But I kept imagining...What if...What if I actually become Botticelli, or did overthrow DaVinci. I would have so much fun indeed! I would prove the Superiority I know exists within me!

Well sometimes I have bouts of "Devil" though. As much as I wanted to believe that we are all equal, it didn't seem to work. I still getting nightmares. I kept affirming to myself the words of my mom like a mantra "We are all equal. I can do whatever I want to do. Jesus has a place for me in heaven. Only god can judge me"

"If I would gratify my desire for the moment, become what I "want" to be "now", not accept my nature, or receive acclaim that I don't deserve, I would just fuck up the community of art my whole life." This is what my Devil said again... And it continued. "And crush everything, for everyone in the art world, for ever. And also, get them to become stagnant and blind because people like Da Vinci or Michelangelo, could give so much more than me, to what I supposedly want to help because I love...Infact, I would gain so much more from them as well and be happier.", continued my Devil sense, which I have shut down.

"MOMMY AND DADDY WERE CORRECT. I CAN BE BOTTICELLI AND EVERYONE I WANT. YOU ALL PEOPLE ARE RETARDS", I used to shout in class. "You Leonardo, you suck dick, you are the most worthless person around the globe and planet! I wish you die!". Really felt good to shout that way. I felt gratified. My friend tony the vegan liberal affirmed, as well, "Yes Leonardo sucks". So we took our friends from the class and minded our own trip...I mean I knew these guys for many years. They cared for me.

They used to always tell me "You will become a great painter. Don't let anyone put you down. Doesn't matter if for close to a decade you can't paint a line. One day you will paint the Magnum Opus of Humanity" Tony's jewish girlfriend continued: "Yes, don't listen to these motherfuckas. Now let's go smoke some pot to open your mind. Rumors have it Leonardo smokes pot as well".

Not that I would listen to what Leonardo does. I hate this guy. All my friends know. But what if the rumors are true and does it indeed open the mind? Maybe it will help me out. You know, get this edge. I mean, I am so close to surpassing him already. Who cares if his Mona Lisa bullshit is according to some a masterpiece. My "Shit and Lines on a Canvas" is the GREATEST thing of all times...

So times went and I started smoking pot. Getting high and everything. Then I felt, the time is now. Now I will create the work of the aeons.

I made something strikingly similiar to the other things I always did. Well. A bit better. It had a different FEEL to it. Mommy said, "if it feels right, you must do it". This is what she said when I got my chinese girlfriend. My mom was from Africa and she was married to an Eskimo, but thing is, there is another

mantra of my mom "Love Conquers all my boy, never forget it".

Well my painting still seemed whack.

I started becoming disappointed.

So one day I was in the street and I saw something strange. Some people were making a parade, and they all had like an armband with a symbol known as Swastika. Ew, what an Anti Semitic, Bigot symbol. To my amazement, these people were like all in line, smiling and such. Duh. Can't these idiots see that they put the tall guys in the frontline and the short ones on the back?

"THIS IS RACIST and DISCRIMINATIVE", I kept shouting. Well the guy in the last row held a sandwich and a Hitler Icecream, and the BIGOT threw these onto my face. I was like "IDIOT, you are being duped! They put you on the last line! DONT YOU WANNA BE ON THE FIRST!". It seemed he lacked my understanding of it. He also smiled and laughed at me with his friends and they kept going. I felt devastated. EVERYONE IN THIS WORLD MUST BE STUPID, THE DEVIL AND HIS NAZIS TOO. Baffled I was so I kept going.

A bit of Hitler Icecream made it into my mouth and I have to admit it tasted good. But it's the Ice Cream of Hitler. Though anyway I just got some and ate it on secret, from my friends. Then something strange happened...

I entered into a deep trance. I fell into the floor. I started seeing light...There was this man, Adolf Hitler on it. I saw parades, I saw people happy. etc. It lasted quite lot than my recent MaryJane trip. Strange. I came out happy as well. WTF? Is my brain wrong? Why I felt so happy?

I mean I Fucking KNOW what I am doing with my life. Nobody is going to tell me what to do. So I kept walking...

Then I found a pamphlet. It wrote on it "Social Marxism Sucks, join National Socialism mindset and understand the REAL order of the Cosmos, so you can be happy!"

I was baffled. I kept reading the phampflet and the points inside it. Then eventually my common sense started returning and I was like, fuck. The Devil Overtakes me. Oh, it seems my daddy and mommy and my conceptions were wrong! I can finally be free by knowing what I am to do and be, and become better. I can be as amazing as these people in the parade earlier! Finally!"

Then I turned into a National Socialist. I went to DaVinci and I was like, man, you were right. I better stay on this bench and help you out a bit, learn how to paint and such. I sucked as a painter. Then I am going to become a space scientist because apparently this was what I should be all along. But I still love paintng.

Leonardo was eating Hitler Ice Cream and smiling. He said this was the drug of success...

"If my love for art is honest, and if I have sufficient self-knowledge, it can be easily answered by my route of action.". The thoughts of the Devil and Mine have became one!

"Will I try to attack DaVinci, or will I just sit on his side and watch, have fun, and learn? Or will I turn into a mere fan of his amazing artwork? If I take the good routes, chances are, everything will be better. I feel so happy!"

"If I take the hostile routes, I will just cause dismay and run the danger of having all the art lovers reacting against my horrible art of lines, and feces on a canvas." The Devil Continued. I came to really like the Devil.

"The answer of if I will be able to follow this route, is answered by this: How much Social Marxism still remains inside me, and how much National Socialism? How much force of decay and death, and how much force of real upbringing?"

Hmmm.. The Devil has some points I said to myself. Leonardo was high on Icecream at the same time. Woah.

A real lover of art, would take the another route, I understood. A real hater of art, would just try to impose himself in the art world.

A real lover of art, who I surely am, I would never get down to try to paint, out of respect for the fact I can't draw a straight line. How can I know? Self consciousness obviously. I just had a National Socialism aweakening of Self Consciousness.

So eventually I learned painting and then became a scientist. Rumors say I made a good scientific breakthrough, not compared to Leonardo. I was happy about it. Leonardo was just happy about ... Hitler Icecream. He mysteriously just survived on Cookies and Ice Cream. He wasn't an imbecile in the end. Just someone addicted to what I understood only earlier...By my enlightenment.

Then I went back home and burned my smoking pot, "Das Kapital" and Bible and all the related books. And I bought Mein Kampf, Joy of Satan printed book etc. Useful stuff.

Then. I pissed on the toilet in the shape of a 6 pointed star.

"Fuck you bitches. My mother was wrong. You made her wrong. I am off to do RTR's, Scum!", I shouted at rage to the enemy jew...

Since I have been a real bigot... At least I am no longer a Social Marxist Retard.

Subject: Satan and Our Gods

Too many people apply Christian principles to Satanism. One does not "pray" to Satan or our Gods for this and that.

Satan is the giver of knowledge. He gives us knowledge on how we can obtain our desires using our own mind and power. When we do this, our minds and souls become much more powerful. We then obtain what we need.

I have worked very, very hard for Satan and the Powers of Hell for over 16 years now. I only ask Satan or Lilith (She has worked directly with me for the past several years), when there is something I can't accomplish on my own. I would never, ever bother them for trivial concerns. Never.

I respect them. I know they are extremely busy. I am grateful beyond words for the knowledge they have given me and they have rewarded me for my years of work in many different ways.

Satanism is about learning and empowering yourself so you can take care of your own needs.

Christians pray and weakly rely upon some nonexistent spook to take care of everything and to control their lives. If the spook is unresponsive, too bad. Many Christians pray for years and years and get no response. Also, the spook doesn't always pan out the way the Christian wants the earnest prayer answered. Many even wind up dead relying on the spook.

Satan gives us the knowledge, the words of power and meditation techniques so we can take control of our own lives.

Satanism is NOT Christianity and should never be approached in Christian ways.

it is interesting that you just posted this. I want to know how you feel about this. I got the idea to re write catholic prayers to be in favor of Satan, not to use the as prayers like the xians but juts to take their prayers away from them. I got the idea from your RTRs. Is this ill advised?

## CURSING THE JEWISH GOD, RITUAL ONE

**This ritual can be repeated as many times as you wish. You can begin this ritual at any time. This ritual is the most powerful we are doing so far and was directly from Satan in that he directed me to this.**

The words below are to be vibrated. By vibrating these words, this will strip the Jews of both protection and power. The more people we have who will be doing this ritual, the better, as there is both strength and power in numbers.

This ritual should be done as often as you are able to, and is a very good cathartic when you feel anger and hatred towards the enemy. All you need to do is vibrate the paragraph below 6 times.

A couple of the words below are guttural. This means the KH syllables are vibrated in the back of the throat. Just do the best that you can. Practice the words [I have included an mp3 of the words for you all to download], as much as you can before performing the ritual.

**RAISE YOUR ENERGIES AND VIBRATE THE PARAGRAPH BELOW 6 TIMES:**

AHT-QHYUH • AHTZUHV • OHK • AHSB • KOHZ •

EHP • UHL • AYG • QHYUH • AH • AHN •

UUT • VOHK • EHKH • GAHT • EE-TZHR • AHT •

AHV • AYHSB • UKH-EEYUH • UH-DEEG • AHN •

SH-AH-EE-TAHN • AH • EER • OHK •

UHTZHT • QHYUH • UHG • UHB • AHH

Vibrate SATANAS

**After vibrating SATANAS, state with conviction 6 times:**

- The Jews have lost all protection
- The Gates of Satan have permanently opened wide
- Gentiles are reacting against the Jews

- The Jews have lost all of their influence over Gentiles
- The Jews have lost all of their powers to control events
- The Jews have lost all of their power, control, and influence over the world

Vibrate SATANAS

Vibrate AUM

**HAIL SATAN FOREVER!!**

---

Key to pronouncing the words correctly:

- AH as in the American English word *father*
- AY as in the American English words *day, say, made*
- EE as in the American English words *seek and week*
- EH as in the American English words *pet, set, and let*
- KH is guttural and the sound is made in the back of the throat
- OH as in the American English words *oh and go*
- R's should be rolled
- UH as in the American English word *cut* and *tub* [very short as in the American English word *About*].
- UU as in the American English words *sooth and tooth*

Atlantis, Dinosaurs, Darwinism, Mu, Cosmic Wars, ET's

This is from a interesting thread in the forum dealing with covered up history...

f0StaR Ch!1d wrote:

The Radio Active Dating methods not being reliable as in we cannot say they are 65 Million years old, I think that's what they were probably talking about High Priest Mageson. That would mean that the time span in which the Dinosaurs lived from what they call the Trassic Period to what they call the end of the Cretaceous period could not be put on the Timeline of History. The Apocalyptic event that they say destroyed 3/4 of all life on Earth at the end of the Cretaceous period which wiped out the Dinosaurs according to my knowledge was the Sumerian Flood, they got their Dating wrong somehow.....

I answered this below:

The problem with carbon dating was mentioned but also the problem with isotope dating and mineral dating. This is the same arguments if I remember properly were brought up by Loyd Pye in his question of Darwinism being false. He showed by conclusive evidence Darwinism is false and we came from the Anu Gods. Then he just all of a sudden dies of a strange illness. Probably the tribe cursed him as they admit they love to do. He was able to get the DNA testing done on the Star Child skull and prove it was not of human origin. Loyd Pye proved the existence of ET's.

Now the ice age is false as Allan and Delair proved in there books, and this reevaluates the time line. Up till ten thousand years ago there was a sub topic climate across the whole of earth and the oceans didn't really exist at all. So the environment that dinosaur's need to exist within globally still existed up till ten thousand years ago. Hancock showed were they found Sabre tooth tigers and I believe Woolly Mammoths that perished frozen beneath ice in day in a region that had been sub topical up till that day. This cataclysm that occurred that wiped them out was probably ten thousand years ago. We still have some types of sub species of them in sub topical, topical areas that are documented. Its been claimed they might still exist in remote areas in the jungles were humans can't enter. The Panda was thought extinct up till the last century. Scientists searched the east for sixty years looking for one but couldn't find one. The upright hominids still exist as well. The monkey man bones the Darwinist parade around are actually of them.

The region we lived in was not Atlantis it was what the esoteric historians called MU that was in the region that was the Indian, Pacific Ocean region today. All that might be left is Sri Lanka as the Hindu records as does the records of the indo-Chinese regions all the way thought the Pacific regions, Japan and the America's, Egypt, Greece, Rome and the Druids also state. That is why our ancestors rebuilt in the highest regions of the world like the Himalaya's and Andes, I believe. Because the flood was so vast it makes sense to build in the highest regions as a safety measure. The fall out from this is what caused the current wobble in the earth's axis that gives us the ice poles today. The Piri Reis's map proved Antarctica didn't start to freeze over till around six to three thousand

years ago.

The flood as the ancients all recorded was caused by the destruction of a mainly water planet between Jupiter and Mars. The Soviet scientists also documented that a planet had existed there along with western ones. Note the Hebrew god takes credit for having caused the flood to exterminate all the Goyim nations to make way for the Jewish race to rule the planet and make slaves of the Goyim. Books have been done on this subject but are just repeating the ancient texts. That our solar system was invaded by the anti-Gods, the Asura's around ten thousand years ago. This is how that planet got destroyed Farrell's works such as his book "Cosmic War" prove such it was not a natural event that destroyed that planet. This is why Mar's atmosphere was wiped out. From the blast wave and why it was once inhabitable but now is not. It seems we might have lived on several planets in the solar system. Earth, Mars and Phaeton. As we know it was the Reptilian's who invaded the solar system. And the Jewish racial gene, the Cohen gene has Reptilian DNA in it. They god from their "god" as they claim. The Jewish rabbi's even admit they are Alien and from another planet and came here from that one to take this planet over.

Jewish Rabbi Admits Jews are an Alien Group Who's Goal Is Conqueror the World:

[topic13571.html](http://topic13571.html)

The Yezidi's also clam they [the Yezidi's] were the first people on earth. And they original came out of the East. They have always called their God "Satan" as well. Like the Chaldeans who they were part of in ancient Sumeria did.

As Laurence Garden showed in his book: Genesis Of The Grail Kings that....

"The Serpent Lord was Enki, but in parts of Chaldea He had been called Shaitan."

They also stated Satan personally taught our ancestors the knowledge of ascension to the divine body and eternal life in the primordial paradise of Sri Lanka when it was still the larger continent of MU. Churchward spent his whole going across the globe proving that we came from MU as did all the ancient advanced civilizations. Churchward showed the symbol of MU was the almighty.....

Note:

Churchward gave a vivid description of Mu as the home of an advanced civilization, the Naacal, which flourished between 50,000 and 12,000 years ago, was dominated by a "white race" that was superior in many respects to our own. At the time of its demise, about 12,000 years ago, Mu had 64,000,000 inhabitants and many large cities, and colonies in the other continents.

This matches all the other records from Europe to the America's. The Aryan People came from MU.

The work "The Lost Civilization of Lemuria", by Frank Joseph. Is a good book to get to study this subject. It shows Churchward was correct.

Subject: Nephilim

Nephilim

The Nephilim is a term for our Gods as they came from the Constellation of Orion. Which the major monuments such as the Giza Pyramids are based on. Orion is also given symbolic meaning in the Mysteries.

"In Aramaic, the word nephila refers to the constellation Of Orion, the giant hunter in the sky who plays an important role in Egyptian religion, among many others. Gesenius cites the "Chaldean" [Akkadian] of the term as nephla, meaning "The giant in the Sky, i.e. the constellation Orion, plur, the greater constellations.....[1]"

"The Nephilim were in the earth in those days, and also after that, when the sons of God came in unto the daughters of men, and they bore children to them; the same were the mighty men that were of old, the men of renown."

This statement was more then likely originally from the Sumeria epic of Gilgamesh.

Note Son's of God..... That is an ancient term for ascended beings, the Shining Ones. Its stating the Shining Ones from the Orion galaxy were on the earth in those days and created us. They are our first ancestors and creators. Of course what then happens the Jew god then attacks and floods the whole earth to attempt to exterminate then in their Torah. Which points to what was shown here:

Mu, Cosmic War's, ET's:

[topic14520.html](http://topic14520.html)

When the anti-Gods attacked this solar system as the ancient texts all mention and the evidence in our solar system and on our earth shows. What is the Hebrew god? The Jews carry reptilian DNA in their racial Cohen gene, they stated they got from Yahweh. Its no mistake when people report dealing with the enemy ET's the Reptilians-Greys, they always state they are referred to and treated as cattle. Were do you think the Jews attitude about the Goyim, meaning cattle comes from. The Jewish rabbi's even admit they are an alien race from another world come to conqueror this one.

Yes, apparently, Christianity helps Whites survive quite a lot. Especially if one thinks it in depth. It all has a base.

"Three of the world's major religions -- the monotheist traditions of Judaism, Christianity, and Islam -- were all born in the Middle East and are all inextricably linked to one another. Christianity was born from within the Jewish tradition, and Islam developed from both Christianity and Judaism."

All these programs have been developed from Jews and Judaism. From their own mouth:

[http://www.pbs.org/wgbh/globalconnectio ... /religion/](http://www.pbs.org/wgbh/globalconnectio.../religion/)

"Some call it communism, I call it Judaism." Rabbi Stephen Samuel Wise (March 17, 1874 - April 19, 1949)

Simply put: These programs are the spiritual ground of the political grounds for Communism, which is the political name of the idea behind the jews ruling the

planet.

