Mercury retrograde can make for misunderstandings and muddled communications. So here are things simply.

This is what we are doing right now in a nutshell.

The enemy attacks on many fronts and we have to counter them on all fronts. They are trying to instigate war, carry massive sacrifice, and threaten freedom of speech as usual. We have to reply all blows. This is one of the most do or die times of the year for them.

Reverse Jewish Blood Sacrifice RTR on all days- Until April 20th.

Male homosexuality as hypermasculineEdit

Main article: Hypermasculinity

There is evidence of a correlation between sexual orientation and traits that are determined in utero.[12] Williams et al. (2000) found that finger length ratio, a characteristic controlled by prenatal hormones, is different in lesbians than in straight women. However, they found no difference between gay and straight men. [1] Another study by McFadden in 1998 found that auditory systems in the brain, another physical trait influenced by prenatal hormones is different in those of differing orientations; likewise the suprachiasmatic nucleus was found by Swaab and Hofman to be larger in homosexual men than in heterosexual men. [2] The suprachiasmatic nucleus is also known to be larger in men than in women.[13] An analysis of the hypothalamus by Swaab and Hofmann (1990;2007) found that the volume of the suprachiasmatic nucleus (SCN) in homosexual men was 1.7 times larger than a reference group of male subjects, and contained 2.1 times as many cells.[11][14] During development, the volume of the SCN and the cell counts reach peak value at approximately 13 to 16 months after birth; at this age, the SCN contains the same number of cells as was found in adult male homosexuals, yet in a reference group of heterosexual males the cell numbers begin to decline to the adult value of 35% of the peak value.[11] These results have yet to be replicated, however; there also has yet to be a meaningful interpretation of these results provided in the context of human sexual orientation.[11] Gay men have also been shown to have higher levels of circulating androgens[15][16][17] and larger penises,[18] on average, than heterosexual men.

From many theories

This is the best, fuck the estrogens ,
homosexual men are hypermasculine
and I feel like this is the case
we are warriors
not sissies with" high exposure to estrogens"

What bunch of shit

this bullshit of exposure to estrogens being the cause of homosexuality is all crap

Correct me if I'm wrong please,

I always thought

Testosterone gives major sex drive and nothing else

if a male was exposed to excessive estrogens in the uterus

More than probably

Will have lesser sexual drive, desire

and WON'T BE HOMOSEXUAL

As those fake assholes say

Note how they exclude homosexual women from the "research"

if females are exposed to testosterone in the uterus would they become homosexual?

the answer is NO

Women who take testosterone for instance

have more sexual drive than other women

but they won't become homosexual
if they aren't

In ending

all women have amounts of androgens (male hormones)
if they hadn't it, they wouldn't have sexual desire

I didn't mean that testosterone gives only sexual drive ops.....

but in this case
regarding sexuality

Low or high exposure to testosterone cannot
change sexual preferences in genders

Subject: Jews Pushing Hard for a Communist America			

This is most serious. If America falls to communism, the entire world will be enslaved.

The US Constitution guarantees Freedom of Speech. Unless we fight for our rights, all will be gone. Most people here will end up dead (as anyone who even remotely knows the truth is a threat to the Jewish powers who mass murder millions).

Here is an excerpt from a newsletter I subscribe to:

Arkansas' Ag-Gag law is designed to deter whistleblowers, journalists and undercover investigators from publicizing information, including conditions for animals on factory farms. It also bans undercover investigations of virtually all private entities, including restaurants and daycare centers, and allows employers to sue whistleblowers directly, who could be liable for tens of thousands of dollars just for telling the truth.

<http://aldf.org/press-room/press-releases/animal-legal-defense-fund-statement-on-arkansas-new-unconstitutional-ag-gag-law/>

This is a huge step for the Jewish powers that be in attacking and penalizing anyone who would dare to report abuse. Now note... "Daycare centers" Anyone can neglect, abuse, and even rape children with this and get away with it.

The Jewish powers that be work overtime to destroy our youth through any means possible. Much of this is in creating a psychologically disturbed and disabled populace. Psychiatric drugs are pushed and are not only mind altering, but dangerously addictive.

"Call your doctor...Call your doctor...Call your doctor..."

"Ask your doctor...Ask your doctor...Ask your doctor..."

Then, "restaurants"? I've worked over 20 years in restaurants as a cook. I've seen things that were abominable. That was bad enough. For one example, the bitch manager got onto me one morning, because I took time out to make a new batch of waffle batter. I refused to cook and serve waffle batter that smelled like vomit. The focus with most restaurants is always on saving money. In many places, customers pay for leftovers and cheap generic crap.

If our freedom of speech is taken away, this will be the death of America, which is what the Jews want. This will be the funeral wreath for humanity.

In closing, I also want to add here that the root of Judeo/Christian/Muslim program is in the Jewish kabbalah. This is where all of the stolen spiritual knowledge has been kept under tight wraps for centuries. While the Jews and their nefarious ETs viciously used idiot Christians and Muslims to do their dirty work of mass murdering Pagans, Heathens, destroying libraries and anything spiritual, this occult knowledge was confiscated and kept by the Jews for centuries, while our Gentile people have been force fed Christianity, Islam and related to make us slaves.

Much of the kabbalah was passed down orally only to the most trusted of Jews. They want someone dead, or anything else, they throw a curse and the victim who has no spiritual knowledge is defenseless. This is how they have obtained immense wealth and power. While the average Jew may know nothing, those at the top do and all of this ties in.

The Jewish kabbalah was kept in the highest secrecy for centuries. Now in this short period of history, when we are again becoming knowledgeable about the powers of the mind and soul, some of their kabbalah is being revealed, but is still not understandable to most, as I mentioned before, it was written in allegories, with code words, and then much was given orally. Demons work with the ministry here in guiding us to sources and in revealingly important knowledge to us concerning this. As we go along, we will be making all of this public.

Subject: Freedom Isn't Free

April 13, I had a freak accident that sent me to the emergency room first thing in the morning. It was bloody and painful but I suppose it wasn't too bad, as these things go. Could have been a lot worse.

When I got home two hours later I found the towel I'd tried to stop the bleeding with was still soaking wet with my blood and acting on inspiration, I smeared it all over some papers in my black book. I figured I'll know what to do with that later.

The anaesthetic wore off a few hours after reaching home again. The pain was pretty bad. I had to take two T3's to dull it and they put me to sleep. I had a dream that told me some things of what happened to me and why. I won't go on long into details. I woke up with insights.

Today again I'm in a lot of pain and had to take more pain killers and again they knocked me out and I had another lucid dream that again, showed me things. And when I woke up just now, I knew I had to do some writing about this, and post it.

One thing that came to me was that this wasn't a 'freak' accident. It was set up, engineered by the enemy and they were pretty happy to have been able to physically hurt me.

Another thing: that I needed to write about this, To bring AOP up here for new people as an example to take the AOP seriously. I'm to bring this up so that the Members of Hells Army and other Members who are

fighting for Satan who are new, to take heed from what happened to me and make sure you are doing AOP daily. I made a small mistake, the enemy exploited it. If there are any openings that we have or leave in the physical, for example a co-worker, an ex, (people the enemy can work through) or if, for another example, you are using a chop saw, use the push stick and not your fingers, lest you lose them. When doing things where cutting corners may be risky but we always think it'll happen to someone else, we're in a hurry or feeling a little lazy. If you feel you really HAVE to send that text, don't do it while driving. Or the person who wanted to take a daring selfie, balancing on the edge of a cliff who fell over it.

If you're doing a lot of work for Satan and the enemy becomes aware of you they will be wanting to take such a Dedicated Member of Satan's Army out. Believe me, they will exploit any opening you give them. And its not just getting bad feelings or nightmares or depressions or anxiety's...they can come after you physically. What we are engaged upon as SS isn't a lark, an adventure, something 'cool' to be doing; its serious and its a War. You must take it as such.

While the doctor was sewing me up, I found myself thinking about the **American Civil War**, also called **The War Between the States**, the four-year war (1861–65) between the United States and 11 Southern states that seceded from the Union and formed the Confederate States of America.

I was telling myself while in the hospital – because despite the anesthetic it still HURT: What is happening here and now with you, while it hurts, sure, it's nothing compared to what the men who fought out there on those battlefields had to endure. So grit your teeth and suck it up. Just imagine having to endure having this kind of stuff done (and far, far worse) WITHOUT anaesthetic! They were amputating limbs on the battlefield without anesthetic! This led to thoughts of how brutal and horrible War really is.

The ugly truth of War is the Human suffering: the blood, pain, misery and death. Which is the food and pleasure of the Jew, THIS is what we fight for, to spare Humanity more of this. To get this 8000 pound monkey off our collective back.

The War between the States came about partly because of slavery but also because the Northerners felt it their duty to tell the Southerners how to live and to submit to them or its War, so the Southerners said well then, its War. Gentile pitted against Gentile. But underneath the surface of it all, you find lurking as the causal element, as usual, the jew.

Most white Aryans were too poor to own slaves. It was the wealthy JEWS who owned the slaves, instituted, ran and profited from the slave trade. It was Aryan whites who fought to END black slavery in America. Ironic indeed, that today there is so much anti-white HATE against the white race in America from blacks (and even brainwashed whites) who are duped by the Jew Media's propaganda, brainwashing and social engineering manipulations over decades, to fall for this, as the jew again pits Gentile against Gentile. In Canada its the Natives resenting and hating the whites for conquering them. The whites are the jews scapegoat.

Thinking of War and its horrors made me think of how the Jews are trying really hard to take down America from within. 1776 is coming around again I think. The USA has always stood as a Light of Freedom in this world against the powers of absolutism and enslavement. It was meant to be the New Atlantis, but the jew has so far prevented that. Yet even still, Lady Liberty (Astaroth) holds her flame of freedom high and there are many in America and in Her military who stand for the Constitution and the Bill of Rights. America has the strongest military on the face of this Earth. They are on the front lines of War. They know the price of it and yet they choose to be fighters, because they wish to serve their people.

This is the honor of the Aryan Blood. We stand for freedom and justice and are willing to fight for it. The jew manipulates this honor into fighting their wars by proxy. The jew wants to extinguish the Flame of Freedom America represents. If America falls, the World falls. They want to cover the World in Darkness. Another Dark Age. We cannot allow this to happen!

The result of jewish machinations inevitably leads to this: the reality of being slashed open and having to be sewn up, blood and pain, the cost of War. Freedom isn't free, you see. It is bought and paid for by our blood. The blood of Gentiles. My pain was a little thing. Imagine that but magnified by a thousand, a million, as the Palestinians could tell us.

If enough Gentiles in the United States Army, Air and Marine Forces as well as the Alphabet Agencies and Law Enforcement wake up to the jewish threat and stand up for the Constitution as they swore to do, it would literally take out the jews physical power base.

If you're a Satanist in the Army, Special Services or Police Forces, really take your AOP seriously. And if a gut feeling is telling you something, listen to it and ACT on it.

It can save your life.

"Freedom is a word often heard today,

But if you wanna keep it there's a price to pay.

Each generation's gotta win it anew,

'Cause it's not something handed down to you.

*To some people freedom is a waving flag,
To do your own thing is another man's bag.
For ev'ry man freedom's the eternal quest.
Free to give humanity your very best.*

*Freedom isn't free! Freedom isn't free!
You gotta pay a price... You've gotta sacrifice,
For your liberty."*

Hail Satan, in Glory and Power Exalted!

Hail Andras, The Indomitable One!

Hail to Sorath, the One who Burns!

I am so sorry. Please let it be you get better.

And I absolutely agree about the war. Brother Wars are the most disgusting most horrific and ugliest thing to me possible, and if I ever "fight" for anything, I fight for eliminating this ugliness once and for all.

It is also very notable how it happened right now. Trump attacked Syria, but Syria survived and not only survived but showed Trump who is the host nation in Syria and who is parasitic Jew that needs to Jew away. Then Trump moved to North Korea, their leader is hot-headed communist and is threatening atomic war against Japan, South Korea and USA themselves. From Russian news, Korean leader is threatening that, if America does not fuck away and let them do their usual annual nuclear test in Pacific Ocean as they always do on the anniversary of the grandpa of their current leader; he will nuke all their bases in Japan, SK and themselves where they are. North Korea has no other serious weapon but nuclear. And nuclear war is the only war North Korea is meant for by their ideology as communism is only meant for conquer. Other type of weapons are more developed in other countries than in North Korea. Or at least it is how it is known. They also are preparing themselves for a war for many decades already and have literally underground cities suitable to wage nuclear wars from out them.

To me it looks like Trump is looking for a trouble on purpose and is willing to push his country into war where She will be beaten. Like if it was their neo-con plan to [after severe draining] at last push America into such war from which She will not return alive. This danger also seen in Her 2021-2022 SR. Which I hope will never happen.

Believe me, they will exploit any opening you give them. And its not just getting bad feelings or nightmares or depressions or anxiety's...they can come after you physically. What we are engaged upon as SS isn't a lark, an adventure, something 'cool' to be doing; its serious and its a War. You must take it as such.

While the doctor was sewing me up, I found myself thinking about the **American Civil War**, also called **The War Between the States**, the four-year war (1861–65) between the United States and 11 Southern states that seceded from the Union and formed the Confederate States of America.

I was telling myself while in the hospital – because despite the anesthetic it still HURT: What is happening here and now with you, while it hurts, sure, it's nothing compared to what the men who fought out there on those battlefields had to endure. So grit your teeth and suck it up. Just imagine having to endure having this kind of stuff done (and far, far worse) WITHOUT anaesthetic! They were amputating limbs on the battlefield without anesthetic! This led to thoughts of how brutal and horrible War really is.

The ugly truth of War is the Human suffering: the blood, pain, misery and death. Which is the food and pleasure of the Jew, THIS is what we fight for, to spare Humanity more of this. To get this 8000 pound monkey off our collective back.

The War between the States came about partly because of slavery but also because the

Northerners felt it their duty to tell the Southerners how to live and to submit to them or its War, so the Southerners said well then, its War. Gentile pitted against Gentile. But underneath the surface of it all, you find lurking as the causal element, as usual, the jew.

Most white Aryans were too poor to own slaves. It was the wealthy JEWS who owned the slaves, instituted, ran and profited from the slave trade. It was Aryan whites who fought to END black slavery in America. Ironic indeed, that today there is so much anti-white HATE against the white race in America from blacks (and even brainwashed whites) who are duped by the Jew Media's propaganda, brainwashing and social engineering manipulations over decades, to fall for this, as the jew again pits Gentile against Gentile. In Canada its the Natives resenting and hating the whites for conquering them. The whites are the jews scapegoat.

Thinking of War and its horrors made me think of how the Jews are trying really hard to take down America from within. 1776 is coming around again I think. The USA has always stood as a Light of Freedom in this world against the powers of absolutism and enslavement. It was meant to be the New Atlantis, but the jew has so far prevented that. Yet even still, Lady Liberty (Astaroth) holds her flame of freedom high and there are many in America and in Her military who stand for the Constitution and the Bill of Rights. America has the strongest military on the face of this Earth. They are on the front lines of War. They know the price of it and yet they choose to be fighters, because they wish to serve their people.

This is the honor of the Aryan Blood. We stand for freedom and justice and are willing to fight for it. The jew manipulates this honor into fighting their wars by proxy. The jew wants to extinguish the Flame of Freedom America represents. If America falls, the World falls. They want to cover the World in Darkness. Another Dark Age. We cannot allow this to happen!

The result of jewish machinations inevitably leads to this: the reality of being slashed open and having to be sewn up, blood and pain, the cost of War. Freedom isn't free, you see. It is bought

and paid for by our blood. The blood of Gentiles. My pain was a little thing. Imagine that but magnified by a thousand, a million, as the Palestinians could tell us.

If enough Gentiles in the United States Army, Air and Marine Forces as well as the Alphabet Agencies and Law Enforcement wake up to the Jewish threat and stand up for the Constitution as they swore to do, it would literally take out the Jews' physical power base.

If you're a Satanist in the Army, Special Services or Police Forces, really take your AOP seriously. And if a gut feeling is telling you something, listen to it and ACT on it. It can save your life.

*‘Freedom is a word often heard today,
But if you wanna keep it there’s a price to pay.
Each generation’s gotta win it anew,
‘Cause it’s not something handed down to you.*

*To some people freedom is a waving flag,
To do your own thing is another man’s bag.
For ev’ry man freedom’s the eternal quest.
Free to give humanity your very best.*

*Freedom isn’t free! Freedom isn’t free!
You gotta pay a price... You’ve gotta sacrifice,
For your liberty.”*

Hail Satan, in Glory and Power Exalted!

Hail Andras, The Indomitable One!

Hail to Sorath, the One who Burns!

Their scriptures are really something else when it comes to the codes, numerology, allegories and how they use it to bring about world events. Whoever designed this stuff were definitely no amateurs when it comes to the occult.

I've been trying to learn everything I can about their Kabbalah, Torah and how it all fits together. It can seem a little mind blowing to me at times so I always wait for the word of you or the other HPs before I conclude anything.

The Jews have something they call "tikkun" which are acts that supposedly rectify the Universe which they claim is imperfect and therefore their God needs the work of his chosen people to perform.

This is a constant underlying theme of the entire Torah and pretty much all Jewish ideologies that have followed such as Communism. The idea that there is something wrong with existence, something wrong with humanity, something wrong with nature, something wrong with gentile souls, everything is flawed, the Earth had to be flooded, Jesus had to die for everyone sins, etc and it's the job of the chosen people to fix it. Some Rabbis have even gone as far as to say that all gentile souls are completely evil.

One wrote on their Chabad website that the idea behind the ten plagues of Egypt story was to show the imperfection of nature, something that was revered in all gentile Pagan societies. http://www.chabad.org/library/article_cdo/aid/1161/jewish/Its-Only-Natural.htm

I think their Torah is far more than any ordinary book of curses and spells, it's almost like it was designed to constantly affect the way the natural energies of the Earth, cosmos, planets, time and human beings work.

Since the days of the Romans, Jews were seen as a group of people in opposition to nature itself.

That "tikkun" is a corruption and outright blasphemy of the Magnum Opus.

Also, as for the Romans, they destroyed the Jewish temple as the populace was completely fed up with all the living blood sacrifices going on at that place. This was stated by a rabbi.

I also want to add, in several books I read, Jews blame shift the blood sacrifices onto Pagans. It is glaringly obvious this is another lie, as both the books of Deuteronomy and Leviticus are chock full of specific instructions on how to do blood sacrifices. Loaded with it, pages and pages.

Given Jews control 96% of the media, they lie as they please. A blatant example any thinking person with enough intelligence can see is how our White European people have been portrayed as backward savages during the Middle Ages. One can see from architecture alone, this was not the case.

One does not just slap together a castle, a Gothic cathedral or any of the architectural wonders from that period. Even the clothes they wore were tailored with high intelligence and perfection. The art, everything, indicated a civilized society with superior intelligence, which came from breeding with the Nordic

Gods.

Mercury retrograde can make for misunderstandings and muddled communications. So here are things simply.

This is what we are doing right now in a nutshell.

The enemy attacks on many fronts and we have to counter them on all fronts. They are trying to instigate war, carry massive sacrifice, and threaten freedom of speech as usual. We have to reply all blows. This is one of the most do or die times of the year for them.

Reverse Blood Sacrifice RTR on all days- Until April 20th.

The hoax that "Satanists" are doing crimes and all the rest of the deplorable filth is a very intelligent one.

Based on lies and disinfo for the stupid Goyim, who just read their crap from CNN, or wherever else, and evaluate nothing.

The jews, confronted with the harsh reality of being caught for their doings, including animal and human sacrifice (This is done in Purim) have had to come up with some hoax, and some scapegoat group to shift blame upon.

It's a well known fact the "Satanic Panic" of the 80's and 90's was largely a hoax. But anything will suffice if it is for jews to take the heat on themselves.

We can safely say at this point, that the Jewish Atheistic, Carnal and Morbid (((("Satanism")))) was basically a creation to safeguard and protect the jews and all their doings. A nice scapegoat. Not only these crimes were done by the jews, they were also pinned on their "Pagan" enemies too. Perfect misdirection.

Instead of the jews paying, their enemy cultures since times immemorial got the blame for things they never did or even espoused.

The only Real Satanism, which is Spiritual Satanism, looks down on these jewish, dumb and morbid methods. We denounce and are directly opposed to these psychopathic monstrosities that do these things.

From the imagery to the content, to the judeo-kabbalistic teachings in (((Satanism))) down to the occult in general, we just have one thing: **Jewish Racial teachings.**

It is well known that those who pushed this as (((("Satanism")))) or within any other faith, were more than likely, Jews themselves Racially. Just practicing their ancient tenets under a different name, of course. Then we have their demented idiots who believe and go do these things like stupid Goyim (animals in Hebrew).

All their supposed "Satanic", "Freemason" and other types of texts, do all pray to his "Magnificence" Jesus, Rabbi Yeshua, or "His Father in Heaven", Jehova/JHVH. It's well known the God of the Freemasons is basically Jesus. But few people do any studying.

The jews of course profit from this. They don't pay any of their crimes over centuries (except of hundreds of expulsions and pogroms etc) and they keep doing their horrendous crimes, while other socket groups get the 'blame'.

However, Jews, Muslim, and Christians do engage in Blood Rituals all the time. In the very Truth of the matter, the blood sacrifice Rituals began with

Jews. In Ancient Pagan tradition, Blood Sacrifice was the sacrifice of one's bioelectricity, CHI/Vril, or at best, a few drops of their OWN blood, in a symbolic manner. All of that went down the drain with ignorance, and jews in order to cover their crimes, created endless lies in the last century about their well-known practice.

Some people name the Rabbi, Aleister Crowley. Crowley lived his life aspiring to become a Rabbi. He indeed knew the hebrew "spiritual" and "blood" galore better than some Rabbis even. He was known as the "Beast" and one needs to open his dumbass books in order to see in plain that he was all about blood Sacrifice. He himself was nothing but a nutcase, so he plainly did write these for attention whoring pretty much. Long story short, many fucktarded people followed suit.

Crowley himself admits, it's (((("GOD")))) that won him over...Not Satan. Should testify enough as to what is there to follow...

Let's not forget in the temples of Kali in India nowadays, the spiritual laymen and stupid people still sacrifice animals. On the behalf of Hindus, this is more like spiritual corruption. That should testify, however, on where spiritual ignorance can lead.

On the behalf of others, you cannot state the same...

What the media will not tell anyone, is the Eid Hada and of course, the Jewish Sacrifice of Children. All documented in the Torah.

Christians, every Sunday, go to actually drink the Flesh and Blood of their 'human god', which is actually none else than Jesus Christ. This is a literal emulation of the jewish ritual, where they drink the actual blood and flesh of humans. But who cares, right? The early Christians of course, it's speculated actually ate humans too. Cannibalism.

Why do you even have to fucking eat the FLESH AND BLOOD in the EUCHARIST? That nonsense doesn't even make sense. Until you look at Judaism and the general 'requirements' of the Abrahamic religions.

John 6:55-58

Rabbi Yeshua speaks to his congregation/disciples:

55 For My flesh is real food, and My blood is real drink.

56 Whoever eats My flesh and drinks My blood remains in Me, and I in him.

57 Just as the living Father sent Me and I live because of the Father, so also the one who feeds on Me will live because of Me

58 This is the bread that came down from heaven. Unlike your fathers, who ate the manna and died, the one who eats this bread will live forever."

The "Good" Muslims of love "Allah" (Note Kabbalah - KAB-ALLAH of the Jews) are actually, every year, sacrificing hundreds of thousands of living beings in a ritualistic manner. This is called "Eid Hadda". Of course, the energy goes to aliens, and their thoughtform. This is a normal Muslim, highest of importance, celebration.

THESE WILL BE THE STREETS OF EUROPE SOON TOO, IF RETARDS DON'T WAKE UP.

Then the jews, at least from what can be shown, they do have specific methods of ritualistically torturing and killing animals in the most inhumane way. This is called Kosher Slaughter.

The tortured animal has to be hanged up from the foot, and bled until they get every last bit of their blood out. This is a very specific ritualistic killing, as instructed in the Torah. If it's done otherwise, jews cannot eat this meat.

THIS IS NOT FOR THOSE WITH A WEAK STOMACH. Also, this is one of the most 'humane' videos one can find:

<https://www.youtube.com/watch?v=HznvMjFYUgc>

OF course, Humans are also liable for this thing. This is consistent and happens every year. The jews suffered pogroms and expulsions as a result of this, among other horrendous crimes.

Corpse Worshipping Christians : JoyofSatan666

Since another member has posted in regards to some bizarre and totally WTF things Muslims do, I thought I should post some things I am aware of that Christians do.

One of the funny thing is when the enemy calls "Satanists" things like Necrophiliacs. I don't know about kikes who practice judaism within an anti-xian context, or jews themselves, but so far as we Spiritual Satanists are concerned, these methods are laughable. I mean like, okay, fetishism is accepted, but after a point, it grows disturbing.

Mind you for some people it's not distored, sickening attention whoring fetishism, but an actual spiritual faith. They actually believe in CORPSES.

First of all in Russia and in the Balkans, we have a very occulistic and darker sect of xianity, named "Orthodox" xianity. Those who live in these areas, they know firsthand that these religions are highly abnormal.

One thing they do is extreme marketing. You know they call people like Pagans Necrophiles and other things like that? Let's examine who is the Necrophile.

When "Saints" die, they go to their tombs, take the corpses out, and put them in glass boxes. These corpses are literally places of pilgrimage. A whole black market is going around the selling of nails, tendons, intestines, what have you, is being sold. Even supposed hair that belonged to the saint. For a small nail, a tendon, or other things like that, prices can scale up to five digit thousands or more, sometimes, way more.

Of course being the dumb asses they are, they don't really take care of any sustaining process that is serious, so that the body looks normal. Who cares about that crap anyway. They take the smelly, worm-infested corpse and they worship it. This has nothing to do with Egyptian ceremonies, where the body was taken care of by immensely trained people, and was left to be undisturbed in the sarcophagus.

They are essentially worshiping rotting corpses.

No guys, the scary skulls here aren't skull and bones, freemasons, or even a sacrificial death cult. Well, it is basically, and it's called Christianity. It's a death cult department of the jewish, abrahamic, religion sect. Christians worship things like that below:

Tendons, nails, and all sorts of other things are salvaged, skulls, body tissue, whole hands or feet that are cut from the corpse, are salvaged and worshiped, and they also believe they have supernatural power to do 'miracles' such as healing and other things.

In extreme cases, ashes are also eaten. Sometimes, they would also eat fabrics or other things their 'beloved saints' used to wear, considering it gives them supernatural blessings and powers:

Yes, this is an actual rotting hand here:

Caption below reads:

"The left foot of saint Anne: this is in the holy place of hers in Ayion Oros (a holy mountain in the Balkans) and here we can see the nerves and the fingers. This holy leftover has real living human body heat and heals people on a daily basis!"

Here we have terminator's skull in display. Notice the religion of the meek, the poor and the disabled, has made hell as well sure it's gonna be in dem rubies, and inlaid gold, motherfuckaz. Because give your coat if you have two, to your poor fellow, mofo'king goyimz.

Mmm I like the jewelry on that one. Very stunning. Mesmerizing. It really does increase the beauty of a rotting hand. Lovely. Which of the christian goyim is going to kiss it and possibly suckle on that divine finger? Volunteers?

The jews are now taking some very important steps to their agenda.

There are two steps that are taking place right now, or for accurate saying. A few things that will build one upon another.

First of all, the jews with Jewcy Trump, they are trying to instigate fear and worry, and maybe even the event of WW3. A Thermo-Jew-Clear war basically. This is well documented in essays of Rabbis, and many fancy and would love the event. They want 'complete and total retaliation with their enemies'.

The only reason Trump did focus on North Korea is because the autistic garbage communist of Korea, is the only person that will easily launch a nuke with no serious fuss-fuss to it. Trump attempted to pull the tooth of Russia some days ago, and now, he is trying to get to the same thing from the backdoor, towards a far dumber opponent. Russia wasn't stupid to take the bait, and they knew where this led in the first place.

After he tried to start WW3 with an irrelevant target. He just launches a random bomb on (((ISIS))). Funny as it were, and needed, it was gladly irrelevant. A phonecall from his Israeli friends could disband (((ISIS))) faster than all bombs in the world combined. Since they made this socket group anyway. McCain knows. The "Goyim" with the memory of a goldfish forgot what is actually going on.

Notice when Jewcy became really Jewcy like Orange-Jewcy, the Team Toilet Jew approved him as their lord and master again.

Aside from this, as this post is being written, there is a referendum in Turkey going on. On if Turkey will become a full dictatorship or not. Either way this goes (I believe it will be a rigged YES, personally, but we will see, haven't looked into it really) the jews want Turkey to become 'nationalist' and 'dictatorship' at once. Erdogan the dumbass will then start the violations and other things, and the good guys of the globe will want to intervene. In order to break down and destroy Turkey pretty much.

The outcome of that the jews want to be twofold: One, fill completely Europe with savage islamists, two, they want to actually create a puppet state named "Kurdistan". They want to break Turkey in pieces, to create puppet states between them and their Middle-Eastern enemies. And then, misdirect war and other things to these states instead, rather than Israel.

The same thing happened with Assad in Syria. They basically tried to open full scale war on Assad again in 2013, and they will repeat this again. The jews want major destabilization of the whole area in order to find the loopholes to make their expansion. One of which small expansion they already carried, with their so called 'settlements'.

All of the above is being carried on Easter, and after Yom Kippur. As HP Don explained, all of this was numerologically calculated. April 6th the first airstrike, April 16th the end of the Turkish Referendum, the list goes. All these events do build up one on top of the other.

Many people will think now, wow, they have a lot of power carrying these events. Obviously they do, but anyone in their position would. This is not the work of 'God', its the work of human beings with occult knowledge. It's that simple. Those with occult knowledge, are 'God' themselves. Let's not over-complexify the matters, but there are also aliens with their own agenda involved. They don't like the fact that humanity is understanding about them.

Their ant-farm is potentially under the danger of breaking over, and they are seriously willing to kill enormous amounts of people to stop this from happening. After all, like animals, they will repopulate. The thing that matters to these hostile entities, is that nobody knows what they are doing, until they are too strong for anyone to do anything at all.

Lastly, we, out of all people can do something about it. If this plan is foiled, TTJ will have a very hard time coping with their own attempts to gas everyone in a massive, thermonuclear war.

Notice how the stupid goyim are literally 'loving' this and all are sitting docile in the sight of such events. But when Nationalism and bad 'racists' are rising, they want to play revolutionaries of the poopland.

This is because when it comes to jewish operations, they are programmed like the dogs they are to stay docile, but when it comes to things that threaten the jewtrix (Such as imaginary gassings of the chosen/it was real in my mind incidents), they are taught to revolt like the slaves of the jews that they are.

We are living in a prison planet, but we can change this. We are working for this.

New Reverse Torah Ritual Schedule [April 20th to April 30] : JoyofSatan666

Greetings to all our People and Satanic Comrades.

Unless anything urgent hits (such as what happened recently) we will be following the schedule below. I will make this as simple and concise as possible. We have to dispell a lot of confusion. The jews are mastering the world still based on lies and confusion. This is how they rule, aside other things.

Confusion lies and deception are the major key holders of jewish power. We have to devote 10 or more days in dispelling such. This is to help the people who can wake up, wake up. The enemy resists this by doing more and more magick.

To explain what they do, the enemy being the excrement they are, they openly state that their issue is with Satan. Which was we know means Eternal Truth. In the east, they do SA-TA-NA-MA as a mantra, and this dispells illusions. According to the Gurus in the East this also dispells subconscious patters that are dangerous and have been created by illusion. The jews have outlawed the use of this "Name" by the penalty of death for centuries, both for this reason, and for the Being that is behind this Name.

The enemy has flooded the lower astral levels with a lot of insane thoughtforms and crap; fear, terror, misunderstanding, misconceptions, exploitation of blind spots in the human brain, all factor in. We can solve this by this RTR.

So we will be focusing on FOUR RTR's from April 20th to April 30th. We will update the schedule if the need arises.

Through lifting these, Satan or Truth will be able to be seen by all. This benefits us in all ways possible.

From April 20th to April 30th:

-72, 42, Communications RTR and Anti-Confusion RTR.

The answer come out and ofcourse it was yes. I always new my country wasnt heading anywhere good but being under this regime "officially" makes everything so much scarier. People dont understand how easily things could escelate from now on.

HP if you dont mind me asking, what is our long term plan here? I understand the future isnt set in stone and that Lilith will be the one to destroy communism. Does that mean we will fall under that regime before gods intervines? Will it take until 2117 for people to finally wake up or should we expect some chages before then? Im just so overwhelmed by the idea that we are living in a soul farm created by an reptilian aliens and sometimes I just cant coop with the reality of this situation.Im a 22 year old who cant even have a single beer without hating myself because im being useless. How do you live without losing your mind on this Earth?

New Reverse Torah Ritual Schedule [April 20th to April 30] : JoyofSatan666

Greetings to all our People and Satanic Comrades.

Unless anything urgent hits (such as what happened recently) we will be following the schedule below. I will make this as simple and concise as possible. We have to dispell a lot of confusion. The jews are mastering the world still based on lies and confusion. This is how they rule, aside other things.

Confusion lies and deception are the major key holders of jewish power. We have to devote 10 or more days in dispelling such. This is to help the people who can wake up, wake up. The enemy resists this by doing more and more magick.

To explain what they do, the enemy being the excrement they are, they openly state that their issue is with Satan. Which was we know means Eternal Truth. In the east, they do SA-TA-NA-MA as a mantra, and this dispells illusions. According to the Gurus in the East this also dispells subconscious patters that are dangerous and have been created by illusion. The jews have outlawed the use of this "Name" by the penalty of death for centuries, both for this reason, and for the Being that is behind this Name.

The enemy has flooded the lower astral levels with a lot of insane thoughtforms and crap; fear, terror, misunderstanding, misconceptions, exploitation of blind spots in the human brain, all factor in. We can solve this by this RTR.

So we will be focusing on FOUR RTR's from April 20th to April 30th. We will update the schedule if the need arises.

Through lifting these, Satan or Truth will be able to be seen by all. This benefits us in all ways possible.

From April 20th to April 30th:

Subject: Happy Birthday, Adolf The Great!

<https://josministries.prophpb.com/topic19109.html>

Every year, and every spring, on this very date, It's a day of hope. Above all, it's a day of remembrance.

It has been a date where this Dark World, has been blessed by Divinity, that of a very clear Light...

It was only the year 1889, when a soul entered a body, aside many others, but unlike everyone else. This Soul however, as years later would prove, did indeed come to us from afar....

Conspirators against Humanity and many of those who followed them, hidden in their high towers, did lay again their great plans. Their 'promised' days of theirs, were drawing close, their final Triumph was coming. These were the decades of their exhilaration, the climax of their cause that has lasted for closely two thousand years, as we would know later on when their veiled was lifted by this very bright Soul born in 1889.

Times were faithless, and times were hard. Humanity was in a transitional phase, but not towards anything great, humanity had no Spirit: everything was going to according to *their* 'plan'.

On the feast of *eve and celebration*, in 1914, World War one begins. Another European war, this time the most violent known in Human history. If there has been bloodshed in previous wars, this had to be the worst of all. The European Soul was sinking once again, by the work of traitors, parasites, and work of all of *them*.

This had to be the time where history has ended, or was about, to end.

For others, the issue was deeper, it was the dawn- the very climax of a global darkness that had overtaken humanity. Nobody believed in miracles anymore, and in the dawn of war, victors and losers alike were faithless, damned, and destroyed.

Brother killed brother, and son killed the father, people related by blood killed their own blood, and those in their high towers, the conspirators, did laugh. *They were pleased*.

One common blood was flowing down the ancestral soil of everyone. And *them* were feeding from it. *Exhilaration*.

Their plan was nearing completion. By the end of 1921, the first voices were being heard and the first screams; The voices of the last and great march of "One Human Race", "One World", and eventually, One Government. But how could this ever happen without the largest and most dramatic, *created catastrophe* in human history...

It was upon the corpses and tears of born, and on sacrifice of the unborn and hungry children that this '*utopia*' would have been built. *They were happy*. "*Death was only a necessity of greater peace*". The *peace* of a few, very few, against the existence of virtually everyone else. *A peace* for no more than a few hundreds and their own '*race*'.

Hunger, pain and deception were the only things people knew, and all hopes were lies. Commoner and Prince alike were enslaved, by *chain* invisible...

The Power of the Common People and the Power of One did shine. This person was named Adolf Hitler.

As a powerful gradual explosion of enlightenment, he burned the *unrighteous*, and gave warmth and light for the righteous. He flocked the righteous like stars, and they stood as an example for everyone to follow. A new universe was created within our own gloomy world, which was to last a thousand years, but as many rave, it only lasted for a decade...

Nobody believed until they saw the Morning Star in the clouded heavens, filled with black mortar smoke of death and anguish.

Manifested in many forms of it's time, these of political struggle, ideology, but above all the spirit to persist and to win against impossible odds, the Star of the World did give a necessary wake up call towards enlightenment.

A *mass conspiracy* was launched against this great project that Providence wanted done: The conspirators quickly gathered...

"Let's drop our bombs, let's rain death upon them, let's kill the last memory of a 'great' existence for humanity, so we can rule supreme and

completely. Let's punish this Warrior God of theirs, and all his followers^d, as such were the speeches from the high towers...

At this moment, the battle of life continued, and it kept going and going, with struggle after struggle, blood after blood, and pain after pain. To the conspirators this was nothing but divine opium, their purpose was almost done, but they had failed on the last moment.

Adolf Hitler proved them all wrong. Amidst the *deceived* masses who were looking for a scapegoat savior and salvation, a real Warrior had risen.

On the celebrated funeral of Humanity, he came and gave us air to breathe...

We exist with freedoms because some men died and gave us a second chance...

It was the time of the spirit of the rebuked, the "Satan", was to Return and put his shield upon a dying humanity.

The rebuked, the defamed, the misunderstood, the one whom everyone tried to push away, had pierced into the fabric of a barrier of ignorance meant to keep humanity enslaved.

Quickly the men in the high towers saw their towers crumbling, and their dreams collapsing: thunders fell from the heavens and broke their jewish crowns. Soon they were crawling, and they had to finish this quickly with a dagger.

A whole world, and all the armies of the world, conspired against The One, and the valiant followers of the Gods, who have been playing their part to save not only humanity, but all that is beautiful, honest and glorified in the world. Bomb after bomb, they destroyed their mortal shells.

Many of their shells, fell into the abyss. But their Souls, deeds, and actions remained. They remained in the darkest alleys of history, behind lies, behind tons of defamation.

They remained as a lesson to the Wise...

The next decades came and humanity was going tranquil: the world was shook, and morphine was administered to this dying body, so it would not longer see. Behind this guise, *they* kept working.

The Once Hero, the Warrior God, Adolf Hitler- has "*fallen*" they said.

They say that 'like Satan', he came 'crashing down from the Heavens'.

And like Satan, what a memory they made of him...And what lies. And what defamation...Specifically by the same people who did this for Satan too...

But like Satan, Hitler's name has come to be synonymous with Eternal Truth...A Truth that people only now fully understand...

A Truth that Hitler said would make his Soul rise from the grave, and that would make everyone understand that He was Right.

Many say we will never fully understand.

But all of Us Will fight and Follow.

Contrary to the foolish saviors of the victims, Adolf Hitler proved that HIM who has made us, has never abandoned us.

He fought for us from the very first day of his life, to his devoted Eternal Life.

What matters is that Adolf Hitler, this unnamed soldier, did pass the Gates of Eternal Immortality.

The *Jews* thought they had destroyed 'God', but the Morning Star of Satan showed us once again, that the real, the defamed, the "hated" God was here.

But when HE was here, how much did people love Him. How much beauty he brought into this world. How much hope, how much light, how much of a reason to sacrifice and to follow...How many infinite reasons to even die, his mere existence gave.

But His message was for us to Live: For he was really the God of Eternal Life, the Real Healer, the Real vision of Greatness.

The God of Warriors, our Beloved.

I write this for us unknown soldiers, to our unknown Soldier, and all of those that are to come...

For the Son of Lucifer, the sons of Lucifer, and those Lucifer's that are to come...

Happy Birthday, Light-bringer, ADOLF HITLER.

YOUR MEMORY WILL LIVE FOREVER!

Subject: War to Censor and Control the Internet

Greetings Comrades,

We are standing strong and we keep fighting, but the enemy has been established for years and now tries to take advantage of this. We must keep going strong and vigilant in our fight for the planet earth.

The public reasoning the enemy uses is "piracy" but at the same time it sets up the legislation in order to control the internet. This is a difficult subject because it not only requires knowledge of how the enemy works and how they use the "problem-reaction-solution" tactic, but it also requires sufficient technical knowledge about how the internet works.

Our last bastion in our privacy are the ISPs (internet service providers) that keep our data private. For example it's the ISPs that know that Bob, first visited his facebook page, then a porn site, then his bank account, then his secret blog, then he browsed some candles on amazon etc.

President Trump Signs Internet Privacy Repeal Into Law

<https://torrentfreak.com/president-trump-signs-internet-privacy-repeal-into-law-170404/>

President Trump has signed a bill which repeals Internet privacy rules passed last year by the Federal Communications Commission. Internet service providers are now free to spy on their customers' browsing activities in order to generate targeted advertising. Predictably, many users are considering counter-measures.

So the enemy focuses a lot on ISPs and battling them in order to establish "rules". For example they use criminal cases in order to access ISP data. Then they will establish typical procedures like the DMCA in most search engines, that can be exploited freely.

People are conscious about their data and some use VPNs (Virtual Private Networks). For those that don't know, it's a kind cryptography, that encrypts your data from your ISP. That means that your internet traffic passes through your ISP, but the ISP cannot read it. Meaning even if the jew controlled government gets permission to see your ISP data, they wouldn't be able to use it.

Another way to bypass getting tracked is by using proxies. A proxy is a like throwing a "smoke-bomb" while you move through the internet. If I access a site like the yahoo groups. The yahoo groups can track me, and see my IP Address (and in some countries that use Static IP Addresses this means they can track your personal information). So in order to avoid this, you use an (anonymous) proxy server. These proxy servers are middle points. So instead of directly connecting to yahoo groups, you first connect to the proxy server, then the proxy server connects to the yahoo groups. So if the yahoo groups site wants to track the visitor, they will only see the proxy and not you. If they want to track you further and ask the proxy server, "where did this request originate?", the proxy server will not respond (thus being anonymous proxy).

The Tor network kind of works like the proxy system, but with VPN encryption (for the knowledgeable, I'm oversimplifying the whole idea).

So guess what the jews are doing next...

Russia Plans To Ban VPNs & Proxies That Unblock Blocked Sites

<https://torrentfreak.com/russia-plans-to-ban-vpns-proxies-that-unblock-blocked-sites-170420>

The Russian government is preparing to scale-up its war on blocked sites by hitting services that provide workarounds. A new bill developed by the government requires VPNs and other anonymizing services to stop providing access to blocked domains. If they do not, they themselves will also be blocked. Search engines also face sanctions for linking to banned sites.

They are trying to "test" what happens in a country where the jews control for years, if they ban VPNs and Proxies. If this succeeds, they will implement this in the whole world.

We have to be strong. The wars of today are fought on the internet and on the spiritual levels. We have to become proficient at both. For the younger people and the willing, invest in learning about ethical hacking, understand how the internet works and what are the pillars. We have to be knowledgeable in order to fight on both levels and be able to bring the change.

We have to keep doing the RTRs. More people in the IT industry and Educators are taking notice of the legislation of the internet.

For example...

.....

Pirate Bay Founder Launches Anonymous Domain Registration Service

<https://torrentfreak.com/pirate-bay-founder-launches-anonymous-domain-registration-service-170419/>

Pirate Bay founder Peter Sunde has a new privacy-oriented startup. Today he launches the domain registration service Njalla, which offers site owners full anonymity, shielding them from the prying eyes of outsiders. "Think of us as your friendly drunk (but responsibly so) straw person that takes the blame for your expressions."

.....

Russian MP Says She Loves Torrents, Hates Web Blockades

<https://torrentfreak.com/russian-mp-says-she-loves-torrents-hates-web-blockades-170417/>

When it comes to Internet file-sharing, most mainstream politicians rarely have anything good to say, but for Senator Lyudmila Bokova of the Russian parliament, things are clearly quite different. "I like to use torrents," she says, "because they provide the ability to download information quickly and cheaply."

.....

Cloudflare Doesn't Want to Become the 'Piracy Police'

<https://torrentfreak.com/cloudflare-doesnt-want-to-be-the-piracy-police-170413/>

Cloudflare is warning that far-reaching cooperation between copyright holders and Internet services may put innovation in danger. The company doesn't want to become the "piracy police" and is refusing to monitor infringing content proactively. Instead, Cloudflare urges rightsholders to see the Internet as an opportunity rather than a threat.

.....

Lawyers & Academics Warn UK Against Criminalizing File-Sharers

<https://torrentfreak.com/lawyers-and-academics-warn-uk-against-criminalizing-file-sharers-170325/>

A group of campaigners, copyright scholars and lawyers have sent a letter to the UK Government, urging it to narrow the definition of online criminal copyright infringement in the Digital Economy Bill. The signees warn that the current definition of criminal copyright infringement is too broad and could be used to target casual file-sharers with sentences of up to ten years.

.....

The RTRs that we are doing and the actions of the enemy are moving the internet to a more decentralized medium. Instead of logging in a site that has a "centralized" server system, now there are technologies that use peer to peer networks (without a centralized server) in order to do the same thing. The technology is even more complicated but they accomplish it with success.

See Bitcoin, the decentralized banking system that takes away the power from the banks!

See Tribler or RetroShare, two decentralized file sharing systems

See MediaGlobin, the decentralized alternative to video sharing etc.

The fight for free speech on the internet is where the war is right now. Don't forget comrades; if they succeed in their "quest against piracy", the next step is censoring the internet. And for the inexperienced, they will make "hate speech" (speaking against minorities, ethnicities etc.) illegal by law. Then they will use their established internet legislation to sensor the internet.

That's why we have to fight stronger and harder!!!

Hail Father Satan and All the Gods of Hell

The plan is to completely destroy the enemy on the spiritual level. How soon our victory comes and the Gods return is dependent on how much spiritual warfare people do. If everyone worked their butts off, we would have the world in a year. If people do nothing, the enemies will win and the world will be enslaved.

You should not hate yourself. You are working on empowering yourself and are literally saving the world with your meditations and RTRs. You should do a working to free your soul and free yourself from self-hatred.

[Spying Technology : JoyofSatan666](#)

Spying Technology : JoyofSatan666

If you pay close to tech around, it is becoming highly dangerous and intrusive. Technology, lovely as it is, is only a tool. Driven by the minds that are behind it. And when you have mass psychos controlling it, it's bad news.

Notice how the latest phones like iPhone and Samsung come with all these things like voice recognition. The sample of which do get sent and stored in google and servers. This could be easily done locally in the phone, but they just want to do this otherwise. To collect samples.

Now we also have biometric scanning, and the scanning of the iris, done by the phone. Instead of Jews rallying you in the gulag to get these infos about you. You give them on your own. Facebook works in the same context. Jewbook knows more secrets about you than any secret state police could ever know 50 years earlier.

There is a science that deals with recognition of the iris in China, and it's part of Chinese medicine. You can see many things through the eyes. Including mental health, health in general and other things.

Needless to say, in the attention of the correct people with ill will. Things can go real grim. One needs to see innocent girls who just take a few naked selfies and one day wake up to find themselves posted on the whole internet. Then things take a life of their own. I know some people actually aspire this, or think it's not that of a biggie. Erm, it's a hoax. And it can prove deadly too. Many girls and other innocents are hunted down by predators, online. Blackmail and other hints build upon this as well.

I have noticed and took measures after noticing in regards to Windows. Windows forcefully updates, and doesn't make any sense as to why. Probably more Addons. The Pcs are known to get ruined by updates. And it kills them slowly, while it should "improve" them.

Devices like android phones get more and more powerful, with more ram and processing power. But speed is essentially capped as to what it was a few years ago. No matter the extra ram (temporary memory) the innate software of the phone still consumes most of it. It's just additional espionage software added, and its blantant.

Linux seems by far, better. Windows 10 is a literal piece of crap. It spies everything you do, in your face too as well. It doesn't even try to hide it. Nobody needs to hack you, because your personal computer belongs to the hackers already. Nowadays technology contains everything.

The Jews amass all this data, and they play the world with it. They can know secrets, tendencies, aspirations and dreams, all by searching their database. Needless to say, what Snowden said when he said that this is the problem of the Future, this was something people need to understand.

I point at Snowden because to a few dumb sleepwalkers, it may be that this is a conspiracy hat saying these things. But Snowden is worse than any tinfoil hat in what he reveals pretty much. Saying the situation is worse than anyone can initially understand.

This is a major issue, and can turn Orwellian really easily. People assume that since nobody knocks their door, or that since they think of themselves are irrelevant, it's all fine. So they can give all their personal existence to the big brother. This is however totally damning, and when people meet the consequence, it's bad.

What do people think the selfie camera is about? Taking selfies? Or actually taking a pic on your mug every time you open the phone? Or let's say the NSA looking at you through a camera? It's funny how even the Jew Reptile Zuckerberg who made his alien Facebook database of goyim, was

taping the camera of his own computer. Notice also how in all laptops, the microphones are built in, and there is no socket to activate them, or mute them physically.

So it's better to keep a degree of secrecy, and keep everything of importance either on physical paper, or on your own head. Nobody can hack into your head as easily. There are many ways (research and learn) to bring this situation under control, for example.

In Orwells 1984, every house had a giant screen that could look at them, hear them, and monitor them. Nobody knew when, so this added to the larger terror. Indeed it seemed as if it didn't even do it.

The enemy needs to go down, and people who are decent need to settle this thing from governments or whatever else. And throw these plans in the purging fire.

And we're in 2017...

Subject: To Fight in Satanism

[To Fight in Satanism : JoyofSatan666](#)

To Fight in Satanism : JoyofSatan666

Greetings to all our People and Satanic Comrades!!

Spiritual Satanism is basically very simple. Go by nature, respect your existence, recognize your physical and material existence, follow the spiritual advancement, and things fall in place. There is no need for extremely complicated or very strange systems that are confusing, or books filled with hundreds of 'commandments'. Truth is just supported by following the upper things. One advances, one slowly starts grasping things further.

Advancement comes essentially from the Soul. The Soul or the meta-genetic component, influences who one is, advances us, and changes us for the better. Spiritual practice is an evolutionary practice. Essentially the end product of such (Let's say as "end" the Magnum Opus) will not mirror the starting product anymore than a stone resembles a beautiful statue. This process is again, nature in a sense.

For this reason, one doesn't have to look down on themselves or feel bad about the fact that we have some stone in us. This is also the potential to become a statue. To be a stone is OK. To not exist is the only real problem, which is where a few people are heading by constantly attacking themselves for being a stone, instead of REFINING this thing.

This is the difference between the fake programs, and Spiritual Satanism. Spiritual Satanism accepts everyone as they are, in the given condition they want to advance. Nobody is scorned or attacked, but everyone must advance instead of destroying themselves or follow eternal sinking. All of

us come and exist in different levels, based on our evolution and merit, and personal choice to work. Spiritual advancement has few 'requirements'. Any living being can spiritually advance.

The problem is not in losing fights, but in not fighting. Even lost fights are going to show someone who knows how to take this, as knowledge on how to win later on, for example.

Many people will notice that we are also fighting in a more spiritually literal sense. Essentially our fight is not motivated only by sheer 'anger' or any such useless (((Explanation))), but it's a higher aspiration to become better and remove obstacles that keep us on all levels from going forward.

If someone keeps putting obstacles in our way for no reason other than their admitted hatred for your existence, then you have to re-act to these things.

This is the situation with jews and it has been ongoing for centuries. As Rabbi Laitman stated (this is not a nobody, this is one of the most "important" rabbis of modern times), this is because the jews are from another universe/galaxy on the soul level, and they seek to wreck what is left of humanity and enslave it for their own purposes. To sit with hands crossed spiritually, only makes for certain damnation.

Our existence until a point (Namely the Golden Age) was in its natural state. From what it's known, humanity was in the brink of becoming perfected and Satan wanted to finish his work. The finishing of such takes time, and effort, and this is motivated by two factors the Gods did not 'control'.

One factor is the factor of nature. For example, a baby cannot be born in one day. It needs 9 or in the very least 7 months. In the same way, the human consciousness needs to develop over time, and through conscious work of the person themselves. IN other words, Satan could was NOT supposed do our work for us. This had to do with OUR self realization, only which WE can do as individual Souls.

This is for our existence after all. It would be pointless for everything to be given to us for free. We were already created with superior and advanced abilities by Satan as inherent in our species anyway. On top of this, they gave us spiritual knowledge (to all Gentile Races) so we could advance with it. On *TOP* of all these things and all the teachings and help they left, they also left us these teachings coded in Ancient cultures, so that we would not lose them.

To not over-extend, we all know that the Gods were forced to depart due to war basically. The Gods and many other beings have their own enemies as well. Others flattened, others still persist, the list goes.

It's well known that the whole xian/judaism "Jews Vs Gentiles (pagans)" is nothing but a very simplified, jewish meme. That in fact is basically hiding the only fractal Truth. That the aliens who created the Gentiles are not those who created the jews. And that the jews have other specific purposes to carry on on top of this planet. Part of which is to exterminate and enslave us for their own personal benefit, as whatever lifeforms they are. There are infinite numbers of pages written on this. In what is called as "Jewish Culture".

Remember, culture resembles memory and link to our Gods and Ancestors. The enemy systematically attacks culture and bastardized it with Islam and Xianity, on purpose. To cut the link and the knowledge. And to cut our evolutionary knowledge and ability to connect with our Soul-Family, the

Gods. Who guide us even if they physically departed.

To not fight the enemy, means you aren't doing what's best for yourself, the planet, future generations, and everything good. Therefore we are put to fight in an automatic manner, whether we like it or not. The forces of the enemy are ON you, even if you don't accept it, understand it, or even feel it. They are spread over civilization like a plague pretty much. The fight against the enemy is a larger fight of humanity trying to remove a negative element from within its own midst.

As Rabbi Laitman explained to his fellow Jews. The Jews are essentially an alien lifeform that came into the body of human civilization, in the same way of a cell intrusion. How the Jewish soul came in this "Solar system" of ours, was from another galaxy, and through physical bodies created to look as human hybrids.

These hybrids as Rabbi Laitman stated come from all races, in other words, Jews come in all colors and appear within all races, but they are all Jewish racially at the root. From there they try to take over civilization from WITHIN, and not by external conquest. And like a cancer tries to take it over pretty much. All the humans, us included here, will fall victims into this.

For this to happen, natural order has to be destroyed and assimilated into a new 'order' that will put the alien invading lifeform in the top. This as we can see has come to happen by the suffering of 5.8/6th's of the whole planet, and the rest who do not 'suffer' are basically enslaved completely and suffer in many other ways.

We as Satanic Souls are similar in this case, but we are the antidote and the original caretakers of the larger whole.

We don't fight a war to create lies, just to restore natural order as it were. We are the original and essential spiritual root in humanity. This is why Satanists can come from any Gentile Race.

Only the Satanic Souls can treat this matter on the core, which is something deep and spiritual.

Spiritual Satanism is essentially a name we have nowadays for Souls and their system given by the Gods, that was given to Gentiles to advance themselves, since time 'immemorial' at their core, when Gentiles were created by Satan and the Gods. And help the world and ourselves reach a higher level. While we reincarnate and we exist again and again, the Souls of such devotees to the Gods remain existing in time.

Let's not forget Satan to us means "Eternal Truth" and no else gimmick generated at a ((later time))) do affect or concern us, let alone things meant to defame this being behind this title. Also this being has had a lot of other aliases and titles that we humans have given him, such as Lucifer for example.

Forms change, but essence remains the same. The Soul remembers, so again, it re-draws itself in where it will advance. Also the Gods themselves call the Souls that have befriended them and followed them, in more or less obvious manners. While a Satanist is made in the Soul, Satanism can also be made and generated by spiritual practice. When one advances, the "Satanism" (Truth-ism) in the Soul is brought out.

Not only we have to win the internal battle with ourselves (or better yet the infested parts) but also, the external battle has to be conquered. It's not by a coincidence, that the more one conquers themselves, the better they can deal with external issues as well. Any 'external' issues have to be corrected as well.

Spiritual Satanism is the fight for advancement.

And in a sense to fight is necessary to advance, NOW, more than ever.

We will fight together and until the end and further if necessary.

[But who cares, right? At least it wasn't the Nazis! : JoyofSatan666](#)

**But who cares, right? At least it wasn't the
Nazis! : JoyofSatan666**

The largest propaganda thing of the enemy, always goes like. "What *IF* the evil forces of Satan/Nazis/Boogieman had won and did _____ Insert things already the jews have done and are doing_____ here."

It's a well known historical fact that Hitler lost the war because him and the Nazis refused to commit acts such as these that the enemy wanted to commit. Such as genocide and all other things like that. They simply didn't want to do it.

Unlike the jews the Nazis didn't see reason to rule a world of cattle, enslaved minions, and a nuclear wasteland. It's also known that by the end of 1944, Hitler had the plans of the Atomic Bomb ready, but still refused to use it and ordered the whole business to be called off.

Thankfully, the jew Einstein stole the recipe of the Atomic bomb, and with the peaceful Jew-Ruled America. They blessed humanity with this. Now we have been in a constant state of threats of Nuclear warfare. Aka, Human Extinction within a couple of days. Thanks Jews for this Holy Blessing.

But as the government of Israel stated. If Israel is to go down, they will nuke the whole world with nukes. No, that doesn't sound like a parasite threatening to kill it's host for denying it, at all. It sounds perfectly normal. At least it wasn't the Nazis saying something similar. Now that would be real evil if they did!

But when it comes from the persecuted, very poor merchants who own more than 70% of the World's wealth, and upwards to 98% if you add control of estate under jurisdiction by jewish controlled governments. That's alright! At least we aren't enslaved by evil Nazi's thankfully!

Over 2000 years or so by now, we have had what is known as Abrahamic 'religious warfare' (it was the first time in history this ever happened for 'religious' reasons) which basically has made large portion of continents go extinct, mass civil warfare, warfare between races, and still continues to threaten existence nowadays as well. At least it wasn't the Nazis who created this!

The jews of course, for all they are and do, and all they would want to do, they project this on their enemies. For example, it's them that removed occult history and religious knowledge from Gentiles, and destroyed all their culture.

Then the cry and whine that the evil Nazis, had they won, they would have removed "Christianity" or other things like that. Which were in anyway, toxic jewish psyops. While it's funny, the jews themselves have exterminated whole races aside their spiritual knowledge, that they have stolen to keep for themselves.

The Jews also say other funny things like. Uhm, the Nazis would have enslaved all the other people of the world bruh. While the jews themselves are the race that owned most slaves of other races, and even enslaved their own. Still, this form of financial and wealth slavery exists and most people on the planet, are living on the bill. But past aside, the jews are right now materializing their goal of race-mixing the whole planet, and then after this is said and done, they will rule the goyim with a rod of iron.

But since this isn't done by the imaginary Nazi's, it's nice. It's the good guys doing it. Not this bad guy named Hitler who killed 6 trillion Jews. Even when there weren't 6 million jews in Europe to begin with. But I am sure Hitler was so evil, he actually created jews in a laboratory just to kill them. That's all he cared about. He was a hateful man. It wasn't like the jews had ruined his country and enslaved his people so he and his people just revolted. Nah. It's just psychopathic hatred.

No matter when, how, or why, someone questions, or goes against the jews. It's insolence against god. How dare you question rabbi yashua (Jesus christ) and his chosen following? How dare you not allow yourself to be raped, scammed, and all the rest of the beautiful things?

The other line goes, if the Nazis have won, people would have been abused, especially the other trolling about "Those who do not have ___these___ features." Funny while you see in Israel's policy that those who don't have the Cohen Gene pretty much, are to be exterminated and destroyed. In their own book, we see the same idea in Revelation. All the "minions of Satan" (Aka the Gentiles, as the enemy admits the Gentiles are actually Satan's seed) have to be exterminated in the upcoming "Apocalypse". After this, the "Elect" jews will reign supreme over the planet. The list goes.

Even worse is the line that the Nazis would have taken over the whole world. Ahem, basically, the jews have had the whole world for around 1500 years, from dark ages and onward. Only in the last 70 years, around the century of the Nazis, anything good has ever happened for the 'masses' of these 'humanitarian' jews. And these 'good' things they only did out of fear of having Nazis appear again. So they just feed the goyim for a while. Cattle-breed them, and then finally rule them with the rod of iron as their bible states.

Last week, Israel's Puppet almost launched Nuclear WW3. **But who cares, right? At least it wasn't the Nazis!**

It's also even more comically tragic that all the things the enemy whines about, they do to Gentiles all the time, since time immemorial. For a first thing, the jews were the first race to invent a THOUGHT POLICE, namely, Jesus christ. This Rabbi is going to kill and torture for all eternity, all who think 'unaccepted' thoughts in accordance to the Torah.

Basically, the jews, for all they have done and committed. They just take this and put this on the back of random people and scapegoats on history. To just fend of responsibility. Like criminals, the jews are afraid that if they are judged, humanity will not longer tolerate their whole game that has been going on since time immemorial.

Pagan priests have been butchered and died in the millions as the real "Martyrs" for their beliefs. Then somehow funny jews made up all these false "Martyrs" of "Christianity" than who knows if they existed or not.

This whole reverse operation is needless to say, intelligent. All that Stalin did, and all the jews do, and have done for centuries and are *STILL* doing, are hidden from plain sight, and jews pretend to be moral and that we should be lucky and thankful that the "Evil Doesn't Run the World" or some other things like that. While evil totally, runs the world today.

The Machiavellian poison of jews, of everyone against everyone, and their whole mentality, is just PROJECTED on their enemies. How they perceive them, understand them, talk hypothetically about what they "would" have done, just explains jewish mentality.

Now that the evil "Nazis" have lost, Humanity is seeing this fact flat out. If Hitler had won back then, people would be having the benefit of the doubt. With the present state of things that is to come, and more, all doubts about the "Claims" (Facts) of Hitler and the Nazis will be washed away.

What the enemy does is just project their own intentions, and add the caption "Nazis" to it. Therefore, all the abominable things that were to come onto them, magically flew over to some imaginary Nazis. Who after all didn't do even one fourth of it in reality of what they are blamed.

Still, after around seven decades/70 years, imaginary Nazis are still blamed. An imaginary Hitler is blamed for all the world's perils. Like Satan, Hitler is made into the ultimate scapegoat. These people don't even exist anymore in a technical sense, but STILL, they blame them.

Unless of course some new scapegoat group comes around.

The jews are writing their own saga of proving the Nazi's right, and the Nazi's aren't even around. So in this time, who will be there to blame when there are no scapegoats and nobody to project their crap upon? This is the endgame for the jewish world domination.

In Europe you can go to jail and pay giant fines for questioning the Holocaust. But who cares, right? At least this isn't the Nazis!

Europe is being Genocides, but who cares, right? At least this isn't the Nazis doing it!

African people are eating stones, but who cares, right? The Holy Jews rule over this land through the stock market! Perfectly free they are!

19/20th's of the planet are struggling to get by and survive. At least it's not the Nazis doing it!

Thankfully, this world is being destroyed by the Holy Jews. Thankfully, because damn, how bad would it be if it was some evil Nazi's doing it. With the Holy Jews it's just completely fine!

Let's be thankful and enjoy the mass rape of jews towards all of humanity. At least, it isn't the Nazis doing it!

And if the planet is holocausted and we all die as if we never existed! At least it wasn't the Nazis doing it! It was the Holy Jews!

Thank G-d it wasn't the Evil Nazis!

Jews Celebrate Murder of 23 Year Old American Girl By Ritualized Mock Cannibalism

Rachel Corrie was a 23 year old, American peace activist that was murdered by the Israeli Army, as witnesses at the scene stated she was murdered by being run over by an armoured IDF bulldozer as she stood in the way of it and a innocent Palestinians home in a peaceful, unarmed protest, of a people oppressed, by the Jews who are destroying an entire People in their genocide program of Greater Israel.

Corrie was only 23 when murdered for peaceful protest of the Jewish destruction of a entire People.

From the Jews that brought you Purim Fest where they practice mock cannibalistic rituals by baking cookies in the shape of human ears and then eating them. To celebrate the claimed genocide of thousands of women, men and children for whatever made up reasons....They were Goyim that's all it comes down to. No different then their Pass Over celebrates the murder of all the first born of the Goyim in Egypt.

The same race of ghouls is celebrating the murder of Rachel Corrie, right out of the Torah...Murdering the Goyim and then celebrating cannibalizing them is a intricate part of being Jewish.

By making "Rachel Corrie Pancakes" because she was flattened to a pancake as their Jewish joke goes.....

Corrie's face drawn on a pancake, this is funny to Jews, but never forget Muh sixty billion,...Goyim.

Another mocking image the Jews created as part of this.....

What else does the IDF find funny and likes to sell on its shirts.....

Murdering unarmed pregnant women.....Just like the Torah states to do.

Just normal for the Jews to behave like this.....

From a Jewish, IDF soldiers, social media page:

Just doing what the Rabbi's Torah says to do....

I wonder why Jews are universally hated....must be anti-Semitism, cause the Jews would never behave in anyway to make anyone mad at them ever.....
Except those 109 places they got kicked out of.....

The fact is the Jews treat the Arabs like they did the Eastern Europeans under their Communist system. Were they killed 90 million of them. If the Jews get their way and their one world system we are all going to be Palestinians.

Subject: Will Satan Save You?

[Will Satan Save You? : JoyofSatan666](#)

Will Satan Save You? : JoyofSatan666

There is no need for people to have any falsified conceptions. People who are seeking slaves in the form of Jesus, who will 'save' them while they are doing absolutely nothing for their existence, not even the slightest possible thing to get better. Are in the wrong place.

Satan is not the God of the cattle, the meek, or the purposefully stupid. Satan accepts all Gentiles who are his creations. However the struggle we undergo today is not to save those who are beyond saving. We are not some fake saviors, and we don't have to make fake promises. We have to be realistic.

Satan has his own elite souls within humanity. And many people who have inside them the ancient worth and higher spirit. This is what Satan, the Gods, and us should care about. We aren't trying to save those who have given and sold out themselves. There are many who are beyond salvaging, like a fried robot from too much poison.

We are seeking for the remaining diamonds of the golden age, in unfortunately what we can call a mountain of trash. On the top of which the enemy stands at the top.

Indirectly, yes, through our fight, many humans will be saved from impending disasters which they will never understand. Even if they 'do' understand, they will never REALLY understand what we have done, or what we are doing. We should gratify ourselves in knowing what we do here, as family and for one another, and rejoicing in the company and providence of the Gods.

The 'outer' circle or 'half awake goy' will only understand the last chapters of what we have been working upon.

Only the Children of the Gods will finally grasp that. Why? Because it's in our Souls already. This is what pushes us forward. We are people from all over the planet, but at the same time, we are so close, something which should be technically impossible. But this is because Gentiles here belong to larger soul family of the Gods.

Satan has entrusted this mission to all of us his favorites amongst all Gentiles. To win their love and their support, one has to listen and to walk the path. One has to rise spiritually and do their own, small or bigger deeds to save themselves. Saving essentially means finishing Satan's work on the Gentile Races. That of spiritual work. This can and must happen at the self.

We are not asking for the approval of the herd. But we warn them anyway. The 'herd' doesn't know logic, common sense, or understanding. It knows what the enemy has taught it, fear and intimidation. However inside this very herd are also the ears that will be wise enough to listen, isolated, and at war with the herd in one way or another. We are seeking the individuals who band as warrior unit where needed.

And who have the power to rise above their own insignificant and mortal blinding existence. These diamonds exist through all the people in the

world, and our job is to find them. Many times they come on their own too, thankfully. These are the people that will bring change. Not some random "mass" of irrelevant people who are comfortable with being "goyim".

Satanism is open to those who have something elite spiritually inside them, the righteous, and the people who seek to make greater selves out of themselves. This must be recognized and worked upon, for one to progress.

Who Satan "Saves"?

Not everybody...That's for sure...

The Machiavellian poison of jews, of everyone against everyone, and their whole mentality, is just PROJECTED on their enemies. How they perceive them, understand them, talk hypothetically about what they "would" have done, just explains jewish mentality.

Now that the evil "Nazis" have lost, Humanity is seeing this fact flat out. If Hitler had won back then, people would be having the benefit of the doubt. With the present state of things that is to come, and more, all doubts about the "Claims" (Facts) of Hitler and the Nazis will be washed away.

What the enemy does is just project their own intentions, and add the caption "Nazis" to it. Therefore, all the abominable things that were to come onto them, magically flew over to some imaginary Nazis. Who after all didn't do even one fourth of it in reality of what they are blamed.

Still, after around seven decades/70 years, imaginary Nazis are still blamed. An imaginary Hitler is blamed for all the world's perils. Like Satan, Hitler is made into the ultimate scapegoat. These people don't even exist anymore in a technical sense, but STILL, they blame them.

Unless of course some new scapegoat group comes around.

The jews are writing their own saga of proving the Nazi's right, and the Nazi's aren't even around. So in this time, who will be there to blame when there are no scapegoats and nobody to project their crap upon? This is the endgame for the jewish world domination.

In Europe you can go to jail and pay giant fines for questioning the Holocaust. But who cares, right? At least this isn't the Nazis!

Europe is being Genocides, but who cares, right? At least this isn't the Nazis doing it!

African people are eating stones, but who cares, right? The Holy Jews rule over this land through the stock market! Perfectly free they are!

19/20th's of the planet are struggling to get by and survive. At least it's not the Nazis doing it!

Thankfully, this world is being destroyed by the Holy Jews. Thankfully, because damn, how bad would it be if it was some evil Nazi's doing it. With the Holy Jews it's just completely fine!

Let's be thankful and enjoy the mass rape of jews towards all of humanity. At least, it isn't the Nazis doing it!

And if the planet is holocausted and we all die as if we never existed! At least it wasn't the Nazis doing it! It was the Holy Jews!

Thank G-d it wasn't the Evil Nazis!

Who Is Responsible Really...

In this world many people are fooled by the lie of democracy that people actually have "Free Will" and that they also "DECIDE" anything on a higher level. This is based on the pretext of the fact that they vote. Maybe in some cases it does matter, but in most matters, it matters not one inch.

Now there are people who are harsh judges to others, and especially if you are a bit misanthropic as a personality (When you see the swine level of humans I can't really blame you...) you may actually want them to burn themselves alive. I myself have frequent worry coupled with rage over the fact of how stupid humanity has become. We are literally risking our own extinction. However, who is this "WE"?

If you go a few decades back, you will see that most people, in most places of the world, hardly knew how to type down their own name. This is a fact. In most historical instances, the people only decide indirectly, and that is done through leaders they elect, support, or other things like that. This is a natural thing, as in a hall, there can't be talking 15000 people at the same time, but only few people so that the things are understood correctly.

To not over-extend the matter, in most cases, humans have never been asked, in any country or state, what do they want. The enemy who rules these system we are living right now, they give the illusion of asking through elections. People actually go and elect people, based on propaganda, advertising, and their own moral standards. It's rare that actually people know what is really going on.

In the past, illiteracy and other things kept people from deciding, but as we can see today, the very 'literate' can also be equally as dumb if not more, as the (((Intelligencia))) can make one lose one's sanity quite easily.

If we go generations back however, people had hardly any access to knowledge, let alone any 'power' to decide events. Power was only in the hands of the rich, jewish religious charlatans, or the politicians pretty much. Oh and of course Rabbis and other such people as we know, but who cares right?

When one rises in spiritual power and understanding, one of the reason you can easily become a misanthrope and completely give up on humanity is the fact that people are acting and living like swine. Overly convinced about all the lies they have been told, others afraid, and other worthless, they let the impending (((powers))) that be, destroy the planet, and do whatever they see fit. One cannot take this responsibility away from them. They are bound by ignorance, fear, and many other things.

Unfortunately not many people are willing to take a stand, and what the enemy has achieved is to create an internal jewish police in people that tells them what they can do, cannot do, and what they better be doing. This is motivated by lack of knowledge, or fear. For those who are more 'dangerous' and aren't concerned in any of the above, there are other offers, such as, hey homie, be a useless individual bro- and achieve nothing in your existence but waste it doing YOLO. This is how it is today, but this has been analogous in previous centuries as well.

Aside from the East and in place like China, Spiritual power was an unknown term. Yoga and Meditation knowledge, after all the Pagans have been killed, and except of few people going undercover, has been hidden from roughly 99% of the populace in the West. This was done by jews who have purposefully killed these people through their programs. In short, nobody had any spiritual power, let alone anything else. How can people actually make 'choices' when they don't even know how to write their own name down?

Maybe in the three latest centuries, people actually have had more of a will and a chance. What Satan told me at some point was that many people when they died, they went to them, and they were totally oblivious, they had no idea where they were, who the Gods were, or what was going on in reality at all. In some cases they were informed, and the people frequently replied that they had no clue as there was nothing remotely that could give them opportunity to see what is going on.

People reincarnate, and people forget. Therefore such experience is most of the time forgotten, and may, in weak and souls who have no past lives with the Gods, just become liquidated into nothingness. Therefore people return and lives are wasted again, and again.

