That is really Awesome! Thank you HP Don for bringing this to us.

I look forward to the day when the Serpent of The Aryan God (Satan) rises up in me and Purifying and Perfecting my Soul.

Hail Father Satan!!

Forever in the Service of Satan.

From The Al Jilwah Chapter III:

"I lead to the straight path without a revealed book; I direct aright my beloved and chosen ones by unseen means." - Satan

Satan

This was taken from an answer I gave to another question in the egroups:

Satan or Sat-an. Also holds another meaning. An being a prefix for ananta. Ananta is also the ancient name for the primordial Serpent as well as Anahata/ Anahata Shesha. Eternity [Ananta] was shown as a golden serpent in a perfect circle. The symbol of the Magnum Opus. This is also why Siva has the serpent wrapped around his neck.

An ancient Roman writer states in his time. The primordial Diety where Saturn and Ops. Op[s] means serpent and Sat-urn. As Macrobius writes Saturn is the Sun. Hence the Roman celebration of Saturnalia at the Winter Solstice. When the Sun is reborn. So we have the serpent and the sun. Among if not the most ancient of spiritual meanings. Many other symbols all relate to these two. The Magnum Opus. Satan rules Saturn as this is the root charka where the Kundalini serpent dwells. The sun is the spiritual or inner sun. Our word for Soul comes from Sol. The serpent of Satan perfects us.

disciples were all jewish. He was being called 'Rabbi', which means teacher. What this christ was studying was the jewish scriptures, what the jews of today call the "Old testament". He never read on Orphic mysteries or ever got to know the Hellenic Tradition or Manuscripts. The only thing he studied was the psalms of the jewish writings. He even died with a line from the jewish book of psalms, which was 'Eli Eli...(the rest is known) which translates to (My god, my god, why did you forsake me- Psalm 22:1). He celebrated Savout (Celebration of the 50 days) Soukout (Celebration of the tents) and the Pesah ('Easter of the exodus'). If Jesus even existed, then he was a very devoted member of the judaic faith. The purpose of this article is to get down to the jewish roots of christianity.

..>Hail Satan!! Sadie, I understand 100% where your coming from, yet please bear with me on this.. Animals ARE sacred, yet some animal's 'purpose' on this Earth is food. This does not in any way mean they should be abused, as in the instances you have discribed.. that is KIKE shit.. what they best at[torture, and pain}. I sincerily understand what you say in this post, yet you have to start 'looking behind it all' to understand.. All you say is from the heart and i understand, now please look more into what i am trying to say?...

Especially when there are tons of slaughter houses across the country, where there are videos of men who work there slamming infant piglets who havent even opened there eyes, onto the concrete ground, crushing their brains and killing them almost instantly, i have seen them kick chickens, stomp on them while they are still alive, with all these animals in cages so tightly packed that the animals cannot move. And a lot of these people LAUGH while they do it. They have the choice to use drug injections so they do not feel pain, but many of them enjoy the torture. And even cats and dogs, for animal experiments instead of killing them nicely, and painless there has been proof of people like sticking some taser like thing in their vaginas, and anuses shocking them to death.

Even if we take as a fact that this ficticious character ever existed...What is widely known is that christ was born from a jewish mother, therefore is a jew. He didn't speak Greek or Latin, but Judaic and Armaic. Since he was born from a jewish mother, we know that his body characteristics were jewish, like all jews from his time. His first disciples were all jewish. He was being called 'Rabbi', which means teacher. What this christ was studying was the jewish scriptures, what the jews of today call the "Old testament". He never read on Orphic mysteries or ever got to know the Hellenic Tradition or Manuscripts. The only thing he studied was

the psalms of the jewish writings. He even died with a line from the jewish book of psalms, which was 'Eli Eli...(the rest is known) which translates to (My god, my god, why did you forsake me- Psalm 22:1). He celebrated Savout (Celebration of the 50 days) Soukout (Celebration of the tents) and the Pesah ('Easter of the exodus'). If jesus even existed, then he was a very devoted member of the judaic faith. The purpose of this article is to get down to the jewish roots of christianity.

Group: 666BlackSun	Message: 519	From: High Priestess Maxine Dietrich	Date: 1/9/2013
Subject: Sermon 1/09/13			

Due to centuries of the vehement suppression of spiritual knowledge, most people are not only unaware of, but also they are unable to see certain truths. This is the enemy's way of conquering; by creating a blind spot on the soul, where one is spiritually disarmed; the so-called 'sixth-sense' is lacking in most people and in many others, it is completely absent.

Millions of unfortunate people are and have been deceived by the xian and muslim programs; both of these whose sole intention is to destroy spiritual knowledge and replace it with lies for the destruction of humanity and every other living creature on this earth.

The judeo/xian bible warns its believers regarding the powers of the mind and of 'witchcraft' so that one is unable to see through the blatant lies that are right there every day.

The jews who are parasites by nature have always used Gentiles as their spiritual hosts; to feed from...no different from the alien greys who use their collection of souls to feed from. Many of you are already familiar with 'Jewish Ritual Murder.' During the times of jewish holidays, top rabbis will abduct Gentile children and use them in their ritual sacrifices to jewhova. The child is taken to a secret back room of a synagogue, tied to a cross and then tortured to death with the blood drained from the four corners [hands and feet], while the child is still alive and aware, and then this blood is drunk ritually by the rabbis. This heinous act has been performed repeatedly for centuries and this is why the jews have endured endless pogroms [where Gentiles have massacred entire villages of jews], have been forcibly expelled from nearly every country of the world, except for the USA, and have been hated to an extreme by every Gentile race. This is just one...I could go on and on endlessly of the crimes that the jews have committed ad nauseum, but the purpose of this sermon is how all of this ties into the christian mass/church service. For more about this practice, see 2000 Years of Jewish Ritual Murder:

http://gblt.webs.com/Jewish_Ritual_Murder.htm

There was a title of a book I noted on a shelf in the public library; written by a jewish rabbi and the title was 'Thou Shalt Prosper.' This is also in the bible. This title was in reference to the jews. Nearly everyone is aware of the unbelievable material wealth, success, and power this race has had for centuries. This directly results from their abuse of occult power, and all of this ties directly into christianity.

As I mentioned many times before, the judeo/xian bible is a book of jewish witchcraft. The verses, their numbers, and so forth. In order to know this, one must know how witchcraft, words of power, and most of all, the subliminal and the powers of the mind work to bring the operator's intentions to manifest in reality.

As with so much of the jewish workings, the subliminal is used to make the necessary subconscious connection to establish an energy link. One must know about witchcraft and the powers of the mind to know

this. This is why the bible warns and works to frighten Gentiles away from anything really spiritual...'thou shalt not suffer a witch to live' and other crap about 'burning in a lake of fire' etc. In addition, I noted early on that there were curses involved in one using one's powers of the mind to prevent this and to frighten those who scare easily away from this sort of thing.

'Eat me...Drink me.'

The entire theme of the christian mass/church service is that of a simulation of a human sacrifice. Most people cannot see this, nor are they aware of it due to their minds being walled up. The nazarene with every mass/service is crucified in a blood sacrifice to jewhova. I remember very well the endless repeated phrases used by the priest so that a connection is established 'This is the body of christ' and then that stupid little communion wafer...where the believer eats that 'body of christ.' Now we know the nazarene was nailed to that cross; the four corners, no different from the Gentile children that the jews use in their sacrifices. This creates the necessary connection that fuels the energies for the jewish ritual murders, bringing success to the jewish race, especially that of vast material wealth.

Each and every catholic mass for one [and with protestants, the theme is the same], these same verses are DRUMMED into the minds of the congregation, over and over and over and over and over:

On the night he was betrayed, he took bread and gave you thanks and praise. He broke the bread, gave it to his disciples, and said:

Take this, all of you, and eat it:
this is my body which will be given up for you.

When supper was ended, he took the cup. Again he gave you thanks and praise, gave the cup to his disciples, and said:

Take this, all of you, and drink from it:
this is the cup of my blood.

SEE THE CONNECTION??? THIS IS BLATANTLY A HUMAN SACRIFICE!!

People cannot see this because they have been spiritually blinded. I can see all kinds of things as I have knocked down walls in my mind and I remember just four of weeks ago, when hearing religious xmas songs blasting over the speakers in the store I was in, it was very blatant to me how these deluded xian fools were singing for their damnation.

To create the necessary distraction and to confuse their victims, the jews have always pretended to be persecuted by xians. They pretend to be at odds with xianity. If one's walls are knocked down, one can see what is there right in front of us every day. The entire bible has either the word 'jew' 'jews' 'israel' and related written on every page. The bible follows a subliminal theme in that Gentiles are conquered repeatedly in the old testament by the jews and their god jewhova. After all of this conquering and enslaving, the nazarene, the long awaited jewish messiah comes on the scene. Jewish from birth to death; for more on this see:

http://see_the_truth.webs.com/Jewish_Nazarene.htm

The jewish nazarene character was invented from a concept, that of the serpentine witchpower. http://see_the_truth.webs.com/Jesus_Christ.htm

Again, for a working to succeed in many cases, there must be some sort of connection in the mind of the victim. Most christians cannot see that jewhova was a 'murderer and a liar' from the beginning. The new testament goes on with the nazarene then becoming a human sacrifice...murdered and sacrificed to jewhova, the murderous, bloodthirsty, and sadistic 'father.' In its own twisted way, this translates into the murder of children. Because the mind of a child is in many cases a blank slate in the way of limited personal experiences that shape attitudes and color the personality, children are prime victims. Xianity is notorious for preying upon children as are angels and of course, the filthy kikes. They know they can use the energy of

children quite freely, as there is little or no spiritual resistance.

Then, the final cap with all of this is the 'second coming of christ' which is in truth another hoax designed to channel Gentile spiritual energies and beliefs through the mass mind into making the coming of the jewish messiah into a reality.

Quote from the Jewish Talmud:

Simeon Haddarsen, fol. 56-D: "When the Messiah comes every Jew will have 2800 slaves."

Most people are totally unaware of the above and cannot see this. I already wrote in another sermon concerning how the jews use occult power:

<http://groups.yahoo.com/group/JoSNewsletter/message/385>

Here is an excerpt:

The video below [which I highly recommend everyone sees] is nothing new and blatantly exposes the jews and how they use occult power, the power of suggestion and the subliminal to make the subconscious connection to manifest their workings in reality. The shootings were for the purpose of instituting gun control.

<http://www.youtube.com/watch?v=c8nTZKpmtIQ>

Their use of occult powers has its roots in their gematria. The 911 was another one...very blatant. A co-worker, some years ago, showed me how a \$20.00 bill could be folded a certain way so that on the rear of it, the twin towers going up in smoke would appear. Look on the internet for this, I don't have the time to search out the websites that have this. All of a sudden, after the 911 incident, the older version of the \$20.00 bills where you could fold it that way, was taken out of circulation. They fed the public the bullshit story that 'they were too easy to counterfeit.' Well, they disappeared real fast, as too many people knew the deal on how to fold them. The 20 is the most common currency used and circulated in the USA.

Others include presidential assassinations. I did some research on this a few years back. Note about Lincoln and the names, dates, and the numbers and how they all come together in a very creepy way, indicating the use of their version of witchcraft. 911 is another blatant one- the date, the flights, the numbers, such as 'New York City' 11 letters; just do your own research on this.

In closing, the suicidal doctrines and teachings that poverty is a virtue, and the rejection of material wealth, work to ensure that the jews prosper and that all wealth and power is in their hands. These suicidal teachings are drummed into the minds of Gentiles from a very early age, making sure they take a foothold and will even last for future lifetimes, ensuring poverty.

Quotes from the jewish talmud:

Seph. Jp., 92, 1: "God has given the Jews power over the possessions and blood of all nations."

Schulchan Aruch, Choszen Hamiszpat 348: "All property of other nations belongs to the Jewish nation, which, consequently, is entitled to seize upon it without any scruples."

Schulchan Aruch, Choszen Hamiszpat 156: "When a Jew has a Gentile in his clutches, another Jew may go to the same Gentile, lend him money and in turn deceive him, so that the Gentile shall be ruined. For the property of a Gentile, according to our law, belongs to no one, and the first Jew that passes has full right to seize it."

Behind it all, the jews are the ones who push Christianity, though they try to deceive the world into believing otherwise. I see this all the time, as I am very aware of it. Even with small unimportant things as crossword puzzle books, most are authored by Jewish writers and there are endless references to xianity and that filthy bible, like everyone is supposed to know those filthy jewish characters and archetypes by rote. Like this is supposed to be common everyday accepted knowledge.

No wonder this world is in such a mess.

This statement you made is untrue. You can not undo over three million years of biology, diet and nature's laws. With an emotional proclamation, of all empty things. This is the thought process of christianity. Which comes from the Jews. "Its true because I say it is!"

You also need to define how animals are your friends. Because if you jump into a Lion cage you will find it was a one way friendship as they rip you apart for food. Walk unarmed through many wild areas of N.America and other parts of the world. And your so called friends will have you for dinner.

These vegetarian diets only started with the enemy ideologies that pretended to be religious. When people who hate humanity give you diet advice you might want to think twice.

This is part of the "Yoga waterbottle, yoga mat, yoga crystals, yoga membership. Then get some veganism. And some weed now and then as it helps you relax. Then read on "The Secret" and you're on your way to your personal enlightenment." Scheme. All this unnatural mentalities are pushed on Gentiles by jews in order

to weaken the natural instincts and disunite people from natural laws...

Animals are fine and beautiful today that we have civilized society and all this. But if we go back in time they used to feed on us. Also not all animals are friendly. All are Sacred and they should be left on their place, but some things are stupidity. And we all know the stories about people who got their 'friends' into house and had some tigers or some 2 meter pythons and how these ended. Domestic animals are our friends and obviously we do not feed on cats or dogs or a pet parrot. You cannot have a chicken or rooster as a pet, for one they are not made for being domestic friends towards humans and for two we need to feed on these as their nutritional value is high and we need this to survive.

The only thing Satanism is about is being caring of these animals and not torturing them like the jews do or the large industries who literally make them suffer for existing, which is really not needed at all. Also its a natural law and these animals made for food are here to be consumed. Thats their lifespan. Anyways the meaning is that this vegan crap only weakens your brain. There are necessary vitamins and the all important creatine in meat which are essential for a healthy muscle mass. And this muscle mass is essential for your well-being. And your well being is essential to your confidence. And a low confidence means that you're weakened down...And the chain goes on on making a sick humanity. Please rehearse your view on this.

Your taste is your taste and this doesn't mean eat meat or something, just don't talk on about things like they are that way. They are really not. This sympathetic view of reality is unneeded and its only created to cause mental illness anyways. I mean imagine if a snake came up to you. Would you be like "Oh its an animal of Satan, I will rather stay here and take the bite." OF COURSE YOU WOULDN'T AS THIS IS FUCKING SICK! Use common sense...

The hugnarian DNA says everything, as I stated before : Even japanese are closer related to us, than the finns.

The finnish bullshit theory was made up in order to break the pride of the hungarians. (this was needed, since the empire failed to assimilate us, see the conversations between Napoleon, and the Habsburgs)
"Let me assure you I need to do no further research about Hungarians, as my father came to

LoL! Is this supposed to be a valid point? Your father came from Hungary? That's cool! I was born in Hungary, and I always lived here. I guess that supposed to be an even stronger point then.
How does Hitler come to the argument? I think you misudnerstood something. I'm not talking about states, and empires (as the Auostro-Hungarian Empire was heterogenic) I'm talking about the tribe, the race. I'm interested in the evidence, the disproofs the Scythian-Hunnic-Hungarian blood-relationship. I'm also curious about the proof, that turanism is a jewish invention.

Subject: [JoyofSatan666] Sermon 1/09/13

Due to centuries of the vehement suppression of spiritual knowledge, most people are not only unaware of, but also they are unable to see certain truths. This is the enemy's way of conquering; by creating a blind spot on the soul, where one is spiritually disarmed; the so-called 'sixth-sense' is lacking in most people and in many others, it is completely absent.

Millions of unfortunate people are and have been deceived by the xian and muslim programs; both of these whose sole intention is to destroy spiritual knowledge and replace it with lies for the destruction of humanity and every other living creature on this earth.

The judeo/xian bible warns its believers regarding the powers of the mind and of 'witchcraft' so that one is unable to see through the blatant lies that are right there every day.

The jews who are parasites by nature have always used Gentiles as their spiritual hosts; to feed from...no different from the alien greys who use their collection of souls to feed from. Many of you are already familiar with 'Jewish Ritual Murder.' During the times of jewish holidays, top rabbis will abduct Gentile children and use

them in their ritual sacrifices to jewhova. The child is taken to a secret back room of a synagogue, tied to a cross and then tortured to death with the blood drained from the four corners [hands and feet], while the child is still alive and aware, and then this blood is drunk ritually by the rabbis. This heinous act has been performed repeatedly for centuries and this is why the jews have endured endless pogroms [where Gentiles have massacred entire villages of jews], have been forcibly expelled from nearly every country of the world, except for the USA, and have been hated to an extreme by every Gentile race. This is just one...I could go on and on endlessly of the crimes that the jews have committed ad nauseum, but the purpose of this sermon is how all of this ties into the christian mass/church service. For more about this practice, see 2000 Years of Jewish Ritual Murder:

http://gblt.webs.com/Jewish_Ritual_Murder.htm

There was a title of a book I noted on a shelf in the public library; written by a jewish rabbi and the title was 'Thou Shalt Prosper.' This is also in the bible. This title was in reference to the jews. Nearly everyone is aware of the unbelievable material wealth, success, and power this race has had for centuries. This directly results from their abuse of occult power, and all of this ties directly into christianity.

As I mentioned many times before, the judeo/xian bible is a book of jewish witchcraft. The verses, their numbers, and so forth. In order to know this, one must know how witchcraft, words of power, and most of all, the subliminal and the powers of the mind work to bring the operator's intentions to manifest in reality.

As with so much of the jewish workings, the subliminal is used to make the necessary subconscious connection to establish an energy link. One must know about witchcraft and the powers of the mind to know this. This is why the bible warns and works to frighten Gentiles away from anything really spiritual...'thou shalt not suffer a witch to live' and other crap about 'burning in a lake of fire' etc. In addition, I noted early on that there were curses involved in one using one's powers of the mind to prevent this and to frighten those who scare easily away from this sort of thing.

'Eat me...Drink me.'

The entire theme of the christian mass/church service is that of a simulation of a human sacrifice. Most people cannot see this, nor are they aware of it due to their minds being walled up. The nazarene with every mass /service is crucified in a blood sacrifice to jewhova. I remember very well the endless repeated phrases used by the priest so that a connection is established 'This is the body of christ' and then that stupid little communion wafer...where the believer eats that 'body of christ.' Now we know the nazarene was nailed to that cross; the four corners, no different from the Gentile children that the jews use in their sacrifices. This creates the necessary connection that fuels the energies for the jewish ritual murders, bringing success to the jewish race, especially that of vast material wealth.

Each and every catholic mass for one [and with protestants, the theme is the same], these same verses are DRUMMED into the minds of the congregation, over and over and over and over and over:

On the night he was betrayed, he took bread and gave you thanks and praise. He broke the bread, gave it to his disciples, and said:

Take this, all of you, and eat it:
this is my body which will be given up for you.

When supper was ended, he took the cup. Again he gave you thanks and praise, gave the cup to his disciples, and said:

Take this, all of you, and drink from it:
this is the cup of my blood.

SEE THE CONNECTION??? THIS IS BLATANTLY A HUMAN SACRIFICE!!

People cannot see this because they have been spiritually blinded. I can see all kinds of things as I have knocked

down walls in my mind and I remember just four of weeks ago, when hearing religious xmas songs blasting over the speakers in the store I was in, it was very blatant to me how these deluded xian fools were singing for their damnation.

To create the necessary distraction and to confuse their victims, the jews have always pretended to be persecuted by xians. They pretend to be at odds with xianity. If one's walls are knocked down, one can see what is there right in front of us every day. The entire bible has either the word 'jew' 'jews' 'israel' and related written on every page. The bible follows a subliminal theme in that Gentiles are conquered repeatedly in the old testament by the jews and their god jewhova. After all of this conquering and enslaving, the nazarene, the long awaited jewish messiah comes on the scene. Jewish from birth to death; for more on this see:

http://see_the_truth.webs.com/Jewish_Nazarene.htm

The jewish nazarene character was invented from a concept, that of the serpentine witchpower. http://see_the_truth.webs.com/Jesus_Christ.htm

Again, for a working to succeed in many cases, there must be some sort of connection in the mind of the victim. Most christians cannot see that jewhova was a 'murderer and a liar' from the beginning. The new testament goes on with the nazarene then becoming a human sacrifice...murdered and sacrificed to jewhova, the murderous, bloodthirsty, and sadistic 'father.' In its own twisted way, this translates into the murder of children. Because the mind of a child is in many cases a blank slate in the way of limited personal experiences that shape attitudes and color the personality, children are prime victims. Xianity is notorious for preying upon children as are angels and of course, the filthy kikes. I can get anything from meat, without eating meat. I dont "need it to survive". Otherwise id be dead. I have pcos, and hypercalcemia, and hormone imbalances. Before being a vegetarian i weighed 215 pounds, would walk all day long and excersize, and would lose nothing. Now im at a relatively healthy 165 pounds for being 5'9". Its still super hard for me to lose weight, because of my pcos and hormone stuff. But i feel 3847563783 times better than i ever have. Ever. And i feel better more and more everyday.

And thats not the case for me. You dont understand my relationship with animals and nature. Id rather be eaten by an animal than ever eat an animal. And it doesnt matter if i cant legally have a chicken, or a cow, or a lion, or anything as a pet. Legality of the ownership of an animal doesnt mean i cant love it anyways. I love ALL animals. I dont eat things that love, and can be loved.

To me its the same as cannabalism.

You dont know whats good for me. I wasnt meant to eat animals. And i can "survive" without it, and so have thousands of others. Im pretty sure no ones ever died without meat.

And i can get the same stuff meat has in it without eating meat.

I dont eat animals out of love, and respect.

If i was told i would die right now if i didnt eat a hamburger. Then i guess id just die.

Animals are too important to me. Even if Satan or one of the gods told me to my face i needed to eat meat, id tell them no. And thats out of love and respect. And everyone respects respect.

You dont understand the severity of my emotions towards animals. Id risk my life to save an animal.

I dont care if a lion ate my arm off, id rather him eat me than someone kill it trying to stop it from killing me.

AND NOTHING ABOUT THAT IS SICK! Do you know what love is? I would risk my life for an animal the same way i would for my fiance, and future children. Does that make sense now?

If it was between YOU and your CHILD to die, you would die so your child could live.

And thats the same for me with animals. I wouldnt eat my child. So i wont eat animals.

Its a matter of strong love.

Since when is LOVE sick?

Im sure the gods agree there is nothing wrong with having SEVERE LOVE FOR ANIMALS.

And i have nothing to feel sorry for. Or be ashamed of. No one should feel ashamed of love.

Whats sickening is that you try to tell me to push my love aside. You say kikes deprive us of mental health.

Well, telling me that it doesnt matter how much i love something, and all this stuff is depriving me of my mental health more than "not eating animals".

Im sorry that you dont love animals as much as i do, but that doesnt mean you should make me feel bad, or make me feel like i should regret loving something.

Yes Sadie. I understand you are deluded and over emotional individual. You have made that repeatedly clear. When you're ready to come down off the cross let us know.

Its been found plant life has identical emotions and awareness animals do. Yet you shovel them into your mouth anyway. What shall you do now. By your own human hating ethic's. You should stop eating all together. Or maybe you just pick and chose.

Subject: [666BlackSun] Re: Eating Meat - Vedic Scripture

I can get anything from meat, without eating meat. I dont "need it to survive". Otherwise id be dead. I have pcos, and hypercalcemia, and hormone imbalances. Before being a vegetarian i weighed 215 pounds, would walk all day long and excersize, and would lose nothing. Now im at a relatively healthy 165 pounds for being 5'9". Its still super hard for me to lose weight, because of my pcos and hormone stuff. But i feel 3847563783 times better than i ever have. Ever. And i feel better more and more everyday.

And thats not the case for me. You dont understand my relationship with animals and nature. Id rather be eaten by an animal than ever eat an animal. And it doesnt matter if i cant legally have a chicken, or a cow, or a lion, or anything as a pet. Legality of the ownership of an animal doesnt mean i cant love it anyways. I love ALL animals. I dont eat things that love, and can be loved.

To me its the same as cannabalism.

You dont know whats good for me. I wasnt meant to eat animals. And i can "survive" without it, and so have thousands of others. Im pretty sure no ones ever died without meat.

And i can get the same stuff meat has in it without eating meat.

I dont eat animals out of love, and respect.

If i was told i would die right now if i didnt eat a hamburger. Then i guess id just die.

Animals are too important to me. Even if Satan or one of the gods told me to my face i needed to eat meat, id tell them no. And thats out of love and respect. And everyone respects respect.

You dont understand the severity of my emotions towards animals. Id risk my life to save an animal.

I dont care if a lion ate my arm off, id rather him eat me than someone kill it trying to stop it from killing me. AND NOTHING ABOUT THAT IS SICK! Do you know what love is? I would risk my life for an animal the same way i would for my fiance, and future children. Does that make sense now?

If it was between YOU and your CHILD to die, you would die so your child could live.

And thats the same for me with animals. I wouldnt eat my child. So i wont eat animals.

Its a matter of strong love.
Since when is LOVE sick?

Im sure the gods agree there is nothing wrong with having SEVERE LOVE FOR ANIMALS.
And i have nothing to feel sorry for. Or be ashamed of. No one should feel ashamed of love.
Whats sickening is that you try to tell me to push my love aside. You say kikes deprive us of mental health. Well, telling me that it doesnt matter how much i love something, and all this stuff is depriving me of my mental health more than "not eating animals".

Im sorry that you dont love animals as much as i do, but that doesnt mean you should make me feel bad, or make me feel like i should regret loving something.

..>Hail Satan!! once more..'original' ppls,-

Uralic languages in terms of the number of native speakers are Hungarian, Finnish, Estonian, Mari and Udmurt. Countries that are home to a significant number of speakers of Uralic languages include Austria, Croatia, Estonia, Finland, Hungary, Norway, Romania, Russia, Serbia, Slovakia, Slovenia, Sweden and Ukraine.

The name "Uralic" refers to the suggested Urheimat (original homeland) of the Uralic family, which is often located in the vicinity of the Ural Mountains[from whence the Hhungarians came]

Finno-Ugric is now sometimes used as a synonym for Uralic.

You are mixing in later tribes that were assimilated with the ORIGINAL ppls.. I don't get what is your point?

Subject: 666 Chakra and why it should be Facing Point Down			

There has been a discussion back and forth in the main JoS e-group
<http://groups.yahoo.com/group/JoyofSatan666/>

As I already stated: Satan gives us knowledge as we go along...not all at once and then one must be patient.

Getting to the point:

The reason for the solar plexus, also known as the sun chakra and 666 chakra, as the 666 is the number of the sun, facing point down is because this is the masculine aspect of the grail. The feminine aspect being the pineal gland. Both work together. 'The King and Queen.' I don't have the time, but there are many ancient illustrations of the alchemical King & Queen both lying together in sexual intercourse, but facing the same way. This is an allegory for the both point down of the 6th chakra which holds the pineal gland and the solar chakra.

The elixir of life which is secreted from the female aspect of the grail, the pineal, is received in the 'cup' of the 666 chakra. The 666 chakra is the most important chakra and is the 'King of the Gods' ['Gods' being a code-word for the chakras]; Amon RA [King of the Gods; the all-important Sun God]. This is also the Ace of Cups in the Tarot.

The reason for this chakra being the most important for one...this was the one of the first areas of the embryo to develop; where one gets nourishment from the mother before birth. Without the umbilicus, the heart cannot even survive and go on beating when one is in the womb. This is our first essence and the area of the soul where we receive both physical and spiritual nourishment; our primary origin. The soul mirrors the physical self; Thoth stated 'As above...so below.'

In closing, I have been and will continue working on the JoS website, making this #1 priority until it is completely updated and revised. I am doing this by sections. The astrology section is almost finished in the way of being revised. I will post changes made I sections as soon as these are finished to the main page of the JoS website
<http://www.joyofsatan.org>
under 'updates'

The enemy has been forever deluding people into believing the heart chakra is most important. This is not so. This is where the new agers and others make their mistakes. The heart chakra is neuter and is only a copnnector. Yes it is needed and powerful, but it only connects the male [lower chakras] and the female [higher chakras].

Sadie, plants feel emotions as well, you can prove this to your self by talking to one plant and neglecting the other, seeing which one will die first. There is nothing wrong with loving animals, but you must eat to survive, to eat, you must kill.

You kill plants to eat, they feel sadness, happyness, etc. Yet you don't have any problem with that. You've even dictated if a lion were to attack you, and you had the option to kill it, you wouldn't. Don't you realize how completely absurd that sounds?

If something is going to kill you, you should kill it first, other than sacrifice your perfectly good life, and your chance at being a god, just to be an animals lunch. Ironically it killed you because it was hungry, and it needed to eat.

Our bodies need the proteins found in meat, and don't go in to eggs, eggs are essentially chicken abortions. So, instead of eating meat, you're eating what would have been meat, and what could have been more healthy for you if you had eaten it then.

Sure, I love animals, and I do not believe in mass production, mass production is sick, we can all agree on that. But meat is good for us, we are omnivores, we need meat and vegetables in our lives to be truly healthy.

We should respect animals and nature, as in not kill thousands of them at once in some sick factory in China. And not just throw away some of what we are eating because we suddenly don't feel like eating it all.

Sadie, you need to learn that to live, we must kill. Life needs death, order needs chaos.

Since when is LOVE sick?

Im sure the gods agree there is nothing wrong with having SEVERE LOVE FOR ANIMALS.
And i have nothing to feel sorry for. Or be ashamed of. No one should feel ashamed of love.
Whats sickening is that you try to tell me to push my love aside. You say kikes deprive us of mental health.
Well, telling me that it doesnt matter how much i love something, and all this stuff is depriving me of my
mental health more than "not eating animals".
Im sorry that you dont love animals as much as i do, but that doesnt mean you should make me feel bad, or
make me feel like i should regret loving something.

Sorry Sadie, but that's just how it is. Death is needed for life to even exist. But life is needed for death to exist,
chaos, needs order to exist. Without death, there is no life, so there can be no liveliness without it. Some things
you just have to face in this life, even if they are cruel in certain ways. It's just a reality you need to accept if you
ever want to become a god, and maybe even change things when you do become one.

This reality sure is not a very nice place, but the nice parts of it, are only made possible by death. And, you mentioned your self being over weight while eating meat? Have you ever considered that you just simply ate too much..? Instead of blaming the food, sometimes you have to blame your self.

Some people eat poison berry's, and blame that plant for killing them, yet it was them who chose to eat it. The plant was just defending it's self. Just as when we respect, and kill animals to eat, we are just doing that so we can live, we gave them a good life before they died, now they can help us live a good life, and they can reincarnate some were else. Maybe live a better, or a worst life. Though with mass production these days, that seems hardly possible.

Just look at it the way I do, death is rebirth, when you die, you don't actually die, you are just reborn in to some one else, I remember my past lives, I was either a good person, or I was not. But now I am me because I died, and was reborn in to this body, and I am now the one everyone refers to as Kael.

Sadie, plants feel emotions as well, you can prove this to your self by talking to one plant and neglecting the other, seeing which one will die first. There is nothing wrong with loving animals, but you must eat to survive, to eat, you must kill.

You kill plants to eat, they feel sadness, happyness, etc. Yet you don't have any problem with that. You've even dictated if a lion were to attack you, and you had the option to kill it, you wouldn't. Don't you realize how completely absurd that sounds?

If something is going to kill you, you should kill it first, other than sacrifice your perfectly good life, and your chance at being a god, just to be an animals lunch. Ironically it killed you because it was hungry, and it needed to eat.

Our bodies need the proteins found in meat, and don't go in to eggs, eggs are essentially chicken abortions. So, instead of eating meat, you're eating what would have been meat, and what could have been more healthy for you if you had eaten it then.

Sure, I love animals, and I do not believe in mass production, mass production is sick, we can all agree on that. But meat is good for us, we are omnivores, we need meat and vegetables in our lives to be truly healthy.

We should respect animals and nature, as in not kill thousands of them at once in some sick factory in China. And not just throw away some of what we are eating because we suddenly don't feel like eating it all.

Sadie, you need to learn that to live, we must kill. Life needs death, order needs chaos.

Subject: [666BlackSun] Re: Eating Meat - Vedic Scripture

I can get anything from meat, without eating meat. I dont "need it to survive". Otherwise id be dead. I have pcos, and hypercalcemia, and hormone imbalances. Before being a vegetarian i weighed 215 pounds, would walk all day long and excersize, and would lose nothing. Now im at a relatively healthy 165 pounds for being 5'9". Its still super hard for me to lose weight, because of my pcos and hormone stuff. But i feel 3847563783 times better than i ever have. Ever. And i feel better more and more everyday.

And thats not the case for me. You dont understand my relationship with animals and nature. Id rather be eaten by an animal than ever eat an animal. And it doesnt matter if i cant legally have a chicken, or a cow, or a lion, or anything as a pet. Legality of the ownership of an animal doesnt mean i cant love it anyways. I love ALL animals. I dont eat things that love, and can be loved.

To me its the same as cannabalism.

You dont know whats good for me. I wasnt meant to eat animals. And i can "survive" without it, and so have thousands of others. Im pretty sure no ones ever died without meat.

And i can get the same stuff meat has in it without eating meat.

I dont eat animals out of love, and respect.

If i was told i would die right now if i didnt eat a hamburger. Then i guess id just die.

Animals are too important to me. Even if Satan or one of the gods told me to my face i needed to eat meat, id tell them no. And thats out of love and respect. And everyone respects respect. You dont understand the severity of my emotions towards animals. Id risk my life to save an animal.

I dont care if a lion ate my arm off, id rather him eat me than someone kill it trying to stop it from killing me.

AND NOTHING ABOUT THAT IS SICK! Do you know what love is? I would risk my life for an animal the same way i would for my fiance, and future children. Does that make sense now?

If it was between YOU and your CHILD to die, you would die so your child could live.

And thats the same for me with animals. I wouldnt eat my child. So i wont eat animals.

Its a matter of strong love.

Since when is LOVE sick?

Im sure the gods agree there is nothing wrong with having SEVERE LOVE FOR ANIMALS. And i have nothing to feel sorry for. Or be ashamed of. No one should feel ashamed of love.

The situation is the Huns came down from Euro-Asia which was home to major populations of Aryans for thousands of years. Even the high ranking Mongols of Genghis Khan where mentioned as being blue and green eyed with light hair and skin. Genghis himself was red haired with light eyes. And their legends started they where from a race of White, blued eyed ancestors. Even in the regions The Huns, Turks and other groups came from. Its still common to find people with high levels of Aryan blood.

Some of the reports of Atilla state him as being tall, slim and with racial features of a European more then Asian.

Thats reality. Noone is forcing you to eat meat or not thats your choice but you have a lot to learn about life and nature. I don't want to argue with you at all but if I were you I would more carefully look into the food you are actually eating instead and see what damage it is doing to the environment and your body.

Subject: Jewuke, White Nationalism, Rockwell and Jews

The Dukester has a long criminal past in White Nationalism. Most WN's who have worked with him over the decades state the guy is a pure sociopath. He personally by their claims has blown hundreds of thousands of dollars of money given to his org in good faith. On coke, gambling and whores. When in need of extra cash he sold his membership list [the personal addresses, phone numbers and id's] of his supporters to whatever enemy group was buying. The ultimate stab in the back. He was arrested by the FBI along with Black [who

using Strom Front as money making and id collecting operation] for trying to set up a criminal enterprise in a caribbean nation. Years ago.

Dukester got in some shit a few years back for defrauding his supporters via mail. In the end they only gave him a tiny slap on the wrist compared to what he could have got. This is because in the end he works for them. If he didn't a person of his status would still be in jail.

One WN leader who worked with him for years and knew him personally stated: "Duke could look you right in the eye, and lie to you."

There is another con with Jewish blood who has spent decades causing shit, infighting and running scams in WN, while pushing the most obnoxious kind of xianity. Its in the DNA with Jews. I note this Jew spent all its time attacking Ben Klassen. Because Klassen works totally exposed xianity as a Jewish weapon. And further showed how Communism is just atheistic Christianity. Two sides of the same Jewish coin. Klassen's works where revolutionary in the White Nationalist world and world in general. Up to this time White Nationalism in N.America had been in the total control of xianity.

I note a European NS comrade once stated to me that Christian Identity is the: "American disease."

Commander Rockwell [He was a Commander in the United States Navy and a highly decorated veteran of two wars]. In his time was calling WN: "50 years of failure." Having been a physical part of WNism and made a careful study of his policy and history and psychology. The reason for this failure is Jewish agents, weakness of members and lack of high standard in the ranks to weed out the dross not even a background check on people, zero security. And failure to understand the psychology of the masses. And the big one.....CHRISTIANITY. Which leads back to the mentality that causes all the other problems.

It should be noted from Rockwell's personal letters to S.Devi. He hated Christianity as total Jewish garbage. And stated once in power he would have it removed slowly and replaced with an Aryan culture. He also stated he knew that Adolf Hitler was removing Christianity in his time as well. But he stated he needed some kind of a populist appeal as he was so already pushed the margins of society by the Jews. And in America in the 1960's coming out against Christianity would have been total political suicide. He needed a powerful populist movement to challenge Jewish power and win. Before he could do anything else and he knew this. Rockwell gave his life for the cause of Gentile Liberation and the defeat of Jewish Tyranny.

His behaviour on screen and such was a purposeful tactic he had to be shocking in order to force the Jewish owned media to pay attention to him and give him press even slanted against him as it always was. There was no internet or independent media in those days. And the Jews controlled everything. Rockwell speaking as Rockwell stated he had no racial hatred for other Gentiles and worked with the Black Nationalist to forge a better future for both races. And work together against the Jews. The enemy of all Humanity as even the

Roman Emperor's called them.

The two greatest National Socialist leaders in America where a Commander in the United States Navy and a highly decorated veteran of two wars with genius intelligence. And the other a literal Rocket Scientist with a PHD in Physics. Who got his start with Rockwell. I laugh at the Jews who call National Socialist stupid.

You can't be stupid and be NS in this society. As it requires the intelligence to think beyond the dumbed down lies and bullshit. It always has. Its no mistake its well known all the National Socialist leaders in Germany had literal genius IQ's.

As for your question info is info just make sure its not Duke misinfo.

Subject: Re: Jewuke, White Nationalism, Rockwell and Jews

Thank you for your reply, once again.

I wanted to puke on Jewuke. Definitely a piece of shit. I hope such individuals will get completely destroyed. I mean a jew can come up to you and tell you gravity does not exist. And give all fancy explanations of why it does not. Or some shit. This is what gets me greatly enraged. I though being abominational has a limit but it has not. All this drug, hooker, gambling, drugs scheme seems to be what the jew craves for and what they aim for in life.

I remember going recently to the capital of town. There was a jew beggar. Unable to live, unable for anything, still holding the goddamn fucking cup and desiring the last penny available so its fucking piece of shit life can go on. The jew's desire to survive, lie and become an obnoxious bastard is something out of my reach. Of all the people I have seen only the jew can be put down to eat shit and still do this and survive. Not only this but they will keep struggling to destroy as much as they can and spread even their last breath as a parasite on someone's back. Checking on jewish politicians, I mean they laugh in front of your face, lie in front of your face, blood of the lie.

From personal experience with jews. I had a family member that was the reason a jew got very rich and famous. When we were in need of money (While this person is driving a 150.000\$ car, lives in a villa and all this, because of the success that family member made him get) he even avoided giving 100\$ to that person when they had the need. He only got the finger and he lied he didn't have anything. When his house costs around a mill and is on the most expensive part in town. I remember going to visit them. He would say he would give me all sorts of things, and never did. I mean they are habitual liars. Not to mention this jew was nothing more than a piece of shit before my family member made them famous. Nothing but a gypsy. This is not the only incident. Another jew in the work of again a family member... Did the nessesary name giving so as to legally fuck up my family member from receiving 200.000\$+.

They were friends after all. Or so the foolish Gentile thought.

I think the source of all this sick behavior, except the jew is christianity. But the jew is the father, protector and source of xianity. When I read Ben Klassen and the related, Friedrich...Then it hit me. Basically I think Satanic awareness is nessesary to operate the NS movement. Otherwise it will keep failing like it does. Not only this but xianity, the spiritual links with the enemy, even one is not a kike...The enemy can fuck them up big time if they make it high. If their agents, spiritually and physically don't make it. Then nothing is so hard for them. The future of the NS is Satanism...Satanism will pull off NS from its position and make it the Rule. In due time. Just see Stormfront. All I see is trolls, bashing of other Races and following the Blue Eyed, Blonde accepted only. Acting like internet bitches instead of NS. Not to mention the plague of xianity. Don't you dare say anything against the almighty jewish zombie jewsus. Don't you dare. Or the supposedly NS worshippers of the jew will come after you.

The JoS is really a salvation in all this. No different than Satan.

HAIL SATAN!!!!!!

Subject: BLACKOUT			

Greetings

Let me start by wishing everyone the best in this new year. OUR AGE AND TIME HAS STARTED. What i am about to tell you (my brothers and sisters) is not a claim that a god gave me this message please do not be alarmed. I got this(message or figment of my imagination, though i prefer to call it a message,) in my meditations in the morning.

Everyday when i get up i spend about 15-20 mins meditating on AMON RA and Lord NABU. Then i also meditate on FATHER,Lord ENLIL, Lord UTU,Lady INANNA, Lady AGARES(my GD), Lady HAURES and other times with some more POWERS OF HELL. Today when i was in meditation i heard (or felt) someone telling me the game is lost WE HAVE WON they(the jews) have lost control. The gentiles are waking up, the(gentile) govnrns are breaking free of the financial clout that the jews had woven around us, i was very happy then i was shown a scene of what will happen. PLEASE PEOPLE TAKE THE

CORRECT STEPS. Am writing it as i saw it. Am not sugar coating it.

In India our personal account is known as savings account and business account is known as current account i do not know of the terms used in USA or Europe as i have never been to these places.

I saw that people are putting money in their savings(personal) & current (business) accounts through the ATMs wire transfer from their supplier to their accounts etc.. No one is bothering to go to the banks to get their passbooks updated. In india we get a passbook for our savings(personal) account but we get a statement once every month for our current(business) account.

I apologise for making it long but i really want to explain the tiniest of details as i think it is very important.

I see people going about their business with banks (via internet,ATM but less than 1% go to the bank to do their banking business and they do not bother to get their passbooks updated). Then i see there is a blackout . ***This blackout is not of electricity or of the net, but this blackout is only affecting the computers connected to the banking industry. This is a worldwide phenomenon.***

Then i see this blackout restored in 2 days(or was it 2 weeks). people are rushing to the banks complaining that we had so much money in our account now it is missing. Their standard reply is do you have a receipt from the bank for the transaction or is your passbook updated.The people reply NO to both and their(the banker s reply is) we are checking it, there is no record with us, we are sorry. I see in a corner a group of people (jews written all over them)very happy smiling giving us a sacarstic smile , mocking us as if they are telling us see wew have gobbled up your money you cannot do anything.

Subject: [666BlackSun] Re: Jewuke, White Nationalism, Rockwell and Jews

Thank you for your reply, once again.

I wanted to puke on Jewuke. Definitely a piece of shit. I hope such individuals will get completely destroyed. I mean a jew can come up to you and tell you gravity does not exist. And give all fancy explanations of why it does not. Or some shit. This is what gets me greatly enraged. I though being abominational has a limit but it has not. All this drug, hooker, gambling, drugs scheme seems to be what the jew craves for and what they aim for in life.

I remember going recently to the capital of town. There was a jew beggar. Unable to live, unable for anything, still holding the goddamn fucking cup and desiring the last penny available so its fucking piece of shit life can go on. The jew's desire to survive, lie and become an obnoxious bastard is something out of my reach. Of all the people I have seen only the jew can be put down to eat shit and still do this and survive. Not only this but they will keep struggling to destroy as much as they can and spread even their last breath as a parasite on someone's back. Checking on jewish politicians, I mean they laugh in front of your face, lie in front of your face, blood of the lie.

From personal experience with jews. I had a family member that was the reason a jew got very rich and famous. When we were in need of money (While this person is driving a 150.000\$ car, lives in a villa and all this, because of the success that family member made him get) he even avoided giving 100\$ to that person when they had the need. He only got the finger and he lied he didn't have anything. When his house costs around a mill and is on the most expensive part in town. I remember going to visit them. He would say he would give me all sorts of things, and never did. I mean they are habitual liars. Not to mention this jew was nothing more than a piece of shit before my family member made them famous. Nothing but a gypsy. This is not the only incident. Another jew in the work of again a family member... Did the nessesary name giving so as to legally fuck up my family member from receiving 200.000\$+.

They were friends after all. Or so the foolish Gentile thought.

I think the source of all this sick behavior, except the jew is christianity. But the jew is the father, protector and source of xianity. When I read Ben Klassen and the related, Friedrich...Then it hit me. Basically I think Satanic awareness is nessesary to operate the NS movement. Otherwise it will keep failing like it does. Not only this but xianity, the spiritual links with the enemy, even one is not a kike...The enemy can fuck them up big time if they make it high. If their agents, spiritually and physically don't make it. Then nothing is so hard for them. The future of the NS is Satanism...Satanism will pull off NS from its position and make it the Rule. In due time. Just see Stormfront. All I see is trolls, bashing of other Races and following the Blue Eyed, Blonde accepted only. Acting like internet bitches instead of NS. Not to mention the plague of xianity. Don't you dare say anything against the almighty jewish zombie jewsus. Don't you dare. Or the supposedly NS worshippers of the jew will come after you.

The JoS is really a salvation in all this. No different than Satan.

HAIL SATAN!!!!!!

And in America in the 1960's coming out against Christianity would have been total political suicide. He needed a powerful populist movement to challenge Jewish power and win. Brahma

While the Gods are real. Their persona's where also lent to the alchemical culture of symbolism. Which represented the formula for the perfection of the soul. This is where the stories also become allegory.

Some Masonic texts write that the symbolic culture was created around ten thousand years ago. After the fall of the Golden Age. To preserve this knowledge in a cultural model built upon it. This is why serpent worship is the oldest religion on earth. Satan created the Brotherhood of the Serpent to teach this knowledge so humanity could become perfected with it.

The world "religions" of today are corrupted versions of this template. The enemy used them as a Trojan Horse to destroy and infiltrate human societies and bring them down under their control. By manipulation of our unconscious and conscious memory. Replacing the actual meanings with lies meant to create psychologically enslaved and spiritually powerless individuals.

The Trinity concept comes out of alchemy and is the three aspects of the soul. Within the three major stages of the perfection process of the soul.

"I' am the outflow of the primeval flood,
He who emerged from the waters
I am the Provider of Attributes Serpent with its many coils."
-Pyramid text

The three worlds of Brahma, Vishnu and Siva are manifested by the serpent Ananta Shesha. The texts state all Avatars are manifestations of Ananta Shesha another name for this serpent was Narayana [originally a title of Brahma]. Ananta is shown being a seven headed serpent resting upon the cosmic ocean. And images of this are worshipped all over India to this day. One of ENKI's symbolic depictions in ancient Sumeria was of a seven headed serpent. In Sumeria EA was shown symbolically as the primordial serpent rising out of the cosmic sea, the Apsu.

The seven heads of Ananta represents the seven chakra's. And how this relates to the life force.

The Greek Orphic's show a serpent coiled seven times around the cosmic egg. From which came their primordial creator Phanes :

"The egg symbolizes the belief in the Greek Orphic religion that the universe originated from within a silver egg. The first emanation from this egg, described in an ancient hymn, was Phanes-Dionysus, the personification of light.

In Greek myth, particularly Orphic thought, Phanes is the golden winged Primordial Being who was hatched from the shining Cosmic Egg that was the source of the universe. Called Protogonos (First-Born) and Eros (Love) being the seed of gods and men Phanes means "Manifestor" or "Revealer," and is related to the Greek words "light" and "to shine forth."

With Brahma there is a text of him of being born from the cosmic egg.

"Brahma was born in water. In this he deposited a seed that later became the golden egg. From the golden egg, Brahma, the creator was born, as Hiranyagarbha. The remaining materials of this golden egg expanded into the Brahm-anda or Universe.

Being born in water, Brahma is also called Kanja (born in water). Brahma is said also to be the son of the Supreme Being, Brahman and the female energy known as Prakrti ."

Hiranyagarbha means "Golden Egg or womb."

Brahma also then divides himself into twins: Nara and Nari. Or the day and night. etc

The Brahman relates to the ether element. The Orphic egg was also born from. Some of the depictions of such Phanes have them as four heads each representing the symbols of the cardinal points and thus four elements of creation. The 5th being the ether they came out of. Which demonstrates the reason Brahma is four headed as well.

"Phanes, the revealed god, is represented in this snake-symbol as a protogonos, a being furnished with the heads of a man, a hawk or an eagle, a bull -- taurus, and a lion, with wings on both sides."

In the East the Caduceus which is a map of the soul. Was called the: "Staff of Brahma." Brahma also has ra and ma within it. The dual aspects of the soul brought together.

This is where the story of the creation in Genesis was stolen from. The symbolic creation of the soul of the Pagan texts. Almost word for word in some passages.

Brahma is the White Stage of alchemy the perfected soul. With Vishnu being the black stage and Siva the red. The images of Brahma in Indonesia the only real place left on earth with Brahma worship. Show him as a four headed eternally young being. And the symbol he stands on, is the same as the base of the Siva Lingam. And is standing as a circle within a square base for the same reason. The perfected soul the union of male and female into the perfected state. Hence why he stands on this base which is square and circle. Representing the yin and yang union. The great perfection. The temples of the serpent God, Aesculapius where built with the same design for the same reason.

This is where the Four Kumara's come in. They represent the four major light powers of the soul in Vedic alchemy. Which equal the four elements but much deeper. It includes the charka's and how they group together in sets and interact. They represent the proper union and activation, transformation of this and the energies of the great lights. This is why Brahma has them populate the earth. As its regenerating the soul, we know the earth is metaphor for the soul. I don't believe the they became celibates nonsense. Its probably a later RHP add on. This is Brahma's four heads and why his name also means "Multitude." Brahma rules the root charka [which Satan rules, the kundalini serpent] which has four petals that relate to the telepolar magnet of the soul as Bardon writes in his first book. Which goes back into the serpent power and its aspects of the soul. The pineal gland area is also called the cave of Brahma along with the crown chakra this relates to the kundalini fully activating all this. In some images the serpent Ananta is shown having a thousand hoods to represent the crown charka or thousand petal lotus.

The four heads and arms also represent the four Veda's which get into the four elements and their perfection. In the Four Veda's there are 33 Gods. Which represent the esoteric 33 of the spinal column and the serpentine system perfected. Hence the Magnum Opus.

Brahma as stated also relates to the manifest Brahman which relates to the perfection of the soul. The Brahmana's texts mention the offering of foods to the six gates of Brahman. Which is allegory for empowering the chakra centers. And thus the soul.

Brahma is also shown riding on the swan or Hamsa in Sanskrit which represents the risen kundalini power and its white color gets into the White stage.

Their names [4 Kumara's] relate to the primordial serpent Ananta Shesha and the elemental powers of the serpentine life force and how it manifests the magnum opus. Ananta Shesha is the force of which Brahma, Vishnu and Siva are manifested out of. The three worlds and three major channels.

This is why in another text. Brahma emerges from the navel of Vishnu. As the Vedic texts state the navel is central to immortality, hence the perfected state and to Agni. The lotus Brahma emerges and sits upon represents the reborn soul. Just as Horus [his name is actually Hari. Which relates to a major title for Brahma] reborn emerges from the Lotus in Egypt. Hence the symbol the perfected being Narayana always shows Him standing on a open Lotus four armed and blue. Blue relates to the perfected life force, purified mercury. Think of the sun at high noon in the clear blue sky. Its most powerful position. This is the White Stage of the working. And why in one of the last Brahma temples in India the entrance is flanked by two statues of the Narayana image. Narayana relates to the All of the Magnum Opus when all the Gods [chakra's] become One God. And Narayana originally is a title of Brahma. Narayana is the primordial serpent power. Brahma is a serpent God.

Sanat Kumara also carries a trident with three fiery prongs. Its stated there are seven Kumara's but three names are hidden. The three relate to the trinity of Brahma, Vishnu, Siva. That related to the perfected soul the four Kumara's represent. Sanat Kumara states His name is AUM. Which each letter equals the Trinity of Brahma, Vishnu and Siva. And in Hinduism is denoted by a trident with Brahma, Vishnu and Siva equaling the three prongs of the trident. The seven Kumara's also relate to the seven heads of Ananta Shesha as well. As I wrote Sanat is also an anagram of Sat-an. Which relates to the primordial serpent Ananta Shesha which is shown as a golden serpent in a perfect circle clutching its own tail. The symbol of the serpentine life force perfected. Hence why Ananta means: "Eternity."

Hence Sanat Kumara is Brahma the supreme soul at the heart of it all. But deeper He is the very serpentine energy that manifests the perfected soul and all the aspects. Of which Brahma is the perfected state of.

This goes back to the Vedic period, Trinity of Indra, Surya, Agni. Which are the same aspect and three in God under different titles. Agni in this role is the most mentioned of the three in one. As Agni means the purifier or liberator. And the rituals which mean perfections in the old language are called Yagaya's the Vedic fire rituals. Hence Satan in the role of Agni the sacred Fire which purifies the soul to Godhead would be the most exalted. The scholars state all the spiritual schools go back to the Rig Veda and Agni. And for this reason. Agni is shown as eternally young and immortal and having two heads. Which represents the Kumara's in their role as twins. The twin polarity of the soul unified. This also is seen in Egypt with Ptah and the twins and with Mithras and the Dadophori. etc. Mithras is known to be a Vedic title for Surya. And Ptah is the Egyptian version of Agni [Rudra]. Since Vishnu is simply an ancient title for Surya [who is shown as Vishnu is today]. It all goes back to this concept. Its also no mistake Ptah is depicted as being blue.

In the East the highest spiritual state a person could obtain was called: "Brahma." As this was the perfected state. That of Eternal Youth: Sanat Kumara. Represented in symbolic form. This why the Priests where called

Brahmana's [Brahmin's is a mistranslation]. It relates to those who have achieved the state of Brahma. They also wear the "Brahma thread. " The Templar's and Yezidi's wore a sacred cord of thread linking them to Satan. And a status of spiritual advancement. Its mostly made up of three smaller cords woven together. The three in one. And made up of the separate colors of alchemy.

Brahma represents the Lord of Time which is why in some cases he has a White Beard as a symbol of eternity. Which goes back to the Magnum Opus.

What this means is Brahma, Vishnu and Siva are the same symbolic God [the human soul]. And represent the manifest serpentine power and the stages of its empowerment. With Brahma being the White stage of the soul reborn. This trinity is Sanat Kumara [Sat-an] who's name represents the original word for this power Ananta Shesha, and his trine aspect of creation and perfection. Which is the meaning of the symbol Brahma, Vishnu and Siva.

When Ashoka's enemy program of Buddhism took over by force and subversion. Brahma was reduced in statue, insulted and moved to the back. As Brahma was the head God. Images show from this Buddhist period show Brahma bowing before Buddha which states it all. This is why there are only two Brahma temples left in India but many in Indonesia. Buddhism also rewrote the texts at this period. This is why even after Buddhism officially fell with the Muslim invasions. The Indian's went and worshipped Vishnu and Siva but never Brahma. Ashoka's program did its work well. Over time each God Vishnu and Siva where both given the place of Brahma in their own respected religions. But by this time everything was confused. Because the original culture had been dismantled for centuries. Buddhism made its way to Bali and across Indonesia as well as the Far East and confused and in some cases replaced the original Vedic Tradition in time. We still can see an example of this in Tibet of how the original religion which was based in Vedic Tradition was banned by force, the Priests killed and the texts corrupted. This was going on across the East in one way or another. Of course the Buddhist authority had the upper hand and power. So they rewrote history to cover this over. No different then the Christians in the West did the same. This is why one Indian scholar states that Hinduism is covert Buddhism. And nothing to do with anything of the Vedic religion.

The perfected soul the union of male and female into the perfected state. Hence why he stands on this base which is square and circle. Representing the yin and yang union. The great perfection. The temples of the serpent God, Aesculapius where built with the same design for the same reason.

This is where the Four Kumara's come in. They represent the four major light powers of the soul in Vedic alchemy. Which equal the four elements but much deeper. It includes the charka's and how they group together in sets and interact. They represent the proper union and activation, transformation of this and the energies of the great lights. This is why Brahma has them populate the earth. As its regenerating the soul, we know the earth is metaphor for the soul. I don't believe the they became celibates nonsense. Its probably a later RHP add on. This is Brahma's four heads and why his name also means "Multitude." Brahma rules the root charka [which Satan rules, the kundalini serpent] which has four petals that relate to the telepolar magnet of the soul as Bardon writes in his first book. Which goes back into the serpent power and its aspects of the soul. The pineal gland area is also called the cave of Brahma along with the crown chakra this relates to the kundalini fully activating all this. In some images the serpent Ananta is shown having a thousand hoods to represent the crown charka or thousand petal lotus.

The four heads and arms also represent the four Veda's which get into the four elements and their perfection. In the Four Veda's there are 33 Gods. Which represent the esoteric 33 of the spinal column and the serpentine system perfected. Hence the Magnum Opus.

Brahma as stated also relates to the manifest Brahman which relates to the perfection of the soul. The Brahmana's texts mention the offering of foods to the six gates of Brahman. Which is allegory for empowering the chakra centers. And thus the soul. The reason for this is another term for the eternal self or soul was Brahman [Atman as well]. This is why the Creator Gods are carpenters or craft Gods like Surya or Ptah. The wood they work with symbolizes the ether of the soul that all the elements come from. It's the literal fashioning of the soul by alchemical transformation. Surya is another title for Agni as is Ptah. Brahma is also shown ridding on the swan or Hamsa in Sanskrit which represents the risen kundalini power and its white color gets into the White stage.

Their names [4 Kumara's] relate to the primordial serpent Ananta Shesha and the elemental powers of the serpentine life force and how it manifests the magnum opus. Ananta Shesha is the force of which Brahma, Vishnu and Siva are manifested out of. The three worlds and three major channels.

This is why in another text. Brahma emerges from the navel of Vishnu. As the Vedic texts state the navel is central to immortality, hence the perfected state and to Agni . The lotus Brahma emerges and sits upon represents the reborn soul. Just as Horus [his name is actually Hari. Which relates to a major title for Brahma] reborn emerges from the Lotus in Egypt. Hence the symbol the perfected being Narayana always shows Him standing on a open Lotus four armed and blue. Blue relates to the perfected life force, purified mercury. Think of the sun at high noon in the clear blue sky. Its most powerful position. This is the White Stage of the working. And why in one of the last Brahma temples in India the entrance is flanked by two statues of the Narayana image. Narayana relates to the All of the Magnum Opus when all the Gods [charka's] become One God. And Narayana originally is a title of Brahma. Narayana is the primordial serpent

power. Brahma is a serpent God.

Sanat Kumara also carries a trident with three fiery prongs. It's stated there are seven Kumara's but three names are hidden. The three relate to the trinity of Brahma, Vishnu, Siva. That related to the perfected soul the four Kumara's represent. Sanat Kumara states His name is AUM. Which each letter equals the Trinity of Brahma, Vishnu and Siva. And in Hinduism is denoted by a trident with Brahma, Vishnu and Siva equaling the three prongs of the trident. The seven Kumara's also relate to the seven heads of Ananta Shesha as well. As I wrote Sanat is also an anagram of Sat-an. Which relates to the primordial serpent Ananta Shesha which is shown as a golden serpent in a perfect circle clutching its own tail. The symbol of the serpentine life force perfected. Hence why Ananta means: "Eternity." Hence Sanat Kumara is Brahma the supreme soul at the heart of it all. But deeper He is the very serpentine energy that manifests the perfected soul and all the aspects. Of which Brahma is the perfected state of.

This goes back to the Vedic period, Trinity of Indra, Surya, Agni. Which are the same aspect and three in one God under different titles. Agni in this role is the most mentioned of the three in one. As Agni means the purifier or liberator. And the rituals which mean perfections in the old language are called Yagya's the Vedic fire rituals. Hence Satan in the role of Agni the sacred Fire which purifies the soul to Godhead would be the most exalted. The scholars state all the spiritual schools go back to the Rig Veda and Agni. And for this reason. Agni is shown as eternally young and immortal and having two heads. Which represents the Kumara's in their role as twins. The twin polarity of the soul unified. This also is seen in Egypt with Ptah and the twins and with Mithras and the Dadophori. etc. Mithras is known to be a Vedic title for Surya. And Ptah is the Egyptian version of Agni [Rudra]. Since Vishnu is simply an ancient title for Surya [who is shown as Vishnu is today]. It all goes back to this concept. It's also no mistake Ptah is depicted as being blue.

In the East the highest spiritual state a person could obtain was called: "Brahma." As this was the perfected state. That of Eternal Youth: Sanat Kumara. Represented in symbolic form. This is why the Priests were called Brahmana's [Brahmin's is a mistranslation]. It relates to those who have achieved the state of Brahma. They also wear the "Brahma thread." The Templar's and Yezidi's wore a sacred cord of thread linking them to Satan. And a status of spiritual advancement. It's mostly made up of three smaller cords woven together. The three in one. And made up of the separate colors of alchemy.

Brahma represents the Lord of Time which is why in some cases he has a White Beard as a symbol of eternity. Which goes back to the Magnum Opus.

What this means is Brahma, Vishnu and Siva are the same symbolic God [the human soul]. And represent the manifest serpentine power and the stages of its empowerment. With Brahma being the White stage of the soul reborn. This trinity is Sanat Kumara [Sat-an] who's name represents the original word for this power Ananta Shesha, and his trine aspect of creation and perfection. Which is the meaning of the symbol Brahma, Vishnu and Siva.

When Ashoka's enemy program of Buddhism took over by force and subversion. Brahma was reduced in statue, insulted and moved to the back. As Brahma was the head God. Images show from this Buddhist period show Brahma bowing before Buddha which states it all. This is why there are only two Brahma temples left in India but many in Indonesia. Buddhism also rewrote the texts at this period. This is why even after Buddhism officially fell with the Muslim invasions. The Indian's went and worshipped Vishnu and Siva but never Brahma. Ashoka's program did its work well. Over time each God Vishnu and Siva were both given the place of Brahma in their own respected religions. But by this time everything was confused. Because the original culture had been dismantled for centuries. Buddhism made its way to Bali and across Indonesia as well as the Far East and confused and in some cases replaced the original Vedic Tradition in time. We still can see an example of this in Tibet of how the original religion which was based in Vedic Tradition was banned by force, the Priests killed and the texts corrupted. This was going on across the East in one way or another. Of course the Buddhist authority had the upper hand and power. So they rewrote

history to cover this over. No different then the Christians in the West did the same. This is why one Indian scholar states that Hinduism is covert Buddhism. And nothing to do with anything of the Vedic religion.

It's Definetly true, that there was no "conquest" (honfoglalás) It was a homecoming, because Magyar-speaking people always lived there.

I didn't meant to say, that the hugnarians, and the huns are asian, What is say is that EVEN the japanese DNA is closer related to hungarian, than finnish (that doesn't implies, that japanese people are close related to us)

The Semino's chromosome research proves, that the TAT (EU13+EU14)gene-the specific gene of uralic people COMPLETELY MISSES from hungarian people.

Subject: Re: The Truth live on the air [Forwarded message]

I strongly recommend everyone watch this video that a JoS member just posted [below]. It is under 4 minutes, and really makes a statement.

In addition, it is obvious the jews are getting worried. There are You-Tube videos and other articles being posted on the internet that the Sandyhook murders did not occur and were a hoax. This, in a way softens the situation and takes the heat off of the kikes who were behind this- a definite motive here. I did not research this, BUT THOSE MURDERS WERE REAL. The kikes, IMO are working to make light of it, for obvious reasons. They are no longer at liberty to commit their atrocities without us Gentiles being aware. Thank Satan for the internet. Now that communications are open enough and are no longer strictly controlled by the kikes, something is going to be done. I know there is still censorship, but not like years ago before the internet. Communication is now global, immediate and the truth can no longer be suppressed.

The video below, posted by a JoS member is a must see. This shows many people out there are waking up to the jewish problem.

Subject: Satanic Society

Satanic Society

This is taken from an answer I gave in another egroup:

The Aryan world was based on Dharma [eternal law of nature] as part of Dharma everyone had a vocation or duty they fulfilled. This was several duties. That of their trade, that of upon being married a householder being a husband or wife and what this entails. And spiritual duty of advancing themselves daily and the duty of upholding the Dharma as a whole. Hence this earned the right to be respected as an Arya being. It was understood all vocations were needed for civilization to exist and advance. And all vocations were respected and given their place.

The duty of the King who was also the High Priest as the Dharma Emperor was to maintain the proper functioning of the spiritual order of society. And make sure every citizen was looked after and everything went smoothly. Anything that went wrong in society the King was responsible for. Kings were elected by a council of enlightened beings. They could be removed as well for not performing their duties.

It was stated at the top of the nation the King ruled with a council of 12 other Divya's [those who had finished the Magnum Opus, the King being the 13th of them].

As part of this within the moral order was something like but beyond a constitution as we have today. It was an understanding that the eternal law [Dharma]. Maintains that everyone has the right to private property, a home, food, right education, vocation, the right to arms and self defense, healthcare, welfare if needed [they didn't leave people to starve or live in an alley] civil liberty. And the right to live in harmony with their own personal Dharma or soul nature and the right to spiritual advancement/ enlightenment. Society was meritocracy. With this came the understanding the highest and true form of liberty was spiritual liberation the end result of the Magnum Opus.

The King's job was to uphold this. The Temple was the center of the civilization and community. Not the King, this is why there are so few images or large buildings left behind to mention the rulers. They were not the center of life. The Dharma was. The large Palaces the Kings lived in where such as they were the government buildings and had to house the different government ministers their families, staff, servants.etc

This is where the understanding of being a renunciate came from. It was the understanding one could withdraw or renounce their social duties. In order to enroll in the Temple community to work on perfecting themselves full time. This was considered an honor and the families of such people were very respected. When this was done the individual would then become a member of the twice born or Divya class [those who had finished the Great Perfection or a high level of it]. And work in whatever vocation that was best for them. When householders had retired and their children had grown up. They were also encouraged to enter into such spiritual life and work full time towards the Magnum Opus.

As part of being in society everyone was as a right of citizenship, initiated into spiritual knowledge and had a daily practice. Families would practice together in the altar rooms of their homes. Not doing this was grounds for exile from the community. As they understood it would create a social miscreant what they called an

Asura person or A-Dharmic person. The Darkage humanity is one with no actual spiritual life. And look at the world its created. Moral purity comes from spiritual purity. The things that cause affliction in the nature of the individual come from karmic residue and the Asuric aspect or dross [Titanic in Greek]. That have not been purified throught the perfection process. Which is the greater karma. Hence the Magnum Opus being literal Liberation from karma.

The RHP loves to lie and stated only a tiny amount of people where initiated and elite beyond the "vulgar masses." This is the hurbis of theirs. It was not part of the Dharmic society. It was known to have a social order that the RHP puts forth was anti-Dharmic and would lead to the downward fall of humanity into a darkage. That is why the Vedic texts mention the age the RHP programs have created as the Kali Yuga, the darkage. Of course the RHP have tried to write into such texts the Kali Yuga is only caused by people not living by their system of inhuman programming. But that is the old trick they cause the problems and pretend to be the solution.

The whole point of the Aryan culture was to bring the People to Perfection by the Dharma. The religion was based on sets of true knowledge, performed in rites called perfections. One who had finished the purpose of the rites was brought to perfection by them. And hence become a Divya or Shining One. This would manifest the perfected order a literal eternal paradise on earth for humanity. As Satan and the Gods want for us.

Note I mention the Aryan's specifically. But this was the same social order for the entire Gentile races across the world. Who had identical titles for their own Peoples identical to the meaning of Aryan. Aryan=Shining or Illuminated. Hence an Aryan is one who has spiritual practice as well.

Think of a tall mountain with the peak being illuminated with a big lighthouse, enlightenment of the Great Work finished. In the center is a narrow shaft with a rope going right up the center to the top. And a large winding slower road around the mountain side to the top. Those who entered by renunciate and went right into the Temple to become the Divya class or Priests. Where the ones who took the tough climb up the rope in the middle. While the rest took the slower path around the side of the mountain. Everyone will get their on their own time. But the Priests will tend the lighthouse to illuminate the way for all to find their way to the peak of spiritual and physical perfection. That was the Satanic Social Order.

I bought a dvd a while back called Hitler the unknown soldier 1914-1918, and while there are some comments about him I tend to disagree with the overall video has good information. It mentions how he would be sitting in the trenches and he would hear a voice say "get up and go eat over there" and just as he would sit down and start eating again a projectile would land where he was sitting. It also said after the gas attack that temporarily blinded him is what caused him to become a vegetarian, that the gas damaged his mucus membranes and he detested the taste of meat because of it. The video also makes it very clear that Hitler was a brave soldier who always volunteered for dangerous assignments. If anyone else here has seen that video let me know what your thoughts are on it.

Israel Hires Internet Soldiers to Penetrate American Forums, Chatrooms

File under "cat out of the bag." "Israel hires Internet soldiers," Israeli students and demobilized soldiers get paid to pretend they are just regular folks and leave pro-Israel comments online. Israeli Foreign Ministry Deputy Elan Shturman is quoted from the Israeli Occupation Magazine saying:

Quote:

"Our people will not say: 'Hello, I am from the hasbara department of the Israeli foreign ministry and I want to tell you the following.' Nor will they necessarily identify themselves as Israelis," he said. "They will speak as net-surfers and as citizens, and will write responses that will look personal but will be based on a prepared list of messages that the foreign ministry developed."

Counterpunch's Jonathan Cooke in "Israel's Internet Wars" describes:

Quote:

a special undercover team of paid workers whose job it will be to surf the internet 24 hours a day spreading positive news about Israel. Internet-savvy Israeli youngsters, mainly recent graduates and demobilised soldiers with language skills, are being recruited to pose as ordinary surfers while they provide the government's line on the Middle East conflict. About \$150,000 has been set aside for the first stage of development, with increased funding expected next year.

Occupation Magazine states in "The Foreign Ministry presents: talkbackers in the service of the State":

Quote:

"paid Internet talkbackers are being mobilized in the service of the State. The Foreign Ministry is in the process of setting up a team of students and demobilized soldiers who will work around the clock writing pro-Israeli responses on Internet websites all over the world,"

The team will fall under the authority of a large department already dealing with what Israelis term "hasbara", officially translated as "public explanation" but more usually meaning propaganda. That includes not only government public relations work but more secretive dealings the ministry has with a battery of private organisations and initiatives that promote Israel's image in print, on TV and online.

Quoting Deputy Foreign Minister Shturman, Counterpunch reported:

Quote:

"During Operation Cast Lead We gave them background material and hasbara material, and we sent them to represent the Israeli point of view on news websites and in polls on the internet."

Operation Cast Lead was the Israeli bombing attack on Gaza which killed 1400 Palestinians, the majority of them civilians, and razed large parts of the Gaza to the ground. Israel maintains that the campaign was in response to an increase in home-made rocket attacks on Israel, which since 2001 have killed 26 Israelis. Gaza remains under blockade, with an enforced shortage of food, medicines, and basic supplies necessary for daily life. (Amnesty International Report: "Operation Cast Lead: 22 Days of Death and Destruction")

Cooke at Counterpunch also writes that "About 50,000 activists are reported to have downloaded a programme called Megaphone that sends an alert to their computers when an article critical of Israel is published. They are then supposed to bombard the site with comments supporting Israel."

Deputy Minister Shturman says in Israeli Occupation Magazine:

Quote:

Our objective is to penetrate into the world in which these discussions are taking place, where reports and videos are published the blogs, the social networks, the news websites of all sizes. We will introduce a pro-Israeli voice into those places.

Michal Carmi, a blogger and associate general manager at the high-tech placement company Tripletec, was recruited to the online policy-explanation team. He told Occupation Magazine:

Quote:

"During Operation Cast Lead the Foreign Ministry wrote to me and other bloggers and asked us to make our opinions known on the international stage as well. They sent us pages with `taking points' and a great many video clips. I focussed my energies on Facebook, and here and there I wrote responses on blogs where words like `Holocaust' and `murder' were used in connection with Israel's Gaza action. Several times the Foreign Ministry also recommended that we access specific blogs and get involved in the discussions that were taking place there."

A "blog" in this usage could be any kind of online forum.

Canadian author, columnist for the Vancouver Courier, and critic of Israeli government policies Greg Felton writes:

Quote:

"If you've come across a hasbarat, on-line or otherwise, you have learned that no amount of reasoned argument or intellectual maturity has any effect. That's because hasbarats don't care if they come across as ignorant, obnoxious, nasty or inane. All that matters for them is sabotaging criticism of Israel and support for Muslims. They're like anti-intellectual stink bombs: designed to cause maximum discomfort "

The Israeli magazine writes:Quote:

The missions: "monitoring" and "fostering discussions"

The Foreign Ministry intends to recruit youths who speak at least one foreign language and who are studying communications, political science or law, or alternatively those whose military background is in units that deal with information analysis. "It is a youthful language", explains Shturman. "Older people do not know how to write blogs, how to act there, what the accepted norms are. The basic conditions are a high capacity for expression in English we also have French- and Swedish-speakers and familiarity with the online milieu. We are looking for people who are already writing blogs and circulating in Facebook".

This news follows the revelation earlier this year that the software exists, being purchased by the US military, to create multiple "online personas" which can be operated by one person, to infiltrate blogs, forums, and social media.

"Air Force Seeks Fake Online Social Media Identities," Information Week:Quote:

According to Solicitation Number: RTB220610 , the armed services division sought a software program that could manage 10 personas per user, including background; history; supporting details, and cyber presences that are " technically, culturally and geographacilly [sic] consistent. Individual applications will enable an operator to exercise a number of different online persons from the same workstation and without fear of being discovered by sophisticated adversaries. Personas must be able to appear to originate in nearly any part of the world and can interact through conventional online services and social media platforms. The service includes a user friendly application environment to maximize the user's situational awareness by displaying real-time local information."

It could be a lie, but the way the video showed it the husband of the women who cooked for Hitler at Berghof was interviewed. He spoke in German and there was a translation at the bottom, he said that Hitler stopped eating meat after the gas attack that blinded him. Blackkat told me a number of years ago that pigeon was one of Hitlers favorite meals, so maybe it was a lie. In that case sorry I posted that.

Satan asked me to post this. I strongly suggest that you all do your own research on the internet, as I won't be posting any links. There is hoards of information regarding this subject. I am not about to ever tell anyone what to do here. What you do is your own choice- responsibility to the responsible. I do encourage everyone to ask any Demons you work with and/or if you are new, just be open to signs and warnings.

I have always loved Asian food. For the past few months now, both Lilith and Satan have forbidden me to eat at any Asian restaurants. Sister in Satan, Raven stated in a post that Satan is not 'omnipresent' and this is true, but I will tell you, they will put an aura on you. A couple of times, I rationalized and at one Chinese buffet, the food was noticeably spoiled and at another [both places I frequented for years], this was take-out and there was a nasty piece of metal in my hot and sour soup. Point being...this made a stronger statement to me as not to eat out. The Powers of Hell will get their point across. There was another time and something else happened, but I can't offhand recall right now. Another time, I was in a local Chinese supermarket that I have shopped at for many years. I only went in to get a Mexican spice they sell there. Lilith actually hollered at me 'DON'T YOU GET ANYTHING ELSE!'

Satan and Lilith both informed me that there will be some ingredients that are coming in from China that will be deadly. Satan equated this to AIDS, in malignancy. He even stated 'this is so bad that even the Gods themselves would have a difficult time curing it.' I do know that several of you who are gifted and open and who communicate with our Gods are aware that in the future 'many people will die.' Satan himself told me this and I know that he has also told this to other brothers and sisters.

In addition, pet food is being laced with poison. Dogs and cats are having explosive diarrhea, vomiting and many are dying. This comes from ingredients from China and is even in prescription pet food that people buy from the veterinarian. This is becoming epidemic. I now cook for my pets. I will no longer feed them any commercial pet food, which was bad enough even before the Chinese ingredients. People pay top dollar for 'rendered' pet foods where euthanized animals who are put to death at the pounds and shelters with poison injections and such, are ground up 'rendered' into the kibbles, along with road kill, cancerous tissues from diseased livestock at slaughterhouses and even worse.

In order to maximize their profits, the jews are now dumping vast amounts of toxic wastes into foodstuffs for both animals and human beings; most of this comes from China. Cat food is now being laced with shredded tires, polyurathane plastic and worse. Just do some of your own research on Google regarding this. In Panama, some time ago, children's cough syrup was laced with anti-freeze, which is lethal and many died. This is not conspiracy theory, IT IS NEWS! IT WAS ON THE NEWS! Check this out on the internet. Children's toys from China were laced with lead. Lead is highly toxic, causes permanent brain damage and much more. Animal toys for pets is even worse. There are various newsletters and such that keep people informed about the incessant recalls of pet foods and products on the internet. I encourage you to check these out.

