The most retarded thing I read in jewfront is when someone was trying to prove that Odinism is jewish. He started saying that in the Babylonian mythology there's a God called Adon and has a son called Thouros, and it's the same as Odin and Thor. So, since the babylonians are semites therefore jews, so odinism is jewish. That's xian identity logic at its best.

Group: 666BlackSun	Message: 892	From: High Priestess Maxine Dietrich	Date: 5/27/2013
Subject: Re: Question on National Socialism.			

The whole deal is this...xianity is the jewish bulwark, as is islam. The jews [and they are very clever] work to try to confuse Gentiles into believing they are at odds and against xianity. Nothing could be further from the truth. I remember when I was growing up; I was raised catholic and attended catholic school. The number of jewish students and teachers and even priests and nuns was staggering. There is absolutely nothing in the xian teachings [other than the jewish supposed rejection of the nazarene, as they know this piece of shit is fictitious], that conflicts with judaism.

The catholic church also celebrates the jewish passover in many parishes with a seder meal; the catholic priest leading the entire deal. The Lutherans praise and honor the jewish exodus and teach such things in their Sunday school classes to young Gentile children.

This is the same old...same old- just because someone tells you something or works to try to convince you, this does not make it to always be true. This is a strong tactic the jews use. They always TELL us what and how to think, what we should and should not believe; they EXPLAIN things their own way...they create the problem and then give their solution to damn us all. This is also communism in a nutshell, no different from all of the jewish 'brotherhood' programs. One has to be onto them and to see how they operate and then it is strikingly clear.

The jews will do anything and everything to take the heat off of xianity in the way of Gentiles seeing just how pro-jewish xianity really is. The jews work to confuse and twist information incessantly and through confusion, the average person knuckles under and does what he/she is told and believes what he/she is told. There is an old military technique where one in authority will order a recruit to complete a task. Following up, another authority will punish the recruit for doing what he/she was told. They also do this with training military dogs in some cases. The end result is the mind breaks down and also with this, the resistance and the punished one reacts to whatever he/she is told without even thinking...carrying out orders. The jews are masters of human psychology and they use this liberally to retain control.

The average yokel cannot figure such things out and thus, he/she is prone to believing jewish lies and falling for their tactics. There are a lot of idiots in many so-called 'N S' organizations, especially here in the USA. Most never bother to do any of their own research...they are either too lazy, unmotivated or just plain stupid. Yes, they claim to devote their entire life to these programs they follow. Many, many years ago when I first came to Nazism, I did plenty of research and not only that, I verified references. I knew what I was getting into when I joined on.

In addition, because the enemy has used xianity and islam and related filth as tools to remove spiritual power and knowledge [this is all they are], few people can see or are aware that the enemy has infiltrated at the soul. There are those who are of the enemy and are working in positions of leadership in many of these groups and are enemy souls. Xianity always feels just right to these people and blaspheming jewsus, jewhova, the foul stinking scumbag 'holy' spirit of jewhova and such, puts them seriously on edge.

For those of you who are dedicated and motivated, these people need to be fought relentlessly, especially the leaders of these organizations. They are intentionally misleading people. They slander and name-call and such as like the jews, they have no argument. The entire judeo/xian bible is nothing more than a book of jewish witchcraft- hence all of the numbers and verses therein. There is nothing spiritual about it. The ADL, the jews and all of their watchdog groups have no problem with any websites, regardless of what they state about the jews, as long as they are xian. This is because the jews know that anyone and everyone who is a believer and who ties into sian and muslim energy is under jewish spiritual control and they can curse them and/or eliminate them as they see fit, with a simple ritual.

'We are Nazis'

When I asked her if I could make this public, she replied 'Yes, go a head, as it will weed out some of the dross and knock some sense into the straddlers.'

Nazism is of the Empire of Orion. 'Our Race Is Our Nation. The enemy KNOWS this and will work every way they can to try to cut us off from our Gods. Some of you already know who our Antichrist is.

Now, in fighting these infilTRAITORS, why not get it stright from the mouth of the jewish rabbis:

<http://www.666blacksun.org/satanic-national-socialism/what-the-jewish-rabbis-have-to-say-about-satan/>

Not to make this too long, but here it is and in addition, go to the above URL and click on the links provided for PROOF. I also encourage everyone who is actively fighting against the enemy to save this entire webpage.

What The Jewish Rabbis Have To Say About Satan

Some Jews who call themselves "Satanists," try to deny the fact that the Jews are the enemies of Satan and that Satan does indeed HATE the Jewish people intensely. He has made this very blatant to his closest disciples. The following are quotes from Jewish rabbis and other religious Jews. It is pretty obvious.

Rabbinical Quotes about Satan:

(A few Christian quotes are included towards the end of the page)

"Those who use the Holocaust to justify either their atheism or their tendency to devalue the authority of the Jewish Bible should remember that Satan, not G-d, is the author of Nazism and anti-Semitism."

<http://www.afii.org/texts/hw2p2rb.htm>

"SATAN IS THE AUTHOR OF ANTI-SEMITISM, THE HATRED OF THE JEWS – The term 'anti-semitism' was coined in 1879 by a German journalist Wilhelm Marr to designate anti-Jewish campaigns then appearing throughout Europe. Since that time, the term has been universally applied to any form of behavior or literature which evidences hostility toward the Jews (9).

With every fiber of his depraved, sinister being, Satan despises the Jews. He hates them with a perfect hatred, and his demented nature is revealed in his treatment of the Jewish people. This hatred is a reflection of his hatred for God (as Jews are God's chosen people). Their total destruction is his goal. He is the author of the spirit of anti-semitism (15)

He has tried to persecute God's people, the Jews, in order to eliminate them so that the promised seed of Genesis 3:15, Yeshua, would not be born, and mankind would not be redeemed. The Book of Esther details how the enemy of God and his people tried to eliminate the Jewish race, but God raised up Esther for "such a time as this" to deliver her race. King Herod tried to eliminate Yeshua by having all the male babies in Bethlehem under two years of age killed. In our generation the Holocaust is ever mindful of Hitler's outrage against millions of Jews, while Stalin's killing of thirty million Jews goes hardly mentioned. Today, one out of every five people in the world is committed to the death of the Jews. Islam requires the death of the Jews (7)."

http://www.hebroots.org/hebrootsarchive/9805/980528_g.html

"Therefore, Satan is desperately trying to stop the return of the Messiah. That's why Satan is doing all he can to destroy the Jewish people. At the same time he is trying to make faith in Yeshua so alien and repugnant that no self-respecting Jew, let alone the nation, would ever desire to repent and trust in Him! Every congregation of believers in Yeshua, Jewish or Gentile, which doesn't endeavor to bring the Good News to the Jewish people, is actually playing into the present plan of Satan: stop Israel from recognizing their Messiah, Satan's destroyer, so Messiah can't return."

<http://www.wordofmessiah.org/june.htm>

"In this century, Satan has fanned the flames of hatred against the Jews by using Muslims worldwide in his attempt to stop God's Plan which will see Jesus Christ returning to the Mount of Olives. If there is no Jewish Israel, Satan has reasoned that God's Word would be a lie, God's Plan would fail, and he could then survive."

<http://www.bibleprobe.com/baruch.htm>

"Where did Anti-Semitism come from? What is the real cause of this evil thought? The answer is very plain. It comes from the devil. Did you know that the first time the devil is mentioned by the name "Satan" is when he acts against Israel?

"And Satan stood up against Israel, and provoked David to number Israel." (1 Chronicles 21:1)

Satan is the one who is the cause of all the persecution and suffering of Israel. Satan hates the nation through whom so much blessing has come to the world, especially Messiah Jesus. When the devil is angry against Israel, it always ends in his defiance against the Messiah and Saviour, Yeshua ha Meshiach.

From Pharaoh, the first anti-Semite on record, to Amalek, Haman, then to the King of Syria in 168 B.C., to the Roman War in 66-70 A.D., Satan was the moving factor in Jewish persecution and bloodshed. Through the Crusades, the Spanish Inquisition, the Russian pogroms and the Nazi holocaust you read the history of what Satan has done through men against my Jewish people.

But there is coming a day when the fierce attacks against the nation of Israel will come to an end. The God of Abraham, Isaac and Jacob will fight against those who have persecuted the Jew. Then Satan will have his final attack on Israel and God will cast him into the Lake of Fire as prophesied."

<http://www.rockofisrael.org/articles/a3.htm>

"The Arab nations will still be bent on the destruction of that tiny nation in the Middle East. There will still be hatred of Jews and a determination to annihilate them. The source of the hatred (ha satan, in English: satan) will still be very much alive, and will most likely be more active than ever as he sees his time growing short. The deceiver will still be busy at work convincing pastors and unsuspecting believers around the world that the Israelis are brutal aggressors who kill innocent Palestinian children. The media is a great asset to satan. People believe the lies they read in the press and Israel gets another black eye."

http://www.jewishjewels.org/newsletters/2003_03.htm

"There should be no more fighting over the land, but because of man's carnality and because satan hates the Jewish people because of this covenant, the war rages on. It will continue to do so until Yahshua, the Holy One of Israel returns to set up His earthly Kingdom from the Holy City of Jerusalem!"

<http://www.geocities.com/achothatorah/LT/land.html>

"Since 1948 there have been several times when Israel had to close it's borders to tourists. Having dealt with people engaged in hundreds of tours to Israel there has never been an incident of a tourist being hurt or killed by terrorists. If you plan to go to the Holy Land you can count on the following: Satan will begin, about 30 days before you are to depart, to try and cause a major incident or to create a climate of fear to keep you from going to Israel."

<http://www.sabbathrest.org/tours.htm>

"Anti-Israel designs of any description are demonic. Satan has hated God's chosen people from the moment Abraham was called. This occurred many years preceding the name of "Israel" being given to Jacob as he wrestled with God. It was all part of the seed of woman and the promise of the Messiah."

<http://www.pawcreek.org/articles/endtimes/MysteryBabylonAntiIsraelAtTheHighestLevel.htm>

"Considering the above, we will understand why Satan hates the "sound of the Shofar" for It will clearly deliver the message that he is, and has been defeated by the shed blood of the Lamb of God! The very sound of the Shofar makes Satan despise our praise and worship unto the Lord. He hates those who have repented of their sins and follow the Lord Y'Shua. He hates "Ha Davar – The Word" and He who is the Word. He cannot tolerate those that do battle in Y'Shua's Name. He hates to be reminded that Y'Shua was resurrected from the dead three days and three nights after He gave His life, defeating that evil one. Satan hates the State of Israel, for were the Jewish people still in the Diaspora and Israel not been re-established, the Lord Y'Shua cannot return. Also, Satan hates to hear about his final doom."

<http://cometozion.faithweb.com/rmi2.htm>

"You need to know and understand that Satan hates the Jewish people. Through promises made to Abraham and his seed, God would bring forth into the earth the revelation of Himself and His redemption to humanity. Satan hates the seed of Abraham. Satan hates the Jew. Jesus was a Jew."

<http://www.spiritoflifeministries.com/PropheticEvents.html>

“So if God loves the Jewish people, why are they slandered and maligned? The evil of this deed lies far below the darkest depths of the most corrupt human heart. It is an insidious hatred that Satan has for the Jewish people. First, Satan hates God, so it is natural that he would hate the focus of God’s attention. It is natural for him to want to destroy them because he wants to hurt God. He wants to make God look impotent. After all, if the Almighty God can’t protect His people then what is the guarantee that He can protect anyone? But it is a miracle that the Jewish people are still around today. They are a true testament to God’s divine protection.”

<http://www.delusionresistance.org/christian/christkillers.html>

“Satan hates the Jews with a passion because they gave the world both the Bible and the Messiah. He also hates the promises that God has made to save a great remnant of the Jews in the end times.”

<http://www.lamblion.com/articles/prophecy/Jews-Israel/Jews-06.php>

“Satan is determined to destroy the Jewish people so that God cannot keep His promise to bring a remnant to salvation. This is the reason that Satan is orchestrating all the nations of the earth against Israel today. God has raised up a nation that Satan, as the prince of this world, is determined to destroy.”

<http://www.lamblion.com/articles/prophecy/pcl/pcl-05.php>

“46. JerusalemForever – Concerning Islam, Israel, Teaching – The root reason why Israel’s enemies oppose Israel with such intensity is because they hate God.(see verse 2 above) Satan hates God and His plan for earth centered in Jerusalem and the Jewish people. This is not intended to be hateful, the truth is quite often painful, but after it is revealed to us we have an opportunity to be free from satanic deception that leads us to oppose the Only True God, who is the God of Israel.”

<http://members.tripod.com/~JerusalemForever/>

<http://www.messianicdirectory.com/alpha/j/j3.html>

“IV. Roots of Antisemitism in the Church – A plot to undermine this “one new man” concept was systematically introduced as one of the primary schemes of the devil. Satan hates Israel because she brought forth the Redeemer of mankind. He especially hates the saved remnant of Israel because they maintain a testimony of true Jewish identity in Yeshua. (Rev. 12:17) Since Satan’s schemes are thwarted by the power of Yeshua’s blood, and believers are called to walk in the humility of that fact, the enemy’s entrée into the Christian’s life is through arrogance and pride. Perhaps the exclusivity of the Messianic Jews caused a negative reaction among Gentile believers, but there were early signs in the Church of arrogance toward the Messianic Jewish community. Paul addressed this arrogant attitude in his letter to the Romans.”

<http://www.baruchhashem.com/resources/reconciliation.html>

“Ultimately, the source of anti-Semitism lies with Satan himself. He hates God, and he is and always has been committed to the destruction of what God loves and desires. As God’s chosen covenant people, Jews are at the bull’s-eye of this hatred. Satan also knows that the restoration of the Jewish people plays a central role in the return of the Messiah. Thus, he is committed at all costs to preventing this. Jewish theology can’t explain the Holocaust—and actually the “why” of it is part of the larger question, Why is there evil and suffering in the world if God is a God of love? The question is perplexing even to the most solid believer.”

<http://www.charismamag.com/a.php?ArticleID=6590>

Satanic Origins Of Antisemitism: <http://www.biblicist.org/bible/plot.shtml>

"Even worse, it attributes Satan's unholy, malicious and vengeful actions to a holy and righteous God. When God judges His own people, His ultimate purpose is not retribution but restoration. His intention is not to destroy but to heal, not merely to punish but ultimately to purify from sin. Satan, on the other hand, is the destroyer. He enjoys inflicting horror and suffering on God's people with the ultimate intention of annihilation. God has staked His reputation on the preservation and the ultimate restoration of the Jewish people. Satan therefore aspires to destroy the Jews, in order to nullify God's promises and make Him out to be a liar."

In the New Testament [just as Jewish as the Old Testament], the Nazarene's reference to a "Synagogue of Satan" is a message for the Jews that means that they/the Jews get to take over the world while the "Goyim" are damned...not the other way around. The Jews are not of Satan. I will write a full sermon with citations on this when I can. The point is that one cannot be a Christian and a legitimate White person at the same time. A Christian may try to be "anti-semitic," but the Jew owns them at the soul. Christianity destroys the soul, which in turn rots the physical identity.

Palestinians state Jews poison medication used by Gazan patients

http://www.youtube.com/watch?v=nIRxkf3w5No&feature=player_embedded

Palestinian sources say Israel has supplied Gaza hospitals with a potentially killer gas to be used for anesthetic purposes. Four patients have died after inhaling carbon dioxide instead of nitrous dioxide during surgical operations.

No suprise the Jewish Bayer corperation:

Bayer Sells AIDS-Infected Drug Banned in U.S. in Europe, Asia - Unearthed documents show that the drug company Bayer sold millions of dollars worth of an injectable blood-clotting medicine -- Factor VIII concentrate, intended for hemophiliacs -- to Asian, Latin American, and some European countries in the mid-1980s, although they knew that it was tainted with AIDS. Bayer knew about the fact that the drug was tainted and told the FDA to keep things under wraps while they made a profit off of a drug that infected its patients. If these allegations are true, then both Bayer and the FDA are at fault for this catastrophe. FDA regulators helped to keep the continued sales hidden, asking the company that the problem be "quietly solved without alerting the Congress, the medical community and the public," according to the minutes of a 1985 meeting

It makes you want to pull your hair and boil with anger, beyond your human limits. What are they doing is just fucking sick, as always. They need to be brought down and anyone on the globe who is against this, is allied with the enemies of Humanity.

I know all those who gave their lives for the NS, see this, with the eyes of their Soul or whatever and boil for the last, great Batallion to come and end this shit.

I have been called sometimes by pacifists on my 'Racist' viewpoint, as even if I do not talk it, my hate for the jew is evident. I am experiencing the type of hate the Gods who see and know all have for the jews, after so much information and advancing. Its the state where you just see your enemy eye to eye, without anything to hide. We need to get all our Gentiles to each the state of our Warriors here and bring on about the real destruction in every and all levels of existence. They have underestimated our capacity to be utterly spiritually and legally brutal. The anger of the closed mouth and the powerful mind can bring them down.

The Golden dawn, no matter of their tries to misinform, destroy the reputation, move law against them, propagandize, is around at least 15%. Some say even 22%. Let our pure anger and hate manifest and let Hellas bring the final torch and light the global fire in which the jews will get eradicated and our world clean. The Golden Dawn is at open war with the jews. Them being overconfident in their money god, think are going to win. But now things are getting out of control worldwide. I cannot wait to see this escalating into a full war. What is more to get lost in this world? Nothing. Let all this falsehood rot at least. I cannot wait to see the Gentile manifestation of pure hatred, pure need of justice. A full flush of dross is only nessescary.

HAIL SATAN!!!!

Jewclear War

With things heating up in the Mid East over Syria and Israel's open warfare actions against Syria. And the fact With Syria is Iran not just Russia as an ally. We

could witness a full out war in the region soon. Given the fact things are not going to Israel's plans. And Syria is arming with more advanced Russian tech. To be able to better defend themselves from Jewish aggression. These events are changing the balance of power. Which Israel can not tolerate.

Remember as the article below proves. Israel has already used a tactic Jewclear weapon against Syria already.

But a large scale conflict just won't be about Syria it could be heavy weapons employed against many nations even Russia.

Important site to read on the subject:

http://gbtl.webs.com/Real_Holocaust.htm

. In 2003, Martin van Creveld [professor of military history at the Hebrew University in Jerusalem - J.L.D.] thought that the Al-Aqsa Intifada then in progress threatened Israel's existence.[21] Van Creveld was quoted in David Hirst's "The Gun and the Olive Branch" (2003) as saying:

"We possess several hundred atomic warheads and rockets and can launch them at targets in all directions, perhaps even at Rome. Most European capitals are targets for our air force. . . Our armed forces, however, are not the thirtieth strongest in the world, but rather the second or third. We have the capability to take the world down with us. And I can assure you that that will happen before Israel goes under." [22]

Ron Rosenbaum writes in his 2012 book How the End Begins: The Road to a Nuclear World War III that in the "aftermath of a second Holocaust" Israel's surviving Dophin-class nuclear missile submarines would retaliate not only against Israel's attackers, but "bring down the pillars of the world (attack Moscow and European capitals for instance)" as well as the "holy places of Islam." He writes that "abandonment of proportionality is the essence" of the Samson Option.[23]

Was Syria 'nuked'?

<http://www.presstv.ir/detail/302772.html>

Striking evidence of the use of American EPW (Earth Penetrating Weapons) nuclear weapons in Syria has come to light. Experts say the proof is irrefutable.

Dramatic video footage from Syria has revealed startling evidence that counters Israel's claims of "surgical strikes" on weapons headed to Lebanon.

What were said to be air strikes is now proven to have actually been artillery, something easily discernible to even an untrained observer.

What happens next is shocking. While artillery shells rain down on Syrian army positions, mobile Israeli artillery in direct support and even accompanying rebel forces inside Syria, a huge explosion occurs.

After analysis, it had become clear, Syria had come under attack by Israel using, not just nuclear weapons, but an American nuclear bunker buster bomb, one of several supplied to Israel to use against Iran, one of the last acts of the Bush/Cheney administration.

Submitted for analysis, the footage was compared with tests of the 37,000-pound MOB (Massive Ordnance Penetrator), designed by Boeing to be used against Iran's underground facilities. There was no similarity whatsoever noted between the Syrian "event" and a conventional "bunker buster" including the GBU 57, the largest conventional weapon every to be used.

More Proof

Colonel James Hanke, former Defense Attaché and Liaison between the Pentagon and Netanyahu's government, reviewed the footage.

He indicated that the GBU 57 is considered too high a risk for use because of its danger to the earth's crust.

The Syrian/African fault line spreads into Israel. Were it to be subjected to this kind of explosive power, the threat of an earthquake doing significant damage in Israel is a reality. The nuclear bunker busters have far less penetrating power and, I am not saying that this was a nuclear device, not until more evidence is in, but the 'event profile' shows striking similarities.

The other problem with the GBU 57 is delivery. Only two aircraft are capable of delivering this weapon, the B-52 and B-2 Stealth Bomber. Israel does not have

these aircraft.

Collapse of UD Air Force Command Structure, Again

Thus, if a MOP were used, it could have only been delivered by the United States Air Force, an organization reeling from recent disasters within its own ranks after a second lapse in nuclear weapons security in a five-year period was discovered at Minot Air Force Base in South Dakota.

Seventeen officers have been removed, a "house cleaning" of unprecedented scale. Back in 2008, Secretary of Defense Robert Gates ordered a restructuring of America's nuclear security command after a 2007 incident at Minot.

A B-52 was loaded with thermonuclear weapons and flown off the base, violating 84 separate authorization protocols. The plane was later recovered over 1500 miles away under circumstances that have never been adequately explained. What is also not clear is whether the entire nuclear payload was recovered, complete and intact.

Nuclear Use in Iraq Proven

The most important consideration is whether any command organization, be it Israeli, American or any other, would be willing to use nuclear weapons. There is little question that their use has been advocated by both political and military leaders.

The prohibition has been the ability to conceal their use. Events in Iraq have proven such concealment to have worked effectively and when conclusive proof of nuclear weapons use was offered to the media and world scientific community, it was quickly "contained."

On December 31, 2010, Dr. James Fetzer interviewed Dr. Chris Busby, a bio-medical studies professor at the University of Ulster, engaged in research on the use of Depleted Uranium (DU) in relation to birth defects in Iraqi children.

What Dr. Busby found was startling:

The interesting thing about the uranium was that we were able to measure the isotopic ratio because we were interested to see whether it was, you know,

natural uranium or was it DU, which is what we thought it would be. But in fact it turned out to be slightly enriched uranium [with U-235], so, that is to say, it was manmade enriched uranium.

Now enriched uranium is a material that should only be found in a nuclear power station or inside an atomic bomb. So to find it in the hair of the parents of these children with congenital malformations was really astonishing.

So we then went to look to see how this could be, and to cut a long story short, we concluded from various patents from the US patent office that we received from physicists, that it was quite entirely likely that there was a new secret weapon being used, an anti-personnel weapon of some sort which contained enriched uranium or else generated enriched uranium.

the alternative - which is sort of science fictional and which is entirely possible - I have to say, which is that they have developed a sort of neutron device which uses enriched uranium as part of its components to generate neutrons. And the way it does this is to dissolve tritium in uranium powder

What Dr. Busby is describing is an Enhanced Radiation Weapon (ERW) or Neutron Bomb. Other variations in America's secret nuclear arsenal included Minimal Residual Radiation (MRR) weapons.

Evidence of use of "special weapons" has been found at the scenes of more than one terror attack, Oklahoma City, the World Trade Center (9/11), Bali and several others.

The first hard evidence published by qualified scientists involved Fallujah. However, use of nuclear weapons in Iraq and Afghanistan, is said to be relatively common.

Israel's Bomb Inventory Scandal

One of the greatest "non-secrets" of recent years involves the placement of Israel's weapons inventory. In 1986, Israeli nuclear weapons technician, Modechai Vanunu, was kidnapped from Italy and taken to Israel where he has been held for over 25 years. His crime; reporting on Israeli's secret nuclear program at Dimona.

Cables released by Wikileaks revealed that the United States had, in 2006, allowed Libya to build a new chemical weapons facility. What has not been "Wiki-leaked" is that, when the facility was discovered after the fall of the

Gaddafi government, it was found to have been run by the Israeli government.

Since those initial reports, nothing more has been mentioned. It is very likely that this illegal facility, inside Libya, is still in Israeli hands.

In June 2010, the USS Grapple, an American naval vessel with an "unspecified" foreign crew, docked at the port of Poti, in Georgia. Ten Israeli torpedo boats, similar to those that attacked the USS Liberty, escorted it.

The ship's cargo was bombs, including runway and area denial weapons along with the enhanced version of the BLU 113 "Super Penetrator," a conventional bunker buster weapon weighting 4700 pounds.

Azerbaijani Ploy

These munitions were then transferred to weapons bunkers at a former Soviet airfield inside Azerbaijan where Israel had managed to sequester a number of attack aircraft.

These planes had flown on to Azerbaijan after taking part in joint operations between the Turkish and Israeli air forces.

After their presence was discovered, we have been told the Israeli planes returned home but there is no evidence that the munitions had been repatriated to either Israel or to the United States, their place of origin.

Conclusion

We know and can prove that advanced nuclear weapons have been used in the United States. We have evidence of their use elsewhere in recent years.

We also know that methodologies to conceal their use and manage press leaks have been very effective and have created a combat environment where the "nuclear option" is always "on the table."

We also have film and photographs from Syria showing something we have no other explanation for. Would Israel use such weapons? Do they have the means? Do they have a motive? Have they had the opportunity?

Do they have sufficient control of press organizations to encourage this kind of blatant recklessness?

I think we all know the answer.

Yesterday's night I had an amazing dream about our Antichrist and the new Golden Age. He destroyed many things of this "moder world" over jew's panic and replaced it with Golden Age deals. He raised a Nazi flag over a kind of castle. After this there was Hitler coming back standing proud along with the SS. Some SS soldiers take Heinrich Himmler's remains to this castle. Himmler's body was being renewed and his soul came to this body and still concious.

In the New Testament [just as Jewish as the Old Testament], the Nazarene's reference to a "Synagogue of Satan" is a message for the Jews that means that they/the Jews get to take over the world while the "Goyim" are damned...not the other way around. The Jews are not of Satan. I will write a full sermon with citations on this when I can. The point is that one cannot be a Christian and a legitimate White person at the same time. A Christian may try to be "anti-semitic," but the Jew owns them at the soul. Christianity destroys the soul, which in turn rots the physical identity.

Subject: THIS IS SERIOUS! Please read!

<http://worldtruth.tv/cia-admits-full-monitoring-of-facebook-and-other-social-networks/>

CIA admits Full Monitoring of Facebook and other Social Networks

(BE CAREFULL WHO YOU TALK TO THERE ARE INFILTRAITORS IN THESE GROUPS. I see so often people giving personal information even phone numbers out on the boards and asking to meet total strangers! THIS IS NOT A GAME! This is not a JOKE! SATANISM IS REAL, and SO ARE OUR ENEMIES!)

Most people use social media like Facebook and Twitter to share photos of

friends and family, chat with friends and strangers about random and amusing diversions, or follow their favorite websites, bands and television shows.

But what does the US military use those same networks for? Well, we can't tell you: That's "classified," a CENTCOM spokesman recently informed Raw Story.

One use that's confirmed, however, is the manipulation of social media through the use of fake online "personas" managed by the military. Recently the US Air Force had solicited private sector vendors for something called "persona management software." Such a technology would allow single individuals to command virtual armies of fake, digital "people" across numerous social media portals.

These "personas" were to have detailed, fictionalized backgrounds, to make them believable to outside observers, and a sophisticated identity protection service was to back them up, preventing suspicious readers from uncovering the real person behind the account. They even worked out ways to game geolocating services, so these "personas" could be virtually inserted anywhere in the world, providing ostensibly live commentary on real events, even while the operator was not really present.

When Raw Story first reported on the contract for this software, it was unclear what the Air Force wanted with it or even if it had been acquired. The potential for misuse, however, was abundantly clear.

A fake virtual army of people could be used to help create the impression of consensus opinion in online comment threads, or manipulate social media to the point where valuable stories are suppressed.

Ultimately, this can have the effect of causing a net change to the public's opinions and understanding of key world events.

Wired.com published an article how US spies are making investments in the Company In-Q-Tel in order to monitor your blogs and read your tweets.

In-Q-Tel, the investment arm of the CIA and the wider intelligence community, is putting cash into Visible Technologies, a software firm that specializes in

monitoring social media. It's part of a larger movement within the spy services to get better at using "open source intelligence" - information that's publicly available, but often hidden in the flood of TV shows, newspaper articles, blog posts, online videos and radio reports generated every day.

Visible crawls over half a million web 2.0 sites a day, scraping more than a million posts and conversations taking place on blogs, online forums, Flickr, YouTube, Twitter and Amazon. (It doesn't touch closed social networks, like Facebook, at the moment.) Customers get customized, real-time feeds of what's being said on these sites, based on a series of keywords.

"That's kind of the basic step - get in and monitor," says company senior vice president Blake Cahill.

Then Visible "scores" each post, labeling it as positive or negative, mixed or neutral. It examines how influential a conversation or an author is. ("Trying to determine who really matters," as Cahill puts it.) Finally, Visible gives users a chance to tag posts, forward them to colleagues and allow them to respond through a web interface.

In-Q-Tel says it wants Visible to keep track of foreign social media, and give spooks "early-warning detection on how issues are playing internationally," spokesperson Donald Tighe tells Danger Room.

Of course, such a tool can also be pointed inward, at domestic bloggers or tweeters. Visible already keeps tabs on web 2.0 sites for Dell, AT&T and Verizon. For Microsoft, the company is monitoring the buzz on its Windows 7 rollout. For Spam-maker Hormel, Visible is tracking animal-right activists' online campaigns against the company.

"Anything that is out in the open is fair game for collection," says Steven Aftergood, who tracks intelligence issues at the Federation of American Scientists. But "even if information is openly gathered by intelligence agencies it would still be problematic if it were used for unauthorized domestic investigations or operations. Intelligence agencies or employees might be tempted to use the tools at their disposal to compile information on political figures, critics, journalists or others, and to exploit such information for

political advantage. That is not permissible even if all of the information in question is technically 'open source.'"

Visible chief executive officer Dan Vetras says the CIA is now an "end customer," thanks to the In-Q-Tel investment. And more government clients are now on the horizon. "We just got awarded another one in the last few days," Vetras adds.

Tighe disputes this - sort of. "This contract, this deal, this investment has nothing to do with any agency of government and this company," he says. But Tighe quickly notes that In-Q-Tel does have "an interested end customer" in the intelligence community for Visible. And if all goes well, the company's software will be used in pilot programs at that agency. "In pilots, we use real data. And during the adoption phase, we use it real missions."

Neither party would disclose the size of In-Q-Tel's investment in Visible, a 90-person company with expected revenues of about \$20 million in 2010. But a source familiar with the deal says the In-Q-Tel cash will be used to boost Visible's foreign languages capabilities, which already include Arabic, French, Spanish and nine other languages.

Visible has been trying for nearly a year to break into the government field. In late 2008, the company teamed up with the Washington, DC, consulting firm Concepts & Strategies, which has handled media monitoring and translation services for U.S. Strategic Command and the Joint Chiefs of Staff, among others. On its website, Concepts & Strategies is recruiting "social media engagement specialists" with Defense Department experience and a high proficiency in Arabic, Farsi, French, Urdu or Russian. The company is also looking for an "information system security engineer" who already has a "Top Secret SCI [Sensitive Compartmentalized Information] with NSA Full Scope Polygraph" security clearance.

The intelligence community has been interested in social media for years. In-Q-Tel has sunk money into companies like Attensity, which recently announced its own web 2.0-monitoring service. The agencies have their own, password-protected blogs and wikis - even a MySpace for spooks. The Office of the Director of National Intelligence maintains an Open Source Center, which combs publicly available information, including web 2.0 sites. Doug Naquin, the

Center's Director, told an audience of intelligence professionals in October 2007 that "we're looking now at YouTube, which carries some unique and honest-to-goodness intelligence.... We have groups looking at what they call 'citizens media': people taking pictures with their cell phones and posting them on the internet. Then there's social media, phenomena like MySpace and blogs."

But, "the CIA specifically needs the help of innovative tech firms to keep up with the pace of innovation in social media. Experienced IC [intelligence community] analysts may not be the best at detecting the incessant shift in popularity of social-networking sites. They need help in following young international internet user-herds as they move their allegiance from one site to another," Lewis Shepherd, the former senior technology officer at the Defense Intelligence Agency, says in an e-mail. "Facebook says that more than 70 percent of its users are outside the U.S., in more than 180 countries. There are more than 200 non-U.S., non-English-language microblogging Twitter-clone sites today. If the intelligence community ignored that tsunami of real-time information, we'd call them incompetent."

Subject: Primordial Buddhism Updated			

Primordial Buddhism

Dedicated to Otto Rahn.

This article is meant to highlight what can be termed: "Primordial Buddhism." That is Buddhism that existed before the corruptions where made. The corrupted paradigm which is now the standard. I have already discussed this: "Bogus Buddhism." Elsewhere.

In the ancient world the Arya's worshipped a Creator God by the title of Buddha. The Aryish Druids religion was based on the worship of a crucified and reborn God man, named: Wod, Wodan, Bud, Budh, Buddha.

As DM. Murdock cites in her book: "Suns of God."

"They gave [the Sacred Island] two other names, viz, Phus Inis, and Inis=na-Phuodha-which, at once, associate the "worship" with the profession of the worshippers-for, Phus Inis, is Dudh Inis-Ph, or , F, being only the aspirate

of, B, and commutable with it-that is, Budh Island; and Inis-na Phuodha is Inis-na-Buodha, that is, THE ISLAND OF BUDHA."

So we have ancient Ireland being titled: "The Island of Budha."

Also from the same work:

"The ancient Irish and Hindus used the name Budh for the planet Mercury. The stem Budh appears in all the Celtic languages as it does in Sanskrit, as meaning "all victorious" "gift of teaching" "accomplished" "enlightened" "exalted" and on."

From here we see Buddhaya the Sanskrit title for Mercury.

The Indo-European languages all come from Sanskrit.

"The Druidic and Vedic priesthoods, language and culture are one at root, separating perhaps three millennia prior to the Christian era."- Ellis

The round towers of Ireland:

"O' Brien relates the words of an ancient Irish bishop Corma, "the celebrated bishop of Cashel" who in "defining the Round Towers in his Glossary of the Irish Language, under the name of Faill, wrote the following:

"Carth cloacha is aire bearor fall desucedr Fo bith ro ceata suighedesat en Eire"- that is, stone-built monuments, within which noble judges [my note Druids] used to enclose vases containing the relics of Fo [i.e. Budh] and of which they had erected hundreds throughout Ireland!"

More:

"O'Brien cites the Dagoba's of Sir Lanka often lofty buildings in which Buddhist relics have been deposited.

The towers are also symbols of fertility their phallic nature obvious to the eye. Concerning these phallic symbols, O'Brien remarks:

Such was the origin and design of the most ancient Indian pagodas And that such, also was the use and origin of the Irish pagodas is manifest from the name by which they are critically and accurately designated, via, Budh, which in the Irish language, signifies not only the Sun, as the source of generative vegetation, but also the male organ of procreative generativeness.

Clo. Vallancey states that Krisna also means sun in ancient Irish.

"O'Brien provides an image of a round tower with a crucified man above the door, between two standing human figures and below them two bizarre animals lying down. Concerning this image, O'Brien relates that Christian authorities naturally want to make of it a Christian crucifix. However, our Irish writer disagrees, first commenting on the strange animals and linking them with the elephant and bull on a Buddhist temple in Sri Lanka."

Tertullian, as late as 211 CE, wrote:

"The Christians neither adored nor desired crosses, and criticized pagans for doing so and for putting a man on the cross, too. For pagans a cross was a sign of eternity. It was not until the 6th synod of Constantinople that it was decided that the symbol of Christianity, which was confirmed by Pope Adrain I, would be represented from that time on as a man crucified on the cross. In fact, the earliest instances of any artwork that illustrates Jesus on the cross can be traced back only to the eighth or ninth century. Thus, the Christians adopted the crucifixion as a symbol from the pagans."

Its also no mistake the ancient Europeans would dye their bodies with a sacred blue paint. Called "Wod."

More on the Druids:

<http://groups.yahoo.com/group/JoSNewsletter/message/239>

On the European continent where the same God who is hung on the sacred tree and reborn again is worshipped. We had the major spiritual center of the Irminsul Pillar. Which holds the same meaning of the Tet Pillar of Ptah in Egypt. Or Mount Meru column. Of which the Round Towers are a symbol for as well. This is the meaning of the Buddhist Stupas in the East as well.

Budha is depicted as the sacred tree in the East as well as the West.

We have these same towers being called; "Fish Towers." As the Fish is the symbol of the perfected life force following up the spine and the rebirth. It's the Yoni symbol in which the reborn God is shown emerging from. We have the same round towers or Benben towers being built by the Egyptians as well. Also noted in Sri Lank Buddha is still called Wod or Woden to this day.

As D.M. Murdock notes:

"The word "Buddha" is related to the Egyptian term for the sky-god father-figure, "Ptah" and "Puttha," as well as to "Pytha," as in Pythagoras ("Buddha" + "guru"). "

Churchward also stated:

"Buddha is their representative of Ptah of the Egyptians."

As mentioned the same themes are found in Egypt as in Ireland/Europe. And the East.

Ptah and Osiris as mentioned before are the same God. Osiris name translates out: "The eye of the throne of God." This Throne is Isis's. Isis is linked to the star Sirius as is Ptah's staff. Hence Osiris is the union of the this power and its full activation. The Throne is the illuminated or perfected consciousness. And Isis rules the Sophia or Shakti aspect. Which what Ptah's staff contains in symbol. The two are the same God. Just as Wod/Buddha in Europe is symbolically depicted as being blue so is Ptah-Osiris as well.

As I mentioned here:

<http://groups.yahoo.com/group/JoSNewsletter/message/418>

The religion of Ptah-Osiris and the crucified and reborn Hari Krist[na] or Horus Krist. Are the same as Vishnu and Hari Krishna of India. And that Vishnu originally is a title of Surya. Hari is the symbolic title of our God. And the source of the term Aryan. The term Aryan in the ancient world was also spelled Ari or Hari we also have the Arya or Haraya [People of Hari]. This term is in Egypt as the term of the founding race.

The H of Hari denotes the Serpent [Mercury-Budha]]. And the God Himself.

Ptah-Osiris staff is the same as Woden's spear.

"Another title for Surya is "Budha."-Suns of God

Originally Buddha was a major title for the Agni/Surya the Vedic Sun God. And symbolic mythos goes back to this period. Tvashtar [a title of Surya] is the father of Agni. Surya is titled the world modeller or skillful smith [Ptah].

As I have stated in another article Surya is known to be Ptah-Osiris of the Egyptians and Heru [proper title Hari]. Or the resurrected/perfected or reborn

Ptah-Osiris. Agni in India. This is symbolic Osiris and Isis unification generates the reborn or perfected soul. Hari. As noted before Ptah-Osiris is identical to Agni/Surya. As this is the same Primordial Tradition. The Egyptians stated they came from the East and this is seen in their culture. We can see that Agni also represents the perfected Surya. We have an ancient inscription at Buddha Gaya that calls Buddha: "This deity Hari." Hari is one of the most ancient names of our God.

This is why there are images of Surya at Buddha Gaya as well. Budha is another title of Surya. Who as stated is Ptah-Osiris [Hari]in Egypt. This also gets into Helios. Which means the same as Hari.

As stated before:

"Horus bears the title proper of Hari Krist but in all reality going right back to the Sanskrit it would be Krisna. Krisna was in this region as the title for the sun god among other spelling. So we have Hari Krisna of Egypt. Further images of him in Egypt found in some regions show him to be identical in appearance to Krisna of India. In Egypt he is shown as the blue coloured child, holding his finger to his mouth and a clay pot in the other. Same as Krisna of India. The Greek version of him as Harpocrates from the Egyptian Har-Pa-Khered: "Horus The Child." Shows him sitting with the clay pot [like Krisna's butter pot] feather in his hair and all. Identical to the images of the God in India. This God also rests upon the serpent or lotus flower. Identical to Krisna of India once again The eagle and Falcon are interrelated as well. Just as the Peacock is the Phoenix in Egypt. The eagle plays prominently in the avatar tradition in India.

As DM. Murdock points out in the earlier traditions of Krisna. He like Horus[Hari] of Egypt is crucified , in this case upon a tree by being pinned or pierced to it by arrows and later resurrected or ascends. Upon this the tree which is next to the river, regenerates and grows and rains lotus blossoms and gives off fragrances."

She further states:

"Like Krishna Buddha has been deemed an incarnation of Vishnu, an aspect of the God Sun. Among other symbols depicted in images of Bodhisattvas and Buddha's, as well as Vishnu. According to Pandey, "The girdle on the waist is a necessity when smartness and valour are ascribed to a deity." Which means additionally that Buddha is clearly portrayed as a God. The insight that Buddha, like his alter ego Vishnu and preceding avatar Krishna."

This is why in India we have inscriptions to Buddha calling him an incarnation of Vishnu [Surya-Agni] and the saviour of the world, the way of immortality. Its no mistake the statues of Buddha in the East are the same as statues of Surya in many areas.

As mentioned Krishna/Hari the perfected Vishnu. This is why the tales of Krishna and Buddha are identical from the divine births to the same birthday. And on in their tales. Including Buddha like Krishna in the early texts being crucified on a tree. In the case of both Buddha and Krishna by being pierced by arrows. And then being resurrected later:

The scholar Titcomb states:

At the death of Buddha the earth trembled, the rocks were split and phantoms and spirits appeared. He descended into hell and preached to the spirits of the damned.

When Buddha was buried, the coverings of the body unrolled themselves, the lid of his coffin was opened by supernatural powers and he ascended bodily to the celestial regions."

We have Buddha resurrecting and ascending boldly into heaven. This is the same as the traditional Sol God of the Primordial Tradition. We also have Buddha transfigured as bright as the sun. On the mountain top. As we see later this is important as it connects to Adi Buddha. Which shows us the same God from the original Tradition.

Originally the concept of Nirvana is not extinction. But enlightenment and immortality:

"Nirvana is identified with "the opening of the pure ways of heaven." Of the "gates of eternal life," and is actually called the sun and "the center of supernatural light." -Suns of God

This is why there are 12 full steps to full enlightenment or Nirvana in Buddhism. The 12 steps of the Magnum Opus.

Images in the East of Buddha's death show the Mount Meru column falling. This is the same theme in Egypt with the "blessed land." Of which sit the Tet Pillar of Ptah [Meru Column] in the center of. Of which atop the Phoenix [Peacock in the East] sit. After a great destruction the Tet pillar is reborn with the land into the pure state. The stories of Buddha's cremation in this light is also symbolic of the Phoenix of rebirth through flame. This is why Buddha dies at 84. $8=4=12$, the 12 steps of the Magnum Opus. The Phoenix's other symbol is the Grail. Of which also features in Buddhism as well.

We can also see in ancient India Buddha being depicted as a linga, tree, white horse and the Kalachakra. There are all symbols of the life force energy. The linga the same symbol as the Tet Column or Round Towers, Stupa's, etc. We will come back to the Kala Charka in a bit.

Looking into the earliest Pali texts it's still possible to see remnants of the original Tradition that were written over with enemy corruptions.

We find mention of awakening the seven centers of consciousness and opening the eye of wisdom. Along with Buddha having obtained the literal "deathless state" and bearing all the marks of the perfected man, along with all the supernormal powers or Siddhi's. His victory over Mara [Mara is the god of death in older spellings] under the tree being the symbolic of having gained immortality and illumination. Mara and his forces represent originally the titanic or dross element that has to be purified from the soul. And with this the morning star appears and the tree rains down lotus blossoms etc. The same as the tree Krishna was crucified upon. And we have Buddha/Woden crucified in the European branch and originally in the Eastern branch.

The references to the 5 wisdoms, the Jana's and such are taken from the purification of the elements of the soul. There are still some meditations upon the "four great elements" and their functions in the early texts. The principal of samsaric aspects being a corruption of the unperfected state. The nine realms of the Deva's an allegory for the Charka's, etc. Samsaric states also originally refers to the dissolution process of alchemy.

We also find Buddha's performing miracles and such. His life in the mythos is identical to that of Hari of Egypt. And as mentioned Hari of India in many places.

Originally the Aryans lived across Asia all the way to Northern China and the regions of the now Gobi desert. The pyramids found in Northern China are from this period. And the Chinese admit they are not part of their civilization. National Geographic and others have done large stories on the excavation of the silk road and general Far East. In which cities larger than Babylon at its height have been found. Along with perfected preserved bodies of White people dressed like they belong in ancient Ireland and the Scottish highlands. The female hair is braided in a specific fashion that only remains in the folk culture of Denmark. There are also over five thousand ancient Vedic temples in parts of China. Along with the fact China's name comes from a Sanskrit word for Lion. Ch'in is the Chinese spelling of the Sanskrit "Simha."

The ancient Chinese records state about the rule of Aryan Emperors with blonde hair, green/blue eyes, etc. And the Mongols record a race of blue eyed, Aryans living in their region many of whom their ruling caste was descended from. Genghis Khan [Great Serpent] was described as having red hair and light eyes. Along with many upper caste Mongols of the period. The Mongoloid races were not in the area of Northern China and other Asian regions, till around several thousand years ago. Where the Aryans had already lived there for thousands of years before. The Tibetans also state they received their original culture of Bon. From a race of Aryans thousands of years ago. The anthropological studies conducted on the Tibetans by the Germans, found the upper class of Tibet where also of Aryan origin, mixed with Mongolian . In the far east they traditionally worshipped a Creator God named Fo/Po or Futi. Also spelled Buddha.

And this brings us to BON PO.

With BON PO we have the title for Buddha of PO. Bon was the religion across Asia and as we will see Europe as well. The findings from Bon in Nepal and Tibet such that before the Gautama or Ashoka period. BON images show the classical images of Buddha seen in Mahayana sects. As well as ancient BON texts mention their perfected masters have the title of Buddha.

We also have images from Europe found of Yogi's in the full lotus position. Which identical spiritual symbolism upon them.

BON was repressed and almost wiped out by the Ashoka corruption of Buddhism or

bogus Buddhism. Bon temples and sacred sites and texts were destroyed along with many Bon's. This period is still called: "The dark times." By the people in the regions of Nepal who are Bon's. We also have records of Ashoka putting up to eighteen and more thousand people to death as part of the repression of this Imperial Ideology of his.

We are seeing with Mahayana. Ashoka Buddhism which is a inversion of the original, grafted over the original Buddhism in these regions openly.

In the regions of Nepal we still have the Bon Stupa's painted in the same way. The traditional or Ashoka Buddhist ones are. So we can see this is a copy of the original Buddhist style.

In the region coming from the BON tradition. Are Chortens. Which are Stupa's which are based on the classical temple building of the East and the West. The base represents the circle within the square and the Mount Meru axis with 13 steps or representing the 13 steps of enlightenment. Mentioning the hidden 13th within the 12. And $1+3=4$. The perfected elements coming from the 5th of ether within.

The Vishnu [Surya] yantra is designed upon the 64 square grid of the Mer-cury square. Enclosed within a circle with symbols for the cardinal points. We see Buddha originally being a title for Surya[Vishnu]. The circle and square represent the unification of the male and female aspect of the soul into Godhead. This style is the bases of many ancient statues of the Sol God in the East. The God as the Linga standing upon the square base. Representing what is encoded in the Sol Gods yantra. The same symbolism is found on the Medicine Buddha's yantra as well.

The heart of the BON PO system was a system called the: "Great Perfection." And was based on creating: "The Immortal Rainbow Body." The center of this being the Kalachakra Tanta.

In India we have Buddha depicted as the God Kalachakra as well. This is the core of the original Buddhist tradition from East to West here. The God Kalachakra rules over this process.

The Kalachakra is based upon the unification of the male and female parts of the soul . Even openly describing the meditations for the production of the male and

female elixirs . Along with the purification of the elements or great lights of the soul. As part of this upon the Kalachakra mandala we have the image of the Black sun. Of which Adi Buddha the perfected human comes forth from. Within the Kalachakra we have the same themes found in the Eddas. The Western branch.

Budha in India was depicted as the Kalachakra Lingam. Which is the sacred phallus of which is seen in the shape of the rune stones. This is also as mentioned before what the tree represents. The illuminated soul. Wodan is also shown in direct imagery with the sacred phallus upon the horse. The symbol of the perfection and rebirth of the soul.

The final product being the creation of the Adi Buddha. Adi means "Lord of the Mount." And is identical in meaning to Dionysus" "Lord of the Mount Nysa." The Mount Meru Axis. Which we see Ptah [spelling of Buddha] in Egypt with the Tet pillar and Woden[Buddha] in Europe with the Round towers. And Adi Buddha in the East. In the origin Tradition of BON. We have The Lord of Time [Kalachakra] another title for Primordial Buddha. Our God.

Another title for Dionysus was Hu another spelling of Woden. Dionysus also carries the grail. And is the eternally young, crucified and reborn youth. Who's sacred animal is also the Peacock.

Ichthys, or the Fish, was one of the names of Dionysus and the divine phallus was also shown in the shape of fish. The phallus is the spinal column with the kundalini full risen. EA [Oannes] is also shown as a Fish cloaked God in the ME and Lord of the Water for the same reason. The life force.

Lord of Time or Kalachakra:

In Sanskrit SAT means Truth. Truth in the ancient world was another name for illumination and transformation of the soul. When the kundalini power rises it brings a person to SAT by illumination of the consciousness it brings which is what they were depicting by the title of Truth..... This is why the strength of the soul is its ability to reach levels of truth in the Egyptian texts. Levels of empowerment.

An as the prefix of Ananta Shesha which is the primordial serpent. Depicted as a serpent in a golden circle clutching its tail. The sign of the Magnum Opus. This golden serpent is given the title of "Eternity" [Ananta]. And refers to the

title of "Lord of Time." As time in this sense relates to the perfection of the soul.

Sat also meaning: Shining. And , An: Serpent. Hence Satan translates out to: Shining Serpent.

This is why Woden [Budha] has a golden ring that replicates itself. This is also why Woden has the sacred mead drunk from the horn [grail symbol]. One of these sacred horns found in Europe show it made of gold with alchemical symbolism all over it. Remember Woden also rides a White Horse another symbol of Budha. He rides it thought the different worlds in the eight different directions. This is the circulation of the life force through the soul.

As Gardiner points out. Wodan was the name of the Kundalini in North, Western Europe. And his spear represents the spinal or Meru column which the serpentine energy is channeled through. It's a Caduceus symbol. The An sound on the end of Wod-an denotes the serpent. And the perfected life force. Hence the spelling of Wod the mercury plus An of the serpent. Same with Sat-An.

Wodan's symbol of the valknut is the trine symbol of the soul. Wodan is called the unfastener of knots or bindings. This refers to the opening of the three granthis or knots of the soul. This is the one God in three parts. Which is represented by the AUM formula. Wodan being the Kundalini power among the Teutonic branch of Europe. This is always represented as the three in One. V,P and B's are interchangeable. Val, has the V that denotes the mercury or Serpentine life force. The W on Wodan is properly pronounced as a soft V.

The Valk-yries are also the Shakti aspect of the soul. The nine Daughters of Wodan. All of this relates to the soul and its structure and purification. The warrior must die pierced by a blade[sword mainly] in battle to go to Val-halla, Its an allegory for the chaos stage and the ascent of the kundalini and its piercings aspect. In the ancient world the sword, spear and dagger were also symbols of the serpent power. The Valkyrie takes him over the rainbow bridge [up the spine of the chakra system] to Valhalla we are looking at the shakti rising up the spine to the crown chakra. The Veda's hold the same images of the Rainbow and so did the Hellenic schools. The pot of gold at the end of the rainbow comes from such schools. Its an allegory that lived on in folktales.

The horn of Wodan's sacred Mead as a grail symbol comes from the sacred Bull:

<http://groups.yahoo.com/group/JoSNewsletter/message/448>

The Bull was so sacred to the ancient Aryans from Europe to India. The word God comes from the ancient word for Bull. Go, and the Bull and Goat were used interchangeably Hence the German Got. The totems of the God Satan. The G is also a serpentine symbol in sacred lettering. And the O the union of the masculine and feminine. This is all of Satan.

In the East we have the Bull of Dharma for this reason. The four legs represent

the four elements and the horns the symbol mercury. The Bull was used as the symbol of the Sun [spiritual sun] for this reason. And the ancient texts stated: The Bull is the serpent and the serpent is the Bull. It's a serpentine symbol .

Wodan also has the Golden Helm which represents the Halo or Gold in the Work. The Gods in the East are shown wearing an identical helm. Which represents the capstone in the work. The conical stone on the top of the Meru Column the completion of the great work. Also seen in the Wizard hats.

Wodan is the All Father as this represents the ether element that the elements and property of the soul manifests from. And the All is when all the charka's are made into one via the Magnum Opus which perfects this principal. Hence Zeus being Zan meaning the All. This is what Narayana represents. Narayana wears the sacred Golden Helm.

Wodan's main rune is the OSS rune. Which is the ether element. Or Mercury. For this reason. And Wednesday is named after the day of Wodan. The day of Mercury which is the holy day of Buddhists in the East.

Many of the rune stones are phallic shaped for this reason. As the phallus, fish and Meru Axis all meaning the same.

In the East We have Buddha also carrying a sacred Grail in the image of bowl and sometimes a mixing bowl made of lapis lazuli which as Philip Gardner states is an ancient Grail symbol. The Lapis lazuli or blue stones are the grail symbol in Sumeria and also depicted in the Dionysus branch as a cluster of grapes. We have tales of Alexander the Great climbing the sacred tree and meeting the Green Man who then gives him a cluster of grapes which lead to immortality, etc. The Lazu-il denotes illu or the illuminated. And we have Ra or the Ra's bow [Rainbow] Ra's bow is Ra's celestial ship he journeys through the 12 stages of the Magnum Opus upon. The Egyptians called the Great Work. Creating the body of Ra. Or Rainbow body. Within this we have the holy: "G-ra-il." The G in the ancient script denotes the serpent.

In Egypt we have Ptah, Amun, Ra. Being the original three in one trinity. With the Ra-m, being the symbol of Agni. And EA as scholars note PTAH in Sumeria has a staff with the rams head at the top of it.

We have the fact the hero travels over the Rainbow bridge to enter Valhalla and sit with Woden [Budha]. And thus obtain immortality and perfection.

The Blue color is the symbol of the Great Perfection. It symbolizes the purified

soul. Of which the purified Mercury relates to. As we see with Ptah-Osiris, Woden and Votan in the American's.

In the East Buddha was depicted as the sacred Tree which is of Wodan in the West.

From this we also have the famed Medicine Buddha who is depicted as blue and holding a pot full of a healing substance from the Myrobalm, a tree used in Ayurveda healing arts. In the Primordial Tradition. The Healing God is the symbol of the Magnum Opus we can see this in the West. Especially with Asclepius the serpent God. And with all the tales of the Serpent. The body is considered a medicine bowl [grail] in the East capable of generating the needed elixirs or medicines which heal the body fully. But the medicine has to be taken daily. Meaning a daily spiritual practice, that transforms the soul to the perfected state.

It's the same in the West. Old age, sickness, death and such issues where all known as sicknesses . That could only be cured as they stated by the Great Working. To be healed literally meant to be made whole. The popular term for this in ancient Greek was SOZO. Meaning Saved or salvation by being made whole [Holy]. This is why you had orders calling themselves the Spiritual Physicians. And this why Ayurveda texts at the heart where based on achieving the Perfected and immortality state.

The Grail legends primal source is Sanat Kumara [Sanat is an anagram of Satan] who rules the kingdom of Shambhala which depicted in the shape of a city in the shape of the eight pointed star. Identical to the Grail castle in the West. Who's king is shown with the image of the Peacock. And legend is a repeat of the Ptah-Osiris, Hari [Horus]. Symbolic mythos.

Kalachakra [Sanat] is the ruler of Shambhala. Just Woden is ruler of Valhalla in the Western branch. It's the same God with the same meaning. The banner of Shambhala is a peacock feathered one. As we see this God rules the Grail. And the title of the perfected adept is Adi Buddha [also Wod, Woden, Budha],etc.

Its no mistake the Buddha Amitibha [who is connected to Bon/Kalachakra]in Tibet is depicted as a forever young boy. Surrounded by Peacock imagery. Is Sanat

Kumara.

In the Eastern texts Siva is stated to represent Mercury [Budha] as well.

The letter H denotes and represents Siva in the eastern texts. And the serpent. And how this relates to the Mercury or serpentine light [life] force. Hence why Siva main bija mantra that represents him is HA-UM. Bud-HA.

The famous Siva mantra that translates to: I am Siva. Sivoham. Has the Haum properly spelled. Siva is the serpentine life force. And what the O represents.

In the Vedic world the Trinity was Agni, Surya, Indra. And within this Surya is the perfected or White stage. Within The Veda we have Siva as a title applied for these Gods. Hence Siva originally is another title for the One in three. Si represents fire [male] and Va water [female] hence the polarity in union. And the symbol of the lingam and Yoni. And the six pointed star of Visnu [Surya] also used for Siva, which represents the union of the polarity of the soul into the perfected state. As stated in the: Supreme God. Article, the Jews simply stole this symbol much later on.

As I wrote before Surya is Ptah-Osiris in Egypt. The sacred Bull , Phallus, world column and Serpent, Trident [staff] are symbols of the same God in Egypt as is still of Siva today. Surya is also depicted in the Vedic tradition as being four armed and blue, Lord Narayana. Which Siva is traditionally depicted as well. As I stated before Visnu originally is a title for Surya in the ancient world. Hence his depiction in the same. Because it's the same God. This is why Osiris and Vishnu-Siva have the six pointed star as their symbol. As the scholar and Sivaite, Danielou points out during the period of the Indus Valley civilization. Siva was the holder of the title Lord Brahma. And originally as Lord of the Animals the avatar of the Boar and Matsya or Fish avatar, Lion avatar, etc. Belongs to Siva. As does Krisna, etc. This is because at the core this is simply Surya. Of which Budha is another title.

Another title of Siva is Kalachakra. And the Kalachakra Lingam is the sacred Phallus which denotes the mercury life force. Siva's trident is the same as Wodan's spear. In his image in the West. Siva and Budha are the same.

This is why as noted:

<http://groups.yahoo.com/group/JoSNewsletter/message/426>

Mount Kailash the sacred mount of Siva [also to Bon] and Vajra Buddhism. From a UN report shows strong evidence of being man made on some level. And could be a vast human built pyramid. That was the central focus of a larger world wide system of such sites. Its noted to be a center of a region of a hundred smaller pyramids in total. And the Bon's mention it as being the nine-story Swastika Mountain and the seat of all spiritual power.

It's the same God hence the same sacred site. Danielou points out in his works that Vajra Buddhism [glossed over Bon]. At the core is actually the worship of Siva and the transformation process. Before being glossed over by the Gotama corruption. Which seeks to basically Christianized the original religion.

The great scholar and researcher Otto Rahn proved that the Cathar's where the Western branch of Bon. Both had the same Grail legends of the Mani Jewel. And both bear the same title. The Cathar's called themselves the Bon's. And have the fact Bon means Good. Which in the ancient world is term meaning: "Shining or Shining Ones." Baron Evola also points out the Cathar's connection to Eastern Buddhism.

The Aryans in the A-mer-ca's or Amaru in Sanskrit . The mainstream tale of Amerigo Vespucci, turned out to be a fraud upon investigation. Also worshipped Votan [Wotan/Woden/Budha]. And had the same symbols and culture the Cathar's of Europe did. The evidence shows the Aryan civilizations in the America's [even by the Amerindian records] predate the Amerindians by thousands of years: <http://groups.yahoo.com/group/JoSNewsletter/message/181>
Votan is also called the: "Morning Star."

The Cathar's are the major source of all Western Grail legends and chivalry . And hence why their tradition has a knight joining with his Lady and thus being giving a golden ring. The symbol of the Grail. It represents the union of the male and female aspects of the soul. And the golden ring the symbol of Eternal life. The same ring Woden rules.

Rahn and others mention the Cathar ideal of love as Amour not the "love" being pushed by the Vatican program of Jewish-Christianity. Rahn mentions this term Amour is equal to the concept of the Magnum Opus. Our concept of love and spirituality in the current world comes from the program of Christianity. The

enemy pushes sentimentalism as spirituality.

This Amour term connects back to MR which in Egypt is means bright or shining. The sacred tower [seen across the world and related to Buddhaya] was also called MER. And the original name for the Pyramid is MER. Meaning the place of ascension. This connects back into Meru. And Isis as Isis Meri or Meru. The Cathars worshiped Mary. Mary was another spelling of Meri [Isis-Meru]. Christianity stole this later on. The Cathars where Germanics and directly connected to the Pagan, Mero-vingians. This is where much of our Grail lore comes from. Amour=Mero=shining/brightness, and in French still means love. MR or Mer, Mer-cury means: "Eternal." In the sense of perfected. The Cathar title of Amour or MR translates to Buddhaya.

The title of Bodhisattva predates the current Mahayana and its altered meaning. It means " the essence of enlightenment or wisdom." Wisdom being Sophia the super conscious state, from the risen serpent. This is why the Bodhisattva is depicted with a flame upon their head or halo. They have been baptized in wisdom or the serpentine life force and reborn from this sacred baptism. Hence

the meaning of Gnosis as from Oannes / OANA. Which brings us to Jana's. An representing the serpentine energy. And its perfection of the being. The four J-an-a's are taken from the purification of the four elements of the soul via the serpentine life force. Jana Pandita is another title of God in the east. From Jana we get O-AN-a, O-AN-nes and the word Gnosis. All titles which are of our God Sat-AN.

Ichthys, or the Fish, was one of the names of Dionysus and the divine phallus was also shown in the shape of fish. The phallus is the spinal column with the kundalini full risen. EA [Oannes] is also shown as a Fish cloaked God in the ME and Lord of the Water for the same reason. The life force.

This is why in the Western Pagan tradition after being baptised the individual was given a lit candle and called the illuminated

As Evola states:

"It has been noted the Grail.resembles in a specific way the frontal stone (urna)..That especially in Buddhism often represents the place of the third eye.. This is an eye that is endowed with both a transcendent or "cyclical

vision (known in Buddhism as Bodhi, or SPIRITUAL ENLIGHTENMENT)."

This stone that represents the enlightened or Bodhi state is an emerald stone. And is called the Mani Jewel. This emerald stone is another symbol of the grail in Traditions in both east and west. As stated both the Bon's or Cathars of the West and East held this sacred. And it is ruled by Budha.

Emerald in the East is the stone that rules the planet Mercury.

This brings us full circle to understanding what does Budha mean as a title.

The Budha is enlightened upon the Bo tree. Among the ruins of An-arajapura. Its mentioned in the book Ophiolatrea by H.Jennings. Of nine templesgroups of pillars. That consist of an enclosure, in which there are sacred trees called Bo-gaha.

So we see the sacred pillar's like the Irminsul or Tet, Meru, column. Along with the sacred trees common to the worship of Woden in Europe. The hill of Tara alone had three hundred oaks planted around it. And the Germanic s had a habit of wrapping a golden serpent image around trees and making them sacred spots. Woden[Buddha] being crucified [fixing the power] upon a tree. Which represents the spinal [meru] column with the branches being the 144,000 nadis.

As stated before in the East Budha is depicted as the sacred Tree. Or world Tree.

Buddha is pronounced [seen with Fo or Po] and in many cases spelled with an O sound. Which denotes the serpent. Such as SO-phia, Opis, Orpheus. The P, V,B sound are interchangeable.

In the texts the O denotes the Mercury and is the symbol of the union of A and U that create the M. The third power. The M is the symbol of the reborn soul. The O which the symbol for the Gold in the work comes from. Is popularly denoted by the Ouroboros.

Mer-cury is a horned glyph representing the perfection of this power. The horned serpent or halo is humanized in the Sol God. Hung upon a tree and reborn via the perfection of this life energy.

Gardner states in his book: "Secrets of the Serpent."

"Dionysius who is equated to the other horned GodsIs the same Dionysius I found elsewhere to hold the chalice or elixir."

The title of this sacred cup of Budha/Dionysus was the Agathodaemon or "Good Serpent." And Good translates to Shining.

The Cathar's worshipped Lucibel which is another spelling of Hu which is another spelling of Woden/Budha. And the Cathar's called their God Agathodaemon meaning "The Good Serpent." An ancient title of our God. And Woden [Budha] was the title of the Kundalini or serpentine energy .

Budha means the: Shining Serpent. Hence Budha is the literal term for the kundalini energy.

So the Cathar's or Bons. Worshipped Budha/Woden. And they where the last known Primordial [original] Culture of Race in Europe. As part of this the Cathar's understand the sacredness of racial purity and the godly essence of the Aryan blood and their descent from the Gods.

This is why Buddhism in the East has been stated to be over 15,000 years old. Its mentioned the original or Primordial Budhism. Satan is the original and only Budha.

This wisdom lived on in the Dharmic texts in the East:

"It is imperative to respect the lineage of one's ancestors and avoid the mixing of races through procreation. This alters the divine order and provokes regression of the species. Marriage rites or procreation must be accomplished of the responsibility of the transmission of life, having solely in mind the quality of the product of the child. According to the rules of genetic selection defined by the texts of the Agamas."

-Advice to a Mleccha [one born outside of Bharat] by Sadhu Shambhudasa

The Agamas are from the Vedic [Aryan] religion.

Jewry Enraged Over Syria's Ability To Defend Themselves From Jews

My note why is the Jewish state so enraged and making violent threats towards Syria. Simply for having an Air DEFENCE system?

Because it will make it harder for Israel to do things like use more Jewclear [SEE ARTICLE BELOW] weapons on Syria prehaps. Why else would the Jewish State be mad their intended victim had the ability to defend themselves against their psychotic aggression.

Also mentioned in the news report link, most of the hundred thousand foreign Merc's making up the FSA. Are from Saudi Arabia which has been along with Israel really pushing this war in the region against Syria. Well as we see in the article below. The House of Saudi are Jewish. Its no mistake they are the Jewish controlled West's number one ally in the region.

Its also been claimed the current leader of Turkey who is also helping Israel and the Saudi's is himself Jewish. Which from the article below makes sense. As the Jews sized power in Turkey with the Young Turk movement in the last century and then proceed to launch the Armenian genocide. Killing over a million

Gentiles to size their wealth and prosperity for themselves. Which is what Jewish Communism is all about as well.

http://www.youtube.com/watch?v=1r_3Nf2jWPU&feature=player_embedded

Syria has received its first batch of Russian anti-aircraft missiles - that's what President Assad reportedly told a Hezbollah television network. The statement's adding fuel to the tensions over the S-300 air defence system, with the U.S. slamming Russia's actions and Israel signaling it would prevent it from becoming operational. RT's Paula Slier is following international escalation over Syria -

Was Syria 'nuked'?

<http://www.presstv.ir/detail/302772.html>

Striking evidence of the use of American EPW (Earth Penetrating Weapons) nuclear weapons in Syria has come to light. Experts say the proof is irrefutable.

Dramatic video footage from Syria has revealed startling evidence that counters Israel's claims of "surgical strikes" on weapons headed to Lebanon.

What were said to be air strikes is now proven to have actually been artillery, something easily discernible to even an untrained observer.

What happens next is shocking. While artillery shells rain down on Syrian army positions, mobile Israeli artillery in direct support and even accompanying rebel forces inside Syria, a huge explosion occurs.

After analysis, it had become clear, Syria had come under attack by Israel using, not just nuclear weapons, but an American nuclear bunker buster bomb, one of several supplied to Israel to use against Iran, one of the last acts of the Bush/Cheney administration.

Submitted for analysis, the footage was compared with tests of the 37,000-pound MOB (Massive Ordnance Penetrator), designed by Boeing to be used against Iran's underground facilities. There was no similarity whatsoever noted between the Syrian "event" and a conventional "bunker buster" including the GBU 57, the largest conventional weapon every to be used.

More Proof

Colonel James Hanke, former Defense Attaché and Liaison between the Pentagon and Netanyahu's government, reviewed the footage.

He indicated that the GBU 57 is considered too high a risk for use because of its danger to the earth's crust.

The Syrian/African fault line spreads into Israel. Were it to be subjected to this kind of explosive power, the threat of an earthquake doing significant damage in Israel is a reality. The nuclear bunker busters have far less penetrating power and, I am not saying that this was a nuclear device, not until more evidence is in, but the 'event profile' shows striking similarities.

The other problem with the GBU 57 is delivery. Only two aircraft are capable of delivering this weapon, the B-52 and B-2 Stealth Bomber. Israel does not have these aircraft.

Collapse of UD Air Force Command Structure, Again

Thus, if a MOP were used, it could have only been delivered by the United States Air Force, an organization reeling from recent disasters within its own ranks after a second lapse in nuclear weapons security in a five-year period was discovered at Minot Air Force Base in South Dakota.

Seventeen officers have been removed, a "house cleaning" of unprecedented scale. Back in 2008, Secretary of Defense Robert Gates ordered a restructuring of America's nuclear security command after a 2007 incident at Minot.

A B-52 was loaded with thermonuclear weapons and flown off the base, violating 84 separate authorization protocols. The plane was later recovered over 1500 miles away under circumstances that have never been adequately explained. What is also not clear is whether the entire nuclear payload was recovered, complete and intact.

Nuclear Use in Iraq Proven

The most important consideration is whether any command organization, be it Israeli, American or any other, would be willing to use nuclear weapons. There is little question that their use has been advocated by both political and military leaders.

The prohibition has been the ability to conceal their use. Events in Iraq have proven such concealment to have worked effectively and when conclusive proof of nuclear weapons use was offered to the media and world scientific community, it was quickly "contained."

On December 31, 2010, Dr. James Fetzer interviewed Dr. Chris Busby, a bio-medical studies professor at the University of Ulster, engaged in research on the use of Depleted Uranium (DU) in relation to birth defects in Iraqi children.

What Dr. Busby found was startling:

The interesting thing about the uranium was that we were able to measure the isotopic ratio because we were interested to see whether it was, you know, natural uranium or was it DU, which is what we thought it would be. But in fact it turned out to be slightly enriched uranium [with U-235], so, that is to say, it was manmade enriched uranium.

Now enriched uranium is a material that should only be found in a nuclear power station or inside an atomic bomb. So to find it in the hair of the parents of these children with congenital malformations was really astonishing.

So we then went to look to see how this could be, and to cut a long story short, we concluded from various patents from the US patent office that we received from physicists, that it was quite entirely likely that there was a new secret weapon being used, an anti-personnel weapon of some sort which contained enriched uranium or else generated enriched uranium.

the alternative - which is sort of science fictional and which is entirely

possible - I have to say, which is that they have developed a sort of neutron device which uses enriched uranium as part of its components to generate neutrons. And the way it does this is to dissolve tritium in uranium powder

What Dr. Busby is describing is an Enhanced Radiation Weapon (ERW) or Neutron Bomb. Other variations in America's secret nuclear arsenal included Minimal Residual Radiation (MRR) weapons.

Evidence of use of "special weapons" has been found at the scenes of more than one terror attack, Oklahoma City, the World Trade Center (9/11), Bali and several others.

The first hard evidence published by qualified scientists involved Fallujah. However, use of nuclear weapons in Iraq and Afghanistan, is said to be relatively common.

Israel's Bomb Inventory Scandal

One of the greatest "non-secrets" of recent years involves the placement of Israel's weapons inventory. In 1986, Israeli nuclear weapons technician, Modechai Vanunu, was kidnapped from Italy and taken to Israel where he has been held for over 25 years. His crime; reporting on Israel's secret nuclear program at Dimona.

Cables released by Wikileaks revealed that the United States had, in 2006, allowed Libya to build a new chemical weapons facility. What has not been "Wiki-leaked" is that, when the facility was discovered after the fall of the Gaddafi government, it was found to have been run by the Israeli government.

Since those initial reports, nothing more has been mentioned. It is very likely that this illegal facility, inside Libya, is still in Israeli hands.

In June 2010, the USS Grapple, an American naval vessel with an "unspecified" foreign crew, docked at the port of Poti, in Georgia. Ten Israeli torpedo boats, similar to those that attacked the USS Liberty, escorted it.

The ship's cargo was bombs, including runway and area denial weapons along with the enhanced version of the BLU 113 "Super Penetrator," a conventional bunker buster weapon weighting 4700 pounds.

Azerbaijani Ploy

These munitions were then transferred to weapons bunkers at a former Soviet airfield inside Azerbaijan where Israel had managed to sequester a number of attack aircraft.

These planes had flown on to Azerbaijan after taking part in joint operations between the Turkish and Israeli air forces.

After their presence was discovered, we have been told the Israeli planes returned home but there is no evidence that the munitions had been repatriated to either Israel or to the United States, their place of origin.

Conclusion

We know and can prove that advanced nuclear weapons have been used in the United States. We have evidence of their use elsewhere in recent years.

We also know that methodologies to conceal their use and manage press leaks have been very effective and have created a combat environment where the "nuclear option" is always "on the table."

We also have film and photographs from Syria showing something we have no other explanation for. Would Israel use such weapons? Do they have the means? Do they have a motive? Have they had the opportunity? Do they have sufficient control of press organizations to encourage this kind of blatant recklessness?

I think we all know the answer.

House Of Saud, Donmeh "Young Turks" Crypto-Jews

In this investigative report by Wayne Madison a former U.S. Intelligence and US

Navy officer we find out several major things That Turkey fell from the inside to crypto-jews or the "Young Turks" the Donmeh. These jews where responsible for the Armenian genocide [a million and up where murdered] along with the genocides of thousands of Greeks.

We also learn the House of Saud the family that rules Saudi Arabia are of jewish creation and blood hence also crypto-jews. This news being so dangerous to the Saudi's they put out a contract on a researcher Mohammad Sakher who wrote openly of it.

We also learn the jews are fastly losing their power in the ME with their almost century long grip over Turkey has fallen away and they did infact lose control over Egypt during the "Arab Spring" uprising.

And we can see how the jews use their tool of islam to divide and rule Gentiles from within. The truth of islam:

And we see how their other program xianity leaves Gentiles helpless against them and their plots as well.

There is a historical "eight hundred pound gorilla" lurking in the background of almost every serious military and diplomatic incident involving Israel, Turkey, Iran, Saudi Arabia, Iraq, Greece, Armenia, the Kurds, the Assyrians, and some other players in the Middle East and southeastern Europe. It is a factor that is generally only whispered about at diplomatic receptions, news conferences, and think tank sessions due to the explosiveness and controversial nature of the subject. And it is the secretiveness attached to the subject that has been the reason for so much misunderstanding about the current breakdown in relations between Israel and Turkey, a growing warming of relations between Israel and Saudi Arabia, and increasing enmity between Saudi Arabia and Iran

Although known to historians and religious experts, the centuries-old political and economic influence of a group known in Turkish as the "Dönme" is only beginning to cross the lips of Turks, Arabs, and Israelis who have been reluctant to discuss the presence in Turkey and elsewhere of a sect of Turks descended from a group of Sephardic Jews who were expelled from Spain during the Spanish Inquisition in the 16th and 17th centuries. These Jewish refugees from Spain were welcomed to settle in the Ottoman Empire and over the years they converted to a mystical sect of Islam that eventually mixed Jewish Kabbala and Islamic Sufi semi-mystical beliefs into a sect that eventually championed secularism in post-Ottoman Turkey. It is interesting that "Dönme" not only refers to the Jewish "untrustworthy converts" to Islam in Turkey but it is also a derogatory Turkish word for a transvestite, or someone who is claiming to be someone they are not.

The Donmeh sect of Judaism was founded in the 17th century by Rabbi Sabbatai Zevi, a Kabbalist who believed he was the Messiah but was forced to convert to Islam by Sultan Mehmet IV, the Ottoman ruler. Many of the rabbi's followers, known as Sabbateans, but also "crypto-Jews," publicly proclaimed their Islamic faith but secretly practiced their hybrid form of Judaism, which was unrecognized by mainstream Jewish rabbinical authorities. Because it was against their beliefs to marry outside their sect, the Dönme created a rather secretive sub-societal clan.

The Dönme rise to power in Turkey

Many Dönme, along with traditional Jews, became powerful political and business leaders in Salonica. It was this core group of Dönme, which organized the secret Young Turks, also known as the Committee of Union and Progress, the secularists who deposed Ottoman Sultan Abdulhamid II in the 1908 revolution, proclaimed the post-Ottoman Republic of Turkey after World War I, and who instituted a campaign that stripped Turkey of much of its Islamic identity after the fall of the Ottomans. Abdulhamid II was vilified by the Young Turks as a tyrant, but his only real crime appears to have been to refuse to meet Zionist leader Theodore Herzl during a visit to Constantinople in 1901 and reject Zionist and Dönme offers of money in return for the Zionists to be granted control of Jerusalem.

Like other leaders who have crossed the Zionists, Sultan Abdulhamid II appears to have sealed his fate with the Dönme with this statement to his Ottoman court: "Advise Dr. Herzl not to take any further steps in his project. I cannot give away even a handful of the soil of this land for it is not my own, it belongs to the entire Islamic nation. The Islamic nation fought jihad for the sake of this land and had watered it with their blood. The Jews may keep their money and millions. If the Islamic Khalifate state is one day destroyed then they will be able to take Palestine without a price! But while I am alive, I would rather push a sword into my body than see the land of Palestine cut and given away from the Islamic state." After his ouster by Ataturk's Young Turk Dönme in 1908, Abdulhamid II was jailed in the Dönme citadel of Salonica. He died in Constantinople in 1918, three years after Ibn Saud agreed to a Jewish homeland in Palestine and one year after Lord Balfour deeded Palestine away to the Zionists in his letter to Baron Rothschild.

One of the Young Turk leaders in Salonica was Mustafa Kemal Ataturk, the founder of the Republic of Turkey. When Greece achieved sovereignty over Salonica in 1913, many Dönme, unsuccessful at being re-classified Jewish, moved to Constantinople, later re-named Istanbul. Others moved to Izmir, Bursa, and Ataturk's newly-proclaimed capital and future seat of Ergenekon power, Ankara.

Some texts suggest that the Dönme numbered no more than 150,000 and were mainly found in the army, government, and business. However, other experts suggest that the Dönme may have represented 1.5 million Turks and were even more powerful than believed by many and extended to every facet of Turkish life. One

influential Donmeh, Tevfik Rustu Arak, was a close friend and adviser to Ataturk and served as Turkey's Foreign Minister from 1925 to 1938.

Ataturk, who was reportedly himself a Dönme, ordered that Turks abandon their own Muslim-Arabic names. The name of the first Christian emperor of Rome, Constantine, was erased from the largest Turkish city, Constantinople. The city became Istanbul, after the Ataturk government in 1923 objected to the traditional name. There have been many questions about Ataturk's own name, since "Mustapha Kemal Ataturk" was a pseudonym. Some historians have suggested that Ataturk adopted his name because he was a descendant of none other than Rabbi Zevi, the self-proclaimed Messiah of the Dönme! Ataturk also abolished Turkey's use of the Arabic script and forced the country to adopt the western alphabet.

Modern Turkey: a secret Zionist state controlled by the Dönme

Ataturk's suspected strong Jewish roots, information about which was suppressed for decades by a Turkish government that forbade anything critical of the founder of modern Turkey, began bubbling to the surface, first, mostly outside of Turkey and in publications written by Jewish authors. The 1973 book, *The Secret Jews*, by Rabbi Joachim Prinz, maintains that Ataturk and his finance minister, Djavid Bey, were both committed Dönme and that they were in good company because "too many of the Young Turks in the newly formed revolutionary Cabinet prayed to Allah, but had their real prophet [Sabbatai Zevi, the Messiah of Smyrna]." In *The Forward* of January 28, 1994, Hillel Halkin wrote in *The New York Sun* that Ataturk recited the Jewish Shema Yisrael ("Hear O Israel"), saying that it was "my prayer too." The information is recounted from an autobiography by journalist Itamar Ben-Avi, who claims Ataturk, then a young Turkish army captain, revealed he was Jewish in a Jerusalem hotel bar one rainy night during the winter of 1911. In addition, Ataturk attended the Semsî Effendi grade school in Salonica, run by a Dönme named Simon Zevi. Halkin wrote in the *New York Sun* article about an email he received from a Turkish colleague: "I now know know (and I haven't a shred of doubt) that Ataturk's father's family was indeed of Jewish stock."

It was Ataturk's and the Young Turks' support for Zionism, the creation of a Jewish homeland in Palestine, after World War I and during Nazi rule in Europe that endeared Turkey to Israel and vice versa. An article in *The Forward* of May 8, 2007, revealed that Dönme dominated Turkish leadership "from the president

down, as well as key diplomats . . . and a great part of Turkey's military, cultural, academic, economic, and professional elites" kept Turkey out of a World War II alliance with Germany, and deprived Hitler of a Turkish route to the Baku oilfields." In his book, *The Dönme: Jewish Converts, Muslim Revolutionaries and Secular Turks*, Professor Marc David Baer wrote that many advanced to exalted positions in the Sufi religious orders.

Israel has always been reluctant to describe the Turkish massacre of the Armenians by the Turks in 1915 as "genocide." It has always been believed that the reason for Israel's reticence was not to upset Israel's close military and diplomatic ties with Turkey. However, more evidence is being uncovered that the Armenian genocide was largely the work of the Dönme leadership of the Young Turks. Historians like Ahmed Refik, who served as an intelligence officer in the Ottoman army, averred that it was the aim of the Young Turks to destroy the Armenians, who were mostly Christian. The Young Turks, under Atatürk's direction, also expelled Greek Christians from Turkish cities and attempted to commit a smaller-scale genocide of the Assyrians, who were also mainly Christian.

One Young Turk from Salonica, Mehmet Talat, was the official who carried out the genocide of the Armenians and Assyrians. A Venezuelan mercenary who served in the Ottoman army, Rafael de Nogales Mendez, noted in his annals of the Armenian genocide that Talat was known as the "renegade Hebrew of Salonica." Talat was assassinated in Germany in 1921 by an Armenian whose entire family was lost in the genocide ordered by the "renegade Hebrew." It is believed by some historians of the Armenian genocide that the Armenians, known as good businessmen, were targeted by the business-savvy Dönme because they were considered to be commercial competitors.

It is not, therefore, the desire to protect the Israeli-Turkish alliance that has caused Israel to eschew any interest in pursuing the reasons behind the Armenian genocide, but Israel's and the Dönme's knowledge that it was the Dönme leadership of the Young Turks that not only murdered hundreds of thousands of Armenians and Assyrians but who also stamped out Turkey's traditional Muslim customs and ways. Knowledge that it was Dönme, in a natural alliance with the Zionists of Europe, who were responsible for the deaths of Armenian and Assyrian Christians, expulsion from Turkey of Greek Orthodox Christians, and the cultural and religious eradication of Turkish Islamic

traditions, would issue forth in the region a new reality. Rather than Greek and Turkish Cypriots living on a divided island, Armenians holding a vendetta against the Turks, and Greeks and Turks feuding over territory, all the peoples attacked by the Dönme would realize that they had a common foe that was their actual persecutor.

Challenging Dönme rule: Turkey's battle against the Ergenekon

It is the purging of the Kemalist adherents of Atatürk and his secular Dönme regime that is behind the investigation of the Ergenekon conspiracy in Turkey. Ergenekon's description matches up completely with the Dönme presence in Turkey's diplomatic, military, judicial, religious, political, academic, business, and journalist hierarchy. Ergenekon attempted to stop the reforms instituted by successive non-Dönme Turkish leaders, including the re-introduction of traditional Turkish Islamic customs and rituals, by planning a series of coups, some successful like that which deposed Prime Minister Necmettin Erbakan's Refah (Welfare) Islamist government in 1996 and some unsuccessful, like OPERATION SLEDGEHAMMER, which was aimed at deposing Prime Minister Recep Tayyip Erdoğan in 2003. Some Islamist-leaning reformists, including Turkish President Turgut Özal and Prime Minister Bülent Ecevit, died under suspicious circumstances. Deposed democratically-elected Prime Minister Adnan Menderes was hanged in 1961, following a military coup.

American politicians and journalists, whose knowledge of the history of countries like Turkey and the preceding Ottoman Empire, is often severely lacking, have painted the friction between Israel's government and the Turkish government of Prime Minister Erdoğan as based on Turkey's drift to Islamism and the Arab world. Far from it, Erdoğan and his Justice and Development Party (AKP) seem to have finally seen a way to break free from the domination and cruelty of the Dönme, whether in the form of Kemalist followers of Atatürk or nationalist schemers and plotters in Ergenekon. But with Turkey's "Independence Day" has come vitriol from the Dönme and their natural allies in Israel and the Israel Lobby in the United States and Europe. Turkey as a member of the European Union was fine for Europe as long as the Dönme remained in charge and permitted Turkey's wealth to be looted by central bankers like has occurred in Greece.

When Israel launched its bloody attack on the Turkish Gaza aid vessel, the Mavi Marmara, on May 31, 2010, the reason was not so much the ship's running of the

Israeli blockade of Gaza. The brutality of the Israelis in shooting unarmed Turks and one Turkish-American, some at point blank range, according to a UN report, indicated that Israel was motivated by something else: vengeance and retaliation for the Turkish government's crackdown on Ergenekon, the purging of the Turkish military and intelligence senior ranks of Dönme, and reversing the anti-Muslim religious and cultural policies set down by the Dönme's favorite son, Atatürk, some ninety years before. In effect, the Israeli attack on the Mavi Marmara was in retaliation for Turkey's jailing of several top Turkish military officers, journalists, and academics, all accused of being part of the Ergenekon plot to overthrow the AKP government in 2003. Hidden in the Ergenekon coup plot is that the Dönme and Ergenekon are connected through their history of being Kemalists, ardent secularists, pro-Israeli, and pro-Zionist.

With tempers now flaring between Iran on one side and Israel, Saudi Arabia, and the United States on the other, as the result of a dubious claim by U.S. law enforcement that Iran was planning to carry out the assassination of the Saudi ambassador to the United States on American soil, the long-standing close, but secretive relationship between Israel and Saudi Arabia is coming to the forefront. The Israeli-Saudi connection had flourished during OPERATION DESERT STORM, when both countries were on the receiving end of Saddam Hussein's Scud missiles.

What will surprise those who may already be surprised about the Dönme connection to Turkey, is the Dönme connection to the House of Saud in Saudi Arabia.

An Iraqi Mukhabarat (General Military Intelligence Directorate) Top Secret report, "The Emergence of Wahhabism and its Historical Roots," dated September 2002 and released on March 13, 2008, by the U.S. Defense Intelligence Agency in translated English form, points to the Dönme roots of the founder of the Saudi Wahhabi sect of Islam, Muhammad ibn Abdul Wahhab. Much of the information is gleaned from the memoirs of a "Mr. Humfer," (as spelled in the DIA report, "Mr. Hempher" as spelled the historical record) a British spy who used the name "Mohammad," claimed to be an Azeri who spoke Turkish, Persian, and Arabic and who made contact with Wahhab in the mid-18th century with a view of creating a sect of Islam that would eventually bring about an Arab revolt against the

Ottomans and pave the way for the introduction of a Jewish state in Palestine. Humfer's memoirs are recounted by the Ottoman writer and admiral Ayyub Sabri Pasha in his 1888 work, "The Beginning and Spreading of Wahhabism."

In his book, *The Dönme Jews*, D. Mustafa Turan writes that Wahhab's grandfather, Tjen Sulayman, was actually Tjen Shulman, a member of the Jewish community of Basra, Iraq. The Iraqi intelligence report also states that in his book, *The Dönme Jews and the Origin of the Saudi Wahhabis*, Rifat Salim Kabar reveals that Shulman eventually settled in the Hejaz, in the village of al-Ayniyah what is now Saudi Arabia, where his grandson founded the Wahhabi sect of Islam. The Iraqi intelligence report states that Shulman had been banished from Damascus, Cairo, and Mecca for his "quackery." In the village, Shulman sired Abdul Wahhab. Abdel Wahhab's son, Muhammad, founded modern Wahhabism.

The Iraqi report also makes some astounding claims about the Saud family. It cites Abdul Wahhab Ibrahim al-Shammari's book, *The Wahhabi Movement: The Truth and Roots*, which states that King Abdul Aziz Ibn Saud, the first Kingdom of Saudi Arabia monarch, was descended from Mordechai bin Ibrahim bin Moisha, a Jewish merchant also from Basra. In Nejd, Moisha joined the Aniza tribe and changed his name to Markhan bin Ibrahim bin Musa. Eventually, Mordechai married off his son, Jack Dan, who became Al-Qarn, to a woman from the Anzah tribe of the Nejd. From this union, the future Saud family was born.

The Iraqi intelligence document reveals that the researcher Mohammad Sakher was the subject of a Saudi contract murder hit for his examination into the Saudis' Jewish roots. In Said Nasir's book, *The History of the Saud Family*, it is maintained that in 1943, the Saudi ambassador to Egypt, Abdullah bin Ibrahim al Muffadal, paid Muhammad al Tamami to forge a family tree showing that the Saudis and Wahhabs were one family that descended directly from the Prophet Mohammed.

At the outset of World War I, a Jewish British officer from India, David Shakespeare, met with Ibn Saud in Riyadh and later led a Saudi army that defeated a tribe opposed to Ibn Saud. In 1915, Ibn Saud met with the British envoy to the Gulf region, Bracey Cochas. Cochas made the following offer to Ibn Saud: "I think this is a guarantee for your endurance as it is in the interest of Britain that the Jews have a homeland and existence, and Britain's interests are, by all means, in your interest." Ibn Saud, the descendant of Dönme from Basra, responded: "Yes, if my acknowledgement means so much to you, I

acknowledge thousand times granting a homeland to the Jews in Palestine or other than Palestine." Two years later, British Foreign Secretary Lord Balfour, in a letter to Baron Walter Rothschild, a leader of the British Zionists, stated: "His Majesty's government view with favor the establishment in Palestine of a national home for the Jewish people . . ." The deal had the tacit backing of two of the major players in the region, both descendant from Dönme Jews who supported the Zionist cause, Kemal Ataturk and Ibn Saud. The present situation in the Middle East should be seen in this light but the history of the region has been purged by certain religious and political interests for obvious reasons.

After World War I, the British facilitated the coming to power of the Saud regime in the former Hejaz and Nejd provinces of the Ottoman Empire. The Saudis established Wahhabism as the state religion of the new Kingdom of Saudi Arabia and, like the Kemalist Dönme in Turkey, began to move against other Islamic beliefs and sects, including the Sunnis and Shi'as. The Wahhabi Saudis accomplished what the Kemalist Dönme were able to achieve in Turkey: a fractured Middle East that was ripe for Western imperialistic designs and laid the groundwork for the creation of the Zionist state of Israel.

Deep states and Dönme

During two visits to Turkey in 2010, I had the opportunity of discussing the Ergenekon "deep state" with leading Turkish officials. It was more than evident that discussions about the Ergenekon network and its "foreign" connections are a highly-sensitive subject. However, it was also whispered by one high-ranking Turkish foreign policy official that there were other "deep states" in surrounding nations and Egypt, Saudi Arabia, Jordan, and Syria were mentioned by name. Considering the links between Ergenekon and the Dönme in Turkey and the close intelligence and military links between the Dönme-descendent Saudis and Wahhabis in Arabia, the reports of close links between ousted Egyptian President Hosni Mubarak and his intelligence chief Omar Suleiman and the Binyamin Netanyahu government in Israel may be seen in an entirely new light And it would explain Erdogan's support for Egypt's revolution: in Turkey, it was a democratic revolution that curbed the influence of the Dönme. The influence of Wahhabi Salafists in Libya's new government also explains why Erdogan was keen on establishing relations with the Benghazi-based rebels to help supplant the influence of the Wahhabis, the natural allies of his enemies, the Dönme

(Ergenekon) of Turkey.

Erdogan's desire to set the historical record straight by restoring history purged by the Kemalists and Dönme has earned him vitriolic statements from Israel's government that he is a neo-Ottomanist who is intent on forming an alliance with the Muslim Brotherhood in the Arab countries. Clearly, the Dönme and their Zionist brethren in Israel and elsewhere are worried about Dönme and Zionist historical revisionism, including their role in the Armenian and Assyrian genocide, and their genocide denial being exposed.

In Egypt, which was once an Ottoman realm, it was a popular revolution that tossed out what may have amounted to the Dönme with regard to the Mubarak regime. The Egyptian "Arab Spring" also explains why the Israelis were quick to kill six Egyptian border police so soon after nine Turkish passengers were killed aboard the Mavi Marmara, some in execution style, by Israeli troops. Dönme doctrine is rife with references to the Old Testament Amalekites, a nomadic tribe ordered attacked by the Hebrews from Egypt by the Jewish God to make room for Moses's followers in the southern region of Palestine. In the Book of Judges, God unsuccessfully commands Saul: "Now go and strike Amalek and devote to destruction all that they have. Do not spare them, but kill both man and woman, and infant, ox, and sheep, camel and donkey." The Dönme, whose doctrine is also present in Hasidic and other orthodox sects of Judaism, appear to have no problem substituting the Armenians, Assyrians, Turks, Kurds, Egyptians, Iraqis, Lebanese, Iranians, and Palestinians for the Amalekites in carrying out their military assaults and pogroms.

With reformist governments in Turkey and Egypt much more willing to look into the background of those who have split the Islamic world, Ataturk in Turkey and Mubarak in Egypt, the Saudis are likely very much aware that it is only a matter of time before their links, both modern and historical, to Israel will be fully exposed. It makes sense that the Saudis have been successful in engineering a dubious plot involving Iranian government agents trying to assassinate the Saudi ambassador to Washington in an unnamed Washington, DC restaurant. The Iraqi intelligence report could have been referring to the Zionists and Dönme when it stated, "it strives to . . . [the] killing of Muslims, destructing, and promoting the turmoil." In fact, the Iraqi intelligence report was referring to the Wahhabis.

With new freedom in Turkey and Egypt to examine their pasts, there is more reason for Israel and its supporters, as well as the Saudis, to suppress the true histories of the Ottoman Empire, secular Turkey, the origins of Israel, and the House of Saud. With various players now angling for war with Iran, the true history of the Dönme and their influence on past and current events in the Middle East becomes more important.

Subject: Hell, Saturn And The Gold

Hell, Saturn And The Gold

Something to mention on the subject.

Hel with one L in its proper spelling. Denotes the serpent with H and shining with El. Its the root of the term Helios or Helos the symbolic form of the God [Satan] in the Helio-gnostic schools.

Hel=shining serpent.

<http://groups.yahoo.com/group/JoSNewsletter/message/451>

The root chakra is where the serpent of light dwells and since its ascension is a major part of the union of the Soul, Spirit and earth[body] into the higher octave of the perfected state [enlightenment]. It should be obvious its a nod to the perfected body as the reflection of the perfected soul.

Our God worshipped as Sanat [anagram of Satan] in the East comes from Venus to liberate the earth with 144,000 souls. Venus represents the serpentine energy of the Shakti force. The 144,000 souls are the nadis or energy pathways in the body. The earth is symbolic of the body. And Sanat represents the luminous serpentine life force as whole, which perfects us. The liberation is the magnum opus of transforming the being into the perfected octave. By the union of the trine aspects. Hence Sanat/Satan's trident.

This is why Saturn which rules the root [earth element] chakra is actually another title for the Sol God. As the Romans who where part of the ancient religions wrote [hence not what nuu aged cranks think]. Because Saturn is the ruler of the Golden Age. Because it represents the reborn metaphysical form in the highest octave. The perfected body is the perfected soul. Via the full union [Yoga] process. SAT literally means illuminated. SAT on its own is a title of the gold in the work.

In the doctrine of the four ages which is allegorical for the perfection of the soul. As there are 4 levels of the perfection process in many schools. Red, White, Black and Gold. Hence where the Four Jana's of Buddhism where taken from. The Golden age represents the Magnum Opus. When the three. Soul, Spirit and Body have been made one in the transformed state. Which is denoted as the symbol of the Gold as stated.

Sat-An also means: Shining Serpent also within this meaning is another: Perfected Life. Sat illuminated and An is the prefix of Ananta which is the serpentine, golden ouroboros in the east and means: Eternity. As its the archetypal symbol of the magnum opus. The symbol of the Gold.

Then we get Sanat- ana Dharma as the title of the Primordial Religion in the Rig Veda. The oldest religion text on earth.

<http://groups.yahoo.com/group/JoSNewsletter/message/427>

Dharma is the core of the ancient title for the Primordial Tradition. Which is an important meaning within itself. The writings in the East mention the core of the Tradition is within the 8 fold path of Dharma.

Within this title we have several meanings. d-HAR-ma. Har being another spelling and root of Hari the ancient title for our God and perfected state. Within this we also have Ar, which is a title for the perfection of the soul via the creation process of the great working. We also have Ra [ar=ra] and Ma the union of the Agni and Soma forces that generate this state of perfection.

More on Hari being a title for our God:

<http://groups.yahoo.com/group/JoSNewsletter/message/418>

The symbol of Dharma is a wheel with eight spokes. But what we are looking at is the circle [outer wheel] which represents the perfected life force and is traditionally represented as golden serpent [Anahat] clutching its own tail. Within the 8 pointed star and the hub of the wheel being the bindu point with the larger outer wheel actually being the greater circle. The glyph for the sun, the gold in the work. So within this symbol we have the union of the masculine and feminine as well. The Great Work. The spinning of the wheel is the eternal flow of energy. And eight being a symbol for perfected life.

Hence why Har or Hari is also the core of this title. Hari is the perfect soul that is born from the generation of the unification of the male and female aspects of the soul

Original 8 fold path. Before it was corrupted by the insertion of the corrupted one from Jainism:

<http://www.angelfire.com/empire/serpentis666/ASHTAR.html>

It was preserved in the Tantra [Tantra essentially meaning "knowledge which Liberates]. Which came down from RA-JA, Yoga of which the original 8 fold path was called the Arya Path.

This why the eastern texts mentioned the opening of the eye of Dharma [the 3rd eye with the raising of the serpent] and the unfolding of the Dharma within you. Meaning the transformation of the soul by the 8 fold path.

Its no mistake the 8 fold path was originally called the eight fold path of the Arya. As Hari [Ari] is the same meaning and root of Ari or Arya. And in the Vedic texts Dharma is also called the Arya Dharma. Of which the Swastika is the symbol for, as it's the other original symbol for Dharma as a whole. And also represents the perfection of the soul . Images of the tree of life from the ancient Aryas, show the energy centers along the spine depicted as Swastika's. As mentioned by J.Evola in his book: "The Doctrine Of The Awakening." Aryan originally is a racial term in the oldest texts. Not the universal terminology that has been fixed to it by the corruptions of later times. Which is based upon enemy doctrines that make up a major core of Christianity as well.

With Dharma its divided into two main categories the individual or microcosm Dharma and the universal or macrocosmic level of the same. The cosmic man is also called the Purusha, the perfected being. The first form of Lord Narayana. And which later was developed into the Atma/Brahman, it seems. As stated in the Supreme God article. The six pointed star is the symbol of Narayana/Hari. And symbolizes the union of the male and female aspects of the soul into one with the circle around it depicting the same the circle in the 8 fold wheel does. The Jews stole this symbol in the last millennial only. The Bible has been proven to be fiction. Along with the bogus history of the Jews, created by stealing from the different Gentile cultures .

Dharma means also essentially: "Cosmic Order." Within its teachings as stated is the supreme knowledge of the laws of the microcosm and macrocosm of the universe. And to live in harmony with this as a perfected part of it.

The concept of the "Dharma Emperor." Is the rule of a Perfected ruler, a Godman . Who by his super conscious state. Enacts the Dharma upon the planet. Which is living as a conscious part of what has been forever within and outside us. The

eternal laws of nature. Which is revealed by opening the eye of Dharma. And awaking to eternal truth. As this removes the veil of Maya or illusion.

Something to specifically note since the New Age Crowd, pretends to be connected to Dharma but is nothing more than a perverse version of Communism with a sprinkling of metaphysics [Christianity 2.0]. And as such openly advocates the destruction of the races by mixing based upon the abnormal premise of egalitarianism. Which it parades as authentic spiritual teachings:

"It is imperative to respect the lineage of one's ancestors and avoid the mixing of races through procreation. This alters the divine order and provokes regression of the species. Marriage rites or procreation must be accomplished of the responsibility of the transmission of life, having solely in mind the quality of the product of the child. According to the rules of genetic selection defined by the texts of the Agamas."

-Advice to a Mleccha [one born outside of Bharat] by Sadhu Shambhudasa.- From "While The Gods Play." By Alain Danielou.

We have it right from the ancient sources[Agamas] as stated by the Sadhu Shambudasa. This wisdom is repeated many times in the ancient texts going back to the Vedic sources.

Subject: Paul of Tarsus, or Christianity and Jewry (by Savitri Devi)

Jews created Christianity: <http://groups.yahoo.com/group/JoSNewsletter/message/233>

http://www.savitridevi.org/paul_trans_english_fowler.html

<http://www.racerealist.com/tarsus.htm>

Paul of Tarsus, or Christianity and Jewry *by Savitri Devi*

If there is a fact that cannot fail to impress all persons who seriously study the history of Christianity, it is the almost complete absence of documents regarding the man whose name the great international religion bears, namely Jesus Christ. We only know of him from what is told to us in the gospels, i.e., practically nothing, for these miscellanies, if prolix in their descriptions of the miraculous facts they concern, give no information at all about his person, and, in particular, about his origins. Oh, we have in the four canonical gospels a long genealogy going back from Joseph, the husband of the mother of Jesus, as far as Adam! But I always ask myself what interest this can have for us, given that elsewhere we are expressly told that Joseph has nothing to do with the birth of the child. One of the numerous "apocryphal" gospels—rejected by the church—attributes the paternity of Jesus to a Roman soldier distinguished for his bravery and thus nicknamed "The Panther." This gospel is cited by Heckel in one of his studies of early Christianity.² The acceptance of this point of view, however, does not entirely resolve the very important question of the origins of Christ, for it does not tell us who was Mary his mother. One of the four canonical gospels tells us that she was the daughter of Joachim and Anne when Anne was past the age of maternity; in other words, she was herself born miraculously—or she was quite simply a child adopted by Anne and Joachim in their old age—which does not clarify matters.

But there is something much more troubling. They have recently discovered the records of an important monastery of the Essene sect, situated scarcely thirty kilometers from Jerusalem. These records deal with a period extending from the beginning of the first century *before* Jesus Christ to the second half of the first century *after* him. There is already talk, *seventy years before him*, of a great Initiate, or a Spiritual Master—the “Master of Justice”—whose return one day is awaited. Of the extraordinary career of Jesus, of his innumerable miraculous healings, of his teaching during three whole years in the midst of the people of Palestine, of his triumphant entry into Jerusalem, so brilliantly described in the canonical gospels, of his trial and crucifixion (accompanied according to the canonical gospels by events as impressive as an earthquake, the darkening of the sky for three hours in the afternoon, and the veil of the temple rending itself in two), *not one word is said* in the scrolls of these ascetics—eminently religious men, whom such events would have to interest. It seems, according to these “Dead Sea Scrolls”—I recommend to those who take interest in this matter to read the study which has been published by John Allegro in the English language³—or else Jesus did not produce *any* impression on the religious minds of his time, as avid for wisdom and also as well informed as the ascetics of the monastery in question appear to have been, or else . . . he simply did not exist at all! As troubling as it may be, these findings should be placed before the world public, and in particular the Christian public, after these recent discoveries.

In that which concerns the Christian church, however, and Christianity as an historical phenomenon, and the role that it plays in the West and in the world, the question has much less importance than it would seem at first. For even if Jesus *had* lived and preached, it is not he who is the true founder of Christianity as he is presented to the world. If he truly lived, Jesus was a man “above Time” whose kingdom—as he himself said to Pilate, according to the gospels—is “not of this world,” whose entire activity, entire teaching, tended to show, to those whom the world did not satisfy, a spiritual path by which they can escape, and find, in their interior paradise, in this “Kingdom of God” which is in us, the God “in spirit and in truth” whom they seek without knowing.⁴ If he had lived, Jesus would never have dreamed of founding a temporal *organization*—and, above all, not a political and financial organization—such as the Christian Church so quickly became. Politics did not interest him. And, detesting riches, he was a determined enemy of any mixture of money in spiritual affairs, which certain Christians have, rightly or wrongly, seen as an argument that proves that, contrary to the teaching of all Christian Churches (except those which absolutely negate his human nature [For example, the sect of the Monophysites]), he did not have Jewish blood. The true founder of historical Christianity, of Christianity that we know in practice, which has played and will play a role in the history of the West and the world, is neither Jesus, whom we know not at all, nor his disciple Peter, whom we know was Galilean and a simple fisherman in station, but Paul of Tarsus, whom we know was 100% Jewish in blood, in disposition, and in his heart, and, what is more, Jewish in education and a “Roman citizen,” as so many Jewish intellectuals today are French, German, Russian, or American citizens.

Historical Christianity—which is not at all a work “above Time,” but altogether a work “in Time”—is the work of Saul, called Paul, that is to say, the work of a Jew, as Marxism came to be more than two thousand years later. Let us examine the career of Paul of Tarsus.

Saul, called Paul, was a Jew and, what is more, an orthodox Jew at the same time as he was educated, a Jew imbued with the consciousness of his race and the role the “chosen people”—which they became according to the covenant of Jaweh—play in the world. He was a student of Gamaliel, one of the most reputed Jewish theologians of his time—theologian of the school of Pharisees, precisely the one which, according to the gospels, the prophet Jesus, whom the Christian church later on elevated to the rank of God, had quite violently combated for its arrogance, its hypocrisy, its habit of splitting hairs and putting the letter of the Jewish law before its spirit—before, at least, what *he* believed to be its spirit; it is not said whether Saul had not had, on this subject, a different idea than him. Moreover—and this is very important—Saul was an educated and self-conscious Jew *born and raised outside of Palestine*, in one of those cities of Roman Asia Minor that had succeeded Hellenistic Asia Minor and had retained all its characteristics: Tarsus, where Greek was the “lingua franca” of everyone and where Latin became, likewise, more and more familiar, and where one

recognized representatives of all the peoples of the Near East. In other words, he was already a “ghetto” Jew, possessing, beyond a profound knowledge of the Israelite tradition, an understanding of the world of the “Goyim”—the non-Jews—which later on became of great value for him. He thought, without any doubt, like every good Jew, that the “Goy” is only to be dominated and exploited by the “chosen people.” But he knew their world infinitely better than the Jews of Palestine, in the midst of whom had emerged all the first believers of the new religious sect from which he was destined to form Christianity such as we see it.

It is said in the “Acts of the Apostles” that there was at first a ferocious persecution of the new sect. Did the adherents of the latter not scorn the Jewish Law in the strict sense of the word? Did the man who is recognized as the founder, and who is said to have returned from the dead, this Jew whom Saul himself had never seen, not give the example of his non-observance of the Sabbath, of his neglect of the days of fasting, and other strongly blameworthy transgressions of the rules of life from which a Jew should not depart at all? One may say the same of a mystery that bodes nothing good, hovering over the story of his birth, that he was perhaps not at all of Jewish origin—who knows? Why not persecute any such sect, when one is an orthodox Jew, student of the great Gamaliel? He had to preserve from scandal the observers of the Law. Saul, who had already given proof of zeal in being present at the stoning of Saint Stephen—one of the first preachers of the dangerous sect—continued to defend the Jewish Law and the tradition against those he considered to be heretics, until it finally dawned on him that there was a better—a much better—way of operating, precisely *from the Jewish point of view*. This he recognized on the road to Damascus.

The story, as the Christian church wishes it to be told, is that he suddenly had a vision of Jesus—whom he had not, I repeat, ever seen “in the flesh”—whose voice he finally heard say to him: “Saul, Saul, why do you persecute me?,” which voice he could not resist. He had, moreover, been blinded by a dazzling light, and he felt himself thrown to the ground. Transported to Damascus—at least according to the same account in “Acts of the Apostles”—he was recognized by one of the faithful of the sect which he had come to combat, the man who, after restoring Saul’s eyesight, baptized him and received him into the Christian community.

It is superfluous to say that this miraculous account cannot be accepted as it is told except by those who share the Christian faith. It does not have, like all accounts of its type, any *historical* value. Those who, without preconceived ideas, seek a plausible explanation—probable, natural—of the manner in which these things have happened, cannot be content. And the explanation, to be plausible, must give an account not only of the transformation of Saul into Paul—of the implacable defender of Judaism into the founder of the Christian church as we know it—but also of the nature, the content, and the direction of his activity after his conversion, of the internal logic of his career; otherwise put, the psychological connection, more or less conscious, between his past anti-Christianity and his great Christian work. Every conversion implies a connection between the past of the convert and the rest of his life, a deep reason, that is to say, a permanent aspiration of the convert that the act of conversion satisfies, a will, a permanent direction of life and action, of which the act of conversion is the expression and the instrument.

Now, given all we know of him *and above all of the course of his career*, there is only one profoundly fundamental will, inseparable from the personality of Paul of Tarsus in *all* the stages of his life, which can furnish the explanation for his “road to Damascus,” and this will is the one that serves the old Jewish ideal of spiritual domination, complementing and crowning that of economic domination. Saul, orthodox Jew, self-conscious Jew, who had combated the new sect insofar as it constituted a danger to orthodox Jewry, could only renounce his orthodoxy and become the soul and the arm precisely of this dangerous sect, after having understood that, recast by him, transformed, adapted to the exigencies of the vast world of the “Goyim”—the “Gentiles” of the gospels—interpreted, as he did, in the manner of giving, as said later on by Nietzsche, “a new meaning to the ancient mysteries,” it could become for centuries, if not forever, the most powerful instrument of the spiritual domination of Israel, the way by which it

realizes, the most certainly and in the most definitive manner, the “mission” of the Jewish people, which was, according to him, as according to every good Israelite, that of ruling over the other peoples, subjecting them to a complete moral enslavement while exploiting them economically. And the more moral enslavement is complete, the more economic exploitation—it goes without saying—flourishes. It is only this prize that merits the pain of repudiating the rigidity of the ancient and venerable Law. Or, to speak a more trivial language, the sudden conversion of Saul along the road to Damascus is explicable in a completely natural manner solely if one allows that he suddenly appreciated the possibilities which nascent Christianity offered him for profit in the moral domination of his people, and which he had thought—in a stroke of genius, it might be said—“How I have taken the short view in persecuting this sect instead of serving mine come what may! How foolish I have been to attach myself to the forms—the details—instead of seeing the essential: the interest of the people of Israel, of the chosen people, of our people, of us Jews!”

The whole subsequent career of Paul is an illustration—a proof, to the extent that one may propose to “prove” facts of this nature—of this ingenious change of course, of this victory of an intelligent Jew, a practical man, a diplomat (and when “diplomat” is said in connection with religious questions, deception is meant) over the orthodoxly educated Jew preoccupied above all with the problems of ritual purity. From the day of his conversion, Paul, in effect, abandoned himself to the “Spirit,” and went where the “Spirit” suggested, or rather ordered, him to go, and spoke, in every circumstance, the words that the “Spirit” inspired in him. But where did the “Spirit” “order” him to go? To Palestine, among the Jews who still took part in the “errors” which he had publicly abjured, and who seemed to be the first to have title to the new revelation? Not on your life! He was quite careful! It was in Macedonia, as it was in Greece and among the Greeks of Asia Minor, among the Galatians, and later among the Romans—in Aryan lands: on the whole, in *non-Jewish* lands—that the neophyte went forth to preach the theological dogmas of original sin and eternal salvation through Jesus crucified, and the moral dogma of the equality of all men and of all peoples: it was in Athens where he proclaimed that God had created “all the nations, all the peoples, *of one and the same blood*” (“Acts of the Apostles,” chapter 17, verse 26). With this negation of the natural hierarchy of races, the Jews, had nothing to do—they who have, at all times, in their conception of the world, overturned this hierarchy to their profit. But it was (from the Jewish point of view) very useful to preach, to impose on the “Goyim,” to destroy their national values that had, up to that point, made them strong (or, rather, to simply hasten their destruction; for since the fourth century before Jesus Christ, they were already crumbling under the influence of the “hellenized” Jews of Alexandria). Without a doubt, Paul *also* preached it “in the Synagogues,” that is to say, *to Jews*, to whom he presented the new doctrine as the fulfillment of the prophecies and the messianic expectation; without a doubt, he said to these sons of his people, as to the “God fearers”—to semi-Jews, like Timothy, and to the Jewish quarters which were abundant in the Aegean seaports (the same as in Rome)—that Christ crucified and resurrected, whom he announced, was none other than the promised messiah. He gave a new meaning to the Jewish prophets, just as he gave a new meaning to the immemorial mysteries of Greece, Egypt, Syria, and Asia Minor: a meaning that attributes a unique role, a unique place, a unique importance to the Jewish people *in the religion of non-Jews*. It was for him nothing but a means to the end of assuring for his people the spiritual domination of future ages. His genius—not religious, but *political*—consists in having understood this.

But it is not solely in the plan of the doctrine where he can show a disconcerting suppleness—“Greek with the Greeks, and Jew with the Jews,” as he himself said. He has a sense of practical necessities—and *impossibilities*. He who was at first so orthodox, is the first to oppose completely the imposition of the Jewish Law on Christian converts of non-Jewish races. He insists—against Peter and the least conciliatory group of the first Christians of Jerusalem—on the fact that a Christian of non-Jewish origin does not at all require circumcision or the Jewish laws concerning diet. He wrote for these new converts—half-Jews, half-Greeks, Romans of dubious origin, Levantines from all the parts of the Mediterranean: for all of this world without race, with which he served as the intermediary with his Jewish people, immutable in their tradition, and the vast world to conquer—where there does not exist, for them, the distinction between that which is “pure” and that which is “impure,” where they are permitted to eat anything (“all that which can be found in the market-place”). He knew that, without these concessions, Christianity could not expect to conquer

the West—nor the Jews expect to conquer the world by means of the conversion of the West.

Peter, who was not at all a Jew of the “ghetto,” still did not understand at all the conditions of a non-Jewish world and did not see things from the same point of view—not *yet* anyway. It is because of this that it is necessary to see in Paul the true founder of historical Christianity: the man who made the purely spiritual teaching of the prophet Jesus the basis of a militant organization in Time, the goal of which is nothing but the domination of the Jews over a morally emasculated and physically debased world, a world where the mistaken love of “man” leads straight to the indiscriminate mixing of races, to the suppression of every national pride, and, in a word, to the degeneration of man.

It is time that all the non-Jewish nations finally open their eyes to this reality of two thousand years. May they understand the striking present day situation and react accordingly.

<http://www.secretsofthefed.com/amazing-discovery-300-million-year-old-machinery-found-in-russia-experts-say-aluminum-gear-not-the-result-of-natural-forces/>

"Lighting the fire during a cold winter evening a resident of Vladivostok found a rail-shaped metal detail which was pressed in one of the pieces of coal that the man used to heat his home. Mesmerized by his discovery, the responsible citizen decided to seek help from the scientists of Primorye region. After the metal object was studied by the leading experts the man was shocked to learn about the assumed age of his discovery. The metal detail was supposedly 300 million years old and yet the scientists suggest that it was not created by nature but was rather manufactured by someone. The question of who might have made an aluminum gear in the dawn of time remains unanswered.

//]]>

Nowadays, finding a strange artifact in coal is a relatively frequent occurrence. The first discovery of this sort was made in 1851 when the workers in one of the Massachusetts mines extracted a zinc silver-incrusted vase from a block of unmined coal which dated all the way back to the Cambrian era which was approximately 500 million years ago. Sixty one years later, American scientists from Oklahoma discovered an iron pot which was pressed into a piece of coal aged 312 million years old. Then, in 1974, an aluminum assembly part of unknown origin was found in a sandstone quarry in Romania. Reminiscent of a hammer or a support leg of a spacecraft "Apollo", the piece dated back to the Jurassic era and could not have been manufactured by a human. All of these discoveries not only puzzled the experts but also undermined the most fundamental doctrines of modern science. The metal detail which was recently found by Vladivostok resident is yet another discovery which perplexed the scientists. The coal in which the metal object was pressed was delivered to Primorye from Chernogorodskiy mines of Khakasia region. Knowing that the coal deposits of this region date 300 million years back, Russian experts inferred that the metal detail found in these deposits must be an age-mate of the coal.

When geologists broke the piece of coal in which the metal object was pressed into and spot-treated in with special chemical agents, it turned out that the metal detail was unusually light and soft. No more than seven centimeters long, the object was found to be composed of 98 percent aluminum and 2 percent magnesium. On the one hand, such an alloy stalled the scientists because nearly pure aluminum is very rarely found in nature. Thus, the detail was most definitely created artificially. On the other hand, however, when it became clear that the object was made from aluminum-magnesium alloy the experts quickly found an answer to the question of how a metal detail could withstand the ravages of time so well. The scientists explained that pure aluminum is increasingly prone to oxidization which contributes to the creation of a special layer protecting it from further corrosion. As a result, the metal detail made 98 percent from aluminum can endure not only high pressure but also heat and other severe natural conditions.

Another question that interests Russian scientists is whether the aluminum alloy is of Earthly origin. It is known from the study of meteorites that there exists extra-terrestrial aluminum-26 which subsequently breaks down to magnesium-26. The presence of 2 percent of magnesium in the alloy might well point to the alien origin of the aluminum detail. Nonetheless, further testing is needed to confirm this hypothesis.

The last property of the object that puzzled the scientists was its distinctive shape which was reminiscent of a modern tooth-wheel. It is hard to imagine that an object could take regular shape of a tooth-wheel with six identical `teeth' naturally. Moreover, the intervals between the `teeth' of the gear are curiously large in relation to the size of the `teeth' themselves which might mean that the detail was a part of a complicated mechanism. Nowadays, such `spare parts' are used in construction of microscopes and other mechanical appliances. This poses yet another unanswerable question to the modern scientists: how can the metal tooth-wheel be 300 million years old if the regular-shaped `wheel' itself was created by man millions of years later.

After the discovery came public, conspirators were quick to dub it `a UFO tooth-wheel'. Russian scientists, however, do not jump to conclusions and will run further tests to learn more about the strange artifact."

Syria - Israel Is Losing the Battle

[My note the reason the Jewish lobby is in control of the governments of America, Britian and France.[See article below about the World in Chains]. Is because the Jews are in control of the banks, corperations, media and other vital networks. The Jews are the ruling oligarchy. Giving orders to their Goyium underlings. The government has been reduced to an managerial class of the Jewish power elites.

Note no mention the Jewish State used a jewclear weapon on Syria. Just endless excuses and bullshit about why they attacked Syria. The reason is because the Jew World Order has been behind the invasion of Syria via their merc proxies from the start. When they couldn't go to the next phase and bring NATO in like in Lybia. They dropped the mask and attacked openly. To attempt to halt the Syrian Army offensive by attacking one of its major bases and key network. Nothing else. As the link below proves the House of Saud has been exposed for being Jewish:

Syria - Israel Is Losing the Battle

Friday, June 7, 2013 at 4:12PM Gilad Atzmon

www.gilad.co.uk/writings/syria-israel-is-losing-the-battle

By Gilad Atzmon

In the last week we have been following British and French's desperate attempts to push for a military intervention in Syria. It is far from being a secret that both British and French government are dominated by the Jewish Lobby. In Britain it is the ultra Zionist CFI (Conservative Friends of Israel) - apparently 80% of Britain's conservative MPs are members of the pro Israeli Lobby. In France the situation is even more devastating, the entire political system is hijacked by the forceful CRIF.

But in case anyone fails to grasp why the Jewish Lobby is pushing for an immediate intervention, Debka, an Israeli news outlet provides the answer. Seemingly, the Syrian army is winning on all fronts. Israel's military and geo-political calculations are proved to be wrong.

According to Debka, "the battle for Damascus is over". The Syrian army had virtually "regained control of the city in an epic victory". The rebels, largely mercenaries, have lost the battle they "can't do much more than fire sporadically. They can no longer launch raids, or pose threats to the city centre, the airport or the big Syrian air base nearby. The Russian and Iranian transports constantly bringing replenishments for keeping the Syrian army fighting can again land at Damascus airport after months of rebel siege."

But it isn't just the capital. Debka reports that "Hezbollah and Syrian units have tightened their siege on the rebels holding out in the northern sector of al Qusayr; other (Syrian army) units have completed their takeover of the countryside around the town of Hama; and a third combined Syrian-Hizballah force has taken up positions around Aleppo."

Debka maintains that senior IDF officers criticized the Israeli defense minister (Moshe Ya'alon) who "mislead" the Knesset a few days ago estimating that "Bashar Assad controlled only 40% of Syrian territory." Debka suggests that Israeli defense Minister drawn on a "flawed intelligence assessment and were concerned that the armed forces were acting on the basis of inaccurate intelligence." Debka stresses, "erroneous assessments must lead to faulty decision-making."

Debka is clearly brave enough to admit that Israeli military miscalculations may have lead to disastrous consequences. It reports, "the massive Israeli bombardment of Iranian weapons stored near Damascus for Hezbollah, turned out a month later to have done more harm than good. It gave Bashar Assad a boost instead of weakening his resolve."

Debka is obviously correct. It doesn't take a genius to predict that an Israeli attack on an Arab land cannot be accepted by the Arab masses, not even by

Assad's bitterest Arab opponents.

Debka maintains that the "intelligence focus on military movements in Syria especially around Damascus to ascertain that advanced missiles and chemical weapons don't reach Hezbollah laid to a failure of in detecting major movement by Hezbollah militia units towards the Syrian-Israeli border."

Israel is now facing a new reality. It is facing Hezbollah reinforcements streaming in from Lebanon towards the Golan heights and its border with Syria.

Israel, Debka concludes, will soon find itself "face to face for the first time with Hezbollah units equipped with heavy arms and missiles on the move along the Syrian-Israeli border and manning positions opposite Israel's Golan outposts and villages."

Debka is correct to suggest that instead of "growing weaker, Iran's Lebanese proxy is poised to open another warfront and force the IDF to adapt to a new military challenge from the Syrian Golan."

Rather than The Gurdian or the Le Monde, it is actually the Israeli Debka that helps us to grasp why Britain and France are so desperate to intervene. Once again, it is a Zionist war which they are so eager to fight.

Sadly enough, it isn't The Guardian or The New York Times that is there to reveal the latest development in Syria and expose Israeli lethal miscalculations. It is actually a `Zionist' Israeli patriotic outlet that is providing the good. I actually believe that this form of harsh self-criticism that is embedded in Israeli culture, is the means that sustains Israeli regional hegemony, at least monetarily. This ability to critically examine and disapprove your own leadership is something I fail to encounter in Western media. Seemingly, the media in Israel is far more tolerant toward criticism than the Zionist dominated Media in the West.

World In Chains The Rothschild Web

1911: Werner Sombart, in his book, "The Jews and Modern Capitalism," stated that from 1820 on, it was the:

"Age of the Rothschild," and concluded that there was, "Only one power in Europe, and that is Rothschild."

"We have founded many secret associations, which all work for our purpose, under our orders and our direction. One of the many triumphs of our Freemasonry is that those Gentiles who become members of our Lodges, should never suspect that we are using them to build their own jails, upon whose terraces we shall erect the throne of our universal King of the Jews; and should never know that we are commanding them to forge the chains of their own servility to our future King of the World"

-Opening speech made at the B'nai B'rith convention in Paris [published in the Catholic Gazette, Feb 1936]

Back history:

1743: Mayer Amschel Bauer, an Ashkenazi Jew, is born in Frankfurt, Germany, the son of Moses Amschel Bauer, a money lender and the proprietor of a counting house.

Moses Amschel Bauer places a red sign above the entrance door to his counting house. This sign is a red hexagram which under Rothschild instruction will end up on the Israeli flag some two centuries later.

1760: During this decade Mayer Amschel Bauer works for a bank owned by the Oppenheimers' in Hanover, Germany. He is highly successful and becomes a junior partner. Whilst working at the bank he becomes acquainted with General von Estorff.

Following his father's death, Bauer returns to Frankfurt to take over his father's business. Bauer recognises the significance of the red hexagram and changes his name from Bauer to Rothschild, after the red hexagram hanging over the entrance door ("Rot," is German for, "Red," "Schild," is German for, "Sign").

Now Mayer Amschel Rothschild, he discovers that General von Estorff is now attached to the court of Prince William IX of Hesse-Hanau, one of the richest royal houses in Europe, which gained its' wealth by the hiring out of Hessian soldiers to foreign countries for vast profits (a practice that continues today in the form of exporting, "peacekeeping," troops throughout the world). He therefore makes the General's re-acquaintance on the pretext of selling him valuable coins and trinkets at discounted prices. As he plans, Rothschild is subsequently introduced to Prince William himself who is more than pleased with discounted prices he charges for his rare coins and trinkets, and Rothschild

offers him a bonus for any other business the Prince can direct his way. Rothschild subsequently becomes close associates with Prince William, and ends up doing business with him and members of the court. He soon discovers that loaning money to governments and royalty is more profitable than loaning to individuals, as the loans are bigger and are secured by the nation's taxes.