Satan and the Gods have worked and now the knowledge is on the public. Now if one wants to meditate, 'save their soul', advance spiritually, or understand and know things about the Gods, they can. I have lost track on how many values have been written. Additionally, if one wants to fight and wants to change things through spiritual power and effort with us here, they also can. People in the past more than likely could NOT.

In other words, Satan gives power to the common man to prove himself for whatever he is to be. The same thing happened in Nazi Germany. Now the system worldwide is pretty rigged, and in many cases the (((Plutocracy))) just reforms itself over and over again. Same jews just different age, for example.

It's from now on that we should be asking responsibility from the "goyim". Maybe many of them have had the benefit of ignorance, but right now, where in google one can make a search and in five minutes come to find a lot of things. It only boils down to fear, boredom, stupidity, being a willing cattle etc, and being a worthless entity, pretty much.

There are always and forever the blockheads and the idiots who do not understand the importance of this undertaking, or constantly fall victim to stupid energies such as 'not giving a damn'. The enemy knows really well how to 'use' this. Essentially they are not lazy as their suffering takes too much ignorance, and they willfully force themselves so much just to be ignorant.

It's a law of the universe however that the universe will beat the hell out of these people, until they wake up, as ignorance is not in favor of life. Most people are living an entirely whack existence, and they desire to not wake up, for example.

Experience with many of our members who are VIPS or are older, shows for a fact that TRUTH IS A CHOICE. These people have lived their whole lives under the radar, but never gave up. I know a person in their 70's who dedicated, and the last months of their life meditated and tried to become better about their life. Therefore, what excuses does anyone else have to do nothing?

I have seen many cases of different people over the years. Now this guy had over 5 hours a day looking for his dealer in the streets to find some weed, as weed was very scarce to his location where he was living. It was nevertheless extremely hard for them to find weed, but they were searching for it everywhere.

Everyday from the stories I heard, he was risking his life by dealing and all sorts of other things. By coincidence, he has found the JoS, was even dedicated for a while. Dabbling on IF they should finally "grace" their crappy self meditating, LOL. But you know, ten minutes a day are too much to do any spiritual pursuit. They were rather busy pursuing their drug dealer around, which must have been jewish as well. Who knows in what scat they are swimming today. He infrequently risked going to jail and all sorts of other things.

I am wondering, if he spent these 5 hours a day doing research, meditation, growing wealth, or build their body in their gym, where they would be now? They chose to just chase a kike around to give them their next shot. Who knows if they are dead in an alley today?

I happen to know another case who was living with other people and did yoga in a dirty bathroom. Because this is how much they wanted and desired to better their condition. Now who do you think the Gods are going to help in their time of need?

The Gods don't ask you to give everything you have. They ask you to give to YOURSELF, what you can.

You will get what you're after, you know? Even if you don't define it, you're still after something. If you're after nothing, you will get nothing.

I tell you one thing, if you are sitting on this spiritual mine-gold and do nothing, but just waste your existence, don't go back and beg the Gods for 'Forgiveness' all the time. You're only betraying yourself, and this is not some sexy masochism that turns you on, for the sadistic high of sex or something. It's something really ugly, and costly, that is no fun.

Because you will have ruined yourself, by yourself, all for yourself. And you must pay this burden yourself. Many people sacrifice their existence over the movie that is called life, to try to be the best actor, but few people have wisdom to understand that in order to be a good 'actor' in this movie of goyim, one has also to rehearse - this is meditation in a stupid explained sense.

Giving up on spirituality is essentially the same as giving up food. It's just not intelligent to give up your food, ESPECIALLY to all people here who spiritually, have a FULL FRIDGE NOW AND FOR ALL TIME! If you die from 'hunger', then don't blame the Gods or anyone. You were too busy plugged in the jewtrix to give 10 or 15 minutes a day to feed your soul with the necessary things to exist, thrive and grow?

Then maybe you should die off shouldn't you...

Sorry buddy: the Gods aren't going to concern themselves with that. We have many people who are STARVING to understand out there and we must reach them. Many people are in danger, need help, and the Gods also have a planet to run. They have plenty of time for thirstiness of wisdom, but for people like that, they can't have time....

Robbed, killed, scammed, spat upon by the jews, they insist on following their fictitious programs, fighting the people who make a stand, and pose an obstacle for any betterment that is to come upon humanity. This also includes many people who are prominent, rich, or live life for fun, and their only concern is to choose sunglasses, cars, or houses.

Both the poor and the rich goyim, still remains a goyim if they do not understand the significance of doing at least the LEAST necessary for one's spiritual existence. "Death" is called the great awakener, for when one suddenly leaves all things behind, they are left only with one thing they could and should be, at least, giving SOME NECESSARY ATTENTION: the Soul.

It's the only thing in the universe that really belongs to you and only you, and nobody can take it from 'you'. All of us know at least one of these idiots. Fate, and unfortunately the enemy too, keep beating them. Many will never wake up, and will put themselves to sleep by their own admission and stupidity.

One last thing, the generations that are coming now for the last three decades in the planet, they were very entitled, maybe even sheltered, and had many things easily that others did not. One example is how many people due to the jewish system do not meditate. Those who concern themselves only with living life as "YOLO" and don't do one thing to better themselves, are deplorable to say the least, and nobody, especially here, will accept

tales of failure or other things.

You have knowledge that people haven't had in aeons, there is knowledge everywhere, the last thing that remains is for you to make a decision if you will be a slave or cattle. I suppose the striking majority here has made our choice to be free. For those still dabbling on the fence, or going back and forth between Goyim and Free Man, you have to give one final blow to this Goyim, because it's responsible for all wrongdoing and all bad things humanity has done not only to itself, and to one another, but the general condition of the planet, too.

Goyim can go find their master, and beg for transient loot and whatever crap their masters projected to them.

Satan wants an army only of free men, those who always strive to understand and become more, as the Gods.

Subject: Le Pen

<https://josministries.prophbb.com/topic19162.html>

Le Pen won the first round of the elections in France, ending up second in the exit poll. This is positive. Not in itself, but for reasons which we will explain as we go.

Again, let's not fool ourselves that this is not one large, controlled joke. We don't have to repeat the same crap with the Trump deal. Let this for people who are stupid and don't know how it works, or who like to swallow fake hope everyday.

Le Pen, same as Trump doesn't represent anything else but that the people are waking up. This is the only important thing. The fact that jews have had to get to this point, is extremely important. This shows that the enemy is damned if they do, damned if they don't.

At this point this is just winning time and trying to assess damage that is already going on within the enemy system. It's far from a 'solution', and it's far from the 'end'. Humanity will have to be betrayed and attacked more in order to finally get it.

The solutions are two and they are very simple, until further notice. Spiritual warfare, and bio-politics. Spiritual warfare will push things to lock-down situations as these situations now. The enemy has to make all this mess they are making, simply to win time and save their ass from the mass rage of the masses. Remember, the enemy is also a master of creating false 'saviors' in everything, and supposed heavenly solutions.

It seems the next plan of the jews is to try to assess the damage of their system, with false nationalism, and try to create something out of this all. This will not succeed, but they also don't have another choice either, as the world massively is waking up. Anyway they go, it's to our benefit.

Unlike most people, jews know history, and they know it well. If they keep pushing with their immigration and other things, they are going to wind up under the deadly anger and hatred of the masses.

In short, if they don't make any seemingly crap changes to waste the time of people, and pull this anger elsewhere such as in hopes of a fake 'change', they are done with. This thing they keep doing in their history, and this is the time where things go 'wrong' and have costed them everything, but without this time, their agenda cannot proceed at all.

The jews will again in the press, pretend they are endangered, and that their life is at stake, and other crap they always do, such as with Trump. Then they will cry enough, *like its anudda shoah*, and when Le Pen is on her knees or drops the mask (same outcome), they will drop the veil as they did with Trump, and they will move forward with whatever their agenda is, which will EVENTUALLY backfire in a damning way for them.

They will paint some Swastikas on their synagogues, and the rest of the stuff. Shlomo will punch Rabbi Nathanael in the face, and they will say that Le Pen is the new Hitler and the rest of the crap goes. This is because the jews are very aware that anti-semitism is rising, and that they are hated worldwide. So they create some false idols and false hopes to their defence. This is needless to say perfect for us, as either way, the jews will be unmasked more.

They are basically pulling the same exact operation as they did with Trump. Let's not forget how many millions did wake up as a result of Trump.

You will see Ms Le Pen and how she will be either 'normalized' as Donald, or something similar, even if she wins. I personally think it's highly possible she will win. Win or not, she will be the second largest party, and if she doesn't win these years, she will in the next.

Her party is also chock filled with jews. Let's not forget Le Pen's father was a heavy anti-semite as well, and she rebuked him away of the party. So her internal motivations may be different. However I tend to believe she will just go down the route of normalization, same as Trump.

Notice how before elections, everyone has to kiss the hand of the jews to get in power, ie, admit their holohoax, and pledge their allegiance to them. After this process is said and done, they are allowed to 'run' and even 'win'. This is because the jews control the planet at this point.

Bio-politics is basically to keep in mind the living and actual living situation of your people/race, spreading the correct morality necessary to survive (such as waking up people to the perils of race mixing, jews, etc), and there is no need for political leadership for this to happen, just waking up the masses and education. This forms the greater framework for anything else to happen.

For now, there is no reason for misplaced hope and later disappointments. There is only a reason to work, and to stay strong in doing what we have been doing, spiritually and intellectually. This is a war of spirit and information, and only lastly will there happen any material changes that will lead in the end of the peril that humanity is undergoing and is dragged off at this point.

There is no need to deal false hope, but there is definitely a need for us to keep fighting and be proud on how things are ending up that way.

The fight continues on Comrades...

[The residence of jewish god: quran is a grimoire; "allah" is a servitor – White Death of Islam](#)

The residence of jewish god: quran is a grimoire; "allah" is a servitor – White Death of Islam

I recently was opening [Exposing the lie of islam website](#) and found this comment, that made me see Black Stone in some different way. While this giant stone tradition was completely stolen from Megalithic Gentile Culture, examples being: Arabian Baetyls, also Egyptian Stone of Osiris, also Fallic stones; same as the Black Stone itself being a complete fake and man-made crap based on stolen idea only – it is just proved by how it “disappears” from the place in some photos as if it were some kind of light material or plastic; it still serves as some kind of portal, puppet or “jinn lamp” for the energies directed by kikes.

“Recently I’ve noticed a few things about this so-called religion, Islam.

I want to begin with Kaaba. It is obviously a tool of the enemy’s, if you ask me, it has been built to absorb energy from the people. The cube has been built with a stone that came from “heavens”(ET origin- YHWH aka Allah is of the greys btw-), and it has been built upon one of the telluric current lines. In case you don’t know what are the telluric currents: “There are things called the telluric currents. Those are the “naturally” produced EM currents circulating within the earth. They are based on the absorption of energy from space, our spin and geometry, dispersion of material, and the path of least resistance.” (quoted from the link I provided below)

For example, you can amplify your power for magical workings using those currents. And, I’m assuming that the encircling of that cube, in anti-clockwise direction is related to that because the Earth’s orbit, other planets’ orbits in the solar system, are anti-clockwise. Not just that, I’m quoting again, “All objects in the universe, atoms, moon, stars, electrical current, galaxies, etc. are rotating in the same way”

The word Kaaba itself is not even Arabian, but has Sumerian origins, and Ka’aba in Sumerian is being translated as gate of the father, or gate of divine beings- this part is from this website which I recommend you to check out <https://warlockasylum.wordpress.com/category/alchemy/page/2/> Also, this:

“The number of idols in the Ka’aba is invariably given as 360, which is suggestive of a Gnostic influence to say the least, if not a Sumerian and Babylonian influence, for 360 is a number derived from Sumerian mythology... That the seven circuits around the Ka’aba are representative of the seven Gates and the seven stages of the Sumerian ziggurats is confirmed by the simple fact that all of these result in communion with ineffable forces and bring the aspirant into contact with the Divine.”

I think it is clear that the cube has, as the “religion” itself, has ET origins as well.

It absorbs energy, and possibly storing it, which reminds me of Greys harvesting human souls, and feeding of human energies. Not so surprisingly, in Quran, the “God” calls this cube “my home”, which, makes me consider the possibility of the cube might be some sort of a powerhouse of these annoying creatures- parasite greys. By the way, the Islamic prayer’s purpose could be directing energy to this powerhouse-kind of a thing. 5 times a day- as High Priestess Zildar Raasi mentioned in your website ([Islam: Doctrine of submission and slavery](#)) when energy work is the most powerful, this prayer is being performed. Think about the energy one creates and directs, I don’t think those positions are not stolen from yoga for no reason.

Because of the telluric currents, it might be possible for the cube to effect Earth’s magnetic fields as well, and surely, not in the best way. I’ve even considered performing a group ritual against this thing, to at least protect the Earth from being damaged from the cube’s negative effects. Our planet is sacred, and we should cleanse it of the enemy.”

It has been said many times how jewish “one only” god is just a magic spell. And Jehovah / Yahveh / Allah / Eloah / Eloahim and the rest of 42, 72, 99 etc. collection of kike “godly” names are just words of power, stolen, corrupted and used against the very authors of their own original versions, such as:

Jehovah —> Jova (Jupiter) also Yahveh (fluid in Veda);

allah / eloah / eloahim —> El (light, power), name of Sumerian Pagan God, also local Arabian Pagan God Eloh worshipped in Syrian city of Emesa; HaShem / Shem —> Soma, Sanskrit God of the Moon, Lunar Elixir; etc.

There are some quotes from quran and other islamic sources that describe Kaaba as some sort of portal for the above mentioned jewish hive; also a “house”, a local “kingdom of heaven”, a place where they reside.

“The building is called by many names in the Quran and Hadith, such as Bait (House), Bait ul Haram (Sacred House), Bait Ullah (House of Allah), Bait al-Ateeq (Ancient House), and Awal ul Bait (First House). The Arabic word Bait is cognate to the Hebrew Bait, also meaning “House”. (The Hebrew word “Beit” means “House of”, as used in for example Beit HaMikdash (the House of the Holy) and Beit El/Bethel (the House of God).). The Arabic word Kaaba means square or cube. The Quran also mentions Bait al-Ma’mur,[Quran 52:4] the House of God in Heavens which the Kaaba symbolizes, where according to Hadith the Angels perform Tawaf and Prayers.”

– <https://en.wikipedia.org/wiki/Kaaba>

The Quran 52:4-7 mentioned above in wikipedia:

And [by] the frequented House

And [by] the heaven raised high

And [by] the sea filled [with fire],

Indeed, the punishment of your Lord will occur.

5+2+4 (initial verse) = 11

4+7 (numbers of verses) = also 11, number of destruction

The Messenger of Allah (crap and lice be upon him) said narrating about the journey of ‘Isra wal Miraaj:

“Then I was shown Al-Bait-al-Ma’mur (i.e. Allah’s House). I asked Gabriel about it and he said, This is Al Bait-ul-Ma’mur where 70,000 angels perform prayers daily and when they leave they never return to it (but always a fresh batch comes into it daily).”

[proceeding the article The residence of jewish god]

Mudslimes pray every day in the direction of the Black Cube...

...”angels” dwell in Black Cube and also perform prayers...

...angels need daily “update”, because their lifespan is one day...

Now the whole picture emerges: “angels” are not real entities, they are people’s prayers – they are CREATED by prayers! That’s why they need daily “update”. They don’t live more than a day, hence new proton of them is being done on regular basis. Your god is your own prayer, your own magic working!! It is daily recreated by you, redirected by you, probably benefits not you, but some “sacred book” that you don’t understand what it is all about, but the fact is it’s YOUR OWN magic. Your “god” is not your creator, it is your creature! Quran is a GRIMOIRE. This is what fucking it is!

Now what is a grimoire? Grimoire is mostly known as a book that teaches to manipulate life beings (Demons, angels, spirits, dead etc.) through magic. Those grimoires mstly available the net have some few things in common:

1. they are all abrahamic, with jewsus or without, but they all are either muslim, or judaic or christian.
2. most of them are all written by racial jews, real or mythological ones, such as “king solomon”.

To most Gentiles, this idea of manipulating other life being, let alone our own Pagan Gods, sounds disgusting, immoral, blasphemous and completely insane. But what if you put a servitor (artificial elemental / thoughtform) where it says “Demon”, “angel” or whatever entity... Then, everything falls into place.

The answer is blatant:

all jewish / abrahamic religions have their own created servitors for gods To us manipulating our own Gods is blasphemy, because we trust in real entities who are independent life. But to the jews manipulating their own servitors is normal, because they created these servitors for this very purpose. That’s why their “religions” are so focused on slavery, manipulation and servitude. That’s why their “gods” are fictitious and all their “history” has no evidence. Because their “religions” meant not to be religions. They meant to be magic, powerful elemental magic, not literal worship or history. Mudslime fools unknowly perform ceremonial magic everyday 5 times a day when they “invoke” the “allah”.

“The Black Stone came down from Paradise.”

“it will testify in favor of those who touched it in sincerity.” (At-Tirmidhi, Sunan)

“The black stone is a baetyl originating from pre-Islamic Arabian polytheism.

Baetyl:

1. (Antiquity) A meteorite or similar-looking rough stone thought to be of divine origin and worshipped as sacred.

Definitions – baetyl

AllWords English Dictionary,

2. In Greek religion, a sacred stone or pillar. The word baetylus is of Semitic origin (-bethel). Numerous holy, or fetish, stones existed in antiquity, generally attached to the cult of some particular god and looked upon as his abiding place or symbol.

3. The sanctuaries, sometimes carved in the rock on high places, consisted of a *aram*, a sacred open-air enclosure, accessible only to unarmed and ritually clean people in ritual clothes. There the baetyl, a “raised stone,” or a statue of the god, was worshiped. The Nabataeans originally represented their gods as baetyls on a podium, but later they gave them a human appearance.

Black is a Power inside the Soul, the Feminine part of the Soul, the Subconscious. Cube is being infused with Power...

“Alaah” is a magic working. Jewish word “Eloah / Eloahim” (stolen from Sumerian El) is a “light”; and Light is Power [-Lilith]. Black Cube will “turned on” by the Power it was infused with (by the sins of the sons of Adam) and work for those who own this Power – the jews.

~~The Black Cube~~ the Powers of our Souls will “speak” in the favour of the jews in the “end of the days”. The “end of the days” is the end of our soul, when all our lifeforce is passed to the Jew and nothing is left. Our Powers have an end.

“Putting in and programming the energy should be done at one time. After this, you can continue putting more and more energy into it every day if you wish to make it stronger. The energy should be programmed the same way every time to strengthen it. This is where the “servitor needs to feed off of the witch’s energy.”

“the sins of the sons of Adam made it black.”

“Touching them both (the Black Stone and Ar-Rukn Al-Yamani) is an expiation for one’s sins.”

[Narrated by al-Tirmidhi]

Now what are the “sins”... “Sins” in islam and christianity basically are: sex; anger; pride; racial, tribal and familial loyalty; worshipping your racial tribal Gods; preserving your racial tribal culture, following your racial tribal traditions; respect for Ancestors; but first and foremost – WITCHCRAFT, SPIRITUAL POWER and MIGHT.

In short, “sins” are your energy, your life force:

“The prophet said, “The Devil circulates in a person like blood (in the blood streams).”

[Al-Bukhari and Muslim]

“No child is born but the devil touches it when it is born whereupon it screams, except Mary and her son”

[Abu Hurayrah]

“Sins” are life.

Now what is “black”... Ida / feminine / In’ channel of the soul is described as black. “Black matter” is Ether – the only element of 5 elements that is unsensible by 5 senses. “Black” is the invisible, the secret, the unseen, the occult, the astral. That’s why Satanists use black color. “Black Sun” is Spiritual Sun, the Sun of astral world, Solar chakra being source of spiritual life of a human soul, as well as real Sun being source of physical life on the Earth. “Black” is spiritual realm, spiritual power.

Prayers are power.

Thus “Touching the Cube” is expiation for one’s power.

“The magickal assistant must be “fed” regularly. By “fed” this means giving it energy and continuing to program it”

– High Priestess Maxine Dietrich [Creating a Thoughtform Servitor](#)

“This [the Black Cube] is Al Bait-ul-Ma’mur [The “House of God”] where 70,000 angels perform prayers daily and when they leave they never return to it (but always a fresh batch comes into it daily).”

[April 30th / 1st of May - JoS Protection Ritual : JoyofSatan666](#)

**April 30th / 1st of May - JoS Protection Ritual :
JoyofSatan666**

Greetings to all Our People and Satanic Comrades.

This place has done so much to evolve us, advance us, and help us overcome many things- and to become better. To all of us it's known that this place belongs to Satan, and we are part of this because we are part of Satan's family.

It goes beyond saying that Satan has only one place is he represented, and that is the JoS. This doesn't have to do only with us, but everyone here, one by one. Its one of the last free places where we can talk and conversate, share and organize about our beliefs, advancement, and so forth.

Much of what Satan gets, is defamation, attacks, the dilution of his knowledge and being into a sea of lies and incessant warfare. The JoS is under the same fire, and it will not stop, simply because, it says the Truth, and the enemy knows this.

What's their problem really? That you are having a soul, advancing, and like all other beings on this planet, you are after your living interests. But that's too heavy for the stomach of some slavers anyway.

Without going into many tiring and non necessary details, the JoS needs, like any other base or structure, protection and maintenance. We are therefore now, on the Satanic New Year, are going to re-affirm our working that we have done last year. This is important and keeps the momentum going.

The Truth is coming out at very fast rates, and we have to keep up with this reality. All of us, for Satan and the Gods, have to keep their bastion alive, vibrant and victorious. This Ritual will bless all the people who bless our undertaking, while handling the rest by backfiring their own intentions. This benefits and protects the members and people who are with us at heart and here.

By Empowering Satan's efforts and plans, we empower ourselves.

QUESTIONS ARE ANSWERED BELOW, AFTER THE RITUAL!

The Ritual is fairly simple:

Runic Vibrations-

The runes are to be vibrated one after in this order.

Algiz x18 Sowilo x18 - Tyr x18 -18 times. [or multiplies of 18, such as 36, 72, etc etc times, however many you desire/are able to]

x18 each Rune:

"AAAAAA-LLLLL-GGGGG-IIII-ZZZZ" x18

"SSSSSSSS-OOOOOOVVVVVV-EE-LLLLL-OOOOO"x18

"TTTTT-YYY-RRRR"x18

After you raise the energy of the Runes, focus on it and:

VIBRATE SATANAS and Then affirm

"The Joy of Satan Ministries are always protected and completely safe,
in every and all ways from any and all forms of harm and negativity.

All those who curse the Joy of Satan are cursed, and all those who bless the Joy of Satan are blessed."

VIBRATE SATANAS

The above to be repeated either 10 times. Satanus - Affirm - Satanus is ONE round. This must be done 10 times.

Questions:

1. Which runic alteration should I vibrate?

Any you want. It can be Sol, Sowilo, Saul or anything. However- the choices have been picked because of their considerable power.

2. How long can this Ritual be done?

principally remained in use as a Greek numeral for 6."

This " " is the glyph letter to become the S letter, that came to exist in later languages. Notice how the  literally looks as a Serpent. Satan is also the Serpent God, or the Serpent in general.

<https://en.wikipedia.org/wiki/Digamma>

This later was forcibly removed from the Ancient Greek, altered, and attempted to be destroyed completely by the Medieval church. As all people know, this is the language of the New Testament which the jews stole. From Ancient Greek did indeed come most of the jewish infested literature, as the jews formulated this hoax during the Hellenistic Era. This letter has three forms:

The last form of Digamma, is actually the S letter we have today and it was transferred to other languages. Phonetically this became SATANAZ or SATANAZ or SATAN later, depending on the language. This is also the glyph of the Rune Fehu. The F, originated from the V sound, which in English speaking dialects, is the sound of a W or /Waw/.

So this would be the original name of Satan written in the Ancient Greek texts. The jews use STN. But as stated above, the S letter, is a cover up for " " or Digamma. Effectively making this in the jewish pronouncing, VTN. VTN just pronounced, shows VATAN or VOTAN, in the open, already.

In the Ancient Greek, this would be "S or STNS", which would be pronounced, VTNS or VTNZ. If we add the vowels, we have...WODANAS. or WODANAZ. From this Ancient Germanic name, came the other alterations such as Odin, Wodan, Wodin, and many other names. Essentially, the real name is Wodanaz...Or as we know him today...Satanas.

<https://en.wikipedia.org/wiki/Odin>

"In wider Germanic mythology and paganism, Odin was known in Old English as Woden, in Old Saxon as Wodan, and in Old High German as Wuotan or Wotan, all stemming from the reconstructed Proto-Germanic theonym wōdanaz."

For those who know Germanic tongue, and how the A and O can change in dialects, we literally have the same sound. The vowels could even change, but the consonants do reveal it on their own as well.

"The pronunciation of such is / w .ō .n z/." Or as we would speak it, W-a/o-dha-NaZ. The W or V, had become a S sound. Satanaz, basically. Or Satanaz.

This concludes what "SATAN" or "SATANAS" does actually mean and how it relates to Odinism. There is no "Odinism", there is Satanism, and this name wasn't conjured by jews. It was stolen, because it was all over the world in a very obvious form.

For those who are under-educated and believe Satan to be some hostile entity, it's just the Father of the Race, Wodanaz, or Satanas. Even these two names sounds so strikingly close, in how we just speak them, even after corruption.

The jews hid this, because imagine if it wasn't coded. How could ever people go to church to curse Wodanaz, and their Ancient Father? The jews would have been killed in the open.

Essentially, the comic thing is that, SATANAZ or SATANAS is even closer to WOTANAZ than ODIN is to WOTANAZ.

Lastly let's not forget that for those of us to whom the Truth is known. We know that the Gods are basically, Ancient, existing entities.

Now, let's not forget what the jews write in regards to destroying and killing God. This was accomplished by demonizing the Old Gods, throwing them into "Hell", and imposing a Rabbi as a God and Savior to the people. Which is exactly what they have been doing with Christianity, with which they killed Paganism and destroyed all spiritual foundation in Society. And with Islam over the centuries. To murder the Real God of Gentile people.

From Protocol No 4, from the Protocols of the Elders of Zion:

"WE SHALL DESTROY GOD."

Didn't anyone notice that the jews have kept, run, brutally enforced Christianity and the faith in imaginary rabbis to our people? Butchering 2/3rds of all of them, for not 'accepting' Christianity? For it was said: Their plan is to destroy God. To attack Satan in the bible, to make him seem subservient, to destroy all notion of spirituality, and understanding.

Let's not forget the enemy of the Jews is the White race. And Ha-Satan, or "The Adversary" in Hebrew, is Satan, or as you now know, Wodan. Who will fight a war of destroying them and their hoax, and has been, for thousands of years.

Why do the Jews want to extinct White people, and destroy them in the fastest way possible? Because "Satan is the White Devil" as we will hear from their pawns and many others. The facts are here. Basically, Satanism and Satan always stood in the mind of jews, for the White People, Paganism, and Gentiles at large. For the tenets and beliefs of such were..."Satanic" in nature.

All Ancient religions of the Gentile people, were labelled in the large term of "Satanism" in the eras, and all these people exterminated. For what? Following the Ancient System in different forms. All such people, like the Yezidis who worshiped SHAITAN, are followed around to be exterminated off of the face of the planet, by the jews and their Abrahamic Radical programs and terrorist organizations like ISIL.

Lastly, as Carl Jung admitted. Adolf Hitler was in fact, a manifestation of the Power of Odin. Whom as we know by now, is Satan/Vatan.

"When, for instance, the belief in the God Wotan vanished and nobody thought of him anymore, the phenomenon originally called Wotan remained; nothing changed but its name, as National Socialism has demonstrated on a grand scale. A collective movement consists of millions of individuals, each of whom

shows the symptoms of Wotanism and proves thereby that Wotan in reality never died, but has retained his original vitality and autonomy. Our consciousness only imagines that it has lost its Gods; in reality they are still there and it only needs a certain general condition in order to bring them back in full force." -Dr. Carl Gustav Jung in a letter to Miguel Serrano

"Woden As Archetype - The Carl Jung Essay". The closing quote by Dr. Martin Heidegger from "Jung and the Volkisch Movement" will just as nicely close out this post:

"The past of human existence as a whole is not a nothing, but that to which we always return when we have put down deep roots. But this return is not a passive acceptance of what has been, but its transmutation."

The Transmutation is called now as we know it, Spiritual Satanism. Join us or be consumed by the jews- that's the motto of the future. Many people have been fighting for so long, at the wrong side, and against their own people, Ancient cultures, and Volk. Spiritual Satanism is the master key to regenerate this damage.

Names change, but always boil down to the same thing, no matter where we look. Its the same image of the Ancient and primordial battle against the forces of the enemy, and our forces.

The jews are at war with Satan, with Odin- with the Aryan Race. The Race of the Gods and the enlightened, against the beast and the ruiners of all existence, the jews.

Subject: The poles of energy of the soul (hypothesis)

Attachments :

Drugs, food, physical exercises, studies(for example; arts improve the creative side of the brain and that ´s why the enemy is trying so hard to destroy the arts and the interest of people in it, mathematics improve your logical side of the brain),meditation have effects in your brain and body and this connects with your mental health and the trash that you access to causes harm in your soul.

Remember that our body is able to survive thanks to bioelectricity(a synonym for chi or witchpower,it doesn't matter how you call it, it is the same thing) and the soul is the base of all this and the chakras plus it's extensions supply of energy your body.

The next image can be an evidence for "How chakras supply of energy your body". let's suppose that the base chakra is the positive pole and the symbol is "+",so, in order for this chakra to have an attraction with the sacral chakra,this sacral chakra have to be the negative pole, and this attraction is shown in the picture(starting by the base chakra and reaching the crown chakra).

Now, we couldn't have a perfect soul with just seven chakras, the chakra's extensions have to exist. Based in the pic, we can notice the base chakra and it's extensions, so, those extensions have to be of opposite pole of the chakra and this allows the base chakra to work in a better way. In this case, since the the chakra's extensions are of opposite pole, there exists an attraction of base chakra's extensions and the sacral chakra's extensions and this is the same with the solar chakra's extension.

Then, the first three chakras works with it's extensions and in order to maximize our soul and reach high levels of energy, we have to work in the third eye, pineal gland, wings of the soul and opening our astral senses(since those are extensions of superior chakras) and the hearh chakra is a kind of gate that allow your inferior chakras to work with the superior chakras.

If our soul is a great energy bank, the three first chakras are a kind of negative pole and the 5th,6th and 7th chakras are the positive pole.Then, the hearth chakra is a kind of electrical point of energy that allows the flow of energy between the negative and positive pole.

PD: Maybe I am wrong with the extensions of the soul and it is just a kind hypothesis.

Shiva Is The Name Of The 666 In Revelations, And Shiva Is Satan.

As mentioned before Satan is actually Shiva in the east. I have included the article on this at the bottom on this one. This is also shown in the bible in Revelation, the number of the beast, the beast is another name of the serpent agathodaemon, the symbol of the soul, the serpentine system, in the ancient world. The number of which is 666.

The ancient Pythagorean's who were part of the Golden Chain, the knowledge of Egypt to India. Showed god as the Pentagram with the number 666 underneath. The pentagram is the symbol of Venus who is the serpent, this is where the baphomet comes from. The androgynous serpent. Lucifer is another name of Venus as well.

This 666 is the symbol of the reborn soul and of God. Now, HP Hoodedcobra who has ancient knowledge in Greek, showed me in the Greek Bible the 666 is put as Xi Chi Stau. However the original spelling of the 666 in the ancient world and this is the revealing part. Its Chi Vav Vav. In ancient Kabala the repeating of letters in this case would just be filling in the number code, its the actual letters to be used here in kabala would be ChiVav.... And from here the Vav becomes Va as the Kabala texts show.

Chiva is the ancient name of the serpent God associated with the moon in the Near East, which is originally male, this was also spelled as Sheba the B and V are double letters so one can be exchanged for the other. Sheba becomes Shiva further east were this knowledge came from. Shiva is still called Lord Chandra, the Moon God. The Chiva is also called The Breath of Life. The prana energy of the soul and all creation which is shown as the serpent in Hinduism. The Chi is Shi.

In Hinduism Shiva is called.... Kabala Iswara, the Lord of the Kabala. The Jews stole the Kabala off the ancient East and then corrupted it. Even some Rabbi's admit the Sefer Yetzirah is from the Pythagoreans.

In ancient Kabala letters are numbers and numbers are used to spell letters.

The 666 of the bible is originally spelling Shiva in numerological code. That they stole from the Pagans. Which is showing that the name of Shiva is the Agathodaemon the serpent kundlalini, the breath of life itself. This is why after erasing the Vav and replacing it with Stau they also changed the spelling later to Xi Chi Stau, erasing the original name. The bible is a curse of the serpent energy of the soul of Gentiles from the first book of Genesis to the last of revelation. The negativity directed towards the 666 is part of the Jewish enemies blaspheme on the original God, Satan. Which is a Jewish attack on the soul.

Shiva Is Satan

The symbol of the Ankh in Egyptian has a specific name its a letter that spells the name of a divinity. The Ankh is in two parts the top is the Shi letter and the shaft the Va letter in Egyptian. This in Egyptian symbolism forms the formula of the Ankh which spells Shiva. And is called: Infinity, Eternity. This symbol later becomes the trident letter in the ancient alphabet. The concept of infinity or eternity in Sanskrit is called Sat-an.

The Ankh is originally called An in Egyptian. In India, An is also a ancient name of Shiva. Who carries the trident. The symbol of the Ankh in Egypt is the Trident in the east.

The An is also called the Anki in Sumeria, which had the same culture as the Egyptians. Anki is the proper spelling of Enki. Who is also called Satan in Sumeria as well.

In ancient Sumeria:

As Laurence Gardener showed in his book: Genesis Of The Grail Kings that....

"The Serpent Lord was Enki, but in parts of Chaldea[my note Sumeria] He had been called Shaitan."

Anki is called the Lord of the Eye. The Eye of Shiva in Hinduism. The Ankh was drawn in Egyptian art pointing to the forehead to symbolize the open eye.

The Ankh is the symbol of life in Egypt and Anki is the God of the Waters of Life in Sumeria. Shiva as a mantra is used in the head to activate the pineal gland which secrets the dew which is the water of life the Soma or Amrit which means "Immortality" in Sanskrit. Satan is also Satanama in Hinduism a mantra to open the third eye.

Shiva is Satan. The ancient texts in the east and near east state that Shiva ruled the golden age of humanity in Kumara Kadam and taught humans spiritual, cosmic knowledge so that humans could ascend, in the first Sangha. This is Satan.

Water and earth are magnetic. Fire and air are electric. The four elements along with ether are held together to comprise the human soul, which is a tetrapolar magnet. Page 60 of the "High Priest Hooded Cobra 666- Sermons and Writings" in Satan's Library has more information.

"WE SHALL DESTROY GOD"

A quote from the Protocols of the Learned Elders of Zion.

Those are some pretty strong words. As I've mentioned before, "God," in truth has several different meanings. For one, it is a code word for one's self, for another, the chakras are "gods" and so forth.

The effects from the systematic removal of spiritual knowledge are, a dying earth and the drastic degeneration of humanity as a whole. The Jews have kept their stolen knowledge under some real tight control. It is in their Kabbalah and most of the real powerful knowledge has been passed down orally from Jewish generation to generation, under the utmost security and secrecy. Their possession of this knowledge has put them in high places of control the world over, has amassed their communities unimaginable wealth and has worked to make nearly every significant opportunity open and available to them. Not too many people are aware. Awareness is the key. Also, an extensive knowledge of who and what they are, their practices and so forth. They are an ALIEN soul.

They have dominated medicine for centuries. Healing, for one, has been under their control for profit and to completely replace anything spiritual. Given they have controlled the media, 96 percent; we hear anything spiritual is "superstition" "bunk" and so forth. We are force-fed the bible, where there is nothing spiritual, Christianity and other completely MATERIALISTIC programs where all spirituality has been systematically removed and told that true spirituality is "nonsense," "of the Devil," and "superstition." But, the Jews at the top know the occult is for real. They have used this to take control of the world, which is now dying without it.

When all spiritual knowledge is removed, as was in the former communist countries, such as the USSR, the Jews with this knowledge [at the top], had control. The spiritually defenseless populace was open to any of their curses with no knowledge of anything like this and paid the price. One who is cursed and unknowing on how to defend him/herself, remove the curse and so forth will readily succumb to it.

As I mentioned before, the letters of the Hebrew alphabet are each infused with power. This is why the bible has so much power, regardless of whatever language it is in. The root of the Christian and Muslim programs is Judaism. Hebrew is the root of Judaism. Christian churches were built over Pagan temples that were destroyed. These temples were built upon powerful Ley Lines in a lot of places, especially in Europe. Unbeknownst to many, this catapulted Christianity. I remember many years ago, my son took the family on a vacation to the West Coast. He drove us deep into the Redwood Forest. We got out of the vehicle and walked around. I was totally blown away by the extreme energy there from nature. I also overheard a woman relating to friends on how she felt the same when she visited the Amazon Jungle. There are certain areas of the earth and spots that are intense with energy. This can all be scientifically explained. These areas can be used for spiritual purposes and drastically amplify workings.

Attempts over the years of various scholars in exposing certain truths has led to their being ostracized, labeled as "eccentric" or even downright "crazy" and has even ended many a career, if the scholar refused to end his/her research. This is no different from many scientists who have been attacked over the millennia for revealing scientific knowledge that proved Christianity and its twin of sick Islamic filth were outright lies.

It is a sad fact, given the Jews control 96 percent of the media, there are major lies, especially regarding history. I am sooooo fed up with the outrageous claims regarding the White Race, being "uncivilized" "ignorant" "savages" and so forth. One does not just slap a castle or a Gothic cathedral together, nor the Roman Coliseum, which after 2,000+ years is still standing.

"That the ancient Britons applied Pythagorean principles long before Pythagoras was born was a remarkable discovery." "All we can say is it seems most unlikely that a people who possessed such a refined observational science, such as mathematical and geometrical expertise, and such engineering genius, were at the time ignorant and superstitious barbarians, as the ancient inhabitants of Britain are popularly believed to have been." [1]
[This was passed to us from the Nordic Gods, such as Satan himself, who fathered children with human mothers].

Stonehenge was used to predict the phases of the Moon, eclipses and much more, accurately. Much of this was used in ritual magick. Most of you here already know that the body and spirit are made of bioelectricity. Bioelectricity runs the universe. Thoughts are composed of electrical impulses. This is scientific.

"Basing his ideas on numerology and gematria, Michell puts forward the suggestion that both Stonehenge and Glastonbury were structures designed with incredible subtlety on principles accredited to traditional magic for the purpose of collecting, storing, and transmitting solar energy." "...the actual sites should

serve in some measures receiving stations for direct influences from heavenly constellations that were known and appreciated by the priesthood—especially at certain seasons of the year.” [2]

There is much, much more to the “Kabbalistic” planetary squares. I also want to add here, these are not anything the Jews invented. I have a book where it reads they are originally Sanskrit. Most of you know, the Jews did not originate in Mesopotamia, or Ancient Palestine, but in the Far East, where nearly everything in their programs has been stolen and corrupted from. Christians and Muslims were used and exploited to viciously remove and destroy this knowledge, burn libraries, Pagan Temples and torture and mass murder those who had this knowledge.

Back to the significance of Planetary Squares:

“One of the more arcane traditions of number magic is that there is associated with each planet a numerological magic square, which is the key to control of the planet’s influence and power. For example, the magic square of the Sun consists of 36 numbers. The square may appear as a random jumble of numbers, but a closer study will reveal that if one number were altered, or if two were made to change places, they symmetry of the whole square would collapse.

Add together any row, column, or diagonal: the total is always 111. Add together the corner numbers of the square, 6, 1, 36, 31: they total 74. Move inward toward the center and add the corner numbers of the smaller square formed by 11, 8, 29, 26: again the total is 74. Add the total of the 4 numbers at the very center, 16, 15, 22, 21: it is also 74. Add together the numbers around the perimeter: the total is 370. The sum of all 36 numbers in the square is 666.

From this are drawn the potent magical numbers of the Sun: 36, 111, 74, 370 and 666. Whole multiples of the magic numbers are taken to be as potent as the numbers themselves. According to Michell’s analysis, Stonehenge was laid out on a plan that incorporated these numbers, so functioning as a magical instrument for solar power.

Glastonbury, according to Michell, was also designed on a pattern dictated by the principle numbers of the magic square of the Sun. According to these calculations, it appears that Glastonbury was founded on identical principles to those employed by the people who built Stonehenge between 1500 and 2000 years before the first Christian church was erected.” [3]

“From these observations, he goes on to say that they seem to be controlled by mathematical laws that involve the number 3 in their construction and the number 7 in their spiral patterns.”

Chinese authorities forbid constructing roads and tracks through certain areas of which they deemed contained lines of force which they called “Dragon Current.”

The movie, “Crouching Tiger, Hidden Dragon” for example, has many scenes where the characters levitate and even fly though the air. This is not fiction. Upon empowering this soul [martial arts empowers the soul], levitation can be achieved. Levitation combined with powerful ley lines can give an adept the power to fly though the air. All of this can be scientifically explained.

“If rivers are becoming polluted, the solution is, we reason today, to develop stronger, and therefore costlier, anti-pollutants. Perhaps we should not dismiss the magical and psychical sciences of our forebears as readily as we do. A return to the magical view of the world might be the start of a solution. Why? Because fundamental to the old beliefs is the idea that the world is a grand design, a totality in which the parts are all interrelated, interresponsive, and

interdependent, so that whatever happens to the part affects the whole and vice versa. Many of the ills of the modern world can be traced to a neglect of this fundamental principle."

This is where we are at following centuries of enforced Christianity, Islam and being ordered about and slaves to the Jews. Yes, slaves. In most countries, the president, if not a Jew him/herself, is nothing more than a puppet of which the Jewish masters pull and control the strings.

Could you be more specific?

JA thanks for the pdf. I only have mobile which has many problems. I cannot search posts and it's unreasonable to scroll down the forum 150 times to see posts from 2012 before I got here. I'm just reading older writings in that pdf now.

Fuck fuck....fuuck. I feel like I am missing out on so much with this tech setup. Like I'd be way more advanced and far ahead if I could just Wizz all around the JoS, pdf, and Yahoo groups, with ease on a good laptop.

If you are familiar with spirit abuse and parasitic magick, note that Asafoetida, an ingredient used in East Indian cooking, very common to East India, is used to insult the Goetic Demons they would call up, as it has a sulphur odor.

"KLI" which is of their kabbalah was stolen from the Sanskrit mantra "KLIM" which is of abundance.

High Priest Mageson666 also noted the similarity between "Shiva" and their "Queen of Sheba" character in the bible.

I could go on and on here. I have much more regarding their Christian program on www.exposingchristianity.org

As for their presence in other Asian countries, such as Japan, I strongly suspect they have been there as well.

The White Race originated in the Far East thousands of years ago and then migrated to Europe. I personally believe this migration of Whites was to get away from the Jews, who being an alien parasitical race and soul, soon followed. No different from how European Whites fled Europe for America, to escape compulsory religion, and oppression. Then, the Jews followed shortly thereafter...

Subject: "God"?????

There's some more knowledge I'd like to share. First off, everyone here should know Satan and our Gods do not need or require slavish worship. They come to us as friends and to help us, though they are advanced beings. Satan has made it clear more than once that He does not want or need slavish worship!

Too many people are naturally servile and have been systematically indoctrinated and programmed to be that way. This does not mean anyone should be arrogant or disrespectful. But, continually trying to secure approval (I've seen this in places like working in restaurants, where approval seekers look up to some of the lowest of the low, just because there is a "manager" title involved), is not of Satan. This sort of deal is Judeo/Christian/Muslim crap. In addition, this bleeds over into Jewish communism, where Jewish masters like Lenin, Stalin and other Jewish vermin assume the position of God, and the populace, stripped of all spiritual knowledge, bow down and worship (literally), this degenerate scum, which is no different from one kneeling before a pile of fresh excrement, and praising it, flies and all.

Given the Jews have been playing God for centuries now, (I also want to add here, the universe is infinity, both the macrocosm, and the microcosm. Science proves this. There is NO supreme being.

The Jewish kabbalah has kept this secret for centuries. There IS a force that science can also explain that is within everything. Like how the planets are held together by a gravitational pull... The ether element. This is and has also been referred to as "God." And, repeating myself again, "God" is also a code word for one's self and the chakras (The Gods).

My main point for writing this article is a couple of things I ran across. So much spiritual knowledge has been removed and those who have this knowledge and know how to use it become "God" over those who do not have spiritual ability or knowledge. This is what Christianity and Islam (and of course Judaism at the lower levels has been about. The Jews have a history of exploiting and preying upon their own). Systematic removal of spiritual knowledge.

So, just how much power has been attributed to a so-called "God" over the centuries, inspiring slavish obedience and terror, when much of this has been the work of humans?

In the 2017 Witch's Almanac, there is an interesting article on poppets.

"The phrase 'to burn in effigy' as a way of destroying someone in absentia reflects the sympathetic magic used to annihilate Guy Fawkes all over again. The destruction of his poppet suggests a wish that he burns in the afterlife."

Jews have a long history of cursing their enemies, the holiday of Purim being a blatant example.

The autobiography "Unorthodox" by Deborah Feldman is a very revealing and interesting read. Feldman is the one credited with the (((three parentheses))).

In her book, she reveals much of the secret life of the Hasidim, in which she was raised. She eventually left the restrictive community in Williamsburg NYC.

Now, here is from a paragraph in the book describing what she saw:

(The shomrim are Hasidic police- they have their own and are exempt from the law outside of their communities. They don't have to answer to the law like everyone else).

From the book, page 98, she describes how the shomrim, pull up at the house next door and how three bearded men drag out a black teenager caught stealing, by his hands, he hung heavily between them.

Her grandmother who was also watching stated the boy can't be any older than fourteen.

She goes on to describe how the shomrim members crowd around the quivering boy and kick him mercilessly until he is sobbing and wailing. "The men beat him for what seems like forever."

"You think you can come in here and do what you want? Impress your friends? You think you can bring your filthy kind into this neighborhood? Oh no, not here. No, we won't call the police, but we'll take care of you like no one else can, you understand? If we catch one of you here ever again, we'll kill you, you hear? You tell your friends that, you tell them never to come near us again or we will rain hell down on their black souls." *

*Note, the word "souls" is used. I don't take that as a symbol. I'm sure, given what I've learned, it is literal.

I would also like to add a few interesting quotes from this book.

"Bubby" is Yiddish for grandmother. For centuries, many orthodox Jews have spoken Yiddish. Hebrew, especially Ashkenazi Hebrew is too sacred and when establishing the state of Israel, orthodox Jews fought atheist and nonreligious Jews over what would be the language of the new state. Orthodox Jews vehemently opposed using Hebrew, but Hebrew was instated anyway, but the Sephardic version is and has been used.

Regarding Hasidim:

"Bubby says it's convenient for us to be presumed poor and unintelligent, so as not to spark the jealousy and resentment of the gentiles."

"A Jew can never be a goy. Even if they try their hardest to become one. They may dress like one, speak like one, live like one, but Jewishness is something that can never be erased. Even Hitler knew that."

You know those fur hats those Hasidim wear? They cost \$2,000.00 and up. Married Hasidic women are forbidden to show their hair. Most wear wigs or head scarves. The wigs they have are mostly made from human hair; \$3,000.00 and up.

On page 205 she reveals how a Hasidic father cut the penis off of his son before murdering him for masturbating in a basement. They buried him in 30 minutes. No police, no death certificate, nothing.

Jews with their supremacy, control and occult knowledge, place themselves above the law.

So, just how much of the spiritual has been attributed to what unknowing people have called "God" for centuries? No doubt, extraterrestrials have been interfering in our world for millennia. They are not "all powerful" or they would have taken this world by now, but just how much of this sort of thing from humans?

You can buy a cheap laptop on Ebay for \$50. An old laptop will probably have lots of viruses and I recommend you do a factory reset to clean out any persistent malware the previous owner picked up. A quick internet search for "factory reset (laptop brand name)" will bring up lots of instructions for resetting the laptop.

Ukrainian General Calls For Destruction Of Jewish Community

I mentioned before the Jews had the tiger by the tail by their messing around in the Ukraine and the revolution they tried to hijack for their own purposes would not last for them..... Its already in the wind, this is not the only high level insider that feels this way either, I bet. Of course our RTR's are winning and helping all this.

Le Pen failed in Europe but it seems Le Pogrom, might be around the corner.

Jewish Chronicle

<https://www.thejc.com/news/world/ukrain...s-1.438400>

In the latest of a series of highly public antisemitic statements by prominent figures in Ukraine, a retired Ukrainian general affiliated with the country's intelligence services this week called for the destruction of his country's Jewish community.

In a post since deleted from Facebook, Vasily Vovk – a general who holds a senior reserve rank with the Security Service of Ukraine, the local successor to the KGB – wrote that Jews “aren't Ukrainians and I will destroy you along with Rabinovych. I'm telling you one more time – go to hell, zhidi, the Ukrainian people have had it to here with you.”

“Ukraine must be governed by Ukrainians,” he wrote.

Wonder why the Ukrainians might hate these hateful kikes..... I mean what happened the last time Jews ruled Ukrainians....

I may have posted this three-part sermon a long time ago, but I will post it again now. This shows not only our Fuhrer's attitude towards all of Christendom, but it shows that Satan personally protected him from many assassination attempts.

Subject: Creating PODCAST with Satanic info			

Hello!
Me and some Brothers/Sisters had this idea...
To start doing podcasts, with SS info (not only Satanic, but also about National Socialism, and so on).

Imagine how many people we could actually REACH with something like that...
People *do* listen to podcasts and if we made these podcasts "live" (by using any kind of social media that exists, like youtube, to have a wide audience), and also have "comments"... Listeners could write down their questions and we could reply to them on the spot.

OF COURSE, it goes without saying that a "podcast" does not need a webcam... All one needs is a good microphone. "Podcast" is only for listening, not for watching the other's face and expressions.

We could have prepared a text in regards to any subject (example: first podcast could be about xtianity and how much of a sham it is). **We can even read parts of the Sermons from the joyofSatan, the exposingchristianity and the blacksun websites BUT we need to utter these words in our OWN voice.**

Personally, I am horrible with a microphone (my speaking is not really good), but someone who could do it, he/she should say things his/her own way; not just read like a recorder... Otherwise we can just do youtube videos (that many of us are doing anyway) and read the sermons word-by-word.

The podcasts should be something that will have our own voice in them, our own energies, and not just our High Priests' and Priestesses' words.

Soooooo..... Who is up for it? :P

I'm sure we have all kinds of people here... **We could even create our own music** to put in-between the podcasts, at some point, like a "break" of sorts.

Of course, **we could also do our own artwork** (so that, when we upload these podcasts on youtube afterwards, we could have an appropriate image showing throughout the whole video, like a portrait of Satan [or Hitler, depending on the subject], or something like that :))

As a whole, it is a great idea, and I believe we could reach many people with it.

Subject: Brazil wrecked

Have any of you been aware of the soap opera happening right now in Brazilian politics? It's so messed up they are eating each other like sharks, goyim and kikes alike.

The current president put just after the impeachment (Temer, that creepy vampire) have been catch with compromising audios. The 'Republic' is now officialy wrecked and all next-in-line presidents are illegitimate and comprimised. If the Forum of São Paulo elects the worker party again they may enter a state like Venezuela or worse. The flight tickets' price from Brazil to other countries have been quadrupled. The worst would be if their military takes over right now, as we cannot know for sure how many of them are into masonry.

It's just so tragic and their infighting so hilarious at same time I can't help it. Here are some material by Al-Jazeera:

Subject: London Attack, Kabbalistic Black Magic And False Flags WW3

London Attack, Kabbalistic Black Magic And False Flags WW3

The attack in London was also stated to have killed 22 people and happened on the 22nd of May.

As stated here:

The Jewish World Order The Jews Are Using Occult Power

topic19348.html

The Jewish Elites are using Kabbalistic black magic and their leaders are all Zaddok's, top level Rabbinical occultists and masters in Kabala.

There is a trend in the attacks that fall on the 22, the number 22 is the Jewish Kabbalistic number of completion, its the final number of their God form and bringing things to construction within it. This is the reason they put 22 chapters in revelations the final book in their Bible of Jewish Witchcraft that ties into the book of Daniel in the Torah that prophesizes the destruction of the Gentile Empires and the rise of the Jewish World Empire and dominion over the Goyim. Which Revelations then ties the end of the Bible into. The 22nd chapter ends with the return of the Jewish god who destroys all the Gentile Nations in an Apocalyptic war and then with the 12 tribes of Israel conquerors and rules the world from the New Zion

The Jews chant the 22 names of their God in ritual the 22 letters of their Alphabet which form the name of their god and the word of their god the Torah which is their spell to bring about their agenda. Their whole god form is animated by the 22 names.

Now ISIS has claimed responsibility for these attacks and its well known ISIS is a proxy army for Israel. Which means this is most likely a Mossad operation. It was no mistake in the Munich and Nice attacks the same Mossad agent was right on the scene at the time of the attacks taking photographs.

The Jews are trying to create a Police state in Europe to bring in Martial Law so they can finish off the Europeans with mass invasion from the third World by crushing any reaction. But they are also trying to drum up support for a war in the Middle East which will expand into the Third World War in which they will destroy the nations of the world and bring about their Messianic Global Jewish prison planet for the surviving Goyim who will be micro chipped in a plantation global slave state in which their will be only the Jews as Gods ruling over the brutalized cattle the Goyim. This was the goal of the First war to destroy the Gentile Empires from the Ottomans to the German and Russian and bring about a Jewish World Order under their globalist Communist movement. The Second War was a continuation of the same. That set them back majorly. They never saw Hitler coming and he was able to rally enough of Europe to resist the final blow that was planned from the Jew Stalin with his Red Army that was set for July of 1941. The Jews also failed to destroy Germany by setting up a deal in which Poland, France and England would attack Germany in two fronts. Bleeding the final major European armies out and leaving no resistance for Stalin's

invasion.

The Jews are still attempting bring about this war now. Trump's Syrian strike was planned to connect into the 100 year anniversary of America entering the First War. 100 is a Kabbalistic number of highest importance. They also did fire 60 missiles but one misfired so it was listed as 59 later. But the six is part of their Kabbalistic magic about bringing things down into the material realm to manifest. Why not fire 61?

The Jews are using the 22 in these attacks because they are meant to create the conditions to bring about the final battle and the end of our world and bring about their Jewish slave state of their god, 22

Jewish Talmud, Choschen Hamm 388, 15 Happy will be the lost of Israel, whom the Holy One [my note the Jewish Messiah], blessed be He, has chosen from amongst the Goyim, of whom the Scriptures say: "Their work is but vanity, it is an illusion at which we must laugh; they will all perish when God visits them in His wrath." At the moment when the Holy One, blessed be He, will exterminate all the Goyim of the world, Israel alone will subsist, even as it is written: "The Lord alone will appear great on that day!...

The Jews are an Alien Soul. And at war with this planet and all life upon it.

[Trump: Jewish Genocide of ALL Goyim Is Permissible? : JoyofSatan666](#)

**Trump: Jewish Genocide of ALL Goyim Is
Permissible? : JoyofSatan666**

It's interesting how Trump in his speech was talking on all these pipe-things **about combating extremism**, how people should live in peace (which implies killing off Iran of the map, for the peace of the jews) and on the audience, front row, sits the chief, and one of the most "Racist" **Rabbis of Israel, Chief Sephardi Rabbi, Yitzhak Yosef.**

This Rabbi admits that all their 'tolerance' for anyone else in the world is basically because...They do not have a Messiah yet. Who will exterminate all the "Goyim" and drive them out of the land of Israel.

<http://www.timesofisrael.com/chief-rabb ... in-israel/>

“According to Jewish law, gentiles should not live in the Land of Israel,” Yosef said Saturday in a sermon. “If a gentile does not agree to take on the seven Noahide Laws, we should send him to Saudi Arabia. When the true and complete redemption arrives, that is what we will do.”

The only reason non-Jews were still allowed to live in the Jewish state was the fact that the Messiah had yet to arrive, he said. “If our hand were firm, if we had the power to rule, that’s what we should do. But the thing is, our hand is not firm, and we are waiting for the Messiah,” he added.

Two weeks ago he said Israelis should kill life-threatening knife-wielding terrorists without fear of the law.

“If a terrorist shows up with a knife, it is commanded [by Jewish law] to kill him,” Yosef said at the Yazadim Synagogue in Jerusalem.

*[...] He went on to warn against killing a terrorist who no longer posed a threat, however **saying the not-yet-arrived Messiah was the only arbiter who could sentence a non-threatening enemy to death.***

Just so you know he is the next up from this other guy, Rabbi Ovadia Yosef, and is in his position now, after his death.

Trump openly threatened Iran in his speeches. Basically, this is why they armed the Jewish ISIS through Saudi Arabia, which is the known backer of this. For full scale war basically, towards Iran and Syria. There is no Trump policy, only Rabbinical Policy.

Trump is a tool and does what he's told, or otherwise, flying will come the Curse from the Rabbis, and off Trump will go with a heart attack by their Kabbalistic Magick. Trump is their willing, Jewish Blooded, servant and slave. He has accepted in a loving way his position.

What Trump does admit of kissing ass to the Jews? That he is working on that behalf. He will do as he's told, same as all other USA presidents.

Subject: Reverse Torah Ritual Schedule [May 31 - June 16]

[Reverse Torah Ritual Schedule \[May 31 - June 16\] : JoyofSatan666](#)

Reverse Torah Ritual Schedule [May 31 - June 16] : JoyofSatan666

Greetings to all our People and Satanic Comrades.

I will do my best so that this schedule is short, easily understandable, and easy to do. As always, unless anything urgent strikes, we will be following this particular schedule for until the 16th of June. We are following our schedule and the planets to ensure the greatest success.

The 72 and 42 are irreplaceable Rituals, same as the one of the Communications. This is important. These Rituals must be done unceasingly, as they do the most damage at this point. The perfect thing is to do all the ones written for the day.

To mention something fundamental, it's understandable and Satan understands and knows that people have a life, responsibilities and other things. However it's also useful to see at the side of the enemy. The average rabbi they have, curses the goy morning, day and night. They hold daily service etc.

I cannot emphasize how it's important people learn persistence and doing something constantly. This is how great things are made, by daily work on them. It does not take much time at all to participate. No matter what 'thoughts' may creep up to you, you can do this.

I have done my end of the deal of making this morbidly easy for everyone. It's too easy to do, to the point there are no excuses. If you haven't done much until now, it's time to pick the ball up and...play ball. The enemy curses us for hours on end.

Just look how RIDICULOUSLY easy that is: You open the app or the page...You scroll down...Find the ritual and do it. All in all it doesn't even take a few minutes!

Those who participate into the RTR's are in Satan's army, therefore will enjoy special protection, benefits, and also, just by doing the RTR's, they remove the curses from THEMSELVES and their OWN LIFE too. If you stay idle that doesn't mean the enemy doesn't curse you, same as all humans who are beaten down by these curses. So it's up to you to do something... This is needless to say, not only toxic to the enemy, but profitable for you too.

Excellent cathartic for emotional issues like anger, and spiritually, this unbinds you from bindings that torment all other people of the world. Due to an understanding of some people leading highly busy life (not those who use excuses) I will also put some Rituals which are PRIORITY rituals. In short, when one does RTR's for that day, they start from the priority ones.

The more we do, the better. The faster they will go down. In a last note, we are blessed by this ourselves. This schedule will be focused on blessing our own lot, as well, while ripping the enemy off. This is important as the planets are really helpful at this time. We will also re-affirm and reinforce some Rituals we have done before.

Below are the Rituals to be done for each day, numbered accordingly.

Underlined are the PRIORITY rituals for these days, for those who lack time. However, *ALL* these Rituals are EXCEPTIONALLY important!

I added an (*) on days where you can really do them intense harm with the rituals, because the astrological aspects literally can rim them. This means on these days we can devoutly do the RTR's. In short, we have to rim them hard on these days, no excuses given...

Subject: Re: The Jews			

No other race has caused the world the heinous problems the Jews have and this is nothing new. It goes back centuries.

In ancient times, the Phoenicians, the Philistines, the Assyrians, the Egyptians, the Romans and many more had incessant and major problems with the Jews.

This never stopped. Ever heard the word "pogrom"? When the Gentile populace is at their wits end and completely exasperated, their children abducted, tortured to death and used for blood sacrifices by these kosher monsters, when the populace is so up to their ears in debt, being poisoned, and having their

health ruined by Jewish doctors, then in many places, pogroms ensued.

A pogrom is a mass attack and killing of Jews. This is not few and far in between or a few isolated incidents. It is frequent and has been ongoing through centuries.

Jew is a Jew is a Jew... First and foremost, always. Ancient nations tried, but failed to assimilate them, same with the Ancient Romans, with numerous European countries, medieval times, all over the world.

They are parasites and cannot survive without a Gentile host. This is at the soul. They ruin the economy, get the entire nation in debt to them, marry into notable and Gentile families, such as kings, and others with wealth and influence (the biblical book of Esther is a subliminal for this), they take control of everything, take it over and then rule over the nations they infest; an invisible empire.

In spite of being forcibly segregated, such as in ghettos (this is where the word originated), they do not keep to themselves or leave the Gentile populace alone. Continuously throughout history, all over the world, they have been a most serious problem.

The Jewish alien soul does not, nor will ever become a member of any Gentile nation. Wherever they infest, they remain Jews. People need to wake up. They are an alien race and an alien soul (from out there).

For those of you who are forced to go to church, have the vicious alien lie of Christianity jammed down your throat and have lingering hangups, you have the Jews to thank for this. They invented the bible, Christianity and Islam. These three are responsible for all of the evils in the world.

No other people in this planet has even compared to anything like what the Jews are. They are alien.

When Western Europe expelled them (the Jews have a very long history of being expelled from nearly every country except for the USA. This, like pogroms has been going on for centuries. The populace reaches a limit to where Jews can be tolerated no more), Europe entered the Renaissance.

Jewish authors always try to extol their own, bragging about the scientific discoveries and such from Jewish doctors, scientists, etc, but truth be known, if Gentile nations were not infested with the Jews and their nefarious influences, Gentiles would not only have discovered these and much more, centuries ago, but science would be light years ahead. Rome, if left alone and not brought down by the poison of Jewish Christianity, would have eventually put a man on the moon.

The Jews headed east to Poland and Russia and in that area, only to destroy these countries with Communism later on. Jewish communism (which has its foundation in Christianity), has been responsible for the mass murder, torture and destruction of over 100+ million people. Where the inquisition left off. The Jew infested Catholic Church was the KGB of the Middle Ages. This vile institution of Jewish rot also is responsible for murdering and torturing millions of innocent people.

Jews also have a history of persecuting and preying upon each other. They only really come together when there is some outer threat.

I also want to add, HP Hooded Cobra, received a nasty letter he shared with other ministry members that was from a Jew, claiming to be a "Theistic Satanist." This was very revealing in that this Jew, like all of them identifies with their Jewishness first and foremost, even while claiming to be a Satanist. The Jewishness is always of the most importance with both their agenda and identity. Anything else comes behind that.

They are not, and cannot assimilated, no different from cancer cells. This same old shit has been repeating itself for over 3,000+ years.

This history is not taught in the schools. Gentile humanity has been extremely stupid in the way of repeatedly trying the same old attempted solutions (which are nothing but endless and abysmal failures) in trying to deal with them.

The Gentile world needs to wake up.

This was actually really good and enjoyable. One direction was terrible. But seeing him express his artistic talent like this in a solo career, he honestly did a good job with this song and the video is well made.

I didn't expect a pop "artist" to evolve like this over time and actually start producing music that is worth listening to, music that is enjoyable.

The power to fly, the power of the Gods! What a beautiful thing it is :)

I just hope I won't run out of energy mid air one day when I finally develop such ability, that would be unfortunate.

"Andevili wrote:

What Happens if We Win? So our Victory is probable and not certain? I was thinking the title should be "What Happens when We Win". Between, nice sermon as always.."

Thanks for the comment, it gives me an opportunity to state a few things...

Yes, lest all Satanists sit their ass, never advance, and do nothing about their existence and to advance, what do you think, we will win, or we will lose?

If you stop eating for a hundred days, will you die, or remain alive? If you never, ever go to the gym, will you become stronger? If you do not breathe, will you live?

Other's can't do your meditation for you, feed you, or make you go to the bathroom. Not even toddlers get this behavior to be done to them, they have to do at least something. It's just how reality works.

As for manchild, and useless princesses, what can be done?

Therefore, there is an *IF*. Not on the side of the Gods, but on our own behalf. We have to CHOOSE and FOLLOW our choice to the end. No matter how many shortcomings, how many falls, and how many obstacles, we have to persist. Then, it becomes a question of WHEN we will take over.

We have responsibility about our existence and bringing about our own ends. If we do not, don't expect free favors.

Why should they do free favors to lazy scum, that doesn't even want to do the absolute least to bring about a better world? The Gods aren't our servants, they are our gurus, friends, guides, leaders- you name them. They are not our nurses or our slaves. They are if anything inconceivably ABOVE us. If we do what we can, they will help. If we do not, they will treat us with our own medicine. They will not.

The Gods have won their own part of the war. They are not threatened by the enemy. What matters is we do the same to safeguard ourselves.

The Gods cannot spoon feed people 24/7, like their nannies or false charity. Nobody grows that way at all, they become an atrophic manchild, that is retarded and mentally ill. People have to get their act straight, and then the Gods respect this and help them out. They have better things to do with their time, rather than 'begging us' to...HELP OURSELVES, so we can live in a society of PLEASURE and MAGNIFICENCE for our own benefit...don't you think?

This logic of stupid 21st century entitlement must cease existing. We do not 'deserve' such a world unless we build ourselves to this level and fight for it. If we do not, then we sit by and watch the rot take us over, awaiting prophecies like retarded christians, we will drown into the cauldron of excrement.

What more the Gods have to do? They guide us, they give us the spiritual means, they help us advance, and they even bless us and do so much to help us out of miserable situations, wrongdoings, ignorance and the list goes. They are pretty much doing so much already. They would do even more if all people helped themselves, and seeked advancement.

The first thing all people who seek to become as the Gods have to understand, is that even-though there are many set 'forces' in fate or other things, we have the power of exercising deep choice with our spiritual means, and turning these energies around. Therefore, we have a 'say' in what is going on. To sit idle and 'expect' prophecies, while doing nothing, is for the retards and the slaves.

When are you going to become a God? If you do not work at all spiritually, then NEVER. If you do work spiritually, then it's only a question of a ranging WHEN. If you really devote yourself in advancing in a balanced manner, it's certain that you in time *WILL*.

IF we keep our end of the deal and fight and advance, then YES, it becomes only a question of WHEN. If people do nothing, it becomes a certain NEVER. If people dabble, which is what a few people still do, it becomes an *IF*.

To be "kinda lukewarm" = IF

To do nothing = NEVER

To do what one can to advance things= WHEN/DEFINITELY

Because many people dabble into the *IF* level, we are saying an *IF*. If more people were dabbling on the "Doing what one can" level, we would only be conversation about the DEFINITELY.

Greetings to all our Satanic Family and People.

I have to thank the customers of my services for giving me the necessary free time by not acting selfishly and impolitely, for tolerating delay, so I could do this Documentary for our Satanic family to see. This was extremely important to know.

It is tragic that documentaries like that are 'triggering' the social media and the small brained people. While all the terrorists and many other psychopaths are freely roaming in all of these social media, facebook, youtube and everywhere else. These are their organization platforms of course. If anything points at the jews, that's the *ONLY* problem. There are videos in Jewtube where Islamics call for OPEN JIHAD, and these have millions of views. But who cares, right? It's okay so long it's not "Whites" and "Jew wise" persons posting things, or other serious crimes like...QUESTIONING THE HOLOCAUST.

Only the safety of the "CHOSEN" is paramount. All others have to fill the graves, the jails, and their 'criticism' and false ideas require a beheading or worse. That's the jewish 1984 we are living in. Teens and children get raped in Europe and radical pisslamics don't receive any penalty, but people who question the Holocaust go to jail on rotting sentences.

Otherwise, Radical Islamic formulating weaponry, riots, and killing spree, is just fine for all these 'media giants'. For these there is no problem, they use all the "media" they want of course. Because who owns these? Those who also own these 'organizations'...

We live in 1984- that should be OBVIOUS.

This is the thing: these things are evolving and advancing, and unless these things stop, civilization will be forced to sink. In some places this is an everyday reality now.

Iraq, Iran, and Syria, all these places were progressing in civilization, until the enemy decided to make their Greater Israel. Now the Middle East is created into an incessant warzone. All caused by the jewish created groups of mad people in the region. This phenomenon is also pushed in Europe and the USA through immigration and radicalization of Gentiles, and ultimately turning them against one another etc.

Needless to say, what happens in the Middle East, and against people there, is horrible. All this is owned, run, and created by the Jews. This has multiple effects, and jews use these. The jews have created a deadly force with the ("ISIS") which was created by them. The reason of such is to kill innocent Gentiles, and wipe out their old time enemy from the region: Satan and the Pagan Gods.

This has always been the jewish goal. This is why the war in Iraq happened, the Syrian torture, all with the higher aim to create the state of "Greater Israel".

Everyone needs to watch this, share this, and enjoy this documentary. It will not be all joy, but it will be all facts...It is gruesome and very saddening. This is a comprehensive documentary in what is going on in the Middle East and where this leads.

This deals with the Yezidis, our beliefs, and The Genocide of Indo-European Culture and Races. Be prepared for a reality shock. The Yazidis are people who worship Satan/Malek Taus/Odin/Shiva, or HOWEVER one wants to name the Grand God. They are chased all over the globe and wanted dead by the jewish puppet group of ("ISIS").

You will see what happens when jews get power, straight in the video. The jewish created, funded and trained "ISLAMIC STATE", based on the Islamic Abrahamic religion, butchers and enslaves women, innocent children and brutalizes everyone.

IF THESE PHENOMENONS ARE NOT STOPPED, CIVILIZATION WILL BE DESTROYED COMPLETELY...This sort of phenomenon is coming to Europe.

I am also preparing another film on what is going on with Islamic and Christian (jew forced) civil war in Africa. In short, THE JEWS ARE OUR MISFORTUNE!

This problem has to be dealt SPIRITUALLY and with ENLIGHTENMENT of the people. So that they are fought into the core level. Intellectual resistance and spiritual revolution is NECESSARY.

Needless to say, these are the reasons we are doing the RTR's. To stop this madness and jewish domination of the world, which implies all these people have to die, get massacred, radicalized, all in the service of the jewish wet-dream of world domination.

Watch and Download this Documentary! You can repost it if it gets down, but until then, there is no need for this. We can share, promote, and push this incessantly. I have done such on the other documentary, and because many of our people did share, by some tweaks, it had a CUMULATIVE effect. Nothing can keep us from spreading these and unmasking the enemy of what sadists and psychopaths they are.

The Genocide of Indo-European Culture and Races [Full Documentary]

<https://youtu.be/7QqmS8EIPd0>

LASTLY: Keep up with the RTR's. This COULD BE ANY SATANISTS, as many people have ended up in the Inquisition and WORSE. By our hand, we must make sure this will never happen, and

with the power of the Gods which we express, WE WILL FLATTEN SPIRITUALLY THE ENEMY COMPLETELY!

<https://josministries.prophpb.com/topic19703.html>

Dealing with Astral Entities: Past Life Memory and Race Soul

Greetings to all our Family and Satanic People.

Well this deals with what the title says. I am writing this to clean up some particular things that may have people confused.

Many people when they learn about past lives, they become highly interested in such. Depending on the maturity of the person, they may look on what has come 'before' and see things ranging from Truth, to absolute delusion, to some truths mixed with lies, and so forth.

This is why I always advise people to actually work a lot spiritually before they do this process. This is because hangups, fears, insecurities, and wanting to fill one's self to compensate for lack of power and success in this life can subvert a person. The subconscious of the untrained person can be tricky, and filled with programmings that lead to this.

This is the reason many people who are new spiritually and are unfounded in observations, can suddenly say things like, if they are Mexican, that they were the Great Montezuma, or other people can say they were Lao Tzu, or "Me Wuz Napoleon" immediately. Now these things, sometimes have some reality in them, but I will explain what is going on to rectify the situation. But this cannot be explained before I explain some other things.

All races have a racial soul tree, so to say. This is like a massive pool of memories, understanding and spiritual roots, to simplify this. All members of a race are connected through this tree, as such, we have races and soul families. People who dabble and are spiritually inexperienced, can sometimes see delusion, PLUS things from this tree if they are open, and sometimes get into memories of such tree.

Others are caught in complete astral delusion and just see their own delusions. The power and SATAN has to rise in the soul (sense of understanding and wisdom) to see correctly. One should better of remove hangups, so that they are not trapped in false observation.

If someone is something very great, it will show up in the natal chart, in the life, in the wisdom, and everything else. It will be apparent in everything from a younger age. This is because this is carried from the past life, given as passed down from the Race Tree, or both these things. Normally, these go together. The more developed persons are in a fitting place in the race tree so to say.

Now, great men, women and souls in our racial tree, they are very influential in our racial unconscious. We are connected in a genetic level and soul tree with these people. So when we meditate, we find our 'roots' and start feeling this tree. This is why we get to feel and seek our ancestors when we become more conscious, so to say.