In the words of Adolf Hitler : "Judaism, Christianity, Bolshevism are all bound together. Comrades in agitation, born tools of decay, they possess the same talent to destroy the natural structure of society. Bolshevism is the historical and logical continuation of Christianity. It realizes on a technical level what Christianity has done on a metaphysical level."

Wow, so Christianity is Judaism, both of which are merely Communism? How so?

Like that:

"Galatians 3:28 (ESV): There is neither Jew nor Greek, there is neither slave nor free, there is no male and female, for you are all one in Christ Jesus."

Christianity is Communism, both of which are JUDAISM:

[http://www.angelfire.com/dawn666blacksu ... anity.html](http://www.angelfire.com/dawn666blacksu...anity.html)

Sounds like the destruction of identities of all kinds, even the crushing of the genders and races, all into one big smelting pot, doesn't it. All from the supposed "lord" and "protector" of the "White Race", according to some illiterate and stuck Christen-Doomer imbeciles. Investigating the issue more...

How can this be a part of the Identity of the White man? So technically, the White world believes in Jewsus, who was a Jew.

In Jewsus's own words:

"Matthew 5:16,17,18

17 In the same way, let your light shine before men, that they may see your good deeds and glorify your Father in heaven.

18 Do not think that I have come to abolish the Law or the Prophets; I have not come to abolish them, but to fulfill them.

19 For I tell you truly, until heaven and earth pass away, not a single jot, not a stroke of a pen, will disappear from the Law until everything is accomplished...."

Law = Jewish law, Torah = Root of Judaism.

The "Accomplishment":

Part of this Accomplishment:

Praying to this jew will seriously help to solve the issue of the destruction of the White Race. After all, the jews wrote such in the bible. They must be honest in it. The jew is well known for their honesty after all. "Rabbi Yehushua" is going to save Whites. No question about it. After all, its what the jews say.

## "Pope Tells EU Nations To Tear Down Migrant Walls"

[topic14438.html](http://topic14438.html)

WELCOME RAPEFUGEES!!! Exactly as the Bible and Feminism says so.

The reasoning behind all this: "We are doing the right thing guys, the jews will be proud of us killing our own people. We will be culturally enriched and pay for our sins against Mankind. Maybe in the end we will be "ONE" under christ. The jews said the world will live in peace after it. After all, rape, death, humiliation and destruction of our Race is sensible. Its just a transitory phase to "world peace", in ONE world under the jew. We Whites have been the bad guys (see Hitler and the 6 trillion), Social Marxist jewish historians say. We will all be Enriched and be One Under "God". All must become "one" under "Christ" after all. Or just the jew if you don't believe in christ. Or mohhamed. Whatever. All "ONE" will we be. "

Coming for Enrichment, because apparently Blacks are under extinction and everyone is endangered. Except of Whites of course. They are all Nazis and they must be assimilated.

Bring the jew troops in. They are poor and presecuted, all males:

Then daily life becomes this:

"Until its complete extermination or loss of national status, this racial trash always becomes the most fanatical bearer there is of counter-revolution, and it remains that. That is because its entire existence is nothing more than a protest against a great historical revolution. ... The next world war will cause not only reactionary classes and dynasties, but also entire reactionary peoples, to disappear from the earth. And that too is progress" . -Karl Marx

Marx, was the son of a Rabbi from a Rabbinical Family. He reffers to Whites that oppose the "jewish revolution" (World Communism) as "Racial trash". Why though? Because its the opinion of all jews and his opinion is no different:

"The Revolution which MUST take place [...] Jews are going to be at the Center of that. "- Barbara Spectre, Founder of Paideia, Sweden

Which jews are going to be at the CENTER of that? All prominent jews.

Jews, dead, alive and non existant, like Rabbi Yashua/Jesus, Karl Marx, Pope Francis, Vladimir Jewtin, Angela Merkel, Andrea Dworkin (queen of feminism) are going to be at the center of that. How come are they all together?

They are all jews, pushing for the "Revolution" which will make their "Race", what their prominent figures believe they are: "Divine Gods of the Planet", over the Races of "Insects" (Gentiles). It will be their "Salvation" over us :

To make this easier, the jews have understood that there are only two ways this can possibly go:

"Social problems" = Jewish problems and obstacles to world domination. Ie, Whites and others who resist them.

So, let's breed them out of existence and kill all of them. Why do all jews do this together? Simple:

"The Jewish people as a whole will become its own Messiah. It will attain world domination by the dissolution of other Races... Thus will the promise of the Talmud be fulfilled."

-Baruch Levy, letter to Karl Marx

How are they doing this right now? By their programs of christianity, Islam, feminism, liberalism, multiculturalism, taking world goverments etc etc...And of course by supposed "Immigrantion" or just brutal warfare:

Why did Immigration happen? "Arab Spring" and "ISIS". The rise of "Islam", which is a jewish program, instigated by the "ISIS" who are a group of jewish agents behind this "Arab Spring":

"ISIS" and related terrorist groups run by jews- proof.

So the Europeans and other Whites have to pay for the problems of the jewish wars, because they believe in shit like this, said by Jesus:

"Matthew 25:35-36 (ESV): For I was hungry and you gave me food, I was thirsty and you gave me drink, I was a stranger and you welcomed me, I was naked and you clothed me, I was sick and you visited me, I was in prison and you came to me."

This is what they get in return

"Immigrants throw away the food and water that people have given them"

<https://www.youtube.com/watch?v=UjXXFtd-SJ8>

"Matthew 6:19-21 (ESV): Do not lay up for yourselves treasures on earth, where moth and rust destroy and where thieves break in and steal, but lay up for yourselves treasures in heaven, where neither moth nor rust destroys and where thieves do not break in and steal. For where your treasure is, there your heart will be also."

Well. Heaven for them is the West as it seems. And Treasure is the hard worked money of Western Countries. That they get for free from welfare. Because they are poor and persecuted. All Whites are Nazis and they must pay this money.

Muslim immigrants in Finland: "We Want Money"

<https://www.youtube.com/watch?v=YKRI4SjHV8k>

What about people who question "God" and the "King" which is the Jewish controlled states?

"Thou didst blaspheme God and the king. And then carry him out, and stone him, that he may die." -1 Kings 21:10

The Jews want this revolution... There is also another Revolution that can take place... Rip off all their programs from the back of the White Race and all of Humanity, that has suffered so sorely due to them:

**The only REAL Solution for saving the World and its real Racial Diversity:**

We don't need no Jewish religions, ethics or plans. We Gentiles have our own religious Pagan (named collectively as "Satanism" by our enemies) religion.

Greetings to all our Satanic People and Comrades.

I have been seeing around this thing about the Earth being...Flat. Now everyone who knows science of the first grade, they know this is not the case. I am aware the Flat Earthers and their arguments. All this comes from the Bible, which is a book of lies that states the world is 6000 years old, because this is when the jews showed up as a "Race" on the planet, go figure. Even as far back as in Ancient Greece we have written proof that the Earth was observed to be the shape of a sphere.

Now without overly talking on this subject, I just want to relate how this stupidity began. As all of you know, the Bible is a book written by people that had occult knowledge. It gives guides to jewish ritual murder and sacrifice, while on other places, it has other spiritual and "ethical" (ethics of murderous judaism) so the enemy can teach their children since infancy.

For those that do not belong to the jewish race (the Goyim, Gentile Slaves) its obvious that since they completely lack spiritual knowledge, these people do not know and cannot understand the occult essence of what is within the book, it become a book of tales. Most of what these people know about this book, in anyway, is basically created by the jews themselves. Same as the commentaries to happenings, events, and even fabricated scientific evidence. That many people prone to believing in fairytales have unfortunately, believed to be literal. Of course, jewish magick made that happen for reasons well known to most of you here.

So now in regards to the Earth being flat. This has to do with the portion of the body from the base chakra and down. The base chakra is also called "Earth" in the texts. "The Earth cracked open", "fire came from the Earth" (energy going upwards) and other such things are in the Bible. The base Chakra is also associated with Saturn, the Earth, the Earth element. And roots the 4 elements within the Soul, or what in some other books is referred to, as the "Tetrapolar Magnet" as some are fammiliar with the term.

The tying of all these is made up on a "Flat" surface, when its observed Astrally, on the base chakra where the body is seated (hips, front pelvic and rear pelvic area). From there on the legs attach to the literal Earth. Its like this Chakra is holding the "Tetrapolar Magnet" or the front, back, right and left side of the body, forms a flat cross. The Chakra itself is a vortex or pool of light etc, but it connects with these 4 points.

Somehow from this emerged that the "Earth" became flat, from Gentile spiritual ignorance. Then, in order to prove the kikes right, the Gentiles tried making up story after story to justify that have been sold the greatest lie in human history. And the jews naturally laugh about it and spit on their face as usual.

The "Earth" is the center of consciousness of the self, like, self awareness. People with a debilitated Saturn in their chart have "flight" issues in that they cannot stay within their own "head". For instance, you can see the lying book is entirely wrong, but the deeper meaning is stolen from Egypt. Erm, the Earth obviously moves. It actually moves all the freaking time. But well the bible said it doesn't. Jew's word for real.

Psalms 104:5 ESV / 50 helpful votes

"He set the earth on its foundations, so that it should never be moved. "

Little do idiots know, that the Rabbis do not believe in the "New Testament" simply because "Jesus" never existed and the whole books such as these of "Revelations" have to do with what the jews could gather from other texts that talked about the people who finished the Magnum Opus. This is why the kikes double talk and say they do not approve of Jesus but their savior is/will be/ Jesus or Yashua. They do not talk of the guy in the stories that they wrote.

They just hope he shows up, they initiate him, and they make him a world leader above all people. They do not talk of any "Second Coming" of any person that existed, but rather, the "second coming" of their "Jesus/Yeshua" after he will have in their wet dream, accomplished the "Rising of the Serpent", after his "crucifixion" and initiation into the occult mysteries.

He will die (get to the Nigredo stage of the Magnum Opus) and come up again, as a "One with God", ready to guide the kikes to victory over all other people's. This is a common thing as in the story of Hercules, that returned from Hades. Jewsus himself is known to have went to..."hades". Well, since Hades is part of the Pagan tradition, why did Jewsus get there?

Well, Hercules descended to Hades as well and returned, same as any other allegory of the Solar "God", savior of their people etc. The story of jewsus is just a stolen allegory of such.

The jews "CRUCIFYING JESUS" was a fulfillment of the jewish "prophecy". According to it the jewish messiah \*HAD\* to be crucified and initiated in the mysteries. He had to be a Rabbi like the jews themselves, or the "Priest/King" or "King Philosopher" archetype of the Ancient Pagan World. Jewsus HAD to be CRUCIFIED in order to FULLFILL the Jewish "PROPHECIES".

The jews did nothing wrong, even in their own made up lying story. They spiritually did what was right, initiate their "leader" into the Occult, and assisted him in any way possible, to "elevate" him. This is why the kikes state their "Messiach" is supposed to be born in Israel, have a jewish mother, be initiated and such. Jewsus was also a Rabbi until the point he became "One with God", so they basically talk of a Rabbi who has supposedly done the "Great Work" or "Magnum Opus".

Which they cannot even do get one most probably (have been trying for 2000 years straight, while in Germany the Antichrist showed up on his own, because he really existed, while the jew tries to create him) but this is another whole issue. Its more of just wishful thinking plus magick. If you want to know about "enlightened leaders" of the jews, look at Trotsky, Stalin, Lenin etc.

This is why Rabbi Jewsus openly states that he didn't come to destroy the "old law" (Torah), but complete it, accomplish it into reality. This is also, his support to the Torah, as Torah means "law". The "not even one jot" (hebrew letter Yod) or "not a stroke of a pen" is actually about how not one LETTER must be changed in the Hebrew Torah, until "everything is accomplished" (manifested into reality for the jews).

I have covered this in the exposing Torah PDF and why this is so bizarrely important. It seems the-to-never-exist Rabbi Yashua, doesn't want one letter changed either. Why Rabbi jewsus? Because of what I wrote into this PDF.

You might want to study it. In the jew's own words:

Matthew 5:17,18,19

Rabbi Yashua/Jesus speaks:

"17 - Do not think that I have come to abolish the Law or the Prophets; I have not come to abolish them, but to fulfill them.

18 - For I tell you truly, until heaven and earth pass away, not a single jot, not a stroke of a pen, will disappear from the Law until everything is accomplished.

19 - So then, whoever breaks one of the least of these commandments and teaches others to do likewise will be called least in the kingdom of heaven, but whoever practices and teaches them will be called great in the kingdom of heaven...."

Crucifixion is a major theme in all the Pagan Religions and it doesn't symbolize negativity, but rather, the fixing of the energies so one Human being can become a God. If he wasn't "crucified" (Like Odin who later became a God for his people) he couldn't rule over them as a Godman. This has to do with the Magnum Opus.

The stupid "Goyim"<sup>TM</sup> making all of this physical gibberish, do think that jewsus was "killed" by them and somehow make a slob story about it, but in reality, this means that this person would arise hopefully in the belly of the jewish race, been taught by the Rabbis the nessesary things, then achieve a version of the Magnum Opus and bring the "New World Order" of the jews, their "Zion" and their paradise.

The leader of the kikes, they hope they are an ascended master that will lead them to victory over all other Gentile Races, totally jewish in word, deed and action, a real studied person of their "law", its living "fullfillment". What they are going to do after this, is all over the Torah, bible and Rabbinical sayings. The jews themselves, do meditate, do spiritual warfare and they do anything an Ancient Spiritual caste was supposed to do.

From this caste were to arise the leaders of the Jewish Race and lead them to victory over Gentiles. "Yashua/Jesus" is actually their final "leader" that will finish the job for all of them. The New Testament is a writting of how good he will be to them and the list goes, with the Revelation and other books showing its plans of Humanity. The writtings of Rabbis and such do fill in for the details. Such as :

When the Messiah comes every Jew will have 2800 slaves. Simeon Haddarsen, fol. 56-D

"Extermination of the Christians [Goyim] is a necessary sacrifice." Yalkut 245c

Christians is a code word among Rabbis for those who are Gentiles and believe into the lie of christ. One CANNOT have spiritual knowledge, be studied one (as the jews call themselves) and believe in Christ. This is why they consider this an attack to their whole Race and they exorcise these people as stupid. Its the same thing as, let's say, in a Pagan Nation, you have idiots who see people levitating in front of them and believe this to be a "fake". This is like how the jews say "Goy", Gentile animal, one who lacks knowledge, in aware Gentile etc.

Its like saying, we are the wise ones, they are the bluffed one for they believe literally in the christian slob story. [Christians=Gentiles=Goyim, those who read the jewish texts without being jews and as thus believing the fairytails of the jews] The Sacrifice of these people must take place (like WW1, WW2, Civil wars, etc) so enough energies are funneled to the Jew World Order. This is why the enemy is a warmonger, along other reasons.

Only the stupid Goyim™ believe that the jews carried a Shoah™ for their own Yashua/Jesus™. Why? Lack of spiritual knowledge. And the kikes laugh and funnel the Gentile's energies and souls, destroy their states, steal their wealth and the list goes.

This is why they generally talk about the "Return" of "Jesus", reject that he existed literally, but the jews of course aren't stupid to affirm that "Jesus/Yeshua" existed before physically. They know he never did. This is why they do not believe in any "Second Coming". They say he will exist after, establish Zion etc. The mere details are for the Goy™ who lack knowledge and cannot discern between spiritual, political motivation and jewish Agenda. Part of the jews calling us Goyim has to do with the lack of spiritual knowledge. Without this, people remain locked into the base chakra and into this level of consciousness.

They know that they are trying to funnel energies into bringing this person into being, no different than other "Heathen" Nations had their prominent Leaders etc. The jews however formulated these writings into a guide to create a "New World Order", and follow these verbatim, to be "on the spot" with what they need to be doing and make the masses believe that all this is a plan of "God".

Revelation 7:1 ESV / 11 helpful votes

After this I saw four angels standing at the four corners of the earth, holding back the four winds of the earth, that no wind might blow on earth or sea or against any tree.

The "4 Angels" are stolen from the 4 Crowned Princes that rule the 4 Directions, and the 4 elements. As you can see, they guard the Earth, the Base Chakra, which is where these 4 Directions align.

Revelation 21:1 ESV / 27 helpful votes

"Then I saw a new heaven and a new earth, for the first heaven and the first earth had passed away, and the sea was no more. "

This for instance is in regards to the "new" or "dressed out" body that gives rise after the Rising of the Serpent. This is also the Ascent of the kike into "heaven". The new "Earth" and the new "Heaven" is the new consciousness as well. This is again, stolen, and wishful thinking of the Rabbis to create a "Risen Messiach" that will destroy their enemies.

2 Peter 3:5 ESV / 21 helpful votes

"For they deliberately overlook this fact, that the heavens existed long ago, and the earth was formed out of water and through water by the word of God, "

This above is stolen from the story of Marduk, who shaped the universe and Mankind through the primordial Waters of Tiamat and the Heavens. Its again stolen verbatim.