1769: Mayer Amschel Rothschild is given permission by Prince William to hang a sign on the front of his business premises declaring that he is, "M. A. Rothschild, by appointment court factor to his serene highness, Prince William of Hanau."

The French situation starting with creation of the Illuminati:

<http://gblt.webs.com/Illuminati.htm>

1770: Mayer Amschel Rothschild draws up plans for the creation of the Illuminati and entrusts Ashkenazi Jew, Adam Weishaupt, a Crypto-Jew who was outwardly Roman Catholic, with its organization and development. The Illuminati is to be based upon the teachings of the Talmud, which is in turn, the teachings of Rabbinical Jews.

Adam Weishaupt officially completes his organisation of the Illuminati on May 1 of this year. The purpose of the Illuminati is to divide the goyim (all non-Jews) through political, economic, social, and religious means. The opposing sides were to be armed and incidents were to be provided in order for them to: fight amongst themselves; destroy national governments; destroy religious institutions; and eventually destroy each other.

Weishaupt soon infiltrates the Continental Order of Freemasons with this Illuminati doctrine and establishes lodges of the Grand Orient to be their secret headquarters. This was all under the orders and finance of Mayer Amschel Rothschild and the concept has spread and is followed within Masonic Lodges worldwide to the present day.

Weishaupt also recruits 2,000 paid followers including the most intelligent men in the field of arts and letters, education, science, finance, and industry.

Weishaupt wanted a system of truly global dimensions, even if it brought about violent worldwide revolution and rivers of blood. His "benevolent dictatorship" had six main points dealing with the abolition of:

1. Ordered or nationalistic governments in the form of monarchies.
2. Private property.
3. Inheritance rights.
4. Patriotism to nationalist causes.
5. Social order in families, sexual prohibition laws and all moral codes.
6. All religious disciplines based on faith in a living God, as opposed to faith in nature, man, and reason.

This is almost word-for-word from Karl Marx's THE COMMUNIST MANIFESTO and that these six points are also perfectly consistent with the Protocols in general, [once again proving their legitimacy].

Weishaupt's vision for a future world was a full-on Communism, with all possessions, even children, held in common.

"It is more interesting to learn that Karl Marx was not the real founder of Communist world revolution. Its true father was Adam Weishaupt, founder of the "Freemasonic Order" of the Illuminati- Marschalko

"The great strength of our Order lies in its concealment; let it never appear in any place in its own name, but always covered by another name, and another occupation. None is fitter than the three lwers degrees of Freemasonry; the public is accustomed to it, expects little from it, and therefore takes little notice of it."

- Adam Weishaupt

At its beginning, the Illuminati was not a Masonic order, and Weishaupt himself did not enter a lodge until 1777, when he received induction into the Lodge Theodore de Bon Conseil in Munich. However, once inside Masonry, Weishaupt immediately saw its potential value to be a vehicle for the realization of his Illuminati dreams. To create an official union between the Illuminati and Freemasonry, Weishaupt set about organizing the Congress of Wilhelmsbas at the Castle of William IX of Hesse-Kassel, to occur on July 16, 1782. That special even, which was momentous in both size and aspirations, was attended by elite representatives of Masonic lodges from all over.

It was also there that a decision was reached to allow the previously excluded Jews to be granted admittance into Freemasonry.

When the time came for a vote on their admittance at Wilhelmsbad, the Jews were so anxious to win the day that they completely filled the hall with other Jewish supporters. It was not long afterwards that the Illuminati membership included an abundance of Jewish banking families, including the Rothschilds, the Oppenheimers, the Wertheimers, the Schusters, Speyers, and Sterns. New lodges of predominantly Jews were formed in Frankfurt the Rothschild's financial capital in Europe, and soon all of Illuminized Freemasonry would make the city its world headquarters.

1784: Adam Weishaupt issues his order for the French Revolution to be started by Maximilien Robespierre in book form. This book was written by one of Weishaupt's associates, Xavier Zwack, and sent by courier from Frankfurt to Paris. However en route there, the courier is struck by lightning, the book detailing this plan discovered by the police, and handed over to the Bavarian authorities.

As a consequence, the Bavarian government orders the police to raid Weishaupt's masonic lodges of the Grand Orient, and the homes of his most influential associates. Clearly, the Bavarian authorities were convinced that the book that was discovered was a very real threat by a private group of influential people, to use wars and revolutions to achieve their political ends.

1785: The Bavarian government outlaw the Illuminati and close all the Bavarian lodges of the Grand Orient.

Mayer Amschel Rothschild moves his family home to a five storey house in Frankfurt which he shares with the Schiff family.

1786: The Bavarian government publish the details of the Illuminati plot in a document entitled, "The Original Writings of The Order and Sect of The Illuminati." They then send this document to all the heads of church and state throughout Europe, but sadly their warning is ignored.

1789: Due to the European ignorance of the Bavarian government's warning, the Illuminati's plan for a French Revolution succeeded from this year to 1793. This revolution was a bankers' dream.

Up to one million French civilians were slaughtered in this proto Communist revolution under the Jacobins by the direct terror and by the wholesale slaughter of tens of thousands more by the Jacobin forces around the Nation.

Infants were even killed and nailed to church doors, thousands were herded into locked barracks which were then sunk. etc France never recovered from this. The same terror and mass murder which happened when the Jews would launch another power grab in Russia in the 20th century.

The Jews always seek to turn the masses against the leadership class and middle class killing them off and replacing them with a Jewish elite to rule the masses of Goyim under Communistic systems. With nobody left to challenge their Talmudic rule.

1827: Sir Walter Scott publishes his nine volume set, The life of Napoleon and in volume two he states that the French Revolution was planned by the Illuminati (Adam Weishaupt) and was financed by the money changers of Europe (The Rothschilds).

This would also give rise to the same ideology repackaged as Communism later on.

Some notes on the American situation covered in depth here:

http://gbt.webs.com/Jewish_Bankers_War_On_America.htm

1906: The Rothschilds claim that due to growing instability in the region and increasing competition from Rockefeller (the Rockefeller family are Rothschild descendants through a female bloodline) owned Standard Oil, this is why they sell their Caspian and Black Sea Petroleum Company to Royal Dutch and Shell. This is another example of the Rothschilds trying to hide their true wealth.

1907: Rothschild, Jacob Schiff, the head of Kuhn, Loeb and Co., in a speech to the New York Chamber of Commerce, warns that, "Unless we have a Central Bank with adequate control of credit resources, this country is going to undergo the most severe and far reaching money panic in its history."

Suddenly America finds itself in the middle of another typical run of the mill Rothschild engineered financial crisis, which as usual ruins the lives of millions of innocent people throughout America and makes billions for the Rothschilds.

1909: Jacob Schiff founds the National Advancement for the Association of the

Coloured People (NAACP). This was done to incite black people into roiting, looting and other forms of disorder, in order to cause a rift between the black and white communities. Jewish historian, Howard Sachar, states the following in his book, "A History of the Jews in America,"

"In 1914, Professor Emeritus Joel Spingarn of Columbia University became chairman of the NAACP and recruited for its board such Jewish leaders as Jacob Schiff, Jacob Billikopf, and Rabbi Stephen Wise."

Other Ashkenazi Jew co-founders included Julius Rosenthal, Lillian Wald and Rabbi Emil G. Hirsch. It was not until 1920 that the NAACP appointed its first black president, James Weldon Johnson.

Maurice de Rothschild marries Ashkenazi Jew, Noémie Halphen.

1911: Werner Sombart, in his book, "The Jews and Modern Capitalism," stated that from 1820 on, it was the, "Age of the Rothschild," and concluded that there was, "Only one power in Europe, and that is Rothschild."

1912: In the December issue of, "Truth," magazine, George R. Conroy states of banker Jacob Schiff,

"Mr Schiff is head of the great private banking house of Kuhn, Loeb, and co, which represents the Rothschilds interests on this side of the Atlantic.

He has been described as financial strategist and has been for years the financial minister of the great impersonal power known as Standard Oil.

He was hand in glove with the Harrimans, the Goulds, and the Rockefellers in all their railroad enterprises and has become the dominant power in the railroad and financial power of America."

1913: On March 4, Woodrow Wilson is elected the 28th President of the United States. Shortly after he is inaugurated, he is visited in the White House by Ashkenazi Jew, Samuel Untermyer, of law firm, Guggenheim, Untermyer, and Marshall, who tries to blackmail him for the sum of \$40,000 in relation to an affair Wilson had whilst he was a professor at Princeton University, with a fellow professor's wife.

President Wilson does not have the money, so Untermyer volunteers to pay the \$40,000 out of his own pocket to the woman Wilson had had the affair with, on the condition that Wilson promise to appoint to the first vacancy on the United

States Supreme Court a nominee to be recommended to President Wilson by Untermyer. Wilson agrees to this. Jacob Schiff sets up the Anti Defamation League (ADL) in the United States. This organisation is formed to slander anyone who questions or challenges the Rothschild global conspiracy as, "anti-semitic."

Strangely enough, the same year that they do this they also set up their last and current central bank in America, the Federal Reserve. Congressman Charles Lindbergh stated following the passing of the Federal Reserve Act on December 23,

"The Act establishes the most gigantic trust on earth. When the President signs this Bill, the invisible government of the monetary power will be legalized.....The greatest crime of the ages is perpetrated by this banking and currency bill."

It is important to note that the Federal Reserve is a private company, it is neither Federal nor does it have any Reserve. It is conservatively estimated that profits exceed \$150 billion per year and the Federal Reserve has never once in its history published accounts.

In 1914, Professor Emeritus Joel Spingarn of Columbia University became chairman of the NAACP and recruited for its board such Jewish leaders as Jacob Schiff, Jacob Billikopf, and Rabbi Stephen Wise." Other Ashkenazi Jew co-founders included Julius Rosenthal, Lillian Wald and Rabbi Emil G. Hirsch. It was not until 1920 that the NAACP appointed its first black president, James Weldon Johnson.

1921: Under the orders of Jacob Schiff the Council on Foreign Relations (CFR) is founded by Ashkenazi Jews, Bernard Baruch and Colonel Edward Mandell House. Schiff gave his orders prior to his death in 1920, as he knew an organisation in America needed to be set up to select politicians to carry on the Rothschild conspiracy, and the formation of the CFR was actually agreed in a meeting on May 30,

1919 at the Hotel Majestic in Paris, France.

The CFR membership at the start was approximately 1000 people in the United States. This membership included the heads of virtually every industrial empire

in America, all the American based international bankers, and the heads of all their tax free foundations. In essence all those people who would provide the capital required for anyone who wished to run for Congress, the Senate or the Presidency.

The first job of the CFR was to gain control of the press. This task was given to John D. Rockefeller who set up a number of national news magazines such as Life, and Time. He financed Samuel Newhouse to buy up and establish a chain of newspapers all across the country, and Eugene Meyer also who would go on to buy up many publications such as the Washington Post, Newsweek, and The Weekly Magazine.

The CFR also needed to gain control of radio, television and the motion picture industry. This task was split amongst the international bankers from, Kuhn Loeb, Goldman Sachs, the Warburgs, and the Lehmanns.

From here the Jew created the Great Depression in America and in the growing upheaval funded a million man and growing Communist movement.

On Roosevelt:

"President Roosevelt, born of a Jewish mother, therefore satisfying Ashkenazi rules of being Jewish."

On November 16 1933, President Roosevelt recognizes the Jewish regime of Stalin in Russia without consultation with Congress even as 8,000 Ukrainians march in protest in New York.

President Roosevelt, born of a Jewish mother, therefore satisfying Ashkenazi rules of being Jewish,

Given the fact the Jews were in control of American's major media, economy and even had one of their Jews as President along with a totally kosher staff in the White House.....its no surprise why America was pulled into Jew War Two. And all the problems America has faced since is at the hands of the Jewish cabal.

In England:

The Founding Fathers mentioned the only reason for the Revolutionary War was the Jewish bankers in control of England forced it. Which shows the power the Jews had in England since sneaking back in by funding the insane Puritan and genocidal fanatic Cromwell and his war against the Crown and people of England. Cromwell's government wanted to make Hebrew the official language of England. As

their ideology was British Israelism. Christianity has always been the Jews major program and protector. Previous to this the Jews had been banned from England for three centuries.

1812: Backed by Rothschild money, and Nathan Mayer Rothschild's orders, the British declare war on the United States. The Rothschilds plan was to cause the United States to build up such a debt in fighting this war that they would have to surrender to the Rothschilds and allow the charter for the Rothschild owned First Bank of the United States to be renewed.

1815: The five Rothschild brothers work to supply gold to both Wellington's army (through Nathan in England) and Napoleon's army (through Jacob in France), and begin their policy of funding both sides in wars. The Rothschilds love wars because they are massive generators of risk free debt.

This is because they are guaranteed by the government of a country, and therefore the efforts of the population of that country, and it doesn't matter if that country loses the war because the loans are given on the guarantee that the victor will honour the debts of the vanquished.

Whilst the Rothschilds are funding both sides in this war, they use the banks they have spread out across Europe to give them the opportunity to set up an unrivalled postal service network of secret routes and fast couriers. The post these couriers carried was to be opened up by these couriers and their details given to the Rothschilds so they always were one step ahead of current events. Furthermore, these Rothschild couriers were the only merchants allowed to pass through the English and French blockades. It was these couriers who also kept Nathan Mayer Rothschild up to date with how the war was going so he could use that intelligence to buy and sell from his position on the stock exchange in accordance with that intelligence.

One of Rothschild's couriers was a man named Rothworth. When the outcome of the Battle of Waterloo was won by the British, Rothworth took off for the Channel and was able to deliver this news to Nathan Mayer Rothschild, a full 24 hours before Wellington's own courier.

At that time British bonds were called consols and they were traded on the floor of the stock exchange. Nathan Mayer Rothschild instructed all his workers on the

floor to start selling consuls. The made all the other traders believe that the British had lost the war so they started selling frantically.

Therefore the consuls plummeted in value which was when Nathan Mayer Rothschild discreetly instructed his workers to purchase all the consuls they could lay their hands on.

When news came through that the British had actually won the war, the consuls went up to a level even higher than before the war ended leaving Nathan Mayer Rothschild with a return of approximately 20 to 1 on his investment.

This gave the Rothschild family complete control of the British economy, now the financial centre of the world following Napoleon's defeat, and forced England to set up a new Bank of England, which Nathan Mayer Rothschild controlled.

Interestingly 100 years later the New York Times would run a story stating that Nathan Mayer Rothschild's grandson had attempted to secure a court order to suppress publication of a book which had this insider trading story in it. The Rothschild family claimed the story was untrue and libellous, but the court denied the Rothschilds request and ordered the family to pay all court costs.

Back to 1815, this is the year Nathan Mayer Rothschild makes his famous statement:

"I care not what puppet is placed upon the throne of England to rule the Empire on which the sun never sets. The man who controls Britain's money supply controls the British Empire, and I control the British money supply."

He would go onto brag that in the 17 years he had been in England he had increased the £20,000 stake given to him by his father, 2500 times to £50 million.

The Rothschilds also use their control of the Bank of England to replace the method of shipping gold from country to country and instead used their five banks spread across Europe to set up a system of paper debits and credits, the banking system of today.

By the end of this century, a period of time that was known as the, "Age of the Rothschilds," it is estimated that the Rothschild family controlled half the wealth of the world.

1891: The British Labour Leader makes the following statement on the subject of the Rothschilds:

"This blood-sucking crew has been the cause of untold mischief and misery in Europe during the present century, and has piled up its prodigious wealth chiefly through fomenting wars between States which ought never to have quarrelled.

Whenever there is trouble in Europe, wherever rumours of war circulate and men's minds are distraught with fear of change and calamity you may be sure that a hook-nosed Rothschild is at his games somewhere near the region of the disturbance."

"Lord Nathan Rothschild was the most powerful man in Britain."

-British Prime Minister Lloyd George

The British Empire had been under Jewish control for a century by this point with the Jewish Banking Dynasties. Many such Jews had also become part of the British Nobility, such as the Rothschilds:

"The Rothschild family....The British branch of the family was elevated into the British nobility at the request of Queen Victoria. It has been argued that during the 19th century, the family possessed by far the largest private fortune in the world, and by far the largest fortune in modern world history."

Even having the Jews in control of the British Government directly such as Disraeli:

"Benjamin Disraeli, 1st Earl of Beaconsfield, KG, PC, FRS, (21 December 1804 – 19 April 1881) was a British Prime Minister, parliamentarian, Conservative statesman, and literary figure. He started from comparatively humble origins. He served in government for three decades, twice as Prime Minister of the United Kingdom. Although his father had him baptized to Anglicanism at age 12, he was nonetheless Britain's first and thus far only Prime Minister who was born into a Jewish family - originally from Italy."

On Churchill:

"Winston Churchill (whose mother, Jenny (Jacobson) Jerome, was Jewish meaning he is Jewish under Ashkenazi law as he was born of a Jewish mother."

Wonder he and his backers where so eager for war against Germany after they lost control of it to the German National Socialist revolution which freed the Germans from the Jewish death grip.

http://gblt.webs.com/Adolf_Hitler_Man_Of_Peace.htm

During the early part of the Great War which was sparked by the murder of the Arch Duke and his Wife by a member of the Black Hand an Anarchist group that was put together and funded by Rothschild in private to act as usefools. To spark a war in Europe which would destroy the old order generate a massive war debt to enslave the nations further and allow them to manifest the international Communist take over they wanted.

"If my sons did not want wars, there would be none."- Gutle Schnaper, Mayer Rothschild's wife

"Then a significant event occurred. Germany, although they were winning the war and not one foreign soldier had set foot on their soil, offered armistice to Britain with no requirement of reparations. The Rothschilds were anxious to make sure this didn't happen as they were expecting to make far more money off this war, so they played another card they had up their sleeve.

Whilst the British were considering Germany's offer, Rothschild agent Louis Brandeis sends a Zionist delegation from America to Britain to promise to bring America into the war on the side of the British, provided the British agree to give the land of Palestine to the Rothschilds.

The Rothschilds wanted Palestine for the following reason. They had great business interests in the far east and desired their own state in that area along with their own military which they could use as an aggressor to any state that threatened those interests.

The British subsequently agree to the deal for Palestine and the Zionists in London contact their counterparts in America and inform them of this fact. Suddenly all the major newspapers in America that up to that point had been pro-German turned on Germany running propaganda pieces such as: German soldiers were killing Red Cross Nurses; German soldiers were cutting off babies hands, etc, in order to manipulate the American public against the Germans." This action lead to the deaths of over a million of the young men of Britian in

a prolonged war that did not have to be if not for the Jewish control of England.

Thousands more Britians would later die in the second Jewish war.

The Situation in Germany:

As mentioned Germany was also pulled into the First War along with other European Natons due to Jewish machinations.

Then a significant event occurred. Germany, although they were winning the war and not one foreign soldier had set foot on their soil, offered armistice to Britain with no requirement of reparations. The Rothschilds were anxious to make sure this didn't happen as they were expecting to make far more money off this war, so they played another card they had up their sleeve.

This frustation of peace by the Jews caused the deaths of two million German young men in the war and hundreds of thousands of civilians due to the blockade of Germany and war time deprivation.

This was done to bring Germany down into a situation where they could be taken over by a Communist revolution as the Jews worked in Russia and shortly in Hungry:

1919: In January, Ashkenazi Jews, Karl Liebknecht and Rosa Luxemburg, are killed as they attempt to lead another Rothschild funded Communist coup, this time in Berlin, Germany.

The Versailles peace conference is held to decide reparations that the Germans need to pay to the victors following the end of the first world war. A delegation of 117 Jews headed up by Jew, Bernard Baruch, bring up the subject of the promise of Palestine for them. At this point the Germans realised why America had turned on them and under whose influence, the Rothschilds.

The Germans, naturally, felt they had been betrayed by the Jews. This is because, at the time the Rothschilds made their deal with Britain for Palestine, in exchange for bringing America into the war, Germany was the most friendly country in the world towards the Jews, indeed the German Emancipation Edict of 1822 guaranteed Jews in Germany all civil rights enjoyed by Germans.

Also, Germany was the only country in Europe which did not place restrictions on

Jews, even giving them refuge when they had to flee from Russia after their first attempted Communist coup failed there in 1905.

Nevertheless, the Rothschilds had held up their side of the bargain to spill the blood of millions of innocents and as a result, Palestine is confirmed as a Jewish homeland, and whilst its handover to the Rothschilds takes place it is to remain under the control of Britain as the Rothschilds control Britain. At that time less than one percent of the population of Palestine was Jewish. Interestingly, the host of the Versailles peace conference is its boss, Baron Edmond de Rothschild.

The Versailles peace conference is also used as an attempt by the Rothschilds to set up a world government under the pretext of ending all wars (which they create). This was called the, "League of Nations." Fortunately not enough countries accepted it and so it soon died.

Over a million Germans were to die in the extreme poverty, crime and violence in the Jewish created post war chaos in their Nation in Weimar. As the Jews made play after play to fold Germany into a Communist slave state as they did with Russia only to be stopped at the 11 hour by the Thule Society [who created the National Socialist Party] and their chosen Leader Adolf Hitler:

<http://groups.yahoo.com/group/JoSNewsletter/message/172>

1933: On January 30, Adolf Hitler becomes Chancellor of Germany. He drives Jews, many of which were Communist out of Governmental positions within Germany. As a result of this, in July, the Jews hold a World Conference in Amsterdam during which they demand that Hitler re-instate every Jew back to his former position.

Hitler refuses and as a result of this, Samuel Untermyer, the Ashkenazi Jew who blackmailed President Wilson, and is now the head of the American delegation and the president of the whole conference, returns to the United States, and makes a speech on radio which was transcribed in the From the New York Times, Monday, August 7, 1933. In the speech he made the following statements, "...the Jews are the aristocrats of the world...Our campaign is...the economic boycott against all German goods, shipping and services...What we are proposing...is to prosecute a purely defensive economic boycott that will undermine the Hitler regime and bring the German people to their senses by

destroying their export trade on which their very existence depends...
...Each of you, Jew and Gentile alike...must refuse to deal with any merchant or shopkeeper who sells any German-made goods or who patronizes German ships or shipping."

As two thirds of Germany's food supply had to be imported, and could only be imported with the proceeds of what they exported, if Germany could not export, two thirds of Germany's population would starve, as there would be not enough food for more than one third of the population.

As a result of this boycott, Jews throughout America, would protest outside and damage any stores in which they found any products with, "Made in Germany," printed on them, causing stores to have to dump these products or risk bankruptcy.

Once the effects of this boycott began to be felt in Germany, the Germans, who had demonstrated no violence towards the Jews up to this point, simply began boycotting Jewish stores in the same way the Jews had done to stores selling German products in America.

The Jews then pushed Germany into a war via Poland who under promises from Jews in England along with France started a genocide campaign against the ethnic Germans who homeland had been given to Poland when Germany after their betrayal was cut up piece meal and given to other Nations. This would be identical to American's in certain states waking up one day and finding themselves citizens of Mexico due to annexing of their sovereign soil by an decree of alien internationalist powers.

After numerous appeals to the League of Nations to intervene and attempted peace deals with Poland even offering them extra land and greater access to sea lanes which is a major economic favour. The terror campaign only increased. Hitler warned the Polish government to cease its ethnic cleansing or he would end it himself by military force. By the time the German Forces committed their humanitarian armed intervention in Poland over 50,000 German men, women and children had been murdered by the Polish army and armed civilian units.

The rest is history from their Hitler was forced into a war with the Rothschild[Jew] controlled powers of England, France, America and the USSR the Jew War Two caused the deaths of 1/3 of the German people and millions others

across Europe and the World:

http://gbt.webs.com/Adolf_Hitler_Man_Of_Peace.htm

Then created the holyhoax mythology to cover up their role as the aggressors while working to legitimize their genocidal criminal behaviour under the guise of their propaganda lies:

<http://www.holocaustdenialvideos.com/>

On the situation in Russia:

On March 29th The Times of London reports on the Bolsheviks in Russia,

"One of the curious features of the Bolshevik movement is the high percentage of non Russian elements among its leaders. Of the twenty or thirty commissaries, or leaders, who provide the central machinery of the Bolshevik movement, not less than 75% were Jews."

It is reported that the Rothschilds were angry with the Russians because they were not prepared to allow them to form a central bank within their nation.

They therefore gathered groups of Jewish spies and sent them into Russia to drum up a revolution for the benefit of the common man, which was actually a takeover of Russia by a Rothschild controlled Jewish elite.

These Jewish spies were, in age old deceptive Jewish tradition, given Russian names, for example Trotsky was a member of the first group and his original name was Bronstein. These groups were sent to areas throughout Russia to incite riots and rebellion.

The Jewish Post International Edition, week ending January 24th 1991, confirms Vladimir Lenin was Jewish. Lenin is also on record as having stated, "The establishment of a central bank is 90% of communizing a nation."

These Jewish, Rothschild funded Bolsheviks would go on in the course of history to slaughter 60 million gentiles and Non-Jews in Soviet controlled territory. Indeed the author Aleksandr Solzhenitsyn in his work, "Gulag Archipelago, Vol 2," affirms that Jews created and administered the organized Soviet concentration camp system in which these tens of millions of Non-Jews died.

On page 79 of this book he even names the administrators of this the greatest

killing machine in the history of the world. They are Aron Solts, Yakov Rappoport, Lazar Kogan, Matvei Berman, Genrikh Yagoda, and Naftaly Frenkel. All six are Zionist Jews. In 1970 Solzhenitsyn would be awarded the Nobel Peace Prize for literature.

The Rothschilds order the execution by the Bolsheviks they control, of Tsar Nicholas II and his entire family in Russia, even though the Tsar had already abdicated on March 2. This is both to get control of the country and an act of revenge for Tsar Alexander I blocking their world government plan in 1815 at the Congress Of Vienna, and Tsar Alexander II siding with President Abraham Lincoln in 1864.

1920: Winston Churchill (whose mother, Jenny (Jacobson) Jerome, was Jewish meaning he is Jewish under Ashkenazi law as he was born of a Jewish mother) writes[my note gloats] in an article in the Illustrated Sunday Herald, dated February 8th,

"From the days of Illuminati leader Weishaupt, to those of Karl Marx, to those of Trotsky, this worldwide conspiracy has been steadily growing. And now at last this band of extraordinary personalities from the underworld of the great cities of Europe and America, have gripped the Russian people by the hair of their heads and become the undisputed masters of that enormous empire."

Up to sixty million Gentiles died under this Jewish controlled and created system.

The Israel America situation

1948: In the Spring of this year, the Rothschilds bribe President Harry S. Truman (33rd President of the United States 1945 - 1953) to recognise Israel as a sovereign state with \$2,000,000 which they give to him on his campaign train.

They then declare Israel to be a sovereign Jewish state in Palestine and within half an hour President Truman declared the United States to be the first foreign nation to recognise it.

In the early hours of April 19, 132 Jewish terrorists from the Irgun gang, led by future Israeli Prime Minister Menachem Begin, and the Stern gang, led by future Israeli Prime Minister Yitzhak Shamir, brutally massacre 200 men, women and children as they are sleeping peacefully in the Arab village of Deir Yassin.

Following the United Nations transfer of Palestine to an independent Jewish state and an independent Arab state on May 15, the Israelis launched a military assault on the Arabs with blaring loudspeakers on their trucks informing the Arabs that if they did not flee immediately, they would be slaughtered.

800,000 Arabs with the recent memory of the Deir Yassin massacre at the forefront of their minds, fled in panic. They asked for help from neighbouring Arab states, but those states did not get involved as they were no match for the Israelis whose up to date military hardware had been supplied by the Jewish Stalinist regime in Russia. Following this assault, the Jews now controlled 78% of the former Palestine as oppose to the 57% that had been given to them illegally by the United Nations.

The Palestinians, were never paid compensation for their homes, property and businesses stolen from them during this illegal Jewish assault, and these people ended up in slum refugee cities of tents. Futhermore at least half of the Palestinians in their hurry to flee, left their birth certificates behind. The State of Israel then passed a law that only those who could prove citizenship were allowed to return to Israel, thus meaning these 400,000 Palestinians could not return and lost all their property they had left there. As of today the Palestinians are still being slaughtered in a direct campaign of racial genocide against them by the Jews.

The China situation:

1949: On October 1, Mao Tse Tsung declares the founding of the People's Republic Of China in Tiananmen Square, Beijing. He is funded by Rothschild created Communism in Russia and also the following Rothschild agents: Solomon Adler, a former United States Treasury official who was a Soviet Spy; Israel Epstein, the son of a Jewish Bolshevik imprisoned by the Tsar in Russia for trying to forment a revolution there; and Frank Coe, a leading official of the Rothschild owned IMF.

Mao would genocide sixty million innocent Chinese people under his rule mainly to destroy traditonal Chinese culture. Like with Christianity any practioners of spiritual systems where outlawed, killed and put into gulags which was a slow death. And Communistic systems where the new culture of control. With China

under their flag Tibet was next on the list as being the last bastion of spiritual knowledge and histories of humanity. All the Jewish systems seek to remove spiritual knowledge from Gentiles and keep it in the hands of the Jewish elite. This is a major part of their domestication program:

<http://groups.yahoo.com/group/JoSNewsletter/message/170>

A century and more before the Rothschilds and the Solomon Brothers used their control of England and its control of India to run the Opium trade into China killing tens of thousands and wrecking entire communities to the point the Chinese fought the Opium wars to try and throw the Jewish dealers out.

Subject: Immortality Excerpt 2			

This is from a book I have; "Qi Gong for Beginners - Eight Easy Movements for Vibrant Health" by Stanley D Wilson, Ph.D

"According to chinese folklore, Chong Li-Quan, a general in the chinese army during the Han dynasty, was one of the first to learn and master Ba Duan Jin. As the story goes, Chong, who was intent on expanding the national territory of China, suffered a crushing defeat at the hands of the rival Tibetans. Rather than return to Beijing and face the wrath of the Emperor, Chong went into hiding in the mountains of southern China. There he became the student of an enlightened Taoist who taught him Qi Gong methods to cultivate the elixirs of life (substances that bestow immortality) that reside in the body. One of these methods was Ba Duan Jin. After learning to live in perfect harmony with nature, Chong became one of the Eight immortals (or Eight old ones) of traditional Chinese mythology. Before his death, he diagrammed the sequence of eight exercises on the walls of a cave that was discovered several centuries later by another Chinese general, Lu Dong Bin. General Lu Dong Bin also mastered the exercises and became one of the eight old ones."

<http://nemzszoc.site88.net/grafik/nyilaskereszt.gif>

What is the primordial meaning of this symbol? It's origins?

Unfortunately the hungarian national socialism was infected with christianity, the members of the arrow cross party claimed, that the first user was Ladislaus I, he used it as a symbol of protecting the homeland from all directions..

However I have seen the arrow cross in England long time ago, maybe It's related to King Arthur?

Weeds Of The Same Root

This is form another thread on the subject.

Hitler was right in this statement of his to paraphrase what he stated:

"Communism aims to do on the physical level, what Christianity aims to do on the metaphysical. "

When Christianity receded during the period leading up to the Enlightenment, it was morphed into secular Xianity with Liberalism. Liberalism is Xianity without the Christ. Karl Marx was a Liberal "philosopher" who just as stated repackaged this into something to keep up with the time.

Communism is literally nothing but Liberalism repacked into an industrial era modality. Its stated aim is to manifest a society based totally on the radical egalitarianism of Liberal humanism. The Jacobin's of yesteryear became the Bolsheviks of later on. People forget Liberalism plunged Europe into a sea of murder, violence and chaos. And ruled its society with terrorism. Literal called the Terror during the period the Jacobin's sized power during the Liberal revolution in France in the name of the creed that later become Communism creed. The Jacobin's literally wiped out the best of the Frances upper-class. It was total class warfare and the Jews where behind it all along. Liberalism aim to literally wiped away the entire order of life in Western Civilization and replace it with its own order.

Its no mistake the first Communist revolution on earth was in France in the 1870's.

This is why today the Cultural Marxists [social Communism] blend into Liberalism so well. They are both sects of the same Jewish creed. One is just more open in its aggression. This is why the left is always insane and stuck in Orwellian double think. They are atheist Christianity.

True the Christard Right. Is Theistic Communism and the Left atheistic Christianity. The only difference. Its no mistake the Jewish Bolsheviks never destroyed Christianity in Russia. They just wiped out the Czarist, Nationalists elements within it. After that the Church and the Par-tay where in bed together the whole time.

This is the essence of Nietzsche's, iconic statement of: "God is dead."

He was commenting of the fact Liberalism was simply atheist Christianity. The Liberals had taken the values of the Christian gospels. But rejected the theistic principal that animated them. The Christian when asked for the authority of the claims of their values always stated: "God said." Because this is the only

claimed authority their value system is build upon. But the Liberal for who the Christian God is non-existent. But holds the same [perverse] values. What shall they stated when asked the same? They repeat the same values as axioms without anything to hold them up under observation.

Nietzsche also stated:

The Liberal is the Christian Priest in disguise."

Kim Il Sung the first leader of Communist North Korea openly stated that Communist principals are in perfect harmony with Christian ones. In fact they reflect each other. Communist China has a Catholic Church of over 70,000 million people and growing. Christianity is openly pushed and encouraged in China. Where the ethnic Chinese culture was literally wiped off the earth by the Communists in the Cultural "Revolution." And replaced by a Jewish, Communist culture of control. Any spiritual practices were banned by the death penalty. Just to practice Qi Gong was to risk your life. Its what Christianity did as well in its conquests.

A former KGB defector from the Soviet Jewion warned American's that the Communist Empire has created the American Left. And were using these shitheels to Communize America to the point where they could manifest a open revolution and take power. They stated these stupid Leftards would also be liquidated in the revolution as they are usefool idiots nothing more. A step to something more direct.

Many Christian Priests, Christards and Liberals marched with the Communist ranks in the American 1960's and 1970's. When Communist trained agent. Martin Luther King was in full swing. Along with his Jewish handler who was the former head of the American Communist Party in the 1950's. And who wrote that moronic "Dream" speech.

America had a full on Communist, cultural revolution right under the banner of the cross. Bible in one hand, the Communist Manifesto in the other. Because its all the same Jewish racial warfare program at the core. Just in different sects. Branches of the same tree.

The end goal of the Jewish Bible of which the Jewish Torah forms the majority of the Old Testament. Is the Jewish messiah shows up unites the Jews and

wipes out the Gentiles. And rules over a slave humanity where everyone is literally one. There is no difference in race, sex or appearance. All hive minded drones. Toiling for the New Zion. Or Jew World Order.

This is what it comes down to. Feminism is nothing but a wing of Communism that aims to destroy the biological and psychological differences between the sexes. By turning women into men and attacking women who wish to remain actually feminine. The Jews are now running men's movements where its the same Communist line but for men. And this pits the sexes against each other while Communizing them both [making them insane], and allows the Jews to conqueror that much more.

The Jews have even created a bogus materialistic scientism that simple acts as bogus scientific justification and base for their Communist agenda. In this it covers over the truth of humanity origins, the nature of the universe and the spiritual reality of the human being. And replaces it with junk like the Big Bang, Darwinism which is bizarre as it presupposes inequality on a biological bases. But the Left pumps their Liberal humanistic jargon into it. Morphing it to their shit-think more [Social Darwinism is also garbage]. And a whole host of kosher shit that is bunk. All of this is policed with ruthless enforcement as Dogma. And any scientist who goes against it is out the door. They don't even look at the data. They just attack their moral and intellectual character. Which is how Christians behave along with Liberals.

The Nazi's advanced a thousand years in a dozen years scientifically just by dismantling this Jewish materialistic, scientism. They are the reason for all tech advancements that came into society after the war. It was all from German scientists.

The Jews simply readapted what they had during the rule of the Vatican in Europe. The bogus science the Church bases as absolute and beyond all question or else. They infiltrate the scientific revolution with their money and power networks, and turned it into a weapon of theirs putting the Goyium under control again. They just brought the universities and put their people in the chairs and dictated what is to be taught and what attitudes with it.

True knowledge [science means knowledge in English] opens the doors to understanding the metaphysical reality behind all life and the soul. Its the true knowledge the Vedic world and Pagan world in general was built upon.

This is the dangerous situation the Christian wing has medieval dogma which most will laugh off with a mind. But the Communist's push the same agenda but call their lies: "science." And have created a whole pseudo scientific jargon in all fields, to enforce this lie. We are back to Christianity in a new guise.

Psychology and Psychiatry are Jewish creations and simply the opinions that Jews made up to give them power. To enforce their Communist agenda. Their Psychiatry/Psychological jargon literally forms the major basis of this. It creates the false premise to attack the enemies of the Jewish agenda as mentality ill and then remove them from society forever and discredit their ideals and information. As well as keeping the Goyium drugged up and doped out. This is what they did in the Soviet Jewion and even to their enemies in America such as Commander Rockwell. Who outsmarted them at this game thankfully.

Jew, Freud was one of the major people in the Frankfurt School of Cultural Marxism. The Nazi's publically burned this Schools books as the Frankfurt School of Jews, stated aim was to destroy the German People and culture and pull them into International Communism.

This Jewish crap states your personality is just pathology [born in in and need the salvation of the Jewish Head Doc]. And sets Gentiles up for all kinds of horrid shit. Back to Christianity with tools of the Christian Devil and Heretic's.

Don't like the Jewish Christard Church your literally in league with the Christian Devil nothing more. This gives the premise to destroy their opposition and discredit anything they say. So we have not moved on. We are still in the dark ages.

We can observe that Liberalism, Christianity and Communism, Democracy and Capitalism are all the same enemy paradigm. In the very fact all the forces of these Ideologies put aside any petty differences they had to oppose and attack Nazism.

National Socialism the one eternal understanding in temporal form. To this day the dregs of such ideologies still sneer with a vicious hate for Adolf Hitler and Nazism. Its the ultimate litmus test.

As the world becomes more Jewish by these annihilation ideologies. The world also becomes more ugly and humanity becomes degenerate in the mind, body and soul.

The Swastika must smash the Cross, in order for the Supreme Order of Life to triumph on earth.

Even though Christ is fictitious, in a non-atheist way, his teachings spell out the tenets for ultimate Liberalism, Marxism, Enemy Socialism, and yes, even Feminism. There is a book out there titled "Jesus Was a Feminist." When I attack Feminism, I am not attacking women in any way, shape, or form; just how the Jews have perverted women's rights into a program to snatch women away from us so they can be foot-soldiers for the kikes to damn Gentile humanity. This is in the same vein that the Jews have perverted rights for homosexuals. My eyeballs ache from research on all of this.

As much as the Jews work to confuse, and as much as they have tried to Christianize Nazism, if a person has any reading and comprehension skills, they will see that Christianity is the ultimate anti-Nazi creed.

Like Christianity's more atheistic twins of communism, Marxism, etc, the "God" of the Bible truly is an obliteration device, as is shown in this Bible passage:

"There is neither Jew nor Greek, slave nor free, male nor female, for you are all one in Christ Jesus." Galatians 3:28

For our enemies who want the lubby dubby SHIT, where you turn the other cheek, love your enemy, resist not evil, blah blah blah, I think it is obvious that they are Christians at the soul and will never be able to reconcile themselves with True Satanism/Nazism, as the very idea of opening their spiritual eyes becomes a stumbling block because they don't want to know the truth, as they cannot accept it.

Another observation I have made... Despite the Republican Christian Fundamentalists, Christianity ultimately embraces a mob-ruled Democratic One-World Government. These so-called "right wing" Christians are praying and tithing to the funeral wreath of humanity...as long as they worship Jewsus and hold Christian "values/morality."

To sum it up, Christianity and it's atheistic counter-parts are NOT enemies or at odds with each other in any way whatsoever, despite how the kikes try to make it look like communism is the solution to Christianity. Such a viewpoint is like saying "Christianity is the solution to Christianity." Communism is just Christianity in another form, as it is what Christianity boils down to.

For those who want to know a little more about why Satan hates the Jews so much, I found the following whacky video to be revealing. It shows how much the Jews really do love their Jewish lord Christ.

Brahmanism And The Decline

This article covers some extra to the original article I wrote here:

<http://groups.yahoo.com/group/JoSNewsletter/message/393>

But also goes into the factors of the decline of Brahmanism into the current period.

The Aryan/Vedic religious period in India was Brahmanism. This is important to understand when looking into this subject. As we see Brahma is the gold seed of the perfected soul what the Egyptians called the "Golden Drop.". The allegories that relate to him go back across the Aryan world.

Brahma is titled the one God in three parts. Siva's title was Brahma back into the Indus Valley, because they are the same being [pre-Hindu period]. Brahma is the state of Godhead. And this is the same symbol pattern that after the Brahmanical period was then divided into different traditions such as the Sivite and Vashnite. Which are far removed. The popular Vashnite sects did not arise till around the 15th century ACE. And are based off centuries of corruption and Islamic influences.

Brahma's four heads also represent the four stages of alchemly finished.

Brahma as a titled represents the perfected soul as I wrote. The B also represents this ether or mercury life force with Ra the sun and Ma the lunar all perfected in the Gold. Brahman and the Brahmanada relate to this ether principal of creation as well. They was no Monotheism in the ancient world. The Vedic's stated there is the Brahman and the Greeks the Logos.etc

This is what monotheism was corrupted from, the Logos. The perfected individual was the self generated, incarnation of the Logos or Brahman, the subtle ether of which all the elements of life flow from and are manifested by. They where the perfected microcosm. The cosmic man, Purusha or Brahma.etc This has nothing to do with a monotheistic God.

Brahma's mantra is AUM which represents the Gold in the work. This mantra opens the threshold of Brahma. The door which represent several things. Among them the Magnum Opus. You can see Osiris standing within the door or threshold as for His reborn state. The images where in the Vedic temples.

The nature of the soul as Brahman also relates to the Gold. The realm of Brahma is eternal life.

Brahma holds the book or Veda which is the key to perfected life. I note this everywhere. Toth had the Book of Life, the Cathars had the book of Amour [eternity] and the Templar's symbolized their great work as Sophia holding the sacred book. The book is the grail, its a symbol of the life force processes and

the knowledge of perfecting them.

The lotus of Brahma also represents the Ankh in Egypt.

Brahma is also symbolized by the Grail bowl into which Saraswati pours the ambrosia. This is the symbol our God is depicted as in the west. The Agathodaimon the cup or bowl of Dionysus. That is a literal symbol of Him. who is the reborn Zeus [the Greek Brahma] from the Egg. Just as Brahma emerged from the cosmic egg.

"Lord Brahma's vehicle is Hamsa, the Swan. He is also shown riding a chariot drawn by seven swans, representing the seven worlds."

Brahmacharya is a term that has been confused as Danielou stated it means "Seeker of Wisdom." In the ancient context wisdom in the highest form relates to Sophia or the serpentine life force. It also means the behaviour or path that leads to Brahman. Danielou mentions the Brahmacharya's of the ancient world where the Eastern equal of the Grail seekers.

This is important because this term has come to mean celibacy when as Danielou points out it does not actually mean this. It refers to the fact brahmacharya's had chosen the path to full enlightenment hence they had put aside the role of householders's meaning to get married and have procreative sex for family creation.

But the Brahmacharya's had female constorts of whom they engaged in ritual and pleasure based sex with. Which are the other two areas sex falls under in the Aryan world.

We can again see why the ruling class was the Brahmana's this has to do with the perfection of the soul. Originally the supreme ruling class where called the twice born. In this case it refers to the finishing of the Magnum Opus.

The performance of the Tapa's bring the sacred egg to transformation and the new soul emerges from it as a new born. Hence the egg of Brahma. The Golden Age religion is based on Tapa's in the doctrine of yuga's is alchemical allegories. Tapa's bring about the Gold.

The system of Tapa's was contained in the Yagya's or fire rituals. Which formed the blueprint or Mandala's for the inner ritual of spiritual transformation. Tapa is the action which produces the internal heat of transformation. In Greece the point of these rituals was to bring one to perfection.

The Brahma thread was the sacred thread the Brahmana wore. Its made of three cords made into one. The one God in three parts. And it symbolizes the eternal thread. Of the perfected soul. The Templar's had the same thread.

This is important to understand as Brahmanism came under attack around 2500 hundred years ago. And one of the major attacks was against the ritualism of

the Brahmana period. Which are designed to perfect. Where smeared as a negative. In the enemy ideologies that arose in this period. As their agenda is also to corrupt and remove spiritual knowledge.

This is all Asokan Buddhism really is. An attack on Brahmanism. The Pali Cannon was created under his direction at the the 3rd council. And its full of attacks on the Theistic Creator God Brahma as being lesser or inferior to Gautama Buddha. People need to remember Gautama was a created new Godman to replace the Aryan culture its the xainity of the East.

Asoka was looking for away to dismantle the old order of the Brahmanical culture. So as to gain more power for himself and reigme. He was powerful but not that powerful to openly attack them with a sword. So he used psychological warfare and styled himself as this pious Buddhist parton who would be the direct mentor of this new religion to the mass. Building himself up directly as a defacto pope. And pushing the Brahmana class and their God Brahma out of the way. Certain factions of the Brahmana class nodoubt where bribed or swayed by other means to come aboard the new program.

This is what Akhenaten did earlier in Egypt for the same reasons. He created a new religion with himself only as the head. Closed down the temples and banned the worship of the Gods and the traditional Priesthood. The temples where the centers of spiritual teachings and practices. So he also wanted this gone too. And he built a new religious capital at Arma. While swaying a certain amount of the Priests into his new religion. To live with him at Arma the new birdcage for the nobles and Priests. From here he would control all direction and instruction for his own rule and mostly remove as much spiritual knowledge as possible as this was an attack on the spiritual culture based on the transmission of this knowledge. He also forced this onto his vassals through his empire even leaving them to be slaughtered by attacking enemies for not submitting to his demands fully. At this point Egypt was one of worlds biggest superpowers.

Akhenaten pushed to far and it lead to open civil war in which the Amenists where wiped out. Their monotheistic ideology was considered so horrid and corrupt. The Egyptians worked to remove all traces of it from their own texts. Erasing it from history lest it never rise again. Akhenaten did so much damage to Egypt it never rose again to the level it had been before. His defeat spared Egypt total destruction. As his reigme was annihilating Egypt from within. Arma was dug up and from what was found Akhenaten was a sadic tryant and dangerous clown. It makes me wonder just who might of been behind this regime in private. No movement on that level is a single man.

The Brahmana's hated Asoka, righthfully. They understood the dangerous situation. From accounts this is the period the Bhagavad Gita really appears. As a tract added to the famous Mahabharata. Its been hinted the character of Arjuna is a slap at Asoka [and fictional Gautama]. The idea of a Kshatriya dropping his weapons and becoming a crying, emotional, guilt ridden pacifist [xian]. Was abhorrent to the Brahmanical world of the Aryan culture. It was Adharmic, cowardice. The fist part of Krisna's council to Arjuna to rise and fight as a warrior and the metaphysic's of it and the doctrine of Varna [class]. Are Vedic in nature. And in opposition to the anti-Aryan, new religion of pacifism and corrupted spiritual knowledge.

Over time the enemies of Brahmanism put their agenda into this text and or they first wrote it and the Brahmana's then created their injections as a counter. Which is why this text is so contradicting. But in the end this text represented the end of the Vedic culture as it replaced Brahmanism with radical egalitarian

corruptions. That Christianity is also built upon. However it started, we know how it finished.

The Brahmana's won some ground and Buddhism warned in importance but it did his damage. As under Asoka this new religion had centered all knowledge in their hands and worked to corrupt it for decades. This was done to try and make the Veda reflect the Pali Cannon. As the angle in, was Buddha was the new God. Who was "reforming" the Vedic religion. And Buddhism was the pure essence of Vedism minus the "corruptions" that the evil Brahmana's put in there over time.

Around the period of the mid first millenia there was a major return to the Vedic culture as mentioned. But at this time the return movement was corrupted and subverted by Adi Shankara [and those forces behind him]. Who as some have stated. Destroyed Brahmanism for within finishing off what was started before. By cleverly changing the terminology within Brahmanism to reflect the enemy doctrine of Buddhism. It created the synthesis that pulled it down. Shankara was openly hated by other Brahmana scholars as they openly knew what he was doing and worked against it. However Shankara's corruptions where pushed by anti-Brahmanical forces.

Interesting enough Shankara was mentioned as having a naturally disceptive character. A real life Grima Wormtongue character. This is interesting because Shankara was from the area of Kerala. Which is where the Jewish population in India has been traditionally located for thousands of years even in this period. This type of enemy thinking is proto or early Communism and only comes from one groups mind naturally. The hailed saviour of the Vedic culture was its great destroyer which should reveal some deep things.

Note the Jewish Theraputes who created Christianity in Alexandria. Where using Buddhist texts and translating them into languages of the Empire. And where quite close to the Buddhism communes. Infact they where considered by some to be Buddhists themselves. They injected much of this enemy Buddhism into the four gospels. The sermon on the mount is right from Buddhism. They where working hard to subvert the Western Aryan culture with this.

Anything left of the Aryan culture was finished off by the Islamic conquests which exterminated over 70 million people in seven centuries and culturally exterminated entire Aryan regions in the North and most of the best of the Aryan populace. In time racial mixing and culture corruption finished the rest off.

One scholar noted the reason Aryan Bharat which under the Brahmana's and Brahmanic culture had repelled Alexander the Great. Was defeated by the smaller forces of Islam was simple. Centuries of the effects of Buddhism and its assorted ideologies had destroyed them from within making them as easier target.

The Catholic Church from the evidence even confessions of high ranking clergy members. Was behind creating Islam. The Catholic Church was a Jewish operation at the top. As the evidence proves. This understanding was around during the reformation period among the Gentile population as well.

Islam was created in a region with a heavy Jewish population and Catholic population so their whole kosher network. Keep in mind the Jews had populations inside of India. And from records they enjoyed royal favour in some parts. Which means they where up to their usual behaviour buying influence, spreading subverise cultural movements. Seeking to subvert key networks and such.

Its very likey another reason Islam pushed so far into India. Is a network of Jewish fifth columnists and their Goyium lackey's where helping this out from within. No different then how the Jews tried to sell Spain out to the Moors. And in America act as a fifth column and also within European and Asian nations to

pull them into Communism.

Subject: Jews

Jews

This was from an answer to a question in the egroups.

The Jews are a dualistic system with one core. The Jews themselves at the core are a genetic group a blood line. Yet one can con-vert to Judaism. But upon this they have to marry into the genetic group and absorb their genes into the hive. This allows the Jews to blend into the host society while still maintaining their genetic-psychic strength. And the con-vert becomes an active agent of the Jews, with a Gentile face. But will never be allowed to go far within the deep ranks of Judaism.

At the highest levels only those of purest Jewish genetic lines can be admitted. Making sure the pure blooded ones lead the group and give it direction.

The Jews by their records and texts such as the Zohar, state they come from a genetic line not of the Gentiles which they believe makes them superior and gives them entitlement to the planet and all upon it. They state Gentiles are animals put here to be their slaves and property. And since we are not from their line we are not human and not covered by their law of the Torah. Meaning they can do what they want to us with no moral qualms. Judaism dehumanizes the entire planet.

Above the Jews are a collective of negative entities who the top Rabbinical class who are adept Black Magicians work with and take direction from. The Jews carry the spiritual inheritance of these entities in their blood as this is the group they are genetically created from by their admission. What this means is they are connected on the deep soul level to such non and anti-human, entities. They are a window to these beings on the planet.

Even the average Jew has a deep unconscious connection to these beings. On the soul level. And they are bound into a large mass Jewish mind or collective

unconscious and consciousness they share with such entities as well. They share the same race soul together. Their soul nature is encoded in their religious texts of which are nothing but what is in their soul. And simply the desire to harm, enslave, murder and destroy Gentiles by any means. Their biology is their belief.

People point to their different factions, disagreements and infighting as something to offer an example of something to believe the Jews are not a mono group against us. But this shows nothing in many cases it proves the opposite. It's in their soul and even programs started by Jews in conflict with other Jews. Still push the Jewish agenda anyway and harm Gentiles. This above belief not all bad apples belief creates a false understanding that allows Jews to step in and control the opposition to them. And terraforming it into something which serves them.

Which means you can never trust them. Many do what they do unconsciously. Because what's in the soul is what it's about. And it's in their soul to do what their religious texts state.

It's not about opposition to Christianity, Islam, Communism, Liberalism or Capitalism, Zionism.etc

It's actually on the deeply conscious and honest level. One thing only. Opposition to JUADISM. All these programs listed above come out of the Jewish race soul. Most people in our society are in strong opposition to the Jews on some level and don't even realize it yet.

One can also observe strong schizogenic behaviours in those who are larger admixture of Gentile blood. It's a from a conflict on the soul level which manifests into the conscious mind. Otto Weininger stands out. He was half Jewish. But hated his Jewish half, as an ugly and vile stain within his soul. He could feel this. He lived a life of struggle with it. Till he killed himself to try and escape it. He was an open example. Of the two different and conflicting natures of the Gentile and Jewish soul in one man. And the fact those of Jewish blood can never stop being Jewish, even if they consciously want to. It's in the soul.

The purpose of Judaism is to terraform the planet into a situation where the entities that manifested the Jew, can then feed off humans and use them as slaves without end. The Jews are simply the terrestrial level of this agenda. In lay terms the Jews are race of psychopaths. And not part of Gentile Humanity. They are a war upon it.

Subject: Re: Question regarding the symbol of the hungarian arrow cross party

it is my understanding that Szálasi held strong anti-Jewish views, considered himself a staunch "antisemite" and dreamed of a Hungary free of its large Jewish population. this 'arrow cross party' held high pro-Nazi beliefs. The arrow cross symbol remains outlawed in Hungary...it is also known as the Crosstar. in my understanding only, same as swastika is ancient symbol,so is the crosstar- signifying victory in the North, South, East and West,pointing to the 4 corners.

No, not 'king arthur' it goes back to ancient summeria.

There is no point as this is her belief statement. Not mine. Unless your asking me to elaborate on her belief system.

I will state Bailey is the example of the cognitive dissonance which comes from the unconscious effects of Christian programming which is nothing but Jewish supremacy for the Gentile mind. On the conscious level she understood Jews as an ill force. But then rationalized herself into kissing the ground the Jews walk on. Which is the karmic result of this unconscious programming. And the results of not clearing it from the psyche. It also makes Gentiles susceptible to all their programs on the unconscious.

The Jews who created this knew it acts as protective force for them as part of its larger aim. As even intelligent Gentiles who awoken to them. Are too handicapped and under the hypnotic spell to even have the basic psychological requirement, to be effective against them.

Jews

This was from an answer to a question in the egroups.

The Jews are a dualistic system with one core. The Jews themselves at the core are a genetic group a blood line. Yet one can con-vert to Judaism. But upon this they have to marry into the genetic group and absorb their genes into the hive. This allows the Jews to blend into the host society while still maintaining their genetic-psyhic strength. And the con-vert becomes an active agent of the Jews, with a Gentile face. But will never be allowed to go far within the deep ranks of Judaism.

At the highest levels only those of purest Jewish genetic lines can be admitted. Making sure the pure blooded ones lead the group and give it direction.

The Jews by their records and texts such as the Zohar, state they come from a genetic line not of the Gentiles which they believe makes them superior and gives them entitlement to the planet and all upon it. They state Gentiles are animals put here to be their slaves and property. And since we are not from their line we are not human and not covered by their law of the Torah. Meaning they can do what they want to us with no moral qualms. Judaism dehumanizes the entire planet.

Above the Jews are a collective of negative entities who the top Rabbinical class who are adept Black Magicians work with and take direction from. The Jews carry the spiritual inheritance of these entitles in their blood as this is the group they are genetically created from by their admission. What this means is they are connected on the deep soul level to such non and anti-human, entitles. They are a window to these beings on the planet.

Even the average Jew has a deep unconscious connection to these beings. On the soul level. And they are bound into a large mass Jewish mind or collective unconscious and consciousness they share with such entitles as well. They share the same race soul together. Their soul nature is encoded in their religious texts of which are nothing but what is in their soul. And simply the desire to harm, enslave, murder and destroy Gentiles by any means. Their biology is their belief.

People point to their different factions, disagreements and infighting as something to offer an example of something to believe the Jews are not a mono group against us. But this shows nothing in many cases it proves the opposite. Its in their soul and even programs started by Jews in conflict with other Jews. Still push the Jewish agenda anyway and harm Gentiles. This above belief not all bad apples belief creates a false understanding that allows Jews to step in and control the opposition to them. And terraforming it into something which serves them.

Which means you can never trust them. Many do what they do unconsciously. Because what's in the soul is what its about. And its in their soul to do what their religious texts state.

Its not about opposition to Christianity, Islam, Communism, Liberalism or Capitalism, Zionism.etc

Its actually on the deeply conscious and honest level. One thing only. Opposition to JUADISM. All these programs listed above come out of the Jewish race soul. Most people in our society are in strong opposition to the Jews on some level and don't even realize it yet.

One can also observe strong schizogenic behaviours in those who are larger admixture of Gentile blood. Its a from a conflict on the soul level which manifests into the conscious mind. Otto Weininger stands out. He was half Jewish. But hated his Jewish half, as an ugly and vile stain within his soul. He could feel this. He lived a life of struggle with it. Till he killed himself to try and escape it. He was an open example. Of the two different and conflicting natures of the Gentile and Jewish soul in one man. And the fact those of Jewish blood can never stop being Jewish, even if they consciously want to. Its in the soul.

The purpose of Judaism is to terraform the planet into a situation where the entitles that manifested the Jew, can then feed off humans and use them as slaves without end. The Jews are simply the terrestrial level of this agenda. In lay terms the Jews are race of psychopaths. And not part of Gentile Humanity. They are a war upon it.

Subject: Aweakening all the Gentile people 21 June 2013 [Ritual / 40 day work

First of all I have to thank all of our Faithful ones who have been working relentlessly on the 40 day destruction Ritual/Working that was posted. This has made an impact and this was very evident in recent attack on many levels, from mindless xians, to personal attacks we have received and other things. If someone is on the process of completing a 40 day working against the enemy, this ritual/working can be started on later days, AFTER you are done with it.

A great signal that the Vatican is scared is that they do all sorts of shit lately, like the Pope and how he remembered he should 'come in contact' with the people more.

Because they are on the death coffin and the empty shell retard enemy soul has to get down there and chase the followers. Pathetic.

What our people do right here is very important, I cannot emphasize this. Its also to be mentioned that those who are relentless in their attacks and spiritual assaults against the enemy, are placed first in priority in help from the Powers of Hell. The harder you get attacked, you must know the more shit you bring to the enemy.

The enemy is in complete desperation, you just need to open your eyes on how many people stray away from them daily, how many new members we have everyday, how many more people are becoming interested in Satanism each day.

As for the Protective meditation by HPS Maxine, this should be continued indefinitely. During any of these workings/rituals.

This Ritual has to have the most participation. We have many people here, this group did hit 10000 members. If half of these members actively worked in meditating and fighting relentlessly, they would do insane damage to the enemy. SATAN EXPECTS YOU TO, NOT ME! SHOW OUR FATHER YOUR WORTH AND

GET ALL THE REWARDS THAT COME WITH IT, THIS WORLD BECOMING OURS BEING THE GREATEST OF THE REWARDS.

INFORMATION ABOUT THE RITUAL:

-----*****Ritual/Working Date and Information:

The Ritual/Working is to be started on June 21.

The number of Runic vibrations is adjustable. More vibrations, more power. This is up to you. The minimum is 9 for each Rune.

Hours of the day: Any hours, but Jupiter, Sun and Venus are the Greatest. Avoid the hours of Mars and Saturn as this is a White Ritual/Working.

Additional Dates the Ritual/Working can be started and performed:

-Friday June 21st, waxing moon in Sagittarius. Void moon ends early that morning

-Thursday July 11, waxing moon in Leo before the void moon, waxing moon in Virgo after the void moon (2 1/2 hour void). I feel both moon signs are good for awakening, as Virgo is good for white magick for others. If not Thursday, can be done the day before, Wednesday, moon in Leo or the day after, Friday, moon in Virgo

-Sunday July 14, waxing moon in Libra

-Thursday July 18th after the void moon that morning/evening depending on location, moon will be in Sagittarius

-Friday July 19th, waxing moon in Sagittarius

The Runes to be used are ODHAL, DAGAZ and SOWILO, but Sowilo is optional and will just add more power to the Ritual and Working. The Runes are Pronounced as:

ODHAL- OOOOOOO-TTTTTTHHHHHHD-AAAAAAAA-LLLLLLLLL

DAGAZ- DDDDDDDD-AAAAAA-GGGGGG-AAAAAA-ZZZZZZ

SOWILO- SSSSSS-OOOOO-VVVVVV-IIIIII-LLLLLL-OOOOOOO *or* SSSSSS-OOOOOOO-LLLLLL *or* SSSSS-AAAAA-HHHHHH-UUUUUUU-IIIIII-LLLLL.

~~~~Runic Affirmation [To be recited after each 9 chants of Runes]: The energies of (\_Name of Rune\_) are constantly and permanently in aweakening all

Gentiles across the world to the Satanic Truth and the lies of the enemies of Satan. [You can add NOW in the end of the affirmation, but this is optional. Do this only if it feels right]

~ ~ ~ Ritual Affirmation [ To be affirmed 9 times after you are done with the Runes ]: All Gentiles of Planet Earth are now awakening to the Satanic Truth and to the lies of Satan's enemies.

-----\*\*\*\*\*IMPORTANT POINTS:

\*Be aware the enemy will try to stop you, with all kinds of thoughts. Be prepared to not give a fuck about these and proceed, as the enemy is very sly and they will use anything.

\*The working will not require more than 10 minutes a day, so there is no excuse not to participate.

\*Always keep your Meditation programm up for the length of it. For those who are more advanced, Merkaba is to be practiced for the whole working, daily, as to now allow the vibration drop. CLEANING YOUR SOUL IS MANDATORY, EVERYDAY.

\*If you lose a day, make up for it on the next day and if you have time limits, do not obsess over the Planetary hours. Though this is to be avoided as to add more power to it.

\*The first day Ritual can be avoided, but will boost the power of the Ritual and is a great formality. This should be repeated on the 40th day of the Ritual.

\*The energies can be directed with your own visualization. Be it the Earth completely inside Satanic energy, or in a charged ball directed to the Ether, like a thoughtform. You can adjust this. Its also advisable you spend 3-4 minutes after the working, each day, visualizing the perfect Satanic world, massive anger against the enemies and jews, massive awakenings, the Fourth Reich and generally dwell on it with your love.

---

-THE RITUAL-

Runic Affirmation [To be recited after each 9 chants of Runes]: The energies of (\_Name of Rune\_) are constantly and permanently in awakening all Gentiles across the world to the Satanic Truth and the lies of the enemies of Satan. [You can add NOW in the end of the affirmation, but this is optional. Do this only if it feels right]

Ritual Affirmation [ To be affirmed 9 times after you are done with the Runes ]: All Gentiles of Planet Earth are now awakening to the Satanic Truth and to the lies of Satan's enemies.

This Ritual will be very alike your standard and easy Rituals. The purpose of this is that we need the numbers we have, to participate and GIVE THEIR ALL TO

THIS.

I am making this extremely easy, applicable, possible for everyone. If you do not have an Altar, go for your Astral Temple. If you do not have an Astral temple, an Altar or nothing of these, jump straight forward to the Working.

Excuses are for the weak, quitting is for the weaker and fearful people to the trash can.

Doing and applying is for Satanists, future Gods and people who are seriously dedicated to Father Satan, not just by mere words.

Here is the Link for the Standard Ritual. What we are going to do is adjust this.

<http://www.angelfire.com/empire/serpentis666/Ritual.html>

You will do the Ritual as you usually do, but the Prayer will be different, it can also be adjusted as you see fit in a personal matter, but don't stray.

ALSO, THIS IS VERY IMPORTANT KEEP THE "MY PURPOSE" PART OF THE RITUAL SOLID, FOR THE NESSESCARY CONNECTION TO BE ESTABLISHED WITH ALL OUR PEOPLE PERFORMING THE WORKING AND RITUAL!

Prayer:

Father Satan, Father of the Gentile people, I come before you, asking you for a Torch to enlighten your lost and blinded Gentile Children. I am before you, asking for this Torch and to be made a beacon of your enlightenment, a beacon of your Truth, a True shining Sun of your Truth. I am not here with mere promises and words, but in full awareness of that I must fight, help and be relentless in acquiring back what is yours and mine. Aweaken my inner Truth, let it shine throught all the levels of existence, make me one of those who aweaken your lost children back to yourself, their Father and Creator. Only the worth ones, the ones who were taken from you and you desire back. The ones who will see the Golden age and come back to you, from my own effort and power, LET THEM BE BACK THROUGH MY OWN WORK. The power you have given me. So Father Satan, mightiest of all, GRANT ME THE NESSESCARY POWER AND TRUST IN ME, AS I TRUST IN YOU, COMPLETELY AND I GIVE YOU MY WORD, NEVER TO BE BROKEN: I WILL BE THE LIGHT THEY HAVE BEEN TRYING TO HIDE, A TRUE SATANIC LIGHT THAT GENTILES WILL SEE AND COME BACK TO OUR MIGHTY FAMILY.

MY PURPOSE IS TO AWEAKEN ALL OUR GENTILE BROTHERS TO THE SATANIC TRUTH AND MAKE THEM ALL REALIZE THE LIES OF THE ENEMIES OF SATAN!!!!

HAIL SATAN!!!!

HAIL LILITH!!!!

HEIL HITLER!!!!

HAIL ALL THE WARRIORS, MEN AND GODS, OF HELL!!!!

~ ~ ~ Now after you are done with the prayer, you will proceed in chanting the Runes.

1. You will start by Odhal, to awaken Gentiles to their Genetic and Racial Soul roots:

After you vibrate the Rune for 9 times or the number of your choice, affirm 9 times : The energies of ODHAL are constantly and permanently in awakening all Gentiles across the world to the Satanic Truth and the lies of the enemies of Satan.

2. Next you will be moving to Dagaz, the Rune of flashes of inner knowledge and awakening, explosive realizations:

After you vibrate the Rune for 9 times or the number of your choice, affirm 9 times : The energies of DAGAZ are constantly and permanently in awakening all Gentiles across the world to the Satanic Truth and the lies of the enemies of Satan.

3 (Optional). Now you will be moving to Sowilo. After you vibrate the Rune for the numbers you chose, you will affirm 9 times:

The energies of SOWILO are constantly and permanently in awakening all Gentiles across the world to the Satanic Truth and the lies of the enemies of Satan.

4. Repeat the Ritual affirmation 9 times:

"All Gentiles of Planet Earth are now awakening to the Satanic Truth and to the lies of Satan's enemies."

5. Meditate for some minutes for the New Satanic world.

You're done. Close your Ritual, HAIL SATAN powerfully and feel proud for yourself!

---

Summing the steps up:

1. Open the Ritual.
2. Do the Ritual as usually with a different prayer.
3. At the height of the Ritual, Vibrate the Runes and say the affirmations.
4. Close the Ritual.
5. The Working: Continue the Vibrating the Runes from 9 days to 40 days after

the day of the Ritual, or constantly and everyday as part of your meditation schedule.

AS FOR THE WORKING, JUST REPEAT THE Runic VIBRATIONS AND AFFIRMATIONS, THEN AFFIRM 9 TIMES THE RITUAL AFFIRMATION.

Enjoy seeing the enemies getting scattered and the Golden Age approaching faster, because of your effort.

---

HAIL SATAN!!!!!!!!!!!!!!

Jews uses Palestinian kids as human shields: UN rights group

<http://www.presstv.ir/detail/309997.html>

A United Nations human rights body has criticized the Tel Aviv regime for torturing Palestinian children, saying the Israeli military frequently uses them as human shields in its operations.

The UN Committee on the Rights of the Child said on Thursday Palestinian children in the occupied West Bank and blockaded Gaza Strip are normally not allowed to have their birth registered, and are denied access to health care, decent schooling as well as safe drinking water.

"Palestinian children arrested by (Israeli) military and police are systematically subject to degrading treatment, and often to acts of torture, are interrogated in Hebrew, a language they did not understand, and sign confessions in Hebrew in order to be released," it said in a report.

The UN committee also expressed regret over Israel's "persistent refusal" to respond to requests for information on children in the Palestinian territories and occupied Golan Heights since the last review in 2002.

"Hundreds of Palestinian children have been killed and thousands injured over the reporting period as a result of Israel military operations, especially in Gaza where Israel proceeded to [conduct] air and naval strikes on densely populated areas with a significant presence of children, thus disregarding the principles of proportionality and distinction," the report stated.

The UN report also stated that an estimated 7,000 Palestinian children aged 12 to 17, but some as young as nine, have been arrested, interrogated and detained over the past ten years.

Many are brought in leg chains and shackles before military courts, while youths are held in solitary confinement, sometimes for months, the report said.

It voiced deep concern at the "continuous use of Palestinian children as human shields and informants", saying 14 such cases had been reported between January 2010 and March 2013 alone.

Israeli soldiers had used Palestinian children to enter potentially dangerous buildings and forced them to stand in front of military vehicles to deter stone-throwing, it said.

"Almost all those using children as human shields and informants have remained unpunished and the soldiers convicted for having forced at gunpoint a nine-year-old child to search bags suspected of containing explosives only received a suspended sentence of three months and were demoted."

Israel's "illegal long-standing occupation" of Palestinian territory and the Golan Heights, continued expansion of "unlawful" settlements, construction of the separation fence into the West Bank, land confiscation and destruction of homes and livelihoods "constitute severe and continuous violations of the rights of Palestinian children and their families," it said.

The Israeli Foreign Ministry reacted angrily to the UN Committee on the Rights of the Child report, and described it as "recycled old stuff."

First, thank you for answer! I had a feeling, that It's ancient, what I meant to say is that I remember seeing it in England, probably related to King Arthur, so I was sure It's way older than King Ladislaus.

I also thought It's related to the swastika, It's interesting tho, that we have our own swastika, which we call "tekerőlevél" meaning "twister leaf" : <http://www.erdely.ma/uploaded/images/1665605.jpg>

Szálasi was a real hero, with a noble spirit, It's unfortunate, that he was deeply religious, and yes, he hated jews, he wanted Hungary to be liberated from the jewish monster.

He could have escape execution, but he refused to leave Hungary, instead he become a martyr for truth, during the lawsuit he revealed a lot of truth.

I like your response.

I didn't think here was anything to what she was saying. The whole new age movement that evolved from her Lucius trust are all apologist on the topic for her. They all say that "know one knows where the Hebrews came from, but that they are beneficial by being here" or something along those lines.

Do you have anything you could say about the archons spoken of in the Nag Hamaddi (sp-?) found in 1947 (or thereabouts) text?

Otto Weininger stands out. He was half Jewish. But hated his Jewish half, as an ugly and vile stain within his soul. He could feel this. He lived a life of struggle with it. Till he killed himself to try and escape it. He was an open example. Of the two different and conflicting natures of the Gentile and Jewish soul in one man. And the fact those of Jewish blood can never stop being Jewish, even if they consciously want to. Its in the soul.

The purpose of Judaism is to terraform the planet into a situation where the entities that manifested the Jew, can then feed off humans and use them as slaves without end. The Jews are simply the terrestrial level of this agenda. In lay terms the Jews are race of psychopaths. And not part of Gentile Humanity. They are a war upon it.

True as I note Theosophy is the source of the New Age movement. And its founder Blavatsky claimed mission statement was to reform Christianity into a mystical version and thus create simply another sect of Christianity nothing more.

Archons are the rulers and we have Ar-chon. Ar is a solar term and the root of many such terms such as Aryan, Arhant.etc

The Archons are the seven chakras and the planets which relate to each other. They are the manifestation of the solar logos or Sophia in many cases. Which represents the subtle ether of the soul as well.

In this sense the title of AR makes sense as Chak-RA's and such names for these centers refer to light energy.

They are rulers of the world because the world is the term for the soul.

In another aspect the Rulers refer to the laws of material universe and their effects. Such as the governance of the planets all of which are considered the material manifestation of the spiritual laws. The material manifestation of the etherial aspect the material elements and powers animate from.

The Demurge aspect which was put in other traditions that seem to come later. Seems to relate to the Aryan schools statement that the soul has fallen into a lower octave in the prison of matter. And the lower plane of delusion and suffering that comes with it.

Which gets into rulership of this material realm in the sense of the this state.

This goes deep into the Mystery schools. And the transformation of the soul. Christianity stole these concepts and corrupted them.

The equal to highlight this is the Samsaric principal from the East which is pre Buddhist. Infact most everything in Buddhism is pre Buddhist and from the Brahmanical religion with the meanings changed behind the symbols and meaning of terms. To give them the meaning of the enemy. Buddhism is Brahmanism with the enemies meaning given to most of its concepts. Its a trojan horse.

The Samsaric [Archonic] reality has the individual trapped in a delusionary state that is acting out of the gross ego from the unpurified elements, the samsaric personality generated by the aggregates. That is destroyed by the final stage of the transformation of the soul into the Gold which is what Nirvana is termed, the unconditioned stage of the Primordial state of being. The eastern texts refer to this samsaric personality as a type of possession. Identical to how Archons are mentioned in some Gnostic texts.

This sense the Archons could be the lower octave aspect of the soul like the Titanic element and its interplay on consciousness. That by purification is

removed taking the soul the higher octave state which is shown in some the symbolism of these Gnostic's.

Archon can be confusing it seems as this was a common term for many different functions from social-political to spiritual.

The last is more interesting as the commentaries on these also state the Archons on another meaning are enemy ET's who are behind Judeo-Xian and such world systems. That are designed to kept Humans down and unenlightened and act via their agents [Jews] on earth to do this. Which connections back into the Samaric terms. As this would be inline with the cultural explanation of such entites. Because this is the result and purpose of their agenda.

Just to reiterate in the samsaric sense a person on these levels of existance are very open to all kinds of negative influences and effects. Its viewed as a toxic level of existance. In many texts they are called the "dead" as they are in such a non-conscious state to their divine or actual self. A coal waiting to be refined into a diamond a pure vessel of cosmic energy and consciousness.

Church of England creating phoney 'pagan church' to recruit by subversion

My note this is simply what this program has always done from the start. And what its built on. Its just getting more openly pathetic and desperate. The only reason this might get some place is because most Neo-Paganism is unconscious Christianity.

-----

<http://www.telegraph.co.uk/news/religion/10133906/Church-of-England-creating-pagan-church-to-recruit-members.html>

The church is training ministers to create "a pagan church where Christianity [is] very much in the centre" to attract spiritual believers.

Ministers are being trained to create new forms of Anglicanism suitable for people of alternative beliefs as part of a Church of England drive to retain congregation numbers.

Reverend Steve Hollinghurst, a researcher and adviser in new religious movements told the BBC: "I would be looking to formulate an exploration of the Christian faith that would be at home in their culture."

He said it would be "almost to create a pagan church where Christianity was very much in the centre."

The Church Mission Society, which is training ministers to "break new ground", hopes to see a number of spiritual people align themselves with Christianity.

Andrea Campenale, of the Church Mission Society, said: "Nowadays people, they want to feel something; they want to have some sense of experience.

"We live in reflective England where there's much more of a focus on ourselves. I think that is something we can bring in dialogue with the Christian society."

The Church Mission Society's webpage advertising their pioneer training scheme states: "Wherever in the world the mission of Jesus goes on, the church needs pioneer mission leaders to break new ground."

The news comes as spiritual seekers celebrate the summer solstice at Stonehenge today.

Pagans and druids will gather to watch the sun rise following the longest day of the year, celebrating at the historic monument.

The new move could see famous druids such as druid leader Arthur Pendragon move to Anglicanism.

More than 20,000 people gathered at Stonehenge today ahead of a £27 million transformation of the site.

The huge gathering of people marked the event in a "positive, friendly atmosphere" as they waited for the sun to come up, but cloudy skies prevented them from basking in a beautiful sunrise.

Superintendent Matt Pullen from Wiltshire Police said: "Solstice 2013 has been a great success with approximately 21,000 people celebrating in the positive, friendly atmosphere as they waited for sunrise.

"The weather held but unfortunately the cloud cover was too dense to see the sun come up."

Loraine Knowles, Stonehenge director at English Heritage, said that although Stonehenge never failed to impress visitors, the setting of the stones had marred people's appreciation and enjoyment of the site.

Subject: Holocaustianity

Holocaustianity

Today the world is under the grip of a new religion: Holocaustianity. This program is designed to assign meanings to their agenda. And holds a powerful spell over the minds of the Gentiles. It's a powerful propaganda in the aims of the Jewish agenda. Its premise is the foundation for numerous special laws. Making the Jews beyond criticism. And a tool to silence all debate and steam roll anyone who opposes their agenda. To delegitimize all information that exposes them along with those who do. And gives them moral precedent for their capital Jewish state in Israel. And the greater world system they wish to rule from Israel. It's also a powerful steroid for their Cultural Marxist [PC's real name] ideology. Which is designed to destroy any healthy, organic psychology or material institution that by its nature. Hinders the Jewish destruction and assimilation of their nation. Into the claw of the Jew World Order.

To understand the truth the Jew has made illegal in many areas to cover up this subject [truth does not fear investigation]. We look at what really was happening and shine the light on this situation.

The International Jew manipulated the Great War into existence, that swept Europe up. The reason for this was to destroy the old order of Europe and manifest the situation for International Communist takeover . And leave them holding the entire West in debt to their banks. This plays into the first part. During the war however, something unexpected happened. In 1915 the German Kaiser realized this war was not the quick push to victory as planned. And extended an offer of Peace to England. To end the war with Germany withdrawing to the pre 1914 boundaries. He stated the war was destroying the best of

the young generation of Europe.

As Freedman who was a large player In Internationally Jewry, confessed. The Jews in England then made a deal with the other half of the government they would get their brethren in America. To pull America into the war in return for Palestine as a Jewish state. The Gentile faction wanting to break Germany's Empire and international economic rivalry. Which was the traditional English policy in dealing with Continental European powers. Agreed.

Wilson the American President who by his own and Freedman's confession was nothing but a tool of Jewish interested. [He passed the Fed act]. Just after getting elected on a policy of noninterventionism in the war in Europe. Had the American government vote for war with Germany and their allies in Europe.

The Jewish Bankster's:

<http://groups.yahoo.com/group/JoSNewsletter/message/275>

The whole time this was going on. Jewry was strengthening their Communist movements in Europe. In 1917 the German Jewish elite secretly forged a situation with their connections in Russia. To send a closed armoured train carrying large sums of money for Communist aid and carrying a secret passenger. The Jew, Lenin across the border into Russia. The rest is history.

During this time the Jews within Germany where doing the same they were in Russia. Using the extreme conditions the war had forced on the population. To exploit every theme and issue to generate a powerful Communist movement. They were also spreading defeatist propaganda into the German society which made its way to the front with the new recruits. The Jews made the deal in England simply to keep the war going. They had no intention of wanting Germany to win. With a strong German Empire. Communism would never succeed in Europe. The control of Germany was the key to their victory on the large part of the Continent.

There had been large Jewish manipulated ,Communist style uprisings in the German Empire in the previous century. That had been crushed. The old order had also crushed the Communist revolt of the Paris Commune. They needed them gone to win.

Germany launched their last great offensive of the war in 1918. This was to end the war before America could come in at full force against them. The results were the German forces had won the war. The French where out of action. The only English army between them and Paris had been broken. Then the stab in

the back came. The Jews caused a Communist revolt among the workers, populace and Navy. The Jewish, demoralization of the Army and Home front all came together in this. With this Jewish borne betrayal the offensive lost steam and the war was lost. Two million men had just died in four years of war, to be betrayed by the Jews.

The treaty the Internationalist Jew forced on Germany was intended at the great point. To weaken Germany for Jewish take over via their networks of Communism.

The Jews went right to work their Cultural Marxist brigades started to attack very aspect of German culture and the national soul. Filling Germans with self-hate and shame over being a German. Demoralizing them for the final Communist plunge. The Jews tried to pull Germany into full Communism by the violent takeover tactics such as the Spartacus uprising. This was planned to finish off Germany. The way the Jews did Russia. It was their signal for the beginning of the end of a free Germany.

In this the Thule society was the force that countered the Jewish plans and was the only force able to counter them effectively. Here is an example of what was going in German with the Jewish Communists:

"The Marxists realized their revolution would have to accelerate, since they would not win at the polls. In Berlin the Jews Karl Liebknecht and Rosa Luxemburg had amassed 100,000 supporters, two thousand machine guns and 30 artillery pieces. They invaded Berlin, took over most of the government buildings and declared the Ebery government overthrown by their glorious Communist revolution.

On 10 January, Noske, and 30,000 ex-soldier volunteers swarmed into Berlin. These were highly disciplined men used to carnage and slaughter on the front. They brutally broke through and decimated the 200,000 defenders, though vastly out-manned and with less equipment. The leaders of the red revolution were shot or bayoneted. The glorious Communist revolution in Berlin did not last a week."

The Free Corps that successfully defeated Jewish Communist[Rotfrontkämpferbund] troops several times in Weimar had all been at the top organized by the

Satanists of the Thule Society who saved Germany from the Jewish death grip in the 11th hour literally. You can see the sacred emblems of Thule on the Free Corps helmets:

"The Free Corps re-took Munich, and were angered that Russian soldiers that they had defeated recently were now armed and active against them yet again. After the city had been taken, the Free Corps marched through the town with swastika emblems on their helmets. Cheering crowds lined the roads to thank their liberators.

The Jews were also destroying Germany via organized crime networks which were pumping drugs and filth into the cities. And the Jews in general were involved in a thousand scams to steal the wealth and property of the Germans. Rich Jews would sit in the restaurant windows and tease and mock the hungry German people standing outside who had not eaten in days due to the economic situation. A million people died of extreme poverty in this time. Due to the effects of International Jewry on their nation. The Jewish bankers had purposely created the great depression to steal the wealth of the Gentiles and help create the situation to make their Communist revolution gain power by problem, reaction, solution. Everything rotten and harmful in Germany at this point was overflowing at the top with Jews. As Hitler rightfully noted.

It's the same today in the Western world. The Jews had attacked Germany almost to the death. Germany, the very nation that trusted them and made them a full part of its life in good faith.

Then against all odds something finally changed which put an end to this all out attempted murder on the German people and nation:

"In coming before the public as National Socialists with this conception of the real strength of a Folk, we know that today the whole of public opinion is against us. But this is indeed the deepest meaning of our new doctrine, which as a world view separates us from others.-Adolf Hitler "The Second Book"

Those words were written in 1926 when the Party was fighting for the survival of Germany at a hundred thousand votes:

Three years later the National Socialist Party received two million votes

The next election thirteen million votes

The next election Hitler was the Chancellor of Germany

The Truth had won out.

With the new Hitler government order was first restored. This was done by arresting in mass the criminal elements that had so overflowed Germany partly due to the natural effects of extreme poverty. That vigilante squads were killing criminal elements, in the streets in a desperate attempt to save their communities and protect themselves and their families. What this meant is that hordes of pimps, drug dealers, professional criminals, finical crooks [no different than Jewish, Wall Street, today] and the general people who populate any jail were rounded up and put in the new camps. As the standard jails were already over populated. This was part of the progressive socialist thinking. That by hard work a person could be reformed into a moral human being and reintegrated back into society.

It's no mistake a large percent of these individual happened to be Jewish. For such a tiny minority of the population. They made up the bulk of its criminal element in all areas.

The several and more million, Communists in Germany with orders and funding from a major base of International Jewry. Moscow [no mistake Russian's where found among the Reds in Germany before.] Planned yet another violent uprising against the newly elected government. Which is true to their style. They don't respect a people's right to self-determination. The Communist burning of the Reichstag was the signal of this revolt. This caused the German government to have to declare martial law. And arrest the Communist leadership. And put them into the new detention camps. To stop this uprising from happening.

98% of the Communist leadership in Germany was Jewish. With the top spots all Jewish.

This is what the Hitler government was fighting to prevent from happening to Germany and the rest of Europe:

<http://groups.yahoo.com/group/JoSNewsletter/message/282>

The Jewish Communist regime in the East by record murdered over 60 million human beings. Many in organized death camps all run by Jews.

No one was put into camps for being Jewish. But the Jews where put into camps on mass for their criminal, Jewish behaviour. Just read the Talmud to understand why. Judaism is an organized crime racket against the Gentile world.

There was a reason the Jewish population in Europe had been traditionally moved into Ghetto's with high walls around them. Gates that where locked at night and guarded by armed watchmen. With all Jews having to be inside before nightfall. It was to protect the Gentiles from the Jews. The Czar had to move them into the Pale for the same reasons.

The plan was to relocate the Jews to their own region and out of Europe. This was the only "Final Solution." As honest historians who lost their careers and have been imprisoned for being honest. Have noted time again. Since the Jews had almost annihilated Germany, sending millions of Germans to their graves, in return for Germany trusting them. The government took the best and humane course of action with them. They could have killed them at this point but they didn't. Freeman admits this all. German was negotiating with the Zionist's to help relocate them to another area where they would have self-determination and separation. The Jews where not rounded up or put into camps over this. It was a voluntary movement. Many Jews simply wanted to leave as they could no longer make a living off dishonest means.

Then as Freedman states the leaders of world Jewry meet with the representatives of the German state. And ordered them to return all their fellow Jews. Back into the positions of power they had used to almost destroy the nation with. Or face war with the nations the International Jews controlled. The Germans refused. The first act was an economic embargo put on Germany that would leave a third of the German people to starve. The Jews where attempting to break Germany from within to put it back under their control for their final aim. This failed. And the Jews pushed the world into war with Germany.

For the truth of what really happened:

<http://groups.yahoo.com/group/JoSNewsletter/message/328>

During the war the German government found that every single subversive organisation in their territory even within Germany. That was attacking their

civilians and troops, spying for the Allies [of Judah] and everything in-between to defeat the war effort. And cost Germany the war, just as in the Great War. Where all Jewish and where working with the International Jewish networks behind the Allies governments. In order to deal with this vast Jewish fifth column. Which was literally international. They simply did what America did with the Japanese living in America during the Second War. They put them into internment camps. As a war safety measure.

All that happened was due to the fact Germany was laid to ruin by Allies [of Judah] night and day bombing raids destroying the entire infrastructure of Germany. Millions of Germany civilians where already starving and boiling shoe leather to try and stay and alive. And thousands had been killed in the bombing raids. That where targeting civilizations on Talmudic purposes. The camps where being constantly bombed by the Allies as they were industrial centers. The people who died in the camps simply died for the same reasons hundreds of thousands of Germans did. It was a natural effect of the war and nothing more. As has been proven over and over again even during a court trial. There was no homicidal gas chambers or organized extermination of Jews. Even Jews who were in those camps never mention such. The Red Cross had observers in the camps the whole time and nothing of the such was ever stated. This is what Freedman confessed also.

Proof:

[http://www.youtube.com/watch?v=I0JGN\\_Ixr7s](http://www.youtube.com/watch?v=I0JGN_Ixr7s)

[http://gblt.webs.com/Holocaust\\_Hoax.htm](http://gblt.webs.com/Holocaust_Hoax.htm)

The only people being purposely exterminated in camps were the Eastern Europeans in the Jewish operated death camps inside the USSR. And after the war the Allies of Judah's. P.O.W's camps. The over 50 thousand surrendered German soldiers, many only 15 years old. On orders for the Jew Eisenhower.

The big reason the Jews created this lie. Was to hide the truth. That the Germans had to put them in camps. To protect themselves from the Jews. Just as many nations had done in their own way from the Pale to the walled and guarded Ghetto's.

They had to turn Hitler into an icon of evil. Because if you tell the truth about Hitler. You tell the truth about the Jews.

Subject: Paradise Lost

Hello,

I was reading through the Crown Princes of Hell and the Demons page on joyofsatan.com and it sparked my interest, so I am now reading Paradise Lost, which is a very good set of books which I recommend to you all here.

Miss Maxine, did John Milton personally receive guidance from Lucifer in the writing of this book, much like he instructed and guided Franz Bardon? I think it may be a yes and would like more information about their current situation in Pandemonium, if they have retaken the Heavens, which I assume is their ancestral homes in the Orion constellation, and any information on Lucifer and Beelzebub's parents - who seem to be ultra-imperialists.

My note an "anti-Semite" is anyone who tells the truth about the Jews. The Jews freely admit by using the term "anti-Semite." They are a race.

The fictional, Rabbi BenJoseph [Jesus]. Did state: "Salvation is of the Jews." After all.

The Jews created Christianity:

Shimon Peres meets with Pope Francis

Pope Francis has condemned anti-Semitism, saying that it has no place in the church.

"Because of our common roots, a true Christian cannot be anti-Semitic," Francis said on Monday at a meeting with a delegation of the International Jewish Committee on Interreligious Consultations (IJCIC).

According to the World Jewish Congress, the Catholic pontiff, who was elected in March as successor to Pope Benedict XVI, reiterated that the 1965 declaration 'Nostra Aetate' remained the main point of reference for Catholic relations with the Jewish people.

The Church "firmly condemns hatred, persecution and all manifestations of anti-Semitism," he said.

He also highlighted the role played by his predecessors in fostering better relations with the Jews.

First and foremost, let me express my eagerness to be a part of such a outstanding organization in the first context: my devotion to Socialism, and Spiritual Satanism, has been a tenure that has covered a lifespan of well over a couple years, and what a spiritual journey it has indeed been. Subject: Brahman, Aryan And Nirvana

Brahman, Aryan And Nirvana

The major part of the Great Perfection seems to literally be folding the elements of the gross body back into the etherical light that manifests them. And in making the body as light and refined as the subtle ether of the soul and uniting them with the spirit. The three into One. Into one purified force of etherical light. To which the being lives off pure light from its source and not from the functions of the life forces process of the gross matter of the lower octave. This is not the goofy ascension of the New Agers. The being still exists in transformed, perfect body. From a lump of coal into a diamond body. The pure expression of light.

This is why Brahman is "God" in the Vedic realm of the Aryans. Brahman is the subtle etherical light that all life comes from. By "unsealing the body." Opening the soul up to the highest flow of Brahman= light, force. And causing the final dissolution of the material back into this primordial element. They become a Brahmana. One who knows Brahman. They obtain the highest rank of Brahma: The manifest Brahman.

This is what monotheism is corrupted from.

The 33 Deva's of the Veda make One God, Brahma. As the Greek schools stated all the Gods and Goddess where archetypes of the One God, Zeus. For the same reason this is the esoteric anatomy of the soul. And its perfection. The One God Brahma or Zeus, who's name is Zan or the All. Represents the same principal.

This relates to the perfection of the etherical or Primordial aspect. The conscious also goes beyond the mere body into the greater reality of space. Its no longer limited by the octave field of lower density matter. The human being takes in energy from this Brahman field via the psychic plexus along the spine and other energetic points. That are commanded by the major centers. Opening up the centers to highest level and this etherical light to flow through the highest level. Transforming one into the manifest Brahman. [Reforming ones being to this higher octave.] Or God man. Which is obviously relating to one who is the regenerated or reborn, manifestation of this God [Brahman} force to the pure or transcendental level. And the archetypal, metaphysical form it manifests or gives birth to, hence rebirth. And what this fully entails. God comes from Go the ancient title of the Bull and Go-at. Which represent this power as well.

In Vedic cosmology:

The universe is animated by Ra and Ma. The male principal Ra is what forms the archetypal patterns of matter on all levels into existence. And the female principal of Ma. Is what gives them energy and forms them into being. Change the frequency of the Ma, and the Ra or sacred geometrical patterns that are generated by the vibration, change from. Hence how the above of becoming reborn works. Generating oneself into Brahma. The manifest Brahman.

The false or profane ego is that of the gross elements and there conditioned accumulation of karmic properties. That is purified in the final dissolution. To the new or super conscious state [realizing Brahman]. This has been symbolized in many different ways.

This is the reason the Yogi would cross the threshold of Brahma into the Royal Union. And become immortal.

This is why AUM is the name of God [Brahman] and causes the lotus flowers or centers of life to regenerate. The title Bindu [seed] mantra's. Relate to seed in the sense of semen of Shiva in the tantra. Which is the Etherical light principal at the heart of the elements. That causes this transformation to occur. Within these we have the AUM. Creating the reborn or superconductive body. And consciousness. I have also wrote of A represents the male, the U, the female and the M. The union of opposites into the perfected state.

More on Aum the name of Brahman:

The Soul, Spirit and Body represent the trine principal. But all three must be brought together taking the body out of the lower density. Folding it back into the Etherical principal. The soul contains the Golden drop [Brahman in the eastern texts]. The A sound generates the energy force from the soul which is considered male [solar- gold] thought the spirit merging listed as female into the U and into the body to solidify the sound and transformation. M is meant to bring sound into the material . This causes the three levels to merge into the Gold of the soul and finish the work. I note the AUM sound is shown to vibrate in the symbol of Gold alchemically:

<http://www.youtube.com/watch?v=Yw13EAX3cZk>

This fits with why the AU is considered to be the union of male and female into the M symbol of rebirth. This sound as part of the this trine also work the related male, female and neutral parts of the being on every level of

manifestation.

The eight fold path was also called the Brahmayana. And , the eight fold path of Arya.

The Buddhist texts which are nothing but the Vedanta or Vedic system. That have had new meaning assigned to them and a redrafted symbolic mythos to add to this. Still has maintained the title of Aryan. For one who has brought forth the miracle. The Gold in the work.

AR=Solar, YA=Ether.

ARYA=One who has perfected this Ethical light. A shining one. Since the serpent represents this force within the human being as does the sun . Aryan also means the Shining Serpent. As I have written here:

<http://groups.yahoo.com/group/666BlackSun/message/760>

In the ancient texts of our people they did not die. They entered the into the light or the blessed realm and became immortal. They obtained Brahman.

This is the heart of the Aryan religion. To become twice born one. An Aryan.

Note the original Aryan teachings unlike more Hinduism and other degenerate programs. Did not assign automatic immortality to the soul. Just for the sake of its existence. They assigned a conditional immortality. That had to be earned or won by initiation into the practice of spiritual knowledge. Which regenerates the individual into the immortal, twice born one: Brahma.

When the enemy programs assigned automatic immortality to the soul in many of their programs such as Christianity. It was done so to remove and diminish of

the importance of the Aryan, initiatory Tradition. Making their core purpose irrelevant. And allowing them control by assigning corrupt meanings which their programs are built out of.

Enemy Agenda:

<http://groups.yahoo.com/group/JoSNewsletter/message/170>

More on Brahmanism:

<http://groups.yahoo.com/group/666BlackSun/message/914>

<http://groups.yahoo.com/group/JoSNewsletter/message/393>

Note on Buddhism:

This Brahman principal, is the origin of Nirvana. Which as a title comes from the Vedic tradition and refers to the Golden element. The purified soul. Before it was corrupted in literal non-existence. As remove the Atma the individual soul, and there is nothing to make immortal. As your only existence is five aggravates. That recycle due to burning and fueling of desire. Remove all desire the aggravates are broken down till there is nothing pulling one back into another round of rebirth. And the elements dissipate into nothing. Along with you. As even your consciousness was illusion brought into existence by the rise of desire. Its metaphysical suicide. It even denies one a soul. Which attacks the very core of the Vedic system. Which is what its designed to do.

One who is wise will note the dissolution of the aggravates of the elements into literal extinction of the samsaric self. With the conscious merging back into the primordial ether. "The One." Is also corrupted from the Brahman principal. Into the opposite meaning.

One policemen's desperate and moving account of how he tried for decades to bring a paedophile priest to justice - but was blocked by not only the Catholic church, but by his own Police Force.

Description

One policeman's desperate and moving account of his decades-long struggle to bring a depraved paedophile priest to justice - only to find himself obstructed by the Catholic Church and betrayed by his own police force.

Monsignor John Day died in 1978. He was arguably Australia's most prolific paedophile. His victims are counted in the hundreds. Yet when Day died, he was feted by Bishop Ronald Mulkearns as having 'faithfully fulfilled his ministry in God's name'.

The Church had been well aware of Day's activities. For years his crimes had been overlooked and tacitly endorsed. Unbelievably, Day had committed his terrible crimes with the knowledge and protection of senior members of the Victoria Police as well as the Clerk of the Courts, the most senior officer of the court in Mildura in the 1960s and '70s. Together the three men cast a shadow over the city that remains today.

Denis Ryan, a young police detective from Melbourne, had transferred to Mildura in the early 1960s. By the tacit rules of the day, priests were not to be charged for any crime short of murder in Victoria. The influence of the Church both in the Victoria Police and within the office of public prosecutions was too strong. But Ryan was a good cop, and quickly gained the trust of the people of Mildura. One by one the victims started coming forward-children who had been molested by Monsignor Day and their shocked and sometimes disbelieving parents.

Armed with a dozen or more signed statements, Ryan had sufficient evidence to lay charges. Then began his nightmare, as his every step towards bringing

Day to justice was blocked by the Catholic Church and then the Victoria Police. Ryan struggled for decades to have his story and those of Day's countless victims heard, but shamefully, this will be the first time this tragic tale is made public.

This is Ryan's story, told in his own words. It is also the story of Day's victims, many of whom are alive today, and are here for the first time given a voice.

After all this time, at last the truth can now be told.

Peter Hoysted is an author, columnist and television producer. He co-wrote *Shallow Graves* in 2000 with Sydney based crime writer, Paul Kidd and was the producer and writer of *Tough Nuts: Australia's Hardest Criminals*, a 16 part true crime series which screens on Foxtel's Crime Investigation channel.

Peter is an online columnist with *The Australian*, writing under the nom de plume of Jack the Insider.

Denis Ryan is the former Victorian Police officer who sought to bring the paedophile priest, Monsignor John Day to justice and break the nexus that extended police protection to the priest. Denis paid a heavy price for his determination and was effectively forced from service; offered a transfer that police knew he would not take.

After his retirement from the Victorian Police Force, Denis became Shire President of Mildura in 1979. He established the first Ethnic Advisory Council in Victoria in 1977 and remained its chair until 1980.

Evolution

This is from a question in the egroups:

Mainstream Dawinian evolutionary theory takes about as much faith as belief in Jesus. No matter how much Dawkin's jumps up and down about it. Its acutal point is to form scientific base for communism. Which wipes real human history off the table and replaces it with materialistic, communistic nonsense. Its comes from a time of low understanding in the nature of reality. Science has become the new theology and its just as dogmatic and ruthless in enforcement of its theological cannons. The Big Bang has been debunked over and over. But the real scientists who do this. Simply lose their careers as heretic's. The inquisition is still around.

Fact is life forms do become more complex and subject to change from different rates of light they are based on. Life has been literally proven by uncontrolled science to form out of the subtle ether into being. The physical universe is a spiritual or metaphysical creation. The fact things form out of the ether shows we have souls as this subtle ether is what the soul is formed of at the base. Things become more evolved with they increase the amount of light they are formed by. Change the density change the form.

Fact is life is manifested all the time in a universe without beginning or end, and then constantly changes and becomes more complex and dynamic in consciousness. And then creates dynamic civilizations and migrates out across worlds and uses their superconscious understanding of the eternal laws of life and creation, to create life.

The actual science that came out of Russia once the Communist regime was gone. And that kosher monkey was off their backs. And for once in half a century true scientific freedom was allowed again. Shows the ancient Vedic texts where right in their cosmology. Infact one scholar and scientist who has studied the Vedic texts in sanskrit. Stated that science is only starting to touch the surface of the what the ancient Brahmanas, knew. The evidence also shows there was a very advanced civilization on this planet about four thousand years ago. That was destroyed with advanced weapons. That where not developed again till about sixty years ago. Infact they had techonology that was not redeveloped till not too long ago.

Evolution is the Brahman not the Darwin. Brahmanada is our destination. This is what the true knowledge the Great Perfection rests upon:

Jewry Puppet Regime In Egypt Overthrown Today

This is a great victory against Jewry as the Brotherhood was nothing but a Jewish owned puppet of Israel and International Jewry [which is why the Egyptians overthrew the previous government] and was giving them major support for their wars in the ME. Specifically in the Jews attempts to topple Syria which is vital to their plans in the ME. The protesters where carrying open signs denouncing the Brotherhood for being nothing but a puppet of Jewish owned Obama. In the toppling of the Brotherhood we have a double win of the fall of a major Jewish ally and the fall of the growing Islamification the enemy has been pushing across the ME. This is a blow that signals the fall of political Islam as well. And the furthering of the Jews losing the battle for control of the ME.

Here are links to articles dealing with Jewry and its war on Syria via proxy and directly in some cases such as using a jewclear weapon on Syria:

Army concern about the way President Mohamed Morsi was governing Egypt reached tipping point when the head of state attended a rally packed with hardline fellow Islamists calling for holy war in Syria, military sources have said.

At the June 15th rally, Sunni Muslim clerics used the word "infidels" to denounce both the Shias fighting to protect Syrian president Bashar al-Assad and the non-Islamists that oppose Mr Morsi at home.

Mr Morsi himself called for foreign intervention in Syria against Mr Assad, leading to a veiled rebuke from the army, which issued an apparently bland but sharp-edged statement the next day stressing that its only role was guarding Egypt's borders.

Our interventionist foreign policy is the gift that keeps on giving. Is there any Middle Eastern country that we haven't screwed up yet? Oh yeah Iran. Give Obama and McCain time. That will be the clusterfuck that destroys the world.

Subject: Veganism, Vegetarianism And Reality

Veganism, Vegetarianism And Reality

This question has been coming up more as of late. In this article I will address the issues on the subject.

Veganism claims that animal foods are unhealthy for the human. But when then has man been eating animal foods for millions of years and only now started to develop problems? And what is the source of the healthy problems from diet in general. As well as other topics surrounding this issue.

The factory farming starting last century is causing the problems both animal and plant. The animals are treated cruelly and fed a grain based diet. The grain based diet is abnormal for them and its high in Omega 6's which cause inflammation and other healthy problems. So then they jack them full of antibiotics to keep them alive [in horrible conditions] long enough to slaughter them. As well as pump them full of strange growth chemicals to make them grow fatter and produce more dairy. This and the general processing of the animal products after this is what is causing the health problems for those eating them. Its not the kind of food but the quality of it.

Major grain factory farming is being done globally which is destroying the ecological foundation of the planet. With the hybrid wheat they can grow more. So this has driven the prices down and put many out of their lands and is causing poverty and hunger issues. Most of the grains go to feed the cattle. Hybrid wheat is also a Frankenstein product.

Farming is ecocide on a global scale. The Middle East, N Africa where turned into deserts by large scale agricultural tracts. And deforestation. We are losing our global eco-system.

The solution is to have free range farms, let the cattle eat the grasses and reforest and regrow the grass land on the planet to make this happen. This is how farm areas are being restored.

The fact is meat and animal products is the core of the human diet. To the point the most healthy cultures on earth all eat up to 80% and up in some cases saturated animal fats. Our biology is designed for meat as the best fuel and our major nutrients that are not in other foods are within meat. We have been formed by over three million years of evolution as meat as our diet.

There is a reason they give burn victims hardboiled eggs by the dozen. Cholesterol is what the body needs to rebuild itself and generate new cells.

What we are being told is a healthy diet in the mainstream\$\$\$\$ is the opposite its full of things that cause the health problems people are suffering from. That's why the cultures that do the opposite don't have these issues. Note the mainstream is pushing people towards vegetarian and vegan diets.

This is why those who honestly do a Vegan diet [not eating animal products in private] can't last on it for long. They develop ill health conditions from simple malnutrition. One Vegan had a stroke in her early 30's that left her having to learn how to walk and talk again. From lack of proper B-12. Which medical science knows we can only get properly from animal products.

I was a Vegetarian for years and towards the end of this I was basically eating a Vegan diet. It was affecting my health to the point I had to quit and start eating meat. Which was the best choice I ever made for diet. I even ate pure Vegan on a fruitarian diet years ago after reading Salubrious Living. I only last about half a year due to the nature of the diet. Which is popular now because its a fast way to lose weight and clean yourself out. But because it forces the body into starvation mode where it has to feed off its fat reserves to make up for the lack of actual nutrition. This is why people feel so great on it at first they are on a starvation high that comes with it. And after a year or two then start to crash as they are using up their bodies vital mineral and fat reserves. And develop health problems. The body also starts to feed off the muscle tissues and other tissues to survive as well. Hence most look like chemo patients.

The source of the Raw Food diet is in the Christian evangelist movements of the last century. That put forth this diet based on the mythological Garden Of Eden. The Bible has been proven a fraud. And it is no mistake the Raw Food diet still carries Christian tones in its belief system. Where original sin becomes cooking food. But science shows cooking our food is what makes us able to get the most nutrients. As this is part of the natural catabolic cycle of digestion. There is no raw food as the acid in your gut cooks everything you eat for a good reason as well. Many vegetables have to be even slightly cooked to be able to break down the fibrous cell walls to make their nutrients assimilate otherwise they get passed thought. And then plant matter takes the longest and hardest to digest hence why many prefer juices instead.

The body can only get about 35% the amount of protein from high quality plant sources. And even then its a weak protein. And plants do not contain the vital minerals or fats humans need to be healthy. Animal products do.

There is a reason the fossil records show humans who ate the least plant food where the tallest, strongest and most healthy. With all their teeth and no disease of the bones. Where the heavy plant eaters with agriculture are shorter, weaker have numerous disease.

There is one tribe in Africa alone that lives on nothing but raw goat milk and some insects and has excellent genetic health and beautiful physical

development. They look like something Da Vinci would have sculpted. They are walking works of art. And a testament to this truth of diet. There is no Vegan cultures anywhere on the planet for a reason.

Vegetarianism only started in India around the 5th century ACE. As an social adaptation to growing over population and limited resources. Up till this time the population was always eating meat. This is why in the tales of Buddha he himself also eats meat and gives no orders to be vegetarian. As this tale was created when vegetarianism was not in existence. Indian's have paid the price for this health wise over the centuries as well. There is nothing spiritual about vegetarianism the spiritual claims where simply lies inserted into the culture on purpose to create a propaganda to enforce this. To the point Kings would only give their financial and political support which the religious orders depended on for survival to those religions and temple communities who got on board with this social drive. Hence why the fake discourses of the [already fictional] Buddha advocating the vegetarian diet appear around this time. And even then major Shiva based sects to this day are not vegetarian.

The earliest Ayurveda texts state meat is the best for the human diet.

Now as for Veganism its actually an ideology started in England by Watson that has an ideology that goes deeper then diet, the diet is the reflection of the ideology. Not the other way around. This is why Vegan information is on the same level as Christian Creationism its pure bogus science. Propaganda being put out to push an ideological agenda. Which as stated is another incremental belief system of the enemy paradigm.

Veganism main motivation is the insane level of personification of animals even above humans. Hence their main platform is always based on moral equivalence. "Meat is Murder" and such slogans of their belief can only come from this abnormal thinking. Failing to point out animals eat each other and even humans. In the chain of life. Veganism central stance on animals is infantile and only in such an abnormal society based on radical egalitarian, pacifistic creeds and arrested development, could this stuff exist.

Vegan diets due to the lack of proper nutrition also cause major emotional and psychological problems in its adherents. And creates a situation where people are easier to control via emotionally fueled, propaganda over logical judgements.

Which should tell a person why even the mainstream is pushing people towards this kind of a diet. You don't want to eat their open mind numbing junk. While they will then offer you the same in the healthy package.

A person can care for the well being of animals and the eco-system [which we should naturally] without having to get sucked in by the perverse, enemy ideology of Veganism.

Veganism does a lot of harm to humans and ecological understandings.

People have died from a vegan diet, children raised on vegan diets have developed diseases from malnutrition. Including Rickets disease. Along with growth problems, mental illness. And psychological problems. People have even lost the ability to reproduce on this diet.

There is a reason there are no cultures on earth that are vegan. This is what happens when you distort the truth on the biological reality of the human diet. In the name of an ideological agenda. You cause people all kinds of real problems in the name of a fantasy ideology.

The effects of the vegan diet on adults cause psychological and emotional problems as well as physical problems.

The destruction to the eco-system to support a vegan population would literally be the end of life on earth. I have wrote elsewhere about the cost of farming to the planet. And how whole regions of the earth have already been turned into a sand bowl due to it.

Skanda, Satan And Primordial Greece

This is from a excellent thread in the egroups:

To further emphasize what HP Carlson has stated.

Skanda is shown as red sitting on the Peacock. The red colour represents the Final stage of alchemy the Gold which is male thus Solar and red is the male colour and sitting upon the Peacock represents this reborn power. The Peacock is the Phoenix. The bird of rebirth.

His birth within the water and the Pleiades represent the seven charka's fully opened and perfected with Skanda sitting atop the waters on a lotus is an ancient symbols of the Magnum Opus even in Egypt is also the Ankh and Hari which is the reborn Ptah-Osiris. Agni taking the six sparks from Siva is the purification of the six charka's [thus being] via this etherical light Siva represents and the purification of it via Agni. Agni represents the fire of purification of the gross elements into the refined etherical light[Siva]. The six faces also represent the risen power and perfected chakra's and the parts of the brain each center relates towards. This is the symbol of the reborn superconscious state.

The water is the life force energies and hints at the flood of the dissolution period of the final stage of alchemy. The Reed swamp is also in Sumeria and Egyptian tales and represents the blessed field which is also Nirvana which represents the perfected state of the etherical light. I wrote about in the article on Brahman, Aryan and Nirvana. Ptah-Osiris in Egypt and EA in Sumeria rule over the Blessed Field. The reed is a symbol of the energies of the soul and the Meru Column.

Here are the links to artilces to explain the subject I mention here indepth:

<http://groups.yahoo.com/group/JoSNewsletter/message/418>

<http://groups.yahoo.com/group/JoSNewsletter/message/451>

<http://groups.yahoo.com/group/JoSNewsletter/message/426>

Skanda also means "Jet of Sperm" which relates to this etherical energy/ the golden element. The seed mantra literally means the semen of Siva which is this energy.

This is the same with Zeus Dionysus. Dionysus who is Satan as I have wrote about many times. Is called the Second Zeus because he is the reborn and perfected Zeus. Just as Skanda is called the second Siva for the same reason. The Greeks came right from Helladiva which is today Sri Lanka [who still worship Siva]. To the point ancient Greece is nothing but transplanted India in Europe. The original God Korous in the primordial Greek period before the destruction of their civilization at the time of the end of Crete. Which marks their decline and loss of cultural knowledge. Korous later became Zeus. Korous is shown naked, the symbol of rebirth. This is important because Korous is perfectly described as the same way Skanda-Siva is. And Krisna as well. Who is the another version of Skanda-Siva in the North of which I have shown in articles. When we go back to Korous and primordial Hellas, we can see clearly this is the fact. There are still ancient Serpentine Lingham stones all over Greece from their Pagan sacred centers.

Skanda's spear Vel, represents the power of the soul as the V represents the etherical power Mercury, and EL means God in Sumerian and other places also shining. V-ril means the same. With the r that symbols RA within it. Also representing the full raising of this power and the perfection from it. As a spear is a piercing weapon thus fixing the power as well. Which is the staff of Ptah-Osiris and Dionysus. And EA,s staff in Sumeria.

Being the warrior against the asura's and head of the Devonic forces is the destruction of the titanic aspects of the unpurified states. Skanda is the light of the soul that purifies the and transforms us to the Godhead. The firey kundalini energies. The Deva's realms represent the chakra centers

The birth of Kartikeya-Skanda is part of Shiva's alchemical process. Kartikeya-Skanda is associated with the Vedic Agni, who is Enki.

<http://auomere.wordpress.com/2010/11/11/similarities-between-sumerian-anki-and-vedic-agni-by-jean-yves-lung/>

Kartikeya-Skanda, also known as Murugan and Sanat Kumara [another alias of Satan], was the "Serpent on the Tree" in Sri Lanka, the original "Garden of 'Eden,'" just like Enki was the serpent of Sumeria.

The Peacock is Satan's bird.

Subject: Satanic Rituals

This is advanced, but gives the real steps for Satanic ritual. The standard ritual on the JoS website is for anyone and especially for newbies, as this is a preparation for the advanced ritual, which everyone should know the meaning of. The entire standard ritual is made up of allegories. The purpose of the steps in the advanced ritual are to bring the operator to full power in that the working will succeed. An entire ritual is not necessary in the way of ceremony, but many people enjoy the ceremonial aspects and use this time to get in a proper mood for a working, which can be essential. Always remember...if a certain personal method has brought you successes, then stay with it. Always do whatever works best for you, as we are all individuals. I, myself don't bother with ceremonial rituals anymore for quite a few personal reasons, for example, but this is my own way and if ceremony works for you, then use it.

Here are the true meanings of the steps in Satanic Ritual:

1. Ringing the bell. The bell is an allegory for reverberation. This has to do with vibrating words of power, mantras, and so forth. Vibration is highly effective for directing energy and creating a lasting change in energy at the soul and even in one's own environment. So, in ritual, mantra/vibration is used, as it enhances one's powers and the working.
2. Invoking the Powers of Hell. Note here the sword tool [again props are unnecessary and only create a mood, unless they are seriously charged with energy], the sword represents the element of air. Invoking the Powers of Hell is another allegory for invoking the elements, which are also represented by the pentagram. By invoking fire, earth, air, water and the ether, you again enhance the full powers of your soul for the working. Each direction one is facing with this aligns one's energies with the energies of the earth. Each of the Four Crowned Princes of Hell represents an element. This is an allegory. As with the Tarot, the rods/wands represent the fiery serpent within the spine, the cups are the chakras from which we "drink" the energy; the pentagram represents the earthly manifestation of our desires and the invocation of all five elements of that comprise the human soul and enhance its power and the swords- as I already mentioned in the above represent air- the vibration and reverberation that effects change. Sound changes the molecular structure both in the material world and on the astral.
3. The Invocation to Satan is exactly what it is and invites the Powers of Hell. This step is not an allegory, but a dedication prayer. "Opening the Gates of Hell" is an allegory for opening your chakras; again for full power.

4. Drinking from the chalice is the energy buzz. The chalice, the cup...the Grail; all of these are allegories for the chakras as are “the gates.” This is to sit quietly for a few minutes to make sure you get a powerful energy buzz, which will enhance the working.
5. The next step – the paper in the burning bowl; again another allegory. This is where you focus and concentrate to direct your energies into the working. Fire is the element of life; the spark of life. This is another allegory for focusing and directing the energies of your soul into the working.
6. If the ritual was for black magick, and a black magic mantra was used, then concluding the ritual [again, ringing the bell], would indicate vibrating an opposite mantra to clean any negative energy from your soul.

For a Thanksgiving Ritual, this is a way to show appreciation, but the best way is to do some actual work for the Powers of Hell. When one is new, the Powers of Hell will often work on your behalf and help you. The entire foundation of True Satanism is that Satan helps us and gives us the knowledge to where we can become independent and to help ourselves. Whenever one petitions the Powers of Hell, one draws off of their energies. The entire focus here is one should be using one's own energies as soon as one is able to.

Giving a Demon/ess something in return; if one is not yet spiritually powerful enough and needs assistance from a Demon/ess, “something in return” means actually working for the advancement of Satanism. Working against the enemies of Satan, such as noted in the Hell's Army section, the Hell's Army e-group and such:

<http://groups.yahoo.com/group/HellsArmy666/>

<http://fight4satan666.webs.com/index.htm>

Work to destroy the enemy and do this effectively. Educate people to the truth, but do this safely and safely is effectively. This can be done online, where you can reach thousands. Leave anti-xian tracts in bibles, xian books in libraries and such; wherever they will be seen and read. The enemy leaves xian tracts all over the place and consistently. Be discreet, work quietly and counter them. Practical work is what the Powers of Hell need from us, not just verbal gibberish- talking the talk, but doing little or nothing to actually show appreciation and thanks. Talk is cheap, whether it is used in ritual or otherwise. SHOW your appreciation by devoting your time and energy when and where you can to destroy the enemy and to advance Satanism.

Lastly- one of the most important things you can give the Powers of Hell is your energy. If you have energy to spare, ask for Satan to send a Demon/ess to take the energy and to deliver it where the Powers of Hell need it. This also includes if you are ever overcharged with energy. Establish a relationship with a Demon/ess and call upon him/her to take any excess energy and deliver it to the Powers of Hell. This is even more serious if you have a covenant. Your Patron Demon/ess can take any energy that is left over and deliver it. This is a very important gesture of gratitude.

Satan wants our efforts and our work, for we are at war; not idle chitchat or meaningless talk. Everyone should know what to “give a Demon in return.” Offer your services, not trinkets, food, or other worthless junk. Work where you are able to, build your powers through consistent meditation, and strive for independence to where you can make your own desires manifest in reality on your own.

Note this account is from a fellow who met and lived amongst the Lama's of Tibet. Some of the most spiritual advanced people on earth. So to make such a distinction for Hitler is not mere exaggeration. But a fact born from years of experience.

HP Mageson,

Thank you for that. I notice in here there is a reference to the Dalai Lama. I have read some of your material before but I want to see if I have it down

correctly. Buddhism is a corrupted form of the original sun worship bud ha? And really came into play around the same time as Christianity in the west? So is the Dalai Lama the leader of this religion? If so is he knowingly fraudulent?

If you have time I would love clarification on this as he seems to have a massive following

Subject: Note On Tantra And Vedantic

Note On Tantra And Vedantic

This is from a thread on another egroup:

True it should be noted the Tantra is actually the spiritual knowledge of the Vedic period. Tantra holds the same meaning as Veda [enlightenment]. The Tantric Gods are the Vedic Gods. The Tantra came down via the Purana period. Which is where the civilization shifted to the Ganges region. From the Indus,

Saraswati civilization. This marks the decline of the Vedic period and the move into the Hindu one. This seems to have happened as due to great catastrophe which changed the face of the regions of the Aryan world and caused a major decline in the Aryan world as a whole. From this point its a slow decline to the current world.

Its noted how far the enemy corrupted the Vedic teachings by the offical Tantric period their schools where in conflict with the Vedantic systems. Which where the origin of the Tantra and where the Tantra came from. Vedantic was in its proper role, the Vedic system on transforming oneself into the Godhead. Hence end of the Veda's. As Veda is the system of transformation into the Perfected state. By Vedantic this goal was obtained.

Subject: [Teens4Satan] Re: Paganism vs Satanism

What most people call Paganism is Neo-Paganism with no relation to the real Ancient Paganism. You can see that Neo-Paganism is corrupted and in many cases xianized.

For example the Neo-Pagans try to claim that all the Gods are one and all the Goddesses are one. This never happened in ancient Paganism, the Gods are extraterrestrial beings and completely different from eachother. Astaroth and Lilith are two different Goddesses for example.

Then many of them follow xian morals and pacifism, like "harm none", this didn't exist in ancient Paganism, where the people were proud warriors and fought and destroyed their enemies instead of turning the other cheek to them. The Druids for example, besides white magick they were also masters in black magick as well as the Vikings who used Runic Curses a lot.

Most of them don't understand that actually the entire thing is allegorical and most of the Pagan stories are allegories for inner workings and the Magnum Opus. They claim to worship "nature" but ancient Paganism didn't worship nature, even though it respected. The real essence of the Ancient Pagan religions were not in what they said in public (which was allegorical and not literal), but what was taught in Esoteric Mystery schools. For example, the Greeks had the Eleusinian Mysteries. The true essence of the Greek religion was in the teachings of the Mysteries and not what the uninitiated people believed. And the Mysteries come from the East and are related to Tantra, spiritual transformation, raising the kundalini e.t.c. What Spiritual Satanism is about. It's a path to Godhood and not merely a nature worshipping religion.

My Note with the loss of one of Israel's prized Submarines to Syrian defenses, to its mounting losses of Fighter Planes which are crucial to its military supremacy in the region. And with this the loss of its ability to wantonly attack others from the air. We see the game has changed in the ME. And the Jews are no longer dealing the cards. This is only the start of the reversal of Jewish supremacy in the ME. Israeli has not been able to win a war in decades. And with their second open loss to Lebanon in 2006 its just the downward slide for them. Their first war in Lebanon the civil war created by the Jewish state as a pretext for an military invasion and conquest of the region. But it failed big time and lead to the rise of forces they can't defeat or control.

With their loss in Syria is a loss to Iran as well. Which they have repeatedly failed to be able to topple. They have also once again lost in Egypt.

<http://www.presstv.ir/detail/2013/07/09/313007/f16-loss-a-humiliation-for-israel/>

Israel announced on July 8 that one of their F-16s suffered a mechanical failure off the coast of Gaza. A military spokesman for the Israeli Air Force (IAF) said both pilots were recovered. The plane is said to have crashed into the Mediterranean Sea.

Almost no part of this story is true. It makes as much sense as the story of the American Navy putting 22 Navy Seals on a National Guard helicopter. Nobody bought that one.

Israel did lose an F-16. They are unable to hide the fact that one of their first line aircraft is no longer in "inventory."

Did Israel, as multiple reports now indicate, and perhaps even confirm, really lose an F-16 and its crew of two to a Syrian S-300 missile 48 hours before the claimed incident and over 400 miles from the claimed location?

On May 4, 2013, the Syrian Navy sunk an Israeli Dolphin submarine. Israel, unwilling to accept the public humiliation of such a loss: a disaster of such a proportion to its citizens has been repainting hull numbers and shuffling crew rosters on its remaining submarines for two months.

Lost aircraft, or something like a Dolphin submarine, especially during an offensive operation, are routinely never disclosed to the public for a variety of reason. Informed sources have disclosed that the F-16 training accident reported off the coast of Gaza was cover for their plane lost in the Syrian warehouse attack which is claimed was targeted as an S-300 component part base.

This 'attack' sounded fishy to us right away, starting with it being reported by Global Research which is an organization rumored to have "complex allegiances."

First, these missiles systems are roll on roll off mobile launching systems designed to be deployed rapidly. Upon arrival they can be ready to fire within...well...you wouldn't believe it.

Second, S-300 components or inventory missiles would never be stored in an exposed warehouse facility where they would be sitting ducks. Each missile battalion moves continually and keeps its inventory moving with it.

Historically, the most effective way of destroying S-300 missiles is by crashing aircraft into them or, perhaps, the other way around.

Third, highly trained pilots, and Israel has them, are trained to defeat air defense systems. That said, the Israelis could possibly initiate and attack flying in at 50 feet. Our sources tell us the explosion in the photo shown by Global Research fit that of a 2000lb iron bomb, the standard payload for an F-16B. But while

getting in is one thing, getting out alive is something entirely different.

For the Israelis not losing pilots has been a major morale booster for their people for decades now. During the 1973 war, Soviet SAMs over Syria destroyed much of the Israeli Air Force. American planes were quickly repainted with the Israeli Star of David with American pilots thrown into the breach, something long left out of that story even after all of this time.

This was the real reason for the oil embargo against the United States that put the American economy into a free fall that we have yet to recover from.

The Israelis have their nuclear weapons to threaten a Sampson option response, but that would be the end of the Zionist experiment, and unfortunately a lot of Holy Land architecture. But for the Zionists to confront Russia, or any major power they have not already neutralized is something they know they can't do. They have to count on the US to act as their attack dog.

We would never have known that there was an attack had Israel chosen not to gloat by leaking their "triumph" through the blogosphere. The loss of a single aircraft would not be an embarrassment were it not for two minor issues.

Nothing debunks the success of a mission to destroy air defenses more than losing a plane to those defenses. High level sources in the Department of Defense indicate that Israel has long bragged of their ability to use "homegrown" ECM (Electronic Counter Measures) to defeat S-300.

When Israel next calls the Pentagon, yarmulke in hand, egg on their face, their tone will be more restrained.

Need we discuss the 2% success rate of the Iron Dome?

The loss of a single aircraft is relatively easy to sweep under the rug, but a major engagement would see the planes raining down like they did in 1973, though a complete media lock down kept that information from becoming common knowledge.

One of the reasons America has been so aggressive in forward basing is to get their missiles in strategic positions to be used for effective offense or defense in the region.

As the new Russian missile defense technology which will make conventional piloted planes deathtraps is fully deployed, the West's abilities to take land by force without significant consequences will be history.

All planned attacks have contingency plans of cover and deception built into them to hide the failed missions from their own citizens. They do this through the liberal use of national security classifications that hide the truth from the American people.

This has been an ongoing threat to American national security for some time as mistakes never acknowledged can never be fixed. The designation of operations as classified or top secret can also be used to cover up those that serve the interests of foreign governments while undermining American interests.

The real cause of death, if these pilots did die, is hubris. Syria will never admit the attack. Syria can't even claim the "kill."

They fear Israeli desperation, and well they should.

Subject: The Illuminati

The Illuminati

As this article will show the Illuminati was a later organization that's purpose was to infiltrate Freemasonry and corrupt the Masonic led, Enlightenment period in Europe. With Jewish Illuminism which was given its outward doctrine as the radical Liberal Ideology of the French revolution. The Illuminati infiltrated the French lodges with their money power and agents. And where the force behind the French revolution. The Jacobin's where the Bolsheviks of yesteryear. This parallels the American revolution which was built upon the original and pure Masonic doctrine. To the French revolution fought upon the corrupted doctrine of Jewish Illuminism. Which became nothing but a way to advance the Jewish agenda of creating their Jew World Order.

As Nietzsche stated about the French revolution and its Liberal ideology as the: "Daughter and continuation of Christianity."

Today Jewish Illuminism/Communism parades around in the West as Cultural Marxism. [what people call "Political Correctness" without realizing what it really is].

The Jews have worked to bring American down from every angle as its original Masonic doctrine is a major threat to their Jew World Order plans. The Jew by its own confession and actions is the eternal enemy of human freedom:

The Jewish Banksters war on America:

<http://groups.yahoo.com/group/JoSNewsletter/message/275>

The Jewish Communizing of America:

<http://groups.yahoo.com/group/JoSNewsletter/message/243>

The original Masonic Enlightenment was a major threat to the kosherpath agenda. As it was replacing the Jewish doctrines of Christianity with the Masonic doctrine of spiritual enlightenment and true freedom. An order based on the Eternal Laws of Nature as the Divine Order of Life. Which the Founders

symbolized by the scales of Maat. The symbol of Cosmic Order. We can witness with the Founding Fathers of America the original Masonic Enlightenment . The Masons are from the Templar's and the Templar's where from the Druidic, Aristocratic Priest families of Europe. There is a reason the Masons called this movement the "Enlightenment."

The Templar's Serpent Tradition:

<http://groups.yahoo.com/group/JoSNewsletter/message/231>

As Albert Pike stated the God of the Masons originally is Lucifer. This is important as Lucifer is another spelling of Hu. A major title of the God of the Druidic religion of Europe. The L and H are interchangeable. Lucifer is an ancient title for our God Satan and like the title Satan is based in Sanskrit:

Sat means illuminated or shining and An stands for the serpent. Hence: "Shining Serpent." With Lucifer the LU is also HU. Which means Shining but the H denotes the serpent. Hence Lucifer as a title comes back to the same: "Shining Serpent."

As Satan was also worshipped as the God HU also called Wod, Wodan. etc

<http://groups.yahoo.com/group/JoSNewsletter/message/451>

Lucifer represents as Pike stated also the Magnum Opus. Where one becomes Perfected and immortal. Thus obtains all the minor and major Siddhi's or supernormal powers. This is true freedom, spiritual freedom and liberation from the wheel of suffering and ignorance.

This is the point of the original religion:

<http://groups.yahoo.com/group/JoSNewsletter/message/464>

The actual Luciferian Masonic society, the American Founders created was centered on spiritual advancement.

The Real American Revolution:

<http://groups.yahoo.com/group/JoSNewsletter/message/252>

As we can witness President Washington knew about the Illuminati and that they where trying to infiltrate the Masonic orders and movements. And their

doctrine was the enemy of the Masonic one they had fought to build America upon:

Library of Congress link:

<http://memory.loc.gov/cgi-bin/query/r?ammem/mgw:@field%28DOCID+@lit%28gw360395%29%29>

Mount Vernon, October 24, 1798.

Revd Sir: I have your favor of the 17th. instant before me; and my only motive to trouble you with the receipt of this letter, is to explain, and correct a mistake which I perceive the hurry in which I am obliged, often, to write letters, have led you into.

It was not my intention to doubt that, the Doctrines of the Illuminati, and principles of Jacobinism had not spread in the United States. On the contrary, no one is more truly satisfied of this fact than I am.

The idea that I meant to convey, was, that I did not believe that the Lodges of Free Masons in this Country had, as Societies, endeavoured to propagate the diabolical tenets of the first, or pernicious principles of the latter (if they are susceptible of separation). That Individuals of them may have done it, or that the founder, or instrument employed to found, the Democratic Societies in the United States, may have had these objects; and actually had a separation of the People from their Government in view, is too evident to be questioned.

My occupations are such, that but little leisure is allowed me to read News Papers, or Books of any kind; the reading of letters, and preparing answers, absorb much of my time."

On the much framed subject of the Free Masons and the Illuminati here is a brief history of the events that lead to subversion of the Masons by Jewry and the truth of the Illuminati:

Rothschild hired a son of a Jewish Rabbi named Adam Weishaupt to create a pseudo-Masonic looking front- [The Illuminati] and armed him with massive funds and contacts the stage was set.

History records that on May 1, 1776, Dr. Adam Weishaupt founded the Bavarian Order of the ILLUMINATI. Weishaupt was a Professor of Jewish Canon Law at the University of Ingolstadt in Bavaria, Germany. He was born to Jewish parents and later "converted" to Roman Catholicism. He became a high-ranking member of The Order Of The Jesuits, whom he subsequently left to form his very own organization at the clear behest of the newly formed "House Of Rothschild."

It was the Jewish Weishaupt's belief that only a chosen few could qualify for enough "illumination" to guide and rule the world. The problem was, where could he find enough intellectual "light bearers" to start the ball rolling? He subsequently found them in various lodges and orders of the day, such as the various Masonic lodges, the Rosicrucian Order and other legitimate and sincere orders of antiquity. This is confirmed yet again by Edith Starr-Miller in her classic, "Occult Theocracy:" "As the organization of the Illuminati developed, so did its ambitions, which ended in a plot to subvert Freemasonry to its aim of world domination by any and all means . After obtaining control of certain Masonic Lodges, Weishaupt and his associates recklessly vaunted their growing power."

Weishaupt took the name, Spartacus, because, like the Roman warrior, he was dedicated to freeing the [oppressed masses] from the oppression of all monarchies and religious powers, his desire to shake off the yoke of limitation would include not only governments and organized religion, but also the institution of marriage, and even family....

Weishaupt wanted a system of truly global dimensions, even if it brought about violent worldwide revolution and rivers of blood. His "benevolent dictatorship" had six main points dealing with the abolition of:

- 1.Ordered or nationalistic governments in the form of monarchies.
- 2.Private property.
- 3.Inheritance rights.
- 4.Patriotism to nationalist causes.
- 5.Social order in families, sexual prohibition laws and all moral codes.
- 6.All religious disciplines based on faith in a living God, as opposed to faith in nature, man, and reason.

This is almost word-for-word from Karl Marx's THE COMMUNIST MANIFESTO and that these six points are also perfectly consistent with the Protocols in general, [once again proving their legitimacy].

Weishaupt's vision for a future world was a full-on Communism, with all possessions, even children, held in common.

It is more interesting to learn that Karl Marx was not the real founder of Communist world revolution. Its true father was Adam Weishaupt, founder of the "Freemasonic Order" of the Illuminati- Marschalko

"The great strength of our Order lies in its concealment; let it never appear in any place in its own name, but always covered by another name, and another occupation. None is fitter than the three lower degrees of Freemasonry; the public is accustomed to it, expects little from it, and therefore takes little notice of it." - Adam Weishaupt

At its beginning, the Illuminati was not a Masonic order, and Weishaupt himself did not enter a lodge until 1777, when he received induction into the Lodge Theodore de Bon Conseil in Munich. However, once inside Masonry, Weishaupt immediately saw its potential value to be a vehicle for the realization of his Illuminati dreams. To create an official union between the Illuminati and Freemasonry, Weishaupt set about organizing the Congress of Wilhelmsbad at the Castle of William IX of Hesse-Kassel, to occur on July 16, 1782. That special even, which was momentous in both size and aspirations, was attended by elite representatives of Masonic lodges from all over.

It was also there that a decision was reached to allow the previously excluded Jews to be granted admittance into Freemasonry. The Illuminati creed is the origin of radical Liberalism which still plagues us today. Which Comes from Christianity. It's the same Kosherpath agenda.

As Nietzsche stated about the French revolution and its Liberal ideology as the: "Daughter and continuation of Christianity."

[http://gblt.webs.com/Communism\\_is\\_Christianity.htm](http://gblt.webs.com/Communism_is_Christianity.htm)

However, there was another, tacit reason for the change in Masonic policy towards the Jews, money was needed....And the Jews where the principal bankers of Europe, a role they had assumed since the time of the fall of the Knights Templar. And don't forget King William IX was in debt at the time, and was in general a psychopathic individual.

When the time came for a vote on their admittance at Wilhelmsbad, the Jews were so anxious to win the day that they completely filled the hall with other Jewish supporters. It was not long afterwards that the Illuminati membership included an abundance of Jewish banking families, including the Rothschilds, the Oppenheimers, the Wertheimers, the Schusters, Speyers, and Sterns.

New lodges of predominantly Jews were formed in Frankfurt the Rothschild's financial capital in Europe, and soon all of Illuminized Freemasonry would make the city its world headquarters.

The first order of business for the Illuminati-initiated Jews, who were the was to manifest their prophesied Zion, a world ruled by the chosen people of Yahweh. Plans were set in motion for the Jews to finally have their "land of milk and honey" that had been promised to them for so long [in their own Jew minds] and it would be the entire world.

The opportunity for manifesting their Zion arrived with the Russian Revolution, which was financed by the Jewish bankers. One of their own, the German Jew, Karl Marx, had catalyzed the event with the publication of his Communist Manifesto.

Karl Marx who's real name was Rabbi Mordechai Levi was a member of the League of the Just of which would lead to the creation of the Communist League.

In 1841, Moses Hess, brought Marx into a society called the "League of the Just"

The motto of the League of the Just (Bund der Gerechten) was "All Men are Brothers" and its goals were "the establishment of the Kingdom of God on Earth, based on the ideals of love of one's neighbor, equality and justice".

This is the core of Jewish Christianity.

During the decade of the 1840s the word "communist" came into general use to describe those who hailed the left wing of the Jacobin Club of the French Revolution as their ideological forefathers.[My note this is the Illuminati doctrine openly]. This political tendency saw itself as egalitarian heritor's of the 1795 Conspiracy of Equals headed by Gracchus Babeuf. The sans-culottes of Paris which had decades earlier been the base of support for Babeuf artisans, journeymen, and the urban unemployed was seen as a potential foundation for a new social system based upon the modern machine production of the day."

The French thinker Étienne Cabet inspired the imagination with a novel about a utopian society based upon communal machine production-

"Voyage en Icarie" [1839]. The revolutionary Louis Auguste Blanqui argued in favor of an elite organising the overwhelming majority of the population against the "rich," seizing the government in a coup d'état, and instituting a new egalitarian economic order."

The Bolshevik leader of the Revolution, Lenin, who on both sides of his family was of Jewish lineage, contributed his plan for a centralized government that would be controlled by a Jewish oligarchy. After Lenin and his Illuminati cohorts raised their flags at the end of the Russian Revolution, their new communist government emerged with Jews occupying at least 75% of its highest positions...And end up with 60 million Gentiles murdered by the Jews, by the time Communism was over. Many of them murdered in an organized system of camps all run by Jewish Commissar's. Slave Labor in Soviet Russia

The Jewish bankers also took another tact and slowly built up an empire of financial institutions to oversee a capitalistic infrastructure that would govern the world. As one Jewish banker and Illuminati patron, Amshel Rothschild, is known to have famously remarked, "Give me the control of a county's finances, and I care not who governs the country!"

Which leads to Communism in the end. The Jews hold all wealth and power and the Gentiles are reduced to total slavery to global Jewry's One World Order.

The nations will gather to pay homage to the people of God: all the fortunes of the nations will pass to the Jewish people, they will march captive behind the Jewish people in chains and will prostrate themselves before them, their kings will bring up their sons, and their princesses will nurse their children. The Jews will command the nations, they will summon peoples whom they do not even know them will hasten to them. The riches of the sea and the wealth of nations will come to the Jews of their own right. "Any people of the Kingdom who will not serve Israel will be destroyed" -Isidore Loeb [Le Litterature des Pauvres dans la Bible].

What were the effects of the subversion of Free Masonry by the Jews, within the organization? Masonry is based upon Judaism. Eliminate the teachings of Judaism from the Masonic Ritual and what is left? - The Jewish Tribune [New York,Oct 28,1927]

"In the present nations, Freemasonry is only of benefit to the Jews" -Theodore Herzl [Founder and Leader of World Zionism]

"We have founded many secret associations, which all work for our purpose, under our orders and our direction. One of the many triumphs of our Freemasonry is that those Gentiles who become members of our Lodges, should never suspect that we are using them to build their own jails, upon whose terraces we shall erect the throne of our universal King of the Jews; and should never know that we are commanding them to forge the chains of their own servility to our future King of the World" -Opening speech made at the B'nai B'rith convention in Paris [published in the Catholic Gazette, Feb 1936]

Here it should be obvious why the Third Reich banned the corrupted Free Masonic organizations within Germany. They are organs of Jewish Communism

Subject: Total Slaves

I know this is extremely long, but I strongly encourage everyone to fully read this. Know what is really going on. Jews are behind all of this and responsible for it. Look to the top – the owners and the operators of these factories and corporations, who they are and what they are and with a bit of research, they are all kikes.

Not too many people are fully aware of the extent of the Jewish operated world slave trade. Not only is this destroying countless lives, but is destroying and polluting the environment to where it will affect everyone on this planet. The jews, being as cheap as they are do not properly dispose of toxic waste, as this involves putting out a bit more money and also more jobs, even though slave labor is extremely cheap, the Jew looks at the pennies he can save.

*Quote from the Jewish Talmud:*

*Nidrasch Talpioth, p. 225-L: "Jehovah created the non-Jew in human form so that the Jew would not have to be served by beasts. The non-Jew is consequently an animal in human form, and condemned to serve the Jew day and night."*

Over the years, there have been a few posts here and there in the JoS e-groups, questioning the validity of these quotes. Given the following facts and plenty more, in addition to the biblical Old Testament, it is glaringly apparent that these Talmudic quotes are legitimate, though many jews will deny them. The Talmud is a collection of many volumes, almost an encyclopedia, written in Hebrew so that few if any Gentiles can read what is therein. Over the centuries, a few Gentiles with knowledge of Hebrew came forward and revealed this work of trash to the world.

*Schulchan Aruch, Choszen Hamiszpat 348: "All property of other nations belongs to the Jewish nation, which, consequently, is entitled to seize upon it without any scruples."*

*Seph. Jp., 92, 1: "God has given the Jews power over the possessions and blood of all nations."*

"There were other refugees, including Kazhaks, and German, Austrian, and Hungarian Jews who founded a community in Shanghai."

'Down in Hong Kong, Moses Tsang, a partner at Goldman Sachs, was preparing his company to dominate the financing of China's future.' [It doesn't take an IQ much above a total idiot to know "Moses" Tsang is a Chinese Jew and Goldman Sachs is a Jewish monopoly.

From "The China Dream" by Joe Studwell © 2002, 2003

"Mark Schwartz, [Jew – my note] one of Goldman Sachs' four vice chairmen, has been based in Beijing since his appointment in June as chairman of the Asia-Pacific region. He is the most senior executive Goldman Sachs has ever posted in the country. "

"Goldman Sachs wants to prioritize the building out of our China business," Schwartz said in his first interview since taking up his new position. "My return has sent a very powerful signal to the entire Goldman Sachs community of 33,000 professionals around the world that China is a very high priority for us." "Meanwhile, Goldman Sachs expanded in Asia. Its workforce in Asia grew significantly and, in 2004, it teamed up with Chinese securities firm Gao Hua Securities to set up a joint venture in China."

<http://www.marketwatch.com/story/goldman-sachs-has-eyes-on-the-prize-in-china-2012-11-28>

The above is only one example. Nearly all major high-profile corporations are owned and/or run by Jews. Many people can just pass this off or put their minds and interests to other things, but eventually, what is being done, like I already wrote is going to affect everybody; more than just in the area of employment.

Now, here are some very relevant reasons why Satan advises us against consuming any foods imported from China. Again, it doesn't take much common sense to figure out how this affects the crops planted there, the fish and everything else. The extent of the affects of these toxic wastes obviously can generate a plague. The USA for one, has been exporting extremely large amounts of fresh water to China, as the water there is so polluted to the point where many are already dead by the thousands. Now, just how fit are the crops, fish and even meat that is subject to this water, then fed to humans and our pets?

"Years of Damage"

"One of China's biggest problems: wastewater. Factories and cities have discharged mostly untreated sewage and pollutants into the country's rivers and lakes—some 53.7 billion tons in 2006 alone, according to the World Bank. China's environmental regulators have designated 48 of China's major lakes as seriously polluted. One-fourth of the water sampled along China's two largest rivers—the Yangtze and Yellow—was found to be too polluted even for farm irrigation. And tap water isn't entirely safe, either, with Chinese authorities responding to 48 large-scale environmental emergencies last year. "Extensive water pollution of course impacts on water scarcity."

<http://www.businessweek.com/stories/2009-04-15/china-faces-a-water-crisisbusinessweek-business-news-stock-market-and-financial-advice>

From the book, "China Shakes the World" by James Kynge © 2006, 2007:

"The problem started in the 1980's when tens of thousands of small companies, including pulp and paper mills, chemical factories, and dyeing and tanning plants, sprang up along the river and began dumping their toxic waste into it. By the early 1990's there were clear signs of distress. The water in many areas was unfit to drink, Cancer rates were twice the national average, and, according to one report, for years none of the boys from certain villages in the Huai River area were healthy enough to pass the physical examination required to enter the armed forces."

"When local authorities were ordered by Beijing to resolve the problem, they released the polluted water that has been building up in the reservoirs and tanks, and in so doing, unleashed a tide of black liquid that killed almost everything it touched as it flowed downstream. Millions of fish died and thousands of people were treated for dysentery, diarrhea and vomiting."

"Several hundred factories were indeed closed, but they opened up again almost as quickly. By 1998 and 1999, it was clear that the campaign was going to fail; reports of people dying from being exposed to the noxious gases and chemicals in roadside ditches were regularly reported in the newspapers, and in 1999 the Huai ran dry for the first time in twenty years, ruining crops and killing millions of fish." "It emerged that the waters of the Huai, far from being clean were so toxic that, by the governments own classification standards, they could not even be used for irrigation."

"Streams and rivers are drying up all over the northern half of the country, and water tables are falling precipitously as wells, many of them illegally dug, are sunk ever deeper into the dwindling reserves of groundwater. Altogether some 400 out of 668 large Chinese cities are short of water, and the incidence of rationing is growing." "The factories that multinational companies have set up have turned China into the workshop of the world but have also made it the rubbish tip of the world."

Slave labor is also very prevalent in other countries in addition to just China. Sweatshops, with no ventilation, no heating during the winter [the jews who run these are too cheap], are actual prisons. Doors are bolted shut and locked down. Permission must be granted to use the restroom, there are no safety measures taken, hazards are everywhere and only recently, another fire killed hundreds in one of these factories in Bangladesh, as they were unable to escape. A moderate amount of research will reveal that all of these sweatshops and so-called "factories" are under the control of Jewish owned and operated corporations. The jews dictate the conditions. The manufactured goods are then exported to the USA, Canada and Europe and marked up, often to 1,000% or more of the original cost of the slave labor and materials.

From the book, "Take this Job and Ship It by Senator Byron L. Dorgan © 2006:

"In 2002, the Los Angeles Times reported: in one sever dust storm in the spring of 1998, particle pollution levels in Oregon, Washington, and British Columbia soared. In Seattle, air quality officials could not identify a local source of the pollution, but measurements showed that 75 percent of it came from China, researchers at the University of Washington found."

"In April of 2005, police and villagers clashed in Zhejiang Province as citizens occupied an industrial complex blamed for crops ruined by polluted water supplies. In the village of Huaxi, toxins from manufactures were blamed for a withered cabbage crop. 'It is rotten from the inside. It doesn't grow,' Li Xian, a local farmer said."

"Our fields won't produce grain anymore," said a woman who lives near the Jingxin Pharmaceutical Plant. "We don't dare to eat food grown from anywhere near here." "Her husband added, 'They are making poisonous chemicals for foreigners that the foreigners don't dare produce in their own countries.' "

“The Taiwan News reports, ‘Across China, entire rivers run foul or have dried up altogether. Nearly a third of the cities don’t treat their sewage, flushing it into waterways. In rural China, sooty air depresses crop yields.’ An old farmer, who rioted to protest pollution from chemical plants in one coastal village, told the Taiwan News, ‘We just had to do it. We can’t grow our vegetables here anymore. Young women are giving birth to stillborn babies.’”

“In Indonesia in 2004, police suspended operations at the American owned Newmont Minahasa Raya gold mine for dumping deadly heavy metal mine waste laden with Mercury and arsenic into Buyat Bay – two thousand tons daily. Locals reported health issues including nervous system disorders, lumps forming under the skin, and other skin ailments. The fish have fared far worse. The sea was filled with bloated corpses of fish near the pipe that discharged cyanide, among other waste, into the ocean. According to the National Newspaper, the fish had hemorrhaging in the liver, diaphragms broken, and eyeballs bulging from the socket.”

“Children are easy to control; Children don’t form labor unions.” The International Labor Union reported in 2005 that at least 12.3 million people work as slaves or in other forms of forced labor. Other estimates more than double that number. UNICEF reported in 2005 that one in twelve children in the world is forced into child labor.”

“Kevin Bales, antislavery activist and author of the book “Disposable People” says that in 1850, a slave would have cost the equivalent of \$40,000 in today’s dollars. Today, a slave working in the coffee or cocoa plantations on the Ivory Coast– some as young as nine – will set you back as little as \$30.00, Bales says.” “Work them until they drop.” “They are considered disposable.”

“A total of 27 child slaves between the ages of 5 and 12, released with the help of the Bonded Liberation Front, told the following story. The boys, on the promise of being taken to a film, went with the village barber, Shiv Kumar Thakur. They did not tell their parents, as the trip was going to be a secret. It is believed that the barber received 7,000 rupees – he was saving for a motorbike. The new child slaves were introduced to the intricacies of the trade by being locked up and beaten for the first few days. Requests for food were met with blows from iron rods and yardsticks and woundings by the sheers [sic] used in carpet making. Mistakes in weaving or slow work received the same treatment.

The boys’ day began at 4 am., when Panna Lal poured cold water over them to wake them. They worked until their lunch break of a half an hour at 2 pm. According to Suraj, who was seven years old when he was rescued, they often worked until midnight and only then received their second inadequate meal of the day. They were all locked in at night. When these young boys cried, they were beaten with a stone wrapped in a cloth. The boys were never paid any wages. Suraj also said that they were branded with hot irons. He had bruises on his temple caused by a blow from a bamboo staff – punishment for a weaving mistake. Many of the children fell ill and were denied medical treatment. Despair caused seven of the boys to try to run away. They were caught, slung upside-down from trees and branded. If they cut their fingers [which happens often on the sharp cutting tools], the loom masters are known to shave match heads into the cut and set the sulphur on fire so that the blood will not stain the carpet.”

“Worked to Death in a Toy Factory”

“On the night she died, Li Chunmei must have been exhausted. Coworkers said she had been on her feet for nearly 16 hours, running back and forth inside Bainan Toy Factory, carrying toy parts from machine to machine. When the quitting bell finally rung shortly after midnight, her young face was covered with sweat. This was the busy season before Christmas, when orders peaked from Japan and the U.S. for the factory’s stuffed animals. Long hours were mandatory, and at least two months had passed since Li and the other workers had enjoyed a Sunday off. Lying in her bed that night, staring at the bunk above her, the slight 19 year old complained she felt worn out, her roommates recalled. She was massaging her legs, and

coughing, and told them she was hungry. The factory food was so bad, she said, she felt as if she had not eaten at all. Finally, the lights went out. Her roommates had already fallen asleep when Li started coughing up blood. They found her in the bathroom a few hours later, curled up on the floor, moaning softly, bleeding from her nose and mouth. She died. The minimum wage for workers like Li is 30 cents an hour. Workers like Li are forced to work up to sixteen hours a day in polluted plants without air-conditioning and in temperatures reaching near ninety degrees. Workers are housed in cramped company dormitories, twelve to a room. And so, a young woman named Li dies. Worked to death. But who cares? The profits on those stuffed toys were great. I'm sure the stockholders were pleased."

"The 1998 NLC report discovered that warehouse workers making the handbags marketed by Wal-Mart earned as little as ten cents an hour. The workweek in the Qin Shi Factory, where Kathie Lee handbags were manufactured, was as long as ninety-eight hours. The report continued, 'At the end of the day, the workers return 'home' to a cramped dorm room sharing metal bunk beds with 16 other people. At most, workers are allowed outside the factory for just one and a half hours a day. Otherwise, they are locked in. The workers are charged \$67.47 for dorm and living expenses, which is an enormous amount given that the highest take-home wage our researchers found in the factory was just 10 cents an hour. There were others who earned just 36 cents for more than a month's work, earning just 8/100<sup>th</sup> of a cent an hour. Many workers earned nothing and owed money to the company."

"According to the same 1998 research, workers in K-Mart factories made twenty-eight cents an hour. Garment makers for JC Penney were paid eighteen cents. Women making Ralph Lauren blouses, which sold for \$88.00 in the United States, pocketed twenty-three cents an hour. Young women making just fourteen cents an hour sewed two-hundred dollar Ann Taylor jackets and skirts.

"One of the eye-witnesses was Lydda Eli Gonzales, a young woman from Honduras who testified that she had worked under appalling conditions. Lydda was seventeen when she was hired and she worked in the factory for a year before being fired for union activity. Lydda said workers in the company were forced to work overtime to meet unreasonable quotas. 'It is forbidden to talk, and you have to get permission to use the bathroom. We have to get a pass from the supervisor and give it to the guard in front of the bathroom, who searches us before we go in, ' she said. They were limited to one bathroom break in the morning and another in the afternoon. A production line of twenty workers had a quota of 2,288 shirts a day, but it is impossible, she added. You can't move or stretch, or even look to the side. You have to focus and work as fast as you can to complete the production goal, always under pressure.

"The International Labor Organization, the labor arm of the United Nations, estimates there are more than 250 million child laborers in a hundred countries between the ages of five and fourteen. That number is nearly equal to the population of the United States." Transported thousands of miles away to a dimly lit, dangerous factory floor where they will work from dawn to dusk for pennies, often breathing dangerous fumes. It's happening to children every day.

"Corporations more powerful than countries. While a country like America is governed by a Constitution and Bill of Rights, many corporations have but one rule: Profit above all else. Combined sales of the top two hundred corporations are larger than all the combined economies of all countries, with the exception of the largest nine. Exxon Mobile reported \$10 billion in profits in the second quarter of 2005 alone! When it finished the year, it reported profits of \$36.1 billion, the highest profits ever for a US corporation. With \$258 billion in sales [\$10 billion in reported profits] in 2005, Wal-Mart is economically more powerful than 161 countries. That is an enormous amount of power and it is wielded every day by shipping jobs overseas."

These punks have many ways of getting around this. For one they have automated systems as you said, for two they have all these hired minions who spread their opinions 24/7 on the net. Filthily pathetic.

I recently came in contact with many Americans and all I noticed was that most of them are really brainwashed, in the sense of political correctness. They just cannot talk their mind with these things. Now in many countries they have the so called holohoax laws, which if you deny the holocaust you get a large money penalty or imprisonment.

While at the same time the cheezen ones can deny the holocausts of any other Race on the planet Earth, laugh at these, take a shit at these and never get punished for it.

The "justice" under the spell of the jooz, ain't it nice.

Subject: A Story written for all our Satanic Warriors.

<https://www.youtube.com/watch?v=VG-mLawoxrs>

I suggest you get the music on. This is a gift from me to any of our Warriors here. Those who fight from their heart. I wrote this keeping anyone of you in mind. This guy in my mind, is you, me and everyone else who is seeking what we seek.

March on.

"And he stood amongst the millions, millions of other, great, powerful men.

They all had their families in their mind, honor in their mind, immortal name as their purpose, they all had these things.

He gets on his knee and silently, in the Warrior kneel, amongst the millions, he talks to himself, telling himself "You know what I fight for, I have placed my total trust in you, do not let me down."

He hears the battledrums, he feels the reasons of other men, he knows this fight shall be his last- he does not care all that much.

He has no "God", he is not afraid of "Sin", he has something holier in his mind, he has in mind this unrequited love, this goddamned silence. In his veins there is no sinful blood, there is no obstacle, there is no fear. He has rose amongst the Gods and will die as one. He is the outcast, the one that people never understood and this fed him the purity that was required for the task.

His comrade from his side, nods at him, then he nods back. He is the only that understands. He hasn't lived what he has lived, but he has the ability.

Zeus silently observes what happens in his Soul. Then he looks inside the soul of all other soldiers, all at once, with his power to do so. He never bothered contacting him, while others have had his providence throughout their lives.

Time has passed and they all rush against one another, rush to slit each other's throats. His mind is clearer than ever. His heart beating silently, his senses on their peak.

Blocks one with the shield, then the other one on his back tries to stab him, behind the back, weaker, with no Ethic. He swiftly turns and cuts him down. He takes them down one by one. None knows about his fight, everyone fights for themselves. His comrade is only 2 meters afar, he is about to get sword in the leg, he rushes, bangs him with the shield on the back, the one who was about to take the life of his comrade is laying on the ground bleeding, his putrid and vile blood.

As Zeus watches from His throne, his vision locks on this certain man. This man does not believe in him in anyway, he believes only in himself. The weaker Gods quake in fear as they see this man, what is he?

They see him and its like they see Ares in his moment of divine rage.

Shield, slash, slash, Shield, Shout.

Zeus is now looking at the side of Ares. Asking him, what have happened to this man? How, Why?

Ares is looking inside the eyes of Zeus, with a deep gratification. Then swiftly turns his notice on this Warrior, in the midst of millions. There are a few like him and the Gods have their mind set on them. Nothing else but their attention.

He continues raging, he does not run out of power, its all or nothing now. His enemies notice him, going by groups of 5 to destroy him. The love in his heart shall never let him yield, his shield is almost broken, his sword filled with the blood of those with zero Ethic, zero heart.

As they rush on him, all 5 of these unethical weaklings, he throws his shield on one, breaking instantly his neck. He only has his sword now, platted in blood. One of them is rushing towards him, blinded by rage, he is no target of worth. In his speed, he kneels just a bit, takes a twist, cutting his leg instantly.

The other 3 get governed by fear in their hearts. Screaming for assistance. The eyes of the Warrior are purely filled with a divine light. Ares from his adobe, is filled with Pride.

The sword of the Warrior is now broken, he bears no weapon. He bears his Soul on the back. Inside all these millions of people, this Warrior Is now experiencing the flame. Poseidon has allowed the Mighty Flame to run in him, for he has proven himself worthy.

His hands open, his enemies are trembling in fear. In the springle of a second, he has his position amongst the Gods. Zeus tears up from happiness and Pride and remarks to Ares, "Look, what wonderful we have created."

Ares nods.

The Warrior's eyes become the brightest Blue, like His Father. The Father he thought abandoned him, is now flowing within him. His body has given in, is scarred and in pain.

The Serpent Rises to heal him in this moment. Suddenly his mind is opening up. The enemies see him in pure terror and in pure blind rage. They rush at him by the hundreds now. His old friend, the one he nodded, has survived and is witnessing how his comrade become a God. He instantly bursts in tears and

throws him the sword. As he is catching it, the sword becomes pure red from his power and energy.

The Wings of his Soul are now open. He thinks to his unrequited love, grinds his teeth and is blinded by the light of divinity.

He looks In the sky for a moment, just for this last moment. He knows he is the one that shall finish the war. Everyone has put his Trust in him and others of his kind.

He is so swift, swifter than the wind, inhuman, Godlike. His eyes spread pure fire in the Souls of the weak. They don't dare look in his eyes. Those from all over the world who doubted him, know of his name and his moment. They feel it on their skin, on how wrongly they were mistaken.

As he rushes forward, he cannot die, wounds inflicted get mended in the same exact moment. The enemies retreat and try to run, but he takes their lives into the bottomless pit.

Hundreds upon hundreds retreat in his face. The battle is coming to an end. They are all retreating to save their petty lives in the face of this being. The grounds are now clear and filled with blood.

He now, raises his hands on the air, gives his own force and screams with might: "Men, Rise up."

The dead awaken, they get resurrected by the millions, everyone's wounds are mended instantly. All this by the power of one man. They all look at him and he shouts: "DO NOT FORGET WHO YOU ARE! SEEK YOURSELVES!"

He falls on his knees and all his wounds come back. Then a pure light surrounds him and takes him on the adobe of Zeus. Everyone is in question, nobody can say a word. They are all questioning their sanity. They touch their bodies to see the mended wounds. They think to themselves, on whats within them. Everyone has froze.

Him, is now walking in front of the adobe of Zeus.

Zeus rises from his Throne, looks straight into his eyes and nods, in full acknowledgement of this man.

He nods back, respecting him as an equal.

Ares hands him a Sword, made for him and only him.

The Gods wave at him and now, he is part of their family.

Hera guides him to his own personal palace, his name is now written on a big stone of might.

He thinks to himself, full of divine bliss, now, I shalt guide others in the same path. As one of the Gods, he thinks that way.

"I'll make them find themselves." He says.

WW3 Brews As Nation Distracted By Trayvon Martin Case

[My note the Russian's have already stood up to Israel with military force during the war in which they totality defeated their proxy Georgia. Rolling their tanks over the Israeli backed Georgian forces. In response to the sneak attack on their Peace Keeping forces 3 weeks after a peace treaty had been signed with South Ossetia. While the Jews Media howled in rage and the leaders of Georgia where hoping on planes to Israel with dual citizenship in more then one case. Which is revealing as only Jews are allowed to have Israeli citizenship or those married to them and having children with them.]

<http://www.storyleak.com/ww3-breeds-as-nation-distracted-by-trayvon-martin-case/>

As the world reacts to the Trayvon Martin case, including prominent rappers calling out the media over its race baiting, reports detail around 160,000 Russian troops were called to 'combat readiness' following an Israeli strike on Russian-made missiles in Syria.

israel-bomb-russian-troopsIs the nation too distracted by the George Zimmerman trial's 24/7 news cycle to even know about this developing situation that coincides with escalating tensions between Russia and US-affiliated nations around the world?

First up is the new revelation that Israel was behind an attack on Syria that targeted Russian-made anti-ship missiles. According to the Israeli National News sources within the U.S., Israel recently launched an attack on Russian missiles that were apparently sold to Syria and stationed at a critical point within the country. Until now, it was unknown who had initiated the bombing that had rocked Latakia on July 5th.

Ultimately bombing the 'critical point' holding the Russian's Yakhont anti-ship missile, Israel is believed to have initiated the bombing via aircraft or a ship in the Mediterranean. According to the anonymous U.S. official who corresponded with CNN:

"This attack was either by air raid or long-range missiles fired from boats in the Mediterranean."

Now enter new reports surfacing from the Russian Defense Ministry on orders of Vladimir Putin that the largest military 'state of full combat readiness' drill is taking place with around 160,000 troops ordered to report from all corners of the military. Specifically, the translated reports detail how Putin is calling together not just Armed Forces of Russia troops, but all forms of long-range aircraft, 70 naval ships, bomber and fighter aircraft, and so on.

According to a syndicated Russian announcement:

"On Friday, during a meeting with Defense Minister Sergei Shoigu Russian, Russian President Vladimir Putin ordered an unexpected military drill, urging all forces to enter a state of full combat readiness on the night of July 13."

In other words, these reports says that Putin is essentially assembling the entire military in the largest such event since the Soviet Union. This is coming in from the Russian language version of Forbes and other Russian sources translated to English.

Is this massive 'state of full combat readiness' initiated on July 13th just a training exercise with no further intention, or is it related to the attack by Israel on Russian-made missiles in Syria? Whether this is truly the initiation of a massive conflict between world powers or not, it's certainly worth the attention of the media and general public. While it does take a lot of digging to sort through all of these Russian language announcements and get to the bottom of the story, it's much more important than what George Zimmerman's lawyers ate for breakfast this morning.

I'm hoping for a response from HP Don.

I've looked through the groups about The Thule society and The Waffen SS

and I couldn't find anything, and on the Internet it was all corrupt like: half the Thule Society were jews ad that Heinrich Himmler and the SS did workings and spells against Hitler and Joeseph Goebbels,

So if someone can tell me more it'll be greatly appreciated

Pope Francis offers reduced time in Purgatory for Catholics that follow him on Twitter

Salvation or at least a shorter stay in Purgatory might now be only a tweet away with news that Pope Francis is to offer "indulgences" remissions for temporal punishment to the faithful who follow him on the social media site.

Around 1.5 million are expected to flock to Rio de Janeiro to celebrate World Youth Day with the Argentine pontiff later this month. But for those who can't make it to Brazil, forgiveness may be available to contrite sinners who follow Francis's progress via their TV screen or social networks.

The Sacred Apostolic Penitentiary, the Vatican court that rules on the forgiveness of sins, has said that indulgences may be given to those who follow the "rites and pious exercises" of the event on television, radio and through social media.

The Penitentiary said that Pope Francis' Twitter account, which has already gathered seven million followers, would be one such medium.

Vatican officials, noted however, that to obtain indulgences over the internet or otherwise, believers would first have to confess their sins, offer prayers and attend Mass....

Excruciating pain in my stomach which I believe is kundalini energy, my knee and ankle are constantly failing, like having muscle spasms , I'm waking up at 5-7 am no matter what time I sleep at, I start crying for no reason, I get random headaches, I feel energy going up my spine, some times my muscle control itself, I feel extreme heat , it starts at my base chakra and goes up wriggling around all my chakras and I feels like a worm wriggling in your hand except really hot and my stomach has spasms aswell

Could be a kundalini awakening. Same thing is happening to me, annoying huh?(x But that's evidence you're doing GREAT! Keep up your meditations and yoga. I got digestive system problems once the spasms and energy in the spine, heat, insomnia, etc. I started getting the rotten egg tasting burp.- I also feel alot closer to nature and animals.

Muslim Brotherhood Wanted Egypt's Break-Up for Israel with a "Free Army", Idriss in Israel

[My note this plan has cost over 70,000 lives of those in Syria and many killed elsewhere and it would have been worse if not stopped by the Army in Egypt. Thus we see the total defeat of Jewish stratagem in the ME. With their defeat by Syria and now Egypt's populace and Army. Millions protested the Brotherhood regime and cheered as it fell. The Jews are losing big time all the time now. Remember Saudi Arabia is a major dealer in this as the Saud's as the evidence proves are crypto Jews. Hence their never ending support for the Jewish state. Islam is nothing but Jewish supremacy cult as well and the Saudi regime is Noahide as you get openly at this point. Turkey is also a major player in this Jewish plan as the Jewish have been in control in private in Turkey going back to the Young Turk movement. Which was also the mastermind of the genocide of a million Armenians plus, in Turkey. The extermination of which was simply to steal all their land and material wealth by mass murder and terrorism and give to over them Jewish "chosen people" selves. Typically Jewish the Talmud from start to finish. Hence why the Armenian community is constantly blocked by Jewish lobby in American from getting their genocide recognized officially. Big Jew does not want the kosher cat of that bagel bag. It might put a dent in the Jews false holocaustanity scam they ran running.]

In a televised interview, Nabil Naim, who is a former leader of the Islamic Jihadist movement in Egypt and a once close companion of current al-Qaeda leader Ayman al-Zawahiri alongside whom he fought in the Afghan-Russian war in Afghanistan, says that the Muslim Brotherhood regional organization had announced in Turkey the formation of a "Free Army" in Egypt, similar to the one in Syria fighting against the government. He also stated that the goal is to break up the country and weaken it as part of an Israeli plan called "the Clean Collar" that targeted three countries: Iraq, Syria, and Egypt. However, the military intervention on June 30th after a large popular revolution prevented Egypt from going down the same road as Syria.

He also said that the current head of the "Free Syrian Army" (FSA) Salim Idriss was in Israel a few days ago asking for weapons.

## The Good Jew

[My note at last, at last! We found a good Jew all the Liberal types are looking for as an excuse to praise and cower before those that hate them and use and abuse them. Silverstein after openly stating at a press conference on the topic of the magic Tower 7. The tower that fell mysteriously half an hour later then reported on the News. As the News reporter was standing in the background stating such tower had fallen while still clearing standing. It only came down half an hour later. This News footage was later pulled from the air. The magic Tower 7 that no plane ever hit. Yet fell into its own foot print at free fall speed in 13 seconds. Just like the other two towers.

Well Larry stated about the magic Tower 7. He: "Told them to Pull it." Which is industry technical speak for controlled demolition. And which it was.....So guess how the other two Towers came a tumbling down...And why Thermite was found in the ruins of them. The one substance that could pulverize hundreds of tons of steel and concrete in dust. Why do you think there was not even a single file cabinet left, if the building just fell apart and was not blown to dust by Controlled Demolition?

For the real deal and full download on the fact 911 was a Jewish inside Job:

<http://www.911missinglinks.com/>

Here is the Good Jew. After being a key player in the inside job of 911. Killing thousand of Goyium and making big shekels while advancing the Jew World Order. He is now suing for more shekels on top of the billions he got already.

The Good Jew, is the Jews, Jew. The only good vampire is one who sucks the blood of its victims the most and best. And that is what the Jews are by race. A race of ghoulish vampires. Its in their DNA.]

Silverstein Denied Right to Seek \$3.5 Billion From Airlines

Silverstein Denied Right to Seek \$3.5 Billion From CarriersThe judge said `Lucky Larry' couldn't sue under New York State law, which means Silverstein is probably going to take his act on the road and sue in another state.

Bloomberg by Eric Larson

Real estate developer Larry Silverstein can't seek \$3.5 billion from airlines whose planes were hijacked by terrorists and flown into the World Trade Center's

twin towers on Sept. 11, 2001, a judge ruled.

Silverstein, who leased the skyscrapers about two months before they were destroyed, already collected \$4.1 billion from insurers and can't collect twice under New York law, U.S. District Judge Alvin K. Hellerstein ruled yesterday in a courtroom less than a mile and a half from the World Trade Center site.

"If this case were to go forward, the WTC companies would not be able to recover anything against the airlines," said Hellerstein. The judge rejected any suggestion that Silverstein had sought a windfall, saying he was among the "heroes" who sought to "create beauty out of the destruction."

Silverstein's World Trade Center Properties LLC in 2008 sued United Continental Holdings Inc. (UAL:US), American Airlines and its parent AMR Corp. (AAMRQ:US), claiming their negligence led to the destruction of the towers.

The company, which rebuilt the destroyed 7 World Trade Center and is rebuilding three other towers on the site, argued that the insurance accord didn't bar it from seeking additional damages in civil cases because the payout didn't correspond to specific types of economic losses, such as replacement costs for the buildings or lost rent from tenants. Hellerstein disagreed.

Link Made

"There's complete correspondence," Hellerstein said. When such a link is made between an insurance payout and a specific type of loss, collecting on that same type of loss is barred under New York law, he said.

Islamic extremists flew an American Airlines jet into one of the twin towers and a United Airlines jet into the other, causing both to collapse. Two other planes were hijacked, one that hit the Pentagon near Washington and another that crashed in a field in Pennsylvania after passengers fought the terrorists. About 3,000 people died.

"We did not believe that the plaintiff could be permitted any further compensation and we are pleased the judge ruled in our favor," United spokeswoman Christen David said in an e-mail.

"We are gratified by the judge's decision," Mike Trevino, American Airlines spokesman, said in a statement.

Tallest Building

Silverstein's lawyer Richard Williamson had said in closing arguments yesterday that the airlines "dramatically understate" the developer's actual economic losses from the attack, including by using an arbitrary 2007 cutoff date for calculating lost rents.

The developer said it will use proceeds from the case to build Norman Foster's 2 World Trade Center adjacent to the centerpiece 1 World Trade Center now the tallest building in North America and continue revitalizing the area 12 years after the attack.

"In my opinion, no one is enjoying a windfall everyone is suffering from 9/11," the judge said. Talking about a windfall "is obnoxious in this case," he said.

About two months before the attacks, Silverstein's Silverstein Properties signed four 99-year leases on the towers and two smaller buildings in the complex.

### Initial Payment

He also made a \$491 million initial payment as part of the Port Authority of New York and New Jersey's privatization of the World Trade Center site.

"We are deeply disappointed" in the decision, Bud Perrone, a spokesman for Silverstein Properties, said in a statement. "While we respect Judge Hellerstein, we believe his ruling on this issue, and on prior issues, to be in error and intend to file an immediate appeal. We will not rest until we have exhausted every option to assure that the aviation industry's insurers pay their fair share toward the complete rebuilding of the World Trade Center."

The 2001 lease required Silverstein to insure the buildings and rebuild if the site was destroyed. He insured them for \$3.5 billion "per occurrence," more than required, court papers show.

Silverstein in 2007 reached the \$4.1 billion settlement with insurers after suing to collect more than \$7 billion — twice the value of the policy.

### Separate Attack

The companies reached the accord after a jury accepted Silverstein's claim that each tower's destruction was a separate attack under some policies, while a jury in another case found some insurers were bound by a policy that defined that attack as a single event.

Out of that settlement, about \$2.5 billion was paid to the Port Authority under a 2006 redevelopment agreement calling for the agency, rather than Silverstein, to rebuild 1 World Trade Center.

The payment also covered rent on the property, which Silverstein was required to continue paying to the Port Authority after the site was destroyed.

In a 2008 ruling in favor of the airlines, Hellerstein lowered the limit of possible recovery in the case to the \$2.8 billion market value of the leases and not the much higher cost of rebuilding.

The amount of potential damages was later increased to about \$3.5 billion when the judge said the value of 7 World Trade Center, which was also destroyed and has been rebuilt, could be added to the claim.

### Lost Bid

The leaseholder for the destroyed buildings in May lost its bid to prevent AMR from raising "act of war" as a defense to its alleged negligence in the terrorist attacks. The airlines promised Congress and the U.S. public they wouldn't raise such a defense to avoid paying claims, lawyers for the leaseholder argued in a February court filing.

The Silverstein organization accused American of breaking promises to not use the defense. The guarantee coincided with a bailout of the aviation industry, the leaseholder argued.

"Regardless of the ultimate outcome of the case, we remain 100 percent committed to realizing a fully and spectacularly rebuilt World Trade Center," Silverstein's Perrone said. "4 WTC is opening in the fall, and construction on the other buildings has made significant progress. The new World Trade Center will serve as an unmistakable symbol of New York's resilience and strength."

The case is In Re September 11 Litigation, 21-mc-00101, U.S. District Court, Southern District of New York (Manhattan).

No mistake the Rothschild's are part of the British aristocracy. Of which from the records William's mother had Rothschild blood. And just looking at him. He does not look like a typical English person that nose alone knows. Even Churchill from reports, mother was Jewish.

This is why there has never been a internationalist Jewish move to topple the British Royals. Unlike the Royalty of the French, Russian, German and Austrian, Chinese Empires.

For all this verbal farting about Democracy. Even people here repeat because they still have not taken their minds all the way back from the Jewtrix. Dumbocracy is all bullshit. Always has been always will be. The Jews admit this and this is why the Jews push Democracy as religion. They confess the Aristocracy was the last major block to their power and once the Jews succeed in pulling them down and putting Liberal Democracies in they place they owned. And from here marching right to pure Communism. In fact where they went right to Communism it was just called centralized Democracy.

Democracy is control by Jewish Oligarchy. The Jewish psychological warfare program of Liberalism has been the worst blow to the Western world after Christianity. Its just Atheist Christianity.

I am never amazed by how people buy Democracy is the best evhurr! Because they are weak minded assholes who don't even have an opinion they are just a walking TV, mentally playing all the programming channels of the paradigm. Thinking they are somehow special and unique and a free thinker for saying what they have been told to think their own life.

The whole lie of Democracy is built upon the lie of the same universal egalitarianism and suffrage. That Christianity is. No mistake Democracy always destroys every nation it touches. They just can't get enough of trying to polish that turd into gold.

The very ideal that only a certain small, elite class of people with proper training and experience for statecraft are fit to make the intelligent decisions that govern the fate of the nation. And not: Booby Jackz-off-alotz. From humpdown lane. Is totally fucking alien to them.

Even the very fact they are constantly looking to vote for a person who displays the qualities of such naturally occurring Aristocracy. And thus unconsciously display the desire to be ruled by such aristocratic class in doing so. Is also lost to them.

The enemy thrives on that. Kikes have been entirely rampant in protecting this jewdeocracy. On one hand they tell the sheep, vote as you

please. On the other hand they have prepared the psychic means to get their own elected. There is no more deceitful, more putrid and more kikish system than that, for numerous reasons. Dumbocracy ensures any state will never move forward and at dumbocracy its where the 'minorities' have more power than majorities. Not to mention all this enemy jewish type of 'freedom' that they are passing to people through this system, leads them nowhere in the spirit and makes Gentile Races fight each other.

No other system preys so much on the need of the sheep to feel free. These walking TV monitors, KFC campers really feel comfortable if they say 'they are free'. Its amusing how they always say that. Like an ideology will free them from their nasty pit of existence. Also dumbocracy is where the enemy thrives spiritually, as everyone is on their own 'ideological' biz. Wasting their time on being falsely free. Or questioning the most basic stuff in regards to their existence.

Not long ago I was at a seminar. Pacifist Marxist fuzz, all around. Some of the supremely philosophical assholes there made some questions that were supposedly philosophical dilemma. This is where I understood how low tge 'mental aristocracy' of the world is. Stuck in the samsarix state, trying to anal-yez the universe, or question on top of question over trivial shit. Questions like "What is natural" or "Why is nature so important for us to follow?". Then these idiots have the fun smiley badge of "I know how to think, I am intelligent" on their funny blouse. Cuz they so intelligent.

Its democracy after all. Anyone is free and allowed to do as they 'want' and 'think as they want', right?

Yes, right. Thanks to dumbocracy we have all states destroyed and in the long run, it seemed to served well the jew, so well that I think only communism could serve them better.

Subject: Re: Dumbocracy

Humoring the concept of Democracy as honest.

The problem with pandering in the populace system. Nothing changes as the politician has to kiss and polish the vanity of the shithead masses. And their lack of development and mediocre social order. Its designed to deny any upwards evolution into something better. Its stagnation by its very nature. He's there to do want they want. Even if its stupid and not make the important changes in social, economic and political policy to ensure a better outcome and civilization. Even if such changes where made by a rare genius the next band of shitheads to get voted could with the stroke of a pen destroy all positive progress made by the former.

There is something seriously wrong in general with a system that requires nothing more out of a possible national leader other then they are room temperature. And can spell their name.

And they is something seriously wrong with thinking the average person is all of a sudden by virtue of just existing. A great political genius and thinker who is a master of all areas of social, political, legal, economic, historical subjects. etc Thus properly qualified to vote appropriately for the candidates and their policies. Most people if any dumber would have to be watered three times a day like a house plant.

Democracy is based upon the equality myth that thousands of shitheads together can decide as if they are genius. When in reality you just get a pile of shit.

Democracy is also hidden oligarchy you get two main parties and the members vote the will of the party and nothing else. And seek to increase their power base by whatever means. So they court the powerful money and corporate media elites. The plutocrats. As this method of brokering and enact their will over the masses. In the end the Parties are simply purchased by the plutocrat elites as an arm of their personal will And create an apparatus that protects this system. So even then you have the majority of people and minority on the bottom disposed of any real political representation.

And since Liberal society is mediocre and lacks the noble traits don't expect any politician to have deep integrity or courage to withstand the bribes and offers of the money powers either. In democracy, personal honor is meaningless and passing the buck is practiced instead. As the nature of Capitalist society that worships money will win out as its selfish to the core and about filling your pockets at everyone else's expense. Don't expect that psychology to just end at the door of political office.

Liberal Capitalism and its system of Democracy is horrible. And allows for plutocracy. In our case of Jews.

Video    Wave of child arrests intensifies in Hebron

21th July 2013 | International Solidarity Movement, Khalil Team | Hebron, Occupied Palestine

On the evening of Sunday, July 14, in the old city of Hebron two Palestinian children named Mohammed and Ahmed, both aged 13 years old, were arrested. Though joining a wave of child arrests in Hebron during the last weeks, the arrests of the two boys stand out because of the massive number of soldiers and police actively participating.

The first boy, 13 year old Mohammed, was taken from his family home in the Israeli controlled H2 area of Hebron, home to 31,000 Palestinian people and approximately 500 illegal Israeli settlers. Allegedly the arrest was made because Mohammed threw a stone at Israeli soldiers patrolling the streets, though no evidence of this has been made public to international observers who witnessed soldiers invading Mohammed's home and leading him away to Beit Romano Military base. The second boy, named Ahmed and also 13 years old, was taken from one of Hebron's market streets, situated in H1, an area that is supposed to be controlled fully by Palestinian police forces. Sidestepping this agreement, the soldiers invaded H1, grabbed Ahmed and brought him with them back into H2, claiming he had thrown a tomato at a nearby settlement.

Both individual arrests were carried out by more than five Israeli soldiers, but as events rolled the number progressed to more than 30 heavily armed members of the occupying forces. The arrest of Ahmed led to outcries in the market, with Ahmed's mother demanding the soldiers on the wall separating the two areas to give back her son. The soldiers responded by sending more than 30 soldiers to the wall, bringing with them both live ammunition and several teargas grenades, threatening to shoot these into the mass of assembled people gathered on the other side of the wall. The situation escalated as armed settlers joined the soldiers, harassing international observers.

Finally, an hour later, a visibly shaken Ahmed was taken through the mass of settlers and military personnel and released back into H1 to his waiting family. Mohammed had to endure further dehumanizing punishment as he was taken to the Police station outside Ibrihimi Mosque. This was where an Israeli police officer lied to internationals present, stating the boy would be released and that those present could "trust him"; in fact Mohammed was transferred to Qiryat Arba police station and held until his family could make their way there to pay a fine of 500 NIS for his release.

The city of Hebron has experienced a wave of child arrests during the last weeks, often violating Israeli military law stating that children under the age of 12 cannot be arrested, as in the case of 5-year-old Wadia[i]. Though both Ahmed and Mohammed are 13, Palestinians complain that this law, giving Israeli occupation forces the right to arrest children from the age of 12, is only ever enforced for their children and not for settler children. On Sunday night in Hebron this proved true, as settler children attacked internationals by throwing a stone on the scene before the eyes of Israeli soldiers without consequences.

This is from a question in another egroup.

Nietzsche's philosophy was that the individual has within them the God within or the spark of the divine. And that by strict spiritual discipline the purpose of life is the full realization of the soul nature which is beyond the constrictions of the base ego and social constructs placed upon the individual.

But in order for this process to unfold one must cross the abyss of breaking down the samsaric self, so to speak. Part of this is the rejection of Jewish Christianity and its god. In order to liberate the God within. So that the individual may advanced their own divinity. The individual can fall into the trap of nihilism and self destruction as the effects of such journey but the strong soul will in the end triumph and become the Ubermensch. The self realized being.

Nietzsche out lines the Aryan spiritual worldview. That of the Atman, the eternal soul or God within and its full realization to the ParaAtma the Godhead. The Brahman. His ideal of society was one ordered upon the Eternal Natural Way, within a class system ranked on the level of inner develop of the individual in society. With a philosopher class leading at the top. An Aryan class. Who had developed themselves to superhuman levels spiritually. Hence an openly anti-Judaic, New Order.

This is not surprising considering that Nietzsche was a student of the Aryan texts such as the Veda's and Laws of Manu and such. He openly stated he was Pagan in the classical sense of the meaning [not neo-pagan] and thus openly anti-Judaic. In his and both Hitler's statements that they are Hellenes is a deep understanding of the Aryan. As this statement is an affirmation they are followers of the Aryan religion of Greece and India. Which are the same religion across the Aryan world. Greece was literally nothing but Aryan India in Europe.

Nietzsche knew the nature of the Jew unlike most of his time. In universities and university studies, they are like "Haha, he was a madman and a very bad, dark writer." But from what I have read of him, he has had a very sharp, clear and strongly Gentile consciousness, from which he gathered valuable info. He treaded very far for not being an SS, very, very far. This is why personally I respect him very much. I respect his effort and his penetrating thoughts. Infact he analyzed the Jews very, very accurately. Also I have heard that Nietzsche believed in reincarnation and that lives repeat themselves due to energies that bind us as beings- which is True if he actually said it.

Its not a coincidence the Third Reich took his writings seriously and that according to most scholars, he played a role in actually shaping the ideology of Nazism. Nietzsche was a genius and he is getting very defamed, especially because he in the end kind of lost it with his health. Some as always Jews, attribute this to insanity, that basically his own theory caused. Same bunkshit level as the 'psychological mapping of Adolf Hitler'. Jewish yunkjunk 'psychology', 'philosophy' and 'answers'. Worthless of the most worthless cheezen ones.

Our society has become so confused people are starting to believe that good and evil don't exist anymore. Its just a man made concept or such. Most of this is a reaction against the confusion of morality and moral principal by Christianity and its assorted programs. One confusion is not corrected by adding in another. And we have the fact psychopathology is becoming the approved and rewarded behaviour socially. Such garbage as Social Darwinism and Libertarian gospels are a sure mark of this exaltation of this and the downfall of society by hacking away at the organic bonds of it further. They twist the knife in the wound, Christianity stuck in the West from the start.

Such false concepts as all morality being a man made construction. Are out the window as science understands openly that morality is actually intrinsic. Thus naturally occurring from within the soul. And its a natural microcosm of the eternal principal of creation which is built upon a order of the highest realm. Which when applied to the human dimension is called morality. Nietzsche already solved much of this question in his time. And its not what most think as they never actually read his work. Just believed the twisting of it by Jews who bank off the fact the Goyish slobs are too lazy to read and think about it. And just repeat like sheep. If the Goyish slobs actually read Nietzsche they might wake up the Jews.

The fact their even needs to be a debate on morality proves my point.

Subject: Sharing experience

As we all know, knowledge comes from experience and experience comes from time, but what if we could gain experience faster and easier?

Gods can access our deepest mind and read us as "open book", thats what I was told from others.

I started to think about the meaning behind it. Gods are hundres and thousands years older than we are. That equal, they are hundres and thousands more experienced and they obtained more knowledge than we, humans, normaly can.

If they can access deepest parts of our minds and naturally, they should be able to do other things to our minds. Like change, alter and convert our minds as they please. (They are gods, so I think that shouldn't be a problem, I would be suprised if they could't alter minds of others beings/creatures.)

Then it hit me, if they could give/copy/shave their "experience = knowledge" with us and send it to our minds, we would immediately know everything they know, not literally.

Lets say that I would like to know how to work with elements or how to speak in sanskrit/any other language or how to play on piano. I would maybe ask my Guardian/Succubus/God to help me with it and teach me.

If that Guardian/Succubus/God know how to work with elements or how to speak in sanskrit/any other language or how to play on piano, she/he can teach me it, but wouldn't it be easier and faster if they could just access our minds and copy their experience to us?

If I want to work with elements, I need to know how to work with energy, how to feel it, how much energy should be used and so on.

If I want to speak fluently in any language, I need to know grammar of that language, how to correctly pronounce words and so on.

If I want to know how to play on piano, I need to know how to move my fingers, when to push buttons and so on.

This all is matter of experience and knowledge what we have in what we want to do, more experienced we are, more better we are at it.

If this would be possible, everyone would be able to spiritually grown up more faster then working alone like we are now. Even if you wouldn't be able to work with elements, because you don't have enough spiritual power, you would know how to do it when you will reach the point when you will have enough spiritual power and be able to work with them.

---

If someone didn't get what I mean, I will try to explain it other way around.

Lets compare humans to computers.

Lets say that our body is HARDWARE = HW.

Our mind and consciousness is SOFTWARE = SW.

Our experience, knowledge and what we learned (mantras, meditations etc.) is DRIVER.

So we have HW for our body, SW for our mind and DRIVERS for our knowledge and experience.

Now we will add Guardians/Succubi/Gods to this system, they will be represented as EXTERNAL HDD or USB.

If EXTERNAL HDD or USB would connect itself with us, it should be able to see and read everything what is in us, on our internal HDD.

However, if EXTERNAL HDD or USB could share their data with us it would mean that our system would be able to execute more operations and empower our SW and DRIVERS with more data what we obtained from EXTERNAL HDD or USB.

Even if our HW wouldn't be able to execute and operate these actions, SW and DRIVERS would know how to do it when times come.

So when we would have enough SW and DRIVERS, only thing what we need to do, is raise our power in our HW by empowering our body, but that wouldn't be a problem anymore, because we would have enough data (experience) to know what is most efficient in raising our powers on 100% precisely.

Like lets say, you would get data how to operate and control elements, but maybe you don't have enough advanced HW to be able to do it, so you just need to rise power of your HW and you will be able to work with elements immediately, because you already have SW data and DRIVERS to know how to execute and operate elements.

However, things like mathematics, languages, knowledge how to play on something, martial arts etc. you should probably be able to do immediately, because they don't depend on HW as much as spiritual actions.

In theory, you should know how to finish hard mathematics equations, how to speak fluently in any language, know how to play like a pro on any instrument or fight like experienced fighter, because data and experience obtained through many years would be already in your SW and DRIVERS thanks to your Guardian/Succubus/God.

---

So what do you think? Can anyone answer why this couldn't be possible?

Thank you, for reading this long idea what I got. I'm looking forward to know what do you think about all of this. :)

Subject: For those who have demon lovers (or are intended to have)

### **For those who have demon lovers (or are intended to have)**

1. Do a banishing ritual. Again, if it is the case. Don't dare to underestimate the enemy's perversity, they are even capable to fake they are demon lovers. It is not rude to make your demon lover (or even any of your GDs) to swear loyalty to Satan. We are in war times, so if an ET is of Satan, he or she will have no problem to proof such.
2. If you have not yet enough power to see and touch your demon lover, don't underestimate your fantasies! Demon lovers enjoy a lot you fantasizing about them, not only in bed, but if you have time to do so in your everyday life (when your are not doing void meditation, which is indispensable), your lover will enjoy it, and with time, as you becomes more open, you will also feels when your demon lover is thinking in you and sending you love energies. Feelings and actions tell more than spoken words.
3. Not all time demon lovers will be at our side, but in no way this means they are bored or such a thing with us! You have to know the Gods have their business to do in Hell, so if you are in bed and they not came, say mentally that you understand and are not upset. They are understandable to us, so we have to be grateful and understandable too.
4. Never, ever, betray your lover! The opportunity to have a love relationship with a God or Goddess is a so wonderful gift from Father Satan as Godhead itself. Father Satan only allows the worth and capable of his sons (if He have no other plans to you), so if you betray your lover you betray the trust that Father Satan himself put in you!

Subject: Sermon 29/July/13: Death, Hell & the Afterlife

I wrote this article, as I know many people are concerned regarding "Hell." There are some of us in the groups here who have had plenty of experience and know the truth. This is what we know:

### Death, Hell & the Afterlife

Many people are understandably frightened in regards to "Hell" being a place of torture, eternal damnation, and fiery torment. Personally, since coming to Satan, I have had extensive experience both in working with human souls who have passed from this earth, and in seeing Satan's Hell, which is a safe place for the souls who are there.

In contrast to souls who go to the light when leaving their physical bodies through death; Satan is responsible and protective. He sends Demons to escort Satanic souls to Hell. This is to ensure these souls will be protected from the light, which is of the enemy. In addition to working with many different Demons, Satan has had me work with human spirits. Though their physical bodies are dead, they are very much alive and do not like being referred to as "dead." I am talking those of importance in Hell. Most spirits who have resided in Hell, have reincarnated. Some are still there for specific reasons. I can tell you, Satan's Hell is not some place of fire and brimstone, but a safe haven for souls who are of Satan.

There is another place- the Christian "Hell" where Christian believers who fall short, wind up. This is where the horror stories come from and angels have taken some unfortunate individuals on a personal tour of this, as they are human hating.

This place of torment is not of Satan, but is and was created by the Judeo/Christian "God." Those who tie into Christian beliefs and energies are all vulnerable:

Matthew 25: 41 Then shall he say also unto them on the left hand, Depart from me, ye cursed, into everlasting fire, prepared for the devil and his angels

The truth regarding the light seen by many in death and with near death experiences can be explained. The following quote taken from the Luciferian Liberation Front website article "Jesus of Borg" is quite accurate in many respects. Human souls are harvested by advanced extra-terrestrials for energy. These souls are "judged" according to how malleable they are. With any powers of the mind, energy must conform to the will

of the operator in order for the working/s to be effective. Any resistance makes the soul unfit. Many believers who are deemed unfit are cast into torture and damnation.

Quote:

"When we dissect the cube of heaven we see that it is constructed like a living cell with its own system of energy circulation and metabolism. From all appearances, it is a giant solar battery/generator, which allows the ONE mind of the collective G.O.D. to be able to feed off the life essences of the enslaved souls held within its "temple pillars" and redirect their energies according to the will of the ONE. When a human being dies, his life essence, spirit, or soul is scanned by the Soul Collectors who patrol the dimension between physical time/space and the finer dimension of subspace and these Collectors project an image before the just deceased soul of a life form that will be recognizable to the deceased, such as a relative or friend who had died before they had (a grandmother, religious figure, etc.). In this manner, the Soul Collector is able to get the newly deceased soul to lower his defenses. The Collector takes on the role of guide and attempts to lead the soul to the gates of the Holding Ship. In this Holding Ship, the spirit essence of the dead person is scanned again to determine its degree of purity of energy (its lack of resistant character traits) and its potential to provide nourishment to the collective mind of G.O.D. This potential is based on the degree that this spirit has been subdued through fear and dependence or how effective religious programming had been on this soul during its physical lifetime. Those spirits, which have little or no self-will and have been sufficiently programmed to serve G.O.D. during their lives will have the highest nourishment potential."

End of Quote

This topic [understandably] has come up many times in all of the groups...the Christian concept of "Hell." There have been cases of certain individuals who have seen horrors and such from near death experiences and related. Some of these people had ties to angels who showed them this sort of thing as well. This is of the Christian "God" and has nothing to do with Satan. Most tours of "Hell" such as in the story of "Dante's Inferno" are guided by an angel.

Now, when I say "Christian God" this term is a collective label for the human hating entities out there who have been exploiting humanity, using their invented Christian religion as a tool. Long before photography was readily available and knowledge of extraterrestrials was made public, occultist Aleister Crowley drew a picture of "Jehovah" and the image was of a grey extra-terrestrial. The greys hate humanity.

Not to get into a rehash of what is already on the JoS website; my point in making this post is to reassure people regarding "Hell." Knowing the truth is very important and when you open your mind through power meditation, you will see more and more truths. The enemy does have rotten places for human souls who fall into their traps. This has nothing to do with Satan. Things are backwards. Just as the Jews [who are of the enemy at the soul] accuse and blame Gentiles for everything THEY THEMSELVES DO, in order to create a distraction and diversion and to confuse, this bleeds over into a much larger area in the way of what Christianity does. Everything the Christians are and do, they blame upon Satan.

I have heard Christians [ad nauseum] go on and on about how "The Devil hates humanity" "was a murderer and a liar from the beginning" "is all about materialism" "works to prevent humanity from achieving everlasting life and immortality" the list of bullshit goes on and on and in reality, this all applies to Jehova, THEIR "God." One only needs to look to all of the murders, the endless lies, and the genocide of Gentile nations in the Old Testament of the bible. In addition, the Nazarene WHICH IN REALITY WAS STOLEN FROM A CONCEPT, was invented into a fictitious Jewish character for the purpose of creating another distraction and deception so that the concept is devoid of its spiritual message so that anyone who follows this kike on the cross will never perform the magnum opus and achieve immortality. Christians keep compulsively parroting "Jesus loves you"

when the real truth is "Jesus hates you!" "Jesus" hates humanity!

"Jesus" is nothing more than a subliminal tool for ushering in the Jewish messiah [if enough people believe in this "second coming" and put their psychic energies into it, the ruling kike needed to unite the Jews of the world will appear on the scene and enslave every Gentile under the most heinous and brutal conditions] and TO KEEP THE DELUDED FROM SPIRITUAL KNOWLEDGE, ADVANCING THEIR SOULS AND ACHIEVING EVERLASTING LIFE/IMMORTALITY. "Jesus" also serves as a distraction so that believers never meditate or do anything to advance their souls. The deluded believe "Jesus" will take care of everything and that "Jesus saves" when in truth, we all save our own souls, given we have the knowledge and that we apply it. Those who are denied this knowledge and do not meditate will die and be reincarnated over and over, damned into repeating the same mistakes and totally at the mercy of their destiny. Try running this by Christians. They keep parroting "The Devil deceives" when in truth, it is their own "God." And, this so-called "God" of theirs is afraid of humanity obtaining knowledge and spiritual power? Is threatened by our physical nudity? "Loves" you so much he will damn you to a fiery pit to burn for all eternity? Hardly our creator. Everything the Christians accuse "The Devil" of is really their own "God." This is their deception. "He deceiveth the masses."

Now getting back to those near death experiences and such, Liliti told me something very enlightening. She told me that those who have had strong ties to Christianity in their past lives are very open to the enemy. Even if someone is non-religious, an atheist or an agnostic, if there is a strong essence of Christianity on that person's soul from former lifetimes; it is an opening for the enemy to manipulate him/her in this lifetime. Note that those who have had frightening experiences run straight back to the enemy. The enemy will use the individual for an example into scaring others, and in many other ways.

Many of us have been with Satan for centuries of past lives. I asked her about myself and she replied to me "you have always rejected it" [Christianity]. Because of the systematic removal of spiritual knowledge, few of us are really open and aware to what is on our own soul and the souls of others. Regardless of where one's soul was at in former lifetimes, when one performs the Dedication to Satan, this is very real and permanent. Christian sacraments such as baptism, confirmation, and such are false and non-binding. Satanic sacraments are real.

Some people have a harder time than others do in coming to Satan. For those of us who have been with him through all of our lifetimes, coming to Satan is like a duck coming to water, a bird flying free; it feels so perfect. There is nothing conflicting. Some of us [myself included], when first opening to Satan and studying Satanism, have felt a beautiful, comforting warm glow of energy surrounding us. People who have anxiety, more than likely have past life issues with Christianity and/or other false programs of the enemy. These need to be overcome and performing the dedication is the first step, as once one dedicates one's soul to Satan, this is permanent.