Some people are "RIGHT" that they are related to these great people, because they are. Now, the distance in the tree ranges, and of course, that doesn't imply that one *IS* that person.

In a sense, part of them, racially wise, is in them, and theirs in them, but only in the racial unconscious. As individual entities, people have their own future, so to say. If we meditate and advance, we also help and correct our Racial Tree, and uplift all of it's members. We are making space also for ourselves. This is on an astral level. Sometimes, people when they do past life regression, may see such powerful events that happened in the tree of their race, rather than their individual memories from a previous lifetime or such. This needs training.

From the above thing we have many unimportant people or young souls always saying they are 'Kangz', Pharaohs, or that they were Tesla in a past life. They belong to the race tree of this people, they WISH they were these people, and even that wish is actually a wish to point them to evolve THEMSELVES, and become better. They are observing, in short, a bright example.

Believing you're Tesla or an Apache helicopter, will not make you either. Therefore it's better to stop living in this subjective reality, because it keeps you back from your true potential. Additionally, the presence of a Tesla or an apache helicopter (lol) in your Race line, shows that you have the potential to get there. Let's not mix potential, with who we are in the present, and everything else.

All this fog is cleared by SATYAN - SATANAMA. The striving for Truth. When the soul leaves behind dross, hangups and crap, it starts to see the light and accept reality joyously. You don't have to be a movie star to advance, or someone 'famous'. Anyone can do this, and anyone can raise on higher levels.

That's the awesome thing about this. Spirituality is open for those who are after it, so to say.

Generally, it's not that great to mix the race trees (let's call these soul families), because this causes internal spiritual confusion. This causes unexpected outcomes. This is not negative, but if done incessantly, can have bad effects many generations down the line. As such the stupid saying that the 'sons and daughters' pay the 'sins of their parents'. This is perverted allegory of the jews, to hide this very fact.

How one is today is tied into the effort of those that came before them and how they managed to handle their time, if they decided to materially or spiritually advance, and such. No matter where one is, one can evolve, advance, and continue existing until they reach the higher levels. The point of such is to advance.

You will feel this as a drawing towards a particular civilization/past so to say. It will attract you, and also it will be obvious in who you are, your temperament and so forth.

As explained before in the series, races have karma. To mix such karma can have strange, and unexpected effects. If we have a spiritual family, they produce spiritual children, and so forth. To disrupt this, can have any effects, with generations ranging from the bottom to whatever so to say. The whole process of rectifying and raising one's soul to a higher level can become a mess. People reincarnate into their race lines, to continue the process of spiritual advancing.

Lastly, see how bright individuals help their own people and the world in general, in more than one way. This is actually why we say that the true potential of a race is not in the retards of such, but in the people who made this EFFORT to get "UP THERE". Notably, the people in the high levels may have absolutely no relation with the fallen leaves and the rotten branches of a tree, so to say.

The whole point of these spiritual teachings are to keep the trees of our races clean, pure, strong, empowered, and to grow and become fruitful and plentiful. This was known to all Ancient civilizations, and actively practiced. This is how the individuals of the Golden Ages came to be. Because the trees were being cleaned, the rotten branches cut off, and the trees taken care of, so to say. One makes sure to always lift one's self and the their race soul by advancing.

When one does regression, they have to be skilled, and better be clean spiritually- having deprogrammed one's self from a need to see lies, and conditioned one's self, without guilt, to see facts. This helps one raise in power.

I hope this clears up this issue in regards to Past Life regression and the Race Spiritual Tree.

Hans Kammler was an important person for NS because of exotic technology he worked upon. I am not a white but am kinda attracted towards this person for his scientific research and projects he undertook like The Bell or in German Die Glocke. Did he actually survive and reach godhood. He was nowhere to find after WW2 and his wife "claimed" he committed a suicide. Some rumors did say he went to America to work as a scientist. I don't really believe he went to America theory because of his dedication in his work as a NS.

Subject: "Possession" etc...

I already wrote another more detailed article concerning this.

The more research we do in ministry, the more shocking and apparent this gets:

So much of the "supernatural" and what people attribute to "God" comes from human beings. Human beings who have a high level of occult knowledge, of which was systematically and forcibly removed from the populace in an attempt to create a spiritually defenseless slave state of Gentiles.

As I stated many times before, after the deliberate removal and destruction of this knowledge by Christians and Muslims (tools for the Jews who were behind it), Jews "translated" sacred texts into European languages. I'm sure I don't have to explain the ramifications of this here.

Given our recent findings, so-called "possession" and other related "spiritual" issues, such as attributed to supernatural beings, in truth, is nothing more than works done by human beings.

For example, so-called "demonic possession" is an inside job, look to the Vatican.

Given the extensive occult knowledge and abilities these spiritual criminals have, they are knowledgeable and adept at creating such entities to induce an atmosphere of spiritual terror, which they blame on our Gods, to keep our people under their control.

In Voodoo, followers invoke spirits, some are ancestral, some are what they believe to be their Gods, and much are in truth, powerful thoughtforms. Spirits, regardless of the abovementioned, are empowered through worship, devotion, attention, spirit sex, eating through the living human being by mutually consenting to enter the human's body, enjoying sex, food, alcohol, dancing and so forth.

The use of powerful thought forms is extensive, along with elementals, etc, and is in truth, behind an extremely large percentage of what the mainstream believes is "God."

This is why "God" needs so much attention and slavish worship, fear and love. Love is used to further these programs because it is about the most powerful of human emotions. How many can attribute extremely and insanely bad judgement to the emotional of love that is misplaced? Some people have lost everything, even their lives to misplaced love. Love is a very manipulating force when it is misused. Not even impassioned hatred can manipulate the human psyche the way love can.

Christianity is known for look "love bombing." Love is liberally used on newbies to hook them in. As the newbie becomes further ensnared in the Christian trap, the love is gradually withdrawn and then used as a reward and punishment manipulating tool.

The same old love crap is also used with the New Age writings, etc, to zealously advocate and promote injustice, both spiritual and in the material world. This keeps these humans (mostly Jews), in control.

No so-called "supreme entity" or so-called "all powerful," etc is going to be threatened if there is no slavish worship. On the other hand, Jew created programs, along with their invisible empire, need the external energy input from their victims.

Few people are aware of the calamities, illnesses, social problems and so forth that are the result of directed and intentional powerful thought forms (THAT ARE NOT ANY MORE INVINCIBLE THAN THE HUMANS WHO CREATED THEM).

The Jews along with their Vatican criminals have been abusing occult power for centuries.

Many Gentiles believe this crap to be "God's punishment" "Acts of God" and related. This creates a spiritual slave state with "God's chosen" in charge.

Azazel told me recently, "The Jews are responsible for all the sicknesses and illnesses in the world."

Their invention of Christianity has dangerously held back science to where it is a crisis, their control of the medical profession for centuries. Yes, centuries. Their using Christian and Muslim filth to destroy the original Gentile Pagan religion and spiritual knowledge.

The Magnum Opus (which was a fact of life during the Golden Age when our Gods lived side by side with humans, who lived hundreds of years, many becoming immortal), was lost and corrupted. Those who searched after this spiritual working, alchemy, aka "The Black Arts" were tortured to death, burned at the stake.

In closing, I also want to add, some occult knowledge also has, again, man-made curses put upon it, by guess who? In order to frighten outsiders from learning too much, away.

The world is under a powerful spell. Only through Satan and our Gods can this be broken. Satan is the Bringer and the Giver of knowledge.

Satan does not demand or require any slavish worship.

Subject: Sexuality and the Metaphysical

<https://josministries.prophpb.com/topic19715.html>

Sexuality and the Metaphysical

I considered writing this post for a few reasons. Over the years myself, I had to think about this matter a lot and went into more than one conclusions; In the end what I clearly understood is what I will relate to this post. Which I found to be the only fundamental fact when it comes to such things.

As HP Don has mentioned before, and as it's known, all people have the Ida and the Pigala- polarities. Any gender and any person can have more of either polarity in their soul. The main issue people do not get, is that if this will manifest sexually or not, is a whole different aspect in itself. Every person spiritually is both male and female. The soul has both aspects.

Now there is a serious misconception here, that ties sexual choices with spiritual advancement. From this came rise to forceful theories such as the jewish madness which says people should be killed or made to 'repent' for their sexual choices, and many other negative things.

Like in the J(N)ew Age community where people are told that "Drugs help them" advance and so forth, and that they must at least 'try them' or whatever, the same is done about sexuality. People are sometimes forced to 'repent' their sexuality, or think that in order to advance spiritually, they have to become gay, bi, or just be celibate.

This has went in both directions, to where now the enemy is forcing the latter end, even towards pedophillia and other insanity and mental diseases. This came from mass sexual repression, insanity about sex, and at the same time over-sexualization of even children. Which bleeds all together, from all sides, into a mass insanity.

There is only ONE mistake in sexuality down to it all. To not leave your sperm and sexual energy go to waste and be unprogrammed. This is the wasting of the 'seed', not masturbation or sex. Over the centuries due to spiritual ignorance, a lot of insanity has been created around sexuality, either through deprivation, or basically mainly due to Judaism. In short, this energy needs to be used for your spiritual elevation, goals and so forth. But that is the ONLY real and worrisome 'mistake'.

If we have a person who is spiritually of an Ida (feminine) dominant nature, that will not necessarily make them a homosexual. They may be of the more nurturing type, and more after aggressive and dominant women. On the other hand, a woman who has a very high Pigala element, may be into dominating men very much, acting with more masculinity so to say.

Now, how these manifest, can range. The man in the first example may be extremely feminine in their love affairs, quite the contrary in their general life. In other words, sexuality and behavior do not always relate, but most of the time, they do.

Sexuality in general is the striving for what one does not have. In other words, gay passive men may be after overly masculine, male men, for example. Women who are lesbians of the pigala type, may actually be after feminine women of the same type. This is a way to look at things when people have a more spiritual nature. When they do not, and that is NOT bad/and/or "UNETHICAL", this may range, change or whatever.

Gaps left at the soul and internal needs that are not met, have to be 'replaced'. One example is drugs. People who are too lazy or don't even know about meditation, can get into hallucinogenics, in pursuit of spiritual experience. In the same way, people who lack particular elements, MAY or MAY NOT try to find these in partners.

The natures of such desires and how these will manifest, are affected by MANY, uncountable factors. Do drugs exist in a civilization? Does one have money to buy them? Are meditation books available? Is the person someone who is careless or careful about their life? And so forth.

Depending on if a person is susceptible to change, likes to experiment, and so forth, one may know or may now know exactly 'who they are' and 'what they like'. This can be the case of people who don't have enough self knowledge about things. As someone spiritually advances, this gap is sorted out. There are people who are more easily influenced, and some who can hardly be influenced at all. One example is how in the past, christians tried to push and 'cure' homosexual people, ultimately torturing them and worse.

Now, society is heading past the level of equality (thanks jews) who try to return us into the middle-ages by over-extension of their own sexual depravity, which masquerades as some sort of sexual preference. In short, the humiliation over one's sexual type, and making one's self a worthless human being (either a hetero-savage-islamic) or an extremely effeminate traitor of one's race and so forth, both these are jewish creations.

These don't have to do with one's sexual choice. This has to do with the quality of a person as a person. Like all people eat, some eat in a civilized manner, some eat from the floor, and others like jews feast on feces pie. In short, to focus on the habit of eating or 'ban' it is useless and retarded. Only a xian would think of that.

I noticed the problem is that people aren't sexually accepted. This makes a lot of people feel at odds with themselves, fearful, and on the other hand, we have a pendulum thing going on in society.

Now spiritually speaking, we know there are three channels. In the female body, the left and right walls of the vagina, and the whole vagina, all connect to the Ida, Pigala and Shushumna accordingly. The same goes for the head of the phallus. The head of the Phallus is the gate to the shushumna, the sides of the Ida and Pigala accordingly.

In general, people are also polarized accordingly in the Soul, women, irrespective of sexual choices, are tentative to the feminine, and men are tentative to the masculine. The anus of both genders deals with the shushumna, the central channel. This is why for SPIRITUAL anal tantra, it's important people to understand how this works in order to advance them. For material purposes, different rules apply, so to say.

NOTE: On spiritual people. People who are just a material body, they work by "denser" laws. Natural psychics and mediums can feel the most sensible things in a space, so to say. Others are more resilient, others oblivious. In short it's not spiritually 'better' to have a particular way of sexuality, and another one is not worse. It all depends on the spiritual openness of the person, and how it affects them individually.

Then, we have astro transits. People are influenced by such, and they change by such, may want to experiment, or depending on the person, they may NOT

want to do this.

Now many people are very confused when it comes to transsexuals and other people of the third sex. The third sex does not imply (unless someone is born like that from the womb) a necessary 'ida-pigala' spiritual balance.

This is the material body, which affects the soul only indirectly: it's not the CAUSE or the level of development always. It's secondarily connected to the Soul. Many people assume that if they change their body's biochemistry, they are doing a 'unity' at the soul. This is a misconception. This is not the case, but only indirectly, and from much of a distance if even that.

In other words, even if you inject yourself with testosterone, that doesn't necessarily make you more masculine at the soul, or if you inject estrogen, that doesn't make you more feminine in the soul, either. You are absorbing results here, not causes that come from the soul. You are covering at the symptoms so to say. This affects it from a far and indirect level, and the soul is only from a far distance affected by such actions. The above is why healing, balancing of the soul, has to happen on the inner light/the soul first, to have a permanent transformation effect.

In short and before some people are uselessly infuriated, what I am trying to say, is fairly simple: no matter the modifications you do on your body, no matter your sexual partners, or what you choose in that way, real unity and balance in the soul will ONLY come from meditation. This is what people should be after, and that is the aim.

All the anti-oxidants in the world, isn't going to give you an immortal soul or clean your aura, so to say. In the same way, all the sex or food in the world is equally irrelevant and not that big of a deal unless it's done with a spiritual insight to it. There are levels of sexuality, and it depends on the person. Some people are extremely psychic to the point even minor contact can create serious contacts with others, other people are extremely numb spiritually. That doesn't mean they are not affected, but it's not in the same level as other people.

The point of this post was to explain this: Everything that you see and experience has an internal sense and this has to be recognized. How it will manifest varies. This is why it's important people have self-knowledge before they do moves such as changing their genders and so forth. There needs to be insight into these things, or like with any body modification, people may regret it, or they may not regret it.

I also notice there is a lot of confusion and force by the jews to confuse everyone, no matter their sexual vocation. One example is how a lot of girls like 'adventure' guys, so the enemy tells them to go date criminals, and many times they wind up dead. Sorry, it wasn't hollywood. This is one example. This hiding of the spiritual aspect of our desires is created in such a way to blind people and make people waste their life chasing anything but spiritual advancement, which is what people should be after to become really content.

The point is that people seek completion through their sexuality in one way or another. This is evident in astrology. People who lack a particular element, can be attracted to people who have that element they are lacking, for example. This is perfectly normal as people look to complete themselves, so to say. Others stick with people of their own element, and that is good again.

The ultimate recipe is to be with people that make you better, advance you, and uplift you spiritually, so to say. The point is to become a better and more

advanced person. The details are up to you, and responsibility to the responsible.

Socially speaking, as far as civilization is concerned, a civilization that only has strictly gay people and so forth, or solely lesbians, cannot procreate. Nature takes precautions of such and makes the majority of people with the necessary heterosexual tendency to reproduce. The enemy like all balances, they try to throw this one out in either way.

They don't really care which way, just enough so that balance is overthrown so they can destroy and take over things. This is a problem for every civilization, but so is retarded Abraham celibacy that leads to murder, people feeling emotionally destroyed and so forth. Any civilization that does suppress women or feminine energy (Even expressed through women themselves, or gay people, or people with feminine polarity) does collapse, and is a civilization of savages.

On the other hand, a civilization that is too feminine, is extremely tolerant, extremely 'open' and cannot many any serious division between the members and so forth- chaos. In the middle ages we suffered from the abrahamic hyper-masculinity, now we suffer from abrahamic induced hyper-feminity. There will be no warrior spirit, no order, no defences, no cohesion, nothing.

Again, the above are not fixed "rules". Its just an explanation of some terms. You are in your own to see and know yourself. This may take more or less time, depending on the person, and that is great again. After all everyone is in the same self-knowledge trip.

Spirituality and inner empowerment and wisdom reveal what is what. But again, this is no problem, feel free to research in anyway you see fit and advance towards this.

The point is to be an advanced, upright, and decent individual. If one doesn't fill this criteria, then you can have sex with anyone you want and remain the same negative influence upon this world. Nothing can 'change' this.

Subject: Satan Lucifer The Lord Of The World			
Satan Lucifer The Lord Of The World			

The original religion of earth is called the SANAT-ana Dharma.

Kumara means Lord, Sanat means Eternal..... Sanat Kumara means Eternal Lord, The Eternal God. Sanat is also spelled as Satan by His ancient Followers as well. Satan Kumara. The Eternal God.

The Eternal, highest God is also called Sata, Satam, Satan, in Hinduism, and His mantra is Satanama the highest mantra of serpent power yoga. Satan or Sanat is the same title and meaning.

In the most ancient texts of Hinduism in Tamil Nadu they state the primordial age or golden age the Sat Yuga, civilization was called Kumara Kandam and was ruled by Sanat Kumara, who came to this world with the other Gods from another star system. This civilization extended to a land mass now underwater. With some of it remaining above water such as Tamil Nadu. The Peoples of the Far East from Thailand to the ancient America's all have the same record of a golden age civilization that once extended across a large continent now much of it under the Indian and Pacific ocean. The Greeks, Druids, Egyptians and Romans stated in their ancient records they came from the east from the same area. The Romans had a ritual of mourning called Lemoria where they threw effigies of their ancestors into the Tiber river to remember when this land was lost. The name of this land was also called MU. The ancient Mayan's had the record of coming from this early region as well. And the Peoples of the America's record these White Gods teaching them spiritual knowledge and cultural knowledge from how to grow food to build homes and medicines, astrology and other knowledge. There are African tribes they state they received the same from the same Beings such as the Dogon.

This explains the megalithic ruins found across the east from off the coast of India all the way to Nan Madol to the ruins off the Japanese coast. To the Andes in the America's. All are shown to come from the same core civilization. Described by the natives as having been built by a tall White Race with light hair and European features. Who were ascended.

The ancient Tibetan and Far Eastern texts state the hub of this ancient civilization was in the region of the current Gobi Desert region. In which there have been numerous findings. From the White Mummies to what Professor Kosloff a Russian archaeologist found a tomb in the Gobi after digging down fifty feet. There were artifacts in their dated to 18,000 years old. The records claim and the migration shows the Aryan Race pushed westwards from the regions of the Gobi, Pamir, Northern India and central Asia in general. The world's largest Pyramids are in north, western China and there are over a hundred of them. The largest ancient cities on earth have been found around the ancient silk road and their inhabitants were Aryan Peoples. The Chinese mention they received their culture from tall, Aryan peoples and their ancient records talk of green and blue eyed Emperor's. The aboriginal Japanese are known to have been a White Race. Many people in China, Korea and Japan are what today would be called Euro-Asian. They still have the divine culture of the Gods as well. The Japanese call Sanat, Sonten and state His eternal spirit resides in the sacred mount Kurama, in Japan.

This Gobi region was stated in the records in the Golden age to have been the capital in which Sanat Kumara ruled from directly while on earth along with the other Gods. This is called Shamballa in the Far East. And might be the source of Valhalla the city in which Odin rules from. Some of the writings on the ancient Norse mention they migrated from the east. The people of modern Hungary and Romania did as well. The ancient Aryan Hun Empire went all the way to the Far East to the Uighur regions of the current Gobi. Hungary is from Hun-Land, it was officially granted to the Hun's forebears of Attila. They were not racial Asians but Aryans from further east. The Scythians came out of the central Asian regions into Europe and became the Slav's to the Saxon's to the Celts.

The Yezidi who are called The Blonde Blood Line, their calendar is seven thousand years old and the Yezidi state they migrated out of the east from Northern India and were part of the Sumerian civilization. The Chaldeans came out of the Hindu Kush along with the ancient Phoenicians who called themselves the Ya Khut's. A title still used in Kashmir. The Phoenician Gods were Red Haired and blue eyed as their ancient images show them as Aryan People like the Sumerians. Tests on their remains show them as European. The Yezidi show Sanat who they call Satan. As the eternal youth surrounded with peacock feathers in their writings. The same way Sanat is shown in India and Tibet.

The Yezidi text the Al Jiwah mentions the realm of Shamballa with in it. If one goes to India you will find the Yezidi religion. As the Yezidi's themselves state. In the worship of Sanat Kumara also called Skanda who is colored red many times and also riding the Peacock and with the serpent. This is how the Tibetan's show Amitabha Buddha. Colored red and riding the Peacock. Amitabha Buddha worship is twenty thousand years old in the Far East. He is the head God. The Tibetans original religion is called Bon further east to China its called Mon. The worship of Mon is not the everlasting blue sky. Its actually a blue colored God. The Mongols relate their origin from a race of blue eyed Whites of divine descent. The Tibetan's stated they got Bon from a race of Aryan's. Of the current Asian groups in the Far East many one way or another mention a previous race of Aryans who's home civilization was Shamballa. The Yezidi's state the Aryan race came directly from Satan, Sanat Kumara and are the original People of this world. However the other races are under the protection of the Gods and some do descend from them as well.

In Primordial Greece before the fall of the Minoan civilization. The head God Zeus was shown as the eternally young God called Korios. He was blue colored had a White bull, 12 cow herder companions and a consort called Rodha. He played a sacred flute as well. Korios is from the Sanskrit, Kumara. His other symbols are the Peacock and the serpent and he carries a staff, thyrsus or spear as Dionysus. The Peacock is only native to the Far East. Where the Greeks state they came from a place called Pan Achaea. Their oldest God still carries the same appearance, banners, totems and myths as Skanda in India. Of whom the Greeks state Dionysus was. Of their maps they called Sri Lanka the place of Dionysus. The mythos of Dionysus is the exact same as Skanda. Korios is the primordial God from which the other images of the head Gods in Greece came from. Dionysus is the Korios. His worship was so ancient the later Greeks thought His religion was foreign. From Egypt, as the Greeks lost much of their culture after the devastation that caused the end of the Minoan civilization the whole island blew up and destroyed most of the region in the fall out. The Egyptians recorded this and that they had kept the records the Greeks had largely lost when they were nearly wiped out. The Greeks and Egyptians both stated Osiris and Dionysus are the same God, and Ptah is another name of Osiris in Memphis.

One will note the ancient figure of Korios is also the famous incarnation of Visnu in India, Krisna. The Hindu Purana's state all the famous head God's of Hinduism including Visnu, go back to one pre ancient God. Sanat Kumara. They are images of the same primeval God, Sanat Kumara. The Chandogya Upanishads also state that it was Sanat Kumara who handed down the Siddha Marga, the Path of Perfection to mankind the teachings of ascension. The Yezidi's who worship the same God Sanat as Satan also state the same.

Venus in Sanatana Dharma is the highest cosmic principal it rules sound and white light and the spectrum of light. As it descends creating all existence which is condensed sound and light. However what we perceive as white light is stated in the Vedic texts to be blue light. This is why the ancient image of the God Sanat Kumara are also shown blue. The purified soul and the concept of Venus.

This is the reason for Lucifer, its a name of Venus. Sanat Kumara is called Shurka, Venus in the original language of Sanskrit. Sanat esoterically represents Venus. This is the same God as Dionysus and Osiris are also called Venus in their ancient cultures.

The reason for the Left Hand Path which is from Sanatana Dharma, its the name of Kundalini Yoga, the Left is Shakt the serpent energy. Is because the planet Venus is the only planet that rotates anti-clockwise to the left. The LHP is the path of Venus, Sanat Kumara. The pentagram is also the symbol of Venus the shape of the orbit of Venus and the five is a Venus number. This symbol of Venus would have 666 placed with it to show spiritual rebirth. Venus's number also connect to the sun. The ankh the symbol of spiritual rebirth is the symbol of Venus.

Venus on the horizon.

Venus rules the mystical transformation of the soul as the morning and evening star. Venus's eight year cycle is a spiritual number of enlightenment and immortality. Its position on the horizon as the evening star just before it disappears into the night of the underworld, to its triumphant reappearance in the dawn heralding the reborn soul, spiritual victory.

Venus is also ruler of the serpents. Venus rules wisdom. This is connected to the throat chakra, which Venus rules which is why Siva is called the blue throated one. Venus rules the path of the gods the sushumna. Vasu is the name of Vishu relating to Venus as well. Vasu, Vas is the symbol of divine kingship in Egypt. Venus is about spiritual material perfection. Venus in Sanatana Dharma rules the serpent energy and the raising of this energy. Venus rules the mula chakra and the other chakra's. The Venus power is about bringing the serpent up thought the chakra's.

Venus rules the element of air, which is the breath of life and spirit which element is sound and the blue light of creation. Which is ruled by Mercury on a level but Venus on the highest level. The perfected body is related to this element in the Far East, air. The symbol of air, prana is the serpent of Sanat Kumara, Satan. Spirit, Vayu also rules all the five elements.

Venus rules the Kunda which means water pond but is the name of the root chakra and tail bone and serpent energy. The water of life. Which is the serpent energy, and flowing prana. The sushumna is called the Kunda Kula, the Kunda path. The name Kunda...lini comes from this. This is Kundry in the grail mythos.

Shamballa is shown esoterically as the eight petal city with Sanat Kumara sitting on the throne of the world in the center of His palace. In Sri Lanka the

entrance to the Temple of Sanat Kumara as Skanada has a golden throne outside to show His kingship of the world. The grail castle in the Western mythos of the Templars has Sanat Kumara sitting in the center of an eight sided grail castle wearing a peacock crown. Just like in Tibet the same being is shown with a peacock crown.

The Grail is openly of Venus, the Venus stone or cup in the Grail mythos. The emerald and diamond are the symbols of Venus the ancient name of Osiris was Al-Khadir this is also a name of the Yezidhi God, Satan. In Sri Lanka the Temple sacred to Sanat Kumara is called Khadirgama "The Place of Khadir". In the story of Khadir He rules the waters of life, the kundalini and drinks of them and becomes immortal. Al-Khadir means "The Green man". The color of emerald. The emerald rules the transmuted stone, the stone is the element of earth and by the serpent fire its transmuted in a pure light crystal of the emerald or diamond. The meaning of the Grail which means Gro-al, the inscribed stone. The Templars have the images of the Green Man in the eight pointed star in their buildings.

The popular shape of the western grail is the mount meru column in the east. The palace of Sanat Kumara in Shamballa in the Kala Chakra, His teachings of ascension. Show the base of the palace is the yantra of the root chakra and upward steps as the levels of the mount meru column in other images the meru column is openly shown as the hexagram symbol the star of Venus. In India the Yogi's who worship Sanat Kumara directly, practices are based on awakening the serpent at the root and moving it up the spine.

The exoteric world Sanat Kumara, Satan is the ruler of is this physical planet. The Esoteric world He is ruler of is the soul. His kingdom is the spine which is the cosmic axis and the serpentine life force that flows through it. His symbol of the grail is the unified soul. Its a six pointed star symbol. Which is the star of Venus in the east and the symbol on His yantra in Southern India. His other symbol is the peacock standing atop the mount meru column. This is also the flute Krishna carries it has the peacock on the top. The spine with the serpent energy the prana moving through it. Krishna-Visnu as mentioned is the India Venus. Visnu is pronounced Vesnu, this is arranged to Venus in the west. Venus was shown as the androgynous being many times and was the origin of the Baphomet of the Templars. The main Templar symbol is the eight pointed star of Venus. And their practices are still found in Hindu Tantra. The awaking of the serpent energy and moving it up the spine. The eight pointed star is the entire soul all 13 major chakra's. 13 and 8 are both Venus numbers.

The esoteric meaning of the world is the Temple. It represents the entire soul including the physical body which is the animation of the soul's more dense manifestation. The teachings of Sanat are how to make the body and soul one. By purifying the earth element with serpent fire. Hence He is the God of fire as well. As Skanda, He descends to earth and makes war on and exterminates the Asura's from the earth who represent the dross to be burned out. The process of Yoga is purifying all the elements back to their core essence of spirit which is ruled by Venus. By the practices of Siddha Marga, the kundalini Yoga. Kundalini is the symbol of Venus, Sanat Kumara. Satan.

This is why the enemy extra terrestrials, the Reptilians who attacked this planet in a cosmic war across the solar system around ten thousand years ago which caused the devastation of this planet and the end of the golden age. And their Reptilian hybrid race the Jews, the alien Jews themselves are the only race on earth that has an actual Reptilian gene the Cohen gene and a Reptilian appearance and behaviour. Have been working to remove this knowledge from humanity and rewrite history in a false narrative to turn this planet into a plantation state where humanity is reduced to micro chipped cattle.

The eastern texts make constant mention that Sanat Kumara appears to and works with different Yogi's directly in His etheric form and gives them instructions. As Satan, Sanat states He does in the Al-Jiwah. The famous Yogi, Bogarnath stated He received direct instruction from Sanat in this etheric form and finished the Magnum Opus and ascended with Sanat's instruction. From here He established a school of Yoga to teach others. What is left of the known teachings of this Yoga, its kundalini Yoga. There are many records of Yogi's doing such with direct help from Sanat. The ancient Greeks stated that Zeus which is Sanat sends Daemons to help those on the spiritual path. Daemon later became Demon in spelling. These are the Gods appearing in their astral bodies to help the dedicated ones. Which is why all dedicated members in the JoS receive a Guardian Daemon. This is nothing new.

These are people who have spiritual practices which allow them to be on the spiritual level were they can communicate with the etheric form of Sanat Kumara. The Gods have the ability to astrally project and communicate directly face to face with humans who have the spiritual, psychic centers open enough for this. Which is how the JoS has been established and directed in our time.

The enemy needs to remove this knowledge to close humanity off from Satan and the Gods so we can no longer communicate with them. Because this would be the end of the enemies program. So they remove this knowledge and then scare everyone with lies about Satan, Sanat and about the "occult" to keep people powerless and deceived. And when the lack of spiritual knowledge has taken its toll, they then push Marxist Materialism. Which allows the enemy to push their own agenda to exterminate and enslave humanity into a global factory farm run by Jews. Who use occult power in their kabala at the top. And communicate with their Reptilian masters. This is why the enemy though form of Jehova has numerous curses to bind humanity on the soul and keep them from ascending on any level. Bind them and then damn them. The Jews game.

In Germany there was a young patriot who was practicing the spiritual knowledge he was able to find in spiritual publications and books from the Hindu east. And opened up his spiritual abilities to where he could communicate with Sanat, Satan directly as the spiritual society he was a member in showed him how as they were in contact thought their spiritually opened people. That group created the National Socialist Party and that man became the German Leader of a new society that's purpose was the divine mission of restabilising the Sanat-ana Dharma to the world and defeating the power of the enemy trying to enslave humanity under Marxism. Today that man is lied about as much as Sanat, Satan by the same enemy for the same reason.

That is just what happened the last time with a handful of people. What does the future hold....

Our planet will be ruled again in a new golden age from the peacock throne of Satan Kumara. Lord of the World.

Subject: Jews Don't Hate Jesus... They LOVE Him

[Jews Don't Hate Jesus... They LOVE Him. : JoyofSatan666](#)

**Jews Don't Hate Jesus... They LOVE Him. :
JoyofSatan666**

The relation of Jews and Jesus is one of love and hate. First love, though. It's that kind of disappointment you have from your first lover for not being a million times more amazing. You liked them really much though and always honor them. But they're with someone else now because they kind of sucked anyway. That's the relation of Jews with Jesus.

First of all you can see, the admitted fault of the Jesus, in his ficticiousness, was nothing else, but that he failed to enslave the whole planet under the rule of the jews. This is the prophecy "Rabbi Yeshua" or "Yeshu" failed to fulfill. HE simply didn't destroy all the Goyim of the world, enslaved all the nations, and gave the jews all the complete power they wanted.

For this reason, the jews were angry at him. They wanted him to take over the world, and they don't believe any such person would exist, for if they did, he would have gave them the world to rule with a rod of iron.

In internal Kabbalistic Tradition, the jews believe that this "Soul" of Rabbi Yeshua, will actually reincarnate and become the full and actualized "Messiah" of the jews, one day. The old version of Jesus is hated and rebuked as the lower aspect of this entity, the old skin of the same jewish ugly, retarded jew.

Jews don't have low standards for their leaders. So they excreted this Jesus out of their culture into the culture of their stupid Goyim. Eventually enslaving them into a mass of idiots. Jesus the rabbinical hoax, has served the rabbis well, nonetheless. It's well known the Israelis start many campaigns for Jesus over the years, and promote this incessantly over the centuries.

It's just they don't want the same excrement for their OWN people. They are the people of the "Wisdom" and the people of the "Book". They aren't Goyim retards. Therefore Jesus was appropriately excreted in the culture of their slaves and disavowed in the beliefs of the masters, the Jews. Christianity served them better than anything ever could.

Arguably it did them even more good than Judaism itself, for Christianity was the very thing that kept them alive throughout the centuries. Rabbi Yeshu carried a good operation on that one...

It has enslaved nations, rebuked the local and racial Gods, destroyed all spirituality, and got the "Goyim" to do acts that the Jews would never have achieved.

In that the Jesus is someone they love. Without this hoax, they would never make it there. To explain you the matter, the Jews hardly ever mention the name of Satan or Lilith or the Ancient Gods. They avoid it, especially the wise ones.

They wouldn't be the ones to go and kill the Pagans and burn their temples; for they would be killed on the spot. Therefore, they used the mental parasite of Jesus to get the people to do this unto themselves- and ultimately pay the price of such despicable acts.

Lastly, it's the Gentiles and their own souls and races that would pay the punishment for going against their own Gods, directly or indirectly. The fact that they neglected this fact doesn't take away the reality of their atrocities and acts against the Gods.

The enemy Jews are very careful to not even say or pronounce the name of Satan (Especially the higher up Kabbalists), for they know this attracts attention and it can destroy them, or tie them into hostile energies that can ruin them. Unlike the wise ones, the Goyim, who are a sack of sand the Jews drop anywhere they want, they openly blaspheme their own Gods, inviting disaster upon themselves.

All the evil statements about Satan and the Pagan Gods are from Jews. The Pagan Gods after all, are all about protecting Gentiles. Beings like the Jews is what they protect them from. All negative things mentioned about these Gods are from Jews, because well, they fought with the Jews and still do so that they will not dominate us like cattle slaves.

Unlike the Goyim, the Jews have not the slightest question about the existence of Satan, who Satan is for Humanity, and who the rest of the Gods are to us all. They know the truth entirely, same as what they have done, and what they have caused to this world. They have a purposeful agenda of misinforming the planet about it and turning everyone against everyone.

I've studied enough by now, to know the Jews better than many Rabbis know the Jews themselves. Not only they do not hate Jesus, but they realize the importance of keeping themselves as "Christ Killers". This is highly demoralizing to the Christian Goyim, who have a Jewish Rabbi as their God, and always

make amends, excuses and cuck for the jews for it. See the meme? The jews killed your God, they rule your culture etc.

Christian resistance against the jews can never exist. They control people completely by the Kabbalah. One evil goy who pretends to be "Christos Strongman", gets one curse, and they die like the stupid filth they are in around a week. Nothing could achieve such loweness, but Rabbi Jesus and belief in "This thing".

There are also millions of jews who are avid lovers of jesus. Their offspring, you will find bible trumping, in churches, and in everything christian, such as christian political unions, writers and so forth. The amount of jews in all this forceful pushing of jesus, is paramount, especially at these times where people wake up to them.

Israel gets billions a year from Christian tourists who go to the "Promised" land, Christian Cucks pay them reparations for never gassing them, Christian USA Goyim do fight their wars for centuries, retarded Christians consume their worthless products, shill for their agenda, play their politicians, have no awareness over their racial existence, and they have always mobilized the retarded Christian Slave Mass against the rulers, from Roman Empire to nowadays with mass recruitment of Black people in xian megachurches in Africa and so forth.

It's the Christians that raised their own hands to kill their kinsfolk in the name of jewish 'gods', its them pushing their bible in the whole planet, it's the same Christians who attacked their own Gods through their psychic energy: all this was accomplished by the hoax of Rabbi Yeshua.

Christian is also a code word for : Goy of White descent. Therefore they use hate against "Christians" in their writings, because this is a code word- if they did not, their whole false opposition game would have by now collapsed, leaving the jews naked and defenseless in the public eyes, and they would be slaughtered.

Jesus is the shield of the jew: he ensures that the gentiles will never revolt, but only cry to a rabbi and pray to the racial comrade of the jew. The jew they pray to isn't going to nail a finger on the jews. They are of the same race, this thoughform belongs to them, and lastly, this is a well known hoax ripped from spiritual Pagan concepts.

Remember that Russia had plans to ban VPNs... yeah... the Bill was submitted...

Bill to Ban VPNs & Unmask Operators Submitted to Russia's Parliament

Russia is making good on its threat to crack down on VPN and proxy services that provide access to blocked sites. A new law submitted to the Russian Parliament would ban these services and compel their hosts to hand over operators' personal details. Should block bypassing continue, access to the service will be blocked.

https://torrentfreak.com/bill-to-ban-vpns-unmask-operators-submitted-to-russias-parliament-170609/?utm_source=feedburner&utm_medium=email

Another dangerous development is that the EU Courts start to give power to "Torrent Fighting Companies" and ISPs are ordered to provide information on users.

This means that a COMPANY can go to your ISP and ask "where is this guy/gal going on the internet" and "what kind of traffic does he/she have".

Imagine this! The jew knows where you live (your PC) and he asks the janitor in your building (your ISP) to go into your apartment and see what you are doing. THIS ACTIVITY IS PERFECTLY LEGAL!!!

Read the recent article...

[Usenet Provider is Obligated to Identify Pirates, Court Rules](#)

Usenet provider Eweka has lost another court battle with Dutch anti-piracy group BREIN. The service provider must identify a former user of the service. If the court, the provider is obliged to do the same in future cases, without a court order.

KEEP FIGHTING COMRADES.

Greetings Comrades,

We are standing strong and we keep fighting, but the enemy has been established for years and now tries to take advantage of this. We must be vigilant.

The public reasoning the enemy uses is "piracy" but at the same time it sets up the legislation in order to control the internet. This is a difficult task. We must use the "problem-reaction-solution" tactic, but it also requires sufficient technical knowledge about how the internet works.

Our last bastion in our privacy are the ISPs (internet service providers) that keep our data private. For example it's the ISPs that know that Bardonik is a secret blog, then he browsed some candles on amazon etc.

President Trump Signs Internet Privacy Repeal Into Law

<https://torrentfreak.com/president-trump-signs-internet-privacy-repeal-into-law-170404/>

President Trump has signed a bill which repeals Internet privacy rules passed last year by the Federal Communications Commission. In order to generate targeted advertising. Predictably, many users are considering counter-measures.

So the enemy focuses a lot on ISPs and battling them in order to establish "rules". For example they use criminal cases in order to access ISP data that can be exploited freely.

People are conscious about their data and some use VPNs (Virtual Private Networks). For those that don't know, it's a kind of cryptography, that hides your data from your ISP, but the ISP cannot read it. Meaning even if the Jew controlled government gets permission to see your ISP data, they wouldn't be able to read it.

Another way to bypass getting tracked is by using proxies. A proxy is like throwing a "smoke-bomb" while you move through the internet. Instead of directly connecting to Yahoo groups, you first connect to the proxy server, then the proxy server connects to the Yahoo groups. So you are hidden from you. If they want to track you further and ask the proxy server, "where did this request originate?", the proxy server will not respond (thus blocking them).

The Tor network kind of works like the proxy system, but with VPN encryption (for the knowledgeable, I'm oversimplifying the whole idea).

So guess what the Jews are doing next...

Russia Plans To Ban VPNs & Proxies That Unblock Blocked Sites

https://torrentfreak.com/russia-plans-to-ban-vpns-proxies-that-unblock-blocked-sites-170420

The Russian government is preparing to scale-up its war on blocked sites by hitting services that provide workarounds. A new bill developed to restrict access to blocked domains. If they do not, they themselves will also be blocked. Search engines also face sanctions for linking to banned sites.

They are trying to "test" what happens in a country where the Jews control for years, if they ban VPNs and Proxies. If this succeeds, they will be able to control the internet.

We have to be strong. The wars of today are fought on the internet and on the spiritual levels. We have to become proficient at both. For the future, we need to know how the internet works and what are the pillars. We have to be knowledgeable in order to fight on both levels and be able to bring the change.

We have to keep doing the RTRs. More people in the IT industry and Educators are taking notice of the legislation of the internet.

Use discretion if you read it, as it whines a little about persecution of Xians, the Nanking hoax, and the Nazis. The author might be a Jew (not sure), but it does contain good information. It is a very interesting, and sad article. Two things which I noticed:

-The persecution of Falun Gong practitioners.

-The fact that the prisoners work specifically 15 hours per day (1+5=6)

This is what we must fight. Hail Satan!

Subject: Spiritual Satanism: The Definition

[Spiritual Satanism: The Definition](#)

Those who come to Satanism and expect to find terror fables, lies, spooks, ghouls and kosher culture, will be disappointed.

Satan has given His representation in our hands and away from the hands of the jews. Who did nothing else for two thousand years but blame all perils on him, make him seem like an evil pet (Despite all evidence), and subvert "The Adversary" of the jews in any way possible.

Satan for once had the opportunity to speak for Himself, more or less, and make his thesis known. He blessed the Joy of Satan for this very particular reason and objective. As thus, we did our research and presented it to the world, something which seemed to attract, and keeps attracting all the more everyday, giant interest.

Satan tried to speak to Humanity through all ages, in different forms. Even from the position the jews put him, he still channeled his messages of freedom,

rebellion towards rotten order, scientific study, occult, spirituality, artistry, love for existence, life and nature, and every other beauty to us.

Him and the Pagan Gods were 'banished' but their influence never really ceased: Even their enemies masked this, attempted with failure to remove this, and attempted to color it with their own colors, but could never get rid of it. Satan always was on top of them: The memory of Satan is everywhere, and in everything. They just hid this fact from the masses, and invented new Jewish idols in a vain attempt to replace the Eternal Gods.

For without them, there is nothing beautiful, and important for humanity. Satan can never be banished or destroyed; Satan can only be defamed, and as the enemy hoped -hidden- and in that, his enemies have done all they could.

Now, Spiritual Satanism is just *THE* Primordial Paganism. We have used this name because this has two essences: Spiritual, which means the need for spiritual advancement and working on the Soul, and Satanism, which means, from the Sanskrit Word "Satya", Truth-ism in an English Abbreviation.

It reflects our conviction in Spirituality, and the belief in Our God, whose name means TRUTH.

Those who seek Jewish occultism that is blasphemous to the Pagan Gods, Jewish mental insanity, and Jewish para-psychological retardation, fake 'spiritual' nonsense, will be highly disappointed in what "Satanism" means anymore. They will find better answers on a Synagogue, or a church instead, for they praise the same exact things as our enemies do.

In short, it's a misfortune they still carry around Satan's Divine Name and savagely defame it: which is what the Jews have done for thousands of years.

We do not believe in "Satanism" before us. This is simple as to why: Except of few respectful servants and people of Satan, many others just did their best to defame, misrepresent, and create Satan into a racketeering business, no different than how Abrahamic religions and Jews have done for thousands of years.

Spiritual Satanism revolves around 10 main points. These are not written laws, but rather, something to sum up what Satanism is.

1. Satanism is about freedom, positivity, creation and empowerment.
2. Satanism is about studying, wisdom and self knowledge and understanding.
3. Spiritual Satanism is about elevating one's self spiritually and becoming spiritually advanced.
4. Satanism is not about slavish worship, but people are allowed to worship as they please in accordance to their nature (except of disrespecting the Gods).
5. Satanism recognizes all the Pagan Gods as real, flesh and blood entities, that are our spiritual and physical forefathers.
6. Satanism is about respecting, knowing and understanding nature and learning/mastering the universe. We follow Nature's laws, while we also try to learn and master them.
7. Satanism is about life and anything that promotes life, and quality life, and is against degeneration and death, and misery.
8. Satanism is elitism, and people have to seek to make themselves better and more elite/advanced versions of themselves. This creates a better world.
9. Satanism is the striving of Truth and NOT falsehood, at all costs: This is why Satan is our Head God, for this quality His Name represents. There is no simple 'evil' in Satanism, but FALSEHOOD, which only then becomes 'evil'.
10. Satanism is the form we have today for representing all the above ETERNAL CONCEPTS. Spiritual Satanism is an ETERNAL understanding. We understand

ourselves as partakers in an ETERNAL, infinite existence.

It's really simple: Spiritual Satanism is ABOUT LIFE, and IMPROVEMENT- it's a system that works Light and Darkness not as 'enemies' and ethical evils, but actually parts of the same creation.

Externalities of that such as the jews, their sick systems, and other things do not concern us anymore, other than DEFENDING ourselves, and wiping out their lies pinned on Satan's back, which are unjustified, pure vehement, and perilous.

All Spiritual Satanists are obligated to find about their roots as people, races, and cultural roots, and understand the eternal concept we coin together under the term "Spiritual Satanism", which is a clearer emanation of the (unfortunately) corrupted presentation of nowadays Sanatana Dharma.

These people have to come together in a worldwide congregation, honoring their past, and our aim is to rebuild the Golden Age of Humanity, where only Truth and Bliss will dwell into the world. This starts from the person, extends to the smaller circle, and then grows until the whole world is engulfed.

Spiritual Satanism is about upholding all the eternal laws of nature, including making positive decisions for one's self, increasing one's spiritual life, becoming better and more advanced, being free and in accordance to one's own nature, and lastly, not engaging in behaviors that ruin this process or the world at large.

Spiritual Satanism is a mastery key system and the only real and Ancient religion of Humanity, which in essence was the same in All Pagans, since forever.

We have proved this, and we keep adding further proof into this unending chain, all the time, both us Clergy and our members. It's an inheritance that can be practiced by all people with permanent and great results, except of Jews.

Why we use the name Satan? Because it means TRUTH, and because our enemies hate, are shrinking of, and are opposed to this Divine Name.

So long everyone tries and advances themselves in that way, one is a Spiritual Satanist.

It's really that simple. Those who just obsess over other drivel are merely missing the point.

Subject: Sacrifice Of Animals Was Forbidden By Pagans

Sacrifice Of Animals Was Forbidden By Pagans

Out of the 613 laws of the Jewish Torah, 130 of them are commandments ordering blood sacrifice of animals. The Torah states all the animals of the earth are put here by the Jewish God to serve the Chosen People of Israel. This includes the Goyim, the non-Jewish peoples who are called an animal on two legs. Note Goyim also means cattle and cattle are one of the forms of animals the Jews are commanded to sacrifice in their Torah. Jews are an alien race and consider themselves the only human's.

A reason the Jews sacrifice the animals that they do in the Torah is revealing because these are animals that are sacred to the Gentile Peoples and Gods. In doing so they state they are killing our Gods by murdering the sacred animals and offering their blood to Yahweh. In the Torah Moses openly refuses to bring sacrifice in Egypt because the Egyptians would punish them with death for killing these animals in sacrifice as these animals are sacred to the Pagans. This shows the ancient Pagan's did not engage in blood sacrifice of animals. The ancient Pagans had laws protecting animals from harm. Its also now known the Pagans didn't sacrifice humans either. They found an ancient cemetery of the Canaanites of whom the Jews claimed they sacrificed their children to their Gods. They did forensic examinations of the remains and found the children had died of natural causes and then been crimated in the Pagan custom. Big surprise the Jews lied and projected their own behaviour onto the Goyim.

The other aspect of this they considering slaughtering the Goyim as a offering to their Jewish God. By killing us they are killing our Gods in the sense we are part of the Gods bloodline.

The fact is what we are told about the ancient culture has been rewritten by our enemies as fake history.

If the ancient Pagan Peoples had strict laws preventing harming or sacrificing animals do you think they were murdering people? Obviously not. Its also known

when our Gods were in the America's they ordered the People to not sacrifice living beings but offer flowers instead. You still note this in Hinduism they put garlands of flowers on the images of the Gods as the offering daily.

Subject: Christ Is A Jewish Conspiracy Against All Mankind

Christ Is A Jewish Conspiracy Against All Mankind

The Torah is a book of Jewish Witchcraft which is designed to manifest its blueprint into the world. Even the Talmud is nothing more than a study of the Torah. The Jews have created the New Testament as a necessary strategic plan to bring this about. As one Jew stated: " It has all the world praying to the God of Israel." Which feeds the Jewish Torah-thought form to bring this down into material reality and as social psychologists know. What a nation of people believe they will work unconsciously to bring about into reality. The Bible ends with the Jews ruling the world. Christianity is a Jewish conspiracy to meme this into existence.

The Torah in the book of Daniel, chapter seven a very important book within a important book that of Daniel. The book of Daniel in Chapter 6:4 holds the entire confession of Jewish faith. Which is why they chose Daniel for this. The Jew Daniel is given the vision of the four beasts of the four Kingdom's that the Jews did not control the great Gentile periods of civilization and life. The fourth is called Edom, this in Judaism is the current age we are in and also relates to the start of Rome which causes the diaspora which causes the Jews to live among Gentile rule as the other three. The age of Edom is the last age before the return of the Jewish Messiah and the creation of the Messianic global Kingdom of the Jews.

Daniel chapter 7:13 is the verse that foretells this and links the Torah and Christian books into one:

"I saw in the visions of the night, and behold with the clouds of the heaven, one like a man was coming, and he came up to the Ancient of Days and was brought before Him."

The Torah states all nations shall serve the Jews when this happens. Because as one Rabbi states: "Because the Jews will be the world Empire." Note they choose 7 and 13. The Jewish God has seven primary names that tie into the Kabala and their God's creation of the world, the new world of the Jews to come with Messiah and the number 13 in Judaism is the letter Mem which relates to 40 the number of the total cycle of completion in the Torah. And Mem the 13th letter in Kabala is called: Messiah. The letter Mem is a code which in the kabala its glyph is drawn containing a Vav and Kav coming to make Mem. This adds to 26 the number of YHVH their god. Kav means crown and rules Keter in Kabala and kingship, the Vav is what brings the energy down into material reality and the Mem relates to the element of spirit. In their kabala this spelling of the letter of Mem as number in Torah is the manifestation of the Jewish kingship

by bringing their thought form down from the astral into the material. Their gematria system of kabala spelling letters as numbers and numbers as letters tells one exactly what this Messiah is. The whole Torah is based on Kabala.

Note this is were the Bible plays into this and why the Jews created the New Testament and Christianity. The Christian's scriptures which no one argues was wrote by Torah Jews..... Point to Daniel 13 as the key to the prediction of the coming of Rabbi Yeshua Bar Yahweh [Jesus]. The final book of the New Testament spell, is designed to openly connect this fully into the Torah conspiracy. Is the book of Revelations. Which is wrote in the exact same language of the book of Daniel and the events of Daniel. Which Theologians all know this. The book of Revelations is foretelling the final end of the age of Edom [which is also related to Rome and ongoing period of today] and the return of the Jewish Messiah in the form of Yeshua [Jesus in Greek] and the book of Revelation ends with the destruction of the Gentiles Nations the end of Edom. And the global Empire of the Jewish race in the form of the 144,000 Jews which represent the 12 tribes of Israel the entire Jewish race ruling as the elite with the Jewish Messiah, Yeshua. Thus ushering in the eternal global Empire of the Jews.

This is also why Daniel seven is wrote in Aramaic as well as Hebrew. Jesus is made to speak Aramaic and his final statements on the cross are put into the bible in Aramaic.... Jesus gives the final seven verses on the cross in Aramaic. Which tie into the seventh book of Daniel. The sixth phrase the all important number that brings their magic down into the material realm. Jesus states: "It is finished". The Jewish spell linking back to Daniel seven.

What Daniel foretells is Gentile slavery to the Jews for eternity.

As Daniel chapter 7:14 states:

"And He {The Jewish God} gave him][The Jewish messiah] glory and a kingdom, and all peoples, nations, and tongues shall serve him; his dominion is an eternal dominion, which will not be removed, and his kingdom is one which will not be destroyed."

Jesus is the conduit for channeling the spiritual, psychic energies of the Gentiles into the Jewish thought form to bring all this into existence. Including the leader the Jews need to bring this all together on earth. The leader who will have the entire Gentile world on their knee's to him licking the Jews feet. This is why Revelations has 22 chapters the number of building the Temple in Kabala their World Empire. Which they tie their Messiah to King David who was the leader of this Empire in the Torah. 22 is also the number of all their letters in their kabala alphabet which is the total names of their god and the Jews chant these as the names of their god. The whole Torah is wrote from the 22 letters. In kabala the five books of the Torah is called the body of their god. The 22 letters.

This is what the New Testament and Christianity is meant to bring about the Global Jewish Dictatorship in which the Goyim shall serve. Of course the Jews need to promise the Goyim something to get them marching to Zion. They promise them fairy tales in the sky to trick them into building their own prison down here on earth for the Jews. The New Testament sets up the needed foundation to bring the Jewish Empire about, spiritually, ideologically and physically.

Subject: Regarding Studies Shows 10% of People Don't Want Jews in Their Count

Regarding Studies shows 10% of people don't want Jews in their Countries

*I'm going to paraphrase this article here taken from a Jewish News Publication as the info it contains is (in my opinion), enlightening (link below):
The Pew Research Centre did a study entitled Religious Belief and National Belonging in Central and Eastern Europe and they found:*

Interestingly, the HEADLINE states: European study shows 10 per cent of people don't want Jews in their countries

And right underneath this the article ACTUALLY says:

More than 10% of central and eastern europeans do NOT want jews as citizens of their countries!

Less than half from the 18 countries surveyed said they would accept jews as family and fewer than three quarters said they would be happy to have them as neighbours!

This is a strange way to word this, as reading between the lines in this article it would appear that what these figures really show is that up to 74% in some countries do NOT want a jew as a citizen in their country. They are saying that up to 49% would not accept a jew into their family. However, this makes no logical sense, since not even wanting them in their country (let alone their family) is higher than this...I get the feeling it could be that the actual percentage of Europeans who would NOT accept a jew as a member of their family could run as high as 90%... Of course, the jew doesn't want THAT known by the Goyim!

The results; that is, how many by percentage do NOT want Jews as citizens by Country:

Armenia: 30%

Lithuania: 77%

Romania:22%

Czech Republic 19%

Poland: 18%

The results for the other country's surveyed which were Greece, Georgia, Ukraine, Russia, Croatia and Hungary were I notice, NOT released. I'm guessing because they are even HIGHER, and the jews don't want that information out there...I'm guessing as high as Lithuania's, who knows? Even higher?

*I LOVE the way they phrased this: more than 10% don't want Jews! Perhaps a more accurate headline would have been: **In 7 European Countries surveyed out of 11, as high as 77% of Europeans in these respective countries DO NOT WANT JEWS as Citizens or Family!** That would have been more honest. But then, we're talking about jews here, so it's all running true to form. Oy Veh! We don't want the Goyim to know just how high the anti-jew sentiment really runs!!! The Goyim are waking up!*

And then when you take into consideration that a top General in the Ukraine (one of the countries where the percentage of them who don't want the jews, wasn't released) calls for the destruction of Jews....HELL YEAH!!! Let the Pogroms begin!

The article goes on to mention a Russian broadcast about the Rothschild family, that spoke to the fact that the Rothschild's are part of a jewish conspiracy to take over the world. The Jew paper refers to this as anti Semitic 'Nazi' propaganda and that the Nazis were the first to start this – oh dear! There's one little crumb of truth! They also said quote: *The segment, which appeared on Channel 1 and was narrated in Russian, 'paints' (inferring this is baseless slander) the famous Jewish banking dynasty as an international cabal!*

This is interesting in light of what the Russian Ambassador Alexander Shein said to Israeli Russian Language Channel 9 TV in Israel on June the 9th 2017: I took the time to transcribe this as I think its significant:

Jew: Let me ask you, quite a painful question regarding Russia's attitude to Hamas and Hezbollah; let me ask you that from our perspective, that Hamas and Hezbollah are terrorists, who are no different. Let me ask you: do you in Russia understand they carry out terror attacks and fire missiles at Israel (Oy Veh!) and let me remind you that we have many Israelis with Russian citizenship....yet Moscow continues to conduct a dialogue with them! When Mr Ambassador answers the Jew is sitting there looking at him like hes a bug under a glass....

Russian: We do not consider...these organizations to be terrorist. True, they are radical organizations, which sometimes adhere to extremist views (and then he said something about politicians but that part was NOT translated). He goes on: Let me explain why we do not and CANNOT designate them as terrorist organizations. Russian Law, the Supreme Court, following an appeal by the prosecution, defines as terrorist organizations when they intentionally conduct acts of terror in Russian Territory or against Russian interests abroad, installations, embassies, offices or citizens. You equate ISIS with Hamas and Hezbollah but we think this is wrong. (In other words, You fucking Jews can fight your own battles)

Jew: I do equate them, because when rockets were fired at Tel Avive a few years ago, and people were forced to run for shelter, it was indiscriminate fire, it did not distinguish between Russian, Israeli or other passports. They all faced the same rocket fire. So what is rocket fire if not an act of terror or of war?

My note: he neglects to mention that according to their own emigration laws the ONLY people who can be an Israeli citizen is a JEW! I HIGHLY doubt a lot of foreigners would have Israel at the top of their to go places in the world bucket list....so this is nonsense about how other nationalities would have been affected. This is the jews problem, brought on by their own aggressions and Genocide directed at Palestinians (not to mention the rest of the Goyim Races like the genocide currently ongoing in Europe), and nobody else's.

He neglects to mention that Pissrael is using armoured bulldozers to indiscriminately bulldoze Palestinian houses, isn't THAT an 'act of terrorism??' Not just houses mind you, but people who try to stop this, as one young idealistic American girl found out the hard way:

*"**Rachel Aliene Corrie** (April 10, 1979 – March 16, 2003) from Olympia, Washington. She was an American activist and diarist.^{[1][2]} She was a member of a pro-Palestinian group called the [International Solidarity Movement \(ISM\)](#).^[3] She was killed by an [Israel Defense Forces \(IDF\) armored bulldozer](#) in a combat zone in [Rafah](#), in the southern part of the [Gaza Strip](#), during the height of the [second Palestinian intifada](#)", which means the second Palestinian uprising against Israel. The death toll was 3000 Palestinians. The jews lost only 1000. Too bad. But, considering the Palestinians could only fight with guns, the odd rocket and suicide bombings against TANKS, Armoured Bulldozers the size of two story houses and AIRSHIPS dropping BOMBS and strafing them from the air, I'd say they did pretty good. And this filthy JEW wants to whine about acts of terrorism and indiscriminate attacks!!!*

Russian: Of course we condemn such fire.

Jew: Thats all you can say?!? There are good terrorists and bad terrorists?!?

Russian: No, we do not consider them to be terrorists at all.

My note: I have the feeling that Hamas is actually Palestinians fighting for their lives from Israeli oppression, and its likely the same with Hezbollah. But, I DO know that ISIS was created, is funded and armed by America, via proxy by Israel. So....they are HARDLY the same thing, and the Russian Ambassador knows it....probably the fucking JEW interviewing him knows it as well...I really enjoyed how stoic that Ambassador was, the Jew couldn't get a rise out of him.

Media watchdog MEMRI or Middle East Media Research Institute “criticized the broadcast for its lack of explicit reference to the Nazi Party as unusual in public broadcasts on Russian Media....”

What this tells me is that they are then pro-Israel....or at least some of the higher ups are....jew infiltration.

And lastly the article says:

“It also showed an antisemitic cartoon depicting a female pig marked with a Star of David and the word “Rothschild” feeding six piglets.

The cartoon, with the piglets individually labelled to represent MI6, ISIS, Al-Qaeda, CIA, Israel, and Boko Haram, is referred to as a “typical modern caricature”.

I would venture to say they forgot one really big piglet: Mossad, along with piglets Aman and Shin Bet.

Everyone, keep up the RTR's!

Regarding Studies shows 10% of people don't want Jews in their Countries

I'm going to paraphrase this article here taken from a Jewish News Publication as the info it contains is (in my opinion), enlightening (link below): The Pew Research Centre did a study entitled Religious Belief and National Belonging in Central and Eastern Europe and they found:

Interestingly, the HEADLINE states: European study shows 10 per cent of people don't want Jews in their countries

And right underneath this the article ACTUALLY says:

More than 10% of central and eastern europeans do NOT want jews as citizens of their countries!

Less than half from the 18 countries surveyed said they would accept jews as family and fewer than three quarters said they would be happy to have them as neighbours!

This is a strange way to word this, as reading between the lines in this article it would appear that what these figures really show is that up to 74% in some countries do NOT want a jew as a citizen in their country. They are saying that up to 49% would not accept a jew into their family. However, this makes no logical sense, since not even wanting them in their country (let alone their family) is higher than this...I get the feeling it could be that the actual percentage of Europeans who would NOT accept a jew as a member of their family could run as high as 90%... Of course, the jew doesn't want THAT known by the Goyim!

The results; that is, how many by percentage do NOT want Jews as citizens by Country:

Armenia: 30%

Lithuania: 77%

Romania:22%

Czech Republic 19%

Poland: 18%

The results for the other country's surveyed which were Greece, Georgia, Ukraine, Russia, Croatia and Hungary were I notice, NOT released. I'm guessing because they are even HIGHER, and the jews don't want that information out there...I'm guessing as high as Lithuania's, who knows? Even higher?

This is the conclusion of the EU Court of Justice in what has proven to be a landmark case. According to the Court, The Pirate Bay and similar sites commit an "act of communication" by helping their users to share infringing content.

Russia is making good on its threat to crack down on VPN and proxy services that provide access to blocked sites.

A new law submitted to the State Duma will see the country's telecoms watchdog identify such services and compel their hosts to hand over operators' personal details. Should block bypassing continue, access to the service will be terminated by the country's ISPs.

Another dangerous development is that the EU Courts start to give power to "Torrent Fighting Companies" and ISPs are ordered to provide data to identify pirates WITHOUT COURT ORDER for the future.

This means that a COMPANY can go to your ISP and ask "where is this guy/gal going on the internet" and "what kind of traffic does he/she generates" and WITHOUT COURT ORDER they could get this data.

Imagine this! The jew knows where you live (your PC) and he asks the janitor in your building (your ISP) to go into your apartment and search your stuff because the jew is suspicious of you and NO COURT ORDER IS NEEDED. THIS ACTIVITY IS PERFECTLY LEGAL!!!

KEEP FIGHTING COMRADES.

THE ENEMY IS TRYING TO LIMIT OUR FREEDOMS

THE ENEMY IS TRYING TO CENSOR THE INTERNET

Greetings Comrades,

We are standing strong and we keep fighting, but the enemy has been established for years and now tries to take advantage of this. We must keep going strong and vigilant in our fight for the planet earth.

The public reasoning the enemy uses is "piracy" but at the same time it sets up the legislation in order to control the internet. This is a difficult subject because it not only requires knowledge of how the enemy works and how they use the "problem-reaction-solution" tactic, but it also requires sufficient technical knowledge about how the internet works.

Our last bastion in our privacy are the ISPs (internet service providers) that keep our data private. For example it's the ISPs that know that Bob, first visited his facebook page, then a porn site, then his bank account, then his secret blog, then he browsed some candles on amazon etc.

President Trump Signs Internet Privacy Repeal Into Law

<https://torrentfreak.com/president-trump-signs-internet-privacy-repeal-into-law-170404/>

President Trump has signed a bill which repeals Internet privacy rules passed last year by the Federal Communications Commission. Internet service providers are now free to spy on their customers' browsing activities in order to generate targeted advertising. Predictably, many users are considering counter-measures.

So the enemy focuses a lot on ISPs and battling them in order to establish "rules". For example they use criminal cases in order to access ISP data. Then they will establish typical procedures like the DMCA in most search engines, that can be exploited freely.

People are conscious about their data and some use VPNs (Virtual Private Networks). For those that don't know, it's a kind cryptography, that encrypts your data from your ISP. That means that your internet traffic passes through your ISP, but the ISP cannot read it. Meaning even if the jew controlled government gets permission to see your ISP data, they wouldn't be able to use it.

Another way to bypass getting tracked is by using proxies. A proxy is a like throwing a "smoke-bomb" while you move through the internet. If I access a site like the yahoo groups. The yahoo groups can track me, and see my IP Address (and in some countries that use Static IP Addresses this means they can track your personal information). So in order to avoid this, you use an (anonymous) proxy server. These proxy servers are middle points. So instead of directly connecting to yahoo groups, you first connect to the proxy server, then the proxy server connects to the yahoo groups. So if the yahoo groups site wants to track the visitor, they will only see the proxy and not you. If they want to track you further and ask the proxy server, "where did this request originate?", the proxy server will not respond (thus being anonymous proxy).

The Tor network kind of works like the proxy system, but with VPN encryption (for the knowledgeable, I'm oversimplifying the whole idea).

So guess what the jews are doing next...

Russia Plans To Ban VPNs & Proxies That Unblock Blocked Sites

<https://torrentfreak.com/russia-plans-to-ban-vpns-proxies-that-unblock-blocked-sites-170420>

The Russian government is preparing to scale-up its war on blocked sites by hitting services that provide workarounds. A new bill developed by the government requires VPNs and other anonymizing services to stop providing access to blocked domains. If they do not, they themselves will also be blocked. Search engines also face sanctions for linking to banned sites.

They are trying to "test" what happens in a country where the jews control for years, if they ban VPNs and Proxies. If this succeeds, they will implement this in the whole world.

We have to be strong. The wars of today are fought on the internet and on the spiritual levels. We have to become proficient at both. For the younger people and the willing, invest in learning about ethical hacking, understand how the internet works and what are the pillars. We have to be knowledgeable in order to fight on both levels and be able to bring the change.

We have to keep doing the RTRs. More people in the IT industry and Educators are taking notice of the legislation of the internet.

For example...

.....

The RTRs that we are doing and the actions of the enemy are moving the internet to a more decentralized medium. Instead of logging in a site that has a "centralized" server system, now there are technologies that use peer to peer networks (without a centralized server) in order to do the same thing. The technology is even more complicated but they accomplish it with success.

See Bitcoin, the decentralized banking system that takes away the power from the banks!
See Tribler or RetroShare, two decentralized file sharing systems
See MediaGlobin, the decentralized alternative to video sharing etc.

The fight for free speech on the internet is where the war is right now. Don't forget comrades; if they succeed in their "quest against piracy", the next step is censoring the internet. And for the inexperienced, they will make "hate speech" (speaking against minorities, ethnicities etc.) illegal by law. Then they will use their established internet legislation to censor the internet.

That's why we have to fight stronger and harder!!!

Subject: Re: Living Blood Sacrifices...etc

This is in reply to High Priest Hooded Cobra's latest sermon, Ancient Egyptian Human Sacrifice a Jewish Hoax, of which I highly recommend everyone read:
<http://josministries.prophpb.com/post101691.html#p101691>

Everything the Jews are and do, they blame on us Gentiles.

In the King James version of the bible, the word "sacrifice" appears 218 times, and the word "sacrificed" appears 33 times.

The entire book of Leviticus is based upon instructions on how to properly carry out living blood sacrifices.

In opposition to this, the blood thirsty Hebrews (Elijah) challenged Pagan priests to offer a sacrifice to Baal and Ashteroth. These were NOT accepted.

The sacrifice to yaweh was speedily accepted:

1 Kings 18:25

I also want to add more on how the Jews deceive. Their kosher dietary laws strictly prohibit the consumption of blood. IMO, this is a cover to deceive, even many of their own.

What they publicly claim their so called "religion" is and what it really is, are two totally different things. Blood libel has gone on for centuries. Those who are deluded would believe otherwise, given the kosher crap. That kosher crap is a cover. People are led to believe because blood is prohibited and is not kosher, that the blood libel accusations against the Jews are nonsense.

One only needs to look to the Torah, which is the "Old Testament" of Christianity and read a bit. There are 5 books and the entire book of Leviticus is focused on these blood sacrifices, how to do them, etc. Deuteronomy is loaded with this sick and depraved garbage as well. Living blood sacrifice is also repeatedly written about in the other books of the Torah as well and of course, the ultimate climax is the living blood sacrifice, child sacrifice I might add, of the Nazarene. Jesus.

For those who still question the many Talmudic quotes posted here and in other places online, that reveal just how vicious the Jews are towards Gentiles, one only need READ the Old Testament.

The Talmud is a massive collection of volumes of extensive rabbinical writings and commentaries on the Torah (Old Testament). As I already wrote in the above, living blood sacrifice is a biblical theme.

In studying Judaism in depth, I also want to add that in Judaism, "poverty is a sin." Also turning the other cheek is sinful. The biblical story of Jacob wrestling with an angel and given some accounts, "God" and given the name Israel.

"Jacob then demanded a blessing, and the being declared in Genesis 32:28 that, from then on, Jacob would be called Israel, Israel (Yisra`el, meaning "one that struggled with the divine angel" (Josephus), "one who has prevailed with God" (Rashi), "a man seeing God" (Whiston), "he will rule as God" (Strong), or "a prince with God" (Morris), from Hebrew: יָשַׁר, "prevail", "have power as a prince").

<https://en.m.wikipedia.org/wiki/Jacob>

The poverty is a virtue and the turn the other cheek suicidal Nazarene teachings are for Gentiles.

Again, as I wrote before, love being the most powerful of human emotions is used to manipulate victims into accepting this anti-life alien crap. If every cell in your body or any body had that kind of attitude towards harmful bacteria and viruses, just how long do you think you would last?

In closing, Yahoo was bought out by Verizon and another company. What this might mean for our egroups here, we don't know.

Yes, you can do any RTR you want to do, at any time you want to. The RTRs on the schedule are just the most effective at the given time. :)

Yes, sister, they DO need to be exposed and disseminated. What you said about the RTR's, puts me in mind of a recent reply HP HC made to someone on a thread...he was speaking to how many people (those without) are still bedazzled by the Jewish lies and BS, and that more RTR's (I'm thinking he was referring to the ones specifically exposing the jew) need to be applied.

[Reverse Torah Ritual Schedule \[June 17 - June 20\]](#)

Greetings to all our Satanic Comrades and Family.

First of all, we only prolong this for three days and this is how it will go: We will do three days more, and then a New RTR and working will come in place as it's extremely needed. From there on, we will put forth an updated and new schedule.

We will work on something on the Solstice that will be of extreme importance. Therefore, we need to manage out time and so forth, and schedules, to ram and destroy the enemy on the height of our natural celebration in the Summer Solstice. This will be highly glorious and beneficial for all.

Without further due, below is the Schedule of the RTR's we will be doing in from the 17 to the 20th. 4 days total, as we will also do the 20th.

Then, we will have a new and far longer schedule, after we do what is required for the Summer Solstice.

This is to not confuse anyone with overlapping Rituals.

This will prepare a small framework for our 21st Rituals. This is, as stated before, based on the planetary alignments for maximum effectiveness.

Schedule:

17. 72, 42, Communications, Goat RTR
18. 72, 42, Communications, Goat RTR
19. 72, 42, Communications, Ending Confusion
20. 72, 42, Communications, Curse Israel Ritual

Subject: Disrespecting Your Satanic Blessings?

[Disrespecting Your Satanic Blessings?](#)

I noticed a few things that need to be dealt with.

The most angering thing one can do to Satan, is not curse him, because curses don't reach him, but misrepresent him. This really attracts his wrath more than anything else. Notice his enemy of course, went into 99% of misrepresentation, and turning him into a hideous monster and so forth. They knew they couldn't damage him anyway. So they damaged how the world saw him, instead.

Now there is something that needs to be talked about, is that people need to get off some meme's they keep recreating.

Many people do not respect what they have been given. One hundred or two hundred years ago, if you go to your bloodline, you may actually see people didn't know how to write, spell their name, or other things. Even if they were some sort of royalty, they didn't know how to clean their aura, or chakras, and if they had spiritual knowledge they were of the VERY lucky ones, the 0.1% of the planet.

This is not a joke. Satan decided in the Age of Aquarius to help humanity get back on it's feet. Many people have lost understanding of the past due to never understanding history. This is in the larger spectrum of living in a world where nothing except of the shekel has value. This makes people retarded and (((greedy))).

People didn't know how to write, in many places, let alone how to clean their aura or work on their chakras. This was higher and top knowledge. For a few thousand years, only the jews knew this, and very few people by oral admission, or random mages. Many people who knew so, rather chose to sacrifice and die, than share this knowledge with the enemy (Such as the Druids).

Now that it's given for free, we have three potential outcomes.

1. People that value this and respectfully advance, without much crap.
2. Drama 21st century queens who assumed automatically they were Gods or the axis of the universe, because they use the means of the Gods.
3. People who don't give a fuck and just discard the information, or are treating it with utmost disrespect.

Depending on which category you fall, you will advance (or not advance) accordingly. The first category is obviously the best and the holiest of all, so to say.

People need also some propaganda lessons.

You're a human being for a reason. Of course through an overflow of manga, anime, or whatever else, childish disrespect, a lot of people have lost contact with reality. In extreme delusional cases, plus with meditation, addictions to delusion such as with drugs and other things, escalate into other venues (which they would escalate anyway with or without meditation as this is a character flaw).

Some people start thinking they are Santa Claus or anything else, that they deserve the planet on their feet. An idea starts to be formed. This is no different than drug addicts, but at least, spiritual advancement doesn't do bad to people. It rectifies.