Please do your own research. Satan has gotten onto me to post this as it is serious. Eating out anymore, especially at Asian restaurants, as they use imported ingredients from China, can be deadly. I asked about soy sauce and Lilith told me to buy soy sauce that is from Japan, never from China. I have learned to make my own Chinese food at home. No, it isn't as good as at the buffets, but it is palatable. Just always remember to undercook the vegetables. Many places to eat are no longer safe because of imported ingredients used in the food prep.

In closing, I cook for my cats. If you choose to cook for your pets, you can control what goes into their food. Unfortunately, there is a lot of misinformation

out there regarding home cooked pet foods. You can't just feed a cat a can of tuna. I began cooking for my cats when two came down very sick from eating commercial dry cat food, and by the Grace of Satan, I was able to heal them; one which came close to death.

If anyone is interested here, please reply if you want me to post the ingredients I use and how I make homecooked food for my cats. I will be happy to post this, but I am ending this now as it is getting too long. I will check back here and post what I have learned regarding pet food.

I also want to add that certain over the counter life-saving medications are being removed from the shelves and one must obtain an expensive doctor's prescription for stronger and often addictive versions of the same line of medications. One major example is over the counter asthma inhalers. Brother in Satan, Nico, posted here some time ago regarding 35% FOOD GRADE Hydrogen peroxide. This is totally different from the antiseptic that is used. You have to know what you are doing, but this [tastes absolutely horrible, even when taken with strongly carbonated soda pop], when taken consistently, I have heard prevents asthma attacks, which are epidemic today, and also keeps one's immune system very strong. This stuff works, as I have taken it for overall health and noticed certain of my own problems disappeared.

Please do your own research and open yourselves to the Powers of Hell for guidance. Satan protects his people and looks out for his own.

Shortly after reading this article I went to give my dogs a rawhide chew, but I glanced at where they were made first. It said MADE IN CHINA, so I gathered up any of the other rawhide chips that were in my house and threw them out. I also noticed that milk bone and some of the canned dog food companies say their from a state in the US but no where on the package does it say MADE IN THE USA or in china. The all natural store near me was sold out of dog chews, but the lady assured me they are made. All the brands at the grocery store near me say MADE IN CHINA, so for the time being I'll just give my dogs carrots instead.

I have recently bought my cat this food: <http://www.thehonestkitchen.com/>

It is made in the US and she seems to love it, it's all raw ingredients that have been dehydrated.

Also I give my cat coconut oil and shredded veggies that I have on hand- right now is Kumbuka Squash. She is crazy for coconut oil and I feel it is a healthy way to get fats into her diet.

Local, organic, raw fruit/veggies/meat and a good food processor.

I remember hearing a story about how someone was caught bringing in roadkill and he said "I was going to feed my family with this" fucking disgusting. But now I'm concerned because at my dad's house there is a cat and last week had a upset stomach and had "explosive diarrhea" so it makes me concerned about what's in his food and I'll try to educate my dad about what goes into food. So whenever you have the time HP Maxine I would appreciate it if you would post a recipe for cat food.

No, it isn't as good as at the buffets, but it is palatable. Just always remember to undercook the vegetables. It mentions how he would be sitting in the trenches and he would hear a voice say "get up and go eat over there" and just as he would sit down and start eating again a projectile would land where he was sitting. It also said after the gas attack that temporarily blinded him is what caused him to become a vegetarian, that the gas damaged his mucus membranes and he detested the taste of meat because of it. The video also makes it very clear that Hitler was a brave soldier who always volunteered for dangerous assignments. If anyone else here has seen that video let me know what your thoughts are on it.

Subject: Following up -- 24/January/2013			

This is in following up, as many members have asked for home made cat food recipes. Before I go on here, Lilith asked me to open this new group, which is needed:

<http://groups.yahoo.com/group/JoS4Pets/>

Lilith loves animals very much and has not only helped me with my pets, but has also helped other brothers and sisters in Satan. NOTE- SHE IS NEVER TO BE SUMMONED. SHE APPEARS TO WHOM SHE CHOOSES. For one, she found a loving home for a mother cat with 5 kittens who was homeless, where all 6 of them can remain together. She also helped a Sister in Satan with getting emergency medical treatment for a cat with a serious mouth infection. Animals are sacred in Satanism. Cats, along with humans were mummified in Ancient Egypt for one.

Satan wants for us to live in harmony with nature and the earth. Satanism is a LIFE religion. In contrast to xianity, which slavishly worships a tattered and torn symbol of DEATH hanging on a crucifix, celebrates a simulation of a human sacrifice at every church service/mass, along with simulated cannibalism [eat me and drink me], xians live for their death, so life doesn't really matter, nor what they do here; Satanic symbols are positive and life loving, and many are of animals, such as the goat. Xians live for their deaths, and with this, they exploit both non-human life and the environment. Their filthy bible which was written

by evil tells them that animals are here for the sole purpose of serving humans. Why bother with maintaining the environment and practicing clean living if jewsus is going to 'save' that 144,000 and take them to that pie in the sky? The earth is fed up, the ecosystems are fed up and we need to get rid of the judeo/xian ROT!

The above group is for support and exchange of information in regards to animals and pets. Unfortunately, in doing my own research, I have run across endless contradictions and a lot of misinformation regarding animal care, what they should eat, and along with this, some advice found in mainstream books is downright deadly to pets. To keep this e-mail short, I will post a recipe I am currently using for cat food in the new group, along with some advice on what I have learned.

Now, for the hydrogen peroxide, http://www.bibliotecapleyades.net/ciencia/ciencia_industryweapons33.htm

EXCERPT:

35% Food-Grade: This is the only grade of hydrogen peroxide recommended for internal use. You can purchase this formula in pints, quarts, gallons, and drums. Contact your local alternative drugstore for more information on, or where to find 35% food-grade hydrogen peroxide. There are also several sources you can find on the Internet by typing the key phrase "35% food grade hydrogen peroxide." IMPORTANT NOTE: The 35% strength needs to be diluted before being taken internally.

End of excerpt.

If you cannot find this at your local healthfood store, then it is available at Amazon.com 4 Oz. 35% Food Grade Hydrogen Peroxide.

http://www.amazon.com/gp/product/B0068KJZUC/ref=oh_details_o02_s00_i00

IT MUST BE DILUTED! AND YOU HAVE TO READ THE DIRECTIONS. YES, YOU CAN USE CARBONATED SODA POP. If you have an ailment, then you might want to take 20 drops twice a day in an 8 oz glass of pop, juice or water. The stuff tastes awful, so distilled water doesn't cover up the taste. In addition, it must be taken on an empty stomach, at least 30 minutes before eating. Please read the 'One Minute Cure' thoroughly. It is free and important. I have it linked above.

In closing, I have been revising and updating the JoS. I know this is long over due. Links are broken, information is outdated and it is a mess. I will post the newly revised pages in the update section. If you are onfused about anything, please note that the new pages have '2013' at the bottom. Look to the copyright. If the date is old, such as some are as old as 2002, then bear this in mind and know it will be updated as soon as I can get to it. Also, feel free to print anything you want to, make CD copies for people who can't access JoS on the internet, download, etc.

Also...our Gods want for us to work to try to enlighten the deluded; meaning xians and others. We do not prosyletize, we only open a door. How many of us here came from xianity, as we were forced into this? There are many others out there in the same situation, who are well meaning, but sadly deluded. In bringing more people to the truth, this acts in wearing the enemy down even further by attrition. Because the jews who use xians and muslims and other of their invented programs for Gentiles as a host, when the numbers go down, so does the power of these nefarious programs.

Subject: The Sinking Of The Titanic

The Sinking Of The Titanic

Just as 911 was pulled off for several reasons one being insurance fraud as they cost of taking the towers down as they were read to be condemned and falling apart. So they benefited on that level as well. As the other agenda the Jewish power system had in mind such as war against the enemies of the Jew World Order in the Middle East:

<http://www.911missinglinks.com/>

We also understand the evidence shows the subliminal messages were used to help aid this using the power of the mass mind such as the 20 dollar bill which was circulated for decades before the attack:

<http://groups.yahoo.com/group/JoSNewsletter/message/388>

We can see the same with the Aurora and Sandy Hook situation.

The ship that was sunk on an occult date 15 April 1912 [Good Friday, April 14th was the day the Jew Rothschild's had President Lincoln killed]. About 14 years before a novel was put out by Morgan Robertson called the "The Wreck Of The Titan." In which the largest ocean liner in the world the "Titan." Is sunk in the North Atlantic by hitting an ice shelf. The author of this book died by poisoning. Even the specs on the ship in Morgan's book is identical to the Titanic. Even being a British ship. Designed to carry elite people back and forth. The ship wreck happens around the exact same date, doing the same amount of knots. And a little known fact is Capt. Smith was an area of a major ice shelf the size of about 70 miles. That the ship was warned about by several other ships. The overall story of Morgan's book is identical to the sinking of the Titanic down to smallest details.

This video explains a lot of what happened:

http://www.youtube.com/watch?feature=player_embedded&v=VfPtDvm3a_s

The White Star Line was owned by the Jew Banker J.P Morgan. And the ship Olympic was decided to be scuttled on purpose under the false name of its sister ship: "Titanic." Many of the crew jump ship on the first port of call. During the doomed voyage of the "Titanic." As by their own testimony they knew they were on the Olympic as they had served on the ship. And they knew something was up. Given the purposeful stroking of a fire in a coal chamber in the ship. Which if cold water hit it would blow. Ballard found a large hole blown out in the side of the wreck when he found it. Right where the stroked fire was being kept. And surviving witnesses stated this area exploded. Helping sink the ship.

The J.P Morgan owned ship: "California." Mentioned in the documentary film. By witness accounts was not 19 miles off. They could see the bow and stern

lights of the ship. And when the scream went silent. They could hear the steam boilers turning on the California. The California then left only returning in the morning. Capt. Lord purposely held back and refused to allow any help from his ship. Capt. Smith probably realized he was double crossed two late. Which gets into the second reason. J.P Morgan and his close associates all cancelled their passage of the HMS Titanic at the last moment. J.P Morgan was found to be lying by an American reported of his reasons for this.

Many of the people taking passage on the ship where political and economic elites who one way other another. Where opposition to the Jewish Bankers trying to pass the Federal Reserve Act. And their attempt to create fossil fuel corporations. As some like Astor where backing Tesla and his work which Morgan had worked to shut down. As it was opening up a rival source of free energy. Tesla also invented an turbine system which could run off any type of fuel not just fossil. And also keeping America out of a looming European war. Which the Jews had already planned as proven here:

<http://groups.yahoo.com/group/JoSNewsletter/message/275>

After this ship sunk killing many of the elites aboard [the Jews cut a few of their own lose for whatever reason]. The Jews where able to pass the Federal Reserve Act. Created fossil fuel dependence monopoly. And get America into the First War which enslaved America to the Federal Reserve bank quicker. And allowed for the creation of the Great Depression which wiped out all Gentile business, media classes in America. Centralized all power under them. And allowed for the facilitation of the rise of global Jewish Communism and the pushing of America into World War Two. And on.

Note all the safes brought up from the wreck of the HMS "Titanic." Where all found to be empty of all the Gold and silver. Such an ship would normally be carrying large amounts of. Just as the 911 vaults where emptied before the attacks. Which there was no reason for this other then it was an inside job.

Subject: On advancing, Patience, Learning.			

When we get in dedication, we are doing this to evolve and make a relation with Satan. We become His children after a point. This is pretty much life changing and we notice this as we move on with our lives. A bond of taking and giving is a healthy bond with Satan. We give and take back. When one dedicates, one is expected to give back, first and foremost by evolving their Soul. Which in turn evolves Hell and Satan's Kingdom on Earth. Then, when one has sufficient power and when they feel ready, they are called in to construct Satan's world and destroy His enemies. Satan looks out for people who aim to destroy the enemy and He will have your back so to say. Hell puts their Warriors first. A Warrior is always put first.

One thing that is very important, is meditation. This will improve your life, drive out the dross within and without. Meditation is very pleasant and at the same time a struggle. One needs to have the powerful character to keep on this and be very persistent. Its like a little war with some inner dormant parts. They

may take time and pain to open up. Mental and spiritual. But if you are a determined person you will make it. And this is where others will fail and you will win. The further you go, the more power will arise from within you and many things will change. Many people for instance complain or have experienced loss of friends or loss of other things, or generally feeling people around them on a lower level.

You're higher and they are lower. Since we have the enemy still, these lower people will try to keep you down. Per se you need to be aware. Signs are like when you start advancing rapidly, a family member will come in and cause arguments, or your mate out of nowhere right crapping on you, people calling you insane or whatever. This is where power is required and this is a sign that things are changing. Depending on one's chart, shit might get rough into a certain area. You will most probably understand this as it will all be very 'strange' so to say. This is not to get you paranoid, this is to help you understand that inner change is the mother of outer change. As above so below.

Knowledge is another thing. One is expected to expand his/her knowledge. As knowledge is power. Satanism is not about being stupid and devoid of worldly knowledge or anything of that nature. Satanism is a constant striving for expanding your knowledge. This is another very important point. Knowledge helps in your life, your Satanic duty and everything else. You need to be patient on this. I am not the only one who has many times rehearsed things he knew. This is because one who is really willing, will give up tried and false things, expand his knowledge and become something greater than you was the month before, the week before and even the day before.

Satanism is the only religion that makes you better everyday, instead of making you downwards everyday. With the ultimate proof of what was just said being the Magnum Opus. Everyone is lying about how life from around your 25 years old goes downwards and how you start getting old and all this. Satanism is the opposite. As time goes by you get expanded, more powerful, more intelligent, MORE, MORE MORE! Take a look on these xians. They not only become less, less and less everyday, lost, lost and more lost every day. But they dare try to oppose your own evolution. This shows the retardation of the xian program and even xians themselves. Most Satanists come from a xian background and I tell you xianity is soooo successful that half of the followers want to kill themselves [Sarcasm]. So yes. This is the meaning of life, to evolve yourself.

Another mention with others. Many people have problems with other people. I mean sometimes all problems one has is with others. Remember that you must be wise. You do not need give words to others, explanations or be anyone's slave. You need to come into your own. Trust in Satan and the Gods and make the Gods your closest friends. All things can be overcome and all goals can be achieved by being close to the Gods and receiving their Guidance.

Be strong, we are the Strong ones and we will never accept to be eaten by the enemy.

HAIL SATAN!!!!!!!!!!

America, Liberty, And The Enemy

This is from an another egroup.

When the Jews created and ran the Soviet Jewion. They pushed the exact same race mixing programs on the population. They worked to turn national and

racial pride into a negative while encouraging the where all one, equal, Soviet people crap instead. The Liberal system formed the core of the USSR.

Today in the West we are under the same articles of law the Consitution of the USSR was drafted on. They might as well just stamp the Communist flag over the American one. They have already done this politically, legally, ideologically and economically. Right now we are literally under the ten planks of the Communist manifesto.

Liberal is just another way to say Communist. The Communist ideal was simply a strategy to create a society built soley upon the ideology of the Liberalism of the claimed enlightenment period, within an industrial age society. The Liberal state has to be ultimately in the end, totalitarian to sustain its principals and vital existance. Even Voltaire mentions this in his way. People don't catch onto this because they get confused by the schizophrenic nature of Liberalism. It talks out of both corners of its mouth at the same time. Its secular Christianity after all.

Liberalism is Christianity without the Christ:

<http://groups.yahoo.com/group/JoSNewsletter/message/290>

We can see today the Liberal Left is the one always pushing for a totalitarian state while screaming freedom, individual rights.etc You have the right to say and do what they fucking want or else. Thats their offer of freedom. The freedom to be a slave. You can't debate with the mentally insane. The Xians scream love, peace and freedom whle doing the same. Of course the Jews pushing this at the top know what they are doing.

The Founding Fathers where not Liberal. They rejected the core principals of the Liberalism. What they where on the otherhand where Satanists. Who stated America was created upon the laws of nature. The laws of the universe and symbolized this with the ancient symbol of the eternal religion of nature. The Scales of Maat. Which also relates to spiritual evolution. The name they chose for their new Nation, America. Also denotes the Serpent. The mainstream tale of Amerigo Vespucci, turned out to be a fraud upon investigation. The Eagle of the Nation is the symbol of the reborn and perfected soul. Its the meaning is the same as the Phoenix.

The Real American Revolution:

<http://groups.yahoo.com/group/JoSNewsletter/message/252>

The personal liberty they gave was a recognition of natures order. Each individual has their own soul nature and the right to develop themselves and improve in harmony with their nature. The highest goal of this being the enlightenment of the individuals soul via the Magnum Opus. Jefferson who was also a Mason

stated the Liberty being mentioned by the Founders was the essence of spiritual Liberation. The Magnum Opus of Satan is what grants true Freedom or Liberty.

The society model was a meritocracy as it always was in the Pre-Christian world. Which allows for the proper functioning of society in harmony with the higher laws of nature. Societies which deny this eternal principal always stagnate and fall. Because nature removes them from the life cycle. Stagnation equals death.

This where people get caught up thinking the Founders where Liberals. And of course they are deluded people and purpose-fool liars to help promote this ideal, intergenerationally.

The two major symbols all over the capital building left to us by the Founders, are the Swastika and the Fasci. The Fasci is also a spiritual symbol and also symbolized the power of the Roman state and law. As well as a unified nation. The Founders stated they used the Roman model to base their state upon.

The Roman Republic was ruled by the Roman Aristocracy, the Priest families. Those who had achieved high levels of the Perfection of the soul or the highest levels. The Founders created a system originally where America would have the same. By putting Mason Lodges in every town and city. It was understood everyone in the upperclass and in the Government would be spiritually advanced and practicing people. Which was the model of the ruling classes in the pre-Christian world.

The Jews got in their and worked to corrupt everything. The Jews had Liberals in America as well pushing for the same race mixing shit and universal egalitarianism they do today. Even the slogan put upon the Statue of Liberty was slapped on there by a Jewish Communist. There never has been an actual difference between Liberal and Communist ideology only in implementation of the ideology. All such paths lead to Jew World Order.

In a book I have on the "Seven" Universal Noahide Laws that the kikes are planning for all Gentiles to follow under theocratic law, rabbi author Michael Shelomo Bar Ron OPENLY ADMITS how the Jews are not allowed to mix with any Gentile race, but that all of the Gentile races are encouraged to mix with each other. Actually, they are forcing inter-racial marriage and intercourse.

Why many Gentiles can't see this, along with the dangers of race-mixing, is beyond me.

Intel Drop: Israel's plan for World War enters high gear

Important notes from the article:

Do remember that the attack on the American government began with Benghazi, not just Sandy Hook. Pushed from the public eye is the backdrop for Benghazi, the Terry Jones, Youtube, Google and Cato (Koch Brothers) attack on Islam that provided "deception and cover" for the deadly terror attack.

Burying the evidence of the terror attack on Sandy Hook is the bailiwick of the ADL, tasked with smearing anyone compiling evidence showing multiple shooters or ties to Israeli terror groups working out of New York City. Despite control of Google and Wikipedia, attempts to hang the long overused label of "anti-semite" on anyone questioning the ridiculous cover story on Sandy Hook has backfired. Israel is now seen by millions as a "prime suspect." Times have changed as recent votes in the UN have proven. Even six former leaders of Israel's Shin Bet (their FBI), as cited in the Oscar nominated Israeli documentary film, "Gatekeepers," have voiced their outrage.....

Dividing America and pushing it to the edge of civil war is the task of the Israel lobby led by Senator's Feinstein and Schumer [my note Jews]. With the support of the largest police organization, the IACP (International Association of Chiefs of Police), Feinstein's bill is filled with "stealth" provisions for gun inspections in homes, special licensing and is aimed at disarming veterans

Enacting AIPAC's gun confiscation law will require, not only the shelving of the constitution's second amendment, but the first, fourth, fifth, ninth and tenth as well.....

Intel Drop: Israel's plan for World War enters high gear

By Gordon Duff and Press TV

"The `final straw,' as it were, has been set in motion in Azerbaijan. Their government, once in agreement with Iran over Caspian oil finds, now is taking direction from Israel. This may well cause the world war that carefully engineered interference in Syria and Mali are only building up to."

Intelligence reports from across the world are pointing to one face, no longer simply a "mosaic" or "connected dots."

Israel is using a series of surrogates, the US, Britain, Turkey, Azerbaijan, Al Qaeda, Boko Harum, UNITA, and groups within the US, AIPAC, the ADL, police organizations, all aligned with organized crime, drug and human trafficking and gambling interests in Las Vegas and Macao.

Activities are being traced to Azerbaijan, Syria, Mali, Egypt, Algeria, Yemen, the Democratic Republic of Congo, Niger, Nigeria, Uganda, Southern Sudan, Kenya and especially, the United States. Each region is being subjected to systematic destabilization, political interference, terrorism, arms trafficking and espionage.

A war is being engineered, too many plays have been put in motion, the direction is now absolutely clear and the case can be laid out.

The "final straw," as it were, has been set in motion in Azerbaijan. Their government, once in agreement with Iran over Caspian oil finds, now is taking direction from Israel. This may well cause the world war that carefully engineered interference in Syria and Mali are only building up to.

Sources in Azerbaijan confirm that Israel has been at the heart of manipulating false stories about Iran's nuclear program to push through sanctions, sanctions meant to choke off oil and gas development in Iran, something publicly confirmed by Azeri press releases.

British Petroleum and Israeli Partners control Azerbaijan, not just oil, and are planning moves against Iranian fields, seizure, slant drilling, all backed by a scenario identical to the one used to cause the first war against Iraq when President Bush personally advised Saddam to move into Kuwait.

Congressman Ron Paul, in 2011, read the documentary proof into the Congressional Record when the cable cited below was found in a Wikileaks dump, "90BAGHDAD4237 1990-07-25 12:12 2011-01-01 21:09 SECRET Embassy Baghdad." (see video above)

Iran is to be strangled, looted, threatened by drones, suffer continual terror attacks until it strikes back in defense, at which time Azerbaijan will run screaming to the United Nations claiming "babies are being taken from incubators," the ploy used to start the genocide against Iraq. The video of this outrageous war crime is below.

Simultaneously, Israel is manipulating UN groups to blame Iran for arming terrorists in Africa. A recent article in The Atlantic Monthly by Armin Rosen cited James Bevan, a former watch salesman for Seiko, "In Cote D'Ivoire, Bevan says "there's a distinct correlation" between the presence of Iranian and Sudanese munitions in the possession of anti-government forces in 2009."

Bogus Article Cites Phony Expert and Bizarre Report

"If you take an individual rebel's weapon and unload it, you're going to guarantee that you have Iranian and Sudanese ammunition loaded into the same magazine." In other words, Iranian or Sudanese ammunition would almost never be found without the other. CAR had a similar finding with jihadi groups in Niger.

The report cited confuses types of ammunition, claiming machineguns like the PKM use 7.62 x 39 ammunition instead of the 7.62 x 54 round. These are childish mistakes.

The video below shows weapons used in Sudan. All machine guns use "7.62x54mm" or larger ammunition, some much larger. Only the few AK 47s use the "7.62x39mm" rounds. Note that a common weapon is the Enfield .303 bolt action rifle, leftovers from World War II. That ammunition is from India. (I do so love experts, some of us do this for a living.)

There are, in fact, seven factories in Africa producing, not just ammunition, but weapons as well. Three of them, producing both 7.62 by 39 and 54 are owned by Israel, the fourth largest arms exporter in the world.

Armin Rosen and his "informants" have never reported this and never will.

In addition, along with weapons taken out of the Libyan armouries, the United States purchased 250,000 Kalashnikov rifles for use by the Iraqi army that "disappeared." Many, if not most, are believed to be in Africa. These misplaced weapons were part of the infamous "Rumsfeld shortfall" that showed the US Department of Defense had lost \$2.3 trillion dollars, not just money but weapons as well. From CNN:

"The report, issued July 31 (2007), follows an October accounting by the Defense Department's special inspector general for Iraq reconstruction, which put the number of weapons missing at close to 500,000."

A "full press" move is on to blame Iran with stories submitted by questionable sources, attempts to tie Iran to terrorist groups in Africa when the very clear trail runs elsewhere.

A "full press" effort to systematically destabilize Africa, "false flag" terrorism, funding and arming extremist groups, engineering conflicts while fomenting corruption, has already begun what some recognize as a continent wide "resource war."

Africa is being re-colonialized and will be tricked into using its own troops, with Western support, to bring about its own worst nightmare.

What could have once been called the Syrian Revolution is now something quite different. We see Patriot missile batteries moving onto the Syrian border, both in Israel and Turkey, two nations set on Balkanizing Syria.

The likely scenario there will involve attempts to stage a chemical warfare attack with very high loss of life, blame it on the Syrian government and push "buffer and no-fly zones" through the UN Security council.

This brings us to the situation in America. Two moves are afoot, one involves disarming the American public and initiating broader control through use of regional and local police agencies that are now Israeli trained.

Many groups, including the FBI, are heavily indoctrinated by the ADL, a group run by Abe Foxman, a group closely aligned with the AIPAC lobby, long accused of espionage, political interference and cited by Secretary of Defense nominee, Senator Chuck Hagel, as "bullies."

The FBI used to investigate AIPAC for spying; now they work for them.

In 1878, congress passed the Posse Comitatus Act. From Cornell Law School, "Whoever, except in cases and under circumstances expressly authorized by the Constitution or Act of Congress, willfully uses any part of the Army or the Air Force as a posse Comitatus or otherwise to execute the laws shall be fined under this title or imprisoned not more than two years, or both."

Current police organizations, now under control of "Fusion Centers" run by the Department of Homeland Security, and armed with heavy military weapons, are directly in violation of this act and are, thus, in unconstitutional.

However, search of Google and Wikipedia will show systematic cleansing and editing to obscure this vital American safeguard. Google, Youtube and Wikipedia have long been used by Israeli intelligence as "playgrounds" for game theory warfare against America.

Dividing America and pushing it to the edge of civil war is the task of the Israel lobby led by Senator's Feinstein and Schumer. With the support of the largest police organization, the IACP (International Association of Chiefs of Police), Feinstein's bill is filled with "stealth" provisions for gun inspections in homes, special licensing and is aimed at disarming veterans.

Enacting AIPAC's gun confiscation law will require, not only the shelving of the constitution's second amendment, but the first, fourth, fifth, ninth and tenth as well.

Any bill that mandates "storage" and "transportation" will establish databases, endless paid informants and illegal searches of all persons, properties and vehicles without "probable cause."

With full support of police organizations, fully militarized and Israeli controlled, at the behest of key Israeli members of the US government, an undeniable effort to bring America to civil war is fully underway as we speak.

Strangely, the Republican Party, sworn to block any gun legislation, in control of the House of Representatives by a wide margin and joined by many Democrats, has overwhelming authority to kill Feinstein's bill immediately.

Yet they have remained virtually silent despite having this irrevocable procedural authority.

Do remember that the attack on the American government began with Benghazi, not just Sandy Hook. Pushed from the public eye is the backdrop for Benghazi, the Terry Jones, Youtube, Google and Cato (Koch Brothers) attack on Islam that provided "deception and cover" for the deadly terror attack.

Burying the evidence of the terror attack on Sandy Hook is the bailiwick of the ADL, tasked with smearing anyone compiling evidence showing multiple shooters or ties to Israeli terror groups working out of New York City. Despite control of Google and Wikipedia, attempts to hang the long overused label of "anti-semite" on anyone questioning the ridiculous cover story on Sandy Hook has backfired. Israel is now seen by millions as a "prime suspect." Times have changed as recent votes in the UN have proven. Even six former leaders of Israel's Shin Bet (their FBI), as cited in the Oscar nominated Israeli documentary

film, "Gatekeepers," have voiced their outrage.

The next move is to derail the Hagel nomination. Financing this is "casino boss" Sheldon Adelson, who spent hundreds of millions to get Mitt Romney, perhaps the world's largest money launderer, into the White House.

Aiding Adelson is a flood of money from organized crime sources around the world, cited by Dr. Kevin Barrett of Veterans Today, "Sheldon Adelson, the notorious Las Vegas `godfather' accused of money laundering, prostitution, and similar activities, just put out a hit on Chuck Hagel's nomination as Secretary of Defense.

The New York Times, reporting on a new anonymous-dirty-money campaign against Hagel, states that Adelson "is so invested in the fight over Mr. Hagel that he has reached out directly to Republican Senators to urge them to hold the line against his confirmation."

(Note on Graham: Though an avowed "homophobe," members of the South Carolina Air National Guard, people who we admit hate Graham, have confirmed longstanding rumors that Graham is `gay' and very much `in the closet,' making him not only vulnerable to blackmail but every bit the duplicitous phony the video below depicts quite well.)

Why would Sheldon Adelson, today's Meyer Lansky, be leading a dirty-money campaign against Chuck Hagel? Is he afraid that the Defense Department under Chuck Hagel would go after the mafia, the way John and Robert Kennedy's Justice Department did?

Obviously, the Defense Department cannot target domestic organized crime. The real reason Adelson put out the Hagel hit will never be reported in the New York Times, Israel's flagship `American' publication. The truth is that Sheldon Adelson, like Meyer Lansky, heads a foreign crime syndicate whose headquarters is the "criminal state" of Israel. The Zionist mob views Hagel as a threat to their operations."

This use of criminal resources to stop the US government from limiting the horrific damage it has suffered from Israeli interference and virtual control is being done with absolutely no attempt to hide its illegal nature or intent.

America is being pushed to the edge. Awareness of 9/11, Israel's role in maneuvering the US into Iraq and Afghanistan, Benghazi, Sandy Hook and dozens of less well-known attacks are creating a level of awareness seen by the ADL as roots of "extremism" and something for police to crack down on.

As we saw response after Sandy Hook, hundreds of heavily armed assault forces, pretending to be "police," some speaking foreign languages (Hebrew), all cordoning off the press and families, a mile away, all over a single dead "perpetrator" who accidentally left his weapon in someone else's car.

Put it all together, it is not a mosaic but rather "game theory warfare," systematic destabilization of any power able to derail a world war.

We watch the surrogates line up, each with corrupt leaders bought and paid for, we watch the UN and its "hydra" of incompetent and corrupt "advisory groups," little more than "lie factories."

Then we have the press, we have Wikipedia, we have Google and, of course, smears, attacks and censorship.

The endgame is world nuclear war.

Nice post! Just a few random thoughts I had, the storm that hit the east coast was called Sandy and the school shooting that has had the most effect on possible gun control was called Sandy. I highly doubt this is a coincidence

The other thing I wanted to mention, June 28th 2014 will be the 100th anniversary of the assassination Archduke Franz Ferdinand. His assassination is ultimately what started ww1. Is it possible all that's going on right now will build up to a planned assassination that will trigger a 3rd world war?

It looks like you meant well with your post, but the spelling and grammar certainly suggest otherwise. I'm not trying to criticize or put anyone down, but here's an example. Twice you wrote Hicler when you meant to write Hitler. In my mind spelling and grammar are important as they can either make us look good, or bad. Posts riddled with spelling errors make our group look bad in my opinion.

Israel is now seen by millions as a "prime suspect." Times have changed as recent votes in the UN have proven. Even six former leaders of Israel's Shin Bet (their FBI), as cited in the Oscar nominated Israeli documentary film, "Gatekeepers," have voiced their outrage.

ISRAELI DEATH SQUADS DID SANDY HOOK KILLINGS: Intelligence Analyst

<http://www.darkmoon.me/2012/israeli-death-squads-did-sandy-hook-killings-intelligence-analyst/>

The Sandy Hook massacre, the mindless murder of twenty small school children, is now beginning to look like a terrorist attack on America by "mad dog Israel". What evidence is there for this bizarre new "conspiracy theory"? Let's consider the facts

Could this man be one of the killers seen running from the scene?

Today, Michael Harris, former Republican candidate for governor of Arizona and GOP campaign finance chairman, in an internationally televised news broadcast, cited "Israeli revenge" in, what he called, "the terrorist attack in Connecticut."

Harris cited Israeli "rage" against the US and against President Barack Obama. By "Israel," we mean "Netanyahu."

Knowing that America would accept the punishment meekly and keep quiet, and that it would let a "fall guy" or patsy take the blame, the mission was to teach America a lesson.

Is this Israel's doing?

Harris, citing the flood of inconsistencies in the "cover story," pointed out the following, "The facts are now becoming obvious. This is another case where Israel has chosen violence and terrorism where their bullying in Washington has failed. Israel believes the US "threw them under the bus," particularly after

the recent Gaza war, allowing Israel to be humiliated in the United Nations. Their response was to stage a terror attack, targeting America in the most hideous and brutal way possible, in fact, an Israeli "signature attack," one that butchers children, one reminiscent of the attacks that killed so many children in Gaza."

Washington is terrified of Israel, their powerful lobby and its relationship with organized crime.

Now, a key former Senator, Chuck Hagel, who has helped expose this fact, is likely to be nominated as the secretary of defense, despite vocal protests from Israel.

Today, Israeli news gave further credence to Harris' analysis when they issued the following statements regarding the probable nomination of Hagel:

"Chuck Hagel's statements and actions regarding Israel have raised serious concerns for many Americans who care about Israel," said the Republican Jewish Coalition (RJC) Executive Director, Matt Brooks. "The Jewish community and every American who supports a strong US-Israel relationship have cause for alarm if the president taps Hagel for such an important post."

"The appointment of Chuck Hagel would be a slap in the face for every American who is concerned about the safety of Israel," he asserted.

Citing a 2006 interview with Hagel, the news continued, "The political reality is that the Jewish lobby intimidates a lot of people up here. I have always argued against some of the dumb things they do because I don't think it's in the interest of Israel. I just don't think it's smart for Israel."

Hagel also said he didn't think he had ever signed one of the letters the American Israel Public Affairs Committee (AIPAC) regularly circulates to demonstrate support for Israel or tough stands against parties such as Iran.

"I didn't sign the letter because it was a stupid letter! I'm not an Israeli senator, I'm a United States senator."

During his interview today, Mike Harris explained his rationale for looking to Israel as responsible for Sandy Hook, saying:

This is exactly what Israel did in Norway. The political party that voted sanctions against Israel was retaliated against by a "lone gunman" who killed 77 children.

This is what Israel always does, they go after the children.

It is what they do in Gaza every day. It is what was done in Norway. It is what happened at Sandy Hook.

Nobody buys the "lone gunman" story anymore. Not with the Gabby Giffords' shooting. Not with the Aurora "Batman" shooting. Certainly not with Breveik. And certainly not in Connecticut.

Eloquent words.

After Harris' broadcast, key members of the military and law enforcement community contacted Veterans Today in full support of Harris' analysis.

One three star general is quoted as saying, "Harris hit the nail right on the head and it is about time someone spoke up."

As days have passed, key issues involving the Sandy Hook terror attack have been cited as "debunking" the "lone gunman" cover story.

According to the official story, Adam Lanza was found with his older brother's ID, and it was not stolen. However, older brother Ryan, whom officials say is very cooperative, claims not to have even seen his brother since 2010. Where would Adam get this ID?

According to the official story, Adam Lanza was wearing a black outfit with a mask and bulletproof vest. Why would he want to hide his identity, and why would he wear a bulletproof vest if he planned to kill himself?

The medical examiner asserts that all wounds were caused by a rifle or other long weapon, and the FBI say that the school was littered with 223 (rifle) casings. However, Adam Lanza was found dead at the school with only handguns and a rifle was found in the trunk of his car. So he could not have possibly been firing the rifle, which never left the trunk of his car. This means he could not have committed the murders.

Who did then?

According to the official story, the killings were confined to two classrooms. Then why were so many children told to close their eyes while leaving the building?

Joanne Didonato, the principal's secretary, called in sick on Friday something she rarely ever does. So presumably she must have been awfully ill. And yet, a little later on, she is well enough to give an interview.

Why were there such persistent reports that Mrs. Lanza was a kindergarten teacher, and that she died at the school when the new official story is that she was not connected to the school and was killed at home?

What happened to the report that Adam Lanza's girlfriend and another friend were missing in New Jersey?

What happened to the woodsman in a black jacket and camo pants who was arrested and handcuffed outside the school? He actually shouted to parents, "It wasn't me." Who was he and what was he doing there?

What happened to the dark van or SUV that the police surrounded in the parking lot or the maroon sedan with a blown-out back window they were on the lookout for?

The official story is that Nancy Lanza was a gun collector who obeyed the law. But since 20-year-olds are not permitted to buy guns or ammo or carry guns in Connecticut, why would Mrs Lanza give her autistic son access to guns and ammo?

A child asserts that he heard someone say, "Put your hands up," followed by the reply, "Don't shoot." This indicates that the police took a suspect into custody inside the school.

If that was Adam Lanza, how did he kill himself just after that?

Is it reasonable for a geeky 20-year-old to carry two pistols and hundreds of rounds of ammunition while wearing a bulletproof vest and a mask?

Why was Adam Lanza said to be a "loner" when a teenager is reported saying, "Lanza and his friends always gathered in a corner of the school"?

Why are Ryan Lanza and his roommates still in custody, and why are the police pretending that it is for their own benefit?

Is it a coincidence that Nancy Lanza's brother is Kingston Police Officer James Champion who lives next door to the former Lanza home?

These are only a small number of the irregularities in what now seems to be a cover-up rather than an investigation.

In truth, the public may well just be sick of hearing stories about "lone gunmen." Of all possible horrors, this one, even more than the Benghazi killings, is loaded with political implications. This is not just about "gun control", it is a clear attack on the security of every American family.

The simplest thing would be to sit back and accept what we are told, without examining who gains or who loses, and without asking "Why now?"

Is Harris right? Would Israel order the deaths of twenty little children to make a political point? Have they done this before?

Moments ago, Harris phoned me. I asked him if he was still willing to back up his statements.

His answer was simple: "They murder children it's all part of business as usual. "

Pope Benedict XVI's announcement that he would resign effective

Its probably due to the fact the Catholic church is falling apart and as any political body [the Catholic church is a government even with an independent

capital of Vatican City]. Would do they are trying to do last second restructuring to save face. But as the saying goes: "They are rearranging deck furniture on the Titanic."

This Pope was at the center of the pedophile scandals for his role as a Cardinal in covering them up for two decades. And other issues which give the Church more bad news and loss of members.

If the Church was not falling apart they would be doing such things.

The Atlanta Journal-Constitution

Pope Benedict XVI's announcement that he would resign effective Feb. 28 took local Catholics by surprise Monday.

Joe Ward, a parishioner at Holy Spirit Catholic Church, stopped by the Cathedral of Christ the King on Peachtree Road early Monday to say morning prayers.

Ward told the Atlanta Journal-Constitution that he was "totally surprised, very shocked" by the news of the pope's resignation.

"I had never heard of that being a possibility," Ward said. "I really didn't realize that it was an option."

While admitting that he doesn't know all the circumstances behind the pope's decision, Ward said, "the Holy Spirit may be speaking to him to tell him that this is an opportunity to pass it on."

Dave Capano, a member of St. Andrew Catholic Church in Roswell, also stopped by Christ the King for morning prayers.

Capano said he hadn't heard the news until reporters told him.

"I didn't know that his health might be failing," Capano said. "Maybe he's stepping down to have somebody come in and take the church in a little different direction from a social perspective. I don't know if that's the reason why or not."

Regardless, Capano said the decision would likely turn out for the best.

"Regardless, Capano said the decision would likely turn out for the best." The death of the catholic church and death sentences for the priests that commit pedophilia.

I am sure many of you are familiar with the fact that the day September 11th, when the World Trade Center was attacked, yes, attacked as this was deliberate; jews who worked in the twin towers or close by received a prior warning not to report to work that day. Jew Larry Silverstein who owned the twin towers also took out some 2 billion dollar insurance policy two weeks before the attack. Not sure of the exact details or exact amount of money, but for further information, if you haven't seen the videos on the 911 and what really happened, you can find them here:

<http://www.666blacksun.org/satanic-national-socialism/informative-videos/>

My point of the above is that the jews KNOW beforehand; they not only know, but plan these kinds of things.

Yesterday, I went across town here to a small supermarket, where I can purchase different grains and such in bins- you can get as much or as little as you please. Tulsa is backward in many ways and this is about the only market that has the above and also carries specialty items unavailable elsewhere here. This market is in the heart of jewville- surrounded by homes, most close to and above the million dollar range in price; in other words, many mansions. The market is also full of a jewish clientelle, jewish workers and so forth.

you can do your own research on the following, as it is all over the internet, but most of the fish and seafood in the USA now comes from China, where it is 'pretreated' and processed. It doesn't matter that most of the US has a coastal line, the fish and seafood here have to come all the way from China. I noted a sign on the door when entering the market that seafood from the state of Maine was on sale there. Out of curiosity, I inquired at the small customer service desk,, concering where this market gets seafood and fish from and if any came from China. I was informed that 'we don't carry anything from China.'

In addition, I also noted when shopping there that quite a few brands now are including a tiny American flag next to the kosher K symbol on food products. This is to ensure that jews are aware of what they are buying and that it is safe for them to eat and not from China.

I don't think I need to explain anymore, as this is glaringly blatant. Nearly everything now comes from China. Stores such as Wal-Mart can mark the label as 'Distributed by' and be within the legal system and exempt from being accused of misrepresentation on the labels regarding where the contents came from. 'Distributed by' is a very broad term. Also, many food products are made in the USA with ingredients from China. The Jewish owners of these companies save billions of dollars this way, as Chinese ingredients are dirt cheap, as opposed to American ingredients that have to be inspected.

I already wrote of how many children died in the country of Panama:

http://www.nytimes.com/2007/05/06/world/americas/06poison.html?pagewanted=all&_r=0

http://en.wikipedia.org/wiki/List_of_medicine_contamination_incidents

Don't be fooled, as with always, the Jews do their dirty work and Gentiles always have to take the blame. There are plenty of Chinese Jews in China and other areas of the world. Shanghai has a large Chinese Jewish population. This is where the word for meaning swindled 'Shanghai'd' originated.

To put it plainly, this is bio-terrorism. In my own personal opinion on this, third world countries are being tested with these toxic ingredients before they will go rampant in developed countries, such as the USA and Europe.

What we can do now:

We need to be aware of as much as possible. Do your best to keep up on local news and consumer e-mail newsletters. Really read the labels on any food you purchase. Read the fine print. I recently purchased a bag of fish from Wal-Mart; I was in a hurry and saw 'Chesapeake Bay' company on it and when I got it home, there was a smaller box checked 'China.'

Keep up on your meditations and always reinforce your aura of protection [which everyone should have built on their soul by now]. This will keep you safe. I was telling a friend of the family who is very psychic about how it is now dangerous to eat in Chinese restaurants, as they use ingredients imported from China in their recipes, and our friend stated she experienced the same with her second sight, that many will die and also told me that she saw how some other food from China here in the USA contained a virus of whooping cough that mutated and of which there was no cure.

Those of us who are with Satan and are aware [and be sure to do your own research regarding deadly toxins in the food], will survive. Those who are without are on their own. There is no need to get paranoid. Just use common sense, be well informed, and keep a level head and keep reinforcing your aura of protection.

I don't mean to sound like a snob, but I encourage our people to shop at the local health food stores. Natural food stores or Co-op's mostly (the larger ones will try to trick you) keep locally grown produce available and a plethora of wholesome foods. Uncaged meat and fish from Maine. If you become a member you can receive a discount. It is a sad fact that in order to eat healthy un-treated food it has to cost you an arm but it is well worth it, especially considering that they are poisoning us further with un-treatable viruses. There is a book written by Ben Klassen called "Salubrious Living" that I feel holds a lot of helpful information regarding the subject of food.

I am sure many of you are familiar with the fact that the day September 11th, when the World Trade Center was attacked, yes, attacked as this was deliberate; jews who worked in the twin towers or close by received a prior warning not to report to work that day. Jew Larry Silverstein who owned the twin woers also took out some 2 billion dollar insurance policy two weeks before the attack. Not sure of the exact details or exact amount of money, but for further information, if you

haven't seen the videos on the 911 and what really happened, you can find them here:

<http://www.666blacksun.org/satanic-national-socialism/informative-videos/>

My point of the above is that the jews KNOW beforehand; they not only know, but plan these kinds of things.

Yesterday, I went across town here to a small supermarket, where I can purchase different grains and such in bins- you can get as much or as little as you please. Tulsa is backward in many ways and this is about the only market that has the above and also carries specialty items unavailable elsewhere here. This market is in the heart of jewville- surrounded by homes, most close to and above the million dollar range in price; in other words, many mansions. The market is also full of a jewish clientele, jewish workers and so forth.

you can do your own research on the following, as it is all over the internet, but most of the fish and seafood in the USA now comes from China, where it is 'pretreated' and processed. It doesn't matter that most of the US has a coastal line, the fish and seafood here have to come all the way from China. I noted a sign on the door when entering the market that seafood from the state of Maine was on sale there. Out of curiosity, I inquired at the small customer service desk,, concentering where this market gets seafood and fish from and if any came from China. I was informed that 'we don't carry anything from China.'

In addition, I also noted when shopping there that quite a few brands now are including a tiny American flag next to the kosher K symbol on food products. This is to ensure that jews are aware of what they are buying and that it is safe for them to eat and not from China.

I don't think I need to explain anymore, as this is glaringly blatant. Nearly everything now comes from China. Stores such as Wal-Mart can mark the label as 'Distributed by' and be within the legal system and exempt from being accused of misrepresentation on the labels regarding where the contents came from. 'Distributed by' is a very broad term. Also, many food products are made in the USA with ingredients from China. The jewish owners of these companies save billions of dollars this way, as Chinese ingredients are dirt cheap, as opposed to American ingredients that have to be inspected.

I already wrote of how many children died in the country of Panama:

http://www.nytimes.com/2007/05/06/world/americas/06poison.html?pagewanted=all&_r=0

http://en.wikipedia.org/wiki/List_of_medicine_contamination_incidents

Don't be fooled, as with always, the jews do their dirty work and gentiles always have to take the blame. There are plenty of Chinese JEWS in China and other areas of the world. Shanghai has a large Chinese jewish population. This is where the word for meaning swindled 'Shanghaied' originated.

To put it plainly, this is bio-terrorism. In my own personal opinion on this, third world countries are being tested with these toxic ingredients before they will go rampant in developed countries, such as the USA and Europe.

What we can do now:

We need to be aware of as much as possible. Do your best to keep up on local news and consumer e-mail newsletters. Really read the labels on any food you purchase. Read the fine print. I recently purchased a bag of fish from Wal-Mart; I was in a hurry and saw 'Chesapeake Bay' company on it and when I got it home,

there was a smaller box checked 'China.'

Keep up on your meditations and always reinforce your aura of protection [which everyone should have built on their soul by now]. This will keep you safe. I was telling a friend of the family who is very psychic about how it is now dangerous to eat in Chinese restaurants, as they use ingredients imported from China in their recipes, and our friend stated she experienced the same with her second sight, that many will die and also told me that she saw how some other food from China here in the USA contained a virus of whooping cough that mutated and of which there was no cure.

Those of us who are with Satan and are aware [and be sure to do your own research regarding deadly toxins in the food], will survive. Those who are without are on their own. There is no need to get paranoid. Just use common sense, be well informed, and keep a level head and keep reinforcing your aura of protection.

I agree that in the bigger cities that are more sophisticated, there are alternatives. Here in bible belt Tulsa, OK, it is very difficult to obtain a lot of things. I also want to state my own point of view [I am not trying to tell anyone what to do, as how you all choose to eat and what to eat is your own personal business], but that book Salubrious Living was written by another author mostly, though Ben Klassen did put some info in it. My point here is that the diet this book advocates, along with what is being pushed by so-called 'health professionals' in my own opinion is extremely unhealthy. Cutting out this and that and everything else; eating only fruits, vegetables, nuts, whole grains and seeds as far as I am concerned is not what a human being should be doing. The problems are with the chemicals, many of which are unnecessary and highly toxic. Many vegetables for instance, corn, are now genetically engineered, even the seeds that one must purchase for one's own garden are contaminated with toxic substances.

I once went on the above diet and got very sick. A co-worker who was only 18, and on that sort of diet already had grey hair. I have also known a few others who lived on that sort of a diet and died of cancer. The problem is much of our food is laced with toxins. I know people who actually consume way over the amount of sugar that they should and are much healthier than those who adhere to the diets that are third world and the third world mortality rate [of course without anti-biotics which save lives which are also demeaned in that book], is sky high. Most people who live on a diet like that in places such as Bangladesh, India, Nepal and in Africa have a life expectancy of only about 45 years for both sexes. This is the reality of what is being pushed in the way of diet and also outlined in that book.

So, cut out white flour, cut out sugar, cut out red meat, cut out fats and greases, cut out gluten [with this you have to cut out all breads, pastas and practically anything of starch], don't cook your food, eat it raw, also you must cut out salt, spices, seasonings, coffee [caffiene is a big no no], cocoa, tea, alcohol, gelatin, soft drinks, canned foods, and everything else.

Look to a World Almanac or online in regards to the life expectancy of those in third world countries who adhere to that kind of diet [most in India are vegetarians], and also as there is a lack of medicine and health care- this is what that book and many other idiots IMO are advocating- just how long is the life expectancy? What about the infant mortality rate. If third world peoples were so perfect in their health and diet and way of living, then why don't they live even half as long as those in developed countries? I know what the kikes are doing to modern medicine, they are ruining it as they ruin everything else, but thanks to modern medicine- what decency is left, many lives are saved.

Cut out all of the above, don't take any anti-biotics or other medications, regardless of how sick you might get, live third world and die young. Many, especially jews, who have so many health problems and dietary restrictions and are unable to eat even basic food push that third world crap. Then, you have the idiots who advocate cutting out all modern conveniences. So, why not just revert to being just a step above an animal and dig in the dirt with sticks? This is my own opinion.

Subject: Re: 2/12/13 Another Sickening Trend

I just want to clarify something here- my reply below is directed at that 'Salubrious Living ' book, NOT the other things you wrote of in your post. I also learned many, many years ago, when CoTC had the newspaper 'Racial Loyalty' long before the internet, the guy who wrote most of that book was an infiltrator and traitor. People actually complained about advice in that book, especially regarding infants, and wrote the newspaper. I subscribed to that newspaper for several years in the 1980's.

I also want to add- this third world crap is being relentlessly pushed and IMO is another direct attack on the white race. I don't know how many yoga books advocate that kind of a diet, and in addition, sexual abstinence. This sort of thing is NOT white, it is NOT healthy and is third world. Most white countries have the longest life expectancy, because those kinds of diets are not prevalent.

As for eating organic and wholesome foods and free-range animals, I agree 100%. Food animals should live healthy lives where they can roam freely and should be slaughtered humanely when the time comes. As for eating meat and I know many vegans are against eating animals, but in the natural world, lions, tigers and other predatory animals will rip, say an antelope open and eat it when it is still alive and tear it limb from limb. We have to kill to eat, and as one member posted on here some time ago, plants also have feelings. No matter what or how you eat, you have to kill to eat.

I've never cared for sea food, but heres something else I consider worth mentioning. Lunch meat, if you think about it the companies take various pieces of meat and throw it in a blender with tons of salt. Bread is not exactly a healthy food source, and many of us eat sandwiches day in and day out for lunch normally using lunchmeat. While cutting out sandwiches makes packing your lunch a bit more difficult, if you can its worth it in my opinion. Another one is corn. Our bodies can't process it, cutting out any food or beverages that have corn in it is a fast way to reduce your waistline. I cut both of these out of my diet about a month now and have noticed a considerable difference in health.

Stores such as Wal-Mart can mark the label as 'Distributed by' and be within the legal system and exempt from being accused of misrepresentation on the labels regarding where the contents came from. 'Distributed by' is a very broad term. Also, many food products are made in the USA with ingredients from China. The jewish owners of these companies save billions of dollars this way, as Chinese ingredients are dirt cheap, as opposed to American ingredients that have to be inspected.

I note the Vegan movements are full of Jews at the lead. And on the otherside you have Jews pushing eating raw meat, eating raw, rotten meat and unpastured milk to drink, raw. Etc People die from this.

What I found is buying organic is cheap when in bulk and just making it up into something yourself and putting in the fridge. I prefer proper glassware over the plastic tupperware.

I read people are going around and getting the old corn from those old decorations with Indian corn and planting those as they are not GMO. One fellow I saw has a whole field grown with this.

Group: 666BlackSun	Message: 596	From: hoodedcobra666	Date: 2/13/2013
Subject: Re: 2/12/13 Another Sickening Trend			

Well my grandparents have lived all around their 80's. They all ate meat. Except for one that died with a broken leg. Well over his 70 years old. My grandma reached 95 and she still had a great memory and was sound until 2 months before her death. Meat is a nessescity. I made the mention of my grandparents because they were basically getting the Mediterranean diet. Meat at least once a week. Or more. When meat was available, the cooked it and ate it. People of the past century really relize the value of meat, since it was hard to get and very expensive.

People who push veganism are just lied on by the jews. I talk about people, not the whole sects selling a huge rack of articles on how one should avoid meat. Who profit through mosanto and all. The mother of veganism. In my case going without meat not only makes me very weak in the sense of muscle. But it makes me mentally weak. If I go days without meat, be it chicken or red meat, I start to have difficulty remember things aside other things.

I notice how people fast for 40 days. You should see them on day one and day 40. Many kilograms down, feeling completely worn out and fucked up. And calling this spirituality. People who fast just do very bad things to their bodies. Because the amount and what you eat even influences your genes. I remember a documentary on people who were hungry during war and all this, for days upon days and how this mutated parts of their DNA, so that later they had problems with packing on the weight again or how their body got protein. Because during all that time the body had to find a way to sustain them and cope with the low level of proteing and stuff.

Everyone raves about how bad meat is for the health. People who do not exercise pay too much attention to cholesterol and all this. Because if you sit on the couch 24/7, certainly you will be worried if an additional piece of meat will cause you something bad. Though if one is in motion, especially lifting and all...You cannot go without meat. I have had to cross websites that were about 'Bodybuilding as a vegan'. As I wanted to be vegan long long time ago. Thinking it was good. They selled some genetically mutated soy and other supplements as to fill in with the lack of minerals one would gain from meat. Now how hypocritical one can be by thinking this is a healthy way of living and promoting it. Doing a chemical diet over just eating meat. Makes absolute sense.

Also on a general note. I remember back in summer I was on a fast food restaurant. I got a salad and a burger like dish. I sensed that I should not in

anyway consume the foods. Nevertheless I just did and then the food was tormenting me for hours. I mean a beef that is right feels like a beef that is right. This one I got felt very 'bony' best way I can put it.

You must always listen to your instinct. If a food feels fucked up in its energies, it probably is. Back in a while I had got salads from a guy in town. And the tomato felt really mutated. It was obviously altered in some way. The taste was very strange, like it had some sort of polluted water inside or something. One must avoid this and listen to their feeling. Using your instinct plays a good role in this. Cooking on your own and having your 'own' people that you buy stuff for is the best bet. People who you know, how they raised animals or crops. But that would be ideal. People who commit such crimes and feed the populace such sick things, would need to be severely punished. This is more than a crime, literally. Since it fucks up even the gene code in some occasions.

On another note. Checking your food is nice. And never restrain your appetite. You want to get coffee. Go get coffee. You want to eat red meat, eat red meat. Just make sure you both satisfy your hunger and in a healthy way. For me being a health freak and checking every piece is impossible. Hangups in regards to food can even cause mental illness. If you want sexual gratification and you're not receiving it, really matches wanting certain foods and not receiving them. All this in the range of what is healthy. I mean if someone is pathological over consumption of sweets and does it all the time, knowing this will lead them to the hospital...That's not the freedom I'm referring to. I have found eating what one wants stimulates your spiritually and gives a happy boost that aids you everywhere. Just keep it under logic and don't do harmful things.

HAIL SATAN!!!!!!!!!!

I still have some plastic ware that I haven't updated yet, I want to get all glassware eventually. For cooking I've switched to cast iron only for pots and pans, I don't trust the teflon coated ones. I also no longer use a microwave, and no longer use a drip coffee maker as they use plastic parts.

Look at the way our teeth are shaped to find out what we should be naturally eating as human beings. They are Omnivorous, capable of eating both meat and vegetables. We should eat what we desire. Being that our teeth are shaped this way, then I say that we need a good mixture of both.

I want to find a market like you mentioned, I'll have to do my research. Let me ask you this.... What does your diet consist of? What do you stay away from? Yes, I know, as Satanists we all have our freedoms and choice, however I would like to know what is the Best food to eat. What does a healthy diet consist of? I have done some research into this topic on my own. But given what you just said in your other response, I feel like am back to square one again.

I just want to clarify something here- my reply below is directed at that 'Salubrious Living ' book, NOT the other things you wrote of in your post. I also learned many, many years ago, when CoTC had the newspaper 'Racial Loyalty' long before the internet, the guy who wrote most of that book was an infiltrator and traitor.

People actually complained about advice in that book, especially regarding infants, and wrote the newspaper. I subscribed to that newspaper for several years in the 1980's.

I also want to add- this third world crap is being relentlessly pushed and IMO is another direct attack on the white race. I don't know how many yoga books advocate that kind of a diet, and in addition, sexual abstinence. This sort of thing is NOT white, it is NOT healthy and is third world. Most white countries have the longest life expectancy, because those kinds of diets are not prevalent.

As for eating organic and wholesome foods and free-range animals, I agree 100%. Food animals should live healthy lives where they can roam freely and should be slaughtered humanely when the time comes. As for eating meat and I know many vegans are against eating animals, but in the natural world, lions, tigers and other predatory animals will rip, say an antelope open and eat it when it is still alive and tear it limb from limb. We have to kill to eat, and as one member posted on here some time ago, plants also have feelings. No matter what or how you eat, you have to kill to eat.

I also want to state my own point of view [I am not trying to tell anyone what to do, as how you all choose to eat and what to eat is your on personal business], but that book Salubrious Living was written by another author mostly, though Ben Klassen did put some info in it. My point here is that the diet this book advocates, along with what is being pushed by so-called 'health professionals' in my own opinion is extremely unhealthy. Cutting out this and that and everything else; eating only fruits, vegetables, nuts, whole grains and seeds as far as I am concerned is not what a human being should be doing. The problems are with the chemicals, many of which are unnecessary and highly toxic. Many vegetable for instance, corn, are now genetically engineered, even the seeds that one must purchase

I have also known a few others who lived on that sort of a diet and died of cancer. The problem is much of our food is laced with toxins. I know people who actually consume way over the amount of sugar that they should and are much healthier than those who adhere to the diets that are third world and the third world mortality rate [of course without anti-biotics which save lives which are also demeaned in that book], is sky high. Most people who live on a diet like that in places such as Bangladesh, India, Nepal and in Africa have a life expectancy of only about 45 years for both sexes. This is the reality of what is being pushed in the way of diet and also outlined in that book.

tea, alcohol, gelatin, soft drinks, canned foods, and everything else.

> Look to a World Almanac or online in regards to the life expectancy of those in third world countries who adhere to that kind of diet [most in India are vegetarians], and also as there is a lack of medicine and health care- this is what that book and many other idiots IMO are advocating- just how long is the life expectancy? What about the infant mortality rate. If third world peoples were so perfect in their health and diet and way of living, then why don't they live even half as long as those in developed countries? I know what the kikes are doing to modern medicine, they are ruining it as they ruin everything else, but thanks to modern medicine- what decency is left, many lives are saved.

>

> Cut out all of the above, don't take any anti-biotics or other medications, regardless of how sick you might get, live third world and die young. Many, especially jews, who have so many health problems and dietary restrictions and are unable to eat even basic food push that third world crap. Then, you have the idiots who advocate cutting out all modern conveniences. So, why not just revert to being just a step above an animal and dig in the dirt with sticks? This is my own opinion.

I was thinking about this today and remembered the movie Contagion. I know it's just a movie, but I think it is relevant. There was some infected meat that was shipped from China, and being served in the US. The virus gave those who got infected a nasty cough. Just like you mentioned.

Then the SARS epidemic came to mind, the jews always need to do a trial run for this type of attack and SARS makes since.

Subject: Pope seeks immunity from child sex crimes			

Pope seeks immunity from child sex crimes

<http://www.examiner.com/article/from-conspiracy-theory-to-fact-pope-seeks-immunity-from-child-sex-crimes>

In Did Child Sex Scandals End a Papacy?, I outlined a long list of evidential information regarding child sex abuse scandals within the Catholic Church specifically related to being under the jurisdiction of then Cardinal Joseph Ratzinger/soon-to-be-ex-Pope Benedict XVI.

The information painted a twisted, sordid trail and seeming cover-up all the way to his desk.

Some claimed it was an interesting 'conspiracy' theory, however, as of February 14th, a new report has emerged out of the Vatican that Pope Benedict is seeking immunity from the Italian government from prosecution for complicity in those child sex abuse cases and more.

AllVoices.com reports that the International Tribunal Into Crimes of Church and State cites a letter directed to the Italian President Giorgio Napolitano referencing the Pope's scheduled meeting with him set for February 23, 2013 where he will formally request protection from prosecution and immunity for what the ITCCS calls "his proven complicity in concealing child trafficking in his church and other crimes against humanity". (Read full letter here)

Child rape by a member of the Catholic clergy is no laughing matter despite the outrageous number of jokes that have permeated society about pedophile priests. With the unprecedented number of charges against the church that exploded in 2010, and the many reports and recent documentary film from Alex Gibney that aired February 4th on the subject of the Vatican's cover up of these cases (Mea Maxima Culpa), the reason of ill health given by the pope to the world for abdicating his office as Bishop of Rome now seems circumspect.

These are the facts: 135,000 children are sexually abused each year (those that are reported). More than 90% of juvenile sexual abuse victims know their

perpetrator in some way. Approximately five children die each day as a result of abuse or neglect. (Childhelp.org). In 2010, a Bishop's report showed 426 victims of sexual abuse by priests. In 2004, that number was higher; 889 victims. These sex abuse cases have cost the church around \$80 million in the "treatment" of approximately 2000 pedophile priests and \$2 billion in the settling of cases. That is a high number of sexual abuse cases (and these are only the ones reported), and a large amount of cash settlements for something the church claims, through its silence on the matter, is not a problem.

The questions arise as to why the pope would seek immunity from prosecution if he is innocent of the crime of concealing, and aiding and abetting sexual abuse cases by priests in the church? This is also not the first time Ratzinger has sought immunity from prosecution for complicity in child sexual charges by Catholic clergy. In 2005, he sought immunity from prosecution from the US government for a case in Texas that named Pope Benedict as a defendant who conspired to cover up the molestation of three young boys by a Seminarian. He was granted that immunity as "Head of State of the Holy See"; because the Vatican enjoys statehood as its own little country, the pope is seen to have diplomatic immunity. Once he steps down, he will no longer enjoy that perk.

The ITCCS reminds the Italian president that under International Law and Treaties, he is forbidden to grant such immunity. They have threatened to occupy the Vatican in protest and even launch an investigation into human rights abuses with the Italian government if immunity is granted to Pope Benedict.

The larger point here is that no man should be above the law, especially regarding ongoing global criminal sexual abuse of children. No bank is too big to fail, and no man should be too "great" or "holy" to prosecute.

The church has an opportunity to come clean and show, possibly for the first time, that protecting the rights and lives of children of the faith are more important than that of the reputation of the church.

Holding one's breath is not advised, but that does not mean that as a global community we should not speak out. As adults, we are the custodians entrusted with protecting our children. Arm them with information so that they may know a good touch from a bad touch. (Read "Good Touch, Bad Touch: Teaching children the difference" by Jennifer McLeod.) Talk to them so they feel comfortable telling you when someone has violated their person or tried to violate their person. Be vigilant and know who your child is associating with, and pay attention to changes in his/her behavior or personality. Signs of Child Sexual Abuse

Finally, don't shy away from doing what is right, even if that means prosecuting a priest or someone you used to trust.

Subject: Ultimate Trust - Trust in your own Soul

In Satanism we are encouraged to show faith and Trust in Satan. Not the blind form of 'trust' the enemy religions preach and enforce their followers to show. We have unshakable facts about how real Satan is, and how close He is to all of us. Therefore, especially those who practice meditation and experience Satan's miracles, know for a fact one thing. Satan encourages us all to find the God within. Unlike the enemy foolish entities, Satan teaches us to find the God within ourselves. Father Satan is a God and He knows who He is. We praise and hail Him by our own desire, thank Him by our own desire and fight by our own desire. Nobody is enforced to obey or praise Satan. Satan bestows freedom and the power of the Satanic Soul. The Soul that has found its creator and is entirely connected with Him again.

Many times we are faced with strict opposition, and even circumstances that make it all seem like its too much. Satan being the God He is, never lets His followers down and never puts them into circumstances they cannot handle. When the chaos is over we sit down for a while and think to ourselves, damn,

Satan never let me down. Because Satan never abandons anybody. Our Father cares for His family, unlike the false promises of the enemy. Many times in our lives we are faced with circumstances that push us to show our Trust and our Faith in Satan. But these terms mean nothing of what we thought they meant. Satan changed our lives, but how. Just by making us worship Him, or just by doing things for us. Maybe that too. But Satan leads us all to the ultimate enlightenment of self realization. We have heard many times that we should 'know ourselves'. While all others are preaching the preach, we do the goddamn thing of self knowledge. With hardship, pain, bliss and pushing ourselves above the limit, we are realizing that we are in fact limitless, limitless with our Father Satan.

So why does Satanism encourages meditation? Its all around the Ancient world, its all around in Alchemical allegories, its all around, even being said by the mouths of those who never applied it: "Change what is within and what is without shall change". How many times we hear the petty talk of outsiders that supposedly fight to change themselves and their lives, while all they do is change things at the surface. While us, Satanists, work with the source of goodness and power who is Satan and our Mighty Gods. That lead us to our True self. We are at the point of maturity that the more we advance, we look back and we realize errors, mistakes, and see our past self like a snake sees his old skin. Its nothing we have on ourselves now. When we proclaim that with the power of Satan we are freed from all error and delusion, it happens. In time our answers are given to us. There is no confusion and no fear.

We advance and evolve, doing what nature intended from the beginning. What we do at this age is a brave move and a move of power that will signify the wheel that will turn. On the heads of our enemies. Those who suppressed Humanity are going to receive the might of Humanity and the might of Satan. Many of us have experienced the boiling hate of Satan for His enemies. We can all feel the wind of victory on our skin, but we must not let it overtake us.

The purpose I'm making this post is a simple one. You must all stay strong. As we can all sense to a degree and we know that there will be hard times. Satan wants you all to gather your powers NOW and not later. Empower yourselves to the maximum you can right now. This aside with the guidance and help from Hell will signify our survival in the coming times. Satan is giving us new knowledge and we must all keep open for any gifts He wants to bestow to each and every one of us.

Faith and TRUST in your own Soul is going to save your ass. When circumstances call you to look on the floor and eat the mud, remember that you have an immortal Satanic Soul that will make your body immortal and your existence will never perish. For some sooner, for some later. But for everyone. Satan has plans for everyone of us. If anyone feels at loss, or without a job here, go straight up to our Gods and seek your purpose! Do not look on the dirt, look upon the stars. Many of us are going through rough patches but we must all keep in mind Satan's unending power. Many times when we experience confusion or feel alone, no, its not our God being away from us, its that we need to take a step. Be confident in Satan. The more you open up to Him, the more power you are going to gain and the tighter the bond with yourself and Him. Trust in your own self. If the Nordic Gods made it to live eternally, then we are making it. Because we are their offspring and nothing less.

A last point. The enemy or our own programmed mind, may try and cause all sorts of ideas, feelings, and even circumstances to keep us away from Satan. KNOW that everything that keeps you away from the ONE WHO CREATED YOU, are nothing but bad news. Strike the enemy on the face and see them crumbling. I AM A SON/DAUGHTER OF SATAN YOU FUCKING ENEMY! DO NOT LET THE ENEMIES OF YOUR SOUL AND EXISTENCE KEEP YOU BACK! THE MORE YOU BEAT THEM, THE LESS THEY WILL OPPOSE YOU! THEY CRUMBLE IN THE IDEA THAT YOU WILL BECOME AS OUR ANCESTORS, THE NORDIC GODS! All actions of attack by the enemy towards you, treat these as a fearful scum trying to stop you. Raise your hand and Salute our Creator.

Trust in your Souls power, to keep you safe, healthy, prosperous, empowered and even Immortal. This way you show belief to who CREATED YOU! Do not

look down on yourselves in anyway! If anything bothers you, remember we have the ability to fix it all.

To all our faithful Warriors, stay strong in our Father Satan. For He is right there, right inside your own Soul!

HAIL SATAN!!!!!!!!!!!!

Amin's Chinese Halal Restaurant

57 William Street , Newark , NJ 07102

This restaurant got closed down yesterday. It was told by a reliable source that PSEG needed to use Amin's entrance in the basement to assist another shop that was having a gas leak, the service worker went into the basement of Amins and discover a butcher chopping meat, that's fine, but he was putting the meat in a crate on the floor (not good) but wait there's more, there were 20 dead rats on the floor. The service worker left the site told his boss and the city inspectors moved in. They noticed that the so called "rats" which were reported were no longer there. The inspectors then came across a padlocked door and instructed one of the cooks to unlock it. This is what they found other workers doing outside behind the restaurant. When the inspectors went into the kitchen this what they found

A rat race for restaurants despite risks

By ZHENG CAIXIONG (China Daily)

GUANGZHOU - Many restaurants that feature rat meat dishes are enjoying brisk business in Zhongcun town of Panyu district in this Guangdong provincial capital, though medical experts warn of hidden safety risks.

The rat dishes are so popular that diners sometimes have to book in advance for a meal in some restaurants during peak hours.

A staff member from the Jijiao street restaurant said rat dishes have been a major attraction at his restaurant for decades.

"The restaurant can now sell more than 40 kilograms of rat meat dishes a day," said the employee, who wished to remain anonymous.

Rat meat can be roasted, braised in soy sauce, stewed or cooked in soup, he said.

One kg of rat meat costs diners about 50 yuan (\$7.3), while the restaurant purchases the raw rat meat at about 15 yuan per kg, he said.

Every day, several cages of rats are displayed in front of the restaurant to lure diners during business hours.

According to the anonymous staff member, most of the rat sold at the restaurant are field mice purchased in Zhanjian city, the western part of Guangdong, Guangxi Zhuang autonomous region, Hunan and Jiangxi provinces.

"Diners who visit the rat meat dish restaurant come from around the country," he said.

Other restaurants that sell rat meat dishes are also reportedly experiencing robust business in Zhongcun town.

A Zhongcun resident, surnamed Tao, said local people have eaten rat meat dishes for decades and that many find them to be both delicious and nutritious.

Many local residents believe in an old saying: "A rat equals three chickens in term of nutrition," he said.

"And the rat meat dishes can help cure baldness and prevent hair from turning gray."

In addition to the rat meat dishes sold in many local street restaurants, rat meat is also made into cured meats that are sold in local bazaars as special local products.

The growing number of rat meat restaurants in Zhongcun has raised the concerns of medical experts, as well as those of some residents who dislike the dish.

Lin Lifeng, deputy director of Guangdong provincial center of disease control and prevention, said rat meat usually carries various viruses and bacteria that are harmful to people's health.

"It is groundless and lacks scientific evidence that rat meat is highly nutritious and can help cure baldness," Lin said.

He urged people to avoid eating rat meat dishes, because rats carry many infectious diseases.

Those who engage in catching, transporting, slaughtering and cooking rat meat are also at high risk of being infected with diseases, Lin said.

Chen Yingyun, a white-collar worker in Guangzhou, suggested that relevant government departments should ban the eating of rat meat to prevent diseases from breaking out and spreading.

"Most of the mouse meat is actually from sewer rats, rather than field mice, since most of the rice fields and farmlands in the Pearl River Delta have been occupied by industrial projects and housing estates in recent years," Chen said.

"The Cantonese people should not dare eat all kinds of animals," she said.

Subject: Temple of Venus in Greece is Getting Destroyed

The following short text is translated from a Greek news site:

"The mayor of Thessaloniki (in Greece), Mpoutaris (a known Jew) has given the order to cover up with debris the Temple of Aphrodite/Venus. At the same time the aforementioned mayor is using the Greek money to build Muslim temples and synagogos."

Here's a video that displays the Temple of Aphrodite/Venus and the debris that's about to cover it soon hiding it from the face of the earth.

The jews are taking advantage of the economic war that is happening in order to hide their tracks. They are destroying and hiding every proof/evidence that can be used against them and expose their lie.

Subject: Powerful Working for Money.

Father Satan wants all of us to have money and no longer be economical slaves and to come to our own on this lifelong problem that torments many if not most of would need for getting money would take a book and I cannot do it now, but I am giving a trick right here that will empower your money working(s) very much.

Before I go into the working and everything, I will have to explain a little bit the anatomy of the Soul and how this works in money magick. This can be skipped and go straight to the working, but I would advise knowing the mechanisms first [Some know already, but some do not], as to realize how the method works all in itself. Not to make it sound too tiring or completely outlandish, I will do my best to compose the Hell out of it.

As we know the Soul is composed from Fire, Water, Air, Earth and Ether elements. Many cultures and all talk the talk about this, but the purpose of the post is to give you a fine line on how this relates to magickal success, before I move to the working itself.

Money and wealth are of the Earth element. The Aura has all the abilities of the elements. Long story short, you need to read on the elements of the JoS to understand how they relate to what. For this that I'm going to write we will need just two main points. First point, Earth and Water are magnetic. Fire and Air are electric. Electric and Magnetic energy are basically what the Universe is all about. Our Soul is composed of those elements. Subtly, the Elemental setup of our Soul determines the powers of someone's Soul. Balancing the elements and having them all in balance conveys an important message.

One can see how they are setup elementally through their natal chart. According to their elemental balance and setup in the Soul, working on certain magickal workings will lead to success or failure. Though this all relates to other factors that I would write later on as this could take a book now. To make this simple as it gets. A person with Air in the Soul would have a natural skill of casting air magick, communication, inciting people to have no emotion at all or whatever. A person with fire wouldn't have much of a problem with their confidence, or destruction magick. A person of water would have less of a problem casting a love spell and making it right, since they themselves have more earth and water in the Soul. A person balanced between the Elements [although this is very rare and never 100% of a balance]

As above so below. Elemental setup shows what's within and by the nature of the universe, what is within is going to show without. According to all the above, our Aura has an electric and electromagnetic property. Magnetic energy acts as a magnet. It either repels or brings closer. Electric energy acts as electricity, it passes by and energizes things depending on the energies of your own Soul, determines your magickal success. I am doing my best to put this in the simplest words I can and I believe most will get it. Magnetic energy that is of the Earth element magnetism, will draw towards you things of the Earth element. Things according to that element.

In simple words. Increasing either the Earth element or the Magnetic power of your Aura, will increase your power to draw things to yourself. Material things. Since the Earth is Female energy, it has the ability to give birth and is associated with the right side of the brain, the Ida nadi. Which is the source of creation. All these work in analogy and need to be understood than written down.

I note this is an add-on you can add to your magickal workings in regards to money. The Aura is a holy force that is the connection of Magnetic and Electric powers together. Electromagnetic. It also contains the carrier of energy, which is light. Therefore with that being said, you need to think of it that way. Your Aura has a certain power that draws money and is Magnetic and related to the Earth element. Many people with predominant Earth element are more powerful in acquiring wealth, seen from one side of the Soul actually acts like a vacuum that draws in the money and other physical things.

Enough of freaking theory now. Lets get down to practice.

***NOTE: TAKE INTO CONSIDERATION YOUR LEVEL OF DEVELOPMENT AND NEVER LET YOUR ENERGIES DROP. HOW MUCH MONEY THIS WILL BRING IS RELATED TO YOUR LEVEL OF DEVELOPMENT. NO MATTER WHAT DO NOT QUIT THE WORKING BEFORE GETTING THE 40 DAY CYCLE, WITHOUT LEAVING A DAY OUT.

-----THE WORKING:

YOU MUST PICK ONE MONEY SPELL YOU FEEL COMFORTABLE WITH, BEFORE YOU ADD-ON THE OTHER METHOD I'M GOING TO ADDRESS. IT WILL ADD UP ON YOU WHILE MAGICKAL SPELLS WORK ON GETTING YOUR UNCONSCIOUS TO WORK, THE METHOD WILL BASICALLY PROVIDE MORE AND MORE FUEL FOR THE PROCESS.

Here are the money spells. Choose one that feels comfortable and the rest is inside the PDF:

http://f1.grp.yahoofs.com/v1/gLAjUd9humG_9YxAIpfuZW89bpqAd46p8WduqVoSCXaXk1y5-EVlfjyUyTTk3bgp7cufEF0DTbtZ-VIOSfIEBVS-UWBjM9DK8QiTieo/MONEY/

AFTER YOU CHOSE ONE, UNDERSTOOD HOW TO DO IT, READ BELOW:

The little additional tricks that will do the 'miracle' is simple, yet of amazing power. It took a whole essay to explain what mechanism makes it possible to attract money. By knowing the mechanism I found a method that actually gets to empower the source of your Aura's ability to draw money. I explained what this source is and the method is as follows:

The Runes we will be using for this are either Odhal or Fehu. Both Runes are associated with Wealth and Riches. Additional Runes that are for a more general and Sowilo and Raidho. Use which one you feel applies to the working at hand. I would say Raidho or Fehu work best. Use whatever variation feels comfortable to you.

So as it was being said, your Aura has a certain power, to draw money to you. This power could be weaker or stronger. Do not care about this. What the little trick is empowering this CERTAIN ABILITY OF YOUR AURA, TO DRAW MONEY. This will in turn enforce your other working of money, since the Aura is doing all the job in reality.

Bear in mind that this WILL NOT leave you depleted of energy, neither you will spend any energy. This is like a meditation, but should be practised on a consistent basis.

