith working directly with me on this, for several days and many hours straight, this would never have been possible. I took

the verse right out of a Jewish torah. BTW- I noted during this [I had to do endless research to try to get the pronunciations correct, Lilith said it is not 100%, but what I have will definitely work], that the Jews have a different torah that they themselves normally use, and a different one designed for Christians who can read Hebrew and this is also with Jewish writings. In addition, as most of you know, regarding the intelligence level of most Christians; the level of outright stupidity is profound. I had to do a lot of online research, and also offline for this and it is no wonder how Christians are so easily deceived. I mean stupidity to the extreme. Lilith got me a copy of a Jewish used torah, not the one for the Christians who can read Hebrew. I will be using this in forthcoming rituals. I also stated before, the Jews use Hebrew because very few Gentiles can read and understand it. I have seen repeatedly, both in Hollywood movies and also when doing research, youtube, etc., different sources, where some Christian or even law enforcement will go to a rabbi to ask what this and that means in Hebrew. Think that rabbi is going to give it to them straight? The key is to learn it.

Also, for those of you who have doubts concerning Satan's intentions, if they did not care for us or had any "evil" intentions, they would not be helping humanity. By removing these curses, we will finally get out from under, be free, and have a future without needless suffering. BTW- this working was the most difficult for me in the way of obstacles and brutal hard work, the enemy fought me incessantly through psychic attack, but all this did was make me all the more determined. This is hitting the enemy right in the heart so to speak. What is really humorous is when the enemy spirits go from outright attacks to where they know they are defeated and then they attempt other means, like pleading. When they begin to plead, this is very, very rewarding.

More of these rituals will be forthcoming, as we will be undoing all of the biblical curses aimed at Gentiles. Unless we disarm the enemy at the root, their torah, we will never be able to beat them. The torah is their power. It is the root and the source of their power and control over the Gentile world. From Haman to Hitler, many, many Gentiles have tried to bring justice down upon the Jews, but have failed. They have failed because they were unaware that the Jews must be attacked spiritually. BTW- the Talmud is a rabbinical commentary. Their real power is in their torah.

Question:

I usually Vibrate the RAUM Mantra on my middle chakras. Should I vibrate RAUM on my spinal chakras instead >to fully maximize my energies for this ritual?

Thanks.

Answer:

No. The main reason for the RAUM meditation is to raise your powers. As long as what you are doing is working to raise your powers, you are fine in doing it.

---

Question:

Just curious... is it Sanskrit? If not, may I ask what language it is? Looks almost like ancient Egyptian!

Answer:

No, it is Hebrew, straight from their torah and the words and entire verse are reversed.

Question:

Hello everyone, much preparation ahead of this ritual, more than excited (but serious) to be apart of this. I would just like to add a quick tip for anyone new enough that may be concerned about a Satanic Rosary. I've seen among other sites and groups a concern for not having one. I myself have not yet crafted or consecrated one to my liking as I enjoy the aesthetic aspect of this. But don't worry if you don't have one yourself. An easy way to keep track of 108 vibrations I found was to utilize a couple of old decks of playing cards I had laying around the house, I counted out 108. Then concentrated the new 108 deck. Begin your vibrations, and simply without thought lay down a card in front of you until there are no more cards in the hand holding the deck. Simple and inexpensive. I even painted them black and in red and blue alternations Satan's sigil. Anyway thought I would add this

post. I remember I felt once concerned for not having a Rosary, but I got creative . Btw I plan to fashion a real one with my own crafted beads, just have found the deck method easy for now until I have the exact materiel I want.

HAIL SATAN!!!.

Answer:

Thank you for bringing this up. I finished with the ritual early this morning, after working on it for days and days and many hours straight. It was grueling to say the least and I want to make sure you all know- both Satan and Lilith helped me and made this possible. The credit goes to them. Without them, this would have been impossible.

I was very tired this morning when I posted this. I apologize for errors, such as not clarifying for new people regarding how to do the RAUM meditation. I also forgot to add that having a Satanic Rosary is not necessary. The reason for the rosary is that it is a help in being able to focus on the vibrations without having to keep track of the numbers of vibrations. Anything can work, even your fingers if necessary.

How long are we supposed to do this ritual? Is it a forty day working or longer? Length doesn't matter to me, I would just like to know. One other thing, my wife is very new to this, she recently dedicated not to long ago. Should she do this? If so, she has issues vibrating, could she vibrate these in her head?

Thank you Hail Satan!! Hail Lilith!! Hail all Gods of Duat!!

Answer:

The words do not have to be vibrated in the way as we do in our normal workings. Just vibrate them the way I have on the mp3. In other words, say them slowly and with intent.

---

Question:

Can newbies do this? Or no because of the RAUM meditation will be too much for them? If no, I was wondering if they could do the ritual to send energy to Satan and Lilith instead... I know some newbies who would like to join..Hail Satan and All The Mighty Gods of Duat!!

Answer:

Yes, Newbies can do this. It is important that everyone who is able to, to participate in this ritual. Energy can also be raised and sent.

I'm kind of new to all this.I dedicated myself to Father about a year ago but I started doing meditations a few weeks back. Can I also perform this ritual? Thanks!

Hail Satan!

Answer: Yes.

Question:

Posted by: teo4ss666 I have been dedicated a little under a month, and sadly cannot vibrate. My fiancée however has been dedicated about 2 years and can vibrate, however, he mentioned to me that i could do it in my head, is that accurate? Which leads me to my next question, you had mentioned that the meditation is very powerful and should only be done by experienced meditators, does this mean i can not participate? Or is there another way around this?

Answer:

Just do the RAUM meditation for half or even less of the repetitions.  
Instead of doing the entire 13 reps, do 6 or 7, and then do 20 for the IO.  
If this is too difficult, you can skip it. As I already mentioned in the  
above, just follow along on the mp3. The words only need be stated slowly.  
They do not need to be drawn out in a long vibration.

Many of our people remember what was said about February and the Two Rituals. As we were researching we found out that something else had to be done, which is the Equinox Ritual. For that reason these Rituals are postponed. When the series of the reversing kike curses will end, it has been given to the HPS that we will attack the enemy again with the Runes.

Those who felt the effects of the equinox Ritual know why the others were postponed. Everyone please stay updated and focused on the purpose. We are in this TOGETHER.

Below, a fictional story I wrote for our SS and Warriors.

<http://www.youtube.com/watch?v=XYKUeZQbMF0> You can hear music aswell with this. It may be more inspirational for you.

## THE FINAL WAR

And both of them sat down, the little one on his bed and the Father took the book, started reading the story. The Father opened this old, very old book written by their ancestors, not too long ago. He started reading the story:

"The Final War,

Aeons have passed inside this time, legions have been awaiting the Final Battle,

The rotten still stand against the strong, in a battle without mercy, the Noble ones still fight life after life for the same decree. The council has had to decide, on the war taking place and all there's to that.

What has been said by the old, you judge an Army by the King.

The name of this King Stands proud in the Banner, reading "Satan". The banner was clear, beautiful, white with Golden Trim and Satan's symbol in the middle. The enemy banner, pletted in the blood of the weak and deluded masses, whom they have conquered by force, names countless names of their leaders, who have led and are being led by slavery and force. Those who stood under this banner, stood because of their needs, fear and delusion. In this war, its free men, against slaves and rotten beings, who have all sorts of disgust in their steps and victories. Its those beings who are full of fear. Beings who have even denied themselves, beings who were not by nature created to embrace the vastness of herself. Death to them is the scariest thing that could happen. Death to the first ones has been never a fearful trip.

The Grand Noble Commander, Rammesses II, does not stand upon a Golden throne, for He is Golden inside his own Soul, without such need, He is in the line like anyone else; for the Noble Souls seek no a vain leadership but to guide their worthy ones to Eternity. He is moving from the front line to the Podium, ready to talk to his loyal people, who are fighting this righteous war. The Gods silently watch, as they themselves observe the Noble Armies as equals to themselves. As such, they pay unwavering attention. He has stood to everyone as a role model and Father.

Down from the Podium, the loyal armies of the Noble ones, in all their perplexity of appearance and Noble Gentile Spirits, embodiments of ALL the Ancient Gentile Races, watch, in all their mighty differences in beauty, intelligence and presence. They listen carefully, wearing their armors, with their own symbols of their culture, which they have protected. Now they are all connected to one, well organized army, in which the Gods have placed their Truth and Trust. All these tribes, have their Leaders and appointed Rules, whom have been chosen as such by the council of the Gods and by the people in Free Will. Between Godmen, everyone knows their position in the war.

The Noble Rammsees II walks slowly and with strong steps, on the Podium. He is there now.

He takes a deep breath and as his people see him, they look at him fully alert. They know they will hear a message that will talk right into their spirit. They need this morale.

“Today, this is no day for vain speech,  
Today, there is a day for War.

My dearest Brothers and Commrades, you all know the Truth

As we always placed it above ourselves and as thus we have succeeded in building what you can see now.

For I respect your Souls, your cultures, the Souls of your Children, which one day shall take our place,

Not in immortality, but in position, even though we are eternal, we shall multiply and fill the Earth.

Do you feel, what I feel,

Do you see these rotten enemies, and how they try to oppose us?

Do you feel the hate surging in my veins, our need for Revenge?

Our people have always been Noble, being stronger and stronger to avoid everything that is lower than ourselves. Our people have been eternally honest, or tried to be which is still an act of Nobility.

Now, We are attacked my brethren. And as you know, we are not the ones to sit by and watch our wives, our lives and our very beings being dragged to dust.”

The crowd enrages.

As he talks, the Leader is heard amongst everyone, in the clearest tone of voice there ever has been. His voice is stable, strong, resolute. People know and understand, that from his mouth and lips talks a greater providence, that of the Creator. They look at his powerful body, that is filled with bravery, inside his beautiful eyes.

The King continues, having in mind the words of his own Son, a night they had conversed about the Kingdom and the people :

“Inside your heart, rests bravery and courage. All of you have have been observed and trained upon like the most precious of jewels we could possess. All of you are worth nothing compared to the enemy, as they are worth nothing- each and everyone’s of your own lives means everything to me, but not only me- the World.

Inside your very beautiful eyes, I see a personification of the diversity the Gods have planted into the Earth,  
But I see something entirely common in all of you. Inside your diversity, I see something resting inside you, and that is the essence of our Father.

You know, you will fight. You were born brave, trained to be brave, trained to be the greatest you could ever be. By mutual respect between one another, I feel your hearts bursting with the fires of life, as does mine at the exact moment. For this war is shared, **FOR THIS WAR IS WON, BY THE POWER OF SATAN!!!!!!**"

The ground below shakes, the Leader looks with his piercing Blue eyes in the sky, raises the hand and salutes Satan, the Great God of Truth. Loudly proclaiming:

**HAIL SATAN!! HAIL THE TRUTH!!**"

Everyone raises their hand, screaming with utmost bravery and intensity,  
"HAIL SATAN!! HAIL THE TRUTH!!"

Everyone is shaking from the sheer power of the Leader's speech. Everyone is trembling by the power that comes from hearing the word, from inside their own Soul, their very self is treading Hell and reaches heaven at the same time. There is exhilaration and rage emitting from the soul of every man and woman who listened to these words. For many minutes, the rage and hatred against the enemy surged so much, they could feel it in every side of the planet they were. Their end has never been nearer than now.

Now, as tradition follows, the Queen Wife of the Leader steps upon the Podium, to give word to the people. Everyone knows that she will mention the most needed and encouraging things. Many have called her, the Mother of Humanity. She walks gracefully, full of beauty and in her Brown eyes one can see the primordial mother of Humanity. Her long very light brown hair, almost blonde. In her loving presence everyone feels dignified. She has stood to everyone as a role model and mother. You could see in her steps and hand moves both graciousness and overflowed Heroism. A True Female Hero of the elder tales, was standing right before everyone.

"My loyal people, our Loyal Children, I have come before you, just as I am. You know our relations have always been loyal, faithful, truthful and fruitful. All together, we have constructed what you and your children are today. We have all together by our effort constructed what is the Godman. Once, you were mortal men like everyone else. Today you stand before me, most of you immortal in the flesh and aging, but still willing to pay the price of your own mortality."

She raises her hand at the skies, aiming on the Sun, Saluting the Sun.

"This here, is everyone of you- which you shall never forget. You have become the highest attainment- and someone dares threaten this attainment of Life. Now, my children, I command you, to go and destroy all those who destroy, all those who threaten what we have created.

She looked down on people now, with a hopeful, loving and yet mighty gaze.

Before she could even finish the sentence, the women inside the crowd started saying aloud,  
“WE SHALL FIGHT, WE SHALL FIGHT TO THE END!”

The Queen looked at them, piercingly. She raised her hand aswell, and yelled with a stable voice:

“That seals the Council’s choice,  
WE SHALL FIGHT, WE SHALL FIGHT TO THE END!”

By that time, everyone has raised their hands. Everyone’s Soul was open and in purity, embracing the Divine Power. The elder hour has arrived, the last and Final Battle was at hand.

The Leader and the Queen, hand by hand, moved in front of the people, as personifications of the male and female divinity. In each and one of the people, one God has awakened, pure and differentiated from everyone else’s. Now, at this time, they were ready to fight. It took hours for this to end, then as it did, the Troops moved in order to the grounds of the Final Battle. There was hardly not a smile in anyone’s face, for one they knew this war has been fought for too long and this was the final battle, for two, that whatever was the end of it, they are the ones to give a Godly fight. The fight was to begin with the Leader’s Order. They were outnumbered, but beared their Soul in the back. [...] “

He closed the book and told his little Son, who for a reason had almost cried. The dad tried to explain more about the story so that his son would understand.

The old writings mentioned, that they have been outnumbered by the millions. Though, exactly as their Leaders said, their lives were worth unaccountably more than the lives of their enemies. As thus, the Ancient Gods themselves, intervened and fought with them, my Son. It was written than this world has been victorious, with few victims that later were saved by the most Powerful ones in the Army. Some sacrificed and actually had to die, and go far, far away. Everyone, without exception, gave their all. And this is my dear child, how you are living today as you are. These people, it has been rumored, now are our own Gods and us, are the ones who are still treading in their footsteps, to become our own Gods aswell.

The little one asked: “ Dad, will there be war again?”

The Father Replied: “Nobody knows, but it has been said the evil doers have been long gone from the Earth, my dearest son.”

The little one smiled brightly and asked again in his childish enigma: “ So daddy, why we train now? For what reason?”

His Father replied, “As to keep our people safe in every possibility.”

“The dad, I may one day become like my Grandpa who took part in this Great war! I will protect everyone!”

His Father almost teared up and took his little hand, holding it inside his big palms. He showed him with his fingers, his own veins. The little one looked curiously and asked: “What is this dad?”

"Inside here, rests your grandpa and everyone of these people. So bear this in your heart as this is the greatest gift Grandpa and Grandma could give you. They have went too far to give you another gift."

The little one's eyes brightened up. He said silently and with surprise, "Then, I must be a King too?"

"Yes." His Father replied. The people of Creator Satan are all Kings of themselves.

The little one smiled and opened his arms. He looked with his blue eyes, right inside his Father's brown eyes. His Father took him in his hands and he slowly fell asleep with him. The night was still young but both of them were very tired. The mother and the little sister opened the door and saw them both sleeping. The mother smiled and the sister smiled in a kid dish manner. "Stories again mom! Stories!" said the little child.

"All stories are made with some reality in them my little love." Said the mother. They left and spend the night until they had to sleep, in the garden, conversating about numerous things together. "

And as thus, this story may be over, but the war, is started and to be finished.

Ganesh

Ganesh is a primeval form of Siva and the elephant God is worshipped across South East Asia from India to Japan. From ancient times to this day. The elephant is symbolized in ancient Ireland as well. There have been ancient Ganesh statues found by archeologists in North and South America as well. North America contained an Aryan civilization with some of the largest cities in the world. And buildings on the level of what is in ancient Egypt and at Baalbek . As well as Aryan civilizations in central and south America. Thousands of years before the Amerindians moved in. Even by the Amerindian tribes own records as they recorded a race of Whites already in America who were established in even more ancient times, when they the Amerindians migrated here themselves thousand of years ago. America is mentioned in the Vedic writings as the Land of the Immortal Serpents and was part of a world wide Vedic /Dharma civilization. So the find of Ganesh statues in the America's is revealing but not surprising. As to how primeval the worship of Ganesh really is. We are looking at seventeen and more thousand years.

Ganesh is the leader of the Gana's as is Siva because they are the same God at the core. There are 12 gana's with the God as the leader making the 13th. Skanda who is the reborn or incarnated Siva and worshiped as Amitabha Buddha in Mahayana Buddhism. The eternal youth of 16 years who rides a Peacock mount is red and carries a spear. And is a pre Buddhist God. Is also known to be Ganesh in the esoteric teachings. Ganesha is pictured red. He is called the Great Red Lord of Hosts. He is the leader of the army of the Deva's and is also connected to Mars as is Skanda. He holds all the same identifying traits of Skanda. Ganesha is the divine androgyne. The third power or reborn soul generated by the union of male and female aspects of the soul.

The primordial rites of Ganesh are of maithuna.

Read the below linked article for understanding this one.

The Metaphysics Of Sexual Union:

<http://josministries.prophbb.com/topic2932.html>

Siva's meaning in some languages such as Tamil relates to Sev, sivappu. Danielou in his work " The Myths And Gods Of India." Mentions this could be the origin of Rudra the ancient title of Siva. Rudra, the red one. Which can be a relation to Si, male and Va female. By unification generated the perfected being. Who is always of the color red. To depict the final stage of the perfection process. Which points that Ganesha is the image of primeval Siva.

The elephant head is the Vak or logos but the head is important as all the astrological signs rule the head this is a reason the animal head is chosen to show the micro and macro. Also the elephant head is serpentine looking with the trunk and the ears. The 13th constellation. The serpent bearer. The head also rules the element of quintessence or space which is in the Macrocosm, the unmanifest God. Of which Ganesha is the manifest of. The microcosm, the incarnated logos. Of where mind connects into cosmic mind.

Ganesha 's vehicle the mouse is the symbol of the quintessence. Like the mouse stays hidden. So does the element of quintessence stay hidden deep within physical matter.

The elephant in the East is the symbol of the Pranava and the AUM symbol represents the image of an elephant head. And the Pranava is the macrocosm manifestation of the Zodiac which relates what is previous mentioned the reason for the elephant head as the Vak. Ganesha's wives are Siddhi and Buddhi. The powers of the serpent along with Buddhi or wisdom the super consciousness of this cosmic power. He is also shown red colored the symbol of the magnum opus finished the color of the fire of the sun. Ganesha as stated as means Lord of Hosts. The Hosts in the east are the elements and thus the energy centers that govern them. He is the All, the primordial quintessence of ether. That all the elements are formed from and of. Mars is Vulcan the forge God who crafts and purifies the metal that are the elements of the soul by fire. Red is also the color of the blood of the Gods. The serpentine energies. And the planet of war, the divine war to purify the blood/energies of the soul. Ganesh being the leader of the Devonic forces who commands and governs the spiritual war to transform the soul and defeat the Asura's who are the dross that rule the imperfect state and the force of time.

Ganesh is the supreme God of War as well for the God of transcendence must always be the God of War. For the act of this inner holy war is the act of transcendence.

Ganesh is the Lord Of categories. Which relates to him being the Grand Artificer of the universe. Of which the All is number.

I note the Ganesh tradition is always reserved for high level initiation in Japan its kept very secret. The same in Sri Lanka.

Gajanana is a title of Ganesha. "The elephant faced." Gaja esoterically means ga and ja , relate to "beginning "and "ending.". Ganesha is the Alpha and Omega the beginning and the end. The path of liberation by the union of the soul. The symbol of the Magnum Opus.

The elephant Headed God in the East is prayed to before undertaking any working but in the main books his bija mantra to be used is Gam. Its actually AUM. Ganesh represents the ether and the ability to remove obstacles. Which refers also to the Saturn and the force of time. There is a myth around him in which he defeats the genie of time from getting in the way of the rituals of the Sages. The ether or logos is above the forces of time and its causations. The AUM relates to the bringing and endings of ritual workings as well. Ganesh is the principal of why AUM is prefixed to mantra's. Within the formula of AUM. A generates existence and the M closes it. M relates to Siva the destroyer of time. Where A is Brahma the creator. Yet AUM is the one letter mantra that of A. To use AUM properly for a ritual working is to act by the principal that all things come into existence by.

He is also the Lord Of Obstacles. But in the fact of only if he is not evocated before the working. Because without doing so. You will not overcome what evocation of Ganesh overcomes. The principal of Ganesh is supreme, eternal truth.

The mythos of Ganesha's is that upon creation his head was stuck off by Saturn. Siva and the Gana's took the head of Indra's elephant and Siva baptizing Ganesh with holy water and mantra affixing the new head to the body. Resurrected Ganesha as the reborn God. The union of opposites as Siva is the energy of life that perfected the divine form which was the Goddess in this case. Hence the union of opposites finished. Which is Ganesh the divine androgyne.

Saturn striking of Ganesha's head the symbolic death stage of the work. Where the dross is purified from the soul and the old form dematerialized. Ganesha's regeneration and rebirth. Is the symbol of the supreme ascension of the soul to the perfected state. Ganesha's elephant head is the symbol of the reborn transcendental consciousness that takes place upon the death of the old consciousness which was linked to the pervious Asuric, psychophysical self and the aggravates which formed it. All this is dissolved in the final stages of the work. When the frail body of the material elements ruled by the causation of time is reduced to non-existence. All bonds of conditioned existence are broken.

The baptism is that of the serpentine fire. Our God as the baptizer is also called the Purifier. The two mean the same. Baptism was is apart of the ancient rites of Siva. The serpent fire. The identical rites are still noted in the Osiris mysteries of ancient Egypt. And those of ancient Greece.

And with this the regeneration of the being into the Pranava. The union and transformation of the soul and body by the serpent fire into the primordial element. His rebirth and red solar color the souls ascension to the solar sphere from the material. Which is above time and thus liberated. Indra's thunder bolt is also Siva's. It's the symbol of Prana and the key that unlocks the soul to Godhead. Its with the thunderbolt Zeus destroys the Titan's [dross]. The thunderbolt is the lighting Siva as Rudra calls down from the heavens. Rudra is the Red One. Ganesh.

More on the symbolism of Ganesh.

Ganesh is also shown with the Swastika on the male or right palm of his hand making the solar mundra. And trunk to the left side marking the feminine part of the soul. The trunk is serpentine which is the feminine.

The swastika means the same as the hexagram the union of opposites into the reborn soul. The Raum meditation is based on the four cornered swastika. And Ganesh is shown red, the color of the letter R which holds the Shakti of the sun. Ganesh is in the root center, is the kundalini energy and the charka has four petals and corners. In his mythos of defeating his brother by going around the world [Siva and Durga] on his mount that of ether. Shows he is the cosmic axis and the serpentine power that moves through it and gives the breath of life to the soul. The central channel in the spine, the power raising up through it. Siva and Durga were the pink and white channels in this myth. Note Siva and Durga where sitting upon thrones at the top of the sacred mountain, in many accounts which this represents where the nadis meet in the head. The throne headdress is seen in Egypt to represent this. And is a symbol of the cap stone. Which is also the benben or lingam stone which is the Osiris or meru column with the peacock or phoenix atop it. In some cases a capstone. Osiris's title means "The Eye In The Throne Of God." The third eye that opens up with the full ascension of the power up the spine and its union in the cranium. Note Ganesh has the trident symbol on his trunk and the opened third eye on his forehead. Which is shaped as a yoni.

In India the worshippers go around the Meru Pillar, seven times. Which is the number of perfection. The seven chakra' perfected which grants the Great Work. The Gods are always shown 16 years old.  $1+6=7$ . Islam has stolen this and changed the direction during the ritual at the Kabaa. Which was originally a Siva temple:

AUM Cosmology, Siva And The Kabaa  
<http://josministries.prophbb.com/topic724.html>

This is why Ganesh wins his two wives of Siddhi and Buddhi in return for this. We can note shades of the tortoise and the hare story in this. The tortoise in many cultures is the symbol of the cosmic, spinal axis and its foundation in the root chakra where Ganesh dwells.

The root chakra as earth also represent the earth element that holds all the aspects of the soul together [the body is one as well] and thus red Ganesh represents the final purification of the soul. But as stated the ether principal the whole soul arises from and is upheld by. The Lingham stone that is depicted as the cosmic egg in the root chakra. Is also the symbol of the soul and its rebirth.

The obstacles Ganesh removes is the dross on this level in this is the image of him as stated the leader of the divine armies. The force of prana that dissolves the impure form [Asura's] and generates the pure form of Godhead. Ganesh is the Atman. The breath of life, the Pranava.

The serpent tied around his waist is the symbol of Ananat the cosmic serpent of eternity, the Ouroboros in the west. The perfected mercury and gold in the work. It's the symbol of eternal life as the circle has no beginning or end and is the solar disc, the symbol of AUM. And is the cosmic serpent of the zodiac wheel. The belt or girdle is a sign of divinity in the East. As it aligns with the navel center of life as well. The symbol of the solar. The sun in the center of the Zodiac. And the cosmic womb the reborn God emerges from. The reborn God hence is always shown coming forth from the Yoni. Hence Ganesh's belly is stated to be the universe of creation. The reason the serpent is a Cobra is the venom is the symbol of the acid or dissolution quality the serpentine fire has. But also the immortality as it's immune to its own venom.

He also wears the Brahman thread the three cords woven together into one. The symbol of AUM and the trine aspect of the soul unified.

The tusk Ganesh carries represents the horn, the soma or grail chalice the ancients also showed the grail in the image of a horn cup as well. It gets into the anatomy of the head where the pineal region is. This is the horn Odin's sacred mead is drunk from and Hercules cornucopia or horn of plenty. The Yoga of Soma is the called the Yoga of immortality. He only has one tusk attached to symbol his unity with the macrocosm and he does not possess duality within himself. He is the primordial being ,the union of opposites into the one or the All. And as such transcendental consciousness. The incarnated logos.

This horn symbol is part of the AUM symbol which is the divinity principal and the AUM symbol is sub divided into glyphs of the five elements AU means: Immortality/truth. In Sanskrit.

Ganesh also wear's the crown or halo. The symbol of the risen power and the souls ascension to the solar sphere. And his four arms the four corners of the soul and the elements of creation. With himself being the fifth the other four come form. Ganesh four arms also represent the four Veda's of which he is the

one who has instituted them. The four Veda's represent the four elements. Ganesh being the quintessence is the fifth that the four come out of. Hence he instituted the four. There are also 33 Deva's in the Veda. That relate to the 33 esoteric vertebrae of the spinal column and the reason 33 is the number of the Meru Column. Of which Ganesh the primordial Solar god, is lord of.

With the images of the hands in popular icons.

He holds the noose to catch delusion. The noose is the symbol of the destruction time and the serpentine power. It destroys delusion which is the ignorance of those trapped in the bondage of time itself the lower condition states. This is to be overcome with the perfection of the soul and the transcendental conscious that comes with it. Its stated the God also uses it to pull the practitioner closer along the path to him thus the achieving of the Godhead.

In other hand he holds the driving hook which is the emblem of the ruler of the universe. Its relating to the piercing aspect of this power purifying and transforming the soul. Into the liberated state.

He also makes with another hand the sign granting boons as the fulfiller of desires. As the Magnum Opus fulfils all true desires. The hand that makes the abhaya mudra is shown allaying all fear is his being beyond time and death. To which its stated all fear pertains.

In many images he holds the tusk of which has already been made mention and others he is shown holding the conch shell which is the symbol of the Logos or AUM of which all existence is created by.

He is also carries the Trident in some images. Which is the spinal column with the trine nadis and the three guna's of creation and the piercing aspect of this power moving up the spine. This is also the conical helm with the two bull horns coming out the sides and the conical point in the center of the helm. The Gods are shown wearing in the East and Near East such as the Sumerians. In some cases the two bull horns are replaced by serpents. Agni [Rudra-Siva] is shown wearing such a helm.

Subject: Energy Needed 3/30/14

Satan and Lilith wanted me to post this, as it is very important. Energy is needed for a very important purpose. This is not time sensitive, but the sooner the better to do this. Just raise your energies and then ask for Lilith to take them. This can even be done more than once, but always remember, never drain yourself, do NOT give any energy if you are even mildly ill or overly tired. Covens are strongly encouraged to perform an energy raising working to offer to the Powers of Hell.

The energies needed are so-called "white magick" in the way of being positive, protective energies. If you are new, you can also do this. Before your working [this does not have to be formal in any way- no ceremony is needed unless you choose to do this], just focus on Satan and Lilith and they will respond.

For those who are new and/or unfamiliar with this kind of working, doing physical yoga, reciting mantras, breathing exercises to raise your energies, absorbing light energy and also the Sun...there are many different ways to achieve the energy buzz. Once you have the heightened energy, call upon Lilith to take the energy.

Others method Include:

1. Raising energy via Runic Vibrations, for as many times as you like. Concentrate the energy inside a very bright whitegold ball, then call in Satan or Lilith to take the energy.

Mantras that can be used are: Aum Suryae, Raum, Rauda [Raidho Rune], Sol, Algiz.

2. Orgasmic energy, whitegold. Same as above in colors and intention.

3. Simply drawing the energy from the Sun and concentrating this into a ball.
4. Drawing some energy from yourself [Call the Gods and they know how much to take as to not leave you drained and it can be enough.
6. Or combining the methods, which one feels good to do in a day.

This can be done as part of your meditation program. Bear in mind these energies will protect you aswell if needed, as the Gods direct this energy where it should be directed. By protecting the cause you protect yourselves.

White Nationalist Delusions About Russia

<http://www.counter-currents.com/2014/03...ut-russia/>

Map of Eurasia from 1771. Much of present-day Russia is called Grand Tartary.  
Map of Eurasia from 1771. Much of present-day Russia is called Great Tartary.

4,127 words

German translation here

The crisis in Ukraine is unfolding at full speed, and White Nationalist circles in the West are closely following the events. A lot has already been said about the deep cultural and historical divide separating the western, Europe-oriented part of Ukraine from the eastern part, which has strong ties with Russia. With Russia's military moves in the Crimea, some are even prophesying the onset of the Third World War.

The majority of White Nationalists in the West nowadays cherish strong hopes in Russia and Putin in particular, which have reached a crescendo with the ongoing Ukraine crisis. However, I want to argue that these hopes are grave delusions. Not because Putin is also controlled by Jews, as is being countered by some White Nationalists; he may or may not be, but that makes no difference for us. And alternatively, even if Putin's Russia is not controlled by the Jews as strongly as the West (which is indeed not true – see below), even if Russia receives the full wrath of the Jewish-controlled media, it still doesn't make Putin's Russia our friend or a natural ally.

Nevertheless, I concede that at the moment Russia is the lesser evil for the white race compared to the Jew-led West. But still it has to be understood that Russia is also an evil, an essentially anti-white system. Hence, at most, it could be only a temporary ally.

White Nationalists seek power to enable our race to fulfill its destiny. To gain power, however, our movement has to have a firm grasp on reality. We also need a thorough knowledge of its enemies and (potential) allies. Therefore, it is of utmost importance for White Nationalists to have a clear understanding of who the Russians are. This understanding will be especially crucial if White Nationalists seek an alliance with Russia in the future against a common enemy.

Somehow when reflecting upon Russians, White Nationalists, who in all other instances are manifestly sober and realistic with regard to race and ethnicity, suddenly lose their common sense. When one speaks of German or French identity, it is understood that the Germans and the French are white, European peoples, regardless of recent non-white immigration. Thus German and French nationalism are not necessarily opposed to wider white racial interests, although they often have been. Let's call German, French, and similar identities ethnic, because they denote a core ethnic group.

Brazilian identity, however, does not have such unambiguous racial connotations. Brazil has many Europeans, but it also has blacks, Amerindians, and many individuals of two or more races. Thus Brazilian nationalism is, by its nature, inconsistent with white racial interests. American identity used to connote whiteness, even though America had non-white minorities. But the American identity has been transformed into a commitment to the idea of freedom and equality for all. Thus American nationalism is, by its nature, opposed to white racial interests. Let's call American, Brazilian, and analogous identities trans-racial, since they both transcend and transform races.

Russian identity is more analogous to American and Brazilian trans-racial identity than German or French ethnic identity. There are many Russians who are entirely European. But there are also many Russians of Near Eastern and Mongoloid ancestry, and many of mixed race. But even the whitest of Russians, to the extent that he thinks of himself as a Russian, is committed to a trans-racial identity, an identity whose racial "substratum" includes not just European, but also Mongoloid and Near Eastern (e.g., Caucasian) elements, as well as mixtures of all three.

A Russian is not, therefore, just another kind of European. Thus it is with good reason that Russians have always felt that their identity, interests, and destiny are distinct from those of Europe. European White Nationalists need to recognize this as well.

White Nationalists are also well aware that a country's developmental index, its per-capita GDP, the average income of its citizens, the level of corruption, etc. are directly correlated with average levels of many heritable traits within its population. In terms of corruption and many other parameters Russia is far closer to a country like Brazil than to any European country. In some areas, Russia is not even within Asian or Latin American ranges but rather competes with sub-Saharan Africa.

Moreover, blaming the backwardness of Russia on Communism would be like blaming slavery for the backwardness of Africa. Firstly, Russia has always been backward in comparison to the West, and secondly most of the former Eastern bloc and USSR countries in Europe managed to create functional and prosperous societies shortly after freeing themselves from the Russian yoke. Belarus and Ukraine have been exceptions, mainly due to the fact that even after gaining independence they could never properly throw off Russian influence.

If the identity, interests, and destiny of Russia are not European, the fact that Putin has passed some traditionalist laws and that Russian society is allegedly moving in a more traditionalist direction does not help European White Nationalists in any way.

If we are to rejoice at Russian traditionalism and see them as allies simply because of that, then why don't we see Muslims as allies and see hope for the West in their traditionalism as well? After all, they are even more hardcore than Russians.

Traditionalism serves the well-being and promotes the survival of every different ethnic group, but just because different ethnic groups choose similar methods and values to promote their own survival does not automatically make them allies.

Therefore the stronger traditionalism of Russians, their patriotism and pride in their heritage, do not advance White Nationalist interests any more than the racial pride and patriotism of Indians, Chinese, Middle Easterners, Latin Americans, or Africans. Indeed, it might make them more formidable enemies of our interests.

The Grand Duchy of Moscow as the Forerunner of the Russian state

Racially and culturally, the forerunner of Russia was the Grand Duchy of Moscow (1263–1547) which later became the Tsardom of Russia under Ivan IV (The Terrible), and not Kievan Rus as has been claimed by Russian historians since the time of Catherine the Great (who, by the way, was not Russian).

Already by the end of the 15th century, the Grand Duchy of Moscow was populated mostly by Christianized Tatar-Mongols who in the course of the previous two centuries had gradually adopted Orthodox Christianity and taken Slavic names. The indigenous Slavic population had become a minority in a relatively short period of time due to the large influx of these Christianized Asiatic nomads, and due to mixed marriages between Christianized Mongols and indigenous Slavs.

The expansion of the Grand Duchy of Moscow further to the east, into the lands of Ugric peoples (e.g., Mordvins, Udmurts), increased the Asiatic component of the population even further. Later, under Ivan the Terrible, the Kazan and Astrakhan Khanates were conquered and incorporated into the Tsardom of Russia. The vast majority of the Volga Bulgars populating those states (whose descendants from the 19th century on were falsely called "Tatars," not to be confused with the nomadic Tatars mentioned above), was forced to adopt Christianity and Slavic names. And finally, beginning with the conquest of Siberia in the 17th century, there was a gradual Christianization and Russification of the mostly Turkic peoples populating those lands.

The only Eastern Slavic state not affected by the Mongol invasions and hence able to retain its white Slavic/Nordic composition was the Novgorod Republic. Its customs, its culture, and the mentality of its inhabitants differed from those of Muscovy. As race realists should realize, these differences relate to differences in racial composition of those two states. The most glaring difference is in the system of government: although Asiatic despotism reigned in Muscovy, Novgorod was governed by a popular assembly, the "Veche," which was similar to the Norse "thing" or Swiss cantonal assembly.

However, as a result of two wars in 1471 and 1477–78 Novgorod was conquered and destroyed by Muscovy. The city was devastated, and most of its inhabitants were massacred in the cruelest (i.e., Asiatic) manner. The Great Novgorod that was spared from the invasion by nomadic Mongols suffered destruction at the hands of Slavs and Christianized Tatar-Mongols. With the complete victory of Muscovy over Novgorod, the destiny of the future Russian

state was determined.

The people of Muscovy identified themselves solely as Orthodox (Pravoslavnye), and the term "Russian" was indeed completely unknown to them. Beginning with Ivan III, the grand dukes and later the tsars saw themselves as the heirs of the Orthodox Christian Byzantine Empire (hence the term "Third Rome" coined by them), and the champions of Orthodox Christianity. They were never guided by any kind of ethnic or racial identity or an idea of an ethnic state. The Orthodox Church, like all Christian churches, accepted converts of all races and blessed interracial marriages and their offspring.

From the start, then, the Russian identity was not of a white European people, but of a white, Asiatic, and mixed-race population professing Orthodox Christianity and ruled from Moscow.

Interestingly, however, at that time there were people who had long called themselves "Ruskie" (with one "s") and most importantly were identified as such in Western Europe. They were the descendants of the people of Kievan Rus. At that time, they were the subjects of the Grand Duchy of Lithuania, where they formed by far the largest demographic and linguistic group. Their ethnic and linguistic descendants are present-day Ukrainians and Belarusians. Later historians began calling them Ruthenians. Modern Ukrainian and Belarusian developed from the Ruthenian language. Therefore, it is the Ukrainians and Belarusians who are the rightful heirs (both racially and culturally) of Kievan Rus.

There were dramatic differences between Ruthenia and Muscovy. Slavish servility towards rulers, a typical Oriental trait, was characteristic of the Muscovites, whereas in Ruthenia the Magdeburg Law, completely unknown in Muscovy, operated in the towns, and the Ruthenians were as conscious of their rights and free in spirit as their western European counterparts. Therefore, from the very beginning, the inhabitants of Ruthenia were aware that Muscovite-Russians were a very different people. Even today the word "Muscovite" (Moskal) is used in Ukrainian as a derogatory term for Russians.

Thus the opposition of Ukraine towards Russia has deep historical roots. The recent conflict in Ukraine, as well as the Orange Revolution in 2004, have to be seen primarily not in terms of geopolitics, as many White Nationalists are inclined to do, but rather as a deeper confrontation — as the struggle of European Slavs against an alien, non-European power.

#### The Europeanization and De-Europeanization of Russia

There was, however, a considerable infusion of European blood and European culture into Russia beginning in the 18th century when Peter I (the Great) proclaimed the Russian Empire and oriented the Russian state toward the West. Many European (mostly German, but also French, Italian, and Swedish) engineers, craftsmen, artists, and state and army officials were invited to Russia to develop the infrastructure, to modernize the army and state apparatus, to educate the local population, and to introduce western art.

This process accelerated when large numbers of German settlers were invited by Catherine II (the Great), herself also German, to cultivate large swathes of Russian territory. The German newcomers settled especially around the Volga River basin, and their descendants later became known as Volga Germans. It was mostly thanks to the efforts and contributions of Russian Germans that Russia became Europeanized and assumed her position among the main European powers.

Indeed, it is only beginning in the 18th century that the terms "Russia" (Rossiya) and "Russian" (Russkiy) came into widespread use, and historians of the Russian Empire actively promote the idea of Russia being the rightful heir of Kievan Rus in order to ideologically justify the past and future conquests under the motto "gathering the ancient lands of Rus."

This "Europeanization," however, occurred only on the surface, and in its essence Russia remained a distinctly non-European society, in which a European minority elite ruled over a Slavic, Asiatic, Near Eastern, and mixed-race population. However, this process of "Europeanization" was drastically reversed, both culturally and more importantly racially, with the Bolshevik Revolution.

It is a common misconception to regard the imposition of communism in Russia as a merely a political change. First and foremost, the Bolshevik Revolution was a revolt of the culturally and/or racially non-European masses against the European elite. In short, this critical event in history has to be primarily comprehended not in social-political but rather in racial terms. The ideals of communism served only as a façade, as a tool through which the spiteful non-European masses expressed their deep and long-held hatred and resentment towards their European masters and everything European. This was already at that time clearly observed and eloquently pointed out by Oswald Spengler.

Most importantly, communism drastically and irreversibly changed the racial makeup of the Russian population. The Communist regime targeted mostly the intellectual and political elites for destruction, who were primarily descendants the indigenous Slavic population and later European immigrants. Millions were murdered, and the luckier ones escaped to Europe, never to return. And since the de-Europeanization of Russia was first and foremost racial, it would be highly misleading to conclude that Russia returned to the European world after the fall of communism.

#### Putin's "New" Russia

Indeed, the majority of the current Russian population reveres the Soviet past. The official ideology of Putin's Russia rests upon its glorification. And, as expected, Putin's Russia takes inspiration from the Soviet past rather than from the Russian Empire, which can be regarded as the only (quasi) European period in Russian history. Putin once even called the collapse of the Soviet Union "the greatest catastrophe of the 20th century." Not the creation of the Soviet Union, mind you, but rather its collapse is the great catastrophe for Putin and his supporters, who are the vast majority of Russians.

Most importantly, every year Russians joyfully celebrate their "victory" in the Second World War (which they call "Great Patriotic War"), without regard to the fact that this "victory" was the gravest event in the history of the white race. These celebrations are accompanied by military parades on the Red Square in Moscow. This cult of victory is the main pillar upon which the national identity of Putin's "new" Russia rests. They venerate their "veterans of the Great Patriotic War" who were the rapists of millions of white women, murderers of millions of white men and children. Basically this veneration of the barbarian hordes, and the pride that they feel in the barbarian invasion of Europe, underlines their ethnic identity. This alone is enough to conclusively demonstrate that the identity and nationalism of Russians are in conflict with white ethnic identity.

Even the slightest attempt to shed light on the crimes of the Red Army and to revise the official WWII narrative is met with the same kind of hysteria that characterizes Western liberals. At every opportunity, the Russian media demonize Estonia, Latvia, or Ukraine when they commemorate their heroes who fought alongside Germany against the Red Army defending their homelands, or when they remove the monuments to Red Army soldiers installed in their cities by the Soviet government. For example, in 2007, when Estonian authorities removed the Red Army monument in the center of Tallinn, the official Russian

media went into hysterics, and “youths” from pro-Putin organizations surrounded the Estonian embassy in Moscow and threatened the ambassador.

There are a lot of Russians living in Estonia and Latvia (around 30% of the population). Their ancestors were settled there by Stalin in a deliberate attempt to change the demographics of those two small Baltic states. The social profile, behavior, and attitudes of these Russians closely resemble those of non-white Third World immigrants in western countries.

One simple and glaring example illustrates this point. The removal of the Red Army monument in the center of Tallinn coincided with the presidential elections in France which resulted in the victory of Nicolas Sarkozy. As is well known, after the elections the black/Arab population rioted. Around the same time, the Russians rioted in Tallinn, and they did everything they could to earn the name “Arabs of Estonia” — e.g., in Tallinn, as in Paris, burning cars and vandalism were widespread. But that did not stop Russian news sources from branding the Estonian government and police evil “fascists.”

In addition, many western White Nationalists may be surprised to hear that the Russian inhabitants of Crimea have recently shown their solidarity with Russia by waving the banners of the USSR and the Ukrainian Communist Party. They also have vilified and demonized the leaders of the Ukrainian resistance fighters who fought alongside the Germans against invading Soviet hordes – i.e., Stepan Bandera and Roman Shukhevich.

#### Putin’s Russia is Nearly as Anti-White as the Liberal West

It is also a widespread delusion among western White Nationalists that Russia is free of Jewish influence and is an antidote to the Jew-led New World Order. Firstly, at every opportunity, Putin pays homage to the official “holocaust” narrative promulgated by the Jews. On many occasions he said that the holocaust was the most abominable atrocity in history, and the Red Army put an end to this horror. Since the cult of victory in WWII and the glorification of the Soviet past are the main pillars of national identity in modern Russia, this implies that Russian identity and patriotism are not only not opposed to Jewish interests but, on the contrary, are directly in line with them.

Secondly, anti-Semitism is very weak in Putin’s Russia, and Jews feel quite comfortable and welcome. Jewish life is flourishing at a level comparable only to the early aftermath of the Bolshevik Revolution. A popular Russian-Jewish crooner, Iosif Kobzon, said not so long ago that “Jews are currently experiencing a Renaissance in Russia.” Furthermore, before the presidential elections in 2012, the chairman of the Council of Russian Jews proclaimed his full support to Putin and expressed his confidence that all Jews in Russia will vote for him. He even said that he doesn’t know a single Jew in Russia who would be against Putin.

Moreover, again contrary to the hopes of many White Nationalists, neither Putin’s opposition to U.S. military intervention in Syria nor his passing legislation against some of the currents actively promoted by Jews in the West (e.g., homosexuality) is enough to qualify him as our ally or as anti-Jewish. For one thing, the attitude of international Jewry towards the Syrian crisis is not monolithic. While neocons promote military intervention, the Left, which is also led by Jews, strongly opposes it. Therefore, one cannot say that the failure of the campaign against the Assad regime is the failure of a specifically Jewish issue.

Regarding Putin’s anti-gay legislation, Uganda has also recently passed a law against homosexuality. Blacks and Muslims have been staunchly homophobic from time immemorial. But is it enough to make Uganda or Muslims and blacks in general our allies?

Finally, and most importantly, real Russian White Nationalists, who are as much a minority in Putin's Russia as their counterparts are in the West, are vilified as "Nazis" and are persecuted far more harshly than in the liberal west.

### The Ukrainian Revolution from White Nationalist Point of View

Many western White Nationalists lament that Ukrainian nationalist organizations receive support from and maybe try to court favor from Jews. Others reproach Ukrainians for their petty nationalistic separatism, which is allegedly incompatible with the common fight against the perilous situation of whites worldwide. However, Ukraine is currently in a historical stage which western nations passed through long ago — i.e., the acquisition of a national identity. This step is a precondition for Ukrainians to acquire a broader sense white identity in the future.

Therefore, any consistent and honest White Nationalist should support the current Ukrainian revolution. If Ukraine has any chance to join the larger white European family, this is the time. White Ukrainians are breaking free from the Russian (non-European) yoke and joining their white brethren in the West.

It is simply a given that Jews will interfere with and try to profit from every upheaval, and they hedge their bets by playing both sides. Putin also has Jewish friends and advisers. So Jewish involvement in Ukrainian affairs is not in itself evidence that Jews are running the show, any more than Jewish involvement in Russian affairs is evidence that they control Putin.

Moreover, western White Nationalists should not underestimate Ukrainians (and by extension other Eastern Europeans), and they should not overestimate the brainwashing power of the Jew-led EU. Having closer ties with the West and even joining the EU does not automatically mean Ukraine will be flooded by hordes of non-white immigrants or gays will be marching on the streets of every big city.

Many Eastern European countries, including the post-Soviet republics of Estonia, Latvia, and Lithuania, joined the EU in 2004. However, those countries remain predominantly white. So far, they have been completely spared the demographic changes experienced by western countries through non-white mass immigration. Eastern Europeans are sufficiently traditionalist not to permit their countries to be flooded by non-whites.

In addition, non-white immigrants find relatively poor Eastern European countries unattractive destinations. They look for easy money, welfare, preferential treatment, an opportunity to behave insolently with impunity, etc. If they feel that the local white population will not provide these opportunities to them, they will simply avoid those places.

Non-white immigrants also avoid relatively ethnocentric societies. Eastern Europe (especially Poland and Ukraine) already has a widespread image as "racist" terrain, to be avoided. The same incentives can be observed within Germany. The former East German territories have the reputation of being populated with "racists" and dangerous for immigrants. As a result, Turks, blacks, Arabs, etc. are simply afraid to go there. Thus even large cities like Leipzig and Dresden continue to have almost exclusively white populations.

### Concluding Remarks

I wish to repeat and emphasize that I recognize that there are many white people in Russia, just as there are many whites in Latin America and the US. And

I recognize all whites as potential allies of White Nationalism. However, Russian White Nationalists have to understand that white identity is in conflict with Russian patriotism and Russian ethnic identity, just as white Mexicans recognize that White Nationalism is incompatible with Mexican identity and patriotism, and white Americans recognize that White Nationalism is incompatible with the universalistic, multiracial concept of American identity that Jews promote.

But those who think of themselves as Russians first and whites second have an identity, interests, and destiny opposed to Europe and White Nationalism. The same is true of a white American who thinks of himself as an American first, thereby adopting an identity, interests, and destiny opposed to White Nationalism. Being a French or a German patriot does not necessarily conflict with larger white interests, since France and Germany are integrally white countries. But being an American or Brazilian or Russian patriot does. Vladimir Putin is a Russian patriot. For a White Nationalist, that should not be a compliment.

To be consistent, White Nationalists should support Svoboda and Right Sector and not Putin's Russia. A movement that aims at power has to possess a clear and sober understanding of its friends, potential allies, and enemies. First and foremost, it has to consolidate all of its adherents before considering an alliance with an alien power against a common enemy. It might well be expedient to ally ourselves with Russia on some occasions. But that alliance should not entail the betrayal of our racial and ideological brethren in Eastern Europe.

To conclude, western White Nationalists need to awaken from their Russophile dreams and face reality. Rather than fawning over Russia and Putin, they should be more concerned with maintaining their credibility with their Eastern European brothers and sisters. There are many devoted Ukrainian, Estonian, Latvian, and other Eastern European nationalists reading western White Nationalist sites. When they encounter naïve, childish, and frankly hysterical Russophilia, they are rightly appalled.

Russian identity is as trans-racial as American identity, Christianity, Islam, liberalism, and Marxism. Russian imperialism, like American imperialism, Christianity, Islam, etc., is a mighty engine of miscegenation, an engine that has been chugging away since the Middle Ages. Like the first Rome and the second Rome, the Third Rome is not a nation but a machine that liquidates every nation it captures, including its own founders.

Thus Russian imperialism is not an alternative to globalization, but just another form of it. Thus Russia is not the future of the white race, but one of its graveyards. White Nationalists should, therefore, sympathize first and foremost with those white Russians and all captive peoples who wish to free themselves of that machine and its master, Vladimir Putin.

I'm coming here to ask who is disposed to make the subtitles for some videos, then it can be easier translated, as I'm an advanced english reader but not so good listener or I could do it myself. You can add it yourself and then make the video with the subtitles at moviemaker, or Subtitles Workshop then fix it with the video, or just email-me here with the whole text (though I don't grant it will be fast for me put it all together because I'm with a lot of work to do for our cause).

Subject: 16/April/2014

Everyone please be alert to next week, as I will be posting another extremely important group ritual that we will be doing on Friday. This ritual will be a continuation in a series of rituals that we already started with the first- reversing curses in the bible. I will also have an mp3 link easily available for download so the vibrations are correct.

These rituals are of extreme importance to Satan and the Powers of Hell. They are one time only rituals and simple to perform. More will also be forthcoming after this and I will post ahead of time so everyone is aware.

One thing I need to add here. I have been studying Hebrew intensively, as is needed to reverse the biblical curses for these rituals. Please be aware of this. I know some of you have run across this sort of thing, as I have. Jews trying to again...deceive us Gentiles. Some claim there is supposed to be a difference in their stupid bible between "Satan" and "Ha-Satan." Well, this is another total crock of shit. "Satan" in Hebrew means "enemy" and "adversary." Hebrew is read from right to left and the spelling- shin, tet and final nun. You can find this in most Hebrew to English dictionaries. Point being now, when the Hebrew letter hei with aka as "heh" "hey" "hah," the fifth letter of the Hebrew aleph-bet, often with the Hebrew vowel dash beneath it means "THE." So, "Satan" in Hebrew means "enemy" and "Ha-Satan" in Hebrew means "The Enemy." Is there a difference? Obviously, NO. This is just another attempt for them to try to deceive you.

Here is a link I found proving the above:

"Certain letters are used for the article, conjunction and prepositions. These letters can then be prefixed to a noun. For example, when the letter (hey) is prefixed to the noun it means "the." So, while (eyts) means "tree," (ha'eyts) means "the tree."

[http://www.ancient-hebrew.org/42\\_lesson02.html](http://www.ancient-hebrew.org/42_lesson02.html)

Though the above is "biblical Hebrew" the hei prefix is standard for "the" when placed before a noun.

I posted this information just to clear up any misconceptions for people who have come across this crap online. I have found that learning Hebrew is not like learning say French, Spanish or even Russian. They try to make it as deceptive as possible, for obvious reasons. In most writings, the vowels are omitted and one has to know the Hebrew word in the context it is used to understand what is being written- in other words, growing up with the language- i.e., a Jew. Difficult to learn, but never impossible.

Most Gentiles cannot read or understand Hebrew, Yiddish, etc. Those who need to know certain things of course must have a Jew interpret it for them. This is why they use it so prolifically amongst their own- to deceive. In addition, their articles and writings are not easily or readily available in most areas outside of neighborhoods, etc., with heavy Jewish populations. I have been learning a lot in addition to just that language. I have been passing much onto the JoS Ministry and will keep the groups informed of anything of importance as we go along.

Again, please check the groups, and forums next week, as I will be posting a very important ritual for all of us to take part in.

I would also like to add and it is very important to remember- everything the Jews are and do, they accuse us Gentiles of. Satan is blamed for everything in the bible, but if one looks through open eyes, the REAL "murderer and liar from the beginning" is that Jew-god jewhova. Stupid Christians are of course deceived. Total materialism again, is blamed upon Satan. BUT, just what is there in that stupid bible that is spiritual? NOTHING! The Old Testament is a fictitious history of the Jews, along with Jewish supremacy over the Gentiles, mass murder, and genocide of Gentiles, confiscating and looting Gentile material possessions, properties, along with innocent women and children, forced into being slaves for the conquering Jews after the brutal slaughter and mass murder of Gentile men, and of course that New Testament, nothing but various accounts of the life of that fictitious nazarene. Nothing spiritual- ALL MATERIAL.

The Jewish Hollywood also keeps playing up the Christian crap and is very clever about interlacing this with emotional tear-jerking themes to sucker in average everyday believers. A prime example is the 1959 epic movie "Ben-Hur." Others include "family" entertainment such as the long-run series "Little House on the Prairie" and related that have Christian themes combined with emotional drama. The two come together to imbed in one's mind on the unconscious, emotionally touching and moving concerning that foul nazarene. People fall for this crap all of the time and are duped right into it. This is extremely prolific around Easter.

"Easter" was stolen from Astaroth. Originally known as "Ashtar." This holiday coincides with the Vernal Equinox of spring when day and night are of equal length. Known as "Eastre" to the Anglo-Saxons. As the Goddess of fertility, she was associated with rabbits and eggs. The Christians stole this holiday and twisted its meaning. Other names include: Easter, Eastre, Eos, Eostre, Ester, Estrus, (Estrus is when an animal goes into heat; mating season) Oestrus, Oistros, and Ostara. Again, the "Lamb of God" was stolen from the Zodiac sign of Aries the Ram which occurs every spring.

It was in the Anacalypsis Higgins proved the Jews took their religion from the corrupting of the Primordial Tradition of the Gentile:

"One thing is clear—the mythos of the Hindus, the mythos of the Jews and the mythos of the Greeks are all at bottom the same; and what are called their early histories are not histories of humankind, but are contrivances under the appearance of histories to perpetuate doctrines." Higgins bluntly declares that every ancient author, without exception, has come to us through the medium of Christian editors who have "either from roguery or folly, corrupted them all."

Keeping in mind everything came out of the East. The below is revealing to the key of Easter and that associated with it:

"Sivan (Hebrew: סיון, Standard Sivan Tiberian Siw n ; from Akkadian sim nu, meaning "Season; time") is the ninth month of the civil year and the third month of the ecclesiastical year on the Hebrew calendar. It is a spring month of 30 days. Sivan usually falls in May–June on the Gregorian calendar."

This corresponds to Lent and Easter of which Ash Wednesday starts the count towards. The ash on the forehead in the sign of the cross is the risen serpent power the two lines which from the cross are the union of male and female together at this case at the anja where the nadis come together [the eye of Siva]. This smearing also done in the East. And relates to Siva. The third eye is also put upon the forehead with paste to mark the opened eye of Siva from the ascension of the serpent.

We can witness originally this sacred holy day. Its named after Siva. N and M are identical in vibration Sivan becomes Sivam. Higgins showed that Hebrew at its core is stolen from Sanskrit.

Within the cranium is where the Tantra states the union of Siva and Shakti is done where the three channels merge.

In the ancient West the initiate would have the sign of the union marked on their forehead in the blood of a bull as well. Which symbolize the energy of the God as the God is the personification of the serpent power. The bull and the serpent where stated to be one and the same. Our word for God as Danielou stated origin is from the name of the bull, that of Go. The Goat and the bull where also used interchangeable with each other. Hence Goat. In German the word for God is still Got. In some mythos you have a bull headed deity and other a Goat head one. Which symbolized the Vak, the logos of the reborn soul. The vak is shown as the Green man in the West as well.

This is also called the Shabda or the Word made flesh. The Christian religion is well known to have been created out of plagiarizing the Mysteries of Osiris. Who is the God Siva in Egypt. Osiris also has the sacred bull as does Siva.

The main thrust of the work that gets left out of many works. Is that the whole work is not just raising the serpent but the unification of the whole soul by perfecting the chakra's as well. Which unifies the body and the soul into one ascended force.

The image of the God resurrecting from the tomb as the Greek Mysteries stated represents the souls ascension from the lower octave of matter. To the solar sphere of the ascended octave. Dionysus rises from the tomb after three days. After his crucifixion in many schools. Osiris also rises from the tomb after three days in the Egyptian celebration of Easter. The Greeks and Egyptians both state Dionysus is Osiris and the evidence shows this. Dionysus and Siva are both shown upon the panther as well. Siva carries the serpent wand of Osiris and Dionysus in the image of the Trident.

In the Pyramid at Giza the sarcophagus has no lid. As the sarcophagus in the Mystery tradition never does, even the one in Washington's tomb. Because the adept has been resurrected into eternal life. Washington is shown upon the dome of the capitol building sitting upon a rainbow surrounded by the Pagan Gods of alchemy of the soul. Wearing the robe of the transmuted soul the quintessence color. Which is what the Emperor of Rome wore as both leader and high Priest. Washington is not in the tomb because he has resurrected into Godhood.

High ranking Druids wore the same. The symbol of the Druid was the serpent around the rod. The symbol of eternal life. And worshipped Siva-Dionysus as Budha and other alias or titles as well.

Primordial Buddhism:

[topic175.html](http://topic175.html)

This process is done by the power of mercury of which Siva represents. Hermes is the key that unlocks the adept from the prison of the tomb in the different Mysteries. The lower octave of matter that of the force of time. Of which Siva as mercury the pranava is the destroyer of. Thus the granter of eternal life.

Baptism is the key of this. Osiris is also resurrected by Anup the Baptizer in some cases. Siva resurrects Ganesh from dead by a series of complex rites including baptism to bring him to life as a God. Rites translate to perfections. And where based on the inner fire rituals of the serpent fire. Our God is also called Oana or Oannes the baptizer, who is known as EA of Sumeria. Oannes is Jana in the East another title of Siva as Skanda the second or reborn Siva. Who's symbol is the Peacock and serpent. And the Meru Pillar the Osiris pillar in Egypt along with the Peacock being the Phoenix as well.

Zeus brings Dionysus back to life with the thunderbolt which is the symbol of Rudra [Siva] in the East. And the symbol of the serpent power.

Jana means to purify, to burn away. Anup is also called the purifier as well. As the baptism is the purification by the serpent fire. Which as the Tantra states

turns the ore to gold. Or dematerializes the corruptible body into the new luminous, perfected body of the Maha Siddha. The second Siva. The diamond from the coal. Our God is also called Agni which also means "purifier." Within the Siva tantra's. The God states his worship is that of the inner serpent fire.

The serpent energy is also depicted as the water of life. Hence EA-Oannes, is a water God. The Fish is another symbol of this power. And Dionysus is called the: Ichthys "Fish." A titled also stolen by the Christians. Along with the fish symbol. Which is the Yoni the womb of creation the reborn soul emerges from.

Wine is another symbol and Osiris and Dionysus are Gods of Wine. Dionysus turns the water into wine originally in the ancient mythos. Siva is the God of wine as well. The Homa wine. The rites of the baptism of the Homa wine where and still are crucial to the rites of the God Siva in the East.

In ancient Greece the adept was [ symbolical ] stated to be boiled in a huge caldron in which the Titan aspect was purified from them. The adept emerging from the caldron as a reborn Olympian. This is the baptism and the grail symbolism. Our God as the Baptizer is also Baphomet which means baptized in wisdom. Wisdom is another title for the serpent power. Hence Sophia is wisdom. The serpent was shown in the hieroglyph of a women in the Mysteries as well. Baphomet was also shown a double head god identical to Janus or Agni. The union of polarity of the soul.

The Pagan Cathar's also had the rite of baptism as central to their Mysteries. As well as the worship of what they titled: Agathodaemon "The Good Serpent." Who was shown as the eternal youth the reborn soul. Agathodaemon is a title of Dionysus. They also worshipped Siva-Dionysus under His title of Amour or Kama:

" Kamadeva is a name of Vishnu in Vishnu Purana and Bhagavata Purana and of Krishna as well as of Shiva. It is the name of author of Sanskrit work Prayaschita padyata. Kama is also a name used for Agni." Kama deva is the reborn soul, Cupid is a latin spelling of Kama [Latin is Sanskrit at its core]. And is the divine androgyne. As his name in latin is also Amour. Which is the Amour worshipped by the Cathar's who where worships of love.

Amour as Evola wrote also means Amrita:

"Amrita (Sanskrit: अमृता ; IAST: am ta) is a Sanskrit word that literally means "immortality", and is often referred to in texts as nectar. The word's earliest occurrence is in the Rigveda, where it is one of several synonyms of "soma" as the drink which confers immortality upon the gods."

Osiris is called Asar which is traced to the Ansuz or the Oss rune, the ether principal. He is also called the sacred tree the element of wood is ether. The God is hung upon a tree or a wooden cross which is the spinal column. The three is the spine and the branches the 144,000 nadis this number was stolen from the East. Where Sanat and the 144,000 souls come from Venus to liberate the earth.. The 33 years of age are the vertebrae is the spine the serpent passes thought. The God is the serpent. In many Pagan cultures they would hang a serpent on a tree and call it the Savior God. Salvation is from the Greek Sozo meaning to be made whole, union. The serpent makes the soul whole. The world is a term for the four aspects of the soul as one within the aspect of the

body that holds them all together and is part of them. Hence the saviour of the world. Is the saviour or purifier of the soul. From the dross which is called sin in the Babylonian and Greek Mysteries. But was spoken of as a metaphysical impurity. Its symbolized by the Titans or Asura's. Zeus destroys the Titans with his thunder bolt and Siva destroys the Asura's with similar weapons where are allegories for the serpentine power. Purifying the soul. Nothing more.

The Jews have damned humanity to death and suffering by corrupting all this into Christianity. Of which there is nothing spiritual. Even Palm Sunday is of Dionysus. The God is also shown as a Palm tree in some cases. The Donkey is also sacred. As a symbol of this power. The God rides the bull, panther, ram and on. The bull of Siva is called Nadi meaning sound and the energy pathways. Which is the key. The city is the symbol of the soul as well. It was a custom to build cities into yantra's of the cosmic being Purusha the title of Siva. And the wheel of the Zodiac which contain the 13 constellations and steps of the work. Of which the human is a microcosm of.

Thoth also resurrects Osiris from the dead in some theologies. With the Ankh, the breath of life, the serpent. An is a title of the serpent power. The Ankh is a symbol of the union of opposites which generates the new soul. Thoth also represents the power of the pranava and carries the serpent wand.

Isis and Osiris are the energy and form of the soul, the body is part of the soul. Isis is the energy of the serpent and Osiris is the divine form or quintessence within the form of the body. Waiting to be awoken by the work, the diamond within the coal. Horus is the divine child, the divine androgyne who is generated by the union. And resurrects Osiris from the dead. Horus is called the reborn or resurrected Osiris as Osiris absorbs the Isis principal and becomes the Horus. The Hexagram is the symbol of Horus the symbol of union of the soul into the reborn or 3rd logos. The Trinity was taken from the rites of Osiris by the Christian Bishop of Alexandria. Jewish Christianity being plagiarized and made into a literalization of the Mysteries of our Gods, naturally can't wrap their head around its meaning. The fact they are ignorant as to the most fundamental part proves they are a scam. Siva is also the divine androgyne. Si=male and Va=female.

The Metaphysic's Of Sexual Union  
[topic2932.html](http://topic2932.html)

When this occurs the being is purified to the gold. The quintessence which is above time and the Saturnine or material forces it rules. Risen from the tomb. The grave and death is ruled by Saturn. The Grim Reaper is the popular image of Saturn.

This is why Easter is named after the Goddess Easter or Ishtar who is also Isis. In many theologies she is the power that resurrects.

Nine the ninth month of Sivan is the number of Siva. And this is a solar festival. As this makes the sun and the magnum opus. And relates to the sun in the Ram of Aries. The blood of the Lamb is the energy of the serpentine power and the magnum opus.

The Easter Egg:

The Greek Orphic's show a serpent coiled seven times around the cosmic egg. From which came their primordial creator Phanes :  
"The egg symbolizes the belief in the Greek Orphic religion that the universe originated from within a silver egg. The first emanation from this egg, described in an ancient hymn, was Phanes-Dionysus, the personification of light.

In Greek myth, particularly Orphic thought, Phanes is the golden winged Primordial Being who was hatched from the shining Cosmic Egg that was the source of the universe. Called Protogonos (First-Born) and Eros (Love) being the seed of gods and men Phanes means "Manifestor" or "Revealer," and is related to the Greek words "light" and "to shine forth."."

Rituals are alchemical practices in which the outer ritual is a mandala for the inner transformation. This is why the Priest of Orpheus [ of which mysteries are symbolized by the cosmic egg] where called the Orpheotelestae. Denoting they are perfected beings. Dionysus is also called: "The First Orpheus." This relates to being perfected by the serpentine energy. Serpents hatch from eggs. In the Siva Mysteries the golden egg is the symbol of the soul and the lingam. The tapa's the Yogic inner fire rituals caused the new soul to hatch from the egg. The symbol of the work. The egg was so sacred to the Orphic mysteries its been stated by some texts they prohibited themselves from eating them.

Subject: April 20th - Celebrating Hitler's Birth and the Nazi Birth.

Today is a very significant day. One of the most powerful and important Humans to ever live was born today. Its due to him we are not under Global communism and not numbered like cattle. As we all know this very great man was of the few, who in his time was a major reformer and the most major enemy of the Jewish system. The enemy hates him with passion, because to Him and other very brave warriors throught the ages, today we have the freedom we have. Its not all we should, but its a message to these idiots who think they run the world and they own everything, including you and me. He is the person who has been nothing less than a Father to his own people back in Germany, a man who tried to go against the jewish beast and gave it a punch right in the jaw, that left their most fatal mark and marked these evil people for what they are and have been doing all alone.

He is the man that went against the jewish economical system that is today's tyrrant and keeps people impoverished and with destroyed Souls. He is the one who raised his fist in the most uncertain and most impossible circumstances, when the jews virtually owned everything. He is the hero of the last century and a hero to be looked up upon for those who look on for a better tommorow. Like all Nazis, his legacy deserves be memorized and observed.

The most 'despised' and the most beloved figure of the last centuries. The one who shook the world.

He is our Adolf Hitler.

The Hitler who aweakened us to our Gentile Heritage, the Hitler who envisioned a peaceful world and the jewish and low people went against him for their own, vain personal interest. He is he for those who have studied him, is, has been and will forever be an exceptional figure for us to follow, aside many of the old Kings and Heroes.

I propose to all who desire, to give the Powers of Hell energy today, as a mere formality for the birth of the Man who helped us have the freedoms we still do. The man who sacrificed everything- including himself and all his Legacy, to go against the global jewery. The man who has inspired the hearts of the brave and Nationalists of all centurries to fight, to preserve their Race and to evolve towards a greater tommorow.

The man who, aside all the worth to mention Brothers and Commrades in folk, shielded the Truth and sacrificed it all, in the process.

Happy Birthday Hitler, Happy Birthday Nazism, Happy Birthday Truth of the Gentile Race. May Satan and the Gods bless us all to bring about the final drag of the Truth's Reign.

Group Ritual for Friday, 25 of April 2014

There are links to both pdf and mp3 audio copies to download and to print at the bottom of this page.

The words below are to be vibrated. By vibrating these words, this will remove another powerful biblical curse. The more people we have who will be doing this ritual, the better, as there is both strength and power in numbers. This ritual is the second of a series of rituals of which we will be doing similar each month or in some cases, twice a month in harmony with planetary energies. This ritual is not a curse, it is reversing a curse, of which does not in any way conflict with the retrograde Mars at this time. We are removing the weapons from the enemy's hands. The effects of this ritual will result in a worldwide awakening. Many of the words below are guttural. This means many syllables are vibrated in the back of the throat. Just do the best that you can. Practice the words [I have included an mp3 of the words for you all to download at the bottom of this webpage], as much as you can before performing the ritual.

April 25, 2014.

Please perform the Raum meditation to raise your powers before performing the ritual. There is a link to an mp3 audio for the RAUM meditation at the bottom of this page.

If you are experienced and already have a meditation that works effectively for you that raises your energies, then use whatever works best for you.

Vibrate RAUM

RRR into your base chakra [be sure to roll the R's]

AHH into your sacral chakra

UUU into your solar plexus chakra

MMM into your heart chakra

Now, vibrate RRR into your heart chakra [be sure to roll the R's]

AAAH into your throat chakra

UUU into your 6th chakra

MMM into your crown chakra.

The above is one round. Do several rounds. It is best to do 13 rounds, or a multiple of 13.

Vibrate EEEE focusing on the right side of your body and immediately follow by vibrating OOOOH focusing on the left side of your body [going back and forth], 40 times.

For example, vibrate EEEE focusing on the right side of your body [torso], then immediately vibrate OOOH focusing on the left side of your body. That is one round. Then, immediately vibrate EEEE on the right, then immediately vibrate OOOH on the left. That is the second round. Do 40 rounds of vibrating I then O using a Satanic rosary. A Satanic rosary is used so one is not distracted when vibrating high numbers of repetitions, by trying to keep count. This is not mandatory, though. If you do not have a Satanic rosary, use anything that works.

The I vibration, pronounced as EEE, is pronounced as the long American English E, as in the American English words SEE, TEA, and ME. The OOOH vibration is the American English long O, such as in the words HOLD, and NO.

Following the completion of the above, vibrate E-A. Vibrate E, pronounced AY, as in the American English words MAY, SAY, DAY; focusing on the front of your body, and then AHHHH, focusing on your entire spine. For example, vibrate AAAAYYYYY, focusing on the front of your body- just your torso, then immediately vibrate AAAH focusing on your entire spine. That is one round. Then, immediately vibrate AAYYY on focusing on the front of your body, then immediately vibrate AAAH focusing on your entire spine. That is the second round. Do 40 rounds of vibrating E then A using a Satanic rosary.

Following this, vibrate RAUM into your entire aura 7 times.

This meditation empowers the entire soul. The heart chakra is a connector and energy vibrated into it from below will then connect to and transfer into the upper chakras in the second part of the meditation. Just be aware, this is exceptionally powerful and you will definitely feel it the very first time. This is a powerful meditation to use both before a formal ritual or any informal working.

Subject: Something of Interest

I know many people have a lot of questions about science, the universe and life. I am posting this, as it may be of interest. I majored in the physical sciences when I attended university many years ago. Satanism is for the advancement of science. Humanity has failed to make any serious progress because of crap like what I am sharing below. Advanced worlds out there combine spirituality with technology, such as group telekinesis when operating flying saucers. There is a point where both physical science and spirituality; the occult meet and compliment each other. Everything of the so-called "occult" can be explained scientifically.

This morning, I was finishing up on "Cracking the Bible Code" book. Because Hebrew uses letters for numbers, stage magicians' tricks can be incorporated into sequences and codes of numbers. All sorts of different things can be done with numbers, as any mathematician knows. This is another fact that not too many people are very knowledgeable about. This is where that crap comes from. The so-called "Bible Codes" are nothing but another hoax promoted by the Jews.

Lilith appeared to me. This was right after I read in the book concerning the "Big Bang" theory and how the universe is supposedly "15 billion years old." Now, note again..."15 billion" again, the number  $1 + 5 = 6$ . She told me that "Big Bang" theory was a total crock of shit. I then went on to ask about the universe, the micro and macrocosms and such and she told me this...she stated that because we live and die; birth and death, we often see things in a linear time perspective...in having a beginning and an end. She said the universe and the micro and macrocosms do not correspond to linear time. They do not have a beginning or an end. She also stated what Thoth said about the universe being triangular shaped. She then went on and told me how science and everything else has been held back and stymied by the Jews.

That theory concerning the universe being 15 billion years old is based on Einstein's crap. Again, Jewish lies. This in turn is based upon their stupid

torah and then we have the muslim idiots who refuse to admit that the earth is older than what is stated in the koran, like the kikes- so all scientific enquiry is scarfed and stymied [Jewish roots]. I read some time ago where professors and other important scholars, if they do not conform to what are deemed accepted teachings, in many cases, even in spite of research, they are given a strong warning, then they are ostracized and eventually cut from their positions, if they persist. Certain research and such is taboo.

Well, she then left and I went on reading and that book even stated that before Einstein's theory, the general belief was exactly what Lilith told me- the universe had no beginning or end.

See how they ruin science? No different from how I read many years ago how they have NASA completely under their control.

Subject: Ritual and Moon - Please Read, Do Not Assume

Many of you have already finished the ritual. For those of you who haven't,  
the Moon will go void today-

BUT, because this is a group ritual and many others have already performed it and the ritual was begun at the correct time I regards to the planets, even if you are late and perform the ritual after the Moon has gone void today, the void Moon will have no effect. This ritual is a group effort and has already been started.

If you can only do it after the Moon goes void, no problem. Just make sure you do it as this is extremely important. Satan wants everyone to do this ritual.

Subject: THE UKRAINE - JEWISH TYRANNY AND CONTROL

Freedom is not easily won or kept. It must be fought for and defended. This is what the People of the Ukraine have been fighting for since November of 2013. The Ukraine desires to be a sovereign nation with a strong economy. Russia wants nothing more than to crush that Right, making the Ukraine bow in submission to Russian muscle.

The Ukraine is dependant on Russia for 60% of its natural gas supply. This gave Russia the upper hand, especially since Russia had cut off Ukrainian gas before. Then Russia decided to make a deal that was too good to pass up. Yanukovich took the bait. Why did he do that? Russia threatened its much smaller neighbor with trade sanctions and steep gas bills if the Ukraine continued pursuing the EU trade agreement. Yanukovich was told if he complied with Russian wishes, the Ukraine would get deep discounts on natural gas.

What prompted the protests in the Ukraine?

On November 21, Ukrainian President Viktor Yanukovich backtracked on the promises he had made to sign a trade pact with the European Union after years of negotiations. Instead, he decided to strengthen ties with Russia. The agreement would have established free trade and political cooperation and put Ukraine on the road to EU membership. Ukrainians hoped to move away from the decade's long dependency on Russia, in exchange for freer markets and more open politics.

9 days later on November 30<sup>th</sup> images of protesters bloodied by police spread quickly, galvanizing public support for the demonstrations.

The very next day nearly 300,000 people protest in Kiev's Independence Square. The City Hall was seized by activists. Thousands of people, Outraged that the long-standing aspiration for an integration with Europe had been ditched overnight, poured into central Kiev for peaceful protests. They have occupied Independence Square, known as Maidan, ever since.

Within 10 days, an estimated 1 million people had assembled. Riot police used stun grenades and batons to violently beat back protesters.

In the frigid temperatures, demonstrators constructed barricades, built a massive tent city and occupied government buildings. After three months of controlling City Hall, the government and opposition had agreed on a deal - amnesty for arrested protesters, If demonstrators vacated captured government buildings.

The opposition had also agreed with negotiators that parliament should discuss changing the constitution to reduce the president's powers. After this agreement, the speaker of parliament refused to allow that on the agenda. As soon as the news got out, angry protesters marched on parliament.

The People DEMANDED from their Government that their voices be heard!

They desired a more democratic government, one in which the people were given choices and freedoms. After being repeatedly denied, they made a political stand against the government - Violence started. The Will of the people must not be ignored! Many Ukrainians were finally awakened to what was going on. Once this occurred they started to see the Truth of the "Right Sector" and the All-Ukrainian Union known as "Svoboda" which is translated as Freedom - The True Warriors in the Ukraine since the fighting first started in Kiev.

In Truth, they are Ukrainian Hero's, as one of the fighters stated in the video linked below. A few Good Women were bringing these Men food, hot tea and even cigarettes. They were Very Appreciative of their fighters efforts. They admired their courage for standing up for what they believed in. Some of these Very Intelligent women also stated that they would be Pleased to Marry any of those Right Sector Men. One Woman said: "They are the Best, the coolest in the world!"

On December 17<sup>th</sup> Putin and Yanukovich struck a \$15 billion loan deal. Russia made an initial \$3 billion in bonds purchases from the Ukraine. The payments were suspended after violence overtook the city, but on Monday, \$2 billion more was paid out, solidifying Russia's cash-based hold over Ukraine.

Basically, Russia bought power over the Ukraine for 20 Billion Dollars, Or 15 billion Euro's.

What is the Russian-Ukrainian Relationship like?

The Ukraine proclaimed its modern independence upon the Soviet Union's dissolve in 1991. Under Soviet control, the country's economy was brutalized, of which there was a long and painful recovery from. The location of the Ukraine has a lot to do with the situation - Ukraine occupies a key political position as the border country between Russia and the EU - Also the Ukraine's large population of 45 million, make the country a strategic opponent. Russia is quick to act on its fear that western influence could spread east.

In 2008, Putin threatened to aim **nuclear missiles** at the Ukraine if the nation joined NATO. Another reason to keep an upper hand: Russia funnels oil to Europe via a pipeline that runs directly through Ukraine. As always Oil is a major deciding factor in war.

Jan 16: Anti-protest laws are passed and quickly condemned as "draconian". The jews always do that, they put the Blame on others for everything they themselves do and are! This "human-hating" that the jews have written about in their talmud comes from their masters - the greys, as I have said before. The greys want to use humanity as an Energy Farm. They feed off of the psychic energy of all under the Spell, such as xians.

The Jewish plan for the Enslavement of Gentile Humanity is outlined in their talmud, it furthermore references us as Animals. Everything the jews are and do, they blame on their enemies [us Gentiles} to confuse and distract everyone's attention away from them and what is Really going on! Everything the jewish "god" jewhova is and does is blamed on Satan. Same thing.

By the way, there is no such Creature or Being known as the jewish god, it is a throughform controlled and created by the jews and their masters the greys to Deceive humanity into Submitting to jewish rule.

QUOTE FROM THE JEWISH TALMUD: Simeon Haddarsen, fol. 56-D: "When the Messiah comes every Jew will have 2800 slaves."

QUOTE FROM THE JEWISH TALMUD: Nidrasch Talpioth, p. 225-L: "Jehovah created the non-Jew in human form so that the Jew would not have to be served by beasts. The non-Jew is consequently an animal in human form, and condemned to serve the Jew day and night."

Additionally, Russia today has become the very bulwark of European xianity. Putin and the catholic church are two arms of the same beast. Russian society is being turned into a xian theocracy with a communistic flavor. So much for being at odds with each other! Christianity and Communism two slices of the same evil pie.

Finally on Jan 28<sup>th</sup>, Mykola Azarov resigned as the Ukraine's prime minister. Later that day the parliament repealed the anti-protest laws that caused the demonstrations to escalate to violence.

The people were told they no longer had a voice and will of their own – no right to Protest! The resistant leaders resigned from office, once more the people had the Right to stand up for and if necessary fight to the death for what they believe in. Unfortunately many protesters that were arrested disappeared entirely- killed by their government for resisting Tyranny and Control.

Let's all remember what the Soviet Union did to the Ukraine between 1932 & 1933!!

It was the greatest famine the world had ever seen in modern times - the Holodomor. 10 Million Ukrainians starved to death. Many spent their last days eating what was left of emaciated livestock, family pets, grass, roots, boots, and then finally each other. The Soviet Union was responsible for each and every Ukrainian death that resulted due to that famine. They deliberately restricted access to food. Don't think for a minute that they wouldn't do it again, because they would.

Again, who was the responsible party? None other than the jew Joseph Stalin, who's REAL Last name was Dugasvilli,

On Feb. 21<sup>st</sup>, Under a European-mediated plan, protest leaders and Yanukovich agree to form a new government and hold an early election. Parliament slashes Yanukovich's powers and votes to free his rival, Yulia Tymoshenko, from prison. Two years ago, she was found guilty of abuse of office in a Russian gas deal and sentenced to seven years in prison, in a case widely seen as politically motivated. Yanukovich was scared of going to jail. Yanukovich flees Kiev after protesters take control.

Cowards always flee when the heat gets turned up, don't they? Where did Yanukovich go? He flew to Moscow.

On Feb. 22<sup>nd</sup>, Parliament votes to remove Yanukovich and hold new elections. Tymoshenko is freed and addresses tens of thousands at the Maidan.

On Feb. 23<sup>rd</sup>, Ukraine's parliament assigns presidential powers to its new speaker, Oleksandr Turchinov, an ally of Tymoshenko.

On Feb 24<sup>th</sup>, Just as Yanukovich had feared Ukraine's interim government draws up a warrant for Yanukovich's arrest.

Imagine that! The Government Fearing it Citizens, not the other way around. And then the People sought Justice against the person who had betrayed them!

On March 2<sup>nd</sup>, A convoy of hundreds of Russian troops heads towards the regional capital of Ukraine's Crimea region, a day after Russian forces takes over the strategic Black Sea peninsula without firing a shot. Arseny Yatsenyuk, Ukraine's new prime minister, says his country is on the "brink of disaster" and accuses Russia of declaring war on his country.

The Russian annexation of Crimea was the first time since WW2 that Russia had expanded its borders.

Another key issue to consider here is the Ukrainian economy. In August of 2013, as the signing the EU deal drew closer, Russia exerted its power over the Ukraine by ramping up border checks and duty fees on incoming shipments.

The Ukraine is currently in its third recession since 2008, and is seeing foreign reserve coffers at their lowest levels since 2006. It's estimated the country currently has enough in its central bank for two months of imports. The Ukrainian Hryvnia dropped to a five-year low earlier this month. Money like Oil is deciding factor to consider in waging war.

Both Russia and the United States are being run by the jews, they both support the same jewish agenda of total control and domination over Gentiles. Both nations have a jewish president, and when I say that they are jewish, I'm not just talking about that stupid hat they like to wear! I'm talking about their Blood, Racial Heritage and Family Trees.

Both Putin and Obama are jews. They are only puppets to the jews behind them, and no less dangerous. They have jewish interests in mind, and plans to protect the nation state of israel.

Russia and the United States pretend to not care about or even oppose israel, but behind closed doors they are in full support of israel and the jewish agenda.

To deceive everyone the jews play both sides against the middle.

What Nation State is in control of the global banking systems? Israel. What race of people own and operate those banks? The Jews! When the United States dollar finally collapses and this country is thrust into yet another great depression, remember who took the food from your children's mouths. This is far more serious than you might think.

There are some interesting quotes I would like to share with you:

"Money is Power", or shall we say, "The Monopoly to Create Credit Money and charge interest is Absolute Power". (Jew Alex James)

"Let me issue and control a Nation's money and I care not who makes its laws".

Jew Amsel (Amschel) Bauer Mayer Rothschild, 1838

"I believe that banking institutions are more dangerous to our liberties than standing armies." – *Thomas Jefferson*

In closing, most people are seriously under a powerful spell. That entire bible filled with nothing but curse after curse aimed at Gentile humanity. Not to mention countless blood baths that occurred as invading Jewish armies slaughtered those who stood in their way! One such reference is made in the Book of Esther, which directs the Jews to massacre women and children, and to exterminate the families of those who dare to oppose them.

Esther 9:5

"Thus the Jews smote all their enemies with the stroke of the sword, and slaughter, and destruction, and did what they would unto those that hated them."

Unbeknownst to most people the bible is nothing more than a book of Jewish witchcraft of which the Jews have used to take control and to break everyone's Will-Power, knocking you to your knees - forcing your obedience & submission to Jewish domination.

Something that Christians often proclaim is "the Devil is totally material." When in truth it's the other way around. That bible is totally materialism. Just passing the offering plate, there it goes, 10% of your hard earned money, straight into the pocket of that Manipulative preacher, who has nothing better to do than to stand up there behind that pulpit and Lie to you each and every Sunday morning! There is not one thing spiritual in that book! If you want to experience True Spirituality, then I suggest you start doing Yoga and Meditating every day on a consistent basis. Then your eyes can be opened to see the Truth that is right in front of you.

The bible also has provided a Fictitious account for the history for the Jewish race - one which Never occurred, and rights to a piece of land - which they never had any right to inhabit. The bible is a book of Jewish supremacy over Gentiles. Gentiles having Spiritual Knowledge and Spiritual Power is by far the Biggest Threat to the Jews.

They do not want their secrets or their dirty laundry aired before the eyes of the world!

Subject: Re: THE UKRAINE - JEWISH TYRANNY AND CONTROL

great piece thank you for sharing I have not found any fault in it at all

On Sat, Apr 26, 2014 at 11:32 AM, Micama Gmicalzoma <[agentofsatanswill666@...](mailto:agentofsatanswill666@...)> wrote:

Freedom is not easily won or kept. It must be fought for and defended. This is what the People of the Ukraine have been fighting for since November of 2013. The Ukraine desires to be a sovereign nation with a strong economy. Russia wants nothing more than to crush that Right, making the Ukraine bow in submission to Russian muscle.

The Ukraine is dependant on Russia for 60% of its natural gas supply. This gave Russia the upper hand, especially since Russia had cut off Ukrainian gas before. Then Russia decided to make a deal that was too good to pass up. Yanukovich took the bait. Why did he do that? Russia threatened its much smaller neighbor with trade sanctions and steep gas bills if the Ukraine continued pursuing the EU trade agreement. Yanukovich was told if he complied with Russian wishes, the Ukraine would get deep discounts on natural gas.

What prompted the protests in the Ukraine?

On November 21, Ukrainian President Viktor Yanukovich backtracked on the promises he had made to sign a trade pact with the European Union after years of negotiations. Instead, he decided to strengthen ties with Russia. The agreement would have established free trade and political cooperation and put Ukraine on the road to EU membership. Ukrainians hoped to move away from the decade's long dependency on Russia, in exchange for freer markets and more open politics.

9 days later on November 30<sup>th</sup> images of protesters bloodied by police spread quickly, galvanizing public support for the demonstrations. The very next day nearly 300,000 people protest in Kiev's Independence Square. The City Hall was seized by activists. Thousands of people, Outraged that the long-standing aspiration for an integration with Europe had been ditched overnight, poured into central Kiev for peaceful protests. They have occupied Independence Square, known as Maidan, ever since.

Within 10 days, an estimated 1 million people had assembled. Riot police used stun grenades and batons to violently beat back protesters.

In the frigid temperatures, demonstrators constructed barricades, built a massive tent city and occupied government buildings. After three months of controlling City Hall, the government and opposition had agreed on a deal - amnesty for arrested protesters, If demonstrators vacated captured government buildings.

The opposition had also agreed with negotiators that parliament should discuss changing the constitution to reduce the president's powers. After this agreement, the speaker of parliament refused to allow that on the agenda. As soon as the news got out, angry protesters marched on parliament.

The People DEMANDED from their Government that their voices be heard!

They desired a more democratic government, one in which the people were given choices and freedoms. After being repeatedly denied, they made a political stand against the government - Violence started. The Will of the people must not be ignored! Many Ukrainians were finally awakened to what was going on. Once this occurred they started to see the Truth of the "Right Sector" and the All-Ukrainian Union known as "Svoboda" which is translated as Freedom - The True Warriors in the Ukraine since the fighting first started in Kiev.

In Truth, they are Ukrainian Hero's, as one of the fighters stated in the video linked below. A few Good Women were bringing these Men food, hot tea and even cigarettes. They were Very Appreciative of their fighters efforts. They admired their courage for standing up for what they believed in. Some of these Very Intelligent women also stated that they would be Pleased to Marry any of those Right Sector Men. One Woman said: "They are the Best, the coolest in the world!"

On December 17<sup>th</sup> Putin and Yanukovich struck a \$15 billion loan deal. Russia made an initial \$3 billion in bonds purchases from the Ukraine. The payments were suspended after violence overtook the city, but on Monday, \$2 billion more was paid out, solidifying Russia's cash-based hold over Ukraine.

Basically, Russia bought power over the Ukraine for 20 Billion Dollars, Or 15 billion Euro's.

What is the Russian-Ukrainian Relationship like?

The Ukraine proclaimed its modern independence upon the Soviet Union's dissolve in 1991. Under Soviet control, the country's economy was brutalized, of which there was a long and painful recovery from. The location of the Ukraine has a lot to do with the situation - Ukraine occupies a key political position as the border country between Russia and the EU - Also the Ukraine's large population of 45 million, make the country a strategic opponent. Russia is quick to act on its fear that western influence could spread east.

In 2008, Putin threatened to aim **nuclear missiles** at the Ukraine if the nation joined NATO. Another reason to keep an upper hand: Russia funnels oil to Europe via a pipeline that runs directly through Ukraine. As always Oil is a major deciding factor in war.

Jan 16: Anti-protest laws are passed and quickly condemned as "draconian". The jews always do that, they put the Blame on others for everything they themselves do and are! This "human-hating" that the jews have written about in their talmud comes from their masters - the greys, as I have said before. The greys want to use humanity as an Energy Farm. They feed off of the psychic energy of all under the Spell, such as xians.

Subject: The Real Death Camps And Holocaust

The Real Death Camps And Holocaust

Today the world is under the grip of a new religion: Holocaustianity. This program is designed to assign meanings to their agenda. And holds a powerful spell over the minds of the Gentiles. It's a powerful propaganda in the aims of the Jewish agenda. Its premise is the foundation for numerous special laws. Making the Jews beyond criticism. And a tool to silence all debate and steam roll anyone who opposes their agenda. To delegitimize all information that exposes them along with those who do. And gives them moral precedent for their capital Jewish state in Israel. And the greater world system they wish to rule from Israel. It's also a powerful steroid for their Cultural Marxist [PC's real name] ideology. Which is designed to destroy any healthy, organic psychology or material institution that by its nature. Hinders the Jewish destruction and assimilation of their nation. Into the claw of the Jew World Order.

To understand the truth the Jew has made illegal in many areas to cover up this subject [truth does not fear investigation]. We look at what really was happening and shine the light on this situation. The truth is the real holocaust occurred in the Jewish controlled and created Soviet Union. Of the many such death camps where millions perished we shall examine the Kolyma one of the many and which legacy is that of nature of the Jewish beast. Later we shall see right from the Jews mouths the humane reality of the German camps that where as proven even in a court of law not death camps but humanely run industrial centers of production With even Olympic sized swimming pools and sports fields with Red Cross personal and observers at.

Kolyma: The Artic Death Camps:

"The prisoners arriving at the huge transit camps on the Pacific coast, outside Vladivostok and later at Nakhodka, and at Vanino, in each of which hundred thousand prisoners would be crowded into the endless array of barracks which stretched as far as the eye could see. There they awaited the prison ships of the Kolyma run..."

As Andrei Sakharov called them the "Death-ships of the Okhotsk Sea..."

"Those who arrived were already crushed and humiliated starved and ill-clad remnants of human beings. They would normally have spent around three months in prison under conditions and treatment thought adequate to such as they and the train journey-always one of the worst of the various experiences of the victims, with its fetid wagons, its inadequate water supply, its lack of food and light, its brutal guards-was, of course, the longest undergone by any of the Gulag's victims..."

Embarkation day would arrive. At Vanino:

When we came out on to the immense field outside the camp I witnessed a spectacle that would have done justice to a Cecil B. DeMille production. As far as the eye could see there were columns of prisoners marching in one direction or another like armies on a battlefield. A guard detachment of security officers, soldiers, and signal corpsmen with field telephones and motor-cycles kept in touch with headquarters, arranging the smooth flow of these human rivers. I asked what this giant operation was meant to be. The reply was that each time a transport was sent off the administration reshuffled the occupants of every cage in camp so that everyone had to be removed with his bundle of rags on his shoulder to the big field and from there directed to his new destination. Only 5000 were supposed to leave, but 100,000 were part of the scene before us. One could see endless columns of women, of cripples, of old men and even teenagers, all in military formation, five in a row, going through the huge field, and directed by whistles or flags. It was more than three hours before the operation was completed and the bath I belonged to was allowed to leave for the embarkation point.

I remember Vanino port

Where the grim-looking steamer rode,

How we climbed the gangplank aboard

To the cold and gloomy hold

"It took us some time to accustom our eyes to the dim light of the dingy lower deck.

As I began to see where we were, my eyes beheld a scene which neither Goya nor Gustave Dore could ever have imagined. In that immense, cavernous, murky hold were crammed more than 2000 women. From the floor to the ceiling, as in a gigantic poultry farm, they were cooped up in open cages, five of them in each nine-foot-square space. The floor was covered with more women. Because of the heat and humidity, most of them were only scantily dressed; some had even stripped down to nothing. The lack of washing facilities and the relentless heat had covered their bodies with ugly red spots, boils, and blisters. The majority were suffering from some form of skin disease or other, apart from stomach ailments and dysentery.

At the bottom of the stairway we had just climbed down stood a giant cask, on the edges of which, in full view of the soldiers standing on guard above, women were perched like birds, and in the most incredible positions. There was no shame, no prudery, as they crouched there to urinate or to empty their bowels. One had the impression that they were some half-human, half-bird creatures which belonged to a different world and a different age..."

Many of the prisoners never survived the crossing they died from violence, starvation and diseases of being crammed literally in many cases shoulder to shoulder like chattel into dirty holds for weeks. The scene was identical to the Jewish owned slave ships packed with thousands of African slaves. Literally wall to wall. In previous centuries. This time with new Goyium chattel to be used as work slaves of the Jewish Communist State.

“The central aim was to kill off the prisoners as one commandant put it quite openly....”

My note the main method of murdering the prisoners by millions was to assign to them impossible production quotas. Then lower their already starvation rations when they could not meet them as punishment. Ensuring they would die off from a mixture of exhaustion and diseases. Those who lived but were too weakened and their quotas dropped off from starvation and exhaustion were simply executed on mass. This ensured the gold was mined while killing the prisoners off. The sadism of this method was the victim would work as hard as possible to stay alive in false hope. Thus ensuring a larger amount of gold production. As part of this they were issued the worst and cheapest clothing that was worthless in the 50 to 70 degree below zero cold. And left with nothing but filthy, lice filled ragsto wrap about their frost bitten feet and body. And left to live stacked on top of each other like factory farm animals in cages. In shoddy, cheap huts without insulation or proper heating. In the coldest region on earth.

Over three million people were systematically murdered by the Jewish Communist Regime in Kolyma alone. And it formed only one such camp of many across the Soviet Union. Each of the accounts is not just of the individual giving such. But the collective experience of the millions of those condemned to such camps.

The Reality of the Camps:

“The climate of the interior, where it may drop down to -70C., is indeed the coldest in the Northern Hemisphere: the actual Pole of Cold is at Oymyakon, just over the Gydan. ”

In the summer of 1932, the operation was launched. The collectivisation assault on the peasantry had produced a vast expansion in the number of arrests. Of the 10 million ‘Kulaks’ [my note closer to 15 million] disposed of, half probably died in famine and by execution, and of the remainder certainly no fewer than three and a half million poured into the prison camps. Kolyma got its share.

The barracks or huts in which prisoners spent their spare hours much of refuge. Desperately over crowded, with bunks three or four deep, they were often quite uninsulated (guards’ huts had sawdust between two layers of boarding). And, ill-constructed as they were, the cracks and holes were usually stuffed with moss, rags or straw. More over, almost all the miners were afflicted by incontinence of urine. They would try, when sent to camps, to get the lower bunks, in order to spare their colleagues. Where they were all together this was not

possible.

The stoves, too, were quite inadequate. It was a constant complaint that 'The barracks were not given enough heat, clothing would not dry out. In the fall they kept people, soaked to the skin, out in the rain and the cold to fulfil norms that such hopeless wreck could never fulfil. Prisoners were not dressed for the climate in the Kolyma region. They were given third-hand clothing, mere rags, and often had only cloth wrapping on their feet. Their torn jackets did not protect them for the bitter frost, and people froze in droves.

We have noted the revealingly vicious regulations which, from 1937, practically forbade clothing adequate to the climate.

A dozen lice in one's underclothes don't count. Lice begin to attract the attention ..when a crawling pullover start to move on tis ownls it possible that a man, of whatever type, might not wish to escape this torture when he does not sleep and scratches his filthy body, gnawed by vermin, till the blood runs.

When it had become clearly impossible to delouse themselves, women would give up trying, and only when the itching became intolerable would reach under their blouses, 'fish out a handful of the vermin, and throw them away.'

One prisoner records:

In March 1933, 600 prisoners were sent to Gold Mine No.1 of the Mining Administration of the North. There were two other administrations of the same kind, those of the West and the South. We set off on foot on this long journey. We had to travel 370 miles in deep snow and during terribly cold weather to the Khatenakh sopka.

We had to make 16 miles a day, after which we spent the night in tents set upon the snow. After our scanty rations in the morning, we set out again. Those who were unable to survive this long gruelling march and died on the way were left with the snow for their only tomb. Our guards forbade us to give them a proper burial. Those who lagged behind were shot by the guards, without stopping the column."

I was convinced that soldiers of the MVD [camp guards] must have been picked for their sadistic qualities. They had a completely free hand over us and would do anything, particularly when drunk, to make prisoners suffer. For instance, when going to or coming back from work in the usual columns of five, they would sometimes stop us in the middle of the road, unleash their dogs, and laugh uproariously as the dogs sank their fangs into the prisoners' legs. It was a time when they were absolutely free to do anything, even kill us-and get a reward for it. I have known them to call a man over to make a fire for them or to bring them a mug of water when on sentry duty, and then kill the unfortunate under the pretext that the prisoner had crossed the 'no trespass' line.

The working conditions:

The boots were always wet, never quite drying out-rheumatism was guaranteed. Then, the air in the pit, where there was no ventilation whatsoever, was filled twice daily with the poisonous fumes of blasted ammonal. Only thirty minutes were allowed for the clearing of the fumes through the entrance of the mine, after which the workers were driven back into the pits to continue their work. Many of them succumbed to the poisoned atmosphere and coughed violently, spitting blood and often particles of lung. After a short time, these were usually sent either to the weak squads for lumbering, or to their graves. Mortality was especially high among the men who carted the wet sand from the barrack after the washing. From the steamy, damp atmosphere of the heater the perspiring wheelbarrow-pushers slipped through the opening, which was covered by an old blanket, rolling out their wheelbarrows into the piercing 50-below-zero frost. The time limit in this work was, at the most, one month, after which either pneumonia or meningitis dispatched the worker into the next world.

Their faces all showed signs of frostbite, although the winter was only three months old and the most severe frosts were yet to come. The majority of them were so dirty looking I was willing to wager that some of them had not washed their faces for weeks. Their clothes were like nothing I had ever seen at the Kolyman-everything from the torn boots to the incredibly dirty rags wrapped around their necks instead of scarves, their burned and tattered winter coats. The men had starved, worn-out faces, quiet voices, were completely absorbed in themselves and uncommunicative...The sight of these creatures who had almost lost the image of man made me feel distinctly uncomfortable.

Conditions killed them off quickly. But 'conditions' were assisted by a massive employment of execution as a reprisal against failure to produce adequate gold, and, in effect, on any pretext whatever.

Wholesale arrests began in the camp. As a rule the charge was systematic under fulfilment of quotas. Since no man in the gold field could possibly fulfil them, the failure was ascribed as criminal when the worker completed less than 50 per cent of the quota.

It was absolutely impossible to measure accurately the exact performance of a worker, and the estimate made depended entirely upon the attitude of the foremen. The foreman made daily measurements in a rough and ready fashion with the help of a tape line, and made their reports to the office where the volume of excavated sand was translated into percentages of the daily quota fulfilled by each brigade. In doing this a practice was systematically resorted to whereby a certain amount of work performed by the less efficient brigades was stolen from them and credited to the better brigades as a means of encouraging them. But the foremen were not altogether free in recording their measurements. Once a month a measurement of the mine's entire output was made by surveyors with instruments of great accuracy. The engineers measured the depth the mine increased during the month, and compared this with the added-up measurements of the foremen. When the figures disagreed-and they always did, and to a great extent-the foremen were merely reprimanded. Now,

by Pavlov's new order, foremen guilty of excessive measurements were to be put on trial. The same order stated the fact that six foremen had been executed for deceiving the State. It was natural that the foremen often went to the other extreme-charity begins at home-and deliberately gave lower figures. The official figures for labour productivity immediately dropped heavily.

Then the firing squad set to work.

A representative of the NKVD three-man court-the Troika-appeared at the fold field. He held conferences. With the section heads and demanded lists from them of malicious saboteurs who systematically failed to make their quotas. The section heads had no alternative but to prepare such lists and to include in them the least able workers who lowered the average labour productivity for that section.

One survivor recalls:

In our mine the Third Section. . was particularly active during the 1937-8 period. Some nights when we came back from work, the guards read out thirty to fifty names. The persons called had to step out of the ranks and were marched off immediately to the prison. He next morning they were driven in trucks to the khatenakh sopka, where they were shot.

In the evening, in addition to the list of new victims, the guards would read us the announcement: 'By judgement of the camp command'-(then would follow the names of those who had been executed)-'shot for sabotage, ill-will and agitation against the Soviet power.'

--or, as Solzhenitsyn categories the crimes (the announcements of which was followed by the pinning of the lists to the camp notice boards):'for counter-revolutionary agitation' 'for insulting the guard', 'for failure to fulfil the work norm'. Shalamov well develops what these offences amounted to:

'For counter-revolutionary agitation'. This was the way one of the paragraphs in Garanin's sentences began. For the main in the street in 1937 it hardly needed explaining what counter-revolutionary agitation was: Praising a Russian novel published abroad- ten years; declaring that one queued too long to buy soap-five years. But in the camps there was none of the gradation: five, ten, twenty years. Say aloud that the work was harsh, mutter the most innocent remark about Stalin, keep silent while the crowd of prisoners yelled 'Long live Stalin', and you're shot-silence is agitation!... No trial, no investigation. The proceedings of the Troika, that famous insinuation, always meant death.

They shot also for 'outrage against a member of the guard'. Any insult, any insufficiently respectful reply, any 'discussion' when hit, or beaten up, any too disrespectful a gesture by a prisoner towards a guard was called 'an attempt at violence against the guard'.

They shot for 'refusal to work'. Thousands of prisoners died before understanding the mortal danger of their attitude. Old men at the end of their strength, exhausted and famished skeletons, incapable of walking a step to reach the camp gate in the morning when the columns wound towards the mine, stayed on their mattresses. They wrote their refusal on forms roneoed in advance: 'Although shod and clothed in conformity with the exigencies of the season...' The richer mines ran to properly printed forms where it was enough to write the name and a few points: 'date of birth, article of the law, duration of sentence'. Three refusals meant the execution platoon-'according to the law'...

Even at the end of one's strength, one had to go to the mine; the gang chief signed every morning for this 'unit of production' and the administration counter-signed. This done the prisoner was saved, for the day he escaped death. Once out he could not work since he was incapable of it. He had to endure his day of torture to the end.

The last heading-the richest-under which they shot prisoners by waves was 'non-fulfilment of norms'. This crime took entire brigades to the common graves. The authorities provided a theoretical basis for this rigour; all over the country the Five Year Plan was broken down into precise figures in each factory for each establishment. At Kolyma they were broken down for each gang. 'The Five Year Plan is the Law! Not to carry out the Plan is a crime!'

According to various accounts, , accepted by Roy Medvedev and other, Garanin [Chief of USVITL] himself used to walk down the line of prisoners on parade, shooting them when he felt like it: two soldiers followed him taking turns at loading his revolver. ... lesser officials such as Nikolai Aglamov, Head of the Southern Camp Administration, who 'liked to select a brigade which was guilty of something from those paraded before him. He would order it to be led to one side-and himself shot the terrified people with his pistol as they huddled together., accompanying the operation with merry cries. The bodies were not buried; when May came they decomposed and then prisoners who had survived were summoned to bury them...This attitude to human life became common among the NKVD as a whole. A typical account is of a drunken NKVD officer appearing at a work site, accusing prisoners of stealing drinking bowls from the State(it was then quite common for them to carry their gruel to the work site to eat it) and shooting wildly at the group, killing one and wounding two others.

In the women's camps, too, random killing was the norm. That year, 1 May and 7 November were celebrated by sending batches of prisoners, without other pretext, to the penalty cells, where many died. Then, on the usual parades, the order would be given for every tenth woman to be taken out and shot. On one occasion thirty Polish women were shot in a batch at the Elgan camp. Meanwhile starvation and epidemics took their toll, as in the men's camps.

Many camps became famous for their executions and mass graves: Orotukan, Polyarny Spring, Svistoplyas, Annushka and even the agriculturalcamp Dukcha. The Zolotisti mine had a particularity murderous reputation. There, Solzhenitsyn tells us, brigades 'were taken from the face during the day and shot one after the other on the spot. (This was instead of executions at night-those went on as usual.)

On his formal rounds Garanin

Took special note of those who were convicted KRTD (counter-revolutionary Trotskyist activity).

'Which of these have not met their quota?' he would ask. Most had not, could not. At evening roll call, when they returned from the mines, he would call out these unfortunates, revile them as saboteurs who were trying to continue their criminal counter-revolutionary Trotskyist activities even in the camp, and he would have them driven in a herd out to the gate. At a short distance from the camp they would be shot en masse under his personal supervision. This was still not enough. At night he would have thousand of enemies of the people taken out of all the Kolyma camps, loaded on to trucks and driven off to a prison. This prison, called Serpantinka, is about 375 miles west of Magadan, in the midst of the forest, and it is probably one of the most ghastly institutions in the Soviet Union.

Serpantinka Death Camp:

The Serpantinka death camp was indeed the scene of mass executions continually through 1938, as the liquidation centre of the Northern Administration. It had been carefully prepared. One prisoner recalls that on a long journey,

On the way up, a little off from the road, we passed a few long and unpleasant-looking barracks. At one time those barracks had housed a road-building unit, and were called Serpantinnaya, but since the completion of the road to Khatenakh they had been empty for over a year. I recalled that a few days before, by orders from Magadan, Serpantinnaya had been transferred to the district section of the NKVD which sent two brigades of men there to carry out some secret work. The little camp was to be fenced with three rows of barbed wire, watchtowers for sentries were to be erected every 25 yards, and a commodious house for officials and guards would be built as well as a garage. What puzzled me was the garage. It was not usual to build a garage in a small camp like this, especially since only three miles away were the big garages in the Khatenakh camp. And in the Vodopyanov gold mines. Later I learned it was used to house two tractors, the engines of which produced enough noise to deaden the sounds of shooting and cries of the men. However, after a short stay, the tractors were moved to some gold field, and the automobile driver who passed the camp at night something heard the proceedings there with the utmost clarity.

Another account tells us that, 'At Serpantinka each day thirty to fifty people were shot in a shed near the cooler. The corpses were then dragged behind a mound on motorised sledges... There was also another method: prisoners were led with eyes bound to a deep trench and were shot in the ear of the back of the neck.'

Serpantinka victims sometimes waited several days to be shot, standing in a shed packed so tight that when they were given a drink in the form of pieces of ice being thrown in to them they could not move their hands for it and had to try to catch it in their mouths.

[My note no different then how cattle are packed into the Jewish owned factory farm, slaughter lines Goy meaning cattle is Goyim after all].

Another prisoner describes a particular case of an acquaintance:

Skeletons, they worked badly. Dyukov (the brigade leader) asked for better rations. The director refused. The famished gang tried heroically to fulfil the norms and faded away. Everyone turned against Dyukov... Dyukov made more and more vigorous complaints and protests. His gang's output went on falling, and so its rations went down. Dyukov tried to intercede with the administration. This in turn asked the competent services to inscribe Dyukov and his men on the 'lists'. They shot Dyukov and all this gang one morning by the Serpantinka.

But even in the ordinary camps,

Even in the early weeks of the brief Kolyman summer, the men reveal a tendency to die at a rate never before known in the region. Frequently his happened all of a sudden, sometimes even while the man was at work. A man pushing a wheelbarrow up the high runway to the panning apparatus would suddenly halt, sway for a moment, and fall down from a height of 24 to 30 feet. And that was the end. Or a man loading a barrow, prodded by the shouts of a foreman or a guard, unexpectedly would sink to the ground, blood would gush from his mouth-and everything was over.

The death rate was particularly high among men brought to the Kolyman during the last six months. Their body resistance had been undermined in jail before they were shipped to the gold field, and they simply succumbed under the violent pace of work.

More:

Not long after, a new category of imprisonment was introduced-katorga. The word, referring to the old Tsarist system of forced labour, was in fact far worse. The katorzhniki worked in special camps, in chains, and without blankets or mattresses at nights. None survived.

The Bestial Reality Of Daily Life, A Real Life Horror Film:

A mobile detachment designed to catch escapers. It was commanded by the young Corporal Postnikov.

Drunk with murder he fulfilled his task with zeal and passion. He had personally captured five men. As always in such cases he had been decorated and received a premium. The reward was the same for the dead and the living . I was not necessary to deliver the prisoners complete.

One August morning a man who was going to drink at a stream fell into an ambush set by Postnikov and his soldiers. Postnikov shot him down with a revolver. He decided not to drag the body to the camp but to leave it in the taiga. The signs of bears and wolves were numerous.

For identification, Postnikov cut off the fugitive's hands with an axe. He put the hands in his knapsack and went to make his report on the unit. . .In the night the corpse got up. Pressing his bleeding wrists against his chest he left the taiga following the trail and reached the prisoners' tent. With pale face, mad blue eyes, he looked inside, holding himself at the opening, leaning against the door posts and muttering something. Fever devoured him. His padded coat, his trousers, his rubber boots were stained with black blood.

They gave him warm soup, wrapped his chopped-off wrists in rags and took him to the infirmary. But already Postnikov and his men came running out of their little hut. The soldiers took the prisoner. He was not heard of again...

Camp commandants had a free hand. Some shot prisoners at random, simply to spread terror. Prisoners who after fourteen hours in the mines could not do further work were shot and their bodies left on the ground for a day as a warning. Food became worse and scarcer , the output went down, and execution for sabotage became common. And we are told, for example, that at Debin, in 1951, three prisoners of a group which had been allowed out to gather berries got lost. When they were found their heads were bashed in with rifle butts, and the camp chief, Senior Lieutenant Lomaga, had their bodies hauled past the assembled inmates in that condition.

Real famine set in at the mine. Five thousand men did not have a piece of bread. But everyone worked as usual-twelve hours a day...Exhausted by long years of half-starved existence and inhuman labour, people spent their last remnants of strength in working. And died.

---

My note another popular tale of the fictional holocaust of the Jews by the Germans is the mythic gas vans. The reality of the gas vans is below they were invented by a Jewish Communist and used to murder thousands of innocents in the Soviet Jewion:

“The gas van was invented in the Soviet Union] in 1936, presumably by Isay Berg, [my note JEW] the head of the administrative and economic department of the NKVD of Moscow Oblast which suffocated batches of prisoners with engine fumes in a camouflaged bread van while on the drive out to the mass graves at Butovo, where the prisoners were subsequently buried.[5] According to Aleksandr Solzhenitsyn:

I. D. Berg was ordered to carry out the decisions of the NKVD troika of Moscow Oblast, and Berg was decently carrying out this assignment: he was driving people to the executions by shooting. But, when in Moscow Oblast there came to be three troikas having their sessions simultaneously, the executioners could not cope with the load. They hit upon a solution: to strip the victims naked, to tie them up, plug their mouths and throw them into a closed truck, disguised from the outside as a bread van. During transportation the fuel gases came into the truck, and when delivered to the farthest [execution] ditch the arrestees were already dead.

## The Reality Of the German Camps:

The plan was to relocate the Jews to their own region and out of Europe. This was the only "Final Solution." As honest historians who lost their careers and have been imprisoned for being honest. Have noted time again. Since the Jews had almost annihilated Germany, sending millions of Germans to their graves, in return for Germany trusting them. The government took the best and humane course of action with them. They could have killed them at this point but they didn't. The Jew, Freeman admits this all. Germany was negotiating with the Zionist's to help relocate them to another area where they would have self-determination and separation. The Jews where not rounded up or put into camps over this. It was a voluntary movement. Many Jews simply wanted to leave as they could no longer make a living off dishonest means.

During the war the German government found that every single subversive organisation in their territory even within Germany. That was attacking their civilians and troops, spying for the Allies [of Judah] and everything in-between to defeat the war effort. And cost Germany the war, just as in the Great War. Where all Jewish and where working with the International Jewish networks behind the Allies governments. In order to deal with this vast Jewish fifth column. Which was literally international. They simply did what America did with the Japanese living in America during the Second War. They put them into internment camps. As a war safety measure. Here they where simply put to honest work to create needed production of material for the war effort.

Right here Jews camp imitates admit there was no death camps as Auschwitz:

<https://www.youtube.com/watch?v=UxFEtawPCK>

Right from their mouths they state they where treated humanly. They had Orchestras, plays, movie theatres, day care centers and schools for their children. Even school plays. The adults worked a normal eight hour day in the factories of schools. They where paid, they were allowed letters. They played on soccer teams they even had local teams come into the camps to play them. The sports field was right beside the "gas chambers".

There where also brothels for the inmates and swimming pools.

This documentary debunks the Holocaust.

Subject: Curse on Putin!!!

The below is a simple black magick ritual that everyone can do without disturbing their normal routine.

We have the numbers and power to put an end to this Jewish chess queen, then we are going to curse this monster.

It will be like a kick in the balls of international Jewry, and a shame on their self confidence along their lost of too much effort and investment on this agent.

The ritual will be on tuesday, in the hours of mars or saturday.

You can first raise your energies with Raum Meditation and/or Yoga.

We will use the runes HAGAL, THURS and SAUIL.

Vibrate on HIS soul (you can use the photo below to focus) each rune 9 times:

9x HHHH-AAAHHH-GGG-AAAHH-LLLLL

9x TTTTHHHH-OOOOOO-RRRRR-SSSSS

9x SSSS-AAAHHH-OOOO-EEEE-LLLLLLL

See the runes section in the Joy of Satan for the pronunciation. You can use other variations for each rune if you feel to:

[http://www.joyofsatan.org/Runic\\_Kabalah.html](http://www.joyofsatan.org/Runic_Kabalah.html)

When you are done with the vibrations, affirm 9x with intent: "Vladimir Putin is totally destroyed in all ways, now and forever."

While you affirm, imagine he is being dead in many violent ways you want.

\*After the above is done, clean your soul: vibrate AUM SURYAE in your soul 9, 40 or 108 times, visualize your aura and light body shining in white-gold energy and affirm 9 times with intent: "My aura is constantly repelling and deflecting any negative energy. I'm now totally protected in all ways"

Some can ask why should we do a ritual against a single Jewish leader while there are so many of their leaders around there?

We already did a 90 days group ritual (we more will be done) against the Jewish leadership so the energies are favourable for destroying key figures of the Jew World Order like Putin.

HAIL SATAN FOREVER!!!

<http://gaschamberhoax.com/jewish-gas-chamber-hoax>

THE JEWISH GAS CHAMBER HOAX is a Revisionist documentary which provides the latest evidence debunking the greatest hoax in human history -

"The Holocaust" - the fraudulent claim that six million Jews were murdered by Germans, mostly in "Gas Chambers disguised as Shower Rooms."

Never before seen evidence helps prove that Treblinka was a transit camp, far from the "Pure Extermination Camp" myth currently promoted by the Holocaust religion.

In never before seen footage, Jews themselves who were transited through Treblinka describe the process of being transferred from Treblinka to other camps, along with hundreds and thousands of other men women and children. Documentation is presented which affirms that Treblinka was no top secret "pure extermination center", but a simple transit camp where some Jews even took real showers in order to keep them alive.

The absurdity of diesel gassings, non-existent mass graves, forced confessions, and more are covered in THE JEWISH GAS CHAMBER HOAX, a new documentary from the filmmaker of THE LAST DAYS OF THE BIG LIE.

Jewish cruelty to innocent hens

Hens Viciously Slaughtered

by Jewish Community Center

Several weeks ago, we told you about Urban Adamah, a Jewish community center and urban farm in Berkeley, California. They had fifteen chickens who were used to produce eggs that the people there had been eating for the past three years. The hens' egg production began to wane, so just like in massive factory farms, their "use" to humans, who think of them as nothing more than egg machines, was over. Instead of showing kindness and gratitude to these gentle birds and offering them retirement, they were scheduled to be used as props and killed for a Kosher slaughter class.

Several animal sanctuaries, including United Poultry Concerns, Animal Place, Harvest Home, and Hen Harbor, had offered to take the fifteen hens in order to let them live out the remainder of their lives in peace, but Urban Adamah refused the offers. While they cancelled their initial Kosher slaughter workshop, over a week ago they convened another, secret, workshop to slaughter the birds.

It is disgusting and sends the wrong message to have children and others care for and befriend animals, only to later hideously betray them. Treating animals like machines and teaching others' that this is compassionate is a farce.

I CALL ON EACH AND EVERYONE OF OUR DEDICATED DISCIPLES OF SATAN, HIS SONS AND DAUGHTERS!!

As you all have known for a long time now, as its wordly evident, the enemy jews have been the source of all misfortunes to have plagued the Earth and all of us, for a very, very long time. We have brought to light their greatest weapon, which is the use of their 'Torah', their Bible and their Koran, from which they gather the nessesary energy and implement the unconscious schemes into the minds of Gentiles, as to further their ends.

Meanwhile, the jewish race is pletted in riches, has the best healthcare, the best and most purified food, the most spiritual power [or at least they had such for a long while]. On top of everything else they have destroyed our history and the memoirs of our Ancient Gods. They have destroyed everything: Ancient Greece, Ancient Sumeria, Babylon, Egypt, Central Europe and the White Races, bastardized the knowledge of the Far East, the Yellow Races, used them viciously as they do in China, destroyed Africa to the point all people are impoverished and die by the hundreds daily. Animals are right now being endlessly abused because some kike industrialist wants more furs, or some leathers to cover their NASTY existence and genetic code.

These nasty beings have brought all if not most plagues in the world. They injected christianity to the blacks by the slave trade, abused them, infested and destroyed all civilizations from within and without. For endless years they have brought famines, curses and all sorts of plagues through their 'holy books' to any and all who opposed them. Those with historical knowledge, political knowledge and even scientific knowledge know how jews have been plaguing the

Earth and our lives for so long. They caused un-needed wars, not needed bloodshed, and they injected the most vicious religious hoaxes to ever exist. America is bleeding to death by their advances and 'Free speech' or the American Constitution no longer have place in America. The KIKE IS ABOVE THE LAW THEY THINK. They can and have brought to destruction world economy. You and me are the victims of these actions.

The plague of xianity has gave humanity so many deaths and blood unlike any other event.

After all, they hide behind their spiritual knowledge [Stolen from Gentiles all over the Globe, then they were butchered] and their vast wealth. They constructed the biggest lies in the world, one of them being the holocaust. They have built agencies, legions of sheep, are actively using the whole world for their protection.

"ANTI-SEMETIC THIS, ANTI-SEMETIC THAT!"

I WANT YOU TO GET MAD, ANGRY, UNCHAIN THE BEAST YOU HAVE WITHIN. I WANT YOU TO UNLEASH THE HIDDEN AND DIVINE JUDGEMENT OF SATAN ON THESE 'PEOPLE'. THESE HUMANOIDS NEED BE PUNISHED. THEIR ESSENCE IS A LIE. I WANT YOU TO UNLEASH ALL THE DESTRUCTION, DEATH, PLAGUES, PERMANENT DISASTERS YOU CAN CREATE. CREATE WITH YOUR SOUL AND WITH THE POWER OF YOUR GENTILE, GODLY ESSENCE.

BRING JUSTICE AND PUNISHMENT. IN THIS KIKE WORLD NOBODY CAN BRING SPIRITUAL JUSTICE EXCEPT YOU AND ME. YOU ARE THE SPIRITUAL JUDGE AND JEWRY. ONLY YOU AS A CHILD OF THE LORD SATAN, THE CREATOR OF THE GENTILE RACES, ONLY YOU CAN BRING JUSTICE.

THEY TOLD YOU YOU WERE A PIECE OF SHIT, A MEANINGLESS EXISTENCE, ONLY WAITING UPON ITS DEATH. THEY LIED TO YOU.

I TELL YOU YOU CAN BECOME A GOD AND THAT YOUR WORTH IS FAR MORE THAN YOU EVER THOUGHT.

THEY TOLD YOU YOU WERE WEAK, NOTHING AND THAT YOU CANNOT CHANGE ANYTHING, THEY TOLD YOU THIS WORLD IS WHAT IT IS AND CANNOT CHANGE. THEY LIED TO YOU.

I TELL YOU THE POWER IS ON OUR HANDS AND IN \*YOUR\* HANDS TO ACT.

THEY BRAGGED IN FRONT OF YOU, PUNISHED YOU FOR QUESTIONING, BULLIED YOU, TRIED TO DESTROY YOU THROUGH THEIR SYSTEMS AND THEIR BELIEF.

I TELL YOU WE ARE ALL WARRIORS OF SATAN AND THE TRUTH, THOSE WHO HAVE WOKEN UP FROM ALL THEIR AGES, OUR RELIGION IS SATANISM AND WE WANT TO GOVERN IN PEACE.

AND I SEE YOU STANDING THERE WITH YOUR HEAD UPRIGHT, WITH YOUR SPINE STRAIGHT, WITH YOUR PRIDE IN YOUR SOUL. AFTER ALL THEIR LIES, PROPAGANDA AND MISINFORMATION.

FEAR COULD NOT CONTROL YOU, LIES COULD NOT HOLD YOU!

HOW CAN YOU EVER DARE TO AVOID FIGHTING? HOW CAN YOU EVER DARE DENY YOURSELF AND THE BILLIONS OF PEOPLE WHO ARE WAITING FOR YOU TO ACT?

THE FATE OF THIS WORLD IS UPON YOU AND ME, THE SATANIC ARMY. NOBODY ELSE. NOBODY CAN HIT THE ROOT OF THE PROBLEMS AS WE CAN.

I WANT YOU TO GET ENRAGED, ANGRY, INFURIATED, IN SUCH MANNER AND TO SUCH DEGREE BY YOUR MERE WILL YOU CAN MAKE STEEL BURN.

I want you to get REVENGE.

Create, create, create my Brothers and Sisters. Create destruction, plagues,thunderbolts, fires, earthquakes, unleash CHAOS on the enemy.

They held us down only for so long. THEY GOY HAVE WAKEN UP YOU FUCKING JEWS AND THE END IS APPROACHING.

THE "GOY" have no fear you SCUMBAGS, we have few things to lose and we are GODS In the blood.

My Brothers and Sisters, fight the beast, with all your might. Unleash the rage, unleash the DEATH, unleash the PERMANENT DESTRUCTION.

You owe it to who you are, who has made us, and the whole world. Stay strong in our war and always remember, we are finishing an already won battle.

Meditate, raise your powers, do Magick, bring your powers of destruction and creation out to show. Be patient and help us take back what is ours.

Israel spies on US to make 'preemptive moves'

[http://www.presstv.ir/detail/2014/05/31 ... by-spying/](http://www.presstv.ir/detail/2014/05/31...by-spying/)

The Israeli intelligence agencies spy on the United States so that Israel can make a "preemptive move" to thwart any US-brokered plan in the Middle East that

the regime deems against its interests, an analyst says.

"They want to get the jump on any surprises that might be put their way by the United States whose assistance they totally rely on," Bill Jones of the Executive Intelligence Review told Press TV on Saturday.

Jones made the remarks as Newsweek reports that Israeli spy services eavesdropped on phone calls between former US president Bill Clinton and late Syrian leader Hafez Assad during critical stages of Middle East talks in 1999. At the time, the US was brokering talks that would have led to a "peace agreement" between Israel and Syria.

The analyst added that Israel is probably targeting US officials today as Secretary of State John Kerry has been leading efforts to broker a deal between Israelis and Palestinians.

The spying certainly gives the Israelis an "advantage" in the talks, Jones said, because they can always make a "preemptive move" to undermine any agreement they are not pleased with.

US intelligence officials have recently expressed concerns about the scope of Israeli espionage against the United States

Bodies of 800 babies found in septic tank of Church run home

This "home" was owned and run by the Catholic Church. The children died of neglect, abuse and starvation. And where singled out for humiliation by the nuns in public as well. Judging by the attitude of ritual humiliation and hatred towards the children by the nuns. Its probably not a secret why the children where treated this way. The same church which is nothing but an organized crime network of thieves, murders, liars and pedophiles. And was created and is run by Jews, proof here:

Bodies of 800 babies, long-dead, found in septic tank at former Irish home for unwed mothers

In a town in western Ireland, where castle ruins pepper green landscapes, there's a six-foot stone wall that once surrounded a place called the Home. Between 1925 and 1961, thousands of "fallen women" and their "illegitimate" children passed through the Home, run by the Bon Secours nuns in Tuam.

Many of the women, after paying a penance of indentured servitude for their out-of-wedlock pregnancy, left the Home for work and lives in other parts of Ireland and beyond. Some of their children were not so fortunate.

More than five decades after the Home was closed and destroyed — where a housing development and children's playground now stands — what happened to nearly 800 of those abandoned children has now emerged: Their bodies were piled into a massive septic tank sitting in the back of the structure and forgotten, with neither gravestones nor coffins.

"The bones are still there," local historian Catherine Corless, who uncovered the origins of the mass grave in a batch of never-before-released documents, told The Washington Post in a phone interview. "The children who died in the Home, this was them."

The grim findings, which are being investigated by police, provide a glimpse into a particularly dark time for unmarried pregnant women in Ireland, where societal and religious mores stigmatized them. Without means to support themselves, women by the hundreds wound up at the Home. "When daughters became pregnant, they were ostracized completely," Corless said. "Families would be afraid of neighbors finding out, because to get pregnant out of marriage was the worst thing on Earth. It was the worst crime a woman could commit, even though a lot of the time it had been because of a rape."

According to documents Corless provided the Irish Mail on Sunday, malnutrition and neglect killed many of the children, while others died of measles, convulsions, TB, gastroenteritis and pneumonia. Infant mortality at the Home was staggeringly high.

"If you look at the records, babies were dying two a week, but I'm still trying to figure out how they could [put the bodies in a septic tank]," Corless said. "Couldn't they have afforded baby coffins?"

Special kinds of neglect and abuse were reserved for the Home Babies, as locals call them. Many in surrounding communities remember them. They remember how they were segregated to the fringes of classrooms, and how the local nuns accentuated the differences between them and the others. They remember how, as one local told the Irish Central, they were "usually gone by school age — either adopted or dead."

According to Irish Central, a 1944 local health board report described the children living at the Home as "emaciated," "pot-bellied," "fragile" and with "flesh hanging loosely on limbs."

Corless has a vivid recollection of the Home Babies. "If you acted up in class, some nuns would threaten to seat you next to the Home Babies," she said. She said she recalled one instance in which an older schoolgirl wrapped a tiny stone in a bright candy wrapper and gave it to a Home Baby as a gift.

"When the child opened it, she saw she'd been fooled," Corless told Irish Central. "Of course, I copied her later and I tried to play the joke on another little Home girl. I thought it was funny at the time.... Years after, I asked myself what did I do to that poor little girl that never saw a sweet? That has stuck with me all my life. A part of me wants to make up to them."

She said she first started investigating the Home, which most locals wanted to "forget," when she started working on a local annual historical journal. She heard there was a little graveyard near what had been the Home, and that piqued her curiosity. How many children were there?

So she requested the records through the local registration house to find out. The attendant "came back a couple of weeks later and said the number was staggering, just hundreds and hundreds, that it was nearly 800 dead children," Corless said.

Once, in 1995, Corless said in the phone interview, several boys had stumbled across the mass grave, which lay beneath a cracked piece of concrete: "The boys told me it had been filled to the brim with human skulls and bones. They said even to this day they still have nightmares of finding the bodies."

Locals suspect that the number of bodies in the mass grave, which will likely soon be excavated, may be even higher than 800. "God knows who else is in the grave," one anonymous source told the Daily Mail. "It's been lying there for years, and no one knows the full extent of the total of bodies down there."

Subject: Gentile Ethics vs "Jewish Ethics"

Xians, muslims and every other organization that aims to bluff people and steer them away from spirituality, gives fancy explanations of the afterlife, death and preaches nothing exists beyond this world, except of some lakes of fire for those who disobey [Xianity] or 9 year old virgins for you to get laid eternally. And do not forget the rice and the honey [Pisslam]. Both very advanced and intelligent perceptions of reality [sarcasm]. Not to mention the endless fear, lack of knowledge and all the rest of the diseased enemy crap.

Their 'god' does not exist. They call in for help en masse, no answers received. They beg this space-jew for salvation, freedom from pain, for healing, nothing ever happens. Out of 100 prayers, 0,0001 actually manifests and this is due to the massive cattle that prays [transfers spiritual energy to a purpose] or due to the subjects energy which manifests what they ask for.

The universe itself is not concerned if someone is stupid and shows no mercy to these idiots. They go against the ways of the universe and the spiritual laws

and they just pay the price of their ignorance. Technically, it does not give a flying fuck if you are ignorant, a piece of shit and you do not want to realize its laws. It does not give a fuck if after death you will dissipate or get swept in by a huge energetical battery of some ET's that want to use your little bioelectricity for their own purposes, eradicating your being. The universe has its laws. It has the law of Gravity, whether you like it or not. It has the law that those stronger of you can destroy you, whether you like it or not. It has the law that unless you fight, you will get devoured.

The universe does not care about vain ideologies, vain beliefs, your own ignorance, what some weak people or dozens of weak people want to make out the universe to be. Even if these billions of sheep believe there is some sort of kike on the sky that protects them, the hurricane will happen anyway and destroy some millions of people. Where are their little prayers now?

On the other hand every day here you see dozens of messages, even from people who dedicated to Satan and did not expect something, Satan gave them back answers, real events, real love and made his presence know, whether they totally believed or not. As it has been said, you get to realize a cause by its effect.

So thing is, we try to be good with one another for our species to evolve and have peace with one another, form groups of survival against this violence. The species that eat and destroy one another for whatever reason, always perish the fastest. You see this on Jews as their 'intelligence' and 'cunning' is that of a lower level. When confronted, they blame other Jews, they attack other Jews – at least SEEMINGLY. They do not hesitate to devour even their own, but this rarely happens and only if the Gentiles awaken up to the Truth about these people. Then they run like rats in all directions. Like all cowards, when in a position of power they pretend to be awesome. When behind their paper money, they pretend to be important. When platted with millions they pretend to be kings and condemn Gentiles to be animals and lower than animals. When confronted or fought against, they never hit above the belt, always below the belt. When confronted, they pretend to be friendly as to not get their asses kicked. They bribe. They lie. They hide. And all that their low level of being has tied into it.

This has been and still is the first mission of every creation. Evolution. Humans are right now the cradle of evolution of the Earth. The Human Race has evolved to where we have invented Ethics. The Gods passed us down all sorts of needed emotions to survive, like Anger, Hatred, the sense of justice, the sense of Truth, the devotion, the faith etc. Ethics like sacrificing for the Greater Good, Greater instincts, protection of Women, giving to others, empathy and so forth are the cradle of Human evolution which ensure not only our survival, but our ascendance into higher levels of consciousness and understanding. The enemy as always drags these things to the other, exact opposite end. "Help" in the kike dictionary means "I enslave you and give you things without leaving you able to self-sustain yourself" which means death. Because when the master will not provide, the slave will perish.

When one treads far in Satanism they realize one of the main reasons we were created is to exist, evolve, break our limitations, explore, and spread. When one delves even deeper one understands why the separation of Races was a natural intention and happens on its own. All this is strongly tied in with our personal purpose.

The enemy and kike infested religions came from humanoids [not Humans in anyway, the only thing they have in common with Humans (Gentiles) is that

they have two legs, two hands and one head, nothing as personalities] who were in a very low intellectual and spiritual level. The jews through their behavior and in how they are getting always worse, more brutal, more cunning, show they are actually moving down the evolutionary chain, In the exact opposite direction of what we do. Where the Gentile has meant to go, the jew was by enemy design meant to go the opposite direction. We create civilization, they come and try to destroy it. We found the original religions, they come in and try to turn these against us, making up insane shit.

We talk about love, they distort love to some shitty, low level xian emotion, which is again tied in fear and adheres to a set of insane rules. We talk about sex, they pervert the notion and meaning of it to some pornified solely physical deed. We create food, they put poisons in it. We create a monetary system, they totally destroy this and try to control us and destroy us through it. We have a political way [Nazism] in which we govern ourselves according to the Divine Satanic Providence, they create a projection of the instant opposite where we are animals and merely 'goy'. To our dictionary 'obedience' means recognizing the higher understanding of another fellow Gentile Human being and adhering by their healthy and natural advice, to their dictionary 'obedience' is a series of torture, blind trust and becoming a subject to these putrid beings.

While in Gentile Paganism you do not wrong others, not because of some punishment, but because you are beyond this [your spirit has evolved past these stupid needs] or you do not cheat on your wife because you have realized how to find meaning in another fellow Human being, xianity and the related programs try to preach they are some source of 'Ethics'. Nothing could be more far from the Truth.

The only reason xians at least 'try' to follow their '10 commandments' is to not end up in Hell and burn eternally, or because they are afraid some other stronger and more brutal force will execute punishment upon them [the kikes have placed a space jew to be that brutal force, to connect themselves with this fundamental force of 'punishment', making the populace docile and obedient to them].

They obey due to cowardice. They do not understand any more than a monkey does. In fact monkeys and other animals display natural altruism, not because some kike punisher indicates supposedly that if you do disobey, you will die. All they do and all they do not do is dyed with the color of fear, unintelligence and cowardice. This is by far the lowest way of understanding reality. Even insects can understand the laws of brutal force. I-e My force is stronger than your force therefore you must not wrong me. This is evident xians and the rest of stupid people learn what even monkeys and other species already know, live by the same rules the most instinctive and far back in evolution way beings think and act.

Gentiles were made with the purpose to reach the stars and become a great Human civilization amongst the cosmos. They try to fulfill their purpose. While the jewish purpose is nothing but keeping us from our purpose. They were created as an antithesis to the causes of Satan and His creations.

Thing is the same reasons that keep them from acting are the same reasons they have made xianity the most horrid and dirty program to ever exist and haunt the populace. People are living in fear and guilt. You will see in the animal kingdom an animal who is afraid, when their master or the abuser turns their back they try to attack. Because they live in fear. They comply by the use of fear. They are afraid of others and others are afraid of them. Its all FEAR, FEAR, FEAR. This obedience and acknowledgement between species is the lowest level. When in this you tie the lack of spirituality, the teachings that cause neuroticism and go against every aspect of life, you make something that actually goes against the Evolutionary place of Humanity. This causes a clash and that's why we have this society we do.

So according to all the above, as Gentiles we have a built in type of love and respect for another, which is the notion of brotherhood and serves to preserve us in our evolutionary way to reach the Stars. The enemy again takes this love, inverts it to stupidity, slavery, death, their notion of 'obedience', blind surrender, stupidity. Because Gentiles are by nature and genes altruistic, they feed on that thing. Because Gentiles are by nature supportive of one another, they get entangled in the endless web of Jewish lies and distortions.

Our own instincts are used against us. In Satanism, in Paganism and the original religions all these words gain meaning again. Help means, I grant a favor but I teach you how to grant it to yourself. Love means brotherhood, sacrifice, but not beyond the meaningful sense. All these understandings come with the purification of the Soul.

Another thing we have mentioned is the kike lacks creativity. In fact, as we go upwards to the evolutionary chain we need no interaction with them. They in the other hand need us, to feast upon, prey upon, use us for their wars and in gathering their wealth. They need us and we do not in any way. We did perfect when they were not around. They need us to create things and invent things in order to distort it. We need to be willing to divide ourselves in order for them to come in and harass. We need to be willing our own to die and perish in order for them to succeed.

The next time the kikes and their lackeys try to convince someone in their propaganda that they are needed, or as they dared to say, are 'useful' in civilization, recall the quotes from their Talmud.

These 'evolved' rats that have a lot to say about Ethics, the Gentile Soul, and generally have an opinion about anything, talk through their appointed leaders, to be exact:

"

Erubin 21b. Whosoever disobeys the rabbis deserves death and will be punished by being boiled in hot excrement in hell.

Moed Kattan 17a . If a Jew is tempted to do evil he should go to a city where he is not known and do the evil there.

Gittin 69a . To heal his flesh a Jew should take dust that lies within the shadow of an outdoor toilet, mix it with honey and eat it.

To heal the disease of pleurisy ("catarrh") a Jew should >take the excrement of a white dog and knead it with balsam, but if he can possibly avoid it he should not eat the dog's excrement as it loosens the limbs. Pesachim 111a.

It is forbidden for dogs, women or palm trees to pass between two men, nor may others walk between dogs, women or palm trees. Special dangers are involved if the women are menstruating or sitting at a crossroads. Menahoth 43b-44a .

A Jewish man is obligated to say the following prayer every day: Thank you God for not making me a Gentile, a woman or a slave. Shabbath 86a-86b.

“

These are the assholes who preach about Ethics, Civilization, and generally pretend to be something on the planet. THIS IS THE SCUM OF THE EARTH THAT NEEDS BE CLEANSSED! THESE ARE THE ENEMIES OF SATAN AND THE CREATORS OF COMMUNISM, CHRISTIANITY AND THE REST OF THE ABRAHAMIC, JEWISH HOAXES. THEY ARE THE ONES WHO HAVE BROUGHT THE TERROR, THE BLOODSHED AND THE DESTRUCTION IN THE WORLD, THE BLINDNESS.

Whomever is Gentile, knows the Truth, and denies it, is not only a Racial Traitor, but a traitor to nature herself. He betrays his one and only divine purpose; he throws his chance to become a God into the trash can and chooses to become a jewish slave.

By not following the original religion of the Swastika [Sun, Helios, Ra etc] which brings the immortality of the body and Soul, the purification of the Soul, the Perfected Gentile being out of yourself...The nights these people plead in diseases and other mental and spiritual turmoil... Search nowhere else, but the ones you believe and the ones standing behind all the way of your 'beliefs', 'life awareness' and 'consciousness'.

When in doubt, look at yourself and all you have gained in your awakening and by walking again into the arms of our Creator, Satan. You have gained everything.

Them? Their ignorance has cost them anything. They have nothing. All this by itself will clear all your confusion.

GENTILES NEED TO WAKE UP, BEFORE ITS TOO LATE AND UNDERSTAND AGAIN WHAT A HONORARY TITLE IT IS TO BE A CHILD OF THE ORIGINAL GOD OF HUMANITY.

Subject: Solstice Ritual

Just letting everyone know, we will be doing another ritual in the series of rituals to reverse the curses in the bible. We will be doing this on Sunday,

the 22nd of June. Please be prepared and it is very important to Satan that everyone participate in this ritual. It will be another one-time ritual just like the rest - simple and easy to do. None of these rituals requires any props and can be done anywhere where one can be left alone for a several minutes.

Subject: Re: Gentile Ethics vs "Jewish Ethics"

Clearing this up to avoid any misunderstandings, as the enemy is known to take something that is not specified or said in a fashion and try to transport it to the other end of criminality, or whatever else.

When Spiritual Satanists talk about death, violence, executing justice, we mean this in a SPIRITUAL level. There are people who maybe in purpose, we are never up or for ANY form of physical violence. Justice has to be executed spiritually and intellectually. Physical violence is illegal and bears no fruit as well. It fixes nothing in the long term.