That's not negative in itself...partially. A five year old that thinks it's Lionel Messi, that's good for them so that they will learn to exercise. By the time they are 12, they will understand though that maybe they are not Lionel Messi. And go into a tantrum from 12 to 15, realizing they aren't to lead Brazil or Argentina in the World Cup or something. So what does remain? 3 years of tantrum wasted.

If they knew the Truth since they were five, now, they would be excellent in a field or something. Rather, nobody stopped these people from going down a route of retardation. So the person spends the age from 15 to 30, compartmentalizing a mistake done earlier. And saying "Fuck you god" at every turn of their life for not changing earlier.

Because guess what, except Satan (whose name is Truth) nobody else is concerned for people to understand any Truth. At all. The world is based on lying and works around lying for centuries now.

The same thing happens spiritually. 90% of people do all talk, and claims. No action, no work, and no advancement is given. I have met over 200 supreme Gods behind PC screens, writing in incoherently too, all these years. Materially, they can't even tie their own shoelaces, even-though they hold the keys to even immortality as a few times has been claimed. As they become saggy and grow, they realize they weren't Lionel Messi or Akhenaton or something. This is a disturbing experience.

When there is urgency and they need real spiritual power and help, it's just not there. Why? Because they devoted their time shitting themselves instead of advancing. The fast route to advancement is to advance, not bullshit yourself. This is weakness manifested in the reverse direction of lying to one's self all the time to fill a void, to fill gaps in the soul.

You don't need crap to fill the above. Just work for a greater vision and it will fill you. Advance and you will be powerful without needing false reasons for it.

Knowledge is disrespected and discard by those who are not wise. I notice for example, people throw around to outsiders or people they don't know, about the greys and the reptilians. Of course, making themselves sound completely, flat out retarded. In other words, this is like going in the face of someone and mumbling strange mantras you learn at your initiation. You will be taken as a retard, a cult, a fool, and worse.

Let me put it that way. Between a retard who thinks they are supreme overlord of the cosmos and is worthless, and a simple magician in the woods who is in tune with nature and experience, they can destroy the retard at one go. Let Wiccans and others be in deception. Spiritual Satanism is for Truth.

You're a human, you're practicing the arts of the Gods, you're their children and initiate, you're partaking in a great spiritual war for the liberation of humanity, that most people cack to even think about solving. There is no need for further fuss. You're amazing only at that. Now further amazingness is attained by overcoming obstacles, and by working to advance yourself and in general.

Importance is not built over vain ideas, or even past life memories... It has to be maintained, it has to be furthered, it has to grow again, it has to be kept alive, so to say. Anything that keeps you from advancing is an enemy, even if it's the sweetest deception ever. So long it acts as a cripple to your advancement, it has to be left to wither away.

As for past lives, they will come to you, so to say, without the need of necessary deception. The important thing is to grow. All people when they become reincarnated, they forget (this is done by evil entities mentioned in Judaism, which are angels of the enemy basically) people do FORGET about things. The Jews further this by channeling deception in the world, and spiritual blindness. We are fighting this.

Keep a critical eye about anything. Satanism is about keeping a critical eye. Your first priority is NOT to deceive yourself, but to ADVANCE by applying the knowledge. Make believe stories and crap doesn't make one a God. WORKING TO BECOME ONE IS WHAT MAKES ONE A GOD...

Thinking you are important and entitled will not make you entitled. Advancement and progress will.

Now when one knows the Truth, there is a sense of urgency. We see this world from above, and in more than one way, it is sinking. This sight is extremely consuming, but you need to learn to keep your cool, and remember the Gods also are in control of the situation too. I understand it completely, and everyone of us feel the same. I do, you do, and everyone does. If you do not, you're not really getting what's at stake. This doesn't justify the above.

Lastly, if Satan wanted people to be thinking they were astronauts or "Gods" without being as such, he wouldn't have me here writing this for all of you. We are human, and we are here to fight off the analogous enemy, which is the humanoids of the enemy. In other words, let the Gods do their job, and we do OURS. The 'heavenly' matters are for discussion and because Satan wants people to know a larger image. Not because he wants them to actually waste their time thinking they are princesses.

In other words, knowing something doesn't make you worthy of it. It makes you worthy to be worthy of it, apply it, and give it the necessary respect.

Those who don't do the above, will be delayed from seeing Satan's Powers, promises materialized, and his knowledge. This is sad, as people are delaying themselves.

Treat the knowledge with sanctity, and respect. The Demons too, if you ever wish to know the 'real powers' so to say.

Apply the power of Truth and seek TRUTH first and foremost, for Truth is power, and not power in itself Truth.

Lastly, the most commendable thing that all spiritual people get in, is the alchemical period of Chaos. This period is filled with doubts, delusion, or paranoia (depending on the negativity or instability and issues each person harbors in themselves to begin with). After this period the practitioner raises as if from the

dead, and he is a new person, which is capable of taking destiny in their own hands.

Subject: Satan And Why The Jews Hate Him

Satan And Why The Jews Hate Him

The Swastika is the ancient symbol of Satya the ancient name of Dharma. And as we will find Satya is a spelling of Satan. Its the symbol of Eternal Truth.

The ancient Kabbalistic text the Sepher Ha Bahir, calls Satan..... Sata and also Vasata as His name. The Jews reverse letters and words many times to hide things and cause confusion in their texts such as this.

Sata is a Sanskrit word its the full spelling of Sat, which is the highest name of God. Sat or Sata in Sanskrit the original language:

Sat (Sanskrit:) is a Sanskrit word meaning "the true essence and that "which is unchangeable" of an entity, species or existence.[1] Sat is a common prefix in ancient Indian literature and variously implies that which is good, true, virtuous, being, happening, real, existing, enduring, lasting, essential.[2] In ancient texts, fusion words based on Sat, refer to "Universal Spirit, Universal Principle, Being, Soul of the World, Brahman".[3][4]

"Sat has several meanings or translations:

"unchangeable"

"that which has no distortion"

"that which is beyond distinctions of time, space, and person"

"that which pervades the universe in all its constancy"

"absolute truth"

"reality"

"Supreme Entity"

"Brahman"

"Sat is the root of many Sanskrit words and concepts such as sattva "pure, truthful" and satya "truth". As a prefix, in some context it means true and genuine; for example, sat-sastra means true doctrine, sat-van means one devoted to the true."

Vasata is actually Satava which is another listed spelling of Satva in Sanskrit. Satava, Satva or Sattva is in Yoga the state of spiritual perfection and enlightenment. That comes from finishing the Magnum Opus.

Satvan which in Sanskrit is also Satva as stated also means one devoted to Sat, the Truth. This also means to spiritual enlightenment and the supreme spiritual reality of all existence. Devoted to Satava the highest state of spiritual purity and transformation.

In the Kabbalistic texts the Jews state this Vasata [Satava] is that which turns people aside from Jewish control. And this is why they are against Sata. Which in Sanskrit is also Satan the nasal sound is placed on the end of this word and it means perfection, enlightenment.

This is why Satanama is the highest mantra of Kundalini Yoga. Satanama means Sata is the nama [name] of the highest God who is Truth, Sata.

So right in the ancient Jewish texts we can see why the Jews hate Satan. The Jews admit they are the enemy of Truth, goodness, spiritual enlightenment, spiritual purity the golden age and all mankind. Remember the Torah starts with Yahweh cursing Adam and Eve for working towards spiritual enlightenment and the perfected state. This is the original sin of the Goyim in Judaism. So its not a surprise when their texts reaffirm this. It was Yahweh who cursed Humans to grow old, die and suffer. It was the serpent the symbol of Satan who showed them how to ascend to the light body state and become their own Gods and have eternal life, spiritual power and super conscious and rise above suffering, forever.

It was also the Sumerian texts which stated that Satana [the Chaldean title of EA] is the Father of Gentile Mankind. And the Jews affirm this in their texts they call Gentiles the Seed of Satan. The Yezidi's who state they were created by Satan and are originally from ancient India and the first People of earth, and still worship the same God of the Sumerians under the same name, Satan. State that, Satan showed humanity the science of ascension in the Golden Age. Before the enemy attacked humanity and the earth from out there. The Jews are the enemy occupation force upon this world who as the Jews themselves state they are alien souls, and alien to our Planet. They were sent here to conqueror in their own words this earth and enslave humanity. For their Reptilian creators. This is why Jews are the only race to have Reptilian genetics' with their Cohen gene. The tale of the Garden in Genesis is them attacking this planet and humanity and removing spiritual knowledge to keep humanity under slave control. Yahweh tries to curse the serpent in the Torah. The symbol of spiritual liberation, bliss and super conscious and the symbol of the Gentile religion the Satyam as it was called in the ancient world. Christianity and Islam are proxy forces of the Jews to put the planet under their control. Both tie into the Torah and worship Yahweh and the Jewish agenda.

Enlightenment, Eternal Life and Bliss are your Satanic birth right. All you have to do is claim it. Satan is waiting for you to claim it.

Hail Satan!

Subject: New Reverse Torah Ritual for 20th and Summer Solstice

[New Reverse Torah Ritual for 20th and Summer Solstice](#)

Greetings to all our People and Satanic Comrades.

We are going to add a new RTR. This is an RTR from the New Testament which is in Ancient Greek. We are forced by time to put this up before the Solstice, as unfortunately, the void moons today prohibit us from doing things as we would like. But if we begin today (as we should) this will open the Ritual from today, and therefore we can freely repeat it again in the Solstice.

For those lacking time, you can go straight to the Ritual.

Now what the Jews did to our Gods was a sneaky thing. In the mass unconscious we have (the mass mind of humanity in other words), the Gods have been banished. This has nothing to do with the beings themselves, but our perception and the opening of our mind and soul to them. This coupled with ignorance, attacking our own Gods, and massive physical violence, took its toll over the centuries.

Due to our mass belief, in our "Reality" as a species, we have also accepted that the Gods have been finally 'banished'. While the Jews frivolously practice necromancy, communication with their dead, call their reptilians on the top to receive guidance and so forth, Gentiles hardly can communicate. This is what has saved the Jews. Order has been overthrown in the world simply because we live in a different mini-universe based on Jewish crap, and not on real, natural understanding anymore.

This feat was not achieved by the Jews either. It was achieved by the Gentiles who, due to the enemy lies, have been mentally and spiritually closed to the Gods and our Ancestral faiths so to say. The Jews are not the source of power in anything they do, but they are manipulators and skilled parasites that have

knowledge about magick which they have turned to criminality. If there was a criminal record or penalty for misuse of magick or spiritual abuse, the jews would have, all of them, to be executed infinite times.

While Jews take extra care to not arouse any negative (for them) forces of the Demons or Gods, they of course put naive and retarded Gentiles in the front to commit their crimes for them, against their own Gods, to blaspheme them, and if possible even attack them. One example is how they robbed the tombs in Egypt, which the robbers died for hundreds of years until they finally broke in.

The Gods know who is responsible, but other curses and other pestilences put in place to fall on offenders, actually fell on people doing these deplorable acts, ie the Goyim the jews have put to do these. The jews took the loot off of the dead and called it a day, receiving only part of the damage, if any.

For this reason the Goyim are told to blaspheme the Gods, attack their own, be nonspiritual, and generally be "Christians" which is the doctrine of killing yourself forever. Expendable pawns at best. The wise jews at the top do know better than to blaspheme the Gods.

According to Rabbis, the Pagan Gods are far higher in power than their own thought-forms, and they know it, in the words of some, also MILLIONS of times stronger. But a tight hold in the mass unconscious, massive ignorance, denial of spirituality, and using people as shields in the millions and billions has helped them well. We live in our own little reality (not us here, but humans in general) with these phenomena closed outside. Only jewish influences are allowed to roam freely so to say.

Stupidity comes with a price. This however allowed the jews to walk around in one piece, so to say, and by rallying their slaves against their own Gods, they abused the relationship and love the Gods have for the Gentile people to put them in the front of this heinous crimes. This is nothing basically but taking hostages, and as such limiting the destruction that can fall upon yourself if you are a jewish bolshevik spiritual terrorist.

Lastly, this Ritual will help everyone of us (this will help open the power of the Gods into our own world so to say). From which all of us benefit immensely.

Now that the background, which was necessary, has been explained, we move on.

This Ritual is pretty easy. The only part you need to pay some attention to, is that since this is Reversed Ancient Greek (New Testament is chock filled with very important curses), you will really need to listen to the MP3. I did my best to write this in an understandable way.

Below is the Reverse Torah Ritual [mp3 at the bottom of the text]:

Raising your energies before the Ritual:

<http://dawn666blacksun.angelfire.com/Ra...ergies.htm>

For people extremely short on time, you can do this 3 times, but indeed every turn takes at best 2 minutes (even in the mp3 audio it was slow so to say) and therefore the whole ritual can take around 20 minutes to 15.

Vibrate the words below 10 times: [On pronouncing the words scroll below]

1. UU-SH * EE-THAM-ONO * OHT * EN * NEE-MEE * E-TEE-EES-HAT-OPY * DE-MO-NIA * AT * EE-K * E-EE-REEK * SET-NO-YEL * SARA KH * ATEM * O-EE-D * ATNOK-EEM-OHT-VEE * EE * EE-TH * NASP-ERTS-E-PEE*

2. ATN-OSH-EP * OO-AN-AR-U * EE-OT * KEE * NEE-PART-SHA * S-Ooh * SATANAN * NOT * NOO-RHO-ETH-E * SEE-O-TEE-VA * E-DH * NE-PI-EE

3. EE-SEE-KEE-THA* EE-M * EE-O * SA-MEEH* NETH-OO * IAK * UOR-TH-CH-Y (EE) * YOT * NEEM-AN-EED* NEET * NA-SHAP * IPE * IAK * SCORPION* IAK* OPHEON * ON-APEE * NEE-TAP * YOT * NAE-SEE-OKSH-E * NEET * NEEM-EE * AK-O-THEE-TH * EE-OTHEE

4. SEE-OON- AR-UO * SEE-OHT * NEE * EETP- AR-YEE-Y-NEE * NOM-EEH * ATAM-ON-OH * TA * EE-TOH * E-TH * ETER-ECH ----- E-TEE-SSH-AT-OPEE * NEE-MEE * ATAM-VE-NP * EE-TOH* TA * ETER-ECH* EEM * OT-YOT * NEE * NEE-PL

After you have vibrated the above 10 times, affirm the following 10 times [Satanas-Affirmation-Satanas is one time. Aum is at the beginning and the end, only done 1 and 1 times.]:

AUM-

Vibrate SATANAS:

The jewish influence, control and bindings on Satan and His Demons are completely untied and are now void and nullified.

The jews, their god and their angels have lost any and all spiritual authority over the Demons and Gods of Satan.

Satan and His Demons are restored to the heavens and in full power and authority, now and forever.

THE JEWISH GOD IS OVERTHROWN, DEVOID OF ANY SPIRITUAL AUTHORITY AND COMPLETELY DESTROYED!

Vibrate SATANAS

AUM-

The above is ONE TURN and must be done 10 times for MAXIMUM effectiveness.

Close the Ritual with a big HAIL SATAN!

On pronouncing the words:

Everything is to be vibrated as you see below. THESE DO NOT HAVE TO BE PERFECT! Do not stress this, focus on the Ritual instead. Below is the Mp3 which makes everything easier.

The EE is a high EE sound (slightly prolonged).

The I is a cut EE sound.

The Y is a as in the word YOD.

Some double syllables like NP or PL, the sound is between the two letters. PL (as in Plato), NP is a vibrated N with a vibrated P stuck afterwards.

OO is the U sound.

The U is a tougher OO sound (more strongly pronounced).

TH and DH are as in Thoth, but the DH is a stronger, more powerful sound, almost at the exit of your mouth. TH is softer, more on the back.

SH is a tough SH as in SHAKTI.

You will see some H in the text. You pronounce these as a minor CH sound. As in HAT basically.

Stuck vowels like RTS are RRRR-TTT-SSS, each letter vibrated individually but in rapid succession.

Mp3 for pronouncing the words.

Subject: New Reverse Torah Ritual for 20th and Summer Solstice			

[New Reverse Torah Ritual for 20th and Summer Solstice](#)

Greetings to all our People and Satanic Comrades.

We are going to add a new RTR. This is an RTR from the New Testament which is in Ancient Greek, I wrote it. HPS Maxine knows this and gladly approved this, and additionally, many thanks must go to Azazel, because he helped by giving knowledge which resulted in making this Ritual.

We are forced by time to put this up before the Solstice, as unfortunately, the void moons today prohibit us from doing things as we would like. But if we begin today (as we should) this will open the Ritual from today, and therefore we can freely repeat it again in the Solstice.

For those lacking time, you can go straight to the Ritual.

Now what the Jews did to our Gods was a sneaky thing. This doesn't involve the ET's, but how they are known to us in our little mind world to say. In the mass unconscious we have (the mass mind of humanity in other words), the Gods have been banished. This has nothing to do with the beings themselves, but our perception and the opening of our mind and soul to them. This coupled with ignorance, attacking our own Gods, and massive physical violence, took it's toll over the centuries.

Due to our mass belief, in our "Reality" as a species, we have also accepted that the Gods have been finally 'banished'. While the jews frivolously practice necromancy, communication with their dead, call their reptilians on the top to receive guidance and so forth, Gentiles hardly can communicate. This is what has saved the jews. Order has been overthrown in the world simply because we live in a different mini-universe based on jewish crap, and not on real, natural understanding anymore.

This feat was not achieved by the jews either. It was achieved by the Gentiles who, due to the enemy lies, have been mentally and spiritually closed to the Gods and our Ancestral faiths so to say. The jews are not the source of power in anything they do, but they are manipulators and skilled parasites that have knowledge about magick which they have turned to criminality. If there was a criminal record or penalty for misuse of magick or spiritual abuse, the jews would have, all of them, to be executed infinite times.

While Jews take extra care to not arouse any negative (for them) forces of the Demons or Gods, they of course put naive and retarded Gentiles in the front to commit their crimes for them, against their own Gods, to blaspheme them, and if possible even attack them. One example is how they robbed the tombs in Egypt, which the robbers died for hundreds of years until they finally broke in.

The Gods know who is responsible, but other curses and other pestilences put in place to fall on offenders, actually fell on people doing these deplorable acts, ie the Goyim the jews have put to do these. The jews took the loot off of the dead and called it a day, receiving only part of the damage, if any.

For this reason the Goyim are told to blaspheme the Gods, attack their own, be nonspiritual, and generally be "Christians" which is the doctrine of killing yourself forever. Expendable pawns at best. The wise jews at the top do know better than to blaspheme the Gods.

According to Rabbis, the Pagan Gods are far higher in power than their own thought-forms, and they know it, in the words of some, also MILLIONS of times stronger. But a tight hold in the mass unconscious, massive ignorance, denial of spirituality, and using people as shields in the millions and billions has helped them well. We live in our own little reality (not us here, but humans in general) with these phenomena closed outside. Only jewish influences are allowed to roam freely so to say.

Stupidity comes with a price. This however allowed the jews to walk around in one piece, so to say, and by rallying their slaves against their own Gods, they abused the relationship and love the Gods have for the Gentile people to put them in the front of this heinous crimes. This is nothing basically but taking hostages, and as such limiting the destruction that can fall upon yourself if you are a jewish bolshevik spiritual terrorist.

Lastly, this Ritual will help everyone of us (this will help open the power of the Gods into our own world so to say). From which all of us benefit immensely.

Now that the background, which was necessary, has been explained, we move on.

This Ritual is pretty easy. The only part you need to pay some attention to, is that since this is Reversed Ancient Greek (New Testament is chock filled with very important curses), you will really need to listen to the MP3. I did my best to write this in an understandable way.

Below is the Reverse Torah Ritual [mp3 at the bottom of the text]:

Raising your energies before the Ritual:

Everything is to be vibrated as you see below. THESE DO NOT HAVE TO BE PERFECT! Some of the syllables you may have some issues with, as they are strange sounds. NO PROBLEM AT ALL! Just keep doing the Ritual. Do not stress this, focus on the Ritual instead. Below is the Mp3 which makes everything easier.

The EE is a high EE sound (slightly prolonged).

The I is a cut EE sound.

The Y is a as in the word YOD.

Some double syllables like NP or PL, the sound is between the two letters. PL (as in Plato), NP is a vibrated N with a vibrated P stuck afterwards.

OO is the U sound.

The U is a tougher OO sound (more strongly pronounced).

SH is a tough SH as in SHAKTI.

You will see some H in the text. You pronounce these as a minor CH sound. As in HAT basically.

Stuck vowels like RTS are RRRR-TTT-SSS, each letter vibrated individually but in rapid succession.

Mp3 for pronouncing the words.

The Mic sucked, but it is 100% cohesive.

Subject: Reverse Torah Ritual Schedule [June 21 - July 2st]

[Reverse Torah Ritual Schedule \[June 21 - July 2st\]](#)

Greetings to all our People and Satanic Warriors!

This schedule will be extremely powerful so to say. The Gods and the Planets are really with us. We need to do our best to execute this FORCEFULLY and with FIERCE SHEER WRATH. These are chances we will NOT have for a while...We need to make FULL USE OF THESE!!! It cannot be over-stressed.

I am making this relatively short, so that we can get into the point faster. This is to co-ordinate our efforts for the next 12 days.

In the 21st (Solstice), we need to do the RTR posted, and preferably (this doesn't take time at all really), can reaffirm the Ritual we have done before (This doesn't imply starting anything and causing Void Moon problems).

We can also add the Protection-JoS Ritual for this day and re-affirm it, to make sure our bastion is armed with pikes, so those retarded enough seeking to do anything, will meet their doom for their retarded actions. This can be done in the 21st. The 24th is an important date to do Race Awakening Rituals. We will make full use of this too.

The Solstice is a day of high energy. We can make the enemy cry big tears. For those who want to do EVEN more on this day, I will also put the schedule below, which nevertheless is a normal RTR Schedule as we usually do. This has been aligned to the planets for maximum effectiveness.

The 72 pairs with the Demonic Authority RTR. They do an extremely powerful combo of pain, anguish and will this is pure toxicity to the enemy.

For the next two days after the solstice, we will focus on the Communications as well as the other ones, without a fourth ritual. These are extremely important for what we seek to achieve.

Asterisk days are days of power where our Rituals fly like rockets. Days without an asterisk are for keeping up momentum and restoration. 26,27,28, are for restoration, and then we go hard on the next days.

RTR Schedule:

- 21/Solstice*. 72, Demonic Authority RTR, JoS Protection Ritual. [Pure wreckage I tell you.....]
22. 72, 42, Communications
23. 72, 42, Communications
- 24*. 72, 42, Communications, Awakening People Ritual [Check Link Below]
- 25*. 72, 42, Disarming the Enemy RTR
26. 72, 42, Communications, Curse Israel Ritual
27. 72, 42, Communications, Curse Israel Ritual
28. 72, 42, Communications, Curse Israel Ritual
- 29*. 72, 42, Communications, Restoring Right to Gentile Nations RTR
- 30*. 72, 42, Communications, Restoring Right to Gentile Nations RTR
- 1st of July*. 72, 42, Communications, Restoring Right to Gentile Nations RTR
- 2st of July*. 72, 42, Communications, Restoring Right to Gentile Nations RTR

After vibrating the above paragraph 9 times:

Vibrate V/W--AH--V/W • V/W--AH--V/W • V/W--AH--V/W
[Pronounced V/W--AHH--V/W]

Then, state with conviction 9 times:

All Gentiles are completely free of any and all Jewish control, Jewish laws, and Jewish enforced rulership.

All Gentiles are completely free of any and all Jewish commands, coercion, threats, directions, and demands.

All Gentiles are completely free to govern their own nations without any Jewish interference whatsoever.

The Jews have totally and completely lost all power, domination, interference and authority over Gentiles and their affairs.

After you have stated the above affirmation 9 times, vibrate

V/W--AH--V/W • V/W--AH--V/W • V/W--AH--V/W

once again to close the ritual.

HAIL SATAN FOREVER!!

Greetings to all our People and Satanic Warriors!

This schedule will be extremely powerful so to say. The Gods and the Planets are really with us. We need to do our best to execute this FORCEFULLY and with FIERCE SHEER WRATH. These are chances we will NOT have for a while...We need to make FULL USE OF THESE!!! It cannot be over-stressed.

I am making this relatively short, so that we can get into the point faster. This is to co-ordinate our efforts for the next 12 days.

In the 21st (Solstice), we need to do the RTR posted, and preferably (this doesn't take time at all really), can reaffirm the Ritual we have done before (This doesn't imply starting anything and causing Void Moon problems).

We can also add the Protection-JoS Ritual for this day and re-affirm it, to make sure our bastion is armed with pikes, so those retarded enough seeking to do anything, will meet their doom for their retarded actions. This can be done in the 21st. The 24th is an important date to do Race Awakening Rituals. We will make full use of this too.

The Solstice is a day of high energy. We can make the enemy cry big tears. For those who want to do EVEN more on this day, I will also put the schedule below, which nevertheless is a normal RTR Schedule as we usually do. This has been aligned to the planets for maximum effectiveness.

The 72 pairs with the Demonic Authority RTR. They do an extremely powerful combo of pain, anguish and will this is pure toxicity to the enemy.

For the next two days after the solstice, we will focus on the Communications as well as the other ones, without a fourth ritual. These are extremely important for what we seek to achieve.

Asterisk days are days of power where our Rituals fly like rockets. Days without an asterisk are for keeping up momentum and restoration. 26,27,28, are for restoration, and then we go hard on the next days.

RTR Schedule:

21/Solstice*. 72, Demonic Authority RTR, JoS Protection Ritual. [Pure wreckage I tell you.....]

Thank you for this, HP Hooded Cobra.

The sounds are easy to follow, but some specific parts of the mp3 file sound different from what's in the text.
In that case, should we rely more on the text or on the mp3 file? Which one is certainly accurate?

[Reverse Torah Ritual Schedule \[June 21 - July 2st\]](#)

Greetings to all our People and Satanic Warriors!

This schedule will be extremely powerful so to say. The Gods and the Planets are really with us. We need to do our best to execute this **FORCEFULLY** and with **FIERCE SHEER WRATH**. These are chances we will **NOT** have for a while...We need to make **FULL USE OF THESE!!!** It cannot be over-stressed.

I am making this relatively short, so that we can get into the point faster. This is to co-ordinate our efforts for the next 12 days.

In the 21st (Solstice), we need to do the RTR posted, and preferably (this doesn't take time at all really), can reaffirm the Ritual we have done before (This doesn't imply starting anything and causing Void Moon problems).

We can also add the Protection-JoS Ritual for this day and re-affirm it, to make sure our bastion is armed with pikes, so those retarded enough seeking to do anything, will meet their doom for their retarded actions. This can be done in the 21st. The 24th is an important date to do Race Awakening Rituals. We will make full use of this too.

The Solstice is a day of high energy. We can make the enemy cry big tears. For those who want to do EVEN more on this day, I will also put the schedule below, which nevertheless is a normal RTR Schedule as we usually do. This has been aligned to the planets for maximum effectiveness.

The 72 pairs with the Demonic Authority RTR. They do an extremely powerful combo of pain, anguish and will this is pure toxicity to the enemy.

For the next two days after the solstice, we will focus on the Communications as well as the other ones, without a fourth ritual. These are extremely important for what we seek to achieve.

Asterisk days are days of power where our Rituals fly like rockets. Days without an asterisk are for keeping up momentum and restoration. 26,27,28, are for restoration, and then we go hard on the next days.

Thank you. Maybe I did not express myself well. I was referring to the one Solstice Ritual Master Cobra mentioned as "already posted". The one you gave me is the one Master Cobra included in his e-mail for today's RTRs. I have this one, yes.

Thanks anyway. I am sure there is another Solstice Ritual. We did it like two years ago (or so). I lost it when my pc broke and I had no backup of it. I could not find it in JoS or in the forums.

Anyway, I appreciate your response.

Thanks anyway. I am sure there is another Solstice Ritual. We did it like two years ago (or so). I lost it when my pc broke and I had no backup of it. I could not find it in JoS or in the forums.

Anyway, I appreciate your response.

[Reverse Torah Ritual Schedule \[June 21 - July 2st\]](#)

Greetings to all our People and Satanic Warriors!

This schedule will be extremely powerful so to say. The Gods and the Planets are really with us. We need to do our best to execute this FORCEFULLY and with FIERCE SHEER WRATH. These are chances we will NOT have for a while...We need to make FULL USE OF THESE!!! It cannot be over-stressed.

I am making this relatively short, so that we can get into the point faster. This is to co-ordinate our efforts for the next 12 days.

In the 21st (Solstice), we need to do the RTR posted, and preferably (this doesn't take time at all really), can reaffirm the Ritual we have done before (This doesn't imply starting anything and causing Void Moon problems).

We can also add the Protection-JoS Ritual for this day and re-affirm it, to make sure our bastion is armed with pikes, so those retarded enough seeking to do anything, will meet their doom for their retarded actions. This can be done in the 21st. The 24th is an important date to do Race Awakening Rituals. We will make full use of this too.

The Solstice is a day of high energy. We can make the enemy cry big tears. For those who want to do EVEN more on this day, I will also put the schedule below, which nevertheless is a normal RTR Schedule as we usually do. This has been aligned to the planets for maximum effectiveness.

The 72 pairs with the Demonic Authority RTR. They do an extremely powerful combo of pain, anguish and will this is pure toxicity to the enemy.

For the next two days after the solstice, we will focus on the Communications as well as the other ones, without a fourth ritual. These are extremely important for what we seek to achieve.

Asterisk days are days of power where our Rituals fly like rockets. Days without an asterisk are for keeping up momentum and restoration. 26,27,28, are for restoration, and then we go hard on the next days.

RTR Schedule:

21/Solstice*. 72, Demonic Authority RTR, JoS Protection Ritual. [Pure wreckage I tell you.....]

Subject: Gnosticism Is Satanic

Gnosticism Is Satanic

Gnosis as a term is from the Sanskrit Jana. The term Jana in Sanskrit means Wisdom of the serpent, Jana also means to burn away to purify. The Jana's relate to the serpent moving thought the chakra's going to Nirvana which in the Upanishad's is a term for the crown chakra. And the realm of the sun, the perfected soul. This was later corrupted in Buddhism. The crown is fully opened with the raising of the serpent. Jana Yoga is stated to be based on awaking the chakra's and bringing the kundalini upwards to the crown.

The title: Jana Pandita, which means "Lord of [serpent] Wisdom" is a title of Skanda the Hindu God who's symbol is the Peacock and Serpent and was also called Sanat/Satan Kumara. The Yezidhi's an Gnostic culture that's calendar is seven thousand years old. Worship this God as Satan, the Yezidhi's stated they came from ancient India. This is Satan Kumara.

In the west the Gnostic's were Pagan's and were members of the Pagan Mystery schools. The god of the Gnostic's was the Agathodaemon, the ancient name of Zeus-Dionysus which was shown as a serpent with a crown of seven rays representing the seven chakra's, planets and vowels of creation. In the Greek Gnostic system the highest name of God was IAO which then divided into the seven vowels and onwards into the entire alphabet. IAO stands for the three trine elements of creation which relate to the three aspects of the serpent which form as the trine nadi's the sun, moon and center channel in the spine and all the seven chakra's manifest of this.

IAO is the ancient name of Zeus who is originally shown as the Korios which is from the Sanskrit Kumara. Zeus primordially was shown as colored blue, with a sacred cow, 12 cowherds and a consort named Rodha, the image of Krisna who is the northern India form of Skanda as Danielou shows in his works on the subject. This original form is Dionysus the incarnation of Zeus, who is shown the same with a Peacock and Serpent as His totems. This as the Egyptians and Greeks state is Osiris in Egypt. And the Greeks stated they came from the East, were this is Satan Kumara.

IAO is also found on the Gnostic gems of Abrasax the Pagan sun god. This symbol of Abrasax and the IAO was on the door of the Templar headquarters. The Gnostic's believed in four stages of purification of the soul which relate to the equal arm cross of the Zodiac which the Greek Pagans stated related to the whole soul. The fourth level being gold. When one became metamorphosed into a Olympian. A ascended being.

The Christian bible calls Zeus, Satan. It refers to the city of Pergamos of which was the city of Zeus where His throne was located, His Temple and Altar.

Revelation 2:13

"I know your works, and where you dwell, even where Satan's seat is: and you hold fast my name, and have not denied my faith, even in those days wherein Antipas was my faithful martyr, who was slain among you, where Satan dwells."

The Greeks also stated Zeus sent Daemons to People to work with them in ascension. Daemon is also later spelled Demon its the same meaning. Satan and His Demons. Are the Lords of the Gnostic world. There is nothing Christian about Gnosticism. The Jews use the word Satan because this is the ancient name of the Gentile head God who to them is the adversary to the Jewish plan.

As for the Christian claims to Gnostic teachings. Its all fraud. The Jews had a major population in Alexandria and they created a Jewish rip off of the Hellenic-Egyptian mystery school of Seraphis which was the largest mystery school in the Roman Empire. The Jews created this rip off in the form of the Therapeutae. They openly admitted this as well. The character of Jesus was simply openly stolen off Seraphis [Osiris to the Egyptians and Dionysus to the Greeks] and turned into a Jewish character by fraud. The Greeks used to complain about how the Jews mocked and disrespected the rites of Dionysus and the other Gods in Alexandria. The Jews created this subversive cult to then merge it later into Catholicism when they created the Flavian Dynasty. And the agenda of the Therapeutae from their own documents was to destroy the Gentile cultures and bring about the age of the Jewish messiah. The Torah instructs the Jews to use deception as a form of warfare.

The Christian "Gnostic gospels" people are going on about are just a first wave of cultural subversion of the Jews trying to inject their God in a form of Jesus into the Goyim culture as a form of cultural warfare. The Jews of Alexandria also used to petition the Roman Emperor's to demand the admittance of Jews into all area's of Greek life in the city because they were barred from such in many cases. And also to demand the Greeks not be allowed to have any institutions allowed for their own Greek race. Including demands to send foreigners into the Greek area's. But that the Jews be given special rights to have their own institutions and areas only for Jews. The Jews never change. Its the same today the Jews push for open borders and race mixing for the Goyim but never Israel, Oy veh!

The Jews were trying to destroy the superior Hellenic Gentile culture and Races in the area. The Jews also murdered 100,000 Greeks on their uprising in Cyprus. To which after the Roman Army restored order and wiped all the Jews out in Cyprus, no Jew was allowed on the Island on penalty of death.

Remember Hellenism was the universal culture of the Roman Empire. The Romans also used the Greek Gnostic system for their own and had the same Gods. During the Greek Empire the Greek King Antiochus IV Epiphanes had banned the Jews from reading the Torah in their synagogues under penalty of death. The Greek rulers were adepts and knew the Torah was nothing more then a most evil book of Jewish witchcraft that was based on cursing the Goyim to death and destruction and causing all kinds of evil and calamity. The Romans would ban the reading of the Torah and burn the Torah scrolls for the same reason. The Greek King tried to remove Judaism from existence by assimilation into Hellenism. They realized its danger to the rest of Mankind.

Many Jews just pretended to become Hellenized and used this as an opportunity to subvert the culture from within and make open war on it were it could. Like the Maccabean war. And war by deception in the form of Christianity which was the kiss of death to the Hellenic world and Roman Empire. From the Jewish assassins that created it. Over fifty million people were killed by Christianity just in Europe alone during its centuries reign.

The Jews used Christianity to remove all spiritual knowledge from the Gentiles and overthrow the Gentile cultures and wipe away their civilizations, thus their very memory of themselves into a world where only the god of Israel is supreme. But the Jews kept this spiritual knowledge for themselves and altered this into something toxic to fit their alien soul, in the form of the Kabala which scholars and also Rabbi's have admitted is from the ancient Greek Gnostic schools such as the Pythagoreans. This power has allowed them to become the rulers of this planet. This is why the Jews only rose to power after the enforcing of Christianity onto the world. Not before. These Christian fools today are embracing the poison apple of the ancient Jew to their own native cultures with a fake Gnostic Christ.

What the Jews did the Roman Empire with Christianity they would later do to the Russian and Chinese Empire's in the form of Marxism.

Jewish Rabbi Admits The End Game is WW3

The EU was created by the Elders of Zion, the Warburgs, Baruch's and the Rothschild's. The Rothschild's themselves who claim they are the Kings of the Jews in their own Zionist publications. And in the Times Of Israel, admitted their family was the power behind creating Israel. Which is a Jewish state and does not allow non-Jews to live there. The Rothschild's were exposed in the last French election as the hand behind controlling France as well. When it came out in the leaks the now French leader is a puppet selected by the Rothschild's to keep up the invasion of France. The Jewish Torah tells the Jewish race to exterminate Whites as Whites are the seed line of Satan. They mention the other Gentiles are to be exterminated as well as they have spiritual and genetic connections to Satan as well. The EU project is just the Jews following the Torah.

Lets take a look from the Rothschild's front man who got the EU program going for them, in his very own words in his own book what the Purpose of the EU is....

The Jewish leaders such as the Rothschild's are Cohen Jews, from the Rabbinical leadership class of the Jewish race. Everything they do is from the Jewish Torah, its the Jews spiritual, ideological and physical blueprint to bring about their Messianic age that is promised to them in the Torah. Which is the eternal age of the Jewish World Empire were the Goyim nations will be destroyed in a Apocalypse style global Messianic war and the remaining Goyim made slaves to the Jewish race. Note this Rabbi admits the purpose in the long run of what is going on in the Middle and Europe is to lead to the Third World War. Which will usher in the Messianic age of the Jews and give them global control.

These Jews are following the Torah so this is what they are working towards and why Trump launched the Tomahawk missile attack on Syria, which as the news stated was planned months in advanced, on April 6th, 2017 the one hundred anniversary of America's entrance in the FIRST WORLD WAR.

This Jewish Rabbi admits in this video, the invasion of Europe is following their Jewish blueprint of the Torah and is designed to destroy the White Race and bring about the Third World War:

Keep doing the Reverse Torah Rituals its undoing the Torah which is the Jewish God Form matrix, they are trying to manifest fully into our world. The Reverse Torah Rituals are the water of life for this planet.

For people who are recording their own voices for the pdf articles in library, or those who don't feel like recording their own voice but they wanna help somewhat, or they speak other languagees, this is a tool I found which can be of extreme help:

<http://www.fromtexttospeech.com>

This website turns texts into mp3 files in many different languages. I've tried for my language, Portuguese, and it sounds the most understandable, natural and human-like (free) auto-reader I've tried. The text limit is usually one chapter length (50,000 characters). We can do whole videos, and it will be useful for those who are not into recording their own voice.

How to use it is simple, you copy the text there you want (one chapter/sermon etc.), and make sure the paragraphs aren't broken, and there are no numbers of pages on it, otherwise the site will read and it will sound strange. Then you select the language, voice and speed, and click "Create", then just wait some minutes and download it.

I'm sending by attachment 2 sermons made by this method I've previously sent to clergy, using different settings.

Subject: The original name of the ancient world religion was: Satya.			

The original name of the ancient world religion was: Satya.

"The true Dharma is the Law of Truth-Satya-Dharma.... The Divine Truth, Satyam , as the Vedic Rishis saw... The Rishi's pray for a knowledge of the Law of

Truth-Satya-Dharmaya. It was the Truth-Law which all sages and seers of the Vedic period sought to know and work upon."-Swami Sivananda

The Vedic period was the golden age, called the SAT yuga of humanity.

This holds the meaning right in the world. Satya is also Sataya in Sanskrit. In Sanskrit the YA or YAE means "I have become". Which is attached to the mantra of the deity name such as Ramaya. "I have become Rama".

Sata means eternally pure and auspicious, that which is forever. Sata, means "The Saviour God". And is the name of the highest God in Sanskrit the original language of humanity. Satya means "I have become eternal." The point of the ancient religion was to achieve the ascended state by finishing the transformation of the person to the purified state of the light body by the fires of the kundalini energy the serpent energy which takes a person to the perfected state, Sata. The Jews called Satan, Sata in their ancient Kabala texts such as the Sepher Ha-Bahir.

Satya is also the name of Sat, Sata which the traditional YA on the end to form the classic deity name mantra in Sanskrit.

Sata was also spelled as Satam, Satan in ancient Sanskrit and also means 100. The number of spiritual perfection and enlightenment. This relates to the sound vibration to open up the crown chakra and third eye. The full opening of such allows one to obtain super consciousness where they can know the Satya Dharma. The Truth of existence on a cosmic level.

Sata is the name of the head god in the East, ancient Egypt and Sumeria.

The Jews state in their Torah and Kabala that Sata, Satan is their enemy. The Jews are the enemy of Truth. Which do you choose to be?

Subject: Time - By HP Hooded Cobra 666

[Time](#) - By HP Hooded Cobra 666

Many people don't really respect their time. This is something, especially teenagers and other younger people need to learn to adhere to.

It's been a few months I wanted to make some updates in Azazel's Marketplace, didn't have the time. Wanted to study about some important things, didn't have the time. It's only when we lack time that we understand it's important, and it's easy to get carried away by life. Modern life is a pure chaos, and the more responsibilities one does have, the less time.

One thing I wanted to state just in case people see my videos and they question themselves if these are work, this is not really work. This is my recreation "personal" time that is going in the videos. In other words I receive sardonic laughter everytime the enemy goes nuts and recreation by doing this. It's enjoyable. Even my recreational time involves doing something at least partly useful. This doesn't involve work, errands, spiritual work, material responsibility, then groups, forums, studying, writing, any other work required of me and so forth.

It never ends, but the key is not seeing where it 'ends' because it doesn't. But get your mind adjusted to the idea of eternal forward going instead. You can't eat only once a month, and having to eat more times is not limited or negative, it's just how it is, for example.

Anyone can do this, that is, to spend their time wisely and in a good way for them. One example is how one may have a job that lasts hours and is menial. It doesn't take much to take an earphone and listen to an audio-book if the job is something menial, for example. Or think to your own mind or even meditate. This is nothing too difficult to do. Of course so long this is allowed and you're able to do this.

Any serious Satanist needs to learn to manage their time, and not waste it on pure drivel that is only meant to dilute your energy with nothing accomplished for yourself, your spirituality or the world. If it doesn't make you grow, it more than likely makes you shrink, or at least doesn't grow you. This is how you should judge the good habits from the negative ones.

People who have time and just waste it, neglect it at a later point in their existence, because they could have advanced, they could have studied, or anything else. The only thing that is important is life is time, and we also don't get money directly, we get time. Rotten as this is, this is a reality.

Time invested correctly can give you more time and benefits in the future, and of course, if you are a devoted spiritual Satanist, it can also put you BEYOND time, which is the meaning of the Magnum Opus. This is the defeat of the grim reaper which is known as time, or the wasting principle in nature. It's not really time that is evil, but the negative aspect in creation that severs things as "Time goes".

We are fighting against decay on a very basic level, and this is the teaching of Satan, to overcome it.

Subject: Reverse Torah Ritual Schedule [July 2nd - July 14th]

[Reverse Torah Ritual Schedule \[July 2nd - July 14th\]](#)

Greetings to all our People and Satanic Warriors!

What can be said about this schedule? This is going to be one very hardcore defeat for the enemy. This will really set things forward so to say.

Our Gods want to give us a lot of things, including far more extensive guidance, power and benefits. However because the mass mind acts as an obstacle, this is not the case. Instead, we live in the spiritual game of the jews. However this will work on seriously changing this. For this reason this Schedule will be 12 days for now, as to not show what will happen after the schedule. A new cycle will begin after these, we go with cycles as you have seen in the schedules. The astrological patterns are also tying into this.

The Demonic Authority must be consolidated and to be made into an immovable mountain. This has to be done by extremely violent spiritual warfare. We have to impose this in the mind, and from there on, Satan and the Gods will do the rest.

Maybe the enemy doesn't really respect the "Goyim" anymore, and they consider them trash, however the Gods that have trashed their own 'chosen' race and driven them in the fire, metaphorically and/or literally, are just laying in wait to exact revenge for whatever has been committed against themselves and also against their people.

In other words, let's just open the door of this silly and closed mind of this cattle that is today called 'humanity' (for lack of better wording) and let the purgatory begin finally...

Lastly, it's to be stated that those who watch the "News" can see that the RTR's are manifesting in many ways. The enemy gets a beating. Also, they control the news, and those in the top can see the fluctuations and changes way better. In other words, our observatory ability is quite limited compared to this of the enemy, who understands the importance of what is being done, and replies equally with spiritual warfare on their own behalf.

They are far more aware of the "Satanic Times" than 'we' are, from this standpoint so to say. For example the headquarters of Google know very well what is the percent of people searching for this or that, in the world. They have an actual and frozen statistical image of where this world is going. The average person doesn't have this. Equally so exist other means of such insight.

Here is something to cap this:

[topic20001.html](#)

Schedule Notes:

1. Because the Demonic Authority RTR takes some time compared to other Rituals, you can reduce the repetitions down to even 3. However, the 10 is the actual number of power. If you can't go for 3, then you have to go to 8. The affirmation must remain on the ten.
2. The 42 is a really important ritual and doesn't take all the time in the world. Even in the days missing, it can be done. It all depends on how you space your time.
3. Do you want to cause massive pain? Don't worry. 72 and Demonic Authority are your friends. One couples the other into a feat of impeccable disaster, not known into the ranks of the enemy for thousands of years.
4. You will see after the second day, you will start to be far better than you have been before. Problematic conditions for the children of the Gods are basically a product of our Gods being closed out of this silly jewtrix. When this is reversed, this is the most positive thing for us and the most damning for the enemy.

The whole game of the enemy was played upon this, to cloud the sun, play pretend and cover it so that the victims don't see it. But when the sun comes close even if you are blind you *WILL* be burned...

5. No auras of protection, nothing can save the jews, no Kabbalah, and no 72 name, if the Gods do break into from the mass mind of humanity. It's the power of the mass mind and the Goyim (The progeny of the Gods) that acts as their only shield against judgement and destruction.

Subject: How to Attain Balance and Advance Fast

[How to Attain Balance and Advance Fast](#)

This is important and I want to be very simplistic in this post to get the point across. The point in Yoga (or meditation at large) is not to give yourself bursts of energy until you remain senseless. Power comes as a result of power, and to successfully advance spiritually, you need to always remain in a sense of balance, or at least know how to maintain it.

Every meditation session must end with a balancing meditation. This can be hatha yoga to ground your energies, or some hatha with some of the things written below. This is why the most important things are balance and persistence.

We can do some meditations that will knock us senseless, when we are spiritually open. This is not really the whole aim. This is not the hard thing either. The challenging thing is to actually tap into this power, incorporate it, and become a balanced conduit for it.

If you feel out of balance, you can control this by doing Hatha Yoga. This must be maintained daily. If there are imbalances that can't be fixed with Alternate Nostil breathing and Yoga, you can also add the chanting of AUM for 5 minutes a day. The sounds must be distinct. You open your mouth, do A, and then slowly close the mouth, automatically producing AUM.

If you have serious imbalances, you need to do SATANAMA for a solid 10 minutes a day. Really relax and melt into it. There is no way that these, if continued for a solid period of time, will leave you without balance. If your case is extremely severe, then use the rune ISA to attain this. ISA will slow down the processes in a necessary fashion for you to maintain control.

Part of being balanced in finding the balance between the material body, the mind, the emotions, and the soul/spirit. Meditation works on the soul and all the bodies. Having a sane mind that is deprogrammed from things that cause you ill, is the healthy mind. The emotions can be healed by meditation in itself, and lastly the material body has it's own balance such as the hormonal.

All these come in unity when you meditate, and all of these are rectified, but a particular part may need particular attention. Your meditation advancement will highlight where the problem is.

When your energies are well aligned, then naturally you will gain control of mind. This will help you advance very quickly. It's balance that will do this, and this is the only thing that will breed a real and lasting sense of power.

Subject: President Nixon, Vice President Agnew, Fought Against Jewish Media M			

President Nixon, Vice President Agnew, Fought Against Jewish Media Monopoly And Jewish Power

Vice President Agnew who fought against the Media Monopoly which made him famous made this speech to the American People in the summer of 1973. After this the Jews swarmed in on Agnew's and forced him to resign from office.

Vice President Agnew

The speech that cost Agnew his career:

Vice President's Agnew's address:

"The people who own and manage national impact media are Jewish and, with other influential Jews, helped create a disastrous U.S. Mideast policy. All you have to do is check the real policy makers and owners and you find a much higher concentration of Jewish people than you're going to find in the population.

By national impact media I am referring to the major news wire services, pollsters, Time and Newsweek magazines, The New York Times, The Washington Post, and the International Herald Tribune. For example, CBS' Mr. Paley's Jewish. Mr. Julian Goodman, who runs NBC, and there's a Leonard Goldenson at ABC. Mrs. Katherine Graham owns The Washington Post and Mr. Sulzberger The New York Times. They are all Jews!

You go down the line in that fashion...not just with ownership but go down to the managing posts and discretionary posts...and you'll find that through their aggressiveness and their inventiveness, they now dominate the news media. Not only in the media, but in academic communities, the financial communities,

in the foundations, in all sorts of highly visible and influential services that involve the public, they now have a tremendous voice.

Our policy in the Middle East in my judgement is disastrous, because it's not even handed. I see no reason why nearly half the foreign aid this nation has to give goes to Israel, except for the influence of its Zionist lobby. I think the power of the media is in the hands of a few people...it's not subject to control for the voters, it's subject only to the whim of the board of directors.' -Vice President Agnew, from Newsweek, Vol.87 1976

President Nixon spoke about this same topic which came public with the Nixon tapes which President Nixon recorded all his conversations in the Oval Office.

From a taped conversation on February 1, 1973 on the subject of Jewish control of the media. Between President Nixon and Reverend Billy Graham were they talk of the Jewish stranglehold on American media:

Graham:

"This [Jewish] stranglehold has got to be broken or the country's going down the drain."

Nixon:

"You believe that?"

Graham:

"Yes sir".

Nixon:

"Oh boy, So do I. I can't ever say that but I believe it."

Nixon mentioned during these conversations he wanted to do something about the Jewish power monopoly over media and political power in America but he wanted to wait for a second term. Nixon had drawn up lists of powerful Jewish elitists in the media, and other key power positions in America for the FBI, CIA and IRS to go after. The Jews found out about Nixon's planned purge of their anti-American cabal and swarmed down on Nixon and made sure his career was ended. Nixon had been close to McCarthy who went after the Jews and their Communist subversion of America. The Jews destroyed McCarthy for the same reason.

Of course when this came out in the media years later Graham cucked down and grovelled like a good Christian before his Jewish masters. He went as far as stating he will crawl to the Jews on his knees and beg forgiveness. That is how much power Jews have they can make the most powerful man in the Free World. The American President terrified of them and their media control and power monopoly and have the most powerful Christian Leader in America crawl

before them on his hands and knees. And ruin the career of a Vice President.

In other words, all this “beginning, the middle and the end” of the universe pseudoscientific and pseudoreligious garbage is nothing but stolen knowledge of spiritual realms of human being. Nothing else.

The right question is a part of the answer. The right question is: why kikes decided to steel spiritual realms of our spine (and not smth else) for their religion? Known data is that any religion somehow has to do with the racial soul of the race to which it belongs. Normally religion is to reflect spiritual realm of the specie / race. This is where all these sacred “trees” come from, such as: The World Tree / The Yule Tree (“the christmas tree”), Igdrasil, Tree of Life, Tree of Knowledge, Tree with "Three Gains" for Slavs, Bodhi Tree of the East, Oak for the Druids and Celts, Holy Tree of Uppsala, and wooden pillar of Irminsul. Peach for Chinese, Sakura for Japanese, and many-many other trees. There is also Sefirot... the sacred tree of jews.

As well as judeo-christianity itself, Sefirot was stolen from Gentile Tree of Life not very long ago...

“We are told that the first image of the Tree to be published for public consumption, was on the "PortaeLucis" (Gates of Light), a Latin translation (1516) of Shaare Orah (Gates of Light) written by Rabbi Joseph Gikatalia (1248-1323) around the year 1290. On the title page, a seated man is shown holding a tree with the ten Sepheroth or spheres.”

The Tree of Life of the later Kabbalists (above right) is taken from Athanasius Kircher's 'Oedipus Aegyptiacus' (1653).

All reproductions of jewish tree of life are united by a few factors:

1. Sefirot has 10 sefiras / spheres. 10 is also a number of jewish god in torah and the number of [quote] “concealings of the Supreme Light so that the creatures could receive this Light”. Light is Power. And 10 is also a number of Power in bible / torah – all according knowledge of Joy of Satan. 10 is also a number of “shells” in the Tree of Qliphoth, the “other side” of Sefirot. Later about it.
2. Sefirot has three pillars instead of four, like our soul has. Pillars of the Gentile soul are mentioned in RA meditation given by Antichrist to High Priestess Maxine Dietrich. They also correspond to four cardinal directions that we activate in our rituals and four elements from which our soul is

made. In Jewish analogue they are always mentioned three. Which corresponds to the differences between Hexahedron and Octahedron, which are 3D and 4D respectively. Meaning Hexahedron has 3 non-parallel lines between edges because 3 non-parallel pairs of edges, while Octahedron has them four.

Note, in rabbinical literature they are called “*emanations, 10 attributes/emanations in Kabbalah, through which Ein Sof (The Infinite) reveals Himself and continuously creates both the physical realm and the chain of higher metaphysical realms (Seder hishtalshelus)*”. Since religion describes racial soul of the one to whom religion belongs... all things in our lives manifest through chakras. If chakras work well, they bring good things in our lives. Solar for example, if it works well, we have wealth, power, health and good self-esteem as a result of all this. If bad, misery, poverty, weak health and lack of self-esteem as a result. Through chakras we create our life. Smth that is along the spine and is *continuously creates both the physical realm and the chain of higher metaphysical realms*, in the case of human being, is definitely chakra system. In the case of Sefirot we, logically, may deal with kike version of chakras.

And it looks like one. For ex, Keter is translated as “Crown”, being the highest sphere. Binah and Chochmah are “wisdom and understanding” being right under Keter. Tiferet is described in Jewish writings as being “fulfilled and overfulfilled with Light”. Light is Power. Tiferet is “fulfilled and overfulfilled with Power” and has number 6 corresponding to Saturn. If we have our all-important Solar chakra under the number of Sun, 666, they have their primal Power emanation under the number of Saturn, 6.

The well-known «Metatron Cube» Jews also stole from Gentile Ancient Egypt and Middle East. And they made it very similar in form to tesseract aka hypercube (see below). Meta Tron is translated from Greek as “Above Matrix”. Smb or smth “above the Matrix”, Over Matrix, Beyond Matrix, Meta Matrix.

Kike version:

Gentile originals:

-

Slav Solar symbol

-

Mosaic floor of a bath in the palace of Herod, I century B.C.

-

A 19-circular symbol with completed arcs inside a larger circle is the Pagan Flower of life, here it is in the Ancient Pagan Temples:

Two symbols, Temple of Osiris in Abydos, Egypt.

Flower of life on the ruins of a Roman temple in Cordoba, Spain

An engraved symbol - Hampi, India (left) An engraved symbol - a Buddhist temple, Ajanta, India (right)

Xians and mudslimes also stole this:

-

Window in the southern apse of the Preveli Monastery (Moni Preveli), Crete.

-

This mosaic is on the floor of House 1 in Turkey, Ephesus, Curetes street (Curetes)

The Flower of Life has two symbolisms speaking about one.

1. First is everlasting youth. All “flowers” in traditional alchemy means youth, everlasting one. This is shown by the traditional suit of wands in Tarot – they all are depicted as sticks with green leaves on them as if they were “resurrected from dead”. This is a traditional allegory for immortality (as well as “resurrection from dead” itself), when our hair turns colored again after being grey. This moment is depicted as dead stick being green again.
2. Second symbolism associated here is Genealogical Tree. And this also reminds us of immortality. Because our genes are of Satan and this is our connection with Satan and his genes of immortality.

Thus this symbol is universal symbol of immortality – from both sides, alchemical (meditational) and genetical.

According to Wikipedia:

The book "Zohar" describes the size of Metatron, as "equal in width to the whole world". In Rabbinical literature, this is how Adam's size was described before his fall. Metatron is the first, and he is the last, of the ten archangels of the Briatic world.

End of the quote

Metatron IS ITSELF the ever expanding Cube in marco- and microcosm. Matrix is Cube, Big Bang and Big Crunch, the beginning and the end, the first adam and the last adam. According jewish literature the Meta Tron has a size of the whole world, it actually is identical to jewish god and takes its functions to itself. Jewish god is the Cube and the Matrix. It is the jewish soul, starving for blood sacrifice (this is why “Metatron” is connected to the myth of human blood sacrifice in bible).

«Big Bang» is nothing but Big Jew, and this is how it looks like (the jewish soul):

Red – Cube

Yellow – one tetrahedron of the jewish merkabah

Blew – other tetrahedron of the jewish merkabah connected to the invisible sphere Daat

Dark grey – Sefirot Tree.

The Jew ITSELF was stolen and corrupted from the Human. So are its religions – hey are stolen corrupted versions of Gentile ones, just devoid of all spirituality, exactly as the soul of the jew is devoid of the fourth dimension that belongs to Gentile soul. So is its sciences: stolen from Gentile conception of the Tree of Life just devoid of all sense and turned into lie.

And here you have whole Big Bang theory laid out in kaballah in full details:

Material of mostly translated Russian Wikipedia, my comments in []:

() — ,
(). []

The tzimtzum or tsimtsum (Hebrew צמצום "contraction / constriction / condensation") is a term used in the Lurianic Kabbalah to explain Isaac Luria's new doctrine that God began the process of creation by "contracting" his Ein Sof (infinite) light in order to allow for a "conceptual space" in which finite and seemingly independent realms could exist. This primordial initial contraction, forming a Khalal/Khalal Hapanui ("vacant space", חלל חפאני) into which new creative light could beam, is denoted by general reference to the tzimtzum. [the Big Crunch]

Tehiru (compare Arabic طاهر, tahir, pure) - in Kabbalah - the primary space of creation that arose after the compression of Ein Sof as a space for created worlds. [Biblical chaos, it's the "scientific" antimatter] Alexander Dugin [attention - the main ideologist of Putin's government !!!] defines tehiru as "the bottom of reality, after the contraction of Absolute"

Shvirat ha-Kelim (Hebrew שבירת הכלים - breaking of vessels) - concept in Kabbalah: the cosmic catastrophe that precedes the emergence of the world. [Big Bang]

[and here is full Pulsating Universe Theory described in full details in kaballah]

"Before all things were created ... the Divine Light was simple, and it filled all being. There was no emptiness ... When His Will decided to create all the universes ... He squeezed this Light from all sides ... leaving free space ... This space was completely round ... After this compression happened ... there was a place in which it was possible to create all that exists ... Then He emitted the thread of the Infinite Light ... and filled them with this emptiness ... It was thanks to this ray that the Infinite Light descended ... "

- Rabbi Yitzhak Luria (1534-1572), known as Ari, who headed the closed school of Kabbalah. "Etz Chaim" ("The Tree of Life")

According to the teachings of Luria, after the Tzimtzum the process of divine emanation was accomplished: God filled the Divine Light with vessels, thus holding the Light of being in the middle of the newly formed emptiness in its center [The Big Bang]. However, this process failed. The vessels collapsed, and most of the Light returned to God [the Big Crunch].

The End of all quotes

This is how we now have Big Bang. It is just kaballah.

The big explosion is just a Big Jew, like the Big Brother system, the Meta Throne, the Jewish matrix, this is communism, universal equality:

Wikipedia, my words in []

Tikkun

(Hebrew - "correction") - the process of correcting the world, which lost its harmony as a result of the Kvlm Shvirat [Big Bang]. Gmar tikkun ("final correction") - the final state of the entire universe, when **the lowest point of creation reaches the same state as the highest point** Complete correction of their properties, and a complete merger with the Creator.

End of the quote.

"The last will be the first" - Jesus Christ, Matt. 19, 30

In other words, the natural inequality of the world, which emerges with it as its inherent quality (the Jews recognize that the natural state of the world is inequality) is "imperfect", and when everyone become "equal back", the latter are the first, everyone is chipped, merged with The Jewish god / cube / matrix / Big Brother, lose nations, races and all differences, this will be the Jewish "correction of the world."

In the end I wish to demonstrate what a madhouse it is when a "scientific" European mind is trying to argue ISIL islamist (a "refugee") about what is right – "big god" or "big bang". My note, "big god" is a mud slogan mudcrap invented to mock materialist "big bang".

<https://www.youtube.com/watch?v=zv071a3Nq1g&t=261s>

Mudcrap islamist states that every good organization, be it a building, a universe, a galaxy or a stellar system, should have an architect according the mud logic: "if organized, then created". The big bang propagandist can't argue that because in the core the big bang is the same. While the answer is simpler than both idiots can imagine. It requires only one thing: change mud logic on just logic.

Anything NON-organized – be they buildings, stellar systems, galaxies or universes – CAN'T EXIST. DESPITE of whether it has or has no architect. HAVOC DOES NOT EXIST. Havoc is simply *what is not* It as logical mistake as liberalism itself, being *liberalism* but restricting *liberty*. It is no different than Division by zero. Absolutely anything and everything that exists, is organized. Because the organization is the only thing that exists.

For those who are confused... just imagine the world without one single law of physics – the Gravitation Law. Electrons do not gravitate towards the nucleus in atoms of our bodies, planets do not gravitate towards the stars, nothing gravitate towards anything. Our bodies do not exist, stellar systems do not exist, stars themselves do not exist since they are also products of gravitation, as well as planets. And since gravitation goes both marco and micro into infinity, nothing exists nowhere. And this is only one law among many.

Laws are the way the world exists. So is with form of rulership. Democracy has no less laws than any other form of the state, just they dictate other things. My point is they do not stop to be laws just because they dictate this or that things. Society exists by this or that laws. The society without laws is not a society. It can't exist.

So is with the state. It has a power structure, a government. In Russian language we use the word "state" for any public organizations working on the government, the government itself. Because our human brain works in right scheme still. For us, state, country automatically suggests government. There is not state without it.

Libertarians, anarchists and other kikes adore to have us worshipping the Division by zero. In both bible and Illuminati Manifesto of Libertarianism they want us wipe government out of existence:

15. And having spoiled principalities and powers, he [jewish god] made a shew of them openly, triumphing over them in it.
(Colossians 2:15)

While both books end up with most tyrannical powerful world wide government possible. In one it's World Federation, in another – God's Kingdom. In Illuminati Manifesto they even plan to rip off of humans of both sexes their right to choose their spouse:

“All types of people (nationalities) should be mixed at any cost. It simply means that if a person wants to have children, he should start them with a person of another "race" (for lack of a better word).”

- Illuminati Manifesto

Your “abolished government” decides for you whether you belong to one man or another. Isn't it too much for the “abolished government”?

You see? This is why all their fight for freedom and equality never leads to any freedom nor equality. Did you notice any government ever been “abolished” by their fight?? Ever. For centuries. Zero is going to be divided faster than their governments are “abolished”!

So, returning. If havoc does not exist, where they took their “antimatter” ...???

Wikipedia, the Russian Tehiru article, translation:

... Sometimes *tehiru* is perceived as an empty space (space without God), but in Sabbatianism it is already inhabited by the Reshimot (unthinking light), from which Qliphoth is later formed.

What is a Qliphoth?

Qliphoth is usually referred as the other – the dark side of Sefirot. Every Qliphah/Kelipah "Husk", “shell” corresponds to every Sphere and is ruled by some of our Demons. Who by coincidence are also known to rule our Gentile chakras according our traditions. This is revealing how the Qliphah which corresponds to Tiferet is ruled by Belphagor – the Demon giving wealth. For which Gentile 666 chakra is known.

English Wikipedia, Qliphoth:

“ In Jewish Kabbalistic cosmology, the Qliphoth are metaphorical "shells" surrounding holiness. They are spiritual obstacles receiving their existence from God only in an external, rather than internal manner. Divinity in Judaism connotes revelation of God's true unity, while the shells conceal holiness, as a peel conceals the fruit within. **They are therefore synonymous with idolatry, the root of impurity** through ascribing false dualism in the Divine, and with the Sitra Achra ("Other Side"), the perceived realm opposite to holiness.”

Now look here:

Wikipedia, Shirk

In Islam, shirk (Arabic: širk) is the sin of practicing **idolatry or polytheism**, i.e. the deification or **worship of anyone or anything other than the singular God**, i.e. Allah. Literally, it means ascribing or the establishment of "partners" placed beside God. It is the vice that is opposed to the virtue of Tawhid (monotheism).

The word širk comes from the Arabic root Š-R-K (), with the general meaning of "to share". In the context of the Quran, the particular sense of "sharing as an equal partner" is usually understood, so that polytheism means "attributing a partner to Allah"

The Jewish Zohar volume one, pages 28b to 29a states:

“At that time the mixed multitude shall pass away from the world. The mixed multitude are the **impurity which the serpent injected into Eve** From that impurity came forth Cain who killed Abel. For they are the seed of Amalek. Whom it said “thou shalt blot out the memory of Amalek.” **Gentiles** who **are** compared to the beasts of the field another from the mazikin [goblins] for the souls of the wicked are literally mazikin [goblins] of the world: and there is **impurity from the side of the demons** and evil spirits: and there is none so strange among them as Amalek who is the evil serpent “the strange God.” He is the cause of all unchastity and murder and his twin soul is **the poison of idolatry**, the two together being called Samel.... This side of the serpent is accused above all.”

Impurity of idolatry, is the one of non-jewish blood. The “Qliphoth” are ALL GENTILES!! We all are Qliphoth.

Nahishiel - snakes, living in the two lower sephiroth. The name of the snake Nahash has the same number as the Messiah who will expel the Qliphoth from the world. Also these snakes are known as the Leviathan.

[End of the quote]

According to the knowledge of Joy of Satan Ministry, Leviathan is the Jewish version of the kundalini, it is the staff of Aaron (the stick / rod is the spine) by which he defeated the Pagan Pharaoh ...

Now look here:

Tehiru is the space where there is no Jewish god, and thus Qliphoth are emerged, i.e. we, Gentiles, right? Now...

Wikipedia:

According to the book Zohar, the Klipot appeared after the fall of Adam.

Zohar Brayith 289

"And they made the fig leaves" - covered with so many [layers] peel (klipin), from the "mixing of the numerous," because they are naked (without the Torah). " There was no Torah, and there was no Torah among the peoples, found themselves in many "klipin"

[The klipin and the Klipot / Qliphoth have one root - "peel, shell"]

Qliphoth appeared because people did not have Torah...

Question: what is Torah!? Jew Moshe ben Nachman has the answer...

Wikipedia:

Kabbalist Moshe ben Nachman said that the whole **Torah** consists of the names of god, and itself is the name of god. Each word of the Holy Language (Lashon Kodesh) on which the **Torah** is written consists of letters revealing the cause-and-effect chain of creation, and is the formula for the transformation of the spiritual into the material, called **the Name of the Creator**.

Answer: Torah is jewish god.

The Meta Throne, the Matrix, The Big Brother, The Black Cube of pisslam, communism and holyhoax, the Big Bang, the big god... is just torah itself. 1,8 billion mudcrap islamist worms of all world worship torah, no more.

Their "Qliphoth" is just non-jew. The "antimatter" pseudoscientific hoax is nothing but what they feel about us. And their Pulsating Universe Theory is just kaballah.

Now. Infinite Universe, in length and width, in depth and height, in all dimentions and all directions, in marco- and microcosm, in time and space. Can't have a Creator. Because the fact of creation means the beginning which She never had. And the Organization is the only way She exists thus the Organization is also infinite in its complication and detail. Thus Organization also was never created.

Now, here is one more ISIL fighter (aka "refugee") insulting Swedish people in train, threatening them war and murder, and expressing all his hatred towards them. Saying that he, the mudcrap, will win, because he has "big god" instead of "big bang":

<https://www.youtube.com/watch?v=82TQFfMsQQI&t=2s>

I tell you, both will lose. Because both have Big Jew for a god. And with jews, whether they are big jews or little jews, you loose...

[islam is materialism: Big Jew Theory. Pulsating Universe hoax, kaballah and antimatter fully exposed – White Death of Islam](#)

**islam is materialism: Big Jew Theory.
Pulsating Universe hoax, kaballah and...**

In order to feel the whole nonsense of the idea that there is some microcosm or macrocosm that has the beginning and the end outwards and inwards respectively, or some indivisible "indivisible" particles, of which everything is composed, I propose to see the list of supposed "indivisible" particles that were "opened" throughout the centuries:

https://en.wikipedia.org/wiki/List_of_particles

All of them later happened to be divisible, and not only divisible but many times divisible and those into which they divided happened to be also many times divisible etc., except those of «uncertain» size, i.e. "as small as you wish them to be" which is an anecdote already. Their new invention of so called "hypothetical" particles actually prove idiotism of the very attempt to find anything «smallest» or «the end of the world».

The beginning, the end, are logically impossible when it comes to time and space, because the very notions of time and space include the infinity inside themselves. Just ask yourself WHEN the beginning or the end have been and will be respectively? The very question «WHEN» suggests the infinity. Any answer will be a point in the infinity. The point between infinity and infinity. The point in the infinite time. Tomorrow will be the end. Ok, what will be the day after tomorrow then? You see? Our brain THINKS in the infinity!

The same goes for the space. Just imagine some kind of street sign in cosmos with the words written on it: «end, no entry» or «beginning, also no entry». Two of them, in only two directions, how about other directions running beyond – what's there? Also no entry? There is infinite amount of directions and infinite amount of points they can be spread out from and run into eternity. Also no entry?

And this is only 3D space. In reality directions are much more. Logically might be assumed they are also infinite amount.

The same goes for macro- and microcosms. The very notion of ANY object suggests that it can be divided. As well as that it can be a building block of smth else. It does not need proof because it is an inbuilt mechanism of our thinking: if smth exists, it consists of smth and smth consists of it. It just can't be otherwise.

Now, the Big Bang – is just yet another attempt to invent some new «beginning». But since even a “single point from which everything begins” also has to be produced by smth, kikes also had to invent some Big Crunch, because lie has to be at least a bit believable to be believed. From here the new age people took their «
». Thus *the end of the time* again did not come. Neither did *the end of space*, because since there is a moment in time when the Big Bang turns into a Big Crunch, it logically saves some space where the Big Bang has not reached yet, because at that very moment it has turned backwards and went Crunch. So Big Bang is not everywhere - even at its maximum – and there is some free space. How much? maybe there is smth in this space? maybe other Bangs? How many then? And fantastisch list goes.

I am Alpha and Omega, the beginning and the end, the first and the last.. this tale fits into the bible much more than into the above, don't you think?

Yet there are even better versions of the big bang theory. And here they are. My notes are in []

“THE ROSE

1 1. Rabbi Hizkiyah opened (began): “It is said, as a rose among thorns” (Shir HaShirim, 2:2). He asks, “What does a rose represent?” He answers, “**It is the Assembly of Israel** meaning Malchut. For there is a rose, and there is a rose. Just as a rose among thorns is tinged with red and white, so does the Assembly of Israel (Malchut) consist of judgment and mercy. Just as a rose has thirteen petals, so the Assembly of Israel consists of thirteen properties of mercy, surrounding it on all sides. After all, Elokim (the name of the Creator that alludes to His attitude towards the lower ones by the force of judgment), as it is said, ‘In the beginning, Elokim created’ (the first sentence in the Torah), In the beginning (initially) when He thought it, He created thirteen words to surround the Assembly of Israel and to protect it”

[My note, 13 tribes of Israel are stolen from 13 constellations, 13 chakras, 13 Lunar months etc. - as usual. Eloch / pl. Elochim is just a collection of stolen Pagan words given to some Jewish thoughtform as “names”. Thus “HaShem” – “the name”. In bible this personage has 42 and 72 names. In Quran it has 99]

“THE ROSE

3. Just as the covenant is conceived from that seed in forty-two Zivugim, so the secret name fills and inseminates all forty-two letters of the initial act of creation.”

«Rabbi Hizkiyah began his explanation of Nukva of the world of Atzilut by clarifying the birth of ZON from Ima (Bina), called Elokim. That is why he began his explanation with **a rose, Nukva of ZA**. At the utmost completion of its development, **Nukva of ZA is called Knesset Israel, the Assembly of Israel. For Nukva consists of all the souls called Israel; hence, it is said that a rose is Knesset Israel**

See? THE ROSE is a Jewish soul, **Nukva of ZA is called Knesset Israel, the Assembly of Israel** **For Nukva consists of all the souls called Israel** !!! Pissrael is not that bandit state which Rothschilds stole from Palestinians and gave their people, no. Pissrael is collective racial Jewish soul. In other words, every soul of every single Jew!

The "Zohar" begins with an esoteric interpretation of "The Song of Songs" - an expression of love for the "Assembly of Israel": "Like a rose in the midst of thorny bushes, so is my beloved among the young maidens." Rabbi Ezechias explains: "**What is The Rose? - This is the Assembly of Israel**". "

"FLOWER BUDS

For here it is said, "Let us make man," and there it is said, "We shall do and we shall hear." "In our land" refers to the day of Shabbat, which is like the Land of Life, the world to come."

"IN OUR LAND" REFERS TO SHABBAT, WHICH IS LIKE THE ETERNAL LAND OF LIFE: Ima-Bina is called the Land of Life or the Eternal Land. As a result of the act on the sixth day, meaning the Creator's action from Above"

[my note. The "Shabbat" means Saturday – the day of planet Saturn and the number 6 both of which symbolically correspond with the Cube – the form based on both number 6 and Saturn energies. Cube is a form of a Jewish soul - see Hexahedron. Cube is also their "land of life" and "Eternal Land - the result of the act of the six day", when Jewish God created the Jew according to the Bible, because Cube IS the Jew.]