-----The meditation is as follows:

Keep these numbers below to yourself. Just make sure you can do this for like 40 days. So do not do a supreme number and let it down later.

Inhale Gold energy from the Sun [Although the Sun is optional for this, you can just use the Runic energy that you will Raise later]. This done out in the Sun is a straight success. Like anything else, day and hour of the Sun are the best. Inhale energy from the Sun and think in your mind with intent, that every breath you take, this energy empowers the ability of your aura to draw MONEY to you, IN A POSITIVE WAY.

After you have completed like 20 breaths, Start vibrating the Rune of your choice right into your Aura. 20 breaths, 20 vibrations, or anything.

Start vibrating into your Aura, FFFFFFFF-EEEEEEEE-HHHHHHHHHH-UUUUUUUUUU. See the Rune Fehu right into your Aura, vibrating and giving out so much energy.

blinding.

When you're done, affirm intently 8 times: "The energy of the Rune Fehu is empowering the ability of my Aura to draw money to me, in a positive and fast way for me."

Or something like "The energy of the Rune Fehu is empowering energy that draws money into my aura in a positive way for me, permanently". Adjust this, but you

YOU EMPOWER THE ABILITY OF YOUR AURA, SPECIFICALLY FOR A PURPOSE. THIS IS NOT PROGRAMMING, THIS IS EMPOWERMENT OF A SPECIFIC ABILITY AND OF CRUCIAL IMPORTANT IN THE GOAL SET, ACQUIRING MONEY.

You're done. What you did right now is empower the Source that determines the success and outcome of your money working. Depending on how much and for how long you will empower the source that determines how much money you will draw to yourself, thus empowering your workings in regards to money gain, all together.

I am short on time, but I see there are some questions I need to answer in a few of the groups, so I will include all my answers here.

Money, money, money... Yes, the world economy is beginning to collapse. Don't wait until you are hurting [as I know many are], even if you are now financially ok, do the money working. Because money is in such high demand, there is a huge competition and you will have to work harder and put more energy into acquiring it if you are having problems. It is like the death grip. The Lakshmi mantra is very effective, which is found in the pdf copy in most of the groups in the files' section. Do a Satanic rosary with this every single day, after reading and understanding the entire pdf. This has to be for 40 days and then for some who are having more difficulty, more 40 day sessions have to be done.

Everyone is individual, but for most people, workings need to be repeated for a time to be fully programmed into your soul and aura. Healing and such are much like giving antibiotics in the way that even after some immediate improvement, the medication has to be taken for 10 days [usually], to completely eradicate the harmful bacteria that is causing an illness. I am only citing this as an example. Unless someone is exceptionally powerful [this is rare], or is working in a coven, individual workings need to be repeated daily to build enough energy and to make the energy permanent and in the case of money, even after a full 40 day working or even 80, or 120 day working is effective, the affirmations will more than likely need to be reinforced at times. There is tremendous competition regarding money in this world, like nothing else.

Now, as for ritual props. There is a thread regarding the use of the bell and such in the main JoS e-group. Again...having ritual tools, a formal altar and such are not necessary; these are only nice to have as they can provide an atmosphere and focus. Many teens for example cannot have any Satanic items as these could invite disastrous consequences from parents, and other adults.

The powers are within your mind and soul, NOT in the material props, which upon closer examination all symbolize important ALLEGORIES. The bell for example symbolizes reverberation. Strike a bell and the sound will reverberate for a bit, depending upon the particular bell. Larger bells such as those in towers have a longer reverberation. Now...this has to do with vibrating mantras and words of power into one's soul...these reverberate within the soul. Sound not only can change the structure of the soul and chakras and also the aura of anything, but also if applied properly, will bring intended events to manifest in reality. This is scientific, as everything in the universe vibrates, given all molecules and atoms are in constant vibration, and pulsating to a particular rhythm. The entire universe pulsates with vibration to a certain rhythm. Sound is the most effective and powerful way to alter certain rhythms in the soul that make particular events manifest into reality. This is the hidden meaning behind the bell.

The chalice represents the chakras. The full purpose of the ritual is to have the necessary power to make something desired to manifest on the material plane. When one performs the invocations, turning to each direction at the beginning of a Satanic ritual, this symbolizes the invocation of the elements. Elements = more power. When performing an important ritual that is directed to bring about an event or change in one's life circumstances, one should have as many astral factors as possible bolstering the working. The earth has a magnetic field, obviously as we know from science, and by correctly aligning one's soul with that magnetic field, one will increase one's powers. This is all advanced though. The standard Satanic ritual works for beginners as this is effective in familiarizing one to the more complicated and advanced aspects.

Now, there are other concerns that were posted...one being depression. When we do power meditation, it is important to make sure it is done every day.

Different things can sap one's energies, such as overwork and worst of all, skipping meditations. Another thing I need to bring up is the more open your soul becomes, the more you will often feel the feelings and emotions of others. Getting hit with a drape of depression all of a sudden, for example...this may not be you, but someone else, of whom you are picking up on their emotions. To find where the depression or any other emotions, and yes, even thoughts are coming from [many of our thoughts are not our own, but can come from others in our environment and through meditation, we open our souls to more awareness of this], to determine whether a thought or feeling is your own or someone else's, engulf yourself in quintessence/ether. Anyone can do this, just visualize yourself for a few seconds surrounded by an ultra-violet light, like 1970's black lights that used to make posters glow. If the feeling goes away, it is not your own. If it stays, then it is yours. The quintessence can also give you the ability to be undetected and to hide. If you are ever in a situation where you do not want to be noticed, engulf yourself with quintessence/ether.

In closing, someone in the teen group posted regarding feelings of being physically attacked and strangled during sleep. This is more than likely a human being who is very adept and strong at astral projection. Spirits often got a bad rap from this sort of thing and also from other things of this kind in the older days. Many a time, what one is dealing with is a human being, not a spirit, although anyone experiencing this kind of thing should call upon Satan, as Demons will make quick work of any human being who is an enemy to Satanists and is trying to do these things. Again, people who can do this prey upon weaker souls. Opening one's mind and soul will bring much knowledge and sometimes experiences, both favorable and unfavorable, but these are actual none the less. When one's mind and soul are open, one can deal with these kinds of things instead of being unknowing and ignorance is always a victim.

Subject: Some Things to be Aware of 2/20/13

A member posted this message and I strongly encourage everyone to read this:

<http://groups.yahoo.com/group/JoyofSatan666/message/86512>

The jews will do anything to 'save money' regardless of how unethical it is to others, even their own. I just signed an online petition for the state of Oklahoma to ban horse slaughter. There is now an expose regarding the use of horse meat in frozen prepared foods, formerly unbeknownst to consumers. I also remember over a year ago or more, some bacon we got was most unusual when I fried it up and did not even resemble bacon. Now, jews do not as a rule, if they are practicing their judaism, eat any pork, as it is not kosher. They also do not mix their meat and dairy or eat shell fish. Given the products with the horse meat were like lasagna [one news clip I saw] which mixes meat and dairy, this is not kosher so many would not touch it. This sort of thing is for us 'goyim.'

Now, the above post that I included informs us of rat meat [which according to many sources tastes just like chicken and one can hardly tell the difference]. Anyone who knows a bit of history is aware of the many deadly plagues; the Bubonic Plague for one, which wiped out 3/4 of all of Europe, and how these are spread by rats, as rats carry many parasites and lethal diseases. Several Chinese restaurants have been shut down in different parts of the world for using rat meat and passing it off as chicken in their dishes.

Now, take this a step further and open can see a trend. How long will it be before those kikes in control will be chopping up and 'rendering' euthanized dog and cat meat from animals destroyed in pounds and shelters?

They already do this very commonly with pet food. For anyone who doubts this or who wants more detailed information, type in 'rendering' into any search engine for more proof and articles and please watch these youtube videos:

<http://www.youtube.com/watch?v=03jOI1xG084>

http://www.youtube.com/watch?v=iim_U6uE-sw

The above youtube videos have news clips from several years ago, but unfortunately this is ongoing and has not only not stopped, but is getting worse. Many dogs and cats are dying of kidney failure. It begins given the toxins from China in pet foods with explosive diarrhea and vomiting and given the severity, the pet then collapses and dies. My own experience and opinion on this given two of my cats got sick is that this toxic waste [which the jews save extra money as they do not have to dispose of it from their factories properly, which costs- no different from flouride in toothpaste], it is put into some of the kibble for pet food, not all, and from this only some of the kibble contains the toxins, not the entire bag and this makes it much more difficult to prove, but this is only my own personal opinion given the experience I had. I was lucky in that I was able to heal the both of them and it took an enormous amount of energy to do this, by the Grace of Satan.

Given the world is becoming more and more under jewish control, what will be next for us Gentiles in the way of food, and other things we consume such as vitamins, aspirin, toothpaste, and so forth?

Here is more and what prompted me to write this message; the following are excerpts with a link at the end:

'Your Soup Bowl

In the latest shocker, a pilot study published in JAMA Internal Medicine reports that when hot food is served in plastic bowls made from melamine, the chemical leaches into the food, raising risk for kidney stones.

Popular because they're unbreakable, melamine bowls are widely sold online, often in colorful patterns designed for kids. Melamine is FDA-approved for use in plastics, but not as a food additive. The chemical made headlines in 2008 when some Chinese manufacturers of baby formula mixed melamine with milk powder, resulting in six deaths and 300,000 babies getting sick after drinking the tainted formula.

In the study, volunteers who ate one serving of hot noodle soup from melamine bowls excreted eight times as much melamine in their urine as those who ate the same soup from ceramic bowls. While it's unclear if the amount found in the study would cause any harm, melamine has been linked to kidney failure

and even cancer in animal studies, according to the World Health Organization.

How to protect yourself: The FDA warns against using melamine dishes in the microwave. You may also want to use ceramic dishes for hot foods.'

'Your Nonstick Cookware

Cookware with non-stick coatings may be easier to wash, but it also contains PFCs, which can have harmful effects on fetal and postnatal growth and even contribute to obesity and diabetes. Elevated exposure of these chemicals is associated with an impaired humoral immune response to routine childhood immunizations in 5 and 7-year-old children, according to a recent study published in the Journal of the American Medical Association.

A study published in Environmental Health Perspectives found a link to low birth rate as well. And nonstick cookware can release toxic chemicals when used at very high temperatures.

How to protect yourself: Consider replacing cookware such as Teflon with stainless steel or cast iron, especially if you are pregnant. Do not put nonstick cookware in an oven at high temperatures (above 500 degrees). Run an exhaust fan while using nonstick cookware.'

Link to full article:

<http://health.yahoo.net/experts/dayinhealth/hidden-toxins-your-home>

I will also add that 'kosher' labels are not only on foods to make sure jewish consumers are aware and protected, but also on laundry detergents, saran wraps, tin foils and other non-food items to ensure that jewish consumers do not eat what is intended for 'goyim.' The jewish derogatory word for Gentile is 'goyim' and this means 'cattle.' For how the jews treat cattle, look up 'industrial farming.'

Subject: Election of pope airs church's dirty laundry

VATICAN CITY (AP) — Popular pressure is mounting in the U.S. and Italy to keep California Cardinal Roger Mahony away from the conclave to elect the next pope because of his role shielding sexually abusive priests, a movement targeting one of the most prominent of a handful of compromised cardinals scheduled to vote next month.

Amid the outcry, Mahony has made clear he is coming, and no one can force him to recuse himself. A Vatican historian also said Wednesday that there is no precedent for a cardinal staying home because of personal scandal. But the growing grass-roots campaign is an indication that ordinary Catholics are increasingly demanding a greater say in who is fit to elect their pope, and casts an ugly shadow over the upcoming papal election.

Conclaves always bring out the worst in cardinals' dirty laundry, with past sins and transgressions aired anew in the slow news days preceding the vote. This time is no different — except that the revelations of Mahony's sins are so fresh and come on the tails of a recent round of sex abuse scandals in the U.S. and

Europe.

This week, the influential Italian Catholic affairs magazine *Famiglia Cristiana* asked its readers if the Los Angeles-based cardinal Mahony should participate in the conclave given the revelations. "Your opinion: Mahony in the conclave: Yes or No?" reads the online survey of one of Italy's most-read magazines.

The overwhelming majority among more than 350 replies has been a clear-cut "No."

The magazine is distributed free in Italian parishes each Sunday. The fact that it initiated the poll is an indication that the Catholic establishment in Italy has itself questioned whether tarnished cardinals should be allowed to vote — a remarkable turn of events for a conservative Catholic country that has long kept quiet about priestly abuse and still is deferential to the church hierarchy in its backyard.

That initiative followed a petition by a group in the United States, Catholics United, demanding that Mahony recuse himself. So far 5,600 people have signed the petition, according to spokesman Chris Pumpelly.

"It's the right thing to do," Andrea León-Grossman, a Los Angeles member of Catholics United, said in a statement on the group's website. "In the interests of the children who were raped in his diocese, he needs to keep out of the public eye. He has already been stripped of his ministry. If he's truly sorry for what has happened, he would show some humility and opt to stay home."

Mahony, however, has made clear he will vote. "Count-down to the papal conclave has begun. Your prayers needed that we elect the best pope for today and tomorrow's church," he tweeted earlier this week. He promised daily Twitter updates.

Cardinal Velasio De Paolis, one of the Vatican's top canon lawyers, told The Associated Press that barring any canonical impediments, Mahony has a right and duty to vote in the conclave. At best, he said, someone could persuade him not to come, but De Paolis insisted he wasn't suggesting that someone should.

Bishop Charles Scicluna, the Vatican's former sex crimes prosecutor, said it was up to Mahony's conscience to decide whether or not to participate.

"It's not an easy situation for him," Scicluna was quoted as saying by Rome daily *La Repubblica*.

Last month, a court in Los Angeles ordered the release of thousands of pages of confidential personnel files of more than 120 priests accused of sex abuse. The files show that Mahony and other top archdiocese officials maneuvered behind the scenes to shield accused priests and protect the church from a growing scandal while keeping parishioners in the dark.

Mahony was stripped of his public and administrative duties last month by his successor at the largest Catholic diocese in the United States. But the dressing-down by Archbishop Jose Gomez only affected Mahony's work in the archdiocese, not his role as a cardinal. Gomez has since urged prayers for Mahony as he enters the conclave.

Mahony has responded directly and indirectly to the outcry on his blog, writing about the many "humiliations" Jesus endured.

"Given all of the storms that have surrounded me and the archdiocese of Los Angeles recently, God's grace finally helped me to understand: I am not being called to serve Jesus in humility. Rather, I am being called to something deeper — to be humiliated, disgraced, and rebuffed by many," Mahony wrote.

He said in recent days he had been confronted by many angry people. "I could understand the depth of their anger and outrage — at me, at the Church, at about injustices that swirl around us," he wrote. "Thanks to God's special grace, I simply stood there, asking God to bless and forgive them."

Mahony declined further comment Wednesday, according to the archdiocese spokesman Tod Tamburg.

Mahony is scheduled to be questioned under oath on Saturday as part of a clergy abuse lawsuit about how he handled a visiting Mexican priest who police believe molested 26 children in the Los Angeles archdiocese during a nine-month stay in 1987. The Rev. Nicolas Aguilar Rivera fled to Mexico in 1988 after parents complained. He has since been defrocked but remains a fugitive, with warrants for his arrest in both the U.S. and Mexico.

Historian Ambrogio Piazzoni, the vice prefect of the Vatican library, said there was no precedent for a cardinal staying away from a conclave because of personal scandal, though in the past some have been impeded either by illness or interference by governments.

Regardless, he said, any decision to stay away would have to be approved by the full College of Cardinals given that the main duty of a cardinal is to vote in a conclave.

"The thing that characterizes a cardinal is to be an elector of the pope," he told reporters.

Italian newspapers have been filled with profiles of the cardinals whose presence at the conclave would be an "embarrassment" to the Vatican. They include Irish Cardinal Sean Brady, accused of covering up sex abuse; Belgian Cardinal Godfried Danneels, whose offices were searched in 2010 amid a crackdown on pedophile priests by Belgian police; and Cardinal Justin Rigali who retired as archbishop of Philadelphia in disgrace after a grand jury accused him of keeping credibly accused abusers on the job.

Dirty laundry was also aired in the run-up to the 2005 conclave that elected Cardinal Joseph Ratzinger as pope.

Argentine Cardinal Jorge Bergoglio, for example, was cited in a criminal complaint just days before the conclave alleging involvement in the 1976 kidnappings of two fellow Jesuits during Argentina's dark years of military dictatorship. The cardinal's spokesman at the time called the allegation by a human rights lawyer "old slander."

According to the only published account of the 2005 secret balloting, Bergoglio came in second place.

Syrian Rebels Attack Lebanon, Vow to `Eliminate' Hezbollah

My note. Its been known the "rebels" are mostly non-Syrian merc's and Sunni fanatics shipped in from all the ME. And are organized and used by the Jew World Order, through various channels. They were to open up Syria for NATO invasion and occupation. The same formula as in Lybia.

While the Sunni's and Shia's don't love each other. This move is tactically insane and makes no sense. Unless a person understands their controllers want to attempt to destabilize Israel's major enemy. Hezbollah.

As the article states:

"The FSA has promised to continue with its attacks until it "eliminates" Hezbollah across Lebanon. Given the Hezbollah militia's political wing is part of the ruling Lebanese government, this is a de facto declaration of war on Lebanon itself."

Other reports state the FSA has attacked the Russian embassy in Damascus. Russia has been an open ally of the Syrian government.

Iran is close allies with Hezbollah and the Syrian government.

The previous attempts to topple Hezbollah using Sunni proxies from within Lebanon failed.

Syrian Rebels Attack Lebanon, Vow to 'Eliminate' Hezbollah

FSA Claims 'Direct Hits' on Hezbollah Sites in Lebanon

by Jason Ditz, February 21, 2013

Print This | Share This

The Syrian Civil War has officially gone regional today, with the Free Syrian Army (FSA) announcing that it has begun attacking neighboring Lebanon as of 12:30 pm Thursday afternoon.

The FSA and other factions of the Sunni-dominated Syrian rebels have been fighting with Hezbollah, a Lebanese Shi'ite militia, for over a week over control of several Shi'ite border villages with large populations of Lebanese residents. The FSA has ordered the villages all "evacuated."

The FSA has promised to continue with its attacks until it "eliminates" Hezbollah across Lebanon. Given the Hezbollah militia's political wing is part of the ruling

Lebanese government, this is a de facto declaration of war on Lebanon itself.

The FSA has claimed "direct hits" in artillery attacks against Lebanon today, but in the near-term the fighting is likely to focus on riling up Lebanon's own Sunni population into rebellion, something the FSA has done to some success in the northern city of Tripoli, where they fueled weeks of sectarian violence late last year.

Subject: Re: [JoyofSatan666] Re: Greece is waking up.			

This is from a response to a post that i'd like everyone in the groups to read...

I'd like to add something to this subject...

this is going to be a long post... but i believe it will clear a lot

even though the Greek political party Golden Dawn is at first thought as a good blow to the political caste in Greece... though it's very shallow to see any opposition they bring as "a good change".

- 1) As HoodedCobra already stated... the Golden Dawn is xian infested
 - 2) At the core they appear to be racially aware people that protect Greek xian orthodox interests
 - 3) Most people around the core are guided by emotion and not logic (the same kind of emotional state that rules the enraged fans of a losing football team)
 - 4) They don't have any political suggestions that improve the state of this country or solve any problems
 - 5) they state that by eliminating any non-xian orthodox and any non-greek... they will solve any problems
-

But here are the problems they can potentially cause (respectively to the above 5 points)...

- 1) if they establish political control... the xian church also remains alive through them as it is one of their core beliefs as a party (it's a way for the jews to infiltrate the nazi party and ruin it from the inside)
- 2) there are a lot of Gentiles that are not xian orthodox and the Golden Dawn party is fighting against them (i'll come to this point again)
- 3) A group of people that are ruled by emotion are very easy to control by just a few coward and cunning people (obviously the jews)
- 4) If they take political control in any way... they will ruin more than they will build with the Greece as a country being the loser (under the jew's full control)
- 5) and this will cause the same problems as (3) we'll attack our Gentile brothers

To get the bigger picture... there are a few point that are needed to be understood

For the last 2 years (if I'm correct) the Greek tv stations have bought several Turkish tv series and air them in their prime times (times where most people watch tv programs).

No Greek shows are being aired during prime time... and the tv stations state as an excuse that the cost to make Greek tv series is too high. So it's cheaper for them to buy the rights to the Turkish tv series.

And i ask you... WHY TURKISH?... they could buy American or English or Italian shows (far more successful IMO)... but they bought Turkish shows

ALL MAJOR TV STATIONS (jew owned/guided) BOUGHT TURKISH SERIES

Next point... (it'll make sense in the end if you haven't figured it out yet)

In the name of the economic crisis... our military is being disarmed... unable to function properly

- 1) No funds are given to the military for training with military drills... every military drill is going to be done in paper and not in action... this way the very well trained military will lose it's practical experience
- 2) The military air traffic highways are reduced from 32 to 4 (if i remember correctly)... this means that the air force in a sudden attack could launch 32 combat aircrafts... and now it can launch only 4
- 3) Thrace at the north west part of Greece has the largest muslim/turkish population in Greece

<http://maps.pickatrail.com/europe/greece/map/thraki.gif>

They are planning for years to that that region from Greece... because it's a great military concern for Turkey as it's the first point of attack and has a great military front.

Greece has a lot of Minerals/Oils and valuable stuff like that... and everyone in the world wants a piece of this (and obviously jews)

Final point....

A lot of muslim immigrants have come to Greece in the last 10 years... a few years back at the 2004 olympics (this was THE GREAT CAUSE of the economic crisis in Greece) a lot of immigrants came to earn money by working in the many constructions.

After the 2004 olympics though... a lot of them stayed... still working... doing basic labor work

A few speculated that they came to Greece and worked in order to take a European Citizenship... and then go to a more advanced country (like germany, switzerland, france etc.)

they say...

that today the Greek population is about 10 Million people and the immigrants that have Citizenship are about 1.5 Million...

THEY SAY THAT....

THEY STILL LIVE IN GREECE... THEY HAVEN'T MOVED TO A MORE ADVANCED COYNTRY... WHY?!

and in all that... there are the illegal immigrants... that are about 1 Million....

THEY SAY....

SO THIS MAKES ABOUT 2.5 MILLION IMMIGRANTS... COMPARED TO 10 MILLION NATIVE GREEKS

they say....

that's 1/4 of Greece's population... Guess what... in another 20 years they could be 3/4 of the population.

BUT DON'T BE FOOLED.... THIS IS JUST A FEAR TACTIC OF THE JEWS... THEY SAID ALL THAT

CONCLUSION...

THE JEWS ARE TRYING TO USE THEIR TRUSTY OLD WEAPON...
"RELIGION FANATICISM"

They are trying to bring Muslims here in Greece and incite a religion war...

IF WE'RE NOT SMART.... THEY WILL WIN WHATEVER HAPPENS...

The Golden Dawn party is the response THEY WANT!

they want political xian fanatism against the muslims... this way the church will get empowered... more people will run to the church and join in against the muslims... (like the brainwashed fools they are)

the jews are rubbing their hands with the golden dawn situation... i'm sure there are jews guiding this political party

If they manage to incite a religious war... it will be...
XIAN ORTHODOX vs ISLAM

and this would have to bring Russia in the religious war...

WAKE UP PEOPLE... SEE THE BIGGER PICTURE!
ALWAYS THINK LONGTERM WITH JEWS...

Muslims are also Gentiles... they are currently under the Islamic jew programs... they tried to incite this "religious" war in US and succeeded to a point.... why not try it with the EU also!

if we fall to this trap... we will kill our Gentile brothers... and the filthy jews will laugh at us!

BE VERY CAUTIOUS IN WHAT YOU THINK ABOUT THE SITUATION IN GREECE... IT'S FAR MORE IMPORTANT THAN IT SEEMS!

its a way to bring the jews back to europe and bring Russia into this!

I hope this explains a lot of things

I hope this all happens soon in Greece. Atleast in your homeland your people are on the same page. In America our culture is controlled and perverted in every aspect. People would rather party and lay video games than give a shit about their country. The reason for this is simple. No pride in their country. Their pride is only found in themselves. They do not feel one with their government so they go against it and use it. Hitler speaks of this subject.

Anyways, just consider yourself lucky that are people taking a stand against the Jews and xianity. Sure they might not have it quite right, but you know how that saying goes. "With each newly ignited flame, as each flame then casts a shadow of its own in his glorious name"
That may be a LITTLE out of context. I AM NOT la veyan but I do believe that Satan represents certain things such as rebellion and free thought. So in a sense the people rebelling in Greece, the golden dawn, are a flame of Satan. Eventually there flame will grow. Most GENTILE's flames will grow in time.

People will see this bastard FUCKING JEW 'christ' and all this CRAP for what it is. Therefore, with the right education and since the movement call themselves Ethnics, they will HAVE to accept the Truth. Live or leave with it. Even if someone's brain is stuck on the xian hoax, education in going to lead to the Truth, which will in the end be undeniable. Saying that Greeks were supposed to be xian is like saying that the Earth is flat.

Because the fall of xianity will give place to all these Paganists in Greece to speak up. And these people have knowledge in regards the religion of Hellenes, which is the same as any other Gentiles, worshipping our Gods. They are not aware of what True SS is. When they will be, those loyal to the Ethnic cause and open to the Truth will turn basically to us. Hitler wasn't a xian, but He was planning to eradicate xianity, as all High Ranking NS officials knew the whole Truth and had communication with our beloved Father Satan. They knew pretty much all of it.

And what Hitler planned to do for Germany, slow removal of xianity, will happen very swiftly. The 'Congressmen' of the Greek Political government actually fucked everything up. Many of which were known jews, while others masked jews or halflings. Nevertheless they did the job right to get Greece in the way it is today. Poverty, pain, a nation malfunctioning. So the Greeks got enraged and they wanted to get back into the Ethnic stance. They just don't let it go despite any facts. Ethnicism and Racial preservation and perverted by the xian morals and religion, very deep in the Greek psyche right now. Which calls in for a rude awakening. I mean whenever the Golden Dawn opens their offices, on their large meetings, hook nosed clergy are there and they even give lectures. Someone dares to talk about xianity to them or against that scourge and I can only imagine their reaction. Also there will never be ultimate peace until all jews are gone. They will just use all the knowledge they are given to further their ends. Very stupid of the Iranian people to give knowledge away like this. Everyone is going to get it and later turn their backs on them, certainly. All the above given what was said is True.

I know things have been a mess lately. I also know that the enemy has been attacking many of us all this month. Getting to the point...for years now, we have been attacking the enemy. The Catholic Church is in the shambles and is rapidly losing power. As for the attacks against us, the enemy isn't going to take that sitting down, and they haven't. The problems in the groups here and also many are having some problems offline, do not allow these to become a distraction. This is what the enemy wants.

There is an old adage: 'Nothing is over until it is over.'

We must not allow ourselves to become distracted, complacent or weak. That filthy, murderous, and truly vile institution of lies must be COMPLETELY AND THOROUGHLY DESTROYED UNTIL IT CAN NO LONGER GO ON OR CONTINUE IN ANY WAY, SHAPE OR FORM!

We must continue relentlessly in our curses and attacks. As we can see, our attacks from the past have brought results. Look what the attacks on the pope have done. This is not enough. Only when that vile organization of rot is completely DEAD, then we can rest. The catholic church is the root of xianity and the spiritual bulwark for the enemy, namely the jews to feed from, while the indoctrinated, the ignorant and the deluded pay out the ass for their own [and the rest of the Gentile worlds] DAMNATION!

Just because one someone uses occult powers, this does not make them a Satanist. The jews have been using occult powers for centuries and have been heaping the blame on Satan and Satanists, as with everything they do, they shift the blame onto Gentiles. This creates plenty of confusion, and also serves as a major distraction. Their source of power is the xian religion, the bible and the muslims, of which all tie into the energy necessary for them to carry out their agenda. For example, all of the characters of the judeo/xian bible are jewish archetypes. By tying into, and even worse, honoring and worshipping this vile filth, this creates the necessary connection for the jews to use the energy, as with jewish ritual murder, to accomplish their goals.

http://gbt.webs.com/Christian_Mass_&_Jewish_Ritual%20Murder.htm

http://gbt.webs.com/Jewish_Ritual_Murder.htm

Everything the xians accuse 'the Devil' of, really is of their jehova. By blame shifting, they create extreme confusion and distraction, as many people so readily accept what they are told. As for occult power, this is open and available to everyone for anything they choose to use it for, given they have the knowledge on how to use it and the power to do so. The xian programs provide an endless source of energy for the kikes to feed off of.

I have heard continually, especially when being accosted by xians when I was a teen, oh how 'the Devil deceives' 'how the Devil is very clever' 'a murderer and a liar' 'materialistic,' 'vain, arrogant, greedy, hates humanity' and loads of other lies. In truth, what they accuse Satan of is really their own god jewhova. 'He' is a master of deception. Just look at the millions upon millions 'he' has foold into believing he is our creator god and worshipping him. As for being a 'murderer and a liar' just when did Satan ever lie to anyone in the bible? Who did Satan ever murder? Look to the Old Testament for one on the endless

genocide of Gentiles at the hands and under the direction of that jehova. These Gentiles in many cases were killed for greed so that their land, and their material possessions could be confiscated by the jews and the women and children could then be violated and sold into slavery.

In the new testament, the nazarene orders his disciples- Luke 19: 27

27 But those mine enemies, which would not that I should reign over them, bring hither, and slay them before me.

Now, isn't that advocating murder? Not only that, but murder for exceptionally selfish reasons? Arrogance? His orders also included stealing and beating slaves.

http://see_the_truth.webs.com/sinning_nazarene.html

As for the judeo/xian religions, it is all material and no spiritual, other than the higher ranking ministry, who know the truth about spiritual power and use this liberally to enslave the masses, all the while blaming it all on Satan.

To clarify something else here, 'YHVH' and 'jehova' are collective terms for the groups of human hating aliens who are behind the xian program.

Subject: Tuesday March 12th Group Ritual- Incite Conflict Amongst jewish Rank

Purpose-

to incite conflict between jews

Date-

This ritual will take place on Tuesday March 12th. On this day the moon will be in the sign of Aries which will give us the following benefits

Projects begun when the moon is in Aries often begin with much enthusiasm, This is a good time for inciting conflicts, high energy, me, mine, war, knives, weapons, guns, quick results, fire, sharp things, metals, daring, sticking up for yourself, risk taking, inciting accidents.

This date falls on a Tuesday a day which is ruled by Mars which will give us the following benefits

sharp instruments, weapons of war, fire, quarrels, hurts by violence, male relations, enemies, strife

the energies on this day will be strengthened for Mars rules Aries

Time of Ritual

This ritual will take place during the hours of Mars

The only void moon in EST ends at 717AM, but check for your local area

Ritual Affirmations

Runic Affirmation- "The energies of (name of rune) are continuously working to cause hatred and separation amongst all jews, now and for all eternity"

Ritual Affirmation- "There is constant hatred and division amongst all jews, now and for all eternity"

Blood Affirmation- "the energies within my blood, within my life force are forever binding all jews into never ending conflict, hatred, division and death amongst each other, now and for all eternity"

Runes to be used

1.Kenaz- used to incite stupidity and works so that the victim will remain unaware. This rune can be used to direct and influence the emotions of others

2.Gebo- Can be used to bind another to an unwanted obligation, When used in Black Magic, it brings pain and sacrifice upon the victim with no reward. Used with the Isa rune, the combination is powerful in binding enemies.

3.Wunjo- Overconfidence, trust in wrong people, wrong things

4.Nauthiz- Used in black magic, it brings suffering and hardship

Extra Rune

5.Isa- Iss is a rune of binding and preventing action through hidden means, It is used to conceal and can render a victim unaware of impending personal disaster to where any actions attempted will be too late in coming. It is also used in preventing any action and can ruin planned activity, Used in ritual against another, it brings barrenness, prevents prosperity, causes depression, and serves as an obstacle to action. Can be used to cause paralyzing fear or obsession and to prevent or stop movement, both that of growth and disintegration

(Over all the Isa rune will keep the jew occupied for a while)

Sigil to be Used

The image will be the jewish star. Over top of this should be three circles. One circle surrounding the image, a larger one surrounding the first circle and an even larger one on the outside.

In between the center and second largest circles place the first four runes. Do this all the way around the space, with the same number of each rune being presented. Than in-between the second largest and outer most circles place the rune Isa four times. One on top, one on bottom, one on far right and one on far left.

Now in the center ovetop the image place the first four rituals so that the entire image is covered

Ritual Declaration-

For centuries it has been Gentile against Gentile, with our societies never knowing peace, under the old and now weak jewish rule. Far to many of our brothers and sisters have died, for us to remain silent for any longer. It is now time for the jewish state, for the jews to know what they have put us Gentiles through, but they shall experience such pain on a level they could not even imagine.

By the powers I (state your full name) raise here today it is the jew that shall know CHAOS!, it is the jew that shall know UNREST!, it is the jew who shall know CONFLICT!, it is the jew who shall know WAR, and it is the jew who shall know nothing but WAR within its disgusting ranks.

Hail Satan

Hail Beelzebub

Hail Astaroth

Hail Azazel

Heil Hitler

Heil Henirich Himmler

Hail To All the Gods of Hell

Hail To the Warriors of Hell's Infinite Army

The Ritual-

1. Before you begin do the following- raise your energies either through alternate nostril breathing or breathe of fire. This is to ensure you raise your energies during this destructive ritual and also to bring some extra energy into it. Next clean your ritual space of all conflicting energies by cleansing the area with blue satanic flames. See these flames burning over your ritual area and affirm they are doing their job.

2. Open the ritual using the basic ritual format found on the JoS or the format created by HP Vovim found on his site

3. Read your ritual prayer with passion and know it what is stated in the ritual prayer is occurring in real life

4. Burn the prayer or save it until the end and burn it with the sigil

5. Now place the sigil on your alter and begin by stating the ritual affirmation. As you are doing this see the entire sigil glowing in a dirty reddish-grey color

6. Begin with the rune Kenaz. Now begin to breathe, on each inhale repeat the runic affirmation, and on the exhale vibrate the rune. As you are vibrating see

all of the Kenaz runes on the sigil glowing in a dirty reddish-grey color. Do this for nine repetitions. After the ninth repetition repeat the ritual affirmation once more while seeing the entire sigil glow in a reddish grey color.

7. Move onto the rune Gebo. Now begin to breathe, on each inhale repeat the runic affirmation, and on the exhale vibrate the rune. As you are vibrating see all of the Gebo runes on the sigil glowing in a dirty reddish-grey color. Do this for nine repetitions. After the ninth repetition repeat the ritual affirmation once more while seeing the entire sigil glow in a reddish grey color.

8. Move onto the rune Wunjo. Now begin to breathe, on each inhale repeat the runic affirmation, and on the exhale vibrate the rune. As you are vibrating see all of the Wunjo runes on the sigil glowing in a dirty reddish-grey color. Do this for nine repetitions. After the ninth repetition repeat the ritual affirmation once more while seeing the entire sigil glow in a reddish grey color.

9. Move onto the rune Nauthiz. Now begin to breathe, on each inhale repeat the runic affirmation, and on the exhale vibrate the rune. As you are vibrating see all of the Nauthiz runes on the sigil glowing in a dirty reddish-grey color. Do this for nine repetitions. After the ninth repetition repeat the ritual affirmation once more while seeing the entire sigil glow in a reddish grey color.

10. Move onto the rune Isa. Now begin to breathe, on each inhale repeat the runic affirmation, and on the exhale vibrate the rune. As you are vibrating see all of the Isa runes on the sigil glowing in a dirty reddish-grey color. Do this for nine repetitions. After the ninth repetition repeat the ritual affirmation once more while seeing the entire sigil glow in a reddish grey color.

11. Now take a sterilized needle and make a small cut on your left index finger. Trace the Isa rune in your own blood in the center of the sigil while vibrating the rune. See your blood glowing in a dirty reddish-grey color while stating the following affirmation

"The energies within my blood, within my life force are forever binding all jews into never ending conflict, hatred, division and death amongst each other, now and for all eternity"

12. Sit for a few minutes and meditate on your desired outcome. See in your mind's eye the jews fighting and killing each other, see misery amongst the jewish ranks. Here be creative see them suffer, unleash suffering upon them, see them coughing up blood, see them loosing limbs, see whatever you can imagine. Think of all the death the poisoning they unleashed upon us Gentiles by poisoning our food and direct this anger into the sigil.

13. Burn the sigil while repeating the ritual affirmation for as long as it takes for the flames to die out.

14. Close the ritual

15. Cleanse your aura and raise your energies

Subject: The Final Rising of Nazism.

Satanism is freedom. Though many do not realize what this freedom is exactly. People try to put it in words, or say that certain behaviors indicate freedom. Freedom is something deeper. Its a spiritual thing. Its not solely related to freedom to buy things, or freedom to have sex with anyone, or freedom to go

clubbing. This is not freedom, or at least its only a part of the whole thing. A very tiny part.

Satan wants you to be free. Free in the Soul. To wake up and feel free, free from pain, suffering, misery. To look yourself in the mirror and to know that you will become a God as He intended. Many qualities are not to be put in words. Many important things will never be written in books. Satan gives a call to all of us, to advance ourselves and see for ourselves, the whole Truth of things. If we really desire to be free, we will be free only when those who oppose our freedom are gone. Namely the jews. They are the antithesis to all we are working on here.

While we all have questions and desires, all of them are being manifested and answered as we advance. People, like myself, would obsess over when they would Rise their Serpent, or when the 4th Reich or the Anti-Christ is going to arrive. When will it all be fine and the Truth and peace will reign on this world?

The answer is easy. When YOU will rise from the ashes and become yourself a living incarnation of the Satanic and NS spirit, then you will make sure it will arrive earlier. We're all in this together and Satan has plans. Lets all do what we must, meditate, educate other Gentiles and fight. Thats it, you're bringing the world and yourself in perfection.

The Rising of Nazism will reach its climax when our own personal Risings will occur, from a low level, to the level of the Gods. Our people have a chance now, not later. Lets not spoil it and make Father Satan proud.

There will be no sadness, no famine, no pain, no darkness. Only light. So us, the Children of Satan must bring the Black Sun forth and seal that age we live now, once and for all, in the past that is dead. Satanism = Nazism = Freedom. Lets destroy those who oppose us.

Many people wonder if Satan loves them. Or similiar things.

I tell you one thing; Satan awaits you with open arms.

Do your part, then.

HAIL SATAN!!!!

Just a warning for everyone...links to viruses are at an all time high right now. When approving messages, I ran across 25-30 that I deleted. The virus works by going through the contacts in your e-mail box and then sends itself out to everyone without your knowing. Some of these links have gotten through to the e-groups as well. Please do not click on any links unless you know exactly what they are.

Also, a member brought this to my attention:

The pronunciation examples on many of the JoS webpages are for American English, as I am American. Unfortunately, there are many different dialects of English and the examples are not accurate for every dialect. The examples AH rhymes with Saw; this is the correct pronunciation for American English, but not for some other dialects.

AUM and any words where it reads 'AH' are pronounced as the A in father.

Subject: The Yezidis and the Peacock

I was recently reading an older post of HP Don about the druids where the Yezidis are mentioned...

<http://groups.yahoo.com/group/JoSNewsletter/message/239>

So I got the urge to share and sum up some information i found while searching for the Yezidis around the internet and some information from the JoS site.

First of all, the great towers of Satan, which are places of worship.

This site has great images of the Towers of Satan...

http://www.personal.ceu.hu/students/09/Eszter_Spat/PlacesofPilgrimage.htm

The seven towers of Satan are also mentioned in this JoS article

<http://www.angelfire.com/empire/serpentis666/Yezidis.html>

The seven towers of Satan are an allegory of the Seven Major Chakras... as mentioned here

http://gbt.webs.com/Heart_Chakra.htm

Although they were very hard to find the exact locations of the towers... i tried to search the Mount Lalesh (or Lalish) on google maps for example and it was like it never existed (!)

I don't know if it was hard for me, or if there isn't a lot of info on the internet because of the jews and their corruption of ancient knowledge.

Moving on...

Another thing that impressed me was the Sanjak of Melek Taus (Satan)... which is a sacred object... see some awesome pics here...

http://www.personal.ceu.hu/students/09/Eszter_Spat/TheSanjakofthePeacockAngel.htm

note in the pictures that the object... the Sanjak... seems to me that it represent the 7 chakras... and the peacock on the top... corresponds to the Crown Chakra!

I hope this info makes sense!

Please share if you have more info on the subject

I found these objects similar to Yezidi's sanjak of malek taus. But They are traditional oil lamps from far east. Its mostly seen with dancing peacock on the top, maybe something related to the crown chakra thing you mentioned?

Awesome pictures! Thank you for sharing!

The first one blew my mind... as it's what i imagined the peacock would look like when it spread it's wings... very similar to the 1000 petal lotus of the crown chakra...

also in the first picture you posted... you can see the 3 wide things on the lamp... in my point of view... resemble the 3 granthis/knots that block the raising of the kundalini serpent

The first thing that comes to my mind when you mention that they are oil lamps... is the Aladdin story... where he rubs a magic oil lamp and a genie appears. I know it sounds far fetched... but hear me out...

Aladdin is an indian folk tale supposedly created in the middle ages... right when the filthy jews through the xian churches were destroying any knowledge from the face of the earth... could it be that this tale is a way to preserve knowledge?

If we think of the oil lamp... having the appearance of those above... then we could imagine the magic lamp is an allegory for the 7 chakras and the kundalini serpent...

The tale says that... he rubs the magic oil lamp... and a genie appears... and we all know that a genie = jinni = Djinn = Demon ...

could it be that the tale of Aladdin is an allegory of the spiritual advancement and reaching the Godhead?

There are a lot that suggest to me that it's about raising the kundalini serpent to reach the Godhead.

Hope this makes sense

Subject: Commander Rockwell

March the 9th was the Commanders birthday let us not forget this great fighter who literally gave everything even his life bravely for the cause of our Race.

Two Types of Nazism

I feel the need to address this as a longtime National Socialist. There are two types of Nazism. The Nazism of Adolf Hitler and his Satanic philosophy of racialism and life. The other type of Nazism is the Hollywood version which could be called "new nazism."

Nazism was changed when it was put forth by Rockwell in the U.S. during the 1960's, and it was changed into an odd judeo-xianity, bible belt hybrid ideology. Basically it was removed to fit into the Americana of that era. Rockwell had his faults but I respect him. He could have lived an excellent easy life as a Navy Commander and successful artist and business man, but he chose to struggle for NS, and he lost everything in the process, even his own life as he was murdered by the jews as his movement started to gain momentum. But he was smart and he knew that to create a populist movement in the U.S., he needed to make it fit the larger populist mindset of the American people he needed which at the time was still conservative Xian.

Commander Rockwell was himself anti-Xian and understood Xianity was Jewish garbage and wanted it removed from White American in time:

Rockwell statements on Xianity in his personal letters to Savitri Devi:

"You ask in your latest letter if I will sell your books![my note Devi's books] OF COURSE! And PROUDLY! they are great books which will one day be revered like our present Kike Bible, when our Jew-hypnotized people are once again proud and knowledgeable of their Nordic culture and concepts, and do not need to or want to lean on the nasty mutterings of a bunch of old Jews."-Rockwell

http://www.savitrivedi.org/rockwell_correspondence_2.html

Devi's works were anti-Xian and called for a return of the White Race back to our original Pagan Religion(Satanism).

"I believe nobody has hated Christianity as much as I, not even Emperor Julian himself."- Savitri Devi

Sadly, there is a large number of American Nazi's stuck in the 1960's neo-Nazism. Many of these are bible-bangers, they have failed either by deliberate or natural stupidity to even begin to understand or care to understand National Socialism[if they did they would either be forced to leave it, or leave Xianity] . But there are many other Nazis who are in the mold of the original Nazis growing in the States. This is a good thing and a sign of the times. Nazism among those who are without is changing back to it's pure essence as we move close to the New Aeon. We Spiritual Satanists are the pure essence of Nazism and will be fully realized once we achieve the God-head and become the Ubermensch, Nietzsche's word for Godman.

"Man is becoming God."

-- Adolf Hitler

The other aspect of new Nazism is Jewish Hollywood Jew over it into which they project everything Jewish and turn Nazism into Zionism (Jewish Supremacism)

with a Swazi banner, hence Hitler is made into a Jew in a Nazi uniform. Anyone who has watched a Jewish-made movie with Nazis in it can understand. The Jew is a master at projection.

For more information on Jewish Supremacism, [click here](#)

So you get people who call themselves Nazis but are following later corrupted versions of it. Some disturbed individuals totally embrace the enemy's image of it and become violent thugs with superiority complexes that mirror Judaism, not Nazism. These people are identical to the Christian "Satanists" who follow the Christian lies about Father Satan, and I believe they would follow Jewhova if it became the cultural view of evil tomorrow.

These elements mix together into the Judeo-Americana neo/ new Nazi.

What is a real Nazi? Simple. One who understands Hitler's Satanic philosophy of life.

Was Hitler a screaming racist like the modern remake of him to be? And people who follow in the neo-image of Hitler to act?

Hitler on racialism and racial respect:

"I promise you I am quite free from all racial hatred. It is, in my case, undesirable that one race should mix with other races. Except for a few gratuitous successes, which I am prepared to admit, systematic cross-breeding has never produced good results. Its desire to remain racially pure is proof of the vitality and good health of a race. Pride in one's own race -- is also a normal and healthy sentiment. I have never regarded the Chinese or Japanese as being inferior to ourselves. They belong to ancient civilizations, and I admit freely that their past history is superior to our own. They have the right to be proud of their past, just as we have the right to be proud of the civilization to which we belong. Indeed, I believe the more steadfast the Chinese and the Japanese remain in their pride of race, the easier I shall find it to get on with them."

Hitler was an enlightened racist.

Did Hitler just want power like a tyrant?

On Hitler's destiny for his people by his close friend:

"Till then I had been convinced that my friend wanted to become an artist, a painter, or an architect. In that hour there was no question of such a thing. He was concerned with something higher, which I could not yet understand ... How he spoke of a mission that he was one day to receive from our people, in order to guide them out of slavery, to the heights of freedom ... Many years were to pass before I could realize that starry hour, separated from all earthly things, had meant to my friend."

No, Hitler wanted to help his people to be free of the Jews and to be happy in a Nation that puts their real best interests first and has them at heart at all times.

Find the truth of Hitler and National Socialism yourselves. It takes a very enlightened person to not just understand but to understand the full essence of National Socialism, which is looking you in the face everytime you look in the mirror.

"Man is becoming God."
-- Adolf Hitler

The following is a biographical sketch of Lincoln Rockwell by the NEW ORDER.)

HE FOUGHT AGAINST HITLER

There once was a man who fought against Adolf Hitler.

In 1940 he left college to join the US Navy, so he could fight and kill Germans and help destroy their Leader. Starting out as an ordinary recruit, he rose through the ranks, eventually becoming a full Navy commander. Serving in two wars, he won nine decorations.

But when he returned to civilian life, something didn't seem quite right. All the horror stories and comic-book images of wartime propoganda just didn't add up. The countries he thought he had gone to war to save--Poland, Czechoslovakia, and all the others--hadn't been saved, but now were under the most brutal Communist dictatorship.

He began to ask questions and seek answers. One day he came upon a book that was to change his life forever. He discovered that its message had been deliberately distorted and that he--like millions of his fellow countrymen--had been tricked. It was written by the greatest anti-Communist of all time: ADOLF HITLER.

At the same time, he found out who Hitler's enemies were--and why. Far from being the evil and inhuman monster portrayed by Hollywood propoganda, he discovered someone who was, in fact, the most noble, honorable and farsighted figure of modern time. He decided to a become part of this man's cause.

And so in 1958, standing solemnly before a beautiful Swastika banner in his Arlington, Virginia, home, he pledged his life to the very man he had once fought to destroy. Now instead of fighting against him, he dedicated himself to fighting for Adolf Hitler and spreading his message to white Aryan men and women everywhere.

The man's name was--GEORGE LINCOLN ROCKWELL.

Commander Rockwell was born at the old Mennonite Hospital in Bloomington, Illinois, on March 9, 1918. Today as we celebrate the birth of this great National Socialist pioneer, we invite you to find out more about this very remarkable person and the wonderful Cause, for which he was will to sacrifice everything--including his own life.

In 1940 he left college to join the US Navy, so he could fight and kill Germans and help destroy their Leader. Starting out as an ordinary recruit, he rose through

the ranks, eventually becoming a full Navy commander. Serving in two wars, he won nine decorations.

But when he returned to civilian life, something didn't seem quite right. All the horror stories and comic-book images of wartime propaganda just didn't add up. The countries he thought he had gone to war to save--Poland, Czechoslovakia, and all the others--hadn't been saved, but now were under the most brutal Communist dictatorship.

He began to ask questions and seek answers. One day he came upon a book that was to change his life forever. He discovered that its message had been deliberately distorted and that he--like millions of his fellow countrymen--had been tricked. It was written by the greatest anti-Communist of all time: ADOLF HITLER.

At the same time, he found out who Hitler's enemies were--and why. Far from being the evil and inhuman monster portrayed by Hollywood propaganda, he discovered someone who was, in fact, the most noble, honorable and farsighted figure of modern time. He decided to become a part of this man's cause.

And so in 1958, standing solemnly before a beautiful Swastika banner in his Arlington, Virginia, home, he pledged his life to the very man he had once fought to destroy. Now instead of fighting against him, he dedicated himself to fighting for Adolf Hitler and spreading his message to white Aryan men and women everywhere.

The man's name was--GEORGE LINCOLN ROCKWELL.

Commander Rockwell was born at the old Mennonite Hospital in Bloomington, Illinois, on March 9, 1918. Today as we celebrate the birth of this great National Socialist pioneer, we invite you to find out more about this very remarkable person and the wonderful Cause, for which he was will to sacrifice everything--including his own life.

I think that freedom, puting in simple words by the Satanic creed, is to live by the oportunities the Universe offers, which are oportunities bounded by the eternal law of betterment. What is different of this law is slavery.

People like this are notable and noble personalities. A proud American warrior of modern times. You don't have to be American to realize that people at least had the decency to see the Swastika and salute it, as a universal symbol that would save us all Gentiles. Despite of anything else.

HAIL SATAN!!!!

Subject: Delayed Energy 2 Day Group Ritual March 15th and 16th

Purpose of Ritual

Push for independent Gentile markets within each Gentile Nation

Push to destroy the rothschild banking system

Date of Ritual

This ritual will occur on both Friday March 15th and March 16th. With the push for free Gentile markets taking place on Friday and the destruction portion of the ritual taking place on Saturday. On these two days the moon will be in the sign of Taurus, which will give us the following benefits

Projects begun when the moon is in Taurus are usually permanent or long lasting, Money, finances, possessions, material things, sensuality, earth, greed, permanence, wealth, things that increase in value, loans, bankers, slow but lasting results, time delays.

Time delays are an important part of this ritual for it will help us gradually achieve what we desire and not bring more quick results which can devastate many Gentiles. Time will takes its course in bringing what is already taking place around the world especially in the EU but our energies will help it gradually go on

As seen above the day for the positive portion of the ritual is Friday which is ruled by Venus and gives us the following benefits

Indulgence, money, social activities

Venus rules the astro sign Taurus which greatly strengthens the energy in this ritual

With the day for the negative portion of this ritual to take place on Saturday which is ruled by Saturn we are given the following benefits

Suffering, misery, restrictions, poverty, ***delay***, defects, fatalities, misers, denial, debts, fear, insecurity, loss, disease, limitations, time and clocks, serious, learning the hard way.

Time of Ritual

During the hours of Venus on Friday

During the Hours of Saturn on Saturday

On Friday there is no void moon according to the results for America but please make the right changes for your position. However please keep in mind that the Taurus phase DOES END on Saturday at roughly 730PM EST. For those who wish to perform this portion of the ritual MUST perform it before the void begins.

Ritual Affirmations

Fridays Affirmations

Ritual Affirmation- "All Gentiles are free from the Rothschild banking system and are in a free and independent financial system of their own, now and for all eternity"

The image will be the symbol of the vatican,

http://upload.wikimedia.org/wikipedia/commons/thumb/a/a8/Great_coat_of_arms_of_Rothschild_family.svg/200px-Great_coat_of_arms_of_Rothschild_family.svg

go online and print it out. Over top of this should be three circles. One circle surrounding the image, a larger one surrounding the first circle and an even larger one on the outside.

In between the center and second largest circles place the first four runes. Do this all the way around the space, with the same number of each rune being presented. Than in-between the second largest and outer most circles place the rune Isa four times. One on top, one on bottom, one on far right and one on far left

Now in the center overtop the image place the first four rituals so that the entire image is covered.

Ritual Declaration

Friday's Ritual Declaration

Since the jew's beginning they have depleted and squeezed the Gentile Nations until they disintegrated into nothing. It was not by force that the cowardly jew did this but through manipulation and the seizure of our Nation's financial markets. For centuries the jewish pigs grew fat as the Gentiles starved and suffered in their own homeland. With the jew's being the parasites they are once their source of food is taken away they too shall know starvation and suffering. This is why I (State your full name) declare that tonight and for all eternity the jewish owned Rothschild banking system is DESTROYED FOR ALL ETERNITY.

Subject: The Supreme God

The Supreme God

While the Gods are real. Their persona's were also lent to the alchemical culture of symbolism. Which represented the formula for the perfection of the soul. This is where the stories also become allegory.

In the ancient world our God in the symbolic sense was depicted as being blue, and eternally young. Remember in the Rig Veda the oldest text, the title of our religion as Sanat-ana Dharma is stated.

Ana as the prefix of Ananta Shesha which is the primordial serpent. Depicted as a serpent in a golden circle clutching its tail. The sign of the Magnum Opus. This golden serpent is given the title of "Eternity" [Ananta]. And refers to the title of "Lord of Time." As time in this sense relates to the perfection of the soul. Dharma relates to this as well. The Chinese Dao or Taoism is stated to mean the same as Dharma. Tao also relates to the element of ether the Tao Cross. And the staff is also called a Tau. And we have Taus Melek. As a title for Satan. Who has the Serpent and Peacock. The symbols of the Magnum Opus.

Ananta Shesha is depicted as the seven headed serpent in the ancient world. In Sumeria ENKI was symbolically depicted in this fashion resting upon the cosmic ocean.

And we have the fact Sanat is an anagram for Satan.

Sanatana Dharma relates to our Creator God. It translates to Eternal Life or Perfection.

Going deeper into the symbolism of our God in the ancient Tradition we find.

It's known the Vedic Sun God [Agni/Surya]. Was the God Osiris in Egypt. And if one does enough research Ptah and Osiris are interchangeable to the point they are the same God. Ptah's staff is connected to the star Sirius. Which is the star Isis rules. Osiris's name is related to this power principal the combination of the energies of the soul. Ptah is born from the egg via a serpent's mouth. So is Osiris shown emerging reborn from the mouth of a serpent. Etc Ptah and Osiris are both depicted as blue.

In the Osiris tradition. Horus [titled actually Hari] is created by a divine union of Osiris and Isis. Horus then brings his father back to life. This is important because it relates to the avatar concept. Horus as the texts state is the resurrected [transformed] Osiris. This is an allegory for the union of the male and female aspects of the souls. And the rebirth of the new soul that comes from it. The symbol of Hari [Horus] transformed or perfected state is the six pointed star. Or hexagram.

The Jews stole this symbol not all that long ago in history and tried to apply it to their imposter deity. Judaism exposed:
<http://groups.yahoo.com/group/JoSNewsletter/message/230>

Horus bears the title proper of Hari Krist but in all reality going right back to the Sanskrit it would be Krishna. Krishna was in this region as the title for the sun god among other spellings. So we have Hari Krishna of Egypt. Further images of him in Egypt found in some regions show him to be identical in appearance to Krishna of India. In Egypt he is shown as the blue coloured child, holding his finger to his mouth and a clay pot in the other. Same as Krishna of India. The Greek version of him as Harpocrates from the Egyptian Har-Pa-Khered: "Horus The Child." Shows him sitting with the clay pot [like Krishna's butter pot] feather in his hair and all. Identical to the images of the God in India. This God also rests upon the serpent or lotus flower. Identical to Krishna of India once again The eagle and Falcon are interrelated as well. Just as the Peacock is the Phoenix in Egypt. The eagle plays prominently in the avatar tradition in India.

As DM. Murdock points out in the earlier traditions of Krishna. He like Horus [Hari] is crucified, in this case upon a tree by being pinned or pierced to it by arrows and later resurrected or ascends. Upon this the tree which is next to the river, regenerates and grows and rains lotus blossoms and gives off fragrances.

This is allegorical for the rebirth of the soul the tree represents the soul the spinal column and the branches the nadis. The fragrances and lotus the energy of the purified soul. The arrows symbolize fixing the energy. As Krishna is as ancient texts state as is an avatar of Ananta Shesha the serpentine life force. As all avatars are. Before it was a man on a tree or cross it was a crucified serpent. The point of all this being to raise the serpent and turn the chakra's into gold.

In India the symbol on the banner of the supreme God, Lord Narayan is the six pointed star or Hexagram. Narayan is Krisna. Who is shown with the Peacock and his flute has the Peacock at the end of it. The flute represents the Mount Meru or spinal column and the Peacock standing upon the top. The same as the Phoenix of Egypt upon the Tet Pillar of Ptah-Osiris.

Krisna is stated to be eternally young, [Sanat Kumara literally, Eternal Youth] blue God.

This is why Murugan symbol is the six pointed star as well. Murugan as proven is Sanat Kumara in Sri Lanka. Siva and the Goddess unification generates Murugan. Murugan is the White stage of the work. His totem is the Peacock because the Peacock represents the Phoenix or purified soul. In Sri Lanka the Peacock is shown sitting on top the Mount Meru Pillar. Another symbol which represents the Phoenix is the grail.

In Greece its know that Dionysus is also Osiris the tale of Zeus or Zan [All] who is depicted as blue in colour like Osiris-Ptah. Dionysus [the perfected Zeus] is brought forth from the cosmic egg, [and is the eternally young one]. like Ptah and Brahma. Ptah, Amun and Ra. Where the original Trinity in Egypt by finds. Ra also comes forth from the Cosmic Egg. The Egg symbolises the ether element that all the elements generate from the micro of the universe. Just a new life is formed in the egg by the union of the male and female and manifests into life and grows till its hatched from the egg "reborn" so does the soul. Remember the majority of serpents give birth by egg.

Its stated in the Eastern texts that the Tapa's or spiritual practices which generate the internal spiritual fire that purify and unify the soul. Bring forth the new soul just as the warming of the egg by a Hen generates the new chick to hatch forth.

If we go to the America's we will find the same Blue Creator God worshipped from South, Central and North America. With the same symbols, concepts and titles. From Votan to Nagi Tanka.etc

In the East we find ENKI as Matsya [The Fish] who saves human kind from being wiped out in a great flood. Matsya is identically depicted to Oannes. Another title for ENKI in the Near East:

Ichthys, or the Fish, was one of the names of Dionysus and the divine phallus was also shown in the shape of fish. The phallus is the spinal column with the kundalini full risen. EA [Oannes] is also shown as a Fish cloaked God in the ME and Lord of the Water for the same reason. The life force.

More on this subject:

<http://groups.yahoo.com/group/JoSNewsletter/message/331>

With the Grail legends we always have the Fisher King. Who is another alias of our God:

<http://groups.yahoo.com/group/JoSNewsletter/message/210>

The reborn soul is shown coming forth from out of a Yoni [upwards Fish] in many cases. The Yoni is also egg shaped.

One of the symbols Narayan carries is the golden or solar disk which is the ancient symbol of the grail as well. The disk represents the golden circle of the Magnum Opus. This disk relates to the round table in the Arthurian legends as well to the concept of the temple of the sun. Which ancient writers stated was a flat round solar disk divided into 12 parts. The 12 steps of the Magnum Opus. We see this in Egypt as the Aton.

Its been stated that originally in the East all the avatars of Visnu. Are infact avatars of Brahma originally. The sun God [Satan] from the Vedic period under the title of Surya among many other titles. Was depicted as Blue and four armed, wearing the sacred crown that represents the top on the Mount Meru column with the cap stone or cap that sits upon it. Ie the Magnum Opus. The title for this God is Narayan

Originally this title is for Brahma, even images of Brahma upon the lotus show him in the image of Narayan as does the images of him in his temple in India. Today people believe this image to be of Visnu.

Brahma upon the lotus is the same image of Horus [Hari] upon the Lotus. Hari is another title for Brahma originally. Brahma is depicted as the Eternal Youth in many icons.

This is important as the Visnu religion of today is a recreation of an older but its been rewritten.

The yantra that is associated with Visnu's is based upon the sixty four number grid of the Mercury and a circle with a square. If you look at all the ancient temples in the East are built to look like a huge Linga and Yoni. A circle within a square. This also represents the Meru Axis. The Circle within a Square is the symbol of the union of the male and female aspects of the soul and the perfected stated.

Note in Egypt the Pyramid at Giza is built to code of the Mercury square and the Egyptians called it "Mer." Or "The place of Ascension [transformation]." The ancient term Mer relates to the light of the soul and the perfected state. Hence Mer-cury or Mer-u. Mero was another title for the Gods and perfected ones. And another title for Satan. As Mero was another title of Enki.

Waddel stated that sanskirt "Meru" has the same meaning as the Sumerian "Edin." Even within the title Sumerian is what is also called in the East, the Sumeru axis the Sanskirt Su and Meru together. Edin was the Sumerian Atlantis. Which in the East, Sanat Kumara ruled over.

At the top of this Meru Axis symbol is depicted the realm of Brahma. This is also where the Phoenix or Peacock sits. The symbol of Satan.

This is why the Mer-cury square is depicted within the yantra for the Magnum Opus. As the Eastern texts state the purified Mercury represents Siva. But Siva in this period has taken the place of Brahma. So originally Brahma relates to this. And hence why the Staff of Mer-cury was originally called the "Staff of Brahma."

The statues of Brahma have this symbol of the circle within the square which we can see is related to the Mercury perfected. The White Stage which Brahma represents.

In the West where our God was worshipped as Wod, Wodan, Budhaya. Which as shown by Higgin's is another spelling of Ptah. We can know what colour he was depicted as. The warriors would rub a BLUE paint sacred to the war God [Woden] which was called Wod. Upon themselves before battle for spiritual protection. Budhaya is Mercury in Sanskrit.

This is why Brahma is originally depicted as being Blue and four armed in the image of the Narayan [All]. The Blue in this case symbolizes the colour of the ether or Mer-cury element, perfected. As part of this the perfection of the four elements hence the four arms represent. The fifth being the whole being together.

Hence the title of "All." The unification of the soul and the energy centers and powers with govern it into one whole. Thus the title of being made whole, or healed in the alchemical traditions of the ancient world.

This is the reason the 6 pointed star was the symbol of Narayan originally. The Hexagram represents the union of the male and female into a whole. And this relates to Saturn because Saturn represents the Gold in the working. Hence the symbolic rulership of Saturn over the Golden Age in Western Hermetic Tradition. Saturn in this tradition is symbolized as the Phoenix.

In the East we have the Sat-ya Yuga as the Golden Age. Brahma as Hari means "The Golden one."

In Sanskrit SAT means Truth. Truth in the ancient world was another name for illumination and transformation of the soul. When the kundalini power rises it brings a person to SAT by illumination of the consciousness it brings which is what they were depicting by the title of Truth. We can see SATyam rules the crown chakra in the Vedic Gayatri mantra. Saturn rules the root chakra where the kundalini energy rests. Rising to the crown to bring Sat. This is why the strength of the soul is its ability to reach levels of truth in the Egyptian texts. Levels of empowerment.

This is also depicted as being Mercury. The horned serpent. Enki has a staff with the Ram's head upon the top in Sumeria for the same reason.

As stated before:

Ana as the prefix of Ananta Shesha which is the primordial serpent. Depicted as a serpent in a golden circle clutching its tail. The sign of the Magnum Opus. This golden serpent is given the title of "Eternity" [Ananta]. And refers to the title of "Lord of Time." As time in this sense relates to the perfection of the soul. This is why Satan [Sanat] rules Saturn. Saturn as the ancient Pagan, Roman writer and initiate, Macrobius stated is another title for the sun. Saturn and Opis [the serpent] being among two of the most ancient deities of the region. Saturn is also referred to as the Lord of Time.

Saturn and Opis as the ancients mentioned where also Ptah-Osiris and Isis in Egypt.

This is why Brahma holds the title of Lord of Time. Within this title is B-RA-hma. The ancient Egyptians stated the creation of the body of Ra as the Magnum Opus as well. And called the Chak-RA's. The seven souls of Ra. We have Raja Yoga as the ancient title for Yoga. And the 8 fold path being called the Brahmayana. The straight path to Godhead. We also find the same again with Mithras as the Lion headed Lord of Time or Aeon in the West. Which corresponds to another one of Brahma's avatars in the East: Narasimha.

Mithras is another eternally young God.

Another note of this is in China. Which had thousands of Vedic Temples within it. And their spiritual texts are full of passages from the Vedic ones. We find Brahma as the highest God of Taoism. Yaun Shin Tien Tsun.

More on the subject:

<http://groups.yahoo.com/group/JoSNewsletter/message/393>

The Avatar concept relates to the Magnum Opus. It's a title for one who has unified the soul. And thus become in the symbolic image of the God who icon and mythos represents this. Hence why Brahma was the title for the one who had finished the Magnum Opus in the ancient East.

Every Avatar is a symbolic tale of the Magnum Opus.

An interesting example is Rama who conquers the asura's leading an army of monkeys under his aid Hanuman. To regain his female lover from the enemy city. And once he slays the asura king and his army. Unites with Sita in their kingdom [soul] and is crowned the Dharma King. The Magnum Opus.

Hanuman is shown carrying a mace within it is the Tau symbol and he rules over Vayu. The monkey army is symbolic of the energies of the soul flooding the body and purifying it of the dross or asuric element. No different then the Olympians fighting the Titans. Vayu is the wind which relates to the life force energy or mercury. The energy pathways were called the "wind channels." In the East. And obviously monkeys live in tree's. And have great strength. Just as the Elephant or lion is used to depicted this energy.

In Rama's quest you can see the Western Grail mythos. Where the rewrites of the Krishna epic are sad. The epic of Rama while altered. Still contains many

elements of the Heroic cycle within them. A Hero who conquerors immorality and builds a Golden Age Empire. Much like Arthur.

He could have lived an excellent easy life as a Navy Commander and successful artist and business man, but he chose to struggle for NS, and he lost everything in the process, even is own life as he was murdered by the jews as his movement started to gain momentum. But he was smart and he knew that to create a populist movement in the U.S., he needed to make it fit the larger populist mindset of the American people he needed which at the time was still conservative Xian.

Many of these are bible-bangers, they have failed either by deliberate or natural stupidity to even begin to understand or care to understand National Socialism[if they did they would either be forced to leave it, or leave Christianity] . But there are many other Nazis who are in the mold of the original Nazis growing in the States. This is a good thing and a sign of the times. Nazism among those who are without is changing back to its pure essence as we move close to the New Aeon. We Spiritual Satanists are the pure essence of Nazism and will be fully realized once we achieve the God-head and become the Ubermensch, Nietzsche's word for Godman.

Deeply worked and thought out. Very informative and shows how deep the research was. Glad you can provide such info. All your sermons could together make a book that proves the Ancient unity and common message within religions. Thank you for this.

Also the Titanomachy could have another meanings as well. I am going to study the Rig Veda, seems like a must read

So we have Hari Krisna of Egypt. Further images of him in Egypt found in some regions show him to be identical in appearance to Krisna of India. In Egypt he is shown as the blue coloured child, holding his finger to his mouth and a clay pot in the other. Same as Krisna of India. The Greek version of him as Harpocrates from the Egyptian Har-Pa-Khered: "Horus The Child." Shows him sitting with the clay pot [like Krisna's butter pot] feather in his hair and all. Identical to the images of the God in India. This God also rests upon the serpent or lotus flower. Identical to Krisna of India once again The eagle and Falcon are interrelated as well. > This is allegorical for the rebirth of the soul the tree represents the soul the spinal column and the branches the nadis. The fragrances and lotus the energy of the purified soul. The arrows symbolize fixing the energy. As Krishna is as ancient texts state as is an avatar of Ananta Shesha the serpentine life force. As all avatars are. Before it was a man on a tree or cross it was a crucified serpent. The point of all this being to raise the serpent and turn the chakra's into gold.

>

> This is why the Mer-cury square is depicted within the yantra for the Magnum Opus. As the Eastern texts state the purified Mercury represents Siva. But Siva in this period has taken the place of Brahma. So originally Brahma relates to this. And hence why the Staff of Mer-cury was originally called the "Staff of Brahma."

>

> This is the reason the 6 pointed star was the symbol of Narayan originally. The Hexagram represents the union of the male and female into a whole. And this relates to Saturn because Saturn represents the Gold in the working. Hence the symbolic rulership of Saturn over the Golden Age in Western Hermetic Tradition. Saturn in this tradition is symbolized as the Phoenix.

> In the East we have the Sat-ya Yuga as the Golden Age. Brahma as Hari means "The Golden one."

>

> In Sanskrit SAT means Truth. Truth in the ancient world was another name for illumination and transformation of the soul. When the kundalini power rises it brings a person to SAT by illumination of the consciousness it brings which is what they were depicting by the title of Truth. We can see SATyam rules the crown chakra in the Vedic Gayatri mantra. Saturn rules the root chakra where the kundalini energy rests. Rising to the crown to bring Sat. This is why the strength of the soul is its ability to reach levels of truth in the Egyptian texts. Levels of empowerment.

Subject: Re: The Supreme God

I note the Rama Rahasya Upanishad states Rama relates to the Atharva Veda. And that Rama is the Para-Brahman and all the deities are his body which relates back to Naryana or the All. And what this means alchemically.

This is the role Brahma also relates to as the King of the 33 Deva's. Or Zeus and the Hellenic Godes being archetypes of him.

It states that his name Ra is the solar principal and Ma the lunar principal that grants liberation. This go back into the Vedic period to the union of Agni and Soma. Or HA-THA, Yoga.

In the ancient texts Visnu is shown standing naked with a club in hand. The symbol of spiritual rebirth. This is also how Dionysus and Siva are shown going back to the Vedic period. I wrote about during the Easter celebrations a naked youth covered in white clay would march at the head of the procession carrying the phallic club. You can still see images on this on the ancient temples in S.India that survived the Islamic invasion. You can see the same images in England.

This is going back to the Vedic period when this was still being used as a title for the Aryan Sun God Surya-Agni-Indra. These are all the same God under different titles due to region. We also have coins with the same God under the titles Mithra-Visnu-Siva.

This could get into why Krisna is the transformed Visnu. As Krisna is ancient. His tales of him with his Gopis is identical to Siva and his Gana's or Dionysus and his bacchanalia. And we know Dionysus is literally Sanat Kumara and Ptah-Osiris of Egypt. With Ptah-Osiris being the Egyptian branch of Surya-Agni. Of which Visnu is a title of originally.

But I had to separate this from the Vashnava [Visnu]religion of today because its a later creation. It even tries to separate itself off from Surya and its Vedic origin. Even the position of Krisna in the chariot was originally Surya.

The Visnu religion of today got off the ground around five hundredish years ago in India. And is nothing more than a literalized, devotion to a theistic mono-God, religion. Identical to xianity.

We can't compare the Wicca like mess in the East today, to the Vedic model.

I wanted to put in the article but didn't have the space. Buddhism is a Trojan horse, counterfeit of Brahmanism. The entire texts in the Pali cannon deal with attacking Brahma. The most moronic is when Buddha goes up the Brahma's abode. And declares to him that since Brahma is the God of all manifest existence. And the Buddhist devil Mara is the Lord of this. Brahma himself is under the control of Mara. Buddha then vanishes into non-existence, then returns to show because Buddha is the lord of non-existence where Mara does not rule. He is the superior being.

This is why Buddhism also attacks the Atman because Brahmanism was built upon its foundation. Buddhism is designed to attack and undermine the key foundations of Vedic culture. Then we also have the fact at this point Brahma, Visnu, Siva where still the same God. No different then how a person has three names a first, middle and last.

When the kundalini power rises it brings a person to SAT by illumination of the consciousness it brings which is what they were depicting by the title of Truth. We can see SATyam rules the crown chakra in the Vedic Gayatri mantra. Saturn rules the root chakra where the kundalini energy rests. Rising to the crown to bring Sat. This is why the strength of the soul is its ability to reach levels of truth in the Egyptian texts. Levels of empowerment.

Subject: Re: The Supreme God

Buddhism attacks brahma so relentlessly because its the connecting point between Egyp, India, Greece, East and West. Because through realizing this concept you actually realize all our traditions say the same thing, and worship the same God.

Again, I personally find this info very useful. Its one very important read and a good guide to start reading about all the Ancient Traditions if one hasn't done already.

HAIL SATAN!!!

The most moronic is when Buddha goes up the Brahma's abode. And declares to him that since Brahma is the God of all manifest existence. And the Buddhist devil Mara is the Lord of this. Brahma himself is under the control of Mara. Buddha then vanishes into non-existence, then returns to show because Buddha is the lord of non-existence where Mara does not rule. He is the superior being.

Then we also have the fact at this point Brahma, Visnu, Siva where still the same God. No different then how a person has three names a first, middle and last.

If you look at all the ancient temples in the East are built to look like a huge Linga and Yoni. A circle within a square. This also represents the Meru Axis. The Circle within a Square is the symbol of the union of the male and female aspects of the soul and the perfected stated.

> > > Note in Egypt the Pyramid at Giza is built to code of the Mercury square and the Egyptians called it "Mer." Or "The place of Ascension [transformation]." The ancient term Mer relates to the light of the soul and the perfected state. Hence Mer-cury or Mer-u. Mero was another title for the Gods and perfected ones. And another title for Satan. As Mero was another title of Enki.

> > >

> > >

But Siva in this period has taken the place of Brahma. So originally Brahma relates to this. And hence why the Staff of Mer-cury was originally called the "Staff of Brahma."

> > >

The Blue in this case symbolizes the colour of the ether or Mer-cury element, perfected. As part of this the perfection of the four elements hence the four arms represent. The fifth being the whole being together.

> > > Hence the title of "All." The unification of the soul and the energy centers and powers with govern it into one whole. Thus the title of being made whole, or healed in the alchemical traditions of the ancient world.

> > >

> > >

> > >

> > > This is the reason the 6 pointed star was the symbol of Narayan originally. The Hexagram represents the union of the male and female into a whole. And this relates to Saturn because Saturn represents the Gold in the working. Hence the symbolic rulership of Saturn over the Golden Age in Western Hermetic Tradition. Saturn in this tradition is symbolized as the Phoenix.

> > > In the East we have the Sat-ya Yuga as the Golden Age. Brahma as Hari means "The Golden one."

> > >

> > > In Sanskirt SAT means Truth. Truth in the ancient world was another name for illumination and transformation of the soul. When the kundalini power rises it brings a person to SAT by illumination of the consciousness it brings which is what they were depicting by the title of Truth. We can see SATyam rules the crown chakra in the Vedic Gayatri mantra. Saturn rules the root chakra where the kundalini energy rests. Rising to the crown to bring Sat. This is why the strength of the soul is its ability to reach levels of truth in the Egyptian texts. Levels of empowerment.

The monkey army is symbolic of the energies of the soul flooding the body and purifying it of the dross or asuric element. No different then the Olympians fighting the Titans. Vayu is the wind which relates to the life force energy or mercury. The energy pathways ware called the "wind channels." In the East. And obviously monkeys live in tree's. And have great strength. Just as the Elephant or lion is used to depicted this energy.

Something to note I wrote on before:

I note the reason Darwinian evolution [which you need as much faith as in jewsus to believe in] is being advanced by liberistic, materialistic athiesm. Is to create a new mythology for the base of Jewish Communism.

The fact is science from the uncontrolled sections show "evolution" is quantum based reality and understood from this point it deals with ascending scales of octaves and sub-octaves of vibration. And get us back into the spiritual or metaphysical reality of life. Which goes into metagenics. The Vedic knowledge is built upon this. Power meditation is a application of the dynamic laws of the universe. Welcome to the Brahmanada.

Hence its Aristocratic, and has a point to transform oneself to the highest levels of cosmic transformation and consciousness.

No, I'm not a fucking link and only this, I'm a Human being and I can advance, and then I could have advanced progeny too. Its really disgusting how communist the Darwinian theory is.

Subject: Aryan

Aryan

The term Aryan in the ancient world was also spelled Ari or Hari or we also have the Arya or Haraya [People of Hari].

Hari was an ancient title for the Creator God as well and as I wrote refers to our God Satan:

<http://groups.yahoo.com/group/JoSNewsletter/message/418>

Arya or Ari/Hari is title for our God Satan.

And Aryan or Haraya, Harians.etc The title for our race meaning: The People Of Hari/Ari/Arya

Hints of this remain in the title of EA proper pronounced.

The title of Hari was also always given to the symbolic form of our God in the Perfected state of alchemy. As this title of Hari relates to Shining One. Hari was shown emerging naked hence reborn from the lotus the symbol of the pure soul. Hari is a primordial title for the Sol God [Satan].

As stated before Satan as a title translates out to "Eternal[perfected] Life." Its context includes this within the meaning of the terms: Shining One, illuminated, Enlightened. etc

In the East the 8 fold path was originally called the 8 fold path of the Arya. And in some parts of the Eastern texts we see Hari chastise Arjuna for un-Aryan ways. And its stated by Hari that the Aryan mode of living leads to Heaven. And the un-Aryan way leads to impurities and misery.