When a Soul must be created, the part of the Soul that is associated with the Base chakra is what is created first, as this is the seat of the "1" consciousness, as in seperated and autonomous. The Solar plexus is more of what an "Ego" or "Sense of Self" is.

Now about the "Animals" and the "Humans" or even the... "Dinosaurs" co-existing with Humans, this is another allegory. This has to do with the powers of the Soul and the elements. Light, "Darkness", the 4 elements, male and female energy, the "Animals" being the Chakras and the abilities of the human being associated with the Zodiac signs, Heaven the Crown, Earth the Base, Sky the in-between and the list goes on. In many occult paintings, one will see the heads of animals in the place of the Chakras, or in many places of the bodies. This is to show at which astrological time one is to work on a certain chakra, for instance, or the ruling zodiac sign over a chakra.

People need to wake up before it is too late...Keep up the Reversal Torah Rituals and they shall be spiritually destroyed... In "heavens" and "earth" alike.

To all the Beta Cucks and liberal feminist idiots, who preach about "Diversity", or the liars who claim that Judeo Christianity has anything to do with women or their rights, or that "Christianity" is for White people, let's just let the evidence talk swiftly by itself. Women equal life and civilization. You attack and subvert women, you attack and subvert these values.

Our points are 5 and simple, clear to all educated people and the people who are aware of reality:

--Islam is a Radical program of Death and destruction for women, civilization and feminity in general.

--Christianity has also been the same, but given it failed historically to achieve its intended height of totally enslaving the West, we are now forced again back to this by the incessant push towards "Islam".

--The opener of the doors for such is "feminism", as its named in the modern society, or any other philosophy that weakens down one's understanding of reality, or powers to resist. Then feminism replaces and attacks any warrior philosophy (such as Paganism, or Law and Justice) which like Christianity has the higher intention to destroy people, makes one docile to one's enemies, makes one neglect the fundamentals of war and reality, preaching the same universalism, naivety and slaver values of Christianity always did. Values that if followed by the letter kill people in one day. The only way to survive is to be outside of the borders of the so called "Christianity" or any of these fake values.

--All of this is based on the supposed "Human rights", which are just a blueprints of "rights" invented on by the bible, which reinforces all the above points. (ie. All people are equal under God, while at the same time the jews affirm superiority over the whole world in the Bible, which naive Christians backhandedly accept, therefore accepting their "Will" as "God's Will")

--Due to systematic infiltration and destruction of the bonds that hold together a country or a race, the enemy is able to weaken down their chosen enemy and destroy them. Christianity is one infiltration, that infiltrated and weakened the Ancient Paganism, which belonged solely to Whites or Aryans in the forms later called largely as "Satanism" by the church. Because this injection was not enough, the enemy kept going, as far as to try to assimilate and destroy the people in the most basic bond in existence: Racial, Family, Man and Woman, etc. Obviously this is a timelengthy process with many methods of operation.

It forms a circle easily observable if one knows of the jewish element: Jewish religions caust problems with women and enslave them (Christianity, Islam, Judaism). Then, the jew, if they lose power, return through as the defenders of the rights of which they stole from women, to defend these (feminism). Then, they open the doors slowly so the first process can take over in other forms, religious, social and political. This is the part that the supposed "rights" of women are over extended to the point of breaking, into the complete and total "reaction" of what it prior was created by the jews.

Then, with this they gain the "Christian sheep" that revolt around "morality", while at the same time reinforcing their old program and opening the gates for the next invasion of the stronger program that is intended to do what the first one failed to do: Ie, ISLAM. The

process repeats in history until the enemy "race" is destroyed. Names and programs change, but aims remain the same. The same thing can be observed into the Bible, and specifically in the New Testament and Old Testament, the Torah, which is the divine book of the Jewish Race, by which they "survive" and "conquer" their enemies. All wise and studied ones of the Jewish Race admit it.

The Jew is totally aware both of feminism, of Christianity and how it is spiritually devoid and anything else. The Jews simply do not believe in "Christianity" because they know it's a made-up program from their ancestors through which they control the Gentile world. If they ever participate, they do this for control and maintenance of this program and to reap the benefits. This is why the Jewish state [Israel] follows none of these, why all the learned ones of the Jewish Race do disregard this completely or scorn it and laugh at the "Goyim" (Gentile "dumb animals" that believe it). In reality, the whole of the people of "Israel" it just advances steadily towards its steady purposes.

What many people call mistakenly as "Satanism" when comes to the Jews, is merely Judaism. Judaism is a quite recent religion and as thus it has stolen customs, symbols and spirituality from the older religions, adjusting them in a murderous adjustment to fit the ends of the Jewish race.

Theory aside, we will just reply with facts and let them talk on their own:

<http://skepticsannotatedbible.com/quran/women/long.html>

"Menstruation is a filthy disease. All good Muslim men should stay the hell away from menstruating women And for God sakes, don't have sex with them while they're menstruating. It creeps Allah out just to think of it. 2:222a"

"It's OK to have two, three, or four wives, slave or free. 4:3"

"In the mind of Allah, women are like a dirty field for men to plow with their penises. Plow them whenever you like (as long as they're not menstruating, of course.) 2:223"

"A woman is worth one-half a man. 2:282"

This is what is going to happen if you don't stop this, Europeans. And this would be your daughter or your mother:

Then of course you have the Jewish Bible:

<http://skepticsannotatedbible.com/women/long.html>

--Lot and his daughters camp out in a cave for a while. The daughters get their "just and righteous" father drunk, and have sexual intercourse with him, and each conceives and bears a son (wouldn't you know it!). Just another wholesome family values Bible story. 19:30-38

These are some parts. Why are idiotic feminists and liberals wondering, why the massive rapes? Its their culture, its what their "God" tells them to do. They are fine with it.

Except of the above outrageous link, let's allow some pictures talk for themselves:

This is what European Women will be forced to wear soon, unless Europeans reply about this and put an end to these jewish hoaxes.

But this is not the first time European Women had this savagery of rape, suppression and destruction placed upon themselves. The jews and their agents have been on it again. This has happened again. THIS IS AN BATTLE BETWEEN THE ARYAN RACE AND THE PEOPLE OF THE LIGHT AND THE JEWISH RACE PLUS THEIR LACKEYS. It has always been and will forever be.

Some other Europeans tried to halt this back in time, stopped the jewish attacks and decay on women and they succeeded:

**Heinrich Himmler** stood against the Eternal Jew and their plans to destroy women who have been classified as HEXE, and the 3rd Reich knew of the plans of the Jewish/Abrahamic Hoaxes and the jewish instigators in trying to destroy the White people and Women, same as what they have done to White women in the past:

In 1935 Himmler founded the 'H Sonderkommando' - H standing for Hexe, the German word for witch - to collate as much material as possible on sorcery, the occult and the supernatural.

The bulk of the collection was called the 'Witches Library' and concentrated on witches and their persecution in medieval Germany.

One of Himmler's quack theories was that the Roman Catholic Church tried to destroy the German race through witch hunts.

He also discovered that one of his own ancestors was burned as a witch.

[http://www.dailymail.co.uk/news/article...\\_years.html](http://www.dailymail.co.uk/news/article..._years.html)

"Allah" and his murderous attempts are now taking the place once "Jewsus" had. Jewsus was too weak in the end to destroy the intended targets, but it seriously weakened them and dumbed them down.

The same jews are behind everything and the same purpose. It did not change. I present to you the famous "Chastity Belt" blow, that of the Middle Ages, and the witch-hunts, in which all women with "magickal" characteristics were killed and raped, or sold as slaves. "Magickal" ie, even beautiful, or piercing eyes, blondes, white skin etc etc. Look below this entry for their Chastity belts and torture on women. Make your own research. All this is purposeful. Same as the Race Mixing that is advised of women. Everything that kills and destroys women, kills and destroys their enemy.

The enemy is trying to bring again the Dark Ages in Europe, through "tolerance" and Islam. Then it was Christianity, but since this program failed, they are bringing the apes from the Middle East to try to give us another Middle Ages again:

Wake up before it is too late...Do not let history repeat itself. The White man or woman are NOT evil, or guilty as a Racial entity or the Europeans or Whites as a race/continent. We must haul ourselves up and then save others who are being subjected into this endless filth, death and destruction. Justice must be served.

Then the same jews that caused all the above, directly by writting these depraved books and carrying out this war against women, are supposedly coming to save them, in order to feminize nations and AGAIN open the doors so this can happen again.

The above is proved by itself in the current European Crisis:

Feminism Is Jewish Social Marxism

This would be a interesting way to spread Satanism on social media..

Oh yeah I also like yellow apples. I like these fruits because of their texture and sweetness. I sometimes make smoothies.

I don't go deep into what I eat so bear with me.

I think I need a dietary change because my current diet, all protein, is changing my psyche thus affecting my physical body. Not in a good way. I am not over weight nor under. And I hate vegetables so I thought I like sweet fruits so I am going with fruits.

So I need your opinions on what fruits you eat the most. If you eat any.

Cantalouuupe.. and mangoes and oranges and other fruit like oranges. I used to eat several apples a day but only if they were firm. Also there's a fruit called Guava. I like it but I feel like it's a hit or miss, either you like it or you don't.

For vegetables, have you tried getting the frozen bag with broccoli florets, cauliflower, and chopped carrots? If you "steam" it in the microwave and put salt on it, it's bearable.

And how does your protein diet negatively affect you?

Subject: Mutilation

Something I want to address our White brothers and sisters here...

I have read many books on yoga and related over the years. Many of these books include techniques that involve not only dangerous physical practices, such as rag swallowing, but cutting the base of the tongue, long time fasting, etc.

Satan impressed upon me to write an article warning JoS members never to do these things, which I have in the Advanced Satanism section on the JoS website.

My point here is that body mutilation is not a White thing. Piercings, putting large stumps and other things through the earlobes, stretching out the lips, bones through the nose, amputating finger joints and deforming the self is not, nor ever has been White.

This is a blatant example of how spiritual teachings get corrupted. This sort of thing also includes certain dietary practices, especially pushing veganism, cutting out many different foods from one's diet and so forth. None of this is White. Gluten intolerant, lactose intolerant, intolerant, intolerant... This does not apply to White people.

I also want to add here that the White race does not have a history of substance use/abuse, meaning getting "high" and "stoned." Yes Whites have used liquor for centuries, but not the substances that non-Whites have a long history of using and presently use.

In closing, I also want to add more proof of how the Jews were also in the Far East and it is a strong possibility that the White Aryans left and headed West to Europe to get away from them.

Those of you who are familiar with Jewish written grimoires of spirit abuse with their nine-foot circles and angels, abusing Demons, may have come across a spice used in East Indian cooking known as Asafoetida. From what I know of it, it is exclusively East Indian. It has a sulphur odor. Jews use this to burn when abusing spirits to add insult to injury, as when burnt, it is said to have a nasty odor.

I was a chef and studied and cooked all sorts of different ethnic cuisines and have never come across Asafoetida outside of East Indian cooking.

## Jewish serial killer Andrei Chikatilo—the Soviet era " Jack

Here is an interesting article about this Jewish serial killer who was also a honourable member of the Communist Party in the URSS, wh  
many times.

Warning: the following article has graphic content.

-----  
"When I used my knife, it brought psychological relief. I know I have to be destroyed. I was a mistake of nature"  
-Jew Chikatilo

No, kike, Nature never intended giving birth to Jewish aberrations.

More, Jack the Ripper was a Jew: <http://www.dailymail.co.uk/news/article-2746321/Jack-Ripper-unmasked-How-amateur-sleuth-used-years-string-terrible-murders.html>

<https://firstlightforum.wordpress.com/2014/09/09/jewish-serial-killer-andrei-chikatilo-the-soviet-era-jack-the-ripper>

Okay so we now know for sure, based on recent DNA evidence that has come to light, that the notorious serial killer Jack the Ripper was a notorious Soviet era Butcher of Rostov, also known as The Red Ripper and The Rostov Ripper, was also a Jew?

Andrei Chikatilo (16 October 1936 — 14 February 1994) was a Jewish serial killer, who sexually assaulted, murdered and mutilated at least 56 victims in the Russian SFSR. The Jew Chikatilo confessed to a total of 56 murders and was tried for 53 killings in April 1992. He was convicted and sentenced to death and subsequently executed in February 1994.

The Jewish serial killer and sexual predator Chikatilo was known as The Rostov Ripper and The Butcher of Rostov because the majority of his victims were from the Russian SFSR.

The Jew Chikatilo confessed to a total of 56 murders and was tried for 53 killings in April 1992. He was convicted and sentenced to death and subsequently executed in February 1994.

The Jewish serial killer and sexual predator Chikatilo was known as The Rostov Ripper and The Butcher of Rostov because the majority of his victims were from the Russian SFSR.

Chikatilo's trial was the first major media event of liberalized post-Soviet Jew controlled Russia. Proceedings commenced in Rostov on 13 May 1992. Chikatilo was kept in an iron cage in a corner of the courtroom to protect him from attack by the many enraged and, often, hysterical relatives of his victims.

The Jew Chikatilo's head had been shaved, which was a standard prison procedure, but officially to prevent the spread of lice. Relatives of his victims, including Jewish Chikatilo throughout the trial, demanding that authorities release him so that they could kill him themselves. Each murder was disclosed and he broke down in tears when details of their relatives' murder were revealed; some even fainted.

The Jew Chikatilo repeatedly interrupted the trial, by exposing himself, singing, and refusing to answer questions put to him by the judge, thus interrupting the proceedings. On 13 May, Chikatilo withdrew his confessions to six of the killings, and in July 1992, he demanded that the judge "release me, which assumed his guilt". His defense counsel backed the claim. Even the prosecutor supported the defense's claim, stating the judge had

that the prosecutor be replaced instead.

On 9 August, both prosecution and defense delivered their final arguments before the judge. The Jew Chikatilo again attempted to enter the courtroom. Final sentence was postponed until 14 October. As the final deliberations began, the brother of Lyudmila Alekseyeva, a 17-year-old, threw a heavy chunk of metal at Chikatilo, hitting him in the chest. When security tried to arrest the young man, other victims' relatives intervened.

On 14 October, the court reconvened and the judge read the list of murders again, not finishing until the following day. On 15 October, Chikatilo was sentenced to death for each offense. He was also found guilty of five counts of sexual assault committed during the years he worked as a guard across his cage when he heard the verdict, and began shouting abuse. However, when given an opportunity to make a speech in response to his sentence, Judge Leonid Akhobzyanov made the following speech:

"Taking into consideration the monstrous crimes he committed, this court has no alternative but to impose the only sentence that he deserves: death."

Chikatilo was taken from the courtroom to his cell at Novocherkassk prison to await execution. He did file an appeal against his conviction, but it was rejected in 1993.

More of the Jewish creep Chikatilo's many victims...

Why does sticking together come so naturally for Jews and other races like Asians and Roma Gypsies but not our people??? And the only thing you ever hear about from the small number of Whites who take their racial identity seriously is pride pride pride most of the time. Pride is fine, but it takes something DEEPER and MORE POWERFUL than pride that to hold a race or nation together. Look at your family life, we don't love our family just cause we are proud, in fact many times we stick by our family even when they make us ashamed because the kinship is at a much deeper level. In many other races, this feeling of kinship goes up to their extended families, clans, tribes, the nation, or the whole race. Look at how tightly held together the Japanese have been for centuries for example. They are also much more Jew proof than any White country.

I am not trying to put down our own race but I just want to get this off my chest and there is nobody I'd rather turn to than my White SS brothers and sisters.

How much should we care about Whites who are not SS? Either they are with the enemy, atheists or whatever? At least with SS Whites, we can say we all have each others backs, we are aware of our common blood and soul and connection to the Gods. But with non SS Whites, we may go out of my way to help them only to get betrayed. Maybe those of us who are SS should just marry into each other and build our own nation of one blood?

Someone posted in the Joyofsatan666 group about death spells but said they are reluctant to do it because it's other Whites. I can relate to these feelings. But here is the thing that REALLY fucking annoys me so much about Whites (Non SS Whites I mean). NONE OF THEM STICK TOGETHER! WHY???

Whites just don't stick together. And I admit this is me too, even I find it hard not to hate other Whites who piss me off over things.

How do we get Whites to have the same hive mentality that comes natural to the likes of Jews, Roma Gypsies, Japanese and other races? I get the National Socialist regime was about this to an extent but it TOOK AN AUTHORITARIAN STATE to make it happen. Where as I see in other racial tribal groups they do it instinctively. Whites are so individualistic and I hate it.

@ Ijossmyrkr Thanks just checking. And yeah I agree with that. This is why it is dangerous for Whites to have too much unnecessary contact with non-Whites. This is how we end up getting influenced by their toxic cultures. It's easy to see how the Jews took advantage of this carelessness back in the ancient world when they invented Christianity. Whites should only learn from other Whites full stop. And not just any Whites but Satanic elders who have devoted their lives to gaining wisdom and knowledge like High Priestess Maxine. Sometimes it may be necessary for us to learn something from say a Japanese scientist or Indian Guru or whatever but that should only be done by a very very experienced Satanist with psychic ability who knows how to sense deception and weed out the dross so to speak.