Now, here is where they took their Big Bang – the ever expanding cube:

From the book *The Alef-beit: Jewish Thought Revealed Through the Hebrew Letters*

By Yitsa Ginzburg, Avraham Arie Trugman, Moshe Yaakov Wisnefsky:

"In Sefer Yetzirah we are taught that the 12 pillars of Creation, referred to as the "twelve diagonally inclined borders" correspond to the twelve peripheral lines of an ever expanding cube (universe) from an initial single point of tzimtzum".

Sefer Yetzirah

CHAPTER V

1. The simple letters are twelve, namely: He, Vau, Zain, Heth, Teth, Yod, Lamed, Nun, Samech, Oin, Tzaddi, and Quoph; they represent the fundamental properties, eight, hearing, smell, speech, desire for food, the sexual appetite, movement, anger, mirth, thought, sleep, and work. These symbolize also **twelve diagonal edges** in space: northeast, southeast, the east above, the east below, the northwest, southwest, the west above, the west below, the upper south, the lower south, the upper north, the lower north. These diverge to all eternity, and **are the borders of the universe**.

[the end of all quotes]

These are 12 edges of the ever expanding Cube.

Any "center of the infinite world" can't exist in the first place. Which alone signifies that "the universe popping out of one point" is a stolen allegory at best. Once more, there is neither left nor right, neither top nor bottom, neither center nor periphery of the eternal infinite universe. As well as "edges of the limitless world".

Such notions as: *hub of the universe, center of the world, world axis* and such were stolen from the World Tree, which is nothing more than the spine with chakras along it. The *hub of the universe* and "*the sun does or doesn't rise and set in smb'*" expression are at all named so only because they originated from The Solar Chakra, also known as Navel Chakra, because it is connected to navel and is the most important and powerful chakra in man's soul, being actually a Center of the Soul, soul's heart, soul's source of life, soul's beginning (life begins in the navel. Russian word ([zhivot] translation: belly, stomach) originally in Ancient Russian means "life"). Solar Chakra rules self-esteem, that's why all these notions are s

connected to feeling of self-importance, pride, self-esteem.

And here they are – proofs from the horse mouth:

Book of Zohar

«THE ROSE

And it is said of this secret, I will raise the “cup of salvation” (Psalms,116:13). It is the cup of blessing. The cup of blessing must rest on five fingers, just as a rose rests on five rigid leaves that correspond to the five fingers. And this rose is **the cup of blessing»**

Here you have stolen Ace of Cups – the symbol of Solar chakra being in form of a Cup and collecting the elixir of life that the Lunar Chakra is producing (from which the above «the cup of blessing» was taken). 5 fingers is torah, the 5 books of Moses, stolen from 5 suits of Tarot.

In Sepher Yetzirah they openly call human soul – a “universe”. The “universe” is just a code word for a human soul. The “universe of one man”. Of which the center is the Tree of Life and the hub is the Solar Chakra. Just in the case of the Jew the shape of this “universe” is the Cube. See Hexahedron.

Subject: 10/July/17...Something to Know

I'm making a point of posting this for our younger members and parents of teens, and young adults who might be considering or persuaded into joining the military.

Back some 30 years ago, I was in the Army. Things were bad, but nothing as bad as what is happening today.

"...after lunch recruits were made to drink water until they vomited. Then they were made to do push-ups in their own vomit."

This news article got special attention because the victim was an American born Muslim, but this sort of thing unfortunately is prevalent. Also, just be aware that not providing the correct answer (what they want to hear) when asked regarding religious affiliation will often put a recruit at even further risk, regardless of what they claim the rules, what is legal, etc, to be.

Just be real well informed, NOT LIED TO BY RECRUITERS, if you are dead set on joining the military.

This is not training. This sort of systematic abuse, actually TORTURE, will create serious life long psychological problems and ruin one's physical health as well.

Given the Jewish domination of the media, endless TV commercials, magazine ads, movies, etc, focus on promoting insanity, mental illness, prescription drug addiction and related. "Call your doctor" "Ask your doctor." Incessantly repeated to imbed this into your mind and soul.

Now, in addition to our youth being pushed into addictive prescription drugs by Jewish doctors, being exposed to sick garbage being pushed on young minds

in many of the schools, what is happening in the military to our youth is abominable.

Civilization is breaking down...

This is not just one. I told a coworker not to join the Army. This was back in the late 90s. He wrote me and told me I was right. He eventually got out on an early discharge due to physical disability. He was most relieved to have gotten out.

Recently, another young man who joined the Navy who is a Satanist, got out after just a couple of weeks into training.

Also, for those of you who are veterans or ext military, please bear in mind what is going on today is for the most part very different from say, the "Brown Boot" Army, etc. Times have changed...

The article from the link below is exceptionally long. Just note the excerpts I have from it below and if you are even considering joining, THINK REAL HARD!

<https://mobile.nytimes.com/2017/07/06/magazine/how-the-death-of-a-muslim-recruit-revealed-a-culture-of-brutality-in-the-marines.html>

"I feel like they're really good at lying," says the lance corporal, who was sold on the corps by recruiting videos that presented the Marines as "badasses" on humanitarian missions to save refugees or deliver food and water."

The rest of the intake process, known as "receiving," follows over the next few days: buzz cuts, boots, uniforms, shots. They are given physical-fitness tests, fed what most describe as truly awful food and ordered to perform seemingly meaningless tasks, like standing at attention while holding their heavy gear in front of them until their arms give out, or sitting cross-legged and motionless on the floor for hours. Some Marines I interviewed recalled being kept awake for nearly two days after arriving. "All you can think about is sleep," one said. "Those are the main tools: fear and sleep deprivation." (The above is the normal and usual). The cross legged probably replaced the standing for hours (toe to the other person's heel in front of you), as too many would faint. Drill Sargents always warned about not locking the knees out. The above like I said is usual though. Read on...

Since 2014, there have been 24 official hazing investigations on Parris Island, half of them substantiated. There is a perspective on the base "that somehow you can make a better Marine by beating the shit out of him,"

"In 2005, a film crew from a South Carolina TV station inadvertently caught a terrified-looking recruit named Jason Tharp being hit by a drill instructor at the Parris Island pool. The following day, Tharp drowned during water-survival training; his drill instructor was charged with negligent homicide (and later acquitted).

2011, a Parris Island drill instructor was sent to the brig for more than a year after he was found guilty of ordering one of his recruits to record a video of himself masturbating on the D.I.'s cellphone.

The next year, a trainee received second- and third-degree burns to his buttocks requiring skin grafts after his drill instructor ordered him "to perform unauthorized exercises under an upside-down laundry bin on a floor covered in bleach," according to Marine Corps documents. The D.I. was court-martialed in

2014, having been turned in by his senior D.I., who himself would later be court-martialed for ordering his platoon into the showers and making them run in place, while thickening the air by pouring bleach down the drain. After these stories broke, some Marines recalled the routine nature of such punishments and how infrequently they were ever brought to light. "Reporting it would have gotten nowhere," a onetime Parris Island recruit, who claimed that he was made to scrub the floors with pure bleach, wrote in a Reddit thread in 2014. "I saw too much other stuff get swept under the rug."

"The Beaufort Gazette in February 2015 revealed a "staggering level of misconduct and recruit abuse," with recruits reporting that they were choked, kicked and punched in the face, and that they had their heads slammed against walls."

On March 17, Platoon 3042 received instruction on Marine Corps mixed-martial-arts punching techniques. According to the Marines' report, recruits in Lima Company were instructed to throw a "flurry of punches" as hard as they could, and not to listen to their instructors' directions but instead "just to keep punching." It was routine, recruits later said, for their drill instructors to pair bigger or stronger recruits against the weaker or poorly performing recruits. During the March 17 drill, recruits were punched repeatedly in unprotected parts of their body, including their jaws. One sustained two broken ribs. The abuse, according to the report, caused one recruit "to cry during the event." The platoonmate believed one of the targeted recruits was Raheel, but he can't be sure. "It's really all a blur," he says. It was only Day 4. Many recruits didn't even know one another's names. Terror caused them to avoid making eye contact. "Lots of stuff happened while we slept," he says. "Or in the dark."

At around 2 a.m. on March 18, Raheel woke up his bunkmate. He was in pain, he said. We're all in pain, the other recruit told him. Two hours later, the recruits awoke and prepared to sound off before leaving for chow. Raheel pointed to his throat and silently mouthed words. When two D.I.s started yelling at him, Raheel handed one of them a note. "This recruit has to go to medical. This recruit's throat has been swollen for three days and is getting worse," it said. "This recruit also coughed blood a few times last night. And this recruit completely lost his voice and can barely whisper. This recruit's whole neck is in a lot of pain."

"after lunch recruits were made to drink water until they vomited. Then they were made to do push-ups in their own vomit." revealed a "staggering level of misconduct and recruit abuse," with recruits reporting that they were choked, kicked and punched in the face, and that they had their heads slammed against walls.

"During the day, platoons were put through the standard exhaustive physical and tactical training, interspersed with classes or informal discussions on moral courage in battle. But the real making of Marines went on at night. When darkness fell, a D.I. would sometimes dump a bottle of Gain detergent on the floor and order recruits, both hands on their wooden scrub or "scuzz" brushes, to run across the length of the squad bay in a bear-crawl position, an exercise that they timed and called the Indy 500. Other nights, the drill instructors would create what they called a "hurricane" by dumping everyone's things on the floor, sometimes covered with detergent, sunscreen or shaving cream.

Over the months, recruits in the battalion lost consciousness, were revived and never told a soul. A few developed life-threatening rhabdomyolysis, a rapid breakdown of skeletal muscle tissue, often caused by overexertion."

"...after lunch recruits were made to drink water until they vomited. Then they were made to do push-ups in their own vomit."

"On July 14, 2015, Felix and several other D.I.s entered the squad bay in the middle of the night. It appeared they'd been drinking in the small office, or "D.I.

hut," at the far end of the barracks, where drill instructors on night duty sometimes slept. Felix was so drunk "he might not have known what he did the next day," according to one member of Platoon 3054.

"Column left!" Felix and another D.I. marched him into the shower room, where, as Bourmeche would later tell investigators, the drill instructors turned on the water and made him do push-ups, high-knees and crunches. Then, when he was thoroughly wet, they marched him into the laundry room.

"Get in the dryer." Bourmeche folded his six-foot, 157-pound frame into the Speed Queen. Felix said that the Marine Corps has "a way of weeding out spies." He continued: "I'm going to find out who you really are." Then he closed the door.

Felix ran the dryer for half a minute and opened it.

In the squad bay, Weaver and the others, ordered out of their beds, were pushing a recruit around like a scuzz brush. They heard Bourmeche's body thud as it hit the bottom of the dryer.

A half an hour later, it was over. Bourmeche, damp and shaken, was told to go back to the squad bay. As he was standing by his bed, a D.I. approached him. "It's pretty effed-up what they did to you back there," he said. Bourmeche agreed. "You're not going to tell a senior drill instructor about this, though, right?"

No, sir," Bourmeche answered.

The next night, it happened again. Felix told Bourmeche to hand him his martial-arts belt. He tied Bourmeche's shoelaces together, then took the belt, wrapped it around Bourmeche's neck, strung it under his laces and tightened it so Bourmeche bent at the waist. "Are you a terrorist?" Felix held the end of the belt like a leash. He began to walk him like a dog."

"Weaver, one of the platoon's highest-performing recruits, was shaken. During a family picnic just before his graduation, he told his parents that "crazy stuff" happened during training. "I can't talk about it here," he said nervously. "After we get off the island, we can talk about it."

Though it would be tempting to blame the allegations of abuse on a few Marines — the "few bad apples" theory — Raheel's platoonmate told me that rough practices in his platoon continued long after Felix and his drill instructor team were replaced, the very next day, with another team, and after that team was later replaced with another. The message, he says, was "the D.I.s could pretty much get away with anything. Let's say you did report something. They'd change the D.I., and what happens after that? Another D.I. who presumably was friends with the prior D.I. is going to make your life hell."

"He had believed the Marines was an ethical organization. Then a D.I. bashed his head against a wall for seemingly no reason."

"Suicide threats are common during the early weeks of boot camp, though how many are serious is unclear. "Everyone knows saying you're suicidal is a ticket off Parris Island," Raheel's platoonmate says. Sickness or broken bones, on the other hand, will get a recruit a long stint in medical, after which they will simply be assigned to another company and start training all over again."

'Once, the platoonmate recalls, Felix stuffed a recruit in a footlocker. Another time, he made a recruit eat nothing but Jell-O and mashed potatoes for a few

days, and threatened that if he didn't improve, he'd have to stuff him in a locker, too. Choking recruits until they were gasping for air was common. Some of the D.I.s, the platoonmate suspected, were almost as terrified of their senior D.I. as the recruits were. One drill instructor, he recalled, became so ill that he projectile-vomited all over the squad bay while simultaneously yelling at the recruits after he himself had been screamed at by Felix moments before. "We never knew if it was blood or Gatorade, but he's vomiting this red stuff while screaming, and we were like, What is going on?"

If you want to be strong, trained, etc, go to a gym regularly, join Martial Arts classes, take up gymnastics, learn about weapons, take training, but STAY OUT of the military.

No one has a spare mind or spare body and we cannot hit the rewind button on our lives.

Here is the NEW Channel. Please subscribe to this so we can get it rolling. Of course, there will be new content on this channel:

From now on I will make sure that this channel fares better, but honestly they seem to have this on the bulls-eye already. However what's important is that I get videos up, and that we can download, circulate and spread them so the info can exist.

We must NOT CEASE FIGHTING THE WAR OF INFORMATION... This is the day Satanism dies. Otherwise it never will. The enemy has worked for centuries for Satanism to never be represented and for Satanists to not have a voice. Every single bit matters. Just keep the information out there for everyone, and let the Truth do it's job...

Thanks for the support fellow Comrades.

Subject: Political "Solution"

Political "Solution"

I will write this in regards to those who look right now for a solely 'political' solution. At best, you are deluding yourselves. I will explain frankly and shortly why.

In order for any 'political entity' to exist, there have to exist other powers and grounds before it. Hitler did not descend upon a spaceship and enter the Chancellery. This is simply NOT how this world works. It works based upon patterns which have to be followed.

The Jews have hidden the reality of how things work, and how reality works, especially in the political level. "Goyim" are reduced to either studying nonsense, or believing in nonsense, and therefore, expecting nonsense.

There are four types of power in society. Military, Financial, Political and Intellectual, "Religious" too. The enemy largely controls all of these powers.

To give a figurative and fast analysis, Intellectual power is publishing (they control most of it), schools, universities, and all the places where people 'learn'. Therefore, this is a frontier where there can still be a warfare for us to take over. For anything to exist, there has to be some intellectual ground. Hitler's ideology and other things, were supported by their time, things like Eugenics. There was an intellectual wave going on, long story short.

Then, we have Military power. If we take an example such as the USA, the USA is ruled by Jews. The USA military could easily pull a coup anytime, and regain control of America, for example. It has a giant, and very powerful military. However, thanks to the little book the Jews created, the Bible, 99.5% of Military is mentally, spiritually, and materially obedient to the government and the Jews.

The situation in Europe is that basically many countries do NOT have any military power whatsoever, like Germany, which hardly has a military now. Therefore, pipe-dreams about taking over the military are still non-functional. Hitler had military power, both in the paramilitary, and because of many people who fought in the war. The existence of the Paramilitary was created due to WW1. Now people mostly just know to shoot guns from PC games like Call of Duty, or things like that. That's all they know.

We also have Financial power. Financial power doesn't need much conversation. Hitler had financial backing from industrialists of his time, all of which were Gentiles, Nationalists, party members etc. Any political entity to operate needs funding, to state the obvious. These Nazi suits won't sew themselves. The Jews are very hard on this, and we have banking and many other powers playing here. Financial power is control of the resources of a civilization, and it's building blocks.

Lastly, and only if the above factors contribute, and from their interplay (there is 'chaos' and the 'unforeseen' which also deals with these), we have lastly forming political entities. Therefore, political entities have to come from 'within' the system (this is the case of these fake Nationalists they push now), or they have to form by the system in some way breaking, *OR*, lastly, the people co-coordinating and forming these, have to at least exist in the system somehow. Otherwise, the system has to have received a huge shattering. This is in the granted people have any of the above powers, they put them together etc.

Political power is the LAST of all powers, and it can never manifest in a pure way unless there is backing and some control to either or any of the powers above. Yes, political power can come from outsmarting and playing the Jews in their own game, but few if any people are and would be doing this.

Most people conversation about such 'solutions' are unspiritual 'Goyim', blind, stupid, undereducated, and they don't have the natural talents to carry off this thing. They also have a big mouth to push away other potential candidates that do. Because this is part of how the system works. It's based on a cycle of endless corruption and stupidity.

Essentially, this is impossible, especially from people whom you see having sex with kikes, bloating worship to them, and all the rest of the facts that sum up the 'political solution make-believers'. The fact that some people believe this still, is beyond any intelligent analysis of the situation, and its just a wish to get some sudden fake ass "Deus Ex Machina" with which they will be saved.

Those people who consider that Le Pen or some other guys are clean and all that, and that Trump is going to save America, or some other jewtrix entity will come and save them, they are at the very lease infantile and deluded. History doesn't work that way. Hitler was a miracle in more than one senses of the world. The jews know entirely of such.

Lastly, we have a few other things...Which are the most important. Spiritual power (which is what we exact with what we do) and this acts directly on everything, and is above everything. It transcends politics etc, and all this power was only in the hands of jews. Essentially as a group of Spiritual Satanists we do have this power, and it's by wise use that are going to cause the necessary changes through which we can gradually earn in other areas.

This is the RTR's and our intellectual warfare. This bears the fruit for hijacking into any other levels, and we have to keep pushing the boat of the enemy until it flips or drowns. It's really that simple. All the other powers and circumstances needed, will, when the time is right, fall down accordingly and push us forward. But without this step one must expect *absolutely nothing*, since "humanity" lives in a normative goyim mind/soul slavery type of life, that doesn't allow of any 'unexpected' events to happen.

It's only when Satanists flip the boat or pluck enough holes, we can expect anything to come out of it. The humans who are goyim and cucks will not revolt or do anything, simply because, they are beaten down. If we push their spiritual backbone and we support them with warfare and RTR's, we will have glorious events happening such as so many we have caused, if not, they will succumb to spiritual power and be assimilated and destroyed.

Humanity stands for nothing if people abuse spiritual knowledge against it, and rest reassured, if we don't fight, nobody will be even remotely able to resist or fight spiritually against the (((('overlords')))) of this world.

The "Political Solution" is right now, the SPIRITUAL SOLUTION...That's the only solution there is, if humanity is to hope for anything else to come in the future. And you're the heralds of this solution, same as all of us here. Therefore stay focused because we have important things to achieve.

I also want to add here, Satan wanted me to post on this topic, as he let me know, there are a lot of our people who signed up for the military, who are literally begging him to get them out after a short time. Again... Today's military is for the most part, quite different than the military years ago.

What I posted amounted to systematic torture. The sort of thing that the Soviets did to their own psychiatric patients who disagreed with Jewish communism. There is also methods like these in the Russian military as well.

My father was in the Marines during WWII. He would talk about the training at times and how the DIs poured oil on top of water, set it on fire and sent the recruits underneath, after being trained on how to push the water back a certain way to avoid getting burned. This saved lives and had much purpose.

He also told of recruits having to stand at attention with a dripping ice cream bucket on their heads and other things. These sorts of things don't destroy one's mental or physical health. Back in those days, recruits underwent a very difficult training program, but were built up. Some died during basic, but this was not like what is going on today.

Drunken drill instructors, waking up recruits to torture them in the middle of the night and other things mentioned in the article are an entirely different matter and are quite prevalent these days.

In addition, lousy food, and intense sleep deprivation, along with overtraining, do not make for building up one's body or for any kind of health. The photos of the recruits on the article page speak for themselves. They look terrible.

Below, I'm including some workout tips, as members have asked me over the years:

As for getting into shape, most military exercises are done with your own body weight. I trained at home for a number of years and got even better results than in the gym. I loved doing both, though.

I was exceptionally strong for a woman, stronger than a lot of men. I always made a point of getting enough rest and I never trained any part of my body that was sore. I always made sure I was healed up 100% before training real hard again.

When you reach a certain level in training, you have to train harder, say one body part per day, like arms day, back day, legs day, etc.

Distance running should be done either every day or at least 3 days a week. Yes, the running track and/or treadmill in the gym is a huge help. So is a pool for swimming laps. No, home training doesn't have everything, but you can still do a lot, especially if you purchase a door jamb pull up bar. I had one in my hallway and every single time I walked under it, I would do pull ups.

If you want to add difficulty, start a pull up (Arms completely straight! Bent arms and you only cheat yourself), and pull slowly to a 120 angle and hold for 10-30 seconds, then do the same at 90 degrees, then at the top again and then do it coming down.

The same can be done with pushups, holding halfway up and down.

If you can get some real heavy chairs or put weights in the seats of the chairs, these can be used for dips.

Martial Arts horse position strengthens legs. Most libraries have books on Martial Arts. Practicing certain kicks and solo moves, all one needs is consistent repetition. Of course, lacking a practice partner can be a problem at home, but again, much can be accomplished any way.

I used to train by the 10,000 rule. Take a movement, say a side kick and do 4 sets of 25 = 100 for one day. Do this every day until you reach 10,000. Everyone who trains should keep a training diary. It is essential.

Gymnast Nadia Comaneci did walkovers on the balance beam 10,000+ times.

A heavy bag, if possible is an excellent addition to home training. Different punches, boxer's workout for upper body endurance/aerobics.

One of the very best for a home workout is:

<https://www.amazon.com/Navy-Seal-Workout-Compete-Total-Body/dp/0809229021>

It appears to be deceptively easy, but try doing it. The abdominal section put a six-pack on me in my late 30's after having three kids, and a hernia from the last pregnancy.

Now, here are some videos for a home workout, focusing on abs and core strength:

<https://m.youtube.com/watch?v=1RwggYQpWp8>

<https://m.youtube.com/watch?v=K7EyZ9h4NXoCA>

<https://m.youtube.com/watch?v=hlQGQHsl1CA>

These are shown in fast motion, but should be done slowly. If you are new, start out with 10 reps each and ALWAYS keep your back rounded and shoulders off the floor when doing kicks, leg flutters, etc for abs:

<https://m.youtube.com/watch?v=FZ8rPFtBVbc>

<https://m.youtube.com/watch?v=G9WYd3PXxCA>

I've trained both with gymnastics exercises and heavy weight training. IMO, one should be able to handle one's body weight and establish control as well as lift weights. Weight lifting will not accomplish handling one's body weight. And on the other hand, being able to master one's body weight will result in being able to lift extremely heavy in the gym.

I remember a fitness instructor who was built like an action figure. He would always be on the pull down machine trying to get the strength to do a pull up. He never got anywhere.

Pull ups require a lot of abdominal strength. Once you master pull ups and dips, then, if you want to and have access to a gym, use a dipping belt and string several 5 lb plates, say 10 and do pull ups and dips with these, stripping the weight, one at a time after each set. Do be very careful of doing pull ups without any weights after doing these. I hit my throat real hard on the bar as I was used to the extra weights. Always go slow.

The same can be done with dips.

AND DON'T USE SISSY STRAPS!!

Subject: One more thing on physical training...

If you are involved in any athletics, weight training, strength training, Martial Arts, etc. If you raise your energies through meditation, Tai Chi, or related.

IT IS VERY IMPORTANT TO STRETCH!! REGULARLY.

Energy can get trapped and cause serious problems. Say someone over trains one day by doing 200 pushups of which is not their norm.

Western Medical Doctors usually lack the knowledge to handle this sort of thing. One should see an acupuncturist.

Prevention is always preferable.

Keep your body as flexible as is possible. This will keep your chi/witchpower circulating and also help you avoid and lessen any training injuries.

I remember a fitness instructor who was built like an action figure. He would always be on the pull down machine trying to get the strength to do a pull up. He never got anywhere.

Pull ups require a lot of abdominal strength. Once you master pull ups and dips, then, if you want to and have access to a gym, use a dipping belt and string several 5 lb plates, say 10 and do pull ups and dips with these, stripping the weight, one at a time after each set. Do be very careful of doing pull ups without any weights after doing these. I hit my throat real hard on the bar as I was used to the extra weights. Always go slow.

The same can be done with dips.

AND DON'T USE SISSY STRAPS!!

Subject: Wealth: Jews Vs Gentiles			

[Wealth: Jews Vs Gentiles](#)

I wanted to write something about this, to share some Truths known to all jews and the enemy, but these are vaguely known to any of others who are Cattle and "Goyim" by definition.

One thing we observe when we read this 2000 page book that is called the Bible (depending on the printing, normally has around 1500), we see some things that we can understand deeply. Excellent book to double speak, lie, and always find something to justify just about everything from. "The Word of God". This "God" is a real weasel, but guess why? Because it's nothing but a Jewish racial projection and nothing else. Of course, most teachings are NOT contained in the Bible at all, which brings us into innumerable pages.

The Old Testament, is what the Jews favor and is their crown jewel. This is their "Torah", however in a greater Torah, they also have other books. The Torah is a body of teachings, not just the Old Testament, but the Old Testament is the core of the magickal book. To be swift and not brush of the point to readers, I'll get to the point.

This book named the Old Testament, is chock filled with:

Blessings of wealth without doing anything, also known as parasitism (Proverbs 10:22), prosperity, Scamming other nations after causing massive war for financial gain (Zechariah 14:14), even if people give financial benefits to the Jews they are to be killed anyway (Exodus 11:5), advice how to give and take money, always telling Jews to take care financially of other Jews such as not charging any interest (Deuteronomy 23:19), financial advice (Psalm 112:5), financial relationships advice between members of the Jewish tribe (Leviticus 25:35-37), showing how to scam the Non Jews (Deuteronomy 23:19-20), how wealth belongs to the Jewish 'god; and subsequently to the Jewish race (Haggai 2:8), how the Jewish god gives wealth (Deuteronomy 8:18), advice on how to grow wealth (Proverbs 13:11), 'promises by god' to 'lend to nations' as a blessing (Deuteronomy 15:6), how you should take false oaths as a Jew and never pay back debts (to Goyim - Ecclesiastes 5:5), the Jew is supposed to kill even those who housed them simply because those who housed them may be richer than the Jews or make them work (Isaiah 19)...

This is a magickal spell book that has countless spells about prosperity for the Jews, damning the prosperity of the Gentiles, creating impoverishment and profiting from it, taking the highest social position in Gentile lands (The whole story of Joseph in Genesis, the Jew who betrayed Egypt, includes all the above), how to marry to infiltrate and take over races and when not to (1 Kings 2:21), how the Jews should always remain racially loyal and pure of blood and kill race traitors (1 Kings 2:24), and it even has all sorts of other things such as laws on how to lend money to Gentiles and to Jews (Exodus 22:25), how your race-kin family and race are the most important thing in the world (Jeremiah 33:17-18), how you should NEVER believe in the Gods of the Gentiles (Exodus 20:3), how there is a STRICT social order that the Jews need to follow in order to succeed, how they must always remember that their relation to their 'god' is racial (Leviticus 26:42). These are to name a few.

On the same book, that Christians worship, put their hands upon and take oaths, gloat and glorify, we have what is called the New Testament. This was written many thousands of years later for the guillible Goyim.

Jesus was a replacement, mimic Jewish infiltrator deity, to hijack and replace the Pagan Gods. And preach the exact reverse in order to kill us all.

Now however, this part of the "Scripture" is for the Goyim, the Gentiles, the animals of the field. So what this book writes is simple.

How supposedly "Wealth" is so AGAINST "Spirituality" (Matthew 6:24), how if you supposedly serve money you can't serve God (so leave this to the Jews

Goyim - Luke 16:13-15), How you should lend your ENEMIES -like the jews- (Luke 6:35), Curses for the Rich Gentiles (James 5:1-6), How there is no race and how we are all equals to 'god', how you should always share what you have even when you don't have anything, how you should gloat over and eternally worship the jewish "God" while FROWNING and CURSING your own Gods and not worshiping them either (1 Corinthians 10:20-21), how you should give your money for the jews in churches even if you don't have to survive (Mark 12:41-44), how you should be against all wealth possessions because it's greed (Luke 12:15), how one should hate wealth since it's a "Jewish Thing" practiced by the Jewish Pharisees and never the Goyim should practice anything similar (Matthew 21:12), how the "Love of Money is the Root of all Evil" (1 Timothy 6:10), wealth is destructive (1 Timothy 6:9), how you need to sell your possessions to follow a fictitious rabbi that never existed (Matthew 19:21), how you need to give up thoughts of survival and managing or amassing any amount of wealth whatsoever (Matthew 6:19-20), how you need to leave and desert your family (Luke 14:26), how you need to get USED TO BEING SCAMMED and BE ROBBED (Luke 6:30), how you should give not a fuck about any social order and only trust Jesus Christ as "Authority" (Galatians 3:28), the earth nor the planet matters one dime neither anything else does (Daniel 4:35), how you need to hate and abhor wealth because it won't get you to "heaven"(Matthew 19:24), how you should cherish disease illness and pestilence because it's bringing you closer to heaven (Psalms 34:19), it's good to die from hunger pestilence or illness if that makes you obey the jewish 'god' (2 Corinthians 1:8-11), all Rich non-Jews have to be financially destroyed (Revelation 3:17), how you will suffer in eternal hell-fire for not following the "Master Rabbi" and so forth...

Rabbi Jesus (Matthew 1:1 - Hebrews 7:14, etc etc) did the greatest attainment for his racial comrades. It taught all the Goyim of the world slave values, and proto-communism.

This later created the Middle Ages of Serfdom where people became literal Goyim, the Communist regimes where the worker is robbed of all their work, the abolishing of ownership, the tyranny of debt and so forth. Rabbi Jesus has served the jews well. It's through the morality created by Rabbi Jesus that the Goyim go and give shekels over a holohoax that never even happened.

The Old Testament is by definition a jewish racial book, and the same goes for the New Testament, however, in the New Testament, the leaders like Jesus and the Apostles are Jewish. While the victims are Pagans and others. What does that tell us...It should be obvious. Of course the Quran says similar things about wealth, such as for example that Islamics and Christians are disavowed by "God" to be "Money Lenders" and that only the Jews can do this.

So the jews amassed easily all the wealth of the planet just because some retards believed this was the great thing to do. We might as well call Christianity, the most giant spell for usurping the world's wealth to ever exist. It's all a financial spell basically, and as such it's said that Shekel is the God of the Jew, not "HaShem", which HP Don has mentioned before... Shek-El is actually the God of the Jews, EL is a short acronymic concept for their 'god'. JHVH is just a concept of the doer of magick, the racial God of the jews, and a representation of their aliens, knowledgeable ones, and those at the top. In short, the jewish occult mafia.

Some fools say the jews have a 'religion'. They don't have a religion. Their system is a parasitically spiritual founded system on scamming, killing, and robbing the Goyim. This is what their whole existence is about. This ensures they live a lazy and free life. They accomplished this by stolen spiritual means, and by sacrifice of generations, on top of the corpses of innumerable people that wasted whole lifetimes going after a loaf of bread, even if they lived in the most developed countries in the world. Even nowadays, hardly anything has changed.

What more needs to be stated? Do you still wonder why 90% of the world is below the reasonable level of living?

As for Christians who CAUSED all of this by their beliefs, work, christian pseudo-culture, 'merciful attitude', serving the jews, believing in their god, accepting a jew as their 'savior', giving their psychic energy to the jewish programs, and accepting a reality of being robbed by the jews as 'given and good' that's all I have to say:

"Even as fools walk along the road, they lack sense and show everyone how stupid they are." -Ecclesiastes 10:3

Subject: Re: Wealth: Jews Vs Gentiles			

A lot of this poverty thinking is buried in the sub-consciousness of gentiles, not just through Christianity but through the media and every avenue they can

get. I just watched a new Disney movie that came out not so long ago, Ballerina and the message in it were obvious. It went like this:

Wealthy Aryan looking girl with blonde hair and blue eyes is a total bitch, mean and a snob. Her mother who pushes her to be her best is an evil psychopathic witch. (Actually called a Witch in the movie perhaps not so coincidentally)

Another wealthy Aryan looking guy is a cocky arrogant jerk and also stupid. Vs Jewish looking guy who is a scrawny dork, he is sweet and loving, inventive and a genius.

Jewish looking hooknose woman, a house servant with a crippled leg is of course a very kind generous woman who helps the poor orphan fulfill her dreams.

In summary:

- Jews are good, Aryans are bad.
- Poverty is good, wealth is bad.
- Parents are evil, being an Orphan is good.
- Parents who push you to be your best are oppressive and cruel.
- High class / high status people are evil. The poor, weak, awkward, ugly and misfortunate are good.

This isn't just in this one movie of course, these same messages are EVERYWHERE! Movies, cartoons, tv shows, music, literature, through every means they can pump it into you they will. That's why reprogramming yourself takes a LOT of hard work and effort. Most of us are unaware what is inside our subconscious. You think you want wealth, beauty and power but often times the subconscious has other ideas unless you fix it.

Subject: Capitalism, Communism, Christianity, Cohen Control

Capitalism, Communism, Christianity, Cohen Control

The name of the Jewish leadership the Rabbi's is the Cohen's.

Capitalism has been best defined as State sponsored Usury. And the Jewish Rabbi, Karl Marx. Defined Capitalism as the religion of the Jews. The Communist system is were you give all ownership to the Party State and now you have the synthesis of pure Capitalism and Communism. In State Capitalism and the Jews control the State. And Communism like Capitalism is Globalist. The Communist movement is just the finalization of Jewish control by ownership and the liquidation of all Gentile wealth into the hands of the Jews. Fulfilling the Messianic promise of the Torah-Talmud. The Jews shall have ownership over the whole planet and all the wealth of it. Gentiles are considered animals in the Torah and put on this earth to be under chattel ownership of the Jews which is part of the wealth promised to the Jews. The Torah states only Jews are under the category of People and Human. And Human rights don't apply to animals.

Capitalism ends with the liquidation of all wealth into hands of the Plutocracy that incorporates as the State in a Global situation and takes control by ownership. Why do you think the Capitalist philosopher the Jewesses, Ann Rand [Rosenbaum] promoted this ideal as the ultimate outcome for Capitalism. A Global Plantation State run by Jewish Plutocracy. In her words of which all races, nations [except for Israel] cultures even the family unit would vanish. Only cosmopolitan consumerism would exist on a global plantation State. Why did Rosenbaum hide her real name. For the same reason Trotsky did.

The New Testament as I have written before is designed to establish this outcome for the Jews. Let us just take a look at how Capitalism really works as its State sponsored Usury. The Torah tells the Jews to use Money Lending [Usury] as a weapon to conquer the Goyim and make them bonded slaves to the Jews. The New Testament tells the person they are born in the DEBT of sin, and they must Pay their entire life time. That they are here on earth only to labour and toil for daily bread and pay their DEBTS. Which is the cycle of Usury. Nothing more than slave labour. A worker, A consumer. That the State is God and within this the family unit, national unit, racial unit and Gentile cultural unit is all dissolved away into a global Universal plantation state where the majority of the population are reduced to chattel slavery by force and have no identity other than Christian, Communist, Consumer.

You have described Jewish Communism, Jewish Capitalism and Jewish Christianity all at the same time. Three C's of control on a planet that marks time in BC and AC.

As for the Christian arguments on this subject.

Christianity allowed for Jews to use Usury but forbade this practice to Christians unless they paid expensive license they couldn't afford. Ensuring the Gentiles could not economically compete with the Jews and the Capitalist system they created with Usury. And all the wealth and property fell into the hands of the Jews with ease. And with it control of the Goyim by ownership. Banning Usury for one but not the other ends with what... Monopoly of the other over the one that holds one under the control of the other. The Jews quickly stole the wealth of the Goyim with Usury rates of up to 84% which quickly enslaved the Gentiles into DEBT slavery to the Jewish owners. With this wealth and power they then finalized this control with Communism. Total ownership. The Three C's of Christianity, Communism and Capitalism are two C's.....Cohen Control.

My phone wouldn't allow mp3 downloads of the JoS website so I just used SnapTube.
Essentially, it is just YouTube but with a download button!!!

Hope you get it! Hail Satan!

Also could u watch my videos on YouTube please? Only SS though that's the point!

[RTR's For the Next Days](#)

Greetings to all our People and Satanic Comrades.

There is something in the work for the next days. As such, give us days for a new notice. The new notice will be in the upcoming days, and soon.

The next days can be spent for everyone to get up their energies, as we will hit hard very soon. We have been doing cycles relentlessly. The next few days can be used to get your energies up, relax, and fortify defenses.

For those who want to do rituals regardless, you can do the 72, 42, and Communications as these are the central rituals we must not stop. Others we can get to other times and re-fortify them as they are already set.

However you can actually take some time to relax and revamp energies now for stronger strikes later.

Take some time to regenerate your energies everyone. We have been doing great.

In the next days we will get some very powerful things out. Please check regularly.

The holocaust, really? But that's a lie! That's because the JEWS are so fucking sly!

In truth they hate us because we are human. They are ALIEN and we are TRUE men!

Look at the state the world is in now. They say 'Jesus' loves us, but HOW? Look at the rape, murder, terror and disease, THESE ARE ALL SYMPTOMS OF THE JEWISH BEAST!!!

Wake up and renounce this jewish LIE. Or they will cause us to fucking die!

Stop being brainwashed with this Jewish shit! As they are the evil ones and that is it!
Read the Bible, its full of murder. Find these quotes and you will get further!

Freedom is our right and that's all I ask for. Because we true Gentiles deserve it more!

Why does the Jew have tyranny over us? They murdered, raped and tortured us of course! Then Through fear, they used it to destroy. After this, they call us 'stupid goy!'

Don't you see, its all a lie!
Because the jew wants us GENTILES to bloody die! Through War and mix-racing this is the only way, BUT WE CRY 'NO WE PAGANS ARE HERE TO STAY!'

We cry, "NO! WE SHALL NOT DIE, BE DEFEATED OR SURRENDER! THIS WAS AND IS OUR HOME FOREVER! OUR PRIDE IS TOO STRONG TO BE BROKEN, AND THE TRUTH WILL BE SPOKEN!"

The true will survive and the evil will die! Because we SCREAM to the Jews, FUCK OFF AND BYE BYE!

Subject: Half Jews, Quarter Jews etc.

[Half Jews, Quarter Jews etc.](#)

Now I write this shortly to explain some purposeful (or due to mistakes) misconceptions that happen amongst people in regards to the jews.

The art of infiltration consists of APPEARING as your enemy, and being behind their ranks and ruining them from within. This is exactly what the enemy has done and what they did.

In their Torah, they have full guides in regards to this very thing. This is the proficiency of the jew. You can't take over billions or millions of Goyim, when you are sick frailing lifeform that comes based on warfare, moreso the Ancient races of old. But you can pretend and get in and ruin them from within with occult means, now that's more possible.

Now many people try to misinterpret the jewish writings in order to make reasons as to why half jews are less jewish and the list goes on. This is entirely untrue. Some even state the Nuremberg laws. Many people do not understand...

Some of these 'jews' were just jews in religion, and additionally, these people were strictly monitored, controlled, and forbidden from marrying with others. They were put in cages, so to say. The crackdown did happen on 99% of jews. The 1% remaining would be weeded of exactly after that time. As procreation was disallowed.

Unfortunately, when jews get too far in civilization (This is advice from the Torah) they gain positions between a state that the state cannot survive without. Surgical incision is needed, brute force will not always work.

The jews know internal mechanics of the soul. They know that the inner soul is inherited by the line of the mother, and outward dealing of life and other factors are generated much by the father. They don't seem to know all the details, but they know what they need to know for their job. However, make no mistake: the soul and the genetics alike are one and there is no 'separation' in such things.

The "Cohen" gene, as I have heard some crap, CANNOT be removed either. It's in every cell, on every strand, every molecule of their hair, and so forth. They are jews. You cannot change what you are. You can change your appearance, alter the DNA code, chop your face into pieces until you can't recognize yourself, become a cyborg even- but this fundamental thing that is 'you' and makes you recognize yourself, this 'damned sense of self' is actually jewish for the jew.

You cannot get this out with meditation or anything like that. The only thing that meditation made to the jew is basically make them all the more dangerous and the first thing they did with spiritual knowledge is weaponize it against the Goyim. Because this is who they are. Their mission is coded in their very soul. There are no stupid or good samaritan reasons to ever accept the jews either. No reason whatsoever. Let's stop acting like good goyim retards here.

I am well aware many people will skip these lessons and go and associate anyway. Like the person in the groups two weeks before that said they had this

jew they were doing weed with, so they didn't do the RTR's because they were afraid it would hurt their smoking habit could be met with problems. I mean seriously guys, who should do RTR's to save the planet from extinction while you can smoke a plant and form a culture around it? I mean that's obviously superior than saving the planet from morbid futuristic plans of a jewish oligarchy and shit like that.

"I just want my 10 minutes of kush induced mechanical relaxation and frying braincells and my front cortex which gave me the curse to be able to judge and have self control, not to defeat any jews."

Now please let's just be serious...

Then they wrote later in the message how the jew brought them some strange 'kush' if I recall right, which knocked them senseless and they felt like they were going insane. The jews love you Goyim. This person knew firsthand. Who knows maybe the jew next time will bring some cyanide or rape them while they are stoned. It may take a while until they get it. But this is the friendship of marijuana in the 21st century. If you don't fight them, they STILL WILL fight you and want to exterminate you. It's really that simple...You will not have peace because you're stupid or in conscious denial...

After all (((self-thinking))) comes with a price in these cases. Most people self-think only when it is, you know, to do retarded shit such as smoke drugs. They want to exercise 'individuality' when it comes to all the suicidal crap in the world, to prove they are an 'individual'.

Everyone knows better than this "Hooded Nut Cobra" and of course all these other people in the world who tell them things like drugs are going to kill you or ruin you. Therefore to my little individual thinking scientists who are always in for 'checking everything'.

I have a challenge for these people [Obviously this is...humor]: You might want to go to a Hasidic neighborhood, and ask the jews there some questions, but why don't you go there? Ask them to read some Torah and other things? And be a bit pressing on your questions because this is where you're going to see them a bit agitated...Keep pressing with it...If you can come around alive, then you can tell us your individual, self-thinking opinion. Because you have a feeling they may gun you down or kill you? Why? We have to be 'individual thinkers' don't we?

Some others also argue: "Oh the non-Zionists do not do crimes". Well, they CAN'T. They are powerless, and then again, how do YOU KNOW? I know their writings and their culture inside and out for a while now, and I see they use occult warfare, lying, and many other things extensively. How do you know what these people do at night so to say? Because they don't stab a knife in your stomach, that doesn't make them good, and it doesn't imply they do not want it.

Needless to say, to accept reality, have spiritual sight, and enough cultural of the jews, shows you things that can be disturbing. I never saw something more evil and deprived before.

The fact that the Rabbis reject these half or part jewish people, is because they are corrupted in accordance to how jews need their people. In other words, this is nothing 'personal'. It's just what they are commanded to do. They know the weaker people to inbreed, and the jews have did whatever they could to maintain their jewishness.

If you look at Rabbis, there aren't many brown rabbis, or asiatic looking rabbis in Israel or close at the top. They simply aren't going to allow lesser than sustained reptilians to run the show. So instead they send these hybrids to infiltrate and do whatever they want really, OUTSIDE of their 'motherland'. They

confer them benefits and great lives, so long they wipe out their enemies such as many jews at hollywood do. They simply don't care further however. Why should they? Is it like they have a compassion even for their own?

The jews in Israel, they don't want, especially for the Rabbinical class or spiritualists, jews from the father, simply because, the inner part of the soul is better and closer from the jewish mother. This makes a jew, completely jewish in all levels. Now, when this is from the father, the job of these beings is NOT to be in Israel and pollute it, but become infiltrators to other races of people and so forth. This is just their job. Their external part is concealed for this exact purpose.

Many people do get confused on the jews. The purpose of hybridizing is this. The benefit of the doubt, the 'confusion' and the 'tolerance' that may be given rise to the victims. It's through these hybrids and through infiltration their greatest goals are accomplished. Indeed for jews, this need to 'intergrate' and this need to procreate with their enemies is the fundamental savior of the jewish race. They are programmed to think that way, while most other Gentiles needed propaganda to ever consider this fact.

A jew is always a jew. They can dress European, or African or anything else, even adhere to the 'cultures' of their host, and in extreme cases, look and act like them, especially now with plastic surgeries. But as Rabbi Laitman mentioned, at some point, they know for a fact that they are jews. They can never disassociate this from their blood, behavior, and their soul. Mask it? Sure...For a while.

Especially if the circumstances help, or if people are blind, they can't be seen. Indeed even the jew can neglect his own jewishness. However when the time comes, they become exactly what they were all along, like a latent parasitic organism. They just can't help it anymore than every race acts in accordance to their behavior, which paints anything people do. Intergration of jews in another lands or places has always ended up with Pogroms and expulsions over this very reason.

Jewish hybrids from the mother are completely jewish in all levels, same are from their father. As I told you, it's only the behavior that may be different and how this is externalized. While the hybrid from the mother is basically in the soul (inner feminine) and therefore is extremely obvious in their behavior, the hybrid from the father is more internalized and as thus maybe less obvious at first glance. This can lead people into confusion and the jews know it. This is their job. They are however the same thing in their entirety. It's the method of operation that is different.

Lastly, when you understand the patterns of the jews and study the jewish soul, as in culture, religion, behavior and anything else, you can thoroughly see that they are an alien species. Many people don't know about them, and that is the problem. The way they perceive the world, their beliefs and everything else are far from 'cultural'.

A jew can be raised in Mars and he will still materialize the same jewish culture and the same jewish way of looking at the world. This is reflected in most jewish artists who may have even had a "Christian" upbringing. Christianity is essentially judaism so it brings out the very same product even with zero exposure.

Culture is nothing but the expression of the biology of the jewish race upon itself. Nobody forced the jews to believe what they do, but on the other hand, they forced the whole planet to adhere to their lies, so to say.

Let's let this giant pill (pun intended for the post) be swallowed, if humanity is to be saved. It can cause you six trillion gasses, which will kill a lot of parasites inside you, but that's all about it. If you however take the jew pill, a non adventuresome death is guaranteed.

Subject: The Trine Jew

The Trine Jew

In Judaism the Torah states the Jews will inherit and rule the earth in the Messianic age. In which there will be no god, religion or culture but the Jewish one. And the nations will serve the Jews as slaves. In a global Jewish theocracy. In which the Goyim will be forced to convert to the one world religion of Judaism, as a slave caste and follow the Noahide laws as righteous Gentiles, meaning slaves who obey their Rabbinical masters How does a small number of Jews bring this about in a practical way.

The bible was written by Jews and states to the Goyim that one must become Jewish and the spiritual seed of Abraham the first Jew. In order to obtain salvation which is of the Jews. The Rabbi Saul converts the Gentiles into open Judaism in the New Testament. As Jesus was a Rabbi who preached Judaism. And commanded his other 12 Rabbi's to go forth and convert the world into Judaism. Thus achieving the agenda of the bringing forth the Messianic Age of the Jewish cult. In which the ruling Theocracy is god and all must submit to the Jewish god.

Mohammed was a racial Jew who was born of a Jewish mother. Who's Jewish Qurayshi tribe was descended from Ismael. The son of Abraham the first Jew. Mohammed stated he taught the religion of Abraham. Which is Judaism. Jesus is also in the Koran as a great prophet who was born of a virgin birth. This is why Mohammed's first wife was Jewish. The messianic mission of Islam which means Submission to the god of Abraham [Yahweh] the Jewish god. Is to create a global Islamic State in which Judaism will be the sole world religion.

Islam and Christianity are nothing more then a Jewish, mass ritual working to bring about the Jewish Messianic Age.

Christianity, Islam and Judaism are the trine Jew. The Christian's and Muslim's are simply Golem's who are working to spread the Jewish agenda of the Messianic Age around the world and act as physical conduits for the Jewish god form to act thought and take hold in. And when this god form manifests as a ritual working fully into the material world. They will be the willing servants to the Jewish Messiah when this being appears and conquerors the world by bringing together the billions of Golems to act as its world Army and slaves.

There was an article in the Jewish presses in 2016 the large congregations of the Jewish Rabbinical leadership gathered in large rituals by the thousands and performed a Kabbalistic ritual to command their Messiah to come forth into the world.

President Bush also signed the Jewish Noahide Laws into effect as well. Its called: Public Law 102-14.

Subject: Jews The Lords Of Racist Holocausts			

Jews The Lords Of Racist Holocausts

And that's a world without you in it Goyim.

Racism by sociological definition is the psycho-physical differences between the races. And the science of the study of these. Racism as a scientific and

common sense observation has been vilified by Jews for Goyim. They went all out to do this including creating the fake Boaz school to push the Racial anthropology lobby out of existence. Boaz was a Communist Jew and was part of the larger Communist agenda. You can watch the old Jewish Communist propaganda documentaries for America from the late 1930's claiming were all one race and race is skin deep. Its now the mainstream establishments line. That is how long the Jews have been at this. Racism is the charge the Jews use to attack and tear apart any organic boundaries of Gentiles, they perfected this under Communism. So they can dissolve all races and nations out and create their Messianic Global Jewish Government. Run out of Israel which is a Jewish Race state. They don't practice what they preach to the Goyim. Because its a form of their war on the Goyim. Even the Jewish crying about Racism is a ploy of Jewish Racism to destroy the Gentile Races.

We are all the same the to the Jew, all the same cattle.

The reality we all know race is real. If a person decides to make a negative or neutral or positive out of that. Its is up to them as its always been. But do to the negativity Jews promote about racial differences out of the other corner of their mouth they are turning the place into a racial warfare zone. This is the other side of the coin. Create a situation were everyone is obsessed over Racism and then offer the solution to all the problem of Racism.

They do this by.....

Stating the one true evil on earth is one thing that of Racism. And only Whites and all Whites are Racist and all things that are evil come from the original sin of White People existing so the only solutions is to end all evil is to end the White Race.

This garbage could not exist without xianity building the platform. The original sin is now being born White instead of just human. And you must spend a life time in repentance and self hatred over being born with the sin of Whiteness. And the only way to do that is to destroy yourself, race and nation. Jews taught White People, they were evil for being Pagans, having White culture and cultural identity the sin of Whiteness. And only by embracing globalism under the Jewish cross and destroying themselves could they repent and be saved from the sin of Whiteness. So nothing has changed its the same old Jewish poison. From the same old Jewish mouth. Rabbi Jesus or Rabbi Marx. The agenda of the Jews alien soul marches thought the ages.

The Torah and Talmud of the Jews, state the White Race is of the seed of Satan and must be totally exterminated. Frist out of all the Goyim.

This Jewish leader just summed up the meaning of Jewish identity in the Torah and Talmud.

The Jews in their own writings brag they are the authors of racial hated among Gentiles to get them to hate and kill each other to destroy the entire Goyim and divide and conqueror the Goyim.

The entire anti-Racism ideology which the Jews openly state is simply anti-White because only Whites are Racist. Was created by Jews of the Frankfurt School of Cultural Marxism. This is a Judaic racial warfare ideology out of the Torah. The goal is to use this to demoralize us so we will roll over like a good Goyim and let them wipe us out. The only race of people that deserved to be hated is the Jew. The Jew is responsible for the death of two hundred million Whites, under Jewish Communism and Christianity over two hundred million Asians killed under Jewish Communism, 127 million Amerindian People killed in the America's. Columbus as shown by Jewish historians was a crypto Jew and his whole operation was nothing but Jews and was financed by three wealthy Jews to build a Jewish Zionist Empire in the America's. And the Jews killed 100 million Africans via their slave trade. The Jews also committed the Armenian Holocaust of a million human beings. The Jews murdered 85-100 million Indians with organized famines during their regime under the Rothschild Empire, the British Empire was openly called the Yiddish [Jewish] Empire as it was run by Jewish banker Lords. The same Jews that committed the holocaust of a million Irish with the organized potato famine. And the continuing Holocaust of the Arabs by the Jewish state which has killed over a million Arabs. Then the hand of Jewish power in creating two World Wars that killed 100 million humans. We also have the confession's of the Jewish leadership such as the Rothschild's that there is not a single war, famine or conflict that happens without them creating it. Factor that in and you add countless millions of human beings offered up as sacrifices on the altar of Jewish Racism.

Just look at the Jewish Torah they celebrate the racial extermination of the Gentiles living in ancient Cana and after murdering them burned their bodies as what they call a Holocaust, a burnt offering to their Jewish god.

This puts Rabbi Marx's statements into proper context on the "Revolutionary Holocaust" that most occur in order for the Jews to create their global state under Communism.

The Racism we have to oppose is Jewish Racism against Gentiles its responsible for numerous Holocausts of Gentiles by Jews. The Jewish texts state when the Jews finalize their Messianic Age of a global Jewish Government they are going to exterminate all the Goyim as the holocaust, the blood offering to their God.

Subject: Important, Regarding the Sun			

I'm not going to get into a long spiel here, but it is a fact that the sun has gotten much stronger. In many areas, this is very noticeable.

I posted some meditations using the energies of the sun. Normally, these are very effective and powerful.

Unfortunately, the sun, especially the nearer you are to the equator, can be even deadly anymore.

What I have found to be most effective used as a meditation prop is a adjustable crook neck desk lamp, where you close your eyes and shine it in your face.

This artificial light does work in helping visualize light, for cleaning your aura and other workings. Being a 24 hour person, I've used this a lot myself. Remember to always keep your eyes closed.

US Senators Pushing for 20 Years in Prison for Citizens Who Support Boycotting Israel

[My note after all the Jews violated American trust as President Kennedy told Gore Vidal in an interview. That President Truman only recognized Israel after being bribed by Abraham Feinberg with two million dollars and the promise of the total interference of the Jewish oligarchs and their media in his Presidential campaign. Jews don't respect American democracy nor the constitution, President Nixon stated in the Nixon tapes that Jews are disloyal to America. He also told Haldeman, who was one of the members of his administration that he knew Israel was behind the assassination of Kennedy and was assembling the evidence to expose them on this. The Jews moved against President Nixon and Vice President Agnew because they were exposing their Jewtrix of power.]

(ANTIMEDIA) — United States senators from both the Republican and Democratic parties are pushing to implement a bill that would make it a felony to support boycotting Israel, punishable by up to twenty years in prison. On Monday, the ACLU issued a letter to the Senate opposing the proposed legislation, which was introduced in March by Sen. Benjamin Cardin (D-MD) and Sen. Rob Portman (R-OH). It was “drafted with the assistance of the American Israel Public Affairs Committee [AIPAC],” according to the Jewish Telegraphic Agency.

We're revolutionizing the news industry, but we need your help! Click here to get started.

The Israel Anti-Boycott Act (S.720), which has a total of 43 sponsors in the Senate (14 Democrats and 29 Republicans), seeks to broaden the the Export

Administration Act of 1979 “to include in the prohibitions on boycotts against allies of the United States boycotts fostered by international governmental organizations against Israel and to direct the Export-Import Bank of the United States to oppose boycotts against Israel, and for other purposes.”

The bill in its current form would also make it illegal to even request information about boycotts against Israel, and violations would carry a minimum civil penalty of \$250,000 and a maximum criminal penalty of \$1 million and 20 years behind bars. If passed, this legislation would effectively put U.S. citizens behind bars for up to twenty years for nothing more than their political beliefs.

“The impacts of the legislation would be antithetical to free speech protections enshrined in the First Amendment,” the ACLU wrote.

The organization also pointed out the contradictory nature of the proposed measure, explaining it “cannot fairly be characterized as an anti-discrimination measure, as some would argue. For example, the Civil Rights Act of 1964 already prevents businesses from discriminating against customers based on race, color, religion, and national origin. This bill, on the other hand, aims to punish people who support international boycotts that are meant to protest Israeli government policies, while leaving those who agree with Israeli government policies free from the threat of sanctions for engaging in the exact same behavior.”

It continues:

“Whatever their merits, such boycotts rightly enjoy First Amendment protection.¹ By penalizing those who support international boycotts of Israel, S.720 seeks only to punish the exercise of constitutional rights.”

If passed, this tyrannical bipartisan bill would blatantly violate the constitutional rights of every United States citizen by punishing individuals based on nothing but their political opinions and decisions as consumers.

There is no coming back from that.

Reporter Who Exposed BBC Pedophilia Cover-Up Suddenly Dies at 52

<http://thefreethoughtproject.com/reporter-exposed-bbc-pedophilia-cover-up>

By [Jay Syrmopoulos](#)

Courageous investigative journalist and ex-BBC News correspondent Liz MacKean, 52, who exposed infamous pedophile Jimmy Saville – and ultimately resigned in 2013 over the BBC's decision to refuse to air her investigation into Saville – has died after suffering a stroke.

Only in 2016 did her investigative work exposing Saville's rampant molestation of children see the light of day on the BBC, featured as *Abused: The Untold Story*.

While it was an open secret within the UK corridors of power, it was not yet public knowledge that Saville was a serial child molester, thus MacKean's investigative work on Saville's abuse of children would have blown the doors off the [UK's power elite's dirty secret](#).

Sadly, the power players in British media worked diligently to cover up the obscene sexually predatory behavior of Saville by not airing MacKean's expose until after his death. The public only became fully aware of Saville's rampant pedophilia a year later, after a Panorama documentary on ITV.

Current BBC director of news, James Harding, paid tribute to MacKean saying she had earned a reputation as a *"remarkably tenacious and resourceful reporter"*.

"In Northern Ireland, she won the trust of all sides and produced some of the most insightful and hard-hitting reporting of the conflict," he said.

"It was as an investigative reporter that she really shone, shining a light on issues from the dumping of toxic waste off the African coast to Jimmy Saville, the story for which she is probably best known."

Rather than tempering the growing public awareness of Saville's crimes against children, the BBC's decision to attempt to cover-up his crimes by shelving the story only served to make headlines around the world – with the investigation ultimately being recognized by the London Press Club with a scoop of the year award.

According to a report in [UK's Mirror](#):

In a Panorama special about its handling of the Jimmy Saville scandal in 2012 MacKean explained how former Newsnight editor Peter Rippon was initially excited. But she adds: "It was an abrupt change in tone from one day 'excellent, let's prepare to get this thing on air' to 'hold on'."

MacKean says she was left with the clear impression that Mr Rippon was feeling under pressure. She wrote to a friend documenting a conversation she had with her boss on November 30 – a month after Savile's death: "PR [Peter Rippon] says if the bosses aren't happy [he] can't go to the wall on this one." She tells the programme: "I was very unhappy the story didn't run because I felt we'd spoken to people who collectively deserved to be heard and they weren't heard... I felt very much that I'd let them down."

Interestingly, Mark Thompson, the current CEO of the New York Times, which has often taken to attempting to normalize pedophilia, was Director-General of the BCC at the time, which is considered the most powerful position in the U.K. television industry. [Thompson was implicated in attempting to cover-up](#) the open secret of Savile's rampant molestation of children – a charge which he denies.

A [report from the Telegraph](#) succinctly noted the investigative work MacLean undertook to expose Savile's crimes against children, and the BBC's attempt to cover-up his crimes:

The Newsnight reporter must have worked so hard to get Karin Ward to talk openly on camera. Karin was one of several girls from Duncroft Approved School who were groomed by Jimmy Savile, with the promise of trips to Top of the Pops. Karin, now 54, had not spoken about her ordeal for 40 years. When MacKean and producer Meirion Jones tracked her down last November, she was suffering from cancer. How the poor woman must have recoiled from the prospect of a gruelling interview in which she would have to reveal shameful acts she had long suppressed. Somehow, MacKean convinced her.

A tenacious and compassionate reporter, MacKean will have done all she could to reassure her fragile witness. Jimmy "Ow's About-That-Then?" Savile was dead and buried. Ward could trust the BBC flagship news programme to bring the truth about his disgusting behaviour into the open. Here, at long last, was her chance to be heard and believed.

As an interviewer myself, I can imagine the relief, even satisfaction, MacKean felt as the camera rolled, and Karin – the girl she once was still visible in that gaunt, sweet face – told of jaunts in Savile's Rolls, and the sordid fare for those rides. There was one, yet more monstrous memory: 14-year-old Karin was in Savile's dressing room at the BBC, which was "full of people", when she saw a second notorious pop pervert having sex with another Duncroft girl.

Shocking hardly begins to cover it. MacKean must have returned to the office feeling confident she had her story. This was not only a scoop, it was a chance to smash the halo of St Jimmy of Television Centre.

So imagine how MacKean felt when she read an email from her Newsnight boss, Peter Rippon: "I think the key is whether we can establish the CPS did drop the case for the reasons the women say. That makes it a better story – our sources so far are just the women and a second-hand briefing."

Just the women? That is how a senior news executive chose to describe Karin Ward and the other victims who had overcome fear and self-loathing to speak to the BBC. Four decades before, their protests had gone unheard because they were "only girls" from an approved school. Now they were "just the women". Just the women who, as vulnerable teenagers, had been molested by a peroxide piper using the BBC as both

cover story and brothel.

Revealing the breadth of the cover up, in a leaked email, MacKean alleged that Newsnight's editor had implied the witnesses were not really victims:

He resorts to saying, Well, it was 40 years so, the girls were teenagers, not too young... they weren't the worst kind of sexual offences, etc."

Essentially, the BBC turned a blind eye as young girls were seduced by the lure of fame and fortune and groomed into participating in orgies in Saville's dressing room – yet a senior BBC News executive thinks Saville's offenses weren't the *"worst kind of sexual offenses, etc."*.

As the Telegraph reported:

After Savile died, a year ago on Monday, a commemorative page was put up on the BBC website. As requested, viewers shared their memories of "Ow's-About-That-Then" Jimmy– only, instead of a light-entertainment legend, they recalled a dark, devious pervert. The Savile tribute page was hastily removed. Shouldn't that have been the first sign that celebrations needed to be put on hold?

On Tuesday morning on Radio 4, a spokesman for the Association of People Abused in Childhood said something that cut through the week's lies and obfuscation to pierce your heart: "Children seldom speak out, and when they do they are rarely believed."

Liz MacKean did believe. Acting in the very best tradition of BBC journalism, she did her research and found out that Jim had fixed it to escape prosecution. She put together a powerful story that vindicated Savile's victims and damned their doubters. The fact that the story was not broadcast, as Karin Ward was promised, is a scar on the face of the world's most trusted broadcaster.

Make no mistake that the power-elite cover for their own, and only through the efforts of diligent investigative journalism are the lies of these power players ever exposed. Sadly, the powers that be continue to sweep the scourge of organized pedophilia under the rug as the UK inquiry, which implicated hundreds of politicians and celebrities, fell apart after the public began to understand the scope and breadth of the UK's organized pedophilia rings.

Liz MacKean was a true hero for choosing to go up against a system that routinely attempts to hide the crimes of the rich and famous, while marginalizing the child victims into obscurity. Rather than allowing her work to be summarily dismissed as part of a larger cover-up, MacKean took a principled stand and resigned from the organization she had worked for her entire professional life. The world could certainly learn something from the MacKean's righteous actions.

Drinking my morning coffee here in Texas...pondering the effects of two things. One, our brethren's RTR work during the solar eclipse, and two, the affect of the temperature drop that the solar eclipse has on the weather.

In about 24 hours, the Texas gulf coast will be pounded by the Category 3 storm brewing in the Gulf. For me, it is a peaceful cleansing that mother nature bestows on us. I welcome it.

But what really occupies my mind is this United States Supreme Court's decision. We will see more of these last ditch efforts by Jews to censor "hate speech". I hope they continue. This is what it will take to wake Americans up,,to get them to really appreciate our Constitution. The gig is up Kikes.

The Jews attempt to turn America into a totalitarian state in which Jews and only the Jews decide what is acceptable. Which means the Goyim have no rights as they are not considered human in the Jewish Torah and Talmud, Kabala. Which is why the Jewish run Soviet nations the people had literally no rights .Because only Jews are People and the Jews lived in total wealth, power and privilege when the Goyim were literal slaves to the Jews. It was like living under Orwell's 1984. Remember Palestinians are what it looks like when Jews have total power over the Goyim.

What do the Jews decide as law in the Soviet regime.... The first law the Communist Jewish leaders passed was the Anti-Semitism Act, Which criminalized thoughts the Jews don't like and punished it with capital punishment.

Note the Communist Jews made owning The Proctors of Zion the death penalty. Because they are totally fake....The one Russian who published them was executed by the Jewish Bolsheviks for such.

The original Protocols were demanded authentic as well by Russian scholars in the 90's when they had the freedom to examine them. The Pavel edition from 1903. Not the Nilus edition. Which was based off the Pavel edition but altered to conform to his Xian bias which involved removing all the Torah and Talmudic quotations within them and adding stuff about Darwinism and Nietzsche. The Jews still executed Nilus.

The original Protocols came from the agents of the Zionist conferences happening within the Russian Empire during an anti-Jewish riot their lavish homes were ransacked and the documents discovered.

Article

<https://www.washingtonpost.com/news/volokh-conspiracy/wp/2017/06/19/supreme-court-unanimously-reaffirms-there-is-no-hate-speech-exception-to-the-first-amendment/>

From today's opinion by Justice Samuel Alito (for four justices) in *Matal v. Tam*, the "Slants" case:

[The idea that the government may restrict] speech expressing ideas that offend ... strikes at the heart of the First Amendment. Speech that demeans on the basis of race, ethnicity, gender, religion, age, disability, or any other similar ground is hateful; but the proudest boast of our free speech jurisprudence is that we protect the freedom to express "the thought that we hate."

Justice Anthony Kennedy wrote separately, also for four justices, but on this point the opinions agreed:

A law found to discriminate based on viewpoint is an "egregious form of content discrimination," which is "presumptively unconstitutional." ... A law that can be directed against speech found offensive to some portion of the public can be turned against minority and dissenting views to the detriment of all. The First Amendment does not entrust that power to the government's benevolence. Instead, our reliance must be on the substantial safeguards of free and open discussion in a democratic society.

And the justices made clear that speech that some view as racially offensive is protected not just against outright prohibition but also against lesser restrictions. In *Matal*, the government refused to register "The Slants" as a band's trademark, on the ground that the name might be seen as demeaning to Asian Americans. The government wasn't trying to forbid the band from using the mark; it was just denying it certain protections that trademarks get against unauthorized use by third parties. But even in this sort of program, the court held, viewpoint discrimination — including against allegedly racially offensive viewpoints — is unconstitutional. And this no-viewpoint-discrimination principle has long been seen as applying to exclusion of speakers from universities, denial of tax exemptions to nonprofits, and much more.

First off, www.exposingchristianity.com and www.exposingchristianity.org are working again.

Also, I want to add here, in the Talmud, it reads:

"God" studies the Torah." "God keeps the sabbath." "God puts on tallit and tefillin." "God" is hidden." etc.

This is glaringly obvious that so-called "God" is the Jewish people.

They drop hints like that for their own and rabbis reveal to their own with their oral Torah, the Talmud, etc.

In addition, their "Tree of Life" with the Adam Kadmon, the kether, malkhut, etc, is a vehicle for channeling energy to them.

"Malkhut which is also known as Shekhinah and Knesset Yisrael, the soul root Israel (which manifests in the form of the Jewish people)." (1)

I strongly advise to stay away from their Tree of Life and related. Their soul is NOT our soul.

The Jewish soul is not the same as the Gentile soul. They are an alien soul and we Gentiles have certain aspects of the soul that the Jews lack.

This is why all the emphasis on "love." The Jewish soul is unfeeling and as most are familiar with Jewish communism, where mass murders and other atrocities went well past the 100+ million mark, Jews are capable of unbelievable cruelty and brutality.

Their insatiable greed has been responsible for usurping and hoarding occult/spiritual knowledge to the detriment of this entire world.

The creativity aspect is also missing on their soul. They have nothing of their own, any more than do their programs of Christianity and Islam, which were made up from stolen and corrupted concepts in Paganism, with the spirituality deliberately removed.

Anyone who is sensitive enough can sense the flat aura of the Jew. They suck energy like a parasite sucks blood.

There are aspects we have on our souls that the Jews totally lack.

Also, that "All is One" crap, along with the love bombing that the New Age is infested with... That's Jewish as well and is of their Shema prayer of which is one of the most important in Judaism:

"Hear, O Israel: G d is our L rd, G d is one."

This "All is One" crap goes with the monotheism.

In closing, I wrote this before and from what I've seen following, this really gets them.

The ubiquitous term "People's" in communism, such as "People's Republic of North Korea" etc, has the word "Chosen" dropped preceding it. Rabbi authors are now admitting this.

Many people have inquired on how to identify an Asian Jew. Kim Jong of North Korea is a prime example. Of course, they always try to deny and hide their Jewishness. Asian Jews like Jong are weird looking.

Pull up some images of Chinese Jews, etc on Google and see what I mean.

Heres one of Kim Jong of North Korea. He doesn't look at all like the other N Koreans in the picture. I mean aside that he looks overfed while the rest of them look underfed...he looks like a different species from them. I've always thought he looked really weird and UGLY, I didn't know he was a jew. Everyone Save This Webpage:

Greetings to all our People and Satanic Comrades.

With the recent purges of the jews in the internet, everyone needs to do the following:

1. Save the RTR's
2. Make a bookmark of this blog:

<https://rtrschedules.blogspot.gr/>

3. Make sure to have offline backups for everything.

We are working with other SS to give these to everyone, and everyone that can must keep these somewhere where these are safe and don't give anyone, any danger.

We will make more blogs to post the Schedules. If the enemy goes further, that doesn't mean their empire is going to last regardless. Their end has been sealed by the RTR's.

When these spiritual rituals are repeated and done, and if we never stop doing these (Which we are in the thousands and more, and on the whole surface of the planet therefore it's impossible for these to stop), we will finally cap them completely.

Their tyranny will only last a season.

To be prepared is to win this war easily. Always be prepared.

Subject: Eclipse and Flooding...

I just want to mention, the extreme flooding and threatening weather is a result of the powerful eclipse that occurred on the 21st.

I have read astrology books that have it wrong in regards to the elements and signs.

Like invoking elements can create a backlash of the opposite element, with a bit of research, I have found the same with eclipses.

The eclipse on the 21st was very powerful in contrast to most eclipses and was at 28 degrees of Leo. Leo is of the element of fire. This has created a backlash of water.

Just know this, especially for new people... The Jewish media, along with their Christian idiots hype this sort of thing and try to claim responsibility for it, wrath of that "God" etc, and exploit these occurrences of nature in order to frighten more ignorant people into believing in and following their vile agenda of spiritual enslavement.

Don't fall for it.

Most people haven't done the research and studying. Also, knowing the effects astrologically. Astrology is a difficult subject for most people, but is extremely rewarding.

The above is analogous to when European explorers were taken captive by natives here in the West. They told the natives they could make the moon disappear, as they had knowledge of an impending lunar eclipse. The natives were frightened and set them free.

Satan brings us knowledge. Especially for people who are new, don't listen to any Christian drivel. The average Christian has shit for brains. The Jewish controlled media hypes this sort of thing while pretending to be against it and the sad fact is most people believe what they're told.

If you do a little research on your own, you will find major eclipses like the one on the 21st bring catastrophic events. This is NO act of any spook floating around out there.

Also, after Mercury goes direct after the 4th of September, we should have a new forum. This will be announced here in the groups and on the JoS website.

The Black Sun group was hacked again. They hack any JoS e-group and we will just put it right back up again.

Now, I want to add something here. As for idiots who call us 'Racist Nazis,' these ignorant assholes don't know a damned thing about True Satanism. I know quite a few of those idiots follow Anton LaVey's teachings. The thing is...they are too fucking STUPID and spiritually dense to see the connections between Nazism and Satanism, even in Anton LaVey's writings, where he promoted the Nazi slogan 'Strength through Joy,' along with the Nazi principles in the Satanic Bible, even though many of the writings were taken from the book 'Might is Right.'

Anyone who ties into Satanism deep enough, ties into Nazism, which is of Satan, like it or not. Satanism is NOT Christianity and one CANNOT apply Christian principles to Satanism, though many have tried to do this, namely jews and other buzzard brained idiots who can't face the truth or who are deceived.

They are too fucking stupid and lazy to do any meaningful research of the Freemasons, before they were infiltrated by the jews, of which the Freemasons were racial separatists and Luciferian, raising their serpent [33rd degree Mason = risen serpent of 33 esoteric vertebrae of the spine]. The original Freemasons who descended from the Knights Templars had degrees; the degrees were how far one had advanced in raising one's serpent. Nearly everyone who has been here for a while should definitely know THE 'SERPENT' IS OF SATAN.

The true 'Building of the Temple of Solomon' was reaching the godhead, as the TRUE meaning of 'TEMPLE OF SOLOMON' is 'Temple of the Sun' which is the risen serpent which is the real 'light.'

http://spiritualwarfare666.webs.com/Satanic_Symbols.htm

Before Freemasonry was infiltrated by jews, upper level Masons could communicate with each other telepathically, and more. This was centuries ago. Freemasonry today has been corrupted and like nearly every other spiritual organization that was once Gentile, is now under the firm control of the jews and geared towards communism and the jewish agenda, with most of the spiritual knowledge and rites systematically removed and replaced with meaningless material crap.