Heaven in the symbolic context this cultures where based on. Was the perfected state brought about by finishing the Magnum Opus.

This is also why Arya refers to a title for twice born. It's a title for one who has fully purified thus transformed themselves into the Perfected state. The

meaning of spiritual rebirth is seen in the Phoenix. Of which the Grail another symbol of once drunk from transforms the being into the twice or reborn state.

This is the reason Aryan is referred to as the title of the Enlightened beings. In the Eastern texts its mentioned that there are 12 major steps to become fully enlightened. The 12 steps of the Magnum Opus.

We see this made mention in the East with the Path of Enlightenment being the Arian path or way.

We see this in the heroic sagas. The Hero purifies himself and takes his place among the Gods. As he was descended from them. And now has equality with them as a peer.

The enemy has tried to cover this up and remove the racial contention from it. As part of their attempts to remove our past from us. To destroy our race.

In ancient Egypt the people holding the title of "The People of Hari." Where universally described as being of the White race. And were the White Race dwelled globally in the ancient world the lands all bore the title of Aryan one term or another:

References to some of the earliest epochs in Egypt and the arrival of Atlantean colonists can be found of the country's remaining papyrus scrolls. The papyrus of Turin, for example, alludes to priest-kings ruling Egypt. The country was ruled by the "Shemsu Hor." The original race that built and was the lived in the land today known as Egypt called themselves the Shemsu Hor or Heru. They described themselves as blue eyed sons of the blue eyed, blonde haired God Heru. [my note Hari] Heru in the ancient language translates as "He of the Ari" and Shemsu as "Serpent(s)." So we see a common kinship with the other Ari or Arya of Europe and the East.

One of the most important finds in Egypt happened with the Egyptologist and Archaeologist Professor Walter B. Emery (1903-1971) while excavating tombs at Saqqara. Emery found men with blond hair and fair complexions. These individuals were revered by the Egyptians as a special class, an endowed elite the "Shemsu Hor" (Serpents of He of The Ari). The famous Egyptologist, author of Archaic Egypt discovered the remains who lived in the pre-dynastic epoch. These presented a dolichocephalous skull larger than that of the local ethnic group, fair hair and a taller, heavier build. Emery declared that this stock wasn't indigenous to Egypt This race kept its distance from the common people, blending only with the aristocratic classes. the scholar associated them with the Shemsu Hor. The Shemsu Hor are recognized as the dominant sacerdotal caste in pre-dynastic Egypt."

-V. Di Cesare and A. Forgione "Malta: Skulls of the Mother Goddess"

Professor Emery wrote of these Shemsu Hor: "The Demigods of Manetho's history."
These Shemsu Hor were stated to have originally lived on an island homeland as well. A very revealing text on the truth of the ancient Egyptians record of their origin.

As I mentioned about in the article on Atlantis and others. The Ari of Arya in all our ancestors records state they came from a primordial island homeland. Before moving out across the globe:
<http://groups.yahoo.com/group/JoSNewsletter/message/214>

The Sumerian texts really go into this:

The ancient texts stated that EA created a second race into which He put the secrets of the Gods into their blood. These being or new race where called the Ari or Ilu [Illuminated]. And He took them to a special Island of A-ra-il?[G-RA-il?] This is the Atlantis tale. This term also refers to a quality of blood. While the Gods had a global civilization this island seems to be the original homeland our race came from.

Because the Aryan race was the highest race created in the image of the Gods we bore the Godly essence within our blood. As the truth is genetics are metagenics. Hence we are of the race of the Gods. They are our first ancestors. The Aryan race is a divine race.

The Greek records also refer to what happened:

But within this is another issue it seems Atlas the king of Atlantis with the child of Neptune[alias of Satan] and a human women is a titan not a God [Olympian]. The Greeks referred to the dross as the titanic element. And the divine element as the Olympian. Meaning this union created a demi-God, king.

It seems another aspect is the Atlanteans had not finished the work and where thus subject to the state of unperfection. And this caused their problems to arise more and more as they actually went down the octave scale from Olympian into titan more and more. With the mixing of lesser humans. And the lessening of spiritual practice and higher consciousness.

Part of this is allegorical part literal. We are the Aryan race because we come from the divine blood and hence bear the image of our Gods as part of their race. But we still have within us that which came from the not being perfected yet. We can go each way and purify ourselves and become twice born and hence truly Arya. Or degenerate into a inferior and unregenerate State. And perish.

By Yogic method the resultant repurification of the blood to its former quality of divine light is obtained. The old Germanic word for blood means sacred. And as the Eastern texts state the divine or Deva form is purified from the impure state to the purified state. The blood carries this spiritual information. And blood is also an allegory of the light energies of the soul. With this we finish our full transformation from demi-God into God [God from Sanskrit Deva. Meaning Shining One].

To be truly Aryan is to be born of the Aryan blood and follow ones divine destiny and finish the great transformation and become the twice born Arya. This is

what the Aryan racial culture is based upon our divine origin and destiny.

This is what Satan intended when he created us.

Subject: Jewlam's War On The Aryan World

The Coptic's are the core of the original population and they are racially Aryan. Their racial type was always the norm in N.Africa until Isam swept through and depopulated most regions and resettled-semities in the area's who where part of their forces.

Arabia [Roman term] was an Aryan region as well settled by Brahmana's from the East. Till Islam took over and in time pushed its race mixing programs while importing large numbers of non-Whites in the region. You can see the images of Arabs from the Roman period they are Aryan. The Kaaba was a Pagan temple.

Islam devastated the White race in the Near and farther East. Invading and slaughtering Aryan Persia and Indian killing millions. Islam is estimated to have killed one hundred million people in India in a seven hundred year reign of terror. Which only stopped when the English showed up.

Most of that was in the North where the majority Aryan population lived.

Subject: [Satanicgaycommunity] Aryans in modern Egypt?

Hello everyone.

I just have a query about the modern day Aryans scattered all over North African countries like Egypt and also ME countries like Syria and Jordan. This one is aimed at you HP Don.

My ethnic background is Egyptian. My mother's family are of Aryan heritage. My grandmother's mother had very, very fair complexions with blonde hair and green eyes, and she married a very wealthy merchant that was of Arabic decent. He had brown skin. My mother's father has honey coloured eyes and us also very fair. His mother was very Aryan, with very brown hair down to her hips and blue eyes.

After the very informative post made by HP Don about the term Aryan, I was wondering if the Shemsu Hor have descendants in today's world. I mean the people I described above, my family, are not the result of relationships from the French invasion of Egypt in the 1800's as they are from deep southern Egypt from places like Aswan and Souhag. Also, if anyone here has been to Egypt or at least has TV channels that are tuned to Arabic channels, one can see Aryan peoples from every Arab nation. Especially the war-torn Syria.

If anyone can shed some light here, I would be very thankful.

I wanted to share this news article about mind control and the report from Iron Mountain summit

I'm giving some short quotes from the article...

The Rothschild-led international banking cartel learned long ago that it was much easier to brainwash people than these techniques, led by television "programming" have become quite sophisticated.

"Physical control of many brain functions is a demonstrated fact...it is even possible to create and follow intention movements can be induced by radio command...by remote control."

Six thousand people in Sweden have accepted a microchip in their hand, which they use for all purchases. Trials also reported a similar trial beginning in Seattle. Later in 2002, after a rash of suspicious abductions of young girls, BE microchips so that their parents can monitor their whereabouts.

Subject: Jews Destroying Books [Video Documentary]

I found this amazing video/documentary from Al-Jazeera news... which portrays the book destruction taking place in the jewish occupied israel.

The originaly Palestenian books containing valuable older knowledge is being destroyed. What the medieval witch-hunt did to destroy knowledge is currently taking place in the middle east. The jews are trying to do the same thing.

The video has many testimonies from palestinians that lost their homes... and describes the jewish invasion/catastrophe that befell their country.

Subject: Sermon 3/20/13			

Happy Spring Equinox to everyone.

The 'opening the chakras' meditations on the JoS are quite weak. There are several reasons for this, the most important being that anything stronger could be dangerous for new people and those who have already reached a level in their past life at some time, but are new to spirituality in this one. It is best to take things slowly with opening the soul. The meditations actually activate the chakras somewhat, but again, this is very individual. Few people have the exact same results. The granthis [knots], especially the ones blocking the 6th and yes, the crown can be extremely difficult to open and empower fully. This is where much of the psychic power and perceptions are at such as accurate telepathic communications and astral sight. Those who are having problems will benefit from this knowledge given to me by Satan. HoodedCobra was also given more details on this from Satan and the effects are exceptionally powerful. If you are new, I strongly warn you not to do this, but to take things a step at a time.

The hatha [physical] yoga asanas are more than just physical. Each of these asanas works on specific chakras. The headstand works on the 6th and 7th chakras, especially when combined with the seed vibrations, breathing exercises and the application of the bandhas [the yogic locks]. If you choose to do this exercise, it must be done every day, for many days to make sure you are fully open. The major problem with the lighter versions, which are on the JoS, is that yes, the chakra is opened and activated, but then soon closes back up again in many people, unless it was fully opened in a past life.

Indications that the crown and 6th chakras are blocked are pains in the head, crawling sensations around the crown and the inability to fully see astrally and hear telepathic communications correctly. Telepathic communications can be way off in those who are not fully open, but again, I warn you, this is extreme and NOT for newbies!! You must have patience or you will end up having problems.

Kick up into a headstand, this is where your head is touching the floor. You should have your crown centered on the floor. It is best to do this with a wall for support, as you don't want to be concentrating on maintaining your balance, when you should be focusing on the vibration, the breathing and your crown.

Immediately perform the breath of fire for 54 repetitions. If you can't do 54, then do what you are able to do, in and out, using your abdominal muscles in rapid succession, and at the end of the 54th breath, exhale, inhale and fill your lungs, contract your anus, [this is applying the root lock], driving the energy from the base of your spine to your crown chakra, and hold your breath as long as you comfortably can- DO NOT PUSH YOURSELF!

http://www.angelfire.com/empire/serpentis666/Breath_of_Fire.html

On the exhale, vibrate 'TH' -- a hard TH, with your tongue directly above your front two teeth on your hard palate. Vibrate the 'TH' until you are completely exhaled. The above is one round. You should do 2-3 and then these must be done every day, preferable during your meditation/yoga session.

When you are finished, perform 5-6 rounds of alternate nostril breathing; breathing in through your crown chakra, and exhaling through your crown chakra.
http://www.angelfire.com/empire/serpentis666/Alternate_Nostril.html

HoodedCobra added that after completing the above, lie on your back and vibrate 'GAUM' into your pineal gland; the effects are extreme. You can also lie on your stomach [for your third eye] and vibrate 'THAUM.' Both of these steps are optional.

So here is a summary:

1. Headstand, your crown chakra should be centered and aligned with the floor.
2. Perform the breath of fire for 54 repetitions, focusing on your crown.
3. Hold your breath and apply the root lock by contracting your anus and focus on driving the energy up into your crown.
4. On the exhale, vibrate TH
5. Keep your head down [never, even stand or sit up right after any inverted asanas], and lie on your back for a few minutes.

The above constitutes one round.

When you are finished with however many rounds you choose to do, then perform 5-6 rounds of alternate nostril breathing, 'breathing' through your crown

chakra.

One more thing... Drug use is up the individual. If someone chooses to use drugs, smoke marijuana, or whatever, this is their own personal choice. I know there have been plenty of arguments in the groups back and forth on this. There is one thing though that I would like to share regarding this. This was something I saw myself and it was very sad and ended in tragedy.

When one is under the influence, the mind is altered to be much more open and receptive. In other words, in addition to drugs weakening the user's aura, they also open the user's mind to suggestion. This has a direct correlation to hypnosis. Anyone with an ability and knowledge of witchcraft; using the powers of the mind and soul to influence another will have a very easy time with anyone who regularly uses mind altering substances, even alcohol. The user is wide open. I witnessed the above; one adept individual who used the powers of the mind on a user and the user over time, virtually became a slave to this person. The user got in deeper and deeper and deeper and was completely under the influence and control of the adept one, readily and eagerly succumbing to the wishes and desires of the adept. The user's will and resistance were totally broken. The above ended in death.

This same situation is common with adept hypnotists. NEVER, EVER ALLOW ANYONE TO HYPNOTIZE YOU- IF YOU DO, YOU CAN BECOME HIS/HER BITCH!

The CIA and others have used drugs, mainly barbiturates, to put a person under to where he/she is completely at the mercy of a skilled hypnotist. The personality can be artificially split this way and much more. With spies, if caught and tortured, the weaker personality, which is the main personality that doesn't remember everything and experiences black outs, will have no recall of anything, regardless of the methods used. The one who is hypnotized will do exactly what the operator orders him/her to do when awake and not even remember it. With the intentional use of drugs, even those who normally cannot be hypnotized [a small percentage of the population], will succumb.

Mind altering substances are the same way. Just know this.

Well personally I find most of them un-attractive and if you sharpen your vision, you will see they are all corpse-like. And many are jewish IMO. This post is only for discussion by the way, I don't in anyway 'attack' how you see things. So I'm going to lay some of my thoughts here...

As the masters of manipulation they are. Who knows if they didn't take Gentile women and put them in here but that would be extremely rare. Most of the women there though have the classical jewish mouth (requires a sharp vision to discern, as obviously most have a streak of Mediterranean blood, some even German and others bloods above all, some even blue eyed and golden haired). I am in between things as this is fully propaganda. Like they try to push with any chance. The average jewish woman looks so repulsive that even if she was the last person in the world, you would want to hang yourself on a banana tree rather than touching it. I mean if you check on the back of the pictures, behind the 1/1000000 'beautiful' jewish girl that they are trying to pass as their little propaganda... You will see the rats.

Also they all have a sly and very vile look on their face. Like they are about to take a dagger out and stick it in your throat. Something to consider. Not to mention plastic surgery, colored contact lenses and dyed hair, straightened hair, which is a fucking tradition to all jewess cockroaches worldwide. Most hide their ears too, with their hair. Also its to be always kept in mind that judens are a tough mix of almost all the races. Like the good genetic mutants they are. A very important thing is that the nose is very very meaty, like they have muscles in the nose. Another thing is that people of mixed Race can present some of these characteristics. I never met Gentiles, no matter how mixed, having so vile faces and so sly looking eyes, in the bad sense. I feel like I have an enemy in

front of me.

#1 pic. A jewish nose. It takes a sharp eye but the nose is jewish. I would say she has some black blood.

#2 pic. Very dead-like, depleted person. I'm uncertain if she's jewish. Or just a girl dressed in soldier uniform. She still looks like a corpse.

#3 pic. Classical jewish nose and generally deadly appearance.

#4 pic. Check the nose closely. Predominant lower lip. She reminded me of a female rat.

#5 pic. Classical judea. If she didn't hide the eyes it would certainly seem like madona's daughter (a genetic accident) on crack. Mouth is very prominently jewish.

#6 pic. Yes, with so much light anyone can seem like queen beauty. I also wonder since when soldiers had their hair prepared like this. Lol.

#7 pic. I do not know, but very evil looking. As with all the other pics I felt the figure repelling me.

#8 pic. I cannot see but the jaw looks ape-y.

#9 pic. Despite of the fact that the face has 1 kilo of makeup applied. The nose is so freaking meaty that it could make a steak.

#10 pic. The nose is classical here, especially the shape. Not to mention the hat or what she holds.

#11 pic. Really confusing, but definitely a sucker of energy. She seems like only 'beautiful on the outside' best way I can put it. Could be a Gentile. My feeling says she's not. Also note the hair is dyed and not natural color.

#12 pic. Repelling bitches. Especially the one on the back is a fucking monstrous face. With a classical jewish mouth. Black mix possibly.

#13 pic. The eye seems a bit Asiatic. I do not like her either.

I'm bored to write more. For some I'm unsure too. But some are so evil looking and blatant...That its beyond a doubt we have jewesses to deal with here. Not Gentile women, or just a few.

My opinion is that its better to exercise your instict above all. Eyes can fool someone many times. Just empower your instict to sense them. This comes in time and after a point it gets very sharp. It can be confusing with all this mixing and alterations they do to their appereance (like the typical incarnations of the lie they are) to the point its fucking disgusting. Some even go through face re-forming. Its a trend amongst jewish women.

I am in between things as this is fully propaganda. Like they try to push with any chance. The average jewish woman looks so repulsive that even if she was the last person in the world, you would want to hang yourself on a banana tree rather than touching it. I mean if you check on the back of the pictures, behind the 1/1000000 'beautiful' jewish girl that they are trying to pass as their little propaganda...You will see the rats.

Not to mention plastic surgery, colored contact lenses and dyed hair, straightened hair, which is a fucking tradition to all jewess cockroaches worldwide. Most hide their ears too, with their hair. Also its to be always kept in mind that judens are a tough mix of almost all the races. Like the good genetic mutants they are. By this line I meant, in the jewish army. Just clearing this out as this could arouse misunderstandings.

Pretty women to lure the Gentiles to enlist... or something similar.

This comes in time and after a point it gets very sharp. It can be confusing with all this mixing and alterations they do to their appearance (like the typical incarnations of the lie they are) to the point it's fucking disgusting. Some even go through face re-forming. It's a trend amongst Jewish women.

I'm glad you both posted. Intresting thoughts. I would think of it twice. I always keep a glove in hand when I check on some people. Though IMO some of these are jewish. Some don't seem like this. But some do. Whatever the case its a plot as to obviously draw fools to fight for them, in the hopes of...getting laid? Okay that is seriously fucked here. Anything is to be expected though, as they always use insticts to control people. Now I wonder who is such a fool and such a traitor to join the ranks of another country just for some female soldiers. This does not make sense. Also how could a Gentile get in the jewish military. And even if they did, how many wold. I guess every Gentile dead makes them happier if they thought of such tricks to get people to die...Hmmm.

HAIL SATAN!!!!

Most of the women there though have the classical jewish mouth (requires a sharp vision to discern, as obviously most have a streak of Mediterranean blood, some even German and others bloods above all, some even blue eyed and golden haired). I am in between things as this is fully propaganda. Like they try to push with any chance. The average jewish woman looks so repulsive that even if she was the last person in the world, you would want to hang yourself on a banana tree rather than touching it. I mean if you check on the back of the pictures, behind the 1/1000000 'beautiful' jewish girl that they are trying to pass as their little propaganda...You will see the rats.

Not to mention plastic surgery, colored contact lenses and dyed hair, straightened hair, which is a fucking tradition to all jewess cockroaches worldwide. Most hide their ears too, with their hair. Also its to be always kept in mind that judens are a tough mix of almost all the races. Like the good genetic mutants they are. A very important thing is that the nose is very very meaty, like they have muscles in the nose. Another thing is that people of mixed Race can present some of these characteristics. I never met Gentiles, no matter how mixed, having so vile faces and so sly looking eyes, in the bad sense. I feel like I have an enemy in front of me.

Subject: Re: Israeli Women Solders...

To share my thoughts...

take a moment and think of the pop culture of our times (don't think like the awakened Spiritual Satanist... but try to imagine all the rest of the Gentiles that are so lost in the programs of the enemy and are victims for all their life)

there are a lot of trends influenced by the hollywood propaganda

- first of all... the "rambo" psychology... the one man army lone soldier... how many movies depict heros like that...

in the last decade... this is also reinforced by many of the games

see this video (unrelated to Spiritual Satanism)

<https://www.youtube.com/watch?v=5ZM2jXyvGOc>

- then there is the reinforcement of "cheap sex without feeling" from all the hollywood movies and tv series and mainstream porn

first think that in most movies the badass hero... has sex just because he is a badass... no other qualities are needed... the women in the mind of the man... are reduced into a prop for the heros enjoyment

- and lastly the jew logic of money... get paid... and do whatever you've been told without thinking

For a practical example...

See how many people take massive bank loans... to go to a college they don't even care to finish... just to live the "college life" of sex and fun they see in the hollywood movies and cheesy porn scenarios

IMO... if young people are brainwashed with the above qualities they would be enticed by an israelian army propoganda such as the above

Imagining the above... this echoes in my mind...

"dude... guns, women and money... lets fuck it all... lets enlist... woo-hooo"

Also its to be always kept in mind that judens are a tough mix of almost all the races. Like the good genetic mutants they are. A very important thing is that the nose is very very meaty, like they have muscles in the nose. Another thing is that people of mixed Race can present some of these characteristics. I never met Gentiles, no matter how mixed, having so vile faces and so sly looking eyes, in the bad sense. I feel like I have an enemy in front of me.

Subject: 10 Years of Iraqi War [News Video]

This is one of the recent daily videos of reporter Abby Martin that talks about the 10 years of the Iraqi war... the false information on the media... and the consequences of this war

Here's the link...

<https://www.youtube.com/watch?v=Qyn8BS4RcPo>

First of all... she needs to become more famous... and if you have the time watch the other videos... IMO most of them have great info on various world news

The only thing that she cannot say on air... is that the jews are behind this and any war... it seems to me that she is aware of this

as a complement to the above news video... here's an older article from JoS....

We have to be informed in order to be aware

Subject: Re: Israeli Women Solders...

"Hoodedcobra" I will agree with you that when I first saw these pictures I too see the jewish features. As you said jews are known for their manipulation and often hide their physical features from others; however with a well trained eye they are never able to hide themselves completely.

1.And this just goes on and on In the first pic I am looking to the nose. When it comes to jews I have noticed that jews like Gentiles have different styles of how the nose is formed. I have found jews to either have a large nose to where the bump is in the middle, which gives it this meaty appearance that you mentioned, a smaller nose but to where the tip of the nose is fat and hooked, or a skinny nose and tip but where the tip is elongated and looks like Pinocchio. With pic one I can see the fatness of the tip and and even the bone structure in the middle resembles that of a jew. Also with pic one is the chin. A chin on a jew is often wide and bulky and while I have seen worse on a jew, the chin in pic one just stands out.

2. With the second pic, once again I am looking to the chin. Along with the chin I can also see the mouth is Jewish as well. Very faintly you can see how the mouth is naturally stretched out. Even while the face is not completely flat like it is one more full-blooded Jew, I can still see some Jewish bone structure in the shape of the skull.

3. The third pic is obvious when it comes to the nose as it is again fat at the tip. The chin here is more Gentile showing she might be a hybrid. The ears are hidden but if you look closely they are kind of elevated on the side of the head and her forehead screams Jewish to me for some reason.

4. The fourth pic again is looking to the chin, the shape of the skull, and the nose is hooked at the tip.

5. The fifth pic again the chin. Even though she is smiling you can tell the mouth is naturally long and worm-like, and with a more Jewish forehead, ears look normal in placement, and a more Gentile bone structure I will say she is a hybrid.

6. Picture number six I will have to say definitely the eyes for they look sickly, a more of a flat face and because of the light cannot really tell about the chin but maybe.

7. Picture number seven, most definitely the ears, and again maybe the chin and maybe the shape of the skull.

8. Picture number eight I am looking to the ears and the nose

9. Picture number nine- the bump on the nose is in the middle which is a Jewish feature,

10. Picture number 10- the chin, and the sickly eyes.

11. Picture 11- the nose is fat at the tip

12. Picture 12- aside from the obvious ugly rat in the back, the bump of the nose is in the middle, and appears to be hooked

13. Picture 13- the chin yet again, the forehead maybe, the nose for the fatness of the tip

14. Picture 14- ???

15. Picture 15- the mouth

16. Picture 16- ???

17. Picture 17- the tip of the nose, the ears,

18. Picture 18- the ears and most definitely the forehead

19. Picture 19- ???

20. Picture 20- the nose and the ears

21. Picture 21- ???

picture 22- the tip of the nose and the chin

22. Picture 23- (the one on the left) - the nose, the mouth, the shape of the skull, the eyes.

i. (the one on the right)- the ears

23. Picture 24- (the one on the left)- the ears, the chin

i. (The one on the right)- the ears and the eyes look sickly

I do not want to continue for my third eye is acting up just by looking at them. All of these women ARE jewish. While I may be overreaching on some of them, you MUST look more closely to the fine details.

This is also why one CAN NOT just rely on their perception of physical features but must rely on their spiritual detection as well.

Yes you're absolutely right... on first sight... the physical features look gentile...

but now that i followed along with your descriptions using my 3rd eye... i felt it they were jewish

I couldn't discern the physical features but the disgusting feeling is there!

It's still hard for me to use my 3rd eye through photos. I have to train it more...

Anyway... thank you all for your input... it's valuable training

Hail Satan

Subject: March 24th Group Ritual- Freeing Gentile Health Field

Purpose of ritual-

Advance Gentile research in the field of health and medicine

Day of ritual-

Sunday March 24th. On this day the moon will be in the sign of Virgo giving us the following benefits

***Health, sickness, wellness, things that require precision and perfection, hygiene, nutrition, herbs, vitamins, the work place, co-workers, workings of white magick and healing for others, service to others. Things that involve details. Hospitals, healing, the medical profession, institutions, bureaucracy, red tape, attention to detail. Virgo tends towards change ***

This day is also ruled by the sun giving us the following benefits

health, life force, and vitality, all those who are in positions of authority and power, the government, the will, one's sense of ambition, the god, and one's confidence

Time of Ritual

During the hours of the sun

On this day the moon will not be in this sign or out of void until around 1150AM EST. Please adjust this time for your location using the proper software

Ritual Affirmations-

Runic Affirmation- "The energies of (name of rune) are continuously working to free all Gentile Health fields from jewish control,

manipulation and influence, now and for all eternity".

Ritual Affirmation- "All Gentile health fields are free from all jewish control, manipulation and influence, now and for all eternity".

Blood Affirmation- "The energies within my blood, within my life force are continuously working to bestow new life, strength, hope, and motivation upon the Gentile health fields without any fear of jewish oppression now and for all eternity.

Runes to be used:

1.Thurisaz- healing, wisdom, independence, leadership

2.Kenaz- intellect, awareness, insight,

3.Laguz- reveals and counterreacts poisons, the hidden is revealed,

4.Dagaz- flashes of intuition and knowledge, strengthened if used with other runes that advance wisdom and awareness

Extra Rune

5.Nauthiz- endurance, strength to last, willpower, defiance and will to carry on, rune of trial and testing

Sigil to be Used-

The image for the sigil in this ritual will be that of the "Caduceus". Just go online find the one you like and print it out. With this sigil because it has to do with Gentiles there should be NO circles ANYWHERE on the sigil of ANY KIND. Just place the first four runes as you normally would around the image. Than place the rune Nauthiz on the outter ridge of the completed sigil. As before there should be one on top, one on the bottom, one on the far right, and one on the far left.

Ritual Declaration

Pain, suffering, and death, everything that the filthy disgusting jew has unleashed upon us Gentiles through their control of our medicine and advancements within our health fields. They have made Gentiles wish for death instead of ensuring they live the lives of Gods as they deserve. Too many have died already for this to go on any longer, and with time on our side the chains of oppression that have long held our medicinal advancements from prospering are already breaking.

No longer shall any new discoveries in medicine be kept quiet, No longer shall any Gentile be left to die due to greed, No longer shall we be forced fed that of which will eventually kill us, No longer shall Gentiles live in fear of dying. A new dawn of knowledge and discovery is already upon us, shedding light on that of

which we have been blind too for far too long.

By the energies I (state your full name) raise here tonight, I affirm that my energies will finish the breaking of all chains of oppression on all Gentile health fields, giving new life, hope, motivation and meaning to all involved.

Hail Satan

Hail Beelzebub

Hail Astaroth

Hail Azazel

Hail To All The Gods of Hell

Heil Hitler

Heil Heinrich Himmler

Hail to All Warriors of Hell

Hail To Our Most Definite Victory

The Ritual-

1.Begin by performing one or more exercises that will raise your energies. This can include alternate nostril breathing, breath of fire or any of the number of things that can do this. This should be done for only for a few minutes and with a purpose of bringing up your energies so your influence on the ritual is that much more powerful.

2.Now clean your ritual area with satanic flames, in order to eliminate any conflicting energies that may disrupt the outcome of the ritual.

3.Open the ritual as you would with the standard ritual format found on the JoS or that of the format found on HP Vovim's site. Either one is fine and is up too you as which one you perform.

4.Read the ritual declaration with passion and know what is being read is manifesting into reality.

5.Burn the ritual declaration or wait until the end and burn it along with the sigil

6. Place the ritual declaration on your altar and begin by saying the ritual affirmation one time and at the same time seeing the entire sigil glowing in a bright white-gold energy

7. Move your attention to the first rune Thurisaz. With your attention on this rune begin to breathe. On the inhale repeat the runic affirmation and on the exhale vibrate the rune. As you are vibrating the rune see all of the Thurisaz runes on the sigil glow in a bright white-gold energy. Do this process nine times. After the ninth time repeat the ritual affirmation one time while seeing the entire sigil glowing in a bright white-gold energy.

8. Next move your attention to the next rune Kenaz. With your attention on this rune begin to breathe. On the inhale repeat the runic affirmation and on the exhale vibrate the rune. As you are vibrating the rune see all of the Kenaz runes on the sigil glow in a bright white-gold energy. Do this process nine times. After the ninth time repeat the ritual affirmation one time while seeing the entire sigil glowing in a bright white-gold energy.

9. Next move your attention to the next rune Laguz. With your attention on this rune begin to breathe. On the inhale repeat the runic affirmation and on the exhale vibrate the rune. As you are vibrating the rune see all of the Laguz runes on the sigil glow in a bright white-gold energy. Do this process nine times. After the ninth time repeat the ritual affirmation one time while seeing the entire sigil glowing in a bright white-gold energy.

10. Next move your attention to the next rune Dagaz. With your attention on this rune begin to breathe. On the inhale repeat the runic affirmation and on the exhale vibrate the rune. As you are vibrating the rune see all of the Dagaz runes on the sigil glow in a bright white-gold energy. Do this process nine times. After the ninth time repeat the ritual affirmation one time while seeing the entire sigil glowing in a bright white-gold energy.

11. Next move your attention to the next rune Nauthiz. With your attention on this rune begin to breathe. On the inhale repeat the runic affirmation and on the exhale vibrate the rune. As you are vibrating the rune see all of the Nauthiz runes on the sigil glow in a bright white-gold energy. Do this process nine times. After the ninth time repeat the ritual affirmation one time while seeing the entire sigil glowing in a bright white-gold energy.

12. Now take a sterilized needle, pin or etc and prick your left index finger and draw blood. Any finger is fine but if you can make it your left index. With blood drawn trace the Nauthiz rune in your blood over the image in the center of the sigil. While you do this see your blood glowing in a white-gold energy.

13. Take time and visualize the desired outcome coming into reality. See us gentiles making such advancements in the health field, where all suffering caused by the Jew is becoming non-existent.

14. Burn the sigil and repeat the ritual affirmation until the sigil is completely burned and the flames have died out.

15. Close the ritual

My instincts told me to stay away from all of them. It's not a surface feeling that is like an irritation with someone I do not like. I have a very distinct feeling I get when I see Jews, they just stand out and I need no physical clarifications. With Gentiles I never wonder if they are Gentiles. It's like I face a polar opposite. One gives out the other sucks in. I need no further instruction, personally. In fact I wanted to see other people's opinions. No longer I observe people with eyes, I observe with feeling. For reasons I explained on the first post.

They are all so dead looking, that they repel me like a black hole repels light.

Though the thing that they use Gentile women supposedly sounded just unreal to me. I wanted to see all other people's opinion. And how this is justified seemed unfitting to me too.

I believe they are jews and I just wanted the opinions of others.

HAIL SATAN!!!!!!

I have found jews to either have a large nose to where the bump is in the middle, which gives it this meaty appearance that you mentioned, a smaller nose but to where the tip of the nose is fat and hooked, or a skinny nose and tip but where the tip is elongated and looks like Pinocchio. With pic one I can see the fatness of the tip and and even the bone structure in the middle resembles that of a jew. Also with pic one is the chin. A chin on a jew is often wide and bulky and while I have seen worse on a jew, the chin in pic one just stands out.

Most of the women there though have the classical jewish mouth (requires a sharp vision to discern, as obviously most have a streak of Mediterranean blood, some even German and others bloods above all, some even blue eyed and golden haired). I am in between things as this is fully propaganda. Like they try to push with any chance. The average jewish woman looks so repulsive that even if she was the last person in the world, you would want to hang yourself on a banana tree rather than touching it. I mean if you check on the back of the pictures, behind the 1/1000000 'beautiful' jewish girl that they are trying to pass as their little propaganda...You will see the rats.

Not to mention plastic surgery, colored contact lenses and dyed hair, straightened hair, which is a fucking tradition to all jewess cockroaches worldwide. Most hide their ears too, with their hair. Also its to be always kept in mind that judens are a tough mix of almost all the races. Like the good genetic mutants they are. A very important thing is that the nose is very very meaty, like they have muscles in the nose. Another thing is that people of mixed Race can present some of these characteristics. I never met Gentiles, no matter how mixed, having so vile faces and so sly looking eyes, in the bad sense. I feel like I have an enemy in front of me.

Awesome ritual... I'll definitely participate.

It's a jewish occupied field and needs to be freed.

Thank you for creating rituals

Yes you're absolutely right on this

I have to learn to use more my instincts on this

When you're face to face with a gentile... you get a good feeling... and when you're physically close to a Jew... you get a sickly shitty feeling

This is obvious to me... but with the photos though... i think its more on the pineal and 3rd eye

Again thank you for your input bro, as it's great training!

Hail Satan

Most of the women there though have the classical jewish mouth (requires a sharp vision to discern, as obviously most have a streak of Mediterranean blood, some even German and others bloods above all, some even blue eyed and golden haired). I am in between things as this is fully propaganda. Like they try to push with any chance. The average jewish woman looks so repulsive that even if she was the last person in the world, you would want to hang yourself on a banana tree rather than touching it. I mean if you check on the back of the pictures,

Not to mention plastic surgery, colored contact lenses and dyed hair, straightened hair, which is a fucking tradition to all jewess cockroaches worldwide. Most hide their ears too, with their hair. Also its to be always kept in mind that judens are a tough mix of almost all the races. Like the good genetic mutants they are. A very important thing is that the nose is very very meaty, like they have muscles in the nose. Another thing is that people of mixed Race can present some of these characteristics. I never met Gentiles, no matter how mixed, having so vile faces and so sly looking eyes, in the bad sense. I feel like I have an enemy in front of me.

Subject: Re: Israeli Women Solders...

What your talking about polarity is exactly what I am currently training my aura to be like. I posted this idea to "firebird" about training my aura to know when jews are around and in which direction. The main idea is to train my aura to pick up on the energy of jews.

While I do still rely on the physical features it is very quick and even a glance will kick of my third eye. Even though my thrid eye picks up on them I want so much more and this is where my aura comes into play.

As you know first hand despite the physical feautres as we advance they do stick out more and more. However I know I am rambling on but I want to see how far this can be taken, how strong the aura can become in detection, its just a little experiment that I am currently working on.

Now when it comes to my descriptions the main reason I responded was due to others on this board and the other JoS boards saying they look Gentile.

Physical features is a great place to begin in the training of your spiritual senses as it gives you a familiarity to which people are jewish and which aren't. By knowing someone is jewish you are training your senses that this is a jew and this is their energy. I look highly upon this concept of description as it leads to so much more down the road.

Subject: Re: Israeli Women Solders...

We all have our different levels/ways of discerning who is who. Mine is off the roof. Its rare for me to miss. Either through pic or without one. I just do not talk openly because some people take it personally or have different opinions and will call me crazy or over judgemental or whatever else. I am not trying to

seem mister awesome, this is a quite easy ability, as you open your Soul, you will feel the kike Soul as its a different type of Soul. No Gentile I ever saw, no matter how mixed, fucked, disorted or anything, is like a jew.

They can have an Eagle nose, smaller chin or whatever, strange ears or anything. Mixing between Races can cause some things. They are never too ugly in the sense of Soul. They are all beautiful creatures. Unlike jews. I just have a good feeling when it comes to noticing enemies in general, not just jews. Also I'm not the type of person to obsess over physical appereance. Personally I chose to base my conclusions on my gut feeling. Unless something requires strictly logical thinking, which is another thing.

HAIL SATAN!!!!!!

Most of the women there though have the classical jewish mouth (requires a sharp vision to discern, as obviously most have a streak of Mediterranean blood, some even German and others bloods above all, some even blue eyed and golden haired). I am in between things as this is fully propaganda. Like they try to push with any chance. The average jewish woman looks so repulsive that even if she was the last person in the world, you would want to hang yourself on a banana tree rather than touching it. I mean if you check on the back of the pictures, behind the 1/1000000 'beautiful' jewish girl that they are trying to pass as their little propaganda...You will see the rats.

Not to mention plastic surgery, colored contact lenses and dyed hair, straightened hair, which is a fucking tradition to all jewess cockroaches worldwide. Most hide their ears too, with their hair. Also its to be always kept in mind that judens are a tough mix of almost all the races. Like the good genetic mutants they are. A very important thing is that the nose is very very meaty, like they have muscles in the nose. Another thing is that people of mixed Race can present some of these characteristics. I never met Gentiles, no matter how mixed, having so vile

faces and so sly looking eyes, in the bad sense. I feel like I have an enemy in front of me.

This comes in time and after a point it gets very sharp. It can be confusing with all this mixing and alterations they do to their appereance (like the typical incarnations of the lie they are) to the point its fucking disgusting. Some even go through face re-forming. Its a trend amongst jewish women.

Subject: Group Rituals and Group Workings - Ending the Vatican

This is very important. I urge all those who are Satanists to read this.

I write this to explain and prepare people, give every of our Honorable Warriors enough time to prepare. The date MIGHT change as it still has to be thought out. There won't only be direct destruction Rituals, but other Rituals aimed to cleanse ourselves while sealing the enemy in the coffin. These will be posted days ago so that all of our Faithful ones can be prepared.

Before anything, I specify this clearly. This is the Will of Satan. The Vatican must be brought down to an end. This is not an opinion that stems from myself solely, its from Satan. Its very important that we kick the Vatican while they are down. They need to begone once and for all. Vatican is the main headquartes of the jews and the enemy ET's of Satan. They execute their decrees and control psychically the world from there. The JoS groups and our Satanists are constantly attacked by the Vatican's rituals (Many of which last days) and by their black magick death squads, who are in constant work to destroy everything that is of Satan.

Those who never raise a finger to fight for Satan, shouldn't be called Satanists. Satanists mean those of Satan. Do you really belong to Him if you do not fight

to death for whom you supposedly belong? For yourself at least? For your own future? And for Father Satan. I talk to your inner self as this is very important. Your Soul knows how great its going to be after they are all dealt with. No matter how new, no matter your problems, no matter your failures and your winnings. You must remember that we're in this together. No matter how new, or how old, I ask you to raise the goddamn weapon and jam it on the enemy's brain. Think of our future Generations, a world that people are allowed to live as they please. Not poor people, not sick people, science, a better planet. ALL THIS WILL NEVER BE OURS WITH THE UGLY XIANITY AROUND. See your family, your kids and your parents free of this plague once and for all. See your lover or lovers, whatever, see your beautiful future together. See the members of your own Race fighting for their survival. Try for a moment to see the suffering around and let your inner hero weaken, let him/her scream out loud that "I , MYSELF WILL BRING AN END TO THIS". If its not you then its nobody else. They have caused us grief with our families, destroyed our selves, damaged our Souls very deeply, disconnected us from our Creator, took our freedoms and everything away from us. They have SCATTERED US TO THE GROUND AND NONE MUST STAY THERE AND WATCH. THEY PUSH PLANS TO ENSURE THAT WE WILL ALL DIE HELPLESS AND IN THE STREETS WITHOUT A LOAF OF BREAD. THE TIME IS FUCKING NOW AND NOT LATER, PEOPLE OF SATAN WAKE UP! EVERYDAY THEY EXPAND THEIR PLAGUE.

Its time to feel incinerating Hate. Its time to bring your suppressed emotions up and jam it on the throat of the source that caused them, ending them permanently and with much suffering.

As a Satanist, you hold the key to a better world. You are a hero and a future God in the flesh. Do not allow such sickly bastards do such things to you. Do not allow them to press your household, suppress your desires, destroy your mental health, ruin your environment. No matter how selfish or world loving you could be (And I think nobody who is a Satanist at heart is like this), there are infinite reasons for you to raise your voice and hand, raise your leg and boot the head of xianity until nothing remains. Look on your past and what it done to you, by keeping you blind. Keeping you blind of Satan's love. Satan has been staying on helping us for centuries. Cannot we devote some time? Are we to be called Gods then or are we below animals? We are Gods of course.

All of us, like one fist, like cells on the same body, will work and eradicate the enemy. We will show them once and for all that this new world of our Father Satan has no place for such sickness. HUMANITY WOKE UP GODDAMNIT, WE ARE THE GODMEN AND NOW ITS THE TIME OF JUDGEMENT. LET'S ALL BECOME THE ANTI-CHRIST THEY HAVE BEEN TRYING CENTURIES TO STOP FROM EMERGING AND JUDGING THEM FOR THEIR DEEDS. THE GENTILE, HUMAN, ANTI-CHRIST!

One thing has to be kept in mind, and I reassure you, they work for your destruction. Those dedicated to Satan, especially those who work, are many times targeted by the black magician adepts of the enemy (Vatican's squads). Do you think they sit all day and trying to find 'jesus'? They know jesus doesn't exist. All they do is warfare and keeping the lie going. While they talk on 800\$ cellphones, eat with golden teeth, rape young innocent kids and drive limos with leather seats.

Some of us who are psychic, can feel this sort of thing. Many times, at random moments one will may feel a rush of negative energy hitting them. This could be either from the Astral enemies of Satan, or the Vatican whores. What ever the source. It must be kept in mind:

1. The Vatican is the direct spiritual headquarters of the enemy. Its the brain of all the judaic religions, scriptures and writings of the enemy.
2. The Vatican is the brain of the jews. They can operate all their filthy magick throug the giant vortex of the xian and other judaic filth energy. This has made the jews extremely powerful, given they can order someone from those death squads and they can kill people without protection very easily.

3. The Vatican is one of the places the enemy has their money workings manifest. The vast wealth is produced again by the Vatican brain.
4. The Vatican is the only institution as powerful as the Zionists and the rest. They work overtime to ensure the victory of the jews in wars, world domination etc. They have all the Ancient Gentile knowledge and manuscripts to ensure this. They abuse magick and they are a tyranny. The Vatican is full of sick souls and imbecile pedophiles, its a source of shit unlike anything else on the planet.
5. The Vatican is the main source of which the enemy acts psychically to destroy Gentiles, their families, their lives, their jobs. They are the central vein that keeps full of 'blood' the enemy religions, which in turn keep all our Gentiles in shackles. Gentiles lose lifetimes upon lifetimes becoming more and more jewdized, more and more rotten inside.
6. The Vatican is the place where all the plans are settled and agreed upon with the jewery on pissrael. The Vatican is too the source of all xian sects. It will be the most major blow in the faith of a large portion of the population, when they fall. Revolutionary changes will only happen after xianity is out of the way.
7. Unless the Vatican is out of the way and destroyed, people will still be plugged into the xian matrix and detachment will be very difficult. Killing the Vatican will ensure that the plugs on people's minds are dead aside with it. Then people will be able to think better and be more receptive to the Truth than the jewish matrix.

The Revolution will only happen when xianity and the judaic religions are dead. This is part one. This will ensure more ground for Satanism, which in due time mean the permanent detriment of the jews and the permanent Rise in Human power/consciousness, that will not allow such imbeciles to take over again.

We need to save ourselves. Everyone is called in to participate, and everyone must do. No matter the attacks, if we attack in numbers, all will notice who has the Power; us. We get attacked and pushed on the wall because we do not react as we must. When the enemy will realize that we are an undeniable Power of the planet and as Satanists, rightful owners of OUR planet, then you will see how they will beg us for mercy.

And we all know what we're going to do...

HAIL SATAN!!!!

Thank you for the remark. I want whats best not for myself and solely that, but for the world and this can only come through Satan. I am glad to fight side by side with people who have devoted their lives, time and effort in Satanism. Because they are representations of what's natural, important, pure and honest. A light in this fucked up world so to say.

HAIL SATAN!!!!!!

Subject: Re: Israeli Women Solders...

I am in a way like you I intend to be extremely judgemental and would question everyone and everything. I am by nature a very untrusting person and because of it I intend to turn many people away, both honest and deceitful. People have called me names of all kinds because of being so judgemental and overbearing but I could care less.

There was a time not too long ago that I decided to stop doing this as I hated that I turned a few good people away and wanted to change. I tried to become more trusting and when someone did something that would usually make me question and become skeptical I turned the other way and simply said we all have different personalities. Since I did that I ran into three people that started off as good people but later on showed their true colors. For two of these people I wasted months of my time and if I stuck to my nature I would have called them out on it in the very beginning. Through my non-trusting nature I am a very good reader of people and while I do make a mistake here and there, my nature has always kept me safe and strong.

I am not saying that you ever gave up on this aspect of yourself or that we are 100 percent the same on this situation but simply that you should never hide this aspect of yourself and should rely on it heavily for it really is a good, strong characteristic to have and in my opinion one every warrior should have.

Something to consider. Not to mention plastic surgery, colored contact lenses and dyed hair, straightened hair, which is a fucking tradition to all jewess cockroaches worldwide. Most hide their ears too, with their hair. Also its to be always kept in mind that judens are a tough mix of almost all the races. Like the good genetic mutants they are. A very important thing is that the nose is very very meaty, like they have muscles in the nose. Another thing is that people of mixed Race can present some of these characteristics. I never met Gentiles, no matter how mixed, having so vile faces and so sly looking eyes, in the bad sense. I feel like I have an enemy in front of me.

Yes, it is easy as myself and other posters have said they do feel different around jews and do pick up on them. But as you said that this becomes more easy as we open up, I say why wait? As important as it is to know your enemy one should not wait until they progress in this area over time as they advance in meditations but should work on it constantly. If one works on it constantly and continuously works on it who knows how strong this detection can become, who knows if anything else can manifest as one advances in such detection. I do not just want a simple un easy feeling, or burning sensation within my aura but I want to make it as strong as possible, I want to see where I can take such an issue and to what levels. Again I know I am rambling but I hope you understand what I am trying to say.

..>Hail Satan!! I, personally, know what you are trying to say..

Yet, the kike is not stupid, it is very advanced..and sometimes features hide the truth? yes?

"Detection" of the kike has always been quite easy to me, my blood seems to 'boil' and I get very angry even to read a kike inspired post. Know your enemy is VERY important. Good post, Strenght!

As important as it is to know your enemy one should not wait until they progress in this area over time as they advance in meditations but should work on it constantly. If one works on it constantly and continuously works on it who knows how strong this detection can become, who knows if anything else can manifest as oe advances in such detection. I do not just want a simple un easy feeling, or burning sensation within my aura but I want to make it as strong as possible, I want to see where I can take such an issue and to what levels. Again I know I am rambling but I hope you understand what I am trying to say.

Most of the women there though have the classical jewish mouth (requires a sharp vision to discern, as obviously most have a streak of Mediterranean blood, some even German and others bloods above all, some even blue eyed and golden haired). I am in between things as this is fully propaganda. Like they try to push with any chance. The average jewish woman looks so repulsive that even if she was the last person in the world, you would want to hang yourself on a banana tree rather than touching it. I mean if you check on the back of the pictures, behind the 1/1000000 'beautiful' jewish girl that they are trying to pass as their little propaganda...You will see the rats.

Not to mention plastic surgery, colored contact lenses and dyed hair, straightened hair, which is a fucking tradition to all jewess cockroaches worldwide. Most hide their ears too, with their hair. Also its to be always kept in mind that judens are a tough mix of almost all the races. Like the good genetic mutants they are. A very important thing is that the nose is very very meaty, like they have muscles in the nose. Another thing is that people of mixed Race can present some of these characteristics. I never met Gentiles, no matter how mixed, having so vile faces and so sly looking eyes, in the bad sense. I feel like I have an enemy in front of me.

things up, so they can act. This is to ensure than nobody is going to troll anything.

Also the enemy has ensured that all of us will be ego-less creatures. Creatures without an opinion and all this. Satanism promotes loving yourself and all the positive things. There is no reason not to love yourself unless contradicting programmings in your Soul and mind, or the opinions of others, or sometimes sheer logic [because you did some mistakes and you got there due to wrong inner and external guidance] for things one did/have done. I notice many people call other Egoistical and that sort of thing. Satanists are by nature not Egoistical. This type of Egoism comes with being arrogant, not giving a fuck about others, disregarding that they are Human beings and that sort of thing. This is the xian form of Egoism and is used as a distraction for keeping people behind for developing a self, which is a natural intention. While at the same time making them a doormat for any abuser with the xian type of Egoism step on them. Satanism is different. Satan teaches us how to develop both our strong ego, strengthens our understanding, empathy and Humanitarian values and gives us the most powerful form of compassionate psyche, so we can use it wisely and positively. Not the "I drain all negativity and others abuse me and I absorb all forms of depression" form of compassion.

Bear something in mind. You will be yourself for ever. This won't change. So you have to respect who you are or you will just be trapped in this karmic cycle of self hating stupidity that keeps you from becoming what our Creator intended. Thanks to Satan, he created us and he has always been there. This is one of the major reasons we all do what we do.

I am a dualistic nature that is fused. One side of me is extremely un-compromising, judgemental, even brutal but to those who are against me. I am neutral and positive with people that are neutral. Its just very complex. Basically since I find it hard and I'm unwilling to give a long talk about 'myself' I say I am who I am. I completely understand what you mean. Though I use my logic [Thanks to the Gods that gave us logic] to realize what aspects of myself are for myself, have to do with myself and nobody must endure/experience these. Not knowing this has caused me some grief in my life.

For instance I have a very compassionate side that I would never bother 'killing' because circumstances or the world for instance tries to exploit this. I keep this away from the world. That type of thing. If someone for instance enjoys helping others and its a powerful supporter of others, he does not have to turn to a super egoist that does not give a fuck. Its the wisdom of nature. Everyone has their positions and they should respect these and understand that if they feel conflicting feelings, something is tuned out in their minds. This infused with a desire to advance and become whats greatest of yourself.

Oh and by the way I prefer to be mistaken by my own mind and not by the mind of someone else. That would be seriously stupid. I talk from experience here.

I have it as a rule that some things just cannot be communicated with written or words. No matter how you communicate for instance, you cannot teach a dolpin how to use a computer.

Whatever the case, keep going forward. And keep the balance between a healthy ego and a healthy understanding and compassionate nature. Satan is a Warrior and a Father at the same time. Its like Hitler. When he had to plan out war, he planned out war. When he had his time, He played with kids like a nurtuing Father who really cared.

HAIL SATAN!!!!!!

Since I did that I ran into three people that started off as good people but later on showed their true colors. For two of these people I wasted months of my time and if I stuck to my nature I would have called them out on it in the very beginning. Through my non-trusting nature I am a very good reader of people and while I do make a mistake here and there, my nature has always kept me safe and strong.

Cold dead eyes, like a grey. At first someone looks and it doesn't stand out, most people won't see it, or feel it in a way they can put their finger on what it is. Grey, brown murky energy, I look at blue eyes there and I see black empty pits. And I feel they would want to kill me and dance on my grave.

One gives out the other sucks in. I need no further instruction, personally. In fact I wanted to see other people's opinions. No longer I observe people with eyes, I observe with feeling. For reasons I explained on the first post.

> > > 1.And this just goes on and on In the first pic I am looking to the nose. When it comes to jews I have noticed that jews like Gentiles have different styles of how the nose is formed. I have found jews to either have a large nose to where the bump is in the middle, which gives it this meaty appearance that you mentioned, a smaller nose but to where the tip of the nose is fat and hooked, or a skinny nose and tip but where the tip is elongated and looks like Pinocchio. With pic one I can see the fatness of the tip and and even the bone structure in the middle resembles that of a jew. Also with pic one is the chin. A chin on a jew is often wide and bulky and while I have seen worse on a jew, the chin in pic one just stands out.

Even while the face is not completely flat like it is one more full blooded jews I can still see some jewish bone structure in the shape of the skull.

Subject: Re: Israeli Women Solders...

They play both sides against the middle. All the time the church says the body and sex is a dirty, nasty thing of shame and sin. So the other extreme the kike turns sex in the media and so on into something cheap easy and nasty to make the churches argument against it seem valid. Do I make sense here? They take something natural and beautiful and on one hand say it is really evil and on the other try to show it to be nasty and evil. They leave nothing beautiful in there just one side against the other. They use and cheapen the female body in every way on one hand while abusing it and saying its evil on the other. Then put kike bitches in front of men who wouldn't know a real woman if she slapped him in the face. They have been trained to just see a woman as a sack of flesh everything about Human sexuality is completely fucked up. With the Soul so shut down in people there is no real feeling at a soul level its a rare thing.

How many non Satanists would see the difference between one of those kike bitches and a Gentile woman? Some maybe... but still without the knowledge they don't really understand it. Without the eyes of the Soul open they can't feel what we do and know what it is. Maybe a funny feeling of fear or discomfort, something 'off' but most people are in a dreamland with a filter on them. Too busy, too tired, too whatever. And of course as we know if you dare to question a kike you might get called a Nazi or anti semite (I feel they have loaded those labels with occult power as with the bible which is why it feels such a strong thing of fear and taboo aswell to people in general, even scared to think of it in their own minds). There is no logical reason behind it, there is a feeling instead its one of those things I can't put well into words but know it inside)

Some don't seem like this. But some do. Whatever the case its a plot as to obviously draw fools to fight for them, in the hopes of...getting laid? Okay that is seriously fucked here. Anything is to be expected though, as they always use insticts to control people. Now I wonder who is such a fool and such a traitor to join the ranks of another country just for some female soldiers. This does not make sense. Also how could a Gentile get in the jewish military. And even if they did, how many wold. I guess every Gentile dead makes them happier if they thought of such tricks to get people to die...Hmmm.

first of all look at Syria and its neighboring countries

<http://www.antiwar.com/docs3/feith-map.jpg>

- First of all we can see it's next to the cradle of all civilization, the now war-torn Iraq. Iraq has been razed to the ground. First for the oils. And also for the ancient relics and documents (which reveal the lies Judaism and Xianity), now possessed by the filthy jews and they are either destroyed or hidden from the face of earth.

- Then we see another neighbor... Israel. Wanting to expand even more its borders and ready to massacre anyone in its way without a second thought.

- Lebanon which i don't know were it stands in this whole mess

- On the south is Jordan... Israel would like to invade Jordan sooo much... but Jordan is highly backed by Saudi Arabia and the whole arab world. So Jordan is "no go" for now.

.....

Which brings us to the north of Syria... Turkey...

In recent news Obama announced that Israel apologized to Turkey on a past conflict... and we know jews don't apologize for nothing... Syria is in the middle and i think they are both closing in.

Here's an article on the announcement...

<http://www.reuters.com/article/2013/03/22/us-israel-turkey-obama-idUSBRE92L0RK20130322?feedType=RSS&feedName=worldNews>

Syria has a lot of palestinian refuges from the Iraqi war (about 1.3Mil) and a lot of Kurds (about 2Mil)... I'm not sure about this... but i think Kurds are hated by Turkey and would love to erase them... Kurds also have a great oral history that the jews would like to erase

Syria, according to archeologists, has one of the most ancient civilisations in the world... i'm guessing the filthy jews would love to er ase everything from this country also.

https://en.wikipedia.org/wiki/History_of_Syria#Ancient_Syria

.....
But i digress...

The main theme in middle east is OIL... Syria is no stranger in this business...

Syria exports 90% of its oil to EU and the remainder goes to Turkey... and I ask...

Is the impending Syria "war on terrorism" about cutting EU of it's oil sources and causing a starvation?

Or is it a counter action of the "new found" oils of Greece and Cyprus? (remember Cyprus is dangerously close to the rats-nest of Israel, and keep in mind that Cyprus is currently being attacked financially)

What are your thoughts and input on this subject?

Hail Satan

Free translation of "Walvater Wotan" by Landser

We don't want your Jesus, the old Jewish pig
Because nothing can crawl crosses to be Aryan
The Bible and the crucifix, which is to get the vultures
We want our priests and not your pig Pope from Poland!

Walvater Wotan is to be our Lord God
Walvater Wotan will liberate Germania

Once there was the Inquisition, but is well known to all
Thousands German women burned as witches
But today 'because it makes on human and want to build peace
Spray at each church's door: Make peace, not priests!

Walvater Wotan is to be our Lord God
Walvater Wotan will liberate Germania

Odin's ravens watch and see your deeds
And his wolves sometime soon get fat frying

A flash of Thor's Hammer is echoing in the church
Now pray to your Jewish God: he don't hear you, you Christian pigs!

Walvater Wotan is to be our Lord God
Walvater Wotan will liberate Germania

Odin!

What we are doing is to push them to the hole they dug for themselves.

Goebbels:
"We don't think they are not humans, but be a human is not a enough reason to let them live with us. They live by unnatural laws which are nocive to us".

As Hitler told:
"The Jews used to laugh about it; they thought it was a joke.
They are not laughing anymore. Today they realize the gravity of the situation".

The first one looks like contact lenses with something evil and violent waiting to erupt from within at any second like predator or alien movies like if she opens her mouth you would want to grab the biggest flame thrower you could get.

consider. Not to mention plastic surgery, colored contact lenses and dyed hair, straightened hair, which is a fucking tradition to all jewess cockroaches worldwide. Most hide their ears too, with their hair. Also its to be always kept in mind that judens are a tough mix of almost all the races. Like the good genetic mutants they are. A very important thing is that the nose is very very meaty, like they have muscles in the nose. Another thing is that people of mixed Race can present some of these characteristics. I never met Gentiles, no matter how mixed, having so vile faces and so sly looking eyes, in the bad sense. I feel like I have an enemy in front of me.

I wanted to see what others think, I didn't say I changed my mind. Because if I just wrote they are all jews most people are with the bashing hammer on the head. They are all repulsive and seem alien to me, also like they woyld desire to kill me. When I see jews like this, I cannot help it and automatically my instict to survive hits up. Lol. And especially those who are mixed, I get even more enraged because they try to hide their jewery...And this pisses me off beyond anything else.

Most of them got the jewusal, ghoul stare.

Note the repitilan hags in the background of some of those photos.

In about a decade the more Gentile looking ones will transform into total yenta, hags. Thats how it goes with those of Jewish genetics.

You can see in those photos why the joo army, epic fails. Like the defeat of twenty thousand troops, supported by air force, armour and heavy guns. To a couple of hundred fighters of "The Party of God" combat arm in six weeks. With heavy loses. They are a lot of undisciplined, nacy boys. Who spent more time crying and hugging then winning at anything. Expect being emo, pussies.

The jews are not a marital race. They are vicious rats and ghouls. But not heroic or creative.

Subject: Re: Israeli Women Solders...

I had encountered an actual rat in a place days ago. Its enduring power and slyness was something very strange. Unlike other animals. It hid all day, came out at night and had the intelligence to know where to chew. Very aware of the route of escape. When the door banged, it hid so good that you was wondering if its here or not. For hours upon hours. It survived more than two attempts in poisoning. And played dead for a whole day, not making a move. It escaped all the traps. This is all scaringly similiar to the jews. They aren't calles rats only because of appereance. Other than the cockroach the rat is a fucking mighty survivor and very cunning.

Its not by coincidence they have invented all these false 'humanism' craps. And all the 'non violence only speech' policy. Which in many cases doesn't solve a thing with these fucking swindlers. As I write this my blood has reached boiling status. They are so extremely vile that people cannot even get it. And so cunningly intelligent. No wonder high ranking Nazis who could completely see through their lies had so high IQ's. They are so vile that once you really let Satan open you up and show you what they did, you will at the very least get enraged. I was watching the Golden Dawn debating with these jewish enemy politicians...Who are supposedly Greek...yess I know better what you are bitches. While the Golden Dawn was trying to give an arguement, all they did was attack them with illogical shit and illogical questions, so many lies, which would make it hard for one who isn't very controlled to stay calm. They are masters in destroying others and manipulating those who watch the arguement with emotional shit all the time. Of all the kike qualities, this is what really pushes me over the verge with that race of reptilians. And their shitty self love, selfishness, that shows in every chance.

Most of the women there though have the classical jewish mouth (requires a sharp vision to discern, as obviously most have a streak of Mediterranean blood, some even German and others bloods above all, some even blue eyed and golden haired). I am in between things as this is fully propaganda. Like they try to push with any chance. The average jewish woman looks so repulsive that even if she was the last person in the world, you would want to hang yourself on a banana tree rather than touching it. I mean if you check on the back of the pictures, behind the 1/1000000 'beautiful' jewish girl that they are trying to pass as their little propaganda...You will see the rats.

Also its to be always kept in mind that judens are a tough mix of almost all the races. Like the good genetic mutants they are. A very important thing is that the nose is very very meaty, like they have muscles in the nose. Another thing is that people of mixed Race can present some of these characteristics. Subject: Re: Israeli Women Solders...

Its more then just high intellenice. Its the fact the top leaders as Satanists where practioners of spiritual knowledge so it opened them up spiritually and with the awakened conscousness they where able to know them for what they are.

Reading about Hitler and his political career in Germany he literally accomplished the impossible for the Nation. That even great statemen like Bismarck could not achieve in his time. And with total ease.

Everything about Hitler shows a very spirituality advanced person. And with his higher preception he was able to plan and use proper timing to achieve success.

The only reason they lost the war was due to the Junker class, being so full of traitors. They where even giving intelligence to the enemy. This is why Kursk was lost. The Reds knew all their plans due to this 5th column. As SS General DeGrelle stated when the SS was in command they won the battle. Because Hitler's personal orders for fighting the battle where followed. Where the Junker commanders would disobey and do it there stupid way and lose. The biggest example was Von Paulus at Stalingrad. As DeGrelle stated. Paulus disobeyed Hitler's orders and thus lost the battle. A year later the Axis where in the same situation and won by following Hitlers orders.

The problem was Hitler's government had to deal within the old order and their role in the power dynamic. That ment having to tolerate the Junkers as the new government was on shaky ground and could not afford to make an enemy of the aristocratic, old order, who held a lot of power. Hitler's goverment was not some dictatorship where he had police power. It was the total opposite. The Junkers hated Hitler but chose him over the Reds. I believe in their conceit they believed they could control him and his party to thier demands.

The Junkers constantly tried to murder Hitler. The Wolf's Liar plot was the start of a planned military coup and civil war. Right when Germany was busy fighting a two front war.

It takes a real dick and a real selfish prick, to be so egoistical as his egoism to cause a war loss. Also he chose surrender over death, showing a lot more about the person. IMO Hitler was extremely advanced. If you ever came across his natal chart then you would see it clearly. Also the fact that he never went to a university of war or how this is named, and had more war instict and the ability to plan one hundred times more than those who studied, shows what we exactly talk on about here.

These junkies remind me of communists in Greece. After two world wars, they wanted communist reign in Greece. So the country got divided and we had another civil war in which hundreds upon hundreds died. Because they had the fancy belief that we should be ruled by communism and not a King as we used to. So these so patriotic and loving peaceful nonviolent equal always communists managed to divide the country with their beliefs. And be the lost children of jewstalin down there. To cause all communism didn't cause in the first place. This is similiar to the junkies. Always a percent of population has a fucking problem. Reacting to what would cure them. Because karma indicates they must stay eternal patients. So yes.

The Junker class where mainly Christians and tried into the Catholic Church. The amount of traitors in the Reich that where xians is high, lot of xian clergy. Which reveals the nature of xianity.

Its no mistake one of the first things done was the Nazi's worked to neutralize the political power and influence of the Catholic church in Germany. Along with the Lutherian church.

It takes a real dick and a real selfish prick, to be so egoistical as his egoism to cause a war loss. Also he chose surrender over death, showing a lot more about the person. IMO Hitler was extremely advanced. If you ever came across his natal chart then you would see it clearly. Also the fact that he never went to a university of war or how this is named, and had more war instict and the ability to plan one hundred times more than those who studied, shows what we exactly talk on about here.

These junkies remind me of communists in Greece. After two world wars, they wanted communist reign in Greece. So the country got divided and we had another civil war in which hundreds upon hundreds died. Because they had the fancy belief that we should be ruled by communism and not a King as we used to. So these so patriotic and loving peaceful nonviolent equal always communists managed to divide the country with their beliefs. And be the lost children of jewstalin down there. To cause all communism didn't cause in the first place. This is similiar to the junkies. Always a percent of population has a fucking problem. Reacting to what would cure them. Because karma indicates they must stay eternal patients. So yes.

The Reds knew all their plans due to this 5th column. As SS General DeGrelle stated when the SS was in command they won the battle. Because Hitler's personal orders for fighting the battle were followed. Where the Junker commanders would disobey and do it their stupid way and lose. The biggest example was Von Paulus at Stalingrad. As DeGrelle stated. Paulus disobeyed Hitler's orders and thus lost the battle. A year later the Axis were in the same situation and won by following Hitler's orders.

That meant having to tolerate the Junkers as the new government was on shaky ground and could not afford to make an enemy of the aristocratic, old order, who held a lot of power. Hitler's government was not some dictatorship where he had police power. It was the total opposite. The Junkers hated Hitler but chose him over the Reds. I believe in their conceit they believed they could control him and his party to their demands.

Subject: Wagner, Nietzsche and National Socialism

Wagner, Nietzsche and National Socialism

"A daring and ruler race is building itself up.... The aim should be to prepare a transvaluation of values for a particularly strong kind of man, most highly gifted in intellect and will. This man and the elite around him will become the 'lords of the earth'."-Nietzsche, The Will To Power

"Richard Wagner, the great German composer, who "worshipped Lucifer cunningly disguised as an exclusive Aryan Christ"

Nietzsche in my view is the most important thinker, next to Hitler in the last thousand years. He picked up the hammer and worked to smash the Xian icons and break its spell on Western Civilization and fingered the Jew as the main culprit behind the slow decline of White civilization with its number one weapon of

choice Christianity from which all other destructive programs mutated. Nietzsche went as far to declare himself Pagan in the purest spirit and declare the need for a return to the natural state of Aryan Man within the West. The return to a Pagan[Satanic] paradigm. In his work Nietzsche documents the problem and the solution with pure genius and tact. I will mention Nietzsche understanding today still transcends much current social-biology in the major point of life as evolution into higher life, the will to power trumps the mere will to survival. He returned the ancient ethos of the Aryan culture man's transformation into Godman. In Nietzsche's work is the call for the regeneration of Aryan kind.

Wagner did with art what Nietzsche did with the word.

Both men were at one point in time dear friends and companions.

Much of Wagner's Opera's were based on an authentic revival of Aryan culture the Pagan Saga's and in general were filled with anti-Christian Pagan themes, the ideal of the Godman was a constant.

Both these men Wagner and Nietzsche form a major foundation for the ideals of the National Socialist Party leaders.

"Whoever wants to understand National Socialist Germany must know Wagner."-Adolf Hitler

"The Jew, he [Wagner] claimed, has no true passion to impel him to artistic creation. The Jewish composer, according to Wagner, makes a confused heap of the forms and styles of all ages and masters. To admit a Jew into the world of art results in pernicious consequences. In *Deutsche Kunst und Deutsche Politik*, Wagner spoke of the "harmful influence of Jewry on the morality of the nation," adding that the subversive power of Jewry stands in contrast to the German psyche."

To this day the Jews still hate Wagner's music on the deepest level:

"Wagner's music had been unofficially banned in public in Israel....

In 1981, the Israel Philharmonic Orchestra, under the baton of Zubin Mehta, offered an encore at the close of a subscription concert. Commotion broke out, with shouts from the audience aiming to silence the music.....

In July 2001, the prestigious Berlin Staatskapelle performed the "Tristan und Isolde" overture at the Israel Festival. While the orchestra's conductor, Daniel Barenboim (himself a Jew), had promised to respect the ban on Wagner's music...."

Wagner exposed them in his article Jewishness in Music:

<http://users.belgacom.net/wagnerlibrary/prose/wagjuda.htm>

"By far more weighty, nay, of quite decisive weight for our inquiry, is the effect the Jew produces on us through his speech; and this is the essential point at which to sound the Jewish influence upon Music. (12) The Jew speaks the language of the nation in whose midst he dwells from generation to generation, but he speaks it always as an alien....."

The Jews' sense of Beholding has never been of such a kind as to let plastic artists arise among them: from ever have their eyes been busied with far more practical affairs, than beauty and the spiritual substance of the world of forms. We know nothing of a Jewish architect or sculptor in our times, (17) so far as I am aware: whether recent painters of Jewish descent have really created (wirklich geschaffen haben) in their art, I must leave to connoisseurs to judge; presumably, however, these artists occupy no other standing toward their art, than that of modern [87] Jewish composers toward Music to whose plainer investigation we now will turn....."

Just as words and constructions are hurled together in this jargon with wondrous inexpressiveness, so does the Jew musician hurl together the diverse forms and styles of every age and every master. Packed side by side, we find the formal idiosyncrasies of all the schools, in motleyest chaos. As in these productions the sole concern is Talking at all hazards, and not the Object which might make that talk worth doing, so this clatter can only be made at all inciting to the ear by its offering at each instant a new summons to attention, through a change of outer expressional means. Inner agitation, genuine passion, each finds its own peculiar language at the instant when, struggling for an understanding, it girds itself for utterance: the Jew, [93] already characterised by us in this regard, has no true passion....."

Nothing but that prickling unrest which we observe in Jewish music-works from

one end to the other, saving where it makes place for that soulless, feelingless inertia. What issues from the Jews' attempts at making Art, must necessarily therefore bear the attributes of coldness and indifference, even to triviality and absurdity; and in the history of Modern Music we can but class the Judaic period as that of final unproductivity, of stability gone to ruin....

The Nazi Party understood and exposed the Jewish creation and drive of the Modern Arts movements as a weapon against Gentiles, they exposed this fact in their public education films.

It was during Wagner's Opera that Hitler received his transfiguration into Satan's Messiah:

<http://groups.yahoo.com/group/JoSNewsletter/message/172>

"... Hitler began to orate. Words burst from him like a backed-up flood breaking through crumbling dams. In grandiose, compelling images, he sketched for me his future and that of his people" (Fest, 22-23).

Thirty years later, the boyhood friends would meet again in Bayreuth, (probably catching an opera), and Hitler would remark: "It began at that hour!". More convincing evidence of Wagner's influences can hardly be wished for after a statement such as this one, but more there is (Fest, 21-23).

Adolf stood before me. He took both my hands in his and held them tight a gesture that he had never yet made. I could feel from the pressure of his hands how moved he was. His eyes sparkled feverishly. The words did not pour from his lips with their usual easiness, but burst forth harsh and passionate. I noticed at his voice even more than at the way in which he held my hands, how the episode he had lived (the performance of "Rienzi" at the Opera) had shattered him to the depth.

"Gradually, he began to speak more freely. The words came with more speed. Never before and also never since have I heard Adolf Hitler speak like he did then, as we stood alone under the stars as though we had been the only two creatures on earth.

"It is impossible for me to repeat the words my friend uttered in that hour.

"Something quite remarkable, which I had not noticed before, even when he spoke

to me with vehemence, struck me at that moment: it was as though another Self spoke through him; another Self, from the presence of which he was as moved as I was. In no way could one have said of him (as it sometimes happens, in the case of brilliant speakers) that he was intoxicated with his own words. On the contrary! I had the feeling that he experienced with amazement, I would say, that he was himself possessed by, that which burst out of him with elemental power. I do not allow myself a comment on that observation. But it was a state of ecstasy, a state of complete trance in which, without mentioning it or the instance involved in it, he projected his experience of the "Rienzi" performance into a glorious vision upon another plane, congenial to himself. More so: the impression he had received from that performance was merely the external impulse that had prompted him to speak. Like a flood breaks through a dam which has burst, so rushed the words from his mouth. In sublime, irresistible images, he unfolded before me his own future and that of our people.

"Till then I had been convinced that my friend wanted to become an artist, a painter or an architect. In that hour there was no question of such a thing. He was concerned with something higher, which I could not yet understand.... He now spoke of a mission that he was one day to receive from our people, in order to guide them out of slavery, to the heights of freedom.... Many years were to pass before I could realize what that starry hour, separated from all earthly things, had meant to my friend."

-August Kubizek, "The Young Hitler I Knew"

If you look at the Nazi rallies and watch Wagnerian Opera you can see Hitler used one to build upon the other, a pure work of art.

"Whoever wants to understand National Socialist Germany must know Wagner."-Adolf Hitler

Hitler stated he drew much of the underlying foundation of German National Socialism from Wagner's Opera Parzival.

"What is celebrated is not the Christian Schopenhauerian [sic] religion of compassion, but pure and noble blood, blood whose purity the brotherhood of initiates has come together to guard. The king then suffers an incurable sickness, caused by his tainted blood. Then the unknowing but pure human being is led into temptation, either to submit to the frenzy and to the delights of a corrupt civilization in Klingsor's magic garden, or to join the select band of

knights who guard the secret of life, which is pure blood itself. All of us suffer the sickness of miscegenated, corrupted blood. How can we purify ourselves and atone? Note how the compassion that leads to knowledge applies only to the man who is inwardly corrupt, to the man of contradictions. And that this compassion admits of only one outcome, to allow the sick to die. Eternal life, as vouch safed by the Grail, to those who are truly pure and noble!" - Adolf Hitler

As shown Lucifer's Sigil is the Grail and He Satan is Lord of it:

<http://groups.yahoo.com/group/JoSNewsletter/message/210>

"Wagner's line of thought is intimately familiar to me", Hitler continued more animatedly. "At every stage of my life I come back to him. Only a new nobility can bring about the new culture."

"Wagner's writings on race would probably be considered unimportant were it not for the influence of his son-in-law Houston Stewart Chamberlain, who expanded on Wagner and Gobineau's ideas in his 1899 book The Foundations of the Nineteenth Century, a racist work extolling the Aryan ideal which later strongly influenced Adolf Hitler's ideas on race."

Hitler shared Nietzsche and Wagner's view on Christianity [Wagner's entire career was anti-Christ]:

http://www.666blacksun.com/Adolf_%20Hitler.html

"Whether it's the Old Testament or the New, or simply the sayings of Jesus, it's all the same old Jewish swindle. It will not make us free. A German church, a German Christianity is a distortion. One is either a German or a Christian. You cannot be both..... We don't want people to keep one eye on the hereafter. We need free men who know that God is in themselves."- Adolf Hitler

A quote about Hitler's stance on Christianity from Alfred Rosenberg
"He had never allowed a member of the clergy to a Party meeting or to the burial of a member of the Party. The Judeo-Christian plague was now heading towards its end. He said it was downright horrifying that a religion could ever have been possible which literally gobbled up its God in communion."³

Thus Spake Zarathustra was read and studied as part of the SS educational classes.

The level of influence on National Socialist thinking Nietzsche had is self evident in the statements of Hitler:

"The Socialist's conception of the highest society is the lowest in the order of rank"- Nietzsche

Nietzsche's disgust for the Socialism is based upon the fact it was as a whole based on Xian principals which as he highlighted where the war on the higher man and the bridge to the devolution of such into the last man. Hence National Socialism can not be included in this as one it did not exist at the time as a political philosophy and two, it was based upon the opposite paradigm one of the superiority of nature, race and culture and the evolution of the Volk to the Overman. This can be viewed in Nazism's opposition to Marxism which is built upon the very value systems of which Nietzsche despised in Socialism of the period.

"It is worth noting in this respect National-Socialism was only "Socialist" in the sense of rejecting capitalism's "tyranny of money" (the same "hierarchy based on money" which Nietzsche condemned as "unnatural") yet Nazism definitely condemned class conflict and the Socialist ideal of a "classless society", advocating instead a radically elitist and hierarchical system based on true

superiority or 'true domination' i.e. the domination of race and personality, the rule of the best racial and spiritual elements of society, which would bring about the greatness of the whole nation, not the socialist atomistic "happiness of individuals". -Taha

"The Jewish doctrine of Marxism rejects the aristocratic principle of nature and replaces the eternal privilege of power and strength by the mass of numbers and their dead weight"-Adolf Hitler

"Democracy represents the disbelief in great human beings and an elite of society: 'everyone is equal to everyone else'" - Nietzsche

"By rejecting the authority of the individual and replacing it by the numbers of some momentary mob, the parliamentary principle of majority rule sins against the basic aristocratic principle of nature"- Adolf Hitler

"Does this present not belong to the mob? Mob above, mob below! What are 'poor' and 'rich' today! I unlearned this distinction! Nietzsche

"The Western democracy of today is the forerunner of Marxism which without would not be thinkable. It provides this worldly plaque with the culture in which its germs can spread"- Adolf Hitler

"Justice speaks thus to me: "men are not equal". And they should not become so, either!"- Nietzsche

" We do not want to do away with inequalities between men, but on the contrary, to increase them and make them into a principle protected by impenetrable barriers"- Adolf Hitler

"The state is not the highest end of man.Higher men should gain great influence in the state because they are allowed to consider it as a means."- Nietzsche

"The maintenance of the military state is the last means of all of acquiring or maintaining the great tradition with regard to the supreme type of man, the

strong type."- Nietzsche

"The state represents no end, but a means to an end. Its end lies in the development of the race's spiritual and ideal abilities leading to the formation of a higher culture. States which do not serve this are misbegotten, monstrosities in fact"

- Adolf Hitler

"The Masters of the earth a higher kind of man who, thanks to their superiority in will, riches, and influence, employ democratic Europe as their most pliant and supple instrument for getting hold of the destinies of the earth, so as to work as artists upon `man' himself. The time is coming when politics will have a different meaning"- Nietzsche

"The Superman is the meaning of the earth. Let your will say: the Superman shall be the meaning of the earth"- Nietzsche

"a peace, supported not by the palm branches of tearful, pacifist female mourners, but based on the victorious sword of a master people, putting the world into the service of a higher culture"- Adolf Hitler

"Those who see in National Socialism nothing more than a political movement know ... It is more even than religion; it is the will to create mankind anew."- Adolf Hitler

"Man is becoming God."- Adolf Hitler

Other statements to testify to this fact of Nietzsche's influence on Nazi thought:

"Christianity, growing from Jewish roots and comprehensible only as a product of this soil, represents the reaction against that morality of breeding, of race, of privilege-it is the anti-Aryan religion par excellence: Christianity the revaluation of all Aryan values, the victory of Chandala values, the evangel preached to the poor and lowly, the collective rebellion of everything downtrodden, wretched, ill-constituted, under-privileged against the `race'- undying Chandala revenge as the religion of love."-Nietzsche

"Judaism, Christianity, Bolshevism are all bound together. Comrades in agitation, born tools of decay, they possess the same talent to destroy the natural structure of society. Bolshevism is the historical and logical continuation of Christianity. It realizes on a technical level what Christianity has done on a metaphysical level."