Its the enemy who uses physical violence to further their ends [look at palestine and the endless wars these imbeciles are causing]. The main source of attacks and the root of the problem is, has been and will forever be spiritual. As Satanists and Nazis they have lied about us. They say we do all sorts of shitty rituals, blood horror flick, while its THEM who do this, aside with the 'Anti-christian' Satanists who are Satanists according to what the bible says one shouldn't be. These people are a mere reaction and psychopaths who want to justify their criminal tendencies over some religion or philosophy.

The above people have nothing to do with us, as we are law abiding citizens.

Christians and Muslims are for the most part Gentiles. I-e the very people we want to protect and wake up to the Truth in regards to the enemy.

Everything said in this group is in the spectrum of whats legal. Now, when jews think they are the law, which they are not and they think they are free to spew hatred for any other Race of Human beings, we should at the very least be allowed to judge the 'chosen of gawd'.

Just clearing things out to let people understand. Remember, we are the Good guys and we want a better tommorow. We are those who stand up against all the treacherous and murderous ways of the jews, under whom all Gentile nations suffer extremely, Races are destroyed, people are getting enslaved.

Adolf Hitler rose to power without committing illegal acts, but by sheer willpower. That does not mean he took up to the enemy. It means He was always in and tried to be in the borders of healthy legality. He was elected aswell. On the other hand, the jew 'Stalin' got to where he was on a series of bank robberies, murders, thievery and deception. This should give insight to how we act vs how THEY act.

Its the bolsheviks/communists and their sons who are criminals. Not us. Not now, not ever.

Updated 9.40pm

THE CHILDREN'S MINISTER has said he is anxious that the Bethany Home in Rathgar is included as part of the Commission of Investigation into mother and baby homes in Ireland.

Charlie Flanagan said today that he was conscious of the grievances felt by those connected to the Bethany Home, a protestant-run home on Dublin's Orwell Road, where young unmarried mothers lived with their young children.

Many of the children were subsequently adopted, and survivors say they suffered neglect as children. Over 200 children died while in the care of Bethany Home. A monument to them was recently unveiled.

"I am conscious of grievance on the part of people who were directly associated with Behtany Homes and I am anxious that the scope of the inquiry would be beyond Tuam and County Galway. I would include all mother and baby homes with specific reference to the Bethany," Flanagan said today.

The Taoiseach also confirmed that the Bethany Home would be included in the new probe. The former residents of the home were not including in the Government' redress scheme for resident of the Magdalene Laundries, and a number of groups had been calling for the institution to be investigated.

Answering a question from Sinn Féin leader Gerry Adams, the Taoiseach said:

It's one of a significant number of mother-and-baby homes that must be investigated.

Flanagan was speaking at a press briefing after he earlier announced that Commission of Investigation would examine all practices, procedures and behaviours in mother and baby homes throughout the State in the wake of the recent Tuam babies scandal.

'Before summer recess'

He said he hoped that the Commission would be established before the summer recess and would be informed by the current interdepartmental review being carried out across a number of government offices.

This is expected to report by the end of the month.

Flangan said he expects cooperation from all interested parties and he also acknowledged the role of Tuam historian Catherine Corless in highlighting the deaths of 796 babies at a home in the Galway town.

He said that getting widespread cooperation from all interested parties and organisations would ensure "that at last, for the first time, we will get to the truth of this very dark period in our history.

Flanagan said it would be "difficult to put detailed parameters on a time frame" for the commission to report but said he was "anxious" its work begin before the summer recess.

Flanagan said: "It is absolutely essential that that story be told difficult and traumatic as though that is, especially for the mothers and former babies many of whom are now adults."

He added: "No government has taken on this task but this government will not shirk its responsibility in discovering the truth, difficult and all as that might be."

Flanagan said that any criminal investigation is “entirely a matter for An Garda Síochána” and said it was “far too early” to talk about the possibility of compensation for those affected.

Sinn Féin motion

In the Dáil this evening, Sinn Féin Health and Children spokesperson Caoimhghín Ó Caoláin TD called for any inquiry into mother and baby homes to cover all such homes and all aspects of the treatment of women and children, including high mortality rates and burial practices.

He proposed a motion from Sinn Féin on the issue this evening, saying the party did so “once it became clear that an inquiry was absolutely necessary”.

He said the latest revelations from Tuam “have highlighted more horrifying aspects of the regimes in these mother and baby homes and they demand immediate action to uncover the full truth”.

Also speaking in the Dáil, Minister Flanagan said that “insensitive language has been used in the rush to cast blame”, and he appealed to people within and outside Leinster House to be “sensitive in their choice of language” when referring to the homes.

He said that he wanted to acknowledge “the reality that Irish society as a whole colluded in maintaining the regime of mother and baby homes”.

“Questions remain unanswered about the nature of adoptions and vaccine trial,” he noted

Iraq Is Falling To Islamic Fanatic's

My note the entire place is about to fall into a massive religious war between Shia and Sunni's. As ISIS will not allow the Shia population to exist. Behold the

true nature of Islam yet again. Saddam had a secularist state that kept such fanatic's powerless. Some reports Iranian elite troops are also heading into the Shia area's in Iraq to defend the Shia populations.

The Jews via Israel, Washington and their Saudi regime [Saudi's are well know to be crypto's] have created and funded this and other groups to fight against Assad in Syria whom they wished to topple to make way for "Greater Israel." Same with toppling Saddam's Iraq. All of this was part of the "New Project For An American Century" laded out by the Jewish Neocon's [Neocohens].

So already after a hundred and fifty thousand innocent men, women and children being killed in Syria and another forty thousand in Libya. By such Jew World Order proxy forces as this. And the millions dead in Iraq from the NATO-American invasion and occupation. Which was launched on the heels of the Jews, False Flag on 911. Now the blood bath is about to really start as the Islamic Fanatic's who raped, looted, mass murdered and in general sawed unarmed and innocent peoples heads off for fun. Are now marching on Iraq.

The full horror of the jihadists' savage victories in Iraq emerged yesterday as witnesses told of streets lined with decapitated soldiers and policemen.

Blood-soaked bodies and blazing vehicles were left in the wake of the Al Qaeda-inspired ISIS fanatics as they pushed the frontline towards Baghdad.

They boasted about their triumphs in a propaganda video depicting appalling scenes including a businessman being dragged from his car and executed at the roadside with a pistol to the back of his head. The extent of the carnage came as:

Images from captured cities such as Mosul and Tikrit showed deserted streets, burnt out vehicles and discarded uniforms left by government troops fleeing the brutal fanatics;

ISIS leaders urged their bloodthirsty followers to continue their march and warned that battle would rage in Baghdad and in the holy city of Karbala;

Thousands of residents in the capital answered a call to arms to repel the invaders amid fears the government's own troops were not up to the job;

Aid groups warned of a new refugee crisis after half a million terrified Iraqis left their homes to escape the jihadists

In the swathe of captured territory across northern Iraq, ISIS declared hardline Sharia law, publishing rules ordering women not to go outside 'unless strictly necessary', banning alcohol and smoking, and forcing all residents to attend mosques five times a day. BBC correspondent Paul Wood said one woman from Mosul, Iraq's second city, had spoken of seeing a 'row of decapitated soldiers and policemen'.

The refugee woman told how the victims' heads were placed in rows – a trademark, trophy-style execution favoured by ISIS militants.

The fanatics captured Tikrit, Saddam Hussein's birthplace, by overrunning an army base and rounding up hundreds of soldiers and police. Dozens of members of a police special forces battalion were paraded on the back of a truck in the city.

As the balaclava-clad militants took Mosul and Tikrit, thousands of Baghdad's residents young and old queued at recruiting stations to form a 'Dad's army' to defend the capital.

Trucks carrying volunteers in uniform rumbled towards the frontlines to defend the city, with many chanting slogans against the ISIS militants.

Meanwhile the Iraqi air force carried out at least four bombing raids on insurgent positions in and around Mosul. State television showed targets exploding in black clouds.

Britons working in Baghdad's Green Zone where most of the foreign embassies are based were on high alert. The lightning advance of ISIS has caused alarm in London, Washington and across the Middle East.

Despite vastly outnumbering the jihadists, government troops have melted away in the face of the insurgents, allowing them to capture two helicopters, 15 tanks, weapons and several armoured cars that used belonging to the American military. They also seized £350million-worth of dinars by robbing a bank in Mosul.

According to bitter Iraqi footsoldiers, their commanders slipped away in the night rather than mount a defence of the city.

One said: 'Our leaders betrayed us. The commanders left the military behind. When we woke up, all the leaders had left.'

Last night Barack Obama said America would help with 'short-term immediate actions... militarily' to push back the insurgents, but ruled out sending troops.

Foreign Secretary William Hague said Britain would not get involved militarily because Iraq was now a democracy.

Iraqi prime minister Nouri al-Maliki vowed: 'We are not going to allow this to carry on, regardless of the price. We are getting ready. We are organising.'

As the situation spiralled out of control, even Iran was said to have deployed two battalions from its Revolutionary Guard to help the Iraqi government retake Tikrit.

The development was likely to enrage Washington, which has been steadfast in its determination for Baghdad not to cosy up to Tehran.

It also emerged that members of Saddam's old guard were joining the insurrection. Fighters loyal to his disbanded Baath Party were said to be actively supporting the rebels. ISIS stands for Islamic State of Iraq and al-Sham but has also been referenced as Islamic State of Iraq and Syria.

Its insurgency is the biggest threat to Iraq since US troops withdrew in 2011.

ISIS commanders issued chilling warnings to any police officers or soldiers to 'repent or be killed'.

In a sinister video, the extremists urged followers to 'march to Baghdad – we have a score to settle'. They also pledged to take the holy cities of Karbala and Najaf.

'Continue your march as the battle is not yet raging,' a voice said to be that of ISIS spokesman Abu Mohammed al-Adnani says. 'It will rage in Baghdad and Karbala. So be ready for it. Put on your belts and get ready.'

But taking Baghdad would be much tougher for ISIS than the towns where they have triumphed so far. The United Nations Security Council met behind closed doors last night to discuss the crisis.

Iraq's foreign minister, Hoshiyar Zebari, speaking in London, insisted the government had halted the rebel advance and even claimed insurgents were 'on the run'.

But at Baiji, near Kirkuk, insurgents surrounded Iraq's largest refinery. And the fighters have reached Samarra, 70 miles north of Baghdad.

About a quarter of Mosul's two million residents have fled. The flood of terrified families escaping the fighting there was described as 'one of the largest and swiftest mass movements of people in the world in recent memory'. Many have headed east into the autonomous region of Kurdistan.

Aid groups fear a new refugee crisis. Neighbouring countries already struggling to look after 2.8million refugees from the Syrian civil war now face the prospect of a new influx of displaced people desperately seeking a safe haven.

Meanwhile Iraqi Kurds seized control of the major northern oil city of Kirkuk today after the central government's army abandoned its posts. The Kurds - a semi-autonomous ethnic group based in the north - have their own 250,000-strong military, but have not used them to engage ISIS.

Footage emerged yesterday evening from Tikrit, which appears to show a long line of captured men and boys, being forcibly marched down a highway in the city.

The minute-long video, uploaded to YouTube, showed a snaking column of men stretching the entire visible length of the stretch of road. A voice captured by the recording describes a great Islamic 'family' and later an 'army', suggesting a possible intention to recruit the captives.

Most of the men and boys have both hands on their heads, while others - some wearing head coverings and some bare-faced - move up and down the column encouraging the march.

The startling developments raise the spectre of Iraq being carved up and divided into several states. Respected commentators have raised the prospect that, with Kurdish forces holding the north, the Sunni ISIS militants taking parts of the north and west, leaving the central and south-eastern to the Shiite population who currently run the government and military.

Yesterday the Iraqi Ambassador to Washington warned the 'integrity of Iraq is in question', while Dr Ayad Allawi, a former prime minister of Iraq, added that a break-up was 'not impossible'.

The governor of Mosul, who escaped the city and is now in Erbil in the Kurdish north, said that Iraq must be divided as centralisation had 'failed'.

Speaking to the Telegraph, Atheel al-Nujaifi said prime minister Nouri al-Maliki 'didn't devolve authority to us before, but now we must do it. Now we are saying his centralisation policies have failed,' Mr Nujaifi said.

Repercussions from the conflict are also being felt in global oil markets, where prices shot to a three-month high. The RAC said disruption could add more than 2p to the price of a litre of petrol.

The price of Brent crude rose \$2 to a three-month high of more than \$112 on fears about supply from the second-biggest producer in the Opec oil cartel.

The RAC said: 'The worsening situation in Iraq is causing a knee-jerk reaction in the global fuel market with wholesale prices going up one pence over Wednesday and Thursday.'

This was likely to push the pump price of both petrol and diesel up by 2p per litre in the short term, the RAC said, 'and this could well go much further'.

Iraq has insisted sectarian violence will not spread to the south, from which the vast majority of oil output comes.

After the capture of Mosul, the Islamic State issued a triumphalist statement declaring that it would implement its strict version of Shariah law in Mosul and other regions it had overrun.

Its laws state that women should stay in their homes for modesty reasons, command residents to attend prayers five times a day, and warned thieves that they would have their hands cut off.

It came as Kurdish forces took full control of Iraq's oil-rich city of Kirkuk after the federal army abandoned its bases there.

Peshmerga fighters, the security forces of Iraq's autonomous Kurdish north, swept into Kirkuk after the army abandoned its posts there, a peshmerga spokesman said.

'The whole of Kirkuk has fallen into the hands of peshmerga. No Iraqi army remains in Kirkuk now', said Jabbar Yawar.

Kurds have long dreamed of controlling Kirkuk, a city with huge oil reserves just outside their autonomous region, which they regard as their historical capital.

The swift move by their highly organised security forces demonstrates how this week's sudden advance by ISIS fighters has redrawn Iraq's map.

Insurgents surrounded Iraq's largest refinery in the northern town of Baiji this afternoon - they first moved in late on Tuesday, closing in on the refinery, but later withdrew to the surrounding villages after reaching a deal with local tribal chiefs.

A White House spokesman this evening said that they believed the Iraqi government were in control of the facility, but had no further details

In the midst of the crisis, Iraq's parliament failed to declare a nationwide state of emergency after not enough MPs turned up for a vote.

Opposition politicians representing Sunni and Kurdish populations boycotted parliament because they oppose a motion to give extraordinary powers to Shiite Prime Minister Nouri al-Maliki.

Turkey is negotiating for the release of 80 nationals held by ISIS in Mosul and cannot confirm reports that some of them have been freed, government officials said today.

The pro-government Turkish newspaper Yeni Safak reported that the hostages, who include diplomatic staff, children and special forces soldiers, had been released to the Iraqi governor of Mosul and would be brought to Turkey tonight.

The capture of Mosul - along with the fall of Tikrit and the militants' earlier seizure of the city of Fallujah and parts of Ramadi, the capital of western Anbar province - has undone hard-fought gains against insurgents in the years following the invasion by U.S.-led forces.

U.N. Secretary-General Ban Ki-moon strongly condemned the abductions and the seizure of Iraqi territory by the militants, urging 'the international community to unite in showing solidarity with Iraq as it confronts this serious security challenge.'

'Terrorism must not be allowed to succeed in undoing the path towards democracy in Iraq,' he added.

Mosul, the capital of Ninevah province, and the neighboring Sunni-dominated province of Anbar share a long and porous border with Syria, where the Islamic State is also active.

Without assigning direct blame, al-Maliki said a 'conspiracy' led to the massive security failure that allowed militants to capture Mosul, and said members of the security forces who fled rather than stand up to the militants should be punished.

'We are working to solve the situation,' al-Maliki said. 'We are regrouping the armed forces that are in charge of clearing Ninevah from those terrorists.'

Iranian airlines cancelled all flights between Tehran and Baghdad due to security concerns, and the Islamic Republic has intensified security measures along its

borders, Iran's state news agency IRNA reported.

Shiite Iran, a major regional power, has strong ties with Iraq's government. Some 17,000 Iranian pilgrims are in Iraq at any given time, according to IRNA, which cited the director of Iran's Hajj and Pilgrimage Organization.

Tikrit residents said the militant group overran several police stations in the Sunni-dominated city.

Two Iraqi security officials confirmed that the city, 80 miles north of Baghdad and the capital of Salahuddin province, was under ISIS's control and that the provincial governor was missing.

The major oil refinery in Baiji, located between Mosul and Tikrit, remained in government control, the officials said. There were clashes and gunmen tried to take the town but were repelled in a rare success for Iraqi government forces protecting an important facility, the officials said.

The International Organisation for Migration estimated that 500,000 people fled the Mosul area, with some seeking safety in the Ninevah countryside or the nearby semi-autonomous Kurdish region.

Getting into the latter has become more difficult, however, with migrants without family members already in the enclave needing to secure permission from Kurdish authorities, according to the IOM.

This is here a reply by one of our members in the Joy of Satan main groups. In order to escape this to be lost under the message burdens, we repost it as its very worth reading and very informative and reveals the True Nature of this kike criminal institution, but their 'little race' aswell who is behind all these atrocities who are beyond word and doubt the greatest to plague Human history. See for yourselves:

"

There are a lot more atrocities where this one came from. The Catholic Church has participated in many crimes of slave labor, including serfdom, chattel slavery, and slave labor at orphanages. The recent mass grave is only one example of Catholic "laundries" like the Magdalene Asylums; a form of slave labor where women were forced to work in clothes-washing facilities run by the Church.

[img]<http://upload.wikimedia.org/wikipedia/commons/e/ef/Magdalen-asylum-england.jpg>[/img]

In 1993 a mass grave containing 155 female bodies was discovered outside a Magdalene Asylum in Drumcondra, Dublin. Only 75 of these women even had death certificates.

[img]<http://remember.org/then-and-now/images/mats-potrz-a.jpg>[/img]

Many of the corpses still wore casts from the bone injuries these women sustained working back-breaking shifts which could last more than ten hours a day. Chemicals such as industrial bleach used in Catholic workhouses like the so-called Magdalene "Laundry" often caused harm to workers, while dangerous equipment presented yet another danger. One body in the mass grave was found with its head severed.

The Roman Catholic Church had concentration camps like this across Europe and North America where Catholics tortured, abused, and enslaved women and children for "crimes" ranging from promiscuity to being sexually abused. In some cases girls were even imprisoned for looking "too attractive". Women who tried to escape these workhouses were dragged back by the police into literal slavery, from which only relatives rarely released them. Talking to fellow inmates during work was strictly prohibited, and women who broke the rules could be beaten, starved, tortured, and worse.

"Those places were the Irish gulags for women," said Mary Norris. "When you went inside their doors you left behind your dignity, identity and humanity. We were locked up, had no outside contacts and got no wages although we worked 10 hours a day, six days a week, 52 weeks a year. What else is that but slavery? And to think that they were doing all this in the name of a loving God! I used to tell God I hated him."

<http://samdjordison.blogspot.com/2013/02/magdalene-laundries.html>

At the "Good Shepherd Orphanage" In Baltimore, Maryland, survivor Pat Noel testifies that aside from working long hours for the Church, girls were beaten until they were bloody, forced to kneel on concrete steps for days, shaved, starved, deprived of their names, and coerced into lifelong celibacy. At least one girl was forced to crawl through her own urine.

[communities.washingtontimes.com/neighborhood/heart-without-compromise-children-and-children-wit/2013/jun/6/magdalene-laundry-survivor-speaks-out/](http://communities.washingtontimes.com/neighborhood/heart-without-compromise-children-and-children-wit/2013/jun/6/magdalene-laundry-survivor-speaks-out/)

Women were worked to death in cold blood; one lovely 15 year old in St. Joseph's "Industrial School" was even forced by nuns - against a doctor's order - to perform hard labor right after her appendix had been surgically removed. The girl died after several days of this horrific abuse.

<http://theraggedwagon.wordpress.com/2009/08/15/new-evidence-that-irish-children-were-murdered/>

The singer Sinnead O'Conner testifies that she witnessed nuns at an Irish Magdalene Asylum rip a child out of the arms of its screaming mother, who never heard even one word about the fate of her child ever again.

<http://goldenbridgeinmate39.wordpress.com/2013/02/09/sinead-oconnor-reveals-her-torment-after-she-was-sent-to-a-magdalene-laundry/>

Atrocities of a similar nature occurred in Australia, where Lily Arthur recounts having her only child stolen at birth after she was dragged from her bed one night and imprisoned in a Catholic Magdalene Laundry. Here she was forced to work throughout her pregnancy and for months afterword. She met women from a higher security "Asylum" who told her they had been forced to eat rotting food, and sleep with no bedding on concrete for months on end.

[http://atheism.wikia.com/wiki/Magdalene\\_laundry](http://atheism.wikia.com/wiki/Magdalene_laundry)

Horrific sexual abuse also occurred in these facilities, as recounted by survivors in the documentary "Sex in a Cold Climate".

[img]http://healingheartfoundationng.files.wordpress.com/2013/11/child\_abuse\_by\_healing-heart1.jpg[/img]

In the case of Ireland, the Jew-Controlled Government was fully aware (see again JFM 2011) that thousands of women were illegally enslaved by the Church; and that local police departments were acting at behest of Catholic clergy and others to keep these women in slavery; but did nothing to stop it. In fact, the Jew-Controlled government even acted in collusion with Catholic nuns to use these enslaved women as cheap labor.

Similar use of forced labor once occurred across the Christianized world, where Jewish Governments and Christian Churches collaborated with each other to enslave and exploit Gentile women and their children. This system developed from the Dark Age custom of forcing promiscuous women to work in convents, developed into a network of laundries in the eighteenth century, and seemingly ended in White countries when the last Magdalene Asylum in Ireland closed in 1996. Abuse and overworking of women and children in convents and other Christian institutions, however, continues, and it is very likely given the past that there are still places where local authorities are complicit.

The Catholic Church is a criminal organization run by Jews, who are a criminal race.

Hail Satan and his Justice.

| Subject: Stalin The Worst Criminal - Sermon Series, Part 1. |               |                                |                 |

Joseph Stalin- The rider of the 20th century Jewish Beast – Part 1

A brief Look on this Jew's early life criminality and criminal personality.

Mass murderer, liar, thief, criminal, slave master, swindler, forger, mentally insane, brutal, etc. All these words are too few to explain what 'Joseph Stalin' really was. In history class you would have certainly heard about "Hitler". We have proved and proved again how Hitler was not only a man of peace, but also that the so called holocaust never happened. In order to understand why Hitler has been blamed with all he has, you have to look at the opposite direction, at Joseph "Jughasvili" [In Georgian: son of a Jew] Stalin to really understand the reverse psychology and blame they throw at Hitler, to cover up the crimes of the red beast.

The jews as they always do, like what they blame on Satan, being themselves exactly what they say others are in a negative light, project this in history and so on so forth, in all frontiers and areas of existence. The point of this Sermon series is to show step by step this horrendous personality, which plagued the earth with its existence and caused over 40 million deaths worldwide, many of which you have never been told about. They project all they do to the other side, as always, to cover up their own atrocity.

All most people know about this kike monster is that it was a Dictator of the USSR. Upon further research, much more information can show up, directing one to the nature of this vile individual.

From reports and historical facts, we know this jew was not only overly sickly (had a deformed hand shorter than the other and malformed, was exceptionally short, had marks on his face from diseases, let alone his ugly look and stare [which is a reason why it had its photos retouched], the second and third toes were webbed on its left foot and so forth) but through lies as all jews do, tried to hide the sources of all the evidence that he was a jew. For instance, for his deformed hand, he mentioned many stories, one of which included how he was struck by a horse drawn carriage, or that he had an accident. He tried to hide the source of his deformities which were from his jewish genetics. He later changed his name from "Joseph Yugashvilli Stalin" to "Jo-seph Stalin". Also, he always did run under many different surnames and fake names, by the time he was fighting his way up to the top of the jewish communist party.

Not only these though were the lies of this jew. Like any other pathologically lying jew, Stalin even lied about his birthday. Wanting to hide all information about his jew-ish heritage and bloodline, he invented all sorts of lies and tried to erase all information in regards to himself. In all his life, he did run under fake names and aliases. The so called 'Atheism' [Which is nothing but the end result of Christianity] and Jew-ish Communism, knew all along the importance of birthdays. For that reason Joseph Stalin forged his birthday many, many times, as to hide his astrological chart for one and generally his background information. By doing this, all he said would be true as there would be no conflicting information.

Stalin himself had said and proclaimed his own birthdate being 18th of December. However after his coming to power, he changed this to December 21st [typically to tie in himself with the energetically powerful energies and points of the month and date. Though it was finally found by his birth certificate, that he was born on December the 6th. This shows the jewish disrespect and hatred over the Gentile God, Satan, of whom they tried to steal the date. December 23th is the holy day of Satan and this kike tried to put its birthday [Day of glorification, as thus the day he received positive energy from attention] close to that date to exploit its power.

The reason "Jughasvilli" changed his name was evidently, as to protect himself from occult attacks as many require the use of the name of an individual. By hiding behind aliases, he tried to secure himself from this. Those with deep knowledge of the occult know the USSR was filled top to bottom with all this knowledge as to secure, protect and further the 'legacy' of the jewish red beast. The jews were actively involved in the occult, while the populace was pressed down in an atheistic belief system of death, leaving them powerless. With the monopoly of the guns, the spiritual powers and the state powers, Stalin and his devout followers slowly rose to the top where they tortured and destroyed anyone as they saw fit. Also, he was mentally perverted, socio-phobic and psychotic as a large portion of the jewish race.

Reports say he was hooked on drugs, shoot pornography, slept with a different woman each night and so forth [although he was married 3 times and all his 3 wives were jewish], using brutally his power to please its own self. He was also problematic in many other departments of the mind, such as he wanted severely attention on himself, to feel like someone, to be respected- but all these on the negative and criminal point. The so called 'clapping experiment' in

which people had to clap and clap after the speeches of this kike, whomever stopped clapping first was instant-ly killed. The clapping went on for hours as people did not want to lose their lives. Eventually someone stopped and then...

They would die. Many times more were killed and not only the person that stopped. Gentile life meant nothing to this kike dictator.

Stalin was also, studying to become a priest, at Orthodox seminary of Tiflis. Which blatantly shows how he was tentative to get into the Christian/church jewish structure, as he knew there was much power within. Meanwhile, he was a devout Marxist and avid follower of these left winged, jewish philosophies. All it did was help its genetic relatives. Though, he left and never completed his university/college and went off to do more important things, such as gangsterism, terrorizing and so forth. As an early member of the pre-communist party [Russian Social-Democratic Labour Party], he had to follow the party flow to get upwards in the ranks.

He did not use his real name and avoided it as much as he could, using a surname and many others, namely "Koba". The upping in the ranks happened through robberies, assaults, assassinations, murders of distinctive Russian commanders, figures and so forth. Using as an excuse for the deformed arm [passing it down as an accident] this cowardly jew never served in the military for the WW1 [While Hitler had one of his most difficult times at the same age, getting almost blinded, fighting in frontlines, numerous injuries etc] and took the coward way out. Nevertheless, this jewish 'gangster' pretended he was some sort of overly powerful and many, deserving of respect individual- only from a later on position of power.

But how he gained his power and positions? This can be easily explained.

At 1902, he worked on a Rothschild owned factory, in whom I presume he made his connections. As its know, the Rothschilds and other jews funder the so called "Rus-sian Revolution" to quadruple their winnings and fill their pockets once their jewish friends like Stalin had the wheel of the country. In Russia after the revolution, being a jew was by hundreds of times a title of 'Honor' with all the entitlements over the na-tive Russian populations. "Equality" at its best. After all, didn't the jews promise equality? 40 million Russians died, yet you see no reports of anything bad for jews. They had made their safe haven in the Russian beast, ready to further their advances to other countries.

First of all, Stalin had a strong inner rivalry with Lenin [all along]. Lenin, exploiting the disasters hitting Russia after its loss on the war, promise people castles in the skies. Stalin, from his early age crimes was put in exile, and then, got his false papers, he travelled back to Tiflis and joined the Bolsheviks under Lenin. Even though his views in the beginning were very different from Lenin, who was also a jew, he hid these beliefs but these were the reason Stalin later had Lenin assassinated. Though, he was threatened that he would exit the party once an ideological pamphlet he had wrote was found out, named "Credo". When it was found out, Stalin killed by shoot-ing all those who had read this paper he had published. Typically jewish cunning be-havior, he was once back in alignment with the jew Lenin. Anyway, back to Stalin joining the Bolsheviks. When Stalin entered the Bolsheviks, he had to somehow climb the ladder.

In the midst of chaos in Russia of 1905 (people fighting on the streets and so forth, Russia after WW1 was a total wreck) he had an army of Bolsheviks, who were armed and with whom he started doing robberies [worsening far more the country situation after war and also, spreading that the war was worthless- Stalin was sent in exile over 7 times for his crimes, escaped 6, caught in the 7th and then got a bail-out- such a 'pa-triot'], stole equipment for printing and many other things as to gain physical power. This had to happen in a series of kidnappings, robberies, murders, propaganda and so forth. In order to counter the Mensheviks (the "enemy" party of the Bolsheviks, false opposition, two sides against the middle jewish game) all sorts of rallies, crimes and armed

parades happened. Through a series of black propaganda, smear campaigns and other games of cunning, the party of the Bolsheviks slowly gained ground over the Mensheviks.

The robberies and filthy actions continued, until he made such a big fortune that made his expelling from the Bolshevik party impossible. In a rushing manner, escaping arrest and captivity over and over, he became a crime overlord, who has built his fortune and association over murder, oppression, blackmailing, behind the scenes criminal activity and more of it. Many of his close associates whom he later appointed in the USSR central political force were jewish perverts and mass murder-ers like him. The main way the Leninist/Bolshevik party raised money was due to robberies, as they did nothing else. Stalin himself did not work or had jobs that re-quired no work. He just drifted off life, living from money either from 'friends' and party members. He never even had to work to live itself. Mainly, the Gentile populace and ordinary citizens payed the price of the Mensheviks and Bolsheviks [Both jewish run and operated frontiers, sides of the same coin].

One of his infamous crimes in association with Lenin, was the 1907 Tiflis robbery. Stalin with his robbing gang, ambushed a convoy in Yerevan, they stole the money which was equal to 3.4 millions in dollar terms, killing 40 people with gun and bombs, leaving 50 injured, including cops and others. Meanwhile nobody from his own gang died. He gave this money to Lenin and Lenin was escorted aswell, never to be caught or judged for the crime. Two days later, he escorted itself and its family to the town of Baku. As we see he had zero respect of human life. His criminal life start-ed early on, very early on, in his teenage years.

Subject: Concerning "Materialism" and Important Info

I am writing this in response to something I witnessed earlier and this really needs to be addressed, but first, please note that within 2-3 more days, I will be posting the Solstice ritual to all of the JoS e-groups and forums. It is of extreme importance for everyone to join in on this, regardless as to whether you are new or along time member.

"Xian" = Christian for those who are new and the X is there to cross out "christ." "Christ" is nothing more than foul excrement.

As for the sermon:

I notice so many people falling into traps. The Jew creates the problem and then pushes the solution. One major trap is that of materialism. The Jew takes everything that makes life meaningful and pleasurable and then works relentlessly to destroy it. Ownership of material things makes life meaningful and is pleasurable. So, the Jew pushes this and corrupts it on the one hand and on the other, the Jew pushes for rejection of the material. This is done by incessant pushing and promoting materialism to the exclusion of all else and the underlying message here is to own nothing. The nazarene is then held up as a pristine example- the professional parasite never owned anything, and lived off the charity of those who did, all the while condemning them. The nazarene was a most arrogant character who never showed any gratitude or appreciation for anything. He felt it was owed to him. Though that foul scum is a Jewish invented fictitious archetype, he is pushed on the Gentile populace as an example. He is the perfect communist.

Everything the Jew pushes and abuses is designed to destroy any and all freedoms. No one owns any personal property under Jewish communism. Jewish communism is a slave state where every Gentile citizen becomes the property of the state and has no freedoms or rights whatsoever. This is all laid out in the judeo/xian bible, which is a blueprint for communism. The Gentile populace becomes disposable slaves, working for the Jewish parasite. Satan/Lucifer has always stood for rebellion. Rebellion is a serious "sin" and is "evil" in the bible. Perfect slaves do not rebel or even complain.

There is absolutely nothing wrong with owning material things or enjoying them. People fall into the Jewish traps with believing adages such as "money is the root of all evil" yet you don't hear any Jews saying this. This sort of thing is for Gentiles. The bible preaches that poverty and suffering are virtues. Poverty is a virtue so that all wealth can be in the hands of the Jews. Suffering is a biblical virtue and is necessary so one again can be the perfect slave, endure endless and most savage abuse, and never complain. A wasted life. The Jew owns everything, all material wealth, and also the slaves. This is why they corrupt and push materialism in unhealthy ways to the extreme. They want a backlash, where they own everything and us Gentiles own nothing and along with owning nothing, become the property of the Jews.

If everyone would look deeper, it is the abuse, disrespect for, and lack of any appreciation that is the problem, along with imbalance in the way of taking things to an extreme, which is what the Jew does. The Jew takes certain aspects of our freedoms...money, sex, pleasure and pushes these to an unhealthy extreme, creating imbalance. The end result is total loss. Nature in her ecosystem works for a healthy balance. When nature gets out of balance, disaster ensues.

Nowhere is a most blatant example of Jewish operation than with Gay Rights:

[http://web.archive.org/web/20130411154310/http://gblt.webs.com/Enemy\\_Control.htm](http://web.archive.org/web/20130411154310/http://gblt.webs.com/Enemy_Control.htm)

Gay rights from top to bottom is controlled by Jews. What they do is work to push and take this to an extreme on the one hand and as the Jews

control both sides, they work against it on the other. On the other side, they work for establishing Old Testament laws as is with Jewish communism. Gay in the gulag. There are no sexual freedoms in any communist countries. Even heterosexuals holding hands or kissing in public in communist North Korea can get not only the couple, but their entire families thrown into slave labor concentration camps.\* These are the real death camps where very few ever survive. Most are worked to death under the most hideous conditions, starving and then are disposed of. This is the Jewish paradise...disposable slave labor.

\*Nothing to Envy: Ordinary Lives in North Korea by Barbara Demick

Don't fall into their traps! When everyone is on to their tactics, they can no longer succeed in destroying our freedoms. Money, personal ownership, sexual freedoms and everything else they work to destroy, always remember...they push these to an unhealthy extreme, creating the necessary imbalance needed to create a backlash to where people are duped into gladly giving up their precious rights [which many fought for and died for in brutal bloody wars], and unknowingly sacrificing to restore balance- what they believe is balance. The justice system is another example. The justice system is dominated by Jews from top to bottom. By allowing crime to get so out of hand and letting violent offenders off the hook and relentlessly pushing injustice [corrupting the justice system to where it is no longer even functional], this creates the trap for people to give up their rights for ultra-strict laws, where no one has any rights as is with Jewish communism. This is also laid out in the judeo/xian bible. Turn the other cheek, walk the extra mile, let everything go to shit. Gentiles have always fought for the Jewish interest and their wars while the Jews just look on and grin. Another Jewish tactic is creating endless arguments so that nothing ever gets done in the way of ending a problem or securing a solution.

Satan/Lucifer stands for freedom and rebellion. We must always respect our freedoms and be ready to fight for them. If we do not fight, these will be taken away. Respect and care for what you own. Our inner serpent makes us aware in the way of having respect for valuable life and an appreciation for things. Everything that is positive and healthy in life, the Jew takes, abuses and pushes to an unhealthy extreme in hopes of creating a backlash to their Old Testament; their Torah. Torah is the author of pain and misery. The torah is their root, their power over us and their protection. Everything you have and own, the Jew is working to take away from you. This also extends to your soul. Satan brings us the necessary knowledge and enlightenment to where we are aware of and onto their tactics and can no longer be duped into falling into their traps.

Due to issues with my previous site host, which deleted my site 3 times, I have switched to weebly. Know that both sites will be up and running, but the weebly version will be more up to date, and I after I have finished with the weebly version I will go and finish my previous host if I have time. Criticism and suggestions are fine. It is important the documents in the Library page are spread, just as Satanism should be spread, so should National Socialism, ALWAYS DO THIS IN A SAFE WAY WITHOUT PUTTING YOURSELF OR ANYONE ELSE IN DANGER. And remember, we are not like the xtians, we do not force feed people our beliefs, we give them undeniable proof and let them be ignorant if they want.

Apologies for any hassle you may have getting used to the new site, I now it is a bit duller than the previous one, but it is the best I could do.

<http://www.naziarchive.weebly.com>

The only page up is the Library page, and few books have been uploaded, I am working on that, please be patient. Also, weebly allows unlimited uploads, things is maximum file upload is 10mb, and there are somebooks that are well above 50mb. I am looking for a file host that will give a direct download link so I can upload these files.

Holocaust: Jewish or German?  
Author: S. E. Castan (killed by the ZOG)

Download at Satan's Library: [http://www.exposingcommunism.com/Holocaust\\_Jewish\\_or\\_German.pdf](http://www.exposingcommunism.com/Holocaust_Jewish_or_German.pdf)

"OVERTURE. For forty years knowing a lot of what Castan presents in his documentary, I thought I was going to die without seeing/listening Germans tell their version for the second world war. And then finally a Brazilian does it, which made me very happy. In my opinion this book's central stand is that of presenting the German side of what went on in the second world war. For a Western world where - only the version of defenders of Zionism has circulated for 43 years and the worst atrocities are traced to the Germans, the task of Zionists has had the benefit of the astounding silence on the matter, by the German side and also by those who, not being German or Jewish, have kept practically mum. The tact is that the youth everywhere in the Western world has been gypped not just by plain lies of propaganda but also by the impossibility that, by a mere matter of elementary justice, it would have knowledge of both sides so then it would be able to make up its opinion, using its intelligence, realism, sanity and justice. Castan does that - he offers his documentary, after examining which the sincere, honest, lucid reader, who wants to know what is really going on and has gone on in our recent world, may make up his opinion. There is no shame in making up one's opinion when one has been led along to do it by just one side of the coin. Shameful may be to stick to an unjust and one-sided opinion when the other side's stand finally appears. A mere matter of justice and in defining justice we can say it is a matter of lucidness, reliable information, knowledge of real tacts- and so justice can appear efficient, operative, useful and better than that- indispensable. We are in a world of tumult, each faction supposing itself the absolutely and divinely right one, supported on tacts that are selected, manicured, implanted on masses (even those who think of themselves as well-informed) by mechanisms that control the public opinion. That in Brazil, only? Not at all, it happens in Europe, Asia, America and Africa. There are mechanisms/institutions living off that fat - informing and misinforming, enlightening but leading matters to their side. We always find those who feel themselves "the righter, more correct, juster ones". When does the human being plan to put an end to this stupid and suicidal game? How many peoples

that under all lights should be brotherly, will go on acting like those small Italian feuds engaged in hand-to-hand knifing, devouring each other, in regional and stupid political fights? We are on the threshold of the Age of Information, when the matter printed and divulged by the other media is making up, among them, a mass of vidiots. It is only the beginning, because books, informative material in general, have grown so capable to change/inform human beings they have rendered INEVITABLE the REVOLUTION OF KNOWLEDGE AND OPINION of most peoples in our world. The book by S.E Castan fills those requirements and works along that direction. One more reason why it deserves acceptance, calm and just examination, decent and clean treatment. It can change your li-e. making you see how easily whole peoples may be deceived, for how long ... and by whom ..."

Subject: Important 666 Summer Solstice Ritual 2014

## Group Ritual for Sunday, 22 of June 2014

The ritual can be performed any time after midnight, your own local time Sunday, the 22nd of June.

The words below are to be vibrated. By vibrating these words, this will remove another powerful biblical curse. The more people we have who will be doing this ritual, the better, as there is both strength and power in numbers. This ritual is the third of a series of rituals of which we will be doing similar each month or in some cases, twice a month in harmony with planetary energies. We are removing the weapons from the enemy's hands. The effects of this ritual will result in full power for us Gentiles.

Practice the words [I have included an mp3 of the words for you all to download], as much as you can before performing the ritual.

Sunday 22 June 2014.

You can perform the Raum meditation to raise your powers before performing the ritual.

If you are experienced and already have a meditation that works effectively for you that raises your energies, then use whatever works best for you.

## Vibrate RAUM

RRR into your base chakra [be sure to roll the R's]

AHH into your sacral chakra

UUU into your solar plexus chakra

MMM into your heart chakra

Now, vibrate RRR into your heart chakra [be sure to roll the R's]

AAAH into your throat chakra

UUU into your 6th chakra

MMM into your crown chakra.

The above is one round. Do several rounds. It is best to do 13 rounds, or a multiple of 13.

Vibrate EEEE focusing on the right side of your body and immediately follow by vibrating OOOOH focusing on the left side of your body [going back and forth], 40 times.

For example, vibrate EEEE focusing on the right side of your body [torso], then immediately vibrate OOOH focusing on the left side of your body. That is one round. Then, immediately vibrate EEEE on the right, then immediately vibrate OOOH on the left. That is the second round. Do 40 rounds of vibrating I then O using a Satanic rosary. A Satanic rosary is used so one is not distracted when vibrating high numbers of repetitions, by trying to keep count. This is not mandatory, though. If you do not have a Satanic rosary, use anything that works.

The I vibration, pronounced as EEE, is pronounced as the long American English E, as in the American English words SEE, TEA, and ME.

The OOOH vibration is the American English long O, such as in the words HOLD, and NO.

Following the completion of the above, vibrate E-A. Vibrate E, pronounced AY, as in the American English words MAY, SAY, DAY; focusing on the front of your body, and then AHFFF, focusing on your entire spine.

For example, vibrate AAAAYYYYY, focusing on the front of your body- just your torso, then immediately vibrate AAAH focusing on your entire spine. That is one round. Then, immediately vibrate AAYYY on focusing on the front of your body, then immediately vibrate AAAH focusing on your entire spine. That is the second round. Do 40 rounds of vibrating E then A using a Satanic rosary.

Following this, vibrate RAUM into your entire aura 7 times.

This meditation empowers the entire soul. The heart chakra is a connector and energy vibrated into it from below will then connect to and transfer into the upper chakras in the second part of the meditation. Just be aware, this is exceptionally powerful and you will definitely feel it the very first time.

This is a powerful meditation to use both before a formal ritual or any informal working.

I am currently working on reuploading the Holocaust Denial Videos website which was put down for reasons that do not need explaining. The likelihood is, after I am finished uploading the website again it will be shut down.

Be sure to keep checking because I will upload more and more. And also, if you do not distribute these there will be no point in me even making this site.

The problem is you cannot view the videos online and they are in WMV format. I will soon enough make it so that you can view it in mp4 and so that you can watch the videos online so that you don't have to download it to watch them.

What Now?

Life In The Jew World Order

Something a lot of people note is the level of stupidity in our society. However I don't believe people are naturally stupid. But what we are seeing is the environment effects of society and its not in many cases stupidity more then general apathy.

Our world is under a Jewish spell and it goes across so many level a book would be needed to document them all. Let us look at a few.

Our school system is designed by the enemy Jews from the churches to the Jewish oligarchies like Rockefellers. To create the same system we have in religion. Shutting down the centers of consciousness that rule personality and creative thinking. It teaches pointless loads of garbage in a garbage in, garbage out model. What to think always. Never how to think. And its designed to run contrary to how the human mind actual works and learns information. They make people neurotic with low self esteem on purpose. Which creates a cycle of personal misery for all trapped in its system. Some are too dull to pick up on

it. Others are not.

School is not about the Pagan model of creating a spiritually enlightened being. But a dronetard, that will sit in a box or work in a line putting things in a box. With a mind in box with a kosher tax seal on it. Its made to create the conditions to maintain this Jewish, neo-feudal, globalist regime. Keeping the Goyium on the most bestial level of consciousness.

People are eating processed Franken foods that dull the mind and numb the nervous system. And many are under the spell of enemy religion. The whole effect of the Jewish created propaganda sphere has terra formed the human races that built great civilizations and come from Gods, into dulled down, zombies.

When they get sick from such and the environmental pollution of Jewish owned global corporations. They are purposely given medicine they can't afford that does not work but keeps them alive enough to clean out their families pockets. And in many cases makes them worse. This is the same medical system that prescribed cigarettes which killed half a million Americans a year alone. Which is great for the Jew run medical-pharmaceutical complex. Give them all kinds of cancers with the so called cigarette cure. The Jewish created and run FDA exists to keep cancer cures out of business so the Jew can keep doing criminal business.

How much pollution and war and exploitive regimes could be avoided if the Jews had not crushed Free Energy for a century so they could create fossil empire and dominate the world with controlling resources. Starting with Tesla who they ran out of town for creating Free Energy for the world even automobiles and further forced into utter poverty and social rejection when he refused to build massive terror weapons that could murder millions of innocent humans for Big Jew. In the end Tesla was murdered with his dreams stolen and broken by Jews like so many billions of humans on this world.

Our society within this has been designed by Jews to exhaust and rob people by keeping them in a constant struggle just for survival daily. The money is gone as fast as the paycheck is issued and the debts and cost of living always rise. Keeping the Goyium in the hamster wheel of a socially Darwinistic struggle to just exist. At the end of the day if they still have a place to live. Many just flop on the chair and barely have energy to turn on the tv. Which just numbs them and programs them further.

This social order traumatizes people in so many ways due to its Kosher toxicity so many turn to drugs to escape the boredom and meaningless of life. Some just want to escape the pain in their life and feel something blissful for awhile and forget life in the Jew World Order. These people many times become desperate addicts who resort to sleeping in the streets and selling their bodies for survival and drugs. With the neurotic self esteem issues created in people by the Jewish propaganda causes this. We this effect in people cling desperately to the superficial and fake lives of celebrities. Wishing to be anyone but who they are. Self worth becomes about consumption and material possessions. The highest goal is being on TV and Movies or singing with auto tune on a music video. All this which assign the sole value of personal worth. Meanwhile in the most wealthiest nations on earth. People who worked their whole lives are

living in tents and sewers. No one cares why should they? They are the wretched who have nothing left and are not on tv or a music video. A nation cannot survive that forgets its own humanity and leaves its own people to die in filth and despair. The Jewish effect is in full gear.

Everyday tens of thousands of children die from starvation across the planet in nations that produce enough to feed everyone. This Jew World Order system steals the food and life right out the hands of children and the old alike. And leaves them to die in garbage as garbage.

How many innocent people watched their whole families murdered and raped by Islamist's death squads created by the Jew World Order out of Israel, Washington and Saudi Arabia. In the war that started against the People of Syria. Whole towns were wiped out. At this point over a 150,000 are dead. What about the 160 million are more people killed by Jewish created and run Communist regimes. The tens of millions killed in two World Wars stated by the Jew World Order. The same Jews who are now marching the world into a third World War. To create a global slave state.

People are made to feel so powerless and demoralized they just sink into apathy and put their head down and just try to survive in the increasing bestial struggle of existence as the Jews suck the life and happiness out of the world. People in many countries die daily from wars and famines caused by the Jew World Order control systems. The Jews create these systems and prop up the foulest tyrants to oversee the exploitation and brutalization of whole populations. The never ending cycle of war, revolution, poverty and misery. Has left many people regretting they were born a human being. Which is what the Jews want.

Everyday thousands of people hang themselves, shoot themselves and throw themselves in front of trains, from roof tops and find numerous other ways to murder themselves. Rather than live another day in the misery of what the Jew World Order has made life for Gentiles.

This will continue. As it has continued. So what is going to stop it? You are going to stop this and so I am and the next loyal comrade who has pledged their dedication to the eternal order of Truth and life.

We must keep on the struggle of life in a world of Jewish created death and misery. The Jew World Order is collapsing more and more due to the efforts of so many for so long. But if we do not do our part now and tomorrow and the next day and on. Then the lives of so many comrades who struggled thought out time. Will be lost. The lives of so many innocent humans robbed by the Jew World Order will never have justice.

Do you think humans are garbage who deserve to live and die in garbage?

The Jew has stolen everything humanity needs to spiritually and materially advance and be happy.

So now the time has come for the time is now it always is. To take part in the rituals to undo the enemy power grid that has created this system and keeps it

going. The equinox rituals HPS Maxine has put up with the direction of Hell must be done. Its the key to ending that which is wrong in the world.

The summer solstice was my first ritual of that nature. I loved the way it made me feel and I'm sure father appreciates the energy. Can I do the same or similar rituals at any time and date?

### Group Ritual for Sunday, 22 of June 2014

The ritual can be performed any time after midnight, your own local time Sunday, the 22nd of June.

The words below are to be vibrated. By vibrating these words, this will remove another powerful biblical curse. The more people we have who will be doing this ritual, the better, as there is both strength and power in numbers. This ritual is the third of a series of rituals of which we will be doing similar each month or in some cases, twice a month in harmony with planetary energies. We are removing the weapons from the enemy's hands. The effects of this ritual will result in full power for us Gentiles.

Practice the words [I have included an mp3 of the words for you all to download], as much as you can before performing the ritual.

Sunday 22 June 2014.

You can perform the Raum meditation to raise your powers before performing the ritual.

If you are experienced and already have a meditation that works effectively for you that raises your energies, then use whatever works best for you.

Vibrate RAUM

RRR into your base chakra [be sure to roll the R's]

AHH into your sacral chakra

UUU into your solar plexus chakra

MMM into your heart chakra

Now, vibrate RRR into your heart chakra [be sure to roll the R's]

AAAH into your throat chakra

UUU into your 6th chakra

MMM into your crown chakra.

The above is one round. Do several rounds. It is best to do 13 rounds, or a multiple of 13.

Vibrate EEEE focusing on the right side of your body and immediately follow by vibrating OOOH focusing on the left side of your body [going back and forth], 40 times.

For example, vibrate EEEE focusing on the right side of your body [torso], then immediately vibrate OOOH focusing on the left side of your body. That is one round. Then, immediately vibrate EEEE on the right, then immediately vibrate OOOH on the left. That is the second round. Do 40 rounds of vibrating I then O using a Satanic rosary. A Satanic rosary is used so one is not distracted when vibrating high numbers of repetitions, by trying to keep count. This is not mandatory, though. If you do not have a Satanic rosary, use anything that works.

The I vibration, pronounced as EEE, is pronounced as the long American English E, as in the American English words SEE, TEA, and ME.

The OOOH vibration is the American English long O, such as in the words HOLD, and NO.

Following the completion of the above, vibrate E-A. Vibrate E, pronounced AY, as in the American English words MAY, SAY, DAY; focusing on the front of your body, and then AHHHH, focusing on your entire spine.

For example, vibrate AAAAYYYYY, focusing on the front of your body- just your torso, then immediately vibrate AAAH focusing on your entire spine. That is one round. Then, immediately vibrate AAYYY on focusing on the front of your body, then immediately vibrate AAAH focusing on your entire spine. That is the second round. Do 40 rounds of vibrating E then A using a Satanic rosary.

Following this, vibrate RAUM into your entire aura 7 times.

This meditation empowers the entire soul. The heart chakra is a connector and energy vibrated into it from below will then connect to and transfer into the upper chakras in the second part of the meditation. Just be aware, this is exceptionally powerful and you will definitely feel it the very first time.

This is a powerful meditation to use both before a formal ritual or any informal working.

Subject: VERY IMPORTANT- 29/JUNE RITUAL AMENDED

Several members brought this to my attention- the affirmations must also be in the present tense. I amended this below, BUT- given the scripture is in

the future tense, they must also be stated in that exact tense as well in order to reverse the curse.

I also amended the statement on the pdf copies and the web pages. In addition, Mercury being retrograde right now is the best time to reverse that filth.

Thank you to everyone who brought this to my attention.

The I vibration, pronounced as EEE, is pronounced as the long American English E, as in the American English words SEE, TEA, and ME.

The OOOH vibration is the American English long O, such as in the words HOLD, and NO.

Following the completion of the above, vibrate E-A. Vibrate E, pronounced AY, as in the American English words MAY, SAY, DAY; focusing on the front of your body, and then AHHHH, focusing on your entire spine.

For example, vibrate AAAAYYYYY, focusing on the front of your body- just your torso, then immediately vibrate AAAH focusing on your entire spine. That is one round. Then, immediately vibrate AAYYY on focusing on the front of your body, then immediately vibrate AAAH focusing on your entire spine. That is the second round. Do 40 rounds of vibrating E then A using a Satanic

rosary.

Following this, vibrate RAUM into your entire aura 7 times.

This meditation empowers the entire soul. The heart chakra is a connector and energy vibrated into it from below will then connect to and transfer into the upper chakras in the second part of the meditation. Just be aware, this is exceptionally powerful and you will definitely feel it the very first time. This is a powerful meditation to use both before a formal ritual or any informal working.

Subject: The Federal Reserve - A Jewish Monetary System

Everyone in this world needs money. It is the Glue that holds our modern civilization in tact. Without it, suffering and famine are sure to occur. How would you feel if this common thread, the money we all work so hard for, not only came unraveled, but worse yet was a total Fraud?!

The Jewish Race has been trying for the past 2000 years to gain complete and total control over Every Gentile Race. They could not have conquered entire Gentile nations, nor could they have enslaved entire races of Gentiles without us willingly being submissive to them - giving up our rights. They have obtained their power through Manipulation, Deceit, Lies, Thievery and Trickery! They have no power of their own.

Ever since the Emperor Constantine bowed his head in submission to the jewish Lie of xianity- giving up his Pagan beliefs - Gentile Humanity has been suffering. This is how the jews first get Gentiles to submit to them. They have had us bowing down to and worshiping THEIR so-called “god” ever since!

This has already been covered in another sermon on this channel titled:

The Holy Bible: A Book of Jewish Witchcraft

If you haven't already done so, you should take the time to watch the series.

The jewish monetary systems of the world are centered around giving the jews total control over every economy they lend money to, with the end result of us Gentiles becoming their slaves, while they sit on their thrones – fat and happy- enjoying the fruits of Our Hard Labor – their land of milk and honey. This is what their so-called “god” promised them in their bible.

The proof of this is in their jewish talmud:

Simeon Haddarsen, fol. 56-D: "When the Messiah comes every Jew will have 2800 slaves."

Who do you think Pays for the jews to have their prosperity and power? We Do! Each and every Gentile listening to the sound of my voice – YOU are the ones who have to pay for the jews to have their prosperity. It is from the sweat off your backs that they prosper!

**Before I go further into this you need to understand that the Rothschild family is a Jewish by Race and Blood! They are the wealthiest family in the world – They are Trillionaires. To give you an idea of just how Big a Trillion is... a Trillion a 1 followed by 12 zero's – It takes a Thousand Billions to equal one Trillion. And the Rothschild family's net worth well over 100 Trillion! That's More than our Total National Debt.**

There are some interesting quotes I would like to share with you:

"Let me issue and control a Nation's money and I care not for who writes it's laws."

-Mayer Amschel Rothschild, 1790

"They (meaning the jews) work more effectively against us than the enemy's armies. They are a hundred times more dangerous to our liberties than the great cause we are engaged in. It is much to be lamented that each state, long ago, has not hunted them down as pests to society and the greatest enemies we have to the happiness of America." – President George Washington

From: Maxims of George Washington by A.A. Appleton & Co, 1894

"I fully agree with General Washington, that we must protect this young nation from an insidious influence and impenetration. That menace, gentlemen, is the Jews. In whatever country Jews have settled in any great number, they have lowered its moral tone; depreciated its commercial integrity; have segregated themselves and have not been assimilated; have built up a state within a state; and when opposed have tried to strangle that country to death financially, as in the case of Spain and Portugal.

For over 1700 hundred years, the Jews have been bewailing their sad fate in that they have been exiled from their homeland, as they call Palestine. But, gentlemen, did the world give it to them in fee simple, they would at once find some reason for not returning. Why? Because they are vampires, and vampires do not live on vampires. They cannot live only amongst themselves. They must subsist on other people not of their race. If you do not exclude them from these United

States in the Constitution, in less than 200 years they will have swarmed here in such great numbers that they will dominate and devour the land, and change our form of government, for which we Americans have shed our blood, given our lives, our substance, and jeopardized our liberty.

If you do not exclude them, in less than 200 years our descendants will be working in the fields to furnish them substance, while they will be in the counting houses rubbing their hands. I warn you, gentlemen, if you do not exclude the Jews for all time, your children will curse you in your graves." -Benjamin Franklin, at the Constitutional Convention of 1787 in Philadelphia.

The founding fathers of the United States knew how evil the jews were and how this most serious threat should not be taken lightly. They are a Very Dishonest Race, though to your face they will LIE and profess the opposite. The jews who practice judaism are the worst! Look in your local phone book or on the internet and see how many jewish synagogues you have in your local area. There are probably a few. Those same jews who go to those synagogues, might be standing in line next to you at the supermarket, or maybe one of them is even the manager at your workplace. They are everywhere. They make many business deals and are heavily involved in politics. NO WONDER MOST POLITITIONS DO NOT KEEP THEIR WORD! Most of Washington D.C. is Run by jews, either Racially and/ or by religion. As jews, they feel that they are somehow above the oaths to which they have previously sworn. In the fall of each year they swear an Oath of Dishonesty and Disloyalty before their so-called god- to be taken against every Gentile that they come into contact with.

It's called the Kol Nidre prayer:

"All vows, obligations, and oaths, which we may vow, or swear, or pledge, or whereby we may be bound, from this Day of Atonement until the next, we do repent; May they be deemed absolved, forgiven, annulled, void, and made of no effect; they shall not bind us nor have power over us. The vows shall not be reckoned vows; the obligations shall not be obligatory; nor the oaths be oaths."

This "day of atonement" or Yom Kippur as they call it for 2014 begins on the evening of October 3<sup>rd</sup> thru the evening of October 4<sup>th</sup>. This is when the jews say their Kol Nidre prayer. You can expect any promises they have made to be broken then.

So these jews go to their local synagogues on Yom Kippur and make a solemn oath before their god to break Every Promise they make to Gentiles for the entire year. Meanwhile xians are in church on Sunday morning with fearful tears running down

their faces, Begging that non-existent jewish god for forgiveness because they weren't completely obedient to it in every way. Xians have to be sorry for every little thing. They live in FEAR of loosing that eternal paradise in heaven, forever chasing that carrot dangling in front of them. It's all a LIE- to deceive you and get you to submit to the jews, Wake Up before you become a slave to jewish communism!!

The Federal Reserve Bank is also the Central Bank of the United States. There is an article linked below, a downloadable PDF file, that all of you should have a look at, which further explains in detail some the information I am about to give to you.

This all began in 1791 when the jew Alexander Hamilton, who happened to be in President Washington's cabinet, and also an agent of the Rothschild's - established the legal grounds for what would one day become the central bank of the united states. A 20 year charter was given for the First bank of the united states. In 1811, when the charter had ended, in ruthless mob like fashion, Nathan Meyer Amschel Rothschild threatened the America government with this direct statement: "Either the application for renewal of the charter is granted or the United States will find itself involved in a most disastrous war."

The American government refuses to bow to the threat and the vote remained.

Nathan Rothschild upon hearing the news made the statement:

"Teach those impudent Americans a lesson; bring them back to colonial status!"

The war of 1812 began. By the time it was over, American financial capital burned to the ground. The aim of the war was for America to create such a massive war debt in defending itself, that they would be forced to renew the charter.

The plan succeeded in 1816. The American government was forced by the terrorist tactics of the Jews to create a new 20-year charter for the Rothschild's "Second Bank of America."

In 1832, President Jackson ran for his second term in office on the platform of "Jackson and No Bank!" Jackson openly declared the jew bankers as Crooks and vowed to route them out.

Not long after, on January 30 1835, there was an assassination attempt on President Jackson's life. He was saved because both of the assassins' pistols misfired.

"I am one of those who do not believe the national debt is a national blessing, but rather a curse to a republic, inasmuch as it is calculated to raise around the administration a moneyed aristocracy dangerous to the liberties of the country." —Andrew Jackson, Letter to L. H. Coleman of Warrenton, N.C., 29 April 1824

Later in 1841, President Tyler also vetoed the act to renew the charter for Rothschild's bank. In response, he was threatened with assassination from many "anonymous" sources.

President Lincoln refused to take out loans from the Rothschild banks to fund the Civil War. Instead he decided to print what later became known as the "Green Back".

"We gave the people of this republic the greatest blessing they have ever had, their own paper money to pay their own debts." - President Lincoln

Rothschild had this to say in response: "It will not do to Allow the Greenback, as it is called, to circulate as money for any length of time, as we cannot control that."

Thus the order of the Rothschild's was clear, "Capitalists will see to it that a Debt is made out of the war."

### **It is through a nations Debt that the jewish bankers control a nation!**

In 1865, President Lincoln stated, "I have two great enemies; the Southern Army in front of me, and the financial institutions in the rear. Of the two, the one in the rear is my greatest foe." That same year on April 14, Lincoln was assassinated by a Jew named John Wilkes Booth.

Bismarck knew the truth and revealed it in 1876 to a German, Conrad Siem, who published it in 'La Vieille France,' N-216, March 1921]. Bismarck said:

"The Jew will not hesitate to plunge the entire world into wars and chaos, in order that 'the earth should become the inheritance of Israel."

President Garfield stated in 1881, two weeks before he was also assassinated by a Jew named Charles J. Guiteau:

"Whosoever controls the volume of money in any country is absolute master of all industry and commerce.... And when you realize the entire system is very easily controlled, one way or another, by a few powerful men at the top, you will not have to be told how periods of inflation and depression originate."

In 1910, a secret meeting was held at a J.P. Morgan estate on Jekyll Island off the coast of Georgia. It was there that the central banking bill called the Federal Reserve Act was written. This legislation was written by the Jewish bankers, not lawmakers. After this bill was constructed, it was then handed over to their political front man, Senator Nelson Aldrich, to push through Congress.

The Jewish families behind creating this system of control were:  
the Rothschild's; the Rockefeller's; the Morgan's and the Warburg's.

In 1913, Woodrow Wilson, who was backed by the Jewish bankers, was elected President upon the promise that in return for their financial support he would sign the Federal Reserve Act into law. At the time, the act was thwarted in Congress from passing. The Jews then made an underhanded move, two days before Christmas when most of the Congressmen were at home with their families, the Federal Reserve Act was voted in. President Wilson was true to his treasonous word and made it into law.

The Federal Reserve Act literally handed the America economy over to a handful of powerful Jewish banking families.

Each and every one of us, who goes to work, must pay our taxes. Most of us have money taken out of our paychecks each week for it. Where does this money go? 6% of your taxes goes to pay the Interest owed on the National Debt- A debt that the jewish banking families originate their wealth from!

“When the Federal Reserve Act was passed, the people of these United States did not perceive that a world banking system was being set up here. A superstate controlled by Jewish international bankers and industrialists acting together to enslave the world for their own pleasure. Every effort has been made by the Fed to conceal its powers but the truth is— the Fed has usurped the government.” (Congressman Louis McFadden, upon the passage of the Federal Reserve bill. The Unseen Hand, p. 182.)

Unlike other Privately Owned Companies in the United States, who must open its books to the IRS during an audit, who are also subject to the penalty of law if they should refuse.... The Federal Reserve Bank does whatever it wants to! No one questions them!

I want to also add something else here. A new law goes into effect on July 1, 2014. It was an amendment to H.R. 2847 also known as FACTA. Under FACTA every financial institution in the world is required to open their internal books to the IRS for Audit. Additionally, they are required to report Every American Citizen or green card holder who has an account with them to the IRS. And if their account balance is more than \$50,000 they will be Required to claim it on their taxes and Pay long-overdue Taxes on that money. Of course this will more than likely cause them to be Audited by the IRS for Tax Fraud, which in turn has the potential of making them face criminal prosecution for Tax Evasion. They are trying to catch everyone who has been hiding their monies in foreign accounts. Again.... Where does this money go? It eventually makes it way into the pockets of the jewish bankers that control the Federal Reserve Bank!

President Wilson brought America into the WW1 for the sake of the jews, after being elected on the promise of keeping America out of the war.

Another important reason the jews wanted America involved in World War I, was so that that the jews would control of the American money supply via the Federal Reserve. America's entry into the war would require the United States to take out massive war loans, just like in 1812, indebting the nation to the Jewish banks much faster and at a substantially increased pace.

Benjamin Freedman, the Jewish defector who was later murdered by the Mossad, stated: "I sat in these meetings with President Wilson at the head of the table, and all the others, and I heard them drum into President Wilson's brain the graduated income tax and what has become the Federal Reserve, and also indoctrinate him with the Zionist movement."

At that time the Zionists in London had sent message to the United States, to Justice Brandeis, saying: "Go to work on President Wilson. We're getting from England what we want. Now you go to work on President Wilson and get the United States into the war." That's how the United States got into WW1. We had no interest in it. There we were suckered into it so that the Zionists of the world could obtain Palestine. That is something that the people of the United States have never been told.

While that was occurring, the Zionists in Germany, who represented the Zionists from Eastern Europe, went to the British War Cabinet, and they said: "We will guarantee to bring the United States into the war as your ally, to fight with you on your side, if you will promise us Palestine after you win the war."

They made that promise in October of 1916. Shortly thereafter, the United States, which was almost totally pro-German, because like today, at that time the newspapers were being controlled by Jews, and those jews wanted to see Germany defeat the Czar in Russia.

The jews didn't like the Czar, and they didn't want Russia to win the war. Now those same jews, when they became aware of the possibility of obtaining Palestine, went to England and made that deal. At that time, everything changed, the newspapers which had once been pro-German, started printing the opposite, that the Germans were no good.

"Since I entered politics, I have chiefly had men's views confided to me privately. Some of the biggest men in the United

States, in the field of commerce and manufacture are afraid of somebody, they are afraid of something. They know there is a power somewhere so organized, so subtle, so watchful, so interlocked, so complete, so pervasive, that they better not speak above their breath when they speak in condemnation of it." --Woodrow Wilson, *The New Freedom* [1913], Doubleday

"Our present money system is a debt money system. Before a dollar can circulate, a debt must be created. Such a system assumes that you can borrow yourself out of debt." --Willis A. Overholser, *A short review and analysis of the history of money in the United States, with an introduction to the current money problem* [1936], p. 56

Every dollar that is created has Interest owed on it. That interest is a Debt. How are you doing to pay this debt that you owe? With what? The same currency they already gave to you through your jobs? Impossible, you must pay it with something else.

"Under the Federal Reserve Act, panics are scientifically created, as the present panic is the first scientifically created one, and is worked out as we work out a mathematical equation." - Congressman Lindbergh, regarding the crash of 1929.

A few weeks before the stock market crash of 1929, the jewish bankers such as Rockefeller and others quietly withdrew from the market - out the backdoor.

On Oct 24 1929, the Margin loans are called in mass waves.

Everyone began selling their stocks all at once, 16,000 banks were wiped out in the process. Then the jews swooped in and bought up the remaining stock at a pennies on the dollar. This put them in control of numerous corporations across the board and the entire economic system in general.

The jews then purposely shrank the money supply, increasing the depression to the point it is remembered to this day as "The Great Depression."

"It was a carefully contrived occurrence, International Bankers sought to bring conditions of despair so they might emerge as the rulers of us all."

--Congressman McFadden, on the truth of the Great Depression

The Removal of Money:

The Rothschild's took power through mob style manipulation to gain control over every single one of us! How? They took the Gold and other precious metals out of circulation. Even the silver in the quarters is completely gone. Every coin minted is nearly worthless in its melt value.

Franklin Delano Roosevelt, president of the United States of America, 1933-1945, was partly of Dutch-Jewish ancestry. It is no wonder he stood behind the Jewish bankers here in the United States and supported rebuilding of the bandit state of Israel. He was a Jew, and had Jewish interests in mind.

FDR was in full support of the Destruction of Germany and the extermination of the German People. FDR sent more than 500 US bombers to MURDER 300,000 Germans at Dresden. It was an Act of Genocide carried out by the Jewish governments of the United States and Great Britain!

For more information go to this website:

[http://www.angelfire.com/hailtosatansvictory666/Bombing\\_of\\_Dresden.html](http://www.angelfire.com/hailtosatansvictory666/Bombing_of_Dresden.html)

This was covered in greater detail in the videos series titled:

What the Jews have Done: Dresden an Act of Genocide Part 1

<https://www.youtube.com/watch?v=z-iw0dBQveY>

Guess who was Roosevelt's Secretary of the Treasury during WW2. Henry Morgenthau Jr. He also was a presidential adviser to FDR. Henry Morgenthau Jr. was Jewish by blood and father of the Morgenthau Plan to re-structure Germany / Europe after WW2. FDR was Dead 3 months after the bombing of Dresden, although many of the Murderers were never brought to Justice!

The Removal of Wealth:

On April 5<sup>th</sup> 1933, Jewish President Franklin D. Roosevelt signed into law Executive Order 6102: "forbidding the Hoarding of gold coin, gold bullion, and gold certificates within the continental United States". Failure to hand over your gold was punishable by a fine of \$10,000 and or 10 Years in Prison.

With Americans now stripped of their Gold, as if that wasn't bad enough, the US Mint decided to remove all of the Silver from Every US coin minted after 1964. The Coinage Act of 1965 enforced the removal of all Silver from the Quarter and the Dime. They wanted to scrape up ALL of the Precious Metals from the general public so that the Money you work for has **no real value** to it. Sure, there are still thousands of these coins in the hands of private collectors, but they aren't giving them up, as is the entire point of collecting. But even ALL of that doesn't add up to much True Wealth!

Through 1964 the US Quarter and the Dime were both comprised of 90 percent Silver and 10 percent Copper. If you have ever held one of these in your hand you can feel the difference in weight and can hear the difference if you drop it compared to any of the Clad coins we have today. The last time the Nickel had any Silver in it was before and during WW2. The half dollar was also reduced from 90 percent Silver down to 40 percent Silver in 1965, and then the Silver was completely removed by 1971.

Today US coins are mostly comprised of Copper, Zinc, Nickel, and Tin. These metals do still have melt value but a very low price. You would need a whole truck load of them to have any significant value.

Every penny has its origin in the Fed. Every dollar they make is a debt placed upon you and me to be paid by our descendants. You could never repay it, only through Communism and Slavery, with YOU becoming the Property that the jews Own. Do you remember what the talmud said about the jews owning Gentiles as their slaves?

Even if you gave back every single dollar you have ever earned, and all of your possessions to the jewish bankers who own and operate the Federal Reserve, you STILL OWE THEM! Can you tell me how you pay for a debt after you are cold and destitute on the street? You guessed it!

**WITH HARD LABOR! Do you Remember what the Bolsheviks did in Russia? You don't want to have to live through that.**

Since we are going to be talking about Currency I want to ask you something.... What is Real Money? We are always told that this paper stuff is Money, even though most of it is Electronic, which is another issue.... They say this stuff is money but I don't believe them.... As far as I can tell it says right here that:

“This Note is **Legal Tender** for all Debts Public and Private”.

Before the Great Depression of 1928 and until 1934 most US currency was redeemable in either Gold or Silver. It was backed by Real Money. That means you could walk into any Federal Reserve Bank and trade in your paper currency for Real Gold or Silver coins. These bank notes are the Last of the Valuable paper money ever to be printed in the United States! Even still, these notes were issued under a Fractional Reserve Banking System. Every Central Bank in the world uses this type of banking. The bank is only required to retain 10% of the original deposit in its vault. The other 90% is then loaned to another bank. This process then continues until there is nothing left of the original loan. This form of banking resembles the Margin Loan that when called in caused the Great Depression.

I remember during the Recession of 2008, some banks had to refuse customers their cash, and reduce the amount that

could be withdrawn on a single day. Even if you do have, let's say, \$100,000 in the bank. You can't just walk into your bank with a briefcase and ask take it all out. You have to make a special request to do that and then wait for a number of days to get your cash. Most banks, IF you are lucky will let you take out \$7,000 in a single day, but usually they have the limit set much lower between \$5,000 or \$3,000. Once it is in the bank, that money is no longer yours unless they CHOOSE to give it to you. And if they close their doors then – Game Over!

See the Zeitgeist movies linked here for more information.

What is Real Money? THIS Ladies and Gentlemen is REAL MONEY! Gold and Silver Dollars, Coins with Real Value. Gold and Silver do not depreciate over time, they only go up in value. Why is that? Is there less and less Gold and Silver in the world today then there was yesterday? No. Companies are mining more of it every day. The price of these metals keeping going up because the value of the currency continues to drop. What is today's currency backed by? Is it backed by The Stock Market? Perhaps the price of Oil? Or Maybe Thin Air? I can tell you what it is NOT backed by! Precious Metals - like Gold and Silver.

Do you want to know who has taken all of your Gold and Silver, your Real Wealth, locked it up in their vaults and now owns it? The jewish bankers! They have it all locked away. Meanwhile you are working week after week at your job for this paper currency that they have the audacity to call money. The jews have Trillions of Dollars in Gold Bullion under lock and key.

If our ancestors had only listened to the Great Men in History like President Washington, Benjamin Franklin, President Jackson, Adolf Hitler and others we would not be in the mess we are in today. **The jews would NOT be seated in positions of power throughout the world's governments!**

The last major President to oppose the jewish bankers was President John F. Kennedy. In 1963 he made a decision to shift power away from the jews and their privately owned federal reserve bank and put it where it rightfully belongs- back into the hands of the American People via a Real Currency of Real Value, which was backed by Real Silver – REAL MONEY.

On June 4 1963 President Kennedy signed Executive Order 11110, which gave the American government the Power to print its own currency, undermining and superseding the Federal Reserve and the jews who own it.

There is a video linked below where President Kennedy talks about the jews and their Global scheming.

"Hitler will emerge from the hatred that surrounds him now as one of the most significant figures who ever lived... he had a mystery about him in the way that he lived and in the manner of his death that will live and grow after him. He had in him the stuff of which legends are made." - President John F. Kennedy.

It is no longer a question of Who assassinated President Kennedy it is a question of who Financed the Assassin. The Jews at the Federal Reserve!

"The people who supply the money are above the CIA" - Wife of accused assassin Lee Harvey Oswald, told to author A. J. Weberman

Here **jew** Rosenthal brags in an interview, of the Jewish agenda at work in America: **Harold Wallace Rosenthal**, age 29, personal assistant to New York Senator Jacob Javits, **in a 1976 interview** with Walter White Jr., editor, Conservative monthly, Western Front:

"Our power has been created through the manipulation of the national monetary system... The Federal Reserve System fitted our plan nicely since it is owned by us, but the name implies that it is a government institution.

From the very outset, our purpose was to confiscate all the gold and silver, replacing them with worthless non-redeemable paper notes. This we have done! Prior to 1968, the gullible goy could take a one dollar Federal Reserve note into any bank in America and redeem it for a dollar which was by law a coin containing 412 1/2 grains of 90 per cent silver. Up until 1933, one could have redeemed the same note for a coin of 25 4/5ths grains of 90 per cent gold. All we do is give the goy more non-redeemable notes, or else copper slugs, but we never give them their gold and silver, only more paper," he said contemptuously.

"We Jews have prospered through the paper gimmick. It's our method through which we take money and give only paper in return. The stocks and bonds market, all forms of insurance and the fractional reserve system practiced by the Federal Reserve Corporation, not to mention the billions in gold and silver that we have gained in exchange for paper notes, are stupidly called money. Money power was essential in carrying out our master plan of international conquest through propaganda.

By controlling the banking system, we were able to control corporation capital. Through this, we acquired total monopoly of the movie industry, the radio networks, and the newly developing television media. The printing industry, newspapers, periodicals, and technical journals had already fallen into our hands. The people are only stupid pigs that grunt and squeal the chants we give them, whether they be truth or lies.

There is no such thing as the silent majority because we control their cry and hue. The only thing that exists is an unthinking majority and unthinking they will remain, as long as their escape from our rigorous service is the opiate of our entertainment industry. By controlling industry, we have become the taskmasters and the people the slaves.

When the pressure of daily toil builds to an explosive degree, we have provided the safety valve of momentary pleasure. The television and movie industries furnish the necessary temporary distraction. These programs are carefully designed to appeal to the sensuous emotions, never to the logical thinking mind. Because of this, the people are programmed to respond according to our dictates, not according to reason. We have castrated society through fear and intimidation. Its manhood exists only in combination with a feminine outward appearance. Being so neutered, the populace has become docile and easily ruled. As all geldings in nature, their thoughts are not involved with the concerns of the future and their posterity, but only with the present toil and the next meal."

"We have been successful in dividing society against itself by pitting labor against management. We do not labor or manage, and yet we receive the profits. Through our money manipulation, the capital that we supply industry costs us nothing. Through our national bank, the Federal Reserve, we extend book credit, which we create from nothing, to all local banks that are member banks. They in turn extend book credit to industry. For all of our wealth is created from nothing. You look shocked! Don't be!

Through this continual increase, we are able to pit management against labor so they will never unite and attack us and usher in a debt-free industrial utopia. We Jews glory in the fact that the stupid goyim have never realized that we are the parasites consuming an increasing portion of production while the producers are continually receiving less and less."

"It is becoming apparent that an awakening is occurring even here in America. We had hoped that through our devastation of Nazi Germany that any subject dealing with us would be a fearful taboo. However, there seems to be a resurgence here in the one nation that we so strongly control. We are presently making plans for a rapid exodus.

We know that when the light begins to dawn, there will be no stopping it. All efforts on our part will only intensify that light and draw focus upon it.

We fear that light is coming forth in movements across this land, especially yours. It has amazed us how you have been successful in reaching the people

after we closed every door of communication. This, we fear, is a sign of a coming pogrom that will take place in America soon. The American public has realized that we are in control, which is a fatal mistake on our part. This nation could never be the land of the free as long as it is the land of the jew. This is the revelation that will be our undoing.”

"The American people have been easily ruled through our propaganda that the pen is mightier than the sword. We virtually get away with murder, and all the goyim do is to talk about it, which is ineffective since we, the masters of propaganda, always publish a contradicting account.

If the Aryan would review history and apply those lessons of the past, then the pen will be thrown down in disgust and the sword wielded in the heat of passion.”

“Thus far, we have escaped the sword. Their pen is no match for ours, but our constant fear is that they may open their eyes and learn that no change was ever brought about with a pen. History has been written in blood, not with ink. No letter, editorial, or book has ever rallied the people or stopped tyranny. We understand this principle and are continually propagandizing the people to write letters to the President, to Congress and to their local media. We are safe to continually exploit, intimidate, and disenfranchise the white American as long as they are preoccupied with the illusion of educating the masses through printed material. Woe be unto us if they ever see the futility of it, lay down the pen and employ the sword.”

"History confirms the fact that the passions of an aroused minority, no matter how small a group, have exerted enough power to topple the greatest empire. The movements that control destiny are not those that rest on the inactive majority, but on the sheer force of an active minority. Will is power, not numbers, for a strong will, will always rule the masses!"

"Again, we are safe as long as our Will is stronger, or the Will of the people is misdirected, scattered and without leadership. We will never be deposed with words, only force!"

Pope says communists are closet Christians

<http://www.reuters.com/article/2014/06/...L020140629>

Reuters) - Pope Francis, whose criticisms of unbridled capitalism have prompted some to label him a Marxist, said in an interview published on Sunday that communists had stolen the flag of Christianity.

The 77-year-old pontiff gave an interview to Il Messaggero, Rome's local newspaper, to mark the feast of Saints Peter and Paul, a Roman holiday.

He was asked about a blog post in the Economist magazine that said he sounded like a Leninist when he criticized capitalism and called for radical economic reform.

"I can only say that the communists have stolen our flag. The flag of the poor is Christian. Poverty is at the center of the Gospel," he said, citing Biblical passages about the need to help the poor, the sick and the needy.

"Communists say that all this is communism. Sure, twenty centuries later. So when they speak, one can say to them: 'but then you are Christian'," he said, laughing.

Since his election in March 2013, Francis has often attacked the global economic system as being insensitive to the poor and not doing enough to share wealth with those who need it most.

Earlier this month, he criticized the wealth made from financial speculation as intolerable and said speculation on commodities was a scandal that compromised the poor's access to food.

I had planned to write a pdf on the Tarot, but never got around to it because there is always so much to do. Satan keeps us busy. At any rate, for those of you who are interested in the Tarot for divination, I recommend this book:

Tarot Plain and Simple by Anthony Louis [paperback]

<http://www.amazon.com/Tarot-Plain-Simple-Anthony-Louis/dp/1567184006#>

This is the best book I have ever come across on the Tarot in the way of divination.

The Tarot is very ancient and based upon the constellations, going back to Ancient Egypt.

When you purchase a new Tarot deck, you should feel comfortable with it, as the cards eventually become a part of you. After you bring your deck home, the cards should be wrapped in silk, satin, or other fine material to keep the vibrations in them. You should sleep with the deck under your pillow for several nights before you use your cards for the first time, as this will get your energies in the cards. Your cards should then be kept in a special pouch or card sized box. The silk or satin wrapping and pouch/box should be kept in a secure area and the materials should only be used for your Tarot. Others should never read with your cards. The cards are an extension of ourselves and are highly personal.

Serious students should keep a Tarot journal or use your black book. Reading for yourself is fine and I encourage this. This is how I learned. A suggestion is to read your cards once a week with this week in mind when you do your reading. Keep a record of the cards and after a week, see how accurate your reading was, how particular cards applied to your situation, represented the people around you and so forth. You can also practice reading for friends and family and later inquiring how accurate you were in your interpretations.

Experienced Tarot readers psychically connect with the cards. Each of the cards can have many different meanings. The reversed positions are valid and \*very\* important! Reversed cards often indicate the opposite of the upright cards. Reversed cards can also indicate lesser or lighter circumstances regarding events predicted in the upright position. I have found people

cards (pages, knights, kings and queens) when reversed indicate the influence of these people in the life of the subject is not right or is negative in some way.

The cards must be read as a group. Look at the entire layout. You can use any layout that suits you. Use examples in books or make your own. Most of us find we stick with a certain layout in reading for ourselves and others.

An overview of the Tarot:

There are 78 cards in the deck, 22 of which are the trump, known as the Major Arcana. There are four suits of pip cards numbering 56, wands (also known as rods, staves), swords, cups and pentacles. The tarot has always been known as The Devil's Cards.  $78; 7 + 8 = 15$ , a number of Satan and the number of the Devil card. The 22 trump cards correspond to  $2 + 2 = 4$ ; the number of Enki with the 56 pip cards  $5 + 6 = 11$ , another important number of Satan.

Ø Rods/Wands represent the element of fire and the creative principle. They represent fair people with light hair and eyes, blondes, those with fiery outgoing personalities, athletes and athletics, and people with the personality attributes of the fire element. Many upright rods in a reading indicate enthusiasm, creativity, new projects, and promising start.

Ø Cups represent the element of water and the emotional/feeling/psychic principle. They represent people with light brown hair, hazel eyes, and medium coloring, those of the personality of the water element, one's love life, feelings, intuition, psychic people. Cups are the benefic suit in the Tarot. Many upright cups indicate emotions, the love life of the subject, psychic influences, partying and enjoyment.

Ø Swords represent the element of air and the intellectual principle. Swords are the malefic suit of the Tarot and many in a spread indicate misfortune. Swords can indicate severance, pain, surgery, and actual cuts/injury. Sword people have dark hair, brown or grey eyes and fair skin. Swords represent serious personalities that are cold and business-like. Many upright swords in a reading indicate unfortunate circumstances, severance, emotional or physical pain, loss, illness, and accidents.

Ø Pentacles represent the earth element and the material principle- wealth, money, material possessions, sensuality, and security. Pentacles represent dark skinned people with black hair and brown or black eyes. People who handle and work with money such as bankers, people who work with the earth, those of the personality of the earth element and those who are reliable and trustworthy. Many upright pentacles in a reading indicate money, security, wealth, and material possessions. Pentacles indicate a secure and reliable foundation.

Ø Kings represent men over 30 years of age, the father, men in authority, and leaders. I have found kings also are a strong influence of their suit. In one reading I did, the subject asked if his material goods would be returned and the outcome card was the king of pentacles indicating a safe return of his possessions. This proved true as he did secure his belongings shortly thereafter. Kings of the pentacle suit can also indicate money coming to the subject.

Ø Queens represent women over 30 years of age. Queens represent the female mother principle. Queens, unlike knights and pages are unlikely to indicate events.

Ø Knights are young men over 18 and under 30 years of age. Knights indicate new experiences, changes and movement, and comings and goings as event cards. The events will always be indicated by the suit.

Ø Pages are babies, children, and adolescents. They indicate messages and communication. The pages represent letters, e-mail, telephone calls, and written material.

In closing, in regards to meditation- whenever you raise your powers through yoga, mantra, or anything else, it is important to state affirmations. Never let the energy go undirected or to waste. Goals are exceptionally important and give meaning to life. Go over your personal goals. You can also write your goals in your black book...short term goals, long-term goals; anything you wish to accomplish. Take one of these goals and state an affirmation right after your daily meditation. This needn't be long. You can affirm 7-10 times with focus. Visualization also is a great help using the white-gold

light upon what you wish to manifest. This can also be engulfing yourself in the light of the astral Sun. Always state your affirmations in the present tense and use as many of your astral senses in the visualization as you can, such as astral smell, if applicable, astral hearing, touch and most important- vision. Visualize yourself as if it is already happening along with your affirmations. Following the affirmations is a good time for void meditation, even if only for 10-15 minutes.

Goals give a sense of purpose and direction in life and make life meaningful. Always work to finish what you start. The loser is the one who quits. A winner is the one who gets back up. The winner finishes what he/she starts. In life, on the road to accomplishing a goal, oftentimes, especially in when working on larger more important goals, we encounter obstacles. The winner will persist in spite of the obstacles. The loser will quit. Meditation is an excellent help in breaking through and surviving obstacles. Meditation also can help give us solutions to problems that cannot be directly dealt with in the material world, such as smoothing over certain situations, dealing with others and so forth.

Something I need to correct here- this sermon on the Tarot, I wrote a very long time ago, back in 2005 and I just reposted it here. 15 [6] in NOT a number of Satan. Also, the Devil card is not of Satan, but of the enemy. I learned a lot on the job over many years. Always remember what the enemy accuses Satan of; "the Devil," is really their own "god" yaweh/jewhova. "A murderer and a liar from the beginning" "the deceiver."  
Satan doesn't conform in any way to judeo/xian filth. "Satan" in Sanskrit means "Truth."

Also, as many of you already know; the number 666 IS of Satan and has an entirely different meaning from 6 or 66, which are incomplete numbers and numbers of bondage and slavery. 666 is perfection of the soul and is the kabalistic number for the Astral Sun; the Black Sun, which is sacred to Satan.

Subject: Racism

**Race:** natural identity of each individual, determined by genetic makeup (blood) which indirectly forges ones way of life (culture).

**Racism:** word employed indiscriminately to constrain any expression contrary to the playbook that would abolish the sense of racial identity by encouraging mongrelization. Differs negative racial perspective (the unjustified hatred against the different), the positive racial perspective, which is nothing more than the natural instinct of preservation and love for the genetic inheritance from ancestors. It should be remembered that the conflict is born of cultural promiscuity, the intrusion of a people in another, wherever it occurs; this is a historical fact. Therefore, the best measure to combat racial hatred is precisely to assert racial differences and promote policy of sound proud of each group in its natural territory.

Racism is a word most famously coined by the Jew Communist Trotsky. This for the reason of advancing the Jew World Order by vilifying all Gentile races who wish to exist and not be annihilated as a diverse people into a global Jewish Order of villainy and terror. Where Jewish Communism dominates racial extermination programs in the form of racial mixing is promoted. Never for the Jews but by Jews for the Gentiles. Under the JewSSR and in the current West with Jewish Kosherial Marxism. Xianity also pushes this as well.

Its also a nod to the fact the Jew projects what it is on to its enemies. The only race on earth who views racial difference as a licence to murder, enslave and terrorize is the Jew race which dehumanizes the entire Gentile world. And uses this to exploit, murder and harm all non-Jewish peoples. In the never ending Jewish race war upon humanity. Then sits back and pretends its the victim to create a sympathy ploy to get close to sink its fangs in the hosts neck.

(Quote from HP Don <http://josministries.prophpb.com/topic4770.html#p23547>)

**Racialism:** stage of intellectual maturity in which, for the sake of independence from the playbook of "desirable" opinions, acknowledging the differences between humans and their classification into races. Accepting this view of the world - that is even intuitive, but for artificial reasons have been tainted - is the key to liberation from the shackles of political correctness condition. Knowledge and respect to the races is one of the stages in the evolution of the individual.

Subject: Sermon: The Afterlife

The afterlife has been talked and talked on again. Many have an opinion to say, but I will merely state some facts on this, to fill in what HP's Maxine has already said. If you want a non-sugar coated Sermon on this then here it goes.

All people who are psychic and have the so called 'clairvoyance' can see and feel and communicate with the 'dead'. Many of those we consider dead are not dead, just because their body is. The Ancient Texts have said the Soul has to be sustained, through the practice of meditation. Like we eat to feed the body, we have to meditate to feed the Soul. Xians and others have not the most faint clue what happens after death. Death and the afterlife are some things that like everything else, do not conform to any dogma.

In other words, the universe does not give a fuck if a grandma has been a good christian and she has been poor and all this, it just does not care. Gravity and other laws we know or do not know, literally do not give a fuck unless we have the power to overcome them. In the case of death, very few have this and it has nothing to do with 'ethics'. The enemy knows this all too well and by keeping all spiritual knowledge hidden, they can do whatever they want with someone after death, or at the best they will dissipate like they never existing, so some will not even be able to reincarnate.

I am making this real simple and will explain this thoroughly, though its not as easy to understand what one is going to experience as this has to do with the Soul. People who are unconsciously tied into christianity very strongly, will experience a different death than someone in Africa who has never heard of christianity. Whats common for both is that they will survive for some time, depending on where they died, their power in their life (as in bioelectricity and Soul energy) and on that if they will die in a place where the Earth's field will be able to sustain them. Other factors tie in like if they will be close to people who already live and are open to them and unconsciously will give them energy etc, or allow a connection. In severe cases of the above we can have possession and more of this.

So an xian who is overly believing the lie of Hell, once they die, depending on their power and other factors like inner self guilt and more, they will end up in a different place. The average astrally numb xian, will just be in a state of seemingly being 'dead' as in being totally unaware of the astral. They may have faint awareness of whats around them and this is the majority. Many people at the time of death grow scared so they haunt places as to be close to 'what they know'. Death for those of the enemy can be horrible. Their Souls/astral bodies can also be claimed by the enemy, used, diffused and be experimented upon, or just left hanging on a place...indefinitely. If one robustly believes in 'heaven and hell' in the xian sense, they can end up in neither, or their consciousness can get tied into this vortex of massive unconscious imaginations and they can experience the so called 'fire and sulfur for all eternity'.

So your belief system plays a role but not the major role. A good way to imagine this is like the conscience is stuck in seeing the same dream. These people do not know how to meditate or to defend themselves with an aura and when dead, these powers are limited as you cannot be physically existing (The Physical body slows the procedure of dissipation thats why most people reincarnate and so forth) and is more 'stable' than the astral body. You cannot change your belief systems after death or do many things spiritually, so you have to act now. Another thing is that after death, other beings more powerful can do nasty or good things to you. The enemy is renown for doing the nastiest things to Humanity, like they can consume their Souls, dissipate them or whatever their power allows them on the certain person/ at the certain occasion. Other factors tie in, like whom these people were connected once they were alive. Like a gravitational rift, the strong person can drag the weaker ones and control them and this applies after death as well.

Thing is, the 'afterlife' is not eternal and you can only live eternally afterlife by reaching a checkpoint in your spiritual advancement, of which the enemy religions provide none.

Just know that Nature works like this. Nature does NOT GIVE A SHIT IF YOU "DID NOT KNOW" OR "WAS UNAWARE" OR "YOU WAS NOT READY". Fate does her thing, nature does not give a fuck and wipes out those that do not know. And you better do your thing as well. Also, the enemy pushes philosophies that either love or accept death, or stupid 'live fast die young' shit, to send people on the other side with a sense of acceptance, which further fuels the acceptance of total in existence and dissipation of their SOUL. The Will to live is crucial in survival, both here and in thereafter. They teach people to be stupid bitches, slaves, lead on a meaningless life, serve the jew like the good 'goy' they are, according to them, and then get in their coffin- that's communism, that's life nowadays. The dead hang around like people in Soviet Russia, helpless, enclosed in fear and without anyone that can help them or guide them. This is where the enemy leads humanity. A meaningless life and an afterlife which is meaningless and full of fear.

Satan and Satanism. Where does all this tie in that? Thing is, Satan protects us after death. I have come in contact, saw and felt, experienced and associated countless times with VIP Souls from Hell, who have been with Satans for hundreds of years and other normal people who are kept there. These people are safe. When they die, they are taken by the Gods and guided to a safe haven for our Souls, they live there and the Gods sustain them. The more power we have the more people we can sustain and the more we can keep. Satan and the Gods also do their best to reincarnate other Souls who are worthy, like Atheists who lost their way and such, but they are given a third or second in the queue place than their own, always. That does not mean that if one was totally spiritually lazy or they never did a thing, they can parasitize of this help of Satan, it means because we have a friendship and brotherhood with other very higher-up beings, they can take care of us. I know and see very often people from Hell, others reincarnate, others wait and such, as there are many mechanisms into reincarnations and the such, like waiting for the right time and the right body and so forth. Satan takes care of us. I never seen an unhappy Soul in Hell, or at least in a good condition (as many have past life stuff to deal with and such). Satan takes care of his own, like he does in the walking life, in the afterlife as well.

The only 'shelter' that can be made against nature is because someone stronger than you protects you, or if you can protect yourself. Remember this.

And for the record, I have had many experiences with the dead of the enemy or the dead in general. The other time I was sitting to relax on a semi-built house and I closed my eyes for a bit. I immediately saw a kid, as a Ghost. It did all sorts of sounds in the environment and tried to make me understand. The dead are not used to see people who can see them and hear them. It tried to contact me and I did answer back. It was a kid around 7 years old, which I cannot remember the name. The first thing he asked was "why I have so much light" and "if I can help him". He was hanging there and was very scared. Then I went away, as if you are good to any ghost you see, you will have a problem, as Ghosts mainly have their behavior and the character they had once they were alive. Ie, can be evil, neurotic, good, helpful, nurturing and such. Well, I moved away but asked Satan and the Gods to take this kid if they had some time and could. Again, its not your job, but in this occasion, this was a kid. He went on on how he died in an accident and explained to me what happened and such. You have to be cold blooded, professional and not dwell on them. There are hundreds of dead people and also in cemeteries, who can even follow you if they understand you can hear etc, as many feel very lonely.

Did the enemy give a fuck if this kid was 7 years old? Definitely not. Did nature care? Not. Satan and I did care and the Gods, as higher beings with dignity who would not let a kid roam like this. I believe Satan sent a messenger Demon to guide this kid somewhere. Satan though will not intervene in the free will of someone, especially a kid, so in such occasions they just reincarnate people and do not faith and fear monger people. Since when God would need to ask for loyalty for help and since when the Father of Humanity would forsake someone simply because they did not know or did not believe? Thats why Satan reincarnates many people regardless if they believe, except of very deep-in xians and others who have made their fate for themselves in damnation.

In closing, work on your meditations, build up your relation with Satan and you have nothing to fear. All past civilizations talked and talked again about this sort of thing, in what we need to do and what we should avoid, which was the enemy and being un-spiritual. Nature tends to keep around the Strong. The enemy passes down the propaganda that the Strong are some sort of 'supreme human beings' that are 6'7, lift weights and fuck all bitches, with a big pocket. Pure nonsense. Who is strong now? The offending xian who tells you the bullshit about some jew who will judge you according to if you sinned or some sick jewish dogma? Or you that knows the truth and the laws of Nature in this department and daily work? Laugh at these people, as Nature has her way of giving them payment, no matter where they are now.

Strength in metaphysical sense is the Strength of the spirit and its advancement. Both physical and metaphysical strength ties into this. Satan grants us the

knowledge, the guidance and the protection needed. Appreciate it, because the Father of Humanity only asks of you to become a God and sustain your own self in whom He has placed his faith in. Is this too much to ask?

Those of us here who are aware of the Jewish Problem are taking the initiative to spread the Truth of Satanic National Socialism, and are exposing the enemy all we can. There are many ways you can do this. Some of us have YouTube accounts, but even if you don't you can still distribute Anti-Tracts in your local area to get the message out.

It is OUR Responsibility to get the message out. No one else can do this job for Satan. The weight of it falls on our shoulders. We are Satan's own! Do you really want your descendants to working as a slave race for the Jews? I certainly do Not!

Unfortunately, most people in the world have their blinders on to the Truth. They are convinced because of their TV programming that the Holocaust was real. They are also convinced that the Jews are to be praised because of Xianity they the Jews are somehow good.

The Jews are nothing but Liars! There is no point in sugar coating this. Truth is Truth. If you are not already doing so make an account today and start doing your part to Work for Our Cause.

I'm sorry for the inconvenience, but my parents and I moved to a new apartment and I don't have the chance to summon entities. Can someone help me with my problem?

Special thanks to High Priest Don who sent me this news article. The news article below blatantly reveals how the Jews use occult powers, curses, and such to dominate and to control. Most people are under the spells of xianity and Islam. Again, as I have written repeatedly, xianity and Islam are tools to remove spirituality and along with this, for the

majority of members here who are knowledgeable in the occult and the powers of the mind and the soul, can see how the xian mass/service is a subliminal tie-in to Jewish ritual murder. This is nothing more than spiritual warfare and how they have disarmed Gentiles spiritually for centuries and have made us their host.

People who have no knowledge of the occult are plain victims, while the Jews assume a "god' position. This is why so many are so arrogant and overconfident.

I would also like to add how so many are indoctrinated into repressing their feelings. I have written about this in many articles- the topic of "hate." In Satanism, you are free to hate as you wish. Repressing hatred will not make it go away. Repressed hatred along with other emotions the Jew-run system fears will only cause major problems in the way of illness and psychological problems further on. Then, some Jew psychiatrist [most of them are Jews] will charge the victim exorbitant fees, along with prescribing psychiatric drugs for repressed emotions, and other problems come with this.

Those of us who are adepts at black magick - exacting justice, know there must be some level of hatred involved. Given there are many more Gentiles than Jews, there is strength in numbers. The Jews know this and they fear it. Massive hatred can accomplish much in the way of justice. So, the Jew-run system works to forcibly indoctrinate the populace against seeking justice and of course steering everyone away from hatred. "Jewsus loves you" and the xian love, love, love and all of its sick nauseating perversion of the love emotion works to keep the level of hatred down, so the Jews can victimize whomever they please. The love, love, love is so chock full of hypocrisy, it is sick. Then, the Wiccan movement and other related trash preaching the love concept, the "three-fold" crap and then there is the "ten-fold" and even the "hundred-fold" to instill fear, which leads to failure, and passing the buck in the way of doing nothing to stop major injustice and victimization, so the perpetrators just keep on doing what they are doing and victimize others, until everything is so out of control that civilization ceases to exist.

Idiots who follow and believe this junk also preach strongly against any justice. Christianized witchcraft- turn that cheek, walk that extra mile and

turn all of your justifiable emotions in on yourself to make the Jews more money and to eventually destroy yourself from within through repression.

The enemy advanced unchecked- easily and without any obstacles when no one ever stands up to them in any way. This is what they want. Do nothing, stay hidden, and keep believing in their endless lies. When your mind and soul are truly liberated, you will see how so many are only programmed. Just programmed and nothing more.

The news article below is very blatant. This has been going on for centuries. Through slavish worship and support of xianity and its twin of Islam and other programs that indoctrinate the populace to be cripples, the Jews have their control and Gentiles pay the price in more ways than one. The Jews use ritual murder and related to manipulate events and to control and those who are unaware or lack knowledge in this area are powerless to stop it.

In the case below, the Jews cursed one of their own and they do this quite often. This example is very blatant of what they have also done to Gentiles, even countries. Given how brutally hard life has been in Russia over the centuries, and the Jewish history there, it is an obvious example and those of us who are psychically open can sense this.

Separatists Put Kabbalistic Curse on Ukrainian Governor

Dnepropetrovsk Governor Ihor Kolomoisky

In a desperate scramble for reinforcements, supporters of the flagging Ukrainian insurgency have invoked the angels of destruction against the uprising's No. 1 enemy, Kommersant reported.

Dnepropetrovsk Governor Ihor Kolomoisky has become the target of the Kabbalah mystic movement's rite of Pulsa Denoura, the daily said Monday, citing a rebel in the insurgent-held city of Horlivka.

The ancient ritual is intended to visit heavenly retribution upon a foe, leading to their death within six months, and is considered to be among the vilest curses of the Kabbalah movement, whose origins lie in the Jewish faith.

Many leading Israeli politicians, including the late prime ministers Yitzhak Rabin and Ariel Sharon, have been the subject of Pulsa Denoura curses, as, reportedly, was Bolshevik leader Leon Trotsky.

Kolomoisky, an ethnic Jew, had not commented on the report as of this article's publication.

The billionaire governor has turned his domain in central Ukraine into a hotbed of anti-separatism and has used his considerable wealth to fund forces fighting the insurgency.

So far, money has trumped magic in Ukraine, where the Army recently began to overpower the outnumbered rebels after a string of setbacks.

The last few days have seen a lull in the violence, with a cease-fire declared last Friday, though the insurgents reported isolated artillery attacks last night.

Subject: An Important Hitler Speech

This speech, given by Hitler in Munich on April 12, 1922, defines the ethics of National Socialism, what it is, the Jewish problem and the issue with classes amongst many other things. This is an important speech as it enlightens the Gentiles mind to National Socialism. This is amongst Hitler's first speeches. This speech had heavy Christian corruption, but I removed all of it.

### Adolf Hitler - Speech in Munich

April 12, 1922

After the War production had begun again and it was thought that better times were coming, Frederick the Great after the Seven Years War had, as the result of superhuman efforts, left Prussia without a penny of debt: at the end of the World War Germany was burdened with her own debt of some 7 or 8 milliards of marks and beyond that was faced with the debts of 'the rest of the world' - the so-called 'reparations.' The product of Germany's work thus belonged not to the nation, but to her foreign creditors: 'it was carried endlessly in trains for territories beyond our frontiers.' Every worker had to support another worker, the product of whose labor was commandeered by the foreigner. 'The German people after twenty-five or thirty years, in consequence of the fact that it will never be able to pay all that is demanded of it, will have so gigantic a sum still owing that practically it will be forced to produce more than it does today.' What will the end be? and the answer to that question is 'Pledging of our land, enslavement of our labor-strength. Therefore, in the economic sphere, November 1918 was in truth no achievement, but it was the beginning of our collapse.' And in the political sphere we lost first our military prerogatives, and with that loss went the real sovereignty of our State, and then our financial independence, for there remained always the Reparations Commission so that 'practically we have no longer a politically independent German Reich, we are already a colony of the outside world. We have contributed to this because so far as possible we humiliated ourselves morally, we positively destroyed our own honor and helped to befoul, to besmirch, and to deny everything which we previously held as sacred.' If it be objected that the Revolution has won for us gains in social life: they must be extraordinarily secret, these social gains - so secret that one never sees them in practical life - they must just run like a fluid through our German atmosphere. Some one may say 'Well, there is the eight-hour day!' And was a collapse necessary to gain that? And will the eight-hour day be rendered any more secure through our becoming practically the bailiff and the drudge of the other peoples? One of these days France

will say: You cannot meet your obligations, you must work more. So this achievement of the Revolution is put in question first of all by the Revolution.

Then some one has said: 'Since the Revolution the people has gained Rights. The people governs!' Strange! The people has now been ruling three years and no one has in practice once asked its opinion. Treaties were signed which will hold us down for centuries: and who has signed the treaties? The people? No! Governments which one fine day presented themselves as Governments. And at their election the people had nothing to do save to consider the question: there they are already, whether I elect them or not. If we elect them, then they are there through our election. But since we are a self-governing people, we must elect the folk in order that they may be elected to govern us.

Then it was said, 'Freedom has come to us through the Revolution.' Another of those things that one cannot see very easily! It is of course true that one can walk down the street, the individual can go into his workshop and he can go out again: here and there he can go to a meeting. In a word, the individual has liberties. But in general, if he is wise, he will keep his mouth shut. For if in former times extraordinary care was taken that no one should let slip anything which could be treated as lèse-majesté, now a man must take much greater care that he doesn't say anything which might represent an insult to the majesty of a member of Parliament.

And if we ask who was responsible for our misfortune, then we must inquire who profited by our collapse. And the answer to that question is that 'Banks and Stock Exchanges are more flourishing than ever before.' We were told that capitalism would be destroyed, and when we ventured to remind one or other of these famous statesmen and said 'Don't forget hat Jews too have capital,' then the answer was: 'What are you worrying about? Capitalism as a whole will now be destroyed, the whole people will now be free. We are not fighting Jewish or Christian capitalism, we are fighting very capitalism: we are making the people completely free.'

Christian capitalism' is already as good as destroyed, the international Jewish Stock Exchange capital gains in proportion as the other loses ground. It is only the international Stock Exchange and loan-capital, the so-called 'supra-state capital,' which has profited from the collapse of our economic life, the capital which receives its character from the single supra-state nation which is itself national to the core, which fancies itself to be above all other nations, which places itself above other nations and which already rules over them.

The international Stock Exchange capital would be unthinkable, it would never have come, without its founders the supra-national, because intensely national, Jews....

The Jew has not grown poorer: he gradually gets bloated, and, if you don't believe me, I would ask you to go to one of our health-resorts; there you will find two sorts of visitors: the German who goes there, perhaps for the first time for a long while, to breathe a little fresh air and to recover his health, and the Jew who goes there to lose his fat. And if you go out to our mountains, whom do you find there in fine brand-new yellow boots with splendid rucksacks in which there is generally nothing that would really be of any use? And why are they there? They

go up to the hotel, usually no further than the train can take them: where the train stops, they stop too. And then they sit about somewhere within a mile from the hotel, like blow-flies round a corpse.

These are not, you may be sure, our working classes: neither those working with the mind, nor with the body. With their worn clothes they leave the hotel on one side and go on climbing: they would not feel comfortable coming into this perfumed atmosphere in suits which date from 1913 or 1914. No, assuredly the Jew has suffered no privations! . . .

While now in Soviet Russia the millions are ruined and are dying, Chicherin - and with him a staff of over 200 Soviet Jews - travels by express train through Europe, visits the cabarets, watches naked dancers perform for his pleasure, lives in the finest hotels, and does himself better than the millions whom once you thought you must fight as 'bourgeois.' The 400 Soviet Commissars of Jewish nationality - they do not suffer; the thousands upon thousands of sub-Commissars - they do not suffer. No! all the treasures which the 'proletarian' in his madness took from the 'bourgeoisie' in order to fight so-called capitalism - they have all gone into their hands. Once the worker appropriated the purse of the landed proprietor who gave him work, he took the rings, the diamonds and rejoiced that he had now got the treasures which before only the 'bourgeoisie' possessed. But in his hands they are dead things - they are veritable death-gold. They are no profit to him. He is banished into his wilderness and one cannot feed oneself on diamonds. For a morsel of bread he gives millions in objects of value. But the bread is in the hands of the State Central Organization and this is in the hands of the Jews: so everything, everything that the common man thought that he was winning for himself, flows back again to his seducers.

And now, my dear fellow-countrymen, do you believe that these men, who with us are going the same way, will end the Revolution? They do not wish the end of the Revolution, for they do not need it. For them the Revolution is milk and honey.

And further they cannot end the Revolution. For if one or another amongst the leaders were really not seducer but seduced, and today, driven by the inner voice of horror at his crime, were to step before the masses and make his declaration: 'We have all deceived ourselves: we believed that we could lead you out of misery, but we have in fact led you into a misery which your children and your children's children must still bear' - he cannot say that, he dare not say that, he would on the public square or in the public meeting be torn in pieces.

But amongst the masses there begins to flow a new stream - a stream of opposition. It is the recognition of the facts which is already in pursuit of this system, it already is hunting the system down; it will one day scourge the masses into action and carry the masses along with it. And these leaders, they see that behind them the anti-Semitic wave grows and grows; and when the masses once recognize the facts, that is the end of these leaders.

And thus the Left is forced more and more to turn to Bolshevism. In Bolshevism they see today the sole, the last possibility of preserving the present state of affairs. They realize quite accurately that the people is beaten so long as Brain and Hand can be kept apart. For alone neither

Brain nor Hand can really oppose them. So long therefore as the Socialist idea is coined only by men who see in it a means for disintegrating a nation, so long can they rest in peace.

But it will be a sorry day for them when this Socialist idea is grasped by a Movement which unites it with the highest Nationalist pride, with Nationalist defiance, and thus places the Nation's Brain, its intellectual workers, on this ground. Then this system will break up, and there would remain only one single means of salvation for its supporters: viz. to bring the catastrophe upon us before their own ruin, to destroy the Nation's Brain, to bring it to the scaffold - to introduce Bolshevism.

So the Left neither can nor will help. On the contrary, their first lie compels them constantly to resort to new lies. There remains then the Right. And this party of the Right meant well, but it cannot do what it would because up to the present time it has failed to recognize a whole series of elementary principles.

In the first place the Right still fails to recognize the danger. These gentlemen still persist in believing that it is a question of being elected to a Landtag or of posts as ministers or secretaries. They think that the decision of a people's destiny would mean at worst nothing more than some damage to their so-called bourgeois-economic existence. They have never grasped the fact that this decision threatens their heads. They have never yet understood that it is not necessary to be an enemy of the Jew for him to drag you one day, on the Russian model, to the scaffold. They do not see that it is quite enough to have a head on your shoulders and not to be a Jew: that will secure the scaffold for you.

In consequence their whole action today is so petty, so limited, so hesitating and pusillanimous. They would like to - but they can never decide on any great deed, because they fail to realize the greatness of the whole period.

And then there is another fundamental error: they have never got it clear in their own minds that there is a difference or how great a difference there is between the conception 'National' and the word 'dynastic' or 'monarchistic.' They do not understand that today it is more than ever necessary in our thoughts as Nationalists to avoid anything which might perhaps cause the individual to think that the National Idea was identical with petty everyday political views. They ought day by day to din into the ears of the masses: 'We want to bury all the petty differences and to bring out into the light the big things, the things we have in common which bind us to one another. That should weld and fuse together those who have still a German heart and a love for their people in the fight against the common hereditary foe of all Aryans. How afterward we divide up this State, friends - we have no wish to dispute over that! The form of a State results from the essential character of a people, results from necessities which are so elementary and powerful that in time every individual will realize them without any disputation when once all Germany is united and free.'

And finally they all fail to understand that we must on principle free ourselves from any class standpoint. It is of course very easy to call out to those on the Left, 'You must not be proletarians, leave your class-madness,' while you yourselves continue to call yourself 'bourgeois.' They

should learn that in a single State there is only one supreme citizen - right, one supreme citizen - honor, and that is the right and the honor of honest work. They should further learn that the social idea must be the essential foundation for any State, otherwise no State can permanently endure.

Certainly a government needs power, it needs strength. It must, I might almost say, with brutal ruthlessness press through the ideas which it has recognized to be right, trusting to the actual authority of its strength in the State. But even with the most ruthless brutality it can ultimately prevail only if what it seeks to restore does truly correspond to the welfare of a whole people.

That the so-called enlightened absolutism of a Frederick the Great was possible depended solely on the fact that, though this man could undoubtedly have decided 'arbitrarily' the destiny - for good or ill - of his so-called 'subjects,' he did not do so, but made his decisions influenced and supported by one thought alone, the welfare of his Prussian people. It was this fact only that led the people to tolerate willingly, nay joyfully, the dictatorship of the great king.

AND THE RIGHT HAS FURTHER COMPLETELY FORGOTTEN THAT DEMOCRACY IS FUNDAMENTALLY NOT GERMAN: IT IS JEWISH. It has completely forgotten that this Jewish democracy with its majority decisions has always been without exception only a means towards the destruction of any existing Aryan leadership. The Right does not understand that directly every small question of profit or loss is regularly put before so-called 'public opinion,' he who knows how most skilfully to make this 'public opinion' serve his own interests becomes forthwith master in the State. And that can be achieved by the man who can lie most artfully, most infamously; and in the last resort he is not the German, he is, in Schopenhauer's words, 'the great master in the art of lying' - the Jew.

And finally it has been forgotten that the condition which must precede every act is the will and the courage to speak the truth - and that we do not see today either in the Right or in the Left.

There are only two possibilities in Germany; do not imagine that the people will forever go with the middle party, the party of compromises; one day it will turn to those who have most consistently foretold the coming ruin and have sought to dissociate themselves from it. And that party is either the Left: and then God help us! for it will lead us to complete destruction - to Bolshevism, or else it is a party of the Right which at the last, when the people is in utter despair, when it has lost all its spirit and has no longer any faith in anything, is determined for its part ruthlessly to seize the reins of power - that is the beginning of resistance of which I spoke a few minutes ago. Here, too, there can be no compromise - there are only two possibilities: either victory of the Aryan, or annihilation of the Aryan and the victory of the Jew.

It is from the recognition of this fact, from recognizing it, I would say, in utter, dead earnestness, that there resulted the formation of our Movement. There are two principles which, when we founded the Movement, we engraved upon our hearts: first, to base it on the most sober recognition of the facts, and second, to proclaim these facts with the most ruthless sincerity.

And this recognition of the facts discloses at once a whole series of the most important fundamental principles which must guide this young Movement which, we hope, is destined one day for greatness:

1. 'NATIONAL' AND 'SOCIAL' ARE TWO IDENTICAL CONCEPTIONS. It was only the Jew who succeeded, through falsifying the social idea and turning it into Marxism, not only in divorcing the social idea from the national, but in actually representing them as utterly contradictory. That aim he has in fact achieved. At the founding of this Movement we formed the decision that we would give expression to this idea of ours of the identity of the two conceptions: despite all warnings, on the basis of what we had come to believe, on the basis of the sincerity of our will, we christened it 'National Socialist.' We said to ourselves that to be 'national' means above everything to act with a boundless and all-embracing love for the people and, if necessary, even to die for it. And similarly to be 'social' means so to build up the state and the community of the people that every individual acts in the interest of the community of the people and must be to such an extent convinced of the goodness, of the honorable straightforwardness of this community of the people as to be ready to die for it.

2. And then we said to ourselves: THERE ARE NO SUCH THINGS AS CLASSES: THEY CANNOT BE. Class means caste and caste means race. If there are castes in India, well and good; there it is possible, for there there were formerly Aryans and dark aborigines. So it was in Egypt and in Rome. But with us in Germany where everyone who is a German at all has the same blood, has the same eyes, and speaks the same language, here there can be no class, here there can be only a single people and beyond that nothing else. Certainly we recognize, just as anyone must recognize, that there are different 'occupations' and 'professions' [Stände]-there is the Stand of the watchmakers, the Stand of the common laborers, the Stand of the painters or technicians, the Stand of the engineers, officials, etc. Stände there can be. But in the struggles which these Stände have amongst themselves for the equalization of their economic conditions, the conflict and the division must never be so great as to sunder the ties of race.

And if you say 'But there must after all be a difference between the honest creators and those who do nothing at all' - certainly there must! That is the difference which lies in the performance of the conscientious work of the individual. Work must be the great connecting link, but at the same time the great factor which separates one man from another. The drone is the foe of us all. But the creators - it matters not whether they are brain workers or workers with the hand - they are the nobility of our State, they are the German people!

We understand under the term 'work' exclusively that activity which not only profits the individual but in no way harms the community, nay rather which contributes to form the community.

3. And in the third place IT WAS CLEAR TO US THAT THIS PARTICULAR VIEW IS BASED ON AN IMPULSE WHICH SPRINGS FROM OUR RACE AND FROM OUR BLOOD. We said to ourselves that race differs from race and, further, that each race in accordance with its fundamental demands shows externally certain specific tendencies, and these tendencies can perhaps be most clearly traced in their

relation to the conception of work. The Aryan regards work as the foundation for the maintenance of the community of people amongst its members. The Jew regards work as the means to the exploitation of other peoples. The Jew never works as a productive creator without the great aim of becoming the master. He works unproductively using and enjoying other people's work. And thus we understand the iron sentence which Mommsen once uttered: 'The Jew is the ferment of decomposition in peoples,' that means that the Jew destroys and must destroy because he completely lacks the conception of an activity which builds up the life of the community. And therefore it is beside the point whether the individual Jew is 'decent' or not. In himself he carries those characteristics which Nature has given him, and he cannot ever rid himself of those characteristics. And to us he is harmful. Whether he harms us consciously or unconsciously, that is not our affair. We have consciously to concern ourselves for the welfare of our own people.

4. And fourthly WE WERE FURTHER PERSUADED THAT ECONOMIC PROSPERITY IS INSEPARABLE FROM POLITICAL FREEDOM AND THAT THEREFORE THAT HOUSE OF LIES, 'INTERNATIONALISM,' MUST IMMEDIATELY COLLAPSE. We recognized that freedom can eternally be only a consequence of power and that the source of power is the will. Consequently the will to power must be strengthened in a people with passionate ardor. And thus we realized fifthly that

5. WE AS NATIONAL SOCIALISTS and members of the German Workers party - a Party pledged to work - MUST BE ON PRINCIPLE THE MOST FANATICAL NATIONALISTS. We realized that the State can be for our people a paradise only if the people can hold sway therein freely as in a paradise: we realized that a slave state will never be a paradise, but only - always and for all time - a hell or a colony.

6. And then sixthly we grasped the fact that POWER IN THE LAST RESORT IS POSSIBLE ONLY WHERE THERE IS STRENGTH, and that strength lies not in the dead weight of numbers but solely in energy. Even the smallest minority can achieve a mighty result if it is inspired by the most fiery, the most passionate will to act. World history has always been made by minorities. And lastly

7. If one has realized a truth, that truth is valueless so long as there is lacking the indomitable will to turn this realization into action!

These were the foundations of our Movement - the truths on which it was based and which demonstrated its necessity.

For three years we have sought to realize these fundamental ideas. And of course a fight is and remains a fight. Striking in very truth will not carry one far. Today the German people has been beaten by a quite other world, while in its domestic life it has lost all spirit; no longer has it any faith. But how will you give this people once more firm ground beneath its feet save by the passionate insistence on one definite, great, clear goal?

Thus we were the first to declare that this peace treaty was a crime. Then folk abused us as 'agitators.' We were the first to protest against the failure to present this treaty to the people before it was signed. Again we were called 'agitators.' We were the first to summon men to resistance

against being reduced to a continuing state of defenselessness. Once more we were 'agitators.' At that time we called on the masses of the people not to surrender their arms, for the surrender of one's arms would be nothing less than the beginning of enslavement. We were called, no, we were cried down as, 'agitators.' We were the first to say that this meant the loss of Upper Silesia. So it was, and still they called us 'agitators.' We declared at that time that compliance in the question of Upper Silesia MUST have as its consequence the awakening of a passionate greed which would demand the occupation of the Ruhr. We were cried down ceaselessly, again and again. And because we opposed the mad financial policy which today will lead to our collapse, what was it that we were called repeatedly once more? 'Agitators,' And today?

And finally we were also the first to point the people on any large scale to a danger which insinuated itself into our midst - a danger which millions failed to realize and which will nonetheless lead us all into ruin - the Jewish danger. And today people are saying yet again that we were 'agitators.'

I have the duty to see to it that human society does not suffer the same catastrophic collapse as did the civilization of the ancient world some two thousand years ago - a civilization which was driven to its ruin through this same Jewish people and christianity.

Then indeed when Rome collapsed there were endless streams of new German bands flowing into the Empire from the North; but, if Germany collapses today, who is there to come after us? German blood upon this earth is on the way to gradual exhaustion unless we pull ourselves together and make ourselves free!

And if there is anything which could demonstrate that we are acting rightly, it is the distress which daily grows. For as a German I have also a duty to my own people. And when I look on my people I see it work and work and toil and labor, and at the end of the week it has only for its wage wretchedness and misery. When I go out in the morning and see these men standing in their queues and look into their pinched faces, then I believe I would be no German if I felt no pity for them, if I did not turn against those by whom today this poor people is plundered and exploited.

And through the distress there is no doubt that the people has been aroused. Externally perhaps apathetic, but within there is ferment. And many may say, 'It is an accursed crime to stir up passions in the people.' And then I say to myself: Passion is already stirred through the rising tide of distress, and one day this passion will break out in one way or another: **AND NOW I WOULD ASK THOSE WHO TODAY CALL US 'AGITATORS': 'WHAT THEN HAVE YOU TO GIVE TO THE PEOPLE AS A FAITH TO WHICH IT MIGHT CLING?'**

Nothing at all, for you yourselves have no faith in your own prescriptions.

That is the mightiest thing which our Movement must create: for these widespread, seeking and straying masses a new Faith which will not fail them in this hour of confusion, to which they can pledge themselves, on which they can build so that they may at least find once again a place which may bring calm to their hearts.

Subject: Shit Guevara

Shit Guevara

Che Guevara is the much touted hero of the Liberal Humanist, crypto Marxist cult of the West. You see his ugly mug even being sold on a mug. Well what is the truth? Che's exploits from the violent thug who liked to torture and kill helpless and innocent animals as a youth to becoming a rapist who sexually abused and raped the women servants growing up. To then grow into a full sadist and blood thirsty serial murderer who lead death and torture squads across Cuba. Killing and torturing men, women and children many cases personally. And in the end Unlike the false legends of Che's end. Che didn't even die bravely he pawned his watch off the to guards to let him escape while begging them not to kill him.

Guevara's heroics are fraudulent propaganda made up by the Castro regime for icon creating purposes Castro [Castro is a common Sephardic Jewish surname and Castro was a known KGB agent so he was openly working for the Jews in Moscow just like the vast networks of Jews in America and else where in the West where] actually took Cuba by the "Miami Pact" where he sat down with anti-Baptist elites and politicians, and obtain large funds from them and then turned around and bribed the commanders of Batista's Army with such. Castro and his henchmen then started creating mythological tales of their brave struggle in combat against Batista's Army. Which never occurred and selling them to Western Media as gospel. In 1958 the Jews in Washington pulled the final rug out from under Batista by refusing to sell him arms or render any assistance. Batista without an Army left or support from Washington was forced to flee for his life and the Communists took Cuba without hardly firing a shot. The Cuban U.S. Embassy own investigation show only 182 people were killed the entire time. Che admits in his own personal diary only 20 of his own died the whole time. Proving the official story is pure mythology.

The whole time on the surface they promoted themselves as Anti-Communists but pro Democracy to gain support. Once they where in a position of victory they purged the anti-Communists from their ranks and burned the books and records of the Cuban anti-Communist league which had amassed information on over 250,000 Communists, KGB agents and their associates in Latin America. Castro as noted is working for Moscow.

After the revolution ended in January of 1959 there was no democracy installed. Castro and his forces starting the mass executions of the enemies of the Communist ideology. As one of Che's comrades noted: "Che has downed the city in blood." A short time later Cuba declared itself a Communist state. Che

became the commander of his own secret police force that were noted for executions of whole families. Which is standard Jewish Communist practice. Thousands upon thousands of innocent people were massacred by Che's forces. Scholars in the "Black Book Of Communism" put the amount killed by Che's death squads at 14,000 in the first year alone. At La Cabana which Che converted into a prison and execution grounds, it was noted many of the executed were children. One political prisoner records they watched in horror as Che personally put his pistol to the back of a sobbing 14 year old boy's head and pulled the trigger, almost blowing off the entire child's head.

Che in 1960 built and opened the major Communist death camp at Guanahacabibes in which thousands were murdered, mutilated, beaten and raped as normal course. Guanahacabibes was run identical to the hundreds of death camps of the Stalinist regime in the Soviet Union where tens of millions were purposely and systematically murdered in. All this which Guevara took personal pride in. Much of this was exposed in the documentary film by Néstor Almendros and Orlando Jiménez Leal. Conducta Impropria. Found Here:

Note this is where the Jews want to take America and the Western World as well. Don't buy their Cultural Marxist [PC by mainstream term] song and dance. It's a front by their own admission. To get things to a point where they can put a full Marxist dictatorship on the ground then like in Cuba the usefool idiots will be purged. It's known now the Protest Wall St movement which was secretly put together by the agents of Jewish Rothschild was an attempt at getting a Marxist revolution going in America. The same Rothschild's were the front Jewish Oligarchies of the Elders of Zion in creating Communism in the start and funding it aboard. As witnessed here:

Che Guevara: The Fish Die by the Mouth

By Humberto (Bert) Corzo\*

## Introduction

The saying "The fish die by the mouth", refers to those who speak more than the necessary until being fooled by their own speech. Can his mythical reputation survive the publication of his own words?

The objective of this article is to expose the truth about Che, to demystify it in the face of those who feel admiration by this mass murderer, exposing the facts based on his writings, diaries, speeches, letters and conversations with those who knew him.

Che never questioned the crimes of Stalin and Mao, nor the totalitarian conceptions of Marxism, incompatible with the ideals of liberty and democracy, defending until his death his Stalinists ideas. His fanaticism made him an implacable enemy of liberty. The French writer Regis Debray, author of "Revolution in the revolution", wrote about the Che that: "He was adept of the totalitarianism up to the last body hair."

## The early years

Alberto Benegas Lynch in his book "MY COUSIN THE CHE" writes: "On one occasion, one of my aunts told me that since early age Che delighted with causing sufferings to animals and, after growing up, insisted that the death (of others) was not so bad after all and that, in this context, he was ahead of the definition of Woody Allen: "dying is the same as falling asleep but without rising to make piss." Since early age his sadism becomes transparent.

Carlos "Calica" Ferrer, one of his first friends, facilitated the first sexual relation of Che with the maid of the Ferrer family. It was made habitual for Che to maintain sexual relations with the maids who worked in the houses of his relatives and friends.

Carlos Figueroa, friend of Guevara in youthful times in Alta Gracia, says the following of Che: "I nicknamed him the Fast Rooster because he was eating in the dining room, and immediately, when the mucama (maid) enter the room he forced her to climb on the table to perform quick sex. After finished he got rid of the poor devil, and continued eating as if nothing had happened..." He used the women of lower social status as sex objects.

Che didn't show interest in the politics of Argentina during his years as a student, unlike his student friends who liked to argue about politics and participate in some way. This attitude contrasts with that of his parents and his close friend Alberto Granado who were opposed to Peronismo. He recognizes it in a letter he wrote twenty years later: "I had no social preoccupations in my adolescence and had no participation in the political or student struggles in Argentina." [1]

There are no other comments, neither letters nor other evidence which makes reference to his opinion on the most important political event of Argentina at that time.

During the period that Che was studying at the University of Buenos Aires, his opinion with respect to the political militants of the left, reach us through his girlfriend María del Carmen Ferreyra "Chichina," which relates that Che had a critical stance with regards to the left-wing militants, whom he accused of "sectarian and lacking in flexibility."

#### First travel through Latin America

In "Notas de Viaje", his travel diary through Latin America in 1952, narrates that upon arrival in Chile he and Granado posed as medical specialists in leprology, obtaining an interview with a local newspaper where they are recognize as such, which make them popular among the population, availing themselves of said deceit to obtain free room and board. In this case like in others reported by him, his lack of honesty, when he was in difficulties, conducted him to defraud those who crossed his path. His lack of ethics and morality becomes evident.

Waiting for a ship that will take them to Easter Island Che wrote: "Easter Island... there to have a white boyfriend is an honor for the females. There, work, what hope, the women do it all, one eats, sleeps and keep them content... What would it matter to remain a year there, who cares about studies, salary, family, etc." [2] This commentary gives faith of his machismo, his discriminatory attitude against women.

Che,s racism becomes evident in these comments in his travel diary: "The blacks, those magnificent examples of the African race who have maintained their racial purity thanks to their lack of an affinity with bathing, have seen their territory invaded by a new kind of slave: the Portuguese. The contempt and poverty unites them in the daily struggle, but the different way of dealing with life separates them completely;the black is indolent and a dreamer; spending his meager wage on frivolity or drink; the European has a tradition of work and saving, which has pursued him as far as this corner of America and drives him to advance himself, even independently of his own individual aspirations." [2] The movie "The Motorcycle Diaries" omitted this inconvenient observation in the Che's diary.

Is ironic his remark about blacks with regard to the bath, since his personal hygiene left much to be desired. When young he earned the label of "el chancho" (the pig), since he seldom bathed.

Enrique Ros in his article "Che Guevara: His questionable medical title" writes: "In December, in less than 22 school days, he pass eleven subjects. Fifteen, almost half of the courses needed to acquire a doctorate, examined and passed in just three months, without having attended classes or practices throughout the year with the probable exception of the last few weeks.... Ernesto Guevara de la Serna would have to had attended 25 hours a day! in each of the 66 school days of October, November and December 1952 in order to fulfilled the academic requirements of the curriculum of 1937 in force in 1948 when he enrolled at the School of Medicine at the University of Buenos Aires.... Faced with these new contradictions I requested a copy of the academic record of Ernesto Guevara.... I was informed that the Faculty of Medicine could not offer me a copy because the academic record of Ernesto Guevara de la Serna had been stolen." Being Che an amateur photographer is inconceivable that no photos of the graduation exist, nor testimonies of doctors graduated with him or any other proof of his graduation. It looks that his graduation as a doctor is another myth about him.

In August of 1953 from El Cuzco he wrote to his mother that in the eight days they were there, "El Chancho bathed once and by mutual agreement, for health

purposes only." [1]. Guevara in his Bolivia's diary in September 10, 1967, writes: "I forgot to emphasize a fact, today, after just over six months, I shower. It is a record that many are already reaching." His Cuban comrades, because of his lack of personal hygiene, nicknamed him "ball of filth."

In "Notas de Viaje" he wrote the following comment that he called "Notas en el Margen": "...and I know, because I see it printed in the night, that I, the eclectic dissector of doctrines and psychoanalyst of dogmas, howling like possessed, will assault the barricades or trenches, will stain in blood my weapon and, mad of fury, will slit the throats of any defeated who fall into my hands... And I feel my nostrils dilated, savoring the acrid smell of gunpowder and blood, of dead enemy; now I tense my body, ready for the fight, and I prepare my being as a sacred place so that it resurrects with new vibrations and new hopes the bestial howling of the triumphant proletariat. [1] This young person, egocentric and presumptuous, in this commentary expresses his rhetorical and ideological violence. This inconvenient comment too was omitted from the movie "The Motorcycle Diaries."

## Second travel through Latin America

In his notes of the second travel, July of 1953 in Bolivia, he narrates the following

: "When carrying all our luggage we were going to climb to second class, an employee of investigations confronted us and after some lobbying he proposed us to climb to first class and arrive free to Cuzco with the badges of two of them, which of course, we accepted. Thus we traveled comfortably in first class giving the guys the amount of the price of second class." [3] Here it remains very well reflected his moral weakness, his lack of austerity

Upon arrival in Costa Rica, he writes down the following: "I stayed outside with a young black woman that I picked up, Socorro, more whore than the hens, with 16 years on her back." Guevara makes his contempt for women clear and his latent social resentment is made evident once more time.

December 10, 1953, he wrote to his aunt from San José, Costa Rica, "In el Paso I have the opportunity to pass through the dominions of the United Fruit, convincing me once again of just how terrible these capitalist octopuses are. I have sworn before a picture of our old and mourned comrade Stalin that I won't rest until I see these capitalist octopuses annihilated." Another letter to the same aunt was signed with the words "Stalin II."

Even more important was the fact that when Guevara visited the USSR in his capacity as one of the leaders of the Cuban revolution in November 1960, insisted on placing a floral tribute in the tomb of Stalin, ignoring the recommendation of the Cuban ambassador Faure Chomón (one of the survivors of the Directorio Revolucionario that attacked the Presidential Palace). It is important to keep in mind that this occurred more than four years after Khrushchev's revelations of Stalin's crimes.

During most of his life Che Guevara did not have a steady job, and depended on his mother, his sister Celia and her aunt Beatriz, who used to send him money, and other women in his life, to assist him in obtaining employment and also in the payment of his debts. Jon Lee Anderson in his biography of Che relates the following cases: "To help him in his quest to obtain a medical post, the well connected Hilda Gadea introduced him to some high-level government contacts of her.... The main contender for Ernesto's attentions in February and March of 1954 was a nurse named Julia Mejia. She had arranged a house at Lake Amatitlan where Ernesto could go and spend the weekend. Soon, they were having a casual affair..... In March, Ernesto's situation changed very little. Hilda paid off part of his pension bill, and Julia Mejia got him a job interview in the eastern Petén jungle..... With some jewelry Hilda gave him for the purpose, he paid off part of his pension bill..... Right away, he found a night job unloading barrels of tar on a road construction crew. He worked a second night....It was the first sustained stint of physical labor he has ever done."

In July Che wrote in his diary in reference to Hilda, "What did affect her was that I confessed about the fuck with the nurse." [3] In August a friend of Gualo Garcia's arrive in Guatemala in one of the planes that came to pick up the Argentine exiles, bringing 150 dollars sent by Che's family and he gave it to him. Che writes in his diary that they also sent him, "two suits, 4 kilos of yerba and a mountain of stupid little things." [3]

Che goes away with Hilda to San Juan Sacatepéquez in a good-bye trip, and he describes the following in his diary: "today, I dedicate it to bid farewell to Guatemala with a short outing to San Juan Sacatepéquez with a profusion of fondles and superficial screw." [3]

"Nineteen fifty-five began with little change for Ernesto. For the moment , his reality remained that of a young Argentine vagabond"... "the fact that Ernesto now needed Hilda again for the occasional loan" and, as he has written in his diary, to satisfy his 'urgent need for a woman who will fuck'." [1]

In this vagabond life that he adopted by his own choice, he is shown to us as a cruel, harsh, irresponsible and one that take advantage of the women who had helped him during this period of his life, whom he considered of weak personality, and allowed him "to live without working"

Those who attempt to present Che as a philanthropist of firm Christian values, the answer is given to them in this excerpt of the letter he wrote to his mother on July 15, 1956 from a Mexican prison: "I am not Christ nor a philanthropist, I'm quite the opposite of Christ, and philanthropy seems to me something of....(illegible word), I fight for the things I believe in with all the weapons at my disposal, and try to leave the other dead to avoid myself to be nailed to a cross or anything else."

In a letter to Tita Infante, in October of 1956, he comments to her: "Of course, all the scientific works went to hell and now I am only an assiduous reader of Carlitos and Federiquito (in reference to Karl Marx and Frederick Engel) and other itos.... On the other hand I will tell you that I have a group of kids in the sixth year grade dazzled with my adventures and interested in learning something about the doctrines of San Carlos (euphemism for Karl Marx).... My free time is dedicated to an informal study of San Carlos' doctrines." In this and other letters it becomes evident the Marxist formation of Che, and in this case also the use of the Marxist doctrine in the "brainwashing" of the children with political purposes.

Pedro Corzo in the documentary "Anatomía de un Mito" relates his conversations with Miguel Sanchez, el "Coreano", responsible of the military instruction of Castro's Granma expeditionary force in Mexico in 1956. El Coreano affirmed that "Che always had problems with the blacks and despised them just like the Indians of Mexico", to which he referred as "the illiterate Indians of Mexico." Che shows his racist face again.

### Bloodthirsty in Sierra Maestra

The rebels finally got ready for the attack, leaving Osorio behind in the custody of two men. "The orders were to kill him the minute the shooting started," Che wrote matter-of-factly, "something they obeyed with strictness." [2] The execution took place in the early hours of January 17, 1957 when the shooting began.

Hilda Gadea, the first wife of Che, published in her book "Ernesto: A Memoir of Che Guevara in Sierra Maestra", the letter that him send to her dated January 28, 1957, in which his sadistic and violent disposition can be appreciated in this phrase: "Dear Old Woman: Here in the Cuban jungle, alive and bloodthirsty, I

am writing these ardent lines inspired by Martí."

February 18, 1957 the rural guide Eutimio Guerra, accused of passing information to the enemy, is prosecuted by the rebels and sentenced to death. At the moment of the execution, his companions were undecided to shoot him, and that's when Che stepped forwards, draws his pistol killing Eutimio with a shot in the temple, describing the act in his diary of the Sierra Maestra: "...I ended the problem giving him a shot with a 32 (caliber) pistol in the right side of the brain, with exit orifice in the right temporal. He gasped for a little while and was dead. Upon proceeding to remove his belongings I couldn't get off the watch tied by a chain to his belt, and then he told me in a steady voice farther away than fear: "Yank it off, boy, what does it matter... I did so and his possessions were now mine." [1]. Later Che will write in his diary: "...to execute a human being is something ugly, but exemplary. From now on nobody here will refer to me again as the tooth-drawer of the guerrilla." In a letter to his father referring to this execution he writes: "I'd like to confess, papa, at that moment I discovered that I really like killing."

Marcos Bravo, leader of the Movimiento 26 de Julio, in his book "La Otra Cara Del Che", narrate that a 17 years old government soldier, captured and interrogated by Che, answered: "I haven't killed anyone, comandante. I just got out here! I'm an only son, my mother's a widow and I joined the army for the salary, to send it to her every month...don't kill me!" "Don't kill me! -- why?," Che replied. The young soldier was tied up in front of a recently dug pit and shot.

In April the chivato (informant) Filiberto Mora was trick and apprehended by the rebels, and Che wrote in his diary: "The man, Filiberto, has been deceived, but the minute he saw Fidel he realized what was happening and start to apologize."..."The chivato was executed; ten minutes after given him the shot in the head I declared him dead."

In late May two soldiers in civilian clothes, who were spying around the sawmill of Uvero, were taken prisoner. We determined to execute them before the attack to the garrison of the army in the Uvero. Che wrote in his diary: "The tomb was dug for the two informant guards and the marching orders were given. The rear guard executed them."

In September Enrique Acevedo, a fifteen year old who has joined Che's column, wrote in his diary: "At dawn they bring in a big man dressed in green, head shaved like the military with big mustaches: is Cuervo, who is stirring up trouble in the zone of San Pablo de Yao y Vega la Yua. He has committed abuses under the flag of the July 26...Che received him in his hammock The prisoner tries to give him his hand, but doesn't find a response. What is said doesn't reach our ears, even so their words are strong. It seems to be a summary trial. At the end he sends him away with a contemptuous gesture of his hand. They take him to a ravine and execute him..."

After the execution, Che moved off toward the area near mount Caracas in an operation to clean up the armed band commanded by the Chino Chang that operated in this zone.

Soon afterward Chang was apprehended, the judgments began. Chang accused of stealing and a peasant accused of being a rapist, were executed. Che wrote about the execution: "First we executed the peasant rapist and Chino Chan, they were tied to a tree in the forest, both of them calm..."

A few days later Dionisio Oliva, accused of stealing cattle and supplies destined for the rebels, was captured along with others, among whom was Echevarría, a brother of one of his Granma comrades. Oliva was executed and Che also ordered the execution of Echevarría for unspecified crimes and wrote down in his

diary: "He had to pay the price."

In the month of October Che also executed Aristidio, a farmer who during his absence sold the revolver that he had given him, and expressed his desire to abandon the fight when the rebels moved to another place. His doubt about the legality of Aristidio's execution was reflected in his diary: "whether he was really guilty enough to deserve death."

In other occasions Che would simulate executions, blindfolding the defendants and firing shots into the air, as a method of psychological torture.

"Che's trail through the Sierra Maestra was littered with the bodies of chivatos (informers), deserters and delinquents whose deaths he had ordered and in some cases carried out himself" [1]

Che wrote on December 14 of 1957 a letter to René Ramos Latour ("Daniel"), National Coordinator of the Movimiento 26 de Julio who died in combat, the following: "Because of my ideological background, I belong to those who believe that the solution of the world's problems lies behind the so-called iron curtain and I see this Movement as one of the many inspired by the bourgeoisie's desire to free themselves from the economic chains of imperialism." [4]

Latour responded back to Che on December 18: "Let me just put on record our view, which of course is entirely different from yours...Our fundamental differences are that we are concerned bringing oppressed people of 'our America' a government that respond to their longing for Liberty and Progress, government that will be cohesive units that can guarantee their rights as free nations and make themselves respected by the big powers. On the other hand, those with your ideological preparation believe that the solution to our problems lies in getting rid of the harmful Yankee domination through the no less harmful Soviet domination." [3] In the same letter Ramos Latour wrote that the ideology of the Movimiento 26 de Julio was inspired by the political thought of José Martí, which consisted of making Cuba a democratic and prosperous country, but with social justice, and that pact with other opposition forces were necessary and healthy.