The Deadly Deception: Freemasonry Exposed by One of Its Top Leaders

James D. Shaw

[The above reference is tragic, as the author, believing modern Freemasonry to be of Satan, fell victim to christianity- this is how the enemy cleverly deceives people].

The Freemasons descended from the Satanic Knights Templar. One also needs to study about Freemason Albert Pike, the history of the Scottish Rite, and where the traditional Satanic Sabbats and rituals originated from. Satanism has a very blatant past if one is not lazy and does enough research. This also includes reading through spiritual doctrines and having the spiritual insight to detect allegories such as with the Revelation of Thoth.

Most prominent Satanic groups; such as the ONA and others have a same strong underlying message, provided one can see this, as they tie into Satanic energy. Idiots and Jews cannot and can only name call. They have real no concept of Satanism.

YES, there is a very strong connection that goes beyond what those of us who have worked directly with our Gods already know. Also, in studying Nazism and going deep within Nazi philosophy and doctrines, you find the essence of Satanism. If people can't accept the truth, they can go fuck themselves. I refuse to water down or outright lie about things I KNOW to be the truth. The Gods are not politically correct. There IS an Anti-christ and every time these idiots mouth off, they blaspheme him. Satanism DOES have a history which can be traced further back than Egypt; back to Tibet and the Far East.

SATANISM IS *NOT* CHRISTIANITY AND DOES NOT CONFORM TO CHRISTIAN PRINCIPLES!

'I place my affairs in the hands of those whom I have tried and who are in accord with my desires. I appear in diverse manners to those who are faithful and under my command.'

Subject: Spiritual Communications

I read time and again in these groups from people who are having a difficult time establishing telepathic communications with the Gods. There is so much information regarding telepathic communications and I wrote this before: telepathic communication is not all verbal.

Even after communicating with a Demon or even human spirit that has passed on, there are errors. This just happens, regardless of how psychic one is. When one has established a relationship with a Demon or human spirit, and has been communicating verbally with him/her, note that many of the conversations are accurate, but there will be times when they will be off. The more psychic you are, the more accurate, but there will still be times.

Now, as I wrote above, not all telepathy is verbal. If you are new and/or not as open spiritually, Demons still may communicate with you, but this may be quietly directing your attention to something, putting a thought in your head, and other related things.

I have had an ongoing problem and discussed it with Lilith last night. She works with me as I am working on a project for the Powers of Hell and she supervises this. Anyways, she told me she would help me with the problem. This morning, the very first thing I felt a strong urge to do was to make a phone call and everything from that point on got cleared up. I can cite other numerous examples, but the important thing to know and to understand is just because you do not hear a Demon communicating with you verbally, this does not mean they are not trying to communicate with you. It's difficult to explain, but like the fourth dimension, telepathic communication actually involves using more than one of your psychic senses and working with your logical side of the brain as well. This takes experience and practice.

Wonderfull sermon thankyou. I understand exactly what you mean, I am still learning and I am sure I have missed or mis interpreted many communications actually sometimes the non verbal for me are the easiest to understand, I know it is not in my head. I think some people expect a perfect hologram of a God to appear and speak with a booming voice and it just doesn't work that way. Well maybe that could happen I don't know but usually it is more subtle. I have found at times an animal special or sacred to Satan or a particular God will appear to me in an unusual way I think because They know I am in tune with animals and it is something I will always notice.

One time a falcon appeared on the side of the road with it's prey in an unusual manner and I demanded the person driving stop the car. I just had to get out and follow this falcon. It led me to something special. I have noticed people tend to have their own patterns of thinking I hope this makes sense I haven't really said it out loud before. The mind of an individual has a certain way it operates out of habit, certain thought processes, a certain sound or tone to their own mental voice. I suggest to pay attention to sudden unexpected changes in thought pattern or thoughts that come through that seem out of place to you, not of your own. A tone of voice you have not heard before, an emotion you haven't felt before or that seems out of place for you. If you are someone who finds it hard to accept or give compliments and suddenly hearing a compliment in your mind that surprises you. The enemy can also work that way but as you get better you start to recognise who it is, I always ask is this of Satan if I am not certain I ask for further confirmation. Sometimes I get a physical sign not always.

We are each different and what one person may notice another will miss.

Another thing is for people who are very busy all day and wind up exhausted you may be missing clues and messages. This is also why meditation is so important. When the mind is quiet and still it is much easier to hear Our Gods. If not hear I occasionally glimpse a face in my mind for a split second or see a place I am not familiar with sometimes it is a sudden increase in energy along with a particular emotion.

Just because someone has not seen Satan or The Gods or heard a clear message I have noticed new people worrying they have not been accepted. I was already pretty open at the beginning so I found it easier but others who came right out of church or people with no spiritual background at all might take longer. Even a few years isn't a long time everyone is different.

Critics of Satanism will sometimes use a lack of some amazing phenomenon as proof we are all nuts or liars. They are too thick headed and degenerate however to understand. People expect instant results, big results with no effort and magic like you see in the movies to just happen as soon as one dedicates or attempts to evoke a God. It takes patience and personal effort. You have to pay attention to the world around you in a new way. People who stick at this and mean business you can look back after 6 months and SEE how your life has changed. I have changed more mentally in 6 months for the better than I have in many years on my own.

Hail Satan.

Subject: A post about liberal pathology and "Native" American's

I am Alex Seville, this is my yahoo account (my other is google).

The following is a reply from HP Don, I don't remember to what thread but it was in this group prior to being hacked, but it provides a great example as to how the jews have re-written history again to make the White race feel unnecessarily guilty. I am also posting it at the request of another member for confirmation this did indeed come from HP Don.

"Its time to reach way on down and uproot the liberal pathology on this thread. Amerindians flooded into America in droves thousands of years ago over running the Aryan pockets wiping many of them out by sheer mass of numbers and viciousness. In some cases they where checked it seems slow mixing finished off the rest. The archaeological and cultural anthropology both show this.

After that the Amerindians went on to massacre each other for thousands and thousands of years in cycles of vicious warfare. For fun they would take rival tribe members and slowly skin them alive in the center of their village and take bets on how long it was before they would scream. They would cut the heart of the victims chest as the high point of the fun. These people exterminated whole tribes of other "Natives" after scalping them all men, women and children.

Thats their nature and it is what it is.

When the Whites started to return on mass in our more recent time and resettle the N.America's the Amerindian tribes just viewed them as one of another rival tribe with paler faces. You can see this one "Native" tribe would ally with Whites against another "Native" tribe for their own advantage. To try and destroy the next and take over.

The White Settlers naturally where forced to constantly defend themselves from the attacks of the "Natives" who if got the upperhand killed the men, raped the women and murdered the lot. One report that shows the norm here is the Indians raided a cabin killed everyone. And took a pair of twin White girls who where not older then six. They tied they by the wrist together and hung them over a strong branch on a tree in the air while cutting dozens of holes into them and them sticking pine plugs the kind you use to start a fire with. For that reason, they then set them on fire. That didn't kill them. So they left them their to die in extreme pain.

That is a normal day in "Native American relations." This is the kind of normal cruelty they did to each other for fun for thousands of years.

The truth of Thanksgiving Day is the celebration of the victory in a four years war of survival against a large Amerindian tribe who attempted to extermiante the New England settlers for not paying them the extortion fees to not rape and murder them all they demanded. This group had slaughtered weaker "Native" tribes and made a large profit in selling other natives as slaves they captured.

In the 20's the jews and liberal league did a rewrite to create a passion play to invoke false White guilt. And lied out their ears to the situation. The Settlers didn't need Amerindians to teach them anything about survivial in the New World.

There is a reason Amerindians where literally inter-generationally hated by the Whites settlers. 300 hundred years of brutal racial warfare, leaves a mark. The wars only ended when the Amerindians where broken and tamed on the reservations. War is what it is.

The Amerindians lost a war of extermination they started and carried on for centuries. It was known any treaty with them was in all reality mainly bullshit as they would break it the second they thought they had an advantage.

All these crying White liberals are pissing on the very people who fought to live and create the civilization they enjoy the benefits of. Because they are pathological and their hubris is always on.

If a White person has a problem with the actions of the Whites in America in dealing with the Amerindians constant warring. Prehaps they would prefer to be bound to a pole in the center of an Indian village and be raped, skinned and have their heart cut out by the chief?

The reality of nature is their are civilized races and uncivilized races as nature and evolution is hierarchical. And races and groups within those will and do war for power, terrority and resources especially in expansion phases and the strongest group wins as nature designed.

Its time people put the liberal porn down."

Subject: Common Sense			

I have written this sermon like three times, maybe more over the years, but given the importance, everyone should have this drummed into their heads, especially new people. Lilith asked me to write this again, as she told me it was needed.

Whenever you are receiving services, it is not very wise reveal you are a Spiritual Satanist. Reactions on the part of otherts can be anything from mild discrimination, nasty looks to being deadly. Places you frequent, places you go to eat, such as restaurants, and most important- any place you might have to go to get treatment involving your health or the health of loved ones.

The only 'sin' in Satanism is that of stupidity. Someone goes walking into a hospital emergency room or whatever, to get treatment or a doctors office, sporting blatant tattoos, having 'the look' and when asked about religious affiliation, proudly announces he/she is a 'Spiritual Satanist.' This can be deadly, even when it

involves loved ones getting treatment.

If asked your 'religious affiliation' you should either state 'Pagan' 'atheist' or non-religious.' Satan does not approve of our people placing themselves in danger through stupidity. He states this in the Al Jilwah:

'Do not mention my name nor my attributes, lest ye regret it; for ye do not know what those who are without may do.'

Medical Doctors can murder with immunity from the law. Remember this. This is nothing to bait or to toy with. Piss off the wrong doctor and you or a loved one could wind up dead.

I remember years and years ago when I was a teenager, my grandfather went into the emergency room on a Thursday night. He was around 80 years old, a heavy cigarette smoker all of his life and he had emphysema. He went in for chest pains. He was not senile, he was able to take care of himself and didn't need any assistance where his personal needs were concerned and he even did light yard work. The doctors made quick work of him. I saw him for the last time alive in the ER. He was alert, aware and seemed fine, except for the chest pains.

By Friday evening, he was in a deep coma. Late Saturday, the Dr. came to the family and informed the adults of his condition. Early Sunday, the Dr. had the family sign papers, consenting to the removal of all life support and drugs. He died Sunday afternoon.

Now, this shit goes on all of the time. One less 'goy.' I was young back then. This had nothing to do with anything more than that we were an average Gentile family and as most others, ignorant of what was really going on. As I got older it all became very clear, and I noted my grandfather was not the only victim of this sort of thing. All of our elderly are at high risk.

Medical Doctors are obviously not stupid. One must memorize sometimes hundreds of pages of advanced medical texts in a night while in medical school. While learning to heal, they also learn how to kill, as this is obvious. An intelligent medical doctor can make much look unintentional and like an accident. Advanced knowledge of drugs, drug interactions and such makes for an adept at poison, should they feel the need.

As for my grandfather, it became apparent to me, he was shot full of highly addictive medical drugs. This put him in a coma. Then, the drugs were systematically withdrawn and the body went into shock and being elderly, he died. Jewish Doctor has 'goy' family sign necessary papers, making sure there are no legal repercussions, and assuring them they are 'doing the right thing,' walks away with several more thousands of dollars in his pocket.

When you are in any situation where your life or the life of a loved one could be affected, or one's health, keep your fucking mouth shut, act like an average person. The less you say, the better. Don't volunteer any unnecessary information. Remember the old Satanic Adage 'Silence is Golden.' Don't stand out or be conspicuous, blend in, be as any other patient or service recipient. Our Anti-Christ told me on the astral: 'Learn from your mistakes!' This goes for all things. Don't be stupid and open your big mouth or make yourself stand out in any way or reveal you are a Spiritual Satanist and then go deep into danger and whine to the Powers of Hell for their help.

Also, I, myself have Satan's name and Sigil blatantly tattooed on my forearm. In the summer when wearing short sleeves, I know how to hide this. I turn my arm over. I keep this hidden from those who could potentially cause me trouble. This is nothing to take lightly. In closing, it is not only kikes, but brainwashed xians who can cause you more trouble than you bargained for. The Inquisition reveals just how far xians will go.

Subject: Symptoms of the Serpent

Here is a list of kundalini symptoms. The following indicates one's serpent has been activated and/or empowered, meaning you might be experiencing one or more of the symptoms on this list. always remember that each of us is individual. What one person may experience, another may not and some brothers and sisters may experience more of the symptoms and some less. It all depends upon where your soul is at in this present life. Remember- it is very important to be free. Restrictions create hang-ups for the serpent. Be free in what you eat, your sex life and when past repressed hang-ups surface, try to mentally soften, detach and let go of them. Never be afraid. Just because a symptom is on this list does not mean you will experience it. I know for a fact, when a dedicated brother or sister in Satan is making a serious effort at meditation, Demons are more than happy to assist you if you need help or guidance. This may not always be verbal. Demons are our spiritual guides. They may guide you in other ways. Our efforts at meditation and empowering ourselves are extremely important to the Gods of Hell. Also, from my own experience, I have had some of what is on this list. It comes and goes and is nothing to be worried about, as it is not usually constant.

Some of this list I copied and pasted from various sources on kundalini symptoms on the web and some of this is my own.

Muscle twitches, cramps or spasms.

Energy rushes or immense electricity circulating the body

Itching, vibrating, prickling, tingling, stinging or crawling sensations

Intense heat or cold

Involuntary bodily movements (occur more often during meditation, rest or sleep): jerking, tremors, shaking; feeling an inner force pushing one into postures or moving one's body in unusual ways. (May be misdiagnosed as epilepsy, restless legs syndrome (RLS), or PLMD.)

Some of this is copied and pasted from various websites on kundalini, some of this is also my own:

Alterations in eating and sleeping patterns

Episodes of extreme hyperactivity or, conversely, overwhelming fatigue (some CFS victims are experiencing Kundalini awakening)

Intensified or diminished sexual desires

Headaches, pressures within the skull

Racing heartbeat, pains in the chest

Digestive system problems

Numbness or pain in the limbs (particularly the left foot and leg)

Pains and blockages anywhere; often in the back and neck (Many cases of FMS are Kundalini-related.)

Emotional outbursts; rapid mood shifts; seemingly unprovoked or excessive episodes of grief, fear, rage,

depression

Spontaneous vocalizations (including laughing and weeping) -- are as unintentional and uncontrollable as hiccoughs

Hearing an inner sound or sounds, classically described as a flute, drum, waterfall, birds singing, bees buzzing but which may also sound like roaring, whooshing, or thunderous noises or like ringing in the ears.

Mental confusion; difficulty concentrating

Altered states of consciousness: heightened awareness; spontaneous trance states; mystical experiences (if the individual's prior belief system is too threatened by these, they can lead to bouts of psychosis or self-grandiosity)

Heat, strange activity, and/or blissful sensations in the head, particularly in the crown area.

Ecstasy, bliss and intervals of tremendous joy, love, peace and compassion

Psychic experiences: extrasensory perception; out-of-body experiences; pastlife memories; astral travel; direct awareness of auras and chakras; contact with spirit guides through inner voices, dreams or visions; healing powers

Increased creativity: new interests in self-expression and spiritual communication through music, art, poetry, etc.

Intensified understanding and sensitivity: insight into one's own essence; deeper understanding of spiritual truths; exquisite awareness of one's environment (including "vibes" from others)

Enlightenment experiences: direct Knowing of a more expansive reality; transcendent awareness

Heightened sensitivity to noise, electricity, such as feeling keenly when an appliance comes on or off or when you shut off a TV, for example. Even feeling a shock.

'Seeing' shadows or faint objects, even moving or crawling in your peripheral vision, lasting a second or less.

Then, there is what is known as 'The Devil's Skin.' Rashes, bumps, acne, and other skin problems can flare up. It is more annoying than anything. Hollywood has really twisted this. This I believe is the main reason that High Priests of ancient times shaved their heads bald.

Episodes of intense energy which make you want to leap out of bed and into action. One person said her body seems to vibrate wildly. Followed by periods of lethargy and fatigue. The fatigue usually follows great shifts.

[The above is where you can just sleep and sleep. I have noted this happens when one experiences a drop in energy, like in the way of skipping meditations].

Numbness or pain in the limbs, especially the fingers and toes. There can be nerve pain. This is because the serpentine energy is cleaning out your nadis which are often with nerve pathways.

Looking younger, grey hair going back to its natural color, feeling lighter. [One must raise one's serpent before working on the magnum opus. The serpentine energy is a major part of immortality and the commencement of the magnum opus which is physical and spiritual perfection and immortality].

Feeling a kinship with animals and nature, having more empathy, awareness and respect for both.

The serpent will amplify your thoughts, and also bring repressed memories and thoughts, often of a

disturbing nature into your conscious awareness. This is so you can deal with them, then they will pass away, as you are transforming spiritually.

You can see this one "Native" tribe would ally with Whites against another "Native" tribe for their own advantage. To try and destroy the next and take over.

>

> The White Settlers naturally where forced to constantly defend themselves from the attacks of the "Natives" who if got the upperhand killed the men, raped the women and murdered the lot. One report that shows the norm here is the Indians raided a cabin killed everyone. And took a pair of twin White girls who where not older then six. They tied they by the wrist together and hung them over a strong branch on a tree in the air while cutting dozens of holes into them and them sticking pine plugs the kind you use to start a fire with. For that reason, they then set them on fire. That didn't kill them. So they left them their to die in extreme pain.

> The truth of Thanksgiving Day is the celebration of the victory in a four years war of survival

against a large Amerindian tribe who attempted to exterminate the New England settlers for not paying them the extortion fees to not rape and murder them all they demanded. This group had slaughtered weaker "Native" tribes and made a large profit in selling other natives as slaves they captured.

>

> In the 20's the jews and liberal league did a rewrite to create a passion play to invoke false White guilt. And lied out their ears to the situation. The Settlers didn't need Amerindians to teach them anything about survival in the New World.

>

> There is a reason Amerindians were literally inter-generationally hated by the Whites settlers. 300 hundred years of brutal racial warfare, leaves a mark. The wars only ended when the Amerindians were broken and tamed on the reservations. War is what it is.

The story about the doctor is just.... Sickening. Ugh. Xians make me really, really sick. So do the damn kikes. How could anyone legitimately do such a thing to a person who isn't even involved in this? This is why I go to hospitals as a resort when I'm feeling my worst, other than that I ride it out and end up well quickly.

Friedrich was right when he said the Christian resolve to find the worst evil and ugly had made it, evil and ugly.

This scum has got to go..... They nearly brainwashed one of my friends, thank Satan I managed to help him and get him away from that fucking cancerous trash. This is why I stick to online work, at least they can't trace me easily.

Subject: [666BlackSun] Common Sense

I have written this sermon like three times, maybe more over the years, but given the importance, everyone should have this drummed into their heads, especially new people. Lilith asked me to write this again, as she told me it was needed.

Whenever you are receiving services, it is not very wise reveal you are a Spiritual Satanist. Reactions on the part of others can be anything from mild discrimination, nasty looks to being deadly. Places you frequent, places you go to eat, such as restaurants, and most important- any place you might have to go to get treatment involving your health or the health of loved ones.

The only 'sin' in Satanism is that of stupidity. Someone goes walking into a hospital emergency room or whatever, to get treatment or a doctors office, sporting blatant tattoos, having 'the look' and when asked about religious affiliation, proudly announces he/she is a 'Spiritual Satanist.' This can be deadly, even when it involves loved ones getting treatment.

If asked your 'religious affiliation' you should either state 'Pagan' 'atheist' or non-religious.' Satan does not approve of our people placing themselves in danger through stupidity. He states this in the Al Jilwah:

'Do not mention my name nor my attributes, lest ye regret it; for ye do not know what those who are without may do.'

Medical Doctors can murder with immunity from the law. Remember this. This is nothing to bait or to toy with. Piss off the wrong doctor and you or a loved one could wind up dead.

I remember years and years ago when I was a teenager, my grandfather went into the emergency room on a Thursday night. He was around 80 years old, a heavy cigarette smoker all of his life and he had emphysema. He went in for chest pains. He was not senile, he was able to take care of himself and didn't need any assistance where his personal needs were concerned and he even did light yard work. The doctors made quick work of him. I saw him for the last time alive in the ER. He was alert, aware and seemed fine, except for the chest pains.

By Friday evening, he was in a deep coma. Late Saturday, the Dr. came to the family and informed the adults of his condition. Early Sunday, the Dr. had the family sign papers, consenting to the removal of all life support and drugs. He died Sunday afternoon.

Now, this shit goes on all of the time. One less 'goy.' I was young back then. This had nothing to do with anything more than that we were an average Gentile family and as most others, ignorant of what was really going on. As I got older it all became very clear, and I noted my grandfather was not the only victim of this sort of thing. All of our elderly are at high risk.

Medical Doctors are obviously not stupid. One must memorize sometimes hundreds of pages of advanced medical texts in a night while in medical school. While learning to heal, they also learn how to kill, as this is obvious. An intelligent medical doctor can make much look unintentional and like an accident. Advanced knowledge of drugs, drug interactions and such makes for an adept at poison, should they feel the need.

As for my grandfather, it became apparent to me, he was shot full of highly addictive medical drugs. This put him in a coma. Then, the drugs were systematically withdrawn and the body went into shock and being elderly, he died. Jewish Doctor has 'goy' family sign necessary papers, making sure there are no legal repercussions, and assuring them they are 'doing the right thing,' walks away with several more thousands of dollars in his pocket.

When you are in any situation where your life or the life of a loved one could be affected, or one's health, keep your fucking mouth shut, act like an average person. The less you say, the better. Don't volunteer any unnecessary information. Remember the old Satanic Adage 'Silence is Golden.' Don't stand out or be conspicuous, blend in, be as any other patient or service recipient. Our Anti-Christ told me on the astral: 'Learn from your mistakes!' This goes for all things. Don't be stupid and open your big mouth or make yourself stand out in any way or

reveal you are a Spiritual Satanist and then go deep into danger and whine to the Powers of Hell for their help.

Also, I, myself have Satan's name and Sigil blatantly tattooed on my forearm. In the summer when wearing short sleeves, I know how to hide this. I turn my arm over. I keep this hidden from those who could potentially cause me trouble. This is nothing to take lightly. In closing, it is not only kikes, but brainwashed xians who can cause you more trouble than you bargained for. The Inquisition reveals just how far xians will go.

My Grandparents were treated like shit in the nursing home absolute shit, I was too young to do anything and I didn't understand how things were then. This makes me actually question the death of another relative in hospital. They turned off the life support before I could get there to say goodbye even though they knew I was on my way I had a 3-4 hour trip to get there their excuse was he might be suffering (he was in a coma, had a massive heart attack they said even if he had woke up he would probably be brain damaged so they kept upping the morphine then turned the machines off.) I never felt good about it something about the whole thing smelled off to me but I was told I was being paranoid and looking for someone to blame. Maybe I was but I question these things now.

Subject: Re: Symptoms of the Serpent

Some things I need to add here:

Depression, extreme fatigue and heavy sleeping are warning signs that your energy has dropped due to skipping meditations and not being consistent. Even with consistency, after a while, you will be able to note when your energies drop. Doing a few rounds of serpent yoga breathing can get your energies back up. Different things can take your energies, such as an oncoming illness which may or may not manifest [serpentine energy powerfully strengthens the immune system], others or situations in your environment.

Serpent exercises affect the brain and nervous system, correcting any blockages and problems, and opening pathways so your soul can be free. There can be nerve pain that comes and goes, feelings of having water on your skin, but nothing is there and other sensations. Also, thoughts and dreams can be amplified. Certain thoughts can become obsessive. Never fear, as fear is the worst. Just let go and relax. There is nothing to worry about. It is all part of the transformation that will make you a god in your own right and give you control over your own destiny and spiritual freedom. Feel free to ask questions, express any concerns and learn from others who are on the path. This is what these groups are for.

Thankyou very much for this sermon it has just cleared up some of my concerns and answered some questions I had. I have been having many of those symptoms and thought I was going mad at one point. I actually thought some of them I had were due to me screwing things up or that I had done something wrong. I meditate every day, some days more than others, some days I just can't seem to get into it well, I still try but I start getting stressed over it. Then all of a sudden it comes very easily again and I have a big energy rush then nothing much happens for a while. I go from really up to having crashes libido up and down like a yoyo, the twitches in the fingers the floating feelings, pressure in my head sometimes I feel like energy is rising above my crown and pushing down on top of me. Sometimes I feel nothing at all. I do have other things on my plate taking a lot of energy to deal with which doesn't help mentally ill family member even other people who are not as sensitive get tired around her. I always shield myself as best as I can but shit happens.

My skin breaking out I wouldn't even have thought that was related if you had not mentioned it.

Is it at all common for menstrual cycles to get messed up? Be more painful, heavy bleeding or anything else that feels out of normal? Ive been taking note of when my energy seems to be up and down and I thought it was to do with hormones? I seem to get emotional more easily I would have passed it off as a hormone thing. I have always had painful breasts and bloating within a week before my period but now it seems to be lasting longer and PMS symptoms seem to be kicking in sooner. My sleeping pattern just goes really wrong aswell.

Hail Satan!

Subject: Re: Symptoms of the Serpent

I just want to add something about the tiredness and depression. I had depression very severe depression for many many years my body was not effected as much it was a tiredness in the mind. I was completely un-motivated, drained. BUT my body I could walk miles and miles, lift weights stay awake for days. I was on auto pilot. Now when I dedicated to Satan and began power meditation and void meditation and I asked Satan for help this has changed. Now my mind is energised and go go go I have so many new things I want to do and ideas comming all the time my mind hardly seems to shut down. I don't have that depressive feeling in my mind, Im not sad and hopeless. I have bad days occasionally but not every day anymore and they don't last long. However my body gets tired more easily. I have less physical energy. After a really good meditation I get pumped up and can get out and about easier, but I crash again after a few days. But my mind dosn't.

There was a point last year before I dedicated I was planning a suicide I got that bad. I couldn't see the point anymore I was so fed up. This was not long before I found the JOS. I firmly believe Satan, finding all this literally saved my life.

Hail Satan

I meditate every day, some days more than others, some days I just can't seem to get into it well, I still try but I start getting stressed over it. Then all of a sudden it comes very easily again and I have a big energy rush then nothing much happens for a while. I go from really up to having crashes libido up and down like a yoyo, the twitches in the fingers the floating feelings, pressure in my head sometimes I feel like energy is rising above my crown and pushing down on top of me. Sometimes I feel nothing at all. I do have other things on my plate taking a lot of energy to deal with which dosn't help mentally ill family member even other people who are not as sensitive get tired around her. I always sheild myself as best as I can but shit happens.

Ive been taking note of when my energy seems to be up and down and I thought it was to do with hormones? I seem to get emotional more easily I would have passed it off as a hormone thing. I have always had painfull breasts and bloating within a week before my period but now it seems to be lasting longer and PMS symptoms seem to be kicking in sooner. My sleeping pattern just goes really wrong aswell.

Don't feel alone Serpentfire. We are going through this as commrades in folk. My skin too got really screwed up. My scalp becomes very dry and my whole back is like I have had lava bursting ance looking marks. But these are more like burns. Inflammations. These go away, heal and they may be coming back again. Much fire element in the body and much natural heat or hormones [from increased sexual desire] can have such outcome. You shouldn't look at this like its some sort of sickness, its just the bioelectricity/heat increasing.

HAIL SATAN!!!!!!

Group: 666BlackSun	Message: 15	From: High Priestess Maxine Dietrich	Date: 8/30/2012
Subject: Re: Question for those who have completed a sun square for non-spir			

The post I made about 'common sense,' I certainly wasn't trying to discourage anyone from seeking proper medical care. Using common sense includes much, much more than just medical care.

I nearly died in childbirth with my daughter. If I hadn't been in a hospital, both of us would have died. There are many times you can't see something coming, like complications, especially when having a baby. There are all kinds of complications that can occur suddenly and unexpectedly. She was a large baby and her shoulders got stuck and they had to push her back in and turn her. I had no anesthesia [by choice and it was too late when I was pushing her out] and I know the worst pain and from this experience, I learned respect for pain for others.

After she came out, blood was actually spraying out of me like a hose, and one of the nurses right away put an IV into me as I was hemorrhaging badly. There are other incidents I can note where medical personnel including good veterinarians saved lives and I am grateful.

Using common sense is not about being paranoid. This statement is for everyone here. My post was only concerning revealing that you are a Spiritual Satanist in some way, as this can be dangerous, as we are often vehemently discriminated against. With medical care, it is important to just be like the average person and not attract any unnecessary attention to yourself or loved ones. Ask questions about anything that might concern you about the care, such as why the Dr. is performing this or with administering drugs, what is it for and why is he/she giving this specific drug to you or the loved one. It is also the law as far as I know that they have to give you information or a print out concerning any side effects of any drugs, what they are used for, and so forth.

As for silver nitrate solution, PKU test and vitamin K, which some of the things they do like this can cause jaundice, you have to approach the staff and sign papers and do this right after the baby is born. Never get openly angry, remain calm and unemotional, but firm and above all, know your rights. People who get emotional and blurt things out can also be in danger in a hospital, as the staff are usually indoctrinated by the system to right away think someone is crazy and then take action. Just be sool, calm and collected. Know your rights and be firm, and know and understand what you are asking for or declining.

You are safer in a hospital, especially when having babies.

I don't like the thought of hospitals and their natal care anyway, strangers telling you when you can and can not see your own baby. You guys will have the opportunity soon to do

the moon square, if you read my post on ideal times for the squares. The moon square will help with the pregnancy and labor. Also, Pazuzu is the Demon to summon for women giving birth, fyi :)

Subject: Destruction of jewish "sexuality" Group Rituals Version 1.1

Introduction

Taking a break from the Sexual Energy rituals involving us Gentiles I thought since a good planet/star opportunity has presented itself that we begin to give some of our focus to attacking the kikes through with rituals aimed at attacking their sexuality. They have done so much damage to our people that it is time for us to return the favor. This ritual series is going to have at least five rituals over an unspecified period of time.

Purpose of Ritual

The purpose of this ritual will be aimed at the destruction of jewish male reproductivity

Time/Date/Reason

This ritual will take place on Friday August 31st 2012 during the hours of Venus. On this day the moon will be in the sign of Pices giving us the following benefits

Drugs (unnatural destroys natural), self-undoing, deception (blind jews to what is coming about), sorrow, depression, isolation, insanity, very deep psychic stuff. Good for all psychic pursuits. Spells to deceive people, secrets, swindles, vulnerability, altered states. This is the one of best times for endings.

August 31st falls on a Friday which is ruled by Venus, giving us the following benefits.

Venus diseases- venereal disease (STD's are linked to infertility), blood diseases (many of which are linked to infertility), kidney disease (linked to infertility in several ways), Measels (can sometimes cause infertility) and other diseases that can or do cause infertility.

Venus rules over- Sexual intercourse

Additional Energies- On this day the moon will not only be in Pices but the moon will be full, giving us even stronger energies on this night.

Runes to Be Used In The Ritual

1.Fehu- controls fertility, binds an enemy

2.Uruz- destroy, sexual potency

3.Thurisaz- render enemy defenseless

4.Gebo-Sexual energies, sex magic, binding an enemy

5.Ingwaz- deprive a man of his masculinity, deprive a male of his life force (sperm is pure life force)

Additional Runes

1.Isa- Binding, prevent from happening, preventing any action. When Gebo and Isa are used together the energy is greatly strengthened.

Ritual Affirmations To Be Used

Ritual Affirmation- All present and future jewish men are becoming sterile immediately and for all eternity

Runic Affirmation- The energies of (name of rune) are continuously working to completely and totally ensure that all present and future jewish men become sterile immediately and for all eternity.

Sigil- The sigil for this ritual will be that of a binding sigil. If

I may I would like to use "IndigoNation" destruction sigil which contains three circles instead of the usual two.

As I said there will be three circles, one large one on the outside, another smaller one within the large one, and lastly a third small circle in the center.

In-between the outer and second circle place four Isa runes, one on top, one on bottom, one on left and one on right.

In-between the second and third circles place the other five runes and place enough of each to ensure they completely surround the space in-between the two circles.

In the center of the sigil (center of third circle) place the star of david (jewish star) and on top of the star place the five runes so they cover the star completely.

Ritual Declaration

Ever since the day the earth and all of nature was cursed with the degrading presence of the cowardly weakling known as the jew they have spread their seed so their numbers will grow and at the same time have polluted all that was pure and natural within our world, including our once great Gentile species.

Through their ability to reproduce and mate with our fellow Gentiles, the jew has poisoned our Gentile people and spawned creatures that should never see the light of day, creatures that have found their way into top controlling positions within our society, fulfilling their plan as well as the plan of their revolting reptilian masters to destroy our society and our fellow Gentiles until there is nothing left but a "one" race that is even more revolting than the jew themselves.

For far too long the jew was allowed to commit such crimes against the earth, as in creating abomination after abomination that went against the laws of nature. NO LONGER shall the jew be allowed to spawn that of which shall infiltrate, NO LONGER shall the jew be allowed to spawn that of which shall destroy, NO LONGER shall the jew be allowed to create that of which goes against nature, NO LONGER SHALL JEWS BE ALLOWED TO REPRODUCE AT ALL, FOR ALL ETERNITY!!!!.

I (state your full name) proclaim here tonight in front of Satan and all the Powers of Hell that no Jew will know the gift of reproduction, and through the energies I raise here tonight and the eternal outcome I seek, the Jewish race shall be NO MORE!!!

Hail Satan

Hail Azazel

Hail To All the Gods of Hell

The Ritual

1. Before beginning the ritual make sure to cleanse and empower your aura and energies. You can cleanse your aura by engulfing yourself with white-gold energy and affirming your aura is cleansed of all negative energies. To empower your energies the alternate nostril breathing or breath of fire can be done.
2. Next cleanse your ritual area of any conflicting energies, this can be done by engulfing your ritual area with Satanic vibrant blue flames and affirming your ritual area is cleansed of all past energies.
3. Now open your ritual as you would any other either with the standard ritual found on the JoS or the opening ritual found on HP Vovim's website.
4. Read your ritual declaration with intent and know what you are saying is coming into reality
5. Burn the ritual declaration or save it until the end to burn it along with the sigil at the same time
6. Place the sigil on your altar and begin by repeating the ritual affirmation nine times while seeing the entire sigil glowing in a dirty reddish-gray color.
7. Begin with the rune Fehu. On each inhale repeat the runic affirmation in your head and on the exhale vibrate the rune while seeing all of the Fehu runes on the sigil glowing in a dirty reddish-gray energy. Do this nine times, and after the ninth time repeat the ritual affirmation one time while seeing the entire sigil glowing in a dirty reddish gray color.
8. Move onto the rune Uruz. On each inhale repeat the runic affirmation in your head and on the exhale vibrate the rune while seeing all of the Uruz runes on the sigil glowing in a dirty reddish-gray energy. Do this nine times, and after the ninth time repeat the ritual affirmation one time while seeing the entire sigil glowing in a dirty reddish gray color.
9. Move onto the rune Thurisaz. On each inhale repeat the runic affirmation in your head and on the exhale vibrate the rune while seeing all of the Thurisaz runes on the sigil glowing in a dirty reddish-gray energy. Do this nine times, and after the ninth time repeat the ritual affirmation one time while seeing the entire sigil glowing in a dirty reddish gray color

10. Move onto the rune Gebo. On each inhale repeat the runic affirmation in your head and on the exhale vibrate the rune while seeing all of the Gebo runes on the sigil glowing in a dirty reddish-gray energy. Do this nine times, and after the ninth time repeat the ritual affirmation one time while seeing the entire sigil glowing in a dirty reddish gray color

11. Move onto the rune Ingwaz. On each inhale repeat the runic affirmation in your head and on the exhale vibrate the rune while seeing all of the Ingwaz runes on the sigil glowing in a dirty reddish-gray energy. Do this nine times, and after the ninth time repeat the ritual affirmation one time while seeing the entire sigil glowing in a dirty reddish gray color

12. Move onto the rune Isa. On each inhale repeat the runic affirmation in your head and on the exhale vibrate the rune while seeing all of the Isa runes on the sigil glowing in a dirty reddish-gray energy. Do this nine times, and after the ninth time repeat the ritual affirmation one time while seeing the entire sigil glowing in a dirty reddish gray color

13. It is now time to make a sacrifice to ensure our goals are received. During this step take a sterilized needle, razor, or whatever you prefer. Make a small cut on your left index finger and trace the rune of Isa over the sigil. While doing so vibrate Isa nine times, while vibrating see the Isa rune that you traced in a black energy.

Afterwards further incite that the energy within your blood is binding Jewish men to becoming sterile. "Through my blood and therefore through my energies that outweigh that of the Jews, I (state your full name) am ensuring that all present and future Jewish men become sterile for all eternity"

14. Now write the ritual affirmation on the back of the sigil and meditate and see the desired outcome for as long as you like but for at least a few minutes

15. Burn the sigil and repeat the ritual affirmation as many times as needed until the flames are burned out.

VERY IMPORTANT - After you close the ritual take a few minutes and thoroughly cleanse your aura and it is wise to raise your energy too.

Yeah lol You might to take this in a funny way because it is kind of funny. I never want to go to sleep. I want to keep going. Because for me when i go to sleep means i have redo everything again tomorrow, it literally feels like that. Sometimes here in the forums i get motivation which keeps me going. This might have nothing to do with the topic but that is just how i feel every day.

Hail Satan!

I just want to add something about the tiredness and depression. I had depression very severe depression for many many years my body was not effected as much it was a tiredness in the mind. I was completely unmotivated, drained. BUT my body I could walk miles and miles, lift weights stay awake for days. I was on auto pilot. Now when I dedicated to Satan and began power meditation and void meditation and I asked Satan for help this has changed. Now my mind is energised and go go go I have so many new things I want to do and ideas coming all the time my mind hardly seems to shut down. I don't have that depressive feeling in my mind,

Im not sad and hopeless. I have bad days occasionally but not every day anymore and they don't last long. However my body gets tired more easily. I have less physical energy. After a really good meditation I get pumped up and can get out and about easier, but I crash again after a few days. But my mind doesn't. There was a point last year before I dedicated I was planning a suicide I got that bad. I couldn't see the point anymore I was so fed up. This was not long before I found the JOS. I firmly believe Satan, finding all this literally saved my life.

Hail Satan

I have always had painful breasts and bloating within a week before my period but now it seems to be lasting longer and PMS symptoms seem to be kicking in sooner. My sleeping pattern just goes really wrong aswell.

I hope I didn't give the impression I was against vets or doctors with my response to your common sense post, just after having bad experiences I am extra carefull and take nothing for granted. I think the bad practitioners are not everywhere and most times they go out of their way to help. But for us we do need to be more carefull. I don't want to see any of our Brothers and Sisters or their animal family harmed.

There are many times you can't see something coming, like complications, especially when having a baby. There are all kinds of complications that can occur suddenly and unexpectedly. She was a large baby and her shoulders got stuck and they had to push her back in and turn her. My post was only concerning revealing that you are a Spiritual Satanist in some way, as this can be dangerous, as we are often vehemently discriminated againt. With medical care, it is important to just be like the average person and not attract any unnecessary attention to yourself or loved ones. Ask questions about anything that might concern you about the care, such as why the Dr. is performing this or with administrating drugs, what is it for and why is he/she giving this specific drug to you or the loved one. It is also the law as far as I know that they have to give you information or a print out concerning any side effects of any drugs, what they are used for, and so forth.

know your rights. People who get emotional and blurt things out can also be in danger in a hospital, as the staff are usually indoctrinated by the system to right away think someone is crazy and then take action. Just be sool, salm and collected. Know your rights and be firm, and know and understand what you are asking for or declining.

I had to take off my favourite ring which I don't like doing my baphomet ring I got a really bad blister type of reaction under it (its sterling silver so shouldnt be the metal and I have worn it for ages) skin heats up and gets moist I do have sensitive skin anyway always have been prone to heat rashes etc. My hormones are playing up, but not consistant seem to have the opposite problem or an imbalance libido comes strong and then dissapears for ages.

Much fire element in the body and much natural heat or

hormones [from increased sexual desire] can have such outcome. You shouldn't look at this like its some sort of sickness, its just the bioelectricity/heat increasing.

I was completely un-motivated, drained. BUT my body I could walk miles and miles, lift weights stay awake for days. I was on auto pilot. Now when I dedicated to Satan and began power meditation and void meditation and I asked Satan for help this has changed. Now my mind is energised and go go go I have so many new things I want to do and ideas coming all the time my mind hardly seems to shut down. I don't have that depressive feeling in my mind, Im not sad and hopeless. I have bad days occasionally but not every day anymore and they don't last long. However my body gets tired more easily. I have less physical energy. After a

really good meditation I get pumped up and can get out and about easier, but I crash again after a few days. But my mind doesn't.

It was the same thing, a blistery sort of red skin underneath, but only under the face of the ring{which is a pheonix} not under the band part. @hoodedcobra Thanks, now i know why.

Yes that is where mine is. I have had these little blisters before under rings, if my skin gets damp and they rub a bit but they usually clear up quick. I have had this ring many months on the same finger with no problem none of my other fingers with rings have a problem.

Hail Satan

Yes, but I have worn rings for years tighter than this one I have had occasional itches and rubs mainly in summer when I sweat a lot but its winter here. I have been getting really itchy all over aswell in bed I woke up a while ago hot and itchy. I am paying more attention to wether I get hotter or itch more after a strong meditation. I have always been prone to skin issues so I can't say for certain. If it gets worse or better as I progress time will tell.

There can be nerve pain that comes and goes, feelings of having water on your skin, but nothing is there and other sensations. Also, thoughts and dreams can be amplified. Certain thoughts can become obsessive. Never fear, as fear is the worst. Just let go and relax. There is nothing to worry about. ..>Hail Satan!! For people who are prone to skin irritations, allergy to certain metals..{ex.-some people cannot wear gold jewelry..}and in hot climates when a person tends to sweat more..and so forth. But, I

personally have worn that particular ring for 5 years straight without ever taking it off, and with no problem whatsoever. This ring is a pheonix, which to me is symbolic of when i first started my journey in finding what SS was, and being 'reborn' from the ashes of xianity to Satanism and the Truth. Serpentfire's ring happens to be a baphomet, again symbolic of Satan. That's why i saw a connection right away. I think hoodedcobra's explanation about bio-electricity is good.

Much fire element in the body and much natural heat or hormones [from increased sexual desire] can have such outcome. You shouldn't look at this like its some sort of sickness, its just the bioelectricity/heat increasing.

Just offer any extra energy that is making you uncomfortable to the Powers of Hell. It is needed, and much like performing spiritual warfare rituals. Offer it to Satan.

Subject: Atheism Thread			

Yes a certian ideology has become tacked on the simple fact a person does not believe in any God. Atheism is simply just lack of belief in a God nothing more. But its been purposely turned into a idealogical movement designed to push liberal or secular xian value system. Which is hypocritical as its not based upon anything real and the very theistic [xian god] principal that animates those values they rejected as fictional, are created upon. But want to parade it around in a secular model as some truthism. Dawkin's is calling himself a "cultural christian." lol

So atheism as we have it is a modern situation. The ancient world was built upon the religion we today call Spiritual Satanism. The oldest texts known are the Veda's the first being the Rig Veda in which Agni [Satan] is honored in the first set of hymns.etc:

<http://groups.yahoo.com/group/JoSNewsletter/message/239>

It was noted in the sanskirt texts that up upon till the last age, humans talked with the Gods face to face still. As the psychic centers of their minds where still open to the astral and the rulers where still beings who worked on 100 percent of their minds not 5 percent like people today.

Most liberals are like that, liberals are secular christians where they follow the teachings of communism as stated in the bible sermon on the mount about turning the other cheek, loving their enemies, thinking all are "equals" (which is a vicious lie made up by kikes) and the best elements of society should be destroyed so that everyone is "equal" (of course they always mean equality towards the bottom and making the better ones worse, and not the opposite) e.t.c. This is no different than the xian teachings or Marxism (xianity and communism are kike twins as it's been said). Communists is atheists, but their ideology is no different than the teachings of jewsus in the bible.

I couldn't help but see how Atheism and Satanism values overlap in so many areas. We want world peace, humanity and we believe in individualism. So does Atheism, only difference is it is devoid of any supernatural connection, only science, which again overlaps with us as we also believe in the benefits of science. So I'm confused here. What does Satan think of Atheists? Does he look upon them in anger as he looks upon the Xtians?

Subject: Anti-Christ			

Some of you already know who our Anti-Christ is. He is one of the very few who has completed the magnum opus and is now in another dimension under the direct protection of Satan and the Powers of Hell. He will be coming back here when the time is right. I also know that some of you have already met with him on the astral. Because we are not yet free to be open and are still very much persecuted, he will be operating from the astral.

For those of you who are strong, dedicated Nazis here and who are totally open, and in full accordance with Satan's desires, our Anti-Christ may meet with you and give you certain assignments to work on to advance our cause. This is only for those of you who are ok with this and open and who want to work like this.

Most of the High Ranking Nazis who have passed on are in spirit form in Hell. If you are a strong dedicated National Socialist, and are open to and have a desire to serve in this area, you may be approached on the astral. Note that any one who meets with you on the astral will be accompanied by a Demon and the Demon will be directly involved should you agree to work on a project.

I made this post for only those of you who WANT this. Satan only chooses a select few for meeting and working with our Leaders. In addition, you must be psychically advanced enough and open. Remember...always work in silence and in secret, and above all, make sure you complete any project you agree to. Demons are a wonderful help with this.

Subject: I LOVE THIS ORGANIZATION, THIS CHURCH, AND OUR MINISTRY			

I've been a member here for 6 yrs now. I need to say this, that THIS GROUP, THIS ORGANIZATION, IS THE BEST, MOST BENEFICIAL SATANIC ORGANIZATION AND SYSTEM OF PRACTICE THAT HELPS ONE FIND A WORKING RELATIONSHIP WITH ENKI AND THE GODS.

I am on Facebook, and there are many MANY Satanic groups out there that try to start their own ways of practice. I know that some of them are successful, but MOST OF THEM are tainted and corrupted with Jewish filth.

I have seen a group that is organized by Diane Vera, and she is known to criticize the JoS groups. Of course, she is a Jew.

Reading over her postings of a "theistic" Satanic group, she basically state that they don't KNOW if the Daemons are real, but that they CAN and have been known to make contact with humans.

Really???? HOW FUCKIN TWISTED IS THAT?

So these jews are trying to attract large numbers of people....and want to "include" everyone. So of course there are those who have not had communication with Gods, so this organization wants to include them as well...basically, LeVayans, Athiests., those seeking and not finding...you know the deal.

Like Satanic Communists. LOL

There is also one member on FB, who isn't on my friends list, but who wishes to be....his name is Mattia Marino.

If anyone here is on FB, watch out for this guy as he is a true enemy. He is in league with Diane Vera, and they love to lead gentiles astray.

He makes it his "mission", to discredit the JoS, and "educate" others.

He goes so far as to criticize not only our organization, but to criticize Maxine's own husband, and other members within our groups.

Yesterday he was not so lucky, as I did challenge him in his criticisms of our group, which he had posted in ANOTHER Satanic group. Today, he was booted out of this particular Satanic group, for "criticizing the JoS", by the administrator of that group.

I have so much love for this group, and the Gods, and the LOYAL members in it. THANK YOU MAXINE, for creating this, and teaching us the TRUE WAY to find relationships with the Gods, and loving Satan Himself. Really Maxine, I CANNOT thank you enough!!

Thing is with these people when they can't win and get their way, they resort to all manner of petty personal 'attacks' ridiculous arguments they can't produce evidence to back their case so they loose it and try to pick holes in the other party even if the holes don't exist. Name calling and slander is another one they pull. they will look for any detail they can use against you. I see it all the time in comments on forums and youtube and you can usually tell when it is a kike.

Our Black_Sun group is for White Satanists and we abide not to medicore shit. So I'm writing this, for our sake and for the sake of our own existence and wellbeing. If as a human being you do not give a fuck about our creative evolution, freedom and spiritual and technological mastership, do a favor to the world and kill yourself. We are full of people who just breathe the oxygen, eat the food and don't give a fuck. There is nothing worse than being a Human and denying your responsibility against yourself, to say the least. You have by nature the responsibility to become the fittest, most powerful and most evolved being you can become. Only after the Abrahamic religions that keep teratogenesis and weak beings alive, this sickness and insanity took place, aside with the insane behavior of refusing your fate, your duty and your reason to exist. By that turn, you deny your own interest, joy, happiness, freedom and success not only collectively for the members of our species, but for the planet and everything else. Nature gives us anything. Shelter, food, life to live, endless energy quantities, Satan and His Gods blessed us with conscience and a very evolved Genetic code that takes millions of years to come to be. Almost infinite evolution capacity. If someone dares be in denial of this fact, then they do not deserve the gift of life and the gift of their self. If someone doesn't care he is a parasitic existence. If someone, no matter how small or no matter how low they fell, try to evolve, they will stand high in Satan's eyes and get His protection so they can do it even further.

Great post, I am working to empower my self and work for the cause, I am in contact with Satan and my guardian demon (Ipos), and he is helping me understand my life and why I exist and what I need to do to move forwards, I am experiencing symptoms of the serpent, my pineal gland is getting very close to being completely opened. I am glad Father Satan and Ipos is in my life (I had the name Anubis flash in my head before I became a Spiritual Satanist, I didn't even know what it meant until I discovered the Joy of Satan.)

And I have seen many things with my magick, my dreams come true and all, I do not understand why people deny this, it's great. It's a lot better than the way I used to live. And I am finally getting answers about my life, I am finally moving forwards. People who deny this, only grant them selves an early death.

I agree, as Ive said I dont think stupid people should be allowed to breed. For those unwilling or unable to evolve they generally poison the gene pool and spawn more children then they can afford to take care of, those of us who actually work for a living end up paying for them to live as well. Not to sound cruel, but we need a society based on nature, survival of the fittest!

The king as a priest king who raised his serpent kundalini, or a Roman style council of individuals who have raised their kundalini. This everyone is equal shit needs to go, how is someone who lives off food stamps and welfare and free housing equal to someone who works 40+ hours a week. I think restoring titles of nobility would be a good thing, as it would encourage upward spiritual and physical evolution. People would also better understand their place and worth in society. Its only very recent that Im starting to realise this, growing up in a jew controlled society aristocracy has always come with a bad taste so to speak. I think in a healthy society controlled by gentiles (without a jewish controlled media to tell us how to live, or jewish funny money getting everyone in debt, or jewish food and beverage companies poisoning us so that jewish pharmaceutical companies can feed us pills that will only lead to disease so that jewish doctors can give us a "treatment" that costs an arm and a leg then eventually kills us) we could evolve, live in such a way that agrees with nature, quality NOT quantity!

They don't believe Our Gods are REAL beings with lives and interests of their own... just some 'force' or thoughtforms floating around the astral waiting for some asshole to call on them wanting this and that and right now and party tricks. Meanwhile the slander and horrible ways they are portrayed and talked about. Imagine your phone was ringing all day and night giving you no peace one stranger after another that doesn't give a shit about you but heard you have magical powers and think they can get you to do things for them. So you ignore them if your really nice and hang the phone up and they turn to the rest of the idiots and say there see? She isn't real she didn't answer me. But too unaware to hear the loud FUCK OFF and the finger giving the salute. And if you get really fed up and someone gets hurt its because your EVIL. Its bullshit.

Sometimes I am just chilling out on my own watching a movie or listening to music and feeling really good and relaxed in a light trance and I have openly invited any Demons to come join me anytime they are welcome. Ive had some really great experiences. Theres a war on as we know and everyone is very busy but they still make time to check in with Us when they can. We don't have to even ask usually. Meditation or relaxation time is usually best because we are most receptive to sense them then. But I have had experiences while walking down the road and during the day doing chores etc. It is harder to focus but sometimes it is just as simple as a 'Hi' or a sign to let me know. I like to think of Satan or a God and visualise them if I have an idea of what they look like or the sigil and just send a nice thought to them. It's great for Us to hear from them but I think they like knowing when we are thinking of Them too. I think it means a lot to them to know we care about Them too.

It would be nice hearing from someone who cares about you even when they don't want something, especially after all the abuse they have had. Most people only try to contact them for a joke or to get something for nothing. Ive been helped so many times without even asking even before I came to Satan. Even when my own human family turned their backs or didn't care times I didn't have a friend on this Earth and someone had my back in those times I just wish I had known sooner.

Aristocracy literally means the rule of the Arya. Within our race its the title for the twice born ones. We had a brief return to Aristocracy in the Third Reich. As for blood lines, its all metagenic.

When a person starts to open the soul they reconnect with their intrinsic divinity and start to understand and feel what it means to be a conscious being, in a conscious universe.

Thats why the jews rave and rant all the time about how 'in the ancient times there was tyranny'. They fool people and tell them they are free now and that they are living in an age of freedom, but this is a TOTAL lie. People were free back then, the Rulers and Kings ruled through Satan's Serpent. Not through their sole conscience. They had and were receiving knowledge and wisdom from Satan's Serpent thats why Ancient civilizations bloomed so much, gone that far and from scratch became things that even the 'evolved' 'beings' of today can't understand and find out. Today the state of Humanity is of the most degenerate there has been, in a long, long time.

In Ancient Hellenic Sparta babies were thrown up from the mountain kyadas if there were obvious deficiencies on the baby. Because not only they would grow up to be a paratise and a useless person, even to themselves, completely incapable of any realization, but they would be retarded and poison society. This sick teachings of keeping these monsters alive with down syndroms and all this, deficiencies that are extreme and will only cost the person's self esteem, happiness and anything they could possibly have...This total insanity is of the enemy and is the purpose of being anti-life. Secretly the internally rotten xians. This is unnatural. This person cannot survive on their own. As for other people who are hooked on machines and almost dead with no chance of coming up, the medical xian industry has a right over their life and even if they want to die they can't because its a sin. This only makes Humanity and other people suffer endlessly for no freaking reason at all. This keeping alive the destroyed scheme is solely of Satan's enemies as they rejoice in seeing any lifeform they can in extreme pain and suffering. As well as retardiation and anythin else

that is sick. At least if they died they could have a chance to reincarnate into something else, I believe.

This everyone is equal shit needs to go, how is someone who lives off food stamps and welfare and free housing equal to someone who works 40+ hours a week. I think restoring titles of nobility would be a good thing, as it would encourage upward spiritual and physical evolution. People would also better understand their place and worth in society. Its only very recent that Im starting to realise this, growing up in a jew controlled society aristocracy has always come with a bad taste so to speak. The ancients had a sense of compassion greater than today. They did not practice such things to be cruel or mean. But because they understood the soul is eternal and to condemn a person to a non-life in such a body would be horrid to the person. They knew the soul is reborn into new lives.

They loved them enough to set them free.

In Ancient Hellenic Sparta babies were thrown up from the mountain kyadas if there were obvious deficiencies on the baby. Because not only they would grow up to be a parasite and a useless person, even to themselves, completely incapable of any realization, but they would be retarded and poison society. This sick teaching of keeping these monsters alive with Down syndrome and all this, deficiencies that are extreme and will only cost the person's self-esteem, happiness and anything they could possibly have... This total insanity is of the enemy and is the purpose of being anti-life. Secretly the internally rotten Christians. This is unnatural. This person cannot survive on their own. As for other people who are hooked on machines and almost dead with no chance of coming up, the medical Christian industry has a right over their life and even if they want to die they can't because it's a sin. This only makes Humanity and other people suffer endlessly for no fucking reason at all. This keeping alive the destroyed scheme is solely of Satan's enemies as they rejoice in seeing any lifeform they can in extreme pain and suffering. As well as retardation and anything else that is sick. At least if they died they could have a chance to reincarnate into something else, I believe.

The very ancient world was ruled by it seems a council of 13 "Maha Siddha's" the 13 was the Priest King of the council. These beings had finished the Magnum Opus.

The Priest Kings where called "Charkavartin." Meaning: Wielder of the wheel of Dharma. Hence the role of the King was to rule as protector and upholder of the moral order which was based on a superconscious understanding of the laws of the universe and how they relate to our People. Adolf Hitler is such a being.

The warrior classes where not a gang of thrill seeking toughs either. They where the protectors of the People, the sacred laws and spiritual order of the Arya Dharma. The Waffen SS would be the most close example to them in our time. Laws that where not based on the eternal natural law did not exist and where consider invaild even if they had of. Also the belief a bunch of pasha consciousness people, could rule a nation was non-existent. Such a belief is and was immoral. We can see why today.

They fought with honor and only against each other forces. They did not kill or harm civilians or their property. Their battles where like large scale duels.

Thats why the jews rave and rant all the time about how 'in the ancient times there was tyranny'. They fool people and tell them they are free now and that they are living in an age of freedom, but this is a TOTAL lie. People were free back then, the Rulers and Kings ruled through Satan's Serpent. Not through their sole conscience. They had and were receiving knowledge and wisdom from Satan's Serpent thats why Ancient civilizations bloomed so

much, gone that far and from scratch became things that even the 'evolved' 'beings' of today can't understand and find out. Today the state of Humanity is of the most degenerate there has been, in a long, long time.

The kikes make it seem that way. We were never cruel and our nature is compassionate, loyal, heroic and noble. Thats why many of our people are so dead-defensive of xianity... Because our loyalty is used against us. We are the epitome of creation. They infect everything through their own lenses of disortion who cannot see anything past destruction. We are creative. As you said, free the person, they will reincarnate into a better body without defection and they can enjoy life. Souls being trapped into bodies that are severely sick etc, they just suffer for existing. This is the epitome of hatred and those who know the True Satanic laws, can see right through. They just rejoice into suffering. What better than keeping an Aryan soul into a destroyed body and see the person develop deficiencies that they will carry on throught their whole existence? Not a bigger happiness for the jew.

Aryans love by the eternal principles and by upholding the meaning of the eternal soul.

Also since the aim of these governments were to make people governors of themselves, there was no actual pressure, but just freedom. One just needs to let the Cobra open its hood and understand. Such beings do not have petty intentions and are incarnations of divinity, which is why they are Rules. Because their perception and existence is purified, cleaned and of Satanic Divinity. Not some crooked politicians who would destroy a nation for their own fetish. The fact that unenlightened people govern others is strictly insane, only the enemy could come up with an idea of the worst leading the best.

People need to define freedom, otherwise others will define it for you.

The universe is order [cosmos] and we are part of it. The laws in society where conscious expressions of this

truth. Hence where understood as divine laws and as such transgressors where punished. At this point honest moral laws exist to regulate the pasha beings. When this state of conscious is elevated. Laws will cease to have to enforced.

Such beings do not have petty intentions and are incarnations of divinity, which is why they are Rules. Because their perception and existence is purified, cleaned and of Satanic Divinity. Not some crooked politicians who would destroy a nation for their own fetish. The fact that unenlightened people govern others is strictly insane, only the enemy could come up with an idea of the worst leading the best.

People were free back then, the Rulers and Kings ruled through Satan's Serpent. Not through their sole conscience. They had and were receiving knowledge and wisdom from Satan's Serpent that's why Ancient civilizations bloomed so much, gone that far and from scratch became things that even the 'evolved' 'beings' of today can't understand and find out. Today the state of Humanity is of the most degenerate there has been, in a long, long time.

In a sense its "sad" to have to do that but the reasons are obvious, and Sparta was a strong culture not a weak one like we are stuck in right now. Also removing the weak and diseased from a society will keep future generations healthy. The idea of allowing the weak in mind and body to over populate the strong is a clearly jewish concept, imagining life under the soviet union its very clear thats what they wanted. People just smart enough to run the machines but dumb enough to never see the bigger picture. NS Germany and these ideals are the future. Sadly the only way from here is up. Also its neither sad, thus you placed the "" on this word and agree. Its just poisonous. If someone says they love someone, they wouldn't keep them alive for them to suffer or be retarded and without the ability to constantly advance more and more, eternally. That inability just shackles the soul of the person, suffocates the soul and kills the person slowly. The person is unable to advance, thus they are not living in the natural law. Whomever lives outside of that law is damned into destruction. Whomever upholds this law in his mind, soul and whole existence is favored by the Gods to seek his Metagenic evolution which is really something beyond freedom. People living without advancing to the Godhead, helping the universe itself in its intention [the Nordics survived because of evolution, that is a universal law, all beings MUST evolve] are really abominational. About the ones that don't know, yes I agree no punishment to them. Some people are not given a chance. But for instance people that deny the Truth upon its face, they deserve not their life force neither anything. The Gift of Life is so sacred to Satan and the Gods that they won't spoil it and we as their followers won't support any of the 'creations' that are closer to death and stagnation, rather than life. Look at Hitler for instance. You could see in his eyes the world's shinning. I love his eyes, that stare that reminds me of True Satanic salvation. The the jew stalin. All you see is a hooknose and a sick look. We need to just open our eyes, and as Satanic NS we have done so. So now at least in the personal level we can, we should and we are upholding our Pagan roots and our Pagan conscience, because in fact its not our artifacts and info about the past that keeps it alive, but US, as conscious forms in which our Ancestors and Satan are carried. I agree Kvnfidler.

HAIL SATAN!!!!

HEIL HITLER!!!

Also as you said, this senseless breeding is just stupid. I mean everyone fucking anybody and then getting kids out of it. Then these kids are abused, suffer endlessly, pay the dues of their parents both physically and spiritually. Many of us can look at our childhood, including myself and see an incapable parent, a parent even weaker than ourselves, an abusive relative. This all has to end. The worst criminals that kill the soul and the mind are the parents sometimes, as they are damaging their own kids in the most sensitive spot and time of their existence, marking them with dross and pain that is hard to fix. This is extremely immature and very destructive. Unfulfilled desires battered on the kid, the person being abused and used like a puppet or a 'piece of myself' by their parents. This is extreme criminalistic behavior to say the least. Kids are their own soul, their own self and they have their own Divine purpose as another individual being. They are not slaves. If one advances one can easily see that all the plague, sickness, pain, torture, destruction and of course STUPIDITY comes from these sick religions that came up in the darkness as of late, xianity, pisslam judaism. Who established these? The jew. These plagues corrupted everything and like a cancer did spread even to the Metagenic part of the beings that are deceived by these. I thank Satan for opening my eyes, not because I can help my own ass in this, but because I feel it as a duty to awaken others.

Not to keep going on and on about people breeding who shouldnt, but I think having a child should require passing some sort of test to prove that the individual is mentally, physically, and spiritually fit. Obviously people will still have sex, thats natural, if that male birthcontrol from India is in fact safe and effective like it claims that could help enforce what we're talking about. I wrote a thread about this a while back and people whose names Ive never seen in the group railed against what I was saying, but people whose names I recognize understood what I was saying. With that we could prevent teen pregnancies, or the accidental alcohol induced pregnancies, and since its reversable if someone cleans themselves up and later decides they want children then they could do so. People who actually want to have children and can afford to would be. The human race could rapidly evolve, leaving behind those of weaker genes.

I wouldn't say sterilization is the solution. The solution is actually to educate people and get them to understand that they are bringing an actual human being in the world, not an extension of themselves and solely that. I understand you though, but I believe that I should honestly express what I feel; anyone should have the right to have kids, but not without the responsibility that comes with it, fully. Not without a conscience that is tried and true, powerful and the best one can have. In all levels. People should have the right to breed but not a right in stupidity, that's how I perceive it but I understand your opinion on this.

I dont mean full on sterilization, what India has right now lasts 10 years and at anytime in those 10 years it can be reversed. This would prevent any unwanted pregnancies without the hormonal problems that female birth control causes. No need for abortions, or risk of teen pregnancies.

Subject: Re: Stopping the Medicore shit.

Don't forget the school system and the teachers kids are left with all day 5 days a week. These days a lot of parents, both parents have to work full time just to stay afloat and put food on the table and keep the rent ot morgage paid. So you can add after school care and other carers to the list of people children are in the care of. I was raised by a single mother and she couldnt cope. I had my grandparents thankfully they were athiest most of my family was and were loving and encouraging of me. They taught me about self defence and taking no shit at school. I had a teacher who would literally hit you over the head and in the back with a hard cover 'childrens' bible full of pretty pictures. She was a hardcore xian and a sick woman.

There were retarded older kids at the school that couldn't be looked after or controlled that bashed up and molested younger normal kids and I had one of them who should NOT have been in that school she was 14 she was let loose among 5 - 10 year olds who was obsessed with me and a few other kids and terrorised us for years. She broke the arms of kids. I spent every lunch time hiding in the toilet block. The few times she caught me and twisted my arms and tried to molest me. One day it ended with her strangling me with her hands around my throat in the playground and a teacher watching not doing anything to stop it. I fought her off and ran. I wasn't allowed to complain because she was 'special' and it was discrimination. My mother complained and copped the same bullshit. There wasn't really an option to change schools not many schools around most were full and we couldn't afford private. All the schools had 'special' kids and the same policies of political correctness. It was sick. The bible bashing teacher ended up telling me to just 'pray to Jesus to save me from her' You fucking serious?! She was serious that was her solution don't like it? WHACK!

A close friend of mine is probably the strongest person I have ever known she blows me away what she has been through and survived and she still laughs and smiles through it. Single mum with 2 kids, home schools one of them because she won't risk leaving her boy with strangers. She has survived 2 lots of cancer and chemo kept schooling and caring for her kids with no support had a car accident and a severe neck injury is in constant pain and has kept running her own business from home through all of it.

She is the most loving mother and friend anyone could ever dream of she just powers on. She hurts inside but won't show it. I see someone like her giving life everything she has and trying to make the best life for her kids, then I go into town and see the deadbeat parents and general morons hanging around miserable winging, abusing others generally can't even speak properly committing crimes.

I saw one mother across from a cafe I was working in at the time in front of people eating lunch pull down her kids pants and let her piss in the street because she was waiting for a bus and couldn't be bothered to take her to the toilet just around the corner. Then picks up the child by the arms... shakes her off and dumps her back in the stroller. Does she even clean it up? NO and what's worse is the other deadbeats around her thought that was ok and they carried on their chit chat while diners were mortified.

People have no manners, no sense of self worth, no self respect, no respect for others. This is supposed to be a civilised society? Even my dogs leave the house to do their business away from us.

I don't mind helping someone in genuine need as I see fit but not being able to go to an atm machine or the bank without some bludging alcoholics sitting outside waiting to harass you for money is too much.

Creativity does not extend to graffiti onto public transport and others property. The shop keeper who pays almost as much rent as he makes in a week does not deserve to have his windows smashed in and be robbed because 'kids' are bored and think the world owes them something.

I believe freedom comes with responsibility and common sense. Freedom to better yourself think for yourself and speak up when something isn't right. Not freedom to drive like a maniac and cause accidents or freedom to hurl abuse and sick comments from your car window at women as you drive by like an animal.

Someone with a degenerate soul and a stunted mind does not understand or respect true freedom they abuse it. When one starts to evolve however this kind of behaviour is beneath you an advanced society does not want to behave this way. The un-evolved cannot see this.

With regards to eliminating disease and genetic disorders from the population. The kikes have held us back in the areas of science and medicine as well. Many things that plague us now may be curable in the future. With advanced healing and genetic science we will know before a baby is born what problems it could face and either choose to terminate the pregnancy or if possible fix the problems before they can begin. There will be other technology and medicine that can heal the body and we will have the ability to heal spiritually as well.

I try to look past what we have right now available and what we have had to do because of kike rule. Perhaps we would not have had to suffer and destroy the ill and retarded if the kikes never existed. We should not have these problems with our bodies if Satan had been able to finish His great work on Us I believe these physical and mental problems would not exist in Us at all.

The decision to have a baby in a civilised world should be one of careful planning. Making sure both parents are a good match genetically and healthy. That they have enough resources and support to care for the child and raise the child the best way possible. The support of community and a safe and loving environment with education that will support the development of the child in a positive way spiritually as well. The fetus unborn should be checked for genetic abnormalities as it grows all the things common sense and true love of a Satanic nature would say to do. This is not discrimination. This is saving the child, the parents and the world from a mistake that will suffer because of ignorance and selfishness.

Bringing a new life to the world should be a joyous time of celebration. The result of careful planning and a big event, not a time of despair and worry and grief. And not so commonplace that no one cares... it's just another baby as if no one cares. Too many babies from unplanned pregnancies that shouldn't have happened. Better birth control should exist. If it were not for religions sticking their noses in it probably WOULD exist. In addition sexuality would not be a taboo that is so misunderstood and abused as it is now. Sexuality is not purely for making babies and there are many ways to enjoy the benefits of sexuality and orgasm that do not risk bringing an unwanted extra life to the world irresponsibly.

Quality not quantity is what is best in my opinion for everyone from now into the future.

This is just how I see it.

Hail Satan.

Subject: Re: Stopping the Medicare shit.

The school system seems to be one of jewry's favorite way to manipulate people, start out while their young and unsuspecting. I still remember a teacher telling the class that when the pilgrims came to america animals such as squirrels were curious about us, and then the pilgrims killed them in mass and animals were scared of us from that point on. Small animals are afraid of anything bigger then they are. Another teacher spent 1/3 of a school year on the anne frank book (she was clearly a kike) after we were finally done with the book I dont think anyone in the class room cared what happened to that jew. The story about the kid at the bus stop taking a piss reminds me of something also. When I was a kid a few blocks from where I lived there was a retarded couple who had 3 or 4 kids that were also retarded. Eventually the health department came searched the house and took the kids away, to put it lightly they couldnt figure out what a toilet was. These are the sort of people who shouldnt be permitted to have kids. Someone else I knew growing up had a mother who was slightly retarded and a father who was about 300 pounds over weight. I heard he dropped out of school, doesnt have a job has 3 kids with one girl and got another girl pregnant. He came over to my moms house asking if him and his girlfriend could stay with my mom. Another person who shouldnt be having children. Also how about the people who are in and out of jail on a regular basis? No amount of explaining will convince them that their lifestyle is wrong and that their a lowlife piece of shit who shouldnt have children.

I realise these people are exceptions, but if they continue what their doing eventually they will be the average people.

The school [skrew] system is simply a jew stink, pavlovian, day pen. There is no difference from sunday school and monday school except one is a secular stink of what to think, never how to think.

The jews created a system to subsidize the untermensch classes to breed like locusts at the cost of the tax payers. While making it as impossible as possible for people in the higher IQ ranges [middle classes mainly] to have anymore then one or two kids.

Its a slow beheading of the best of our People. Hand in hand with general dumbing down.

The perfect mongrelized, basic functioning retard is the final creation of all the jewish programs.

Since the jew is shit, it can only rule a shit bowl world where they can be the highest turd in the pile.

This existed and was brought on the epitome of destruction by Karl Marx the jewish messiah, which made it even more supressing. Not to mention the battering of religion in this, which makes life a living nightmare, to say the least of the least. I wonder if there is any way to escape this kind of living and actually live good. Is there anything you feel like could be possible, HP Don? There could be ways through Magick, but I'm just asking your opinion.

Subject: Re: Stopping the Medicare shit.

Do you mean live without debt? I own everything I have, I paid cash (\$9,000) for a fixer upper house. Its coming along nicely, Ive already had the windows, plumbing, roof, hotwater tank, doors, main water line, gas line all redone, and I added a mapoleon gourmet wood stove (woodburner) to my living room which is quite nice in the winter. I have a blue collar factory type job that pays pretty well, and my utility bills arent very expensive. Once you live without debt its relatively easy to get by.

Im curious as to what effect lower cost for houses will have on society, when I first bought my house the neighborhood was 70% blacks 30% whites. And the criminal element was there (not horribly though), now it seems more like 50% to 50%. Living here I feel like we could reverse white flight and instead of retreating start gaining ground and taking back neighborhoods. I dont mean run minorities out all together, but this rapid cycle of every white generation having to leave the neighborhood they grew up in needs to stop. When my mom was growing up she lived in the west part of town, by the time I was born much of it was a bad neighborhood. My house is in the north part of town, she said when she was growing up it was always a bad neighborhood. I grew up in the east part of town, it was referred to as the last white hold out in the town. The crime rate in that neighborhood is going up, I suppose it doesnt help that white teens are taught that black gang bangers are "cool". I think eventually the system will fail and people in neighborhoods will handle the criminals themselves the old fashioned way.

My advice hooded cobra, if your renting an apartment move back in with your parents for a while if you can. Save up some money, look on relators.com for a house thats affordable. If you have to take out a loan make sure its under 30,000 that way you should have a better chance of paying it off. Find a friend you trust to live with you and pay you rent, preferably someone who works a different whift then you do so theres almost always someone there.

I wonder if there is any way to escape this kind of living and actually live good. Is there anything you feel like could be possible, HP Don? There could be ways through Magick, but I'm just asking your opinion.

I'll admit it, I was sort of horrified when I read this, but I started thinking about Ginger, and Santana (My passed away animal family) And how they where put down because they where only suffering and how they are better now in the Astral realm. And then I looked at all of the mentally retarded children today, and how they are only suffering, and realized I was pretty damn stupid for being horrified at that thought when it is the right thing to do.

I suggest anyone who thinks that what the ancients did is horrifying like I did to think about what I have said here first to relate to what they did to help these children, it's like putting a dying man out of his misery, in the end it's only putting him out of that pain he was once in.