- Adolf Hitler

"Judeo-Christianity, the greatest plague delivered by history"-Heinrich Himmler

"Paul, the Jew the eternal Jew par excellence"- Nietzsche

"The eternal Jew an accursed specter, a carrier of deadly infectionThe Jew's traits of character have remained the same, whether 2000 years ago as a grain dealer in Ostia, speaking Roman, or whether as a flour profiteer of today, jabbering German with a Jewish accent. It is always the same Jew"-Adolf Hitler

The whole disaster was only made possible by the fact that there already existed in the world a similar megalomania, allied to this one in race, to wit, the Jewish.

I call Christianity the one great curse, the one great intrinsic depravity, the one great instinct for revenge for which no expedient is sufficiently poisonous, secret, subterranean, petty I call it the one immortal blemish of mankind.- Nietzsche

"In contrast to the noble, creative, and constructive Nordic, the Jew is ignoble, parasitic, and destructive"-Alfred Rosenberg

"The Jews are most fateful nation in world history; their after-effect has falsified mankind to such an extent that today the Christian is able to fell anti-Jewish without realizing he is the ultimate consequence of the Jew"- Nietzsche

"The Christian is only a Jew of a `freer confession"- Nietzsche

"The Jewish people handled the "pious fraud" or "holy lie" with such perfection, such a degree of 'good conscience', that one cannot be sufficiently cautious when it preaches morality. When Jews step forward as innocence itself then the danger is great"- Nietzsche

"Existence impels the Jew to lie, and to lie perpetually.the Jew, the great master in lying"- Adolf Hitler

The final aim of the Jew , his life-interest, is to make mankind sick Jewish hate, that most profound and sublime hate.make mankind sick and invert the concept 'good' and 'evil', 'true' and 'false' in a morally dangerous and world-calumniating sense. The history of Israel is invaluable as a typical history of the denaturalizing of natural values." Nietzsche

"The Jew is a culture destroyer, for he lacks those qualities which distinguish the races that are creative and hence culturally blessed.The Jews possess no culture-creating force of any sort, since the idealism , without which there is no true higher development of man, is not present in him and never was present"-Adolf Hitler

It was, in fact, with the Jews that the revolt of the slaves begins in the sphere of moralsThey symbol of the fightis called 'Rome against Judea, Judea against Rome'The Romans were the strong and aristocratic; a nation stronger and more aristocratic has never existed in the world, have never been dreamed ofThe Jews, conversely, were that priestly nation of resentment par excellence, possessed by a unique genius for popular moralsIt is at least certain that sub hoc signo Israel, with its revenge and transvaluation of all values, has up to the present always triumphed again over all other ideals, over all more aristocratic idealsall that has been done on earth against 'the noble', 'the powerful', fades into nothing compared with what the Jews have done against them"- Nietzsche

"The Aryan-Semitic conflict: Rome against Judea"-Alfred Rosenberg

And the final proof is from the gloating Jew Eli Ravage who openly confesses all the points Nietzsche, Wagner and Hitler made on the subject which proves as

always the truth is "anti-Semitic." And those Gentile called "anti-Semites" are ONLY STATING OPENLY WHAT THE JEWS THEMSELVES ADMIT.

Marcus Eli Ravage, a Jewish writer who was the Rothschilds' approved biographer. It appeared in THE CENTURY MAGAZINE, JANUARY 1928, Vol. 115, No. 3, pp. 346-350.

But I can tell you, you are self-deceivers. You lack either the self-knowledge or the mettle to face the facts squarely and own up to the truth. You resent the Jew not because, as some of you seem to think, he crucified Jesus but because he gave him birth. Your real quarrel with us is not that we have rejected Christianity but that we have imposed it upon you!

Your loose, contradictory charges against us are not a patch on the blackness of our proved historic offense. You accuse us of stirring up revolution in Moscow. Suppose we admit the charge. What of it? Compared with what Paul the Jew of Tarsus accomplished in Rome, the Russian upheaval is a mere street brawl.

You make much noise and fury about the undue Jewish influence in your theaters and movie palaces. Very good; granted your complaint is well-founded. But what is that compared to our staggering influence in your churches, your schools, your laws and your governments, and the very thoughts you think every day?

You have not begun to appreciate the real depth of our guilt. We are intruders. We are disturbers. We are subverters. We have taken your natural world, your ideals, your destiny, and played havoc with them. We have been at the bottom not merely of the latest great war but of nearly all your wars, not only of the Russian but of every other major revolution in your history. We have brought discord and confusion and frustration into your personal and public life. We are still doing it. No one can tell how long we shall go on doing it.

But we did not leave you alone. We took you in hand and pulled down the beautiful and generous structure you had reared, and changed the whole course of your history. We conquered you as no empire of yours ever subjugated Africa or Asia. And we did it all without armies, without bullets, without blood or turmoil, without force of any kind. We did it solely by the irresistible might of our spirit, with ideas, with propaganda.

We made you the willing and unconscious bearers of our mission to the whole world, to the barbarous races of the earth, to the countless unborn generations. Without fully understanding what we were doing to you, you became the agents at

large of our racial tradition, carrying our gospel to the unexplored ends of the earth.

Our tribal customs have become the core of your moral code. Our tribal laws have furnished the basic groundwork of all your august constitutions and legal systems. Our legends and our folk tales are the sacred lore which you croon to your infants. Our poets have filled your hymnals and your prayer books. Our national history has become an indispensable part of your pastors and priests and scholars. Our kings, our statesmen, our prophets, our warriors are your heroes. Our ancient little country is your Holy Land. Our national literature is your Holy Bible. What our people thought and taught has become inextricably woven into your very speech and tradition, until no one among you can be called educated who is not familiar with our racial heritage.

Jewish artisans and Jewish fishermen are your teachers and your saints, with countless statues carved in their image and innumerable cathedrals raised to their memories. A Jewish maiden is your ideal of womanhood. A Jewish rebel-prophet is the central figure in your religious worship. We have pulled down your idols, cast aside your racial inheritance, and substituted for them our God and our traditions. No conquest in history can even remotely compare with this clean sweep of our conquest over you....."

Subject: Primordial Buddhism

Primordial Buddhism

Dedicated to Otto Rahn.

This article is meant to highlight what can be termed: "Primordial Buddhism." That is Buddhism that existed before the corruptions where made. The corrupted paradigm which is now the standard. I have already discussed this: "Bogus Buddhism." Elsewhere.

In the ancient world the Arya's worshipped a Creator God by the title of Buddha. The Aryish Druids religion was based on the worship of a crucified and reborn God man, named: Wod, Wodan, Bud, Budh, Buddha.

As DM. Murdock cites in her book: "Suns of God."

"They gave [the Sacred Island] two other names, viz, Phus Inis, and Inis=na-Phuodha-which, at once, associate the "worship" with the profession of the worshippers-for, Phus Inis, is Dudh Inis-Ph, or , F, being only the aspirate of, B, and commutable with it-that is, Budh Island; and Inis-na Phuodha is Inis-na-Buodha, that is, THE ISLAND OF BUDHA."

So we have ancient Ireland being titled: "The Island of Budha."

Also from the same work:

"The ancient Irish and Hindus used the name Budh for the planet Mercury. The stem Budh appears in all the Celtic languages as it does in Sanskrit, as meaning "all victorious" "gift of teaching" "accomplished" "enlightened" "exalted" and on."

From here we see Buddhaya the Sanskrit title for Mercury.

The Indo-European languages all come from Sanskrit.

"The Druidic and Vedic priesthods, language and culture are one at root, separating perhaps three millennia prior to the Christian era."- Ellis

The round towers of Ireland:

"O' Brien relates the words of an ancient Irish bishop Corma, "the celebrated bishop of Cashel" who in "defining the Round Towers in his Glossary of the Irish Language, under the name of Faill, wrote the following:

"Carth cloacha is aire bearor fall desucedr Fo bith ro ceata suighedesat en Eire"- that is, stone-built monuments, within which noble judges [my note Druids] used to enclose vases containing the relics of Fo [i.e. Budh] and of which they had erected hundreds throughout Ireland!"

More:

"O'Brien cites the Dagoba's of Sir Lanka often lofty buildings in which Buddhist relics have been deposited.

The towers are also symbols of fertility their phallic nature obvious to the eye. Concerning these phallic symbols, O'Brien remarks:

Such was the origin and design of the most ancient Indian pagodas And that such, also was the use and origin of the Irish pagodas is manifest from the name by which they are critically and accurately designated, via, Budh, which in the Irish language, signifies not only the Sun, as the source of generative vegetation, but also the male organ of procreative generativeness.

Clo. Vallancey states that Krisna also means sun in ancient Irish.

"O'Brien provides an image of a round tower with a crucified man above the door, between two standing human figures and below them two bizarre animals lying down. Concerning this image, O'Brien relates that Christian authorities naturally want to make of it a Christian crucifix. However, our Irish writer disagrees, first commenting on the strange animals and linking them with the elephant and bull on a Buddhist temple in Sri Lanka."

Tertullian, as late as 211 CE, wrote:

"The Christians neither adored nor desired crosses, and criticized pagans for

doing so and for putting a man on the cross, too. For pagans a cross was a sign of eternity. It was not until the 6th synod of Constantinople that it was decided that the symbol of Christianity, which was confirmed by Pope Adrain I, would be represented from that time on as a man crucified on the cross. In fact, the earliest instances of any artwork that illustrates Jesus on the cross can be traced back only to the eight or ninth century. Thus, the Christians adopted the crucifixion as a symbol from the pagans."

Its also no mistake the ancient Europeans would dye their bodies with a sacred blue paint. Called "Wod."

More on the Druids:

<http://groups.yahoo.com/group/JoSNewsletter/message/239>

On the European continent where the same God who is hung on the sacred tree and reborn again is worshipped. We had the major spiritual center of the Irminsul Pillar. Which holds the same meaning of the Tet Pillar of Ptah in Egypt. Or Mount Meru column. Of which the Round Towers are a symbol for as well. This is the meaning of the Buddhist Stupas in the East as well.

We have these same towers being called; "Fish Towers." As the Fish is the symbol of the perfected life force following up the spine and the rebirth. It's the Yoni symbol in which the reborn God is shown emerging from. We have the same round towers or Benben towers being built by the Egyptians as well. Also noted in Sri Lanka Buddha is still called Wod or Woden to this day.

As D.M. Murdock notes:

"The word "Buddha" is related to the Egyptian term for the sky-god father-figure, "Ptah" and "Puttha," as well as to "Pytha," as in Pythagoras ("Buddha" + "guru"). "

Churchward also stated:

"Buddha is their representative of Ptah of the Egyptians."

As mentioned the same themes are found in Egypt as in Ireland/Europe. And the East.

Ptah and Osiris as mentioned before are the same God. Osiris name translates out: "The eye of the throne of God." This Throne is Isis's. Isis is linked to the star Sirius as is Ptah's staff. Hence Osiris is the union of the this power and its full activation. The Throne is the illuminated or perfected consciousness. And Isis rules the Sophia or Shakti aspect. Which what Ptah's staff contains in symbol. The two are the same God. Just as Wod/Buddha in Europe is symbolically depicted as being blue so is Ptah-Osiris as well.

As I mentioned here:

<http://groups.yahoo.com/group/JoSNewsletter/message/418>

The religion of Ptah-Osiris and the crucified and reborn Hari Krist[na] or Horus Krist. Are the same as Vishnu and Hari Krisna of India. And that Vishnu originally is a title of Surya. Hari is the symbolic title of our God. And the source of the term Aryan. The term Aryan in the ancient world was also spelled Ari or Hari we also have the Arya or Haraya [People of Hari]. This term is in Egypt as the term of the founding race.

"Another title for Surya is "Budha."-Suns of God

Originally Buddha was a major title for the Agni/Surya the Vedic Sun God. And symbolic mythos goes back to this period. Tvashtar [a title of Surya] is the father of Agni. Surya is titled the world modeller or skillful smith [Ptah]. As I have stated in another article Surya is known to be Ptah-Osiris of the Egyptians and Heru [proper title Hari]. Or the resurrected/perfected or reborn Ptah-Osiris. Agni in India. This is symbolic Osiris and Isis unification generates the reborn or perfected soul. Hari. As noted before Ptah-Osiris is identical to Agni/Surya. As this is the same Primordial Tradition. The Egyptians stated they came from the East and this is seen in their culture. We can see that Agni also represents the perfected Surya.

We have an ancient inscription at Buddha Gaya that calls Buddha: "This deity Hari." Hari is one of the most ancient names of our God.

As stated before:

"Horus bears the title proper of Hari Krist but in all reality going right back to the Sanskrit it would be Krisna. Krisna was in this region as the title for the sun god among other spelling. So we have Hari Krisna of Egypt. Further images of him in Egypt found in some regions show him to be identical in appearance to

Krisna of India. In Egypt he is shown as the blue coloured child, holding his finger to his mouth and a clay pot in the other. Same as Krisna of India. The Greek version of him as Harpocrates from the Egyptian Har-Pa-Khered: "Horus The Child." Shows him sitting with the clay pot [like Krisna's butter pot] feather in his hair and all. Identical to the images of the God in India. This God also rests upon the serpent or lotus flower. Identical to Krisna of India once again The eagle and Falcon are interrelated as well. Just as the Peacock is the Phoenix in Egypt. The eagle plays prominently in the avatar tradition in India.

As DM. Murdock points out in the earlier traditions of Krisna. He like Horus[Hari] of Egypt is crucified , in this case upon a tree by being pinned or pierced to it by arrows and later resurrected or ascends. Upon this the tree which is next to the river, regenerates and grows and rains lotus blossoms and gives off fragrances."

She further states:

"Like Krishna Buddha has been deemed an incarnation of Vishnu, an aspect of the God Sun. Among other symbols depicted in images of Bodhisattvas and Buddha's, as well as Vishnu. According to Pandey, "The girdle on the waist is a necessity when smartness and valour are ascribed to a deity." Which means additionally that Buddha is clearly portrayed as a God. The insight that Buddha, like his alter ego Vishnu and preceding avatar Krishna."

This is why in India we have inscriptions to Buddha calling him an incarnation of Vishnu [Surya-Agni] and the saviour of the world, the way of immortality. Its no mistake the statues of Buddha in the East are the same as statues of Surya in many areas.

As mentioned Krishna/Hari the perfected Vishnu. This is why the tales of Krishna and Buddha are identical from the divine births to the same birthday. And on in their tales. Including Buddha like Krishna in the early texts being crucified on a tree. In the case of both Buddha and Krishna by being pierced by arrows. And then being resurrected later:

The scholar Titcomb states:

At the death of Buddha the earth trembled, the rocks were split and phantoms and spirits appeared. He descended into hell and preached to the spirits of the damned.

When Buddha was buried, the coverings of the body unrolled themselves, the lid of his coffin was opened by supernatural powers and he ascended bodily to the celestial regions."

We have Buddha resurrecting and ascending boldly into heaven. This is the same as the traditional Sol God of the Primordial Tradition. We also have Buddha transfigured as bright as the sun. On the mountain top. As we see later this is important as it connects to Adi Buddha. Which shows us the same God from the original Tradition.

Originally the concept of Nirvana is not extinction. But enlightenment and immortality:

"Nirvana is identified with "the opening of the pure ways of heaven." Of the "gates of eternal life," and is actually called the sun and "the center of supernatural light." -Suns of God

This is why there are 12 full steps to full enlightenment or Nirvana in Buddhism. The 12 steps of the Magnum Opus.

Images in the East of Buddha's death show the Mount Meru column falling. This is the same theme in Egypt with the "blessed land." Of which sit the Tet Pillar of Ptah [Meru Column] in the center of. Of which atop the Phoenix [Peacock in the East] sit. After a great destruction the Tet pillar is reborn with the land into the pure state. The stories of Buddha's cremation in this light is also symbolic of the Phoenix of rebirth through flame. This is why Buddha dies at 84. $8=4=12$, the 12 steps of the Magnum Opus. The Phoenix's other symbol is the Grail. Of which also features in Buddhism as well.

We can also see in ancient India Buddha being depicted as a linga, tree, white horse and the Kalachakra. There are all symbols of the life force energy. The linga the same symbol as the Tet Column or Round Towers, Stupa's, etc. We will come back to the Kala Charka in a bit.

Looking into the earliest Pali texts it's still possible to see remnants of the original Tradition that were written over with enemy corruptions.

We find mention of awakening the seven centers of consciousness and opening the eye of wisdom. Along with Buddha having obtained the literal "deathless state" and bearing all the marks of the perfected man, along with all the supernormal powers or Siddhi's. His victory over Mara [Mara is the god of death in older spellings] under the tree being the symbolic of having gained immortality and illumination. Mara and his forces represent originally the titanic or dross element that has to be purified from the soul. And with this the morning star appears and the tree rains down lotus blossoms etc. The same as the tree Krishna was crucified upon. And we have Buddha/Woden crucified in the European branch and originally in the Eastern branch.

The references to the 5 wisdoms, the Jana's and such are taken from the purification of the elements of the soul. There are still some meditations upon the "four great elements" and their functions in the early texts. The principal of samsaric aspects being a corruption of the unperfected state. The nine realms of the Deva's an allegory for the Charka's, etc.

We also find Buddha's performing miracles and such. His life in the mythos is identical to that of Hari of Egypt. And as mentioned Hari of India in many places.

Originally the Aryans lived across Asia all the way to Northern China and the regions of the now Gobi desert. The pyramids found in Northern China are from this period. And the Chinese admit they are not part of their civilization. National Geographic and others have done large stories on the excavation of the silk road and general Far East. In which cities larger than Babylon at its height have been found. Along with perfected preserved bodies of White people dressed like they belong in ancient Ireland and the Scottish highlands. The female hair is braided in a specific fashion that only remains in the folk culture of Denmark. There are also over five thousand ancient Vedic temples in parts of China. Along with the fact China's name comes from a Sanskrit word for Lion. Ch'in is the Chinese spelling of the Sanskrit "Simha."

The ancient Chinese records state about the rule of Aryan Emperors with blonde hair, green/blue eyes, etc. And the Mongols record a race of blue eyed, Aryans living in their region many of whom their ruling caste was descended from. Genghis Khan [Great Serpent] was described as having red hair and light eyes. Along with many upper caste Mongols of the period. The Mongoloid races were not in the area of Northern China and other Asian regions, till around several thousand years ago. Where the Aryans had already lived there for thousands of years before. The Tibetans also state they received their original culture of Bon. From a race of Aryans thousands of years ago. The anthropological studies conducted on the Tibetans by the Germans, found the upper class of Tibet where also of Aryan origin, mixed with Mongolian.

In the far east they traditionally worshipped a Creator God named Fo/Po or Futi. Also spelled Buddha.

And this brings us to BON PO.

With BON PO we have the title for Buddha of PO. Bon was the religion across Asia and as we will see Europe as well. The findings from Bon in Nepal and Tibet such that before the Gautama or Ashoka period. BON images show the classical images of Buddha seen in Mahayana sects. As well as ancient BON texts mention their perfected masters have the title of Buddha.

We also have images from Europe found of Yogi's in the full lotus position. Which identical spiritual symbolism upon them.

BON was repressed and almost wiped out by the Ashoka corruption of Buddhism or bogus Buddhism. Bon temples and sacred sites and texts were destroyed along with many Bon's. This period is still called: "The dark times." By the people in the regions of Nepal who are Bon's. We also have records of Ashoka putting up to eighteen and more thousand people to death as part of the repression of this Imperial Ideology of his.

We are seeing with Mahayana. Ashoka Buddhism which is a inversion of the original, grafted over the original Buddhism in these regions openly.

In the regions of Nepal we still have the Bon Stupa's painted in the same way. The traditional or Ashoka Buddhist ones are. So we can see this is a copy of the original Buddhist style.

In the region coming from the BON tradition. Are Chortens. Which are Stupa's which are based on the classical temple building of the East and the West. The base represents the circle within the square and the Mount Meru axis with 13 steps or representing the 13 steps of enlightenment. Mentioning the hidden 13th within the 12. And $1+3=4$. The perfected elements coming from the 5th of ether within.

The Vishnu [Surya] yantra is designed upon the 64 square grid of the Mer-cury square. Enclosed within a circle with symbols for the cardinal points. We see Buddha originally being a title for Surya[Vishnu]. The circle and square represent the unification of the male and female aspect of the soul into Godhead. This style is the bases of many ancient statues of the Sol God in the East. The God as the Linga standing upon the square base. Representing what is encoded in the Sol Gods yantra.

The heart of the BON PO system was a system called the: "Great Perfection." And was based on creating: "The Immortal Rainbow Body." The center of this being the Kalachakra Tanta.

In India we have Buddha depicted as the God Kalachakra as well. This is the core of the original Buddhist tradition from East to West here. The God Kalachakra rules over this process.

The Kalachakra is based upon the unification of the male and female parts of the soul . Even openly describing the meditations for the production of the male and female elixirs . Along with the purification of the elements or great lights of the soul. As part of this upon the Kalachakra mandala we have the image of the Black sun. Of which Adi Buddha the perfected human comes forth from. Within the Kalachakra we have the same themes found in the Eddas. The Western branch.

The final product being the creation of the Adi Buddha. Adi means "Lord of the Mount." And is identical in meaning to Dionysus" "Lord of the Mount Nysa." The Mount Meru Axis. Which we see Ptah [spelling of Buddha] in Egypt with the Tet pillar and Woden[Buddha] in Europe with the Round towers. And Adi Buddha in the East. In the origin Tradition of BON. We have The Lord of Time [Kalachakra] another title for Primordial Buddha. Our God.

Another title for Dionysus was Hu another spelling of Woden. Dionysus also carries the grail. And is the eternally young, crucified and reborn youth. Who's sacred animal is also the Peacock.

Ichthys, or the Fish, was one of the names of Dionysus and the divine phallus was also shown in the shape of fish. The phallus is the spinal column with the kundalini full risen. EA [Oannes] is also shown as a Fish cloaked God in the ME and Lord of the Water for the same reason. The life force.

Lord of Time or Kalachakra:

In Sanskrit SAT means Truth. Truth in the ancient world was another name for illumination and transformation of the soul. When the kundalini power rises it brings a person to SAT by illumination of the consciousness it brings which is what they were depicting by the title of Truth..... This is why the strength of the soul is its ability to reach levels of truth in the Egyptian texts. Levels of empowerment.

As the prefix of Ananta Shesha which is the primordial serpent. Depicted as a serpent in a golden circle clutching its tail. The sign of the Magnum Opus. This golden serpent is given the title of "Eternity" [Ananta]. And refers to the title of "Lord of Time." As time in this sense relates to the perfection of the soul. This is why Woden [Budha] has a golden ring that replicates itself. This is also why Woden has the sacred mead drunk from the horn [grail symbol]. One of these sacred horns found in Europe show it made of gold with alchemical symbolism all over it. Remember Woden also rides a White Horse another symbol of Budha.

In the East We have Buddha also carrying a sacred Grail in the image of bowl and sometimes a mixing bowl made of lapis lazuli which as Philip Gardner states is an ancient Grail symbol. The Lapis lazuli or blue stones are the grail symbol in Sumeria and also depicted in the Dionysus branch as a cluster of grapes. We have tales of Alexander the Great climbing the sacred tree and meeting the Green Man who then gives him a cluster of grapes which lead to immortality, etc. The Lazu-il denotes illu or the illuminated. And we have Ra or the Ra's bow [Rainbow] Ra's bow is Ra's celestial ship he journeys through the 12 stages of the Magnum Opus upon. The Egyptians called the Great Work. Creating the body of Ra. Or Rainbow body. Within this we have the holy: "G-ra-il." The G in the ancient script denotes the serpent.

In Egypt we have Ptah, Amun, Ra. Being the original three in one trinity. With the Ra-m, being the symbol of Agni. And EA as scholars note PTAH in Sumeria has a staff with the rams head at the top of it.

We have the fact the hero travels over the Rainbow bridge to enter Valhalla and sit with Woden [Budha]. And thus obtain immortality and perfection.

The Blue color is the symbol of the Great Perfection. It symbolizes the purified soul. Of which the purified Mercury relates to. As we see with Ptah-Osiris, Woden and Votan in the American's.

From this we also have the famed Medicine Buddha who is depicted as blue and holding a pot full of a healing substance from the Myrobalm, a tree used in Ayurveda healing arts. In the Primordial Tradition. The Healing God is the symbol of the Magnum Opus we can see this in the West. Especially with Asclepius the serpent God. And with all the tales of the Serpent. The body is considered a medicine bowl [grail] in the East capable of generating the needed elixirs or medicines which heal the body fully. But the medicine has to be taken daily. Meaning a daily spiritual practice, that transforms the soul to the perfected state.

It's the same in the West. Old age, sickness, death and such issues where all known as sicknesses . That could only be cured as they stated by the Great Working. To be healed literally meant to be made whole. The popular term for this in ancient Greek was SOZO. Meaning Saved or salvation by being made whole [Holy]. This is why you had orders calling themselves the Spiritual Physicians. And this why Ayurveda texts at the heart where based on achieving the Perfected and immortality state.

The Grail legends primal source is Sanat Kumara [Sanat is an anagram of Satan] who rules the kingdom of Shambhala which depicted in the shape of a city in the shape of the eight pointed star. Identical to the Grail castle in the West. Who's king is shown with the image of the Peacock. And legend is a repeat of the Ptah-Osiris, Hari [Horus]. Symbolic mythos.

Kalachakra [Sanat] is the ruler of Shambhala. Just Woden is ruler of Valhalla in the Western branch. It's the same God with the same meaning. The banner of Shambhala is a peacock feathered one. As we see this God rules the Grail. And the title of the perfected adept is Adi Buddha [also Wod, Woden, Budha],etc.

Its no mistake the Buddha Amitibha [who is connected to Bon/Kalachakra]in Tibet is depicted as a forever young boy. Surrounded by Peacock imagery. Is Sanat Kumara.

The great scholar and researcher Otto Rahn proved that the Cathar's where the Western branch of Bon. Both had the same Grail legends of the Mani Jewel. And both bear the same title. The Cathar's called themselves the Bon's. And have the fact Bon means Good. Which in the ancient world is term meaning: "Shining or Shining Ones." Baron Evola also points out the Cathar's connection to Eastern Buddhism.

The Aryans in the A-mer-ca's or Amaru in Sanskrit . The mainstream tale of Amerigo Vespucci, turned out to be a fraud upon investigation. Also worshipped Votan [Wotan/Woden/Budha]. And had the same symbols and culture the Cathar's of Europe did. The evidence shows the Aryan civilizations in the America's [even by the Amerindian records] predate the Amerindians by thousands of years:

<http://groups.yahoo.com/group/JoSNewsletter/message/181>

Votan is also called the: "Morning Star."

The Cathar's are the major source of all Western Grail legends and chivalry . And hence why their tradition has a knight joining with his Lady and thus being giving a golden ring. The symbol of the Grail. It represents the union of the male and female aspects of the soul. And the golden ring the symbol of Eternal life. The same ring Woden rules.

Rahn and others mention the Cathar ideal of love as Amour not the "love" being pushed by the Vatican program of Jewish-Christianity. Rahn mentions this term Amour is equal to the concept of the Magnum Opus. Our concept of love and spirituality in the current world comes from the program of Christianity. The enemy pushes sentimentalism as spirituality.

This Amour term connects back to MR which in Egypt is means bright or shining. The sacred tower [seen across the world and related to Buddhaya] was also called MER. And the original name for the Pyramid is MER. Meaning the place of ascension. This connects back into Meru. And Isis as Isis Meri or Meru. The Cathars worshiped Mary. Mary was another spelling of Meri [Isis-Meru]. Christianity stole this later on. The Cathars where Germanics and directly connected to the Pagan, Mero-vingians. This is where much of our Grail lore comes from. Amour=Mero=shining/brightness, and in French still means love. MR or Mer, Mer-cury means: "Eternal." In the sense of perfected.

The Cathar title of Amour or MR translates to Buddhaya.

The title of Bodhisattva predates the current Mahayana and its altered meaning. It means " the essence of enlightenment or wisdom." Wisdom being Sophia the super conscious state, from the risen serpent. This is why the Bodhisattva is depicted with a flame upon their head or halo. They have been baptized in wisdom or the serpentine life force and reborn from this sacred baptism. Hence the meaning of Gnosis as from Oannes / OANA.

Ichthys, or the Fish, was one of the names of Dionysus and the divine phallus was also shown in the shape of fish. The phallus is the spinal column with the kundalini full risen. EA [Oannes] is also shown as a Fish cloaked God in the ME and Lord of the Water for the same reason. The life force.

This is why in the Western Pagan tradition after being baptised the individual was given a lit candle and called the illuminated

As Evola states:

"It has been noted the Grail.resembles in a specific way the frontal stone (urna)..That especially in Buddhism often represents the place of the third eye.. This is an eye that is endowed with both a transcendent or "cyclical vision (know in Buddhism as Bodhi, or SPIRITUAL ENLIGHTENMENT)."

This stone that represents the enlightened or Bodhi state is an emerald stone. And is called the Mani Jewel. This emerald stone is another symbol of the grail in Traditions in both east and west. As stated both the Bon's or Cathars of the West and East held this sacred. And it is ruled by Budha.

This brings us full circle to understanding what does Budha mean as a title.

The Budha is enlightened upon the Bo tree. Among the ruins of An-arajapura. Its mentioned in the book Ophiolatrea by H.Jennings. Of nine templesgroups of pillars. That consist of an enclosure, in which there are sacred trees called Bo-gaha.

So we see the sacred pillar's like the Irminsul or Tet, Meru, column. Along with the sacred trees common to the worship of Woden in Europe. The hill of Tara alone had three hundred oaks planted around it. And the Germanic s had a habit of wrapping a golden serpent image around trees and making them sacred spots. Woden[Buddha] being crucified [fixing the power] upon a tree. Which represents the spinal [meru] column with the branches being the 144,000 nadis.

Buddha is pronounced [seen with Fo or Po] and in many cases spelled with an O sound. Which denotes the serpent. Such as SO-phia, Opis, Orpheus, etc.

Mer-cury is a horned glyph representing the perfection of this power. The horned serpent or halo is humanized in the Sol God. Hung upon a tree and reborn via the perfection of this life energy.

Gardner states in his book: "Secrets of the Serpent."

"Dionysius who is equated to the other horned Gods Is the same Dionysius I found elsewhere to hold the chalice or elixir."

The title of this sacred cup of Budha/Dionysus was the Agathodaemon or "Good Serpent."

The Cathar's worshipped Lucibel which is another spelling of Hu which is another spelling of Woden/Budha. And the Cathar's called their God Agathodaemon meaning "The Good Serpent." An ancient title of our God.

So the Cathar's or Bons. Worshipped Budha/Woden. And they where the last known Primordial [original] Culture of Race in Europe. As part of this the Cathar's understand the sacredness of racial purity and the godly essence of the Aryan blood and their descent from the Gods.

This is why Buddhism in the East has been stated to be over 15,000 years old. Its mentioned the original or Primordial Budhism. Satan is the original and only Budha.

Do we have any clue who the Prisoner X is?! Is he someone important?!

Not knowing his identity, makes my imagination grow wild...

Could he be a VIP SS?

Could he be a SS that has achieved the Magnum Opus?!

Ritual Declaration

Time and time again in the dawn of this the new and permanent age of the Gentiles have we triumphed in disrupting the advances of the enemies of the Gentile Nations and destroying any efforts they make to disrupt our true and unbreakable willpower. The once strong Vatican, the seat and sole house of power within the entire right hand path is crumbling from within side.

Losing power daily they are becoming confused, distraught angry and lost in which way to turn. They have upped their attack only to be met by the strengthening force of we, the Warriors of Hell and complete and utter failure. They may twist and lie all they want, as they have done for centuries but the world is known to their corruption and for this they will up their attack.

Regardless of what they may do their fate is sealed within the stars and within the desire of all Gentiles. Their power is diminishing and their exposure is imminent. Their walls are ready to fall and with it so shall fall the right hand path, so shall fall the jew.

And by the energies I (state your full name) raise here tonight I shall see it done.

Subject: Ireland And The St. Patrick Fraud

Ireland And The St. Patrick Fraud

The official Catholic Churches claim of St. Patrick is fictional history. Which is not a surprise coming from an organization famous for destroying the actual historical records along with the scholars and Priests of the cultures in which they seek to conquer and exterminate. In the America's or Europe. And the Church has created a vast history which has been proven by many scholars and historical researchers to be a nothing more than a fabrication. All this to give them absolute power rewriting the past to control the present and future.

As I mentioned here:

<http://groups.yahoo.com/group/JoSNewsletter/message/423>

"The title of this sacred cup of Budha/Dionysus was the Agathodaemon or "Good Serpent."

The Cathar's worshipped Lucibel which is another spelling of Hu which is another spelling of Woden/Budha. And the Cathar's called their God Agathodaemon meaning "The Good Serpent." An ancient title of our God. So the Cathar's or Bons. Worshipped Budha/Woden. And they were the last known Primordial [original] Culture of Race in Europe."

The Cathar region was built on a sacred geometrical grid. With specific buildings and sites, mathematically placed to a certain latitude. Which forms an

inverted pentagram within a circle [Serpent]] that comes out to the number of 666. This comes out to the symbol of the Magnum Opus. As mentioned the circle or golden serpent in a circle relates to the perfected soul. And 666 being the number of the sun or spiritual sun and the inverted pentagram relating to Venus. And its eight pointed star the symbol of the perfected soul. This eight theme is encoded within the Cathar relics

Up in Norway we have the exact same grid as with the Cathars of France, pentagram with it all coming out to the sacred 666. Within some of the buildings forming these points we have the sacred round towers as we see are also part of the worship of our God in Ireland:

As DM. Murdock cites in her book: "Suns of God."

"They gave [the Sacred Island] two other names, viz, Phus Inis, and Inis=na-Phuodha-which, at once, associate the "worship" with the profession of the worshippers-for, Phus Inis, is Dudh Inis-Ph, or , F, being only the aspirate of, B, and commutable with it-that is, Budh Island; and Inis-na Phuodha is Inis-na-Buodha, that is, THE ISLAND OF BUDHA."

The round towers of Ireland:

"O' Brien relates the words of an ancient Irish bishop Corma, "the celebrated bishop of Cashel" who in "defining the Round Towers in his Glossary of the Irish Language, under the name of Faill, wrote the following:

"Carth cloacha is aire bearor fall desucedr Fo bith ro ceata suighedesat en Eire"- that is, stone-built monuments, within which noble judges [my note Druids] used to enclose vases containing the relics of Fo [i.e. Budh] and of which they had erected hundreds throughout Ireland!"

As part of this we have the famed Stave Churches which are built in the image of a large Dragon or Serpent. And images of the Pagan world tree within them {Of which Budha/Woden is crucified upon}. Among other openly Pagan symbolism.

The Nobles of Norway studied in Ireland which was common among the Pagan era. Ireland was the well known seat of the Aryan religion in the West. And the majority of the nobility went there for full initiation and study. It was stated the Nobles brought Priest with them from Ireland to help built this sacred place. Ireland was recorded to have large University or Temple cities and centers that housed over thirty thousand people at once.

And that these two forces of Ireland and Norway where joined together in an alliance against the Catholic Church. The Catholic Church [THE ONLY Christian Church] did not even reach Norway till 1152 ACE. The Catholic Church lied about the Cathar's being heretical Christians as well. This to create the justification for wiping them out. And maintaining the lie of the antiquity of this program which is a major underpinning of their authority. Especially in the realm of claiming to be the authors of Western civilization.

But by this time St. Patrick was supposed have chased those Serpents from Ireland and brought Christianity. Its well known the Serpents are the Pagan Priests and Culture. There never have been any physical snakes in Ireland. The Priests or Druids where called the "Serpents" and their major symbol was a serpent wrapped around a rod.

We have numerous images of Monks in Ireland being entwined in dual serpents or emerging from the mouth of a serpent. Which are ancient Pagan symbols of rebirth. Such as Ptah-Osiris emerging from the mouth of the serpent and being reborn. The monastic system was originally Pagan and can still be seen in the east with ashrams. The Monks shaved their heads of the center due to the kundalini or serpent power could causes scalp eruptions or rashes. During its ascent and major activations. We see the Pagan Priests from Egypt to India with shaved heads for the same reason An ancient image of a Druid holding Thor's hammer found. Shows him with a shaved head.

As noted the Celtic-Germanic divide is a Nationalist mythology created during the romantic period of European Nationalism. Celt was a Roman term for "stranger people." And to those they consider not Roman ie barbarian. The Tuatha people of Ireland are the same as the Teuton's. They had the same culture and language. And where from the same racial roots as they recorded. And the same God Woden/Budha.

St. Patrick is a stolen and corrupted version of the Pagan God who worshipped in Ireland as Ha'u, HU, Budha, Woden. And in Rome as Bacchus.

The Roman feast of the Bacchanalia a homage to Bacchus, the God of wine was originally celebrated on March 16th and 17th. Within the sacred grove on the Aventine Hill.

Within the Isles a major title of the serpent God was Hu, Huas or Hyas. Which is another title of Bacchus. We are deal with the Primordial Traditional which came from a common root.

This is why green is the colour of this festival. Another alias of Hyas or Bacchus was the Green man. Our God was symbolic depicted as both blue and green in Europe to Egypt to the America's. It symbolizes the purified soul. And the colour green in alchemy is associated with the elixir of immortality and connected to the rose. The rose of lotus being a symbol of spiritual rebirth. Remember the Cathars had the sacred tale of the emerald Mani Jewel a grail symbol:
<http://groups.yahoo.com/group/JoSNewsletter/message/333>

We see the Green Man all over Templar symbolism. As noted the Templars where Pagans and part of the Cathar culture:
<http://groups.yahoo.com/group/JoSNewsletter/message/231>

"Temples dedicated to Bacchus were converted to churches dedicated to St. Patrick, and clothing was added to the statue of Bacchus, although Bacchus and Patrick look identical..

The Catholic Church made up colorful stories about St. Patrick, but more than one pope has admitted he never existed. He did exist, but only as a Pagan god. The word Pagan, capitalized, refers to a group of religions. Uncapitalized, it refers to a lack or religiousness, or, more precisely, a lack of Christian religion.

Bacchus is special enough to have his own holiday, the Spring Equinox, celebrated for at least 8,000 years. It's an ancient holiday, celebrating the end of winter, and involved song, feasting on food, dancing, getting drunk, and having a good time. The following day (or later, allowing for hangovers) the work of planting crops 13 hours a day began.

The Equinox occurs at a specific pattern of sun and Earth, but a calendar day was selected, to keep the date of St. Patrick's Day from moving over time. The legacy of St. Patrick (Bacchus) in England is that, to this day, you have an absolute right to drink alcohol anywhere, which includes courtrooms, beaches, streets, and sidewalks, at any time. "Open container" laws are prohibited nationwide." [1]

So what really happened:

"Adrian IV was the only British Pope. During his reign he was responsible for the Papal bull known as the Laudabiliter which granted dominion over Ireland to the English king Henry II of England. Ireland legally became a feudal possession of the King of England who was subject to the Pope in Rome." [2]

This was done within the context of a full military invasion of Ireland from Norman controlled England.

As usually the Church created a fabricated history to cover all this over and act as a propaganda to entrance the populace into their control further. The puppet rulers they backed also did this with the phoney Milesian invasion and conquests. Which they used to stake their claim of the right to rule from.

We the same slow program of conquest and infiltration of the seats of power and culture. Seen in France with the Papal backed Palace Mayors usurping the Throne from the Pagan Merovingian's, etc.

Another major example of the well known act of the Catholic church turning Pagan Deity into Saints to convert the populace is the Goddess Brigid. Which as scholar and researcher Philip Gardiner points is a Pagan Deity from the serpent worship of Ireland. Which is blatant given her role with the sacred cauldron, the ancient Grail symbol and the healing wells which the serpent is associated with. She was also the original "Lady of the Lake." Which in ancient cultures is a Serpent Goddess.

Ireland

This is from a good question on the Patrick article in another egroup.

No, the reason they chose this day is because it's a traditional power point of the spring equinox. This date was also the traditional new year for many in Britain for thousands of years. The solar points have been changed around by the Church and their Julian calendar.

By taking this day and corrupting it. They have the entire nation sending up psychic power. And since they took Patrick from the traditional head God of Ireland. And rewrote this into a propaganda piece. It plays on a strong unconscious racial memory. While connecting it into their program of Christianity. Ensuring the power goes towards their program of Christianity. Making it double the insidious power.

This is the same formula they did with Jesus and the Bible characters as a whole.

When building this story they also overlapped the tales of the fictional characters Saul of Tarsus and his driving the serpents from Malta. And Moses. Which as proven by scholars Moses is stolen from Bacchus as well.

With Ireland it's more likely they simply did what Olaf did in Norway on behalf of the Church. So that does involve ideological violence and exterminations. But not under the vanguard of a mythological, magic conqueror. Who defeats the power of the Pagan Gods with Jesus magic and thus proves Jesus the true way. Comic book tale. They have created.

Note they picked the 6th century to place their bogus character into. Meaning the church wanted to cover over seven centuries of actual history with this fabricated, propaganda. Which plays into many useful lies to dupe the populace with in time. We do know they destroyed the libraries and temple complexes and there was a long period of culture extermination. But they placed this almost a thousand years previous.

Ireland was put under a repressive system identical to the Judeo-Bolshevik one in Russia.

This is the tactic done everywhere in Europe. This "Celtic Christianity." Scam is a way to white wash over the fact the Aryan religion was still in full existence all the way into the 13th century ACE. The fact Ireland was working with the Vikings shows this. As the main thrust of the Vikings attacks was the bases of Christianized Europe all the way down to sacking Ravenna the 2nd Roman capital of this program. Along with the total destruction of Paris. Paris specifically in revenge for the Imersul site being destroyed by Charles the Crypto Jew and his openly know Jewish merchant funded crusade into the center of Aryan Europe.

It was this act of Charleswitz that started the Viking period. Which was a counterstrike at xian program and his backers.

Loki

From an answer to a question on another egroup.

Loki might be an aspect of Satan in the symbolic as the purifying fire of Godhead. The three stages of alchemy and the three in one God of alchemical transformation. We see the same with Kalagni in the Kalacharka tantra bringing forth the Adi Buddha with the fire of purification. Rising up from the roots under the realm of hel under the roots great tree of Meru [Loki rules the same hel realm under the roots of the world tree]. And burning the entire world. Out of this chaos the new world is born and the Adi Buddha is born. This is identical to Loki's role in the Ragnork. And the reborn soul that comes from it.

The xian monks admit they rewrote the Eddas but with the eastern texts one can still see the remnants in the western.

Subject: Facebook is Tracking You [News Article]

Most of us already know that we shouldn't use facebook (jewbook) because all of the user's "private" information that is given to the social network will be stored and used for spying.

Well... for all of you who still use facebook... even if you don't give your private information... let me give you the short story...

"WHEN YOU HAVE LOGGED IN TO FACEBOOK WITH A COMPUTER THEY CAN TRACK ALMOST EVERYTHING YOU DO ON THE INTERNET AS LONG AS THEY ARE IN AN OPEN TAB!!!"

oh... and now that i have your attention... it's not only the jewbook... but most social networks do this kind of tracking while the user has no idea this is happening...

read this article to see the details...

<https://www.businessinsider.com/this-is-how-facebook-is-tracking-your-internet-activity-2012-9?op=1>

and if you'd like... install the DoNotTrack addon just to see how many sites are tracking you over the internet

<https://abine.com/dntdetail.php>

Hope this helps

Yes, Haradren... you are so right about this... if you are logged on your Gmail account or Google+ all internet history is being stored...

To disable this feature...

- 1) when you are logged on your google account on the top right click on your account name
- 2) click account
- 3) click on the left the Products link
- 4) click the Web History button

- 5) click on the top right the Settings button (the cogwheel) and click settings
- 6) first click the "delete all" link, and then
- 7) click the "turn off" button

Hope this helps

Just a follow-up on google Web History...

You can afterwards delete the service once and for all from your account...

- 1) when you are logged on your google account on the top right click on your account name
- 2) click account
- 3) click on the left the Products link
- 4) click on the edit link right next to the "Your Products"
- 5) there are the used products... you click "Remove Web History Permanently"...
- 6) there's a confirmation checkbox... you check it and it's removed premanently

Subject: Re: Ireland And The St. Patrick Fraud

I understand the idea that there is no real diff in the race, culture and religion of the "Celts" and "Germanics", that they were actually all the same people. But at the same time there is a real difference in the "Gaelic" and "Germanic" languages. Would your research say that this language difference is a latter development? I ask with all respect to HP Don.

Which as scholar and researcher Philip Gardiner points is a Pagan Deity from the serpent worship of Ireland. > As noted the Celtic-Germanic divide is a Nationalist mythology created during the romantic period of European Nationalism. Celt was a Roman term for "stranger people." And to those they consider not Roman ie barbarian. The Tuatha people of Ireland are the same at the Teuton's. They had the same culture and language. And where from the same racial roots as they recorded. And the same God Woden/Budha.

>

> The Roman feast of the Bacchanalia – a homage to Bacchus, the God of wine – was originally celebrated on March 16th and 17th. Within the sacred grove on the Aventine Hill.

>

> Within the Isles a major title of the serpent God was Hu, Huas or Hyas. Which is another title of Bacchus. We are deal with the Primordial Traditional which came from a common root.

>

> This is why green is the colour of this festival. Another alias of Hyas or Bacchus was the Green man. Our God was symbolic depicted as both blue and green in Europe to Egypt to the America's. It symbolizes the purified soul. And the colour green in alchemy is associated with the elixir of immortality and connected to the rose. The rose of lotus being a symbol of spiritual rebirth. Remember the Cathars had the sacred tale of the emerald Mani Jewel a grail symbol:

seen in India with Sivaites. And upon the walls of the ancient India Temples.

"The mysteries of the Hellenic's [ancient Greeks] as Pike notes were the same as the Druids and Egyptians. Hu another title for Wod was the God who lead the Aryans of the North to their new homelands. Hu was worshipped as Dionysus [also called Huas, Hyas] one of the main meanings of Dionysus relates to the sacred mount at the top of the spinal column or world column. Dionysus sacred animals are the black goat, snake and peacock and he also carries a spear or staff and its ivy is the symbol of immortality. Further East Dionysus is worshipped as Siva, literally. Even the ancient Greeks mentioned this numerous times as did the Vedic Aryans of the East. Siva's Gana's are the Bacchantes, both have the sacred phallus.etc Another title for Wodan was Esus and we look again at Diony-esus."

Mount Kailish the sacred mount of Siva [also to Bon]. From a UN report shows strong evidence of being man made on some level. And could be a vast human built pyramid. That was the central focus of a larger world wide system of such sites. Its noted to be a center of a region of a hundred smaller pyramids in total. And the Bon's mention it as being the nine-story Swastika Mountain and the seat of all spiritual power.

As I mentioned the God Kala of the Kalachakra as our God here:

<http://groups.yahoo.com/group/JoSNewsletter/message/423>

Its also noted Siva is another title of the God Kala.

There is a reason ancient Sri-Lanka was called "HELA-Diva." And the Greeks under Alexander upon travelling their worshipped Dionysus as Siva. Because as the ancient Greeks knew it's the same God. With have Siva with his Gana's and Dionysus with his Bacchae. We also have the primordial image of our God in India being naked holding the sacred Phali the symbol of resurrection. Under the different titles of Siva, Visnu, etc. Of which I have written about elsewhere in detail. As Alexander's troops marched east they came upon sacred mounts dedicated to Siva. And worshipped him as Dionysus. As the Aryan's of the West where moving to their land of origin in the Aryan East.

Our God also rules over the sacred Wine which is based in Honey. Of which numerous images symbolically denote as the elixir of life and immortality. And the grape which holds the same.

As we see Hela-Diva, Hellas, Hellenic, Helios, etc. The ancient Greeks like the all the Aryans stated they came from a common Primordial homeland. In the east. Interestingly we can see the racial population of modern Lanka has changed. Dug up, Palace images from over 1500 hundred years ago. Show White people many with red hair upon the wall fresco's. And it was known Aryan populations inhabited the Mal Dives down thought the Pacific even current New Zealand was originally populated by Aryans. As the current Maori even mention, and the archeological finds show. Hela relates to Hari as well. Another spelling of Aryan. And a title of our God.

The point of the religion of our God we can see still in the Western branch of the Dionysian. It was based on the Teletate or perfections. And one brought to perfection was called the Teloumenoi . The Perfected.

As we see in the East. This is the core meaning of Yoga is Yagya. The performance of tapa's or exercises the generate inner fire that purify the soul and transform it to higher levels of light. Yagya where the fire rituals that such was done with. The outer ritual is a symbol of the inner ritual. This is the point of the Kalachakra tantra . To generate the perfected being.

Within the Siva tantra's. The God states his worship is that of the inner serpent fire.

In the ancient Roman city of Herculaneum. The Roman Priests are show standing in the fresco's dressed identical to Vedic Priests in India to this day. To the point the author could identify the exact style and name of dress. And they are engaging in a fire ritual. That the scholar could even name as it still exists in the east. And is from the Vedic Aryan period. We can understand why our God is also worshipped as Agni the purifying fire. This is why Siva [a title of Rudra, Agni]. Is the Liberator. What he destroys is the impurities in the soul with the sacred inner fire of the serpentine life force. Giving birth to the perfected or resurrected being, eternal being. The Shining One.

We can see this in the ancient Kalachakra [Kala,another title for Siva] Tantra. Kala-Agni, is the fire that rises up from below the roots of the Meru tree. And consumes all the worlds in fire. Transforming the being into the God man. Liberation. This is the kundalini and purifying fire of the Tapa's transforming the soul to the perfected state. The Gold in the work. Also the meaning behind the sacred egg.
The Easter Egg of course.

The Greek Orphic's show a serpent coiled seven times around the cosmic egg. From which came their primordial creator Phanes :
"The egg symbolizes the belief in the Greek Orphic religion that the universe originated from within a silver egg. The first emanation from this egg, described in an ancient hymn, was Phanes-Dionysus, the personification of light.

In Greek myth, particularly Orphic thought, Phanes is the golden winged Primordial Being who was hatched from the shining Cosmic Egg that was the source of the universe. Called Protogonos (First-Born) and Eros (Love) being the seed of gods and men Phanes means "Manifestor" or "Revealer," and is related to the Greek words "light" and "to shine forth."."

<http://groups.yahoo.com/group/JoSNewsletter/message/393>

Rituals are alchemical practices in which the outer ritual is a mandala for the inner transformation. This is why the Priest of Orpheus [of which mysteries are symbolized by the cosmic egg] where called the Orpheotelestae. Denoting they are perfected beings. Dionysus is also called: "The First Orpheus." This relates to being perfected by the serpentine energy.

What this all amounts to is Easter is the symbolic resurrection or rebirth of the human being via perfecting their souls. By raising the serpent and perfecting the serpentine centers. Or chakra's. As the God symbolically is the serpentine life force. And the tree and later cross the human spinal column and the nadis. But note trees are of made of wood as are the crosses. And wood is related to the ether element. The subtle element that forms the soul. And the soul must be perfected on this level. To be fully transformed.

Hence why the egg relates to the ether.

This is why the serpent is Budhaya [Woden/ Dionysus, etc] this relates to the ether and this title denotes perfected life. Siva is the perfected ether or Mer-

cury [perfected light of the soul] in the eastern texts. All the titles relate to this concept.

This is why Dionysus is also called the fish. The fish represents the Phali , the upright Yoni. In many images the reborn or perfected human is shown emerging out of the Yoni. It's the same symbol. The fish also represents the life force. The Mer-man, is the same as the Naga.

<http://groups.yahoo.com/group/JoSNewsletter/message/333>

EA [Oannes] is also shown as a Fish cloaked God in the ME and Lord of the Water for the same reason. The life force. Oannes is the baptiser God. Oannes, comes from the Sanskrit "Oana." Meaning: "Wisdom." But meaning SERPENT. In the actual understanding of this term. OANA as Higgin's proves is the origin and same of the title Gnosis. Hence Gnosis also denotes the serpentine energy and super-conscious/ perfected state this process manifests. The original Gnostics where the Hello Gnostic's of Alexandria and their God was Serapis. Another title of Osiris hence Dionysus.

As proven the Jews created their Christianity program by corrupting and Judaizing the schools of Alexandria. And later having the Gentiles mass murdered along with the Gentiles original culture exterminated to cover the evidence over and force this program on everyone by violent terror and lies:

<http://groups.yahoo.com/group/JoSNewsletter/message/233>

With Oannes, Baphomet relates to this. It means baptized in wisdom. Wisdom is Sophia. The kundalini serpent. This is why Baphomet was originally depicted as a two headed person in many images. The same image that Agni is depicted as in the east:

"The scholars state all the spiritual schools go back to the Rig Veda and Agni. And for this reason. Agni is shown as eternally young and immortal and having two heads. Which represents the Kumara's in their role as twins. The twin polarity of the soul unified."

Easter represents the time to celebrate the eternal life [meaning of Sat-An]. Brought about by performing the Magnum Opus.

In Sanskrit SAT means Truth. Truth in the ancient world was another name for illumination and transformation of the soul. When the kundalini power rises it brings a person to SAT by illumination of the consciousness it brings which is what they were depicting by the title of Truth..... This is why the strength of the soul is its ability to reach levels of truth in the Egyptian texts. Levels of empowerment.

An as the prefix of Ananta Shesha which is the primordial serpent. Depicted as a serpent in a golden circle clutching its tail. The sign of the Magnum Opus. This golden serpent is given the title of "Eternity" [Ananta]. And refers to the title of "Lord of Time." As time in this sense relates to the perfection of the soul.

SATAN translates out to a title of: "Eternal [in the context of perfected] life."

Sanat is a well known anagram of Satan:

In the Rig Veda the oldest text, the title of our religion as Sanat-ana Dharma is stated.

And Easter is another spelling of Ishtar or Isis.

Another title for Astaroth is Isis Meru or Mary. Literally Mary/Meru the Mount Meru axis of the spinal column. The sacred tree in many places was also called Asherah after her for this reason. As symbolically Astaroth represented the Sophia [light of the serpent] or yin aspect of the soul in the ancient world. That rises up the spine to illuminate one to their rebirth or gnosis.

Which gets into Osiris:

"Ptah and Osiris as mentioned before are the same God. Osiris name translates out: "The eye of the throne of God." This Throne is Isis's. Isis is linked to the star Sirius as is Ptah's staff. Hence Osiris is the union of the this power and its full activation. The Throne is the illuminated or perfected consciousness. And Isis rules the Sophia or Shakti aspect. Which what Ptah's staff contains in symbol. The two are the same God. Just as Wod/Buddha in Europe is symbolically depicted as being blue so is Ptah-Osiris as well."

Celebrate this ancient and eternal holiday of our Pagan ancestors for what it is. Not for what the enemy programs have tried to hide. Our soul is the one thing we have that is ours. And our destiny is to perfect it. In harmony with Satan's promise of eternal and perfected life. As perfected beings of light.

Subject: One Child Policy In China Abandoned [News Article]

If you didn't know... China had a one child policy... this means that each family was allowed to give birth to only one child...

The obvious reason was limiting the population

This policy was enforced through fines... so if a family had two children they would have to pay money according to their family income and other boring factors

Anyway... this policy started in 1979... but it ended this year... the reason for ending it may surprise you... (and don't forget that the Communist China government is Jew infested to the top while the people suffer the consequences)

Subject: Poem to Adolf Hitler

On the midst of despair, you appeared.
Gave wings to Humanity, that was long in shackles.
You came down and gave us back our Wings,
our slave masters turned to fight you.
Around you, free men,
Men who accepted the Wings,
and settled for the skies.

Taking the World on your backs, lifting it from its certain death.

So know, with your heart fully open.
, as you poured it open each time you talked to us.

The nights the World is sleeping,
Know, Savior. Know this.
Know that some Souls pray to you,
Some eyes cry to see you,
Again
Some beings understand you,
Again and forever
Some beings are always at your Will, at your command,
Again, now, and for all Eternity.

You hear my prayer,
I never question you.
You feel my anger,
As you feel your own flesh and blood running.
So know this from me and all of us.

Eyes that never saw you,
Are willing to die for you.
As I am ready to see myself in the fire of a greater cause,
Burning and roasting,
Let nothing remain of off me, let me become a Phoenix,
Like the hundreds upon millions,
Who silently pray to you at night,
Have the fate of the Twice Born.
Let the Black Sun dsstroy me, bring me back anew, as of similiar kind of the Gods.

Give me my Wings back, my Fhurer.
And I remind you of this.

Humans that never talk it,
They keep it inside.
Like a sword in their pocket, ready to take it out.
And scream loudly:
Father, Adolf, I am here.
I ask only for a glance, like the millions of your Soldiers.
I stand here, me and me Serpent are as your command.
Me, as a Human being, I am here.
Tell me what to do,
Son of our Mighty Father, our Human Father,
Direct me,
For my oath to you, I did not make in vain.

HEIL HITLER!!!!

In his audacious attempt to reveal the truth

Was betrayed and kept in jail

So formed a sick world

Because they held the eagle and freed the serpent*

Its a win. There is strong evidence Chavez was murdered by Mossad. Chavez kept the internationalists Jews out of his country, and fought against the Jewish state, the capital of the JWO. He was a sincere Nationalist even as a leftist.

The Jews just want control and he didn't let them have it. Infact he flipped them off. Its not a debate on ideology. No ones perfect.

Subject: N.Korea asks embassies to consider moving diplomats out

Original in <http://in.reuters.com/article/2013/04/05/korea-north-russia-embassy-idINDEE93407320130405>

(Reuters) - North Korea has asked embassies to consider moving staff out and warned it cannot guarantee the safety of diplomats after April 10, Britain said, amid high tension and a war of words on the Korean peninsula.

The requests come on the heels of declarations by the government of the secretive communist state that real conflict is inevitable, because of what it terms "hostile" U.S. troop exercises with South Korea and U.N. sanctions imposed over North Korea's nuclear weapons testing.

"The current question was not whether, but when a war would break out on the peninsula," because of the "increasing threat from the United States", China's state news agency Xinhua quoted the North's Foreign Ministry as saying.

It added that diplomatic missions should consider evacuation. North Korea would provide safe locations for diplomats in accordance with international conventions, Xinhua quoted the ministry as saying in a notification to embassies.

Britain said its embassy in Pyongyang had been told by the North Korean government it "would be unable to guarantee the safety of embassies and international organisations in the country in the event of conflict from April 10th".

"We believe they have taken this step as part of their continuing rhetoric that the U.S. poses a threat to them," Britain's Foreign Office said.

It said it had "no immediate plans" to evacuate its embassy and accused the North Korean government of raising tensions "through a series of public statements and other provocations".

A Polish spokesman said Warsaw saw the latest statements by Pyongyang as "an inappropriate element of building up the pressure and we obviously think that there is no risk from outside on North Korea". He added that the Polish embassy saw no need to move staff out.

"This question has been directed to all embassies that are on the ground in Pyongyang," a Swedish Foreign Office official said.

Under the Vienna Convention that governs diplomatic missions, host governments are required to help get embassy staff out of the country in the event of conflict.

Russia's Foreign Ministry said North Korea had "proposed that the Russian side consider the evacuation of employees in the increasingly tense situation", according to a spokesman for its embassy in Pyongyang.

Moscow said it was "seriously studying" the request. A statement from its foreign ministry said Russia hoped all parties would show restraint and considered "whipping up military hysteria to be categorically unacceptable."

ROCKETS

In a fusillade of statements over the past month, North Korea has threatened to stage a nuclear strike on the United States, something it lacks the capacity to do, according to most experts, and has declared war on South Korea.

Military analysts say North Korea might be able to hit some part of the United States, but not the mainland and not with a nuclear weapon.

The threats against the United States by North Korea's young leader Kim Jong-un are "probably all bluster", said Gary Samore, until recently the top nuclear proliferation expert on President Barack Obama's national security staff.

The North Koreans "are not suicidal. They know that any kind of direct attack (on the United States) would be end of their country," he added.

On Friday, South Korean media reported that North Korea had placed two of its intermediate-range missiles on mobile launchers and hidden them on the east coast of the country in a move that could threaten Japan or U.S. Pacific bases.

The report could not be confirmed.

Speculation centred on two kinds of missiles, neither of which is known to have been tested.

One is the so-called Musudan missile which South Korea's Defence Ministry estimates has a range of up to 3,000 km (1,865 miles). The other is the KN-08, believed to be an inter-continental ballistic missile.

The North has always aggressively condemned the regular military exercises held by U.S. forces and their South Korean allies, but its reaction to this year's has reached a blistering new pitch.

"The rhetoric is off the charts," said Victor Cha, former director for Asian affairs at the White House National Security Council.

The verbal assaults from Pyongyang have set financial markets in South Korea, Asia's fourth largest economy, on edge.

South Korean shares slid on Friday, with foreign investors selling their biggest daily volume in nearly 20 months, hurt after aggressive easing from the Bank of Japan sent the yen reeling, as well as by the tension over North Korea.

"In the past, (markets) recovered quickly from the impact from any North Korea-related event, but recent threats from North Korea are stronger and the impact may therefore not disappear quickly," Vice Finance Minister Choo Kyung-ho said.

Kim Jong-un, 30, is the third member of his dynasty to rule North Korea. He took over in December 2011 after the death of his father Kim Jong-il, who staged confrontations with South Korea and the United States throughout his 17-year rule.

Some fear the young leader of the isolated communist state may view the risk of conflict as one worth taking.

"We don't understand this new guy at all. And if the North Koreans move to provoke the South, the South is going to retaliate in a way we haven't seen before," Cha said.

Subject: Ending the Vatican April 6th - Ritual and Working

This Ritual will be very simple and anyone can do this, regardless of their level of ability. AND ANYONE MUST!

The Vatican is on its end. They know that the time is coming up, that they are going to crack. The times are not and not later. Satan's Vision is coming True. If one obstacle exists right now, in the spiritual path of the Gods, its the Vatican. The Vatican is the enemy headquarters, from where they plan and execute everything. They know their end is coming and that it can come.

For the same reason, they have been working overtime to destroy the Joy of Satan and generally any other opposition there could exist. They have teams of advanced black magicians and other paraphenelia, that keep working for them so they can destroy us. The strongest Satanists get battered with attacks because of them.

THEY NEVER IMAGINED THE JOS WOULD DO SUCH DAMAGE TO THEM, REST REASSURED ITS *US* AND NOBODY ELSE DOING THE DAMAGE.

We will NOT know peace unless we fight back. The only way for peace and to achieve our ends is through SPIRITUAL WARFARE. People who sit their laps and do nothing, are equal to nothing. Satan gives us moments of peace and tranquility, He gives us everything, looks out for us.

In turn, He is counting on His children to destroy the enemy. He is counting on YOU. Its unacceptable and an act of cowardice to not participate and destroy the enemy. Satan looks out far more for His Warriors above anyone else.

If you have time/desire to, you can read here for further explanations on why we will be focusing on the Vatican right now. For the sake of keeping it short, I am including a link:

<http://groups.yahoo.com/group/JoyofSatan666/message/89393>

SATAN IS COUNTING ON YOU, MORE FROM NOW ON THAN EVER. OUR RITUALS ARE ALREADY MANIFESTING AND THE ENEMY *IS* GETTING DESTROYED. THIS IS WHERE WE KICK THEM, WHILE THEY ARE ON THE GROUND. LEAVE THEM TO GET BACK UP AND IN DUE TIME WE WILL ALL HAVE THEIR POSITION!

SATAN COUNTS TO ALL OF HIS CHILDREN, WITHOUT EXCEPTIONS!

LETS END THEM AS A FAMILY!!!!

Ritual/Working Date and Information.

We will be doing a Ritual. The Day is April 6th. Another day this Ritual can be done is April 9th, but 6th has more power, given the Waning moon in Pisces, of powerful significance for the end of the Vatican/Xian hoax. Also, aiming for the last 25 Degrees of Pisces would also prove very beneficial. Pisces is a sign of invisible attack and chaotic destruction. They will not know what hit them.

THE SAME DAY, WHILE YOU'RE DOWN WITH THE RITUAL, YOU ARE ON DAY 1 OF THE WORKING. THIS CAN LAST ANYWHERE FROM 9 DAYS, TO 40 DAYS - BUT ITS ADVISABLE THAT YOU KEEP ON THIS LIKE YOU KEEP YOUR AURA OF PROTECTION, TO ENSURE THEY GET WHAT THEY DESERVE EVERYDAY.

As for the Moon in Pisces:

Poison, drugs, self-undoing, deception, sorrow, depression, isolation, insanity, very deep psychic stuff. Good for success in meditation and all psychic pursuits. Spells to deceive people, secrets, swindles, vulnerability. Secret enemies, altered states. This is the one of best times for endings, especially when the moon is in 20-30 degrees of the sign (make sure it is not void). Psychic healing can be done. Do NOT have surgical procedures performed on the feet at this time.

---***Important Points***---

**The Ritual will add more power and a nice beggining for your working. Though you can go straight to the Working itself, if you are lacking time.

**You can do the working TWICE, this will add FAR MORE POWER and this will get rid of yourself of even more negative energy.

**ALWAYS REMEMBER TO CLEANSE YOUR AURA AFTER THE WORKING IS DONE.

**Keep your meditation programm up. Do your breathing exercises to raise your energies. Merkaba if you're at that level. Its better to do the working after you're high and on the meditation.

**If you're doing other workings, keep on them but space out the hours. For instance to the one at day, the other at night.

**If it happens that you lose any day, keep going on the next one and make up for it. What matters is that you do it. Do not lose more than once and try to not lose not even one.

**KNOW THE ENEMY WILL TRY TO STOP YOU AND BE AWARE OF THIS!

THE RITUAL:

This Ritual will not require sigils, as I want to make this very easy and easily applicable for ANYONE.

You will open your Ritual like a Standard Ritual:

<http://www.angelfire.com/empire/serpentis666/Ritual.html>

Do your Ritual as you usually do. For people who do not have a Ritual Altar, they can do this on their Astral Temple. I am making this extremely easy.

You will just do your Ritual, but the Prayer will be different. In a format that is telling Satan one on one, that you will fight and take down the Vatican and everything they have.

*- Keep the My Purpose is this part solid, as to make the nessescary psychic link with your Brothers and Sisters in Satan

Ritual Prayer (You can adjust this *BUT* Keep the My Purpose is this part solid, as to make the nessescary psychic link with your Brothers and Sisters in Satan. Go all out emotionally on WHY YOU WANT THEM ALL DEAD AND DESTROYED):

Father Satan, I stand before you, just as I am, just as your Son/Daughter. I am promising you now, that I will fight your enemies, so we can together take down the enemy of the Vatican, the inventor of what is against you, xianity. Because I love You, I care for You, and I desire to grow closer to You, I ask for Your power and Guidance, to help me get rid of this filth! This is OUR Planet, OUR WORLD! I no longer desire the Vatican lying about you, guiding all OUR enemies to destroy us. I DESIRE YOU TO GIVE ME YOUR MIGHTY UNENDING POWER, SO I CAN END IT. MAKE MY SOUL AS SHARP SWORD THAT WILL UTTERLY RENDER THE VATICAN DESTROYED!

My purpose is this: To destroy completely, permanently and for all eternity the Vatican and the Xian church.

HAIL SATAN!!!!

HAIL LILITH!!!!

HAIL _____(GUARDIAN DEMON NAME)!!!!

HAIL TO ALL THE GODS OF HELL!!!!

HEIL TO ALL THE SOULS, FROM ALL AGES WHO FOUGHT FOR SATAN!!!!!

Now, After you either read aloud or wrote the Ritual and burned it, you go to the next step.

The Runes we will be using are TIWAZ (Variation Tyr) and THURISAZ.

One Rune, TIWAZ (Variation: TYR) will be used to reflect all negative energies from your Soul towards the Vatican, so it will be destroyed (No matter what type of negative energies these are. Mostly, these will be the negative energies the enemy sends us to destroy us, right back at them)

The Second Rune, THURISAZ will be used to straightforwardly destroy the Vatican.

***For adding serious power to the Working its advisable that one does above 40 vibrations, but even 9 will do the job. To take such institution down, there is much energy needed. REMEMBER TO CHOSE THE NUMBER WISELY, BASED ON YOUR EXPERIENCE WITH RUNES. FOR NEW MEMBERS 9 TIMES ARE VERY, VERY GOOD!

-----Rune One:

Start Vibrating the Rune TIWAZ. This is vibrated like TTTTTT-IIIIII-WWWWWW-AAAAAAA-ZZZZZZZZ. Or the Variation : TTTTTT-YYYYYY-RRRRRRRR.You will need to do this 9 Times (Number of Endings) OR 17 (Number of the Rune) or multiplies of 17 (34,51 etc) Times.

So lets say you chose to vibrate Tyr for 9 times.

Vibrate if for 9 times, focus on the energy and affirm with intent:

"The energies of the Rune TYR are sending right now all energies that are negative from my Aura, completely, into the Vatican. These energies completely and

permanently destroy the Vatican!"

Imagine the grey energy plaguing the Vatican, destroying the people in there, dropping dead, terror, fear, disgust, people getting angry and attacking the Vatican. Whatever fullfills you. Direct your hate.

You can affirm more than 1 times, its advisable you go for 9 times.

----Rune Two:

Start Vibrating THURISAZ: This is vibrated like TTTTHHHHH-UUUUUU-RRRRR-IIIII-SSSSS-AAAAA-ZZZZZZ. You will need to do this 9 times (Number of Endings) or 15 times straight. You can go on multiplies of 3 (Number of Rune) so you can do this 15 times, 30 times, 33 times etc.

So if you chose 9 times.

Vibrate the Rune for 9 times. Focus on the energy and affirm with Intent:

"The Destructive energy of the Rune Thurisaz is now permanently and eternally destroying the Vatican!"

Now imagine all this plump of destructive, nasty and violent energy suffocating the Vatican, imagine rage, imagine hatred, imagine everything that pleases your concience happening into the Vatican. Direct your hate. Make the energy so dense that it cannot go away by any means.

You can affirm more than 1 times, its advisable you go for 9 times.

Then, you can scream out loud THE VATICAN IS NOW PERMANENTLY DESTROYED, HAIL SATAN! Or anything that you feel like at this time. And close the Ritual.

Summing the steps up:

1. Open the Ritual
2. Do the Ritual as usually, but with a different prayer.
3. At the height of the Ritual, Vibrate the Runes and say the affirmations.
4. Close the Ritual.
5. The Working: Continue the Vibrating the Runes from 9 days to 40 days after the day of the Ritual, or constantly and everyday as part of your meditation schedule.

HAIL SATAN!!!!!!

Subject: Ending the Vatican April 6th - Ritual and Working *UPDATED*

*****THIS IS THE UPDATED VERSION OF THE RITUAL, WITH SOME NOTES ADDED. THESE WILL BE BELOW, AT THE DATE AND INFORMATION PART.

This Ritual will be very simple and anyone can do this, regardless of their level of ability. AND ANYONE MUST!

The Vatican is on its end. They know that the time is coming up, that they are going to crack. The times are not and not later. Satan's Vision is coming True. If one obstacle exists right now, in the spiritual path of the Gods, its the Vatican. The Vatican is the enemy headquarters, from where they plan and execute everything. They know their end is coming and that it can come.

For the same reason, they have been working overtime to destroy the Joy of Satan and generally any other opposition there could exist. They have teams of advanced black magicians and other paraphenelia, that keep working for them so they can destroy us. The strongest Satanists get battered with attacks because of them.

THEY NEVER IMAGINED THE JOS WOULD DO SUCH DAMAGE TO THEM, REST REASSURED ITS *US* AND NOBODY ELSE DOING THE DAMAGE.

We will NOT know peace unless we fight back. The only way for peace and to achieve our ends is through SPIRITUAL WARFARE. People who sit their laps and do nothing, are equal to nothing. Satan gives us moments of peace and tranquility, He gives us everything, looks out for us.

In turn, He is counting on His children to destroy the enemy. He is counting on YOU. Its unacceptable and an act of cowardice to not participate and destroy the enemy. Satan looks out far more for His Warriors above anyone else.

If you have time/desire to, you can read here for further explanations on why we will be focusing on the Vatican right now. For the sake of keeping it short, I am including a link:

<http://groups.yahoo.com/group/JoyofSatan666/message/89393>

SATAN IS COUNTING ON YOU, MORE FROM NOW ON THAN EVER. OUR RITUALS ARE ALREADY MANIFESTING AND THE ENEMY *IS* GETTING DESTROYED. THIS IS WHERE WE KICK THEM, WHILE THEY ARE ON THE GROUND. LEAVE THEM TO GET BACK UP AND IN DUE TIME WE WILL ALL HAVE THEIR POSITION!

SATAN COUNTS TO ALL OF HIS CHILDREN, WITHOUT EXCEPTIONS!

LETS END THEM AS A FAMILY!!!!

Ritual/Working Date and Information.

*RITUAL TIME: HOURS OF SATURN, MARS.

*TIWAZ IS VIBRATED: TTTTT-IIIII-VVVVVV-AAAAAA-TTTTTZZZZSSSSS
(I chose Tyr so it can be easier for new people)

*IF YOU LIVE SOMEWHERE THAT THE DATE IS ALREADY SET, DO THE RITUAL TODAY AND DO NOT WAIT! THIS IS IN ACCORDANCE TO YOUR TIME ZONE.

We will be doing a Ritual. The Day is April 6th. Another day this Ritual can be

done is April 9th, but 6th has more power, given the Waning moon in Pisces, of powerful significance for the end of the Vatican/Xian hoax. Also, aiming for the last 25 Degrees of Pisces would also prove very beneficial. Pisces is a sign of invisible attack and chaotic destruction. They will not know what hit them.

THE SAME DAY, WHILE YOU'RE DOWN WITH THE RITUAL, YOU ARE ON DAY 1 OF THE WORKING. THIS CAN LAST ANYWHERE FROM 9 DAYS, TO 40 DAYS - BUT ITS ADVISABLE THAT YOU KEEP ON THIS LIKE YOU KEEP YOUR AURA OF PROTECTION, TO ENSURE THEY GET WHAT THEY DESERVE EVERYDAY.

As for the Moon in Pisces:

Poison, drugs, self-undoing, deception, sorrow, depression, isolation, insanity, very deep psychic stuff. Good for success in meditation and all psychic pursuits. Spells to deceive people, secrets, swindles, vulnerability. Secret enemies, altered states. This is the one of best times for endings, especially when the moon is in 20-30 degrees of the sign (make sure it is not void). Psychic healing can be done. Do NOT have surgical procedures performed on the feet at this time.

---***Important Points***---

**The Ritual will add more power and a nice beginning for your working. Though you can go straight to the Working itself, if you are lacking time.

**You can do the working TWICE, this will add FAR MORE POWER and this will get rid of yourself of even more negative energy.

**ALWAYS REMEMBER TO CLEANSE YOUR AURA AFTER THE WORKING IS DONE.

**Keep your meditation program up. Do your breathing exercises to raise your energies. Merkaba if you're at that level. Its better to do the working after you're high and on the meditation.

**If you're doing other workings, keep on them but space out the hours. For instance to the one at day, the other at night.

**If it happens that you lose any day, keep going on the next one and make up for it. What matters is that you do it. Do not lose more than once and try to not lose not even one.

**KNOW THE ENEMY WILL TRY TO STOP YOU AND BE AWARE OF THIS!

THE RITUAL:

This Ritual will not require sigils, as I want to make this very easy and easily applicable for ANYONE.

You will open your Ritual like a Standard Ritual:

<http://www.angelfire.com/empire/serpentis666/Ritual.html>

Do your Ritual as you usually do. For people who do not have a Ritual Altar, they can do this on their Astral Temple. I am making this extremely easy.

You will just do your Ritual, but the Prayer will be different. In a format that is telling Satan one on one, that you will fight and take down the Vatican and everything they have.

*- Keep the My Purpose is this part solid, as to make the nessescary psychic link with your Brothers and Sisters in Satan

Ritual Prayer (You can adjust this *BUT* Keep the My Purpose is this part solid, as to make the nessescary psychic link with your Brothers and Sisters in Satan. Go all out emotionally on WHY YOU WANT THEM ALL DEAD AND DESTROYED):

Father Satan, I stand before you, just as I am, just as your Son/Daughter. I am promising you now, that I will fight your enemies, so we can together take down the enemy of the Vatican, the inventor of what is against you, xianity. Because I love You, I care for You, and I desire to grow closer to You, I ask for Your power and Guidance, to help me get rid of this filth! This is OUR Planet, OUR

WORLD! I no longer desire the Vatican lying about you, guiding all OUR enemies to destroy us. I DESIRE YOU TO GIVE ME YOUR MIGHTY UNENDING POWER, SO I CAN END IT. MAKE MY SOUL AS SHARP SWORD THAT WILL UTTERLY RENDER THE VATICAN DESTROYED!