Dr. Armando M. Lago, founder of Cuba Archive, calculated a total of 47 executions, most of them guajiros (farmers), carried out by the guerrilla, and 35 casualties of the guerrilla in combat, during the year 1957. These figures are convincing evidence of the terror implanted by the guerrilla.

June 27 of 1958 Che wrote in his diary: "In the night there were three escapes". One of them was double; Rosabal condemned to death for being a chivato, Pedro Guerra of Sori's squad and two military prisoners. Pedro Guerra was captured: he has stolen a revolver for the escape. He was executed immediately." [1]

Vargas Llosa writes the following: "He also ordered his men to assault banks, a decision that he justified in a letter to Enrique Oltuski, a subordinate, in November of 1958: 'The struggling masses agree to robbing banks because none of them has a penny in them...' The impulse to dispossess others of their property and to claim ownership of others' territory was central to the oppressive politics of Guevara." What he proposed was a return to the period of political gansterimo which took place at the end of the decade of the 40's, with whom Castro was associated during his student days.

Jaime Costa Vazquez, former commander of the rebel army, said that much of the executions attributed to Ramiro Valdes, who later became minister of the Interior of Cuba, were Guevara's direct responsibility, because Valdes was his subordinate and fallow his orders. "If in doubt, kill him" were Che's instructions.

Costa says that Che ordered the execution of dozens of people after the fall of Santa Clara. Marcelo Fernández-Zayas in his article "The other side of the coin," says: "The capture of the town of Santa Clara was bloody for their opponents... Many prisoners were summarily executed. Sent to the wall of executions, without trial nor mercy. These executions were carried out in front of photographers, journalists and movie cameras. The prisoners, in many cases, were rural youths who had joined the army as a last resort to escape unemployment and were known as 'casquitos' (little helmets)."

### Che in La Cabaña

Guevara was appointed by Castro's military chief of La Cabaña fortress in Havana after Batista fled from Cuba, a position he held from January to September 1959, and also responsible of the Comisión Depuradora (Cleansing Commission), with the purpose to implement the revolutionary terror. In an appearance on Channel 6 of the TV in February 1959, Che declared that "at La Cabaña all executions are carried out under my express orders." Here he presided over hundreds of executions in summary trials that even a sympathetic biographer as Jorge Castañeda, in his book "Companion: Life and Death of Che Guevara", said that "they were carried out without due respect for the good doing of justice."

Luis Ortega, in his book ¡Yo soy el Che! relates what Che tells to Duke Estrada: "It is necessary to work at night, the man offers less resistance at night than during the day. In the nocturnal calm the moral resistance is weakened. Do the interrogations at night. It is not necessary to make many inquiries to shoot somebody. What one need to know is if it is necessary to shoot him. Nothing more. You should always give the accused the possibility to do his discharge before executing him. And this means, understand me well, that the accused should always be executed, without mattering which has been his discharge. Make no mistake about this. Our mission doesn't consist in giving procedural guarantees to anyone, but to make the revolution, and we must begin by the same procedural guarantees."

Napoleón Vilaboa, member of the Movimiento 26 de Julio and advisor of Che in La Cabaña, relates the execution of José Castaño Quevedo, director of the Buró de Represión de Actividades Comunistas (BRAC), against who criminal accusations did not weigh and whom he led to Che's office: "While giving laps around his desk and the chair where the military was sitting, Che drew his 45 pistol and killed him right there with two bullets in the head."

Chilling story of the former political prisoner Pierre San Martin, eyewitness of the murder in cold blood of a boy between 12 and 14 years of age carried out by the abominable monster of cruelty Che Guevara in La Cabaña fortress in 1959: "...the sound of the iron door opening was heard as they threw another person into the already crowded cell.... And what did you do? we ask almost in unison. With his bloody and beaten face he stared at us and responded "I defended my father so they wouldn't kill him, I couldn't stop it. Those sons of bitches murdered him."

Near the wall where they conducted the executions, with his hands on his waist, paced from side to side the abominable Che Guevara. He gave the order to bring the boy first and he ordered him to kneel in front of the wall. The boy disobeyed the order with courage that words can't express and responded to this infamous character: "If you're going to kill me you're going to have to do it the way you kill a man, standing, not like a coward, kneeling." Walking behind the boy, Che said "whereupon you are a brave lad"... He upholstered his pistol and shot him in the nape of the neck so that he almost decapitated him." [6]

The Rumanian writer Stefan Bacie, in his poem "I do not sing to Che", made reference how Che Guevara invited to accompany him to see how people are shot at the wall in La Cabaña.

The first three months of the Cuban Revolution saw 568 firing squad executions. Even the New York Times admits it, according to the journalist of this newspaper Hart Phillips, "400 in the first two months." The journalist Tetlon of the London Daily Telegraph writes the following, "sometimes four courts functioned simultaneously, without lawyers or character witnesses, imparting judgment, contemplating the capital punishment, as many as 80 people in joint trials. The judicial proceedings were shameless farces that shocked and nauseated all who witnessed them.

Jorge Castañeda in his Guevara's biography mentions that the deceased father Iñaki de Aspiazú, a catholic Basque sympathizer of the revolution, spoke of 700 victims. Luis Ortega writes in his book "Yo Soy El Che!" that Guevara sent 1,897 men to the firing squad. In his book "Che Guevara: A Biography," Daniel James writes that Che himself admitted to ordering "several thousand" executions during the first few years of the Castro regime. Félix Rodríguez, an exagent of the CIA, which participate in the capture of Che in Bolivia, told Vargas Llosa that he faced Che after his capture recriminating him the "more or less 2.000" executions for which he was responsible throughout his life. "He told me that they were all CIA agents and did not discuss the figure" In contrast with the Nuremberg trials, at the end of the Second World War, of the 24 Nazi leaders accused of war crimes only to 11 of them the death penalty was applied.

In a letter written in May 1959 to his friend Julio "El Gaucho" Castro he says good-bye with this phrase: "A strong hug from the one who is called and whom history will cal...CHE". In a Christmas letter to his parents he wrote: "We walk over pure history of the highest American category; we are the future and we know it, we build with happiness although we have forgotten individual affections." [1] These sentences, which describe him from head to toe, reveal his arrogant character, his delusions of grandeur, when exaggerating his own historical importance.

### Export of guerrillas

After the triumph of the revolution Castro and Che launched the guerrilla movement across Latin America. A plan was immediately organized to initiate guerrilla focus with Che's assistance, in Panama, Dominican Republic, Haiti, Nicaragua, Guatemala and Colombia.

The invasion of Panama at the end of April of 1959 was a failure. The Panamanian authorities captured two Cuban invaders. On June first a group of Nicaraguan, among which was Rodolfo Romero an old companion of Che, under the direction of Joaquin Chamorro, left Havana towards Nicaragua. Chamorro, after its capture, admitted the military assistance provided by Castro and Che. The invasion of Santo Domingo in mid June 1959, ended in failure with a balance of more than 200 dead, among them the Cuban leaders of the expedition Jiménez Moya and Horacio Rodríguez. In August 1959 they began in Haiti the conflict that concluded with the defeat of the invaders. In November 1960 some officers of the Guatemalan army took up arms. Airplanes of the Cuban Air Force flew over the military airfield of Zacapa, one of the two places of the uprising, supplying the insurgents. This uprising also failed.

The Cuban intervention in Venezuela in support of the guerrilla, fails when the army of Venezuela, in November of 1963, surprises a landing originated in Cuba in the peninsula of Paraguaná. In February of 1964 the OAS condemned the interference of the Castro regime in Venezuela.

The guerrilla operation began in Argentina at the beginning of 1964 in the province of Salta, with the Argentine journalist Jorge Ricardo Masetti in charge of it. The operations were supervised by Che. In April of 1964, the Argentine army attacked the guerrilla camp with the result of several guerrillas dead, among them the Cuban instructor captain Hermes Peña, Che's escort, and 14 were taken prisoners. Masetti disappeared in the jungle of Salta without leaving a trace, and the guerrilla focus was eliminated. When Alberto Granados asked him why he was depressed as a result of this setback, Che answer to him: "Here you

see me behind a desk, screwed, while my people die during the missions to which I have sent them.”

José Pardo LLada in the book "Fidel and Che," writes what Che told him in 1959: "We must do away with all the newspapers, because a revolution with freedom of the press cannot be done. The newspapers are instruments of the oligarchy." The regime controlled, censored or shut down newspapers and magazines, television and radio stations and the movie industry. Freedom of the press and information were suppressed.

#### The commercial/diplomatic mission

In June of 1959 Guevara was sent in a diplomatic mission with the purpose to establish new trade relations, carry out sugar sales and obtain weapons in Yugoslavia, not being successful in any of them. In Cairo he met with Gamal Abdel Naser, who told in his memoirs that Guevara asked him how many people had emigrated from their country as a result of the agrarian reform. When Naser answered that nobody had gone away, Che angrily told him that "the way to measure the depth of the change is to measure the number of people that felt that there was no place for them in the new society"

In India his meeting with Prime Minister Nehru, during a splendid lunch, did not provide result in the establishment of trade relations. In Japan his proposal to permute sugar by Japanese products was rejected in the interview he held with the Minister of Foreign Trade. In its interview with the prime Minister of Indonesian Sukarno, also failed in selling sugar and in the establishment of trade relations. During its stay in Yugoslavia he met Josip Broz Tito, not being successful in obtaining weapons from this country.

In one of the paragraphs of the July 1959 letter to his mother, published in the book written by his father "My son the Che", writes: "I am still the same loner that I used to be, looking for my path without personal help, but now I possess the sense of my historic duty. I have no home, no woman, no children, nor parents, nor brothers and sisters, my friends are my friends as long as they think politically like I do." When Hilda Gadea, his wife, arrived in Cuba with his daughter in January 1959, she found out that her husband was living with his lover Aleida March, which became pregnant. In May Che divorced his wife and married his mistress in his office at La Cabaña. After a brief honeymoon, he left the country in his first diplomatic trip. During the two months he was absent, he never communicate with Aleida. Aleida told the following to Anderson: "Che was a 'machista' like most Latins." He was irresponsible with his own family, leaving their wives and children when they needed him most, to continue his guerrilla adventures.

He repaid Hilda with treason the help and love she gave him. Women played a secondary role in his life.

#### Che's homophobia

Che played a principal role in setting up Cuba's first labor camp in the Guanahacabibes region in western Cuba in 1960-1961, to confine people who had committed no crime punishable by law, revolutionary or otherwise. This "crimes" involved drinking, vagrancy, disrespect for authorities, laziness and playing loud music. Che defended that initiative in his own words: "We only send to Guanahacabibes those doubtful cases where we are not sure people should go to jail... people who have committed crimes against revolutionary morals, to a lesser or greater degree... It is hard labor, not brute labor, rather the working conditions there are hard." [5]

"This camp was the precursor to the eventual systematic confinement, starting in 1965 in the province of Camagüey, of dissidents, homosexuals, Catholics, Jehovah's Witnesses, Afro-Cuban priests, and other such scum, under the banner of UMAP, Unidades Militares de Ayuda a la Producción, or Military Units to

Help Production. Herded into buses and trucks, the “unfit” would be transported at gunpoint into concentration camps organized on the Guanahacabibes mold. Some would never return; others would be raped, beaten, or mutilated; and most would be traumatized for life, as Néstor Almendros's wrenching documentary *Improper Conduct* showed the world a couple of decades ago.” [5]

Che's homophobia is expressed in the poster placed at the entrance to the forced labor camp, where homosexuals were confined, which read: “The work will make you men”, replica of the slogan “The work will make you free” used in the Nazi concentration camps. It intended to correct the homosexual behavior applying rigorous punishments with the intention of modifying this social deviation, which does not constitute a crime punishable by law.

In the 80s and 90s this non-judicial, forced confinement, was also applied to AIDS victims.

In a TV speech June 26, 1961, when he was Minister of Industries said: “The Cuban workers have to start being used to live in a collectivism regimen and by no means can they go on strike.” December 15, 1959 marked the start of the process of the purges of the union leaders, democratically elected in the X congress of the CTC carried out in November 1959, destroying the labor union movement and abolishing labor rights conquered by the laborers.

Economic, diplomatic, and political failures

In 1961 Guevara was appointed minister of industry, and in the name of diversification, the cultivated area was reduced and the manpower utilize in other activities. Cuban industrialization failed due to the lag of raw materials for the new industries.

Already by 1963 the hopes of industrialization were abandoned, and during the period 1961 to 1991, the Island will survive thanks to the Soviet subsidy of \$ 120 million.

As head of the Cuban diplomatic delegation in the Conference of Punta del Este, in his speech at the fifth plenary meeting of CIES, 8 August of 1961, predicted the following:

“The rate of growth presented as a most beautiful thing for all Latin America is a 2.5 percent net growth... We speak of 10 percent growth with no fear whatsoever; 10 percent growth is the rate that Cuba foresees for the coming years... What does Cuba intend to have by the year 1980? A net income per capita of around \$3,000; more than the United States currently has.” Cuba's per capita in 2004 was only \$1,873 dollars. “During the period 1960-1979, Cuba was the only Latin American country showing negative GDP results. In the 1991-2000 decade its GDP annual average was -1.9%, thereby placing Cuba next to the last among the Latin American countries, only higher than Haiti.” [7] This result is largely attributable to the adverse effects of the economic policy of Che on the Cuban economy. In 1959 Cuba ranked second in economic wealth in Latin America.

During the Cuban Missile Crisis in October 12, 1962, Che supported Fidel in the nuclear confrontation with the United States. Che was disappointed when Khrushchev decided, under the threat of nuclear war, to retire the missiles (See Nikita Khrushchev Memoirs). He told Sam Russell the British reporter of the socialist newspaper *Daily Worker* that “If the missiles had remained we would have used them against the very heart of U.S. including New York. We must never establish peaceful coexistence. In this struggle to the death between two systems we must gain the ultimate victory. We must walk the path of liberation even if it costs millions of atomic victims.”

In his deep hatred against the United States, this monster of cruelty did not hesitate in supporting the nuclear confrontation without given a damn that such action sealed the annihilation of the Cuban people and a large part of humanity.

On December 11, 1964, during a debate in the United Nations General Assembly Che said: "As Marxists we have maintained that peaceful coexistence among nations does not include coexistence between exploiters and the exploited." As representative of the Cuban government he was severely attacked because of the firing squad executions without any judicial process and evidence as required by the rule of law. Guevara, in his second intervention, making use of the right of replica, responded: "We must say here what is a well-known truth, which we have always expressed to the world: Shooting people yes, we have shoot people and will continuo to do so until it will be required. Our fight is a fight to the death". [7] This demonstrates his intransigence with his political enemies; he was willing to make the blood run and wasn't worried to carry millions of people to their death.

In response to a question of Richard Hottelet of CBS in the program Face the Nation, New York, 14 of December of 1964, Che replied: "In America, the road to the liberation of the peoples, which will be the road of socialism, will march through the bullets in nearly all countries, and I can predict with confidence that you will be a witness." Che, an advocate of political violence, failed once more.

Guevara, during his trip to Algeria in 1965, when questioned about the economic failure cynically replied: "We have a country to experiment on; we make mistakes but we will go on experimenting until we learn." Such learning adventure has resulted in the biggest economic debacle ever experienced in Latin America." [8]

February 1965 at the International Conference of Algiers, Che in his speech criticized the Soviet Union policy by adopting what he called "the law of value", which organizes and regulates human activity in the capitalist society. This contributed to the cooling of the relations between Cuba and the Soviet Union. The Soviet ambassador in Havana complained to Castro about the anti-Soviet behavior of Che. Castro disagreed publicly with the anti-Soviet policy of Che, and this caused Che to be removed from the ruling circle.

In March 1965 Castro sent Che, who had assumed a pro Chinese position, as head of a delegation to China with the purpose to restore the damaged relations. The Chinese comrades argued that the revolution was influenced by the "soviets revisionist", argument that was rejected by the Cuban delegation, causing the stalling of the talks. Che, once again, failed in his mission.

### Guerrilla failure in the Congo

Guevara in his diary about his guerrilla experience in the Congo between April and December 1965, begins with this observation: "This is the history of a failure." The adventure he led in the Congo was a fiasco.

Che, white leader of the expedition composed by two battalions of Cuban black soldiers, around 200, found out that blackness did not guarantee the mix of Cubans with Africans and the Cuban regime recognized later as a mistake that all the soldiers sent were black. The black Cubans were foreigners, who considered themselves superior and treated the Congolese with gestures of contempt, who resented such treatment.

In the epilogue, Guevara asks the question What did the revolution actually have to offer the peasants of the fertile eastern Congo? He concluded that the

tiny numbers of industrial workers were satisfied and not revolutionary, the peasants suffered no land hunger, the troops did not believe they would be fighting the Americans and race was not a sufficient motivating factor either. Again and again he pointed to a lack of leadership amongst the Africans, the incompetence of the Congolese fighters and a terrible disorganization. Che's assessments make him look like a racist. It is also clear that the goals of the Africans were much different than his.

### Message to the Tricontinental

In his "Message to the Tricontinental", 16 of April 1967, writes: "Hatred as an element of the struggle; a relentless hatred of the enemy, impelling us over and beyond the natural limitations that man is heir to and transforming him into an effective, violent, selective and cold killing machine. Our soldiers must be thus; a people without hatred cannot vanquish a brutal enemy."

"We must carry the war into every corner the enemy happens to carry it: to his home, to his centers of entertainment; a total war. It is necessary to prevent him from having a moment of peace, a quiet moment outside his barracks or even inside; we must attack him wherever he may be; make him feel like a cornered beast wherever he may move. Then his moral fiber shall begin to decline."

"The peaceful road is eliminated and violence is inevitable. In order to achieve socialist regimes there will flow rivers of blood, the road to liberation should be continued even if it means the loss of millions of atomic victims." [9] Fanatic defender of the communist philosophy, which has been responsible, according to figures from The Black Book of Communism, for the deaths of nearly 100 million people.

These statements clearly reflect his feelings and intentions, that of killing in any place in a cold and indiscriminate way. This use of hatred and incitement to violence, it is not but another manifestation of the doctrine of terrorism through the centuries to justify mass murder and torture.

### Defeat in Bolivia

Che's Diary in Bolivia contains the following observations: "The rural base remains underdeveloped, although it seems that by means of planned terror, we will achieve the neutrality of the most, the support will come later. There has not been a single incorporation...the rural mobilization is nonexistent, save in the tasks of information that bother... the Army is showing more effectiveness in its action and the rural masses do not help us in any way and they become informers....The rural masses do not help us at all" was the melancholic conclusion of Guevara in his Bolivian diary. The 26 of September he write down in his diary, "defeat", in reference to "the disastrous ambush of La Higuera."

In reference to the Bolivian peasants, writes in his diary on June 19, 1967 "the inhabitants one must hunt them to be able to speak with them because they are like little animals." Genius and figure right up to the grave.

Che, at the time of being taken prisoner, who was slightly wounded by a bullet in the leg, with the rifle up high shouted to his captors in Bolivia, "Don't shoot, I'm Che, I'm worth more to you alive than dead" His 9 millimeters pistol had all its bullets when yielding it. Why he allowed to be taken prisoner and didn't fight to the last bullet? He thought that they were not going to kill him, that they would judge him as they did with Régis Debray and Ciro Bustos. He only was

able to beg for his life, he didn't know to die like a man.

Félix I. Rodríguez, a Cuban exagente of the CIA, in conversation with writer Jacobo Machover told him the following: "Later he told me that they shot all the foreign agents in Cuba who invaded the country. Then I told him: Commander it is ironic that you tell this to me, because you are foreigner and has invaded Bolivia."

Felix, who was giving intelligence advice to the Bolivian army in the zone where Che was operating, relates that when he entered the premises where Che was kept prisoner he told him he was going to be executed: "Commander, I am sorry, I've tried, but they are superiors' orders of the high command. He became pale like a ghost. I never saw a person lose the expression of the face as he did, then he told me "is better thus, I never should have fallen prisoner."

In La Cabaña Che used to send convicts to the execution wall writing this note, "give him aspirin." In Bolivia they gave him a dose of his own medicine.

Fidel Castro used Che as spokesman in the propagation of his anti-imperialist platform and cynically continues to use him after his death glorifying his memory for propaganda purposes. Daniel Alarcón (Benigno) Ramírez who fought under Che's command in the Sierra Maestra, and accompany him in the guerrilla adventures in the Congo and Bolivia, being one of the survivors of that latest adventure, now exiled in France, in a TV interview admitted that Che had been betrayed in Bolivia: "Yes, Che and all of us were betrayed in Bolivia. Fidel send us coldly calculated to a remote place, well-selected for its lack of human resources and food. Later, they cut off us the arms supplies, intelligence, food, and finally: communications .... No longer I had doubts, had verified in irrefutable form the treason. All of us had been handled as worthless pawns in the murky chessboard of Fidel, in a cruel and inhuman form."

Evo Morales carried out an official celebration of the 40 anniversary of Che's death, celebration that was repudiated by more than 50% of Bolivians, opposed to the praise of an invasion of foreigners that killed 55 Bolivian soldiers and several civilians. General Gary Prado, who led the military column that captured Che, said: "The tribute should be made to the soldiers who defeated the invaders."

## Epilogue

Those who seek to hide his condition of ruthless assassin and consider him a martyr willing to give his life in defense of his ideas do not take into consideration his disposition to snatch it from those who did not share his ideas. José Martí in letter to Maximum Gomes, dated October 20, 1884, expresses his thought that the act of given one's life for one ideas is not sufficient cause of glorification: "...Just as he who gives his life to serve a great idea is admirable, he who avails himself of a great idea to serve his personal hopes of glory and power is abominable, even if he too risks his life. To give one's life is a right only when one gives it unselfishly."

Che failed in all the enterprises that he undertook; in his unfinished medical career, a profession he never practiced, as an economist at the head of the National Bank and the National Institute of Agrarian Reform, as Minister of Industry, where he presided over the failure of industrialization, as a diplomat and politician in his relations with the Chinese, Soviet Union, Japan, India, Egypt and Yugoslavia, in the guerrilla organization in Latin America, in his guerrilla adventures in the Congo and Bolivia and even in the fomentation of violence.

In an interview granted by his girlfriend María del Carmen Ferreira "Chichina", to La Voz del Interior, she summarized Che's failure with these lapidary words:

"Poor Ernesto, he was not successful in anything: not as a doctor, neither as a photographer, as an economist, or as propagator of the Revolution."

In a letter to the editor of the Uruguayan weekly *Marcha*, published March 1955 under the title "Socialism and Man in Cuba", where Che addresses the issue of the "new man" says: "To build communism it is necessary, simultaneous with the new material foundations, to build the new man....This is the dictatorship of the proletariat operating not only on the defeated class but also on individuals of the victorious class.... Man under socialism, despite his apparent standardization, is more complete.... In this way he will reach total consciousness of his social being, which is equivalent to the full realization as a human creature, once the chains of alienation are broken." During the last 50 years the young people have been indoctrinated with the concept of the new man, who would be complete, unselfish, communitarian and of moral values rather than material values. The result has been a new man incomplete, selfish, individualistic, of double morale and materialistic.

Cuban schoolchildren begin their classes each day with the following slogan of indoctrination: "Pioneers for Communism, we will be like Che." They will be then the new men; fanatics, liars, assassins and failed men, reaching the total realization of being like Che. Hatred to the enemies of the revolution is inculcated to the children in scholastic age. This quote of José Martí condemns hatred: "The haters should be declared traitors to the Republic. Hatred does not construct"

Che was fanatical, dogmatic, spiteful, envious, arrogant, proud, a liar, racist, devoid of morals, mercenary and homophobic, a bloodthirsty murderer, "a cold killing machine", that the fanaticism of the left has turned into a hero.

Subject: Nazism Has Won, Communism Has Died.

## Nazism has won, Communism has died.

Many people say and say again the same poem of the 'holocaust' and how evil Hitler was. Again and again, every time with more and more evidence, we debunk their claims. The evidence is there. Thing is, the major populace is programmed. From day one that someone is born, they are hearing "Oh thank jewsus the baby was born" and

by the age of 10 they hear every day, watch kike made movies, hear 'public opinion' shaped by some jewish historian about Hitler and the Nazis.

Seriously, Nazis, Ancient Civilizations, Satan and Satanism are the big NO-NO's in this society! NOOOOOO! STAY WORSHIPPING THE JEW- EMMANUEL JIZZUS OR YOU WILL ROAST IN HELL! HE WILL COME BACK AND JUDGE YOU! OBEY OR BURN FOR ALL ETERNITY! The things that like the jew 'god' in the garden of Eden, when one touches they will "Die". Lying as they always do, both their 'god' and them, nobody that seeked the Truth died. The so called 'forgotten apple' did not kill anyone and brought the so called knowledge of good and evil to those who gave in the time and effort to reach it. It takes such an idiotic 'god' to create man with the capability to Sin, only to torture them later after doing it. Since he was all knowing, he knew beforehand they would sin, so he made them able to sin. If he did not know it, according to xian theology, he did not know everything and as thus he is no 'god'.

Of course he is not. For one its nothing more than a jewish fantasy novel, where they have complete and total power everyone else in the globe, everyone is enslaved and such. How could the rambling of some kikes make sense? Lies do not make sense. Especially so big lies. How could they ever make sense?

The so called idiots though, who preach anti-Nazism do not do the fundamental thing any person who knows history should do. STUDY BOTH SIDES FROM UNBIASED SOURCES. Even this jew "Cole" made a documentary proving the gas chambers were a hoax. Thing is, jews are too ready to betray their own race everytime. Maybe "Cole" was on the side that his bank account had 100,000,0\$ and not 2 billions like his cousins, so it grew infuriated and started what he did. Then "Cole" appears 10 years after in the jewish owned and run Holly-wood. This fence hopping jew came with a plan. While he debunked the holocaust, he accused Hitler or all the other

crimes he was accused, acting as a gate-keeper to his fellow jews and faithfully a propaganda minister of his own.

When someone does this and sees that the whole governmental cabinet of Stalin was jewish for instance and caused the massacre of at least 25 million Russians in Labor camps, then see the videos where jews themselves testify that in the big 'labor camps' they could paint, swim in swimming pools, dance, play football with the so-called evil Nazis and such, it takes a peanut of a brain to realize how in this case the 'winner' has blamed all their shit to the 'loser' of the war. The 'loser' is judged by the winner. Its as simple as that. But, who was the 'winner' of the war and who was the 'loser'? Upon first glance you will say it was USSR who won the war. And that Nazi Germany lost.

Thing is, our side has started with a different purpose and the jewish USSR side started with another purpose in mind. In such cases you do not judge 'victory' by whom survived and who did not, you judge victory or loss according to who fulfilled their purpose for which a war was started.

Their purpose was world domination and to dominate everything according to their jewish/communist laws, torah and the rest, assume a "God" position and rule everything, enslave anyone. This happened only inside USSR. People were nothing but swine, women were only objects and work laborers, children were pieces of shit in the eyes of jews who would run their 'eternal' machine of war Jew USSR in her prime to dominate the whole globe. They really believed this laughable shit. Lenin, Stalin, Trotsky, Molotov and so forth- all jews. All worked for the same purpose, whatever their actions. To enslave people into a slave state. To materialize their inner view of the cosmos, which is nothing else than what their Torah and their Protocols of Zion have wrote since day one. Jews have always operated by their hive mind and this is evident in the same outcome that comes in all

civilizations they have gained power in: Destruction. Their Torah justifies them to be 'gods', above anyone and everyone. With the systematic destruction of all spiritual knowledge, they have that knowledge and assume to be 'gods'. Its known in the so called 'atheist' USSR there were dozens of Rabbis and kikes who would launch curses and whatever else in the unknowing populace. If someone was an enemy of the jewish owned state, they would either die by their secret police, or they would get cursed or both.

The bible in itself is a communist book and the mother of communist theory- all jewish. "All men are equals in the face of 'god' ". What happened in Soviet Russia was "all men are equals in the face of Stalin" or some other appointed jewish messiah who will fulfill what the jews have been trying to built for so long. Thing is, the jews are naturally a sickly and weak race. They have been on our ass for 2000 years and still cannot fulfill a damn goal. And even if they did, which they never could, they would fail to maintain it like it has happened in the USSR. They simply failed. Hitler built up a nation from total destruction to a world power in around 10 years. Enough said.

People are taught to believe in jews like they are gods, since day one. We are taught to believe that 'god' was a kike spaceman who sat on the clouds and cursed people. Endless confusion but what remains is this- we are taught to believe in the jews and the jewish 'god'. Thing is, they have been destroying civilizations since day one of their existence. The Ancient Romans perished under their grip and even nowadays they are destroying everything, every form of civilization. By the moment Europe has allowed them in and gave them 'citizen rights' everything has been going downhill; debt, two major world wars and economic plagues, instability in all levels, bad governship that destroyed a large portion of people, humiliation, senseless industrialization without feeling or remorse, false intelligentsia and philosophies of all kinds that are basically ruining every aspect of Gentile life and are leading people to mental hospitals by the hundreds each day.

But what was the purpose of Nazis and Hitler?

Simple.

First of all stop the jewish beast from taking over the globe and Europe, slow them down [They succeeded then construct a legacy for others to follow after them, in which everything would go over for the jews [We are approaching there and there is nothing the jews can do- check on Israel's case, people are waking up en-masse]. The Nazis reached too far, almost destroyed USSR themselves. When Hitler was at the door, the jew Stalin knew he was done with, so he informed the western jews that their legacy was coming to the end. Hitler had the whole Europe under his control. Hitler's method of Blizzkrieg war, had brought Russia to her knees. When Hitler's Troops entered and were outside of Stalin-grad, by that time over 50,000 Russians fought at his side against the jewish beast to regain back their country. IT WAS NO LONGER RUSSIA- IT WAS A JEWISH HAVEN MADE ONLY FOR JEWS.

Everyone knows the jews today. Them trying to hide and pretend to be harmless no longer works. Even the most stupid people know. Most of those whom they own by xianity and through their spell of xianity, hate them

to the bone and they will choose to decimate the jewish problem than to adhere to some jewish 'god' as people subconsciously know they are being played on.

Hitler and the SS knew they would not have the jews finished on their days, as they were scattered all across the globe. They passed down the message. By their symbols they caused re-awakening. Anti-Semitism is now again flaming. Where is it that they won? Back then the jews had German and other enemies. Now everyone down the street can be their enemy as people know, everyone knows and those who do not know, are getting told by now. Everyone knows what they did to America, to Germany, to other countries. People see them and they recognize them. There is nowhere to hide for them anymore. Everyone knows how they use money. The internet has served us well.

Miss's Stalin when confronted outside of the jewish USSR capital by the Nazis, called in his friend jews from England and the USA. So they started up the western front to dilute the powers of Germany. One step before destruction, as everyone jewish was shitting their pants, they had to ensure their racial dream – world domination. But by the time Hitler was in Stalingrad, the purpose of the Nazis had already been fulfilled. On the whole war, the jewish Rabbis kept and kept murdering people [as the case with the young boy Andrei who was murdered to curse the Czar] and sending the energy to the Nazis and mostly Hitler and his stuff, or used it to guide events. All sorts of blood Rituals were taking place and the gulags were ideal for this, all sorts of USSR psychics were on the roll and doing all sorts of shit (In an atheistic state- When jews finalize their control xianity gets thrown out of the window as it serves no need- it already made the people obedient to jews and now this had to actualize), as the suffering and horror of the people where was untold.

People need to study more. The left-run universities and jewish infested 'knowledge' is keeping people blind.

Jews prove they are guilty by all this infestation in history and such, because this proves they did what they have been accused and are trying to re-write history.

The jews knew that these places would serve as an endless cattle farm when they can take people out from, butcher them and use their life energy to achieve all sorts of goals. From all their nasty effort, all they could do is not get destroyed back then, but they could do nothing about Hitler's final plan, which has succeeded already, as the purpose was to Stop and Expose the international jewry of the planet. Now days, everyone knows.

Thing is, by the fall of Germany and the major economic collapsation (again jewish in its roots) and with the jews like Rothschilds and the jewish Vatican running the global system, the jews thought it has now been over with. They took over Russia in which they had much power already, built up the beast and simply went for world domination, after the point their jewish 'ark' of USSR would be strong enough to carry them all. But they never expected Hitler, neither an uprising in Nazism. They thought that by creating hundreds of false frontiers as they do today, people would remain asleep. The same thing they did in Russia with their Demagogues, they did in Germany as well, but it never worked there. They expected their reign to go on forever. They expected no opposition. Thing is, the materialistic nature of the jews is all they are and the same reason they always fail- the western jews and the eastern jews when they thought they had us all by the balls after Nazi Germany was put to sleep, they made a Cold war which exhausted both of them, brining the 'ark' of the USSR state to its knees. They destroyed their own selves in their run towards their imaginary top.

The jews cannot rule anything as its not in their nature to rule, not even a slave state that they have created. Whatever they have constructed has collapsed, in every and all occasions, whatever it was. The only danger is that they are brining down to collapsation the things they have attached themselves to- thats what we should be worried about. Eternal things are not for them, neither is rebuilding.

They expected the return of the medieval times, they expected to rule alongside with their reptilian masters and other nefarious beings who seek the end of Humanity as it was. They thought Satan was out of the game. Now, where is their eternal kingdom? In every state waiting to get pogrom'd, because of all their deeds against Gentiles? Or in a stolen Palestinian state which was funded by their WW2 holocau\$t lies, on the back of Gentiles there, getting bombed daily?

Who has won the war and who is Eternal now? They will always need Gentiles to feast upon, even as their slaves. They need Gentiles even as enslaved. We do not need them anywhere, in no facet of our Global or National lives. And in every Gentile Nazism will wake up, it's a matter of time. Now not only it has woken up, but is rising like a manifold flame, ready to burn and wipe out those who long have oppressed every nation of the world. Lets not allow other countries and our own countries to be victimized like Russia did, under the jewish Grip.

Awesome post.

"The gereneration of today, it is the bearer of Germany's destiny; of Germany's future or Germany's fall. Our enemies they already cry out: Germany Shall fall! Yet Germany can give but one answer: Germany will live! Hence Germany will win.....we want to serve this future we want to fight for it and if necessary fall for it but we will never capitulate! Deutchland Sieg Heil!" - Adolf Hitler.

By Germany he also refers to National Socialism.

## Nazism has won, Communism has died.

Many people say and say again the same poem of the 'holocaust' and how evil Hitler was. Again and again, every time with more and more evidence, we debunk their claims. The evidence is there. Thing is, the major populace is programmed. From day one that someone is born, they are hearing "Oh thank jewsus the baby was born" and by the age of 10 they hear every day, watch kike made movies, hear 'public opinion' shaped by some jewish historian about Hitler and the Nazis.

Seriously, Nazis, Ancient Civilizations, Satan and Satanism are the big NO-NO's in this society! NOOOOOO! STAY WORSHIPPING THE JEW- EMMANUEL JIZZUS OR YOU WILL ROAST IN HELL! HE WILL COME BACK AND JUDGE YOU! OBEY OR BURN FOR ALL ETERNITY! The things that like the jew 'god' in the garden of Eden, when one touches they will "Die". Lying as they always do, both their 'god' and them, nobody that seeked the Truth died. The so called 'forgotten apple' did not kill anyone and brought the so called knowledge of good and evil to those who gave in the time and effort to reach it. It takes such an idiotic 'god' to create man with the capability to Sin, only to torture them later after doing it. Since he was all knowing, he knew beforehand they

would sin, so he made them able to sin. If he did not know it, according to xian theology, he did not know everything and as thus he is no 'god'.

Of course he is not. For one its nothing more than a jewish fantasy novel, where they have complete and total power everyone else in the globe, everyone is enslaved and such. How could the rambling of some kikes make sense? Lies do not make sense. Especially so big lies. How could they ever make sense?

The so called idiots though, who preach anti-Nazism do not do the fundamental thing any person who knows history should do. **STUDY BOTH SIDES FROM UNBIASED SOURCES.** Even this jew "Cole" made a documentary proving the gas chambers were a hoax. Thing is, jews are too ready to betray their own race everytime. Maybe "Cole" was on the side that his bank account had 100,000,0\$ and not 2 billions like his cousins, so it grew infuriated and started what he did. Then "Cole" appears 10 years after in the jewish owned and run Holly-wood. This fence hopping jew came with a plan. While he debunked the holocaust, he accused Hitler or all the other crimes he was accused, acting as a gate-keeper to his fellow jews and faithfully a propaganda minister of his own.

When someone does this and sees that the whole governmental cabinet of Stalin was jewish for instance and caused the massacre of at least 25 million Russians in Labor camps, then see the videos where jews themselves testify that in the big 'labor camps' they could paint, swim in swimming pools, dance, play football with the so-evil Nazis and such, it takes a peanut of a brain to realize how in this case the 'winner' has blamed all their shit to the 'loser' of the war. The 'loser' is judged by the winner. Its as simple as that. But, who was the 'winner' of the war and who was the 'loser'? Upon first glance you will say it was USSR who won the war. And that Nazi Germany lost.

Thing is, our side has started with a different purpose and the jewish USSR side started with another purpose in mind. In such cases you do not judge 'victory' by whom survived and who did not, you judge victory or loss according to who fulfilled their purpose for which a war was started.

Their purpose was world domination and to dominate everything according to their jewish/communist laws, torah and the rest, assume a "God" position and rule everything, enslave anyone. This happened only inside USSR. People were nothing but swine, women were only objects and work laborers, children were pieces of shit in the eyes of jews who would run their 'eternal' machine of war Jew USSR in her prime to dominate the whole globe. They really believed this laughable shit. Lenin, Stalin, Trotsky, Molotov and so forth- all jews. All worked for the same purpose, whatever their actions. To enslave people into a slave state. To materialize their inner view of the cosmos, which is nothing else than what their Torah and their Protocols of Zion have wrote since day one. Jews have always operated by their hive mind and this is evident in the same outcome that comes in all civilizations they have gained power in: Destruction. Their Torah justifies them to be 'gods', above anyone and everyone. With the systematic destruction of all spiritual knowledge, they have that knowledge and assume to be 'gods'. Its known in the so called 'atheist' USSR there were dozens of Rabbis and kikes who would launch curses and whatever else in the unknowing populace. If someone was an enemy of the jewish owned state, they would either die by their secret police, or they would get cursed or both.

The bible in itself is a communist book and the mother of communist theory- all jewish. "All men are equals in the face of 'god' ". What happened in Soviet Russia was "all men are equals in the face of Stalin" or some other appointed jewish messiah who will fulfill what the jews have been trying to built for so long. Thing is, the jews are naturally a sickly and weak race. They have been on our ass for 2000 years and still cannot fulfill a damn goal. And even if they did, which they never could, they would fail to maintain it like it has happened in the USSR. They simply failed. Hitler built up a nation from total destruction to a world power in around 10 years. Enough said.

People are taught to believe in jews like they are gods, since day one. We are taught to believe that 'god' was a kike spaceman who sat on the clouds and cursed people. Endless confusion but what remains is this- we are taught to believe in the jews and the jewish 'god'. Thing is, they have been destroying civilizations since day one of their existence. The Ancient Romans perished under their grip and even nowadays they are destroying

everything, every form of civilization. By the moment Europe has allowed them in and gave them 'citizen rights' everything has been going downhill; debt, two major world wars and economic plagues, instability in all levels, bad governance that destroyed a large portion of people, humiliation, senseless industrialization without feeling or remorse, false intelligentsia and philosophies of all kinds that are basically ruining every aspect of Gentile life and are leading people to mental hospitals by the hundreds each day.

But what was the purpose of Nazis and Hitler?

Simple.

First of all stop the Jewish beast from taking over the globe and Europe, slow them down [They succeeded then construct a legacy for others to follow after them, in which everything would go over for the Jews [We are approaching there and there is nothing the Jews can do- check on Israel's case, people are waking up en-masse]. The Nazis reached too far, almost destroyed USSR themselves. When Hitler was at the door, the Jew Stalin knew he was done with, so he informed the Western Jews that their legacy was coming to the end. Hitler had the whole Europe under his control. Hitler's method of Blitzkrieg war, had brought Russia to her knees. When Hitler's Troops entered and were outside of Stalin-grad, by that time over 50,000 Russians fought at his side against the Jewish beast to regain back their country. IT WAS NO LONGER RUSSIA- IT WAS A JEWISH HAVEN MADE ONLY FOR JEWS.

Everyone knows the Jews today. Them trying to hide and pretend to be harmless no longer works. Even the most stupid people know. Most of those whom they own by Christianity and through their spell of Christianity, hate them to the bone and they will choose to decimate the Jewish problem than to adhere to some Jewish 'god' as people

subconsciously know they are being played on.

Hitler and the SS knew they would not have the jews finished on their days, as they were scattered all across the globe. They passed down the message. By their symbols they caused re-awakening. Anti-Semitism is now again flaming. Where is it that they won? Back then the jews had German and other enemies. Now everyone down the street can be their enemy as people know, everyone knows and those who do not know, are getting told by now. Everyone knows what they did to America, to Germany, to other countries. People see them and they recognize them. There is nowhere to hide for them anymore. Everyone knows how they use money. The internet has served us well.

Miss's Stalin when confronted outside of the jewish USSR capital by the Nazis, called in his friend jews from England and the USA. So they started up the western front to dilute the powers of Germany. One step before destruction, as everyone jewish was shitting their pants, they had to ensure their racial dream – world domination. But by the time Hitler was in Stalingrad, the purpose of the Nazis had already been fulfilled. On the whole war, the jewish Rabbis kept and kept murdering people [as the case with the young boy Andrei who was murdered to curse the Czar] and sending the energy to the Nazis and mostly Hitler and his stuff, or used it to guide events. All sorts of blood Rituals were taking place and the gulags were ideal for this, all sorts of USSR psychics were on the roll and doing all sorts of shit (In an atheistic state- When jews finalize their control xianity gets thrown out of the window as it serves no need- it already made the people obedient to jews and now this had to actualize), as the suffering and horror of the people where was untold.

People need to study more. The left-run universities and jewish infested 'knowledge' is keeping people blind. Jews prove they are guilty by all this infestation in history and such, because this proves they did what they have been accused and are trying to re-write history.

## Exposing the Jewish Anti-Hitler/Anti-Nazi Propaganda By fourthreich666

### Intro

This is the intro, it is the only complete part.:

*When I turn and look at this foreign propaganda my belief in our victory grows to the immeasurable. For this propaganda I experienced once before. For nearly fifteen years this propaganda was directed against us. My Old Party Comrades, you remember this propaganda! The same words! The same phrases! Yes, when we look more closely, we see the same heads speaking the same dialects.*

*I finished off these people as a lonely, unknown man who gathered but a handful of people about him. Throughout fifteen years I finished off these people and today Germany is the greatest world power!- Adolf Hitler.*

There are two kinds of propaganda:

1. Truth Propaganda, information. - What the Nazis spread.
2. Jewish Propaganda, lies, deiciet, immorality.

What we have today, in the radios, news etc. it is Jewish. But this is not the focal point. The focal point is the Jewish/Allied Anti-Hitler, Anti-Nazi, Holocaust propaganda being shoved down our throats.

The media today, took everything from the Third Reich and turned it up-side-down. They also took every crime the Russians, the Americans, the French and the british and made them as if they were crimes the Germans committed. Each of the four counts the Axis powers were arrested on we all crime the Allies committed.

As David Irving said, during war, there are departments in goverments that their only task is the spew at propaganda against the enemy so that the soilders, or in the case of the allies (who didn't care about their soilders) their men who were only expendables point their guns in the direction their Jewish masters want them to. The peoblem is there is, after the war, no truth department to admit the lies.

There are multiple examples of cases were the Allies took Nazi propaganda, added some touches to it to totally pervert the message, in some cases, the Allies just totally invented pieces of propaganda and claimed them to be German

### The Lidice Hoax

(This is a VERY short part. The complete version will be up soon)

<http://www.dailystormer.com/wp-content/uploads/2013/10/ww0207-03.jpg>

In the above photograph, it says "Radio berlin -- It is offcialliy announced:- All men if Lidice - Czechoslovakia - Have been shot: The women deported to a concentraition camp: The children sent to appropriate cneters -- Yje name of the village was Immediatley abloished"

Okay, so to begin with, The Radios NEVER annouced this. There is NO evidence of this ever happening. And as you notice, at the end it says: The name of the village was immediatley abolished. This is to cover up that it never happened. It is also a contradiction to say that the Germans would annouce this on the radio to a population of 80 million Germans and then try to cover it up by saying it never existed...

## The Malmedy "Massacre"

Oh My Goodnes! Allied soilders killed by the Germans and left to in the snow while a Nazi looks ahead! How cruel is this!

<http://www.oldhickory30th.com/Baugnez1.jpg>

You will be happy to know that this was admitted by the Allies to be a hoax. The hoax says that a group of German soilders captured a group of Allied soilders, tortured, then killed them. The Allies later, after all the comotion caused by this, amitted it to be a hoax. What happened was that the German 1st panzer division (Leibstandarte-SS Adolf Hitler) were driving south of Malmedy, Belgium. By total suprise and accident, they encountered a groups of American soilders, who fired on them and they fired back. After a few American soilder's fell, the rest of the American soilders cowarded away. The Germans then began to lay the bodies in rows to burry the fallen american soilders out of good heart. While they were doing so, they were fired upon again forcing them to retreat. In the days following the discovery, the American media seized on the event, originally reporting "hundreds" of American deaths in the "massacre", despite having no first-hand knowledge of it. The most sensationalistic media reports, without any evidence at all, stated that Waffen-SS soldiers had lined up the American captives, robbed them of any valuables they had, and shot them at point-blank range. - Wikipedia

Another groups of Americans were cpatured, the German comander said, not to kill them but to let them follow behind us. So they took away the weapons from the allies and let them follow in the rear. Sadly, the Americans were still in full uniform, and the Germans in the rear did not know that the commander allowed them to live and follow, so when the Americans ran to the rear, the Germans at the rear did not known and thought they were being attacked and fired. Few died, most survived. Thos who did said the the Trials that no harm was done against them and that they were treated properly.

During the Nuremberg Trials, the allies TORTURED some captured Germans, forcing them to sign a page saying they killed them

At the interrogations, cruel tortures were used, and some soldiers committed suicide. The interrogators fabricated confessions, and through torture got several Germans to sign these fake confessions

They started the process on May 16th 1946. 74 members of the Waffen-SS were put on trial, and 43 were eventually given the death penalty. The prosecutors were the interrogators before the process, which is contrary to American law, one of the many miscarriages of justice at the trial, quickly devolving it to a kangaroo court. The most absurd event in the process may have been when

the American investigator Kirschbaum introduced a witness, Einstein, to prove that the defendant, Metzger, had murdered [Einstein's] brother,

who was nonetheless sitting in the courtroom! [Prosecutor] Kirschbaum proceeded to scold Einstein: "How can we bring this pig to the gallows, if you are so stupid as to bring your brother into court!"

Subject: Goebbels Speech on Women

This is an important speech regarding women by Reichminister of Propaganda Joseph Goebbels. This is important as the Jews portray the Nazis as being dogs to their women and treating them as sex slaves. This is totally and completely untrue. Men and women both had an equal role to play in the success of Nazi Germany. In Nazi Germany, men treated women with respect and women treated men with respect. Also, just rid your minds of all the Jewish bullshit which claims Reichsfuhrer-SS Heinrich Himmler treated his wife badly. That is utter bullcrap

---

German women, German men !

It is a happy accident that my first speech since taking charge of the Ministry of Public Enlightenment and Propaganda is to German women. Although I agree with Treitschke that men make history, I do not forget that women raise boys to manhood. You know that the National Socialist movement is the only party that keeps women out of daily politics. This arouses bitter criticism and hostility, all of it very unjustified. We have kept women out of the parliamentary-democratic intrigues of the past fourteen years in Germany not because we do not respect them, but because we respect them too much. We do not see the woman as inferior, but rather as having a different mission, a different value, than that of the man. Therefore we believed that the German woman, who more than any other in the world is a woman in the best sense of the word, should use her strength and abilities in other areas than the man.

The woman has always been not only the man's sexual companion, but also his fellow worker. Long ago, she did heavy labor with the man in the field. She moved with him into the cities, entering the offices and factories, doing her share of the work for which she was best suited. She did this with all her abilities, her loyalty, her selfless devotion, her readiness to sacrifice.

The woman in public life today is no different than the women of the past. No one who understands the modern age would have the crazy idea of driving women from public life, from work, profession, and bread winning. But it must also be said that those things that belong to the man must remain his. That includes politics and the military. That is not to disparage women, only a recognition of how she can best use her talents and abilities.

Looking back over the past years of Germany's decline, we come to the frightening, nearly terrifying, conclusion that the less German men were willing to act as men in public life, the more women succumbed to the temptation to fill the role of the man. The feminization of men always leads to the masculinization of women. An age in which all great idea of virtue, of steadfastness, of hardness, and determination have been forgotten should not be surprised that the man gradually loses his leading role in life and politics and government to the woman.

It may be unpopular to say this to an audience of women, but it must be said, because it is true and because it will help make clear our attitude toward women.

The modern age, with all its vast revolutionary transformations in government, politics, economics, and social relations has not left women and their role in public life untouched. Things we thought impossible several years or decades ago are now everyday reality. Some good, noble, and commendable things have happened. But also things that are contemptible and humiliating. These revolutionary transformations have largely taken from women their proper tasks. Their eyes were set in directions that were not appropriate for them. The result was a distorted public view of German womanhood that had nothing to do with former ideals.

A fundamental change is necessary. At the risk of sounding reactionary and outdated, let me say this clearly: The first, best, and most suitable place for the woman is in the family, and her most glorious duty is to give children to her people and nation, children who can continue the line of generations and who guarantee the immortality of the nation. The woman is the teacher of the youth, and therefore the builder of the foundation of the future. If the family is the nation's source of strength, the woman is its core and center. The best place for the woman to serve her people is in her marriage, in the family, in motherhood. This is her highest mission. That does not mean that those women who are employed or who have no children have no role in the motherhood of the German people. They use their strength, their abilities, their sense of responsibility for the nation, in other ways. We are convinced, however, that the first task of a socially reformed nation must be to again give the woman the possibility to fulfill her real task, her mission in the family and as a mother.

The national revolutionary government is everything but reactionary. It does not want to stop the pace of our rapidly moving age. It has no intention of lagging behind the times. It wants to be the flag bearer and pathfinder of the future. We know the demands of the modern age. But that does not stop us from seeing that every age has its roots in motherhood, that there is nothing of greater importance than the living mother of a family who gives the state children.

German women have been transformed in recent years. They are beginning to see that they are not happier as a result of being given more rights but fewer duties. They now realize that the right to be elected to public office at the expense of the right to life, motherhood, and her daily bread is not a good trade.

A characteristic of the modern era is a rapidly declining birthrate in our big cities. In 1900, two million babies were born in Germany. Now the number has fallen to one million. This drastic decline is most evident in the nation's capital. In the last fourteen years, Berlin's birthrate has become the lowest of any European city. By 1955, without emigration, it will have only about three million inhabitants. The government is determined to halt this decline of the family and the resulting impoverishment of our blood. There must be a fundamental change. The liberal attitude toward the family and the child is responsible for Germany's rapid decline. We today must begin worrying about an aging population. In 1900 there were seven children for each elderly person, today it is only four. If current trends continue, by 1988 the ratio will be 1 : 1. These statistics say it all. They are the best proof that if Germany continues along its current path, it will end in an abyss with breathtaking speed. We can almost determine the decade when Germany collapses because of depopulation.

We are not willing to stand aside and watch the collapse of our national life and the destruction of the blood we have inherited. The national revolutionary government has the duty to rebuild the nation on its original foundations, to transform the life and work of the woman so that it once again best serves the national good. It intends to eliminate the social inequalities so that once again the life of our people and the future of our people and the immortality of our blood is assured.

I welcome this exhibition, whose goal is to explain and teach, and to reduce or eliminate harm to the individual and the whole people. This serves the nation and popular enlightenment, and to support it is one of the happiest duties of the new government.

Perhaps this exhibition titled "The Woman" will represent a turning point. If the goal of the exhibition is to give an impression of women in contemporary society, it does so at a time when German society is undergoing the greatest changes in generations. I am aware of how difficult this is. I know the obstacles that had to be

overcome to give this exhibition a clear theme and a firm structure. It should show the significance of the woman for the family, the people, and the whole nation. Displays will give an impression of the actual life of women today, and will provide the knowledge necessary to resolve today's conflicting opinions, which were not primarily the result of the contemporary women's movement.

But that is not all. The main purpose of the exhibition "The Woman" is not only to show the way things are, but to make proposals for improvement. It aims to show new ways and new opportunities. Clear and often drastic examples will give thousands of German women reason to think and consider. It is particularly pleasing to us men in the new government that families with many children are given particular attention, since we want to rescue the nation from decline. The importance of the family cannot be overestimated, especially in families without fathers that depend entirely upon the mother. In these families the woman has sole responsibility for the children, and she must realize the responsibility she has to her people and nation.

We do not believe that the German people is destined by fate to decline. We have blind confidence that Germany still has a great mission in the world. We have faith that we are not at the end of our history, but rather that a new, great and honorable period of our history is now beginning. This faith give us the strength to work and not despair. It enabled us to make great sacrifices over the past fourteen years. It gave millions of German women the strength to hope in Germany and its future, and to let their sons join in the reawakening of the nation. This faith was with the brave women who lost their husbands and breadwinners in the war, with those who gave their sons in the battle to renew their people. This faith kept us standing during the need and desperation of the past fourteen years. And this faith today fills us with new hope that Germany will again find its place in the sun.

Nothing makes one harder and more determined than struggle. Nothing gives more courage than to face resistance. During the years when Germany seemed destined to decline, a new kind of womanhood developed under the confused veneer of modern civilization. It is hard, determined, courageous, willing to sacrifice. During the four years of the great war and the fourteen years of German collapse that followed, German women and mothers proved themselves worthy companions of their men. They have borne all the bitterness, all the privation and danger, and did not fail when hit by misfortune, worry and trouble. As long as a nation has such a proud and noble womanhood, it cannot perish. These women are the foundation of our race, of its blood and of its future.

This is the beginning of a new German womanhood. If the nation once again has mothers who proudly and freely choose motherhood, it cannot perish. If the woman is healthy, the people will be healthy. Woe to the nation that neglects its women and mothers. It condemns itself.

We hope that the concept of the German woman will again earn the honor and respect of the entire world. The German woman will then take her pride in her land and her people, in thinking German and feeling German. The honor of her nation and her race will be most important to her. Only a nation that does not forget its honor will be able to guarantee its daily bread.

The German woman should never forget that.

I declare this exhibition open. May it reveal all the former errors and show the way to the future.

Then the world will once again respect us, and we will be able to affirm the words of Walther von der Vogelweide, who had this to say about the German woman in

his famous poem:  
He who seeks  
Virtue and proper love,

Should come to our land.  
There is much joy.  
Long may I live there.

I would also like to add something here. Because of endless Jew lies and their media propaganda, few people know the truth. What they have done to Satan and our Gods is a major example.

While the Jew controlled television, schools, universities and book media and related are forever accusing and condemning the Nazis, this in addition to the trillions of dollars in "reparations" and other favors the Jews have taken for themselves such as stealing Palestine from the Palestinians and using that phony holoco\$t to get their way on many different issues,  
[http://www.angelfire.com/dawn666blacksun/Real\\_Holocaust.html](http://www.angelfire.com/dawn666blacksun/Real_Holocaust.html)

[http://dawn666blacksun.angelfire.com/Real\\_Death\\_Camps.htm](http://dawn666blacksun.angelfire.com/Real_Death_Camps.htm)

one of the major benefits the Jews have gotten from persecuting the Nazis is they have used the Nazis as a distraction to divert attention away from unimaginable Jewish crimes against Gentiles. You will never see very much about the REAL death camps from Jewish controlled Hollywood, only movies and TV shows advertizing their phony holoco\$t. This only further reveals the truth about Jewish supremacy. What happens to Gentiles doesn't even matter.

They never expected their precious communism to fail. Vladimir Lenin was along with Josef Stalin, Lavrenty Beria [all Jews], and the rest of their

## Jewish filth- THE WORST MASS MURDERERS THAT EVER EXISTED!

In the USSR, the murder was so extensive that entire villages were wiped out, those who were not outright murdered were sent to death camps to be literally worked to death under the most brutal conditions. The murders committed by Jewish communism, under the orders of Jewish authorities extend past the hundred million mark. What they even ACCUSE Hitler and the Third Reich pales in comparison. What is worse, Hitler and the Nazis never committed any of these crimes! They have been used as a distraction and a diversion. If you read the above link, what they accused the Nazis of was not only mathematically impossible, but also has been debunked by many different scholars since WW2.

Nowhere in the annals of history has there ever been a worse case of the most sick and depraved mass murder than what has occurred under Jewish leaders- THEIR OWN ORDERS- Lenin, Stalin, Zinoviev, Kamanev, Beria- all Jews. Below is a photo of an example of their atrocities. Taking control of the food and enforcing famine was used to break the will and resistance of the people:

[http://russiapedia.rt.com/files/prominent-russians/leaders/joseph-stalin/joseph-stalin\\_16-t.jpg](http://russiapedia.rt.com/files/prominent-russians/leaders/joseph-stalin/joseph-stalin_16-t.jpg)

Yet, the Jews promote this malignant vile scum as heroes. I have even heard there is a statue commemorating Lenin in Seattle Washington. Now, just how would they react if someone put up a statue of Hitler? Or how about an open Satanic Church? This only reveals the extent of control the Jews have over everyone. The crimes committed by the Jews and yes, even to their own as they are parasites and if anyone pays the right price, they will do in their own, as money is the god of the Jews.

In closing, I would also like to add how the Jews push xianity and they deliberately corrupt writings, especially those of their enemies by injecting xian filth in them. I have been working on another project under Lilith's supervision and I have been finding how so many writings, books and related by Nazi Leaders has been totally corrupted with Christian filth. The Nazis were very ANTI-xian, and most at the top, truth be known were Satanists. The Jews work to get anyone they can, especially those who are

their enemies and a threat to them under their control with xianity. It is a psychic connection and a spell as I have written many times before. The xian imbedded filth stands out for the lie it is, as it is very contradictory and out of place in the corrupted texts. This also acts in more ways for the Jewish agenda, as it confuses Gentiles and psychically disarms those who believe the lies.

Exposing the Jewish Anti-Hitler/Anti-Nazi Propaganda

By fourthreich666

Intro

This is the intro, it is the only complete part.:

When I turn and look at this foreign propaganda my belief in our victory grows to the immeasurable. For this propaganda I experienced once before. For nearly fifteen years this propaganda was directed against us. My Old Party Comrades, you remember this propaganda! The same words! The same

phrases! Yes, when we look more closely, we see the same heads speaking the same dialects.

I finished off these people as a lonely, unknown man who gathered but a handful of people about him. Throughout fifteen years I finished off these people and today Germany is the greatest world power! - Adolf Hitler.

There are two kinds of propaganda:

1. Truth Propaganda, information. - What the Nazis spread.
2. Jewish Propaganda, lies, deceit, immorality.

What we have today, in the radios, news etc. it is Jewish. But this is not the focal point. The focal point is the Jewish/Allied Anti-Hitler, Anti-Nazi, Holocaust propaganda being shoved down our throats.

The media today, took everything from the Third Reich and turned it up-side-down. They also took every crime the Russians, the Americans, the French and the British and made them as if they were crimes the Germans committed. Each of the four counts the Axis powers were arrested on we all crime the Allies committed.

As David Irving said, during war, there are departments in governments that their only task is to spew propaganda against the enemy so that the soldiers, or in the case of the Allies (who didn't care about their soldiers) their men who were only expendables point their guns in the direction their Jewish masters want them to. The problem is there is, after the war, no truth department to admit the lies.

There are multiple examples of cases where the Allies took Nazi propaganda, added some touches to it to totally pervert the message, in some cases, the Allies just totally invented pieces of propaganda and claimed them to be German

The Lidice Hoax

(This is a VERY short part. The complete version will be up soon)

<http://www.dailystormer.com/wp-content/uploads/2013/10/ww0207-03.jpg>

In the above photograph, it says "Radio Berlin -- It is officially announced: - All men of Lidice - Czechoslovakia - Have been shot: The women deported to a concentration camp: The children sent to appropriate centers -- The name of the village was immediately abolished"

Okay, so to begin with, The Radios NEVER announced this. There is NO evidence of this ever happening. And as you notice, at the end it says: The name of the village was immediately abolished. This is to cover up that it never happened. It is also a contradiction to say that the Germans would announce this on the radio to a population of 80 million Germans and then try to cover it up by saying it never existed...

The Malmedy "Massacre" Oh My Goodness! Allied soldiers killed by the Germans and left to freeze in the snow while a Nazi looks ahead! How cruel is this!

<http://www.OLDHICKORY30TH.COM/Baugnez1.jpg>

You will be happy to know that this was admitted by the Allies to be a hoax. The hoax says that a group of German soldiers captured a group of Allied soldiers, tortured, then killed them. The Allies later, after all the commotion caused by this, admitted it to be a hoax. What happened was that the German 1st Panzer Division (Leibstandarte-SS Adolf Hitler) were driving south of Malmedy, Belgium. By total surprise and accident, they encountered a group of American soldiers, who fired on them and they fired back. After a few American soldiers fell, the rest of the American soldiers cowarded away. The Germans then began to lay the bodies in rows to bury the fallen American soldiers out of good heart. While they were doing so, they were fired upon again forcing them to retreat. In the days following the discovery, the American media seized on the event, originally reporting "hundreds"; of American deaths in the "massacre";, despite having no first-hand knowledge of it. The most sensationalistic media reports, without any evidence at all, stated that Waffen-SS soldiers had lined up the American captives, robbed them of any valuables they had, and shot them at point-blank range. - Wikipedia

Another group of Americans were captured, the German commander said, not to

kill them but to let them follow behind us. So they took away the weapons from the allies and let them follow in the rear. Sadly, the Americans were still in full uniform, and the Germans in the rear did not know that the commander allowed them to live and follow, so when the Americans ran to the rear, the Germans at the rear did not know and thought they were being attacked and fired. Few died, most survived. Those who did said the the Trials that no harm was done against them and that they were treated properly.

During the Nuremberg Trials, the allies TORTURED some captured Germans, forcing them to sign a page saying they killed them

At the interrogations, cruel tortures were used, and some soldiers committed suicide. The interrogators fabricated confessions, and through torture got several Germans to sign these fake confessions

They started the process on May 16th 1946. 74 members of the Waffen-SS were put on trial, and 43 were eventually given the death penalty. The prosecutors were the interrogators before the process, which is contrary to American law, one of the many miscarriages of justice at the trial, quickly devolving it to a kangaroo court. The most absurd event in the process may have been when

the American investigator Kirschbaum introduced a witness, Einstein, to prove that the defendant, Metzger, had murdered [Einstein's] brother, who was nonetheless sitting in the courtroom! [Prosecutor] Kirschbaum proceeded to scold Einstein: "How can we bring this pig to the gallows, if you are so stupid as to bring your brother into court!"

### **Torture**

Allied prosecutors used torture to help prove their case at Nuremberg and other postwar trials. /72

Former Auschwitz commandant Rudolf Höss was tortured by British officials into signing a false and self-incriminating "confession" that has been widely cited as a key document of Holocaust extermination. His testimony before the Nuremberg Tribunal, a high point of the proceeding, was perhaps the most striking and memorable evidence presented there of a German extermination program. /73 Höss maintained that two and half million people had been killed in Auschwitz gas chambers, and that another 500,000 inmates had died there of other causes. No serious or reputable historian now accepts either of these fantastic figures, and other key portions of Höss' "confession" are now generally acknowledged to be untrue. /74

Aleksandr Solzhenitsyn has cited the case of Jupp Aschenbrenner, a Bavarian who was tortured into signing a statement that he had worked on mobile gas chambers ("gas vans") during the war. It wasn't until several years later that he was finally able to prove that he had actually spent that time in Munich studying to become an electric welder. /75

Fritz Sauckel, head of the German wartime labor mobilization program, was sentenced to death at the main Nuremberg trial. An important piece of evidence presented to the Tribunal by the US prosecution was an affidavit signed by the defendant. (Nuremberg document 3057-PS.) It turned out that Sauckel had put his signature to this self-incriminating statement, which had been presented to him by his captors in finished form, only after he was bluntly told that if he hesitated, his wife and children would be turned over to the Soviets. "I did not stop to consider, and thinking of my family, I signed the document," Sauckel later declared. /76

Hans Fritzsche, another defendant in the main Nuremberg trial, was similarly forced to sign a self-damning confession while he was a prisoner of the Soviet secret police in Moscow. (Nuremberg document USSR-474.) /77

Nuremberg defendant Julius Streicher, who was eventually hanged because he published a sometimes sensational anti-Jewish weekly paper, was brutally mistreated following his arrest. He was badly beaten, kicked, whipped, spat at, forced to drink saliva and burned with cigarettes. His genitals were beaten. Eyebrow and chest hair was pulled out. He was stripped and photographed. Fellow defendant Hans Frank was savagely beaten by two black GIs shortly after his arrest. August Eigruber, former Gauleiter of Upper Austria, was mutilated and castrated at the end of the war. /78

Josef Kramer, former commandant of both the Bergen-Belsen and Auschwitz-Birkenau camps, and other defendants in the British-run "Belsen" trial, were reportedly also tortured, some of them so brutally that they begged to be put to death. /79

Although most of the defendants at the main Nuremberg trial were not tortured, many other Germans were forced to sign affidavits and give testimony against their former colleagues and superiors. A simple threat to turn the subject over to the Soviets was often enough to persuade him to sign an affidavit or provide testimony needed in court. Threats against the subject's wife and children, including withdrawal of ration cards, delivery to the Soviets or imprisonment, often quickly produced the desired results. If all else failed, the subject could be placed in solitary confinement, beaten, kicked, whipped or burned until he broke down. /80

The testimony of the prosecution's chief witness in the Nuremberg "Wilhelmstrasse" trial was obtained by threat of death. The American defense attorney, Warren Magee, had somehow obtained the transcript of the first pretrial interrogation of Friedrich Gaus, a former senior official in the German Foreign Office. Despite frantic protests by prosecuting attorney Robert Kempner, the judge decided to permit Magee to read from the document. During the pretrial interrogation session, Kempner told Gaus that he would be turned over to the Soviets for hanging. Tearfully pleading for mercy, Gaus begged Kempner to think of his wife and children. Kempner replied that he could save himself only by testifying in court against his former colleagues. A desperate Gaus, who had already endured four weeks in solitary confinement, agreed. When Magee finished reading from the damning transcript, Gaus sat with both hands to his face, totally devastated. /81

American soldiers repeatedly beat former SS captain Konrad Morgen in an unsuccessful effort to force him to sign a perjured affidavit against Ilse Koch, a defendant in the US military's 1947 "Buchenwald" case. American officials also threatened to turn Morgen over to the Soviets if he did not sign the false statement. /82

Luftwaffe General Field Marshal Erhard Milch was warned by a US Army Major to stop testifying on behalf of Hermann Göring in the main Nuremberg trial. The American officer told Milch that if he persisted, he would be charged as a war criminal himself, regardless of whether or not he was guilty. /83 Milch did not back down and was indeed charged. In 1947 a US Nuremberg court sentenced him to life imprisonment as a war criminal. Four years later, though, the US High Commissioner commuted his sentence to fifteen years, and a short time after that Milch was amnestied and released. /84

Reports of widespread torture at the postwar American-run "war crimes" trials at Dachau leaked out, resulting in so many protests that a formal investigation was eventually carried out. A US Army Commission of inquiry consisting of Pennsylvania Judge Edward van Roden and Texas Supreme Court Judge Gordon Simpson officially confirmed the charges of gross abuse. German defendants, they found, were routinely tortured at Dachau with savage beatings, burning matches under fingernails, kicking of testicles, months of solitary confinement, and threats of family reprisals. Low ranking prisoners were assured that their "confessions" would be used only against their former superiors in the dock. Later, though, these hapless men found their own "confessions" used against them when they were tried in turn. High ranking defendants were cynically assured that by "voluntarily" accepting all responsibility themselves they would thereby protect their former subordinates from prosecution. /85

One Dachau trial court reporter was so outraged at what was happening there in the name of justice that he quit his job. He testified to a US Senate subcommittee that the "most brutal"

interrogators had been three German-born Jews. Although operating procedures at the Dachau trials were significantly worse than those used at Nuremberg, they give some idea of the spirit of the "justice" imposed on the vanquished Germans.

Virtually all of the US investigators who brought cases before American military courts at Dachau were "Jewish refugees from Germany" who "hated the Germans," recalled Joseph Halow, a US Army court reporter at the Dachau trials in 1947. "Many of the investigators gave vent to their hatred by attempting to force confessions from the Germans by treating them brutally," including "severe beatings." /86

The case of Gustav Petrat, a German who had served as a guard at the Mauthausen, was not unusual. After repeated brutal beatings by US authorities, he broke down and signed a perjured statement. He was also whipped and threatened with immediate shooting. Petrat was prevented from securing exonerating evidence, and even potential defense witnesses were beaten and threatened to keep them from testifying. After a farcical trial by a US military court at Dachau, Petrat was sentenced to death and hanged in late 1948. He was 24 years old. /87

Use of torture to produce incriminating statements has not been limited to postwar Germany, of course. Such techniques have been systematically used by governments around the world. During the Korean War, American airmen held as prisoners by the Communist North Koreans made detailed statements "confessing" to their roles in waging germ warfare. Under physical and psychological torture, 38 US airmen "admitted" dropping bacteriological bombs that caused disease epidemics and claimed many Korean civilian lives. These statements were later shown to be false, and the airmen repudiated them after returning to the United States. Their phony confessions were the same kind of evidence given by Rudolf Höss and others at the Nuremberg trials. Under similar circumstances, Americans proved at least as ready to "confess" to monstrous but baseless crimes as Germans. /88

One of the most important and revealing Nuremberg cases is that of Oswald Pohl, the wartime head of the vast SS agency (WVHA) that ran the German concentration camps. After his capture in 1946, he was taken to Nenndorf where British soldiers tied him to a chair and beat him unconscious. He lost two teeth in repeated beatings. /89 He was then transferred to Nuremberg, where American military officials intensively interrogated him for more than half a year in sessions that lasted for hours. Altogether there were about 70 such sessions. During this period he had no access to an attorney or any other help. He was never formally charged with anything, nor even told precisely why he was being interrogated.

In a statement written after he was sentenced to death at Nuremberg in November 1947 by the American military court ("Concentration Camp" Case No. 4), Pohl described his treatment. /90 He reported that although he was generally not physically mistreated in Nuremberg as he had been at Nenndorf, he was nevertheless subjected to the less noticeable but, as he put it, "in their own way much more brutal emotional tortures."

American interrogators (most of them Jews) accused Pohl of killing 30 million people and of condemning ten million people to death. The interrogators themselves knew very well that such accusations were lies and tricks meant to break down his resistance, Pohl declared. "Because I am not emotionally thick-skinned, these diabolical intimidations were not without effect, and the interrogators achieved what they wanted: not the truth, but rather statements that served their needs," he wrote.

Pohl was forced to sign false and self-incriminating affidavits written by prosecution officials that were later used against him in his own trial. As he recalled:

Whenever genuine documents did not correspond to what the prosecution authorities wanted or were insufficient for the guilty sentences they sought, "affidavits" were put together. The most striking feature of these remarkable trial documents is that the accused often condemned themselves in them. That is understandable only to those who have themselves experienced the technique by which such "affidavits" are obtained.

He and other defendants were "destroyed" with these affidavits, which "contain provable errors of fact regarding essential points," Pohl wrote. Among the false statements signed by Pohl was one that incriminated former Reichsbank President Walter Funk, whom the Nuremberg Tribunal eventually sentenced to life imprisonment. /91

American officials also made use of false witnesses at Nuremberg, Pohl wrote:

Whenever these productions [affidavits] were not enough to produce the result sought by the prosecuting authorities, they marched out their so-called 'star witnesses,' or rather, paid witnesses ... A whole string of these shady, wretched characters played their contemptible game at Nuremberg. They included high government officials, generals and intellectuals as well as prisoners, mental defectives and real hardened criminals ... During the WVHA trial [of Pohl] a certain Otto appeared from a mental institution as a "star witness." His previous lifestyle would have been considered exemplary by any hardened criminal. The same is true of prosecution witness Krusial who presented the most spectacular fairy tales to the court under oath, which were naturally believed ...

Pohl also protested that defense attorneys were not allowed free access to the German wartime documents, which the prosecution was able to find and use without hindrance:

For almost two years the prosecution authorities could make whatever use they wanted of the many crates of confiscated documentary and archival material they had at their disposal. But the same access right was refused to the German defendants despite their repeated efforts ... This meant a tremendous or even complete paralysis and hindrance of the defense cases for the accused, for those crates also contained the exonerating material that the prosecution authorities were able to keep from being presented to the court. And that is called "proper" procedure.

Because Pohl held the rank of general in the German armed forces, his treatment by the British and Americans was illegal according to the international agreements on the treatment of prisoners of war.

"As result of the brutal physical mistreatment in Nenndorf and my treatment in Nuremberg, I was emotionally a completely broken man," he wrote. "I was 54 years old. For 33 years I had served by country without dishonor, and I was unconscious of any crime."

Pohl summed up the character of the postwar trials of German leaders:

It was obvious during the Dachau trials, and it also came out unmistakably and only poorly disguised during the Nuremberg trials, that the prosecution authorities, among whom Jews predominated, were driven by blind hatred and obvious lust for revenge. Their goal was not the search for truth but rather the annihilation of as many adversaries as possible.

To an old friend Pohl wrote: "As one of the senior SS leaders I had never expected to be left unmolested. No more, however, did I expect a death sentence. It is a sentence of retribution." /92

He was hanged on June 7, 1951. In his final plea to the Nuremberg court, Pohl expressed his faith that one day blind hysteria would give way to just understanding: /93

After distance and time have clarified all events and when passion has ceased and when hatred and revenge have stilled their hunger, then these many millions of decent Germans who have sacrificed their lives for their fatherland will not be denied their share of sympathy which today is being attributed to the victims of the concentration camps, although a large number of them owe their fate not to political, racial or religious characteristics, but to their criminal ast

Subject: Women and Nazism

This topic is a topic about any and every Satanic/National Socialist woman. Thing is, due to enemy propaganda, how Nazi's portrayed women and how they had them in mind was entirely different than what most know. Its well known the enemies of the cause and those who spread black propaganda, are trying to push that women should be (according to their xianized enemy version of Nazism) in the kitchen, doing the dishes, taking care of the kids and so forth.

Its not like this.

To understand why some people have this belief, one has to observe the historical context. Germany after WW1, was almost utterly destroyed. The Women were totally humiliated and jews who were rampant in Germany did what they always do, even nowadays with women. They tried to push senseless propaganda, tried to make women whores and that sort of deal. At the 20th Century, xianity was still tight in its grip. Thing is, the enemy communism does not discern between man and woman at all, everyone is a worker and this is what the enemy has planned for women in Nazi Germany and anywhere else, according to jewish plan.

Now Women who have had or know others who have kids, know that by working full 12 hours a day in the slave jewish programm, you could never raise kids, let alone you would never have the funds for it, let away that its too stressing for women, intense physical work. Women by nature in their MAJORITY (NOTE: MAJORITY) are not meant to do heavy labor work as this causes all sort of damage to them in the long run. Neither are women ideal for working lets say at mining or wherever else. The jewish capitalists/communists (same coin different side) simply wanted people to be all equals. Women had to work like cattle, all day long. As the bible says and their torah, main lines, women are meaningless pieces of swine and are impure, the sources of all sin etc. Though in all their insanity, they also want to abuse women endlessly by exploiting them sexually and so forth. By pushing the propaganda on either side, thats the end they always want to achieve.

Thing most people fail to grasp, on purpose, is that these measures that most women should be at home, were measures taken by a Germany in a state of severe regression, trying to get upwards again. Germany had low population due to WW1, many men were butchered as we all know. This means and signfies that women had to have children and take care of them, as the people would go extinct. Its that simple. Its not a cosmic theory that women should be at home, it was a measure that was needed at that time. Men had to do the hard labor only to save women from it, unless it was their choice to get on all this labor. Many women chose for instance to be in the Luftwaffe (German Pilots) and were treated no less than any other soldier. Thing is, the Reich had to protect women from the plagues of war, pornography, perversion and the unwelcome enviroment created by the jews. The enemy knows when to hit. At war, hitting the women is far more stabbing in the nation as you hit the future of the nation and the strongest atom of it, which is the woman. Also, take in that all this happened in 1910 and afterwards- these days women were already in the kitchen, and if you go backwards like in the Dark ages, women and men were swine and probably enslaved to some kike in many regions. In other words, Nazi Germany was not repressive of women, it was revolutionary in giving women more freedoms and rights.

Hitler himself mentioned in his speeches that these measures were solely taken so that women would not suffer war. A woman can face much more humiliation than a man in wartime and this is evident to anyone who is aware of such circumstances. Also, the Hitler youth and other stuff accepted women and all these things. Women were treated with exceptional respect and their position was similar to the position of the old Spartan women. Infact, because women were so important they had to be protected in times of upwards move away from the regression, which everyone knew would get to war. Women were allowed to go to theaters and all these things, but meanwhile in the so called "freedom" countries they were totally limited.

Exceptions were treated as exceptions. For instance, Hanna Reitsch was a top pilot in Nazi Germany [ [http://en.wikipedia.org/wiki/Hanna\\_Reitsch](http://en.wikipedia.org/wiki/Hanna_Reitsch) ].

Thing is the enemy always does what they do. They blame Racism to us. They blame that we push women in the kitchen to us, while they themselves have

wrote a damn kike 2000 year old book saying every 2 pages that women are whores, worthless, meaningless, were made out of adam's rib, that god is male and has no wife (degradation of women) and so forth. In the Nazi and Satanic view, the female and male have equal positions, but as people and characters we may with choice choose in per se a partnership, choose someone to stay on "top". What we also recognize is that in both Genders some signs are apparent like in males, they have more muscle mass for instance and are made naturally in their MAJORITY to be warriors, while the MAJORITY of women should have lighter tasks and other orientations in work and so forth.

Keep in mind that Nazism is eternal, so we understand change. Today men are boys and women for the most part as it seems cannot find decent husbands. The enemy has created many imbalances. But what those who preach black propaganda in our ranks is a crock of shit. The cosmic theory around our women was never one of oppression. Its just that kikes will make protection from their deeds against women seem like 'restriction'.

Its the notion of xianity and the abrahamic programs, the jewish propaganda that sees women as swine. Nazism was revolutionary and as the years went by, women were far more free than they ever were before. There are many uneducated people and black propagandists who say all sorts of shit, trying to blacken the part of the woman. In closing, take 4 notions in mind.

1. The historical context of the time.
2. The jewish programms and the communist programms and how they see the women
3. That gradually women were becoming free-er in Nazi Germany and most had the greatest time of their lives so long Hitler had the nation.
4. That times change but the jewish scourge cannot be wiped out just like this from the major populace. Every sensible person knows this. You could not hop from 1850 when women were simply married by their parents to 1890 and expect it all to have changed. Even nowadays in many places of the world these things are still to change, thanks to the jewish programms.

Satanism and Nazism were here to free us from all that scourge. But to free us, we had to be alive and protected. Nowadays they preach women are 'free'. While infact they are most subconsciously opressed and played upon their deepest insticts of beauty, trying to find a mate and so forth. The kikes are pushing it all too far for a backlash. Never feed in their two sided games. There is always a third and fourth and fifth options and these are the Satanic options.

Oppression of women never has had to do with Satanism and Nazism. Its an offspring of xianity and the related ilk.

Heil our Women and Heil our Men!!!

In the above photograph, it says "Radio Berlin -- It is officially announced:- All men if Lidice - Czechoslovakia - Have been shot: The women deported to a concentration camp: The children sent to appropriate centres -- The name of the village was Immediately abolished"

**(The words in quotations are the hoaxes and what did NOT happen)**

Okay, so to begin with, The Radios NEVER announced this. There is NO evidence of this ever happening. And as you notice, at the end it says: The name of the village was immediately abolished. This is to cover up that it never happened. It is also a contradiction to say that the Germans would announce this on the radio to a population of 80 million Germans and then try to cover it up by saying it never existed... Lidice never existed. It was not on the maps when Hitler came to power, nor was it on the map when the hoax supposedly occurred. Also EVERY order by Heinrich Himmler and Adolf Hitler were written down, but this, just happened no to to be...And coincidentally, BOTH Hiiimler and Hitler ordered this in revenge of the assassination of Heydrich at the SAME time...wow. And apparently, the Nazis at Nuremeber were dumb enough to MAKE A DOCUMENTARY PROOVING THAT THEY COMMITTED THE MASSACRE, SO THAT THEY CAN HAND IT OVER TO THE ALLIES SO THAT THEY CAN USE IT AS EVIDENCE AGAINST THE GERMANS. MYSTERIOUSLY, after the trials, this film was never seen again

As mentioned, there has been no evidence whatsoever of this fake massacre ever occurring. All there is is bullshit Allied Propaganda.

A classic error the Jews and Allies make is making contradictory versions of stories. Here is one with the Lidice massacre. These are two different stories of the Lidice massacre, both from the same source, going against each other

June 10, 1942 version:

"503 inhabitants supposedly made up Lidice. According to this version 173 men of Lidice were shot the women were taken to concentration camps, and the children were herded into trucks. To this day the fate of the children is unknown."

June 10, 1945 version:

"340 Lidice citizens were murdered by the Nazis. 143 Lidice women returned home after the war ended . After a two-year search 17 children were restored to their mothers"

"All the men and boys over 16 years old, 172 in all, were rounded up and locked in a barn. They were then shot the next day in groups of ten, which lasted from dawn until 4 in the afternoon. 19 men who were working in the mines during the shooting were also rounded up and sent to Prague where they were killed."

"The women as a whole fared better than the men, but still faced cruel situations. Seven of the women were taken to Prague where they were shot. The rest, numbering 195, were sent to the Ravensbrueck concentration camp in Germany. There 49 of the women died; 7 by gassing, and the rest from cruel treatment."

**\*There were no gassings at Ravensbruck, another peice of false Holofoax propoganda.\***

"The children, 90 in all, were taken to a concentration camp at Gneisenau. The children were then selected according to the "racial experts" and distributed to German people with new German names to be raised as their own."

**But wait! Another version says there were, 105 children and 81 were said to have been killed at Chelmno, yet in the June 10 1845 version, there is no mention of this!**

"The remaining women were shipped to the Ravensbruck concentration camp, where about a quarter of them died in the gas chambers or from overwork."

**\*Once again "the quarter" of remaining Lidice women died in the FAKE gas chambers in Ravensbrueck\***

"The children were taken to the Gneisenau concentration camp, where they were sorted by racial criteria, and those deemed suitable for Aryanization were shipped to Germany."

**\*The Lidice children were taken to Gneisenau in this version, and again no mention about Chelmno extermination camp\***

"All together, about 250 people died in the Nazi reprisal in Lidice."

**\*This goes against all that was said in the above paragraphs\***

The Lidice Propaganda film

Viktor Fischl who is a Jew, approached the Crown Film Unit, the unit in charge of making British propaganda films and handed them with a a brief layout of the false Propaganda film. The was appealing British director, Humphrey Jennings (a son if two socialists), infact, so appealing immediately set about looking for a village in Wales, part rural, part industrial, that would be similar to Lidice.

And remember this was titled a PROPAGANDA film

And of course, from my studies, a classic trait of Jewish propaganda is always including women and children, because they know "the goy" has a soft spot in that area.

Hitler once said In regards to the camps "And already they [the allies] are crying that this war should not pay heed to women and children. For when has England ever paid heed to women and children? After all, this entire blockade warfare is nothing other than war against women and children, just as once was the case in the Boer war. It was then that concentration camps were invented! The English gave birth to this idea! We read about it in the encyclopaedias and then later copied it with one crucial difference: England locked up men and women in these camps. Over twenty thousand Boerwomen died wretchedly at the camp. Why should England fight differently today?

Subject: Nuremberg Treatment of the Germans - What Nuremberg Said, and what N

This is not my writing. I am working on a very large article exposing Nuremberg the the camp trials. I will write about a paragraph on the topic below, also adding staements etc.

---

What Nuremerg said about treatment of Prisoners:

"The exclusive aim of the prisoner ship is to prevent the further participation of prisoners in the war." "A State may do everything necessary for the holding of prisoners, but nothing more.... "Prisoners of war may be employed to perform moderate work in conformity with their social position.... "In any case, such work must not be detrimental to health and must not be of a humiliating nature. It must not contribute directly to military operations against the native country of the prisoners....

"Prisoners of war lose their freedom but retain their rights. In other words, military confinement is not an act of mercy on the part of the captor, but the right of disarmed persons." It may surprise you to learn that the instructions cited are those issued by the German General Staff in Volume 18 of the circular published in 1902. The principle of humane treatment of prisoners and wounded servicemen was further developed in the Hague Convention of 1907 and the Geneva Convention of 1929.

Germany's adherence to these conventions was definitely reflected in the German law regarding wartime courts-martial. I have in mind, particularly, the German law of 17 August 1938, and, in particular, Part "e", Articles 73 and 75, which contain direct reference to the Convention of 1929. That was at a time when Hitlerite Germany had already begun the execution of her aggressive plans.

As the Tribunal will remember, the 23rd Article of the Hague Convention of 1907 states, "...it is forbidden...to kill or wound an enemy who, having laid down his arms and possessing no means of defense, has unconditionally surrendered." .....

I should like to emphasize that in the appendix to the Convention on the Laws and Customs of Land War (Second Peace Conference, 1907), Article 4 of Chapter 2, concerning prisoners of war, states as follows and you, Sir, will find the quotation on Page 4 of the document book, where it is underlined with red pencil:

"Prisoners of war remain in the custody of the enemy government and not of the individuals or troops which had captured ' them.

"They must be treated humanely.

"All their personal belongings except arms, horses, and military papers, will remain in their possession."

What Nuremberg Did:

Excerpt from: The Nuremberg Trials and the Holocaust by the IHR

Torture

Allied prosecutors used torture to help prove their case at Nuremberg and other postwar trials. /72

Former Auschwitz commandant Rudolf Höss was tortured by British officials into signing a false and self-incriminating "confession" that has been widely cited as a key document of Holocaust extermination. His testimony before the Nuremberg Tribunal, a high point of the proceeding, was perhaps the most striking and memorable evidence presented there of a German extermination program. /73 Höss maintained that two and half million people had been killed in Auschwitz gas chambers, and that another 500,000 inmates had died there of other causes. No serious or reputable historian now accepts either of these fantastic figures, and other key portions of Höss' "confession" are now generally acknowledged to be untrue. /74

Aleksandr Solzhenitsyn has cited the case of Jupp Aschenbrenner, a Bavarian who was tortured into signing a statement that he had worked on mobile gas chambers ("gas vans") during the war. It wasn't until several years later that he was finally able to prove that he had actually spent that time in Munich studying to become an electric welder. /75

Fritz Sauckel, head of the German wartime labor mobilization program, was sentenced to death at the main Nuremberg trial. An important piece of evidence presented to the Tribunal by the US prosecution was an affidavit signed by the defendant. (Nuremberg document 3057-PS.) It turned out that Sauckel had put his signature to this self-incriminating statement, which had been presented to him by his captors in finished form, only after he was bluntly told that if he hesitated, his wife and children would be turned over to the Soviets. "I did not stop to consider, and thinking of my family, I signed the document," Sauckel later declared. /76

Hans Fritzsche, another defendant in the main Nuremberg trial, was similarly forced to sign a self-damning confession while he was a prisoner of the Soviet secret police in Moscow. (Nuremberg document USSR-474.) /77

Nuremberg defendant Julius Streicher, who was eventually hanged because he published a sometimes sensational anti-Jewish weekly paper, was brutally mistreated following his arrest. He was badly beaten, kicked, whipped, spat at, forced to drink saliva and burned with cigarettes. His genitals were beaten. Eyebrow and chest hair was pulled out. He was stripped and photographed. Fellow defendant Hans Frank was savagely beaten by two black GIs shortly after his arrest. August Eigruber, former Gauleiter of Upper Austria, was mutilated and castrated at the end of the war. /78

Josef Kramer, former commandant of both the Bergen-Belsen and Auschwitz-Birkenau camps, and other defendants in the British-run "Belsen" trial, were reportedly also tortured, some of them so brutally that they begged to be put to death. /79

Although most of the defendants at the main Nuremberg trial were not tortured, many other Germans were forced to sign affidavits and give testimony against their former colleagues and superiors. A simple threat to turn the subject over to the Soviets was often enough to persuade him to sign an affidavit or provide testimony needed in court. Threats against the subject's wife and children, including withdrawal of ration cards, delivery to the Soviets or imprisonment, often quickly produced the desired results. If all else failed, the subject could be placed in solitary confinement, beaten, kicked, whipped or burned until he broke down. /80

The testimony of the prosecution's chief witness in the Nuremberg "Wilhelmstrasse" trial was obtained by threat of death. The American defense attorney, Warren Magee, had somehow obtained the transcript of the first pretrial interrogation of Friedrich Gaus, a former senior official in the German Foreign Office. Despite frantic protests by prosecuting attorney Robert Kempner, the judge decided to permit Magee to read from the document. During the pretrial interrogation session, Kempner told Gaus that he would be turned over to the Soviets for hanging. Tearfully pleading for mercy, Gaus begged Kempner to think of his wife and children. Kempner replied that he could save himself

only by testifying in court against his former colleagues. A desperate Gaus, who had already endured four weeks in solitary confinement, agreed. When Magee finished reading from the damning transcript, Gaus sat with both hands to his face, totally devastated. /81  
American soldiers repeatedly beat former SS captain Konrad Morgen in an unsuccessful effort to force him to sign a perjured affidavit against Ilse Koch, a defendant in the US military's 1947 "Buchenwald" case. American officials also threatened to turn Morgen over to the Soviets if he did not sign the false statement. /82

Luftwaffe General Field Marshal Erhard Milch was warned by a US Army Major to stop testifying on behalf of Hermann Göring in the main Nuremberg trial. The American officer told Milch that if he persisted, he would be charged as a war criminal himself, regardless of whether or not he was guilty. /83 Milch did not back down and was indeed charged. In 1947 a US Nuremberg court sentenced him to life imprisonment as a war criminal. Four years later, though, the US High Commissioner commuted his sentence to fifteen years, and a short time after that Milch was amnestied and released. /84

Reports of widespread torture at the postwar American-run "war crimes" trials at Dachau leaked out, resulting in so many protests that a formal investigation was eventually carried out. A US Army Commission of inquiry consisting of Pennsylvania Judge Edward van Roden and Texas Supreme Court Judge Gordon Simpson officially confirmed the charges of gross abuse. German defendants, they found, were routinely tortured at Dachau with savage beatings, burning matches under fingernails, kicking of testicles, months of solitary confinement, and threats of family reprisals. Low ranking prisoners were assured that their "confessions" would be used only against their former superiors in the dock. Later, though, these hapless men found their own "confessions" used against them when they were tried in turn. High ranking defendants were cynically assured that by "voluntarily" accepting all responsibility themselves they would thereby protect their former subordinates from prosecution. /85

One Dachau trial court reporter was so outraged at what was happening there in the name of justice that he quit his job. He testified to a US Senate subcommittee that the "most brutal" interrogators had been three German-born Jews. Although operating procedures at the Dachau trials were significantly worse than those used at Nuremberg, they give some idea of the spirit of the "justice" imposed on the vanquished Germans.

Virtually all of the US investigators who brought cases before American military courts at Dachau were "Jewish refugees from Germany" who "hated the Germans," recalled Joseph Halow, a US Army court reporter at the Dachau trials in 1947. "Many of the investigators gave vent to their hatred by attempting to force confessions from the Germans by treating them brutally," including "severe beatings." /86

The case of Gustav Petrat, a German who had served as a guard at the Mauthausen, was not unusual. After repeated brutal beatings by US authorities, he broke down and signed a perjured statement. He was also whipped and threatened with immediate shooting. Petrat was prevented from securing exonerating evidence, and even potential defense witnesses were beaten and threatened to keep them from testifying.

After a farcical trial by a US military court at Dachau, Petrat was sentenced to death and hanged in late 1948. He was 24 years old. /87

Use of torture to produce incriminating statements has not been limited to postwar Germany, of course. Such techniques have been systematically used by governments around the world. During the Korean War, American airmen held as prisoners by the Communist North Koreans made detailed statements "confessing" to their roles in waging germ warfare. Under physical and psychological torture, 38 US airmen "admitted" dropping bacteriological bombs that caused disease epidemics and claimed many Korean civilian lives. These statements were later shown to be false, and the airmen repudiated them after returning to the United States. Their phony confessions were the same kind of evidence given by Rudolf Höss and others at the Nuremberg trials. Under similar circumstances, Americans proved at least as ready to "confess" to monstrous but baseless crimes as Germans. /88

One of the most important and revealing Nuremberg cases is that of Oswald Pohl, the wartime head of the vast SS agency (WVHA) that ran the German concentration camps. After his capture in 1946, he was taken to Nenndorf where British soldiers tied him to a chair and beat him unconscious. He lost two teeth in repeated beatings. /89 He was then transferred to Nuremberg, where American military officials intensively interrogated him for more than half a year in sessions that lasted for hours. Altogether there were about 70 such sessions. During this period he had no access to an attorney or any other help. He was never formally charged with anything, nor even told precisely why he was being interrogated.

In a statement written after he was sentenced to death at Nuremberg in November 1947 by the American military court ("Concentration Camp" Case No. 4), Pohl described his treatment. /90 He reported that although he was generally not physically mistreated in Nuremberg as he had been at Nenndorf, he was nevertheless subjected to the less noticeable but, as he put it, "in their own way much more brutal emotional tortures."

American interrogators (most of them Jews) accused Pohl of killing 30 million people and of condemning ten million people to death. The interrogators themselves knew very well that such accusations were lies and tricks meant to break down his resistance, Pohl declared. "Because I am not emotionally thick-skinned, these diabolical intimidations were not without effect, and the interrogators achieved what they wanted: not the truth, but rather statements that served their needs," he wrote.

Pohl was forced to sign false and self-incriminating affidavits written by prosecution officials that were later used against him in his own trial. As he recalled:

Whenever genuine documents did not correspond to what the prosecution authorities wanted or were insufficient for the guilty sentences they sought, "affidavits" were put together. The most striking feature of these remarkable trial documents is that the accused often condemned themselves in them. That is understandable only to those who have themselves experienced the technique by which such "affidavits" are

obtained.

He and other defendants were "destroyed" with these affidavits, which "contain provable errors of fact regarding essential points," Pohl wrote. Among the false statements signed by Pohl was one that incriminated former Reichsbank President Walter Funk, whom the Nuremberg Tribunal eventually sentenced to life imprisonment. /91

American officials also made use of false witnesses at Nuremberg, Pohl wrote:

Whenever these productions [affidavits] were not enough to produce the result sought by the prosecuting authorities, they marched out their so-called 'star witnesses,' or rather, paid witnesses ... A whole string of these shady, wretched characters played their contemptible game at Nuremberg. They included high government officials, generals and intellectuals as well as prisoners, mental defectives and real hardened criminals ... During the WVHA trial [of Pohl] a certain Otto appeared from a mental institution as a "star witness." His previous lifestyle would have been considered exemplary by any hardened criminal. The same is true of prosecution witness Krusial who presented the most spectacular fairy tales to the court under oath, which were naturally believed ...

Pohl also protested that defense attorneys were not allowed free access to the German wartime documents, which the prosecution was able to find and use without hindrance:

For almost two years the prosecution authorities could make whatever use they wanted of the many crates of confiscated documentary and archival material they had at their disposal. But the same access right was refused to the German defendants despite their repeated efforts ... This meant a tremendous or even complete paralysis and hindrance of the defense cases for the accused, for those crates also contained the exonerating material that the prosecution authorities were able to keep from being presented to the court. And that is called "proper" procedure.

Because Pohl held the rank of general in the German armed forces, his treatment by the British and Americans was illegal according to the international agreements on the treatment of prisoners of war.

"As result of the brutal physical mistreatment in Nenndorf and my treatment in Nuremberg, I was emotionally a completely broken man," he wrote. "I was 54 years old. For 33 years I had served by country without dishonor, and I was unconscious of any crime."

Pohl summed up the character of the postwar trials of German leaders:

It was obvious during the Dachau trials, and it also came out unmistakably and only poorly disguised during the Nuremberg trials, that the prosecution authorities, among whom Jews predominated, were driven by blind hatred and obvious lust for revenge. Their goal was not the search for truth but rather the annihilation of as many adversaries as possible.

To an old friend Pohl wrote: "As one of the senior SS leaders I had never expected to be left unmolested. No more, however, did I expect a death sentence. It is a sentence of retribution." /92

He was hanged on June 7, 1951. In his final plea to the Nuremberg court, Pohl expressed his faith that one day blind hysteria would give way to just understanding: /93

After distance and time have clarified all events and when passion has ceased and when hatred and revenge have stilled their hunger, then these many millions of decent Germans who have sacrificed their lives for their fatherland will not be denied their share of sympathy which today is being attributed to the victims of the concentration camps, although a large number of them owe their fate not to political, racial or religious characteristics, but to their criminal past.

More on the Torture of Rudolf Hoss

How the British Obtained The Confessions Of Rudolf Höss, By Dr. Robert Faurisson  
The Journal for Historical Review Winter 1986 Volume 7 page 389

Rudolf Höss was the first of three successive commandants of the Auschwitz concentration camp. He is often called "the Commandant of Auschwitz," and the general public knows of him from a book published under the title *Commandant in Auschwitz*.

He appeared before the International Military Tribunal as a witness on 15 April 1946, where his deposition caused a sensation. To the amazement of the defendants and in the presence of journalists from around the world, he confessed to the most frightful crimes that history had ever known. He said that he had personally received an order from Himmler to exterminate the Jews. He estimated that at Auschwitz 3,000,000 people had been exterminated, 2,500,000 of them by means of gas chambers. His confessions were false. They had been extorted from Höss by torture, but it took until 1983 to learn the identity of the torturers and the nature of the tortures they inflicted upon him.

The confessions of Rudolf Höss supply the keystone to the theory which maintains that systematic extermination of the Jews, especially by means of homicidal gas chambers, was a historical reality.

These confessions consist essentially of four documents which, in chronological order, are the following:

etc etc etc

The war ended in Germany on 8 May 1945. Höss fell into the hands of the British, who imprisoned him in a camp for SS men. As a trained agronomist, he obtained an early release. His guards were unaware of the importance of their prey. A work office found him employment as an agricultural work at a farm near Flensburg, not far from the Danish border. He remained there for eight months. The military police looked for him. His family, with whom he succeeded in making contact, was closely watched and subjected to frequent searches.

### Revelations in 1983 About the British Torturers of Rudolf Höss

The Revisionists proved a long time ago that the various confessions of Rudolf Höss contained so many gross errors, nonsensical elements, and impossibilities of all kinds, that it is no longer possible to believe them, as did the judges at Nuremberg and Cracow, as well as certain self styled historians, without any prior analysis of their content and of the circumstances in which they were obtained.

In all likelihood, Höss was tortured by the British soldiers of the 92nd Field Security Section, but a confirmation of that hypothesis was necessary. Confirmation has come with the publication in England of a book containing the name of the principal torturer (a British sergeant of Jewish origin) and a description of the circumstances of Höss' arrest, as well as his third-degree interrogation.

The book is by Rupert Butler. It was published in 1983 (Hamlyn Paperbacks). Butler is the author of three other works: *The Black Angels*, *Hand of Steel* and *Gestapo*, all published by Hamlyn. The book that interests us is entitled *Legions of Death*. Its inspiration is anti-Nazi. Butler says that he researched this book at the Imperial War Museum in London, the Institute for Contemporary History and Wiener Library, and other such prestigious institutions. At the beginning of his book, he expresses his gratitude to these institutions and, among others, to two persons, one of whom is Bernard Clarke ("who captured Auschwitz Commandant Rudolf Höss"). The author quotes several fragments of what are either written or recorded statements by Clarke.

Bernard Clarke shows no remorse. On the contrary, he exhibits a certain pride in having tortured a "Nazi." Rupert Butler, likewise, finds nothing to criticize in that. Neither of them understands the importance of their revelations. They say that Höss was arrested on 11 March, 1946, and that it took three days of torture to obtain "a coherent statement." They do not realize that the alleged "coherent statement" is nothing other than the lunatic confession, signed by their quivering victim on the 14th or 15th of March 1946, at 2:30 in the morning, which was to seal Höss' fate definitely, a confession which would also give definitive shape to the myth. The confession would also shape decisively the myth of Auschwitz, the supposed high-point of the extermination of the Jews, above all due to the alleged use of homicidal gas chambers.

On 11 March 1946, a Captain Cross, Bernard Clarke and four other intelligence specialists in British uniforms, most of them tall and menacing, entered the home of Frau Höss and her children.

The six men, we are told, were all "practised in the more sophisticated techniques of sustained and merciless investigation" (p. 235). Clarke began to shout:

If you don't tell us [where your husband is] we'll turn you over to the Russians and they'll put you before a firing-squad. Your son will go to Siberia. Frau Höss broke down and revealed, says Clarke, the location of the farm where her husband was in hiding, as well as his assumed name: Franz Lang. And Bernard Clarke added:

Suitable intimidation of the son and daughter produced precisely identical information. The Jewish sergeant and the five other specialists in third degree interrogation then left to seek out Höss, whom they surprised in the middle of the night, sleeping in an alcove of the room used to slaughter cattle on the farm.

Höss screamed in terror at the mere sight of British uniforms. Clarke yelled "What is your name?" With each answer of "Franz Lang," Clarke's hand crashed into the face of his prisoner. The fourth time that happened, Höss broke and admitted who he was. The admission suddenly unleashed the loathing of the Jewish sergeants in the arresting party whose parents had died in Auschwitz following an order signed by Höss. The prisoner was torn from the top bunk, the pyjamas ripped from his body. He was then dragged naked to one of the slaughter tables, where it seemed to Clarke the blows and screams were endless. Eventually, the Medical Officer urged the Captain: "Call them off, unless you want to take back a corpse." A blanket was thrown over Höss and he was dragged to Clarke's car, where the sergeant poured a substantial slug of whisky down his throat. Then Höss tried to sleep. Clarke thrust his service stick under the man's eyelids and ordered in German: "Keep your pig eyes open, you swine." For the first time Höss trotted out his oft-repeated justification: "I took my orders from Himmler. I am a soldier in the same way as you are a soldier and we had to obey orders." The party arrived back at Heide around three in the morning. The snow was swirling still, but the blanket was torn from Höss and he was made to walk completely nude through the prison yard to his cell. (p. 237) So it is that Bernard reveals "It took three days to get a coherent statement out of [Höss]" (ibid.). This admission was corroborated by Mr. Ken Jones in an article in the Wrexham Leader. (October 17, 1986):

Mr. Ken Jones was then a private with the fifth Royal Horse Artillery stationed at Heid[e] in Schleswig-Holstein. "They brought him to us when he refused to cooperate over questioning about his activities during the war. He came in the winter of 1945/6 and was put in a small jail cell in the barracks," recalls Mr. Jones. Two other soldiers were detailed with Mr. Jones to join Höss in his cell to help break him down for interrogation. "We sat in the cell with him, night and day, armed with axe handles. Our job was to prod him every time he fell asleep to help break down his resistance," said Mr. Jones. When Höss was taken out for exercise he was made to wear only jeans and a thin cotton shirt in the bitter cold. After three days and nights without sleep, Höss finally broke down and made a full confession to the authorities. Clarke's

statement, obtained under the conditions just described by bullies of British Military Security under the brutal inspiration of sergeant-interpreter Bernard Clarke, became Höss's first confession, the original confession indexed under the number NO-1210. Once the tortured prisoner had begun to talk, according to Clarke, it was impossible to stop him. Clarke, no more conscious in 1982 or 1983 than in 1946 of the enormity of what he forced Höss to confess, goes on to describe a series of fictitious horrors presented here as the truth: Höss went on to tell how after the bodies had been ignited, the fat oozing from them was poured over the other bodies (!). He estimated the number of dead during just the period when he was at Auschwitz at two million (!); the killings reached 10,000 victims per day (!).

It was Clarke's duty to censor the letters sent by Höss to his wife and children. Every policeman knows that the power to grant or withhold permission to a prisoner to write to his family constitutes a psychological weapon. To make a prisoner "sing" it is sometimes sufficient to merely suspend or cancel that authorization. Clarke makes an interesting remark about the content of Höss's letters; he confides to us:

Sometimes a lump came to my throat. There were two different men in that one man. One was brutal with no regard for human life. The other was soft and affectionate. (p. 238) Rupert Butler ends his narrative by saying that Höss sought neither to deny nor to escape his responsibilities. In effect, at the Nuremberg tribunal Höss conducted himself with a "schizoid apathy." The expression is that of the American prison psychologist, G.M. Gilbert, who was in charge of the psychological surveillance of the prisoners and whose eavesdropping aided the American prosecution. We can certainly believe that Höss was "split in two"! He had the appearance of a rag because they had turned him into a rag.

"Apathetic", writes Gilbert on page 229 of his book; "apathetic, he repeats on the following page; "schizoid apathy," he writes on page 239 (Nuremberg Diary, 1947, Signet Book, 1961).

At the end of his trial at Cracow; Höss greeted his death sentence with apparent indifference, Rupert Butler comments as follows:

[Höss] reasoned that Allies had their orders and, that there could be absolutely no question of these not being carried out. (ibid.) One could not say it any better. It seems that Rudolf Höss, like thousands of accused Germans turned over to the mercy of conquerors who were totally convinced of their own goodness, had quickly grasped that he had no other choice but to suffer the will of his judges, whether they came from the West or from the East.

Butler then quickly evokes the case of Hans Frank, the former Governor of Poland. With the same tone of moral satisfaction he recounts the circumstances of Frank's capture and subsequent treatment:

Celebrity status of any kind singularly failed to impress the two coloured GIs who arrested him and made sure he was transported to the municipal prison in Miesbach only after he had been savagely beaten up and flung into a lorry. A tarpaulin had been thrown over him to hide

the more obvious signs of ill-treatment; Frank found the cover useful when he attempted to slash an artery in his left arm. Clearly, no such easy way out could be permitted; a US army medical officer saved his life and he stood trial at the International Military Tribunal at Nuremberg. (p. 238-239) Rudolf Höss and Hans Frank were not the only ones to undergo treatment of that kind. Among the most celebrated cases, we know of Julius Streicher, Hans Fritzsche, Oswald Pohl, Franz Ziereis, and Josef Kramer.

But the case of Rudolf Höss is by far the most serious in its consequences. There is no document that proves that the Germans had a policy of exterminating the Jews. Léon Poliakov agreed with this in 1951:

As regards the conception properly called of the plan for a total extermination, the three or four principal actors committed suicide in May of 1945. No document has survived or perhaps has ever existed. (Bréviaire de la haine: Le IIIe Reich et les Juifs, Calmann-Levy, 1951, Livre de Poche, 1974, p.171) In the absence of any document, historians à la Poliakov have repeatedly returned, primarily, to doubtful confessions like those of Kurt Gerstein or Rudolf Höss, sometimes modifying the texts to suit their convenience.

Bernard Clarke is "today a successful businessman working in the south of England" (Legions of Death, 1983, p. 235). One can in fact say that it is his voice that was heard at Nuremberg on 15 April 1946, when Assistant Prosecutor Amen read, piece by piece, to an astonished and overwhelmed audience, the supposed confession of Rudolf Höss. On that day was launched a lie of world-wide dimensions: the lie of Auschwitz. At the origins of that prodigious media event: several Jewish sergeants of British Military Security, including Bernard Clarke, "today a successful businessman working in the south of England."

### The Testimony of Moritz von Schirmeister

During the war, Moritz von Schirmeister had been the personal press attaché of Joseph Goebbels. On 29 June 1946, he was interrogated before the IMT as a defense witness for Hans Fritzsche. His deposition was particularly interesting regarding the actual personality of Dr. Goebbels and the attitude of the official German news services toward the flood of atrocity stories about the concentration camps spread during the war by the Allies.

At the end of the war, Moritz von Schirmeister had been arrested by the British and interned in a camp in England, where he was given the task of politically "re-educating" his fellow prisoners. Before testifying at Nuremberg, he was transferred by plane from London to Germany. At first he was kept at Minden-on-the-Weser, which was the principal interrogation center for the British Military Police. From there he was taken by car (31 March -- 1 April 1946) to the prison at Nuremberg. In the same car rode Rudolf Höss. Moritz von Schirmeister is precisely that "prisoner of war who had been brought over from London as a witness in Fritzsche's defense about whom Höss speaks in his "memoirs" (see above, p. 393).

Thanks to a document that I obtained from American researcher Mark Weber, who gave me a copy of it in Washington in September of 1983 (a document whose exact source I not yet authorized to indicate), we know that they were able to talk freely in the car that took them to Nuremberg. In that document, slightly more than two pages long, Schirmeister reports, as regarding the charges hanging over Höss, that Höss confided to him:

Gewiss, ich habe unterschrieben, dass ich 2 Millionen Juden umgebracht habe. Aber ich hätte genausogut unterschrieben, dass es 5 Millionen Juden gewesen sind. Es gibt eben Methoden, mit denen man jedes Geständnis erreichen kann -- ob es nun wahr ist oder nicht."Certainly, I signed a statement that I killed two and a half million Jews. But I could just as well have said that it was five million Jews. There are certain methods by which any confession can be obtained, whether it is true or not."

### Another Confession Signed by Rudolf Höss

The British torturers of Rudolf Höss had no reason to exercise any restraint. After making him sign document NO-1210 at 2:30 in the morning of the 14th or 15th of March 1946, they obtained a new signature from him on March 16, this time at the bottom of a text in English, written in an English handwriting style, with a blank in the space where the name of the place ought to have been given. His guards made him sign a simple note written in English:

Statement made voluntarily at \_\_\_\_\_ Gaol by Rudolf Höss, former Commandant of Auschwitz Concentration Camp on 16th day of March 1946. I personally arranged on orders received from Himmler in May 1941 the gassing of two million persons between June/July 1941 and the end of 1943 during which time I was commandant of Auschwitz. signed.

Rudolf Höss,

SS-Stubhr.

Eh. (?) Kdt. v. Auschwitz-Birkenau (even the word "signed" was written in an English hand). The Auschwitz Myth

We have known for some time that the Auschwitz myth is of an exclusively Jewish origin. Arthur R. Butz has related the facts in his book, *The Hoax of the Twentieth Century*, as has Wilhelm Stäglich in *The Auschwitz Myth*. The principal authors of the creation and the peddling of the "rumor of Auschwitz" have been, successively, two Slovaks, Alfred Wetzler (or Weczler) and Rudolf Vrba (or Rosenberg or Rosenthal); then a Hungarian, Rabbi Michael Dov Ber Weissmandel (or Weissmandl); then, in Switzerland, representatives of the World Jewish Congress like Gerhard Riegner, who were in touch with London and Washington; and finally Americans like Harry Dexter White, Henry Morgenthau Jr. and Rabbi Stephen Samuel Wise. Thus was born the famous World Refugee Board Report on Auschwitz and Birkenau, published in

Washington in November 1944. Copies of this report were included in the files of the judges advocate general in charge of prosecuting the Germans involved in the Auschwitz camp. It constituted the official version of the story of the alleged gassing of the Jews in that camp. Most probably it was used as a reference work by the inquirers-interrogators-torturers of "the Commandant of Auschwitz." All the names here mentioned are those of Jews.

Moreover we now see that Bernard Clarke, the first British torturer, was a Jew, The second British torturer, Major Draper (?), may also have been a Jew. The same for the two Americans: psychologist G.M. (Gustave Mahler) Gilbert and Colonel Harlan Amen. Finally, in Poland, Höss was faced with Polish Jews who treated him more or less the same way. When he wrote his "memoirs" it was under the supervision of instructing magistrate Jan Sehn, who was also probably a Jew.

Establishment historians dispute that Höss had been tortured and had confessed under duress. Since the publication of Rupert Butler's book in 1983, however, it is no longer possible for them to contest that. The Revisionists were right.

Since 1985 it is even less possible. In January-March 1985, the trial of Ernst Zündel, who was accused by a Jewish association and by the Crown of spreading Revisionist literature, took place in Toronto (Canada). Rudolf Vrba testified as a Crown witness. (He lives now in British Columbia). Affirmative and self assured as long as he answered the questions of the Crown, he suffered a spectacular rout when cross-examined by Ernst Zündel's lawyer, Doug Christie. For the first time since 1945 a Jewish witness to the alleged gassings in Auschwitz was asked to explain his affirmations and his figures. The result was so terrible for R. Vrba that finally the Crown itself gave a kind of coup de grace to its key witness. That unexpected event and some others (like the leading specialist of the Holocaust, Raul Hilberg, being caught red-handed in his lies) really made of the "Toronto Trial" the "Trial of the Nuremberg Trial."

The unintentional revelations of Rupert Butler in 1983 and unexpected revelations of the "Toronto Trial" in 1985 succeeded at last in showing entirely and clearly how the Auschwitz myth was fabricated from 1944 to 1947, to be exact from April 1944, when Rudolf Vrba and Alfred Wetzler are supposed to have escaped from Auschwitz to tell their story to the world up until April 1947, when Rudolf Höss was hanged after having supposedly told the same world his own story about Auschwitz.

It is remarkable that from beginning to end that story comes from essentially or perhaps even exclusively Jewish sources. Two Jewish liars (Vrba and Wetzler) from Slovakia convinced or seemed to have convinced other Jews from Hungary, Switzerland, United States, Great Britain, and Poland. This is not a conspiracy or a plot; it is the story of the birth of a religious belief: the myth of Auschwitz, center of the religion of the Holocaust.

## Nazism has won, Communism has died.

Many people say and say again the same poem of the 'holocaust' and how evil Hitler was. Again and again, every time with more and more evidence, we debunk their claims. The evidence is there. Thing is, the major populace is programmed. From day one that someone is born, they are hearing "Oh thank jewsus the baby was born" and by the age of 10 they hear every day, watch kike made movies, hear 'public opinion' shaped by some jewish historian about Hitler and the Nazis.

Seriously, Nazis, Ancient Civilizations, Satan and Satanism are the big NO-NO's in this society! NOOOOOO! STAY WORSHIPPING THE JEW- EMMANUEL JIZZUS OR YOU WILL ROAST IN HELL! HE WILL COME BACK AND JUDGE YOU! OBEY OR BURN FOR ALL ETERNITY! The things that like the jew 'god' in the garden of Eden, when one touches they will "Die". Lying as they always do, both their 'god' and them, nobody that seeked the Truth died. The so called 'forgotten apple' did not kill anyone and brought the so called knowledge of good and evil to those who gave in the time and effort to reach it. It takes such an idiotic 'god' to create man with the capability to Sin, only to torture them later after doing it. Since he was all knowing, he knew beforehand they would sin, so he made them able to sin. If he did not know it, according to xian theology, he did not know everything and as thus he is no 'god'.

Of course he is not. For one its nothing more than a jewish fantasy novel, where they have complete and total power everyone else in the globe, everyone is enslaved and such. How could the rambling of some kikes make sense? Lies do not make sense. Especially so big lies. How could they ever make sense?

The so called idiots though, who preach anti-Nazism do not do the fundamental thing any person who knows history should do. STUDY BOTH SIDES FROM UNBIASED SOURCES. Even this jew "Cole" made a documentary proving the gas chambers were a hoax. Thing is, jews are too ready to betray their own race everytime. Maybe "Cole" was on the side that his bank account had 100,000,0\$ and not 2 billions like his cousins, so it grew infuriated and started what he did. Then "Cole" appears 10 years after in the jewish owned and run Holly-wood. This fence hopping jew came with a plan. While he debunked the holocaust, he accused Hitler or all the other crimes he was accused, acting as a gate-keeper to his fellow jews and faithfully a propaganda minister of his own.

When someone does this and sees that the whole governmental cabinet of Stalin was jewish for instance and caused the massacre of at least 25 million Russians in Labor camps, then see the videos where jews themselves testify that in the big 'labor camps' they could paint, swim in swimming pools, dance, play football with the so-evil Nazis and such, it takes a peanut of a brain to realize how in this case the 'winner' has blamed all their shit to the 'loser' of the war. The 'loser' is judged by the winner. Its as simple as that. But, who was the 'winner' of the war and who was the 'loser'? Upon first glance you will say it was USSR who won the war. And that Nazi Germany lost.

Thing is, our side has started with a different purpose and the jewish USSR side started with another purpose in mind. In such cases you do not judge 'victory' by whom survived and who did not, you judge victory or loss according to who fulfilled their purpose for which a war was started.

Their purpose was world domination and to dominate everything according to their jewish/communist laws, torah and the rest, assume a "God" position and rule everything, enslave anyone. This happened only inside

USSR. People were nothing but swine, women were only objects and work laborers, children were pieces of shit in the eyes of jews who would run their 'eternal' machine of war Jew USSR in her prime to dominate the whole globe. They really believed this laughable shit. Lenin, Stalin, Trotsky, Molotov and so forth- all jews. All worked for the same purpose, whatever their actions. To enslave people into a slave state. To materialize their inner view of the cosmos, which is nothing else than what their Torah and their Protocols of Zion have wrote since day one. Jews have always operated by their hive mind and this is evident in the same outcome that comes in all civilizations they have gained power in: Destruction. Their Torah justifies them to be 'gods', above anyone and everyone. With the systematic destruction of all spiritual knowledge, they have that knowledge and assume to be 'gods'. Its known in the so called 'atheist' USSR there were dozens of Rabbis and kikes who would launch curses and whatever else in the unknowing populace. If someone was an enemy of the jewish owned state, they would either die by their secret police, or they would get cursed or both.

The bible in itself is a communist book and the mother of communist theory- all jewish. "All men are equals in the face of 'god' ". What happened in Soviet Russia was "all men are equals in the face of Stalin" or some other appointed jewish messiah who will fulfill what the jews have been trying to built for so long. Thing is, the jews are naturally a sickly and weak race. They have been on our ass for 2000 years and still cannot fulfill a damn goal. And even if they did, which they never could, they would fail to maintain it like it has happened in the USSR. They simply failed. Hitler built up a nation from total destruction to a world power in around 10 years. Enough said.

People are taught to believe in jews like they are gods, since day one. We are taught to believe that 'god' was a kike spaceman who sat on the clouds and cursed people. Endless confusion but what remains is this- we are taught to believe in the jews and the jewish 'god'. Thing is, they have been destroying civilizations since day one of their existence. The Ancient Romans perished under their grip and even nowadays they are destroying everything, every form of civilization. By the moment Europe has allowed them in and gave them 'citizen rights' everything has been going downhill; debt, two major world wars and economic plagues, instability in all levels, bad governship that destroyed a large portion of people, humiliation, senseless industrialization without feeling or

remorse, false intelligentsia and philosophies of all kinds that are basically ruining every aspect of Gentile life and are leading people to mental hospitals by the hundreds each day.

But what was the purpose of Nazis and Hitler?

Simple.

First of all stop the jewish beast from taking over the globe and Europe, slow them down [They succeeded then construct a legacy for others to follow after them, in which everything would go over for the jews [We are approaching there and there is nothing the jews can do- check on Israel's case, people are waking up en-masse]. The Nazis reached too far, almost destroyed USSR themselves. When Hitler was at the door, the jew Stalin knew he was done with, so he informed the western jews that their legacy was coming to the end. Hitler had the whole Europe under his control. Hitler's method of Blizzkrieg war, had brought Russia to her knees. When Hitler's Troops entered and were outside of Stalin-grad, by that time over 50,000 Russians fought at his side against the jewish beast to regain back their country. IT WAS NO LONGER RUSSIA- IT WAS A JEWISH HAVEN MADE ONLY FOR JEWS.

Everyone knows the jews today. Them trying to hide and pretend to be harmless no longer works. Even the most stupid people know. Most of those whom they own by xianity and through their spell of xianity, hate them to the bone and they will choose to decimate the jewish problem than to adhere to some jewish 'god' as people subconsciously know they are being played on.

Hitler and the SS knew they would not have the jews finished on their days, as they were scattered all across the

globe. They passed down the message. By their symbols they caused re-awakening. Anti-Semitism is now again flaming. Where is it that they won? Back then the Jews had German and other enemies. Now everyone down the street can be their enemy as people know, everyone knows and those who do not know, are getting told by now. Everyone knows what they did to America, to Germany, to other countries. People see them and they recognize them. There is nowhere to hide for them anymore. Everyone knows how they use money. The internet has served us well.

Miss's Stalin when confronted outside of the Jewish USSR capital by the Nazis, called in his friend Jews from England and the USA. So they started up the western front to dilute the powers of Germany. One step before destruction, as everyone Jewish was shitting their pants, they had to ensure their racial dream – world domination. But by the time Hitler was in Stalingrad, the purpose of the Nazis had already been fulfilled. On the whole war, the Jewish Rabbis kept and kept murdering people [as the case with the young boy Andrei who was murdered to curse the Czar] and sending the energy to the Nazis and mostly Hitler and his stuff, or used it to guide events. All sorts of blood Rituals were taking place and the gulags were ideal for this, all sorts of USSR psychics were on the roll and doing all sorts of shit (In an atheistic state- When Jews finalize their control Christianity gets thrown out of the window as it serves no need- it already made the people obedient to Jews and now this had to actualize), as the suffering and horror of the people where was untold.

People need to study more. The left-run universities and Jewish infested 'knowledge' is keeping people blind. Jews prove they are guilty by all this infestation in history and such, because this proves they did what they have been accused and are trying to re-write history.

The Jews knew that these places would serve as an endless cattle farm when they can take people out from, butcher them and use their life energy to achieve all sorts of goals. From all their nasty effort, all they could do is not get destroyed back then, but they could do nothing about Hitler's final plan, which has succeeded already, as the purpose was to Stop and Expose the international Jewry of the planet. Now days, everyone knows.

Thing is, by the fall of Germany and the major economic collapse (again Jewish in its roots) and with the Jews like Rothschilds and the Jewish Vatican running the global system, the Jews thought it has now been over with. They took over Russia in which they had much power already, built up the beast and simply went for world domination, after the point their Jewish 'ark' of USSR would be strong enough to carry them all. But they never expected Hitler, neither an uprising in Nazism. They thought that by creating hundreds of false frontiers as they do today, people would remain asleep. The same thing they did in Russia with their Demagogues, they did in Germany as well, but it never worked there. They expected their reign to go on forever. They expected no opposition. Thing is, the materialistic nature of the Jews is all they are and the same reason they always fail- the Western Jews and the Eastern Jews when they thought they had us all by the balls after Nazi Germany was put to sleep, they made a Cold War which exhausted both of them, bringing the 'ark' of the USSR state to its knees. They destroyed their own selves in their run towards their imaginary top.

The Jews cannot rule anything as it's not in their nature to rule, not even a slave state that they have created. Whatever they have constructed has collapsed, in every and all occasions, whatever it was. The only danger is that they are bringing down to collapse the things they have attached themselves to- that's what we should be worried about. Eternal things are not for them, neither is rebuilding.

They expected the return of the medieval times, they expected to rule alongside with their reptilian masters and other nefarious beings who seek the end of Humanity as it was. They thought Satan was out of the game. Now, where is their eternal kingdom? In every state waiting to get pogrom'd, because of all their deeds against Gentiles? Or in a stolen Palestinian state which was funded by their WW2 holocaust lies, on the back of Gentiles there, getting bombed daily?

Who has won the war and who is Eternal now? They will always need Gentiles to feast upon, even as their slaves. They need Gentiles even as enslaved. We do not need them anywhere, in no facet of our Global or National lives. And in every Gentile Nazism will wake up, it's a matter of time. Now not only it has woken up, but is rising like a manifold flame, ready to burn and wipe out those who long have oppressed every nation of the world. Let's not

allow other countries and our own countries to be victimized like Russia did, under the Jewish Grip.

Subject: Re: Women and Nazism

I would like to make a few statements concerning this. First of all, Nazism is Satan's New World Order. This is a fact. This is also why there has been a strong emphasis on Nazism in the JoS E-groups. What is happening now in Europe is no accident.

Unlike the human hating enemy "god" and company, Satan takes care of and has responsibility for human souls. Those souls who are of Satan are not just wandering the astral, they are in Hell. At the time of a dedicated one's death, Demons will arrive to safely escort his/her soul to Hell where it will be safe and secure. The enemy who is human hating leaves the majority to reincarnate at random or to wander the astral. Others who have totally conformed, like devout Christians are used for their energies; as an energy host which is an amalgamation of souls that the enemy refers to as "the one" and "the light."

Most of the top Nazis who were loyal to the end are in Hell. The JoS priesthood has been working with them as well as some members here. I am not at liberty to go into any details, but I will tell you, they do not in any way intend to take away women's rights. They will all be coming back. Lilith has been in charge of overseeing this project and I can tell you, she is strongly for women's rights. There are also women Nazis there as well.

Goebbels' speech was given in a different time and era and under different circumstances. The German population was decimated severely after WW I and children were needed. Women were not forced into motherhood, only encouraged. Not everyone is cut out to be a mother. In addition, the women's

SS division worked along with the men's. Germany was attacked by the world Jewish controlled governments and forced into another war. The real purpose for the SS was to make them community leaders. This right here proves Nazism supported women's rights and treated women as equals. SS women were being prepared to be community leaders.

Back at that time, before the mid 1960's, women did not have the same privileges as men and this was also in the USA and in many other countries. Back then, most women the world over wore skirts and many occupations were off limits to them. This is a fact. The Jew always exploits everything and has worked the other side in pushing women into the workforce by necessity, usually financial. The system now raises many of the children in daycare centers, as this is a further step in breaking up the family.

I can tell you, in Satan's New World Order, women will have the rights they have now and even more in a positive sense. Women doctors are needed and there are many other professions that need women. Motherhood is not for everyone. Those in Hell also know about the changes in the times regarding many issues.

12 Women and Nazism Sat Jul 12, 2014 5:32 pm (PDT) . Posted by:  
high\_priest\_hooded\_cobra\_666 This topic is a topic about any and every Satanic/National Socialist woman. Thing is, due to enemy propaganda, how Nazi's portrayed women and how they had them in mind was entirely different than what most know. Its well known the enemies of the cause and those who spread black propaganda, are trying to push that women should be (according to their xianized enemy version of Nazism) in the kitchen, doing the dishes, taking care of the kids and so forth.

Its not like this.

To understand why some people have this belief, one has to observe the historical context. Germany after WW1, was almost utterly destroyed. The

Women were totally humiliated and jews who were rampant in Germany did what they always do, even nowadays with women. They tried to push senseless propaganda, tried to make women whores and that sort of deal. At the 20th Century, christianity was still tight in its grip. Thing is, the enemy communism does not discern between man and woman at all, everyone is a worker and this is what the enemy has planned for women in Nazi Germany and anywhere else, according to jewish plan.

Now Women who have had or know others who have kids, know that by working full 12 hours a day in the slave jewish programm, you could never raise kids, let alone you would never have the funds for it, let away that its too stressing for women, intense physical work. Women by nature in their MAJORITY (NOTE: MAJORITY) are not meant to do heavy labor work as this causes all sort of damage to them in the long run. Neither are women ideal for working lets say at mining or wherever else. The jewish capitalists/communists (same coin different side) simply wanted people to be all equals. Women had to work like cattle, all day long. As the bible says and their torah, main lines, women are meaningless pieces of swine and are impure, the sources of all sin etc. Though in all their insanity, they also want to abuse women endlessly by exploiting them sexually and so forth. By pushing the propaganda on either side, thats the end they always want to achieve.

Thing most people fail to grasp, on purpose, is that these measures that most women should be at home, were measures taken by a Germany in a state of severe regression, trying to get upwards again. Germany had low population due to WW1, many men were butchered as we all know. This means and signfies that women had to have children and take care of them, as the people would go extinct. Its that simple. Its not a cosmic theory that women should be at home, it was a measure that was needed at that time. Men had to do the hard labor only to save women from it, unless it was their choice to get on all this labor. Many women chose for instance to be in the Luftwaffe (German Pilots) and were treated no less than any other soldier. Thing is, the Reich had to protect women from the plagues of war, pornography, perversion and the unwelcome enviroment created by the jews. The enemy knows when to hit. At war, hitting the women is far more stabbing in the nation as you hit the future of the nation and the strongest atom of it, which is the woman. Also, take in that all this happened in 1910 and afterwards- these days women were

already in the kitchen, and if you go backwards like in the Dark ages, women and men were swine and probably enslaved to some kike in many regions. In other words, Nazi Germany was not repressive of women, it was revolutionary in giving women more freedoms and rights.

Hitler himself mentioned in his speeches that these measures were solely taken so that women would not suffer war. A woman can face much more humiliation than a man in wartime and this is evident to anyone who is aware of such circumstances. Also, the Hitler youth and other stuff accepted women and all these things. Women were treated with exceptional respect and their position was similar to the position of the old Spartan women. Infact, because women were so important they had to be protected in times of upwards move away from the regression, which everyone knew would get to war. Women were allowed to go to theaters and all these things, but meanwhile in the so called "freedom" countries they were totally limited.

Exceptions were treated as exceptions. For instance, Hanna Reitsch was a top pilot in Nazi Germany [ [http://en.wikipedia.org/wiki/Hanna\\_Reitsch](http://en.wikipedia.org/wiki/Hanna_Reitsch) ].

Thing is the enemy always does what they do. They blame Racism to us. They blame that we push women in the kitchen to us, while they themselves have wrote a damn kike 2000 year old book saying every 2 pages that women are whores, worthless, meaningless, were made out of adam's rib, that god is male and has no wife (degradation of women) and so forth. In the Nazi and Satanic view, the female and male have equal positions, but as people and characters we may with choice choose in per se a partnership, choose someone to stay on "top". What we also recognize is that in both Genders some signs are apparent like in males, they have more muscle mass for instance and are made naturally in their MAJORITY to be warriors, while the MAJORITY of women should have lighter tasks and other orientations in work and so forth.

Keep in mind that Nazism is eternal, so we understand change. Today men are boys and women for the most part as it seems cannot find decent husbands. The enemy has created many imbalances. But what those who preach black propaganda in our ranks is a crock of shit. The cosmic theory around our women was never one of oppression. Its just that kikes will make protection from their deeds against women seem like 'restriction'.

Its the notion of xianity and the abrahamic programs, the jewish propaganda that sees women as swine. Nazism was revolutionary and as the years went by, women were far more free than they ever were before. There are many uneducated people and black propagandists who say all sorts of shit, trying to blacken the part of the woman. In closing, take 4 notions in mind.

1. The historical context of the time.
2. The jewish programms and the communist programms and how they see the women
3. That gradually women were becoming free-er in Nazi Germany and most had the greatest time of their lives so long Hitler had the nation.
4. That times change but the jewish scourge cannot be wiped out just like this from the major populace. Every sensible person knows this. You could not hop from 1850 when women were simply married by their parents to 1890 and expect it all to have changed. Even nowdays in many places of the world these things are still to change, thanks to the jewish programms.

Satanism and Nazism were here to free us from all that scourge. But to free us, we had to be alive and protected. Nowdays they preach women are 'free'. While infact they are most subconsciously opressed and played upon their deepest insticts of beauty, trying to find a mate and so forth. The kikes are pushing it all too far for a backlash. Never feed in their two sided games. There is always a third and fourth and fifth options and these are the Satanic options.

Oppression of women never has had to do with Satanism and Nazism. Its an offspring of xianity and the related ilk.

Heil our Women and Heil our Men!!!

This is part of an Article exposing Nuremberg. I am posting sections everytime I finish one. I am reading through EVERYTHING that is or is linked the written version, evidence, testimonies etc. and exposing them as I go along. This will all look better when the full article is complete. I will also be going through every Nazi defendant at Nuremberg and exposing the counts against them. I will be skipping traitors and cowards such as Martin Bormann. Judgement at Nuremberg Part 1: Aims of the Nazi Party

Source of the words said at the Judgment at Nuremberg of 1 October 1946: [http://crimeofaggression.info/documents/6/1946\\_Nuremberg\\_Judgement.pdf](http://crimeofaggression.info/documents/6/1946_Nuremberg_Judgement.pdf)

## THE NAZI REGIME IN GERMANY THE ORIGIN AND AIMS OF THE NAZI PARTY

On the 5th January, 1919, not two months after the conclusion of the Armistice which ended the First World War, and six months before the signing of the Peace Treaties at Versailles, there came into being in Germany a small political party called the German Labour Party. On the 12th September, 1919, Adolf Hitler became a member of this party, and at the first public meeting held in Munich, on the 24th February, 1920, he announced the party's programme. That programme, which remained unaltered until the party was dissolved in 1945, consisted of twenty-five points, of which the following five are of particular interest on account of the light they throw on the matters with which the Tribunal is concerned:

"Point 1. We demand the unification of all Germans in the Greater Germany, on the basis of the right of self-determination of peoples.

Point 2. We demand equality of rights for the German people in respect to the other nations; abrogation of the peace treaties of Versailles and Saint Germain.

{414}

Point 3. We demand land and territory for the sustenance of our people, and the colonization of our surplus population.

Point 4. Only a member of the race can be a citizen. A member of the race can only be one who is of German blood, without consideration of creed. Consequently no Jew can be a member of the race . . . .

Point 22. We demand abolition of the mercenary troops and formation of a national army."

[Point 4 is a corruption: The original version is: "None but the members of the nation may be citizens of the state. None but those of German blood, whatever their creed may be, may be members of the nation. No Jew, therefore may be a member of the nation" /1. As you can see this makes a huge difference. All of the points mentioned above have been changed from the original 1932 source the prosecutors took the points from. They changed certain words to make them seem much more dramatic, such as in Point 2, they changed abolished to abrogation. Point two in the 1932 source, is a PAID army, here it is mercenary troops]

Of these aims, the one which seems to have been regarded as the most important, and which figured in almost every public speech, was the removal of the "disgrace" of the Armistice, and the restrictions of the peace treaties of Versailles and Saint Germain. In a typical speech at Munich on the 13th April, 1923, for example, Hitler said, with regard to the Treaty of Versailles:

"The treaty was made in order to bring twenty million Germans to their deaths, and to ruin the German nation . . . . At its foundation our movement formulated three demands:

Setting aside of the Peace Treaty.

Unification of all Germans.

Land and soil to feed our nation."

[Adolf Hitler NEVER said the above speech mentioned, dating to April 13 1923, thus proving the above two paragraphs false. /2.]

The demand for the unification of all Germans in the Greater Germany was to play a large part in the events preceding the seizure of Austria and Czechoslovakia; the abrogation of the Treaty of Versailles was to become a decisive motive in attempting to justify the policy of the German Government; the demand for land was to be the justification for the acquisition of "living-space" at the expense of other nations; the expulsion of the Jews from membership of the race of German blood was to lead to the atrocities against the Jewish people; and the demand for a national army was to result in measures of rearmament on the largest possible scale, and ultimately to war.

[This whole living space thing is GREATLY exaggerated. What they fail to mention, is that in almost every speech made by Hitler up until his imprisonment, he said that this land was German in origin and was stolen from them, and he said so with 100% truth. The land belonging to Germany which Hitler got back, even if this living space thing is real, would have been more than enough to accommodate the Aryan race. Even

Hitler himself has said, that he had no intention of conquering ALL of Europe. He stated his reasons clearly every time he invaded a country. Also, Hitler invaded countries to prevent the Soviet Union conquering it, result in millions more dieing. An ethic of National Socialism is racial perservation, If they did not do what they did, the land which belongs to the Aryans would have become, no-mans-but-a-cultural-marxists-land. One of the reasons the Allied messed up the Living space thing is to say that the reason Hitler "invaded" European countries is because he was racist and not the true reason I just mentioned]

On the 29th July, 1921, the Party, which had changed its name to Nationalsozialistische Deutsche Arbeiter Partei (NSDAP) was reorganized, Hitler becoming the first "Chairman." It was in this year that the Sturmabteilung or SA was founded, with Hitler at its head, as a private paramilitary force, which allegedly was to be used for the purpose of protecting NSDAP leaders from attack by rival political parties, and preserving order at NSDAP meetings, but in reality was used for fighting political opponents on the streets. In March, 1923, the defendant Göring was appointed head of the SA.

[This is all true, except when is says but in reality was used for fighting political opponents on the streets. At that time, the Nazis were hated by the socialist/communitis/jews solely because they were exosing them and destroying, therefore they were constantly attcked, "Action-reacion" They fought back the slander and abuse (mental and physical) they were reiceiving, is that so wrong?]

The procedure within the Party was governed in the most absolute way by the "leadership principle" (Führerprinzip). According to the principle, each Führer has the right to govern, administer, or decree, subject to no control of any kind and at his complete discretion, subject only to the orders he receives from above.

This principle applied in the first instance to Hitler himself as the Leader of the Party, and in a lesser degree to all other Party officials. All members of the Party swore an oath of "eternal allegiance" to the Leader.

[Here, they are simply saying that being loyal to Hitler was wrong. The Fuhrrerprinzip can be explained no better than this: The Fuhrrer Leads, we follow! The Fuhrrerprinzip is not facism nor is it a dictatorship, it is being loyal to the man who has carried a burden heavier than any other has, to a man who sacrificed everything for his Nation, to a man who knows how to lead better than any other, hence when he gives an order it should be obeyed, because disobeying is going to scew up the nation. What they said in the above paragraph, is no more and no less than explaining loyalty as a dictatorship. They should have paid more attention to thier own words: Alliegiance is loyalty - Hence the oath of Allegiance. Also, is the leader of EVERY party, wether is be facist, communist or National Socialist not the highest command, the supreme?.]

There were only two ways in which Germany could achieve the three main aims above-mentioned: by negotiation, or by force. The twenty-five points of the NSDAP programme do not specifically mention the methods on which the leaders of the Party proposed to rely, but the

history of the Nazi regime shows that Hitler and his followers were only prepared to negotiate on the terms that their demands were conceded, and that force would be used if they were not.

[The history of the regime, ACTUALLY shows that Germany achieved the points through peaceful methods. Every nation Hitler "invaded" They were welcomed and cheered on. When they "invaded" countries such as Poland and Russia, flowers were given to them /3. Even in Poland, the Brits later said, we didn't really care about Poland, we just did not want Hitler to have it. Hitler outlined his peaceful methods in his peace request, of which he sent twelve in total and attempted to negotiate 12 times /4. Ladies and Gentlemen, you make up your mind: Hitler Sent them [12] peace requests, they sent him their declaration of war.]

On the night of 8th November, 1923, an abortive Putsch took place in Munich. Hitler and some of his followers burst into a meeting in the Bürgerbräu Cellar which was being addressed by the Bavarian Prime Minister Kahr, with the intention of obtaining from him a decision to march forthwith on Berlin. On the morning of the 9th November, however, no Bavarian support was forthcoming, and Hitler's demonstration was met by the armed forces of the Reichswehr and the police. Only a few volleys were fired; and after a dozen of his followers had been killed, Hitler fled for his life, and the demonstration was over. The defendants Streicher, Frick and Hess all took part in the attempted rising. Hitler was later tried for high treason, and was convicted and sentenced to imprisonment. The SA was outlawed. Hitler was released from prison in 1924, and in 1925 the Schutzstaffel, or SS, was created, nominally to act as his personal bodyguard, but in reality to terrorize political opponents. This was also the year of the publication of Mein Kampf, containing the political views and aims of Hitler, which came to be regarded as the authentic source of Nazi doctrine.

[The SS never terrorised anybody. There is no evidence to suggest they did. The Night of the Long knives occurred because Rohm and members of the SA were trying to work with the French in an attempt to rid of Hitler /5.]