The kikes make it seem that way. We were never cruel and our nature is compassionate, loyal, heroic and noble. Thats why many of our people are so dead-defensive of xianity... Because our loyalty is used against us. We are the epitome of creation. They infect everything through their own lenses of disortion who cannot see anything past destruction. We are creative. As you said, free the person, they will reincarnate into a better body without defection and they can enjoy life. Souls being trapped into bodies that are severely sick etc, they just suffer for existing. This is the epitome of hatred and those who know the True Satanic laws, can see right through. They just rejoice into suffering. What better than keeping an Aryan soul into a destroyed body and see the person develop deficiencies that they will carry on throught their whole existence? Not a bigger happiness for the jew.

Aryans love by the eternal principles and by upholding the meaning of the eternal soul.

Subject: Re: Stopping the Medicare shit.

I remember, many, many years ago, when I was only six years old and we had just moved to Minnesota, I made new friends. These people were wonderful and lived a few apartments down the block. One friend, she was only a couple months younger than me and these people quickly became a second family, also their mother befriending my mother who was also new and alone to Minnesota at that time.

We grew up together, myself and the new friends. My point is this- this is very sad. This was back in the late 1950's; their mother Linda, due to very heavy smoking [before the surgeon general's public warning], during her pregnancy...she had a son who was a few years older than Shiela, my friend and her younger brother. Because this was not genetic, the baby appeared to be ok. At around 8 months, Linda's brother came to visit from another state and after holding the baby...commented 'there is something wrong with this baby.'

To make a long story short, the baby was found to be severely retarded. This was due to Linda smoking heavily during her pregnancy. He needed special care and was placed in the Fairbault institutions in southern Minnesota. Now, I remember this clearly...because the family had him for so many months, they were attached to him and once or twice a month, Linda would bring him home. His mind never progressed beyond that of a one year old. Point being, he was incessantly slammed around in the institution. Broken limbs, broken collar bone, incessant suffering. The family [they were some of the nicest people anyone could ever know], they were very always very financially strapped and had to pay a percentage to keep him at Fairbault.

When I got older, one summer I accompanied Linda and Shiela as they went to Fairbault to visit him there instead of bringing him home. To this day, I can never eat boiled eggs, as I watched Linda feeding him in the front seat of their car, slimy snot and spit with the boiled eggs running down his mouth- enough to make anyone gag. Linda later in the day brought him back to where he stayed. She wanted to feed him his evening meal. I remember Shiels opened a door where they kept the retarded as a group, all eating their evening meal. This was a sight, and stayed with me. I saw what I could only describe as absolute hideousness. One had a head the size of a bouncing ball [hydrocephalus], tongue hanging out of his mouth with the food dripping off of it. The others looked like something out of a hideous horror movie. All that poor boy ever knew was endless broken bones and other injuries.

Now, the jews keep such anomalies alive, as do the xian churches promote this, as the retarded are sacred and revered in the christian religion, as is anything else unnatural and detrimental to civilized society. The jews make a lot of money off of these most unfortunate individuals. I also heard later on from a woman who worked temporarily at Fairbault...filling in for a strike, that some of these retards would hang their heads in the toilet with their shit and worse. Now, keeping them alive, the jew makes a load of money as they require medications, they soak the families and/or the state to keep them in continued care and also the endless medical expenses they need to keep them going. The jew makes the most in profits. Most people would vomit if they saw only a fraction of what is hidden from the public.

What is a thousand times worse is those of sound mind who are trapped in abnormal bodies. Osteogenesis for example...brittle bone disease- supermarket tabloids [also operated by jews], exploit these poor souls. I saw plenty of this yellow journalism when growing up and they deeply affected me. Headlines 'boy breaks bones for 500th time.' This is only one exceptionally tragic example of the horrendous suffering one with such a wretchedly abnormal body, not to mention the endless heartbreak of the family, endures because the jew system refuses euthansia. This is against natural law and the victims know it at an unconscious level. People born without arms and legs. The jews who introduced thalidomide into Europe 50 years ago really made a profit off of this one. Some 25,000+ innocents born with horrific and hideous deformities, had to have special care. They even opened special schools there were so many. The jews made a lot of money off of this and in addition, most of these poor souls could never be parents, so another blow was dealt another percentage of our Aryan Whites, namely Germans from having

babies.

The jews push to keep anomalies alive and going. They use psychological arguments to try to screw up everyone's thinking in regards to keeping anything and everything alive, no matter how much the individuals are suffering. The medical costs alone are staggering. They also have what is called 'mainstreaming.' 'Mainstreaming' has been going on [at the instigation of the jews], for many, many years. This is where the retarded are put into schools with normal children. The normal children are taught that the retarded are 'special.' 'Special' is another jewish term for abnormality. Just like in the judeo/christian religion, normal kids and even adults are indoctrinated to revere the retarded as 'special' and through being 'special' they are somehow better and should have better privileges. I remember complaining to the school administration regarding how my son told me he couldn't eat his lunch as the retards were eating in the same lunchroom at the cross table and the slimy snot, the 'daaaaaaeeeh' picking their noses in their food and other things enough to make any normal person puke, even without having to eat their meal. They acted all high and mighty about it...like 'HOW DARE YOU COMPLAIN!

In closing, there is a pdf copy of the Nazi Primer Hitler Youth Manual in the files' section in this group. The costs to the state, not only in the way of housing, but also in caring for these unfortunates was staggering. So...what does one need incurable illnesses and anomalies for? THE JEW: HE PROFITS ON YOUR MISERY.

I know this is the big belief about how people can "live without debt."

But lets all be fucking honest here, in a society where even money is a form of issued debt you don't live free of debt. Even your high taxes you pay is going to paying.....debt. The cost of living is a form of debt.etc

You have to run in a human hamster wheel to afford to meet basic needs in a job [Just Over Broke]. You are caught in the cycle of serfijude just like everyone else.

At this point your way out is to live in a forest like a savage, or to legally obtain enough money to live within the system but not have to turn some job masters wheel to obtain just enough [tokens] money. To scape byfor the next week.

Do you mean live without debt? I own everything I have, I paid cash (\$9,000) for a fixer upper house. Its coming along nicely, Ive already had the windows, plumbing, roof, hotwater tank, doors, main water line, gas line all redone, and I added a mapoleon gourmet wood stove (woodburner) to my living room which is quite nice in the winter. I have a blue collar factory type job that pays pretty well, and my utility bills arent very expensive. Once you live without debt its relatively easy to get by.

Im curious as to what effect lower cost for houses will have on society, when I first bought my house the neighborhood was 70% blacks 30% whites. And the criminal element was there (not horribly though), now it seems more like 50% to 50%. Living here I feel like we could reverse white flight and instead of retreating start gaining ground and taking back neighborhoods. I dont mean run minorities out all together, but this rapid cycle of every white generation having to leave the neighborhood they grew up in needs to stop. When my mom was growing up she lived in the west part of town, by the time I was born much of it was a bad neighborhood. My house is in the north part of town, she said when she was growing up it was always a bad neighborhood. I grew up in the east part of town, it was referred to as the last white hold out in the town. The crime rate in that neighborhood is going up, I suppose it doesnt help that white teens are taught that black gang bangers are "cool". I think eventually the system will fail and people in neighborhoods will handle the criminals themselves the old fashioned way. My advice hooded cobra, if your renting an apartment move back in with your parents for a while if you can. Save up some money, look on relators.com for a house thats affordable. If you have to take out a loan make sure its under 30,000 that way you should have a better chance of paying it off. Find a friend you trust to live with you and pay you rent, preferably someone who works a different whift then you do so theres almost always someone there.

Its really jewish idea. Its really funny, doesn't matter how much money you have or how much money you make, still running on the wheel like a faggot. You have to still pay the system in for a good %. For why? Because you have. While all the big money sharks don't pay this % and get a huge % just for being jewish and having money. Some people can be lucky and have some property assign to them, or some money from their parents that they have saved. These people are really lucky. Personally I just want to ensure some money so I can evolve and know that I will be able to do this, because money is needed for this.

HAIL SATAN!!!!!!

Its coming along nicely, Ive already had the windows, plumbing, roof, hotwater tank, doors, main water line, gas line all redone, and I added a mapoleon gourmet wood stove (woodburner) to my living room which is quite nice in the winter. I have a blue collar factory type job that pays pretty well, and my utility bills arent very expensive. Once you live without debt its relatively easy to get by.

> Im curious as to what effect lower cost for houses will have on society, when I first bought my house the neighborhood was 70% blacks 30% whites. And the criminal element was there (not horribly though), now it seems more like 50% to 50%. Living here I feel like we could reverse white flight and instead of retreating start gaining ground and taking back neighborhoods. I dont mean run minorities out all together, but this rapid cycle of every white generation having to leave the neighborhood they grew up in needs to stop. When my mom was growing up she lived in the west part of town, by the time I was born much of it was a bad neighborhood. My house is in the north part of town, she said when she was growing up it was always a bad neighborhood. I grew up in the east part of town, it was referred to as the last white hold out in the town. The crime rate in that neighborhood is going up, I suppose it doesnt help that white teens are taught that black gang bangers are "cool". I think eventually the system will fail and people in neighborhoods will handle the criminals themselves the old fashioned way.

> My advice hooded cobra, if your renting an apartment move back in with your parents for a while if you can. Save up some money, look on relators.com for a house thats affordable. If you have to take out a loan make sure its under 30,000 that way you should have a better chance of paying it off. Find a friend you trust to live with you and pay you rent, preferably someone who works a different whift then you do so theres almost always someone there.

When I was a kid a few blocks from where I lived there was a retarded couple who had 3 or 4 kids that were also retarded. Eventually the health department came searched the house and took the kids away, to put it lightly they couldnt figure out what a toilet was. These are the sort of people who shouldnt be permitted to have kids. Someone else I knew growing up had a mother who was slightly retarded and a father who was about 300 pounds over weight. I heard he dropped out of school, doesnt have a job has 3 kids with one girl and got another girl pregnant. He came over to my moms house asking if him and his girlfriend could stay with my mom. These days a lot of parents, both parents have to work full time just to stay afloat and put food on the table and keep the rent or morgage paid. So you can add after school care and other carers to the list of people children are in the care of. I was raised by a single mother and she couldnt cope. I had my grandparents thankfully they were athiest most of my family was and were loving and encouraging of me. They taught me about self defence and taking no shit at school. You have to still pay the system in for a good %. For why? Because you have. While all the big money sharks don't pay this % and get a huge % just for being jewish and having money. Some people can be lucky and have some property assign to them, or some money from their parents that they have saved. These people are really lucky. Personally I just want to ensure some money so I can evolve and know that I will be able to do this, because money is needed for this.

If it were not for religions sticking their noses in it probably WOULD exist. In addition sexuality would not be a taboo that is so misunderstood and abused as it is now. Sexuality is not purely for making babies and there are many ways to enjoy the benefits of sexuality and orgasm that do not risk bringing an unwanted extra life to the world

Many of us can look at our childhood, including myself and see an incapable parent, a parent even weaker than ourselves, an abusive relative. This all has to end. The worst criminals that kill the soul and the mind are the parents sometimes, as they are damaging their own kids in the most sensitive spot and time of their existence, marking them with dross and pain that is hard to fix. This is extremely immature and very destructive. Unfulfilled desires battered on the kid, the person being abused and used like a puppet or a 'piece of myself' by their parents. This is extreme criminalistic behavior to say the least. Kids are their own soul, their own self and they have their own Divine purpose as another individual

I think restoring titles of nobility would be a good thing, as it would encourage upward spiritual and physical evolution. People would also better understand their place and worth in society. Well I'm getting what you mean kvnfidler...People get in loans and get houses and shit, aiming for a life they can't have at the time, due to personal hunger...They end in disaster. Owning money to banks and the nation's banks in general is really stupid and can prove a disaster. It can destroy anything one has. Personally I believe that its better to be hardworking and accomplish independence.

HAIL SATAN!!!!!!

This reminded me of a video I just saw, its called money as debt 2. I saw the first one years ago.

Its coming along nicely, Ive already had the windows, plumbing, roof, hotwater tank, doors, main water line, gas line all redone, and I added a mapoleon gourmet wood stove (woodburner) to my living room which is quite nice in the winter. I have a blue collar factory type job that pays pretty well, and my utility bills arent very expensive. Once you live without debt its relatively easy to get by.

> Im curious as to what effect lower cost for houses will have on society, when I first bought my house the neighborhood was 70% blacks 30% whites. And the criminal element was there (not horribly though), now it seems more like 50% to 50%. Living here I feel like we could reverse white flight and instead of retreating start gaining ground and taking back neighborhoods. I dont mean run minorities out all together, but this rapid cycle of every white generation having to leave the neighborhood they grew up in needs to stop. When my mom was growing up she lived in the west part of town, by the time I was born much of it was a bad neighborhood. My house is in the north part of town, she said when she was growing up it was always a bad neighborhood. I grew up in the east part of town, it was referred to as the last white hold out in the town. The crime rate in that neighborhood is going up, I suppose it doesnt help that white teens are taught that black gang

> bangers are "cool". I think eventually the system will fail and people in neighborhoods will handle the criminals themselves the old fashioned way.

> My advice hooded cobra, if your renting an apartment move back in with your parents for a while if you can. Save up some money, look on relators.com for a house thats affordable. If you have to take out a loan make sure its under 30,000 that way you should have a better chance of paying it off. Find a friend you trust to live with you and pay you rent, preferably someone who works a different whift then you do so theres almost always someone there.

Small animals are afraid of anything bigger then they are. > > > > The story about the kid at the bus stop taking a piss reminds me of something also. When I was a kid a few blocks from where I lived there was a retarded couple who had 3 or 4 kids that were also retarded. Eventually the health department came searched the house and took the kids away, to put it lightly they couldnt figure out what a toilet was. These are the sort of people who shouldnt be permitted to have kids. Someone else I knew growing up had a mother who was slightly retarded and a father who was about 300 pounds over weight. I heard he dropped out of school, doesnt have a job has 3 kids with one girl and got another girl pregnant. He came over to my moms house asking if him and his girlfriend could stay with my mom. Another person who shouldnt be having children. Also how about the people who are in and out of jail on a regular basis? So you can add after school care and other carers to the list of people children are in the care of. I was raised by a single mother and she couldnt cope. I had my grandparents thankfully they were athiest most of my family was and were loving and encouraging of me. They taught me about self defence and taking no shit at school. Don's right though money is debt, another thing that bothers me about it is its not possible for everyone to be out of debt. For that to happen people would have to default on their loans. To sum it up if you go to a bank and take out a loan a bank doesnt take the money out of their vault and place it in your account, they simply type a number into a bank account, its also worth pointing out thats now "new" money. Heres the scary part, theres not enough money in circulation to pay the principal (the loan) plus the interest.

Owning money to banks and the nation's banks in general is really stupid and can prove a disaster. It can destroy anything one has. Personally I believe that its better to be hardworking and accomplish independence.

Its coming along nicely, Ive already had the windows, plumbing, roof, hotwater tank, doors, main water line, gas line all redone, and I added a mapoleon gourmet wood stove (woodburner) to my living room which is quite nice in the winter. I have a blue collar factory type job that pays pretty well, and my utility bills arent very expensive. Once you live without debt its relatively easy to get by.

> > Im curious as to what effect lower cost for houses will have on society, when I first bought my house the neighborhood was 70% blacks 30% whites. And the criminal element was there (not horribly though), now it seems more like 50% to 50%. Living here I feel like we could reverse white flight and instead of retreating start gaining ground and taking back neighborhoods. I dont mean run minorities out all together, but this rapid cycle of every white generation having to leave the neighborhood they grew up in needs to stop. When my mom was growing up she lived in the west part of town, by the time I was born much of it was a bad neighborhood. My house is in the north part of town, she said when she was growing up it was always a bad neighborhood. I grew up in the east part of town, it was referred to as the last white hold out in the town. The crime rate in that neighborhood is going up, I suppose it doesnt help that white teens are taught that black gang bangers are "cool". I think eventually the system will fail and people in neighborhoods will handle the criminals themselves the old fashioned way.

> > My advice hooded cobra, if your renting an apartment move back in with your parents for a while if you can. Save up some money, look on relators.com for a house thats affordable. If you have to take out a loan make sure its under 30,000 that way you should have a better chance of paying it off. Find a friend you trust to live with you and pay you rent, preferably someone who works a different whift then you do so theres almost always someone there.

When I was a kid a few blocks from where I lived there was a retarded couple who had 3 or 4 kids that were also retarded. Eventually the health department came searched the house and took the kids away, to put it lightly they couldnt figure out what a toilet was. These are the sort of people who shouldnt be permitted to have kids. Someone else I knew growing up had a mother who was slightly retarded and a father who was about 300 pounds over weight. I heard he dropped out of school, doesnt have a job has 3 kids with one girl and got another girl pregnant. He came over to my moms house asking if him and his girlfriend could stay with my mom. Another person who shouldnt be having children. Also how about the people who are in and out of jail on a regular basis? So you can add after school care and other carers to the list of people children are in the care of. I was raised by a single mother and she couldnt cope. I had my grandparents thankfully they were athiest most of my family was and were loving and encouraging of me. They taught me about self defence and taking no shit at school. If it were not for religions sticking their noses in it probably WOULD exist. In addition sexuality would not be a taboo that is so misunderstood and abused as it is now. Sexuality is not purely for making babies and there are many ways to enjoy the benefits of sexuality and orgasm that do not risk bringing an unwanted extra life to the world irresponsibly.

Then these kids are abused, suffer endlessly, pay the dues of their parents both physically and spiritually. Many of us can look at our childhood, including myself and see an incapable parent, a parent even weaker than ourselves, an abusive relative. This all has to end. The worst criminals that kill the soul and the mind are the parents sometimes, as they are damaging their own kids in the most sensitive spot and time of their existence, marking them with dross and pain that is hard to fix. This is extremely immature and very destructive. Unfulfilled desires battered on the kid, the person being abused and used like a puppet or a 'piece of myself' by their parents. This is extreme criminalistic behavior to say the least. Kids are their own soul, their own self and they have their own Divine purpose as another individual being.

That last part describes the school I went to, they called them 'special' even breaking limbs on normal kids was apparently ok, don't complain their special. Say that to the kid with his shoulder dislocated and his arm being twisted round into horror movie positions screaming. Oh poor special kid doesn't know how strong they are. That's another thing these retards were so physically strong and didn't seem to register pain. After fighting them off myself I know it first hand. I felt sorry for some of them but at the same time I hated them. But it gets real hard to feel much for anyone that's attacking you and why should you? I still remember the drool and the smells and then those filthy hands grabbing you it is a living horror movie.

There was a guy on TV this week, a dad with a disabled son I don't know what was wrong with him exactly but it wasn't nice. They played it up to the bleeding hearts around the country begging for donations for therapy showed the dad crying the boy struggling to walk and I saw him and I just felt sick. I felt bad for his dad but fuck... all these people were crying and sending money it was just horrible and right at dinner time is when they show it. Then they show more kids drooling and making horrific sounds and falling all over I couldn't watch it. Another little girl with a genetic disease that caused her joints to dislocate very easily just moving the wrong way and she had to be strapped up for months. She will never have anything close to a normal life, never have sex, never drive a car or do any physical activity much beyond brushing her teeth and she can't even dress herself. Both her parents had the same disease but less severe it made me so angry when people CHOOSE to have kids when they know they can pass something like that on and the chances are VERY HIGH they will create a person who will suffer endlessly. It is fucking selfish and cruel. I think these people should be sterilised. It's sick!

people don't know the truth about the soul and about Satan and all of it if they did they should be horrified. The consequences as been said here already to the next life you are not just condemning this soul in this body. Sometimes I feel like hitting my head against a wall it's so frustrating. No good that will do we just have to keep fighting.

Hail Satan

His mind never progressed beyond that of a one year old. Point being, he was incessantly slammed around in the institution. Broken limbs, broken collar bone, incessant suffering. The family [they were some of the nicest people anyone could ever know], they were very always very financially strapped and had to pay a percentage to keep him at Fairbault.

Linda later in the day brought him back to where he stayed. She wanted to feed him his evening meal. I remember Shiels opened a door where they kept the retarded as a groupo, all eating their evening meal. This was a sight, and stayed with me. I saw what I could only describe as absolute hideousness. One had a head the size of a bouncing ball [hydrocephalus], tounge hanging out of his mouth with the food dripping off of it. The others looked like something out of a hideous horror movie. All that poor boy ever knew was endless broken bones and other injuries.

Now, keeping them alive, the jew makes a load of money as they require medications, they soak the families and /or the state to keep them in continued care and also the endless medical expenses they need to keep them going. The jew makes the most in profits. Most people would vomit if they saw only a fraction of what is hidden from the public.

This is only one exceptionally tragic example of the horrendous suffering one with such a wretchedly abnormal body, not to mention the endless heartbreak of the family, endures because the jew system refuses euthansia. This is against natural law and the victims know it at an unconscious level. People born without arms and legs. The jews who introduced thalidomide into Europe 50 years ago really made a profit off of this one. Some 25,000+ innocents born with horrific and hideous deformities, had to have special care. They even opened special schools there were so many. The jews made a lot of money off of this and in

They use psychological arguments to try to screw up everyone's thinking in regards to keeping anything and everything alive, no matter how much the individuals are suffering. The medical costs alone are staggering. They also have what is called 'mainstreaming.' 'Mainstreaming' has been going on [at the instigatin of the jews], for many, many years. This is where the retarded are put into schools with normal children. The normal children are taught that the retarded are 'special.' 'Special' is another jewish term for abnormality. Just like in the judeo/christian religion, normal kids and even adults are indoctrinated to revere the retarded as 'special' and through being 'special' they are somehow better and should have better privilages. I remember complaining to the school administration regarding how my son told me he couldn't eat his lunch as the retards were eating in the same lunchroom at the cross

Its just what HP Don said. Money by its own existence is a form of debt. I wonder how any why it was invented, who was really behind this. Did it start as a good invention and got bastardized later? Ill try to check this.

HAIL SATAN!!!!!!!

To sum it up if you go to a bank and take out a loan a bank doesnt take the money out of their vault and place it in your account, they simply type a number into a bank account, its also worth pointing out thats now "new" money. Heres the scary part, theres not enough money in circulation to pay the principal (the loan) plus the interest.

Owning money to banks and the nation's banks in general is really stupid and can prove a disaster. It can destroy anything one has. Personally I believe that its better to be hardworking and accomplish independence.

If you have to take out a loan make sure its under 30,000 that way you should have a better chance of paying it off. Find a friend you trust to live with you and pay you rent, preferably someone who works a different whift then you do so theres almost always someone there.

When I was a kid a few blocks from where I lived there was a retarded couple who had 3 or 4 kids that were also retarded. Eventually the health department came searched the house and took the kids away, to put it lightly they couldnt figure out what a toilet was. These are the sort of people who shouldnt be permitted to have kids. Someone else I knew growing up had a mother who was slightly retarded and a father who was about 300 pounds over weight. I heard he dropped out of school, doesnt have a job has 3 kids with one girl and got another girl pregnant. He came over to my moms house asking if him and his girlfriend could stay with my mom. Another person who shouldnt be having children. Also how about the people who are in and out of jail on a regular basis? If it were not for religions sticking their noses in it probably WOULD exist. In addition sexuality would not be a taboo that is so misunderstood and abused as it is now. Sexuality is not purely for making babies and there are many ways to enjoy the benefits of sexuality and orgasm that do not risk bringing an unwanted extra life to the world irresponsibly.

Many of us can look at our childhood, including myself and see an incapable parent, a parent even weaker than ourselves, an abusive relative. This all has to end. The worst criminals that kill the soul and the mind are the parents sometimes, as they are damaging their own kids in the most sensitive spot and time of their existence, marking them with dross and pain that is hard to fix. This is extremely immature and very destructive. Unfulfilled desires battered on the kid, the person being abused and used like a puppet or a 'piece of myself' by their parents. This is extreme criminalistic behavior to say the least. Kids are their own soul, their own self and they have their own Divine purpose as another individual being.

Painfully True!

I try to live pretty simple compared to most but in doing that other hidden costs come up. Buy a cheap house to avoid a morgage there is a reason it's cheap. Shit is always breaking, plumbing leaking, septics cracking and costing \$2000 to fix then neighbours septic failing leaking into your place causing a mini war to break out and legal costs and property damage and that awsome food garden you planned is now swamped in a festy soup of shit. Then comes bad weather and your livestock that were going to feed you to save you money cost you money. The pen roofs collapse the coups flood you need to buy more wire as the price of steel goes up, the price of hay goes up, petrol goes up. The fences fall over and you are out in the rain and mud at 3am fixing

something... and your home buisness and self sufficient lifestyle suddenly sees you hunting a job again and looking for a loan to fix all the problems what you thought was the cheap and easy life turns out to be a pain in the ass.

Everyone gets the shits you end up fighting amongst your family and you realise it all comes back to the \$\$\$\$ it has you by the balls wherever you turn. It isn't all bad and sometimes things go great but I am just saying the easy way out dosnt always turn out so easy. Now watching the new neighbours about to find out all about it. *sigh* but it is getting better and better everyday no other way to face it but with gritted teeth and a positive mantra that everything is awsome! Beats being chained to a desk. No fucking way I am ever getting a credit card though!

Hail Satan

The crime rate in that neighborhood is going up, I suppose it doesnt help that white teens are taught that black gang bangers are "cool". I think eventually the system will fail and people in neighborhoods will handle the criminals themselves the old fashioned way.

If it were not for religions sticking their noses in it probably WOULD exist. In addition sexuality would not be a taboo that is so misunderstood and abused as it is now. Sexuality is not purely for making babies and there are many ways to enjoy the benefits of sexuality and orgasm that do not risk bringing an unwanted extra life to the world irresponsibly.

Many of us can look at our childhood, including myself and see an incapable parent, a parent even weaker than ourselves, an abusive relative. This all has to end. The worst criminals that kill the soul and the mind are the parents sometimes, as they are damaging their own kids in the most sensitive spot and time of their existence, marking them with dross and pain that is hard to fix. This is extremely immature and very destructive. Unfulfilled desires battered on the kid, the person being abused and used like a puppet or a 'piece of myself' by their parents. This is extreme criminalistic behavior to say the least. Kids are their own soul, their own self and they have their own Divine purpose as another individual

I think restoring titles of nobility would be a good thing, as it would encourage upward spiritual and physical evolution. People would also better understand their place and worth in society. Subject: Re: Stopping the Medicare shit.

My house is now mostly down to cosmetics rather than the bigger projects, I know what you mean though when it seems like everything needs fixed. I still think its easier doing it this way then having a mortgage and still having to fix things around the house. When I was growing up my parents had to take out a 2nd mortgage when they got new windows for the house. Before I moved into my \$9,000 house I probably put \$10-\$12 thousand into it. All new windows, new main water line, new plu,bing, hotwater tank, toilet, kitchen counter, kitchen sink, new paint, new doors. I also needed appliances, so I ended up doing the 0% financing for the windows, doors, and appliances. Once I was done juggling all of that I decided NEVER again would I do that, being out of debt seems to be the closest thing to freedom in this day and age.

Shit is always breaking, plumbing leaking, septics cracking and costing \$2000 to fix then neighbours septic failing leaking into your place causing a mini war to break out and legal costs and property damage and that awsome food garden you planned is now swamped in a festy soup of shit. Then comes bad weather and your livestock that were going to feed you to save you money cost you money. The pen roofs collapse the coups flood you need to buy more wire as the price of steel goes up, the price of hay goes up, petrol goes up. The fences fall over and you are out in the rain and mud at 3am fixing something... and your home buisness and self sufficient lifestyle suddenly sees you hunting a job again and looking for a loan to fix all the problems what you thought was the cheap and easy life turns out to be a pain in the ass.

If it were not for religions sticking their noses in it probably

The worst criminals that kill the soul and the mind are the parents sometimes, as they are damaging their own kids in the most sensitive spot and time of their existence, marking them with dross and pain that is hard to fix. This is extremely immature and very destructive. Unfulfilled desires battered on the kid, the person being abused and used like a puppet or a 'piece of myself' by their parents. This is extreme criminalistic behavior to say the least. Kids are their own soul, their own self and they have their own Divine purpose as another individual

Holy..... Crap. The thought of that just makes me want to puke. I don't know if I can make any further comments on this awakening post, except for, how could anyone keep those people alive? I made my mother put down Ginger because she was suffering and I knew it.

That's the most fucked up story I believe I have ever heard. This world needs to wake up.

Subject: [666BlackSun] Re: Stopping the Medicare shit.

I remember, many, many years ago, when I was only six years old and we had just moved to Minnesota, I made new friends. These people were wonderful and lived a few apartments down the block. One friend, she was only a couple months younger than me and these people quickly became a second family, also their mother befriending my mother who was also new and alone to Minnesota at that time.

We grew up together, myself and the new friends. My point is this- this is very sad. This was back in the late 1950's; their mother Linda, due to very heavy smoking [before the surgeon general's public warning], during her pregnancy...she had a son who was a few years older than Shiela, my friend and her younger brother. Because this was not genetic, the baby appeared to be ok. At around 8 months, Linda's brother came to visit from another state and after holding the

baby...commented 'there is something wrong with this baby.'

To make a long story short, the baby was found to be severely retarded. This was due to Linda smoking heavily during her pregnancy. He needed special care and was placed in the Fairbault institutions in southern Minnesota. Now, I remember this clearly...because the family had him for so many months, they were attached to him and once or twice a month, Linda would bring him home. His mind never progressed beyond that of a one year old. Point being, he was incessantly slammed around in the institution. Broken limbs, broken collar bone, incessant suffering. The family [they were some of the nicest people anyone could ever know], they were very always very financially strapped and had to pay a percentage to keep him at Fairbault.

When I got older, one summer I accompanied Linda and Shiela as they went to Fairbault to visit him there instead of bringing him home. To this day, I can never eat boiled eggs, as I watched Linda feeding him in the front seat of their car, slimy snot and spit with the boiled eggs running down his mouth- enough to make anyone gag. Linda later in the day brought him back to where he stayed. She wanted to feed him his evening meal. I remember Shiels opened a door where they kept the retarded as a groupo, all eating their evening meal. This was a sight, and stayed with me. I saw what I could only describe as absolute hideousness. One had a head the size of a bouncing ball [hydrocephalus], tounge hanging out of his mouth with the food dripping off of it. The others looked like something out of a hideous horror movie. All that poor boy ever knew was endless broken bones and other injuries.

Now, the jews keep such anomalies alive, as do the xian churches promote this, as the retarded are sacred and revered in the christian religion, as is anything else unnatural and detrimental to civilized society. The jews make a lot of money off of these most unfortunate individuals. I also heard later on from a woman who worked temporarily at Fairbault...filling in for a strike, that some of these retards would hang their heads in the toilet with their shit and worse. Now, keeping them alive, the jew makes a load of money as they require medications, they soak the families and/or the state to keep them in continued care and also the endless medical expenses they need to keep them going. The jew makes the most in profits. Most people would vomit if they saw only a fraction of what is hidden from the public.

What is a thousand times worse is those of sound mind who are trapped in abnormal bodies. Osteogenesis for example...brittle bone disease- supermarket tabloids [also operated by jews], exploit these poor souls. I saw plenty of this yellow journalism when growing up and they deeply affected me. Headlines 'boy breaks bones for 500th time.' This is only one exceptionally tragic example of the horrendous suffering one with such a wretchedly abnormal body, not to mention the endless heartbreak of the family, endures because the jew system refuses euthansia. This is against natural law and the victims know it at an unconscious level. People born without arms and legs. The jews who introduced thalidomide into Europe 50 years ago really made a profit off of this one. Some 25,000+ innocents born with horrific and hideous deformities, had to have special care. They even opened special schools there were so many. The jews made a lot of money off of this and in addition, most of these poor souls could never be parents, so another blow was dealt another percentage of our Aryan Whites, namely Germans from having babies.

The jews push to keep anomalies alive and going. They use psychological arguments to try to screw up everyone's thinking in regards to keeping anything and everything alive, no matter how much the individuals are suffering. The medical costs alone are staggering. They also have what is called 'mainstreaming.' 'Mainstreaming' has been going on [at the instigatin of the jews], for many, many years. This is where the retarded are put into schools with normal children. The normal children are taught that the retarded are 'special.' 'Special' is another jewish term for abnormality. Just like in the judeo/christian religion, normal kids and even adults are indoctrinated to revere the retarded as 'special' and through being 'special' they are somehow better and should have better privilages. I remember complaining to the school administration regarding how my son told me he couldn't eat his lunch as the retards were eating in the same lunchroom at the cross table and the slimy snot, the 'daaaaaaeeeh' picking their noses in their food and other things enough to make any normal person puke, even without having to eat their meal. They acted all high and mighty about it...like 'HOW DARE YOU COMPLAIN!'

In closing, there is a pdf copy of the Nazi Primer Hitler Youth Manual in the files' section in this group. The costs to the state, not only in the way of housing, but also in caring for these unfortunates was staggering. So...what does one need incurable illnesses and anomalies for? THE JEW: HE PROFITS ON YOUR MISERY.

Subject: Jewish media admits Nazis NOT responsible for massacre of Polish Gen

"WARSAW, Poland (AP) The American POWs sent secret coded messages to Washington with news of a Soviet atrocity: In 1943 they saw rows of corpses in an advanced state of decay in the Katyn forest, on the western edge of Russia, proof that the killers could not have been the Nazis who had only recently occupied the area."

"The Soviet secret police killed the 22,000 Poles with shots to the back of the head. Their aim was to eliminate a military and intellectual elite that would have put up stiff resistance to Soviet control. The men were among Poland's most accomplished officers and reserve officers who in their civilian lives worked as doctors, lawyers, teachers, or as other professionals. Their loss has proven an enduring wound to the Polish nation."

"But returning to their POW camps, the Americans carried a conviction that they had just witnessed overwhelming proof of Soviet guilt. The corpses' advanced state of decay told them the killings took place much earlier in the war, when the Soviets still controlled the area."

As we know, the Soviet Union was jewish through and through, including Stalin himself. It was the jews who were responsible for the deaths of MILLIONS of Gentile Men and Women, and NOT the other way around!

It is extremely telling that an article such as this has actually been publicised within the Media at this time. The jews are losing power, and people are waking up!!

Another thing this article proves beyond a shadow of a doubt is the US government of the time was working with the jews and against the Gentile People. This atrocity is one of many examples of how our People have met gruesome fates at the hands of the enemy. One only needs to research Dresden to find another example of this. Again, the jewish run governments were responsible for this horrific event.

OUR PEOPLE ARE WAKING UP, and it is time for us to step up the fight!

Yes, the destruction of the Aryan Body and Soul is what the enemy seeks. This is also why they push drug and alcohol abuse in today's society. Anything that will damage and weaken our people. Long term use of certain drugs can cause permanent brain damage, infertility and other severe physical abnormalities, yet the jewish media promotes this among our White youth. My point here is- they do everything that they can in an attempt to destroy our People. Xianity and related programs attack at the Soul level, and then jewish drug cultures and related attack at the Physical level, and as we know the one spills out into the other and vice versa. We need to make our People aware of this.

The program of race mixing also ties in here. Again, this is Physical and Spiritual destruction. In the True Satanic World, these programs will not exist. Nature dictates that they are unnatural and unhealthy.

It is vital that our People be aware of the deep connection of the Physical with the Spiritual, and how these two go hand in hand. There is no Soul on its own, or Physical Body on its own. Each is as important as the other, and the Health and Empowerment of each is vital.

The jews promote both Physical ill health and Spiritual ill health and even glorify it. Like their filthy bible states "blessed are they who are meek". Why? Because the weak/meek make good slaves.

Weakness, both Physical and Spiritual, is un-Aryan. Aryan Society glorifies the strong Satanic Warrior, and this is the image that our People should live up to.

Subject: Re: Stopping the Medicare shit.			

Wow I am amazed you can get a house that cheap. Cheapest you would find over here would be maybe \$30 000 bulldozer job full of asbestos so add the cost of asbestos removal onto it and literally in a one horse town in the middle of nowhere, like several hundred KM from a major town or city, no work often no electricity available. My mother owned her home after paying off her morgage and bought the place we live in now. We don't get on real good but we have some land with it and its only 3 hours to a city. Major town 30 minutes drive still not much work but some cleaning jobs and cafe work. I want to start a home nursury buisness with rare and exotic plants and edible plants and do some landscaping. It just takes a long time to get going. Ive had to just learn to do a lot of things myself even if its not perfect if it works good enough for now. My mother cant do much now so its up to me to take care of the place. We don't have much but at least noone can take our house away. This land is in the family now. I will still have to work Ive been out for a while now once I get my car it will be much easier to find work. Its good when you can work for cash too lol. Sometimes I barter and exchange stuff for help around the place etc. You have to learn to save where you can.

It was a nice area when we came here, quiet peacefull place nice people but its cheaper than other places and now years on the rot is setting in and comming down from the city and it's changing. We didn't have gangs and shootings before but now thats comming too.

Drugs a lot of that going on now drugs bikers and bullshit. And a lot of young people hanging around not at school, no work no hobbies or interests other than causing trouble. I guess it happens everywhere.

Hail Satan

I still think its easier doing it this way then having a mortgage and still having to fix things around the house. When I was growing up my parents had to take out a 2nd mortgage when they got new windows for the house. Before I moved into my \$9,000 house I probably put \$10-

\$12 thousand into it. All new windows, new main water line, new plumbing, hotwater tank, toilet, kitchen counter, kitchen sink, new paint, new doors. I also needed appliances, so I ended up doing the 0% financing for the windows, doors, and appliances. Once I was done juggling all of that I decided NEVER again would I do that, being out of debt seems to be the closest thing to freedom in this day and age.

Then comes bad weather and your livestock that were going to feed you to save you money cost you money. The pen roofs collapse the coups flood you need to buy more wire as the price of steel goes up, the price of hay goes up, petrol goes up. The fences fall over and you are out in the rain and mud at 3am fixing something... and your home business and self sufficient lifestyle suddenly sees you hunting a job again and looking for a loan to fix all the problems what you thought was the cheap and easy life turns out to be a pain in the ass.

As I understand it there were a lot of places like that, for retarded, unwanted and also poor farms. A lot of terrible abuse and suffering went on in these places I have heard some real horror stories that were beyond belief. How any decent person could not be horrified I don't know.

One friend, she was only a couple months younger than me and these people quickly became a second family, also their mother befriending my mother who was also new and alone to Minnesota at that time.

>

> We grew up together, myself and the new friends. My point is this- this is very sad. This was back in the late 1950's; their mother Linda, due to very heavy smoking [before the surgeon general's public warning], during her pregnancy...she had a son who was a few years older than Shiela, my friend and her younger brother. Because this was not genetic, the baby appeared to be ok. At around 8 months, Linda's brother came to visit from another state and after holding the baby...commented 'there is something wrong with this baby.'

>

> To make a long story short, the baby was found to be severely retarded. This was due to Linda smoking heavily during her pregnancy. He needed special care and was placed in the Fairbault institutions in southern Minnesota. Now, I remember this clearly...because the family had him for so many months, they were attached to him and once or twice a month, Linda would bring him home. His mind never progressed beyond that of a one year old. Point being, he was incessantly slammed around in the institution. Broken limbs, broken collar bone, incessant suffering. The family [they were some of the nicest people anyone could ever know], they were very always very financially strapped and had to pay a percentage to keep him at Fairbault.

>

> When I got older, one summer I accompanied Linda and Shiela as they went to Fairbault to visit him there instead of bringing him home. To this day, I can never eat boiled eggs, as I watched Linda feeding him in the front seat of their car, slimy snot and spit with the boiled eggs running down his mouth- enough to make anyone gag. Linda later in the day brought him back to where he stayed. She wanted to feed him his evening meal. I remember Shiels opened a door where they kept the retarded as a groupo, all eating their evening meal. This was a sight, and stayed with me. I saw what I could only describe as absolute hideousness. One had a head the size of a bouncing ball [hydrocephalus], tounge hanging out of his mouth with the food dripping off of it. The others looked like something out of a hideous horror movie. All that poor boy ever knew was

endless broken bones and other injuries.

>

> Now, the jews keep such anomalies alive, as do the xian churches promote this, as the retarded are sacred and revered in the christian religion, as is anything else unnatural and detrimental to civilized society. The jews make a lot of money off of these most unfortunate individuals. I also heard later on from a woman who worked temporarily at Fairbault...filling in for a strike, that some of these retards would hang their heads in the toilet with their shit and worse. Now, keeping them alive, the jew makes a load of money as they require medications, they soak the families and /or the state to keep them in continued care and also the endless medical expenses they need to keep them going. The jew makes the most in profits. Most people would vomit if they saw only a fraction of what is hidden from the public.

>

> What is a thousand times worse is those of sound mind who are trapped in abnormal bodies. Osteogenesis for example...brittle bone disease-supermarket tabloids [also operated by jews], exploit these poor souls. I saw plenty of this yellow journalism when growing up and they deeply affected me. Headlines 'boy breaks bones for 500th time.' This is only one exceptionally tragic example of the horrendous suffering one with such a wretchedly abnormal body, not to mention the endless heartbreak of the family, endures because the jew system refuses euthansia. This is against natural law and the victims know it at an unconscious level. People born without arms and legs. The jews who introduced thalidomide into Europe 50 years ago really made a profit off of this one. Some 25,000+ innocents born with horrific and hideous deformities, had to have special care. They even opened special schools there were so many. The jews made a lot of money off of this and in

> addition, most of these poor souls could never be parents, so another blow was dealt another percentage of our Aryan Whites, namely Germans from having babies.

>

> The jews push to keep anomalies alive and going. They use psychological arguments to try to screw up everyone's thinking in regards to keeping anything and everything alive, no matter how much the individuals are suffering. The medical costs alone are staggering. They also have what is called 'mainstreaming.' 'Mainstreaming' has been going on [at the instigation of the jews], for many, many years. This is where the retarded are put into schools with normal children. The normal children are taught that the retarded are 'special.' 'Special' is another jewish term for abnormality. Just like in the judeo/christian religion, normal kids and even adults are indoctrinated to revere the retarded as 'special' and through being 'special' they are somehow better and should have better privileges. I remember complaining to the school administration regarding how my son told me he couldn't eat his lunch as the retards were eating in the same lunchroom at the cross

> table and the slimy snot, the 'daaaaaaeeeh' picking their noses in their food and other things enough to make any normal person puke, even without having to eat their meal. They acted all high and mighty about it...like 'HOW DARE YOU COMPLAIN!'

>

> In closing, there is a pdf copy of the Nazi Primer Hitler Youth Manual in the files' section in this group. The costs to the state, not only in the way of housing, but also in caring for these unfortunates was staggering. So...what does one need incurable illnesses and anomalies for? THE JEW: HE PROFITS ON YOUR MISERY.

Subject: Re: Stopping the Medicare shit.

It is the amount of debt. The jew run system employes the userous interest rates like a loan shark. For example, a debt for say \$100.00, in six months time, can run into over \$500.00 with the interest rates. This is what the jew does. How many of you have had 'overdrafts' at the bank? The jew is clever in requiring the account to 'pay for overdrafts' but of course the charges say \$35.00 for each overdraft, even an overdraft of \$2.00 and of course huge problems ensue. I know a person who paid over \$300.00+ for a pizza that gout out of hand. Peoploe on the news have complained about paying over \$100.00 in bank fees for a slipped few cents over on a Starbucks. This all is very jewish.

They know how to get people into debt. Take a credit card...people often fall into the trap of overspending on the credit card because it is not cash up front and that they can 'pay it later.' This is another jewish scam designed to screw Gentiles to the wall. So...pay later and the longer it takes you to pay, the more you pay on interest. For example, a major purchase on credit, a new appliance costing \$800.00, and you will wind up paying twice the amount for this if you take a year to pay and only pay the monthly amount of percentage they charge as to the bill. In addition, if you are late on a monthly payment, most of those companies will slap an additional late charge onto you. The jew then punishes Gentiles who don't have enough money. Many decent paying white collar jobs check on a person's credit ratings and if one does not have A-1 credit, he/she is denied the job. This goes further and further into making substantial, but necessary purchases and more. The jew makes it impossible to survive. Communism is a prime example.

By 1936, only three years after Adolf Hitler came to power, Nazi Germany had 100% employment, people were living well and the country was flourishing. This was all accomplished by getting the jews under control. In a civilized society, of course everyone will have bills to pay for essentials, but these bills do not have to be strangling or unreasonable. The jew ruins everything from the economy to human sexuality. They rot everything out form the inside.

> Im curious as to what effect lower cost for houses will have on society, when I first bought my house the neighborhood was 70% blacks 30% whites. And the criminal element was there (not horribly though), now it seems more like 50% to 50%. Living here I feel like we could reverse white flight and instead of retreating start gaining ground and taking back neighborhoods. I dont mean run minorities out all together, but this rapid cycle of every white generation having to leave the neighborhood they grew up in needs to stop. When my mom was growing up she lived in the west part of town, by the time I was born much of it was a bad neighborhood. My house is in the north part of town, she said when she was growing up it was always a bad neighborhood. I grew up in the east part of town, it was referred to as the last white hold out in the town. The crime rate in that neighborhood is going up, I suppose it doesnt help that white teens are taught that black gang bangers are "cool". I think eventually the system will fail and people in neighborhoods will handle the criminals themselves the old fashioned way.

> My advice hooded cobra, if your renting an apartment move back in with your parents for a while if you can. Save up some money, look on relators.com for a house thats affordable. If you have to take out a loan make sure its under 30,000 that way you should have a better chance of paying it off. Find a friend you trust to live with you and pay you rent, preferably someone who works a different whift then you do so theres almost always someone there.

Many things that plague us now may be curable in the future. With advanced healing and genetic science we will know before a baby is born what problems it could face and either choose to terminate the pregnancy or if possible fix the problems before they can begin. There will be other technology and medicine that can heal the body and We will have the ability to heal spiritually aswell.

That they have enough rescourses and support to care for the child and raise the child the best way possible. The support of community and a safe and loving environment with education that will support the development of the child in a positive way spiritually aswell. The fetus unborn should be checked for genetic abnormalities as it grows all the things common sense and true love of a Satanic nature would say to do. This is not discrimination. This is saving the child, the parents and the world from a mistake that will suffer because of ignorance and selfishness.

And not so commonplace that noone cares... its just another baby as if noone cares. Too many babies from unplanned pregnancies that shouldnt have happened. Better birth control should exist. If it were not for religions sticking their noses in it probably WOULD exist. In addition sexuality would not be a taboo that is so misunderstood and abused as it is now. Sexuality is not purely for making babies and there are many ways to enjoy the benefits of sexuality and orgasm that do not risk bringing an unwanted extra life to the world irresponsibly.

Many of us can look at our childhood, including myself and see an incapable parent, a parent even weaker than ourselves, an abusive relative. This all has to end. The worst criminals that kill the soul and the mind are the parents sometimes, as they are damaging their own kids in the most sensitive spot and time of their existence, marking them with dross and pain that is hard to fix. This is extremely immature and very destructive. Unfulfilled desires battered on the kid, the person being abused and used like a puppet or a 'piece of myself' by their parents. This is extreme criminalistic behavior to say the least. Kids are their own soul, their own self and they have their own Divine purpose as another individual

Subject: The Protocols

The jewish power and bulwark are the christian and muslim religions. The Protocols of the Learned Elders of Zion are a blueprint for the jews taking over the world. Anyone who disregards this is an idiot. Proof of what is written in the Protocols is very evident just by opening up a local phone book and seeing the endless listings of blatant jewish names dominating certain professions such as Doctors, attorneys, college professors and such. There are pdf copies of the Protocols in most of the JoS e-groups files.

Now, many people do not know just how clever the jews are. In addition to the original copies of the Protocols, there are recent versions of the Protocols that are being altered by jews [mostly on the internet] designed to create confusion. The jews have done this with other documents and writings that expose them, as the jews fear these and try to claim they were all 'forgeries,' and if they can make them look like nonsense or use them to confuse Gentiles, they will.

These have interpolations designed to confuse the average person. Most often, these interpolations will make the jews appear to be very anti-christian, working for the destruction of christianity, and to make the Protocols or other writings as a whole appear to be anti-christian. This is another hoax. One has to do the tons of indepth research as I have done for years to see through this. This is no different from the endless stream of bullshit and yellow journalism interwoven with legitimate information and materials concerning aliens and UFOs; all designed to confuse the average person. Then of course, astronomy textbooks and other scholastic materials claim no evidence of intelligent life out there to add to all of this.

The only time the jews want christianity completely destroyed is when it is totally replaced with its twin of communism. All spirituality removed.

The jewish bulwark and power is christianity. The jews will do anything and everything they can to try to get Gentiles under the psychic control of christianity, or spiritually harmless as an atheist, as with communism. Once one is a believing christian, they have you. This is another reason they have endlessly pushed that Nazi Germany was christian, which nothing could be further from the truth. Nazi Germany was Satanic and a serious threat, so they have created endless propaganda in the media and with books to try to convince the unknowing that they were christian.

http://spiritualwarfare666.webs.com/Third_Reich.htm

I have seen this endlessly with their movies and media about the Nazis. Many people fall for this, as most do not do any research and only believe what they are told and shown. Once any Gentile organization falls under the psychic control of christianity, they have signed their own death warrant. The jews know this. The jews will even go so far as duping Gentiles into thinking they are 'Satanic' in order to try to hook the confused back to christianity. Then, of course, there is pseudo Satanism, which is jewish controlled such as modern Freemasonry, the Illuminati, Skull & Bones and others. The average person who is confounded and deluded by the jewish use of psychological tactics falls into the trap of thinking if the jews are against christianity, then christianity must be ok. NOT SO. The jews know this tactic and use it all of the time.

Remember...the jews have not survived all of these centuries by being average. Some versions of the Protocols and other anti-jewish articles are altered by jews, and if you know the jewish agenda and their tactics, the altered versions are obvious. Anything and everything connected with christianity is poison. The present state of society today is the result of christianity. Civilization is collapsing. Don't be fooled into thinking the jews are enemies of christianity, because they aren't. Christianity is their power; the great host upon which they feed. Every page in the 'holy bible' has either jew, jews, or Israel written on it. The 'holy bible' is a book praising and extolling the jews from beginning to end. The nazarene was a jew, his apostles were jews and he never strayed from or did anything contrary to jewish law.

http://see_the_truth.webs.com/Jewish_Nazarene.htm

You have to know and be aware of their tactics and their traps; especially for people who are new and those vulnerable to confusion. True Satanism is their greatest enemy. This is why Satanism has been so viciously oppressed and condemned for centuries. When they can no longer oppress something, then they try to infiltrate to gain control from the inside, then destroy from within.

If one is stupid enough to believe christianity is an enemy of the jews, then look to the glut of vast wealth. The million dollar church complexes and xian

bookstores, fine expensive glossed xian tracts and everything else. That right there shows they are good with the jews. Anyone who is against the jews and wants to expose the truth is hunted down, persecuted, slandered and every attempt is made to shut them up, and break them financially and worse.

Once you really know and can see through the jewish agenda and their clever tactics, no amount of altered materials will fool you anymore.

Thankfully, we now have the internet -- www = '666'

Those retards do have incredible strength because they are abnormal, nature compensates the lack of intelligence with abnormal physical strength. That boy I wrote of in my post below; when he came home, he would hug the normal kids. One time he hugged me, and nearly crushed me. His mother had to pull him off. I was about nine years old at the time.

There is truth in nature. Even animals know better. I remember I was with my mother at the lake and there was this genetic retard. Now, there is a difference between a retard with a birth injury and a genetic retard. The retard with a birth injury often does not appear to be a retard until they start acting out or saying something. The appearance of the genetic retard [of which jewish blood is usually rampant], is obvious. Well, getting back to me and my ma at the lake, our dog went literally biserk when a few feet from a genetic retard. I was a young girl and thankfully, my mother had hold of the leash or the dog, which was going vicious and showing her fangs, would have torn that retard to pieces. The dog knew this was an abberation. Of course there are certain dogs raised around this sort of thing from a puppy and are used to the abnormality, but a dog that is raised around normal people will most often react violently when there is something abnormal.

The human race is like a garden in nature. When a garden is full of worthless weeds, the weeds will not only destroy the healthy plants, but will eventually over-run the garden and there will be no more garden. This is what has been happening with civilization, with the jews forcibly indoctrinating people into abnormality [which is synonymous with christianity], all the way.

This is only one exceptionally tragic example of the horrendous suffering one with such a wretchedly abnormal body, not to mention the endless heartbreak of the family, endures because the jew system refuses euthansia. This is against natural law and the victims know it at an unconscious level. People born without arms and legs. The jews who introduced thalidomide into Europe 50 years ago really made a profit off of this one. Some 25,000+ innocents born with horrific and hideous deformities, had to have special care. They even opened special schools there were so many. The jews made a lot of money off of this and in

They use psychological arguments to try to screw up everyone's thinking in regards to keeping anything and everything alive, no matter how much the individuals are suffering. The medical costs alone are staggering. They also have what is called 'mainstreaming.' 'Mainstreaming' has been going on [at the instigation of the jews], for many, many years. This is where the retarded are put into schools with normal children. The normal children are taught that the retarded are 'special.' 'Special' is another jewish term for abnormality. Just like in the judeo/christian religion, normal kids and even adults are indoctrinated to revere the retarded as 'special' and through being 'special' they are somehow better and should have better privileges. I remember complaining to the school administration regarding how my son told me he couldn't eat his lunch as the retards were eating in the same lunchroom at the cross

I remember a dog was on the road going to attack someone, chasing him with the bike. It was after meditation I had went out and I totally and firmly commanded the dog to spot. He understood my intention and stopped chasing and looked me with a little sad eye. The dog then moved away. I notice too jews are dead afraid of dogs. Many times I have had encounters with animals and even a wild snake once was besides my but did not attack and moved along. I also noticed animals who are with jews are always sleepy and always lack vitality and energy or fall violently sick.

Subject: Re: Stopping the Medicare shit.

I saw a video documentary of wild horses. A foal was born with something wrong it couldn't stand up. It wasn't going to survive and the mares didn't want to leave it. It was going to suffer and be eaten by a predator and put the herd in danger so a stallion came over grabbed it by the neck and killed it. A lot of people got upset seeing that but thats nature, he was actually being kind he killed that foal pretty quick. Some of the mares tried to stop him it's their instinct to protect babies but the stallion also had the instinct to protect the herd. You do learn a lot from watching animals.

I have pretty strong feelings on trying to save people or animals who are too badly damaged. It depends what it is and what effect it would have anything with the brain that would cause permanent brain damage, sever spinal injury where you couldn't use the toilet or have sex again or be in massive pain or be a major burden on others Ive told my family if that was ever me please turn the machines off, up the morphine whatever just dont wake me up let me go.

It is easy to feel that way till it actually happens to a loved one.

My uncle and it really only hit me while reading this discussion how selfish Ive been. He had a major heart attack at 52 noone ever saw it comming he didnt smoke, he drank a bit but was otherwise fit and healthy he just dropped dead one morning. The ambulance came and brought him back, they tried to save him but realised they couldn't. I had a hard time accepting this for a long time,

I was so angry they didn't try harder and someone must have fucked up. Well, the chances are if he had woke up he would have been brain damaged his

brain lost blood flow too long. So maybe it was better he didn't wake up.

He wouldn't have wanted to live like that. It was so sad because he had just got engaged and hadn't even had a chance to tell us yet. I found out at the funeral when his fiance told everyone, she was with him when he died it was fucked. But shit happens and it's hard to let someone go but you have to think what is best for them. My cousins lost their Dad, my Mum lost her only brother it fucked her up now she only has me. He was the glue that held our family together we have all split up since we were looking forward to him bringing my cousin down camping and fishing. It was the last thing we talked about.

The strangest part was when we took his ashes to the same place he had taken his parents ashes not too many years before.

It is not an easy thing to let someone go and real hard to see past that at the time. You only feel the loss for a long time, trying to reason over it to yourself just takes you around in circles. But eventually you see it for what it is and accept it. If you love someone you don't want them to suffer.

Many times I have had encounters with animals and even a wild snake once was besides my but did not attack and moved along. I also noticed animals who are with jews are always sleepy and always lack vitality and energy or fall violently sick.

Most often, these interpolations will make the jews appear to be very anti-christian, working for the destruction of christianity, and to make the Protocols or other writings as a whole appear to be anti-christian. This is another hoax. One has to do the tons of indepth research as I have done for years to see through this. This is no different from the endless stream of bullshit and yellow journalism interwoven with legitimate information and materials concerning aliens and UFOs; all designed to confuse the average person. Then of course, astronomy textbooks and other scholastic materials claim no evidence of intelligent life out there to add to all of this.

>

> The only time the jews want christianity completely destroyed is when it is totally replaced with its twin of communism. All spirituality removed.

>

> The jewish bulwark and power is christianity. The jews will do anything and everything they can to try to get Gentiles under the psychic control of christianity, or spiritually harmless as an atheist, as with communism. Once one is a believing christian, they have you. This is another reason they have endlessly pushed that Nazi Germany was christian, which nothing could be further from the truth. Nazi Germany was Satanic and a serious threat, so they have created endless propaganda in the media and with books to try to convince the unknowing that they were christian.

> http://spiritualwarfare666.webs.com/Third_Reich.htm

>

> I have seen this endlessly with their movies and media about the Nazis. Many people fall for this, as most do not do any research and only believe what they are told and shown. Once any Gentile organization falls under the psychic control of christianity, they have signed their own

death warrant. The jews know this. The jews will even go so far as duping Gentiles into thinking they are 'Satanic' in order to try to hook the confused back to christianity. Then, of course, there is pseudo Satanism, which is jewish controlled such as modern Freemasonry, the Illuminati, Skull & Bones and others. The average person who is confounded and deluded by the jewish use of psychological tactics falls into the trap of thinking if the jews are against christianity, then christianity must be ok. NOT SO. The jews know this tactic and use it all of the time.

>

> Remember...the jews have not survived all of these centuries by being average. Some versions of the Protocols and other anti-jewish articles are altered by jews, and if you know the jewish agenda and their tactics, the altered versions are obvious. Anything and everything connected with christianity is poison. The present state of society today is the result of christianity. Civilization is collapsing. Don't be fooled into thinking the jews are enemies of christianity, because they aren't. Christianity is their power; the great host upon which they feed. Every page in the 'holy bible' has either jew, jews, or Israel written on it. The 'holy bible' is a book praising and extolling the jews from beginning to end. The nazarene was a jew, his apostles were jews and he never strayed from or did anything contrary to jewish law.

> http://see_the_truth.webs.com/Jewish_Nazarene.htm

>

> You have to know and be aware of their tactics and their traps; especially for people who are new and those vulnerable to confusion. True Satanism is their greatest enemy. This is why Satanism has been so viciously oppressed and condemned for centuries. When they can no longer oppress something, then they try to infiltrate to gain control from the inside, then destroy from within.

>

> If one is stupid enough to believe christianity is an enemy of the jews, then look to the glut of vast wealth. The million dollar church complexes and xian bookstores, fine expensive glossed xian tracts and everything else. That right there shows they are good with the jews. Anyone who is against the jews and wants to expose the truth is hunted down, persecuted, slandered and every attempt is made to shut them up, and break them financially and worse.

Subject: "I WANT IT NOW"

Well people keep raving and jumping around saying about how much power they want to have and how they want things done right now. Others rave about how they want the perfect mate or the perfect house, all at once. Others wants to become suddenly famous and have a large circle of people at once. This is especially with new people. Its a common belief that if something happens fast its better. The universe is not like this and it does not work in the fast lane. Beings evolve over millenia of years and to aquire simple genetic traits it can even take a lifetime of living and constantly requiring the usage of this skill, as to be imprinted. Changes in nature are gradual and same goes for Humans. Depending on the power of one's soul or one's ability, the change will come sooner,

more powerfully- but the key point here is that most changes are gradual. This is a natural law, unless an event is loaded with extreme potential power and grows wild all around the place [like a tsunami or whatever]. Same with spirituality.

If someone has worked hard on a past life for something it will bloom on this one often suddenly. The change will show up because it has been worked upon and is still there, waiting to manifest. This is like the tsunami. Now someone trying to cause change right now, that hasn't been worked upon, will need to be gradual. Depending on their own power and adaptability, openness and opposition, it will come about faster or later. It *IS* coming if you're working with it. This is mainly posted for workings of money where people get mad and want instant results, or for healing which both take time- but doesn't matter how much time they take, if you're very strong spiritually, you will make both come about faster. So lets think of it that way. People dedicate and expect the world to fall on their hands. Lets say tommorow, you was a Grand God and could really control anything, all at once and that whole nations were under your thumb to control. With your current understanding, as I would, as anyone else that is not trained to this, would probably fail. More instant and powerful manifestation comes in pair with a superconscious understanding. Lets say tommorow you found the person you dream about. Would you satisfy them too? Would it all flow smoothly? Is everything set up? Are you ready to give up anyone else for them or whatever?

Thats what I mean. Now I don't say not going after your desires, BUT if something takes time to come to you, use this time for your advancement and not complaints. Prepare. So you can rejoice in it even more and actually expand your being, consciousness and understanding by its existence. Not just by having it here. Don't be a fool. By raising your energy and your being, growing in Father Satan our understanding expands to what we really want and we are guided to increase our influence and capabilities. Whats perfect? in unison with all other Satanists. People asking for all this power are in reality just asking for stability which their mind is lacking, in other words thirst. Some want all women to be their own and have sex with them. For instance they don't see the other person as a person and they treat them like a piece of meat. Such level of power to have influence over other conscious beings, may not come with this understanding. Its a bit of a natural safety. People who have too much power and too much immaturity often end up badly. Like in the above about women, this is not only RHP thinking [not thinking better than an islamic fool, treating women as pieces of meat] but is totally a joke in the eyes of a being who realizes the value in every being, and their depth and is actually CAPABLE of both realizing and going into that depth. Because its in the depth of a desire, that the desire is fulfilled. And to reach that depth, you will need to...be able to get there, by expanding your being.

Another case is, when one wants someone dead. Many people have extreme hate [like myself] and when someone wrongs them they instantly want them dead without

a second thought. What would that mean? That would make life a living nightmare.

Go on your pace, get stronger, self knowledgeable, realize yourself and realize your reality. The more intelligent and mature will be able to yield more power safely and more powerfully.

HAIL SATAN!!!!!!!

So to all the Faithful workers and our people of the Gods, expand your mind and consciousness, gratificate yourself in every aspect, do it truly and deeply, pursuit happiness through intelligence, not ignorance!

HAIL SATAN!!!!!!!!!!!

Subject: Re: Stopping the Medicare shit.

These post discussions have made me remember a time when I was a kid, I had to go to a baby sitter's house where I was forced to eat at the same table as the retard girl and the cooking was already like quick frozen crap and I had to watch that thing eat and the babysitter always praised it for finishing all the food and would punish my sister to sit alone for hours because she couldn't stand to eat. I hated that fucking thing, if I was to bring gifts of snacks from home to share with my normal friends the sitter would give me the evil eye and make me feel guilty to share, actually taking from me what my mom gave to me and giving it to the thing. At the time I really felt that sometimes that thing understood that it could get whatever it wanted. I was playing one day with my sister and the thing was in the same room with us, every fucking toy I grabbed it tried to grab and kept touching me and I felt so much rage! I grabbed a stuffed animal because I was so grossed out to touch it and smothered it into the ground. I felt really bad that I did that in front of my sister and that I did that in general but I think being forced to be around them for hours and hours a day with the 'superiors' constantly holding those things higher gets to you after a while! Also that same retard would attack people at school, stabbing a boy one day w/ a pencil. The adults were all saying she doesn't know any better and that shes probably retaliating from being teased, contradictory I think.

Those retards do have incredible strength because they are abnormal, nature compensates the lack of intelligence with abnormal physical strength. That boy I wrote of in my post below; when he came home, he would hug the normal kids. One time he hugged me, and nearly crushed me. His mother had to pull him off. I was about nine years old at the time.

There is truth in nature. Even animals know better. I remember I was with my mother at the lake and there was this genetic retard. Now, there is a difference between a retard with a birth injury and a genetic retard. The retard with a birth injury often does not appear to be a retard until they start acting out or saying something. The appearance of the genetic retard [of which jewish blood is usually rampant], is obvious. Well, getting back to me and my ma at the lake, our dog went literally berserk when a few feet from a genetic retard. I was a young girl and thankfully, my mother had hold of the leash or the dog, which was going vicious and showing her fangs, would have torn that retard to pieces. The dog knew this was an abberation. Of course there are certain dogs raised around this sort of thing from a puppy and are used to the abnormality, but a dog that is raised around normal people will most often react violently when there is something abnormal.

The human race is like a garden in nature. When a garden is full of worthless weeds, the weeds will not only destroy the healthy plants, but will eventually over-run

the garden and there will be no more garden. This is what has been happening with civilization, with the jews forcibly indoctrinating people into abnormality [which is synonymous with christianity], all the way.

Also, I was in the animal shelter a while ago and I suppose it was retards visit the animals day or something and there was a down syndrome looking kid holding a very small Black kitten that looked terrified! She was crying and trying really hard to break free from the experience but the thing kept grabbing it and petting it hardly. Nobody was paying attention! I felt so bad for that kitten as Im sure anybody would feel the same in that situation. Normally this kitten is very playful and social. It knew something was wrong.

The kikes hard at thier work of creating violence.

Here is the real filmmakers behind this movie--

"The film's director, who called himself Sam Bacile and said Tuesday he is American-Israeli and had Jewish financial backing, went into hiding after the protests in Egypt and Libya over his low-budget movie "Innocence of Muslims."

....."Islam is a cancer," he said, adding that he had raised US\$5 million to make it from about 100 Jewish donors, and used some 60 actors and 45 crew to make the two-hour movie in a three-month period last year in California.".....

The film was screened in one Hollywood movie theater about three months ago, and sank without trace, until an Arabic-language dubbed version was released last week and footage was aired by an Egyptian TV station, triggering protests.

This whole film is dubious the claimed creator does not exist and the original dialogue was dubbed over with the current voice overs.

It seems someone was trying to create a backlash to generate more propaganda for war in the ME.

The good part is someone fucked up and the attempt to pawn it off as a Gentile creation failed so this time the wrath of the pisslamic's will be directed more towards the jews then the "fundie xians" they tried to claim as its makers. So their attempt to get the pisslamic's to attack xians to get more mainstream sympathy and support for greater war against the ME has failed.

It should be obvious the jews made it, just watching it.

Yes I can relate eek it brought back another one, the school dances where they forced us to do ballroom dancing and picked partners with us and we had to stand close and hold hands and dance. They at some time or other made us all dance with their precious 'special' kids oh fuck let me finally say how much I hated it I washed and washed and washed my hands after and it was horrid. I didn't even feel like I could 'think' it to myself let alone say it. The guilt they have over you. If you are grossed out you are grossed out its not like you can help it. It isnt natural and they would be right in your face with this goofy fucking music and you had to hold their hands they stuck their hands down their pants and fuck knows where else the sensation of their skin it was like nails on the blackboard. Of course if you were the one who last touched the 'special' kid noone wanted to even come near YOU like you were contaminated. I hated them and felt sorry for them all at the same time. I hated I hated them, I tried to like them and couldnt. I hated being put in that situation as a child and forced to accept it and feel guilty for my own feelings. They totally put them up on a pedestal in front of everyone.

I am not nasty to disabled, I have a 3 legged dog she came that way from an accident and that dosnt gross me out and she is otherwise normal like any other dog, stuff like that Im ok with when its an accident or something, its stuff with the brain that changes a person into something else that could have been prevented I have a problem with.

But these retarded kids its everything, the disgusting things they did, the way they were fed the sickly sweet voices the teachers used to talk to them, noone washing them properly and never knowing what they were going to do next!

I never spoke about this before couldnt your not allowed to. What does that say? Who is held higher? And the people who want rights for unborn retarded fetus to be born and grow up like that. Its fucking cruel. If they can stop it they need to stop it. If they can save these people from being born in the first place then thats what should happen. They can't even complain about it or understand their place in the world or have any chance at spiritual advancement. Except the xians get them and force them to do bible study for the special. They dont fucking understand religion or a bible any better than an animal could. But they make them pray. And have 'sing a longs to jesus'

They humiliate and use these unfortunate beings who have no ability to complain. And tell everyone you have to accept this is good.

It's sick.

Also that same retard would attack people at school, stabbing a boy one day w/ a pencil. The adults were all saying she doesn't know any better and that shes probably retaliating from being teased, contradictory I think. Â

The retard with a birth injury often does not appear to be a retard until they start acting out or saying something. The appearance of the genetic retard [of which jewish blood is usually rampant], is obvious. Well, getting back to me and my ma at the lake, our dog went literally biserk when a few feet from a genetic retard. I was a young girl and thankfully, my mother had hold of the leash or the dog, which was going vicious and showing her fangs, would have torn that retard to pieces. The dog knew this was an abberation. Shiela, my friend and her younger brother. Because this was not genetic, the baby appeared to be ok. At around 8 months, Linda's brother came to visit from another state and after holding the baby...commented 'there is something wrong with this baby.'

> > >

He needed special care and was placed in the Fairbault institutions in southern Minnesota. Now, I remember this clearly...because the family had him for so many months, they were attached to him and once or twice a month, Linda would bring him home. His mind never progressed beyond that of a one year old. Point being, he was incessantly slammed around in the institution. Broken limbs, broken collar bone, incessant suffering. The family [they were some of the nicest people anyone could ever know], they were very always very financially strapped and had to pay a percentage to keep him at Fairbault.

> > >

To this day, I can never eat boiled eggs, as I watched Linda feeding him in the front seat of their car, slimy snot and spit with the boiled eggs running down his mouth- enough to make anyone gag. Linda later in the day brought him back to where he stayed. She wanted to feed him his evening meal. I remember Shiels opened a door where they kept the retarded as a groupo, all eating their evening meal. This was a sight, and stayed with me. I saw what I could only describe as absolute hideousness. One had a head the size of a bouncing ball [hydrocephalus], tounge hanging out of his mouth with the food dripping off of it. The others looked like something out of a hideous horror movie. All that poor boy ever knew was endless broken bones and other injuries.

The jews make a lot of money off of these most unfortunate individuals. I also heard later on from a woman who worked temporarily at Fairbault...filling in for a strike, that some of these retards would hang their heads in the toilet with their shit and worse. Now, keeping them alive, the jew makes a load of money as they require medications, they soak the families and/or the state to keep them in continued care and also the endless medical expenses they need to keep them going. The jew makes the most in profits. Most people would vomit if they saw only a fraction of what is hidden from the public.

> > >

Osteogenesis for example...brittle bone disease- supermarket tabloids [also operated by jews], exploit these poor souls. I saw plenty of this yellow journalism when growing up and they deeply affected me. Headlines 'boy breaks bones for 500th time.' This is only one exceptionally tragic example of the horrendous suffering one with such a wretchedly abnormal body, not to mention the endless heartbreak of the family, endures because the jew system refuses euthansia. This is against natural law and the victims know it at an unconscious level. People born without arms and legs. The jews who introduced thalidomide into Europe 50 years ago really made a profit off of this one. Some 25,000+ innocents born with horrific and hideous deformities, had to have special care. They even opened special schools there were so many. what is called 'mainstreaming.' 'Mainstreaming' has been going on [at the instigation of the jews], for many, many years. This is where the retarded are put into schools with normal children. The normal children are taught that the retarded are 'special.' 'Special' is another jewish term for abnormality. Just like in the judeo/christian religion, normal kids and even adults are indoctrinated to revere the retarded as 'special' and through being 'special' they are somehow better and should have better privileges. I remember complaining to the school administration regarding how my son told me he couldn't eat his lunch as the retards were eating in the same lunchroom at the cross

About my dog, something that really pisses me off is apart from 1 missing leg when she was a pup one of her owners accidently ran her over on their farm. The vet amputated the leg and said she wouldnt be in pain and could live a normal life and she is a fit active dog. They used her for herding and bringing in sheep on the farm and she went out running with the horses. She is a great dog one of the best I have had I adopted her because I knew most people wouldnt and I needed a dog that was good with other animals.

I cannot take her ANYWHERE without getting set upon and harrassed by people who want to feel sorry for her and mush over her poor baby poor thing why do you make her walk and how did that happen etc.

They don't see her as anything other than a 3 legged dog. I even forget now she has 3 legs it isnt an issue but people make it into an issue and it fucking shits me. She needs to excersise to keep her other legs and body strong she isnt young now. People just can't mind their own fucking buisness. They seem to think they have a right to stop me with her and pat her and fuss without permission.

My feelings on it is so long as she is happy and enjoying life and can get around without pain or joint problems no worries but if she starts getting problems with pain and can't walk or get herself to the 'bathroom' by herself or suffers I will have her put to sleep. She hurt her back hip last year running too close to a horse and got kicked. I worried it would be the end and the vet said she would be ok and she is but if it were 2 legs no way thats too much. Ive seen people make wheelchairs for 2 legged dogs that cannot walk on their own obviously and I think thats cruel. If they can't function like a dog and do dog things then I think its cruel. Animals deserve respect and dignity aswell and to be able to function as nature intended.

But it shows even with animals people put the 'special' up on a pedestal. My normal legged dog gets ignored and everyone feels so sorry for the 3 legged. I help her into the car thats it she does the rest herself. She dosnt feel sorry for herself at all! when people see a person who has a similar injury its the same they dont see the person they see the injury. They could be a serial killer but if they are disabled its like 'oh poor thing'

When a being cannot function and live a fullfilling life with at least some decent level of independence and dignity and are forced to because others say they have to I think that is wrong. If a being human or animal is suffering from a disability that can't be fixed I think forcing them to live in pain or misery is very cruel. Forcing someone to die a slow painfull death when there are quick and much kinder ways to end it is cruel. people who are suicidal from depression or a mental illness or condition that CAN be cured I was one of them at a point... thats different. There is help for that but really severe things that cripple a person beyond repair I think that is cruel to force them to go through that.