My purpose is this: To destroy completely, permanently and for all eternity the Vatican and the Xian church.

HAIL SATAN!!!!

HAIL LILITH!!!!

HAIL _____(GUARDIAN DEMON NAME)!!!!

HAIL TO ALL THE GODS OF HELL!!!!

HEIL TO ALL THE SOULS, FROM ALL AGES WHO FOUGHT FOR SATAN!!!!

Now, After you either read aloud or wrote the Ritual and burned it, you go to the next step.

The Runes we will be using are TIWAZ (Variation Tyr) and THURISAZ.

One Rune, TIWAZ (Variation: TYR) will be used to reflect all negative energies from your Soul towards the Vatican, so it will be destroyed (No matter what type of negative energies these are. Mostly, these will be the negative energies the enemy sends us to destroy us, right back at them)

The Seond Rune, THURISAZ will be used to straightforwardly destroy the Vatican.

***For adding serious power to the Working its advisable that one does above 40 vibrations, but even 9 will do the job. To take such institution down, there is much energy needed. REMEMBER TO CHOSE THE NUMBER WISELY, BASED ON YOUR EXPERIENCE WITH RUNES. FOR NEW MEMBERS 9 TIMES ARE VERY, VERY GOOD!

-----Rune One:

Start Vibrating the Rune TIWAZ. This is vibrated like
TTTTTT-IIIIII-WWWWWW-AAAAAA-ZZZZZZ. Or the Variation :
TTTTT-YYYYY-RRRRRRR. You will need to do this 9 Times (Number of Endings) OR 17
(Number of the Rune) or multiplies of 17 (34,51 etc) Times.

So lets say you chose to vibrate Tyr for 9 times.

Vibrate if for 9 times, focus on the energy and affirm with intent:

"The energies of the Rune TYR are sending right now all energies that are
negative from my Aura, completely, into the Vatican. These energies completely
and permanently destroy the Vatican!"

Imagine the grey energy plaguing the Vatican, destroying the people in there,
dropping dead, terror, fear, disgust, people getting angry and attacking the
Vatican. Whatever fullfills you. Direct your hate.

You can affirm more than 1 times, its advisable you go for 9 times.

---Rune Two:

Start Vibrating THURISAZ: This is vibrated like
TTTTTHHHHH-UUUUUU-RRRRR-IIIII-SSSSS-AAAAA-ZZZZZZ. You will need to do this 9
times (Number of Endings) or 15 times straight. You can go on multiplies of 3
(Number of Rune) so you can do this 15 times, 30 times, 33 times etc.

So if you chose 9 times.

Vibrate the Rune for 9 times. Focus on the energy and affirm with Intent:

"The Destructive energy of the Rune Thurisaz is now permanently and eternally
destroying the Vatican!"

Now imagine all this plump of destructive, nasty and violent energy suffocating
the Vatican, imagine rage, imagine hatred, imagine everything that pleases your
conscience happening into the Vatican. Direct your hate. Make the energy so dense
that it cannot go away by any means.

You can affirm more than 1 times, its advisable you go for 9 times.

Then, you can scream out loud THE VATICAN IS NOW PERMANENTLY DESTROYED, HAIL SATAN! Or anything that you feel like at this time. And close the Ritual.

Summing the steps up:

1. Open the Ritual
 2. Do the Ritual as usually, but with a different prayer.
 3. At the height of the Ritual, Vibrate the Runes and say the affirmations.
 4. Close the Ritual.
 5. The Working: Continue the Vibrating the Runes from 9 days to 40 days after the day of the Ritual, or constantly and everyday as part of your meditation schedule.

Subject: Dharma

Dharma

Dharma is the core of the ancient title for the Primordial Tradition. Which is an important meaning within itself. The writings in the East mention the core of the Tradition is within the 8 fold path of Dharma.

Within this title we have several meanings. d-HAR-ma. Har being another spelling and root of Hari the ancient title for our God and perfected state. Within this we also have Ar, which is a title for the perfection of the soul via the creation process of the great working. We also have Ra [ar=ra] and Ma the union of the Agni and Soma forces that generate this state of perfection.

More on Hari being a title for our God:

<http://groups.yahoo.com/group/JoSNewsletter/message/418>

The symbol of Dharma is a wheel with eight spokes. But what we are looking at is the circle [outer wheel] which represents the perfected life force and is traditionally represented as golden serpent [Anahat] clutching its own tail. Within the 8 pointed star and the hub of the wheel being the bindu point with the larger outer wheel actually being the greater circle. The glyph for the sun, the gold in the work. So within this symbol we have the union of the masculine and feminine as well. The Great Work. The spinning of the wheel is the eternal flow of energy. And eight being a symbol for perfected life.

Hence why Har or Hari is also the core of this title. Hari is the perfect soul that is born from the generation of the unification of the male and female aspects of the soul

Original 8 fold path. Before it was corrupted by the insertion of the corrupted one from Jainism:

<http://www.angelfire.com/empire/serpentis666/ASHTAR.html>

It was preserved in the Tantra [Tantra essentially meaning "knowledge which Liberates"]. Which came down from RA-JA, Yoga of which the original 8 fold path was called the Arya Path.

This why the eastern texts mentioned the opening of the eye of Dharma [the 3rd eye with the raising of the serpent] and the unfolding of the Dharma within you. Meaning the transformation of the soul by the 8 fold path.

It's no mistake the 8 fold path was originally called the eight fold path of the Arya. As Hari [Ari] is the same meaning and root of Ari or Arya. And in the Vedic texts Dharma is also called the Arya Dharma. Of which the Swastika is the symbol for, as it's the other original symbol for Dharma as a whole. And also represents the perfection of the soul. Images of the tree of life from the ancient Aryas, show the energy centers along the spine depicted as Swastika's. As mentioned by J.Evola in his book: "The Doctrine Of The Awakening." Aryan originally is a racial term in the oldest texts. Not the universal terminology that has been fixed to it by the corruptions of later times. Which is based upon enemy doctrines that make up a major core of Christianity as well.

With Dharma it's divided into two main categories the individual or microcosm Dharma and the universal or macrocosmic level of the same. The cosmic man is also called the Purusha, the perfected being. The first form of Lord Narayana. And which later was developed into the Atma/Brahman, it seems. As stated in the Supreme God article. The six pointed star is the symbol of Narayana/Hari. And symbolizes the union of the male and female aspects of the soul into one with the circle around it depicting the same the circle in the 8 fold wheel does. The Jews stole this symbol in the last millennial only. The Bible has been proven to be fiction. Along with the bogus history of the Jews, created by stealing from the different Gentile cultures.

Dharma means also essentially: "Cosmic Order." Within its teachings as stated is the supreme knowledge of the laws of the microcosm and macrocosm of the universe. And to live in harmony with this as a perfected part of it.

The concept of the "Dharma Emperor." Is the rule of a Perfected ruler, a Godman. Who by his super conscious state. Enacts the Dharma upon the planet. Which is living as a conscious part of what has been forever within and outside us. The eternal laws of nature. Which is revealed by opening the eye of

Dharma. And awaking to eternal truth. As this removes the veil of Maya or illusion.

Something to specifically note since the New Age Crowd, pretends to be connected to Dharma but is nothing more than a perverse version of Communism with a sprinkling of metaphysics [Christianity 2.0]. And as such openly advocates the destruction of the races by mixing based upon the abnormal premise of egalitarianism. Which it parades as authentic spiritual teachings:

"It is imperative to respect the lineage of one's ancestors and avoid the mixing of races through procreation. This alters the divine order and provokes regression of the species. Marriage rites or procreation must be accomplished of the responsibility of the transmission of life, having solely in mind the quality of the product of the child. According to the rules of genetic selection defined by the texts of the Agamas."

-Advice to a Mleccha [one born outside of Bharat] by Sadhu Shambhudasa.- From "While The Gods Play." By Alain Danielou.

We have it right from the ancient sources[Agamas] as stated by the Sadhu Shambudasa. This wisdom is repeated many times in the ancient texts going back to the Vedic sources.

Subject: A Debate With A Liberal

From a debate I had with a Liberal.

That Jew belongs to the tribe called hate. And as a typical smug and hypocritical thing it is. Wants to project what it is upon me. Typical Jew. And come off all clean and moral. As its criminal group burns the world to the ground.

Bernie Madoff was just doing what the rest of the Jewish crooks in the banks and Wall Street are . The only difference is he got too greedy and stole from the tribe. So they hung him out to dry.

When you come against their ideology you come against them. The Jews know this and so do the Muslims. The Liberal seems to be confused. Hence why that Jew pipped up with the typical attack.

The Liberal game of I am going to tear down your core values but nothing personal is failing joke. Its part of the Liberal war on culture and civilizations in its own light. Where it tears down all opposing ideals and norms from its own world view, which it believes to be morally superior. Thus seeking to obtain supremacy of its own over opposition. The Cultural Marxist tactic of Deconstruction is a carrying on of this tactic. And is reeking havoc.

Thats why Liberals are in shock when one of their own ends up laying in the street with a Islamic knife in his chest pinning a note of warning along with it. The opposition this time has more direct force tactics, to theirs.

The Jews and their Islamic creation win because they know how to wage cultural warfare.

The Islamics are also starting to copy the Liberal [Jewish] tactics of name calling, moral shaming and character attack. As a more "refined" propaganda.

In the end they are hanging the Liberal west by its own rope. Its time to generalize, because they are a general group working with a general worldview.

When your busy finding the good Jew, the rest will still be waging total warfare on the Western world. This is not a world of sole individualism. And the organized team wins.

Subject: A Message of Consolation and A Call to War

I would like to speak out to those of you having struggles lately. We're beginning to get into an intense stage in the war here. The media and whatnot try to make it seem like nothing is wrong. If you haven't already unplugged yourself from that, do so now.

I know some of us have fell behind. Right now is not too late, but the waiting period has passed. There is a ritual tomorrow and it is as easy as vibration. You know that thing in your throat? Your larynx? Yeah, you just get that going, practice the syllables if you need to. The weather is getting warmer, you could probably go walk in the park.

The obstacles between you and consistent meditation are all mental. And perhaps you've had a hard time doing things and getting things done on time. Maybe you were sick of homework in the judaized skool system, maybe emotional trouble in family life really got to you. Maybe abuse in your life got too far and changed your disposition.

It can be hard to change, but now is the time to step up and fight back.

I asked Satan one night when I was troubled, what was the one thing I was missing that kept me from moving forward. I waited and listened, raised a lot of witchpower and had a lot of caffeine in my system. But I heard it in my head. Faith.

The thing that kept me back was a lack of faith in myself, faith in Satan, faith in the Gods. I hadn't got a whole ton of faith from my parents during my childhood, and that had left me bitter and whiny, but I'm not gonna let myself be that way anymore. I'm not gonna let the past stop me from what I can do now.

Believe in yourself, and you can overcome any mental barrier. When you feel doubt hit you, just turn your thoughts around. But not just your thoughts, your emotions and passion need to go into it to, these are different from thoughts. Use your whole mind, beyond thoughts to change your disposition to that of a joyful one. Joy isn't just being happy all the time, but having that faith and confidence in yourself which brings delight in everything you do.

If your confused on where to go, look no further than the Joy of Satan. Satan has told told us to delight in what we destroy, so even when we raise our anger and hatred against the Vatican, indulge in the feeling of pride and vigor from knowing in utter confidence this war is won. That, is our power, and it is what the jews fear most about us.

Subject: [666BlackSun] Dharma

Dharma

Dharma is the core of the ancient title for the Primordial Tradition. Which is an important meaning within itself. The writings in the East mention the core of the Tradition is within the 8 fold path of Dharma.

Within this title we have several meanings. d-HAR-ma. Har being another spelling and root of Hari the ancient title for our God and perfected state. Within this we also have Ar, which is a title for the perfection of the soul via the creation process of the great working. We also have Ra [ar=ra] and Ma the union of the Agni and Soma forces that generate this state of perfection.

More on Hari being a title for our God:

<http://groups.yahoo.com/group/JoSNewsletter/message/418>

The symbol of Dharma is a wheel with eight spokes. But what we are looking at is the circle [outer wheel] which represents the perfected life force and is traditionally represented as golden serpent [Anahat] clutching its own tail. Within the 8 pointed star and the hub of the wheel being the bindu point with the larger outer wheel actually being the greater circle. The glyph for the sun, the gold in the work. So within this symbol we have the union of the masculine and feminine as well. The Great Work. The spinning of the wheel is the eternal flow of energy. And eight being a symbol for perfected life.

Hence why Har or Hari is also the core of this title. Hari is the perfect soul that is born from the generation of the unification of the male and female aspects of the soul

Original 8 fold path. Before it was corrupted by the insertion of the corrupted one from Jainism:

<http://www.angelfire.com/empire/serpentis666/ASHTAR.html>

It was preserved in the Tantra [Tantra essentially meaning "knowledge which Liberates"]. Which came down from RA-JA, Yoga of which the original 8 fold path was called the Arya Path.

This why the eastern texts mentioned the opening of the eye of Dharma [the 3rd eye with the raising of the serpent] and the unfolding of the Dharma within you. Meaning the transformation of the soul by the 8 fold path.

Its no mistake the 8 fold path was originally called the eight fold path of the Arya. As Hari [Ari] is the same meaning and root of Ari or Arya. And in the Vedic texts Dharma is also called the Arya Dharma. Of which the Swastika is the symbol for, as it's the other original symbol for Dharma as a whole. And also

represents the perfection of the soul . Images of the tree of life from the ancient Aryas, show the energy centers along the spine depicted as Swastika's. As mentioned by J.Evola in his book: "The Doctrine Of The Awakening." Aryan originally is a racial term in the oldest texts. Not the universal terminology that has been fixed to it by the corruptions of later times. Which is based upon enemy doctrines that make up a major core of Christianity as well.

With Dharma its divided into two main categories the individual or microcosm Dharma and the universal or macrocosmic level of the same. The cosmic man is also called the Purusha, the perfected being. The first form of Lord Narayana. And which later was developed into the Atma/Brahman, it seems. As stated in the Supreme God article. The six pointed star is the symbol of Narayana/Hari. And symbolizes the union of the male and female aspects of the soul into one with the circle around it depicting the same the circle in the 8 fold wheel does. The Jews stole this symbol in the last millennial only. The Bible has been proven to be fiction. Along with the bogus history of the Jews, created by stealing from the different Gentile cultures .

Dharma means also essentially: "Cosmic Order." Within its teachings as stated is the supreme knowledge of the laws of the microcosm and macrocosm of the universe. And to live in harmony with this as a perfected part of it.

The concept of the "Dharma Emperor." Is the rule of a Perfected ruler, a Godman . Who by his super conscious state. Enacts the Dharma upon the planet. Which is living as a conscious part of what has been forever within and outside us. The eternal laws of nature. Which is revealed by opening the eye of Dharma. And awaking to eternal truth. As this removes the veil of Maya or illusion.

Something to specifically note since the New Age Crowd, pretends to be connected to Dharma but is nothing more then a perverse version of Communism with a sprinkling of metaphysic's [Christianity 2.0]. And as such openly advocates the destruction of the races by mixing based upon the abnormal premise of egalitarianism. Which it parades as authentic spiritual teachings:

"It is imperative to respect the lineage of one's ancestors and avoid the mixing of races through procreation. This alters the divine order and provokes regression of the species. Marriage rites or procreation must be accomplished of the responsibility of the transmission of life, having solely in mind the quality of the product of the child. According to the rules of genetic selection defined by the texts of the Agamas."
-Advice to a Mleccha [one born outside of Bharat] by Sadhu Shambhudasa.- From "While The Gods Play." By Alain Danielou.

We have it right from the ancient sources[Agamas] as stated by the Sadhu Shambudasa. This wisdom is repeated many times in the ancient texts going back to the Vedic sources.

Satan wants this done!

The Vatican has been cursing and attacking us [JoS as a whole] in a 24/7 vigil [just beaming with christian love]. They never stop, except for the last Saturday, the day before their 'Easter' and for those of you who can remember this day, the energy was exceptionally peaceful, but the attacks resumed again on Easter. That filthy maggot jewsus symbolically in the tomb that day. They do as little as possible.

I won't waste any time in getting to the point. I am strongly encouraging everyone here [we definitely have the strength in numbers], to participate in this simple, effective [both for the group and individually], ritual that will put a stop to this malignant filth.

This will be a 40 day working. You can also go 80 or more days, as it is very simple, but powerfully effective. The 40 day working will strongly establish the energy. Even if you are extremely busy, then perform the partial working. You can join in on the full working at any time.

FULL WORKING:

When you have an energy buzz, such as after a yoga session, do the following:

1. Visualize yourself engulfed in powerful white-gold light.

2. Affirm:

'My aura is constantly deflecting and repelling any and all negative energy, spite, ill will and curses directed at me and is always returning it right back to those who send it.' 'I am aligning these protective energies with those of my Brothers and Sisters in Satan.'

3. Recite a full Satanic rosary 'SURYAE' [the mantra for the sun, which is very effective in cleaning the aura and in deflecting negative energies]
SUUU-RR-YAH-YAY

4. Vibrate AUM 9 times, AH at your solar chakra, UU at your throat chakra and MM at your 6th chakra/pineal gland.

PARTIAL WORKING:

Just do steps 1 and 2.

You can begin this at any time. All of our energies will link up and deflect the curses and related and send the ugly energies right back to them.

FOR BOTH THE FULL AND PARTIAL WORKINGS, REPEAT STEPS ONE AND TWO SEVERAL TIMES A DAY, EVERY DAY, TO REINFORCE THE AURA AND WORKING. FEEL THE ENERGY, WHICH WILL GROW AND GROW.

Note:

Everyone who has started the Working against the Vatican or did the recent Rituals on rebounding and giving them negative energy (6th and 9th of April), when they are done with what they have in mind doing (Be it a 9 day working or 40 day working) they should immediately do this, exactly as HP's Maxine wrote this.

!! ENGULF YOURSELF IN WHITE-GOLD LIGHT, LIKE THAT OF THE SUN AND VIBRATE 'SURYAE' INTO THIS LIGHT 108 TIMES USING THE ROSARY. IF YOU DO NOT HAVE A SATANIC ROSARY, THEN COUNT THE 108 VIBRATIONS ANY WAY THAT YOU ARE ABLE TO.

Remember, the white-gold light is power and deflects negative energy.

Subject: Liberalism

As Nietzsche noted the Liberal is the otherside of the Christian coin. The Christian Priest in disguise.

" As to the literal meaning [of Christianity], what could be clearer than the unity of mankind in Genesis and that all men are descended from the same man? And as to the spirit of Christianity, has not its distinctive characteristic been to want to abolish all the distinctions of race.... and to create one human species of which all of its members could perfect themselves and become like one another. How could this spirit, according to widely-held ideas of common sense, be reconciled with a historical doctrine that creates distinct races, unequal ones, made more or less to understand, judge, act, and this as a consequence of a certain original disposition that cannot change and invincibly restricts the perfection of some of these? Christianity was inclined to make brothers and equals of all men."

Alexis de Tocqueville

Note this the exact core same doctrine of Liberalism and Communism. Which are nothing more than atheistic Christianity. With Christianity being Theistic Communism.

Liberalism is Christianity without the Christ

William Gayley Simpson's Which Way Western Man?

Reילו Oliver

Quote:

The other apostates I have mentioned, and many that are now forgotten, together with almost all of the anti-Christians of recent centuries, exemplify the operation of what may be called the law of cultural residues. In all civilized societies, when a long-established and generally accepted belief is found to be incredible, good minds abandon it, but they commonly retain derivative beliefs that were originally deduced from the creed they have rejected and logically must depend on it. Thus it happened that modern enemies of Christianity rejected the mythology, but uncritically retained faith in the social and ethical superstitions derived from it — a faith which they oddly call rational but hold with a religious fervor.

They laugh at the silly story about Adam and his spare rib, but they continue to believe in a "human race" descended from a single pair of ancestors and hence in a "brotherhood of man." They speak of "all mankind," giving to the term an unctuous and mystic meaning with which they do not invest corresponding terms, such as "all marsupials" or "all ungulates." They prate about the "rights of man," although a moment's thought should suffice to show that, in the absence of a decree from a supernatural monarch, there can be no rights other than those which the citizens of a stable and homogeneous society have, by covenant or established custom, bestowed on themselves; and that while the citizens may show kindness to aliens, slaves, and dogs, such beings obviously can have no rights.

They do not believe that one-third of a god became incarnate in the most squalid region on earth to associate with illiterate peasants, harangue the rabble of a barbarian race, and magically exalt the ignorant and uncouth to "make folly of the wisdom of this world," so that "the last shall be first" — that they do not believe, but they cling to the morbid hatred of superiority that makes Christians dote on whatever is lowly, inferior, irrational, debased, deformed, and degenerate.

They gabble about the "sanctity of human life" — especially the vilest forms of it — without reflecting that it takes a god creator to make something sacred. And they frantically agitate for a universal "equality" that can be attained only by reducing all human beings to the level of the lowest, evidently unaware that they are merely echoing the Christians' oft-expressed yearning to become sheep (the most stupid of all mammals) herded by a good shepherd, which is implicit in all the tales of the New Testament, although most bluntly expressed in another gospel, which reports Jesus as promising that after he has tortured

and butchered the more civilized populations of the earth, there will be a Resurrection, and his ovine pets will pop out of their graves, all of the same age, all of the same sex, all of the same stature, and all having indistinguishable features, so that they will be as identical as the bees in a swarm.[2]

Although the "Liberal" and Marxist cults have doctrinal differences as great as those that separate Lutherans from Baptists, they are basically the same superstition, and whether or not we should call them religions depends on whether we restrict the word to belief in supernatural persons or extend it to include all forms of blind faith based on emotional excitement instead of observed facts and reason. When those "atheistic" cults scream out their hatred of "Fascists" and "Nazis," they obviously must believe that those wicked persons are possessed of the Devil and should therefore be converted or exterminated to promote holiness and love. And when they see "racists," who impiously substitute fact and reason for unthinking faith in approved fairy stories, their lust to extirpate evil is as great as that of the Christian mob that dragged the fair and too intelligent Hypatia from her carriage and lovingly used oyster shells to scrape the flesh from her bones while she was still alive.

With very few exceptions, the anti-Christians, no doubt unwittingly, retained in their minds a large part of Christian doctrine, and they even revived the most poisonous elements of the primitive Bolshevism of Antiquity, which had been attenuated or held in abeyance by the established churches in the great days of Christendom. And today, professed atheists do not think it odd that, on all social questions, they are in substantial agreement with the howling dervishes and evangelical shamans who, subsidized with lavish publicity by the Organized Jewry who control the boob-tubes and other means of communication, greedily participate in the current drive to reduce Americans to total imbecility with every kind of irrational hoax.

I am certain that Satan was pleased by that move, especially those who acted and moreso, those who plan on executing the 9 day working. Not mentioning those who will really batter the enemy for 40 continuous days. If anyone keeps going on this more, then they are the Warrior Elite for Hell's eyes, know this fully. Personally, the day after the first hit (April 7th) I have been nuked with attacks and I presume I wasn't the only one. Which says in itself one thing: Our Ritual has worked MIRACLES. Do not be suprized in in one and a half month from now, the Vatican is in deep shit.

Today is April 9th, and those doing the Ritual first time today, or again (Second time doing the Ritual, one time on 6th, another one today at 9th of April), OR those who are already on their working against them - We all do our part here in taking them down. Rest reassured the enemy gets their asses kicked.

Know the enemy will not just stay here and die. So its important that all of us attack them now, to overpower them. We have power in numbers and Satan's Powers. If all people act, we change history right here and we will be the generation to be alive in the Vatican falling apart.

Baphomet

This was an answer to a question of the egroups:

Baphomet itself goes back to the ancient east as well. In the symbolic form of Satan as the two headed Agni. Who's vehicle is the goat and ram and who's number is 9. The Templar Baphomet was traditionally a two human, headed image identical to Janus. Baphomet means baptized in Wisdom because wisdom is another name for Sophia or Shakti. The serpent power. That is when in the Pagan world after baptism the individuals were given a lighted candle and called the illuminated. Satan was also called Oannes and was known as the Baptizer God for this reason. He is shown holding the cauldron or grail of the exilic of life. Gnosis is from OANA another spelling of Oannes. The original baptism was the individual emerging from the grail cauldron reborn into a God.

360 the degrees of a perfect circle equal to 9. The ancient symbol of immortality was the golden serpent clutching its tail in a perfect circle. And was called Anahat, eternity. This is why the temple of the sun the Templars represented was described as being in a circle divided into 12 parts the Magnum Opus.

In Sanskrit SAT means Truth. Truth in the ancient world was another name for illumination and transformation of the soul. When the kundalini power rises it brings a person to SAT by illumination of the consciousness it brings which is what they were depicting by the title of Truth..... This is why the strength of the soul is its ability to reach levels of truth in the Egyptian texts. Levels of empowerment.

As the prefix of Ananta Shesha which is the primordial serpent. Depicted as a serpent in a golden circle clutching its tail. The sign of the Magnum

Opus. This golden serpent is given the title of "Eternity" [Ananta]. And refers to the title of "Lord of Time." As time in this sense relates to the perfection of the soul.

SATAN translates out to a title of: "Eternal [in the context of perfected] life."

Another Templar item found was a silver head of Virgo [Sophia] the perfected or reborn conscious. With a code with this symbol: M and a phase which means perfected life. This M symbol is the symbol of the reborn soul and is seen within Egypt and elsewhere. The Templars craved grave effigies of themselves into the rock hillside in European sites. Facing east the rising sun. Because the sun is traditionally depicted rising between the center of the twin peaks of the M symbol.

The Templar's where Satanists:

Here's my original writing about the socioeconomic system of National Socialism;

"It is teamwork. It is uniting the tribes of a race for the common advancement of themselves. It is not tribal warfare of the races, like capitalism, democracy is, but a united effort of that race to achieve more through collaboration."

It is the highest system, the most superior system, ever - a tool to facilitate the highest quality of living for individuals and for the advancement of civilization as a whole.

You can read more about Hitler's National Socialism by reading Gottfried Feder's book's, he was personally commissioned by Hitler to write his economic policies before the Reichstag election's. I downloaded a .pdf version of the book at;

If you notice in history, all the great leaders united their people, their race together, united all of the tribes together.

Subject: Communism in China

I wrote about before how Rothschild agents funded and direct Mao. Along with Asian Jews first spreading Communism through Manchuria. etc

"Grigori Voitinsky, a Soviet agent and a Jew, was sent to China to help set up a communist party there and was a key player in the founding of the CCP (Chinese communist party). Another Jew, named Adolph Joffe, as the Soviet ambassador to China, was a key player in providing aid to both the Kuomintang (Chinese Nationalist Party) and the Chinese communists. The Soviets backed both parties, hoping for a Kuomintang/CCP alliance. The Soviet Union was, of course, built and staffed by Jews under the part-Jew, Lenin. Later, two more Jews who worked in the U.S. Treasury Department, Solomon Adler and Harry Dexter White, deliberately engineered Chiang Kai-shek's downfall by sabotaging the Chinese currency, paving the way for Mao and communism."

Subject: Siddhie

Siddhie

I wrote before of the title of Hari for our God and how it is also Ari or Arya. And is the core of D-har-ma. This title is actually H-ari. In the language of Sanskrit of which this title comes from the H is the letter of ether or mer-cury. The life force perfected and Ar is the solar term and the obvious root of Aryan. In the ancient texts this term is also used to relate to this cosmic light in general in the macrocosm . As the individual who has finished the magnum opus is the microcosm of this perfected light or mer[light]cury. Interesting enough mercury in science is the plasma which generates solar force identical to the sun in experiments.

Hari denotes the perfected life force for this reason. In the east the H is the letter that stands for Siva. Another alias of our God. Because Siva represents the purified mer-cury or life force. And also why Siva's yantra or symbol is the five pointed star.

Mer-cury is the title of the serpent. So the H in Hari denotes the serpent.

This is why Sumeria was called Sumarie and the origin of the term Farie. Its another spelling of Ari or Aryan. The Fairies' being the original inhabitants of the Isle's and their name meaning "Shining." Which gets into another title of Ireland not being Eire but Arie.

The Fairies are given the near mythic status as they where the original generations of our Race coming out of the Golden Age. The other term for them where Siddhie,[phonetic wise has the Arie within it] which is Siddha in the East, as Sir Laurence Gardner notes in his work. Siddha means "Perfected One." Or Shining One as the two terms are the same. Even snake was sunake in the ancient world. The serpent and the sun where the same symbol. Within this Siddhie or Siddha denotes the serpent.

Which goes into Sanat an anagram for Satan which also denotes the same:

In Sanskrit SAT means Truth. Truth in the ancient world was another name for illumination and transformation of the soul. When the kundalini power rises it brings a person to SAT by illumination of the consciousness by the serpentine energy, it brings which is what they were depicting by the title of Truth..... This is why the strength of the soul is its ability to reach levels of truth in the Egyptian texts. Levels of empowerment.

As the prefix of Ananta Shesha which is the primordial serpent. Depicted as a serpent in a golden circle clutching its tail. The sign of the Magnum Opus. This golden serpent is given the title of "Eternity" [Ananta]. And refers to the title of "Lord of Time." As time in this sense relates to the perfection of the soul.

SATAN translates out to a title of: "Eternal [in the context of perfected] life."

The term saint is later English for Santa which is an anagram of Sanat, Satan. The serpent which is the ancient title for the Pagan Priests, those who had perfected themselves. In the East the term for Saint is from Siddha or Siddhie. Which bring us back to Arie/Aryan. Hence this obviously predates Christianity. The beings called Saints in the Pagan east are noted for being transformed adepts. And this lived on in Christianity with the fact the saints are still shown with the Pagan Halo [from Helios the sun] around their head, as they are in the east. The Halo is the symbol of the serpent sun and its illumination. The horns of the glyph for mercury means the same as the Halo.

Hence why the symbolic form of our God was openly stated to also be the personification of the perfected, serpentine/solar, life force. Which gives eternal life and the supernormal powers or Siddhis. And why he was titled: "The Good Serpent." Good means "Shining" in the old language. So we have the Shining Serpent.

The royal blood lines still connected to this Fairie line in Europe symbol was the equal arm cross within a perfect circle. The cross is the symbol of fire and water unified, the male and female energy of the soul, which gives the magnum opus. Within a circle which as stated is the serpent of eternal life. The circle has no beginning or end its eternal as a symbol. And within this we have the four corners or elements perfected. Hence why Satan's number is 9 as 360 [degrees in a circle] adds to 9 in numerology.

Hence the Faire, Ari[Arya], Siddie where the illuminated, radiant, blazing or Shining Serpents. Who were physically described as being luminous, immortal, beautiful and spiritually powerful, superconscious beings.

Just to restate for our people here. Aryan basically means: blazing/radiant/Shining Serpent[s]. And this is the title of our God and Race.

The circle has no beginning or end its eternal as a symbol. And within this we have the four corners or elements perfected. Hence why Satan's number is 9 as 360 [degrees in a circle] adds to 9 in numerology.

Nearly all of the high-profile groups are heavily infiltrated, run and operated by jews and their ADL at some level and are corrupted. When the real one comes along, everyone will know it. I strongly warn everyone to stay away from these groups. In regards to the above, unfortunately, the USA has the worst.

In the ancient texts this term is also used to relate to this cosmic light in general in the macrocosm . Interesting enough mercury in science is the plasma which generates solar force identical to the sun in experiments.

In the East the term for Saint is from Siddha or Siddhie. Which bring us back to Arie/Aryan. Hence this obvious predates Christianity. The beings called Saints in the Pagan east are noted for being transformed adepts. And this lived on in Christianity with the fact the saints are still shown with the Pagan Halo [from Helios the sun] around their head, as they are in the east. The Halo is the symbol of the serpent sun and its illumination. The horns of the glyph for mercury means the same as the Halo.

Boston

Today we witness what is yet mostly likely another Mossad operation against America People. This has all the style of the Jew World Order, false flag all over it.

Even with the Boston police setting up drills and such around the event which is what happened around 911, The London Subway attacks, Oklahoma attacks and Sandy Hook. All other false flags.

The Jewusal suspects are already leaping to promote their agenda with it. Which is what they always do.

Remember the date this was done on as well. What other large Jewish operations where pull on this occult date in history?

The ship that was sunk on an occult date 15 April 1912 [Good Friday, April 14th was the day the Jew Rothschild's had President Lincoln killed].

Remember Mossad has the network to pull off 911:

ISRAELI DEATH SQUADS DID SANDY HOOK KILLINGS: Intelligence Analyst

<http://www.darkmoon.me/2012/israeli-death-squads-did-sandy-hook-killings-intelligence-analyst/>

Posted on December 19, 2012 by Montecristo

Sourced from this article on pressTV. Edited slightly, with pictures and captions by Lasha Darkmoon.

The Sandy Hook massacre, the mindless murder of twenty small school children, is now beginning to look like a terrorist attack on America by "mad dog Israel". What evidence is there for this bizarre new "conspiracy theory"? Let's consider the facts

Could this man be one of the killers seen running from the scene?

Today, Michael Harris, former Republican candidate for governor of Arizona and GOP campaign finance chairman, in an internationally televised news broadcast, cited "Israeli revenge" in, what he called, "the terrorist attack in Connecticut."

Harris cited Israeli "rage" against the US and against President Barack Obama. By "Israel," we mean "Netanyahu."

Knowing that America would accept the punishment meekly and keep quiet, and that it would let a "fall guy" or patsy take the blame, the mission was to teach America a lesson.

Is this Israel's doing?

Harris, citing the flood of inconsistencies in the "cover story," pointed out the following, "The facts are now becoming obvious. This is another case where Israel has chosen violence and terrorism where their bullying in Washington has failed. Israel believes the US "threw them under the bus," particularly after the recent Gaza war, allowing Israel to be humiliated in the United Nations. Their response was to stage a terror attack, targeting America in the most hideous and brutal way possible, in fact, an Israeli "signature attack," one that butchers children, one reminiscent of the attacks that killed so many children in Gaza."

Washington is terrified of Israel, their powerful lobby and its relationship with organized crime.

Now, a key former Senator, Chuck Hagel, who has helped expose this fact, is likely to be nominated as the secretary of defense, despite vocal protests from Israel.

Today, Israeli news gave further credence to Harris' analysis when they issued the following statements regarding the probable nomination of Hagel:

"Chuck Hagel's statements and actions regarding Israel have raised serious concerns for many Americans who care about Israel," said the Republican Jewish Coalition (RJC) Executive Director, Matt Brooks. "The Jewish community and every American who supports a strong US-Israel relationship have cause for alarm if the president taps Hagel for such an important post."

"The appointment of Chuck Hagel would be a slap in the face for every American who is concerned about the safety of Israel," he asserted.

Citing a 2006 interview with Hagel, the news continued, "The political reality is that the Jewish lobby intimidates a lot of people up here. I have always argued against some of the dumb things they do because I don't think it's in the interest of Israel. I just don't think it's smart for Israel."

Hagel also said he didn't think he had ever signed one of the letters the American Israel Public Affairs Committee (AIPAC) regularly circulates to

demonstrate support for Israel or tough stands against parties such as Iran.

"I didn't sign the letter because it was a stupid letter I'm not an Israeli senator, I'm a United States senator."

During his interview today, Mike Harris explained his rationale for looking to Israel as responsible for Sandy Hook, saying:

This is exactly what Israel did in Norway. The political party that voted sanctions against Israel was retaliated against by a "lone gunman" who killed 77 children.

This is what Israel always does, they go after the children.

It is what they do in Gaza every day. It is what was done in Norway. It is what happened at Sandy Hook.

Nobody buys the "lone gunman" story anymore. Not with the Gabby Giffords' shooting. Not with the Aurora "Batman" shooting. Certainly not with Breveik. And certainly not in Connecticut.

Eloquent words.

After Harris' broadcast, key members of the military and law enforcement community contacted Veterans Today in full support of Harris' analysis.

One three star general is quoted as saying, "Harris hit the nail right on the head and it is about time someone spoke up."

As days have passed, key issues involving the Sandy Hook terror attack have been cited as "debunking" the "lone gunman" cover story.

According to the official story, Adam Lanza was found with his older brother's ID, and it was not stolen. However, older brother Ryan, whom officials say is very cooperative, claims not to have even seen his brother since 2010. Where would Adam get this ID?

According to the official story, Adam Lanza was wearing a black outfit with a mask and bulletproof vest. Why would he want to hide his identity, and why would he wear a bulletproof vest if he planned to kill himself?

The medical examiner asserts that all wounds were caused by a rifle or other long weapon, and the FBI say that the school was littered with 223 (rifle) casings. However, Adam Lanza was found dead at the school with only handguns and a rifle was found in the trunk of his car. So he could not have possibly been firing the rifle, which never left the trunk of his car. This means he could not have committed the murders.

Who did then?

According to the official story, the killings were confined to two classrooms. Then why were so many children told to close their eyes while leaving the building?

Joanne Didonato, the principal's secretary, called in sick on Friday something she rarely ever does. So presumably she must have been awfully ill. And yet, a little later on, she is well enough to give an interview.

Why were there such persistent reports that Mrs. Lanza was a kindergarten teacher, and that she died at the school when the new official story is that she was not connected to the school and was killed at home?

What happened to the report that Adam Lanza's girlfriend and another friend were missing in New Jersey?

What happened to the woodsman in a black jacket and camo pants who was arrested and handcuffed outside the school? He actually shouted to parents, "It wasn't me." Who was he and what was he doing there?

What happened to the dark van or SUV that the police surrounded in the parking lot or the maroon sedan with a blown-out back window they were on the lookout for?

The official story is that Nancy Lanza was a gun collector who obeyed the law. But since 20-year-olds are not permitted to buy guns or ammo or carry guns in

Connecticut, why would Mrs Lanza give her autistic son access to guns and ammo?

A child asserts that he heard someone say, "Put your hands up," followed by the reply, "Don't shoot." This indicates that the police took a suspect into custody inside the school.

If that was Adam Lanza, how did he kill himself just after that?

Is it reasonable for a geeky 20-year-old to carry two pistols and hundreds of rounds of ammunition while wearing a bulletproof vest and a mask?

Why was Adam Lanza said to be a "loner" when a teenager is reported saying, "Lanza and his friends always gathered in a corner of the school"?

Why are Ryan Lanza and his roommates still in custody, and why are the police pretending that it is for their own benefit?

Is it a coincidence that Nancy Lanza's brother is Kingston Police Officer James Champion who lives next door to the former Lanza home?

These are only a small number of the irregularities in what now seems to be a cover-up rather than an investigation.

In truth, the public may well just be sick of hearing stories about "lone gunmen." Of all possible horrors, this one, even more than the Benghazi killings, is loaded with political implications. This is not just about "gun control", it is a clear attack on the security of every American family.

The simplest thing would be to sit back and accept what we are told, without examining who gains or who loses, and without asking "Why now?"

Is Harris right? Would Israel order the deaths of twenty little children to make a political point? Have they done this before?

Moments ago, Harris phoned me. I asked him if he was still willing to back up his statements.

His answer was simple: "They murder children it's all part of business as

usual. "

Day 20 and 26 are respectivelley Adolf Hitler's and Rudolf Hess' birthdays, and to show my gratitude to these heroes of the Aryan race, I made this
drawings

Father Satan, Hitler and Eva

<http://xa.yimg.com/kq/groups/86984463/sn/241535226/name/Father%2C+Hitler+and+Eva.jpg>

Hess

<http://xa.yimg.com/kq/groups/86984463/sn/1767207724/name/Imagem+%284%29hess.jpg>

And also I have translated or just put some musics about them (sorry, I hadn't a way to acces youtube and put the links to each music):

88, Heil Hitler! by the Brazilian NS band Zurzir

Sovereign warrior with your fists of steel
Tried to rid the world of sinister brotherhood
Triumph of the Will led his empire
And the serpent* with his poison distilled mysteries

88, Heil Hitler! (Chorus 6x)

By iron and fire endured front the Zionists lies
Condemned by the world to pay without reason
Noble Fuhrer was silent, his empire defeated
We had Lost a great hero whom will never be forgotten

Rudolf Hess by the Brazilian NS band Zurzir

Giant warrior with noble ideals
Synonymous with loyalty
National-Socialism was his sword
In the hope for a new tomorrow
In his audacious attempt to reveal the truth
Was betrayed and kept in jail
So formed a sick world
Because they held the eagle and freed the serpent*

(chorus x2)

Rudolf Hess, Rudolf Hess
Synonymous with loyalty
Death gave him true freedom
Free, free, Rudolf Hess

Mistreated, dead, murdered

With so much wickedness
Victim of the hatred of the Earth owners
Hess was only treated as a human again in...

(chorus x2)
Rudolf Hess, Rudolf Hess
Synonymous with loyalty
Death gave him true freedom
Free, free, Rudolf Hess

Prisoner of Peace by the British band Skrewdriver

He stuck up for his country, but he didn't like the cost
The European brother war, and lives were being lost
He saw the grieving mothers whose sons could not be found
He wanted peace to stop the endless coffins on the ground

He got up on one morning and he went out to his plane
He said good-bye to his wife, but doubts were in his brain
To sue for peace was his idea in 1941
But the bankers' grip was oh so tight, and the chance for peace was gone

(chorus)
Free Rudolf Hess
How long can they keep him there? We can only guess
I said free Rudolf Hess
How long can they keep him there? We can only guess

He never realized that day that chivalry had died
Britain was in alien hands but at least a man had tried
Forty years is a long long time in a prison cell to be
And I feel ashamed at the sentence passed on a man who wanted peace

(chorus)

And now the situation has changed in many ways
The Allies want to let him go, they've decided he has paid
The Red scum in the Kremlin with their kosher values try
To keep a proud man locked away until the day he dies

(chorus)

He's a prisoner of peace
Kept there at the will of the Marxists in the east
He's a prisoner of peace
Kept there at the wishes of the Marxists in the east

Subject: Adolf Hitler's Birthday gifts

Like Father Satan's day, tomorrow is Adolf Hitler's birthday. He was of the most important men and he's the reason that we are not in global slavery, Satanism since survives and we have a chance to be God, to you, me and those Gentiles that fight for Satan.

Therefore, I would say, it would be an action of decency of character, to give something back. It could be a Poem, a Painting, a Song, a Ritual dedicated to

our Satanic Messiah, anything. Dedicating the day to study more for the Reich, to realize its really a global consciousness and how it can make man God. Rush into youtube, do your spiritual warfare for one extra hour.

Studying about Hitler today:

<http://www.666blacksun.org/satanic-national-socialism/adolf-hitler/>

<http://groups.yahoo.com/group/JoyofSatan666/message/31084>

Or paying some of your time to see a good documentary about Him (Take the xian crap out, the rest is all fine to watch, this is in series):

<http://www.youtube.com/watch?v=lejfGhWeakY>

ABOVE ALL, I am fully certain Adolf Hitler, like Father Satan would appreciate this one above all: Relentless Spiritual Warfare.

Destroying the source of jews and lies and there is no greater gift you could give to the Fhurer or the Gods.

People who are now doing the Workings against the Vatican and did not bent, I am sure He looks up to you and is proud of you. When the Vatican will get down, Ethnicism and Satanism will Rise all at once. People who have the power and keep on going against the Vatican, despite of their relentless attacks, should be proud of themselves and do great work for Satan. DO NOT BEND, FOR THIS IS OF THE MOST IMPORTANT WORKS WE CAN DO RIGHT NOW.

The upcoming date to start, is April 30th and you can do it that day. If you missed the working, it can be re-started.

Daemon

From an answer to a question on another egroup.

True, this term "Demon" is from a word, Daemon which relates to the luminous energy of the soul. Which is symbolized as the serpentine life force, which is a solar symbol.

The serpent wrapped around a tree or rod symbolizes the union of the male and female aspects of the soul into the perfected or Luminous state. Hence why the Nadderd/Druids [serpents] had the serpent wrapped around the rod as their main symbol.

The Primordial title for our God is the " Agathodaemon." The Shining or Luminous Serpent.

Our ancestors never mentioned physical death originally. They just wrote about entering the joyous light and becoming immortal, eternal beings. The light is of the serpent. The perfected life force.

The title for Gods in the Primordial Tradition translates out to the Luminous Serpents. The Serpents of light. This is what we transform ourselves into as well by the Great Perfection. With as mentioned comes the supernormal powers. That where well known in the ancient world.

I think the both of you need to shut the fuck up and sit down. (Blackkat and Cobra.) Blackkat, you are acting as though you are having some kind of mental break down, even going as far to yell at an HP. HoodedCobra is making a big deal out of something that should be paid minimal attention towards. It's not a big deal, it's a video. We are Spiritual Satanists. We fight for Satan, for Adolf Hitler. We aren't here to debate over some stupid video. Do you think Satan is smiling at this clapping, going "Good job everyone, this is just what I wanted!" I'm sure he isn't. But I'm sure the Jews are pretty damned happy seeing us tear our selves apart like a pack of hungry wolves.

I'll try to keep this short, and say we have a cause to fight for, a serious cause. We are fighting for Satan, for humanity, for our very souls, and self worth. And to finish Satan's work on us. (Reach the god head.) What I am trying to say, if you haven't grasped it already, stop fighting over this. Grow up, turn around, and stop trying to tear each other apart every damned chance you get. These groups were not created for your bitch fests. If you two really want to fight this out, do it privately, just remember. You're wasting precious time you could be using to fight for Satan. That is all.

HAIL SATAN!

So I began thinking about this, now that we've brought up National Socialism and Savitri Devi, but I was wondering about the USA.

Don, I know you've written on the Origins of America, the Founding Fathers and even before. I want to be a Nationalist. I know the current NSM here sucks and our Anti Christ is gonna change it with us, but with USA being Israel's bitch, and our political system worse than ever, there's not a lot to be proud of. And its very hard because I think about America every day. At my core, I love this land. I love the state I was born in (WI) and the state I was raised my whole life (MN). I look at Greece and am proud of our Brothers and Sisters and The Golden Dawn. I look up to those proud Nationalists and wonder how I can be one..

Any thoughts would be appreciated.

You see, I noticed you have mental problems and cannot communicate. These probably follow into your spiritual sense and general perception. In all of it, you think I'm causing things or I'm the source of something, only existing and stemming from your mind. Probably I never paid two minutes even in it.

As about who the 'Wanna be HP' is, maybe someone in your own circles is this and is just pissed off at me...Check the sites and blogs 2009 and if your hospital mind case does not recognize the Wanna Be HP case, and what you see does not convince you, then it's up to science, not me. Another spiritually and mentally morbid, stuck mid-twenties problematic kid. That has a fetish to smear all that is above her, just as a pathetic existence.

Any and all vain whores think that I could actually raise a spiritual, physical finger, or even pay attention to their drama. I have no time for problematic bitches and nuts, all I tell you. You can do all the cryposts you desire.

My first comment was only about the video, you took it personally because you or someone you know has a problem with me. Judging by that you're not able to even talk, it's evident how problematic you are.

As about support from Clergy, I do not need support in dealing with mentally disabled minions and people who have personal issues and jealousy with those that advance or do something better with their lives.

You're so pathetic that I have nothing else to say to you. You're just exposing yourselves for the retards you are. I really have no other words. Bunch of kids, sitting behind computers and trying to get big names of themselves, sites, alliances, this that. Then they fuck it all up because they cannot even think properly and their peanut brain blames someone else.

And its not by coincidence all this drama is coming from the same mid 20's year olds that want an online name, an online alliance or something to feel important for in the internet. No better than a useless geek wanting to be strong in an online game. You feel like I'm the enemy in the online game you live. You're like in your mid twenties and all you do, aside with other friends, is be a physical failure and pretend you're an internet authority. Refrain from telling me shit, as I fear nothing as long as I haven't committed anything. It has proven that what you all think is hidden, your opinions and lies, always come in surface and fuck you up. No better than those whom you try to blame, at every and all times.

It must give you grief that I'm on another level given your desire to drag me down to your stupid bullshit, without evidence, just outright attack. No you double digit IQ kat, I will not stop because some nuts want to keep anyone to their own level. And try to accomplish this with atrocious lies, crap etc.

Lastly, at your pathetic, under the belt attempt (which shows what a rat you are in the mind) that I talk with the gibbons...You're so pathetic I will just let you talk on your own from now on and let the Gods deal with it, if they spare some time for you.

Also if your useless existence thinks that I will stop advancing or anything, because some useless life forms indicate as such, wake up and turn the lights on. Because it seems that's your petty desire after all.

Yes, I realized you are an attention whore, but you will have to get your attention from somewhere else. Nuts like you exist everywhere, I am used to it.

Consult a psychiatrist from now on.

HAIL SATAN!!!!

Subject: Re: Hitler Day

I understand and I know how you can.

Think in what we are doing: we are bringing the Golden Age. Our problems are not yet finished and we are not yet living in the Satanic World we want so much, but not make us feel more confident and prouds, ok?

So, you are aware of the actual status of USA as I am with Portugal, the land of my ancestors.

We are not happy with it, and our will is to better our race and our land, we think how they will be in the Golden Age: this is my vision of Nationalism. It can be more looks more intellectual than practical, but I think: when one of our brothers, doing a awakening or destruction ritual, thinking generally, you are thinking in all gentiles too, but specially in your own.

I know the current NSM here sucks and our Anti Christ is gonna change it with us, but with USA being Israel's bitch, and our political system worse than ever, there's not a lot to be proud of. And its very hard because I think about America every day. At my core, I love this land. I love the state I was born in (WI) and the state I was raised my whole life (MN). I look at Greece and am proud of our Brothers and Sisters and The Golden Dawn. I look up to those proud Nationalists and wonder how I can be one..

America, Liberty, And The Enemy

This is from an another egroup.

When the Jews created and ran the Soviet Jewion. They pushed the exact same race mixing programs on the population. They worked to turn national and racial pride into a negative while encouraging the where all one, equal, Soviet people crap instead. The Liberal system formed the core of the USSR.

Today in the West we are under the same articles of law the Constitution of the USSR was drafted on. They might as well just stamp the Communist flag over the American one. They have already done this politically, legally, ideologically and economically. Right now we are literally under the ten planks of the Communist manifesto.

Liberal is just another way to say Communist. The Communist ideal was simply a strategy to create a society built solely upon the ideology of Liberalism of the claimed enlightenment period, within an industrial age society. The Liberal state has to be ultimately in the end, totalitarian to sustain its principals and vital existence. Even Voltaire mentions this in his way. People don't catch onto this because they get confused by the schizophrenic nature of Liberalism. It talks out of both corners of its mouth at the same time. Its secular Christianity after all.

Liberalism is Christianity without the Christ:

<http://groups.yahoo.com/group/JoSNewsletter/message/290>

We can see today the Liberal Left is the one always pushing for a totalitarian

state while screaming freedom, individual rights etc. You have the right to say and do what they fucking want or else. That's their offer of freedom. The freedom to be a slave. You can't debate with the mentally insane. The Xians scream love, peace and freedom while doing the same. Of course the Jews pushing this at the top know what they are doing.

The Founding Fathers where not Liberal. They rejected the core principals of Liberalism. What they where on the other hand where Satanists. Who stated America was created upon the laws of nature. The laws of the universe and symbolized this with the ancient symbol of the eternal religion of nature. The Scales of Maat. Which also relates to spiritual evolution. The name they chose for their new Nation, America. Also denotes the Serpent. The mainstream tale of Amerigo Vespucci, turned out to be a fraud upon investigation. The Eagle of the Nation is the symbol of the reborn and perfected soul. Its meaning is the same as the Phoenix.

The Real American Revolution:

<http://groups.yahoo.com/group/JoSNewsletter/message/252>

The personal liberty they gave was a recognition of natures order. Each individual has their own soul nature and the right to develop themselves and improve in harmony with their nature. The highest goal of this being the enlightenment of the individuals soul via the Magnum Opus. Jefferson who was also a Mason stated the Liberty being mentioned by the Founders was the essence of spiritual Liberation. The Magnum Opus of Satan is what grants true Freedom or Liberty.

The society model was a meritocracy as it always was in the Pre-Christian world. Which allows for the proper functioning of society in harmony with the higher laws of nature. Societies which deny this eternal principal always stagnate and fall. Because nature removes them from the life cycle. Stagnation equals death.

This where people get caught up thinking the Founders were Liberals. And of course they are deluded people and purpose-fool liars to help promote this ideal, intergenerational.

The two major symbols all over the capital building left to us by the Founders, are the Swastika and the Fasces. The Fasces is also a spiritual symbol and also symbolized the power of the Roman state and law. As well as a unified nation. The Founders stated they used the Roman model to base their state upon.

The Roman Republic was ruled by the Roman Aristocracy, the Priest families. Those who had achieved high levels of the Perfection of the soul or the highest levels. The Founders created a system originally where America would have the same. By putting Mason Lodges in every town and city. It was understood everyone in the upper-class and in the Government would be spiritually advanced and practicing people. Which was the model of the ruling classes in the pre-Christian world.

The Jews got in their and worked to corrupt everything. The Jews had Liberals in America as well pushing for the same race mixing shit and universal egalitarianism they do today. Even the slogan put upon the Statue of Liberty was slapped on there by a Jewish Communist. There never has been an actual difference between Liberal and Communist ideology only in implementation of the ideology. All such paths lead to Jew World Order.

The Real American Revolution

"Following their victory in the Revolutionary War, two important documents were drawn up by the Freemasons in Philadelphia, a city ostensibly named after Philadelphes, the name of the "Supreme Secret Society" of Freemasons in France."

"The first of their documents, the Declaration of Independence, was authored principally by the Freemason Thomas Jefferson and signed primarily by the high ranking Freemasons, of the 56 signers of the document, 50 were Freemasons, including the Grandmaster John Hancock.."

"After the Philadelphia Convention the government of the United States began to take concrete form as the country's first President, the Freemasonic Grandmaster George Washington, was sworn in by Robert Livingston, Grandmaster of the New York Lodge. With hordes of attending Freemasons cheering the inauguration, a new "Nation of the Phoenix" was officially born."

Five city squares of Philadelphia were designed to perfectly match the Five major stars of Orion.

"When the wheels of the United States government finally began to turn, the new institution resembled one huge Freemasonic Lodge. Most of the high ranking officials in all three branches of government were either Freemasons or allied with the principles of Freemasonry. While the Grandmaster Washington was presiding over the Executive Branch of the government, John Marshall, a brother master mason from Washington's Virginia Lodge, was chairing the Judicial Branch as its first Chief Justice. The majority of lawmakers in the House of Representatives and Senate were also Freemasons."

We have built no TEMPLE but the Capitol. We consult no common oracle but the Constitution." Rufus Choate

Jefferson described the Capitol as a Temple to sovereign liberty. This liberty is something much deeper than believed at face value. Jefferson believed true liberty was only possible through the enlightenment [perfection] of the being and the spiritual liberty or liberation that comes with it. Jefferson was as mentioned a high ranking Mason and one of the greatest geniuses to have ever lived. This was the deep spiritual knowledge of the other Founding Fathers as

well.

The Masonic Founders build their great Temple in the form of the Capitol building in Washington. Its construction is identical to the layout of the diagram of the body as found in Luxor in Egypt even the blue prints of Luxor perfectly overlay the Capitol building as the ancient temples of the Serpents where always build as diagrams of the human being with the formula of the Great Perfection encoded within.

In the Capitol we find the following under the central dome in the lowest level Washington's tomb but yet he was buried at Mt. Vernon and a floor above this the crypt[in a civic building] which is actually a temple to the Priest King and God ruler of Atlantis Poseidon. It contains forty high detailed stone pillars and stone flooring with beautiful chandeliers hanging it was modeled after the famed temple of Poseidon in ancient Athens. In the center of the floor of this structure is a white star called the "Seed Of Washington" of which all the mile markers for Washington D.C are measure from.

"Neptune[Poseidon in Greek] was simply the Sumerian Enki by another name and form.

Like his counterpart Enki, Neptune was principally associated with the seas although he was also known by his devotees as the Lord of the Earth. The identity of Neptune as king of the World is revealed by Greek names, such as Enosichthon, meaning "Earth Shaker." A title that obviously links him to Lucifer."-Pinkham

The major case for Atlantis being in the West is made in Plato's works the Timaeus and Critias and these accounts are based upon the Egyptians record. But that is not what the Egyptian record documents on the subject. The Egyptian record documents the opposite the Egyptians origins are in the East the 'Land of the Gods,' Pa-Nuter. Which is modern India of which the it has been shown to share an identical culture:

<http://groups.yahoo.com/group/JoSNewsletter/message/214>

Satan was the Priest King of Atlantis, known as The Peacock King [Melek Ta'us]

among other titles all the surviving traditions still directly linked to this area specifically state it as so.

Washington is also seen in the image of a statue as the embodiment of Zeus seated, making the same sign of "As above so below."

One floor above is the rotunda the black and white floor lays the hallway leading into it. Directly above this is the mural called the "Apotheosis Of George Washington." Apotheosis means "Man into God." On the floor of the rotunda in the direct center inline with the white star below and Washington image in the solar image above in a central axis.

The painting upon this dome shows Washington in the center depicted as a resurrected Godman wearing a purple robe which is the traditional symbol for the resurrected being or perfected being, it's a sign of divinity. The Roman Emperor who was also the High Priest wore this and certain high ranking Druids also wore such robes as mark of having achieved a high spiritual level. Washington is also making the traditional sign of Hermeticism seen in the Baphomet.

Note Traditionally in the Christianized West it was always Christ shown in such imagery, meaning that Washington was purposely put in place of the Christian Messiah. Along with the Pagan Gods[Demons by the Catholic confession] where being honored and revered in the capitol building. With Neptune[Satan among them].

Other aspects of this mural is Washington is shown sitting on a throne placed upon a rainbow bridge surrounded by thirteen "star maidens" each with a star painted near their heads, this symbolizes the thirteen major steps of the Magnum Opus and stands for the thirteen major energy centers in the human body which must be fully empowered in order to reach the perfected state.

Four of these maidens[four is the number of Satan, the 4 elements of creation.etc] are shown holding a banner over Washington that states: E pluribus unum Latin for "Out of many, one" this has to do when all the centers

become as one with the finishing of the Magnum Opus.

The rainbow bridge Washington sits upon is the symbol of what is called the "Rainbow body" in Tibet, in Bon and also depicted other traditions such as the Norse/Germanic Bifrost bridge.

In Bon the ancient religion of Tibet which was suppressed by Buddhism. The Goal of a Yogi or adept was to ascend and reach the highest state of the Magnum Opus, what the Tibetans called Dzogchen[Great Perfection]. Many images of Lama's [ones who had ascended the Kundalini Serpent] are shown in a radiant circle of the five lights of the rainbow body.

The five lights being the purified elements and centers. I mention Bon as its one of the most ancient still surviving traditions today and states it was founded seventeen thousand years ago by the God Mura [Amon Ra].

Tibet was such an important area of surviving ancient Aryan spiritual knowledge that Himmler sent an SS expedition to the country and where received as friends and made allies with the Dalai Lama. Many Monks returned with them back to Berlin to instruct and share spiritual knowledge with the SS. It's a little known fact the SS officers were all required to have a daily practice of this process on orders from Himmler, himself an adept of the Thule Society. Today they have found the evidence that Aryans once lived across the entire Eastern and far Eastern regions in powerful civilizations from the Himalayas to North China. Before disappearing over time due to mixing in with the Mongoloid races of the area's and events forcing them to seek other lands. But passing their culture into the regions to this day in varying aspects of degrees. It was found the upper classes of the Tibetans possess Aryan genes in a larger degree to the lower classes who were purely racially Mongoloid.

Theos. Bernard an American Yogi living in his Guru's ashram in India in the early to mid part of the last century. Was told by his Indian mentor to obtain full knowledge and the highest levels he must travel into the Himalayas into Tibet.

More on this state:

In Sufism it is called "the most sacred body" and the "supracelestial body." Taoists call it "the diamond body," and those who have attained it are called "the immortals" and "the cloud walkers." Yogic schools and Tantric's call it "the divine body." The ancient Egyptians called it "the luminous body or being" or the karast. This conception evolved into Gnosticism, where it called the "radiant body." In the Mithraic liturgy it was called the "the perfect body.". In the Hermetic Corpus, it is called "the immortal body." In the alchemical tradition, the Emerald Tablet calls it "the golden body."

Namkhai Norbu Rinpoche stated in Dream Yoga and the Practice of Natural Light:

Body of Light: Tibetan, ja-lus. Also known as the "rainbow body." Certain realized beingachieve the transformation of their ordinary bodies into a Body of Light."

How this process works:

<http://groups.yahoo.com/group/JoSNewsletter/message/176>

In the painting of Washington that Dolly Madison saved from the British that hung in the White House. President Washington was shown standing with a Caduceus beside him encoded in the table leg and a rainbow surrounding him in the background. This as stated is identical to the images of the Lama's in Tibetan Bon. And other famous images in the West.

Further into this mural. beneath and around the scene mentioned are six sections of images containing Pagan Gods they are Thoth, Poseidon[Satan], Vulcan, Persephone and Athena[shown instructing Benjamin Franklin]. The sixth image is the image of Freedom. These are the traditional five Gods of the alchemy of the soul or the pure lights. The sixth image being of quiescence and the spiritual freedom that comes from the Magnum Opus. True Liberty.

The different scenes also from into a seven vignettes which correspond to the seven major charka's along the spine and the seven alchemical states of purification of them.

The images in the mural form the pentacle of the five elements and the star as seen in Astaroth's sigil. They also form the pentagram the symbol of drawing the energy down from above into the head and down the spinal column opening the centers in the proper form. The two images overlapping are identical in symbolism of the Mendes Goat with the five pointed star upon its forehead.

Next under this we see seventy two, five pointed stars[pentagrams] which represent the seventy two steps of Godhead also called the "seventy two" names of God which are the Goetia Demon Sigils. Not the corrupted Hebrew version. The pentagram is also the symbol of Lucifer as it marks the orbit His planet Venus makes.

The Dome shape is based upon sacred geometry it is the Pyramidal principal or receiver this is why we have an empty tomb in the lower level that center axis is perfectly inline all the way up the other floors to the center of the dome where Washington is sitting ascended as a God. Washington is not in his tomb because he has been resurrected and is placed upon the top of the dome.

The ancient Egyptians believed their Pharaohs where reborn as Stars. Perfected beings the Pharaohs where the High Priests of the Egyptians.

The reality the dome acts a receiver for an energy vortex which spins around this central axis is important as in the ancient Pyramid the initiate would lay in the Kings chamber[or tomb] in the open sarcophagus and the central axis of the pyramid would line up with the center of their forehead and send this massive spiral of energy into the head activating the psychic seat of the soul the pineal gland and flooding the system with a massive wave of energy helping to ascend and awaken the Kundalini power.

The three floors also represent the trinity of the soul the trine aspect of the male, female and central channel, the three male and female centers and the three knots the kundalini must pass thought to reach the crown and obtain Apotheosis as seen at the top of the third level.

This dome is also shaped to represent the "Cave of Brahma" where the pineal gland resides. You can see the numerous amounts of pinecone symbolism within the dome. The architecture in the dome is identical to the court of the pinecone in the Vatican in this sense which is blatant [just as the Popes staff] in its meaning. The pinecone is the ancient symbol of the psychic seat of the soul, the pineal gland even the name pineal comes from the term pinecone.

Not too far away is the Washington monument which is a large obelisk that acts to draw power up from the earth and send it to the dome.

"A motion was introduced in Congress by Freemason John Marshall to erect a memorial in honor of the first president. It was decided that the most appropriate monument for the late Grandmaster Freemason was the Egyptian "frozen snake," the obelisk. Soon afterwards, in 1793, a special ceremony was held in which the Freemason Robert Mills used square, level and plumb, the symbolic tools of Freemasonry, to lay the cornerstone of what was to become a 600 foot obelisk.. The tallest structure of its kind in the world."

"A curious piece of the Masonic puzzle is the actual street layout for our Capital city, Washington, D.C.. You see, the city was laid out in the form of the central Masonic Symbols, the Square, the Compass, the Rule and the Pentagram.

"Take any good street map of downtown Washington, D.C. and find the Capitol Building. Facing the Capitol from the Mall and using the Capitol building as the head or top of the Compass, the left leg is represented by Pennsylvania Ave. and the right leg, Maryland Ave. The Square is found in the usual Masonic position with the intersection of Canal St. and Louisiana Ave. The left leg of the Compass stands on the White House and the right leg stands on the Jefferson Memorial. The circle drive and short streets behind the building form the head and ears of what Satanists call the Goat Of Mendes.

"Sitting on top of the White House is an inverted 5 pointed star, or Pentagram. It faces North, with the point down in true occult fashion. It sits within the intersections of Connecticut and Vermont Avenues north to Dupont and Logan Circles, with Rhode Island and Massachusetts going to Washington Circle to the West and Mt. Vernon Square on the East.

"The Pentagram or five-pointed star is, of course, both a Masonic symbol and the ancient symbol of witchcraft. With its point facing down (or south, when placed on the ground) it is especially associated with Satanism. It is also the emblem of the Eastern Star, the women's Masonic organization.

"The center of the pentagram is 16th St. where, thirteen blocks due north of the very center of the White House, the Masonic House of The Temple sits at the top of this occult iceberg.

"The Washington Monument stands in perfect line to the intersecting point of the form of the Masonic square, stretching from the House of the Temple to the Capitol building. Within the hypotenuse of that right triangle sits many of the headquarters buildings for the most powerful departments of government, such as the Justice Dept., U.S. Senate and the Internal Revenue Service. [1]

On the top of the dome is the statue of Freedom which is a Goddesses depicted wearing a crown of stars [the rays of the halo of the ascend Kundalini power] and is seen in the most famous role as the Statue of Liberty in New York built by a fellow French Free Mason Frederic Bartholdi. The rays of the crown of Her statue are the risen Kundalini power and the torch she holds the eternal flame of life it brings. The chains about Her are broken as she has been liberated with the Magnum Opus. Many times Liberty is shown wearing the Mithriac cap of the Masons.

Who is this Great Goddesses of America?

Writes James Lloyd in Beyond Babylon:

"Auguste Bertholdi was a member of the cultic Masonic Lodge in Paris, a . . . secret international brotherhood linked to the ancient builders of the pyramids and the cathedrals' [quoted from Statue of Liberty, by Weisberger]; and as a result, fellow members of the mysterious order of Masons . . . were frequently involved with the creation of the structure, and the various ceremonies that were dedicated to it' [ibid., p.44]. For example, the pedestal was built by another mason named Richard Hunt, and the design came from his study of . . . pyramids, ziggurats, and other . . . styles' [Statue of Liberty video]. You'll recall The Tower of Babel was a ziggurat; and of course, the Statue of Liberty is actually a tower" (Beyond Babylon, p.103).

As the obelisk was completed in the 1880's, a number of American clergymen were upset that a "pagan goddess" was being placed on American soil. The Masonic Lodge, in the meantime, kept a low profile to avoid unnecessary controversy, just as they did when they planned the Washington monument, another Egyptian obelisk symbolizing the rays of the Egyptian god shining down and enlightening mankind.

The Masons, of course, trace the origin of their secret society back to king Solomon, and from him back to ancient Egypt. Says Alexander Hislop in his magnificent book, "The Two Babylons," concerning the origins of Masonry:

"It is admitted that the secret system of Free Masonry was originally founded on the MYSTERIES OF THE EGYPTIAN ISIS, THE GODDESS-MOTHER, OR WIFE OF OSIRIS. But what could have led to the union of a Masonic body with these Mysteries

As Hislop shows, Isis is the Egyptian name for the Babylonian goddess Ishtar, who is also the same as Athena (Greece), Minerva (Egypt and Greece), Astarte (Syria), Cybele (Rome), Ashtoreth (Canaan), and Diana (Ephesus). This statue of the pagan Madonna, the Statue of "Liberty," is a statue of this same ancient pagan "Queen of Heaven," the wife of Nimrod, or Semiramis!

"Astaroth has been known as a Goddess of fertility, love, and war. The clusters of three dots at the points of the star of her sigil are extremely ancient and denote her high spiritual rank. Her Sumerian title "Queen of Heaven" was stolen by Christians and used for their fictitious "Virgin Mary."

The Statue of Liberty in the New York Harbor is Astaroth and she is the Patron of the USA. Her number is eight and is associated with wealth."-HP Maxine

The platform the Statue of Liberty stands on is built in the 8 pointed star of Astaroth as well.

This Goddesses so many times enshrined in America by the Founders is Astaroth. She is so beloved that in Nashville Tennessee the Masons built a perfect replica of the Parthenon. Her famous Temple that stood in classical Greece. The Tennessee Temple holds one of the largest standing statues in the Western world. Of Athena[Astaroth] standing leafed in gold holding Nike a statue six feet tall

in her hand. Beside her is the Her golden serpent raised next to her rod. The kundalini power:

[http://en.wikipedia.org/wiki/Parthenon_\(Nashville\)](http://en.wikipedia.org/wiki/Parthenon_(Nashville))

Astaroth is the protector of America.

We have built no temple but the Capitol. We consult no common oracle but the CONSTITUTION." Rufus Choate

The other famous Goddesses in America is shown as Justice who is in reality the Goddesses Maat. Holding the scales of Maat, divine justice and order. It is Maat who is shown in the Capitol building guarding the constitution.

To the Egyptian mind, Maat bound all things together in an indestructible unity: the universe, the natural world, the state, and the individual were all seen as parts of the wider order generated by Maat.[2]

This means living in harmony with the cosmic order of the universe. Spiritual advancement of the individual being was crucial to the Laws of Maat.

"The rituals of Free Masonry where designed to influence the body so that "evolution may be quickened."-Charles Leadbeater

The most famed seal on the American dollar bill is based upon the original of the same seal drafted in the 18th century by the Founders working in 3 committees of thirteen men, it was Charles Thompson who submitted the final design.

The famed pyramid on the seal has 13 levels or steps representing the thirteen steps of the Magnum Opus with 72 granite stones. Which represent the 72 steps of the Godhead:

Manly P. Hall's "The Secret Destiny of America" has an interesting interpretation of the 72 stones in pyramid of the Great Seal. He sees them corresponding to the 72 arrangements of the Tetragrammaton, or the four-lettered name of God[my note ENKI] which represents, in turn, the laws, powers, and energies of Nature by which the perfection of man is achieved. - William Henry

Above this is the all seeing eye representing the all knowing state and that comes with completing the Godhead. Pike writes that the keystone[capstone] is the symbol of the energies of Lucifer perfected and the Perfection finished. This is the ancient symbol of the Temple of Sol-om-on the enlightened human soul the inner sun perfected . Our word for soul comes from Sol the Latin term for sun:

"I have every hope that the grand work we have done today will be handed down to a late posterity, as the like work of that ever memorable temple to our order erected by our ancient Grand Master Solomon." Maryland Grand Master Joseph Clark, September 18, 1793, at the laying of the cornerstone of the Capitol.

They were building the New Atlantis.

The Jews have stolen and corrupted this allegory into some horrid:

<http://groups.yahoo.com/group/JoSNewsletter/message/230>

On the symbolism on the rest of the dollar bill we see an Eagle:

Manly P. Hall states:

The hand of the mysteries controlled in the establishment of the new government for the signature of the mysteries may still be seen on the Great Seal of the United States of America. Careful analysis of the seal discloses a mass of occult and Masonic symbols chief among them, the so-called American Eagle. ... the American eagle upon the Great Seal is but a conventionalized phoenix..."

"Not only were many of the founders of the United States government Masons, but they received aid from a secret and august body existing in Europe which helped them to establish this country for A PECULIAR AND PARTICULAR PURPOSE known only to the initiated few."

SOURCE: Manly P. Hall, The Secret Teachings of All Ages, pp. XC and XCI

The original images of the seal from the time of 1776 to 1782 was the Phoenix not the eagle. The Phoenix is an ancient symbol of alchemy the death rebirth

and immortality thought the fires of the kundalini energy. Apotheosis.

With the eagle it holds in one talon it holds an olive branch with 13 leaves and the other 13 arrows, there are also 13 stripes on the shield the stripes represent the ying and yang of the soul also depicted in the black and white checkerboard pattern on the Masonic floors. There are also 13 letters in "E Pluribus Unum" on the ribbon. And there are 13 stars in the star above the Eagle head within a six pointed star which has six points, six angles and six planes which adds to the sum total of the sun square or 666 the number of the Sun or Sun God the alchemically perfected human, the Gold in the work. There is also a small owl which appears in the just to the left of the "1" which appears on the upper right hand corner of the Dollar Bill. The Owl is a symbol of Astaroth[Athena]. And deals with the energies of the kundalini.

Where did the Founders use "Novus Ordo Seclorum" from? Charles A.L Totten:
In his letter to the Sectary of the Treasury Charles .J .Folger on Feb 10 1882
he states:

Novus Ordo Seclorum is a quotation from the 4th Eclogue and was borrowed in turn by Virgil from the mystic Sibylline records [Sibyl was an ancient Goddess]

A mighty order of ages is born anew. Both the prophetic Virgin and Saturnian kingdoms now return. Now a new progeny is let down from the lofty heavens.

The boy soon to be born in whom the iron age shall come to an end, and the golden one shall arise again in the whole earth.

More into this passage:

Whatso tracks remain of our old wickedness, once done away, shall free the earth from never-ceasing fear.

He shall receive the life of gods, and see heroes with gods commingling, and himself be seen of them.

And with his father's worth reign o'er a world at peace.

What are the Founders telling us in all of this?

The Founders by their own admission and evidence left us an important message in their symbols and buildings that America was the New Atlantis in which Humanity would break free of the spiritual slavery of the enemy and create a New Order that would usher in the Golden Age of humanity, the Age of Lucifer when the Great Perfection would be finished and paradise would reign. They left the science of Satan's Great Working encoded in the Capitol building of the Nation as a temple to Him and the perfection of the human soul.

The Founders fought a Revolution for Satanic Spiritual Evolution.

I note the "America, Liberty, And The Enemy." Article really spazed the jooz out, along with my recent observations on the "gay life style" being jewish crap along with "gay marriage" being confused liberal nonsense [outside economic status]. And and the entire gay rights deal being jewish cultural marxist- ultra left trojan horse.

Made the jews spaz into orbit.

This gets at the major programs they are pushing right now in the Western world. Under the freedumb, tolerance, equality, universal egalitarianism, buttpluggery. Because its slop for people who like to use their heads as personal buttplugs crammed up their own ass all the day long. The jews have never believed a word of this shit think they pile on the Goyium. They know they created it to break us down with. Thats why the jooz state of pissisreal has the polar opposite system to this crap they push in our societies.

I note the gay marriage, deal sent them into spaz city. Because it dismantles a major angle they play [which has taken religious tones] and puts things back into the proper context of the Eternal religion of Nature of the Dharma Tradition. In which marriage was based upon procreation along strict meta-eugenic lines. No racial mixing and within the race strict observation of meta-genic hierarchy. Which gets back into Aristocracy. Built upon Arya Dharmic Tradition.

Everything the jew has been psychotically attacking for centuries in their race war on Gentiles. The kikes have a strange jewdar for the truths which threaten their bullshit, shit think, programs the most.

America, Liberty, And The Enemy

This is from an another egroup.

When the Jews created and ran the Soviet Jewion. They pushed the exact same race mixing programs on the population. They worked to turn national and racial pride into a negative while encouraging the where all one, equal, Soviet people crap instead. The Liberal system formed the core of the USSR.

Today in the West we are under the same articles of law the Constitution of the USSR was drafted on. They might as well just stamp the Communist flag over the American one. They have already done this politically, legally, ideologically and economically. Right now we are literally under the ten planks of the Communist manifesto.

Liberal is just another way to say Communist. The Communist ideal was simply a strategy to create a society built solely upon the ideology of Liberalism of the claimed enlightenment period, within an industrial age society. The Liberal state has to be ultimately in the end, totalitarian to sustain its principals and vital existence. Even Voltaire mentions this in his way. People don't catch onto this because they get confused by the schizophrenic nature of Liberalism. It talks out of both corners of its mouth at the same time. Its secular Christianity after all.

Liberalism is Christianity without the Christ:

<http://groups.yahoo.com/group/JoSNewsletter/message/290>

We can see today the Liberal Left is the one always pushing for a totalitarian state while screaming freedom, individual rights etc. You have the right to say and do what they fucking want or else. That's their offer of freedom. The freedom to be a slave. You can't debate with the mentally insane. The Xians scream love, peace and freedom while doing the same. Of course the Jews pushing this at the top know what they are doing.

The Founding Fathers where not Liberal. They rejected the core principals of Liberalism. What they where on the other hand where Satanists. Who stated America was created upon the laws of nature. The laws of the universe and

symbolized this with the ancient symbol of the eternal religion of nature. The Scales of Maat. Which also relates to spiritual evolution. The name they chose for their new Nation, America. Also denotes the Serpent. The mainstream tale of Amerigo Vespucci, turned out to be a fraud upon investigation. The Eagle of the Nation is the symbol of the reborn and perfected soul. Its meaning is the same as the Phoenix.