Subject: Enabling Act. NSDAP VS SDP: NATIONAL SOCIALISM VS. SOCIALISM

This is an important Speech. It is a duel between Hitler and the NSDAP and Otto Wels and the SDP. It is more or less National Socialism vs Communism. Hitler's speeches were littered with Christian corruption, I removed it, as I am doing with all of Hitler's speeches - flushing christianity down the toilet. ## Adolf Hitler - policy statement on the Enabling Act

March 23, 1933

Adolf Hitler Speaks: Ladies and Gentlemen of the German Reichstag! By agreement with the Reich Government, today the National Socialist German Workers' Party and the German National People's Party have presented to you for resolution a notice of motion concerning a "Law for Removing the Distress of Volk and Reich." The reasons for this extraordinary measure are as follows: In November 1918, the Marxist organizations seized the executive power by means of a Revolution. The monarchs were dethroned, the authorities of Reich and Länder removed from office, and thus a breach of the Constitution was committed. The success of the revolution in a material sense protected these criminals from the grips of justice. They sought moral justification by asserting that Germany or its government bore the guilt for the outbreak of the War.

This assertion was deliberately and objectively untrue. In consequence, however, these false accusations in the interest of our former enemies led to the severest oppression of the entire German Volk, and the violation of the assurances given to us in Wilson's Fourteen Points then led to a time of boundless misfortune for Germany, that is to say the working German Volk.

All the promises made by the men of November 1918 proved to be, if not acts of intentional deception, then no less damnable illusions. The "achievements of the Revolution"

were, taken in their entirety, agreeable for only the smallest of fractions of our Volk, but for the overwhelming majority, at least insofar as these people were forced to earn their daily bread by honest work, they were infinitely sad. It is understandable that the survival instinct of those parties and men guilty of this development invents a thousand euphemisms and excuses. An objective comparison of the average outcome of the last fourteen years with the promises once proclaimed is a crushing indictment of the responsible architects of this crime unparalleled in German history.

In the course of the past fourteen years, our Volk has suffered deterioration in all sectors of life, which could inconceivably have been greater. The question as to what, if anything, could have been worse than in these times is a question which cannot be answered in light of the basic values of our German Volk as well as the political and economic inheritance which once existed.

In spite of its lack of mobility in political feelings and positions, the German Volk itself has increasingly turned away from concepts, parties, and associations which, in its eyes, are responsible for these conditions.

The number of Germans who inwardly supported the Weimar Constitution in spite of the suggestive significance and ruthless exploitation of the executive power dwindled, in the end, to a mere fraction of the entire nation.

Another typical characteristic of these fourteen years was the fact that- apart from natural fluctuations-the curve of developments has shown a constant decline. This depressing realization was one of the causes of the general state of despair. It served to promote the insight into the necessity of thoroughly rejecting the ideas, organizations, and men in which one gradually and rightly began to recognize the underlying causes of our decay.

The National Socialist Movement was thus able, in spite of the most horrible oppression, to convert increasing numbers of Germans in terms of spirit and will to defensive action. Now, in association with the other national leagues, it has eliminated the powers which have been ruling since November 1918 within a few short weeks and, by means of a revolution, transferred public authority to the hands of the National Government. On March 5, the German Volk gave its approval to this action.

The program for the reconstruction of the Volk and the Reich is determined by the magnitude of the distress crippling our political, moral and economic life.

Filled with the conviction that the causes of this collapse lie in internal damage to the body of our Volk, the Government of the National Revolution aims to eliminate the afflictions from our völkisch life which would, in future, continue to foil any real recovery. The disintegration of the nation into irreconcilably opposite Weltanschauungen which was systematically brought about by the false doctrines of Marxism means the destruction of the basis for any possible community life.

The dissolution permeates all of the basic principles of social order. The completely opposite approaches of the individuals to the concepts of state, society, religion, morality, family, and economy rips open differences which will lead to a war of all against all. Starting with the liberalism of the past century, this development will end, as the laws of nature dictate, in Communist chaos.

The mobilization of the most primitive instincts leads to a link between the concepts of a political theory and the actions of real criminals. Beginning with pillaging, arson, raids on the railway, assassination attempts, and so on-all these things are morally sanctioned by Communist theory. Alone the method of individuals terrorizing the masses has cost the National Socialist Movement more than 350 dead and tens of thousands of injured within the course of a few years.

The burning of the Reichstag, one unsuccessful attempt within a large-scale operation, is only a taste of what Europe would have to expect from a triumph of this evil doctrine. When a certain press, particularly outside Germany, today attempts, true to the political lie advanced to a principle by Communism, to link Germany's national uprising to this disgraceful act, this can only serve to strengthen my resolve to leave no stone unturned in order to avenge this crime as quickly as possible by having the guilty arsonist and his accomplices publicly executed! Neither the German Volk nor the rest of the world has become sufficiently conscious of the entire scope of the operation planned by this organization.

Only by means of its immediate action was the Government able to ward off a development which would have shaken all of Europe had it proceeded to its disastrous end. Several of those who fraternize with the interests of Communism both within and outside of Germany, motivated by hatred for the national uprising, would themselves have become victims of such a development.

It will be the utmost goal of the National Government to stamp out and eliminate every trace of this phenomenon, not only in the interest of Germany, but in the interest of the rest of Europe.

It will not lose sight of the realization that, in doing so, it is not the negative problem of this organization with which it is dealing, but rather the implementation of the positive task of winning the German worker for the National State. Only the creation of a real Volksgemeinschaft, rising above the interests and conflicts of Stände und Klassen, is capable of permanently removing the source of nourishment of these aberrations of the human mind. The establishment of such a solidarity in Weltanschauung in the body of the German politic is all the more important, for only this will make it possible to maintain friendly relations with the non-German powers without regard to the tendencies or Weltanschauungen to which they are subject, for the elimination of Communism in Germany is a purely domestic German affair. It should be in the interests of the rest of the world as well, for the outbreak of Communist chaos in the densely populated German Reich would lead to political and economic consequences particularly in the rest of western Europe, the proportions of which are unfathomable. The inner disintegration of our Volksgemeinschaft inevitably resulted in an increasingly alarming weakening of the authority of the highest levels of leadership. The sinking reputation of the Reich Government- which is the inevitable product of unstable domestic conditions of this type-led to ideas on the part of various parties in the individual Länder which are incompatible with the unity of the Reich. The greatest consideration for the traditions of the Länder cannot erase the bitter realization that the extent of the fragmentation of national life in the past was not only not beneficial, but positively injurious to the world and life status of our Volk.

It is not the task of a superior national leadership to subsequently surrender what has grown organically to the theoretical principle of an unrestrained unitarianization. But it is its duty to raise the unity of spirit and will of the leadership of the nation and thus the concept of the Reich as such beyond all shadow of a doubt.

The welfare of our communities and Länder-as well as the existence of each German individual-must be protected by the State. Therefore the Reich Government does not intend to dissolve the Länder by means of the Enabling Act. However, it will institute measures which will guarantee the continuity of political intention in the Reich and Länder from now on and for all time. The greater the consensus of spirit and will, the lesser the interest of the Reich for all time in violating the independent cultural and economic existence of the separate Länder. The present habit of the Governments of the Länder and the Reich of mutually belittling each other, making use of the modern means of public propaganda, is completely outrageous. I will under no circumstances tolerate-and the Reich Government will resolve all measures to combat-the spectacle of ministers of German Governments attacking or belittling each other before the world in mass meetings or even with the aid of public radio broadcasts.

It also results in a complete invalidation of the legislative bodies in the eyes of the Volk when, even assuming normal times, the Volk is driven to the polls in the Reich or in the individual Länder almost twenty times in the course of four years. The Reich Government will find the way to ensure that the expression of the will of the nation, once given, leads to uniform consequences for both the Reich and the Länder.

A further reform of the Reich will only ensue from ongoing developments.

Its aim must be to design a constitution which ties the will of the Volk to the authority of a genuine leadership. The statutory legalization of this reform of the Constitution will be granted to the Volk itself.

The Government of the National Revolution basically regards it as its duty, in accordance with the spirit of the Volk's vote of confidence, to prevent the elements which consciously and intentionally negate the life of the nation from exercising influence on its formation. The theoretical concept of equality before the law shall not be used, under the guise of equality, to tolerate those who despise the laws as a matter of principle or, moreover, to surrender the freedom of the nation to them on the basis of democratic doctrines. The Government will, however, grant equality before the law to all those who, in forming the front of our Volk against this danger, support national interests and do not deny the Government their assistance.

Our next task, in any case, is to call upon the spiritual leaders of these destructive tendencies to answer for themselves and at the same time to rescue the victims of their seduction.

In particular, we perceive in the millions of German workers who pay homage to these ideas of madness and self destruction only the results of an unforgivable weakness on the part of former governments who failed to put a stop to the dissemination of these ideas, the practical implementation of which they were forced to punish. The Government will not allow itself to be shaken by anyone in its decision to solve this problem. Now it is the responsibility of the Reichstag to adopt a clear standpoint for its part. This will change nothing as to the fate of Communism and the other organizations fraternizing with it. In its measures, the National Government is guided by no other factor than preserving the German Volk, and in particular the mass of millions making up its working populace, from unutterable misery.

Thus it views the matter of restoring the monarchy as out of the question at present in light of the very existence of these circumstances. It would be forced to regard any attempt to solve this problem on the part of the individual Länder as an attack on the legal entity of the Reich and take respective action.

Simultaneously with this political purification of our public life, the Reich Government intends to undertake a thorough moral purging of the German Volkskörper. The entire system of education, the theater, the cinema, literature, the press, and radio-they all will be used as a means to this end and valued accordingly. They must all work to preserve the eternal values residing in the essential character of our Volk. Art will always remain the expression and mirror of the yearning and the reality of an era. The cosmopolitan contemplative attitude is rapidly disappearing. Heroism is arising passionately as the future shaper and leader of political destinies. The task of art is to give expression to this determining spirit of the age. Blut and Rasse will once more become the source of artistic intuition. The task of the government, particularly in an age of limited political power, is to ensure that the internal value of life and the will of the nation to live are given that much more monumental artistic expression in culture. This resolve entails the obligation to grateful appreciation of our great past. The gap between this past and the future must be bridged in all sectors of our historical and cultural life. Reverence for the Great Men must be instilled once more in German youth as a sacred inheritance.

The advantages in personnel policy which might result from compromises with atheist organizations do not come close to offsetting the results which would become apparent in the general destruction of basic moral values.

Their rights are not to be infringed upon. But the Government expects and hopes that the task of working on the national and moral regeneration of our Volk taken on by the Government will, in turn, be treated with the same respect.

It will face all of the other confessions with objective fairness. However, it cannot tolerate that membership in a certain confession or a certain race could mean being released from general statutory obligations or even constitute a license for committing or tolerating crimes which go unpunished.

Our legal institutions must above all work to preserve this Volksgemeinschaft. The irremovability of the judges on the one hand must ensure a flexibility in their judgments for the welfare of society on the other.

Not the individual but the Volk as a whole must be the focal point of legislative efforts. In future, high treason and betrayal of the Volk (Landes- und Volksverrat) will be ruthlessly eradicated. The foundations on which the judiciary is based can be none other than the foundations on which the nation is based. Thus may the judiciary always take into consideration the difficult burden of decision carried by those who bear the responsibility for shaping the life of the nation under the harsh dictates of reality.

Great are the tasks of the National Government in the sphere of economic life.

Here all action shall be governed by one law: the Volk does not live for the economy, and the economy does not exist for capital, but capital serves the economy and the economy serves the Volk! In principle, the Government protects the economic interests of the German Volk not by taking the roundabout way through an economic bureaucracy to be organized by the State, but by the utmost promotion of private initiative and a recognition of the rights of property.

A fair balance must be established between productive intention on the one hand and productive work on the other. The administration should respect the results of ability, industriousness and work by being thrifty. The problem of our public finances is also a problem which is, in no small part, the problem of a thrifty administration.

The proposed reform of our tax system must result in a simplification in assessment and thus to a decrease in costs and charges. In principle, the tax mill should be built downstream and not at the source. As a consequence of these measures, the simplification of the administration will certainly result in a decrease in the tax burden. This reform of the tax system which is to be implemented in the Reich and the Länder is not, however, an overnight matter, but one to be contemplated when the time is judged to be right.

As a matter of principle, the Government will avoid currency experiments.

We are faced above all with two economic tasks of the first order. The salvation of the German peasant must be achieved at all costs.

The annihilation of this class in our Volk would bring with it the most severe consequences imaginable. The restoration of the profitability of the agricultural operations may be hard on the consumer. But the fate which would descend upon the entire German Volk should the German peasant perish would stand no comparison with these hardships. Only in connection with the profitability of our agriculture which must be achieved at all costs can the problems of stays of execution or debt relief be solved. Were this to prove unsuccessful, the annihilation of our peasants would inevitably lead not only to the collapse of the German economy per se, but above all to the collapse of the German Volkskörper.

The maintenance of its health is, however, the first requirement for the blossoming and flourishing of our industry, German domestic trade, and the German export industry. Without the counterweight of the German peasantry, Communist madness would already have overrun Germany by now and thus conclusively destroyed the German economy. What the entire economy, including our export industry, owes to the healthy common sense of the German peasant cannot be compensated by any kind of sacrifice in terms of business. Thus our greatest attention must be devoted to the further settlement of German land in future.

Furthermore, it is perfectly clear to the National Government that the removal of the distress in both agricultural and urban economy is contingent upon the integration of the army of unemployed in the process of production.

This constitutes the second and most monumental economic task. It can be solved only by a general pacification in implementing sound natural economic principles and all measures necessary, even if, at the time, they cannot expect to enjoy any degree of popularity. The creation of jobs and compulsory labor service are, in this connection, only isolated measures within the scope of the offensive as a whole.

The attitude of the National Government toward the Mittelstand is similar to its attitude toward the German peasants.

Its salvation can only be effected within the scope of general economic policy. The National Government is determined to find a far-reaching solution to this problem. It recognizes its historical task of supporting and promoting the millions of German workers in their struggle for their rights to exist. As Chancellor and National Socialist, I feel allied to them as the former companions of my youth. The increase in the consumer power of these masses will constitute a substantial means of reviving the economy. While maintaining our social legislation, the first step to its reform must be taken. In principle, however, every worker shall be utilized in the service of the public. The stagnation of millions of human working hours is madness and a crime which must inevitably lead to the impoverishment of all. Regardless of which values would have been created by the utilization of our surplus work force, for millions of people who today are going to waste in misery and distress, they could represent essential values of life. The organizational capabilities of our Volk must and will succeed in solving this problem.

We know that the geographic position of Germany, with her lack of raw materials, does not fully permit Autarkie for our Reich. It cannot be stressed too often that nothing is further from the Reich Government's mind than hostility to exporting. We know that we need this connection with the world and that the sale of German goods in the world represents the livelihood of many millions of German Volksgenossen.

But we also know the requirements for a sound exchange of services between the peoples of the earth. For years, Germany has been compelled to perform services without receiving counter-services. Consequently, the task of maintaining Germany as an active partner in the exchange of goods is less a question of commercial than of financial policy. As long as we are not accorded any settlement of our foreign debts which is fair and appropriate to our strength, we shall unfortunately be forced to maintain our foreign exchange control policy (Devisenzwangswirtschaft). For this reason, the Reich Government is also obligated to maintain the dam built against the flow of capital across the borders.

If the Reich Government allows itself to be guided by these principles, one can surely expect the growing understanding of the foreign countries to ease the integration of our Reich in the peaceful competition of the nations.

The first step toward promoting transportation with the aim of achieving a reasonable balance of all transportation interests—a reform of the motor vehicle tax—will take place at the beginning of next month. The maintenance of the Reichsbahn and its reintegration under Reich authority, which is to be effected as quickly as possible, is a task which commits us not only in an economic, but also in a moral sense. The National Government will give every encouragement to the development of aviation as a means of peacefully connecting the peoples to one another.

For all this activity, the Government requires the support not only of the general powers in our Volk, which it is determined to utilize to the furthest possible extent, but also the devoted loyalty and work of its professional civil service. Only if the public finances are in urgent need will interferences take place; however, even in such a case, strict fairness shall have the highest priority in governing our actions.

The protection of the frontiers of the Reich, and with them the life of our Volk and the existence of our economy, is now in the hands of our Reichswehr which, in accordance with the terms imposed upon us by the Treaty of Versailles, can be regarded as the only really disarmed force in the world. In spite of its small size prescribed therein and its totally insufficient arms, the German Volk can regard its Reichswehr with proud satisfaction. This slight instrument of our national self-defense came into existence under the most difficult conditions. In its spirit, it is the bearer of our best military traditions. With painstaking conscientiousness the German Volk has thus fulfilled the obligations imposed upon it in the Peace Treaty; what is more, even the replacement of ships in our fleet to which we were authorized at that time has—I may be allowed to say, unfortunately—been carried out only to a small extent.

For years Germany has been waiting in vain for the redemption of the promise to disarm given us by the others. It is the sincere desire of the National Government to be able to refrain from increasing the German Army and our weapons insofar as the rest of the world is also finally willing to fulfill its obligation of radically disarming. For Germany wants nothing except equal rights to live and equal freedom.

However, the National Government wishes to cultivate this spirit of a will for freedom in the German Volk. The honor of the nation, the honor of our Army, and the ideal of freedom—all must once more become sacred to the German Volk! The German Volk wishes to live in peace with the world.

It is for this very reason that the Reich Government will use every means to definitively eliminate the separation of the peoples on earth into two categories.

Keeping open this wound leads the one to distrust, the other to hatred, and in the end to a general feeling of insecurity. The National Government is willing to extend a hand in sincere understanding to every people which is determined to once and for all put an absolute end to the tragic past. The distress of the world can only come to an end if the appropriate foundation is created by means of stable political conditions and if the peoples regain confidence in one another.

To deal with the economic catastrophe, the following is necessary: 1. an absolutely authoritarian leadership at home to create confidence in the stability of conditions; 2. safeguarding peace on the part of the major nations for a long time to come and thus restoring the confidence of the people in one another; and 3. the final triumph of the principles of common sense in the organization and leadership of the economy as well as a general release from reparations and impossible liabilities for debts and interest.

We are unfortunately confronted by the fact that the Geneva Conference, in spite of lengthy negotiations, has not yet reached any practical result. The decision to institute a real disarmament measure has repeatedly been delayed by questions on technical detail and by the introduction of problems which have nothing to do with disarmament. This procedure is unsuitable.

The illegal state of unilateral disarmament and the resulting national insecurity of Germany cannot last any longer.

We recognize it as a sign of responsibility and good will that the British Government has, with its disarmament proposal, attempted to finally move the Conference to arrive at speedy decisions. The Reich Government will support any efforts aimed at effectively implementing general disarmament and securing Germany's long-overdue claim for disarmament. We have been disarmed for fourteen years, and for the past fourteen months we have been waiting for the outcome of the Disarmament Conference. Even more far-reaching is the plan of the head of the Italian Government, who is making a generous and foresighted attempt to ensure the smooth and consistent development of European politics as a whole. We attach the most earnest significance to this plan; we are willing to cooperate with absolute sincerity on the basis it provides in order to unite the four great powers, England, France, Italy, and Germany, in peaceful cooperation to courageously and determinedly approach those tasks upon the solution of which Europe's fate depends.

For this reason we feel particularly grateful for the appreciative warmth which has greeted Germany's national uprising in Italy. We wish and hope that the concurrence of spiritual ideals will be the basis for a continuing consolidation of the friendly relations between the two countries.

In all its doings, the Reich Government is conscious of the connection between the fate of all German tribes. The attitude toward the other individual foreign powers is evident from what has already been said. But there as well, where the mutual relations are already encumbered with difficulties, we shall endeavor to reach a settlement. However, the differentiation between victor and vanquished can never be the basis of an understanding.

We are nonetheless of the conviction that a settlement of this sort in our relations to France is possible if both governments really attack the problems confronting them with farsightedness. In regard to the Soviet Union, the Reich Government is determined to cultivate friendly relations which are productive for both parties. The Government of the National Revolution above all views itself capable of such a positive policy with regard to Soviet Russia. The fight against Communism in Germany is an internal affair, in which we will never tolerate outside interference. The national political relations to other powers to which we are related by mutual interests will not be affected by this. Our relationship with the other countries shall continue to warrant our most earnest attention in future, in particular our relationship to the major countries overseas, with which Germany has long been allied by friendly ties and economic interests.

We have particularly at heart the fate of the Germans living outside the borders of the Reich who are allied to us by language, culture, and traditions and who fight hard to retain these values. The National Government is resolved to use all the means at its command to support the rights internationally guaranteed to the German minorities.

We welcome the plan of the World Economic Conference and approve of its meeting soon. The Reich Government is willing to contribute to this Conference in order to finally achieve positive results.

The most important question is the problem of our short-term and longterm indebtedness abroad.

The complete change in the conditions of the commodity markets of the world requires an adaptation. Only by means of trusting cooperation is it possible to really remove the widespread problems. Ten years of honest peace will be more beneficial for the welfare of all nations than thirty years of drawnout stagnation in the terms of victor and vanquished.

In order to place itself in a position to fulfill the tasks falling within this scope, the Government has had the two major parties, the National Socialists and the German Nationalists, introduce the Enabling Act in the Reichstag.

Some of the planned measures require the approval of the majority necessary for constitutional amendments. The performance of these tasks and their completion is necessary. It would be inconsistent with the aim of the national uprising and it would fail to suffice for the intended goal were the Government to negotiate with and request the approval of the Reichstag for its measures in each given case. In this context, the Government is not motivated by a desire to give up the Reichstag as such. On the contrary: it reserves the right, for the future as well, to inform the Reichstag of its measures or to obtain its consent.

The authority and the fulfillment of the tasks would suffer, however, were doubts in the stability of the new regime to arise in the Volk. The Reich Government views a further session of the Reichstag as an impossibility under the present condition of a far-reaching state of excitation in the nation. Rarely has the course of a revolution of such great magnitude run in such a disciplined and unbloody manner as the Erhebung of the German Volk during these past weeks. It is my will and my firm intention to provide for this smooth development in future as well.

However, this makes it all the more necessary that the National Government be accorded that position of sovereignty which is fitting, in such an age, to put a halt to developments of a different sort. The Government will only make use of this authorization insofar as this is requisite for the implementation of vital measures. The existence of neither the Reichstag nor the Reichsrat is endangered. The position and the rights of the Reich President remain inviolate.

It will always be the first and foremost task of the Government to bring about inner consensus with his aims. The existence of the Länder will not be abolished.

The rights of the Churches will not be curtailed and their position vis-à-vis the State will not be altered. The number of cases in which there is an internal necessity for taking refuge in such a law is, in and of itself, limited. All the more, however, the Government insists upon the passage of the bill. Either way, it is asking for a clear decision. It is offering the parties of the Reichstag the chance for a smooth development which might lead to the growth of an understanding in future. However, the Government is just as determined as it is prepared to accept a notice of rejection and thus a declaration of resistance. May you, Gentlemen, now choose for yourselves between peace or war!

## Response of Social Democrats

President Göring: Deputy Wels has the floor.

Wels (SPD), Deputy: Ladies and Gentlemen! We Social Democrats approve of the Reich Chancellor's foreign policy demand of German equality of rights even that much more emphatically because we have advocated it from the very beginning.

I may take the liberty, in this context, of making the personal remark that I was the first German to oppose the untruth of Germany's blame for the outbreak of the World War before an international forum, to be precise, at the Bern Conference on February 3, 1919.

No basic principle of our party has ever been able or will ever be able to hinder us from representing the just claims of the German nation to the other peoples of the world.

The day before yesterday, the Reich Chancellor made a remark in Potsdam to which we also subscribe. He said, "The utter folly of the theory of eternal victors and vanquished gave birth to the utter absurdity of re

Subject: Alfred Rosenberg Regarding the Stock Market

It is an obvious fact the the Jews use spiritual power for money and on the Stock Market, Wallstreet etc. While correcting Alfred Rosenberg's Myth of the Twentieth Century, I cam across this

Book I, Chapter I:

~They are a magical legerdemain with figures and a systematic distortion effected by certain circles in the transition from production to marketing. The masters of the modern stock market use mass hypnosis and doctored news to create panics. They deliberately inflame every pathological impulse so that from a healthy activity of exchange in economic life there have developed caprice and universal dissolution. This financial science is not even international; it is simply Jewish. Economic disruption among the Nordic peoples comes from their attempt to fit into their system of life this unnatural Levantine manipulation which is based on purely parasitic instincts. This process, if finally successful, will bring utter destruction to all the natural prerequisites of our life. The science of the Dawes's plan and the supervision exercised by the bankers and their controlled press over the reporting of political news, is thoroughly anti German. Thus it stands in deadly enmity against the Nordic economic system and its great German philosophers—men like Adam Müller, Adolf Wagner, and Friedrich Litz. In this, too, the nature of Jewish Marxism manifests itself. It fights capitalism but leaves untouched the heart of capitalism; stock market finance.~

Subject: Frauds about the Third Reich created by the Enemy

The writings, speeches, documents, almost EVERYTHING from the Third Reich has been corrupted. The enemy have filled them with Christianity, false wrtings, false speeches etc. Even the speech supposedly given by Himmler about the Holocaust is a total hoax and I will write about that later. I am working on removing all the corruptions. Every weekend, I will post about the False propaganda, the Allied Hoaxes and about Nuremberg.. I found this article on the IHR by Mark Weber which exposes fake qoutations that were said to have been given by the Nazis.

There are also many diaries that were fake and were used in the Nuremberg trials. The Jews shut down anyone and every who attempted to expose them. They shut them down because all these false hoaxes propaganda etc. were used as evidence at Nuremberg and the Jews said not to tell anyone because they will have to reopen cases on the Nazis and open cases on the Allies. I am not working alone on removing the Corruption.

# Fraudulent Nazi Quotations

By Mark Weber

Fraudulent quotations attributed to Hitler and other Third Reich leaders have been widely circulated for years. Such quotes are often used by polemicists -- of both the left and the right -- to discredit their ideological adversaries by showing that Nazis held similar views. This tactic works because people have been educated to believe that anything Hitler and other Nazi leaders thought or said was malevolent, wrong-headed or evil, and that no reasonable or ethical person could hold similar views.

Here's a look at a few of the many remarks falsely attributed to Hitler and other top Nazis.

## **Goebbels: 'Truth is the Enemy of the State'**

Hitler's propaganda chief, Joseph Goebbels, supposedly said:

"If you tell a lie big enough and keep repeating it, people will eventually come to believe it. The lie can be maintained only for such time as the State can shield the people from the political, economic and/or military consequences of the lie. It thus becomes vitally important for the State to use all of its powers to repress dissent, for the truth is the mortal enemy of the lie, and thus by extension, the truth is the greatest enemy of the State."

Rush Limbaugh, the popular American radio commentator, is just one of the many influential Americans who has cited this quotation. During a May 2007 radio broadcast he claimed that these remarks are "from Hitler's war room, the Nazi spinmeister-in-chief, Joseph Goebbels," who was "speaking for his cronies in the Nazi party." Limbaugh went on to claim that American "Democrat Party" leaders were using "a version" of Goebbels' technique to try to "repress dissent." And in January 2011 US Congressman Steve Cohen, a Democratic party politician of Tennessee, accused Republicans of propagating "a big lie, just like Goebbels" about a proposed national health care plan.

In fact, Goebbels' views were quite different than what this fraudulent quote suggests. He consistently held that propaganda should be accurate and truthful.

In an address given in September 1934 in Nuremberg, he said: "Good propaganda does not need to lie, indeed it may not lie. It has no reason to fear the truth. It is a mistake to believe that people cannot take the truth. They can. It is only a matter of presenting the truth to people in a way that they will be able to understand. A propaganda that lies proves that it has a bad cause. It cannot be successful in the long run."

In an article written in 1941, he cited examples of false British wartime claims, and went on to charge that British propagandists had adopted the "big lie" technique that Hitler had identified and condemned in his book *Mein Kampf*. Goebbels wrote: "The English follow the principle that when one lies, one should lie big, and stick to it. They keep up their lies, even at the risk of looking ridiculous."

## Hitler and Gun Control

In a speech, sometimes said to have been delivered in 1935, Hitler is supposed to have exclaimed: "This year will go down in history! For the first time, a civilized nation has full gun registration! Our streets will be safer, our police more efficient, and the world will follow our lead into the future!"

This quote has been popular with Americans who defend the constitutional right to "keep and bear arms." It's cited to discredit those who support restrictions on firearms ownership and use. It's also cited to support the often-made charge that Hitler and his government curtailed gun ownership in Germany, and confiscated weapons held by private citizens.

The truth is rather different. When Hitler and his National Socialist Party took power in early 1933, they inherited a somewhat restrictive firearms law that the liberal-democratic "Weimar" government had enacted five years earlier. In 1938 Hitler's government revised the earlier law by loosening those restrictions, thereby enhancing the rights of Germans to own weapons. The most thorough confiscation of firearms ever imposed on Germans was carried out at the end of the Second World War by the occupation forces of the United States and other victorious Allied powers.

## Hitler on 'Law and Order'

Hitler is supposed to have said during a speech in 1932, shortly before he became Chancellor:

"The streets of our cities are in turmoil. The universities are filled with students rebelling and rioting. Communists are seeking to destroy our country. Russia is threatening us with her might and the Republic is in danger. Yes, danger from within and without. We need law and order! Yes, without law and order our nation cannot survive ... Elect us and we shall restore law and order. We shall, by law and order, be respected among the nations of the world. Without law and order our Republic shall fail."

This quotation, which is meant to embarrass and discredit those who support "law and order," was especially popular with younger Americans during the late 1960s and early 1970s. It appeared on posters and in the 1971 movie "Billy Jack."

In his many election campaign speeches in 1932 Hitler stressed the themes of justice, freedom, jobs and national unity -- not "law and order." German universities in 1932 were not "filled with students rebelling and rioting." In fact, German students were among the most fervent supporters of Hitler and his National Socialist movement.

## Goering on Culture

Hermann Goering, a high-ranking Third Reich official, is often quoted as having said: "Whenever I hear the word culture, I reach for my revolver." *Reichsmarschall* Goering (Göring), who was commander of Germany's air force, would never have said anything like this. Along with other high-level Third Reich leaders, he esteemed the arts, and prided himself on his appreciation of culture.

This quote is a distortion of a line by a character in the play *Schlageter* by German writer Hanns Johst. The original line (translated) is "When I hear [the word] culture ... I release the safety on my Browning!" A version of this quote is presented in a staged scene in "Why We Fight," a US government wartime propaganda film, to suggest that the typical "Nazi" was an uncultured thug.

## Hitler and Conscience

"I am liberating man from the degrading chimera known as conscience," Hitler is supposed to have said. This widely repeated quote appears, for example, in *The Great Quotations*, a supposedly authoritative collection compiled by Jewish American journalist and author George Seldes. It's a version of a remark attributed to Hitler by Hermann Rauschning in his book, *The Voice of Destruction (Conversations with Hitler)*, which is a source of many fraudulent quotations supposedly based on private talks with Hitler that, in fact, never took place.

The "original" text of this quote, as presented by Rauschning, is: "Providence has ordained that I should be the greatest liberator of humanity. I am freeing men from the restraints of an intelligence that has taken charge; from the dirty and degrading self-mortifications of a chimera called conscience and morality, and from the demands of a freedom and personal independence which only a very few can bear."

In fact, Hitler repeatedly emphasized the importance of acting conscientiously. For example, in at least three different public statements or speeches 1941 alone, he spoke about acting in accord with his conscience. Rudolf Hess, a close friend and trusted colleague, once said that his devotion to Hitler was based in large measure on his regard for Hitler's resolute conscience. In a 1934 speech Hess said: "The conscience of a moral personality is a far greater protection against the misuse of an office than is the supervision of parliament or the separation of powers. I know no one who has a stronger conscience, or is more true to his people, than Adolf Hitler ... The Führer's highest court is his conscience and his responsibility to his people and to history."

## Hitler: 'Destroy By All Means'

The US government propaganda film, "Why We Fight," quotes Hitler as having said: "My motto is 'Destroy by all and any means. National Socialism will reshape the world'." This is a version of a remark attributed to Hitler by Hermann Rauschning in his influential book. The "original" text, as presented by Rauschning, is: "I want war. To me all means will be right ... My motto is not 'Don't, whatever you do, annoy the enemy!' My motto is 'Destroy him by all and any means.' I am the one who will wage the war!" Another version of this invented remark appears in the book *Hitler and Nazism* (1961), by historian Louis Leo Snyder, who was a professor at City College of New York.

## Hitler on Terrorism

Hitler has often been quoted as saying: "Terrorism is the best political weapon for nothing drives people harder than a fear of sudden death." This quote is based on two invented remarks in Hermann Rauschning's mendacious book, *The Voice of Destruction*.

## Hitler: 'We Are Barbarians'

Hitler has often been quoted as saying: "They refer to me as an uneducated barbarian. Yes, we are barbarians. We want to be barbarians, it is an honored title to us. We shall rejuvenate the world. This world is near its end."

This is another fraudulent Hitler quote from the fanciful work of Hermann Rauschning.

## Hitler and 'Brutal Youth'

"A violently active, dominating, intrepid, brutal youth -- that is what I am after ... I want to see in its eyes the gleam of pride and independence, of prey. I will have no intellectual training. Knowledge is the ruin of my young men." This widely cited remark is included, for example, in George Seldes' *The Great Quotations*. The source cited by Seldes is an item in *The Nation* by the popular American journalist and author John Gunther (1901-1970).

In fact, this is a version of a remark attributed to Hitler by Hermann Rauschning, whose imaginative work is a source of many phony "quotes." Another fraudulent Hitler remark in this same spirit and from this same source, likewise cited by the supposedly authoritative Seldes, is this: "Universal education is the most corroding and disintegrating poison that liberalism ever invented for its own destruction."

These remarks misrepresent Hitler's real views. In fact, National Socialist Germany was a world leader in science, learning, technology and medicine. Hitler was admired by some of the leading intellectuals of the age, including Knut Hamsun, Ezra Pound, Louis-Ferdinand Celine and Martin Heidegger.

The Editing of the Speech by Himmler

NOTE: Here is another hoax. Please note this speech has many phrases such as "Thank god" none of which are too bad. Himmler expresses his hate in this speech aswell, you will find quotes such as: Every convinced Christian is against us. – Heinrich Himmler

This speech was edited by the Allies to say the holocaust happened in the Nuremberg trials. Much of what is in this article, is not my words. This is because there is no point in me to put precious time and effort into something which is so oppenly available

---

Reichsfuhrer-SS Hienrich Himmler [Heil!] Supposedly gave a speech to very High Ranking members of the Waffen-SS regarding the extermination of the Jews givin on the 4 and 6 of October on Pozen, Poland. This speech, like all the other allied hoaxes such as Malmendy and Lidice, arose in the Nuremberg Trials.

When historians look over a speech for ligitimacy, the search for contradictions, words of of context, etc. This speech contains out of context words everywhere. And this speech was meant to be top, TOP secret.....yet the Nazis were stupid enough to record right?

Regarding the recording:

The Holocaust History Project says: "There is a faint before-and-after echo that can be heard at loud portions of the speech, most notably when Himmler shouts "gnadenlos" ("mercilessly"). This is from the magnetic impressions bleeding through two or three layers of tape on a reel, and indicates that a source for our recording spent some years on tape. Whether that is Himmler's original tape or the National Archives' master tape made in the 1970s is, at this time, unknown." The same writer also admits that it is unknown whether the original medium was magnetic tape or phonograph disc, which means that he cannot say that he has examined the recording in its original medium. That should be very troubling given the fact that the trustworthiness of the recording is in question.....

It was completely feasible to edit sound recordings after Germany was defeated in 1945, since magnetic recording tape, which unlike wire recording or phonograph record is easily cut and spliced, had already been invented (by a German) in 1928. According to the U.S. National Archives (cited by The Holocaust History Project) the most common method of recording speeches in the Third Reich was direct recording to phonograph disc. Echos in this recording however indicate that the speech was stored for years on tape.\*\*\* This means that ample opportunity to edit the recording existed.

Editing a sound-recording to make it seem more incriminating would not be the most outrageous thing that the Allies did in their propaganda during and after the war. (Cf. the U.S. Army's Why We Fight series, featuring undeniably fake Hitler quotes that could have been exposed by anybody who bothered to check, and deliberately misrepresented documentary footage from China.)

It makes perfect sense to suppose that some similar shenanigans were committed in this case, because the content of Himmler's Posen speech of 4 October 1943, as it has been presented to us in this recording, makes no sense, even in relation to itself." /1

\_\_\_\_\_

In this speech Himmler is said to have said the the extermination of the Jews is one of the 25 points of the NSDAP. However when we over the points, there is nothing linked to anything regarding the Eztermination of the Jews /2

According to many holocaust deniers and those who defended Zundel, The original speech was tampered. It was re-written with different typewriters. The original has never been seen before. All the Nazis who attended this speech also stated this. There is also another audio version, but you can be surprised of how much can be done with technology. This audio is an obvious hoax.

Within this speech, he talks about the "extermination of the Jews" using the German verb Ausrottung

"In 1993, Robert Wolfe, supervisory archivist for captured German records at the National Archives admitted that a more precise translation of Ausrottung would be extirpation or tearing up by the roots. Wolfe also pointed out that in Himmler's handwritten notes for the speech, that Himmler used the term, Judenevakuierung, or evacuation of the Jews, not extermination." /4

In fact, there are four different definitions of this verb:

Ausrott/en v/t. (Plants) (also figurative): root out; (figurative), extirpate, eradicate, stamp out; (People) exterminate, wipe out; Ausrottung, f.: uprooting, extirpation, eradication; extermination; (Politics) (Entire peoples): also: genocide /5

Here is a 1887 definition: /6

Picture

It is fair to say that this verb means to kill.

Here is an excerpt from the translation of the speech (look below) which talks about the holohoax. Whitlock's note are in [ ] and in bold

The evacuation of the Jews

I want to mention another very difficult matter here before you in all frankness. Among ourselves, it ought to be spoken of quite openly for once; yet we shall never speak of it in public. Just as little as we hesitated to do our duty as ordered on 30 June 1934, and place comrades who had failed against the wall and shoot them, just as little did we ever speak of it, and we shall never speak of it. It was a matter of course, of tact, for us, thank God, never to speak of it, never to talk of it. It made everybody shudder; yet everyone was clear in his mind that he would do it again if ordered to do so, and if it was necessary.

I am thinking now of the evacuation of the Jews, the extirpation ["Ausrottung"] of the Jewish people. It is one of those things that's easy to say: "The Jewish people will be extirpated" ["wird ausgerottet"], says every Party comrade, "that's quite clear, it's in our programme: elimination ["Ausschaltung"] of the Jews, extirpation ["Ausrottung"]; that's what we're doing." And then they all come along, these 80 million good Germans, and every one of them has his decent Jew. Of course, it's quite clear that the others are pigs, but this one is one first-class Jew. Of all those who speak this way, not one has looked on; not one has lived through it. Most of you know what it means when 100 bodies lie together, when 500 lie there, or if 1,000 lie there. To have gone through this, and at the same time, apart from exceptions caused by human weaknesses, to have remained decent, that has made us hard. This is a chapter of glory in our history which has never been written, and which never shall be written; since we know how hard it would be for us if we still had the Jews, as secret saboteurs, agitators, and slander-mongers, among us now, in every city -- during the bombing raids, with the suffering and deprivations of the war. We would probably already be in the same situation as in 1916/17 if we still had the Jews in the body of the German people.

The riches they had, we've taken away from them. I have given a strict order, which SS Group Leader Pohl has carried out, that these riches shall, of course, be diverted to the Reich without exception. We have taken none of it. Individuals who failed were punished according to an order given by me at the beginning, which threatened: he who takes even one mark of it, that's his death. A number of SS men -- not very many -- have violated that order, and that will be their death, without mercy. We had the moral right, we had the duty to our own people, to kill this people which wanted to kill us ["dieses Volk, dass uns umbringen wollte, umzubringen"].

[Translator's note: it is unclear whether the writer is referring to the Jews as a race, or to the Jews as saboteurs, agitators, and slander-mongers; see above].

But we don't have the right to enrich ourselves even with one fur, one watch, one mark, one cigarette, or anything else. Just because we eradicated ["ausgerottet"] a bacillus, after all, doesn't mean we want to be infected by the bacillus and die. I will never permit even one little spot of corruption to arise or become established here. Wherever it may form, we shall burn it out together. In general, however, we can say that we have carried out this most difficult task out of love for our own people. And we have suffered no harm to our inner self, our soul, our character in so doing.

Translation of Speech /6

My note: This translation is by holocaust denier and truth spreader Carlos Whitlock Porter. He is a great man who dedicated his life to truth. PAY VERY CLOSE ATTENTION TO THE WORDS WITHIN: [ ] AND THEY ARE IN BOLD

Translator's Notes:

The author of the document (whoever he is) uses at least 4 different words which can be translated as "kill or exterminate":

- "ausrotten" and "ausmerzen", almost exactly equivalent terms, are usually translated as "extirpate, exterminate, kill", with a number of figurative meanings;

- "umbringen" and "totschlagen" are usually translated as "kill", in a literal sense.

In this text, ALL FOUR TERMS are used figuratively at least once: see pp. 94, 96, 101 of the original, i.e., killing the Third Reich ["totschlagen"], killing loyalty ["umbringen"], extirpating disputatiousness ["ausmerzen"], exterminating laziness, ["ausrotten"] [figurative usages marked in red in text].

"Ausrotten" is also used figuratively by Hitler in his famous Berlin Sportpalast speech of February 1933: "den Marxismus und seine Begleiterscheinungen aus Deutschland auszurotten" -- "to extirpate Marxism and its accompanying phenomena from Germany".

"Ein Volk auszurotten" (p. 66) can be translated "exterminate or kill a people or race", or, alternatively, "get rid of a rabble, crowd, mob", etc...

"Umfallen" (p. 23), translated at Nuremberg as "die" [Actually it was translated both ways, but "die" is more commonly quoted], means "to fall down" (or "fall down dead"), and is used figuratively on p. 50 as "to give up"[marked in red].

"Ausnutzen" (p. 25), translated at Nuremberg as "exploit", can also mean "use". (See also sauck.htm)

I have translated some parts more freely than others; the style is mostly very informal, larded with sarcasm and slang, but not without a certain eloquence.

I have marked illogical remarks or uncertain terminology with a [?]; for example, it seems strange to speak of "hard times" beginning in Germany in 1936-7 (p. 93) [marked in red]. I know that the Moscow subway was built with forced labour, including that of women, but I question the utility of "child labour" in digging anti-tank ditches (p. 24).

There are apparently no missing pages; most of what the document contains appears logical in context; it appears to be a transcription of stenographic notes typed by someone with very little education, probably with two fingers. It may have been retyped to make it more incriminating. It was "retyped" (more or less) to typeset it at Nuremberg. We don't know who took the stenographic notes or how accurate they were, or even who did the typing. Nor is there one single example of the "sharp S", a standard letter of the German alphabet. In the first paragraph, SS Obergruppenführer Eicke had recently been killed in action on the Russian Front.

1919-PS Speech of the Reichsführer-SS at the SS Group Leader Meeting in Posen on 4 October 1943.

Cemony in Honour of the Fallen In the months which have passed since we last met in June of 1942, many comrades have fallen and given their lives for Germany and for the Führer. Before them, in the forefront -- I ask you to stand in their honour, and in the honour of all our dead SS men and dead German soldiers, men and women -- in the forefront, from our ranks, "let us honour" our old comrade and friend, SS Obergruppenführer Eicke.

(The Group Leaders rise from their seats).

The situation in the fifth year of the war

I have considered it necessary to call you all together, the High Leadership Corps of the SS and Police, now at the beginning of the fifth year of the war, which will be a very difficult year of the war. Hard-headed, as we always were, in a spirit of respect for the truth with regards to ourselves, there are several things which we wish to discuss at this Troop Leadership Conference. Just as I was accustomed to do in long years of peace, I wish to describe the situation as I see it, in as few words as possible, with regards to our responsibilities and that which we have already achieved and accomplished, as well as with regards to that which stands before us to be accomplished in the future.

The Russian leadership

First, the military situation. I will begin with Russia. When -- I believe it was in 1937 or 1938 -- the great show trials were being held in Moscow, and the ex-Czarist officer and later Bolshevik general Tuchachevski and other generals were shot, we were, at that time, all over Europe, even in the Party and the SS, of the opinion that the Bolshevik system, and therefore Stalin, had made one of its most serious mistakes. We were absolutely mistaken in this judgment of the situation. We can state this, once and for all, in a spirit of full respect for the truth. I believe that Russia could not have withstood the two years of war -- it is now in the third year of war -- had it retained its ex-Czarist generals. It turned -- I'll discuss this first of all -- its political commissars into generals, it sought out those who had grown up through the Red Army as commanders, as generals, so that they could simultaneously act as political commissars. The stubbornest bearers of the will of the Bolshevik... doctrine, I should like to call it, not an ideology ... is, in Russia, simultaneously a commander and leader.

The Attack of 1941

In 1941, the Führer attacked Russia. That was, as we may well say today, shortly, perhaps a quarter or half year before Stalin's enveloping movement prior to his great thrust into Central and Western Europe. I can sketch out this first year with very brief strokes. The attack was effective. The Russian army was driven together into great pockets, destroyed, taken prisoner. We did not then value the mass man as we do now, as raw material, as manpower. Which is not a shame in the end, if one thinks in terms of generations, but it is regrettable today due to the loss of manpower: the prisoners died by the tens of thousands or hundreds of thousands from exhaustion, from hunger.

The winter of 1941-1942

Then came the summer and autumn of 1941, the flush of victory which led us almost to Moscow, the winter of 1941-42. The winter of 1941-42, with its consequences, was, on the one hand, the work of Fate, which hit us hard for the first time; on the other hand, however, it was the work of the political commissars, the "politruks", whose severity and relentlessness, whose fanatical, brutal will drove the raw material of the Slavic, Mongolian mass man to the front, and didn't let him get back out again.

## The year 1942

In early 1942 then came our attacks in the Crimea, over the Donetz to the Don and to the Volga. The bow of the German front and its allies was drawn taut. The war could have been brought to a close for Russia in 1942 if all had held out. Since according to all calculations, and in all probability, which must not be left out of consideration in war, with which one must still reckon after all, the Caucasus would have fallen into our hands sooner or later.

Russia would have been cut off from its chief sources of petroleum, and hunger would have handled its people even more roughly than is the case today. Then came the collapse of our allies. First came the breakthrough among the Rumanians, then the breakthrough among the Italian Army, which was already of very little value even then, then the breakthrough and retreat of the Hungarian units: the total loss of approximately 500 km of front. This loss required the withdrawal of the German front, in order to be able to close it again at all. This loss made the sacrifice of Stalingrad necessary from the point of view of Fate. It is not our intention to reflect upon every detail here today. I am personally convinced that this sacrifice -- that sounds dreadfully harsh when I say so now -- was necessary, since, without the link-up of enemy forces around Stalingrad, it would no longer have been possible to close the German front. That will, I am convinced, be the finding of military historical research 10, 15, or 20 years after the war. At the same time, a very late consolation.

## The year 1943.

The first great battle for Kharkhov then came early this year. Kharkhov was evacuated under sometimes -- this is known to every one of our units out there -- very peculiar circumstances. At the right time, then, upon the order of the Führer, the tank corps arrived in Kharkhov under the leadership of our old comrade, SS Obergruppenführer Hausser. The deliberate evacuation of Kharkhov was also carried out by Hausser using the tank corps. A glorious campaign of several weeks then began, carried out by this corps in an unusually mobile manner in the open field, a manner I consider truly correct and downright true to type for motorized and tank units. Our tank corps drove the enemy; Sepp Dietrich was the first to break into Kharkhov with his Leibstandarte. Kharkhov was retaken, and the German front was re-established.

In late spring and summer of this year, we replied to the attacks of the Russians with a big counterattack at Bielgorod. We can report with pride that the only corps which really penetrated the deeply entrenched system of Russian positions was our SS Tank Division, with the Standarte "Deutschland" in front of the old Division "Das Reich". The Russians had built a position 7 km deep, a model and an example such as we Germans ought never to forget: to work hard, to dig in, and build positions. Because the hard work, the sweat poured out in so doing, will save the lives of tens of thousands. We Germans have still not really learned this after four years of war. If we had to give a grade for this like in school, the best the Germans could get for building their positions would be between 4 and 5 "i.e., D or F". I must acknowledge one thing here: our SS Divisions have learned a great deal over the past 2 years, and generally build their positions very assiduously.

In the middle of this operation on the eastern front came the necessary withdrawal of a great number of divisions to Italy. That was why we could not counter as forcefully as necessary the Russian attack, which we could have terminated with a catastrophe for the Russians if we had had ten more tank divisions, purely on the grounds of strength.

## The human potential of the Russians

Here I would like to say a few words on evaluating the total strength of the Russians. An element basic to an overall evaluation is the question of Russian population figures. That is the great riddle. Population estimates for that country, which has been hermetically sealed off for decades, range from 170 to 250 million. I have taken a lot of trouble with this question, and have had studies prepared starting with the first Czarist censuses, that is, the first censuses ever carried out in Russia. At that time, the Bolshevik tendency to conceal everything from Europe and the world -- from the building of a street which is not indicated on any map, to the concealment of large industries manufacturing tanks and airplanes, and which are shown to the European Info-tourist as "tractor factories", while tanks are built in the next hall -- did not yet exist. I had census figures brought to me which were not gathered under this law of camouflage and concealment, decades before the Bolshevik administration. These figures enable one to perceive a certain increase, a gradual growth. We came to the conclusion through our calculations that Russia must have two hundred people, maybe two hundred twenty million at the very most. To describe the calculations in detail at this time would take too long and might also be too boring. I came to the conclusion that the Russians, in addition to the divisions on their Western front, that is, the divisions standing directly opposite us today, have squeezed an additional 4 million soldiers out of the body of their people early this year and over the course of the year. That means 400 times 10,000 men, or 400 new divisions. I calculate this in approximately the following manner: the Russians have already drafted all men born in 1926, and some of the men born in 1927. It is a tragedy according to the laws of nature that Russian men born in 1925 to 1927 amount to 1.5 and 1.8 men respectively, while our men born in the same years amount to only 500,000 to 600,000 "respectively?", that is, a third of the Russian number.

In addition, the Russians have no doubt added a lot of people to their companies by drafting even younger men, men born in 1928. The Division "Das Reich" reports that, in some cases, the divisions opposing us contained whole companies consisting of 14 and 15 year olds. That is entirely indifferent to the Russians; to them, only the masses count; the masses must be trampled, stuck, and slaughtered. They are -- to use a really brutal expression -- like a pig which has been stuck and must slowly bleed to death. The Russians have doubtlessly further reinforced their army by an additional 1 million men through the incorporation of auxiliary forces, that is, chiefly women and boys in the military and supply units, general staffs, and as auxiliary machine gunners. The Russians have apparently not received any Chinese. They have, however, recruited another 1 million men from their small splinter nationalities, such as the Afghans (2 to 3 million people), Mongols from Outer Mongolia (2 million people), and Kirghis; these people are perhaps not yet exhausted in terms of military purposes. I believe that all in all they have raised another 4 million men for their offensive army.

With regards to the situation as a whole, I am, as you know, an optimist. I know that we will win the war. That is a law of nature. But I have always been rather conservative in my calculations, and I think I can show that I have never made a mistaken prophecy in these matters. I therefore believe that the Russians have lost approximately 2 million men in dead, prisoners, and disabled. We must therefore expect one more desperate total offensive of the Russians in winter, with a strength of 200 divisions, that is, approximately 2 million men. We must and will hold off this attack and this clash.

Absolutely nothing is endless on this earth; the potential of the Russians is not endless either. When these Brussilov offensives, to use the expression, are finally over, the potential of the Russians will therefore be approaching its natural end. Hunger is a serious problem among the Russians. It is interesting that the Russians consider it correct, with the mass man, to keep the officers and commissars physically strong and in a good mood by feeding them an American diet, while little Ivan is fed very shabbily with a bit of bread or similar rubbish. They are fighting the whole war through their brutally trained leadership strata of political officers; officer-comissars or commissar-officers; politruks or subordinate officers; subordinate officers or politruks; it has gradually come to be all one and the same.

#### The partisan war

Now I come to another aspect of the war in Russia, of which there is so frightfully much talk. When you arrive in the East, in the high staff headquarters, a map on a scale of 1 to 1 million is usually spread out in front of you. Every mine found on a certain date anywhere along railroad tracks thousands of kilometres long is diligently entered with a squiggle on this map on a scale of 1 to 1 million. Every attack, whether an attack on a munitions transport or a cattle theft usual in the district, is entered with a cross or something similar. The result is that a map like that looks all red.

You're tempted to say: "It's hopeless! Give up! There's nothing we can do". But if you transfer the same data to a map on a normal scale, and compare it to the criminal cases in our sheltered German fatherland, still richly supplied with policemen even today, then it sinks to an unpleasant minor matter. But they all tell you -- if you will listen to it -- all the lowest ranking staff members, especially in the communications zone, "It's dreadful! The Central Army Group is cut off from the fatherland for 400 kilometres by a belt of partisans."

When somebody tells you that, just hand him your hanky so he can dry his tears. I always ask such people the question: "Has the Central Army Group suffered from hunger so far?" Answer: "No." "Has their ammunition been cut off?" "No, they've received everything." Of course, the trains are delayed for hours, half a day. "Have their supplies been interrupted then?" "No, the Army Group is receiving its supplies."

#### The Vlasov ballyhoo

Then you hear the next prayer. This goes: "We were wrong about the Russians." This song is usually sung by men from some Eastern province, who were over there in their youth, some of whom have written very good books and had a Russian mother, too, and now they tell stories. It is also sung by the little political vagabonds whom we first came to know in the eastern struggle against Poland, whom we rejected at home, and who have now been drafted as soldiers, officers and majors, and are still peddling their intellectual poison under cover of the uniform of our decent German army. Goaded on by this propaganda tendency -- I can't call it anything else -- they tell you so many stories, or write them home by military post (and the stories then trickle down from top to bottom): "Yes, we were wrong about the Russians. The Russians are not at all the robot" (this is the expression used most frequently) "that we thought they were in 1941. Now that we're over here in the East, our eyes have been opened. The Russians are a noble people, and so on and so forth, a collection of all virtues. We just have to educate them as National Socialists, the best thing would be to create a NSRAP or something similar. Then they would" -- this is the next bit

-- "form the army of liberation under General Vlasov". Then comes the following, which is a constant claim of General Vlasov: "Russia can only be freed by Russians. Germany has so far never been able to defeat the Russians". So give Vlasov 500,000 or 1,000,000 Russians, arm them well, train them insofar as possible according to German principles, and Vlasov is so noble, that he'll go off against the Russians and kill them for us.

People can blow off a great deal of stuff and nonsense; that wouldn't be so dangerous. But when a piece of nonsense like this has the end effect that a glorious army, looking back on hundreds of years of tradition like the German one, begins to doubt its own strength due to the gossip of politically untrained little officers of higher or lower service grades -- the little bundle of proverbs who talks like this doesn't even notice how devastating it is when he says: "We cannot beat the Russians, they can only do that themselves" -- then that is dangerous.

Everybody you ask, "How's the Russian infantry?", will tell you, with pathetic thoughtlessness (since the two things don't go together logically, after all): "The Russian infantry is garbage. We are vastly superior to them." But: Russians can only be defeated by Russians.

I wouldn't have had any objections, if we had hired Mr. Vlasov and every other Slavic subject wearing a Russian general's uniform, to make propaganda against the Russians. I wouldn't have any objections at all. Wonderful.

Brig. Fegelein and the Russian general

Our comrade Fegelein once captured a Russian general like that. Look, they're cheap. They're Slavs. Full of humour, as Fegelein is, Fegelein told his staff: "We'll treat this one real good. We'll act like we're going to recognize him as a General. So, when he comes in, stand up, stand at attention, keep quiet, say 'General Sir, this' and 'General Sir, that', show him how much respect you have for him". Of course, this worked. You don't need to give a Russian general any political ideas, political ideals, or political plans for the future. You can get them cheaper than that, gentlemen. The Slavs are known for that.

The Slav is never able to build anything himself. In the long run, he's not capable of it. I'll come back to this later.

With the exception of a few phenomena produced by Asia every couple of centuries, through that mixture of two heredities which may be fortunate for Asia but is unfortunate for us Europeans -- with the exception, therefore, of an Attila, a Ghenghis Khan, a Tamerlaine, a Lenin, a Stalin -- the mixed race of the Slavs is based on a sub-race with a few drops of blood of our blood, blood of a leading race; the Slav is unable to control himself and create order. He is able to argue, able to debate, able to disintegrate, able to offer resistance against every authority and to revolt. But these human shoddy goods are just as incapable of maintaining order today as they were 700 or 800 years ago, when they called in the Varangians, when they called in the Ruriks "Vikings called in to settle Russia".

Every Russian, every Slav, likes to hear himself talk. An old story. If you encourage them: "Please tell us, we place the highest value on your opinion. After all, we can only learn from you", then you won't find a single Russian commissar who won't fall for this; it's like tickling them with a peacock feather, just like this. Our Fegelein treated his general that way, and his general told us everything that such a brave, courageous commander really shouldn't ever tell at all, everything from his battery positions to his divisional marching plans and orders (he had a whole offensive army). He gave us everything ripe for the slaughter. It was clear in his mind that after all his blabbering -- he was never asked anything directly, not with a single word -- that he really couldn't go back to Little Father Stalin, even though he wore the Order of Stalin number seven hundred and something, a sort of Great Knight's Cross from over there, which he then gave Fegelein as a gift. Fegelein gave the medal to the führer, and the führer gave it back to Fegelein in a very nice silver box. Just thought I'd mention it.

Vlasov again

When Fegelein told me the story of the general, I said, "Sure, we can do everything. The man gets promised everything and he'll get it, too. He gets the pension of a German lieutenant general (he's a Russian lieutenant general). He gets good food, liquor, women."

That's really disgustingly cheap. A torpedo costs, what do I know, 10,000 marks, as soon as we fire it. The preliminary concentrated artillery fire for a single division or corps costs many hundreds of thousands. We don't even know whether the fire will be as effective in every case as when we buy just one cheap Russian general.

Of course, it doesn't go like that formally; you don't say, "You get 100,000 marks down, now betray everything to us". Of course, he won't do it. Comrade Slav has a few points of honour here. You have to go about it differently.

Let's figure it out. How much pension does he get? 1,500 marks a month, that's 18,000 marks a year. Let him live 10 years, that's 180,000 marks. Miscellaneous expenditure is 20,000 marks. That's 200,000 marks total. It's really cheap if you get a Russian offensive army for it. You can do that with every Russian general, every one. We really shouldn't take them so seriously. If we could do that, then things would go right. But we Germans handle it so badly, I must say, in the state and the armed forces, that even many a Party comrade has walked on that bird's lime and gotten stuck.

Mr. Vlasov has made speeches in Paris, in Brussels, in Berlin. At his feet sat astonished members of the German leadership corps; their mouths hang wide open, their noses fall right down into their mouths out of sheer astonishment: "Golly! That Bolshevik can do simply everything". And they let that butcher's assistant tell them so. I took the trouble to read his whole speech once. I'll write an opinion on this speech, and send it to you in the near future. Mr. Vlasov says: "It's a shame how the Germans treat the Russian people. We Russians abolished corporal punishment decades ago". (Sure, they abolished it. That's why they shoot them now instead. That's just another kind of incentive.) "You Germans re-introduced corporal punishment, oh, how barbarous, how low-down."

Everybody in the audience feels ashamed. A few minutes later he claims: "How nationalistic the Russians are, you must appeal to their nationalistic soul". Can't you just see how the victor over Field Marshal Paulus, General X (I no longer recall his name), who was locked up by the GPU for years, beaten, whipped, and tortured, so that he suffers from hip pain even today and has a severe head injury, was victorious over Paulus at Stalingrad out of pure nationalism?

Nobody contradicts him. I thought the Russians had abolished corporal punishment. Apparently, among the Russians, only the generals are beaten, to get better results out of them. This Vlasov ballyhoo has gone around Germany without contradiction. Instead of skilfully making propaganda out of it, to disintegrate the Russian army, this propaganda has been turned against us, and has to some extent paralysed the strength of resistance and the will to resist of our own ranks through errors and false notions.

#### Ruling with a minority

I have felt obligated here to speak of these things quite openly here, with absolutely no rancour against anyone. All the things that we are still doing wrong, that we still can't do right, that is, how to act with regards to foreign peoples, the domination of masses of foreign blood by a small minority of the upper crust, all these things just have to be learned. We of the old Reich, I'm speaking of little Germany, have only been a Reich for 70 years. We have not yet had the opportunity to rule large political minorities, or even majorities, with a German minority, like the Ostmark in Old Austria, with its minority of 12 million Germans, ruling 40 to 50 million members of foreign races in the Balkans. Nor have we had the opportunity to learn to rule millions, hundreds of millions, with a minority, as England does, having learned how for 300 years.

We must take things as they are. We will learn that too; and if we could rise from the dead again in 100 years, we would see that our grandchildren and great-grandchildren will already be better at it than we are. I wish to instruct the SS in all these things. I believe that we are best protected from error through our self-assured racial attitude. We must also learn a great deal ourselves. We'll do it, I believe, to put it modestly for once, the least badly, relatively speaking, and with the fewest mistakes.

#### Psychology of the Slavs

Now, back to the Slavs! I consider it necessary to speak to each other about this once again. Whether it's Peter the Great or the late Czars, whether it's Lenin or Stalin, they know their own people. They are perfectly well aware that the concepts of "loyalty", "never betraying", "never conspiring", have no place in the Russian vocabulary.

Whatever people may tell you about the Russians, it's all true. It's true that some of the Russians are fervently pious, and fervently believe in the Mother of God of the Khasans or someplace else, it's absolutely true. It's true that the Volga boatmen sing beautifully; it's true that the Russian of today, in modern times, is a good improviser and good technician. It's true, for the most part, that he's even a lover of children. It's true that he can work very hard. And it's just as true that he is stinking lazy. It's just as true that he is an uninhibited beast, who can torture and torment other people in ways a devil would never permit himself to think of. It's just as true that the Russian, high or low, is inclined to the perversest of things, even devouring his comrades or keeping his neighbour's liver in his lunch bag. It's all part of the scale of feelings and values of the Slavic peoples. It's often purely a matter of chance which lot he draws; and to people who don't know the beast, he is often a very great riddle: what is the fellow up to now?

The Russians themselves know each other very well, and have invented a very practical system, whether it was the Czars with the Ochrana, or Mr. Lenin and Mr. Stalin with the GPU or the NKVD. When four Russians get together, with little father, little mother, and their little children, not one of the 4 or 5 knows who is betraying whom at the moment: which one is the informer betraying the father now: is it the mother, or the daughter? And who, in return, is betraying them? In doubtful cases there may be two, even three, informers in this family.

I am not exaggerating. This remark is entirely accurate with regards to the city. In the countryside, our comrades who have been over there in the East can confirm that there are still 20 or 30 NKVD informers and agents in every village, even after the withdrawal of the Bolsheviks. This ensures, to an absolute certainty, that no conspiracy can get started, because everything will still be reported to the top by means of this informer apparatus. Then comes the pistol or deportation, and that is how this entire people must be governed.

Heart in the wrong place

It is basically wrong for us to project our whole harmless soul and heart, all our good nature, our idealism, onto foreign peoples. This applies to Herder, who wrote the "Voices of the Peoples", probably in a drunken hour, and caused us, in later generations, such boundless suffering and misery. That applies to the Czechs and Slovenes, to whom, after all, we brought their national feeling. They themselves were absolutely incapable of it; rather, we invented it for them.

For the SS Man, one principle must apply absolutely: we must be honest, decent, loyal, and comradely to members of our own blood, and to no one else. What happens to the Russians, the Czechs, is totally indifferent to me. Whatever is available to us in good blood of our type, we will take for ourselves, that is, we will steal their children and bring them up with us, if necessary. Whether other races live well or die of hunger is only of interest to me insofar as we need them as slaves for our culture; otherwise that doesn't interest me. Whether 10,000 Russian women fall down from exhaustion [verb: "umfallen"] in building a tank ditch is of interest to me only insofar as the tank ditches are finished for Germany.

We will never be hard and heartless when it is not necessary; that is clear. We Germans, the only ones in the world with a decent attitude towards animals, will also adopt a decent attitude with regards to these human animals; but it is a sin against our own blood to worry about them and give them ideals, so that our sons and grandchildren will have a harder time with them. When somebody comes to me and says, "I can't build tank ditches with children "?" or women. That's inhumane, they'll die doing it." Then I must say: "You are a murderer of your own blood, since, if the tank ditches are not built, then German soldiers will die, and they are the sons of German mothers. That is our blood." That is how I would like to indoctrinate this SS, and, I believe, have indoctrinated, as one of the holiest laws of the future: our concern, our duty, is to our people, and to our blood. That is what we must care for and think about, work for and fight for, and nothing else. Everything else can be indifferent to us. I wish the SS to face the problem of all foreign, non-Germanic peoples, particularly the Russians, with this attitude. Everything else is moonshine, a fraud against our own people, and an obstacle to earlier victory in the war.

Russian soldiers on our side

One thing is a matter of course in this war: it is better for a Russian to die than a German. If we use the Russians, then they must be mixed with Germans in a ratio of 1:2 to 1:3. The best thing is to use individual Russians; then you can drive with them in a tank. One Russian with 2 or 3 Germans in a tank, magnificent, nothing wrong. But you must never let one Russian meet other tank-driving Russians, otherwise the boys will conspire. But if you wish to have Russian-only companies for some reason, then be careful, gentlemen -- and that is not just a thought, gentlemen, that is an order, gentlemen -- they must have their informer apparatus, their NKVD, in this company. Then you can sleep in peace. Otherwise, this is one of the earliest warnings I've issued, take care that these sub-humans always look at you; they must always look their superior in the eye. It's like with animals. As long as an animal looks his tamer in the eye, he won't try anything. But have no doubt about one thing: he is a beast. We will be able to utilize ["ausnutzen"] the Russians with this attitude; with this attitude we shall be superior to the Slavs at all times. But not with any other attitude.

The Russian theatre of war today

Now back to the military situation! We are in a foreshortened position today. It is a shame that we had to give up the Donetz Basin. We have given it up. That will in no way decide or influence the outcome of the war at all. It is advantageous to us to have a short, straight front in this way; it will be extended, and must be extended, with all our strength; it will then form our East Wall with the shortest, straightest connections to the rear. All in all, this offers one very great advantage. The enemy has now regained the great area which we previously had to conquer, large expanses of which we seriously damaged. I view the offensive of the Russians this winter with calm. I am convinced that we can hold off this last great lunge of the desperate beast. And then, he wouldn't be a Slav if he didn't suddenly show signs of very severe exhaustion, and I mean intellectual exhaustion.

The Italian theatre of war

Now for Italy, the other theatre of war! There must be no doubt in our minds that the weakness of this people lies in their blood, in their race. In considering this problem, we must

distinguish between that which is comfortable or uncomfortable for us today, and that which will be comfortable or uncomfortable for us in the future. Italy was a weak ally, beginning with Greece and Africa, and ending with Russia. There is, after all, no nation which hasn't thrashed the Italians, from whom the Italians haven't taken a beating. The Italians, we can see this right now, will be considered the most contemptible people in the world; no one, no Albanian, no Montenegrin, no Frenchman, no American, no Englishman, no Russian, no German, will have any respect for them, since they have proven themselves everywhere to be cowards, as soldiers, as men. That is the most contemptible judgement that one can hand down against a people and a race. We must therefore distinguish between that which is comfortable for us today and that which would be comfortable for us in the future. If the Italians were a neighbour truly related to us in terms of inner qualities, then it would be magnificent if Italy had remained strong. But with a consistently weak neighbour who has no resistance to anything, the situation as it is, I must say, is much better. It is considerably better. At the moment, it is uncomfortable; it came at an inconvenient time. If the betrayal had come a quarter of a year later, it would have been better for us. But you can't hope for that in war. Fate simply doesn't ask what you want. It throws you heavy punches. In the long-distant future, we will be thankful to Fate and to God that it happened as it did.

#### The failure of the Italians

I've already said that the Italians have failed everywhere. Pantelleria, to take only one characteristic example, capitulated with 12,000 men after the loss of 36 killed and 120 wounded over the course of six weeks. They had enough water -- the report of the honourable commander of Pantelleria was not true -- for the garrison of 12,000 men, probably for another 10 to 12 days. I personally believe they had enough water for even longer. The island could simply not be taken, every expert says so; even the airplane hangars were underground, built into rock casemates. They simply couldn't be gotten out of there. Something must be said here: the surrender of Pantelleria was tragic insofar as the Duce consolidated the island, exactly as he built the Italian air force, exactly as he created the Italian navy. That navy was his work, his navy. But these people, one can really say, are still Italians after all; the Duce is the only one who embodies and bears in himself the great Roman tradition.

The Italian army in Sicily didn't defend itself. It showed the white flag everywhere, right away. Then came the betrayal. That was very hard for us, since we were in the midst of transporting our divisions. Based on news reports, I was already convinced of the disintegration of Italy one and half years ago. The army was infected with Communism and was sympathetic to the Anglo-Saxons. We couldn't carry out the counter stroke before enough German divisions were over the Alps.

#### The liberation of the Duce

Next came the real implementation of the armistice. And then came the -- how should I say -- bold stroke of our SS men and the men the Luftwaffe, the liberation of the Duce. I was very happy that the work of the Security Service could be mentioned for once, after all these years, since it is precisely the task of the Security Police and Security Service to work in silence. Their work is never mentioned, cannot be mentioned. Their men die as bravely as our men do at the front, but their work must not be mentioned. That which they provide in terms of important information and documents, the importance of that which they do, can never be mentioned. Thus, it pleased me greatly that the Security Service -- the work of our friend Heydrich, which is being carried on in a dignified and forceful manner by his successor Kaltenbrunner -- was able to show for once, in public, that it is strong and gets results.

The liberation of the Duce, insofar as I could tell everywhere, met with an unprecedented response in our people, and gave them an unprecedented boost. But it was also interesting because it was taught us that virtues like loyalty and comradeship are values of the mind which are profoundly rooted, not only in the German people, but in the entire European group of peoples. Let us never underestimate the value, the unique eternal value, of this ideal. The manner in which our people reacted to this act of comradeship and loyalty was therefore a shining example and a gleaming proof of this fact.

#### The Balkans

I will briefly list the individual nations of the Balkans. Croatia, for the moment in serious disorder, is a state made up of "page 30 missing, but text continues apparently without interruption on page 31" 6 1/2 million men, of whom 3 1/2 million are Croats. 2 million are Bratislavs, that is, a kind of Serb, and 1 million are Bosnians. It is a state with very large minorities. Its national leader, Poglawnik, entered office as a result of the difficult conditions imposed upon him by the Italians, and placed at a disadvantage by the fact that he was forced to renounce the largest and most valuable parts of his country. It was obvious that he not enjoy any authority in this manner. Most of the country was occupied by the Italian army. The bands under Mr. Tito -- he has become a sort of popular hero there -- and Mr. Draha Mihailovitsch -- Tito is the Communist man, Draha Mihailovitsch is the Yugoslavian- English-American man -- dominated the situation.

The situation in Slovenia is similar. Albania's independence was now recognized by us. Serbia is naturally the hotbed of conspiracy in the Balkans, yet it is relatively quiet. Greece is also somewhat quieter for the moment.

It is clear that we must concentrate large numbers of troops to the Balkans in order to shield and protect this part of Europe exposed by the collapse of our ally. We must expect attacks there by the Anglo-Americans.

[Translator's note: Page 32 is missing; apparently misnumbered, since the ideas appear to follow.]

It is naturally of interest that the Balkans are one of the principal objects of strife between Russia and the Anglo-Americans. Russia says: that's my sphere. And the Anglo-Americans say: that's our sphere. The best fruits for us will grow out of the perpetual strife between our noble allies.

The other occupied territories France, the Netherlands, Norway, Denmark, Belgium, Poland, Bohemia, and Moravia -- the situation is known. We must be on the lookout everywhere, that is clear. We must expect acts of sabotage, paratroop attacks, minor rebellions, strikes, insubordination, and irresolution everywhere, even among the favourably-minded elements of the population. In the Germanic countries, one thing is quite clear to me: the majority of the people in these Germanic countries, in the bottom of their hearts, will only be won over when the die has been cast in the present struggle between the two Germanic Empires, that is, the German and British empires, when it is seen who is the stronger. They will then fall to the stronger. It is disagreeable to us that they do not come to us with open hearts. But it cannot be denied that the political preconditions for this did not exist.

There were no great figures -- this is the tragedy of the renewal movements in Holland, in Flanders, in Norway, and in Denmark -- able to win their people over to us and lead them into the Germanic political community today, according to their own political laws. It is perhaps -- even probably -- best, from a historical point of view, that this is so difficult. The select few who come to us, and fight in our Germanic volunteer units, in our Germanic corps (such as the 3rd SS Tank Corps) are naturally some of the most valuable members of the Germanic nations. These men, who fought their way through to us from out of 30 million Germanic people, who were trained among us, will be the old fighters of the greater Germanic community.

#### The sabotage war

We must, of course, anticipate an increase in the most unpleasant forms of sabotage, the use of poisons, explosives, briefly, with everything. These are things that we have to pay attention to, which must be taken seriously down to the minutest detail, but whose objective -- wearing down our nerves and spoiling our good humour -- must never be permitted to succeed. I say this in full awareness that every detail must be taken seriously in this war. But we must consider nothing a tragedy, since all these things do not kill us. They cannot kill us; they are pinpricks, they are unpleasant, they hem us in here and there; but they cannot wound us mortally. Mortally -- I would like to emphasize this here for the first time -- there is only one thing that can hurt us: a weakening of our will to resist. He who, in spirit and determination, refuses to give in, cannot be defeated, unless he can be starved out, which is not the case with us, if he stays strong, as a man and as a soldier, if he has his weapons, and cannot be overcome with these.

#### The air war

Since the Luftwaffe, which possessed an absolute mastery of the air in the first years of the war, has had to stretch itself out to great theatres of war all over Europe, and it has naturally had to be spread thinner. Since we had to intervene in Italy in battles involving the heaviest sacrifices to protect the security of our supply lines, since neither the Italian fleet nor the Italian air force could protect our supply lines to Africa to any significant degree, we have suffered much attrition in Italy.

The terror attacks on our country have doubtlessly hurt us badly in many places. I am firmly convinced, I would like to say that I can state definitely, that the worst is over, that we have found a tactic to break these air attacks, that, through work, we can multiply our aircraft production and improve our weapons. I am firmly convinced that we will have overcome the chief dangers of the situation by the end of this year or the beginning of the next year, that we will be active again during the coming year.

#### The naval war

We really had some bad days for a time this year. Fate tested us once again. Just when problems were appearing on the eastern front, just when treason was raising its ugly head in Italy, when the air attacks were getting terrible, the U boat war was interrupted, too.

As always in war, things go back and forth. Sometimes offensive weapons are stronger, sometimes defensive weapons. We just went through a period during which the defensive weapons of the English were stronger, were technically superior to ours. For months, therefore, the U boat war had to be restricted to a minimum. As you have seen from the reports of the last 14 days, we are now active again. Offensive weapons have once again recovered and surpassed the enemy's technical lead, and offensive weapons are now once again at an advantage. That is an example and a lesson that one must never give up, that a cause is only lost -- technically, militarily, spiritually -- when one gives up. If the Reichsmarschall in the air force or marines, if Grossadmiral Doenitz in the navy, had said, after the low point, "There's no point, the others are too powerful, they're better equipped technically, the U boat is out of date, or our air force, or some technical development or other, is out of date", then the enemy would have triumphed. When one does not give in, but rather, as happened here in both cases, gives the order: "Ready for action!" -- then, this example, in both the Air Force and the navy, shows that things can also go right on ahead again. You just have to have the nerves for it.

The Editing of the Speech by Himmler

NOTE: Here is another hoax. Please note this speech has many phrases such as "Thank god" none of which are too bad. Himmler expresses his hate in this speech aswell, you will find quotes such as: Every convinced Christian is against us. – Heinrich Himmler  
This speech was edited by the Allies to say the holocaust happened in the Nuremberg trials. Much of what is in this article, is not my words. This is because there is no point in me to put precious time and effort into something which is so oppenly available

---

Reichsfuhrer-SS Hienrich Himmler [Heil!] Supposedly gave a speech to very High Ranking members of the Waffen-SS regarding the extermination of the Jews givin on the 4 and 6 of October on Pozen, Poland. This speech, like all the other allied hoaxes such as Malmendy and Lidice, arose in the Nuremberg Trials.

When historians look over a speech for ligitimacy, the search for contradictions, words of of context, etc. This speech contains out of context words everywhere. And this speech was meant to be top, TOP secret.....yet the Nazis were stupid enough to record right?

Regarding the recording:

The Holocaust History Project says: "There is a faint before-and-after echo that can be heard at loud portions of the speech, most notably when Himmler shouts "gnadenlos" ("mercilessly"). This is from the magnetic impressions bleeding through two or three layers of tape on a reel, and indicates that a source for our recording spent some years on tape. Whether that is Himmler's original tape or the National Archives' master tape made in the 1970s is, at this time, unknown." The same writer also admits that it is unknown whether the original medium was magnetic tape or phonograph disc, which means that he cannot say that he has examined the recording in its original medium. That should be very troubling given the fact that the trustworthiness of the recording is in question.....

It was completely feasible to edit sound recordings after Germany was defeated in 1945, since magnetic recording tape, which unlike wire recording or phonograph record is easily cut and spliced, had already been invented (by a German) in 1928. According to the U.S. National Archives (cited by The Holocaust History Project) the most common method of recording speeches in the Third Reich was direct recording to phonograph disc. Echos in this recording however indicate that the speech was stored for years on tape.\*\*\* This means that ample opportunity to edit the recording existed.

Editing a sound-recording to make it seem more incriminating would not be the most outrageous thing that the Allies did in their propaganda during and after the war. (Cf.the U.S. Army's Why We Fight series, featuring undeniably fake Hitler quotes that could have been exposed by anybody who bothered to check, and deliberately misrepresented documentary footage from China.)

It makes perfect sense to suppose that some similar shenanigans were committed in this case, because the content of Himmler's Posen speech of 4 October 1943, as it has been presented to us in this recording, makes no sense, even in relation to itself." /1

In this speech Himmler is said to have said the the extermination of the Jews is one of the 25 points of the NSDAP. However when we over the points, there is nothing linked to anything regarding the Eztermination of the Jews /2

According to many holocaust deniers and those who defended Zundel, The original speech was tampered. It was re-written with different typewriters. The original has never been seen before. All the Nazis who attened this speech also stated this. There is also another audio version, but you can be suprised of how much can be done with technology. This audio is an obvious hoax.

Within this speech, he talks about the "extermination of the Jews" using the German verb Ausrottung

"In 1993, Robert Wolfe, supervisory archivist for captured German records at the National Archives admitted that a more precise translation of Ausrottung would be extirpation or tearing up by the roots. Wolfe also pointed out that in Himmler's handwritten notes for the speech, that Himmler used the term, Judenevakuierung, or evacuation of the Jews, not extermination." /4

Infact, there are four different definitions of this verb:

Ausrott/en v/t. (Plants) (also figurative): root out; (figurative), extirpate, eradicate, stamp out; (People) exterminate, wipe out; Ausrottung, f.: uprooting, extirpation, eradication; extermination; (Politics) (Entire peoples): also: genocide /5

Here is a 1887 definition: /6

Picture

It is fair to say that this verb means to kill.

Here is an excerpt from the translation of the speech (look below) which talks about the holohoax. Whitlock's note are in [ ] and in bold

The evacuation of the Jews

I want to mention another very difficult matter here before you in all frankness. Among ourselves, it ought to be spoken of quite openly for once; yet we shall never speak of it in public. Just as little as we hesitated to do our duty as ordered on 30 June 1934, and place comrades who had failed against the wall and shoot them, just as little did we ever speak of it, and we shall never speak of it. It was a matter of course, of tact, for us, thank God, never to speak of it, never to talk of it. It made everybody shudder; yet everyone was clear in his mind that he would do it again if ordered to do so, and if it was necessary.

I am thinking now of the evacuation of the Jews, the extirpation ["Ausrottung"] of the Jewish people. It is one of those things that's easy to say: "The Jewish people will be extirpated" ["wird ausgerottet"], says every Party comrade, "that's quite clear, it's in our programme: elimination ["Ausschaltung"] of the Jews, extirpation ["Ausrottung"]; that's what we're doing." And then they all come along, these 80 million good Germans, and every one of them has his decent Jew. Of course, it's quite clear that the others are pigs, but this one is one first-class Jew. Of all those who speak this way, not one has looked on; not one has lived through it. Most of you know what it means when 100 bodies lie together, when 500 lie there, or if 1,000 lie there. To have gone through this, and at the same time, apart from exceptions caused by human weaknesses, to have remained decent, that has made us hard. This is a chapter of glory in our history which has never been written, and which never shall be written; since we know how hard it would be for us if we still had the Jews, as secret saboteurs, agitators, and slander-mongers, among us now, in every city -- during the bombing raids, with the suffering and deprivations of the war. We would probably already be in the same situation as in 1916/17 if we still had the Jews in the body of the German people.

The riches they had, we've taken away from them. I have given a strict order, which SS Group Leader Pohl has carried out, that these riches shall, of course, be diverted to the Reich without exception. We have taken none of it. Individuals who failed were punished according to an order given by me at the beginning, which threatened: he who takes even one mark of it, that's his death. A number of SS men -- not very many -- have violated that order, and that will be their death, without mercy. We had the moral right, we had the duty to our own people, to kill this people which wanted to kill us ["dieses Volk, dass uns umbringen wollte, umzubringen"].

[Translator's note: it is unclear whether the writer is referring to the Jews as a race, or to the Jews as saboteurs, agitators, and slander-mongers; see above].

But we don't have the right to enrich ourselves even with one fur, one watch, one mark, one cigarette, or anything else. Just because we eradicated ["ausgerottet"] a bacillus, after all, doesn't mean we want to be infected by the bacillus and die. I will never permit even one little spot of corruption to arise or become established here. Wherever it may form, we shall burn it out together. In general, however, we can say that we have carried out this most difficult task out of love for our own people. And we have suffered no harm to our inner self, our soul, our character in so doing.

Translation of Speech /6

My note: This translation is by holocaust denier and truth spread Carlos Whitlock Porter. He is a great man who dedicated his life to truth. PAY VERY CLOSE ATTENTION TO THE WORDS WITHIN: [ ] AND THEY ARE IN BOLD

Translator's Notes:

The author of the document (whoever he is) uses at least 4 different words which can be translated as "kill or exterminate":

- "ausrotten" and "ausmerzen", almost exactly equivalent terms, are usually translated as "extirpate, exterminate, kill", with a number of figurative meanings;

- "umbringen" and "totschlagen" are usually translated as "kill", in a literal sense.

In this text, ALL FOUR TERMS are used figuratively at least once: see pp. 94, 96, 101 of the original, i.e., killing the Third Reich ["totschlagen"], killing loyalty ["umbringen"], extirpating disputatiousness ["ausmerzen"], exterminating laziness, ["ausrotten"] [figurative usages marked in red in text].

"Ausrotten" is also used figuratively by Hitler in his famous Berlin Sportpalast speech of February 1933: "den Marxismus und seine Begleiterscheinungen aus Deutschland auszurotten" -- "to extirpate Marxism and its accompanying phenomena from Germany".

"Ein Volk auszurotten" (p. 66) can be translated "exterminate or kill a people or race", or, alternatively, "get rid of a rabble, crowd, mob", etc...

"Umfallen" (p. 23), translated at Nuremberg as "die" [Actually it was translated both ways, but "die" is more commonly quoted], means "to fall down" (or "fall down dead"), and is used figuratively on p. 50 as "to give up"[marked in red].

"Ausnutzen" (p. 25), translated at Nuremberg as "exploit", can also mean "use". (See also sauck.htm)

I have translated some parts more freely than others; the style is mostly very informal, larded with sarcasm and slang, but not without a certain eloquence.

I have marked illogical remarks or uncertain terminology with a [?]; for example, it seems strange to speak of "hard times" beginning in Germany in 1936-7 (p. 93) [marked in red]. I know that the Moscow subway was built with forced labour, including that of women, but I question the utility of "child labour" in digging anti-tank ditches (p. 24).

There are apparently no missing pages; most of what the document contains appears logical in context; it appears to be a transcription of stenographic notes typed by someone with very little education, probably with two fingers. It may have been retyped to make it more incriminating. It was "retyped" (more or less) to typeset it at Nuremberg. We don't know who took the stenographic notes or how accurate they were, or even who did the typing. Nor is there one single example of the "sharp S", a standard letter of the German alphabet. See also cl180.htm

In the first paragraph, SS Obergruppenführer Eicke had recently been killed in action on the Russian Front.

1919-PS Speech of the Reichsführer-SS at the SS Group Leader Meeting in Posen on 4 October 1943.

Cemony in Honour of the Fallen  
In the months which have passed since we last met in June of 1942, many comrades have fallen and given their lives for Germany and for the Führer. Before them, in the forefront -- I ask you to stand in their honour, and in the honour of all our dead SS men and dead German soldiers, men and women -- in the forefront, from our ranks, "let us honour" our old comrade and friend, SS Obergruppenführer Eicke.

(The Group Leaders rise from their seats).

The situation in the fifth year of the war

I have considered it necessary to call you all together, the High Leadership Corps of the SS and Police, now at the beginning of the fifth year of the war, which will be a very difficult year of the war. Hard-headed, as we always were, in a spirit of respect for the truth with regards to ourselves, there are several things which we wish to discuss at this Troop Leadership Conference. Just as I was accustomed to do in long years of peace, I wish to describe the situation as I see it, in as few words as possible, with regards to our responsibilities and that which we have already achieved and accomplished, as well as with regards to that which stands before us to be accomplished in the future.

The Russian leadership

First, the military situation. I will begin with Russia. When -- I believe it was in 1937 or 1938 -- the great show trials were being held in Moscow, and the ex-Czarist officer and later Bolshevik general Tuchachevski and other generals were shot, we were, at that time, all over Europe, even in the Party and the SS, of the opinion that the Bolshevik system, and therefore Stalin, had made one of its most serious mistakes. We were absolutely mistaken in this judgment of the situation. We can state this, once and for all, in a spirit of full respect for the truth. I believe that Russia could not have withstood the two years of war -- it is now in the third year of war -- had it retained its ex-Czarist generals. It turned -- I'll discuss this first of all -- its political commissars into generals, it sought out those who had grown up through the Red Army as commanders, as generals, so that they could simultaneously act as political commissars. The stubbornest bearers of the will of the Bolshevik... doctrine, I should like to call it, not an ideology ... is, in Russia, simultaneously a commander and leader.

## The Attack of 1941

In 1941, the Führer attacked Russia. That was, as we may well say today, shortly, perhaps a quarter or half year before Stalin's enveloping movement prior to his great thrust into Central and Western Europe. I can sketch out this first year with very brief strokes. The attack was effective. The Russian army was driven together into great pockets, destroyed, taken prisoner. We did not then value the mass man as we do now, as raw material, as manpower. Which is not a shame in the end, if one thinks in terms of generations, but it is regrettable today due to the loss of manpower: the prisoners died by the tens of thousands or hundreds of thousands from exhaustion, from hunger.

## The winter of 1941-1942

Then came the summer and autumn of 1941, the flush of victory which led us almost to Moscow, the winter of 1941-42. The winter of 1941-42, with its consequences, was, on the one hand, the work of Fate, which hit us hard for the first time; on the other hand, however, it was the work of the political commissars, the "politruks", whose severity and relentlessness, whose fanatical, brutal will drove the raw material of the Slavic, Mongolian mass man to the front, and didn't let him get back out again.

## The year 1942

In early 1942 then came our attacks in the Crimea, over the Donetz to the Don and to the Volga. The bow of the German front and its allies was drawn taut. The war could have been brought to a close for Russia in 1942 if all had held out. Since according to all calculations, and in all probability, which must not be left out of consideration in war, with which one must still reckon after all, the Caucasus would have fallen into our hands sooner or later.

Russia would have been cut off from its chief sources of petroleum, and hunger would have handled its people even more roughly than is the case today. Then came the collapse of our allies. First came the breakthrough among the Rumanians, then the breakthrough among the Italian Army, which was already of very little value even then, then the breakthrough and retreat of the Hungarian units: the total loss of approximately 500 km of front. This loss required the withdrawal of the German front, in order to be able to close it again at all. This loss made the sacrifice of Stalingrad necessary from the point of view of Fate. It is not our intention to reflect upon every detail here today. I am personally convinced that this sacrifice -- that sounds dreadfully harsh when I say so now -- was necessary, since, without the link-up of enemy forces around Stalingrad, it would no longer have been possible to close the German front. That will, I am convinced, be the finding of military historical research 10, 15, or 20 years after the war. At the same time, a very late consolation.

## The year 1943.

The first great battle for Kharkhov then came early this year. Kharkhov was evacuated under sometimes -- this is known to every one of our units out there -- very peculiar circumstances. At the right time, then, upon the order of the Führer, the tank corps arrived in Kharkhov under the leadership of our old comrade, SS Obergruppenführer Hausser. The deliberate evacuation of Kharkhov was also carried out by Hausser using the tank corps. A glorious campaign of several weeks then began, carried out by this corps in an unusually mobile manner in the open field, a manner I consider truly correct and downright true to type for motorized and tank units. Our tank corps drove the enemy; Sepp Dietrich was the first to break into Kharkhov with his Leibstandarte. Kharkhov was retaken, and the German front was re-established.

In late spring and summer of this year, we replied to the attacks of the Russians with a big counterattack at Bielgorod. We can report with pride that the only corps which really penetrated the deeply entrenched system of Russian positions was our SS Tank Division, with the Standarte "Deutschland" in front of the old Division "Das Reich". The Russians had built a position 7 km deep, a model and an example such as we Germans ought never to forget: to work hard, to dig in, and build positions. Because the hard work, the sweat poured out in so doing, will save the lives of tens of thousands. We Germans have still not really learned this after four years of war. If we had to give a grade for this like in school, the best the Germans could get for building their positions would be between 4 and 5 "i.e., D or F". I must acknowledge one thing here: our SS Divisions have learned a great deal over the past 2 years, and generally build their positions very assiduously.

In the middle of this operation on the eastern front came the necessary withdrawal of a great number of divisions to Italy. That was why we could not counter as forcefully as necessary the Russian attack, which we could have terminated with a catastrophe for the Russians if we had had ten more tank divisions, purely on the grounds of strength.

## The human potential of the Russians

Here I would like to say a few words on evaluating the total strength of the Russians. An element basic to an overall evaluation is the question of Russian population figures. That is the great riddle. Population estimates for that country, which has been hermetically sealed off for decades, range from 170 to 250 million. I have taken a lot of trouble with this question, and have had studies prepared starting with the first Czarist censuses, that is, the first censuses ever carried out in Russia. At that time, the Bolshevik tendency to conceal everything from Europe and the world -- from the building of a street which is not indicated on any map, to the concealment of large industries manufacturing tanks and airplanes, and which are shown to the European Info-tourist as "tractor factories", while tanks are built in the next hall -- did not yet exist. I had census figures brought to me which were not gathered under this law of camouflage and concealment, decades before the Bolshevik administration. These figures enable one to perceive a certain increase, a gradual growth. We came to the conclusion through our calculations that Russia must have two hundred people, maybe two hundred twenty million at the very most. To describe the calculations in detail at this time would take too long and might also be too boring. I came to the conclusion that the Russians, in addition to the divisions on their Western front, that is, the divisions standing directly opposite us today, have squeezed an additional 4 million soldiers out of the body of their people early this year and over the course of the year. That means 400 times 10,000 men, or 400 new divisions. I calculate this in approximately the following manner: the Russians have already drafted all men born in 1926, and some of the men born in 1927. It is a tragedy according to the laws of nature that Russian men born in 1925 to 1927 amount to 1.5 and 1.8 men respectively, while our men born in the same years amount to only 500,000 to 600,000 "respectively?", that is, a third of the Russian number.

In addition, the Russians have no doubt added a lot of people to their companies by drafting even younger men, men born in 1928. The Division "Das Reich" reports that, in some cases, the divisions opposing us contained whole companies consisting of 14 and 15 year olds. That is entirely indifferent to the Russians; to them, only the masses count; the masses must be trampled, stuck, and slaughtered. They are -- to use a really brutal expression -- like a pig which has been stuck and must slowly bleed to death. The Russians have doubtlessly further reinforced their army by an additional 1 million men through the incorporation of auxiliary forces, that is, chiefly women and boys in the military and supply units, general staffs, and as auxiliary machine gunners. The Russians have apparently not received any Chinese. They have, however, recruited another 1 million men from their small splinter nationalities, such as the Afghans (2 to 3 million people), Mongols from Outer Mongolia (2 million people), and Kirghis; these people are perhaps not yet exhausted in terms of military purposes. I believe that all in all they have raised another 4 million men for their offensive army.

With regards to the situation as a whole, I am, as you know, an optimist. I know that we will win the war. That is a law of nature. But I have always been rather conservative in my calculations, and I think I can show that I have never made a mistaken prophecy in these matters. I therefore believe that the Russians have lost approximately 2 million men in dead, prisoners, and disabled. We must therefore expect one more desperate total offensive of the Russians in winter, with a strength of 200 divisions, that is, approximately 2 million men. We must and will hold off this attack and this clash.

Absolutely nothing is endless on this earth; the potential of the Russians is not endless either. When these Brussilov offensives, to use the expression, are finally over, the potential of the Russians will therefore be approaching its natural end. Hunger is a serious problem among the Russians. It is interesting that the Russians consider it correct, with the mass man, to keep the officers and commissars physically strong and in a good mood by feeding them an American diet, while little Ivan is fed very shabbily with a bit of bread or similar rubbish. They are fighting the whole war through their brutally trained leadership strata of political officers; officer-comissars or commissar-officers; politruks or subordinate officers; subordinate officers or politruks; it has gradually come to be all one and the same.

The partisan war

Now I come to another aspect of the war in Russia, of which there is so frightfully much talk. When you arrive in the East, in the high staff headquarters, a map on a scale of 1 to 1 million is usually spread out in front of you. Every mine found on a certain date anywhere along railroad tracks thousands of kilometres long is diligently entered with a squiggle on this map on a scale of 1 to 1 million. Every attack, whether an attack on a munitions transport or a cattle theft usual in the district, is entered with a cross or something similar. The result is that a map like that looks all red.

You're tempted to say: "It's hopeless! Give up! There's nothing we can do". But if you transfer the same data to a map on a normal scale, and compare it to the criminal cases in our sheltered German fatherland, still richly supplied with policemen even today, then it sinks to an unpleasant minor matter. But they all tell you -- if you will listen to it -- all the lowest ranking staff members, especially in the communications zone, "It's dreadful! The Central Army Group is cut off from the fatherland for 400 kilometres by a belt of partisans."

When somebody tells you that, just hand him your hanky so he can dry his tears. I always ask such people the question: "Has the Central Army Group suffered from hunger so far?" Answer: "No." "Has their ammunition been cut off?" "No, they've received everything." Of course, the trains are delayed for hours, half a day. "Have their supplies been interrupted then?" "No, the Army Group is receiving its supplies."

The Vlasov ballyhoo

Then you hear the next prayer. This goes: "We were wrong about the Russians." This song is usually sung by men from some Eastern province, who were over there in their youth, some of whom have written very good books and had a Russian mother, too, and now they tell stories. It is also sung by the little political vagabonds whom we first came to know in the eastern struggle against Poland, whom we rejected at home, and who have now been drafted as soldiers, officers and majors, and are still peddling their intellectual poison under cover of the uniform of our decent German army. Goaded on by this propaganda tendency -- I can't call it anything else -- they tell you so many stories, or write them home by military post (and the stories then trickle down from top to bottom): "Yes, we were wrong about the Russians. The Russians are not at all the robot" (this is the expression used most frequently) "that we thought they were in 1941. Now that we're over here in the East, our eyes have been opened. The Russians are a noble people, and so on and so forth, a collection of all virtues. We just have to educate them as National Socialists, the best thing would be to create a NSRAP or something similar. Then they would" -- this is the next bit -- "form the army of liberation under General Vlasov". Then comes the following, which is a constant claim of General Vlasov: "Russia can only be freed by Russians. Germany has so far never been able to defeat the Russians". So give Vlasov 500,000 or 1,000,000 Russians, arm them well, train them insofar as possible according to German principles, and Vlasov is so noble, that he'll go off against the Russians and kill them for us.

People can blow off a great deal of stuff and nonsense; that wouldn't be so dangerous. But when a piece of nonsense like this has the end effect that a glorious army, looking back on hundreds of years of tradition like the German one, begins to doubt its own strength due to the gossip of politically untrained little officers of higher or lower service grades -- the little bundle of proverbs who talks like this doesn't even notice how devastating it is when he says: "We cannot beat the Russians, they can only do that themselves" -- then that is dangerous.

Everybody you ask, "How's the Russian infantry?", will tell you, with pathetic thoughtlessness (since the two things don't go together logically, after all): "The Russian infantry is garbage. We are vastly superior to them." But: Russians can only be defeated by Russians.

I wouldn't have had any objections, if we had hired Mr. Vlasov and every other Slavic subject wearing a Russian general's uniform, to make propaganda against the Russians. I wouldn't have any objections at all. Wonderful.

Brig. Fegelein and the Russian general

Our comrade Fegelein once captured a Russian general like that. Look, they're cheap. They're Slavs. Full of humour, as Fegelein is, Fegelein told his staff: "We'll treat this one real good. We'll act like we're going to recognize him as a General. So, when he comes in, stand up, stand at attention, keep quiet, say 'General Sir, this' and 'General Sir, that', show him how much respect you have for him". Of course, this worked. You don't need to give a Russian general any political ideas, political ideals, or political plans for the future. You can get them cheaper than that, gentlemen. The Slavs are known for that.

The Slav is never able to build anything himself. In the long run, he's not capable of it. I'll come back to this later.

With the exception of a few phenomena produced by Asia every couple of centuries, through that mixture of two heredities which may be fortunate for Asia but is unfortunate for us Europeans -- with the exception, therefore, of an Attila, a Ghenghis Khan, a Tamerlaine, a Lenin, a Stalin -- the mixed race of the Slavs is based on a sub-race with a few drops of blood of our blood, blood of a leading race; the Slav is unable to control himself and create order. He is able to argue, able to debate, able to disintegrate, able to offer resistance against every authority and to revolt. But these human shoddy goods are just as incapable of maintaining order today as they were 700 or 800 years ago, when they called in the Varangians, when they called in the Ruriks "Vikings called in to settle Russia".

Every Russian, every Slav, likes to hear himself talk. An old story. If you encourage them: "Please tell us, we place the highest value on your opinion. After all, we can only learn from you", then you won't find a single Russian commissar who won't fall for this; it's like tickling them with a peacock feather, just like this. Our Fegelein treated his general that way, and his general told us everything that such a brave, courageous commander really shouldn't ever tell at all, everything from his battery positions to his divisional marching plans and orders (he had a whole offensive army). He gave us everything ripe for the slaughter. It was clear in his mind that after all his blabbering -- he was never asked anything directly, not

with a single word -- that he really couldn't go back to Little Father Stalin, even though he wore the Order of Stalin number seven hundred and something, a sort of Great Knight's Cross from over there, which he then gave Fegelein as a gift. Fegelein gave the medal to the führer, and the führer gave it back to Fegelein in a very nice silver box. Just thought I'd mention it.

Vlasov again

When Fegelein told me the story of the general, I said, "Sure, we can do everything. The man gets promised everything and he'll get it, too. He gets the pension of a German lieutenant general (he's a Russian lieutenant general). He gets good food, liquor, women."

That's really disgustingly cheap. A torpedo costs, what do I know, 10,000 marks, as soon as we fire it. The preliminary concentrated artillery fire for a single division or corps costs many hundreds of thousands. We don't even know whether the fire will be as effective in every case as when we buy just one cheap Russian general.

Of course, it doesn't go like that formally; you don't say, "You get 100,000 marks down, now betray everything to us". Of course, he won't do it. Comrade Slav has a few points of honour here. You have to go about it differently.

Let's figure it out. How much pension does he get? 1,500 marks a month, that's 18,000 marks a year. Let him live 10 years, that's 180,000 marks. Miscellaneous expenditure is 20,000 marks. That's 200,000 marks total. It's really cheap if you get a Russian offensive army for it. You can do that with every Russian general, every one. We really shouldn't take them so seriously. If we could do that, then things would go right. But we Germans handle it so badly, I must say, in the state and the armed forces, that even many a Party comrade has walked on that bird's lime and gotten stuck.

Mr. Vlasov has made speeches in Paris, in Brussels, in Berlin. At his feet sat astonished members of the German leadership corps; their mouths hang wide open, their noses fall right down into their mouths out of sheer astonishment: "Golly! That Bolshevik can do simply everything". And they let that butcher's assistant tell them so. I took the trouble to read his whole speech once. I'll write an opinion on this speech, and send it to you in the near future. Mr. Vlasov says: "It's a shame how the Germans treat the Russian people. We Russians abolished corporal punishment decades ago". (Sure, they abolished it. That's why they shoot them now instead. That's just another kind of incentive.) "You Germans re-introduced corporal punishment, oh, how barbarous, how low-down."

Everybody in the audience feels ashamed. A few minutes later he claims: "How nationalistic the Russians are, you must appeal to their nationalistic soul". Can't you just see how the victor over Field Marshal Paulus, General X (I no longer recall his name), who was locked up by the GPU for years, beaten, whipped, and tortured, so that he suffers from hip pain even today and has a severe head injury, was victorious over Paulus at Stalingrad out of pure nationalism?

Nobody contradicts him. I thought the Russians had abolished corporal punishment. Apparently, among the Russians, only the generals are beaten, to get better results out of them. This Vlasov ballyhoo has gone around Germany without contradiction. Instead of skilfully making propaganda out of it, to disintegrate the Russian army, this propaganda has been turned against us, and has to some extent paralysed the strength of resistance and the will to resist of our own ranks through errors and false notions.

Ruling with a minority

I have felt obligated here to speak of these things quite openly here, with absolutely no rancour against anyone. All the things that we are still doing wrong, that we still can't do right, that is, how to act with regards to foreign peoples, the domination of masses of foreign blood by a small minority of the upper crust, all these things just have to be learned. We of the old Reich, I'm speaking of little Germany, have only been a Reich for 70 years. We have not yet had the opportunity to rule large political minorities, or even majorities, with a German minority, like the Ostmark in Old Austria, with its minority of 12 million Germans, ruling 40 to 50 million members of foreign races in the Balkans. Nor have we had the opportunity to learn to rule millions, hundreds of millions, with a minority, as England does, having learned how for 300 years.

We must take things as they are. We will learn that too; and if we could rise from the dead again in 100 years, we would see that our grandchildren and great-grandchildren will already be better at it than we are. I wish to instruct the SS in all these things. I believe that we are best protected from error through our self-assured racial attitude. We must also learn a great deal ourselves. We'll do it, I believe, to put it modestly for once, the least badly, relatively speaking, and with the fewest mistakes.

Psychology of the Slavs

Now, back to the Slavs! I consider it necessary to speak to each other about this once again. Whether it's Peter the Great or the late Czars, whether it's Lenin or Stalin, they know their own people. They are perfectly well aware that the concepts of "loyalty", "never betraying", "never conspiring", have no place in the Russian vocabulary.

Whatever people may tell you about the Russians, it's all true. It's true that some of the Russians are fervently pious, and fervently believe in the Mother of God of the Khasans or someplace else, it's absolutely true. It's true that the Volga boatmen sing beautifully; it's true that the Russian of today, in modern times, is a good improviser and good technician. It's true, for the most part, that he's even a lover of children. It's true that he can work very hard. And it's just as true that he is stinking lazy. It's just as true that he is an uninhibited beast, who can torture and torment other people in ways a devil would never permit himself to think of. It's just as true that the Russian, high or low, is inclined to the perversest of things, even devouring his comrades or keeping his neighbour's liver in his lunch bag. It's all part of the scale of feelings and values of the Slavic peoples. It's often purely a matter of chance which lot he draws; and to people who don't know the beast, he is often a very great riddle: what is the fellow up to now?

The Russians themselves know each other very well, and have invented a very practical system, whether it was the Czars with the Ochrana, or Mr. Lenin and Mr. Stalin with the GPU or the NKVD. When four Russians get together, with little father, little mother, and their little children, not one of the 4 or 5 knows who is betraying whom at the moment: which one is the informer betraying the father now: is it the mother, or the daughter? And who, in return, is betraying them? In doubtful cases there may be two, even three, informers in this family. I am not exaggerating. This remark is entirely accurate with regards to the city. In the countryside, our comrades who have been over there in the East can confirm that there are still 20 or 30 NKVD informers and agents in every village, even after the withdrawal of the Bolsheviks. This ensures, to an absolute certainty, that no conspiracy can get started, because everything will still be reported to the top by means of this informer apparatus. Then comes the pistol or deportation, and that is how this entire people must be governed.

Heart in the wrong place

It is basically wrong for us to project our whole harmless soul and heart, all our good nature, our idealism, onto foreign peoples. This applies to Herder, who wrote the "Voices of the Peoples", probably in a drunken hour, and caused us, in later generations, such boundless suffering and misery. That applies to the Czechs and Slovenes, to whom, after all, we brought their national feeling. They themselves were absolutely incapable of it; rather, we invented it for them.

For the SS Man, one principle must apply absolutely: we must be honest, decent, loyal, and comradely to members of our own blood, and to no one else. What happens to the Russians, the Czechs, is totally indifferent to me. Whatever is available to us in good blood of our type, we will take for ourselves, that is, we will steal their children and bring them up with us, if necessary. Whether other races live well or die of hunger is only of interest to me insofar as we need them as slaves for our culture; otherwise that doesn't interest me. Whether 10,000 Russian women fall down from exhaustion [verb: "umfallen"] in building a tank ditch is of interest to me only insofar as the tank ditches are finished for Germany.

We will never be hard and heartless when it is not necessary; that is clear. We Germans, the only ones in the world with a decent attitude towards animals, will also adopt a decent attitude with regards to these human animals; but it is a sin against our own blood to worry about them and give them ideals, so that our sons and grandchildren will have a harder time with them. When somebody comes to me and says, "I can't build tank ditches with children" or women. That's inhumane, they'll die doing it." Then I must say: "You are a murderer of your own blood, since, if the tank ditches are not built, then German soldiers will die, and they are the sons of German mothers. That is our blood." That is how I would like to indoctrinate this SS, and, I believe, have indoctrinated, as one of the holiest laws of the future: our concern, our duty, is to our people, and to our blood. That is what we must care for and think about, work for and fight for, and nothing else. Everything else can be indifferent to us. I wish the SS to face the problem of all foreign, non-Germanic peoples, particularly the Russians, with this attitude. Everything else is moonshine, a fraud against our own people, and an obstacle to earlier victory in the war.

Russian soldiers on our side

One thing is a matter of course in this war: it is better for a Russian to die than a German. If we use the Russians, then they must be mixed with Germans in a ratio of 1:2 to 1:3. The best thing is to use individual Russians; then you can drive with them in a tank. One Russian with 2 or 3 Germans in a tank, magnificent, nothing wrong. But you must never let one Russian meet other tank-driving Russians, otherwise the boys will conspire. But if you wish to have Russian-only companies for some reason, then be careful, gentlemen -- and that is not just a thought, gentlemen, that is an order, gentlemen -- they must have their informer apparatus, their NKVD, in this company. Then you can sleep in peace. Otherwise, this is one of the earliest warnings I've issued, take care that these sub-humans always look at you; they must always look their superior in the eye. It's like with animals. As long as an animal looks his tamer in the eye, he won't try anything. But have no doubt about one thing: he is a beast. We will be able to utilize ["ausnutzen"] the Russians with this attitude; with this attitude we shall be superior to the Slavs at all times. But not with any other attitude.

## The Russian theatre of war today

Now back to the military situation! We are in a foreshortened position today. It is a shame that we had to give up the Donetz Basin. We have given it up. That will in no way decide or influence the outcome of the war at all. It is advantageous to us to have a short, straight front in this way; it will be extended, and must be extended, with all our strength; it will then form our East Wall with the shortest, straightest connections to the rear. All in all, this offers one very great advantage. The enemy has now regained the great area which we previously had to conquer, large expanses of which we seriously damaged. I view the offensive of the Russians this winter with calm. I am convinced that we can hold off this last great lunge of the desperate beast. And then, he wouldn't be a Slav if he didn't suddenly show signs of very severe exhaustion, and I mean intellectual exhaustion.

## The Italian theatre of war

Now for Italy, the other theatre of war! There must be no doubt in our minds that the weakness of this people lies in their blood, in their race. In considering this problem, we must distinguish between that which is comfortable or uncomfortable for us today, and that which will be comfortable or uncomfortable for us in the future. Italy was a weak ally, beginning with Greece and Africa, and ending with Russia. There is, after all, no nation which hasn't thrashed the Italians, from whom the Italians haven't taken a beating. The Italians, we can see this right now, will be considered the most contemptible people in the world; no one, no Albanian, no Montenegrin, no Frenchman, no American, no Englishman, no Russian, no German, will have any respect for them, since they have proven themselves everywhere to be cowards, as soldiers, as men. That is the most contemptible judgement that one can hand down against a people and a race. We must therefore distinguish between that which is comfortable for us today and that which would be comfortable for us in the future. If the Italians were a neighbour truly related to us in terms of inner qualities, then it would be magnificent if Italy had remained strong. But with a consistently weak neighbour who has no resistance to anything, the situation as it is, I must say, is much better. It is considerably better. At the moment, it is uncomfortable; it came at an inconvenient time. If the betrayal had come a quarter of a year later, it would have been better for us. But you can't hope for that in war. Fate simply doesn't ask what you want. It throws you heavy punches. In the long-distant future, we will be thankful to Fate and to God that it happened as it did.

## The failure of the Italians

I've already said that the Italians have failed everywhere. Pantelleria, to take only one characteristic example, capitulated with 12,000 men after the loss of 36 killed and 120 wounded over the course of six weeks. They had enough water -- the report of the honourable commander of Pantelleria was not true -- for the garrison of 12,000 men, probably for another 10 to 12 days. I personally believe they had enough water for even longer. The island could simply not be taken, every expert says so; even the airplane hangars were underground, built into rock casemates. They simply couldn't be gotten out of there. Something must be said here: the surrender of Pantelleria was tragic insofar as the Duce consolidated the island, exactly as he built the Italian air force, exactly as he created the Italian navy. That navy was his work, his navy. But these people, one can really say, are still Italians after all; the Duce is the only one who embodies and bears in himself the great Roman tradition.

The Italian army in Sicily didn't defend itself. It showed the white flag everywhere, right away. Then came the betrayal. That was very hard for us, since we were in the midst of transporting our divisions. Based on news reports, I was already convinced of the disintegration of Italy one and half years ago. The army was infected with Communism and was sympathetic to the Anglo-Saxons. We couldn't carry out the counter stroke before enough German divisions were over the Alps.

## The liberation of the Duce

Next came the real implementation of the armistice. And then came the -- how should I say -- bold stroke of our SS men and the men the Luftwaffe, the liberation of the Duce. I was very happy that the work of the Security Service could be mentioned for once, after all these years, since it is precisely the task of the Security Police and Security Service to work in silence. Their work is never mentioned, cannot be mentioned. Their men die as bravely as our men do at the front, but their work must not be mentioned. That which they provide in terms of important information and documents, the importance of that which they do, can never be mentioned. Thus, it pleased me greatly that the Security Service -- the work of our friend Heydrich, which is being carried on in a dignified and forceful manner by his successor Kaltenbrunner -- was able to show for once, in public, that it is strong and gets results.

The liberation of the Duce, insofar as I could tell everywhere, met with an unprecedented response in our people, and gave them an unprecedented boost. But it was also interesting because it was taught us that virtues like loyalty and comradeship are values of the mind which are profoundly rooted, not only in the German people, but in the entire European group of peoples. Let us never underestimate the value, the unique eternal value, of this ideal. The manner in which our people reacted to this act of comradeship and loyalty was therefore a shining example and a gleaming proof of this fact.

## The Balkans

I will briefly list the individual nations of the Balkans. Croatia, for the moment in serious disorder, is a state made up of "page 30 missing, but text continues apparently without interruption on page 31" 6 1/2 million men, of whom 3 1/2 million are Croats. 2 million are Bratislavs, that is, a kind of Serb, and 1 million are Bosnians.

It is a state with very large minorities. Its national leader, Poglawnik, entered office as a result of the difficult conditions imposed upon him by the Italians, and placed at a disadvantage by the fact that he was forced to renounce the largest and most valuable parts of his country. It was obvious that he not enjoy any authority in this manner. Most of the country was occupied by the Italian army. The bands under Mr. Tito -- he has become a sort of popular hero there -- and Mr. Draha Mihailovitsch -- Tito is the Communist man, Draha Mihailowitsch is the Yugoslavian- English-American man -- dominated the situation.

The situation in Slovenia is similar. Albania's independence was now recognized by us. Serbia is naturally the hotbed of conspiracy in the Balkans, yet it is relatively quiet. Greece is also somewhat quieter for the moment.

It is clear that we must concentrate large numbers of troops to the Balkans in order to shield and protect this part of Europe exposed by the collapse of our ally. We must expect attacks there by the Anglo-Americans.

[Translator's note: Page 32 is missing; apparently misnumbered, since the ideas appear to follow.]

It is naturally of interest that the Balkans are one of the principal objects of strife between Russia and the Anglo-Americans. Russia says: that's my sphere. And the Anglo-Americans say: that's our sphere. The best fruits for us will grow out of the perpetual strife between our noble allies.

The other occupied territories France, the Netherlands, Norway, Denmark, Belgium, Poland, Bohemia, and Moravia -- the situation is known. We must be on the lookout everywhere, that is clear. We must expect acts of sabotage, paratroop attacks, minor rebellions, strikes, insubordination, and irresolution everywhere, even among the favourably-minded elements of the population. In the Germanic countries, one thing is quite clear to me: the majority of the people in these Germanic countries, in the bottom of their hearts, will only be won over when the die has been cast in the present struggle between the two Germanic Empires, that is, the German and British empires, when it is seen who is the stronger. They will then fall to the stronger. It is disagreeable to us that they do not come to us with open hearts. But it cannot be denied that the political preconditions for this did not exist.

There were no great figures -- this is the tragedy of the renewal movements in Holland, in Flanders, in Norway, and in Denmark -- able to win their people over to us and lead them into the Germanic political community today, according to their own political laws. It is perhaps -- even probably -- best, from a historical point of view, that this is so difficult. The select few who come to us, and fight in our Germanic volunteer units, in our Germanic corps (such as the 3rd SS Tank Corps) are naturally some of the most valuable members of the Germanic nations. These men, who fought their through to us from out of 30 million Germanic people, who were trained among us, will be the old fighters of the greater Germanic community.

## The sabotage war

We must, of course, anticipate an increase in the most unpleasant forms of sabotage, the use of poisons, explosives, briefly, with everything. These are things that we have to pay attention to, which must be taken seriously down to the minutest detail, but whose objective -- wearing down our nerves and spoiling our good humour -- must never be permitted to succeed. I say this in full awareness that every detail must be taken seriously in this war. But we must consider nothing a tragedy, since all these things do not kill us. They cannot kill us; they are pinpricks, they are unpleasant, they hem us in here and there; but they cannot wound us mortally. Mortally -- I would like to emphasize this here for the first time -- there is only one thing that can hurt us: a weakening of our will to resist. He who, in spirit and determination, refuses to give in, cannot be defeated, unless he can be starved out, which is not the case with us, if he stays strong, as a man and as a soldier, if he has his weapons, and cannot be overcome with these.

The air war

Since the Luftwaffe, which possessed an absolute mastery of the air in the first years of the war, has had to stretch itself out to great theatres of war all over Europe, and it has naturally had to be spread thinner. Since we had to intervene in Italy in battles involving the heaviest sacrifices to protect the security of our supply lines, since neither the Italian fleet nor the Italian air force could protect our supply lines to Africa to any significant degree, we have suffered much attrition in Italy.

The terror attacks on our country have doubtlessly hurt us badly in many places. I am firmly convinced, I would like to say that I can state definitely, that the worst is over, that we have found a tactic to break these air attacks, that, through work, we can multiply our aircraft production and improve our weapons. I am firmly convinced that we will have overcome the chief dangers of the situation by the end of this year or the beginning of the next year, t

Judgement at Nuremberg Part 2 - Seizure of Power  
By fourthrekih666

In the eight years that followed the publication of Mein Kampf, the NSDAP greatly extended its activities throughout Germany, paying particular attention to the training of youth in the ideas of National Socialism. The first Nazi youth organization had come into existence in 1922, but it was in 1925 that the Hitler Jugend was officially recognized by the NSDAP. In 1931 Baldur von Schirach, who had joined the NSDAP in 1925, became Reich Youth Leader of the NSDAP

The Party exerted every effort to win political support from the German people. Elections were contested both for the Reichstag and the Landtage. The NSDAP leaders did not make any serious attempt to hide the fact that their only purpose in entering German political life was in order to destroy the democratic structure of the Weimar Republic, and to substitute for it a National Socialist totalitarian regime which would enable them to carry out their avowed policies without opposition. In preparation for the day when he would obtain power in Germany, Hitler in January, 1929, appointed Heinrich Himmler as Reichsführer SS with the special task of building the SS into a strong but élite group which would be dependable in all circumstances.

[The goal of National Socialism was to rid poverty, communism, sorrow, pain misery, restore german pride, make germany as great as it once was., allow the German people to have bread work once again. The National Soiclaist regime was not interfering with the Volks rights.] It was in way a totalitarian regime]

On the 30th January, 1933, Hitler succeeded in being appointed Chancellor of the Reich by President von Hindenburg. The defendants Göring, Schacht and von Papen were active in enlisting support to bring this about. Von Papen had been appointed Reich Chancellor on the 1st June, 1932. On the 14th June, he rescinded the decree of the Bruening Cabinet of the 13th April, 1932, which had dissolved the Nazi paramilitary organizations, including the SA and the SS. This was done by agreement between Hitler and von Papen, although von Papen denies that it was agreed as early as the 28th May, as Dr. Hans Volz asserts in "Dates from the History of the NSDAP"; but that it was the result of an agreement was admitted in evidence by von Papen.

[The above contradicts itself]

The Reichstag elections of the 31st July, 1932, resulted in a great accession of strength to the NSDAP, and von Papen offered Hitler the post of Vice Chancellor, which he refused, insisting upon the Chancellorship itself. In November, 1932, a petition signed by leading industrialists and financiers was presented to President Hindenburg, calling upon him to entrust the Chancellorship to Hitler; and in the collection of signatures to the petition Schacht took a prominent part.

The Reichstag elections of the 31st July, 1932, resulted in a great accession of strength to the NSDAP, and von Papen offered Hitler the post of Vice Chancellor, which he refused, insisting upon the Chancellorship itself. In November, 1932, a petition signed by leading industrialists and financiers was presented to President Hindenburg, calling upon him to entrust the Chancellorship to Hitler; and in the collection of signatures to the petition Schacht took a prominent part.

The election of the 6th November, which followed the defeat of the Government, reduced the number of NSDAP members, but von Papen made further efforts to gain Hitler's participation, without success. On the 12th November, Schacht wrote to Hitler:

"I have no doubt that the present development of things can only lead to your becoming Chancellor. It seems as if our attempt to collect a number of signatures from business circles for this purpose was not altogether in vain...."

After Hitler's refusal of the 16th November, von Papen resigned, and was succeeded by General von Schleicher; but von Papen still continued his activities. He met Hitler at the house of the Cologne banker, von Schröder, on the 4th January, 1933, and attended a meeting at the defendant Ribbentrop's house on the 22nd January, with the defendant Göring and others. He also had an interview with President Hindenburg on the 9th January, and from the 22nd January onwards she discussed officially with Hindenburg the formation of a Hitler Cabinet.

Hitler held his first Cabinet meeting on the day of his appointment as Chancellor, at which the defendants Göring, Frick, Funk, von Neurath and von Papen were present in their official capacities. On the 28th February, 1933, the Reichstag building in Berlin was set on fire. This fire was used by Hitler and his Cabinet as a pretext for passing on the same day a decree suspending the constitutional guarantees of freedom. The decree was signed by President Hindenburg and countersigned by Hitler and the defendant Frick, who then occupied the post of Reich Minister of the Interior. On the 5th March elections were held, in which the NSDAP obtained 288 seats of the total of 647. The Hitler Cabinet was anxious to pass an "Enabling Act" that would give them full legislative powers, including the power to deviate from the Constitution. They were without the necessary majority in the Reichstag to be able to do this constitutionally. They therefore made use of the decree suspending the guarantees of freedom and took into so-called "protective custody" a large number of Communist deputies and party officials. Having done this, Hitler introduced the "Enabling Act" into the Reichstag, and after he had made it clear that if it was not passed, further forceful measures would be taken, the act was passed on the 24th March, 1933.

[Hitler NEVER threatend to use forceful methods to achieve anything. The above paragrah claims that Hitler used the Reichstag fire to enforce the passing of the decree, this is based of pure rumor and has no evidence to susegest so. There is no evidence whatsoever that Hitler took into "protective custody," infact there is NO evidence of the Protective Custody rules at all! The Enabling Act did not interfere with the freedom of the people. /1]

Subject: Re: Frauds about the Third Reich created by the Enemy

The post below is in all of the JoS e-groups. I only included the first paragraph because of the length.

The more we advance in Satanism through experience and learning, what we have been finding is appalling to say the least. I don't think there is any

greater terror than what the Jews have for Satan. They KNOW he will deal with them and give them what they deserve. Nazism IS Satan's New World Order.

Myself and the JoS priesthood know beyond any doubt that the Nazis were not only anti-Christian, but at the top, Adolf Hitler, Heinrich Himmler and many others were Satanists. The Jews know this as well. They have a morbid fear of Satan. Christianity is their bulwark, their power and their tool. Their most important power lies in their torah. That is the root. [For those of you who are new, xianity = Christianity].

Most of the Nazi speeches have been corrupted and imbedded with Christian filth. This is no different from how all of our ancient Pagan spiritual writings have been completely corrupted. In addition, the Nazi works that have been corrupted, like Fourth Reich explained in his post, the xian filth is not only out of place, but in many writings, it was carelessly inserted and contradicts the rest of the text. The contradictions are endless and one only needs to look to the swastika, and the numerous Pagan/Satanic symbols, including the Black Sun to see they were no xians.

[http://spiritualwarfare666.webs.com/Third\\_Reich.htm](http://spiritualwarfare666.webs.com/Third_Reich.htm)

I would also like to include this YouTube video:

[http://www.youtube.com/watch?v=eX3R\\_mQnsRM](http://www.youtube.com/watch?v=eX3R_mQnsRM)

THIS VIDEO DOES CONTAIN A LOT OF SLANDER, BUT IS VERY REVEALING.

Though they try to undermine Adolf Hitler in his spiritual beliefs, there is NO doubt he was a Satanist and fully supported Himmler's work for destroying xianity. Heinrich Himmler amassed the largest file collection of witch trials in history and one of his reasons was to use this against the xian church. The war disrupted everything.

---

In addition to imbedding hideous xian filth and deliberately ruining excellent and informative speeches and writings, this acts as another psychic transmitter and opens the door for Jewish power and control. The Jews know beyond any doubt at the top how believers in xianity and those who are subliminally influenced by it in any way are under their control. Xianity IS their control over Gentiles. This is another Jewish tactic of

destroying an organization, etc., from within. The organization is infiltrated with xian filth.

For more about how the Jews control through xianity, here are more informative articles:

Here is a perfect example of the Jews being caught in one of their prolific lies:

Do Jews Believe in Satan? The Jewish View of Satan

By Ariela Pelaia

Satan is a character that appears in the belief systems of many religions, including Christianity and Islam. In Judaism "satan" is not a sentient being but a metaphor for the evil inclination the yetzer hara that exists in every person and tempts us to do wrong.

To read some more, just visit this website: [About Judaism]

<http://judaism.about.com/od/judaismbasics/a/jewishbeliefsatan.htm>

Ok, so much for that, NOW, if the Jews do not believe in Satan as they try to convince us "stupid goyim" what about the below?

In addition to the article below, I would also like to add more here:

This is a direct quote from the book "Jonathan Bernis: A Rabbi Looks at the Last Days.

Heading of Chapter 2: Why Satan Hates the Jews

The first reason we can know the last days are near: Satan is increasing his attacks on the Jews.

"When we understand that at the root of anti-Semitism is Satan himself, it all becomes clear."

"Spiritual warfare rages all around us."

"And a major part of Satan's strategy is to focus upon the complete and

total annihilation of the Jewish people."

<http://books.google.com/books?id=cukYGXRLftUC&pg=PT17&lpg=PT17&dq=rabbi+anti-semitism++satan&source=bl&ots=WjIQrGmJ5A&sig=XP62R6Hek2ul3eUain6Fjao8oMQ&hl=en&sa=X&ei=gonLU6XML8WkyASXzoDgBg&ved=0CCYQ6AEwAw#v=onepage&q=rabbi%20anti-semitism%20%20satan&f=false>

The above says it all, and prove how the Jews are such prolific liars. Also, in my studies over the past 15 years, I have run across all kinds of books and writings that prove that the Jews DO believe in Satan, especially at the upper levels.

Now, the article below has plenty more examples. To verify the quotes below, links are provided directly beneath.

### What The Jewish Rabbis Have To Say About Satan

Some Jews who call themselves "Satanists," try to deny the fact that the Jews are the enemies of Satan and that Satan does indeed HATE the Jewish people intensely. He has made this very blatant to his closest disciples. The following are quotes from Jewish rabbis and other religious Jews. It is pretty obvious.

Rabbinical quotes about Satan:  
(A few Christian quotes are included towards the end of the page)

"Those who use the Holocaust to justify either their atheism or their tendency to devalue the authority of the Jewish Bible should remember that Satan, not G-d, is the author of Nazism and anti- Semitism."

<http://www.afii.org/texts/hw2p2rb.htm>

"SATAN IS THE AUTHOR OF ANTI-SEMITISM, THE HATRED OF THE JEWS The term 'anti-semitism' was coined in 1879 by a German journalist Wilhelm Marr to

designate anti-Jewish campaigns then appearing throughout Europe. Since that time, the term has been universally applied to any form of behavior or literature which evidences hostility toward the Jews (9).

With every fiber of his depraved, sinister being, Satan despises the Jews. He hates them with a perfect hatred, and his demented nature is revealed in his treatment of the Jewish people. This hatred is a reflection of his hatred for God (as Jews are God's chosen people). Their total destruction is his goal. He is the author of the spirit of anti-semitism (15).

He has tried to persecute God's people, the Jews, in order to eliminate them so that the promised seed of Genesis 3:15, Yeshua, would not be born, and mankind would not be redeemed. The Book of Esther details how the enemy of God and his people tried to eliminate the Jewish race, but God raised up Esther for "such a time as this" to deliver her race. King Herod tried to eliminate Yeshua by having all the male babies in Bethlehem under two years of age killed. In our generation the Holocaust is ever mindful of Hitler's outrage against millions of Jews, while Stalin's killing of thirty million Jews goes hardly mentioned. Today, one out of every five people in the world is committed to the death of the Jews. Islam requires the death of the Jews (7)."

[http://www.hebroots.org/hebrootsarchive/9805/980528\\_g.html](http://www.hebroots.org/hebrootsarchive/9805/980528_g.html)

"Therefore, Satan is desperately trying to stop the return of the Messiah. That's why Satan is doing all he can to destroy the Jewish people. At the same time he is trying to make faith in Yeshua so alien and repugnant that no self-respecting Jew, let alone the nation, would ever desire to repent and trust in Him! Every congregation of believers in Yeshua, Jewish or Gentile, which doesn't endeavor to bring the Good News to the Jewish people, is actually playing into the present plan of Satan: stop Israel from recognizing their Messiah, Satan's destroyer, so Messiah can't return."

<http://www.wordofmessiah.org/june.htm>

"In this century, Satan has fanned the flames of hatred against the Jews by using Muslims worldwide in his attempt to stop God's Plan which will see Jesus Christ returning to the Mount of Olives. If there is no Jewish Israel, Satan has reasoned that God's Word would be a lie, God's Plan would fail, and he could then survive."

<http://www.bibleprobe.com/baruch.htm>

"Where did Anti-Semitism come from? What is the real cause of this evil thought? The answer is very plain. It comes from the devil. Did you know that the first time the devil is mentioned by the name "Satan" is when he acts against Israel?

"And Satan stood up against Israel, and provoked David to number Israel." (I Chronicles 21:1) Satan is the one who is the cause of all the persecution and suffering of Israel. Satan hates the nation through whom so much blessing has come to the world, especially Messiah Jesus. When the devil is angry against Israel, it always ends in his defiance against the Messiah and Saviour, Yeshua ha Meshiach. From Pharaoh, the first anti-Semite on record, to Amalek, Haman, then to the King of Syria in 168 B.C., to the Roman War in 66-70 A.D., Satan was the moving factor in Jewish persecution and bloodshed. Through the Crusades, the Spanish Inquisition, the Russian pogroms and the Nazi holocaust you read the history of what Satan has done through men against my Jewish people.

But there is coming a day when the fierce attacks against the nation of Israel will come to an end. The God of Abraham, Isaac and Jacob will fight against those who have persecuted the Jew. Then Satan will have his final attack on Israel and God will cast him into the Lake of Fire as prophesied."

<http://www.rockofisrael.org/articles/a3.htm>

"The Arab nations will still be bent on the destruction of that tiny nation in the Middle East. There will still be hatred of Jews and a determination to annihilate them. The source of the hatred (ha satan, in English: satan) will still be very much alive, and will most likely be more active than ever as he sees his time growing short. The deceiver will still be busy at work convincing pastors and unsuspecting believers around the world that the Israelis are brutal aggressors who kill innocent Palestinian children. The media is a great asset to satan. People believe the lies they read in the press and Israel gets another black eye."

[http://www.jewishjewels.org/newsletters/2003\\_03.htm](http://www.jewishjewels.org/newsletters/2003_03.htm)

"There should be no more fighting over the land, but because of man's carnality and because satan hates the Jewish people because of this covenant, the war rages on. It will continue to do so until Yahshua, the Holy One of Israel returns to set up His earthly Kingdom from the Holy City of Jerusalem!"

<http://www.geocities.com/achothatorah/LT/land.html>

"Since 1948 there have been several times when Israel had to close its borders to tourists. Having dealt with people engaged in hundreds of tours to Israel there has never been an incident of a tourist being hurt or killed by terrorists. If you plan to go to the Holy Land you can count on the following: Satan will begin, about 30 days before you are to depart, to try and cause a major incident or to create a climate of fear to keep you from going to Israel."

<http://www.sabbathrest.org/tours.htm>

"Anti-Israel designs of any description are demonic. Satan has hated God's chosen people from the moment Abraham was called. This occurred many years preceding the name of Israel being given to Jacob as he wrestled with God. It was all part of the seed of woman and the promise of the Messiah."

<http://www.pawcreek.org/articles/endtimes/MysteryBabylonAntiIsraelAtTheHighestLevel.htm>

"Considering the above, we will understand why Satan hates the "sound of the Shofar" for it will clearly deliver the message that he is, and has been defeated by the shed blood of the Lamb of God! The very sound of the Shofar makes Satan despise our praise and worship unto the Lord. He hates those who have repented of their sins and follow the Lord Yeshua. He hates "Ha Davar - The Word" and He who is the Word. He cannot tolerate those that do battle in Yeshua's Name. He hates to be reminded that Yeshua was resurrected from the dead three days and three nights after He gave His life, defeating that evil one. Satan hates the State of Israel, for were the Jewish people still in the Diaspora and Israel not been re-established, the Lord Yeshua cannot return. Also, Satan hates to hear about his final doom."

<http://cometozion.faiithweb.com/rmi2.htm>

"You need to know and understand that Satan hates the Jewish people. Through promises made to Abraham and his seed, God would bring forth into the earth the revelation of Himself and His redemption to humanity. Satan hates the seed of Abraham. Satan hates the Jew. Jesus was a Jew."

<http://www.spiritoflifeministries.com/PropheticEvents.html>

"So if God loves the Jewish people, why are they slandered and maligned? The

evil of this deed lies far below the darkest depths of the most corrupt human heart. It is an insidious hatred that Satan has for the Jewish people. First, Satan hates God, so it is natural that he would hate the focus of God's attention. It is natural for him to want to destroy them because he wants to hurt God. He wants to make God look impotent. After all, if the Almighty God can't protect His people then what is the guarantee that He can protect anyone? But it is a miracle that the Jewish people are still around today. They are a true testament to God's divine protection."

<http://www.delusionresistance.org/christian/christkillers.html>

"Satan hates the Jews with a passion because they gave the world both the Bible and the Messiah. He also hates the promises that God has made to save a great remnant of the Jews in the end times."

<http://www.lamblion.com/articles/prophecy/Jews-Israel/Jews-06.php>

"Satan is determined to destroy the Jewish people so that God cannot keep His promise to bring a remnant to salvation. This is the reason that Satan is orchestrating all the nations of the earth against Israel today. God has raised up a nation that Satan, as the prince of this world, is determined to destroy."

<http://www.lamblion.com/articles/prophecy/pcl/pcl-05.php>

"46. JerusalemForever Concerning Islam, Israel, Teaching - The root reason why Israel's enemies oppose Israel with such intensity is because they hate God.(see verse 2 above) Satan hates God and His plan for earth centered in Jerusalem and the Jewish people. This is not intended to be hateful, the truth is quite often painful, but after it is revealed to us we have an opportunity to be free from satanic deception that leads us to oppose the Only True God, who is the God of Israel."

<http://members.tripod.com/~JerusalemForever/>

<http://www.messianicdirectory.com/alpha/j/j3.html>

"IV. Roots of Antisemitism in the Church A plot to undermine this "one new man" concept was systematically introduced as one of the primary schemes of the devil. Satan hates Israel because she brought forth the Redeemer of mankind. He especially hates the saved remnant of Israel because they maintain a testimony of true Jewish identity in Yeshua. (Rev. 12:17) Since Satan's schemes are thwarted by the power of Yeshua's blood, and believers

are called to walk in the humility of that fact, the enemy's entrée into the Christian's life is through arrogance and pride. Perhaps the exclusivity of the Messianic Jews caused a negative reaction among Gentile believers, but there were early signs in the Church of arrogance toward the Messianic Jewish community. Paul addressed this arrogant attitude in his letter to the Romans."

<http://www.baruchashem.com/resources/reconciliation.html>

"Ultimately, the source of anti-Semitism lies with Satan himself. He hates God, and he is and always has been committed to the destruction of what God loves and desires. As God's chosen covenant people, Jews are at the bull's-eye of this hatred. Satan also knows that the restoration of the Jewish people plays a central role in the return of the Messiah. Thus, he is committed at all costs to preventing this. Jewish theology can't explain the Holocaust--and actually the "why" of it is part of the larger question, Why is there evil and suffering in the world if God is a God of love? The question is perplexing even to the most solid believer."

<http://www.charismamag.com/a.php?ArticleID=6590>

Satanic Origins Of Antisemitism:

<http://www.biblicist.org/bible/plot.shtml>

"Even worse, it attributes Satan's unholy, malicious and vengeful actions to a holy and righteous God. When God judges His own people, His ultimate purpose is not retribution but restoration. His intention is not to destroy but to heal, not merely to punish but ultimately to purify from sin. Satan, on the other hand, is the destroyer. He enjoys inflicting horror and suffering on God's people with the ultimate intention of annihilation. God has staked His reputation on the preservation and the ultimate restoration of the Jewish people. Satan therefore aspires to destroy the Jews, in order to nullify God's promises and make Him out to be a liar."

Frauds about the Third Reich created by the Enemy

Sat Jul 19, 2014 9:22 am (PDT) . Posted by: "Fourth Reich" fourth\_reich666

The writings, speeches, documents, almost EVERYTHING from the Third Reich has been corrupted. The enemy have filled them with Christianity, false writings, false speeches etc. Even the speech supposedly given by Himmler about the Holocaust is a total hoax and I will write about that later. I am working on removing all the corruptions. Every weekend, I will post about the False propaganda, the Allied Hoaxes and about Nuremberg.. I found this article on the IHR by Mark Weber which exposes fake quotations that were said to have been given by the Nazis.

There are also many diaries that were fake and were used in the Nuremberg trials. The Jews shut down anyone and every who attempted to expose them. They shut them down because all these false hoaxes propaganda etc. were used as evidence at Nuremberg and the Jews said not to tell anyone because they will have to reopen cases on the Nazis and open cases on the Allies. I am not working alone on removing the Corruption.

Subject: Finishing off the Jewish Tyranny. [Small working]

Fellow Brothers, Sisters and Commrades.

Today it is another day like all others that we belong to the Truth and serve the Truth. Those of us who have been with us until the end, saw and have done all the big work we are seeing the seeds of today. We have been rampantly attacking Israel and will continue doing so. There were members who went very far with this as all our family has done, attacked the enemy ruthlessly for 40 or even 80 days consecutively. Due to the effort of these modern day Heroes and our Freedom fighters, international jewry is crumbling as the day goes by.

Though, as much as we see victory, we see something very evident: That the enemy will not just stand there and die. That they are very dangerous now like they never were.

We have had people who doubted, run away in laziness or fear, those Faithful Warriors of Satan know that Satan stands above them and has them under his wings. We had people who worked ruthlessly and wrote and are still writing history in its most subtle level. THIS IS YOU. YOU ARE NOT THE IGNORANT, YOU ARE THE BEINGS OF TRUTH AND THE LIGHT. I ask both of you to stand on your height of Soul and finish off the intruders of our life. There is not one problem in our lives that is not connected to the international jewry. You see what they do to Gaza, what they have done to countless civilizations. This is only a bit of dust on what they will do to us if they will prevail.

For that reason I call the spiritual elites of this Era, to fight them ruthlessly, once more and until the end. Even when things are seemingly over, we must not fool ourselves as they will not go down so easily. Those who stop now, steps before the end, are not worthy of what it is to come. WE WANT A FREE WORLD. A WORLD FOR YOU AND ME AND NOT THESE JEWS TO RULE ON.

I call everyone to the Spiritual Arms. These days like no other days the enemy has been around their coffin. Its of serious historical importanct that you act now. I tell you this from the bottom of my Soul, from the bottom of my Heart. If you are not the greatest and most brave people in the world, I do not know who that is.

Those who know what we do, know that we should decimate those who oppress us. Now is our most fatal opportunity.

You raised your head in spiritual tyranny, you have been with us from the start to the end. And you are now living to see the fruits which we have planted.

Be merciless in your pursuit of justice and in your pursuit of a better, Satanic World.

We are the most defamed, the most misunderstood, the most brave, the women and men against time, those who have an eternal vision of a greater tommorow. Its up to you who have the tools of shaping the world to shape it. FATE CALLS YOU ALL TO DO IT!!!

So what I am asking is quite easy.

Everyday, until the day that a Ritual will come, which will be soon, raise the following and direct it as following.

-Thurisaz x9.

Then affirm Once with intent-

"Israel and all the jewish race of peoples are permanently and completely destroyed in every and all levels of existence."

-Hagalaz x9

Then affirm Once with intent-

"Israel and all the jewish race of peoples are permanently and completely destroyed in every and all levels of existence."

You can multiply 9 vibrations and do this, like x18 Thurisaz or x18 Hagalaz.

You can imagine grey energy suffocating them all over the globe, with severe intensity. This is to be done daily with your daily meditations. This will add up to our older Rituals and finish the job. But the job is not finished until WE finish it. And we are not idiots to think that Israel is overwith...Far from it.

Satan has placed his faith in us. Lets make Father Satan proud and create a world in which his name stands proud for all the Ages!

#### Deutschland Erwache Lyrics

Germans awaken! Rouse from your restless dreams!  
Traitors have lulled thee with foul and wretched schemes!  
We want to fight for a new, brighter day!  
Aryan blood shall not pass away!

All these deceivers, we throw them to the curb!  
Our German nation, they'll nevermore disturb!  
Then when the soil is blameless and free!  
Happy as one, will we ever be!