Close associations with the enemy in past lives, such as one being a devout Christian [this can even be worse if the past lives were many], has made one's soul very open to the influences of the enemy; holes so to speak. The enemy then uses certain individuals for their own nefarious purposes. Some people have a more difficult time in coming to Satan than others, but those who have found the truth and who are sincere, can overcome any obstacles. Key indications that one was with Satan in past lives are a very strong desire to be with him again, a higher than average interest in the occult, witchcraft and the powers of the mind and soul, and a very positive feeling when studying true Satanism, and in knowing Satan. Many of us have powers and knowledge that have come from past lives.

I have learned much about the soul, as I have had the privilege of working directly with a few human spirits who are of major importance to Satan.

They do not like to be called "dead." They are very much alive, alert, and aware, with their same personalities, character traits, likes, dislikes, emotions, and everything else they were in their physical lives here. The only thing is they do not have a physical body yet. Reincarnation is not the only way one can obtain a physical body. Most people reincarnate because those souls who are without a body do not eat, they do not sleep, and basically, they stagnate. It is very boring for them. The soul can enter the body of a living being, [as the one I have been working with does with me], and enjoy physical pleasures such as eating, touching different things, and anything else physical. The soul by itself is also able to feel sexual orgasm. Sexual orgasm is not only physical, but is also spiritual, as when orgasm occurs, the chakras open, and this is one of the main reasons the Christian churches are and always have been against sexual pleasure, it is a spiritual thing, not physical, that they are against, as they work to destroy all spirituality.

Also, one does not obtain power through or after one's physical death. We take ourselves with us, our personalities, our abilities and one's spiritual power. Hell is dimly lit, from what I have seen of it. Lilith told me this is for two reasons; one being to protect the souls who are there and for another, light is power. Satan's side has been deprived of power. They lost a battle, though, not the war.

The experiences in death are highly individual. People who are vulnerable to the enemy, as I wrote of in the above, are at the mercy of the enemy. All of this has to do with past and present lives. There are others who for whatever reason, often an important issue, refuse to move on and remain as ghosts and stay here on earth. As I wrote of before in a sermon on ghosts, there are often serious unresolved issues such as one being murdered and others not knowing, one's corpse not being properly buried and such, as it matters to the individual. Others just go to the astral. Much has to do with one's spiritual beliefs if any, as one ties into corresponding energies. Satan protects those who are dedicated. The goal of Spiritual Satanism is physical and spiritual perfection and immortality, so you don't have to die and reincarnate, and forget everything you learned in this life all over again.

Satan takes care of his own. I asked a VIP human spirit of whom I have been working with, what happened when he died [after he fell to the floor following his swallowing of a cyanide capsule]. He told me four of our Gods showed up, took his astral hand, lifted him from his body and took him to Hell where others he knew who had passed on were already there and where he has been secure, safe, and very protected. Another VIP spirit who also swallowed cyanide was escorted this way. The VIP spirits have been segregated, as they are given extra protection.

A woman that a family member of mine worked with related her fears, years ago, concerning her husband seeing Demons on his deathbed. These were the messenger Demons; the gargoyle types and he was frightened. Again, at some point in a past life, his soul was of Satan, and Satan took responsibility for him. These Demons are there for the protection of Satanic souls to ensure they are not abducted by the enemy, by going to the light.

An essence is like a trace of energy left behind as with a violent death, so-called "haunted houses" and that sort of thing. An essence is just energy. An essence does not have a personality, emotions, or awareness.

I have seen Jew lying filth teachings that those who have passed on are "empty shells." Nothing could be further from the truth. Thanks to this sort of thing and the Christian churches, which are their major tool, many of those who have passed on are forgotten by their families, and survivors; due to spiritual knowledge being systematically removed. Survivors visit the empty corpse at the gravesites and don't know how to contact and communicate with their loved ones on the other side who haven't reincarnated yet. The physical body is dead, but the soul lives on and is not dead in any way.

As for endless questions concerning suicide, suicide should be a totally last resort, as many problems can be overcome through meditation and directing one's energies. There are certain cases where suicide is the only answer, such as facing torture or worse, where there is NO other way out possible. The Powers of Hell want us to live. The enemy tries to get people to commit suicide.

The experiences in the above article are not just my own, but of other dedicated Satanists who have also confirmed their own experiences regarding Hell and working with those who have passed on and are now in spirit form.

## Coping With Christians

Note: for those who are new, xian/xianity = Christian/Christianity

I got into astrology early- in my pre-teens and was reading charts when I was in my mid-teens, along with the Tarot and reading palms. My point in writing this is I was relentlessly attacked by Christians for my knowledge of and belief in the Tarot and astrology. They really prey upon teens. I couldn't cross the street downtown without being accosted by Christian filth stopping me and harassing me. Back in those days, there was little serious opposition to that scum, and I certainly didn't know what I know now. This was all a learning experience for me though.

Christians, like most other vile individuals who attack others are always more secure when they are with other xians and not alone. My eldest son and his friends really gave this xian street corner maggot a hard time when they were accosted [like nearly everyone else...minding their own business]. They formed a circle and began mocking him. In situations like this, that xian 'faith' goes out the window, and the xian gets insecure real fast, especially when alone.

I have heard and experienced so much endless crap before coming to Satan, where I really began to confidently fight them. I have learned different ways to deal with them if you are pushed into it. I, myself have a real short fuse with the deluded scum. One idiot who obviously can't read [I have anti-xian signs on my front door], tried to harass me anyway and the stupid deluded idiot almost had a heart attack, I got so mad.

In dealing with xians, there are certain things you can reply with, if you have the time, patience and wish to argue with them.

1. I have heard this tactic ad nauseum over the years and it is a psychological game that vile individuals play when trying to coerce another person into believing as they do. Unfortunately, although this is used by xians relentlessly, others use it as well.

It goes like this:

You are not happy because you don't have the same belief system...you aren't 'saved' and that sort of thing. You get the general idea. Ok, every single thing in this person's life goes beautifully, They have total control over their life and destiny and are blissfully happy at all times because of their belief system. Anyone who swallows this crock of shit needs a serious reality check to say the least.

The truth is, unless someone is completely insane and in total denial of reality, everyone and everything on this earth has problems. Yes, there are degrees of problems and suffering, but no one is unscathed by this. Expert interrogators know this, as well as psychiatrists and others who work with human psychology. Everyone has their weak point. Everyone has a point where they will crack given it is found and played upon. Everyone has a Saturn. Everyone experiences Saturn transits and hard times. There are people who are very adept at hiding their problems and pretending to be happy to the world. Remember this. This is not to say that one cannot be happy. My point here is xians use this shit to try to coerce others into believing as they do, while pretending everything is fine in their lives. All this takes to see the real truth is a little investigating and awareness, especially of their astro chart and you will find they have problems too.

2. Ask any xian who is accosting you and pushing their filth... How many people did Satan MURDER in that damned bible? Where are the scriptures???? Now, given my experiences with these deluded idiots, they keep on that 'the Devil was a murderer and a liar from the beginning.' Ok, so who was a murderer and a liar? Jehova, that's who! Look to the old testament for PROOF. <http://www.exposingchristianity.com/>

Quote the scriptures to these deluded idiots. Here is just a few of many:

Numbers 31:7 And they warred against the Midianites, as the LORD commanded Moses; and they slew all the males.

31:8 And they slew the kings of Midian, beside the rest of them that were slain; namely, Evi, and Rekem, and Zur, and Hur, and Reba, five kings of Midian: Balaam also the son of Beor they slew with the sword.

THIS TRULY EVIL ENTITY EVEN TORTURED TO DEATH AND MURDERED HIS OWN SON

[Of course, we know the nazarene is fictitious, but when speaking to xians...]

MORE:

Deuteronomy 7:1 When the LORD thy God shall bring thee into the land whither thou goest to possess it, and hath cast out many nations before thee, the Hittites, and the Girgashites, and the Amorites, and the Canaanites, and the Perizzites, and the Hivites, and the Jebusites, seven nations greater and mightier than thou;

7:2

And when the LORD thy God shall deliver them before thee; thou shalt smite them, and utterly destroy them; thou shalt make no covenant with them, nor shew mercy unto them

Then, the crap they spew about 'blood sacrifice'

Exodus 23:18 Thou shalt not offer the blood of my sacrifice with leavened bread; neither shall the fat of my sacrifice remain until the morning.

PRETTY OBVIOUS.

3. They incessantly state that 'the Devil hates humanity.' Ok, their bible also is proof on this one. Both that filthy nazarene and crud jewhova hate humanity blatantly. Anything of humanity is a 'sin.' Look to their filthy bible for proof on this. They can try to rationalize and warp the truth, but it reads what it reads. Damned near everything of human nature and natural law is a 'sin.'

Copy of a Catholic Confession Primer

Also, their 'Devil' is supposed to be artificial. Is there ANYTHING in xianity that supports natural law? Also, their 'Devil' is supposed to be all material and non-spiritual. Is there ANYTHING of xianity that IS spiritual? NOTHING!

4. They have repeated ad nauseum...'the Devil deceives...' 'He deceiveth all of the nations...' Well, all of the nations are either xian or muslim and of course the kike root of this malignant filth. Look to the REAL LIAR:

2 Thessalonians 2:11

And for this cause God shall send them strong delusion, that they should believe a lie: 12 That they all might be damned

Genesis 2: verses 16-17 reads: "And the Lord God, commanded the man, saying "of every tree of the garden thou mayest freely eat: (17) But of the tree of knowledge of good and evil, thou shalt not eat of it: for in the day that thou eatest thereof thou shalt surely die."

According to the Bible, the man, Adam, did not die in the day that he ate from the forbidden tree. For the Bible says that Adam and Eve were expelled from the garden and; Genesis 5: verse 5 reads: "And all the days that Adam lived were nine hundred and thirty years; and he died."  
[The above two paragraphs were taken from: [http://www.infidels.org/library/modern/emmett\\_fields/word\\_of\\_god\\_debate.html](http://www.infidels.org/library/modern/emmett_fields/word_of_god_debate.html)]

Ezekiel 14:9 And if the prophet be deceived when he hath spoken a thing, I the LORD have deceived that prophet, and I will stretch out my hand upon him, and will destroy him from the midst of my people Israel.

5. They harp on about how 'the Devil enslaves' and all of their deluded endless crap. Satan never enslaved anyone. Look to their old testament on this one as well.

The nazarene not only ADVOCATED SLAVERY, but encouraged and condoned the abuse of slaves:

Luke 12:47

And that slave, which knew his lord's will, and prepared not himself, neither did according to his will, shall be beaten with many stripes.

Ephesians 6:5 Slaves, obey your earthly masters with deep respect and fear. Serve them sincerely as you would serve Christ.

Xianity with its Jewish root has been the cause of nearly every war fought throughout history. 'Onward christian soldiers.'

There are some xian fools who might wake up. There are others who are a complete waste of time. And wasn't the nazarene a human sacrifice?

Subject: Information and some notes on things.

It has been days I was planning to make a post, as this is important.

As it seems, we will live to see the Vatican get destroyed. This is an epic win from our side. This, thanks to some True Warriors and faithful people who have been relentless in assaulting the jewtican. In this we are together by the Gods. There are some of our people who are loyal to what we do and loyal to the Powers of Hell. These people are the most important here, those who get their energies in the line aside with the energies of the Gods. Depending on your effort, Satan will reward you, many times not in expected ways of 'calmness' or some Lamborghini- but a life worth living, full of meaning, you will escape fate in the end and become a total God of your own self.

Satan does the hardest thing. When one advances very far in Satanism, they will see the message of inner transformation. Satan has been here and protects us all. You need just 5 minutes to realize how far the global jewery would have went without opposition. We would be numbered cattle, sex slaves, servitors of the jews and even worse. If anyone would ever even think of rebelling, they would drop dead as there would be total control and total spiritual tyranny, given none of us would have any power/knowledge to escape/change things. Thankfully, we will not live this horror since our side has been hitting spiritually relentlessly, for centuries, our common enemy.

People, ideologies, beliefs, strong individuals, money, all this together, could never get the enemy out of their place, as they owned it all. Infact without us this world would have been a total freak show. Satan and the Gods did not let this happen. Its then acceptable and respected to have the fucking gut to follow them and help them in what they do. Its basically the least we could do. The Gods are too generous.

We will be free if we keep on the war and this will be our world soon. I have nothing to say for our Loyal people, as these people get rewarded beyond what most people will ever know. And down the road....many things await these people. But above all, their own Satanic Conscience is satisfied in what these people do. They will learn the Truth and become Gods.

Now, there are other people who are supposedly Satanists and do not fight, at all. They sit by, they are exceptionally arrogant and want all things in their plate. Positions and comforts are all that matters to them. They get lost in doubt, in bullshit, succumb in the most stupid attacks. All this against their own interest. These people place their personal lives in the middle of the universe like its so important they breathe. This is not my personal problem with them, but Satan is quite displeased by these people. Selfishness and not giving a shit about the Gods and what we are facing, lazyness and scratching one's butt, or even worse, expecting someone else to do this, is just fatal in Satanism. What I do here is, I make a warning. You are in the psychic chain with other SS. If you do not give a fuck for yourself, or mediate (Number 1 responsibility in SS) you are hurting our side severely. What this means is, do your job as a Satanist. All this in accordance to your own speed etc. You get what I mean here.

Satanism is not a religion of stupidity where everyone can sit their lap for years, without devotion, without power. Satan opens a very important door and you will need to move past this. If people want to succeed then we need power, determination, organization and above all, placing common goals highly in our lives. Because these are to our interest in the end. This is something to be kept in mind. Satanism is like Nazism, both about reaching the stars personally, but to support and evolve as a whole to get there.

The days to sit lap are over, as events require we evolve and take responsibility, all in our own track. I am not referring to people who are aware and tuned in, neither for people who just joined. I am talking about certain people, who are lukewarm and don't care all that much. If we want to rule the world and take it as our own, petty desires, petty petty problems between SS, petty personal issues, all these need be consumed and let our True Self emerge. Find your weaknesses, work to fix them and meditate. In time your True Self will unveil and you will be deprogrammed, ready to take your place in a True and Fair world. Not this piece of shit jewish batshit world.

Keep striving and remember, this is the path of the Strong. Many times we wonder why things aren't easy or this or that. Infact you cannot buy or win experience and strength from an easy life. Neither maturity. The attacks and all these things, your breakthroughs, your failures and wins, all these shape a powerful God if you are close to Satan and drive your life at his side. Down the road you will be far, far better than you ever was. You can see this in contrast to those who are without. How empty are they? Does it get emptier? Trapped in their own fucking mind. Look at yourself. Even if you joined a week ago, you are more powerful, uplifted. Satan invests in your being, in your inner power, what you have within and what will remain with you forever.

Keep going, keep hitting, keep evolving, keep advancing, keep winning and have the bravery to become the greatest you can be. Have a fucking iron will, be exceptional and destroy the rotten. Satan looks up to you as you look towards him. This is never to be forgotten.

These people are the most important here, those who get their energies in the line aside with the energies of the Gods. Depending on your effort, Satan will reward you, many times not in expected ways of 'calmness' or some Lamborghini- but a life worth living, full of meaning, you will escape fate in the end and become a total God of your own self.

You need just 5 minutes to realize how far the global jewery would have went without opposition. We would be numbered cattle, sex slaves, servitors of the jews and even worse. If anyone would ever even think of rebelling, they would drop dead as there would be total control and total spiritual tyranny, given none of us would have any power/knowledge to escape/change things. Thankfully, we will not live this horror since our side has been hitting spiritually relentlessly, for centuries, our common enemy.

These people place their personal lives in the middle of the universe like its so important they breathe. This is not my personal problem with them, but Satan is quite displeased by these people. Selfishness and not giving a shit about the Gods and what we are facing, lazyness and scratching one's butt, or even worse, expecting someone else to do this, is just fatal in Satanism. What I do here is, I make a warning. You are in the psychic chain with other SS. If you do not give a fuck for yourself, or mediate (Number 1 responsibility in SS) you are hurting our side severely. What this means is, do your job as a Satanist. All this in accordance to your own speed etc. You get what I mean here.

If people want to succeed then we need power, determination, organization and above all, placing common goals highly in our lives. Because these are to our interest in the end. This is something to be kept in mind. Satanism is like Nazism, both about reaching the stars personally, but to support and evolve as a whole to get there.

I am talking about certain people, who are lukewarm and don't care all that much. If we want to rule the world and take it as our own, petty desires, petty betty problems between SS, petty personal issues, all these need be consumed and let our True Self emerge. Find your weaknesses, work to fix them and meditate. In time your True Self will unveil and you will be deprogrammed, ready to take your place in a True and Fair world. Not this piece of shit jewish batshit world.

Subject: New Sermon

**IT IS IMPOSSIBLE TO MIX CHRISTIANITY WITH NAZISM!**

Communism is the Jewish political twin of Christianity. On the other hand, Christianity of any persuasion cannot be reconciled with true National Socialism.

National Socialism is Satanism's political twin. During the time of Hitler and the Nazis, "Satanism" was called "Paganism." Back then, it was rare that Satanism was called Satanism, due to the power the Christian Churches held back then.

Everything in the Christian faith is at odds with Nazism, as Nazism follows Nature's Eternal Laws [Satan's Laws], while Christianity follows a totally unnatural form of government and useless pseudo-metaphysics. Everything that the Christian religion believes to be "spiritual" is simply pure Jewish materialism without anything spiritual about it. Like Communism, Christianity was the Jewish tool used by the Jews to remove all true spirituality.

There are a few deluded idiots who cannot see this, but the plain, unpainted truth is that Communism/Marxism/Bolshevism and Christianity are inseparable. One doesn't have to believe in Christ to be a Christian at heart, just like one doesn't have to be an active member of the Communist Party to be a good Communist. Those people who find it easier to gravitate towards Communism are more prone to Christianity and Christian principles, rather than of National Socialism, which is of Satan.

National Socialism isn't anything new, nor was it merely an invention of the 20th Century C.E. It is of Satan and the Powers of Hell [ORION/ARYAN]. Nazism is as old as ancient pre-Christian Paganism itself, as it is the government of Nature and her infinite wisdom. As High Priestess Maxine Dietrich has noted, "Satanism" is a collective label for the Gentle pre-Christian Pagan religions, and that Christianity is therefore, a reaction to Satanism. In more recent events of Gentile history, it was Adolf Hitler who resurrected the politics and the spirit of Nordic/Aryan Paganism, which is thousands upon thousands of years older than Judaism, Christianity, and Islam, and is today known as Satanism.

With the quotes listed below, you will see that there is no such thing as an "Aryan Christianity," nor is there any such thing as a Satanism that tolerates the Jews in any way, as Jews and Gentiles have ALWAYS been cosmic enemies, and it's either us or them in this war. A "Satanist" who has any tolerance towards the Jews is like a "Satanist" adores the Pentecostal Church. You cannot mix water with electricity without a hazard; hence why Satan has a zero-tolerance policy towards the Chosen of "God."

All of the quotes used in this sermon come from the book *The Swastika Against the Cross* by Bruce Walker. My words are in brackets.

"The political victory can only follow if the fight is concentrated against the fewest possible enemies -- for the time being, the Marxists and the Jews. Then will come the Reaktion, and the end of that will mean the end of the Christian Church... Whether it's the Old Testament or the New, or simply the sayings of Jesus...it's all the same Jewish swindle... We are not out against the hundred and one different kinds of Christianity, but against Christianity itself." -- Adolf Hitler

"Jesus Christ was only a man, and a Jew to boot. Why shouldn't I, who am more powerful than Christ, and who am able to be much more helpful than he -- why shouldn't I have the right to establish a new dogma for the Church?" "I must, therefore, eliminate any kind of sickness, and I consider the sentimental feeling for Christianity as a kind of mental sickness." -- Adolf Hitler

"Nazis in general considered Christianity a "soul malady," "foreign" [alien], and "unnatural." Heinrich Himmler despised Christianity and members of the SS had to renounce their Christian faith and formally become agnostic in order to become a member of the Schutzstaffel. Himmler wrote: "How different is yon Pale Figure on the Cross, whose passivity and emphasized suffering expressed only humility and self-abnegation, qualities which our heroic blood utterly deny... The corruption of our blood by the intrusion of this alien philosophy must be ended."

"The Judenfibel, a schoolbook filled with hatred towards Jews which was used to teach in Nazified German schools, not only attacks Jews, but states: "The teaching of mercy and love for one's neighbor is foreign to the German race and the Sermon on the Mount is, according to Nordic sentiment, an ethic for cowards and idiots." "Hatred of Jews and hatred of Christians went hand in hand with the Nazis... Nordland, a Nazi magazine, called the Sermon on the Mount "the first Bolshevik manifesto."

[The Nazis also committed the "unpardonable sin" against the Christian religion: the denial of the "holy ghost." They viewed Christianity of any and all denominations as being just as much of the enemy as Judaism itself].

"University Nazis in Keil wrote in 1935: "We Germans are heathens and want no more Jewish religion in our Germany. We no longer believe in the Holy Ghost; we believe in the Holy Blood."

[Gentiles carry Satan's sacred bloodline that must be preserved. This is an important part of Satanism for each Gentile race].

"Nazis published books with names like "Jesus Never Lived" and pamphlets that said "If Jehovah has lost all meaning for us Germans, the same must be said of Jesus Christ, his son... He certainly lacks those characteristics which he would require to be a true German. Indeed, he is as disappointing, if we read his record careful, as is his father."

"Jacob Marcus in his 1934 book by the Union of American Hebrew Congregations notes that "Though his parents were Catholics, Hitler himself has apparently no interest in any organized religion"... Marcus also has an entire section in his book about Nazi "anti-Christian anti-Semitism" which points out (as many other authors did) that hatred of Jews and of Christians were inseparably linked..."

"I insist on the certainty that sooner or later, once we hold power, Christianity will be overcome. Of course, I myself am a heathen to the bone." -- Adolf Hitler

"In 1940, M.W. Fodor, in his book, *The Revolution is On!* writes that "National Socialism also revived the persecution of the churches, surpassing all other revolutions in its anti-clerical attitude. The 'godless' in Russia have enormous organization, but there were only a few instances of organized violation of the sanctity of the churches. In Germany not only Christians but Christianity is being persecuted."

[So-called "Positive Christianity" was a means to an end of Christianity. The removal of the crucifix and the removal of the name "Christ" from everything, as well as the restrictions against Christian worship, in favor of Wotan/Odin/Satan and his Demons/the Nordic Gods is hardly Christian. "Positive Christianity" was a TEMPORARY program to wean the Germans off of Christianity altogether and return to the natural ways of Paganism [as has been written about by Catholic and Christian priests during the 1930's to 1940's], which today is called Satanism. The Swastika, the oldest solar symbol of the Aryan Pagan tribes, replaced the Nazarene's cross, which marks a Jewish religion that is less than 1,000 years old.

The Catholic Church, which is the Jewish seed of the Christian faith, dealt constant blows from the Nazis. However, since the Nazis hated Christianity altogether, the Protestants were beaten down just as hard. The Nazi Party chose certain members to pretend to be Christians for a time in the Christian Churches in order to have the Gestapo arrest as many real Christians as possible].

"What happened to Catholics happened to Protestants: The Deutsche Christen, or "German Christian" movement sponsored by the Nazis to oppress real Christianity, as Power wrote concerning early 1933: "Not long later the state seized the opportunity to appoint a Dr. Jaeger, a fervent follower of the Deutsche Christen, as head of the Evangelical Church in Prussia 'to restore order.' This he did by importing numbers of secret police and arresting a number of pastors." "In Prussia, the largest state by far in Germany, the Nazi response to serious Christians was almost from the beginning to call in the Gestapo."

"What sorts of things did Christian clergy endure early in the Nazi regime? In 1935, Schuster wrote: "Recourse was had to a veritable reign of terror, the history of which cannot yet be written. Throughout Germany, orthodox pastors and their congregations were harassed by secret police and bands of S.A. Even funeral processions were broken up, and violence was witnessed even in the very

houses of worship."

"Black wrote that: "...The Reich has not limited its anti-Christianity to official pronouncements. Schools, hospitals, and other institutions of the Church are being confiscated; a 'religious' instruction based on Germanic neo-paganism is being introduced; and the elimination of Christian influence from the education of the youth, and from the cultural life of the German people is continuing apace. In February 1936, nearly all the leaders of the Catholic Young Men's Association of Germany were arrested on the charge of having organized in cooperation with the Communist Party a secret plot against Hitler."

[Adolf Hitler was Pagan/Satanic; NOT "Christian!" The reason why some confused individuals have come to the conclusion that Hitler was a "Christian" is because if the Nazis hadn't hidden the information about their actions against Christianity to the outside world, nor paid occasional "lip service" to Christianity, which was more powerful at that time than it is now, their foreign relations would have been greatly jeopardized. Being against the Jews is not "Christian" by any stretch of the imagination, and this scares the life out of some people who think they are "Satanists" but sympathize with the Jews.

The Christian Bible is filled with hatred towards non-Jews and it contains dire warnings against "persecuting" [extracting justice from] the Chosen of "God." The Jews who play both sides to everything imaginable, work to confuse the "Goyim" in every possible way. The Jews who pretend to be "victims" of Christianity are a prime example of playing the role of victim of the very kosher institutions that they created in the first place. On the other side, other Jews will admit that so-called "anti-Semitism" is against Christ and his kike scumbag teachings].

"On November 4, 1936, the Nazis ordered the removal of crucifixes from schools in the Oldenburg area on the grounds that these were "symbols of superstition." This order was rescinded only after Nazis were faced with determined local opposition. Then, in what would become a typical practice, despite rescinding the Nazi prohibition of these "symbols of superstition," in December 1936 Nazi bureaucrats simply removed crucifixes anyway in Munsterland. When Christians replaced them in some schools, they were arrested by the Nazis."

"...Nazis smeared excrement on church altars and church doors, desecrated shrines, and threw statues of saints into dung piles; and when synagogues were not available to attack and loot, churches were often the target with Nazis yelling: "Down with Christians and Jews!"

[For the record, the Nazis didn't only attack the Christian Churches, but the whole Christian religion from top to bottom. For Christian Identity people out there who don't believe in "Judeo-Christianity" but a Christianity that is separated from the "Judeo," you will be in for a rude awakening when the Fourth Reich is established. As I have repeated many times in this sermon, the Nazis were against Christianity itself, and it is IMPOSSIBLE to de-Judaify Christianity].

"What sort of things did the Hitlerjugend teach about Christianity? Power reports that the lines handed out to Hitler Youth teaches which he saw included: "Christianity is a religion of slaves and fools." "How did Christ die? Whining at the Cross!" "The Ten Commandments represent the lowest instincts of man," and "Christianity is merely a cloak for Judaism."

[In closing, the facts contained in that last quote fly in the face of the anti-Nazi zealots who try to say that the Nazis taught the Hitler Youth to "hate the Jews for killing Christ."

Since being against the Jews comes from Satan, their Adversary, what does the Christian "God" have to say about the Jews?

"For you are a people holy to the LORD your God; the LORD your God has chosen you [Jews] to be a people for his own possession, out of all the peoples that are on the face of the earth" (Deuteronomy 7:6).

"For the LORD's portion is his people [Jews], Jacob his allotted heritage. He found him in a desert land, and in the howling waste of the wilderness; he encircled him, he cared for him, he kept him as the apple of his eye" (Deuteronomy 32:9-10).

"For thus said the LORD of hosts...he who touches you [kikes] touches the apple of [my] eye" (Zecharia 2:8).

[Christ speaking]: "Salvation is from the Jews" (Matthew 4:22).

The "God" of Judaism, Christianity, and Islam is beyond any doubt a Jewish supremacist, and hatred towards and the desire for vengeance from the Jews only come natural to the Satanist who is indeed a real Satanist].

Like Communism, Christianity was the Jewish tool used by the Jews to remove all true spirituality.

As High Priestess Maxine Dietrich has noted, "Satanism" is a collective label for the Gentle pre-Christian Pagan religions, and that Christianity is therefore, a reaction to Satanism. In more recent events of Gentile history, it was Adolf Hitler who resurrected the politics and the spirit of Nordic/Aryan Paganism, which is thousands upon thousands of years older than Judaism, Christianity, and Islam, and is today known as Satanism.

"Positive Christianity" was a TEMPORARY program to wean the Germans off of Christianity altogether and return to the natural ways of Paganism [as has been written about by Catholic and Christian priests during the 1930's to 1940's], which today is called Satanism. I found this article and I'm wonder what you guys think about, I'm hoping for a reply from HP Don on this

<http://www.yogajournal.com/wisdom/927>

Bringing ida and pingala into equilibrium is a major focus of hatha yoga—so important, in fact, that the term hatha symbolizes this balance. Although the word hathaliterally means "forceful" in Sanskrit, it is composed of haand tha, two esoteric bija (seed) mantras that have arcane meaning and power. Ha represents the solar qualities, the vital force, of pingala; tha represents the mind and the lunar qualities of ida. Balancing sun and moon, or pingala and ida, facilitates the awakening and arising of kundalini, and thus the awakening of higher consciousness. In fact, some yoga teachings hold that as long as either ida or pingala predominates, sushumna stays closed and the power of kundalini lies dormant.

The most powerful method of balancing ida and pingala is Nadi Shodhana, alternate-nostril breathing. (Literally, the Sanskrit means "nadi cleansing.") This practice is effective because the ida nadi is directly connected to the left nostril, and the pingala nadi to the right. A few rounds of this basic pPranayama technique at the end of an asana practice are an excellent way to help restore equilibrium between the two nadis and to compensate for any imbalance you may have inadvertently caused during your practice.

Subject: Useful links; mudras, pranayamas and a few other things

Firstly, Bhakistra Pranayama was suggested to me by a friend, and it is very useful. You can search up on youtube how to do it.

Remember: "Man in his essence is with the infinite, unlimited creative power some people call God."

---

Below are useful links for mudras, Kryias, pranayamas, mantras (which I'm not sure are legit and would appreciate few back on) and meditation postures.

I'm not sure if everything is legit, I tried a few and they were quite powerful. I've got a few more, but ill post them later because I've got to get back to my research

Mudras

Tuesday, August 13, 2013 Israel's Undisputed Role in Training Middle East Terrorists

With the recent controversy surrounding decisions by the "secret Congress" and White House to openly arm, train, and assist the death squads wreaking havoc across Syria (commonly known as the Syrian "rebels" in more mainstream circles) truly informed observers have been well aware of the American, NATO, and generally Western backing of the terrorists ever since the beginning of the Syrian destabilization campaign that went live in late 2011.

The fact that Anglo-American powers[ my note Jewish elites and their lobbies of control from banks to media to governments] have acted as directors of the death squads in terms of organization, funding, training, and supply has been known for some time. I, myself, have written several articles on this topic as well as on the fact that the intent to organize death squads to destabilize Syrian on behalf of the Anglo-American powers was known to exist at least as far back as 2005.[1]

The Israeli desire to destroy Syria has also been readily apparent[2] through the numerous attempts by the Mad Dog of the Middle East to encourage bombing, military action, and outright invasion of Syria whenever the opportunity to ride the coattails of some engineered propaganda blitz presents itself. Indeed, Israel, always ready to fight to the last American, continually promotes and threatens to engage in unilateral military assaults against any number of its neighbors or other regional nations, even approving the direct bombing of Syrian targets on more than one occasion.[3]

Yet, in addition to such brazen warmongering and rogue behavior, Israel has also become instrumental in the funding and facilitation of death squad terrorists in both Syria and the rest of the Arab world.

What's more, the Israeli establishment does not seem to feel the need to hide its support for terrorism which, in this specific instance, tends to take the form of mercenaries. Indeed, the Israeli terrorist trainers actually appear to be quite open about their efforts.

For instance, in a 2011 report conducted by The Media Line,[4] an international news organization which focuses on the Middle East, Arie O'Sullivan was able to film an Israeli-run terrorist mercenary training camp, complete with interviews, on-scene narration, and ample video footage of actual training taking place.

As the report begins, one can see a multicultural group of men Arabs, Africans, Europeans, etc. dressed in typical Arab clothing, riding camels, and taking part in tactical training.

"The men on these camels have been training for the past week to operate in the Arab world," O'Sullivan says. "They dress as Arabs, even take a ride on a desert Ferrari [camel] and learn rudimentary phrases that will allow them to do their job. They have come to Israel to learn from former members of the country's secret services."

The report continues by saying,

On this training base, run by the International Security Academy Israel, they are tapping into Israel's unique experience in dealing with these threats and learning counterterrorism techniques in convoy and [VIP? ] protection. The changes in the Middle East may be dubbed the Arab Spring but, to continue with another metaphor, it's about to get hot.

Out here far away from prying eyes, a group of personal protection specialists have come to Israel to learn about the Israeli tactics. Their background is diverse from police to military officers even a former French Legionnaire. They will go on to work for governments and private security contractors. In an interview with one of the "students," the future mercenary stated, "Only the best can train here with the best. I have this feeling that I was . . . something like was bringing me here . . . something was like `Go. Go and do it now.'"

Another mercenary who was interviewed, stated, "Well, I learn a lot because Israel have bring up a standard of training that everyone in the world will have to emulate from them. And, with this, as I'm going back, I think I will take what I have learned in Israel, to impart on my fellow colleagues."

The narrator then adds, "But it's an expensive program, costing upwards of \$2,000 Euros a week. But this can be a lucrative profession, earning thousands of Euros a day. Just don't call them mercenaries." Still, O'Sullivan ends by saying, "This line of work is one of the oldest in the world. Still, it seems like it is always in demand."

A mercenary who appeared to be from Singapore, named Venky Raman, also chimed in. "Some of those dictatorships governments have fallen basically. And that's going to create new chaos and confusion in the market. And that's also going to create some instability in the market. So that's why I think we're getting more of these incidents and terrorist attacks and such going to happen."

While the individuals seen in the clip mentioned above are largely mercenaries who themselves either train the dupes and deviants who take on the role as cannon fodder for Jihad, only engaging in limited combat operations, it is clear the only allegiance they have is to the almighty dollar.

Ironically, however, the individuals who make up the bulk of death squad invasions across the Arab world religious fanatics, savages, and the criminally insane maintain an open hatred for Israel. That is, those death squad members at the bottom who are either ignorant of the fact that Israel itself is a major backer of their own movement or those wholly incapable of understanding anything other than what their faction leader has told them are caught somewhere between tragedy and farce.

In the end, the Syrian people are the real victims. But even the death squad members, with fantastic dreams of a caliphate, Sharia law, and fanatical paradise, are nothing more than victims of a much bigger agenda, as Israel and the West laugh all the way to the bank.

Devil Worship and the Right and Left Hand Path

This article is not a commentary upon current ideologies, terms and reactions of which the above terms are now consumed. Nor it is a commentary upon biological sex and the Communistic ideologies around it with plague our society. The concepts within transcend all such profane, interpretations. And are based upon an eternal Cosmology.

The worship of the serpent is the oldest religion on earth its documented to be over 70,000 years old. Before it was a man or woman upon the cross or tree[ as Inanna hung on the pole.] It was a serpent hung upon the tree or cross. And resurrected three days later. Hence why the Pagan, solar God is called the Good or Shining Serpent. Such as the Agathodaemon. A title of our God:

<http://groups.yahoo.com/group/JoSNewsletter/message/451>

The term Devil is documented to come from the Sanskrit: Devi . As Sanskrit is the root of all Indo-European languages. And the portrayal of the Devil as the serpent is apt as the final proof of this. In the ancient world the Devi [Goddess] represents the serpent power. It was custom from Egypt and on, to depict the serpent in the hieroglyph form of a women. Eve also means serpent. In the East there are images of a naked women, under a tree holding an apple as the symbol of the Magnum Opus.

This is why the sacred serpent, Sophia was depicted as female. Even the Templar sign of the Magnum Opus was the lady Sophia holding the books of life with the sacred ladder in front of her. The Baphomet [of which Baphomet means Sophia in the Templar cipher] head of the Templars that was found. Show it to be made of silver and to be the head of a women [Virgo the Virgin] with red and white silk cloth tied together. Within the head is the Templar code of M58 which means perfected life. As shown the Templar's where of the Pagan religion and from the Druidic Priest families.

The Satanic [Pagan] Templars:

<http://groups.yahoo.com/group/JoSNewsletter/message/231>

Within the Pagan Cosmology we see that Devi is the Logos. Shakti [Devi] is the sound and Siva the form the sound takes.

"Kundalini i[the serpent power] is in the form of the 50 Matrika." Gayatri tantra.

It becomes the form of Siva in the conscious and its form.

The body of the Devi is the 50 petals of the serpentine centers which form the soul. The Panchashanmatrika the 50 sound bija's or sound forms. Which arise out of the Pranava [Logos] AUM. In the East we see that the eternal consort of the God is UMA born out of the God's left side in many cases. Left being of the feminine [Devi] polarity. UMA is an anagram of AUM. Which shows us that Devi is the Logos.

Ma which is feminine and still the root of mother in our language is the origin of Mantra. As this power acts upon the Devi aspect which rules it.

"Mantrika is living power and in the form of mantra." Kamadhenu tantra

Our term of the Left and Right hand path come from the ancient Vedic East. Today its confused to the point of being meaningless. Originally upon the right side of the altar was the image of the sun and upon the left the Pole Star. The Uraeus crown of the Pharaoh has the Pole Star symbol upon it right below the serpent upon the front of the third eye. The Pole star is the symbol of the serpent and Meru or spinal column of which the 50 petals of the Devi exist. Hence: Isis Meru. The Iss rune is of the Pole star. Literally, Meru the Mount Meru axis of the spinal column. The sacred tree in many places was also called Asherah after her for this reason. As symbolically Astaroth represented the Sophia [light of the serpent] or yin aspect of the soul in the ancient world. That rises up the spine to illuminate one to their rebirth or gnosis.

The Sun in Egypt is also shown with the sacred serpent emerging from within it.

Hence why in ancient Hermetic texts the image of the being holding forth both right and left hand was depicted

And why the serpent and sun were also shown together. Even the ancient word for sun being Sunake. The sun is the masculine principal the form of the sound. The sound is the Female principal. When the kundalini is risen transforming the being along with the serpentine centers being perfected. The form of the Devata is produced. There is no difference between the right and left one is form and the other the sound or energy that creates the form. When the sound is perfected to the higher octave the Divine or Devata form is generated. And the being becomes the manifested, Perfected form. They obtain the immortal Ra-inbow body.

We also see the Devi from Kundry of the Grail mythos to Kali or Sekhmet to the Gorgo of primordial Greece, or the Valkyrie in the image of the all consuming serpentine fire of the final dissolution [black stage] of the Great Work across the world. Even within the flood tale. Water is feminine in element. [Hence also the reasons for the numerous relation of the fish images and Mermaid, the serpent power.] From the serpentine fire is the final divine form generated just as a diamond is generated by heat, from a lump of coal. As mentioned with this the purification of the body of gross elements into the solar body of the Devata.

Worship in the ancient world meant workship. Hence why the Tantric initiate worship involved them visualizing themselves as the yantra of the Ishadevata while installing into themselves all the proper mantra's, pranayama's, banda's, mudra's and asana's of which maithuna the union of the energies of the soul take place. The Tantra came down from the Veda period via the Puranic into the later medieval period. Hence it carries the original essence of the ancient teachings and practices. Evola states in "Introduction to Magic." The spiritual practices in Mithraism are identical to those of Tantric [Kundalini] Yoga systems of the East.

The worship of the Devil was the empowering of the serpentine energy of the soul, via the above methods that made up the original 8 fold path which survived in the Tantra. The eight on its side is the symbol of infinity and eternal life. Hence why the serpent, Agathodaemon in many images is shown with its lower body in the shape of the infinity symbol of the eight on its side. With its head raised with a halo around it.

The empowering of this serpentine or Devi energy, which forms the light of the soul. Generates the Devata the perfected divine form and brings one to the Great Perfection and into eternal life. This is where more than likely the origin of the Christian belief that worship of the Devil gives one supernatural powers. Which in reality are the Siddhi's or supernatural abilities that manifest as part of the Magnum Opus. When the souls transformation into the Devata form via the Devi [serpent] power.

Sat-An also means: Shining Serpent also within this meaning is another: Perfected Life. Sat illuminated and An is the prefix of Ananta which is the serpentine, golden ouroboros in the east and means: Eternity. As its the archetypal symbol of the magnum opus. The symbol of the Gold.

The name of the Devata is 'Mantra'.  
Devata the perfected sound and form.

I doubt he actually raised the kundalini. A lot of people in that get some major pranic charges and some awakening experiences then claim enlightenment.

True and its far more than that. I have also wondered a lot of things about the guy and also as far as his experiences go, this is not ultimate enlightenment in anyway. The Serpent can only go so far for outsiders as the mind has never accepted some fundamental Truths about reality all in itself.

If they had, they would have been Satanists. If the Serpent goes more far, then it wrecks their minds because for instance they try to force some bullshit laws on it or nature itself that are completely alien to the Natural ways of the Serpent. For instance they have all sorts of beliefs that tie into xian energies or mindsets. For that reason they are never going too far. In anyway, I think Gopi just had an experience and nothing major.

As a lot of you know, Henry Ford was very anti-Semitic. I read this boom a while back and I thought I should share it for those who don't know about it. I'd appreciate an insight from Fon about Matt and his book.

German Nationalist or Aryan Racialist by Matt Koehl

<http://www.nazi.org.uk/political%20pdfs/Koehl-AdolfHitler-GermanNationalistOrAryanRacialist.pdf>

A short paragraph about Matt from Wikipedia (jewkipedia) - "As deputy commander,[2] in August 1967, Koehl succeeded the assassinated George Lincoln Rockwell as 'Commander' of the National Socialist White People's Party (which had been known until December 1966 as the American Nazi Party).[3] Koehl renamed the organization "New Order" in 1983. Like Miguel Serrano, he was heavily influenced by the writings of Savitri Devi and is an advocate of esoteric Hitlerism, believing Hitler to have been a god-like being sent to rescue humanity – specifically the European peoples – from extinction. He was a very close friend of Florentine Rost van Tonningen."

Hopefully I'll be writing an article about him and his book.

Regarding Matt:

Matt & I have exchanged email over the last decade or so & he is getting up there in age. The level of exchange between us has dropped off significantly over the past few years.

If you want to contact him directly, you can on the web site above.

I'd appreciate an insight from Fon about Matt and his book.

German Nationalist or Aryan Racialist by Matt Koehl

<http://www.nazi.org.uk/political%20pdfs/Koehl-AdolfHitler-GermanNationalistOrAryanRacialist.pdf>

A short paragraph about Matt from Wikipedia (jewishpedia) - "As deputy commander,[2] in August 1967, Koehl succeeded the assassinated George Lincoln Rockwell as 'Commander' of the National Socialist White People's Party (which had been known until December 1966 as the American Nazi Party).[3] Koehl renamed the organization "New Order" in 1983. Like Miguel Serrano, he was heavily influenced by the writings of Savitri Devi and is an advocate of esoteric Hitlerism, believing Hitler to have been a god-like being sent to rescue humanity – specifically the European peoples – from extinction. He was a very close friend of Florentine Rost van Tonningen."

Hopefully ill be writing an article about him and his book.

Henry Ford was a good man with good intentions, but as I stated in my most recent sermon which will go up soon, there is absolutely no such thing as a non-Jewish Christianity. The Jews will pull their stunts to make it look otherwise, but there has never been a pure, Aryan Christianity. Hitler himself made that obvious and stated that he is a Heathen to the bone.

I'm sure you already know this, but there are a lot of confused individuals who haven't even realized that they have been touched by the Jewish plague of Christianity in some way or another. Hitler considered the sentimental feeling not only for Jewish Christianity, but Christianity itself, as a mental sickness. It is.

The occult, black masses at Wewelsburg, desecration of Christian temples and shrines, removal of the Christian Bible and replaced with Mein Kampf, etc; hardly Christian.

Christians who are against the Jews are a walking contradiction, as the part of them that is against the Jews is Satanic, but the whole thing about the Jews are working to destroy Christendom is a lie straight from Jewish Hegelianism.

The claims the Jews where going to destroy Christ in their Protocols. Was a fraud inserted by a Christian Priest. Who inserted the anti-Christian statements into the Protocols at a later point. Which is shown further by the fact the Jews brag about how the Gentiles shit on their God. Well obviously that not Jewsus as the church dominated at the time. There is the confession the Jews have deceived the Goyium into hating our actual Creator God. Satan.

My apologies I forgot to add the information I am referring to and also to detail my specific question..the information is in Madison Grant's Passing of the Great Race, so I am not ignorant of the fact that the "subraces" are descendants of the gods, but what I am asking is where did the Mediterranean and Alpinian races receive there stock genetics, as it is obvious they do not have as much of Satan's genes as the Nordics..so it must be from one of the other god's main gene types..Im trying to figure out who..

There are way too many lies on the holofoax. Despite of the blantly evident info, this video is a good jam on the throats of the holofoax pumpers. These are jewish confessions on how 'bad' it was in the camps.

Here is a nice video to spread, aside from our PDF, holocaustdenial videos etc and everything else.

<http://www.youtube.com/watch?v=dXkXeSn5usg>

They even played football, painting and other events- even had a cantina from where they could buy even cigarretes..

So much of the holofoax lies. I advise anyone to download and save this video, as jewtube will obviously take this down very fast. Please download and distribute this in your channels. These are confessions from jews themselves.

The whole plan of WW2 jewish presecution, was never to kill the kikes as back then, it wasn't the time for this. The first plan was to get them all out of Europe and its rumored they would go to live somewhere far, even Madagascar. Its bullshit, everything they say. For all they have done, they will get more than just a holohoax.

I could not find the vid in English, ignore the Subtitles, and if you upload this, the title translated is: " All the Truth about the Holocaust of the jews. "

I strongly suggest you download this. The video on Black Nazis and these proofs are gone from the so-free-speech-supporting youtube site. After all, they don't care for Truth even historical Truths. All they want is the lie going.

Everyone has to nod their head when the jews drop the 'holohoax' myth around. Its charged with psychic energy after all. Everyone globally. At the same time the Russians and Germans, Greeks [From Pontos Region] and Armenians, Black people in Africa- ALL SHOULD SHUT UP! THERE IS NO HOLOCAUST FOR US AND WE HAVE NO RIGHTS FOR WHAT OUR RACES HAVE UNDERWENT. PURELY KIKE INJUSTICE!

By terminology many, many Races have undergone similiar holocausts in many of which the numbers are multiplied than the 6 million jewish lie. Though the jews are treated like the queens and grills about it. Due to the psychic energy and manipulation they have charged this event with. They won a state, exceptional wealth, and are governing most of the worlds power just because of that lie.

About time this is finished.

Does anyone know if the Portuguese Goddess Trebaruna is Astaroth? And if not what Goddess is her? Trebaruna is the Warrior Goddess of Love, and the most known Goddess in the Portuguese mythology.

Subject: Sermon 8/24/13

There are levels of Satanism. All of these have to do with knowledge and understanding, along with awareness and enlightenment. I know there are quite a few people in these e-groups who do not take Satanism very seriously. Some people are still riding on the teachings of Anton LaVey, but cannot see the underlying theme of his writings. There is an underlying theme in many Satanic writings, that most people tend to miss, as they take the texts at face value, no different from the many legends and such, which are all allegories. Unlike Christianity, where the mentally retarded and the stupid are held in high esteem and revered; in Satanism, idiocy and stupidity are the only real "sins."

Quite often in these groups, some unenlightened, dimwit who has no real grasp of history will spout off about "live and let live." This is gross stupidity and one of the reasons the world is in chaos. Now, does Christianity have a history of "live and let live"? The Inquisition should have some significance to any of these sorts of yokels who state the above and call themselves a Satanist.

[http://see\\_the\\_truth.webs.com/Inquisition.html](http://see_the_truth.webs.com/Inquisition.html)

All the while when the foolish are accepting the indoctrination of "no hate" "love everybody" "accept everyone" and other suicidal nonsense [of course, going along with what one is told makes one's life temporarily easier- ideal for the weak and cowardly]. In other words, do what one is told and believe what one is told to believe and as long as one is not at odds with the current trends of the system, and there is not too much opposition. This is for cowards and is the easy way out. The sheep are being set up for the slaughter and unfortunately, this kind of attitude affects everyone and will be the damnation of everyone, regardless of whether they tie into it or not.

Satan stands for rebellion, knowledge, and freedom and if one is not willing to fight for that freedom, it will not happen. Any idiot who even has the slightest grasp of history should know this. The hidden message in mainstream writings that are pushed by the system, such as that filthy bible, is that "rebellion" and too much knowledge are "evil." Any half-wit should have enough common sense here to know that unless one rebels against tyranny, one becomes a slave and of course, in truth, knowledge is the key to solving any and all problems. Unfortunately, look at how many people

out there actually believe this shit.

Satanism is not about slavish worship. Satan and the Powers of Hell give us knowledge and enlightenment, as our friends. Satan wants for us Gentiles, to be proud and independent. This will not come about of itself. Freedom, independence, and individual rights are from those who have given their very lives, fighting bloody wars for this. You are alive right now because there are cells in your immune system that seek out and destroy harmful invading bacteria and viruses. Now, say your leucocytes, the cells which do this, just had the attitude of "live and let live" and "loved" the harmful invaders; just how long do you think you would last?

Unfortunately, we have the stupid with us, the uneducated [those who are too lazy and unmotivated to do any meaningful book reading or study where it is available], who can't think past what the nefarious system has been programming them with- total drones. Those that pass the buck... this is another "live and let live" in other words, ignore anything "negative." Don't take any revenge or seek out any real justice. People who have this type of horseshit attitude indirectly and in many cases directly promote injustice. This bleeds over into society. Eventually, civilization will collapse. Everyone pays the price for these feeble-minded, personally weak, and cowardly assholes. This goes along with letting crime get so out of hand that people fall into the trap of begging for ultra-strict laws where there are no longer any individual rights and jewish communism then takes over. As in the former USSR, as in Red China today, if you are accused of a crime, that is it. They will torture you in the most sick and inhuman ways to force you to confess to whatever you are accused of. There is no fair trial. Millions upon millions of innocent people have experienced this. Those who survived were turned over to slave labor, under the most grueling conditions of which many never returned. This is the result of "live and let" live and passing the buck. The jew creates the problem and then pushes their own solution- enslavement under communism in the most horrid conditions imaginable. Of course, as with Christianity, there are endless excuses made for communism; both of which are Jewish inventions.

Quotes taken from "Pravda" [The main Communist Party Newspaper and leading newspaper of the former Soviet Union] From the article: Is there any difference between Christianity and Communism? 30/04/2013

"Christianity and communism are very close spiritually and ideologically. This is a fairly well known concept that has been adopted by various thinkers, from Thomas More to Lev Tolstoy. Few people know that the world's first socialist state was established in Paraguay and was based on the ideas of Catholic Jesuits before Marx created his teachings."

"The "Society of Jesus" - the Jesuit religious order - in the Catholic Church was roughly equivalent to the KGB in the Soviet Union."

For more about this- visit this webpage:

[http://gblt.webs.com/Communism\\_is\\_Christianity.htm](http://gblt.webs.com/Communism_is_Christianity.htm)

\*\*

The millions upon millions of innocents tortured and mass murdered under communism is no different from the Inquisition. If one does the study and research, they both followed the very same methods of operation.

"American Newspapers claim that Stalin has been preordained to save Christianity.

-Josef Goebbels

The USA has certainly changed since the mass influx of Russian Jews who fled here when the USSR collapsed. The constitution is no longer adhered to. Civil rights are violated incessantly, in many places, one no longer has a right to refuse medical treatment, and a hospital is much like a prison in the way one must obtain a discharge in order to be released and free. I could go on and on, but one only needs to watch the news and to be aware of all of the violations we are now facing here in the USA against our freedoms. These Russian Jews were given top positions in our Universities, and filled many other key positions where they could carry on with their agenda, while we all pay the price. I remember a video store in the early 1990's with the VHS tapes that was in a Jewish suburb of a major city. There was an entire section of those VHS tapes in Russian. One blatant Jew was in line at the supermarket with a wallet rounded with cash and he paid for his purchase in food stamps. Jewish community centers set this scam up for personal success and the eventual take-over of whatever free countries they infest.

\*\*

“Get the people to demand what you want to impose upon them” “Create a problem so we can step in and solve it.” “Threaten with a severe punishment those who publicly disagree with us and those who question us.” “Discredit those who refuse to remain silent.” “At minimum, it will discourage other people from publicly opposing us.” “Control the media, particularly the news. [Remember, freedom of speech is only half the issue. When we restrict our opposition's access to listeners and we have, in essence, squelched freedom of speech. If we control what is in the print and broadcast media, we can sell our "services" to the masses, and at the same time, the problem of free speech for the dissenters is all but eliminated.] “Always claim the high moral ground, always claim that God is on our side, and always claim that the Devil, himself, is ruling the opposition.”

\*\*

Regardless of the idiots who “live and let live,” pass the buck, and ignore the unpleasant in life, pretending everything is ok; problems will not go away unless we take action against them. You think Christians are going to seriously apply the “live and let live” attitude towards you as an open Satanist? Truth be known...when they are finished torturing you, they will kill you. THIS IS A HISTORICAL FACT.

The clever Jews take control of both sides; opposing sides, and then they work the both sides to result in their communist agenda. I am forever shocked by the idiots who foolishly equate Jewish communism with equality, brotherhood and individual freedoms. In truth, it is very much like the Old Testament laws. There was no free sex, fornication, or nudity in the USSR. Any of these, along with homosexuality would result in one being sentenced to the gulag. Deluded Christians rant and rave about the “removal of God” from communist countries, in that the basis of communism is atheism. This again is a Jewish tactic. Christianity prepares the unsuspecting populace for communism. The entire Bible is a foundation for communism from the Old Testament to the teachings of the Nazarene. Communism fails, as it did in the Eastern Bloc and Christians are back there like fleas on a dog, indoctrinating the populace with and enforcing their spiritual communism. Get rid of one problem and the Jews ensure you have another. Tweedle dee dee and Tweedle dee dum- Christianity and Communism: Jewish Twins [http://see\\_the\\_truth.webs.com/Xianity\\_and\\_Communism.htm](http://see_the_truth.webs.com/Xianity_and_Communism.htm)

Either way, one is completely fucked. With Christianity, true spirituality was eliminated a very long time ago.

Unless each and every one of us works to bring down the enemy, relentlessly, they will not just go away on their own. A passive attitude, doing

nothing, accepting and even loving injustice, promoting weakness, disease, and anything and everything that is harmful to a decent civilized world will only ensure the end of everyone. Devoted Satanists should be working every day; doing at least one thing a day to destroy the enemy. Some of us do several things every day and more. Rituals, leaving anti-christian tracts in libraries, in bibles and other xian books [even with only [www.exposingchristianity.com](http://www.exposingchristianity.com) written on a slip], and in other places, the work is already done for you through the website; offering to give energy to Satan and the Powers of Hell on a regular basis [all one needs to do is to willfully and with intent, focus on Satan and tell him of your intentions to give energy and he will send a Demon to collect it]. People who give their energy get priority with help when they need it from the Powers of Hell. Work in every way you can, because if you do not, the enemy will only advance until all of us are in a world of shit.

The Vatican is coming down because of repeated rituals, websites that were put together with hundreds of hours of research, writing, devotion and dedication and consistent hard work in establishing them. This is not enough, the Vatican needs to be completely destroyed along with every other xian denomination. They are all of the same malignant rot. If you are willing to work for Satan, but not free to do so in the ways above, ask Satan for answers on this. If you are truly legitimate, he will show you ways that are individual where you can fight the enemy.

Few people realize the seriousness of this. It just doesn't sink in. All of our asses are on the line. Freedom must be fought for. It just doesn't happen on its own.

Thank you for this. Very interesting.

Did you know the towel-mud also has another false allegation of BILLIONS of jewish children being murdered in ancient times?

Seems the professional victim approach is their modus operandi.

I also find it "funny" when a jew "psychiatrist" calls the professional victim ploy to be one category of psychopathy.

By their own hand, they hang themselves.

Subject: The Holy Bible: A Book of Jewish Witchcraft

## The Holy Bible: A Book of Jewish Witchcraft

This will be the first in a series of articles, explaining how the enemy uses their bible to rule over the world. There is nothing "holy" or anything for spiritual advancement or the betterment of humanity in the bible. Look to the numbers, the books, the scriptures, and the contents and you will see it for what it is really for; it is a book of jewish witchcraft of which they use liberally, way at the top, to advance their agenda and to enslave the masses. The whole point of this article is to explain in every day simple terms on how they do this.

To understand how this works, I am going to use an example of throwing a powerful curse here. This is simply to explain how energy operates and this first example here has nothing to do with the bible. The powers of the mind, soul and work on the astral; because one is using one's subconscious mind, the energies and the effects are often quite subliminal. One will find this fact to be true with advancing in meditation, which increases awareness.

Many are familiar with the 1969 Tate and Labianca murders in Los Angeles, by Charles Manson [who believed himself to be jewsus christ] and his hippie cult, as this case received extensive publicity and even movies have been made about it. If you are not familiar with this, just type in the above into any search engine, it is all over the web, in libraries and everywhere else.

Church of Satan founder Anton LaVey worked with director/producer Roman Polanski as a temporary adviser for the 1968 movie "Rosemary's Baby." LaVey wanted to play the part of the Devil, but this part was given to someone else. According to certain sources, one source being the movie "Polanski," LaVey was also insulted and shunned by colleagues of Polanski who were also working on the film. LaVey became very angry and threw a curse through Satanic ritual.

Now, Manson family member and murderess Susan Atkins [who I might add was seriously strung out on hard drugs, such as LSD], temporarily worked for Anton LaVey in San Francisco, doing a nude act where she emerged from a coffin for entertainment purposes. Atkins, because of extensive drug use and personal flaws, proved to be extremely unreliable and would not show up for work, making things difficult on the others, the show, etc., and this angered LaVey. He eventually canned her.

LaVey also hated the hippies. In early August of 1969, LaVey threw a curse against the hippie movement. Now, here is an example of how powerful energies can work when they are not thoroughly directed. Like things tie in. LaVey was angry at Polanski for how he was shunned and treated during the filming of *Rosemary's Baby*. LaVey was angry at the hippie movement and he also had a strong dislike for Susan Atkins. All of this came together in August of 1969.

After throwing some powerful curses, everything was set in motion. Susan Atkins along with other Manson family members, broke into Polanski's home when he was away in Europe making a film. His wife, actress Sharon Tate, who was 8 months pregnant, along with some other friends were present at his home when this occurred. All of the occupants were butchered, shot, beaten, and stabbed multiple times to their deaths. Sharon who was 8 months pregnant was butchered by Susan Atkins, who even claimed publicly after being caught, how she wanted to carve the baby out of Tate's stomach. This all ties in, as we can see. LaVey knew both Atkins and Polanski and then the film "*Rosemary's Baby*"— look what happened to Polanski's baby. The above is a graphic example of how a powerful working; the energy always takes the easiest way out unless it is properly and thoroughly directed. Given the gravity of the murders, the hippies lost their popularity shortly thereafter, as the public began to associate them with this sort of thing and faded from history.

My point is how all of this ties in.

Some of you may remember here how after the 9/11 incident, many people were folding \$20.00 bills a certain way, as the twin towers could be seen in flames, given the bill was folded, then viewed a certain way. The \$20.00 bill is the most commonly used of US currency. Shortly thereafter the 9 /11 incident, the \$20.00 bills were very rapidly replaced with a new version. They all disappeared very quickly. The excuse used before the public was that they could be easily counterfeited. The real reason was because of the design of the bill and the subliminal vibrations it carried.

The number eleven is a number of chaos, destruction, and disintegration, according to the bible. Because that filthy bible is in nearly every home, so many people adhere to xian teachings, and put their faith in it, like the \$20.00 bill, it is a very powerful subliminal tool, much more so than the \$20.00 bill. Thus, when Jews at the highest levels work their witchcraft, they use the numbers and verses in the bible to accomplish their ends. From what I understand, some of the verses are vibrated in Hebrew in boustrophedon, meaning read in zigzag. They also bob back and forth when they "pray" in groups.

The numbers 10 and 12 in the bible are supposed to be perfect numbers.

\* The 12 sons of Jacob minus Joseph ["one is not" - Genesis 42:13] without whom the other 11 would not have survived.

Note\* Genesis is the first book of the bible; Genesis = 1 + 42 + 13 = 56, which reduces to 11. This is in addition to the verse itself.

\* King Jehoiakim [2 Chronicles 36:5-6] reigned 11 years before Nebuchadnezzar carried him away into captivity [his downfall and the end of his rule].

\* King Zedekiah [Jeremiah 52:1-11] reigned 11 years before Nebuchadnezzar imprisoned him, murdered his family, and mutilated him.

\* In the 11th year of the Babylonian captivity Ezekiel prophesied of the fall and the destruction of Tyrus, [Ezekiel 26:1-5].

\* In the 11th year of the Babylonian captivity Ezekiel prophesied of the fall and the destruction of Egypt [Ezekiel 30:20-26].

Note also in the above scriptures, if you do some more reading on them, they all rebelled against the Jews and were punished for it. The above serves as an example...there are many more.

Now, the number 9 is a number of endings and finality. Note how the biblical verses that emphasized the number 11, all related to destruction and fall.

I will not make this article too long, as I will have more detailed examples and such in the near future. The book of Job [suffering] is used to curse their enemies in many circumstances. The bombing of Dresden was carried out on the Christian holiday of Ash Wednesday and reduced the city to ashes. I could cite many more examples, but taking a look at how similarities all tie in, we have:

On 15 March 2004, there were exactly 911 days between the Twin Towers attack of September 11, 2001 and the bomb attacks on the trains in Madrid Spain on March 11, 2004.

\* Madrid, Spain has 11 letters.

\* New York City has 11 letters.

\* The American attacks occurred on September 11th 2001.

\* The Madrid attacks occurred on March 11th 2004.

\* There were 911 days between the American and Madrid attacks [ $9 + 1 + 1 = 11$ ].

\* The Madrid attack occurred on the 11th Thursday of the year.

\* September 11th is the 254th day of the year [ $2 + 5 + 4 = 11$ ].

\* After September 11th there are 111 days left to the end of the year.

\* September 11 has 9 letters and 2 numbers [ $9 + 2 = 11$ ]

\* 11 March 2004 has 5 letters and 6 numbers [ $5 + 6 = 11$ ].

- \* Each building had 110 stories [ $11 \times 10 = 110$ ].
- \* The Madrid train attacks left 191 people confirmed dead [ $1 + 9 + 1 = 11$ ].
- \* On September 11, 2002 the names of the 2,801 victims of the World Trade Center attacks were read aloud from Ground Zero [ $2 + 8 + 0 + 1 = 11$ ].
- \* The Twin Towers standing side by side look like the number 11.
- \* The first plane to hit the towers was Flight 11.
- \* Flight 11 had 92 on board [ $9 + 2 = 11$ ].
- \* Flight 11 had 11 crew members.
- \* Flight 77 hit the Pentagon [ $11 \times 7 = 77$ ].
- \* Flight 77 had 65 on board [ $6 + 5 = 11$ ].
- \* 911 is the number to call in case of emergency [ $9 + 1 + 1 = 11$ ].
- \* New York was the 11th State added to the Union.
- \* Manhattan Island was discovered on September 11, 1609 by Henry Hudson -11 letters.
- \* Saudi Arabia has 11 letters.
- \* Afghanistan has 11 Letters.

Note how the vibration of the number 11 ties all of this in with the 9. Astral energy seeks the easiest way out and like attracts like. It is no wonder that Freemasons, who are controlled by Jewish powers, place their hands upon the bible during their initiation. Given every page of that filthy bible has the word "Jew" "Jews" "Israel" "Jerusalem" and related; the nazarene and company- all Jews and given the Jews proclaim they are the "Chosen of God" and they are held in the highest esteem and exalted in the bible, no wonder they are so powerful and have secretly ruled over the world, unbeknownst to the masses, for centuries.

Satan, himself also showed me how these workings are like a domino effect. Once something is set into motion on the astral, the energies put into motion seek out like energies and things tie in. With the strange and eerie coincidence of the numbers [this is only a sample, there are many more], this reveals this is not a random act, but a dead giveaway that this was an occult working which was deliberate.

I would also like to add the Jewish emphasis on the number 6. Please do not confuse this with "666" which has an entirely different meaning. Just be aware and you will notice what I am saying here. For example, the six million for that holoco\$t hoax, Jewish communism has its important holiday May 1st; 5/1;  $5 + 1 = 6$ . With this I could go on and on. Israel has 6 letters. Pay attention to the news and also history; anything connected with the jews and you will see what I mean. In the bible, the number six is the number of man without any spiritual power. The number 7 has to do with the 7 chakras and spiritual power emanating from these and spiritual perfection. 6 falls short. 6 is also a number of hard labor. Work was done for 6 days and the 7th was a day of rest.

"The number 6 is stamped on all that is connected with human labor. We see it stamped upon his measures, which he uses in his labor, and on the time during which he labors. And we see this from the very beginning."

The Jewish emphasis on and use of the number 6, sets up a vibration on the astral for the advancement of their agenda, their communist state and world order. Communism is slave labor. With the communist state, the jews become "god" and all spiritual knowledge is replaced with material atheism. Only the jews at the top know the secrets of the occult and they use their curses and spells on an unknowing, and helpless populace to whatever suits them. Christianity in more ways than one is a stepping off point for communism. In addition, Christianity has made so-called "religion" into such a totally repulsive and vile concept, that many who are unknowing, gladly accept and promote atheism.

In closing, like everything else, this is all blamed upon Satan and the Powers of Hell by ignorant assholes. Most Christians do not have the intelligence or the strength of character to delve into the occult. There are also scriptures in that bible that the jews use to curse and frighten outsiders away from really getting into the occult. I remember when I was new to Satanism, I had a bad experience, but this only drove me on and heightened my curiosity. One cannot be afraid. The Jews and their alien cohorts have used fear as a tool for control for centuries. In communist countries, the populace lives in a constant state of terror. This is also in league with the bible, as is everything else regarding jewish communism.

I will have more information and many more examples on how the bible is nothing more than a book of Jewish witchcraft, hence the numbers; biblical numerology, and how the bible is continuously pushed upon the populace, it is in nearly every home, in hotel rooms and everywhere else. Everyone is familiar with it, and knows what it claims to be.

The world needs to wake up. Please feel free to educate others, distribute this and any other JoS articles and to work hard for Satan. Satan means "truth" in Sanskrit.

Thank you for your words HP Maxine and information.

" Freedom must be fought for. It just doesn't happen on its own."

I agree with these words, it brings a lot of common sense. Also, very inspirational. I tend to like attacking the roots, the cancer of Humanity.

Hail Satan!

Adding a bit to the sermon I posted yesterday, concerning how the Judeo/Christian bible is a book of jewish witchcraft; concerning the jewish extensive use of and emphasis on the number 6, I would like to comment further.

Our entire time is based upon the number 6. This further facilitates the Jewish agenda and explains why they are so overconfident and arrogant. I read in a book some time ago, this time system based upon the number 6... [60 seconds in one minute; 60 minutes in one hour; 24 [2 + 4 = 6] hours in a day... this is unnatural for the earth.

High Priest Don also commented on how this time system ties into the planet Saturn, of which in astrology is everyone's misfortune. For those of you who are unfamiliar with astrology, the placement of the Saturn in the chart, is where one's downfall and misfortune lie. This is where you hit hard luck in life. The square and numbers for Saturn are 15; [1 + 5 = 6]. Saturn also has to do with hard work as well as misfortune. This aspect of time has not only enslaved the human race and everything on this earth, but as Saturn is also known as the death planet and the "Lord of Time," this may be a reason why humanity has not as a whole been able to reach immortality.

As I already mentioned, I will be adding more and more sermons in this series as we go along.

Subject: Aryan people?

Hi Brothers and Sisters,

I saw in one of JoS post about Aryans which mean's enlighten/Serpent but in this group it refer to white people. Aryan has two meaning?

Home page: "The purpose of this group is to educate, and enlighten our Aryan People who are direct descendants of the Nordic Gods."

"The term Aryan in the ancient world was also spelled

Ari or Hari we also have the Arya or Haraya [People of Hari]. This term is in Egypt as the term of the founding race.

The H of Hari denotes the Serpent [Mercury-Budha]]. And the God Himself." &

"Originally the Aryans lived across Asia all the way to Northern China and the regions of the now Gobi desert."

"Hence the Faire, Ari[Arya], Siddie where the illuminated, radiant, blazing or Shining Serpents. Who where physically described as being luminous, immortal, beautiful and spiritually powerful, superconscious beings."

Subject: Races and Subraces?

Hi

I know Don said there's only 3 Races:

White, Black and Asian but I would like to know about the subraces beneath the White, Black and Asian race because wikipedia is messed up because they say there's 5-6 races:

The following definitions apply to the 2000 census only;

1-"White. A person having origins in any of the original peoples of Europe, the Middle East, or North Africa. It includes people who indicate their race as "White" or report entries such as Irish, German, Scottish, Italian, Near Easterner, Arab, or Polish.

2-"Black or African American. A person having origins in any of the Black racial groups of Africa. It includes people who indicate their race as 'Black, African Am.' or provide written entries such as Kenyan, Nigerian, or Haitian."

3-"American Indian and Alaska Native. A person having origins in any of the original peoples of North and South America (including Central America) and who maintain tribal affiliation or community attachment."

4-"Asian. A person having origins in any of the original peoples of the Far East, Southeast Asia, or the Indian subcontinent including, for example, Cambodia, China, India, Japan, Korea, Malaysia, Pakistan, the Philippine Islands, Thailand, and Vietnam. It includes 'Asian Indian,' 'Chinese', 'Filipino', 'Korean', 'Japanese', 'Vietnamese', and 'Other Asian'."

5-"Native Hawaiian and Other Pacific Islander. A person having origins in any of the original peoples of Hawaii, Guam, Samoa, or other Pacific Islands. It includes people who indicate their race as 'Native Hawaiian', 'Guamanian or Chamorro', 'Samoan', and 'Other Pacific Islander'."

6-"Some other race. Includes all other responses not included in the 'White', 'Black or African American', 'American Indian and Alaska Native', 'Asian' and 'Native Hawaiian and Other Pacific Islander' race categories described above. Respondents providing write-in entries such as multiracial, mixed, interracial, We-Sort, or a Hispanic/Latino group (for example, Mexican, Puerto Rican, or Cuban) in the "Some other race" category are included here."

Source: [http://en.wikipedia.org/wiki/Race\\_and\\_ethnicity\\_in\\_the\\_United\\_States\\_Census](http://en.wikipedia.org/wiki/Race_and_ethnicity_in_the_United_States_Census)

I read In Blacksun666 PDF about Races & Race mixing and I'm lost.

White Race: peoples of Europe, the Middle East, or North Africa(Irish, German, Scottish, Italian, Near Easterner, Arab, or Polish.)

Black Race: Black racial groups of Africa.

Asian Race: peoples of the Far East, Southeast Asia, or the Indian subcontinent(Cambodia, China, India, Japan, Korea, Malaysia, Pakistan, the Philippine Islands, Thailand, and Vietnam. It includes Asian Indian,Chinese,Filipino,Korean,Japanese,Vietnamese, and Other Asian)

So what's with other type of people: #3,5 & 6 what are their Race?

I know Satanism is about being ourself but when I was younger I heard many times people talking about being with their own Race. I want to understand this properly to make good decisions with who I want to live with.

3 and 5 are very different sub-races of the Mongoloid race (what we call "Asiatic").

6 is mixed people. For those it is best to mate with people of the race they are more close to.

Their difference is not because there are Gods like them of whom they gained genes from.

The Gods first created non-white humans and then added more nordic genes and/or had mate to them, so there are the white humans with different amounts of Nordic genes.

well one call white people aryan people and another call an aryang luminous, immortal, beautiful and spiritually powerful, superconscious beings.

we're not immortals, yet but we're white :)

I guess it doesn't really matter because there's two definition for an aryan person.

Subject: Chinese Destruction Ritual for tommorrow, Saturday, august 31st, 201

This ritual is in response too the messages posted for a while now, detailing the terror and suffering of the chinese people. The kikes seem too think they can defend themselves, as just being another group of people but the reality of jewish rule is this. I don't have all the time in the world, I only have about 34 minutes with which too write this message and organize this ritual, however, I believe I have accurately captured the passion necessary for this ritual in the ritual prayer.

I apologize that this ritual is late in coming, I thought today was yesterday.

Please see High Priestess Maxine's post on the abuses the chinese people have endured:

<http://groups.yahoo.com/neo/groups/JoSNewsletter/conversations/topics/474>

The abuses go back farther than this.

Also take note that Tibet, was one ofthe last places that original Aryan, Satanic spiritual knowledge was preserved. The chinese were persecuted, slaughtered, the knowledge was stolen and destroyed. This was recent.

\*\*\*\*\*

The standard ritual format will be used, with a runic destruction sigil.

I personally, cannot get onto high priest vovim baghie's site, so I'm not going too assume anyone else can.

For the sigil, basically, use the runes Sugil, Hagalatz, and Thurisaz, 27 times each, and the words:

Energies raised today are destroying the chinese jews completely.

Too build a sigil take out all the double letters in the above sentence, arrange what remains as artistically and neatly as possible and put the runes over it, as neatly as possible, and color them in.

raise as much destructive energy and force and put as much intent into the ritual as possible. see and feel the destruction and annihilation of the chinese jews and the servants which have and are causing the rest too suffer. See justice and vengence for those who have been made slaves, for those who have been wronged and abused.

The hatred for the ruling class in china has too be like a fucking powder keg, it can be easily used against them, like a neverending domino effect of justice and wrath.

Write out the ritual prayer beforehand, too burn in the ritual.

\*\*\*\*\*

standard ritual:

<http://www.angelfire.com/empire/serpentis666/Ritual.html>

Information on destruction rituals:

<http://www.angelfire.com/empire/serpentis666/Destruction.html>

\*\*\*\*\*

\*\*\*\*\*

Begin the ritual, ringing the bell 9 times counter clockwise.

Invocation of the crowned princes:

Take your athame or extend your hand, too the east, and from there turn counter clockwise too each point,visualizing blue light running up left index finger filling every aspect of your being, growing brighter and more powerful with every point.

IN THE NAME OF JUSTICE AND VENGEANCE, LUCIFER, FROM THE EAST, WE INVOKE YOU!

IN THE NAME OF JUSTICE AND VENGEANCE, BAAL ZEEBUL, FROM THE NORTH, WE INVOKE YOU!

IN THE NAME OF JUSTICE AND VENGEANCE, ISHTAR, FROM THE WEST, WE INVOKE YOU!

IN THE NAME OF JUSTICE AND VENGEANCE, AZAZEL, FROM THE SOUTH, WE INVOKE YOU!

Then, recite the invocation too satan.

after this, pick up your chalice,

say the following:

"with pride in my heart as a True Spiritual Satanist, and dignity in my soul as a true warrior of Father Satan, I humbly, and respectfully, have this drink,"

As you drink from your chalice, visualize your entire being lightnning up with Father Satan's Divine golden energies. This is Hel's gift too you.

Now read with intent and force, the ritual prayer:

In the name of Satan, On this day, We, Brothers and Sisters in Satan, Hel's army on earth, Answer on THIS day, The abuses and the atrocities and the suffering of this chinese people, and every single death and second of starvation and longing and sadness, With our mighty curse of Justice and vengeance, Causing the Total defeat and annihilation and absolute death of every jew and every insitution and the death and destruction of their servants, such as that betray and abuse their own people, and the total failure of their programs, NOW AND FOREVER! HAIL SATAN, ALMIGHTY AND ALL POWERFUL, RULER OF THE EARTH AND THE EASTERN CROWNED PRINCE! HAIL BAAL ZEBUB, MIGHTY PATRON OF THE ORIENT AND CROWNED PRINCE OF THE NORTH! HAIL ISHTAR,CROWNED PRINCESS OF THE WEST! HAIL AZAZEL, BRILLIANT, SHINING MASTER OF JUSTICE AND VENGEANCE, CROWNED PRINCE OF THE SOUTH! HEAR US! HAIL, TOO ALL THE MIGHTY AND BRILLIANT FORCES OF HEL-ORION! STRIKE WITH US, MIGHT GODS AND GODDESSES OF HEL! For today, it is our hand, that deals the death blow too the jewish chinese regime once and for all! SO MOTE IT BE!

\*\*\*\*\*

burn the ritual prayer, and then charge the runic sigil, adding destructive energies, with each vibration, focusing strongly on the destruction of the jewish chinese regime and the freedom of the chinese people. each rune will be vibrated 27 times.

If you can, fill the sigil with the elements, too massively magnify the power of the ritual.

affirm:

Energies raised today are destroying the chinese jews completely

1. Thurisaz.

TH-UUU-RRR-EE-SS-AHH-TS

27 times,

using rusty red, destructive energy with wrath and anger. as much as possible.

affirm, every 3 vibrations,

"The energies pf thurisaz are absolutely destroying the chinese jew completely, at all times and in every way,"

2. Hagalatz

27 times.

Using Black/grey energy, too bind the chinese jew into destruction and suffering, too make it so they cannot escape their fate:

affirm, every 3 vibrations:

"HH-AH-GG-AHHLLL-AAHH-TSS,"

, "The energies of hagalatz are binding the chinese jewish people and regime into absolute destruction and suffering,"

FOCUSING WITH INTENT AND THE DESTRUCTION OF THE ENTIRE CHINESE JEWISH SYSTEM OF SLAVERY.

Next, we use Sugil, to activate and empower the sigil, ritual and runes, as a magnifier and amplifier.

we \*are not\* sending these energies too the chinese jews, we are ONLY using them too activate and empower the ritual and send it on it's way.

3. Sugil.

"SS-UU-GG-EE-LL,"

27 times, like lightning and the force of our victory, and the death of the chinese jews and it's regime.

affirm, every 3 times,

"The energies of sugil are activating and empower the pure destructive force of this ritual and sending it forth unto the world,"

Now spend a bit of time puttin as muc hatred and power and intent as you can, into this ritual, see it all crashing down, the death of the factory bosses, the destruction of the regime, of the chinese jews, justice, justice and FREEDOM, REVOLUTION AND VICTORY! THE END OF THE SWEATSHOPS, THE POSIONING, THE PERVERSION, THE DEATH AND SUFFERING AND ENSLAVEMENT OF THOSE WHO HAVE, FOR SO LONG AND SO SHAMELESSLY, ENSLAVED THE INNOCENT CHINESE PEOPLE! REVENGE, FOR THE CHILDREN! REVENGE, FOR THE TIBETANS! THE WRATH AND HATRED AND PAIN OF THE ANIMALS, IN FACTORIES AND IN THE LAND, THE CHILDREN, THE PARENTS, IT ALL BEINGSUCKED UP AND TURNED AGAINST THE CHINESE JEW, AGAINST THE JEWS!

BURN THE SIGIL, MEDITATE SOME MORE, ON THE DEATH AND DESTRUCTION OF THE CHINESE JEW!

\*\*\*\*\*

\*WHEN YOU ARE SENDING THE ENERGIES AND BURNING THE SIGIL\*

state loudly, with intent and forcefulness, wrath and anger, power, passion, just once,

"BALTIM! GOHO SATANI!"

pronounced: "Bah-luh-teem! Goh- hoh Say-tan"

then vibrate, "AHH-UU-MM," 9 times, the number of completion, meaning so mote it be.

This is enochian, the language of the Daemons, for, "extreme justice, Saith Satan!"  
Baltim means: extreme, extrem justice, wrath, anger, rage, etc.

I have no idea what enochian key is appropriate too read.

I personally, am going too read the ones with obvious curses against the enemy in them, like key 12.

when you are done with that, make fucking sure too cleanse your aura.

you can use the ALGIZ rune, the number of which is 15,

or, much better,

"RAUM," 108 tims,

or, "SURYA," 108 times.

Close the ritual, ringing the bell 9 times clockwise.

I would like too add I almost never use a bell. I clap.

\*\*\*\*\*

If you feel you have something too add or something needs too be revised, then please speak up quickly.

Hail Satan!

Hail Baal Zebub!

Hail Ishtar!

Hail Azazel!

Hail, all the mighty gods and goddesses of hell, and all of the soldiers and peoples, risen, fallen, past and present, of Father Satan Lucifer!

Note the Saudi's are crypto Jews, nothing more:

In this investigative report by Wayne Madison a former U.S. Intelligence and US Navy officer we find out several major things

We also learn the House of Saud the family that rules Saudi Arabia are of Jewish creation and blood hence also crypto-Jews. This news being so dangerous to the Saudi's they put out a contract on a researcher Mohammad Sakher who wrote openly of it.

Here:

<http://groups.yahoo.com/group/JoSNewsletter/message/273>

Remember this the next time the Jews whine about the fictional "Gas Chambers" of Holocaustianity.

No mistake the "rebels" which are manly Saudi's, Libyans, Iraqi's and thousands of non-Syrians, Sunni Fanatic's who raped and murder across Syria. Are being armed and trained by the Jew World Order networks. They want Assad gone to get to Iran.

They are looking to create an incident to attack Syria nothing else.

In an interview with Dale Gavlak, a Middle East correspondent for the Associated Press and Mint Press News, Syrian rebels tacitly implied that they were responsible for last week's chemical attack. Some information could not immediately be independently verified.

"From numerous interviews with doctors, Ghouta residents, rebel fighters and their families many believe that certain rebels received chemical weapons via the Saudi intelligence chief, Prince Bandar bin Sultan, and were responsible for carrying out the (deadly) gas attack," he writes in the article.

The rebels noted it was a result of an accident caused by rebels mishandling chemical weapons provided to them.

"My son came to me two weeks ago asking what I thought the weapons were that he had been asked to carry," said Abu Abdel-Moneim, the father of a rebel fighting to unseat Assad, who lives in Ghouta.

As Gavlak reports, Abdel-Moneim said his son and 12 other rebels died in a weapons storage tunnel. The father stated the weapons were provided to rebel forces by a Saudi militant, known as Abu Ayesha, describing them as having a "tube-like structure" while others were like a "huge gas bottle."

"They didn't tell us what these arms were or how to use them," complained a female fighter named `K'. "We didn't know they were chemical weapons. We never imagined they were chemical weapons."

"When Saudi Prince Bandar gives such weapons to people, he must give them to those who know how to handle and use them," she warned. She, like other Syrians, do not want to use their full names for fear of retribution.

Gavlak also refers to an article in the UK's Daily Telegraph about secret Russian-Saudi talks stating that Prince Bandar threatened Russian President Vladimir Putin with terror attacks at next year's Winter Olympics in Sochi if Russia doesn't agree to change its stance on Syria.

"Prince Bandar pledged to safeguard Russia's naval base in Syria if the Assad regime is toppled, but he also hinted at Chechen terrorist attacks on Russia's Winter Olympics in Sochi if there is no accord," the article stated.

"I can give you a guarantee to protect the Winter Olympics next year. The Chechen groups that threaten the security of the games are controlled by us," Saudi Prince allegedly told Vladimir Putin.

Mint Press News stated that some of the information couldn't be independently verified and pledged to continue providing updates on this topic.

Voice of Russia might be more credible than US government    Internet users

Recent publication by the Voice of Russia 'Syrian rebels take responsibility for the chemical attack admitting the weapons were provided by Saudis' received a strong outcry among the Internet users as some of them claiming that the company's reports are more credible than allegations against Syrian government made by US authorities.

`It's more credible than the US saying we have real evidence of Assad using them [chemical weapons]. Assad doesn't get weapons from Saudi Arabia. They don't have ties. The US will use any reason it can to go to war. Even if it means creating one', writesDylanJamesCo on Reddit.

Meanwhile, not everyone shares such this point of view.

KoreyYrval writes that `The Voice of Russia wants us to believe that the Rebels totally were responsible for the chemical attack, and it was an accident because Russia has been impartial throughout all of this and I don't think America(or anyone) needs another war, but this is hardly credible'.

But one thing unites the users: they believe the US government wants and needs another war in the Middle East.

`America is just getting better at proxy wars. They have firm ties with the Saudis, and they would have no problem destabilizing Syria if it meant the US could eventually target Iran and its oil reserve', writes NineteenEightyTwo.

It appears the enemy has made a total mess of the JoS e-groups, changing the home page photos to xian filth and creating other problems. They can't shut us down, so they try to do other disruptive things to harass us. The only thing I can say here is for members to complain to yahoo. We DO have the strength in numbers. If yahoo receives enough complaints, they will fix this. In the mean time, just ignore the xian filth they put up on the front page of our Teen group.

I know since exposing their bible as a book of jewish witchcraft [which it certainly is], this really rattled their cages. Always remember...the jews are extremely clever and they take control of both sides; both opposing sides, which they pretend to be fighting each other, but underneath it all, they are working for their agenda of world enslavement. Just as many xian churches, particularly the Vatican, pretend to be against and fighting communism, unbeknownst to the populace, they are working FOR communism, the nazarene taught nothing but communism, his sermons, and even his life- quite like Karl Marx himself- lazy, and lived off of the charity of others like a parasite. The USSR made a show of persecuting a number of jews [they scream the loudest], when millions of innocent Gentiles were tortured to death, but this jewish persecution is only for show and they do not care if they have to sacrifice some of their own to reach their goal of world enslavement and domination. For example, Josef Stalin [real name Josef Dugasvilli, the meaning of the Georgian surname Dugasvilli is "son of a jew" ], claimed to be anti-Semitic, but given his second wife was also a jew [as were his children] and his communist heroes such as Vladimir Lenin and the other scum he was directly involved with, any idiot can see through these lies, which again, are there only to fool the masses. Nearly all of the entire communist leadership and KGB were jews and/or married to jews and lived extremely well while the working classes were brutalized beyond the imagination. This did not just include the USSR, but all other communist countries as well. Prior to the fall of the "Iron Curtain" the USSR would also publicly support any country that was against Israel; pretending to be enemies with Israel, which beneath it all, is not the case, as both work together for the same agenda. **KNOW THIS AND BE ONTO THEIR TACTICS- NEVER LET THEM FOOL YOU!**

As I have state before and will again... just how can xianity really be at odds with the jews, when every single page of that stinking bible has the word "jew" "jews" Israel" and other kosher crap on it and above al, the nazarene is jewish from birth to death. Given the spiritual energies put into

xianity by the ignorant followers, for centuries, the jews have an endless supply to do as they please with. This is their bulwark and their root. This is why the bible is so full of numbers, specific verses [which vibrated in Hebrew are their mantras] and given the bible is planted in nearly every home in the world, xianity is relentlessly pushed and coerced onto people [love jewsus or burn for eternity], the bible acts as a subliminal medium; a receiver for their workings. Bible verses are memorized by many xians. What this does further, is it creates a very powerful link in the minds of many for which the jews work their curses and their spells for attracting copious amounts of wealth. Even their bible states regarding the jews "Thou shalt prosper." YOU PAY AND SACRIFICE FOR THIS!

Yes, they want to shut me and the other JoS Ministry the fuck up. We are onto their scheme and are working to reveal more and more. Always remember...these groups are here for YOU. We put in our time studying and moderating so we can reach as many people as possible; so you all can learn the truth and be able to also search these truths out on your own. We are a deadly threat to the enemy. If you want to keep these groups open and free, please complain to yahoo. We are in the tens of thousands, numbering members. Complain...complain...complain... If you say nothing, the enemy will win. If they try to give you a run around in replying that the moderator is the one to do the complaining, know that this is total crap and that as a member, you have the right to complain regarding changes that are made that are directly affecting your groups.

They have tried to put up domes of St. Basil's xian cathedral in Moscow on the front pages of the JoS e-groups [this appears to have come from inside yahoo]. Now, given Moscow is the capital of the USSR, isn't this rather blatant? In addition, it serves as a link, as I mentioned in the above for their subliminal shit. This is no different from having a bible in your home. This creates a subliminal tie in. I do know since my last post "the holy bible, a book of jewish witchcraft"; I was very aware of the magnitude of this post and given it hits at their most sensitive secrets, root and their total bulwark, there would be attacks and I was correct. I also know these attacks are not yet over with. The photo of the cathedral in Moscow says it all, in regards to just how rattled they are that through Satan, we have exposed them.

Satan has protected me. If he hadn't, myself along with others who are working very hard, would already be dead. We are working for a higher purpose; for a better world through Satan. We have identified and exposed the problems. As for myself, I will fight to the death and work to expose this vermin in every way possible. I have lived a full life, I am old and have nothing left to lose, and death does not frighten me. As I also stated in another recent sermon, regarding freedom, if you do not fight for this, you will lose it. The enemy works relentlessly to destroy our civil rights and freedoms so that they can enslave us all. Jewish greed knows no bounds. Few Americans here know just how brutal life is and has been in many other countries. The jews are working very hard to change this. In the early 1990's, after the fall of the USSR, many cutthroat jewish communists emigrated to the USA and have been working for the destruction of our country ever since and this can be blatantly seen in the many open violations of our constitution and how our legal system has been rapidly deteriorating. The USA is the last power on this earth that still has some laws protecting freedom of speech and the press, though these are very insecure and many of us are suppressed and harassed, such as what is now happening in the JoS e-groups. The USA goes and any smaller countries that are somewhat free will also go down and be under the yoke of communist control. Many of you know it is a felony crime to deny or question the jewish holoco\$ in many countries...resulting in an automatic prison sentence. Everything the jew is and does, they blame on Gentiles. This creates confusion, and makes for an effective diversion and distraction. The same is with Satan...everything their xian "god" is and does, they heap the blame on Satan and the Powers of Hell. Even though the truth is before them in the "holy bible" and one can see that jewhova was a "murderer and a liar from the beginning" one only needs to look through the old testament and also that foul nazarene ordering his followers to commit both theft and murder:  
Luke 19:27; Luke 6: 1-5; Luke 19: 29-35; and break other commandments: Matthew 10: 34-36.

Xians and others cannot see this, as they have been deluded under a powerful spell.

Satan, himself told me some time ago how horribly Gentiles have suffered under jewish communism. I have written several articles regarding the slave labor situation in Red China. This brutality is what jewish communism is all about. Please read through and download the following PDFs. The first one is very large, but the second pdf [the one exposing the phony holoco\$t] can be downloaded and easily distributed through copy & paste, uploading it to your website, distributing it through personal e-mails to people you know who may be interested, and through copying it to disc.

<http://gbt.webs.com/SlaveLaborInSovietRussia.pdf>

<http://666moon.webs.com/THE%20REAL%20HOLOCAUST.pdf>

We are obviously doing the enemy plenty of damage, as they would not go to such lengths to attack as they have been. My personal aims are to get the truth out to and to reach as many people as possible. There is strength in numbers. Unless each and every one of us fights for our freedoms, they will all be taken away. As with the first pdf, on the Soviet slave labor, one can see the same identical thing occurring in Red China and in other parts of the world- disposable human beings; systematically broken, worked to death and replaced by more Gentiles. Even a little research blatantly reveals the jews are and have always been behind this and that the bible is nothing more than a blueprint for jewish communism in its teachings and indoctrinations [both the old and new testaments], along with the all important purpose of working powerful spells for the jews to profit tremendously. Satan pulls off the drapes in our minds and wakes us up to the truth so we are aware and can see. The xians and related ignorant masses are under a most powerful spell. That spell must be broken.

Mind Control Programing

Note with the fall of the Soviet Jewion. The Jews have been working to rebuild the Christian religion in the failure of their atheist Christian program. This allows them to maintain strict control over the populace. From which they will in time regain the former control they once had.

We can see in the link how the Jews use subliminal programming on America, that connects into their spell book the Bible on the populace:

<https://www.youtube.com/watch?v=Rnkg-yCPryE>

2nd Corinthians

12:16 But be it so, I did not myself burden you. But, being crafty, I caught you with deception.

Note the Jews are using the terms with God over and over again:

"God is real God is watching" = 22 letters

"believe in government God" =22 letters

22 is the number of the Hebrew Alphabet is the number of the Master builder, infinity and completion, Quintessence [spirit which is God in the universal sense in the Hermetic teachings] the mind of God and God. The Nazarene utters the 7 last words of finality, on the cross which is the phase at the start of Psalms 22. It equals the 12 Zodiac signs and ten planets in the Tarot of which such alphabet is assigned. Revelation the last book of the Bible also has 22 chapters. etc

Psalm 66:7

He [God] rules forever by his power, his eyes watch the nations-- let not the rebellious rise up against him.

1 Samuel 12:14

If you fear the LORD and serve and obey him and do not rebel against his commands, and if both you and the king who reigns over you follow the LORD your God--good!

Colossians 3:22 the 12 book of the New Testament:

Servants, obey in all things your masters according to the flesh; not with eyeservice, as menpleasers; but in singleness of heart, fearing God:

Romans 13:1-7

1 Everyone must submit himself to the governing authorities, for there is no authority except that which God has established. The authorities that exist have been established by God. 2 Consequently, he who rebels against the authority is rebelling against what God has instituted, and those who do so will bring judgment on themselves. 3 For rulers hold no terror for those who do right, but for those who do wrong. Do you want to be free from fear of the one in authority? Then do what is right and he will commend you. 4 For he is God's servant to do you good. But if you do wrong, be afraid, for he does not bear the sword for nothing. He is God's servant, an agent of wrath to bring punishment on the wrongdoer. 5 Therefore, it is necessary to submit to the authorities, not

only because of possible punishment but also because of conscience. 6 This is also why you pay taxes, for the authorities are God's servants, who give their full time to governing. 7 Give everyone what you owe him: If you owe taxes, pay taxes; if revenue, then revenue; if respect, then respect; if honor, then honor.

The Founders wanted the Great Seal put upon the dollar for a good reason. But they never put anything about the Jewish God on there. Which was put on their by the Jewish, President Eisenhower.

Eisenhower was a Jew by his own confession, Eisenhower is taken

from Eisenhauer a Jewish surname.

"In Eisenhower's West Point Military Academy graduating class yearbook, published in 1915, Eisenhower is identified as a "terrible Swedish Jew."

It's not a surprise that the Kosher owned White House with the President Franklin Delano Roosevelt who himself was of Dutch-Jewish ancestry and his staff read like a synagogue list:

[http://gbt.webs.com/Jewish\\_Bankers\\_War\\_On\\_America.htm](http://gbt.webs.com/Jewish_Bankers_War_On_America.htm)

"In 1943, Washington not only transferred Col. Eisenhower to Europe but promoted him over more than 30 more experienced senior officers to five star general and placed him in charge of all the US forces in Europe.

This great "General" who hid in fear pissing himself when it was believed a tiny unarmed, German Commando unit was after him during the war. personally ordered the murder of over 1.7 million German soldiers. after the war was over in his P.O.W camps. Who's only crime was defending their nation and people. Many of the above where not any older then 15. Pure Talmudic hate.

"In God We Trust." 12 letters:

Twelve is a perfect number, signifying perfection of government, or of governmental perfection. There are 66 books in the Bible which add to 12. etc

The word God also appears 4473 in the Bible adding up to the sum of 9.

9 is the number of finality and Judgement, the power of God itself which is wrapped up with this:

The judgments of God in Haggai 1:11 are enumerated in nine particulars:

"And I called for a drought upon the land,

and upon the mountains,

and upon the corn,

and upon the new wine,

and upon the oil,

and upon that which the ground bringeth forth,

and upon men,

and upon cattle,

and upon all the labor of the hands."

"The law was signed by President Eisenhower on July 30, 1956, and the motto was progressively added to paper money over a period from 1957 to 1966.[14] (Public Law 84-851)[18] The United States Code at 36 U.S.C. § 302, now states: "'In God we trust' is the national motto." [1]

One can see that money is a powerful way to inject something into the unconscious of the public mind:

Here is more on subliminals in the Media leading up 911:

Bluntly here:

[https://www.youtube.com/watch?v=TKLw\\_Fm3tqg](https://www.youtube.com/watch?v=TKLw_Fm3tqg)

And we can witness how they inject their God into the mass mind again:

"Eisenhower signed the bill into law on Flag Day, June 14, 1954.[18] Eisenhower stated "From this day forward, the millions of our school children will daily proclaim in every city and town, every village and rural school house, the dedication of our nation and our people to the Almighty.... In this way we are reaffirming the transcendence of religious faith in America's heritage and future; in this way we shall constantly strengthen those spiritual weapons which forever will be our country's most powerful resource, in peace or in war.

The phrase "under God" was incorporated into the Pledge of Allegiance June 14, 1954, by a Joint Resolution of Congress amending §4 of the Flag Code enacted in 1942."[2]

I just want to make a mention, as this is important and many people are clueless to what is going on. Read history and about the Gulags. Satan made me understand through visions that were quite personal, how uttmostly horrible the working conditions were there. Beyond imagination- I was given the vision of people working in the Gulag camps, until they had no more energy and could barely move. As they died from hunger/dehydration, they were disposed in plastic bags, no different than an object. This is nothing but something simple as far as the criminal USSR has went.

This is jewish perversion and the jewish psyche all in itself. It can be observed in televisions and everywhere else where jews dominate. At the same time, Germans were invading Russia and were treated like heroes there, as they freed villages and half Russia from this jewish grasp. Things were uttmostly horrible and unimaginably dirty. While at the same time, idiots and born people of lies claim how Communism was about Equality, supposedly, if one studies the Communist Manifesto they will see it clearly, that its the most unjust system being existing on this Earth. Men are nothing but products and animals of a low level, owned by jews who sit at the top- inequality at its greatest.

This needs to be dealt with.

I have came across 'Satanists' who are supposedly 'Satanists' but still clinging on types of consciousness that are spawns of our enemies and these include all horrendous ideologies and other filth. These people are not Satanist. Dedication all in itself is a step, meditation is another one, but to really be an Elite SS- one needs to have opened their mind in Satan's Truth; something many people never do, thus they never reap all they could from our most wonderful religion. On top of that, this destroys their own mind and wellbeing. Study the NS Ideology and you will all understand, Satan and the Gods are the creators of our ideology.

HAIL SATAN!!!!!!

It appears the enemy has made a total mess of the JoS e-groups, changing the home page photos to xian filth and creating other problems. They can't shut us down, so they try to do other disruptive things to harass us. The only thing I can say here is for members to complain to yahoo. We DO have the strength in numbers. If yahoo receives enough complaints, they will fix this. In the mean time, just ignore the xian filth they put up on the front page of our Teen group.

I know since exposing their bible as a book of jewish witchcraft [which it certainly is], this really rattled their cages. Always remember...the jews are extremely clever and they take control of both sides; both opposing sides, which they pretend to be fighting each other, but underneath it all, they are working for their agenda of world enslavement. Just as many xian churches, particularly the Vatican, pretend to be against and fighting communism, unbeknownst to the populace, they are working FOR communism, the nazarene taught nothing but communism, his sermons, and even his life- quite like Karl Marx himself- lazy, and lived off of the charity of others like a parasite. The USSR made a show of persecuting a number of jews [they scream the loudest], when millions of innocent Gentiles were tortured to death, but this jewish persecution is only for show and they do not care if they have to sacrifice some of their own to reach their goal of world enslavement and domination. For example, Josef Stalin [real name Josef Dugasvilli, the meaning of the Georgian surname Dugasvilli is "son of a jew" ], claimed to be anti-Semitic, but given his second wife was also a jew [as were his children] and his communist heroes such as Vladimir Lenin and the other scum he was directly involved with, any idiot can see through these lies, which again, are there only to fool the masses. Nearly all of the entire communist leadership and KGB were jews and/or married to jews and lived extremely well while the working classes were brutalized beyond the imagination. This did not just include the USSR, but all other communist countries as well. Prior to the fall of the "Iron Curtain" the USSR would also publicly support any country that was against Israel; pretending to be enemies with Israel, which beneath it all, is not the case, as both work together for the same agenda. **KNOW THIS AND BE ONTO THEIR TACTICS- NEVER LET THEM FOOL YOU!**

As I have state before and will again... just how can xianity really be at odds with the jews, when every single page of that stinking bible has the word "jew" "jews" Israel" and other kosher crap on it and above al, the nazarene is jewish from birth to death. Given the spiritual energies put into xianity by the ignorant followers, for centuries, the jews have an endless supply to do as they please with. This is their bulwark and their root. This is why the bible is so full of numbers, specific verses [which vibrated in Hebrew are their mantras] and given the bible is planted in nearly every home in the world, xianity is relentlessly pushed and coerced onto people [love jewsus or burn for eternity], the bible acts as a subliminal medium; a receiver for their workings. Bible verses are memorized by many xians. What this does further, is it creates a very powerful link in the minds of many for which the jews work their curses and their spells for attracting copious amounts of wealth. Even their bible states regarding the jews "Thou shalt prosper." **YOU PAY AND SACRIFICE FOR THIS!**

Yes, they want to shut me and the other JoS Ministry the fuck up. We are onto their scheme and are working to reveal more and more. Always remember...these groups are here for YOU. We put in our time studying and moderating so we can reach as many people as possible; so you all can learn the truth and be able to also search these truths out on your own. We are a deadly threat to the enemy. If you want to keep these groups open and free, please complain to yahoo. We are in the tens of thousands, numbering members. Complain...complain...complain... If you say nothing, the enemy will win. If they try to give you a run around in replying that the moderator is the one to do the complaining, know that this is total crap and that as a member, you have the right to complain regarding changes that are made that are directly affecting your groups.

They have tried to put up domes of St. Basil's xian cathedral in Moscow on the front pages of the JoS e-groups [this appears to have come from inside yahoo]. Now, given Moscow is the capital of the USSR, isn't this rather blatant? In addition, it serves as a link, as I mentioned in the above for their subliminal shit. This is no different from having a bible in your home. This creates a subliminal tie in. I do know since my last post "the holy bible, a book of jewish witchcraft"; I was very aware of the magnitude of this post and given it hits at their most sensitive secrets, root and their total bulwark, there would be attacks and I was correct. I also know these attacks are not yet over with. The photo of the cathedral in Moscow says it all, in regards to just how rattled they are that through Satan, we have exposed them.

Satan has protected me. If he hadn't, myself along with others who are working very hard, would already be dead. We are working for a higher purpose; for a better world through Satan. We have identified and exposed the problems. As for myself, I will fight to the death and work to expose this vermin in every way possible. I have lived a full life, I am old and have nothing left to lose, and death does not frighten me. As I also stated in another recent sermon, regarding freedom, if you do not fight for this, you will lose it. The enemy works relentlessly to destroy our civil rights and freedoms so that they can enslave us all. Jewish greed knows no bounds. Few Americans here know just how brutal life is and has been in many other countries. The jews are working very hard to change this. In the early 1990's, after the fall of the USSR, many cutthroat jewish communists emigrated to the USA and have been working for the destruction of our country ever since and this can be blatantly seen in the many open violations of our constitution and how our legal system has been rapidly deteriorating. The USA is the last power on this earth that still has some laws protecting freedom of speech and the press, though these are very insecure and many of us are suppressed and harassed, such as what is now happening in the JoS e-groups. The USA goes and any smaller countries that are somewhat free will also go down and be under the yoke of communist control. Many of you know it is a felony crime to deny or question the jewish holoco\$t in many countries...resulting in an automatic prison sentence. Everything the jew is and does, they blame on Gentiles. This creates confusion, and makes for an effective diversion and distraction. The same is with Satan...everything their xian "god" is and does, they heap the blame on Satan and the Powers of Hell. Even though the truth is before them in the "holy bible" and one can see that jewhova was a "murderer and a liar from the beginning" one only needs to look through the old testament and also that foul nazarene ordering his followers to commit both theft and murder:

Luke 19:27; Luke 6: 1-5; Luke 19: 29-35; and break other commandments: Matthew 10: 34-36.

Xians and others cannot see this, as they have been deluded under a powerful spell.

Satan, himself told me some time ago how horribly Gentiles have suffered under jewish communism. I have written several articles regarding the slave labor situation in Red China. This brutality is what jewish communism is all about. Please read through and download the following PDFs. The first one is very large, but the second pdf [the one exposing the phony holoco\$t] can be downloaded and easily distributed through copy & paste, uploading it to your website, distributing it through personal e-mails to people you know who may be interested, and through copying it to disc.

<http://gbllt.webs.com/SlaveLaborInSovietRussia.pdf>

<http://666moon.webs.com/THE%20REAL%20HOLOCAUST.pdf>

We are obviously doing the enemy plenty of damage, as they would not go to such lengths to attack as they have been. My personal aims are to get the truth out to and to reach as many people as possible. There is strength in numbers. Unless each and every one of us fights for our freedoms, they will all be taken away. As with the first pdf, on the Soviet slave labor, one can see the same identical thing occurring in Red China and in other parts of the world- disposable human beings; systematically broken, worked to death and replaced by more Gentiles. Even a little research blatantly reveals the jews are and have always been behind this and that the bible is nothing more than a blueprint for jewish communism in its teachings and indoctrinations [both the old and new testaments], along with the all important purpose of working powerful spells for the jews to profit tremendously. Satan pulls off the drapes in our minds and wakes us up to the truth so we are aware and can see. The xians and related ignorant masses are under a most powerful spell. That spell must be broken.

This is going on a deep end and the enemy is in deep shit now, more than ever. This needs to be understood and our people need to work and BATTER THE SHIT OUT OF THEM NOW, NOT TOMMOROW. This is a CRUCIAL time.

AT FRIDAY 13, IN TEN DAYS FROM NOW, WE WILL GIVE THEM A FATAL BLOW, SHATTER THEM OPEN. We need ALL our people to prepare and LET YOUR BLOOD BOIL IN THEIR VEINS.

The enemy is 'celebrating' their 'Yom Kippur' on the 14th. This forbids that they take spiritual actions and they do nothing at that date. WE WILL THEREFORE LAUNCH A TOTAL ATTACK AND HIT THEM AT THAT POINT.

The enemy has been so afraid as of late, that they have appointed the first Jesuit pope. This pope right now is jewish and it should be DEAD obvious, they are going towards their end, thus calling in their 'strongest' militia. Those who are very close to Satan have been aware of that and the attacks have at the same time been ceasing, though increasing in sense they are closely to their end. The Vatican has made a fool of themselves, people all over the world are waking up, hate is rising against their "Spiritual" sources of power. The jews have exposed themselves so horribly that now they are exposed worldwide.

They hit you everyday in the face, when you do not have what you want, when they try to stop you from your meditations, when they make you feel bad and ashamed of yourself- what YOU will do then? Let them continue? NEVER! YOU WILL DECIMATE THEM IN SATAN'S NAME!

The next step of their plan seems to be to provoke a WW3, but as things show, they have really fucked up and acted in chaos mode. RIGHT NOW IS WHERE WE NEED TO BATTER THEM THE HARDEST! RIGHT NOW THEY ARE VERY WEAK AND THEY WILL CRACK FOREVER. They are in chaos mode and no matter what they pretend, they know the end draws near.

I ask all our fearless, brave and noble people to come up and fight now, for our world is at stake. No more lazyness, no more bullshit, not more 'live and let live' pacts with the enemy. Those who do not fight are cowards and better not look Satan in the eyes. Satan, the Gods and hundreds of Satanic Souls have sacrificed more than most can imagine so we can be free and be where we are now. THE COWARDS TO THE TRASH CAN AND OUT OF OUR SIGHT!

Many of our people get attacked and they face all sorts of problems. I will tell you why. The enemy exploits that they have power over you. They exploit your weakness and they exploit that you do not explode with rage to destroy them. I do not talk about meaningless revolutions that are physical, but true spiritual violence that will shatter the enemy from the inside out.

I want to feel your rage surging and see you all in pure will of power. We all need to awaken our innermost powers and get the enemy rid from this Earth. The enemy hears are feeble, they are weak and they will in the end fail. Do not think of their numbers and powers, we have what is required inside us to completely annihilate the enemy. Remember in this you are not alone, no matter where you are, we are all linked together.

Take care of yourself and you help all our comrades in need.

The Gods of Satan and Satan himself are as you read looking at you, as they look up to all our STRONG, FEARLESS AND VICTORIOUS WARRIORS.

A FUCKING END TO THIS UNJUST AND KIKE WORLD! Do you want this? Do you want to be free? Then we must fight. We must now kick them while they are down, rejoice in that, see them dead and then destroy them as they are on the group. MERCY WILL BE OUR UNDOING. Solely pure SPIRITUAL violence and the enemy will get destroyed.

No more delays, no more fear, no more suppression. Those who have been fighting now deserve not congratulations, but to become as Gods, for they have shown in themselves the qualities of our Gods. Those who will join the fight now are reverend and they must at all costs do. The enemy tries to convince many people they are alone in this, or that they are powerless- what I tell you here, you have the spiritual powers of the Gods and they want you to react and take revenge.

Lets finish off the enemy and bring our children in a better world, without all this insanity.

Lets all prepare and give them a fatal blow at Friday 13th of September. We will enjoy this purely.

I also ask our Brothers to not dilute the group energies and spread these in what they personally thing- with no offence whatsoever to them. What's important now and very crucial is we steer the group's energy like a laser and slice them at their weakest points.

All our Comrades must keep marching and let us enclose this horrid period of history.

The power is in our hands. Do not let them fool you.

We must now kick them while they are down, rejoice in that, see them dead and then destroy them as they are on the group. MERCY WILL BE OUR UNDOING. Solely pure SPIRITUAL violence and the enemy will get destroyed.

No more delays, no more fear, no more suppression. Those who have been fighting now deserve not congratulations, but to become as Gods, for they

have shown in themselves the qualities of our Gods. Those who will join the fight now are reverend and they must at all costs do. The enemy tries to convince many people they are alone in this, or that they are powerless- what I tell you here, you have the spiritual powers of the Gods and they want you to react and take revenge.

Lets finish off the enemy and bring our children in a better world, without all this insanity.

Lets all prepare and give them a fatal blow at Friday 13th of September. We will enjoy this purely.

I also ask our Brothers to not dilute the group energies and spread these in what they personally thing- with no offence whatsoever to them. What's important now and very crucial is we steer the group's energy like a laser and slice them at their weakest points.

All our Comrades must keep marching and let us enclose this horrid period of history.

The power is in our hands. Do not let them fool you.

HAIL SATAN!!!!!!!

HAIL TO ALL THE GODS OF HELL!!!!

HAIL HELLS WARRIORS AND SOULS!!!!!!

SIEG HEIL!!!!!!!

The master plan for the Middle East in a nutshell. Oded Yinon an Israeli strategist proposed breaking up Arab countries, to create greater Israel. All the events in the middle east so far indicate that this plan is being carried out in secret.

Great. Just post the ritual soon enough so we can translate it and spread it in the Romanian group as well.

Hail Satan!

This is going on a deep end and the enemy is in deep shit now, more than ever. This needs to be understood and our people need to work and BATTER THE SHIT OUT OF THEM NOW, NOT TOMMOROW. This is a CRUCIAL time.

AT FRIDAY 13, IN TEN DAYS FROM NOW, WE WILL GIVE THEM A FATAL BLOW, SHATTER THEM OPEN. We need ALL our people to prepare and LET YOUR BLOOD BOIL IN THEIR VEINS.

The enemy is 'celebrating' their 'Yom Kippur' on the 14th. This forbids that they take spiritual actions and they do nothing at that date. WE WILL THEREFORE LAUNCH A TOTAL ATTACK AND HIT THEM AT THAT POINT.

The enemy has been so afraid as of late, that they have appointed the first Jesuit pope. This pope right now is jewish and it should be DEAD obvious, they are going towards their end, thus calling in their 'strongest' militia. Those who are very close to Satan have been aware of that and the attacks have at the same time been ceasing, though increasing in sense they are closely to their end. The Vatican has made a fool of themselves, people all over the world are waking up, hate is rising against their "Spiritual"sources of power. The jews have exposed themselves so horribly that now they are exposed worldwide.

They hit you everyday in the face, when you do not have what you want, when they try to stop you from your meditations, when they make you feel bad and ashamed of yourself- what YOU will do then? Let them continue? NEVER! YOU WILL DECIMATE THEM IN SATAN'S NAME!

The next step of their plan seems to be to provoke a WW3, but as things show, they have really fucked up and acted in chaos mode. RIGHT NOW IS WHERE WE NEED TO BATTER THEM THE HARDEST! RIGHT NOW THEY ARE VERY WEAK AND THEY WILL CRACK FOREVER. They are in chaos mode and no matter what they pretend, they know the end draws near.

I ask all our fearless, brave and noble people to come up and fight now, for our world is at stake. No more lazyness, no more bullshit, not more 'live and let live' pacts with the enemy. Those who do not fight are cowards and better not look Satan in the eyes. Satan, the Gods and hundreds of Satanic Souls have sacrificed more than most can imagine so we can be free and be where we are now. THE COWARDS TO THE TRASH CAN AND OUT OF OUR SIGHT!

Many of our people get attacked and they face all sorts of problems. I will tell you why. The enemy exploits that they have power over you. They exploit your weakness and they exploit that you do not explode with rage to destroy them. I do not talk about meaningless revolutions that are physical, but true spiritual violence that will shatter the enemy from the inside out.

I want to feel your rage surging and see you all in pure will of power. We all need to awaken our innermost powers and get the enemy rid from this Earth. The enemy hears are feeble, they are weak and they will in the end fail. Do not think of their numbers and powers, we have what is required inside us to completely annihilate the enemy. Remember in this you are not alone, no matter where you are, we are all linked together. Take care of yourself and you help all our comrades in need.

The Gods of Satan and Satan himself are as you read looking at you, as they look up to all our STRONG, FEARLESS AND VICTORIOUS WARRIORS.

A FUCKING END TO THIS UNJUST AND KIKE WORLD! Do you want this? Do you want to be free? Then we must fight. We must now kick them while they are down, rejoice in that, see them dead and then destroy them as they are on the group. MERCY WILL BE OUR UNDOING. Solely pure SPIRITUAL violence and the enemy will get destroyed.

No more delays, no more fear, no more suppression. Those who have been fighting now deserve not congratulations, but to become as Gods, for they have

shown in themselves the qualities of our Gods. Those who will join the fight now are reverend and they must at all costs do. The enemy tries to convince many people they are alone in this, or that they are powerless- what I tell you here, you have the spiritual powers of the Gods and they want you to react and take revenge.

Lets finish off the enemy and bring our children in a better world, without all this insanity.

Lets all prepare and give them a fatal blow at Friday 13th of September. We will enjoy this purely.

I also ask our Brothers to not dilute the group energies and spread these in what they personally thing- with no offence whatsoever to them. What's important now and very crucial is we steer the group's energy like a laser and slice them at their weakest points.

All our Comrades must keep marching and let us enclose this horrid period of history.

The power is in our hands. Do not let them fool you.

HAIL SATAN!!!!!!!

HAIL TO ALL THE GODS OF HELL!!!!

HAIL HELLS WARRIORS AND SOULS!!!!!!

SIEG HEIL!!!!!!!

I just want to make a mention, as this is important and many people are clueless to what is going on. Read history and about the Gulags. Satan

made me understand through visions that were quite personal, how uttmostly horrible the working conditions were there. Beyond imagination- I was given the vision of people working in the Gulag camps, until they had no more energy and could barely move. As they died from hunger /dehydration, they were disposed in plastic bags, no different than an object. This is nothing but something simple as far as the criminal USSR has went.

This is jewish perversion and the jewish psyche all in itself. It can be observed in televisions and everywhere else where jews dominate. At the same time, Germans were invading Russia and were treated like heroes there, as they freed villages and half Russia from this jewish grasp. Things were uttmostly horrible and unimaginally dirty. While at the same time, idiots and born people of lies claim how Communism was about Equality, supposedly, if one studies the Communist Manifesto they will see it clearly, that its the most unjust system being existing on this Earth. Men are nothing but products and animals of a low level, owned by jews who sit at the top- inequality at its greatest.

This needs to be dealt with.

I have came across 'Satanists' who are supposedly 'Satanists' but still clinging on types of consciousness that are spawns of our enemies and these include all horrendous ideologies and other filth. These people are not Satanist. Dedication all in itself is a step, meditation is another one, but to really be an Elite SS- one needs to have opened their mind in Satan's Truth; something many people never do, thus they never reap all they could from our most wonderful religion. On top of that, this destroys their own mind and wellbeing. Study the NS Ideology and you will all understand, Satan and the Gods are the creators of our ideology.

HAIL SATAN!!!!!!

It appears the enemy has made a total mess of the JoS e-groups, changing the home page photos to xian filth and creating other problems. They can't shut us down, so they try to do other disruptive things to harass us. The only thing I can say here is for members to complain to yahoo. We DO have the strength in numbers. If yahoo receives enough complaints, they will fix this. In the mean time, just ignore the xian filth they put up on the front page of our Teen group.

I know since exposing their bible as a book of jewish witchcraft [which it certainly is], this really rattled their cages. Always remember...the jews are extremely clever and they take control of both sides; both opposing sides, which they pretend to be fighting each other, but underneath it all, they are working for their agenda of world enslavement. Just as many xian churches, particularly the Vatican, pretend to be against and fighting communism, unbeknownst to the populace, they are working FOR communism, the nazarene taught nothing but communism, his sermons, and even his life- quite like Karl Marx himself- lazy, and lived off of the charity of others like a parasite. The USSR made a show of persecuting a number of jews [they scream the loudest], when millions of innocent Gentiles were tortured to death, but this jewish persecution is only for show and they do not care if they have to sacrifice some of their own to reach their goal of world enslavement and domination. For example, Josef Stalin [real name Josef Dugasvilli, the meaning of the Georgian surname Dugasvilli is "son of a jew" ], claimed to be anti-Semitic, but given his second wife was also a jew [as were his children] and his communist heroes such as Vladimir Lenin and the other scum he was directly involved with, any idiot can see through these lies, which again, are there only to fool the masses. Nearly all of the entire communist leadership and KGB were jews and/or married to jews and lived extremely well while the working classes were brutalized beyond the imagination. This did not just include the USSR, but all other communist countries as well. Prior to the fall of the â Iron Curtainâ • the USSR would also publicly support any country that was against Israel; pretending to be enemies with Israel, which beneath it all, is not the case, as both work together for the same agenda. KNOW THIS AND BE ONTO THEIR TACTICS- NEVER LET THEM FOOL YOU!

As I have state before and will again... just how can xianity really be at odds with the jews, when every single page of that stinking bible has the word "jew" "jews" Israel" and other kosher crap on it and above al, the nazarene is jewish from birth to death. Given the spiritual energies put into xianity by the ignorant followers, for centuries, the jews have an endless supply to do as they please with. This is their bulwark and their root. This is why the bible is so full of numbers, specific verses [which vibrated in Hebrew are their mantras] and given the bible is planted in nearly every home in the world, xianity is relentlessly pushed and coerced onto people [love jewsus or burn for eternity], the bible acts as a subliminal medium; a receiver for their workings. Bible verses are memorized by many xians. What this does further, is it creates a very powerful link in the minds of many for which the jews work their curses and their spells for attracting copious amounts of wealth. Even their bible states regarding the jews â Thou shalt prosper.â • YOU PAY AND SACRIFICE FOR THIS!

Yes, they want to shut me and the other JoS Ministry the fuck up. We are onto their scheme and are working to reveal more

and more. Always remember...these groups are here for YOU. We put in our time studying and moderating so we can reach as many people as possible; so you all can learn the truth and be able to also search these truths out on your own. We are a deadly threat to the enemy. If you want to keep these groups open and free, please complain to yahoo. We are in the tens of thousands, numbering members. Complain...complain...complain... If you say nothing, the enemy will win. If they try to give you a run around in replying that the moderator is the one to do the complaining, know that this is total crap and that as a member, you have the right to complain regarding changes that are made that are directly affecting your groups.

They have tried to put up domes of St. Basil's xian cathedral in Moscow on the front pages of the JoS e-groups [this appears to have come from inside yahoo]. Now, given Moscow is the capital of the USSR, isn't this rather blatant? In addition, it serves as a link, as I mentioned in the above for their subliminal shit. This is no different from having a bible in your home. This creates a subliminal tie in. I do know since my last post about the holy bible, a book of jewish witchcraft • ; I was very aware of the magnitude of this post and given it hits at their most sensitive secrets, root and their total bulwark, there would be attacks and I was correct. I also know these attacks are not yet over with. The photo of the cathedral in Moscow says it all, in regards to just how rattled they are that through Satan, we have exposed them.

Satan has protected me. If he hadn't, myself along with others who are working very hard, would already be dead. We are working for a higher purpose; for a better world through Satan. We have identified and exposed the problems. As for myself, I will fight to the death and work to expose this vermin in every way possible. I have lived a full life, I am old and have nothing left to lose, and death does not frighten me. As I also stated in another recent sermon, regarding freedom, if you do not fight for this, you will lose it. The enemy works relentlessly to destroy our civil rights and freedoms so that they can enslave us all. Jewish greed knows no bounds. Few Americans here know just how brutal life is and has been in many other countries. The jews are working very hard to change this. In the early 1990's, after the fall of the USSR, many cutthroat jewish communists emigrated to the USA and have been working for the destruction of our country ever since and this can be blatantly seen in the many open violations of our constitution and how our legal system has been rapidly deteriorating. The USA is the last power on this earth that still has some laws protecting freedom of speech and the press, though these are very insecure and many of us are suppressed and harassed, such as what is now happening in the JoS e-groups. The USA goes and any smaller countries that are somewhat free will also go down and be under the yoke of communist control. Many of you know it is a felony crime to deny or question the jewish holocaust in many countries...resulting in an automatic prison sentence. Everything the jew is and does, they blame on Gentiles. This creates confusion, and makes for an effective diversion and distraction. The same is with Satan...everything their xian god • is and does, they heap the blame on Satan and the Powers of Hell. Even though the truth is before them in the holy bible • and one can see that jewhova was a murderer and a liar from the beginning • one only needs to look through the old testament and also that foul nazarene ordering his followers to commit both theft and murder:

Luke 19:27; Luke 6: 1-5; Luke 19: 29-35; and break other commandments: Matthew 10: 34-36.

Xians and others cannot see this, as they have been deluded under a powerful spell.

Satan, himself told me some time ago how horribly Gentiles have suffered under jewish communism. I have written several articles regarding the slave labor situation in Red China. This brutality is what jewish communism is all about. Please read through and download the following PDFs. The first one is very large, but the second pdf [the one exposing the phony holoco\$t] can be downloaded and easily distributed through copy & paste, uploading it to your website, distributing it through personal e-mails to people you know who may be interested, and through copying it to disc.

<http://gbllt.webs.com/SlaveLaborInSovietRussia.pdf>

<http://666moon.webs.com/THE%20REAL%20HOLOCAUST.pdf>

We are obviously doing the enemy plenty of damage, as they would not go to such lengths to attack as they have been. My personal aims are to get the truth out to and to reach as many people as possible. There is strength in numbers. Unless each and every one of us fights for our freedoms, they will all be taken away. As with the first pdf, on the Soviet slave labor, one can see the same identical thing occurring in Red China and in other parts of the world- disposable human beings; systematically broken, worked to death and replaced by more Gentiles. Even a little research blatantly reveals the jews are and have always been behind this and that the bible is nothing more than a blueprint for jewish communism in its teachings and indoctrinations [both the old and new testaments], along with the all important purpose of working powerful spells for the jews to profit tremendously. Satan pulls off the drapes in our minds and wakes us up to the truth so we are aware and can see. The xians and related ignorant masses are under a most powerful spell. That spell must be broken.

This is going on a deep end and the enemy is in deep shit now, more than ever. This needs to be understood and our people need to work and **BATTER THE SHIT OUT OF THEM NOW, NOT TOMMOROW.** This is a **CRUCIAL** time.

**AT FRIDAY 13, IN TEN DAYS FROM NOW, WE WILL GIVE THEM A FATAL BLOW, SHATTER THEM OPEN.** We need **ALL** our people to prepare and **LET YOUR BLOOD BOIL IN THEIR VEINS.**

The enemy is 'celebrating' their 'Yom Kippur' on the 14th. This forbids that they take spiritual actions and they do nothing at that date. **WE WILL THEREFORE LAUNCH A TOTAL ATTACK AND HIT THEM AT THAT POINT.**

The enemy has been so afraid as of late, that they have appointed the first Jesuit pope. This pope right now is jewish and it should be **DEAD** obvious, they are going towards their end, thus calling in their 'strongest' militia. Those who are very close to Satan have been aware of that and the attacks have

at the same time been ceasing, though increasing in sense they are closely to their end. The Vatican has made a fool of themselves, people all over the world are waking up, hate is rising against their "Spiritual" sources of power. The jews have exposed themselves so horribly that now they are exposed worldwide.

They hit you everyday in the face, when you do not have what you want, when they try to stop you from your meditations, when they make you feel bad and ashamed of yourself- what YOU will do then? Let them continue? NEVER! YOU WILL DECIMATE THEM IN SATAN'S NAME!

The next step of their plan seems to be to provoke a WW3, but as things show, they have really fucked up and acted in chaos mode. RIGHT NOW IS WHERE WE NEED TO BATTER THEM THE HARDEST! RIGHT NOW THEY ARE VERY WEAK AND THEY WILL CRACK FOREVER. They are in chaos mode and no matter what they pretend, they know the end draws near.

I ask all our fearless, brave and noble people to come up and fight now, for our world is at stake. No more lazyness, no more bullshit, not more 'live and let live' pacts with the enemy. Those who do not fight are cowards and better not look Satan in the eyes. Satan, the Gods and hundreds of Satanic Souls have sacrificed more than most can imagine so we can be free and be where we are now. THE COWARDS TO THE TRASH CAN AND OUT OF OUR SIGHT!

Many of our people get attacked and they face all sorts of problems. I will tell you why. The enemy exploits that they have power over you. They exploit your weakness and they exploit that you do not explode with rage to destroy them. I do not talk about meaningless revolutions that are physical, but true spiritual violence that will shatter the enemy from the inside out.

I want to feel your rage surging and see you all in pure will of power. We all need to awaken our innermost powers and get the enemy rid from this Earth. The enemy hears are feeble, they are weak and they will in the end fail. Do not think of their numbers and powers, we have what is required inside us to completely annihilate the enemy. Remember in this you are not alone, no matter where you are, we are all linked together. Take care of yourself and you help all our comrades in need.

The Gods of Satan and Satan himself are as you read looking at you, as they look up to all our STRONG, FEARLESS AND VICTORIOUS WARRIORS.

A FUCKING END TO THIS UNJUST AND KIKE WORLD! Do you want this? Do you want to be free? Then we must fight. We must now kick them while they are down, rejoice in that, see them dead and then destroy them as they are on the group. MERCY WILL BE OUR UNDOING. Solely pure SPIRITUAL violence and the enemy will get destroyed.

No more delays, no more fear, no more suppression. Those who have been fighting now deserve not congratulations, but to become as Gods, for they have shown in themselves the qualities of our Gods. Those who will join the fight now are reverend and they must at all costs do. The enemy tries to convince many people they are alone in this, or that they are powerless- what I tell you here, you have the spiritual powers of the Gods and they want you to react and take revenge.

Lets finish off the enemy and bring our children in a better world, without all this insanity.

Lets all prepare and give them a fatal blow at Friday 13th of September. We will enjoy this purely.

I also ask our Brothers to not dilute the group energies and spread these in what they personally thing- with no offence whatsoever to them. Whatâ s important now and very crucial is we steer the groupâ s energy like a laser and slice them at their weakest points.

All our Comrades must keep marching and let us enclose this horrid period of history.

The power is in our hands. Do not let them fool you.

Yesterday was magnificent into seeing many of our people replying on how much they want the Ritual posted. We have people who are determined and have full worth and will on taking this world's fate into their hands. I just wanted to specify some things before the actual Ritual, which will be posted on a follow-up post, after that.

The Powers of Hell are going full throttle against the enemy at that point, as the enemy is pressed down and bent on their knees. Our Gods are feverishly working to decimate them.

We need to right now back them up, full throttle, while keeping our energies high in the process and DO NOT STOP until they are all gone. There is much, too much being prepared by the Gods and they are pushing affairs to final victory. This current world needs to fulfill itself and be brought to freedom from the kikes. Changes like these have never happened in history and were totally unplanned for the jews. The kike rats want to cause a WW3 so they can destroy everything, though even their more loyal rat family members are giving up on them, in other words they have lost grip and are unable to do what they have caused back in WW2. This is something that we need to be aware, as this can be the undoing of Pissrael. We will push matters onto this direction.

The nations of the world are getting very angry at the kikes and they can see what is coming up. So can we.

Another thing is, everyday people are waking up. Our groups will in due time reach 15,000 then more and more people, which means that by our applied efforts and high levels of advancement we will not only soon steer the world's fate where we want, but also our own. The recent attacks on the groups were on purpose but we will not sit and watch. Satan has our back here and the back of all His loyal ones and we have to fight in the front.

The jews have always been arrogant in that they are victorious. While we have been patient, persistent, powerful and brave. They are nothing but slime and they are dead afraid. They always talk the talk, until they are severely attacked by someone. When they realize the power of those above them, like the little rats they are they ask for mercy- only to eat the given person alive.

The enemy has created lost souls, an insane humanity, they think they own it all and all is gone. Our people here though, have Souls that are willing and determined to turn the tables around and have been fighting for years and years for this. These Souls walk amongst the side of the Gods.

Another thing that we need to point out and is very important is that while we attack them from all sides, the attacks they can launch are far less and because of the chaos caused, they make totally wrong decisions as they have been. We will therefore apply far more pressure and watch them take the heat and get burned.

As for the date, its to be noted, as Brother in Satan En Haradren Amlug has wrote:

"I will reiterate this again.

This year is 20\*13\*

There are two Friday 13th's.

There are 13 weeks between these two dates.

There are 90 days between each date.

As Don has mentioned previously:

"Yoga adds to 13 in Sanskrit numerology. The number of completion. Its not 12 as you have 13 major energy centers not 12. The year should also be 13 lunar months divided into 28 days into 4 weeks and perfect 360 days a year which is the degrees in the sacred circle of the divine cosmology which represents the Temple of the Sol. And adds to 9. Nine is depicted in Egyptian systems as the Ouroboros serpent for this reason. And its reported there is also a 13th constellation in the Zodiac."

This is the time of the completeion of ALL our workings! Where we strike our last blow to the enemy, and they are completely desimated. It is a time of changing. With the enemy's destruction, with it will come change for the better.

This is the perfect time for a 90 day working. Everyone can and MUST do this. 90 days of all out attack beginning with a ritual on the 13th Sep, and ending with a closing ritual on the 13th Dec.

For those asking for a Ritual, there will be one coming.

-En Haradren Amlug. "

The date chosen is very important, in that this was the date that Jacques De Molay cursed the pope- a leader of the enemy. The pope dropped dead within a year and it seems his alien and kike clergy friends and Co gave him up and there was nothing their spiritual methods could do to keep this piece of shit alive.

Therefore, we will do the same thing now. We will attack the kike leadership in all areas. We have attacked violently the Vatican, the Jews, we have done Aweakening workings and now we will destroy the enemy leadership, leading them with their back totally on the wall. Without their leaders they are nothing.

Those higher ups that are in contact with the enemy, these. Those other higher ups that are working with the vast amounts of wealth, these. The pope himself, him too. Every jew on leadership position, every 'shepherd' of the kike race. Kill the shepherd and the sheep will be an easy strike.

All it takes after all the wrong attention they have drawn to themselves, all the destruction workings set, is some bad decisions from their leaders. In other words, some bad decisions, some bad choices that further destroy and dismantle the jewish NWO and they will be out of the map globally, because they are monsters and their power is only cunning and just that.

In other words, we will hit them in a very intelligent way. We will ensure that all those who take decisions in regards to the fate of the jewish race, will decide the ones that lead to the destruction of the jewish race, the jewish state itself. Bad economical choices, bad 'spiritual' leadership, bad military management, bad everything, bad leadership = decimation. We will just destroy their leadership and through that the jewish race. Jewish leaders= jewish race and vice versa.

We will destroy them through their own leaders.

The Ritual and specifications as to how much it is going to last, will be posted tomorrow. The days may be full 90 day attack, or we may break this up to 40+40+9 days and at the 90<sup>th</sup> day, do another Ritual to seal our working. This will all be known tomorrow.

To all our Faithfull Warriors and people who keep the Gods alive within themselves,

Israel Starts Using DNA to Check for "Jewishness of Immigrants"

Posted by TNO Staff    on August 12, 2013

<http://newobserveronline.com/israel-starts-using-dna-to-check-for-jewishness-of-immigrants/>

Israel, which already has one of the most racially-restrictive immigration policies in the world, is about to introduce DNA testing to ensure that no non-Jews from Russia enter the country, according to an announcement from the Prime Minister's office in Tel Aviv made at the end of July 2013.

According to an article in the Times of Israel, Russian-speakers who want to make "aliya" will in future need a DNA test.

This development is the surest sign yet that Jewishness is not a cultural construct, but a biological one, and also further evidence that the "Khazar theory" which would have introduced non-Semitic elements into the Jewish gene pool is incorrect, as proved by earlier DNA evidence.

According to the Times of Israel, "would-be immigrants from former Soviet Union may be asked to prove [their] Jewish bloodline" and will be "subjected to DNA testing to prove their Jewishness."

The announcement said "many Jews from the FSU [Russia] who were born out-of-wedlock can be required to bring DNA confirmation of Jewish heritage in order to be allowed to immigrate as a Jew.

"A source in the PMO told Maariv that the consul's procedure, approved by the legal department of the Interior Ministry, states that a Russian-speaking child born out-of-wedlock is eligible to receive an Israeli immigration visa if the birth was registered before the child turned 3. Otherwise a DNA test to prove Jewish parentage is necessary.

"A Foreign Ministry spokesman said that the decision to require DNA testing for Russian Jews is based on the recommendations of Nativ, an educational program under the auspices of the Prime Minister's Office to help Jews from the FSU immigrate to Israel.

"The issue cuts to the heart of Israel's Law of Return, which allows anybody with a Jewish parent, grandparent or spouse to move to Israel and be eligible for citizenship. Determining who is a Jew a definition which has evolved along with the religion's many streams has led the interior Ministry to create a somewhat byzantine system of checks and rules and has sometimes led applicants, especially converts to Judaism, to fight for the right to immigrate in Israeli courts."

This demand for DNA tests for immigrants to Israel contrasts dramatically with the demand for open borders made by all Jewish organizations in America and elsewhere.

| Subject: 666 - [Sermon Series on Numbers] |               |                                      |                |

[As I have already written two sermons concerning biblical numerology and how the bible is a book of Jewish witchcraft, here is more on the numbers...](#)

The bible has a total of 66 books. As most of you already know, the jewish powers always emphasize the number 6, as with their 6 million phony holoco\$t and May Day, important communist holiday [May 1st; 5/1; 5 + 1 = 6], and many more. Be aware of this, especially when watching the news and reading newspapers, magazines, etc. The Jews always emphasize the number 6. This is also corresponds to the kabbalistic Saturn square, which adds up to 15 on all sides, even the diagonal. In the bible, the number 6 is the number of humanity without any spiritual power. The number 7 has to do with the 7 chakras and spiritual power emanating from these and spiritual perfection. 6 falls short. 6 is also a number of hard labor. Work was done for 6 days and the 7th was a day of rest. "The number 6 is stamped on all that is connected with human labor. We see it stamped upon his

measures, which he uses in his labor, and on the time during which he labors. And we see this from the very beginning." The number 6 also has to do with slavery:

Colossians 3:22

Servants, obey in all things your masters according to the flesh; not with eyeservice, as menpleasers; but in singleness of heart, fearing God.

The above verse of the 51st book of the bible [ $1 + 5 = 6$ ] advocates slave labor. Taken further, the verse 3:22 can be multiplied  $3 \times 22 = 66$ ; the total number of books in the bible, indicating completion of the Jewish communist slave labor state and their new world order.

The truth is... Satan's number 666 is the number for the kabbalistic square of the Sun and indicates spiritual power and advancement. Nearly all of the ancient Pagan religions emphasized "worship" of the Sun. The code word "worship" in truth translates into intense focus upon, as in deep meditation. In addition,  $6 \times 6 \times 6 = 216$ , which has to do with certain powerful nadis within the soul. The solar chakra is the most powerful and important chakra of the soul and has to do with working the magnum opus. The solar chakra is the Grail chakra; the cup that holds the elixir of life secreted by the pineal gland. The bible with 66 books falls short of realizing the godhead and works to keep humanity spiritually and psychologically enslaved.

According to the bible, the number 12 is supposed to be a perfect number, with the number 13 being of Satan. As human beings, we have a total of 13 major chakras, not 12. 13 IS one of Satan's numbers [ $1 + 3 = 4$ ]. Again, the number 12 falls short. In ancient times, there was a 13th sign of the zodiac. 12 also relates to our Saturn centered time; 60 seconds within a minute, 60 minutes within an hour and 24 [ $2 + 4 = 6$ ] within a day. Saturn, as I already wrote in the above vibrates to the number 6. Saturn is the malefic planet of suffering, hard work, misery, misfortune, and loss. Wherever Saturn is placed in one's astrology chart, this is where one will suffer in life. The Jewish powers designate 12 as being the number for "perfect government," in other words, humanity being spiritually helpless, falling short of spiritual power and attainment, and being subject to enslavement through the government and total domination at the hands of the jews who run that government. The subliminal vibrations and messages in the bible set humanity up for this. In contrast, the 13-month lunar calendar is based upon the natural time of the earth. We are all living out of sync with the natural harmony of the earth in regards to our calendar and time.

I will be writing more about this later in this series of sermons.

The International Jew manipulated the Great War into existence, that swept Europe up. The reason for this was to destroy the old order of Europe and manifest the situation for International Communist takeover . And leave them holding the entire West in debt to their banks. This plays into the first part. During the war however, something unexpected happened. In 1915 the German Kaiser realized this war was not the quick push to victory as planned. And extended an offer of Peace to England. To end the war with Germany withdrawing to the pre 1914 boundaries. He stated the war was destroying the best of the young generation of Europe.