The Real American Revolution:

<http://groups.yahoo.com/group/JoSNewsletter/message/252>

The personal liberty they gave was a recognition of nature's order. Each individual has their own soul nature and the right to develop themselves and improve in harmony with their nature. The highest goal of this being the enlightenment of the individual's soul via the Magnum Opus. Jefferson who was also a Mason stated the Liberty being mentioned by the Founders was the essence of spiritual Liberation. The Magnum Opus of Satan is what grants true Freedom or Liberty.

The society model was a meritocracy as it always was in the Pre-Christian world. Which allows for the proper functioning of society in harmony with the higher laws of nature. Societies which deny this eternal principle always stagnate and fall. Because nature removes them from the life cycle. Stagnation equals death.

This where people get caught up thinking the Founders were Liberals. And of course they are deluded people and purpose-fool liars to help promote this ideal, intergenerational.

The two major symbols all over the capital building left to us by the Founders, are the Swastika and the Fasces. The Fasces is also a spiritual symbol and also symbolized the power of the Roman state and law. As well as a unified nation. The Founders stated they used the Roman model to base their state upon.

The Roman Republic was ruled by the Roman Aristocracy, the Priest families. Those who had achieved high levels of the Perfection of the soul or the highest levels. The Founders created a system originally where America would have the same. By putting Mason Lodges in every town and city. It was understood everyone in the upper-class and in the Government would be spiritually advanced and practicing people. Which was the model of the ruling classes in the

pre-Christian world.

The Jews got in their and worked to corrupt everything. The Jews had Liberals in America as well pushing for the same race mixing shit and universal egalitarianism they do today. Even the slogan put upon the Statue of Liberty was slapped on there by a Jewish Communist. There never has been an actual difference between Liberal and Communist ideology only in implementation of the ideology. All such paths lead to Jew World Order.

The Real American Revolution

"Following their victory in the Revolutionary War, two important documents were drawn up by the Freemasons in Philadelphia, a city ostensibly named after Philadelphes, the name of the "Supreme Secret Society" of Freemasons in France."

"The first of their documents, the Declaration of Independence, was authored principally by the Freemason Thomas Jefferson and signed primarily by the high ranking Freemasons, of the 56 signers of the document, 50 were Freemasons, including the Grandmaster John Hancock.."

"After the Philadelphia Convention the government of the United States began to take concrete form as the country's first President, the Freemasonic Grandmaster George Washington, was sworn in by Robert Livingston, Grandmaster of the New York Lodge. With hordes of attending Freemasons cheering the inauguration, a new "Nation of the Phoenix" was officially born."

Five city squares of Philadelphia where designed to perfectly match the Five major stars of Orion.

"When the wheels of the United States government finally began to turn, the new institution resembled one huge Freemasonic Lodge. Most of the high ranking officials in all three branches of government were either Freemasons or allied with the principles of Freemasonry. While the Grandmaster Washington was presiding over the Executive Branch of the government, John Marshall, a brother master mason from Washington's Virginia Lodge, was chairing the Judicial Branch as its first Chief Justice. The majority of lawmakers in the House of Representatives and Senate were also Freemasons."

We have built no TEMPLE but the Capitol. We consult no common oracle but the Constitution." —Rufus Choate

Jefferson described the Capitol as a Temple to sovereign liberty. This liberty is something much deeper than believed at face value. Jefferson believed true liberty was only possible through the enlightenment [perfection] of the being and the spiritual liberty or liberation that comes with it. Jefferson was as mentioned a high ranking Mason and one of the greatest geniuses to have ever lived. This was the deep spiritual knowledge of the other Founding Fathers as well.

The Masonic Founders build their great Temple in the form of the Capitol building in Washington. Its construction is identical to the layout of the diagram of the body as found in Luxor in Egypt even the blue prints of Luxor perfectly overlay the Capitol building as the ancient temples of the Serpents where always build as diagrams of the human being with the formula of the Great Perfection encoded within.

In the Capitol we find the following under the central dome in the lowest level Washington's tomb but yet he was buried at Mt. Vernon and a floor above this the crypt[in a civic building] which is actually a temple to the Priest King and God ruler of Atlantis Poseidon. It contains forty high detailed stone pillars and stone flooring with beautiful chandeliers hanging it was modeled after the famed temple of Poseidon in ancient Athens. In the center of the floor of this structure is a white star called the "Seed Of Washington" of which all the mile markers for Washington D.C are measure from.

"Neptune[Poseidon in Greek] was simply the Sumerian Enki by another name and form.

Like his counterpart Enki, Neptune was principally associated with the seas although he was also known by his devotees as the Lord of the Earth. The identity of Neptune as king of the World is revealed by Geek names, such as Enosichthon, meaning "Earth Shaker." A title that obviously links him to Lucifer."-Pinkham

The major case for Atlantis being in the West is made in Plato's works the Timaeus and Critias and these accounts are based upon the Egyptians record. But that is not what the Egyptian record documents on the subject. The Egyptian

record documents the opposite the Egyptians origins are in the East the 'Land of the Gods,' Pa-Nuter. Which is modern India of which the it has been shown to share an identical culture:

<http://groups.yahoo.com/group/JoSNewsletter/message/214>

Satan was the Priest King of Atlantis, known as The Peacock King [Melek Ta'us] among other titles all the surviving traditions still directly linked to this area specifically state it as so.

Washington is also seen in the image of a statue as the embodiment of Zeus seated, making the same sign of "As above so below."

One floor above is the rotunda the black and white floor lays the hallway leading into it. Directly above this is the mural called the "Apotheosis Of George Washington." Apotheosis means "Man into God." On the floor of the rotunda in the direct center inline with the white star below and Washington image in the solar image above in a central axis.

The painting upon this dome shows Washington in the center depicted as a resurrected Godman wearing a purple robe which is the traditional symbol for the resurrected being or perfected being, it's a sign of divinity. The Roman Emperor who was also the High Priest wore this and certain high ranking Druids also wore such robes as mark of having achieved a high spiritual level. Washington is also making the traditional sign of Hermeticism seen in the Baphomet.

Note Traditionally in the Christianized West it was always Christ shown in such imagery, meaning that Washington was purposely put in place of the Christian Messiah. Along with the Pagan Gods[Demons by the Catholic confession] where being honored and revered in the capitol building. With Neptune[Satan among them].

Other aspects of this mural is Washington is shown sitting on a throne placed upon a rainbow bridge surrounded by thirteen "star maidens" each with a star painted near their heads, this symbolizes the thirteen major steps of the Magnum Opus and stands for the thirteen major energy centers in the human body which must be fully empowered in order to reach the perfected state.

Four of these maidens[four is the number of Satan, the 4 elements of creation.etc] are shown holding a banner over Washington that states: E pluribus unum Latin for "Out of many, one" this has to do when all the centers become as one with the finishing of the Magnum Opus.

The rainbow bridge Washington sits upon is the symbol of what is called the "Rainbow body" in Tibet, in Bon and also depicted other traditions such as the Norse/Germanic Bifrost bridge.

In Bon the ancient religion of Tibet which was suppressed by Buddhism. The Goal of a Yogi or adept was to ascend and reach the highest state of the Magnum Opus, what the Tibetans called Dzogchen[Great Perfection]. Many images of Lama's [ones who had ascended the Kundalini Serpent] are shown in a radiant circle of the five lights of the rainbow body.

The five lights being the purified elements and centers. I mention Bon as its one of the most ancient still surviving traditions today and states it was founded seventeen thousand years ago by the God Mura [Amon Ra].

Tibet was such an important area of surviving ancient Aryan spiritual knowledge that Himmler sent an SS expedition to the country and where received as friends and made allies with the Dalai Lama. Many Monks returned with them back to Berlin to instruct and share spiritual knowledge with the SS. It's a little known fact the SS officers were all required to have a daily practice of this process on orders from Himmler, himself an adept of the Thule Society. Today they have found the evidence that Aryans once lived across the entire Eastern and far Eastern regions in powerful civilizations from the Himalayas to North China. Before disappearing over time due to mixing in with the Mongoloid races of the area's and events forcing them to seek other lands. But passing their culture into the regions to this day in varying aspects of degrees. It was found the upper classes of the Tibetans possess Aryan genes in a larger degree to the lower classes who were purely racially Mongoloid.

Theos. Bernard an American Yogi living in his Guru's ashram in India in the early to mid part of the last century. Was told by his Indian mentor to obtain full knowledge and the highest levels he must travel into the Himalayas into Tibet.

More on this state:

In Sufism it is called "the most sacred body" and the "supracelestial body." Taoists call it "the diamond body," and those who have attained it are called "the immortals" and "the cloud walkers." Yogic schools and Tantric's call it "the divine body." The ancient Egyptians called it "the luminous body or being" or the karast. This conception evolved into Gnosticism, where it called the "radiant body." In the Mithraic liturgy it was called the "the perfect body.".... In the Hermetic Corpus, it is called "the immortal body." In the alchemical tradition, the Emerald Tablet calls it "the golden body."

Namkhai Norbu Rinpoche stated in Dream Yoga and the Practice of Natural Light:

Body of Light: Tibetan, ja-lus. Also known as the "rainbow body." Certain realized being...achieve the transformation of their ordinary bodies into a Body of Light."

How this process works:

<http://groups.yahoo.com/group/JoSNewsletter/message/176>

In the painting of Washington that Dolly Madison saved from the British that hung in the White House. President Washington was shown standing with a Caduceus beside him encoded in the table leg and a rainbow surrounding him in the background. This as stated is identical to the images of the Lama's in Tibetan Bon. And other famous images in the West.

Further into this mural. beneath and around the scene mentioned are six sections of images containing Pagan Gods they are Thoth, Poseidon[Satan], Vulcan, Persephone and Athena[shown instructing Benjamin Franklin]. The sixth image is the image of Freedom. These are the traditional five Gods of the alchemy of the soul or the pure lights. The sixth image being of quiescence and the spiritual freedom that comes from the Magnum Opus. True Liberty.

The different scenes also from into a seven vignettes which correspond to the seven major chakra's along the spine and the seven alchemical states of purification of them.

The images in the mural form the pentacle of the five elements and the star as seen in Astaroth's sigil. They also form the pentagram the symbol of drawing the

energy down from above into the head and down the spinal column opening the centers in the proper form. The two images overlapping are identical in symbolism of the Mendes Goat with the five pointed star upon its forehead.

Next under this we see seventy two, five pointed stars[pentagrams] which represent the seventy two steps of Godhead also called the "seventy two" names of God which are the Goetia Demon Sigils. Not the corrupted Hebrew version. The pentagram is also the symbol of Lucifer as it marks the orbit His planet Venus makes.

The Dome shape is based upon sacred geometry it is the Pyramidal principal or receiver this is why we have an empty tomb in the lower level that center axis is perfectly inline all the way up the other floors to the center of the dome where Washington is sitting ascended as a God. Washington is not in his tomb because he has been resurrected and is placed upon the top of the dome.

The ancient Egyptians believed their Pharaohs where reborn as Stars. Perfected beings the Pharaohs where the High Priests of the Egyptians.

The reality the dome acts a receiver for an energy vortex which spins around this central axis is important as in the ancient Pyramid the initiate would lay in the Kings chamber[or tomb] in the open sarcophagus and the central axis of the pyramid would line up with the center of their forehead and send this massive spiral of energy into the head activating the psychic seat of the soul the pineal gland and flooding the system with a massive wave of energy helping to ascend and awaken the Kundalini power.

The three floors also represent the trinity of the soul the trine aspect of the male, female and central channel, the three male and female centers and the three knots the kundalini must pass thought to reach the crown and obtain Apotheosis as seen at the top of the third level.

This dome is also shaped to represent the "Cave of Brahma" where the pineal gland resides. You can see the numerous amounts of pinecone symbolism within the dome. The architecture in the dome is identical to the court of the pinecone in the Vatican in this sense which is blatant [just as the Popes staff] in its meaning. The pinecone is the ancient symbol of the psychic seat of the soul, the pineal gland even the name pineal comes from the term pinecone.

Not too far away is the Washington monument which is a large obelisk that acts to draw power up from the earth and send it to the dome.

"A motion was introduced in Congress by Freemason John Marshall to erect a memorial in honor of the first president. It was decided that the most appropriate monument for the late Grandmaster Freemason was the Egyptian "frozen snake," the obelisk. Soon afterwards, in 1793, a special ceremony was held in which the Freemason Robert Mills used square, level and plumb, the symbolic tools of Freemasonry, to lay the cornerstone of what was to become a 600 foot obelisk.. The tallest structure of its kind in the world."

"A curious piece of the Masonic puzzle is the actual street layout for our Capital city, Washington, D.C.. You see, the city was laid out in the form of the central Masonic Symbols, the Square, the Compass, the Rule and the Pentagram.

"Take any good street map of downtown Washington, D.C. and find the Capitol Building. Facing the Capitol from the Mall and using the Capitol building as the head or top of the Compass, the left leg is represented by Pennsylvania Ave. and the right leg, Maryland Ave. The Square is found in the usual Masonic position with the intersection of Canal St. and Louisiana Ave. The left leg of the Compass stands on the White House and the right leg stands on the Jefferson Memorial. The circle drive and short streets behind the building form the head and ears of what Satanists call the Goat Of Mendes.

"Sitting on top of the White House is an inverted 5 pointed star, or Pentagram. It faces North, with the point down in true occult fashion. It sits within the intersections of Connecticut and Vermont Avenues north to Dupont and Logan Circles, with Rhode Island and Massachusetts going to Washington Circle to the West and Mt. Vernon Square on the East.

"The Pentagram or five-pointed star is, of course, both a Masonic symbol and the ancient symbol of witchcraft. With its point facing down (or south, when placed on the ground) it is especially associated with Satanism. It is also the emblem of the Eastern Star, the women's Masonic organization.

"The center of the pentagram is 16th St. where, thirteen blocks due north of the

very center of the White House, the Masonic House of The Temple sits at the top of this occult iceberg.

"The Washington Monument stands in perfect line to the intersecting point of the form of the Masonic square, stretching from the House of the Temple to the Capitol building. Within the hypotenuse of that right triangle sits many of the headquarters buildings for the most powerful departments of government, such as the Justice Dept., U.S. Senate and the Internal Revenue Service. [1]

On the top of the dome is the statue of Freedom which is a Goddesses depicted wearing a crown of stars [the rays of the halo of the ascend Kundalini power] and is seen in the most famous role as the Statue of Liberty in New York built by a fellow French Free Mason Frederic Bartholdi. The rays of the crown of Her statue are the risen Kundalini power and the torch she holds the eternal flame of life it brings. The chains about Her are broken as she has been liberated with the Magnum Opus. Many times Liberty is shown wearing the Mithriac cap of the Masons.

Who is this Great Goddesses of America?

Writes James Lloyd in Beyond Babylon:

"Auguste Bertholdi was a member of the cultic Masonic Lodge in Paris, a . . . secret international brotherhood linked to the ancient builders of the pyramids and the cathedrals' [quoted from Statue of Liberty, by Weisberger]; and as a result, fellow members of the mysterious order of Masons . . . were frequently involved with the creation of the structure, and the various ceremonies that were dedicated to it' [ibid., p.44]. For example, the pedestal was built by another mason named Richard Hunt, and the design came from his study of . . . pyramids, ziggurats, and other . . . styles' [Statue of Liberty video]. You'll recall The Tower of Babel was a ziggurat; and of course, the Statue of Liberty is actually a tower" (Beyond Babylon, p.103).

As the obelisk was completed in the 1880's, a number of American clergymen were upset that a "pagan goddess" was being placed on American soil. The Masonic Lodge, in the meantime, kept a low profile to avoid unnecessary controversy, just as they did when they planned the Washington monument, another Egyptian obelisk symbolizing the rays of the Egyptian god shining down and enlightening mankind.

The Masons, of course, trace the origin of their secret society back to king

Solomon, and from him back to ancient Egypt. Says Alexander Hislop in his magnificent book, "The Two Babylons," concerning the origins of Masonry:

"It is admitted that the secret system of Free Masonry was originally founded on the MYSTERIES OF THE EGYPTIAN ISIS, THE GODDESS-MOTHER, OR WIFE OF OSIRIS. But what could have led to the union of a Masonic body with these Mysteries

As Hislop shows, Isis is the Egyptian name for the Babylonian goddess Ishtar, who is also the same as Athena (Greece), Minerva (Egypt and Greece), Astarte (Syria), Cybele (Rome), Ashtoreth (Canaan), and Diana (Ephesus). This statue of the pagan Madonna, the Statue of "Liberty," is a statue of this same ancient pagan "Queen of Heaven," the wife of Nimrod, or Semiramis!

"Astaroth has been known as a Goddess of fertility, love, and war. The clusters of three dots at the points of the star of her sigil are extremely ancient and denote her high spiritual rank. Her Sumerian title "Queen of Heaven" was stolen by xians and used for their fictitious "Virgin Mary."

The Statue of Liberty in the New York Harbor is Astaroth and she is the Patron of the USA. Her number is eight and is associated with wealth."-HP Maxine

The platform the Statue of Liberty stands on is built in the 8 pointed star of Astaroth as well.

This Goddesses so many times enshrined in America by the Founders is Astaroth. She is so beloved that in Nashville Tennessee the Masons built a perfect replica of the Parthenon. Her famous Temple that stood in classical Greece. The Tennessee Temple holds one of the largest standing statues in the Western world. Of Athena[Astaroth] standing leafed in gold holding Nike a statue six feet tall in her hand. Beside her is the Her golden serpent raised next to her rod. The kundalini power:

<http://en.wikipedia.org/wiki/Parthenon> (Nashville)

Astaroth is the protector of America.

We have built no temple but the Capitol. We consult no common oracle but the CONSITUTION." —Rufus Choate

The other famous Goddesses in America is shown as Justice who is in reality the Goddesses Maat. Holding the scales of Maat, divine justice and order. It is Maat who is shown in the Capitol building guarding the constitution.

To the Egyptian mind, Maat bound all things together in an indestructible unity: the universe, the natural world, the state, and the individual were all seen as parts of the wider order generated by Maat.[2]

This means living in harmony with the cosmic order of the universe. Spiritual advancement of the individual being was crucial to the Laws of Maat.

"The rituals of Free Masonry where designed to influence the body so that "evolution may be quickened."-Charles Leadbeater

The most famed seal on the American dollar bill is based upon the original of the same seal drafted in the 18th century by the Founders working in 3 committees of thirteen men, it was Charles Thompson who submitted the final design.

The famed pyramid on the seal has 13 levels or steps representing the thirteen steps of the Magnum Opus with 72 granite stones. Which represent the 72 steps of the Godhead:

Manly P. Hall's "The Secret Destiny of America" has an interesting interpretation of the 72 stones in pyramid of the Great Seal. He sees them corresponding to the 72 arrangements of the Tetragrammaton, or the four-lettered name of God[my note ENKI]... which represents, in turn, the laws, powers, and energies of Nature by which the perfection of man is achieved. - William Henry

Above this is the all seeing eye representing the all knowing state and that comes with completing the Godhead. Pike writes that the keystone[capstone] is the symbol of the energies of Lucifer perfected and the Perfection finished. This is the ancient symbol of the Temple of Sol-om-on the enlightened human soul the inner sun perfected . Our word for soul comes from Sol the Latin term for sun:

"I have every hope that the grand work we have done today will be handed down...to a late posterity, as the like work of that ever memorable temple to our order

erected by our ancient Grand Master Solomon." Maryland Grand Master Joseph Clark, September 18, 1793, at the laying of the cornerstone of the Capitol.

They were building the New Atlantis.

The Jews have stolen and corrupted this allegory into some horrid:

<http://groups.yahoo.com/group/JoSNewsletter/message/230>

On the symbolism on the rest of the dollar bill we see an Eagle:

Manly P. Hall states:

The hand of the mysteries controlled in the establishment of the new government for the signature of the mysteries may still be seen on the Great Seal of the United States of America. Careful analysis of the seal discloses a mass of occult and Masonic symbols chief among them, the so-called American Eagle. ... the American eagle upon the Great Seal is but a conventionalized phoenix..."

"Not only were many of the founders of the United States government Masons, but they received aid from a secret and august body existing in Europe which helped them to establish this country for A PECULIAR AND PARTICULAR PURPOSE known only to the initiated few."

SOURCE: Manly P. Hall, The Secret Teachings of All Ages, pp. XC and XCI

The original images of the seal from the time of 1776 to 1782 was the Phoenix not the eagle. The Phoenix is an ancient symbol of alchemy the death rebirth and immortality through the fires of the kundalini energy. Apotheosis.

With the eagle it holds in one talon it holds an olive branch with 13 leaves and the other 13 arrows, there are also 13 stripes on the shield the stripes represent the ying and yang of the soul also depicted in the black and white checkerboard pattern on the Masonic floors. There are also 13 letters in "E Pluribus Unum" on the ribbon. And there are 13 stars in the star above the Eagle head within a six pointed star which has six points, six angles and six planes which adds to the sum total of the sun square or 666 the number of the Sun or Sun God the alchemically perfected human, the Gold in the work. There is also a small owl which appears in the just to the left of the "1" which appears on the upper right hand corner of the Dollar Bill. The Owl is a symbol of Astaroth[Athena]. And deals with the energies of the kundalini.

Where did the Founders use "Novus Ordo Seclorum" from? Charles A.L Totten:
In his letter to the Sectary of the Treasury Charles .J .Folger on Feb 10 1882
he states:

Novus Ordo Seclorum is a quotation from the 4th Eclogue and was borrowed in turn
by Virgil from the mystic Sibylline records [Sibyl was an ancient Goddess]

A mighty order of ages is born anew. Both the prophetic Virgin and Saturnian
kingdoms now return. Now a new progeny is let down from the lofty heavens....

The boy soon to be born in whom the iron age shall come to an end, and the
golden one shall arise again in the whole earth.

More into this passage:

Whatso tracks remain of our old wickedness, once done away, shall free the earth
from never-ceasing fear.

He shall receive the life of gods, and see heroes with gods commingling, and
himself be seen of them.

And with his father's worth reign o'er a world at peace.

What are the Founders telling us in all of this?

The Founders by their own admission and evidence left us an important message in
their symbols and buildings that America was the New Atlantis in which Humanity
would break free of the spiritual slavery of the enemy and create a New Order
that would usher in the Golden Age of humanity, the Age of Lucifer when the
Great Perfection would be finished and paradise would reign. They left the
science of Satan's Great Working encoded in the Capitol building of the Nation
as a temple to Him and the perfection of the human soul.

The Founders fought a Revolution for Satanic Spiritual Evolution.

Thank you, both of you. And yes Don, those articles on the gay lifestyle awakened me and I totally believe you, the jeeews must be whining like crazy. And giving those America, Liberty, and the Enemy and The Real American Revolution articles a reread helped me put it into context. I remembered another article you wrote about Aryan Society being a Priestiarchy with the Temple providing all the basic services and cultural center and spiritual practice being required for citizenship. The Founders were obviously on track to getting this back, if it weren't for the bank mobsters corrupting freemasonry.

And Egon, I understand what you mean too. Thanks for your words. I guess working for Satan is currently the best way to be an active National Socialist.

I note the "America, Liberty, And The Enemy." Article really spazed the jooz out, along with my recent observations on the "gay life style" being jewish crap along with "gay marriage" being confused liberal nonsense [outside economic status]. And and the entire gay rights deal being jewish cultural marxist- ultra left trojan horse.

Made the jews spaz into orbit.

This gets at the major programs they are pushing right now in the Western world. Under the freedumb, tolerance, equality, universal egalitarianism, buttpluggery. Because its slop for people who like to use their heads as personal buttplugs crammed up their own ass all the day long. The jews have never believed a word of this shit think they pile on the Goyium. They know they created it to break us down with. Thats why the jooz state of pissisreal has the polar opposite system to this crap they push in our societies.

I note the gay marriage, deal sent them into spaz city. Because it dismantles a major angle they play [which has taken religious tones] and puts things back into the proper context of the Eternal religion of Nature of the Dharma Tradition. In which marriage was based upon procreation along strict meta-eugenic lines. No racial mixing and within the race strict observation of meta-genic hierarchy. Which gets back into Aristocracy. Built upon Arya Dharmic Tradition.

Everything the jew has been psychotically attacking for centuries in their race war on Gentiles. The kikes have a strange jewdar for the truths which threaten their bullshit, shit think, programs the most.

America, Liberty, And The Enemy

This is from an another egroup.

When the Jews created and ran the Soviet Jewion. They pushed the exact same race mixing programs on the population. They worked to turn national and racial pride into a negative while encouraging the where all one, equal, Soviet people crap instead. The Liberal system formed the core of the USSR.

Today in the West we are under the same articles of law the Constitution of the USSR was drafted on. They might as well just stamp the Communist flag over the American one. They have already done this politically, legally, ideologically and economically. Right now we are literally under the ten planks of the Communist manifesto.

Liberal is just another way to say Communist. The Communist ideal was simply a strategy to create a society built solely upon the ideology of Liberalism of the claimed enlightenment period, within an industrial age society. The Liberal state has to be ultimately in the end, totalitarian to sustain its principals and vital existence. Even Voltaire mentions this in his way. People don't catch onto this because they get confused by the schizophrenic nature of Liberalism. It talks out of both corners of its mouth at the same time. Its secular Christianity after all.

Liberalism is Christianity without the Christ:

<http://groups.yahoo.com/group/JoSNewsletter/message/290>

We can see today the Liberal Left is the one always pushing for a totalitarian state while screaming freedom, individual rights etc. You have the right to say and do what they fucking want or else. That's their offer of freedom. The freedom to be a slave. You can't debate with the mentally insane. The Xians scream love, peace and freedom while doing the same. Of course the Jews pushing this at the top know what they are doing.

The Founding Fathers where not Liberal. They rejected the core principals of Liberalism. What they where on the other hand where Satanists. Who stated America was created upon the laws of nature. The laws of the universe and symbolized this with the ancient symbol of the eternal religion of nature. The Scales of Maat. Which also relates to spiritual evolution. The name they chose for their new Nation, America. Also denotes the Serpent. The mainstream tale of Amerigo Vespucci, turned out to be a fraud upon investigation. The Eagle of the Nation is the symbol of the reborn and perfected soul. Its meaning is the same as the Phoenix.

The Real American Revolution:

<http://groups.yahoo.com/group/JoSNewsletter/message/252>

The personal liberty they gave was a recognition of natures order. Each individual has their own soul nature and the right to develop themselves and improve in harmony with their nature. The highest goal of this being the enlightenment of the individuals soul via the Magnum Opus. Jefferson who was also a Mason stated the Liberty being mentioned by the Founders was the essence

of spiritual Liberation. The Magnum Opus of Satan is what grants true Freedom or Liberty.

The society model was a meritocracy as it always was in the Pre-Christian world. Which allows for the proper functioning of society in harmony with the higher laws of nature. Societies which deny this eternal principal always stagnate and fall. Because nature removes them from the life cycle. Stagnation equals death.

This where people get caught up thinking the Founders where Liberals. And of course they are deluded people and purpose-fool liars to help promote this ideal, intergenerational.

The two major symbols all over the capital building left to us by the Founders, are the Swastika and the Fasces. The Fasces is also a spiritual symbol and also symbolized the power of the Roman state and law. As well as a unified nation. The Founders stated they used the Roman model to base their state upon.

The Roman Republic was ruled by the Roman Aristocracy, the Priest families. Those who had achieved high levels of the Perfection of the soul or the highest levels. The Founders created a system originally where America would have the same. By putting Mason Lodges in every town and city. It was understood everyone in the upper-class and in the Government would be spiritually advanced and practicing people. Which was the model of the ruling classes in the pre-Christian world.

The Jews got in their and worked to corrupt everything. The Jews had Liberals in America as well pushing for the same race mixing shit and universal egalitarianism they do today. Even the slogan put upon the Statue of Liberty was slapped on there by a Jewish Communist. There never has been an actual difference between Liberal and Communist ideology only in implementation of the ideology. All such paths lead to Jew World Order.

The Real American Revolution

"Following their victory in the Revolutionary War, two important documents were drawn up by the Freemasons in Philadelphia, a city ostensibly named after Philadelphes, the name of the "Supreme Secret Society" of Freemasons in France."

"The first of their documents, the Declaration of Independence, was authored principally by the Freemason Thomas Jefferson and signed primarily by the high ranking Freemasons, of the 56 signers of the document, 50 were Freemasons, including the Grandmaster John Hancock.."

"After the Philadelphia Convention the government of the United States began to take concrete form as the country's first President, the Freemasonic Grandmaster George Washington, was sworn in by Robert Livingston, Grandmaster of the New York Lodge. With hordes of attending Freemasons cheering the inauguration, a new "Nation of the Phoenix" was officially born."

Five city squares of Philadelphia were designed to perfectly match the Five major stars of Orion.

"When the wheels of the United States government finally began to turn, the new institution resembled one huge Freemasonic Lodge. Most of the high ranking officials in all three branches of government were either Freemasons or allied with the principles of Freemasonry. While the Grandmaster Washington was presiding over the Executive Branch of the government, John Marshall, a brother master mason from Washington's Virginia Lodge, was chairing the Judicial Branch as its first Chief Justice. The majority of lawmakers in the House of Representatives and Senate were also Freemasons."

We have built no TEMPLE but the Capitol. We consult no common oracle but the Constitution." —Rufus Choate

Jefferson described the Capitol as a Temple to sovereign liberty. This liberty is something much deeper than believed at face value. Jefferson believed true liberty was only possible through the enlightenment [perfection] of the being and the spiritual liberty or liberation that comes with it. Jefferson was as mentioned a high ranking Mason and one of the greatest geniuses to have ever lived. This was the deep spiritual knowledge of the other Founding Fathers as well.

The Masonic Founders build their great Temple in the form of the Capitol building in Washington. Its construction is identical to the layout of the diagram of the body as found in Luxor in Egypt even the blue prints of Luxor perfectly overlay the Capitol building as the ancient temples of the Serpents

where always build as diagrams of the human being with the formula of the Great Perfection encoded within.

In the Capitol we find the following under the central dome in the lowest level Washington's tomb but yet he was buried at Mt. Vernon and a floor above this the crypt[in a civic building] which is actually a temple to the Priest King and God ruler of Atlantis Poseidon. It contains forty high detailed stone pillars and stone flooring with beautiful chandlers hanging it was modeled after the famed temple of Poseidon in ancient Athens. In the center of the floor of this structure is a white star called the "Seed Of Washington" of which all the mile markers for Washington D.C are measure from.

"Neptune[Poseidon in Greek] was simply the Sumerian Enki by another name and form.

Like his counterpart Enki, Neptune was principally associated with the seas although he was also known by his devotes as the Lord of the Earth. The identity of Neptune as king of the World is revealed by Geek names, such a Enosichthon, meaning "Earth Shaker." A title that obviously links him to Lucifer."-Pinkham

The major case for Atlantis being in the West is made in Plato's works the Timaeus and Critias and these accounts are based upon the Egyptians record. But that is not what the Egyptian record documents on the subject. The Egyptian record documents the opposite the Egyptians origins are in the East the 'Land of the Gods,' Pa-Nuter. Which is modern India of which the it has been shown to share an identical culture:

<http://groups.yahoo.com/group/JoSNewsletter/message/214>

Satan was the Priest King of Atlantis, known as The Peacock King [Melek Ta'us] among other titles all the surviving traditions still directly linked to this area specifically state it as so.

Washington is also seen in the image of a statue as the embodiment of Zeus seated, making the same sign of "As above so below."

One floor above is the rotunda the black and white floor lays the hallway leading into it. Directly above this is the mural called the "Apotheosis Of

George Washington." Apotheosis means "Man into God." On the floor of the rotunda in the direct center inline with the white star below and Washington image in the solar image above in a central axis.

The painting upon this dome shows Washington in the center depicted as a resurrected Godman wearing a purple robe which is the traditional symbol for the resurrected being or perfected being, it's a sign of divinity. The Roman Emperor who was also the High Priest wore this and certain high ranking Druids also wore such robes as mark of having achieved a high spiritual level. Washington is also making the traditional sign of Hermeticism seen in the Baphomet.

Note Traditionally in the Christianized West it was always Christ shown in such imagery, meaning that Washington was purposely put in place of the Christian Messiah. Along with the Pagan Gods[Demons by the Catholic confession] where being honored and revered in the capitol building. With Neptune[Satan among them].

Other aspects of this mural is Washington is shown sitting on a throne placed upon a rainbow bridge surrounded by thirteen "star maidens" each with a star painted near their heads, this symbolizes the thirteen major steps of the Magnum Opus and stands for the thirteen major energy centers in the human body which must be fully empowered in order to reach the perfected state.

Four of these maidens[four is the number of Satan, the 4 elements of creation.etc] are shown holding a banner over Washington that states: E pluribus unum Latin for "Out of many, one" this has to do when all the centers become as one with the finishing of the Magnum Opus.

The rainbow bridge Washington sits upon is the symbol of what is called the "Rainbow body" in Tibet, in Bon and also depicted other traditions such as the Norse/Germanic Bifrost bridge.

In Bon the ancient religion of Tibet which was suppressed by Buddhism. The Goal of a Yogi or adept was to ascend and reach the highest state of the Magnum Opus, what the Tibetans called Dzogchen[Great Perfection]. Many images of Lama's [ones who had ascended the Kundalini Serpent] are shown in a radiant circle of the five lights of the rainbow body.

The five lights being the purified elements and centers. I mention Bon as its one of the most ancient still surviving traditions today and states it was founded seventeen thousand years ago by the God Mura [Amon Ra].

Tibet was such an important area of surviving ancient Aryan spiritual knowledge that Himmler sent an SS expedition to the country and where received as friends and made allies with the Dalai Lama. Many Monks returned with them back to Berlin to instruct and share spiritual knowledge with the SS. It's a little known fact the SS officers were all required to have a daily practice of this process on orders from Himmler, himself an adept of the Thule Society. Today they have found the evidence that Aryans once lived across the entire Eastern and far Eastern regions in powerful civilizations from the Himalayas to North China. Before disappearing over time due to mixing in with the Mongoloid races of the area's and events forcing them to seek other lands. But passing their culture into the regions to this day in varying aspects of degrees. It was found the upper classes of the Tibetans possess Aryan genes in a larger degree to the lower classes who were purely racially Mongoloid.

Theos. Bernard an American Yogi living in his Guru's ashram in India in the early to mid part of the last century. Was told by his Indian mentor to obtain full knowledge and the highest levels he must travel into the Himalayas into Tibet.

More on this state:

In Sufism it is called "the most sacred body" and the "supracelestial body." Taoists call it "the diamond body," and those who have attained it are called "the immortals" and "the cloud walkers." Yogic schools and Tantric's call it "the divine body." The ancient Egyptians called it "the luminous body or being" or the *karast*. This conception evolved into Gnosticism, where it called the "radiant body." In the Mithraic liturgy it was called the "the perfect body.".... In the Hermetic Corpus, it is called "the immortal body." In the alchemical tradition, the Emerald Tablet calls it "the golden body."

Namkhai Norbu Rinpoche stated in *Dream Yoga and the Practice of Natural Light*:

Body of Light: Tibetan, *ja-lus*. Also known as the "rainbow body." Certain realized beings...achieve the transformation of their ordinary bodies into a Body of Light."

How this process works:

In the painting of Washington that Dolly Madison saved from the British that hung in the White House. President Washington was shown standing with a Caduceus beside him encoded in the table leg and a rainbow surrounding him in the background. This as stated is identical to the images of the Lama's in Tibetan Bon. And other famous images in the West.

Further into this mural. beneath and around the scene mentioned are six sections of images containing Pagan Gods they are Thoth, Poseidon[Satan], Vulcan, Persephone and Athena[shown instructing Benjamin Franklin]. The sixth image is the image of Freedom. These are the traditional five Gods of the alchemy of the soul or the pure lights. The sixth image being of quiescence and the spiritual freedom tha

Subject: National-Socialism is of "Right"?

The Article below I translated from "Compreendendo o Nacional-Socialismo" by Acao Nacional-Socialista (2006).

It should begin by this topic because it is one of the most common distortions about what National Socialism really is. Numerous National-Socialists believe they are of "right", but without understanding the correct meaning of ratings "right" and "left".

The term originated in the days of pre-revolutionary France, where those who intended to preserve the system of government would sit right in the Assembly, while those who fought for radical change sat to the left. Thus, the term "right" was used to define the reactionaries and conservatives, and "left" to define the revolutionaries.

The rating of "left" was used predominantly by Marxists and by anarchist groups are often engaged in revolutionary struggle, but these terms do not apply according to the nature of each doctrine, but rather with the time and political situation of the moment. For example, in the times of Tsarist Russia, the Bolsheviks, because they represent a revolutionary movement, fitted to the left, But when he took power in 1917, did not represent any revolution to make the situation, therefore, any kind of opposition would be left, while the

Marxists would conservatives of his regime. Due to the frequent use of the classification

"Left" by these groups of Marxist-Leninist or libertarian, has become common taxing as any other doctrine in opposition to them "right", and many National-Socialists accept that label, even if erroneous.

A Revolutionary Force

"(...) National Socialism is a new conception of the world that is more severe opposition to the current world of capitalism and its satellites Marxist and bourgeois. "

Gottfried Feder - The Program of the National Socialist Party of the German Workers (NSDAP)

The major problem of the National Socialist Movement after 1945 was to ignore the changes that have occurred in society and continue living in the past. While other movements were growing, evolving and adapting to the needs and problems your time, we are stagnant, living in the first half of the century. Few realized how many of our situation changed, and that society today is not the same 30s. It is necessary to focus on the problems and the current policy, present, adapt and do something practical.

Consider the Modern World and the current "civilization" as our Western greatest enemies. It consists of a society utterly materialistic and capitalist with a bourgeois and individualistic philosophy. An empire built by interest and by selfishness. An empire is not built for people, not a cultural or spiritual empire, but System formed by oligopolies, monopolies, large corporations and media mass sick funded by a State immoral and anti-national that protects the interests the powerful and Zionism.

Thus National Socialism seeks the utter destruction of the Modern World. We want an end of the era of decadence and the beginning of a new one. We want to preserve the our culture and restore our roots, but we are not, in any way, conservative politically, do not want to keep the current values degenerative, do not want to keep a capitalist system or a corrupt government that acts against interests of the People and that does nothing to maintain or preserve our cultural heritage our race. We do not want a state that does everything to remain silent and that promotes destruction of a culture of millennia.

We do not hold the current (dis)order, but the fight, our goal is your utter annihilation. Abandon the bourgeois mentality and selfish incompatible with our collectivist nature. We believe in a violent struggle against the system for your destruction and implement something new and fair. We will deploy the true order National Socialist. We're the ones who fight for the building of the spiritual greatness Man and put forward the interests of capital and selfish spirit. Do not fight alone for bread, but for creativity and freedom.

One should realize that the cause of our current condition and persecution are Western governments. They hate us, they protect only the interests and will of large everything to prohibit and imprison us. For them, culture and race mean nothing, only economic issues. Support such governments anyway is to prevent and delay the National-Socialist Revolution

"... Was forgotten the condition which must precede every act is the will and the courage to tell the truth - and today we do not see it or the right or the left."

Adolf Hitler - Hitler's Speeches, Baynes. Vol 1 The Institute of International Affairs. 1942

National Socialism never said "right", this term was applied to us by Media enemy, only unenlightened individuals and some Rock bands still load it. Collaborate with political parties or "right" is a total waste of time and also a great contradiction, most of them hate us and be the first to fight an insurgency National Socialist. We are not represented by the parties because National Socialists are not allowed space within the so-called "democracy." Are the total opposition to the dictatorship of money and the forces of international Zionism.

The definition of "left" and "right" mean nothing to us, we overcome such label and collaborating groups aimed at the destruction of the system and the government. Even if such organizations have different ideas, or even contradictory to ours, we have a common enemy: the System. Separate march, but we attacked together. While quarrel between us, the system will be strengthened.

National Socialism is the end of an era of decay and the beginning of an era of prosperity. Our goal is Year Zero, the renewal of a time, so we totally revolutionary.

Subject: Is National-Socialism Fascist?

The Article below I translated from "Compreendendo o Nacional-Socialismo" by Acao Nacional-Socialista (2006).

Is National-Socialism Fascist?

There is a great misinformation when it comes to Fascism, and the reason is that most people who talk about it do not have a clue about what he it really is. The term is often used to define the European movements nationalistic and anti-communist - especially the first half of the century XX.

In fact, the term "fascism" seems to have no explanation only, since people use it for what they understand as well, is to nationalist movements or to any aspect of policy which are contrary - pejoratively.

National-Socialism is almost always related to the fascist movement the years 20 and, by many, considered as a "fascist ideology". It is often said that NS is a part of the movement of Mussolini, or that somehow was influenced by this, or even a racial Fascism with the principles applied. All false statements, resultadas defamation and speculation.

Is National-Socialism originated Fascism?

Both the Fascist Party and the National Socialist Party of German Workers (NSDAP) dating from the year 1919. Thus, the two movements emerged in same time, with no contact between them. The reason there are certain similarities is simply because they were born in a rich historical context for groups nationalist and anti-communist.

While National-Socialism arose from the formation of a Worldview, the Fascism emerged as an anti-ideological, possessed only based on the unionism sorelista post-Marxist. Appeared as a regime that circumstance, reaction to advance communist and anarchist in Italy. Fascism did not have one concrete doctrine as National Socialism, just plan counter-revolutionary For movements red. In his manifesto there was no point or any trace of doctrinal or spiritual inspiration, just simple political demands such as: female vote, reorganization of the transportation sector, lowering the minimum age for retirement, abolition of the Senate, etc ... Almost nothing revolutionary deeds if compared to the National-Socialist movement.

In 1922, the March on Rome occurs when thousands of Blackshirts can put Mussolini in power. On November 9, 1923, the National-Socialists try the same thing in Munich, and fail, resulting in mass arrests, including of Adolf Hitler. If, in any way, inspired Fascism National-Socialism was the idea of a coup and the formation of paramilitary forces like the shirts Black and SA, never in the ideological plane.

In 1920, Adolf Hitler and Gottfried Feder had already formulated the 25 points of the NSDAP and, in 1925, the book Mein Kampf was published in Germany, while Mussolini had not nothing but a nationalist discourse and anti-communist. The achievements of the Fascist Party were merely political and administrative, lacking a doctrine or a Complete worldview as National-Socialism.

Then, in 1932, appears the term "fascism" in the Encyclopedia Italiana, in a space 37 pages full of pictures and illustrations. This was the only attempt by Mussolini - Ten Years after rising to power - to include an aspect doctrinal and philosophical movement. Although the text is signed by Duce, it is known that almost entirely written off Giovanni Gentile. This same text is then published in book form in 1935 - ten years after Mein Kampf release.

Although the Führer cultivate a friendship by Mussolini for years, so no was carried away by their opinions, which were almost exclusively political and economic, as had advocated a worldview completely new. If Adolf Duce was Hitler admired for having led the Italy as the first European country to contain communism, never for their ideas.

If the fascist movement inspired Hitler and National-Socialism was only on the Practical: the idea of the coup - later abandoned by the Führer - and the creation of SA. However, it is much more likely to National-Socialist Worldview has inspired the attempt the creation of a fascist doctrine.

Deeds and Some Ideas of the Corporativist Fascist State

The Fascist philosophy never had any racial character before the contact with National-Socialism. In fact, the first anti-Zionist currents Fascists only

emerged after 1938 - five years after Hitler came to power and after sixteen Mussolini. The most surprising is that there was a reasonable amount of Jews in Fascist movement and often occupying important positions and, even after 1938, very few of these Jews lost their positions in the "Italian" State.

The Fascist State declared that Jews foreigners over 65 years, and before 1938 contracted marriage with Italians - the same miscegenation that National-Socialists tried to PREVENT by the Nuremberg Laws - were now considered Italian.

The Jews did not assimilate, create a state within another and retain parasitism by other people, can never be considered as Europeans. Just a purely politics and state of Fascism and other "democracies" today Zionists can accept in their homeland and still call them national!

It is possible to be Fascist and National-Socialist?

Almost only know the similarities between Fascism and National-Socialism but their differences are much more crucial.

"The state is a means to an end. Its purpose is the conservation and progress of a community from the point of view of physical and spiritual. "

"The human right nullifies the law of the State."

Adolf Hitler

By National-Socialism, the state is a MEANS to preserve the breed, to improve Man, is an organic instrument created by man for man. The state in National-Socialist concept exists only as long as the people accept it as it exists for them.

Only races create culture, values and civilization. The State retains only the and collaborates in its progress. The state is the administrative and policy of a series values developed naturally over time by the people.

"Nothing outside the State, nothing against the State, all for the State"

Benito Mussolini

For Fascism, the State is everything. The State formulates and implements the life of Man. Individual needs are suppressed, while the purpose is ALWAYS State. The state does not exist for man, but man for the state. The State produce, the state creates the nation and people.

Fascism never believed in a natural and organic community, did not have the idea of blood, or even people, it was just a model on a political state geographical space demarcated by maps.

Fascism does not differ much from the current "democracies" that are merely political states without preserving race and culture and without great moral or value. So as European governments now accept non-Aryans immigrants, the Fascist State also accepted and even regarded them as legitimate.

The Fascist conception of the State is, in principle, purely political and administrative. Thus, totally unnatural and therefore anti-National-Socialist. Its view of the world is in a perpetual conflict with ours, so there would never be State that was both Fascist and National-Socialist.

Several of those who proclaim themselves National-Socialists also consider themselves Fascists - usually because they are of Italian origin - but this is only a demonstration of ignorance and no study on what Fascism really is.

It is absolutely impossible to be Fascist and National-Socialist simultaneously by they entail radically opposing ideologies and doctrines at crucial points. The National-Socialism presents a worldview grounded in natural laws and driven by noble ideals where conservation and progress of the people is the goal of life, and through the state, this purpose is achieved. As for the people is not Fascism anything, the state is everything and people are only súditas government. We have nothing to do with the fascist "movement" or "doctrine". A National-Socialist is just a National-Socialist.

Subject: Importance of Void Meditation.

Yes, I know this is written almost everywhere, but I have noticed many people struggle with visualization, their thoughts, have problems in communicating with the Gods, have bad thoughts over and over in their mind... And this can be easily solved. Void meditation can solve this. Its written in the JoS. Its of the most important meditations you can do. I will list some of the benefits below.

http://www.angelfire.com/empire/serpentis666/Satanic_Void_Meditation.html

This might seem, just too newb-ish. But you have to really pay attention here, as Void Meditation gets in the core of many things. Depending on where Mercury is placed in your chart, this can indicate weakness or power in an Area. For instance if one has Mercury in Pisces, the mind can have a tendency to wander here and there. Or if they have Gemini, the mind can wander in two or more things at one time. Thats not bad, but it should be a skill you can pull on from your life. Especially people with intense emotional natures will benefit from this. Below are some of the benefits I have had since practicing the Void meditation more. Some might not have this, but I pretty much believe anyone will.

1. Will make your memory better by improving your concentration.
2. Will make your thoughts disciplined, your head will not be wandering on its own.
3. It amplifies communication with the Gods, by handling your own thoughts back when you need to just LISTEN from the Gods. (Expecting an answer in most cases fucks up communication with the Gods)
4. Will help you on having your emotions in check and stay cool in fucked up situation.
5. Can help you handle stress.
6. While in the state of void meditation you can get answers or messages from the Gods.
7. It refreshes the mind.
8. Depending on where you turn your attention, you give this certain thing power. This can be a chakra, your 3rd eye for instance. Where your attention is pointed, the place gets empowered.

9. Helps yours workings manifest. There are times we have the "Raw" power, but the working fails because not enough unwavering concetration. The energies get scattered and there is no outcome.

10. Builds confidence, since reactions are controlled, emotional etc.

11. Helps you become better at putting yourself in instant trance.

12. Many complains as 'attacks' are just an overreactive mind or stress, both of which will be put under control with void meditation.

13. It makes you aware of your OWN thoughts.

And a lot more...If you face any problems related to these above [Almost everyone does] then it would be good to work on void meditation. You can start from like 2 minutes, and have the aim of 15 minutes. Which is very good. You can do this with music etc. Any meditation programm should have void meditation in it. Apply to this if you haven't already.

I'm new here, and to Satanism. Somehow I found my way to the Joy of Satan Website.

I was once a fundamentalist Xtian. Unfortunately it took the sudden illness and death of my only child to make me wake up. To make a very long story short, I could no longer ignore the atrocities of Jehovah in the OT. In short, I could not, would not worship an entity capable of murdering someone's child for payback.

Enough about that. I have since become an Odinist. My question concerns this: I have already sworn a blood oath to The Aesir and Vanir in a ceremony. How are the Gods of my ancestors related to the Gods mentioned at the JOS website. I have noticed similarities in Odin and Satan, so are they one and the same? Thanks in advance.

Primordial Buddhism

Dedicated to Otto Rahn.

This article is meant to highlight what can be termed: "Primordial Buddhism." That is Buddhism that existed before the corruptions where made. The corrupted paradigm which is now the standard. I have already discussed this: "Bogus Buddhism." Elsewhere.

In the ancient world the Arya's worshipped a Creator God by the title of Buddha. The Aryish Druids religion was based on the worship of a crucified and reborn God man, named: Wod, Wodan, Bud, Budh, Buddha.

As DM. Murdock cites in her book: "Suns of God."

"They gave [the Sacred Island] two other names, viz, Phus Inis, and Inis=na-Phuodha-which, at once, associate the "worship" with the profession of the worshippers-for, Phus Inis, is Dudh Inis-Ph, or , F, being only the aspirate of, B, and commutable with it-that is, Budh Island; and Inis-na Phuodha is Inis-na-Buodha, that is, THE ISLAND OF BUDHA."

So we have ancient Ireland being titled: "The Island of Budha."

Also from the same work:

"The ancient Irish and Hindus used the name Budh for the planet Mercury. The stem Budh appears in all the Celtic languages as it does in Sanskrit, as meaning "all victorious" "gift of teaching" "accomplished" "enlightened" "exalted" and on."

From here we see Buddhaya the Sanskrit title for Mercury.

The Indo-European languages all come from Sanskrit.

"The Druidic and Vedic priesthoods, language and culture are one at root, separating perhaps three millennia prior to the Christian era."- Ellis

The round towers of Ireland:

"O' Brien relates the words of an ancient Irish bishop Corma, "the celebrated bishop of Cashel" who in "defining the Round Towers in his Glossary of the Irish Language, under the name of Faill, wrote the following:

"Carth cloacha is aire bearor fall desucedr Fo bith ro ceata suighedesat en Eire"- that is, stone-built monuments, within which noble judges [my note Druids] used to enclose vases containing the relics of Fo [i.e. Budh] and of which they had erected hundreds throughout Ireland!"

More:

"O'Brien cites the Dagoba's of Sir Lanka often lofty buildings in which Buddhist relics have been deposited.

The towers are also symbols of fertility their phallic nature obvious to the

eye. Concerning these phallic symbols, O'Brien remarks:

Such was the origin and design of the most ancient Indian pagodas... And that such, also was the use and origin of the Irish pagodas is manifest from the name by which they are critically and accurately designated, via, Budh, which in the Irish language, signifies not only the Sun, as the source of generative vegetation, but also the male organ of procreative generativeness.

Clo. Vallancey states that Krisna also means sun in ancient Irish.

"O'Brien provides an image of a round tower with a crucified man above the door, between two standing human figures and below them two bizarre animals lying down. Concerning this image, O'Brien relates that Christian authorities naturally want to make of it a Christian crucifix. However, our Irish writer disagrees, first commenting on the strange animals and linking them with the elephant and bull on a Buddhist temple in Sri Lanka."

Tertullian, as late as 211 CE, wrote:

"The Christians neither adored nor desired crosses, and criticized pagans for doing so and for putting a man on the cross, too. For pagans a cross was a sign of eternity....It was not until the 6th synod of Constantinople that it was decided that the symbol of Christianity, which was confirmed by Pope Adrain I, would be represented from that time on as a man crucified on the cross. In fact, the earliest instances of any artwork that illustrates Jesus on the cross can be traced back only to the eight or ninth century. Thus, the Christians adopted the crucifixion as a symbol from the pagans."

Its also no mistake the ancient Europeans would dye their bodies with a sacred blue paint. Called "Wod."

More on the Druids:

On the European continent where the same God who is hung on the sacred tree and reborn again is worshipped. We had the major spiritual center of the Irminsul Pillar. Which holds the same meaning of the Tet Pillar of Ptah in Egypt. Or Mount Meru column. Of which the Round Towers are a symbol for as well. This is

the meaning of the Buddhist Stupas in the East as well.

We have these same towers being called; "Fish Towers." As the Fish is the symbol of the perfected life force following up the spine and the rebirth. It's the Yoni symbol in which the reborn God is shown emerging from. We have the same round towers or Benben towers being built by the Egyptians as well. Also noted in Sri Lank Buddha is still called Wod or Woden to this day.

As D.M. Murdock notes:

"The word "Buddha" is related to the Egyptian term for the sky-god father-figure, "Ptah" and "Puttha," as well as to "Pytha," as in Pythagoras ("Buddha" + "guru"). "

Churchward also stated:

"Buddha is their representative of Ptah of the Egyptians."

As mentioned the same themes are found in Egypt as in Ireland/Europe. And the East.

Ptah and Osiris as mentioned before are the same God. Osiris name translates out: "The eye of the throne of God." This Throne is Isis's. Isis is linked to the star Sirius as is Ptah's staff. Hence Osiris is the union of the this power and its full activation. The Throne is the illuminated or perfected consciousness. And Isis rules the Sophia or Shakti aspect. Which what Ptah's staff contains in symbol. The two are the same God. Just as Wod/Buddha in Europe is symbolically depicted as being blue so is Ptah-Osiris as well.

As I mentioned here:

<http://groups.yahoo.com/group/JoSNewsletter/message/418>

The religion of Ptah-Osiris and the crucified and reborn Hari Krist[na] or Horus Krist. Are the same as Vishnu and Hari Krishna of India. And that Vishnu originally is a title of Surya. Hari is the symbolic title of our God. And the source of the term Aryan. The term Aryan in the ancient world was also spelled Ari or Hari we also have the Arya or Haraya [People of Hari]. This term is in Egypt as the term of the founding race.

"Another title for Surya is "Budha."-Suns of God

Originally Buddha was a major title for the Agni/Surya the Vedic Sun God. And symbolic mythos goes back to this period. Tvashtar [a title of Surya] is the father of Agni. Surya is titled the world modeller or skillful smith [Ptah].

As I have stated in another article Surya is known to be Ptah-Osiris of the Egyptians and Heru [proper title Hari]. Or the resurrected/perfected or reborn Ptah-Osiris. Agni in India. This is symbolic Osiris and Isis unification generates the reborn or perfected soul. Hari. As noted before Ptah-Osiris is identical to Agni/Surya. As this is the same Primordial Tradition. The Egyptians stated they came from the East and this is seen in their culture. We can see that Agni also represents the perfected Surya.

We have an ancient inscription at Buddha Gaya that calls Buddha: "This deity Hari." Hari is one of the most ancient names of our God.

As stated before:

"Horus bears the title proper of Hari Krist but in all reality going right back to the Sanskrit it would be Krisna. Krisna was in this region as the title for the sun god among other spelling. So we have Hari Krisna of Egypt. Further images of him in Egypt found in some regions show him to be identical in appearance to Krisna of India. In Egypt he is shown as the blue coloured child, holding his finger to his mouth and a clay pot in the other. Same as Krisna of India. The Greek version of him as Harpocrates from the Egyptian Har-Pa-Khered: "Horus The Child." Shows him sitting with the clay pot [like Krisna's butter pot] feather in his hair and all. Identical to the images of the God in India. This God also rests upon the serpent or lotus flower. Identical to Krisna of India once again The eagle and Falcon are interrelated as well. Just as the Peacock is the Phoenix in Egypt. The eagle plays prominently in the avatar tradition in India.

As DM. Murdock points out in the earlier traditions of Krisna. He like Horus[Hari] of Egypt is crucified , in this case upon a tree by being pinned or pierced to it by arrows and later resurrected or ascends. Upon this the tree which is next to the river, regenerates and grows and rains lotus blossoms and gives off fragrances."

She further states:

"Like Krishna Buddha has been deemed an incarnation of Vishnu, an aspect of the God Sun. Among other symbols depicted in images of Bodhisattvas and Buddha's, as well as Vishnu. According to Pandey, "The girdle on the waist is a necessity when smartness and valour are ascribed to a deity." Which means additionally that Buddha is clearly portrayed as a God. The insight that Buddha, like his alter ego Vishnu and preceding avatar Krishna...."

This is why in India we have inscriptions to Buddha calling him an incarnation of Vishnu [Surya-Agni] and the saviour of the world, the way of immortality. Its no mistake the statues of Buddha in the East are the same as statues of Surya in many areas.

As mentioned Krishna/Hari the perfected Vishnu. This is why the tales of Krishna and Buddha are identical from the divine births to the same birthday. And on in their tales. Including Buddha like Krishna in the early texts being crucified on a tree. In the case of both Buddha and Krishna by being pierced by arrows. And then being resurrected later:

The scholar Titcomb states:

At the death of Buddha the earth trembled, the rocks were split and phantoms and spirits appeared. He descended into hell and preached to the spirits of the damned.

When Buddha was buried, the coverings of the body unrolled themselves, the lid of his coffin was opened by supernatural powers and he ascended bodily to the celestial regions."

We have Buddha resurrecting and ascending boldly into heaven. This is the same as the traditional Sol God of the Primordial Tradition. We also have Buddha transfigured as bright as the sun. On the mountain top. As we see later this is important as it connects to Adi Buddha. Which shows us the same God from the original Tradition.

Originally the concept of Nirvana is not extinction. But enlightenment and immortality:

"Nirvana is identified with "the opening of the pure ways of heaven." Of the "gates of eternal life," and is actually called the sun and "the center of supernatural light." -Suns of God

This is why there are 12 full steps to full enlightenment or Nirvana in Buddhism. The 12 steps of the Magnum Opus.

Images in the East of Buddha's death show the Mount Meru column falling. This is the same theme in Egypt with the "blessed land." Of which sit the Tet Pillar of Ptah [Meru Column] in the center of. Of which atop the Phoenix [Peacock in the East] sit. After a great destruction the Tet pillar is reborn with the land into the pure state. The stories of Buddha's cremation in this light is also symbolic of the Phoenix of rebirth thought flame. This is why Buddha dies at 84. $8 \times 4 = 12$, the 12 steps of the Magnum Opus. The Phoenix's other symbol is the Grail. Of which also features in Buddhism as well.

We can also see in ancient India Buddha being depicted as a linga, tree, white horse and the Kalachakra. There are all symbols of the life force energy. The linga the same symbol as the Tet Column or Round Towers, Stupa's, etc. We will come back to the Kala Charka in a bit.

Looking into the earliest Pali texts its still possible to see remnants of the original Tradition that where wrote over with enemy corruptions.

We find mention of awakening the seven centers of consciousness and opening the eye of wisdom. Along with Buddha having obtained the literal "deathless state" and bearing all the marks of the perfected man, along with all the supernormal powers or Siddhi's. His victory over Mara [Mara is the god of death in older spellings] under the tree being the symbolic of having gained immortality and illumination. Mara and his forces represent originally the titanic or dross element that has to be purified from the soul. And with this the morning star appears and the tree rains down lotus blossoms etc. The same as the tree Krishna was crucified upon. And we have Budha/Woden crucified in the European branch and originally in the Eastern branch.

The references to the 5 wisdoms, the Jana's and such are taken from the purification of the elements of the soul. There are still some meditations upon the "four great elements" and their functions in the early texts. The principal of samsaric aspects being a corruption of the unperfected state. The nine realms of the Deva's an allegory for the Charka's, etc.

We also find Buddha's performing miracles and such. His life in the mythos is identical to that of Hari of Egypt. And as mentioned Hari of India in many places.

Originally the Aryans lived across Asia all the way to Northern China and the regions of the now Gobi desert. The pyramids found in Northern China are from this period. And the Chinese admit they are not part of their civilization. National Geographic and others have done large stories on the excavation of the silk road and general Far East. In which cities larger than Babylon at its height have been found. Along with perfected preserved bodies of White people dressed like they belong in ancient Ireland and the Scottish highlands. The female hair is braided in a specific fashion that only remains in the folk culture of Denmark. There are also over five thousand ancient Vedic temples in parts of China. Along with the fact China's name comes from a Sanskrit word for Lion. Ch'in is the Chinese spelling of the Sanskrit "Simha."

The ancient Chinese records state about the rule of Aryan Emperors with blonde hair, green/blue eyes, etc. And the Mongols record a race of blue eyed, Aryans living in their region many of whom their ruling caste was descended from. Genghis Khan [Great Serpent] was described as having red hair and light eyes. Along with many upper caste Mongols of the period. The Mongoloid races were not in the area of Northern China and other Asian regions, till around several thousand years ago. Where the Aryans had already lived there for thousands of years before. The Tibetans also state they received their original culture of Bon. From a race of Aryans thousands of years ago. The anthropological studies conducted on the Tibetans by the Germans, found the upper class of Tibet were also of Aryan origin, mixed with Mongolian . In the far east they traditionally worshipped a Creator God named Fo/Po or Futi.

Also spelled Buddha.

And this brings us to BON PO.

With BON PO we have the title for Buddha of PO. Bon was the religion across Asia and as we will see Europe as well. The findings from Bon in Nepal and Tibet such that before the Gautama or Ashoka period. BON images show the classical images of Buddha seen in Mahayana sects. As well as ancient BON texts mention their perfected masters have the title of Buddha.

We also have images from Europe found of Yogi's in the full lotus position. Which identical spiritual symbolism upon them.

BON was repressed and almost wiped out by the Ashoka corruption of Buddhism or bogus Buddhism. Bon temples and sacred sites and texts were destroyed along with many Bon's. This period is still called: "The dark times." By the people in the regions of Nepal who are Bon's. We also have records of Ashoka putting up to eighteen and more thousand people to death as part of the repression of this Imperial Ideology of his.

We are seeing with Mahayana. Ashoka Buddhism which is an inversion of the original, grafted over the original Buddhism in these regions openly.

In the regions of Nepal we still have the Bon Stupa's painted in the same way. The traditional or Ashoka Buddhist ones are. So we can see this is a copy of the original Buddhist style.

In the region coming from the BON tradition. Are Chortens. Which are Stupa's which are based on the classical temple building of the East and the West. The base represents the circle within the square and the Mount Meru axis with 13 steps or representing the 13 steps of enlightenment. Mentioning the hidden 13th within the 12. And $1+3=4$. The perfected elements coming from the 5th of ether within.

The Vishnu [Surya] yantra is designed upon the 64 square grid of the Mer-cury square. Enclosed within a circle with symbols for the cardinal points. We see Buddha originally being a title for Surya[Vishnu]. The circle and square

represent the unification of the male and female aspect of the soul into Godhead. This style is the bases of many ancient statues of the Sol God in the East. The God as the Linga standing upon the square base. Representing what is encoded in the Sol Gods yantra.

The heart of the BON PO system was a system called the: "Great Perfection." And was based on creating: "The Immortal Rainbow Body." The center of this being the Kalachakra Tanta.

In India we have Buddha depicted as the God Kalachakra as well. This is the core of the original Buddhist tradition from East to West here. The God Kalachakra rules over this process.

The Kalachakra is based upon the unification of the male and female parts of the soul . Even openly describing the meditations for the production of the male and female elixirs . Along with the purification of the elements or great lights of the soul. As part of this upon the Kalachakra mandala we have the image of the Black sun. Of which Adi Buddha the perfected human comes forth from. Within the Kalachakra we have the same themes found in the Eddas. The Western branch.

The final product being the creation of the Adi Buddha. Adi means "Lord of the Mount." And is identical in meaning to Dionysus" "Lord of the Mount Nysa." The Mount Meru Axis. Which we see Ptah [spelling of Buddha] in Egypt with the Tet pillar and Woden[Buddha] in Europe with the Round towers. And Adi Buddha in the East. In the origin Tradition of BON. We have The Lord of Time [Kalachakra] another title for Primordial Buddha. Our God.

Another title for Dionysus was Hu another spelling of Woden. Dionysus also carries the grail. And is the eternally young, crucified and reborn youth. Who's sacred animal is also the Peacock.

Ichthys, or the Fish, was one of the names of Dionysus and the divine phallus was also shown in the shape of fish. The phallus is the spinal column with the kundalini full risen. EA [Oannes] is also shown as a Fish cloaked God in the ME and Lord of the Water for the same reason. The life force.

Lord of Time or Kalachakra:

In Sanskrit SAT means Truth. Truth in the ancient world was another name for illumination and transformation of the soul. When the kundalini power rises it brings a person to SAT by illumination of the consciousness it brings which is what they were depicting by the title of Truth..... This is why the strength of the soul is its ability to reach levels of truth in the Egyptian texts.

Levels of empowerment.

An as the prefix of Ananta Shesha which is the primordial serpent. Depicted as a serpent in a golden circle clutching its tail. The sign of the Magnum Opus. This golden serpent is given the title of "Eternity" [Ananta]. And refers to the title of "Lord of Time." As time in this sense relates to the perfection of the soul.

This is why Woden [Budha] has a golden ring that replicates itself. This is also why Woden has the sacred mead drunk from the horn [grail symbol]. One of these sacred horns found in Europe show it made of gold with alchemical symbolism all over it. Remember Woden also rides a White Horse another symbol of Budha.

In the East We have Buddha also carrying a sacred Grail in the image of bowl and sometimes a mixing bowl made of lapis lazuli which as Philip Gardner states is an ancient Grail symbol. The Lapis lazuli or blue stones are the grail symbol in Sumeria and also depicted in the Dionysus branch as a cluster of grapes. We have tales of Alexander the Great climbing the sacred tree and meeting the Green Man who then gives him a cluster of grapes which lead to immortality, etc.

The Lazu-il denotes illu or the illuminated. And we have Ra or the Ra's bow [Rainbow] Ra's bow is Ra's celestial ship he journeys through the 12 stages of the Magnum Opus upon. The Egyptians called the Great Work. Creating the body of Ra. Or Rainbow body. Within this we have the holy: "G-ra-il." The G in the ancient script denotes the serpent.

In Egypt we have Ptah, Amun, Ra. Being the original three in one trinity. With the Ra-m, being the symbol of Agni. And EA as scholars note PTAH in Sumeria has a staff with the rams head at the top of it.

We have the fact the hero travels over the Rainbow bridge to enter Valhalla and sit with Woden [Budha]. And thus obtain immortality and perfection.

The Blue color is the symbol of the Great Perfection. It symbolizes the purified soul. Of which the purified Mercury relates to. As we see with Ptah-Osiris, Woden and Votan in the American's.

From this we also have the famed Medicine Buddha who is depicted as blue and holding a pot full of a healing substance from the Myrobalm, a tree used in Ayurveda healing arts. In the Primordial Tradition. The Healing God is the symbol of the Magnum Opus we can see this in the West. Especially with Asclepius the serpent God. And with all the tales of the Serpent. The body is considered a medicine bowl [grail] in the East capable of generating the needed elixirs or medicines which heal the body fully. But the medicine has to be taken daily. Meaning a daily spiritual practice, that transforms the soul to the perfected state.

It's the same in the West. Old age, sickness, death and such issues where all known as sicknesses . That could only be cured as they stated by the Great Working. To be healed literally meant to be made whole. The popular term for this in ancient Greek was SOZO. Meaning Saved or salvation by being made whole [Holy]. This is why you had orders calling themselves the Spiritual Physicians. And this why Ayurveda texts at the heart where based on achieving the Perfected and immortality state.

The Grail legends primal source is Sanat Kumara [Sanat is an anagram of Satan] who rules the kingdom of Shambhala which depicted in the shape of a city in the shape of the eight pointed star. Identical to the Grail castle in the West. Who's king is shown with the image of the Peacock. And legend is a repeat of the Ptah-Osiris, Hari [Horus]. Symbolic mythos.

Kalachakra [Sanat] is the ruler of Shambhala. Just Woden is ruler of Valhalla in the Western branch. It's the same God with the same meaning. The banner of Shambhala is a peacock feathered one. As we see this God rules the Grail. And

the title of the perfected adept is Adi Buddha [also Wod, Woden, Budha], etc.

It's no mistake the Buddha Amitayus [who is connected to Bon/Kalachakra] in Tibet is depicted as a forever young boy. Surrounded by Peacock imagery. Is Sanat Kumara.

The great scholar and researcher Otto Rahn proved that the Cathars were the Western branch of Bon. Both had the same Grail legends of the Mani Jewel. And both bear the same title. The Cathars called themselves the Bon's. And have the fact Bon means Good. Which in the ancient world is a term meaning: "Shining or Shining Ones." Baron Evola also points out the Cathars' connection to Eastern Buddhism.

The Aryans in the Americas or Amaru in Sanskrit. The mainstream tale of Amerigo Vespucci, turned out to be a fraud upon investigation. Also worshipped Votan [Wotan/Woden/Budha]. And had the same symbols and culture the Cathars of Europe did. The evidence shows the Aryan civilizations in the Americas [even by the Amerindian records] predate the Amerindians by thousands of years: <http://groups.yahoo.com/group/JoSNewsletter/message/181>
Votan is also called the: "Morning Star."

The Cathars are the major source of all Western Grail legends and chivalry. And hence why their tradition has a knight joining with his Lady and thus being given a golden ring. The symbol of the Grail. It represents the union of the male and female aspects of the soul. And the golden ring the symbol of Eternal life. The same ring Woden rules.

Rahn and others mention the Cathar ideal of love as Amour not the "love" being pushed by the Vatican program of Jewish-Christianity. Rahn mentions this term Amour is equal to the concept of the Magnum Opus. Our concept of love and spirituality in the current world comes from the program of Christianity. The enemy pushes sentimentalism as spirituality.

This Amour term connects back to MR which in Egypt means bright or shining. The sacred tower [seen across the world and related to Buddhaya] was also called MER. And the original name for the Pyramid is MER. Meaning the place of

ascension. This connects back into Meru. And Isis as Isis Meri or Meru. The Cathars worshiped Mary. Mary was another spelling of Meri [Isis-Meru]. Christianity stole this later on. The Cathars were Germanics and directly connected to the Pagan, Mero-vingians. This is where much of our Grail lore comes from. Amour=Mero=shining/brightness, and in French still means love. MR or Mer, Mer-cury means: "Eternal." In the sense of perfected. The Cathar title of Amour or MR translates to Buddhaya.

The title of Bodhisattva predates the current Mahayana and its altered meaning. It means "the essence of enlightenment or wisdom." Wisdom being Sophia the super-conscious state, from the risen serpent. This is why the Bodhisattva is depicted with a flame upon their head or halo. They have been baptized in wisdom or the serpentine life force and reborn from this sacred baptism. Hence the meaning of Gnosis as from Oannes / OANA.

Ichthys, or the Fish, was one of the names of Dionysus and the divine phallus was also shown in the shape of fish. The phallus is the spinal column with the kundalini fully risen. EA [Oannes] is also shown as a Fish-cloaked God in the ME and Lord of the Water for the same reason. The life force.

This is why in the Western Pagan tradition after being baptised the individual was given a lit candle and called the illuminated.

As Evola states:

"It has been noted the Grail...resembles in a specific way the frontal stone (urna)..That especially in Buddhism often represents the place of the third eye.. This is an eye that is endowed with both a transcendent or "cyclical vision (known in Buddhism as Bodhi, or SPIRITUAL ENLIGHTENMENT)."

This stone that represents the enlightened or Bodhi state is an emerald stone. And is called the Mani Jewel. This emerald stone is another symbol of the Grail in Traditions in both east and west. As stated both the Bon's or Cathars of the West and East held this sacred. And it is ruled by Budha.

This brings us full circle to understanding what does Budha mean as a title.

The Budha is enlightened upon the Bo tree. Among the ruins of An-arajapura. Its mentioned in the book Ophiolatrea by H.Jennings. Of nine temples...groups of pillars. That consist of an enclosure, in which there are sacred trees called Bo-gaha.

So we see the sacred pillar's like the Irminsul or Tet, Meru, column. Along with the sacred trees common to the worship of Woden in Europe. The hill of Tara alone had three hundred oaks planted around it. And the Germanic s had a habit of wrapping a golden serpent image around trees and making them sacred spots. Woden[Buddha] being crucified [fixing the power] upon a tree. Which represents the spinal [meru] column with the branches being the 144,000 nadis.

Buddha is pronounced [seen with Fo or Po] and in many cases spelled with an O sound. Which denotes the serpent. Such as SO-phia, Opis, Orpheus, etc.

Mer-cury is a horned glyph representing the perfection of this power. The horned serpent or halo is humanized in the Sol God. Hung upon a tree and reborn via the perfection of this life energy.

Gardner states in his book: "Secrets of the Serpent."
"Dionysius who is equated to the other horned Gods...Is the same Dionysius I found elsewhere to hold the chalice or elixir."

The title of this sacred cup of Budha/Dionysus was the Agathodaemon or "Good Serpent."

The Cathar's worshipped Lucibel which is another spelling of Hu which is another spelling of Woden/Budha. And the Cathar's called their God Agathodaemon meaning "The Good Serpent." An ancient title of our God.

So the Cathar's or Bons. Worshipped Budha/Woden. And they where the last known Primordial [original] Culture of Race in Europe. As part of this the Cathar's understand the sacredness of racial purity and the godly essence of the Aryan

blood and their descent from the Gods.

This is why Buddhism in the East has been stated to be over 15,000 years old.

Its mentioned the original or Primordial Buddhism.

Satan is the original and only Buddha.

Subject: [666BlackSun] A Question

I'm new here, and to Satanism. Somehow I found my way to the Joy of Satan Website.

I was once a fundamentalist Xtian. Unfortunately it took the sudden illness and death of my only child to make me wake up. To make a very long story short, I could no longer ignore the atrocities of Jehovah in the OT. In short, I could not, would not worship an entity capable of murdering someone's child for payback.

Enough about that. I have since become an Odinist. My question concerns this: I have already sworn a blood oath to The Aesir and Vanir in a ceremony. How are the Gods of my ancestors related to the Gods mentioned at the JOS website. I have noticed similarities in Odin and Satan, so are they one and the same? Thanks in advance.

Subject: Ending the Vatican April 30th - Ritual and Working *UPDATED*

Happy Beltane to all our people, stay strong in Satan!

*****THIS IS THE FULLY UPDATED VERSION OF THE RITUAL, WITH SOME NOTES ADDED.
THESE
WILL BE BELOW, AT THE DATE AND INFORMATION PART.

This Ritual will be very simple and anyone can do this, regardless of their level of ability. AND ANYONE MUST!

The Vatican is on its end. They know that the time is coming up, that they are going to crack. The times are not and not later. Satan's Vision is coming True. If one obstacle exists right now, in the spiritual path of the Gods, its the Vatican. The Vatican is the enemy headquarters, from where they plan and execute everything. They know their end is coming and that it can come.

For the same reason, they have been working overtime to destroy the Joy of Satan and generally any other opposition there could exist. They have teams of advanced black magicians and other paraphenelia, that keep working for them so they can destroy us. The strongest Satanists get battered with attacks because of them.

THEY NEVER IMAGINED THE JOS WOULD DO SUCH DAMAGE TO THEM, REST REASSURED ITS *US* AND NOBODY ELSE DOING THE DAMAGE.

We will NOT know peace unless we fight back. The only way for peace and to achieve our ends is through SPIRITUAL WARFARE. People who sit their laps and do nothing, are equal to nothing. Satan gives us moments of peace and tranquility, He gives us everything, looks out for us.

In turn, He is counting on His children to destroy the enemy. He is counting on YOU. Its unacceptable and an act of cowardice to not participate and destroy the enemy. Satan looks out far more for His Warriors above anyone else.

If you have time/desire to, you can read here for further explanations on why we will be focusing on the Vatican right now. For the sake of keeping it short, I am including a link:

<http://groups.yahoo.com/group/JoyofSatan666/message/89393>

SATAN IS COUNTING ON YOU, MORE FROM NOW ON THAN EVER. OUR RITUALS ARE ALREADY MANIFESTING AND THE ENEMY *IS* GETTING DESTROYED. THIS IS WHERE WE KICK THEM, WHILE THEY ARE ON THE GROUND. LEAVE THEM TO GET BACK UP AND IN DUE TIME WE WILL ALL HAVE THEIR POSITION!

SATAN COUNTS TO ALL OF HIS CHILDREN, WITHOUT EXCEPTIONS!

LETS END THEM AS A FAMILY!!!!

Ritual/Working Date and Information.

*RITUAL TIME: HOURS OF SATURN, MARS.

*TIWAZ IS VIBRATED: TTTTT-III-III-VVVVVV-AAAAAA-TTTTTZZZZSSSSS
(I chose Tyr so it can be easier for new people)

*****MORE DATES THE RITUAL CAN BE DONE ARE HERE:

*MAKE SURE TO CHECK THE CURRENT MOON SIGN:

<http://www.angelfire.com/empire/serpentis666/Timing.html>

THE SAME DAY, WHILE YOU'RE DONE WITH THE RITUAL, YOU ARE ON DAY 1 OF THE WORKING. IT HAS ALREADY BEGUN IF YOU CHOOSE TO CONTINUE. THIS CAN LAST ANYWHERE FROM 9 DAYS, TO 40 DAYS.

BUT ITS ADVISABLE THAT YOU KEEP ON THIS LIKE YOU KEEP YOUR AURA OF PROTECTION, TO ENSURE THEY GET WHAT THEY DESERVE EVERYDAY.

---***Important Points***---

**The Ritual will add more power and a nice beginning for your working. Though you can go straight to the Working itself, if you are lacking time.

**You can do the working TWICE, this will add FAR MORE POWER and this will get rid of yourself of even more negative energy.