Hail Satan

I hated that fucking thing, if I was to bring gifts of snacks from home to share with my normal friends the sitter would give me the evil eye and make me feel guilty to share, actually taking from me what my mom gave to me and giving it to the thing. At the time I really felt that sometimes that thing understood that it could get whatever it wanted. I was playing one day with my sister and the thing was in the same room with us, every fucking toy I grabbed it tried to grab and kept touching me and I felt so much rage! I grabbed a stuffed animal because I was

> > so grossed out to touch it and smothered it into the ground. I felt really bad that I did that in front of my sister and that I did that in general but I think being forced to be around them for hours and hours a day with the 'superiors' constantly holding those things higher gets to you after a while! Also that same retard would attack people at school, stabbing a boy one day w/ a pencil. The adults were all saying she doesn't know any better and that shes probably retaliating from being teased, contradictory I think. Â

Now, there is a difference between a retard with a birth injury and a genetic retard. The retard with a birth injury often does not appear to be a retard until they start acting out or saying something. The appearance of the genetic retard [of which jewish blood is usually rampant], is obvious. Well, getting back to me and my ma at the lake, our dog went literally biserk when a few feet from a genetic retard. I was a young girl and thankfully, my mother had hold of the leash or the dog, which was going vicious and showing her fangs, would have torn that retard to pieces. The dog knew this was an abberation. Of course there are certain dogs raised around this sort of thing from a puppy and are used to the abnormality, but a dog that is raised around normal people will most often react violently when there is something

When a garden is full of worthless weeds, the weeds will not only destroy the healthy plants, but will eventually over-run the garden and there will be no more garden. This is what has been happening with civilization, with the jews forcibly indoctrinating people into abnormality [which is synonymous with christianity], all the way.

This was back in the late 1950's; their mother Linda, due to very heavy smoking [before the surgeon general's public warning], during her pregnancy...she had a son who was a few years older than Shiela, my friend and her younger brother. Because this was not genetic, the baby appeared to be ok. At around 8 months, Linda's brother came to visit from another state and after holding the baby...commented 'there is something wrong with this baby.'

He needed special care and was placed in the Fairbault institutions in southern Minnesota. Now, I remember this clearly...because the family had him for so many months, they were attached to him and once or twice a month, Linda would bring him home. His mind never progressed beyond that of a one year old. Point being, he was incessantly slammed around in the institution. Broken limbs, broken collar bone, incessant suffering. The family [they were some of the nicest people anyone could ever know], they were very always very financially strapped and had to pay a percentage to keep him at Fairbault.

To this day, I can never eat boiled eggs, as I watched Linda feeding him in the front seat of their car, slimy snot and spit with the boiled eggs running down his mouth- enough to make anyone gag. Linda later in the day brought him back to where he stayed. She wanted to feed him his evening meal. I remember Shiels opened a door where they kept the retarded as a group, all eating their evening meal. This was a sight, and stayed with me. I saw what I could only describe as absolute hideousness. One had a head the size of a bouncing ball [hydrocephalus], tongue hanging out of his mouth with the food dripping off of it. The others looked like something out of a hideous horror movie. All that poor boy ever knew was endless broken bones and other injuries.

The jews make a lot of money off of these most unfortunate individuals. I also heard later on from a woman who worked temporarily at Fairbault...filling in for a strike, that some of these retards would hang their heads in the toilet with their shit and worse. Now, keeping them alive, the jew makes a load of money as they require medications, they soak the families and/or the state to keep them in continued care and also the endless medical expenses they need to keep them going. The jew makes the most in profits. Most people would vomit if they saw only a fraction of what is hidden from the public.

> > > >

Osteogenesis for example...brittle bone disease- supermarket tabloids [also operated by jews], exploit these poor souls. I saw plenty of this yellow journalism when growing up and they deeply affected me. Headlines 'boy breaks bones for 500th time.' This is only one exceptionally tragic example of the horrendous suffering one with such a wretchedly abnormal body, not to mention the endless heartbreak of the family, endures because the jew system refuses euthansia. This is against natural law and the victims know it at an unconscious level. People born without arms and legs. The jews who introduced thalidomide into Europe 50 years ago really made a profit off of this one. Some 25,000+ innocents born with horrific and hideous deformities, had to have special care. They even opened special schools there were so many. The jews made a lot of money off of this and in

They use psychological arguments to try to screw up everyone's thinking in regards to keeping anything and everything alive, no matter how much the individuals are suffering. The medical costs alone are staggering. They also have what is called 'mainstreaming.' 'Mainstreaming' has been going on [at the instigation of the jews], for many, many years. This is where the retarded are put into schools with normal children. The normal children are taught that the retarded are 'special.' 'Special' is another jewish term for abnormality. Just like in the judeo/christian religion, normal kids and even adults are indoctrinated to revere the retarded as 'special' and through being 'special' they are somehow better and should have better privileges. I remember complaining to the school administration regarding how my son told me he couldn't eat his lunch as the retards were eating in the same lunchroom at the cross

..>Hail Satan!! I am sure most of you have been seeing the protests going on in middle eastern countries over this "USA anti islam" film.

The kikes hard at thier work of creating violence.

Here is the real filmmakers behind this movie--

"The film's director, who called himself Sam Bacile and said Tuesday he is American-Israeli and had Jewish financial backing, went into hiding after the protests in Egypt and Libya over his low-budget movie "Innocence of Muslims."

....."Islam is a cancer," he said, adding that he had raised US\$5 million to make it from about 100 Jewish donors, and used some 60 actors and 45 crew to make the two-hour movie in a three-month period last year in California."

The film was screened in one Hollywood movie theater about three months ago, and sank without trace, until an Arabic-language dubbed version was released last week and footage was aired by an Egyptian TV station, triggering protests.

Subject: Fixing the Energy & Other Allegories

I am finding more and more through research and study that nearly everything in legend and symbol is an allegory. Now, most of you already know the nazarene is a fictitious character invented by the jews to spiritually enslave Gentiles. The nazarene was originally symbolic of the witchpower. I wrote a full article about this some time ago:

http://see_the_truth.webs.com/Jesus_Christ.htm

The many paintings and such of xian characters [which are all fictitious], are only models for raising the serpent. These were taken and corrupted into phony jewish characters and of course places, such as 'Jerusalem.'

Unfortunately, I cannot find a suitable illustration online here to show as an example regarding the ida and pingala and how both, after intertwining as a snake; crossing the sushumna, then swooping in the exact shape of a heart on the face, terminating at the nose. Now, the ancient symbol for the classic valentine with the arrow through it is actually symbolic of 'fixing the energy.' For most of you who are experienced meditators and who are working on raising your serpents, you know how your energies can fluctuate. 'Fixing the energy' makes the energy permanent and also correctly distributed about the soul, which is in the shape of a cross. The soul actually should be in the shape of an inverted cross, with the solar [666] chakra as the powerhouse.

My point here, is with that nazarene, some kike asshole centuries ago, obviously came upon this torn, ragged image of an individual on a cross [the nailing to the cross is another SYMBOL used to illustrate the fixing of the energy and nothing more- the witchpower/serpentine energy distributed and nailed *fixed upon* to the soul], and got the bright idea of creating a jewish character out of this, and force-feeding it to the Gentiles, as a material individual, thus removing all spirituality, and any references to spiritual powers that go along with it. Going back further, one can find many images of the Greek 'TAU' with the actual serpent draped upon the TAU cross. This is nothing new.

This is no different from taking the old man image of 'Uncle Sam' which is another SYMBOL- obviously not spiritual, but as an example, making a diety of this symbol of the USA, and jamming it down the throats of the populace to slavishly worship. The same thing could even be done with Sponge Bob. Those with

xian double-digit IQs could erect an altar, place a small aquarium atop, add the little pineapple house for Sponge Bob on the inside, the bubbling water could serve as a portable baptismal font and one could spend hours slavishly worshipping the little guy, given enough invented history and 'miracles' were attributed to the little fellow. Then, with enough psychic energy being poured into little Sponge Bob, his exalted powers would take on a life of their own. People would begin purchasing sponges of all kinds, expecting miracles, healings and a whole new life in Sponge Bob. Sponge Bob Saves!!!! But, for now...xians are only obsessing over Sponge Bob's sex life, trying to determine if he might be gay or not. Given most xians have no normal healthy sex life of their own, they are living vicariously, and obsess over Sponge Bob's sex life.

Stonehenge and the Pyramids of Giza and other ancient monuments were erected in relationship to the sun and the solstices. These were not built to alert the ancients to certain times of the year like for the harvest and such, these were built as allegories for optimal dates for performing the magnum opus. [One must have one's serpent fully ascended and the Gods can guide you from there with a little study]. For example, the commencement of the magnum opus should begin at 3 am, on the night of the Vernal Equinox when the Sun is at 0 degrees of Aries. April Fool's Day, the day of 1st of April was moved up, but from study, I can see this as it originally was of the Spring Equinox. The Fool in the Tarot begins his journey to the attainment of the magnum opus. The Fool was relegated to the Joker in the modern deck of playing cards, with the trump removed from the Tarot.

Valentine's day is of fixing the energy and very well might correspond to Imbolc. Wicca and related judeo/xian corrupted Paganism tries to pass these important points of the year off as coinciding with the seasons, the harvest, stocking up for winter and other material crap. All of the dates are spiritual and signify very ideal times for specific workings on the soul. Halloween/Samhain for example, the astral opens up for much better communications between those of us here on earth and those who are on the astral. It has to do with the energies of the earth lines and how gravity, ley lines and such are affected by the earth's rotation and tilt towards the sun. All of this can be scientifically explained. Halloween also has much more spiritual significance, but the above is only an example.

There are 8 important dates about the year for working on the soul at an advanced level. This corresponds to the 8 phases of the moon and to 'Ashta' which means 8 in Sanskrit, also known as 'Ashtar' 'Ishtar [in the ancient Middle East]' and Astaroth; note As-TAROT-h; again, the Tarot. Another alias of Astaroth is Inanna, which corresponds to Jnanna in Sanskrit, meaning 'wisdom.' Because of the most sacred symbolism here, the Catholic Church in all its denegation and blasphemy of spirituality labeled this 8 pointed star 'Sigil of the Beast.'

After several days of reading and following this discussion has caused me to think and a question has come up in my mind. I'm sympathetic to the several experiences I've read about but what does the group think about the issue of autism? I have a son who's 14 years old who is autistic. Although he doesn't have the sickening eating habits described by several members he does not do well around large crowds. Instead of forcing him into a large classroom environment and also subjecting the "normal" kids to what may some days be volatile situations and thus costing them valuable classroom learning experiences we've had him placed in a classroom for children like him. He does well,he's intelligent and he doesn't distract from the other students. Also,is it just me or does autism seem to be on a horrific rise in this country? I have theories as to why this is but I'd like to hear some opinions of other true Satanists.

I haven't heard anything concerning Autistic people here as Autism isn't as serious and I don't believe he is suffering, since Autism can even be fixed by magic and can even go away with age. And yes I think it's rising, it's probably due to something they give the baby, such as removing the foreskin on the penis when all this does is cause complications and when invented by the Jew purely to make masturbation and sex less pleasurable.

..>Hail Satan!! Yes, autism is very much rising, due to kike "vacines", mercury poisoning { the use of the mercury-based compound thiomersal}, postnatal exposure to any neurotoxicant {which most babies are exposed to} and I could go on and on... but my point is it is the kike filth that causes this, and yes, same as ADHD can be controlled and fixed through the knowledge given by Satan and the Gods!{magic} I never really looked into if circumcision had anything to do with it, though.

Now, most of you already know the nazarene is a fictitious character invented by the jews to spiritually enslave Gentiles. The nazarene was originally symbolic of the witchpower. I wrote a full article about this some time ago:

> http://see_the_truth.webs.com/Jesus_Christ.htm

> Unfortunately, I cannot find a suitable illustration online here to show as an example regarding the ida and pingala and how both, after intertwining as a snake; crossing the sushumna, then swooping in the exact shape of a heart on the face, terminating at the nose. Now, the ancient symbol for the classic valentine with the arrow through it is actually symbolic of 'fixing the energy.' For most of you who are experienced meditators and who are working on raising your serpents, you know how your energies can fluctuate. 'Fixing the energy' makes the energy permanent and also correctly distributed about the soul, which is in the shape of a cross. The soul actually should be in the shape of an inverted cross, with the solar [666] chakra as the powerhouse.

>

> My point here, is with that nazarene, some kike asshole centuries ago, obviously came upon this torn, ragged image of an individual on a cross [the nailing to the cross is another SYMBOL used to illustrate the fixing of the energy and nothing more- the witchpower/serpentine energy distributed and nailed *fixed upon* to the soul], and got the bright idea of creating a jewish character out of this, and force-feeding it to the Gentiles, as a material individual, thus removing all spirituality, and any references to spiritual powers that go along with it. Going back further, one can find many images of the Greek 'TAU' with the actual serpent draped upon the TAU cross. This is nothing new.

>

> This is no different from taking the old man image of 'Uncle Sam' which is another SYMBOL- obviously not spiritual, but as an example, making a diety of this symbol of the USA, and jamming it down the throats of the populace to slavishly worship. The same thing could even be done with Sponge Bob. Those with xian double-digit IQs could erect an altar, place a small aquarium atop, add the little pineapple house for Sponge Bob on the inside, the bubbling water could serve as a portable baptismal font and one could spend hours slavishly worshipping the little guy, given enough invented history and 'miracles' were attributed to the little fellow. Then, with enough psychic energy being poured into little Sponge Bob, his exalted powers would take on a life of their own. People would begin purchasing sponges of all kinds, expecting miracles, healings and a whole new life in Sponge Bob. Sponge Bob Saves!!!! But, for now...xians are only obsessing over Sponge

> Bob's sex life, trying to determine if he might be gay or not. Given most xians have no normal healthy sex life of their own, they are living vicariously, and obsess over Sponge Bob's sex life.

> Stonehenge and the Pyramids of Giza and other ancient monuments were erected in relationship to the sun and the solstices. These were not

built to alert the ancients to certain times of the year like for the harvest and such, these were built as allegories for optimal dates for performing the magnum opus. [One must have one's serpent fully ascended and the Gods can guide you from there with a little study]. For example, the commencement of the magnum opus should begin at 3 am, on the night of the Vernal Equinox when the Sun is at 0 degrees of Aries. April Fool's Day, the day of 1st of April was moved up, but from study, I can see this as it originally was of the Spring Equinox. The Fool in the Tarot begins his journey to the attainment of the magnum opus. The Fool was relegated to the Joker in the modern deck of playing cards, with the trump removed from the Tarot.

>

> Valentine's day is of fixing the energy and very well might correspond to Imbolc. Wicca and related judeo/xian corrupted Paganism tries to pass these important points of the year off as coinciding with the seasons, the harvest, stocking up for winter and other material crap. All of the dates are spiritual and signify very ideal times for specific workings on the soul. Halloween/Samhain for example, the astral opens up for much better communications between those of us here on earth and those who are on the astral. It has to do with the energies of the earth lines and how gravity, ley lines and such are affected by the earth's rotation and tilt towards the sun. All of this can be scientifically explained. Halloween also has much more spiritual significance, but the above is only an example.

>

> There are 8 important dates about the year for working on the soul at an advanced level. This corresponds to the 8 phases of the moon and to 'Ashta' which means 8 in Sanskrit, also known as 'Ashtar' 'Ishtar [in the ancient Middle East]' and Astaroth; note As-TAROT-h; again, the Tarot. Another alias of Astaroth is Inanna, which corresponds to Jnanna in Sanskrit, meaning 'wisdom.' Because of the most sacred symbolism here, the Catholic Church in all its denegration and blasphemy of spirituality labeled this 8 pointed star 'Sigil of the Beast.'

Autism has a wide spectrum. The reason we have autism rates so high is evidenced in one blaring example. In a community of Amish with around 200 or something children only two had autism. Given demographic rates that is supposed to impossible it should be much higher.

Well the two children with autism had one major thing in common the rest didn't. They where the only two to get vaccinated.

Jenny McCarthy did give one service to humanity she had developed a lot of information on the subject as she stated if I am correct she and other parents have reduced and healed their children of autism over time.

I have mild aspergers it has improved with age. I still have some trouble with eye contact and crowds and some social interactions with strangers, bright lights loud noises (ticking clocks and those plug in bug repellents) but yes it can be healed at least it can be greatly improved. It is not the same thing as brain damage. I have a high IQ and most people wouldn't even notice I have it. I used to get some annoying 'ticks' but meditation has almost eliminated this aswell. I see no reason more severe cases could not also be healed.

Interesting about the vaccine. I had the measles/mumps vaccine twice as a baby it was included in a second vaccine. I also had problems after getting the new gardasil shots. I have the tetanus shots every so many years and havnt had a problem with those.

I meant to reply to this but I've been busy and forgot.

Something to keep in mind about home prices is that scarcity raises the cost of something. You said you live 30 minutes from a city, Im guessing theres not

very many houses where you live. Where I live theres an endless sea of homes, Im not in a big city but I've heard this area is one of the 10th largest metropolitan areas in the world. What Im getting at is after the housing bubble popped there are lots of houses here that are cheap. I bought my house in 2008 for \$9,000, the people before me bought it for somewhere around \$100,000 in 2000. Now that home prices are closer to where they should be its much easier to get a house. A coworker of mine bought a house for \$3,000 a few years ago.

Cheapest you would find over here would be maybe \$30 000 bulldozer job full of asbestos so add the cost of asbestos removal onto it and literally in a one horse town in the middle of nowhere, like several hundred KM from a major town or city, no work often no electricity available. My mother owned her home after paying off her morgage and bought the place we live in now. We don't get on real good but we have some land with it and its only 3 hours to a city. Major town 30 minutes drive still not much work but some cleaning jobs and cafe work. I want to start a home nursury buisness with rare and exotic plants and edible plants and do some landscaping. It just takes a long time to get going. Ive had to just learn to do a lot of things myself even if its not perfect if it works good enough for now. My mother cant do much now so its up to me to take care of the place. We don't have much but at least noone can take our house away. This land is in the family now. I will still have to work Ive been out for a while now once I get my car it will be much easier to find work. Its good when you can work for cash too lol. Sometimes I barter and exchange stuff for help around the place etc. You have to learn to save where you can.

When I was growing up my parents had to take out a 2nd mortgage when they got new windows for the house. Before I moved into my \$9,000 house I probably put \$10-\$12 thousand into it. All new windows, new main water line, new plu,bing, hotwater tank, toilet, kitchen counter, kitchen sink, new paint, new doors. I also needed appliances, so I ended up doing the 0% financing for the windows, doors, and appliances. Once I was done juggling all of that I decided NEVER again would I do that, being out of debt seems to be the closest thing to freedom in this day and age.

Small animals are afraid of anything bigger then they are. When I was a kid a few blocks from where I lived there was a retarded couple who had 3 or 4 kids that were also retarded. Eventually the health department came searched the house and took the kids away, to put it lightly they couldnt figure out what a toilet was. These are the sort of people who shouldnt be permitted to have kids. Someone else I knew growing up had a mother who was slightly retarded and a father who was about 300 pounds over weight. I heard he dropped out of school, doesnt have a job has 3 kids with one girl and got another girl pregnant. He came over to my moms house asking if him and his girlfriend could stay with my mom. Another person who shouldnt be having children. Also how about the people who are in and out of jail on a regular basis? So you can add after school care and other carers to the list of people children are in the care of. I was raised by a single mother and she couldnt cope. I had my grandparents thankfully they were athiest most of my family was and were loving and encouraging of me. They taught me about self defence and taking no shit at school. I had a teacher who would literally hit you over the head and in the back with a hard cover 'childrens' bible full of pretty pictures. She was a hardcore xian and a sick woman.

obsessed with me and a few other kids and terrorised us for years. She broke the arms of kids. I spent every lunch time hiding in the toilet block. The few times she caught me and twisted my arms and tried to molest me. One day it ended with her strangling me with her hands around my throat in the playground and a teacher watching not doing anything to stop it. I fought her off and ran. I wasn't allowed to complain because she was 'special' and it was discrimination. My mother complained and copped the same bullshit. Many of us can look at our childhood, including myself and see an incapable parent, a parent even weaker than ourselves, an abusive relative. This all has to end. The worst criminals that kill the soul and the mind are the parents sometimes, as they are damaging their own kids in the most sensitive spot and time of their existence, marking them with dross and pain that is hard to fix. This is extremely immature and very destructive. Unfulfilled desires battered on the kid, the person being abused and used like a puppet or a 'piece of myself' by their parents. Subject: Re: Stopping the Medicare shit.

Theres lots of houses its a cheap area, further from a city the cheaper it gets but \$100,000 is cheap over here. Under \$100,000 theres places like lightning ridge. One under offer for \$12,000 first that cheap Ive seen in many years and it went quick. 1 big shed thats the 'house' not bad inside has a potbelly stove, no electricity you live on generators and batteries solar if you can afford to install it and if your really good a wind turbine. This one is not bad it has a few extra sheds and an old caravan. Dodge the brown snakes and dont fall down an old mine shaft lol

<http://www.domain.com.au/Property/For-Sale/Rural/NSW/Lightning-Ridge/?adid=2009959986>

Great place if you like snakes, dust and heat and want to live like a hermit with no job. You could get a mining permit and play around alone down old mineshafts looking for black opals rest of your life piss off the wrong person out there and you get burried. I know what they do to you out there and being who I am I wouldnt want to get found out in a town like that. Mines cave in all the time... oops accident.

Basically to get much under \$50,000 over here you are looking at many hours from a city hundreds of kilometers from anywhere. Australia has a tiny population compared to the USA and Europe and other places and most people live in urban areas around the major cities on the coast. Inland it is dry and remote and not much work lots of driving to do anything much and not a place someone like me would be welcome if I got found out, lots of ways people dissappear out there.

This is outskirts of Sydney about 50 minutes from the city centre its one of the low income 'cheaper' suburbs high crime rate the closer you get to the city the

more expensive <http://www.domain.com.au/Search/buy/State/NSW/Area/Macarthur-Camden/Region/Sydney-Region/Suburb/Campbelltown/?ssubs=1&searchterm=campbelltown>

Inner urban suburb about 15 mins from the city by train. I lived in this area about 10 years ago renting with some people. It was a shit house the roof of what was my bedroom collapsed after I loved out and the kitchen upstairs landed where my bed would have been. And a man was shot and left under a car a few meters from my front door. It was very 'Asian' whites were a minority. <http://www.domain.com.au/Search/buy/State/NSW/Area/Inner-West/Region/Sydney-Region/Suburb/Ashfield/?ssubs=1&searchterm=ashfield>

Is this what house prices are like in the USA? What would a run down 3 bedroom house within an hour of a city cost roughly? You guys have a much bigger population and a lot more houses.

Hail Satan

Where I live theres an endless sea of homes, Im not in a big city but I've heard this area is one of the 10th largest metropolitan areas in the world. What Im getting at is after the housing bubble popped there are lots of houses here that are cheap. I bought my house in 2008 for \$9,000, the people before me bought it for somewhere around \$100,000 in 2000. Now that home prices are closer to where they should be its much easier to get a house. A coworker of mine bought a house for \$3,000 a few years ago.

Cheapest you would find over here would be maybe \$30 000 bulldozer job full of asbestos so add the cost of asbestos removal onto it and literally in a one horse town in the middle of nowhere, like several hundred KM from a major town or city, no work often no electricity available. My mother owned her home after paying off her morgage and bought the place we live in now. We don't get on real good but we have some land with it and its only 3 hours to a city. Major town 30 minutes drive still not much work but some cleaning jobs and cafe work. I want to start a home nursury buisness with rare and exotic plants and edible plants and do some landscaping. It just takes a long time to get going. Ive had to just learn to do a lot of things myself even if its not perfect if it works good enough for now. My mother cant do much now so its up to me to take care of the place. We don't have much but at least noone can take our house away. This land is in the family now. I will still have to work Ive been out for a while now once I get my car it will be much easier to find work. Its good when you can work for cash too lol. Sometimes I barter and exchange stuff for help around the place etc. You have to learn to save where you can.

I still think its easier doing it this way then having a mortgage and still having to fix things around the house. When I was growing up my parents had to take out a 2nd mortgage when they got new windows for the house. Before I moved into my \$9,000 house I probably put \$10-\$12 thousand into it. All new windows, new main water line, new plu,bing, hotwater tank, toilet, kitchen counter, kitchen sink, new paint, new doors. I also needed appliances, so I ended up doing the 0% financing for the windows, doors, and appliances. Once I was done juggling all of that I decided NEVER again would I do that, being out of debt seems to be the closest thing to freedom in this day and age.

Shit is always breaking, plumbing leaking, septics cracking and costing \$2000 to fix then neighbours septic failing leaking into your place causing a mini war to break out and legal costs and property damage and that awsome food garden you planned is now swamped in a festy soup of shit. Then comes bad weather and your livestock that were going to feed you to save you money cost you money. The pen roofs collapse the coups flood you need to buy more wire as the price of steel goes up, the price of hay goes up, petrol goes up. The fences fall over and you are out in the rain and mud at 3am fixing something... and your home buisness and self sufficient lifestyle suddenly sees you hunting a job again and looking for a loan to fix all the problems what you thought was the cheap and easy life turns out to be a pain in the ass.

I dont mean run minorities out all together, but this rapid cycle of every white generation having to leave the neighborhood they grew up in needs to stop. When my mom was growing up she lived in the west part of town, by the time I was born much of it was a bad neighborhood. I still remember a teacher telling the class that when the pilgrams came to america animals such as squirrels were curious about us, and then the pilgrams killed them in mass and animals were scared of us from that point on. Small animals are afraid of anything bigger then they are. Another teacher spent 1/3 of a school year on the anne frank book (she was clearly a kike) after we were finally done with the book I dont think anyone in the class room cared what happened to that jew.

When I was a kid a few blocks from where I lived there was a retarded couple who had 3 or 4 kids that were also retarded. Eventually the health department came searched the house and took the kids away, to put it lightly they couldnt figure out what a toilet was. These are the sort of people who shouldnt be permitted to have kids. Someone else I knew growing up had a mother who was slightly retarded and a father who was about 300 pounds over weight. I heard he dropped out of school, doesnt have a job has 3 kids with one girl and got another girl pregnant. He came over to my moms house asking if him and his girlfriend could stay with my mom. Another person who shouldnt be having children. Also how about the people who are in and out of jail on a

regular basis? No amount of explaining will convince them that their lifestyle is wrong and that their a lowlife piece of

So you can add after school care and other carers to the list of people children are in the care of. I was raised by a single mother and she couldnt cope. I had my grandparents thankfully they were athiest most of my family was and were loving and encouraging of me. They taught me about self defence and taking no shit at school. I had a teacher who would literally hit you over the head and in the back with a hard cover 'childrens' bible full of pretty pictures. She was a hardcore xian and a sick woman.

She broke the arms of kids. I spent every lunch time hiding in the toilet block. The few times she caught me and twisted my arms and tried to molest me. One day it ended with her strangling me with her hands around my throat in the playground and a teacher watching not doing anything to stop it. I fought her off and ran. I wasn't allowed to complain because she was 'special' and it was discrimination. My mother complained and copped the same bullshit. There wasnt really an option to change schools not many schools around most were full and we couldnt afford private. All the schools had 'special' kids and the same policies of

If it were not for religions sticking their noses in it probably WOULD exist. In addition sexuality would not be a taboo that is so misunderstood and abused as it is now. Sexuality is not purely for making babies and there are many ways to enjoy the benefits of sexuality and orgasm that do not risk bringing an unwanted extra life to the world irresponsibly.

Many of us can look at our childhood, including myself and see an incapable parent, a parent even weaker than ourselves, an abusive relative. This all has to end. The worst criminals that kill the soul and the mind are the parents sometimes, as they are damaging their own kids in the most sensitive spot and time of their existence, marking them with dross and pain that is hard to fix. This is extremely immature and very destructive. Unfulfilled desires battered on the kid, the person being abused and used like a puppet or a 'piece of myself' by their parents. This is extreme criminalistic behavior to say the least. Kids are their own soul, their own self and they have their own Divine purpose as another individual

What worries me is it appears Isreal is trying to provoke a nuclear war and since The US government is in bed with them I would imagine this would get much bigger than Isreal and Iran. It looks like they are using Iran as an excuse to get trouble started knowing the cowardly nature of kikes probably provoke Iran to strike first and then cry to America for help. Would that be far off the mark?

Back in the 90's a memo was sent to top ranking American Brass in the Military as reported on by a general at the time. It was a list of nations that were to be invaded and brought under control. Iraq, Lybia, Syria, Sudan and Iran. Where the main ones. So we can see this plan has been going along since they staged the 911 attacks to move in that direction. As all those nations except Iran have been or are being taken down, directly.

The jews wanted their war with Iran no matter what back in the 90's. The nuclear power deal is just a great excuse to do what they already planned. And of course they don't want Iran to have any possible big weapons like that.....Because it makes it harder to do what they wanted all along and attack them.

You're right that seems to be the plan the jews want a first strike on Iran with American forces rolling right in after its over. That is what is being pushed for in the White House and Israel recently joined NATO as a top ranking nation. Which means that all NATO states can be pulled in as well.

Russia has shown aggressive moves against this by sending their troops, warships and advisors to Syria to counter the attempted toppling of the government by internationalist forces which were to be aided by NATO planes and ground forces as in Lybia. Most of the rebels in Syria are not even Syrians. They are mainly Lybians, Saudi's and Paki's.

I believe Russia will as stated aid Iran directly in a war, perhaps they feel the noose closing around them as well internationally, look at what happened in the caucasus not that long ago, that was international jewry getting a major check by Russian forces.

If Russia does enter such a war. The front could also be in Europe as many European nations are NATO states even Poland now as well I believe. Infact it might be Russia as the reason the war has not started yet.

The neocon jews are all literally Trotskyites reds [communism is political judaism after all], with conservative suits. The jews just decided to push things in that direction cause its good for jews.

What worries me is it appears Isreal is trying to provoke a nuclear war and since The US government is in bed with them I would imagine this would get much bigger than Isreal and Iran. It looks like they are using Iran as an excuse to get trouble started knowing the cowardly nature of kikes probably provoke Iran to strike first and then cry to America for help. Would that be far off the mark?

Back in the 90's a memo was sent to top ranking American Brass in the Military as reported on by a general at the time. It was a list of nations that where to be invaded and brought under control. Iraq, Lybia, Syria, Sudan and Iran. Where the main ones. So

we can see this plan has been going along since they staged the 911 attacks to move in that direction. As all those nations expect Iran have been or are being taken down, directly.

The jews wanted their war with Iran no matter what back in the 90's. The nuclear power deal is just a great excuse to do what they already planned. From what I understood that list of middleeastern countries are the last countries to have their own banking systems and not under the control of jewry. I always thought the true purpose of 9/11 was to invade the middleast, when things stalled movies like "loose change" that point the finger solely at bush and his cambnet for being the master minds behind 9/11. Im not nor was I ever a bush supporter but the fact of the matter is jewry is behind 9/11. 911missinglinks

If ww3 starts it would be nice if somehow we either sat it out, or did like you said Russia might do. Being realistic thats probably not how america will handle things. If we do go into another jew lead war it will be the death of our economy.

Its not our economy. Its our would be masters, serfdom. And we are the serfs, just with a big screen tv.

It came out awhile ago Russia sent some of their new subs right up into close to Amercian waters. As a warning to the government about their bully behavior.

I believe N.Korea is another one free of the jew bank. But yes Lybia was the last free one next to Iran that which remains free. The first thing the "rebels" in Lybia did was set up a new bank owned by Rothchilds.

The 'loose change" vid had jews all around it, for sure. If I recall even on its production crew as well. No different then how Alex jew owned Jones has tried to hijack the 911 truth movement further for his masters. As part of his disinfo agent working.

Thats a good point with fallout, but remember we have already had a nuclear war on this earth. The hundreds of major tests like what the soviet jewion performed during the cold war with a doomsday weapon. Accidents at plants like recently with Japan, tons of depleted uranium weapons pollution.etc

The jews already use their nukes as a threat, they are the worlds six biggest nuclear power. They have bragged their missiles can reach all European capitals as well.

Back in the 90's a memo was sent to top ranking American Brass in the Military as reported on by a general at the time. It was a list of nations that where to be invaded and brought under control. Iraq, Lybia, Syria, Sudan and Iran. Where the main ones. So we can see this plan has been going along since they staged the 911 attacks to move in that direction. As all those nations expect Iran have been or are being taken down, directly.

The jews wanted their war with Iran no matter what back in the 90's. The nuclear power deal is just a great excuse to do what they already planned. And of course they don't want Iran to have any possible big weapons like that.....Because it makes it harder to do what they wanted all along and attack them.

You're right that seems to be the plan the jews want a first strike on Iran with American forces rolling right in after its over. That is what is being pushed for in the White House and Israel recently joined NATO as a top ranking nation. Which means that all NATO states can be pulled in as well.

Russia has shown aggressive moves against this by sending their troops, warships and advisors to Syria to counter the attempted toppling of the government by internationalist forces which where to be aided by NATO planes and ground forces as in Lybia. Most of the rebels in Syria are not even Syrians. They are mainly Lybians, Saudi's and Paki's.

I believe Russia will as stated aid Iran directly in a war, prehaps they feel the noose closing around them as well internationally, look at what happened in the caucasus not that long ago, that was international jewry getting a major check by Russian forces.

If Russia does enter such a war. The front could also be in Europe as many European nations are NATO states even Poland now as well I believe. Infact it might be Russia as the reason the war has not started yet.

The neocon jews are all literally Trotskyites reds [communism is political juadism after all], with conserve suits. The jews just decided to push things in that direction cause its good for jews.

What worries me is it appears Isreal is trying to provoke a nuclear war and since The US government is in bed with them I would imagine this would get much bigger than Isreal and Iran. It looks like they are using Iran as an excuse to get trouble started knowing the cowardly nature of kikes probably provoke Iran to strike first and then cry to America for help. Would that be far off the mark?

Putin, reigned in the jewish big shots with jail.etc And other tratiors who tried to maintain power in the New Russia. But he is one man and the jewish presence is still in Russia. But not as powerful as the jews want it be. The jew MSM will use any attempt to slander Putin.

Putin opposes the nations the jews fully control so by defacto he oppose them and their policy, internationally at this point.

Putin is probably on the personal level no big friend of the jews as he signed the decree to give the State Pize of the Russian Federation. To Alexander Solzhenitsyn, the Russian author who wrote "Two Hundred Years Together" and other works which exposed the jews and their role in Communism.etc From other statements he has made he is fully aware of just jew is in control of the Western world.

So that little up rising against Putin was probably because of jewry, they want him out of office so they can make Russia more like the way America is right now...israels slave.

I would like to see America and China at odds with each other, and America to no longer importing Chinas cheap slave labor goods, and be forced to make our own goods here again.

I found a video clip about lennon being antisemetic, or somewhat. And I know he traveled to India in search of spiritual knowledge, but was disillusioned with what he found. Im certainly not suggesting he was a Satanist, I just wonder how far down the path he went before he was killed.

Lennon was very narcissistic, while he told the truth about the jews owning the business there. Personally everything he did was about drawing attention to himself. He morphed into a total communist in his last phase but I doubt he believed a word of it. It was just another way to grab a ten and prop himself up at its center.

You can find interviews with Lennon's first son on Utube. Lennon was an abusive asshole to him and really wanted nothing to do with him his whole life. Including walking out on him and his mother when he was little, and not even wanting to support them, even when he had millions. He also states everyone around Lennon knew he was a titanic asshole and selfish, anger case.

I think for him personally the whole travel to India and hanging out with the Maharishi Mahesh, was just the same at it was the trend of that period. Paul is the one who seemed to be actually influenced the most authentically by that experience as it still shows up in his life and work. Too bad, he became the biggest jew fawning, sellout on earth in the process.

But then again the Beatles sucked, they where another manufactured pop band among many. But got hyped. Thankfully for the bands of those days fans where more loyal and stayed with them longer. Different generation. Pop bands are the same formula creation today but don't have the staying power.

Subject: Re: Iran accuses IAEA of passing nuclear secrets to Israel			

I believe China at the top is under jewish control. Communism was imported into the East by a Manchu jew agent, probably working with other Eastern or Asianoid jews. There has been a jewish population, the Fang in China for a thousand plus years. And the evidence shows that Rothschilds and his jewish agents directly funded Mao and the reds. I remember once being told by a Westerner who taught in China for awhile and was jew aware. That the top ranking people behind the party are basically Asianoid looking jews.

China has been built up purposely into a world super power on every level. And its the perfect communist slave state. I watched an interview by an American business person who went to China to set up business contacts for his import business. He stated in China there are whole cities of millions that are factory cities and exist to just build one product. The people in this factories work 12 or more hour shifts, 7 days a week. They

only get two days off a month if lucky. Many of them live in the factory and only get paid a bowl of rice. Its so miserable special nets have been installed to break the fall of workers jumping off of staircases and roof tops trying to end their miserable life.

The Soviet Jewion was built up the exact same way. For one purpose to wage international warfare and conquest to spread communism across the planet and the rule of the jew behind it.

It turns out the original plan the jews had for the second war was the red army was to conquer all of Europe to the channel. And maybe even beyond. The only reason they opened up a Western front was because they had to change their plans due to the Axis first strike against them as they where mobilizing in their camps for the invasion of Europe to be launched the follow spring.

The jews where originally planning for a first war situation where Germany, France and England and other European nations would bleed themselves in a stalemate war. And the reds would sweep down on them all. What the red army did to Poland was planned for everyone. Hitler was totally aware of this situation and acted accordingly to save Europe.

On another note the situation on the Eastern Front for the axis shows how important the individual quality of the fighting man is, I mean spiritually. The Waffen SS where literally the best fighters and stopped the front from falling apart and being swarmed by the red army. Without them the war would have been over long before 1945.. The German regular army had the same offical physical training the SS did, and they fought well. But it was the SS that was always needed to go the extra mile and win. If the war had of happened a generation later it would have been over in a year with the Reich winning. As the quality of the individual person would have much higher. The SS where the nucleus of the New Germany.

The difference was the SS where spiritually sound, they where Aryans in the literal sense of the word. And fought according to the Aryan spirit. They advanced when others spirits broke and ran. The original core of the SS leadership where Satanists who where iniated into Satanism mainly in Wewelsburg. By high ranking adepts of the Thule Society.

Satanism is the only salvation for our Holy Race.

Subject: Physical Height

And physical features, characteristics in general of the Aryan race - is there a connection between them and soul powers/importance?

The SS thought so as only officers 5'10 to 5'11 could be an officer and I also read some where else 5'9 or up.

Been improving my leadership/hero characteristic lately, mentally, and so any information or tips you can add here is greatly appreciated.

Thank you Master Lord Ea

Yes! I'm not the only one who thinks they suck! I'm kinda sick of the hype they still get.

As long as we're on British rock, I'd like to know where Led Zeppelin got those four symbols they use. Jimmy Page's was "Zoso" which sounds like a variation on "Sozo". The others I don't know.

What I do know about the Beatles is that Ringo Starr is a kike.

The symbol for John Paul Jones (bass keyboard) I've seen in churches use. I know Jimmy Page was very interested in Aleister Crowley to the point he bought a Scottish castle that Crowley had lived in. If you watch the Led Zeppelin DVD there's a scene with Jimmy Page climbing a mountain and at the top he finds himself but he's very old I think he symbolized the Hermit tarot card, he touches him then the older man on the mountain top waves a sword back and forth over his head and his age is reversed (sounds like he was acting out the Magnum Opus, although that's not how it's done) Jimmy Page was also a heroin addict, so I can't imagine he got very far.

I think the book "The Hammer of the Gods" which was about Led Zeppelin talked about the symbols, but I can't remember for sure. Oh and I agree 100% with everyone else here the Beatles suck!

If someone is tall he naturally emmit an aura of power. Reinhard Heydrich which was a very important Nazi SS Leader was around 6ft tall and a bit more. He had piercing blue eyes that emmit so much Satanic greatness. He was if I remember correct one of the tallest Nazi SS officers. Hitler was around 5'9. He wasn't the tallest, neither Heinrich Himmler was so in both our Fhurer's case, leadership was a quality of the soul. Though Hitler had an extremely beautiful face and not to mention his deep stare, which could pierce someone and make them wonder if he was a Man or somethin far greater. Leadership is not connected with height in most cases, as many leaders were short like Alexander the Great.

BUT in the animal kingdom [of which we carry insticts from] height plays a role. People naturally are more scared and respect more taller people. Thats not the whole case though. Body mass plays a role, but depends. Natually talking, yes. Intellectually, not THAT much. Also notice how much Hitler did love and care for Humanity. He was protecting the creation of the Aryan race and He wasn't the blonde supreme Irelandic looking person people would 'expect'. This shows his TRUE interest in Humanity and not Himself, that His struggle wasn't an issue of becoming a role model, but saving the Aryan peoples and the White Race, as well as the Races of all Gentiles in the WHOLE world from jewery. This hits a nerve with me lol, I spent too many years upset over being tiny. Im female so its not probably as bad as if I were a man it seems more important to men but people do treat me like a kid. Interesting thing DNA, my mothers side were all shorter than average but slender and fit naturally pale with delicate skin. But we never show our age, everyone on my mums side looked at least 10 years younger than they were. Even my grandfather he wanted to live to 100 and in his 80's people thought he was younger. Fucking nursing home took him before he was ready.

I found an old sepia photo of my grandparents on their wedding day, my gandmother was so beautiful and my grandfather was very handsome.

My fathers side Ive only met my father but from what Ive heard they were all pretty big. My father is an imposing figure 6 foot and about 110kg. If he had long hair he would look like a Viking. My mother thinks his herriage was scandanavian I'll have to ask him one day I dont see him much.

But thing is, he might be a big tough looking man but he is sucked into xianity big time and it's little me the smallest in the family that found Satan. What does that say?

Shit my horse is tiny too people make fun of him in town but he'd outrun a racehorse in the bush on 3 legs. When your smaller you have to work twice as hard to get half the respect. Ive known some tall people who were really really stupid too.

The way races have been mixed up over time DNA has become a real cocktail anything can show up in any combination.

Hitler had eyes that could break glass but it wasn't just the eyes it was what was behind them.

Subject: Re: Physical Height			

This type of deal the enemy uses incessantly against us. The line goes...unless you are tall, blonde hair, blue or grey eyes and 100% German, you classify as 'sub-human' or something. The jews use this line against us all the time. It is total nonsense like everything else they promote.

When you reach a certain level of understanding in Satanism, you will realize those of us who are in accordance with Satan's desires and dedicated to his cause, are working for a higher purpose, as did Adolf Hitler and the top members of the Third Reich.

One of the highest ranking members of the Nazi Part was Dr. Josef Goebbels [very short]. The entire point here is that the Third Reich was striving to return the White Race to perfection. With this, illness and all kinds of diseases would have been weeded out, and natural abilities, intelligence and potential would have been drastically amplified. True Satanism is evolution; evolving and developing and advancing the self. The Nazis took this to a higher level with race. This is in accordance with Satan and the Powers of Hell.

The model for the White Aryan perfect man and woman was the Nordic Gods. Satan himself is very tall and other Demons I have met face to face are well over 7 feet in height. Hitler saw Demons. He remarked that he 'saw the new man.'

'Fairy' was given the label to those who were 'fair' of fair skin, eyes; the white race. The xian church and ilk reduced the size to so small like the subliminal with hatred towards women in order to subliminally reduce their power. This also comes from the English word 'Pharaoh.' The Satanic Holidays, Equinoxes and Sabbats all have their roots with the White Race in Europe. In addition, the White Race was in the Far East thousands of years ago, as were our Gods who brought spiritual teachings to us. The Asian peoples preserved much of this, but a lot has been corrupted over the centuries like everything else.

The above regarding 'fairy' 'pharaoh' and some of the below information was taken from the book Realm of the Ring Lords by Lawrence Gardner.

Our Nordic Gods carry a gene within their DNA that was lost to us thousands of years ago because of race-mixing. This is why we are no longer immortal. Through race-mixing, the DNA component was lost. Only through the magnum opus, can this be corrected and only through those who have enough Aryan blood can this be accomplished. There has to be enough racial DNA in a person in order for them to successfully complete the magnum opus. This does not mean one has to fit the above description of having blonde hair, blue eyes, etc, but by having enough white blood. As Thoth stated 'It is in the blood.'

Satanism is for the advancement of humanity. By selective breeding, [eugenics], humanity can breed upwards and through this, reach full potential. This is the underlying message of Satanism and can be seen

in all kinds of Satanic writings. Very few if any of us are physically perfect, but this does not stop us from doing the magnum opus. Like Third Reich Leaders, we should realize this is for a higher cause. With bringing in a New World Order which is of Satan, where there is no more needless suffering; where humanity has reached perfection.

The Beatles do suck. I never understood why retard poser hipster kids act like they're so great, along with Pink Floyd, Led Zeppelin, etc. And then complain about how music back then was so much better than music now. I mean Katey Perry and Lady Gaga are awful as well, oh don't forget ke\$sha, and that auto-tuned masterpiece about waking up in a strangers house because of her alcoholism. I knew a guy going to a university for music and he said they teach you to use math to put a song together. They take the beauty out of music to make some 4 beat catchy tune.

I think the reply I wrote never made it here

Regarding the fighting spirit of the SS, I saw in a video on history channel where they actually interviewed an SS officer (for once) he said for every 1 dead Nazi there was 13 dead soviets.

The fact that Russia was once the jew union and now china is really speaks volumes about the wondering jew, we as Gentiles generally stay in the same place. Jewry will leave an area they've throughly exploited and move to another, the wondering parasite.

I know at one time Spain was very powerful and wealthy, but we dont hear very much about them know. I heard after the jews left spain they took the bulk of the wealth with them. I've heard china isnt excepting fiat from us they now want gold, it seems very likely that jewry is making this happen on both sides. Stealing the wealth of America sending it to both israel and china, so America can end up in poverty. That is also why much of our good paying blue collar jobs are dissapearing. I heard from a coworker back in the 70's and 80's the unions got everything they wanted. And thats not to say the individual worker so much as the leaders of the unions pushed for higher pay. A few years ago the auto workers voted and agreed to a pay

cut so they could continue to work, but the union wouldn't allow that. Here's my point, greedy kikes leading the union forcing companies to pay someone more money than they should make for what they're doing. Eventually companies can't make much of a profit and get fed up, the owners find out they can ship their business to China and probably pay all the workers less than what one American worker made. Even though I am in the union I think part of our current problem was started by the unions and later finished off with the "global economy" where China makes everything.

He stated in China there are whole cities of millions that are factory cities and exist to just build one product. The people in these factories work 12 or more hour shifts, 7 days a week. They only get two days off a month if lucky. Many of them live in the factory and only get paid a bowl of rice. It's so miserable special nets have been installed to break the fall of workers jumping off of staircases and roof tops trying to end their miserable life.

Group: 666BlackSun Message: 177 From: Don Danko Date: 9/27/2012
Subject: Re: Iran accuses IAEA of passing nuclear secrets to Israel

The Unions where originally founded by local workers to stop the predation by the owners upon them. Working them 12 hour days, under dangerous conditions with hardly

any pay to live on. And no benefits to protect them and their families incase of accident or death at the work place.etc They where part of the social justice movement for workers rights and honestly their human rights to be treated with respect and not as cattle.

The Union movements where an out growth of the Socialist movements in the Western world. Yes the jews got in there at some point and fucked it up. But many of the Unions where originally against the jewish capital.

Never forget the Socialist in National Socialist. If you where a member of the working class in Europe your life was going to be miserable and stuck as the working poor, with no hope for a future for your kids either to move up in society to something better. The communists took advantage of this situation for their own ends. The situation that jewish xianity had created and jewish capital had moved along into a new aeon.

The jews control of the IRS which they admit they use as a weapon to destroy any Gentiles from rising into a powerful business class has done a lot of damage. But the fact is this....

Don't buy the bullshit excuses. The [jew] industry owners are naturally going to want to move their manufacturing base to some shittty nation where there are no workers rights and they can have a mass of work serfs, toiling for pennies a day and still ship the product back here and sell it for a jacked up price. Inceasing their profits by hundreds of milllions.

It was when the jews where kicked out of Spain, that Spain entered its golden age of empire and wealth.

I think the reply I wrote never made it here

Regarding the fighting spirit of the SS, I saw in a video on history channel where they actually interviewed an SS officer (for once) he said for every 1 dead Nazi there was 13 dead soviets.

The fact that Russia was once the jew union and now china is really speaks volumes about the wondering jew, we as Gentiles generally stay in the same place. Jewry will leave an area they've throughly exploited and move to another, the wondering parasite.

I know at one time Spain was very powerful and wealthy, but we dont hear very much about them know. I heard after the jews left spain they took the bulk of the wealth with them. I've heard china isnt excepting fiat from us they now want gold, it seems very likely that jewry is making this happen on both sides. Stealing the wealth of America sending it to both israel and china, so America can end up in poverty. That is also why much of our good paying blue collar jobs are dissapearing. I heard from a coworker back in the 70's and 80's the unions got everything they wanted. And thats not to say the individual worker so much as the leaders of the unions pushed for higher pay. A few years ago the auto workers voted and agreed to a pay cut so they could continue to work, but the union wouldnt allow that. Here's my point, greedy kikes leading the union forcing companies to pay someone more money then they should make for what they're doing. Eventually companies cant make much of a profit and get fed up, the owners find out they can ship their business to china and probably pay all the workers less then what one American worker made. Even though I am in the union I think part of our current problem was started by the unions and lated finished off with the "global economy" where china makes everything.

Subject: Jew Openly Calls For False Flag Attacks.			

Jew Openly Calls For False Flag Attacks.

My note: "Zionist" is just another word for Jew.

The Jews where behind 911:

<http://www.911missinglinks.com/watch-movie/>

As part of the movie it mentions the Jews attacked the USS Liberty in June of 1967, to pull America into a war in the ME on the side of the Jews. Killing dozens of American Servicemen. Don't forget the Lavon Affair when the jews in the early 1950's used false flag terrorism against Western/American targets for their own political agenda.

Second Zionist 9/11 in the making for war on Iran: Analyst

<http://www.presstv.com/detail/2012/09/27/263840/2nd-zionist-911-in-making-for-iran-war/>

Zionist [my note Jew] organizations such as Washington Institute for Near East Policy (WINEP) are overtly plotting "another 9/11-style mass murder" of Americans to justify a military aggression against Iran, an analyst says.

"Covering up 9/11 is bad enough. But when Zionist front organizations like WINEP openly call for another 9/11-style mass murder of Americans to launch a war against Iran, it is time for the American people to put these organizations out of business," Kevin Barrett wrote in an article on the Press TV website.

Last Friday, Patrick Clawson, WINEP's Director for Research, suggested that the US should work covertly and through means of force to provoke Iran to take the first shot against the US or Israel. Otherwise, he said, starting a war with Iran will be really hard to accomplish.

"I frankly think that crisis initiation is really tough," said Clawson, "And it's very hard for me to see how the United States uh President can get us to war with Iran."

As a consequence, Clawson said he was led to conclude that "the traditional way [that] America gets to war is what would be best for US interests."

He then went on to recount a series of controversial incidents in American history - the attack on Pearl Harbor, the sinking of the Lusitania, the Gulf of Tonkin incident, and the blowing up of the USS Maine - that US presidents "had to wait for" before taking America to war.

"So, if in fact the Iranians aren't going to compromise," the Israel lobbyist concluded with a smirk on his face, "it would be best if somebody else started the war."

"One can combine other means of pressure with sanctions. I mentioned that explosion on August 17th. We could step up the pressure. I mean look people, Iranian submarines periodically go down; someday one of them may not come up. Who would know why? We can do a variety of things if we wish to increase the pressure. I'm not advocating that but I'm just suggesting that ... this is not an `either or' proposition.... We are in the game of using covert means against the Iranians. We could get nastier at that."

The analyst noted that what Clawson didn't say, but certainly implied, was that "America's `war on terror', actually a war on Islam for Israel, `had to wait for' the false-flag attack of 9/11."

"WINEP, like AIPAC, is a criminal organization - a viper's nest of unregistered agents of a foreign power. Even if they were not advocating mass murder and high treason, and calling for the silencing of opposition to the 9/11 coup d'état that they and/or their fellow travelers helped orchestrate, they should all be arrested and sent to prison," Barrett added.

"But when they cross the line and advocate the mass murder of Americans to trigger a war for Israel that could easily become World War Three, it's time to shut them down, lock them up, and start building scaffolds. They call it `Near East Policy'. I call it high treason and conspiracy to commit mass murder," the analyst concluded.

Subject: Re: Physical Height			

I really wish people would stop worrying needlessly. I got a few e-mails on this post I made below. There have been Asian people, such as Tibetan priests who have successfully accomplished the magnum opus. Again...too many people are indoctrinated with jewish bullshit without even realizing it. The Nordic Gods have the DNA gene for immortality. This was lost to humanity in the sense that we age, then we die.

The jew works to push race-mixing to where there is now a category labeled as 'unclassifiable.' This is what the jew wants- like their filthy bible, everything lumped into one thing; don't know where one came from or where one is going, only what the jew media and crap TELLS you. YES, the jews are on an onslaught to destroy the White Race. This is a fact. Once the seed is lost, it is all lost forever.

Satan stands for diversity. I have near black hair and brown eyes. I like my black hair and would never dye it blonde. There are Demons who have black hair, brown eyes and such. They were once human, but now are Gods as they have completed the magnum opus, such as Asmodeus, Bune and others. They are here to help humanity.

You have to be the best you can be. People who try to emulate someone else or to copy another person or ideal only come off as phony. I have seen this many times. Working for a higher purpose is not about superiority, or 'I'm better than you' attitude. The White Race descended from the Nordic Gods and once had the immortality gene. This is true, but this does not mean someone has to be 100% pure [hardly anyone is anymore] to achieve the magnum opus.

To the people who e-mailed me. I am answering you here with this post. STOP picking yourself apart! The jew has indoctrinated many with the superiority crap like anyone who does not fit certain physical criteria will be wiped off the face of the earth. DO NOT LISTEN TO OR BUY INTO THEIR INSANITY! THIS CONCEPT IS JEWISH ALL THE WAY THROUGH AND IS IN THEIR TALMUD.

Whether you are short, tall, whatever...develop your own personal talents and attributes to their fullest extent. This is where you will shine. Don't try to be like someone else. It never works. I have loved gymnastics all my life and participated in gymnastics and acrobatics for fun. I am too tall to be a serious gymnast, but I have had a lot of fun in the gym. I excelled in weightlifting, as I am large boned. Be the best you can be with the talents you have. Please stop worrying needlessly. As your soul evolves more and more through meditation, you will see what I mean here.

I look at this video, hear it as well. And I can not understand how people view Hitler as an evil man. He does not sound evil, he does not look evil, his art does not look evil, there is no evidence for the Holocaust. Yet people still talk against him, as if they know what history truly was, and how it truly went.

In reality, Adolf Hitler was a beautiful man who deserves no more than to be mentioned with the true gods, and true heroes (Not fake Jewish bullshit heroes) of all generations. I see people accusing each other of being Nazis, and I just get furious inside as I know they can not comprehend what a Nazi even is, or what the word stands for.

Even worst there is so many rumors about Adolf Hitler and what "really happened" You'd think if people actually knew what happened there would be no need for rumors, mystery, speculation, etc. Of course people do not realize this and they bash those who speak against the supposed Holocaust, and proclaim Adolf Hitler as a good and noble man, even a hero.

I have debunked many Holocaust believers, most just deny it, others just yell at me and call me a evil Nazi piece of shit, or what ever else they can dribble out of their shit eating mouths. Adolf Hitlers motto was power to the people, and the people agreed with him, and it should always be power to the people. Today though, basically all world leaders motto is power to the rich, power to the Jew. And the people just go "Baaahhhh" as if in agreement.

The age of Aquarius is coming quickly, the golden age follows behind. The days of Jewhovah, Jewsus, Pisslam, and of course the damned Kike are at an end. And all of the filth that is related.

We must march with our most inner strength. And we are, and shall continue to destroy this enemy, until it is no more.

Hail Satan!

Hail Anubis!

Hail Astaroth!

Hail Beelzebub!

Hail Azazel!

Hail Thoth!

Heil Hitler!

Heil Heinrich Himmler!

Heil to the Nazi heroes! AND HAIL TO A NEW AGE!

Subject: Re: Physical Height

This reply is for non-heterosexuals who are racially aware of themselves, as there really are some, like myself, who are out there, but the Jews have forced them into hiding because of a Christian [Jewish]-influenced society.

Since I am an expert on the subject, I will also add that the Jews push this sick and twisted doctrine that

one also has to be 100% heterosexual in order to be a member of the White family and member of White society. This is only true for HETEROSEXUALS. Non-heterosexuals, on the other hand, who do not have children, but prove through merit of character that they, too, are definitely White, will be given the place within society where they excel, such as arts, philosophy, and spirituality.

The above-mentioned non-heterosexual has become an endangered species, unfortunately, but I have faith in our race, and through Satan, meditation, and necessary action, the necessary changes will be laid out.

I have seen it all. Through the attempt at "creating" a "White Christianity," the Jews have turned non-heterosexuals against what was once originally White Pagan culture, making them care only about themselves, how their hair looks, and when their next drug-induced sexual encounter will be. Then, when these types of non-heterosexuals are critiqued, they scream "HATE SPEECH! HATE CRIME!" thus making it seem as though just being a White heterosexual is a "hate crime."

The Jews, in turn, using their psychology and fake religions, use this friction to keep the White race divided over something that shouldn't even be an issue. It never mattered before Christianity and the other kikey religions reared their ugly heads.

ADOLF HITLER DID NOT HAVE ANY CHILDREN, and yet he set the foundation for White men and women to follow, as well as the blueprint for the Fourth Reich. Remembering that we are in this for a higher purpose, and keeping up with our tasks, assignments, and meditations, will shatter the Jewish bullshit that I am talking about, along with every other form of Jewish bullshit. Part of the meaning of the term "Satanist" means A PERSON WHO IS AGAINST THE JEWS...

I have been called a "deluded nutcase," NOT for what I believe, but because of what I know from Satanic experience. People who only believe what they want to believe about certain things become very jealous and resentful. If I was not in accord with Satan's desires, I would not be viciously attacked and slandered for my words against the Jews. None of us would be. However, there is no such thing as the Jewish-invented term "homophobia." It is TRUTH-phobia that they express a deep hatred for.

Although I have a Satan-given task of working on fixing non-heterosexuals from the Jewish stereotypes and behaviors that the Jews have drugged them with, it is my duty to serve the White race to the fullest. I have many forthcoming works.

In closing, in an above paragraph, I mentioned a "White Christianity." While there are some people of our race who are hooked to the Christian "opiate," Christianity is NOT White, never was, and never will be.

Christianity was "created" by the Jews who stole and corrupted already-existing materials from much older Aryan teachings, and patched them all together in an umbrella of hate Whitey for White people to ingest. With Christianity, Whites always have to feel guilty about something.

Now, back to what High Priestess Maxine stated: Why be guilty for being who you are? Rather than tearing yourself apart with nonsensical ponderings and Jew-induced guilt trips, the questions that should be asked are "Where are you at, spiritually?" "How close are you to Satan?" and "What are you doing to advance His cause?"

This is what the jew wants- like their filthy bible, everything lumped into one thing; don't know where one came from or where one is going, only what the jew media and crap TELLS you. YES, the jews are on an onslaught to destroy the White Race. This is a fact. Once the seed is lost, it is all lost forever.

Working for a higher purpose is not about superiority, or 'I'm better than you' attitude. The White Race descended from the Nordic Gods and once had the immortality gene. This is true, but this does not mean someone has to be 100% pure [hardly anyone is anymore] to achieve the magnum opus.

I feel dirty. Have you had a favourite movie charactor from your childhood you later found out was a kike? When I think of kikes I think of wimpy little rats so I was shocked to find out Rambo is a kike. Stallone looks pretty fucked up but I thought he had just been smashed in the face with a shovel a few times I hadnt really watched many of his other movies and never look up actors. Rambo was fucking baddass I was tricked and quite shocked. These bastards are everywhere. I loved my 80's action heros now I am scared to look up the rest of them. Am I being over paranoid? It's not a big deal probably but I just hate finding out stuff like that. It's just a charactor played by an actor in a film right... but films and charactors can inspire people and in your leasure time you drop your gaurd and get into it. how the fuck does a kike get to play a baddass fighting machine. Its wrong!

There was a post on here recently about how to recognise kikes I guess I am still getting used to it theres a lot I still don't know.

Your right he is a jew, I checked on a cheesy site called jew or not a jew. If you ever watch the special features on the first rambo movie it said Nick Nolte was first offered the role, but he thought Rambo should

have died at the end of the movie (which would have made more sense) I think there's an alternative ending where the colonel shoots him in the stomach. Instead Stallone makes 4 Rambo movies, and after the first movie the plots become less and less.

If you're looking for some Gentile movies try Robert De Niro's Taxi Driver, or some of the old Clint Eastwood spaghetti westerns like For a Few Dollars More, The Good, the Bad and the Ugly, also Dirty Harry and Magnum Force. Also Bruce Willis Last Man Standing. These are all relatively violent action packed movies with as far as I'm aware Gentile lead characters.

The only reason Stallone is so big is steroids. I don't think John Wayne is a Jew, although that's not even his real name, personally I can't stand Van Dam, Arnold is buddies with the Rothschilds, Bruce Willis was married to a Jew, Demi Moore. I don't have a TV anymore (although I could easily afford one), and the DVD drive on my laptop is broken, and I use an Android for internet use, so I haven't been watching movies for sometime, thanks I believe in large part to Satan and the Demons.

Subject: The alpha female

I made the other post about the alpha Ayran male now I would like to discuss the qualities of the Alpha female. I am curious what others views on this are and what makes a powerfull example of the female Ayran. Women and men are different we have different strengths and qualities. Different natural roles. But neither is 'better' than the other.

Power and leadership, strength and stamina without being overly masculine or loosing the qualities of grace and nurturing. I again look to nature. The lioness is a powerfull huntress and feircly protective of her cubs. Yet she is agile and not as massive as the male. When no suitable male is present the alpha female is the one who takes charge and sits at the top. Often I notice the alpha male and female in animals working together such as in a wolf pack.

My home gaurd dog is a female marea she can be as gentle and nurturing as any mother to the small animals and to her 'family' but if danger threatens such as a fox or wild dog she becomes something very terrifying. Any male dogs that have been around who were not as bold and tough as her had their asses handed to them in disgust. My new neighbours male rottweiler cowered away from her.

Yet I can leave baby chickens and small ducklings with her and she will take care of them as if they were puppies.

Horses, the stallion is the protector of the herd but there is also always a top mare, or lead mare and she

is the one who moves the herd and makes the rules. She is the one who teaches manners to the young horses and will chase out any who will not behave. When danger threatens she expects the stallion to stand his ground and her and the stallion will be the ones out front of the herd.

The mares also test the stallions. The stallions fight it out to decide the toughest. Then the winner will start snaking the mare. (this is when a stallion lowers his head and tries to round her up) the mare responds by stomping squealing and throwing big kicks at his head. She will beat the shit out of the stallion and if he submits she wants nothing to do with him. She is looking for him to not back away from her threats because if he can not take it from her he is not worthy of protecting the herd and re producing.

I have had to compensate for having the lack of any alpha males in my life. I had no father when I grew up only my grandfather I have never had a strong male partner. I had to learn how to fight, lift heavy things and strengthen my body and mind. I had no siblings and few real friends and it had confused me for a long time because I would look down on other women I considered weak and useless. They would complain they could not do things they wanted because their husband would not help them or build something or fix something. I do not want to have to rely on anyone for help with something I can learn to do myself. I do not now believe this makes me any less feminine. I weight train and can lift more of my own body weight than most women I know but I do not look anything like a man. My muscles are toned and tight not bulky but they are defined. I like to keep my body fit and as strong as possible without looking like the hulk. I have a very strong instinct to nurture and take care of others.

I am attached to my home and as much as I love my action and physical challenges I like to have time to do softer more gentle things too like sewing clothes, art, and tending to my animals and garden. Sometimes I wear the pants and others a nice dress. Time and a place.

There is another interesting thing with animals, with chickens if there is no rooster and a number of hens there will be one hen who will grow bigger, stronger and be dominant. She will even mount other hens and sometimes crow! But when a rooster who is tougher than her shows up they have a fight and if he wins she is content and resumes more female qualities.

I realised in reality if the Alpha male is killed the females cannot be left helpless without him.

Hail Satan.

Well from the list Bronson is a Jew so is Van Dam, and Christopher Lambert. And Robert Redford I never picked him.

Subject: Re: The alpha female

Another one most people wouldn't know about unless you have been involved with parrots. This is for the Asiatic parrots such as Indian Ringnecks and Alexandrines. It could apply to others but I have no experience there. I have been involved with birds for many years. I have had a lot of time to study behaviour. The breeding and mating behaviour of parrots is interesting and very confusing to some people. The females can be highly aggressive. Many breeders have wondered why they kept losing males in single pair aviaries as they introduced them at breeding season. They were removing the females from their breeding programmes that killed males thinking this was a bad thing.

What happens is, the females test the males they don't want a wuss as a mate, its that simple. The problem is minimised when they grow up together as they test each other over a period of time and the female waits for her 'mate' to 'man up' in such cases she rarely kills him just refuses to mate with him if he doesn't cut it.

I keep my pairs together all year and let them grow up together and watch them closely in spring and I have never lost a male yet. The male makes advances when he comes of age and the female attacks him even budgies do this the boss of my aviary is my pet female who has refused every male she has met) The female will chase the male sometimes for days and if he panics and fears her she might kill him. If he stands his ground and spreads his wings in defiance she backs off and he will begin his advances again from a safer distance. She is not being nasty it is just a survival instinct. While she is on the nest she is vulnerable to predators as are the hatched chicks. She rarely leaves the nest so he also has to feed her, he does this by visiting her in the nest and regurgitating food into her beak. If he is a weak male it will take too much out of him and he will die leaving her to raise the chicks alone. Or if he is a wuss he might fear a predator and fly away in a panic leaving her to be trapped in the nest hole and killed. So it is obvious to me why the female is a vicious bitch choosing a mate. However once they have bonded they become a close working team and will usually stay together for life or for many seasons. I have seen males commit suicide and destroy their cages, tear all their feathers out and even fly into the walls and break their necks after losing a mate.

I do not want to have to rely on anyone for help with something I can learn to do myself. I do not now believe this makes me any less feminine. I weight train and can lift more of my own body weight than most women I know but I do not look anything like a man. My muscles are toned and tight not bulky but they are defined. I like to keep my body fit and as strong as possible without looking like the hulk. I have a very strong instinct to nurture and take care of others.

Yeah, his mother, Jackie Stallone or Jaquelin M. Labofish is a flat out kike.

I've had that too, and I'm sure everyone has. Especially finding out voice actors for childhood cartoons. I've been watching a lot less TV but when I do watch I keep my eye out and am less attached than I used to be.

The reason the plot to "Frist Blood" [Stallone can't act] was good then the rest sucked. Was because it was based off a book wrote by D.Morrell. I read the book years ago, it was better then the movie in the book Rambo dies at the end and kills the police chief in the process.

The other movies are probably wrote by hollywood hacks.

The "300" was bizzare shit [made by the creep jew who made "sin city" which was gross garbage] and I believe a cheap remake of a movie made decades ago.

The current version of the "300" was designed to attack ancient Aryan culture and the Gods with just fucking bizzare jewish nonsense. And its no mistake it was made when the jews are demanding war with Iran either.

The only excellent movies to come down the turn was "Lord of the Rings." And thats because it was made far beyond the reach of hollywood with mostly local actors in New Zealand. And even then some of the characters where not totally true to the books in my opinion. The good part is Token created the books by using ancient Teutonic [Aryan] saga's as the core material.

Charles Bronson real last name was Buchinsky. Some sources say he was Gentile of Polish and Lithuanian parents. Others that he was jewish. However since he became a famous star its not unlikey the jews would try and claim him as jewish. But then again I don't know too many Poles or Lithuanians who looked like that either. And Poland had a heavy jewish population in it for awhile. No mistake some of the best truthism on the

Jews come from Poland and Russia.

It's shit isn't it. I have a craving for powerful Aryan characters and to see kikes trying to play them and fool us makes me very angry, another way they trick us maybe. I try once in a while to chill out and just enjoy a film but some Jewish shit always raises its head and ruins it.

To be honest with action films I never really took much notice of the plots I liked them for the action, the fight scenes, the car chases especially after a shit day. But now even that small escape is gone. I do like Lord Of The Rings, but isn't the actor who played Gandalf a kike? Rest of it is still good though. After seeing that list I have to wonder if there are more kikes in Hollywood than Israel.

Gandalf was played by Ian Murray McKellen and he is NOT a kike. He was born in the North of England in 1939 in a small town. He is "out" as non- Heterosexual. He was knighted by the Queen for his artistic work. He works in a kike controlled industry but I think he has done well for someone who is without Satan.

Firebird you continue to inspire and amaze me with your posts. You have told us you are petite. actually you said tiny, but you project so much strength and determination I feel it half way round the World! You are like a little diamond, beautiful but very tough. You will be one to achieve the "diamond/rainbow body" for sure. If I was not gay you would think I was flirting with you LOL. I just wanted you to know how much You are appreciated.

Instead stallone makes 4 rambo movies, and after the first movie the plots become less and less.

I've heard the book followed the police chief as the main character and "good guy" and Rambo was the "bad guy". The other movies are just Jewish filth, the highlight of the 4th Rambo is him using a Browning 50cal machinegun to fight an army and people getting cut down. I'm not surprised about Bronson being Jewish, there seems to be that trait in Jews where if something sells, sell lots of it. And like I said he has a long list of cheesy movies based off Death Wish. I will say the Mechanic was a good movie. For the most part. I bought the "300" for a \$1 at a used CD shop, like you said it was similar to Sin City the way it was filmed.

And Poland had a heavy Jewish population in it for awhile. No mistake some of the best truthism on the Jews come from Poland and Russia.

Sorry I got the actor confused I havn't watched it for quite some time, no dis respect intended.

Might be a good night to watch it again.

Thanks for the kind words, sometimes I am not sure if half of what I say makes sense not much around me makes much sense right now the world around

me looks ordinary and 'normal' as others would call it and yet I know it's not and noone else sees it. Its so quiet where I am and not much changes or happens the sun comes up people go about their day... work and chores as usual find something for dinner make sure the animals are fed and the sun goes down again one day rolls into the next. It's all too easy sometimes to just fall into auto pilot and forget the rest of the world exists and all this is going on.

Subject: Re: The alpha female

This post was probably barried under the conversations of the other topic. It's strange to me how far we've gone from nature. Female animals only want the strongest male, and if their offspring are born weak/unhealthy/retarded then that offspring is kicked out of the nest. Women are attracted to the stronger men, but there's all these stupid trends like emo and girls are taught my media manipulation to be attracted to "guys" that wear her jeans and have more hair products then she does. It also seems that (thanks I'm guessing to jewry) strongest man is replaced with richest man. Strength in the material sense, not in the physical sense. I'm not trying to say women are gold diggers, some are but again I blame that on the jewish media manipulation, and some people are just worthless gold digging scum. We live in a society where serial killers that brutality murdered women and children are idolized like their rockstars, a society that encourages blacks and latinos to be criminals and commit hate crimes against white people, and the courts then say its not a hate crime (this happend in the city I live in a few years ago). Then if a white person even does something against a minority the courts scream hate crime and throw the book at us white people.(I realize I'm getting off topic) If some kind of natural disaster, or economic collapse, or long term power outage were to occur much of what has been pushed on us would go right out the door. Men and women would probably go back to our natural roles, and as we rebuild our society it would be on those terms.

However once they have bonded they become a close working team and will usually stay together for life or for many seasons. I have seen males commit suicide and destroy their cages, tear all their feathers out and even fly into the walls and break their necks after loosing a mate.

You raise a good point there about money. I do not expect the shift from the kike rule back to Satanic is going to be a smooth ride. The kikes control money right now and have Gentiles dependant on them for it. They have us dependant on them for eveything so when they go down... I do forsee some interesting times. The Gentiles who are relying on money for power and strength are going to find themselves in a boat without a paddle. I do not think we have to be sent to the stone age but it will a process of taking over and a period of adjustment. Those who are furthest from natural ways and most dependant on the system are going to suffer the most.

The concept of a "hate crime" is Orwellianwitz, jew talk. We must all move away from using the cultural marxist lexicon within our minds. Or we are stuck playing within the box of the enemies ideology they created to destroy us all. I have watched this play out before in other areas the liberal angle never works and it always boomerangs on Racialist Whites. We have to move beyond enemy ideology if we are to return to the Eternal laws of nature. That is the platform from which our paradigm must come. And it stands opposed to the enemy ideology.

You might as well start taking about how jewsus loves you and other xian propaganda memes. When you start talking cultural marxist/liberal propaganda terms. Because one is the secular version of the other. And both are made by jews.

Racial violence is racial violence and its what you get when you cram all the races into one nation and demand they all mix and then fill them full of propaganda to hate either other further adding more fuel to the fire.