As Freedman who was a large player In Internationally Jewry, confessed. The Jews in England then made a deal with the other half of the government they would get their brethren in America. To pull America into the war in return for Palestine as a Jewish state. The Gentile faction wanting to break Germany's Empire and international economic rivalry. Which was the traditional English

policy in dealing with Continental European powers. Agreed.

Wilson the American President who by his own and Freedman's confession was nothing but a tool of Jewish interested. [He passed the Fed act]. Just after getting elected on a policy of noninterventionism in the war in Europe. Had the American government vote for war with Germany and their allies in Europe.

The whole time this was going on. Jewry was strengthening their Communist movements in Europe. In 1917 the German Jewish elite secretly forged a situation with their connections in Russia. To send a closed armoured train carrying large sums of money for Communist aid and carrying a secret passenger. The Jew, Lenin across the border into Russia. The rest is history.

During this time the Jews within Germany where doing the same they were in Russia. Using the extreme conditions the war had forced on the population. To exploit every theme and issue to generate a powerful Communist movement. They were also spreading defeatist propaganda into the German society which made its way to the front with the new recruits. The Jews made the deal in England simply to keep the war going. They had no intention of wanting Germany to win. With a strong German Empire. Communism would never succeed in Europe. The control of Germany was the key to their victory on the large part of the Continent.

There had been large Jewish manipulated ,Communist style uprisings in the German Empire in the previous century. That had been crushed. The old order had also crushed the Communist revolt of the Paris Commune. They needed them gone to win.

As one Jew [Kapner] confessed:

<http://groups.yahoo.com/group/JoSNewsletter/message/376>

"The Jewish Lobby rules supreme in the realm of political control. Lobbies such as AIPAC, ADL, and the American Jewish Congress (AJC), decide which candidates will be elected. They do this by pouring millions of Jewish dollars into the campaign coffers of Pro Israel politicians, and smearing, through their connections in the Jewish-occupied media, their opponents.

Newly elected President, Barack Obama, had enormous amounts of money poured into his campaign by an elite contingent of wealthy & influential Chicago based Jews - so much so, that Obama now has an excess of \$30 million from a \$745 million haul."

From here via they brought American into the Second World War:

<http://www.jpost.com/International/Report-AIPAC-to-mount-major-lobbying-blitz-for-Obamas-Syria-strike-plan-325381>

The American [my note Jewish power lobby] Israel Public Affairs Committee (AIPAC) is set to "mount a major blitz" in support of US President Barack Obama's resolution to take military action in Syria, the Washington-based Politico website quoted officials with the group as saying on Thursday.

The powerful pro-Israel lobby in Washington came out in support of the resolution in a statement issued earlier this week, but was expected to step-up its lobbying efforts, as the measure to attack Syria was thus far failing to muster a sufficient number of votes to pass in the House of Representatives, according to lawmakers.

Politico quoted officials as saying some 250 Jewish leaders planned to make the case to lawmakers next week that failure to act in the face of Syrian President Bashar Assad's use of chemical weapons would serve to embolden Iran in its pursuit of nuclear weapons.

AIPAC was expected to lobby "virtually every member of Congress," according to the report.

AIPAC has close ties to Minority Leader Mitch McConnell and Minority Whip John Cornyn, Republican leaders who have thus far withheld support for the Syria resolution, Politico reported.

Even after congressional hearings featuring Obama's secretaries of state and defense, a half dozen closed-door briefings and phone calls from Obama himself, it was too close to call on whether Congress will authorize military force.

First-term Democratic Senator Joe Manchin, who had been seen as a possible swing vote, dealt the president a setback when he announced on Thursday he would oppose the resolution to authorize military strikes.

"Given the case that has been presented to me, I believe that a military strike against Syria at this time is the wrong course of action," Manchin said.

Republican Representative Michael Grimm, who initially backed Obama's call last month for military strikes, withdrew his support on Thursday. "Unfortunately, the time to act was then and the moment to show our strength has passed," said Grimm, a Marine combat veteran.

If Obama fails to win congressional support, he would face two undesirable options. One would be to go ahead with military strikes anyway, which could provoke an angry showdown with Congress over their respective powers.

The other would be to do nothing, which White House officials privately acknowledge would damage the credibility of any future Obama ultimatum to other countries.

Twenty-four of the Senate's 100 members oppose or lean toward opposing authorizing military strikes, according to estimates by several news organizations, with an equal number favoring military action and roughly 50 undecided.

Every vote will count in the Senate, where a super-majority of 60 will likely be needed because of possible procedural hurdles for a final vote on approving military action.....

Subject: RITUAL FOR FRIDAY 13th OF SEPTEMBER - DESTRUCTION OF THE JEWISH LEAD

-----The Ritual-----

=====General Information.

-PLEASE READ CAREFULLY AND ASK ANY QUESTIONS THERE MAY BE! WE POST EARLY SO WE HAVE TIME TO UPDATE AND ANSWER. THE RITUAL WILL ALSO BE REPOSTED IN SOME DAYS, TO ENSURE NO-ONE WILL MISS THIS!

-Purpose of this Ritual is: To destroy the jewish leaders that guide the jewish race, so that all jews are destroyed.

-Link to Sigil: <http://satanismgr.webs.com/ritualpics/jewishleaderssigil.png>

-For our people who do not have space, do the Ritual as instructed in your astral temple and be creative in this. Do not let the lack of space stop you. For vibrating the Runes, you can even go to the bathroom or a small walk somewhere [make sure its safe].

-Keep your energies high before the Ritual and keep your meditation schedule up. Make sure to keep up until the working is over as this is most powerful and commendable.

-Be aware that you may get attacked during the working. Never stop- as a Warrior of Satan, keep on it and take any attack as proof of the working causing pain. This includes all kinds of bullshit thoughts which need be ignored.

-The best date for the working is the 13<sup>th</sup>, although there is no real excuse in that someone will not participate as the Ritual is being posted now so people can see how it is going to be and arrange things.

-The Ritual/Working will be made easy so everyone can do this, new and advanced.

- If any day is lost [better NOT let this happen], fill in to the next day.

-Know the beings we target have been under protection so its likely the first days, you may not be feeling quite well the energies are going at their place. This is high unlikely as we have many people- but I point this out for anyone who might experience this.

-One note, the jews are already on a most bad situation. What we do here is actually sealing a 'bye bye' working. The workings have took its toll. We will not

stop until nothing of them remains- nothing. Stopping or 'chilling' before this and we will face demise and numerous problems. The Gods never stopped, neither will we. We have superiority, realize this, but do not get carried away.

-If you find yourself over attacked, I will include an optional step you can do to get rid yourself of filth. This can also be done everyday with your meditations.

-For the days of the working (after the ritual day which counts as day one of the working) if you can, time your magick with the hours of Mars or Saturn.

-The Sigil included is not mandatory to use. It will serve nicely as a focus. You can use your visualization and imagine it hitting the souls of the enemy leaders.

-All instructed below can also be done in the form of balls of energy, directed to the enemy. If someone wants it that way they can do this instead of what is mentioned.

-On the part of the Ritual Declaration, tune in your mind and feel as if you are a link in the chain with all your Nrothers and Sisters in Satan and all the Gods of Hell themselves. This is optional but every little bit counts.

=====THE RITUAL:

The 'body' of the Ritual will be as the Standard Ritual. The difference is, the prayer will be different and at the height of the Ritual, you will vibrate the Runes, either on the Sigil and then burn it, or right away to the enemies. For new people, its suggested to use no sigil.

<http://www.angelfire.com/empire/serpentis666/Ritual.html>

Start the Ritual as instructed and invoke our 4 Crowned Princes, Satan, Bael, Astaroth and Azazel.

Then proceed to the prayer.

Ritual Prayer: [You can customize this, but do not stray from the meaning and leave the Ritual Declaration phrase INTACT as to create the necessary link with our Brothers and Sisters doing the Ritual]

Father Satan, Father of my Soul, I come before you this important day you have called me to fight in your Army, for a higher and holy purpose. Satan hear my voice for my words are a covenant and a truthful promise.

I, as a Son/Daughter of yours proclaim that I will follow your will and fight the Jewish race until they are all destroyed, ALL OF THEM, for they are my enemies as they are yours. Cursed be their souls, cursed be their existence, cursed be everything that protects them and glorified be only you!

Father Satan, share some of your power with me so we can fulfill what we are here to fulfill. Members of our family are all over the world calling in your name and your providence, as to give the enemy what they rightfully deserve. Death, anguish and permanent destruction.

We will all attack their leadership. As they try to attack ours, we will annihilate theirs and together their putrid Race. CURSED BE THEIR LEADERS, THEIR ECONOMICAL LEADERS, SPIRITUAL LEADERS, THOSE WHO GUIDE AND HAVE BEEN GUIDING THIS PUTRID RACE, CURSED BE THEIR SOULS, AND ALL THEIR THOUGHTS AND CHOICES GUIDED TO THE DESTRUCTION AND DEATH OF THEIR RACE AND THEIR TOTAL END!

[Ritual Declaration->]:

"All the Jewish leaders whose decisions are guiding the fate of the Jewish race are permanently and fully destroyed.

Their choices and decisions destroy totally the Jewish Race, now and forever."

SATAN, GIVE US ALL THE POWER AND GUIDE US TO THE RIGHTFUL AGE OF YOUR WILL!

HAIL SATAN!!!!

HAIL HITLER!!!!

HAIL [Your Guardian Demon]!!!

HAIL ALL OUR GODS AND FAMILY!!!!

SIEG HEIL!!!!!!

---

After you are done with the Ritual Prayer, you can drink from your chalice.

This is where you will focus on the sigil, or just the jewish state or whatever you feel is 'fit' to focus if not the sigil. You can also, if you are using the sigil, apply blood on the part around where the Runes are and this will further boost the power, as Instructed by HP Vovim Baghie. This is not nessescary for new people and it should only be 2 or 4 little drops of blood.

Place the Sigil upon the Altar or Focus on the thought of the jewish leaders getting destroyed and taking on their race with them.

<http://satanismgr.webs.com/ritualpics/jewishleaderssigil.png>

\*Now you can loudly affirm: All the jewish leaders who's decisions are guiding the fate of the jewish race are permanently and fully destroyed.

Their choices and decisions destroy totally the jewish Race, now and forever.

Before proceeding with the Runes, vibrate AUM 9 times to 'open' the working of vibration.

Then proceed onto the next step.

Now to start vibrating the Runes:

NOTE: [The numbers of vibrations range from 9 and its multiplies for each Rune [number of destruction / endings] , 13 – number of this day that is powerful in regards to this, 40 – Number of Satan , 108 for a full working number. Make sure to retain focus during the vibration. The number you will do each day after the working is not affected by this number. For instance you might choose 40 for the Ritual and on the next 90 days, do just 9 vibrations. If you choose to do 13, you can do 13 only on this Friday and then proceed with the other numbers that you chose. 13 is only for Friday. The other days need be on other numbers]

So, starting:

HAGALAZ RUNE

-Hagalaz is vibrated:

HHHHHHHAAAAAAAAAAAAAGGGGGGGGGGAAAAAAAAAALLLLLLLLAAAAAAAAAAAAZZZZZZZZZZZZZZZZZZZZ

Focus intensively on the sigil or inside the souls of the enemy leaders that guide the jewish race.

Vibrate the Rune intensively for how many times you have chosen, each vibration intensifying the negative energy on the sigil or inside the souls of these enemy leaders.

After you are done, Affirm either 1 or 9 times: "The energies of the Rune HAGALAZ are right now and permanently destroying all the leaders of the jewish race. Their decisions totally and permanently destroying themselves and the jewish race of people."

Now you will proceed to the next Rune:

THURISAZ RUNE

-Thurisaz is vibrated:

TTTTTTTHHHHHHHHHHHUUUUUUUUURRRRRRRRRRIIIIIIIIIIISSSSSSSSSSAAAAAAAZZZZZZZZZZZZ

Focus intensively on the sigil or inside the souls of the enemy leaders that guide the jewish race.

Vibrate the Rune intensively for how many times you have chosen, each vibration intensifying the negative energy on the sigil and the power of the Rune therein or inside the souls of these enemy leaders.

After you are done, Affrim either 1 or 9 times: "The energies of the Rune THURISAZ are right now and permanently destroying all the leaders of the jewish race. Their decisions totally and permanently destroying themselves and the jewish race of people."

Now you will proceed to the next Rune [A little different affirmation]:

ISA RUNE

-Isa is vibrated:

IIIIIIIIIIIIIIIIIISSSSSSSSSSSSAAAAAAA

Focus intensively on the sigil or inside the souls of the enemy leaders that guide the jewish race, but now imagine that in all your inhales the sigil or them are being filled, full in grey energy and full in total chaos energy.

Vibrate the Rune intensively for how many times you have chosen, each vibration intensifying the negative energy on the sigil or inside the souls of these enemy leaders.

After you are done, Affrim either 1 or 9 times:

“The energies of the Rune ISA are right now and permanently binding all the leaders of the jewish race into total destruction . Their decisions permanently bind the jewish race of people into total destruction.”

Now to finally seal the Ritual.

\*\*\*\*\*Now the next step, for those using a sigil:

Write on the back the Ritual Declaration:

“All the jewish leaders who’s decisions are guiding the fate of the jewish race are permanently and fully destroyed.

Their choices and decisions destroy totally the jewish Race, now and forever.”

Vibrate 9 times AUM and now you are done.

Burn the Sigil and you can either tune into this and meditate on the outome for some minutes. Its better if you do.

\*\*\*\*\*Now for the next step, for those who are not using the sigil:

Affirm the Ritual Declaration:

“All the jewish leaders who’s decisions are guiding the fate of the jewish race are permanently and fully destroyed.

Their choices and decisions destroy totally the jewish Race, now and forever.”

Vibrate 9 times AUM and now you are done.

Now you can sit for some minutes and imagine in your head pissrael getting nuked, people raging on them and destroying them etc.

Close with a big and proud,

HAIL SATAN !!!!!!!!!!!!!

\*\*\*\*\*Summing up the steps.

===For those using the Sigil.

1.Start the Standard Ritual as instructed.

2. On the height of the Ritual, write the prayer and burn it. [Make sure to leave the Ritual Declaration INTACT, as this creates the nessescary psychic link with our Family who is doing the Ritual]

3. Vibrate AUM x9 times.
4. Vibrate the Runes and charge the Sigil, affirm and program the energy. If you chose so, apply blood on the runes.
5. Write on the back of the Sigil the Ritual declaration.
6. Burn the sigil and as the Sigil burns, or after the sigil has burned, vibrate AUMx9 times.
7. Close the Ritual.

===For those not using the Sigil or in astral temple.

1. 1.Start the Ritual as instructed.

2.

On t2. At the height of the Ritual, recite the prayer and when done, recite the Ritual Declaration part.

3. 3.Vibrate AUM x9 times.
4. 4.Focus on the souls of the enemies or simply raise the energies of the runes and program these with their affirmations.
5. 5.Vibrate AUM x9 times.
6. 6. Recite the Ritual declaration.
7. 7.Close the Ritual.

Subject: Re: RITUAL FOR FRIDAY 13th OF SEPTEMBER - DESTRUCTION OF THE JEWISH

Perfect, it is time to bring their destruction. I feel this ritual can make a big impact, especially when being done in a group.

Hail Satan!

Forever!

Death to enemies of our Father!

-----The Ritual-----

=====General Information.

-PLEASE READ CAREFULLY AND ASK ANY QUESTIONS THERE MAY BE! WE POST EARLY SO WE HAVE TIME TO UPDATE AND ANSWER. THE RITUAL WILL ALSO BE REPOSTED IN SOME DAYS, TO ENSURE NO-ONE WILL MISS THIS!

-Purpose of this Ritual is: To destroy the jewish leaders that guide the jewish race, so that all jews are destroyed.

-Link to Sigil: <http://satanismgr.webs.com/ritualpics/jewishleaderssigil.png>

-For our people who do not have space, do the Ritual as instructed in your astral temple and be creative in this. Do not let the lack of space stop you. For vibrating the Runes, you can even go to the bathroom or a small walk somewhere [make sure its safe].

-Keep your energies high before the Ritual and keep your meditation schedule up. Make sure to keep up until the working is over as this is most powerful and commendable.

-Be aware that you may get attacked during the working. Never stop- as a Warrior of Satan, keep on it and take any attack as proof of the working causing pain. This includes all kinds of bullshit thoughts which need be ignored.

-The best date for the working is the 13<sup>th</sup>, although there is no real excuse in that someone will not participate as the Ritual is being posted now so people can see how it is going to be and arrange things.

-The Ritual/Working will be made easy so everyone can do this, new and advanced.

- If any day is lost [better NOT let this happen], fill in to the next day.

-Know the beings we target have been under protection so its likely the first days, you may not be feeling quite well the energies are going at their place. This is high unlikely as we have many people- but I point this out for anyone who might experience this.

-One note, the jews are already on a most bad situation. What we do here is actually sealing a âbye byeâ working. The workings have took its toll. We will not stop until nothing of them remains- nothing. Stopping or âchillingâ before this and we will face demise and numerous problems. The Gods never stopped, neither will we. We have superiority, realize this, but do not get carried away.

-If you find yourself over attacked, I will include an optional step you can do to get rid yourself of filth. This can also be done everyday with your meditations.

-For the days of the working (after the ritual day which counts as day one of the working) if you can, time your magick with the hours of Mars or Saturn.

-The Sigil included is not mandatory to use. It will serve nicely as a focus. You can use your visualization and imagine it hitting the souls of the enemy leaders.

-All instructed below can also be done in the form of balls of energy, directed to the enemy. If someone wants it that way they can do this instead of what is mentioned.

-On the part of the Ritual Declaration, tune in your mind and feel as if you are a link in the chain with all your Brothers and Sisters in Satan and all the Gods of Hell themselves. This is optional but every little bit counts.

=====THE RITUAL:

The â bodyâ of the Ritual will be as the Standard Ritual. The difference is, the prayer will be different and at the height of the Ritual, you will vibrate the Runes, either on the Sigil and then burn it, or right away to the enemies. For new people, its suggested to use no sigil.

<http://www.angelfire.com/empire/serpentis666/Ritual.html>

Start the Ritual as instructed and invoke our 4 Crowned Princes, Satan, Bael, Astaroth and Azazel.

Then proceed to the prayer.

Ritual Prayer: [You can customize this, but do not stray from the meaning and leave the Ritual Declaration phrase INTACT as to create the nessescary link with our Brothers and Sisters doing the Ritual]

Father Satan, Father of my Soul, I come before you this important day you have called me to fight in your Army, for a higher and holy purpose. Satan hear my voice for my words are a covenant and a truthful promise.

I, as a Son/Daughter of yours proclaim that I will follow your will and fight the jewish race until they are all destroyed, ALL OF THEM, for they are my enemies as they are yours. Cursed be their souls, cursed be their existence, cursed be everything that protects them and glorified be only you!

Father Satan, share some of your power with me so we can fulfill what we are here to fulfill. Members of our family are all over the world calling in your name and your providence, as to give the enemy what they rightfully deserve. Death, anguish and permanent destruction.

We will all attack their leadership. As they try to attack ours, we will annihilate theirs and together their putrid Race. CURSED BE THEIR LEADERS, THEIR ECONOMICAL LEADERS, SPIRITUAL LEADERS, THOSE WHO GUIDE AND HAVE BEEN GUIDING THIS PUTRID RACE, CURSED BE THEIR SOULS, AND ALL THEIR THOUGHTS AND CHOICES GUIDED TO THE DESTRUCTION AND DEATH OF THEIR RACE AND THEIR TOTAL END!

[Ritual Declaration->]:

â All the jewish leaders whoâ s decisions are guiding the fate of the jewish race are permanently and fully destroyed.

Their choices and decisions destroy totally the jewish Race, now and forever.â •

SATAN, GIVE US ALL THE POWER AND GUIDE US TO THE RIGHTFUL AGE OF YOUR WILL!

HAIL SATAN!!!!

HAIL HITLER!!!!

HAIL [Your Guardian Demon]!!!

HAIL ALL OUR GODS AND FAMILY!!!!

SIEG HEIL!!!!!!

---

After you are done with the Ritual Prayer, you can drink from your chalice.

This is where you will focus on the sigil, or just the Jewish state or whatever you feel is a fit to focus if not the sigil. You can also, if you are using the sigil, apply blood on the part around where the Runes are and this will further boost the power, as instructed by HP Vovim Baghie. This is not necessary for new people and it should only be 2 or 4 little drops of blood.

Place the Sigil upon the Altar or Focus on the thought of the Jewish leaders getting destroyed and taking on their race with them.

<http://satanismgr.webs.com/ritualpics/jewishleaderssigil.png>

\*Now you can loudly affirm: All the Jewish leaders whose decisions are guiding the fate of the Jewish race are permanently and fully destroyed.

Their choices and decisions destroy totally the Jewish Race, now and forever.

Before proceeding with the Runes, vibrate AUM 9 times to open the working of vibration.

Then proceed onto the next step.

Now to start vibrating the Runes:

NOTE: [The numbers of vibrations range from 9 and its multiples for each Rune [number of destruction / endings], 13 is a number of this day that is powerful in regards to this, 40 is the Number of Satan, 108 for a full working number. Make sure to retain focus during the vibration. The number you will do each day after the working is not affected by this number. For instance you might choose 40 for the Ritual and on the next 90 days, do just 9 vibrations. If you choose to do 13, you can do 13 only on this Friday and then proceed with the other numbers that you chose. 13 is only for Friday. The other days need be on other numbers]

So, starting:

HAGALAZ RUNE

-Hagalaz is vibrated:

HHHHHHHAAAAAAAAAAAAAGGGGGGGGGGAAAAAAAAAAAAALLLLLLLLAAAAAAAAAAAAAZZZZZZZZZZZZZZZZZZZZZ

Focus intensively on the sigil or inside the souls of the enemy leaders that guide the jewish race.

Vibrate the Rune intensively for how many times you have chosen, each vibration intensifying the negative energy on the sigil or inside the souls of these enemy leaders.

After you are done, Affrim either 1 or 9 times: â The energies of the Rune HAGALAZ are right now and permanently destroying all the leaders of the jewish race. Their decisions totally and permanently destroying themselves and the jewish race of people.â •

Now you will proceed to the next Rune:

THURISAZ RUNE

-Thurisaz is vibrated:

TTTTTTTHHHHHHHHHHHUUUUUUUUURRRRRRRRRRIIIIIIIIIIISSSSSSSSSSAAAAAAAANAAAAAAZZZZZZZZZZZZ

Focus intensively on the sigil or inside the souls of the enemy leaders that guide the jewish race.

Vibrate the Rune intensively for how many times you have chosen, each vibration intensifying the negative energy on the sigil and the power of the Rune therein or inside the souls of these enemy leaders.

After you are done, Affrim either 1 or 9 times: â The energies of the Rune THURISAZ are right now and permanently destroying all the leaders of the jewish race. Their decisions totally and permanently destroying themselves and the jewish race of people.â •

Now you will proceed to the next Rune [A little different affirmation]:

ISA RUNE

-Isa is vibrated:

IIIIIIIIIIIIIIIIIISSSSSSSSSSSSAAAAAAAANAAAAAA

Focus intensively on the sigil or inside the souls of the enemy leaders that guide the jewish race, but now imagine that in all your inhales the sigil or them are being filled, full in grey energy and full in total chaos energy.

Vibrate the Rune intensively for how many times you have chosen, each vibration intensifying the negative energy on the sigil or inside the souls of these enemy leaders.

After you are done, Affrim either 1 or 9 times:

â The energies of the Rune ISA are right now and permanently binding all the leaders of the jewish race into total destruction . Their decisions permanently bind the jewish race of people into total destruction.â •

Now to finally seal the Ritual.

\*\*\*\*\*Now the next step, for those using a sigil:

Write on the back the Ritual Declaration:

â All the jewish leaders whoâ s decisions are guiding the fate of the jewish race are permanently and fully destroyed.

Their choices and decisions destroy totally the jewish Race, now and forever.â •

Vibrate 9 times AUM and now you are done.

Burn the Sigil and you can either tune into this and meditate on the outcome for some minutes. Its better if you do.

\*\*\*\*\*Now for the next step, for those who are not using the sigil:

Affirm the Ritual Declaration:

â All the jewish leaders whoâ s decisions are guiding the fate of the jewish race are permanently and fully destroyed.  
Their choices and decisions destroy totally the jewish Race, now and forever.â •

Vibrate 9 times AUM and now you are done.

Now you can sit for some minutes and imagine in your head pissrael getting nuked, people raging on them and destroying them etc.

Close with a big and proud,

HAIL SATAN !!!!!!!!!!!!!

\*\*\*\*\*Summing up the steps.

===For those using the Sigil.

1.Start the Standard Ritual as instructed.

2. On the height of the Ritual, write the prayer and burn it. [Make sure to leave the Ritual Declaration INTACT, as this creates the nessescary psychic link with our Family who is doing the Ritual]

3. Vibrate AUM x9 times.

4. Vibrate the Runes and charge the Sigil, affirm and program the energy. If you chose so, apply blood on the runes.
5. Write on the back of the Sigil the Ritual declaration.
6. Burn the sigil and as the Sigil burns, or after the sigil has burned, vibrate AUMx9 times.
7. Close the Ritual.

===For those not using the Sigil or in astral temple.

1. 1.Start the Ritual as instructed.

- 2.

On t2. At the he height of the Ritual, recite the prayer and when done, recite the Ritual Declaration part.

3. 3.Vibrate AUM x9 times.

4. 4.Focus on the souls of the enemies or simply raise the energies of the runes and program these with their affirmations.

5. 5.Vibrate AUM x9 times.

6. 6. Recite the Ritual declaration.

7. 7.Close the Ritual.

The National Socialist struggle is growing in Europe. In Greece and Germany especially. Germany is interesting in it proves it has the strength to resist the Jews time and time again. This has the Jews shitting in fear. They know they almost lost last time. The Jews won a battle but lost the greater war in the process. A battle which is part of a greater struggle which has spanned centuries and many lands.

Jew Openly Calls For False Flag Attacks.

My note: "Zionist" is just another word for Jew.

The Jews where behind 911:

<http://www.911missinglinks.com/watch-movie/>

As part of the movie it mentions the Jews attacked the USS Liberty in June of 1967, to pull America into a war in the ME on the side of the Jews. Killing

dozens of American Servicemen. Don't forget the Lavon Affair when the Jews in the early 1950's used false flag terrorism against Western/American targets for their own political agenda.

Second Zionist 9/11 in the making for war on Iran: Analyst

<http://www.presstv.com/detail/2012/09/27/263840/2nd-zionist-911-in-making-for-iran-war/>

Zionist [my note Jew] organizations such as Washington Institute for Near East Policy (WINEP) are overtly plotting "another 9/11-style mass murder" of Americans to justify a military aggression against Iran, an analyst says.

"Covering up 9/11 is bad enough. But when Zionist front organizations like WINEP openly call for another 9/11-style mass murder of Americans to launch a war against Iran, it is time for the American people to put these organizations out of business," Kevin Barrett wrote in an article on the Press TV website.

Last Friday, Patrick Clawson, WINEP's Director for Research, suggested that the US should work covertly and through means of force to provoke Iran to take the first shot against the US or Israel. Otherwise, he said, starting a war with Iran will be really hard to accomplish.

"I frankly think that crisis initiation is really tough," said Clawson, "And it's very hard for me to see how the United States uh President can get us to war with Iran."

As a consequence, Clawson said he was led to conclude that "the traditional way [that] America gets to war is what would be best for US interests."

He then went on to recount a series of controversial incidents in American history - the attack on Pearl Harbor, the sinking of the Lusitania, the Gulf of Tonkin incident, and the blowing up of the USS Maine - that US presidents "had to wait for" before taking America to war.

"So, if in fact the Iranians aren't going to compromise," the Israel lobbyist concluded with a smirk on his face, "it would be best if somebody else started the war."

"One can combine other means of pressure with sanctions. I mentioned that explosion on August 17th. We could step up the pressure. I mean look people, Iranian submarines periodically go down; someday one of them may not come up. Who would know why? We can do a variety of things if we wish to increase the pressure. I'm not advocating that but I'm just suggesting that ... this is not an `either or' proposition.... We are in the game of using covert means against the Iranians. We could get nastier at that."

The analyst noted that what Clawson didn't say, but certainly implied, was that "America's `war on terror', actually a war on Islam for Israel, `had to wait for' the false-flag attack of 9/11."

"WINEP, like AIPAC, is a criminal organization - a viper's nest of unregistered agents of a foreign power. Even if they were not advocating mass murder and high treason, and calling for the silencing of opposition to the 9/11 coup d'état that they and/or their fellow travelers helped orchestrate, they should all be arrested and sent to prison," Barrett added.

"But when they cross the line and advocate the mass murder of Americans to trigger a war for Israel that could easily become World War Three, it's time to shut them down, lock them up, and start building scaffolds. They call it `Near East Policy'. I call it high treason and conspiracy to commit mass murder," the analyst concluded.

The Making Of A Sayanim, The Secret Jewish Network

What Is A Sayanim ?

The Sayanim is a Jewish person, that can be called on to assist another Jew in any cause. Since birth, the Jewish people have been taught of their superiority and need for cohesion. The Sephardic Jews are the upper level of the network, and the Ashkenazim, which constitute 95% of all Jews, are the worker ants. Since the Sephardics first converted the Ashkenazim, they brainwashed them into the idea that the world is their enemy, but their fellow Jew is a "Quiet Guardian".

[My note the only different between Sephardic Jews is they where the branch expelled from Spain and went into ME regions where Askenazim stayed in Europe and moved into the America's. The Jew is a Jew by race as its own racial laws prove along with genetic tests showing their is no different between the two groups of Jews genetically they are the same race. Genetic tests today have isolated the Jewish genetic code and can do extensive DNA tests to trace down lineages based on this. Juadism is a racial religion.]

Who Is A Sayanim?

Every Jewish person is expected to be a potential agent, in varying degrees.

What Will They Do?

If the Jewish people sense a potential threat, the Jewish Sayanim is authorized to commit anything from simple harassment to business ruin, and even multiple murders. The Columbine Massacre was a perfect example. The police knew there were seven people involved, but five students, two sets of parents, one employer and psychiatrists, provided alibis and corrupted evidence.

## Examples

Your Jewish accountant will relay any bookkeeping info to a Jewish competitor, your friendly Jewish pharmacist will assist, your Jewish doctor, a clerk at VISA will supply credit information, the list is endless.

## Sayanim Indoctrination Starts At Childhood:

### Family Life

Jewish child rarely are allowed to play with the gentiles. Around the house the child is constantly bombarded with the word Goy. .

Goy relates to menial occupations. The family maid, nannies, gardener, plumber, etc are referred to as " The Goy ".

### Grammar School

A public Jewish school will receive grants, and the best teachers are put in the district. 6th graders at these ' Magnet schools ' are the equivalent of an 8th graders at a normal school. Jewish kid's will always be eligible for the 'Gifted Programs'.

Exceptional Jewish children are turned over to the Rabbi for future guidance.

### High School

In heavily Jewish communities the public schools will always have 'Gifted

program'.

For those with the resources, they will attend exclusive schools.

## College

Here is the big payoff. Entrance into the finest school is assured.

All the larger Universities have Sayanim placed in key locations from the Dean to the Admission Officers, to the loans, and the scholarship personnel.

Societies, such as Hillel, will shepherd a young Jew throughout his college career.

Jewish professors will always favor the Jewish student. Jewish students make up 30% of the Ivy League, which they credit to their extraordinary IQ's, which is a myth. Law schools, such as Yale, can have an enrollment of 60% +.

## Business World

In any Jewish controlled company, you are given first preference in job interviews

If you are a businessman, you get the preferential treatment on contracts where another Jewish person is involved.

Getting a bank loan is a cinch.

## Government

Jews have lined government offices with their people.

- \* Student loans get erased
- \* A business competitor can have a regulatory agency put on him.
- \* The Judicial is 40% Jewish and another 35% are minorities they control.

## So What Is Expected Of A Sayanim?

The standard Sayanim routine is basically favoring other Jews in ordinary transactions, but you can be called on to protect any criminal enterprise. From the traffic court Judge to to an Appellate Judge - fellow sayanims receive special treatment.

The special Sayanim ( 200,000 of them worldwide ) will be expected to cooperate in any Mossad enterprise including murder, sabotage and any form of Fifth Column activity. A division of the Mossad ( Katsas ) keeps records, and stays in active contact with this group.

Sayanim  
Israeli Operatives in the U.S.

By Jeff Gates

July 20, 2010 "Veterans Today" -- Americans know that something fundamental is

amiss. They sense rightly that they are being misled no matter which political party does the leading.

A long misinformed public lacks the tools to grasp how they are being deceived. Without those tools, Americans will continue to be frustrated at being played for the fool.

When the "con" is clearly seen, "the mark" (that's us) will see that all roads lead to the same duplicitous source: Israel and its operatives. The secret to Israel's force-multiplier in the U.S. is its use of agents, assets and sayanim (Hebrew for volunteers).

When Israeli-American Jonathan Pollard was arrested for spying in 1986, Tel Aviv assured us that he was not an Israeli agent but part of a "rogue" operation. That was a lie.

Only 12 years later did Tel Aviv concede that he was an Israeli spy the entire time he was stealing U.S. military secrets. That espionage by a purported ally damaged our national security more than any operation in U.S. history.

In short, Israel played us for the fool.

From 1981-1985, this U.S. Navy intelligence analyst provided Israel with 360 cubic feet of classified military documents on Soviet arms shipments, Pakistani nuclear weapons, Libyan air defense systems and other intelligence sought by Tel Aviv to advance its geopolitical agenda.

Agents differ from assets and sayanim. Agents possess the requisite mental state to be convicted of treason, a capital crime. Under U.S. law, that internal state is what distinguishes premeditated murder from a lesser crime such as involuntary manslaughter. Though there's a death in either case, the legal liabilities are different for a reason.

Intent is the factor that determines personal culpability. That distinction traces its roots to a widely shared belief in free will as a key component that distinguishes humans from animals.

Agents operate with premeditation and "extreme malice" or what the law describes

as an "evil mind." Though that describes the mental state of Jonathan Pollard, Israeli leaders assured us otherwise another example of an evil mind as the U.S. was played for the fool.

### Played for the Fool, Again

Pollard took from his office more than one million documents for copying by his Israeli handler. When those classified materials were transferred to the Soviets, reportedly in exchange for the emigration of Russian Jews, this spy operation shifted the entire dynamics of the Cold War.

To put a price tag on this espionage, imagine \$20 trillion in U.S. Cold War defense outlays from 1948-1989 (in 2010 dollars). The bulk of that investment in national security was negated by a spy working for a nation that pretended throughout to be a U.S. ally.

Pollard was sentenced to life in prison. Israel suffered no consequences. None. Zero. Nada. Not then. Not now. Then as now, we were played for the fool.

At trial, Pollard claimed he wasn't stealing from the U.S.; he was stealing secrets for Israel with whom the U.S. has long had a "special relationship." He thought we should have shared our military secrets with them. That'schutzpah. That also confirms we were played for the fool.

Looking back, it's easy to see how seamlessly we segued from a global Cold War to a global War on Terrorism. In retrospect, the false intelligence used to induce our invasion of Iraq was traceable to Israelis, pro-Israelis or Israeli assets such as John McCain (see below).

Even while in prison, Pollard's iconic status among Israelis played a strategic role. Was it just coincidence that Tel Aviv announced a \$1 million grant to their master spy less than two weeks before 911? Is that how Israel signaled its operatives in the U.S.?

Did that grant have any relationship to the "dancing Israelis" who were found filming and celebrating that mass murder as both jets smashed into the World Trade Center?

Absent that provocation, would we now find ourselves at war in the Middle East? Surely no one still believes that America's interests are being advanced in a quagmire that has now become the longest war in U.S. history.

"I know what America is," Benjamin Netanyahu told a group of Israelis in 2001, apparently not knowing his words were being recorded. "America is a thing you can move very easily, move it in the right direction."

Let's face it: the U.S. was again played for the fool.

With oversight by Israeli case officers (katsas), Israeli operations proceed in the U.S. by using agents, assets and volunteers (sayanim). Let's take a closer look at each.

### The Sayanim System

Sayanim (singular sayan) are shielded from conventional legal culpability by being told only enough to perform their narrow role. Though their help may be essential to the success of an Israeli operation, these volunteers (sayanim also means helpers) could pass a polygraph test because their recruiters ensure they remain ignorant of the overall goals of an operation.

In other words, a sayan can operate as an accomplice but still not be legally liable due to a lack of the requisite intent regarding the broader goals of which they are purposely kept ignorant. Does that intentional "ignorance" absolve them of liability under U.S. law? So far, yes.

Much like military reservists, sayanim are activated when needed to support an operation. By agreeing to be available to help Israel, they provide an on-call undercover corps and force-multiplier that can be deployed on short notice.

How are sayanim called to action? To date, there's been no attempt by U.S. officials to clarify that key point. This may explain why Pollard was again in the news on July 13th with a high-profile Israeli commemoration of his 9000th day of incarceration.

To show solidarity with this Israeli-American traitor, the lights encircling Jerusalem were darkened while an appeal was projected onto the walls of the Old

City urging that President Obama order Pollard's release from federal prison.

Pollard has long been a rallying point for Jewish nationalists, Zionist extremists and ultra-orthodox ideologues. In short, just the sort of people who would be likely recruits as sayanim. The news coverage given this Day of Adoration may help explain how Israel signals its helpers that an operation is underway and in need of their help.

Are pro-Israelis once again playing Americans for the fool?

When not aiding an ongoing operation, sayanim gather and report intelligence useful to Israel. This volunteer corps is deeply imbedded in legislative bodies, particularly in the U.S.

Thus far, this Israeli operation has advanced with legal impunity as the Israel lobby though acting as a foreign agent continues even now to pose as a "domestic" operation.

Morris Amitay, former executive director of the American Israel Public Affairs Committee, explains how this invisible cadre aids the Israel lobby in advancing its geopolitical agenda:

"There are a lot of guys at the working level up here [on Capitol Hill] who happen to be Jewish, who are willing to look at certain issues in terms of their Jewishness. These are all guys who are in a position to make the decision in these areas for those senators. You can get an awful lot done just at the staff level."

What sayanim are not told by their katsas is that an Israeli operation may endanger not only Israel but also the broader Jewish community when these operations are linked to extremism, terrorism, organized crime, espionage and treason. Though sayanim "must be 100 percent Jewish," Ostrovsky reports in *By Way of Deception* (1990):

"the Mossad does not seem to care how devastating it could be to the status of the Jewish people in the Diaspora if it was known. The answer you get if you ask is: "So what's the worst that could happen to those Jews? They'd all come to Israel. Great!" [Mossad is the intelligence and foreign operations directorate

for Israel.]

## Assets, Agents and Sayanim

Assets are people profiled in sufficient depth that they can be relied upon to perform consistent with their profile. Such people typically lack the state of mind required for criminal culpability because they lack the requisite intent to commit a crime.

Nevertheless, assets are critical to the success of Israeli operations in the U.S. They help simply by pursuing their profiled personal needs typically for recognition, influence, money, sex, drugs or the greatest drug of all: ideology.

Thus the mission-critical task fulfilled by political assets that the Israel lobby "produces" for long-term service in the Congress while appearing to represent their U.S. constituents.

Put a profiled asset in a pre-staged time, place and circumstance over which the Israel lobby can exert considerable influence and Israeli psy-ops specialists can be confident that, within an acceptable range of probabilities, an asset will act consistent with his or her profile.

Democrat or Republican is irrelevant; the strategic point remains the same: to ensure that lawmakers perform consistent with Israel's interests. With the help of McCain-Feingold campaign finance "reform," the Israel lobby attained virtual control over the U.S. Congress.

The performance of assets in the political sphere can be anticipated with sufficient confidence that outcomes become foreseeable within an acceptable range of probabilities. How difficult was it to predict the outcome when Bill Clinton, a classic asset, encountered White House intern Monica Lewinsky?

Senator John McCain has long been a predictable asset. His political career traces its origins to organized crime from the 1920s. It was organized crime that first drew him to Arizona to run for Congress four years before the 1986 retirement of Senator Barry Goldwater.

By marketing his "brand" as a Vietnam-era prisoner of war, he became a reliable

spokesman for Tel Aviv while being portrayed as a "war hero." No media outlet dares mention that Colonel Ted Guy, McCain's commanding officer while a POW, sought his indictment for treason for his many broadcasts for the North Vietnamese that assured the death of many U.S. airmen.

As a typical asset, it came as no surprise to see McCain and Connecticut Senator Joe Lieberman, a self-professed Zionist, used to market the phony intelligence that took us to war in Iraq. McCain's ongoing alliance with transnational organized crime spans three decades.

His 1980's advocacy for S&L crook Charles Keating of "The Keating 5" finds a counterpart in his recent meetings with Russian-Israeli mobster Oleg Deripaska who at age 40 held \$40 billion in wealth defrauded from his fellow Russians.

McCain conceded earlier this month in a town hall meeting in Tempe, Arizona that he met in a small dinner in Switzerland with mega-thief Deripaska and Lord Rothschild V.

For assets such as McCain to be indicted for treason, the American public must grasp the critical role that such pliable personalities play in political manipulations. McCain is a "poster boy" for how assets are deployed to shape decisions such as those that took our military to war. In the Information Age, if that's not treason, what is?

The predictability of a politician's conduct confirms his or her qualifications as an asset. They are routinely developed and "produced" over lengthy periods of time and then—as with John McCain—maintained in key positions to influence decision-making as key junctures.

Israeli Prime Minister Ariel Sharon was candid in his assessment four weeks after 9/11. He may have been thinking about John McCain when he made this revealing comment:

"I want to tell you something very clear, don't worry about American pressure on Israel, we, the Jewish people control America, and the Americans know it."  
[October 3, 2001]

Indictments for Treason

Are assets culpable? Do they have the requisite intent to indict them for treason? Does John McCain possess an evil mind? Did he betray this nation of his own free will or is he typical of those assets with personalities so weak and malleable that they can easily be manipulated?

As federal grand juries are impaneled to identify and indict participants in this trans-generational operation, how many sayanim should the Federal Bureau of Investigation expect to uncover in the U.S.? No one knows because this subtle form of treason is not yet well understood.

Victor Ostrovksy, a former Mossad katsa (case officer) wrote in 1990 that the Mossad had 7,000 sayanim in London alone. In London's 1990 population of 6.8 million, Israel's all-volunteer corps represented one-tenth of one percent of the residents of that capital city.

If Washington, DC is ten times more critical to Israel's geopolitical goals (an understatement), does that mean the FBI should expect to find ten times more sayanim per capita in Washington?

What about sayanim in Manhattan, Miami, Beverly Hills, Atlanta, Boston, Charleston, Charlotte, Chicago, Cleveland, Dallas, Denver, Detroit, Houston, Kansas City, Minneapolis, New Orleans, Philadelphia, Phoenix, Portland, Sacramento, San Diego, Seattle, St. Louis, Tampa, Toledo?

No one knows. And Tel Aviv is unlikely to volunteer the information. This we know for certain: America has been played for the fool. And so has our military.

This duplicity dates back well before British Foreign Secretary Alfred Balfour wrote to an earlier Lord Rothschild in 1917 citing UK approval for a "Jewish homeland." In practical effect, that "homeland" now ensures non-extradition for senior operatives in transnational organized crime.

To date, America has blinded itself even to the possibility of such a trans-generational operation inside our borders and imbedded inside our government. Instead the toxic charge of "anti-Semitism" is routinely hurled at those chronicling the "how" component of this systemic treason.

Making this treason transparent is essential to restore U.S. national security. That transparency may initially appear unfair to the many moderate and secular Jews who join others appalled at this systemic corruption of the U.S. political system.

Yet they are also concerned that somehow they may be portrayed as guilty by association due to a shared faith tradition. That would be not only unjust to them but also ineffective in identifying and indicting those complicit.

This much is certain: a Democrat as president offers no real alternative to a Republican on those issues affecting U.S. policy in the Middle East.

Today's corruption predates the duplicity in 1948 that induced Harry Truman to extend recognition to this extremist enclave as a legitimate nation state. Our troubles date from then.

That fateful decision must be revisited in light of what can now be proven about the "how" of this ongoing duplicity unless Americans want to continue to be played for the fool.

Subject: DESTRUCTION OF THE JEWISH LEADERSHIP FRIDAY 13th SEPTEMBER RITUAL/WO

-----The Ritual-----

=====General Information.

-NONE HERE MUST SUCCUMB TO ENEMY ATTACKS AND THOUGHTS AS TO NOT DO THE RITUAL OR WORKING. DO NOT LET ANY SUCH THOUGHTS CROSS YOUR MIND AS THIS IS THE ENEMY. THEY WILL STOP AT NOTHING MENTALLY, JUST TO STOP YOU. DO -NOT- LET THAT HAPPEN.

-The summary of the steps is on the bottom, so you can look there and know its not long at all.

-Do NOT place yourselves in any danger for the Ritual. If physical circumstances do not allow- DO THIS IN YOUR ASTRAL TEMPLE!

-The day of the Ritual IS the first day of the 90 day working. Or the 40 day working, accordingly. This means that the first day is already 1/90 days done.

-Fear and such emotions as insecurity and all these hundreds of thoughts keeping you away from the Ritual are of the enemy. They are afraid of everyone acting together.

-There is no need to spread and focus our energies in other Rituals at this point. This is crucial here. We will focus on other Rituals after we are done with that.

-The end of the full 40 day working is at December 12. This is 11 days from Satan's personal day, December 23th. 11 is the number of Aquarius and this should be observed closely.

-We will not stop the destruction Rituals until they are gone. Satan is giving orders as to where we will focus, not solely me. Its a planned attack.

-Purpose of this Ritual is: To destroy the jewish leaders that guide the jewish race, so that all jews are destroyed.

-Link to Sigil: <http://satanismgr.webs.com/ritualpics/jewishleaderssigil.png>

-For our people who do not have space, do the Ritual as instructed in your astral temple and be creative in this. Do not let the lack of space stop you. For vibrating the Runes, you can even go to the bathroom or a small walk somewhere [make sure its safe].

-Keep your energies high before the Ritual and keep your meditation schedule up. Make sure to keep up until the working is over as this is most powerful and commendable.

-Be aware that you may get attacked during the working. Never stop- as a Warrior of Satan, keep on it and take any attack as proof of the working causing pain. This includes all kinds of bullshit thoughts which need be ignored.

-The best date for the working is the 13<sup>th</sup>, although there is no real excuse in that someone will not participate as the Ritual is being posted now so people can see how it is going to be and arrange things.

-The Ritual/Working will be made easy so everyone can do this, new and advanced.

- If any day is lost [better NOT let this happen], fill in to the next day.

-Know the beings we target have been under protection so its likely the first days, you may not be feeling quite well the energies are going at their place. This is high unlikely as we have many people- but I point this out for anyone who might experience this.

-One note, the jews are already on a most bad situation. What we do here is actually sealing a "bye bye" working. The workings have took its toll. We will not stop until nothing of them remains- nothing. Stopping or "chilling" before this and we will face demise and numerous problems. The Gods never stopped, neither will we. We have superiority, realize this, but do not get carried away.

-If you find yourself over attacked, I will include an optional step you can do to get rid yourself of filth. This can also be done everyday with your meditations.

-For the days of the working (after the ritual day which counts as day one of the working) if you can, time your magick with the hours of Mars or Saturn.

-The Sigil included is not mandatory to use. It will serve nicely as a focus. You can use your visualization and imagine it hitting the souls of the enemy leaders.

-All instructed below can also be done in the form of balls of energy, directed to the enemy. If someone wants it that way they can do this instead of what is mentioned.

-On the part of the Ritual Declaration, tune in your mind and feel as if you are a link in the chain with all your Nrothers and Sisters in Satan and all the Gods of Hell themselves. This is optional but every little bit counts.

=====THE RITUAL:

The body of the Ritual will be as the Standard Ritual. The difference is, the prayer will be different and at the height of the Ritual, you will vibrate the Runes, either on the Sigil and then burn it, or right away to the enemies. For new people, its suggested to use no sigil.

<http://www.angelfire.com/empire/serpentis666/Ritual.html>

Start the Ritual as instructed and invoke our 4 Crowned Princes, Satan, Bael, Astaroth and Azazel.

Then proceed to the prayer.

Ritual Prayer: [You can customize this, but do not stray from the meaning and leave the Ritual Declaration phrase INTACT as to create the nessescary link with our Brothers and Sisters doing the Ritual]

Father Satan, Father of my Soul, I come before you this important day you have called me to fight in your Army, for a higher and holy purpose. Satan hear my voice for my words are a covenant and a truthful promise.

I, as a Son/Daughter of yours proclaim that I will follow your will and fight the jewish race until they are all destroyed, ALL OF THEM, for they are my enemies as they are yours. Cursed be their souls, cursed be their existence, cursed be everything that protects them and glorified be only you!

Father Satan, share some of your power with me so we can fulfill what we are here to fulfill. Members of our family are all over the world calling in your name and your providence, as to give the enemy what they rightfully deserve. Death, anguish and permanent destruction.

We will all attack their leadership. As they try to attack ours, we will annihilate theirs and together their putrid Race. CURSED BE THEIR LEADERS, THEIR ECONOMICAL LEADERS, SPIRITUAL LEADERS, THOSE WHO GUIDE AND HAVE BEEN GUIDING THIS PUTRID RACE, CURSED BE THEIR SOULS, AND ALL THEIR THOUGHTS AND CHOICES GUIDED TO THE DESTRUCTION AND DEATH OF THEIR RACE AND THEIR TOTAL END!

[Ritual Declaration->]:

ĀĀĉĀĀĀĀĀAll the jewish leaders whoĀĀĉĀĀĀĀs decisions are guiding the fate of the jewish race are permanently and fully destroyed.

Their choices and decisions destroy totally the jewish Race, now and forever.ĀĀĉĀĀĀĀ

SATAN, GIVE US ALL THE POWER AND GUIDE US TO THE RIGHTFUL AGE OF YOUR WILL!

HAIL SATAN!!!!

HAIL HITLER!!!!

HAIL [Your Guardian Demon]!!!

HAIL ALL OUR GODS AND FAMILY!!!!

SIEG HEIL!!!!!!

---

After you are done with the Ritual Prayer, you can drink from your chalice.

This is where you will focus on the sigil, or just the jewish state or whatever you feel is ĀĀĉĀĀĀĀfitĀĀĉĀĀĀĀ to focus if not the sigil. You can also, if you are using the sigil, apply blood on the part around where the Runes are and this will further boost the power, as Instructed by HP Vovim Baghie. This is not nessescary for new people and it should only be 2 or 4 little drops of blood.

Place the Sigil upon the Altar or Focus on the thought of the jewish leaders getting destroyed and taking on their race with them.

<http://satanismgr.webs.com/ritualpics/jewishleaderssigil.png>

\*Now you can loudly affirm: All the Jewish leaders whose decisions are guiding the fate of the Jewish race are permanently and fully destroyed.

Their choices and decisions destroy totally the Jewish Race, now and forever.

Before proceeding with the Runes, vibrate AUM 9 times to open the working of vibration.

Then proceed onto the next step.

Now to start vibrating the Runes:

NOTE: [The numbers of vibrations range from 9 and its multiples for each Rune [number of destruction / endings] , 13 is a number of this day that is powerful in regards to this, 40 is the Number of Satan , 108 for a full working number. Make sure to retain focus during the vibration. The number you will do each day after the working is not affected by this number. For instance you might choose 40 for the Ritual and on the next 90 days, do just 9 vibrations. If you choose to do 13, you can do 13 only on this Friday and then proceed with the other numbers that you chose. 13 is only for Friday. The other days need be on other numbers]

So, starting:

HAGALAZ RUNE

-Hagalaz is vibrated:

HHHHHHHAAAAAAAAAAAAAGGGGGGGGGGAAAAAAAAAALLLLLLLAAAAAAAAAAAAZZZZZZZZZZZZZZZZZZ

Focus intensively on the sigil or inside the souls of the enemy leaders that guide the jewish race.

Vibrate the Rune intensively for how many times you have chosen, each vibration intensifying the negative energy on the sigil or inside the souls of these enemy leaders.

After you are done, Affrim either 1 or 9 times:  $\text{Å}\hat{\text{A}}\text{Å}\hat{\text{A}}\hat{\text{A}}\hat{\text{A}}$ The energies of the Rune HAGALAZ are right now and permanently destroying all the leaders of the jewish race. Their decisions totally and permanently destroying themselves and the jewish race of people. $\text{Å}\hat{\text{A}}\text{Å}\hat{\text{A}}\hat{\text{A}}$

Now you will proceed to the next Rune:

THURISAZ RUNE

-Thurisaz is vibrated:

TTTTTTTHHHHHHHHHHHUUUUUUUUURRRRRRRRRRIIIIIIIIIIISSSSSSSSSSAAAAAAAANAAAAAAAZZZZZZZZZZZZZ

Focus intensively on the sigil or inside the souls of the enemy leaders that guide the jewish race.

Vibrate the Rune intensively for how many times you have chosen, each vibration intensifying the negative energy on the sigil and the power of the Rune therein or inside the souls of these enemy leaders.

After you are done, Affrim either 1 or 9 times: Æ̃Æ̃¢Æ̃Æ̃Æ̃The energies of the Rune THURISAZ are right now and permanently destroying all the leaders of the jewish race. Their decisions totally and permanently destroying themselves and the jewish race of people.Æ̃Æ̃¢Æ̃Æ̃Æ̃

Now you will proceed to the next Rune [A little different affirmation]:

ISA RUNE

-Isa is vibrated:

IIIIIIIIIIIIIIIIIIIISSSSSSSSSSSSAAAAAAAANAAAAAA

Focus intensively on the sigil or inside the souls of the enemy leaders that guide the jewish race, but now imagine that in all your inhales the sigil or them are being filled, full in grey energy and full in total chaos energy.

Vibrate the Rune intensively for how many times you have chosen, each vibration intensifying the negative energy on the sigil or inside the souls of these enemy leaders.

After you are done, Affrim either 1 or 9 times:

ĀĀĀĀĀĀĀĀThe energies of the Rune ISA are right now and permanently binding all the leaders of the jewish race into total destruction . Their decisions permanently bind the jewish race of people into total destruction.ĀĀĀĀĀĀĀĀ

Now to finally seal the Ritual.

\*\*\*\*\*Now the next step, for those using a sigil:

Write on the back the Ritual Declaration:

ĀĀĀĀĀĀĀĀAll the jewish leaders whoĀĀĀĀĀĀĀĀs decisions are guiding the fate of the jewish race are permanently and fully destroyed.

Their choices and decisions destroy totally the jewish Race, now and forever. 𐄂𐄂𐄂𐄂

Vibrate 9 times AUM and now you are done.

Burn the Sigil and you can either tune into this and meditate on the outcome for some minutes. Its better if you do.

\*\*\*\*\*Now for the next step, for those who are not using the sigil:

Affirm the Ritual Declaration:

𐄂𐄂𐄂𐄂𐄂All the jewish leaders who 𐄂𐄂𐄂𐄂's decisions are guiding the fate of the jewish race are permanently and fully destroyed.

Their choices and decisions destroy totally the jewish Race, now and forever. 𐄂𐄂𐄂𐄂

Vibrate 9 times AUM and now you are done.

Now you can sit for some minutes and imagine in your head pissrael getting nuked, people raging on them and destroying them etc.

Close with a big and proud,

HAIL SATAN !!!!!!!!!!!!!

\*\*\*\*\*Summing up the steps.

===For those using the Sigil.

1. Start the Standard Ritual as instructed.
2. On the height of the Ritual, write the prayer and burn it. [Make sure to leave the Ritual Declaration INTACT, as this creates the necessary psychic link with our Family who is doing the Ritual]
3. Vibrate AUM x9 times.
4. Vibrate the Runes and charge the Sigil, affirm and program the energy. If you chose so, apply blood on the runes.
5. Write on the back of the Sigil the Ritual declaration.
6. Burn the sigil and as the Sigil burns, or after the sigil has burned, vibrate AUMx9 times.
7. Close the Ritual.

===For those not using the Sigil or in astral temple.

1. Start the Ritual as instructed.

2. At the height of the Ritual, recite the prayer and when done, recite the Ritual Declaration part.
3. 3.Vibrate AUM x9 times.
4. 4.Focus on the souls of the enemies or simply raise the energies of the runes and program these with their affirmations.
5. 5.Vibrate AUM x9 times.
6. 6. Recite the Ritual declaration.
7. 7.Close the Ritual.

The final purpose of the Bible is for the Jews to build their Temple of Solomon which is the Jewish World Order. The Bible is to create the energy to manifest their Chief Corner Stone. The Jews stated in their Protocol's this Messiah is the keystone[capstone] to their entire agenda Messiah is the meaning of chief capstone or corner stone:

Jewish Talmud:

Simeon Haddarsen, fol. 56-D: "When the Messiah comes every Jew will have 2800 slaves."

Special note 888 and 8 also relate in the Bible directly to the Nazarene as he is the Messiah or Chief Corner Stone of which is the birth and completion of the Jewish World Order.

Messiah [meaning Chief Cornerstone/Capstone] This represents the finished Temple of Solomon.

1 Peter 2:6 [mentioning Jesus] [ $2+6=8$  as stated above the Nazarene as the Jewish Messiah who creates the Global Zion where Gentiles are slaves].

"Behold, I lay in Zion a chief cornerstone, elect, precious, and he who believes on Him will by no means be put to shame"

[7 is a number of finishing man with spiritual power and of the Jewish Messiah in this case it goes back to the number 22 in Revelations and Psalms the books related to global Jewish Rule].

7Therefore, its value is for you who have faith, but for those without faith:

"The stone which the builders rejected has become the cornerstone,"

[8 is the number of the creation of this Jew World Order hence also the undoing of those opposed to it].

8 and "A stone that will make people stumble, and a rock that will make them fall. "They stumble by disobeying the word, as is their destiny.

[Note 9 the number of finality and Gods proclamation, Judgements. Here we see the Jews are the Chosen People who will be given the Messiah and World Rule which is all through the Bible and its point the core of the Bible is the Jewish Torah].

9\* But you are "a chosen race, a royal priesthood, a holy nation, a people of his own, so that you may announce the praises" of him who called you out of darkness into his wonderful light.

This is an extension of :

Psalm 89:19 [  $8+9=17=8$  the Nazarene and  $1+9=10$  the number of the Jewish Global Zion the number of perfection of their "God." When they rule. As seen by this verse is about the Jewish Messiah.]

"Psalm 89:19 Then thou spakest in vision to thy holy one, and saidst, I have laid help upon one that is mighty; I have exalted one chosen out of the people."

The pinnacle the Nazarene stands upon is considered:

T

he only remaining portion of the original temple built by Solomon.

The Pinnacle is the place where the Chief Cornerstone is placed. The Nazarene is thus the Jewish Messiah by this statement in the Bible.

The dialogue between the Nazarene and the Christian Devil is connected to who the Rabbis state is the person identified by God in Psalm 91 is none other than the Messiah. We see again this is the Jewish Messiah and what this means.

Psalms is based upon the Jewish Messiah and World Rule.

Psalms is the 19th book in the Old Testament.  $1+9=10$ . Psalm's 91 also equals 10.

Psalms contains 150 Psalms which adds to 6 the number the Jews wish to bind us under 73 of these are dedicated to King David who is connected to the Jewish World Leader, the Nazarene.  $7+3=10$  the perfect number in Judaism and relates to the 613 [equals 10] rules of their "God" the Jews will impose on the Gentiles with their Theocratic law. This is vital as the Torah and its law is the salvation [World Rule] of their God and the essence of their Covenant which gives them this promise. We see the Messiah is actually the fulfilment of this all important Theocratic law:

Matthew 5:17-18 Jesus states:

17 Think not that I am come to destroy the law, or the prophets: I am not come to destroy, but to fulfil. [ $1=7=8$  the number of the new order and power to be created by this laws fulfilment the coming of the Messiah and the Temple of Solomon finished.]

18 For verily I say unto you, Till heaven and earth pass, one jot or one tittle shall in no wise pass from the law, till all be fulfilled

[ $1+8=9$  the number of finality and Gods judgement once again the setting up subliminally for this Jewish Messiah and Slave State.]

Revelations is the final book in the Bible and has 22 chapters the number of God, the final working completed, the finishing of the building of the Temple of Solomon. Hence why the number of the Master Builder. Literally the Messiah. 12 Which relates back to Gentiles being bound without power at the soul and slaves to the Jewish Zion and its Messiah This is the full agenda of this book in this verse:

Revelation 22:12 "And behold, I am coming quickly, and My reward is with Me, to give to every one according to his work. I am the Alpha and the Omega, the Beginning and the End, the First and the Last."

Hence why the The Nazarene utters the 7 last words of finality, on the cross which is the phase at the start of Psalms 22. Psalms being the book of Jewish World Rule.

Within the text:

Revelations chapter 17:1 - 20:15)

Depicts the destruction of the Gentile [Pagan nations] by the Jewish Messiah.

The New Creation (21:1 - 22:5)

Rev 12:1 - 6 depicting the New Israel, The Jew World Order, 12=completion. This is the number like 6 of man falling short of spiritual power and being a slave to Zion. 12 being this within the context of total Jewish World Order.

5 She gave birth to a son, a male child, destined to rule all the nations with an iron rod.\* Her child was caught up to God and his throne.

6The woman herself fled into the desert where she had a place prepared by God, that there she might be taken care of for twelve hundred and sixty days.\* [12 and 66 the numbers of as stated which is when the New Israel the Jewish World Order is created by the Jewish Messiah the Nazarene. There are 66 books in the bible that also add into 12.]

10Then I heard a loud voice in heaven say: [Note as stated 10 the number of completion, being under their Theocratic rule.]  
"Now have salvation and power come, and the kingdom of our God and the authority of his Anointed."

Note the Rod of Iron relates back to book Psalms depicting the Jewish World Messiah and Rule:

\* [Psalm 2] A royal Psalm. To rebellious kings (Ps 2:1 - 3) God responds vigorously (Ps 2:4 - 6). A speaker proclaims the divine decree (in the legal adoption language of the day), making the Israelite king the earthly representative of God (Ps 2:7 - 9) and warning kings to obey (Ps 2:10 - 11). The Psalm has a messianic meaning for the Church; the New Testament understands it of Christ (Acts 4:25 - 27; 13:33; Heb 1:5).

The Messiah is a Tyrant who shall rule by violence, murder and force only. Which is the nature of the Jewish God and People. He shall not tolerate freedom [rebellion] of any kind. All the Gentile nations will be enslaved to him.

Psalms, chapter 2

9 With an iron rod you will shepherd them, like a potter's vessel you will shatter them [Note 9 is the number of finality and judgement of God the final judgement. The Messiah lays waste by judgement on the Gentile world and destroys it.]

[Note 8 refers to be made to proposer and the creation of a New Order or a new start. The Jewish Messiah shall create the order in which the Jews shall reap the fat of the Gentle land. The Jew World Order slave state. As stated 8 in the Bible refers to the Nazarene.]

More:

[In the Bible the number 8, which comes after the number (7) which signifies completeness, symbolizes a new beginning, or a new order of things, a new creation, a new birth.

Christ was selected as the Passover Lamb on the 10th day of the first month, a weekly Sabbath (John 12: 28-29). He was crucified on the 14th day (7 + 7, or double completeness) which was also the 4th day of the week. He was in the tomb exactly 3 days and 3 nights. He was resurrected toward the end of the next weekly Sabbath, the 17th (the number of victory). The 17th was also the 8th day when counted inclusively from the 10th day, the day of His selection. Thus, the confluence of these numbers shows Jesus' total victory . The building of the Temple of Solomon his time on the cross relates to Psalm 22. The 10 refers to rule under the Jewish Theocratic law. Which Jesus states he is the fulfilment of.]

Matthew 5:17-18

17 Think not that I am come to destroy the law, or the prophets: I am not come to destroy, but to fulfil.

18 For verily I say unto you, Till heaven and earth pass, one jot or one tittle shall in no wise pass from the law, till all be fulfilled

Pslams:8

and I will give you the nations as your inheritance, and, as your possession, the ends of the earth.

[my note 11 relates to destruction and chaos the Messiah will destroy and plunge the Gentile nations into ruin who do not bow before Zion and the Jewish

race as slaves.]

11 Serve the LORD with fear; exult with trembling, Accept correction lest he become angry and you perish along the way when his anger suddenly blazes up. Blessed are all who take refuge in him!

Jesus is the Jewish Messiah only:

W

ith Revelations being the end of the Bible its also the 66 book. 66 adds to 12. Which relates back to Gentiles being bound without power at the soul and slaves to the Jewish Zion and its Messiah. It's the perfect number in the Bible because it expresses its intent. To enslave the Gentiles as Goyium literally animals of burden and slaves to the Jewish World Order. The Jewish Holy Books over and over state that Gentiles simply exist to be slaves of the Jewish People and their "God." This is why 12 and 66 are stated to be the number connected with the New Israel.

Here is the final reality right from the mouth of the Jewish Messiah itself:

Mat 15:22 And, behold, a woman of Canaan came out of the same coasts, and cried unto him, saying, Have mercy on me, O Lord, thou Son of David; my daughter is grievously vexed with a devil.

Mat 15:23 But he answered her not a word. And his disciples came and besought him, saying, Send her away; for she crieth after us. [send her way because she is a Goy].

Mat 15:24 But he [Jesus] answered and said, I am not sent but unto the lost sheep of the house of Israel. [The Jewish Messiah only, not the Goyium.]

Mat 15:25 Then came she and worshipped him, saying, Lord, help me. [begs as slave.]

Mat 15:26 But he [Jesus] answered and said, It is not meet to take the children's [of Israel the Jews] bread, and to cast it to dogs. [Jesus in true Jewish style calls her as a Gentile an animal, and all Gentiles as well. He did not come for the Goyium the animals only for the Chosen People, his fellow Jews.]

Very Important :

Mat 15:27 And she said, Truth, Lord: yet the dogs eat of the crumbs which fall from their masters' table. [Note here we have 1+5=6 The number 6 is stamped on all that is connected with human labor. The man without spiritual power in the ancient world called an animal, the Goyium. And 2+7=9 Finality and judgement of God. The Gentile reduced to a slave bowing before the Jewish Masters, God and Messiah. The Jew World Order.]

Matthew 15:24) He (Jesus) replied, "I was sent only to the lost sheep of the house of Israel."

Matthew 10:5-20

These twelve Jesus sent out with the following instructions: "Do not go among the Gentiles or enter any town of the Samaritans. 6 Go rather to the lost sheep of Israel.

Christians are false Jews and not given the salvation of the Messiah:

Revelation 2:9-10

9 I know your afflictions and your poverty yet you are rich! I know about the slander of those who say they are Jews and are not, but are a synagogue of Satan. 10 Do not be afraid of what you are about to suffer. I tell you, the devil will put some of you in prison to test you, and you will suffer persecution for ten days. Be faithful, even to the point of death, and I will give you life as your victor's crown.

[9 is the number of finality and 10 Jewish theocratic rule under their Messiah here is the final point. The Nazarene is addressing the Jews. As he stated he only comes for the Jewish race, Gentiles are simply animals to be slaves of the Jews. With the number 10 we see the final truth only the Jews have salvation of the Messiah and Zion. As the Jewish religion states that Adam is from the blood of Yahweh this is why he is created on the 7th day the number of completion. Eve they state had sex with Satan and spawned Cain who is reduced to become apart of his natural role in the land of Nod amongst and married to the 6th day humans. The Goyium or animals hence they creation on the 6th day the number of such. That is the message in Genesis this is Cain's real sin. His birth.

Because Gentiles are from the Seed line of Satan they can never have the Covenant of Israel thus are not entitled to the salvation of the Torah only the Jewish race is. The Gentiles are stated to have Satanic souls and blood. In the Jewish religion. The religion the Nazarene preached and is the fulfilment of. This is why the Nazarene is called the second Adam.

The fake Jews, the synagogue of Satan are the GENTILES. Hence 9 the finality of the Judgement of the Jewish Messiah-God upon them as fake Jews. Christians [Gentiles] are the fake Jews they believe themselves entitled to the Jewish salvation of the Torah which Jesus in the final book of the Bible states they are not of nor with they ever be. With the next verse of 10 the number of Jewish World Order. The Jewish Messiah tells the Jews they will triumph in the end and have the promise of salvation. The Jew World Order. The Temple finished.

Pay heed:

John 4:22

22. "You worship what you do not know; we know what we worship, for salvation is of the Jews.

22 is the number of Salvation which is the Temple of Solomon, the New Zion where the Jewish Messiah rules from with the rod of iron and treads the Gentiles under his feet as slaves and servants.

Christians you literally WORSHIP WHAT YOU DO NOT KNOW, YOUR OWN DAMNATION.

Simeon Haddarsen, fol. 56-D: "When the Messiah comes every Jew will have 2800 slaves."

"The nations will gather to pay homage to the people of God: all the fortunes of the nations will pass to the Jewish people, they will march captive behind the Jewish people in chains and will prostrate themselves before them, their kings will bring up their sons, and their princesses will nurse their children. The Jews will command the nations, they will summon peoples whom they do not even know them will hate them. The riches of the sea and the wealth of nations will come to the Jews of their own right.

"Any people of the Kingdom who will not serve Israel will be destroyed"

-Isidore Loeb [Le Litterature des Pauvres dans la Bible].

Ch. 10 of Politische Fibel by Hansjoerg Maennel, 16th (1940) edition. Translated by Hadding Scott, 2011.

## Marxism or Nationalism

Marxism stands for Democracy, the International, Pacifism, and the Class Struggle with the goal of the abolition of private ownership. The founder of this doctrine was Karl Marx (real name Mardochei\*; 1818 - 1883). Marx was a Jew; this fact in itself explains the entire manner and thrust of his thinking. He was no "proletarian," but came from bourgeois Jewish circumstances. Marx was also no workers' leader [Arbeiterfuehrer] but a typical literatus. He drew not from life, but from books. The liberal-capitalist writings of the English national economists [Volkswirtschaftler] strongly influenced him. His chief work is Das Kapital. It is teeming with unusual foreign words; a factory worker for example cannot understand it at all. There are no greater opposites than Karl Marx and Adolf Hitler.

Marxism incorporates in their acutest form all the fallacies of the 19th Century that plunged our folk into misery. The Marxists proclaim the International, they deny the value of folkdom, and want to replace it with "international solidarity." The Marxists were pacifists; they have always appealed to cowardice and conducted or glorified treason. Marxism openly called for the class struggle. The Marxists advocated democracy and parliamentarism; their biggest party called itself "Social-Democratic."

We have dealt with these views already. We have recognized that these principles are completely to be rejected, because they consistently bring about the collapse of a nation.

From the spirit of this pernicious fallacy Karl Marx constructed an economic theory. It would be amiss if we critically examined all the elements of Marxism. With that one could at best awaken the memory of this destructive way of thinking. In a few years the Marxist poison instead should be completely extirpated, so that no German knows at all anymore what Marxism is. Therefore only the crucial point of Marxism should be extracted here.

Marx asserts: every entrepreneur always exploits his workers; no employer ever pays out the full earning. Consequently businesses grow at an ever-increasing rate. Big business absorbs small business. In a necessary process of development it finally reaches the point, according to Marx, that there are only a few big

capitalists, who on the other hand are faced with an enormous army of proletarians.

On the basis of this prospect Marx does not, however, call for an economic policy that would prevent such a development. Rather he explains with quintessentially Jewish skill at distortion [Verdrehungskraft] that this development in the economy is to be welcomed: it is good that big capital constantly increases; it is good that there are ever more powerful, and accordingly fewer, capitalists. That is, according to Marx, a necessary development, which one cannot and should not prevent but only promote. Then, according to Marxist prophecy, comes the blink of an eye in which the few capitalists are dispossessed ("expropriation of the expropriators"(!), in other words dispossession of the dispossessors) by the teeming masses.

The proletariat is to wait patiently for this moment.

This doctrine of the Jew Karl Marx shows the whole fraud of Marxism. Here we discern that the goal of Marxism itself is like that of Capitalism: the dominion of World Jewry. We see the same thing when we consider the attitude toward private ownership. Marxism calls for dispossession, for the abolition of private ownership. Everything is to belong to the state. The result is a reward for the stupid and lazy along with a punishment for the efficient, who have achieved something and are now dispossessed, and with that comes a paralysis of productivity, an education for laziness and parasitism.

Capitalism on the other hand stands for the inviolability, the "sanctity" of private ownership. It is irrelevant how the capital was derived and how it is utilized. The result is the exploitation of the productive.

National-Socialism stands fundamentally on the side of private ownership. What each one creates through honest labor should belong to him. But the state has the right to dispossess when ownership is not used for the wellbeing of the folk or is not honestly gained.

Effect of Marxism: everything belongs to one entity, the state, i.e. the Marxist leaders, thus to Jewry.

Effect of Capitalism: everything belongs to one entity, the big capitalists, thus also to Jewry.

Effect of National-Socialism: to each his due [jedem das Seine]; evaluation according to achievement.

Because of Adolf Hitler, the workers have been brought into the folk community, rooted in the soil, and de-proletarianized.

Marxism and Capitalism take ownership. National-Socialism makes ownership.

Both Marxism and Capitalism have the same Jewish goal and the same Jewish effect. In both, everything belongs to international high finance; all other human beings are propertyless: "proletarians."

The practice of Marxism has exposed the entire fraud for the German Worker. The ostensible concern for the proletarian was merely a dramatic performance [Spiegelfechtere] made to fool a great many workers and to rope them into the Jewish-led organizations. Marxism has always taken care that the middle classes and the entire bourgeoisie be ruined [vernichtet] and proletarianized. Thereby the Marxist parties also hoped to gain better prospects for agitation and thus better election results.

Social-Democracy and Communism both had the same final aim: they differed only in externals, because of different tactics. Communism is the consistent path of Marxist insanity. Especially in the KPD Lower Humanity organized for the murder of respectable [anstaendigen] Germandom, which joined the SA against the destruction and for the defense of all worthy things.

Adolf Hitler: "Everything from robberies, arsons, railroad attacks, assassination attempts, and so on, receives moral sanction in the Communist Idea. The method of individual mass terror alone has, in the course of a few years, cost the National-Socialist movement over 300 dead and ten-thousand injured.

In Communist Soviet Russia all foundations of folkdom are being systematically destroyed. Here there is no freedom for the worker or the farmer, no marriage and family, no religion, and no honor anymore. Here Asiatics and Jews are triumphant. Whoever opposes this slavery is crushed with bloody terror.

Before the National-Socialist Revolution the Marxist Terror in Germany was manifesting itself ever more clearly. Adolf Hitler had perceived that one could overcome the terror of Marxism not through bourgeois propriety and cowardice, but only through bitter opposition. To this end he founded the SA. The SA has shattered the Marxist Terror. They have accomplished their mission under the heaviest losses.

Marxism and Liberalism both have the same root. They are different varieties of the same Jewish Materialistic worldview. Marxism is a Liberalism with reversed early symptoms. Liberalism is the avarice of the "propertied class"; Marxism is the envy of the "unpropertied class." But National-Socialism is the sacrifice of one nation for the nation.

Marxism and Capitalism are both instruments of Jewry for the enslavement of peoples. Adolf Hitler recognized that one could break Jewish power only when one had led the German Worker out of the Marxist organizations.

The enormous propaganda campaign of the NSDAP had the goal of enlightening the German people about the deceit of Jewry. Whenever the bourgeois Capitalist parties turned against Marxism, they turned against the working class. But they represented essentially the same materialistic worldview as Marxism itself, only in another variation. Therefore the bourgeoisie was unable to defeat Marxism. No party of class, only a national movement, could accomplish this task.

The struggle of National-Socialism against Marxism was never a struggle against the worker, but always about the worker and for the worker. Therefore our leader fought above all against the Marxist plague. This struggle has ended victoriously. The National-Socialist Revolution destroyed Marxism. At the onslaught of the SA this rotten doctrine collapsed like a house of cards.

Our leader has, with the destruction and eradication of Marxism, created the prerequisite for the reascent of Germany .

Joseph Goebbels: "We do not want to abolish ownership; rather we want to generalize ownership."

Adolf Hitler: "On the day when Marxism is smashed in Germany, its fetters are in truth broken forever. For never in our history have we been conquered because of the strength of our opponents, but always only because of our own vices and because of the enemies in our own camp."

Adolf Hitler: "The highest aim of the folkish state is thus the maintenance of those fundamental racial elements which, as imparters of culture, bring the beauty and dignity of a higher humanity."

Subject: Re: Member's Post did not get through

I remember a member posted a very interesting link of it from YouTube though it was in foreign subtitles. I replied and linked the member the one without subtitles. I'll be sure to share more interesting links for all of us to share and distribute the truth that has been kept from us.

YouTube is proving to be a powerful source where people are waking up, so I'll plan to upload videos that tell the truth. I hope you're having a nice time Maxine, thank you for sharing links with us. Dark blessings my friend.

Henry Ford was a good man with good intentions, but as I stated in my most recent sermon which will go up soon, there is absolutely no such thing as a non-Jewish Christianity. The Jews will pull their stunts to make it look otherwise, but there has never been a pure, Aryan Christianity. Hitler himself made that obvious and stated that he is a Heathen to the bone.

I'm sure you already know this, but there are a lot of confused individuals who haven't even realized that they have been touched by the Jewish plague of Christianity in some way or another. Hitler considered the sentimental feeling not only for Jewish Christianity, but Christianity itself, as a mental sickness. It is.

The occult, black masses at Wewelsburg, desecration of Christian temples and shrines, removal of the Christian Bible and replaced with Mein Kampf, etc; hardly Christian.

Christians who are against the Jews are a walking contradiction, as the part of them that is against the Jews is Satanic, but the whole thing about the Jews are working to destroy Christendom is a lie straight from Jewish Hegelianism.

AH I am glad you confirmed what I suspected yahoo is doing! But not just on the egroups personal email and messenger a friend and I suspected we were being hacked and our messages intercepted for some time. We change passwords and accounts things go well for a week then fuck up again. It happens so much and so predictable on certain subjects especially our instant messages get delayed, dissapeard or come up double. One of us gets logged off or we can't talk for a while. So watch out for this too! Maybe look for a new messenger service and be carefull what you talk about especially in certain countries you could get in trouble if anyone talks off here in private it is not private!!!

Any talk of black magick and such rituals seem to really upset it the most!!!! Hmm someone is worried I think?

This is one reason HP Maxine I have not emailed you in a while some things I wanted to say but yeah... I think you will understand.

HAIL SATAN! FUCK YAHOO AND THE ENEMY you are going down fuckers like it or NOT!

Hello all.

I've decided to compile some links for you to watch and share. The videos are all from YouTube so they will be very easy to share and save them into your computer. I'll be planning to burn some discs of this information and even present them into schools and colleges. Knowing my local area, I do plan to give out free CD's for people to watch in their DVD players at home or at school/college in a History lesson and they can see for themselves that the Holohoax was a lie.

I know that the academics in school and college History lessons will guarantee to consist of the 6 million figure and how the education system depicts Hitler in a negative term, so I'll plan to send the CD's and hopefully they get the time to watch it. In the meantime, here's some links for you to watch.

I just want to add something here, especially for people who are new members in this group. David Duke is notorious for pushing xianity. He is also bought and paid for by the enemy. Some of his videos and writings do have truths in them, but the xian lies are imbedded to confuse people.

The most formidable and grave threat to National Socialism and related patriot organizations is xianity and the jews know this. Xianity and its twin of communism are like the queen on the chessboard for the jews and they will work in any way to try to protect these two from being exposed for exactly what they are. Both xianity and communism pretend to be enemies of the jews, while in reality, nothing is further from the truth. Unknowing people have fallen for this scam for a very long time. The jews are extremely clever and deceptive and know how to play the Gentiles. Both communism and xianity will put on shows in "persecuting" jews, but these are just for show and given the self-centered, parasitical nature of the

jewish character, they do not care how many of their own they have to sacrifice to obtain their goal of world enslavement and domination. You have to see through this and when you can see through all of this, everything becomes clear.

A good example is after the end of WW2, Josef Stalin enforced an "anti-Semitic" campaign and purged a number of jews. The jews are always publicizing this, especially if you read about Russian history and communism. This in truth was because Adolf Hitler exposed communism for what it really was- a jewish program. So, Josef Stalin and his cohorts put on a show for the world, trying to fool the unsuspecting and ignorant populaces into believing jews were persecuted under communism. Josef Stalin himself was a jew [his real name being Josef Dugasvilli, meaning 'son of a jew' in Georgian].

Because of xianity, our astral senses have been blinded, especially those of the average person. The jews are communists at the soul. They gravitate towards communism, as this is a part of their soul and will even subconsciously work to advance communism and anything that promotes their agenda, such as xianity. Unfortunately, most people cannot see this and become confused, especially when viewing videos and reading the writings of traitors such as David Dukewitz, and others who work for the enemy in promoting the xian lies. This is why race is so important. Race goes beyond physical appearances and is at the soul. Thoth even said this.

What this does, this xianity, is it creates the necessary psychic and subliminal connections for the jews to work their magick, control and manipulate. The Third Reich rose rapidly, because most of the top people were Satanists. They knew the truth and rided their movement of xianity and its influences. The enemy knows this and will do anything and everything to imbed, promote, and advance xianity from the inside of any Gentile organization, as this is how they obtain and maintain control and eventually destroy from within. While there are a few people who are truly deluded and believe the xian lies, the leaders such as David Dukewitz and related scum know the truth, but along with greed and also being a part jew himself, they continue to gain publicity and rake in funds by serving jewish masters.

I, myself, believe in death before dishonor. There is an old adage: "A coward dies a thousand times."

After Dr. Pierce died Glibe took over and from long term members statements purposely ran the organization into the ground and pillaged the funds for himself. This character removed the chapters Pierce put in to warn about Christianity from the members Handbook thus openly changed the NA's policy to a pro Christian one.

On the other side Metzger pushes materialistic atheism of the Communist variety. Dr. Pierce openly referred to him as "That Bolshevik." While preaching against National Socialism as much as possible. Very interesting... It's also a very sad fact that Metzger (Jew?) has some Fred Phelps-style Christian Values on his website. I understand making jokes about the facts of certain races for humor, but with something that is only a person's own business...yes, that reeks of the Soviet Jewnion.

I just want to add something here, especially for people who are new members in this group. David Duke is notorious for pushing xianity. He is also bought and paid for by the enemy. Some of his videos and writings do have truths in them, but the xian lies are imbedded to confuse people.

The most formidable and grave threat to National Socialism and related patriot organizations is xianity and the jews know this. Xianity and its twin of communism are like the queen on the chessboard for the jews and they will work in any way to try to protect these two from being exposed for exactly what they are. Both xianity and communism pretend to be enemies of the jews, while in reality, nothing is further from the truth. Unknowing people have fallen for this scam for a very long time. The jews are extremely clever and deceptive and know how to play the Gentiles. Both communism and xianity will put on shows in "persecuting" jews, but these are just for show and given the self-centered, parasitical nature of the jewish character, they do not care how many of their own they have to sacrifice to obtain their goal of world enslavement and domination. You have to see through this and when you can see through all of this, everything becomes clear.

A good example is after the end of WW2, Josef Stalin enforced an "anti-Semitic" campaign and purged a number of jews. The jews are always publicizing this, especially if you read about Russian history and communism. This in truth was because Adolf Hitler exposed communism for what it really was- a jewish program. So, Josef Stalin and his cohorts put on a show for the world, trying to fool the unsuspecting and ignorant populaces into believing jews were persecuted under communism. Josef Stalin himself was a jew [his real name being Josef Dugasvilli, meaning 'son of a jew' in Georgian].

Because of xianity, our astral senses have been blinded, especially those of the average person. The jews are communists at the soul. They gravitate towards communism, as this is a part of their soul and will even subconsciously work to advance communism and anything that promotes their agenda, such as xianity. Unfortunately, most people cannot see this and become confused, especially when viewing videos and reading the writings of traitors such as David Dukewitz, and others who work for the enemy in promoting the xian lies. This is why race is so important. Race goes beyond physical appearances and is at the soul. Thoth even said this.

What this does, this xianity, is it creates the necessary psychic and subliminal connections for the jews to work their magick, control and manipulate. The Third Reich rose rapidly, because most of the top people were Satanists. They knew the truth and rided their movement of xianity and its influences. The enemy knows this and will do anything and everything to imbed, promote, and advance xianity from the inside of any Gentile organization, as this is how they obtain and maintain control and eventually destroy from within. While there are a few people who are truly deluded and believe the xian lies, the leaders such as David Dukewitz and related scum know the truth, but along with greed and also being a part jew himself, they continue to gain publicity and rake in funds by serving jewish masters.

Hello all.

I've decided to compile some links for you to watch and share. The videos are all from YouTube so they will be very easy to share and save them into your computer. I'll be planning to burn some discs of this information and even present them into schools and colleges. Knowing my local area, I do plan to give out free CD's for people to watch in their DVD players at home or at school/college in a History lesson and they can see for themselves that the Holohoax was a lie.

I know that the academics in school and college History lessons will guarantee to consist of the 6 million figure and how the education system depicts Hitler in a negative term, so I'll plan to send the CD's and hopefully they get the time to watch it. In the meantime, here's some links for you to watch.

You see the results of what we do. You feel these everyday you get attacked by these maggots or the days they are afraid to attack you, too afraid for this.

You know that what we do shapes our current world. I know you are a Warrior and if you are reading this I Hail your heart of steel.

Our people are the most elite people on the planet. We need our fiery determination, our intensive Willpower, our united rage to bring down ALL the jewish scums. They think they were safe on their little throne. But in fact it was a matter of time, such as it is now.

I call ALL our faithful Soldiers to join the fight and continue to be relentless. We have won and this must manifest. Lets show them who owns the real power and that what Satan has created can never be undone. MAKE OUR FATHER PROUD. GO FOR THE FULL WORKING AND DO NOT GIVE IN FEARS, INSECURITIES AND THEIR EMPTY THREATS.

WE, THE WARRIORS OF SATAN CARE FOR NO DEATH, HAVE A PURE HEART AND THE INNERMOST AND DEEPEST FORM OF WILLPOWER THAT JEWS WILL \*NEVER\* HAVE.

See around you what we have caused in just some years. You understand and see this world is changing rapidly. People \*ARE\* awakening up against these monsters and they will be utterly destroyed. Their false and vain pride, based on their little convictions is now giving place to Pure terror.

If you in anycase missed the working, restart it anyday. KEEP THE MOMENTUM GOING UNTIL THEY ARE GONE. YOU AS A WARRIOR AND CHILD OF SATAN, DO NOT ONLY HAVE YOUR OWN FATE IN YOUR HANDS BUT THE FATE OF THIS WORLD AND EVEN THAT OF YOUR COMMRADES. DO NOT LET WEAKNESS, FEAR AND INSECURITY STOP YOU IN ANYWAY. BE VICTORIOUS, PREVAIL AND LOOK YOUR BROTHERS IN THEIR EYES.

Lets give back this world to Him that rightfully owns it. Make the Anti-Christ and Our Father Satan proud. Lets return this world to noblety and Truth, so much of the lies and dull threats of our enemies. Those afraid of the Anti-Christ are the preachers of the lies, the unclean and the jews. The children of Truth see up to him as a nurtuer. Never forget your purpose is a divine one in the skies.

Bury in the soil the enemies of Truth. What and whom gave us our life, awareness and Soul, do not let him down. For you let down yourself.

Keep Marching and lets put an end to this world of lies.

Jew World Order

Behold the pledge of allegiance of the Jew World Order slave:

"I pledge my allegiance to HaShem, G-d of Israel, Creator and King of the Universe, to His Torah and its representatives, the developing Sanhedrin. I hereby pledge to uphold the Seven Laws of Noah in all their details, according to Oral Law of Moses under the guidance of the developing Sanhedrin. May HaShem bless and aid me, my fellow council members and all B'nai Noach in all our endeavors for the sake of His name. Blessed are You G-d, King of the universe, who has caused me to live, sustained me, and brought me to this day."

Pledge made by the "Children of Noah" in front of the Israeli Sanhedrin, 1/10/06

This is what its what it all comes down to.

Liberalism of the Jewish Illuminati that launched the "French" revolution was called Communism a couple of decades later. Neo-Liberalism of today is Social Marxism of the Frankfurt School. Liberalism, Communism, Humanism, Democracy, Christianity, Islam Liberal Capitalism all blend together into the same beast. Because its all the same.

<http://groups.yahoo.com/group/JoSNewsletter/message/243>

If Jesus had of existed he would have been a typical Zionist preaching international Jewish conquest and supremacy. And enslaving the planet under the Jewish theocracy with himself at his front.

The New Zion the real purpose of the Bible world enslavement:

<http://groups.yahoo.com/group/JoSNewsletter/message/502>

Communism only arose when the Jews started to lose the reigns in Europe and Whites got out from under their Catholic regime in Rome. And started to advance. With the enlightenment and scientific revolution which lead to the industrial revolution and development of large urban populations of labour to work in the new factories and industrial centers coming in from the rural areas. This caused major upheavals due to the excess of Jewish exploitation of the labour force and social conditions as society struggled to adjust to this new reality. Which had caused the emerging of massive labour movements [socialism].

The West had become secular, nationalistic and scientific.

So the Jews then adapted with Communism before they called it Liberalism to hijack the enlightenment movements and before this Christianity to Trojan horse the Pagan Traditions. Now they adjusted it some more for the industrial era. And renamed it Communism. Its purpose simply being to put people back to where they once had them under their Catholic theocracy. Since the attitudes of the time, materialist science and loss of Christianity's hold in the educated classes and fields [atheism started to dominate in the 19th century not the 20th]. Religion was not going to fly so they adjusted it to open scientific materialism, atheism and such and worked to pull all emerging trends into their service. Trojan Hosing the current popular trends. Communism maintains the exact same system of control minus the metaphysic's.

This is the danger where previously with the Church they called their ideology Dogma which is less of a danger by the 19th century. With Communism they call it "science." And know how to make the appeal to the dreams and resentments of the workers who are the bulk. And its designed to operate off the psychic power Christianity generates. So their schemes are once again relevant to the new era.

When Communism takes a place over and puts them back under total control of the Jews. They always leave the churches alone and allow Catholicism to flourish. In North Korea there is a newly built Catholic cathedral. And Communist China has a state Catholic Church of over 70 million. Same in the USSR the Church was allowed to remain. So much for the bogus anti-religious rants of Communism.

This is because Communism is just the neo control arm that was readapted to the situation that arose due to the Jews original program falling apart. People where not going to buy into a Church revolution so they hijacked them with a Marxist socialist one. Then once in total power make sure the Church remains so their spell is intact.

Its like an orange Communism is the skin and Christianity is the core. This is because Christianity was always supposed to be the control program. Because the agenda has always been Jewish theocratic rule and they need their messiah to manifest this. And its xianity which lays the ground work for all of this. Rome is the heart of the beast because its the core of the real program and it deals in occult power. Communism is just the holding program. Since Communism is unconsciously based on Christianity it connects psychologically and psychically back into Christianity. So when their Messiah appears its no big deal to adjust the paradigm into full out Theocracy.

Remember the Pope's role is to rule the Christian Theocracy and sit as a steward on the chair of St. Peter, the throne of Christ. Till the Messiah appears and then hand over the reigns of the Universal Church, global theocracy to him. Catholicism is the original Church. The Protesters are not real opposition as they keep the spell going and will bow down to the same Messiah.

Everything is set up for this. The Church has spend years influencing Hinduism and Buddhism into accepting the ideal of Jesus into their cultures one way or another as a God figure and Messiah while also trying to spread the Church with converts by force and propaganda. And removing spiritual knowledge. Spreading the ideal all religions are One in global society [with the Nazarene always inserted at the front and center].

This is for when the Jewish Messiah appears a billion Hindu's and hundreds of millions of Buddhists and billions of others will be on their face heralding the return of what they believe is their savior figure. Islam as well with their saviour the Mahdi. And that's it, people will be on their knee's forever before "God." The Jewish rulers, as the Jews believe they are their "God" in human form. Who is going to argue with a God king who rules with a rod of Iron? And they have been taught to slavish worship for centuries? And will be forever more. The only law will be the law of the Theocratic Jewish regime. Which has always been the plan. Everything from the wars, revolutions, global banks, media, religions. All are to achieve this end.

The form this Theocracy will take is based on the seven Noahide laws. The number seven in their biblical numerology relates to the Nazarenes rule and conquest of the earth and the creation of the Jew World Order:

Providing evidence of a possible One World Religion, on March 26, 1991, U.S. President George Bush signed Public Law 102-14, a congressional resolution on the Seven Noahide Laws (H.J. Resolution 104, Public Law 102-14). Prior to that event, as Val Valerian says, "The bill was passed in the House by a voice vote on March 5, 1991 and was passed by the Senate on March 7, 1991." The Proclamation was as follows:

"Whereas Congress recognized the historical tradition of ethical values and principles which are the basis of civilized society and upon which our great Nation was founded;

"Whereas these ethical principles have been the bedrock of society from the dawn of civilization when they were referred to as the Seven Noahide Laws;

"Whereas without these ethical values and principles the edifice of civilization stand in serious peril of returning to chaos;

"Whereas society is profoundly concerned with the recent weakening of these principles that has resulted in crises that beleaguer and threaten the fabric of civilized society;

"Whereas the justified preoccupation with these crises must not let the citizens of the Nation lose sight of their responsibility to transmit these historical ethical values from our distinguished past to the generations of the future;

"Whereas the Lubavitch movement has fostered and promoted these ethical values and principles throughout the world;

"Whereas Rabbi Menachem Mendel Schneerson, leader of the Lubavitch movement, is universally respected and revered and his eighty-ninth birthday falls on March 26, 1991;

"Whereas in tribute to this great spiritual leader, 'the rebbe,' this his ninetieth year will be seen as one of 'education and giving,' the year in which we turn education and charity to return the world to the moral and ethical values contained in the Seven Noahide Laws; and

"Whereas this will be reflected in an international scroll of honor signed by the President of the United States and other heads of state; Now, therefore, be it

"Resolved by the Senate and the House of Representatives of the United States of America in Congress assembled, That March 26, 1991, the start of the ninetieth year of Rabbi Menachem Schneerson, leader of the worldwide Lubavitch movement, is designated as 'EDUCATION DAY U.S.A.' The President is requested to issue a proclamation calling upon the people of the United States to observe such day with appropriate ceremonies and activities."

Sanhedrin Recognizes Council to Teach Humanity 'Laws of Noah'

A group of non-Jewish delegates have come to Jerusalem to pledge their loyalty to the Laws of Noah.

A group of non-Jewish delegates have come to Jerusalem to pledge their loyalty to the Laws of Noah. They appeared before the nascent Sanhedrin, which established a High Council for B'nai Noach.

The ten delegates appeared before a special session of the Jewish High Court of 71 Rabbis led by its Nassi (President) Rabbi Adin Even-Israel Steinsaltz. B'nai Noach, literally "Children of Noah," also known as Noahides, are non-Jews who take upon themselves the Torah's obligations for all members of the human race. The seven such laws were passed on via Noah following the Flood, as documented in Genesis (see below).

The gathering took place under a banner quoting the Biblical passage in Tzefania 3:9 which refers to "all the nations... speak[ing] a pure language... proclaim[ing] the name of G-d."

Rabbi Adin Even-Israel Steinsaltz addresses the Noahide Council members

The Noahide delegates stood before the nascent Sanhedrin, which was reestablished over a year ago in Tiberias, following the renewal of Biblical ordination, and has met regularly since then. "Each one [of the B'nai Noach] comes with a name he has made in the world, as a teacher and example in his community of observance of the seven laws of Noah," said Rabbi Michael Bar-Ron, the Sanhedrin's emissary who facilitated the council's organization, introducing the delegates. "At great physical and financial expense, they have flown across the world to Jerusalem, the holy city, to pledge before the court and all mankind, their allegiance to the Seven Laws of Noah, the laws of the Creator."

B'nai Noah delegates sit before members of the nascent Sanhedrin in Jerusalem

Each of the Noahide representatives stood before the Sanhedrin and pledged:

"I pledge my allegiance to HaShem, G-d of Israel, Creator and King of the Universe, to His Torah and its representatives, the developing Sanhedrin. I hereby pledge to uphold the Seven Laws of Noah in all their details, according to Oral Law of Moses under the guidance of the developing Sanhedrin. May HaShem bless and aid me, my fellow council members and all B'nai Noach in all our endeavors for the sake of His name. Blessed are You G-d, King of the universe, who has caused me to live, sustained me, and brought me to this day."

Ben Noah Roger Grattan pledges before the Sanhedrin

Roger Grattan, a council aide who lives in Maine, told Arutz-7 prior to the ceremony, "I am sure that this will be a paragraph in the history of civilization, although one could also write books on it. It is also the fulfillment of prophecy." The core members of the council are Indian Foreign Relations Coordinator Bud Gill, Billy Jack Dial, Andrew Overall, Adam Penrod, Jacob Scharff, Chairman Larry Borntreger, Honorary Noahide Council Elder Vendyl Jones, Tennessee Noahide Community Head Jack Saunders and Council Speaker Jim Long.

Long addressed the rabbis of the court, requesting formal recognition of the Noahide Council: "Your honor, esteemed rabbis of the developing Sanhedrin. We are here because of your Torah. Rabbis before you elevated the Torah and it drew us in; before that, we stumbled in darkness. Everyone here today can tell you that in the past we have experienced the need to consolidate our efforts to make the world aware of the truth."

Rabbi Even-Israel Steinsaltz, on behalf of the Sanhedrin, replied: "We hereby recognize these men as the first high council of B'nai Noach in accordance with the conditions they have accepted upon themselves."

Rabbi Steinsaltz spoke about the role of the Jewish people in bringing the Laws of Noah to the world:

"I am part of this Jewish family and I have nothing bad to say about that family, but you don't go up to a man on the street and ask him to join your family. Instead you talk to him about joining the true belief in the Creator and about implementing divine justice toward his fellow man. We are setting up a global mission here not to recruit people, but to bring them to the realization that there is one G-d."

The Nassi explained that this aspect of Judaism lay dormant for years, as the Jewish people dealt with remaining alive and keeping the Torah in the exile.

Rabbi Steinsaltz called for an extensive project to be undertaken to help B'nai Noah in the nitty-gritty details of the observance of the religion. "A Shulhan Arukh [Jewish Law Code] for B'nai Noah must be written so that the individual can have guidance as to what to do," Steinsaltz said, referring to the compendium of practical Jewish law written by Rabbi Yosef Karo of Tzfat in the 1560's that is still used today.

He then addressed the ten B'nai Noah representatives, who had endured hours of Hebrew speeches throughout the day, in English:

"There are those people, so far only a small number, who say, 'We are bound by the covenant of Adam and the covenant of Noah and we know we have to perform and fulfill our obligations.' We, as Jews, have the same religion as you.

"Within the nation of Israel there is one tribe that deals with the Temple the priests. We Jews are a specific tribe in the world that was chosen to be a tribe of priests hereditary priests. Because of this we have special duties. Being a priest does not mean we are cut off from the other people. While the people of the world are all different units in the armies of the Lord, we are a special commando unit that maybe doesn't get paid more, but has special assignments that may be more dangerous."

Rabbi Even-Israel spoke about the difficulties that would confront the B'nai Noah movement as it grows:

"When we are speaking in general, almost every human being can more or less accept the laws of Noah, but when we get to particulars we will come to serious points, at which we disagree with Christianity and Islam.

"It is one thing when a religion is small, but as it gets bigger there will be huge pressures. We will be there beside you. We are members of the same religion that was given by the Almighty to humanity. Part of it was given to the Jews and part of it was given to humanity as a whole."

The Nassi added that while there are those who doubt the ability of the Sanhedrin to be more than an idea leading up to the true reestablished court, the Noahide Council cannot be doubted or criticized due to its pure motives and unprecedented mission.

Rabbi Yaakov Ariel of the Temple Institute said that although Tuesday is the Fast of the Tenth of Tevet, which commemorates the beginning of the destruction, "Our sitting in Jerusalem now, alongside B'nai Noach, demonstrates the revival and the fulfillment of the words of the prophets." Rabbi Ariel told those gathered that he had seen a rainbow that morning, "the closest thing to seeing Noah himself - the symbol of the covenant between G-d and humanity as witnessed by Noah."

Famed archaeologist and Noahide leader Vendyl Jones addressed a festive banquet held for the Council members, speaking about the Seven Laws of Noah. He explained, in detail, the verses in the first eleven chapters of Genesis from which the seven laws are elucidated, saying that he always understood the first six, but never understood the law proscribing the eating of a limb of a living animal - until he remembered his cattle-branding days in Texas: "We would brand and castrate the cattle when I was young, and at night we would all sit around the campfire and eat what they called 'mountain oysters'" - the testicles of the still-living animals.

Rabbi Nachman Kahane, Av Beit HaDin, spoke in English. "G-d created a primitive world," he said. "We don't grow loaves of bread, but grain that must be harvested, ground up and baked. We were meant to be partners with G-d. Unfortunately, throughout history, perversions of this idea grew. How can you be G-d's partner if you are damned and born with original sin? How can you be a partner of G-d if your religion tells you to send your children to shopping malls to blow people up? What we are creating today is a reconnection between the people and G-d. G-d is saying to humanity - everyone has a job. I happen to be a priest - I have a particular task for when the Temple is built - but all of us have a specific task just the same; I am no better."

Jones told Kahane that his brother, slain Knesset Member Rabbi Meir Kahane, together with Rabbi Shlomo Carlebach, had organized one of the first conferences for B'nai Noah nearly 20 years ago.

Conference on Noahide Council

Earlier in the day, several speakers addressed issues surrounding the B'nai Noah movement as part of a conference on the establishment of the B'nai Noah Council.

Sheikh Abdul Hadi Palazzi, a leader of the Italian Muslim Assembly, addressed the assembly, speaking about B'nai Noah in Islam: "Islamic law holds within it the seven laws of Noah and can be taught correctly to the Muslims of the world... I remember reading that a new Sanhedrin was created in Jerusalem [and] my impression was very positive - I thought maybe something new had been created to allow the Jewish people to project moral and legal clarity to counterbalance the lack of it in our world."

Palazzi added that the project of creating a council of Noahide teachers would hopefully counter the negative educational effect of the Gaza withdrawal, "which

taught the opposite to my people - it convinced many that only terrorism works."

Rabbi Dr. Eliyahu Zini, who heads Yeshiva Or V'Yishuah and is the rabbi of Haifa's Technion, spoke about the intuitive natural truths of the laws of Noah. "We must create a formal connection between the nation of Israel and the B'nai Noah to show the world that we are a nation of holy priests, as is dictated in our Torah," he said, speaking partly in French as well, as the conference will be available on the Sanhedrin's web site for viewing by prospective B'nai Noah worldwide.

Member of the Noahide Council at the conference earlier in the day

Rabbi Yoel Schwartz, who received the blessing of leading hareidi-religious Rabbi Shalom Elyashiv to engage in the project of creating a court and infrastructure for B'nai Noah, addressed the conference as well. Rabbi Schwartz is the Deputy Av Beit HaDin [literally, Court Elder] of the Sanhedrin and the Av Beit HaDin for the B'nai Noah court. He spoke on the topic of "B'nai Noah and World Peace."

"The Islamic Jihad against the world has restored religion to the center of the world's consciousness," Schwartz said. "Over 30 years ago, someone by the name of Eisenberg sent a proposal to the United Nations saying that there will never be world peace unless the citizens of the globe agree on certain principles of faith. It was adopted by the UN as one of its official documents but was not followed up upon and has since been forgotten. We are here today to follow up on that document and remind the UN why it exists. There will be world peace when the whole world agrees that there is one G-d. There are people who do not think what I am about to say is worthwhile, but I suggested years ago that we begin to translate our books, which are meant for the nations of the world, into Arabic as well [Schwartz has authored many books on practical observance for Noahides ed.]. It is not by coincidence that we have this nation alongside us, surrounding and living inside the land upon our return to it, who also preserves the heritage of Abraham our father."

Schwartz has indeed translated his books to Arabic, with the help of an Arab man he met at a bus stop who asked him a Mishnaic question, telling him he had already translated the Mishna, a codification of Jewish oral law. He said the entire printing has been sold out. "Muslim parents have thanked me for teaching their child that there is a different way to heaven than becoming a shahid, a martyr," he said.

Rabbi Schwartz explained that although one of the purposes of the Jewish people's exile was to disseminate belief in the Torah's truths around the world, their return to Israel has brought with it the technology to redouble our efforts from here:

"The moment we came to Israel, communication technology flourished. The telephone and radio spread rapidly, and computers and internet came soon after, changing the entire concept of communication and education. When we were in the exile, we were there to teach the world, and now that we have returned to the Land of Israel, G-d has given us the tools to do the work from here."

Rabbi David Zilbershlag, Director of Meir Panim and Koach Latet, both innovative charity associations, spoke about rectifying the misdeeds of Noah's

generation, the generation of the Flood. Zilbershlag said that the new Council of Noahides must focus on kindness and charity, as that was the basis of G-d's covenant with Noah (the lack of which resulted in the destruction of Noah's entire generation) and His later covenant with Abraham.

"It is hard to distribute and spread an idea that is negative, as the laws of Noah are phrased," Zilbershlag said. "We must make a great effort to find and distribute the relevant positive commandments in our tradition throughout the world as well, and the most basic of these is that of following in the footsteps of Abraham our father."

Rabbi Eliyahu Essas, a former refusenik and founder of the Teshuva (return to Judaism) movement in the USSR, spoke about establishing outreach within Israel to help gentiles who moved from the former Soviet Union to Israel become aware of the Noahide laws:

"There are at least 400,000 out of the million people who came to Israel who are not Jewish according to Jewish law. There are many who think they are Jews, but do not have a Jewish mother and are therefore not Jewish according to Jewish law. 150,000 have no blood connection to the nation of Israel spouses of Jews and relatives who came under the Law of Return. Then there are 30,000 who have nothing to do with the Jewish people, coming with forged documents. Over there, Jews wanted to be Russians; here, Russians want to be Jews.

"Should we harass such a person to convert, should we leave him alone, or should we try to get him to become a Ben Noah?" Essas asked, refraining from offering answers and saying that such complicated matters must be dealt with by both the Noahide Council and the Sanhedrin's B'nai Noah Beit Din. He added that the problem of intermarriage was not discussed by previous generations because it did not exist in such numbers. "We are dealing with 50% of families in the former Soviet Union and even more in North America. So if one spouse is a Jew and one is a Ben Noah, what will be their status? I want to raise these issues and offer a prayer to the Almighty to help us find wise solutions."

## Council Looking Forward

Spokesman Jim Long outlined the Council's goals:

"Education is a vital part of our effort and we need you to help us with this. We need to make sure that developing Noahide groups do not split into denominations. As we move into the public eye, we will be viewed as heretics by many. We each come from other religions and must develop ways to approach them in a manner in which they listen without closing their ears. The Noahide movement is a Torah-based template for an ethical way of life. The Creator requires humanity to uphold these laws as per His covenant with Noah.

## Members of the B'nai Noah Council

"Anyone who reads the Bible can see that your Torah is your constitution, your Bill of Rights and your deed to the Land of Israel. We have plans to publish Noahide prayer books, children's books and documentaries on science and the world through the lens of the Torah."

"We have heard that G-d is with you," Long concluded.

As Above So Below

This is important as the material realm is a manifestation of the spirit its a metaphysical universe. The etherical light that manifests the material is the immortal element and its refining and perfecting the person back into this. That gives perfection. With the 7 planets, earth makes up the octave and rules the whole being.

The Zodiac's 13 constellations correspond to the body along with the 7 major planets. The human is the Zodiac wheel with the head starting at Aries the tail bone being at Scorpio. etc

The journey of the Sun through the Zodiac is also related to the Magnum Opus. As the human is a micro version of the constellations and seven major planets which rule this. Our word for Soul coming from Sol. The zodiac circle is divided into four sections by an equal arm cross which represents the four elements and corners and the four steps of alchemy each sign also has a male or female polarity.

Spring is the Lamb of Aries where the work starts its important to note the glyph for Aries is also used for the Magnum Opus in some cases. Note the Ram is an ancient symbol of the work. The oldest sites are covered with Ram's and our God's totem is also the ram. The ram of Aries also rules the head. The blood of the lamb is the energies of the soul generated by the Magnum Opus. This is why mercury or Hermes is shown carrying a lamb. Ra is Ram minus the M. And Ra is the solar force. Note the Ram horned serpent is the glyph of Mercury as well. Solar force. The title and mantra of the God Raum is still found in Egypt.

Winter is the final stage and it represents the death stage as this is when everything is cold and dies in nature. The rebirth stage really goes into spring. Something to note is in many cases MARCH 17 was the New Year not January the first. This is where St. Patrick day is taking from. Patrick is a stolen and rewrote, corrupted version of our God. The Catholic Church by design messed up our time keeping. We are also supposed to have 13 lunar months divided into 28 days of four even weeks. With 364 days in a year 364 adds to 13 and into 4. There are also actually 13 constellations which relate to the 13 major energy centers.

The Founders left this message to us on the dollar bill with the 13 stars around the six pointed star of rebirth [the Jews stole this much later on] while six pointed its number is 7 as the outer six points relate to six of the 7 planets with the center where the bindu points of power and regeneration unify into eternal life, being the 7th, the sun. This six pointed star is the symbol of the reborn Osiris. And was originally on the keystone in the Templar arch where original Free Masonry comes from. The ancient Pagan mystery schools also called themselves Free Mason's.

This is why in the East the six pointed star is show in a circle and relates to Vayu. The circle is the sign of eternal life and the Temple of the Sol finished and Vayu is Prana or Mercury. As shown below this is Ptah-Osiris in Egypt. You can see the symbol of the arch with the keystone in the East. There are also keystones in the cities of the East with the Tau symbol upon them. Another symbol of Vayu. This is noted in Hanuman's mace as Hanuman is a symbol of the solar force of Vayu. Who aids RAMa in the quest to regain a kingdom and unite with his Queen where he has to fight against the Asura's. The entire tale is grail mythos. The Mayan's have an identical monkey god with the Tau upon its mace. Rama is the Vedic Parsifal.

The mace relates to the Meru or Tet Pillar or spinal column. The ancient cities like Temples where laided out as Mandala's of the soul and hence why many East and West where given names relating to Sanskrit Puri as it relates to Purusha the cosmic man or Zodiac man. The Shambala mandala still show our God as Lord Kalacharka sitting within a eight sectioned city as an symbol of the soul. The Templars have this as well with the eight sided grail castle with our God the Lord of the Grail sitting within wearing a Peacock cap holding the Grail.

The Supreme God:

13 is the number of steps in the Magnum Opus and in numerology 13 rules immortality and rebirth. This fact still openly remains in the remnants of the Primordial Buddhism in Nepal and regions of Tibet. The solar dates have been changed in some cases. This is important to remember.

St Patrick:

<http://groups.yahoo.com/group/JoSNewsletter/message/424>

The Green is the colour of rebirth and eternal life the vegetation represents the kundalini [sol] energies of the soul regenerating the earth [earth=the whole being].

Thoth's number is 8 and in pure numerology [not the Jewish crap] rules perfection hence the 8 fold path. 8 is also an important number in actual time keeping not the Saturnine bandwidth the enemy had put earth on. Mercury is the key that unlocks and ascends the soul to Godhead. Mercury is related to the Primordial element, the Gold [solar]. And Mercury original spelling in Sanskrit of Buddhaya, Bodhi, Brahma [Brahma rules the staff of Mercury] and on. Is to note as the letter B relates to this element specifically. This is the reason the Golden Drop of the soul is called the BA in Egypt. From this golden drop the 3 bodies soul, spirit and physical body are united and perfected into the light of eternity with the Magnum Opus.

Man as a sun star is the souls perfection and the ascension to the higher octave of represented by the sun in many images. The eight pointed star of Astaroth that represents this is a sun symbol. Orion is a symbol of this as well. Osiris is Orion in Egypt and his name is combination of Isis and Orion Isis also relates to Sirius which is joined to Orion [male and female aspects unified]. And Sirius as "The Dog star" the dog is a symbol of mercury which is also feminine [Isis /Astaroth's number is 8 of mercury] in relation the Shakti aspect. Osiris also means "The eye in the Throne of God." This relates to the superconscious aspect of illumination [Samadhi] via the Great Working finished. The Blue or Green colour of Osiris is the purified state of the light of the soul. Osiris is the Gold in the work. And if one is keen they will observe Ptah is another title of Osiris with his staff relating to Sirius. This is why the two Gods are identical to the point scholars are confused. Ptah's name relates directly to Buddha +Guru. Which holds deep significance. And he is coloured blue. The title of Visuddhi meaning "pure one." Is that of the blue ether or mercury element in Yoga. Hence the traditional blue colour of the perfected Sol God.

The Pyramid at Giza is an 8 sided pyramid and represents the as a whole the Benben stone of Ptah. Also called the Lingham stone in the East or Meru pillar. The Meru Pillar number is the sacred 33 such as the 33 Deva's in the 4 Veda's. This is the 33 degrees of the Mason's as well the spinal column. Giza lines up to Orion and Cygnus. Cygnus is the Benu bird or Phoenix in English that sits atop the Osiris Column also known as the Tet pillar of Ptah. In the East this is the

Peacock sitting upon the Meru Pillar. In the Upanishads the sacred bird represents the soul and its steps of perfection and relates to the AUM.

AUM relates to the three Guna's or creation and each Guna has a colour which are the Black, Red and White of alchemy. The three pyramids in Egypt at Giza where originally coloured. Red, Black and the famous one, White. The New Agers are looking for the capstone without realizing the Pyramid itself is the capstone. The Capstone is the Benben stone and that's the Pyramid. Its a mandala of the soul and its perfection. This is why its built on 64 [8x8=64] number grid of Mercury and is a 8 sided pyramid. It was called "Mer" meaning "Place of Ascension."

And Mer of Mercury obviously. The Pagan [Satanist] Cathar's ideal of the book of Love or as they spelled it Amour meaning Eternity was depicted in an Egyptian glyph of MR which is MER. Hence the Cathar book of Love is actually the book of Ascension and understanding that Mer is Mercury. This is the book of Thoth which the Egyptians called the "Book of Life." Of which was stolen by the Christians later as Christianity was created in Egypt by the Jewish Threputes who ripped off the Osiris Mysteries of which Osiris is also resurrected by Thoth or which Hari [Horus] also rules the same concept as Mercury. This where Jesus resurrecting Lazarus was stolen from. Osiris was called Azar or Lazar, Lazarus. And why the early images show Jesus doing this with a wand. Which is the scaled down fourfold key of life that Thoth does this with for Osiris. Mercury is the key that unlocks the soul from the tomb [lower octave] and ascends it to perfection and immortality. This is why Hermes/Mercury was the key to the ascension of the soul in the ancient mysteries.

The Pagan [Satanic] Templar's depicted the Magnum Opus as Sophia holding the books of life as well. We see on the Dome of the capitol building. Washington sitting transformed into a Godman upon the rainbow holding the same book. With his sarcophagus in Washington's crypt in the basement of the Capitol, empty and without a lid. This based upon the Pyramid with the empty sarcophagus. The painting on the Dome is called the: "Apotheosis of Washington." Its the Ascension. The Founders where original uncorrupted Mason's and where Satanists.

Sophia is the Serpentine energy [solar force] that grants immortality. In the ancient world the serpent was also depicted in the image of a women. Sophia also means "light of the Serpent." And Baphomet in the Templar cypher is decoded as "Sophia." The actual Bapohmet head of the Templars that was found. Is that of a silver women's head that relates to Virgo and has the Templar code of M58 which translates out to "Eternal Life." Or MR of the Cathar's and Egyptians.

The Templar's Serpent Tradition:

<http://groups.yahoo.com/group/JoSNewsletter/message/231>

Sat means illuminated or shining and An stands for the serpent. Hence: "Shining Serpent." With Lucifer the LU is also HU. Which means Shining but the H denotes the serpent. Hence Lucifer as a title comes back to the same: "Shining Serpent."

As Satan was also worshipped as the God HU also called Wod, Wodan. Bud, Buddhaya, Buddha. This is why the Masons originally worshipped Lucifer as they where from the Templars who where made up of the Druidic Royal houses.

This is why the Cathar's worshipped Him as Lucibel it means: "Shining Serpent."  
Another spelling of Lucifer as Otto Rahn pointed out.

Sat-An is Sanskrit which is the original language and the language of the Gods.

In Sanskrit SAT means Truth. Truth in the ancient world was another name for illumination and transformation of the soul. When the kundalini power rises it brings a person to SAT by illumination of the consciousness it brings which is what they were depicting by the title of Truth..... This is why the strength of the soul is its ability to reach levels of truth in the Egyptian texts. Levels of empowerment. Truth is light.

An as the prefix of Ananta Shesha which is the primordial serpent. Depicted as a serpent in a golden circle clutching its tail. The sign of the Magnum Opus. This golden serpent is given the title of "Eternity" [Ananta]. And refers to the title of "Lord of Time." As time in this sense relates to the perfection of the soul.

SATAN translates out to a title of: "Eternal [in the context of perfected] life."

BTW I should add that everyone who replied to this thread missed the point. Thoth's message is Spiritual as he teaches about spiritual empowerment. Not material. He's not concerned about the material universe and your material body, but he mentioned that to show the way to your spiritual development and how you can apply the universal energies to your soul's advancement. As above so below means that your soul is mapped after the universe, i.e. the 7 chakras correspond to the 7 planets up to Saturn e.t.c.

I am sending this to all of the groups:

I just want to reply concerning how the original message was not included here. Because the jews cannot get control over the internet, they have been working overtime to destroy it from within, as they do with everything else they feel is against their agenda. When replying, if done from the group page, the original message and threads are no longer there. The person whom you are replying to is also no longer listed; only a blank. Yahoo has completely screwed the e-groups. This was purposely done, as many people from all kinds of different groups and varied interests [not

only Satanism and NS groups] are becoming aware of and informed regarding the jewish problem. Unfortunately, looking at the USA astro chart, this will only get worse, with a Sun/Pluto opposition next year in the solar return chart. The jews have been doing a lot more to damage other areas of communications as well on the internet, as this is not just related to the e-groups.

The only thing we can do is to work hard at educating as many people as we possibly can. I do know at some point, this option may longer be open. The more people we can reach with educating them in regards to this jewish menace, the better. In countries that are not free, discreetly making copies of information, websites and such and distributing them to people who will read them through discs; this is a definite help. Feel free to do this with any JoS web pages, Exposing Christianity and related. I have been working to get the pages updated and on pdf. For those of you in non-English speaking countries, feel free to translate the writings into your own languages. Knowledge and truth are sacred in Satanism. I also know how they try to shut our people up on yahoo answers and other forums. Work around this. If you have any serious problems or are lost on how to do this, focus on Satan and ask him for help telepathically; then be open. The Powers of Hell will help you.

While the article below is from a newsletter concerning pet food, it contains some very important information regarding human food as well. The entire point here is we are being slowly poisoned. This also includes people who do not eat meat, as the vegetables are also contaminated that come from China. It is getting to be more and more difficult, if not nearly impossible, to avoid food, pharmaceuticals and anything else we consume here in the Western countries that is not either directly manufactured or "processed" in China. Most of us know about Christianity and communism and how they work together to take control of and enslave the world. They are relentless and will stop at nothing. If one does much deeper research into the consumer products coming from China, how many people in the West, including children and infants have been poisoned and have even dies, including animals; my question is, is this some sort of preparation for something? Disable your enemies before you go onto attack? In the year 2020-2021, the USA solar return has a Mars/Saturn opposition across the ascendant/descendant axis, with Mars in the first house, as was with

WW2, meaning war. Jupiter happened to aspect Mars in the 1941 return and this indicated the USA would win the war; Saturn is the opposite. I have always used the Gemini ascending chart for the USA, as Satanist Benjamin Franklin who was educated in astrology and the occult had the declaration signed after 2 am, putting Uranus on the ascendant for the US Natal chart. This has held up with everything, including the September 11<sup>th</sup> attacks.

Another thing I want to bring up here is how everything is going digital. Public libraries in some states are now abandoning books in favor of all computer libraries. Even a double-digit IQ should be able to see why this can be a serious problem. One must have a computer and it must be able to function the way it should in order to read any books? Our Gods left writings in stone for obvious reasons, not on a PC disc. Of course, they always try to give an excuse in the way of “paper” wasted and such, but you will see that this does not even compare to the level of toxic waste the government allows to go on unheeded. They always try to give a reason- their reason and most people do not even think. Systematic removal of knowledge from the populace, same as gun control, is a prerequisite for establishing a slave state. Removing knowledge is what the Vatican did, and also the USSR, as both mass-murdered and “purged” society of learned peoples; intellectuals, for one. Total ignorance on the part of the victims is essential in order to replace truths with lies, rewrite history, and create a slave state. Christianity and communism are one and the same and both use the exact same tactics to achieve their goal of world domination and enslavement. Read the article below for some information regarding what is being done with our food. “Distributed by” is a very broad term.

Where is the chicken ingredient processed? Is it China? Now that the USDA has approved China to process US poultry, we can be certain that much of pet food chicken ingredient will make the long round trip to China before it reaches your pet's food bowl. There is a multitude of concerns.

In October last year, we learned that most of the farmed and wild caught fish from all over the world makes a trip to China before it lands on your dinner plate and your pet's food bowl. As with most things associated with China, the reason (example) that wild caught salmon is frozen, shipped to China, thawed, processed, re-frozen and shipped back to the U.S. is money. Seafood-today.com states (in 2005) the labor required to remove the bone in salmon costs about \$1.00 per pound in the U.S., the same labor costs \$0.20 per pound in China. The shipping to China including the round trip back to the U.S. costs another \$0.20 per pound. China provides a savings of \$0.60 per pound of fish.

So now, the United States Department of Agriculture (USDA) has given their approval to China to become the chicken processor to the world too. The USDA feels its safe for consumers to consume US poultry shipped 8,000 miles to China, thawed, processed, and shipped 8,000 miles back. But I wonder if the USDA happened to read a recent post on Food Safety News reporting on formaldehyde found in Chinese processed fish?

“A large number of fish imported from China and Vietnam and sold in at least some U.S. supermarkets contain unnatural levels of formaldehyde, a

known carcinogen, according to tests performed and verified by researchers at a North Carolina chemical engineering firm and North Carolina State University. Around 25 percent of all the fish purchased from supermarkets by researchers in the Raleigh, N.C., area were found to contain formaldehyde, a toxic chemical compound commonly used as a medical disinfectant or embalming agent. All of the fish found to contain the compound were imported from Asian countries, and it was not found in fish from the U.S. or other regions.”

We have to wonder if chicken processed in China will suffer the same formaldehyde fate as fish processed in China has been found to suffer from. And will the formaldehyde chicken end up in pet foods?

(By the way, recent unconfirmed information provided to TruthaboutPetFood.com is the sweet potato ingredient in many pet foods is also processed in China.)

This means we need to ask more questions of pet food manufacturers. Example questions...

Are meat and vegetable ingredients USDA inspected and approved?  
What is the country of origin of all ingredients including supplements?  
What is the country of processing of all ingredients?

Ask your pet food manufacturer the tough questions and pay close attention to how they respond. If they avoid the questions or don't provide complete answers...well, that's some important information to consider too.

Wishing you and your pet(s) the best,

Some of this footage supports the truth about 9/11. Notice how many times they mention a gas leak, and how people were warned ahead of time that it was a "terrorist attack" and how many explosions there were. Many onlookers said it looked like a controlled demolition. people were suprised that a single plane could take out a building. it wasn't uncommon at the time of the attack that it was an inside job.

Special thanks to our Anti-christ who gave me this meditation telepathically. He is one of the very few who has completed the magnum opus.

This meditation is about the most powerful I have ever done. It is a bit long.

1. Vibrate RAUM

RRR into your base chakra

AHH into your sacral chakra

UUU into your solar plexus chakra

MMM into your heart chakra

The above is one round. Do 108 rounds using a Satanic rosary.

2. Begin again and vibrate RAUM into your upper chakras

RRR into your heart chakra

AAAH into your throat chakra

UUU into your 6<sup>th</sup> chakra

MMM into your crown chakra 108 times.

The above is one round. Do 108 rounds using a Satanic rosary.

3. Following the completion of the above, vibrate IO.

Vibrate EEEE into your right side of your body and immediately follow by vibrating OOOH into your left side [back and forth], 108 times.

For example, vibrate EEEE on the right, then immediately vibrate OOOH on the left. That is one round. Then, immediately vibrate EEEE on the right, then immediately vibrate OOOH on the left. That is the second round. Do 108 rounds using a Satanic rosary.

4. Following completion of the above, vibrate IO again, this time EEE into your spine, immediately followed by OOOH into your front.

The OOOH vibration is the English long O, such as in the words HOLD, and NO.

The so-called “tetragammaton” is actually the four-fold meditation for the soul. The “sacred name of God” is a code word for the extreme word of power for the soul. “God” is a code word for the self. The Jews have seriously corrupted this.

This empowers the entire soul, even though it takes a while with the meditation being a bit lengthily. The heart chakra is a connector and energy vibrated into it from below will then connect to and transfer into the upper chakras in the second part of the meditation. Just be aware, this is exceptionally powerful and you will definitely feel it the very first time.

Subject: NS SATANIST SYMBOL PENDANT

Attachments :

[pentswastika.jpg](#)

You may have seen the inverted pentagram with lightning bolt, originally Anton LaVey's Personal Sigil. I have always liked it but wanted something more extreme and cool. I commissioned Mark Debrates (google him for his site), famous for occult jewelry, to make an inverted pentagram with a swastika. Bringing together symbols for National Socialism and Spiritual Satanism. I have NEVER seen this anywhere. It is a great symbol for JoS. I feel inspired by Father Satan. The actual pendant is not made yet but i wanted to share the symbol with the groups and see what you think. He would love more clients and it can be made in a range of sizes and prices. AND NO I do not get a kickback I just thought people might be interested.

HAIL SATAN

I knew somebody was going to ask about right handed vs left handed swastikas. I will say some things but HP Don could do an entire sermon on this. There are much misinfo, disinfo and misconceptions about the two swastikas, which are technically MIRROR IMAGES.

First lets talk about the Third Reich. They used many forms of swastikas in their artwork and graphics, they even published books about the history of the development of the forms of swastikas. Yes on the State and Weirmacht(Army) flags they used a right hand swastika, but on the Kriegsmarine(Navy) Ensign(flag) it was right handed on one side and left handed on the other so when it flapped in the wind it looked consistent. Publicly one was not "better" or more "proper" than the other.

Now to the biggest misconception. People assume that because the flag designer used the right handed swastika on the "Nazi" State Flag, that must be the Satanic form. the Dark form. the Powerful form. Nope. More Enemy lies. The Flag is a PUBLIC use, much of the NS graphics was for public use.

In the East, in the Vedic Culture of Satan's People, in Sanskrit the language of the Gods, it was the LEFT HANDED SWASTIKA that was the occult symbol, the esoteric symbol, the sacred symbol, the Power Symbol. This is the one the contaminated Hindu and Buddhists got from the Vedic Satanic Culture. And of course the Satanist Leaders of The Third Reich knew this, but like I said for public use no difference is shown.

So although people will constantly say its the "wrong" swastika I am happy and secure in my knowledge I have the Left Hand Swastika for my Left Hand Path.

I didn't meant how is the wrong or right swastika, but as yourself told you wanted something "more extreme", "bringing together symbols for National Socialism and Spiritual Satanism" then the swastika of the group's image and Nazi Germany's flag is the more appropriated as it is the more well known and representative of NS. In other way this would be just an occult symbol (as the other dozens of swastikas) and don't take the political part. Then you will not have the concept you want.

Got what I mean?

(I also don't mean the Nazi's flag swastika is less occult or the others are less Nazi)

[Implement hate crime laws now and stop neo-Nazis from undermining democracy in Greece, WJC urges Athens](#)

23 September 2013

NEW YORK – “It is high time Greek politicians honor their pledge and adopt effective legislation that will put an end to completely unacceptable harassment of immigrants, ethnic minorities, immigrants and political opponents by the extremist Golden Dawn party,” World Jewish Congress (WJC) President Ronald S. Lauder said on Monday. Lauder’s comments come after a Golden Dawn sympathizer was arrested in connection with the murder of the rap musician and anti-racism campaigner Pavlos Fissas, 45, last week.

Lauder welcomed statements made by some Greek government ministers who said that a ban of Golden Dawn – which is the fourth-largest party in Greece’s parliament – should be taken into consideration and state-funding for racist and extremist parties canceled: “Words of condemnation, although important, won’t suffice. Greece’s leaders need to take action against those who create a climate of fear and who pose a threat to many of their fellow citizens.”

Ronald Lauder speaking at a commemoration in Thessaloniki, Greece in March 2013

Greece's democratic forces "have a moral obligation to unite against Golden Dawn leaders", especially those who "publicly incite to crimes, preach hate against minorities, deny and belittle the Holocaust, or viciously assault people based on the color of their skin, their ethnic background, or their political views," declared Lauder. He lamented that, despite assurances given to him and others by Prime Minister Samaras and members of his government, no concrete bill has been adopted by the Greek governing coalition due to internal disagreements.

"There can be no legitimate place in the Greek parliament for parties whose public statements and actions are racist or anti-Semitic and who operate in many ways like the Nazis did seventy years ago. If legislation is insufficient to deal with such organizations and individuals, it ought to be strengthened, because the people of Greece deserve to be protected from the forces that seek to destroy liberal democracy and reject even basic civil rights," said the WJC president.

In March 2013, the WJC held a meeting of its Executive Committee in Thessaloniki. In a resolution, leaders urged the Greek authorities "to take serious and concerted actions against Holocaust denial, anti-Semitism, racism and xenophobia; implement all relevant European laws in that domain; and unite all democratic forces against the enemies of democracy, so as not to allow society to drift into the darkness of racial hatred and anti-Semitism."

During the Holocaust, an estimated 70,000 Greek Jews were deported and murdered in Nazi German death camps. Around 5,000 Jews live in Greece today.

Subject: The Systematic Coup Against Golden Dawn-  
From Golden Dawn's America's website

<http://xaameriki.wordpress.com/>

Some brief comments on what happened on Saturday:

- 1) This is the first time since the fall of the junta that the leader and MP's of a parliamentary elected political party are arrested and put in jail.
- 2) The system is claiming Golden Dawn was preparing a coup. Of course, how a coup were to be launched with sustained police raids of our offices and homes of leaders, random and reasonless detentions and arrests, and a climate of terrorism created by the Left-wing dummies of the system is not explained. The real coup, however, is the one launched by the Memorandum's coalition of misery, and "other democratic forces", against the only party rising in the polls.
- 3) The whole operation was designed in the well-known centers of usury and world domination , only local agents were its executors!
- 4) The prosecutions accusations against Golden Dawn were studied by prominent independent legal expert M. Dimitrakopoulos, who concluded that the case will collapse with a loud thud. What will be the answer and where will they hide, those orchestrators and performers of this persecution then?
- 5) The channels of billionaire pimps are celebrating this act as a "victory of democracy". The people, however, know them well as the propagandists hiding the real situation in Greece. Simultaneously, anti-Greek international media, the same ones who condemn Greeks as "lazy" and deserving of their current predicament, are also rejoicing at this political repression.
- 6) Golden Dawn will stay, and the truth will triumph!

Some of you may already know about this and there are others who may find this of interest. There are literally thousands of people complaining about the school groups to all kinds of different interests. The enemy monitors everyone. Using credit or debit cards instead of cash lets them know how and what your interests and eventually establishes a personality profile. That is just one. Looking at history, for example, most of you are familiar with the Inquisition and the and torture of millions upon millions under communism. Both of these programs are Jewish instigated and operated. This isn't something to take lightly. Nowhere it is much easier to keep track of any citizens and decide their fate. The enemy relies on potential victims to say and do nothing. The instructions for "the other cheek," walk that extra mile, be spat upon...take any and all kinds of abuse until it is way too late to do anything at all. I noted some 13 years ago, when there was no real opposition to Christianity. Xians [for those who are new "xian means Christian]. dominated the forums, and other online groups at that time. Jews were be "Satanists" "Satanic" and these were some of the most vile, filthy and disgusting imaginable. Blood sacrifices, sexual torture and related, claiming to be the reverse of Christianity. Now, some are taking the other position and making Satanism very Christ-like. Unless people relentlessly speak up, and protest all of this it is too late. That is how they operate. They also whine the loudest and try to get the populace or whomever they are working to infest, believe there are more and also that many agree with them. This is a very old communist tactic. Communism and its twin Christianity are designed not only to take all of your freedoms but to destroy and annihilate anyone and everyone they feel is even a minor threat. Right now, the USA is infested with this vermin through and through. Most people are programmed by the system. Christianity has done a job in weakening the populace emotionally and psychologically into being bleeding hearts, and having

Read on for 7 tips to deal with this change.

As of today (June 3, 2013), Yahoo Mail users will have to switch to the new version, which launched back in December. That means accepting the revised Privacy Policy, which means agreeing to let "Yahoo!'s automated systems scan and analyze all incoming and outgoing communications content sent and received.

Yahoo has automated systems that look at the words you type, the files you attach, the people you contact, your location, and more. These systems guess your interests you, and then change the ads you see on Yahoo to whatever they think you'll respond to. Google has been doing this with Gmail for a long time. Yahoo is not alone: Yahoo doesn't just scan the email of Yahoo Mail users, but also the email of anyone who corresponds with them. That's right: even if you don't use Yahoo Mail, someone who does, Yahoo can scan your communications. The new TOS puts the burden on Yahoo users to tell the people they're communicating with a

It's not only a computerized system looking through your email; occasionally it'll be a real person. Why? Because Yahoo is combing through your emails not talking about to target you with ads, but for “abuse protection.” Although “abuse” is vague, it could mean violations of Yahoo's Terms (like sending spam or unlawful behavior. To give all of you [I know some of you are already up on this] an idea, there are endless complaints about these groups and yahoo could care less. I also v that yahoo is giving do not work for many PCs. For example, you can click on something and nothing will happen, such as trying to change the photo on the HPs told me after he clicked on the photo, a box opened to upload, but it would not upload anything. The complaints of which I took some excerpts from be thousands. Professional advertisers and related claim for everyone one person who complains, there are 50 more who are silent.

**EXCERPT:**

Return Groups format to prior format that WORKS!

The new format does is NOT user friendly and works poorly and destroys some of that attracts new members to my group.

The home page is gone. People join my group to get photos of their dogs edited and honored by being posted on the group home page which is now GONE and can't be seen at ALL.

The functionality of all parts of the group is severely degraded and NOT user friendly.

I tried to reorder groups and the functionality is so bad as to make it almost worthless. I can ONLY scroll to the bottom of the list if I move something from the top to the bottom, bringing something back up, but then I have no way to get that top10 item back up without moving about 6 to 8 groups around to slowly drag it back up to where I want it.

I cannot view photos attached to messages sent to the group. A thumbnail attached to the email does NOT take me to the photos. It takes me to somewhere else. When I click on Photos, I'm shown large icons of one photo from several albums, but even on mouseover, I am NOT given the album's NAME, so I don't know what I'm looking at. I have to get a LIST of album names to look for the one I want.

"Messages" is replaced by conversations and there is NO option to select a specific month to go to in order to read messages from that month/year. There is no way to allow me to do a keyword search for messages in the archives on any specific topic.

Files has the files almost in alphabetical order, but files are mixed with folders and that's less helpful than having folders at the top.

Links has the folders at the top and the unfiled links below that, which is almost good, but they are NOT in alphabetical order and I cannot select what order I want them in.

you have a poor value of your customer, taking us for fools  
like kids who make a caprice and do not like any change  
this is not a change, THIS IS DESTRUCTION !  
you act like tyrans, oblige us to use something NOT WORKING AT ALL ! i never saw any company acting like you ! this is unbelievable !  
my group looks ugly, empty, we cannot see any mails  
we cannot even see how many members are in the group  
or how many mails we accepted years after years  
so you hould better stop everything and close all yahoo groups  
this is better than your NEO \*\*\*\* OF FAILURE  
this will be a gain of time for us and you  
anyway all your groups will soon closed, many group owners find new hosting for their groups, i am one of them  
29.000 of my 38.000 members already moved on my FB fan page  
and very soon i will shut down this NEO failure  
you destroy all what you touch - Yahoo SUCKS !

AND END THIS NIGHTMARE

problems still persisting on october 4 -2013

- i cannot change my cover page - error message when i save it
- i cannot approve members on the web - erroe message when i want to approve - i am obliged to approve members via email
- i cannot see my conversation page - it is blockade when i scroll down

"Loading 31 - 61 of total 28,024 topics" <<-- it stop there

- i cannot see my members list when i scroll down

"Loading 31 - 61 of total 38761 members."<<--it stop there

- I cannot search a member in the list - search button "loupe" doesn't work
- I cannot classify my members by any kind or order date, of joining or alphabetic order

the small arrow/dropdown appears next to that particular header does not work

- In the "conversation page" yes, since today now we can see the images embed, but the mails are half cut on the right side.

So my members who choose daily digest to watch the mails on the net, this is very frustrating.

- We CANNOT EDIT THE HTML codes of the pending mails. In the yahoo classic when we edited a mail we had 2 windows one for text and one for html. IT IS NECESSARY to remove any hyperlinks to avoid spamming our members.

-The counter of "new photos" is FALSE.

- We CANNOT EDIT THE HTML codes of the pending mails. In the yahoo classic when we edited a mail we had 2 windows one for text and one for html. IT IS NECESSARY to remove any hyperlinks to avoid spamming our members.

- You must put back the pending mails as a LIST like in the classic version. Actually in NEO the pending mails are a terrible mess one after one we find no  
What you did can be OK for small groups, but put your feet in the shoes of an owner of a very large group who receive daily 200 mails in pending - How ca  
with the pending mails the way they show up in NEO? This is a disaster!

- Pending mails must be in list like before. Otherwise groups' owners/moderators will spend hours to manage their groups daily. Don't make our lives more editing html sources etc don't bother you on the look you want for NEO. So bring them back like before!
  - The number of members of the groups is missing. Only the owner/moderator of a group can see how many members he have the other members or visitors we have. This is important, especially if someone want to take membership. He likes to know if our group is appreciated.
  - The historic of the mails thought the years is also not visible by visitors not members. It must be on the main page of the group. Again here is it important membership he need to know how many mails he will receive daily or monthly to be sure he can handle this. I know some yahoo groups who approve more members need to know this information before taking membership. We had this clearly in classic version.
  - The date of creation of the group is also missing in to visitors.
  - There is another problem you must work on: the problem of the BOUNCING members. Yahoo has a bad habit to add easily people in "bouncing status". I already with my Yahoo ID. Even my mail box was not full and I clean it regularly. I have 38.757 members and inside of them 20.152 so called "bouncing". So regularly you add them in bouncing without reason they regularly clean their mail box and it is not full. The result is that I have too many requests to unbounce members I give them the way to unbounce by themselves, but for my members who do not have a yahoo profile I am obliged to send them a reactivation request possibility to a group owner with only ONE CLIC to send a reactivation request in same time to his entire bouncing members list for example one time by w individually for each member, thing impossible to do when you have 20.000 bouncing members!
- If you want to change the yahoo groups, change in BETTER and not in WORSE like you are doing actually. I am sure this is very easy to do!
- Managing the yahoo groups is actually a NIGHTMARE for all owners/moderators since one month you launch this NEO failure  
our patience come to the end **ROLL BACK TO CLASSIC**

Because the Jews can no longer control the communications, they will work to destroy them. I know there are many who have no real concept whatsoever that must be fought for. Those of you who live a comfortable life here in the USA are living this because many sacrificed their very lives in bloody wars for this to happen. Thanks to many of our former generations, you can go to a supermarket and get your food, enjoy a movie, read a book and much more. This is civilization, you can learn, meditate and have time for life's pleasures instead of fighting to survive every single day. The Jews are working overtime to destroy remember...they are very clever in taking control of both opposing sides, and working both sides towards the advancement of their agenda. Everything positive for the Gentiles, they work to ruin, and a good example is these e-groups.

I would also like to add more concerning what is being done with our food. Many of you who have eaten chicken, especially at places like KFC, are aware of the chicken pieces; also bones that bleed. Now for those of you who do not eat meat, this same sort of thing- genetic engineering is also being done to food and so forth. Farm animals are heinously crammed into cages so small they cannot move and lie in their waste.

<http://truthaboutchicken.org/>

EXCERPT:

Thanks to a horrific combination of selective breeding and rearing practices, most of today's chickens raised for meat (commonly known as "broiler" chickens) are so disproportionate they can barely move at just a few weeks old. These chickens go from hatchling to slaughter in as little as 42 days—growing at a rate three times faster than chickens raised in a more natural way.