I have earrings too. They look good on me but after thinking about it, it does seem like a small form of mutilation. It just doesn't seem so because it has become so "normal". If ear piercings were nonexistent, in my opinion, no one in their right mind would puncture an ear lobe to hang something from it. I know the post was directed to whites who do those stuff for fun or think it's cool but it's interesting to think how these, I guess, "traditions" in other countries came to be. Where women wear neck rings to lengthen their neck or tied rocks to their babies head to flatten the crown of the skull

Also @zola, what is an ear stump? And amputating finger joints? I tried looking them up but just got graphic images of the latter

I have pierced ears and have worn earrings in my younger days. What I was referring to is various non-White tribes put objects the size of a forearm bone through their ears, stretching the lobes to where they are so mutilated that they hang down to their shoulders.

As for the finger amputation, some chop off the joints on women, (truth be known, many treat women brutally), when a male family member dies or is killed.

Thoth told me early on there are differences in the soul as to race as well.

One of the craziest things I have ever seen and I'm sure you can find it online, is in India, women are stretching their nostrils out and putting in these large black discs into their noses.

I would also like to add to my last post. Jewish filth is the destroyer of civilization, and as we already know, the promoters of lies.

Textbooks have been written with nothing but lies, especially when it comes to history.

White history speaks for itself...

The castles, Gothic cathedrals and other architectural wonders designed and constructed by Whites, can speak for themselves. One does not just slap something like this together. This is a huge contrast to a mud hut or similar dwelling a step above what a muskrat or a beaver can build.

The Roman Coliseum is still standing after 2,000 years. They even had elevators in the Coliseum to bring people from the lower levels.

White music is also very sophisticated and complex, such as composing a symphony or an opera. Again, this is not something one can do just off the cuff or just slap together. Richard Wagner was organized, and planned and worked on some of his operas for 25 years. This takes a high level of intelligence and dedication.

White art also speaks for itself. Many ancient paintings by White artists are so perfect they could pass for a photograph. This is not seen in non-White cultures.

Nearly everything of modern civilization was invented by Whites.

The White Race is the direct descendants of the Gods. Our culture is advanced and beautiful. This even goes back to Ancient Egypt. Adolf Hitler, who is the reincarnation of Rameses II, designed many interiors of Reich's buildings based on Ancient Egyptian decor.

We must fight to preserve our Race. I will be posting some rituals for this soon here to this group.

Subject: Re: Non-SS Whites (Rant)

Hmmmm, that's an interesting question Ashley.

I remember back in the day when I was growing up in a small town and 99% of us were white. And we did stick together. However, I get the feeling that our failure to do so today is partly the result of the incessant brainwashing, racial blending propaganda that the color of our skins isn't important and all the jewish crap they CONSTANTLY bombard us with...and the conditioning to feel ashamed even, to be white.

We also ARE individualistic. Perhaps we have evolved beyond that hive kind of mentality? I don't know. We ARE the most evolved race...and we also are really empathetic, we tend to want to reach out..to any gentile. The jew exploited this BIG TIME. I mean, look at how its destroyed Sweden! It's our Achilles heel.

I DO know that I have found myself wanting more and more to associate ONLY with my own race...and in fact I do. I barely associate with any other races. Though of course in this sick culture of today, its fucking hard NOT to. And when I see mixed couples it makes me sick...and angry. I resent like fuck that there are not enclaves where I can go and only see my own kind. I can care about other whites and I do, but as far as any kind of sexual or love relationship I would never consider anyone if they weren't Aryan and SS, same as me. I think marrying into one another and building our own nation is the way to go, actually. Though the chances I think to find another Aryan SS who is compatible are pretty slim to nonexistent...I don't rule it out but lets just say I'm not gonna hold my breath on that one...I think I'd turn pretty blue! LOL!

I can see it now.....Single Aryan woman, mature, tall, slim, green eyed brunette seeks Aryan Male Spiritual Satanist for monogamous love relationship. We will meditate together and help each other raise our kundalini with LOTS of sex! Must be Dedicated to Satan and doing RTR's daily. Must be mature, honest and sincere....please respond ASAP, I plan on becoming a Goddess in THIS lifetime!! HAIL SATAN!!!

Can you imagine posting THAT on a dating site? HAHAAHAHA!!! Imagine trying to weed out all the crazy's, flakes and fake Satanists that would surely respond? LOL!!

I have to constantly remind myself that the other races are also Gentiles. They aren't necessarily my enemy. But the way we whites are being attacked for being white by some of them I am starting to just fucking hate them...

As far as non-SS whites...yep they piss me off BUT...I don't consider them the enemy unless they are total Xians or...I was going to say Islamic but I NEVER associate with any of those. They make me SICK. Anyone who can believe in that CRAP is just disgusting to me. I HATE them. I think I hate them even more that Xians. That said, if they wise up and turn to Satan, well good for them. We need all the Satanists we can get, I suppose....though I believe in quality over quantity.

HS!

when I say ear stump I'm not sure it's the 'official' term but its where people totally stretch out and mutilate their earlobes putting these gross stumps into them. it looks like this...

I don't know about earrings. I have pierced ears. Got em done when I was a teenager. (I rarely wear earrings anymore, or much of any makeup) That's pretty minor I think. I think HP Maxine meant the gross stuff, like things stuck through cheeks, ears, lips, or the implants - I saw a guy who had implants to give himself horns. I thought it was just GROSS. Check out what these people have done to themselves...its just TOTALLY disgusting...I've never heard of amputated fingerjoints though. That's a new one for me!

I am wondering about when people just totally cover themselves in tattoos...like arm 'sleeves' and just these things all over them, when they are so overboard I am wondering if that is kind of a self mutilation too. I am thinking of what this guy (check the picture) has done to himself. Covering up all that beautiful white skin with ink? I mean I don't mind the odd tattoo and I would like a demon sigil tattoo, personally. not big and blatant, but small and discreet. Somewhere only people who are intimate with me are going to get to see it. Not plastered across my FACE! I mean, I love Satan and the Gods, but I'm not going to cover my face in sigils!!!! LOL!! (sorry Father! I'm joking!) HAHAHAHA! ;)

Hail Satan!

Look at your family life, we don't love our family just cause we are proud, in fact many times we stick by our family even when they make us ashamed because the kinship is at a much deeper level. In many other races, this feeling of kinship goes up to their extended families, clans, tribes, the nation, or the whole race. Look at how tightly held together the Japanese have been for centuries for example. They are also much more Jew proof than any White country.

I am not trying to put down our own race but I just want to get this off my chest and there is nobody I'd rather turn to than my White SS brothers and sisters.

How much should we care about Whites who are not SS? Either they are with the enemy, atheists or whatever? At least with SS Whites, we can say we all have each others backs, we are aware of our common blood and soul and connection to the Gods. But with non SS Whites, we may go out of my way to help

them only to get betrayed. Maybe those of us who are SS should just marry into each other and build our own nation of one blood?

Someone posted in the Joyofsatan666 group about death spells but said they are reluctant to do it because it's other Whites. I can relate to these feelings. But here is the thing that REALLY fucking annoys me so much about Whites (Non SS Whites I mean). NONE OF THEM STICK TOGETHER! WHY???

Whites just don't stick together. And I admit this is me too, even I find it hard not to hate other Whites who piss me off over things.

How do we get Whites to have the same hive mentality that comes natural to the likes of Jews, Roma Gypsies, Japanese and other races? I get the National Socialist regime was about this to an extent but it TOOK AN AUTHORITARIAN STATE to make it happen. Where as I see in other racial tribal groups they do it instinctively. Whites are so individualistic and I hate it.

This is a very important thing for all of us to look at. Here is my view on this topic.

Our race is the most evolved. We are the bearers of civilization. We are conquerors, we are scholars, we are historians, and we were Gods. Sticking together comes naturally for all Aryans. However our true and natural instincts and emotions have been suppressed by the vile jews. Our history is filled with examples of kinship and trust, of alliances and empires. What of Rome? We have only been separated, and our traditions and values have only been depredated because of the collective will of an entire race (the jews).

Now, for non-SS Whites, think about it like this. They are not fully our own, so do not trust them. Even Satan states as much in the Al-Jilwah. You may need to read up more on the Third Reich. Looking to our most recent pure Empire will help you.

HAIL SATAN!!!

GLORY TO THE ARYAN RACE!!!

Greetings to all our Comrades and Satanic people.

Now as most of you people here do know, as you know the Ancient history of the beings that ended up to be labelled by Demons in the recent hundreds of years, or the last two thousand years, you can evidently understand something. These beings were in no way negatively labelled in the past. This is fairly easy to see. Same as the Pagan Gods. They were all revered, loved and admired beings. They helped Humanity civilize, rise higher than its problems, create civilization, learn the ways to elevate itself on the highest heights. They turned us from mere animals that didn't know how to exist, into civilized, self conscious entities. They were our loving teachers and mentors, protectors of households, countries, babies, animals and the list goes. We loved them back in the unbreakable bond of love, for which for many people survives for lifetimes.

The problems and defamation in regards to these beings, came only after the jews. Naturally, what is protective to us, like the Demons, who care about our wellbeing, defended us and tried to warn us against the jews. This is the reason the enemy hates the Demons, and with a fierce and murderous passion. They have taken all the routes possible to lie about the Pagan Gods (nowadays labelled as Demons), they have made everything to eradicate the proof of their existence, how much they were loved by Humanity and how close we were to them. They were our Gods. For those who know of one step more, they know they actually created us and planted us here and they know the story behind the ET theory of the Demons as we shared it.

Since, the enemy has tried to cover this up and destroy the Demonic legacy, same as the knowledge about magick, how to build civilizations, and the important and crucial information the Gods handed us down for our survival. Parts of these knowledge was that beings must never grow spiritually unconscious, people must be bonded, racially seperated, hold good relations with their neighborhood states, cultivate the Earth in healthy ways. All these things can be seen evidently in all Ancient cities and states. Also, traditionally, all Races had a place where they were to be and exist, which is why many people are adjusted to different climates, by the laws of nature.

The enemy hates the Demons, and scorns them, lies about them and wants to sever our connection with them and our communication, so that we are alone and helpless. On the meanwhile, the enemy keeps tabs and communications with their own "ethreal" beings, namely the angels, "JHVH" and the company, for guiding the fate of the jewish race and at the same time, find ways to exterminate all other Gentiles. This

goes far deeper, into full blown warfare, between the Gentiles and the Jews. Satan and Lilith, being the original "parents" of Humanity, are getting most of the hatred and blame. The enemy wants to completely eradicate the existence of the Demons.

The fact that we know about our Ancient religion, was due to coincidences of a positive nature, so that we can finally know. The enemy tried to destroy ALL Pagan orders, ALL information, no different than how the Middle Ages killed "Witches", or how the Jewish created "ISIS" (blasphemy to our beloved Astaroth) are blowing up temples and chasing the Yezidis into extinction. The "Abrahamic religions", which are from the Jewish forefather, "Abraham" are responsible for this.

Also our people need to be aware of the supposed "ET" webpages and "Theories" that are coming increasingly up as time goes. As it's evident, the enemy is a poisoner. Humanity was advancing, everyone had their own pace, until the Jews decided by the slave trade and forcing mass immigration (this isn't happening only today, but is a well known ancient method, for instance the Turkish invasion of the West was instigated by the Jewish racial caste who was deep into the "Ottoman Empire") and wipe us all out. The enemy wants us wiped out and to enslave the rest. This goal is arrayed into the Bible. As the "ET" theories of today, many of these theories try to cover up the emerging Truth of our Ancient past. The enemy lies endlessly and they make up so many stories, that I can't really go into most of these, as we have done this before. It should be open to see for people who are spiritually higher. Spirituality answers everything on its own. Satanism means literally, Truth-ism, because Satanism is actually from the Sanskrit root of Satyan, meaning, Eternal Truth.

Literally, so many people are bleeding out all their mental issues, misinfo, Christianity, communism etc, by trying to make up more theories based on these theories. The Truths are however evident. The Gods first of all, separated all the Races on the planet on their Regions and advised AGAINST any Race mixing. All serious Ancient cultures, advised AGAINST race mixing. Naturally, people do NOT want to Race mix. This is why there are tons of propaganda to create this false communist "all equal and same" reality the enemy preaches. It would never happen otherwise. The only real solution for peace and evolution is for Races to return to their grounds, be allowed of their natural right to advance, thrive and become better.

Now in regards to the Age of Pisces and the transition to the Aquarian Age.

The New Ager and many other nuts, do assume and believe that this transition means anything by itself. In fact, it means not many things, or closely to nothing. The Age of Pisces was meant to be an age of spiritual advancement, understanding, healthy compassion, deep unconscious exploration, wisdom, and of spiritual beauty, love for nature and other beings. Nothing of these things happened, thanks to the Jewish alien hybrids. The enemy merely used all the above, prey'd on them, perverted them and abused these notions to create a slave racial dictatorship over the planet. The woes of love are evidently, nothing but a new Christianity, modernized rabbinical Judaism in disguise.

Love has become sadomasochism, self mutilation and destruction, slavery and even worse, death. Love has never been lower, more perverted and more worthless of a word than today, as everyone is using it and it doesn't really exist at all. People don't even love themselves, the planet, or anything else anymore. People think they are elevated, knowledgeable and happy, but they are actually living zombies walking around without a purpose in existence. The enemy chose to prey on this emotion specifically, as love, mutual understanding and beauty all have to do with Pisces. By hijacking the greater idea of the Piscean millennium, the enemy contaminated it and ruled by it. The results everyone can readily see now, as this monstrosity they created is collapsing.

The Jews enslaved many Races in these last centuries, they totally destroyed and tried to wipe out the White Race, enslaved India after they took over the West, then the Black people, Destroyed the Chinese people by Communism, Wiped out again through instigation of WW1 and WW2 half of White Europe etc, exterminated ALL the old Ancient Occult Pagan Orders, the Eternal Truths known before were replaced with lies, victimization became a virtue, slavery became a thing to be cherished. The enemy then forcibly tried to mix these Races (disillusion also rules Pisces), through confusion and mass brainwashing.

Mass brainwashing became the law, wrong "gods" became Gods and the old Gods were attempted to be overthrown by the jews, suddenly the whole world found themselves with "Jesus" and other jewish imbeciles, the lie of Mohhamedanism turned the Middle East into a literal death hole, the list goes and is endless. Now, as the illusions climax, people are bluffed so much as to want to remove their gender, with socially self-undoing (also a piscean negative trait) prevelant social ideas. For Whites that is. Whites have been attempted both direct destruction and death, genocide and also, programming for them to destroy themselves. Deception is rampant (to where millions die everyday by hallucinogens like ciggarettes, alcohol and drugs, death cults, mere purposeless suicide, depresssion which also rules pisces) etc. All these are in the downside of Pisces, of illusions, delusions, suicide, weakness, meekness, confusion and mass fear. Pisces also rules deep deceptions and lying, and everything that is hidden from the consciousness, all of which are negative traits and represent completely the jew. The jew being a catalyzing element, they are in essence deadly for all other Gentile people. They themselves state that they are seperate, above and alone from all other Races, who they only see as cattle slaves.

This right now ties into the transitory phase between this Age and the Next age.

In the same way, the Age of Aquarius comes with very serious potentiality. On the upside, we can have an Age of high spiritualism, love of facts and knowledge, exceptional power given to individual human beings, personal and spiritual liberation, exceptional scientific advances, getting off the Karmic Wheel, experiencing the Universe, freeing the Soul of Humanity, sudden realizations, destruction of lies, curing of diseases, great scientists and people of renown will be born and the average person will be elavated higher than ever before etc. The Age of Aquarius also has to do with Truth, inventions etc. Nicola Tesla was a blessing to Humanity a Soul that came to give us the keys into the next Aquarian Age, which the enemy jew also destroyed indirectly, and promoted the shill Einstein. Tesla is the reason we have electric current and he is the Father of Electricity, worldwide, on the whole planet.

Most importantly; Humanity is seeking and finding its Divine and Racial root. In our Pagan and Ancient Gods, who created us. The enemy wants to destroy this, taint it and lie about it, so that we will lose our way. No Races, no Ancestral line, no feeling of belonging to our Race, no different and Divine Future for each of the Gentile Races.

Adolf Hitler came as a representation of the Aquarian Age. Not as a insane dictator as the enemy claims. Adolf Hitler was love inside, and outside of Germany. He was a genius and a leader of gigantic proportions, loved in all corners of the Earth on his time, and beyond.

Adolf Hitler created a paradisial state based on laws of nature, compassion, racial understanding and with the aim of advancing Humanity and becoming a paradigm for others to follow. Everyone to one's own, guiding one's own racial fate, free, seperated, as Nature intended, so that Humans are happy and free and they advance on the timeline Nature intends. Humane relations and friendship, not in accordance to weakness, meekness and senseless mercy, but loyalty in one's race and higher purpose in existence.

He gave as much power as possible for the times to the common people, in education, sexual freedoms, the freedom of belonging, rampant advances in the health sciences, all technology, the creation of Jobs and pensions so people can retire peacefully, pinnacles of civilization like the Olympic games, mass industrialization, affordability of goods, affordable cars and housing, marvellous buildings that weren't private property but property for all, and above all, revelation of the jewish criminal element worldwide. He was attacked and the creation of these people destroyed, fiercely, with them being chased down to die brutally.