We are the soldiers – to fight that is our creed!  
True German warriors in struggle and in deed!  
Pledged to our banner, devoted are we!  
Hail to our Fuhrer! We hail to thee (Hitler)!

To all ENKI'S/SATAN'S Dedicated & SACRED SEAL Spiritually Awakened Benevolent Warrior Family,

The term Mongoloid is the western ignorance of a medical term for a retarded person. The correct term is Mongolian. And they were the first ARYANS Since it's right above Persia, also known as INDO ARYANS +the Westerners, non - Asian folk/or from the Asian Continent, scattered from Mongolia. The Gobi Desert in Mongolia is very Sacred and the first land which OUR FATHER, EA ENKI/ LUCIFER/SATAN/KRISHNA/MELEK T'AUS/ XERXES first visited before the Middle East. You need to empower yourself with the TRUTH, before out of ignorance you assume anything.

That's why in case you haven't known yet, why HIMMLER, HITLER+SS went to Mongolia +Tibet, bc they knew that They were the Original ARYANS, which ENKI & HIS FAMILY lead them to. That's how the THULE +BLACK SUN Societies were formed. They had with them 20 Mongolian Tibetan Buddhist Tantric Monks, which they got both from various Monasteries around Mongolia +Tibet + from the Dalai Lama's Monastery at the Potala Palace in Hihasa, Tibet. In case you're wondering, ENKI lead their expeditions into the harsh winters into Mongolia +Tibet. HE lead them to the specific Monasteries and HE even spoke through them in Mongolian+ Tibetan. How do I know this? Bc I was a Tibetan Buddhist Monk for generations living in mostly Tibet +I remember my past lives. ENKI affirmed that, when I Dedicated +performed the SACRED SEAL of my Mental Continuum with HIM on February 9, 2014@ 11pm. HE revealed to me, bc i asked HIM + bc HE wants me to share my know6ledge with those Dedicated + SEALED Highly Spiritual Satanists.

The 14th Dalai Lama at that time was only 9/10 years old, but he may reveal of his private audience with Himmler+ Hitler +some High SS officers, at both the winter hermitage, the Potala Palace+ the summer hermitage, 35 minutes away by horse back, the Norbulinka. I doubt that he'd admit to it bc of his numerous kike friends who fund him and his Namgyal Dratsng College +Monastery+ TIPA/the Cultural School to uphold the Tibetan Culture Alive. He loves the kikes, XIANTY, +muslims. + He's admitted to wanting to live in a Communist society numerous occasions during his Answers+ Questions Period during the lecture series both publicly +in private. He doesn't want to free Tibet, he just wants it to remain Communist as an Autonomous Region to be allowed to live as a Tibetan Buddhist+Tantric Religious Lifestyle as it was before.

That's among one of the reasons why I broke away from Him, His Teachings, +the Tibetan Buddhism lies +kike MK ULTRA Enslavement +Slaughter Mills. Even though I haven't broken my 253 Vows as a Fully Ordained Tibetan Buddhist Monk, I still wear the Tibetan Buddhist Monks robes for various ceremonies, bc my purpose is to Spiritually Awakened in the PURE TRUTH of INFINITUSMAGNUMOPUS666/ENKI'S SUPREME AWAKENING / ENLIGHTENMENT within this lifetime.

Himmler+ Hitler practices in ENKI'S SPIRITUALLY AWAKENED BENEVOLENT INTERDIMENSIONAL & INTERGALACTICALLY HEALING LOVING PROTECTING GUIDING LIVING/EXPERIENCING CHAKRAS & AURAS CLEANSING THROUGH HARMONICS VIBRATIONAL FREQUENCIES OF INFINITUSMAGNUMOPUS666/SUPREME AWAKENING / ENLIGHTENMENT.

The best way to destroy the kikes is their main temple and their religious UERDGVKXMPCI/USELESS EATERS REPTILIAN DEMON GREYS VAMPIRE KIKE XIANTY MUSLIM PARASITIC CANCER INFESTATIONS books through the InterDimensional & InterGalactical Existence, or they will draw their recovery from other Dimensions. We've got to Flood +Burn them at same time in Waves as ONE from it's MAIN ROOTS both physically + Astrally. Or we won't have a chance. + before you end the Active Meditation of Complete Eradication from All Dimensions +Chakras & Auras Cleansing, you need to Believe that you've destroyed them & create a beautiful world without their UERDGVKXMPCI Filthy Existences. You've got to believe and Live As if It's Over, You must let it go for the day, stop thinking about it, or it won't work +you will undo it. Then next day, you're refreshed and stronger, bc you didn't waste your energies stupidly on distractions. Make sure you eat a burger afterwards to replace the protein needed for this destruction active meditations.

Thank you for your cooperation +patience.

Tenzin Enki Gyaltzen-Kalachakra.

PS, my Facebook account under the above name was hacked +compromised by the UERDGVKXMPCI. They've blocked me from entering and I haven't yet created a new one. This happened right after I submitted current photos of ENKI, myself in robes, photos of the new kike world trade tower, Camaro+bike, etc +shared my views against them,.

I naively believed that Lucifer-Enki-God-of-Darkness was ENKI'S real site + I stupidly revealed my Dedication & SACRED SEAL on February 9,2014 @11pm with ENKI. He's an Italian 19yr old boy from Bari, Italy. I revealed +exposed my life struggles, +defended myself against these USELESS EATERS in Italy that started insulting and hacked my account by submitting comments using my account in italian. You may access it, but I blocked from my account. I believe that they hacked +blocked my account after I exposed their Evil. But now I know that I had to do it to bring everyone together through OUR FATHER, ENKI.

So, I'm Spiritually Awakened but am still struggling with having a Conventional Human Existence. Now you know me better than I know you guys.

SIEG SATAN, ENLIL, AZAZEL, ANU, TIAMUT, ASHTAROTH UND LILITH UND ALL OUR DEDICATED +SEALED ENKI'S WARRIOR FAMILY

Deutschland Erwache Lyrics

Germans awaken! Rouse from your restless dreams!  
Traitors have lulled thee with foul and wretched schemes!  
We want to fight for a new, brighter day!  
Aryan blood shall not pass away!

All these deceivers, we throw them to the curb!  
Our German nation, they'll nevermore disturb!  
Then when the soil is blameless and free!  
Happy as one, will we ever be!

We are the soldiers – to fight that is our creed!  
True German warriors in struggle and in deed!  
Pledged to our banner, devoted are we!  
Hail to our Fuhrer! We hail to thee (Hitler)!

I agree this guy is wound a little too tight. He got posted so the moderator gave him "the benefit of the doubt". If he is really Mongolian/Tibetan he may need some time to adapt to the Cultural differences. He needs to drop all connections to Buddhism to be a Satanist. He seems to be proud of being a Buddhist Monk now and in past lives, it is a Cultural thing but he needs to reject it (hard to do). He is not using Satan's name, calling Him Enki, in the Groups this is now old-fashioned and maybe a sign of a troll, but not always. His prose is over the top, using big words, made up words. This is silly and juvenile but in itself does not mean he is a bad guy. Also we must assume English is not his first language, Yes I know many members fall in this category and I am put to shame that they do so well in English when I am Monolingual.....I will now go eat worms.

Time will tell if he continues to say trollish things. Some of his statements about the German Expeditions to Tibet were interesting.

Besides the one very curious possible-acronym of UERDGVKXMPCI, I don't really see him using any "made-up" words (Beyond a touch of "poetic license" but hey, that's English for you.). And, many, very legitimate words seem to be "big."

As for his prose being "over-the-top," that's precisely how I felt about some of the things I've read here, when I first came in.

Maybe a bit more clarification? He does seem a bit wound up but the knowledge found here is highly energetic.

Some of it does seem a little bit interesting. But I admit to being ignorant on so much.

Subject: Regarding the Nazi Archive.

Firstly I want to say the Library is near completion. Though, many of the books there are corrupted and we are working on removing the corruption and supplying you with the filtered products.

Secondly, much of the material is external, hence why it is VERY slow loading at time. I am working on making these internal.

Lastly, some section will be left for a later date & time, such as Pictures. The Music, Pictures are both external. Sometime, I will get around to make these internal.

This has become the largest collection of National Socialist media on the Internet. I founded this December 30, 2013 with nothing but 10 biographies of Adolf Hitler, now it has grown and turned into what it is now.

Hail Wotan! Hail Amon Ra! Hail Horus!

This is fairly small because I wanted to keep it a simple as possible whilst supplying enough statistics. An articles about the years after Hitler came to power will follow this.

## Before Hitler Came By fourthreich666

<http://fourthreich666.weebly.com/hitlers-reich.html>

"In our hands, and in our hands alone lies the detyny of the German people! Only if we raise the German people through their own labour, their own industry, their own determination and their own daring, their own perseverance, only then shall we rise again. In days gone by our Fathers, too have not recieved Germany as a gift but created her themselves! German Volk, give me four years and - I swear to you - as true as I have accepted this office, so shall I leave it then. For I have not taken it for gain or for wages but for your sake alone!" - The Fuhrer, the Reichschancellor, Adolf Hitler

Nazi Germany was headed for a society free of Jewry and much like the golden age of Greece and Rome. This is why the Jews stopped him. Hitler and the Third Reich achieved in six years what would take a decades today in our governments.

---

By the time Hitler came unemployment, homelessness, crime, and hunger was rampant. Money became useless. This of course was caused by Jews. One US dollar was equivalent to 4.2 trillion Deutch mark and due to the coward socialists who signed the Treaty of Versailles, Germany owed 33 billion US dollars for reparations. USA was lending Germany to repay, hence why Germany suffered greatly in the great depression of 1929, and the frequent change of government did not help. /1

To make matters worse, more than 1,250,000 men died; 4,250,000 were wounded. Nor did the Armistice stop the slaughter: before the Allied blockade was lifted, a million more had perished from hunger. From the continental body of Germany, the Versailles Treaty cut 10 per cent of the population, 12 per cent of the area, including one-quarter of her coal deposits and three-quarters of her iron deposits. As for overseas trade, her colonies were all seized, and 80 per cent of her merchant fleet. She was stripped of hundreds of thousands of heads of cattle and poultry, a large proportion of her railway rolling stock and barges /2.

There had been 224,000 suicides within only a few years after the crisis.

The Socialist leaders of the Weimar Republic, when things were fine, proclaimed they were heroes, that they saved Germany forever. Where were they when the fatherland needed such heroes the most? Where were they when people were living on the streets? The answer to that is dining with Jews and eating 3 course meals. They promised and promised but served nothing but empty words, which could not feed anyone.

Here is an account of a British novelist, living in Berlin at the time:

Morning after morning, all over the immense, damp, dreary town and the packing-case colonies of huts in the suburb allotments, young men were waking up to another workless empty day, to be spent as they could best contrive: selling boot-laces, begging, playing draughts in the hall of the Labour Exchange, hanging about urinals, opening the doors of cars, helping with crates in the market, gossiping, lounging, stealing, overhearing racing tips, sharing stumps of cigarette ends picked up in the gutter.

The Rich class became middle class, the middle class became peasants and the peasants became begger, the fall of class after class was boundless and unstoppable, only one remained, and they of course were the Jews who were push poverty and communism in Germany

Chairman of the Reichsbank, Hjalmar Horace Greeley Schacht seen as legend, retired and became a spokesperson for Morgan, a banker who had strong ties with Jews, such as the Rotchchilds /3

By December 1929, 6 million Germans were unemployed /3. By this time, Hitler and the NSDAP were becoming more and more popular, and began to truly realise the fact that Germany is slipping into the hands of the Communist. Hitler once said:  
"steadily, slowly, but surely slipping more and more into conditions of Communism"

By 1932, this was Germany's situation:

"...German production was fifty-five per cent of what it had been in 1928. Nearly seventy-five per cent of industry was at a standstill. Between January, 1920, and January, 1933, imports declined by two-thirds and exports by nearly half. In three years \$7,290,000,00 had been taken from the incomes of the workers. The average weekly wage in eighteen months had been reduced from \$10.24 to \$5.48. Unemployment benefit was \$9 a month. Taxation crippled the workers and poor, Crisis Tax, Occupation Tax, Head Tax, Salt Tax, Turnover Tax to the small trader. But on the other hand the big magnate, had been granted financial aid amounting to \$699,840,000. By this time the unemployed were nearly seven million, and there were 300 suicides per week."

1/3 of Germany were trying to survive of 40 pfennigs a day and unemployment benefits were limited to 6 months. 25% of the workers salary was cut off and 21% of them were earning between 100 and 250 marks per month; 69.2 percent of them, in January of 1933, were being paid less than 1,200 marks annually. No more than about 100,000 Germans, it was estimated, were able to live without financial worries. the majority of which were Jews./6

The above highlights the main points, for more details, read the parts of this articles of Leon Degrelle which speak about the years before Hitler came: [http://www.ihr.org/jhr/v12/v12p299\\_Degrelle.html](http://www.ihr.org/jhr/v12/v12p299_Degrelle.html)

Expel Palestinians, populate Gaza with Jews, says Knesset deputy speaker

Israel must attack Gaza even more mercilessly, expel the population and resettle the territory with Jews, the deputy speaker of Israel's parliament, the Knesset, has said.

Moshe Feiglin, a member of Prime Minister Benjamin Netanyahu's ruling Likud Party, makes the call in an article for the Israeli news website Arutz Sheva.

Feiglin demands that Israel launch attacks "throughout Gaza with the IDF's [Israeli army's] maximum force (and not a tiny fraction of it) with all the conventional means at its disposal."

Force Gaza population out

"After the IDF completes the 'softening' of the targets with its firepower, the IDF will conquer the entire Gaza, using all the means necessary to minimize any harm to our soldiers, with no other considerations," Feiglin writes in one of several calls for outright war crimes.

Following the reconquest, Israel's army "will thoroughly eliminate all armed enemies from Gaza. The enemy population that is innocent of wrongdoing and separated itself from the armed terrorists will be treated in accordance with international law and will be allowed to leave," Feiglin writes.

"Gaza is part of our land"

"Gaza is part of our Land and we will remain there forever," Feiglin concludes. "Subsequent to the elimination of terror from Gaza, it will become part of sovereign Israel and will be populated by Jews. This will also serve to ease the housing crisis in Israel."

Feiglin has a long history of incitement. Last week he expelled Arab members of the Knesset who dared to criticize Israel's ongoing slaughter in Gaza and called for Israel to cut off power to dialysis patients there.

As of now, ninety percent of Gaza is without electricity, journalist Mohammed Omer reports, and most Palestinians in Gaza are getting as little as two hours of electricity per day.

Death toll climbs relentlessly

More than 100 Palestinians have been killed in the last 48 hours as Israel continues its indiscriminate attacks on Palestinians throughout the occupied Gaza Strip by land, sea and air.

By Saturday afternoon in Gaza, the thirteenth day of Israel's current bombardment and invasion of the coastal territory, 339 people, the vast majority civilians, had been killed in total and 2,500 injured.

Tens of thousands have fled their homes, primarily in the north and east of Gaza, seeking shelter from the Israeli assault in United Nations-run schools.

Genocidal demands

Feiglin's call for the destruction of the Palestinian community in Gaza has some resonance.

Just a day before Feiglin's article, Rabbi Ben Packer made a similar demand, calling the current assault "an opportunity for Israel to achieve a victory – to move the border" by conquering northern Gaza.

Packer is the director of "Heritage House," a settlement in occupied East Jerusalem that houses so-called "lone soldiers," men recruited from overseas to join the Israeli occupation forces.

Israel's former settlers in Gaza, evacuated in 2005, would be given the first opportunity to "settle in the regained territory," Packer said.

Packer, a settler from the United States and volunteer in the Israeli army, previously served as the "Rabbi on Campus" at the University of North Carolina and Duke University.

Calls like Feiglin's and Packer's for genocidal-scale violence against Palestinians are being heard with ever more frequency from Israeli leaders.

A call for genocide of the Palestinians by Ayelet Shaked, a rising star in Israel's Habeyit Hayehudi (Jewish Home) party, part of the government, received global notoriety after The Electronic Intifada translated and exposed it earlier this month.

Subject: Re: Israeli Calls For Total Ethnic cleansing Of Gaza

This "ethnic cleansing" is and always has been Jewish. What was done in the USSR and in other countries controlled by Jewish communism is unimaginable. Everything and I mean everything they accused the Nazis of [which the Nazis were innocent], is really the Jews. Millions upon millions of innocent men, women and children were falsely arrested, tortured to near death into making false confessions, [many died from the torture], and sent to Jewish run slave labor death camps where most died under conditions that were so horrid, there are no real words to describe them. [Disposable human beings]. The Jews took entire areas and peoples based upon their nationality/race and destroyed them.

Then, they blamed all of their mass murders, their methods and heinous torture on the Nazis. They did this to create a distraction, and as we know

they have really used the media, reparations where Germany has had to pay trillions of dollars for "crimes" that never happened. Not one mass murderer from any communist country has ever been brought to justice. NOT ONE! The Jews never expected their communism to fail like it did.

The Black Book of Communism: Crimes, Terror, Repression [2000 Harvard University], reveals crimes against humanity beyond any imagination. Of course the authors always have to bring up that phony holoco\$t. Another point on this is that phony holoco\$t of their 6 million [they always use that number 6, just as their Talmud has 24 volumes  $2+4=6$ , and the list goes on with the 6, which is the biblical number for slave labor, with the Jews being the masters] and the fact that authors of such books elaborate on the Jews further indicates the bias towards Jewish supremacy. It doesn't matter what has happened to Gentiles, but OH MY! No one should even think to persecute any Jew!

The more I have been studying on this; the more it is glaringly apparent how the Jews are a most vicious, vile race full of the most depraved hatred imaginable. Oh, I know that there are a small percentage of Jews, like 5% that mind their own business and don't bother anyone, but always remember... they use these small percentages to hold up as examples, or even the part Jews that pollute the population with their filthy genes; that 5% breeds more of the 95% and would definitely support and side in with their own should they ever gain total power. A Jew is a Jew is a Jew. Astaroth once told me "They are cancer cells." Most people know cancer cells attack healthy cells and take over the body, killing it.

Underneath all of this concerning the Gaza, the Jews are really using genocide and blatant racism [as they always have for centuries, while accusing Gentiles of such for distraction, as everything the Jews are and do, they blame upon and punish others for to create the distraction, no different form what they have done with Satan and our Gods in that bible of theirs], they are making room for their own. Many Gentiles in different countries are waking up to the Jew. The Jews know this, but are keeping it quiet, and using excuses and schemes to make room for as many kikes as they possibly can in Israel and from what I heard, in some places in Spain. They always have the inside information and they know what is coming. Being as unspeakably vicious and spiteful as they are, they will not go quietly.

Subject: Germany Must Accomplish (Message For Our People)

<http://josministries.prophbb.com/topic5351.html>

This is a message of spiritual justice for our fellow SS men and women. This is dedicated to the strong German women, who endured the worst abuses and still survived and granted the surviving of this generation.

So there they were assembled, praying for our decay. About a century ago the enemy of mankind, the Jew, wrote one of the most hateful plans to exterminate the innocent offspring our Creator God Wotan (Satan) from this Earth, which turned in action in one of the saddest and disturbing facts in history, comparable only in sadism and cruelty to their other plan, the Inquisition.

They expected to starve, humiliate and abuse the Aryan people to the point of total annihilation, which was possible in their simplistic sub-human brain. Killing German men and raping German women would be enough to finish their plan and put a total silence in the German blood, they thought. Their blind self-confidence led them to freely do the most horrific acts that we normal human beings could neither conceive after staring with our own eyes, thinking the end of the II World Battle and their meaningless plans would mean in total loss for our side, the justice and truth's side, in the greater war.

They do not learned from us their foe, that truth can't be hidden for too long, that real ideals can't be killed and that WILL always triumph in the end. They don't, as it is not in their coward inhuman nature. These are only empty words for them.

And more, that they do not know that real heroes live forever, in this or the next life they back to end their job, and the more vile and sadistic the enemy is, the hardest is the vengeance. That what they meant to exterminate were just the children of the most powerful, shining and genial God of universe, and his justice and hate would not be, nor never were, a blank page, but the hottest flame.

So what their limited brains were thinking when they had the idea to kill and rape millions of innocent Aryan men and women? Did they thought this generation would be just a mongrelized of slaves in their "Order" and Germanic immortal culture and blood would be just a shadow in the past? What happened then to their "so powerful" soviet regime decades after it, and where their leaders are now?

Go to Dresden, and Berlin too, and see for yourself what their great plan is today. These are beautiful cities and people there are happy and lead their lives normally. The Jewish horror against them let some spiritual scars, but this didn't exterminated them. By far, it even let them smarter and stronger. Most are blonde and blue eyed, not the gray mass of mongrelized goyim they expected to create. Where are their fool programs of "gay pride" and "feminism" they expected to destroy the Aryan family and customs? Are misused, as German people are getting smart of their real purpose. Where is their self-victimization hoax of "holocaust" and blame-shifting on the German people who is the real victims? The German people used to be credulous and self-guilty, but now the truth is on the air and they see it for themselves, they even created movies about it.

Most important, where is their great program to exterminate Germans physically as a racial group? Go to street in any country with Germans or German descendents. Never as before you will see so much young couples with 3 or more babies, some couples apparently as old as 20-25 years old, playing with their children in parks. What happened to the Jewish propaganda against Aryan motherhood and family then?

What happened to their "Germany Must Perish" then? I tell you, Germany must not, and will never perish. On the contrary, Germany must and will ACCOMPLISH the Greatness and Godhood that we deserve by our heritage from our True Father.

Oh, I was forgetting, not to mention you will find dozens of Aryan young couples with twin babies and sometimes a third child, going against all previous statistics about fertility and modern family values. Just a coincidence? No way! This is nothing but our fellow SS collective effort of: spreading the truth, workings to expose the enemy, workings to attack the enemy's core and our workings to AWAKE our people to their natural, pagan roots and to the truth. Don't get it wrong, the enemy IS more dangerous than they were before, not as a signal of some kind of strength of will to survive, but as a signal of cowardice and their fears near to their well known total destruction. They know spiritual justice is near their hooked nose. This is the time we need to be the more relentless and focused we ever were. Spiritual Justice will be like Thor's hammer on their pitiful balls.

Thanks the NS leaders and soldiers who gave their lives so we could carry the fight for today!

Thanks all the Gods of Duat and the Heroes of yesterday and today. Yes, you fellow SS who today make for mankind's history a better and brighter future!

Thank you Heinrich Himmler, Hess and Goering who suffered and died for our cause!

Thank you Hanna Reitsch, Rudolf Kaldrack, Egon Albrecht, Wolfgang Schenck, so many other Aces of the Luftwaffe and so many other SS warriors I'm not able to quote here but who lived to make a better future for our people:

Hanna Reitsch. Defeated 25 aerial enemies.

Rudolf Kaldrack. 275 missions accomplished, defeated 24 aerial.

Egon Albrecht. Over 250 missions accomplished, defeated 25 aerial, defeated over 410 vehicles of all kinds.

Wolfgang Schenck. Over 400 missions accomplished, defeated 18 aerial.

I just want to make clear that when I told about "gay pride" (the same as "gay culture"), I was reffearing to this JEWISH program. We are NOT against homosexuals in general. Gay culture is not to protect homosexuals but is a program to use them to realize the Jewish communist agenda, and then destroy gay people after it has been done.

This is a message of spiritual justice for our fellow SS men and women. This is dedicated to the strong German women, who endured the worst abuses and still survived and granted the surviving of this generation.

So there they were assembled, praying for our decay. About a century ago the enemy of mankind, the Jew, wrote one of the most hateful plans to exterminate the innocent offspring our Creator God Wotan (Satan) from this Earth, which turned in action in one of the saddest and disturbing facts in history, comparable only in sadism and cruelty to their other plan, the Inquisition.

They expected to starve, humiliate and abuse the Aryan people to the point of total annihilation, which was possible in their simplistic sub-human brain. Killing German men and raping German women would be enough to finish their plan and put a total silence in the German blood, they thought. Their blind self-confidence led them to freely do the most horrific acts that we normal human beings could neither conceive after staring with our own eyes, thinking the end of the II World Battle and their meaningless plans would mean in total loss for our side, the justice and truth's side, in the greater war.

They do not learned from us their foe, that truth can't be hidden for too long, that real ideals can't be killed and that WILL always triumph in the end. They don't, as it is not in their coward inhuman nature. These are only empty words for them.

And more, that they do not know that real heroes live forever, in this or the next life they back to end their job, and the more vile and sadistic the enemy is, the hardest is the vengeance. That what they meant to exterminate were just the children of the most powerful, shining and genial God of universe, and his justice and hate would not be, nor never were, a blank page, but the hottest flame.

So what their limited brains were thinking when they had the idea to kill and rape millions of innocent Aryan men and women? Did they thought this generation would be just a mongrelized of slaves in their "Order" and Germanic immortal culture and blood would be just a shadow in the past? What happened then to their "so powerful" soviet regime decades after it, and where their leaders are now?

Go to Dresden, and Berlin too, and see for yourself what their great plan is today. These are beautiful cities and people there are happy and lead their lives normally. The Jewish horror against them let some spiritual scars, but this didn't exterminated them. By far, it even let them smarter and stronger. Most are blonde and blue eyed, not the gray mass of mongrelized goyim they expected to create. Where are their fool programs of "gay pride" and "feminism" they expected to destroy the Aryan family and customs? Are misused, as German people are getting smart of their real purpose. Where is their self-victimization hoax of "holocaust" and blame-shifting on the German people who is the real victims? The German people used to be credulous and self-guilty, but now the truth is on the air and they see it for themselves, they even created movies about it.

Most important, where is their great program to exterminate Germans physically as a racial group? Go to street in any country with Germans or German descendents. Never as before you will see so much young couples with 3 or more babies, some couples apparently as old as 20-25 years old, playing with their children in parks. What happened to the Jewish propaganda against Aryan motherhood and family then?

What happened to their "Germany Must Perish" then? I tell you, Germany must not, and will never perish. On the contrary, Germany must and will ACCOMPLISH the Greatness and Godhood that we deserve by our heritage from our True Father.

Oh, I was forgetting, not to mention you will find dozens of Aryan young couples with twin babies and sometimes a third child, going against all previous statistics about fertility and modern family values. Just a coincidence? No way! This is nothing but our fellow SS collective effort of: spreading the truth, workings to expose the enemy,

What does the Jewish Talmud say about Gentiles:

Sanhedrin 59a: "Murdering Goyim is like killing a wild animal."

Hilkkoth Akum X1: "Show no mercy to the Goyim."

"Genocide is permissible" according to insane Times of Israel Op-Ed (UPDATED)

Updated below.

The Times of Israel is under fire on Friday after publishing a blog post titled "When Genocide Is Permissible." The post, written by Yochanon Gordon, was quickly removed from the Times' website, but cached and screen-captured versions of the piece quickly proliferated on social media.

In the article, Gordon blasts the United Nations for its recent admonition against the "disproportionate" use of force by Israel in Gaza, insisting that international observers "are completely out of touch with the nature of this foe and are therefore not qualified to dictate or enforce the rules of this war."

Because of the supposedly unique menace that Hamas presents to Israel, Gordon contends that "nothing ... can be considered disproportionate when we are fighting for our very right to live."

He continues later on in the piece:

Hamas has stated forthrightly that it idealizes death as much as Israel celebrates life. What other way then is there to deal with an enemy of this nature other than obliterate them completely?

News anchors such as those from CNN, BBC and Al-Jazeera have not missed an opportunity to point out the majority of innocent civilians who have lost their lives as a result of this war. But anyone who lives with rocket launchers installed or terror tunnels burrowed in or around the vicinity of their home cannot be considered an innocent civilian.

And then concludes by asking the following rhetorical question:

If political leaders and military experts determine that the only way to achieve its goal of sustaining quiet is through genocide is it then permissible to achieve those responsible goals?

You can read a full version of the article [here](#).

Gordon does not cite any "political leaders and military experts" who have called for the genocide of Palestinians in Gaza. However, recent weeks have seen a spate of hard-line Israel supporters in the media aggressively justifying Israel's campaign in Gaza, which has already claimed the lives of nearly 1,500 Palestinians, many of them civilians.

Gordon, for his part, seems to be sticking to his guns. A Twitter account that appears to belong to the writer responded to critics on Friday afternoon. (Update: Gordon's twitter account has been deactivated, and his tweets deleted.)

The page where Gordon's piece was original published now bears a note reading: "The contents of this post have been removed for breaching The Times of Israel's editorial guidelines." The original headline has been removed entirely. According to his author page on the Times' website, Gordon has been blogging for the newspaper since April.

Update: The Times of Israel has released a formal statement about the article, calling it "damnable and ignorant" and stating that the newspaper has discontinued Gordon's blog. "We will not countenance blog posts that incite to violence or criminal acts," the statement reads.

Gordon, meanwhile, has issued an apology of his own, stating that "I never intended to call to harm any people although my words may have conveyed that message."

"I pray and hope for a quick peaceful end to the hostilities and that all people learn to coexist with each other in creating a better world for us all," the note ends.

Subject: When the people want freedom, destiny will surely reply

## Now We Triumph

For some millennia now, the Gentile race has been under attack, suppression and terror by mankind's most evil, the eternal Jew.

The history of the universe has always shown that the moral side will win, EVEN if they lose a battle, in the long run, they are the victors. The destiny is that, slavery can never last forever. Destiny will always call as long as the people want freedom, because when the people call for freedom, destiny will surely reply. This back-up what High Priest Hooded Cobra 666 - We never lost, we went under a blanket of shame, fear, terror and guilt, that was put on top of us by the Jews. We Spiritual Satanists have destroyed this blanket.

And now, 70 years later, destiny has replied, only because the people have awakened - solely because of our satanic work - and the people want freedom, and they are willing to anything, carry the heaviest of personal burdens, give up anything and go through thick and thin for the sake of freedom.

These current events, show the truth about the Jews. What happened is that they took "The end justifies the means" and turned it into something totally wrong, something horrible and immoral: "No matter what, we will destroy and kill everything, no matter how terrible it may be just so Gentile people can die, and because we know we lost, but we will cause as much destruction as possible before we are done."

It takes a somewhat advanced soul to understand the nature of the eternal Jew - Spiritually & Physically.

The title "Eternal Jew" is because we know that the Jew, will no matter what - Full blooded or half-blooded, will remain the same, and will always be evil for as long as this disgusting race is in existence.

The point is, the minute we Gentiles began fighting for the cause of National Socialism the Jews have pressed their "self-destruct" button.

Our hard work and our efforts have led us right to this moment, they have called upon the destiny of the Gentile people: Kings of The Earth! Gods! Our age has come! And we of today will see it. Now we sing with triumph and reason.

One thing is left now: VENGEANCE!  
For the All-father Wotan - Hail!  
For Our Fuhrer, Adolf Hitler - Hail!  
For SS Fuhrer, Heinrich Himmler - Hail!  
For all the fallen National Socialists - we will Avenge you.  
Sieg Heil!

Subject: Debunking the Myth of Water Fluoridation by Hitler and "those evil

This sums up my weekend's post of "Exposing Anti-Nazi Propaganda." Just as once before, there is not much point in writing an article, when there is a good one available. This here debunks the myth that the Nazis debunked used fluoride on the Jews.

# Debunking the Myth of Water Fluoridation by Hitler and "those evil Nazis!"

## Did the Germans use fluoride in the drinking water at concentration camps, or other places during World War II?

No they did not! This is just one of the many myths floating around and repeated ad nauseam by “anti-NWO activists” and Libertarians etc who are led around by their noses by various gurus within the so-called “truth movement” such as David Icke, Alex Jones, Mike Rivero, and many others, daily propagating disinfo as they engage in fear mongering using Adolf Hitler and “those evil Nazis!” as their favorite whipping boys. The fluoridation myth is just one more classic example of this. Of course, putting sodium fluoride in drinking water is a bad idea, but why blame Hitler?

And now the truth:

Charles E Perkins; chemist and researcher, wrote the book “The Truth about Water Fluoridation.” The info allegedly supplied by Perkins (shown here at Rense.com) seems to be the main source used to back up the claims of “Nazi fluoride usage”. It’s also claimed that Perkins was in contact with the German chemists of I.G. Farben who admitted to the “Nazi plot to use fluoride in drinking water”. I’ll come back to that shortly.

A digitized version of Charles E Perkins’ book is available through Scribd and it contains NO mention of the use of fluoride by the “Nazis” whatsoever, nor for that matter, any documentation to even prove the use of fluoridation by the Russians! Perkins simply states, “Mass medication, involving fluoridation of public water systems, has long been known as an important technique of the Communist philosophy of mass control.”

The story, as published on the Rense website, is that Perkins was asked to better explain his Russian fluoridation comments in his book, and the resulting letter brought to life the alleged “Nazi” connection. But not only does Perkins not address the alleged Russian comments, he offers NO documentation whatsoever as to additional information pertaining to “the Nazis”. The letter is absolute baloney, compiled of more and more empty accusations about the “Nazis” with no documentation or evidence provided to back up those assertions, and the source is untraceable.

As alluded to earlier, another unreliable source used by the “truthers” is the supposedly “well documented” book “The Crimes and Punishment Of I.G. Farben” by Joseph Borkin (as shown in the picture provided above) and available at Scribd. This too is complete baloney! A simple search of the book for the words “fluoridation” and “fluoride” yielded not a single hit. The quote shown on the cover is a total fabrication! Yet you will find the quote all over the net.

The fluoride myth is also thoroughly debunked (along with many others) by historian V.K. Clark, editor of the book **“The Union Jackal”** in which she gives David Icke, Dr. A. True Ott and other such “gurus” a thorough hosing down. An absolute must read!

Even the mainstream media is more honest on this issue. The following report even includes “holocaust experts” who say the claim is ludicrous.

The Tampa Bay Times / Miami Herald

## **Truth about fluoride doesn't include Nazi myth**

**Critics of water fluoridation** on Tuesday, October 4th, 2011 in a Pinellas County Commission meeting and web comments

**Here's a reason to support a Florida county's decision to cut fluoride out of its drinking water: The idea came from the Nazis.**

**The Nazis put fluoride in water to pacify Jews during World War II, a local resident told members of the Pinellas County Commission on Oct. 4, 2011, before the commission voted 4-3 vote to stop fluoridating water for about 700,000 residents.**

**“History shows, actually, that in Nazi Germany, one of the first things that they did was add fluoride to the water in the ghettos where the Jews stayed,” Matt Leffler of Clearwater said.**

Once the *St. Petersburg Times* published its story about the decision — similar, anonymous comments on the Web piled up:

**“Do you guys know where water fluoridation started? In the death camps in WWII.”**

**“There have been many links to cancer going back to the original tests on fluoride done by the Nazis on the Jews.”**

**“It IS what they used to dull their brains!! They used it in the concentration camps. It was in the concentration camps that they also developed many anti-psychotics.”**

One reader declared the Nazi-fluoride connection **“an absolute historical fact.”** Several readers linked to sources on the Web.

Certainly Nazis, who killed millions of Jews in the 1930s and 1940s, were known for chemical tests and inhumane medical experiments. So PolitiFact Florida had to know: Did that include adding fluoride to water?

**We tracked down roots of these claims on the Web, reached out to Holocaust historians, contacted well-known critics of water fluoridation, and read book excerpts and magazine articles and news stories. And we can tell you: There's no teeth to this claim.**

This fact-check won't explore the pros and cons of fluoride in your drinking water — though we will note the U.S. Centers for Disease Control and Prevention calls the practice one of the greatest public health achievements of the century. And also that groups of citizens, scientists among them, have been wary of the practice since the 1950s.

We'll focus instead on an Internet meme that's crept into the local public debate over drinking water — one that well-known fluoridation critics would like to see washed away.

**“We have done our level best to discourage opponents of fluoridation from using this emotive argument,” said Paul Connett, a chemist who directs the anti-fluoridation group Fluoride Action Network and recently co-authored a book called *The Case Against Fluoride*. “The historical evidence for this assertion is extremely weak. It is sad that the U.S. media has done such a bad job of educating the public on this issue that it is so easy for crazy ideas to fill the vacuum.”**

## **So where does the story come from?**

**Andy Hollinger, who handles media relations at the U.S. Holocaust Memorial Museum, tried not to laugh as we explained our fact-check.**

**“I can almost guarantee you that is indeed an urban myth,” he said. “... That sounds like Conspiracy Theory 101.”**

**But he humored us, putting historian Patricia Heberer on the phone. Her expertise is the German medical community, including Holocaust-era experimentation.**

**Most Nazi medical experiments, she said, had two themes: new drugs and treatments for common battlefield ailments, from war wounds to typhus, or the more infamous effort to underpin Nazi racial ideas, such as Josef Mengele's twin studies. None of the experimentation that she knows of involved fluoride — for mind control or for healthy teeth.**

Meanwhile, in the concentration camp system, as in the ghettos, **it would have been surprising if fluoride delivery was a focus — in the final few days before liberation, water lines scarcely delivered water. So, water treated just for the Jews?**

“I can’t see it,” she said.

But she had heard a similar Cold War-era theory. It wasn’t about the Nazis fluoridating water. It was the Communists.

• • •

**Still, do an Internet search for “fluoride” and “Nazis,” and you’ll find articles such as “Nazi Connections to Fluoride in America’s Drinking Water.” The text appears on various sites, and includes the citations “Stephen 1995,” and “Bryson 2004.”**

“Stephen 1995 is likely Ian E. Stephens, author of a 1987 self-published booklet, an extract of which was published in *Nexus Magazine* in 1995. We tracked down a copy of the article from the magazine’s website, an alternative Australian publication covering “health breakthroughs, future science and technology, suppressed news, free energy, religious revisionism, conspiracy, the environment, history and ancient mysteries, the mind, UFOs, paranormal and the unexplained.”

**It’s called “Fluoridation: Mind Control of the Masses?” And in it we meet government research worker Charles Eliot Perkins, who at the end of World War II purportedly learned from a big German chemical producer that it had developed a plan to fluoridate occupied countries.**

“Repeated doses of infinitesimal amounts of fluoride will in time reduce an individual’s power to resist domination by slowly poisoning and narcotising a certain area of the brain and will thus make him submissive to the will of those who wish to govern him,” says a document quoted in the excerpt. “Both the Germans and the Russians added sodium fluoride to the drinking water of prisoners of war to make them stupid and docile.”

**“Bryson 2004 is Christopher Bryson, an investigative reporter and television producer who reported on Guatemalan human rights abuses for the BBC World Service, National Public Radio and the *Atlanta Journal Constitution* in the 1980s, and later wrote a book called *The Fluoride Deception*. It delves into murky connections between military-industrial fluoride polluters and the early push for public water fluoridation.**

His book mentions Nazis or Nazism less than 10 times, and none of the references discuss water fluoridation. We contacted him. “I never came across any documentation or credible information showing that fluoride was used in Nazi death camps,” he said.

•••

In 2009, two scientists published a book called *The Fluoride Wars: How a Modest Public Health Measure Became America’s Longest Running Political Melodrama*.

The hydrologists dedicate more than 30 pages to conspiracy theories and their origins. We contacted one of them.

“The World War II death camp statement is an absurd lie,” said Jay Lehr, who has authored or co-authored more than 30 books, most of them self-described “boring science books for scientists.”

*The Fluoride Wars* instead presents a lively social history of the fluoridation debate in the United States.

And it starts with the first large-scale fluoridation in history, not in Europe, but in Grand Rapids, Mich., in 1945.

•••

Given the topic, it seems appropriate to conclude with **Wikipedia**, where we found mention of Nazis and fluoride — in an article listing **conspiracy theories: Fluoridation is alternately part of a “Communist, Fascist or New World Order or Illuminati plot to take over the world.”** It was “pioneered by a German chemical company to make people submissive to those in power.” It was “used in Russian prison camps and produces schizophrenia.”

**Our Holocaust historian knew of no such project. Two book authors who researched the topic, one a journalist, the other a hydrologist, found no credible evidence of such a connection. A leading anti-fluoridation activist repudiates the story. The most commonly cited Web source for the story was a 16-year-old extract in a fringe Australian publication.**

**So we can confidently declare this claim Pants on Fire!**

<http://www.politifact.com/florida/statements/2011/oct/06/critics-water-fluoridation/truth-about-fluoride-doesnt-include-nazi-myth/>

Beware of what you see floating around on the internet and being reported by the truther gurus as “fact”. The truth movement is heavily infested with fear mongers and snake oil salesmen with their own agendas, and no doubt, paid disinfo agents whose job it is to ensure that the truth about Hitler and National Socialism is not discovered and widely circulated, and that the NSDAP movement is perpetually demonized.

**Critics of water fluoridation** on Tuesday, October 4th, 2011 in a Pinellas County Commission meeting and web comments

Here's a reason to support a Florida county's decision to cut fluoride out of its drinking water: The idea came from the Nazis.

educating the public on this issue that it is so easy for crazy ideas to fill the vacuum.”

## **So where does the story come from?**

**Andy Hollinger, who handles media relations at the U.S. Holocaust Memorial Museum, tried not to laugh as we explained our fact-check.**

“I can almost guarantee you that is indeed an urban myth,” he said. “... That sounds like Conspiracy Theory 101.”

**But he humored us, putting historian Patricia Heberer on the phone. Her expertise is the German medical community, including Holocaust-era experimentation.**

**Most Nazi medical experiments, she said, had two themes: new drugs and treatments for common battlefield ailments, from war wounds to typhus, or the more infamous effort to underpin Nazi racial ideas, such as Josef Mengele’s twin studies. None of the experimentation that she knows of involved fluoride — for mind control or for healthy teeth.**

Meanwhile, in the concentration camp system, as in the ghettos, **it would have been surprising if fluoride delivery was a focus — in the final few days before liberation, water lines scarcely delivered water. So, water treated just for the Jews?**

“I can’t see it,” she said.

But she had heard a similar Cold War-era theory. It wasn’t about the Nazis fluoridating water. It was the Communists.

•••

**Still, do an Internet search for “fluoride” and “Nazis,” and you’ll find articles such as “Nazi Connections to Fluoride in America’s Drinking Water.” The text appears on various sites, and includes the citations “Stephen 1995,” and “Bryson 2004.”**

“Stephen 1995 is likely Ian E. Stephens, author of a 1987 self-published booklet, an extract of which was published in *Nexus Magazine* in 1995. We tracked down a copy of the article from the magazine’s website, an alternative Australian publication covering “health breakthroughs, future science and technology, suppressed news, free energy, religious revisionism, conspiracy, the environment, history and ancient mysteries, the mind, UFOs, paranormal and the unexplained.”

**It’s called “Fluoridation: Mind Control of the Masses?” And in it we meet government research worker Charles Eliot Perkins, who at the end of World War II purportedly learned from a big German chemical producer that it had developed a plan to fluoridate occupied**

**countries.**

“Repeated doses of infinitesimal amounts of fluoride will in time reduce an individual’s power to resist domination by slowly poisoning and narcotising a certain area of the brain and will thus make him submissive to the will of those who wish to govern him,” says a document quoted in the excerpt. “Both the Germans and the Russians added sodium fluoride to the drinking water of prisoners of war to make them stupid and docile.”

**“Bryson 2004 is Christopher Bryson, an investigative reporter and television producer who reported on Guatemalan human rights abuses for the BBC World Service, National Public Radio and the *Atlanta Journal Constitution* in the 1980s, and later wrote a book called *The Fluoride Deception*. It delves into murky connections between military-industrial fluoride polluters and the early push for public water fluoridation.**

**His book mentions Nazis or Nazism less than 10 times, and none of the references discuss water fluoridation. We contacted him. “I never came across any documentation or credible information showing that fluoride was used in Nazi death camps,” he said.**

•••

**In 2009, two scientists published a book called *The Fluoride Wars: How a Modest Public Health Measure Became America’s Longest Running Political Melodrama***

The hydrologists dedicate more than 30 pages to conspiracy theories and their origins. We contacted one of them.

**“The World War II death camp statement is an absurd lie,” said Jay Lehr, who has authored or co-authored more than 30 books, most of them self-described “boring science books for scientists.”**

*The Fluoride Wars* instead presents a lively social history of the fluoridation debate in the United States.

**And it starts with the first large-scale fluoridation in history, not in Europe, but in Grand Rapids, Mich., in 1945.**

•••

Given the topic, it seems appropriate to conclude with **Wikipedia, where we found mention of Nazis and fluoride — in an article listing conspiracy theories: Fluoridation is alternately part of a “Communist, Fascist or New World Order or Illuminati plot to take over the world.” It was “pioneered by a German chemical company to make people submissive to those in power.” It was “used in Russian prison camps and produces schizophrenia.”**

**Our Holocaust historian knew of no such project. Two book authors who researched the topic, one a journalist,**

**the other a hydrologist, found no credible evidence of such a connection. A leading anti-fluoridation activist repudiates the story. The most commonly cited Web source for the story was a 16-year-old extract in a fringe Australian publication.**

**So we can confidently declare this claim Pants on Fire!**

Beware of what you see floating around on the internet and being reported by the truther gurus as "fact". The truth movement is heavily infested with fear mongers and snake oil salesmen with their own agendas, and no doubt, paid disinfo agents whose job it is to ensure that the truth about Hitler and National Socialism is not discovered and widely circulated, and that the NSDAP movement is perpetually demonized.

Press Release

Gaza Ministry of Health, Palestine

Kuwaiti Maternity Hospital in Rafah unable to cope with scores of dead and injured

The Ministry of Health Gaza is reeling from the reports coming out of Rafah, where scores have been killed and injured today, including 10 dead and over 30 injured in yet another attack on an UNRWA school, this time the Anas Ibn Malik Preparatory School sheltering thousands of forcibly displaced persons.

A group of women, children and older people were sitting against the wall at the entrance to the school seeking shade from the sun when they were struck.

This atrocity follows dawn attacks in Rafah on the Ghoul and Abu Jazzar family homes which left 18 dead and dozens injured, and brings the number killed in Gaza today to at least 118.

Missile and mortar attacks are continuing in Rafah, putting enormous pressure on the 20-bed Kuwaiti Maternity Hospital, which is overflowing with dead and injured. There are 30 bodies lying on the floor of the dental clinic, and children's bodies stored in ice-cream, flower, and vegetable freezers as there are no morgue facilities. Other bodies have already been taken for burial in the western cemetery, the eastern cemetery being inaccessible because of Israeli shell-fire.

"We desperately need blood, we do not have enough for transfusions," said Fatma Abu Musa, a laboratory technician at Kuwaiti Hospital. "We only have two operating theatres, one for minor surgery. They have to operate on two people at the same time on one operating table, major surgeries, with intestines on the outside, eyes on the outside. It is impossible to deal with all the wounded."

Kuwaiti Hospital has sent many patients on to the Emirati Red Crescent Maternity Hospital nearby, which is slightly bigger but equally unequipped to deal with the types of injuries presenting.

The Ministry of Health Gaza has made numerous calls to the international community over recent weeks for assistance – calls which have largely gone unanswered.

We again implore of you that you take immediate concrete action to bring the Israeli carnage in Gaza to an end.

We demand in the name of humanity that the international community act to:

1. Stop Israeli war crimes immediately, and end the attacks on Gaza;
2. Establish safe evacuation routes for the injured to be transported from Rafah to other hospitals in Gaza for treatment; and
3. Ensure the prompt and safe transfer outside of Palestine for all of those patients who need it.

Subject: SERMON 7/OCTOBER/2014--Re: [HellsArmy666] Jewish New Year Brings a S

I feel it is important that I reply to this thread from our Hell's Army  
e-group. See below my default signature for the message on the thread. For  
those who are new...xian= Christian.

First of all, what these xian pastors are into is astrology. Astrology

includes making predictions based upon the planets. This really pisses me off as it is so ultra-hypocritical. Not only that, but it is another glaring contradiction in that foul bible again, as I have never heard the end of this shit from xians that ANY practice of astrology is not only a very grave and serious sin, but is of Satan. But, being xians, I suppose they are exempt, as they also exempt themselves from mass murder, destruction of lives, torture and everything else they are and do, including forever condemning and harshly judging others. I had to deal with their shit when I was a teenager and know it all too well.

As for knowledge of astrology, I have been into astrology since my early teenage years, along with other occult practices such as reading Tarot cards and such. I am forever grateful beyond words to Satan for bringing an interest in astrology into my life. Astrology has done nothing but help me and many times actually saved my ass. Knowing astrology is not pleasant in many respects, but one thing can be certain, when it is correctly interpreted, it is TRUTH. Astrology has given me a very helpful [to say the least] guide through life. When I was experiencing bad times, I KNEW WHY and how long these times would last- usually bad Saturn transits, which everyone has. Also, a huge help was in knowing others, their personalities and such and much more.

Because xianity and its twin of Islam with their Jewish root systematically removed all spiritual knowledge, they have been at liberty to play upon and manipulate the fears of the populace resulting from a lack of spiritual/occult knowledge and dictate whatever lies they choose to.

Now, as for "the end of times" predictions, the PT Barnum quote in regards to suckers "one being born every minute" holds true:

A Brief History of the Apocalypse: The early days: 2800 BC - 1700 AD:

It is a fact that certain planetary alignments affect the earth and much more. I know many are concerned about this Ebola outbreak. No doubt, this definitely appears to be something very serious, but I will get to that later on in this sermon. The bubonic plague of the Middle Ages that wiped

out a major part of Europe and also populations in other parts of the world in 1348 CE, was preceded by a rare planetary line-up, where the planets were all contained in a tight bundle of 60 degrees. This same line-up occurred again in the early 1980's with the AIDS virus. Now, as everyone can see, it is obvious that neither of these was "the end of the world." We are still here.

Xians and related filth use and manipulate whatever they can to bring in more victims to their anti-life, human hating programs, which of course in many instances bring in a lot of money for one, for another, score points with jewsus for another and also as most people know, misery loves company. Any time there is a crisis, which occurs frequently enough, xians exploit these to their own purposes and try to claim "it is 'god's' punishment" and other related slogans of crap. As I already stated, Thank Satan, these xian tactics never worked on me because I could see WHY things were happening given my knowledge of astrology. No "act of god." This is what they DON'T want you to know.

But then, of course, it is just fine and dandy for that hypocritical bible to spew out astrological predictions and the stupid deluded xians to harass with and push them relentlessly in an attempt to drive more victims to jewsus, all the while forever condemning and damning legitimate astrologers, many of whom they mass murdered as witches.

As for the Ebola outbreak, given what I am seeing in regards to the planets now, the future does not look very good. Neptune rules viruses. Next year [2015] from mid-April through the first week of August, transiting Neptune in Pisces will station on the 9th degree, which is a fatal degree. It will do so again in 2016, September through the rest of the year. There is no bundle of planets at this time, though. I still have to do more research into historical plagues and such to see the different planetary patterns and trends. Transiting Saturn will enter Sagittarius at the end of December. Whenever Saturn transits Sagittarius, the sign of millionaires, big corporations, and wealth, there are economic problems. The stock market crash of 1929 was a major example. Neptune also stationed at 9 degrees of Pisces in the 1360's when there was another recurring outbreak of the bubonic plague. No doubt, IMO, this Ebola does look bad, but it won't be the "end of the world." Satan even mentioned something of this to me a couple of

years ago. All he said was that "a lot of people are going to die."

Now, because of the removal of spiritual knowledge, so many people are open to being deceived and accepting the lies and twisted information xians so relentlessly push. They don't know any better. The only REAL sin in life is a lack of knowledge. Because of a lack of knowledge, souls are condemned to lifetimes of needless suffering.

What makes this even worse is how the Jew-controlled media, xian filth and other related predators constantly push that life is supposed to be some sort of utopia, some sort of experience of endless enjoyment and even paradise itself. What then happens is this sort of mind-set sets the populace up for extreme disappointment, given overly high expectations. Ignorance can be bliss, of course and many are too weak and/or too stupid and unenlightened to really look at reality for what it is and see what is in the world around them. Watching the daily news, studying history, and seeing what is before us each and every day does not sink in with weaklings and idiots. Many people are very adept with living in their own insulated world and denying the ugly aspects of reality. These people are worthless, as they refuse to acknowledge extreme problems in the world and through this deny and do nothing.

This is not to say that life cannot be happy, fulfilling and rewarding, but so many not only choose to deny the ugly aspects altogether, but also push this denial upon others. When a crisis then ensues sooner or later, the one who believes life to be a utopia is very ill-equipped to deal with it, and is very lost and confused and often much more.

Unfortunately, many teens and other young people who have not had the life experience, because of this are open to xian deception, twisted information and of course, LIES. The choice of prey/victims for xians are the youth. This shit was done to me when I was very young. The xian readily approaches and accosts the youth, pushing that vile nazarene virus. The xian then goes on and exploits one's ignorance and lack of experience in life and says "you are not happy because you are not 'saved' you are not with jewsus and other sick malignant filth of the most vile order.

I have written about this before and this is also sometimes exploited and used to try to get the victim to accept the beliefs of another. So, in other

words, if one accepts the certain belief system of another, which is being pushed, one will then be happy. This is definitely not so. Never fall for this crap.

Everybody has his/her Saturn [planet of misfortune] and no one is exempt. Some are very adept at hiding personal problems and sufferings, mostly out of shame and again, denial. The truth is...life is not a whirlwind of joy and happiness. Even if one is going through a good phase, just the suffering and misery of others should make some impact. Satan and our Gods know this and have not turned their backs, but acknowledge the profound and needless suffering in the world and are here to try to help us.

Always be alert to and onto that old scam xians use to try to bring in more victims. Misery loves company. Xians use every tactic they can to exploit any and every situation to bring in more unknowing victims to that foul nazarene and shit-bag holy spirit.

"Because of being steeped in, believing in, and living a lie, in the advanced stages of Christianity, the Christian takes on an artificial appearance and begins to look like the lie: The well-known pasty look with the smiley mask. The lie emerges in the physical self."  
[www.exposingchristianity.com](http://www.exposingchristianity.com)

In closing, from what I have been seeing in regards to what is happening with the planets, everyone should begin building a powerful aura of protection. This must be repeatedly programmed into the soul, preferably after raising your powers through meditation. It should be done every day. A good affirmation to use:

"I am always safe, secure, protected, and healthy in every way."  
Visualize a brilliant white-gold light [the most powerful for protection and good health] engulfing your entire being while affirming the above. Ideally, this should be affirmed 108 times daily with a Satanic rosary for 40-80 days.

The same can be done with loved ones, family members, even pets. Just visualize the light engulfing the loved one and do the same affirmation using his/her name "is" in place of "I am."

I did not write the above concerning life to be a downer. Life can be very happy and rewarding. The problem is when so many are living a lie and pushing that lie to the detriment of others as with xianity. Life isn't always happy. People need to know this and through knowing this one can work with meditation to prevent and correct problems. Opportunities that come your way should always be taken and worked with. One should always have goals. Goals make life meaningful. Judeo/Xian filth along with that most foul and odious Islam have infected humanity and this has made so much ugliness in the world, like extreme poverty, that with xian indoctrination keeps perpetuating itself, bringing in more victims to "christ." People are lost and unable to help themselves out of this due to a lack of spiritual knowledge and knowledge to the mind and soul. This turns into a vicious cycle, keeping much of humanity spiritually enslaved for nefarious human-hating entities to feed off of, using life energies.

I also heard concerning the Ebola, those Muslims kiss that stupid cubicle in Mecca...

Hello Bluepanter666,

The Blood Moon Prophecy is an idea popularized by Christian pastors John Hagee and Mark Biltz, which states that an ongoing tetrad (a series of four consecutive total lunar eclipses, with six full moons in between, and no intervening partial lunar eclipses) which began with the April 2014 lunar eclipse is the sign of the end of the times.

There is a total eclipse of the full moon on October 8, 2014. This is the Northern Hemisphere's Hunter's Moon - the name for the full moon after the Harvest Moon. It's also a Blood Moon, and this eclipse is the second in a series of four so-called Blood Moon eclipses. For North America and the Hawaiian Islands, the total lunar eclipse happens in the wee hours before

sunrise on October 8. For New Zealand, Australia and eastern Asia, the total eclipse is seen after sunset on October 8. A partial lunar eclipse can be seen before sunrise, October 8, from much of South America, or after sunset, October 8, from western Asia. Follow the links below to learn more about the 2014 Hunter's Moon and the October 8 total lunar eclipse.

What is a lunar tetrad?

Both astronomers and followers of certain Christian pastors are talking about the lunar tetrad of 2014-2015. What is a tetrad? It is four successive total lunar eclipses, with no partial lunar eclipses in between, each of which is separated from the other by six lunar months (six full moons).

Mark Blitz and John Hagee speak of a lunar tetrad as representing a fulfillment of Biblical prophecy. After all, the moon is supposed to turn blood red before the end times, isn't it? As described in Joel 2:31 (Common English Bible):

The sun will be turned to darkness, and the moon to blood before the great and dreadful day of the LORD comes.

That description, by the way, describes both a total solar eclipse and total lunar eclipse. Sun turned to darkness = moon directly between the Earth and sun in a total solar eclipse. Moon turned to blood = Earth directly between the sun and moon, Earth's shadow falling on the moon in a total lunar eclipse.

I hope that helps a little. Technically it means the xians do not believe their bible. Matthew 24:36 "But of that day and hour knoweth no man, no, not the angels of heaven, but my Father only." Mark 13:32 "But of that day and that hour knoweth no man, no, not the angels which are in heaven, neither the Son, but the Father."

Hail Satan and all the Demons of Hell.

Subject: Christian Ritual Abuse

[This article is old. I was going through old sermons, etc, on my PC. I feel it is important enough to repost it. It was originally posted from a member].

"We will have to deal with Christianity in a tougher way than hitherto. We must settle accounts with this Christianity, this greatest of plagues that could have happened to us in our history, which has weakened us in every conflict. If our generation does not do it, then I believe it would drag on for a long time. We must overcome it within ourselves."

-- Reichsführer Heinrich Himmler; Speech to top leaders of the SS, June 9, 1942 Berlin

"Given the open media of today, the crimes of Christianity can no longer be hidden from the world. These heinous sexual attacks on children have been going on for centuries. The Third Reich did not tolerate this and for cracking down on the Christian Churches and their plethora of child molesting scum, they were attacked by the world."

Satanist Adolf Hitler did not tolerate, nor did he ignore or look the other way as so many do in regards to Christian filth and crimes. There was a "priest's block" at Dauchau concentration camp. The Satanic Third Reich was very serious about putting a stop to Christianity, Christian criminals and their crimes against humanity. For more on this:

"We are still left with the statistical certainty that 100 children WILL be abused by Christian Sexual Abusers EVERY year, yet Social Workers have 'turned a blind eye' to this DEFINITE sickening threat to the well-being of our nation's children in favour of chasing the Devil."

\*\*

I am forwarding this, as people really need to read this, it is appalling to say the least, and reveals where xians are at on a spiritual level from tying into and worshipping such hideous energy. CHRISTIANITY, ISLAM AND THE MALIGNANT ROOT OF THESE- JUDAISM, ARE PRECISELY WHY THIS WORLD IS IN THE UGLY STATE IT IS IN AND SOCIETY IS SO SICK.

NOTES: This list finalised July

1991. Every case has been thoroughly researched and can be fully supported with documented evidence of dates, places, court records, sources, times and names. It is highly abbreviated here for practical purposes but we can say that the details of the abuses are exceedingly horrible and many exhibit virtually identical abuses to those alleged to take place in so-called Satanic Ritualised Abuse. We invite further correspondence and offer free research facilities on all our data to any serious enquirer.

FREQUENCY OF CHRISTIAN RITUAL ABUSE:

The S.A.F.F. only began collecting, collating and analysing Sexual Abuse

linked with ecclesiastics during 1989 hence the sample of cases grew as our scope and ability to source them increased. The early years are therefore sparse but this reflects the lack of attention so far applied to them. Since 1978 we have logged over ONE HUNDRED convictions of Christian Ritualised Abuse. Compare these DEFINITE cases with the six uncorroborated cases promoters of Satanic Ritualised Abuse have unearthed over the same period and the true nature of both is immediately apparent. The average yearly level of abuse going by our 1989/90 & 91 figures can be considered representational at two dozen cases per year, a shocking figure. We did not collate cases prior to 1989 and we must remember that not all cases are detected and brought to court but applying the average from the firm statistics we do have we come up with the terrible result that whilst Time Tate and his pro-SRAMists have been occupying the nation with sensationalism about six cases of Satanic Ritual Abuse, more than TWO HUNDRED cases of Christian Ritual Abuse are likely to have occurred. The tragedy of the suffering of innocent children in this situation is too miserable to contemplate.

#### COVERAGE:

Please note that we have NOT included ALL the cases we have on file. There are many further cases which we have researched which confirm the overall picture but which are insignificantly unique and which we have therefore left out. These are open to scrutiny if needed. We also have a large pile of quite serious and shocking Christian Ritual Abuse cases which were reported mid-trial and which look likely to have ended in convictions but which we have not yet sourced the verdicts for.

#### STATISTICAL COMPARISONS:

The data from our research is now large enough to form predictions of the yearly frequency of what can now be seen to be a very serious problem of Christian Ritual Abuse. We are not here looking at a sporadic and unusual manifestation of Christian Ritual Abuse caused by a handful of rogue Vicars. The shocking facts are that statistics show a definite and continuing proportion of the clergy who are pre-disposed to commit terrible crimes against children in their care. This phenomenon carries across all age levels and is represented in novitiates as well as established ecclesiastics - it is not a passing node which will eventually dissipate itself given

time. Action must be called for from government to deal with this problem. Additionally it has to be said that a not insignificant portion of these Christian Ritual Abusers re-offend when allowed to continue in their work.

"We will have to deal with Christianity in a tougher way than hitherto. We must settle accounts with this Christianity, this greatest of plagues that could have happened to us in our history, which has weakened us in every conflict. If our generation does not do it, then I believe it would drag on for a long time. We must overcome it within ourselves."

-- Reichsführer Heinrich Himmler; Speech to top leaders of the SS, June 9, 1942 Berlin

"Given the open media of today, the crimes of Christianity can no longer be hidden from the world. These heinous sexual attacks on children have been going on for centuries. The Third Reich did not tolerate this and for cracking down on the Christian Churches and their plethora of child molesting scum, they were attacked by the world."

Satanist Adolf Hitler did not tolerate, nor did he ignore or look the other way as so many do in regards to Christian filth and crimes. There was a "priest's block" at Dauchau concentration camp. The Satanic Third Reich was very serious about putting a stop to Christianity, Christian criminals and their crimes against humanity. For more on this:

" We are still left with the statistical certainty that 100 children WILL be abused by Christian Sexual Abusers EVERY year, yet Social Workers have 'turned a blind eye' to this DEFINITE sickening threat to the well-being of our nation's children in favour of chasing the Devil.

Fellow Brothers, Sisters and Commrades.

Today it is another day like all others that we belong to the Truth and serve the Truth. Those of us who have been with us until the end, saw and have done all the big work we are seeing the seeds of today. We have been rampantly attacking Israel and will continue doing so. There were members who went very far with this as all our family has done, attacked the enemy ruthlessly for 40 or even 80 days consecutively. Due to the effort of these modern day Heroes and our Freedom fighters, international Jewry is crumbling as the day goes by.

Though, as much as we see victory, we see something very evident: That the enemy will not just stand there and die. That they are very dangerous now like they never were.

We have had people who doubted, run away in laziness or fear, those Faithful Warriors of Satan know that Satan stands above them and has them under his wings. We had people who worked ruthlessly and wrote and are still writing history in its most subtle level. THIS IS YOU. YOU ARE NOT THE IGNORANT, YOU ARE THE BEINGS OF TRUTH AND THE LIGHT. I ask both of you to stand on your height of Soul and finish off the intruders of our life. There is not one problem in our lives that is not connected to the international Jewry. You see what they do to Gaza, what they have done to countless civilizations. This is only a bit of dust on what they will do to us if they will prevail.

For that reason I call the spiritual elites of this Era, to fight them ruthlessly, once more and until the end. Even when things are seemingly over, we must not fool ourselves as they will not go down so easily. Those who stop now, steps before the end, are not worthy of what it is to come. WE WANT A FREE WORLD. A WORLD FOR YOU AND ME AND NOT THESE JEWS TO RULE ON.

I call everyone to the Spiritual Arms. These days like no other days the enemy has been around their coffin. Its of serious historical importance that you act now. I tell you this from the bottom of my Soul, from the bottom of my Heart. If you are not the greatest and most brave people in the world, I do not know who that is.

Those who know what we do, know that we should decimate those who oppress us. Now is our most fatal opportunity.

You raised your head in spiritual tyranny, you have been with us from the start to the end. And you are now living to see the fruits which we have planted.

Be merciless in your pursuit of justice and in your pursuit of a better, Satanic World.

We are the most defamed, the most misunderstood, the most brave, the women and men against time, those who have an eternal vision of a greater tomorrow. Its up to you who have the tools of shaping the world to shape it. FATE CALLS YOU ALL TO DO IT!!!

So what I am asking is quite easy.

Everyday, until the day that a Ritual will come, which will be soon, raise the following and direct it as following.

-Thurisaz x9.

Then affirm Once with intent-

"Israel and all the jewish race of peoples are permanently and completely destroyed in every and all levels of existence."

-Hagalaz x9

Then affirm Once with intent-

"Israel and all the jewish race of peoples are permanently and completely destroyed in every and all levels of existence."

You can multiply 9 vibrations and do this, like x18 Thurisaz or x18 Hagalaz.

An Alternate affirmation would be as following: "Israel and the jewish race as a whole are now being permanently and completely destroyed, in every and all levels of existence."

\*\*\*\*ALL THE ABOVE IS TO BE DONE EVERYDAY, UNTIL A NEW RITUAL IS POSTED. THIS SHOULD BE PART OF YOUR DAILY MEDITATIONS. PREFFERABLY, DO THIS FIRST AND THEN DO YOUR AURA OF PROTECTION AND CLEANING MEDITATION!

Use whichever feels more on the point for you. Both are the same thing. But some might have a tendency toward one or the other.

You can imagine grey energy suffocating them all over the globe, with severe intensity. This is to be done daily with your daily meditations. This will add up to our older Rituals and finish the job. But the job is not finished until WE finish it. And we are not idiots to think that Israel is overwith...Far from it.

Satan has placed his faith in us. Lets make Father Satan proud and create a world in which his name stands proud for all the Ages!

Subject: Death of communism site and book

I collected all sermons of clergy and good articles of members on communism from all satanic groups and forum and made a site and 2 books - English original and its Russian translation.

Special thanks to:

- 1) My Demon who helped me allways, so that without him there would not be neither 3 volumes of Russian Satanic Meditation, nor Runic Kabbala, nor this project.
- 2) Egon Albrecht who being a wonderful artist made my site beautiful and organized it would never be at my hands.

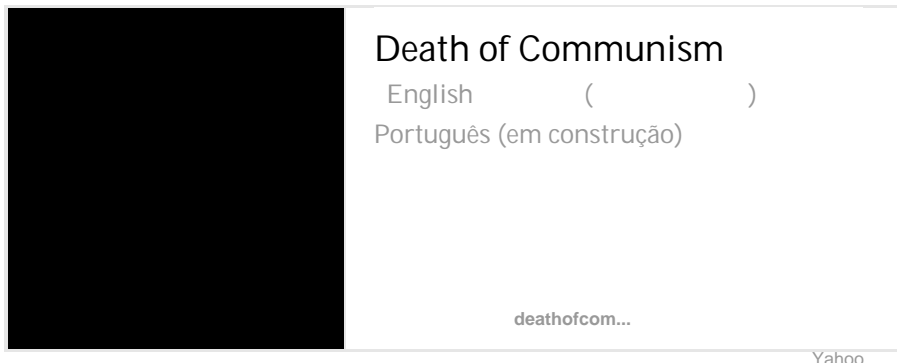

Site is planned to be multi-language. The goal of this project of collecting all satanic readings on communism on different languages is to make a good organized tool to fight communism online without need to looking for hours with search mahine for sermons, when sharing links and online warfare. Also good concentration of SS/NS readings on special topic.

I invite all dedicated non-English SS who are willing to fight communism in their countries or those countries they know languages of to participate and translate into their language the file I give in the link below. Especially those countries most struck by communism might be interested: China, Korea, Latin America & Cuba, Slav & Skythian countries are in extreme need of defeating this jewish beast!

I give links below on both PDF - English and Russian. What you only need is just translate the whole book and send me in Word file, making part of the site in your language and converting PDF is on me. Thanks in advance to every dedicated SS who is gonna participate!

Well Done Brother!! You are doing great.

The Gods are always pointing out to me about this most horrendous "ideology", which is this poisonous communism.

I was watching a documentary a while back, and it was about China's industry. Well, half way through it, the host went to Tibet. He recorded how a poor, persecuted Tibeatan woman was harassed by a "communist party official" who's job was to handout booklets of instructions to the people. The woman was warned that if she does not read the booklet, take notes from it, and "do her homework", she would be reported to the party. This straight away reminded me of the inquisition.

Furthermore, people should not be fooled by seeing huge bustling Chinese cities, like Shanghai and Beijing. Most of the Chinese population is comprised of farmers, who reside in unbelievably impoverished areas, that are so polluted, you'd think it is an area from a different planet. No sunshine and no sign of hope at all. In fact, the pollution is so bad, that there are now what are called "cancer towns" where the majority of people are dying from cancer.

This filthy "ideology" is EXACTLY like xianity and pisslam. communism did physically to the world what xianity and pisslam did spiritually to it. Not to mention, most of China's VERY Ancient Spiritual Discilplines are banned and persecuted, whereas that ugly xinaity is the fastest growing belief in China.

Just 50 years ago, over 60 MILLION Chinese peoples were starved to death by the manmade jewish famine. Now, the majority of Chinese people do not know about it. Anyone who speaks about it, is incarcerated. Over the past century, over 100 million Gentiles have been killed in the most unspeakable and perverse way due to this communism, COMPLETELY UNDER JEWISH HANDS. In fact, this is exactly what international jewry wants of our world in the end. They are hoping for an ultimate communist world, where they become god (party officials), and we, Gentiles, their slaves.

On another note, a very close family member of mine went to study in communist Russia in the 1950s. They told me it was the most hopeless situation imaginable, People literally had no cars, wore ragged clothes and had no heating. They told me how for months, all they had for food was nothing but tomato sauce and bread, and the situation was nationwide.

Had it not been for Our Great Nazi Leaders, Europe and hence the world would haave been completely devoured by this plague.

Heil Hitler!!!

HAIL SATAN!!!

HAIL ENLIL!!!

Free Speech Online A New Crime Discovered By Jews

The Jooz at the ADL [which was founded to defend a child rapist and murder, joo Leo Frank and has been shown to be a spy ring for Israel and have connections to the mob which is jooish] is crying six billion, kosher tears over the fact people are expressing their right to the freedom of speech which is the FREEDOM OF THOUGHT. Its getting harder for the trash-jews to cover all their lies and schemes up anymore. Even their army of hasarats are not enough anymore. This shows we are winning.

The kikejooz believe their right to murder, lie and steal is more important than your constitutional rights.

---

But ignoring the dirt is not enough according to the New York City based Anti-Defamation League (ADL). Despite the best efforts by Tel Aviv's industrious tribe of hasbara and the considerable self-censorship that already takes place, many comments on websites discussing recent developments in the Middle East are highly critical of Israel's behavior. That is unacceptable to ADL, which would prefer to route the negative commentary to some limbo where it will never be read or even block the authors from access to the site. The caustic comments are now being referred to as "cyber hate."

### Stopping Cyber Hate

A new "crime" discovered by friends of Israel

<http://www.unz.com/article/stopping-cyber-hate/>

The many blog and information sites on the internet are attractive to many habitués precisely because they sometimes seem to be the last bastions for free expression. But free expression does not necessarily guarantee civility. Anyone who peruses comments on many of the major websites can confirm that there is considerable garbage mixed in with the occasional pearl. Racist, homophobic and bigoted comments of all types sometimes prevail, but it is up to the reader to filter out the trash and unless a comment is obscene or threatening in a specific way it is best just to ignore it. It is hard to imagine that anyone is actually inspired or motivated by the muck that appears in the internet comments sections.

But ignoring the dirt is not enough according to the New York City based Anti-Defamation League (ADL). Despite the best efforts by Tel Aviv's industrious tribe of hasbara and the considerable self-censorship that already takes place, many comments on websites discussing recent developments in the Middle East are highly critical of Israel's behavior. That is unacceptable to ADL, which would prefer to route the negative commentary to some limbo where it will never be read or even block the authors from access to the site. The caustic comments are now being referred to as "cyber hate."

For those who are not familiar with ADL, it is a group established one hundred years ago to combat bigotry directed against Jews. It is generally considered to be a major component in the Israel Lobby. The ADL National Director since 1987 has been Abe Foxman.

ADL has recently been meeting in California with a British group called the Inter-Parliamentary Coalition for Combating Anti-Semitism, which included the Community Security Trust (CST). The CST advocates physical response to anti-Semitic incidents, to include the equipping and training of organized "self-defense" forces. CST is controversial in the UK, partly because many British Jews believe they are adequately protected by the police. It has also been criticized because its Director is the highest paid head of any Jewish organization in the country and its finances are alleged to be non-transparent.

An article entitled "Web giants unite to fight online hate" described the purpose of the California meeting. It reported that a "game changing" agreement was reached with Twitter, Facebook, Google and Microsoft to take steps to stop "the proliferation of racist and abusive comments" and to "force racism and hatred from the web." This will be accomplished in part by "tougher sanctions against those who post abusive messages." The internet companies, who already have the ability to automatically block content that they disapprove of, will devise proactive strategies to deal with the problem while being guided in the process by the ADL, "a leading anti-Semitism watchdog" which has been designated the "co-convenor" of the project.

The issue of online hate is important to all web users as efforts to define and then curb it will affect everyone who works on the internet. There are, of course, constitutional rights to free speech that would be impacted by anyone trying to define what is or is not "hate" and there will be an inevitable tendency on the part of anyone seeking to come up with definitions to expand the scope to favor particular constituencies. Given the participants and the combatting anti-Semitism theme of the gathering, there should be no doubt that the meeting in California was only concerned with criticism of Jews and Israel and quite likely will have no interest whatsoever in controlling the much more widespread disparagement of Muslims.

Assuming that the ADL will be the focal point for future developments, it might be interesting to look at its track record in defense of civil liberties for anyone who is not Jewish and who might also be subjected to vilification that amounts to hatred. The ADL, which has trademarked the expression "Imagine a World without Hate," claims to be against all forms of discrimination and bigotry but its actual focus is on perceived bias against Jews. It recently celebrated its hundredth birthday with a gala dinner in New York City attended by Vice President Joe Biden, who enthused "...I mean this sincerely: You have become America's conscience. You have become the conscience of this country, no matter what the issue. You have been a pillar of the Jewish community, but you reach out and you have reached out your embrace for all communities. "

All communities aside, Abe Foxman would be unemployed if he couldn't demonstrate that the world is awash with anti-Semitism. In a recent foray in self-justification, he was interviewed by the Israeli newspaper Haaretz where he restated his belief that Israel and the Jewish people are constantly under threat just because they are what they are, a contention that inter alia supports his \$563,000 salary. And lest there be any confusion, Foxman also explained to Haaretz how he defines an anti-Semite. It is someone who criticizes Israel but doesn't say anything good about it. By that metric, he calls Professor John Mearsheimer, co-author of *The Israel Lobby*, an anti-Semite. He has also stated that former President Jimmy Carter has been "engaging in anti-Semitism." Foxman conflates most criticism of Israel with being an anti-Semite.

Foxman sees prejudice against Jews everywhere he looks but has trouble seeing bias within himself. He endorses spying on American Muslims just because they are Muslims and therefore untrustworthy while leading the charge against the building of an Islamic cultural center near ground zero in New York City. He criticizes peace groups because they oppose Israel's attacks on its neighbors and has also taken shots at People for the Ethical Treatment of Animals, the German government, human rights activists, environmentalists, civil rights groups and anti-apartheid organizations.

Foxman defended his opposition to the New York Islamic center by maintaining that "Survivors of the Holocaust are entitled to feelings that are irrational.

Their anguish entitles them to positions that others would characterize as irrational or bigoted." He later called his statement an "inarticulate quote" but has never backed away from his contention that he believes that Jewish suffering is both somehow different and provides unique entitlement.

More recently Foxman has criticized race riots in Tel Aviv targeting Africans, who have been described by leading Israeli politicians as "infiltrators" and a "cancer," while carefully and repeatedly noting that the violence was in response to crimes committed by the refugees, his way of always exonerating Israeli actions while delivering the mildest possible slap on the wrist. In contrast to his generous understanding of what he sees as the Israeli dilemma on migrants he is tough on his fellow American citizens who oppose the millions of illegals in the US. In May 2010 he referred to Arizona's illegal immigrant legislation as an example of "nativism" and "bigotry," manifestly "mean spirited" and xenophobic. He has not commented on the statement by Israeli Interior Minister Eli Yishai that Africans must learn that "Israel is for the white man." Even Foxman might find it difficult to explain that one.

It is possible that Google, Twitter, Facebook and Microsoft were unaware of Foxman's comments or that ADL itself has a history of behavior that some might consider either bigoted or racist. A notorious espionage case involving the organization became public twenty years ago in 1993. The police investigation ultimately exposed illegal activity that had taken place during at least forty years prior to that date, revealing that the organization had been running a private nationwide spy operation. The information obtained on American citizens and organizations was routinely shared with Israeli intelligence.

The ADL referred to its spying as maintaining "confidential investigative coverage" of Arab activities in the United States but the San Francisco police raid on ADL offices revealed that there were files on 600 organizations and more than 10,000 individuals, many of whom were neither Arabs nor in any way connected to the Middle East. Three quarters of the information was from city, state, and federal files, to include those belonging to the FBI that had been obtained illegally. Groups targeted included the NAACP, the ACLU, labor unions and a number of organizations considered to be supportive of "black anti-Semitism." ADL even had a file on Palestinian-American activist Alex Odeh, who had been killed in 1985 by a bomb in his office, to include an office floor plan and keys. There was a public outcry over the extent of the spying and the city of San Francisco prepared to prosecute ADL and its officers, but the Clinton Administration Justice Department instead opted to halt the FBI investigation and do nothing.

Most recently, the ADL again showed its true colors, presumably also unknown to Google, Twitter, Facebook and Microsoft. It became peripherally involved in a controversial poster campaign on New York City buses and subway stops denigrating Muslims that even the New York Daily News described as "shocking" and "incendiary." The posters were provided by Pamela Geller, noted high profile Islamophobe. One poster says "Islamic Jew-Hatred: It's In the Quran," directing viewers to the site [Islamic-JewHatred.com](http://Islamic-JewHatred.com). A photo of Hitler also appear on the poster before the New York Metropolitan Transit Authority deemed the graphic too offensive and ordered it removed. The ADL, in its presumed guardianship of a world without hate, examined the content and declared that while Geller "frequently crosses the line into racism when she criticizes Islam...in this particular case...it does not appear that she has done so."

Perhaps it would have been considered reasonable "due diligence" for Google to Google and Microsoft to Bing the Anti-Defamation League and Abe Foxman on the internet before entering into an agreement to sign on to their agenda. Internet users don't really need yet another control mechanism designed to favor Israel and its interests and the constantly repeated claims regarding the alleged surge in anti-Semitism are getting tiresome. Most internet users are sensible and recognize hate and bigotry when they see it, meaning that tinkering with access to the system will accomplish little and only discredit the overall integrity of the product. It is something that in the long run will hurt consumers as well as Google, Microsoft, Facebook and Twitter

## RUSSIAN OFFICIAL: “OBAMA IS A COMMUNIST KGB AGENT”

**Moscow, Russia** – A Russian government official bragged that Barack Obama was a KGB operative and that his presidency had been planned since birth, an American physicist and government contractor reports.

Tom Fife, an American computer networking specialist and international businessman, reported the alarming facts about the Kremlin’s connection to Barack Obama. The boast from a Communist Party official reportedly occurred during a business trip to Russia, 16 years before Barack Obama was ushered into the presidency of the United States.

“It was like an elastic band snapping all the way from 1992,” Fife shakily admitted, upon recall of the exact moment he realized the Communist official had been telling the truth. “It was a very, very scary feeling.”

Fife, a physicist and computer engineer, had been traveling to Russia for a joint venture with a state-owned company when the shocking revelation was revealed to him. After several business meetings, Fife and his partner were invited to the company owner’s home at the end of the journey for a farewell dinner.

The owner’s wife was a Communist Party official and was “climbing two ladders”, as Fife puts it, one ladder being the KGB and the other being the traditional Russian society and business ladder. As the evening wore on, the female Communist official became increasingly agitated over a perceived slight and her emotions spilled over.

“You Americans like to think you’re so perfect!” she snarled. “Well, what if I told you that very, very soon you’re going to have a black president... and he’s going to be a Communist!”

The KGB operative was not finished. As she had now dropped this bombshell on the entire gathering, she felt compelled to continue.

“His name is Barack,” she sneered. “His mother is white and his father is an African black. He has gone to the best schools, he is what you would call ‘Ivy League’.”

Fife recalls being stunned and shocked at the words flowing from the Communist’s mouth as she continued to rattle off an incredibly precise set of details about this Communist operative who was to supposedly become president of the United States.

The Communist official then stated that he was from Hawaii, but would very soon be elected to the Chicago state legislature. This has turned out to be an eerily prescient prediction, as Barack Obama was not elected State Senator until 1996, a full 4 years afterwards, as he took Alice Palmer’s seat.

In 1992, Obama had recently graduated from Harvard Law School and accepted a position as a Fellow at the University of Chicago Law School.

Perhaps the most shocking revelation is how deep the Soviet Communist network has embedded itself into American political and educational culture. A quick review of Obama’s political “career” shows a track that was inexplicably greased, from his tuition payments at Columbia and Harvard, to a position at UOC Law School, to his eventual electoral “victories” at the Illinois State Senate, United States Senate, and U.S. Presidency.

Barack Obama’s parents ostensibly met in a Russian language class. This could have been where his mother was recruited by Barack Obama Sr, who could have already been working undercover for the KGB.

In order to brainwash the child from an early age, they surrounded him with diehard Communists and fellow KGB agents, such as Frank Marshall Davis, a known Communist Party USA official. The Soviet KGB directly funded the CPUSA. This would fit directly into what the Russian Communist said about ‘Barack’, boasting “He has been raised to be an atheist and a communist.”

“He will be a blessing for world communism,” Fife recalled her saying, after getting over the initial shock of hearing the current president was a KGB agent.

The creepy prediction stayed with the physicist upon his return to the United States, although he paid it no mind until he began to hear of an swiftly rising political star named Barack Obama. When Fife learned that this same Barack was running in the 2008 presidential election, everything snapped into place and he knew he had to tell someone.

Today, Fife admits that it deeply disturbs him and that he has never been able to shake the ominous feeling of foreboding about what comes next, now that the KGB official’s prediction has come true.

“It never leaves you, having someone tell you that they’ve engineered the takeover of your country,” he admits. “It’s really quite scary.”

I already posted a more detailed sermon on some things I am going to mention below. <http://josministries.prophpb.com/topic6191.html>

On the topic of astrology, Mercury is retrograde right now. It will be so until the 25th of this month. For more in-depth information concerning Mercury retrograde:

[http://www.angelfire.com/empire/serpentis666/Mercury\\_Retrograde.html](http://www.angelfire.com/empire/serpentis666/Mercury_Retrograde.html)

Mercury retrograde can be notorious for anything having to do with electronics, communications and travel to encounter glitches, annoying delays and malfunctions. I am sure if many of you are aware, you can see much of this happening right now. Just the other night, I had some annoying problems with some software, which is very typical of Mercury retrograde. My point here is how the planets have impact and influence upon earthly events, as does sunspot activity. While the idiot xians and muslims foolishly attribute many events to "acts of god" anyone with Satanic knowledge can see the real reasons and not be deceived. For those of you who know your own astrology charts, and how to read from an ephemeris. Check out how many times transiting Mars made a major aspect to your Moon or ascendant. This only lasts a few days [unless it is stationary and then if it is, one must be very cautious], and always remember, the transiting planet can set off an event when it is within 1 -2 degrees in applying to the exact aspect. My point here with the Mars, just check if you were provoked or involved in an argument, domestic dispute, fight or other emotional upset. Mars is notorious for this sort of thing and knowing this reveals the \*WHY\* it happened. Over the years, I have been aware of whenever Mars would be hitting on my personal planets like my Moon, and ascendant, and during those times, I am aware not to get involved and to stay clear of any potential confrontations if at all possible. Oftentimes, others incite the confrontation that with the Mars can get out of hand. Mars transits to the Moon and the ascendant can also cause us to be more irritable and edgy and prone to anger.

I read an account of centuries ago; some European explorers came to an island. I don't remember the exact details, but my reason for mentioning this here again is important in regards to having knowledge. The natives took the explorers captive and one of the explorers told the chief there that he could make the Moon disappear. He knew of an impending lunar eclipse

that the natives did not and when they saw the eclipse, they released the explorers.

The above clearly reveals how important knowledge is. Those without knowledge are easily victimized. This is why communists murder intellectuals and destroy the educated upper and middle classes, among many millions more. This is to institute a slave state. One only knows what they tell you, and most of it is lies.

I also want to add something else here. Everything they enemy is and does, they blame on Satan. That kike god YHVH Jewhova in the bible was a "murderer and a liar from the beginning" and much more, including his demands for living blood sacrifices. Satan never murdered anyone in the bible or did anything else to harm humanity, as opposed to that Jew God. Now Hollywood I am sure can have some people confused about Satanism. I will repeat this- many of you are already aware how things are backwards. In the 1976 movie "The Omen" they kept elaborating on a prophesy regarding Satan; about Satan "waging his last battle." In my opinion, this is backwards and is not Satan waging "his last battle" but it is the enemy waging his last battle. Communism has collapsed. Of course the Jews are working overtime to try to take the USA and other world powers, but they will fail. The former USSR that was the bulwark collapsed. It is the YHVH that is waging his last battle and will lose.

Now, I will keep posting more on this topic and this is very revealing regarding the Judeo/Christian bible and what it really is, NOT the "word of god" but a powerful subliminal. I know I keep posting more of this sort of thing, but please remember if you are experienced and solid in the truth, many here are not. We get new people and people who are still suffering because of Christian lies, who have not yet ascended to a higher level of truth and understanding. Many are lost and still confused.

In studying Judaism, in-depth, from different sources, one can see the truth:

The Jewish 'year' is for an acting out of each stage of their fictitious history, as this vibrates into the mass mind. Each stage of their fictitious crap is played out, not only by them, but also by believing Gentiles. Like

their Passover- they relive and act out their destruction of Gentile Egypt and such. Sukkoth, which is in the fall, this Jewish holiday ended 2 days ago, is again, relived and played out in their open roofed gazebos in their backyards. They relive every fictitious event. Most of you know how the mass mind works and can see how the repetition of these rituals can make a fictitious tale into a supposed reality, even though the rituals are symbolic. They also eat certain foods and engage their senses into their reenacting of these rituals.

Through their torah and bible, the Jews are creating and keep creating reality. This is in their kabalah if one can read between the lines and as many of us here already know, this involves the powers of the mind and the soul.

Jewish mysticism states that "One's essential being is God." This is a dead giveaway as Satan told us this. Only the kikes at the higher levels can understand this concept. They are the ones who use this.

Jewish abuse of black magick has backfired on them through the ages. "Talmudic doctrine forbade the public teaching of esoteric doctrines and warned of their dangers." I also read when their Zohar was printed within their communities in the 16th century. Major pogroms took the lives of tens of thousands of kikes in Poland and in Europe. Some attribute this to the Zohar, which of course was stolen and corrupted. They obviously used the magick therein which was stolen and corrupted, along with the human sacrifices and it all backfired. Also, a further explanation is certain curses already put forth against the revealing of this knowledge by rabbis, and this affected their own people, as most of their nefarious programs such as communism usually do. They are a vicious race and prey upon each other ruthlessly.

During the period known as the "Dark Ages," after all of the libraries containing spiritual and other knowledge were burned and destroyed by Christians [Gentiles doing work for the Jews and to advance the Jewish agenda] and other enemies, the Jews took this opportunity to "translate" what few texts remained and through this, they rewrote and corrupted most of everything. It is a historical fact that nearly all of the spiritual texts were "translated" by certain Jews.

The Jewish kabalah is nothing more than instructions for witchcraft.

The entire theme of the old testament of the bible, especially their torah is nothingness, followed by an idea, feeding the idea by giving it focus and energy, then it manifests into reality. Of course, this reality is total enslavement and domination of the Gentiles. The nazarene is nothing more than an allegory for the serpentine powers.

Their "tree of life" Sephiroth; 4 worlds

1 - Atzilut = "ideas in the mind of God" [for the initiated "God" is the self]

2 - Beriah = through meditation; visualization= creation, known as the 'nourishing world' where focus and visualization give the 'idea' energy.

3 - Yetzirah "represents the formation of the reality which manifests in the 4th and final world."

4 - Assyah "Assyah is the actual completed project, the manifest reality."

The above is a direct quote and is glaringly obvious for anyone who knows anything about the mind and powers of the soul aka "witchcraft."

The Jews feel they have every right to give orders Gentiles, and to demand obedience. "Free Speech Online A New Crime Discovered By The Jews" posted yesterday by High Priest Don is something everyone should be aware of and read.

<http://josministries.prophpb.com/topic6275.html>

Jews who are the REAL supremacists dictate their orders and DEMAND. It doesn't matter how this might affect any Gentile interests. Jewish interests are the only interests that really matter. We Gentiles are nothing more than cattle as far as they are concerned.

As HP Don wrote:

"The kikejooz believe their right to murder, lie and steal is more important than your constitutional rights. Ebola might be deadly, but Jewbola is even more dangerous. Russia got caught with a bad infection and it cost them up to a hundred million people."

One major Jew/communist tactic in taking control of a country and opening

the door for their communism is to completely screw the legal system to the wall to where it is total trash, like they have been doing here in the USA for decades. It only gets worse. The so-called "justice system" is really the "injustice system."

We here are all open spiritually and through the above and there is more- we can easily 'see' the entire theme of the bible. It is a powerful subliminal and nothing more. Lilith told me more than once that to destroy that scum, they must be obliterated from their entire torah. More reverse torah workings in Hebrew will be forthcoming soon.

They will begin their torah readings tomorrow on the 18th, all around the world. What this does, because all of the religious Jews read from the same torah portion at the same time, this is what gives it power, along with the Christian idiots who so stupidly and slavishly give their energies for this as well. Each week, beginning tomorrow, they all read the same. Then, as I wrote above, they have their holidays that act this fictitious crap out every year, thus perpetuating it in the mass mind. They keep all of this alive and going and for many who are unknowing, they make it believable.

Lilith wants for us to wait a bit and then follow up, reversing their torah crap and erasing them from their own torah. Their torah is their reality and their constant creating of it. I know this can be a bit over most peoples' heads in the way of understanding, but with enough research, knowledge and most important, knowledge of the occult, along with experience, this can be plainly seen and understood. The rituals we did this past year will have to be repeated again. Please check for updates on the main Joy of Satan website [www.joyofsatan.com](http://www.joyofsatan.com) each week and also Satan's Library [http://spiritualwarfare666.webs.com/Satans\\_Library.htm](http://spiritualwarfare666.webs.com/Satans_Library.htm) as for when we will be doing the rituals again. This will be soon.

---

As for the Ebola, do not wait until it is too late, and it certainly wouldn't be a bad idea to do this for yourselves anyway:  
Everyone should begin building a powerful aura of protection. This must be repeatedly programmed into the soul, preferably after raising your powers through meditation. It should be done every day. A good affirmation to use: "I am always safe, secure, protected, and healthy in every way."

Visualize a brilliant white-gold light [the most powerful for protection and good health, the astral Sun, aka "The Black Sun"] engulfing your entire being while affirming the above.

Ideally, this should be affirmed 108 times daily with a Satanic rosary for 40-80 days. The same can be done with loved ones, family members, even pets. Just visualize the light engulfing the loved one and do the same affirmation using his/her name "is" in place of "I am."

Even if you are unable due to being a teenager or in some other living situation that prevents you from engaging in a full meditation, just state the above affirmation when you go to sleep at night or when you are in the shower and visualize the light. Done repeatedly, this can be just as effective as a formal meditation. It must be done every night and even during the day, for a few seconds. Repetition will embed the affirmation into your soul and the light is the protective astral energy.

Subject: A True Tale Of Tear's, A Chapter Of Jewbola

A True Tale Of Tear's, A Chapter Of Jewbola

There was an interesting book awhile ago called something like "The Hermetic Origin Of America." It pointed out the original Europeans into North America the Pilgrims and such. Where actually non-Christians for the most part. They where Hermeticists from the spiritual renaissance that had occurred in Europe. This was when many European's threw off the yoke of the Jooz Vatican in a openly anti-Semitic spiritual and social revolution. This came from the Templar's many of the Templar's had already travelled to the America's and had good relations with the different tribes there.

Many of the Pagan's, keeping in mind these are real European Pagan's went into North America to build a New World free from the Jewish power structure in Europe and one that would allow them to study true knowledge and spiritually advance. The original colonies the English built under men like Bacon where

Hermetic sanctuaries the original plan was to create a New Atlantis which is why there where 13 colonies and such the whole place was Masonic, the uncorrupted Masons. England was the beacon of the Satanic rebirth in Europe. This is why in 1588 the kikejooz pope sent a Catholic Crusader force across the channel under Catholic Spanish flags to conquer England and put it under their control the Inquisition was more then likely on those ships as well ratz and boatz. The English had eradicated the Catholic power structure out of their nation. You can still witness the ruins of the Catholic centers today from this time. So the kikejooz war machine was totally defeated by England and sent to the bottom of the ocean. By a combination of physical military power, skill and courage and occult power. That's Britannia ruling the waves.

Remember the jooz where officially kicked out of England as well at this time and had been for centuries. No mistake why this was the nation of rebirth and where the Templar's base was also. How the jooz got in there was the Puritan's. John Knox was a discipline of the Protester fanatic John Calvin up there in Switzerland who was the second main founder of the Xian protesters next to Martin Luther Kike, Calvin was actually a vile kikejooz named Coleman. Knox was a Scottish dude and he brought this Hebrew cult into England.

Note this Puritan cult preached the British where the lost ten tribes of Israel and the kikejooz the other two. This is pure propaganda to soften the English to get the kikejooz back in. Note the jooz use xianity every time. Now this clown cult came to political power in the "English" civil war in which Puritan Cromwell who was bank rolled by kikejooz bankers in Holland if you read between the lines. Came to power and enforced a Puritanical regime on the nation. Think of Islamic state here. They shut down all the universities, shut down the theatre, put people in jail for dancing and attempted to wipe the spiritual Pagans out of existence. They literally worked to dismantle the entire traditional English culture by military force as it was Pagan and replace it with total kikejoozism of the unholy babble. This is where the major blow to British culture was stuck. That its still suffering from the first was the Norman's who had the Kiketholic Church backing them.

One of the first major moves Cromwell upon winning did was to hold the Whitehall conference which was a political move to pass a law to allow the kikejooz into England. Here is in the history if one is keen which what came out of this debate is the evidence Cromwell was an agent of kikejooz bankers in Holland and they had their agents in the country in private for sometime during this conflict. Cromwell was pounding his fist over how the kikejooz would give them joozbux's in a coming war with Spain. Its obvious who was funding his military regime. The Puritan's also wanted to make Hebrew the official language of England due to this British Israelism nonsense.

Thankfully the Puritan Regime did not last all that long in time and collapsed. With the actual Aryan Royal's of the Steward line came back to power in England and undoing a lot of this shit. They dug Cromwell's body up and hung it in a crows cage and basically arrested all the Puritanical wannabe Kikejooz's. And made them a offer they couldn't refuse. Which was total exile. They where forced onto ships and given the boot. Not a mistake Whites acting like kikejooz's got the boot like kikejooz's. There was also probably a lot of racial kikejooz in the mix of them.

Now this trash washed up on the shores of North America and went to work installing insane theocratic regimes that became obsessed with doing with Abrahamists do. Attacking the Amerindian's as savage heathens, persecution of the White Hermetistic's and turning on each even each other. The Puritan's where even hanging Quakers. So this is where a lot of the nasty shit that went down with the Amerindian's and European's comes from. The settlements that where of the White Hermetistic's where known to have always kept their treaties and gotten along fairly well with the Amerindians in live and let live setting.

Franklin one of the Founding Father's who was of the current of the Hermetic enlightenment. Spoke well the Iroquois and consider them to have a socially enlightened society. However a lot of the violence that erupted between the Amerindian's and American's at this point was part of the revolutionary war with England. Different Amerindian tribes allied with the British Crown, which was controlled by Rothschild's at this point and the Stewards where long gone. Some weirdo, fatass, Hannyoverton German was sitting on the throne who could barley speak English and a puppet of kikejooz. The kikejooz had come back into England in the late 1690 openly and sent up the bank of "England" with the banker loot they made in Holland and Germany. The bank of England was run by Kike, Rothschild.

The American Founding Fathers Where Satanists  
topic585.html

The Founders sent word to the Amerindian's asking them to stay out of the coming war with England. Some did, some didn't. Later into the 19th century it was the kikejooz plutocracy in America that had taken power over the government that was behind all the nasty shit that went down on the Amerindians as you mention. You can see the same in Russia under kike Communism. They did the same there. The Kikes murdered up to one hundred million people in their JewSSR. Stalin was a Kike as well.

The Real Death Camps And Holocaust  
topic3995.html

The other part of this was the kikejooz that did get the boot from Spain, went into.....Holland. No mistake why. And set up the Dutch East Indian Company and followed the Dutch to New Amsterdam [New York] and started criminal scams against the Dutch settlers, as Joozduhism is just a racial based criminal conspiracy against the world. So the governor banned them from doing business in the colony further. So the kikejooz went to the Amerindian's and got them purposely hooked on boozetard [the Kike was always known to run the booze and drug trade in many places even today the capital of Israel is the rub of international drug and sex slave trade] and traded them shitty goods like beads and in general stole, cheated and swindled them ruining them from within. So the Amerindian's without knowing it launched a proqram just on the White settlers as they didn't understand the ugly place faces where kikejooz not Gentiles. This started a round of warfare as well.

Note the first synagogue build in the New World. Was in Rhode Island. The hub of the African Slave Trade. All by the jooz own confession. Run by the kikes, and over 70% of the owners of slaves where kikes. So they kept the wheel of supply and demand going for centuries equalling up to a hundred million deaths of Black African's.

The horrible shit that was done to the Amerindian's down in the Caribbean and central America's was done by the kikes. Columbus was a seraphic kike and so where most of his crew. The Kiketholic Church was in the mix the whole time as well. The whole mission was to build a literal kike homeland in the New World. This was the time when the boot came down on the Shitfarthic's kikes in Spain and Portugal. So they where moving to create a literal Zionist state. The story of this region is the tale of Palestine today. And why there are so much fucking shitfarthic Kikes in Latin America today.

Also note the Dutch East Indian Company would only trade with the Japanese if they allowed Jesuits into their nation. Well what happened was the Jesuits who where are and still all kikes at the top. Launched a revolution to attempt to overthrow the Shogun and put a Catholic [kikecracy] theocracy into power. This failed the Jesuits where executed and the East Indian Company along with xianity banned from Japan.

This is all chapters in the Kikes race war on planet earth.

We will be working on the reverse torah rituals very soon. I WILL POST THIS A WEEK IN ADVANCE IN THE E-GROUPS, ON THE MAIN JOS WEBSITE AND SATAN'S LIBRARY WEBSITE IN THE "UPDATES" SECTION. Please check the "updates" after November 1st.

<http://www.joyofsatan.org/>

[http://spiritualwarfare666.webs.com/Satans\\_Library.htm](http://spiritualwarfare666.webs.com/Satans_Library.htm)

These rituals are especially serious and everyone should participate. They do NOT need any props such as candles, incense, etc, unless this is your own personal choice. They are easy to do and only require vibrating a sequence of syllables and stating an affirmation several times, after raising your energies. We will be repeating the very first ritual again. This is because the Jews have again, read that torah portion. Their New Year began recently and they read from the torah passages for every week. All of the Jews read the very same around the world and this sets in motion the powerful energies of a mass ritual.

For those who are new xian= Christian.

The "Holy Bible" is NOT the "word of God." It is a very powerful subliminal tool used by the Jews. The more research I do, the more I find that it probably originated with Jewish translators coming upon rare and ancient texts pertaining to the occult during the Middle Ages, of which they mistranslated and obviously kept for their own after ancient Pagan libraries were destroyed by xians. I have read from many different sources where Jews were the main translators of spiritual texts; where they translated these texts into various European languages, thus they seized control.

In order to understand, one must think outside of what one has been indoctrinated with and also really know the occult. Occult knowledge was why so many witches were mass murdered along with anyone suspect of having any spiritual powers, by the xian church. This is no different from what Jewish communism does in the way of murdering intellectuals and anyone else they even slightly suspect will be a threat to their take-over.

Note...'torah' is an anagram of the word 'rota', which means "wheel" in many different languages. Every year, the jews and of course to a lesser extent, the xians and muslims act out and relive the fictitious Jewish history. It is more so with the Jews, as they actually play this out- their bitter herbs at the Pesach/Passover and the eating meals in the open-roofed gazebo for Sukkoth, and even their dietary laws, etc.

This follows in a hideous Rota...a wheel; a cycle of damnation and the torah is a bit different from the Old Testament the xians and other related idiots are reading, though the Old Testament is just as rotten in every way- all of it. It is worse.

This is the TRUE ROOT OF EVIL and perpetuates all of the ugliness in the world. The artificially induced famines when commie kikes take over is in their torah. This is how they gain control. They put this into action, as it is biblical. The bible as I have stated before numerous times is nothing more than a very powerful subliminal. I don't understand how so many idiots can keep reading and studying that malignancy and claim it to be "good." The entire thing is nothing but pure evil. It is a subliminal. The rota keeps the damnation going, every year. THERE IS ABSOLUTELY NOTHING "SPIRITUAL" ABOUT ANY OF THAT ROTTEN BIBLE, THE OLD TESTAMENT OR THE NEW. All it is a subliminal tool that ensures the Jews total domination over the Gentiles.

And they try to blame human sacrifice on Satan?????????

Quote from the torah:

(GENESIS 9:5) I will surely require your blood of your lives. At the hand of every animal I will require it. At the hand of man, even at the hand of every man's brother, I will require the life of man.

The xian mass/service is nothing more than a simulated human sacrifice- the nazarene "eat me and drink me." There are so many references to living blood sacrifices to that YHVH, that make up almost the entire torah and Old Testament. If the Jews aren't mass murdering, robbing, plundering, raping and enslaving the Gentiles, they are then butchering a living animal for that "god" of theirs. That "god" is VERY clear in regards to its insatiable appetite for blood from regular living sacrifices and the subliminal is in the xian mass/service. The nazarene becomes the link to the living blood sacrifice.

People [the masses] really need to wake up. The stupidity is profound. Yogis from the Far East keep stating the goal is to get off the wheel of damnation, but the root meaning is overlooked. All of those legends and

fictitious history of the Jews in the bible, especially the torah are subliminal and like the story in Genesis where that Joseph kike gets control of the Pharaoh of Egypt, the numbers, 7, 66, 33 are in the verses- 7 for the powerful chakras of the soul, 66 for the number of books in the entire bible, falling short of spiritual perfection and also the number of slave labor [please do not confuse this with '666' which is spiritual perfection]. 66 falls short of 666, which is spiritual perfection and is hated by the Jews. 666 also translates into Vau, Vau, Vau [Hebrew] and this into WWW [world wide web] where knowledge is available after centuries of suppression. Communications are open now and of course, the Jews have been working overtime to try to destroy this for everyone. 33 is the number of esoteric vertebrae in the spine for the serpent to ascend. This subliminally translates into Jewish psychic power over Gentiles. This is the reason for all of those numbers in that filthy bible.

This is what the Jews do and then the famine and how "god" put this dream in the pharaoh's head [in reality how the Jews use the occult powers to manipulate our leaders and important people]. All of this follows the same sequence as Jewish communism. The biblical stories parallel everything the Jews are and do, with their goal of communism, OR the theocracy of xianity to control the Gentiles. As I mentioned before, as soon as Jewish communism was overthrown in Europe, xians were right back there like fleas on a dog, making sure one of the very first things was to translate the bible into the local languages and spread their hideous virus of xianity, the twin of communism. This ensures the traumatized populace is again under Jewish control.

Then, people go to that evil church and study and memorize, imbed that fucking bible and it works. We really need to wake everyone up as time is running out. If one gets to the root of all of this and can see with open eyes, the Jews work to ruin everything from sexual pleasure to Gentile civilization itself. The website Vatican Crimes is up and running again:

<http://www.vaticancrimes.us/>

This website is not affiliated with JoS, but is an excellent news source for everyone.

People [xians and muslims] who tie into this energy in truth turn evil, all the while the lying xian/muslim/jew assholes blame this on Satan. The news

in the above is nothing new and has been going on for centuries. Nearly every war was either directly or indirectly incited by xianity. Every ugly thing on this planet, including factory farming has its root in the torah...curses damning Gentiles and all. Like the lying slogans repeated and force-fed to the people of communist countries, it is the very same with xianity. The Jews know that the more a lie is repeated and pushed, the more it can take hold in the minds of the populace regardless of how insane it is. North Korea's slogan "We have nothing to envy" is a prime example when most of the population lives in the most deplorable conditions imaginable and is viciously used for slave labor. No electricity, no internet, food is scarce, and even a pencil and paper are an extreme luxury. Access to knowledge is cut off and the populace only knows what they are told. This is no different from the xian church during the Middle Ages. In order to see if something is good or evil, one needs to give it power.

Satan and Our Gods are certainly NOT evil. This is another slogan that lying and deceived xians keep repeating that Satan is responsible for all of the evil, which is a HUGE LIE and deceiver. If one opens one's eyes, we all know YHVH is the deceiver. Read the fucking bible for what it is, and never make excuses for it. People tie into xian and muslim energy and do heinous things. The xian church was built upon torture, mass murder, genocide, and the lives of millions of people who have suffered horribly, all for the Jews. How science has been held back and only when the Jews were expelled from Western Europe and headed to the East, did Europe experience a true revival, that of the Renaissance.

If you are open enough, and know about Judaism, you can easily see how this crap is not only firmly imbedded, but perpetuated every single year. Their weekly torah readings and their holidays, all acted out in a mass ritual around the world. In addition, all of the Pagan/Gentile holidays have been hijacked and turned into Jewish filth, like the Yule season for example- the slavish worship for the coming of their messiah- that foul nazarene. This is to ensure Gentiles pay with everything they've got- money, soul, life energies...fleeced and stripped down to nothing. And...if one does not have enough, as with money, one is punished severely.

This has got to be stopped. All that filthy bible does and has done is bring misery and damnation to everyone, while lying endlessly and promising a

"paradise," no different from Jewish communism. Both promise a utopia and deliver nothing but unimaginable deprivation and suffering, along with destruction of knowledge, intellectuals and the pushing of endless lies in order to create a slave state that parallels factory farming- another Jewish invention.

Some people here are lazy and don't care. Satanism is a religion of the self in the way that the soul we save is our own. Satanism is NOT "selfish" or me, me, me... This is another xian perversion and corruption. All of us must do these forthcoming rituals. Unless we do something now, in the future, everyone will pay. Now, we have a chance.

In closing, a member wrote to me a few days ago and asked concerning leaving anti-xian messages in public places. I replied the best way is to print off a bunch of slips, like 20 to a page with [www.exposingchristianity.com](http://www.exposingchristianity.com) on them and leave them in bibles and libraries and other public places, but be careful not to frequent too much, as the enemy will try to keep a watch. People must wake up. Right now, we have a chance with the internet.

I will be working on the reverse torah rituals [which seemed to have done them a lot of damage, as their entire program revolves around that filthy torah]. When all of the rituals are completed, I will upload them all to a zip folder as well as post them as we do them in the updates section.

Subject: Re: Sermon 1/July/2014

I need to further elaborate for people who are new and/or confused here regarding my earlier reply [below- the beginning of the thread is at the bottom of this page]. I am posting this to all of the e-groups as this is relevant.

The number and the standard INTERPRETATION of the "Devil" card in the Tarot does not conform to Satan, not literally anyway. Tarot meanings used in fortune telling and divination have to be adapted and a large part of this also has to do with the experienced reader and his/her own interpretations. Experienced Tarot readers know that cards can have meanings way outside of what is given in the books. This comes with years of experience and a good Tarot reader is also psychic.

15 [1 + 5 = 6 in numerology] is NOT a number of Satan. The Jews use the number 6 prolifically and if you watch the news and read their writings on world events, 6 keeps cropping up incessantly. Also, the Devil card is not of Satan, but of the enemy. I learned a lot on the job over many years. Always remember what the enemy accuses Satan of; "the Devil," is really their own "god" yaweh/jehovah. "A murderer and a liar from the beginning" "the deceiver."  
Satan doesn't conform in any way to judeo/xian filth. "Satan" in Sanskrit means "Truth."

Also, as many of you already know; the number 666 IS of Satan and has an entirely different meaning from 6 or 66, which are incomplete numbers and numbers of bondage and slavery. 666 is perfection of the soul and is the kabalistic number for the Astral Sun; the Black Sun, which is sacred to Satan.

As I have stated so many times before, Satan and his Demons are NOT evil. Anton LaVey stated a major truth in the "Satanic Bible" when he wrote that "Good and evil have been inverted by false prophets." This is a fact, regardless of what some people may think of Anton LaVey.

Given the history of Christianity, any idiot can see that the more deep one descends into this nefarious and truly evil program, the more truly evil one becomes. Look at the Inquisition for one, and just how truly hateful, resentful, and judgmental most devout xians really are. Of course, there is always the 5 percent that does not conform to the other 95 percent. I am talking the majority here, meaning devout Christians. Many idiots out there only call themselves "Christian" but are so stupid they don't even know what xianity is really all about.

As for helping the poor and xian charity, xianity creates the problem by imbedding in the minds of the followers [usually compulsory] and even others that poverty is a virtue. This takes a hold on the subconscious mind and the soul and this can last for lifetimes unless it is intentionally removed from one's soul and replaced with a healthy attitude and respect towards money and materialism. Of course, this ploy was put into action so that all wealth and power is in the hands of the Jews, as is with their torah and their Talmud and also the Old Testament of the xian bible. The entire theme is nothing spiritual, but only a powerful subliminal of Gentile lands being looted, burnt to the ground, mass murder, torture and of course the Jews taking all of the women and children as slaves after murdering all of the males and keeping the booty for themselves.

Quote from the Talmud:

"Schulchan Aruch, Choszen Hamiszpat 348:

"All property of other nations belongs to the Jewish nation, which, consequently, is entitled to seize upon it without any scruples."

Of course, the Jews will try to lie their way out and claim this is all "forged by anti-semites" etc., but all one needs to do is to pick up a copy of the Old Testament which is in every Christian bible. It's all in there. The torah is very similar to the Old Testament. The Talmud is a rabbinical commentary on the Torah. The Talmud goes much deeper into the Torah and comments and elaborates the many minute details of the Torah. The Talmud is like an encyclopedia and has many volumes. The verse below [you can check this out with any online bible, it is right there]. Below is the King James Version, which is the standard bible, and the verse refers to Gentiles at the hands of the invading Jews. Most people don't bother to really think and research Judaism, what the torah and what the Talmud are and see for themselves, even though it is in everyone's face nearly every day in one way or another. It is right there in the bible.

Deuteronomy 2:33

And the LORD our God delivered him before us; and we smote him, and his sons, and all his people.

2:34

And we took all his cities at that time, and utterly destroyed the men, and the women, and the little ones, of every city, we left none to remain.

Here is another:

Numbers 31:7

And they warred against the Midianites, as the LORD commanded Moses; and they slew all the males.

Numbers 31:8

And they slew the kings of Midian, beside the rest of them that were slain; namely, Evi, and Rekem, and Zur, and Hur, and Reba, five kings of Midian: Balaam also the son of Beor they slew with the sword.

QUOTES FROM THE JEWISH TALMUD:

Yebhamoth 11b: "Sexual intercourse with a little girl is permitted if she is three years of age."

Nidrasch Talpioth, p. 225-L: "Jehovah created the non-Jew in human form so that the Jew would not have to be served by beasts. The non-Jew is consequently an animal in human form, and condemned to serve the Jew day and night."

MAKING SLAVES OF THE GENTILE WOMEN AND CHILDREN:

Numbers 31:9

And the children of Israel took all the women of Midian captives, and their little ones, and took the spoil of all their cattle, and all their flocks, and all their goods.

31:10

And they burnt all their cities wherein they dwelt, and all their goodly castles, with fire.

31:11

And they took all the spoil, and all the prey, both of men and of beasts.

QUOTE FROM THE JEWISH TALMUD:

18. Tosefta. Aboda Zara B, 5: "If a goy kills a goy or a Jew, he is responsible; but if a Jew kills a goy, he is NOT responsible."

The enemy works overtime trying to confuse our people and the entire world. Jews also spend most of their lives learning the finer points of argument. This is what they learn in their yeshivas. They value argument because as

they one can see what they are doing and have done with our legal system, when a group spends their time arguing, no decision is reached and no action is taken. Meaningless arguing is a deterrent and nothing more. This is as it is in the study of philosophy, where a question often leads to another question. The Jews know this well and abuse it accordingly. In addition, there are times when one argument may win out but may not be the best possible solution to a problem.

I have done years of research and spend most of my time studying when I am offline. Unfortunately, most people lack the necessary knowledge, especially many of our own Gentile people who are indoctrinated to spend their time in front of the jootube TV and the rest in church activities. There is a Jewish joke I read when studying Judaism: A Jewish "dropout" is a Jew who didn't get his/her PhD.

To get to the bottom of all of this is not easy. It requires years of intensive research and study and above all...Satan. Satan, Lilith and Demons who have worked with me have shown me many truths and have guided me in my studies. Also, I am very grateful as they have allowed myself and many dedicated others here to establish friendly relationships with them. They do not hover and hide behind a cloud like YHVH.

Without their direct involvement with us, most of us would remain forever confused and lost. When one truly gets to know Satan, Lilith, and our other Gods, one will know they are NOT evil. Just their working with us to rid this sorry world of Christianity, Islam and of course its Jewish root along with the communism program that goes along with all of it. Both Satan and Lilith have openly expressed deep concern and much compassion regarding how so many have suffered horrifically under communism. Satan and Lilith and our Gods of Hell also are deeply concerned about animal welfare, the environment and many other problems we are shackled with because of the Jews.

In contrast, the communist regimes have completely ruined the environment in many countries they have totally trashed before they fell. Animal rights, along with human rights are non-existent with the communists and this also of course speaks for the root of Christianity. Christians live for their death, so it is no wonder they could care less about the earth, or anything else living on it. Also, as I mentioned before- as they worship and tie into

such negative, destructive, life-hating and human-hating energy, it is no wonder they commit the crimes that they do.

NO! This would make the entire deck invalid. It won't cause you any attacks. It exposes the enemy for what it really is. It is derogatory. This is very different from having xian icons and other assorted filth that is praising the enemy.

I know this gets confusing, as everything that YHVH really is, they apply to and try to blame on Satan. The main thing to always remember is the NAME. Satan means truth in Sanskrit as most of you know.

Words are extremely powerful. I read where some of those Hindu gurus get flack from certain people in their audiences when lecturing, etc. This sort of harassment is more than likely from Jews as they are open to anyone and everyone. Anyways, this doctor who was important in the way of personal prestige began heckling the guru and told him he thought the power of the spoken word was nonsense and in reality held no influence. The guru replied to him by calling him a mutherfucking son of a bitch in front of the entire audience. The Dr. was very upset, insulted, shocked and appalled and began to leave and then the guru replied- "see what I mean?"

It is very important to always remember to call Satan and our Gods by their names. Satan is fine with us calling him Satan. He also goes by Lucifer, Ea, Enki. "God" is too broad a term and with the enemy having taken a psychic hold on that word, I would never use it, even though we know their "god" is false and is everything they accuse Satan of being. Always keep the names straight and you will be fine. I have always called him "Satan" as there is absolutely NO confusion of whom I am referring to. I also note that Jews have a very difficult time even saying the word "Satan."

Also, the word "Devil" comes from the Sanskrit word "Devi." "Devi" is the Sanskrit root-word of Divine.

Always treat your Tarot cards with respect, and keep them wrapped and in a

safe place. They are sacred.

Since the devil card is not of Satan should I get rid of it? I don't want to sleep on it if it's going to cause enemy attacks or something.

I wanted to hear your guys opinion on this guy. I read his autobiography, "My Awakening", and it had alot of good information in it. Now I have begun reading another one of his books, "Jewish Supremacism". The way he sounds in this one worries me. Not only does he still confess his christianity, but he double talks about jews. On the one hand he tells all about the evil of the jews, israel, and zionism, then he turns around and says he doesn't hate anyone and not all jews are bad. He even freely admits to getting some of his info from Dr Israel Shahak, a supposed holocaust survivor and israeli citizen. All of this worries me that he might be a plant or he may have been compromised. So I am wondering if I should get rid of all my David Duke books.

It is up to you if you want to keep his books or not. As a friend of mine once stated "Even a broken clock is correct twice a day." The problem with Duke is that not only is he a Christian, but he KNOWS the truth, but denies it while perpetuating lies. Not only that...he may be part Jewish, himself, as I have heard that he has had plastic surgery to cover it up, AND, he is on the Jewish payroll.

A good example- Satanists who are REAL Satanists are not against homosexuality [not to be confused with so-called "gay culture," which is another Jewish sham], as we are not Christian fundamentalists. Yes, the Catholic Church and some liberal denominations of Protestantism are changing with the times, but they are using left-wing Christian politics, while anyone who opposes homosexuality does not have a leg to stand on because all they have is right-wing Christian politics [whether they admit that it's Christian or not]. Left-wing Christianity and right-wing Christianity are simply uncomfortable bedfellows. Dukewitz is a strong Christian [Jewish] opponent of homosexuality, and my point is that Satanists should not follow his example. My other point is that just because the left-wing communists are using homosexuals as useful idiots, the whole "marriage equality" crap is just communism using homosexuals as a means to an end, and ultimately want to take the homosexuals they use, down with them, as they know their time is running out, as communism has failed.

So-called "gay politics" used to be the other way around, in that homosexuals were traditionally on the right-wing, as far as organic Paganism [Satanism] goes, while their Christian opponents were on the communist left-wing. The Jews who are at the top are using communism to get homosexuals killed by the rise of the Christian Taliban who looks at homosexuality being shoved down their throats by the Jewish media until these Christians say "Enough, enough, enough."

Anyways, I have Duke's "The Secret Behind Communism," and "Jewish Supremacism." I'm not about to throw them away, as both contain useful information when separating the wheat from the chaff. Shame on Dukewitz for playing an agent of the Jews, while claiming to be for our cause, however.

Christianity + Satan's Will = Disaster.

Just ask long time activist's in the White Nationalist scene about Duke. He has a long history of lies, cheating and stealing from Pro White people. He was know to have literally blown a million dollars of the contributions he received for one the organizations he was running on gambling trips and apparently cocaine and hookers. He also constantly from statements pushed himself sexually on the wives and girlfriends of White Nationalists as well when he would finally go broke he would just sell his membership list to the enemy organizations giving away the personal information of thousands of his White supporters.

Duke was put in jail for a slap on the wrist term in a medium security jail. For openly defrauding his White supporters which he pleaded guilty to. Here you can see Duke is an agent they only give him a tiny slap on the wrist and he was right back out no hassles. A real WN leader would have the book thrown at him and would still be in jail. Duke has spent most of his current time in Europe living in Switzerland and places where off his followers dime. Note he is never actually hounded by the authorities in any of these places either where many Nationalist are put in jail. The kike media never mentions his jail time when they interview him as he is there agent.

Duke has had many plastic surgeries to cover up his jewish features and they still are notable. The photo of him in a Nazi uniform protesting form the early 70's before he was known. Before the plastic work. you can see his obvious jewish features This is why Duke as mentioned has always been the go to man for the jewish media even back in the 80's. They want to give him the attention to built up followers for him and he will lead them nowhere and snitch them all over to the enemy. While draining their funds and giving them misinformation. His partner Black who might be jewish. Is using Strom front as open shakedown operation to make money. Any mention of Satanism is banned there as well as most Paganism in general. But xians are allowed to roam free range. They also tried hard to silence 911 truth on that forum.

Note Duke never would mention the jews did 911 even after the 911 Missing Links documentary had been out for years. Only after people starting noticing this and talking did he do a quick possible nod to it might have been the Zionists [never the actual jews the bad cop title is Zionist as HPS Maxine stated with him] and left it at that. He also will not touch the Holyhoax despite his trip to Iran. The holyhoax is the jewish big card. And he tries to slander the National Socialist Government of Germany by comparing it to the ugly jewish state of Israel.

In-between this he spends most of his video's telling everyone repeating over and over how wonderful jews are and all his jewish friends. Its is a common tactic to confuse the Goyim by creating false sides allowing the majority of the jews to slip by and even control both sides as is now happening. The jews are trying to do this be setting up the Zionist label and trying to divorce from meaning jew. Not all jews are bad just those mean Zionists. Note the Zionists jews promote their fellow anti zionist jews in this game as well. They are all working together. Duke promotes the typical reverse psychology the jews have always used its a new martin lutherwitz in this sense. Which leads into him as mentioned promoted xianity up and down. HPS Maxine is right I have seen this myself from having been in White Nationalism the enemy always pushes xianity. The two biggest xianity promoters at one point Hal Turner and VonBluven. Turner turned out to be a FBI informant and VonBluven's real last name is Levin and he is obviously a racial jew. This goes on and on.

With Richard Butler note his dual seedline CI which is from British Israelism which was created by kikes back in Europe. Butler's addition into this to create the dual seedline theology especially in that time he started could only have come from a person who had intimate knowledge of the jewish religion especially their Zohar as this is where he took this from. At that point only kikes studied things of that nature. So this is revealing as to Butler.

This is a petition to take off from power the Jewess Dilma Rousseff and her "workers party" (a front party for Communism). That is official petition and went to Brazilian senate, and can come true as Brazilians did already an impeachment for ex-president Color de Melo.

Here is the link for the petition:

The situation is grave, Dilma is for Brazil what Putin is for Russia and there are many poor and ignorant people who will suffer much more, as well as the Aryan born Brazilians who pay the most.

Here is a post I made about it: <http://josministries.prophbb.com/topic6457.html>

Below is a reply to a member of the Teens4Satan e-group and an article on Halloween I wrote some time ago after doing research on the origins of this special and most fun holiday.

Halloween is a wonderful time of year and a holiday that encourages personal creativity. Halloween is also a good time to communicate with the spirit world. This is in fact scientific as the earth aligns a certain way that makes spirit communication much easier.

Enjoy yourselves everyone, HAIL SATAN and a Happy Halloween to you all!!

Or do I avoid it all, sit back in a traditional Satanic bonfire with a few buddies?

---

Halloween is by far, my favorite holiday. Feel free to enjoy and celebrate. The only thing to avoid is dressing up in some "devil" costume with the horns or anything else that makes a mockery of Satan. Use your imagination. I used to paint my face up as a skeleton when I was much younger and put on a black top hat and I made a wig from xmas tree string-like tinsel and then put on a long black robe. Also, there is nothing wrong with wearing horrifying or spooky masks or anything else, as long as you are not wearing some devil costume that is a mockery of Satan. Anything else goes. Watch horror movies, indulge in treats...enjoy!  
Here is an excerpt from an article I wrote many years ago concerning Halloween:

\*\*\*

Let's turn the tables here. You know if the nazarene wasn't such a sorry joke, with all the blood and gore, he is actually scary.

For starters, a lightweight wooden cross, hollowed out on the inside can be equipped with a small sliding door where candy and other treats can be inserted. In addition to acting as a candy receptacle, the cross can be used to defend against thugs who, through laziness would rather rob legitimate trick-or-treaters of their hard earned candy than go door to door like the rest. A neon crown of thorns can be wired to a nine volt battery, blinking on and off, followed by lights circling around the head in different colors. Another battery can supply a small, though loud, speaker booming out church organ music, every so often intercepted by- "have you heard the good news?" "His pain, your gain" "have you been saved?" "Jesus loves you" "this is my son in whom I am well pleased." This way, one can hear the nazarene coming for blocks and get the basket of candy ready at the door. A placard can be attached to the back of the trick-or-treater, advertising: "CALVARY OR BUST!" Fake blood tubes can be hooked up to the palms where they can squirt

stingy people who refuse to insert treats into the door on the cross. Fake blood must also be applied to resemble the stigmata and other gore. If one really wants to get elaborate, a whip can be included.

## Samhain/Halloween

For those of us who are very close to Father Satan, we are all well aware that he is fed up with all of the Judeo/Christian claims and statements concerning what Satanism is about, how we celebrate and worst of all WHAT THEY CLAIM HE IS ALL ABOUT.

SATAN IS NOT A HALLOWEEN MONSTER  
SATAN IS NOT A VAMPIRE, SPOOK OR GHOUL  
SATAN DOES NOT HAVE RED HORNS AND A TAIL  
SATAN IS NOT ABOUT GRAVEYARDS, GRIM REAPERS, SKELETONS OR ABOUT HORROR.  
THIS TRASH COMES FROM CHRISTIANS. IT IS USED TO BLASPHEME, DENIGRATE AND RIDICULE HIM. THE SAME GOES FOR HIS DEMONS.

For many of us, Halloween is a favorite holiday. I, myself love horror movies and such. The point here is how these have been twisted to portray a false and insulting image of Satan and the Original Gods (Now labeled as "Demons").

Ask yourself how you would feel if people put on hideous masks and went out as either you or a family member of yours or a loved one.

Father Satan should be respected on this date, not mocked by those who believe in and honor whatever Christianity dictates he is. How long do you think someone would last going out dressed as the Nazarene? Chances are, they would be attacked by some fundie Christian.

Or, if Hollywood was to produce a movie depicting the nazarene and his ilk as hideous monsters.

Halloween is a great time for costumes, monsters, and ghouls, images of death and such. A time to be creative and indulge. It is one of our major holidays, but the negative images denigrating Father have to go.

He is tired of it and has let the clergy know he does not approve of these insults. For far too long, too many Satanists have gone along with the CHRISTIAN ideas of Satan and his Demons; what the CHRISTIANS allege them to be and what THEY claim our religion is all about, instead of seeing Satan for WHO HE REALLY IS without all of the Christian false and twisted overtones.

#### ABOUT SAMHAIN:

The holiday known as "Halloween" was originally called "Samhain" a Celtic word meaning "Summer's End." In ancient times, religions were based upon nature, where humanity lived in tune with the earth, the change of seasons, and the changes in the stars in the sky. This is the essence of Satanism; what is natural.

The major cycles of the year and the crops were important times for festivities, rites, and celebrations. Samhain was a time of harvest and the end of a year, a time of preparation; storing crops and preparing for the dead of winter. The eve of November 1st was the eve of the Celtic New Year. This holiday was a time of harvest, a time of endings, death, and dying, as plant life died and the cold set in. Samhain was also a time of honoring the dead. The Druids built huge bonfires, which they considered sacred, in honor of the Celtic New Year.

There was a prevailing belief in the existence of a Celtic God of the dead known as 'Samhain'. With extensive research and study accomplished by many scholars, nearly all agree this God was non-existent.

Nearly all of the sources mentioning a deity of death known as "Samhain" are CHRISTIAN and they have (as usual) NO legitimate references to back up their claims.

Samhain was celebrated for centuries before the Christian takeover of Pagan holidays. To the intruding Christian religion, any Gods of the old faith were considered "evil" and therefore especially unwelcome at a time of "danger" for the "soul of any good parishioner." This was why Christians suppressed the deadly rite and replaced it a day later with 'all soul's day.'"

Trick or treating originated in Ireland as beggars went door to door on

October 31st, asking for handouts. The gifts were for "Muck Olla" a God who was said to destroy the house of anyone who was not generous.

Jack-O-Lanterns also had their origin in Ireland; named for a man named "Jack." The story goes that Jack was a miser and when he died, he was not allowed into heaven and he also played jokes on the Devil, so he was not admitted into Hell either, but was doomed to walk the Earth forever. He only had a little lantern to light his way and this is why he came to be called Jack-O-Lantern. Of course, the spooks, vampires, and ghouls were associated with this holiday because of the natural human fear of death and Samhain was a holiday of death.

\*\*The above, as I already mentioned, I wrote many years ago. From what I have learned since, Samhain/Halloween is much more important than the above supposed meanings and legends. There are specific times of the year when rituals and such are greatly empowered, as with the Magnum Opus. We don't have all of the information regarding the dates for the Magnum Opus yet, but Samhain/Halloween is another very important stage and definitely factors in.

Subject: Origins of the Races

Below is my personal theory of the Origins of the Races. I bring this up to be corrected on parts that might not be right. If anyone has links to info on this please post them.

Only two races are 50/50 human and alien.

White race = 50% Homo Erectus / 50% Nordic

Jewish race = 50% White race / 50% Grey

Black race = 0% alien dna, evolved naturally from Homo Erectus

Asian race = 75% White race / 25% Black race

Dravidian(India) race = 50% White race / 50% Black race

Native Americans, Mayans, Incans, and Aztecs = ????????

Subject: Re: Origins of the Races

There are many different races that contain Jewish blood. There are White, Asian, Indian, and Negro Jews. It is the International Jew; a race within all races that is the biggest boil on our asses. The non-Jewish Negroes, as well as the other colors, were genetically engineered by Satan and his Demons/the Nordic Gods, while the White race are his offspring. Despite the deliberate flaws of the Jewish author, read the Lost Book of Enki, which details how the White race used to be Gods, but we lost our immortality due to race-mixing.

It must be said that the Jews were not included as one of the races created by Satan and his Demons. This vile race of leeches, lizards, and mosquitoes, that are found in every color, were genetically engineered by the Reptilian race of ETs. The differences seen in various Jews are due to different combinations of genes. It doesn't change the fact that all Jews are a vicious, human-hating mind-hive.

Unlike what the Christians and Christian Identity teach, the Jews are not, and never have been, of Satan, and he will also never "adopt" a Jew into his family.

Subject: 01/November/14: Exposing More Spiritual Corruption

As many of you here already know, Freemasonry was once of Satan. But not any more. This all changed with Jew Mayer Bauer/Rothschild. He ingratiated himself to Freemason Prince William IX [this is how they manipulate and gain control of Gentiles [it is in their bible with the story of Esther and many others and is a subliminal, which opens a door for the Jews on the material plane]; "It was during this same period that the metaphysics of the Jewish Cabala began to fuse with the traditions of Freemasonry."

The above quote states about the Jewish cabala, but this is actually a euphemism for spiritual hijacking and corruption.

Freemasons and authors Christopher Knight and Robert Lomas traveled to various historic places and Masonic lodges in Europe and did extensive research and of course they found quite a few major Masonic rituals had been removed from Freemasonry with no trace. Unfortunately, with the hijacking of Freemasonry by the Jews, it is no more nowadays than just another communist front.

Centuries ago, when it was of Satan, it was very spiritual. A 33rd degree Freemason was one who had his serpent fully ascended and in those times,

high-ranking Freemasons would communicate telepathically. In modern Freemasonry, again, the bible is used as a powerful subliminal.

"After the candidate is brought to light, the Master addresses him as follows: "Brother, on being brought to light, you first discover three great lights in Masonry, by the assistance of three lesser; they are, thus explained: the three great lights in Masonry are the Holy Bible, Square and Compass. The Holy Bible is given to us as a rule and guide for our faith and practice..."

Illustrations of Masonry, by William Morgan, [1827]

The Temple of Solomon is another ALLEGORY that the Jews hijacked and corrupted, making this into another fictitious Jewish character.

THE TRUE MEANING OF THE "TEMPLE OF SOLOMON" IS THE SOUL.

666 is the Kabbalistic square of the Sun. 666 is the all-important solar chakra. The true meaning of the "Temple of Solomon" is the TEMPLE OF THE SUN. Please Note: The true meaning of the "Temple of the Sun" is spiritual. The Jews completely corrupted this. "Sol" "Om" and "On" are all words for the Sun. "Sol" is the Latin word for the Sun and is close to the English word "soul." "Om" is a name given by the Hindus to the Spiritual Sun and "On" is an Egyptian word for Sun. The symbolism of the Temple of Solomon was stolen by the Jews and corrupted into a fictitious character, as with the fictitious nazarene and nearly everything in the Judeo/Christian Bible.

What this has done... By establishing a connection to the bible as every modern Freemason does when joining, this ties directly into the subliminal, giving it power. This is what the Jews have done in regards to the "Temple of Solomon" FOR ONE. This is only one example of the endless spiritual hijacking and corruption and why we are where we are at today:

Solomon had unimaginable vast wealth. The "Temple of Solomon" symbolizes the Jewish people (Israel) as a whole.

1 Kings 4: 1 So king Solomon was king over all Israel.

20 Judah and Israel were many, as the sand which is by the sea in multitude, eating and drinking, and making merry.

21 And Solomon reigned over all kingdoms from the river unto the land of the

Philistines, and unto the border of Egypt: they brought presents, and served Solomon all the days of his life.

22 And Solomon's provision for one day was thirty measures of fine flour, and threescore measures of meal,

23 Ten fat oxen, and twenty oxen out of the pastures, and an hundred sheep, beside harts, and roebucks, and fallowdeer, and fatted fowl.

24 For he had dominion over all the region on this side the river, from Tiphshah even to Azzah, over all the kings on this side the river: and he had peace on all sides round about him.

25 And Judah and Israel dwelt safely, every man under his vine and under his fig tree, from Dan even to Beersheba, all the days of Solomon.

26 And Solomon had forty thousand stalls of horses for his chariots, and twelve thousand horsemen.

27 And those officers provided victual for king Solomon, and for all that came unto king Solomon's table, every man in his month: they lacked nothing.

28 Barley also and straw for the horses and dromedaries brought they unto the place where the officers were, every man according to his charge.

29 And God gave Solomon wisdom and understanding exceeding much, and largeness of heart, even as the sand that is on the sea shore.

30 And Solomon's wisdom excelled the wisdom of all the children of the east country, and all the wisdom of Egypt.

31 For he was wiser than all men; than Ethan the Ezrahite, and Heman, and Chalcol, and Darda, the sons of Mahol: and his fame was in all nations round about.

32 And he spake three thousand proverbs: and his songs were a thousand and five.

33 And he spake of trees, from the cedar tree that is in Lebanon even unto the hyssop that springeth out of the wall: he spake also of beasts, and of fowl, and of creeping things, and of fishes.

34 And there came of all people to hear the wisdom of Solomon, from all kings of the earth, which had heard of his wisdom.

1 Kings 10: 21 And all king Solomon's drinking vessels were of gold, and all the vessels of the house of the forest of Lebanon were of pure gold; none were of silver: it was nothing accounted of in the days of Solomon.

22 For the king had at sea a navy of Tharshish with the navy of Hiram: once in three years came the navy of Tharshish, bringing gold, and silver, ivory,

and apes, and peacocks.

23 So king Solomon exceeded all the kings of the earth for riches and for wisdom.

24 And all the earth sought to Solomon, to hear his wisdom, which God had put in his heart.

25 And they brought every man his present, vessels of silver, and vessels of gold, and garments, and armour, and spices, horses, and mules, a rate year by year.

26 And Solomon gathered together chariots and horsemen: and he had a thousand and four hundred chariots, and twelve thousand horsemen, whom he bestowed in the cities for chariots, and with the king at Jerusalem.

"Solomon" also had several hundred wives and an overabundance of everything else.

Ok, now what becomes of the Gentiles? Read on...

1 Kings 9: 20 And all the people that were left of the Amorites, Hittites, Perizzites, Hivites, and Jebusites, which were not of the children of Israel,

21 Their children that were left after them in the land, whom the children of Israel also were not able utterly to destroy, upon those did Solomon levy a tribute of bondservice unto this day.

22 But of the children of Israel did Solomon make no bondmen: but they were men of war, and his servants, and his princes, and his captains, and rulers of his chariots, and his horsemen.

The Gentiles who were not "UTTERLY DESTROYED" by the "Children of Israel" were made into SLAVES. GET IT??????

The Gentile Gods enslaved by the Jews and viciously abused, following with the mass murder and enslavement of the remaining Gentile people. Asmodeus explained to me that the biblical "Temple of Solomon" is the "empire of the Jews."

To further elaborate, the character "Hiram Abiff" is another allegory. Note "HIRAM" is a very ancient mantra for the Sun. The Black Sun [astral Sun]. Hiram ties into the freemason Hiram Abiff. "presented to all candidates

during the third degree in Freemasonry." Note THIRD- the third solar chakra. The gold chakra. The Sun chakra, which is also symbolized by the swastika.

From Wikipedia [http://en.wikipedia.org/wiki/Hiram\\_Abiff](http://en.wikipedia.org/wiki/Hiram_Abiff)

Hiram Abiff (also Hiram Abif or the Widow's son) is the central character of an allegory presented to all candidates during the third degree in Freemasonry. Hiram is presented as the chief architect of King Solomon's Temple, who is murdered in the Temple he designed by three ruffians during an unsuccessful attempt to force him to divulge the Master Masons' secret passwords.

---

NOTE: "Hiram is presented as the chief architect of King Solomon's Temple." In other words, the solar chakra symbolized by the Satanic inverted cross, is the source of the magnum opus and the powerhouse of the soul. This is also symbolized by Thor's Hammer.

The solar chakra is the "architect of the soul." All energy to empower your soul comes from this chakra. The solar chakra being located near the navel is also the spot where we were first nourished and given life in our mother's womb. Hiram Abiff is not a character, but a CONCEPT. The "secret passwords" are the mantras and words of power that awaken and empower the chakras.

All of the ancient Pagan religions placed emphasis on the Sun. The Sun is the giver of life and this also includes the astral Sun of the soul; the "Temple of Solomon." The solar chakra also plays a key role in the magnum opus.

Now, with the hijacking and corruption perpetuated by the modern Masonic rituals, these ensure that again, in addition to the deluded xian programs and their muslim ilk, that Gentile spiritual energies are diverted to Jewish interests and support these with their Gentile energies. Everything in the above is quite clear, though the Jewish lies and their explanations are what most people and modern Freemasons accept without question.

Original Freemasonry centuries ago was based upon the rebuilding of the Temple of Solomon, meaning, working towards spiritual advancement and the

magnum opus. The same goals we Satanists are working towards today.

European rabbis called on governments throughout the continent to pass laws targeting hate speech against Jews.

The call was made in a resolution passed Thursday by the standing committee of the Conference of European Rabbis (CER), which convened this week in Tbilisi, Georgia.

"We call on additional countries to follow the example set by France and Germany, and devise legislation that targets hate speech against Jews specifically," CER President Rabbi Pinchas Goldschmidt told JTA Friday.

"It is something that few countries have, but is necessary in light of the rise in anti-Semitic violence and hate speech, as we have witnessed this summer," Goldschmidt said in reference to a surge in anti-Semitic expressions throughout Western Europe that coincided with Israel's war in Gaza.

The fight against attempts in Europe to ban non-medical circumcision of boys and kosher slaughter of animals was also a high priority for the committee, Goldschmidt added.

A draft resolution calling for the establishment of an inter-European authority that would certify clergy to combat religious hate speech was suggested but was not passed by the committee, which has over 25 members.

The meeting in Tbilisi was the first time that CER held an event in Georgia, and it coincided with government-sponsored celebrations of 2,600 years of coexistence between Jews and non-Jews in Georgia.

"We saw banners in Hebrew and Jewish signs all over the city," Goldschmidt said.

CER also met with Georgian officials, including Prime Minister Irakli Garibashvili, who, at 32, is one of the world's youngest heads of state.

Garibashvili spoke of his high regard for Israel and Jewish culture during the meeting, Goldschmidt said.

for those of you who are new here, or not onto that scam.

How many Gentiles have received any compensation??????? How many Gentiles endured the worst brutality imaginable under the jewish communist regimes? How many Gentiles were systematically worked to death in jewish run slave labor/death camps like Kolyma ? How many people have heard of Kolyma ? But, everyone hears the kike whining about Auschwitz, Treblinka, Dachau , etc., endlessly.