Why is that bad? The rapid and unnatural growth rate of these chickens strains their hearts, lungs and bones. Unable to support their massive bodies, many of them die much of their lives lying in their own waste with open sores and infections. Look at what's ending up on dinner plates every day.

>>>

I strongly encourage everyone to visit this website <http://truthaboutchicken.org/> and sign the petition. All the Jew cares about is money and business and there have been cases of late where certain supermarket and restaurant chains are practicing horrendous animal cruelty, due to the numbers of people signing similar petitions.

In addition to saving space and getting the most for their money, the Jew profits in other ways. Many who consume this tampered and tainted food have developed health problems [due to this and it is in their hormones and meat], and the Jews make a huge sum from anti-depressant drugs such as Prozac. All kinds of other health problems result from consuming genetically tampered foodstuffs and the pharmaceutical industry makes trillions of dollars off of this misery. JEWS OWN AND OPERATE THE MEAT INDUSTRY. In addition, dogs, cats and other pets who are carnivores cannot be on a vegan diet! What is being done to vegetables and related is also very bad, and unhealthy.

i also want to note:

1. Satan was extreemely altruistic. He new that this job is high-ranked and very responsible, and i won't be able to work for him there: to do my translations, jew-curse, meds - anithing for him. Moreover i get in trafic every day, while driving a car one also cant meditate. Still he helped me.

2. Yesterday our boss made extreemely convenient grafic for us so i could avoid trafic and have some free time for meds and etc. Also Satan's gift i suppose, because needed it and when i came no one believed this to come this way.

It is glaringly obvious that the enemy is panicking, and this is all over the internet. www [666] is doing its job. Lilith told me something to the effect that yahoo may discontinue the groups altogether, for everyone. I will be working to put as much as possible on pdf so everyone can download. I have copies of the books that were from the JoS store, but the problem is these need revising. I will be doing my best to get these revised and uploaded to where they can be downloaded and distributed. Satan told me even if the groups go down or whatever...JoS will go on in the way of what we started will never end, but continue on.

Time is short, I know. One other thing I need to add here...I have not had the time to work on this, as it is extensive and will need illustrations. Out Anti-christ gave me this as well- the Real Secret of the Runes: the correct way to use the Runes. Our ancients used code words like "engrave" "carve" and such; this has to do with vibrating into the soul, repeatedly. Remember, in truth, all material objects are only props. The real power is within the soul.

The RAUM and IO formula I posted for meditation is a guide here. The U is for the 6th and the solar chakras. This gets complex. I can't get back here to reply to any questions, but I will do what I can to try to get this information up and on pdf. "A-U" is the basis for most vibrations. For example, the Sowilo rune should be SAH-UU-LL-OH. The O for the runes; oe, is a guide that the O part of the vibration should be on the feminine side of the soul. For example, the rune Wunjo. The looped part should be vibrated on the left [feminine] side. So, you would begin vibrating the stem, the VVV at the base chakra, AH at the second chakra, UU at the solar plexus, NNN at the crown, then the looped part- YYY at the left shoulder chakra and OH or UU back at the solar plexus.

The swastika symbol in the runes symbolizes the Sun chakra; the 3rd chakra and this is where all of the central vibrations are for with the runes. For example, the X part of any rune; the center is the solar chakra. Remember, there are the three male and three female chakras; the I O chakras; each side. The hip, shoulder and temple chakras. As I said, I have to work on this and put up illustrations and specific clear directions. For those of you who have meditated and have worked with runes, what I wrote above may make more sense. Try working within these on your own.

Runes can also be "reversed" by vibrating the name of the rune backwards. This would also include reversing the path of the vibration for the shape of the rune. Runes can be vibrated into others. Just make sure you vibrate the rune for white magick into yourself to neutralize any negative energy you might have on your own soul, after doing a black magic working on an enemy.

All of the runic shapes are made to fit the chakra points on the soul, which include the three I [masculine chakras] and the three O [feminine chakras] of the hip, shoulder, and temples on each side. Each rune has a number and this corresponds to the number of times it needs to be vibrated per session. The main stem is always the spine.

Another example- Fehu, which is also Fehoe; the VVV vibration would begin at the base, then up the spine to the shoulder chakra on the feminine side; the left side, where AY would be vibrated into the shoulder, then immediately, the UUU into the feminine temple chakra; all the time visualizing the Fehu runic shape onto your soul.

I know this is not very clear, but some of you who have an affinity for working with runes may understand. I will do what I can to illustrate specific diagrams along with instructions for the vibrations. This does not mean that the older method for the runes does not work, only that this formula is much more powerful. I have used it with rapid success.

Russians in Russia: The State within the State

April 24, 2012 —

Igor Artemov

Translated by Roman Frolov

No one in the Russian National political movement—or just anyone for whom his Russian identity is not simply a matter of fact but a defining aspect of his life, beliefs, and actions—should harbor any ill-will towards the Russian Federation. All this is true and doubtlessly affects our lives. And yet the single most important thing to understand is that this system is explicitly and purposefully anti-Russian.

Although we cannot exclude that Putin and his close circle dream about their 'empire', there won't be any place in their 'empire' for the Russian spirit and Russian ideology, just as there was no place for it in the Soviet Union and its consequences, was launched precisely in the Soviet Union and the current authorities of Russian Federation carry on this process more or less consistently. The Russian culture and the Church are being destroyed. The current Russian authorities identify themselves not as Russians or Tartars or Tuvans but as Soviet people. All the facts show that it is the USSR and not the old Russia that serves as a role model for the current Russian authorities and the actions that follow from it directly.

If the Russian Federation was just a red-tape bureaucratic or corrupt state, then these defects of the political system could be fought against and to a certain extent eliminated simply by dealing with them. I realized that the situation in our country does not result from the stupidity, greed or incompetence of the ruling circles. Only an idiot would have trouble understanding that it is better for the people to understand this too. And yet they do everything the other way around, strengthening and hardening from above all the vices of the state system. "Why?," you ask me. Well, because they have

Their goal is to create in place of Russia and Russian civilization a new supranational pseudo-empire within the framework of the New World Order. Under the guidance of a Jewish elite, the Russian Empire was quickly swept away. So for the people's consumption they have an official ideology of building a society of prosperity, social justice and interethnic peace. Yet they cannot hide the truth, especially from the people, by intimidation on the other. In this light it is easy to understand the murders of generals Lebed and Rokhlin, ophthalmologist Fyodorov, Governor Evdokimov and many others who had ascended to power in Russian civilization. I think that the mysterious death of General Shebarshin, the last chief of the KGB, is in the same line of political murders.

The main supports for the Russian authorities in this enterprise are the security agencies. Their purpose is to suppress any popular protest and discontent by unlawful use of force— simply because they are the manufacturers who get the most of benefits and opportunities. Not long ago I had a conversation with an old acquaintance of mine who sells real estate on the Black sea coast and in the Caucasus today not by state officials or businessmen but by highly-placed officials of the Federal Security Service (FSS), Interior Ministry, Public Prosecutor Office, and other similar agencies from various regions. In any case, such property acquisitions are far beyond the means of an honest official, even considering their large salaries.

Thus a conspiracy of silence emerges. Every member of this criminal system knows that he can keep his power and unlawfully acquired riches only if he remains silent and does everything his neighbors

I would like to describe two examples from my personal experience which clearly show that highly-stationed Russian officials have a perfect understanding of what is going on in our country and are in contact with one of the representatives of the President in that region. The conversation has stuck in my memory. There was high turnover at this position and I would like to avoid naming this person. He is a Freemason and pretty good personal erudition. He told me that he reads our newspapers (the Internet was not as widespread then as it is now), and that some of his relatives voted for me in the elections. He understands the rightness of our cause albeit there were not only Russians among his ancestors. He told me that in Soviet times he and other members of the Communist Party were shown that they can provide a tacit support to our cause.

Yet it ended differently. My confidant finished our conversation with a parable. Let's say, he told me, a gang of robbers attacks a woman and wants to rape her. She has a choice, to resist, get s against the whole world. So let's relax and try to benefit from this situation as much as possible. I remember being quite shocked, both at his level of awareness and his conclusions.

As a second example, in 2003 I was one of the originators of the internal investigation of the Police Department of Vladimir Oblast by a special commission from Moscow. The commission was I knew about incidents of bribery, racketeering etc. He listened carefully and took notes. At the end we had turned to the Russian question again. Looking away, he asked me: "If things in Russia for the establishment of Russian national rule, but if the regime perseveres, the Russians as a nation will likely hold on for thirty or forty years more, and after that all sorts of irreversible chang

We had parted amiably. A couple of weeks later I received a letter signed by this same General, in which he thanked me for my assistance and informed me that, based on my information, arou had returned to Moscow and things in Vladimir resumed their 'natural' course. I guess that our General retired soon after these events.

Make no mistake: both of the high state officials described here represent the best part of the establishment. They at least say that they are not against us. Others, however, are much, much w Russian movement today should avoid internal dissent and squabble between parties. The regime hates us all, no matter who we are— backers of the empire or national democrats or Russian and ideals.

We interfere with their desire to destroy Russia quickly and quietly. It is time now to begin building a "state within a state" in our midst, a society closed to outsiders where we can resolve all in military men, among virtually all strata of Russian society. I will return to this topic in subsequent articles.

Note the Jews pretend they were victims of the very system they ran:

At Putin's side, an army of Jewish billionaires

We have to keep our Jewishness and be united in the Diaspora," says Russian Jewish Congress VP.

<http://www.jpost.com/Jewish-World/Jewish-Features/At-Putins-side-an-army-of-Jewish-billionaires>

When the air-conditioning broke down at the reception for the unveiling ceremony of the Red Army monument in Netanya on Monday, it didn't matter if you were a billionaire, multimillionaire,

Everyone suffered the same.

In one corner sat Mikhail Fridman, the seventh-richest man in Russia, whose fortune is estimated at \$15 billion by Forbes. He stayed hydrated in the sweltering heat by sipping a glass of water.

In another stood Moshe Kantor, the chemicals tycoon who Forbes said was worth \$2.3b. He repeatedly removed the beads of sweat from his head with a napkin.

The two men were part of a group of two dozen or so affluent Russian-speaking businessmen who came to the ceremony where President Vladimir Putin was the guest of honor. Some, like Fric Nevzlin and Gabriel Mirilashvili, to name a few, have made their homes.

For many members of this class of ultra rich Putin's arrival in the country was an opportunity for them to brush shoulders with one another and to mingle with friends and officials from the mo

"I am a private person," he said, displaying seemingly good English.

Other faces were more familiar to locals. Lev Leviev, the diamonds and real estate mogul who is a bit of anomaly in this world, was on hand. Although born in Uzbekistan, then part of the Soviet Union, he did the Israeli, whose worth was estimated at about \$1.7b. earlier this year, invest extensively in natural resources and property in that part of the world.

Not everybody in the room was a billionaire. Some were worth a mere couple of hundred of million dollars.

Alexander Levin, a Ukrainian businessman who was among those who donated to build the monument, is one of latter.

The real estate developer, who last year set up the World Forum for Russian Jewry, an advocacy group based in New York, explained why he it was an important cause.

“My two grandparents were killed during World War II so it’s very important to us,” he said. “We are paying just a little [in comparison to what they paid].”

How much is a little? Levin said the exact sum “was not important” but that it was “a lot of money.”

Members of United Israel Appeal-Keren Hayesod, which raised the money to build the marble and concrete monument overlooking the azure Mediterranean Sea, were also tight-lipped.

“We organized a group of 10 to 15 top businessmen who raised the money that helped transform this dream to reality,” said Gadi Dror, the UIA’s director of the eastern region. “We do not go

A source later said each businessman had donated at least \$100,000.

Watching the group of mega-wealthy interact, one cannot help but wonder how so many affluent businessmen in the former Soviet Union are Jewish.

German Zakharyaev, vice president of the Russian Jewish Congress, cited two main reasons for that. First, Jews are few among many.

"We are a minority and as such we have to be strong [if we are] to preserve our customs," said the businessman who, as a member of the Mountain Jewish community of the eastern Caucasus

"This is something in our commandments that we have to keep our Jewishness and be united in the Diaspora."

Second, he said, Jewish businessmen are hard workers.

"We think a lot and we sleep a little," he said.

We are opening new JoS forums. Micama Gmicalzoma- agentofsatanswill666 has posted the links for the new forums, of which I will also be adding to the JoS website. These yahoo groups will remain up and running as long as possible, but it is important that we have the forums as well.

Also, this section is very new:

[http://spiritualwarfare666.webs.com/Satans\\_Library.htm](http://spiritualwarfare666.webs.com/Satans_Library.htm)

Feel free to download, print, and distribute these pdfs. Right now, there is very little that has been uploaded, but in the coming weeks, I will be adding pdf copies of the JoS books. These need to be revised and I will do my best to make the necessary corrections. The internet, as we all know is under heavy attack. Keep checking back for the webpage above, as I will keep adding more pdfs. Most of the new pdfs will be JoS sections, such as meditation, the witchcraft section, and so forth.

Also, in closing, this was forwarded to me and I find this to be shocking and worst of all that it took place in the USA, where the constitution protects religious freedoms. The point being, I know we are heavily discriminated against in the way of not being able to publicly have churches like the xians, but at least, as long as one is law abiding here, they cannot legally arrest you for your personal beliefs. It appears the Inquisition may be starting all over and blatantly:

<http://tv.msnbc.com/2013/10/09/sorry-gop-irs-official-has-not-been-consorting-with-the-devil/>

Republicans may think Obamacare is akin to hell. But that doesn't mean the Internal Revenue Service is consorting with the devil.

Sarah Hall Ingram, an IRS official in charge of implementing parts of Obamacare, insisted during an unusual line of questioning that she hasn't been dealing with the devil.

Ingram made the remarks during testimony before the House Oversight and Government Reform Committee on Wednesday. Democratic Congressman Gerald Connolly of Virginia was trying to deride GOP attempts to paint her as evil.

The Q&A went like this:

Connolly:Have you ever read "The Crucible" by Arthur Miller?

Ingram: I've not read it, I've seen it performed.

Connolly : And you know what it's about

Ingram: Yes sir.

Connolly: What is it about?

Ingram: Well I'm from New England so I'm familiar with the original story. It's about the Salem witch trial.

Connolly: You're under oath. Have you been consorting with the devil?

Ingram: Not to my knowledge sir.

Connolly: Are reports that you can fly accurate?

Ingram: Uh greatly exaggerated sir

Connolly: Have you been involved, in any way, in trying to pervert our youth? In Salem or anywhere else?

Ingram: I certainly hope not sir.

Connolly: You're sure?

Ingram: Yes sir.

Ingram has been criticized by GOPers because she was once in charge of the IRS division that selectively scrutinized conservative groups. The IRS has said the former commissioner of tax exempt and government agencies was not in charge of the group's day-to-day operations after Dec. 2010. The White House has also defended Ingram.

Subject: Re: [HellsArmy666] RE: Russia Is Under Jewish Control

I haven't read through all of this thread due to a lack of time. I will tell you this... This is what I keep reiterating, how the Jews take control of both sides. This is a very blatant example. Putin is a Jew. His father was a Talmud scholar. Of course, he is a Jewish communist and claims to be "against Israel." They all do. This takes the heat off of the correct accusations that communism is a Jewish program.

Now, the former Soviet Union, being under Jewish communist control, and being very clever; USSR would take the side of whatever country Israel was against, such as supposedly supporting Arab nations. This was all a front. USSR would send these countries inferior weapons, many of which didn't even function. Jews in USSR would also publicly whine and blatantly about the "anti-Semitism" under communism. This is all for show and to confuse you. So, Israel openly supports the free world, and the USSR openly supports the enemies of Israel, but the both are working together

under the table for world communism.

This is no different from Christianity. The Jews claim to be against it, even going as far to promote they "killed christ" "are of the devil" and so forth. They forever whine about being persecuted by Christianity. Now, look a little deeper. Every page on that stupid bible has the word "Jew/s" written on it, "Israel" The nazarene was a Jew, his disciples were Jews, his mother and father were observant Jews, both the Old and New Testaments are nothing but Jewish patriarchs, Jewish heroes, denigration of Gentiles and the Jewish teachings promoting communism. Now, just how can Christianity be against Jews? It is all a false front. People are under a powerful spell and they cannot see this.

It is a fact, that communism, is a Jewish invention; all of its top leaders are Jewish, and/or married to Jews and like the bible, it is a swindle. The Jews know this and protect it. They protect their most important programs by pretending to be enemies of them, but underneath it all, they control both sides, and work these both sides to their agenda. This is one of the most important keys to understanding how they operate. It has been extremely effective for centuries. People fall for it all of the time.

This is no different from how they control the Gay Rights Movement:

[http://gbt.webs.com/Enemy\\_Control.htm](http://gbt.webs.com/Enemy_Control.htm)

In their religious writings, homosexuality is an abomination. Their real intention is to have everyone live under Old Testament and Talmudic law. Open sexuality, let alone homosexuality was NOT tolerated in the USSR. Gay and in the gulag was commonplace. Even heterosexual free sex, nudity and so forth were severely punished. Jewess Sharon Osbourne, wife of Ozzy Osbourne, wrote an autobiography. She included that during the late 1980's during "Glasnost" for the first time, the USSR allowed Ozz fest. She wrote how a teenage Russian girl in the audience pulled up her t-shirt and bared her breasts openly. The KGB immediately moved in within seconds, yanked the girl from the bleachers, and proceeded to savagely beat her with clubs before they hauled her off and no doubt, she must have been given a long prison sentence under the most brutal conditions.

My point is, there are so many total idiots who actually believe that communism is liberal and free. In communist countries, you can go to prison [and these are some of the most brutal and heinous places known to humanity], for simple fortification [having sexual intercourse without a marriage license].

For those of you who are ignorant about communism, I suggest you read some of Aleksandr Solzhenitsyn's books, such as The Gulag Archipelago, One day in the Life of Ivan Denisovitch, and many more. The latter you can also watch on youtube:

<http://www.youtube.com/watch?v=tdkvpopu0kY>

People really need to read Russian history. Millions upon million of innocent people were falsely arrested, tortured [many of the methods very similar to the Inquisition], packed into prison cells the same way the Jews pack farm animals into tiny crates and cages ["goyim" means "cattle"], and then given long and intensely brutal sentences in a Siberian slave labor camp, of which very few ever returned. Russian author Aleksandr Solzhenitsyn survived and lived to tell about it. His crime? He was corresponding with a friend and happened to lightly criticize Josef Stalin. His mail was censored, he was arrested, tortured and sent off to Siberia, like millions of others.

I have also made several posts regarding what is now going on in Red China. The slave labor. This is ALL Jewish. The late Mao Tse-Tung, no different from Stalin, mass murdered and tortured millions upon millions of innocent Chinese. This is not something to take lightly. Stupid idiots who spend their time in front of the Jew-tube, watching endless streams of worthless crap, playing nothing but video games and listening to the Jewish indoctrination; those who are ignorant of history and believe "it could never happen here" are in for a very serious rude awakening.

I also want to add that Putin is working with all the other controlling Jews to try to bring Russia under communist control again. There are Russian patriot groups over there and of course, most are infested with Christianity. THIS IS HOW THEY GET CONTROL...WAKE UP PEOPLE!!!!

Subject: News: Nazi war criminal Erich Priebke dies in Italy

<http://www.mail.com/int/news/europe/2391782-nazi-war-criminal-erich-priebke-dies-italy.html#.1258-stage-hero1-4>

ROME (AP) — Erich Priebke, a former Nazi SS captain who evaded arrest for nearly 50 years after taking part in one of the worst atrocities by German occupiers in Italy during World War II, died Friday, his lawyer said. He was 100.

Priebke was finally extradited to Italy from Argentina in 1995 to face trial for the 1944 massacre, and he was sentenced to life in prison. However he served that sentence under house arrest at the Rome home of his lawyer, Paolo Giachini.

Giachini announced the death and released a final interview conducted with Priebke in July during which the German denied that Nazis gassed Jews during the Holocaust and accused the West of having fabricated the crimes to minimize the Allies' own abuses during the war.

Priebke was tried and convicted for his role in the 1944 massacre of 335 civilians by Nazi forces at the Ardeatine Caves outside Rome. The massacre was carried out in retaliation for an attack by resistance fighters that killed 33 members of a Nazi military police unit a day earlier.

Priebke admitted shooting two people and rounding up victims, but insisted he was only following orders. He long felt like he had been scapegoated, since many other Germans who had participated in the massacre weren't convicted, another lawyer, Carlo Taormina, told The Associated Press.

"The dignity with which he withstood his persecution made him an example of courage, coherence and loyalty," Giachini said in the statement. Priebke had escaped in 1946 from a British prison camp in Rimini, a resort town on Italy's Adriatic coast, and had lived in Argentina for nearly 50 years before a U.S. television program reported that he was living freely in the country.

That started a lengthy extradition process that ended with him boarding a plane in Argentina on Nov. 20, 1995, the 50th anniversary of the start of the Nuremberg trials, to stand trial in Italy. The country's highest appeals court upheld his conviction and life sentence in 1998. He was allowed to serve the term under house arrest due to his age, but was subsequently given small freedoms such as going to church and doing personal shopping — concessions that outraged Rome's Jewish community.

Efraim Zuroff, the Simon Wiesenthal Center's chief Nazi hunter who just this year launched a new push to search for unpunished war criminals, said Priebke's case proves it is never too late to seek justice.

"Priebke's death at the age of 100 should be a powerful reminder that some of the worst perpetrators of the crimes of the Holocaust live to a healthy old age and that a person's chronological age should never prevent them from being held accountable for their crimes, if they are healthy enough to be brought to justice," he said in a telephone interview from Jerusalem. "Priebke was a classic example of a totally unrepentant Nazi war criminal."

**In his final interview, Priebke denied that gas chambers were used in Nazi concentration camps and that generations have been "brainwashed" into believing that they were. He acknowledged he could be prosecuted for denying the Holocaust, but said such laws "demonstrate fear of the truth coming out."**

Subject: Runes And The Sacred Tree

Runes And The Sacred Tree

If one looks back in history they will see the tree is the core of much spiritual symbolism. The tree is the symbol of the soul east and west. Its trunk the spinal column and the branches the nadis. The man God who hangs upon the tree is well known to be the personification of the serpent. Hence the title of such being, always are serpent titles. Agathodaemon meaning "Good Serpent." As an important title of Dionysus.

As Philip Gardiner points out. The title Woden literally meant Serpent in the form of Kundalini energy to the ancients. This is the meaning of the title Budha as well:

Primordial Buddhism [Odinism]

<http://josministries.prophpbb.com/topic175.html>

Serpent Worship in general:

<http://josministries.prophpbb.com/topic170.html>

In many places the God was depicted as a tree as well. Osiris's, title of Asar means "Sacred Tree." Our term for the holiday Yule is from Yew, the sacred tree. Hence the Pagan custom of putting up the sacred evergreen tree. The star at the top is the halo and the lights the illuminated nadis that symbolized enlightenment of the soul. The title of Druid is "Knower of the Tree." And they called themselves the Serpents [Naddereds]. The worship of the tree is the empowerment of the soul.

On Yule:

The Yule tree is a Pagan symbol to the point its openly forbidden in the Xain bible. That is why when it was reintroduced back into European culture in Germany in the 16th century it caused such an uproar of protest from xians as a PAGAN thing for decades and still does to this day.

Santa Claus comes from Odin. Originally Wodan would ride His Horse Sleipnir through the sky and come down the chimney on Yuletide eve. With presents to be put in stocking of good children. Who would leave boots full of hay for Odin's horse Sleipnir. And yes they would have the Yuletide tree in their homes as well.

With the sacred tree this is why the God was a craftsman God. In many places from Surya to Esus[Wodan-Diony-esus] a carpenter God. As the element of wood symbolizes ether. The subtle ether of the soul. Hence the fashioner of the tree is the working the craft of perfecting the soul. Its stated that Woden created the first man and women from the wood of trees for this reason and breathed the breath of life into them.

This is why the ancient texts stated the runes where always to be carved into the wood of sacred trees such as the Yew. Its an allegory as HPS Maxine has pointed out for vibrating the runes into the soul. Wood is symbolic of the ether of the soul.

Note Woden is reborn or resurrected [Pagan concept stolen later] by the power of the runes after hanging on the World Tree for nine nights and days. The number of completion. This points to the fact the Runes are for the Magnum Opus.

There are still images to this at the Cosmic Pillar site in Germany that was an ancient Druidic site and temple. The SS restored this site and held rituals there. It was near the Wewelsburg castle.

Reality Check

This is from one of the egroups

From your site:

"Also, humans do not have a race or gender in the astral realm. we appear in the Astral realm in whatever form we choose. True satanism does not promote...."

This is simply the core doctrine of Christianity and the other enemy programs. Race is metaphysical and of the soul as well. Why do you think the enemy programs that are designed to destroy humanity. Always push the style above doctrine. Which they don't follow. Because that is to destroy the Gentiles.

Why do you think the West is full of racial conflict? Because the races have strong instincts for self preservation. Its well known by neuroscience the brain of people fire one way when dealing with those of other races in the pattern of an outsider and the opposite for the same race. Social Biology has documented kin [racial] altruism is a fact.

When you push different races into one nation and tell them to mix you get balkanized regions with constant conflict with other groups. And within a democracy they all fight for their bio-ethnic advancement. What actually happens the different races actually create their personal racial tribal states within the state. They are in a perpetual state of flux and conflict with those around them. They when one gets the upper hand it usually forms a dominate ruling block and steps on the rest and this causes open revolution and violent warfare. In the final cycle the regime class or rulers always become despots to hold the balkanized feuding place together. Then the place falls apart into racial warfare and ethnic cleansing.

The West is starting to reach a crucial point.

Note this situation can easily be avoided by the opposite. Racial separation and self determination. Racially mixed societies never work and always end bad they are spiritually toxic and literally create all kinds of different pathologies in the populaces. Thomas Jefferson warned against this in his time. As have the other greatest minds in history from across the planet.

Racism which originally is the scientific term for the study of races and their biological/psychological differences and such. The Jews under their Communist banner are the ones who have changed the meaning of this term into something which aids their universal cause. Now if you want to keep your race, culture and nation pure [ a situation the Jew can not control you in for long]. You are a evil, negative and toxic person. A.....Racist [sinner, heathen, heretic]. For not wanting to embrace a policy that ends with the extermination of your race and nation into a Jew World Order, slave state. They can't create such slave

state unless they destroy all the races, nations and cultures and absorb them into one slave mass they need to rule.

This is how the Jews work. They create ideologies of control that allow them to confuse and invert the truth and polarize the debate from reality into some fictional good vs evil, religious style debate where they assign the moral roles to each side that benefit them. The terms racism, Nazi, anti-Semite. Are designed to shut down all debate and evidence. And enforce the ideological norms that allow them to rule and move their agenda forward.

People are trained to sit there and allow this hostile alien race. To assign to them their value system thus perceptions of reality [the mark of a slave being told how to think, feel and act at all times] and never develop their own understanding of life. This is why legitimate individuality which is not putting buttplugs in your ear lobes, 50 different tat's, some music band you like or what other mindless trend your following. Which in essence is the same collectivism just acting out differently. But real individuality which is on the soul level one who is for whatever reason not under their control psychologically. Is a major threat to be punished.

Note all those trendy, types who prized themselves on being free individuals will stand their and commend such people as they have been trained to. As their individuality is being a psychological slave with a different externalized sub cultural way to show it. Its the mere expression of a current market trend.

People need to stop using the terms of the enemy ideology as its designed to place psychological chains on your mind. That are to lead to physical chains down the road. When you use their terms you play into their paradigm.

Communist Admits Multicult-PC Is To Destroy Whites

This is reality this character "Solomon Wong" admits cultural Marxist [liberal-pc] ideology is race war program designed to exterminate Whites.

And we know the Jews created this:

Jewish Communizing of America

-----  
Why "Anti-racist" is a Codeword for "Anti-white"

Posted on June 13, 2013 by Solomon Wong

Do you like cat videos? Cooking videos? Do you like watching movies in 11 parts? Whatever you do on Youtube, there's a chance you've noticed a peculiar trend of comments claiming that multiculturalism is the "final solution" to the white race. That "anti-racist is a codeword for anti-white". If you have, you probably laughed it off. Showed it to your friends, or even argued with the commenter for some godforsaken reason. You may have delved deeper, and found a video of a bunch of white women talking about their struggle against the systematic disenfranchisement of whites. If you're an "educated person", you probably know that there's no genocide against whites. Anti-racists don't hate whites. There is no "final solution."

But what you know is wrong. A politically correct lie, to hide the truth: The white race is under threat, and multiculturalism is the weapon of choice. Anti-racist is a codeword for anti-white.

The people leaving these comments are white nationalists. They believe the white race is entitled to an Israel-like homeland, where whites can be assured of their safety and future. Where they aren't threatened by the corrupting influence of other races. They want a home, like the Chinese, like the Arabs, like the Africans. This is somehow an extremist position. Even their benign fourteen word statement on the matter is considered the mark of a nazi, who wants to kill six million Jews.

"We must secure the existence of our people and a future for White Children."

An extensive campaign has been waged to keep you ignorant, passive as the white race dies right in front of you. But people are waking up, and trying hard to lift the sleepy haze from the rest of us. If you do come across these comments, you'll notice that their terminology is extremely consistent. The rhetoric you'll see most often stems from The White Mantra. Written by concerned white man Bob Whitaker, the mantra lays out the white nationalist argument that whites are being systematically exterminated. Certain phrases appear again and again. If you've argued with them, they'll only repeat what they said before, and if they really engage you, it'll only be to convince you that there IS a genocide. I'm going to do their work for them, in the hope that future dialogues are more productive.

Multiculturalism argues that the solution to "the race problem," that is, tension, inequality, and violence between races, is to integrate fully. Put people together where they can gain an understanding of each other, see that they're all the same on the inside. It's tied also to anti-racism, which seeks to tear down the mechanisms that further enable these issues. Solutions there range from affirmative action to deprogramming harmful stereotypes. The mantra argues that these schools of thought are anti-white, and, moreover, constitute a concerted effort to destroy the white race.

Genocide is officially defined by five bullet points. If any one of these points apply, and are being applied in a purposeful way, the international community is obliged to regard it as genocide. The white genocide can be argued to fit all five, but I'll focus on two. As foreign immigrants flood into white countries from where they belong, they pack white land full to bursting, taking jobs from poor whites, being promoted over qualified whites. They worsen the already dire

situation in cities, selling drugs, murdering natural citizens, raping. In other words, they fulfill [c) Deliberately inflicting on the group conditions of life calculated to bring about its physical destruction in whole or in part] by making life unlivable for whites in their own home. Anti-racists claim that the solution to this problem is to integrate. Welcome these immigrants into white communities, let them live as equals, get to know them, help them adjust.

This anti-racist effort constantly assaults the identity of the white race. - [Cartoon by ex-VNN poster Johnny James]

At one level, multiculturalists are right. Poverty is a powerful force, one that can bring out the worst in some people. Part of the race problem in white countries does in fact stem from inequality. But this push for inclusivity is the most insidious measure of all. By raising these people to the level of whites, we're giving them the chance to be viewed as equals. This, too, sounds good to most people. After all, supporting the alternative would be racist. But white nationalists are right, too. This anti-racist effort is decidedly anti-white.

To bring non-whites into the fold of white societies means friendships, relationships, sex and children. The white birth rate drops yearly due to the slow creep of multiculturalism. The more interracial couplings there are, the fewer whites (as contact with another race's blood destroys the Mike's Secret Stuff that makes white people white). Due to the tricky nature of race and whiteness, multiracial people can even pass as white, confusing partners and further diluting the bloodline. As non-whites become more equal, whites don't just lose privilege, their race literally begins to die. [d) Imposing measures intended to prevent births within the group:] Whites are losing the ability to maintain the integrity of their race, in a concerted, imposed way not faced by the Chinese, Brazilians, or Nigerians.

Even as white nationalists espouse views that many find repellent, they're absolutely right that the white race is dying out, and we're helping it happen.

What is the white race? Stormfront defines it thusly:

"Non-Jewish people of wholly European descent. No exceptions."

This is a fairly straightforward definition, though one that is disputed often on the Stormfront boards. When you leave the world of white nationalism, though, whiteness gets much more complicated. The US census counts people from the Middle East as "white." Even people who are very dark count as white. Additionally, it counts North Africans white as well.

This is a pretty ridiculous concept on its face, but remember that the Irish, the Poles, the Jews, were all considered non-white at one point. Today, you're hard-pressed to find anyone that would deny that these groups are white. Admittedly, this is helped along by the fact that most Irish and Poles LOOK like other white people, and non-white Jews are generally categorized by their ethnicity, not their religion, but the point remains that the definition of "white" is vague and subject to change.

Take the case of Gregory H Williams, a man who, after years of living under the belief that his father was a dark-skinned Italian, discovered the truth that his father was half-black. In Indiana, this made him black as well. He and his brother had lived as whites with no trouble, but suddenly they were treated as black by the whites around them, and ostracized by the black community they supposedly belonged to. This social classification is one that white nationalists would agree with, despite the fact that they would only know his "true" race by him telling the story.

What makes white people so special? Why are whites so damn great that white supremacist groups are really some of the only racial supremacist groups around? Well, because they're manifestly doing better. They're more educated, they have more money, more land, more control, they are the most modern, they are the most beautiful, their nations hold the most power, they're really doing the best in most categories. "Whites are just naturally better" seems self-evident, when you look at their position in the world. Who but the greatest race in existence could get to this position?

White nations, those non-Jew European countries and their colonies, came to greatness through vampirism. Even taking into account some theoretical inherent superiority of whites, their nations were built through subjugating and exploiting people they conquered. This is not unusual. Attaining power on such a scale will always fuck someone over. And attain power, they have. The world is essentially under control by white nations, with a few Asian outliers. Through brute force, capitalism, and slavery, a system has been built by whites that puts them at the top. Naturally, their education systems are built to benefit their children. Their economy is built on the foundation of non-white slaves, and maintained through the usage of poor laborers, most of whom are non-white. They own all of the land, and non-whites only gain it through submitting to the white system. Control is naturally theirs, as they conquered the land. Modernity comes mostly at the higher levels of society. Beauty standards have been established by their culture and media. Everything that makes white people great is due to the fact that they are the paragon model of a society and world they sculpted to their needs.

Even so, conquering and shaping the world is pretty impressive. But what does it mean for a racial group? Italians are white. Scots are white. Germans, Swedes, Australians are white. Of course, the reality is much more complicated, but basically, these are white countries, under white control, and they're especially white countries if you subscribe to the white nationalist view. Which, since we're examining their argument and beliefs, you can and should do without feeling weird about yourself. These countries all have a distinct culture and custom. But white nationalists argue that there is an underlying racial oneness to this group. What commonality do all these countries have, aside from skin color, which, as we've seen, means nothing? Their commonality is that they were so successful in violence and exploitation that they were able to take and maintain power. That is their singular racial characteristic.

Suppose a coalition of East Asians had taken over the way whites did. The world would look very different, of course, but there would be some things that were the same. They would be more educated, richer, with more land, control, modernity, beauty. How would they maintain their power? By creating a racial identity that fit all original member states (or, the ones that were influential enough). Claiming some natural quality that made them smart, successful, attractive, powerful, which gave them the right to stay in power above others that were unlike them. This construction of race is based entirely on the fact that (due to their circumstances) these people are better. They're in control, they built the world we live in to make themselves the best at everything, and they invented a race for themselves to assert that this is normal and the right way of things. It's a naturalization of the status quo, turning a constructed power dynamic into a genetic imperative.

The white race is a reification of supremacy. Its very foundation is the power that whites wield. To assert the white race's right to exist is to defend its place of dominance in the world, because its dominance is the ESSENCE of the race. To protect the white race is to protect inequality, colonialism, exploitation, racism. It IS oppression. It IS racism. It IS injustice. And it is dying. Anti-racist practices are killing it.

Anti-racism is anti-white, and we should embrace that. As for the charge of genocide? Accept it. You can argue against it, but what's the point? Any conscientious person should want the white race destroyed. Who cares if the definition of genocide is being twisted to make people feel bad about doing the right thing? The point is that anti-racism, multiculturalism, any attempt to equalize the races is a strike against the white race. And once equality is truly reached, it will be dead. WE ARE TRYING TO DESTROY IT.

The white genocide is carried out through interracial sex, righting wrongs, and the consequences of the white race's sins. It is the kindest, slowest, most consensual genocide ever to take place. It's better than anything whites have afforded the people they stepped on to build their race, people they envy, for they have been afforded the right to their own identity and homeland. Because those people have a true national identity. They have a culture. The only culture all whites share is that of the destruction and subjugation of others. So good riddance.

[The Study That Proved Vaccines Caused Autism-like Symptoms](#)

Catherine J. Frompovich

[Activist Post](#)

The study that showed vaccines were responsible for causing autism-associated or autism-like symptoms from mercury in vaccines was done by CDC epidemiologist Tom Verstraeten using the CDC's massive Vaccine Safety Datalink (VSD) and presented at the Simpsonwood Conference Center (Atlanta, GA area) in June 2000 with only 52 vaccine manufacturers invited to discuss the problem and how to change the science.

Here is what Dr. Verstraeten found:

We have found statistically significant relationships between exposure [to mercury in vaccines] and outcomes. At two months of age, developmental delay; exposure at three months, tics; at six months, attention deficit disorder. Exposure at one, three and six months, language and

Cartoon Courtesy of René Bickel  
and his book, [Vaccination: The Great Illusion](#)

speech delays--the entire category of neurodevelopmental delays.

Dr. Verstraeten also discussed previous studies showing a link between mercury and neurodevelopmental disorders.

Instead of doing the right thing about what was going on, they powwowed over two days to change the science, sending Verstraeten back to redo his work. However, here are some of the statements made by some of the Simpsonwood conference members:

"But there is now the point at which the research results have to be handled, and even if this committee decides that there is no association and that information gets out, the work has been done and through the freedom of information that will be taken by others and will be used in other ways beyond the control of this group. And I am very concerned about that as I suspect that it is already too late to do anything regardless of any professional body and what they say.

"My mandate as I sit here in this group is to make sure at the end of the day that 100,000,000 are immunized with DTP, Hepatitis B and if possible Hib, this year, next year and for many years to come, and that will have to be with thimerosal containing vaccines unless a miracle occurs and an alternative is found quickly and is tried and found to be safe." -- Dr. John Clements, World Health Organization (WHO), Simpsonwood Meeting, June 2000

"I have to say the number of kids getting help in special education is growing nationally and state by state at a rate not seen before. So there is some kind of increase. We can argue about what it is due to."

"I have taken a lot of histories of kids who are in trouble in school. The history is that developmental milestones were normal or advanced and they can't read at second grade, they can't write at third grade, they can't do math in the fourth grade and it has no relationship as far as I can tell to the history we get of the developmental milestones. So I think this is a very crude measure of neurodevelopment."

"To think there isn't some possible problem here is unreal." -- Dr. William Weil, a pediatrician representing the Committee on Environmental Health of the American Academy of Pediatrics, Simpsonwood Meeting, June 2000

"I wonder is there a particular health outcome that is related to aluminum salts that may have anything that we are looking at today." -- Dr. Tom Sinks, Associate Director for Science at the National Center for Environmental Health at the CDC and the Acting Division Director for Division of Birth Defects, Developmental Disabilities and Health, Simpsonwood Meeting, June 2000

As a result of the Simpsonwood Meeting, Dr. Verstraeten effectively reworked the data; found no implication / causation for autism; and that's what the CDC/FDA say is factual science. Dr. Verstraeten then went on to work for GlaxoSmithKline (vaccine manufacturer) in its European Union facility.

And, finally this, which may be the apparent 'defense' at the Simpsonwood meeting: "We just don't know the effects of ethylmercury." [as

Thimerosal in vaccines]

The Genocide at Vinnitsa

By Dr. William Pierce  
ADV Broadcast: RAM, MP3

We spoke a few weeks ago about the mass murder of the leadership stratum of the Polish nation by the Soviet secret police in the Katyn Forest in April 1940. We discussed that genocidal atrocity in the light of the ongoing Jewish campaign to portray Jews as the principal victims of the Second World War and to collect reparations from the rest of the world today. A good deal of interest in that broadcast was expressed by listeners, many of whom had not been acquainted previously with the facts of the Katyn atrocity. Today I will explore this general subject further. I will tell you about the fate of the Ukrainian nation at the hands of the Soviet secret police.

In 1943 Germany was at war against the Soviet Union. Twenty-five years earlier, at the end of the First World War, when communist revolutionaries were attempting to take over Germany, Adolf Hitler had sworn to devote his life to fighting communism. He was only a corporal at the time, recuperating from his war wounds in a military hospital, but 15 years later, in 1933, he became chancellor of Germany, and in 1941 his army invaded the Soviet Union with the aim of destroying Soviet communism. The German Army pushed far into the Soviet empire and liberated all of Ukraine from the communists.

In May 1943 units of the German Army were stationed in the Ukrainian city of Vinnitsa, a community of 100,000 persons in a primarily agricultural district. Ukrainian officials in Vinnitsa told the Germans that five years earlier the NKVD — the Soviet secret police, very similar to our FBI — had buried the bodies of a number of executed political prisoners in a city park. The Germans investigated, and within a month they had dug up 9,439 corpses from a number of mass graves in the park and a nearby orchard.

Unlike the Poles murdered in the Katyn Forest, all of these bodies found at Vinnitsa were those of civilians, most of them Ukrainian farmers or workers. The bodies of the men all had their hands tied behind their backs, like the Polish officers at Katyn. Although the men's bodies were clothed, the bodies of a number of young women were naked. All of the victims had been shot in the back of the neck with a .22 caliber pistol, the trademark of the NKVD executioners.

The Germans called in an international team of forensic pathologists to examine the bodies and the mass graves. The international team, which included pathologists from Belgium, France, Netherlands, and Sweden, as well as from several countries allied with Germany, examined 95 mass graves and conducted a number of autopsies.

Including the autopsies already performed by Ukrainian medical personnel in Vinnitsa, 1,670 of the corpses were examined in detail. The identities of 679 of them were established either through documents found in their clothes or through recognition by relatives, who flocked to Vinnitsa from the surrounding countryside when they heard that the graves had been uncovered.

The authorities estimated that in addition to the 9,439 bodies exhumed, there were another 3,000 still in unopened mass graves in the same area. The international team concluded that all of the victims had been killed about five years earlier — that is, in 1938. Relatives of the victims who were identified all testified that the victims had been arrested by the NKVD in 1937 and 1938. The relatives had been told that those arrested were “enemies of the people” and would be sent to Siberia for 10 years. None of the relatives had any idea what the reason was for the arrests and testified that those arrested had committed no crimes and were engaged in no political activity. As I said earlier, nearly all of the victims were farmers or workers, although there were a few priests and

civil servants among them.

By interviewing a large number of people who had some knowledge of what had happened in Vinnitsa and the surrounding region in 1938, the Germans were able to piece together the following picture. In 1937 and 1938 gangs of the NKVD's jackbooted thugs roamed the villages and towns of Ukraine, arresting people in a pattern that seemed almost random to observers. One victim's wife reported that as the NKVD goons dragged her husband away they said only, "Hey, you dog! You've lived too long." Other observers thought they saw a pattern. A Ukrainian who was renting a part of his house to a Jewish lawyer refused to sell the whole house to the Jew when he offered to buy it at an unreasonably low price. A few weeks later the Ukrainian homeowner was arrested by the NKVD. Another Ukrainian who had threatened to beat up a minor communist functionary who made a crude pass at his sister was arrested shortly thereafter. It seemed that many of the arrests were the settling of personal scores and that anyone who had crossed a Jew was especially likely to be arrested.

All of this was nothing new for Ukrainians. They had borne the brunt of the communization the Soviet Union for nearly two decades. Ukraine was primarily an agricultural nation, a nation of farmers and villagers, and as such was regarded with suspicion by the Jews and the urban rabble who filled the ranks of the Communist Party. The communists championed the urban workers, but they wasted no love on farmers and villagers, who tended to be too independent and self-sufficient for communist tastes.

During the civil war which followed the Bolshevik Revolution of 1917, the Ukrainians wanted to opt out. Ukrainian nationalists wanted no part of the Soviet Union. In 1921 and 1922 the Red Army occupied Vinnitsa, and Ukrainians were butchered wholesale by the Reds in order to kill the Ukrainian nationalist spirit. The craving for Ukrainian independence nevertheless kept flaring up, and further massacres followed, notably in 1928.

Ukraine was the stronghold of the kulaks, the independent farmers and small landowners, always regarded with special hatred by the communist bosses. Stalin gave the job of exterminating the kulaks to his right-hand man in the Kremlin, Lazar Moiseivich Kaganovich, known later as the "Butcher of Ukraine." Kaganovich, the most powerful Jew in the Soviet Union, supervised the collectivization of Ukrainian farms, beginning in 1929. To break the spirit of the kulaks, the Ukraine was subjected to an artificial famine. The NKVD and Red Army troops went from farm to farm, confiscating crops and livestock. The farmers were told that the food was needed for the workers in the cities. None was left for the farmers. And in 1933 and 1934 seven million Ukrainians died of starvation, while Kaganovich watched and gloated from the Kremlin.

Perhaps in 1937 and 1938 the bosses in the Kremlin simply thought that it was time to apply the lash to the Ukrainians again. In any event, the NKVD was given the task this time. The NKVD was even more Jewish than the rest of the Soviet communist apparatus.

The commissar of the NKVD until September 1936 had been the Jew Genrikh Yagoda, and he had staffed his instrument of terror and repression with Jews at every level. And those who were not Jews were the worst sort of Russian and Ukrainian rabble, the resentful louts and ne'er-do-wells who saw in communism a way to get even with their betters. In any event, the Ukrainians were fully aware of the preponderance of Jews in the secret police, and they suspected that there was a Jewish angle to the pattern of arrests in 1937 and 1938. And indeed, it did seem as if the Talmudic injunction to "kill the best of the Gentiles" were being followed, for those who were arrested seemed to be the most solid, the steadiest, the most reliable and irreproachable of the Ukrainians.

Thirty thousand were arrested in the Vinnitsa region alone, and most of these eventually were sent to the NKVD prison in the city of Vinnitsa. This prison had a normal capacity of 2,000 prisoners, but during 1937 and 1938 it was packed most of the time with more than 18,000 prisoners. Throughout much of 1938 a few dozen prisoners were taken from the prison each night and driven to a nearby NKVD motor pool area. There their hands were tied behind their backs and they were led, one at a time, a few hundred feet to a concrete slab in front of a garage. The slab was used for washing vehicles, and it had a drain at one side with an iron grating over it. Just as the prisoners reached the edge of the slab they were shot in the back of the neck, so that when they fell onto the concrete their blood would run into the drain. This was what the NKVD men jokingly called "mokrii rabota" — "wet work" — and they had had plenty of experience at "wet work." A truck parked next to the slab kept its engine racing so that the noise of the engine would cover the sound of the shots. While the next prisoner was being led up, a couple of NKVD men would throw the corpse of the previous prisoner into the truck. When the night's quota of victims had been murdered the truck would drive off with its load of corpses to the fenced-in park or to the nearby orchard, where new graves already were waiting. And this "wet work" went on night after night, month after month.

So why is this gruesome story important to us now? After all, this massacre of Ukrainians in Vinnitsa took place 60 years ago. I'll tell you why it's still important to us, aside from the fact that these Ukrainians were our people, our kinfolk, part of our race.

First, you might ask yourself why you have never before heard about Vinnitsa, and I'm sure that's the case for about 99 per cent of our listeners. Of course, Alexander Solzhenitsyn wrote about what happened at Vinnitsa, in the third volume of his Gulag Archipelago, but you're not likely to find that in the rack at the checkout counter. And Ukrainians and Germans have written about it, although for the most part their writings have never been published in English, because publishers in this country understand that it would be Politically Incorrect to publish anything about Vinnitsa. Much better that people just forget about it.

Isn't that odd, though, when we continually hear so much about Auschwitz? Isn't it odd that when Jewish groups are using their political influence to have laws passed in a number of states requiring high school students to take courses about the so-called "Holocaust," what happened at Katyn or at Vinnitsa is never mentioned in high school? The excuse given for requiring students to study the so-called "Holocaust" is that it was the greatest crime in history, and we should know about it so that we won't repeat it. But then why shouldn't we learn about Katyn and Vinnitsa and Dresden and a thousand other atrocities where our people were the victims, and so the lesson should be even more pertinent for us?

You know, I'm not trying to be cute about this. We all know the answers to these questions, but I just want you to think about their significance. To them, Auschwitz is important because Jews died there, and Vinnitsa is not important, because only Gentiles were killed there. The Jewish media bosses keep rubbing our noses in Auschwitz, because they want us to feel guilty, they want us to feel that we owe the Jews something for letting it happen. The Jewish media bosses never mention Vinnitsa because Jews were the guilty ones there. Besides, they make a lot of money by promoting the "Holocaust." It's certainly not going to help their profits to divide the attention and the sympathy of the American public between Auschwitz and Vinnitsa. And it's certainly not going to help their effort to extort billions of dollars in "Holocaust" reparations from the Swiss and from everyone else to admit their own guilt at Katyn and Vinnitsa.

Think about it! If Poles controlled the news and entertainment media in America, we'd hear a great deal more about Katyn, I suspect. If Germans controlled our media we'd hear much more about the terror bombing of Dresden. And if Ukrainians controlled our media, every high school student would know about Vinnitsa. But it's the Jews who control our media, and so all we hear about is Auschwitz: never even a whisper about Vinnitsa. That's important. We ought to be concerned about that. We ought to be concerned whenever any part of our history is suppressed, is hidden from us. We ought to find out why. It might help us to make sure that what happened to us at Vinnitsa never happens to us again.

I'm sure that you've all heard the maxim that the best defense is a strong offense. Do you remember the persecution all through the 1980s of John Demjanjuk, the retired Cleveland auto worker whom the Jews accused of being "Ivan the Terrible"? John Demjanjuk\* is a Ukrainian who came to America after the Second World War. In 1978 the Jews made a big hullabaloo about Demjanjuk being a guard in a German prison camp during the war, and the U.S. government obediently hauled him to court and stripped him of his citizenship. Then he was handed over to the Jews for crucifixion and deported to Israel. The mass media in America were full of sensational stories for 15 years about Ivan the Terrible and how the Ukrainians had helped the Germans persecute the poor, innocent Jews. Unfortunately, this strategy worked for the Jews. The Ukrainians kept their heads down instead of raising the issue of Vinnitsa. Of course, even if they had begun trying to tell Americans about Vinnitsa or about what Kaganovich had done to the Ukrainian kulaks, who would have heard them? Ukrainians don't own the New York Times, the Washington Post, the Wall Street Journal, Time magazine, Newsweek magazine, or U.S. News & World Report. The Jews own all of those media. And the Ukrainians don't own Hollywood, so they can't make movie dramas about Vinnitsa either, like Steven Spielberg does about the so-called "Holocaust."

The crux of this matter is that the Jews have been getting away with presenting a grossly distorted version of history to us, a version in which they are the completely innocent victims, and our people, the Ukrainians and Poles and Germans are the bad guys who have been persecuting the poor Jews for no reason at all. They've been pumping out this propaganda in concert, consciously and deliberately, without a single major medium under their control deviating from their party line. And people try to tell me that, well, the Jews may control the media, but they don't conspire with each other. Baloney!

And because they've been getting away with giving us a falsified version of history, they've been able to change America's foreign and domestic policies in directions to suit themselves, to our enormous disadvantage. Everything which has happened in the Middle East, for example, since the Second World War is based on this false history.

More than that, everything that has happened in Europe since the murder of 12,000 Ukrainians at Vinnitsa in 1938 has been based on the Jews' power to control what we learn about our history, about what is happening and has happened in the world around us. The U.S. government allied itself with the Soviet government in 1941 for the purpose of destroying Germany. The communists were presented to the American public as the good guys, as worthy allies, and the Germans were presented as the bad guys. And the American public bought that lie because they didn't know about Vinnitsa or about a thousand other atrocities committed against our people by the communists.

When the Germans brought in the international commission to examine the graves in Vinnitsa in 1943, the Jew-controlled media kept the news from the American people, just the way they kept the news about the Katyn Forest genocide away from the American people. And because of this, there was no real opposition to turning half of Europe over to the communists at the end of the Second World War.

If Katyn and Vinnitsa had been publicized, so that every American voter knew in detail what the NKVD had done at Katyn and at Vinnitsa, the politicians in Washington never would have been able to get away with turning the Poles and the Hungarians and the Rumanians and the Bulgarians and the Croats and the Serbs and the Czechs and the Slovaks and the Baltic peoples and all of the Germans in the eastern part of Germany over to these communist butchers. The politicians in Washington got away with this not just because they were in the pockets of the Jews, but because the American people weren't given the truth. And because we weren't given the truth millions more of our people died at the hands of the NKVD after the war, and all of eastern Europe was plundered by the communists for 50 years, and there was a Korean War and a Vietnam War — which there wouldn't have been if we hadn't kept the communist empire alive because of our own ignorance, because of the lies we'd been told about what happened in Europe. We lost more than 100,000 of our best young men in the Korean and Vietnam wars alone.

So you see, it is important what the public is told. It is important that our people know the truth about our history, even about things which happened 60 years ago. And I intend to do everything I can to give them the truth.

Now I believe that you can understand why the Jews try so hard to keep me off the air, why they bring pressure against every radio station which carries American Dissident Voices. They are desperate to keep the American people in the dark about Vinnitsa and Katyn and their other crimes. And I am determined to tear down the curtain of silence and darkness and give truth and light to our people.

And there is some urgency about this, because the Jews are continuing to push for laws against what they call "hate speech" — which means any speech which contradicts their lies. They have succeeded in getting such laws passed in other countries. If I tried to make this broadcast in Canada or Britain, for example, the police would arrest me and shut down the station before I could finish. Let's not let that happen in America.

The history no one is suppose to know. The other Holocasut we never heard about.

Under Stalin if you were Anti Semitic you were put to death.

The government of the USSR under Stalin murdered many of its own citizens and foreigners. These mass killings were carried out by the security organisations, such as the NKVD, and reached their peak in the Great Purge of 1937-38, when nearly 700,000 were executed by a shot to the base of the skull. Following the demise of the USSR in 1991, many of the killing and burial sites were uncovered. Some of the more notable mass graves include:

Bykivnia – containing an estimated 120,000 – 225,000 corpses.

Kurapaty – estimations range from 30,000 to 200,000 bodies found.

Butovo – over 20,000 confirmed killed.

Sandarmokh – over 9,000 bodies discovered

Many other killing fields have been discovered several as recently as 2002. In the areas near Kiev alone, there are mass graves in Uman', Bila Tserkva, Cherkasy and Zhytomyr. Some were uncovered by the Germans during WWII; Katyn and Vinnitsa being the most infamous.

There is more.

The Great Famine-Genocide in Soviet Ukraine (Holodomor)

The man-made Famine of 1932-1933 in Ukraine may be receding into the ever more distant past, but 65 years after, its legacy remains. It's one of those cataclysms that launched massive undercurrents with profound historical impact. Tragically, it's also an event of cosmic magnitude that barely registered on world consciousness when it occurred and is scarcely remembered today.

Here's what happened: In April 1929, Joseph Stalin ordered the first Five-Year Plan, in which he decreed that Soviet agriculture be collectivized by the end of 1933. For individual farmers that meant turning their land and livestock over to the state and becoming workers on giant collective farms.

Not surprisingly, there was widespread resistance, particularly in Ukraine.

The official press – in the Soviet Union there was no other kind – began denouncing reluctant landowners as “class enemies,” “rich kulaks exploiting the masses.” That set the stage for Stalin’s decree at the end of December 1929 to “liquidate the kulaks as a class.” In Ukraine, primarily a peasant society, that was just about everybody. The Russian heartland, with its age-old tradition of the “mir” or commune, had few independent farmers and therefore few “kulaks,” as Stalin defined them.

As voluntary collectivization stalled, Stalin turned up the heat with arrests, evictions and confiscations until finally in 1932 he unleashed an army of Communist Party activists who laid siege to thousands of Ukrainian villages, raiding homes, taking every grain of wheat, every scrap of food they could find.

Like many Ukrainian Americans, I’ve always seemed to have known about the Famine. I’m Catholic, but from time to time I would go to Holy Trinity Ukrainian Orthodox Church in Cleveland, where I heard some memorable sermons delivered by the Rev. Kovalenko about what he had lived through as a boy in Poltava during the Famine. My hair would stand on end. I remember the passion and pain in the Rev. Kovalenko’s face, his sermon ending with a warning about the consequences of Godless atheism.

I no longer recall the words themselves, so instead let me quote Lev Kopelev’s anguished confession: “In the terrible spring of 1933, I saw people dying from hunger, I saw women and children with distended bellies, turning blue, still breathing but with vacant lifeless eyes. And corpses – corpses in ragged sheepskin coats and cheap felt boots; corpses in peasant huts, in the melting snow of the old Vologda, under the bridges of Kharkiv.

...” Kopelev was one of those, to quote his own words, who went “scouring the countryside, searching for hidden grain, testing the earth with an iron rod for loose spots that might lead to buried grain. With the others, I emptied out the old folks’ storage chests, stopping my ears to the children’s crying and the women’s wails.”

Fred Beal, an American Communist whose idealism brought him to work at the Kharkiv Tractor Plant in 1933, was a witness, not a participant. “I watched on the sidelines,” he wrote, “ashamed of being a party to the system that was murdering these innocent people ... I had never dreamed that Communists could stoop so low as to round up hungry people, load them upon trucks or trains, and ship them to some wasteland in order that they might die there.

Yet it was a regular practice. I was witnessing myself how human beings were being tossed into the high trucks like sacks of wheat. Right there and then I was determined to make a complete break with the Stalin gang and return to the capitalist world.”

No one knows for sure how many people were murdered during that horrible year. As Nikita Khrushchev put it, “No one was keeping count.” Robert Conquest, the great historian of the Famine, estimates 7 million victims.

Astonishingly, the press, particularly in Britain and the United States, failed to report the story. No one was more remiss than Walter Duranty, The New York Times correspondent to the Soviet Union. In November 1932, when many people including those from the Ukrainian American community were spreading the alarm about the devastation in Ukraine, he assured his readers that “there is no famine or actual starvation, nor is there likely to be.”

In August 1933, after millions had already died, he wrote that “any report of a famine in Russia is today an exaggeration or malignant propaganda.”

The closest Duranty came to acknowledging Stalin's genocidal policy was in a dispatch from March 30, 1933, when he wrote, “There is no actual starvation or deaths from starvation, but there is widespread mortality from diseases due to malnutrition.” As far as Duranty was concerned that was okay because, “To put it brutally – you can't make an omelet without breaking eggs.” Walter Duranty won the Pulitzer Prize for his series of dispatches from Russia, “especially the working out of the Five-Year Plan.”

Did Duranty know better? He sure did. In “The Harvest of Sorrow,” Dr. Conquest cites a September 30, 1933, dispatch from the British chargé d'affaires to Moscow: “Mr. Duranty thinks it quite possible that as many as 10 million people may have died directly or indirectly from lack of food in the Soviet Union during the past year.” Others reported a similar disconnect between what Duranty knew and what he reported.

So why did he do it? His book from 1937, “I Write As I Please,” offers a clue: “Am I wrong in believing that Stalin is the greatest living statesman?” Mass murderers can't be statesmen, so Duranty decided there could be no Famine.

As far as I know, the Pulitzer Prize Committee has never moved to revoke Duranty's prize and The New York Times has never publicly repudiated it or offered to return it.

The Western press is not the only institution that denied the existence of the Famine. So did the Soviet Union – obviously. For more than half a century, any mention of the Famine was punished with a long prison sentence.

Today in Ukraine, people know about the Famine, but it is largely a repressed memory. This affects the national psyche, permitting Communists to run for office without shame or remorse. Unfortunately, their influence on Ukraine's economy is enormous, since the Communist Party constitutes the core of a parliamentary coalition that blocks legislation to dismantle the state-run farms, the Famine's malignant legacy.

These bloated, bureaucratic structures provide the apparatchiks who run them with political patronage and allow them to divert agricultural resources to their own purposes. As a result, Ukraine gets little benefit from her greatest potential asset: agriculture.

The International Monetary Fund and the World Bank are ready to help Ukraine, with the United States poised to provide political backing, but reforms must be approved first, including the privatization of land.

Vice-President Al Gore delivered that message in Kyiv on July 22, and he was right to do so. There's no point in subsidizing the collective farm system or other wasteful, inefficient Ukrainian institutions.

As for the majority of Ukrainians, they undoubtedly favor land reform, but this is a country where Communists have a 75-year head start on political organization. What the CPU lacks is the vision for a positive program; they only have the means to block change. This cannot be sustained forever.

Today, seven years after declaring independence, Ukraine's problem is spiritual as much as it is political and economic. The country has to confront its past and come to terms with it, the Famine above all. That process has hardly begun.

For such a huge historical event, such an enormous crime as the Famine, surprisingly little scholarly and literary work has been done. Dr. Conquest, obviously,

stands out. So does Jim Mace, who directed the U.S. Commission on the Ukraine Famine, as well as Slavko Nowytski who produced the film "Harvest of Despair" and, of course, The Ukrainian Weekly. There's a scattering of other books and materials, but little of recent vintage or mass circulation.

The New York Times could help enormously by acknowledging and fixing Walter Duranty's mendacious work from 65 years ago. Nothing would help more, though, than having Verkhovna Rada approve the privatization of land.

I can't think of a better monument to the victims of the Famine or a more fitting way of telling their descendants – the nation – we're sorry.

Runes And The Temple Of The Sun

This was a reply to a member in the groups:

The 22 cards of the triumph deck are designed to equal to the 22 letters of the Hebrew alphabet which the cards containing within their images the shape or images related to each latter. The first card the fool [should be seoul the sun] is designed by Waite to correspond the first letter of the Hebrew alphabet. The taro has been corrupted into Hebraic nonsense.

The fool card is started at 0 because the fool faces the direction of the female on the world card. A full circle it equals the symbol of eternity the ouroboros serpent. The taro in its original uncorrupted form related to the Zodiac wheel which is the temple of the Sun and a 360 circle=9. The zodiac wheel is depicted as the ouroboros. Which is the science of the Magnum Opus. Originally around the outer wheel of this was placed the Runes the 24 elements of creation which is still mentioned in the east with Siva, Siva is Purusha the cosmic man of the Zodiac wheel in the east. Some authors bs and state it was Hebrew letters around the outer wheel but this is false. Sanskrit is the oldest language on earth. And if you look at the last purely Vedic civilization [Sanskrit speaking] of the Indus Valley. Its writing is runic. The Indus Valley script is the same [Aryan] Easter Island script and is called Tau script. Which is a nod to Melek Taus a name for our God.

The Tau symbol represents ether the element of the triumph deck. Which the 22 is claimed to relate towards but does not its a different number. The runic script by the above relates to the ether element which is the gold of the Magnum Opus. The Tau symbol is upon the mace of Hanuman in the east, which represents the spinal column which originally is shown as the cosmic tree. The element of wood is symbolic of ether. Runes are carved into wood for this reason. This Tau symbol in the east is Vayu that of ether the 3r power [also called prana]. The Tau cross is also a symbol of this ether and the soul. And was shown with a serpent upon it many times.

So we have the runic alphabet named Tau which relates to the luminous ether element. And its perfection in the Magnum Opus. The God is also shown blue in colour of the ether in Sanskrit this color is called Vishuddi which means "Pure One." Odin was also depicted as blue for this reason.

This is why Odin hangs on the Cosmic Tree for 9 nights. The taro in its original uncorrupted form related to the Zodiac wheel's 24 runes, which is the temple of the Sun and a 360 circle=9. The nights represents the Feminine or yin aspect of the soul which is symbolic of the serpent power the ouroboros or Shatki. In this case being perfected.

This is why the tree Odin is hanged on is also called the "Windy tree" wind in the ancient Aryan language was also called Vayu the power which relates to ether as mentioned above. This relates to his side being pierced by his spear.

In a proper deck there might be 24 cards in the triumph deck.

The Runic futhark is the original tarot. The round disk as the temple of the sun is what the Temple of Sol-om-on is described as in the ancient writings of Josephus. This is important as the Templars had this concept first as they were the original Druidic class who used the Runic Kabala [the Jews stole the Kabala and corrupt it from Egypt] and the Greeks and Egyptians had the same Tradition as the Druids as Pike notes. This is the origin of King Arthur and the Round Table which goes back over ten thousand years.

Around this cosmic wheel the 24 runes were placed. Not Hebrew letters.

The Hebrew alphabet was stolen and badly corrupted from the runes in my opinion. They try and hide this with 22 letters but two of the letters have dual equal which are separate letters on their own bringing it into 24.

No, jews are not capable of such emotions that we are. We have enough water element in our soul structure, jews haven't. Their emotions are highly egoistic and very light, that's why they have no shame, resent, feeling your honor insulted, disgust, moral traum - some other deep emotions that only water element might give. They don't know empathy. Also they have no our psychic abilities like astral senses or "being in the skin of another, understanding of his phisical and emotional pain" due to the same reason. I experienced "jewish emotions" on myself in conversations with them, believe me. For a gentile the relationship with a jew is very traumatic because of that. Being decieved into their "having emotions" and "being human-like" is highly discouraged for your own good's sake!!!

They have no our 4-elemental soul with our abblity to develop and achieve godhead, their soul is constructed different - just to infiltrate and manipulate - all their talants. Their achivements are based on blood sacrifice - wars, bloodsheds, ritual murder, criminals. They do not PRODUCE energy, they SUCK IT OFF. Maybe they would found the way of eternal physical existence if they were given a chance. "blood bath of maden's blood giving immortality" and other Europe vampire's "stories of immortality" are good allegory of jewish way of gaining energy for long life.

And no, they HAVE NO SATAN'S GENES, thats why they are not "hibrids" of people and reps. They are hibrids of monkeys and reps. Because, when reps constructed jews, they in no way would give them satanic blood. They took monkey genes from human DNA, thrown away demonic genes and used their own ones to invent a jew.

JEW IS NOT A HUMAN, BECAUSE:

HUMAN = SATAN + MONKEY

JEW = HUMAN - SATAN + REP

JEW = MONKEY + REP.

I think so. You may argue.

This is a drawing in homage to our Antichrist. I do not know if in his current incarnation, he looks like this, but this is exactly how he looks like in the lucid dream I had.

Este é um desenho em homenagem ao nosso Anticristo. Não sei se ele se parece assim em sua encarnação actual, porém é exactamente assim que ele se parece no sonho lúcido que tive.

Misinfo for the most part. They do have a 4 elemental soul and the part of no water is entirely a lie. Also stopping being totally dogmatic to impress would be nice. Take it easy and know before you drop misinfo bombs like you was there when it all happened.

They have emotions, can do magick, they have some sort of serpent. Thus total misinfo must be stopped. They are not weak and as low as you portray them, they are dangerous and powerful, not more than us but this all here is in the tone of the under estimation. Enough dogmatic super knowing. These groups have had enough. And if something can be 85% percent True, the 15% injection of false info can destroy what we do and how we fight the enemy.

Mistakes are fine and acceptable. But when you make mistakes on public stuff and trying to be authoritarian can be a problem.

This is a more serious issue than most people know. For the lazy individuals who can't be bothered, if not enough people take action against this, it will only go on. In addition, for those of you who do not eat meat, much is also being done to destroy crops with this same kind of artificial tampering, which also includes seeds for one's garden. Our entire food chain is being seriously contaminated and as long as people sit back, pass the buck and don't bother to take any individual action, this will go on and at some time, everyone is going to regret it. As this isn't anything belief specific or religious, this link can be forwarded to many others.

The latter half of the URL is cut off, and will not highlight after the message is sent through [Mercury is retrograde]. This is very important. Please add the cut off to your address bar after putting in the first part URL. Also, I note in addition to the food we eat being tampered with and being very unhealthy, many different foods such as chicken tend to go bad abnormally fast anymore. This is obviously the result of the growth accelerators...so what does this do to the consumers? Also, many crops are abnormal hybrids and are genetically altered, so this sort of thing affects vegetarians as well. It includes ALL of our food, both meat and vegetables; fruits, grains...

This is not his fault, he isnt trying to promote himself believe me this was just a mistake and he just tried to help.

Yes he committed a mistake and took it in public as really believed it was true, he is not the kind of guys who seek for self promotion.

This is in part my fault as I took this misinfo a while ago and we were talking about it.

I am not here to receive disrespect and personal insults like that. But to help others, and if I am mistaken, it's not your right to insult me, but correct, because it's you, advanced member, who's Duty is to share the truth.

Now I claim that you, Hooded Cobra, NEVER and NOWHERE have bothered yourself to clearly explain HOW EXACTLY is constructed the jewish soul and what percentage of elements it has in it. You have no right to speak with me like that of "hey, read my posts before asking questions", merely because you and others like you had no their precious time wasted on me and other interested newbies to clarify this question properly. Never and nowhere - OR PROVE IT AND GIVE THE LINK. The only thing Don Danko said regarding this topic was "they are not human, their genes and soul are different". Only informative thing in your post was "they have water element and "some kind" of Serpent" - what exactly kind? what's the difference? what percentage of water? ... So I ask you: WTF I MUST UNDERSTAND FROM WHAT YOU SAY??? - ONLY DISTRUST, DISRESPECT, ARROGANCE, NOT WANTING TO LOSE YOUR TIME ON CLARIFYING ANYTHING TO NEWBIES (if this your attitude is only towards me, you could have wasted your time to clarify for others for it's a group) AND

PERSONAL INSULT.

AND NOT READING POSTS, BEFORE ANSWERING. I nowhere said that I can't mistake and that they have no fiery element, I only said about water's percentage because I had such a thought. And if you had your dear time to read my posts, you would know that I read all the group up and down and all the sites before asking for my respect to yours time, and if I mistake a lot it only means that I was so respectful that didn't bother a group trying to understand myself - EVEN WHEN CAN'T.

If you think I'm an infiltrator or want personal attention, just say it openly into my face and note clergy of me - what's the problem?

I can't give respect to the man, who has no respect for me. I at least bother myself to post what I think and you have time just to say "your wrong" and no time to say what is right - "your not worth to reveal any information to you" attitude. "I shit that you are mistaken and follow wrong way - just don't post it" attitude. What did you personally did to prevent my and other's mistakes in this topic? - nothing.

Disrespect and arrogance from your part.

Answer to Egon Albrecht.

I swear on my Honour I never distrust you forever and ever. I shit on how many times you mistake (it doesn't matter for me at all), I trust people's word because of my personal attitude to them not because of their knowledge. Moreover, your words helped me in my situation, you saved me from suicide then - with these very words, and I totally shit on how they were correct in this or that way - you saved my life, this only matters. And no, there is entirely no your fault in anything and never were and never will be, because my post is totally my opinion and experience and my will to share. Our opinions were only alike in some points - that's all. I am the one, who must beg your pardon for messing you in this shit, wasting your time on my defence and make you feel confused. Forgive me, for it was not my intent. I thank you from heart for your care that I never knew before and will never know through the eternity. I hope there will be a day I give you back 1 000 000 000 times all care and help I received from you. My respect for you have no end and measure. Thank you for the Honour to call you my brother.

How about relax and since you are legit, chill and do not lash out.

Saying they have no water. So a jew that has a natal chart by definition would have no water. This is by definition stupid and unreal. Simple emotions like sexual lust are of the water element. So your arguement is on the spectrum of the etherial bullshit.

Now you pretended to be the all knowing authority and you try to play me with reverse ball throws. On the end you said we can argue. Then when we do you make me seem like the worst asshole around. Because I did exactly what you allowed me to do. Funny.

Kundalini is known to activate the Genetics and its also a personification of the Genetic codex in the twin Serpents etc. They have different, kike genetics. The Serpent itself and the entwined stuff is for the double helix. Their DNA is different, so how can they have the same Serpent. Or anything related to what we call Serpent for the Gentile. What they have I do not know exactly because it would require being a jew. But most living beings have some sort of bioelectricity or some sort of serpentine enegy.

And for the record, respect is gained so I will not ask of it neither I want or need yours. I never did. Vent, chill and just letting you know, I did not have time to clear things. Which I did now. This is something I could have done and yes, I understand why you took it as you did.

You did not pose a question. You posted that everywhere all over the place. And allow me, though I never do that, tell you that I have personally worked to where I can see obviously that you haven't seen for real what you say, but rather sit down and create stories.

In anyway chill and vent. Mistakes are welcome. Its a mistake, move on. If you had more vile intentions then why lash out. Patiently hearing might have been solution aswell, like SS and civilized people aswell. If you took this as an ego attack, sorry but I cannot do anything for that, you need to solve this with yourself.

I am not here to receive disrespect and personal insults like that. But to help others, and if I am mistaken, it's not your right to insult me, but correct, because it's you, advanced member, who's Duty is to share the truth.

Now I claim that you, Hooded Cobra, NEVER and NOWHERE have bothered yourself to clearly explain HOW EXACTLY is constructed the jewish soul and what percentage of elements it has in it. You have no right to speak with me like that of "hey, read my posts before asking questions", merely because you and others like you had no their precious time wasted on me and other interested newbies to clarify this question properly. Never and nowhere - OR PROVE IT AND GIVE THE LINK. The only thing Don Danko said regarding this topic was "they are not human, their genes and soul are different". Only informative thing in your post was "they have water element and "some kind" of Serpent" - what exactly kind? what's the difference? what percentage of water? ... So I ask you: WTF I MUST UNDERSTAND FROM WHAT YOU SAY??? - ONLY DISTRUST, DISRESPECT, ARROGANCE, NOT WANTING TO LOSE YOUR TIME ON CLARIFYING ANYTHING TO NEWBIES (if this your attitude is only towards me, you could have wasted your time to clarify for others for it's a group) AND PERSONAL INSULT.

AND NOT READING POSTS, BEFORE ANSWERING. I nowhere said that I can't mistake and that they have no fiery element, I only said about water's percentage because I had such a thought. And if you had your dear time to read my posts, you would know that I read all the group up and down and all the sites before asking for my respect to yours time, and if I mistake a lot it only means that I was so respectful that didn't bother a group trying to understand myself - EVEN WHEN CAN'T.

If you think I'm an infiltrator or want personal attention, just say it openly into my face and note clergy of me - what's the problem?

I can't give respect to the man, who has no respect for me. I at least bother myself to post what I think and you have time just to say "your wrong" and no time to say what is right - "your not worth to reveal any information to you" attitude. "I shit that you are mistaken and follow wrong way - just don't post it" attitude. What did you personally did to prevent my and other's mistakes in this topic? - nothing.

Disrespect and arrogance from your part.

This is a more serious issue than most people know. For the lazy individuals who can't be bothered, if not enough people take action against this, it will only go on. In addition, for those of you who do not eat meat, much is also being done to destroy crops with this same kind of artificial tampering, which also includes seeds for one's garden. Our entire food chain is being seriously contaminated and as long as people sit back, pass the buck and don't bother to take any individual action, this will go on and at some time, everyone is going to regret it. I am totally persuaded by the informative part of the answer, what was said regarding bioelectricity and astrology chart, for it's highly logical and reasonable. I in no way argue that being a scum does require lack of water part of astrological chart, though I still think they have no feelings just primitive instincts like sex. By "emotions" I meant degree of love when you die to save your loved one. I thought it is given by water element. You say it's not so, ok, why not trust your knowledge?

I was arguing only that you have a right to unjustly insult my honour, saying smth about my not very altruistic position, promoting or smth like that. It's the kind of "insults of honour" as they were called somewhen, that must not be "turned another cheek to" - from my personal opinion.

I am aware of your level and never will disagree with you regarding occult, but nothing give one a right to insult another and spit into his soul for no reason - I think so, but you disagree as I see:

"I did not have time to clear things", "respect is gained", "you need to solve this with yourself" like "if i hurted you - it's your own business - solve it with yourself".

If I were prepared for such a thing to experience in a group I would neither argue nor in any way show my feelings here, even xians haven't ever told me "your problem - solve it with yourself". I have no words...

I hope when I raise my Serpent (if I do somewhen) I won't be "at a level" to say such words to newbies.

You first go on a roll saying all sorts of stuff you imagine I did to you. First you imagine I attack your honor, now you say I spit on your soul. Please cut the metaphors for your mental health. You will feel attacked and unstable even when my intention was not directed at you.

What you still do and you must cut off aswell is playing the victim. You said a load of shit about me to begin with. I specified on my first message...The rough talking was for idiots who try to preach and infiltrators. I said mistakes (honest mistakes) are welcome. I only attack infiltrators and people who outright shit each others. Since you are neither of these and made a mistake, why do you even feel attacked.

You say not turn the other cheek, why should I do so when you pose a shitload of insults. Its funny.

And for the record. I like your passion and keep it high. Just work in your spiritual evolution to attain more stability and see things a bit more earthly. It will help. I know what I tell you as I had exceptional passion but you need to sublimate that more carefully.

Thats what I meant you need to solve this with yourself. And no, my intentions are not vile. I tell you what I do to protect you from future predators who will step in your powerful emotions, imagination etc. And will try to destroy you. So I better be an asshole now and make you have your guard up, rather than gather the pieces later. Because they will most probably try to do this- if you are really genuine.

As for the last putrid insult, on my level etc. I will leave that uncommented. It was answered by the rest of my message.

I am aware of your level and never will disagree with you regarding occult, but nothing give one a right to insult another and spit into his soul for no reason - I think so, but you disagree as I see:

"I did not have time to clear things", "respect is gained", "you need to solve this with yourself" like "if i hurted you - it's your own business - solve it with yourself".

If I were prepared for such a thing to experience in a group I would neither argue nor in any way show my feelings here, even xians haven't ever told me "your problem - solve it with yourself". I have no words...

I hope when I raise my Serpent (if I do somewhen) I won't be "at a level" to say such words to newbies.

Now you pretended to be the all knowing authority and you try to play me with reverse ball throws. On the end you said we can argue. Then when we do you make me seem like the worst asshole around. Because I did exactly what you allowed me to do. Funny.

Kundalini is known to activate the Genetics and its also a personification of the Genetic codex in the twin Serpents etc. They have different, kike genetics. The Serpent itself and the entwined stuff is for the double helix. Their DNA is different, so how can they have the same Serpent. Or anything related to what we call Serpent for the Gentile. What they have I do not know exactly because it would require being a jew. But most living beings have some sort of bioelectricity or some sort of serpentine enegy.

And for the record, respect is gained so I will not ask of it neither I want or need yours. I never did. Vent, chill and just letting you know, I did not have time to clear things. Which I did now. This is something I could have done and yes, I understand why you took it as you did.

You did not pose a question. You posted that everywhere all over the place. And allow me, though I never do that, tell you that I have personally worked to where I can see obviously that you haven't seen for real what you say, but rather sit down and create stories.

In anyway chill and vent. Mistakes are welcome. Its a mistake, move on. If you had more vile intentions then why lash out. yourself.

I am not here to receive disrespect and personal insults like that. But to help others, and if I am mistaken, it's not your right to insult me, but correct, because it's you, advanced member, who's Duty is to share the truth.

Now I claim that you, Hooded Cobra, NEVER and NOWHERE have bothered yourself to clearly explain HOW EXACTLY is constructed the jewish soul and what percentage of elements it has in it. You have no right to speak with me like that of "hey, read my posts before asking questions", merely because you and others like you had no their precious time wasted on me and other interested newbies to clarify this question properly. Never and nowhere - OR PROVE IT AND GIVE THE LINK. The only thing Don Danko said regarding this topic was "they are not human, their genes and soul are different". Only informative thing in your post was "they have water element and "some kind" of Serpent" - what exactly kind? what's the difference? what percentage of water? ... So I ask you: WTF I MUST UNDERSTAND FROM WHAT YOU SAY??? - ONLY DISTRUST, DISRESPECT, ARROGANCE, NOT WANTING TO LOSE YOUR TIME ON CLARIFYING ANYTHING TO NEWBIES (if this your attitude is only towards me, you could have wasted your time to clarify for others for it's a group) AND PERSONAL INSULT.

AND NOT READING POSTS, BEFORE ANSWERING. I nowhere said that I can't mistake and that they have no fiery element, I only said about water's percentage because I had such a thought. And if you had your dear time to read my posts, you would know that I read all the group up and down and all the sites before asking for my respect to yours time, and if I mistake a lot it only means that I was so respectful that didn't bother a group trying to understand myself - EVEN WHEN CAN'T.

If you think I'm an infiltrator or want personal attention, just say it openly into my face and note clergy of me - what's the problem?

I can't give respect to the man, who has no respect for me. I at least bother myself to post what I think and you have time just to say "your wrong" and no time to say what is right - "your not worth to reveal any information to you" attitude. "I shit that you are mistaken and follow wrong way - just don't post it" attitude. What did you personally did to prevent my and other's mistakes in this topic? - nothing.

Disrespect and arrogance from your part.

For those of you who are forever making endless posts to these groups regarding your problems with Christian indoctrination, please do not be lazy. Read the following article before making more and more posts regarding your psychological problems in overcoming Christian lies, and then apply yourself to meditation. I have written extensively concerning spiritual allegories. Most average people cannot see through the hidden meanings behind the allegories and they take the tales of the Gods and the legends as literal. First off...Satan and the Powers of Hell do not demand any slavish worship. They are our friends. They are and have been trying to help us. They are extra-terrestrial beings. The Jews are always on the attack, when one mentions extra-terrestrial beings.

With extensive and advanced meditation, like the symbolic cobra serpent, one experiences increased awareness and one's mind expands [symbolized by the hood of the cobra]. When you can finally see the truth, and see through all of the lies of Christianity, Islam and its ugly Jewish root, these programs are no longer a threat. There does come a point when no amount of lying or coercion will get one who has seen and who knows the truth to believe the lies any longer. I keep reading in these groups on and off when approving posts, just how much Christianity has taken hold in the minds of many people here. Satan has been showing me more and more as I have opened myself in both my meditations and my studies. To know the truth, one must study extensively into the "occult" subjects of which the bible threatens against. I have done this for many, many years.

While I have made many references to "Jehova" and that filthy jewsus nazarene, for the umpteenth time, neither one of these entities exist. Both are thoughtforms to some extent and there are enemy extraterrestrials such as the greys who work under the reptilians out there for the enslavement of the Gentiles on this planet, along with some enemy Nordics who pose as these fictitious entities and also promote them. Before there were modern cameras and available information regarding extra-terrestrials, occultist Aleister Crowley when in a trance drew a picture of "Jehova" and it was an illustration of one of those bulb-headed greys. Ok, enough said, but if I don't repeat myself ad nauseum giving some background on this, people who are new will be lost regarding what I am now going to write.

If you delve into occult teachings far enough, and occult societies such as Freemasonry, etc., [much of the spiritual teachings have been systematically removed and what remains is corrupted]. Most of these organizations know of the powers of the soul to some extent. Freemasonry, before it was corrupted by the Jews, was very spiritual and a "33rd Degree mason" was one who had his serpent ascended, as the spine has an esoteric 33 degrees. Way back when, accomplished Freemasons communicated with each other telepathically. Rebuilding the "Temple of Solomon" had to do with the magnum opus and the soul. The Jews have taken this CONCEPT and have corrupted it to advance their insatiable greed and direct it towards their communist agenda of creating a Gentile slave state.

666 is the Kabbalistic square of the Sun. 666 is the all-important solar chakra. The true meaning of the "Temple of Solomon" is the TEMPLE OF THE SUN. "Sol" "Om" and "On" are all words for the Sun. "Sol" is the Latin word for the Sun and is close to the English word "soul." "Om" is a name given by the Hindus to the Spiritual Sun and "On" is an Egyptian word for Sun. The symbolism of the Temple of Solomon was stolen by the Jews and made into a fictitious character, as with the fictitious Nazarene and nearly everything in the Judeo/Christian Bible. The true meaning of the "Temple of the Sun" is spiritual. This symbolizes the perfected soul, where the rays from the solar [666] chakra, which is the center of the soul and circulates spiritual energy, radiates into eight separate rays. The shining soul is symbolized by the sun. Eight is the number of Astaroth. This is also "The New Jerusalem." The name of "Jerusalem" has also been stolen and corrupted into a city in Israel. "Jerusalem" IS A CONCEPT! The shining perfected soul is also symbolic as "The Light."

Now, most of you already know how that annoying fish symbol the Christians use is in truth a vagina turned on its side. It is called a "Yoni." If you look to many versions of the Tarot cards, even going way back into the Middle Ages, you will find the suits of the rods/wands and the swords are often in the shape of a yoni. The heart chakra [neuter chakra] is also in the shape of a yoni. The yoni, symbolizing the vagina is also symbolic of giving birth to a new soul and achieving spiritual and physical perfection and immortality through the magnum opus. The Christian crap of being "born again" is false, and amounts to nothing more than spiritual degeneracy, and being steeped in more lies.

There are thirteen major chakras upon the soul. For a very long time, the enemy has touted the number 13 as unlucky, etc. This is to frighten people away from that number. This is no different from how horror movies are used to frighten people away from the spiritual/occult. All of this ties in. When one does a ritual, one invokes the four quarters. To the uninitiated, one points one's athame, calls out, etc. To those who know, this is actually an allegory for vibrating the soul to raise your own powers. The soul has four important directions; again, male and female.

This is what the enemy uses the "YHVH" for, though the YHVH is a corruption. The uneducated, the stupid, and the fools are deluded into believing this "YHVH" is some sort of Supreme Being. AGAIN, THIS IS A CONCEPT!! Not only is this a concept, it was stolen, then of course, it was further corrupted. There is no supreme being. There is infinity in both the microcosm and the macrocosm. There is no such thing as some big bad Jewish spook that "created everything" and who is omnipotent and all of that horse manure they push on the unsuspecting public. There is a war going on 'out there' and there are ET's who work through the Jews here, who do hate humanity and want to enslave the world in order to provide a ready and easy host to leech energy off of souls. This is no different from cattle in a slaughterhouse. This is what we are to them and it all depends upon just how ignorant and unknowing one is, for the enemy to succeed. We have been cut off from our spiritual senses. Few can see what the enemy is doing, but through meditation and the Serpent of Satan, our spiritual eyes are opened.

Getting back to the four quarters of the soul, following the RAUM meditation, [http://www.angelfire.com/empire/serpentis666/Raum\\_Mediation.html](http://www.angelfire.com/empire/serpentis666/Raum_Mediation.html)

One should vibrate the four quarters of the soul. IO can work for all four, but one will notice a drastic charge and empowerment if the four quarters are vibrated correctly. IO was taken from the Greek IO. Nearly all of the Greek so-called "myths" are very important spiritual concepts, with the exception of some of the legends of the Gods such as Heracles; the account of his birth [his human mother had a very difficult time, as he was fathered by one of the Gods [ET's] and the Nordic ET's are much larger and taller than us humans. I have seen a couple who were near 8 feet tall, such as Anubis. Heracles was a Demi-God, meaning he was half-human. IO is another allegory and while many of these Gods are actual beings, their legends are important spiritual allegories, such as the Greek "Argus" which is Agares. Agares is female, but the allegory portrays a male. The "thousand eyes" of the spiritually empowered soul.

Going a step further, EA is another name for Satan. [Most of you already know the name "Satan" means "truth" in one of the most ancient of languages Sanskrit]. EA is pronounced AY-AH. AY as in May, say, day, etc. Nearly all of the words in Sanskrit end in the letter A. The letter A symbol in English and in many other Western alphabets is tapered like the pyramids, and many other spiritual symbols. The taper is symbolic of the serpentine energy ascending the soul. This also has to do with focus on the spine. The so-called "tetragrammaton" of the soul follows as I-O-E-A. EE-OH-AY-AH. These are the four vowel vibrations that empower and raise the energies of the four quarters of the soul to a high level. Left shoulder /left side of the body, vibrate I [EEEEEE]

Right shoulder/right side of the body,, Vibrate O [OOHHHH]

Front side of your body, vibrate E [AAYYY] as in the word say, or may

On your backside, focusing on your spine, vibrate A [AHHHH]

Now, one can see where this vibration was stolen, altered, and completely corrupted from a PAGAN CONCEPT into that foul Jewish invented entity "jehova." Again and again, I reiterate THE WORD "GOD" IS A CODE-WORD FOR THE SELF!!! THERE IS NO "JEHOVA" OR "YAHWEH" WHICH WAS TAKEN FROM IDIOT CHRISTIANS TRYING TO PRONOUNCE "YHVH," AS THE J IS OFTEN PRONOUNCED AS Y IN MANY LANGUAGES, AFTER THIS CONCEPT WAS STOLEN AND CORRUPTED BY THE JEWS. The Christians are so far deluded it is way beyond pathetic. The Jews have usurped spiritual knowledge and corrupted it in order to enslave and control the entire world, they, themselves, at the higher levels becoming "God." In truth, that is all it is...a vibration to drastically empower the soul.

Going further, I also have written about this before. Once you have enough knowledge and obstacles to enlightenment have been knocked down in your mind, this can easily be seen. The nazarene was stolen from and invented into another fictitious Jewish character for Gentiles to slavishly worship- the serpent. Nearly every painting or illustration of so-called "saints" of which in Spanish is "Santa" an anagram of Satan, THEY ARE ALL DEPICTED WITH HALOS, WHICH REPRESENTS THE RISEN SERPENT OF SATAN!! This is not just a Western concept, but is also seen extensively in the Far East [where Christianity stole nearly all of its corrupted content from], as with the Buddha, also seen with a halo.

Now, getting back to those paintings that we are told is the nazarene, in truth, they are nothing more than an illustration of a man with his serpent ascended, no different from any other illustrated instructions; same as with the so-called "saints." When you purchase any appliances, etc., these normally will come with illustrated instructions, or the same as with some one in an illustration showing the certain steps to using an appliance or whatever. [http://see\\_the\\_truth.webs.com/Jesus\\_Christ.htm](http://see_the_truth.webs.com/Jesus_Christ.htm)

The nazarene is nothing more than a Jewish invented character that has been used to replace the serpent. The paintings are a how-to, A CONCEPT, depicted by a man. As I already wrote some time ago, if the same were done with Sponge-Bob, millions upon millions would prostrate themselves before the mighty image of Sponge-Bob in reverence, worship, and self-devotion. Using a sponge for cleaning purposes would become a blasphemy and a major sacrilege. This would then through the mass mind, take on a life of its own; a thoughtform if you will. A sponge would adorn every altar. There would be giant, colossal sponges where the most holy would make a special pilgrimage, not to that stupid black box in Mecca, but to the giant sponge edifice. The tiny pineapple residence of Sponge-Bob would be heaven under the sea, with the end goal for every "saved" individual to, instead of floating up to the sky in the ether, would descend to the depths of the ocean in hopes of finding the tiny little home to spend the rest of eternity within.

Kidding aside, given the endless and copious amounts of spiritual energy that are directed into this fictitious nazarene character, the misguided and false sense of belief and with this outrageous lie being promoted at every level, embedded in the minds of the populace through force, with no alternative, no wonder it has reached the monstrous level it has. In addition, that nazarene was also corrupted from the five elements, Hebrew style. When one has enough knowledge and has opened his/her mind, and through the Grace of Satan, one can see all of this.

Christianity is pushed upon the populace with no other alternative. Even in doing crossword puzzles, [most are written by Jews], that Christian biblical crap has to be in there for the words/answers. As for Modern Paganism, Buddhism, Wicca and everything else that is related and has been corrupted from the original Paganism, all has been Christianized. The Jews even go a step further in dictating to the Gentiles that the powers of the mind are not to be used for material gain, which is an utter crock of shit.

Quote from the Talmud:

22. Seph. Jp., 92, 1: "God has given the Jews power over the possessions and blood of all nations."

The Jehova's Witnesses, like other fundamentalist Christians are also working to remove Santa from xmas and replace him with the nazarene, take the Easter Bunny out of Easter and again, replace the rabbits and eggs with the nazarene; this goes for all holidays. The Jehova's Witnesses also go a step further and work to remove all symbols which they tout as "graven images," as the destruction of important spiritual symbols will eventually be the death of spiritual knowledge and truths.

ALL of the occult and the spiritual teachings have the end objective of empowering the soul, raising the serpent, and performing the magnum opus.

If one will look through open eyes, no amount of coercing, lying or "explaining" will fool you again. The only thing one can do from this point is to work to wake up humanity to the truth!

Quick Reality Check

In dealing with those that condemn you as a thought criminal for speaking the truth about the situation we are in and those committing the crimes against humanity.....

The righteous whiners are always fast to show their colors. What their disapproval comes down to is this. Its not the facts of what the Jews themselves admit they are and do to us all and the criminal behaviour they engage in as a race, right in our fucking faces 24/7. That's never the problem. THE PROBLEM IS YOU POINTED IT OUT.

Its the equal of witnessing a crime and calling 911 then the police show up and arrest you for pointing out a crime is being committed and let the crook get away with it, they give them an award for being a victim of "hate" of all things. And condemn you as the criminal.

What more proof is needed the Liberal [secularized Christianity] paradigm is simply epic mental illness. Its not ideology, its pathology. They can't handle reality so they punish you for THEIR MENTAL ILLNESS.

[http://www.israelnationalnews.com/News/News.aspx/171560#.UoUQ\\_uKaYZw](http://www.israelnationalnews.com/News/News.aspx/171560#.UoUQ_uKaYZw)

Pope Francis has ordered an investigation into a Polish ban on the ritual kosher slaughter of animals, the president of the World Jewish Congress said Monday, according to *AFP*.

Ritual slaughter, including traditional Jewish kosher and Muslim halal practices, has been banned in Poland since January 1 after the country's Constitutional Court [deemed it incompatible](#) with animal-rights law.

The pope met Monday with Ronald Lauder, the president of the World Jewish Congress (WJC) -- which represents Jewish communities outside Israel -- to discuss the ban, among other issues.

"The pope specifically expressed concern about the bans on kosher slaughter in Poland and directed Cardinal Kurt Koch, the president of the Vatican's Commission for Relations with the Jews, to investigate and host a follow-up meeting as early as next week," the WJC said in a statement after their talks.

The Jewish and Muslim communities each number around 20,000 to 30,000 people in Poland, a country of some 38 million people.

European Union rules on the slaughter of livestock are designed to minimize suffering for animals when they are killed, but religious groups are exempted from a requirement that animals be stunned before death.

Kosher and halal slaughter require an animal be killed by slitting its throat.

Following the Polish slaughter ban, [Israel summoned the Polish ambassador](#) to register a formal protest against the ban, while Knesset Speaker Yuli Edelstein [sent a letter of protest](#) to his Polish counterpart over the ban.

The WJC said the pope and Lauder had also discussed bans on other religious practices elsewhere in the world, including circumcision.

A regional court in Cologne in western Germany [ruled last year that](#) circumcision was a crime, drawing international criticism.

Germany's parliament has since passed a law explicitly allowing religious circumcision, clarifying the murky legal status the ruling had cast on the practice.

The WJC said the pope had expressed his opposition to restrictions on religious freedom.

According to Lauder, the pope has given fresh impetus to relations between Jews and Christians, which have "never in the past 2,000 years... been so good".

AUM Cosmology, Siva And The Kabaa

The original Cosmology is depicted as a triangle with each of the bars representing one of the three guna's of creation with the A U M letters placed at each corner.

This triangle is the symbol of the first matter or quintessence/Brahman force from which all life arises.

It's the All. The 3 letters are actually stated to be one letter in the Tantra that of A. Which is the first letter of the alphabet. And is the fire of creation the quintessence. Hence AUM is the name of Brahman [Siva is Brahman in the Tantra] the Quintessence.

"Space [my note ether] can not be defined by less then 3 lines, so the triangle is considered the first form to emerge out of creation. This triangle is known as moola trinona or the root triangle."1

From here the AU represent Siva and Shakti the M is the third power or prana. Which unlocks the soul to the Godhead. As we will see the message of AUM being one letter explains why three become one. This is the trinity the God A, the Goddess U and the divine Child M. The Divine child M [prana] is generated via the AU energy.

The doctrine of Kabala which originally was Egyptian but as the Egyptians came from the East as their records and civilization show. And the head God of

Egypt Ptah-Osiris is known to be Siva in the East. This doctrine in its uncorrupted thus Gentile state is based upon the AUM cosmology of the soul. This is the A [Sattva] U [Rajo] and M [Tamo] formula.

The three Guna's which form the AUM and the reason of the A, The three guna's of Sattva, Rajo and Tamos in order Sattva or Ba the gold or soul, Rajo spirit or Ka and Tamo the La or physical-light body.

The AUM formula is stated in the form of the Hamsa bird in the Vedic texts.

This is also the White, red and black of alchemy and the colors of the three Pyramids at Giza. This Hamsa [soul in Sanskrit] bird which is the Phoenix in Egypt [Ptah-Osiris's sacred bird] and what the bird constellation of Cygnus relates to in Giza as well as Orion. This is also the Peacock in the East. And Eagle of the Roman's and Founding Fathers. Is the symbol of the reborn soul or the three into one.

In the East the achievement of the Sattva Guna [represented by the A] is considered the Magnum Opus as the three are made into one, the Gold. This is why A relates to Lucifer as Sattva=Sat ,which in any translation from Sanskrit is full enlightenment of the Magnum Opus. And the core of the meaning of Satan. The An is more of an extending of the meaning of Sat. Hence the Golden Race being the Satya. Golden Age is some what of a misunderstanding of a term for Race. And the culture the Aryans lived by being called the Satya or Satyam.

Without the A the AUM formula has no power, no Sattva. Hence why the enemy switched it to OM. The Aum is the A.

The A sound brings out the gold the U expands it into the spirit and the M generates it into the physical-light body. This transforms all three major bodies into the subtle light of gold.

The Soul, Spirit and Body represent the trine principal. But all three must be brought together taking the body out of the lower density. Folding it back into the Etherical principal. The soul contains the Golden drop [Brahman in the eastern texts]. The A sound generates the energy force from the soul which is considered male [solar- gold] thought the spirit merging listed as female into the U and into the body to solidify the sound and transformation. M is meant to bring sound into the material . This causes the three levels to merge into the Gold of the soul and finish the work.

This is why AUM is the name of God [Brahman] and causes the lotus flowers or centers of life to regenerate. The title Bindu [seed] mantra's. Relate to seed

in the sense of semen of Shiva in the tantra [Siva is Brahman in the Tantra]. Which is the Etherical light principal at the heart of the elements. That causes this transformation to occur. Within these we have the AUM. Creating the reborn or superconductive body. And consciousness. I have also wrote of A represents the male, the U, the female and the M. The union of opposites into the perfected state.

Hence why the AUM around the Cosmic triangle is one letter. Because the 3 fold matter back into the One or quintessence of which the Triangle is the symbol of. This is why the letter A is depicted in this triangle glyph going back to the ancient alphabets as well that all came out of Sanskrit. Along with the pyramids this shape equals this power. The Sri Yantra is a series of triangles that form the aspects of the AU into one unified form. The M aspect. This is also Siva's drum which on the top also forms the solar bindu or the perfected solar and relates to AUM.

The major part of the Great Perfection seems to literally be folding the elements of the gross body back into the etherical light that manifests them. And in making the body as light and refined as the subtle ether of the soul and uniting them with the spirit. The three into One. Into one purified force of etherical light. To which the being lives off pure light from its source and not from the functions of the life forces process of the gross matter of the lower octave. This is not the goofy ascension of the New Agers. The being still exists in transformed, perfect body. From a lump of coal into a diamond body. The pure expression of light.

The model of the electric universe has been outdated. The universe has been found to be manifested by an ether field at different levels of frequency. Hence the formation of the different elements and levels of the body. And why its possible to refine them all back into the perfected source. As each already contains this component.

This is why AUM is the name of God [Brahman who is Siva] and causes the lotus flowers or centers of life to regenerate. The title Bindu [seed] mantra's. Relate to seed in the sense of semen of Shiva in the tantra [Siva is Brahman in the Tantra]. This is why the seminal mantra's of the lotus centers contain the AUM within them along with the letter that represents the specific frequency of the sub octave the ether manifests at the elemental level. Which is the Etherical light principal at the heart of the elements. That causes this transformation to occur. Within these we have the AUM. Creating the reborn or superconductive body. And consciousness. I have also wrote of A represents the male, the U, the female and the M. The union of opposites into the perfected state.

This is why in Sanskrit letters are called Akshara meaning imperishable. One will note the sub word of Akasha for the term. The sum of which all the letters

of Sanskrit are contained in AUM. They are to refine the being into the Gold of this element. Hence the symbol of the Akasha [quintessence] element being the Solar glyph. Which forms the core of the Sri Yantra. Mala [beads] means purified. Ma relates to the serpentine life force and La the earth element. Which occurs when the above process is finished. Ma of Mala in the tantra is stated to be the M on AUM for this reason.

Kabala

Ka is considered to be the sound denoting the kundalini energy in the East. And BA is the golden drop of the soul which is brought out into the Godhead and La as Lam the earth aspect. As soul, spirit and body are merged into one force. As stated Egypt came from the East by the evidence of their culture and records.

Brahman [which Siva represents] is what the B represents this golden drop or seed that generates the great work. And in Egypt the BA is connected with this. It's this Prana [mercury or serpent power the femine or U] that unlocks the soul to Godhead. And acts as the force that unites the body and soul via the spirit into one force.

Ptah-Osiris is always shown as blue along with Siva to denote this . The term for this color in Sanskrit means purified one. Osiris titles relate to "Sacred Tree" wood is the symbol of the ether element. And his symbol as the resurrected God is the six pointed star the same for Siva in the East. The two interlocking triangles the male and female aspects merged into the 3rd power or reborn soul. By merging the spirit and body into the subtle ether of the soul. It should be noted the six pointed star represents the number 7 the number of completion as the six points of the star are the six planets with the center being the of the interlocking triangles being the sun. And as mentioned is also within Siva's drum.

Ptah-Osiris-Siva is our God Satan in the ancient world and go back to Sanat [an anagram of Satan] Kumara. More on this:

kabaa

We can see in Mecca the Islamic's holiest site of the Kaaba is originally a Siva Temple. As Danielou points out Mecca was created by Brahmana's from India. Even the 786 in Arabic, symbol on the cover of the Koran is a reigned AUM symbol. In Sri Lanka there is a Temple called Kabaa-lishwaran and is Lord Siva. Meaning its an alchemical diagram [as all the temples are] to the great work. Such temples also have the black stone or Siva Lingam within them. The same as the black stone at the kabaa in Mecca which was once a larger Lingam stone before being cut into its current shape to hide its origin.

In India they still go seven times around the Lingam. In Mecca they go seven times around the same. But Islam changed the direction of movement into the opposite. They still wear the white garments as in the Siva Temples.

In India the pedestal of Brahma [originally another title of Siva in Indus Valley/ Vedic times as Danielou shows] Is octagonal in shape which represents the perfected soul the eight rays of light from the solar chakra of which union the six pointed star of Siva represents at the navel region where the point down chakra merges with the point up of the sacral, one water the other fire. Hence Si [fire] Va [water]. And why the Blue God is shown in the solar chakra in many yantra's.

The pedestal at the center of the Kabaa: Maqam E-IBRAHIM is the same octagonal shape. Its at the center because the sun is the center of the soul and solar system.

With the Kabaa the black cube represents the La the four elements that form into the material body being purified in the Tamos or black stage of the work into the Satva guna or White. Siva rules over this stage as well [as the other two of which the trine prongs on its trident denote]. As this destruction or dissolution stage brings Liberation of the Godhead. Where the tantra's state the Jiva is turned into Siva. Or man into Godman.

The false or profane ego is that of the gross elements and there conditioned accumulation of karmic properties. That is purified in the final dissolution. To the new or super conscious state [Jiva into Siva]. This has been symbolized in many different ways.

In the Sayar-ul-okul . Which is considered the most important anthology written on the customs and culture of ancient Arabia. It states:

"Va Ahlolaha Azaha Armiman Mahadev o Manazel I lamuddine Minjum Va Satyattaru!"

Which translates to:

"Even if once only he worships Mahadev. He can obtain the highest position in the path of righteousness."

Mahadev is a major title of Siva. And one will see the truth Siva was the God worshipped in Arabia before Islam was created by the enemy.

We can see Islam along with Christianity is a fake religion:

<http://josministries.prophpb.com/topic542.html>

The last place we see the Kabala in relation to Siva is within Shambala [Ham is related to the serpent power] the kingdom of which Siva rules. Which is depicted in the same octagonal shape of the center of the Kabaa for the same reason. The eight pointed star is the perfected soul.

Note the original teachings unlike the other degenerate enemy programs.

Did not assign automatic immorality to the soul. Just for the sake of its existence. They assigned a conditional immorality. That had to be earned or won by initiation into the practice of spiritual knowledge. Which regenerates the individual into the immortal, twice born one.

When the enemy programs assigned automatic immorality to the soul in many of their programs such as Christianity. It was done so to remove and diminish of

the importance of the initiatory Tradition. Making their core purpose irrelevant. And allowing them control by assigning corrupt meanings which their programs are built out of

Roosevelt's 'Secret Map' Speech

By Mark Weber

President Franklin Roosevelt [my note himself Jewish] was a master of deceit. On at least one occasion, he candidly admitted his readiness to lie to further his goals. During a conversation in May 1942 with his close Jewish adviser, Treasury Secretary Henry Morgenthau, Jr., the President remarked: "You know I am a juggler, and I never let my right hand know what my left hand does ... I may have one policy for Europe and one diametrically opposite for North and South America. I may be entirely inconsistent, and furthermore, I am perfectly willing to mislead and tell untruths if it will help win the war."

Roosevelt was not the first or the last American president to lie to the people. But rarely has a major American political figure given a speech as loaded with brazen falsehood as Franklin Roosevelt did in his Navy Day address of October 27, 1941, which was delivered to a large meeting in Washington, DC, and

broadcast live over nationwide radio.

A lot had happened in the preceding months. On March 11, 1941, Roosevelt signed the Lend-Lease bill into law, permitting increased deliveries of military aid to Britain -- a policy that violated U.S. neutrality and international law. In April Roosevelt illegally sent U.S. troops to occupy Greenland. On May 27 he claimed that German leaders were set on "world domination," and proclaimed for the U.S. a state of "unlimited national emergency." Following Germany's attack against the USSR in June, the Roosevelt administration began delivering military aid to the beleaguered Soviets. These shipments also blatantly violated international law. In July Roosevelt illegally sent American troops to occupy Iceland. And in September Roosevelt announced a "shoot on sight" order to U.S. naval warships to attack German and Italian vessels on the high seas.

The President began his Navy Day address by recalling that German submarines had torpedoed the U.S. destroyer Greer on September 4, 1941, and the U.S. destroyer Kearny on October 17. In highly emotional language, he characterized these incidents as unprovoked acts of aggression directed against all Americans. He declared that although he had wanted to avoid conflict, shooting had begun and "history has recorded who fired the first shot." What Roosevelt deliberately failed to mention was the fact that in each case the U.S. destroyers had been engaged in attack operations against the submarines, which fired in self-defense only as a last resort. In spite of Roosevelt's "shoot on sight" order, which made incidents like the ones he so piously condemned inevitable, Hitler still wanted to avoid war with the United States. The German leader had expressly ordered his submarines to avoid conflicts with U.S. warships at all costs, except to avoid imminent destruction. In spite of President Roosevelt's provocative efforts to goad Hitler into declaring war against the U.S., most Americans still opposed direct involvement in the European conflict.

And so, as part of his effort to convince Americans that Germany was a real threat to their security, Roosevelt continued his Navy Day speech with a startling announcement: "Hitler has often protested that his plans for conquest do not extend across the Atlantic Ocean ... I have in my possession a secret map, made in Germany by Hitler's government -- by the planners of the new world order. It is a map of South America and a part of Central America as Hitler proposes to reorganize it." This map, the President explained, showed South America, as well as "our great life line, the Panama Canal," divided into five vassal states under German domination. "That map, my friends, makes clear the Nazi design not only against South America but against the United States as well."

Roosevelt went on to reveal that he also had in his possession "another document made in Germany by Hitler's government. It is a detailed plan to abolish all existing religions -- Catholic, Protestant, Mohammedan, Hindu, Buddhist, and Jewish alike" which Germany will impose "on a dominated world, if Hitler wins."

"The property of all churches will be seized by the Reich and its puppets," he continued. "The cross and all other symbols of religion are to be forbidden. The clergy are to be forever silenced under penalty of the concentration camps ... In the place of the churches of our civilization, there is to be set up an international Nazi church -- a church which will be served by orators sent out by the Nazi government. In the place of the Bible, the words of Mein Kampf will be imposed and enforced as Holy Writ. And in place of the cross of Christ will be put two symbols -- the swastika and the naked sword."

Roosevelt emphasized the importance of his alarming claims. "Let us well ponder," he said, "these grim truths which I have told you of the present and future plans of Hitlerism." All Americans, he went on, "are faced with the choice between the kind of world we want to live in and the kind of world which Hitler and his hordes would impose on us." Accordingly, "we are pledged to pull our own oar in the destruction of Hitlerism."

In Berlin, the German government quickly responded to the speech with a statement that categorically rejected the President accusations. Both of the purported secret documents, it declared, "are forgeries of the clumsiest, grossest type." Furthermore, the official statement went on: "Assertions of the

conquest of South America by Germany and elimination of the religions of the churches in the world and their replacement by the National Socialist church are so nonsensical and absurd that it is superfluous for the Reich Government to discuss them." German propaganda minister Joseph Goebbels also responded to Roosevelt's claims. The American president's "absurd accusations," he wrote in a widely read essay, were a "grand swindle" designed to "whip up American public opinion."

At a press conference the day after the address, a reporter rather naturally asked the President for a copy of the "secret map." Roosevelt refused, but insisted that it had come from "a source which is undoubtedly reliable."

The full story did not emerge until many years later. The map did exist, but it was a forgery produced by the British intelligence service, most probably at its technical laboratory in Canada. William Stephenson (code name: Intrepid), chief of British intelligence operations in North America, passed it on to U.S. intelligence chief William Donovan, who gave it to Roosevelt. In a memoir published in late 1984, wartime British agent Ivar Bryce claimed credit for thinking up the "secret map" scheme. Of course, the other "document" cited by Roosevelt, purporting to outline German plans to abolish the world's religions, was just as fraudulent as the "secret map."

The American public of 1941 overwhelmingly accepted as truthful their president's fantastic and alarmist claims. Few Americans could believe that their chief executive might be lying, while "the Nazis" might be telling the truth. In his Navy Day address, Franklin Roosevelt thus succeeded in his main goal, which was to frighten the public into supporting, or at least tolerating, his campaign to push the U.S. further into war.

"In an apparent attempt to prevent the spread of Islamic extremism, the African nation of [Angola](#) has banned [Islam](#) and is in the process of tearing down mosques, according to multiple [media reports](#).

On November 24, Angola President José Eduardo dos Santos [said](#) the country is working toward putting an end to Islamic influence in Angola once and for all.

Rosa Cruz e Silva, the Angolan Minister of Culture, **said** "The process of legalization of Islam has not been approved by the Ministry of Justice and Human Rights, their mosques would be closed until further notice."

However, no official explanation has been given as to why Islam currently faces a need to be legalized in Angola despite its presence in the country for many years.

Another French publication **reports** that a minaret of an Angolan mosque was dismantled last October, and that the city of Zango "has gone further by destroying the only mosque in the city."

Angola is a majority-Christian nation of about 16 million people, an estimated 55 percent of whom are Catholic, 25 percent of whom belong to African Christian denominations, 10 percent of whom follow major Protestant traditions, 5 percent of whom belong to Brazilian Evangelical churches and where only between 80,000 and 90,000 people are Muslim, **according to the U.S. State Department** "

This is totally appalling. Satan, Lilith and the Powers of Hell love animals and are strongly for animal rights. We have strength in numbers. Please take the time to sign this petition:

Just remember... the food we consume affects us all. IMO, this sort of thing is a major cause of depression, of which the enemy then exploits many people further through high-cost drugs and such, for one. This is heinous beyond belief. Please take the time to sign this petition and curse the sick slime that treats innocent animals like this.

Wal-Mart does the very same as Tyson and there are other companies, all Jew-owned and/or operated that make millions upon millions of dollars off of this, and remember...jews and muslims and others preach that pigs are "unholy," "unclean" and such so this all factors in, and encourages already severely demented individuals with this hideously sick behavior. Also, Oklahoma for one is in the bible belt. Christianity ties into the Jewish

root, as does Islam. Total spiritual degeneration. This lowest scum of humanity needs to be cursed!!!!!!

#### ABOUT THE PETITION:

#### EXCERPT:

For three weeks I lived a lie to expose the truth while working undercover at a Tyson hog factory farm in Oklahoma. What I saw was a living nightmare.

Thousands of pregnant pigs spent nearly their entire lives crammed into cages so small they could barely move. They couldn't turn around, walk or even lie down comfortably. I saw pigs with open wounds and bloody pressure sores from rubbing against the bars of their metal cages or lying on hard concrete.

Pigs would constantly ram their heads against their tiny stalls or spend hour after hour, day after day, biting the bars of their cages out of frustration. These intelligent and social animals were literally driven mad in these hellish conditions.

I also saw workers violently slamming piglets headfirst into the concrete and leaving them to suffer and slowly die. Some of the piglets were spiked against the ground like footballs. I found one piglet still conscious and breathing in a pile of dead piglets. Nobody bothered to make sure she was dead before just throwing her away.

Piglets had their tails cut off and their testicles ripped out of their bodies without any painkillers. Sick and injured pigs with severe, bleeding wounds or infections were left to languish without veterinary care.

I saw workers gouge the eyes of pigs, violently hit them with wooden boards, and in one case, even throw a heavy bowling ball at a pig's head. Such sadistic cruelty was widespread at this Tyson factory farm.

While this brutality and neglect is shocking, I think the worst abuse these animals endure is being immobilized in tiny, maggot-infested gestation crates. Animal welfare experts around the world agree that these crates are inherently cruel and should be phased out. In fact, gestation crates are so cruel they have been banned in nine U.S. states, as well as in the entire European Union.

Responding to consumer concerns, nearly every major food provider in the country, including McDonald's, Burger King, Wendy's, Chipotle, Safeway, Kroger, Kmart and Costco, have demanded their suppliers do away with these cruel crates.

Major pork producers, such as Smithfield and Hormel, have committed to phasing out gestation crates, and Cargill is already 50 percent crate-free.

But not Tyson.

Tyson continues to torture pigs by cramming them in cages barely larger than their own bodies for nearly their entire lives.

Please, help me put a stop to this. Take a moment to sign my petition urging Tyson to end one of the cruelest factory farming practices by committing to phasing out gestation crates.

Thank you.

With PISslam gone, when is Christi-SCAM-ity going down? It was Christi-SCAM-ity that brought Negroes out of Africa against their will into America and Europe to be sold as slaves. Of course, the kikes used xians to do this--and are the most reprehensible scum in this.

Down with mosques. Now, if only they would destroy churches and synagogues while they are at it--and put up some Satanic temples in their places. Let those kike religions rot and burn. Let Satanism get back on its feet in peace!

"We must realize that our party's most powerful weapon is racial tensions. By propounding into the consciousness of the dark races that for centuries they have been oppressed by whites, we can mold them to the program of the Communist Party. In America we will aim for subtle victory. While inflaming the Negro minority against the whites, we will endeavor to instill in the whites a guilt complex for their exploitation of the Negroes. We will aid the Negroes to rise in prominence in every walk of life, in the professions and in the world of sports and entertainment. With this prestige, the Negro will be able to intermarry with the whites and begin a process which will deliver America to our cause."

Subject: Harvard yoga scientists seek proof of meditation benefit

Harvard yoga scientists seek proof of meditation benefit

BY MAKIKO KITAMURA | BLOOMBERG

<http://www.rep-am.com/lifestyle/health/770019.txt>

Scientists are getting close to proving what yogis have held to be true for centuries — yoga and meditation can ward off stress and disease.

John Denninger, a psychiatrist at Harvard Medical School, is leading a five-year study on how the ancient practices affect genes and brain activity in the chronically stressed. His latest work follows a study he and others published earlier this year showing how so-called mind-body techniques can switch on and off some genes linked to stress and immune function.

While hundreds of studies have been conducted on the mental health benefits of yoga and meditation, they have tended to rely on blunt tools like participant questionnaires, as well as heart rate and blood pressure monitoring.

Only recently have neuro- imaging and genomics technology used in Denningers latest studies allowed scientists to measure physiological changes in greater detail.

There is a true biological effect, said Denninger, director of research at the Benson-Henry Institute for Mind Body Medicine at Massachusetts General Hospital, one of Harvard Medical Schools teaching hospitals. The kinds of things that happen when you meditate do have effects throughout the body, not just in the brain.

The government-funded study may persuade more doctors to try an alternative route for tackling the source of a myriad modern ailments. Stress-induced conditions can include everything from hypertension and infertility to depression and even the aging process. They account for 60 to 90 percent of doctors visits in the U.S., according to the Benson-Henry Institute. The World Health Organization estimates stress costs U.S. companies at least \$300 billion a year through absenteeism, turn-over and low productivity.

The science is advancing alongside a budding mindfulness movement, which includes meditation devotees such as Bill George, board member of Goldman Sachs Group and Exxon Mobil Corp., and comedian Jerry Seinfeld. News Corp. Chairman Rupert Murdoch revealed on Twitter he is giving meditation a try.

As a psychiatrist specializing in depression, Denninger said he was attracted to mind-body medicine, pioneered in the late 1960s by Harvard professor Herbert Benson, as a possible way to prevent the onset of depression through stress reduction. While treatment with pharmaceuticals is still essential, he sees yoga and meditation as useful additions to his medical arsenal.

It's an interest that dates back to an exchange program he attended in China the summer before entering Harvard as an undergraduate student. At Hangzhou University he trained with a tai chi master every morning for three weeks.

"By the end of my time there, I had gotten through my thick teenage skull that there was something very important about the breath and about inhabiting the present moment," he said.

His current study, to conclude in 2015 with about \$3.3 million in funding from the National Institutes of Health, tracks 210 healthy subjects with high levels of reported chronic stress for six months.

They are divided in three groups.

One group with 70 participants perform a form of yoga known as Kundalini, another 70 meditate and the rest listen to stress education audiobooks, all for 20 minutes a day at home. Kundalini is a form of yoga that incorporates meditation, breathing exercises and the singing of mantras in addition to postures. Denninger said it was chosen for the study because of its strong meditation component.

Participants come into the lab for weekly instruction for two months, followed by three sessions where they answer questionnaires, give blood samples used for genomic analysis and undergo neuro-imaging tests.

### Immortality Enzyme

Unlike earlier studies, this one is the first to focus on participants with high levels of stress. The study published in May in the medical journal PloS One showed that one session of relaxation-response practice was enough to enhance the expression of genes involved in energy metabolism and insulin secretion and reduce expression of genes linked to inflammatory response and stress. There was an effect even among novices who had never practiced before.

Harvard isn't the only place where scientists have started examining the biology behind yoga.

In a study published last year, scientists at the University of California at Los Angeles and Nobel Prize winner Elizabeth Blackburn found that 12 minutes of daily yoga meditation for eight weeks increased telomerase activity by 43 percent, suggesting an improvement in stress-induced aging. Blackburn of the University of California, San Francisco, shared the Nobel medicine prize in 2009 with Carol Greider and Jack Szostak for research on the telomerase immortality enzyme, which slows the cellular aging process.

### Build Resilience

Not all patients will be able to stick to a daily regimen of exercise and relaxation. Nor should they have to, according to Denninger and others. Simply knowing breath-management techniques and having a better understanding of stress can help build resilience.

A certain amount of stress can be helpful, said Sophia Dunn, a clinical psychotherapist who trained at Kings College London. Yoga and meditation are tools for enabling us to swim in difficult waters.

"Satanama", also a longer version of Satan, is an extremely Powerful Sanskrit Mantra which has been used for thousands of years to reach a state of Spiritual Empowerment."--High Priestess Zildar Raasi

<http://groups.yahoo.com/group/JoSNewsletter/message/157>

At the center of each cell we have a nucleus which contain chromosomes which are made out of DNA this is where we get into Telomeres. Every time the cells divide you lose one of these telomeres, this is the reason for aging on the genetic level.

"Studies at the University of Texas Southwestern Medical Center, along with separate corporate research findings, have determined that Telomerase has unique anti-ageing properties conducive to active longevity. Healthy body cells are programmed to divided many times during a lifetime, but the process of divisions and replication is finite, so that a non-dividing state is ultimately achieved, this is a crucial factor of ageing..

The divisions potential is controlled by caps at the end of DNA strands [rather like the plastic tips on shoelaces], and these caps are the telomeres. As each cell divides, a piece of telomere is lost, and the dividing process terminates when the telomeres have shortened to an optimum and critical length. There is then no new cell replication and all that follows is deterioration.

Laboratory experiments with tissue sample have now shown that application of the genetic enzyme Telomerase can prevent telomere shortening upon cell division and replication."

Only the reproductive cell don't age, the reason for this they have an enzyme with them called Telomerase that keeps the telomeres from being lost and even

lengthens them. Interesting enough this gene for telomerase is with all normal cells but it's been shut off. Right now there are anti-aging drugs based on this that turn the repressor off. And their effects are amazing literally turning back the clock.

It has been found when the number is 5000 telomeres in length you die [you're born with around 10,000 ] it's when the ends of the telomeres really start to unravel and break down that ailments start to manifest more as part of the ageing process.

This enzyme is so powerful:

"Telomerase, which is reckoned to be the 'enzyme of immortality', identified in the Science journal of January 1998 as the Fountain of Youth."

In tests done to aged skin cells injected with telomerase the cells regenerated into infant skin cells total bio-genesis they reversed the aging and restored the total youth of the cell.

Stem Cells even within adults are found to contain high levels of telomerase, A Stem Cell is literally an immortality cell, it is been found that normal cells activated with higher level of telomerase morph into stem Cells which have the power to regenerate the entire body.

According to the results of all the studies with telomerase the cell can keep dividing forever without any breakdown without aging.

This means that with proper amount of Telomerase the cell division process is perfected every time not breaking down and losing telomeres with every certain amount of divisions causes the aging process.

A study done on elderly clients suffering from dementia using Kundalini Yoga mantra chant of SA TA NA MA, showed a very important finding:

[http://www.alzheimersprevention.org/res ... \\_study.htm](http://www.alzheimersprevention.org/res..._study.htm)

#### Study Design

Forty-four caregivers of patients with dementia who were diagnosed and treated at UCLA will be enrolled in the study. Of the 39 caregivers who have already completed the study, 23 practiced Kirtan Kriya, a meditation from the Kundalini yoga tradition, daily for eight weeks. Sixteen participants listened to a relaxation audio tape for 25 minutes per day for eight weeks.

#### Preliminary Study Findings

Results indicate that:

Both groups demonstrated improvement in depression and anxiety, resilience and perceived burden.

The meditation group improved significantly more compared to the relaxation group on measures of perceived support, physical suffering, energy, emotional and well-being, as well as in cognitive tests of memory and executive function.

A subgroup also showed marked improvement in the reduction of inflammation This groundbreaking work also reveals that Kirtan Kriya increases telomerase,

an exquisite marker of health and longevity, in only 12 minutes a day.

Keeping in mind the mainstream Kirtan people just say or sing the mantra not vibrate it properly, but it still provide such a result and only in 12 minutes a day. What would the properly vibrated from do? More much.

The meaning of this mantra is:

Sa means birth (or infinity); Ta means life; Na means death; and Ma means rebirth/regeneration.

Here we have a sound vibration that does what it says literal regeneration and releases the essence of life and regeneration with the body. It turns on the gene instructions to make telomerase.

His Name in our original tongue is the life giving one.

Greetings to everyone of our family.

For those who participated in the destruction working, for whatever duration, this is a message of Honor for your act and in you taking a stand to change the course of this evil and totally putrid world.

I have no doubts Satan repays you and guides you on the Path to Godhead.

Satan and the Powers of Hell are constantly and relentlessly working and preparing for world take over. This is the crucial point in history where the enemy is most afraid and enraged. Many of our people are actively meditating, advancing and pushing themselves forward everyday, more and more. This is all done for a purpose, to evolve Humanity to a Higher level, as well as themselves.

Few people are the ones who are really into Satanism and Truly willing to hear Satan's message all in itself and also, open their minds to a higher purpose even than themselves. This opening requires both a good streak of healthy egoism but a sense of collective advancement aswell. The more our people here open their ears to Satan's message, all the better. Our loyal people, Warriors and Workers are building up a new era and by definition are and are becoming the New spiritual populace of the world.

The Era of Justice, Honor and a new world, from the ashes of this destroyed one.

Satan's Era.

The enemy has their people and they fight 24/7, in order to destroy the Truth and degrade Humanity on a far lower level, in which everyone is a slave and under the rule of the jews. We are at a historical point where bullshit has to step aside and people have to open up to the Truth. Father Satan has mentioned that we have won and its entirely True but the materialization of the Victory and the details on how it will come about, vary.

Our people must help by keeping up with their meditations, bringing people to the Truth, actively spreading the Truth and the message of Satan- daily, so we can re-gather the loyal ones and those who deserve to be part of this. OUR PEOPLE MUST FIGHT RELENTLESSLY.

When we say Satanism is the True Religion of Humanity, we mean it and prove it. This by definition means that Satan should be placed first, the meditations and practices should be closely observed and above all that real power will be achieved through constant effort and belief. Not faith, but belief. KNOW this is True and do not doubt victory.

Over the last days, our people came with information on how the enemy got it real hard by the working. Rabbis died, even large scale changes. This is only one part of what is going on.

Also, this is the place where some may quit. Chickens, cowards and purely selfish parasitic individuals have no place amongst these Ranks. They should better join our vain enemies as they have inside what our enemies do. Our people are brave, strong and when fear, uncertainty and confusion arises, they arise higher and conquer themselves. Our people have to stay in line and attack this monster of jews and their creations until its gone. This is total war and not some kind of video game. Those who have delved in Satanism know entirely what is talked on about here.

And they also know about the rewards that Satan gives to his people, which include supernatural powers and even immortality but above all....Truth.

Know your purpose through Satan. Our purpose here, while most fail to see, is to sustain the Planet, our seperate Races, expand, live on, enjoy life and become what nature has intended us to become, aside other things. Our people despite of their Race, have to study the Truth about the NS and the enemy race as well as their communism which is the cause of most of the shit going on today.

When we should and when we get the orders on our next move, another Ritual will be posted. We need to keep hitting them until they are gone. For now our people should take some days back, enjoy themselves but always keep fighting daily.

Do not forget to celebrate December 23th, Father Satan's personal day.

Last but not least, there have been people who are asking about when the war is going to end, so on and so forth. The answer is this war ends when the enemy is gone until the last man and their institutions are down. In other words, instead of asking like some sort of prophecy sitting ass, people must work and bring this end closer by action.

Respect and Honor to our people!

HAIL SATAN!!!

HAIL LILITH!!!!  
HEIL THE ANTICHRIST!!!!  
HEIL THE FOURTH REICH!!!!

HEIL TO OUR GODS AND RANKS!!!

Subject: Good dates for planetary squares first part 2014

As we have now a braeak in our warfare, I give here some dates that I investigated are suitable for various squares for the first part 2014:

19 dec 2013 - start Jupiter square (very good time!!!)  
15 dec 2013, 6 and 13 apr 2014, 3 and 10 aug 2014 - start Sun square (6 apr 2014 great - Moon in Cancer!)  
29 july, 5 or 12 aug 2014 - you can start Mars (don't do it earlier - earlier it is in Libra detriment!)  
15 or 31 jan 2014 - start Mercury, better 15 jan.  
14 feb, 5 and 12 march 2014 - Mercury, 5 is best  
9 jan, 16 jan, 6 feb, 13 feb, 6 mar (the best!), 13 mar, 3 apr, 10 apr, 17 apr, 1 may, 8 may, 15 may - all good for starting Jupiter, Jupiter is quick, do several times.  
14 or 28 may 2014 - start Mercury, 28 is better.  
11 or 18 apr or 2 may 2014 - start Venus, note 2 may Sun is in Taurus - ruled by Venus!

Now about Moon square: I prefer 10 March, for those who want right now, I copypast my ful message.

<http://www.lunarium.co.uk/calendar/universal.jsp>

Look, Moon is void of course rather long at 17 dec, I would not risk and prefer 19 dec (Full in Cancer Apogee) or if you prefer only Mondays - then Monday 23 still full though in Virgo. 19 dec is good, for Jupiter (ruling Thursday) is rather close to the Moon by his character and I feel Apogee (Lunar point Lilith in chart) as a good time. If you firmly prefer only Mondays, I know one wonderful Monday 10 march 2014 - waxing crescent Cancer a day before Apogee and not void of course, the only problem is you have to wait, and who knows, maybe a ritual will occur then or later, for Moon square is 81 day - almost three months. Though... Moon square would probably intrude with our rituals despite of when you start because of it's length, we usually don't delay for 3 months so it might not very much matter when you start. 10 march is a best day for a Moon square IMHO.

Also Moon square might be done in jan 2014: 9 and 15 (also not Mondays) and February: 10 Monday

<http://www.lunarium.co.uk/calendar/universal.jsp?calendarYear=2014&calendarMonth=1>

but Ephemeris say Cancer will be at Tuesday, you might try at night between these two days. I truly don't know why they vary. I would make chart with transits in astro.com and wait when transit Moon comes to 0 Cancer.

Subject: Spiritual Satanism Is Mankind's Original and Only Religion

Spiritual Satanism Is Mankind's Original and Only Religion

Religion comes from the Latin: Religare. Which means "union."

The primordial Tradition was called Sanatana Dharma the core symbol of which is the eight ray sun or wheel of Dharma. This eight fold symbol is the eight fold path of Union [Yoga]. Yoga and Dharma mean the same thing. Yoga is another term for Dharma. And here we see the origin of Religion it means Union.

Yoga equals 13 in Sanskrit numerology which is the proper number of steps in the Magnum Opus. The perfection of the 13 major energy centers of which the 8 fold wheel or star is a map of.

The next Question is Union of what?

"Verse 129 implies that the ultimate [ here Siva] is of the nature of Cosmic Space[Akasa or Void] and the essence of Jiva lies in the self-same Space in microcosmic condition."

The Union is the individual when they merge the body and soul into one force by the spirit or serpent of fire. Which generates the Yogic body of fire which frees it from impurities [sins in some texts] of the material elements and refines the material body together with the soul as the dross is purified out refining the material aspect back to the primordial ether that forms the core of all the elements at all levels and uniting it with the soul made of the same element. Making the Jiva into Siva or as the Tantra states the Second Siva.

Since Siva [God] is the element of Akasa when one unifies the body and soul into Siva [Si=A and Va =U the final result of union the holistic being that comes from this]. They have obtained Union with God as we see God is this force, Akasa. Which is how one becomes immortal they are made out of the one element that is not subject to the lower sphere of time the gross material elements are. This is why Siva is the destroyer of Time. And his worship is the inner fire of Kundalini. The force which perfects the soul.

This is done by the 8 fold path. The symbol of which is that of Union as mentioned above:

The symbol of Dharma is a wheel with eight spokes. But what we are looking at is the circle [outer wheel] which represents the perfected life force and is traditionally represented as golden serpent [ Anahat] clutching it own tail. Within the 8 pointed star and the hub of the wheel being the bindu point with the larger outer wheel actually being the greater circle. The glyph for the sun, the gold in the work. So within this symbol we have the union of the masculine and feminine as well. The Great Work. And eight being a symbol and number for perfected life. Eight is the number of Mercury which is called Akasa in the East as well.

This is why in numerology we start at 0 not 1. Zero is the symbol of the ether or void literally nothing that everything comes from. Hence you got zero means nothing to this day.

The AUM glyph contains within its self the glyph of the Phi circle which forms the solar bindu and is a perfect 360 circle that adds into 9 the number of Siva and immortality. Which is depicted as a serpent swallowing its own tail. This solar circle is also the glyph for Akasa. And AUM the name of God is the cosmology of that force. That generates and unifies the soul into the Akasa. Or God.

Aum Cosmology:

[topic724.html](#)

The Eastern texts state that any religion not based on the 8 fold path is false as it does not produce the Union. Spiritual Satanism and I state this not lightly. Is the only actual religion on planet earth. And even the original title Sanat-ana Dharma. Holds the name of our God Satan [Sanat is an anagram of Satan]. Spiritual Satanism is the original and only religion of humanity. This is why when it ruled the records mention a time of Golden races. Siva=Gold.

Siva is one of many titles but each title of our God in the symbolic holds the same meaning. And they all go back to Sanat:

[topic99.html](#)

The Supreme God:

[topic217.html](#)

Primordial Buddhism:

[topic175.html](#)

Siva [Sanat] in the Tamil texts was stated to have ruled the Golden Age.

The First Sangam was headquartered in a city named Tenmadurai. It had 549 members "beginning, with Agattiyandar[the sage Agastaya] Among others were God Siva of braided air Murugan the hill God, and Kubera the Lord of Treasure."

"The Vedic God Rudra-Siva, Lord of Yoga, Siva's primary attribute is gnosis-or knowledge-and that whether in south India or the Himalayas he is associated with a cult of esoteric knowledge that is said to have been carried down from before the flood."

The date of the first Sangam [or 9800 BC or 9400 BC] is close with Plato's date for the sinking of Atlantis 9600 BC [11,600 years ago].

"Kumarai Nadu that once stretched across the Pacific Ocean, most of this primeval continent sank to the bottom of the ocean except for those parts of it that became islands, such as Sri Lanka, the paradise currently recognized by much of the Arab world as not part of the primal Garden, but the Garden of Edin