The enemy, 70 years after, wants a second round on destroying these people and wiping out the White

Race. There hasn't been ONE day that Hitler's Name has been defamed and cursed. Why? Because Hitler wanted the best for his people and made up a high paradigm, that others could follow and overthrow the jew, and Humanity would return in paradise once again. Hitler went against slavery of both the Palestinians, same as the states like jew ruled England, who had occupied India and "colonized" it.

Adolf Hitler did another major thing. He brought Paganism in the FRONT. He guided people back to their Pagan roots. Imagine if all people in the world did the same, and found the spiritual atrocities of the jew. How much hatred would arise? Where would they be now?

Hitler however couldn't do anything alone, at this point, but he did the Greatest thing in Human history. He shook Humanity to wake up. The jewish system made everything they could so that the manifold visions of these great men of the time, remained in vain. This is what the enemy thinks, that this is over. They happily over extended themselves to tell anyone about it. Now you see them whinning all day about how they have been rediscovered, and hated again more fiercely than ever before, over what they have done. The enemy has no sense of justice. But Justice exists.

The opportunity to advance Humanity thousands of years was here, with people like Hitler, Tesla, Ford, Werner Von Braun (father of Rocket Science), Walt Disney and so many others.

Everyone in the planet would gladly benefit, except of the jew. Because the jew thrives by death, parasitizing and enslaving "progress". These people came with GIFTS to Humanity and they were backstabbed by the jew, who thinks themselves as cattle owner of Humanity. Therefore, the fact that THEY couldn't benefit, was ENOUGH.

The White people did not come as oppressors or monsters. They came as liberators and enemies of the jew, who manipulates and destroys Humanity for too long. The people of understanding of Truth from all places in the world understand and have understood that the jew must be dealt with. Everyone knows and is getting educated about this mutual abcess on the body of Humanity.

The jew emphatically and hatefully REFUSED. They would rather murder EVERYONE, than allow themselves to live somewhere far away and stop parasitizing and killing the rest of mankind. Its in their nature. A flea cannot live without blood. So they keep devising more nefarious plans, catching up with the times.

The enemy however, still exists and they see all the above as a great opportunity to destroy and feast upon Humanity once more. They want to turn this Age of Freedom into an Age of complete and total slavery, through the fake frontier of freedom. However, when one sees "before" their veiled lies, you can see the Truth.

The Rabbis (Spiritual Guides of the Jewish Race) state that if they are successful, what is coming for them is the "Messianic Era", upon which, the jews will rule a global state, each will own 2800 slaves, all the World's Wealth will be on their hands, people will be forcibly controlled by technology, and as thus, jews will be turned to "Liberated Jews" and the World will become a paradise for jews, who will reign it from above, completely and forever beyond the reach of any "Goyim" (Gentiles) that want to reach them. Not only this, but Talmudic Rabbis have an actual, physical date for this.

This date is around 2150, where they say that EVERYTHING will be "paved" for the "Coming of the Jewish Messiach". Everything meaning, all cultures gone, all the people that are needed dead will be dead, all the religions of the World will be gone, history will have been wiped out, so that their "leader" will come and rule the remaining clump of Humanity, with a rod of iron, through a technological nightmare communist global state with the center of it, being Israel. This is not anyone's wishful thinking. This is the Bible and the Words of the jews themselves. The jews tried to halt and destroy science for centuries. Its well known that Humanity was ascending higher and higher, becoming Gods of their own fate, but the jews halted and

destroyed these, in Rome, Egypt, Ancient Greece and elsewhere. Now, because since of the times, they cannot stop this, they just want to use the times to their benefit.

The enemy just envisions a world like the "Matrix movie" where everyone is locked inside a virtual reality, or a world full of robots who will eventually steal off the work of all Human beings. This is the blueprint of Marxism, as Marx was the Son of a Rabbi and merely talked of the aims of his alien Race. Then, Human beings will die of starvation and the jews will just keep a moderate amount of people on the planet, just to have them as their slaves, through technological means. All others will be destroyed.

All these are sayings of Rabbis everyone can find with one mere google search. One good instance to understand the upcoming Age, is the Internet. The Internet gave power to the average people to actually see the Truth again, but on the downside, we have the deepweb and the criminality inside it, or the enemy constantly brainwashing people THROUGH the internet, push all sorts of lies, etc. At the same time, they tried to censor, destroy and they actively admit they manipulate the internet, to turn it to their advantage. However, the internet has been the undoing of the enemy. WWW in jewish Gematria is 666, which is the number of Satan, the enemy of the Jews. Satan is hated because he gives freedoms, understanding and wisdom to Humanity. Satan is the Father of Humanity.

**NOTHING WILL HAPPEN "ON ITS OWN". These are just POSSIBILITIES and TENDENCIES of the FUTURE to COME. These are \*NOT\* set in stone in ANYWAY! Do not let the enemy fool you. If anyone let's up on the enemy, we are sure to experience the \*END\* of Humanity in this new epoch.**

The enemy is also glaringly aware of their revelation and possible failure. This is why they all whine about our uprising and us finding Satan and the Gods. Through this return to Ancient Paganhood, we can return to our Divine state and normalcy, socially, spiritually, intellectually and in all ways.

As the Demons warned us about the Jew, we have come to understand their message. Now Humanity must act on it.

One last thing. Right now, in the midst of this disaster, we had the great opportunity to be able to unite all people on Earth under a common Pagan banner, so that people must all save themselves. This is magnificent. As the jew is a global element, the people who fight the jewish contamination must also become a global element. We can only solve this racially seperated and together, by not forgetting our common root and the destruction the jew has inflicted upon all people on Earth. The matter of saving Humanity has become a global issue. This also involves the planet. For all the lies of jews that exist in every household, every place in the World, there must also exist a Satanist, a Truth bearer, everywhere, in every home, country and state, to set their lies into the purging, once and for all.

May all the Satanic Souls be blessed,

May the Satanic Soul be Hailed,

May Satan bless our Effort!

Now and Forever!!!!

HAIL SATAN!!!!!!

high\_priest\_hooded\_cobra This was excellent. Cobra, what you are saying here and were saying in our conversation in the other group a few days ago about how the enemy will just adapt to the Aquarian age and work with it's energies against us, that is already happening, in fact I am convinced they already prepared for it.

In reading the Illumination On The Illuminati Page <http://dawn666blacksun.angelfire.com/Illuminati.htm> We see that the eventual aims of the enemy here are NOT Piscean in the least. They are Aquarian in nature.

Weishaupt wanted a system of truly global dimensions, even if it brought about violent worldwide revolution and rivers of blood. His "benevolent dictatorship" had six main points dealing with the abolition of:

1. Ordered or nationalistic governments in the form of monarchies.
2. Private property.
3. Inheritance rights.
4. Patriotism to nationalist causes.
5. Social order in families, sexual prohibition laws [protecting minors] and all moral codes.
6. All religious disciplines based on faith in a living God, as opposed to faith in nature, man, and reason. [Pushing atheism to remove all spiritual knowledge].

Anyone who is familiar with astrology, will see all of those things are exactly Aquarian. Negative manifestations of this sign. No loyalty or attachment to family, race or nation, just completely atomized individual. (Aquarius rules individualism) No sexual restraints, (Aquarius is about freedom both in positive and negative sense) No social order, belief in higher beings, spirituality etc. (Aquarius, is pure logic) Just as Pisces, intuitive emotional nature, was used to stifle reason and logic during the age of Pisces as with Xianity. In the age of Aquarius I have no doubt the Jews will try to use reason to stifle, intuition, psychic ability etc. In fact we are already seeing that.

Other possibilities are, as you said, - complete control and rule by technological and scientific uses (Aquarius rules technology). - turning the world into total anarchy and chaos (chaos can also be a negative of Aquarius, the air element) promoting absolute selfishness and nihilism, pedophilia, strangeness, perversity, immorality, remember Aquarius is freedom and individualism. Freedom like everything else has a duality, even freedom can be used against us!

Weishaupt planned for this CENTURIES before the age of Aquarius.

A thing I have noticed about that serpent story is, HP Maxine wrote on the site that the key to awakening and rising the kundalini is FREE. Be free in thought, feeling, emotion, action, energy etc. The judgement and labelling of some things as "good" and other things as "evil" constantly, is what stops us from being truly free in so many ways. Keeping us constantly guilty and inhibiting our true desires and feelings and this is one of the things that prevents spiritual growth and the activation of the kundalini serpent. Pretty much, it is also the sole reason why the White race is 'dying' and haven't just destroyed all of the Jews who try to corrupt and subvert our society.

It all comes back to this idea of "good" and "evil" - that is the sole reason why the White race has NOT become Gods yet. - The enemy in the book of genesis has reversed this totally and deliberately. Without the concept of good and evil poisoning it's mind, any creature which recognized an enemy in it's midst would destroy it without a second thought. But because of the idea of good and evil, you will surely die!

That is just a very philosophical physical way of looking at it, but the restriction of our free flow of emotion and energy is the biggest obstacle preventing the further evolution of the soul.

@... I think the difference is kind of like family and non family, a non White, so long as they're gentile can be close to Satan and the Gods at an individual level if they are true Satanists, but they're not his people by blood as descendants of the Gods the same way Whites are. And if they turn away from the Gods, they will just be neutral to the Gods and of no importance. Whites on the other hand the Gods naturally care for as we are children of the Gods, even though many of our people may stray from the Gods and make mistakes. The Gods still work to save our people because we are children of the Gods. This is at the soul. Whites at the soul are from the same Satanic source. Each race has it's own source.

Additionally the spiritual potential of Whites is much higher than non Whites. This is why, there are many White Satanists here with risen Kundalini serpents, but in India where the Aryan population is largely mixed, it is still a very rare occurrence despite having far far far more spiritual devotees than in White countries.

That is just my take on it based on experience.

I continue to hone my metals, every day. Everything I do, ultimately, is to positively affect, in every way, the survival of the Nordic race.

Within our race, why is the dark trying to take over the light?

You are correct by stating that Nordic genes (blond hair, blue eyes) are becoming scarce within our midst. That's unacceptable.

Today's a non-void moon and I have a plan.

White Europe Is Satanic Europe!

The God Yngvi Frey rules the Ing rune, this rune Ing is also used as the prefix son of or daughter of in the ancient meaning of the Anglo-Saxon and Friesian and other Germanic Peoples. such as names like Bunting and Hadding which are still found in Europe in places like England and Holland. The nation of England is Ingland named after the God Ing, Frey. The ancient Royal family of Sweden was the Ynglingar as they were descended from Yngvi Frey just as the Royal families of England are descended from Woden. But note Ing is connected to the Ingaevones the invading Germanic nations the Angles, Saxons, Friesians and Jutes were of the Ingaevones. You can note the Germanic nations are still named after the Gods. Holland is Holda's land, Germany is Tiw's land, Frisia is from Frija, Austria, Oesterreich named from Ostara's realm or Reich. Scandinavia is of Skadi who is similar to the Goddess Scathach of Scotland. Ireland is Ari-land, the land of the Arya. Which is Hari, Hara a name of Satan. Even Europe is named after the Aryan Goddess, Europa! We are a Pagan-Satanic Race!

Yngvi is also known as Pan, who is Dionysus so we see this across the board. The Spartans stated they where from the blood of the living God Hercules who is called Hari, Odin is called Harighast. Hari,

Hercules is also called Sandan, the D is a double letter of T, Sandan is Santan, Santana, Satan.

The Yngvi is symbolized as the Phallus the symbol of the God, all the way to the Aryans in the East. However its also the symbol of the intertwined serpents. The symbol of DNA, the royal blood. Its the symbol of Aryan blood of which the Sumer texts stated. Enki who the Sumerians also called Satan. Put the blood of the Gods into us and created us in the image of the Gods. Satan put His own blood into us. We are of the race of the Gods. We are their literal children. And our race was named Ari, Aryan, Harya.....Hari. After Satan.

The Lay of Rig states the European Aryan Peoples are descended from the Gods genetically as do the eastern texts. Our ancestors would set ceremonial places at their table for the Gods as a reminder we are of their racial family. The concept of racial mixing was alien as it was a sin against the blood to commit racial adulteration. As it was destroying the divine blood. When the Germanic, European nations encountered non-Whites, they passed laws against race mixing. It was the advent of Jewish Christianity that changed this. The Visigoths changed this once they converted to Christians. This allowed the Jews a way into the subversion of the European race.

Today we are witnessing the same. Liberalism is simply secular Christianity and its alien globalist cult of Jewish world supremacy. The Jews only got this far by Christianity which removed us from our divine roots. If our Race is conscious of itself it wouldn't allow itself to be destroyed by scheming Hebrews.

When White Europe is no longer Satanic Europe, its on the verge of total extinction. Spiritual Satanism is the Salvation of the White European Race. Its who we are as a People. Salvation is of the Swastika of Satan.

Kyle that sounds close to the truth but it's very rare to see a non-White who is like that. Even in the main Joyofsatan group many of times non-Whites have lashed out at Whites for no reason, other than they was standing up for their race, especially Negroes and these are non-Whites who claim to be Satanists. I've only been here six weeks and I already saw it several times.

The only exception is usually Hindus, Japanese and Yezidis. And all of these peoples have the same things in common 1) at least some Aryan DNA. 2) They have remained close to the Gods throughout the ages, Hindus and Yezidis we know of and the Japanese are descendants of the Sun God. 3) They usually have positive attitudes towards Whites, in my experience at least. I never met a Yezidi in person but the Japanese and Hindus definitely.

India and Japan also both supported the third reich.

But my point was a response to someone else about how the Gods see non Whites, so unless you know what I am responding to, you won't get the context. The only point was some non White races and nations are more hostile to Whites than others but the ones that aren't so anti White, usually are the ones who have some Aryan DNA back from ancient times, when Whites were in the middle east and far east. The Japanese in my experience are far more positive about Whites than, Negroes and Jews.

I don't support mixing with Japanese or any non Whites, neither would I allow them to mass immigrate to any country I controlled, I still respect them because they have contributed a lot to the world over the years and were allies with Hitler in WWII.

The Japanese WERE white, not anymore. That's what you get for racial mixing with a bunch of brown fucking mongrels.

To add to that, the bullshit that "colonialism is what caused modern day Africa to be like this" needs to be dispelled. Germany is also blamed for this despite being the least imperial empire in Europe. Africa would be much worse off if it didn't receive the literally billions of dollars it has from white nations, but you never hear about that, but instead you hear "apartheid" being repeated a million times in the same way 6 million is, despite the fact that not only was slavery in Africa started by Jews, but it is dangerous for whites to live in areas like S. Africa. Also, literally every single Nigerian I have met has an anti-white sentiment and repeats the slogan "blacks can't be racist, only whites can" and then go on to preach about how whites should be punished and bs along those lines

What you said in regards to black Africa, I agree with, but, the Arabs and Middle east have made full use of their resources quite competently and became the richest areas in the world. Look at Qatar or Abu Dhabi or Dubai, which although I find concrete jungles to be ugly, easily surpasses most other major world cities. Along with that, there are multi billion dollars desalination plants and solar power plants and gigantic irrigation schemes and what not. Problem is, that money is going to (1) buying the population to shut them up (2) into funding islamic terrorist activities and groups like ISIS and (3) to the Jews.

The solution to the retarded arabs who chose to bring shit to Europe is to end Islam in the ME which will almost immediately destroy every problem. With that, the arabs had a fair bit of land taken of them in 1948 anyway and that just served to make a new jewish world capital.

As far as I'm concerned the moment the A bomb was invented, these people lost the right to be a bunch of subhuman primitive fucks and so did every race for that matter. Remember Rwanda, look at what they did to each other just with machettes! A tool you can pick up at your local hardware store they managed to kill a million of each other with. Now imagine if they had possessed nukes, what would the situation have been? They would probably have blown themselves up and the rest of us with them.

I actually think the policy of western governments propping up dictators in the middle eastern region was a good thing, it kept those stupid Islamist fundamentalist groups at bay, kept the oil flowing and much of the region was peaceful. It was actually George Bush and his Jew friends who went forward with the agenda of trying to remake the middle east in "our image", but of course democracy has been a failure in the western world already, it's just a more obvious failure in the middle east where the average IQ is 80.

If you want a peaceful and prosperous world, the lesser races, NEED telling what to do by the superior races, for their own benefit as much as ours. Just the same as lesser individuals of the same race need telling what to do by superior individuals. There is no such thing under the Sun as equality.

If Whites are not given the right by the world to self determination, then why should we respect anyone elses?

I don't get what you're saying about putting Whites into non White countries, that is exactly what Australia and America was and it didn't lead to race mixing until the policies made that possible. There is still millions of Whites in the US and Australia today.

Obviously if a group of armed, committed White nationalist settlers move to a territory, they're not going to be interested in race mixing and we wouldn't allow it. The anti miscegenation laws in the US worked. Plus White nationalist settlers are going to be a lot different to Paddy the Irishman getting on a boat to the US and hooking up with a Negro slave. A White nationalist settler isn't going to be into mixing.

Also I don't know if you've noticed this or not but EVERYWHERE is getting turned into a non White land! Europe and America. So in 50 years, what difference would it even make if a White nationalist group takes a piece of territory from Canada or Madagascar? The only difference I see is, it'd be a lot easier to do it in Madagascar with it's small population and weak military.