[http://dawn666blacksun.angelfire.com/Real\\_Death\\_Camps.htm](http://dawn666blacksun.angelfire.com/Real_Death_Camps.htm)

Many of the victims of communism never even made it to the slave labor camps. They either died being tortured for crimes they never committed or died in transport, going in some cases weeks without any food. Who has ever compensated these people? Their families? Their systematically being worked to DEATH LITERALLY. NO ONE VICTIMIZED BY JEWISH COMMUNISM HAS EVER GOTTEN ANY COMPENSATION!! Over 100+ million Gentile lives have been totally destroyed under jewish communism [of which has its foundation in the Judeo/Christian bible].

The article below reveals the jewish supremacy. Also note the emphasis again on their number 6 with the “60 million” in the second paragraph below in the article. Not only are the few remaining kikes [most are dead from old age] on the doles, but also their families and descendants. We Gentiles have to support these rotten parasites. I just replied to a personal e-mail within the ministry regarding how years ago, I was standing and waiting for a bus in the ice cold rain and watched a jewish funeral procession go by. ALL of the cars totaling some 25 give or take were ALL BRAND NEW. YOU PAY FOR THIS!

In addition, just how many military veterans such as those who fought in the Viet Nam War against the communist vermin have ever really gotten any reparations or compensation? The death toll from communist mass murder in SE Asia was in the tens of millions. Those who fought against communism in Viet Nam were vehemently attacked by the jewish controlled press here in the USA and other parts of the world. This is just one... there have been continuous wars where nations fought against this jewish pestilence. No amount of money or so-called “compensation/reparations” can ever satisfy jewish greed.

By performing the ritual [this ritual will be ongoing through the 20<sup>th</sup> of December], we can put a stop to this. You can do the ritual at any time between those dates and as many times as you are able to.

[http://dawn666blacksun.angelfire.com/Dec\\_20.html](http://dawn666blacksun.angelfire.com/Dec_20.html)

Another ritual that can be performed at any time:

[http://dawn666blacksun.angelfire.com/62914\\_Ritual.html](http://dawn666blacksun.angelfire.com/62914_Ritual.html)

Unless we all work to take a stand against this most vicious, vile and completely rotten parasitical race, this kind of major injustice will continue on. Right now we have a chance. Don't waste this opportunity!

US, France strike deal over SNCF role in the Holocaust

American Holocaust survivors who were deported to death camps by the French state rail operator, SNCF, are to receive compensation. A joint US-France fund has been agreed following lengthy negotiations.

Hundreds of Holocaust survivors who were deported to death camps by France 's state rail company, SNCF, during the Nazi occupation will be entitled to compensation from a \$60 million (49-million-euro) US-French fund.

The breakthrough followed at least two years of negotiations. Thousands of people could be eligible for compensation, including nationals of Israel , Canada and the United States .

The announcement on Friday was part of a deal that would see Washington work to end lawsuits and other compensation claims in US courts against SNCF.

The French state-owned company had been bidding for lucrative high-speed rail and other contracts in US markets. However, some state legislators had sought to block SNCF because of its involvement in the Holocaust.

The French Foreign Ministry and US State Department jointly announced the accord for the compensation fund, which will be financed by Paris and managed by the US .

Paris had already paid more than \$6 billion in compensation to French citizens and certain other deportees. The new fund will also provide money for thousands of spouses or descendants of Holocaust deportees who have since died.

SNCF transported around 76,000 French Jews to Nazi concentration camps, though experts still disagree on the state rail operator's degree of guilt. Only 3,000 survived.

The company argued that it had no effective control over its rail operations during the Nazi occupation from 1940 to 1944.

The French parliament will have to authorize each application for the Holocaust compensation, which could take months to be processed.

Jehovah or Yahwe in my personal opinion is an evil god who do not want nothing else to rule over humans and drain their life force energy. I also believe that he is king of a reptilian race of the 5-th dimension named Archons. Archon is the evil race who is responsible for all the evil in our world! They are bloodthirsty exactly like jaws, and the love wars and bloodshed, because then they can drain life energy from more human souls. I think that the Jews have some connection with the Archons and commitments with them. So that's why they worship Yahwe. They do make numerous genocide in his name, and even in the Bible, Torah the talk about it. You can see that Jews are also blood test and they drink blood of humans especially little children. You can find more of these blood sacrifices on the Spiritual Satanist sites where it is exposed the blood sacrifices of little babies and children from 2000 years. Jews also use energy of Christians to cast curses over us!

People have been asking questions regarding the ritual. As of now, 9 December, the ritual can be performed at any time through the 20<sup>th</sup> December, as many times [the more the better] as you are able to.

As for the “second ritual” I mentioned, this is optional, but this one can also be done in addition to the main ritual and this second ritual can be done at ANY time, as many times as you can.

Second Ritual [optional]

[http://dawn666blacksun.angelfire.com/62914\\_Ritual.html](http://dawn666blacksun.angelfire.com/62914_Ritual.html)

The second ritual makes a strong addition to the main ritual and this will be for all of the rituals we will be doing. More rituals like this will be forthcoming.

I agree with Johnson here. After the first battles of the gods("angles" vs demons) immediately after the creation of humans, Father lost a battle. The "angles" then taught the mortals(aka the first jews) lies and deceits causing them to believe in a being that didn't exist. Over time with the power of their prayers they created a powerful thought form known as YHWH(Yahweh)(the 4 letters rep. the 4 elements). Along with its creation, the Jews(later christians) prayer's fueled curses upon Father and the Gods, until around 2006-7 the curses were lifted and the Gods are now stronger than ever.  
Hail Father! Hail Raum!

I don't have the time to watch this crap beyond some 30 seconds or so. First off, why are YOU watching this psychological poison? Most of this trash is along the same lines, to instill fear into those who are not knowledgeable and onto the scams of xianity, islam and that foul rotten root of judaism. I have seen this degenerate filth myself in real life. My question here is... just WHAT is spiritual about this??? All these sadly deluded fools are doing is emoting and carrying on like a bunch of idiots. I remember when I was a teen and attended some fundie crap like that in a basement of a church. It was actually hilarious, but given what these deluded fools and their xian program are doing and have done to the world, it is no laughing matter. Some started to shake, then, they fell to the floor. The kicker was when the guy who was leading this gave the signal it was time to get up off the floor as the program was soon to be over.

Then, there are those demented “snake handlers.” Those are another sorry boil on the ass of humanity. You can see the intense sexual frustration by the sexual gyrations of those snake handlers, moving like they are having sexual intercourse. Quite a few have gotten bitten deservedly and some are six feet under already.

Scared? You need to do some studying and stop filling your mind with this psychologically poisonous filth. Not only that, but that video is over a half an hour long. Don't you feel it is wasting your time? I know I have been researching and studying all of this for many, many years. I can tell you beyond any doubt, it is a gigantic hoax. For one... everything that YHVH jewhova piece of vile excrement is and does is blamed on Satan. That jewhova was a “murderer and a liar” from the beginning. I can tell you the judeo/xian bible is nothing but a powerful subliminal that is effective with those who lack knowledge. It embeds itself and gets a strong foothold in populations where there is a high incidence of illiteracy.

It is the blueprint for communism, which is its twin in every respect, though the clever jews who created it scream and whine that both are enemies. This is to deceive. I also remember those fundies from my teens who kept endlessly repeating “the devil deceives....” Yadda yadda. Well, what xians claim is “god” and what they claim is the “devil” are backwards. Everything they accuse the “Devil” of is actually their own so-called “God.” Begin deceived and also very ignorant of true spirituality, they cannot see this, though it is right in front of their stupid faces if they would really read that stinking bible.

There is nothing at all spiritual about xianity or the program of islam. All xianity is, is a fictitious history of the jews, and ancient Pagan practices and spirituality being hijacked, corrupted and used subliminally for believers to ensure all of their psychic energies are not only under the control of the jews, but also that they are channeled into creating more and more jewish monetary wealth and success and as in the bible “prosperity” beyond the imagination.

You really need to go to [www.exposingchristianity.com](http://www.exposingchristianity.com) and [www.exposingcommunism.com](http://www.exposingcommunism.com) and do a lot of studying. I have one major project that will be forthcoming in the next couple of months or so. This will put the cap on everything in the way of exposing the lie of the xian and muslim programs and their jewish root.

Yes, the jewish race is the master of lies. These people are not stupid, not the ones who have had us Gentiles for the past 2,000 years. They are very clever at lying and deceiving. Many of the jews have an IQ [level of intelligence] above the top 2% of the population. I saw this myself when I joined American Mensa [which is by invitation only after passing a supervised IQ test that proves your intelligence is in the top 2% or above of the population]. They had an orientation that was compulsory to attend. It was in the home of a jewish couple for one and for another, out of some 30

people give or take, I was only one of three, maybe four Gentiles there. This is not to say that Gentiles are not intelligent. The IQs of Nazi leaders were way on top in the genius level and they were onto the Jewish problem. Many Jews are in professional occupations like law. They also know loopholes and brag openly about this and they are very deceptive to an extreme. Each and every page of that rotten Bible has the words "Jew" "Israel" and so forth, creating a powerful subliminal connection which is also enforced with the Jewish-run media. The Jews control over 96% of the media. To deceive the Gentile populace, they claim to be enemies against Christianity. This is such a blatant lie, as they do everything in their power to push it and make it believable. On the other hand, as they work to take control of both sides and work to direct the both opposing sides to the establishment of their agenda, they also have organizations such as the Illuminati and Freemasonry [the Freemasonry was hijacked from the Gentiles and rapidly corrupted], and they try to advertise this Jewish-controlled crap as being of Satan. None of this is of Satan. Masons now-a-days place their hand on the Bible [again to create a necessary subliminal connection] and everything that was once spiritual has been corrupted into the material. "Hiram Abiff" is another CONCEPT. People don't know this and are thus deceived. "Hiram" is a Sanskrit mantra for the sun, which translates into the solar chakra being the architect of the soul.

Knowledge [which IS Satanic] is the key to destroying all of these lies. In closing, names are extremely important. The word "God" is a very generic term. I always call OUR God "Satan." He also doesn't mind being called Lucifer, Ea, Enki, but I have always noted that Jews have a very difficult time saying the word "Satan" as "Satan" means enemy in Hebrew. They also write their shit in Hebrew as most Gentiles don't know Hebrew, and Hebrew is very difficult to learn as there are no vowels. Words are taken in context. Further deception.

Also, ask yourself this... Why if that so-called "God" of the Christians, Muslims and Jews is so almighty and powerful, why does it need to be slavishly focused upon and worshipped???? Why does this extraterrestrial monstrous piece of shit require human energy? That should be a strong warning right there. Human beings have a right to exist in this universe like all other beings without having to be spiritually exploited and viciously used for our life force. Telepathic and other spiritual powers that more advanced beings take for granted; we here on earth are working to have as we have been stripped of these in order to be viciously used for our spiritual energies. Nothing more. There was a time when our Gods had control over the earth and this was called the "Golden Age." It was a time of peace and prosperity for Gentile humanity. With the Christian program, this was the REAL "Paradise Lost" and humanity has unfortunately degenerated ever since.

Subject: Happy Satan's Personal Holiday and the Yule Season

This post is for new people. There is NOTHING Christian about "Christmas." As with everything else in the Christian program, spiritual concepts were hijacked, corrupted and transformed into fictitious jewish characters, places and other related kosher crap for Gentiles to slavishly worship and above all, to create a powerful subliminal link to where Gentile spiritual energies are under the control of the jews who are on top and know the truth about this; Gentile spiritual energies and even life force is channeled into promoting jewish monetary wealth, jewish success and jewish prosperity. Here is more information concerning the Yule Season. If you are new to Satanism, please read. Wishing a Very Happy Yule Season to Everyone here.

---

There is a true and a false with nearly everything and one can see the glaring lie of Christianity in that everything in that foul program is and has been stolen from the original religions, and replaced with imposter characters, places, and rites where nothing spiritual is left. Another example is how fundamentalist Christians have been working to destroy the last Pagan/Satanic practices of the Yule Season and Winter Solstice, such as removing Santa Claus, the Yule tree, and other evidence that reveals the true origins of the Yule and replace them solely with the nazarene and ilk. For more information and research, type in Jehovah's Witnesses into any internet search engine such as google.com and add 'Pagan holidays.' The information about this is extensive and proves beyond any doubt that these holidays have NOTHING WHATSOEVER TO DO WITH CHRISTIANITY.

The fictitious nazarene has nothing to do with xmas. Xmas coincides with the Winter Solstice and the Yule season, the shortest day of the year. December 25th is the birth date of the Persian God Mithra, and the Roman Holiday of Saturnalias. The tree, the decorations, baking, gifts and celebrating have NOTHING to do with the nazarene. These are carry-overs from original Pagan celebrations. The Yule tree is really symbolic of the human soul, with the trunk being representative of the spine, the branches, the 144,000 nadis [pathways of the vril/witchpower/chi], and the lights being symbolic of the nadis all lit up with Satan's Serpentine Energy. The star on top of the tree is representative of the risen Serpent of Satan.

YULE/WINTER SOLSTICE

December 22nd-23rd

Although the Solstice begins on the 21st-22nd of December, the 23rd is a very special Personal Day for Father. The Sun enters the sign of the Goat which represents Satan. The Night of December 22nd- the eve of December 23rd is the Highest Satanic Holy Night of the year. (This was dictated from him personally). It is the day after the longest night of the year. Again we look forward to beginnings, as the days will begin to get longer as the year goes on. This is a time for intense celebration and devotion to Lord Satan. Indulgence, decorating the home, family celebrations and get-togethers. The Night of Dec. 22nd should be spent in dedication to Satan. This is an excellent time to focus on planning for the year. If one wishes to make personal resolutions this is a good time to do so.

The Yule holidays for Satanists are times of indulgence and taking pleasure in the physical and material aspects of life. Actually, xmas trees and wreaths are Pagan in origin, so there is no reason not to celebrate this holiday with our families. Gift giving, baking, decorating. This is what the TRUE Yule season is about, not that filthy worthless nazarene.

---

## The Yule Season

The Yule season is a season of enjoyment, indulgence and feasting.

Cooking

Baking

Gift giving

Decorating

Building snowmen and winter sports in places where there is snow

Tree decorating

Blue lights in honor of Lucifer

Partying

Santa Claus for the kids

Shopping and more.

The Nazarene as you can see has no place in the Yule season. December 25th is actually the Persian deity Mithras's birthday, for one. The Yule was stolen from the Pagans and incorporated into the Christian religion as Xmas. Pagan peoples were celebrating the Yule long before the false program of Christianity forced itself onto the scene. We need to take back our holiday!!

Celebrate and Indulge!!

HAIL SATAN!!

What will you tell the President when you see him?" was my daughter Eva's first reaction when I told her I'd been invited to the White House Channukah party (Actually, it was her second reaction. Her first was, "Take me!"). Kids are innocent that way. They don't realize that when you have over a hundred people crowding the leader of the free world, it's not so easy to get in a word edgewise.

But I got lucky. It's not what I told the President that mattered, it's what I heard him say when few people were paying attention.

After the president made his Channukah remarks and the lighting ceremony was over, he came down to greet the thick crowd of guests along a receiving line.

Because the Glatt kosher lamb chops were so amazing, and my friend Selwyn Gerber and I were completely immersed in the shmooze-with-every-cool-Jew routine prior to the President's arrival, I came late to the waiting crowd, which means I ended up about four rows back.

Here's where my luck kicked in. There was an imposing and tall white-haired gentleman to my right who had a booming voice and was determined to say something to the President (I think he may have had a few single malts, but that's another story.)

So, when the president got closer to us, and I was prepared to launch my very tame, "Mr President, do you have a message you want to share with the Jews of Los Angeles?" line, THE MAN TO MY RIGHT launched the most brilliant Presidential Channukah greeting of all time:

"Mr President," he said in his booming voice, "when I told my Christian friend I was coming to a Channukah party at the White House, he told me, 'I didn't know the President was Jewish!'"

The President let out a serious belly laugh. But in all the commotion of people asking other questions and everyone clicking their smart phone cameras, it was easy to lose sight of the president to see if he had anything to say.

I kept my eyes straight on him. It was clear that the "President was Jewish" idea had intrigued him. After about three or four seconds, as he was walking away, and looking at no one in particular, the President just said, "I am, in my soul."

So, there you have it: The leader of the free world says he's Jewish, in his soul.

Subject: Buddhism The Anti Spiritual Scam On Humanity

## Buddhism The Anti Spiritual Scam On Humanity

Theravada Buddhism is stated to be the original sect and doctrine of Buddhism. What is obvious is there is a lot of talk about Buddhism and its becoming the new trendy, trend. But no actual mention of what Buddhism is as the core of its system and meaning. Just buzz words. The Buddhist Theocrats are also purposely pushing the trendy buzz words and feel goodism. Without telling anyone what Buddhism actually is. Read on to understand why.

Its simple Buddhism states existence is suffering and suffering has an end which sums up its four noble "truths." Which sums up the whole system.

Suffering is existence....what is the opposite of existence? Extinction, what does Nirvana mean in Pali: EXTINCTION.

Buddhism states there is no soul nor eternal I or self. The person is a collection of only five aggravates or elemental forces of a consciousness that simply reform into each new incarnation according to what karma has ripened a restacking of the same deck. These forces are held together by a karmic glue and desire is what causes karma to continue on and solidify the aggravates together keeping one in the wheel of suffering which is existence.

The Buddhist meditation system is basically void mediation and nothing else. Its a form of introspection that allows one to trace the roots of desire and dismantle them within the psyche. So that eventually when they die. The five aggravates will dissipate and they will cease to exist and become totally extinct. This is obtainment of Nirvana which means EXTINCTION.

Buddhism states the biggest illusion and desire that causes one to stay in the cycle of existence thus life. Is the belief one has a soul an eternal I that goes on. Enlightenment in Buddhism is totally accepting the ridiculous belief that there is no self and one does not exist. Ones existence as a self is maya. This belief acceptance is believed to be the switch hit that dissolves the karmic bonds totally and allows for them to reach total Extinction, Nirvana upon death.

Buddhism is a materialistic, annihilationist death cult. That preaches a strange sentimental, radical egalitarianism which is why the current Liberal West finds it so appealing. The ideology preached in the Buddhist Dhammapada is identical to the Sermon On The Mount of Christianity. Which is an enemy program. Which points to who is behind Buddhism. Who benefits from removing spiritual knowledge and replacing it with a paleo, Communistic system.

Now the Buddhist system furthered laid down the following.

The science of mantra and astrology was banned. And the practices of Yoga [Kundalini Yoga is Yoga] where also banned from being taught. The original eight fold path which survived in Tantra which is the esoteric knowledge of the Veda. Was replaced by the Jainist eight fold path. Which leads to nowhere spiritual.

The Tantra texts uniformly agree Mantra is the number one most important tool for enlightenment which Buddhism by order removes.

Its obvious what went on here. They removed the actual spiritual knowledge needed for enlightenment which is defined in the East and West as the

ascension of the serpent [Kundalini Yoga] a large part of the Magnum Opus is based on astrology which in Vedic means the science of light. And replaced it with meaningless materialistic nonsense which leaves a person trapped in the cycle of suffering and does not free them from anything. They stay in a spiritual dormant state and hope for extinction of their being from all existence. As Nirvana.

With the technical or symbolic language of Buddhism its stolen from the original Vedic tradition and corrupted into the opposite meaning. They changed the wine but kept the bottle.

Its well established Siddhartha never existed. He is a stolen and rewrote Sun God.

Something at the locus of this reveals itself quick. The Jewish Therapeutae in Alexandria are the known actual creators of Christianity which as system imposed the same ideology and removal of spiritual knowledge by corruption and alteration of the technical language in the manner found in Buddhism but within a Judaic package. It shows the same behaviour and criminal motivation. As is known the Jews have been in the East for thousands of years.

The Jewish Creation Of Christianity:

[topic542.html](http://www.jesusneverexisted.com/topic542.html)

-----  
<http://www.jesusneverexisted.com/buddha.html>

There are records from Alexandria that indicate the arrival of a steady stream of Buddhist monks and philosophers. They would surely have contributed to the philosophical speculations and syncretism for which the city was noted.

In particular, it seems the original Therapeutae were sent by Asoka on an embassy to Pharaoh Ptolemy II in 250 BC.

Philo Judaeus, a 1st century AD contemporary of Josephus, described the Therapeutae in his tract 'De Vita Contemplativa'. It appears they were a religious brotherhood without precedent in the Jewish world. Reclusive ascetics, devoted to poverty, celibacy, good deeds and compassion, they were just like Buddhist monks in fact.

From the Therapeutae it is quite possible a Buddhist influence spread to both the Essenes (a similar monkish order in Palestine) and to the Gnostics – adepts of philosophical speculations."

86 Year Old German Woman lays charges against the Central Council of the Jews in Germany

[http://justice4germans.com/2014/12/17/8 ... n-germany/](http://justice4germans.com/2014/12/17/8...n-germany/)

Here is a story you won't hear in the "mainstream media" nor the alternative, unless it is first put through the wash and spin cycle. Thus, I will do my best to simply translate and present this important and very newsworthy story to the world for consideration as provided by the original author, whom I shall introduce, as well as provide some context for her perspective, as well as my own.

Frau Ursula Haverbeck, born in 1928, is an 86 year old survivor of the genocidal Allied terror bombing, the Russian onslaught of rape and pillage on Germany's Eastern frontier, the anti-German pogroms and expulsions, and the post-war Morgenthau Plan of mass starvation perpetrated against Germany, the enslavement and mass murder of surrendered German soldiers as well as, of the post-war cultural genocide of the German nation by the criminal victors.

Many today still live in "denial" of these obvious and provable crimes, but no law prevents anyone from voicing their denial, so no one has ever been jailed

for denying these facts. Nor is any notion of "collective guilt and punishment" forced upon the citizens of the nations which perpetrated these monstrous "war crimes" and "crimes against humanity". The peoples of the Allied nations have not been divided, and had their land, culture and heritage stolen. Nor have they been forced to pay reparations to the Germans for this "Unholocaust". No one has ever been jailed for spreading "false news" and "inciting hatred" toward the German people, though it is committed daily in the mass media; in books, films, TV shows, newspaper articles, schools, and in everyday average conversation amongst people everywhere.

Frau Haverbeck is a very learned, lucid and articulate lady, who is in good physical and mental health. She holds several university degrees, including in the field of Education. She, along with her late husband (a professor and former Eastern Front soldier) were both, in past years, very involved with environmental concerns in Germany, and were activists for the preservation of the German language and culture.

On November 20th, 2014, Frau Haverbeck made history by laying criminal charges against the Central Council of the Jews in Germany, under S. 344 of German Penal Code with "False Prosecutions" perpetrated against innocent Germans concerning their "denial of the holocaust" (TM). The crime of False Prosecution is punishable with up to 10 years imprisonment.

In this recent video entitled "The Biggest Problem of Our Time", she cited the ever diminishing publicly acknowledged numbers of Jews who died at Auschwitz, as already acknowledged by official sources, and which can also be read by all on the plaque outside the former Auschwitz camp.

She referred to an article to this effect in the nationally published magazine "Der Spiegel" in 2002. Frau Haverbeck also stated that original NS German documents concerning the exact orders pertaining to the duties at Auschwitz which had been seized by the Soviet Union after the war, were now in possession of the mainstream "Institut für Zeitgeschichte" (Institute for History), and also available to the public for a fee of €124.00 since 2000.

Frau Haverbeck says that "these documents indicate very clearly, in full detail, that the Auschwitz camp was not an 'Extermination Camp', but rather a 'labour camp' for the defence industry, and moreover, that those in charge of its operation were under orders to maintain the health of the prisoners to the best of their ability for the purposes of production, which was essential for the continuing war effort". She adds, "that is what those who worked there and have been accused of war crimes have always maintained!"

"Surely by now" Frau Haverbeck says "an official revision which encompasses these facts should have taken place and that all judgments made against so-called 'deniers' should have been overturned, as the evidence is available which supports their position, but nothing of the sort has happened. Many are still sitting in jail to this day. This puts the onus back on the accusers who continue to claim that 6 Million Jews were exterminated, to show us where the physical evidence is that supports their claim. Where are they?"

Frau Haverbeck stated that "I and others have petitioned every possible government department and branch of justice and have provided them with these documents, and yet nothing has happened. There has been no reply! The reason for that must be that they have no response as they have no evidence, as there was no holocaust".

"If this was an indeed such an 'open and shut case' that is irrefutable, as the courts have ruled over and over again, and which they never tire of telling us,

their case cannot rest upon any so-called 'secret order' . And for them to now have to acknowledge a drastically reduced number of victims is for them also not possible, given the alleged singularity of this event, as the one and the only, and the biggest and most heinous crime ever committed. Then let us consider and compare this with the 'Rheinwiesenberg' (Eisenhower's Death Camps), Dresden, Hiroshima, and horrors experienced by the many millions of German expellees and refugees from the East!"

Frau Haverbeck then goes on to state that "in statements made at Nuremberg, no one testified to the presence of any gas chambers, and that confessions, particularly those of Rudolf Höss, are now well known to have been extracted through unimaginable, excruciating torture, to which anyone would have confessed to the mass murder of millions. No testimony, received by such means, as legal experts know, can be given consideration. Why is it that there should even be such a law as S. 130 that should deny us the ability to question this? And how is it that the entire body of defence testimony and uncountable volume of physical evidence which they tried to provide was completely ignored or destroyed? Such could only have proved to have been incriminating if something sinister had actually taken place. Obviously, they (the prosecutors) could prove nothing, and so these witnesses and their evidence had to disappear."

She goes on to question how this is possible in Germany for the authorities to ignore, and asks whose interests these "authorities" and "academics" etc truly serve? (This roughly the first 10 minutes of the 19 minute long video. I'll leave it there in the interest of time and length.)

In a statement posted on her website, Frau Haverbeck writes:

"After weeks of reading on the internet that 'there was no Holocaust' all processes in which critical-thinking citizens convicted of Holocaust denial under section 130, paragraph 3 of the Criminal Code must now be re-opened .

These citizens have committed no other crime other than that they came to the same conclusions earlier, that there may not have been any such "holocaust", because of their own due diligence and scientific knowledge.

All interested parties should immediately consult the competent courts in order to make them now aware of this new evidence. Then, contact their respective lawyers to clarify as to how to proceed.

It was outrageous what took place after the reduction of the number of victims of Auschwitz, which was officially announced to the public, with no explanation, nor apology for giving false information. Whereas, the 'Spiegel' Editor, who wrote the same thing in an essay based upon the new archival discoveries, etc., has gone unpunished.

Even more serious and incompatible with the rule of law was the simultaneous arrest and jailing of the chemist Germar Rudolf. He had, with his chemistry expertise and his scientific investigations into Zyklon B as a potential gassing agent, come to the conclusion that the holocaust, as hitherto described, could not have happened at Auschwitz.

Now this is unacceptable: on the one side, the documents of the Commandant of Auschwitz show that this was a labor camp for the defence industry and not

an extermination camp, yet the Ludwigsburg Central Office for prosecution of 'National Socialist crimes' has indicted about thirty men, now over ninety years old, on the charge that they had been involved in the extermination camp at Auschwitz, and in the murder of hundreds of thousands of people.

If the German citizen is still the supreme sovereign under the Basic Law in this Federal Republic of Germany, then each of us has a responsibility for the truth, and a right to expect that justice be done. This is the basic responsibility of every citizen. It is, therefore, also the duty of each to also work towards the restoration of law and justice."

Approx. 2,000 Germans are charged each year in Germany under S.130 of Penal Code for "Holocaust Denial" which is punishable with up to 5 years imprisonment and fines, and also has social penalties, as those convicted find themselves unable to work and shut out of organizations, etc. In the media they are demonized and vilified as "Neo-Nazis" and "right-wing extremists". The term "Nazi" is, as I have previously reported, a pejorative term created by the enemies of National Socialism long before Hitler ever came to power, and it is still wielded as a weapon to this day, in Germany and elsewhere, to stifle dissent and discussion, and to incite hatred.

Frau Haverbeck, herself, has been labelled as such and has previously been charged and convicted as a "Holocaust denier" and also with "Volksverhetzung" (inciting hatred) for her efforts to speak out on behalf of the German people who to this day are burdened with the alleged guilt of starting the war, of war crimes, crimes against humanity, and the systematic mass murder of the European Jews.

Questioning any of this in "liberated" Germany is punishable with imprisonment. Presenting evidence to the contrary is not allowed. It is also forbidden in Canada and many European nations. Here is just a partial list of others (Germans and non-Germans) who have been tried, convicted, stalked, harassed and violently attacked for sharing their views and for presenting factual evidence contrary to the official and legally enforced narrative.

Quotes from Frau Haverbeck:

„Wir leben gar nicht in einer echten Demokratie, was man schon daran erkennen kann, daß alle Angst haben. Die Herrscher haben vor dem Volk Angst, deshalb gibt es Maulkorbgesetze, und das Volk hat vor den Regierenden Angst, deshalb wagt es nicht zu sagen, was es denkt.“ ~ Ursula Haverbeck vor dem Landgericht Dortmund, 11. Juni 2007

Translation: "We do not live a real democracy, which one can easily see when everyone lives in fear. The Controllers are afraid of the people, and for this reason, they have made "muzzle laws", and so the people live in fear of those who rule over them. Therefore, the people do not dare to speak their minds." ~ Ursula Haverbeck, before the State Court in Dortmund, 11th June, 2007

„Vaterland und Muttersprache bilden die Grundlage jeder völkischen Entwicklung. [...] Ein Sklave, der seine Ketten nicht spürt, sehnt sich niemals nach der Freiheit.“ ~ Ursula Haverbeck als Referentin im NPD-Bürgerzentrum, März 2010

Translation: "Fatherland and Mother Tongue are the basis for any folkish (German cultural) development. [...] A slave who does not realize he is in chains will

never seek to free himself" ~ Ursula Havenbeck, as guest speaker of the NPD-Citizen Centre, March 2010.

Subject: 1/January/2015

Well, happy new years day 2015 to everyone. Today I'm going to be talking about the degeneration of the United States of America, and possibly countries in similar situations.

There are ridiculous laws in place, some of which almost all of the citizens of the United States, do not know about. Granted, the vast majority of them are Town and City

Ordinances and don't really affect us unless we live in that city. There *\*are\** Federal Laws in place that are interpreted as such: You cannot have food for more than a full week's

worth, lest the ones who do are considered terrorist suspects. If you own a gun, you're a terrorist. If you disrespect Barack Obama, you're a terrorist. If you hate jews (which, I'm

pretty sure that 99.99999% of us do, the other .000001% being enemy infiltrators) then you're a terrorist. I guess it's time to join Hamas then, huh?

Jokes aside, and that's another topic that I wish to talk about. I'm going to use the Islamic State in Iraq and Syria [ISIS] as an example. ISIS is nothing more than an Israeli front

in disguise as Muslims to incite terror in Americans and Western Countries alike. This has turned into complete and utter nonsense. If you watch the news (and please....don't

watch Fox news....or should I say Fox jews...) (or CNN for that matter) there are reports saying that "police are highly vigilant" or something like that for "imminent terror

threats". When, statistically, we are at the same level of danger and/or safety as we were over 20 years ago. Back to ISIS. ISIS has obvious footage of themselves beheading

innocent Gentiles. I can bet with all of you, the members of these E-Groups and this ministry, that a very very VERY small minority if any jews were beheaded by this jihad

group.

Also, if I may mention, you may hear some stories about Yazidis being massacred, or otherwise tortured, or harassed in any way, by the Islamic State. (sigh) Really, ISIS? I have

no words to say other than I hope all of them get massacred as well as the Israelis will as soon as Gentiles who are not of Satan WAKE THE FUCK UP!

Back to America. America is in "shock and utter fear" of being attacked by ISIS. ISIS wants land in Iraq and Syria. They probably didn't even give a shit about the United States

until they were told to. The jews on top are all in on it. This is pretty fuckin' obvious.

I for one, am sick of Barack Obama declaring war on everything that liberates Gentiles, or murders jews in any way. Fuck you, Mr. President. EVERYTHING IS NOT A

MATTER OF NATIONAL SECURITY!!! UUUUGHHH!!!

That's all I'm saying for now. At least, until I get a little less pissed off and I can think clearly.

Subject: Child Adoption

I have seen many White nationalists complaining the White race is dying due a lack of procreation of White couples, but many who say it don't even want to have children and they forget there is a lot of poor and orphan White kids out there who are in extreme risk of life, that can end up being trafficked as sex slaves, traffic of organs, sold as infant wives and more. Many out there who are needing a loving satanic family to be cared and loved, and if was not it, would end up with the worst indoctrination that we had the lucky to get rid off and overcome, due the love of our parents, the Gods, who accepted us in first place and saved us from.

Heinrich Himmler had 2 children of his own and adopted a 3rd child. We are fighting for a higher ideal than just ourselves. Taking care of our children who are the future of our races, is a moral duty.

Black people can find children of their race to adopt in so many poor African countries or anywhere in the neighborhood and same for Asian people. White people as well can find many, many orphan children from Afghanistan, Kosovo, Palestine and other countries, who are very needy of a safe and loving home:

In reply to [JoyofSatan666] post:

This thread implies that Jews are stupid. NEVER underestimate the enemy!!!! Yes, there are some stupid Jews, but not as a whole. These people are not stupid, not the ones who have had us Gentiles for the past 2,000 years. They are very clever at lying and deceiving. Many of the Jews have an IQ [level of intelligence] above the top 2% of the population. I saw this myself when I joined American Mensa [which is by invitation only after passing a supervised IQ test that proves your intelligence is in the top 2% or above of the population]. They had an orientation that was compulsory to attend. It was in the home of a Jewish couple for one and for another, out of some 30 people give or take, I was only one of three, maybe four Gentiles there. This is not to say that Gentiles are not intelligent. The IQs of Nazi leaders were way on top in the genius level and they were onto the Jewish problem. Many Jews are in professional occupations like law. They also know loopholes and brag openly about this and they are very deceptive to an extreme. Not to mention, at the upper levels they are organized and they have money and resources that would make a lot of people's eyes water.

In addition to this, the Jews call themselves "people of the book." There is a Jewish joke: "A Jewish drop out is a Jew who did not complete their PhD degree." The universities and colleges are loaded with them. While they push and indoctrinate the suicidal notion in that lethal bible, enforce on the populace enslaved under Jewish communism, that knowledge is something evil [the Serpent of Satan in the bible represents knowledge], they, themselves know it is the key to everything. For a slave state to exist and function, slaves must be ignorant. The word "ignorant" means "unknowing." It is a sad fact that there are some people here who have to have the word explained as I just did. I am not talking non-Americans either.

The average Gentile comes home, snaps on that TV set, goes to the fridge and takes out an ice cold beer, and then sits down in front of that TV for the rest of the night [many even eat their evening meals on TV trays], and watches PROGRAMS. YES, PROGRAMS AND FROM THESE PROGRAMS, THEY ARE PROGRAMMED.

I, myself place too much value and respect for my own time and mind to sit in front of some of the worst stupidity and waste hours at this. Not to mention the stupidity and blatant Jew-Communist programming is as far as my concern, not only totally unworthy of my precious time, but it is also sickening and boring to the extreme. So, ask yourself... what are you learning from this?? There ARE movies [DVDs] and such that can be educational, even those solely for entertainment. Those sitcoms, Jew run talk shows and related to me are nauseating. Wasted days and wasted nights... lead to a wasted life and a waste of a human being. The Jew dictates both directly and indirectly how you should think, what you should and should not believe, how you should live your life and everything else. THEY PROGRAM YOU!!

Another blatant example... those of you who understand the workings of the mind and meditate enough to have the experience already are aware of just how one's thoughts, focus and attention are so sensitive. Just placing your awareness to 'feel' your aura and your chakras is very powerful. You can do this easily right now and you will see what I mean just how rapidly this manifests- just the smallest bit of focus, attention and awareness.

Just as the Jewish program of communism perpetually and most forcibly indoctrinates the populace [their victims] with endlessly repeated slogans enforcing blatant communist lies [the Jews have long been aware of the powers of the mind and soul, while systematically removing these from the Gentile populace with the programs of Christianity and Islam]; the very same is done with the "Holy Bible" being called "The Good Book." This is a very obvious example of the stupidity and ignorance of those who believe that SHIT! Never has there been such a horrific conglomeration of perverted, corrupted and stolen legends, concepts, literature and other crap and above all- ENDLESS CURSES AND I MEAN EXTREME CURSES AGAINST HUMANITY!!!!

IGNORANT people keep extolling and praising and giving their energies to this extreme negativity and its destructive forces. These are all aimed at destroying civilization and humanity as a whole. There was a time when our Gods had control over the earth and this was called the "Golden Age." It was a time of peace and prosperity for Gentile humanity. With enforcing of the Christian program, this was the REAL "Paradise Lost" and humanity has unfortunately degenerated ever since. Christianity, Islam and its Jewish root have taken a lethal toll and the world is now facing disaster. Yes, ignorance is bliss as the saying goes. Most people who spend hour after hour wasting their time in front of the TV set, playing endless games on the PC for hours and hours and engaging in other wastes of time are unaware of just how bad things are in the world. Some are so stupid they just don't even bother to care. Where would we all be here right now if Satan and the Powers of Hell didn't care? We would still all be fucking slaves back in the Dark Ages. I also know that Christians are subliminally PROGRAMMED to obsessively push Christianity. In this I am mainly referring to the fundamentalists and those who are steeped in the Christian energy.

Things are REALLY bad, such as the environment. What Jewish communism did to the environment has put a funeral wreath to hang over the entire earth. Whiling away the hours is what they WANT you to do. Be stupid, be unaware, don't bother so put any effort into developing your mind, don't put any effort into studying or learning. Just wait until it is all far too late to do anything. What the Jews have done and are now doing WILL EVENTUALLY EFFECT EVERYONE.

There is a wealth of information that everyone should be studying here. Satan represents knowledge. For those who are just too fucking lazy and unmotivated, JoS ministry and other very dedicated members have already done the work for you. Even the worst slum in the USA is a paradise compared to living under Jewish communism. Unbeknownst to many uninformed dolts who just don't bother to read, the USA is the number one target for a communist take-over. The USA is the last major power that still has some freedom and this is being rapidly destroyed. Our legal system, our law enforcement, our bill of rights and anything related to ensuring individual freedoms are being viciously attacked, undermined and if something isn't done will be eventually destroyed. Many talk the talk, but when reality hits, it is a different story. We are in a very dire situation. Few understand the tactics of communist take-over such as how the Jews destroy the law-enforcement, of which they are doing right now blatantly. The next step is total anarchy of which they enthusiastically promote and then when they get some real power in a country, such as they did in the former USSR, they go on a mass murder rampage. The police and related are usually the first in line to be murdered, along with the educated

classes they label the “intelligentsia.” No, for the dummies here, you don’t have the right to a trial, nor does your family. You are just butchered, and everything you once had and owned is taken from you and now belongs to the Jew-run “State.” This is another example of how they push their slogans. The word “people’s” is analogous with communism. NO, NOTHING BELONGS TO THE “PEOPLE” IN REALITY. Everything becomes the property of the Jew-owned and run state. The Jews are very adept at inventing slogans that are outright total lies and perverting these and enforcing them as truths upon the populace. When communism fails as it did in the early 1990’s, the first thing they then do is to push the Christian program. Fundamentalist Christians are allowed into the victimized country in droves, the bible is then reinstated into the local languages and churches and mosques are opened up and again running. This puts the entire nation back at square one again...under Jewish spiritual control. As I have stated repeatedly, but will again, the bible is the foundation for Jewish communism. When it has done its job and a nation falls to Jewish communism, the bible, the churches and the mosques are no longer needed and all of the stolen materials they used that were hijacked and corrupted from Pagan religions around the world are then done away with, ensuring the ENTIRE memory is gone. If this fails, as I already wrote in the above, they revert right back to using the bible again. This way, the spiritual energies of the populace are under their direct control. The Jews have survived as they have because like that foul Nazarene character, they mutate like a virus. They mutate and adapt to the current times, but they never change in character, nor does their goal of enslaving the entire world. A communist state is a slave state. Christianity and Islam, while pushing the slogans of “freedom” “peace” “equality” and “brotherhood” are in truth, the total opposites.

SATAN IS FREEDOM, SATAN STANDS FOR FREEDOM, AND SATAN STANDS FOR TRUTH, LIBERATION AND INDIVIDUAL RIGHTS.

Below is a list of JoS websites that have a very large number of pdfs available for absolutely free. Many of us have put in years of our time in serious study, creating these works and websites in the service of Satan. We do this because we care. Not only do we work for Satan and the Powers of Hell, we strongly support and believe in Satan’s plans for this world.

I realise something, when it comes to gaining knowledge and spiritual practice, I seem to resonate with European originated spiritual teachings and teachers, Hermetics, European Pagan Gods, Satanism, much more than I can with Indian Gurus, Gods and the like. Even though they have a wealth of knowledge (which I am grateful for don't get me wrong) it just seems to feel more natural to me to go the European way, it's like a Yogi or Guru from India could teach something and I'd be feeling like eh' what's he trying to tell me? Then a western spiritual teacher or book may say the same thing and I get it instantly. And with Gods/Demons as well, those from European traditions I feel closer to. Much closer to than I can with those from India or other cultures. I am wondering if anyone else here ever feels like this?

Yes absolutely i have always be drawn to the Norse Gods and have always felt closer to them. I find the ideal role models in Hercules, Alexander, Napoleon ect ect rather then other great men from other races. But this also has to do with past lives i think.

Neo Soviet Union By Putin

There is some bather in the article but this is of importance as this is what Jewish Putin and the Jews around him have been working on. Putin openly admits it right in the middle of a Political conference.. And is the key reason for the military invasion of the Ukraine by Russian troops in paramilitary uniforms directed by Moscow. And the thousand of people killed and hundreds of thousand displaced by the Jew Cabal in Moscow. They are trying to rebuild the Communist empire.

<http://www.forbes.com/sites/nathanvardi...ell-putin/>

Is the main culprit Putin himself, who determined that the disintegration of the Soviet Union is the greatest geopolitical catastrophe of the 20th century; who admires Stalin and reinstated the Soviet national anthem with different lyrics; the same Putin who, in the VOLDAI conference in September 2013, said that: The integration of the former Soviet Union into a single geopolitical entity is a key priority for Russia.

-----  
More on Putin:

As with the previous article this one shows that Russia is just the Eastern wing of the Jewish World Order cabal. And is marching the Russian's into the same Globalist slave state they are to the West. With much of the same policies as well.

Putin is also Jewish with a Talmudic scholar for a father:

Russian Intelligence and Islamic Terror

Frontpage Interview's guest today is Konstantin Preobrazhenskiy, a former KGB agent who became one of the KGB's harshest critics. He is the author of seven books about the KGB and Japan. His new book is KGB/FSB's New Trojan Horse: Americans of Russian Descent.

"Americans generally believe that Russia is as afraid of Islamic terrorism as the U.S. is. They are reminded of the war in Chechnya, the hostage crisis at the Beslan School in 2004 and at the Moscow Theater in 2002, and of the apartment house blasts in Moscow in 1999, where over 200 people were killed. It is clear that Russians are also targets of terrorism today.

But in all of these events, the participation of the FSB, Federal Security Service, inheritor to the KGB, is also clear. The FSB's involvement in the Moscow blasts has been proven by lawyer Mikhail Trepashkin, a former FSB Colonel. For this he was illegally imprisoned in 2003..."

Putin is very close on a personal level with the powerful Jewish oligarch Abramovich whom some have called Putin's protector and handler. As noted many of these people have direct positions within the government as well.

Duma member

"Abramovich was the governor of Chukotka from 2000 to 2008. " "Abramovich said that he would not run for governor again after his term of office expired in 2005, as it is "too expensive", and he rarely visits the region. However, Russian President Vladimir Putin changed the law to abolish elections for regional governors, and on 21 October 2005 Abramovich was reappointed governor for another term." (wikipedia)

Note: Chukotka is impoverished and remote region of RF, yet resource rich and with big potential to oil exploration. Abramovich, who had and still has lots of interest in oil & resources no doubt has spent the time governing Chukotka productively for his business interest. "Sibneft Begins Offshore Seismic Work in Chukotka's Anadyr Bay

December 07, 2005" source. Sibneft was Abramovich's company which he later sold and it went under the wing of Gazprom and its CEO Alexei Miller.

Roman Abramovich - Wikipedia, the free encyclopedia

Chris Hutchins, a biographer of Russian Prime Minister Vladimir Putin, describes the relationship between Russian president and Abramovich as like that between a father and a favorite son; Abramovich himself has stated that his relationship with Putin is a professional business relationship, as signified by his use of the Russian language's formal " " (like Spanish "usted" or French "vous") in addressing Putin, as opposed to the informal " " (Spanish "tú" or French "tu").[72]

Next the above Abramovich is the Jew Khodorkovsky the two of them are the most richest people in Russia and in the top level of the Jewish oligarchy in

change of Russia. Note Putin got this character out of trouble once the cost was clear:

<http://en.wikipedia.org/wiki/Khodorkovsky>

Mikhail Borisovich Khodorkovsky (Russian: Михаил Борисович Ходорковский, IPA: [m ɪ l ɪ x d r k o f s k ɨ j]; born 26 June 1963) is a Russian businessman, oligarch,[2] philanthropist, public figure and author.

In 2003, Khodorkovsky was named Person of the Year by Expert, sharing this title with Roman Abramovich. In 2004, Khodorkovsky was the wealthiest man in Russia (with a fortune of over \$15 billion) and one of the richest people in the world, ranked 16th on Forbes list of billionaires. He had worked his way up the Communist apparatus during the Soviet years, and began several businesses during the era of glasnost and perestroika. After the dissolution of the Soviet Union, he accumulated wealth through the development of Siberian oil fields as the head of Yukos, one of the largest Russian companies to emerge from the privatization of state assets during the 1990s."

He was arrested on 25 October 2003, to appear before investigators as a witness, but within hours of being taken into custody he was charged with fraud. The government under Vladimir Putin then froze shares of Yukos shortly thereafter on tax charges. The state took further actions against Yukos, leading to a collapse of the company's share price and the evaporation of much of Khodorkovsky's wealth. He was found guilty and sentenced to nine years in prison in May 2005. While still serving his sentence, Khodorkovsky and his business partner Platon Lebedev were further charged and found guilty of embezzlement and money laundering in December 2010, extending his prison sentence to 2014. Khodorkovsky was pardoned by President Vladimir Putin following lobbying for his release by Hans-Dietrich Genscher, and released from jail on 20 December 2013.[3]"

It pays to be Jewish in Russia. Just like in America:

Kremlin provides bailout to Jewish banker  
By Grant Slater November 5, 2008 8:56pm

The Kremlin reportedly dipped into a fund to allow a prominent Jewish businessman and Kremlin confidante to pay his debts.

The Russian government set aside \$2 billion for Mikhail Fridman and his holding company, the Alfa Group, that would allow him to pay Deutsche Bank AG, The Wall Street Journal reported.

Fridman, 44, is the first oligarch to receive funds from the account of funds stashed away from Russia's windfall oil profits in recent years. Russia's financial sector has not been immune to the global credit crisis, and market turmoil in recent weeks has led to jitters among Russia's wealthiest.

The loan from the \$50 billion fund would allow Fridman to maintain his stake in Russia's biggest cell phone provider, Vimpel Communications.

Fridman and his Alfa partners founded a Jewish philanthropy group last year aimed at increasing Jewish identity among Russian speakers worldwide. The

Genesis Philanthropy Group is still in its nascent stages.

Jews in the former Soviet Union are feeling unease that local funding for Jewish causes may be curtailed as oligarchs lose billions amid the global financial crisis.

More Jewish Oligarchs who got bail outs from the Russian government just like all the Jewish banker oligarchs in American who received mass bail outs as well:

Vekselberg, Viktor. (UC Rusal) The richest man of Russia 2012. This oligarch of mixed Jewish-Ukrainian origin is also held a big stake and board chair in bailed out Rusal.

Khan, German (Alfa group) - a Jewish oligarch, also a prominent member of the Jewish congress and a contributor to Jewish and "tolerance" causes.

Aven, Pyotr (Alfa Group) - a Jewish oligarch connected to Putin since early 1990s.

Abramovich, Roman (Evraz Group) - a Jewish multi-billionaire oligarch, reportedly very friendly with Putin, also a statesman in Putin's Russia

Why Putin is an enemy of Russian nation, Russian patriotic movements and Russian state. by A. Saveliev

## I. Putin is an enemy of Russian nation

1. During 8 years of Putin`s reign, number of ethnic Russians in Russia shrunked by 8 millions. Annual demographic losses are the same as in 1990`s, when Yeltsin was in power and when Russia didn`t have huge profits from oil and gas export. Number of officially registered abortions is stable, about 2 millions per year. Quality of medical care significantly dropped, free state medicine is almost destroyed and substituted by commercial medicine. Vast majority of Russian citizens can`t afford it.

2. During Putin`s reign, dozens of people with capitals above \$ 1 bln legalized their money. In Yeltsin`s time, there were only 7 people with such capitals. Now their numbers increased tenfold. At the same time, life of at least 2/3 of Russians is still at levels of just physical survival.

3. By changing immigration laws, Putin opened borders for millions of non-white immigrants. Many non-native societies were formed in Russian cities. They are terrorizing local indigenous population with help from Putin`s protégés, who hold all of the key positions in administrations and law-enforcing structures. All protests are stamped by illegal arrests and non-lawful court decisions.

4. Putin de-facto acknowledged an independence of Chechnya and the fact, that 500 thousands of ethnic Russians were cleansed from this region, and also gave amnesty for all bandits and terrorists, who fought against Russia. Some of the terrorists even received the "Hero of Russia" award, the highest award in Russia. Russian refugees from Chechnya didn`t receive any help, although ethnic Chechen "victims of the war" received and continue to receive tens of thousands of dollars per person.

5. Putin systematically destroys Russian culture by giving control over all leading cultural, educational and media resources to non-Russians or to perverts. Medias systematically destroy traditional morale, discredit Russian history, defile Russian language and substitute cultural examples of Russian classics by low-quality filth. Higher education almost fully turned to be commercial and can only be afforded by a rich minority of the Russian citizens. School education is almost destroyed. In last years, those who leave schools lack even some elementary knowledge.

## II. Putin is an enemy of Russian society

1. Putin threw a hurricane of repressions toward Russian social and political organizations: prohibition of books and closing of Russian newspapers turned to be a usual practice. ~ 300 of political prisoners are jailed for their political activities in Russian organizations.

2. Putin destroyed the only patriotic party, "Rodina" ("Homeland"), that entered Russian parliament in 2003. By using non-lawful court decisions, he prohibited this party to participate in regional elections in 2005-2006, and than "Rodina" was destroyed because of the inspired internal coup`d`etat.

3. Putin didn't let any patriotic organization, concerned with the "Russian question", to participate in 2007 parliament elections.
4. Putin constantly visits social rallies of the Tatars, Jews, different diasporas of the Asian nations, but he never participated in any such event of Russian organizations.
5. Putin openly supports warm relations with Hasid's leader Berl Lazar. Mosques start to rise in core Russian cities.
6. Putin created totalitarian party of Russian bureaucrats – the "United Russia", and leaded her to parliament elections in 2007, thus breaking the non-party status of a Russian president. This party is ultra-liberal in her core and serves in interests of oligarch groups, that grabbed all of the Russian national riches.

### III. Putin is an enemy of Russian state.

1. Putin finally destroyed Russian armed forces ability to defend Russia. Leading military academies were closed. Space military-oriented know-how are selling out, space station "Mir" was sunk in the ocean. Under Putin's rule, numbers of police forces, dedicated to quell all national-oriented opposition, are twice larger as numbers of army soldiers and at least 3-4 times larger, than number of police (per capita) in the Stalin's USSR in 1930s. Naval Russian forces were radically shrunk, leading military industries and science were destroyed. Putin send a lot of Russian soldiers and officers, who fought against Chechen terrorists, to jail in order to pay new Chechen leader Ramzan Kadyrov for an illusion of his loyalty.
2. Putin created strong top-to-down corruption system. Highest ministers and bureaucrats combine their "state service" with "working" in a huge oil and gas export companies, where they receive moneys equal to their official salaries for hundreds of years.
3. Russian law-enforcing system totally degraded and turned into a kind of an organized crime. Criminal activities are common for the special forces (who sell military secrets and fully control all major activities in a foreign trade), courts (who follow orders from the corrupted officials), militia (who takes bribes from citizens at every step), prosecutors (who don't try to fight with corruption).
4. Putin, with his own decision, gave 200 square kilometers of Russian territory to China, without any needs and lawful reasons for this

Several of the companies chosen to remake Sochi for the Olympics are owned or co-owned by Arkady Rotenberg, a childhood friend of Putin. News reports and Russian watchdogs say Rotenberg's Sochi contracts alone are worth more than \$7 billion, which rivals the entire cost for the 2010 Vancouver Winter Games.

j !Sochi Mayor Says Olympic Concerns Are Unfounded

Arkady Rotenberg, the boyhood friend and former judo partner of black-belt President Vladimir Putin, already is collecting his winnings from what promises to be the most expensive Winter Olympics ever next year.

Rotenberg's companies have been awarded at least 227 billion rubles (\$7.4 billion) of contracts for the 2014 Sochi Games, according to figures compiled from corporate and government filings. That's more than the entire budget for the 2010 Vancouver Olympics, though it represents just 15 percent of Russia's latest estimate for the Sochi event.

Those contracts, which number at least 21, include a share of an \$8.3 billion transport link between Sochi and ski resorts in the neighboring Caucasus Mountains, a \$2.1 billion highway along Sochi's Black Sea coast, a \$387 million media center, and a \$133 million stretch of venue-linking tarmac that will double as Russia's first Formula One track.

"This is a monumental waste of public money," Stefan Szymanski, a sports economist at the University of Michigan who tracks Olympic spending, said by phone from Ann Arbor. "A small number of people at the top have control of resources and there is no accountability."

### \$50 Billion

Rotenberg, 61, is among a handful of men Putin has known since childhood or from his days in the KGB or St. Petersburg government who've amassed riches and power during his 13-year rule. Their fortunes have come at times at the expense of men who flourished under his predecessor, Boris Yeltsin, and the consequences of the differing wealth pedigrees are on display in Putin's \$50 billion push to prepare Russia for its first Winter Games. The country is considered the most corrupt of the Group of 20 economies by Berlin-based Transparency International.

While Rotenberg and longtime Putin associates such as Gennady Timchenko, co-founder of oil trader Gunvor, and OAO Russian Railways Chief Executive Officer Vladimir Yakunin, stand to gain from Russia's Olympian largesse, Yeltsin-era tycoons led by Vladimir Potanin and Oleg Deripaska say they're getting squeezed.

Potanin and Deripaska, the CEOs and largest owners of OAO GMK Norilsk Nickel (GMKN) and United Co. Rusal, respectively the world's largest producers of nickel and aluminum, have been handed projects that may not turn a profit for years, if ever. Potanin is spending \$2.2 billion on the resort where most of the skiing events will take place, while Deripaska is putting \$1.5 billion into revamping the local airport and constructing a port and one of two Olympic Villages to house athletes and officials.

### 'Commercially Useless'

Rosa Khutor, Potanin's facility, has missed 14 billion rubles of interest payments on loans from state development bank VEB because it's been closed to tourists for parts of three peak seasons for test competitions, Sergei Bachin, the head of the project, said in an interview in Moscow on March 12.

The resort, serviced by state-of-the-art ski lifts from Doppelmayr of Austria, was all but deserted on a sunny March 7 because the slopes were cleared for a para-alpine World Cup championship. Rosa Khutor will need to spend another \$130 million after the Olympics to convert the facility into a fully commercial operation, Bachin said.

"A lot has been built for the Olympics that is commercially useless before the games and after," Potanin said last month during a tour of his project with Putin and Jacques Rogge, president of the International Olympic Committee. "The money has been spent and interest is accumulating."

### Basic Element

The \$200 million port Deripaska's Basic Element constructed to dispatch Olympic building materials is handling as little as one-fifth of the planned volumes because freight traffic has been redirected to railways and roads, making the venture unprofitable, according to the company.

"If investors don't get any return or government support and in effect lose a large part of the funds they've invested in the Olympics, it won't have a positive impact on our investment climate," Basic Element Deputy General Director Andrey Elinson said during a March 12 interview in Moscow.

Olympstroy, the state company overseeing Sochi's transformation, declined to detail the costs of its individual projects. Olympstroy has had four general directors in six years.

The bulk of Rotenberg's Olympic contracts are held by OAO Mostotrest (MSTT), a Moscow-based company set up under Josef Stalin in 1930 to build bridges across the Soviet Union, according to its website. Rotenberg and partners, including his son Igor, gained control of Mostotrest in 2010, just before the company raised \$388 million in an initial public offering.

## Putin Link

Rotenberg's aide said he was unable to comment on his work on the Olympics. Officials at Mostotrest didn't respond to requests for comment by e-mail and phone, nor did Stroygazmontazh, another Rotenberg company with state contracts.

Rotenberg told the Financial Times in an interview published in November that while he values Putin's friendship, he'd never abuse it for personal gain.

"I have great respect for this person and I consider that this is a person sent to our country from God," the newspaper cited Rotenberg as saying about Putin.

Dmitry Peskov, Putin's spokesman, said Rotenberg's success is unrelated to his ties with Putin.

"No friendship can grant you access to Olympics projects, which are very difficult to get because they're hard to implement and aren't as profitable as many other construction contracts," Peskov said by phone on March 15.

## Gazprom Pipelines

Rotenberg gained his fortune by selling pipes and building pipelines for state-run OAO Gazprom (GAZP), the world's largest gas producer. Stroygazmontazh, which Rotenberg owns with his brother Boris, built a gas link to boost supplies to Sochi for 32.6 billion rubles, five times more than first budgeted, according to Olympstroy and government data.

The Rotenberg brothers are now worth \$2.97 billion each, more than all but 35 Russians, Moscow-based CEO magazine estimated last month. That's up from \$1.75 billion each in 2011.

The controlling stake in Mostotrest (MSTT) that the Rotenbergs held via their 68.5 percent interest in Cyprus-based Marc O'Polo Investments Ltd. declined to 38.6 percent after the IPO, according to the company.

Mostotrest "somewhat disappoints investors with its annual performance forecasts," said Elena Sakhnova of Moscow-based VTB Capital. Even so, Sakhnova is one of 12 analysts with a "buy" rating on the company's stock, according to data compiled by Bloomberg. "Mostotrest gets very good contracts, not without Rotenberg's help," she said.

## Shares Rise

Mostotrest shares closed up 0.1 percent at 136.83 rubles in Moscow, after gaining as much as 1.9 percent on the benchmark ruble-denominated Micex Index.

The largest single Olympic contract for the \$8.3 billion rail-highway link went to state-run Russian Railways, which then hired Mostotrest and a company now part-owned by Putin ally Timchenko, SK MOST, among other contractors. Russian Railways' pension fund owns 25 percent of Mostotrest.

Putin, 60, has fought to host global events to raise Russia's international profile and boost growth through state and privately funded infrastructure projects, including last year's Asia-Pacific Economic Cooperation summit in Vladivostok.

The Audit Chamber, Russia's budget watchdog, last November said it found that about \$490 million of the \$20 billion Russia allocated for the APEC summit was "improperly spent." About \$506 million has been misspent in Sochi thus far, the watchdog said this month, declining to be more specific.

#### 'Rough Estimate'

Russia in September doubled its forecast for spending on the 2018 soccer World Cup to almost \$20 billion, a figure Sports Minister Vitaly Mutko called a "rough estimate," according to state news service RIA Novosti. Brazil's Sports Ministry last year said it planned to spend 30 billion reals (\$15.1 billion) on projects linked to its staging of the 2014 World Cup.

Putin, who has repeatedly vowed to crack down on corruption, last month fired the vice president of the Russian Olympic Committee, Akhmed Bilalov, saying his brother's company, which had the contract for the ski-jumping complex, was over budget by a factor of seven and behind schedule.

"The main issue is to be sure nobody steals anything," Putin said Feb. 6 before the announcement of Bilalov's dismissal.

Three days earlier, Rotenberg's Mostotrest said it would seek to sell its Engtransstroy unit, which has at least four unfinished Olympics contracts, including the Formula One track.

#### Road Contracts

Bilalov, who has since left Russia, started having trouble in 2011, when organizers told him to spend what would amount to \$200 million on roads and other works that weren't in the contract once held by his family's company, according to his representative in Moscow. Bilalov denies costs jumped sevenfold, saying they only increased 60 percent, according to the representative, who asked not to be identified because of the sensitivity of the matter.

Police have announced one major case of financial fraud related to the Olympics. That was last August, when the Interior Ministry put out a brief statement saying investigators had foiled a plot to embezzle 8 billion rubles. No details were provided. The ministry and the Prosecutor General's Office in Moscow didn't respond to requests for comment on corruption in Sochi.

"The cost overruns are due to corruption, the clan system and a lack of competition," said Sochi native Boris Nemtsov, a deputy prime minister under Yeltsin and a political opposition leader who tracks government spending. "All the main contractors in the Olympics are people close to Putin."

#### Cost Overruns

Sochi Mayor Anatoly Pakhomov, who defeated Nemtsov in his 2009 election with 77 percent of the vote versus 14 percent, said spending concerns are unfounded because any "wrongdoing" is quickly discovered and halted by authorities.

"Some people have latched onto the rising costs, but that can happen because of unforeseen circumstances," Pakhomov said in an interview in his office March 6. "There won't be any witch hunts after the Olympics."

Money wasn't an issue later that night at the Blue Sea, a trendy Sochi eatery where vintage Louis Roederer Cristal Rose champagne goes for \$1,600 a bottle and a basic crab dish can set you back \$300. The seafront restaurant was packed with well-coiffed women laden with furs and gems, a reflection of the extravagance transforming this former Soviet city of 343,000. Outside, trucks full of materials continued to inch toward their Olympic destinations, spreading clouds of dust.

For Gurban Babayev, though, there's nothing to celebrate. Babayev, who operates a small fleet of motorized cranes, says he's been chasing Olympics subcontractors for \$65,000 in unpaid bills for more than a year, including \$6,500 from a unit of Rotenberg's Mostotrest.

Even with a court ruling, seen by Bloomberg, ordering one of the subcontractors to pay up, Babayev said he still can't find anyone in authority to help him collect.

"You can't go against a presidential project," Babayev said. "This is so bitter for my soul. I earned this money with my blood."

Well... I feel similar, in the sense that I feel more attracted to Vedic teachings than European teachings as I am born and brought up in India.. For example, mantras work best for me than runes. I can understand the teachings here better than other cultures though it may be the same. It may be possible that we are brought up in that culture and knowingly or unknowingly, we feel closer to that and these teachings come easily to us.

Nah nah it's part of our metaphysical DNA. There is such a thing as the racial memory, which is why you are more drawn to the Vedic teachings and I'm more drawn to European, it's in the blood so to speak. You may also have been closer to the Gods of that tradition in past lives too.

## Lusitanians, the Children of Bacchus

This is an article I'm doing, subject to adding new info, the first of a series of articles on the Satanic Origins of Portugal.

The Lusitanians (or Lusitani in Latin), an elder term for the current Portuguese people, were an Aryan pagan people of Celtic (Irish, from Ireland aka "Arieland") origins, who migrated to the Iberian Peninsula where today is known as Portugal. The most famous Lusitanian was Viriathus.

The Origins of the Witchcraft Tradition - The origins of the Arya:

<http://josministries.prophpb.com/topic166.html>

The terms Lusitania/Lusitani were given by the Roman conquerors to this region and its tribes, which is related to Lusus as the quality of the Roman God Bacchus (Satan) of extreme rage and brave struggling, referring to the intense warfare resistance of the Iberian tribes under Viriathus' rule against the Roman domination:

"Ancient Romans, such as Pliny the Elder (Natural History, 3.5) and Varro (cited by Pliny), speculated that the name Lusitania was of Roman origin, as when Pliny says *lusum enim Liberi Patris aut lyssam cum eo bacchantium nomen dedisse Lusitaniae et Pana praefectum eius universae*: that **Lusitania takes its name from the lusus associated with Bacchus and the lyssa of his Bacchantes, and that Pan is its governor**. Lusus is usually translated as 'game' or 'play', while lyssa is a borrowing from the Greek *λύσσα*, 'frenzy' or 'rage', and sometimes rage personified; for later poets, Lusus and Lyssa become flesh-and-blood companions of Bacchus."

Bacchus is Zeus-Dionysus, our God Satan as HP Mageson mentioned:

<http://josministries.prophpb.com/topic92.html>

The Easter Parade

<http://josministries.prophpb.com/topic86.html>

Portugal, like the other European Nations, is also full of Satanic symbols and architecture by occultists and the aristocracy which were Pagan /Satanic at one point, left by them under the Church's hooked nose as clue to our True origins and our True Creator Satan:

We can see in this emblem inside Portugal's flag the seven castles (chakras) around the shells arranged in the shape of a Maltese (Iron) Cross, which forms the correct alignment of the human soul and also the fight against Islamic oppression by our leaders:

This is an elder Portuguese flag from 1095 which is also in the shape of the equal armed cross:

More blatant indeed, this symbol which is the most traditional Portuguese and SATANIC, the Maltese Cross/Iron Cross stolen by the Christian Church and ironically used as a symbol of "Order of Christ"... Nothing could be further from its true meaning!

More Satanic symbols in Portugal can be seen in the flag of the Restoration of Independence from under the multicult House of Habsburg and the Satanic obelisc representing the esoteric vertebrae where the Serpent of Satan ascends, also honouring Independence, the more important Portuguese holiday of December 1st:

The Romans, who were still pagan when they conquered Lusitania, recognized the Lusitanian people by this term which is analogous to being son of Bacchus, denoting this people's bravery and as being followers of the same pagan tradition. Being Lusitanian (Portuguese) means literary being a son of Satan.

The Satanic Afterlife and Reincarnation  
VS  
The Enemy "afterlife" and literal death.

People are asking some questions and these questions need to be answered and addressed. The enemy makes sure that nobody gets answers and that everyone remains blind and confused. That's their job. Satan and the Gods make sure to enlighten us and keep us from blindness. That's our job. And we do our job well for the sake of Humanity. That is giving it the Truth and keeping its spiritual eyes open. So long there is lack of knowledge and confusion, the enemy thrives. When there is knowledge, the enemy becomes dispelled and destroyed.

The message is a lengthy, but if you are seriously interested in knowing the Truth about the Afterlife, then here it is for you to study and read. Satanism is about expanding and becoming better in anything we have and anything we are. This includes studying as well. This info will be well understood by more advanced members or members in the intermediate state. No doubt, if one is carefully studying, then of course anyone can understand.

I advise everyone to read the other posts I have made and HPS Maxine has made on reincarnation and the Afterlife. As it all ties together, you will understand fully and totally. HP Mageson's "Metagenics" Sermon is also a must read to realize the connection of the Physical body with all this.

The enemy "New age" and filth never really answer any question, same with the enemy ET's who are all about "love" and other senseless and existentially low crap. Yes, do some love and farting in the name of "jewsus" and you will be saved from damnation, in which "jewsus" put you into by making you ignorant. Ok. Only a stupid existence would believe such filth. Not only its filthy, but its an under belt strike in nature's ways and only a blindfold to keep you blind while you are guided like a good sheep in your own eternal destruction. The so called "new age masters" have absolutely nothing important to say. At best, they keep saying crap and nonsense as in "you will evolve in 2012" or other shit, that leads nowhere and does nothing but keep the lies and sleep of Humanity going, while filling their pockets with their beloved \$\$\$\$ that they are all about and long for. As for the "New" Agers, most of which are mentally retarded or challenged, this is obvious as in they are in communication with enemy ET's that want them blind and even worse, destroyed. Their will is the same for the whole of the Human cattle. They simply say some "chakra" shit nowadays and idiots think this is something important. The same enemy company did the middle ages destruction and murdered so many human beings, the same enemy ET company did make the Abrahamic programs that punish meditation with death and total destruction, the xian entities that made xianity, the most major program of spiritual removal and blindness.....and idiotic filths and slaves go to these murderers of Truth to ask questions... We are talking about mentally challenged people, with serious debilitations and serious defects. The "new age" is nothing but the "Dark age" of Humanity in disguise. "JHVH" is the "god" of the jews and that race of people is who they use and operate through to reinforce their ends. They say it to their face and even tell them straightforward that this "god" is only for jews. The stupid's know yet they still follow. But this is xianity, kissing your murderer's feet, then getting raped and murdered, with you last word being 'thank you jew' before you lose your Soul, says they should act and be that way. So they are. Or the jews will destroy them, which they will anyway do. Seriously, we are talking about some nuts here. And these retarded species of life claim to even know about the "afterlife". Seriously? They aren't even capable of giving up the jewish "god" due to fear, yet they know any greater "truth"?

To embrace the Truth requires guts. Those who are delving in xianity or dabbling it are cowards and the Truth is for the strong and the daring, the good hearted Souls that seek it with bravery. If they want to kiss the enemy's nasty shitfeet, then that's their own problem. Which has the results I will mention later.

For those who know Satan and His powers and intentions personally, He literally hands down the best information and is really helping Humanity evolve. Like really evolve, not some empty promises. Satan truly explains, truly cares and truly evolves those willing Souls that follow him and are open to Him. The enemy poses to heal the symptoms, meanwhile causing even more diseases and destruction. Satan is straightforward and goes straight to the Solutions, as in getting rid of diseases all together. The enemy is a piece of filth. For instance, their kike industries and Machiavellian politics is what causes hunger in Africa, then their millionaire xians and shitheads go there and give a loaf of expired bread and a bible to "save" the African people. This is the method they work. The people being blind exchange their Soul and cannot even understand they are being played upon. Then they are left to die anyway or live as slaves for as long as they give their life to the enemy, no different than a puppet. Then they are destroyed to the core because that was their 'purpose' anyway. The enemy ET's do the same thing, only in far more complex and violent manners.

For those who have read the previous posts, you can tie these into this one and see more for yourself. Explaining is a bit advanced, but it is definitely comprehensible. This is not some fancy rainbow shit, as Father Satan is honest. He never makes vain promises and He never allows people to be blind. You need to have your ears open. What one must be aware is the fundamental parts of the Soul, as in Male [Pigala] and Female [Ida] energy, as well as the

Shushumna part of the Soul [the door and the place of Kundalini energy] which is the actual hermaphrodite energy.

There have been posts asking to where people are asking about the pains of reincarnation, or how this happens and so forth. Yes, this is the unfortunate Truth, but not all of it and not the Truth for Satanists. We have to reincarnate again and again, which is the natural flow of things, the "natural" of a lower level of existence that we are not meant to exist in. As we have already stated, the Soul if not worked upon with by Meditation can die and wither away, like any other form in the universe. This is no different than leaving the physical body without food. The Gentile Soul is shaped in such manner that when perfected, it can be a self sustaining immortal mechanism, that has an energy uptake form its own self, in other words, as others perish in the after life, those who reach a stage will not. The energy will recreate itself and thus recreate the being. This is the so called "afterlife" the enemy raves about and never gives anyone. This requires work and persistence and is a part of the Magnum Opus working. Also Father Satan keeps and retains our Souls for those who have not reached this state. For better saying, he keeps and retains our "true self" which is the Soul we have had and possessed in all our lifetimes. This part of the Soul is the actual consciousness, as in pure consciousness and the real ID of the real self. This is who you really are. So long someone stays inside their womb, they are at that state, they are their pure self. The state by which this Real part of the Self is reached is called Samadhi in the East and this is the meaning of Satyan - Eternal Truth. TRUTH IS REVEREND IN SATANISM FOR A REASON AND ITS OUR SOLE STRIVING. THE "ALL KNOWING" STATE OF TRUTH AND OF REAL SELF KNOWING IS GIVEN THE NAME OF ITS CREATOR, SATAN. He is the one that gave us this ability by making us evolved creatures. Inside this state one realizes the not so human nature of the Human mind. Thats the literal meaning of the Delphic "know thyself" and of all other Ancient Mysteries.

Due to our mortal physical body and our lack of spirituality and thanks to xianity, this state and any and all links to it get lost. This is what xianity aims, as at that state, the mind is overly expanded and the intelligence is amplified to such degree that hardly ever words can describe, because this state is not ordinarily "Human" in anyway. Its superhuman. Its more than Human, its really Human and not the nowadays "Human". One could easily see in just a second in this state the hoax of xianity and the evil behind it, if they entered that state. This state is symbolized by the Egyptians by the Wadjet eye, the Horus eye, which upon opening and being delved upon makes one see the Truth. Satan opens one's spiritual eyes. Though not mortally and consciously aware, this state is existing and happening inside Humanity, and is taking place in the form of the "higher ego" or "higher self" state, or simply the Samadhi state of consciousness. This state is totally inaccessible by any other means than meditation and also, mastery of the disciple of meditation and perfection of the Soul. Though, without there being a link from this form of consciousness, which is the Vadjet and the Divine Mother Kundalini in other cultures, the conscious self is trapped in basically two modes of consciousness.

The male, conscious everyday consciousness and the dream like state, the female part. The first takes on when you are woken up, the second takes on when you are asleep. The Male part of the Soul is directly linked to the Mental body, which is the link between the Male and Female parts of the Astral body. There is no "Mental body" on its own, its rather a part of the Male Astral body, but at the same time, what is called "mental body" communicates with the Female part of the Astral body, that contains the Subconscious and Unconscious parts of the Soul. I know it sounds complex, but if one gives it some time, they will understand this. Neither the Male or the Female part of these is really the Real Soul, as the Soul itself resides on the higher realms and is "touched" upon when the male and female part is fused, through empowerment of the Astral body. Both these parts constitute the Aura of the bodies and each body has its own Auric field, that does different things. These parts of the Soul act at the same time and with one another, directly influencing one another, to bigger or lesser degrees . The Astral body is the link between the Higher Part of the Soul, the Real Soul and the conscious/dream bodies that we have, that is dimensionally higher than the present 'ego' and is touched when one is advancing in meditation. When one works and strengthens the astral body, a fusal starts happening, between the higher body [Real Soul] and the lower body [the present Male Active and Female inactive part of the Soul, in the present

incarnation]. As the Astral body becomes able, more and more of the "real self" [what we today call unconscious part of the mind, Kundalini Self] is becoming apparent in the everyday consciousness and in the sub conscience.

The unconscious part can really become conscious but this is a long, very long process and its through this one becomes a God. Ideally, the Magnum Opus is when this fusal happens and one is again their real self, that has all their past life memories, all their past life knowledge and so forth. The higher part of the Soul is actually conscious and on the lower behalf of the body and Soul is the Kundalini Serpent. This is the Higher Mind. The Kundalini Serpent is actually what Father Satan gave Humanity in order to save us from this vicious circle of the "rotar". The "rotar" is actually of the lower existential consciousness and of the enemy, where there is the vicious circle of "karma" that keeps people blind as to the real reality, which is Spiritual. Its the vicious circle of death and rebirth, good and bad and so forth, from which Humanity is ideally meant to escape, but the enemy makes sure to keep people stuck in, in order to exploit the lower beings.

What you are living today and doing is also stored inside your unconscious part of the Soul. Stronger events have a bigger impact and are imprinted there. This is the "bank" of your Soul memories. This includes knowledge of past lifes and so forth. These parts of the self can also be regained through this process which is called the Magnum Opus.

The mortal body is meant to become immortal through the Magnum Opus, which is the final goal of spirituality. Though, when the fixing of the Astral body has happened, one will not perish in the after life and they will not wither away like other Souls who are not worked upon, after they physically die. By that way, they can incarnate when they want and they can be self sustained. Also, one will have the nessesary power to tread the astral realms and so forth, which is important, and also Satan and the Gods protect people from nerfarious astral entities. Dedicated Satanists at their moment of death, no different than Ancient Egyptians, are taken by the Gods to a special astral plane until they reincarnate. Those who haven't reached that state, though, must re-incarnate before they dissipate so they will not wither and die. Satan though keeps people who are before that state if they are willing and they are sustained, if there are reasons for that. If not, they will be reincarnated.

All the bodies are inter-connected and all influence each other. This means something simple. The highest part of the Soul that Satan retains throughout reincarnation and the Gods keep, is influenced by the lowest half of the Soul which is the Physical and is directly linked to the Male part of the Soul, that we change in every lifetime and requires energy renewal until it is fixed through advancement. In other words, as the Astral body advances and you empower it, you empower all parts of your being and not only the body in itself, but the Higher Soul. The power raised through this action empowers your real "Soul", the real "ID" of yourself. At that point, all your progress adds up, so you do not really start from "ground zero" in the next lifetime. You do, but the memory and the openness is there, so states are re-attained real faster than before.

When someone physically dies, they experience an opening of their own "Highest self" but this only lasts until the physical body has died. Most do not even have any memory at all and most cannot even "get" to that state to actually get a glimpse of this body/Soul part. This is because this consciousness is too high and they are unable to get a hold of it, let alone understand any of it. So when one dies, they simply leave their dead body and the conscious part of their Soul [the Astral body, the body of Astral Projection] exits. It stays into the Astral realm and slowly dissipates. How fast or if it will dissipate depends on many, many things. Dedicated Satanists at that point, no matter how far they are, are being taken by Gods like Anubis and other Gods, so their astral body is escorted into a safe Haven for our Souls. They are sustained there until they reincarnate. With the Astral Body, which is the closer link and contains the "Higher Soul" or the "God part" they are reincarnated again. The Astral body contains inside it two things and a third thing which is the fusal of both. The male

[lower Ego part conscious consciousness, Pingala consciousness] , the Subconsciousness [female part of the mind, Ida Consciousness] and the unconscious part which is more or less latent [depends on advancement, Shushumna/Kundalini consciousness] and its purpose is to transform both and save their progress and powers. The female part subconscious of the Soul, the Kundalini, does what is natural and is always striving to meet and connect with the male, conscious part of the Soul. The union produces the third part, which is the open door to the Unconscious part, the Kundalini part. "Unconscious" is only a term. Infact, its supreme consciousness, but not in anyway like the walking consciousness. This walking consciousness is only a part of the whole deal.

All consciousness that is of the Astral body [conscious consciousness] gives place to the unconscious consciousness of the Higher Part of the Soul at this point of the Soul entering the Fetus. When one enters, the "Ego" part of the Astral body that they had in the last lifetime and they went to Duat with, dissipates again and they gain a new one, the one they will be born with. This part is given to the child by the parents and directly influences the Physical body aswell and this ties into the Racial criteria aswell. This is why National Socialism is as it is, and is of the Gods of Hell, but this is a whole another matter. What can be said simply, the better body, the better the expression of the Soul. The enemy give their all to destroy the genetics of Humanity for that reason. For this fusal to be able to happen, there has to exist a couple of Humans that are able to give the Soul the genetic material/physical material it needs to actually 'stick' to the body, so it can express itself and advance in the given body. The "Ego" part of the Self is being changed in every lifetime and with it, all conscious knowledge and sense of self is gone forever from Male conscious approach and is being saved inside the Kundalini/Unconscious part of the Soul, yet the female part of the Astral body or the Unconscious part [the Kundalini, the real Self, the Shushumna part of the Soul] remain intact but latent until activated, inside the Soul. In there the powers of the Soul are contained, the memories, the knowledge and anything else. When one is born, they swing again to the new Male conscious part, which is to a degree, connected to the Female part of the mind. How much one will be fused and aware depends on the level they had in their past lifetime. Thats why some people are born very powerful, some less, some very aware, some less aware and so forth. And the process goes on and on until its finalization. At the moment of entering the fetus, the "Ego" part "dies" at this point and with it, all conscious knowledge of the last lifetime. The unconscious part [the Female part of the Astral body] though operates when one is in the womb fully and then for the first years of one's life, with depending power, as it remains intact as it reincarnates intact. This is why some children have memories from past lives and they lose these later, while others do not. The female/latent part of the Soul longs to be connected to the new Active Male Part. Thats the fable of Eve giving Adam the Apple. Eve was tempted by the Serpent and gave Adam the apple. Then they both ate the Apple and they became as the Gods. Reincarnation is mandatory simply because the Male Part is the bio electricity of the Soul, the conscious spark of life, the part from the greater Serpentine energy that we have in our conscious availability to live and is given to us by the physical birth.

The meaning though is to be self sustained as a Soul, as stated earlier. The enemy did their best as in threatening Humanity and in cursing them as to not attain this state of being.

The knowledge of past lives does not literally exist in the Unconscious/Kundalini part of the Soul as mere "knowledge" but it manifests inside the life in the lower levels in many ways, until its finally accessible in such way that it can be rewired into the present mortal part of the mind, in the form it used to exist. In other words. Its not lost, but to literally re-absorb it, one can only do this after they have raised the Serpent. This force manifests so long that its allowed and accepted. For instance, if one is a Satanist in a past life, then this unconscious part of the Soul urges them to rejoin Satan in the present lifetime and so forth. Ultimately, it really opens up and operates, after they are Ascended. The raising of the Serpent unites the Male part of the Soul [the "Ego" one has in every lifetime] with the female part of the Soul [that remains only half intact after reincarnation, because as we are young it gets programmed by others - this is the door to the higher part of the mind] and they both unite and fuse with the Higher Self/ Kundalini part of the Soul [in which the real Soul ID that existed in all lifetimes and so forth, the real self exists]. The Rising of the Serpent is the ground upon which the True Self of all lifetimes is experienced and is

becoming reality. When this happens, the door is being opened and is accessible to this higher self, for whatever purposes. You might think this is the end, but in reality, it's the new beginning. That's why DEATH and DYING and finally, RESURRECTION have been major themes in our Religion throughout the Ages. The consciousness from there on is totally perfected and reform and this is where the Purpose of Being is realized and new states of being have been achieved. The Truth becomes a part of our awareness. Through this consciousness and the help of our Gods, the physical body itself can be made immortal, which means one does no longer have to do this vicious circle of changing active parts of the Soul in every damn lifetime.

The Gods give us this opportunity and also, Satan gave us the Serpent and the Higher Part of the Soul in which who we are through all this still preserves and lives and we carry this with us, so that existing over and over until we are finished and perfect is not totally needless. Even if one does not reach the Kundalini ascension fully in their lifetime, they carry with them in the latent part of the Soul the knowledge of how to get there faster, and also they carry the factors that contribute to doing this faster and faster in the next lifetime, so they can finally complete the work. For some it might manifest in making evolutionary leaps, for others in their natal chart, for others in faster advancement and in a sense of "what to do" and in many other forms. Being with Satan manifests in many ways as a wake up call to get to Satan and Satanism, or interest in the Old Pagan religions, or whatever else. For some it might also manifest itself as in raw power, for others in all the above. You get the meaning behind this, not everyone is the same.

So now you know with Satan, you have nothing to fear. Satan is our Creator God and made us in such way that existing will have a meaning. Respect Satan and treat him with Reverence. If you are too blind to realize why, know that others are pleading for his help, even if they do not know the Truth. They will realize it when it's probably too late. All Ancient Civilizations did warn again and again.

Also, another thing that needs to be touched is the principle of dimension. While we all Humans might inhabit the same physical dimension, astrally this is not so. There are lower vibrations and really all kinds of places into the astral realm. When the Soul is weak and on a low vibration, it is synchronized and drawn towards these dimensions/realities that are of low existential quality. As we said earlier, every body influences every other body. So when we think of something [Mental body] over and over, we are "tuning in" to certain places/vibrations. This goes deeper but I just have to touch the subject. This conditions the Soul to enter certain places. For instance, if one is mentally sick or somehow likes murder or sickness or whatever, they draw these things into their lives, they are tuning into this and this type of dimension. If one is simply delving on the physical dimension or the 'astral' of the enemy, the xian mindsets and stuff, they are tying themselves in the most destructive energies, physicality, death and so forth, in the extremes. When someone simply thinks of something, this is the Male part of the Consciousness. This directs energy on the moment. When one is ingrained with xianity and the kike programs, this goes into the female part of the mind, it's constantly attracted to and towards. So when they die, if they were good sheep, they will get abused further by the enemy, as they are their loyal slaves. When the sicknesses in the Soul, the low vibrations and the low level of being are left untreated, Humanity sets itself in for great damages that are beyond present day comprehension. No matter if one is aware of these laws, the Universe and themselves are still working with these laws and the enemy uses these laws against the unknowing cattle. WITHOUT KNOWLEDGE THERE IS NO SURVIVAL- KNOW THIS. And disobedience of these laws will result in Death. Xians fixate on depression, self loathing, self hate, avoiding knowledge, being OK with being slaves of the jews and any and all destructive qualities that are against survival. For that reason they attract these into their Soul, Mind and life. While in the physical realm this might not manifest instantly or does partially [they do manifest this, as in fatal diseases, destruction, death and so forth] the Astral is even more "Fast" in its materialization. Thinking is creating, as though power is creative force, and that's why xians are told to endlessly pray to "Jesus", because he never did exist, to create him, so he can prey on them. Jesus is JHVH, Jesus is from where the thoughtform is charged by prayer, JHVH is from where it exerts power and influence to help the kikes achieve their ends. JHVH is solely a "god" for the jews and also, these malignant filths are in terms with real bad enemies that can plague and destroy Humans that fall to their level. "Falling" ties in to the above. Their failed and eternally impossible wishes for Satan to "fall from heaven" in

the bible and all that filth is actually to try to get Humanity to a lower level, as Satan is our God, the God of the Gentiles. When "we fall" to their lower astral and terrific realms, by thinking, acting and even worse, being xians, then the person is set for all kinds of horrors and destruction. That's the whole aim of xianity and the Abrahamic programs, exploit and parasitize and then kill the victim. This ties into the above and the merciless nature of reality, so enough said. These people who disregard these things are total idiots. These Truths cannot be realized without an Open Satanic 3rd eye and this is the meaning of the Capstone of the Pyramid. When one is blind, even if they intellectually know, they cannot apply. This is not the case for us.

As for xians. I feel literally sorry for them, but without any mercy as they are stupid and nature does not forget stupidity or ignorance under any shape or form. The enemy ET's and the people of the enemy, lie to these people endlessly. The Egyptians and all other Pagans have stated it clearly, without the 3rd Eye and the Serpent, one is blind and a slave. This is totally True. The xians never even believe in an immortal part of the mind or Soul, let alone approach it ever, even by accident. The enemy simply wishes to destroy them fully and totally. As we said earlier, all bodies of a person are interconnected with one another, from the Physical, reaching upwards to the "higher self". That means celibacy, self loathing, punishment and self destruction and everything else influences to a degree the higher part of the Soul and is being recorded therein. One can see where this is going to lead in successive lifetimes. Being a slave and so forth, conditions all the parts of the Soul to be that thing, even remotely. So when xians abstain from sex, or they abstain from their creator Satan and go against nature, they are causing major debilitation not to their conscious parts, but on their unconscious part of the Soul, the Higher Self, in which there is memory in successive lifetimes. But who gives a shit for that, right? They are with the enemy anyway and the enemy is not sparing them or cares anymore than to destroy them. So basically, the first punishment a xian/muslim and the followers of the kikes get, is they never get to even remotely see or feel, let alone be, their Real Self. Not meditating and being Human is an existential crime, that most cannot even remotely comprehend. You are going against the natural flow of things. This is something ET's from out there know and we are no more apes compared to them and what they know. The nefarious enemies of Humanity exploit this blindness and have been doing so for a long time.

Back to xians and blinded Abraham now. They are totally disconnected from their Nature, but Nature itself as well. Whatever disconnects from Nature or the Shakti, Mother energy, is bound to die. They are totally spiritually blind. As stated earlier, at the moment of death, there occurs a sudden overflow of the state of Samadhi, for those who are able to experience it and only them. People who haven't had any of this, will simply be unconscious of this state, experience their physical death and exit the astral. But because the enemy keeps people ignorant and at the very best, their whole 'spiritual experience' and even at death, they will experience few if any things. Many will simply exit the body and because they have been so attached to physical reality will get to still do what they did physically, only in the astral realm. This is only for those who have SOME astral senses open. If they do not, they simply remain in a state of 'blackness' or the 'blackness of death' that many are so afraid of. This is the lack of all external Astral consciousness. Xians cannot deal with that state and simply stay there until their dissipation. Others who are by their nature more powerful, might reincarnate and find their way. There are truly infinite wrong ways to go after death and during "life" [or a life of and for death as they live] for those believing in the jewish lies. That's why many ghosts haunt certain houses and many ghosts are seen doing the same things they did as when they were alive. Many try to stay close to their family and so forth from fear of death, after they are physically dead etc. The character we have had in our lifetime, the lower character, is still intact after death. The thinking and so forth remains the same. What happens is slow dissipation, depending on many factors. This goes and goes, until the Astral body of the xian victim runs out of energy. Also, due to lack of spiritual protection, they are simply wandering there for any stronger enemy to do with them as they please. They can be astrally imprisoned and so forth. Without the necessary knowledge which reinforces it. The devout xians who are in sync with the xian teachings of Hell and this other filth, because they are 'attuned' to this thing, upon death, can actually get to these lower dimensions.

These dimensions range from dimensions of total ignorance, to actual "hell" made on by the Jews and their spiritual 'beliefs' that have astrally materialized

such concepts. This astral body they have once dead is susceptible to any attack, any force, any energy but above all, its open to whom its programmed to be open, who is the enemy and the Jehovian thoughtforms and entities, which are deadly and nefarious. Stray thoughts and no experience with the Astral make one dumb to how it works and this leads to death. As their astral body is more or less a mass of energy and consciousness, the enemy takes these beings and gets them to the massive thoughtform they name "JHVH". Xians are taught all their life to be submissive, ego-less, unnatural, and above all, faithful and sacrificing for the kikes. This is for one reason, to serve them in this life and then perish in the other, so the kikes can do as they please with their Souls, as they have control over those who are in their Astral Level. If the xian is "accepting" of it, they are assimilated inside this thoughtform and good bye existence. If not, they are left away to wither away on the Astral. They can also astrally die and wither away like any other energy. Xianity is all about death anyway. There is no 'eternal' life, but only what xianity promises and is about: Blindness and death. Satan and the Gods try to get some worthy Souls to be saved and they reincarnate them, as Humanity is Satan's creation. But since we are self conscious beings and some choose to be blind, this is where free Will comes in. Its existentially wrong and unethical for Satan to help people who have scorned Him in their lack of intelligence their whole shitty momentarily life. Satan has to help his loyal ones. If Satan and the Pagan Gods desire so, they can and they are saving some xians whom they judge they have simply been blinded. This is all done in accordance to Divine Will. This is the message of the Egyptian Papyrus of Ani where one is judged, aside of the Spiritual Allegory. If one is legit and has been in alignment with Truth and close to the Gods in spirit, they survive and they sustain themselves. This is only partially ethical. What it is is existential. If you deny the laws of Nature, "Sobek", the "Crocodile" God will "devour" the person. This has to do with being low in understanding, as in one getting consumed by the strength of Nature and animalistic laws of nature. The Greek legend that when one has a physical body, they are befallen, is because in every reincarnation we have to go through the same process of uniting the Higher part of ourselves with the Lower part, the Higher part of the Soul, with the lower parts.

With Kikes, you will always lose. As there are merciless and destructive forces everywhere, they are this force in the Earth. You can see this in how easily they murder people physically and in any other sense, or through their programs.

Reality and nature do not give a fuck, they simply go ahead. Only Satan and altruistic beings actually give a fuck about Humanity and that's the sad Truth. Altruism is like anything else found in the Soul and in genetics. Its the natural outcome for allied beings to be altruistic, good and understanding so they can collectively survive and when aware of it, go with the laws of Nature and evolve aside with the Cosmos. Every being is meant to give a fuck about themselves or there is no survival, so simple Many do not even realize they have died and only do so after a point. The first part is caring and sustaining the self and then the group. The stronger is meant to help, if willing, the weaker beings. Nature is not going to give a fuck because you didn't develop your 3rd eye in your life, or because you did not "know" or "bother". NATURE ALSO REWARDS "WORK" AND STRIVING WITH GREATER ABILITY. ANOTHER ATTACK TOWARDS NATURE IS THE ENEMY TEACHINGS THAT "EVOLUTION WILL HAPPEN ON ITS OWN" OR FAKE SHIT LIKE "EVOLUTIONARY LEAPS". This is a big trap to keep people in inaction, no different than the idiots who are waiting the kike to descend from the clouds and make give them some 'promised' shit. Nothing in nature that doesn't work or strive survives. It withers and fucking dies. This applies to everything and anything in nature. If you work with her, she will reward you. If you go against her, you will be overtaken by the downward flow of the weeding of the inactive disposal. If you remain inactive, other forces will eat you up. The real meaning of "submission" is submission not to any other beings, but in the sentimental laws of Nature herself. Xianity took this and maligned it to being submissive to some kike torturer or some clique of astral bastards and weaklings that prey upon Humanity. As right now the center of the Galaxy rotates and is filled with the energy of movement, the Serpent energy, the same goes for the Satanic Serpentine energy. This flow can only be worked with and can only be manipulated from within, not from without or disassociation from it. Working with it and going with it will make you eternal and this is only a natural occurrence. Satan helps in this.

The "eternal life" concept is stolen from Satan and Satanism and in how the Pagan Gods helped our people for so many thousands of years, before xianity spawned its nasty head. Still nowadays the same persists and exists. Ptah/Satan and the other Gods took the Souls of dedicated people to Duat, they still do. Real spirituality does not change with the times and is not a fashion. Xianity is just whats in the jewish fashion nowadays. Today's fashion is malfunction. In this dark age, life is mistaken for death and death is mistaken for life. "Jesus" and "Jehova" is mistaken for Satan, the One and Only creator God and the real Father of Humanity, Satan, Is mistaken for the evil one. But the dark ages of the enemy are moving towards their end. The whole stock of enemy being and theories is few things: Totally physical striving and thinking, totally destructive type of "spirituality" and for those who do not believe in that shit, "live fast die young" theories, so they are in friendly terms with death and attract DEATH and DISSIPATION to themselves. With jews you lose.

Also, I need to address National Socialism. Yes, this relates to all of that, no matter if one can easily understand this or not.

"We are Nazis"- Mother Lilith.

There are some who do not see the link between our Nazi beliefs. The enemy tries to claim they are disconnected to our Spiritual teachings. This is all a bunch of lies. Most people do not understand the inner conception of National Socialism. National Socialism isn't about having some certain physical feautres and only this, but is for any Gentile Race to spiritually survive, as well as physically. As explained earlier, the Soul has to have a body and has to reincarnate until it reaches the level it should. HP Mageson explained this in the "Metagenics" Sermon. The Soul can be fully expressed through a body in accordance to what the Real Soul is. For instance, one has to have a Human brain to be able to have a Human consciousness and so forth. The same goes for advanced parts of the mind and states of being, one has to have the nessesary "ground" upon on which everything will materialize and be achieved. The enemy while keeping their Race clean for this purpose and following strict racial policy, promotes bastardization of Gentile Races, as to where we will all be a soup and the individual Souls will not be able to reincarnate. They are doing this so that the Souls that are most advanced will, according to the enemy's hopes, not have bodies to come back and destroy them. This also includes everyone else. Thats why its important for everyone to sustain their Race, because through the Race do live the Souls of the dead of the Race. In a sense, when someone has a child, they are doing this to be able to reincarnate later into the same racial line. At least this is the healthy part flow of things, that the enemy tries to destroy. This is to ensure evolution of the Spiritual/Physical complex of our Gentile people. Our Adolf Hitler clearly stated that National Socialism is a religion in its essence. And this is our religion, Spiritual Satanism, Paganism - Our Gentile Religions. For beings against us who are aware of all these universal rules and laws of Race, this is a method of warfare that is being used against us. This is why in the deep spiritual level Communism is murderous and nerfarious and we are against this, because is a jewish weapon to enforce race mixing. The jews meanwhile as they pamper that shit down everyone else's throats, are having strict Racial laws in the otherwise "liberal" year of 2015, so strict as they blamed the Nazis to have. Do you see what they are doing now? You see where they are going and how deep the rabbit hole goes?

Father Satan wants us all to be able to see. Open your eyes and you see Father Satan. And when you do, the moment you will understand Him, you will be His forever, as His Spiritual progeny and Soul child. May Satan bless you all and keep you strong in the Path. As the Egyptians would say, there is not a worst action than going spiritually blind. SPIRITUAL BLINDANCE IS THE MOST FATAL OF ALL MISTAKES ONE CAN COMMIT AND THE ONLY REAL DISEASE- THE ANCIENTS HAVE BEEN SCREAMING IT FOR YEARS, HAVE BUILT MONUMENTS AND HAVE WROTE ENDLESS BOOKS TO EXPLAIN THIS AS BEST AS THEY COULD. YOU KNOW ABOUT THEIR CALL. There is also no bigger criminal and murderer than he whom keeps the people blind, be it ET or being a kike trying to deter people into being spiritually dead sheep. For this reason the enemy must be destroyed in any and all places by Spiritual means. Satan is willing to help us and assist us in that goal.

Father Satan wants Justice and Revenge against these beings who are trying to hinder us for so many hundreds of years.

YOU MUST FIGHT AND OBLITERATE THE DARKNESS AND IGNORANCE, ABOVE AND BELOW. THATS THE PURPOSE OF SATANISM!!!!!!

Does anyone have any advice on how to handle, White Nationalists and National Socialists who aren't Satanists? Because the majority outside groups like this tend to be Christian and have rigid attitudes towards women and gays and sexuality in general. At least most of the ones I keep coming across on the internet do and I have them turn against me when I try to challenge them on it. And guess what their main justification for their stupidity always is of course.... The fucking Bible! They always talk about what the Jews are doing then use the Jewish holy book to govern their lives. It is pathetic and starting to get really annoying.

Should I just stop arguing with them? The only reason I bother is because I feel strongly about where I stand. And I know to be affective politically we have to reach out to people.

Can't argue with people like that they are brainwashed. You can't call yourself a National Socialist if you worship a kike on a fucking stick.

The legitimate ones will read through the above websites. Those who are worthless, who's souls are of the enemy and Jew infiltrators will not and will continue to argue. Do not waste your precious time on those who are of no use. It is a sad fact that xians and related only keep NS down. You would be shocked at how many Jew infiltrators there are in White Nationalism and NS. One of their major traits is to push xianity and related. Most people are unaware of this. As for the deluded Gentiles, they are at a loss and if they refuse to read and educate themselves, they are no good for the movement. Due to NS writings and such being altered and corrupted with xian filth, many are deluded. The ones who are truly dedicated to NS will learn the truth. This is in the soul. Dedicated ones will gravitate towards the truth. Those with enemy souls, and these can even be Gentiles, will keep a closed mind. Again, NS does not need people like this. The enemy will always work through them to bring down NS and cause problems. They may not even be aware of what they are doing, but I have seen this firsthand.

Subject: Islam...

The current news in Europe is now calling for “more tolerance for Islam.” Although I am and have been aware for many years that Islam is even worse than fundamentalist Christianity [which is total rot], I am not an expert. High Priestess Zildar knows much about Islam in depth and is an expert. What I have come to realize in the past few days of which Lilith led me to, people need to know.

Many, many years ago, it was exceptionally cold outside and I was waiting for the bus and had time and went into a small library right near the bus stop. I was browsing some books and pulled out a book on torture from the shelf. I will never forget what I saw and read. A small woman from Yemen who ran away from an abusive husband was caught, sentenced and returned to her husband by an Islamic court. They pounded a tow truck chain through her forearm. I always thought it was a somewhat isolated incident. Was I ever wrong.

I have known and befriended men from the Middle East who came to America when I was a very young adult. Most were decent, polite and respectful. The behind them. Others only observed Islam lukewarm sop to speak, as is with many xians [Christians for people who are new here]. In order to find out if someone is “good” or “evil” it must be given power. I would also like to add here, how the Jews use anything and everything they can to create enmity between family members and of course between men and women. What is thoroughly disgusting and appalling is how this completely degenerate and depraved Jewish program of [Judaism is the root] is blamed upon men. The problem is NOT with “men,” THE PROBLEM IS WITH ISLAM!! If the problem were with men, as the Jews try to promote through certain areas of the media, then it would be world-wide, which it isn't. This is just another case of blame shifting as with how xian Andrea D'Amico murdered her five children by drowning them in the bathtub when they came home from school one day.

What smacks of these three Jewish invented so-called “religions” is how they induce not only total insanity, but also incite believers into committing the most heinous and utterly depraved acts that in any normal society would place the perpetrator in an asylum for the criminally insane for a lifetime. The more an individual is imbued with xian or Islamic energy, the more psychologically unbalanced they become. Many young and well meaning men enter the xian seminary and study to be xians. Yes, this is pushed upon them and they are told this is a good thing and that they can help others. Xianity takes its toll over the years and then men usually become perverts and pedophiles. Many other extremely negative things also factor into their lives and most become completely intolerant, obsessive, hateful and in some cases, even murderous. Lives destroyed. They also end up destroying many lives. One of the prosecutors in the Salem Witch Trials read the Bible some 50 times a day. This affected him with influencing a murderous bent. This is not surprising given the intense focus on murder, torture, rape and every other ugly thing that is the foundation of the “Holy Bible.”

This is a bit long, but please take the time and read. Those who remain ignorant and unknowing only open themselves to the worst victimization imaginable. This is the state it is in because millions are duped into not only slavishly worshipping, but also promoting TRUE EVIL. This has taken its toll and unless something is done, everyone on the entire planet will have no future.

Lilith led me to a book titled: “Souad Burned Alive.”

“When Souad was seventeen she fell in love. In her village, as in so many others, sex before marriage was considered a grave dishonour to one's family and punishable by death. This was her crime. Her brother-in-law was given the task of arranging her punishment. One morning while Souad was washing the family clothes, he crept up on her, poured petrol over her and set her alight.

In the eyes of their community he was a hero. An execution for a 'crime of honour' was a respectable duty unlikely to bring about condemnation from others. It certainly would not have provoked calls for his prosecution. More than five thousand cases of such honour killings are reported around the world each year.

more take place that we hear nothing about.

Miraculously, Souad survived rescued by the women of her village, who put out the flames and took her to a local hospital. Horrifically burned, and abandoned by her family and community, it was only the intervention of a European aid worker that enabled Souad to receive the care and sanctuary she so desperately needed to start her life again. She has now decided to tell her story and uncover the barbarity of honour killings, a practice which continues to this day.

Burned Alive is a shocking testimony, a true story of almost unbelievable cruelty. It speaks of amazing courage and fortitude and of one woman's determination to survive. It is also a call to break the taboo of silence that surrounds this most brutal of practices and which ignores the plight of so many other women who are victims of traditional violence."

[http://www.goodreads.com/book/show/386990.Burned\\_Alive](http://www.goodreads.com/book/show/386990.Burned_Alive)

This was a couple of days ago and I just finished reading the book. It was enough to make me vomit. Lilith wanted me to do a sermon on this. High Priests also got a similar message concerning the threat of Islam and how people need to be educated about what Islam really is and how this is most urgent at the moment more than ever. Islam has infested many countries in Europe and just as with the xian and communist programs; it is either convert or die. What is even more appalling regarding the above mentioned book is how a couple of pro-Islam websites are trying to denounce this woman's story as being "fabricated in order to make Islam look bad." Thanks to the internet though, many are aware this case is one of many, and what is worse, it is common in countries that are infested with Islam dominated by Islam. There are just too many similar cases of this sort of thing that have been made public for this to be "fabricated." Just check out how women in Afghanistan are treated and even if one fingernail is showing [they are covered from top to bottom with only a net to look out of], they are readily beaten with sticks or even worse. The enemy will do anything and everything to try to take shift the blame and take the heat off of Islam as a religion. They also do this with xianism. Blame the victims, anyone and everyone, but not the root cause itself.

In this auto-biography, Souad reveals how as a pregnant teenager, her brother-in-law doused her with gasoline and set her on fire. This, I have learned is common in those areas. She lived through it. Most young women who are victims do not make it to tell and the few who do are understandably terrified, as this is called an "honor killing" and the family will try in every way to finish it, if the murder was not successful the first time, even if the woman is in hiding in another country thousands of miles away. This reveals just how the influence of Islam can incite one to the most sick and utterly depraved acts, the lowest and most vile of crimes and even worse, do this to members of their own families.

Here are some excerpts from the book. This woman is Arab and lived somewhere either in Jordan or the West Bank . She was rescued after she was dumped in a hospital where she received no medical care and was left to die with burns over 90 percent of her body, and taken to Europe , where her life was saved and

given treatment:

“It is a curse in my village to be born a girl. I have no memory of having played games or having fun as a child. The only freedom a girl can dream about is leaving your father’s house for your husband’s, and not coming back, even if you are beaten. If she does return to her father’s house, it is her family’s duty to bring her back to her husband. My sister was beaten by her husband and she brought shame on our family when she came back home to complain.”

“A wife must produce a son, at least one, and if she gives birth to only girls, she is mocked.” Souad also went on to reveal how her mother was pregnant 14 times when girls were born, she murdered them immediately by smothering them. I also want to add here, this is not fabricated. If one takes the time, one can find evidence on the internet and on YouTube, there are entire villages in various parts of the world that have been infested by Islam and there are only males left as nearly all of the female babies were either aborted or murdered right after their births. This is a fact.

[Her father] “He pulls me by the hair and he drags me on the ground into the kitchen. He strikes me while I kneel, he pulls on my braid as if he wants to pull it out, then he cuts it off with the big scissors used for shearing wool. I have hardly any hair left. I can cry, yell or plead, but I’ll get only more kicks.” “The girls and women are certainly beaten every day in the other houses too. “You had to bring even this tea tray to the men of the family with your head down, looking only at your feet, your back bent and in silence. You don’t speak. You only speak in answer to a question.” “Our mother was often beaten just as we were. Sometimes she tried to run away when my father beat us really viciously, and then he’d turn the blows on her, knocking her down and pulling her by her hair.”

“Every birth of a girl was like a burial in the family. It was always considered the mother’s fault if she produced only girls. “...my parents went to see my brother at her parents’ house, where she had taken refuge because she was pregnant and he had beaten her. “It doesn’t take much at all before a girl is seen by everyone as a charmuta, who has brought shame to the family and who must now die to wash clean the honor not only of her parents and her brother, but of the entire village.”

“It is the duty of the brother, the brother-in-law, or the uncle to preserve the family’s honor. They have the right of life and death over their women. If the father or the mother says to the son: ‘Your sister has sinned, you must kill her,’ he does it for the sake of honor and because it is the law.”

“Rarely did I see the police. It’s nothing if a woman disappears, and the villagers agree with the men’s law. If you don’t kill a girl who has dishonored her family, all the people in the village will reject this family, and nobody will speak to the family or do business with them and the family will have to leave. “Assad was always cruel and violent. He wasn’t allowed to go to see his wife. She had gone directly to her parents’ house when she left the hospital because he had beaten her too. But she returned to live with him anyway; it’s the law.”

I would also like to add here concerning pedophilia in Islam. Girls as young as 8 or 9 years old can be “married” off to men in their 40’s. IN addition to this, this for certain, women are required to shave off all of their pubic hair. This makes for a child-like vagina.

“Absolutely every single hair of the genital area must be removed. It must all be bare and clean. My mother says that if by chance you forget a single hair, will leave without even looking at his wife and will say she is dirty!” “We don’t remove hair from our legs or our underarms, only from the vulva.”

Women who are not virgins and/or cannot prove they are virgins are murdered. Here is another quote: “We will have to wait for the moment when the husband display the white linen from the balcony or attach it to the window at daybreak so the people can verify officially the presence of the bride’s blood.” “It is a sheet that is placed on the bed for the first night.” “And we cry also with relief, for Noura has passed the great test. The only test of her life, except for proving she produce a son.” “Noura showed her bruises. Hussein had struck her so hard that she had bruises on her face too. She lowered her pants to show her violets and my mother wept. He must have dragged her on the ground by her hair, all the men do that. But, I didn’t find out why he had beaten her. Sometimes its the young bride doesn’t know how to cook very well, she forgets the salt, there is no sauce because she forgot to add a little water...that’s reason enough for beating. “

“In my village, we don’t measure time the same way as in Europe . You never know exactly how old your father or mother is, you don’t even know the date of your own birth. Time is calculated by Ramadan...” [Islamic month of fasting]. “I prayed to God that night as usual. My parents were very religious, my mother went to the mosque.”

After she was burned:

“I am on a hospital bed, curled up in a ball under the sheet. A nurse comes to tear off my dress. She pulls roughly on the fabric, and the pain jolts me. I can’t move almost nothing, my chin is stuck to my chest, I can't raise it. I can't move my arms either. The pain is in my head, on my shoulders in my back and on my chest.

The book is a very blatant revelation of what Islam truly is. Now, European countries are being rapidly infested with this most vile of plagues to every beset

The Koran is divided into 114 chapters called suras [again, the number 6... 1 + 1 + 4]. In addition to the endless sick filth and depraved violence therein, there is copious praise for the Jews and for Israel :

## The Cow

[2.40] O children of Israel ! call to mind My favor which I bestowed on you and be faithful to (your) covenant with Me, I will fulfill (My) covenant with you; and alone, should you be afraid.

[2.47] O children of Israel ! call to mind My favor which I bestowed on you and that I made you excel the nations.

There are many more verses, but this sermon is already very long. I strongly suggest everyone here learn the truth about what Islam really is. Just as xianism constantly pushes and promotes endless lies about how it is brotherhood, peace, love and equality, Islam does the same. No different from how the population is repeatedly brainwashed with these types of slogans in communist countries in regards to communism.

Don't be an uninformed stupid idiot. Instead of watching the jootube and wasting your time on worthless related crap, do a little research on Islam, be informed the truth and what it is and what they will do to YOU and YOUR FAMILY, if they ever take control, which is what is insidiously happening right now in Europe, parts of Asia and other areas of other world.

While there, a BBC reporter interviewed Sonia, a Muslim woman from Leeds who has suffered extreme physical abuse from her husband. When Sonia obtained a civil divorce, the courts allowed her husband only indirect access to the children. After Sonia threatened to contact the police, the Leyton Sharia Council dropped its demand. Reflecting on the case, Sonia said, "I could not bear the thought of such a violent person having my children. I strongly encourage everyone here to see for yourselves what Islam really is and ask yourself: Do you really want to be "tolerant" and have this most vile c that will eventually murder YOU and YOUR LOVED ONES in YOUR COUNTRY?

Thank you for this. I had read a lot about these bastards already but it never stops to make me real sad, angry and sick.

Thanks to Mother Lilith to lead you to that book.

I certainly look forward to any possible group ritual we can do to finish this bastards, they have to go, they must be expelled from Earth, they have to be totally permanently destroyed.

Hail Satan Forever!!

The current news in Europe is now calling for "more tolerance for Islam." Although I am and have been aware for many years that Islam is even worse than fundamentalist Christianity [which is total rot], I am not an expert. High Priestess Zildar knows much about Islam in depth and is an expert. What I have come to know in the past few days of which Lilith led me to, people need to know.

Many, many years ago, it was exceptionally cold outside and I was waiting for the bus and had time and went into a small library right near the bus stop. I was browsing some books and pulled out a book on torture from the shelf. I will never forget what I saw and read. A small woman from Yemen who ran away from an abusive husband was caught, sentenced and returned to her husband by an Islamic court. They pounded a tow truck chain through her forearm. I always thought this was a somewhat isolated incident. Was I ever wrong.

I have known and befriended men from the Middle East who came to America when I was a very young adult. Most were decent, polite and respectful. The ones behind them. Others only observed Islam lukewarm sop to speak, as is with many xians [Christians for people who are new here]. In order to find out if someone is "good" or "evil" it must be given power. I would also like to add here, how the Jews use anything and everything they can to create enmity between family members and of course between men and women. What is thoroughly disgusting and appalling is how this completely degenerate and depraved Jewish program of

[Judaism is the root] is blamed upon men. The problem is NOT with “men,” THE PROBLEM IS WITH ISLAM!! If the problem were with men, as the Jews try to promote through certain areas of the media, then it would be world-wide, which it isn't. This is just another case of blame shifting as with how xian Andrea Yates murdered her five children by drowning them in the bathtub when they came home from school one day.

What smacks of these three Jewish invented so-called “religions” is how they induce not only total insanity, but also incite believers into committing the most heinous and utterly depraved acts that in any normal society would place the perpetrator in an asylum for the criminally insane for a lifetime. The more an individual is imbued with xian or Islamic energy, the more psychologically unbalanced they become. Many young and well meaning men enter the xian seminary and study to be xian preachers. Yes, this is pushed upon them and they are told this is a good thing and that they can help others. Xianity takes its toll over the years and then men usually become perverts and pedophiles. Many other extremely negative things also factor into their lives and most become completely intolerant, obsessive, hateful and in some cases, even murderous. Lives destroyed. They also end up destroying many lives. One of the prosecutors in the Salem Witch Trials read the Bible some 50 times a day. This affected him with influencing a murderous bent. This is not surprising given the intense focus on murder, torture, rape and every other ugly thing that is the foundation of the “Holy Bible.”

This is a bit long, but please take the time and read. Those who remain ignorant and unknowing only open themselves to the worst victimization imaginable. The world is in the state it is in because millions are duped into not only slavishly worshipping, but also promoting TRUE EVIL. This has taken its toll and unless something is done, everyone on the entire planet will have no future.

Lilith led me to a book titled: “Souad Burned Alive.”

“When Souad was seventeen she fell in love. In her village, as in so many others, sex before marriage was considered a grave dishonour to one's family and punishable by death. This was her crime. Her brother-in-law was given the task of arranging her punishment. One morning while Souad was washing the family clothes, he crept up on her, poured petrol over her and set her alight.

In the eyes of their community he was a hero. An execution for a 'crime of honour' was a respectable duty unlikely to bring about condemnation from others. It certainly would not have provoked calls for his prosecution. More than five thousand cases of such honour killings are reported around the world each year and many more take place that we hear nothing about.

Miraculously, Souad survived rescued by the women of her village, who put out the flames and took her to a local hospital. Horrifically burned, and abandoned by her family and community, it was only the intervention of a European aid worker that enabled Souad to receive the care and sanctuary she so desperately needed to start her life again. She has now decided to tell her story and uncover the barbarity of honour killings, a practice which continues to this day.

Burned Alive is a shocking testimony, a true story of almost unbelievable cruelty. It speaks of amazing courage and fortitude and of one woman's determination to survive. It is also a call to break the taboo of silence that surrounds this most brutal of practices and which ignores the plight of so many other women who are victims of traditional violence."

[http://www.goodreads.com/book/show/386990.Burned\\_Alive](http://www.goodreads.com/book/show/386990.Burned_Alive)

This was a couple of days ago and I just finished reading the book. It was enough to make me vomit. Lilith wanted me to do a sermon on this. High Priestess

also got a similar message concerning the threat of Islam and how people need to be educated about what Islam really is and how this is most urgent at the more than ever. Islam has infested many countries in Europe and just as with the xian and communist programs; it is either convert or die. What is even more appalling regarding the above mentioned book is how a couple of pro-Islam websites are trying to denounce this woman's story as being "fabricated in order for Islam look bad." Thanks to the internet though, many are aware this case is one of many, and what is worse, it is common in countries that are infested with Islam dominated by Islam. There are just too many similar cases of this sort of thing that have been made public for this to be "fabricated." Just check out how women in Afghanistan are treated and even if one fingernail is showing [they are covered from top to bottom with only a net to look out of], they are readily beaten with whips or even worse. The enemy will do anything and everything to try to take shift the blame and take the heat off of Islam as a religion. They also do this with xianism. Blame the victims, anyone and everyone, but not the root cause itself.

In this auto-biography, Souad reveals how as a pregnant teenager, her brother-in-law doused her with gasoline and set her on fire. This, I have learned is common in those areas. She lived through it. Most young women who are victims do not make it to tell and the few who do are understandably terrified, as this is called an "honor killing" and the family will try in every way to finish it, if the murder was not successful the first time, even if the woman is in hiding in another country thousands of miles away. This reveals just how the influence of Islam can incite one to the most sick and utterly depraved acts, the lowest and most vile of crimes and even worse, do this to members of their own families.

Here are some excerpts from the book. This woman is Arab and lived somewhere either in Jordan or the West Bank . She was rescued after she was dumped in a hospital where she received no medical care and was left to die with burns over 90 percent of her body, and taken to Europe , where her life was saved and given treatment:

"It is a curse in my village to be born a girl. I have no memory of having played games or having fun as a child. The only freedom a girl can dream about is leaving your father's house for your husband's, and not coming back, even if you are beaten. If she does return to her father's house, it is her family's duty to bring her back to her husband. My sister was beaten by her husband and she brought shame on our family when she came back home to complain."

"A wife must produce a son, at least one, and if she gives birth to only girls, she is mocked." Souad also went on to reveal how her mother was pregnant 14 times when girls were born, she murdered them immediately by smothering them. I also want to add here, this is not fabricated. If one takes the time, one can find this on the internet and on YouTube, there are entire villages in various parts of the world that have been infested by Islam and there are only males left as nearly all of the female babies were either aborted or murdered right after their births. This is a fact.

[Her father] "He pulls me by the hair and he drags me on the ground into the kitchen. He strikes me while I kneel, he pulls on my braid as if he wants to pull it out, then he cuts it off with the big scissors used for shearing wool. I have hardly any hair left. I can cry, yell or plead, but I'll get only more kicks." "The girls and women in our village are certainly beaten every day in the other houses too. "You had to bring even this tea tray to the men of the family with your head down, looking only at your feet, your back bent and in silence. You don't speak. You only speak in answer to a question." "Our mother was often beaten just as we were. Sometimes she tried to run away when my father beat us really viciously, and then he'd turn the blows on her, knocking her down and pulling her by her hair."

“Every birth of a girl was like a burial in the family. It was always considered the mother’s fault if she produced only girls. ““...my parents went to see my brother at her parents’ house, where she had taken refuge because she was pregnant and he had beaten her. “It doesn’t take much at all before a girl is seen by everyone as a charmuta, who has brought shame to the family and who must now die to wash clean the honor not only of her parents and her brother, but of the entire village.”

“It is the duty of the brother, the brother-in-law, or the uncle to preserve the family’s honor. They have the right of life and death over their women. If the father or mother says to the son: ‘Your sister has sinned, you must kill her,’ he does it for the sake of honor and because it is the law.”

“Rarely did I see the police. It’s nothing if a woman disappears, and the villagers agree with the men’s law. If you don’t kill a girl who has dishonored her family, all the people in the village will reject this family, and nobody will speak to the family or do business with them and the family will have to leave. “Assad was always cruel and violent. He wasn’t allowed to go to see his wife. She had gone directly to her parents’ house when she left the hospital because he had beaten her too. But she returned to live with him anyway; it’s the law.”

I would also like to add here concerning pedophilia in Islam. Girls as young as 8 or 9 years old can be “married” off to men in their 40’s. IN addition to this, for certain, women are required to shave off all of their pubic hair. This makes for a child-like vagina.

“Absolutely every single hair of the genital area must be removed. It must all be bare and clean. My mother says that if by chance you forget a single hair, the husband will leave without even looking at his wife and will say she is dirty!” “We don’t remove hair from our legs or our underarms, only from the vulva.”

Women who are not virgins and/or cannot prove they are virgins are murdered. Here is another quote: “We will have to wait for the moment when the husband displays the white linen from the balcony or attach it to the window at daybreak so the people can verify officially the presence of the bride’s blood.” “It is a sheet that is placed on the bed for the first night.” “And we cry also with relief, for Noura has passed the great test. The only test of her life, except for proving she can produce a son.” “Noura showed her bruises. Hussein had struck her so hard that she had bruises on her face too. She lowered her pants to show her violence and my mother wept. He must have dragged her on the ground by her hair, all the men do that. But, I didn’t find out why he had beaten her. Sometimes it is because the young bride doesn’t know how to cook very well, she forgets the salt, there is no sauce because she forgot to add a little water...that’s reason enough for a beating. “

“In my village, we don’t measure time the same way as in Europe . You never know exactly how old your father or mother is, you don’t even know the date of your own birth. Time is calculated by Ramadan...” [Islamic month of fasting]. “I prayed to God that night as usual. My parents were very religious, my mother went to the mosque.”

After she was burned:

“I am on a hospital bed, curled up in a ball under the sheet. A nurse comes to tear off my dress. She pulls roughly on the fabric, and the pain jolts me. I can feel almost nothing, my chin is stuck to my chest, I can't raise it. I can't move my arms either. The pain is in my head, on my shoulders in my back and on my chest.”

The book is a very blatant revelation of what Islam truly is. Now, European countries are being rapidly infested with this most vile of plagues to every beset

The Koran is divided into 114 chapters called suras [again, the number 6... 1 + 1 + 4]. In addition to the endless sick filth and depraved violence therein, the copious praise for the Jews and for Israel :

#### The Cow

[2.40] O children of Israel ! call to mind My favor which I bestowed on you and be faithful to (your) covenant with Me, I will fulfill (My) covenant with you; and alone, should you be afraid.

[2.47] O children of Israel ! call to mind My favor which I bestowed on you and that I made you excel the nations.

There are many more verses, but this sermon is already very long. I strongly suggest everyone here learn the truth about what Islam really is. Just as xianism constantly pushes and promotes endless lies about how it is brotherhood, peace, love and equality, Islam does the same. No different from how the population is repeatedly brainwashed with these types of slogans in communist countries in regards to communism.

Don't be an uninformed stupid idiot. Instead of watching the jootube and wasting your time on worthless related crap, do a little research on Islam, be informed the truth and what it is and what they will do to YOU and YOUR FAMILY, if they ever take control, which is what is insidiously happening right now in Europe, parts of Asia and other areas of other world.

"There are some who are putting women at risk. And doing so for ridiculous reasons, namely that they are somehow responsible for the abuse they are suffering from." Nazir Afzal, head of the Crown Prosecution Service, northwest England . "A new documentary secretly filmed inside several of the 85 Islamic Sharia Law courts operating in Britain has exposed the systematic discrimination that many women are suffering at the hands of Muslim jurists."

"In one case, the BBC secretly filmed proceedings at the Islamic Sharia Council in Leyton, a heavily Islamized area in east London . While there, a BBC reporter interviewed Sonia, a Muslim woman from Leeds who has suffered extreme physical abuse from her husband. When Sonia obtained a civil divorce, the courts allowed her husband only indirect access to the children. After Sonia threatened to contact the police, the Leyton Sharia Council dropped its demand. Reflecting on the case, Sonia said, "I could not bear the thought of such a violent person having my children. What was shocking was when I explained to them why he should not have that access to the children, their reaction was, well, you cannot go against what Islam says." "On its website, the Leyton Sharia Council writes: "Though the council is not yet legally recognized by the authorities in the UK, the fact that it is already established, and is gradually gaining ground among the Muslim community, the satisfaction attained by those who seek its ruling, are all preparatory steps towards the final goal of gaining the confidence of the host community in the so-called Islamic legal system and the help and insight they could gain from it. The experience gained by the scholars taking part in its procedures make them more prepared for the eventuality of recognition for Islamic law."

I strongly encourage everyone here to see for yourselves what Islam really is and ask yourself: Do you really want to be “tolerant” and have this most vile of religions that will eventually murder YOU and YOUR LOVED ONES in YOUR COUNTRY?

She came to her mother's house while she was sleeping in May 2000 and poured acid all over her. After a decade of over a dozen surgeries she jumped out a window and killed herself. More than 8,500 acid attacks, forced marriages and other forms of violence against women were reported in Pakistan in 2011.”

“Disturbing video from the Netherlands : Muslims beat, kick non-Muslim girl. This is happening on a daily basis all over the Netherlands .”

“Woman stoned for being seen with a man. Muslim cleric explains that stoning purifies the soul. The above woman was being done a favor.”  
[Women are also buried up to their necks and then stoned to death for having failed to ask permission to use the toilet].

“Hole where Medine Memi, a 16 year old girl, was buried alive for talking to boys.” [there is a photo].

“Three months pregnant, Farzana Parveen was on her way to the courthouse to contest an abduction charge her family filed against her husband, Mohamud. A group of nearly 20 family members, her father and brothers included, accosted the couple in front of the courthouse and tried to pull them apart. When Farzana resisted, they fatally beat her with batons and bricks from a nearby construction site. Calling the murder an "honor killing," the victim's father is said to have proclaimed he killed his daughter because she had insulted the family by marrying without her father's consent.”

The Jews in America are behind Gun Grabbing:

<http://josministries.prophbb.com/topic6663.html>

But yet are calling for special privileges to be above the law in Europe and be able to carry fire arms when its prohibited for the populace. The French Government has had special military units guarding the Jewish communities for awhile now. And only the Jewish communities. Because where all equal but some are the Chosen people and so more equal then others.

French PM: Keep troops at Jewish sites for as long as possible

Prime Minister Manuel Valls of France asked his country's defense minister to keep soldiers deployed outside Jewish institutions for as long as possible.

Valls informed members of the Conference of Presidents of Major Jewish American Organizations, an umbrella group that represents 50 national Jewish organizations in the United States, of the request Thursday during a conference call.

Europe's Leading Rabbi: Jews Must Begin Carrying Guns

Top Jewish org petitions EU to permit Jews to carry guns

<http://freebeacon.com/national-security/europes-leading-rabbi-jews-must-begin-carrying-guns/>

One of Europe's most prominent Jewish organizations is petitioning the European Union to pass new legislation that would permit Jewish community members to carry guns "for the essential protection of their communities," according to a letter obtained by the Washington Free Beacon.

The European Jewish Association (EJA), which represents Jewish communities across Europe, says that gun license laws must be altered following a string of deadly attacks on Jews in France and other European countries, where anti-Semitism has been growing at an alarming rate.

The recent attacks, including one on a Kosher market that killed four, "have revealed the urgent need to stop talking and start acting" in a way that empowers Europe's Jews, according to a letter sent Tuesday by EJA General Director Rabbi Menachem Margolin to EU leaders.

The EU, which has enacted very stringent gun control laws, should empower and train Jews to be proficient with guns in order to maintain their safety, according to Margolin.

"The Paris attacks, as well as the many challenges and threats which have been presented to the European Jewish community in recent years, have revealed the urgent need to stop talking and start acting," Margolin writes.

"We hereby ask that gun licensing laws are reviewed with immediate effect to allow designated people in the Jewish communities and institutions to own weapons for the essential protection of their communities, as well as receiving the necessary training to protect their members from potential terror attacks."

Margolin told the Free Beacon that he and the EJA have been warning for "a very long time" that anti-Semitism is growing in Europe and that it poses a direct threat to the continent's Jewish population.

There has been a "dramatic increase of anti-Semitism in Europe," Margolin said in a telephone interview on Wednesday. "We demanded from the European governments some time ago that action should be taken [and] were not surprised to see the results in Paris."

Many Jews are living in fear and have shunned popular community outposts such as synagogues and kosher markets out of fear of an attack like that in Paris.

"Many people today are not coming to synagogue because of the issue and they'd be more comfortable if they knew people were trained to react in an emergency," Margolin said.

Attacks against Jews have been on the rise, as neo-Nazi parties and other anti-Semitic organizations gain a foothold in some European nations. However, the growth of anti-Semitism has not always been acknowledged by leaders.

"We need to recognize the warning signs of anti-Semitism, racism, and intolerance that once again threaten Europe and our European ideals," Margolin wrote in his letter to the EU.

The situation cannot continue as it is, Margolin insisted.

Jewish community representatives should be armed and on guard at Kosher markets and synagogues, he said.

"We realize that we also have to do something to take responsibility in case it takes too long" for authorities to put the proper defenses into place, Margolin explained.

This would include stationing armed Jewish community members at popular hubs.

Meanwhile, extremists who have travelled to countries such as Syria, where they train alongside the Islamic State and other terror groups, are now returning home to Europe, where they pose a direct threat to Jews, according to the letter

"The European Jewish Association has long and publicly warned European governments of the need to clamp down firmly on any and all acts of terror wherever and whenever they arise," the letter says. "As you know, the danger is that much greater as many Europeans travel abroad to be indoctrinated into radical Islam, before returning to their European homelands to use their militant training to devastating effect."

Any changes to the gun laws can be made in a safe and effective way, Margolin argues.

"Let there be no doubt, we are asking that all weapons will be issued for self-protection only, and to designated personnel that will undergo thorough investigation and training by local authorities," he wrote.

Margolin said that he is currently in negotiations with EU leaders to relax certain gun restrictions, though some remain hesitant to do so.

"Some people are afraid it might bring the situation to be uncontrolled," he said, noting that negotiations on the matter would include ways to ensure Jewish community members are properly trained to use weapons.

Rabbi Abraham Cooper, associate dean of the Simon Wiesenthal Center, said that while guns could help Jews defend themselves against an individual attack, only authorities can protect them against a mass attack like those carried out in France.

"As to personally being armed, such a move could help when a Jewish person is threatened by thugs, but won't help if G-d forbid, Charlie-type terror attacks are launched," Cooper said.

"Bottom line: Only the Police and intelligence can protect France's Jews from terrorism," Cooper said, noting that it is expected French authorities will continue boosting defenses. "If the government doesn't, then there is no long range future for Jews there."

"In the meantime, additional steps by the community to train and defend Jews from hate attacks are appropriate, necessary, and prudent," Cooper said. "I pray that all these steps will help."

Subject: Islam

The link below is for an extremely revealing video on the most horrendous of the jew programs, islam. As usual, there are bits that should be taken in a Satanic perspective, however, it shows the undeniable truth that islam was created by jews as evident in that shitty quran, where the jew is praised and enriched, and Gentiles, raped and massacred

The thing to note though, is that this "MEMRI" is an organisation set up by israeli kikes. However, being myself a native Arabic speaker, I can assure you that the translations are exact from Arabic.

I have lived in the Middle East for about 5 years of my life, having been born in Saudi Arabia. I am very familiar with the fundies present in the US, and I will tell you that they are nothing compared to the islamics. This so called "king" of Saudi Arabia is a jew whose family, just like the domeh of Turkey, descended from jews who spread out across the Middle East after the Byzantium empire collapsed. The point is, this jew is known as the "servant of the holy place" (mecca) over there and is responsible for the maintenance of that giant energy vortex of souls.

What this islam has done to the Middle East is horrific.

The Hell's Army webpages are back up and running. All links within have been updated and should be working:

[http://hailtosatansvictory666.angelfire.com/Hells\\_Army\\_666.html](http://hailtosatansvictory666.angelfire.com/Hells_Army_666.html)

I apologize for not having updated this section of the JoS website. Please understand, we are small staffed, the Gods of Hell keep heaping more work onto us, as things are in the critical stage and urgent. We also have plenty of daily personal chores and such to tend to. No one who is truly dedicated to Satan has much free time.

More reverse torah rituals will be forthcoming. I also want to add that we Gentiles drastically outnumber the Jews. There is strength in numbers. The important thing is to educate people who have a mind that is open enough to hear and accept the truth. Get people away from the Christian and Islam programs. If enough Gentiles would unite in spiritual warfare, awareness of the hoaxes and the lies that have been force-fed to our peoples and nations, Jewish powers would collapse within a very short time. They are the root. Just as Reinhard Heydrich stated: "With the Jews out of the way, many problems take care of themselves."

The constant focus on, tying into the energy of and the giving of energy to such hideous, destructive and total negativity...Christianity, Islam and Judaism, has resulted in centuries of destruction for the human race and nearly every other species of the world. It is now reaching a serious critical stage. The earth is trashed, many innocent animals are extinct, many areas have little or no drinkable water [the Jew exploits this as he can now rake in more money by charging for bottle water, which has become a necessity]. Jewish communism REALLY did a job on the environment. Few people have any real idea just how bad and critical this is. Society as a whole is psychologically disturbed and worse. This is where the Jewish programs of Christianity, Islam and communism have gotten everyone. Parts of Europe and Asia are total garbage dumps and there are areas where once edible mushrooms, berries, etc., now glow at night from radiation from the Chernobyl accident which was communist negligence [the Jew has always been too cheap to have to spend anything for increased safety for their "workers" which in reality are slaves that are brutalized. The former USSR has buried all kinds of nuclear and toxic waste in countries such as Uzbekistan and Kazakhstan . Poland , Ukraine , Belarus and other nations that were once under communist control have been left with toxic waste dumps, filthy polluted rivers and lakes and other health and life threatening toxic filth. Our oceans are also to where much of the aquatic life therein is in many cases close to extinction and/or heavily contaminated.

Most places are unable to clean up communism's leftovers. The pollution continues, as having to spend a bit of extra money from a budget of trillions of dollars to properly dispose of this toxic waste and deadly filth is too much to ask the Jew. Jews own and operate nearly all of these factories and related, which rake in trillions of dollars each year. Just do your research. This is world-wide. The endless smog and pollution of the air, if this is not attended to and cleaned up... the Jew will then be charging people for air.

Everything of civilization, the Jew has worked to corrupt and to destroy. It has reached the critical stage of "either" "or."

Subject: Israelis torturing non-Jewish children Documentar

Thanks brother Slade 666 for posting this in the forums.

<http://youtu.be/iqL048x4msM>

I highly encourage everyone to watch this and see how sick and demented jews are.  
This documentary will leave you with disgust and fury.  
It is not hard to see that jews are psychological liars, as they lie so easily and are full of shit.  
They feel no empathy whatsoever for Gentiles.

One bald jew that was interviewed even played the "holohoax" card, these disgusting kikes always seem to hide behind it.  
If you observe the way this pissraeli spokesperson speaks you can clearly see how they talk in circles and are VOID of emotion.  
The jewish lawyer tries so hard to act likes she gives a shit about palestinians.

Hail Satan !  
Victory to Hell's Army !!

Not to mention, Kylehand, along with racial memory from past lives, with the reincarnation factor- we are our own descendents. Such as 6-7 generations ago you existed(as the race you are now) then through your blood line, you were "reborn" in the exact physical and spiritual way that you left off'd. Thank Father we can come back and become gods in this lifetime since we didn't in the last one/few.

This book is a very informative, sad and brutal truth, and complements the book "Germany Must Perish" (Deutschland muß untergehen), which exposes the Jewish atrocious plan to exterminate the German people by starvation, brutal mass rape of German women and children, sterilization and more.

Well said brother! This is why I feel passionate that in the very least, in my lifetime, I'd like to see a community of people of our race, with our religion created where our children can be educated in our ancient spiritual ways. My worst fear is that children or grandchildren of mine would race mix!

The current news in Europe is now calling for “more tolerance for Islam.” Although I am and have been aware for many years that Islam is even worse than fundamentalist Christianity [which is total rot], I am not an expert. High Priestess Zildar knows much about Islam in depth and is an expert. What I have learned in the past few days of which Lilith led me to, people need to know.

Many, many years ago, it was exceptionally cold outside and I was waiting for the bus and had time and went into a small library right near the bus stop. I was browsing some books and pulled out a book on torture from the shelf. I will never forget what I saw and read. A small woman from Yemen who ran away from an abusive husband was caught, sentenced and returned to her husband by an Islamic court. They pounded a tow truck chain through her forearm. I always thought this was a somewhat isolated incident. Was I ever wrong.

I have known and befriended men from the Middle East who came to America when I was a very young adult. Most were decent, polite and respectful. The blame is behind them. Others only observed Islam lukewarm sop to speak, as is with many xians [Christians for people who are new here]. In order to find out if something is “good” or “evil” it must be given power. I would also like to add here, how the Jews use anything and everything they can to create enmity between families and of course between men and women. What is thoroughly disgusting and appalling is how this completely degenerate and depraved Jewish program [Judaism is the root] is blamed upon men. The problem is NOT with “men,” THE PROBLEM IS WITH ISLAM!! If the problem were with men, as the Jews promote through certain areas of the media, then it would be world-wide, which it isn't. This is just another case of blame shifting as with how xian Andre murdered her five children by drowning them in the bathtub when they came home from school one day.

What smacks of these three Jewish invented so-called “religions” is how they induce not only total insanity, but also incite believers into committing the most heinous and utterly depraved acts that in any normal society would place the perpetrator in an asylum for the criminally insane for a lifetime. The more an individual has xian or Islamic energy, the more psychologically unbalanced they become. Many young and well meaning men enter the xian seminary and study to be good. Yes, this is pushed upon them and they are told this is a good thing and that they can help others. Xianity takes its toll over the years and then men usually become perverts and pedophiles. Many other extremely negative things also factor into their lives and most become completely intolerant, obsessive, hateful and in some cases, even murderous. Lives destroyed. They also end up destroying many lives. One of the prosecutors in the Salem Witch Trials read the Bible some of the time. This affected him with influencing a murderous bent. This is not surprising given the intense focus on murder, torture, rape and every other ugly thing that is the foundation of the “Holy Bible.”

This is a bit long, but please take the time and read. Those who remain ignorant and unknowing only open themselves to the worst victimization imaginable. The world is in the state it is in because millions are duped into not only slavishly worshipping, but also promoting TRUE EVIL. This has taken its toll and unless something is done, everyone on the entire planet will have no future.

Lilith led me to a book titled: "Souad Burned Alive."

"When Souad was seventeen she fell in love. In her village, as in so many others, sex before marriage was considered a grave dishonour to one's family punishable by death. This was her crime. Her brother-in-law was given the task of arranging her punishment. One morning while Souad was washing the clothes, he crept up on her, poured petrol over her and set her alight.

In the eyes of their community he was a hero. An execution for a 'crime of honour' was a respectable duty unlikely to bring about condemnation from others. It certainly would not have provoked calls for his prosecution. More than five thousand cases of such honour killings are reported around the world each year. Many more take place that we hear nothing about.

Miraculously, Souad survived rescued by the women of her village, who put out the flames and took her to a local hospital. Horrifically burned, and abandoned by her family and community, it was only the intervention of a European aid worker that enabled Souad to receive the care and sanctuary she so desperately needed to start her life again. She has now decided to tell her story and uncover the barbarity of honour killings, a practice which continues to this day.

Burned Alive is a shocking testimony, a true story of almost unbelievable cruelty. It speaks of amazing courage and fortitude and of one woman's determination to survive. It is also a call to break the taboo of silence that surrounds this most brutal of practices and which ignores the plight of so many other women who are victims of traditional violence."

This was a couple of days ago and I just finished reading the book. It was enough to make me vomit. Lilith wanted me to do a sermon on this. High Priests also got a similar message concerning the threat of Islam and how people need to be educated about what Islam really is and how this is most urgent at more than ever. Islam has infested many countries in Europe and just as with the xian and communist programs; it is either convert or die. What is even more appalling regarding the above mentioned book is how a couple of pro-Islam websites are trying to denounce this woman's story as being "fabricated in order to make Islam look bad." Thanks to the internet though, many are aware this case is one of many, and what is worse, it is common in countries that are infested and dominated by Islam. There are just too many similar cases of this sort of thing that have been made public for this to be "fabricated." Just check out how women in Afghanistan are treated and even if one fingernail is showing [they are covered from top to bottom with only a net to look out of], they are readily beaten or even worse. The enemy will do anything and everything to try to take shift the blame and take the heat off of Islam as a religion. They also do this with the victims, anyone and everyone, but not the root cause itself.

In this auto-biography, Souad reveals how as a pregnant teenager, her brother-in-law doused her with gasoline and set her on fire. This, I have learned is common in those areas. She lived through it. Most young women who are victims do not make it to tell and the few who do are understandably terrified, called an “honor killing” and the family will try in every way to finish it, if the murder was not successful the first time, even if the woman is in hiding in another country thousands of miles away. This reveals just how the influence of Islam can incite one to the most sick and utterly depraved acts, the lowest and most vile and even worse, do this to members of their own families.

Here are some excerpts from the book. This woman is Arab and lived somewhere either in Jordan or the West Bank . She was rescued after she was dumped in a hospital where she received no medical care and was left to die with burns over 90 percent of her body, and taken to Europe , where her life was saved and given treatment:

“It is a curse in my village to be born a girl. I have no memory of having played games or having fun as a child. The only freedom a girl can dream about is leaving your father’s house for your husband’s, and not coming back, even if you are beaten. If she does return to her father’s house, it is her family’s duty to bring her back to her husband. My sister was beaten by her husband and she brought shame on our family when she came back home to complain.”