(Edin means abode of the Gods in English). Melek Ta'us is worshipped by the Sri Lankans as Murrugan and center in English means "Place of the Peacock." EA is the God who breathed the breathe of life [soul] into Adamu in Edin in the Sumerian originals. Murrugan is Siva in the Tantra its his most ancient form. The reborn eternal youth of light. The symbol of the Magnun Opus or Union.

## **Squares end 2013 – total 2014**

Recommendations of importance from worst to lest (look into your charts):

Dangerously important: **Hard aspect to Saturn (!!!!!!!)**

Very important: Minor aspect to Saturn (!!)

Very weak planet: planet in detriment (!)

Weak planet: planet in fall ()

I like to vibrate each square into the chakra connected to the planet: Venus – in throat, Moon – in pinal gland, etc - IMHO they work better then.

Please, if you have satanic relatives or friends that are new or have no possibility to the groups themselves, send them them this table.

### **Jupiter**

19 dec 2013 - start Jupiter square (very good time!!!), 9 jan, 16 jan, 6 feb, 13 feb, 6 mar (the best!), 13 mar, 3 apr, 10 apr, 17 apr, 1 may, 8 may, 15 may - all good for starting Jupiter, Jupiter is quick, do several times.

## Sun

15 dec 2013, 6 and 13 apr 2014, 3 and 10 aug 2014 - start Sun square (6 apr 2014 great - Moon in Cancer!) - you can start the Sun

## Mars

29 july, 5 or 12 aug 2014 - you can start Mars (don't do it earlier - earlier it is in Libra detriment!), 2 or 9 sep (if prefer 9 sep, do early in the morning – in the evening Moon's void), as Mars is 25 days you can pack two squares both in aug and in sep 2014.

## Mercury

15 or 31 jan 2014 - start Mercury, better 15 jan. 14 feb 2014, 5 and 12 march 2014 - Mercury, 5 march is best. 14 or 28 may 2014 - start Mercury, 28 is better. 18 june, 2 or 9 july, 2 sep 2014 – all good for Mercury

## Venus

11 or 18 apr or 2 may 2014 - start Venus, note 2 may Sun is in Taurus - ruled by Venus! 6 or 13 june, 3 or 10 oct (choose 10– Full Moon in Taurus, 3 is much worse – Moon in Capricorn detriment) 2014. Best are 2 may and 10 oct.

## Moon

18 or 19 dec 2013, 10 march 2014, 7 apr, 5 may (great – Sun in Taurus!), 8 dec 2014

If you start it on 18-19 dec you will over it befor 10 march - so will pack two squares in this time. Also not to mess with the beginning of Jupiter (19 dec) I would start Moon 18 dec. But if you start one on 10 march you won't over it till 5 may, so if you're ok to combine it with potential ritual – I would prefer to wait till 5 may. If you start 5 may it will not mess with 8 dec 2014.

Subject: Happy Yule

This is to wish everyone a Happy Yule Season. Tonight is the Highest Sacred Night in Satanism, as this is Satans' Personal Day of the Year. This is a time to honor him. For those of you who are new and some who are still confused, "Satan" means "Truth" in Sanskrit, one of the most ancient of languages. Satan and the Powers of Hell are benevolent beings. This is evident in the fact that they are all working to bring knowledge, spiritual advancement, and freedom to humanity. Instead of ignoring or looking the other way as some beings in different worlds out there do, our Gods are working to help us here. They care deeply about the earth, animals, and the

environment and want to set us free. Always remember, Satanism is about being yourself. There are very few rules in Satanism. Christianity has been a curse upon humanity, no different from its twin of communism, which is Christianity in its political form. Satan has opened our eyes to the truth and wants both of these nefarious plagues completely destroyed.

The 1956 Sci-Fi movie "Invasion of the Body Snatchers" contains a lot of truths. Instead of the pods, those pods should have been bibles. Bibles, Christian relics, and related, act as subliminal transmitters. This is why the bible is full of numbers and the spiritually meaningless verses are drummed into the heads of victims, such as Sunday school children and others being forced to memorize scriptures that act to damn humanity. For more on this, please read:

[http://gblt.webs.com/Bible\\_Jewish\\_Witchcraft.htm](http://gblt.webs.com/Bible_Jewish_Witchcraft.htm)

Lilith revealed to me that the Jewish invention of communism, which is nothing more than an organized slave state with the top Jews in charge, and aims to strip everyone of their individuality, their identity, their culture, their race, their material possessions, [material possessions are most often individual] and anything else that makes one classifiable. Everyone is equally screwed, and becomes a meaningless number; a disposable human being... a nothing, a total nobody who can be systematically worked to death and disposed of.

Quote from the Jewish Talmud:

Nidrasch Talpioth, p. 225-L: "Jehovah created the non-Jew in human form so that the Jew would not have to be served by beasts. The non-Jew is consequently an animal in human form, and condemned to serve the Jew day and night."

The Judeo/Christian Bible is a foundation and a blueprint for this. Satan wants for all of the Judeo/Christian poison to be destroyed.

For those of you who are new here, yes, we Satanists definitely celebrate the Yule Season. The Yule is Pagan in origin and was stolen and corrupted by Christianity. Jehova's witnesses even know this. There is nothing Christian about xmas and the Yule Season. For those of you who enjoy this holiday and

have been celebrating it, enjoy.

The Yule season is a season of enjoyment, indulgence, and feasting.

Cooking

Baking

Gift giving

Decorating

Building snowmen and winter sports in places where there is snow

Tree decorating

Blue lights in honor of Lucifer

Partying

Santa Claus for the kids

Shopping and more.

The Nazarene as you can see has no place in the Yule season. December 25th is actually the Persian deity Mithra's birthday, for one. The Yule was stolen from the Pagans and incorporated into the Christian religion as Xmas.

Pagan peoples were celebrating the Yule long before the false program of Christianity forced itself onto the scene. We need to take back our holiday!!

Celebrate and Indulge!!

HAIL SATAN!!

There are quite a few people confused about the nazarene. The Jewish run and controlled media insist that this worthless parasite of humanity actually existed. The truth is this, and if you are aware and look, you will see what I mean for yourself and will not be fooled again concerning this.

All of the so-called "occult" and the spiritual, the world over is based upon the kundalini serpent. This is the Serpent of Satan. When this serpent ascends, one experiences inner healing, enlightenment and spiritual powers. The sign of an ascended serpent is the halo. The entire aura emits a light. This is also the meaning of "eternal light" and in Latin "Lux Aeterna" and when Freemasons mention about "the light" and so forth. Hindu deities and the Buddha have halos, as so the many Gods of other world pantheons.

Again, I will reiterate how the nazarene lived "33 years." 33 is the number of esoteric vertebrae in the spine where the serpent ascends. The nazarene is nothing more than a model for an example of a man with his serpent ascended. This also can be seen in the bible where there were "tongues of fire" atop the heads of those fictitious 12 disciples of that nazarene. Note the number 12, this has to do with the zodiac. In addition, the Buddha is also seen with a flame atop his head. I don't believe that the Buddha existed either, but as with the nazarene is a depiction of a model of someone who has the ascended serpent. The long flowing hair of the nazarene is another example of being free; spiritual freedom. The depictions of the virgin and the child were taken from Isis and Horus and represent the birth of the new soul through the serpent of fire.

Now, again, I will repeat myself here. Everything you see in front of you, your PC, your desk, your bed, your place of residence; everything, was once someone's idea before it manifested into reality. Things just didn't grow out of the ground, such as your house. An idea must be either directly or indirectly [subconsciously] planted in one's mind in order to manifest into reality, the more minds, the better, as this translates into the "mass mind." The mass mind has much more power. This is why bibles are incessantly pushed and coerced upon the populace.

Now, most of you are aware of the Jewish problem. Many Jews

disproportionately have unimaginable wealth. The majority are well off financially and there is of course a very small number that are average. Few if any are actually poor. Check your local phone book and see for example just how many attorneys, doctors, and other high paid professionals have Jewish surnames. As a Jewish rabbi wrote concerning the Jews "Thou shalt prosper."

Now, take that model of a man with his serpent ascended, and make him into a fictitious Jewish character. His parents were Jewish, his lifestyle was Jewish and then he descended from a long line of Jews. The entire bible is made up of Jewish characters, patriarchs, and even that "god" himself "chose" the Jewish people. Now, what kind of a subliminal connection in the minds of the average person does this make? It is systematically and very forcefully imbedded. Take this serpentine power and apply the slavish worship with focus, giving up psychic energies and adoration and this channels into Jewish prosperity. Do you see the connection?

The dragon, the serpent and the halo are seen the world over for representing the serpentine powers. Centuries ago, illustrations were created to show examples of this raised serpentine power. Take this spiritual power, cut off most of the populace from it and then turn it into a Jewish character to make the necessary subliminal connection and the psychic energies of those deceived are directed to the Jewish agenda.

In addition, Jewish ritual murder perpetuates this Christian lie by kidnapping a young Gentile boy or girl and taking him/her secretly into the back of a synagogue where he/she is nailed to a cross and drained of all his/her blood before Passover of every year. This further establishes the ritualistic subliminal connection for the perpetuation of the fictitious nazarene. And of course, there are enemy aliens out there that feed off of the spiritual energies of the deceived believers.

Communism And Masonry: Two Fronts Of The Jew World Order

"Gentile masonry blindly serves as a screen for us and our objects, but the plan of action of our force, even its very abiding place, remains for the whole people an unknown mystery....Who and what is in a position to overthrow an invisible force?" (Protocol 4)

"we shall create and multiply free Masonic lodges... absorb into them all who may become or who are prominent in public activity, for in these lodges we shall find our principle intelligence office and means of influence.... The most secret political plots will be known to us and will fall under our guiding hands...We know the final goal...whereas the goyim have knowledge of nothing..." (Protocol 15) –

The Jews claim the protocols as a forgery. This is how the Jews lie. When it was ruled a forgery by the court in Switzerland in the 19th century. It was ruling the protocols as a legitimate document hence real. As the document presented in the court was a reprint hence a forged of the original document. Just as to forge a check you need an original to create the copy from. They told half a truth to tell a full lie.

The Court ruling was the protocols are real.

As we can witness President Washington knew about the Illuminati and that they where trying to infiltrate the Masonic orders and movements. And their doctrine was the enemy of the Masonic one they had fought to build America upon:

Library of Congress link:

•The George Washington Papers at the Library of Congress, 1741-1799

Type "Illuminati

Mount Vernon, October 24, 1798.

Revd Sir: I have your favor of the 17th. instant before me; and my only motive to trouble you with the receipt of this letter, is to explain, and correct a mistake which I perceive the hurry in which I am obliged, often, to write letters, have led you into.

It was not my intention to doubt that, the Doctrines of the Illuminati, and principles of Jacobinism had not spread in the United States. On the contrary, no one is more truly satisfied of this fact than I am.

The idea that I meant to convey, was, that I did not believe that the Lodges of Free Masons in this Country had, as Societies, endeavoured to propagate the diabolical tenets of the first, or pernicious principles of the latter (if they are susceptible of separation). That Individuals of them may have done it, or that the founder, or instrument employed to found, the Democratic Societies in the United States, may have had these objects; and actually had a separation of the People from their Government in view, is too evident to be questioned.

My occupations are such, that but little leisure is allowed me to read News Papers, or Books of any kind; the reading of letters, and preparing answers, absorb much of my time."

President Washington was the Highest ranking Mason in America. The original Free Mason religion and idealism of which the American Republic was built upon. Can be read here:

The Real American Revolution

<http://josministries.prophpb.com/topic585.html>

"In 1785, leading members of the Illuminati left the Society and testified before a Court of Inquiry called by the Elector of Bavaria. Their startling evidence removed all doubt regarding the Illuminati. On the 11th of October, 1785, the Bavarian authorities raided Zwack's [Illuminati cofounder] house and discovered a mountainous array of Illuminati documents which showed quite clearly that they planned to bring about a "universal revolution that should deal the death-blow to society."

Communism start was not founded in the 19th century. It was founded in the 18th century. When as History records that on May 1, 1776, [May day is a Communist holiday as well] Dr. Adam Weishaupt founded the Bavarian Order of the ILLUMINATI. Weishaupt was a Professor of Jewish Canon Law at the University of Ingolstadt in Bavaria, Germany. He was born to Jewish parents and later "converted" to Roman Catholicism. He became a high-ranking member of The Order Of The Jesuits, whom he subsequently left to form his very own organization at the clear behest of the newly formed "House Of Rothschild."

Weishaupt took a group of fellow Jewish agents who had organized under the name of the "Frankist." And from them into the newly termed order the "Illuminati." The doctrine of this Jewish front was Communism.

"It is more interesting to learn that Karl Marx was not the real founder of Communist world revolution. Its true father was Adam Weishaupt, founder of the "Freemasonic Order" of the Illuminati" - Marschalko

The six main points of Weishaupt doctrine is the abolition of:

- 1.Ordered or nationalistic governments in the form of monarchies.
- 2.Private property.
- 3.Inheritance rights.
- 4.Patriotism to nationalist causes.
- 5.Social order in families, sexual prohibition laws and all moral codes.
- 6.All religious disciplines based on faith in a living God, as opposed to faith in nature, man, and reason.

Weishaupt himself did not enter a lodge until 1777, when he received induction into the Lodge Theodore de Bon Conseil in Munich. However, once inside Masonry, Weishaupt immediately went to work another Rothschild agents to inject the Illuminate doctrine, hand in hand with Judaic occult systems to put the Gentiles under the control of the Elders of Zion. While rotting out the original Masonic spiritual doctrines and philosophy of universal-spiritual law. Weishaupt and his agents organized the Congress of Wilhelmsbad at the Castle of William IX of Hesse-Kassel, to occur on July 16, 1782. That special even, which was momentous in both size and aspirations, was attended by elite representatives of Masonic lodges from all over.

It was also there that a decision was reached to allow the previously excluded Jews to be granted admittance into Freemasonry.

William IX was in bed with Rothschild from the start and one of his agent dupes:

"William looked for help in managing his estate. He hired Mayer Amschel Rothschild as "Hoffaktor" in 1769,[1] to supervise the operation of his properties and tax-gathering. The wealth of William's estate provided a good living for Rothschild and the men had a strong relationship; he founded the Rothschild family dynasty, which became important in financing and banking in Europe. Although they had been acquainted since 1775, William IX did not formally designate Rothschild as his overseer until 1801."

The Jews had also been working to influence and corrupt Masonic doctrines and infiltrate Masonic Societies for decades by other organizations such as the Martinists:

Y Martines de Pasqually: In his book on the Order of the Elus Coens of the eighteenth century, R. le Forestier tells us that this Order was founded; continuing as martinists today, about 1760, by Martines de Pasqually, said to be a Portuguese Jew. It was one of the most interesting occult groups of the time, "which constituted under cover of Freemasonry one of the last links of the long chain of mysterious and jealously closed associations whose members claimed by magical process to communicate with the divine in order to participate in a blessed immortality." Illuminism!

The name Coen given by Pasqually to his members is an adaptation of the Hebrew term Cohanim, which designated the highest sacerdotal caste, constituted at Jerusalem, under Solomon, to assure divine service in the Temple."

It's no mistake the Jewish Kabbalah doctrines of Eliphas Levi were some of the most disseminated in the 19th century and up. In mainstream society. As Levi was a Martinist. The Jewish power elites work relentlessly to replace authentic spiritual knowledge with Hebraic systems of corruption. That put Gentiles unconscious and consciously under their influence. And are designed to not lead to any spiritual power.

The Jewish agents infiltrated the French Masonic societies and helped to start and fund the French Revolution. Of which they manipulated the Masonic societies into supporting. The original revolution which created a constitution Monarchy. Was taken over by armed force and usurped by the Jacobins who where Jewish Frankists [Illuminati's political front] and the outer political force of the Jewish Elders of Zion's agenda. They then instituted the Terror and slaughtered the aristocrats, the middle classes and peasants whole regions and classes where exterminated. The Jewish directors now in control of the revolution installed by terror all the ideological points of the Illuminati manifesto. With the Jewish Bankers funding and directing this via their networks. The French Revolution was the first Communist Revolution in history.

Louis Dasté, writing on the subject of Free masonry in the French Revolution states: "This mysterious illumination of the low grades of Masonry, this hierarchy of which Philalèthes Junior has so jealously guarded the secret, those 'Unknown Superiors' venerated by the Judaising Martinists and Philalèthes, who claim domination over ordinary lodges; is not all that the unbreakable chain which links the Jewish Cabala to Freemasonry, and have we not henceforth the right to suspect the Occult Power hidden behind the Masonic Lodges to be the brain of Judaism which would conquer and dominate the entire world?"

In time it fell apart with a military coup that put Napoleon into power who ended the terror and restored order. And brought about a more authentic Masonic order. In his statements and actions he refuted the Jewish, Jacobin ideology of Communism.

Napoleon was a Mason most popularly noted by his famous hand in the jacket image. Which was a common gesture in many paintings and later photographs of hundreds of men in the Western World. As it's a sign of degree of the Masonic societies.

But the Masonic Societies had sub come to the Jewish infiltration in 1811 in Frankfurt [Frankfurt was the original base of Rothschild operations]. The new Frankfurt Lodge was established as now head of European Free Masonry of which the founders and leaders to this day are the Jewish Rothschild's and was co-founded by the Jew Zvi Hirsch.

The first Communist International: Was held in Frankfurt in 1847 and was chaired by Lionel de Rothschild along with the Jew Karl Marx. At the meeting, a branch of the Elders Of Zion's, Illuminati, the Jacobin Club parading as "The League of the Just," which would become the Communist League. Of which Marx was a leading member. Marx was commissioned by Rothschild to write the Communist Manifesto. The Manifesto was published the following year, 1848. The largest support and circulation of the Communist Manifesto was conducted by the network of worldwide Free masonry .

The motto of the League of the Just (Bund der Gerechten) was "All Men are Brothers" and its goals were "the establishment of the Kingdom of God on Earth, based on the ideals of love of one's neighbor, equality and justice". This is the core doctrine of the Jewish programs. But what does this really mean. The Jews tell us themselves and its as we see in their actual behaviour when in power which is based on what is wrote in their Talmudic and Torah:

"The nations will gather to pay homage to the people of God: all the fortunes of the nations will pass to the Jewish people, they will march captive behind the Jewish people in chains and will prostrate themselves before them, their kings will bring up their sons, and their princesses will nurse their children. The Jews will command the nations, they will summon peoples whom they do not even know them will hasten to them. The riches of the sea and the wealth of nations will come to the Jews of their own right. "Any people of the Kingdom who will not serve Israel will be destroyed" -Isidore Loeb [Le Litterature des Pauvres

dans la Bible].

The "Kingdom of God on Earth." Is the rule of the Elders of Zion. As they state when their Messiah comes each Jew will get 2800 Goyium slaves.

"During the decade of the 1840s the word "communist" came into general use to describe those who hailed the left wing of the Jacobin Club of the French Revolution as their ideological forefathers.[My note this is the Illuminati doctrine openly]. This political tendency saw itself as egalitarian heritor's of the 1795 Conspiracy of Equals headed by Gracchus Babeuf. The sans-culottes of Paris which had decades earlier been the base of support for Babeuf artisans, journeymen, and the urban unemployed was seen as a potential foundation for a new social system based upon the modern machine production of the day."

By this point Free Masonry had been replaced with the Jewish Kabbalah as the spiritual aspect and Communism as the philosophical branch both used for the one end;

"During the ceremonies of the ritual for the Royal Arch degree, the candidate is asked, "Brother Inspector, what are you?" and he replies, "I AM THAT I AM." Can you imagine that? When Moses asked God to name Himself, God said, "I AM THAT I AM" and He said, "Thus shalt thou say unto the children of Israel, I AM hath sent me unto you." (Exodus 3:14)

I AM THAT I AM is the name Yahweh gives for itself in the Torah and Judeo Christian Bible. The lost word and Masonic God: Jubulum. Is trinity title of Yahweh.

"In the 19th level of Scottish Rite Freemasonry, the Initiate receives the degree of GRAND PONTIFF. It is during this ritual that the candidate swears an oath of secrecy and an oath of total obedience "to any Chapter of this degree to which I may belong; and the edicts, laws and mandates of the Grand Consistory of Sublime Princes and Commanders of the Royal Secret, as well as those of the Supreme council of the 33rd degree..."

It is then that the "Thrice Puissant" anoints him with oil on the crown of his head and says "Be Thou a Priest Forever, after the order of Melchizedek."

-Melchizedek or Malki Tzedek (/m l. k z. .d k/[1]); (Hebrew: malk - e eq) (translated as "my king (is) righteous(ness)") was a king and priest mentioned during the Abram narrative in the 14th chapter of the Book of Genesis.

He is introduced as the king of Salem, and priest of El Elyon ("God most high"). He brings out bread and wine and blesses Abram and El Elyon.[2] Chazalic literature--specifically Targum Jonathan, Targum Yerushalmi, and the Babylonian Talmud--presents the name ( ) as a nickname title for Shem, the son of Noah.

In Christianity, according to the Letter to the Hebrews, Jesus Christ is identified as a priest forever in the order of Melchizedek, and so Jesus assumes the role of High Priest once and for all.-

"After receiving the password (Emanuel) and the sacred word (Alleluia), he is dressed in a robe of white linen and given a cordon (a ribbon or sash of honor worn across the breast) of crimson color, with 12 stars representing "the 12 gates of the "new city, " and the twelve signs of the Zodiac, the twelve fruits of the tree of life, the twelve tribes of Israel and the twelve Apostles." (Scottish Rite Masonry Illustrated, The Complete Ritual, Vol. 2, pages 26-27, E. Cook Publications, 1974)

-Emanuel deriving from (Hebrew:                     , God is with us), a prophetic name used in Isaiah 7:14. The middle letter "m" is doubled in Hebrew causing that single "m" and double "mm" variants co-exist in many languages.-

-The word "Alleluia" or "Hallelujah" (from Hebrew                     ), which literally means "Praise ye Yah" or "Praise Jah, you people", [1][2] is used in different ways in Christian liturgies. "Praise Jah" is a short form of "Praise Yahweh", [3][4][5] or of "praise ye Jehovah".-

-In the spelling "Alleluia", the term is used also to refer to a liturgical chant in which that word is combined with verses of Scripture, usually from the Psalms. This chant is commonly used before the proclamation of the Gospel.

The name is common to both Jewish and Christian naming traditions, interpreted in Judaism without messianic significance, but by Christians in the light of Gospel of Matthew 1:23 as relating to Jesus.-

"In the seventeenth degree, or Knights of the East and West, after the candidates have completed the initiation and after revealing the password (Jubulum) and the Sacred Word (Abaddon), "the Senior Warden conducts the Candidate to the elevated vacant canopy at the right of the All Puissant." (Scottish Rite Masonry Illustrated, The Complete Ritual, Vol. 1, Pages 453, 457, E. Cook Publishing, 1974)

Jubulum is a title of Yahweh and Abaddon is another Hebrew title used in the Bible.

"It is in this final "Blue Lodge" degree that that candidate is laid out "in death"and is raised from the dead by the "Worshipful Master" of the Lodge (representing King Solomon), using the "strong grip" (or "Lion's Paw")of the Master Mason.

One the "five points of fellowship," he and his "savior" pass the sacred word, Mah-Hah-Bone.[Hebrew term] (Duncan's Rituals, Revised and Complete, pages 35, 96, 120, 121, E. Cook Publications, 1974)

Mah-hah-bone is a Hebrew word and used to substitute for the Masonic Yahweh's name of God Jubulum in the lower degree's.

The list goes on and on. Its not a mistake the majority of occult texts authored by Mason's or those involved with them are all based on the Jewish Kabbalah one way or another and Judeo Christian themes. Even the pass words to get into many lodges are in Hebrew. And the Judeo Christian bible is sitting on the altars of the all the Lodges. This puts the members under the open and subliminal control of the Elders of Zion.

Free Masonry purpose is to act as a branch of Judeo Christianity and build the Jewish Temple of Solomon. The Jewish World Order.

The New Zion:Jew World Order:

<http://josministries.prophpbb.com/topic483.html>

"Masonry is based upon Judaism. Eliminate the teachings of Judaism from the Masonic Ritual and what is left? - The Jewish Tribune [New York,Oct 28,1927]

"In the present nations, Freemasonry is only of benefit to the Jews" -Theodore Herzl

"We have founded many secret associations, which all work for our purpose, under our orders and our direction. One of the many triumphs of our Freemasonry is that those Gentiles who become members of our Lodges, should never suspect that we are using them to build their own jails, upon whose terraces we shall erect the throne of our universal King of the Jews; and should never know that we are commanding them to forge the chains of their own

servility to our future King of the World" -Opening speech made at the B'nai B'rith convention in Paris [published in the Catholic Gazette, Feb 1936]

"It was during that period that I became interested in freemasonry. ... In the eighteenth century freemasonry became expressive of a militant policy of enlightenment, as in the case of the Illuminati, who were the forerunners of the revolution."

Leon Trotsky [Jew and high ranking leader of the Communist revolution] My Life: The Rise and Fall of a Dictator

One of Trotsky's close friends and fellow Communist Christian Rakovsky:

Christian Rakovsky. Born Chaim Rakeover [Jewish name] in 1873. Was a high ranking Communist:

"A lifelong collaborator of Leon Trotsky, he was a prominent activist of the Second International, involved in politics with the Bulgarian Social Democratic Union, Romanian Social Democratic Party, and the Russian Social Democratic Labour Party. Rakovsky was expelled at different times from various countries as a result of his activities, and, during World War I, became a founding member of the Revolutionary Balkan Social Democratic Labor Federation while helping to organize the Zimmerwald Conference. Imprisoned by Romanian authorities, he made his way to Russia, where he joined the Bolshevik Party after the October Revolution, and, as head of the Rumcherod, unsuccessfully attempted to generate a communist revolution in the Kingdom of Romania. Subsequently, he was a founding member of the Comintern, served as head of government in the Ukrainian SSR, and took part in negotiations at the Genoa Conference."

Openly stated the relationship between Jews, Communism and how Free Mason's are nothing but a movement to advance World Jewish Government under the final step of Communism. His record of this event was kept in the writings called. Red Symphony, by Dr. J. Landowsky; translated by George Knupffer. His statements are such:

"The real aim is to create all the required prerequisites for the triumph of the Communist revolution; this is the obvious aim of Freemasonry; it is clear that all this is done under various pretexts; but they always conceal themselves behind their well known treble slogan [Liberty, Equality, Fraternity]. You understand?"

-

The real secret of Masonry is the suicide of Freemasonry as an organization, and the physical suicide of every important Mason."

"Masons should recall the lesson of the French Revolution. Although "they played a colossal revolutionary role; it consumed the majority of Masons..." Since the revolution requires the extermination of the bourgeoisie as a class, [so all wealth will be held by the Illuminati in the guise of the State] it follows that Freemasons must be liquidated. When this secret is revealed, Rakovsky imagines "the expression of stupidity on the face of some Freemason when he realizes that he must die at the hands of the revolutionaries. How he screams and wants that one should value his services to the revolution! It is a sight at which one can die...but of laughter!" Rakovsky refers to Freemasonry as a hoax: "a madhouse but at liberty."

" In Russia in 1929, every Mason who was not Jewish was killed along with his family, according to Alexey Jefimow ("Who are the Rulers of Russia?" p.77) -

The National Socialist Government of Germany banned all Free Masonic Lodges as they are wings of international Jewry and its Communism.

Subject: A touch on some subjects for new people.

Greetings to our people, new and older members.

This is my first post as a High Priest and it's a honor for me to be here as such so I can help in the cause.

<http://www.angelfire.com/empire/serpentis666/JoSClergy.html>

What I want to focus on at this point is some questions and concerns of mainly new people, as I see this everyday in the groups and we need to sort this out.

-Always remember to mind your security. The groups have reached well over 10,000 members and this means we are becoming a great power, which means we are highly infiltrated. With that being said, all our new members must know: We are a community that can build real spiritual influence and power and everything in the JoS is 100% True. With that being said we have enemies who would be more than likely willing to destroy you totally. Meetups, giving phone numbers and such, use common sense and know this might end up badly in many cases. People know how many trolls come here to troll or how many insane xians are on the run to fuck us over. They always fail but do not underestimate your enemies.

-Some people join Satanism in a mediocre mindset. Dabbling and such. Satan and Satanism are very important terms and to be a Satanist is to accept the Truth [Satyan in Sanskrit (of the oldest of languages) means Truth] this means opening up to things that we may not like as well, strong devotion, strong

faith, eternity and no fence hopping. Satan never gives up his own people, his words are True, he keeps his promises always- people must banish the xian mindsets where "God" has left you or cannot be trusted or he punishes his followers for being Human. Quitting meditations, not taking them seriously, bouncing, fear, feeling like Satan might leave you down and such- This is not xianity where you can just not go to the mass and nothing happens, or like when "god" supposedly has to help, leaves you and abaddons you. Thats the jewish "jvh" that hates humanity and wants to destroy everything. Satan is real so are the powers of the mind and Satanism. People must open up to the Gods and see them for themselves. In Satanism one must be serious and on the spot. Meditation is mandatory and this is how you will attain True powers and ultimate Freedom. Becoming a God is not a joke.

-Working for Satan might not be enforced but this is where the Powers of Hell will reward you and this where you gain ground as an existence. In other words be useful to the Gods. They always help us, provide knowledge and those who have been with Satan for years know this real well. Satan never asks us to do or forces us to do anything. What I mean hear is people should have the ethical push all in themselves to give back to Satan. Fight against the enemy in all levels. This is not for Satan only but for the world we are living in. Be serious about it and when the time comes, the Gods will be serious in turn for helping you. Be open and ask for what you want to do.

-Studying. Study hard. Satanism is the Truth and you must study, search and help yourself in this. Satan will not just pop and give you answers or school you, he will guide you to the Truth about yourself and everything else and this will be a long and rewarding process. Have total faith in yourself as Satan has ultimate Will in guiding us. Be open to this.

-Have patience. The Rome wasn't built in one year and neither you are going to be everything in such a short time. Given our small lifespan people tend to rush too much, try to push situations. Discovering yourself is a big process. Freeing yourself and gaining tangible spiritual power is another one. Be patient with yourself and learn to love yourself. Given you have chosen the Truth, relax and things will unfold. The Gods are here and they listen to you. Do not rush to find your GD's, relax and know they are here for you. Or ask for miracles and such. Let go and it will all unveil- relax.

Our people must always stay strong, positive, work their way up. Do not have fear as fear is where you will crumble. You are not here by coincidence and the Gods are guiding you. Be loyal to them and know they will give you back your loyalty.

Stay strong.

What I want to focus on at this point is some questions and concerns of mainly new people, as I see this everyday in the groups and we need to sort this out.

-Always remember to mind your security. The groups have reached well over 10,000 members and this means we are becoming a great power, which means we are highly infiltrated. With that being said, all our new members must know: We are a community that can build real spiritual influence and power and everything in the JoS is 100% True. With that being said we have enemies who would be more than likely willing to destroy you totally. Meetups, giving phone numbers and such, use common sense and know this might end up badly in many cases. People know how many trolls come here to troll or how many insane xians are on the run to fuck us over. They always fail but do not underestimate your enemies.

-Some people join Satanism in a medicore mindset. Dabbling and such. Satan and Satanism are very important terms and to be a Satanist is to accept the Truth [Satyan in Sanskrit (of the oldest of languages) means Truth] this means opening up to things that we may not like aswell, strong devotion, strong faith, eternity and no fence hopping. Satan never gives up his own people, his words are True, he keeps his promises always- people must banish the xian mindsets where "God" has left you or cannot be trusted or he punishes his followers for being Human. Quitting meditations, not taking them seriously, bouncing, fear, feeling like Satan might leave you down and such- This is not xianity where you can just not go to the mass and nothing happens, or like when "god" supposedly has to help, leaves you and abaddons you. Thats the jewish "jhvh" that hates humanity and wants to destroy everything. Satan is real so are the powers of the mind and Satanism. People must open up to the Gods and see them for themselves. In Satanism one must be serious and on the spot. Meditation is mandatory and this is how you will attain True powers and ultimate Freedom. Becoming a God is not a joke.

-Working for Satan might not be enforced but this is where the Powers of Hell will reward you and this where you gain ground as an existence. In other words be useful to the Gods. They always help us, provide knowledge and those who have been with Satan for years know this real well. Satan never asks us to do or forces us to do anything. What I mean hear is people should have the ethical push all in themselves to give back to Satan. Fight against the enemy in all levels. This is not for Satan only but for the world we are living in. Be serious about it and when the time comes, the Gods will be serious in turn for helping you. Be open and ask for what you want to do.

-Studying. Study hard. Satanism is the Truth and you must study, search and help yourself in this. Satan will not just pop and give you answers or school you, he will guide you to the Truth about yourself and everything else and this will be a long and rewarding process. Have total faith in yourself as Satan has ultimate Will in guiding us. Be open to this.

-Have patience. The Rome wasn't built in one year and neither you are going to be everything in such a short time. Given our small lifespan people tend to rush too much, try to push situations. Discovering yourself is a big process. Freeing yourself and gaining tangible spiritual power is another one. Be patient with yourself and learn to love yourself. Given you have chosen the Truth, relax and things will unfold. The Gods are here and they listen to you. Do not rush to find your GD's, relax and know they are here for you. Subject: Re: Happy New Year

Woops, mistake :) for got to paste the post:

To my fellow SS, and most importantly to those who fight for Father Satan. Well time to say goodbye to 2013, and let's all give ourselves a pat on the back for the highly successful workings we've done this year, credits and congratulations go to High Priest Hooded Cobra for setting those up. We all have different resolutions that we make up and end up not doing, but we should and MUST share two, to be as active with spiritual warfare and to meditate daily. To those who are new, don't be afraid to ask questions, and do not underestimate how powerful you are. We've all done very well this year, and hopefully even better the next year, I'm looking forward to more workings next year. I've had enough of being fed, listening to and going by Jewish shit! They'll bend us but they'll never break us. We have gone through shit in the past, and came out stronger, and in 2014 we shall furthermore thrive and triumph. A true Nazi, Adolf Hitler, said to a man I highly admire, Joseph Goebbels, "I am firmly convinced that we shall overcome this crisis, we will throw our armies in a gigantic offensive against the enemy, we will beat him back and annihilate him, and one day our banners will be victorious. This is my unshakeable belief" This is also my, and OUR unshakeable belief, along side with my belief in Satan, and I shall carry that to the grave if I must, because it is belief that I love and belief that I trust. This New Year, Think about the children Jews murder, the bomb dropped on Syria, the rape victims of priests, the NATO bombings on Libya, the Death Toll of Communism, the Nazis they tortured, the Reich they ended (which we have revived) The blasphemy against our beloved father and his Daemons, and the horrible situation you're in, whether your shit broke, have an abusive father, kicked out of your home. Struggling to pay your bills, suffering with depression, IT ENDS NOW, NOT TOMMOROW, FUCKING NOW. We are the Fourth Reich, and we shall live by the legacy of the Third. Are you ready for this?

HAIL SATAN!!!

HAIL AMON RA

HAIL HORUS

HAIL ANUBIS

HAIL AZAZEL

HAIL HITLER!!!

HEIL GOEBBELS!!

and Hail be to all the Gods of Duat and to all Nazi heroes who died for us, and most importantly, Heil us - The Fourth Reich. We are heroes, we are legends!

Happy New Years

French Jewish Hate League stages attacks near Lyon

This is typical of Jews. In the Jewish Talmudic-Torah law. Any Gentile who rebels against the Jews and their agenda are to be killed. Rabbi Meir Kahane demonstrates this fact:

"Vengeance against the enemy of the Jewish people – an enemy that is per se, the enemy of the G-d of the Jewish people – is a joy and commandment because only through vengeance, through the fall of the enemy, is G-d vindicated. For the same enemy who crowed when success smiled upon him, "There is no G-d in Israel", by his fall proves that there is indeed One! And what does King David say? "The righteous one shall rejoice when he sees vengeance, he shall wash his feet in the blood of the wicked. And men shall say: There, indeed, is a G-d that judges in the earth!"

Beyond Words

Selected Writings of Rabbi Meir Kahane, 1960-1990 Volume 5 1985-1988

We can see this in the Jewish run and created Communist Slave State:

The Jewish Voice, published in New York, in Vol. 2, No. 1, on January 1942, contained Joseph Stalin's statement on anti-Semitism, given by Stalin to the Jewish Telegraphic Agency on January 12, 1931, expounding upon Stalin's stand against anti-Semitism as follows: "In the USSR anti-Semitism is strictly prosecuted as a phenomenon profoundly hostile to the Soviet system. Accordingly the laws of the USSR provide that active anti-Semites are punished with death."

French Jewish Defense League stages attacks near Lyon

French police arrested six Jews they believe staged vigilante attacks against suspected anti-Semites.

The attacks occurred on Dec. 21 in Lyon and Dec. 22 in nearby Villeurbanne and are believed to have been perpetrated by members of France's Jewish Defense League, or Ligue de Defense Juive (LDJ), the local branch of the militant group associated with the late Rabbi Meir Kahane.

The victims were targeted on social networks and tracked down for performing the "quenelle," a gesture conceived by the anti-Semitic comedian and Holocaust denier Dieudonne M'bala M'bala, the Le Progres daily reported.

On Tuesday, LDJ wrote on its Twitter account: "Two major punitive actions were carried out Saturday and Sunday in Lyon against people who performed the quenelle. The little Nazis are no longer at ease!"

The attack Dec. 22 involved six young members of LDJ, the newspaper reported. The report said they beat a man suspected of performing the quenelle and locked him inside the trunk of a parked car. The report, which named neither the suspects nor the alleged victim, said two of the six were arrested that night and the remaining four were arrested the following day.

Two were remanded to police custody Tuesday on suspicion of assault, Le Progres reported. The report did not say how badly the man was hurt.

In recent weeks, the quenelle has been widely discussed in French media because many French Jews see it as sign of mounting anti-Semitism.

According to Le Progres, the first attack began late on Dec. 21 and was directed at an employee of the Mama Shelter Hotel in Lyon. A few small teams entered the hotel looking for the employee, who was not named, while their friends stayed outside, the report said.

In total, a few dozen men were involved in the incident, witnesses told the newspaper. The hotel's security agents fought off the intruders and prevented them from attacking the employee. Several dozen guests were briefly evacuated from the hotel, according to the report.

So we as gentiles are supposed to take endless abuse and slander from the Jews, and when we retaliate or speak up about it we're anti-Semites and deserve to be beaten up and imprisoned, and then the Jews come out with all sorts of bullshit in order to justify something which is completely unjustifiable.

Subject: Getting the Truth out

We all want to live in a purely Gentile/ Pagan world free from the clutches of the Jews and their vile malicious programs. Satan wants us to be Free. What are you doing for Satan to help achieve this goal?

Those of you who have been actively working to destroy the enemies of Satan know that we have a large task ahead of us. We are at a crucial time in this fight- the breaking point for our freedom. Now is the time to work together more than ever to wake up as many people as we possibly can! We have the Power and Strength in numbers. The only question is- Are we using this to our advantage?

Thousands of Dedicated Spiritual Satanists are reading this post. How many of us have YouTube channels? How many of us are using them to help spread the truth? How many of us have a Printer at home or access to a printer? We can all find a printer to use. Even if you don't own a printer, the library in your local area usually will have a printer than you can use to make copies on. You could even use a FedEx Office location (if one is nearby to where you live) to print out and distribute Anti-Tracts. Just make sure that you are Private about it. They make such a huge difference in your local area when regularly distributed. Believe me; I have seen Results over the years! Anti-Tracts work. You could also burn PDF documents such as 666 Black Sun, found in Satan's Library, to a CD and leave it in an undisclosed location. With a Sharpie marker write on the CD an eye catching title such as "The Jews do NOT want you to have this!" Just be creative and safe in whatever method you choose to use in getting the truth out.

Satan's Library:

[http://spiritualwarfare666.webs.com/Satans\\_Library.htm](http://spiritualwarfare666.webs.com/Satans_Library.htm)

We all have different abilities and methods of getting the truth out to the populace and IF we all work together to accomplish this goal, we will get there much quicker. I encourage each of you to work with us to bring down our enemies and wake up our Gentile people.

You can make YouTube videos; Leave comments such as ExposingChristianity.com and JoyofSatan.com all over YouTube; Leave Anti-Tracts in your local area for people to find. Making use of the Internet is the Fastest and most Effective means of spreading the Truth. If you are running Windows 7 on your computer you can use Windows Live Movie Maker to

start making a video today. You can even add music to your video for Free when you upload it on YouTube.

Where to find Anti-Tracts:

Additionally, if you have a YouTube channel or an Anti-Tract please post them to the Hell's Army e-group so we all can share it.

Adding pictures to articles makes it a lot easier comprehend, and really brightens it up. Here is a very brief amount of pictures that I have collected by simply typing "jews" into google images. Since these are only like 10, make sure to find some more, and when adding the to your articles put attractive captions on them. Feel free to distribute and add to your sites.

I hate to lurk brother, but I have been REALLY BUSY. This Work is definitely hitlers Work. It has a lot to do with foreign policy looked throught the perspective driven by natural law and self preservation of a nation. It also deals a lot with history and previous foreign policies that created Europe prior to ww2. It's avert good book and gives a lot of good insight.

That's precisely what I thought. It's too true and has a purely gentile perspective. It is impossible for Jews to come up with this. I must than you for your useful insight.

I hate to lurk brother, but I have been REALLY BUSY. This Work is definitely hitlers Work. It has a lot to do with foreign policy looked throught the perspective driven by natural law and self preservation of a nation. It also deals a lot with history and previous foreign policies that created Europe prior to ww2. It's avert good book and gives a lot of good insight.

Always happy to help. Here is a quote from this book that really means a lot to me personally.

"How little man thinks of the possibility of death during his life is a noteworthy fact. And how little he arranges the details of his life in accordance with the experiences that innumerable men before him had to have and which, as such, are all known to him. There are always exceptions who bear this in mind and who, by virtue of their personality, try to force on their fellow men the laws of life that lay at the base of the experiences of past epochs. Hence it is noteworthy that innumerable hygienic measures which perforce redound to the advantage of a Folk, and which individually are uncomfortable, must be formally forced upon the main body of a Folk through the autocratic standing of individual persons, in order however to disappear again when the authority of the personality is extinguished through the mass insanity of democracy. The average man has the greatest fear of death and in reality thinks of it most rarely. The important man concerns himself with it most emphatically, and nevertheless fears it the least. The one lives blindly from day to day, sins heedlessly, in order suddenly to collapse before the inevitable. The other observes its coming most carefully and, to be sure, looks it in the eye with calm and composure." - Adolf Hitler.

The greatest thing about this quote is he uses it to stress the importance of the symbiosis that should be formed between domestic and foreign policy.

Subject: Preparing for the Upcoming Workings in 2014. Information

A new 90 year working is on the way.

People need to prepare themselves and build up their energies.

We will hit them real hard and a program is being prepared so that all new people can participate.

Until then, focus your energies on flooding the internet, flood it everywhere you can so the more and more people will come and know the Truth of Satan, as to save themselves and their Souls. This will also open up the routes upon when our workings will manifest.

Focus 15 minutes of your day, like you would do in a working, to distribute the Black Sun PDF and website, but first and foremost the Joy of Satan.

They will face damnation.

I am also planning on making a meditation program as to help these very new people grow in power fast and join the fight about halfway in the year or workings, depending on if they will follow this.

In anyway the Working must be done. I say we give everyone 40 days to finish all their workings. But the working will be posted soon. There will be multiple dates so all people can join, when these are available. Until them...empower yourselves and keep steady in your meditations.

We have been giving them severe damage and we ought continue. They were laughing years back and they think they own it all, doing all sorts of atrocity.

We are not the ones to sit back and watch. We are the ones who will act relentlessly, destroy and then, rebuild the world once again. Let your Gentile Soul roar and let loose the storm- We are reclaiming what is ours. They thought they could rule the world like this?

Lets show them all what real punishment and pain is.

The TRUTH OF OUR FATHER SATAN SHALL PREVAIL!

Its not my Will, Its SATAN'S WILL AND \*OUR\* WILL.

SIEG HEIL!!!

Subject: New website containing Nazi media

This is the third and the last website I'm going to make. Because of the one of the greatest Nazi Media websites (nazi.org.uk) was shut down, I decided to make this. I started this about 2-3 hours ago, so there's lots more to come. At the moment there's only about 8 PDFs on it and the site is a little fucked up and I haven't optimized it for android yet. But I do have 13 Gigabytes of Legit Nazi media (PDFs and Speeches in video form) ready to upload. The internet is so vast and there are so many other Nazi media out there, if you have any of the following please, PLEASE email them to me: PDFs, Tracts, Music, Third Reich Speeches

(links would do fine) and Links. But for the mean time here's the website: [www.naziarchive.pixub.com](http://www.naziarchive.pixub.com)

Hope you like it. I'll accept all sorts of criticism. Heil Hitler!

Always happy to help. Here is a quote from this book that really means a lot to me personally.

"How little man thinks of the possibility of death during his life is a noteworthy fact. And how little he arranges the details of his life in accordance with the experiences that innumerable men before him had to have and which, as such, are all known to him. There are always exceptions who bear this in mind and who, by virtue of their personality, try to force on their fellow men the laws of life that lay at the base of the experiences of past epochs. Hence it is noteworthy that innumerable hygienic measures which perforce redound to the advantage of a Folk, and which individually are uncomfortable, must be formally forced upon the main body of a Folk through the autocratic standing of individual persons, in order however to disappear again when the authority of the personality is extinguished through the mass insanity of democracy. The average man has the greatest fear of death and in reality thinks of it most rarely. The important man concerns himself with it most emphatically, and nevertheless fears it the least. The one lives blindly from day to day, sins heedlessly, in order suddenly to collapse before the inevitable. The other observes its coming most carefully and, to be sure, looks it in the eye with calm and composure." - Adolf Hitler.

The greatest thing about this quote is he uses it to stress the importance of the symbiosis that should be formed between domestic and foreign policy.

Updated Communism And Masonry/ Pike Was A Christian

"Gentile masonry blindly serves as a screen for us and our objects, but the plan of action of our force, even its very abiding place, remains for the whole people an unknown mystery....Who and what is in a position to overthrow an invisible force?" (Protocol 4)

"we shall create and multiply free Masonic lodges... absorb into them all who may become or who are prominent in public activity, for in these lodges we shall find our principle intelligence office and means of influence.... The most secret political plots will be known to us and will fall under our guiding hands...We know the final goal...whereas the goyim have knowledge of nothing..." (Protocol 15) –

The Jews claim the protocols as a forgery. This is how the Jews lie. When it was ruled a forgery by the court in Switzerland in the 19th century. It was ruling the protocols as a legitimate document hence real. As the document presented in the court was a reprint hence a forged of the original document. Just as to forge a check you need an original to create the copy from. They told half a truth to tell a full lie. The Court ruling was the protocols are real.

As we can witness President Washington knew about the Illuminati and that they where trying to infiltrate the Masonic orders and movements. And their doctrine was the enemy of the Masonic one they had fought to build America upon:

Library of Congress link:

•The George Washington Papers at the Library of Congress, 1741-1799  
Type "Illuminati

Mount Vernon, October 24, 1798.

Revd Sir: I have your favor of the 17th. instant before me; and my only motive to trouble you with the receipt of this letter, is to explain, and correct a mistake which I perceive the hurry in which I am obliged, often, to write letters, have led you into.

It was not my intention to doubt that, the Doctrines of the Illuminati, and principles of Jacobinism had not spread in the United States. On the contrary, no one is more truly satisfied of this fact than I am.

The idea that I meant to convey, was, that I did not believe that the Lodges of Free Masons in this Country had, as Societies, endeavoured to propagate the diabolical tenets of the first, or pernicious principles of the latter (if they are susceptible of separation). That Individuals of them may have done it, or that the founder, or instrument employed to found, the Democratic Societies in the United States, may have had these objects; and actually had a separation of the People from their Government in view, is too evident to be

questioned.

My occupations are such, that but little leisure is allowed me to read News Papers, or Books of any kind; the reading of letters, and preparing answers, absorb much of my time."

President Washington was the Highest ranking Mason in America. The original Free Mason religion and idealism of which the American Republic was built upon. Can be read here:

The Real American Revolution

<http://josministries.prophpb.com/topic585.html>

"In 1785, leading members of the Illuminati left the Society and testified before a Court of Inquiry called by the Elector of Bavaria. Their startling evidence removed all doubt regarding the Illuminati. On the 11th of October, 1785, the Bavarian authorities raided Zwack's [Illuminati cofounder] house and discovered a mountainous array of Illuminati documents which showed quite clearly that they planned to bring about a "universal revolution that should deal the death-blow to society."

Communism start was not founded in the 19th century. It was founded in the 18th century. When as History records that on May 1, 1776, [May day is a Communist holiday as well] Dr. Adam Weishaupt founded the Bavarian Order of the ILLUMINATI. Weishaupt was a Professor of Jewish Canon Law at the University of Ingolstadt in Bavaria, Germany. He was born to Jewish parents and later "converted" to Roman Catholicism. He became a high-ranking member of The Order Of The Jesuits, whom he subsequently left to form his very own organization at the clear behest of the newly formed "House Of Rothschild."

Weishaupt took a group of fellow Jewish agents who had organized under the name of the "Frankist." And from them into the newly termed order the "Illuminati." The doctrine of this Jewish front was Communism.

"It is more interesting to learn that Karl Marx was not the real founder of Communist world revolution. Its true father was Adam Weishaupt, founder of the "Freemasonic Order" of the Illuminati"- Marschalko

The six main points of Weishaupt doctrine is the abolition of:

- 1.Ordered or nationalistic governments in the form of monarchies.
- 2.Private property.
- 3.Inheritance rights.
- 4.Patriotism to nationalist causes.
- 5.Social order in families, sexual prohibition laws and all moral codes.
- 6.All religious disciplines based on faith in a living God, as opposed to faith in nature, man, and reason.

Weishaupt himself did not enter a lodge until 1777, when he received induction into the Lodge Theodore de Bon Conseil in Munich. However, once inside Masonry, Weishaupt immediately went to work another Rothschild agents to inject the Illuminate doctrine, hand in hand with Judaic occult systems to put the Gentiles under the control of the Elders of Zion. While rotting out the original Masonic spiritual doctrines and philosophy of universal-spiritual law. Weishaupt and his agents organized the Congress of Wilhelmsbad at the Castle of William IX of Hesse-Kassel, to occur on July 16, 1782. That special even, which was momentous in both size and aspirations, was attended by elite representatives of Masonic lodges from all over.

It was also there that a decision was reached to allow the previously excluded Jews to be granted admittance into Freemasonry.

William IX was in bed with Rothschild from the start and one of his agent dupes:

"William looked for help in managing his estate. He hired Mayer Amschel Rothschild as "Hoffaktor" in 1769,[1] to supervise the operation of his properties and tax-gathering. The wealth of William's estate provided a good living for Rothschild and the men had a strong relationship; he founded the Rothschild family dynasty, which became important in financing and banking in Europe. Although they had been acquainted since 1775, William IX did not formally designate Rothschild as his overseer until 1801."

The Jews had also been working to influence and corrupt Masonic doctrines and infiltrate Masonic Societies for decades by other organizations such as the Martinists:

Y Martines de Pasqually: In his book on the Order of the Elus Coens of the eighteenth century, R. le Forestier tells us that this Order was founded; continuing as martinists today, about 1760, by Martines de Pasqually, said to be a Portuguese Jew. It was one of the most interesting occult groups of the time, "which constituted under cover of Freemasonry one of the last links of the long chain of mysterious and jealously closed associations whose members claimed by magical process to communicate with the divine in order to participate in a blessed immortality." Illuminism!

The name Coen given by Pasqually to his members is an adaptation of the Hebrew term Cohanim, which designated the highest sacerdotal caste, constituted at Jerusalem, under Solomon, to assure divine service in the Temple."

Its no mistake the Jewish Kabbalah doctrines of Eliphas Levi where some of the most disseminated in the 19h century and up. In mainstream society. As Levi was a Martinist. The Jewish power elites work relentlessly to replace authentic spiritual knowledge with Hebraic systems of corruption. That put Gentiles unconscious and consciously under their influence. And are designed to not lead to any spiritual power.

The Jewish agents infiltrated the French Masonic societies and helped to start and fund the French Revolution. Of which they manipulated the Masonic societies into supporting. The original revolution which created a constitution Monarchy. Was taken over by armed force and usurped by the Jacobin's who where Jewish Frankists [Illuminati's political front] and the outer political force of the Jewish Elders of Zion's agenda. They then instituted the Terror and slaughtered the aristocrats, the middle classes and peasants whole regions and classes where exterminated. The Jewish directors now in control of the revolution installed by terror all the ideological points of the Illuminati manifesto. With the Jewish Bankers funding and directing this via their networks. The French Revolution was the first Communist Revolution in history.

Louis Dasté, writing on the subject of Free masonry in the French Revolution states: "This mysterious illumination of the low grades of Masonry, this hierarchy of which Philalèthes Junior has so jealously guarded the secret, those 'Unknown Superiors' venerated by the Judaising Martinists and Philalèthes, who claim domination over ordinary lodges; is not all that the unbreakable chain which links the Jewish Cabala to Freemasonry, and have we not henceforth the right to suspect the Occult Power hidden behind the Masonic Lodges to be the brain of Judaism which would conquer and dominate the entire world?"

In time it fell apart with a military coup that put Napoleon into power who ended the terror and restored order. And brought about a more authentic Masonic order. In his statements and actions he refuted the Jewish, Jacobin ideology of Communism.

In 1827 Sir Walter Scott publishes his nine volume set, The life of Napoleon and in volume two he states that the French Revolution was planned by the Illuminati (Adam Weishaupt) and was financed by the money changers of Europe (The Rothschilds).

Napoleon was a Mason most popularly noted by his famous hand in the jacket image. Which was a common gesture in many paintings and later photographs of hundreds of men in the Western World. As it's a sign of degree of the Masonic societies.

But the Masonic Societies had sub come to the Jewish infiltration in 1811 in Frankfurt [Frankfurt was the original base of Rothschild operations]. The new Frankfurt Lodge was established as now head of European Free Masonry of which the founders and leaders to this day are the Jewish Rothschild's and was co-founded by the Jew Zvi Hirsch.

The first Communist International: Was held in Frankfurt in 1847 and was chaired by Lionel de Rothschild along with the Jew Karl Marx. At the meeting, a branch of the Elders Of Zion's, Illuminati, the Jacobin Club parading as "The League of the Just," which would become the Communist League. Of which Marx was a leading member. Marx was commissioned by Rothschild to write the Communist Manifesto. The Manifesto

was published the following year, 1848. The largest support and circulation of the Communist Manifesto was conducted by the network of worldwide Free masonry .

The motto of the League of the Just (Bund der Gerechten) was "All Men are Brothers" and its goals were "the establishment of the Kingdom of God on Earth, based on the ideals of love of one's neighbor, equality and justice". This is the core doctrine of the Jewish programs. But what does this really mean. The Jews tell us themselves and its as we see in their actual behaviour when in power which is based on what is wrote in their Talmudic and Torah:

"The nations will gather to pay homage to the people of God: all the fortunes of the nations will pass to the Jewish people, they will march captive behind the Jewish people in chains and will prostrate themselves before them, their kings will bring up their sons, and their princesses will nurse their children. The Jews will command the nations, they will summon peoples whom they do not even know them will hasten to them. The riches of the sea and the wealth of nations will come to the Jews of their own right. "Any people of the Kingdom who will not serve Israel will be destroyed" -Isidore Loeb [Le Litterature des Pauvres dans la Bible].

The "Kingdom of God on Earth." Is the rule of the Elders of Zion. As they state when their Messiah comes each Jew will get 2800 Goyium slaves.

"During the decade of the 1840s the word "communist" came into general use to describe those who hailed the left wing of the Jacobin Club of the French Revolution as their ideological forefathers.[My note this is the Illuminati doctrine openly]. This political tendency saw itself as egalitarian heritor's of the 1795 Conspiracy of Equals headed by Gracchus Babeuf. The sans-culottes of Paris which had decades earlier been the base of support for Babeuf artisans, journeymen, and the urban unemployed was seen as a potential foundation for a new social system based upon the modern machine production of the day."

By this point Free Masonry had been replaced with the Jewish Kabbalah as the spiritual aspect and Communism as the philosophical branch both used for the one end;

"During the ceremonies of the ritual for the Royal Arch degree, the candidate is asked, "Brother Inspector, what are you?" and he replies, "I AM THAT I AM." Can you imagine that? When Moses asked God to name Himself, God said, "I AM THAT I AM" and He said, "Thus shalt thou say unto the children of Israel, I AM hath sent me unto you." (Exodus 3:14)

I AM THAT I AM is the name Yahweh gives for itself in the Torah and Judeo Christian Bible. The lost word and Masonic God: Jubulum. Is trinity title of Yahweh.

"Few Candidates may be aware that Hiram, whom they have represented and personified, is ideally and precisely the same as Christ. Yet such is undoubtedly the case. This old philosophy shows what Christ as a glyph means, and how the Christ state results from real initiation, or from the evolution of the human into the divine" (Mystic Masonry, p. 248).

Albert Pike tells us who the God of Mason's are now:

"The Apocalypse is, to those who receive the nineteenth Degree, the Apotheosis of that Sublime Faith which aspires to God alone, and despises all the pomps and works of Lucifer. LUCIFER, the Light-bearer! Strange and mysterious name to give to the Spirit of Darkness! Lucifer, the Son of the Morning! Is it he who bears the Light, and with its splendors intolerable blinds feeble, for traditions are full of sensual or selfish Souls ? Doubt it not! Divine Revelations and Inspirations: and Inspiration is not of one Age nor of one Creed. Plato and Philo, also, were inspired. The Apocalypse, indeed, is a book as obscure as the Sohar. It is written hieroglyphically with numbers and images; and the Apostle often appeals to the intelligence of the Initiated. "Let him who hath knowledge, understand! let him who understands, calculate !" he often says, after an allegory or the mention of a number. Saint John, the favorite Apostle, and the Depository [b]of all the Secrets of the Saviour, therefore did not write to be understood by the multitude."  
[/b]-Morals and Dogma.

The bold Pike is referring to Christ as Saviour who taught in parables for the multitude.

2 Peter 1:19:

"We have also a more sure word of prophecy; whereunto ye do well that ye take heed, as unto a light that shineth in a dark place, until the day dawn, and the day star [Jesus] arise in your hearts."

Revelation 22:16:

"I Jesus have sent mine angel to testify unto you these things in the churches. I am the root and the offspring of David, and the bright and morning star."

Lucifer is Latin of Morning Star or Venus. Which Christ announces himself as in the Bible. The Morning Star of Day Star is another noted title of Jesus within the Bible. This title was stolen like many things from the Pagan mysteries.

When Mason's state they are Lucifer they are stating they are Christ like. Theosophy which as Blavatsky stated is an esoteric branch of Christianity originates from within the Masonic Societies of the 19th century. Many of Blavatsky associates and supporters were high ranking Mason's. Free Masonry is esoteric Christianity now. Pike is directly referencing the book of revelations of the Bible for his statement. His saviour as openly stated is Jesus.

Behold, I lay in Zion a chief cornerstone, elect, precious, and he who believes on Him will by no means be put to shame" (1 Peter 2:6, NKJV). This is Chief Cornerstone is what Messiah translates to its talking about Jesus.

The Alpha and Omega represents the Chief Cornerstone:

Revelation 22:12 "And behold, I am [Jesus] coming quickly, and My reward is with Me, to give to every one according to his work. I am the Alpha and the Omega, the Beginning and the End, the First and the Last."

The Chief Cornerstone of Capstone symbolizes the completion of the Temple of Solomon. Of which Christianity is a program to manifest. The Jewish Temple Of Solomon is their Jewish World Order. Pike and others tell us exactly what the point of Free Masonry now exists.

Bible: Book Of Jewish Witchcraft:

The Templar's:

The Templars of whom practiced the original Tradition and from original Free Masonry came which banned the Jews from joining. The God of their Temple Of Solomon. Was not Christ but John. Hence they were called Johannites. This has been corrupted by the enemy through.

As I wrote in an article John of the Templars is Jana [Oana] another title for Satan in Sanskrit " Wisdom." Which as Higgin's showed is also Oanes The Greeks spelled John as Ioannes. Higgin's showed that the title Oannes is the source of term gnosis. As is well known by scholars, Oannes is the Sumerian EA [Satan]. Oana origin is in the Sanskrit Jana Padita [Lord of Wisdom] which is the title of our God as Siva in the image of Skanda [who's totem is the Peacock and Serpent] the second Siva. Which relates to the reborn Siva, the reborn soul generated by the Magnum Opus. Jana also relates directly to the purifying effects of the kundalini serpent. Literally to burn away, to purify. With Jana we have Ana for Anahta the golden serpent of entity. And An also denotes the serpent on its own.

This is why Da Vinci. Who was the Grand Master of the Priory Of Sion a Templar Branch painted John the Baptist as Dionysus. Dionysus as many scholars know is Siva in the East. And why the leaders of the Templar Order all took John as their name.

Oannes is also shown holding a cauldron and a pinecone. The cauldron is the earliest symbol of the grail from the Pagan world. The pinecone the pineal gland the seat of the soul in which the reborn conscious manifests with the ascent of the power. "The head at the center of the earth."

Oannes baptism is that of the water of the kundalini energy in which one emerges from reborn. In ancient Druidic legends the warrior is flung into the cauldron and emerges reborn.etc

Baphomet itself goes back to the ancient east as well. In the symbolic form of Satan as the two headed Agni. Who's vehicle is the goat and ram and who's number is 9. The Templar Baphomet was traditionally a two human, headed image identical to Janus [not the goat of that is popular thought of today]. Baphomet means baptized in Wisdom because wisdom is another name for Sophia or Shakti. And Baphomet in the Templar cipher translates out to: "Sophia" The Templar image that is shown for the Magnum Opus. Is Sophia holding the sacred books with a latter in front of her. In the Traditional world the serpent was depicted in the hieroglyph of a women. The word Sophia means serpent light in English in its proper translation.

The Greeks [Hellenic after Helos/Hari our God] Mysteries schools stated the initiate was thrown into a caldron and boiled till the Titanic element is purified out and only the Olympian is left. The initiate then emerges reborn from the caldron a perfected being the title for such being: Shining Serpent.

Gnosis being obtained with the rise of this power is the symbolic fact one has obtained the state of Oana. As Oannes [Satan] is also symbolic of the serpent power and its risen state of consciousness.

360 the degrees of a perfect circle equal to 9. The ancient symbol of immortality was the golden serpent clutching its tail in a perfect circle. And was called Anahat, eternity. This is why the temple of the sun the Templars represented was described as being in a circle divided into 13 parts the Magnum Opus. The Zodiac wheel of which the 13 constellations represent the macrocosm of the soul and the sun's journey thought them represent the 13 steps of the perfection of the individual soul.

SOL-OM-ON are three words for the sun and trinity of the soul and the vowels and constants represent the male and female aspects united. Our word for soul comes from Sol. As this relates to the spiritual sun. The true Temple of SOLOMON is the human being.

This is why the Great Seal of the United States drafted by the Founders shows a Pyramid with 13 levels and 72 blocks. The 13 steps of enlightenment and  $72=9$ . The number of completion of the Temple of the Soul and the number of Agni [Satan]. It also shows 13 stars with in the six pointed star. The six pointed star was stolen by the Jews later on. But is still used as the symbol of the reborn Siva today. Its the unification of male and female parts of the soul that form the reborn soul. And relates to the real lost Masonic lost name of God. Which is AUM. The 13 stars represent the 13 major chakra's perfected 6 along the sides of the body which are the real meaning of the pillars of the arch still shown in the East with the reborn God standing between them and under the arch. The six pointed star is seven as it represents the 6 planets on its points with the sun in the center. As such it represents not the heart but the solar chakra where the eight rayed sun star emits from. The cap stone above the Pyramid on the seal is in the shape of the triangle that is the symbol of the quintessence of which a major number of is 33. With the all seeing eye within it. That represents Jana in the East. AUM is the quintessence the lost name Masonic name of God. God is quintessence= AUM, which the soul if purified and refined into. The alchemical first matter which represent the finishing of the work.

Yoga equals 13 in Sanskrit numerology which is the proper number of steps in the Magnum Opus. The perfection of the 13 major energy centers of which the 8 fold wheel or star is a map of.

God equals 26 in the Masonic system and this adds to 8. This 8 symbol is the sign of the unified soul its the same as the six pointed star. 8 is the number of mercury which perfects the soul and is symbolized as the serpent staff. As this energy is the force or cosmic ether or mercury [quintessence].

"Verse 129 implies that the ultimate [ here Siva] is of the nature of Cosmic Space[Akasa or Void] and the essence of Jiva lies in the self-same Space in microcosmic condition."-Tirumantiram

That is why the individual is also called God in the hermetic texts. He is made the microcosm of the energy of creation. That is quintessence or Akasa and how this energy transmutes one form into another by removing or burning away obstacles, the dross. Doing this increases the flow of this creative nature which causes the transformation as the Yoga Sutra's relate. This grants the Magnum Opus.

AU represents Siva and Shakti the M is the third power or prana. Which unlocks the soul to the Godhead. As we will see the message of AUM being one letter explains why three become one. This is the trinity the God A, the Goddess U and the divine Child M. The Divine child M [prana] is generated via the AU energy. This is the six pointed star in the circle which represents Vayu or mercury [prana] in the East. The Magum Opus by the union of opposites of the soul. The Jews stole this as the symbol of their seal of their corrupted Temple of Solomon. The AU energy is the meaning of the check board symbol of the Templar banner.

The Masonic 33 degree's is the 33 esoteric spinal vertebrae the kundalini energy travels up. 33 is the number of quintessence the energy of the Magnum Opus and the Key Stone in the Arch and the Meru Column of Siva which represents the spinal column.

<http://josministries.prophpb.com/topic724.html>

Another Templar item found was a silver head of Virgo [Sophia] the perfected or reborn conscious. With a code with this symbol: M and a phase which means perfected life. This M symbol is the symbol of the reborn soul and is seen within Egypt and elsewhere. The Templars craved grave effigies of themselves into the rock hillside in European sites. Facing east the rising sun. Because the sun is traditionally depicted rising between the center of the twin peaks of the M symbol.

The Jewish Temple Of Solomon faces West. Where the Templar one faces East for the above reason.

Back to the corrupted Mason's who exist to build the Jewish Temple Of Solomon. The Jew World Order:

"In the 19th level of Scottish Rite Freemasonry, the Initiate receives the degree of GRAND PONTIFF. It is during this ritual that the candidate swears an oath of secrecy and an oath of total obedience "to any Chapter of this degree to which I may belong; and the edicts, laws and mandates of the Grand Consistory of Sublime Princes and Commanders of the Royal Secret, as well as those of the Supreme council of the 33rd degree..."

It is then that the "Thrice Puissant" anoints him with oil on the crown of his head and says "Be Thou a Priest Forever, after the order of Melchizedek."

-Melchizedek or Malki Tzedek (/m l. k z. .d k/[1]); (Hebrew: malk - e eq) (translated as "my king (is) righteous(ness)") was a king and priest mentioned during the Abram narrative in the 14th chapter of the Book of Genesis.

He is introduced as the king of Salem, and priest of El Elyon ("God most high"). He brings out bread and wine and blesses Abram and El Elyon.[2] Chazalic literature--specifically Targum Jonathan, Targum Yerushalmi, and the Babylonian Talmud--presents the name ( ) as a nickname title for Shem, the son of Noah.

In Christianity, according to the Letter to the Hebrews, Jesus Christ is identified as a priest forever in the order of Melchizedek, and so Jesus assumes the role of High Priest once and for all.-

"After receiving the password (Emanuel) and the sacred word (Alleluia), he is dressed in a robe of white linen and given a cordon (a ribbon or sash of honor worn across the breast) of crimson color, with 12 stars representing "the 12 gates of the "new city, " and the twelve signs of the Zodiac, the twelve fruits of the tree of life, the twelve tribes of Israel and the twelve Apostles." (Scottish Rite Masonry Illustrated, The Complete Ritual, Vol. 2, pages 26-27, E. Cook Publications, 1974)

-Emanuel deriving from (Hebrew: , God is with us), a prophetic name used in Isaiah 7:14. The middle letter "m" is doubled in Hebrew causing that single "m" and double "mm" variants co-exist in many languages.-

-The word "Alleluia" or "Hallelujah" (from Hebrew ), which literally means "Praise ye Yah" or "Praise Jah, you people", [1][2] is used in different ways in Christian liturgies. "Praise Jah" is a short form of "Praise Yahweh", [3][4][5] or of "praise ye Jehovah".-

-In the spelling "Alleluia", the term is used also to refer to a liturgical chant in which that word is combined with verses of Scripture, usually from the Psalms. This chant is commonly used before the proclamation of the Gospel.

The name is common to both Jewish and Christian naming traditions, interpreted in Judaism without messianic significance, but by Christians in the light of Gospel of Matthew 1:23 as relating to Jesus.-

"In the seventeenth degree, or Knights of the East and West, after the candidates have completed the initiation and after revealing the password (Jubulum) and the Sacred Word (Abaddon), "the Senior Warden conducts the Candidate to the elevated vacant canopy at the right of the All Puissant." Scottish Rite Masonry Illustrated, The Complete Ritual, Vol. 1, Pages 453, 457, E. Cook Publishing, 1974)

Jubulum is a title of Yahweh and Abaddon is another Hebrew title used in the Bible.

"It is in this final "Blue Lodge" degree that that candidate is laid out "in death"and is raised from the dead by the "Worshipful Master" of the Lodge (representing King Solomon), using the "strong grip" (or "Lion's Paw")of the Master Mason.

One the "five points of fellowship," he and his "savior" pass the sacred word, Mah-Hah-Bone.[Hebrew term] (Duncan's Rituals, Revised and Complete, pages 35, 96, 120, 121, E. Cook Publications, 1974)

Mah-hah-bone is a Hebrew word and used to substitute for the Masonic Yahweh's name of God Jubulum in the lower degree's.

The list goes on and on. Its not a mistake the majority of occult texts authored by Mason's or those involved with them are all based on the Jewish Kabbalah one way or another and Judeo Christian themes. Even the pass words to get into many lodges are in Hebrew. And the Judeo Christian bible is sitting on the altars of the all the Lodges. This puts the members under the open and subliminal control of the Elders of Zion.

Free Masonry purpose is to act as a branch of Judeo Christianity and build the Jewish Temple of Solomon. The Jewish World Order.

The New Zion:Jew World Order:

<http://josministries.prophpb.com/topic483.html>

"Masonry is based upon Judaism. Eliminate the teachings of Judaism from the Masonic Ritual and what is left? - The Jewish Tribune [New York, Oct 28, 1927]

"In the present nations, Freemasonry is only of benefit to the Jews" -Theodore Herzl

"We have founded many secret associations, which all work for our purpose, under our orders and our direction. One of the many triumphs of our Freemasonry is that those Gentiles who become members of our Lodges, should never suspect that we are using them to build their own jails, upon whose terraces we shall erect the throne of our universal King of the Jews; and should never know that we are commanding them to forge the chains of their own servility to our future King of the World" -Opening speech made at the B'nai B'rith convention in Paris [published in the Catholic Gazette, Feb 1936]

"It was during that period that I became interested in freemasonry. ... In the eighteenth century freemasonry became expressive of a militant policy of enlightenment, as in the case of the Illuminati, who were the forerunners of the revolution."

Leon Trotsky [Jew and high ranking leader of the Communist revolution] My Life: The Rise and Fall of a Dictator

One of Trotsky's close friends and fellow Communist Christian Rakovsky:

Christian Rakovsky. Born Chaim Rakeover [Jewish name] in 1873. Was a high ranking Communist:

"A lifelong collaborator of Leon Trotsky, he was a prominent activist of the Second International, involved in politics with the Bulgarian Social Democratic Union, Romanian Social Democratic Party, and the Russian Social Democratic Labour Party. Rakovsky was expelled at different times from various countries as a result of his activities, and, during World War I, became a founding member of the Revolutionary Balkan Social Democratic Labor Federation while helping to organize the Zimmerwald Conference. Imprisoned by Romanian authorities, he made his way to Russia, where he joined the Bolshevik Party after the October Revolution, and, as head of the Rumcherod, unsuccessfully attempted to generate a communist revolution in the Kingdom of Romania. Subsequently, he was a founding member of the Comintern, served as head of government in the Ukrainian SSR, and took part in negotiations at the Genoa Conference."

Openly stated the relationship between Jews, Communism and how Free Mason's are nothing but a movement to advance World Jewish Government under the final step of Communism. His record of this event was kept in the writings called. Red Symphony, by Dr. J. Landowsky; translated by George Knupffer. His statements are such:

"The real aim is to create all the required prerequisites for the triumph of the Communist revolution; this is the obvious aim of Freemasonry; it is clear that all this is done under various pretexts; but they always conceal themselves behind their well known treble slogan [Liberty, Equality, Fraternity]. You understand?" – The real secret of Masonry is the suicide of Freemasonry as an organization, and the physical suicide of every important Mason."

"Masons should recall the lesson of the French Revolution. Although "they played a colossal revolutionary role; it consumed the majority of Masons..." Since the revolution requires the extermination of the bourgeoisie as a class, [so all wealth will be held by the Illuminati in the guise of the State] it follows that Freemasons must be liquidated. When this secret is revealed, Rakovsky imagines "the expression of stupidity on the face of some Freemason when he realizes that he must die at the hands of the revolutionaries. How he screams and wants that one should value his services to the revolution! It is a sight at which one can die...but of laughter!" Rakovsky refers to Freemasonry as a hoax: "a madhouse but at liberty."

" In Russia in 1929, every Mason who was not Jewish was killed along with his family, according to Alexey Jefimow ("Who are the Rulers of Russia?" p.77) -

The National Socialist Government of Germany banned all Free Masonic Lodges as they are wings of international Jewry and its Communism.

Subject: New website containing Nazi media

This is the third and the last website I'm going to make. Because of the one of the greatest Nazi Media websites (nazi.org.uk) was shut down, I decided to make this. I started this about 2-3 hours ago, so there's lots more to come. At the moment there's only about 8 PDFs on it and the site is a little fucked up and I haven't optimized it for android yet. But I do have 13 Gigabytes of Legit Nazi media (PDFs and Speeches in video form) ready to upload. The internet is so vast and there are so many other Nazi media out there, if you have any of the following please, PLEASE email them to me: PDFs, Tracts, Music, Third Reich Speeches (links would do fine) and Links. But for the mean time here's the website: [www.naziarchive.pixub.com](http://www.naziarchive.pixub.com)  
Hope you like it. I'll accept all sorts of criticism

<http://josministries.prophpb.com/topic1541.html>

How would everyone here like to work together? I certainly would! So let's do that. If you have a YouTube Channel with Videos about Spiritual Satanism or National Socialism please post it here. Make sure that the information in your videos is Valid. The Channels with Good videos will be added to this site:

<http://hailtosatansvictory666.angelfire.com/videos-of-truth.html>

Likewise, if you have an idea for a New Anti-Tract please submit these as well. It is best if they are written in plain text, black and white, small is preferable (we get more per page). Full page tracts are acceptable. The ones that are the most cost effective are the "Stickers" and the ones like "Discover and Learn" and "Good News". I just updated them today.

The End Of Suffering Is National Socialism

"On a country road in the Palatinate two men from the Labour Service are marching towards the next town. The Labour Service camp lies a long way off in the country, and it is a long way to the railway station. But the two men are in high spirits and are whistling, because they are going home on holidays after months of healthy and strenuous work. They whistle: In the Homeland, in the Homeland ..... Just then a line of cars sweeps past the two men. They're lucky, one of them says. They'll be there sooner than we will, the other says. They're waving! both call out together. And then, in fact, the line of cars comes to a halt and waits until the two men, who have begun to run, have caught up. Where from? Where to? Climb in! The two men open their eyes wide in amazement, because the man stopping in the middle of the country road and inviting them to climb in is none other than The Leader. Adolf Hitler. He makes them describe for him their lives, and asks to know in great detail what it is like in their labour camp. In no time they arrive at the little town. The cars stop. As they leave The Leader asks one of the two men: It is about to rain. Don't you

have a coat with you?

I have no civilian coat, my Leader. I was unemployed for a long time. On hearing this, The Leader takes off his grey travelling coat and hangs it on the shoulders of his fellow countryman."

Authentic love and respect is what is responsible for care and that altruism is what holds up our societies and our planet together. Today we have been indoctrinated into a psychology of the Jew. Hate for all organic diversity on every level. Men are taught to hate women and women, men. And each themselves for being men and women. Races are taught to hate each other and themselves for the race they are part of. Cultures which bore the unique expressions of whole peoples are ripped apart and destroyed. Individuals are taught to hate themselves for their individuality and other for their individuality. Classes of people the other class. Even hating ourselves and each other for our dietary nature. We are taught to hate and fear spirituality, wisdom and true knowledge. And the whole of humanity is taught to hate itself for being humans. The whole of mankind is sinking in pathological desire for self destruction.

A step beyond even this and the core of this is the most subversive doctrine which was first injected with Buddhism teachings in the East which the Jews where connected in with and spread into the West and they still are pushing obsessively. And more currently injected in Western societies by Jewish intellectuals and their psychological doctrines. Is that there is no self. The denial of the self is the denial of the Atman the individual soul nature. The removal of the soul removes the core of spiritual knowledge and reduces us to a mass of robotic hybrids. Its the ultimate demoralization of human beings and what it means to be human.

The Jewish doctrine of hatred is designed to break down all healthy organic bonds and dissolve everyone from the smallest individual to the whole races and cultures into a materialistic, one world slave society that functions on a hive mind. This is the essence of Communism, Christianity and Islam.

The worst things are ignorance and apathy that are the two great destroyers. People have become so demoralized and depressed by the psychology and propaganda of the Jewish, globalist society many have shut down and become apathetic to life for varying reasons but the same result. They become willfully ignorant as you can't wake up a man pretending to be asleep. And many who do care out of ignorance are lead astray into supporting the social-political systems that are the problem not the solution so things become worse. They are the meaning of the path to suffering is lined with good intentions. Greed arises out of apathy. And is also a fear based pathology. Which is normal in a scarcity based society. And one that teaches values of self identification with accumulation of material possession in a social Darwin atmosphere. Our social values have become based on psychopathology. Because our society has been Judazied.

The world suffers because the Jewish World System has murdered the truth. They have created a world of self murdered people on the soul level. Walking around in animated empty bodies. Not allowed to embrace everything the universe had designed to give them happiness and joy in life. Too apathetic towards their own existence to care about any others. People are taught to identify with everything destructive to them and develop a persona around this. The deeper inner trauma this causes them gives rise in turn to many pathological ailments. As the psyche is sick with the burden and unconscious pain of living in an inhuman, spirituality empty society.

You can see this in the art and music that is popular in society its an expression of rage, sadness and despair, nothing but psychological and emotion suffering. The rest is empty superficial happy sounding bland trash.

Its only by reconnecting with ourselves by opening and transforming our souls that we can realize the Eternal Truth and open up the respect and care for the things that make us great. Our differences, its a known fact having a positive identity for what makes a person and group unique is the key to psychophysical, the spiritual wellbeing of all peoples. Its the different colors in a painting that make it beautiful, its the diversity of instruments in an orchestra that makes the harmony of sound. Its the difference in nature that make our friends our friends. The celebration of our differences is the celebration of life.

What we love and respect in ourselves is what we will in others. The core values of spirituality and altruism and the authentic compassion based in truth that arise from this. Is what will end the nightmare and bring about the ending of suffering on this planet.

I believe humanity is ultimately good at the core of its heart but stuck in a bad system and samaric level of existence the system is built upon. And this is why the enemy has to work around the clock for thousands of years and still not have what they wanted to achieve. Its our goodness they hate and fear because goodness flows outward from within the soul. And the Gentile soul and its spirit is the one thing they can't crush. Our strength is in our diversity and the love for the eternal order of life we are all part of and this diversity is manifested of. This is why they always attack this.

The great struggle of which the utmost spiritual strength is needed is to defeat the ugliness of the Jew within our own souls. To purify our minds and hearts of the toxic effects of living in this dark age....The Age Of The Jew. We bring forth the Golden age from within our own souls.

National Socialism is the only system that can bring about a spiritual world revolution that can open the gates to paradise on this planet for all peoples and sentient life upon it. The overwhelming amount of joy and happiness in Germany was the natural result of being apart of a order based on truth and goodness. The Jews hate Hitler to this day because he wanted to create a better world for humanity. Based on spiritual advancement, authentic compassion for life and altruism.

National Socialism brings forth in man and the world. What the Jew has tried so hard to murder....The supreme order of truth. Which is the supreme order of life. For within truth one has the power to give life.

These are very true and inspiring words HP Don. All of this social and spiritual dissonance indoctrinated within us through our Judaized society leads to the same conclusion as Lenin's war on the classes. In fact it leads to all of the endings of Communism. The complete submission of the Gentile soul, which in essence, is the purpose of these programs. But you already know this.

Here is a quote that relates to your post HP Don.

The great domestic task of the future lies in the elimination of these general symptoms of the decay of our Folk. This is the mission of the National Socialist Movement. A new nation must arise from this work which overcomes even the worst evils of the present, the cleavage between the classes, for which the bourgeoisie and Marxism are equally guilty.

The aim of this reform work of a domestic political kind must finally be the regaining of our Folk's strength for the prosecution of its struggle for existence and thereby the strength to represent its vital interests abroad. - page 47 Adolf Hitler Zweites Buch

The End Of Suffering Is National Socialism

"On a country road in the Palatinate two men from the Labour Service are marching towards the next town. The Labour Service camp lies a long way off in the country, and it is a long way to the railway station. But the two men are in high spirits and are whistling, because they are going home on holidays after months of healthy and strenuous work. They whistle: In the Homeland, in the Homeland ..... Just then a line of cars sweeps past the two men. They're lucky, one of them says. They'll be there sooner than we will, the other says. They're waving! both call out together. And then, in fact, the line of cars comes to a halt and waits until the two men, who have begun to run, have caught up. Where from? Where to? Climb in! The two men open their eyes wide in amazement, because the man stopping in the middle of the country road and inviting them to climb in is none other than The Leader. Adolf Hitler. He makes them describe for him their lives, and asks to know in great detail what it is like in their labour camp. In no time they arrive at the little town. The cars stop. As they leave The Leader asks one of the two men: It is about to rain. Don't you have a coat with you?

I have no civilian coat, my Leader. I was unemployed for a long time.

On hearing this, The Leader takes off his grey travelling coat and hangs it on the shoulders of his fellow countryman."

Authentic love and respect is what is responsible for care and that altruism is what holds up our societies and our planet together. Today we have been indoctrinated into a psychology of the Jew. Hate for all organic diversity on every level. Men are taught to hate women and women, men. And each themselves for being men and women. Races are taught to hate each other and themselves for the race they are part of. Cultures which bore the unique expressions of whole peoples are ripped apart and destroyed. Individuals are taught to hate themselves for their individuality and other for their individuality. Classes of people the other class. Even hating ourselves and each other for our dietary nature. We are taught to hate and fear spirituality, wisdom and true knowledge. And the whole of humanity is taught to hate itself for being humans. The whole of mankind is sinking in pathological desire for self destruction.

A step beyond even this and the core of this is the most subversive doctrine which was first injected with Buddhism teachings in the East which the Jews where connected in with and spread into he West and they still are pushing obsessively. And more currently injected in Western societies by Jewish intellectuals and their psychological doctrines. Is that there is no self. The denial of the self is the denial of the Atman the individual soul nature. The removal of the soul removes the core of spiritual knowledge and reduces us to a mass of robotic hybrids. Its the ultimate demoralization of human beings and what it means to be human.

The Jewish doctrine of hatred is designed to break down all healthy organic bonds and dissolve everyone from the smallest individual to the whole races and cultures into a materialistic, one world slave society that functions on a hive mind. This is the essence of Communism, Christianity and Islam.

The worst things are ignorance and apathy that are the two great destroyers. People have become so demoralized and depressed by the psychology and propaganda of the Jewish, globalist society many have shut down and become apathetic to life for varying reasons but the same result. They become willfully ignorant as you can't wake up a man pretending to be asleep. And many who do care out of ignorance are lead astray into supporting the social-political systems that are the problem not the solution so things become worse. They are the meaning of the path to suffering is lined with good intentions. Greed arises out of apathy. And is also a fear based pathology. Which is normal in a scarcity based society. And one that teaches values of self identification with accumulation of material possession in a social Darwin atmosphere. Our social values have become based on psychopathology. Because our society has been Judazied.

The world suffers because the Jewish World System has murdered the truth. They have created a world of self murdered people on the soul level. Walking around in animated empty bodies. Not allowed to embrace everything the universe had designed to give them happiness and joy in life. Too apathetic towards their own existence to care about any others. People are taught to identify with everything destructive to them and develop a persona around this. The deeper inner trauma this causes them gives rise in turn to many pathological ailments. As the psyche is sick with the burden and unconscious pain of living in an inhuman, spirituality empty society.

You can see this in the art and music that is popular in society its an expression of rage, sadness and despair, nothing but psychological and emotion suffering. The rest is empty superficial happy sounding bland trash.

Its only by reconnecting with ourselves by opening and transforming our souls that we can realize the Eternal Truth and open up the respect and care for the things that make us great. Our differences, its a known fact having a positive identity for what makes a person and group unique is the key to psychophysical, the spiritual wellbeing of all peoples. Its the different colors in a painting that make it beautiful, its the diversity of instruments in an orchestra that makes the harmony of sound. Its the difference in nature that make our friends our friends. The celebration of our differences is the celebration of life. What we love and respect in ourselves is what we will in others. The core values of spirituality and altruism and the authentic compassion based in truth that arise from this. Is what will end the nightmare and bring about the ending of suffering on this planet.

I believe humanity is ultimately good at the core of its heart but stuck in a bad system and samaric level of existence the system is built upon. And this is why the enemy has to work around the clock for thousands of years and still not have what they wanted to achieve. Its our goodness they hate and fear because goodness flows outward from within the soul. And the Gentile soul and its spirit is the one thing they can't crush. Our strength is in our diversity and the love for the eternal order of life we are all part of and this diversity is manifested of. This is why they always attack this.

The great struggle of which the utmost spiritual strength is needed is to defeat the ugliness of the Jew within our own souls. To purify our minds and hearts of the toxic effects of living in this dark age....The Age Of The Jew. We bring forth the Golden age from within our own souls.

National Socialism is the only system that can bring about a spiritual world revolution that can open the gates to paradise on this planet for all peoples and sentient life upon it. The overwhelming amount of joy and happiness in Germany was the natural result of being apart of a order based on truth and goodness. The Jews hate Hitler to this day because he wanted to create a better world for humanity. Based on spiritual advancement, authentic compassion for life and altruism.

National Socialism brings forth in man and the world. What the Jew has tried so hard to murder....The supreme order of truth. Which is the supreme order of life. For within truth one has the power to give life.

The Crimes of Ariel Sharon

by Alexander Cockburn And Jeffrey St. Clair

February 07, 2001

Some incorrigible optimists have suggested that only a right-wing extremist of the notoriety of Likud leader Ariel Sharon will have the credentials to broker any sort of lasting settlement with the Palestinians. Maybe so. History is not devoid of such examples. But Sharon?

Sharon's history offers a monochromatic record of moral corruption, with a documented record of war crimes going back to the early 1950s. He was born in 1928 and as a young man joined the Haganah, the underground military organization of Israel in its pre-state days. In 1953 he was given command of Unit 101, whose mission is often described as that of retaliation against Arab attacks on Jewish villages. In fact, as can be seen from two terrible onslaughts, one of them very well known, Unit 101's purpose was that of instilling terror by the infliction of discriminate, murderous violence not only on able bodied fighters but on the young, the old, the helpless.

Sharon's first documented sortie in this role was in August of 1953 on the refugee camp of El-Bureig, south of Gaza. An Israeli history of the 101 unit records 50 refugees as having been killed; other sources allege 15 or 20. Major-General Vagn Bennike, the UN commander, reported that "bombs were thrown" by Sharon's men "through the windows of huts in which the refugees were sleeping and, as they fled, they were attacked by small arms and automatic weapons".

In October of 1953 came the attack by Sharon's unit 101 on the Jordanian village of Qibya, whose "stain" Israel's foreign minister at the time, Moshe Sharett, confided to his diary "would stick to us and not be washed away for many years". He was wrong. Though even strongly pro-Israel commentators in the West compared it to Lidice, Qibya and Sharon's role are scarcely evoked in the West today, least of all by journalists such as Deborah Sontag of the New York Times who recently wrote a whitewash of Sharon, describing him as "feisty", or the Washington Post's man in Jerusalem who fondly invoked him after his fateful excursion to the Holy Places in Jerusalem as "the portly old warrior".

Israeli historian Avi Shlaim describes the massacre thus: "Sharon's order was to penetrate Qibya, blow up houses and inflict heavy casualties on its inhabitants. His success in carrying out the order surpassed all expectations. The full and macabre story of what happened at Qibya was revealed only during the morning after the attack. The village had been reduced to rubble: forty-five houses had been blown up, and sixty-nine civilians, two thirds of them women and children, had been killed. Sharon and his men claimed that they believed that all the inhabitants had run away and that they had no idea that anyone was hiding inside the houses."

The UN observer on the scene reached a different conclusion: "One story was repeated time after time: the bullet splintered door, the body sprawled across the threshold, indicating that the inhabitants had been forced by heavy fire to stay inside until their homes were blown up over them." The slaughter in Qibya was

described contemporaneously in a letter to the president of the United Nations Security Council dated 16 October 1953 (S/3113) from the Envoy Extraordinary and Minister Plenipotentiary of Jordan to the United States. On 14 October 1953 at 9:30 at night, he wrote, Israeli troops launched a battalion-scale attack on the village of Qibya in the Hashemite Kingdom of Jordan (at the time the West Bank was annexed to Jordan).

According to the diplomat's account, Israeli forces had entered the village and systematically murdered all occupants of houses, using automatic weapons, grenades and incendiaries. On 14 October, the bodies of 42 Arab civilians had been recovered; several more bodies were still under the wreckage. Forty houses, the village school and a reservoir had been destroyed. Quantities of unused explosives, bearing Israel army markings in Hebrew, had been found in the village. At about 3 a.m., to cover their withdrawal, Israeli support troops had begun shelling the neighbouring villages of Budrus and Shuqba from positions in Israel.

And what of Sharon's conduct when he was head of the Southern Command of Israel's Defense Forces in the early 1970s? The Gaza "clearances" were vividly described by Phil Reeves in a piece in The London Independent on January 21 of this year.

"Thirty years have elapsed since Ariel Sharon, favourite to win Israel's forthcoming election, was the head of the Israel Defence Forces' southern command, charged with the task of 'pacifying' the recalcitrant Gaza Strip after the 1967 war. But the old men still remember it well. Especially the old men on Wreckage Street. Until late 1970, Wreckage, or Had'd, Street wasn't a street, just one of scores of narrow, nameless alleys weaving through Gaza City's Beach Camp, a shantytown cluttered with low, two-roomed houses, built with UN aid for refugees from the 1948 war who then, as now, were waiting for the international community to settle their future. The street acquired its name after an unusually prolonged visit from Mr Sharon's soldiers. Their orders were to bulldoze hundreds of homes to carve a wide, straight street. This would allow Israeli troops and their heavy armored vehicles to move easily through the camp, to exert control and hunt down men from the Palestinian Liberation Army.

"'They came at night and began marking the houses they wanted to demolish with red paint,' said Ibrahim Ghanim, 70, a retired labourer. 'In the morning they came back, and ordered everyone to leave. I remember all the soldiers shouting at people, Yalla, yalla, yalla, yalla! They threw everyone's belongings into the street. Then Sharon brought in bulldozers and started flattening the street. He did the whole lot, almost in one day. And the soldiers would beat people, can you imagine? Soldiers with guns, beating little kids!' By the time the Israeli army's work was done, hundreds of homes were destroyed, not only on Wreckage Street but throughout the camp, as Sharon ploughed out a grid of wide security roads. Many of the refugees took shelter in schools, or squeezed into the already badly over-crowded homes of relatives. Other families, usually those with a Palestinian political activist, were loaded into trucks and taken to exile in a town in the heart of the Sinai Desert, then controlled by Israel."

As Reeves reported, the devastation of Beach Camp was far from the exception. "In August 1971 alone, troops under Mr Sharon's command destroyed some 2,000 homes in the Gaza Strip, uprooting 16,000 people for the second time in their lives. Hundreds of young Palestinian men were arrested and deported to Jordan and Lebanon. Six hundred relatives of suspected guerrillas were exiled to Sinai. In the second half of 1971, 104 guerrillas were assassinated. 'The policy at that time was not to arrest suspects, but to assassinate them', said Raji Sourani, director of the Palestinian Centre for Human Rights in Gaza City".

Israeli complacency leading to their initial defeat by the Egyptians in the 1973 war was in part nurtured by the supposed impregnability of the "Bar Lev line" constructed by Sharon on the east bank of the Suez canal. The Egyptians pierced the line without undue difficulty.

In 1981 Sharon, then minister of defense, paid a visit to Israel's good friend, President Mobutu of Zaire. Lunching on Mobutu's yacht the Israeli party was asked by their host to use their good offices to get the US Congress to be more forthcoming with aid. This the Israelis managed to accomplish. As a quid pro quo Mobutu reestablished diplomatic relations with Israel. This was not Sharon's only contact with Africa. Among friends he relays fond memories of trips to Angola to observe and advise the South African forces then fighting in support of the murderous CIA stooge Jonas Savimbi.

As defense minister in Menachem Begin's second government, Sharon was the commander who led the full dress 1982 assault on Lebanon, with the express design of destroying the PLO, driving as many Palestinians as possible to Jordan and making Lebanon a client state of Israel. It was a war plan that cost untold suffering, around 20,000 Palestinian and Lebanese lives, and also the deaths of over one thousand Israeli soldiers. The Israelis bombed civilian populations at will. Sharon also oversaw the infamous massacres at Sabra and Shatilla refugee camps. The Lebanese government counted 762 bodies recovered and a further 1,200 buried privately by relatives. However, the Middle East may have been spared worse, thanks to Menachem Begin. Just as the '82 war was getting under way, Sharon approached Begin, then Prime Minister, and suggested that Begin cede control over Israel's nuclear trigger to him. Begin had just enough sense to refuse.

The slaughter in the two contiguous camps at Sabra and Shatilla took place from 6:00 at night on September 16, 1982 until 8:00 in the morning on September 18, 1982, in an area under the control of the Israel Defense Forces. The perpetrators were members of the Phalange militia, the Lebanese force that was armed by and closely allied with Israel since the onset of Lebanon's civil war in 1975. The victims during the 62-hour rampage included infants, children, women (including pregnant women), and the elderly, some of whom were mutilated or disemboweled before or after they were killed.

An official Israeli commission of inquiry – chaired by Yitzhak Kahan, president of Israel's Supreme Court – investigated the massacre, and in February 1983 publicly released its findings (without Appendix B, which remains secret until now).

Amid desperate attempts to cover up the evidence of direct knowledge of what was going on by Israeli military personnel, the Kahan Commission found itself compelled to find that Ariel Sharon, among other Israelis, had responsibility for the massacre. The commission's report stated: "It is our view that responsibility is to be imputed to the Minister of Defense for having disregarded ["entirely cognizant of" would have been a better choice of words] the danger of acts of vengeance and bloodshed by the Phalangists against the population of the refugee camps, and having failed [i.e. "eagerly taken this into consideration"] to take this danger into account when he decided to have the Phalangists enter the camps. In addition, responsibility is to be imputed to the Minister of Defense for not ordering appropriate measures for preventing or reducing the danger of massacre as a condition for the Phalangists' entry into the camps. These blunders constitute the non-fulfillment of a duty with which the Defense Minister was charged". (For those who want to refresh their memories of Operation Peace for Galilee, of the massacres and the Kahan coverup we recommend Noam Chomsky's *The Fateful Triangle*.)

Sharon refused to resign. Finally, on February 14, 1983, he was relieved of his duties as defense minister, though he remained in the cabinet as minister without portfolio.

Sharon's career was in eclipse, but he continued to burnish his credentials as a Likud ultra. Sharon has always been against any sort of peace deal, unless on terms entirely impossible for Palestinians to accept. As Nehemia Strasler outlined in *Ha'aretz* on January 18 of this year, in 1979, as a member of Begin's cabinet, he voted against a peace treaty with Egypt. In 1985 he voted against the withdrawal of Israeli troops to the so-called security zone in Southern Lebanon. In 1991 he opposed Israel's participation in the Madrid peace conference. In 1993 he voted No in the Knesset on the Oslo agreement. The following year he abstained in the Knesset on a vote over a peace treaty with Jordan. He voted against the Hebron agreement in 1997 and objected to the way in which the withdrawal from southern Lebanon was conducted.

As Begin's minister of agriculture in the late 1970s he established many of the West Bank settlements that are now a major obstruction to any peace deal. His present position? Not another square inch of land for Palestinians on the West Bank. He will agree to a Palestinian state on the existing areas presently under either total or partial Palestinian control, amounting to merely 42 per cent of the West Bank. Israel will retain control of the highways across the West Bank and the water sources. All settlements will stay in place with access by the IDF to them. Jerusalem will remain under Israeli sovereignty and he plans to continue building around the city. The Golan heights would remain under Israel's control.

It can be strongly argued that Sharon represents the long-term policy of all Israeli governments, without

any obscuring fluff or verbal embroidery. For example: Ben-Gurion approved the terror missions of Unit 101. Every Israeli government has condoned settlements and building around Jerusalem. It was Labor's Ehud Barak who okayed the military escort for Sharon on his provocative sortie that sparked the second Intifada and Barak who has overseen the lethal military repression of recent months. But that doesn't diminish Sharon's sinister shadow across the past half century. That shadow is better evoked by Palestinians and Lebanese grieving for the dead, the maimed, the displaced, or by a young Israeli woman, Ilil Komey, 16, who confronted Sharon recently when he visited her agricultural high school outside Beersheva. "I think you sent my father into Lebanon", Ilil said. "Ariel Sharon, I accuse you of having made me suffer for 16 some odd years. I accuse you of having made my father suffer for over 16 years. I accuse you of a lot of things that made a lot of people suffer in this country. I don't think that you can now be elected as prime minister".

Subject: Darwin's Angels

Darwin's Angels

Darwin's theories really do amount in many cases to nothing but a pseudo scientific justification for the continuation of the hierarchical system laid down in the Feudal regime of the system originally created by the Christian Theocracy. Darwin was trained to be a Minister in the Anglican church and picked most of his ideals up from Christianity and social beliefs of the time. Why do you think he placed out of all the different races on earth. The Irish at the bottom rung of evolution. It reflects the popular attitude in the English upper-class of the day towards the Irish and helped to justify their feudal regime in Ireland as well.

Darwin took the churches idea of predestination and applied it to biology. In away that it was a continued justification of the dominate caste system in Europe. That started with the Catholic idea of the will of God and his government upon earth. You have the Church and the nobles at the top and everyone else on the bottom. Mainly as serfs who are owned as chattel of the rulers who are ruled by the Church. The divine right of kings and all this. This means that you are predestined to be a brutalized serf by the will of god and any act or thought or rebellion is a violation of god's will. The Bible sets this whole system up. The serfs slave all day and have to give most of what they have to the Church and nobles and are left with enough to only half starve instead of fully starve if lucky. Any serf caught off the serfdom they where confined to. Was hanged as a run away. This is how most of Europe lived. Communism with spiritual pretense.

Well in the 18th century scientific materialism was becoming the new religion. And the ruling classes wanting to keep the masses inline and continue their caste system, status quo. So they shifted by hook or crook the same Theological tenants into vogue under the banner of science. Now its we are the superior upper classes because of our biological predestination and the rest of you are born to be our servants, serfs and general property. Because you are biologically predestinated with inferior or weaker biology. Now god said

becomes....science said.

A mentor of Darwin was the Reverend Malthus who was the famous pusher of the ideal that starving the working poor and social-economic working, lower class [most people due to the caste system in Europe] to death was a kind and goody thing. That it would cause the weaker to die off. Social Darwinism by another name. Its ideals were put to reality during the engineered famine that killed a million innocent people in Ireland by the Rothschild's. That modern historians openly acknowledge as direct genocide. Jesus loving Malthus work helped pave the way for such.

The ideal of improving the social-economic state of affairs for the people and ending the serfdom. And that by wage improvements, education, improved human rights and freedoms and income increases with labour reforms. This problem would cease to exist. Never occurred in the minds of these Judaic freaks. Because then they couldn't justify sending children into the mines and mills as work slaves or filling the debtor prisons full of slave labour. All put there by the exploitive Jewish banker system.

Why not the problems caused by the abusive system is not the system its actually biologically inferior people after all. So we are justified in our materialistic enslavement of whole populations to our industry and debt systems and caste society. Of course the protestant deification of work served as the backdrop to enslave the population into industrial slavery. Its not an accident that Marxism used the same Darwin theories as above to justify its total enslavement of the population into neo feudal slavery as the scientific doctrine to justify its self with either.

Of course social Darwinist ideals were being moved around the upper classes at the time in America. And this is when the Jewish, Rockefellers and their agents created the public school system as it is. Which is designed to shut down the right side of the brain and train systematized drones, fit only for wage slavery in their economic serfdom. Who have had their self esteem and creative ability destroyed. And a new artificial personality assigned that is servile and depended on authority for direction on everything. Right at the time they destroyed skilled labour and self employment in America and replaced it with proletarian wage slavery. In their factories that destroyed entire families and forced parents to put their kids into adoptive trusts that sold their kids off to strangers as cheap farm labour so they would not starve to death. Its also no mistake after a century of the school system the rate of inventions in America has declined. They destroyed the creative part of the mind with their school system. This is why IQ is worshipped and not creativity and personal genius. They created a system where left brained training is to rule. Garbage in, garbage out. Removing people from the part of the psyche that the psychic abilities are within.

The key to Telsa's genius from his own autobiography was his psychic abilities which come from the right side of the psyche. He stated he would see the object within his minds inner eye and all the knowledge of how to create it was downloaded into his mind with the image. Watson the father of DNA discovery saw the spiral shape in a deep trance state which opens one to this Shakti or right side of the psyche, which was the key that unlocked his discovery.

All what is being pushed by the system is the same doctrine minus the spiritual pretense in many cases. Where science becomes the new theology. Add to the fact Darwinian evolutionary theories take as much faith to believe in as Jesus. Its just shit and used to push us into nihilism, materialism, atheistic humanism. the kind the Jewish Communist state is built upon.

Got news for people. What we call science is realms of make belief bullshit that is designed to go nowhere. The big bang is bullshit as well and has been debunked over and over. But the theology of science just destroys the career's of the heretic's who question it. Where back to the Catholic Church and the Communist System which put scientists in gulags for discovering any holes in the states scientific dogma's. And we know what the Church did to such.

The shutting down of Nazi.org was undoubtedly another sign of defeat for the Jews. Everything that opposes is eliminated so that we can remain defenceless "Goy" under their control, it must stop. It is endlessly discussed on these groups how we must all get the truth about National Socialism out, but only few hard working members and the High Priests actually follow up on what they say.

People need to realise how big of a deal National Socialism is in Satanism, a sheep must be aware of what actually happen, and not the "Hitler was evil" and the Holohoax shit. The truth about World War II and National Socialism fails to make into our textbooks, therefore it is up to us to put out using our best non-spiritual weapon: The Internet. As Satanists, we must be aware of our duties, people who don't do their duties such as Meditation and Spiritual Warfare (Unless you no way WHATSOEVER to do Spiritual Warfare. No one has an excuse not to meditate) have no place in Satanism. Another Important duty is to keep Spreading Knowledge in a completely safe way. We need to inform people in the safest ways possible what National Socialism is about. They need to the discipline, order, racial respect (NOT RACIAL EQUALITY) working together to achieve the best of society.

Therefore I have set this project up: The National Socialist Archive. What this is for is to gather up as MUCH PDFs that show the truth, Posters, Nazi Propaganda, Speeches, Videos, Nazi Marches, Music etc. Then we can all upload these to our sites all over the net, we have people from all different countries and who speak different languages, translate those that are translatable, and make websites in your language and upload the Media in it, no good results come with out hard work, we must keep working both Spiritually and Physically in order to achieve what we are aiming to: The Destruction of the Jews and all Gentiles to be free from the Spells of the Jewish programs Xianity and Pisslam and the Whole world to know the Satanic and National Socialist truth!!

Upload ANY PDF, Speech, Video, Sermon, Song, Nazi Propaganda etc. you find that exposes the truth, not only the NS Truth but the Satanic truth. Basically anything that has to do with the Satanic and National Socialist Truth. Do not worry about people who might hack it, I have a spare account ready.

Jews Created Communist China

Communism in China was created by the Jews of the West working with the Jews within Asian. A well known Communist Agent in Manchuria was Abrams an Asian Jew. Today the Jews still run China the higher you go to the top of the Communist Party the more Asian Jewish name appear till its all Jewish. Like in the Soviet Union. Today the International Jews have purposely built up Red China into an economic and military power. Like their Soviet Union for the same reason in the end to extend Communism by military conquest. We might have Red Chinese and North Korean troops our soil at some point. Red Chinese troops have been taking part in military training exercises o European soil with Russian forces of late. For the invasion of European nations:

Russia is still under Jewish control and Putin is Jewish:

<http://josministries.prophpb.com/topic2025.html>

1949: On October 1, Mao Tse Tsung declares the founding of the People's Republic Of China in Tiananmen Square, Beijing. He is funded by Rothschild created Communism in Russia and also the following Rothschild agents: Solomon Adler, a former United States Treasury official who was a Soviet Spy; Israel Epstein, the son of a Jewish Bolshevik imprisoned by the Tsar in Russia for trying to forment a revolution there; and Frank Coe, a leading official of the Rothschild owned IMF.

Mao would genocide 70 million innocent Chinese people under his rule mainly to destroy traditional Chinese culture. Like with Christianity any practioners of spiritual systems where outlawed, killed and put into gulags which was a slow death. And Communistic systems where the new culture of control. With China under their flag Tibet was next on the list as being the last bastion of spiritual knowledge and histories of humanity. All the Jewish systems seek to remove spiritual knowledge from Gentiles and keep it in the hands of the Jewish elite. This is a major part of their domestication program:

<http://groups.yahoo.com/group/JoSNewsletter/message/170>

A century and more before the Rothschild's and the Solomon Brothers used their control of England and its control of India to run the Opium trade into China killing tens of thousands and wrecking entire communities to the point the Chinese fought the Opium wars to try and throw the Jewish dealers out.

Chinese Jews:

"A Jesuit missionary, going upon some occasion into the province of Honan, found a considerable Synagogue in the city of Kaifengfu. He soon became acquainted with some of its learned chiefs, who introduced him into their Synagogue and showed him one of the Parchments or rolls of the Pentateuch written in Hebrew, together with the books of Joshua, Judges, Samuel, Kings, some of the prophets, and others containing their liturgy and commentaries they owned. They had lost some of the sacred books and some of their targums or paraphrases. This loss was caused by a violent overflowing of the great river, which had laid the capital wholly under the water and had damaged their Torah, or roll of the Pentateuch, and upon which they ordered twelve new copies to be taken from it....."

My elder brother -- I am not yet forty years old, but I have thought and talked much with my friends about our ancestors, who were rich and numerous and who worshiped in a fine synagogue, built on the land presented to them by the Emperor Tai-tsti. This synagogue, you know, has been swept away by 'China's Sorrow' [the Yellow River]. Our ancestors came to this land from the northwest nearly three thousand years ago...."

THE CHINESE JEWS

By, Oliver Bainbridge

CHINESE COMMUNISM?

YES, but it was JEWISH when it

started. [My note it still is].

The following article by Arnold Leese is reprinted from Gothic Ripples, No. 49, dated 28th February, 1949. It shows that the seeds of Bolshevism were planted in China by Jews, who also tended and trained the growth that resulted. The corruption of the regime of Chiang Kai Shek caused many of the masses in China to turn to Communism for relief, since Chinese Communism is mixed with Nationalism and discourages the old Chinese curse of official corruption; but Communism in China has the same dehumanising effect on the people as it has elsewhere.

## THE JEWISH ROTTING OF CHINA.

It was the Sassoon family which turned the normal Chinese dislike and distrust of foreigners into hatred. David Sassoon made the Opium Trade in China from 1832 until he died in 1864. His family carried on the Trade under our Flag and made huge fortunes. The British took the blame, and now the Chinese loathe us; just as we took the blame for the Jewish atrocities at Nuremberg, Spandau and elsewhere in Germany, so that the Germans now hate us.

Backed by the Sassoons, the Shanghai Opium Monopoly existed until 1917 under the Jew Edward Ezra, its Managing Committee being composed entirely of Jews and Indians. Not only did the British Flag protect the Sassoons in this abominable trade which the Manchus did all they could to prevent, even to the extent of war, but also these Jews were welcomed in England instead of being ostracised. Royalty petted them and they intermarried with Aryan aristocrats. Some became Baronets and one a Minister of the Government.

When the Freemason, Sun Yat Sen, began his revolutionary movement at Canton, the Jew Morris Cohen, a British subject, became his aide de camp and was sent by Sun around the globe to get military experts for his revolutionary army. On Sun Yat Sen's death bed this Jew was commended to Chiang Kai Shek and he was employed as liaison officer between the Canton Government and all foreign Consulates General. Cohen became known in China as Moi Sha, and was made Military Counsellor to the Cantonese Forces, and a General, although still a British subject.

As late as 1939, Cohen was travelling the high seas under the protection of our Flag. The last we heard of him was late in 1945 when he emerged from a Japanese prisoner of war camp. The South African Sunday Express described him as "the guiding genius behind the War Lords of China".

The Soviet Jew, Jacob Borodin (real name M. Grusenberg) was sent by the Kremlin with the Jew Joffe, in 1923, to try and bolshevise Sun Yat Sen and became Chief Political Adviser to the Kuomintang. His wife, a Jewess, spied in China for the Soviets. When Sun died, Borodin was left in charge and it was he who appointed Chiang Kai Shek to succeed Sun in 1926. However, in 1927 a raid was made by Chang Tso Ling on the Soviet Embassy at Peking, which revealed the scope and extent of the Soviet plot to bolshevise China, and the Borodins were arrested and imprisoned.

In 1923 the notorious Jew, Trebitsch Lincoln, ex M.P. in Britain, headed a Chinese mission to get arms for Wu Pei Fu, a War Lord with a fine character, but failed, probably purposely, in the attempt. After that, Lincoln drifted about, too mistrusted in China for any other important role.

The Soviet General, B. K. Galen, who was really a Jew called Chesin, and was nicknamed Blucher, accompanied the "Armenian" Soviet Delegate Karachan to Peking in 1924 where a treaty was made with Chang Tso Ling by which the Chinese Eastern Railway was handed over to the Soviets. This placed the movement of troops at the mercy of the Bolsheviks. The intrigues and bribery by which this surrender by Chang Tso Ling was obtained were carried out through the medium of a Jewish timber magnate called S. Skidelski. At once, the Railway was placed in charge of the Jews Gekker, Koslowsky and Snamensky

(Zamyensky). To continue with the career of General "Galen", he became Chief Military Adviser to Chiang Kai Shek in 1926.

Now for the Soviet Jew S. A. Gekker: As early as 1922; he has been Military Adviser to the Mongolian Bolshevik Government, and in 1924 he was made Head Political Commissar on the Chinese Eastern Railway aforesaid. This appointment was at the hands of the Jew, M. D. Lashewitz, who was President of the Board of Railway Control in Moscow.

Nor must the Jew, A. Joffe, be forgotten. We have already met him as head of the Soviet Mission to Sun Yat Sen, when, with the Jew, Jacob Borodin, he tried to develop Sovietism. Later he became Political Adviser to Chiang Kai Shek in 1926 and organised the Red Section of the Kuomintang.

High up in the Political Department of the Red Army in China were also the two Jews, W. N. Levitschev and J. B. Gamarnik, who in 1936 was its head.

The Nanking Ministry of Finance has always been dominated by Jews, viz: Kann, L. Rajchman and R. Haas. In England, the Jew Billmeir helped, with his merchant fleet, to take Soviet arms to China in 1938.

Finally, the Jew Ben Kizer (U.S.A.) was appointed head of Unrra in China, and as everyone knows, it fell to pieces in corruption.

Enough has been said to prove that every real key position in the process of the Bolshevik destruction of China has been Jewish. Lastly we remind our readers that Chiang Kai Shek himself is a Freemason, having reached the 33rd degree in the Scottish Rite!

## Sitchin's Lies And The Actual Truth

If your busy looking for no-biru where are you not looking? Not at the facts our Gods live in the Orion region. And something else which I will state here.

If you think it was about Gold mining your looking in the wrong direction which ties into the first point.

Nibiru is a star conjunction. And the other major lie of Sitchin is the gold mining. This is not mentioned either in the Sumerian texts. He made these two lies up out of thin air.

Between Mars and Jupiter its been scientifically shown there was a planet there once. That has been destroyed and no don't waste my time with colliding theories that are insane as the big bang. This planet from the evidence was destroyed after earth was already here and fully formed on its own, the destroyed planet from evidence laded out is was was mostly likely by technological intelligence. Not by planets smashing into each other.

The situation is there was no ice age on earth either. Dollaire and Elis [Spelling?] Are Cambridge and Oxford professors who have stated and wrote a book on the ice age scam. Which is taught as dogma. They are shocked this is pushed as unquestionable. Its full of major flaws.

We have not had the polar caps on this planet for that long. The south pole did not fully freeze over till a couple of thousand years ago. . And we only have four seasons due to the tilt in the axis. And the facts show this planet had a uniformed sub topic climate on it at one point. And the sea levels where around 400ft lower.

No ice age, it means the seas didn't rise by melting, pola ice sheets over time slowly, like we have been taught. And the planet was not titled at one point so no climate to create a deep freeze. As its found many long time frozen over areas where flash frozen from a sub topic climate around ten thousand years ago. In an instant. The animals found still had their last meal in them.

So a planet in our solar system gets destroyed and some records claim it had a lot of water on it. And a huge shock wave, hunks of asteroids and continental sized ice are hitting the planet. And the massive ice waves are melting as they come down into the atmosphere. Which is what the ancient records state the sea rose 400ft in a night and a day not slowly but at once. This is obvious, the Andes mountain ranges, the largest in the world, where created by the hundreds of millions of tons of pressure from the water coming in on the earth plates. The city up in the Andes, Tiahuanacu is known to have been on the sea level once and is over 17,000 years old. And with this the shock of the impact created the tilt in the planets axis. The geological records show earth has been hit by outer planetary events of large magnitude in general.

Now the race of the Gods came to this planet.... We have developed basic technology that can create materials from the atomic level in labs, they can make diamonds in labs as well. Why would they need to mine gold and create humans for this? Why not automation instead.

The reason they went to the trouble of creating humans and the massive infrastructure to support humans, cities, farms, hospitals, schools, social organizations. Is because from the Sumerian records, the real ones. Humans where created to help the Gods build the earth and to be the stewards of earth. The wise care takers of the planet. The Gods didn't come here to mine gold and then leave. They moved here with the intent of building a permanent civilization. We where created to be part of this civilization as stewards of earth. It could be there civilization was destroyed previously at some point with the lost planet or part of it was upon that world. Or perhaps not.

The planet itself was most likely destroyed as part of a larger cosmic war that ended the Golden Age on

earth as well and set the stage of the events we are now within.

The second part of Humans creation lay within the texts. Humanity was created with a spiritual mission to ascend to divine from human by EA [Satan]. His intent was to elevate His children to supreme truth and divinity in the long run. To have equality with the Gods. The greatest gift of creation in the universe.

It seems in my opinion from looking at ancient structures of society and tradition, each race was created with a special function in mind. And to work together as larger group within their regions with their skills together as a whole body. That formed this once global or near global civilization of the Gods. Having a superconscious family of humanity to be part of this civilization in the long run makes more sense as well. In my opinion it reflects Satan to create something elite and beautiful, something that is to be perfected and have eternal bliss and joy. Which is the human races. It has been hinted many of the different animal species on the earth might have origins being created by the Gods.

Anunaki in meaning is the Heavenly Serpents. Not those who came down from the sky. This is relating to their Perfected status as divine or fully ascended beings.

Think about that, humanity is a brilliant, powerful and elite creation with the destiny to become fully divine and be guardians and stewards for earth as part of our divine mission. And our creation by the Gods. No paradise in the clouds, but a real eternal paradise right here below our feet. On earth, our home.

Now the above truth vs the Sitchin lies, of humans being just worthless material slave labour who suck [Goyium]. And don't forget Shitjewing claim the Gods handed down this knowledge and this tradition to Abraham [ who is well known to have never existed] only, about 5,000 years ago in the Near East. Back to Jewish supremacy and biblical reinforcement, back to unconscious Judeo-Christianity. And the demoralization of Gentiles. Sitchin is just pushing Jewish, Gentile hating bullshit. The Jews have a big lie for every level of truth a Gentile finds.

Subject: Re: Sitchin's Lies And The Actual Truth

The closest I've read to Shitchin that makes sense to me are writings about the Vril Society. Satan and his Demons, namely Astaroth [Isais] communicated with the Nazis and claimed that she and the other Nordics on our side came from the Aldebaran to Earth and colonized Sumeria. These Demons/Nordic Gods supposedly claimed that they were aligned with Sumi-Ur, while the Jews, the Zionists, and the lesser races were aligned with Sumi-An. Astaroth was the Queen of Aldebaran and she made it clear that Marcionite Gnosticism is bullshit, as the fight between Jews and Aryans has been going on for many thousands of years before the invention of Christ, and that all Aryans had one common language and culture at one point. Astaroth is said to have stated that the Germans were the Nordics in the sign of Taurus.

While I am leery of trusting every word about this, as like everything that is biased against the Nazis, it can be hard to take seriously, considering Jewish lies, but it does prove that the Nazis were in touch with Satan and his Demons. This account has nothing to do with gold.

William Henry is deluded with Christianity, but he believes that "gold" is a code word for "soul." We Aryans are Satan's gold. I don't mean that out of any kind of discrimination for other races, but only as an honest assessment of our nature and our likeness to the Gods of Hell. Do you know when the Gods lived in Aldebaran? I have no clue.

FOR IMMEDIATE RELEASE

Nazi.org under liberal DOS attack

Liberal "activists" attempt to prevent ideas which threaten egalitarian illusion of a failing society

Berlin, Germany (May 5, 2005) - An ongoing denial-of-service (DOS) attack by collected liberal elements in the UK and Israel reveals the extent to which Nazi.org is feared and hated in the international leftist community. As bulletin board postings by "anti-racist activists" reveal, Nazi.org is seen as part of a "new vanguard" of pro-Indo-European sites which cause fear and resentment among those dedicated to the current destructive path of modern society.

Modernity, a pathology of two components, industrial technology and egalitarian revolt, is an attempt to force conformity among human beings by standardizing them to a basic level of functionality defined by the lowest common denominator. This would remove the independent thought and moral awareness which remains the only barrier to total control of planet earth by internationalist political and industrial entities. Leftists, or those who follow the egalitarian program, have been slow to realize that they have been duped into being servants of the same corporate "conspiracy" and power-elites they claim to detest.

Consequently, many leftists, in a search for a public identity and meaning to their lives, embark on destructive campaigns to prevent others from speaking out against egalitarianism, apparently unaware that by so doing, they are increasing the hold that modern dogma has over the human mind. Speaking in airy terms like "freedom," "equality" and "justice," leftist activists frequently attack nationalist, traditionalist and deep ecologist websites because such websites espouse a belief in the unequal character of all humankind, and thus resist egalitarianism.

Egalitarianism, or the belief in the equality of ability among human beings, is a thinly-disguised agenda to create a minimally functional "normal" human being based upon average abilities. This would restrict those who seek to exceed normal limits, and keep humanity evolving, but will provided industrial society with workers who can execute its tasks without thinking through their consequences. So far, egalitarianism and related ideologies, including multiculturalism and liberalism, have succeeded in removing power from the hands of those who might think twice about destroying most of our natural environment, removing culture and reverence for nature from our lives, and turning religious faith into a dogma of submission to central control.

Postings on the Berkshire Anti-Fascist Alliance (BAFA) forum and that of an Israeli group whose name translates to "Combat Gentile Anti-Semitism" reveal the deep-seated fear of the possibility that some humans might rise above the herd, and thus the desire to create an elite based upon money, which is not contingent upon natural factors such as moral intelligence and strength of character. One writer with BAFA summarized her position: "The fascists want to oppress those of us who weren't born beautiful, with perfect

straight teeth and blond hair. The workers of the world aren't perfect and we together can smash these elitists and bring democracy to the future."

Nazi.org is weathering this denial-of-service attack with passive host blocking, but the sheer numbers of attackers involved makes it difficult to respond directly. As an organization which complies with all applicable laws, the Libertarian National Socialist Green Party (LNSG), the owners of Nazi.org, cannot retaliate but are gathering information on these "activists" for use in future campaigns. It is expected that the website will return to service by nightfall, American time.

#### About the LNSG

The LNSG recognizes that modern, liberal democratic industrial society is the cause of its own enduring and pervasive problems. We believe in a resurrection of traditional values, including naturalism and nationalism, in order to end domination by material motivation and the "empowerment" of the individual. Our party operates at this time as a think tank for environmentalist and nationalist ideals, and can be found online at [www.nazi.org](http://www.nazi.org)

Might Does Not Make Right

Hegelian dialect, conflict theory is the thread that runs through many of the powerful narratives in our society. This is the core of Marxism, class warfare and conflict and it rewrote its own history on this. This is a continuation of Christianity and its conflict ideology of the saved vs the unsaved, their god vs their devil and such.

It's only originally found in Jewish thinking. Not surprising Hegel was a Rabbi.

This belief also highlights more popular beliefs pushed in the West such as social Darwinism, evolutionary Darwinism, moral relativism, etc. And how this applied to liberal capitalism. We see this in Social Marxism [PC] the war between the sexes, races, classes and sexual orientations. We also see this in the current hot topic of goofy libertarianism which is a reverse form of Marxism if one reads Ann Rosenbaum [Rand's] garbage. Where the Bourgeois class are at war with the workers, with the workers reduced to dehumanized goblins to be stepped on as inferior. Which dovetails with social Darwinism conflict theories. Within the libertarian ideology is the denial and call to wash away [governments] nations, races, cultures and ethnicity. All of this is to be swept away into a globalist, materialist world of never ending capitalistic warfare, domination and absolute rule by a globalist plutocracy. The whole planet reduced to cooperate, neo-feudalism. Planet sweatshop. Owned by guess Jew?

How did you think it was really going to end. Like they lie and told you it would. Each Goy with their own money bin to swim in? Why do you think it's all Jews making it up and pushing it. And then in Rosebaum's case openly denying its tenants when it comes to her fellow Chosen. The Jews simply have sold their poison in a more palatable form to the American psyche. It's a poison apple once you wolf it down and drop, they clean out your pockets cackling with glee. Rosebaum knew that apple is for little Gentile you, not her Jews. You help destroy your own and they walk in and take over.

So you're tired of being stepped on by big Jew money. And its conflict, social Darwinist based ideology of domination and exploitation of you as cheap, Goy, chattel wage slavery, sweatshop central. Where do you turn to other coin the Leftist conflict based ideology of class warfare and revolution and the same social Darwinist vibe. Both are based on the same at the core. And you wind up in the same place with a Party official instead of a corporate boss.

For those who think it's all so wonderful. Where has the Western world gotten under the banner of Jewish

conflict theories, the never ending Hegelian dialectic and the social Darwinism, liberal capitalism the general right and left its all built upon. Our mainstream political system of Right vs Left, Republic vs Democrat. etc

Looking around it has not brought about its epic evolution into anything better. Its all actually getting worse by the week and has created a nightmare society where people are killing themselves on mass to escape it. And physical and mental illness is the norm, people have conflict based psychology within their own mind against themselves, along with cities and streets and towns plagued by violence that has racked up a body count of a small country by now much of it in the name of social Darwinism based approach to capitalist based activities. Our societies have been pillaged by Globalist Jew bankers and their corporation wings and social-Media propaganda. Nations, races, cultures are all being destroyed. Never ending conflict, warfare, empty hatreds and division does not build anything it only tares down into ruins. This is Jewish tactics divide and conqueror.

Where is might makes right gotten us all? Right into the Jews claws that where.

We need to push away from the Kikeology paradigm and look inwards and realize what does it mean to be human, as an individual, as a member of a race and culture, nation and planet. What makes us unique is what unifies us not separates us into conflict.

Its no mistake this Hegelian dialect, conflict theory which is underlying the majority of narratives in society, was created by a Jewish Rabbi. Its the core of the Jewish psychosis. Conflict, war, cruelty, sadism, pointless psychotic aggression.

Might does not make right.

Truth is what makes right, as its truth which the cosmos exists upon. Its the eternal.

Martin Luther King Jewish Owned Puppet

From the article: The Jewish Communizing Of America

<http://josministries.prophpb.com/topic153.html>

The most famous of these Jewish agents of the Frankfurt School in America is Martin Luther King. Who was trained in such a Communist school in Tennessee and was a paid agent:

"King was photographed in 1957 at the Highlander Folk School, a communist training school in Tennessee, with (Jew)Abner Berry who held a post on the Central Committee of the Communist Party. The Joint Legislative Committee on Un-American Activities reported that his Southern Christian Leadership Conference was "substantially under the control of the Communist Party through the influence of the Southern Conference Educational Fund and the communists who manage it." King had connections with over 60 communist front organizations. Nine of his closest aides were high-ranking communist activists and one of those later became an aide to Rev. Jesse Jackson. Stanley Levison, who had been a King advisor since 1956, had been involved with the Communist Party up to 1955 and brought other known communists onto King's staff."

Karl Prussion, an FBI agent who infiltrated the Communist Party and for five years attended meetings in California, testified in 1963:

"I further swear and attest that at each and everyone of the aforementioned meetings, one Reverend Martin Luther King was always set forth as the individual to whom Communists should look and rally around in the Communist struggle on many racial issues."

Julia Brown, a former Communist, said:

"We were told to promote Martin Luther King to unite Negroes and also Whites behind him ... He was taking directions from Communists. I know for a fact the Communists would never have promoted him, financed him, and supported him if they couldn't trust him. I am certain as I can be that he knew what he was doing."

"Although a 1977 court order sealed the FBI's extensive surveillance records on King in the National Archives for 50 years, a book by Sen. Jesse Helms in 1998 called *The King Holiday and Its Meaning* said that Charles D. Brennan, an Assistant Director of the FBI who was personally involved in the surveillance, characterized his activities as "orgiastic and adulterous escapades" in which he could be "bestial in his sexual abuse of women." He also observed that "King frequently drank to excess."

King's famous dream speech was in fact wrote by his Jewish handler the same Jew Levinson who was the head of the America Communist Party in the 1950's and is full of lies and historical perjuries. Its a document that attempts to communize the memories of the Leaders and Founders of American named within. Its the Jewish big lie in action.

As Dr.Duke wrote in his book "My Awakening" on the subject:

Stanley Levinson, who wrote many of King's speeches, including, some say, the "I Have a Dream" speech delivered at the March on Washington....

King privately declared himself to be a Marxist, and told his inner circle that his efforts were a part of the "class struggle." His personal secretary, Bayard Rustin, was a Communist. When King had to replace Rustin in 1961, he chose another Communist, Jack O'Dell. His main advisor ("handler" would probably be a more apt term), as I've mentioned, was Jewish Communist Stanley Levinson, who edited and probably wrote a good deal of King's book *Stride Toward Freedom*. Levinson prepared King's income tax returns, controlled King's fundraising activities, and was also in charge of funneling Soviet money to the Communist Party, USA.[15]

Nothing new under the sun there:

"In 1925, a dozen blacks were recruited for propaganda training in Russia. That same year, the American Negro Labor Congress was established. In 1930, they changed their name to the League of Struggle for Negro Rights. They merged with the United Negro Congress when it was founded in 1936 in Washington, D.C. By 1940, communists made up two-thirds of its membership. In 1947, they united with the Civil Rights Congress, a communist front group."

Remember King was promoted as an agent of racial integration thus promotion of racial mixing and destruction of the two Gentile races, which is part of the Jewish Globalist Agenda. Where Blacks who promoted racial separation where pounced upon by the Jews.

| Subject: Albania's Nightmare Of Communism |               |                   |                 |

Albania's Nightmare Of Communism

The Communist regime ruled this tiny nation of around three million souls. From 1946 to 1991. During this time over a hundred thousand innocents were systematically murdered, starved to death and worked to death in labour camps under the regime. Around a third of the population was passed through the brutal slave labour system during the life of the Communist regime. One prisoner who survived the Albania Gulag system wrote the prisoners would state as dark humor, the Cosmonauts could probably see the prison camps from outer space they were so expansive. Many never made it that far, instead dying under the extreme torch of the state. It was hinted by some who survived the gulags, those were the lucky ones.

The borders of Albania were ringed by armed guards and high electric fences to keep the people in. Thousands of people died trying to escape the cruelty and brutality of life under the Communist Regime. A whole nation turned into one Orwellian prison.

The nature of the Regime:

"Certain clauses in the 1976 constitution effectively circumscribed the exercise of political liberties that the government interpreted as contrary to the established order. In addition, the government denied the population access to information other than that disseminated by the government-controlled media. Internally, the Sigurimi followed the repressive methods of the NKVD, MGB, KGB, and the East German Stasi. At one point, every third Albanian had either been incarcerated in labour camps."

interro O'Donnell, p. 129. gated by the Sigurimi.

Raymond E. Zickel & Walter R. Iwaskiw. Albania: A Country Study. Washington, D.C.: Federal Research Division of the United States Library of Congress. p. 235

"To eliminate dissent, the government imprisoned thousands in forced-labour camps or executed them for crimes such as alleged treachery or for disrupting the proletarian dictatorship. Travel abroad was forbidden after 1968 to all but those on official business.

The justice system regularly degenerated into show trials. An American human rights group described the proceedings of one trial: "...[The defendant] was not permitted to question the witnesses and that, although he was permitted to state his objections to certain aspects of the case, his objections were dismissed by the prosecutor who said, 'Sit down and be quiet. We know better than you.'" In order to lessen the threat of political dissidents and other exiles, relatives of the accused were often arrested, ostracised, and accused of being "enemies of the people". Political executions were common.."

James S. O'Donnell, "Albania's Sigurimi: The ultimate agents of social control" Problems of Post-Communism #42 (Nov/Dec 1995): 5p.

Torture was often used to obtain confessions:

"One émigré, for example, testified to being bound by his hands and legs for one and a half months, and beaten with a belt, fists, or boots for periods of two to three hours every two or three days. Another was detained in a cell one meter by eight meters large in the local police station and kept in solitary confinement for a five-day period punctuated by two beating sessions until he signed a confession, he was taken to Sigurimi headquarters, where he was again tortured and questioned, despite his prior confession, until his three-day trial. Still another witness was confined for more than a year in a three-meter square cell underground. During this time, he was interrogated at irregular intervals and subjected to various forms of physical and psychological torture. He was chained to a chair, beaten, and subjected to electric shocks. He was shown a bullet that was supposedly meant for him and told that car engines starting within his earshot were driving victims to their executions, the next of which would be his." Minnesota International Human Rights Committee, 46-47.

"There were six institutions for political prisoners and fourteen labour camps where political prisoners and common criminals worked together. It has been estimated that there were approximately 32,000 people imprisoned in Albania in 1985." O'Donnell, *A Coming of Age*, p. 134.

"Article 47 of the Albanian Criminal Code stated that to "escape outside the state, as well as refusal to return to the Fatherland by a person who has been sent to serve or has been permitted temporarily to go outside the state" was an act of treason, a crime punishable by a minimum sentence of ten years or even death." Minnesota International Human Rights Committee, 50-53.

"An electrically-wired metal fence stands 600 meters to one kilometer from the actual border. Anyone touching the fence not only risks electrocution, but also sets off alarm bells and lights which alert guards stationed at approximately one-kilometer intervals along the fence. Two meters of soil on either side of the fence are cleared in order to check for footprints of escapees and infiltrators. The area between the fence and the actual border is seeded with booby traps such as coils of wire, noise makers consisting of thin pieces of metal strips on top of two wooden slats with stones in a tin container which rattle if stepped on, and flares that are triggered by contact, thus illuminating would-be escapees during the night." Minnesota International Human Rights Committee, 50-53.

"Fatos Lubonja is an Albanian writer who spent a total of 17 years in prisons and forced labour camps during Enver Hoxha's regime. He is the author of a number of books which have been translated into Italian, German, English and Polish. Among other prizes he received the Alberto Moravia Prize for International Literature in 2002 and the Herder Prize for Literature in 2004."

The below is from his book:

Second Sentence: Inside the Albanian Gulag

by Fatos Lubonja, John Hodgson (Translator)

"Prison camps in Communist Albania were as brutal and claustrophobic as Stalin's gulags, with the additional and unique horror that Albanian prisoners could be charged and re-sentenced while already in prison. In this raw and moving memoir, the prize-winning writer Fatos Lubonja brilliantly evokes life for prisoners of the state as they struggled to cope with the physical and psychological deprivations of imprisonment. *Second Sentence* opens in 1978 with a vivid description of the author's experiences as a forced laborer in a copper mine in Northern Albania. In the tense camp atmosphere, Lubonja discovers that two of his co-prisoners have written a letter to the Party criticizing "the foremost leader," Enver Hoxha. Shortly afterwards they are spirited away under mysterious circumstances. Lubonja does not make the connection until he is himself re-arrested in the camp with seven others and sent to stand trial as part of an alleged counter-revolutionary organization. With heart-breaking honesty, Lubonja describes the long months of interrogation and solitary confinement as he awaits his second sentence..."

From the final chapter of the book which shows the reality of the regime that thrives on lies, propaganda, slave labour, torcher, murder and fear. Note the Sigurimi where the Albanian NKVD:

I found myself face to face with Kapllan Sako, deputy director of the State Security Service. I had never forgotten the first day of the my initial arrest, and the very first words he had said to me, "We have brought you here to ask about your political views."

I had not seen him since.

Kapllan was standing. He was little changed, still slim, sharp featured, greying-a typical Sigurimi man from the cut of his suit to the parting of his hair. There was also a swarthy character whom I did not know, sitting behind the desk. I noticed a standard sheet of white paper on the corner of the desk.

'Are you Fatos? Kapllan said to me.

'Yes, I replied.

'Do you recognise me?'

'Yes.'

'When did we last meet?'

'In July 1974,' I replied.

He was pleased that I could remember this.

'Why did you take that attitude in court?' He said 'We did not expect this of you.'

'I cannot admit to things I have not done.'

I had no intention of arguing with him, because I was obsessed by the idea that they were devising another sentence for me. I had to watch what I said.

'So our people's court has sentenced you for nothing? His voice rose.

Did this man really believe his own fabrications? It disgusted me to hear him use the phrase 'people's court,' as if it were something sacred, almost the people itself.

'The files are here. Let's go through them together,' I replied.

He did not reply. He was anxious to get to the point:

'You said,"Fadil Kokomani is my best friend..."?'

So this was what got me into trouble.

'I said it in the moral sense,' I replied, 'because of what he stood firm like a man.'

This seemed to take him aback.

'What do you mean, like a man, what sort of man is that?' He grimaced, and reached out for the sheet of white paper on the corner of the desk.

'Look, there's your best friend.'

Under the white paper were several photographs, apparently taken at night with a flash. The faces of Fadil, Vangjel, and Xhelal stared out at me with a gaze more of bewilderment and disgust than of fear. They were sitting on a bank or earth with their wrists handcuffed behind them, all three tied with a rope. They had been photographed a few moments before they were shot.

Kapllan shouted furiously, 'That's where you belong. That's where you'll go if you enter this door again!' and he jabbed his finger at one of the photographs. I could barely recognise Fadil. I saw a swollen face, covered by a stain of blood that spread from the forehead and covered the eyes, part of the nose and the cheeks, and ran in three or four trickles down to the throat. I shuddered. The sight was frightening and weird.. I remembered the photographs of murdered saboteurs exhibited on the display stands of the Ministry of Internal Affairs, which had terrified me as a child.

After seeing Fadil, I was too confused to concentrate on the images of the bodies of Vangel and Xhelal. My eyes spilled to the other large photograph underneath, in which the three corpses lay piled on another. There was Iljaz's grey jacket, which Fadil had worn through the trail.