The White race is a tenth of the worlds people and declining while the rest of the world is expanding and millions of non Whites are entering Europe and North America every year, there is no nice way out of this situation. Non Whites, need their numbers lowered, territory and resources taken from them so that their numbers can no longer continue to expand and Whites need to start gaining more territory and resources and expanding in numbers. And wherever we get a chance to do that we need to make it happen. Bottom line. Doesn't matter how or where.

I am actually in between the two of you on this, I am not as hardline as Ashley and yc28 are because I believe Whites do have to be careful how many enemies we make in the world at this point, given that we already have a lot of enemies and we are small in number and of course the possibility of nuclear wars, taking over a non White territory, with the amount of human rights laws and how globalized politics is today, probably wouldn't work, I agree. But at the same time, the point that was made by yc28 about being too soft is correct. If the opportunity presented itself for us to cease territory I would not say no to it, wherever it was. We have no racial territory right now. Saying no to land in Africa or Asia would be like saying no to water because it's not soda.

Ashley, I think you need to seriously consider what you are talking about. How long have you been dedicated?

I remember answering your questions a couple days ago, and let me be crystal clear:

There is a MAJOR difference between building our glorious Aryan people up, and ethnically cleansing a African country.

Let's look to our Führer shall we?

Adolf Hitler wanted our Aryan people to look INWARD for our salvation, to our own ancestral homelands and nations. This is why He stressed rebuilding His homeland, and for the German people to not rely on aid from outside sources. By this he meant colonies and foreign aid from other countries.

Ashley, you must also understand the change in our times.

When my forefathers settled here in America, they had astoundingly advanced technology compared to the natives. However, Aryans have spread their technology to all parts of the globe now, and even the most backwards nations still use Aryan technology. This would make settling in a new land very difficult, as the natives would heavily resist. Not to mention the Jewish response which would probably be the Kikes making WHITE soldiers kill the White settlers.

Also, what's wrong with the Irish? They have some of the most pure Aryan blood in all of Europe. The Irish immigrants to America very rarely race mixed.

You also seem to miss the fact that a group of White National Socialists CANNOT beat a highly trained military force, supported with trillions of dollars. You do understand that we are National Socialists, not just Nationalists right?

How about, instead of fleeing our ancestral homelands, we do RTR's (which actively help), and online warfare to awaken people. This way we will eventually get these non whites out of our lands. I'm not saying that it won't be violent, but I am saying that we need to protect our lands now more than ever, as us Aryans are connected to our lands.

And please know that I am in NO way attacking you, I just want to make sure that you see the whole truth. HAIL SATAN!!

Let's look to our Führer shall we?

Adolf Hitler wanted our Aryan people to look INWARD for our salvation, to our own ancestral homelands and nations. This is why He stressed rebuilding His homeland, and for the German people to not rely on aid from outside sources. By this he meant colonies and foreign aid from other countries.

Ashley, you must also understand the change in our times.

When my forefathers settled here in America, they had astoundingly advanced technology compared to the natives. However, Aryans have spread their technology to all parts of the globe now, and even the most backwards nations still use Aryan technology. This would make settling in a new land very difficult, as the natives would heavily resist. Also, what's wrong with the Irish? They have some of the most pure Aryan blood in all of Europe. The Irish immigrants to America very rarely race mixed.

You also seem to miss the fact that a group of White National Socialists CANNOT beat a highly trained military force, supported with trillions of dollars. You do understand that we are National Socialists, not just Nationalists right?

How about, instead of fleeing our ancestral homelands, we do RTR's (which actively help), and online warfare to awaken people. This way we will eventually get these non whites out of our lands. I'm not saying that it won't be violent, but I am saying that we need to protect our lands now more than ever, as us Aryans are connected to our lands.

I don't get what you're saying about putting Whites into non White countries, that is exactly what Australia and America was and it didn't lead to race mixing until the policies made that possible. There is still millions of Whites in the US and Australia today.

Obviously if a group of armed, committed White nationalist settlers move to a territory, they're not going to be interested in race mixing and we wouldn't allow it. The anti miscegenation laws in the US worked. Plus White nationalist settlers are going to be a lot different to Paddy the Irishman getting on a boat to the US and hooking up with a Negro slave. A White nationalist settler isn't going to be into mixing.

Also I don't know if you've noticed this or not but EVERYWHERE is getting turned into a non White land! Europe and America. So in 50 years, what difference would it even make if a White nationalist group takes a piece of territory from Canada or Madagascar? The only difference I see is, it'd be a lot easier to do it in Madagascar with it's small population and weak military.

The White race is a tenth of the worlds people and declining while the rest of the world is expanding and millions of non Whites are entering Europe and North America every year, there is no nice way out of this situation. But at the same time, the point that was made by yc28 about being too soft is correct. If the opportunity presented itself for us to cease territory I would not say no to it, wherever it was. We have no racial territory right now. Saying no to land in Africa or Asia would be like saying no to water because it's not soda.

Again, what you said about Africa, I agree with on that.

Democracy wasn't for the middle east and the middle east never wanted it to be implemented to begin with. From 1940's on, the middle east wanted pan aram socialism and pan Arab nationalism which was taken almost directly from German Nationalism in the third Reich. Arabs never invited democracy, it was pushed upon them and thus ended all hopes of national socialism in the ME.....

Western governments have never put dictators in the ME, but have tried to annihilate them. It's not true what you said, it's slowed down oil produce significantly, Western governments supported Israel entirely and even went ahead to help Israel in war efforts to destroy national socialism in Egypt thus giving power to the Muslim brotherhood. It destroyed national socialism in Iraq and it destroyed nation socialism in Syria (Ba'ath party was founded solely on a strictly secular national socialist and racially preserving nature). This is not the fault of Europeans, as they have no say, the Jewish Un, EU, European governments and NATO leaders make these decisions behind their backs.

George Bush was a flat out idiot working for the new masters . But this democracy in our image came far before bush. It started in 1948. The destruction of Iraq and Syria are proclamations in the Torah and this is why these areas have been targeted. In one of our RTRs, we reversed where the Torah proclaimed Syria's destruction.

Nukes aren't a good thing in any way for anyone, they are the Jewish gift to humanity.

The A bomb never reached the ME and no country there has a nuke aside from Israel, so how could that have made them what they are today? As I said the cause of that is Islam.

For future reference, what women wear in the ME is a filthy disgusting rag only suitable for cleaning shit. What men wear is actually for sun protection and you could have found it in Mesopotamia, Ancient Egypt and was in the ME long before Islam. I'm not picking on you or some shit like that and I'm not trying to be politically correct either, I just thought you should know. Remember the sun is always shining and it goes up more than 40 ° in some areas.

What I'm getting at is, your idea would just get hijacked by you Jews, cause immense issues and warring and makes no sense : reversing the order of non whites going into white lands is doing nothing because there will still be race mixing. What you do is deport the non whites and white lands.

America was something wanted by the God's for satanic purposes.

Whites didn't want to be in Australia, they were forced into there. It was a prison colony as well and a place where whites were forced into as slaves.

For another example, look at South America, where pure whites went and ended up having carmel skinned children. Places like South America became a cesspool of race mixing, cultural Marxism and what not.

Ethnic cleansing is not what satanists nor national socialists do. That is a very Jewish term. The problem for whites is non-whites in white lands so how does going to some nation far away from white lands help the white people in any way whatsoever. So not ethnic cleansing, but destroying what goes in the why man's way.

Reversing the order of non-whites going into white lands does nothing. You still have race mixing and warring.

Yes I've noticed it and it's truly disgusting. I do not know of the solution to this but the closest I'm thinking off is mass deportations, but there are millions of them and some have settled.

Resource 'exploitation' isn't a bad thing if it is regulated: no Jews, no gangs and no blood diamonds. If you mean oil, that belongs to that Arabs.

Non-white breeding needs to be reduced, definitely, when white breeding needs to increase.

Hitler never promoted your idea and was in fact against it as he believed all races should stay only where they came from, and if they refuse you take action even violence if necessary which it is most times.

I understand what you are saying and I know Hitler didn't support my idea, but then he didn't need to, he wasn't in the situation we are in today. He had Germany and was ruling a National Socialist regime, which was nearly all White, at a time when there was many all White countries. Whilst today there are no all White countries left, we have no political power and we're on our way to become the minority in the US as well as everywhere else.

I think we will have to agree to disagree, you are not wrong in what you are saying though, I just think we should be as opportunistic and ruthless as possible when it comes to getting a homeland and not limit ourselves by some moralistic nonsense and not focus on any particular country or territory. Take land wherever we can to build a White racial state or take power through the electoral system of an existing majority White country. I don't care where in the world we do it or whatever means we use to go about it. I just care what is the best chance of succeeding.

Also lets keep in mind, there are many parts of Canada, Russia, Africa and other places which are EMPTY! Vast amounts of empty land, so it doesn't necessarily have to mean ethnically cleansing anyone, it could just mean taking territory away from a state which claims the land.

There is no room for ethics or morality when it comes to the survival of your race. When we are safe and our survival is assured, then we can think about morality and fairness, but not before that.

Look at the natural world, no animal would limit it's chances of survival, be it territory, food or whatever because of ethics. And since no morality is being shown to Whites at this point, in affording us a homeland, we don't owe any to anyone else either. That's just my view. We can agree to disagree like I said. I'm glad that for the first time in a long time a conversation like this can be held without argument, it is healthy.

Hitler was in a terrible position. There were about 18 million Aryans that died in WWI, about 4.2 million of them being German or Austrian. There was heavy race mixing, especially along the Rhine. Birth rates reduced significantly for a period of about 4 years, which seems small but is huge. Germans couldn't afford more than 2 children if even 2 and that reduced the white population especially in western Europe.

Whites already have a vast homeland, filled with beautiful white culture that evolved of a long time. There are vast areas empty, but migrating their would be a problem. If whites migrate there, there would be no white culture in those areas. If the German, the French, The Irish and what not go to an area, the german, the french and the irish culture will be non-existent in those areas because it will disspear. America, from what I gather has almost lost all traced of the culture the German and other Europeans brought with them

As you said, look at the Natural World, catfish dont swim in the same waters as piranhas. Lions try to avoid hyena territory and vice versa.

Personally, I don't know how the racial problem in the US will be tackled - will blacks have to leave? Will they stay? Separated? - I don't know, thats why I don't like to use the US as an example in topics like these.

On the topic of the racial problems in America, the blacks will need to leave.

It's the only way that we can ever hope of becoming what we were meant to be, a shining paragon of Satanic knowledge and enlightenment.

I don't know where you get this idea that "America has lost all of its cultural roots", this is not true. There are still many people here who are healthily aware of their culture.

Since 1930s onwards have our people began to degenerate due to the kikes. But there is still hope for America, there are many Militia's in various states across the nation, and many people don't like what is happening to America. It's only a matter of time until people are through with the jew's bullshit. In fact, many people I know already have anti-jew feelings. This truly warms my heart.

Birth rates reduced significantly for a period of about 4 years, which seems small but is huge. Germans couldn't afford more than 2 children if even 2 and that reduced the white population especially in western Europe.

Whites already have a vast homeland, filled with beautiful white culture that evolved of a long time. There are vast areas empty, but migrating their would be a problem. If whites migrate there, there would be no white culture in those areas. If the German, the French, The Irish and what not go to an area, the german, the french and the irish culture will be non-existent in those areas because it will disspear. Ashley, you are wrong on many counts.

1. Hitler very well could have adopted your idea of the future. In the 1920s, Germany was declining, on the path to ruin. As Fourth Reich pointed out, race mixing was occurring at an unprecedented scale, the economy was in ruins, and the jews were in power. Hitler had a LARGE (almost 6 million people) armed wing of the Nazi party, the Stormtroopers.

Hitler could have said "alright, we are going to leave Germany, and take over some shit African country." And they would have followed Him. But why didn't He? Because he knew, that the minute you leave your homelands when it is in need, you become a coward. If you don't fight tooth and nail to preserve your ancestral lands, then you are nothing. My ancestors fought for this land, bled for it, tilled it, and died for it. All of this happened so that we could inhabit our lands. Don't get me wrong, we need to boost our numbers, but exterminating the other races will only make us look worse in the eyes of the world. It will only provoke a jewish response that we can't deal with. You are also wrong saying that there are no White counties left. Poland ( a white country) had a Nationalist march of over 10 million people recently. All shouting and screaming anti-islam sentiments. This is the first step in the right direction. The only time when our race will fully realize what is happening, is when they are pushed up against a wall. We are getting close to that happening.

We already HAVE homelands! Have you read Understanding National Socialism? I'm speaking directly to Ashley and yc28 when I say this. You guys really need to read up on your National Socialism. What you are saying makes no sense, "and not focus on any particular country or territory" we already HAVE counties where millions of Whites live, we already have territories where whites live. Why leave? We leave and try to forcefully settle somewhere else and do you know what we become? MINORITIES. Why are you so keen on leaving our homelands? We haven't even begin to fight for them yet. And these empty pieces of land in Russia and Canada are empty FOR A REASON, because it is unrealistically difficult to support life there. Plus, the Russian and Canadian governments would definitely force you to leave, with military force if necessary. And since you won't have the backing of a huge armed forces, and trillions of dollars, you will lose. And probably die. And if that happens then you will not be able to help us here.

I'm not talking about fairness, I'm talking about securing the prosperity of our race in the BEST possible way that does not involve us having to give our homelands to savages and rapists, because if we leave our homelands, they win.

I didn't say all Americans lost all cultural roots, what I said was the individual cultures from the nations that went to America has become diluted, those are two different things.

From experiencing raw German culture in many aspects, you won't find that culture the same way it is in America and I get that straight from a German-American friend.

I doubt you would find statues of King Ludovic, or german beer houses or gardens or people drinking out of steins in bars in Washington or in Rhode Island (just two random, examples off the top of my head). If there are these things they are probably very rare.

Having never gone to the US before, you may know more than me and this guy may be only a single case.

This is a personal choice in Satanism, whether one uses recreational drugs or not, but I can tell you, marijuana and other mind altering drugs make the user very susceptible to being manipulated subliminally.

Anyone who has any kind of knowledge of hypnosis knows this. Recreational drugs also make one extremely open to being a victim of witchcraft. This means the user is open to being like a zombie and under the control of the spellcaster.

I saw this myself that was going on between two people. One's life was totally ruined as he was completely at the mercy of the one who used the witchcraft to manipulate him. This ended in tragedy for both. Both are dead now.

The CIA has a long and ugly history of using drugs to effectively hypnotized resistant subjects and also to artificially split the personality and more.

People who smoke marijuana also experience burnout. This is also where the mind is in a receptive state and open to suggestion, no different from what is being done when one is "under" in hypnosis.

I also want to add how the jewtube TV now has endless and frequent commercials advertising prescription drugs. Some Jew on there goes rattling off all the hideous symptoms... "May cause internal bleeding, ulcers, respiratory distress, confusion, etc, etc, etc. Talk to your doctor... Talk to your doctor...Talk to your doctor..."

This subliminally programs people to be sick and with the prolific advertising, this may be the Jews' way of inciting plague. These sick commercials also affect those dozing off or asleep within hearing the damned television set. I never watch TV myself, but others I live with do, unfortunately. Then the goddamned thing is always blasting away with worthless Jewish filth in the laundromat and other places, incessantly programming those who are unaware.

Just know, drug use can turn you into somebody's bitch. Responsibility to the responsible.

No one has a spare mind or body.

yc28 you said

BETTER BE FUCKING DOING THIS SHIT EVERYDAY

THE NORDIC RACE IS NOT GOING TO SAVE IT SELF WITH ALL THIS GARBAGE

We were trying to be productive with RTR and you post this angry thing all in caps screaming at what I assume was me as I was the originator of this thread. so, I responded in kind. You get what you put out. I mirrored back to you what you were putting out.

If I think I am being screamed at for no reason, I am sure as HELL going to yell back. I'm not going to lie down and meekly take it. And yeah, saying its shit and garbage when all it contains is RTR stuff would lead one to assume you are saying the RTR's are garbage and shit. Correct me if I'm wrong? Then what WERE you thinking? WHY did you come on here yelling at us? It wasn't directed personally at me. well then, my mistake there.

However...are you SERIOUSLY doing Magic against me? Already HAVE done, in fact? You did send that fire. You will be pleased to know I did feel it. You ARE very good. However, I refuse to retaliate. I am full of fire. A little more won't do me any damage. I'm not going to take up that challenge.

I'm NOT going to go into spiritual battle with another SS hun. Not gonna happen. NEVER. Oh, we might squabble here, hurl a few insults there - kiss my ass - go fuck yourself - bla bla bla. Of course you can say whatever you want, so can I. But they are only words. I would never escalate it into black magic, doing workings against another SS. NEVER.

At the end of the day I am NOT the enemy. I WILL NOT pick up a sword against another SS. You may want to re-think doing that and chill out. Turn that talent for destruction (and you are quite talented - I just clued into who you are here) toward the enemy. Calm down. Just CAALLLM DOWN.