**ALWAYS REMEMBER TO CLEANSE YOUR AURA AFTER THE WORKING IS DONE.

**Keep your meditation program up. Do your breathing exercises to raise your energies. Merkaba if you're at that level. Its better to do the working after you're high and on the meditation.

**If you're doing other workings, keep on them but space out the hours. For instance to the one at day, the other at night.

**If it happens that you lose any day, keep going on the next one and make up for it. What matters is that you do it. Do not lose more than once and try to not lose not even one.

**KNOW THE ENEMY WILL TRY TO STOP YOU AND BE AWARE OF THIS!

*****OTHER DATES FOR THE RITUAL:

<http://groups.yahoo.com/group/JoS4adults/message/6879>

THE RITUAL:

This Ritual will not require sigils, as I want to make this very easy and easily applicable for ANYONE.

You will open your Ritual like a Standard Ritual:

<http://www.angelfire.com/empire/serpentis666/Ritual.html>

Do your Ritual as you usually do. For people who do not have a Ritual Altar, they can do this on their Astral Temple. I am making this extremely easy.

You will just do your Ritual, but the Prayer will be different. In a format that is telling Satan one on one, that you will fight and take down the Vatican and everything they have.

*- Keep the My Purpose is this part solid, as to make the nessescary psychic link with your Brothers and Sisters in Satan

Ritual Prayer (You can adjust this *BUT* Keep the My Purpose is this part solid, as to make the nessescary psychic link with your Brothers and Sisters in Satan. Go all out emotionally on WHY YOU WANT THEM ALL DEAD AND DESTROYED):

Father Satan, I stand before you, just as I am, just as your Son/Daughter. I am promising you now, that I will fight your enemies, so we can together take down the enemy of the Vatican, the inventor of what is against you, xianity. Because I love You, I care for You, and I desire to grow closer to You, I ask for Your power and Guidance, to help me get rid of this filth! This is OUR Planet, OUR WORLD! I no longer desire the Vatican lying about you, guiding all OUR enemies to destroy us. I DESIRE YOU TO GIVE ME YOUR MIGHTY UNENDING POWER, SO I CAN END IT. MAKE MY SOUL AS SHARP SWORD THAT WILL UTTERLY RENDER THE VATICAN DESTROYED!

My purpose is this: To destroy completely, permanently and for all eternity the Vatican and the Xian church.

HAIL SATAN!!!!

HAIL LILITH!!!!

HAIL _____(GUARDIAN DEMON NAME)!!!!

HAIL TO ALL THE GODS OF HELL!!!!

HEIL TO ALL THE SOULS, FROM ALL AGES WHO FOUGHT FOR SATAN!!!!

Now, After you either read aloud or wrote the Ritual and burned it, you go to the next step.

The Runes we will be using are TIWAZ (Variation Tyr) and THURISAZ.

One Rune, TIWAZ (Variation: TYR) will be used to reflect all negative energies from your Soul towards the Vatican, so it will be destroyed (No matter what type of negative energies these are. Mostly, these will be the negative energies the enemy sends us to destroy us, right back at them)

The Second Rune, THURISAZ will be used to straightforwardly destroy the Vatican.

***For adding serious power to the Working its advisable that one does above 40 vibrations, but even 9 will do the job. To take such institution down, there is much energy needed. REMEMBER TO CHOSE THE NUMBER WISELY, BASED ON YOUR EXPERIENCE WITH RUNES. FOR NEW MEMBERS 9 TIMES ARE VERY, VERY GOOD!

-----Rune One:

Start Vibrating the Rune TIWAZ. This is vibrated like TTTTTT-IIIIII-WWWWWW-AAAAAA-ZZZZZZZ. Or the Variation : TTTTTT-YYYYYY-RRRRRRRR.You will need to do this 9 Times (Number of Endings) OR 17 (Number of the Rune) or multiplies of 17 (34,51 etc) Times.

So lets say you chose to vibrate Tyr for 9 times.

Vibrate if for 9 times, focus on the energy and affirm with intent:

"The energies of the Rune TYR are sending right now all energies that are negative from my Aura, completely, into the Vatican. These energies completely and permanently destroy the Vatican!"

Imagine the grey energy plaguing the Vatican, destroying the people in there, dropping dead, terror, fear, disgust, people getting angry and attacking the

Vatican. Whatever fullfills you. Direct your hate.

You can affirm more than 1 times, its advisable you go for 9 times.

----Rune Two:

Start Vibrating THURISAZ: This is vibrated like
TTTTTHHHHH-UUUUUU-RRRRR-IIIII-SSSSSS-AAAAAA-ZZZZZZ. You will need to do this 9
times (Number of Endings) or 15 times straight. You can go on multiplies of 3
(Number of Rune) so you can do this 15 times, 30 times, 33 times etc.

So if you chose 9 times.

Vibrate the Rune for 9 times. Focus on the energy and affirm with Intent:

"The Destructive energy of the Rune Thurisaz is now permanently and eternally
destroying the Vatican!"

Now imagine all this plump of destructive, nasty and violent energy suffocating
the Vatican, imagine rage, imagine hatred, imagine everything that pleases your
conscience happening into the Vatican. Direct your hate. Make the energy so dense
that it cannot go away by any means.

You can affirm more than 1 times, its advisable you go for 9 times.

Then, you can scream out loud THE VATICAN IS NOW PERMANENTLY DESTROYED, HAIL
SATAN! Or anything that you feel like at this time. And close the Ritual.

Summing the steps up:

1. Open the Ritual
2. Do the Ritual as usually, but with a different prayer.
3. At the height of the Ritual, Vibrate the Runes and say the affirmations.
4. Close the Ritual.

5. The Working: Continue the Vibrating the Runes from 9 days to 40 days after the day of the Ritual, or constantly and everyday as part of your meditation schedule.

HAIL SATAN!!!!!!

This is atrocious right here. Shows the pure hatred of the enemy bastards, their sick mentality, their sick religion and the jewish and muslim hatred for all that is beautiful and is of Satan. The Swedes are of the most clear blooded whites, and they get assaulted into this marxist cultural brew.

I remember a mention by Savitri Devi, about those naturally lower, attacking their superiors, just because of pure jealousy and hatred. Its there. I was shocked to read this. Shit is very out of hand.

This is truly appalling.

Bastards... they act like the puppets of the enemy, and they don't even realize the consequences of their actions.

It makes me enraged to read stuff like that. I will try to channel my rage to the ongoing destruction working.

On a later date, we have to do a destruction against islam... it's one of the pillars that the jewish filth uses to corrupt our Gentile world

They have to be destroyed

Subject: Re: Sexual Assaults increase by 500% in Sweden.

I was talking about this subject with a friend...

The cause of all this... is their religion... the jewish created religion of islam.

From what i've understood (i may be entirely wrong, correct me if i am), their religion victimizes the female body. They consider it a temptation and they cover it up to avoid the temptation.

Now this suppresses the natural sexual urges in men. From nature every (heterosexual) man wants to look at a female body and admire it's beauty. The jewish program of islam... takes that away... they cover the female body, and victimize it.

They label it as bad. The same way they victimize sex in xianity.

Remember that the same energy of the basic sexual urges, can also be expressed in rage and violence.

So, the muslims travel in a western foreign country where there are no religious laws about the exposition the female body... the women dress exposing most parts of their body.

Even though for every western person... this is the norm... for the muslims it is not.

The muslims see for the first time something they've been avoiding. Something they detest. The female body. In my understanding, they translate this as an offense to their false jewish created religion and loose their minds.

They have sexual feelings they cannot explain... as any man would be sexually starved like they have... and because they are brainwashed by their religion... the sexual urge translates to rape.

Through their false religion, they see women as possession, as objects. They can "use" them whenever and however they like.

THIS IS UNNATURAL. AND AGAIN... THE JEWS ARE BEHIND THIS RELIGION.

In their mind this is like bringing a starved person... in front of a table filled with all kinds of food... and tell him that he cannot eat it.

THEY HAVE BEEN SO BRAINWASHED BY THEIR FALSE JEWISH CREATED RELIGION, THAT THEY CANNOT UNDERSTAND WHAT IS GOING ON.

But we as SS we have to stay focused.

In my opinion, anyone raised in a brainwashed environment like that, would probably behave the same way.

We have to focus at the creator of this brainwash program. The jews.

The jews created the false religion of islam. The jews created this unnatural environment. So many people are being subjected to this brainwash, and now they act like a weapon of the enemy.

Anyway, that's my understanding of this all.

Hail Satan

Subject: Isreal bombings on Syria

<http://www.youtube.com/watch?v=hD42edC9rQ4> Must watch and please share this.

<http://www.presstv.ir/detail/2013/05/05/301898/israel-struck-syria-with-us-green-light/>

The foreign ministry accused Israel of coordinating with "terrorist groups", including the Al-Nusra Front rebel group that has pledged allegiance to Al Qaeda.

"This leaves no doubt that Israel is the beneficiary, the engine and sometimes the executor of the terrorist attacks taking place in Syria against the state and the people," the letter to the Security Council said.

The Egyptian presidency said in a statement the air strikes "violated international law and principles that will further complicate the situation".

Syria says Israeli attacks have escalated crisis

Updated 6 May 2013, 10:07 AEST

Israeli warplanes are blamed for a second night of huge explosions in the hills around Damascus as Syria's government says the attacks have opened the door "to all possibilities".

A handout photo released by the Syrian Arab News Agency claims to show damage from an Israeli pre-dawn strike near Damascus. (Credit: AFP)

Syria's government says Israeli strikes on military sites near Damascus over the weekend have opened the door "to all possibilities" and made the situation in the region "more dangerous".

President Bashar al-Assad's regime said Israeli air raids early on Sunday hit three military sites outside Damascus, the second such reported attack in 48 hours.

The raids reportedly targeted weapons bound for Lebanese group Hezbollah, and raised new concerns that the Syrian conflict could spill over.

A diplomatic source in Beirut told AFP the three sites were the Jamraya military facility, a nearby weapons depot, and an anti-aircraft unit in Sabura, west of the capital.

Syria's foreign ministry, in a letter to the UN Security Council, said claims it was transferring anything were "unfounded" and accused Israel of coordinating with "terrorist groups".

"Around 1:40am, Israeli military aircraft over the occupied territories and south Lebanon launched an aerial aggression by firing missiles against three positions belonging to the armed forces of the Syrian Arab Republic," the letter said.

"This aggression caused deaths and injuries and serious destruction at the sites and in the surrounding civilian regions."

Syria uses the term "occupied territories" to refer to Israel and the occupied West Bank, Gaza Strip and Golan Heights.

Residents of the Damascus neighbourhood of Dumar said Sunday's strike turned night into day.

"It was like an earthquake, the sky was yellow and red," 72-year-old Najwa said.

Video footage on YouTube appeared to show missiles lighting up clouds, blazing fires, and an explosion producing a massive orange fireball.

Emergency meeting

Syria's cabinet held an emergency meeting to discuss the raids.

"The government of the Syrian Arab Republic confirms that this aggression opens the door wide to all possibilities," the cabinet said in a statement read by information minister Omran al-Zohbi.

"The international community should know that the complex situation in the region has become more dangerous after this aggression.

"[Syria] has not just a right but a duty to protect the homeland and the state and the people from any attack, whether internal or external, by all ways and means and capabilities available."

Syria blamed Israel for powerful explosions that targeted a military research facility on the outskirts of the capital Damascus on Saturday.

The foreign ministry accused Israel of coordinating with "terrorist groups", including the Al-Nusra Front rebel group that has pledged allegiance to Al Qaeda.

"This leaves no doubt that Israel is the beneficiary, the engine and sometimes the executor of the terrorist attacks taking place in Syria against the state and the people," the letter to the Security Council said.

An Israeli military spokeswoman declined to comment on the reports.

Egypt has condemned Israeli air strikes on Syria, with the Arab League also demanding that the UN Security Council act to stop what it called "Israeli attacks" against the war-torn country.

The Egyptian presidency said in a statement the air strikes "violated international law and principles that will further complicate the situation".

The presidency in Cairo affirmed "its extreme opposition" to the Syrian regime's brutal crackdown on rebel-held areas, but accused Israel of "exploiting its internal conflict".

The Arab League, which like Egypt sides with rebels against Mr Assad, demanded the Security Council "act immediately to end Israeli attacks on Syria," which it called a "dangerous violation of an Arab state's sovereignty".

Video: Britain and the US back Israel's right to 'defend itself' (ABC News)

US president Barack Obama, speaking after the first reported attack, said Israel was justified in protecting itself.

"The Israelis justifiably have to guard against the transfer of advanced weaponry to terrorist organisations like Hezbollah," he said, without commenting directly on the strike.

"We coordinate closely with the Israelis, recognising that they are very close to Syria, they are very close to Lebanon."

The rebel Free Syrian Army reacted cautiously, saying the country was already under daily attack by regime aircraft, while the opposition National Coalition

said Israel had "taken advantage" of the conflict.

Australia's Foreign Minister Bob Carr says the strikes confirm the scale of the crisis and the need for international agreement to enforce a ceasefire.

"I'm sure the Israelis will present evidence that suggest security implications for themselves - the movement of missiles into south Lebanon for example," he said.

"I await that, but in the meantime I say that this - and a lot of other evidence confirms - that this huge civil war has got huge implications for the region."
Sarin testimony

Meanwhile, UN human rights investigators have gathered testimony from casualties and medical staff indicating that rebel forces have used the nerve agent sarin, one of the lead investigators said.

The UN independent commission of inquiry on Syria has not yet seen evidence of government forces having used chemical weapons, which are banned under international law, commission member Carla Del Ponte said.

"Our investigators have been in neighbouring countries interviewing victims, doctors and field hospitals and, according to their report of last week which I have seen, there are strong, concrete suspicions but not yet incontrovertible proof of the use of sarin gas, from the way the victims were treated," Ms Del Ponte said in an interview with Swiss-Italian television.

"This was use on the part of the opposition, the rebels, not by the government authorities," she added, speaking in Italian.

Ms Del Ponte, a former Swiss attorney-general who also served as prosecutor of the International Criminal Tribunal for the former Yugoslavia, gave no details as to when or where sarin may have been used.

The Geneva-based inquiry into war crimes and other human rights violations is separate from an investigation of the alleged use of chemical weapons in Syria instigated by UN secretary-general Ban Ki-moon, which has since stalled.

Mr Assad's government and the rebels accuse each another of carrying out three chemical weapon attacks - one near Aleppo and another near Damascus, both in March, and another in Homs in December.

The US has said it has "varying degrees of confidence" that sarin has been used by Syria's government on its people.

Mr Obama said last year that the use of chemical weapons by Mr Assad would cross a "red line".

Who Is White? by David Lane

Those of you who have over the years or decades either observed or participated in the resistance to the murder of the White race know that **provocateurs have attacked the racial purity of professed leaders to impugn their motives** In my opinion part of the reason this has successfully worked for the enemy is a mind set grown from an alien religion. A basic tenet of Judeo-Christianity and part of its fatal allure is that it allows inferior men to claim superior status without corresponding effort. A Judeo-Christian with an IQ of 90 and a dismal life history can get baptized, repeat a few ritualistic words and presto, suddenly proclaim divine status superior to that of a man a million times his superior in intellect and character. The "blue-eyed blond" syndrome is typical of this mentality. And I say this advisedly since I appear Nordic, tall, slender, blue-eyed blond. Yet I can only guess at the purity of my ancestry. My father of record sold my mother to his buddies and to strangers for booze money, so the Gods alone know all. What I do know is this. I look White. I fight for White. I recognize the achievements of the White race. I want to preserve our kind. I am horrified that the beauty of the White Aryan woman may soon perish from the earth forever. I suffer for each White child tormented in America's inter-racial nightmare. **I see beauty in a Celtic princess with brown or red hair and green eyes. I see beauty in the statuesque Nordic Goddess with blue eyes and golden hair. I see beauty in the freckle-faced Irish lass. I see heroism in Robert Jay Mathews and Richard Scutari with their dark hair and eyes of green or brown as well as in Frank DeSilva, a fair skinned Bruders with a French Portuguese name. Theirs is far greater nobility than 99% of those "Nordic Ideals"** I might add.

For those who boast of their "purity," you have 2 parents, 4 grandparents, 8 great grandparents and so on. Go back 500 years or so and you have a million ancestors. A few more generations and everyone who ever trod the lands of Europe is your ancestor, including Huns, Mongols and Moors. There are no 100% pure Aryans as per 10,000 years ago. But we still do exist as a distinct and unique biological entity. The cultures and civilizations we create are beyond comparison. The beauty of our women, blondes, brunettes, redheads, green-eyed, blue-eyed, brown-eyed, is the desire of all men and the envy of all women. **So, we do not want to be derailed by gossip or speculation on who may be 1/16th Indian or have some Italian, Spanish or Portuguese blood.** We are not going to debate over whether the collective remaining White gene pool is 95% or 97% pure Aryan.

Surely it would be a tragedy if the various divisions of our race lose their distinctive traits and beauty. And after we have secured the existence of our people and a future for ALL our children, hopefully we can take steps to preserve this diversity. But for now, we are going to accept the facts and circumstances as they exist. We are going to work together for the holy cause and we will not tolerate provocateurs, divisions or dissension. **If someone looks White, acts White, fights White, then until their actions prove otherwise, they are our Folk** On the other hand, regardless of pedigree or appearance, those who oppose, criticize, hinder or fail to support our cause are no friends of ours.

This video was posted by another member before. But what was missed is the weapon used was small level, nuclear tipped, bunker buster weapon. The Syrians have reported low level radiation at the strike site as well. Which would be in line with such a weapon. The lighting generated in the sky by the blast shows this. Hence also the mushroom cloud blast.

The Typical Jew And The New Age Huckster

Just breaking in the news is the case of a girl though died has been found after years of being kidnapped and held hostage while being repeatedly raped by the Jew Ariel Castro. The name is the Sephardic equal of Samuel Goldman.

While this is just a normal day in the Jewniverse as one can see here:

<http://groups.yahoo.com/group/JoSNewsletter/message/195>

<http://groups.yahoo.com/group/JoSNewsletter/message/196>

The Jews do this on mass everywhere they go from the international sex slave trades they run out of Israel and just in general to the locals everywhere they go.

Once again innocent people pay the price for having the Jew amongst them.

Something that comes up with this, is the obnoxious New Aged propagandist "psychic" Sylvia Browne has been internationally exposed as being a horrid fraud who probably sent this poor women's mother to an early grave out of grief with her lies.

Her volumes of garbage is what a majority of the New Aged movement beliefs are built upon.

While psychic ability has been clinically documented to exist. Browne and her ilk are liars taking your money.

http://abcnews.go.com/US/amanda-berrys-mom-told-psychic-sylvia-browne-berry/story?id=19126853#.UYopa7XU_gd

A year after Amanda Berry disappeared in Cleveland, her mother appeared on "The Montel Williams Show" to speak to a psychic about what happened to her daughter.

Psychic Sylvia Browne, who has made a career of televised psychic readings, told Louwanna Miller on a 2004 episode of the show that her daughter was dead, causing Miller to break down in tears on the show's set.

"She's not alive, honey," Browne told Miller on the show, according to the Cleveland Plain Dealer newspaper. "Your daughter's not the kind who wouldn't call."

Miller told the newspaper that she believed "98 percent" in what Browne told her. Miller died a year later from heart failure.

On Monday, Berry was found alive after she broke free from a home in Cleveland where she says she has been kept for the past decade.

Browne did not return phone calls seeking comment today by ABC News. The Montel Williams show, through syndicator CBS, also did not return calls for comment. The show no longer airs new episodes.

It's not the first time that Browne, and other psychics, have come under fire for their involvement in law enforcement cases.

In 2003, Browne incorrectly told the parents of missing teen Shawn Hornbeck that their son was dead, and his body could be found somewhere near "two jagged boulders," according to her premonition.

Nearly four years later, Hornbeck was found alive, and Browne was widely criticized in the media for causing the Hornbecks additional grief.

A website called "Stop Sylvia Browne," dedicated to cataloguing Browne's purported failures at prediction, sprang up in 2006.....

Ariel Castro faces rape, kidnapping charges while two women return home to raucous crowds

By Jeff Stacklin | The Lookout 8 hrs ago.

CLEVELAND A man accused of holding three young women captive for the past decade at his home has been charged with four counts of kidnapping and three counts of rape. The charges came the same day two of the three women were reunited at home with their families.

Ariel Castro, [my note Jewish] 52, is expected to appear Thursday in Cleveland Municipal Court on the charges. He, along with his brothers, Pedro, 54, and Onil, 50, were arrested Monday after victim Amanda Berry, 27, escaped from Ariel Castro's home on the city's west side.

After Berry called police, victims Gina DeJesus, 23, and Michelle Knight, 32, were able to escape, as well.

Ariel Castro faces four kidnapping charges because Berry's daughter, now 6, was held captive in the house as well. According to court documents, Castro repeatedly raped the women while he held them in captivity.

Court documents also show that authorities will ask the judge to set a high bond to ensure the safety of the victims and other citizens in the community, and ensure he doesn't skip out on court proceedings.

Ariel Castro's brothers have not been charged, but remain in police custody.

Deputy Police Chief Ed Tomba told reporters the women had been let outside twice in 10 years to walk from the Castro's house to the garage in the rear of the home. The women were forced to wear disguises on those occasions, he said.

City Councilman Brian Cummins, who told the Associated Press he was briefed by police on the case, said the three women were subjected to prolonged sexual and psychological abuse. He said the women suffered multiple miscarriages while kidnapped.

The councilman also told the AP that the women were kept in a basement and were apparently bound with ropes and chains.

While Knight remains in a local hospital, both Berry and DeJesus went home to raucous crowds

Subject: An-gels, Nephilim, Logos And Atlantis

An-gels, Nephilim, Logos And Atlantis

There are 33 Deva's in the Veda's only. Avatar is the title for the perfected human who has become the form of the symbolic God which represents the Magnum Opus. This is not a literal monotheistic being.

This is what monotheism was corrupted from, the Logos. The perfected individual was the self generated, incarnation of the Logos or Brahman, the subtle ether of which all the elements of life flow from and are manifested by. They where the perfected microcosm. The cosmic man, Purusha or Brahma.etc This has nothing to do with a monotheistic God. This can still be seen openly in the Kala Charka Tantra with the generation of the adept into the Adi Buddha. This was the same with Brahma. Or whatever the specific title of the Sol God was being used.

Later with the corruption of the spiritual schools. This was literalized into a incarnation of a monotheistic creator God, who descends into human form. Who then dispenses a corrupted, profaned literalized, immoral ideology. Which damns humanity and the now literalized, symbolic Sol God. Is then nothing but an icon for the agenda of the enemy. Who people are then conditioning into believe this being really exists. Thus "God" says becomes the most powerful propaganda in history.

This Fallen Angel thing is corrupted from the Pagan Mystery Schools, and was largely a symbolic mythos of the soul.

An-gel, An-nuaki, An-anat, An meaning Serpent. The images of the An-gels are from the Pagan world. The G is mainly silent but also a serpent symbol, and we have EL which means "Shining" hence Bel. An-gel means: "Shining Serpent."

They represent the serpents. Or perfected adepts who where called: "Shining Serpent." The name of our God Satan means: "Shining Serpent." Sat relates to illuminated or shining and An the title of the Serpent.

As stated His title of Good Serpent. Good means Shining in the ancient world. Shining Serpent is also the meaning of Aryan. As I have detailed in another article.

Primordial Buddhism:

<http://groups.yahoo.com/group/JoSNewsletter/message/423>

Aryan article:

<http://groups.yahoo.com/group/JoSNewsletter/message/432>

The ancient mysteries schools called humans the Fallen An-gels. Not our Gods. And by the purification/transformation exercises [Tapas in the East] we where to reascend to our Shining or Primordial state. Go from Titan to Olympian.

There is a nod to this among the Yezidis with our God being called the Arch An-gel. Meaning the leader of the Gods. His title here as Taus Melek: "Peacock Angel." Hence many of these images that survived show these An-gel s with wings of Peacock feathers. As stated the images of the Gods where stolen by the Catholic church. And its no mistake many of these images still survive from a period in Europe when the Aryan religion was still in existence. Some of these Peacock Angel's or Seraphim [Shining Serpents] are depicted as related to the four cardinal points and thus the perfected elements of the soul. With the Seraphim we see this appearing again in Serapis. Another title of Osiris. At some point the enemy also lifted this term Seraphim.

Of course this does not refer to the enemy ET's parading around under this title, scamming people. The enemy has been masquerading as the "God" of humanity for awhile. This can be seen with the Jews inserting their fictional Yahweh in the place of our God in the Edin [Sumerian Atlantis] tale and then corrupting it further. Originally its EA who breathes the breath of life into His creation, Adamu and then teaches them the methods of spiritual enlightenment to Godhead.

Anyway the issue of the Nephilim is part of this. For some reason when this subject comes up a line of people pop up and offer misinformation. The Nephilim are not our Gods, I pointed this out before. The Nephilim in this specific tradition are the Children of the descended An-gels and daughters of Men. They are the Titans. This race is mentioned as being a superior, part divine and very advanced race. We have the same tale in Egypt with the Luminous Serpents coming down to earth and creating an Island civilization and humanity. Same with the Sumerian's in the Island Paradise of Edin. The Druids and the Blessed Isle, etc.

In this tale the burning for lust and mating with the women is also allegory. As the women represented the divine tree and in some cases serpent. The Angels descend to mount Heron and mate with the women. Her, Har, Hari, on, Aun, Aum. The mount is the symbol of the Mount Meru Axis or Sumeru [solar] axis. Which is also symbolized by the sacred tree. From this comes the divine born race, which also represents the generation of the 3rd principal. As the lunar elixir generated in the head and brought down to unite with the solar aspect. Was in some ancient traditions to be ruled by the male. The descending from heaven to unite on the solar mount.etc

The Titans are masters of alchemy the arts of nature. A nod to their eventual perfected state. The flood wiping them out is probably a rewrite or nod to the final stages of the alchemical process. As "God" [The individual Adept] flooding the world [soul] is also found in the alchemical mythos in the America's ,

Egyptians, Druids and Greeks. We can see this in India with Manu. But the Jews have corrupted and rewrote so much of this who knows. As this text was rewrote by the Jews to be an attack on the Gods and Gentile peoples. The tale of Enoch was stolen and corrupted from a Sumerian tale of the Priest King being elevated to heaven by Enki and Enlil, before An-u and transformed into a God.

This tale is a later rewrite of the Atlantean mythos. Which is near universal under many names. With Atlas a Titan born of a the union of the head God and a human women. Leading the race of the same. The tale of Atlantis is allegory for the perfection of the soul. And also part literal. Its only partially left from the Greek, but it exists among the Egyptian tales of whom it was claimed the Greeks recorded if from intact. It ends with the perfection of the soul.

The Greeks [Hellenic after Helos/Hari our God] Mysteries schools stated the initiate was thrown into a caldron and boiled till the Titanic element is purified out and only the Olympian is left. The initiate then emerges reborn from the caldron a perfected being the title for such being: Shining Serpent.

And takes their place among the Gods. The caldron is the original grail symbol and this is the origin of the meaning of baptism. Hence why images survive of the initiate literally being baptized in the Grail. Hence our God being the Baptizer God. The Grail is His symbol.

<http://groups.yahoo.com/group/JoSNewsletter/message/430>

This is the same tradition of the Druids as well. And the meaning of the images in the Gundestrup cauldron. The cauldron itself is a ceremonial relic of the Grail tradition in the Indo-Aryan world. As obvious its a Grail symbol.

Within this we see a nod to the flood and Atlantean mythos.

Subject: Was Syria 'nuked'?

Was Syria 'nuked'?

<http://www.presstv.ir/detail/302772.html>

Striking evidence of the use of American EPW (Earth Penetrating Weapons) nuclear weapons in Syria has come to light. Experts say the proof is irrefutable.

Dramatic video footage from Syria has revealed startling evidence that counters Israel's claims of "surgical strikes" on weapons headed to Lebanon.

What were said to be air strikes is now proven to have actually been artillery, something easily discernible to even an untrained observer.

What happens next is shocking. While artillery shells rain down on Syrian army positions, mobile Israeli artillery in direct support and even accompanying rebel forces inside Syria, a huge explosion occurs.

After analysis, it had become clear, Syria had come under attack by Israel using, not just nuclear weapons, but an American nuclear bunker buster bomb, one of several supplied to Israel to use against Iran, one of the last acts of the Bush/Cheney administration.

Submitted for analysis, the footage was compared with tests of the 37,000-pound MOB (Massive Ordnance Penetrator), designed by Boeing to be used against Iran's underground facilities. There was no similarity whatsoever noted between the Syrian "event" and a conventional "bunker buster" including the GBU 57, the largest conventional weapon every to be used.

More Proof

Colonel James Hanke, former Defense Attaché and Liaison between the Pentagon and Netanyahu's government , reviewed the footage. He indicated that the GBU 57 is considered too high a risk for use because of its danger to the earth's crust.

The Syrian/African fault line spreads into Israel. Were it to be subjected to this kind of explosive power, the threat of an earthquake doing significant damage in Israel is a reality. The nuclear bunker busters have far less penetrating power and, I am not saying that this was a nuclear device, not until more evidence is in, but the 'event profile' shows striking similarities.

The other problem with the GBU 57 is delivery. Only two aircraft are capable of delivering this weapon, the B-52 and B-2 Stealth Bomber. Israel does not have these aircraft.

Collapse of UD Air Force Command Structure, Again

Thus, if a MOP were used, it could have only been delivered by the United States Air Force, an organization reeling from recent disasters within its own ranks after a second lapse in nuclear weapons security in a five-year period was discovered at Minot Air Force Base in South Dakota.

Seventeen officers have been removed, a "house cleaning" of unprecedented scale. Back in 2008, Secretary of Defense Robert Gates ordered a restructuring of America's nuclear security command after a 2007 incident at Minot.

A B-52 was loaded with thermonuclear weapons and flown off the base, violating 84 separate authorization protocols. The plane was later recovered over 1500 miles away under circumstances that have never been adequately explained. What is also not clear is whether the entire nuclear payload was recovered, complete and intact.

Nuclear Use in Iraq Proven

The most important consideration is whether any command organization, be it Israeli, American or any other, would be willing to use nuclear weapons. There

is little question that their use has been advocated by both political and military leaders.

The prohibition has been the ability to conceal their use. Events in Iraq have proven such concealment to have worked effectively and when conclusive proof of nuclear weapons use was offered to the media and world scientific community, it was quickly "contained."

On December 31, 2010, Dr. James Fetzer interviewed Dr. Chris Busby, a bio-medical studies professor at the University of Ulster, engaged in research on the use of Depleted Uranium (DU) in relation to birth defects in Iraqi children.

What Dr. Busby found was startling:

The interesting thing about the uranium was that we were able to measure the isotopic ratio because we were interested to see whether it was, you know, natural uranium or was it DU, which is what we thought it would be. But in fact it turned out to be slightly enriched uranium [with U-235], so, that is to say, it was manmade enriched uranium.

Now enriched uranium is a material that should only be found in a nuclear power station or inside an atomic bomb. So to find it in the hair of the parents of these children with congenital malformations was really astonishing.

So we then went to look to see how this could be, and to cut a long story short, we concluded from various patents from the US patent office that we received from physicists, that it was quite entirely likely that there was a new secret weapon being used, an anti-personnel weapon of some sort which contained enriched uranium or else generated enriched uranium.

the alternative - which is sort of science fictional and which is entirely possible - I have to say, which is that they have developed a sort of neutron device which uses enriched uranium as part of its components to generate neutrons. And the way it does this is to dissolve tritium in uranium powder

What Dr. Busby is describing is an Enhanced Radiation Weapon (ERW) or Neutron Bomb. Other variations in America's secret nuclear arsenal included Minimal Residual Radiation (MRR) weapons.

Evidence of use of "special weapons" has been found at the scenes of more than one terror attack, Oklahoma City, the World Trade Center (9/11), Bali and several others.

The first hard evidence published by qualified scientists involved Fallujah. However, use of nuclear weapons in Iraq and Afghanistan, is said to be relatively common.

Israel's Bomb Inventory Scandal

One of the greatest "non-secrets" of recent years involves the placement of Israel's weapons inventory. In 1986, Israeli nuclear weapons technician, Modechai Vanunu, was kidnapped from Italy and taken to Israel where he has been held for over 25 years. His crime; reporting on Israel's secret nuclear program at Dimona.

Cables released by Wikileaks revealed that the United States had, in 2006, allowed Libya to build a new chemical weapons facility. What has not been "Wiki-leaked" is that, when the facility was discovered after the fall of the Gaddafi government, it was found to have been run by the Israeli government.

Since those initial reports, nothing more has been mentioned. It is very likely that this illegal facility, inside Libya, is still in Israeli hands.

In June 2010, the USS Grapple, an American naval vessel with an "unspecified" foreign crew, docked at the port of Poti, in Georgia. Ten Israeli torpedo boats, similar to those that attacked the USS Liberty, escorted it.

The ship's cargo was bombs, including runway and area denial weapons along with the enhanced version of the BLU 113 "Super Penetrator," a conventional bunker buster weapon weighting 4700 pounds.

Azerbaijani Ploy

These munitions were then transferred to weapons bunkers at a former Soviet airfield inside Azerbaijan where Israel had managed to sequester a number of attack aircraft.

These planes had flown on to Azerbaijan after taking part in joint operations between the Turkish and Israeli air forces.

After their presence was discovered, we have been told the Israeli planes returned home but there is no evidence that the munitions had been repatriated to either Israel or to the United States, their place of origin.

Conclusion

We know and can prove that advanced nuclear weapons have been used in the United States. We have evidence of their use elsewhere in recent years.

We also know that methodologies to conceal their use and manage press leaks have been very effective and have created a combat environment where the "nuclear option" is always "on the table."

We also have film and photographs from Syria showing something we have no other explanation for. Would Israel use such weapons? Do they have the means? Do they have a motive? Have they had the opportunity?

Do they have sufficient control of press organizations to encourage this kind of blatant recklessness?

I think we all know the answer.

What are we supposed to be looking closer at with Lane? He carried some bias over with him from xianity. And I am aware of the flaws in his Wodansvolk but this was because so much information has been corrupted by the enemy. But as a whole he not only broke free of it but worked around the clock to expose it as the Occult, Jewish psychological warfare program against Whites it is.

Lane pointed out he took the 14 words from Hitler's: My Stuggle.

Lane died in prison because he refused to make a deal with the Feds and sell his comrades out.

Also this constant spazing between you both on the eqroups is obnoxious act like adults.

Subject: Hitler speech: "they are not laughing anymore"

My note: As Maxine told in one sermon I don't remember, Satan told to Hitler that NS Germany was a preparation for what will come, the Fourth Reich, as four is a Satanic number. The speech below shows exactly what we are doing right now! KEEP FIGHTING, LETS BRING THE FOURTH REICH!!! "We have won" - Satan.

End of the note

These Jews used to laugh about it. They thought it was a joke. They are not laughing anymore. Today they realize the gravity of the situation.

It was a struggle especially against the people who seemed to have omnipotent power in our nation. The struggle against Judaism.

He who is born today knows what that meant, and that it will not remain so in the future.

A wicked power had taken over our whole country, who had been able to grip key positions of our intellectual and spiritual life, but also of the political and economical life. From these key positions they were able to control and monitor the whole nation. This power had at the same time the influence to persecute with the law, those who fought against them and who were willing to sacrifice and oppose resistance to the advance of that power.

The almighty Judaism then declared war on us.

And you know that I've always defended the view that there are no stupider people than the Jews. Neither is there a more unprincipled or unscrupulous. I have always held view and goal that one day will come when we would finally remove this people from our ranks. This is a view which still dominates me, even after we triumphed in Germany.

When I came to power, I took over a nation which was a democracy. Indeed, as long as Germany was a Democracy everyone in the world would come to their help and aid. Yes, the German people used to live in a Democracy and had been plundered and squeezed dry. No, what does democracy or authoritarian state mean for those international hyenas? They're not interested in either! They are only interested in one thing: Is anyone willing to let themselves be plundered, yes or no? Is anyone stupid enough to keep quiet in the process, yes or no? And when a democracy is stupid enough to keep quiet, then it is good! And when an authoritarian government declares: "You do not plunder our people any longer neither from the inside or outside", then that is bad.

If we, as a so called, "authoritarian state" which differs from the democracies by having the people behind them.

If we as an authoritarian state had also complied with all the sacrifices that the international plutocrats burdened us with; if I had said in 1933, "Esteemed Sirs in Geneva what would you have me do? Aha! We will immediately write on the slate: 6 Billions for 1933, 1934, 1935, excellent, we will deliver! Is there anything else you would like? Yes, of course, Sir, we will also deliver that!". Then they would have said: "At last a sensible regime in Germany".

One of my goals which remained in my heart was to convince the Communist and the Social Democratic countryman and to win them over. I only fought when the other went into action against me, with a clenched fist from the very start. But then I said; "Comrade, I do not take a single step back! Either you take the fist away or I'll crush it! I'm willing to discuss with you. But if you come at me with violence then remember that I am not afraid of violence! We will fight each other and you will see that we can be as violent as you are". And thus we have won millions of compatriots!

Since those day we have had over 13 Million voters; they didn't come down from the Moon! They were not just former non-voters, but they were all countrymen from other parties. We had gradually convinced them all! They have come together, they have got rid of their prejudices towards each other and grown into a beautiful community.

It is clear to us that this war can only end with the destruction of the Germanic peoples or the disappearance of Jewry from Europe. On September 3, I already announced in the German Reichstag and I am careful not to make rash prophecies that this war would not develop as the Jews imagine namely that the European-Aryan peoples will be destroyed. Instead, the result of this war will be the destruction of Jewry.

For the first time others will not bleed alone! For the first time the genuine old Jewish law will be applied: "An eye for an eye, a tooth for a tooth!" And the more this war spreads, the more Anti-Semitism will spread. Anti-Semitism will be nourished in every prison camp, in every family which must be informed why they must sacrifice to the bitter end. Then one day the hour will come, when the most evil world enemy will have played out of this role for a thousand years.

"For a more Portuguese Portugal and a more European Europe"

I saw this story earlier today and it pissed me off. The idea of tearing down a **ancient** pyramid that has been there for so long and has a lot of history to it to suddenly become gravel for some road pissed me off. I saw this early in the morning too. I think this had nothing to do with taking gravel. It was a straight attack to spirituality, culture and the Gentile subconscious. Nothing less. Not to mention an attack outright in the face of the Gods. They need to die. All over that shit, one can easily notice its jewish. Who else would do that? Even the most stupid unenlightend of Gentiles, would not destroy such monuments.

Subject: Asana, Sanskrit, Sanat

Asana, Sanskrit, Sanat

The meaning of the Asana's have been lost by modern "Yoga" schools. Especially in the West , where Yoga has become simply another physical exercise class for stress relief, toning and stretching. And is viewed from mainly a materialistic point in the sense of Gymnastics'. Nothing more.

The meaning of Asana is in the name. Its not just merely posture. San is the root of Sanat [Kumara] who is our God Satan. Sanat being an anagram of Satan. San translates out to pure or holy [made, making whole/perfected]. And in Ancient Greece this title of San, the N was spelled with the M which is a code. The M as I have mentioned before is the symbol of resurrection or perfection of the soul. The M represents the union of opposites the third power of generation of the reborn soul that comes with the union of the male and female aspects. The ancient Greeks like all Indo-Aryans had SAN-skrit . As the base of their language. As it's the original language of the Aryans.

San also has the S-An. An representing the serpentine light force of the life force. And symbolized by the Primordial symbol of the Golden serpent clutching its own tail. The symbol of the Magnum Opus. As stated before Sat-An, means also: "Shining Serpent" and within this also holds the meaning of "Perfected Life."

A-San-a, relates directly to the life force and its purifying and transforming effects on the being. The "postures" are meant to the core part of the larger system of the 8 fold path of Arya [another title of Satan]. To be done with banda, pranayama [Yama is the God of rebirth], mant-Ra, dyana, mund-Ra, Yant-Ra of which the body becomes as well. And transmutation of life force or sexual energy when used specifically all the above are used within this. And this is also with them all. And the above are all done as part of the Asana. Giving it its major purpose in its meaning. This is why the Eastern texts mention Asana as the vital key to mastering the process of Yoga and becoming as the texts such as the Ishopanishad literally state: `Immortal." This perfection of the life force being the key meaning of A-san-a.

The posture aspect within its self, acts to open the Nadis and activate the charka's to a higher level and to help the proper higher smooth flow of vital energies or Vayu move through the individual. This helps to generate the transformative conductivity. This is done within the context of the use of the other parts mentioned for maximum generation. 8 Limbs of one core. Like the 8 fold wheel of Dharma and here which we understand its deeper meaning:

<http://groups.yahoo.com/group/JoSNewsletter/message/427>

This is why San-skrit is also titled this. It's the sound harmonics of the soul and how to purify and transform the light of the soul to the perfected state. Each letter relating to one of the petals of the energy centers and the centers themselves that make up the soul. Hence the "50 petals of the body of the Devi."

The Satcakra-Nirupana, states:

"The fifty letters making up the garland are said to be distributed over the six Cakra energy centers located along the spinal column"

Hence mant-RA, The sounds which generate light and perfects. This is why its stated the word mantra equals out to liberation. Liberation is perfection.

Paramahansa Yogananda, in his book: "God Talks With Arjuna, The Bhagavad Gita." State:

"In a highly simplified description, it may be said that the fifty letters or sounds of the Sanskrit alphabet are on the petals of the sahasrara, and that each alphabetical vibration in turn is connected with a specific petal on the lotuses in the spinal centers (which have a total of fifty corresponding petals)"Petals" mean ray or vibrations. These vibrations, are responsible for various psychological and physiological activities in the physical and astral bodies of man."

So we see here that Petal also translates out to Ray. The Rays of the Sun. The Egyptians called the chak-Ra's. The Seven souls of Ra. Sound is light.

Hence the meaning of calling it "Sun script." Or San-skrit. Each petal is a ray of the whole of the spiritual sun and this language is the harmonics of this. And this sun is symbolized as the blazing serpent of light.

This is within the images of the Gods in the East such as Kali and her necklace. This is also why its been called Sun script. Its based on the manifestation and transformation, of the light of the spiritual sun. We see in calling it Sun the fact that San and Sun are identical in meaning. And the serpent was also symbolized by the Solar orb in the sky as it was always the supreme symbol of the serpentine light force of the inner soul or Sol. In the ancient world Snake was spelled: "Sunake." They are one in the same.

Within this its quite possible knowing that the N is also spelled on purpose M. And in the ancient texts O M , the O is the symbol of the union of the A and U together which generates the M or third principal. Hence it could well be S-Aum-script. , Which holds the same meaning. AUM being the gold in the work, the sun.

And Sanat being: S-AUM-AT

In the Eastern texts Sanat states his name is: "AUM." And he carries the Trident to symbol this trinity.

<http://groups.yahoo.com/group/JoSNewsletter/message/393>

San-at. Who in the symbolic tradition comes from Venus [symbol of the kundalini] with 144,000 souls [The Nadis] to liberate the earth {perfect the Soul}. The title of the perfected light of the soul, thus perfected being. Is in the name San-at. Satan is the light of the soul which is the light of the serpent.

This is another step in the destruction of our history, I think you are correct they keep taking steps, will anyone stop it? that sort of thing... the statues of Enki that v monuments damaged, the roads and mcdonalds built right near Giza with trucks going past causing the Sphinx damage. In a documentary I saw 'Egypt what lies be in the BBC and SBS Australia and Brittish version of this film which is much longer) discoveries were being made new in Egypt not long ago, and the sites were mark

begun, and then something terrible happened. When all the shit hit the fan in Egypt they had to leave, the archeologists had to leave the sites. When they returned even a makeshift cemetery was BUILT OVER THE TOP! to STOP further digging.

The Smithsonian has thrown artefacts into the sea... things are stolen, hidden or destroyed. In Australia there was a 'possible' Pyramid that was being investigated. government decided to run a HWY through it and the whole thing was treated like a joke.

Yes it will continue unless they are stopped! If people don't know they won't care, some still won't care but better for people to be told and shown these things than

Hail Satan!

Subject: FBI files reveal ADL's long history spying on peace, pro-Palestinian

My note the ADL was founded to defend the Jew Leo Frank. Who after being caught in his web of lies, one lie so obviously that, to the point of being considered by the court a confession of guilt. And later convicted of being a child rapist and murderer. The Jews still scream it was Anti-Semitism. But it was actually Semitism as the Jew is a compulsive, Talmudic creature and it was in Leo Franks DNA, to do what it did to little Mary Phagan. And then try and get away with it.

Frank's victim, 13 year old Mary Phagan paided the price for the Jew living amongst us. The Jew is our misfortune.

The only answer to Jewish semitism, is Gentile anti-semitism. Normal, caring and good Gentile people are have and will always naturally be anti-semitic. Only perverse, freaks are not. For the Jew is an evil creature. And the truth is anti-semitic.

http://news.yahoo.com/fbi-files-reveal-adls-long-history-spying-peace-142100476.html;_ylt=A2KJ2PaylZZR1TUARrrQtDMD

WASHINGTON, May 16, 2013 /PRNewswire-USNewswire/ -- The following is being released by the Institute for Research: Middle Eastern Policy:

FBI files about the Anti-Defamation League (ADL) have been released under the Freedom of Information Act. Now online at the Israel Lobby Archive, they reveal tactics of ADL operatives working undercover to infiltrate and neutralize groups the ADL deemed subversive or hostile to Israel. Files also reveal the ADL's long-term and often unsuccessful efforts to forge and leverage and publicize formal liaisons with the FBI.

On August 5, 1940 the ADL confidentially supplied contact information (PDF file) of nearly 1,600 ADL members to the FBI to serve as informants and undercover sources. An FBI letter (PDF file) advised that "the Anti-Defamation League does not wish it to become generally known that they do employ private investigators." The ADL told McClure Newspaper "a certain number of FBI men have been taken into the ADL for coaching on the finer points of investigation work that have been developed by the voluntary organization." FBI directors also ordered field offices to liaise with ADL regional offices in 1968 and 1985.

An ADL operative using illicit press credentials was arrested at a Madison Square Garden disrupting an anti-war rally in 1941. "The ADL had then brought 'tremendous pressure to bear on Commissioner Seery and the Mayor's Committee on Press Cards to drop the Forster incident the preceding night." The effort to quash prosecution included offering payoffs and planting hostile news reports, according to the FBI report. (PDF file)

A 1951 investigation of the Arab League and activities of Egypt and Saudi Arabia the ADL brought to the FBI quickly fell apart. FBI Director John Edgar Hoover wrote on November 23, 1951, "material which the Anti-Defamation League has been channeling to this Bureau in the past is now believed by the officials of the League to be absolutely unreliable..."

A 1957 FBI review of ADL reports noted the ADL campaign to free captured Soviet atomic spy Morton Sobell. ADL content, wrote a concerned special agent, consists "mainly restatements of the committee's claims, reprints of book reviews of books sponsored by the committee, quotations from briefs being submitted to the courts by attorneys sired by the committee in support of their petition for a new trial, press releases announcing plans for new court actions...plans for meetings or dinners organized to raise funds." Sobell admitted spying for the Soviet Union in 2008.

In 1969, the FBI proposed investigating the ADL as an Israeli foreign agent after three ADL undercover operatives infiltrated and strategized the takeover of the Organization of Arab Students posing as news reporters. An in-depth report of the incident is available at FBI files reveal ADL spied on Arab Students. The FBI reported the "investigation conducted by ADL, using code name sources, pretexts such as local news reporters recruiting of Jewish refugees from organizations such as HIAS (Hebrew Immigrant Aide Society) to infiltrate the OAS in NYC. Of course, there is no evidence to indicate this information is compiled on behalf of a foreign principal, however, it is felt incredible to assume it is not furnished to an official of the Government of Israel..."

In 1993 the FBI interviewed 40-year undercover ADL operative Roy Bullock, who had improperly obtained social security numbers and drivers licenses from San Francisco Police Department officer Tom Gerard. Gerard and Bullock infiltrated and obtained information on California Pro-Palestinian and anti-Apartheid groups as paid agents of both the ADL and South African intelligence services. The ADL paid tens of thousands in damages over the incident and promised not to collect confidential information in the future.

JEW INVENTOR OF ADHD'S DEATHBED CONFESSION: "ADHD IS A FICTITIOUS DISEASE"

[My note] This article gets into the fact the Psychiatrist profession is a Jewish run operation like the Jewish Psychoanalytic movement. That is in the job of making up bogus conditions to then charge big bucks for bogus cures. Hand in hand with drugging up and dumbing down the Goyium and leaving them in a Zombie state. In many cases causing suicidal behaviors, violent behaviours and leaving the person damned in a mental prison as the effects of years of these drugs takes its toll on their physical health.

Its no mistake the Jewstream health info keeps telling the populace that a diet opposite to the one we need is the best. This leaves the person broken down into a host of mental and physical illness. And the Jew cashing in on the effects once again.

The Psychiatrist scam also creates the base for creating the premise to vilify any opposition to their global agenda while also pushing their Kosher, Communistic lies under the guise of "Science." Which is secular Theology.

One can click here and witness the children who died from taking their pharma poisons for having a Jew made up, bogus illness. Along with studying the destructive effects it has on those who take it in general.

Appeals to the FDA is a waste of time. The whole thing was founded by the Jew Fishbein to be a front for this very Jewish rackets. It exists to strong arm any Gentiles who actually develop and find cures to illness. Including working cures for cancer going back to the 1930's. No money in a cure, especially when the Jewish owned corporations are working so hard to make people sick, dumb, poor and dead. Such as the Jewish Monsanto corporation which is allied with the Jewish Bayer corporations. Bayer was caught knowingly shipping HIV infect blood to second and third world nations. They stated it was not illegal and after all they had to make a profit:

INVENTOR OF ADHD'S DEATHBED CONFESSION: "ADHD IS A FICTITIOUS DISEASE"

Posted by Tatiana OV Admin on May 17, 2013 at 5:30am

Fortunately, the Swiss National Advisory Commission on Biomedical Ethics (NEK, President: Otfried Höffe) critically commented on the use of the ADHD drug Ritalin in its opinion of 22 November 2011 titled Human enhancement by means of pharmacological agents: The consumption of pharmacological agents altered the child's behavior without any contribution on his or her part.

That amounted to interference in the child's freedom and personal rights, because pharmacological agents induced behavioral changes but failed to educate the child on how to achieve these behavioral changes independently. The child was thus deprived of an essential learning experience to act autonomously and emphatically which "considerably curtails children's freedom and impairs their personality development", the NEK criticized.

The alarmed critics of the Ritalin disaster are now getting support from an entirely different side. The German weekly Der Spiegel quoted in its cover story on 2 February 2012 the US American psychiatrist Leon Eisenberg, born in 1922 as the son of Russian Jewish immigrants, who was the "scientific father of ADHD" and who said at the age of 87, seven months before his death in his last interview: "ADHD is a prime example of a fictitious disease"

Since 1968, however, some 40 years, Leon Eisenberg's "disease" haunted the diagnostic and statistical manuals, first as "hyperkinetic reaction of childhood", now called "ADHD". The use of ADHD medications in Germany rose in only eighteen years from 34 kg (in 1993) to a record of no less than 1760 kg (in 2011) which is a 51-fold increase in sales! In the United States every tenth boy among ten year-olds already swallows an ADHD medication on a daily basis. With an increasing tendency.

When it comes to the proven repertoire of Edward Bernays[My note Jew and related to Jew Freud], the father of propaganda, to sell the First World War to his people with the help of his uncle's psychoanalysis and to distort science and the faith in science to increase profits of the industry what about investigating on whose behalf the "scientific father of ADHD" conducted science? His career was remarkably steep, and his "fictitious disease" led to the best sales increases. And after all, he served in the "Committee for DSM V and ICD XII, American Psychiatric Association" from 2006 to 2009. After all, Leon Eisenberg received "the Ruane Prize for Child and Adolescent Psychiatry Research. He has been a leader in child psychiatry for more than 40 years through his work in pharmacological trials, research, teaching, and social policy and for his theories of autism and social medicine".

And after all, Eisenberg was a member of the "Organizing Committee for Women and Medicine Conference, Bahamas, November 29 - December 3, 2006, Josiah Macy Foundation (2006)". The Josiah Macy Foundation organized conferences with intelligence agents of the OSS, later CIA, such as Gregory Bateson and Heinz von Foerster during and long after World War II. Have such groups marketed the diagnosis of ADHD in the service of the pharmaceutical market and tailor-made for him with a lot of propaganda and public relations? It is this issue that the American psychologist Lisa Cosgrove and others investigated in their study Financial Ties between DSM-IV Panel Members and the Pharmaceutical Industry⁷. They found that "Of the 170 DSM panel members 95 (56%) had one or more financial associations with companies in the pharmaceutical industry. One hundred percent of the members of the panels on 'Mood Disorders' and 'Schizophrenia and Other Psychotic Disorders' had financial ties to drug companies. The connections are especially strong in those diagnostic areas where drugs are the first line of treatment for mental disorders." In the next edition of the manual, the situation is unchanged. "Of the 137 DSM-V

panel members who have posted disclosure statements, 56% have reported industry ties no improvement over the percent of DSM-IV members." "The very vocabulary of psychiatry is now defined at all levels by the pharmaceutical industry," said Dr Irwin Savodnik, an assistant clinical professor of psychiatry at the University of California at Los Angeles.

This is well paid. Just one example: The Assistant Director of the Pediatric Psychopharmacology Unit at Massachusetts General Hospital and Associate Professor of Psychiatry at Harvard Medical School received "\$1 million in earnings from drug companies between 2000 and 2007". In any case, no one can easily get around the testimony of the father of ADHD: "ADHD is a prime example of a fictitious disease."

The task of psychologists, educators and doctors is not to put children on the "chemical lead" because the entire society cannot handle the products of its misguided theories of man and raising children, and instead hands over our children to the free pharmaceutical market. Let us return to the basic matter of personal psychology and education: The child is to acquire personal responsibility and emphatic behavior under expert guidance and that takes the family and the school: In these fields, the child should be able to lead off mentally. This constitutes the core of the human person.

EMMA ALBERICI, PRESENTER: The NSW Special Commission of Inquiry has been told that a police investigation into alleged concealment of child sexual assault by senior clergy in the Hunter was very thorough.

Ian Lloyd QC was brought into the inquiry to assess the three briefs of evidence presented to the NSW Director of Public Prosecutions by Strike Force Lantel.

Mr Lloyd's report revealed that one very senior serving clergyman has refused to give an interview to the strike force.

Suzie Smith reports from Newcastle.

SUZIE SMITH, REPORTER: In the witness box former senior Crown Prosecutor, Ian Lloyd QC. He's the Commission's independent witness called in for his professional opinions. Today he was asked about the claim by whistleblower police officer, Detective Chief Inspector Peter Fox that Strike Force Lantel was set up to fail. Mr Lloyd told the inquiry the strike force's briefs were of an excellent standard. He said:

(EXTRACT FROM REPORT TO SPECIAL COMMISSION)

IAN LLOYD, QC (VOICEOVER): The Brief of Evidence is as good as I have seen in many countries... It is on an excellent standard... thorough and rigorous...

SUZIE SMITH: Mr Lloyd also gave evidence about the key witness statements taken by DCI Peter Fox for his investigations. He told the inquiry they were of a fundamental importance. He said:

(EXTRACT FROM REPORT TO SPECIAL COMMISSION)

IAN LLOYD, QC (VOICEOVER): It's patently clear... that DCI Fox has great empathy and had formed a very fine rapport with victims he's interviewed.

SUZIE SMITH: Ian Lloyd QC dismissed claims that the investigation had gone on too long. He said the two year period was not unreasonable given the historical nature of the crime. In his report tendered as evidence to the inquiry, he said one senior serving member of the clergy had decided not give an interview to police.

(EXTRACT FROM REPORT TO SPECIAL COMMISSION)

IAN LLOYD, QC (VOICEOVER): The one exception, a still serving senior member of the RCC (Roman Catholic Church) clergy, exercised his legal right to refuse to be questioned by police.

SUZIE SMITH: A statement tendered yesterday by the head of the NSW Sex Crimes Squad Detective Inspector Paul Jacob referred to:

(EXTRACT FROM REPORT TO SPECIAL COMMISSION)

PAUL JACOB, DETECTIVE INSPECTOR (VOICEOVER): Archbishop Wilson and his declining to be interviewed... I do not regard this as an obstruction, but merely as the exercise of Archbishop Wilson's legal rights.

SUZIE SMITH: Archbishop Philip Wilson is the head of the Archdiocese of Adelaide.

Also giving evidence today Assistant Commissioner Max Mitchell. He denied he gave DCI Fox a direction to stop investigating the alleged cover up by members of the clergy of paedophilia in the Newcastle Maitland diocese.

The inquiry resumes again in late June in Newcastle.

Subject: Marijuana

I know this has been a hot topic around here, and I just mainly want to point out a few things I've noticed about the subculture surrounding it.

Anyone can do a web search and find a pro-cannabis argument written by a typical stoner. I get sick reading these because they are laced with the core fundamental principals of liberalism (reads communism). "marijuana ends racism, cures cancer, and makes brain cells grow man." Well, actually, its the subculture that promotes race mixing, and it just makes you feel funny after chemo, which is a totally unnecessary process for treating cancer. I doubt it promotes brain cell growth if these people buy into all the liberalist shit that dumbs them down.

The truth is that it makes you receptive and open to suggestion. Which is why its promoted on one side in the first place, so people that start to realize what's wrong with the world become subdued to the same ideology that corrupts everything.

You must remember, Judaism, Christianity, Islam, Marxism, Communism, Liberalism, Feminism, and ilk are all the same ideology with different pictures, and that ideology is the Talmud.

Now because marijuana is illegal, the secretive business of drug dealing has sprung up and even has its own name, "creatively" given I might add like the typical stoner would. Its called "The Union" which may as well be called the Soviet Union if looked at on a bigger scale. I'm not going to elaborate on the business side here, but watch the documentary of the same name. Its on Netflix, and I'm sure on other places online.

So on one side you have prohibition, while on the other you have a subculture that's openly promoted by the same government that outlawed it. They use this to subvert more intelligent young gentiles and generate a growing prison population.

The so called "War on Drugs" will never work because it was never about drugs. Its about enslavement, both culturally and literally.

Now I realize that we Satanists are free to do what we please. And I do not promote illegal activity, but anyone who chooses to do this should at least be aware of how this is used against us.

I encourage everyone to do their own research with this, because I'm still researching this myself and would like to know what others have found. And i realize its a weaker drug that has potential uses other than getting high, such as industrial hemp (not marijuana, but same basic plant)

13 year-old Palestinian boy shot at by Jews, tortured by Jew soldiers

{My note this is nothing new what the Jews have done to the Palestinians they have done the Gentiles everywhere they go. Which is why they have been kicked out of 84 nations 109 times and are universally hated. Including the sixty million and up Gentiles they mass murdered and tortured in their Soviet Jewion, slave state. Which ran a system of death camps and all:

<http://groups.yahoo.com/group/JoSNewsletter/message/282>

The core of Juadism is a policy of mass murder and enslavement of the "Goyium." What goes on in the Jewish state is just the Jews being able to be what they always have been, openly.

The Jews have always been found under their own confession and in court to be guilty of ritual murder of Gentile Children:

<http://groups.yahoo.com/group/JoSNewsletter/message/242>

Don't be fooled by the fake "anti-Zionist" Jews they exist to do nothing but control dissent and misdirect the Goyium. And keep them within the control of their jewtrix of lies. To the point many Gentiles in this area are openly noting its become about groveling before the Jews as more special then anyone, then opposition to the Jewish State and its exterminationist policy towards the Palestinians.

UPDATED: The 13-year-old Qaryut boy attacked by settlers on 16 May completed an operation on his lower leg and foot on Friday and has since been released to recover at home. He also provided a full account of his attack and the time he spent in an Israeli jeep untreated and tortured for information he neither had nor could speak of due to the pain from his untreated injury.

The boy said he was alone on his land near the illegal settlement of Eli when he was attacked. His friend was coming to join him when settlers began shooting at the boy. He ran, but fell from a big drop in the land, being on the mountainside. Settlers pursued him but he dragged himself on his stomach by some bushes. He was in great pain but kept quiet, afraid of settlers or soldiers finding him and continuing to attack him. After some time, his phone rang when his sister and friend called him. The soldiers then found and descended on him, threatening him with their guns while he lay, unable to move, on the ground.

Below is video of the boy's harassment when the Israeli soldiers found him; the video is taken in the village area down the mountain from the nearest illegal Eli settlement houses, in view of the land where the boy was attacked. He said that the soldiers and settlement security official (DCI) threatened to kill him.

Video by B. Qaryoute

No one from the village could come to the boy's aid for risk of being shot at by the soldiers. Local Red Crescent representatives said that a man from the municipality was with the soldiers and was told that the boy would be treated in an Israeli ambulance and possibly taken to an Israeli hospital. However, as the Red Crescent, the boy's family, solidarity activists and nearby villagers waited, watching the soldiers on top of the mountain for two to three hours, the boy was untreated and tortured by Israeli army officials for information.

"They said I was trying to set fire to the land by the settlement; they said I was with three others and had a lighter and a firebomb," the boy said. "They would twist my leg every ten minutes or so when I would not give them names [of those with whom he was accused of conspiring]." The boy said he was also beat for information.

The boy's interrogators also told him they had pictures him, evidence against him, and that a soldier had seen him. "Why don't you ask the soldier, then?" the boy said. Reportedly the response to this question was, "No, I want to ask you."

Finally, the local Red Crescent brought an ambulance to the entrance of the illegal settlement where they were given the boy, untreated. The boy's grandfather said that his grandson's flesh near his ankle was open, his leg wobbly, and black flesh showed from the boy's yet untreated injury. The Red Crescent immediately took the boy to the nearest hospital in Nablus: Rafedia hospital 30-45 minutes away.

The area of the boy's attack has seen several settler attacks on the nearby houses. Most notably, settlers from Eli have several times in the past year set fire to Palestinian olive trees near the house Im Fayyiz, a woman known in the village for her long-time struggle with attacks by the nearby settlers.

Qaryut also suffers from a key road-closure of a road leading to both Nablus and Ramallah. Previous peaceful demonstrations to open the road, however,

have ceased due to fear of more arrests, as 15 innocent Qaryut villagers, mostly young men, were arrested in the past 5 months for peaceful activism in taking part in the demonstrations. _____

At about 2pm on 16 May, a 13 year-old boy was shot at and beaten by settlers and soldiers; he broke bones in his leg running from the shots at him and from being beaten. After falling, the boy was threatened with his life by settlers, but soldiers arrived and stopped the settlers from killing him before threatening the young boy with three guns while he lay injured and immobile on the ground.

The young Qaryut boy here has his entire right leg in a cast, expecting potential surgery (photo: ISM)

Initial medical attention was not allowed during the time Israeli soldiers had taken the boy into their custody, implying that he would be treated in an Israeli ambulance. However, three hours later, the boy had to be picked up, untreated, by the Red Crescent and taken to Rafidia hospital in Nablus.

When solidarity activists saw the boy, his entire right leg was wrapped in a cast. Later he described that he was sitting on his land which is close to an illegal Israeli settlement bordering Qaryut and famous for attacks such as olive tree torching. Settlers shot at him and he ran from the shots. When he fell, the settlers beat him and were going to kill him, but soldiers arrived and told the settlers could not. Afterwards, the soldiers also shouted at the boy with guns pointed at him.

The boy may undergo surgery for his broken bones.

Just two days before this attack, Qaryut faced an olive tree torching attack from another nearby illegal Israeli settlement and the village has a history of well-documented settler attacks on its land. In addition, Israeli military have closed a Qaryut road to Nablus and Ramallah for Palestinian use as the road is not far from illegal Israeli settlements on Qaryut land. Currently, 15 mostly young Qaryut men have been arrested for activism in peaceful demonstrations against the key road's closure.

Subject: Siva, Surya And The Bull Of God

Siva, Surya And The Bull Of God

If one looks at the ancient image of Siva from the Vedic, Indus Valley civilization. You will note he is depicted with three faces sitting with the bullhorn shaped, trident above his head. The ancient symbol of the One God in trine part.

The Indus Valley was the last pure Vedic civilization. Before the changes that would lead to the Hindu periods and their confusions and corruptions.

In the Vedic world the Trinity was Agni, Surya, Indra. And within this Surya is the perfected or White stage. Within The Veda we have Siva as a title applied for these Gods. Hence Siva originally is another title for the One in three. Si represents fire [male] and Va water [female] hence the polarity in union. And the symbol of the lingam and Yoni. And the six pointed star of Visnu [Surya] also used for Siva, which represents the union of the polarity of the soul into the perfected state. As stated in the: Supreme God. Article, the Jews simply stole this symbol much later on.

Surya is the mantra of the Sun for a reason.

All the waves of light are embodied in the sun. The seven [many times Surya has seven horses pulling his chariot] octaves of light of the chakra's merge into the octave of white light. The Perfected soul vibrates at the highest frequency as sound makes the form. Hence the Gold in the Work.

We also have the journey of the Sol through the 12 signs of the Magnum Opus. Such as Hercules and his 12 labours. After which he is originally crucified on a tree and resurrected as an Olympian. The Egyptians and Greeks noted that Hari [Horus] and Her-cules where the same God. Which is the traditional sun God mythos. Being repeated. Always the spiritual sun [symbolized by the serpent] and its perfection.

As I wrote before Surya is Ptah-Osiris in Egypt. The sacred Bull , Phallus, world column and Serpent, Trident [staff] are symbols of the same God in Egypt as is still of Siva today. Surya is also depicted in the Vedic tradition as being four armed and blue, Lord Narayana. Which Siva is traditionally depicted as well. As I stated before Visnu originally is a title for Surya in the ancient world. Hence his depiction in the same. Because it's the same God. This is why Osiris and Vishnu-Siva have the six pointed star as their symbol. As the scholar and Sivaite, Danielou points out during the period of the Indus Valley civilization. Siva was the holder of the title Lord Brahma. And originally as Lord of the Animals the avatar of the Boar and Matsya or Fish avatar, Lion avatar, etc. Belongs to Siva. As does Krisna, etc. This is because at the core this is simply Surya.

For an in-depth look on this subject.

The Supreme God:

<http://groups.yahoo.com/group/JoSNewsletter/message/418>

The Bull was so sacred to the ancients from Europe to India. The word God comes from the ancient word for Bull. Go, and the Bull and Goat where used interchangeable Hence the German Got. The totems of the God Satan. The G is also a serpentine symbol in sacred lettering. And the O the union of the masculine and feminine. This is all of Satan.

Satan as stated before translates to:

<http://groups.yahoo.com/group/JoSNewsletter/message/439>

The name of our God Satan means: "Shining Serpent." Sat relates to illuminated or shining and An the title of the Serpent.

As stated His title of Good Serpent. Good means Shining in the ancient world.

Shining Serpent is also the meaning of Aryan. As I have detailed in another article.

In the East we have the Bull of Dharma for this reason. The four legs represent the four elements and the horns the symbol mercury. The Bull was used as the symbol of the Sun [spiritual sun] for this reason. And the ancient texts stated: The Bull is the serpent and the serpent is the Bull. It's a serpentine symbol of the perfected light [light] force. Surya meaning: Perfected Light.

The long haired Merovingian's symbol was the Bull. The wearing of the hair long was traditionally done to honor the God Siva also worshipped as stated. Dionysus. Mer-O relating to the perfected life force. Mer the perfected light of the soul and the O the Godhead. The union of the male and female aspects of the soul. Depicted in the Ouroboros and the symbol of the sun or Gold. This is why the race of perfected ones [Gods] was also called the Mero's.

This is why the dancing image of Siva Nataraja brought in around the tenth century is important. This image is originally of the Vedic, Usa the Goddess of the Dawn and Surya's wife. Siva is the united male and female. Like Osiris. Who is Surya in Egypt. Which is the symbolic union of with Isis [Usa] generates Hari, the reborn Osiris. The same with Surya and Usa union generates Hari in India. Hari is another title of Siva. Helios is another spelling of Hari. So is Har. Hence D-har-ma. The wheel of Dharma is traditionally used as the symbol of the Godhead in the East.

Some of this survived into the later period with the middle prong of Siva's trident being related to Visnu [Surya]. The center prong being where the two opposites united into the perfected state. The White Stage.

Hari is also the title of the Aryan race. Hari, Ari, Harya, Arya. The H denoting the serpent.

Dharma in detail:

<http://groups.yahoo.com/group/JoSNewsletter/message/427>

Aryan:

<http://groups.yahoo.com/group/666BlackSun/message/644>

Aryan part two: Siddhie:

<http://groups.yahoo.com/group/666BlackSun/message/760>

Si-va is also the root of Siddhie/Siddha.

Sri Lanka which was originally called Heladiva where Siva has been worshipped as the Head God and noted Lord of the First Sangha [Atlantis in the West]. As stated in the East the letter H denotes and represents Siva and the serpent. And how this relates to the Mercury or serpentine light [life] force. Hence why Siva main bija mantra that represents him is HAUM.

The famous Siva mantra that translates to: I am Siva. Sivoham. Has the Haum properly spelled. Siva is the serpentine life force. And what the O represents.

In the Siva Purana Siva also states he is: AUM. The trine mantra and represents his trident. The three faces of the Sol God. AUM being the mantra of the Sol God. As stated with the Surya stage as the middle.

With Surya we have the root of Sanskrit title of the Suasti [Swastika] . And of course our word for Sun.

More on this subject:

<http://groups.yahoo.com/group/JoSNewsletter/message/444>

Heladiva we have another spelling of Helios or Hellos the title of Surya in the West. The H denotes the serpent and El denotes shining. The O, on its own is the circle of union with the AU become one generating the third power of the reborn soul. And in the case of Hel-IOs we have the IO denoting the same the male phallic and female yoni symbol side by side. In my article on Primordial Buddhism. I showed how Buddha is originally a title of Surya. This is further noted at Bodhi Gaya the heart of Buddhism to this day in its inner sanctum has the image of Surya on the wall. Depicted in the Traditional manner of Helios in the West. With the many horsed chariot of the sun.

More on this.

Primordial Buddhism:

<http://groups.yahoo.com/group/JoSNewsletter/message/423>

As stated before:

As we see Hela-Diva, Hellas, Hellenic, Helios, etc. The ancient Greeks [Hellenic's] like the all the Aryans stated they came from a common Primordial homeland. In the east. Interestingly we can see the racial population of modern Lanka has changed. Dug up, Palace images from over 1500 hundred years ago. Show White people many with red hair upon the wall fresco's. And it was known Aryan populations inhabited the Mal Dives down thought the Pacific even current New Zealand was originally populated by Aryans. As the current Maori even mention, and the archeological finds show. Hela relates to Hari as well. Another spelling of Aryan. And a title of our God.

Its no mistake the ancient Greeks stated they where: Serpent Born. Their name Hellenic's literal is that. The Shining Serpents [Aryans. H-arians].

You can still find Brown skinned Dravidian people with blue, green eyes, etc. The remnant of Aryan genetics'.

We can also see why the Visnu yantra [Surya] is the 64 grid number square of Mer-cury. And contains the square and circle the union of Godhead. And note the ancient temples to Surya are built in a symbolic chariot shape in some areas of India.

This is why as noted:

<http://groups.yahoo.com/group/JoSNewsletter/message/426>

Mount Kailish the sacred mount of Siva [also to Bon]. From a UN report shows strong evidence of being man made on some level. And could be a vast human built pyramid. That was the central focus of a larger world wide system of such sites. Its noted to be a center of a region of a hundred smaller pyramids in total. And the Bon's mention it as being the nine-story Swastika Mountain and

the seat of all spiritual power.

The heart of the ancient religion was in the Aryan East and its central core was dedicated to our God. Siva [Surya]. The Perfected Light. Of the soul.

Subject: Nature

The Gods are a superior race. Anyone care to debate this?

This is a bizzare cognitive dissonance of our Liberal, society and the left in general. They affirm evolution but evolution presupposes human inequality, individual and collective, by its very nature. People are sooooo upset by this its amusing. I love watching a Liberal trying to rationalize this into their egalitarianism.

The fact is people are trained to associated the reality of differences between genetic groups as negative on purpose and its not a good purpose either. We all can't be one if such metageneic differences exist. Wave bye, to Xianity, Communism, Liberalism.etc

The ideal one biological group is more superior due to millions of years of hard won struggle and overcoming, surpassing and growth. Is reality. Its part of the beauty of nature. Seeking the best and most noble at the top. Nature is Aristocratic.

The weaklings and resentful thumb suckers. Can't take this fact because it triggers their inferiority complex's. No one can be better then anyone. That way they can feel better about their lack of character developlment.

Life is about growth and empowerment. We don't have to be where we are at today a year from now. We can surpass it.

Yeah, Tomás de Torquemada was a converso Jew, who the Big Jew gang put in charge of the inquisition in Spain to make sure as much of their fellow Jews as possible got off the hook.

The Vatican was pulling their hair out over the situation in Spain. And doing everything possible to stop it and protect their fellow Jews. One reason is anyone with a brain knows where it leads when you find out the highest ranking Catholic Party officials in Spain are all crypto Jews. Then you realize your just looking at the microcoism on this.

Gentiles in Europe where not stupid either. They knew the Catholic Church was the most Jewish power structure on earth its was that obvious such as the Jesuits where founded by five Jews.

This is why the normal hatred of Jews erupted during the period of the Protestant movement in Europe. Luther the agent had to convince the Europeans that somehow the Jews where against xianity and Jesus. Because people where rejecting this program because they knew it was of the Jews. And there where still areas of Europe Paganism existed within at this point. The people where going back to and openly the Aryan religion. You can see the whole Templar started, rebirth movement was a return to Paganism. Hence why the church opposed it. And then tried to hijack it.

Its no mistake SF has a official policy that Satanism is banned. And Christianity is pushed. Even the Neo Pagan sections where purposely dismantled down to nothing.

Lets destroy the Vatican now, once and for all. They have been feeling the pressure on their skin. This can manifest either as decreased attacks for some, while at the same time, more attacks towards those who fight in this. Satan will reward you as he already is. We need a world without this scourge. They are very worried. Bring in your mind all the incessant, unending attacks we have received and march on. As for our people who have completed any other workings, they should keep going with this.

Lets not stop before they are all dead and gone, a part of the past. Energy is building up and it will fuck them real hard. It must be reminded that they have been trying to secure their success for thousands of years; Satanism came in such rise only as of late and xianity is crumbling exceptionally fast. This shows our greater power against this scourge.

Yes, I wanted to mention that here too in Hellas there is this thing. Most if not all xian clergy, I would say 80% is jewish undercover. I will not mention how insane shit they say and their greedy, jewish behavior, as this is evident. I always fail to understand how one is so stupid as to take the 'love everybody as equal' philosophy and submerge it to NS. This is just sick and a lack of knowledge. Its known that the hiding den of the jews was almost at all times the 'clergy' of the religions they established.

Makes you wonder why Rosenberg's book shaked the 'German' church to its ground and cause so much fear. Makes you also wonder why Heinrich Himmler

[Second man in power in Germany as some believed] made all that effort to bring the enemy 'church' down. Because its just jewish and nothing else.

Since 'love everyone' means 'be the eternal slave of the abusive jew' in the actual reality. Now idiots take this and twist it. I wonder, how one with his brains in the head can support this. Its just that the enemy 'NS' 'Leaders' are pushing this. If you see their 'proofs' on why xianity and 'jesus' are interconnected, its not only amusing and laughable, but straightout lies.

They have duken-heim at the top. Some other plastic-men. Then some hardcore xians. Thats not NS, thats a laugh, for real.

Subject: Re: Question on National Socialism.

It's amazing how no matter how you try to tell Christians like these that the Talmud does NOT "blaspheme" that Jewish Nazarene, but Satan, they become more defensive and want to Aryanize Jesus. I have never used SF, but have only read the Christian stupidity, where the anti-Aryan mentality of Christians mixes truths with lies.

"More Christian and more anti-semitic???" There's the oxymoron of the century, as the Christian Bible actively forbids so-called "anti-semitism." The Christian Identity fools have it backwards. In the New Testament [just as Jewish as the Old Testament], the Nazarene's reference to a "Synagogue of Satan" is a message for the Jews that means that they/the Jews get to take over the world while the "Goyim" are damned...not the other way around. The Jews are not of Satan. I will write a full sermon with citations on this when I can. The point is that one cannot be a Christian and a legitimate White person at the same time. A Christian may try to be "anti-semitic," but the Jew owns them at the soul. Christianity destroys the soul, which in turn rots the physical identity.

Anyone with 1/4th of a brain can realize that "Satan" means ENEMY of the JEWISH people, and NOT of humanity! Gentiles are not the "true Jews;" the people of Yahweh-Jehovah, like the Christian Identity people believe. We are the True God's [Satan's] Chosen. Our skills as creators, inventors, and warriors are enough evidence for this to be so.

I even thought to enter that forum and spread some articles of the 666blacksun, but I quit with it when I saw a topic called "Who are your Aryan heroes", and one of the answers were: "Tomás de Torquemada for appling inquisition and persecuting muslins and jews in Europe. To make a more christian and more anti-semitic Europe! Heathens to the fire!"

Basically, this is not even Neo Nazism, this is just worse and more detoriated. I have checked some of their posts and not to mention the trolls making all sorts of parties in there, I notice they have no direction really. Most are xians and that sort of deal. I wonder how. In anyway, I would not heed

the advice or guidelines from the SF neither. Any idiot pretends to be super White, at the same time in their nightly prayer, worshipping the jewish nazarene zombie. Absurd.