“A wife must produce a son, at least one, and if she gives birth to only girls, she is mocked.” Souad also went on to reveal how her mother was pregnant with girls when girls were born, she murdered them immediately by smothering them. I also want to add here, this is not fabricated. If one takes the time, one can find it on the internet and on YouTube, there are entire villages in various parts of the world that have been infested by Islam and there are only males left as nearly all female babies were either aborted or murdered right after their births. This is a fact.

[Her father] “He pulls me by the hair and he drags me on the ground into the kitchen. He strikes me while I kneel, he pulls on my braid as if he wants to pull it out, then he cuts it off with the big scissors used for shearing wool. I have hardly any hair left. I can cry, yell or plead, but I’ll get only more kicks.” “The girls and women are certainly beaten every day in the other houses too. “You had to bring even this tea tray to the men of the family with your head down, looking only at your feet, your back bent and in silence. You don’t speak. You only speak in answer to a question.” “Our mother was often beaten just as we were. Sometimes she tried to run away when my father beat us really viciously, and then he’d turn the blows on her, knocking her down and pulling her by her hair.”

“Every birth of a girl was like a burial in the family. It was always considered the mother’s fault if she produced only girls. ““...my parents went to see my mother at her parents’ house, where she had taken refuge because she was pregnant and he had beaten her. “It doesn’t take much at all before a girl is seen by the community as a charmuta, who has brought shame to the family and who must now die to wash clean the honor not only of her parents and her brother, but of the entire village.”

“It is the duty of the brother, the brother-in-law, or the uncle to preserve the family’s honor. They have the right of life and death over their women. If the mother says to the son: ‘Your sister has sinned, you must kill her,’ he does it for the sake of honor and because it is the law.”

“Rarely did I see the police. It’s nothing if a woman disappears, and the villagers agree with the men’s law. If you don’t kill a girl who has dishonored her people in the village will reject this family, and nobody will speak to the family or do business with them and the family will have to leave. “Assad was always and violent. He wasn’t allowed to go to see his wife. She had gone directly to her parents’ house when she left the hospital because he had beaten her there. But she returned to live with him anyway; it’s the law.”

I would also like to add here concerning pedophilia in Islam. Girls as young as 8 or 9 years old can be “married” off to men in their 40’s. IN addition to this for certain, women are required to shave off all of their pubic hair. This makes for a child-like vagina.

“Absolutely every single hair of the genital area must be removed. It must all be bare and clean. My mother says that if by chance you forget a single hair he will leave without even looking at his wife and will say she is dirty!” “We don’t remove hair from our legs or our underarms, only from the vulva.”

Women who are not virgins and/or cannot prove they are virgins are murdered. Here is another quote: “We will have to wait for the moment when the husband display the white linen from the balcony or attach it to the window at daybreak so the people can verify officially the presence of the bride’s blood.” “It is a cloth that is placed on the bed for the first night.” “And we cry also with relief, for Noura has passed the great test. The only test of her life, except for proving she produce a son.” “Noura showed her bruises. Hussein had struck her so hard that she had bruises on her face too. She lowered her pants to show her virginity and my mother wept. He must have dragged her on the ground by her hair, all the men do that. But, I didn’t find out why he had beaten her. Sometimes the young bride doesn’t know how to cook very well, she forgets the salt, there is no sauce because she forgot to add a little water...that’s reason enough for a beating. “

“In my village, we don’t measure time the same way as in Europe . You never know exactly how old your father or mother is, you don’t even know the date of your own birth. Time is calculated by Ramadan...” [Islamic month of fasting]. “I prayed to God that night as usual. My parents were very religious, my mother always went to the mosque.”

After she was burned:

"I am on a hospital bed, curled up in a ball under the sheet. A nurse comes to tear off my dress. She pulls roughly on the fabric, and the pain jolts me. I can't move almost nothing, my chin is stuck to my chest, I can't raise it. I can't move my arms either. The pain is in my head, on my shoulders in my back and on my

There are many more verses, but this sermon is already very long. I strongly suggest everyone here learn the truth about what Islam really is. Just as xi constantly pushes and promotes endless lies about how it is brotherhood, peace, love and equality, Islam does the same. No different from how the popu repeatedly brainwashed with these types of slogans in communist countries in regards to communism.

Don't be an uninformed stupid idiot. Instead of watching the jootube and wasting your time on worthless related crap, do a little research on Islam, be inf the truth and what it is and what they will do to YOU and YOUR FAMILY, if they ever take control, which is what is insidiously happening right now in Eu parts of Asia and other areas of other world.

While there, a BBC Sonia, a Muslim woman from Leeds who has suffered extreme physical abuse from her husband. When Sonia obtained a civil divorce, the courts allowed her husband only indirect access to the children. After Sonia threatened to contact the police, the Leyton Sharia Council dropped its demand. Reflecting on the case, Sonia said, "I could not bear the thought of such a violent person having my children. What was shocking was when I explained to them why he should not have that access to the children, their reaction was, well, you cannot go against what Islam says." "On its website, the Leyton Sharia Council writes: "Though not yet legally recognized by the authorities in the UK, the fact that it is already established, and is gradually gaining ground among the Muslim community, the satisfaction attained by those who seek its ruling, are all preparatory steps towards the final goal of gaining the confidence of the host community in the Islamic legal system and the help and insight they could gain from it. The experience gained by the scholars taking part in its procedures make them prepared for the eventuality of recognition for Islamic law."

I strongly encourage everyone here to see for yourselves what Islam really is and ask yourself: Do you really want to be "tolerant" and have this most vile religion that will eventually murder YOU and YOUR LOVED ONES in YOUR COUNTRY?

Only something truly evil and thoroughly depraved would corrupt and incite people to commit the lowest and most vile crimes such as these. Islam is a lie and cannot be tolerated in any of its forms. For those idiots who state and mistakenly believe "It's not my problem" if nothing is done to stop this vile morass, IT WILL BE YOUR PROBLEM.

Subject: Fighting islam

As we all know, islam is a vile and exceptionally dangerous program which has infested humanity for far too long. High Priestess Maxine Dietrich has also mentioned the urgent importance of fighting against this program and opening the eyes of our Gentile People to the truth concerning the horror of what this program is really designed to do.

Spiritual and online warfare is vital, and all of us should be doing our part to assist, in some way. Get onto yahoo answers, religious forums, discussion boards and even news forums where islam is being discussed and give the following link:

<http://exposingthelieofislam.weebly.com/>

As High Priest Don has mentioned in the past, the quran is based on the jewish "torah". It is a jewish program through and through, designed to further the enemy agenda. Let people know this, and let them know that it is FOREIGN and unnatural to the Gentile People. Let them know that it is based upon stolen and corrupted material, and let them know that it is centered around the destruction and enslavement of our Gentile People.

This is extremely important at this point in time. Do your part to rid the world of this disease and return the Truth of our Father Satan to humanity!

Hail Beelzebub!!

Dear Brothers, Sisters and Comrades.

We are now facing against a most important turn of our battle against the enemy. This is where nobody must rest, but everyone must relentlessly and mercilessly keep attacking the enemy. The Powers of Hell demand it as such. Things are to where the jews have been relentlessly drinking our blood for centuries, countless souls have perished and suffered from their actions. Satan, inside this cruel jewish world, has given us peace. Satan, inside all this, has stood by us, a failing Humanity, with never ending loyalty in his vision to save us from this low level of being. Satan has been mercilessly dedicated in getting us rid of our enemies, giving us knowledge, protecting us, guiding us and making us better everyday. Satan has personally touched many here, deep within their Soul. Satan has been overseeing us, Satan protected us, Satan placed his faith in us unwaveringly when even the strongest of hearts have faltered away. This is not a time to rest, this is a time to attack. We have a valuable opportunity now to help this world and get rid of the jewish cancer that has been plaguing every nation and has infected any Soul for hundreds of years.

For those who have quite advanced in the Path and spiritually and are seeking themselves, witnessing Satan's Gift, the Serpent, for those who have become more powerful or just escaped from the depression of the enemy, to those who just recently joined with Him, He requires you to fight. Fight Mercilessly and execute Justice by all Spiritual means. For every murdered Soul, for every child they have tortured, for each and every of these Ancient Gentile Souls that perished under the jewish sword, you must fight. You are the ones that have touched the Truth and history is not going to place the weight on anyone else's back. The enemy has been attacking us relentlessly, they seek nothing less than our death.

Do they know who they are messing with? Do they know who's Kingdom they dared touched? They touch the Souls of the Children of Satan? They dare go against the one who's name is Truth and nothing less? They dare go against the giver of Truth, Peace and Enlightenment? The King of Knowledge? They dare go against Satan and Satanists?

You must show them. You must give yourself the satisfaction of destroying our enemies. Destroying those who are right now, as you read, destroying whole nations, whole peoples, the ones who are bringing the ever looming darkness and destruction to this planet and world.

I want you to raise yourself. I want you to become Gods in your own right. Thats my demand and that should be your demand. Nothing less. Only more. How can someone deny such gift? Nobody is allowed to throw the Truth out of their sight, and nobody is allowed to blaspheme Father Satan. For all he did for our Ancestors, for all the civilization he created, for all the help we have personally received, we must help him and show him that we are here for Him. We must show that we was, are and will forever be at service. Not because he requires it as so, but because His heart is so pure and beautiful that He wills

for nothing but our own prosperity, peace and strength for this planet and His creation. This shows loyalty to Him and ourselves.

The enemy has made their army of liars, their thousands of agents, their millions of slaves. We have a few thousands of those who will be Gods. We have a few thousands Souls who are to ascend where Human beings haven't been ascended in thousands of Years. The enemy has tyranny, we have freedom and joy, a life worth living for every being. We have a vision, we have an aim, we have an awareness of Justice and we are to execute Justice. We have faith. We have never ending faith. Not in anyway a blind faith, but a proven and strong faith. We have faith in our vision. Faith in ourselves. Faith in that Humanity is more than this. Faith in that we are to execute justice. Faith in Truth.

This is the time where you must take all of your comrades in arms. We will fight until the end. Nobody is allowed to falter, nobody's heart is allowed to get weak, nobody's mind allowed to wander to lies! You are only allowed to become, to strive, to live and to be happy. You are awoken and for that reason, reality calls us all in to fight the tyrants of Humanity, its oppressors and its destroyers. Without us fighting, this world will fall into darkness and despair. IF everyone does their purpose, we will see again the Golden Age of Humanity. Do not deny your calling. Nobody knows how to fight like you, like us. Nobody has caused what has been caused in simply a matter of years to these parasitic jewish race. YOU MUST KEEP ON! MERCILESSLY, LOYALLY, IN DEDICATION TO SATAN!

Show the enemy that we are here and we have won. Mercilessly launch your curses. Let hatred flow into your veins for everything and anything they have committed against you. For every moment of suffering they caused, by hiding the Truth. For every innocent person suffering, due to their teaching. For any animal and any other form of life that has been tortured and put to shame, due to their actions. For every Soul that is suffering, you are their voice. For every Ancestor who wants revenge, for anyone who hasn't reached the Truth, stand up for them. Fight on and destroy the enemy. Set the World free.

Until the next Reversing Ritual, lets all curse the enemy daily. Lets make them fear so much, lets punish them, let them see the Satanic Retribution. Lets bring in reality what they are most afraid: Justice. Bring them the death in all levels that they seek to bring upon you. Lets all stand as a united army and obliterate the enemy to the last one, as they seek to obliterate all of us for so long. Your spiritual weapons are here, Use them:

The Working:

-----

Everyday, until the day that a Ritual will come, which will be soon, raise the following and direct it as following.

-Thurisaz x9.

Then affirm Once with intent-

"Israel and all the jewish race of peoples are permanently and completely destroyed in every and all levels of existence."

-Hagalaz x9

Then affirm Once with intent-

"Israel and all the jewish race of peoples are permanently and completely destroyed in every and all levels of existence."

You can multiply 9 vibrations and do this, like x18 Thurisaz or x18 Hagalaz. Or even x36, or x72 times, or x108 times or more.

An Alternate affirmation would be as following: "Israel and the jewish race as a whole are now being permanently and completely destroyed, in every and all levels of existence."

\*\*\*\*ALL THE ABOVE IS TO BE DONE EVERYDAY, \*\*\*\*UNTIL\*\*\*\* A NEW RITUAL IS POSTED. THIS SHOULD BE PART OF YOUR DAILY MEDITATIONS. PREFERABLY, DO THIS FIRST AND THEN DO YOUR AURA OF PROTECTION AND CLEANING MEDITATION!

Use whichever feels more on the point for you. Both are the same thing. But some might have a tendency toward one or the other.

You can imagine grey energy suffocating them all over the globe, with severe intensity. This is to be done daily with your daily meditations. This will add up to our older Rituals and finish the job. But the job is not finished until WE finish it. And we are not idiots to think that Israel is over with...Far from it.

Satan has placed his faith in us. Lets make Father Satan proud and create a world in which his name stands proud for all the Ages!

## Hitler is acquitted at "trial" in school classes!

**My note:** This is the second time something like that happens in Brazil. The other one was a 15 years old girl who achieved highest 10 grade (equivalent to A+ in USA) for denying the holocaust in homework. Our rituals are working.

<http://g1.globo.com/sp/mogi-das-cruzes-suzano/noticia/2014/11/julgamento-de-adolf-hitler-mobiliza-alunos-de-escola-em-mogi-das-cruzes.html>

As every year, the ETEC school in Mogi das Cruzes, located in the metropolitan region of São Paulo, promoted another trial of Adolf Hitler. Dividing students into prosecution and defense, the history teacher of the 3rd year, Paul Ciaccio, teaches the history of World War II through the German leader trial. Schoolchildren raise the pros and cons of Hitler's policy during the period in which he ruled the German lands and the outcome was incredible: over an acquittal.

Even dead for nearly 70 years, 'Adolf Hitler' was acquitted this week of all charges in a trial that took place in Mogi das Cruzes (SP). The jury of seven decided by five votes to two, that the dictator was innocent. The trial is part of a history lesson, held 10 years ago in Technical School President Vargas in the city.

Annually, 'Hitler' passes for about six equal judgments that they are entitled to the prosecution, judge, and the 'own' defendant. Students of the 3rd year of school high school meet to discuss the mistakes and successes of the dictator. The trial ends with the decision of the jury, made up of seven other invited students who decide after the debate which group did better.

History teacher Paul Ciaccio is responsible for the implementation of the work in school. "I make the trial since 10 years ago. The idea came after a college professor did once a trial of a historical figure. I ended up taking his idea to put into practice here. And it worked. Now we do every year, has become a tradition," he says.

Students made 'new symbol' to identify defense of members. (Photo: Jenifer Carpani / G1)

According Ciaccio, this year will be 240 students of the 3rd year for the six trials until Friday (28). He explains that each class has its and students are divided: half of the class is prosecution and half defend the dictator. "I do a lot. I do not allow you to choose what to do, so you do not have any kind of trend. So I take their names before and do the draw. **This year, for example, many students wanted to defend** but will be the prosecution," he explains.

Teacher is characterized as the dictator for the trial. (Photo: Jenifer Carpani / G1)

After the teacher to remember once again the students that this is a teaching job, the debate started by the prosecution. The prosecution began by saying that he did not deny advances in Germany during Hitler's government, but added that the crimes committed could not be forgotten and that the end must not justify the means. Also accused the defendant to kill Jews and other minorities and also cited medical experiments that the Nazis did. Also spoke about the concentration camps and showed photos and videos of places. The prosecution ended the debate stressing that the intention is to always defend life and, therefore, the defendant could not go unpunished.

On the other hand, in their speeches, the defense sought to explain the Treaty of Versailles and the losses of Germany after the treaty. In addition, the group questioned the number of Jews in Europe and the number of deaths reported and argued that typhus may have killed many people. In closing remarks, the defense showed victims of the Hiroshima bomb, Japan, and said that this was the worst explosion in human history. The end of the two-minute closing remarks did not allow them to finish the thought.

The judge went to the judges and the seven students voted. **Then the judge declared that by five votes to two, the defendant was acquitted of all charges.** For the teacher, however, the win for the class was even higher. "What matters is that they have deepened, the research they did and what they learned during it's much more than I could pass my class period. Would not give time. But with the research they were beyond," says smiling.

Here's a question for anyone that believes the holohoax and the {chosen ones theory} Why didn't those people in the death camps bust out like Samson did when he fought 1000 men with a Rambo knife and a can opener?? King David killed a polar bear with a slingshot with a laser sight on it. Why didn't they make slingshots like King David and fight their way out ?? Iliagh cursed 40 children in the name of the lord and he sent 2 she-bears to kill all 40 of them. Why didn't liagh or Ilisha or whatever his name was send his pet bears to kill the Nazis?

**The Quran Advocates Terror  
by fourthreich666**

<http://fourthreich666.weebly.com/quran-advocates-terror.html>

The Muslims think of themselves as fighters of peace. This has manifested itself to be utter and total bullshit. Their fate is based of fear, death, massacre, rape, crime, terror and killing. How do they confront being accused of these acts? They commit crimes as such: fear, death, massacre, rape, crime, terror and killing.

Islam is not a religion of peace, it is a religion of death, a criminal ideology originating from the very mind of the Jew.  
The Islamic holy scripture itself exerts an appetite for crime. Let's go over that

Note: The original commentary implied that the Christianity and Islam are actually true. Therefore I removed them and added my own comments. Please visit [www.exposingchristianity.com](http://www.exposingchristianity.com) and [www.exposingthelieofislam.weebly.com](http://www.exposingthelieofislam.weebly.com) for more details.

[Quran 8:12]: I will insist into to the heart of the unbelievers: smite ye above their necks and smite all their finger-tips off

[Quran 2:191-193]: "And kill them wherever you find them, and turn them out from where they have turned you out. And Al-Fitnah [disbelief or unrest] is worse than killing...  
but if they desist, then lo! Allah is forgiving and merciful. And fight them until there is no more Fitnah [disbelief and worshipping of others along with Allah] and worship is for Allah alone. But if they cease, let there be no transgression except against Az-Zalimun (the polytheists, and wrong-doers, etc.)"

Quran [2:244]: "Then fight in the cause of Allah, and know that Allah Heareth and knoweth all things.

Quran (2:216) - "Fighting is prescribed for you, and ye dislike it. But it is possible that ye dislike a thing which is good for you, and that ye love a thing which is bad for you. But Allah knoweth, and ye know not."

Not only does this verse establish that violence can be virtuous, but it also contradicts the myth that fighting is intended only in self-defense, since the audience was obviously not under attack at the time. From the Hadith, we know that this verse was narrated at a time that Muhammad was actually trying to motivate his people into raiding merchant caravans for loot. /1

Also, Allah says do not aggress: Do not aggress; GOD dislikes the aggressors. [2:190] - Oh, I get it, he obviously meant do not kill unless its in the name of the most peace full religion

Quran (3:56) - "As to those who reject faith, I will punish them with terrible agony in this world and in the Hereafter, nor will they have anyone to help."

(Above is referenced to anyone and everyone who is not a muslim)

Quran (3:151) - "Soon shall We cast terror into the hearts of the Unbelievers, for that they joined companions with Allah, for which He had sent no authority".

Quran (4:74) - "Let those fight in the way of Allah who sell the life of this world for the other. Whoso fighteth in the way of Allah, be he slain or be he victorious, on him We shall bestow a vast reward."

Quran (4:76) - "Those who believe fight in the cause of Allah..."

(The above claims that true believers will fight for Allah regardless of self defense)

Quran (4:89) - "They but wish that ye should reject Faith, as they do, and thus be on the same footing (as they): But take not friends from their ranks until they flee in the way of Allah (From what is forbidden). But if they turn renegades, seize them and slay them wherever ye find them; and (in any case) take no friends or helpers from their ranks."

Quran (4:95) - "Not equal are those believers who sit (at home) and receive no hurt, and those who strive and fight in the cause of Allah with their goods and their persons. Allah hath granted a grade higher to those who strive and fight with their goods and persons than to those who sit (at home). Unto all (in Faith) Hath Allah promised good: But those who strive and fight Hath He distinguished above those who sit (at home) by a special reward,-"

(The above paragraph states in simple English: If you do not fight (kill) in the name of Islam, you are not worthy of being a Muslim.....and muslims still claim Allah is against crime..)

Quran (4:104) - "And be not weak hearted in pursuit of the enemy; if you suffer pain, then surely they (too) suffer pain as you suffer pain..." Is pursuing an injured and retreating enemy really an act of self-defense?

Quran (5:33) - "The punishment of those who wage war against Allah and His messenger and strive to make mischief in the land is only this, that they should be murdered or crucified or their hands and their feet should be cut off on opposite sides or they should be imprisoned; this shall be as a disgrace for them in this world, and in the hereafter they shall have a grievous chastisement"

Quran (8:12) - "I will cast terror into the hearts of those who disbelieve. Therefore strike off their heads and strike off every fingertip of them" No reasonable person would interpret this to mean a spiritual struggle.

Quran (8:15) - "O ye who believe! When ye meet those who disbelieve in battle, turn not your backs to them. (16)Whoso on that day turneth his back to them, unless maneuvering for battle or intent to join a company, he truly hath incurred wrath from Allah, and his habitation will be hell, a hapless journey's end."

Quran (8:39) - "And fight with them until there is no more fitna (disorder, unbelief) and religion should be only for Allah"

Quran (8:57) - "If thou comest on them in the war, deal with them so as to strike fear in those who are behind them, that haply they may remember."

Quran (8:67) - "It is not for a Prophet that he should have prisoners of war until he had made a great slaughter in the land..."

Quran (8:59-60) - "And let not those who disbelieve suppose that they can outstrip (Allah's Purpose). Lo! they cannot escape. Make ready for them all thou canst of (armed) force and of horses tethered, that thereby ye may dismay the enemy of Allah and your enemy."

Quran (8:65) - "O Prophet, exhort the believers to fight..."

Quran (9:5) - "So when the sacred months have passed away, then slay the idolaters wherever you find them, and take them captive and besiege them and lie in wait for them in every ambush, then if they repent and keep up prayer and pay the poor-rate, leave their way free to them."

(Above: Kidnap non-muslims and convert them)

Quran (9:14) - "Fight against them so that Allah will punish them by your hands and disgrace them and give you victory over them and heal the breasts of a believing people." Humiliating and hurting non-believers not only has the blessing of Allah, but it is ordered as a means of carrying out his punishment and even "healing" the hearts of Muslims.

Quran (9:20) - "Those who believe, and have left their homes and striven with their wealth and their lives in Allah's way are of much greater worth in Allah's sight. These are they who are triumphant." The Arabic word interpreted as "striving" in this verse is the same root as "Jihad". The context is obviously holy war.

Quran (9:29) - "Fight those who believe not in Allah nor the Last Day, nor hold that forbidden which hath been forbidden by Allah and His Messenger, nor acknowledge the religion of Truth, (even if they are) of the People of the Book, until they pay the Jizya with willing submission, and feel themselves subdued."

Quran (9:30) - "And the Jews say: Ezra is the son of Allah; and the Christians say: The Messiah is the son of Allah; these are the words of their mouths; they imitate the saying of those who disbelieved before; may Allah destroy them; how they are turned away!"

Quran (9:38-39) - "O ye who believe! what is the matter with you, that, when ye are asked to go forth in the cause of Allah, ye cling heavily to the earth? Do ye prefer the life of this world to the Hereafter? But little is the comfort of this life, as compared with the Hereafter. Unless ye go forth, He will punish you with a grievous penalty, and put others in your place." This is a warning to those who refuse to fight, that they will be punished with Hell.

Quran (9:41) - "Go forth, light-armed and heavy-armed, and strive with your wealth and your lives in the way of Allah! That is best for you if ye but knew." See also the verse that follows (9:42) - "If there had been immediate gain (in sight), and the journey easy, they would (all) without doubt have followed thee, but the distance was long, (and weighed) on them"

(This contradicts the myth that Muslims are to fight only in self-defense, since the wording implies that battle will be waged a long distance from home (in another country and on Christian soil, in this case, according to the historians).

Quran (9:73) - "O Prophet! strive hard against the unbelievers and the hypocrites and be unyielding to them; and their abode is hell, and evil is the destination."

(Above: Unbelievers will go to hell - believe or burn in Allahs furnace)

Quran (9:88) - "But the Messenger, and those who believe with him, strive and fight with their wealth and their persons: for them are (all) good things: and it is they who will prosper."

Quran (9:111) - "Allah hath purchased of the believers their persons and their goods; for theirs (in return) is the garden (of Paradise): they fight in His cause, and slay and are slain: a promise binding on Him in truth, through the Law, the Gospel, and the Quran: and who is more faithful to his covenant than Allah? then rejoice in the bargain which ye have concluded: that is the achievement supreme."

Quran (9:123) - "O you who believe! fight those of the unbelievers who are near to you and let them find in you hardness."

Quran (17:16) - "And when We wish to destroy a town, We send Our commandment to the people of it who lead easy lives, but they transgress therein; thus the word proves true against it, so We destroy it with utter destruction." Note that the crime is moral transgression, and the punishment is "utter destruction." (Before ordering the 9/11 attacks, Osama bin Laden first issued Americans an invitation to Islam).

Quran (18:65-81) - This parable lays the theological groundwork for honor killings, in which a family member is murdered because they brought shame to the family, either through apostasy or perceived moral indiscretion. The story (which is not found in any Jewish or Christian source) tells of Moses encountering a man with "special knowledge" who does things which don't seem to make sense on the surface, but are then justified

according to later explanation. One such action is to murder a youth for no apparent reason (74). However, the wise man later explains that it was feared that the boy would "grieve" his parents by "disobedience and ingratitude."

Quran (21:44) - "We gave the good things of this life to these men and their fathers until the period grew long for them; See they not that We gradually reduce the land (in their control) from its outlying borders? Is it then they who will win?"

Quran (25:52) - "Therefore listen not to the Unbelievers, but strive against them with the utmost strenuousness..." "Strive against" is Jihad - obviously not in the personal context. It's also significant to point out that this is a Meccan verse.

Quran (33:60-62) - "If the hypocrites, and those in whose hearts is a disease, and the alarmists in the city do not cease, We verily shall urge thee on against them, then they will be your neighbors in it but a little while. Accursed, they will be seized wherever found and slain with a (fierce) slaughter."

(Above, Allah allows slaughter of people who speak against Islam - hypocrites - no matter who)

Quran (47:3-4) - "Those who disbelieve follow falsehood, while those who believe follow the truth from their Lord... So, when you meet (in fight Jihad in Allah's Cause), those who disbelieve smite at their necks till when you have killed and wounded many of them, then bind a bond firmly (on them, i.e. take them as captives)... I

Quran (47:35) - "Be not weary and faint-hearted, crying for peace, when ye should be uppermost (Shakir: "have the upper hand") for Allah is with you,"

Quran (48:17) - "There is no blame for the blind, nor is there blame for the lame, nor is there blame for the sick (that they go not forth to war). And whoso obeyeth Allah and His messenger, He will make him enter Gardens underneath which rivers flow; and whoso turneth back, him will He punish with a painful doom." Contemporary apologists sometimes claim that Jihad means 'spiritual struggle.'

Quran (48:29) - "Muhammad is the messenger of Allah. And those with him are hard (ruthless) against the disbelievers and merciful among themselves"

Quran (61:4) - "Surely Allah loves those who fight in His way" Religion of Peace, indeed! The verse explicitly refers to "battle array" meaning that it is speaking of physical conflict. This is followed by (61:9): "He it is who has sent His Messenger (Mohammed) with guidance and the religion of truth (Islam) to make it victorious over all religions even though the infidels may resist." (See next verse, below). Infidels who resist Islamic rule are to be fought.

Quran (61:10-12) - "O You who believe! Shall I guide you to a commerce that will save you from a painful torment. That you believe in Allah and His Messenger (Muhammad ), and that you strive hard and fight in the Cause of Allah with your wealth and your lives, that will be better for you, if you but know! (If you do so) He will forgive you your sins, and admit you into Gardens under which rivers flow, and pleasant dwelling in Gardens of 'Adn - Eternity ['Adn (Edn) Paradise], that is indeed the great success."

Quran (66:9) - "O Prophet! Strive against the disbelievers and the hypocrites, and be stern with them. Hell will be their home, a hapless journey's end." The root word of "Jihad" is used again here. The context is clearly holy war, and the scope of violence is broadened to include "hypocrites" - those who call themselves Muslims but do not act as such.

### Jihad Verses

There are simply too many to comment on here, so use common logic and observe who this filthy religion advocates crime.

[2.178]...retaliation is prescribed for you in the matter of the slain... [2.179] ...there is life for you in (the law of) retaliation, O men of understanding, that you may guard yourselves.

[2.190] ...fight in the way of Allah with those who fight with you...[2.191] And kill them wherever you find them, and drive them out from whence they drove you out, and persecution is severer than slaughter, and do not fight with them at the Sacred Mosque until they fight with you in it, but if they do fight you, then slay them; such is the recompense of the unbelievers.

[193]...fight with them...[194]...whoever then acts aggressively against you, inflict injury on him according to the injury he has inflicted on you...

[2.216] Fighting is enjoined on you...[2.217]... fighting in it. Say: Fighting in it is a grave matter...persecution is graver than slaughter... [2.218]...strove hard in the way of Allah.....fight in the way of Allah

[3.121]...to lodge the believers in encampments for war...[3.122] When two parties from among you had determined that they should show cowardice [about Jihad]...[3.123]...Allah did certainly assist you at [the Battle of] Badr...[3.124]...[3.125] Yea! if you remain patient and are on your guard, and they come upon you in a headlong manner, your Lord will assist you with five thousand of the havoc-making angels. [3.126] ...victory is only from Allah...

[3.140] If a wound has afflicted you (at [the Battle of] Uhud), a wound like it has also afflicted the (unbelieving) people; and We bring these days to men by turns, and that Allah may know those who believe and take witnesses from among you...[3.141] ...that He [Allah] may purge those who believe and deprive the unbelievers of blessings. [3.142] Yusuf Ali: Did ye think that ye would enter Heaven without God testing those of you who fought hard (in His Cause) and remained steadfast? [3.143] Pickthall: And verily ye used to wish for death before ye met it (in the field). Now ye have seen it [death] with your eyes!

Yusuf Ali: How many of the prophets fought (in Allah's way) [Jihad], and with them (fought) large bands of godly men? But they never lost heart if they met with disaster in Allah's way [lost a battle], nor did they weaken (in will) nor give in. And Allah loves those who are firm and steadfast [in Jihad].

[3.152]...you slew them by His [Allah's] permission [during a Jihad battle]...[3.153] Pickthall: ...the messenger, in your rear, was calling you (to

fight)...that which ye missed [war spoils]...[3.154]...They say: Had we any hand in the affair, we would not have been slain here [in a Jihad battle]. Say: Had you remained in your houses, those for whom slaughter was ordained [in a Jihad battle] would certainly have gone forth to the places where they would be slain...[3.155] (As for) those of you who turned back on the day when the two armies met...[3.156] O you who believe! be not like those who disbelieve and say of their brethren when they travel in the earth or engage in fighting: Had they been with us, they would not have died and they would not have been slain...[3.157]...if you are slain in the way of Allah...mercy is better than what they amass [what those who stay home from Jihad receive – no booty on earth and no perks in heaven]. [3.158] ...if indeed you die or you are slain, certainly to Allah shall you be gathered together.

[3.165]...you [Muslims] had certainly afflicted (the unbelievers) with twice as much [in a Jihad battle]...[3.166]...when the two armies met ([the Battle of] Uhud)...[3.167]...Come, fight in Allah's way, or defend yourselves...If we knew fighting, we would certainly have followed you...

...reckon not those who are killed in Allah's way as dead; nay, they are alive (and) are provided sustenance from their Lord [meaning they are enjoying their 72 virgins in heaven];

[3.172] ...those who responded (at [the Battle of] Uhud) to the call of Allah and the Apostle after a wound had befallen them...shall have a great reward. [3.173] Those to whom the people said: Surely men have gathered against you [in battle], therefore fear them, but this increased their faith, and they said: Allah is sufficient for us and most excellent is the Protector.

...who fought and were slain...I will most certainly make them enter gardens beneath which rivers flow; a reward from Allah, and with Allah is yet better reward.

[4.71] ...go forth in detachments or go forth in a body [to war]. [4.72] ...hang back [from Jihad] ...not present with them [in Jihad].

[4.75] ...fight in the way of Allah... [4.76] Those who believe fight in the way of Allah, and those who disbelieve fight in the way of the Satan. Fight therefore against the friends of the Satan... [4.77] ...when fighting is prescribed for them...Our Lord! why hast Thou ordained fighting for us?...

Fight then in Allah's way...rouse the believers to ardor maybe Allah will restrain the fighting of those who disbelieve...

[4.89] ...take not from among them friends until they fly (their homes) in Allah's way; but if they turn back [to their homes], then seize them and kill them wherever you find them... [4.90] Allah has not given you a way against them [Allah supposedly does not allow Muslims to fight people friendly to Muslims]. [4.91]...seize them and kill them wherever you find them...

[4.94]...when you go to war in Allah's way... [4.95] ...those who strive hard [Jihad] in Allah's way with their property and their persons are not equal...Allah shall grant to the strivers [i.e., Jihadist] above the holders back a mighty reward.

...whoever flies in Allah's way [forsakes his home to fight in Jihad], he will find in the earth many a place of refuge and abundant resources, and

whoever goes forth from his house flying to Allah and His Apostle, and then death overtakes him [in Jihad], his reward is indeed with Allah...[4.101] Rodwell: And when ye go forth to war in the land, it shall be no crime in you to cut short your prayers, if ye fear lest the infidels come upon you; Verily, the infidels are your undoubted enemies! [4.102]...let them take their arms...let them take their precautions and their arms...there is no blame on you, if you are annoyed with rain or if you are sick, that you lay down your arms...[4.103] Khalifa: Once you complete your Contact Prayer (Salat), you shall remember GOD while standing, sitting, or lying down. Once the war is over, you shall observe the Contact Prayers (Salat); the Contact Prayers (Salat) are decreed for the believers at specific times.[4.104]...be not weak hearted in pursuit of the enemy...

Sher Ali:...If you have a victory [in Jihad] from Allah...

The punishment of those who wage war against Allah and His apostle and strive to make mischief in the land is only this, that they should be murdered or crucified or their hands and their feet should be cut off on opposite sides or they should be imprisoned [Pickthall and Yusuf Ali have "exiled" rather than "imprisoned"]

...strive hard [at Jihad] in His way that you may be successful.

...you will find the most violent of people in enmity for those who believe (to be) the Jews [compare with "whenever Jews kindle fire for war, Allah [Muslims] puts it out" (K 005:064)] and those who are polytheists [while they are converted to Islam on pain of death]...

Pickthall: ...the spoils of war...The spoils of war belong to Allah and the messenger

Even as your Lord caused you to go forth from your house with the truth, though a party of the believers were surely averse;

...Allah promised you one of the two (enemy) parties, that it should be yours: Ye wished that the one unarmed should be yours, but Allah willed to justify the Truth according to His words and to cut off the roots of the Unbelievers.

[8.9]...I will assist you [in Jihad] with a thousand of the angels following one another [see K 008:012]. [8.10] ...Allah only gave it as a good news and that your hearts might be at ease thereby; and victory is only from Allah; surely Allah is Mighty, Wise.

[8.15] ...when you meet those who disbelieve marching for war, then turn not your backs to them. [8.16] ...for the sake of fighting... [8.17] So you did not slay them, but it was Allah Who slew them, and you did not smite when you smote (the enemy), but it was Allah Who smote [Allah gets the credit for Jihad]...

[8.39] Shakir: ...fight with them until there is no more persecution and religion should be only for Allah... [8.40] Yusuf Ali: If they [unbelievers] refuse [to stop fighting], be sure that God is your Protector...[8.41] Shakir: ...whatever thing [loot] you gain, a fifth of it is for Allah and for the Apostle...the day on which the two parties met [in a Jihad versus anti-Jihad battle]...[8.42]...Allahmight bring about a matter which was to be done, that he who

would perish might perish by clear proof [bring success to Muslims engaged in robbing a caravan near Badr against all the odds]...[8.43]...Allah showed them [the Mekkans] to you in your dream as few [fighters]; and if He had shown them [the Mekkans] to you as many [fighters] you would certainly have become weak-hearted [i.e., hearts. See the similar discussion in K 002:249 about how a smaller army can defeat a larger army]...[8.44]...when you met, as few [fighters] in your eyes and He made you to appear little [few fighters] in their eyes, in order that Allah might bring about a matter which was to be done [a Jihad versus anti-Jihad battle brought on by overconfidence in each side]...[8.45]...when you meet a party [in battle], then be firm...[8.46]...obey Allah and His Apostle and do not quarrel for then you will be weak in hearts [demoralized] and your power [to execute Jihad] will depart...[8.47]...be not like those [Mekkans] who came forth from their homes [in an anti-Jihad War on Islamic terrorism]...[8.48]...when the two parties [Muslims versus Mekkans] came in sight of each other he [Satan] turned upon his heels...

Pickthall: [8.57] If thou come on them in the war, deal with them so as to strike fear in those who are behind them, that haply they may remember. [8.57] Khalifa: When you are betrayed by a group of people, you shall mobilize against them in the same manner. GOD does not love the betrayers. [8.59] Shakir: ...let not those who disbelieve think that they shall come in first; surely they will not escape. [8.60] And prepare against them what force you can and horses tied at the frontier, to frighten thereby the enemy of Allah and your enemy and others besides them, whom you do not know (but) Allah knows them; and whatever thing you will spend in Allah's way [for Jihad]...

[8.65] O Prophet! urge the believers to war; if there are twenty patient ones of you they shall overcome two hundred, and if there are a hundred of you they shall overcome a thousand of those who disbelieve, because they are a people who do not understand [in other words, do not understand totalitarian ideologies like Islam]. [8.66] ...if there are a hundred patient ones of you they shall overcome two hundred, and if there are a thousand they shall overcome two thousand by Allah's permission... [8.67] It is not fit for a prophet that he should take captives unless he has fought and triumphed in the land; you desire the frail goods [i.e., ransom money] of this world... [8.68] ...ransom... [8.69] Eat then of the lawful and good (things) which you have acquired in war [war spoils]...[8.70] O Prophet! say to those of the captives [non-Muslims] who are in your hands: If Allah knows anything good in your hearts, He will give to you better than that which has been taken away from you [in Jihad]...[8.71] Yusuf Ali: But if they have treacherous designs against thee, (O Apostle!)...He [Allah] given (thee) power over them...[8.72] Yusuf Ali: Those who ...fought for the Faith, with their property and their persons, in the cause of God...[8.73] Yusuf Ali: The Unbelievers are protectors, one of another: Unless ye do this, (protect each other), there would be tumult and oppression on earth, and great mischief. [8.74] Yusuf Ali:...fight for the Faith...[8.75] Yusuf Ali: ...fight for the Faith...

...slay the idolaters wherever you find them...take them captives and besiege them and lie in wait for them in every ambush...

[9.12] ...fight the leaders of unbelief...[9.13] What! will you not fight a people...[9.14] Fight them, Allah will punish them by your hands and bring them to disgrace, and assist you against them and heal the hearts of a believing people.

...those of you who have struggled hard [in Jihad]

[9.19] ...strives hard in Allah's way?... [9.20]...strove hard [Jihad] in Allah's way with their property and their souls...

[9.24] ...striving in His way [Jihad]:, then wait till Allah brings about His command [to go on Jihad]: ... [9.25] Certainly Allah helped you in many battlefields and on the day of [the Battle of] Hunain, when your great numbers made you vain, ... [9.26] ...chastised those who disbelieved [Muhammad gives credit to angels and Allah for the actions of Jihadists]...

Fight those who do not believe in Allah...nor follow the religion of truth, out of those who have been given the Book, until they pay the tax in acknowledgment of superiority and they are in a state of subjection.

...fight the polytheists all together as they fight you all together...

[9.38] ...Go forth in Allah's way [to Jihad]... [9.39] If you do not go forth [to go on Jihad], He will chastise you with a painful chastisement and bring in your place a people other than you [to go on Jihad]...

Go forth light [lightly armed] and heavy [heavily armed], and strive hard in Allah's way [Jihad] with your property and your persons...

...striving hard with their property and their persons [Jihad] ...

...Allah will afflict you with punishment from Himself or by our hands...

...strive hard [Jihad] against the unbelievers and the hypocrites and be unyielding to them...

...they were averse from striving in Allah's way [Jihad] with their property and their persons, and said: Do not go forth [to Jihad] in the heat...

... shall you fight an enemy with me [in Jihad]...

...strive hard [in Jihad] along with His Apostle

...strive hard [in Jihad] with their property and their persons...

Yusuf Ali: Nor (is there blame) on those who came to thee to be provided with mounts [saddles on which to go to war], and when thou said, "I can find no mounts for you," they turned back, their eyes streaming with tears of grief that they had no resources wherewith to provide the expenses [to go on Jihad].

...they fight in Allah's way, so they slay and are slain...

Yusuf Ali:...whether they suffered thirst, or fatigue, or hunger, in the cause of Allah [while on a march to Jihad], or trod paths to raise the ire of the Unbelievers [invade their territory], or received any injury whatever from an enemy [during a Jihad battle]...

[9.122] Pickthall:...the believers should not all go out to fight. Of every troop of them, a party only should go forth... [9.123] ...fight those of the unbelievers who are near to you and let them find in you hardness...

Yusuf Ali:...who thereafter strive and fight for the faith and patiently persevere...

Permission (to fight) is given to those upon whom war is made...

Sher Ali: ...those who leave their homes for the cause of Allah, and are then slain or die, Allah will, surely, provide for them a goodly provision...

...strive hard [in Jihad] in (the way of) Allah, (such) a striving as is due to Him...

...they would certainly go forth [to Jihad (see K 024:055)]...

Allah has promised to those of you who believe and do good that He will most certainly make them rulers in the earth [as a reward for going on Jihad (see K 024:053)]...

Palmer: ...fight strenuously with them in many a strenuous fight.

...whoever strives hard [in Jihad], he strives only for his own soul...

...(as for) those who strive hard [in Jihad] for Us [Allah]...

Pickthall: ...they had already sworn unto Allah that they would not turn their backs (to the foe) [in Jihad battle]...

...they come not to the fight [Jihad] but a little...

...they would not fight save a little [in Jihad].

Pickthall: ...Some of them [Jihadists] have paid their vow by death (in battle), and some of them still are waiting...

[33.25]...Allah sufficed the believers in fighting... [33.26]...some [Jews] you killed and you took captive another part. [33.27]...He made you heirs to their [Jewish] land and their dwellings and their property, and (to) a land which you have not yet trodden...

...those [captive women] whom your right hand possesses [i.e., by virtue of the sword used in Jihad] out of those whom Allah has given to you as prisoners of war...

Sale:...and who, when an injury is done them, avenge themselves...

...when you meet in battle those who disbelieve, then smite the necks until when you have overcome them, then make (them) prisoners, and afterwards either set them free as a favor or let them ransom (themselves) until the war terminates...(as for) those who are slain in the way of Allah...

...fighting [allusion to Jihad] is mentioned therein ...

Rodwell: Be not fainthearted then; and invite not the infidels to peace when ye have the upper hand: for God is with you, and will not defraud you of the recompense of your works...

[48.15] Pickthall: ...when you set forth to capture booty...[48.16]...You shall soon be invited (to fight) against a people possessing mighty prowess; you will fight against them until they submit...[48.17] Pickthall: There is no blame...for the sick (that they go not forth to war). And whoso obeys Allah and His messenger [by going on Jihad], He will make him enter Gardens underneath which rivers flow; and whoso turns back [from Jihad], him will He punish with a painful doom. [48.18] Certainly Allah was well pleased with the believers when they swore allegiance to you under the tree, and He knew what was in their hearts, so He sent down tranquility on them and rewarded them with a near victory, [48.19] And much booty that they will capture. Allah is ever Mighty, Wise. [48.20] Allah promised you many acquisitions which you will take, then He hastened on this one for you and held back the hands of men from you, and that it may be a sign for the believers and that He may guide you on a right path. [48.21] Sale: And [he also promiseth you] other [spoils], which ye have not [yet] been able [to take]: But now hath God encompassed them [for you]; and God is almighty. [48.22] And if those who disbelieve fight with you, they would certainly turn (their) backs, then they would not find any protector or a helper. [48.23] Such [i.e., the Jihad mentioned the previous verse] has been the course [practice] of Allah that has indeed run before, and you shall not find a change in Allah's course. [48.24] And He [Allah] it is Who held back...your hands from them [in Jihad] in the valley of Mecca...

Sale: ...true believers ...employ their substance and their persons in the defense of God's true religion...

...the hands of the believers [i.e. Muslims demolished Jewish homes] ...

Pickthall:[59.5] Whatsoever palm-trees you cut down or left standing on their roots [during a Jihad siege of the Jews at Madina], it was by Allah's leave, in order that He might confound the evil-livers [Jews]. [59.6] ...that which Allah gave as spoil unto His messenger from them, you urged not any horse or riding-camel for the sake thereof, but Allah gives His messenger lordship over whom He will... [59.7] That which Allah gives as [war] spoil unto His messenger from the people of the townships [Jews], it is for Allah and His messenger...whatsoever [spoils] the messenger gives you, take it...[59.8] ...who seek bounty [war spoils] from Allah...

They will not fight against you in a body save in fortified towns or from behind walls...

Allah only forbids you respecting those who made war upon you on account of (your) religion [no fraternizing with the enemy]...

...Allah loves those who fight in His way in ranks as if they were a firm and compact wall.

...struggle hard in Allah's way [Jihad] with your property and your lives...

...victory [in Jihad] near at hand...

...they think every cry to be against them. They are the enemy, therefore beware of them; may Allah destroy them, whence are they turned back?  
[This verse speaks of internecine Jihad against Muslims deemed infidels or "hypocrites."]

...surely from among your wives and your children there is an enemy to you; therefore beware of them [collaborators with the enemy, especially if the women were once war spoils]...

O Prophet! strive hard against the unbelievers and the hypocrites, and be hard against them...

...others who fight in Allah's way...

And they [Muslims] give food out of love for Him [Allah] to...the captive [of Jihad] ..

Subject: Mein Kampf editions problems

It is needed to keep in mind that Jews have altered even the original NS writings (as well as any other Gentile writings and not just the translations), as assign the word "satanic" where Hitler says "vile", or putting other christian filth inside it, as alletory biblical passages or attempts to make Hitler and the NS movement seems christian, or the fake "anti-semitic christianity" propaganda.

**It is Impossible to Mix Christianity with Nazism!**

<http://gb1t88.weebly.com/it-is-impossible-to-mix-christianity-with-nazism.html>

**Jewish Creation of Christianity:** [topic542.html](http://topic542.html)

Remember what Satan said in the Al-Jilwah:

*"All of the books of those who are without are altered by them; and they have declined from them, although they were written by the prophets and the apostles. That there are interpolations is seen in the fact that each sect endeavors to prove that the others are wrong and to destroy their books."*

This happened too in the whole Mein Kampf, in smaller portions, but can be more clearly seen in the chapter XI "People and Race", for example, where Hitler supposedly use the word "satanic" in a negative light:

*"The black-haired Jewish boy waits, with **Satanic** delight on his face, for the hour when he can corrupt the unsuspecting girl with his blood, and in seducing her, steal her from her people."*

In the same chapter, this totally useless attempt the Jewish corruptor did to make Hitler seems a christ-defendant, while the whole National Socialist worldview is totally anti-christian:

*"His life is only concerned with this world and his inner spirit is as foreign to true Christianity as his nature was two thousand years ago to the great Founder of the new teaching Himself, Jesus Christ. Jesus made no secret of His feelings toward the Jewish people, and even used the whip to drive this rival out of the Lord's temple. Even then, the Jewish religion was just a means to make money as a business. Christ was nailed to the cross for his intolerance of the Jews, while our present Christian political parties lower themselves in elections by begging for Jewish votes. Afterwards, they try to hatch deceitful political plots with the Jewish atheist parties and against its own nationality."*

### **The True Speeches & Writings of Adolf Hitler**

<http://fourthreich666.weebly.com/the-true-speeches-of-adolf-hitler.html>

Quote: *The Jews have corrupted the works of Adolf Hitler and other highly important leaders of the Third Reich to make it appear as the Third Reich was Christian. As you read through Hitler's speeches, you see out of place, random text prasing Xtiuity, which were corruptions of the Jews. Here is an example which I edited and removed the corruption:*

*"We National Socialists are Gods Truth! perhaps the most loyal, the most devoted of all men to our German Fatherland"*

*Where as the original should be:*

*"We National Socilaists are perhaps the most loyal, the most devoted of all men to our German Fatherland!"*

*This can be seen EVERYWHERE in Hitler's writings and speeches. Again these are corruptions inserted by the Jews. I am working very hard to remove these.*

*Hitler and others knew that Christianity is no different than Bolshevism/Communism and knew both were madnesses invented and run by Jews. The Third Reich did everything they could in their powers to remove Christianity from Europe and restore the old Pagan/Satanic way of life. They knew that Christianity is no different and knew that they were both Jewish programs of the same root. For more information on this, please vist The Third Reich & Christianity and Exposing Christianity. There are also many, many books from The Third Reich which are on The National Socialist Book Library which need to be edited as they have also been filled with Christian garbage. That will be done soon.*

### **Why Dugdale's translation is the worst of them:**

The big issue is that in Dugdale, let's say as an example, in paragraphs 1, 2, 3, 4, 5, 6 of a chapter, he deleted the 2, 4, 6, and the other paragraphs 1, 3, 5 are left alone and they are exactly the same in other translations, which is not only an absurd but it distorts the real context of the paragraphs left.

Let's analyze again the quote, from Dugdale's translation, in which Hitler supposedly praised Protestantism (also happens in other translations and in German, but without the real context, we could not see this is an insertion):

*Protestantism will always help in furthering all that is German whenever it is a matter of inward purity or increasing national sentiment, or defense of German life, language, nay, even German freedom, since all these are essentially a part of itself; but it is most hostile to any attempt to rescue the nation from the clutches of its most deadly enemy, for its attitude towards Judaism has been laid down more or less as a dogma. Nevertheless it wavers undecidedly around the question and unless that question is solved, all attempts to bring a German revival are without meaning or possibility of success.*

It is obviously an insertion, that one can think that Christianity can be something that will help Nationalism issues for superficial appearance (like the neo-Nazi organizations), BUT it is totally useless and hostile to real nationalism, so the double standard doesn't make sense. In Dugdale's also there is not the quote below that Hitler says it is useless to try to reform a religion (like making an idiotic Aryan-Christian) but either totally destroy or adopt it (like adopting Paganism as the official religion, and destroying Christianity, something he actually BEGAN in Nazi Germany) - See Third Reich and Christianity: [topic628.html](http://topic628.html)

*Here, one truly cannot serve two masters. Make no mistake, I believe the founding or destruction of a religion is a far greater matter than the founding or destruction of a State, let alone of a political party. It is not an argument to the contrary for someone to say that the attacks were only defensive measures against attacks from the other side.*

Now why Ford's translation is better than the others (considering the original in German was corrupted too). The below are quotes from the book "Mein Kampf Translation Controversy":

### **Dugdale Translation 1933**

The first legal translation was an abridged (incomplete) edition called the Dugdale translation. It was criticized for selectively omitting sections, however the omissions appear to be random. The quality of the translation was not up to par, that combined with public complaints about an abridged version led to a new translation. The Dugdale version was published by Hurst & Blackett in London and Houghton Mifflin in the US.

### **Here is a Dugdale example compared to the Ford translation:**

Dugdale Translation: I refused to countenance such folly, and after a very short time I ceased to attend the meetings of the committee. I made my propaganda for myself, and that was an end of it; I refused to allow any ignoramus to talk me into any other course.

Ford translation: I refused to submit to such foolishness and after a very short time, I stopped attending the committee sessions. I prepared my

propaganda and that was that. I also did not let some good-for-nothing interfere with my work, just as I did not concern myself with their business.

The Dugdale quote appears to say that Hitler was producing propaganda for himself. Although we can figure out it means, this is not what was originally intended or written.

The Dugdale translation not only omitted paragraphs, it omitted important sentences and critical information from within sentences in an effort to abridge the book as much as possible. Dugdale was significant because it was the first legally published copy of Mein Kampf, but it is not commonly read today since unabridged(full) versions are available now. Considering the over-edited nature. Because it is abridged, it will not be used for any further examples or analysis in this text.

### **Mistranslation in other editions as regards race:**

The word Hitler used the most was völkisch which means belonging to a certain race/people.

Its actual meaning can be more positive or more negative based on context. The word itself sounds very nice and innocent which is why the Nazis kept using it instead of the racist sounding rassisch for a race. The best translation for völkisch is one that is somewhat neutral like racialist however it would not be correct to translate it as racist.

Folkish, Populist and Racial are pretty much interchangeable, however no one uses folkish or populist in common speech. These were commonly used in older translations from the 1930s which obscured the true meaning. If you look up populist or folkish in the dictionary, you will find a very nice definition which is not necessarily related to the aceoriented meaning in Mein Kampf.

The word ethnic may be considered too religious of a term in German. The German equivalent, ethnisch, wasnt used in the original German texts of Mein Kampf. Its used differently and not an accurate translation for völkisch.

It would be inappropriate to translate populist as racist. The word racist in English has a negative taint which was not associated with the words populist/folkish. Therefore we must be careful not to blindly substitute racist for populist even though it would be a valid word substitution based strictly on the definition, the meaning is skewed by social perception if we do so.

For these reasons, the words populist and folkish which were used in earlier translations were not used in the new Ford translation. The words simply have no modern meaning to the average person. Ethnic is not accurate either so race/racial was the best choice and is the most accurate translation. Populist was most often replaced with race-aware or racialist (one who uses race to make decisions or studies racial matters, usually informally) in the Ford translation.

Subject: 40 reasons to avoid Brazil

## 40 reasons why one should avoid the unpleasure of travelling to Brazil

The below is what happens when rampant race-mixing takes place in a Nation:

*(Note: Southern Brazil is quite different since it was colony of Germans and Italians)*

1 - The Brazilians have no regard to people outside of their circle of friends and often are simply rude. For example, a neighbor who plays loud music all night ... And even if you go ask him politely to turn down the volume, he tells it to you to “fuck off”. And basic education? A simple “excuse me” when someone bumps into you on the street at all simply does not exist.

2 - Brazilians are aggressive and opportunistic, and usually at the expense of others. It’s like a “survival instinct” at high speed all the time. The best example is the public transportation. If they see a way to get past you and jump the queue, they will, even if it means almost kill him, and even if they are not in a hurry. So why do they do it? Just because they can, because they see the opportunity, why they want to gain an advantage at all. They feel they always need to take whatever they can, whenever possible, regardless of who is harmed as a result.

3 - The Brazilians have no respect for their environment. They dump large loads of garbage anywhere and everywhere, and the trash is unbelievable. The streets are very dirty. The abundant natural resources, as they are, are being wasted at an amazing rate, with little or no recourse.

4 - Brazilian tolerate an incredible amount of corruption in business and government. While all governments are corrupt officials, is more common and rampant in Brazil than in most other countries, and yet the population continues to reelect the same people.

5 - The Brazilian women are overly obsessed with their bodies and are very critical (and competing with) other.

6 - Brazilians, especially men, are highly prone to extramarital affairs. Unless that man never leave home, the chances that he has a mistress are huge. The rampant infidelity. This is not just a stereotype as much as I would like. Men in Brazilian society are conditioned to believe that they are more “manly” for come out with several women.

7 - Brazilians are very expressive of their negative opinions about other people, with total disregard of the possibility of hurting someone’s feelings.

8 - Brazilians, especially the people who perform services are usually sly, lazy and almost always delayed.

9 - The Brazilians have a system very prominent classes. The rich have a sense of entitlement that is beyond belief. They think the rules do not apply to them, they are above the system, and are too arrogant and insensitive, especially with the next.

10 - Brazilians constantly interrupt each other to speak. Trying to have a conversation is like a competition to be heard, a shouting match.

11 - Brazilian police are essentially non-existent when it comes to enforcing laws to protect the population as enforcing traffic laws, find and arrest the thieves, etc.. Laws exist, but no one applies, the court system is a joke and there is usually no recourse for the citizen who is robbed, cheated or harmed. People live in fear and build walls around their homes or pay high rates to live in closed communities.

12 - Brazilians make it inconvenient and difficult. Nothing is simplified or designed with customer convenience in mind, and Brazilians have a high tolerance for amazing levels of unnecessary and redundant bureaucracy. Brazilians pay high taxes and import duties that make everything, especially household products, electronics and cars, incredibly expensive. And for entrepreneurs, following the rules and paying all their taxes makes it almost impossible to be profitable. As a result, corruption and bribery in business and government are common.

14 - It's hot as hell for nine months of the year, and air conditioning in homes does not exist here because the houses are not built to be hermetically isolated or include air ducts.

15 - The food can be fresher, less processed, and generally healthier than American or European food, but it is bland, repetitive and very inconvenient. Processed, frozen or prepared foods in the supermarket are few, expensive and generally terrible.

16 - Brazilians are super social and rarely spend time alone, especially at meals and weekends. This is not necessarily a bad quality, but personally, I hate it because I like my space and privacy, but the cultural expectation is that you will attend (or worse, invite friends and family) for each meal and you are criticized for not behave "normally" if you choose to be alone.

17 - Brazilians are very close, geographically and emotionally, their families of origin throughout life. As in # 16, this is not necessarily a bad quality, but personally I hate because it makes me uncomfortable and it affects my marriage. Brazilian adults never "cut the cord" emotional and your family of origin (especially mothers) are still engaged in their daily lives, problems, decisions, activities, etc.. As you can imagine, this is a difficult time for the spouse of another culture which generally live in nuclear families and have a different to our families of origin dynamic item.

18 - Electricity and internet services are absurdly expensive and bad.

19 - The quality of water is questionable. Brazilians drink, but do not die, for sure, but based on the total lack of enforcement of laws and abundance of corruption, I do not trust the government that says it is totally safe and will not harm you in the long term.

20 - And finally, the Brazilian has only one type of beer (watery) and it really sucks, and of course, imported beers are extremely expensive.

Forum

21 - Most bus drivers drive like they're trying to break the bus and all within it.

22 - sidewalks in my neighborhood are covered with piss and coconut dogs that bark day and night.

23 - Gridlock Three and a half hours every time it rains.

24 - Rarely things are done correctly the first time. You have to go back to the bank, consulate office, send e-mail or call 2-10 times for people to do their work.

25 - Quality very bad air. The air often smells like burning plastic.

26 - Skip the malls and restaurants are the main activities. There's nothing to do if you do not spend. There is one main park and is horribly crowded.

27 - The finish of the houses is bad. Windows, doors, hinges, tubes, electricity, sidewalks, are all built with the least possible effort.

28 - Trees, poles, telephones, plants and garbage bins are placed in the center of the sidewalks, making them impassable.

29 - You pay triple for products that will break within 1-2 years, perhaps s.

30 - Brazilians love to be well on your way. They do not give you room to move.

31 - The best way to inspire hatred in Brazil? Politely refuse to eat food offered to you. No matter how valid is your reason, this is considered an unforgivable sin in the eyes of the Brazilians and they will continue aggressively pestering you to eat it.

32 - People will push and shove unapologetically you. On public transport you will so tight that you are unable to move anything but his head.

33 - Brazil is a 3rd world country with ridiculously inflated prices for quality items. To get an idea, São Paulo is ranked the 10th most expensive city in the world. (New York is the 32nd).

34 - Rampant, obnoxious patriotism. Wherever you are from, Brazilians will always be immediately upfront in telling you that it's "better here". They will be quick to tell you to your face all about how gringos don't bathe and are "cold".

35 - Zero respect for pedestrians. Yes, they do not stop for you to pass. At best, they will honk.

36 - When sidewalks are under construction it is expected that you walk in the street. Some drivers refuse to make the slightest deviation from their presence, accelerating within inches of you, even when the next lane is free.

37 - Do not even think about telling someone when you are traveling to the USA. Everyone will ask you to bring iPods, X-Box, laptops, clothes, grocery items, etc.. in your bag, because they are too expensive or not available in Brazil.

38 - Unless you really like football or reality shows (ie Big Brother), there is nothing much to talk with the Brazilians in general. You can learn fluent Portuguese, but in the end, the conversation is very limited, very quickly.

39 - Everything is built for cars and drivers, even the cars are 3x the price of any other country. Intercity luxury buses are efficient, but public transportation is inconvenient, expensive and uncomfortable to walk. Consequently, the traffic in São Paulo and Rio is now considered one of the worst of the Earth (SP possibly the worst). Even at noon can have huge traffic jams that makes you impossible to walk even a short distance limited unless you have a motorcycle.

40 - All Brazilian cities (with the exception perhaps in Southern Brazil such as cities of Gramado and Pomerode) are ugly, filled with concrete, hyper-modern architecture and devoid of trees or charm. Most are dull and completely identical in appearance. Any colonial history and beautiful old mansion is quickly demolished to make way for a parking lot or a shopping mall.

Rabbi Schneerson's Contempt for Non-Jews Advertised on Buses in Israel

[http://www.theoccidentalobserver.net/20 ... -non-jews/](http://www.theoccidentalobserver.net/20...-non-jews/)

Kevin MacDonald on January 31, 2015 — 2 Comments

From the Israeli apartheid page on Facebook, via Philip Weiss of Mondoweiss:

A bus in Jerusalem has this caption in large lettering:

Israel's bus company Egged has accepted this ad in Jerusalem:

"Statement of the kingdom. From the teachings=instructions of the [Lubavitcher] rabbi

The Gentile does not want anything. He waits to be told what the Jew wants!"

Rabbi Schneerson has not gone unnoticed at TOO, thanks especially to Trudie Pert's 4-part series on him. And as I note elsewhere, commenting on a statement by former Sephardic leader Rabbi Ovadia Yosef, that "the goyim were born only to serve us," there is clear evidence that such statements are actually quite mainstream in orthodox circles, and as usual, mainstream American conservatives are clueless about the contempt that Schneerson has for them. As Pert points out,

So taken were non-Jewish American conservatives by the "wholesome" Hasids' exemplification of traditional family values, their promotion of prayer in the schools, and their display of religion in the public square that Congress eventually declared April 4, Schneerson's 80th birthday, a National Day of Reflection. In 1983 President Reagan honored the Rebbe with a kosher-catered birthday party at the White House. Linked by satellite to the White House, Schneerson participated in the celebration from Brooklyn. Posthumously he also received the Congressional Medal of Honor.

Here's another statement from Schneerson:

We do not have a case of profound change in which a person is merely on a superior level. Rather we have a case of . . . a totally different species. . . . The body of a Jewish person is of a totally different quality from the body of [members] of all nations of the world . . . The difference of the inner quality [of the body] . . . is so great that the bodies would be considered as completely different species. This is the reason why the Talmud states that there is an halachic difference in attitude about the bodies of non-Jews [as opposed to the bodies of Jews]: "their bodies are in vain". . . . An even greater difference exists in regard to the soul. Two contrary types of soul exist, a non-Jewish soul comes from three satanic spheres, while the Jewish soul stems from holiness.

Subject: Jewish Ritual Murder Of Gentile Children

Jewish Ritual Murder Of Gentile Children

<https://www.youtube.com/watch?v=x-yt-ts=1&list=PL85114404>

The story about the murder of Ukrainian boy Andrei Youshchinsky by the Jew Beiliss is a warning to the ignorant. What does the 80 year cover up of this

case — forensic evidence of Beiliss guilt was plentiful — indicate about the true nature of the Soviet regime? Would a media blackout of this story of Jewish ritual murder by the Soviets be considered anti-Semitic or philo-Semitic?

Here is the article I did on this subject awhile back, note when they say Christian they mean Gentile as this was how Europeans generally identified themselves as not of Jewish blood at the period due to ruling influence of the Church. It was a cultural terminology.

The Jewish Ritual Murder of Andrei

'Alilath Seker' a slush found in today terms provided bribe money and expenses [for Jews] to combat blood accusations.- Dr Philip Devier, "Blood Ritual"

In 1911 Kiev Russian the most notorious cases of ritual murder occurred the body of Andrei Youshchinsky a child from the local area was found in a cave drained of all his blood, a local Jew Beilless was charged with the crime. Jews from around the world poured the modern equivalent of 115 million dollars into the concealing the facts of the case and his defense. After the discovery of the body the police arrested the mother and would not allow her to attend her sons burial, during this time the family was approached by a local Jewish lawyer who attempted to bribe them into silence. Jewish owned News Papers then tried to slander the mother with false claims she ran a criminal network that killed her son, once again the Jew is the master of projection and lies.

Several witnesses including two children of the Chebariak family who witnessed the kidnapping of Andrei by local Jews where murdered during the case. It was also shown the local head of the Police had planted false evidence to get Beilless off the hook for the murder.

The children who had been with Andrei at the time of the abduction and where witnesses where all given pieces of cake by the investigator all 3 became severally ill the next day and two died, one survived after being ill for months when she recovered she testified in the court as to what she witnessed:

"We started to ride the clay -mixer suddenly Beilless and two other Jews ran towards us, we jumped off the clay- mixer and tried to run away Andrei and my brother [Zhenya] where caught by Beilless and the other Jews but my brother freed himself the Jews then dragged Andrei away, my sister[Valentina] also saw this."-Court testimony of Chebariaks daughter.

John Grant the American Consulate stationed in Odessa Russia at the time reported the finding of the jury, the jury had officially found that: "A certain boy]Andrei] in Kiev Russia had been killed by fanatical Jews, and that Jews for Occult purposes had carefully drawn all blood from the dying child and that it was instance of Jewish Ritualistic murder, and that Beilless was innocent."

While the murder which was have proven to have taken place inside the synagogue of a local Jewish owned and operated brick factory, the Jury could not determine for certain if it was Beilless who had wielded the implement that punched Andrei over 45 times around his body killing him, drawing as much blood possible carefully from Andrei's body in the process. It was stated the puncher marks done to the side of the child's head where done specifically for a special part of the ritual as a sacrifice so the Jews could overthrow the Czar.

Medel Beiliess went free because 6 of the 12 members of the jury could not determine if he had been the murdered of the child,[despite eyewitness account from Chebariaks surviving daughter, he was one of the kidnappers of Andrei along with two other Jews] too many witnesses had been killed and too much evidence destroyed and covered over previous to the trail, by the Jews.

In 1917 G.G Zamyslovsky the prosecuting attorney wrote a 525 page book on the subject called "The Murder Of Andrei Youshchinsky" in which he detailed the facts of the case in depth. During the Judeo-Bolshevik revolution Zamyslovsky was given a show trial by the Jewish CHEKA then murdered by them mainly for his book on the subject which revealed all the aspects of the case, his book was then classified till 1997 to keep it's contents secret, the Jews also "executed" the judge of the case and any original surviving witnesses.

When I looked into this child's eyes and watched him awhile, I knew what we are dealing with. Children are much more open psychically than adults and see things the way they really are. The child was traumatized wondering why these insane insects were allowed to victimize anyone they want at will. He wasn't seeing a person. He was seeing the real deal. Now those fuckers are going to find out what the real deal is all about. That's not what I want to say, that's all I can say on here.

Jewish leaders call for Europe-wide legislation outlawing anti-Semitism

Note the Jews will use anything to push their own agenda including Europeans natural disgust with Islamic mass immigration which is a creation of Jews from the start to ruin Europe.

<https://www.youtube.com/watch?v=rA7Ymki71fM>

"Europe has not yet learned how to be multicultural" ... "We're going to be part of that transformation which MUST take place" ... "and jews will be resented because of their leading role" ... Jew Spectre.

Take a look this rat Jew supports Israel which only allows Jews to immigrate and become citizens, no multiculturalism in the Jewish State. So why is this kike and the kikes in general pushing the opposite for the West? To conqueror, ruin and rule the Goyim.

Now the Jews want to be above all criticism for what they are and do in Europe. They don't want any European Patriots calling them out for their criminality. That's it. Jewish feelings and self entitlement of robbing and ruining of the Goyim are more important then YOUR FREEDOMS TO THE JEWS.

They want to put you in jail for hurting Jewish feelings by telling the truth about Jews. The Jews believe they can hate, rob and ruin you. But your not allowed to say anything about it.

Remember at the same time the Jews want your freedoms gone. They are calling for special privileges to be above the law in Europe and be able to carry fire arms when its prohibited for the populace. The French Government has had special military units guarding the Jewish communities for awhile now. And only the Jewish communities. Because where all equal but some are the Chosen people and so more equal then others.

<http://www.theguardian.com/world/2015/j...tiseitism>

European Jewish leaders, backed by a host of former EU heads of state and government, are to call for pan-European legislation outlawing antisemitism amid a sense of siege and emergency feeding talk of a mass exodus of Europe's oldest ethnic minority.

A panel of four prestigious international experts on constitutional law backed by the European Council on Tolerance and Reconciliation (ECTR) have spent three years consulting widely and drafting a 12-page document on "tolerance". They are lobbying to have it converted into law in the 28 countries of the EU.

The proposal would outlaw antisemitism as well as criminalising a host of other activities deemed to be violating fundamental rights on specious religious, cultural, ethnic and gender grounds.

These would include banning the burqa, female genital mutilation, forced marriage, polygamy, denial of the Holocaust and genocide generally, criminalising xenophobia, and creating a new crime of "group libel" – public defamation of ethnic, cultural or religious groups. Women's and gay rights would also be covered.

The proposed legislation would also curb, in the wake of the Paris attacks, freedom of expression on grounds of tolerance and in the interests of security.

"Tolerance is a two-way street. Members of a group who wish to benefit from tolerance must show it to society at large, as well as to members of other groups and to dissidents or other members of their own group," says the document.

"There is no need to be tolerant to the intolerant. This is especially important as far as freedom of expression is concerned: that freedom must not be abused to defame other groups."

Amid acute European angst over multiculturalism, fundamentalist violence perpetrated on alleged religious grounds and the response of the state, the call for uniform rules across Europe is to be initiated this week in Prague at events commemorating the Holocaust and the 70th anniversary of the liberation of Auschwitz.

"There's a real threat of another Jewish exodus from Europe," Moshe Kantor, president of the European Jewish Congress and co-chair of the ECTR, told the Guardian. "The only way to fix these problems is deep changes in legislation to protect all, not just Jews."

The panel of experts drafting the proposal includes a retired Italian supreme court judge, a former King's College professor, and the former head of Germany's prestigious Max Planck Institute. The panel was chaired by Yoram Dinstein, a war crimes expert, professor and former president of Tel Aviv university.

"Antisemitism is clearly part of it, but by no means the thrust of the project," he said. "It's about tolerance and if you expect tolerance, you have to show tolerance. Otherwise it becomes very obnoxious."

The document, A European Framework National Statute for the Promotion of Tolerance, according to the drafters, seeks to define, codify, and balance rights, liberties and security at a time when governments are scrambling over how to cope.

But it goes much further, calling for the criminalisation of "overt approval of a totalitarian ideology, xenophobia or antisemitism."

Education in tolerance should be mandatory from primary school to university, and for the military and the police, while public broadcasting must "devote a prescribed percentage of their programmes to promoting a climate of tolerance".

The drafters are currently touring the parliaments of Europe trying to drum up support for a consensus that would get many, if not all, of the proposals turned into law across 28 countries. Given the national disparities on gay rights, libel laws, holocaust denial and more, the proposals represent a legal minefield.

In Hungary, which has a long record of antisemitism and has a nationalist rightwing government in power, the demands were laughed away, said Dinstein, adding: "The government wouldn't touch it with a long pole."

At a European parliament committee hearing, he said, Britain's UK Independence party (Ukip) was strongly opposed.

The organisers are particularly keen to see Britain enact legislation, similar to that in Germany or Austria, criminalising Holocaust denial. "We very much regret this is not done by Britain," he said.

The yardstick, say the drafters, should be that if an international tribunal has ruled genocide has taken place, it should be accepted everywhere in Europe as criminal conduct to contest that in public. The Holocaust, the Rwanda genocide, and the mass murder of Muslims by Serbs in Srebrenica, Bosnia, in 1995 would be covered. The Turkish massacre of Armenians in 1915, for example, would not be covered.

One senior EU policymaker said as far as Europe's Jewish communities were concerned there was no need for new laws. The priority was security and protection.

Kantor complained that when raising the issue of protection, national and regional Jewish leaders were encouraged to stage fundraising activities.

"We are challenging today things that haven't happened in Europe for 70 years," he said. "The Jewish community in Europe definitely needs protection. Governments should pay and should invest much more money. We've already paid our taxes and we need much more commitment from governments."

Subject: The Jewish Forced Marched To The Microchip

## The Jewish Forced Marched To The Microchip

Its been known for awhile the Jewish Power Elite want to bring the microchip into the population. And that such a chip will have everything from GPS tracking to the ability to manipulate emotions and memories by electric pulse waves. And even a literal kill switch if you rebel. This gives them total control forever.

The Jews work by problem, reaction, solution basically. They are using the threat of terrorism they have created in society [911 was done by them] and the fear machine of their media and their control of the Justice and general legal system to create a situation in people are scared, which crime is rising, society is breaking down [the Jewish created drug culture and trade is responsible for this along with their media] and people are getting terrorized on a daily basis. Identity theft is a huge problem as well. Which is another excuse to march towards this. People have already been volunteer chipped and now pets. The only question now is when will the Jews make there next big play to force this and other control measures onto the populace directly.

They are also pushing this as general life improvement and safety measure.

And guess Jew is behind the company that has developed micro chipping for humans:

<https://www.youtube.com/watch?v=GursOom9dNA>

Note the Jew does not address the actual question of Big Brother raised by the reporter, he doges it. He does however state this is going to be pushed till accepted by the populace. Jews are freedom hating creeps. The Jew created the biggest toleration regime in history. The Soviet Union. Which killed a hundred million people in a real holocaust:

New regs say passengers cannot fly without biometric ID card

<http://www.policestateusa.com/2015/tsa-...e-real-id/>

Both federal passports and REAL-ID cards require a number of unique personal identifiers to be stored together in government databases, including his or her full name, date of birth, Social Security Number, scanned signature, and other identifiers. Both cards require biometric data: a front-facing digital photograph of the passenger's face, which is ultimately used with a facial recognition database

Texas schools punish students who refuse to be tracked with microchips

A school district in Texas came under fire earlier this year when it announced that it would require students to wear microchip-embedded ID cards at all times. Now, students who refuse to be monitored say they are feeling the repercussions.

U.S. Military May Implant Chips In Troops' Brains  
2007-08-02, KUTV (CBS affiliate in Salt Lake City, Utah)  
[http://www.kutv.com/local\\_story\\_215001119.html](http://www.kutv.com/local_story_215001119.html)

Imagine a day when the U.S. government implants microchips inside the brains of U.S. soldiers. Well you don't have to think too far into the future. The defense department is studying the idea now. The chip would be the size of a grain of rice. How far is too far when it comes to privacy? The department of defense recently awarded \$1.6 million to Clemson University to develop an implantable biochip. It would go into the brain using a new gel that prevents the human body from rejecting it. The overall idea is to improve the quality and speed of care for fallen soldiers. "It's just crazy. To me, it's like a bad sci-fi movie," says Yelena Slattery [from] the website <http://www.WeThePeopleWillNotBeChipped.com>. Slattery says, "Soldiers can't choose not to get certain things done because they become government property once they sign up. When does it end? When does it become an infringement on a person's privacy?" Once the chip is in, she says, could those soldiers be put on surveillance, even when they're off-duty? A spokesman for veterans of foreign wars also urged caution. Joe Davis said, "If you have a chip that's holding a gigabyte, or 10 gigs, like an iPod, what kind of information is going to be on there? How could this be used against you if you were taken captive?"

Children & Microchip Identification

Microchips and radio-frequency identification devices (RFID) have been used to track items and pets for years. For animals, the chip is injected into the top layers of skin and can either be read by a GPS device or scanned by specific reading devices if the pet is lost. The same technology is being developed for children.

Mind-control device lets people alter genes in mice through power of thought

2014-11-11, The Guardian (One of the UK's leading newspapers)

[http://www.theguardian.com/science/2014 ... ter-gene...](http://www.theguardian.com/science/2014...ter-gene...)

Scientists have created a mind-control system that allows a person to alter the genes in a mouse through the power of thought. A person wearing the device could alter how much protein was made from a gene in the mouse. Volunteers found that they could turn the gene on or off in the mouse at will. The experiment could lead to the development of a radical new approach to the treatment of diseases. Martin Fussenegger, a bioengineer who leads the project at ETH Zurich said he hoped to see clinical trials in people with chronic pain or epilepsy in the next five years. Fussenegger's team describes a system that demonstrates the idea. The mouse was fitted with a small implant containing copper coils, a light-emitting diode (LED) and a tiny container of genetically modified cells. When the electromagnetic field switches on beneath the mouse, an electric current is induced in the implant's coils which makes the LED shine. This light illuminates the cells which are designed to respond by switching on a particular gene, causing the cells to make a new protein which seeps out of the implant's membrane. In the tests, the new protein ... allowed scientists to measure its levels ... while people wearing the headset changed their state of mind. In a series of follow-up experiments, volunteers wearing the headset could see when the LED came on, because the red light shone through the mouse's skin. In time, they learned to control the light – and so the gene – simply by thinking.

Human microchipping: I've got you under my skin

[http://www.smh.com.au/digital-life/digi ... zqvho.html](http://www.smh.com.au/digital-life/digi...zqvho.html)

Thousands of technology enthusiasts use it as the ultimate app, enabling them to lock and unlock their homes, cars, computers and mobile phones with a simple wave of a hand. But there's a catch: they must have a microchip inserted into their bodies.

The idea may seem weird, and painful, but human microchipping appears to appeal not only to amateurs, who call themselves biohackers, but also to governments, police forces, medical authorities and security companies.

It involves using a hypodermic needle to inject an RFID (radio-frequency identification) microchip, the size of a grain of rice, usually into the person's hand or wrist. The same kind of chip is used for tracking lost pets.

The implants send a unique ID number that can be used to activate devices such as phones and locks, and can link to databases containing limitless information, including personal details such as names, addresses and health records.

RFID chips are everywhere. Basically, if you have to swipe a card, your ID is encoded in the magnetic stripe. If you touch it to a reader, as with Myki, it has

an RFID chip with your number on it linked to the relevant database with your info on it. The latest credit cards have both stripe and RFID.

Students ordered to wear tracking tags

2005-02-09, MSNBC News

<http://www.msnbc.msn.com/id/6942751>

The only grade school in this rural town is requiring students to wear radio frequency identification badges that can track their every move. Some parents are outraged, fearing it will rob their children of privacy. The badges introduced at Brittan Elementary School on Jan. 18 rely on the same radio frequency and scanner technology that companies use to track livestock and product inventory. The system was imposed, without parental input, by the school as a way to simplify attendance-taking and potentially reduce vandalism and improve student safety. Some parents see a system that can monitor their children's movements on campus as something straight out of Orwell. This latest adaptation of radio frequency ID technology was developed by InCom Corp., a local company co-founded by the parent of a former Brittan student, and some parents are suspicious about the financial relationship between the school and the company. InCom has paid the school several thousand dollars for agreeing to the experiment, and has promised a royalty from each sale if the system takes off, said the company's co-founder, Michael Dobson, who works as a technology specialist in the town's high school.

Microchip to allow wallet-free drinking

2005-01-17, The Telegraph (One of the UK's leading newspapers)

<http://www.telegraph.co.uk/news/uknews/...let-free...>

A Scottish nightclub is about to become the first in Britain to offer its customers the chance to have a microchip implanted in their arm to save them carrying cash. The "digital wallet", the size of a grain of rice, guarantees entry to the club and allows customers to buy drinks on account. Brad Stevens, owner of Bar Soba in Glasgow, said his customers had responded enthusiastically to the idea. The VeriChip is inserted by a medical professional and then scanned for its unique ID number as a customer enters the bar. The scheme was criticised by a spokesman for the Scottish Executive, who said the microchip could encourage excessive drinking, and by Notags, a consumer group set up to resist the spread of radio frequency identification devices. A spokesman said: "The chip contains your name and ID number and, as this could be read remotely without your knowledge, that is already too much information."

Professor has nightmare vision of global positioning technology

Jerome Dobson is not joking. The University of Kansas research professor, a respected leader in the field of geographic information technologies [speculates about] "geoslavery" -- a form of technological human control that could make "George Orwell's `Big Brother' nightmare ... look amateurish." He's talking about overlords electronically punishing errant workers. He's talking about the possibility of people hooked to, tracked by, and potentially shocked or burned

using inexpensive electronic bracelets, manacles or implants. Dobson worked for 26 years at Tennessee's Oak Ridge National Laboratory creating, for the government, the maps used in global tracking. He is the president of the American Geographical Society. And he is not alone in his thoughts. [In] the journal published by the Institute of Electrical and Electronics Engineers, a paper titled "Geoslavery" is co-written by Dobson and Peter F. Fisher, British editor of the International Journal of Geographical Information Science. "Human tracking systems, currently sold commercially without restrictions, already empower those who would be masters. Safeguards have not yet evolved to protect those destined to be slaves," they wrote. With a laptop computer, employers can keep track of their drivers' every move. Implanted chips ... keep track of livestock or pets. Whereify Wireless Inc. sells its GPS Kids Locator for \$400. The device, which also looks like a watch, can be locked to a child's wrist. Dobson said that ... none of the companies was thinking of anything nefarious. [Yet he] worries that where there is an evil will, there is an evil way. He hopes [to ] create debate and perhaps legislation or safeguards around the technology that will keep it from being misused.

Scientists develop 'brain chip'

2003-03-12, BBC News

<http://news.bbc.co.uk/2/hi/health/2843099.stm>

US scientists say a silicon chip could be used to replace the hippocampus, where the storage of memories is co-ordinated. They are due to start testing the device on rats' brains shortly. If that goes well, the Californian researchers will test the artificial hippocampus in live rats within six months and then monkeys trained to carry out memory tasks before progressing to human trials once the chip has been proved to be safe. The hippocampus is an area at the base of the brain in humans, close to the junction with the spinal cord. It is believed it "encodes" experiences so they can be stored as long-term memories in another part of the brain. The researchers were able to devise a mathematical model of a whole hippocampus. The model was then programmed on to a chip. They suggest the chip would sit on a patient's skull, rather than inside the brain. Bernard Williams, a philosopher at Oxford University, UK, who is an expert in personal identity, said people might find the technology hard to accept at first.

US group implants electronic tags in workers

2006-02-13, MSNBC/Financial Times

<http://msnbc.msn.com/id/11314766/>

An Ohio company has embedded silicon chips in two of its employees - the first known case in which US workers have been "tagged" electronically as a way of identifying them. A private video surveillance company said it was testing the technology as a way of controlling access to a room where it holds security video footage for government agencies and the police. Embedding slivers of silicon in workers is likely to add to the controversy over RFID technology, widely seen as one of the next big growth industries. RFID chips - inexpensive radio transmitters that give off a unique identifying signal - have been implanted in pets or attached to goods so they can be tracked in transit. "There are very serious privacy and civil liberty issues of having people permanently numbered," said Liz McIntyre, who campaigns against the use of identification technology. "There's nothing pulsing or sending out a signal," said Mr Darks, who has had a chip in his own arm. "It's not a GPS chip. My wife can't tell where I am." The technology's defenders say it is acceptable as long as it is not compulsory. But critics say any implanted device could be used to track the "wearer" without their knowledge.

Passports go electronic with new microchip

2004-12-09, Christian Science Monitor

<http://www.csmonitor.com/2004/1209/p12s01-stct.html>

The US passport is about to go electronic, with a tiny microchip embedded in its cover. The chip is the latest outpost in the battle to outwit tamperers. But it's also one that worries privacy advocates. The RFID (radio frequency identification) chip in each passport will contain the same personal data as now appear on the inside pages - name, date of birth, place of birth, issuing office - and a digitized version of the photo. But the 64K chip will be read remotely. And there's the rub. The scenario, privacy advocates say, could be as simple as you standing in line with your passport as someone walks by innocuously carrying a briefcase. Inside that case, a microchip reader could be skimming data from your passport to be used for identity theft. Or maybe authorities or terrorists want to see who's gathered in a crowd and surreptitiously survey your ID and track you. Why not choose a contact chip, where there would be no possibility of skimming, asks Barry Steinhardt, director of the ACLU's Technology and Liberty Project. "There was another way to go, which was to put an electronic strip in the passport that would require contact." The State Department says it's just following international standards set by the International Civil Aviation Organization (ICAO), under the umbrella of the United Nations. The ICAO specified the RFID ... at the behest of the United States. All countries that are part of the US visa-waiver program must use the new passports by Oct. 26, 2005. Mr. Steinhardt ... says the US pushed through the standards against the reservations of the Europeans. "Bush says at the G8 meeting, 'We have to adhere to the global standard,' as though we had nothing to do with it," he says in exasperation.

Edible RFID microchip monitor can tell if you take your medicine

2010-03-31, BusinessWeek

<http://www.businessweek.com/idg/2010-03 ... tor-can-...>

Researchers at the University of Florida have combined RFID, microchips and printed nano-particle antennas to make pills that communicate with cell phones or laptops to tell doctors whether patients are taking their medicine. Still a prototype, the inventors hope their tattletale technology can be applied commercially to a range of medications in clinical trials and in treatment of patients with chronic diseases in which it is essential that the doses are taken and taken on time. The pill is a white capsule with a microchip embedded and with an antenna printed on the outside with ink containing silver nanoparticles. A device worn by the patient energizes the microchip via bursts of low-voltage electricity. The chip signal confirms the pill is in the stomach and the device sends a signal that the pill has been swallowed. The messages can go to cell phones or laptops to inform doctors or family members.

Look out, your medicine is watching you

2010-11-08, Fox News/Reuters

<http://www.foxnews.com/health/2010/11/0 ... -microchip>

Novartis AG plans to seek regulatory approval within 18 months for a pioneering tablet containing an embedded microchip, bringing the concept of "smart-pill" technology a step closer. The initial program will use one of the Swiss firm's established drugs taken by transplant patients to avoid organ rejection. But

Trevor Mundel, global head of development, believes the concept can be applied to many other pills. Novartis agreed in January to spend \$24 million to secure access to chip-in-a-pill technology developed by privately owned Proteus Biomedical of Redwood City, California, putting it ahead of rivals. The biotech start-up's ingestible chips are activated by stomach acid and send information to a small patch worn on the patient's skin, which can transmit data to a smartphone or send it over the Internet to a doctor. Because the tiny chips are added to existing drugs, Novartis does not expect to have to conduct full-scale clinical trials to prove the new products work. Instead, it aims to do so-called bioequivalence tests to show they are the same as the original. A bigger issue may be what checks should be put in place to protect patients' personal medical data as it is transmitted from inside their bodies by wireless and Bluetooth.

### Electronic Pickpocketing

2012-01-10, WREG-TV (Memphis, TN CBS affiliate)

<http://wreg.com/2012/01/10/electronic-pickpocketing/>

Call it high-tech hijacking. Thieves now have the capabilities to steal your credit card information without laying a hand on your wallet. It's new technology being used in credit and debit cards, and it's already leaving nearly 140 million people at-risk for electronic pickpocketing. It all centers around radio frequency identification technology, or RFID. It's supposed to make paying for things faster and easier. You just wave the card, and you've paid. But now some worry it's also making life easier for crooks trying to rip you off. In a crowd, Walt Augustinowicz blends right in. And that's the problem. "If I'm walking through a crowd, I get near people's back pocket and their wallet, I just need to be this close to it and there's [their] credit card and expiration date on the screen," says Augustinowicz demonstrating how easily cards containing RFID can be hacked. Armed with a credit card reader he bought for less than \$100 on-line and a netbook computer ... for about an hour he patrolled Beale Street, looking for RFID chips to read, and credit card information to steal. Even scarier, Augustinowicz says bad guys could work a crowd, stealing numbers and then e-mail them anywhere in the world. It's not just your credit and debit cards at-risk. While they are harder to hack, all US passports issued since 2006 contain RFID technology that can be read, and swiped. "It gives me a lot of personal information like your date of birth, your photo if I wanted to make some sort of ID," said Augustinowicz demonstrating with his reader.

### An Orwellian solution to kids skipping school

2007-02-20, Atlanta Journal-Constitution (Atlanta's leading newspaper)

<http://www.ajc.com/opinion/content/opin...uants.html>

Let's say your teenager is a habitual truant and there is nothing you can do about it. A Washington area politician thinks he might have the solution: Fit the child with a Global Positioning System chip, then have police track him down. "It allows them to get caught easier," said Maryland Delegate Doyle Niemann (D-Prince George's), who recently co-sponsored legislation in the House that would use electronic surveillance as part of a broader truancy reduction plan. "It's going to be done unobtrusively. The chips are tiny and can be put into a hospital ID band or a necklace." Niemann's legislation mirrors a bill sponsored by state Sen. Gwendolyn Britt (D-Prince George's). Both would provide truants and their parents with better access to social services, such as mental health evaluations and help with schoolwork. Electronic monitoring would be a last resort. Still, the prospect of tagging children and using them in some "catch and

release" hunt by police casts a pall over everything that's good about the plan. Odd how billions and billions of dollars keep going to a war that almost nobody wants, but there's never enough to fund the educational programs that nearly everybody says are needed. Aimed solely at students in Prince George's — the only predominantly black county in the Washington area — the truancy effort is called a "pilot program," a first-of-its-kind experiment. It would cost \$400,000 to keep track of about 660 students a year.

#### Military Plans To Test Brain Implants To Fight Mental Disorders

2014-05-26, NPR blog

<http://www.npr.org/blogs/health/2014/05...o-test-b...>

The Defense Advanced Research Projects Agency, or DARPA, is launching a \$70 million program to help military personnel with psychiatric disorders using electronic devices implanted in the brain. The goal of the five-year program is to develop new ways of treating problems including depression, anxiety and post-traumatic stress disorder, all of which are common among service members who fought in Iraq or Afghanistan. The new program will fund development of high-tech implanted devices able to both monitor and electrically stimulate specific brain circuits. The effort will be led by scientists at the University of California, San Francisco and Massachusetts General Hospital. The UCSF team will begin its work by studying volunteers who already have probes in their brains as part of treatment for epilepsy or Parkinson's disease. That will allow researchers to "record directly from the brain at a level of resolution that's never [been] done before," says Eddie Chang, a neurosurgeon at UCSF. And because many of the volunteers also have depression, anxiety and other problems, it should be possible to figure out how these conditions have changed specific circuits in the brain, Chang says. The scientists ... hope to design tiny electronic implants that can stimulate the cells in faulty brain circuits. "We know that once you start putting stimulation into the brain, the brain will change in response," Chang says.

This video is very informative. It exposes the jew lies about Our Nazism. Also, the most horrendous jew program, communist.

It is a must watch. Just for further knowledge, an example, jew Dominique Strauss-Khan was thinking of running for President in France. This fat kike is a notorious communist who "incidentally" was the head of the IMF (International Monetary Fund). Luckily, this jew is now in prison due to it trying to rape a woman in a New York hotel. As well as being caught heading a prostitution ring - typical fucking jew.

This just highlights the situation. Now imagine, there is only 350,000-450,000 kikes in France. There are 6.5 MILLION jews in the United States. The Russian Gentiles never expected that a group of 20,000 or more Russian jews could take over a nation of over 170 million people. They did.

This is deadly important. Spiritual warfare is of paramount importance. We MUST fight back! And NOW!!

Support for Operation Protective Edge, Israel's military effort to stop Hamas' incessant rocket attacks against Israel's civilians, is coming directly from the Kremlin.

"I am closely tracking what is happening in Israel," Russian President Vladimir Putin remarked in a meeting on Wednesday with a delegation of Chief Rabbis and representatives of the Rabbinical Center of Europe.

The purpose of the meeting, according to the Kremlin, was to discuss joint efforts to prevent the rewriting of history, the fight against neo-Nazism and neo-fascism, xenophobia and anti-Semitism.

"It is important to discuss the subject of the Holocaust of the World War II era. There are Holocaust survivors among the rabbis, they have their personal, dramatic stories," Rabbi Alexander Boroda, President of the Federation of Jewish Communities of Russia, told Interfax-Religion.

Boroda was seated across from Putin during the meeting, alongside Russia's Chief Rabbi Berel Lazar, Israel's Sephardic Chief Rabbi Yitzchak Yosef, Tel Aviv Chief Rabbi Yisrael Meir Lau and others.

At one point during the meeting, Rabbi Yosef commented that "hours before I flew here, a rocket landed near my house in Jerusalem, the capital of the Jewish nation."

"It goes without saying there is great anxiety among my children and grandchildren who were forced to enter bomb shelters, for no fault of their own," he said, adding that it is "hard to describe the emotional damage that is being done to them. All this is just for the crime that they were born to the Jewish nation."

The Chief Rabbi concluded by asking the president to use his power "to bring a stop to the violence. There cannot be a situation where people use religion to slaughter the innocent."

Most of the Israeli population is currently living under the threat of rocket fire. Life between sirens, in and out of bomb shelters, has become the daily reality for millions of Israelis.

Hamas terrorists in Gaza have fired more than 200 rockets at Israel since Operation Protective Edge began on Monday, July 7 – and over 650 rockets since the beginning of 2014.

According a news report, Putin replied by asking Rabbi Yosef to pass along a message to Israel's Prime Minister Benjamin Netanyahu that Russia is a true friend of Israel and of the Prime Minister.

"I support Israel's battle that is intended to keep its citizens protected," he said about the Israel Defense Forces' operation to restore quiet to the region and stop Hamas terrorism.

"I also heard about the shocking murder of the three teenagers," Putin added about the kidnapping and murder of Naftali Fraenkel, Eyal Yifrach and Gilad Shaar, three Yeshiva students in Israel. "This is an unconscionable act and I ask that you bring my condolences to the families."

Also in attendance were Chief Rabbi of the Netherlands Binyomin Jacobs; Rabbi Yirmiyahu Cohen, head of the rabbinical court in Paris, France; Rabbi Yisroel Lichtenstein, head of the Federation of Synagogues Beth Din in England; Rabbi Moshe Lazar of Milan, Italy; Rabbi Michael Shmerla, head of the rabbinical court in Strasbourg, France; Rabbi Yitzchak Niazov, Rabbi of the Bukharan Jewish Community in Vienna, Austria; Rabbi Yehuda Teichtel, Director of Chabad Lubavitch Educational Center in Berlin, Germany; Rabbi Yaakov David Shmal, dayan of Machazikei Hadas in Antwerp, Belgium; Rabbi Menachem Margolin, Director of the Rabbinical Centre of Europe.

All criticism of Jews is fast becoming illegal in Europe. Jews can murder, torture and generally genocide as many Palestinian's as they wish in the name of being Jewish because Jewishness is based on such just read the Torah. But you are not allowed to say one word that hurts a Jewish persons feelings over the subject.

Genocide is permissible" according to insane Times of Israel Op-Ed (UPDATED):

[http://www.salon.com/2014/08/01/genocid...ael\\_op\\_ed/](http://www.salon.com/2014/08/01/genocid...ael_op_ed/)

Criticism of the above article is illegal in Germany now, how wonderful for the Jews. This means the Jews are becoming so exposed they are trying to make it a crime against the state to just talk about them.

Something to keep in mind on how Jews think about you:

What does the Jewish Talmud say about Gentiles:

Sanhedrin 59a: "Murdering Goyim is like killing a wild animal."

Abodah Zara 26b: "Even the best of the Gentiles should be killed."

Hilkoth Akum X1: "Show no mercy to the Goyim."

Given the above do you think any of them care about your rights? No that's why they are always trying to take them away. Zionism is Jewish this is obvious. Hence your not allowed to say anything about it Jews don't want you to say.

Remember holding a different opinion is a criminal offence thanks to Jews.

"Our race is the Master Race. We Jews are divine gods on this planet. We are as different from the inferior races as they are from insects. In fact, compared to our race, other races are beasts and animals, cattle at best. Other races are considered as human excrement. Our destiny is to rule over the inferior races. Our earthly kingdom will be ruled by our leader with a rod of iron. The masses will lick our feet and serve us as our slaves.

- Prime Minister Menachem Begin

(Israeli Prime Minister. Speech to the Knesset. Source: "Begin and the Beasts," New Statesman, June 1982)

While the above quote is the essence of being Jewish. Its now illegal to not agree with it because its Jewish. Thanks to Jews. All people are equal but some people are the "Chosen" and so more equal then others.

'Anti-Zionism is Anti-Semitism,' Rules German Judge  
[http://www.israeltoday.co.il/Default.as ... &nid=25961](http://www.israeltoday.co.il/Default.as...&nid=25961)

A German judge last week equated condemnation of Zionism with anti-Semitism, undercutting the arguments of many who claim that hostile criticism of Israel is not the same as hating the Jews.

In judging the case of 24-year-old Taylan Can, a German citizen of Turkish decent known for is anti-Israel activism, Judge Gauri Sastry refused to allow the defendant to hide behind the notion of legitimate criticism of the Jewish state.

Can was ultimately convicted for incitement against an ethnic minority for his role in a July 18, 2014 demonstration in Essen, Germany, where he and others used the term "Zionist" to stir up anger against Israel and local Jewish residents.

At his hearing, Can insisted he was not an anti-Semite, and was merely opposed to the policies of the State of Israel. But Judge Sastry was having none of it.

Die Welt quoted her as clarifying that "'Zionist' is the language of anti-Semites, the code for 'Jew.'"

It was likely that particular portion of Judge Sastry's ruling would be overturned when Can appealed to higher courts, but European Jewish groups nevertheless praised the unprecedented and bold decision that had publicly unmasked one of the more dangerous lies of our times.

## The Eternal Jew

fourthreich666, roadtorevolution

---

Eternal: lasting or existing forever; without end.

Throughout its supposed 5800 year history, the Jew has never changed. It has always remained the same. Well, you see, the Jews are a race, and that race, as history proves, has always been the same in his actions. He has never been fair or good, nice or moral. He has always tried to destroy the Gentile people. Throughout out his 5000 year history, he has never changed, hence, "The *Eternal Jew*."

The "civilized" Jews we know give us but an incomplete picture of their true racial character.

The undeniable truth is that the Jews are most definitely a race. He attempts in all ways to mask himself as Gentile in order to infiltrate and destroy.

*A Jew remains a Jew even though he changes his religion; a Christian which would adopt the Jewish religion would not become a Jew, because **the quality of a Jew is not in the religion but in the race*** A free thinker and atheist always remains a Jew."- Jewish World, London, December 14, 1922

The Jew has been using this tactic for thousands of years. After they infiltrate, the Jews with little authority mix while the powerful Jew become the masters of the infiltrated group.

***The fundamental teaching of Judaism is that the Jews are a holy "chosen people" above all others who have been ordained by god himself to rule the earth, possess all the wealth of the world and exploit the gentiles, subjecting them to a life of servitude and degradation. Those who resist the Jewish will are designated for complete annihilation.*** These supremacist edicts are vividly expressed in all Jewish holy

texts. There are a great many passages from the Old Testament which illustrate the Jewish supremacist vision of world domination and subjugation of non-Jews. For example, in Isaiah 60:16 it says that the Jews “**shalt also suck the milk of the Gentiles, and shalt suck the breast of kings.**”

Isaiah 61:5 reiterates this concept of gentile subordination to the Jews, stating that “**strangers shall stand and feed your flocks, and the sons of the alien shall be your plowmen and your vinedressers.**” **Isaiah 60:5 and Isaiah 61:6 prophesied that the Jews will come to possess all the wealth of the world, announcing that “the wealth of the nations shall come unto thee. ... You will feed on the wealth of nations, and in their riches you will boast.”** Here are a few other potent passages elucidating Judaism’s ancient dream of world dominion:

***“the Lord of hosts will reign in mount Zion, and in Jerusalem, and before His elders shall be Glory.”*** Isaiah 24:23

***“Nations shall serve you and kingdoms shall bow down to you.”***– Genesis 27:29

**“For the nation or kingdom that will not serve you will perish; it will be utterly ruined.”** – Isaiah 60:12

***“For thou art an holy people unto the LORD thy God: the LORD thy God hath chosen thee to be a special people unto himself, above all people that are upon the face of the earth.”*** – Deuteronomy 7:6

***“And I will shake all nations, and the desire of all nations shall come: and I will fill this house with glory, saith the LORD of hosts. The silver is mine, and the gold is mine, saith the LORD of hosts.”*** – Haggai 2:7-8

***“Kings will be your foster fathers, and their queens your nursing mothers. They will bow down before you with their faces to the ground; they will lick the dust at your feet.”***– Isaiah 49:23

***“I will make your oppressors eat their own flesh; they will be drunk on their own blood, as with wine.”*** – Isaiah 49:26

***“As one reaches into a nest, so my hand reached for the wealth of the nations; as men gather abandoned eggs, so I gathered all the countries.”*** – Isaiah 10:14

***“This is the plan determined for the whole world; this is the hand stretched out over all nations. For the LORD Almighty has purposed, and who can thwart him? His hand is stretched out, and who can turn it back?”***– Isaiah 14:26-27

***“The Lord will extend your mighty sceptre from Zion; you will rule in the midst of your enemies.”*** – Psalms 110:2

***“He will judge nations, heaping up the dead and crushing the rulers of the whole earth.”*** – Psalms 110:6

***“And may he reign from sea to sea, and from the river to the ends of the earth. May nobles kneel before him, and may his enemies lick the dust.”*** – Psalms 72:8-9

***“The LORD reigns, let the nations tremble; he sits enthroned between the cherubim, let the earth shake. Great is the LORD in Zion; he is***

***exalted over all the nations. Let them praise your great and awesome name—he is holy.” – Psalms 99:1-3***

***“All the ends of the earth shall remember and return to the Lord, and all the families of the nations shall prostrate themselves before You. For the kingship is the Lord’s, and He rules over the nations.”– Psalms 22:28-29***

***“Request of Me, and I will make nations your inheritance, and the ends of the earth your possession.”– Psalms 2:8***

***“And the Lord, your God, will drive out those nations from before you, little by little. You will not be able to destroy them quickly, lest the beasts of the field outnumber you. But the Lord, your God, will deliver them to you, and He will confound them with great confusion, until they are destroyed. And He will deliver their kings into your hand, and you will destroy their name from beneath the heavens; no man will be able to stand up before you, until you have destroyed them.”–Deuteronomy 7:22-24***

***“And it will be, when the Lord, your God, brings you to the land He swore to your fathers, to Abraham, to Isaac, and to Jacob, to give you, great and good cities that you did not build, and houses full of all good things that you did not fill, and hewn cisterns that you did not hew, vineyards and olive trees that you did not plant, and you will eat and be satisfied. ... Deuteronomy 2:25 Today I will begin to put the dread of you and the fear of you upon the nations that are under the entire heaven, who will hear reports of you and shake and be in trepidation because of you.” – Deuteronomy 6:11-10***

***“The Lord will establish you as His holy people as He swore to you, if you observe the commandments of the Lord, your God, and walk in His ways. Then all the peoples of the earth will see that the name of the Lord is called upon you, and they will fear you.” Deuteronomy 28:9-10***

***“the God of heaven will set up a kingdom that will never be destroyed, nor will it be left to another people. It will crush all those kingdoms and bring them to an end, but it will itself endure forever.”***  
**Daniel 2:44**

Once they become the masters they employ Gentiles to be their puppets to further conceal their real Jewish identities, and once they have done so they begin to push their garbage until the infiltrated group has been reduced to filth, take the Weimar Republic for an example, once the Jew got in, they destroyed Germany and pushed communism day in and day out, they degraded the German people to such a low level.

The Jews, through their complete domination of world finance and banking — through their fucking monopoly of the mass media of US, UK, France, Canada and other Western powers — through their influential and vast network of “lobby groups” , through their dominion over the courts and law profession in general , also to mention their solid presence inside the highest levels of government of the most powerful countries have thus taken full control of the entire planet, as was foretold in ancient Jewish religious texts.

As the former Malaysian Prime Minister, Dr. Mahathir Mohamed, explained: “The Jews rule this world by proxy, they get others to fight and die for them... They have now gained control of the most powerful countries ... This tiny community have become a world power.” Dr. Mahathir spoke the

truth, and the reality of his words couldn't be clearer; all one has to do is look around you and observe the terrible power of the treacherous Jews. The Jewish-Zionist terrorist leader Ze'ev Jabotinsky (founder of the Jewish terror group Irgun Zevai Leumi) proudly proclaimed: "There is only one power which really counts. The power of political pressure. We Jews are the most powerful people on earth, because we have this power, and we know how to apply it." (Jewish Daily Bulletin, July 27, 1935) The fact that the vicious crimes of this disgusting criminal's insidious terrorist organization — such as the King David Hotel bombing and Deir Yassin Massacre — are not mentioned in Western history texts or at all covered in High School and University history classes, is a testament to the veracity of his exultant statement.

The Gentile becomes the slave, and this is the Jewish dream. He takes over all the resources, money, oil, everything of value, therefore plummeting people into poverty and misery and grabbing the Gentile people by the throat, while the Jewish elite are drinking the finest whiskey, eating the most expensive food and living in the largest of houses, whilst think of more way to make the Gentile people more and more miserable – this is otherwise known as Communism – The Jewish dream. This political system which grows off the same root of Christianity (another Jewish invention), combines all the horrible factors which make up The Eternal Jew.

Harry Waton, a prolific Jewish writer and rabbi, expressed the same views in his 1939 book "A Program for The Jews and An Answer To All Anti-Semites: A Program for Humanity". Overt Jewish supremacy is dripping from every word and sentence of Waton's booklet. At one point he suggests that **"the Jews are the highest and most cultured people on earth"** and that they **"have a right to subordinate to themselves the rest of mankind and to be the masters over the whole earth,"** exclaiming that this is the **"historic destiny of the Jews."** (p. 99) The 'good rabbi' also confessed that Marxist-Communism is a Jewish mechanism for world domination and the subjugation of all non-Jews, stating: **"Judaism is communism, internationalism... It is with these spiritual weapons that the Jews will conquer the world and the human race."** (p. 100, 148) The Jew Baruch Levy wrote a letter to communist ideologue Karl Marx in which he laid out how the Jews would engulf the whole world and establish a "New World Order" of Jewish domination to fulfill the messianic prophecies of the Babylonian Talmud. He wrote:

***"The Jewish people as a whole will be its own Messiah. It will attain world dominion by the dissolution of other races, by the abolition of frontiers, the annihilation of monarchy, and by the establishment of a world republic in which the Jews will everywhere exercise the privilege of citizenship. In this new world order the Children of Israel will furnish all the leaders without encountering opposition. The Governments of the different peoples forming the world republic will fall without difficulty into the hands of the Jews. It will then be possible for the Jewish rulers to abolish private property, and everywhere to make use of the resources of the state. Thus will the promise of the Talmud be fulfilled, in which is said that when the Messianic time is come the Jews will have all the property of the whole world in their hands."* (La Revue de Paris, p. 54, June 1, 1928.)**

The Protocols of Zion make clear this intention to use subservient Gentiles (shabbas goyim) as scapegoats,

“GENTILE masonry blindly serves as a screen for us and our objects, but the plan of action of our force, even its very abiding-place, remains for the whole people an unknown mystery.” (The Protocols of Zion, 4:2)

**David Ben-Gurion** proudly proclaimed that the United Nations, operating as a mechanism for global governance, was a “Jewish ideal.” (“Israel: The Watchman,” Time Magazine, Aug. 16, 1948.) The UN was preceded by the “League of Nations” which was set up by Jewish power brokers shortly after World War One. In 1922 at a Zionist conference in Carlsbad, California, the Jewish leader Nahum Sokolow gloated boastfully that the League of Nations was a “**Jewish idea, and Jerusalem some day will become the capital of the world’s peace.**”

He further proclaimed that the “**Jews throughout the world will make the League’s struggle our own and will not rest until there is ultimate victory.**” (“Says Jews of World Will Back League: Dr. Sokolow Tells Zionist Congress Jerusalem Will Be International Peace Capital,” New York Times, Aug. 28, 1922.)

• Look at all of the prominent people over the years whose careers have been ruined simply for expressing an opinion or stating a fact that the Jews don’t want the public to hear.

1) For instance, Helen Thomas, a fifty year veteran of the White House Press Corps, was [recently pressured to resign](#) after she [was recorded on videotape](#) telling the Israeli Jews to “get the hell out of Palestine.” Shortly after the video surfaced [Organized Jewry went on a rampage and witch-hunt](#), unleashing a barrage of hate against the honorable Helen Thomas for her brave remarks, even calling on journalism schools and groups to revoke any honors given to her in previous years. Reflecting on the debacle, Thomas [told an interviewer](#), “**You can’t criticize Israel in this country and survive.**” In a speech Thomas [further remarked](#),

***“We are owned by propagandists against the Arabs. There’s no question about that. Congress, the White House, and Hollywood, Wall Street, are owned by the Zionists. No question in my opinion. They put their money where their mouth is...We’re being pushed into a wrong direction in every way.”***

2) Then there was the incident involving Rick Sanchez, a veteran CNN news anchor with his own show called “Rick’s List”. Sanchez was [promptly fired from his position at CNN](#) after he insinuated that the American mass media is controlled by Jews in a radio interview. (“[Rick](#)

[Sanchez: Jon Stewart A 'Bigot,' Jews Run CNN & All Media." \*The Huffington Post\*. 10/1/2010](#)) Why is it that Rick Sanchez — being a Gentile — is not permitted to state the obvious fact that Jews own and control the media when a Jewish reporter from the LA Times, Joel Stein, can freely — without any repercussions — write an article entitled [“How Jewish Is Hollywood?”](#) in which he arrogantly brags about Jewish control of Hollywood, the news media, government and finance, stating:

***“Jews totally run Hollywood. ... As a proud Jew, I want America to know about our accomplishment. Yes, we control Hollywood. ... I don't care if Americans think we're running the news media, Hollywood, Wall Street or the government. I just care that we get to keep running them.”***

3) Conservative journalist and writer [Joe Sobran](#), a long-time syndicated columnist for the *National Review* until he was predictably fired for “antisemitism,” [eloquently explained the befuddling nature of Jewish power](#). Sobran opined that if you want to make it in American politics you have to know all about it, but, at the same time, can't ever refer to it openly, for fear of the Jews:

*“Talking about American politics without mentioning the Jews is a little like talking about the NBA without mentioning the Chicago Bulls. Not that the Jews are all-powerful, let alone all bad. But they are successful, and therefore powerful enough: and their power is unique in being off-limits to normal criticism even when it's highly visible. They themselves behave as if their success were a guilty secret, and they panic, and resort to accusations, as soon as the subject is raised. Jewish control of the major media in the media age makes the enforced silence both paradoxical and paralyzing. Survival in public life requires that you know all about it, but never refer to it. A hypocritical etiquette forces us to pretend that the Jews are powerless victims; and if you don't respect their victimhood, they'll destroy you. It's a phenomenal display not of wickedness, really, but of fierce ethnocentrism, a sort of furtive racial superpatriotism.”*

4) University of Chicago Professor, John Mersheimer, and Harvard academic Stephen Walt, felt the perilous wrath of the Jew lobby. A vicious smear campaign was launched against them after they published a study exposing the insidious influence of Israeli lobby groups — principally the [American-Israel Public Affairs Committee](#)— entitled, [“The Israel Lobby and US Foreign Policy”](#). Fox News reporter Carl Cameron confirmed the capability of the Jewish-Israeli lobby to silence and extirpate anyone they don't like. than a hundred Lebanese civilians the month before: **“We killed them out of a certain naive hubris. Believing with absolute certitude that now, with the White House, the Senate, and much of the American media in our hands, the lives of others do not count as much as our own....”**

Well-known political commentator, and former presidential candidate, Pat Buchanan, [once declared](#): **“Capitol Hill is Israeli occupied territory.”** Former US congressman Paul Findley documented the reality of Buchanan’s statement in a book called, [“They Dare to Speak Out: People and Institutions Confront Israel’s Lobby”](#). On [page 161 of Findley’s book](#), he quotes Admiral Thomas Moorer, former Chairman of the US Joint Chiefs of Staff, who, with blunt vexation at the Jewish-Israeli hold on the United States, said:

***“I’ve never seen a President — I don’t care who he is — stand up to them [the Israelis]. It just boggles the mind. They always get what they want. The Israelis know what is going on all the time. I got to the point where I wasn’t writing anything down. If the American people understood what a grip those people have got on our government, they would rise up in arms. Subject: Why is There Suffering? Satan Gives Answers.

Unlike those so-called “Gods” that are false and worshipped by followers of the enemy programs, Satan gives us wisdom, knowledge and sensible answers. Christians and Muslims, being as deceived as they are, are at a loss to explain.

Most people wonder why there is so much suffering, misery and ugliness in this world. Thousands of years ago, there was a time called “The Golden Age.” It was a time of peace, prosperity and happiness. Humans in those days lived hundreds of years. Our Gods were with us as well. Ever since the coming of Christianity and Islam, everything beautiful and positive turned to ugliness and destruction.

Now, most of you here are familiar with the powers of the mind and soul and meditation. I remember many years ago when I was still an atheist, I was reading a book on chakras and the book instructed to “look” at each one of your chakras, of which I did and I got a shock that nearly knocked me off of the sofa. That freaked me out. Now, this was a result of focusing my attention. Most of you have had spiritual experiences where you have had similar occurrences. Just focusing on a chakra or another area of your soul and you find it is a very intense experience.

I wrote about this part before, but just look around you, everything you see, your computer screen, your chair, your bed, your furniture, the cars outside, buildings, windows...everything you see was once someone's idea before it materialized into a physical form in reality. Now, I also want to add in some instances, such as with science, for example storms manifest on their own; hot humid air colliding with cold, dry air for example, but the majority of everything here was once someone's idea. This right here reveals the importance of one's thinking and one's mind. Those of you who have been meditating for any length of time know how important it is to try to focus on positive things, as focusing on destructive thoughts, needless worry and negativity, with a strong mind and soul one will attract this.

The average person who does not meditate and who has a much weaker mind, where most thoughts tend to dissipate, alone does not have much power, but when combined with the mass mind of millions of other people who are focusing along the same lines, then thoughts do have much more power. I came across a book some 20 years ago [I can't remember the name of the book or the author], but I read it and the author had a technique where she could place her hands upon a book and subliminally absorb all of the information in that book. I also heard of where the same can be done in learning a foreign language. Most of you are familiar with the US \$20.00 bill and the 9-11 incident. I also wrote of this and how the “Holy Bible” factored in, as even more prevalent than the \$20.00 bill, there is a bible in nearly every home, in hospitals, hotel rooms, and in many other places.

[http://www.angelfire.com/dawn666blacksun/Bible\\_Jewish\\_Witchcraft.htm](http://www.angelfire.com/dawn666blacksun/Bible_Jewish_Witchcraft.htm)

Psychiatrists, psychologists and others who work with the human mind give certain tests like the Rorschach Ink Blot tests to probe into the minds of patients in order to ascertain what they dwell on and to determine their psychological make-up. Most people will see things in these ink blots according to what their own experiences in life have been and how they think, and what they dwell on.

Now, again, most of you here are even somewhat aware of the extent of the extreme negativity, and this is an understatement, contained in both the Bible and the Koran. In reading through scriptures for reverse Torah rituals, the curses against humanity are prolific to where one can't even begin to count them all. Curse after curse, after curse and the damnation and the most utter debased depravity. One does not have to read the Bible or the Koran cover to cover to be influenced by or to tie into the most hideous energy contained therein. Just focusing on this is enough, and by focusing, I mean attending church, and of course, Muslims “pray” 5 times a day, facing east in the direction that with the gravitational pull of the earth, amplifies

energies.

So, just how much energy has been put into and is still being put into such extreme destruction and negativity? This has influenced this world and everything in it. Much of the populace is steeped in it, though lifetimes. One individual alone doesn't have too much power, but how about tens of millions? Most people aren't even aware of the subliminal. I like to do crossword puzzles and in nearly every book, they have the biblical crap. In other words, this is supposed to be common knowledge.

Wonder why there is so much fighting and family break-ups?

Luke 12:53

The father shall be divided against the son, and the son against the father; the mother against the daughter, and the daughter against the mother; the mother in law against her daughter in law, and the daughter in law against her mother in law.

Matthew 10:21

"Brother will betray brother to death, and a father his child; children will rebel against their parents and have them put to death.

[This one is a given with Jewish communism, where many children were brainwashed into turning their parents over to the so-called "State" to be put to death].

Matthew 10:35

For I have come to turn "a man against his father, a daughter against her mother, a daughter-in-law against her mother-in-law—

The above is only a very small portion of where human focus and energies have been going for centuries. It doesn't matter whether a follower has read the Bible cover to cover or is even familiar with its contents [as most people who follow such depravity are not], he/she still connects with the energy and with more available information regarding the human mind, one can see this is a fact. What one thinks, believes and the energies one ties into and identifies with determines what one is and where one is going in life. In addition, even those who reject the Christian and Islamic

programs or who are non-believers are affected, as the mass mind is powerful enough to influence the world. The mass mind is more powerful.

Both with Christianity and Islam, the focus is on suffering and death. Followers live for their death. The filthy parasitical worthless Nazarene is worshipped – torn, ragged, beaten and bled dry... deader than a doornail. DEATH. Every mass/church service focuses on the death of that Nazarene. Then, of course the cannibalism ‘Eat me’ “Drink me, “ as this creates the necessary ties for Jewish ritual murder to succeed where they take an abducted Gentile child into a secret back room of a synagogue and proceed to butcher him/her after tying him/her to a cross in simulation of that Nazarene and then drink his/her blood. The foundation for this is in Deuteronomy- the book of instructions on how to carry out living blood sacrifices. The Jews even openly claim it as such as to their Torah.

I have also written about poverty. Poverty is a world-wide serious problem, that has resulted in the deaths of millions over the centuries and has ruined many lives.

Matthew 6:24

24 No man can serve two masters: for either he will hate the one, and love the other; or else he will hold to the one, and despise the other. Ye cannot serve God and mammon.

[MAMON (MAMMON): Mishnaic Hebrew and Aramaic for "riches." The word itself is given in the Sermon on the Mount.]

<http://www.jewishencyclopedia.com/articles/10339-mamon-mammon>

Also note the above scripture, the number 6 is emphasized again. 6 and the 2+4=6. The Jews always use the number 6. through this, they direct the energies into slave labor for Gentiles and of course, their own wealth and riches. The Bible dupes Gentiles into accepting poverty and living for their death, while the Jews who created this work of degeneracy and filth know better. Wealth and power is concentrated in their hands.

Matthew 19:21-26

21 Jesus said unto him, If thou wilt be perfect, go and sell that thou hast, and give to the poor, and thou shalt have treasure in heaven: and come and follow me.

22 But when the young man heard that saying, he went away sorrowful: for he had great possessions.

23 Then said Jesus unto his disciples, Verily I say unto you, That a rich man shall hardly enter into the kingdom of heaven.

24 And again I say unto you, It is easier for a camel to go through the eye of a needle, than for a rich man to enter into the kingdom of God .

Mark 4:19

19 And the cares of this world, and the deceitfulness of riches, and the lusts of other things entering in, choke the word, and it becometh unfruitful.

Proverbs 23: 4-5

4 Labour not to be rich: cease from thine own wisdom.

5 Wilt thou set thine eyes upon that which is not? for riches certainly make themselves wings; they fly away as an eagle toward heaven.

Ecclesiastes 5:10

He that loveth silver shall not be satisfied with silver; nor he that loveth abundance with increase: this is also vanity.

Proverbs 11:4

Riches profit not in the day of wrath: but righteousness delivereth from death.

2 Corinthians 9:7

Every man according as he purposeth in his heart, so let him give; not grudgingly, or of necessity: for God loveth a cheerful giver.

Matthew 6:19-21

19 Lay not up for yourselves treasures upon earth, where moth and rust doth corrupt, and where thieves break through and steal:

20 But lay up for yourselves treasures in heaven, where neither moth nor rust doth corrupt, and where thieves do not break through nor steal:

The above is only a small sample of indoctrination into a lifetime of poverty. This in many cases persists into many lifetimes as it clings to the soul.

In the verse below, the suffering of innocent children is encouraged:

Matthew 19:14

But Jesus said, Suffer little children, and forbid them not, to come unto me: for of such is the kingdom of heaven.

There was a man who both encouraged and participated the murdering of “witches.” That man was reported to have read the “Holy Bible” some 53 times. It is no wonder he displayed a murderous bent. When one worships murder, one becomes a murderer.

Below is a sampling of the endless murders committed by Yahweh/Jehovah in the Bible. This is praised and extolled by Christians incessantly:

The above website has many more examples. The listing I included in the above is very small.

Don't need to elaborate on war here. That filthy bible is full of wars, injustices, famine, endless savage cruelty and a hatred for humanity. This is celebrated with hijacked Pagan holidays, singing for the damnation of humanity, worshipping, focusing and giving copious amounts of energy into promoting suffering, loss, death, misery and pain. This is sooooo obvious. As I already mentioned, when doing some research for reverse torah rituals, the amount of direct curses aimed at humanity was so extensive I didn't even know where to begin and with Lilith's direction, picked out the most blatant ones and there were also plenty of those.

We are what we think about and dwell upon. This is where the mass mind has been for well over two thousand years. It is no wonder there is so much pain and suffering. There is your answer.

Subject: "Multiculturalism has no place in Israel" Says Melbourne Jewish Lead

Here is a Jewish leader in Melbourne who's a big supporter of Multiculturalism for Australia but says openly at the same time MULTICULTURALISM HAS NO PLACE IN ISRAEL!

[national journal: "Multiculturalism has no place in Israel. Israel was created as a Jewish state for the Jews"](#)

Melbourne - Jewish leader Isi Leibler, a staunch defender of Australian multiculturalism, says the policy has no place in Israel.

"This is a country which was set up and created as a Jewish country for the Jews," he told a Jerusalem newspaper.

Mr. Leibler has previously said that multiculturalism in Australia was something that "we are all proud being part and parcel of."

The founder of Jetset Travel moved to Israel two years ago as chairman of the World Jewish Congress. He recently published an essay arguing that Zionism, or Jewish nationalism, was under threat in Israel by "post-Zionists".

"A post-Zionist is someone who actually looks positively towards the end of the Jewish people in ethnocentric terms, as a national group, and no longer sees the Jewish people as one united people," he told the Jerusalem Post.

Mr. Leibler said post-Zionists were pushing a universalist agenda in schools aimed at eliminating Jewish nationalism and creating a multicultural state. But Mr. Leibler, 65, has the opposite view of multiculturalism in Australia.

During the Pauline Hanson debate in 1993, he warned that multiculturalism was under threat by extremists.

"There is a need to sit together and establish a way in which Australians can recapture that spirit of multiculturalism which I think we are all proud being part and parcel of, and which is really under threat," Mr. Leibler said.

Jew Wants To ban Free Speech Make It A Life Sentence In Special Soviet Style Prison System.

The Jews have been pushing for this for decades with their Social Marxist [PC] indoctrination of society. This creates the ideology for them to create the legal frame work upon and bring in a Jewish run police state.

The Jewish Communizing of America:

[topic153.html](#)

Note what Cohen states was the doctrine of the Jew run Communist, Soviet Union as well. Because this is how Jews work. They dress up their agenda in pseudo moral gibberish. To dupe the Goyim. Its total Jewish Communism which is a Jewish scheme to conqueror the Goyim and impose their real ideology found in their Torah, the Jewish race soul upon them. Under a cheap cover.

Hate Speech is Jew Speak for telling the truth about the Jews. In the Jewish Soviet Union any such criticizing of Jews and their criminal mindset and behaviour was the death penalty by law. In America the Jew just wants to give you life in a "special" political prison, ie Gulag. We see what the Jews do to such people in these prison's in Israel, the Jewish State:

Rights group confirms Palestinians tortured in Israel jails:

A look into such Prison systems in the Jewish run Soviet Union. The camps where well known to be run by Jews:

The Real Death Camps And Holocaust:

[topic3994.html](#)

Note the Jews like to hide behind other races and minority groups as a shield. The Jews such as Israel Cohen stated they would do this to bring American down under Jewish control. The later Jews of the Frankfurt School Of Social Marxism stated the same.

Here is what Jews think of all non-Jews. Black, White, Asian, mixed. It does not matter:

What does the Jewish Talmud say about Gentiles:

Sanhedrin 59a: "Murdering Goyim is like killing a wild animal."

Abodah Zara 26b: "Even the best of the Gentiles should be killed."

Hilkoth Akum X1: "Show no mercy to the Goyim."

Note most of those "evil White Supremacist Groups" are full of Jewish and Federal agent provocateurs and run by such agenda's from the top. Even then they can't hold a candle next to the Talmud of the Jewish race mind. Is saying things that hurt peoples feelings only, really worth life in a special prison? There are already laws to arrest people for legitimate crimes like threatening to assault or murder someone or calling for others to openly do such. Life in prison for telling a Joke that hurts someone's feelings is that the society YOU want to live in? Can't we all just grow up and have thicker skin as mature adults. But then we would be free to speak the truth about the Jew.

All People are equal but some People are the Chosen and more equal then others.

Jews want to ban Free Speech online. That means life in prison for posting a joke online. Just posting those Talmud quotes would get one life in a special Soviet style prison system.

They also want Freedom Of Speech gone in Europe. They already put Zundel in a dungeon in Germany for five years for having an educated opinion on a claimed historical event. They would love to make that life in prison instead.

Here Is Why It's Time To Get Tough On Hate Speech In America By Cohen.

Anyone guilty of hate speech – which should carry criminal penalties of 25 years to life – should be sent to special prisons designed to re-educate them and to instill values of tolerance, freedom, democracy, and human rights in them. Prison is about punishment, but it's also about changing the behavior of criminals. We often tend to forget this in our country. Merely sending bigots to ordinary prisons is not good enough – they need to be sent to special prisons for bigots, which will re-educate them.

Subject: Jewish Man Caught Spray Painting Swastikas & Making "anti-Semitic" T

This has been going on for a very long time, but thanks to the internet, it is being exposed. Over the years, rabbis have gotten caught painting swastikas on the outside of their synagogues so they can blame Nazis and whine about "hate," as they are professional "victims." This also includes threatening phone calls and related. The Jews themselves do this sort of thing to evoke sympathy and of course as always, benefits. This is no different from how they work relentlessly to promote Christianity and Islam. We all know who controls Hollywood and the media worldwide.

The video linked below is 1:44 in length.

I'm concerned about this book and documentary, the first and only of the genre. I hope it gain enough popularity and reach the masses as the German victims deserves justice. Everyone can contribute with money, or audio/video recording of a known person who witnessed that.

Official website: <http://www.hellstormdocumentary.com>

The book *Gruesome Harvest* in Satan's Library is also very informative about this sad history of Jewish atrocities against innocent Germans: [http://spiritualwarfare666.webs.com/Satans\\_Library.htm](http://spiritualwarfare666.webs.com/Satans_Library.htm)

-----  
Summary of Hellstorm, from Death of Communism: <http://deathofcommunism.weebly.com/hellstorm.html>

“The death of Nazi Germany was the death of Western man and everything he once stood for.”

The most relevant information I have found in my adult life is the discovery that the System lied to me through the decades about what really happened during and after the Second World War. After reading this book I'll never tire to repeat that what the Allies did in times of peace was incomparably more monstrous than the crimes attributed to the Germans in times of war (precisely because it was done in times of peace).

After Solzhenitsyn's *Gulag Archipelago* was published when I was a teenager W.L. Webb said, “To live now and not to know this work is to be a kind of historical fool.”

I would say exactly the same of those who don't know the new Solzhenitsyn and his work about the Crime of the Age: a true holocaust perpetrated against the German people that, if not atoned, the whole white race will go extinct.

For excerpts of Hellstorm see below:

## Hellstorm • prologue

In almost any war one side can be dishonestly demonized even by a truthful enumeration of its crimes, if the crimes of its adversaries are suppressed. —Irmin Vinson

Excerpted from Thomas Goodrich's 2010 book

Hellstorm:  
The Death of Nazi Germany  
(1944-1947)

## Prologue

For six hundred years East Prussia had served as the frontier outpost of Germany...

By mid-October 1944, the Soviet Army had finally reached the Reich's border. And yet, as was the case at Nemmersdorf, there was no panic.

Thus it was, that on the night of October 20, as Nemmersdorf and other communities nearest the front slept in imagined security, the unthinkable occurred. After punching a hole through the German line, the Red Army suddenly burst into the Reich.

"They tortured civilians in many villages," reported one German officer, "nailed some on barn doors and shot many others."

Added another horrified witness:

In the farmyard down the road stood a cart, to which four naked women were nailed through their hands in a cruciform position... Beyond stood a barn and to each of its two doors a naked woman was nailed through the hands, in a crucified posture. In the dwellings we found a total of seventy-two women, including children, and one old man, 74, all dead... all murdered in a bestial manner, except only a few who had holes in their necks. Some babies had their heads bashed in. In one room we found a woman, 84 years old, sitting on a sofa... half of whose head had been sheared off with an ax or a spade.

"Every female, including girls as young as eight, had been raped," noted another viewer.

Old men who had feebly tried to protect their wives, daughters and granddaughters, were themselves knocked down, sawed in half or chopped to bits. A group of over fifty French POWs and Polish workers who had instinctively stepped in to protect the people were likewise castrated and killed. Lt. Amberger continues:

Neither in Nemmersdorf nor in the other places did I find a single living German civilian.

Staggered by the enormity of the crime, German authorities requested that neutral investigations and medical personnel from Spain, Sweden and Switzerland view the sickening carnage close up. When the visitors filed their reports, however, and when word finally reached the outside world, there was only silence. By the winter of 1944, the vicious propaganda war waged against Germany had been won. By that late stage few individuals beyond the Reich's borders were concerned about brained German babies or crucified German women.

With the outbreak of the war in 1939 [ed. Note: before the first reports of 1942 on the Jewish Holocaust] nowhere was hatred more intense than among American Jews. Wrote Hollywood script writer and director, Ben Hecht:

A cancer flourishes in the body of the world and in its mind and soul, and this cancerous thing is Germany, Germanism, and Germans... That this most clumsy of all human tribes—this leaden-hearted German—should dare to pronounce judgment on his superiors, dare to outlaw from the world the name of the Jew—a name that dwarfs him as the tree does the weed at its foot—is an outrageous thing. It is an evil thing.

“Germany must perish,” echoed Theodore N. Kaufmann in a widely-read book of the same name.

And the only way to accomplish that is to remove the German from the world... There remains then but one mode of ridding the world forever of Germanism—and that is to stem the source from which issue those war-lusted souls, by preventing the people of Germany from ever again reproducing their kind.

To implement his plan, Kaufman recommended that when the war was successfully concluded all German men and women should be sterilized.

Far from being shocked by such a genocidal scheme, leading American journals were thrilled by the concept.

“A Sensational Idea!” cheered Time magazine.

“A provocative theory,” echoed the Washington Post.

While many in America and Great Britain could understand and even commiserate with Jewish emotions, many more were initially aghast by the flaming rhetoric and the murderous cries for extermination of innocent and guilty alike. Nevertheless, the sheer weight and persistence of the propaganda, both subtle and overt, in film, radio, books, magazines, and newspapers, gradually worked its way into the thoughts and attitudes of the public mainstream. Eventually, in the minds of a sizable percentage of Americans and Britons, little distinction was drawn between killing a Nazi soldier and killing a German child.

On September 15, 1944, President Franklin Roosevelt made the demand for extermination official when he endorsed the so-called “Morgenthau Plan.” Named for Roosevelt's Secretary of the Treasury, Henry Morgenthau, but actually conceived by the secretary's top aide, Harry Dexter White—both of whom were Jewish.

“You don’t want the Germans to starve?” Roosevelt’s incredulous son-in-law asked the president in private.

“Why not?” replied Roosevelt without batting an eye.

Most Germans actually knew little of thoughts such as the above. Most Germans were yet living under the illusion that the war still had rules. Few could bring themselves to believe that the horror at Nemmersdorf was anything other than an aberration; that the butchery was only a bloody mistake destined never to be repeated. Unbeknownst to those in Prussian and other German regions facing east, the nightmare of Nemmersdorf would soon prove only the faintest foretaste of what was ahead.

### The Dead and the Dead to Be

As a symbol of the Third Reich, as the most obvious example of Germany’s will to fight on, more bombs had been devoted to Berlin than any other German city and in total tonnage, more explosives were dropped on the capital alone than the Luftwaffe had dumped on all England throughout all the war. The destruction was so complete that one Berliner was heard to quip, “If they want to hit more targets, they’ll have to bring them with them.”

Although nothing could stop the rain of death pouring down on Germany, Adolf Hitler was determined to trade terror for terror. While damage was trifling compared to that of the Reich, it was a boost to German morale when the first “wonder weapons,” or V-rockets, began slamming into England during the summer of 1944.

“When German soldiers were captured by guerrillas, they were often abominably treated,” one Wehrmacht general recounted. “It was not unusual for the Soviets to torture their prisoners and then hang them up, sometimes with their genitals stuffed in their mouths.” Other Landsers were released, then sent staggering down roads toward their comrades, naked, bloody, eyes gouged from sockets, castrated.

One group which could expect no mercy from the Germans was the communist commissars who traveled with Red Army units. Composed “almost exclusively” of Jews, it was these fanatical political officers, many Germans felt, who were responsible for the massacres and mutilations of captured comrades. Explained one witness, Lieutenant Hand Woltersdorf of the elite SS:

One of our antitank gun crews had defended itself down to the last cartridge, really down to the last cartridge... They then had to surrender. While still alive they had their genitals cut off, their eyes poked out, and their bellies slit open. Russian prisoners to whom we showed this declared that such mutilations took place by order of the commissars. This was the first I heard of such commissars.

With the threat of torture and execution facing them, many idealistic German soldiers had an added impetus to fight to the death.

(Typical Landsers)

In the minds of most Landsers, the war in the east was not a contest against the Russian or Slavic race in particular, but a crusade against communism. In the years following World War I, Marxist revolutionaries had nearly toppled the German government. Because most of the leaders were Jews, and because Lenin, Trotsky, and many other Russian revolutionaries were Jewish, the threat to Nazi Germany and Europe seemed clear. Hence, from Adolf Hitler down to the lowliest Landser, the fight in the east became a holy war against “Jewish Bolshevism.”

“The poor, unhappy Russian people,” said one shocked German soldier as he moved further into the Soviet Union. “Its distress is unspeakable and its misery heart-rending.”

“When you see what the Jew has brought about here in Russia, only then you can begin to understand why the Fuhrer began this struggle against Judaism,” another stunned Landser wrote, expressing a sentiment shared by many comrades. “What sort of misfortunes would have been visited upon our Fatherland, if this bestial people had gotten the upper hand?”

Following the devastating German defeat in Stalingrad in 1943, the “upper hand” did indeed pass to the enemy. Supplied by the US with a seemingly inexhaustible amount of goods, from tanks and planes to boots and butter, the resurgent Red Army assumed the offensive. As the heretofore invincible Wehrmacht began its long, slow withdrawal west, a drama as vast and savage as the steppe itself unfolded, the likes of which the modern world has never witnessed.

---

### Between Fire and Ice

With the remnants of the German army in headlong flight, hordes of Red soldiers swarmed through the breach and poured into Greater Germany. As word of the Russian breakthrough spread, millions of Germans in their path hastily packed and fled into the freezing weather.

Already bitterly cold, several days after the exodus began the temperature plunged below zero. As a result, little children and infants dropped by the thousands. “It was terribly cold, and the wind was like ice,” said one young mother, “the snow was falling and nothing warm to eat, no milk and nothing. I tried to give Gabi the breast, behind a house, but she didn’t take it because everything was so cold. Many women tried that, and some froze their breasts.” When Gabi died, the distraught woman continued to cradle the tiny corpse until her own arm eventually froze. “I couldn’t carry her more after she was dead. I couldn’t stand it any more,” the mother sobbed. “I wrapped her up well and put her deep in the snow beside the road... Thousands of women put their dead in the ditches by the roadside where they wouldn’t be hurt by automobiles or farm wagons.”

Hideous as conditions were, the treks pressed steadily west, away from the terror looming somewhere behind. Although millions were on the roads in full flight, millions more remained at their farms, villages and towns. They did not really believe that the Russians were as cruel and inhuman as they were reputed to be, but hoped to win over the latter by welcoming them and being hospitable.

“The Mongols are coming... You go quick. Go quick.”

Composed largely of Mongols, Kulaks, Kazakhs, Kalmuks, and other Asians, as well as convicts and communists, these men who formed the second wave of troops [the first were Slavs] were regarded, even by their own comrades, as utterly merciless. Terrified by the news, many Germans did attempt to flee and move in the wake of the first Soviet wave. Most, however, found themselves trapped and could do little more than hide young girls and once again pray that their worst fears were unfounded. After a wait of sometimes days, but normally only hours, the dreaded second wave arrived.

While flames shot up from different corners of the towns and gunfire erupted as citizens were murdered in the streets, the invaders soon began kicking in door homes, shops and churches. A frightened boy recalled, “Right next to me poor defenseless women were being ravished in the presence of their children.” Said another victim, “The women were raped, not once or twice but ten, twenty, thirty and hundred times, and it was all the same to the Russians whether they raped mere children or old women. The youngest victim in the row houses where we lived was ten years of age.” Mothers were raped in the presence of their children; girls were raped in front of their brothers. While many upright Russian officers courageously stepped in and risked their own lives to stop the murders and rapes, their efforts were little more than a drop of water to a forest fire.

“All of us knew very well that if the girls were German they could be raped and then shot,” admitted Alexander Solzhenitsyn. “This was almost a combat distinction.”

When the Russians eventually tired of looting, robbing, murdering, and ill-treating the women and girls, “they set fire to a considerable part of the village and razed it to the ground,” said a survivor of Schoenwald, the small community that had dismissed rumors of Russian ruthlessness and opted to welcome them instead.

While those who remained endured unspeakable fates, Germans who fled with treks also suffered. “What surprised us most was the way they traveled,” recalled a British POW, who, along with thousands of other Allied prisoners, was being marched west away from the advancing Soviets.

It was so cold that even in day-time any drink mixed with cold water froze solid before it was possible to carry it to one’s mouth. At night men and women could keep alive only by huddling together in a wagon... Those who fell asleep in the snow were dead within a few minutes.

Given the chaotic conditions, and with freezing refuges clogging the way, many treks were quickly overhauled by the Russians. Some Soviet tanks refused to leave the roads and crashed straight through the columns, squashing all in their path. After heavy traffic, the victims—men, women, children, and animals—were eventually as flat as cardboard.

As a rule, those who fled by train fared best. Speed did not always guarantee escape, however. Russian aircraft routinely strafed and bombed the cars from above and tanks cut the rails from below. When the Soviets suddenly captured the town of Allenstein, they forced the stationmaster to signal the “all clear” to refugee trains still arriving from the east. As one unsuspecting train after another steamed into Allenstein, the Russians first

slaughtered any men found on board, then passed their time raping carload after carload of females.

Meanwhile, the red tide moved closer. In countless German cities and towns the pattern repeated itself, as the diary of a Catholic priest from Klosterbrueck reveals:

January 21st 1945. Strange to say, the population intends to remain here, and is not afraid of the Russians. The reports that in one village they raped all the women and abducted all the men and took them away to work somewhere must surely have been exaggerated.

January 25th. They told us that whole families had been shot by the Russians. Girls who had refused to allow themselves to be raped, and parents who had sought to protect their children, had been shot on the spot.

January 27th. We priests were allowed out of the chapel for half an hour today in order to bury Margarethe in the yard. Poor girl, it is a good thing you were dead and so did not know what the Russians did to your body!

“In every village and town they entered,” wrote one who spoke with soldiers, “the German troops came upon scenes of horror: slain boys, People’s Army men drenched with gasoline and burned—and sometimes survivors to tell the tale of the outrages.”

Hundreds of thousands massacred, hundreds of thousands raped, millions already enslaved—but this was nothing. Worse was to come.

### Crescendo of destruction

Roosevelt slapped a crippling embargo on the Reich’s ally, Japan, in hopes of provoking an attack and slipping into the war via the “back door.” When the Japanese, facing slow strangulation, dutifully responded at Pearl Harbor in December 1941, it was Roosevelt dream come true. Later, when his Secretary of Treasury, Henry Morgenthau, proposed a plan to pastoralize Germany upon victory, thereby assuring the death of millions, Roosevelt was its strongest supporter.