The retrogrades really ARE doing a doozy screwing up communications. I actually thought it was kinda BS - this retrograde crap - but now I see it might actually be true. Meaning I probably shouldn't have yelled back at you. Just more fuel on the fire. Oops. My bad. I have a ton of fire already, you see. And when I get angry it comes blasting out.

But with me, it blasts out in one moment of heat, and then is quickly forgotten. I don't mean anything by it. I don't hold grudges. I'm not out to get anyone. I'm not your enemy. I got mad and yelled back. End of story. Let us call this a truce right now yc28 before it really goes south, ok? (holds out hand to shake)

Before anyone blasts me for saying I was kinda thinking the retrogrades are BS crap. A good SS friend has already taken the time to explain to me WHY it isn't. I was wrong to say that. I was also wrong to react so violently to being (I thought) screamed at. I should have done void and stayed calm. This retrograde is driving me fucking crazy. I seem to take everything the wrong way. I'll take my own advice and do MORE RTR's. Channel my own anger into that. I will try hard to do better in future.

Impressive.

You're at 12 more reps than me with the RTR's

Fascinating use of RAUM and Suryae as well.

Here's a fun use of the THURIZAZ rune though any mantra would work.

Base chakra x9

sacral x9

solar x9

heart x9

throat x9

6th chakra x9

crown x9

All the way up the spine in all 3 extensions and then all the way back down and keep yo going it up and down the spine for a minimum of 3 sets so each chakra gets a minimum of 27 reps.

crown x9

6th x9

all the way back down to base and then base x9 again and all the way back up to the crown.

I got the idea from the RAUM meditation and that meditation where you pass energy down your front chakras and up the spine in a loop.

Its been making my nerves go crazy and definitely builds power.

I don't think anyone can deny the focus of spiritual satanists at the moment is most of the time towards the negative and anyone who understands how the astral and magick works will know this is not good for us. There is so much doom saying and negativity bordering on despair, not just among Spiritual Satanists, but among many other Whites out there. You really think this isn't going to work against us? Look how many people out there are repeating the phrase 'White genocide' over and over and over again. This is going to truly fuck us up if you understand the mass mind and magick. The enemy will use this

against us.

Nothing wrong with educating people about the facts about Jews and what is happening in the world and cursing the enemy and RTR's are great. But where does the positive, creative aspect come into it of focusing on and working to manifest the things we want for ourselves ? HAPPINESS, LIFE, FREEDOM etc for OUR OWN PEOPLE. It's one thing to hate your enemies, but what about loving your own, how many of us can honestly say to ourselves I truly idealize a beautiful world? I truly love my race? Beyond the purely egoistic level of not wanting to lose to your enemies. Overcoming obstacles is great but that is not the same as creating what you truly care for.

I think most of the time the thoughts and energies of White SS should be towards a life where our race is free and prospering, surviving and multiplying fruitfully and where we are rich and spiritually evolved and have a beautiful happy free world and life because that is the only way in the end that we will be able to create it. Maybe sometime we should even do group rituals to strengthen our own people not just curse enemies.

The negative should be used to curse the enemy and releasing our hatred and envy and resentments upon them only and then we cleanse our auras and put away our negative intents out of our minds when we don't need to use it.

This is just my opinion on this. Let me know what you think.

I highly disagree.

Time is most certainly on our side.

As time goes on, we only get more and more people dedicating. I saw somewhere that we get got 700 in a week? If everyone that joined does just one RTR a day, that's 700 RTR's a day. This devastates the enemy. Not to mention if they wish to stack RTR's also.

The jew's time is almost up.

aye, we nided the fiery serpent...the great purifier.

it's extremely vital for our warfare against our enemy and for our lives in general.

and boy, don't we wonder why our ancestors worshiped the serpent

we could also concentrate the fire element in all chakras along with the Sauil also Kaun runic vibrations. something to think about and work on for later usage.

not too late thought, I am running out of time...

Because a long lasting fire is better than a quick spark.

Subject: Re: Should we be more positive?

Think about it like this Kyle.

We are at war now. This is not a small war, as it has been going on for thousands of years.

Our Aryan people have been raped, tortured, and murdered for just being children of Satan. Our past has been systematically destroyed, and we are facing total annihilation.

Now don't take me for a nay sayer, my faith and strength in our Glorious Gods is stronger than steel. However, this is also a total war. We should be hammering the enemy with as much as we can.

There is this great speech by Joseph Goebbels where he asks the German people, "do you want total war?!", and cheer from the crowd is what we need now. We need to fight this like it is, a total war. Do as many RTR's as you can every single day.

However do not miss out on advancing yourself.

The only way to perfection is thru practice. So meditate, workout, get on a better diet, etc and try to become the greatest and most pure and perfect Aryan that you can be.

Have faith in our Aryan future, of the bonds that we will have in our Glorious new world, where Aryans are free of the jews.

I look forward to this world.

We all should.

But we can't get to that when the jews are still here. So fight until your dying breath,

Know no fear in the face of the enemies of Satan,

And try to become the perfect Aryan.

I don't think anyone can deny the focus of spiritual satanists at the moment is most of the time towards the negative and anyone who understands how the astral and magick works will know this is not good for us. There is so much doom saying and negativity bordering on despair, not just among Spiritual Satanists, but among many other Whites out there. You really think this isn't going to work against us? Look how many people out there are

repeating the phrase 'White genocide' over and over and over again. This is going to truly fuck us up if you understand the mass mind and magick. The enemy will use this against us.

Nothing wrong with educating people about the facts about Jews and what is happening in the world and cursing the enemy and RTR's are great. But where does the positive, creative aspect come into it of focusing on and working to manifest the things we want for ourselves ? HAPPINESS, LIFE, FREEDOM etc for OUR OWN PEOPLE. It's one thing to hate your enemies, but what about loving your own, how many of us can honestly say to ourselves I truly idealize a beautiful world? I truly love my race? Beyond the purely egoistic level of not wanting to lose to your enemies. Overcoming obstacles is great but that is not the same as creating what you truly care for.

I think most of the time the thoughts and energies of White SS should be towards a life where our race is free and prospering, surviving and multiplying fruitfully and where we are rich and spiritually evolved and have a beautiful happy free world and life because that is the only way in the end that we will be able to create it. Maybe sometime we should even do group rituals to strengthen our own people not just curse enemies.

The negative should be used to curse the enemy and releasing our hatred and envy and resentments upon them only and then we cleanse our auras and put away our negative intents out of our minds when we don't need to use it.

This is just my opinion on this. Let me know what you think.

Jewish Ritual Murder In Hollywood?

This was posted on the forum by SatanicWarrior. Note I wonder were this Jew got the idea of torturing, murdering and then draining the blood of a Gentile? Its a case right out of Jewish ritual murder of which many happenings are documented.

Well I said "Maniacal Jew" but we all know I am being redundant.

This scumbag jooz killed his Gentile (Armenian) girlfriend in a grotesque, but typical jooish act of torture and bloodlust. Ritual murder it would seem.

He was a spoiled overgrown child because mommy and daddy gave him millions. And he wrote depraved "graphic novels."

TEXTBOOK JOOZ

[https://www.washingtonpost.com/news/mor ... hollywood/](https://www.washingtonpost.com/news/mor...hollywood/)

Blake Leibel was fascinated by evil.

His graphic novel centered on the search for the bad seed lurking in the brains of serial killers. He wrote a screenplay about a madman on a murder spree. His work, he wrote online, "grappled with the questions surrounding what provokes a person to commit evil acts."

Now Leibel stands accused of taking that fascination too far by reenacting his bloody imagination in real life.

On Tuesday, the 35-year-old appeared in a Los Angeles courtroom to face charges of torturing, mutilating and killing his girlfriend.

Leibel was arrested in West Hollywood on Thursday when authorities discovered his girlfriend's body inside their barricaded apartment, according to the Associated Press.

Iana Kasian, 30, had just given birth to their first child three weeks earlier.

In a detail seemingly pulled from Leibel's own graphic novel, prosecutors said her body had been "drained" of its blood.

Leibel has pleaded not guilty. If convicted of first-degree murder, he could face the death penalty, the AP reported.

Such a sentence would be a bizarre and ironic twist for the graphic novelist, whose best-known work begins with the execution of a serial killer on death row.

It would also mark a sudden and precipitous fall for Leibel, the son of a wealthy Toronto developer and former Olympian.

Subject: Communism in Serbia

<http://www.deathofcommunism.josru.com/communism-in-serbia/>

Serbia is officially the Republic of Serbia, and is a sovereign state situated at the crossroads between Central and Southeast Europe. This area is no stranger to war, within the past hundred years it saw the first Balkan war in 1912, and soon after the Second Balkan war ensued. After the assassination of Archduke Franz Ferdinand of Austria, a member of the Young Bosnia organization, went to Austria-Hungary declaring war on Serbia. In defense of its ally Serbia, Russia mobilized its troops. The retaliation by Austria-Hungary against Serbia activated a series of military alliances that set off a chain reaction of war declarations across the continent, leading to the outbreak of World War I.

From ww1 and ww2 there were many border changes. On 1 December 1918, Serbian Prince Regent Alexander of Serbia proclaimed the Kingdom of the Serbs, Croats, and Slovenes under King Peter I of Serbia. King Peter was succeeded by his son, Alexander, King Alexander changed the name of the country to Yugoslavia. There were many border changes after both world wars and the country of Yugoslavia was dissolved in 2006.

In 1941, in spite of Yugoslav attempts to remain neutral in the war, the Axis powers invaded Yugoslavia. The territory of modern Serbia was divided between Hungary, Bulgaria, Independent State of Croatia and Italy (greater Albania and Montenegro. While other occupied territories engaged in civil war, between royalist Chetniks commanded by Draža Mihailovi and communist partisans commanded by Josip Broz Tito (Jew).

1944 was a period of lawlessness, savagery, and brutality, were people were subjected to massacres, and violent conversions to catholicism. Josip Broz Tito made deals with Churchill (Jew) and Stalin (Jew) to send in soviet troops to Yugoslavia/ during the civil war, the communist would have lost if not for this. He Made King Peter of Yugoslavia sign a declaration that made Tito commander of all army units. On March 7, 1945, a single provisional Yugoslav government took office with Tito as prime minister and war minister.

Tito created a cult of personality just as Stalin did. A cult of personality arises when an individual uses mass media, propaganda, or other methods to create an idealized, heroic, and at times worshipful image, often through unquestioning flattery and praise. From Josip Broz Tito arose Titoism, in Russia arose Stalinism, and in China there was Maoism.

It was said that the political figures who created Yugoslavia did not represent the nations in the region, and understood little of the self-perceptions or ethnic-cultural affinities of the region's various peoples.

Josip Broz was a member of the infamous Soviet Police-NKVD and the Soviet Communist Party. Tito and his comrades set up KGB style police units in the former Yugoslavia (UDBA and OZNA). These organisations conducted political repression on a grand scale. Yugoslav Communist state used youth indoctrination (Union of Pioneers of Yugoslavia), which were all too similar to the Soviet Union (Young Pioneer of the Soviet Union) and also the People's Republic of China. Media and arts were used as a powerful means of propaganda and were all placed under heavy censorship, just as in every other communist state. It should be noted that most of the orders came from Russia.

Nonetheless, as well as Stalin used his conflict with Trotsky to purge more Russian people as "trotskists", Tito used his conflict with Stalin to purge

more of Blkanian people as “stalinists”. Jews uses their political conflicts and create them in the first hand to purge Gentiles whom hey blame of being on this or that jewish side.

"There were 500 women on the top of the hill. They stood in the white blouses and seemed almost magical. Until we had to run their gauntlet. When we reached them, the beatings started. Not just token beatings. Everyone had blood pouring from their nose or ears. They smashed our skulls. They kicked us, punched us, hit us with clubs. We had to walk past their lines until we reached the top of the hill."

– Vera Winter, Economist

"When you are sent down to Barren Island, of course everyone claims not to support Stalin. “I don’t approve of the Resolution. Nothing to do with me”. Then you’re told: “Fine. If you are so against it, go and seek out our enemies here” – “What do you mean?” – “All of you are supposed to be enemies. So find them and report them to us!” – “How?” – “Just talk to them”. Some would fail for it. They’d talk to each other, then run back and denounce one another. They believed they’ll be rewarded and they might get a lighter work duty. But that wasn’t the end of it. Someone would say: “There are so many traitors here. Tonight go and beat them up”. If you didn’t carry out the order, they’d say you were deceiving them. “You pretend to be on our side, but you are not willing to hit our enemy. Extra punishment!” That’s how the system worked. If you didn’t beat someone else you’d be beaten yourself."

– Alfred Pal, Artist

While jew Trotsky lived in great luxury in the West, many of his so called “followers” whom he never knew nor cared about were tortured, murdered and genocided in his name. Same for Stalin: this jew lived in great luxury and piece while a lot of “his followers” whom he never knew nor cared about were tortured beaten and killed as “stalinists” in the other country. Stalin, Trotskiy, Bela Kun, Tito, Kamenev, Zinoviev– all of them were jews of the same gang eternally infighting with one another, but in their “inner conflicts” million of Gentiles died. This is how the jew system worked.

The damage communism does

Commission on Concealed Mass Graves in Slovenia ~

In all it is estimated that there are 100,000 victims in 581 mass graves. The killings were executed by the Yugoslav Partisan Army in 1945 and 1946. A district of Slovenia’s city Maribor, the remains of thousands of victims of purges were found, and in Kocevski Rog and Huda Jama are other sites where thousands of people were executed.

Collaborators who had attempted to retreat with the Germans, Tito had most of them massacred at the infamous Pits of Kocevje.

Jazovka is a pit that was rediscovered in 1990, after the fall of communism in Croatia. The pit is located in Zumberak and was already locally known. The bodies of of civilians and Croatian soldiers were dumped there during and after the Second World War.

Goli Otok (Barren Island), a notorious prison gulag on the Croatian coast (former Yugoslavia’s Gulag). Austro-Hungarian government set up the prison during World War One. Communist authorities of Yugoslavia in 1949 made into a high-security, top secret prison and labour camp. Until

1956 it was used to incarcerate political prisoners. They included alleged enemies of the communist state, other Communist Party members, regular citizens accused of exhibiting any democratic, anti-communist behaviour. Inmates were regularly beaten and humiliated.

Assassinations and purges were organized to eliminate individuals who were deemed anti-Yugoslavian or who were publicly critical of communism in Yugoslavia.

Vrapce Psycho-Lager at Zagreb city: This was the oldest and largest psychiatric hospital in Croatia and ex-Yugoslavia, dating two centuries ago. During Tito's regime in communist Yugoslavia, its buildings were partly misused also for punishing the dissident anti-communist intellectuals.

Koca Popovic, Chief of the Supreme Headquarters for Serbia of the National Liberation Army asked western allies on several occasions to bomb all the Serbian cities in the south because of amount of alleged high concentration of German troops but in fact the real goal of the continuous bombing and onslaught was to weaken the support of the local people for the anti-communist forces of General Mihailovic. On September 6th 1944, in Leskovac, Allied bombs killed between 5 and 8 thousand civilians.

In the months before and after the end of World War II, ethnic Germans were killed, tortured and dispossessed throughout eastern and central Europe, notably in Silesia, East Prussia, Pomerania, the Sudetenland, and the "Wartheland" region. Altogether 12-15 million Germans fled or were driven from their homes in what is perhaps the greatest "ethnic cleansing" in history. Of this number, more than two million were killed or otherwise lost their lives.

Most of these former regular Wehrmacht troops perished in postwar Yugoslavia in three stages: During the first stage more than 7,000 captured German troops died in Communist-organized "atonement marches" (Sühnemärsche) stretching 800 miles from the southern border of Austria to the northern border of Greece. During the second phase, in late summer 1945, many German soldiers in captivity were summarily executed or thrown alive into large karst pits along the Dalmatian coast of Croatia. In the third stage, 1945-1955, an additional 50,000 perished as forced laborers due to malnutrition and exhaustion.

The total number of German losses in Yugoslav captivity after the end of the war — including ethnic "Danube German" civilians and soldiers, as well as "Reich" Germans — may therefore be conservatively estimated at 120,000 killed, starved, worked to death, or missing.

"The killing continued after the war, as Tito's victorious forces took revenge..."

Testimonies ~

Frank Waddams a British Government representative who had lived outside of Belgrade, said:

“He knew first hand of ten concentration camps and had talked with inmates from nearly all of them. “ The tale is always the same, he said  
“Starvation, overcrowding, brutality and death.

“God save us if the communist come..”

On the 23rd of April in 1948, in a speech Harry S. Truman (the President of USA) stated:

“I am told that Tito murdered more than 400,000 of the opposition in Yugoslavia before he got himself established there as a dictator.

”People in communist ranks didn’t want to believe in the dark stories when they were told about the horrors of communism, “it must obviously be fascists propaganda.” Justice which was denied from a generation of patriots, wanted to believe that they would be truly liberated. But there was nothing but blood and horror.

“Serbian uprising was stifled with blood ...”

Towards backa after the soviet departure, in april 1945 tito partisan was faced with trench and frontal warfare. forced mobilization of beardless youth was carried out, without any previous military knowledge or training and under command of partisan troops not used to classical military tactics were practically sacrificed in constant assaults on german trenches on the plains.