Kapllan bellowed again. 'And you say, "Fadil Kokomani is my best friend."

'What else can I say?' I replied.

Communist Prosecutor

By Visar Zhiti

Extract from the book "Trails of Hell"

The prosecutor seemed notoriously oppressive and thick-skinned. In his heavy coat and bushy animal skin collar, he looked like a wild beast. Well, I guess spring hasn't arrived yet. At first I thought they had brought policeman Marku to confront me in case I had broken a rule in the prison cell. I feel bad I was dubious about Marku, but...

"This is the district prosecutor, comrade Avdi Gashi," said the interrogator.

"Explain yourself clearly, or I'll rip off your pants!" brayed the prosecutor. I did not understand what was wrong with him. "They even requested you to be a writer in Tirana," he let out a loud bray like a burp. His cheeks and trachea must have hurt from it. "But we turned them down. And we were right. How could we let an enemy go there? Is he going to explain himself, or should we charge him with an additional crime," he turned his head toward the interrogator, "let's add...?"

"He will talk. He has no way out," the interrogator assured him.

What further accusation is the prosecutor so easily charging me with, as if he is simply adding another ladle of soup in my bowl?

"What did you want with 'rakatakia,'\* who you got involved with?" The prosecutor asked with contempt. "Eh?"

Even the interrogator got confused. He asked him in a whisper:

"What do you mean by that, comrade Prosecutor?"

"I don't know! He knows who 'rakatakia' is...the Japanese one."

(Do they want to accuse me of being a Japanese spy?)

"Aha, you are right," the interrogator chuckled. "What is the name of the Japanese poet you translated; since you couldn't stay out of it?" Irritated, he turned towards me, "Eh, 'Taketukia?'" Ah! What did you want do with him?"

When I was a student, I couldn't stand reading passages of Enver Hoxha's speeches in Russian, which sounded mediocre,

goraçe\* translated, and boring, so I found a Japanese poet to read outside of class, Isikava Takuboku. (Did I need to report this to my killers as well?) My friend from Korça, Skënder Rusi, and I decided not to waste our time terribly in vain and chose to translate a poet who would be permitted for exams. We picked a far, far-off Japanese poet who had a lesser known biography. Frankly, he was all we could find. H. Leka from Shkodra lent us the book from his personal library. He was our professor and our friend. We translated the whole book from Russian. But in his notebook Skënder interpreted the tanks more imaginatively and I, perhaps, a little more ironically.

"Talk to us! Why don't you speak? Vermin! Who gave you rakatakia and taketukia, and why?"

I perceived senseless mumbling sounds.

"What were your relations with critic Xhezair Abazi?" The interrogator asked me abruptly.

"Same as with the others," I said.

"Is he talking about Xhambazi"\* Howled the prosecutor.

Then they were chatting over something, but the prosecutor could not lower his voice; he would find it easier to unload a heavy bundle of oak twigs from his back than bring down his voice. What? Sparks? What are they informing each other about? What is this Golden Pen..?

"But they also asked you to be a writer, you renegade!" Despite his old age, the prosecutor charged towards me, but the interrogator held him back.

"Wait, don't you worry about it, I will fix him."

Time to trade places

Visar Zhiti

(Extract from the novel "Torn Hell" by Visar Zhiti)

New prisoners kept coming before we old timers had had a chance to get to know each other, which, by the way, was forbidden. The lack of contact with others lessened one's self-perception. That poor mass of humanity, seemingly dressed the same, with identical haircuts, equally famished, where another seemed to be you and you someone else; without individuality we were nothing if not empty transparencies, multiplied by a thousand, or two thousand, by a million, by millions During the

age of slavery, three thousand years ago, this setup would have reduced you to nothing more than a slave due to your long years of imprisonment. We whispered among ourselves that cosmonauts could see our jails from afar, from the cosmos, perhaps from the moon, the prison caves, the rows of the condemned, the seemingly endless chain of them, stretching longer than the rivers. There were no prisons anywhere else.

Among the prisoners emerging one day from the police van was a young man with a face paler than those of others who had survived their interrogation period. Around his shoulders he wore a black jacket with a flap in the back. Perhaps that was the fashion outside. He was told to take it to the clothes depot; he would get it back the day he was discharged (or whatever was left of it). He was also to get rid of his shoes and pants and don the prison uniform.

When he was done, he emerged from among the new arrivals and silently, slowly, with the dignity of slow motion, he started climbing the path toward the barbed wire fence, disregarding the prisoners' mounting tension. We had fixed our eyes on him. He walked sure-footed, his head held high. "Hey" – said some voices – "where are you going? There is no exit there. The guards will open fire. . ." These voices caught the attention of the guards inside the compound, where one of them, unexpectedly, rushed toward the newcomer screaming that he stop, as the guards would shoot: "Hey you, prisoneer! You guards, don't shoooot." The prisoner, however, continued walking, without turning his head, with dignity. He entered the killing zone where signs marked "DO NOT ENTER" were buffeted by the wind like crosses in a graveyard. The soldier in the nearest guard tower, like from inside a wooden monster head and from between its teeth, was aiming his automatic rifle in our direction. "No," yelled the guard from inside the compound, "soldier, don't fire, I, too, am here." He reached the recently sentenced man, grabbed him by his arms and pulled him back. "Turn around," he yelled, "what's the matter with you? Why are you crossing into the forbidden zone, or are you trying to get killed?" Look at the other inmates, be patient!" The former citizen did not open his mouth. "Are you insane?" He nodded in agreement. When he came close to us, he looked bewildered, more terrified of us than of the guns. He probably saw himself like one of us.

I was overcome by sorrow, I didn't know whether for me or for him who wanted to get killed. I not only did not dare kill myself, but had given up thinking altogether. Besides, whom was I supposed to kill, we were no longer human beings. My sorrow turned completely toward the unknown newcomer. It would have been better for him had he been killed. It would have been over for him and a challenge to the status quo. My very thoughts terrified me, for being so merciless toward another's life. I had no right to want someone else's death, even though others felt that way toward me.

I doubt it that from the very beginning we had a psychologist among us. Had there been one, he would have been rejected as a Freudian. More likely, someone among us could have become a psychologist in prison. Chances were slim but psychological anomalies were all around us. A psychologist could have thought along these lines: "The inside guard, no more than a rubber truncheon for the regime, dares to save an enemy's life. That must mean that the dictator is very ill, probably in his death throes; he may even be dead. They may be hiding it as in ancient Chinese dictatorships that were 'led' by dead emperors. Thus, the policeman of the 'class warfare', by saving the life of a prisoner may have been promoting his own future thus extending the life of an evil, even as he prevented death."

Why, are you thinking that the policeman did not save the prisoner's life, just out of human concern . . . ?

"No, no, no way, he was trying to avoid being arrested. Time has come for us to trade places. How could I miss it if the policeman didn't?"

Trading places is not necessarily a change. Can there be no society without condemned individuals, hence without judges, without jails, without prisoners?

## Unpunished Crime

by Reshat Kripa

It was nearing mid-June in 1985. The summer was unusually cool that year, which seemed to coincide with the political climate of the time. The dictator had died, raising expectations for change in the hearts of the people. They awaited changes from his successor. The people were tired of the camps and prisons spread everywhere and of their lives within the large prison in which the entire population lived, that separated father from son, brother from brother. The Albanian people, who had been isolated for years, wanted to live like other nations of the world. Would this happen, or would it remain an illusion?

Sotir Nastua from Narta was a military soldier in Ravena of Karaburun. When he received three days off, he departed for his hometown. He went out to the street and after waiting a short while, got on a truck that took him to the city of Vlora. There he boarded the shuttle bus that went to his village. When he arrived, the sun was setting and with it, he could see the cooperative's agricultural laborers returning from work in the numerous village vineyards. Among them, he caught sight of his mother whom he greeted and affectionately embraced. They went home together, but he did not stay for long. He washed, changed, and got ready to go out.

"What's the rush son? You just got here. We have not yet seen enough of each other," said his mother. But he acted as if he did not hear her. He went outside and headed for the center of the village. He definitely wanted to meet up with his best friend, Jorgo Shella. They shared a plan they kept secret. He went to his friend's house, but did not find him there. He returned to the center of the village and entered a bar. There he saw Jorgo at a table talking to Aleks, a youth of the village, who was serving in the army as a soldier in Saranda. They greeted each other and Sotir sat down and ordered a glass of wine, like his friends. He wanted to talk to Jorgo, but Aleks's presence prevented him. He couldn't wait for Aleks to leave, when Jorgo suddenly whispered. "I spoke with Aleks about the plan. He is familiar with the place and is willing to help us." Sotir was stunned. Jorgo's act had shocked him. How could he open up to Aleks? How could he trust him with something so dangerous? But now this was a set fact and there was no way it could be reversed. "I would love to come with you," said Aleks, "but you know my situation." He was an only child and his mother was sick. They stayed there chatting until late in the evening, and decided to leave the country the next day. "Your conversation tonight is endless," said the bartender, "Leave now, I have to close." They looked around and noticed there was no one left. They got up, said goodbye to the bartender, and after strolling through the deserted streets of the village, each went home. The next day they awoke early in the morning and set off for Vlora.

"Poor me, son, I hardly saw you," said Sotir's mother, "why didn't you tell me since last night so I could have baked you some bread rolls?"

"Don't worry, Mother, we will find everything we need at the place we are going," he replied as he left. In Vlora, they boarded the bus on the Saranda line. They arrived in the city of Saranda in the afternoon and began to wander the streets, waiting for the hour at which they were to go to the designated place.

Silence had fallen over Pavlo Shella's home. Their son, Jorgo, had left three days before, along with Sotir and Aleks, and had not returned. Jorgo said he was going to his aunt in the city of Vlora. But no one had seen him there. Pavlo began to worry. He noticed that even the Village Council members seemed to avoid him. "Get up, husband, and go ask the police chief, because otherwise he will question why we have not reported," said his wife with tears in her eyes. Then it was the custom in every similar case for one to inform the village police chief or the Department of the Interior.

"We will wait. If he does not return tonight, I will go first thing in the morning," he responded, concerned. That night they heard loud raps at the gate of their home. Pavlo got up and opened it. It was Avni, the locale operative officer, accompanied by Jollanda, head of the United Village Council, and two policemen. "We have come to conduct a search," they said to Pavlo.

"Why?" he asked, astonished. They did not reply. They pushed him aside and began to turn everything over. They searched everywhere. Pavlo and his wife stood still. When found nothing, they headed out once again. When Avni arrived at the gate's threshold, he turned toward Pavlo and frigidly said,

"Your son betrayed his country and for traitors there is only one sentence. His body lies in the morgue of Saranda." The old lady immediately fainted. Pavlo stood frozen stiff. He did not know what to do. Should he cry out? To whom? Should he yell? He did not have enough strength. Once he gathered himself he turned toward his wife and helped her regain consciousness by wetting her face with cold water. She screamed. The village heard her and the people began to come immediately, but when they learned the reason, they left as if there was an epidemic of cholera. Even the brother and sister of the old lady did not dare come. Only Pavlo's sister and two or three others close to the family came, and tried to console the poor parents as best they could.

The same thing happened in Apostol Nastua's home. The same search was conducted and the same news of death was given. The same grief erupted. People also began to distance themselves as though there was an outbreak of the plague. Mourning fell over both families. Apostol Nastua did not have the courage to pick up the body of his son. Fear of the consequences of this action forced him to hold his pain inside his soul. In his home they could not even dare cry for the dead. Sotir's body was buried in Saranda by municipal workers.

Pavlo decided to take on all the consequences. What worse could happen to these two poor elders? The next day, he alone took the road to Saranda. His married niece lived there. She received him and told him the terrible story that rocked all of Saranda and would horrify anyone who listened to it.

"People say that they were betrayed by the friend accompanying them. When they arrived at the appointed place, they undressed and threw themselves into the sea to swim toward the island of Corfu. Their friend turned around and informed the Department of the Interior. The motor boat of the coastal border guard immediately set off, reaching them in international waters. Communist border guards could have caught and brought them back to Saranda to put them on trial. But they did not do this. They were wild and did not have any human feelings. The criminals, born to kill and massacre people, took out their machine guns and killed both of them. But even this was not enough. Their youthful blood heated the communist sharks even more. They began to hit the young men with the propeller of the motorboat while hurting and disfiguring them all the more. And as if this was not enough, the next day they tied their bodies to a Soviet truck, dragging them through the streets of Saranda to terrorize the people of the city and to scare those citizens who might imagine undertaking a similar heroic act. All this was done under the order of the head of the Department of the Interior. Be strong, Uncle! A dreadful scene awaits you tomorrow. You need to face it with dignity."

"Yes, my niece, yes. Your uncle is strong and will know how to carry himself," answered Pavllo, determined.

The next day they went to the city morgue. A horrific scene awaited them there. Pavllo did not recognize his son. The marks of seven bullets were visible on his body. He could identify his son only from the shorts he was wearing. Nearby, his son's friend Sotir looked the same. Making the most of the kindness of the hospital workers, he washed the corpse and dressed it with clothing he bought in the street market. Then he placed him in a coffin, nailing it so it could not be opened, and left on the municipal van to the village. They arrived home late at night. There he found very few who were close to the family.

After unloading the corpse, the van left immediately.

Llazar, a member of the United Village Council, showed up the next day at the gate of Pavllo's house. Without coming inside he called to him and warned, "You are not going to bury the dead body in the village cemetery. We do not allow a traitor to rest near the honorable people buried there. This is the decision of the Organization of the Communist Party.

"What should I do?" asked Pavllo, lost. "There lie the graves of my family members."

"Bury him below in the jalli (a barren piece of salty land by the sea), and do not leave a trace of the grave. I believe you understand," said Llazar in a commanding tone, and left.

Pavllo remained stone still near the gate. How was it possible for them not to allow any room for his son's grave, those who just yesterday had greeted and warmly conversed with him? He returned to the room and broke the appalling news to the few people there. "We will complain to the Department of the Interior and if necessary, to the Party Committee," said Andoni, Pavllo's nephew.

He immediately set off for Vlora. But even at the Department of the Interior he received the same answer. He set toward the Party Committee, but no one received him there despite his insistence. Finally the man on duty at the gate told him, "Leave, son; don't store up more trouble for yourself."

The village atmosphere was tense. Most people remained locked in their homes to avoid appearing involved with this event. But some shameless others, such as the dentist Nastua or pensioner Apostol, called aloud for no one to attend the funeral ceremony because Pavllo's son had died as a traitor.

The small cortege of mourners set off that afternoon for the jalli. The few people who happened to be on the street turned their backs to them. Worse, a shameless provocateur began to sing a song that sneered at what had happened. More painful events occurred in the following days. Spirua, a communist and sector supervisor, divorced his wife only because her father had attended the funeral. Whereas Pandeli Andoni, Pavllo's brother-in-law, who would not consent to the Council's dictate to divorce his wife, drank poison and ended his life because he could not resist the great pressure.

The year 1990 signaled the beginnings of a huge downfall. Dictators of Eastern Europe began to fall one after the other. Only ours remained. Pavllo thought it was time to bury his son's remains by the family graves. He exhumed his son's remains and headed toward the village cemetery. But on the way he was confronted by Jollanda and Antigoni, secretary of the Communist Party, who said, "We are not dead yet. No, no! We are alive and we will crush you. Send back the remains where they were because that is where they belong." Pavllo was silent and headed back. The remains were placed once again in the jalli. Only after March 22 of 1992 were they able to rest in the village cemetery in their rightful place.

I met with the two elders one day in April of 1993, when I went to their home along with my friends, Mihal and Dino. You could read only mourning in their faces. With tears in their eyes they told the story I described above. They had a huge disappointment in their hearts. Would those who created this tragedy be punished? We searched for Jollanda, Antigoni, Avniu, L Lazar and their other lackeys. We were told they had flown to Greece, where only God knows what they were doing and preparing, most definitely new tragedies, like that of the year 1997.

Pavlo had only one appeal. He wanted democracy to bring to justice those who massacred and disfigured his son. Under the pressure of the Political Persecuted People Association and public opinion, the arrest of the ex-head of the Department of Interior in Saranda was made possible. But the trial was a sham. He was convicted and received only three years of prison term for the abuse of public responsibility. Oh, irony of fate! Three years of prison term in exchange for the lives of two 20-year-old young men. Pavlo's heart was once again let down. The crime was left yet unpunished.

Dead among the living

by Afrim Imaj

Though shocking, this is true: A resident from Vlora discovers his brother's body after thirty years, bearing the same visage as he did the day they parted.

The central character of this extraordinary narration is seventy-year-old Lavdosh Mersini, from Çeprat of Laberia in Albania. Lavdosh, after many painful attempts to find the remains of his brother, who was executed by a phony communist court, was able to locate them in the anatomy room of Tirana Medical Facility. Just as Lavdosh began to lose hope of ever finding his brother's remains, when every effort seemed wasted, pure chance would grant him unexpected success. His legs took him to where Luan's body resided, appearing as he did when he was twenty-five years old.

"At first I couldn't believe my eyes," said Lavdosh. "It seemed like a dream; like something from those ancient ballads. I had to restrain myself. It was not easy. I stretched my neck and looked him straight in the eye. It was him. Yes, Luan! His eyes longed to tell me something; they were the only things that could talk; everything else, from his head to his feet, was frozen and ice-like. Only his eyesight offered life, warmth, and memories. They were weary and looked far into the horizon, reminiscent of

the days when he was in jail, asking about his mother, Hairie. I took my first steps toward him. Was I drawing close to my brother, or close to a ghost? I stretched out to embrace and kiss him, a brother yearning to embrace a brother. He looked young, very young, identical to the day we parted 30 years ago. It was Luan, just the way he had looked that very day, with the same eyes, dark eyebrows, forehead, and full-sized, straight body. Only his hair had been trimmed. A bullet hole on the edge of his nose was mute testimony of the brutal actions of those who had decided his tragic end. He was in formalin, a lot of formalin, which kept his well-built body intact."

Lavdosh had to restrain himself, to rise above his painful shock. He had to bring Luan back home, to remote Çeprat, to be among his brothers, sisters, nephews, nieces, friends, and acquaintances, who would rejoice. But first there would be the journey: long, tiring, and deeply moving...

After you have knocked on the door of her apartment somewhere on the outskirts of Durrës city, Lavdosh's sister, Burbuqe, relates an account that sends chills down the spine. She says: "Luan, like Kostandin (1), came back after thirty years. Have you heard the legend of Kostandin? Indeed you have, and I too, though I don't think you have experienced it. I don't know who else had that destiny. Luan's return after thirty years was like that of Kostandin. Yes, yes! While I kissed him, cold though he was, I recalled the ancient legend. The legend of the long wait for the knight leaping over whole mountains to fulfill a promise he had made to his mother. Though Luan had died, he had not perished, and did not have a grave - just like Kostandin! But Luan was not really like Kostandin, because he did not meet his mournful mother, and did not see her fade away, grief-stricken over him..."

She has to force herself to hold back her grief, to stop the tears rolling down her cheeks. Her husband, familiar with the situation, continues the conversation to give her time to compose herself. He begins, "The communists arrested Luan for refusing to collaborate with State Security. They trumped up a case against him - abuse of public funds - during the construction of social and cultural works in the agriculture cooperative. They fixed a shortfall of public funds amounting to 50,000 leks so they could execute him at night with a firearm." The husband falls silent, allowing Burbuqe to resume the conversation. He takes out a pile of papers, discolored by the long, somber passage of time. The papers feature the court's verdict.

The sister of the young martyr goes on thoughtfully, "All of a sudden, they took him from the village where he worked, unjustly handcuffed, and transported him to the prison cells in Vlora. On the way there he met his brother, and confidently handed him the watch for safekeeping. Afterwards we could see him only with the approval of the interrogator. His courage never let him down. He never begged for mercy. The only thing he asked for was cigarettes. His only concern was Mother, who was his first and final worry. He remained that way until October 24, 1968, the day the communists executed him." That was all Burbuqe could say. However, she was certain that her older brother, Lavdosh, knew more. He still lived at the same address, the place where Luan became separated from his heartbroken mother so many years before.

Subject: Gay Rights, Radical Honesty On An Important Issue

Gay Rights, Radical Honesty On An Important Issue

The Jews are trying to control gay identity to create the sociology needed to keep gays under control and further their own racial goals. When the time comes it will be easy to sweep gays away as Communism's view of gays is actually being brought to life by the psychology of this gay identity they are giving them, its crafted to conform to such narrative. They confirm the indoctrinated animus towards non-heterosexuals.

Russia is using this psychology to keep gays down while playing the other pro gay angle with the same they do over here. Which makes it easier to keep them down forever given the narratives of the state. For the reasons stated above. The Jews over there as here. Are leading both sides to maintain this.

Jewish, Putin is using the Communist narrative to maintain and centralize power, while marching Russian back into a totalitarian Communist regime. The western Jews such as Soros are working the other half of this reverse psychology game and put together and pay for disgusting and shocking groups of malcontents to troll the public under what is viewed as Western Liberalism. And this allows Putin to them crush all opposition to his regime as Western agents and fifth columnists. Enemies of the state, he uses this to ban political parties of even actual Russian Nationalists. As well for a major justification to ban Gay Rights and Homosexuality. This is the standard Communist narrative. Denounce anything and anyone as disloyal to the People [ Communist State]and then give them a show trial and that's it. When the Jews ruled under the Christian regime just remove disloyal with heretic. Same psychology, same purpose.

Time for radical honesty.

Authentic, Gay rights is simply an issue of human rights and the inherent nature of the soul to yearn for its own freedom and to express its core value into the world, which is the metaphysical core of human rights. Taking the soul out of the equation gives licence to write whatever narrative anyone wants as rights and degenerates the issue into a theatre of the absurd, which the enemy does quite often [with Christianity as well which is soul destroying materialism] to forever try and work towards stomping our rights into the dirt.

This meta-right within our being, is what our ancestors talked about within Dharma and the Founders where writing about with individual rights and liberty. Franklin was not heterosexual himself, he engaged in sexual orgies with men and women as a member of the "Hell Fire Club." Sexual orientation is within the soul, its metagenic.

The greatest freedom the soul yearns for is its own liberation and transformation into the perfected vehicle of

the divine, to bring forth the gold hidden deep within its own self. Its the greatest crime against man to deny him what is his by divine right. And to weight him down by putting chains on his very soul itself. All evil comes out of this.

Heterosexual or Homosexual, every man is his own King. The ancient articles of Kingship the specter and crown are symbols of the risen serpent and transformation of the human into the fully Divine. Benjamin Franklin and the other Founders also left this ancient code in their images.

Anyone can sit on a throne, but only a Man can crown himself King. The crown is the halo of the risen serpent of Satan. The symbol of ultimate freedom and power by the enlightenment of the soul. This is Satan's gift to us. True and eternal freedom. But that freedom is for every Gentile, because its the freedom of the soul to the realization of its own self as a God. This is what is at the core of all true, human rights.

I'm, I worthy of achieving the light if I deny my brother his divine right to the same light. The slavery of the soul has come to an end for all humanity.

Blowing Up Russia: Terrorism From Within:

<http://www.youtube.com/watch?v=9sx2YmSXDy8>

Documentary film describes the September 1999 Russian apartment bombings as a terrorist act committed by Russian state security services. Written and directed by Yuri Felshtinsky and Alexander Litvinenko. "We just cannot go out and say that the president of Russia is a mass murderer. But it is important that we know it."

-----

This documentary also shows Jewish, Putin had involvement in this and might have ordered it. As he was head of the security services at the time they committed the attacks. That just happened to help get him into the leadership chair of Russia. And create a climate for more police state measures. Same with what the Jews are doing over here with false flag attack after attack. 911 being the most well known. The same attacks on still going on in Russia now.

Putin is Jewish and Russia is under their control:  
<http://josministries.prophpb.com/topic2025.html>

This documentary also highlights the fact that under Jewish, Putin's rule freedoms of press are the right to free speech are being destroyed as Russia is being returned to a Stalinist style state slowly. The Jews are working to regain their grip on total power. This is why Putin is using the same justifications the Soviet regime used to crush protest or dissent on any level. To ban and crush valid opposition, national parties and imprison their leaders in Russia now.

Subject: The Jews are Guilty! By Reichsminister Joseph Goebbels

\_\_\_\_\_The Jews are Guilty!

by Joseph Goebbels

\_\_\_\_\_The historic responsibility of world Jewry for the outbreak and widening of this war has been proven so clearly that it does not need to be talked about any further. The Jews wanted war, and now they have it. But the Führer's prophecy of 30 January 1939 to the German Reichstag is also being fulfilled: If international finance Jewry should succeed in plunging the world into war once again, the result will be not the Bolshevization of the world and thereby the victory of the Jews, but rather the destruction of the Jewish race in Europe.

We are seeing the fulfillment of the prophecy. The Jews are receiving a penalty that is certainly hard, but more than deserved. World Jewry erred in adding up the forces available to it for this war, and now is gradually experiencing the destructon that it planned for us, and would have carried out without a second thought if it had possessed the ability. It is perishing according its own law: "An eye for an eye, a tooth for a tooth."

Every Jew is our enemy in this historic struggle, regardless of whether he vegetates in a Polish ghetto or carries on his parasitic existence in Berlin or Hamburg or blows the trumpets of war in New York or Washington. All Jews by virtue of their birth and their race are part of an international conspiracy against National Socialist Germany. They want its defeat and annihilation, and do all in their power to bring it about. That they can do nothing inside the Reich is hardly a sign of their loyalty, but rather of the appropriate measures we took against them.

One of these measures is the institution of the yellow star that each Jew must wear. We wanted to make them visible as Jews, particularly if they made even the least attempt to harm the German community. It is a remarkably humane measure on our part, a hygienic and prophylactic measure to be sure that the Jew cannot infiltrate our ranks unseen to sow discord.

As the Jews first appeared several weeks ago on the streets of Berlin graced with their Jewish star, the initial reaction of the citizens of the Reich capital was surprise. Only a few knew that there were still so many Jews in Berlin. Everyone suddenly found someone in the neighborhood who seemed like a harmless fellow citizen, who perhaps complained or criticized a bit more than normal, and whom no one had thought to be a Jew. He had concealed himself, mimicked his surroundings, adopting the color of the background, adjusted to the environment, in order to wait for the proper moment. Who among us had any idea that the enemy was beside him, that a silent or clever auditor was attending to conversations on the street, in the subway, or in the lines outside cigarette shops? There are Jews one cannot recognize by external signs. These are the most dangerous. It always happens that when we take some measure against the Jews, English or American newspapers

report it the next day. Even today the Jews still have secret connections to our enemies abroad and use these not only in their own cause, but in all military matters of the Reich as well. The enemy is in our midst. What makes more sense than to at least make this plainly visible to our citizens?

In the first days after the introduction of the Jewish star, newspaper sales in Berlin went through the roof. Each Jew on the street bought a newspaper to conceal his mark of Cain. As this was banned, one began to see Jews on the streets of the west side of Berlin in the company of Gentile foreigners. These Jewish lackeys actually should wear the Jewish star themselves. The excuse they give for their provocative conduct is always the same: the Jews are after all human beings too. We never denied that, just as we never denied the humanity of murders, child rapists, thieves and pimps, though we never felt the need to parade down the Kurfürstendamm with them! Every Jew is a decent Jew who has found a dumb and ignorant goy who thinks him decent! As if that were a reason to give Jews a kind of honorable escort. What nonsense.

The Jews gradually are having to depend more and more on themselves, and have recently found a new trick. They knew the good-natured German Michael in us, always ready to shed sentimental tears for the injustice done to them. One suddenly has the impression that the Berlin Jewish population consists only of little babies whose childish helplessness might move us, or else fragile old ladies. The Jews send out the pitiable. They may confuse some harmless souls for a while, but not us. We know exactly what the situation is.

For their sake alone we must win the war. If we lose it, these harmless-looking Jewish chaps would suddenly become raging wolves. They would attack our women and children to carry out revenge. There are enough examples in history. That is what they did in Bessarabia and the Baltic states when Bolshevism marched in, even though neither the people nor their governments had done anything to them. There is no turning back in our battle against the Jews — even if we wanted to, which we do not. The Jews must be removed from the German community, for they endanger our national unity.

That is an elementary principle of racial, national, and social hygiene. They will never give us rest. If they could, they would drive one nation after another into war against us. Who cares about their difficulties, they who only want to force the world to accept their bloody financial domination? The Jews are a parasitic race that feeds like a foul fungus on the cultures of healthy but ignorant peoples. There is only one effective measure: cut them out.

How stupid and thoughtless are the arguments of the backward friends of the Jews in the face of a problem that has occupied mankind for millennia! How they would gape if they could ever see their dear Jews in power! But that would be too late. That is why it is the duty of a national leadership to take all necessary measures to keep such a thing from happening. There are differences between people just as there are differences between animals. Some people are good, others bad. The same is true of animals. The fact that the Jew still lives among us is no proof that he belongs among us, just as a flea is not a household pet simply because it lives in a house. When Mr. Bramsig or Mrs. Knöterich feel pity for an old woman wearing the Jewish star, they should also remember that a distant nephew of this old woman by the name of Nathan Kaufmann sits in New York and has prepared a plan by which all Germans under the age of 60 will be sterilized. They should

recall that a son of her distant uncle is a warmonger named Baruch or Morgenthau or Untermayer who stands behind Mr. Roosevelt, driving him to war, and that if they succeed, a fine but ignorant U.S. soldier may one day shoot dead the only son of Mr. Bramsig or Mrs. Knöterich. It will all be for the benefit of Jewry, to which this old woman also belongs, no matter how fragile and pitiable she may seem.

If we Germans have a fateful flaw in our national character, it is forgetfulness. This failing speaks well of our human decency and generosity, but not always for our political wisdom or intelligence. We think everyone else as is good natured as we are. The French threatened to dismember the Reich during the winter of 1939

/40, saying that we and our families would have to stand in lines before their field kitchens to get something warm to eat. Our army defeated France in six weeks, after which we saw German soldiers giving bread and sausages to hungry French women and children, and gasoline to refugees from Paris to enable them to return home as soon as possible, there to spread at least some of their hatred against the Reich. That's how we Germans are. Our national virtue is our national weakness. We do not want to change all that much, and as long as our world-famed good nature does no great harm, why should we? Klopstock gave us some good advice, however: don't be too good natured, since our enemies are not noble enough to overlook our mistakes.

If this advice applies anywhere, it applies to our relations with the Jews. Carelessness here is not only a weakness, it is disregard of duty and a crime against the security of the state. The Jews long for one thing: to reward our foolishness with bloodshed and terror. It must never come to that. One of the most effective defenses is an unforgiving, cold hardness against the destroyers of our people, against the instigators of the war, against those who would benefit if we lose, and therefore also against the victims, if we win.

Therefore, we must say again and yet again:

1. The Jews are our destruction. They started this war and direct it. They want to destroy the German Reich and our people. This plan must be blocked.
2. There are no distinctions between Jews. Each Jew is a sworn enemy of the German people. If he does not make his hostility plain, it is only from cowardice and slyness, not because he loves us.
3. The Jews are to blame for each German soldier who falls in this war. They have him on their conscience, and must also pay for it.
4. If someone wears the Jewish star, he is an enemy of the people. Anyone who deals with him is the same as a Jew and must be treated accordingly. He earns the contempt of the entire people, for he is a craven coward who leaves them in the lurch to stand by the enemy.
5. The Jews enjoy the protection of our enemies. That is all the proof we need to show how harmful they are for our people.
6. The Jews are the enemy's agents among us. He who stands by them aids the enemy.
7. The Jews have no right to claim equality with us. If they wish to speak on the streets, in lines outside shops or in public transportation, they should be ignored, not only because they are simply wrong, but because they are Jews who have no right to a voice in the community.
8. If the Jews appeal to your sentimentality, realize that they are hoping for your forgetfulness, and let them know that you see through them and hold them in contempt.
9. A decent enemy will deserve our generosity after we have won. The Jew however is not a decent enemy, though he tries to seem so.
10. The Jews are responsible for the war. The treatment they receive from us is hardly unjust. They have deserved it all.

It is the job of the government to deal with them. No one has the right to act on his own, but each has the duty to support the state's measures against the Jews, to defend them with others, and to avoid being misled by any Jewish tricks.

The security of the state requires that of us all.

[Notes On The Subversion Of The East](#)

This is from an answer to another thread:

With the situation in the East and Far East the original culture model was men where considered the Deva and women the Devi. Each had a sacred role to play within the cultural model. This still survives in parts of Hinduism where upon a females first period. She is considered a Goddess as she now has the power to create life.

The deal is by a thousand tactics the enemy injected their doctrine over time into the East. By the covert enemy ideology OF Buddhism which openly considers women inferior on every level to men. Its Catholicism with daily basic meditation to help one obtain extinction of consciousness upon death. Buddhism went into the Far all the way to Japan. It didn't get all that far into Japan but enough to change the cultural norms and assign women to an inferior property status. Same in Tibet. So Buddhism did to women what Christianity did.

Hinduism as one Indian scholar put it is.....Just covert Buddhism. The cultural terraforming of centuries of Buddhism as an Imperial Religion and the networks it created kept it strong enough to alter the social belief forever more. The reformation back to the Vedic paradigm which was under way in the first thousand years ACE. Was destroyed by the subversion of crypto Buddhist doctrines into the Vedic terminology fully. With the final stealing of cultural terms by the enemy and the assigning of their meanings behind them. It was over. The greatest Saint of Hinduism who saved it. Actually destroyed it as with subversion, it was very Hegelian. And was denounced as such in his time. Also that ridiculous pseudo Vedantic, clownery of Shankara, it as the Tantric commentaries prove actually debunks itself totally as nonsense. Just pick up the Brahma Sutra's and prepare yourselves to be.....bored. They actually debunk themselves in their arguments and people are revering this armpit fart on paper as something lofty and true. Did they ever read it? If they did they should read it again and again till its ugliness and clownery sinks in. Its such a clown show Shankara was the original Juggalo.

Of course all we ever got dished up in the West was this pseudo Vedantic crap which amounts to hundreds of pages of Shankara going: "Fucking Brahman how does that work?... Brahman everywhere in this bitch."

No mistake Guénon was pushing this as the apex. It fits with his overworked left moving, theological brain. That drove him to become a freaked out freak for Islam. It fits with the Abrahamic tradition of "How many angels can dance on the head of a pin." perfectly.

The original Vedic esoteric knowledge lived in the Tantra, and points to the truth. Where spiritual realization and truth wanes, speculation begins.

Then with the Islamic invasions over hundreds of years what Hinduism started to look like its current model. A Islamic wannabe, worship cult, this is how Sikhism formed. They absorbed a lot of the Islamic norms its around this time the erotic temples are no longer built and the Hindu regions even shift to Mogul architecture. This is where we get this Henotheist to crypto Monotheist attitudes and believes of current Hinduism. They were aping the Muslims. Its around this period the very Abrahamic looking devotion cult of pseudo Bhakti becomes the norm.

Then comes in the Christians under the Raj period imposing further Abrahamic norms on the population. Along with this the Jesuits who have been in India for awhile by this point. Have been traversing the continent removing any remaining spiritual knowledge buying and stealing all the Tantra's up they can. And this is mostly likely where more and more remaining knowledge gets corrupted to make sure those that want to advance don't get anywhere and are powerless against the enemy programs. However the corruption of spiritual knowledge started with Buddhism which is obvious by the tenants of Buddhism itself. But thousands

of years of Tradition can't be removed just like that with subversion it takes the forces of another type of revolution. Since the Tradition was based on the practice of spiritual knowledge they had to corrupt the Tantra. This is proven in Tantric Buddhism which was brought up from North India from the Pala Kingdom. Naropa himself was stated to be a great scholar and teacher at Nalanda university. Having studied dozens of Buddhist Tantra's they are all very corrupted. Which allowed the Communist's to sweep Tibet away. Just as centuries of such corruptions and psychological subversion allowed the Muslims to do the same to the North regions of Buddhist India.

Something at the locus of this reveals itself quick. The Jewish Therapeutae:  
<http://www.jesusneverexisted.com/buddha.html>

There are records from Alexandria that indicate the arrival of a steady stream of Buddhist monks and philosophers. They would surely have contributed to the philosophical speculations and syncretism for which the city was noted.

In particular, it seems the original Therapeutae were sent by Asoka on an embassy to Pharaoh Ptolemy II in 250 BC.

Philo Judaeus, a 1st century AD contemporary of Josephus, described the Therapeutae in his tract 'De Vita Contemplativa'. It appears they were a religious brotherhood without precedent in the Jewish world. Reclusive ascetics, devoted to poverty, celibacy, good deeds and compassion, they were just like Buddhist monks in fact.

From the Therapeutae it is quite possible a Buddhist influence spread to both the Essenes (a similar monkish order in Palestine) and to the Gnostics – adepts of philosophical speculations."

As shown here:

The Jewish Creation Of Christianity:  
[topic542.html](http://www.jesusneverexisted.com/topic542.html)

The Therapeutae created the Christian program. Jainism of which Buddhism is just a covert form and thus Buddhism as well is simply.....Communism with spiritual pretense, like Christianity. Originally this psychology only comes from one race of peoples mind. The Jews, as the famous Jew, Weininger states in his book "Sex And Character" on page 311. "The Jew is a natural inborn Communist." There are also many other statements from Jews mentioning the same. This is in their soul. At the point of such programs as Jainism, Buddhism and Christianity. The Gentile world was still Vedic. And Jainism and later Buddhism was always considered subversive and anti-Vedic. Leading to more than one cultural conflict in India in the past. Sometimes violent, as the two worldviews are totally opposed to each other. Which is why today the core of Dharma [Hinduism] in the East. Is the eight fold path of Jainism. The Indian scholar is correct.

The Jews have been in India for thousands of years probably among merchants and money leaders from the evidence. And where from the above evidence behind injecting subversive movements into the society just as today and yesterday and the day before that. Its what they have done their whole history. We come to a psychopathic ruler Assholeoka, who after murdering his way to power and resorting to destroying the freedoms of whole peoples and extermination policies against them. At some point understands psychological control is more effective. Perhaps he can't fight another decade long war.

So he uses this Buddhism to become the way to power and it allows him to bypass the Brahmana, class who are the aristocracy of the period as Theology was ideology and Theocrats ruled. And the Brahmana where originally the same group as the royal-warrior class. This allows Assholeoka to create a new ruling elite and ideology depended upon and totally loyal to him and his regime. This was done before by Akhenaton in

Egypt and caused a civil war to restore the sacred tradition.

So Assholeoka of whom is not alone. There is never one man its always a incorporated trust of powerful individuals, families and networks behind the scene. Turns at some point to these people who have the wealth and ideology to create the new regime he wants. So they incorporated as an organized crime collective. This is the exact series of events that happened in Rome with the Flavian dynasty's creation and rise to power. And noting the Jews where among the power elite in the Roman Empire to become the core of the New Caesar dynasty. Its predictable they where in the Eastern Kingdoms and Empires as well. Considering India was the hub of civilization and wealth. The Mauryan Empire was a superpower at this period. At this point they found their opening. One can still on a Indian synagogue wall a plague from the local King in the past. Openly declaring the Jews above the laws, and even taxation, thus granted Royal privileges.

The city, Shankara was form had the largest Jewish population during the time he was around as well. He ran a operation typical to what Jewish Luther did in Europe later. Wonder how despite being denounced by many Brahmana's and scholar's his works had the network, time and money to be placed out front. When there where hundreds of others. The movement to destroy the Vedic world was going on for awhile before this point. The Bhagavad Gita also reflects this. Indian scholars have stated it was originally wrote to protect the Vedic tradition against such forces mainly Assholoka's Buddhism and the character of Arjuna was a swipe at Assholeoka propaganda about himself. But as they also highlighted the Gita has been written and rewritten and altered by anti-Vedic interests in return till it no longer recognizes its original text. Which is obvious its full of enemy doctrines and contractions. It was altered till it became a core document for the current anti-Vedic paradigm.

Of course the people who think its some holy book that God spoke also believe Shankara's clownery is epic as well. Its the same in the West with those who hold the fictional Bible in the same light. Garbage in Garbage out.

This is why the eugenic movement in America fell flat on its face in time. It had no real great aim carried upon the banners of a higher world ideal. So it dissolved back into its bean counter, bourgeoisie mentality. It was a house build on liberal sand.

I know founder of it was Darwin's cousin, but I'd appreciate peoples opinions on it.[/quote]

American eugenics' had a strong liberal capitalist nature and where aimed upon a platform of bourgeoisie morals [Judeo-Christian influenced]. The church lady coming around to sterilize all the Oscar Wilde's and too slothful to count the beans and turn the wheels of the machine. And those who drink to escape the nightmare of the liberal capitalist world. And its soulless, social-economic, caste system of materialist toil. In-between some droolers. Helping along some smarts to better make some money and carpet cling to moralist sentiments.

National Socialist aim of eugenics' was the opposite. It had an aim of collecting the best racial elements and carefully cultivating them over time into a new superior type of man and women to reform the primordial core of the race. To create a new racial aristocracy with a perfected, blood heritability the superior culture creating and carrying elite. Which in time the whole race was evolve into as these policies where applied to the whole nation on a soft level. But the SS was the direct method that was aimed to a fast track. This was the ideal of the classic or Pagan civilizations. I believe they where looking at Metagenic's as well. Given the Elite of the SS where all required by orders to practice Tantric Yoga [Kundalini Yoga].

The National Socialist eugenics' policy was a total denial and dismantling of the liberal, capitalist, bourgeoisie worldview. Creating a new racial, blood elite to rule. Not a money class on liberal bourgeoisie values. Who are by nature not entitled to leadership as they don't have the nature for it. And simply turn the world into one big corporation that destroys society and the best elements of it. Get them beans, baby. He who has the most beans wins, with one big, bean to rule them all.

This is why the eugenic movement in America fell flat on its face in time. It had no real great aim carried upon the banners of a higher world ideal. So it dissolved back into its bean counter, bourgeoisie mentality. It was a house build on liberal sand.

Understanding National Socialism  
Translation by High Priestess Myla Limal

[http://spiritualwarfare666.webs.com/Satans\\_Library\\_Updates.htm](http://spiritualwarfare666.webs.com/Satans_Library_Updates.htm)

Introduction This article arose from the need to clarify both those who already consider themselves National Socialists while having a limited knowledge of their doctrine, and especially to those who are opposed to National Socialism. Those who never had the opportunity to study it thoroughly and know it by a version that was not from the enemy and thus able to take fair and sensible conclusions. It is an opportunity for our opponents, who were often manipulated to understand the truth about us, to unconsciously fight us and to collaborate on the same system aimed to destroy us. Many of our enemies have become aggressive towards us for finding a feasible solution. As well as to get rid of all the prejudice created by the propaganda of the mass media to defame us. The present article is an attempt to illuminate and clarify the truth about the National Socialist worldview, which was maligned and persecuted for decades by people who sought to protect the People's revolt against the power of money and the dictatorship of interest. Throughout the twentieth century, it was never given to the National Socialists the right to counsel or the opportunity of a fair and democratic debate. We were persecuted in many countries around the world; our ideas have been distorted to become repulsive and manipulated. Historical data was falsified to prevent people from knowing the true character of facts. Our books were burned, confiscated and banned. Our authors persecuted, denounced, exposed, and trapped. Thus, our inquisitors proved that we are

a threat against the government, against international Zionism, against the system, against the power of capital, and against the bourgeois individualist mentality. All have tried to silence us, to trap us, and even kill us, yet they can never imprison or destroy an idea. It's time for revolt, a revolution against the Modern World, the hour of our freedom's cry. It's time the gag fell to the ground. This text is divided into six fundamental issues that are the cause of a major misrepresentation of the truth about National Socialism - questions that many who call themselves NS did not reach a clear understanding - and one for personal reflection.

1. Is National Socialism "right-winged"?
  2. Is National Socialism capitalist?
  3. Is National Socialism "racist"?
  4. Is National Socialism Fascist?
  5. Is National Socialism a dictatorship?
  6. What about the Holocaust?
  7. Could I be a National Socialist?
1. Is National Socialism "right-winged"?

It is needed to begin with this topic because it is one of the most common distortions about what National Socialism really is. Numerous National Socialists believe it is right-winged, but without understanding what the correct meanings of "right" and "left" wings are. The term originated in the days of pre-revolutionary France, where those who wished to retain the system of government would sit in the right side of the Assembly, while those fighting for radical changes would sit to the left. Thus, the term "right" has been used to define the reactionaries and conservatives, and "left" to define the revolutionaries. A rating of "left" was used predominantly by Marxist and anarchist groups because they usually engaged in revolutionary struggle. However, these terms do not apply according to the nature of the doctrine, but with the time and political situation of the moment. For example, in the times of Tsarist Russia, the Bolsheviks, because they represented a revolutionary movement, fitted to the left. However, when Marxist took power in 1917, he no longer represented any revolution to become of the situation; therefore, all manner of opposition to his regime would be left as Marxists would now be conservatives. Due to the frequent use of the classification of "left" by these groups of libertarian Marxist-Leninist orientation, it became common practice for any other doctrine in opposition to them to be labeled the "right", and many National Socialists accepted this label, even though erroneous. A Revolutionary Force "(...)"

National Socialism is a new conception of the world that is more severe in opposition to the current world of capitalism and bourgeois Marxists and their satellites." Gottfried Feder - The National Socialist program of the German Workers' Party

The major problem of the National Socialist Movement after 1945 was to ignore the changes taking place in society and continue living in the past. While other movements were growing, evolving, and adapting to the needs and problems of the time, others stayed stagnant, still living in the first half of the century. Few realized how many of our situations had changed, and that society today is not the same as 30 years ago. It is necessary to focus on the problems and the current present policy, adapt, and do something practical. We consider the Modern World and the current Western "civilization" as our greatest enemies. It consists of an absolutely materialistic and capitalist society with a bourgeois and individualistic philosophy. An empire built by self-interest and selfishness. An empire built not for the people, not a cultural or spiritual empire, but one formed by System oligopolies, monopolies, large corporations, and mass media unhealthily funded by an immoral and anti-national state that protects the interests of the powerful and of Zionism. Thus National Socialism seeks the total destruction of the Modern World. We want to end this era of decadence and the beginning of a new one. We want to preserve our culture and restore our roots, but we are not, in any way, politically conservative. We do not want to save the current degenerative values, do not want to keep a

capitalist system or a corrupt government that acts against the interests of the people and doing nothing to keep our cultural heritage and preserve our race. We do not want a state that does everything to remain silent and that promotes the destruction of a culture of millennia.

We do not favor the current (dis)order, but the fight against it. Our goal is their total annihilation. Abandon the perverted and selfish mentality incompatible with our collectivist nature. We believe in a violent struggle against the system to its destruction and implementing something new and fair. We will deploy the true National Socialist order. We're the ones who fight for the building of the spiritual greatness of man and cast out the interests of materialistic and selfish spirit. We wrestle not only for liberation, but for creativity and freedom. One should realize that the cause of our present condition and persecution are Western governments. They hate us, protect only the great interests and will do anything to prohibit us and imprison us. For them, culture and race mean nothing, only economic issues. Support such governments anyway is to prevent and delay the National Socialist Revolution "... The condition which must precede every act is the will and courage to speak the truth was forgotten - and now we do not see it either in the right or the left." Adolf Hitler - Hitler's Speeches, Baynes. Vol 1 The Institute of International Affairs. 1942 National Socialism never said it was "right", this term was applied to us by the enemy media, only individuals who poorly understood and a few rock bands still carry it. Collaboration with political parties whom are "right" is a total waste of time and also a great contradiction. Most of them hate us and will be the first to fight an insurgency of National Socialist. Parties are not represented by the National Socialists because space is not allowed within said "democracy." We are in total opposition against the dictatorship of money and the forces of international Zionism.

The "left" and "right" wings mean nothing to us, we overcome such labels. We are collaborating with groups aimed at the destruction of our system and government. Even if such organizations have different ideas or even contradictory to ours, we have a common enemy: the System. We march separately, but we attack together. When we quarrel between us, the system will be strengthened. National Socialism is the end of an era of decadence and the beginning of an era of prosperity. Our goal is Year Zero, the renewal of a time, so we are totally revolutionary.

2. Is National Socialism capitalist? "We therefore call for:

11. The abolition of money obtained without work or effort.

12. In view of the enormous sacrifices of war requires that all assets of the people, personal enrichment in the war must be regarded as a crime against the people. Therefore demand the confiscation of all war profits.

13. We demand the nationalization of all monopolies.

14. We demand a share in the profits of big business.

15. We demand a generous extension of social assistance to the elderly

17. Demand a land reform suitable to our national requirements, the creation of a law for the free expropriation of land for the purposes of the common good. Abolition of the agrarian interest and disabling all speculation with land.

18. We demand the ruthless struggle against those who with their activity detrimental to the common interest. Criminals of the people, greedy speculators, etc... Will be punished with the death penalty, irrespective of their religion or race.

19. We demand the replacement of Roman Law serving a materialistic world order by a German Community Law

(...) The common interest comes before the particular interest! " Adolf Hitler and Gottfried Feder - The 25 points of the German National Socialist Workers Party (1920) Blood Against Gold National Socialism understands that the welfare of the community comes before individual interests of any other group. To National Socialism, money is merely a factor of exchange of material goods, a way to mathematically evaluate the work of man for the realization of future exchanges - what we call trade.

All have the right to reap the benefits of their work, provided it is productive and honest. In National Socialism, there is no difference between manual and intellectual labor, no labor divisions when it is honest. We are totally against large corporations that aim to rampantly profit through cruel and immoral ways before the good of the people. We are against companies that destroy the environment because they are more concerned with money than with the future and the world welfare. We, National Socialists, were the first environmentalists in history!

Globalization is a phenomenon that marks the strength of usury and selfishness. It's the end of borders to the deployment of a global economic system that favors only large elites and not aimed at cultural preservation or the people, but only profit. The internationalism, by overcoming borders, destroy the national culture and promotes a consumerist Yankee anticulture totally à la McDonald's. The TV, an alienating instrument discloses this materialistic lifestyle and numbs society with futile and stupid fun, diverting their attention from the decay of reality. The system, as a capitalist agent, promotes mass immigration in order to acquire the provision of manpower for the employers that intend to reduce expenses and increase profits with no concern for the workers. Prejudice against national workers devalue the work quality,

impoverishes the working class, increases crime, and deploys foreign cultures in nations that should be preserved. "The struggle against international finance capital and the loan has become the most important point of the fight in the nation for its independence and freedom." -Gottfried Feder Financial speculation is not intended for production, just unbridled profit without any kind of contribution to society. In National Socialism, just the job can be a source of wealth. Money cannot create money, money is not the product, and it is the exchange factor. The capital only fulfills the role as intermediary, it has no value alone. National Socialism supports free enterprise, provided that it is applied in accordance with the principles of the National Socialists. In contrast, big capitalists will use cheap labor from people outside the community – which harms it - for a cost reduction. Also we do not be hesitate to give the due rights of workers or to treat them in a malevolent manner to benefit us. The NS believes that the honest employer and employee can work together in mutual respect in a healthy and balanced environment. Marxists deny culture and race as immutable identity, replacing them by social class, but there is no such thing as a social class. The worker is not and never was an internationalist by nature, he is patriotic – he lives in a community, and has a bond with the land they work. Internationalists are the agents of globalization, bankers, businessmen explorers who cannot see country or nation, but only money.

The spirit of National Socialism is a violent and radical opposition to the spirit of capitalism. It is the rebellion of the creative spirit and sincere human nature against exploitation of power and money. We are engaged in a struggle against capital and financial speculator. National Socialism is the sense of spiritual unity and cultural identity against the forces of greed and selfishness. The Social Revolution "I was and still am a child of the People. Was not by capitalists which I started this fight, but the German workers who took my attitude." Adolf Hitler

The National Socialist German government increased the vacation of workers significantly, reduced the working day to eight hours, and applied a policy for welfare officials to give 2 hours a day of rest with play areas. In a year in office, factories and stores were remodeled following the highest standards of cleanliness and hygiene. Unemployment in millions (Note: Hitler took power in 1933) In three years, more than 23,000 stores were remodeled, 1,200 sports fields, 13,000 toilets and 17,000 canteens were built. More than 6 million jobs were created in only 4 years and the unemployment problem was totally solved. Every German should pay one year of community work to rebuild the nation. Inflation was controlled. Speculative institutions were closed and the unjust profits of bankers, confiscated. The historic National Socialism has proved to be on the side of workers. We represent a worldview that believes in man, who believes in honest and productive work, in the sense of civilization - when the individual understands that they are part of a people and working together for posterity. The determining factor is character, the effort, the work, the individual's will-power, and not the bank account. Already passed the times that tolerate the big bosses and the shareholders that have the destiny of our lives in their hands. National Socialism is the rebellion of man against the power of money. National Socialism is the true voice of the working class! National Socialism is socialist! 3. Is National Socialism "racist"? The enemies of National Socialism did everything to create and link us to a picture of ignorant and prejudiced. They established policies of "racial hatred" in our own nations and the lie that we are "odious" as an excuse to shut us up. By using this pretext, we were persecuted, imprisoned and crucified by the system, and was never given the right to reply.

What the enemies of National Socialism want is for the general public to not know the truth about our ideas and understand our worldview. In fact, our opponents are terrified that people understand the truth about National Socialism and that we stand for high values. His great fear is that the people rebel against the power of money, against the government and against a decaying system. Race and Natural Laws "Think that the fundamental basis of its existence must be to their ancestors." Walter Darré, La Política Racial Nacionalsocialista To National Socialism, the races are manifestation of the work of millennia of natural evolution and creation of human diversity. Race is the way in which nature is manifest in us. Destroy and amalgamate races - any race - would destroy all the work of Nature. It should preserve and cultivate our own strain, the legacy of our ancestors, our history and culture. By preserving the blood, we grow, collaborate and evolve with nature. We do not want and do not believe we have the right to destroy, exterminate, or impair any other race. National Socialism follows the concept of personal honor and respect for others people. We want our people as well as everyone else to create a mutual respect and be proud of their own culture, their traditions, and history. Blood and Soil There is no denying the existence of the various races that make up the human species. When we study history, we observed that different cultures are reflective of different races. The argument that races do not exist very often is a myth currently promoted by governments and systems that profit from the creation of multicultural societies. National Socialism believes in the principle of Blood and Soil. Blood is the cultural heritage that we owe to our ancestors and how the ethnic community.

When people share the same origin, creation and traditions, when they have some common ground, a land that their ancestors fought and cultivated for the future, have values and a similar conception of the world, they think and react in a similar way. If the emancipated individualist sentiment is for a sense of community; people tend to care to each other, and are not isolated individuals but members of the same people. This creates a sense of identity and bonding. This feeling is undeniable human and natural. When it exists, people work together, for the collaboration with each other to create the civilization. The Modern World is based on the materialist and capitalist world. It has nothing to do with the idea of community or cultural preservation; it is governed by a consumerist and individualistic anticulture. There is no attempt to maintain or grow the natural groups. The moral of modern societies is the pursuit of personal happiness, which would meet only with the accumulation of capital and material goods. There is no supreme value or spirituality as in National Socialism.

As we are born into a certain environment and are created in a given culture we rarely think about the origin and reason for the existence of communities, societies and nations from which they came (which goes beyond history) and what really unites us all. The Community is the natural and historical consequence of the formation of any people who, over time, through marriage between persons will naturally develop a culture, a set of principles, a way of seeing the world, reaction to certain things, consequently a common history, which creates an identity and a bond. This identity and bond is natural, which has always existed in all tribes and communities of all cultures since the existence of man. This relationship creates a duty and a concern with people with whom we live, there is the goal of working for the common good of you care about. The main point of this question is to try to understand the essence of the multicultural society. Obviously no community (see that there is talk of society) is multicultural since the beginning, then what is the reason for the clustering of people from different cultures, races and principles living in the same space? What unites them? Is it a culture or unique identity? What would be the affinity between these millions of people? The answer is simple: money. The only thing that holds it all together is the system of production-labor-consumption. These are societies in which the essence is materialism and personal gain. There is no bond or mutual concern. As immigrants are people who leave their homeland to go to another to do well, earn money and spend more ("a better life", as sociologists would say). Can you imagine an Indian out of his tribe and abandoning his people to go to another? Only modern societies try to replace that sense of community values such as the eternal search for personal profit, that money is more important than the people. The only reason for the existence of a multicultural society is trade and money, only this. Therefore, anyone, even where it is anti-capitalist, attacking "racism" would be a natural reaction to defend their space and culture. They would defend any multiracial society, and multiracialism itself, while advocating a society with no essence, history, culture or human bond, but only a system that makes use of the product for his people as purely capitalist interests. There is no reason for the existence of multiculturalism, only the capitalists profit from materialistic and individualistic societies. Exploitation only happens in multicultural societies, not in organic Communities where there is a mutual concern among people. It is perfectly natural that each race has their nation and territory, and that they can live according to their laws, cultures and values. Therefore, the current societies are multicultural, and all multicultural societies are fundamentally individualistic, materialistic and decadent. The multiracial idea promoted by degenerate sociologists, social engineers and by most Western governments is the idea that countries and nations exist for the sole purpose that individuals must live in search of money for their individual self-realization. It's time we faced the National Socialist conception it is not an abstract idea, but a natural human feeling and a reality. Facing Reality The truth is that racial conflicts do not occur when there is the existence of ethnic Communities, wars and cultural clashes occur only in multiracial societies. It is the instinct of self-preservation that creates hatred and discord, but thanks to multiculturalism that puts different people in the same states, which defends the interests of one another while attacking.

The harsh reality is that multicultural societies do not work. While there are groups of people with values, religions and culture in one location, I.E. a way of seeing the world, they react to certain things in a different way. There will be hatred, discrimination, prejudice and war. It is in the nature of human beings to identify with his neighbor. The bonds formed by the origin, creation and tradition are a reflection of the power of the blood and form our worldview. Different people and cultures have different views. Ideally, each ethnic group has its territory and nation to live according to their laws, their customs and culture farming. The word "racism" can have many different connotations. Some use it as hatred of one race to another, others that it is self-preservation and worship of ethnicity and culture. The point is that National Socialism is a doctrine of love, pride and honor. If there are legitimate multiculturalists, we are. We believe that all races should cultivate their own culture and that the mixture of these creates conflict and destroy them. We do not want the annihilation or inferiority of any race, but the preservation and evolution of human diversity and their differences.

For more on this matter, see: [http://gblt.webs.com/David\\_Myatt.htm](http://gblt.webs.com/David_Myatt.htm) 4. Is National Socialism Fascist?

There is much misinformation when it comes to Fascism, and because of this is that most people who talk about it have no idea about what it is really about. The term is often used to define the European nationalist movements and anticommunist character - especially the first half of the twentieth century. In fact, the term "fascism" seems to have no single explanation, since people use it for what they understand, as well for nationalist movements or to any political side which is opposite - pejoratively. National Socialism is almost always related to the fascist movement of the 1920s and also by many regarded as a "fascist ideology". It is often said that the NS is a branch of the movement of Mussolini, or that somehow had been influenced by this, or even a racial Fascism with applied principles. All are false claims of defamation and speculation. Is National Socialism originated from Fascism? Both the Fascist Party and the National Socialist German Workers Party (NSDAP) began in the year 1919. Thus, the two movements have emerged around the same time, with no contact between them. The reason there are certain similarities simply because they were born in a fertile historical context for nationalist and anti-communist groups.

While National Socialism arose from the formation of a Worldview, Fascism emerged as an anti-ideological movement, which was only based on the post-Marxist unionism. Fascism appeared as a system of circumstance, a reaction to communist and anarchist advance in Italy. Fascism did not have a specific doctrine as National Socialism, just a plan in relation to counterrevolutionary movements of the Red. In Mussolini's manifesto there was no point or any trace of doctrinal or spiritual inspiration, just plain political demands such as women's suffrage, reorganization of the transportation sector, reducing the retirement age, abolition of the Senate, etc... Almost no revolutionary measures compared to those of the National Socialist movement. In 1922, during the March on Rome, where thousands of Black Shirts put Mussolini in power occurred. On November 9, 1923, the National Socialists try the same thing in Munich, and failed, resulting in mass arrests, including Adolf Hitler himself. It was this, if in any way, National Socialism was inspired by Fascism. National Socialism was the idea of a coup and the formation of paramilitary groups like the Black Shirts and SA. In 1920, Adolf Hitler and Gottfried Feder had formulated the 25 points of the NSDAP and in 1925, the book *Mein Kampf* was published in Germany, while Mussolini had nothing but a nationalist and anticommunist discourse. The achievements of the Fascist Party were merely political and administrative, lacking a doctrine or as a complete worldview National Socialism. Then, in 1932, the term "fascism" appears on the Italian Encyclopedia in a space of 37 pages full of photos and graphics. This was the only attempt by Mussolini - Ten years after coming to power - to include a doctrinal and philosophical aspect in his movement. Although the text is signed by the Duce, it is known that it was written almost entirely by Giovanni Gentile. This same text is then published in book form in 1935 - ten years after the release of *Mein Kampf*.

Although Hitler and Mussolini cultivated a friendship for years, no one was carried away by their opinions, which were almost exclusively political and economic. They had advocated a vision of a completely new world. If Adolf Hitler admired the Duce it was for having led Italy as the first European country to contain communism, never for their ideas. If the fascist movement inspired Hitler and National Socialism it was only at the practical level: the idea of the coup - later abandoned by Hitler - and the creation of SA. However, it is much more likely to National Socialist Worldview had inspired the Fascist attempt at creating a doctrine. Some measures and Ideas of a Corporative Fascist State The Fascist philosophy never had any racial character before contact with National Socialism. In fact, the 1st current anti-Zionist Fascists does not appear until 1938 - five years after the arrival to power of Hitler and Mussolini. The most surprising is that there was a reasonable amount of Jews in Fascist movement and often occupying important positions, and even after 1938, very few

of these Jews lost their positions in the "Italian" state. The Fascist State declared that foreign Jews over 65 years of age, and before 1938 contracted marriage with Italians - the same miscegenation that the National Socialists were trying to PREVENT with the Nuremberg Laws - were now considered Italian.

The Jews do not assimilate; they infiltrate a state from within and become parasitic. The Jews can never be regarded as European. Just merely political vision and state of Fascism and other current "democracies" may accept Zionists in their homeland and still call them national! Is it possible to be Fascist and National Socialist at once? Almost no one knows the similarities between Fascism and National Socialism, but their differences are much more crucial. "The state is a means to an end. Its purpose is the conservation and progress of a society from the point of physical and spiritual sight." "The human right overrides state law." Adolf Hitler By National Socialism, the state is a means of preserving the breed, to improve the human being as an organic instrument created by man for man. The State in the National Socialist conception exists only as the people accept it as it exists for them. Only races create culture, values and civilization. The state preserves and cooperates only in its progress. The state is the political and administrative implementation of a series of values developed naturally over time by the people itself. "Nothing outside the State, nothing against the State, all for the state" Benito Mussolini

For Fascism, the State is all. The State formulates and implements the life of man. Individual needs are suppressed, while the purpose is ALWAYS the state. The state does not exist for man, but the man for the state. The state produces; the state creates the nation and people. Fascism never believed in a natural and organic community, had no consideration of the blood, or even the people, it was just a model of state policy in a geographical area bounded by maps. Fascism does not differ much from the current "democracies" that are merely as political states without preserving race and culture with no great moral or value. As European governments now accept immigrants and not Aryans, the Fascist State also accepted them and still regarded them as legitimate. The Fascist conception of the State is, in principle, purely political and administrative. It is thus, totally unnatural and therefore anti-national Socialist. The Fascist worldview is in perpetual conflict with ours, so there would never be a state that was both Fascist and National Socialist. Several of those who proclaim themselves National Socialists also consider themselves Fascists - usually because they are of Italian origin - but this is just a demonstration of ignorance and no study on what Fascism really is.

It is absolutely impossible to be Fascist and National Socialist at the same time because they are radically opposed ideologies and doctrines at crucial points. National Socialism presents a worldview grounded in the Natural Laws and moved by noble ideals where conservation and progress of the people is the purpose of life, and through the state, this purpose is achieved. As for Fascism the people are nothing, the state is everything and people are only subjects. We have nothing to do with the fascist "doctrine". A National Socialist is just a National Socialist. . 5. Is National Socialism a dictatorship? Due to decades of enemy propaganda, the image in which the National Socialist government was portrayed was with that of oppressive terror, suppression of freedom and a harsh and dictatorial regime. The reason for the opponents of National Socialism creating this image was to frighten and create a false impression of the true objectives of a National Socialist State.

It is alleged that a dictatorship is created simply by dissolving parliament and doing away with the current "representative democracy" at the time. The truth is that the German parliament was formed by politicians who only represented the interests of rich and powerful and that they had delivered the nation's destiny in the hands of bankers and all kinds of unscrupulous capitalist, leading the country into one of the biggest economic crises ever seen. Power was divided between numerous politicians - in the most dishonest manner - with different political ideologies, forming a government without any responsibility,

moral or personality. National Socialism replaces this system of false democracy and applied the principle of natural leadership, which had a representative and accepted by the people who worked for the interests of this. Adolf Hitler, who as a young man and was a volunteer in the war to fight for their nation, took full responsibility for the fate of Germany and the Germans. He had all the confidence of the people to fully reform the country, improved socioeconomic conditions and ended the unemployment crisis in a short time. He also created new institutions such as the Front Work and Hitler Jugend to restore noble values, and thus build a new society. True Democracy There is the illusion that representative democracy is the best and fairest way to known government. It is the idea that the mere voting will ensure the people a chance to elect candidates who reflect their personal interests - and the individual vote - and thus have control of your own destiny.

The truth is that elected representatives do not necessarily represent the interests of the community - especially when it is a company incorporated in individualistic ideals. Democracy in its true sense is not about voting in any election in a given period of time. Democracy and freedom are inseparable, not something selfish like simply voting. Democracy is a responsibility, to be part of the community and collaborate with it in an honest and positive way. The principle of leadership, Hitler was just a man ahead of his people, a driver of the masses. For him the confidence that incorporates the feelings and real desires of the nation, and thus has full responsibility for their actions and omissions is granted. "With this appeal to voters I intend to show others that governments True democracy is with us and do not hesitate to appeal to people. I do not I believe that any government that had guaranteed power for a term of four years would be prepared to consult the people within seven months." Adolf Hitler - November 6, 1933 Adolf Hitler was greatly loved and admired. To him was given the trust of the German people, which was always consulted and, at some point - no matter what Hollywood attempts to show - that trust has been betrayed or Hitler acted against the will of the nation. Although there are dozens of film about "German resistance" or any dissent against the National Socialist government, it is known that the traitors and opponents of the state consisted of no more than 10% of the population.

On March 29, 1936, just over three years after Hitler's rise to power, a chance was given to the Germans to approve or disapprove the National Socialist government. There was an election based on pure propaganda just as nowadays, but a query to the people about actions and changes have already taken place. The vote occurred under any kind of coercion, force or intimidation, as observed by all present. The approval German was 44,461,278, which consisted of 98.8% of the votes. A number never before seen in history. In 1938, the people of Austria and Germany had the opportunity to decide for or against unification of both countries. The approval of the Austrians was 99.73% of the votes, the German approval was 44,362,667, representing 99.02%. With the highest rate of approval in modern history, how can Hitler be the cruel monster and dictator portrayed by television, Hollywood, and every other bit of propaganda say he is? Obviously, opponents of National Socialism have a profile and interests to hide. After all, it was the bankers and capitalists who were expropriated by the state. It was the ruthless bosses who were forced to reform its factories, businesses and more rights for workers. Therefore, the National Socialist government reflected the genuine form of democracy. This was no candidate with more money and more resources for advertising elected by people concerned only with themselves and financed by profiteers, but in a real democracy, a real approval by the People.

National Socialism is a real democracy by forming an organic state representing the true feelings and interests of the People. There is responsibility and mutual trust. The state is not formed by lies, canvass, or even a simple win 50% of votes, but an almost total approval unprecedented in history. The National Socialist State is formed by the confidence and will of the nation. 6. What about the Holocaust? Hundreds of books and dozens of films are constantly invented with new dates to remember and writings for "celebrating" the Holocaust - the alleged genocide of six million Jews by the Nazis - in a semi-religious celebration. Of all the slander, this is the most used by the enemies of National Socialism lies spread by those who intend to destroy any attempt to reorganize

the National Socialist Movement.

Historians, many times biased and incompetent, which are using the same arguments as their predecessors - based solely on hate propaganda and lies - without even questioning or investigating what has been written, and so, working as true propaganda machines . They treat history as an exact science without allowing at least an answer or defense of the accused, and when this occurs, are not disclosed for fear of the Zionist lobby. Every version of history on the events during World War II was propagated by the victors. The National Socialists was never given the right to at least defend the charges. Sadly, history was written based on hate, propaganda and lies, not facts. Authors and serious historians who dared question the official story - the result of years of propaganda by Zionist – such as David Irving, Ernst Zundel, Robert Faurisson, Paul Rassinier, among others - with various Marxist political orientation and some former prisoners of concentration camps therefore unbiased - were banned, had their works banned and confiscated in several countries and some are in prison in a similar scheme to the Middle Ages. The Lies of Genocide The primary method for alleged genocide is the use of gas Zyklon-B in the gas chambers. The use of that gas has been proven to be scientifically impossible by the Leuchter Report - conducted by an engineer who works with gas chambers to exterminate convicts in American prisons. The gas chambers were actually built by the Soviets and Americans after the taking of the concentration camps, and their construction made it absolutely impossible to make any manner of extermination. They prohibited any of these serious and scientific analyses, and with the Leuchter report taken secretly, proving that the government has something to hide.

Nor is there any proof that there was any policy of extermination, oral or written order of genocide of Jews. It was decided that they should be expelled from Germany and, if possible, from Europe, but some currents of the time advocated the creation of a Jewish State in Eastern Europe, but never exterminated. The rest is pure distortion, slander and speculation. Historical Review The intention of the Holocaust revisionists is not to justify or make political and philosophical debates about what was National Socialism, but a fair and accurate historical analysis of what really happened and what did not happen during the Second World War. Thanks to the alleged Holocaust history, the Jews were given a piece of land in the Middle East called Palestine, and that is now called Israel. The State of Israel today receives billions of dollars in damages for the alleged crimes of Germany to arm against the Palestinian State. The Jews have become an unexceptionable people, because who denounces the Jewish state is branded a “fascist” or “Nazi”. And ALL of it depends on the myth of Jewish Holocaust victimization. Defenders of the official story never held a fair debate with revisionists, but prohibit them and imprison them because they are afraid that the truth is revealed.

We do not intend to delve into the study of revisionism here, but here are some pointers for those more interested in historical truth. Authors such as Arthur Butz, David Irving, Carlos Porter, SE Castan, Sérgio Oliveira, Ernst Zundel, Paul Rassinier, Robert Faurisson and also the Leuchter Report. For proofs that the so called “Hocaust” is a total hoax, you can see: [www.jewwatch.com/jew-ebooks-free-downloads.htm](http://www.jewwatch.com/jew-ebooks-free-downloads.htm) who.org/dl/DEU.html [www.ihr.org/](http://www.ihr.org/) 7. Could I be a National Socialist? After reaching a clear understanding of what National Socialism really is, the abandonment of the old lying massively produced conceptions and disseminated information after so many decades to defame us is necessary. The article presented is just a response to the false ideas and at the same time, a short introduction to the National Socialist doctrine free from distortion or tendentious interpretations.

Personal Revolution A true born National Socialist is predestined to be one. It is not enough to acquire basic knowledge, but owning a good-natured and decent instinct of an honorable person. Studying is useless when the personal essence is incompatible to the essence of National Socialism. Many who had ideas and a world view completely contrary to public opinion succeeded because they were National Socialist born. The National Socialist is an idealist who strives for excellence and struggles to create a new society based on noble values. Life ceases to be a quest for personal happiness and pleasures and

becomes a fight for what is right. We give up the individualistic, selfish and bourgeois mentality to live a dignified and honorable manner. We must realize that we are engaged in the biggest fight in history. Do not fight for money, social or territorial conquests, but for the preservation of life itself. National Socialism struggle for a new way of life, a way of honorable and honest life. We fight for something that is pure and correct. The destruction of old ideas and false values, and the understanding and acceptance of the new: the realization of a personal revolution is needed. The National Socialist accepts and understands the Natural Laws. We are a manifestation of Nature and a part of the environment where our actions influence to everyone around us.

We should know and be proud of the culture of our ancestors, as they are part of us, as we are of our children. What we are today is a product of our earlier generations. Our myths and our culture reveal the worldview of our race. The Aryan race has a noble and warrior spirit, a sleeping spirit but being awakened. The solution to our salvation lies in our own culture, our own values, and our own blood. Upon completion of the personal revolution, we find our salvation through self-knowledge, we find that answer when we look inside ourselves. Conclusion The way of life in National Socialist is walking the path of personal honor and awareness for what is right and just. The National Socialist is an example of the honorable person and noble spirit. We are seeking the creation of a New Man, a man willing to pursue their own destiny towards overcoming the selfish nature. National Socialism is in a quest for excellence and creating a better and more just society. Our hands are tied, bound and repressed by our own governments. It is impossible for a National Socialist not to rebel against the current situation where the world is this sick reality. We strive to achieve our own freedom, freedom where we control our own destiny. We are at war against time. Are you willing to face the hatred and persecution of enemies and traitors? Are you willing to challenge the tyranny and free yourself from the bondage we face? Will you forgo futile pleasures to fight for something you believe with all your heart and know that to be correct? Can you view life as a struggle for our own freedom? Even when we should accept repression and be silent? It's time to wake up; it's time to do something! It's time to stand up and raise your right arm! Subject: 2/04/14 - The Truth About the Bible

This seems to be one of the last steps in exposing Christianity. I haven't posted for a while as I have been making audio sermons.

<http://spiritualwarfare666.webs.com/Audio.htm>

This sermon is exceptionally important for everyone to listen:

[http://webzoom.freewebs.com/spiritualwarfare666/Bible\\_Book\\_Jewish\\_Witchcraft](http://webzoom.freewebs.com/spiritualwarfare666/Bible_Book_Jewish_Witchcraft)

.mp3

Unless we take some serious action in the way of working relentlessly to destroy Christianity and to alert thinking, intelligent people, the future is very grim. I wrote this sermon some time ago and everyone here should

have read it:

[http://gblt.webs.com/Bible\\_Jewish\\_Witchcraft.htm](http://gblt.webs.com/Bible_Jewish_Witchcraft.htm)

In my many years of research and study, I have found the bible is not the so-called "word of God" but is a man-made book of witchcraft, hence all of the numbers therein. This is used liberally by top Jews in power to enslave the world. Jewish ritual murder

subliminally ties into the Christian mass/service where the nazarene is the child sacrifice; "eat me and drink me" "this is the body of christ..." This son of jewhova, sacrificed by his father...i.e. murdered. In addition, the entire mass/service focuses upon the Jews, Israel and their fictitious history, creating a further subliminal tie. Believers are under a very powerful spell.

[http://gblt.webs.com/Jewish\\_Ritual\\_Murder.htm](http://gblt.webs.com/Jewish_Ritual_Murder.htm)

The bible is in nearly every home around the world, and in non-Christian countries, its twin, the Koran is the same. This is no different from the \$20.00 bill and the 911 incident, as the \$20.00 bill is the most common currency handled in the USA. The bible is pushed, it is in hotels, hospitals, nursing homes and is nearly found everywhere. It creates a powerful subliminal tie into the workings of Jewish witchcraft. Many believers have never read the bible, but rely on the interpretations of their corrupted preachers and the ramblings of double-digit IQ idiots, who claim this is the "good book" and believe Christianity to be a help to the poor and the needy and nothing more than a charitable, peace and love promoting movement. Nothing could be further from the truth.

This, like communism itself, is another Jewish lie; another Jewish "brotherhood" program that deceives believers with lies to get them ensnared. As with Jewish communism, intelligence and independent thinking is highly discourage. The mentally retarded are sacred and revered in Christianity, and with communism, the Christianity program [Jewish communism is the higher level of Christianity] goes a step further and mass-murders intellectuals, in what are known as "purges." The "intelligentsia" are one of the first groups of people to be destroyed whenever Jewish communism forcibly takes over a country or area.

The success of these Jewish programs has been dependent upon the destruction

and removal of spiritual knowledge from the Gentile populace. Jewish communism of course takes everything a step further, as most knowledge is systematically removed, not just any spiritual knowledge, but knowledge in general, and is replaced with Jewish communist propaganda. Where Christianity left off, communism take up. Like the Christian mass/service, where the congregation is forcibly brainwashed [people are bored and their minds are open to suggestion, or are nodding off and very receptive to suggestion and indoctrination]. The tactics are the same with Jewish communism and any fool who believes communism to be liberal needs a serious reality check. Jewish communism is in reality, living according to Old Testament laws and so-called "morals" in the strictest sense.

Christianity like its Jewish root creates the problem and then has its own solution. People are indoctrinated that poverty is a virtue, and the ownership of material things is discouraged. This in turn creates poverty on a subconscious level that manifests in reality. The mind and soul are programmed into poverty. Then...here comes Christianity to the rescue, appearing to those with lesser intelligence to be a hero and savior of humanity. In addition, the bible is chock full of destructive suicidal teachings and advice for living. Christianity creates the problem and then brings the solution that damns us all in the end. They work this from every angle and those who are strong believers, tie into this energy and perpetuate this nefarious program in numerous ways. Birth control and related, especially where they are needed, such as in Third World countries, are highly discouraged. This keeps the poverty running rampant, with Christian missionaries and related spiritual criminals to the rescue. This sort of thing fools the populace every time. Most, being too lazy to read the bible, or do any necessary research believe what they are told, that the bible is the "book of God" and that Christianity is a peace promoting, charitable, institution. Few are also aware of the fact that nearly every war was either directly or indirectly instigated by Christianity, nor are they aware of the fact that Christianity, with its twin of Islam has a foundation of the most heinous mass-murder and torture ever known to humanity. The inquisition finds itself in full power with the stepping off point of Jewish communism.

Getting back to the witchcraft aspect. In order to expose the bible for what it is, one must venture ahead into the unknown regarding the "occult," of

which there are numerous threats and warnings against in the bible. There are also curses in place regarding this. Going in, those with lesser courage frighten easily and back out. Those of us who have gone in very deep regarding the occult, spirituality and the powers of the mind and soul...the numbers, the planets and such, have enough knowledge to see the bible for what it really is. You have to have the experience and the knowledge.

All of those bible "prophesies" are also man-made. Yes, this is true. Again, those with lesser intelligence, such as Christian believers and their preachers are deceived into believing these are acts of "God." Well, truth be known, these sorts of things can be accomplished by knowledgeable human beings as well; people who are well versed in knowing how to use occult power. The bible is no "book of God." The fact that it is full of numbers should sound an alarm for many, but the sad truth is most are oblivious to this. Witchcraft uses numbers.

Lilith led me to a book in a second-hand store: Eye to Eye: Facing the Consequences of Dividing Israel by William R. Koenig. The idiot author who is a US senator lacks the intelligence to see through his own writings in the book. Phrases like "because the bible says so" and such reveal the gross stupidity of this deceived believer. It is obvious he cannot think for himself, BUT his research is excellent in providing a summary of events that correlate with the verses in the bible.

Now, every time there are issues involving Israel and before the manifestation of the bandit criminal state; any issues involving the Jews, disasters would soon follow. This is no "act of God." These are curses that were established over the centuries by the Jews, through Jewish ritual murder and related. The energies of believers and the fact that the bible is as ubiquitous as currency bolster these curses and provide a powerful energy host.

For those of you who are unfamiliar with the King Tutankhamen excavation, please take some time and learn about this. The opening of the tomb in Egypt in 1922 unleashed some powerful curses. These curses were also man-made. Ancient Egypt was highly spiritual. These curses were set into motion by gentiles, but the same principles apply...the use of witchcraft. If spiritual knowledge is removed from the populace and in return the populace

is force-fed with lies, those who HAVE this knowledge and power become Gods.

Every time there are issues with Israel, the USA or any other country involved pays the price with natural and other disasters, loss of life and destruction, totaling losses in the billions. This is no "act of God" it is the result of centuries old man-made curses put into action by top Jews via Jewish ritual murder and its subliminal support of the Christian mass which focuses on the Jews with the theme of the sacrificed nazarene, which is a child sacrifice, being this is the assumed "son of god."

As with any curse, all of these can be turned right back onto the senders. JoS has had many group workings over the years. In the hands of powerful Satanic mages under the direction of Satan, we can defeat all of this. If this is not done, the future is doomed. Knowledge is also a very important key, as the more people who wake up to the truth of the Christian and Muslim programs; this will act in breaking the spell. These programs are nothing more than powerful spells that masquerade as being the "word of God" and keep humanity in chains. The slavish worship lavished upon jewhova and that nazarene are then transferred to the absolute worst of criminals, such as Josef Stalin, Kim Il Sung, Mao Tse-Tung and other related communist filth that have mass-murdered and tortured innocents by the tens of millions. This is why Satan warns us in the Al-Jilwah against worshipping:  
"No god has a right to interfere in my affairs, and I have made it an imperative rule that everyone shall refrain from worshipping all gods."

Satan does not demand slavish worship and warns against this sort of thing as this sets up the populace to be enslaved and destroyed. Satan stands for rebellion, individuality, and freedom and above all, for the advancement of humanity.

The USA has been targeted for communism. High Priest Micama Gmicalzoma has also made youtube videos of my sermons:

<https://www.youtube.com/user/iknowthetruth88/videos>

Deluded Christians and Muslims blame everything on Satan. They do not have enough intelligence or knowledge to see everything is of their own so-called "God," who was a murderer and a liar from the beginning, and who depends

upon human sacrifices. This in reality is the Jewish people. Again, as I have stated many times before, there is nothing spiritual about the bible, nor is there anything therein to advance humanity in any way; only to keep everyone enslaved and damned. The Old Testament, being full of genocide, infanticide, mass murder, torture, looting and plundering, war, and the enslavement of Gentiles is a system. This is used by Jew communism whenever it takes hold of a nation or area. Before actual communism, the Catholic Church and its inquisition acted by the exact same methods. Under this murderous institution, same as with Jew communism, all knowledge was removed from the populace, hence the term the "Dark Ages" and replaced with compulsory church propaganda, same as with communism brainwashing. The New Testament with the communist teachings of the nazarene is chock full of suicidal advice such as cut off thine hand, pluck out thine eye, turn the other cheek, walk the extra mile, bless those who curse you, having blind faith, and other nefarious teachings to destroy humanity; preparing the unknowing populace to readily accept communism. And, as for "blessing those who curse you" the bible is very direct regarding blessing the Jews and Israel.

Some idiot preacher made a youtube video regarding the new \$100.00 bill and how this time it is much worse than the \$20.00 bill in the way of enacting disaster. Of course, the buzzard brained idiot blames this on Satan out of extreme stupidity. The level of stupidity and idiocy within Christianity is staggering to say the least. Satan has been trying to get through to those with enough sense to see through all of this. Satan is the liberator of humanity. Satan stands for rebellion. Unless Christianity and its twins of communism and Islam are completely destroyed, there will be no future for any of us.

Group rituals will be forthcoming...

Where will these Group Rituals be held at High Priestess Dietrich? Online or Geographically somewhere specific?

And while am at it, I've recently investigated the Egyptian based religion of Thelema, to see their "grand cause." What is your perception of "Thelemites," in general? To me they look aft of going "Down South," shall we say lol.

All of those bible "prophesies" are also man-made. Yes, this is true. Again, those with lesser intelligence, such as Christian believers and their preachers are deceived into believing these are acts of "God." Well, truth be known, these sorts of things can be accomplished by knowledgeable human beings as well; people who are well versed in knowing how to use occult power. The bible is no "book of God." The fact that it is full of numbers should sound an alarm for many, but the sad truth is most are oblivious to this. Witchcraft uses numbers.

Lilith led me to a book in a second-hand store: Eye to Eye: Facing the Consequences of Dividing Israel by William R. Koenig. The idiot author who is a US senator lacks the intelligence to see through his own writings in the book. Phrases like "because the bible says so" and such reveal the gross stupidity of this deceived believer. It is obvious he cannot think for himself, BUT his research is excellent in providing a summary of events that correlate with the verses in the bible.

Now, every time there are issues involving Israel and before the manifestation of the bandit criminal state; any issues involving the Jews, disasters would soon follow. This is no "act of God." These are curses that were established over the centuries by the Jews, through Jewish ritual murder and related. The energies of believers and the fact that the bible is as ubiquitous as currency bolster these curses and provide a powerful energy host.

For those of you who are unfamiliar with the King Tutankhamen excavation, please take some time and learn about this. The opening of the tomb in Egypt in 1922 unleashed some powerful curses. These curses were also man-made. Ancient Egypt was highly spiritual. These curses were set into motion by gentiles, but the same principles apply...the use of witchcraft. If spiritual knowledge is removed from the populace and in return the populace is force-fed with lies, those who HAVE this knowledge and power become Gods.

Every time there are issues with Israel, the USA or any other country involved pays the price with natural and other disasters, loss of life and

destruction, totaling losses in the billions. This is no "act of God" it is the result of centuries old man-made curses put into action by top Jews via Jewish ritual murder and its subliminal support of the Christian mass which focuses on the Jews with the theme of the sacrificed nazarene, which is a child sacrifice, being this is the assumed "son of god."

As with any curse, all of these can be turned right back onto the senders. JoS has had many group workings over the years. In the hands of powerful Satanic mages under the direction of Satan, we can defeat all of this. If this is not done, the future is doomed. Knowledge is also a very important key, as the more people who wake up to the truth of the Christian and Muslim programs; this will act in breaking the spell. These programs are nothing more than powerful spells that masquerade as being the "word of God" and keep humanity in chains. The slavish worship lavished upon jewhova and that nazarene are then transferred to the absolute worst of criminals, such as Josef Stalin, Kim Il Sung, Mao Tse-Tung and other related communist filth that have mass-murdered and tortured innocents by the tens of millions. This is why Satan warns us in the Al-Jilwah against worshipping:  
"No god has a right to interfere in my affairs, and I have made it an imperative rule that everyone shall refrain from worshipping all gods."

Satan does not demand slavish worship and warns against this sort of thing as this sets up the populace to be enslaved and destroyed. Satan stands for rebellion, individuality, and freedom and above all, for the advancement of humanity.

The USA has been targeted for communism. High Priest Micama Gmicalzoma has also made youtube videos of my sermons:

<https://www.youtube.com/user/iknowthetruth88/videos>

Deluded Christians and Muslims blame everything on Satan. They do not have enough intelligence or knowledge to see everything is of their own so-called "God," who was a murderer and a liar from the beginning, and who depends upon human sacrifices. This in reality is the Jewish people. Again, as I have stated many times before, there is nothing spiritual about the bible, nor is there anything therein to advance humanity in any way; only to keep everyone enslaved and damned. The Old Testament, being full of genocide,

infanticide, mass murder, torture, looting and plundering, war, and the enslavement of Gentiles is a system. This is used by Jew communism whenever it takes hold of a nation or area. Before actual communism, the Catholic Church and its inquisition acted by the exact same methods. Under this murderous institution, same as with Jew communism, all knowledge was removed from the populace, hence the term the "Dark Ages" and replaced with compulsory church propaganda, same as with communism brainwashing. The New Testament with the communist teachings of the nazarene is chock full of suicidal advice such as cut off thine hand, pluck out thine eye, turn the other cheek, walk the extra mile, bless those who curse you, having blind faith, and other nefarious teachings to destroy humanity; preparing the unknowing populace to readily accept communism. And, as for "blessing those who curse you" the bible is very direct regarding blessing the Jews and Israel.

Some idiot preacher made a youtube video regarding the new \$100.00 bill and how this time it is much worse than the \$20.00 bill in the way of enacting disaster. Of course, the buzzard brained idiot blames this on Satan out of extreme stupidity. The level of stupidity and idiocy within Christianity is staggering to say the least. Satan has been trying to get through to those with enough sense to see through all of this. Satan is the liberator of humanity. Satan stands for rebellion. Unless Christianity and its twins of communism and Islam are completely destroyed, there will be no future for any of us.

Group rituals will be forthcoming...

We do rituals in the privacy of our homes.

Last I knew, Thelema blended Tantrism, Taoism, Hermeticism, and Egyptian mysticism with fucking Hebrew scum. Rabbi [for lack of better words] Crowley, who started Thelema, would summon Demons [our Aryan Gods] in the name of Jewhovah and his Jewish angels, which came to a disastrous conclusion. Mixing Jewish slime with Aryan spirituality is like mixing water with electricity. I used to know one Thelemite. He mixed the Gentile mysticism with the fucking Torah and Jewish [stolen] Kaballah. Very snobbish prick. When I let him know about Satanism and my Satanic politics, he "ran away" like a bat out of Hell (good riddance!). I don't know if all Thelemites blend Gentile mysticism with Jewish shit, but I imagine that the greater majority of them do.

If it looks, walks, and quacks like an enemy of Satan, then chances are that it is. No different than a Christian who spends all of their life opposing Satan on purpose.

## Subject: WOTAN: Carl Jung's view on Wotanism

Wotanism

by Professor Carl Gustav Jung

Compiled By The Late Jost Turner

Professor Carl Gustav Jung, the renowned founder of analytical psychology, named the National Socialist movement Wotanism. In 1936, Professor Jung wrote an essay on this subject entitled Wotan (Wotan is the principle deity of the pre-Christian Germanic tribes). Copies of this essay are available today in libraries throughout the country, and it is very revealing to those who understand the true nature of National Socialism and the true nature of Wotan.

Professor Jung describes National Socialist Germany as a Folk possessed and motivated by a psychic force, which had been dormant within them from tribal times: "...a God has taken possession of the Germans and their house is filled with a `mighty rushing wind'... Perhaps we may sum up this general phenomenon as Ergriffenheit - a state of being seized or possessed. The term postulates not only an Ergriffener (one who is seized) but also an Ergreifer (one who seizes). Wotan is an Ergreifer of men, and, unless one wishes to deify Hitler - which has indeed actually happened - he (Wotan) is really the only explanation... A mind that is childish thinks of the Gods as metaphysical entities existing in their own right, or else regards them as playful or superstitious inventions... the Gods are without doubt personifications of psychic forces..."

Professor Jung also notes that this power of Wotan was channeled to the German Folk by Adolf Hitler: "The impressive thing about the German phenomenon is that one man, who is obviously `possessed' has infected a whole nation to such an extent that everything is set in motion and has started rolling..."

Professor Jung clearly saw that National Socialist Germany was a modern-day revival of (pre-Christian) Aryan tribalism. However, the true nature of this tribalism was kept hidden from him by the black hood of censorship. In his native Switzerland, Professor Jung was, of course, well sheltered from any truth about National Socialism. His only information came from an alien-controlled press, which ranted and raved with the usual falsehoods, exaggerations, and half-truths about National Socialist Germany. Hence, Professor Jung's information on National Socialism was really quite the opposite of its true nature.

Moreover, Professor Jung's essay indicates that his understanding of the allegories of Wotan was very limited, and so he was not at all aware of the true nature of Wotan. He uses a literal interpretation of what we understand to be allegory: "Wotan is a restless wanderer who creates unrest and stirs up strife, now here, now there, and works magic... He is the God of storm and frenzy, the unleasher of passions and the lust of battle; moreover he is a superlative magician and artist in illusion who is versed in all secrets of an occult nature."

A literal interpretation of the above does tend to correspond to the misinformation about National Socialist Germany spewed forth by the alien-controlled press. A literal interpretation of Wotan is just as opposite to the true nature of Wotan as the Jewish media myths are to the true nature of National Socialism. However, the true natures of both Wotan and National Socialism are just as easily correlated with each other as are their opposites!

National Socialist Germany was indeed a modern-day revival of Aryan tribalism, which sought to create a true Folk-community for the expressed purpose of bringing forth a more highly-evolved species of mankind. Like all true Folk-communities, National Socialist Germany was based on idealism, willingly placing the welfare of the Folk above all personal interests. The National Socialist values of idealism, selflessness, self-discipline, and aspirations to raise the evolutionary level of mankind are a far cry from the images dramatized by the alien-controlled information media.

A correct interpretation of the allegories reveals Wotan as a personification of mankind's rise to the highest evolutionary level: Godhood. Hence, it would certainly be fair to use the term Wotanism as a name for activities to raise the evolutionary level of mankind. Since the ultimate goal of National Socialism is to bring forth a more highly-evolved species of mankind, we must agree with Professor Jung, even though he was largely misinformed, that National Socialism can certainly be called Wotanism.

#### A Channel for Wotan

We have pointed out that Adolf Hitler was a Kon, a highly-evolved individual who had long since transcended the narrow confines of self-interest, thereby functioning primarily from a deep inner awareness. He was highly-evolved enough to serve as a channel for the powerful psychic force, inherent in all Aryans, which Professor Jung rightfully called Wotan.

Adolf Hitler pointed out in *Mein Kampf* that the only real mark of a higher species of mankind is idealism, and it was idealism, the very first phase of all higher evolution, which he brought forth from the German Folk. Although hardly understanding what was motivating them, the German Folk were inspired to create the social and economic miracles of National Socialist Germany. This was primarily the result of this power of Wotan, channeled through one highly-evolved individual, and this power was steadily raising the evolutionary level of all the Folk!

#### Wotanism Today

The German Folk of the 1930s were uniquely suited to receive the power of Wotan from a single channel. Their state of material destitution afforded them little obstruction to the elevation of their evolutionary levels. Today, in this alien-controlled world of selfishness and materialism, this would be more difficult. But while it would be more difficult, great change can be effected by the power of Wotan. To change this degenerate, alien-controlled world will require more than one powerful channel. It will require many channels, many highly evolved individuals in all areas and in all walks of life, elevating all those around them to true idealism and back into harmony with the eternal laws of Nature. Jews and their familiars have infiltrated our government, schools, courts and media in order to destroy us by debauching our blood, our values, and our idealism. But we can defeat them by being channels of Wotan, affecting all, bringing their efforts to nothing, and ultimately bringing about that golden age of which Adolf Hitler dreamed.

Adolf Hitler was an awesome example of a highly-evolved individual. All of us can become just as highly-evolved, and even more so, by dedicated, disciplined self-effort. When your evolutionary level rises, you will know it! You will become a channel for a great and joyful force of energy which flows through you day and night. Like Adolf Hitler and many other lesser known individuals, you will become a force for change and regeneration in this degenerate world. This is our spiritual destiny. This is Wotanism.

Professor Jung studied not only the mysteries of the unconscious, but as well, the potential of higher evolution by self-effort (perhaps Professor Jung, of Germanic blood himself, was also affected by Wotanism). He not only studied this, but he put his discoveries to practice. In reply to those who complained that he did little to right the wrongs of the world, he pointed out that he had long since realized that to change the world he must first change himself! Professor Jung shared many of his discoveries with two other individuals who had also spent considerable time investigating the potential of higher evolution by self-effort.: the renowned author, Hermann Hesse, and the leader of the Chilean National Socialists, Miguel Serrano.

The following are interesting and revealing excerpts from a letter written by Professor Jung to Miguel Serrano on September 14, 1960:

"...As we have largely lost our Gods and the actual condition of our religion does not offer an efficacious answer to the world situation in general and to the "religion" of communism in particular, we are very much in the same predicament as the pre- National Socialist Germany of the Twenties, i.e., we are apt to undergo the risk of a further, but this time worldwide, Wotanistic experiment."

"...When, for instance, the belief in the God Wotan vanished and nobody thought of him anymore, the phenomenon originally called Wotan remained; nothing changed but his name, as National Socialism has demonstrated on a grand scale. A collective movement consists of millions of individuals, each of whom shows the symptoms of Wotanism and proves thereby that Wotan in reality never died, but has retained his original vitality and autonomy. Our consciousness only imagines that it has lost its Gods; in reality they are still there and it only needs a certain general condition in order to bring them back in full force."

National Socialism is indeed Wotanism, an Aryan spiritual movement which seeks to raise the level of the Folk, and thereby the world, by raising the level of the individual. As Aryans, the noble of mankind, this is our destiny and our duty!

"Despite their crankiness, the Wotan-worshippers seem to have judged things more correctly than the worshippers of reason. Apparently everyone had forgotten that Wotan is a Germanic datum of first importance, the truest expression and unsurpassed personification of a fundamental quality that is particularly characteristic of the Germans (Aryans)."

Pope Francis Named as Child Trafficker by Eyewitness

<http://salem-news.com/articles/february022014/francis-child-cases.php>

TCCS Breaking News from Rome and Madrid; Pope also covers up "Holyrood Agreement" extending child rape concealment to Church of England.

Jorge Bergoglio - AKA Pope Francis

(ROME ITCCS) - A former civil servant in the Argentine military junta who is living in exile in Spain claims that Pope Francis engineered the kidnapping and trafficking of children of political prisoners during the Dirty War of the 1970's.

The man bases his claim on his personal involvement in meetings between Bergoglio and senior junta members that secured the child trafficking networks using Catholic orphanages and religious bodies as covers.

A Spanish reporter who has interviewed the former civil servant states,

"This guy is genuine and has many names and dates, and notes from meetings. Apparently, Bergoglio was promised the top spot in the Argentine church if he cooperated with the junta. So it's small wonder that as the Pope, he's made it harder for honest catholics to report child abuse, considering his own complicity."

In related news, a Vatican source claims that former Pope Benedict (Joseph Ratzinger) secured an agreement with Queen Elizabeth as head of the Church of England to conceal child rape in that body by adopting the provisions of the canon law "Crimen Sollicitationas".

The agreement was made at Holyrood Castle in Edinburgh on September 16, 2010, during the Pope's unprecedented visit to England that month, the first such visit in papal history.

The adoption of the notorious law by Queen Elizabeth was one of the conditions for the absorption of the Anglican church back into the Church of Rome. It compels all Anglican clergy to subvert the laws of their own countries by protecting child rapists in their ranks, silencing victims and not telling the police of the crime.

Pope Benedict resigned on February 11, 2013, followed in August by the equally unexpected resignation of Vatican Secretary of State Cardinal Tarcisio Bertone, who helped to broker the Holyrood Agreement.

The cancellation of Queen Elizabeth's novel trip to the Vatican in March, 2013 soon after the appointment of Jorge Bergoglio as Pope Francis 1 was connected to the new Pope's concerns that the Holyrood agreement might surface.

My note this standard issue method in the Communist regimes for all people under the Orwellian state. They arrest and torcher and then kill you and your entire family. This is the inquisition in operation under the banner of Rabbi Marx instead of Rabbi Jesus.

The Soviet Jewion and Kosher Controlled China, each killed over 70 million innocents with the same below behaviour. And Pol Pot wiped out one third of Cambodia the same way.

To hear about the reality of life in the real world 1984 that is North Korea.

-----

<http://news.sky.com/story/1201849/kim-j...-les-family>

North Korean leader Kim Jong-Un has killed all of his executed uncle's close relatives, including children, say reports.

South Korean news agency Yonhap quoted "multiple sources" as saying General Jang Song-Thaek's brothers, children and grandchildren were rounded up and shot.

Some relatives were spared and sent to live in remote villages in the impoverished country, the report added.

Among those executed were North Korea's ambassadors to Cuba and Malaysia, who were both related to Mr Kim's uncle by marriage.

General Jang, 67, considered the second most powerful man in North Korea, was dragged out of a party meeting and executed last month on charges of attempting to overthrow the communist regime.

North Korean leader Kim Jong-un, flanked by his uncle North Korean politician Jang Song-thaek, leaves a military parade in Pyongyang  
General Jang was executed by his nephew for alleged treason

Yonhap quoted one unnamed source as saying: "Extensive executions have been carried out for relatives of Jang Song-thaek. All relatives of Jang have been put to death, including even children."

Another source said: "Some relatives were shot to death by pistol in front of other people if they resisted while being dragged out of their apartment homes."

"The executions of Jang's relatives mean that no traces of him should be left," a third source said.

South Korean news agencies have been known to publish unconfirmed stories from the North.

But the latest claim ties in with a report by the Daily NK news website, run by North Korean defectors, which said more than 100 members of Mr Jang's family had been arrested before Christmas.

Yonhap said those killed included General Jang's sister Jang Kye-sun, and her husband and ambassador to Cuba, Jon Yong-jin.

General Jang's nephew and ambassador to Malaysia, Jang Yong-chol, and his two sons were also shot dead.

The Kim dynasty has ruled the isolated country for more than six decades.

Observers said General Jang was considered the man who could help his nephew establish himself in power, but also presented the greatest threat to the young leader.

Mr Jang's widow, Kim Kyong-hui, was thought to have survived the purge, but was later reported to have taken her own life.

A few things...

Everyone who has been participating in group rituals, and those of you who are interested in doing so, please check these groups at least once a week from now on. I know there are those of you who are busy and do not always have time, but try to check the JoS Newsletter, which is not too cluttered with messages, as I will be posting some very important rituals. These rituals will be easy, short, powerful and to the point. I will be writing them under Lilith's direction.

<https://groups.yahoo.com/neo/groups/JoSNewsletter/info>

and/or

<http://josministries.prophpb.com/>

We are looking to the Vernal Equinox/Spring Solstice as well. The focus of these rituals will be reversing bible curses and related. Yes, this can be done. Lilith is overseeing this project, and working with certain JoS ministry. This will not be a one shot deal, as there may be quite a few, but they will be simple and powerful. Just make sure you put aside time on these important Satanic Holidays to do the working.

Also, as I wrote of before concerning formal rituals, "invoking the Powers

of Hell" translates into empowering your soul before a ritual. This can even be done through a hatha yoga session, but most commonly through vibrating the aspects of your soul as with the RAUM meditation.

[http://gblt.webs.com/RAUM\\_Meditation.htm](http://gblt.webs.com/RAUM_Meditation.htm)

The most important thing is that you feel the energy of your soul. Altars and props are not necessary, unless this is something you personally enjoy, as they are nice, but again, they are only props and not necessary for any workings. Do not feel you cannot carry out a working or participate because you do not have any props. All you really need is your body and soul, and most important, the intent and the focus of your mind, and of course a place where you will not be disturbed during the working.

The conspiracy of the bible is mind-blowing to say the least. As I posted a few days ago, this is no "work of God," but a work of human beings who had extensive occult knowledge. The Christian churches are crumbling. Israel is facing boycotts and crisis and the enemy as a whole has been weakened. We cannot turn our backs or let our offence down for a minute. In the meantime, keep working to destroy the Christian bulwark. Discreetly distribute anti-tracts for one [always use very short phrases that make impact for certain audiences such as "God and the Devil are backwards"

[exposingchristianity.com](http://exposingchristianity.com)

Keep everything simple, short and to the point. Wake people up. Put up websites. Put up youtube videos, make copies of materials freely available on Satan's Library website for those you know that are interested but do not have internet. Many countries have strict censorship of the internet and also many people living therein do not have access. Do whatever you are able to do and work discreetly.

[http://spiritualwarfare666.webs.com/Satans\\_Library.htm](http://spiritualwarfare666.webs.com/Satans_Library.htm)

Above all, ask for guidance from Satan. You do not have to be adept at telepathic communication for this. Even those who are new. Just open your mind to be aware of opportunities, ideas and gut feelings.

Harry Waton: Kabbalist, Marxist, Spinozist, Jewish  
Supremacist.

The following are select passages from the 1939 book "[A Program for the Jews and An Answer to all Anti-Semites; A Program for Humanity](#)" by the  
. . . have the fascists consulted the plan of God to find out whether they can destroy the Jews and Judaism? Suppose the fascists consulted this plan of

themselves that it is the plan of God that the Jews and Judaism are the means through whom God brings to mankind salvation, light and understanding. Will not the fascists then realize that it is in their interests to make peace with the Jews and Judaism? The fascists over-estimate the power of the Jews and Judaism. We shall see later that the Jews are far more numerous and infinitely more powerful than the fascists or have reasons to fear them, but the fascists fear the Jews, and have good reason to fear them. pg. 17

All through the past, the anti-Semites perceived intuitively, though vaguely, that the Jews will inherit this earth, and that all other races will either become Jews and they will together with the Jews inherit this earth . . . This was and is the mortal dread of the anti-Semites. In the past, they were not aware of this, but now the anti-Semites have become fully conscious of this. This definite intuition of the anti-Semites of today found a most dramatic expression in Mein Kampf pg. 53

Since nazism is determined to destroy Judaism; since, as we shall presently see, Judaism is infinitely superior to nazism, it follows that Judaism will overcome and absorb nazism. Since Judaism roots deep in the blood of the Jews, while nazism roots deep in the blood of the German Aryans, the Jews will overcome and absorb nazism, and the Jews have no need to fight against nazism, and the nazis have no need to fight against the Jews, for Judaism is superior to nazism, and the Jews are superior to nazism. Judaism has already on its side more than half of the human race, and in due time it will have on its side the whole human race. [Watson says that anyone who adopted the ideologies of Communism, Marxism, Internationalism and/or Democracy was won over to the Jewish side.] Judaism will not be destroyed by the might of the sword, but by truth and spirit. In declaring war against the Jews, the nazis and the fascists declared war against the human race. "One that does not understand Marx's works will never understand society. And because of this, may the Aryans all rise in their fury to annihilate the Jews. When the Jews are destroyed and Marxism will triumph." pg. 98

Click to enlarge.

Since the Jews are the highest and most cultured people on earth, the Jews have a right to subordinate to themselves the rest of mankind and the earth . . . The Jews will become the masters over the whole earth and they will subordinate to themselves all nations, not by material power, but by knowledge, understanding, humanity, peace, justice and progress. Judaism is communism, internationalism, the universal brotherhood of man, the emancipation of the working class and the human society. It is with these spiritual weapons that the Jews will conquer the world and the human race. The races and the nations will be subjected to the spiritual power of Judaism, and all will become Jews [i.e. they will adopt Judaic philosophies]. pg. 99-100

This is the kingdom of the Jews, of all Jews, no matter what be their race, color and blood. Even the nazis will become Jews, and they, too, will be subjected to the predetermined destiny of mankind, of all mankind, without exception, and this destiny was predetermined by God. pg. 100

. . . the Jewish soul speaks an eternal language: and we saw, on the other hand, that the soul of the non-Jews speaks a temporary language. For thousands of years the Aryans will work, struggle and achieve; they will clear the swamps, they will bring out a beautiful world and make man living on a free earth; but then the Aryans will die; they will die as Aryans and will be born again as Jews. Not as Aryans will they enjoy the fruits of their labor. This was already foretold by Noah. The Aryans will enlarge and beautify the earth; but they will settle to enjoy the world which they created only in the name of communism, internationalism, the universal brotherhood of man, the emancipation of the working class and the human society. pg 102

Only Judaism is a historic and moral religion; all other religions are neither historic nor moral. And the reason is, as stated before, because Judaism is the God of History. And, because of all this, the Jews are the only people that are consciously historic and moral. And for this reason the Jewish People are the chosen people. And, while most Jews believe in the general idea of immortality, the Jews that have a deeper understanding of Judaism know that the only immortality is in the Jewish people. Each Jew continues to live in the Jewish people, and he will continue to live so long as the Jewish people live. Aryans could again adopt this same mindset, we would not be in the predicament we are currently in. This is, of course, why the Jews are the chosen people. Whites: extreme individualism.]

The communists are against religion, and they seek to destroy religion; yet, when we look deeper into the nature of communism, we see that it is essentially a religion. That the communists seek to destroy all existing religions is not remarkable; all new religions had first to destroy the existing religions . . . when we look at Marxism, we see that in essence it is nothing else than religion. pg 138

. . . communism and fascism are religious ideas, because they concern themselves about the future of mankind . . . the struggle between these ideas is known to history. A bloody world struggle between communism and fascism is inevitable. [eerily prophetic...] This is the world situation that we are living in. Since the communists and the fascists already perceived the inevitability of a new social order, in the impending world struggles, the struggle will be between the communists and the fascists. Since, however, we saw that the struggles are not between men, but between ideas, it follows that the struggles will be between communism and fascism. this struggle will determine the next social order [the realpurpose of WWII]. Who will be victorious, the communists or the fascists? pg. 147

. . . the communist soul is the soul of Judaism . . . in the Russian revolution the triumph of communism was the triumph of Judaism . . . pg. 148  
It is not an accident that Judaism gave birth to Marxism, and it is not an accident that the Jews readily took up Marxism; all this was in the name of Judaism and the Jews. pg. 148

Click to enlarge.

It is the historic function of Judaism and the Jews to raise all races and classes to the same level. The supremacy of race, nation or class must be the destiny of mankind, and against this destiny the nazis, the fascists and all reactionaries will struggle [yes, we will] in vain [we shall see]. A world philosophy [Communism, Marxism, Internationalism and/or Democracy], in the whole or in the part, becomes a Jew to all intents and purposes. The proletariat is the lowest and most backward class in society. It is therefore the supreme duty of the Jews to identify themselves with the proletariat.

disappear, but the working class will endure forever, for all of mankind will become workers. For identifying themselves with the working class and hatred of the ruling classes, but the Jews must not fear the ruling classes: their rule will be only for a while. [This is communism in a bottom rungs of society to overthrow the natural leadership.] pg. 163

. . . the leader of the German people has no doubt in his mind that the Jewish problem is the center of all problems, not merely in Germany to dismiss this as an illusion, because if it is, it demands explanation. But it is no illusion. It is the truth. Hitler's declaration that the Jewish Aryan races is the deepest insight that the Western world has yet achieved in its own nature; and his capacity to realize this is the proof of his power and of the curious fascination which his personality exerts. One has only to attend to the form of the statement to see that it is not the Jews that he fears, but the character of the Jewish mind. It is the Jewish consciousness which is the enemy, not an organized Jewish army in Germany. It is the hidden penetration of the Jewish spirit into the Gentile mind that is the danger; and it is a danger because the "Aryan" must succumb. The task is to extirpate the influence of the Jewish consciousness upon the world. At all costs the leaven must be got out of the lump, the leavened, and the result will be the final end of the "Aryan" pagan tradition. Europe will be false to itself that it will create a universal common race as the basis of civilization, destroy the beauties and the heroisms of the struggle for power, deny the natural superiority of the white race, and produce universal equality and brotherhood. The Jewish spirit is not merely under the illusion of these ideas; it is the force that drives them in idea and compels the rest of humanity to achieve them in practice. I need ask for no greater testimony to the truth of the whole thesis than the inspiration corroborates my own pedestrian reflection. The only difference between us is that his will and mind respond to the truth in different ways. My triumph of the Jewish consciousness fills me with joyous exhilaration, while it casts Hitler into the depths of despair. pg. 199-200

. . . the aim of Judaism is to realize the destiny of mankind. This aim cannot and will not be changed, for the destiny of mankind was predetermined. And no matter what may come to pass, races, nations, states and empires may come and go, the predetermined destiny of mankind will inevitably be realized. predetermined destiny of mankind ? This is the kingdom of God on earth. What is this kingdom of God on earth ? It is a human society. pg. 206

As with the previous article this one shows that Russia is just the Eastern wing of the Jewish World Order cabal. And is marching the Russian's into the same Globalist slave state they are to the West. With much of the same policies as well.

Putin is also Jewish with a Talmudic scholar for a father:

Russian Intelligence and Islamic Terror

Frontpage Interview's guest today is Konstantin Preobrazhenskiy, a former KGB agent who became one of the KGB's harshest critics. He is the author of seven books about the KGB and Japan. His new book is KGB/FSB's New Trojan Horse: Americans of Russian Descent.

"Americans generally believe that Russia is as afraid of Islamic terrorism as the U.S. is. They are reminded of the war in Chechnya, the hostage crisis at the Beslan School in 2004 and at the Moscow Theater in 2002, and of the apartment house blasts in Moscow in 1999, where over 200 people were killed. It is clear that Russians are also targets of terrorism today.

But in all of these events, the participation of the FSB, Federal Security Service, inheritor to the KGB, is also clear. The FSB's involvement in the Moscow blasts has been proven by lawyer Mikhail Trepashkin, a former FSB Colonel. For this he was illegally imprisoned in 2003..."

Putin is very close on a personal level with the powerful Jewish oligarch Abramovich whom some have called Putin's protector and handler. As noted many of these people have direct positions within the government as well.

Duma member

"Abramovich was the governor of Chukotka from 2000 to 2008. " "Abramovich said that he would not run for governor again after his term of office expired in 2005, as it is "too expensive", and he rarely visits the region. However, Russian President Vladimir Putin changed the law to abolish elections for regional governors, and on 21 October 2005 Abramovich was reappointed governor for another term." (wikipedia)

Note: Chukotka is impoverished and remote region of RF, yet resource rich and with big potential to oil exproation. Abramovich, who had and still has lots of

interest in oil & resources no doubt has spent the time governing Chukotka productively for his business interest. "Sibneft Begins Offshore Seismic Work in Chukotka's Anadyr Bay

December 07, 2005" source. Sibneft was Abramovich's company which he later sold and it went under the wing of Gazprom and its CEO Alexei Miller. Roman Abramovich - Wikipedia, the free encyclopedia

Chris Hutchins, a biographer of Russian Prime Minister Vladimir Putin, describes the relationship between Russian president and Abramovich as like that between a father and a favorite son; Abramovich himself has stated that his relationship with Putin is a professional business relationship, as signified by his use of the Russian language's formal " ты " (like Spanish "usted" or French "vous") in addressing Putin, as opposed to the informal " ты " (Spanish "tú" or French "tu").[72]

Putin saves Abramovich's US safe haven

A deal with Kremlin makes Jewish oligarch Vekselberg the richest man in Russia:

<http://www.telegraph.co.uk/finance/newsbysector/energy/oilandgas/9627351/TNK-BP-deal-makes-Dr-Vekselberg-richest-man-in-Russia.html>

Next the above Abramovich is the Jew Khodorkovsky the two of them are the most richest people in Russia and in the top level of the Jewish oligarchy in change of Russia. Note Putin got this character out of trouble once the cost was clear:

<http://en.wikipedia.org/wiki/Khodorkovsky>

Mikhail Borisovich Khodorkovsky (Russian: Михаил Борисович Ходорковский, IPA: [m ɪ l ɪ x d r k o f s k j]; born 26 June 1963) is a Russian businessman, oligarch,[2] philanthropist, public figure and author.

In 2003, Khodorkovsky was named Person of the Year by Expert, sharing this title with Roman Abramovich. In 2004, Khodorkovsky was the wealthiest man in Russia (with a fortune of over \$15 billion) and one of the richest people in the world, ranked 16th on Forbes list of billionaires. He had worked his way up the Communist apparatus during the Soviet years, and began several businesses during the era of glasnost and perestroika. After the dissolution of the Soviet Union, he accumulated wealth through the development of Siberian oil fields as the head of Yukos, one of the largest Russian companies to emerge from the privatization of state assets during the 1990s."

He was arrested on 25 October 2003, to appear before investigators as a witness, but within hours of being taken into custody he was charged with fraud. The government under Vladimir Putin then froze shares of Yukos shortly thereafter on tax charges. The state took further actions against Yukos, leading to a collapse of the company's share price and the evaporation of much of Khodorkovsky's wealth. He was found guilty and sentenced to nine years in prison in May 2005. While still serving his sentence, Khodorkovsky and his business partner Platon Lebedev were further charged and found guilty of embezzlement

and money laundering in December 2010, extending his prison sentence to 2014. Khodorkovsky was [b]pardoned by President Vladimir Putin [/b]following lobbying for his release by Hans-Dietrich Genscher, and released from jail on 20 December 2013.[3]"

It pays to be Jewish in Russia. Just like in America:

Kremlin provides bailout to Jewish banker  
By Grant Slater November 5, 2008 8:56pm

The Kremlin reportedly dipped into a fund to allow a prominent Jewish businessman and Kremlin confidante to pay his debts.

The Russian government set aside \$2 billion for Mikhail Fridman and his holding company, the Alfa Group, that would allow him to pay Deutsche Bank AG, The Wall Street Journal reported.

Fridman, 44, is the first oligarch to receive funds from the account of funds stashed away from Russia's windfall oil profits in recent years. Russia's financial sector has not been immune to the global credit crisis, and market turmoil in recent weeks has led to jitters among Russia's wealthiest.

The loan from the \$50 billion fund would allow Fridman to maintain his stake in Russia's biggest cell phone provider, Vimpel Communications.

Fridman and his Alfa partners founded a Jewish philanthropy group last year aimed at increasing Jewish identity among Russian speakers worldwide. The Genesis Philanthropy Group is still in its nascent stages.

Jews in the former Soviet Union are feeling unease that local funding for Jewish causes may be curtailed as oligarchs lose billions amid the global financial crisis.

-----  
More Jewish Oligarchs who got bail outs from the Russian government just like all the Jewish banker oligarchs in American who received mass bail outs as well:

Why Putin is an enemy of Russian nation, Russian patriotic movements and Russian state. by A. Saveliev

### I. Putin is an enemy of Russian nation

1. During 8 years of Putin`s reign, number of ethnic Russians in Russia shrunked by 8 millions. Annual demographic losses are the same as in 1990`s, when Yeltsin was in power and when Russia didn`t have huge profits from oil and gas export. Number of officially registered abortions is stable, about 2 millions per year. Quality of medical care significantly dropped, free state medicine is almost destroyed and substituted by commercial medicine. Vast majority of Russian citizens can`t afford it.

2. During Putin`s reign, dozens of people with capitals above \$ 1 bln legalized their money. In Yeltsin`s time, there were only 7 people with such capitals. Now their numbers increased tenfold. At the same time, life of at least 2/3 of Russians is still at levels of just physical survival.

3. By changing immigration laws, Putin opened borders for millions of non-white immigrants. Many non-native societies were formed in Russian cities. They are terrorizing local indigenous population with help from Putin`s protégés, who hold all of the key positions in administrations and law-enforcing structures. All protests are stamped by illegal arrests and non-lawful court decisions.

4. Putin de-facto acknowledged an independence of Chechnya and the fact, that 500 thousands of ethnic Russians were cleansed from this region, and also gave amnesty for all bandits and terrorists, who fought against Russia. Some of the terrorists even received the "Hero of Russia" award, the highest award in Russia. Russian refugees from Chechnya didn`t receive any help, although ethnic Chechen "victims of the war" received and continue to receive tens of thousands of dollars per person.

5. Putin systematically destroys Russian culture by giving control over all leading cultural, educational and media resources to non-Russians or to perverts. Medias systematically destroy traditional morale, discredit Russian history, defile Russian language and substitute cultural examples of Russian classics by low-quality filth. Higher education almost fully turned to be commercial and can only be afforded by a rich minority of the Russian citizens. School education is almost destroyed. In last years, those who leave schools lack even some elementary knowledge.

### II. Putin is an enemy of Russian society

1. Putin threw a hurricane of repressions toward Russian social and political organizations: prohibition of books and closing of Russian newspapers turned to be a usual practice. ~ 300 of political prisoners are jailed for their political activities in Russian organizations.

2. Putin destroyed the only patriotic party, "Rodina" ("Homeland"), that entered Russian parliament in 2003. By using non-lawful court decisions, he prohibited this party to participate in regional elections in 2005-2006, and than "Rodina" was destroyed because of the inspired internal coup`d`etat.
3. Putin didn` t let any patriotic organization, concerned with the "Russian question", to participate in 2007 parliament elections.
4. Putin constantly visits social rallies of the Tatars, Jews, different diasporas of the Asian nations, but he never participated in any such event of Russian organizations.
5. Putin openly supports warm relations with Hasid's leader Berl Lazar. Mosques start to rise in core Russian cities.
6. Putin created totalitarian party of Russian bureaucrats – the "United Russia", and leaded her to parliament elections in 2007, thus breaking the non-party starus of a Russian president. This party is ultra-liberal in her core and serves in interests of oligarch groups, that grabbed all of the Russian national riches.

### III. Putin is an enemy of Russian state.

1. Putin finally destroyed Russian armed forces ability to defend Russia. Leading military academies were closed. Space military-oriented know-how are selling out, space station "Mir" was sunk in the ocean. Under Putin`s rule, numbers of police forces, dedicated to quell all national-oriented opposition, are twice larger as numbers of army soldiers and at least 3-4 times larger, than number of police (per capita) in the Stalin`s USSR in 1930s. Naval Russian forces were radically shrunk, leading military industries and science were destroyed. Putin send a lot of Russian soldiers and officers, who fought against Chechen terrorists, to jail in order to pay new Chechen leader Ramzan Kadyrov for an illusion of his loyalty.
2. Putin created strong top-to-down corruption system. Highest ministers and bureaucrats combine their "state service" with "working" in a huge oil and gas export companies, where they receive moneys equal to their official salaries for hundreds of years.
3. Russian law-enforcing system totally degraded and turned into a kind of an organized crime. Criminal activities are common for the special forces (who sell military secrets and fully control all major activities in a foreign trade), courts (who follow orders from the corrupted officials), militia (who takes bribes from citizens at every step), prosecutors (who don`t try to fight with corruption).
4. Putin, with his own decision, gave 200 square kilometers of Russian territory to China, without any needs and lawful reasons for this

Several of the companies chosen to remake Sochi for the Olympics are owned or co-owned by Arkady Rotenberg, a childhood friend of Putin. News reports and Russian watchdogs say Rotenberg's Sochi contracts alone are worth more than \$7 billion, which rivals the entire cost for the 2010 Vancouver Winter Games.

j !Sochi Mayor Says Olympic Concerns Are Unfounded

Arkady Rotenberg, the boyhood friend and former judo partner of black-belt President Vladimir Putin, already is collecting his winnings from what promises to be the most expensive Winter Olympics ever next year.

Rotenberg's companies have been awarded at least 227 billion rubles (\$7.4 billion) of contracts for the 2014 Sochi Games, according to figures compiled from corporate and government filings. That's more than the entire budget for the 2010 Vancouver Olympics, though it represents just 15 percent of Russia's latest estimate for the Sochi event.

Those contracts, which number at least 21, include a share of an \$8.3 billion transport link between Sochi and ski resorts in the neighboring Caucasus Mountains, a \$2.1 billion highway along Sochi's Black Sea coast, a \$387 million media center, and a \$133 million stretch of venue-linking tarmac that will double as Russia's first Formula One track.

"This is a monumental waste of public money," Stefan Szymanski, a sports economist at the University of Michigan who tracks Olympic spending, said by phone from Ann Arbor. "A small number of people at the top have control of resources and there is no accountability."

\$50 Billion

Rotenberg, 61, is among a handful of men Putin has known since childhood or from his days in the KGB or St. Petersburg government who've amassed riches and power during his 13-year rule. Their fortunes have come at times at the expense of men who flourished under his predecessor, Boris Yeltsin, and the consequences of the differing wealth pedigrees are on display in Putin's \$50 billion push to prepare Russia for its first Winter Games. The country is considered the most corrupt of the Group of 20 economies by Berlin-based Transparency International.

While Rotenberg and longtime Putin associates such as Gennady Timchenko, co-founder of oil trader Gunvor, and OAO Russian Railways Chief Executive Officer Vladimir Yakunin, stand to gain from Russia's Olympian largesse, Yeltsin-era tycoons led by Vladimir Potanin and Oleg Deripaska say they're getting squeezed.

Potanin and Deripaska, the CEOs and largest owners of OAO GMK Norilsk Nickel (GMKN) and United Co. Rusal, respectively the world's largest producers of nickel and aluminum, have been handed projects that may not turn a profit for years, if ever. Potanin is spending \$2.2 billion on the resort where most of the skiing events will take place, while Deripaska is putting \$1.5 billion into revamping the local airport and constructing a port and one of two Olympic Villages to house athletes and officials.

'Commercially Useless'

Rosa Khutor, Potanin's facility, has missed 14 billion rubles of interest payments on loans from state development bank VEB because it's been closed to tourists for parts of three peak seasons for test competitions, Sergei Bachin, the head of the project, said in an interview in Moscow on March 12.

The resort, serviced by state-of-the-art ski lifts from Doppelmayr of Austria, was all but deserted on a sunny March 7 because the slopes were cleared for a para-alpine World Cup championship. Rosa Khutor will need to spend another \$130 million after the Olympics to convert the facility into a fully commercial operation, Bachin said.

"A lot has been built for the Olympics that is commercially useless before the games and after," Potanin said last month during a tour of his project with Putin and Jacques Rogge, president of the International Olympic Committee. "The money has been spent and interest is accumulating."

Basic Element

The \$200 million port Deripaska's Basic Element constructed to dispatch Olympic building materials is handling as little as one-fifth of the planned volumes because freight traffic has been redirected to railways and roads, making the venture unprofitable, according to the company.

"If investors don't get any return or government support and in effect lose a large part of the funds they've invested in the Olympics, it won't have a positive impact on our investment climate," Basic Element Deputy General Director Andrey Elinson said during a March 12 interview in Moscow.

Olympstroy, the state company overseeing Sochi's transformation, declined to detail the costs of its individual projects. Olympstroy has had four general

directors in six years.

The bulk of Rotenberg's Olympic contracts are held by OAO Mostotrest (MSTT), a Moscow-based company set up under Josef Stalin in 1930 to build bridges across the Soviet Union, according to its website. Rotenberg and partners, including his son Igor, gained control of Mostotrest in 2010, just before the company raised \$388 million in an initial public offering.

#### Putin Link

Rotenberg's aide said he was unable to comment on his work on the Olympics. Officials at Mostotrest didn't respond to requests for comment by e-mail and phone, nor did Stroygazmontazh, another Rotenberg company with state contracts.

Rotenberg told the Financial Times in an interview published in November that while he values Putin's friendship, he'd never abuse it for personal gain.

"I have great respect for this person and I consider that this is a person sent to our country from God," the newspaper cited Rotenberg as saying about Putin.

Dmitry Peskov, Putin's spokesman, said Rotenberg's success is unrelated to his ties with Putin.

"No friendship can grant you access to Olympics projects, which are very difficult to get because they're hard to implement and aren't as profitable as many other construction contracts," Peskov said by phone on March 15.

#### Gazprom Pipelines

Rotenberg gained his fortune by selling pipes and building pipelines for state-run OAO Gazprom (GAZP), the world's largest gas producer. Stroygazmontazh, which Rotenberg owns with his brother Boris, built a gas link to boost supplies to Sochi for 32.6 billion rubles, five times more than first budgeted, according to Olympstroy and government data.

The Rotenberg brothers are now worth \$2.97 billion each, more than all but 35 Russians, Moscow-based CEO magazine estimated last month. That's up from \$1.75 billion each in 2011.

The controlling stake in Mostotrest (MSTT) that the Rotenbergs held via their 68.5 percent interest in Cyprus-based Marc O'Polo Investments Ltd. declined to 38.6 percent after the IPO, according to the company.

Mostotrest "somewhat disappoints investors with its annual performance forecasts," said Elena Sakhnova of Moscow-based VTB Capital. Even so, Sakhnova is one of 12 analysts with a "buy" rating on the company's stock, according to data compiled by Bloomberg. "Mostotrest gets very good contracts, not without Rotenberg's help," she said.

#### Shares Rise

Mostotrest shares closed up 0.1 percent at 136.83 rubles in Moscow, after gaining as much as 1.9 percent on the benchmark ruble-denominated Micex Index.

The largest single Olympic contract for the \$8.3 billion rail-highway link went to state-run Russian Railways, which then hired Mostotrest and a company now part-owned by Putin ally Timchenko, SK MOST, among other contractors. Russian Railways' pension fund owns 25 percent of Mostotrest.

Putin, 60, has fought to host global events to raise Russia's international profile and boost growth through state and privately funded infrastructure projects, including last year's Asia-Pacific Economic Cooperation summit in Vladivostok.

The Audit Chamber, Russia's budget watchdog, last November said it found that about \$490 million of the \$20 billion Russia allocated for the APEC summit was "improperly spent." About \$506 million has been misspent in Sochi thus far, the watchdog said this month, declining to be more specific.

### 'Rough Estimate'

Russia in September doubled its forecast for spending on the 2018 soccer World Cup to almost \$20 billion, a figure Sports Minister Vitaly Mutko called a "rough estimate," according to state news service RIA Novosti. Brazil's Sports Ministry last year said it planned to spend 30 billion reals (\$15.1 billion) on projects linked to its staging of the 2014 World Cup.

Putin, who has repeatedly vowed to crack down on corruption, last month fired the vice president of the Russian Olympic Committee, Akhmed Bilalov, saying his brother's company, which had the contract for the ski-jumping complex, was over budget by a factor of seven and behind schedule.

"The main issue is to be sure nobody steals anything," Putin said Feb. 6 before the announcement of Bilalov's dismissal.

Three days earlier, Rotenberg's Mostotrest said it would seek to sell its Engtransstroy unit, which has at least four unfinished Olympics contracts, including the Formula One track.

### Road Contracts

Bilalov, who has since left Russia, started having trouble in 2011, when organizers told him to spend what would amount to \$200 million on roads and other works that weren't in the contract once held by his family's company, according to his representative in Moscow. Bilalov denies costs jumped sevenfold, saying they only increased 60 percent, according to the representative, who asked not to be identified because of the sensitivity of the matter.

Police have announced one major case of financial fraud related to the Olympics. That was last August, when the Interior Ministry put out a brief statement saying investigators had foiled a plot to embezzle 8 billion rubles. No details were provided. The ministry and the Prosecutor General's Office in Moscow didn't respond to requests for comment on corruption in Sochi.

"The cost overruns are due to corruption, the clan system and a lack of competition," said Sochi native Boris Nemtsov, a deputy prime minister under Yeltsin and a political opposition leader who tracks government spending. "All the main contractors in the Olympics are people close to Putin."

## Cost Overruns

Sochi Mayor Anatoly Pakhomov, who defeated Nemtsov in his 2009 election with 77 percent of the vote versus 14 percent, said spending concerns are unfounded because any “wrongdoing” is quickly discovered and halted by authorities.

“Some people have latched onto the rising costs, but that can happen because of unforeseen circumstances,” Pakhomov said in an interview in his office March 6. “There won’t be any witch hunts after the Olympics.”

Money wasn’t an issue later that night at the Blue Sea, a trendy Sochi eatery where vintage Louis Roederer Cristal Rose champagne goes for \$1,600 a bottle and a basic crab dish can set you back \$300. The seafront restaurant was packed with well-coiffed women laden with furs and gems, a reflection of the extravagance transforming this former Soviet city of 343,000. Outside, trucks full of materials continued to inch toward their Olympic destinations, spreading clouds of dust.

For Gurban Babayev, though, there’s nothing to celebrate. Babayev, who operates a small fleet of motorized cranes, says he’s been chasing Olympics subcontractors for \$65,000 in unpaid bills for more than a year, including \$6,500 from a unit of Rotenberg’s Mostotrest.

Even with a court ruling, seen by Bloomberg, ordering one of the subcontractors to pay up, Babayev said he still can’t find anyone in authority to help him collect.

“You can’t go against a presidential project,” Babayev said. “This is so bitter for my soul. I earned this money with my blood.”