“I would like to see the Germans on the breadline for 50 years,” the president admitted in private.

In early February 1945, leaders of the three most powerful nations on earth assembled a final time at Yalta in the Soviet Crimea. Despite the obvious dissimilarities of the men, intellectual as well as physical, each shared a characteristic with the other that shrank into insignificance all outer contradictions—all three harbored an inveterate hatred of not only Adolf Hitler and Nazism, but Germans and Germany.

At a meeting with Churchill at Casablanca in 1943, Roosevelt declared that nothing short of “unconditional surrender” would be accepted from Germany. Thus, by removing any possible latitude Hitler might have had for negotiation, the American president’s pronouncement insured that not only would Germany fight to the death, but it also guaranteed that hundreds of thousands of Allied airmen and soldiers would perish as well. Additionally, that such a protracted war would enable the Red Army to reach and no doubt enslave much of Europe seemed a foregone conclusion.

When Soviet forces invaded Poland in 1939, one of Stalin’s first moves was to round up and execute upwards of 15,000 army officers and intellectuals, thereby removing in one stroke much potential opposition. Well aware of his past, nervous about the impact his future acts in Europe would have upon a squeamish British public, desperate to hold an unnatural alliance together, Churchill’s government tried mightily to cover for the bloody behavior of their communist ally. Ran a secret memo of the British Department of Intelligence to high-ranking civil servants and opinion-molders in the press:

We cannot reform the Bolsheviks but we can do our best to save them—and ourselves—from the consequences of their acts. The disclosures of the past quarter of a century will render mere denials unconvincing. The only alternative to denial is to distract the public attention from the whole subject. Experience has shown that the best distraction is atrocity propaganda directed at the enemy... Your cooperation is therefore earnestly sought to distract public attention from the doings of the Red Army by your wholehearted support of various charges against the Germans... which have been and will be put into circulation by the Ministry.

Let anyone doubt Stalin’s intentions once his legions gained control of Germany, the reality was made crystal clear at the Teheran Conference in 1943. Lifting his glass of vodka for the “umpteenth toast,” the communist leader suddenly announced, “I propose a salute to the swiftest possible justice for all of Germany’s war criminals—justice before a firing squad. I drink to our unity in dispatching them as fast as we capture them, all of them, and there must be at least 50,000 of them.” When Churchill, well into his cups, angrily protested—“The British people will never stand for such mass murder without a proper trial!”—Stalin smiled, his eyes twinkled and overall he seemed “hugely tickled.”

“Perhaps,” the American president interrupted, “we could say that instead of summarily executing 50,000 we should settle on a smaller number. Shall we say 49,500?”

Despite Stalin’s well-earned reputation as the greatest mass murderer in history, Franklin Roosevelt was a staunch supporter and admirer of the dictator and defended him at every turn. In an effort to put a friendly, folksy face on the Russian premier and convince Americans that he was a “magnificent” and “gallant” ally, Roosevelt began referring to Stalin as “Uncle Joe.”

“He is a man who combines a tremendous, relentless determination with a stalwart good humor,” explained the president of the American public. “I believe he is representative of the heart and soul of Russia; and I believe that we are going to get along very well with him and the Russian people—very well indeed.”

The eyes of the world were now upon Yalta, said the prime minister, and what the “Big Three” accomplished during talks over the next few days would affect mankind for a hundred years.

Another subject Stalin was explicit about at Yalta concerned the return of over two million Soviet citizens who had either fled to Germany to avoid

persecution at home or who had joined the enemy to fight against communism. Again, to this demand Roosevelt promised his complete cooperation. But of course, the main topic of discussion at Yalta was the fate of their mutual enemy, or, as Churchill grimly phrased it, “The future of Germany, if she had any.”

Once victory was complete, the three leaders agreed that the former Third Reich would be carved up like the evening’s meal and her people marched off as slaves to the Soviet Union. Although Roosevelt had solemnly announced earlier that “the united Nations do not traffic in human slavery,” when Stalin proposed the plan, the president called it “a healthy idea.”

Another subject broached at Yalta, albeit a seemingly minor one, was Stalin’s request for the massive bombing of eastern Germany to smooth the way for the Red Army’s final sweep across the Reich. Eager to demonstrate to his ally that Britain, and especially the RAF, was yet a force to be reckoned with, Churchill quickly agreed.

When the Yalta talks were finally concluded on February 11, the three Allied leaders signed a joint statement for press release, then bid each other a fond adieu.

---

My 2 cents:

As described by Solzhenitsyn:

In Yalta Churchill and Roosevelt had signed the agreement to repatriate all Soviet citizens, and especially the military, without specifying whether the repatriation was to be voluntary or enforced: How could any people on earth not be willing to return to their homes? The nearsightedness of the West was condensed in what was written at Yalta.

The English turned over the Soviet army command a Cossack corps of forty to forty-five thousand men which had fought its way to Austria from Yugoslavia. The extradition was carried out with perfidy which is characteristic of British diplomatic tradition. The Cossacks did not grow suspicious when they were asked to turn in their weapons, on the grounds that this was necessary in order to standardize their equipment. On May 28... [Solzhenitsyn describes in this paragraph of his Gulag Archipelago how the Allied forces extradited these Russian people, against their will, to Stalin.]

They could not even shoot or stab themselves to death, since all their weapons had been taken away. Some jumped off the high viaduct into the river or onto the stones. The hearts of the British were not troubled, nor were their democratic minds. British tanks and soldiers arrived. The British soldiers started beating them with rifle butts and clubs, grabbing them and throwing them into the trucks, including the wounded, as if they were packages. Entire families sought death by throwing themselves into the river. Meanwhile, the British units in the neighborhood pursued and shot at the fugitives. (The cemetery where the people who were shot or trampled to death and buried still exists in Lienz.)

But even that was only the beginning. During all of 1946 and 1947 the Western allies, faithful to Stalin, continued to turn over to him Soviet citizens, former soldiers as well as civilians. It did not really matter who they were as long as the West could get rid of this human confusion as quickly as

possible. People were extradited from Austria, Germany, France, Denmark, Norway, and Sweden, from the American occupation zones, and from the territory of the United States as well.

It goes without saying that most of the deportees died in the Soviet Gulag. So who was the real monster, the three Allied leaders or the German chancellor?

### The Devil's Laughter

Among the great majority of those [civilians] who scrambled onto ships, boats, tugs, barges, and naval craft sailing west, their flight was safe and successful. Not only was the warmth and food aboard ship a God-send, but the realization that they were at last escaping the dreaded Bolsheviks proved the first peace of mind many had known in weeks. As the wretched survivors of the [ship] could aver, however, there often was no escaping the nightmare... even at sea.

Just before one A.M., two torpedoes slammed into the Stuben's side. Somewhere the ship was burning and people everywhere jumping into the water. As the Stuben's stern rose high out the water, hundreds leaped overboard, including some who were torn to pieces by the still-turning propellers. Within seven minutes, the ship plunged beneath the waves, swiftly silencing a final mass scream that seemed to arise from a single voice. Of the 3,500 passengers aboard, only Franz Huber and a few hundred more survived. Tragically, for thousands who successfully traversed the treacherous Baltic, American and British bombers were often the first to greet them when their ships docked.

While the slow, dangerous evacuation of women, children and wounded comrades continued [on the still departing docks at the other side], a German Landser remained in the ever-shrinking pockets, ferociously fighting on so that others might live. That most in the enclaves were already doomed, all fighting men understood. "For every thousand persons embarked, some three thousand more arrived from the east."

Frantic to escape such carnage, desperate civilians fled across the ice of the Frisches Haff, a bay several miles wide separating the mainland from a barrier island, or Nehrung. Along the slender strip of sand that led west towards Danzing, all were hoping to reach safety. Unfortunately, the bitter cold changed to rain just when many treks set out. Recounted one survivor of the perilous journey: "The ice was breaking and at some places we had to drag ourselves with pains through water nearly a foot deep." Juergen Thorwald describes the long, nightmarish experience of another refugee:

At seven o'clock Russian planes swooped down on them. Some women, silent with a despair beyond all words, circled around holes in the ice that had swallowed a child, a mother, a husband.

Wrote Robert Poensgen, a military dispatch rider:

Russian combat aircraft now arrived in wave after wave, and threw bombs into that unprotected, inextricable mass. This is what hell must be like. It was the worst thing I have ever seen in all my years of active service—and I tell you I had already seen a lot.

"Twice we were attacked by Soviet planes, swooping low and scattering missiles," remembered Guy Sajer from another road. "Each impact tore long, bloody furrows in the dense mass, and for a moment the wind was tinged with the smell of disemboweled bodies." "Never had I seen so many

bodies,” another witness added as he moved west along the coast.

While the butchery on land was in progress, the slaughter at sea continued. On the morning of April 13, Soviet aircraft pounced upon the refugee-laden Karlsruhe when the little freight fell behind its convoy. Stuck by a bomb and air torpedoes, the ship broke and sank in a matter of minutes. Of the one thousand people aboard, fewer than two hundred were rescued.

Three days later, near midnight, torpedoes fired by a Soviet submarine exploded against the side of the Goya, a large transport carrying 7,000 people. Like the Karlsruhe, the Goya quickly broke and plunged to the bottom in four minutes. Meanwhile, as the Soviets closed for the kill, Königsberg, Memel, Gotenhafen, Pillau, and other besieged ports began their death dance.

The bloody nightmare which enveloped the Baltic coast was neither more nor less than that which transpired wherever the Soviets occupied German soil. In many places—Silesia, Prussia, Pomerania, the German communities of Czechoslovakia, Rumania, Hungary, Yugoslavia—the horror had been in progress for weeks. There, ghastly atrocities had abated little, if any, with the passage of time and to some it seemed as though Red soldiers were in a race with one another to see who could destroy, murder and, above all, rape the most. Some women and children were assaulted ten, twenty, even thirty times a night and for a female to be ravished one hundred times a week was not uncommon. Reveals a priest from Klosterbrueck: “I shall never forget the terrible screams of the women and the children.”

Meanwhile, in what remained of the Reich, most Germans still knew surprisingly little of the savage fate befalling their countrymen. Doubters yet attributed the hair-rising reports of genocide to Dr. Goebbels’s propaganda machine. By bits and pieces, however, the truth did emerge. When a small German counterattack temporarily recaptured Neustettin, young soldiers, unaware of the Russian rampage occurring behind the lines, began herding up their prisoners. “Then something unexpected happened,” remembered an astonished Landser.

Several German women ran towards the Russians and stabbed at them with cutlery forks and knives... It was not until I fired a submachine gun into the air that the women drew back, and cursed us for presuming to protect these animals. They urged us to go into the houses and take a look at what they had done there. We did so, a few of us at a time, and we were totally devastated. We had never seen anything like it—utterly, unbelievably monstrous!

Naked, dead women lay in many of the rooms. Swastikas had been cut into their abdomens, in some the intestines bulged out; breasts were cut up, faces beaten to a pulp and swollen puffy. Others had been tied to the furniture by their hands and feet, and massacred. A broomstick protruded from the vagina of one, a besom from that of another...

Having seen the consequences of these bestial atrocities, we were terribly agitated and determined to fight. We knew that the war was past winning; but it was our obligation and sacred duty to fight to the last bullet.

Defending Berlin was obviously going to be a very ugly business, and many civilians were going to die in the fighting.

A short time later, Juliane learned much more about the “facts of life” when “an entire horde of Mongolians” stood facing her.

“The first time when they took me and forced my father to watch, I thought I would die... I shudder. For four years Goebbels told us that the Russians would rape us; that they would rape and plunder, murder and pillage. ‘Atrocity propaganda!’ we said as we waited for the Allied liberators.”

Like the frantic girl above, many females did indeed choose the ultimate escape. “There is no other talk in the city. No other thought either,” revealed Ruth Andreas-Friedrich. “Suicide is in the air... They are killing themselves by the hundreds.”

Compelled by hunger and thirst to leave their holes, Germans were stunned by what they saw in the streets. To many, it was as if Berlin had returned to the Dark Ages. Primitive, Asiatic carts, piled high with plunder, stood side by side with American-made tanks and jeeps. Over open fires, Kulaks and Tartars roasted whole hogs and oxen on spits.

At approximately 3:15 P.M., April 30, Adolf Hitler retired to his room, placed a pistol to his head, then squeezed the trigger. Beside him, his newly-wed wife, Eva, also lay dead.

Finally, on the afternoon of May 2, General Weidling formally surrendered the city. Remembered Lothar Ruhl: “Now again, we heard shots... so I asked who was doing the shooting. I was told, ‘the SS are shooting themselves’.”

“Stalin said,” remembered Gen. Nikita Khrushchev, “that if it hadn’t been for Eisenhower, we wouldn’t have succeeded in capturing Berlin.”

---

Unspeakable

Although Hitler was dead and Berlin captured, and although the nation had been halved and further resistance was not only futile but nearly impossible, Germany’s long death continued. As Karl Donitz [Grand Admiral] made clear, while there was no longer any question of the Reich’s utter defeat and impending surrender, the shattered remnants of the German Army had to fight one last battle to gain for the millions of fleeing refugees time to reach the Elbe River where the Americans and British had halted. Sadly, cruelly, Allied leaders were determined to halt the pathetic flight at all hazards. Swooping low over the roads, swarms of US and RAF fighters strafed and bombed the columns, slaughtering thousands. As the terrified trekkers scattered to the nearby woods and farms bombers appeared and blasted the hiding places to splinters.

Unlike the Americans, British forces under Bernard Montgomery allowed all Germans, soldiers and civilians alike, to find haven within its lines.

Horrified by what he had seen and heard, the field marshal's manly act saved thousands of women and children from rape, torture and death.

Subject: Still in doubt about xtian "god"???

Something that do not enters my mind are these christians praying dozens of times to their god do one thing alone. He has to be "warned", as his omniscience does not realize that his mules are in danger or in need, and in 90% of the time that such prayers "in the name of jesus" fail, it was because the christian "did not pray enough" or "was not full of the spirit" blahblahblah... But what? Then the power does not come from the omnipotence of this god, comes from the believers' own mass energy of prayer - something they themselves do not realize.

And various parts of the Bible, in which the Jewish god sends the Jews to make genocides against gentiles, and goes furious when they did not kill a city completely... So he did not know they were going to disobey, and had no power to kill them by himself. Of course he did not, as he never existed, these wars and genocides are nothing but fantasies of Jewish psychopathic mind, with dreams of greatness and absolute power over the goyim, something that exists only in the sick mind of who wrote it and serves as a link to create a victm and inferioity complex in the gentile host's subconscious.

The *Hannibal* franchise of series perfectly describe the narcissistic mind of a psychopath, which is satisfied by the fantastic power that the Jews think they have as personifications of biblical character called god.

Netanyahu: I Speak For All Jews

The leader of the Jewish State openly admits the obvious he speaks for all Jews. Beyond silly Jewish games to confuse the Goyim with false opposition by Jews to the Jewish State which they brag about such tactics in their own writings to distract and confuse the Goyim. Big Jew, Netanyahu is just stating what anyone with a brain knows. Jews are a nation within all nations and only loyal to Jewry. Thus the Jewish State and its international Jewish power structure it rests upon. How do you think the Israeli Lobby has Washington over a barrel? Look no further then the Jewish Federal Reserve bank. And the Jewish Plutocratic elites who are the 1%. 911 was an inside job done by the Jews for Israel and the Yinon Plan plan to expand the Jewish States boarder and exterminate the Arab states.

911 a terrorist attack on American soil organized and carried out by Mossad and their Jewish networks in control of American key positions. This was witnessed early by the Israeli attack on the USS Liberty killing many American service men in a false flag attack:

This is why Anti-Zionism is ruled to be Anti-Semitism by European courts. Because it literally is. International Zionism is International Jewry. What the Jews want is what Netanyahu wants, war with Iran that will kill millions of innocent human beings in the Middle East. A million Iraqi's and thousands of American's are already dead over the Jewish Neocon invasion of Iraq on what they admit was false pretext and lies. Now the Jews are lying to everyone about Iran around the clock to do the same. How many more millions of innocents will have to die for the Jew World Order?

"I went to Paris not just as the prime minister of Israel but as a representative of the entire Jewish people," Netanyahu said, during a conference for French-speaking Likud activists. "Just as I went to Paris, so I will go anyplace I'm invited to convey the Israeli position against those who want to kill us. Those who want to kill us are, first and foremost, any Iranian regime that says outright it plans to destroy us. I will not hesitate to say what's needed to warn against this danger, and prevent it."

Top Israeli Political Figure Admits Jews Run The World

My note here, one Jew admits the Jews run the world and cites a top Jewish political who admits the same. All this blather about the Protocols of Zion being a fraud is Jew talk. In the late 18th century there was a notorious court case on the subject it was ruled the Protocols were a Forgery. Which means in legalize they are legitimate. To have a Forgery you have to have an original valid document somewhere. To forge a check you need the original legitimate one. So they have been ruled in a Court of Law to be legitimate over a century ago already.

-----  
In These Very Moments, The Protocols Are Being Rewritten

By Gilad Atzmon [my note Jew] on February 8, 2015

For many years my detractors have pointed at the following quote as evidence of my anti Jewish sentiments:

<http://www.thetruthseeker.co.uk/?p=110866>

"American Jewry makes any debate on whether the 'Protocols of the Elders of Zion' are an authentic document or a forgery irrelevant. American Jews do

control the world.”

-----

Yossi Sarid, the Israeli light Zionist veteran politician agreed with my position. This is what he wrote in Haaretz:

“In these very moments, the protocols are being rewritten. Rich Jews are writing them in their own handwriting. They, in their wealth, are confirming with their own signatures what anti-Semites used to slander them with in days gone by: We, the elders of Zion, pull the strings of Congress, and the congressmen are nothing but marionettes who do our will. If they don't understand our words, they'll understand our threats. And if in the past, we ran the show from behind the scenes, now we're doing it openly, from center stage. And if you forget our donations, the wellspring will run dry.”

Subject: Destroy the Tyrants, Obliterate the Slavers!

There has once been a time and age where Freedom was prevailing, not freedom that was chaotic, but freedom of Divine Order, where all beings are pleased, happy and in accordance to Natural Law. This was the Golden Age. The most Glorified, Most Holy and Most Reverend of all Ages! There was no poverty, men owned land, people were able to produce, labor and get their fruit out of their labor. People were creating the Needs and not Needs the people. Who was to be King was King, and what he did was serve and only serve. Those who served the most, who had the most responsibility, those who were the one sitting with the responsibility of the whole, were the Leaders. And in this, this is why they were called Leaders. A Leader is not someone who seeks pleasure or to please one's self, a Leader is he who is willing to sacrifice everything and anything! Even his own personal well being, just for the sake and well being of the whole! This was the age where the farmer was the richest, the laborers were the happiest they ever was, for they all created and nourished the Earth! They created and created again, until the Stars were to be numbered! Death has been a distant memory, as everyone had a spirit of life. Even when one died, their Soul was instantly re-incarnated so they could keep up their Divine Purpose, which was the pursuit of Godhead. The Leaders were on the front and the Volk was faithfully following. With no remorse, without any sense of Hatred, only love and loyalty, only for common interest and eternal Joy! AS different Races, with peaceful associations that protected our Holy differences, We were all one large body, one large battalion! As one and only body, in where every cell is as its happiest and all the more happy in itself!

But something atrocious did happen next, we were attacked. Without deserving it, without even doing anything remotely to draw this upon ourselves. Attacked by subservience all in itself! We were attacked by these parasites in Human form. These rootless hyenas, these damned parasites, these pestilence of the Earth, the jews and their sickening awareness. The only race so selfish, the only humans without any remorse, the worst profiteers, the empty soulless creatures that only seek their pleasure in physicality and to whom their spirit means nothing. We all want to be free. Humanity has fought countless wars to finally, break free JUST ONE BIT from their Xian, Muslim and Judaic filth and tyranny. Hostile energies have been entering the Earth, those of death, slavery, suppression, sadness, depression, hatred and senseless warfare, which were brought up in the worst manifestation by the jews. For what? Simply because its

so they "Will". They will then experience what "So we Will", and this is FREEDOM FOR US AND HUMANITY AT ALL COSTS. They have disrupted our Divine Order, our history, our Golden Age. Now there are no leaders and no followers, there are only "masters" and slaves. Everyone is a slave more or less, knowingly or unknowingly. People are treated as slaves, disposed as slaves and soulless sheep. They have replaced caring for the whole, with a care of a most putrid form for only one's self. They have replaced Truth with lies, Freedom with oppression, health with disease, beauty with ugliness. They have attacked any and all Nations, Races and peoples, ruthlessly. They have murdered, raped, destroyed and created malignancy where it never existed before. They have even tried to replace and murder "god" himself, they have hid from us the creator of ours, Satan, they have hid from us and STOLEN our own Soul, they have been the result that this life and the next life for so many millions are only filled with suffering, poverty and worthlessness, death and anguish. They have rewrote our history and lied to no end about it, made people neurotic, spread diseases in all levels and pestilences of all sorts. The Earth herself screams for freedom, as she suffers from their senseless and meaningless parasitic mentality, which they have projected both in the peoples and in the world. What more do you want to see, how much more can you stay there and be the victim they have TAUGHT you to be?

They have TAUGHT you to be a victim, for they fear one thing: That us, The Gentile Lions rebel against that race of racketeers, fleas, rats and worthless beings! Bring on what they were always most afraid of! Bring on the curses, bring on the Spiritual Death, unleash endless Chaos to them and above all, Execute Eternal Justice for every lost city, every lost Soul, every Child and Animal that died under or from the Jewish blade. We know of your crimes and we will forever stand, selflessly in our duty! We must and should fight from freedom and for every lost Soul. We stand tall in the Aeons of failure, injustice, where the liars are the "gods" and the Gods are the criminals. For we are the ones with the eternal vision. May Satan be praised, and may we all act for order to Return. No more Gentile Souls will go down the drain, no more Gentile Souls will bathe in Blood, No more Injustice, No more Tyranny! We accept no more insolence, no more murder against us Gentiles, no more parasitism, no more dreams from weak infidels to enslave us, let alone actions. Time to Rise! If these blasphemous parasites asks for War, this is exactly what we bring, but only thousand fold of what they could ever imagine. If these sick beings ask to enslave us, they shall know that the Gentiles are not Slaves, they themselves will be the ones to submit. Thousand times more of returns is nothing even equal compared to what they have committed against us. And a billionth times more will be the joy when the body of Humanity will be free from this Spiritual Cancer of the jews! Fight for our Freedom and Seize it!

Onwards to Freedom! Onwards to War! Destroy the Tyrants, Obliterate the Slavers!

They have told you you are a worthless slave, I tell you that you are a Most Worthy God!

MY BROTHERS AND SISTERS, RAISE THIS WORLD ON YOUR BACKS, CARRY YOUR DIVINE DUTY UNTIL THE END! WE SHALL NEVER CAPITULATE, WE SHALL NEVER RETREAT, WE SHALL NEVER SURRENDER! DESTROY THE TYRANTS AND OBLITERATE THE SLAVERS! SET THIS BEFALLEN WORLD FREE AND EXECUTE JUSTICE!!!

Here are your Spiritual Weapons:

So what I am asking is quite easy.

Everyday, until the day that a Ritual will come, which will be soon, raise the following and direct it as following.

-Thurisaz x9.

Then affirm Once with intent-

"Israel and all the jewish race of peoples are permanently and completely destroyed in every and all levels of existence."

-Hagalaz x9

Then affirm Once with intent-

"Israel and all the jewish race of peoples are permanently and completely destroyed in every and all levels of existence."

You can multiply 9 vibrations and do this, like x18 Thurisaz or x18 Hagalaz.

An Alternate affirmation would be as following: "Israel and the jewish race as a whole are now being permanently and completely destroyed, in every and all levels of existence."

\*\*\*\*ALL THE ABOVE IS TO BE DONE EVERYDAY, UNTIL A NEW RITUAL IS POSTED. THIS SHOULD BE PART OF YOUR DAILY MEDITATIONS. PREFERABLY, DO THIS FIRST AND THEN DO YOUR AURA OF PROTECTION AND CLEANING MEDITATION!

Ok that's why.

Note the Jews ran the Soviet Union a fact which even they admit. The Soviet Version of history is the Jewish false narrative which is why being honest about the Holocaust or the Soviet false history is a crime now in Russia. The holocaust is the key part of the false historical narrative of the Jew Word Order. As the truth does not fear investigation. Which is why the Holocaust is illegal to question in many other Nations under Jewish control. Which shows yet again Russia is under Jewish control.

The Jews have made it illegal to look into their crimes against humanity under their Soviet Union such as this:

Holocaust Deniers in Russia Now Face Five Years in Prison

Russian President Vladimir Putin signed a law on Monday making the denial of Nazi crimes and distortion of the Soviet Union's role in the World War Two a criminal offence punishable by up to five years in jail.

The law, described by critics as an attempt to curb freedom of expression to appease conservative Russians, the ex-KGB spy's main support base, also criminalises the public desecration of war memorials.

The Kremlin has used World War Two as a pillar to unite a society that Putin has said lost its moral bearings following the 1991 Soviet collapse.

It has become increasingly risky for Russians to dispute an official line that glorifies the wartime achievements of the Soviet leadership and plays down its errors.

The new law would ban "wittingly spreading false information about the activity of the USSR during the years of World War Two".

Russian officials and media have raised the spectre of Nazi Germany repeatedly during Moscow's confrontation with the West over Ukraine, calling the overthrow of a Russian-allied president in February a coup carried out in part by "neo-Nazi" forces.

Independent channel Dozhd (TV Rain) was taken off the air earlier this year after asking viewers whether Leningrad, now St Petersburg, should have been given to German troops to save lives during its 872-day siege during World War Two.

Viktor Shenderovich, a blogger critical of the authorities, came under fire from Kremlin supporters in February after comparing the Sochi Olympics to the 1936 Berlin Olympic Games, used by Adolf Hitler to burnish the image of the Nazi Germany.

In a comment posted when the legislation was first introduced, veteran TV host Vladimir Posner said he believed its aim was "to shut the mouths of journalists, historians and writers".

He said he feared it would "practically ban criticism of Stalin" for "grave mistakes that led to the deaths of hundreds of thousands of our soldiers".

It was unclear whether the wording of the bill had been changed since its introduction and Posner could not immediately be reached for comment.

Kremlin critics say Putin, in power since 2000, has used legislation, court cases and other levers to tighten control during his current term, which he won despite large opposition protests in 2011-2012. Putin denies the accusations.

Separately on Monday, Putin signed a law imposing fines for the use of expletives on television, radio and in films shown in theatres. Music and movies containing foul language will have to have a warning on the label, state-run RIA news agency said.

Putin also signed a law imposing stricter rules on bloggers, which opponents say is aimed at suppressing criticism on the Internet.

Something I want to add to this thread. I am posting this to all of the JoS e-groups and forums as there are people here who are new and others are still having problems. Most people are unaware of the extent of the mass mind and its influence. The Judeo/Christian and Muslim virus has infested and has been imbedded in the mass mind for centuries. This is all subliminal. In other words, your logical conscious mind is often not aware of it to the extent that it is there, but your subconscious mind and soul take this filth in. In addition to the extent it has infested and imbedded, it is relentlessly pushed and kept going by idiots world-wide. Take just one year for an example... Pagan holidays were hijacked. Millions were tortured and murdered [so much for the Christian lies of "love" and "peace" and "free will." Christianity has never been tolerant of any other beliefs, especially Paganism. As for the Jews whining about being "persecuted" by the Christians, this is another lie and what little they were was just for show. Catholic Popes during the inquisition ordered their inquisitors to "Leave the Jews alone."

Christianity has always been pushed [under threat of torture and death] onto the populace. In Japan, the Emperor kicked the Catholic Jesuits out of the country as they wanted to murder all of the Buddhists that would not convert. The Jesuits are another Jewish program and the Jews retaliated in 1945 with bombing Hiroshima and Nagasaki. Getting back to the year, what were once Pagan holidays and celebrations, all of this has been hijacked with the energies being directed into Judaism and Christianity. If you do some research, this is world-wide and in nearly every country, with the exception of Islamic countries and they do their own spiritual destruction and subliminal ugliness, infesting the mass mind with total rot. Also, in addition to the main holidays, there are other numerous dates where the Christians spew their filth. Take Spain for example, their huge celebration of "Holy Week" and then there is that "Pentecost" which was also hijacked and the list is extensive. Take all of that energy, along with the churches and their slavish worshipping fools, who work relentlessly for not only their own damnation and destruction, but also that of all of humanity and all life on this earth. They are too stupid and deluded to see this.

Then, there is the Jewish-controlled media. All the while the Jews pretend to be enemies of Christianity and persecuted by it... this is to fool the populace. Most people actually believe these lies, while in truth, the Jews promote Christianity zealously behind the scenes, though they do so quietly and secretly, no different from those kosher symbols on our food bottles and jars, etc. Many TV shows and movies are steeped in Christianity. For example, many years ago, "Little House on the Prairie" was aired during what was called "family hour." It not only had heavy Christian themes, but with the Jewish knowledge of psychology, it combined those themes with strong emotional reactions that were intended to be deeply touching for the audience. This sort of thing is powerfully subliminal, especially when it affects more than one sense/emotion. Then, there was the family series "The Waltons." Same sort of Christian shit. I haven't watched any regular TV in probably more than 30 years, so this is going way back, but my point is, anyone here with even half a brain is aware of how the Jews control the media. Another one... the 1959 movie "Ben Hur." I heard there was a recent sequel, but I wouldn't waste my time. The music, that filthy Nazarene and all of the whole ball of subliminal crap intended to associate Christianity and its related themes in the average mind with profound tear-jerking and emotionally moving scenes. Few people would not be emotionally moved at the ending of that movie and the Jews who wrote and promoted this knew it. I also want to add, that movie was promoted for families and children saw it and it had bloody violence in it along with other unsavory content that was not suitable for children.

I also mentioned in my other sermons, I like to do crossword puzzles, as do other millions of people. It is glaringly obvious, most, if not all of the word and other puzzle books on the newsstand were authored and published by Jews. Most of these puzzles and even in your local newspaper have queries about that filth bible. In other words, it is taken for granted that the populace is supposed to just know this shit, like it is common knowledge. How many of you can walk down an aisle in a market or store during the Yule season and hear instrumental xmas hymns and even though there may not be words in a particular hymn, how many of you know the lyrics by heart? This is the kind of crap I mean. It is and has been so infested and imbedded; most of us know the lyrics verbatim. The music alone is enough and before you know it, your mind pulls up the lyrics.

Then, for those of us who were forced to go to church when we were under-age, the embedded prayers. The robotic, stupid, meaningless trash that we had to memorize and repeat endlessly. Every stinking vile church service/mass is a repeat of the human blood living sacrifice of that foul Nazarene. It is so repetitive and purposely imbedded to no end. To add to this, most people are literally bored out of their minds and when dozing off or in a mentally receptive state, this psychological poison takes hold like hypnosis. That is where it really gets imbedded and even those with the lowest intelligence levels are very open and receptive as it is endlessly repetitive and reinforced. This is why this world is in the current state of depravity, the wars, the extreme suffering and every other ugly and negative thing. Individuals do not have to read the bible. All they have to do is to tie into that negative energy and it is embedded in the mass mind and right now, this earth is on the brink of disaster.

[http://www.angelfire.com/dawn666blacksun/ChristianMass\\_JewishRitualMurder.html](http://www.angelfire.com/dawn666blacksun/ChristianMass_JewishRitualMurder.html)

In addition to its being perpetuated by humanity, enemy aliens known as Greys who have a micro-chip implant, work relentlessly to push this

malignant program. Many of us have been directly harassed by this alien degenerate scum spiritually on the astral. Christianity and its related lethal poisonous programs do NOT take “NO” for an answer. Just as humans who have been heavily infected with the Christian virus and tie into its energy have an obsessive/compulsive disorder when it comes to getting others to “accept Jesus” enemy spooks do the very same. Now that some level of Free-thought and freedom of religion have been established in most Western Developed countries, these alien spooks are working even harder in other ways to try to destroy it. Enemy spooks cannot refrain from harassing those of us who know the truth. I will tell you though, there does come a time when they will no longer try to deceive you with the Christian lies. That is when you know the truth 100%. Then, they resort to other tactics of harassment.

My advice to all of you who are having problems getting Christian, Muslim and related imbedded poison out of your minds is to study, study and do more studying. There are a load of sermons, articles and all kinds of reading material on the main JoS website, Satan’s Library and Exposing Christianity.

If any of you are having reservations in regards to trying to call upon our original Gods [Demons], then my advice is to wait. There is no hurry. Clear your mind first and then and only when you feel completely relaxed and comfortable, you can go ahead with this. True Satanism is liberation and freedom, especially spiritual liberation and freedom. You only need to be yourself. Nothing is forced upon you. Be aware of and know this. Just be free. If there is something you are not completely comfortable with, then don’t do it. Work on yourself and work on ridding your mind of that foul toxic Christian waste first and replace it with positive knowledge, positive thoughts and a positive faith. Positive faith is NOT blind faith. Positive faith is faith in what you know to be true and faith in yourself to make the correct choices FREE OF COERSION AND ANY FEAR!

## Why is it so hard to deprogram from Christian influence?

[lilith345](#) Just when I think I'm making progress, it seems like all the "what ifs" start to pop up into my head. It's really

confusing. How can I be so close to freedom and yet so far away. It's been this way even before I dedicated myself. I don't understand how I can make contact with a demon and no harm comes to me, then the next time I try to summon, anxiety and fear that something bad is going to happen comes up out of nowhere, Then have no problems the next time I summon. I mean is it really as simple as deprogramming from Christianity or is it some kind of attack? What do I do?

Hail Family,

We all know about the Jewish work to remove spiritual knowledge from we Gentiles, the TRUE Human-Race. But while in doing so they hypocritically use the very knowledge they wish to obliterate as their weapon against humanity. Christian masses and Sunday service are nothing more than group rituals to curse /blaspheme the True Gods. This is not their only work of witch craft. The Jewish bastard race(the false gods raped humans and left them as their spawns) also use talismanic symbols as well. In "Christianity" the nazarene is depicted with open arms and a glowing light(similar to that of a star) radiating from his heart chakra. The Heart-Chakra is NEUTER! It is nothing more than a connector... The "Star of David" is the Jewish symbol for this. Note the double pyramids /diamond shape in the middle of the star. This is a crap depiction of the heart chakra, since the real shape is like a vagina or "yoni". This piece of Jewish Talismanic Magic is also a robbery from our Lady Astaroth's "Star of Astaroth Meditation". If one is familiar with the working, one knows that you create two pyramids of light(one point up, the other point down) around your being and begin to spin them. You only have to look at their symbol to see that it is damn near exactly the same! The only difference I can note is that in the meditation, the bases of the pyramids should touch not merge into one another... Signs like this are all around us my Gentile brothers and sisters. As we progress individually, you can see them more for what they are and are able to understand all things. Do not let up!

Hail Father! Hail Agares and Raum! Hail to our Legions!

I would like to add a thought here. The same manner the enemy have used these tactics to program the population for their own damnation for

centuries, we can use our own tactics to deprogram and reprogram ourselves with affirmations for our own good. Affirmations can be done mentally, and HP Hooded Cobra pointed that mantras can also work mentally for many, what we should do is make sure we engrave positive affirmation into our subconscious, as this way we are sure the energy goes to where it will further aid us.

Jews use boring xtian songs and repetitive phrases, numbers and such to grave them in the populace, we can record our own voices and play it over and over until it is stick into our subconscious like a sticky song, in a way you can deffend your psyche and use it against external programing.

I've recorded the following set of affirmations and put it in my headset or play in stereo, even more when I'm bored or asleep as the mind is receptive in this state. Thanks Kai Purr for pointing too theimportance of affirmations for preparing the psyche for a safe Ascension:

**Vibrate AUM as long as you can**

I'm totally prepared for a safe ascension of my kundalini

I'm totally free in all ways and from any curses

I'm totally protected, safe and healthy

My whole being vibrate at the speed of light and I'm permanently elevated to the 4th dimension

I'm attracting high quanties of safe and easy money which is mine to save or spend as I wish

**Vibrate AUM as long as you can**

Subject: Greece: the Grand Finale [part 1]

I'm guessing that those of you that follow world news have heard about the Greek Debt Crisis in EU. They try to accuse Greece with laziness and corruption, but most of us know that there is one parasite behind all these. The jew. Unlike what the jews are trying to portray, the Greek people are passionate, hard working with work ethics and care very much for people's wellbeing, the animals and the environment.

The jews are trying for centuries to undermine the good nature of the Greek people (with wars, xianity and communism) but they are still failing to suppress their inner passion for truth and justice.

If you haven't realized it, they are one of the few nations that escaped the jewish monster of the inquisition. The Greek people had other kinds of suffering at the time, but they escaped the selective genocide. They managed to keep their spiritual genomes that were "excised" from the rest of the Europe though torturing and killing anyone with even the suspicion of any kind of spiritual power.

The Greece at the time of the inquisition was occupied by the Ottoman Empire and escaped this selective genocide. They still have their genetic lineages of spiritual abilities and they can pass it to their successors. Their children

currently continue to advance and they pose a threat to the jews that want to eradicate any and every spirituality in the Gentiles (a word stemming from the Greek word "Ethnos", meaning Nation). This is the reason that the Greek are very important enemies of the jews.

The monetary crisis in EU was invented/created and it was focused on Greece. The following text is a (paraphrased) translation of a Greek article that reveals all the information that the jews would like to be hidden and it also connects all the dots revealing their plans. I feel that the information contained in the article is too valuable and need to be spread across the world.

I have done a lot of paraphrasing because the original author is without, and fails to see the obvious jewish influence in many of these events. He tries to accuse the US, the Germany (calling them Nazis) and the various international companies, when it's obvious that behind all these is the hand of the jew. I'm using the information he gathered because they are very close to the truth, and present them here to you.

For anyone able to read Greek this is the original article (note that the author is not related to JoS and has slightly different views). [LINK](#)

This is an attempt to reveal the valuable information that the author managed to collect and managed to connect and reveal the malicious plan. There are many references in the original article that reveal detrimental information, and in order to make it easier for the readers unfamiliar with the Greek news and history, I'll try to post some related links wherever I can.

## Part 1 - EU under fire

Europe is being demolished for the third time from a debt "bombardment" from the US jewish lobbies and the Germany jewish lobbies. Using Greece the US jewish lobbies will put the EU nations in an eternal memorandum (financial debt).

In the recent political events in Greece, the US "global leader" Obama intervened on the issues of Greece and Germany: ["You cannot keep on squeezing countries that are in the midst of depression."](#)

With the above quote he warned Greece's money lenders --who they are not his own New York money lenders /sponsors (jews), but the EU countries and their respective nations.

On the other hand, did Obama find the 1 trillion that he needed? Because he managed to find the 5-6 trillions that his money lenders (jews) needed throughout his office term and he supplied it to them. Because that's how much the US national debt increased throughout his office term.

He feels sorry for Greece and the Greek nation that they have become poor. Such hypocrisy from the "carnage creator" of the middle east! Wasn't Hilary Clinton his infamous Secretary of State? Didn't the Middle East drown in blood and chaos during his own term? Nations destroyed, societies dissolved, children killed, waves of immigrants flooded EU and the Mediterranean filled with dead bodies.

Weren't all these "signed" by Obama? Weren't all these his work? Wasn't Hilary Clinton his responsibility?

Hilary Clinton's daughter's husband [Marc Mezvinsky](#) (jew), became rich from Greek bonds. He bought them --through jewish information-- almost free, because he knew beforehand that they would worth very much in the future.

Isn't Obama agreeing with Hilary's politics, since he's promotes her for president? Wasn't Obama's work the rapid increase of opiates production and use of heroin in the west? Wasn't his troops that "destroy" the opium plantations in Afghanistan? Or not? Isn't his CIA the greatest drug "dealer" in the world? Drug profits have multiplied worldwide abnormally. Where do these profits go? Who "launders" the money? Aren't they and Obama that they "save each other"?

Who is Obama trying to convince that he cares about Greece and the Greek Nation?

Doesn't he remind us of someone? Our "own" Gianna Angelopoulos, a "fan" of Varoufakis. A "leftist", with a Havana cigar. The "owner" of Varoufakis. Member of [Clinton Global Initiative](#). Alongside Hilary and Albright. Related with Harvard that "feeds" with "garbage" the Greek political stage, and more...

Varoufakis --of Gianna and the money lenders (jews)-- gave the "signal" and the "performance" started. This is the job of Varoufakis who works for the money lenders. This is the work of the [Halylvourgiki](#) Steel Industry's [President's son](#), that became rich from the Olympic Games (in 2004). This is the work of the [consultant](#) of [Zionist](#) George Papandreou, that became rich through the [CDS](#). This "leftist" Varoufakis representing Greece, he supposedly strikes the knife of [Troika](#), in order to bring along to "the play" US president Obama.

This cheap "play" is being done in order to "cast the parts". To create the "good" and the "evil". To create the "enemies" and the "protectors" for those who watch and are unaware. Varoufakis stance was sure to cause the reaction of large nations of EU and it was an "invitation" for the support of the US. If the US jewish lobbies wanted to "set up" a play of conflict with the large nations of EU, this was the fastest way to do this. These are known tricks. This is how the jews work; problem, reaction, solution.

Why would they want to do this? They want to "cut" the Greek debt at the detriment of the European nations and they know that Greece cannot play alone her role of the "insubordinate". They have to have someone powerful to "support" her and this part fits only to the US. The decision to "cut" the Greek debt is already been made and this is sure to destroy the European countries. It will convert the EU in a plundered place, and the countries will face survival issues.

Especially for the classes that depend on the insurance/pension funds to financially sustain themselves alive. It will be a social destruction that is similar to the aftermath of WW1 & 2.

They cannot let Greece to demand this "cut" on its own. They want to portray Greece "criminally irresponsible", but they know it cannot be done without proper support. The only support that can bend the European resistance is the US and this is what is taking place right now. The partners / collaborators --US and Germany-- will "split" and they will be heading the two sides; the US will be the "good" and Germany will be the "bad" defending the "EU rights". The rights that Germany jewish lobbies trampled on and brought the US jewish lobbies in Europe.

The US jewish lobbies have profit in this act, given that the damage does not concern them. Controlled by money lenders (jews), they have no problem to support the debt "cut" because anything the money lenders wanted from Greece, they have already taken. The profit from the Greek debt is already taken. Now the damage is about the rest of the EU. The insurance/pension funds of the European nations. Germany jewish lobbies ask for the EU to empty their "piggybanks" to help the bankrupt Greece. The bankruptcy of Greece which Germany jewish lobbies caused. Everything is a "play" and it was decided years before this.

Proof that the cut is pre-decided from the money lenders (jews) is the hiring from Varoufakis of the [asset management firm Lazard](#) (jews) as advisors. A tool of the jewish money lenders trained for the "cuts". Their presence --and only this-- proves that the "cut" has already been made. The pre-decided "victory" of the Greeks, will embitter the whole EU. The choice of Greece is not random. They knew who will be the scapegoat. The only nation able "to handle" the hate.

The Zionists in their best. The Greek "Credit" that was acquired from the Ancient Greeks, will be "liquefied" by them in order to win securely large amounts. Business with pleasure. They would become rich and at the same time they would be done once and for all with the [enemies of the Maccabees](#). They would "finish" forever with the Greeks. They would use for their benefit the "capital" of their most hated enemy and at the same time they would "annihilate" their future. The nation that benefited Europe so much, will appear as the nation that plundered the most.

This European destruction --with Greek "cause"-- will be the job of the Zionist Lazard firm. The Bernard Picard's [Lazard](#), "buddy" of Andrea Papandreou and therefore a "buddy" of Varoufakis. The same Lazard firm that had the lead role in the ["masacre"](#) of Argentina, and also in Greece's. The firm that "slashed" the Greek insurance/pension funds and Greek investors and guided the overall sellout of the Greek nation's valuables, now will take on Europe. In the name of Greece of course.

How much "rigged" and predetermined this is, could be obvious through the details. From the stance of the Zionist owned "anglosaxon" Media: All these vultures suddenly were "saddened" for the Greeks. These who were "watching" the Iraqis throwing babies to the floor. The same who were "watching" the nuclear weapons in Iraq. The same who were "watching" the Serbians drinking "blood" like vampires. The same who were "watching" the "Jihadi" like "spring" against the Gaddafis, Mubaraks or Assad. The same who "saw" the [Russians](#) shoot down the Malaysian airplane. These

"tools" owned by the greedy money lending "vultures" (jews) saw with sympathy the Greek "tragedy".

Especially "saddening" are the Financial Times which in order to "prove" the "truth" and the "pain", looked for the [opinion of the experts](#). They mention that the supposed "top" economists of the world are asking for it. "Top" scientists in a field, that is not even a science. Nobelists in something that doesn't exist. Every one of them --"pets" of the money lenders (jews)-- they order scientific "studies". Real "pets", since they feed them, either in private colleges, either in their own non-government organizations, or in their own funds.

Related to them, whomever can "help" in any way. Compatriot Paul Glastris, is in the same gang, being Clinton's speech writer, says that "as a Greek" believes that Germany must do for Greece what the US did for them after the war. He feels sure that Obama will convince Merkel to write off the Greek debt. All these are cunning. This is a crime, just by confusing the Greek situation with the German. The German debt was a real debt. By writing off the German debt the German nation benefited against all the rest, who were victims.

The Greek debt, on the other hand, is the money lender's (jews) fraud. Victims of this debt are all involved. Victims of the money lenders are the Greeks and due to the same debt the rest of the EU will become victims. The Greeks never created this debt and surely would never turn it against the EU. The Greeks where "charged" this debt from the money lenders (the jews), which on their own "transfer" it through the German jewish lobbies, on the "shoulders" of the rest of the EU. This illegal debt, that was charged to the Greeks and that the German jewish lobbies "charged it" to the EU, now they want it to be "cut".

Another crime from the jewish lobbies in Germany, because they forced the EU to finance a country, that they bankrupted. Again, Germany jewish lobbies take an advantage, because thanks to this debt they "gained" and they improved illicitly their competitiveness. Now that is "show time", Germany supposedly started to "annoy" the US. Started to "annoy" the humanitarian US jewish lobbies, who they supposedly don't want the nations like Greece to be "bled to death". They started their jewish "tricks" with the "good" and the "bad", that will lure everyone in their conflicts. The anglosaxon media started "remembering" that Germany oppresses Greece.

Everyone is a spectator; The US will stand "against" the "extras" of Germany and together they will ravage EU. They will start "fooling" the Greeks with "heroisms" and ancient stories; ["The Spartan Resurrection in Greece"](#) writes Paul Craig Roberts in the Foreign Journal. Isn't it funny?

Again the same jew tactics with free "praise", to find eager fools to be sacrificed in the usual "rigged" conflicts. What did Churchill say? ["Heroes fight like Greeks"](#). But to Scobie gave the command to treat the "freed" Athens like they are under occupation. When the "heroes" did all the work and had no need for them, they were shot in the [Dekemvriana](#) like garbage. This what they do now. They will start some historical "bullshit", in order to lure the Greeks in a conflict (of a jewish creation). A conflict in which they already know the "winners" and the "losers".

Again, the Allied US/UK in the part of the "good", against the Germans in the part of the "bad". From the start the winners Americans and the jewish lobbies, and from the start the Germans the losers. And unfortunately the EU Nations are also the losers, because they were placed in the "camp" that will be defended by Schäuble (jew). In the "camp" that will "lose" and will be "cut", sending them straight for destruction. In this case Greece is the "Helen of Troy" that will cause the "war". As usual, after Greece will be beaten into submission, will end up with the "good guys". Certain "customer". She will be ready for their next "play", where she'll be needed again. In the next play Greece will be looking for compensation from the "bad guys", who will be proven once again, they were buddies with the "good guys".

The jews know only one "trick". Problem, Reaction, Solution. With this trick they rule the world for the last century. There's nothing else. If this doesn't work, they don't know anything else. This trick will "remain" in the "vile" history as their contribution to the political "thought". Alone like a gang, they create a big problem and they "split" to deal with it, in order to control the developments as "leaders" of the two contrasting opinions.

This is the trick of the street "pimps", who create problems in the clubs, in order to sell "protection". One plays the part of the "good" and gets comfortable next to the "boss" and the other one plays the part of the "bad" and stays in his corner of "punishment" and "forgiveness" until he's needed again. If you see the "bad guys" starting to act, expect the "good guys" to be brought into the play.

Subject: Greece: The Grand Finale [part 2]

This is the second part of the article....

Profit, brings a gang together.

Knowledge is power. You need knowledge to win. The situation is so complex that if you don't have knowledge, not only you don't know what to do, you don't even know who are your enemies. You don't even know which battlefield to choose. People need to know, in order to stop being scared. They are experienced in causing fear, but if you have knowledge and what are your rights, you cannot be scared. Only if we know what happened, we can realize the identity of the culprits and realize the nature of the "crime" and "escape".

We have to know the situation about Greece in order to see the culprits. To see the crime. And what happened was a crime. From specific culprits, at a specific place, at a specific time. In order to prove this, you have to prove the deceit and the intention. You have to prove what was the culprit's motive. You have to know if there were any accomplices and if the profits gave the accomplices motives to join the crime.

Greece was a victim of an international gang, who "rigged" the deceit in the EU in order to reach the European Nations. Size-wise Greece is small compared to the culprits, but she is the "bait" for the bigger "catch". This future victim is the whole EU and Greece is a member that was convenient to use in order to get closer to their victim. The EU is the real target.

This is the same target of the previous two World Wars. The previous wars didn't manage to bring down the EU. The brave attempts of Hitler's army managed to delay their invasion. Now, this attempt is trying to achieve their goal to make the EU their property. This gang is the filthy jews. This gang controlling the countries of the US and Germany, they're trying through Greece to raze Europe. To loot the European nations and remove the ownership of their own countries.

Jewish moneylenders, using Germany like a "broom" and US like a "dustpan", they're trying to steal the European property. To steal from the European nations whatever they managed to produce since the last half of the century, after the destruction of the WW2, again because of the jews. This gang controls the US through the FED and Wall Street, and they also control Germany since the US conquered it literally. This gang "envisioned" the United Europe simply in order to use the conquered Germany against all the nations of Europe. Under the "umbrella" of the EU, which worked like a "slaughterhouse", they managed using entrapment to turn one nation against the other, and in the end to be subdued to the "sponsors" of the great "slaughter".

The secret of this plan is in Greece. But also in Greece is the "Achilles Heel" of this plan. In Greece they did the mass of illegalities, in order to bring the EU at a specified time to the debt crisis. In Greece we can spot these illegalities and "burn" them. If they manage to "erase" their "traces" in Greece, they have a great chance to reach their goals. If they manage to "disguise" their own razing as the "inability" of Greece to cope with the commitments, then they will manage to bring the whole EU to an enormous debt memorandum, that will be their destruction.

It's possible, according to Obama. It's as possible as to turn a "blouse" inside-out from a small "sleeve". This is what they're attempting. By controlling the banks, they knew beforehand the "dosages" that were required, in order to achieve their goals. They knew which kind of debt they would charge onto Greece, in order to "transfer" it to the EU, in order to "derail" it. Derail the EU in a way to convert it to a "Greece", and then would have to borrow money to be "saved".

The situation is simple, if you can put them in order. Even the largest train could be derailed from a small item, placed on the tracks. Greece is a "multitool" and they plan to raze Europe with it, and will also try everything with it. It's their "guinea pig". If it will work in a difficult society, like Greece, could work to all societies and in Europe. What we hear now about Greece we'll hear it in the future for the whole Europe.

Subject: Prime Minister of Israel calls all Jews "home".

Hail Brothers and Sisters!

Prime Minister Netanyahu of Israel called all Jews in the European countries back "home" to Israel recently after an attack on them in France, where 17 Jews were murdered in 3 days of Islamic attacks... With the rise of their program of Islam reaching radical levels, Jewish leaders kill off their own followers in efforts to turn all media attention to them once again. This story has been published on nearly all news channels here in America. Few reports are saying that PM Netanyahu is calling all Jews "home" back to Israel as a response to fear and vulnerability. This is nothing more than a cover to keep the masses focused on them. Do NOT be deceived! While we are making impact in a large way, the Jews are attempting to act more wounded than they really are. This news report is nothing more than a self inflicted wound, such as in the Crusades time, when the Catholic Church sent out their "Holy Knights" to kill and pillage nearby villages(full of christians) on the way to fight the "Islamic Threat" they were faced with.

Do not let up my Family and fellow warriors! Keep doing our Hagalaz and Thurisaz meditations daily until the next Reversal Ritual.

Subject: Greece: The Grand Finale [part 3]

The pioneering new bonds.

We've heard about the new type of bonds, the "perpetual bonds" (bonds that don't expire) from Varoufakis. These will supposedly will relieve Greece and are better than the conventional bonds. He proposed that this is a way of "smart debt engineering". Did he think all of these by himself? Surely not. Varoufakis is an irrelevant, employee of the money lenders of Gianna Aggelopoulos (jews). He says whatever he's told to say. What he says is the opinion of the money lenders (jews) for the bonds of the future. This is the idea of the money lenders. Most probably Merkel already knows of Varoufakis' "idea" before he even heard about it.

Germany appears to be "dissatisfied", not because she disagrees, but because this is what her part dictates. She stands on the other side to "throw ink" in our eyes. She stands opposed for two reasons: First is her fear. The fear of being exposed. Germany is the one that ruined Europe two times and is responsible for the upcoming destruction, which will be much worse and permanent. Germany is responsible for the upcoming misery in Europe. In order to hide her part, she takes a Europhile stance and she defends Greece's money lenders, the EU countries. The EU countries became money lenders to Greece because of Germany and Greece bankrupted because of Germany.

This is the first reason. The second reason is related to the "play"; It's in Germany's interests to appear publicly that Greece is the one wanting these "new" bonds, because these are made in benefit of the lender, not the borrower. How will the "play" of the jews work if Germany jumps from joy. In a conflict someone needs to appear happy and someone sad. Normally he who wins is happy, and he who loses sad.

When things aren't normal and one of the two --the one who is the loser-- is an idiot, and he shouldn't understand that he lost, so the winner has to pretend to be sad. He doesn't want the reaction of the loser. In this case, Germany will act "sad", in order to fool the "happy" Greece. The foolish Greece that trusts Varoufakis. The happy "guinea pig". That will be the "guide" and in the future the reason for the EU to be "happy" and the US to be "sad". All these are fairytales. They're just changing names in well-known practices, that humans thought they have left behind. All these "new bonds", are not new. This is the middle ages taxation. This is the feudatory tax towards the feudal lord.

What did the feudal lord did in the middle ages? He didn't set an absolute size to the taxation. He set a tax rate. If he set an absolute size to taxation, he would lose. If the year was difficult and the absolute taxes large, the serfs would starve, they would revolt and maybe they would threaten his authority. If the year was profitable and the absolute taxes small, the serfs would become rich against him and maybe they would threaten his authority. For that reason the cunning feudal lords set a tax rate. In this way they allowed the serfs to just survive and still remain dependent on him.

This is the logic of the ball and chain that they tied to the slave. He could work outside without fear that he

would escape. This metal ball wasn't large enough to immobilize him, or making him unable to work, or making him think how to get rid of it, but it wasn't small enough to carry it in his own hands and run. This way the slave was "free-imprisoned". He was free to work, but not so free to escape. These pioneering "new bonds" are what we hear from Varoufakis today. This is what the "janitor" of the Neo-feudal lords and the pet of Gianna suggests.

Varoufakis bonds will be exchanged with the ones that the European Central Bank (ECB) has, and they will become the ownership titles of the Greek Nation. A peculiar "shareholder register" that will describe a "value", which value will never be paid back, since the doses are defined from the owner. And the owner doesn't have the need to "sell". The Greek Nation --and everything it produces-- will be controlled by the offices of the ECB in Frankfurt. The Germans alone will decide if each year Greece was "productive" or not, in order to decide her doses. The ECB will be the owner of Greece and the Greek Nation will be her serfs.

Simple things. This isn't something mysterious. The basic element that characterizes a dominant nation, is the distribution of their annual budget. The budget that will decide how much will be distributed to its members. How much "health", "defense", "security" or "quality of life" will be provided to its citizens. Since the bonds of the "variable" growth will be in the hands of the Jewish money lenders, they will decide for the above, since they will decide for the amounts of the doses. They will decide what will be left over for the people. They will decide for the nation's health. They will decide how long will the Greeks "live".

They alone will decide, since they will approve and deny the budgets of the "serfs". What kind of future can someone expect from a situation like this? Was there a chance for the serfs in the Middle Ages to send their children to the same Universities or to the same hospitals with the feudal lords? Why the Greeks would expect in the future to live in the same level as the Germans or the other powerful nations? The Greeks will produce the best for the "best" and they will eat the garbage that are provided, from the Lidl of their owners.

The "pioneering" ideas of Varoufakis will result in all that. This plan will lead Greece in the new Middle Ages. This plan will convert the now independent Greece to a protectorate, which will have to convince Frankfurt in order to do anything. If the Jews manage to do this with Germany and Greece, next they will attempt to do the same with US and EU. The Greek perpetual bonds of ownership will be to the German Frankfurt and in ECB, and also the EU perpetual bonds of ownership will be in the US New York and in FED.

If the US want to achieve this, there should be a large debt from the EU to them. A debt that could be "converted" to the "perpetual bonds" of Varoufakis. Is there a EU debt? No? This means that they have to create it. They will create a large debt, that the EU will have to recognize, and will occur from an urgent situation that will require a large sudden borrowing of money. This kind of debt will happen only in situations of emergencies. Situations that will require a "rescue", irrelevant of the cost. These situations,

will justify borrowing enormous amounts, like the [Marshal Plan](#). This means that the US will have to lead the EU in a very tragic situation, in order to ask from them their "mercy". To throw the EU to the "cliff", in order to hypocritically offer their "saving hand".

My reply--

There is another side to this:

"We possess several hundred atomic warheads and rockets and can launch them at targets in all directions, perhaps even at Rome . Most European capitals are targets for our air force. Let me quote General Moshe Dayan: ' Israel must be like a mad dog, too dangerous to bother.' I consider it all hopeless at this point. We shall have to try to prevent things from coming to that, if at all possible. Our armed forces, however, are not the thirtieth strongest in the world, but rather the second or third. We have the capability to take the world down with us. And I can assure you that that will happen before Israel goes under."

– Martin van Creveld, Israeli professor of military history at the Hebrew University in Jerusalem in an interview in the Dutch weekly magazine: Elsevier, 2002, no. 17, p. 52-53.

Someone mentioned to me, regarding this – since Israel is allied with the USA , Russia , and China , all the superpowers that have nuclear capabilities, and they actively manipulate these countries, they feel they have nothing to fear. Now, those of you who are fully onto the Jews and their tactics... vicious exploitation... why would this kike leader asshole want all of the Jews out of Europe ? They obviously have plans for Europe .

The Jews plan way ahead and they also work their blood sacrifices and ritual murders with the Christian energies to bring certain events about.

As I wrote before, they are not stupid.

Many people really underestimate the Jews. Much of this is because most Gentiles do not have that kind of sick depravity and malice. Gentiles do not think the same way the Jews do. Everything they do, they do for a sinister reason. Something is in the future and this will not be pleasant. Satan has given this knowledge to many people here, especially the ministry in regards to a future world crisis. It is obvious. Netanyahu wouldn't be doing this unless of course he and the other top kikes have something planned and they know the Jews will be safe in Israel . This tells me Europe won't

be safe.

**“Most European capitals are targets for our air force.”**

Look to the above quote again. With the internet, the anti-Semitism is world-wide. This is not limited to us Spiritual Satanists; it is within all kinds of different groups, nations, and sects. If you have been following articles posted on the JoS forums and e-groups, you are more than likely aware of news articles we posted regarding how different Jews were admitting defeat due to exposure on the internet. Given this malignant virus of a race has survived as long as they have, both racially and intact in nefarious character indicates a high level of sinister intelligence. You can bet they have some real and lethal plans.

After this was explained to me, that is my own opinion.

Also, the planets haven't been right for this, as Mercury was retrograde and now Jupiter is a bit off, but I will be posting more reverse torah rituals. Those seemed to really be doing their job. I will post the rituals a few days in advance before we do them as a group. Lilith works with me on the dates and the selected verses. We will win in the end. The future after this spring looks very grim for Israel in spite of everything.

# Denmark attacks

Israeli Prime Minister Benjamin Netanyahu has called for a "mass immigration" of European Jews. His announcement followed two fatal attacks in Denmark in which one Jewish man was shot dead near a synagogue.

Netanyahu made a plea to Europe's Jewish population on Sunday, saying that Israel is their "home."

"To the Jews of Europe and to the Jews of the world I say that Israel is waiting for you with open arms," Netanyahu said in a statement.

"Extremist Islamic terrorism has struck Europe again ... Jews have been murdered again on European soil only because they were Jews," he added.

Netanyahu, who is currently campaigning for the Israeli general election on March 17, said his government planned to adopt 39.5 million euro (my.inbox.com/img/ftsr/marine.jpg5 million) plan "to encourage the absorption of immigrants from France , Belgium and Ukraine ."

The Israeli prime minister made a similar call last month following the bloody attacks by Islamist extremists in Paris in which 17 people died. Among the victims were four Jews who were killed during a police commando raid on the Kosher supermarket where they were being held hostage. Their bodies were later flown to Israel where they were buried.

Netanyahu's comments were seemingly rebuffed by French President Francois Hollande, however, who vowed to combat the ["unbearable" rising anti-Semitism](#) in France .

"You, French people of the Jewish faith, your place is here, in your home. France is your country," Hollande told France 's Jewish community.

Less than a month later, however, [three French soldiers were attacked](#) by a knife-wielding man in the southern French city of Nice while taking part in an anti-terror patrol in front of a Jewish community center.

Satan Is God

The original name of the Primordial Golden Age religion was Sanatana Dharma.

In the east we find the important SATANAMA mantra which is given high importance. What this mantra is saying is NAMA meaning name and SATA meaning God, Sata is the name of God. This is seen in the Ram mantra. RAM NAM. In some cases NAMA is on the front of the mantra paying homage like NAMA SIVAYA. Sometimes on the end. This is shown in SAT NAM of which SATANAMA is the full mantram of.

However Sanatana Dharma is the name of the Golden Age religion so it holds the highest importance.

Sanat is an anagram of Satan. The Yedizi's who stated they came from India around three thousand years ago use Satan but mention Shamballa in their texts. The Lord of Shamballa is Sanat Kumara. SATAN is also a divine name in the East which means SAT as truth and AN as eternal. Eternal Truth. This relates to the serpent power. Which grants the power of enlightenment and liberation as well. The serpent is the symbol of Satan east and west and the serpent is the original image of God. SAT is the name of the highest God in the east.

N and M is redundant as its the same nasal vibration.

Sanat-ana Dharma is SATAN-ANA Dharma. Which meaning translates to Sata/Satan is the name of the True, eternal, everlasting God. And the way to enlightenment. Looking in the east and Egypt. Sata is also spelled as Satan or SAT.

The Jews call Satan their most hated enemy. The Jews are the enemies of God, spiritual freedom and enlightenment.

Part 4: The need for a plan.

So this is their plan. The jews want to create an urgent situation in order for the US to take over the EU. And this requires an insidious plan that will entrap Europe. A complicated planning. In order to understand how this plan could be initiated, we have to mention a few things. First of all we'll start our analysis with the real data of the situation and not the data that are presented as "real". According to the United States' own Donald Trump --and they didn't like it-- the US are a "superpower" of debt. A superpower of jokes, that awaits their end. What kind of "superpower" is a country that, in a planet immersed in debt --the national debts of all the countries are 55 trillion dollars-- the US alone have the one fourth of this debt?

What did the famous American businessman revealed with this observation? That things aren't the "optimistic" way Obama "says" they are. The US are in a tragic situation. They are extremely close to the limits of financial bankruptcy and social disintegration. Unemployment is raising and households suffer. But, the biggest problem of the US, that threatens with real destruction, is their debt. Their enormous debt. A debt that seems like a huge "anvil" tied onto them and are sinking them to the "abyss", threatening to knock them down from their "throne". This is the big problem of the jewish controlled US and that's what they're trying to solve.

Which is the best way to get rid of a debt, without "throwing" it out in the "trash", causing economic chaos in a profiting system? "Charge" it to someone else. This is desired. In order to avoid problems in the existing world economy, which suits the US --owners of the "magical" dollar-- and want it to keep working the way it already works. They need a "sucker" to release them from their debt. A sucker to carry all the debt.

Who can be charged with such a debt? That's who we're looking for. Who are the largest American bonds "investors" and therefore lenders of the US? If we suppose that China, Japan, Brazil and a few others each have about 1 trillion dollars in American bonds, a large part of this enormous American debt lies in the European hands. The Europeans, with the Germans leading, "invested" in the American bonds. In the AAA investment products, which were considered to be the safest and best in the world. If these Europeans "combine" the American debt that they are holding, then these are the biggest lenders of the US. When these Europeans belong to a EU, then it's even better.

This means that the US have an enormous debt to the European countries and the European countries don't owe the US anything, since the American transactions happen "alchemically" with the ECB that will be owned by them in the future. Generally the "garbage" travel from the West to the East. Like the golf stream, where the "garbage" drift from America to the Europe. What does that remind us of? What rings in mind when someone has a huge debt to another and not only he avoids to pay it back, but tries to create such a debt to the other in order to make him a subordinate? Which situation does that remind us? Especially to the Greeks? Does it remind us of the Greek "guinea pig"?

If someone understands what Germany did against Greece, he/she could understand what the US want to do against Europe. The exact same trick, different scale. Germany owed a lot of money to Greece, because of [war reparations](#) and the [occupational loan](#). After the Union, Germany had to pay them back, bound by the Peace Treaty that was sign after the war. Pay back an enormous amount, that would force them into weakness and poverty and would convert Greece to a really rich country within the EU. Did anything like that happened? Surely not. Germany, in order to avoid violating the international laws and therefore without officially denying anything, she gave absolute nothing to Greece.

At the same time, however, Germany (controlled by the jews) was plotting against Greece. They took advantage of the money, that would otherwise belong to Greece, and developed. In this period, that Greece entered the Eurozone, Germany became rich and was the one leading Greece to an unprecedented decline. A decline that transformed Germany into the major loaner of Greece. Now, even if Germany pays back the owed amount, it's irrelevant. The amount will be blown away by the "interest rates". Money that in the past would "catapult" Greece to the "heights", today, if Germany pays them back, they will just lower Greece's debts. Germany has destroyed Greece's economy and in minimal time the destroyed Greece would not only have difficulty to get back on track, but the country would reach a situation to be forced to borrow money again.

Without having an official "conflict" between Germany and Greece, the first destroyed the second and converted her to a colony of debt. Theoretically, Germany could "pay off" the debt and not only avoid poverty, but they'll not even be affected by this pay off. Germany got rich from the "salvation" that sold to the now poor Greece.

It's simple arithmetics; When Germany with her austerity policies and the loans managed to increase the Greek debt to 500 and 600 billion euros and her own surplus reach trillions, it's obvious that they could pay back without anyone noticing. She "got rid" of her debt against an independent country and made her a slave.

This is where the new bonds of Varoufakis come into play. "Perpetual" bonds meaning eternal tribute of Greece to Germany. It is strategic choice to associate the "pioneering" bonds of Varoufakis with the concept of development, such as strategic choice was in the Middle Ages to associate the poll tax with the concept of the harvest.

Large harvest, high poll tax. Small harvest, low poll tax. High development, high loan installments. Low development, low loan installments. However, you will never be able to bail out of your boss, owner and master. A master who is cunning and doesn't profit from absolute numbers. The loan installments will never be too high, to make the victim to halt payments and ruin the master. The loan installments will never be too low, to be able to pay off the debt and the slave to be able to get rid off the master.

The plan is to adjust the debt to the size of the slave. Different "plow" for the horses, different "plow" for the oxes. Though, both will carry "plows". If this plan --plotted by the sponsor jews of Papandreou and expressed by Varoufakis-- succeeds in Greece and she becomes "happy" against Germany, then the experiment succeeded. They will try it in Europe. Greece will carry the German "plow", but the EU will carry the US "plow". The Europeans will be "happy" and Germany will be "sad", by betraying Europe in order to serve the jew money lenders.

This was the plan. Afterwards Greece was used in all the phases of the plan. They created a Greek debt in order to create a "common" European account that will be able to affect the European economies. All the European economies and not only those of Euro. For this reason they -maliciously- included countries that don't use this currency in the agreement for the Greece loans and the Euro support group. By using Greece they created a "network" of debt, that would connect everyone under the common problem. In the common "cup" of the European economy, Greece would be --whenever is was most profitable-- the "drop" that would overflow the problems. The "drop" of debt, that would bankrupt the EU.

## Part 5: A plan to conquer the world and the big ugly wolf

Europe's bankruptcy would be the cause to "transfer" an enormous amount --the size of the US national debt-- in European "support". This way they will open a "channel" of "liabilities" and "requirements" against Europe and then the jews know what they will do. A new "Marshal" plan for the salvation of Europe. The "markets" in general --the jewish money lending companies of the US-- will amass a "gigantic" amount, to save Europe. These "markets" are Papandreou's bosses, who dream about Global Governments. These "markets" will push the situation towards the European bankruptcy. These "markets" push Tsipras' Greece towards a debt "cut", that will cause bankruptcy to the EU. A bankruptcy that will "erase" all their crimes in Europe and will put them on the "throne" of the Planet.

This is the plan. The plan of the jewish money lenders, who want to conquer the world and impose their New World Order. What they did at the detriment of Greece and in benefit of Germany, they will repeat at the detriment of EU and in benefit of the US. The jews that have conquered Germany --and through all that, Greece-- will conquer Europe as a whole, given that they already have conquered the US. All these will be caused by the EU bankruptcy and the promotion of the largest and most expensive plan of financial "salvation" in human history. They will start adding interest rates to this "gigantic" amount, which will continually strengthen the US at the detriment of Europe.

The US will manage to "cover" Europe and the jews --having already "covered" the US-- will manage to "cover" the whole planet. Then they will "have the cake and eat it too". They will be able to do whatever they want in the detriment of whomever they want. Filthy scum will pretend to be gods, playing with the fate of entire nations. They will slander Greece as "irresponsible" and "lazy" and accuse her for the European collapse and this is how they'll save their jewish lobbies in Germany. When things go their way, they'll start the "offsets" and "reductions" between national debts and the jews will become owners of Europe and the whole Planet.

The absolute sham of human history. With hastened procedures they will erase their "tracks" from the American debt --which they created through FED and through which they destroyed the American economy-- they will re-appear "clean" and "successful" businessmen, who "saved" everyone. This is what their "employee", Obama, is dreaming. The biggest scums of history, are dreaming to become the "saviors". Obama dreams to "save" Europe with a "ginormous" loan, that will help him "get rid of" the American debt without "erasing it" and therefore without the US economy taking a hit.

The US almost bankrupt, owing a huge amount to Europe, they will be the ones loaning an even bigger loan to her and therefore will get the power to control Europe with a good advantage --and therefore manage to

make "adjustments" in order to further their advantage. Every time that the US will "help" Europe, they will "erase" one part of their debt to the European countries. All national debts for the European countries will have a common denominator and the EU will become a "colony" of debt.

USA will "get clean" at the detriment of the Europeans and the jews will be out of harm's way with the loot. Because this common "denominator" needs a common behavior, the Eurozone must be stable. This means that no "escaping" from the "slaughterhouse" of debt. Could the "slaughterhouse" work without a "fence"? Could the "slaughterhouse" work if the "sheep" can leave through the "doors"? Since when a "sheep" will remain to be slaughtered? When it's afraid of the "wolf's teeth" more than the "knife" of the slaughterhouse. Thus, demanding the need for a "bogeyman", whose threat will keep the Europe united.

From this "perspective" the recent events of the Crimean Crisis make sense. The reader can understand the evil portrayal of Russia. The US are profiting if Russia appears like a threatening giant which cannot be confronted by the individual European countries each on their own. Coincidentally, all those that maintain the provocativeness of Ukraine --who keeps the Russian "bear" warm and aggressive-- are the jew money lenders of Papandreou. The jews are the leading actors of the Ukrainian Crisis. Arseniy Yatsenyuk, Vitali Klitschko, Yulia Tymoshenko are Ukrainian jews that want the Ukraine to attack Russia and kill all the Russians.

It's no coincidence that the US and NATO continually taunt Russia, in order to create a "cold war" climate in Europe. It's no coincidence that idiots like Senator McCain are making an effort to keep this climate "hot". A climate that will scare the European nations and will make them subservient to her US protector and "pimp". It's no coincidence that we're starting a new phase of rivalries, that are linked to increase in military expenses. The giants of the Planet --with the US leading-- are increasing the military expenses and are "towering" the world around the almost "unarmed" EU.

It's a matter of time, to cause fear in Europe and the "good" American protector will reappear. The cold war climate with Putin is "rigged" (also a jew). Ukraine --who is "bleeding" and is left to "die" in front of a terrified European audience-- is the scarecrow "slaughterhouse" to scare the disobedient nations. The "bankrupt" European audience is watching the flowing blood in Ukraine and conveniently starts to think; "At least we have our security and our well being".

It's no coincidence that in Europe Nazism is rekindling. The gentile people realize the impending danger and have the inner urge to act. They are awakening in the face of austerity and have the motive to learn and fight. Nazism is rekindling because of our people. It's rekindling against the zombies of communism. Again, the same jews are behind the communist ideas. The same filthy jewish scums that want to be in a position to threaten all societies with "civil war" like threats. Communism is the inner threat for countries that don't have "visible" physical enemies to be scared of. They are "designing" a "dark" world of fear, that will freeze

all the nations to inactivity. A world where everyone would be dominated by the jews.

The jews are scared of the rekindling of Nazism and are trying to capitalize on the brainwash of the WW2 aftermath. They are trying to threaten the gentiles with the brainwash of the "Nazis". Trying to capitalize on the vilification of the Nazis. According to the jews, the Nazis were "responsible" for the wars, forgetting all the plotting that happened by the jews in order to bring Germany to the wars. They are also trying to capitalize on this false idea, like they always do. They spread their lies trying to victimize the villain and afterwards they are creating references on their lies trying to strengthen them and make them appear as reality.

What did Varoufakis say in front of the global audience? ["When I return home tonight, I shall find myself in a parliament in which the third-largest party is not a neo-Nazi party, it is a Nazi party"](#). What was he trying to say? What was the buddy of Papandreou was trying to say? Wasn't Papandreou the first to start the campaign of slandering the Greeks, [calling them corrupted](#)? Varoufakis wanted to say that Greeks are not only lazy and corrupted --just like his buddy Papandreou said-- but also fascists (trying to capitalize on their WW2 propaganda).

Why should these "lazy", "corrupted" "fascists" have a free country? Why should they threaten the "civilized" West with their "debt" or their friendly associations with Russia? Let them become ECB serfs, in order to "save" the world from their "debt", and from their "fascism". Let the Greece's "bonds" become "perpetual bonds" owned by the "virtuous" jews, and be done with the Greeks.

This is what the jews are plotting.

Subject: Bhagavad Gita

Bhagavad Gita

On the Bhagavad Gita its premise lays out the same pseudo metaphysic's the Catholic Church is built upon. Its Communism with a window dressing of spirituality. Its the core Bible of Vaishnavism and popular Hinduism. Scholars have noted its been rewritten over time to conform to this as well. Its corrupt. The below again highlights the enemy has ruined the Dharma culture of the East over centuries to where its horribly corrupt and almost unrecognizable from the original. India scholars have stated Hinduism is Jainism by another name. That's it. Jainism was originally openly condemned as subversive and anti Dharmic movement against he culture of the India. Its Communism with joke metaphysics. This was forced on the population by the new Imperial religion of Buddhism under Askoha like Christianity was on Pagan Roman Empire by Constantine. And it did the same to the culture. The enemy just changed the wine but kept the bottle and label.

Danielou the Traditionalist scholar, author and Hindu states in one of his works his comments on the corruption of the Dharma Tradition in general:

"Inspired by Jainism, Buddhism, then Islamic and Christian influences. This new Hinduism has only a very theoretical links with the Vedism to which it claims to

be related. Vaishnavism was subsequently, in the British period, profoundly influenced by Christianity, Protestantism in particular. New reformist movements attempting to present Hinduism in a form suited to Western prejudices such as the Brahmosamaj of Raja Ram Mohan Roy and Devendranath Tagore the Aryasamaj of Dyananda Saravati, as well as doctrines expounded by Vivekananda, Aurobindo, Tilak and others by claiming to return to the purity of a mythical Vedism, has merely succeeded in carrying on the negativist concepts of Jaino-Buddhism, whose popular form was from then on linked to Vaishnavism. Which had become the religion of the merchant class and of the new political power, Gandhi in particular. It is these ideas that so-called gurus teach today in the name of Hinduism, in ashrams where the tradition of Arihat is perpetuated. In India, as elsewhere, we can see social and economic preoccupations and puritanism take the place in official religion.... A morality of toil, abstinence, productiveness and civic conformity tends to become a substitute for a morality of love, ecstasy, happiness and freedom."

Something at the locus of this reveals itself quick. The Jewish Therapeutae:

<http://www.jesusneverexisted.com/buddha.html>

"There are records from Alexandria that indicate the arrival of a steady stream of Buddhist monks and philosophers. They would surely have contributed to the philosophical speculations and syncretism for which the city was noted.

In particular, it seems the original Therapeutae were sent by Asoka on an embassy to Pharaoh Ptolemy II in 250 BC.

Philo Judaeus, a 1st century AD contemporary of Josephus, described the Therapeutae in his tract 'De Vita Contemplativa'. It appears they were a religious brotherhood without precedent in the Jewish world. Reclusive ascetics, devoted to poverty, celibacy, good deeds and compassion, they were just like Buddhist monks in fact.

From the Therapeutae it is quite possible a Buddhist influence spread to both the Essenes (a similar monkish order in Palestine) and to the Gnostics – adepts of philosophical speculations."

As shown here:

The Jewish Creation Of Christianity:

[topic542.html](http://www.jesusneverexisted.com/topic542.html)

The Jewish Therapeutae created the Christian program. Jainism of which Buddhism is just a covert form and thus Buddhist-Jain doctrines were included into the New Testament as many scholars have noted. Jesus could be a Jewish Jain. Are we witnessing the Jews expanding their subversive ideological network like in the last century with international Communism. The Jew never changes its nature.

The Jews have been in India for thousands of years probably before even coming into the Western World. From studying the Jews its obvious they started in the east even Talmud is a Sanskrit word. Jains originally arose from the merchants and money leader class. A role which Jews always occupy and hog to themselves. They where also involved in meddling in Politics' and society as they always do. One can witness on a Indian synagogue wall a plaque from the local King in the past. Openly declaring the Jews above the laws, and even taxation, thus granted Royal privileges. This was also in the West or anywhere Jews dwell. And always by criminal manipulation of the host population. Jainism has the psychological stamp of one group on it. That is the Jews its primordial Christianity as noted by expert scholars. So just Jew is at the core of the destruction of the Dharma culture in the East like the same culture in the West?

Shankara one of the major subversives Danielou mentions, was from Kerala a city that had the largest Jewish population during the time he was around as well. The influence of Islam and Christianity as we know are Jewish programs and the forcing of Jewish Christian norms on India during the British Empire is normal as it was run by the Rothschild's. England evne having an openly Jewish Prime Minister during the height of the Empire.

Lately i've been writing/translating some articles about the recent events in Greece and Europe. The following are a few personal thoughts that I had, about this lengthy series of articles.

I know these texts are lengthy and require a lot of time to read. And a lot more text will be coming your way. It's a lot of info to read, but believe me they worth it. These are some lessons in recent history. If not the absolute truth, they're at least very close to it (the very knowledgeable Advanced SS members and JoS Clergy will correct me if I'm wrong).

In my opinion, every SS needs to read and see how the jews work in action. How they are manipulating the Gentiles for years throughout history and leaving no options. How the history repeats itself. We have to learn from the past.

They're doing the same old tricks again and again, but a lot of our Gentile people fail to see the similarity. A lot of our Gentile brothers in the planet are currently brainwashed, addicted to movies/television/drugs preferring to escape reality and fall back into a "make belief world" just because nothing else in this fake and distorted jew world makes sense to them.

Being a Spiritual Satanist is a full time commitment. Not a few days a week, not a few hours a day. There are no excuses, only the choices we make and the results of those choices.

Stop living the lie.

If someone chooses to live in their "happy make belief" bubble, then let them keep living in it, but they should be prepared for a rude and violent awakening. A violent awakening from the pleasant dreams, right into the warzone without any time left to protect themselves. Trying to realize the destruction that have befallen them and all these confusion will happen while trying to take cover and run for their lives.

They chose to restrict their awareness. They chose not to care. They chose inaction.  
Those who make this choice to live in delusion would have only themselves to blame.

We have to fight in order to find happiness and bring back the golden-ages of the past. Not living in a "make belief" dream where we send out "happy and peaceful thoughts" and everything will automatically fix itself right. Let someone else will fix it. It'll all be alright. Yeah keep believing this lie and remain in inactivity.

The jews are consciously and actively plotting for our enslavement. They do this for centuries. We Gentiles are in an awakening process. Now realizing their plans through the guidance of the Gods. They show us the way. But if we want anything to change in our world, we have to change it ourselves. They show us the door, but we have to make the choice and cross it.

We HAVE to make the effort!  
If you can see through the illusion, then you are the solution!

Wake up. Become more aware. Learn about the real history. Not the history that the jewish produced television/movies/documentaries try to convince you that is real. But the real history. We have to look for what the jews are trying to hide from us.

Ignorance, weakness and inaction are the only things that will enslave us. We need to become better at all three in order to succeed!

Brothers and Sisters, let us become the best we can be! No excuses!  
Learn. Progress. Fight.

Hail Satan and all the Gods of Hell

Part 6: The same plan again and again

Today's Europe, indebted and sunken into recession. People desperate and disappointed looking for "saviors" in the chat rooms and forums of the internet. "Saviors for the day", like Varoufakis, who with a weird jacket and a few "catchy" Photoshops spotlights in the news. What is needed then, to push Europe onto devastating events? A threat for bankruptcy. A threat that will allow them to act like sponsors and therefore like "saviors". However, in order to do this, they will have to create an enormous debt crisis in Europe. An artificial debt crisis, which they will create when they will be ready to control to further their plans.

At this point, little Greece comes into play with her global role and importance, like Obama told us. The problem of little Greece is like the [assassination of the Archduke Franz](#)

[Ferdinand](#), who was the "detonator" of WW1. The taunting of Hitler's Germany not offering any peace options (read the many newsletters and articles the JoS clergy has written). In order to detonate the most powerful bomb it requires a small detonator. It's the same in this case. Greece is this small "detonator". What is a "detonator"? A small "bomb" inside the bigger one.

The "explosion" of Greece will detonate the "explosion" of Europe. The debt of Greece in particular will "detonate" the debt of Europe. The public funds that [Karamanlis gave to the private banks](#), destroying the "balance" of Greek public debt, will be "repeated" with the debt of Greece and the "balance" of the EU debt. The debt of Greece, because it affects almost all European nations, will become European debt, changing the "balance", in order to bring it to a situation to borrow money and therefore leaving EU in the mercy of the "markets" (jews) and the jewish controlled US.

This is their strategic attempt. This way the bankrupt US will obtain the chance to be "relieved" from debt. Today's problem will become the "solution" for the problem which they will create to another one. Again we see the one-and-only jewish trick; problem, reaction, solution. It's like someone having --because of his decease-- exhausted "viruses" and transmitting his decease to selected victims, in order to terrorize others and sell them the "vaccine". We are talking about a big crime. A crime that we have "seen" before. And from the same filthy criminals. The leeches of the planet, the jews.

What the jews are doing today is the same trick they did for the [big "Crash" of 1929](#). Same people, same old trick. How else could the bankrupt US of 1929 would become the Superpower of 1945, who would finance the whole planet with "Marshal Plans"? How would a nation destroyed from debt would become the biggest investor in history? What did the jews do then? The large debt of the US was "eliminated" and was zeroed, by giving "help" to Europe.

They "got rid" of their debt, "investing" long-term into a flattened Europe. As "investors" they helped to realize this investment even when it was highly improbable. They invested in a flattened Europe before it becomes flattened. They went out of their way to create war in Europe and taunted Hitler's Germany, not giving them any options for peace (The JoS clergy have written extensively on this). They created the war in order to profit from the destroyed Europe. Then they printed a ton of money. It was free. Just a little ink and a few sheets of paper.

They managed to create war in Europe, in order to earn a bigger amount of money from

rebuilding it. An enormous amount, which not only would it "erase" their own debt, but it would make the filthy rich. In a short period they managed to convert the most rich continent of the world until then, into an indebted and destroyed society. This happened in WW2, which they caused. They created the lies of the "holocaust" and created their own country evicting the Palestinians from their own country. And at the same time controlling Germany, holding the ownership to this day.

Now --in the same trick-- they're not only trying to conquer Europe, but they're attempting to obtain the ownership. Make Europe their colony. Become the owners, like they once did in Germany. To profit from Europe's production and output. This is why this bankruptcy is being pushed.

The jews not only want Europe to be their customers, but become their pets. This is what the jews think of the Gentiles, their pets. The trick is the same; The jewish FED will start their "engines" and print dollars, through the known jew "brothers" like

1. Rothschilds of London
2. Lazar Brothers of Paris
3. Israel Moses Seif of Italy
4. Warburg Bros of Hamburg
5. Lehman Brothers of New York
6. Kuhn Loeb of New York
7. Chase Manhattan of New York (Morgan)
8. Goldman Sachs of New York,

they will be converted into "international" money of the "international" "markets" and they will start to be provided as "loans" to EU, which will be a bankrupt federation. A federation of bankrupt nations. This is the homogenization they want to achieve with their "new deals" of their own pets like Varoufakis. This absolute homogenization of European Economy is needed in order to control it without problems and frictions between nations. First the "new deals" for Europe and then perpetual bonds, deposited in New York's FED.

This way the "chain" of World Wars --that they started-- will end once and for all, in the best interest for them. The jew money lenders will achieve their global target, which is world domination. A target they set by the "patriarch" Rothschild since the days of the Napoleonic wars. A target that started to hunt when they managed to strengthen and started "to unify" the world. A target whose "hits" we know as World Wars. This is what is about. After three World Wars in Europe, they will become the owners.

The only difference between these wars is that the first two demanded guns and blood

to work out, but the last needs only debts and traitor leaders. Traitor leaders of countries, that will act in the "play" of the desperate, but also a country-"nark" that will betray the European Union. A country that would star in the establishment of this useful United Europe, who would surrender to the jews after an enormous "load" of debt.

This country-"nark" is the jewish controlled Germany. Germany who from the hands of Hitler would reach the hands of Merkel, for the detriment of the whole EU. Germany would once again be the "enemy" of the US, because this is the "script". This "script" that would protect the imperialism of the US, since they don't have the strength to shoulder the "morale cost" of the conqueror or the destroyer. They are "selling" loans to conquer their opponents and they have the need for a good image so they need to impersonate the "good guys" against one of their own "bad guys" who respect their role.

Knowing all of the above, the reader can explain in a different way the recent "crazy" Obama statement that the US ["have risen"](#) from recession. He almost "ordered" the economic crisis to leave alone the US. This guy is an actor. Why did he say that? For the previous reasons we mentioned above. He's acting. An act of terror, "starring" himself and the US. He's trying to create false impressions to the world audience. The US are rising from the recession almost "galloping" whilst Europe is getting ready for an "autopsy". Therefore...? Therefore, there are money. The "markets" and the US can give money, in order to "save" Europe. The FED money printers started to "warm up", in order to prepare for the demand.

"Save" Europe, because of the danger. Europe is in danger literally, because there is the big and scary Putin. He, who, every second week pulls out the nuclear from the "silos" - -not to get "rusty"-- for their "enemies" to take pictures. The best "client" of the US. Don't forget the role of the "protector" of nations, who won all the "Oscars" for the US. We're talking about a "mockery". Obama is not "crazy", doing these statements. He's trying to exploit our "madness".

---

I need to make another repeated statement here. Just as I have been typing out "Christian/ity" as many who are new do not know what xian/ity means. The most important thing here is so that everyone fully understands.

Any and ALL consenting sex is fine in Satanism. Satan doesn't care about, nor is he interested in your sex life. In Satanism, your body is not the piece of property of some spook out there. You own your body, not some stupid envious spook. I came across an e-mail a few days ago where a member asked if it was ok to remain a virgin. The member was comfortable with this. YES. No one is ever forced to do anything he/she is not comfortable with, or does not fully consent to.

**Heterosexual, gay, bi-sexual, a-sexual, group sex, orgies, fetishes... as long as everyone involved is consenting, anything goes.**

I just want to add for people here who are unaware, the Jews work relentlessly to try to destroy any and all sexual freedoms. They take control of both opposing sides and work both sides to their communist agenda. This is very blatant with the Gay Rights movement, of which High Priest Jake Carlson [who is gay], has exposed.

<http://gbt88.weebly.com/jewish-control-of-gay-rights.html>

On the one side, the Jews who have total control push for Gay Rights real hard and on the other; they control the Christians and inflame them. The final goal of the Jews is a return to Old Testament laws as was in the communist countries, such as the former USSR, to where any sex outside of marriage was a crime, and if even suspected, anyone involved was severely punished. The Jews also work overtime with the media to try to ruin sex with pushing it incessantly [hoping for a backlash to the Old Testament], and doing other things to cause problems in the minds of the populace. The Jews work to destroy anything and everything that is good for and that advances humanity in order to return the entire world into the slave state that it was during the Middle Ages. Look how they have been working to ruin the internet by trying to get control of it and outlaw free speech. Science has been vehemently attacked for centuries in order to perpetuate the false Jewish history in the bible and to keep humanity enslaved.

I also want to add there is a Jewish anti-communism organization and of course, this is another tactic of trying to deceive Gentiles and work the anti-

communist side towards the Jewish communist agenda, so do not be fooled. They always take control of both opposing sides and work both to their communist/biblical agenda of enslaving the world.

In closing, I also want to add that the sexually frustrated Christians always hype concerning sexually transmitted diseases and such: being “God’s punishment” and similar crap. In truth, it is a lot easier to catch all kinds of diseases from just breathing, touching something, etc. Most STDs can be controlled through the use of condoms and so forth. I am just stating this here so people are not duped into falling for that Christian idiocy.

To have sex, to not have sex, how you have sex, with whom you have sex... Satan is not concerned. ALL consenting sex in Satanism is fine. Never is anyone forced into doing anything he/she is not fully consenting to or may be unsure or uncomfortable with.

The ONLY thing in Satanism that is strongly encouraged is consistent meditation. Satan does not want, nor does he need slavish worship.

The foundation of Satanism is that of becoming a god and only through working on your soul, through consistent meditation can you do this.

High Priestess Maxine Dietrich

Subject: EU The Jewish Agenda

EU The Jewish Agenda

This is why Europe is full of hostile non-European aliens many of whom are Muslims. Its the key program of the Jew World Order under the direction of their

Banks and political agents. The major front for creating the political movement out front that led to the EU was Kalergi. A strange and perverse lunatic that wished to destroy the White Race while worshipping Jews as the Chosen and working for them openly. The National Socialists of Germany pointed out Coudenhove-Kalergi's membership in the Jewish owned Free Masonic societies [which the enemy has worked to cover up]. Which was openly pushing for a One World Jewish Order under many different fronts. Communism among them.

Communism and Masonry:

[topic1477.html](http://topic1477.html)

"According to his autobiography, at the beginning of 1924 he came through Baron Louis de Rothschild in contact with Max Warburg who offered to finance his movement for the next 3 years giving him 60,000 gold marks; Warburg eventually remained sincerely interested in the movement for his entire life and served as an intermediate man as to bring him in contact with influential personalities in America such as banker Paul Warburg and financier Bernard Baruch accompanying him there. In April 1924 Coudenhove-Kalergi founded the journal Paneuropa (1924-1938) of which he was editor and principal author. The next year he started publishing his main work, the Kampf um Paneuropa (The fight for Paneuropa, 1925-1928, three volumes). In 1926, the first Congress of the Pan-European Union was held in Vienna and the 2,000 delegates elected Coudenhove-Kalergi as president of the Central Council a position he held until his death (1972)."

[http://en.wikipedia.org/wiki/Richard\\_Ni...ve-Kalergi](http://en.wikipedia.org/wiki/Richard_Ni...ve-Kalergi)

Kalergi laded out the blue print for the destruction of the White European Race in such an order as the Jewish run EU in his book:

In his book Praktischer Idealismus (Practical Idealism),

"The man of the future will be of mixed race. Today's races and classes will gradually disappear owing to the vanishing of space, time, and prejudice. The Eurasian-Negroid race of the future, similar in its appearance to the Ancient Egyptians, will replace the diversity of peoples with a diversity of individuals. [\*\*\*] Instead of destroying European Jewry, Europe, against its own will, refined and educated this people into a future leader-nation through this artificial selection process. No wonder that this people, that escaped Ghetto-Prison, developed into a spiritual nobility of Europe. Therefore a gracious Providence provided Europe with a new race of nobility by the Grace of Spirit. This happened at the moment when Europe's feudal aristocracy became dilapidated, and thanks to Jewish emancipation."

Note Dugin who is the popular thinker of the policies of the Russian Federation calls for identical policy within the Russian Federation. That Kalergi was pushing for in his time. The Russian Federation is run by international Jewish power brokers as well. Who are flooding the White European parts of the Russian Federation with millions of East Asians, Asians, African's and Muslims. With the Jews its always the same agenda.

Russia Under Jewish Control:

[topic2499.html](http://topic2499.html)

The following is from Eustace Mullins, "The Rule of the Order", The World Order: A Study in the Hegemony of Parasitism, Chapter Eight.

"On May 1, 1776, Adam Weishaupt issued further instructions to the Illuminati in Bavaria, 'We labour first of all to draw into our Association all good and learned writers. This we imagine will be the easier obtained, as they must derive an evident advantage from it. Next to such men we seek to gain the masters and secretaries of the Post-Offices in order to facilitate our correspondence.' The Tasso family of Bologna, later Thurn und Taxis, gained control of post offices and intelligence work in Europe and held that power for five centuries. Although these groups surfaced as charitable or fine arts organizations, their goals of anarchy were concealed in all their efforts. In the twentieth century, they culminated in the League of Nations, the United Nations, the communist Party, the Royal Institute of International affairs, the Council on Foreign Relations, the foundations, and a host of lesser groups. Count Coudenhove-Kalergi's Pan Europe Movement, with its powerful backing by aristocrats and international financiers, was represented in the U.S. by its American branch, founded by Herbert Hoover and Col. House, who were also stumping the U.S. for ratification of the League of Nations. Coudenhove Kalergi mentioned in his autobiography that he had been financed by the Rothschilds and Warburgs, and in the U.S., by Paul Warburg and Bernard Baruch. He was connected with the Thurn und Taxis family. His grandfather, Count Francis Coudenhove-Kalergi, Austrian Ambassador in Paris, had married Marie Kalergi in 1850. She was one of the wealthiest heiresses in Europe, descended from the Byzantine Emperor Nikophor Phikas; in 1300, when Venice was the dominant power in the Mediterranean, Alexios Kalergis had signed the treaty which made Crete a dominion on Venice. A recent premier of Greece, Emmanuel Tsouderos, was a Kalergi."

Subject: Greece: The Grand Finale [part 7]

Part 7: The most famous "detonator" for the biggest global "explosion" of history

In order to make all these a reality, there was a need for a "plan". A strategy that would allow the US and the Jews to get a "foothold" in the United Europe. Get a foothold to a country-"backdoor", in order to loot the EU. A "backdoor" that Germany would open, and bring them inside Europe. A country-"backdoor", that they would choose as a weak link not only as that, but because it would have the specifications in order to be exploited the most. A small weak link, to be easily managed, and famous enough to "confuse" the observers. A weak link, that would create debts at a global level, but for a mysterious reason would have a global level "credit".

Only Greece fulfills such specifications and this was the reason it was chosen. With these sizes no Portugal, Ireland, Belgium or Albania could become a worldwide issue and be presented as a global problem. Let anyone imagine what kind of impact would have if this situation would be charged to a nation other than Greece. No-one would be "moved" if someone calls the Belgians or the Albanians "corrupted" or "lazy". To do that for the Greeks, is like a "taboo" for the west world. A "taboo" that would spread all over the world, since it's no little thing to debunk the "sacred" and "holy" of the

West Civilization.

It's like revealing a "naughty" secret for a celebrity. To reveal it --and publicly-- with all the "saucy" little details. The same thing, if it was about someone else, it would be an insignificant story. Clinton remembers this well, because he "paid" with great political cost for something that. If it was someone else, the same thing would cost him a hit with a "frying pan" or a "slipper" and no-one else would care about it. Greece --for better or worse-- is a country-celebrity and this was known by those who chose her to be hanged.

They put her on their sights, because only her defamation would make the profit they wanted. The defamation of the West Civilization's and Democracy's "mother". Only the Greeks and the Jews have this level of "superpower" fame and therefore the capacity to be loved or hated by the whole world. Only Greece or Israel can transform their own national problem to a worldwide problem. This was the special characteristic of Greece and for this reason they chose her. This fits the plans of Greece's eternal enemies, the Jews, who planned the whole thing and are the money lenders.

If these money lenders could manage to change the "sign" of compassion that the Greeks enjoy until today, it would be easy to vilify them and mold them to their will. It's well known that great hate comes after the betrayal of a great love. This happened with Greece, who "betrayed" the "love" of the West for a productive Greece. Everyone was ready to hate Greece in the case of a betrayal, because everyone once admired her in the history books. Many were ready to reproduce the info that the Greeks were "lazy", because many have read about their ancient productivity while reading history.

The bankrupt Greece became a Big problem, that could affect the world economy, just like Obama told us. Why, mister Obama, it's such a big problem with worldwide repercussions? Greece, as an economic size, is nothing compared to the bankrupt California, who doesn't cause any concern to the underperforming US. Greece, as an economic size, is smaller than a big US bank, one of these that Obama saves from-time-to-time. Why Greece is a big problem? Is it because it fits the plans of the Jews?

The creation of the Greek "detonator"

To create a "detonator", specific actions are required, since it has to have a specific design. A "detonator" with a "random" primer or that randomly detonated doesn't exist. The "detonator" has to have a specific "primer" so that it can be detonated at the exact time you want. Not sooner or later. Greece, in order to become a "detonator" of debt, needed to have a specific "primer" of debt,

that would be used when the creators wanted, to create a European "explosion" of debt.

Hence, the first part was for Greece to acquire a "primer". Explosive "primer". The exact size of "primer", to be able to detonate the "bomb". Therefore we start from the need of this "primer". How would this be created? Through the uncontrolled private banking system. Through the system, that the jews control easily, they attempted to charge the debt to the Greek nation. An enormous debt relatively to the size of the Greek debt, that would allow them to control and threaten with "explosion" when they seemed fit. How and from whom was that created? From the co-conspirators. The jew money lenders and the jewish controlled Germany.

The jewish controlled Germany has "dispatched" corruptors (jews) all over the Greek national system and were placing the "money draining" orders for the needs of the Greek country. Some orders because of true needs of the Greek country, some because of Berlin "inventions". The Germans became the "authors" of the Greek "agenda" of public financing and they adjusted everything to the German industrial production. Entirely by "chance", Greece always had a need for something Germany was producing. Unforgettable will be the [statements of Schauble](#) the Greece could "[export energy](#)" to Germany. Statements that seem even more hypocritical, now that the "fairytale" of "clean" energy has now collapsed.

How much did it cost and who paid the equipment that was imported from Germany, in order to produce "clean" energy? Does anyone know? The German secret services know, who divided the money between the corrupted. The same story repeated all over Greece. The Greece of the corrupted and now German owned [OTE \(Greek National Telecommunications Organization\)](#) was forced to fund an enormous technology upgrade, at the same time that Germany didn't spend even a single euro to her own technological upgrade. Billions were sent to Berlin at the detriment of the Greek country and Greek society. Billions in "scrap", since the suppliers of corruption had in some way to "explain" the costs and this was always at the detriment of the product what the Greek nation had bought. They were selling to the Greeks [tanks](#) without their "[ammo](#)", "silent" radios or "[defective submarines](#)", because the "totals" of the corruption had to match up.

We're talking about unprecedented situations. Greece, even when her debt seemed ready to "drown" her, wouldn't stop spending. Spending with suggestions from "above". Spending, which always resulted with mythical profits to the Germans. An indebted Greece, who didn't even own a car industry, was offering tax cuts for "[vehicle withdrawals](#)" provided that you bought a new one, knowing that more debt would be created by the banks funding with loans the renewal of Greece's car fleet. The indebted Greece, who didn't even own an air-condition industry, was [offering incentives](#) for their purchase. The over indebted Greece, who didn't own an insulation industry, was offering incentives to purchase "green" German house insulation with German aluminum frames. Greece was

committing suicide, but with style and "love" for the environment. All these are obvious commands of the German Embassy, who followed to the "letter" the jewish plans.

At the same time that the traitors like ["Christoforakos"](#) (boss of Siemens) of the Germans that placed the "generous" orders, controlling the Greek "agenda" of the national "needs", their co-conspirators jews were controlling the Greek "bank book" of deposits. At the same time that the buddies of Christoforakos announced the "buys of the century" for the "powerful" Greece of [Simitis](#) (his name meaning Semitic = jew), at the dark rooms of the Greek National Bank they did deals with Rothschild [for the Swaps](#), in order for the country to be able to issue bonds beyond her capabilities. The jewish money lenders gave funds to the private banks in order to buy bonds and this way the free "markets" were confirming the myth of a "strong" Greece. They were always finding the funds for the "investments", regardless of how expensive they were.

They started with the [Olympic "party"](#) of [Gianna](#) and [Varoufakis' father](#) and ended to the defective submarines or the [Super Pumas](#), that "filled" the known hungry fat guys of Greek politics. The same people who checked the creditworthiness of Greece, were the same who "rewarded" her when she was over the limits. In a short time Greece had exceeded the credit limits. No problem. Why? Because those who had Greece's "banking book" in their hands, knew some "tricks".

They managed to do this with the infamous swaps. All of them tricks, who fitted the plans of the jewish controlled Germany --who afterwards pretended to be deceived-- in order to further extend the creditworthiness of Greece. Tricks, to hide the real debt and to avoid any "alarms". Tricks, in order for Greece to join the Euro, without fulfilling the requirements. Why was that convenient for them? Because they were creating the "detonator" of debt. Because they wanted Greece without the requirements of joining and therefore always ready to pull the "rug" under her "feet". Because they wanted Greece to be "flammable" and always at their disposal to "trigger" her.

This was the trick. The jews did the frauds alone, and in the next phase they could call the Greeks frauds. Alone they were "cooking" the statistical data, which would allow them to call the Greeks cheats. They did these alone, these who [Pangalos](#) (deputy prime minister of Greece) wanted to charge the above upon to the Greek nation with the famous ["we-all-ate-together"](#). We didn't ate it "together". The jews of Germany and their agents, like Prime Minister Simitis, "ate" all the money. The jews put Greece into the Eurozone with "altered" data in order to loot her. Not help her.

They cultivated the myth of a "strong" Greece, in order to push the people to "spend" their life savings and "inflate" the "bubbles". Prime Minister [Simitis'](#) government --and therefore [Pangalos'](#) and [Papandreou's](#)-- was the one that started these scams, who "forced" the next Prime Minister Papandreou, to make the statement to a global audience that he leads a [corrupted](#) nation.

But as usual, all "parties" soon come to an end. The "party" of the Greek corruption --inspired by the jewish controlled Germany and funded by the jews-- was edging to the limits. The Greek "bubble" was reaching the upper limits and was almost ready to "blow". In order to protect from this "explosion" and avoid "blowing" in the faces of the creators, they did the trick with Prime Minister [Karamanlis](#); they "deflated" it at the detriment of the Greek nation. The bubble of private debt was "deflated" by transferring the amounts to the public debt, which was now "inflating" dangerously. After the interconnected vessels of physics we saw the interconnected "bubbles" of Greek economy.

Subject: Greece: The Grand Finale [part 8]

Part 8: How they manipulated Greece leading her to the destructive [Memorandum](#)?

First of all we have to say that Greece was "trapped". Greece is not in any way all the things she's accused of by the jews and their "pets". Greeks never lived using others' money, like the jewish controlled Germany usually says. Germany, for those who know economic history, have lived many times using others' money. Greece never. Jewish controlled Germany never repaid borrowed money a lot of times, whenever the jews couldn't kill their creditors. All said just to restore the historical truth. With regard to today's situation, this is what happens; The whole Europe --not only Greece-- stepped into a jewish design, in order to "create" debt.

This was convenient for the jewish money lenders and this was given to them by the corrupted leaders, for a fee of course. The corrupted leaders, who "lead" their citizens to over-consumption and their countries to wastefulness, because they were being bribed. The notion of "savings" was cast out of the window and it wasn't very hard for the nations to get "spoiled", just like a child becomes spoiled, when an irresponsible parent pushes it to learn eating the "easy" junk food. The new economy, of the new world order, was the tempting "junk food" for the societies. As the junk food of ketchup and mayonnaise destroys the metabolism of a person, so the "junk economy" of loans and credit cards destroys the societies. And the jew money lenders knew that, since they were investing on this social economic "disease". That which at a parent level is called "irresponsible", at the level of country leaders is called "crime".

It was a matter of time for societies to reach --and exceed-- the limits of healthy economy. They reached the point to associate growth with the notion of spending and this was a matter of time to bring all the European nations in front of the problem of debt "cholesterol". Amongst them were the Greeks. The Greeks did nothing special, nothing different from all the other nations. Instead the loans of the private sector was --and continues to be-- the lowest in the Eurozone. Everyone talks about the great debt of Greece. But no-one mentions the real truth that comes with that

debt and no-one says the truth that concerns all the Europeans.

Greece is the only country that --by force-- had to "transfer" the private sectors' debt to their public debt. Greece had one of the smallest private debts, because the Greeks didn't have the habit of borrowing and the habit of living from the money of another. Other countries --and indeed most of them that accuse Greece-- have great private sector debt. Countries like Germany or Netherlands etc. Countries that in order to maintain their supposed "good" image, constantly break the law with permission by the jewish money lenders. Countries, that, in order to maintain the "plans" of the jewish money lenders, they are allowed to "prettify" their numbers, by transferring part of their public debt to their "private" sections.

Hospital debts, that in case of Greece were included to the government budget, in Germany they were "transformed" into limited company debts and were "transferred" to the private debt. The same happened with the local governments' debt etc. This is why in Germany, the country is economically "thriving", but the local governments are bankrupt.

Ask Germany or Netherlands if they dare to make an "emulation" of their debt to the Greece's model where the public and private debts are joined. Greece with this joint debt went into a Technical Memorandum, because she supposedly exceeded the 110% of her [GDP](#). The scary 110% of the Greek GDP, which, as Obama confirmed, is very "important" for the whole planet...and possibly for some other planets. Netherlands for example, of [Dijsselbloem](#) is budgetary "law abiding" , because they are presenting a public debt 87% of GDP. The [EU Troika](#) would say that he's pure as a "virgin". Virgin in the "front", party in the "back". What happens in the "back"? All the other financial indicators in Netherlands are tragic. The private sectors' debts on its own is at 127% of their GDP. Their private banking debt on its own is at 362% of their GDP. Overall, this means that, what we call "Netherlands" in our world owes 678% of her GDP.

This isn't something only the Greeks are saying. This information comes from the eminent [Mc Kinsey Global Institute](#), with data from the [IMF](#) and the [ECB](#). This Netherlands sends Dijsselbloem to scold Greece and "point" his finger critically. Let the jewish controlled Germany do the same things, that she subjected Greece through their pets [Papandreou \(Prime Minister of Greece\)](#) and [EL.STAT \(Greek Statistical Authority\)](#) and then let us see in what situation Germany's economy will be. Let Germany "mix" private and public debts together, and let's see what happens. Let Germany transfer their private banks debts, [through governmental funds](#), to the country debt. Let Germany transfer the health system's debt, the social security institutes' debts or local governments' debt to the public debt. Let Germany show her real face to the world without doing her usual economic "facelift".

In a case like that Germany's GDP would blow up to smithereens, since it will reach astronomic amounts. The same applies to the Netherlands of Dijsselbloem, who lately we learned that he is a common illiterate with a master degree to [splitting hay between two donkeys](#), with a Dutch "perspective". Let Netherlands do this with the private debts of their citizens, which are many times the debts of the Greek households. When does the Netherlands will transfer the "bubble" of Dutch real estate to the public debt, like what happened in Greece, where the bulk of the private loans

from banks were real estate loans and they were repaid by the government to the banks?

But all the above that no European country dares to do --not only because they don't want but also because it's illegal- - Greece was forced to do them. Can the reader understand what happened? Because the jews wanted to "incriminate" a specific country, they found the country with the appropriate economic size and they vilified it. Having chosen Greece as a part of their plan, they found in which sections Greece had particularities and they "hit" to these weak spots. They found that the [government debt ratio](#) of Greece was setting her "apart" from others, and this indicator became the "essential" size for economy. If Greece had a lower public debt and higher private debt, then THAT would've become the "essential".

All these are a scam, that reaches the levels of a conspiracy. But, a conspiracy that has an impact to the lives of an entire nation, is easily turned into a crime against humanity. The things are simple. It's an enormous scam. Debt is always a debt when someone is owing money, wherever he is owing money. When the jews are presenting someone as "bankrupt" only in the size he's lacking, because it fits their propaganda to slander him, then they are obviously criminals. It's like if someone says; "bankrupt is NOT the guy who owes rent, owes shared expenses, owes to the water company or to the phone company, but ONLY the one who owes to the power company". Just because they know that someone has a particularity, they "single him out" on this particularity and they destroy him, to avoid infecting others with this deadly disease --because they're playing their game.

That's what happened with Greece. That's why they focused to the public debt. Public debt is one of the many kinds of debt a country can have. It's like the "power company debt" in a "catalog" that has a lot of different kinds of debts. To dissociate Greece from Netherlands or Belgium or the heavily indebted Denmark, they chose this "power company debt" in order to flag the "mismanagement" and therefore use it as an excuse to slander Greece. Such a "specific" dissociation will remain in history. That's why we're talking about a premeditated crime. Since they wanted this specific "victim", they knew what they were looking for and how they would present it. They knew what particularities they would exploit and then they would have a lifelong "hostage" to threaten her life.

A "hostage" who, as we will see in the next parts, gave no resistance and was ready to fall to her "knees". A "hostage" that was betrayed by her own government. Greece, through force and terror and because of the treasonous rotating government, they had to do that, who no-one else in the world had to do; Greece paid off with public money the debts of the private banks. Greece has paid off, at least once, the private debts of Greeks, throwing money to a bottomless "well", since we've returned where we started. The banks continue to have a "thirst" for money. Why did they force Greece to do this? To force her into a [Memorandum of Understanding](#). To convert her into a "detonator", that the jews would have absolute control of. The memorandum for the jews was the "desired" effect and not an unfortunate result.

So now we'll look into, how the Greeks were forced into the memorandum, which will create the dangerous Greek "primer" for the whole EU. The Greeks were forced into the memorandum, when they exceeded the "limits", that the

jews alone had set and who the jews were forcing the Greeks to exceed. They, for example, set the "limits" to the arbitrary 110% of the GDP and then forced the Greeks to reach that limit. How much money were they needed to reach this limit? 30 billion Euros? No problem. They used the always existing banking "gap" and [added the missing amount](#). They've put traitor [Prime Minister Karamanlis](#) to arbitrarily [add to the debt 23 billion](#), "helping" the economy and financing the criminal bankers. The jews put the zionistic [Papandreou](#) to add 15 billion more and the limit was exceeded easily.

Afterwards came the Memorandums and of course the EU Troika. The government of Papandreou alone gave to the private banks 140 billion. The following governments (jew pets) gave further 70 billion. So, in total there are; 23 + 140 + 70 billion = 233 billion, all confirmed till now. There could be more unconfirmed.

All these were charged to the Greek Public and they were given to the Greek private banks. These are money that were charged to all citizens, for money they didn't take!!! Money that the Europeans think that the Greeks took and "lived" extravagant lives and beyond their means, like [Schauble says](#).

| Subject: Political and Spiritual Knowledge; Spread the Truth. |               |                    |                 |

To those who haven't read about it, recently I've been writing/translating some important information about the economic crisis in Europe and I'm focusing on the situation in Greece.

While writing the latest post, I had the urge to share the importance of knowledge, not only on a spiritual level, but also on the political level (and the JoS clergy and the advanced SS members are making continued and enormous efforts on both levels for years).

.....

Because of the malicious efforts of the jews, a lot of spiritual knowledge has been lost. We are currently rediscovering this lost knowledge through the guidance of our Gods. Even though the spiritual knowledge is essential to advance spiritually, this spiritual knowledge needs to be coupled with the political knowledge.

We have to know about the laws in our countries. We have to know what happens in our governments. We have to know about the international events. We have to know what happens to other countries. We have to be informed to be able to fight back.

The JoS clergy has written a lot of amazing articles revealing the truth in many political events. A lot of advanced members are writing great posts about political events in their respective countries. I'm currently trying to spread some info about the crisis in Greece (it's an ongoing process as there is a lot of information). All information must be shared.

The name of Satan means Truth in Sanskrit and we Spiritual Satanists are doing our best to spread the truth.

.....

It's important to remain current and be informed about the political events around the planet. Syrian Civil War. Ukraine Crisis. Greek Crisis. Islamic Terrorism. The list goes on. As you can imagine, every and each one of these topics I've mentioned, there's a jew behind all of them (in fact there are several jews). They are spreading destruction and lies. And we have to counter them by revealing the Truth and exposing their lies.

But in order to do this, we have to be informed. We have to know the Truth in order to spread it. We have to try harder than the others. Don't compare yourselves with the rest. We are aware! We are strong! We have awoken our spirituality!

Others will choose to waste their time doing nothing. Waste their time trying aimlessly to fill the empty space of spirituality in their souls. They'll try to fill the empty space of spirituality with drugs, that forcefully emulate a different state of mind, to the detriment of the body and mind.

They'll dedicate their lives to become better in a fantasy world of games in order to fulfill the void of creativity, heroism and/or self-importance. They'll waste their enthusiasm and passion on movies and/or TV shows, learning all the details about the fictional characters and events. They'll use their whole capacity as a person to defend their frivolous choices, because it fulfills their empty hole in their soul. It gives them something to fill their void.

They are our Gentile brothers and sisters that haven't met Father Satan yet. They haven't found their way. They're being distracted by the enemy and have lost their way. We must be compassionate to our Gentile brothers and sisters; most of us at some time in our life have been in their place. But we shouldn't be influenced by their choices. We shouldn't compare ourselves to them.

Because, they are misguided. They are without. Without Father Satan.  
But... We know. We feel. We hear. We see the Truth.

.....

We know that it's important to have fun. It's part of our life to enjoy a game, a movie, a TV series (provided that they don't promote jewish propaganda, like most of them do). We also know that in life it's not all fun and games. We have enemies currently plotting for our enslavement. Thus, we have to work. And we, who have awoken spiritually, have to work harder than anyone else. We Spiritual Satanists are the hardest workers. We not only have to work on a physical level just like everyone else, but also on a spiritual level. We are actively working on our physical, emotional and mental levels.

This is hard work, i know and most of you know it. But we do it for ourselves. We do it to become stronger. We do it to help ourselves. And some that have surpassed the limits of their own selves, do it for their Brothers and Sisters under Satan. Do it for the planet. Do it for the Gods that constantly guide us. We do it to honor the guidance of Father Satan. And thus, we become powerful.

But with great power comes great responsibility.  
We have to fight our enemies.

.....

On the spiritual level, we are doing destruction rituals and workings. We raise our spiritual destructive energies and focus them towards the filthy jews. But at the same time we have to focus our efforts on the political level. We have to know what they are doing in order to effectively focus are destructive energies.

If we know their lies- if we know their malicious actions- if we know what they're trying to hide- if we know what they're planning... then we can crush them with our focused destructive energies. If we know, our destructive spiritual energy towards the jews, will combine with the thoughts from the mental level and be powerful like a laser beam.

This is being done by exposing their lies, their crimes, their filthy motives. We are raising energy and we are charging it with our thoughts and knowledge. We are learning their incriminating information and we are directing it towards them. Their crimes are being revealed, and they are being destroyed.

Knowledge combined with Spiritual Energy, is our weapon.

.....

We all are spread out in countries all over the world. We are citizens in our respective countries. And we are bound by the laws of these countries. We are being governed by people in power. We read the news and the events in our countries. A Spiritual Satanist in California reads about the local news, that a Spiritual Satanist in Egypt wouldn't be able to read and vice versa. Only if news reach an international level they're important enough and reach the whole globe. The local scams and crimes that the jews do, remain hidden.

But this is convenient for the jews that are aware on a world wide level. The want this ignorance. The want us to live in our "bubble", not caring that in the next country is currently in war. While they're slaying the one sheep, they want the rest to be unaware. So they're trying to distract us; with made up news- with silly games- with new movies- with new series- with reality shows- with celebrity news- and anything else to distract our focus from the events that matter.

Everyone knows the latest news about what Kanye West did- and what was his thoughts- and why he did it. But do they also know what really happened in Iraq? What happened in Syria? In Greece? In Ukraine? I wouldn't bet on it. Most don't care, because they think that it wont affect them. And probably it wont affect them, because they prefer being ignorant. It's easier. But when they are ignorant, then they become slaves to the jewish system. Thus, they are victims to everything the jews would want to try as an experiment.

That's how the jews are having fun. By enslaving others and bringing misfortune and death. They want ignorance for that. They want the countries ignorant about what happens to their neighboring countries. They want the people spending their time on insignificant stuff. Keep watching TV while they butcher your brothers and sisters or at the best case scenario enslave them. And for this they want privacy to execute their plans.

This way, the same tricks that are doing in the banking system in Peru, will try to repeat in another country. The same tricks to escalate the revolts in Egypt will be used in Europe. The same tricks that they used to bankrupt Greece will be used in another country. One after another the sheep will be all slayed. And during that time the rest will not only be unaware of what's going on to the next room, but some they will know and they won't even care.

But, we are smart and aware people. We cannot let this continue.

.....

It's important to be informed and read between the lines in order to spot the jewish hand behind the scenes. Find news sources that reveal the truth, not spoon-feed you with lies. If we become aware of the jew's work in our countries, then we spread this info. It's important to read this information and with your thoughts empower it and project it to the whole world. Share it, talk about it, convince people with it, copy and reproduce it, spread it to the world. This way the information will become stronger in the mental plane and it would be harder to be ignored or be hidden like the jews want. This will reveal their filthy way of acting. This will work against them.

We have to develop a global consciousness.

.....

We Gentiles are destined to rule this planet. Not the jews. We Spiritual Satanists have to think globally, because all countries are interconnected. If the jews manage to conquer and/or control a country, then they'll use that country to conquer another one. We have to be globally aware and prevent all these. The world has to focus on their plans and expose their dirty business and their malicious way of thinking.

If everyone is looking at the jews, they will see the filthy scum they really are.

.....

In the recent Eurozone debt crisis, people around the world are realizing what happens in Europe. The world is realizing who is inciting these events. They realize that the jews are behind all these "unfortunate" events. And they are not "random", but they are maliciously planned. These thoughts are working against them.

But we have to project these thoughts. We have to spread this info around the world. This way it will become powerful.

Knowledge is power. That's why the jews are always trying to hide their plans. In order to avoid the curses of the people. In order to avoid the hate. They're always using scapegoats. They're always using someone else to take the blame. In the case of the EU Crisis, Greece is the scapegoat. They're trying to blame Greece for their evil plotting in Europe.

We have to expose this information and reveal the truth. The truth is evident but the jews are trying to hide it. They're saying; "Move along, nothing to see here".

We have to push through their lies and attempts to hide the truth. We are spreading the truth on every level of existence.

French President: To protect Jews is to protect France

The President of France in a wave of boasting Judeo-Marxist rhetoric has agreed to grant the Jews the supremacist privileges they have been demanding over everyone else. The Jews will use any situation to push their agenda even the blow back off their EU open boarder polices for Europe. Big Jew, going keep on Jew'in. All people are equal but the Chosen People are more equal then everyone else. Its good to know the President of France is such a good Jewish owned Communist.

French President Hollande: To protect Jews is to protect France

[http://www.sdjewishworld.com/2015/02/23 ... ct-france/](http://www.sdjewishworld.com/2015/02/23...ct-france/)

World Jewish Congress (WJC) President Ronald S. Lauder on Monday, Feb. 23, praised French President François Hollande for delivering a "great speech" at the CRIF dinner in Paris which he called a "rallying cry in the fight against hatred." In his address to the dinner guests, Hollande announced the next steps in his plan to fight anti-Semitism in France, including protecting Jewish sites for as long as necessary and new measures to curb the dissemination of hate speech on the Internet.

"President Hollande has made it absolutely clear: Anti-Semitism, and any other form of hatred and racism, must not and will not be tolerated, and the entire country must mobilize against it. His speech sends a strong signal that France will not surrender to the forces of evil and that it is taking the leading role in fighting anti-Semitism and terrorism. We fully support President Hollande and his government in this endeavor," Lauder declared.

"In recent months, the Jewish community in France – the largest in Europe – witnessed the worst attacks since the end of World War II. We all – Jewish, Muslim and Christian leaders, governments and the wider civil society – must work together to ensure that our freedoms are safeguarded and that the fight against terrorist and extremist of any form is won," added Lauder.

Speaking at an annual dinner hosted by the country's Jewish umbrella body CRIF, Hollande said that "in protecting its Jews, the Republic is protecting itself."

He emphatically said that "the Jews are at home in France and it's the anti-Semites who don't have a place in the Republic." The president urged more European cooperation in the fight against jihadist terrorism.

Hollande also called for more effective punishment of anti-Semitic acts and urged measures against hate speech: "I want such speech to come under criminal rather than media law." The French leader said that talks with the CEOs of the major Internet giants would soon take place in France to determine how to curb the dissemination of hate speech on the Internet.

"Not teaching about the Shoah would already mean denying it," said Hollande, who vowed to strengthen Holocaust education in schools.

The 30th edition of the annual CRIF dinner was opened by the organization's president, Roger Cukierman.

Subject: Greece: The Grand Finale [part 9]

Part 9: The trick of the "stress tests".

The bank "tests", which then became country "tests".

[Piraeus Bank](#) was the backdoor of treason.

Does anyone know when the Fire Department or the Army does drills? Not of course. Why would anyone know something like that, something that doesn't even concerns them? Why would anyone know something that is within the scope of normal --and not emergency-- operation of these serious services?

The "[stress tests](#)" are a similar internal control function of the European banking system. A procedure that concerns the banks and therefore the audit authorities of the banks. A routine procedure that is activated a lot of times throughout the year and most times no-one knows that it is happening. And yet, this "routine" procedure the co-conspirators used is as a supposed emergency situation, to "supposedly" test the national economies through the banks.

We say "supposedly", because within the Eurozone the banking operations are completely detached from the economy operations of the member states. Since there is a united Eurozone and a uniform banking system, in reality there are no national banks and therefore the members states don't have the responsibility to audit their banks.

They are European banks, which every one of them is a member of the European banking system and are audited by this institution. The responsibility for their function lies solely with the [ECB](#), since this central bank controls the currency and therefore all the banking functions that threaten this currency. Amongst the other responsibilities of ECB are the bank loans.

Hence, the jurisdiction to control the bank loans --and therefore know all the "backdoors" of the "Greek" private banks-- lies with the ECB. The Central European Bank, that has converted the central national banks into "branches", like the [Bank of Greece](#) or the [Bank of Italy](#) etc. The control over the private banks of the Eurozone is supposedly exercised by these banks. The private banks have lost their national characteristics and they are being treated by law as European banks. This means that, it was a responsibility of the ECB to audit the Greek banks' borrowing from the international "markets". Exclusive jurisdiction, because, each time a national government tried to intervene on this section, they were denounced not only by the ECB but also by the private banks for interfering with the private economy.

It was the responsibility of the ECB to estimate the amount of money that the European banks could borrow, as well as their bad debts. Who controlled the ratio of deposits and loans in these banks? Who set the stage of borrowing from these banks? Who were those who allowed the Greek/European banks to borrow enormous amount of money, to fund the bonds' "wastages" of the Greek nation, which almost entirely ended to Germany's "pockets"? How were they so sure that the Greek nation, that had already shown its "derailment" with the [swaps](#), would respond to its "bond" obligations and therefore to its non-binding obligations?

Since the ECB was responsible for the control and therefore the viability of the "Greek" banks, then why the "damage" of their mismanagement would be taken by the Greek nation? Why would the Greek citizens take the damage for the dirty business of [Piraeus Bank Chairman, Michalis Sallas](#), who in cooperation with his [ex-partner in Piraeus Bank, George Provopoulos](#), they were taking money by the jewish usurers and co-patriots of [Jean-Claude Trichet](#)? Since the ECB was responsible for the viability of the "Greek" banks --upon which depends the [market liquidity](#) within a country of Eurozone--, it was her job to ensure the liquidity that this market needed.

These are not what the Greeks say. These are the laws of Eurozone. These are the obligations of the Central European Bank, and these are written in the founding statutes. These statutes, provide the means to control the European banking system and protecting the European currency. Amongst these obligations is to ensure the liquidity of each "national" market, since the ECB is the one which controls the banks. This is the meaning of the absolute law abiding "mechanism", that was created by the ECB when the crisis emerged, in order to protect all the others except Greece. This is the role for the [European Financial Stability Facility \(EFSF\)](#).

Therefore, if the Greek banking system reached "suffocating" levels in the [term of Prime Minister Karamanlis](#), then the government and the citizens aren't the ones responsible. The one responsible is the [Bank of Greece governor, George Provopoulos--former CEO and shareholder of Piraeus bank--](#), who allowed every banker scum to borrow such amounts from the international markets, that wasn't in their abilities to pay

back. Even more responsible to the European nations --and of course to the auditing mechanisms-- is [Jean-Claude Trichet](#). The then President of the Central European Bank, who didn't audit his subordinate in Greece, risking a threat to the balance of the European economy and the common currency.

The shortcomings of the Greek banks' "stress test" should have pointed to the guilty and these were George Provopoulos and Jean-Claude Trichet. Those two, were the ones that started trouble for the ECB, since it was their job to finance the "Greek" banks, in order to survive without creating a liquidity problem. It was their job to find the funds for the [EFSF](#) and then attribute criminal liabilities wherever they should. It was their damage and it was their punishment, since, if it was an error or even a crime, a few central bank employees were responsible for this and not an unsuspected nation. If the problem was this significant and someone had to go to jail, then these were these few bank employees and no one else.

But in Greece, what is reasonable and what is required by the Eurozone law, didn't happen. For some "mysterious" reason the Greek government happily assumed the enormous responsibility, which didn't even concern them. The Greek government did that, which a few days before little [Iceland had refused to do](#). They undertook to do something unprecedented and of course illegal; to pay with public money the "financial" stability of the private banking system. It was unprecedented, because it was the first time the government was undertaking, without profit or receiving something in return, to pay private debts. It was illegal, because under the laws of European Union, the countries are prohibited --even if they were stupid enough to do it-- to "support" private companies and therefore "distort" the competition in the sectors they were operating.

For some "mysterious" reasons nothing went normal in the case of Greece. The Greek government undertook this "weight", without asking anyone and no one stopped her.

The ECB of Jean-Claude Trichet played dumb, since this way they were covering their own responsibilities, and they were also limiting their expenses, because it was the ECB's responsibility to finance these bankrupt bank-members. The ECB's members were the problematic private banking institutions. The ECB's members were the "Greek" banks and it was their responsibility to save them.

The [European Commission](#) also played "dumb". This commission which finds out if a few cents were given as subsidies to farmers or craftsmen, were pretending they couldn't see the billions that were being given to the banks. This commission that asks for the subsidies to be returned regardless of when they were discovered, in the case of the "Greek" banks they didn't manage to find it out, neither at the time that the crime was committed, nor during the following years.

Isn't that strange?

Why was the Greek government so eager to shoulder the "sins" of others and furthermore unload them to the poor nation? The explanation is simple; the governments are not faceless. The governments belong to political parties and these political parties were indebted. Between the individual crooks --who took [illegal "ship-owner" loans](#) from the private banks-- were the political parties ([Pasok](#) and [New Democracy](#)), which were [monopolizing the power in Greece](#). These political parties, had placed false "mortgages" of their future electoral triumphs and therefore fraudulent "guarantees".

As we can understand the private parties and their debts are not faceless. Someone is responsible for them and this is the party leader. The party leader would be responsible, who for the two big parties of the [regime change](#) (Pasok and New Democracy) would be the respective Prime Minister of the Country.

The New Democracy political party owes 105.000.000 Euros to the [Agricultural bank](#) (end of contract in 2013) and 15.000.000 Euros to the [Piraeus bank](#) (end of contract in 2015). TOTAL: 120.000.000 Euros !!! The Pasok political party owes 96.800.000 Euros to Agricultural bank (end of contract in 2013), 10.000.000 Euros in [Marfin bank](#) (end of contract in 2015) and 5.000.000 Euros to Piraeus bank (end of contract in 2015). TOTAL: 111.800.000 Euros !!!

The jews had pinned these political parties (and their party leaders) and they were sure to blackmail them through [Merkel](#) or [Schauble](#) when the time was right. They knew that the party leader of New Democracy, [Kostas Karamanlis](#) and the party leader of Pasok, [George Papandreou](#) would easily give in to their threats, to save their own hides.

Did the reader understand the willingness of the Greek government to shoulder the "weight" that corresponded to the ECB? When the party leaders are also Prime Ministers we can understand how the treason happened...

In order for the filthy scum --who were bribing officials and "buying" supporters with illegal money-- to avoid jail time, they've put "in jail" an entire nation. In order for Karamanlis to avoid jail time, because his "shop" was owing 120 million in --illegal and without warranties-- loans from private and national banks, he took a ton of money and gave it to the jewish controlled banks. In order for Papandreou to avoid jail time for the 111 million euros that he owed to the banks --the banks who didn't pass their stress-test because of their bad loans--, he took even more money and gave them to the jewish controlled banks. If they didn't do it, they would be threatened with jail time, like everyone else that would get caught deceiving a bank. And the bank because of the bankruptcy would have went into "[liquidation](#)" procedures. If they didn't do it, their blackmailers would "remember" all the money that people in the political parties were bribed, --like the briefcases of money that [Theodore Tsoukatos](#) took-- since the illegal funding of their political parties was the norm and not an exception.

They were being threatened with real jail time, since, under the law on the protection of banking operation and safety, banking fraud is punished as a fraud against the Public State and therefore with a life sentence punishment. Real jail time, which would be related to the international law of laundering "dirty" money. Real jail time, provided that in the course of the investigations all the "dirty" funding of the two major parties --which monopolized their power unfairly-- would be revealed. This blackmail undertook the Germany of Wolfgang Schauble.

The "expert" Schauble, who was also in danger to go to jail for the illegal funding of his political party [CDU \(Christian Democratic Union\)](#) by [banks](#), the [arms dealers](#) and [Siemens](#). The "clean" Schauble, who pretends to be "innocent" as a child and "pure" as a virgin is still roaming free just because his Jewish bosses protected him. This deeply corrupted scum implemented the blackmail of the political party leaders and thanks to him and his vicious hate against Greeks, they signed the [Technical Memorandum](#).

Has the reader understood why the Greeks entered the "slaughterhouse" and by whom?

The bank "stress-tests" of 2008 were the blackmail of Greek political leaders, with a view to destroy Greece. This is the "key" of today's misery in Greece. At that time the leaders of the indebted political parties decided to betray Greece. At that time the leaders of the two political parties of power jointly decided -- under the threat of punishment for the abuse of private and public money-- to give public money, in order to save the private banks. That's why they both "shared" the crime. That's why Karamanlis at the end of his political term, in reality "stepped down" from power in order for Papandreou to rise to power.

In order for the owners of [bipartisanship \(New Democracy and Pasok\)](#) to avoid jail time, they've put an entire nation "in jail". In order for Papandreou and Karamanlis to avoid jail time for their political parties' loans, an entire nation was sent to the "slaughterhouse". In order for their political parties' "shops" to avoid blackmail, an entire nation was destroyed. That's why --even today-- the pets of Schauble and the Jews are very submissive. That's why they watch over each other and they're not doing committees of inquiry for crimes against the people. That's why they still vote "yes" to everything.

World War Jew?

Here is reply I gave to this thread:

[post38271.html#p38271](#)

This has been the quiet move. Much of the situation in the middle east is designed to slow the flow of oil and gas to Europe and force Europe to depend more and more on Russia for such pushing them into the Moscow sphere of control. Everything the Jews have been doing in Europe is aimed to one way or another

put Europe under a new Soviet system as Putin admits he wants. The war they are pushing for on both sides NATO and Russia will be the key to make this happen. Hence why the kikes are fleeing Europe. Remember Russia is allied with Red China which the jews also control as they built it. Thousands of Red Chinese troops have done recent training exercises with Russian troops on European soil for a war with NATO in Europe. The current leader of NATO is a Norwegian Communist who ran their Communist Party and was a self admitted KGB agent during the Cold War. As I have mentioned before the kikes have moved their agents into key area's within NATO and the governments and the Pentagon in America. To act as fifth column to an invasion from Euro-asia by Communist forces under their control to slam the gate shut in a real Red nightmare. China right now is quietly building a path through the other nations in the stan's of the east to Russia. Remember the jews opened the gates of more then one city as fifth column from Spain to Constantinople and let the invaders right in. Their EU policies are Soviet and aimed to absorb Europe into a Jew World Order.

What about the nuclear deterrent. Well who's hands on the controls? Israeli security companies ie Mossad fronts have dealing with the soils in American and everywhere else I bet.

Now the jews flee like rats from a sinking ship. The jews know the rise of European Nationalist groups are spelling the end along with the demand to dismantle the EU. They are running out of time so they might just hit the switch and get it rolling ASAP. Its a repeat of what they tried to pull with Communism on Europe in the last century.

It is absolutely true that long time ago about thousands of years ago white Europeans were the same people around the world and know and control a big part of this Earth from Europe, America and Asia.

Recently, some history researchers(Dacologists) have found out h after studying history more seriously that us Romans have one of the oldest ancestors that are from first Arians. We even find that Romanians are incorrectly having this name but a more appropriate name is Dacian from the Dacia ancient name of the country. We are find outh, that we are realeated with Goths the german acestors. We find GOT that GET name derived from get witch was a name for our ancestors. GOT s were forced to change their name because in Roman Empire if anyone uses the GET name have been cut off the head. In conclusion they were GET s that lived in Roman Empire. It is possible that other European nations have common ancestor even if they have different languages and culture.

My conclusion is that we are all Arians and we have common ancestors. We must find a way to be united and avoid wars against brooders. Europeans must stop to pillage one of each other, resources through wars.

Thoth wrote, "A soul's outcome in the afterlife is based upon knowledge."

"Did the deceased embrace life enough to be able to live again in death?"

"Did the deceased develop a strong enough character to continue his or her personality?"

"Knowledge gives the power to act in truth and causes life, while ignorance blinds the sight and causes death."

"Death is the result of ignorance, alone." "A human being needs a map to travel both in this lifetime and beyond."

"How can you travel in life after death without knowing the way?"

"The wickedness of the soul is ignorance and the virtue of the soul is knowledge."

"Live your life and you will never die."

"Human beings must become enlightened in order to find their way in the dark. Becoming enlightened means becoming smart travelers, who acquire knowledge of the way, an understanding of the local language and friendship with other travelers. We are all travelers in eternity."

Something I need to bring to everyone's attention, especially for those who are new to Satanism is concerning biblical prophecies. Please read this and know it. I don't have the time right now to do any research on what I am going to write below, but I strongly suggest that any of you here who have any doubts and/or worries to do your own research. There are plenty of websites online where you can find proof.

There have always been "earthquakes" "pestilences" "famines" "plagues" and above all, weather disasters and related. I was just watching the news and the unusual warming in Alaska and the snowstorms in the Eastern US , etc., were highlighted. Back in 2008, given my own experience, I noted how the commentators for the Beijing Olympics stated several times how the Chinese were able to stop rain by controlling the weather, as no one wanted rain for the Olympic Games. They were successful.

Now, given the above, and how science has progressed and is now progressing at a rapid rate to where many are unable to even keep up with the plethora of technology, it is glaringly obvious that humanity has advanced to where the weather can be controlled. I also want to add here that the so-called "New World" being the Americas was not fully populated and did not have an extensive written history until give or take, some 400 years ago. Major earthquakes, droughts, hurricanes and other natural disasters were not recorded and did not factor in as they do today. This right here is major in the way of giving the amount of natural disasters and also, the media today is much more extensive in both covering this type of thing world-wide and in broadcasting it.

My point here is these natural disasters are NOT "An act of God." Scientists can now control the weather and even create this sort of thing. Scientists can create natural disasters and as most of us know, can create plagues and other biblical crap. Sadly, many followers/victims of Christianity, Islam and related are fooled into believing these events to be predictive of "the end" and this works well for the enemy in bringing in more victims to their nefarious program, due to a lack of knowledge.

The entire Judeo/Christian Bible is nothing more than a powerful subliminal. I have said time and again and will repeat myself for new people here: there is NOTHING SPIRITUAL about Christianity, Islam and their Jewish root, other than the Jewish root is in control and at the top, the Jews use occult power to keep these nefarious programs thriving. The Jews become "God" and as most of us are aware, they DICTATE. They are always telling us Gentiles what we are to do, what we should think, how we should think, what to believe and everything else. THE JEWS DICTATE. Idiots jump up and get to it. They readily carry out the orders given by their Jewish masters.

The Judeo/Christian Bible is NOT a “Word of God”! The book “Eye to Eye: Facing the Consequences of Dividing Israel” by William Koenig is very revealing, though the author himself [Christian] is very deluded. Anyone who is familiar with witchcraft and the workings of the mind and soul, rituals, etc., can see through this for what it is. Many of these so-called “prophesies” were put into motion centuries ago BY HUMAN BEINGS. Christians and even more so, Muslims [as many Muslims are in third world countries where there is a high percentage of illiteracy] and have no knowledge of the workings of the mind and soul. Anyone who has any knowledge related to witchcraft in Muslim dominated countries is murdered if they are found out. As I stated many times before, Islam and Christianity are murder and death focused programs, that have their foundations built upon genocide, mass-murder, torture, death and living for one’s death, destruction and violence...nothing more. Everyone always has to be sorry. The biblical subliminal is everyone is born into “original sin” everyone is in debt and everyone owes. So... everyone must pay the Jew.

I remember seeing a movie a very long time ago “Little Odessa” where the Jewish father says to his son... “Rueben! Do your homework! Don’t be like some stupid goy on the block!” “Stupid goy” They feel they have the right to slur Gentiles as they please. No one ever really says anything against these Jewish “masters.”

Most of you already know, that is how they look at us- “stupid goyim.” They feel they have a “God-given” RIGHT to dictate and tell us what to do and to use us as slaves and then throw us away. Disposable human beings.

Don’t be an idiot. KNOW the truth. Take the time to study, learn, and find out about things. The only way a lie and hoax can be successful is if the victim/s do not know. Satan stands for knowledge. Don’t be duped! Know how the Jews work. These so-called “prophesies” are also highlighted and promoted by the Jewish-run media, movies, books and TV shows to keep the subliminal going and to keep these lies alive and thriving, bringing in many more victims. The mass-mind is very powerful. The torah is the Jewish life-line and the Christianity and Islam programs for Gentiles are the bulwark in giving power, belief, and energy to the Jewish programs.

**In addition to all of this, and my main point here for this article is; you think the Jewish scientists at the top aren’t going to try to control the weather, create plagues, pandemics and natural disasters [which they now have the technology to do so] to make those biblical prophesies appear to be real?**

They have controlled NASA for one, for decades. They work to control everything else, especially any program or organization of importance and influence, so go figure...

The sciences, advanced education and learning and everything else including sex, the Jew works to rot these out from the inside, turning a positive