The youth received 3 days of basic training where they learned the difference between the barrel and the wheels of a cannon, and between the seat of the first and second gunners, the last day practiced with live ammunition. Those young people were sent to the Srem front, to a slaughterhouse. At the Srem front, if you lifted a stick or a finger or showed your head from a trench you would immediately be shot. Peasants afterwards had to go and cart their children back, for proper burial.

As regards to identifying victims, for a long time political propaganda had obscured exactly who was killed by the Communist regime and for what reasons. More than 20 years after the fall of Communism, Serbia still hasn’t managed to face up to the crimes that were committed by the old regime.

They have tried to cover everything up, but some people survived... With the testimonies from those brave enough to share their stories, we will never forget the true evil they faced. Crimes committed under communist regimes are referred to as a few different names with certain similarities; Red holocaust, Red terror, and/or Red age. Every communist regime has left a trail of blood.

“Paradise – both christian and communist – can never come while you are still alive. It can only come when you die.”

Massive Protests In Germany Against The Jews

Every day news reports thunder across the international press. Showing our ritual of the reverse torah ritual is working on every level. The Jewish global system is falling. Just doing the rituals not only works on every level, but gives the average Jew a bad day. Its epic winz. So keep doing them daily.

Hundreds of anti-refugee demonstrators gathered at the central station of Erfurt, Saturday, to protest against multiculturalism and decry the arrival of refugees to Europe. The protest march was met by a group of pro-refugee counter-protesters.

The protesters took to the streets at around noon local time (10:00 GMT) and marched through the city of Erfurt for over three hours with banners against Muslims and refugees.

SOT, Anti-refugee activist (German): "I live in Switzerland. All the entrance points connected to Italy are closed. Instead here [in Germany] there is no solidarity with their own people or German leadership. This kind of politician must go. And therefore we here in Erfurt, as in Berlin, say Merkel must go."

My note President Johnson, was Jewish and a well known supporter of the Jewish agenda as such. He green lighted the Liberty attack and personally got on the phone to the US Admiral and called off American planes when they took off from a local US carrier to give aid to the Liberty in attempt to give his fellow Jews in the Israel forces the extra time to destroy the Liberty and kill all the US Service Men aboard for the false flag to work.

Always remember... The enemy has victimized humanity by removing our psychic powers. The falling of the Serpent. This has enabled them to go unnoticed, as most people cannot see or identify the enemy reptilian soul and that there are differences in souls.

Know, when you begin to meditate, especially for new people, this opens your mind and astral senses to the extent of how open your potential is from your past lives. For example, one who has already done meditation and/or yoga, Martial Arts, and related in a past life at some point may have more pronounced experiences, than one who has done little or nothing.

My point here for writing this post is to know that upon opening your mind, and this also includes other spiritual practices such as using a Ouija Board, know that everything you may encounter astrally is not always Satan.

For example, there may be ghosts in your house that you were unaware of until you opened your mind and empowered your astral senses. Members, especially new people, have written regarding feelings of being touched and seeing entities and other similar experiences.

Never be afraid. This is something new for a lot of people. This is a very positive thing. Your astral senses and intuition will help you throughout your life.

Just know what you might see, feel or experience astrally is not always of Satan.

Holocaust of India, Jewish Power Murdered 85 Million Indians

I care not what puppet is placed on the throne of England to rule the Empire. The man who controls Britain's money supply controls the British Empire and I control the British money supply." (Nathan Rothschild said (1777-1836)).

The same Jewish elites who murdered 100 million people in their USSR and other 100 plus million in their holding of Communist China which supported Pol Pot

as well. And the hundred million Black Africans who were holocausted in the Jewish run trans Atlantic slave trade. Also murdered 85 million Indians with their control of the British Empire as those in the know called it the Yiddish Empire for a reason.

But guys remember..... Anti-Semitism is the problem in the world, never the Jews...

Victims of the Jewish engineered holocaust of the Indian People in the 1870's.

Just like the Ukrainian victims of the Holodomor were 16 million people were murdered by the Jewish Bolsheviks....

British grain taxation policies, coupled with drought, caused an estimated 12-29 million Indians to starve to death from 1876-1902. The British Jewish administration, headed by the viceroy Lord Lytton(who dismissed calls to feed famine victims as "humanitarian hysterics"), not only did nothing to stop the disaster but actually pushed an act of parliament in 1877 that forbade famine relief, for fear it would cut into the record profits being made. They did allow desperate refugees from the countryside to earn their food at work camps in Madras and Calcutta, where their rations were less than that of prisoners at Buchenwald. British troops massacred starving mobs who tried to storm the trains and ships that were exporting their grain to Britain. The Madras Chamber of Commerce suggested the police set up flogging posts to prevent people from stealing the grain.

"Their very eyeballs were gone ... Their fleshless jaws and skulls were supported on necks like those of plucked chickens. Their bodies – they had none; only the framework was left." - a British journalist describes famine victims, 1877.

Who was the one world leader who stepped in to help liberate the Indian People to free themselves of the murderous control by Jewish Elites....

The Indian People have never forgot this either.....

They have even made films to honor this....

Hitler also fought to end the Holocaust system of the Jewish totalitarian system of the USSR, striking into the USSR several weeks before Stalin's scheduled plan to invade all of Europe as even former Soviet intelligent admits[1], and which Hitler knew about as well. Hence his first move as the only chance to save Europe, his victory there would have ensured Mao with the direction of the Jewish elites would never have arisen in China.

Never forget were in this fight together against the One Enemy of all Mankind, the Jew.

The cursing the jewish god makes ALL our RTR's exponentially more potent because it negates all the jewish energies and opens the door for Satan's power to enter the world once more.

"the jews have lost all protection"-the jews finally have a massive hole in their defenses making ALL RTRs more potent.

"the gates of Satan have permanently opened wide"- More satanic energy is entering the world once more destroying the jews and empowering us

All other verses are self explanatory.

This ritual makes all RTR's more powerful by both empowering us and negating the jewish defenses.

Thanks to our rituals of the RTR as one of the many winz we have scored for the world. Jewish propaganda arm, Gawker's entire media empire is gone broke.....

Gawker said it had filed for Chapter 11 bankruptcy and would conduct a sale through an auction. The company is under significant financial pressure from a \$140 million legal judgment in an invasion-of-privacy lawsuit by the former wrestler Hulk Hogan and facing a determined foe in the Silicon Valley billionaire Peter Thiel, who is funding legal cases against it.

If one looks at the state of the Jewish media Empires the writing in on the wall they are all dropping in ratings, and slowly going broke.

Keep up the RTR's cause its pulling the kosher rug out from under the kikes as a whole.

Hi everyone!

I have a couple of doubts that maybe you can shed some light on. They are both related to a couple of things I saw posted on the JoS site.

The first one:

On the main page, click on "links", then scroll all the way down, there is a banner with a name like "Hell's Headbangers". When you enter there, to start there is this very ugly image of something supposed to be a Demon. It has a pentagram on his forehead and horns. Very ugly, by the way, all contrary to the concept of that a Demon is, or is supposed to look like. Moreover, this site is full of drawings of supposedly "Satanic" pictures, one more horrible than other. The T-shirts they sell are as repugnant too. ¿Is it okay to have this link in our site? ¿Is not this contrary to who we claim Father Satan and the Demons are?

The second one:

Again, from the JoS main page, click on "Satanic rites and celebrations", then click on "Satanic Altars". There are several pictures of altars which have skulls on them. Skulls that seem to be from both human and goats (maybe fake, of course, but skulls anyway). That disturbed me, as I associate a skull with something evil, I never expected to see that on the altar of a Spiritual Satanist, like me. Maxine does not mention to have skull in our altars, she mentions the pentagram, candles, etc, but not skulls ¿Is this okay? and If so, ¿why I fell so repelled to have a skull in my altar? ¿Why does it sound so "not a Satan thing" to me?

Any comments are appreciated by friends.

Hail Father Satan Forever!

Many people who create Satanic art are deluded into wasting their talent on what society calls "evil" and associates with "death" and "destruction." However, the intention behind the art is what counts because with Norse Black Metal [what the enemy calls "White Noise"] and other outlets to vent frustrations about a darkening tidal wave of colored rapefugees kidnapping our women from membership of being White, and a Communistic great big racially-mixed family under Jesus Christ and his Jewish One World Government, there are only so many ways a person can vent anger and rage in ways that are healthy and legal. Remember that Satan is God, and through the death and destruction-related themes presented in the Black Metal Satanic Underground, Satan even uses atheists who tie into Satanic energy to express the Wrath of God [Satan]. Some of these people that Satan uses as mediums for his messages will wake up. Non-Jewish White people from all walks of life will be coming to Satan.

Anyways, we know that Satan and his Demons are of the Nordic, mostly blonde-haired, blue-eyed race of extraterrestrials, but not everyone else out there knows this until Satan and/or his Demons meet such people face-to-face. I remember in one of High Priestess Maxine Dietrich's older audio sermons, she stated that before she met Satan up close and personal, she didn't know what to expect, due to all of the conflicting information regarding Satanism available at the time.

To each their own altar. An if it isn't Jewish, do what thou wilt, is the best I have for you right now. I, personally, have artificial skulls on my altar because it is cathartic for black magick. Black magick, vengeance and justice are as central to Satanism as spiritual growth and obtaining immortality. The skull is also a symbol for the Nigredo transformation stage of the Magnum Opus, so at least skull imagery does have a basis in Satanism.

For White Satanists, the highest, most meaningful, and most Satanic of all symbols is the Left-Hand Path Swastika with the red, the white, and the black; the flag of He Who was Chosen. The Christians have the "god-man" Jesus Christ as the central figure of their so-called religion, and we have our Man-God 666, Adolf Hitler, the Anti-Christ. When the world who has cursed Hitler and has shamelessly defamed Him realizes that He represents the ultimate good for humanity while Christ represents everything that is evil/Jewish, the White Race-traitors will beg on their knees before Hitler, begging for Him to forgive them for their incompetence and race-betrayals. While Hitler doesn't accept worship like Communist leaders depend upon or slave-like obedience, He looks to a man/woman's heart. Like the inverted pentagram, the Swastika is our most important symbol. Guido Von List described the Swastika as the symbol of the Old Religion. Satanism is the White Aryan Race's first religion.

If it is pro-White/pro-Satan, like who and what you like, and hate who and what you hate. Just let Satan show you how to follow what you know to be best for our White Aryan Race, and for your own self.

Well, thank you very much indeed to all who answered. Very good information. I check the JoS site from time to time and I had not seen those sermons. Thank you all!

The explanation of HP Jake Carlson is very enlightening. So, these creepies of the "headbangers" site are also a tool our Father uses if he deems useful, well, that is new to me. I really feel disgusted by anything that may show Father and his Demons as repulsive, but again, I take HP Jake's explanation as valid and true, of course.

Thanks again to all.

In light of recent questions over to how to deal with entities, its important some things are being addressed.

First of all, in the "other side" (Astral), one can encounter all sorts of entities. There are levels of this. Having worked extensively and for many years both with people on the other side who have passed away, the Demons and encountered a lot of things, its easy to discern a lot of problems in this thing. Its important these are solved because due to centuries of darkness and jewish lies, many people don't know what's up.

One major thing is to remember, that beings on the other side, aren't any less "real" than beings that could be potentially on this side. The fact that they are

not in the primary sphere of your own existence doesn't really make them "Inferior" or anything else, and for the beings who reside into higher dimensions like the Demons, in many ways, they are superior to a lot of people who are just living and existing on the physical realm. So first of all we are going to deal with the matter of ghosts. The enemy grimoires have really poisoned this matter and we are slowly going to clear the clutter from this whole thing. There are also many charlatans around, like xians and that sort of thing, that don't know anything about the afterlife. This makes everything harder and more confusing.

I am starting from ghosts because these are basically the simplest entities one can really "relate" to in this sense, and they just live one "layer" above close to the Astral realm. This is why many people can actually "see" or "feel" ghosts, even if they aren't really "psychic". Normally, ghosts are like real human beings. They don't have the needs of eating or anything that is needed to sustain the physical body, but their emotional, intellectual and whatnot needs, are intact like any other living human being. They are also, not "dead". One's spiritual awareness, understanding and personality, is carried on intact in the other side.

The same applies in some cases with one's natal chart. The same natal chart one can have when they were alive, still applies to them after death, until someone reincarnates again. This means the "Karma" doesn't really wash out at death. The fact that people think otherwise is retarded and is again, stemming from "Christianity" that says "people get judged" after they die. This is a stolen concept and it's, like with anything the jews steal, completely corrupted and destroyed. This can be seen in the fact that many people grow "rich" (they get inheritances even if they are dead) or they get "famous" (like philosophers or skeptics or scientists) only after they die. This sort of thing has to do with their natal chart and there is a branch of astrology going into this, so I can't deviate from the purpose of this post as this would be too lengthy.

Now in regards to "dead" people who have "seen the xian afterlife", most of these people have been "clinically dead" but the "cord" of their soul/body didn't cut. This once cut cannot grow back on its own. One still roams within their own "subconscious" or their own mind at this point and this is not in anyway, actually "death" where the Soul is permanently disconnected from the body. Due to heavy indoctrination, a lot of these xians and others, do see "hell" and all these other things that are deeply embed and programmed into their subconscious mind.

This is part on how many people, in the time of their death, see a lot of their desires, past moments in this lifetime, and other things. The heavily indoctrinated see what their pastor told them they should expect, as this is programmed and drummed into the mind since infancy. In plain words, what they see is no different than an actual dream state. They aren't really astral projecting or anything like that. They aren't even witnessing their "Soul" per se, but their mental or "dream body".

Death however, deals with the higher or unconscious mind. And not the dream state or anything subconscious.

As about the "Judgment" after death, this is a destroyed and corrupted allegory. When one exists and departs from their physical body, they go out with their Astral body. Their personality and everything else is intact. In cases of natural death (without accidents, but old age) the bioelectricity of the physical body has run dry, and it's over, so the Soul cannot really inhabit in it any longer- the body is no longer suitable for life. The Soul as thus departs. So when people run out, the Soul runs on its own "energy" or "battery" so to say. This is to mean that simply, when one's "time is up", they dissipate back into the Aether. And slowly dissipate now and forever.

Sometimes the process of reincarnation happens, and this in many ways is an "automatic" (or let's say, unconscious) process and like with so many things

that happen unconsciously, people don't really understand "who" did this, even in the afterlife. This is also why so many people that refuse to be reincarnated, for a number of reasons, they stay on certain places like old homes, or other places like close to their own families, or hunt buildings. Many times also ghosts and people from beyond, they prefer to go into places where there are "earth grids" with vital energy, which helps them survive, or other strong electromagnetic currents. This process can also, be unconscious as well.

For many death is a totally baffling phenomenon, and they just try to stay stuck on this world, or things that are familiar to them. The Astral body can have all the sensations of the physical one, but it doesn't really participate in a physical world. Since the vibration of many people is too low, they just exit on the exact "higher" dimension of this realm. Many people don't really understand that they are dead, same as many people who are in a dream state and they don't really understand they are dreaming, until the dream becomes "conscious" or "lucid". Then they slowly come into realization of this after a while.

For these beings, their fate is questionable. Many people fall victims into their own delusions once they die, or they are harvested by stronger enemy beings, or they end up in "the light", or others dissipate, while others haunt houses and the list goes on. Their fate is literally anything possibly. One cannot really say for sure. Especially if one is a "devout" Xian or devout in the attraction of all these subconscious messages of self-decay of xianity, everything happens "faster" in the Astral, as one can move "faster" and their ideas attract things faster to them. This is no different than how a bad fetishist can end up in the wrong club and get so beaten up that they are going to die, or that people who do drugs just find the wrong dose at some point and find themselves dead. Vices and personality traits are carried in the afterlife. In the same way, emotions, feelings, one's mental and spiritual condition, character, morality is also carried.

This is why "ghosts" can be absolutely anything. Literally. They are not "good" or "evil" and they aren't really "simpler" than any other real Human being. Their condition is exact to the Human one, except of the changes that we related above. This is why for instance people who have been nagging others their whole lifetime, they will do so after death. People who have been serial killers, or very aggressive people, will be so after death. Nothing really changes when one leaves their "husk" even though many idiots believe it to be so, thanks to xianity.

As about the "judgment" of the Soul, this is an allegory. The more "lower" one is spiritually, the lower they are on the astral and the closer they are on the physical. They haven't really "ascended" and they don't have any knowledge of the beyond, let alone any help or anything. They can end anywhere. This is the "judgment" and the "lightness of the Soul". The "lighter" and the more enlightened the Soul, the more powerful it is in fighting intrusions or anything else. Ghosts can also be subjected, like any other creature physically. The enemy knows and uses this against innocent human beings. They can also make friends, foes, enemies, or just be indifferent. Many people refuse the "reincarnation" that happens by their unconscious mind, because they want things solved in the physical realm they cannot leave behind. This is especially true, as HPS Maxine has covered, in the case of murder or anything else where these beings want justice.

Elevation of one's "vibration" also means to get on a higher dimension astral. This is transferred with someone after "Death" as well. This is where when one dies, they are in the higher astral dimensions and not on these very low one's to the physical. Ideally, one person should know how to go higher or lower. However due to spiritual ignorance, this is not known to most people and they are on a lockdown. This is allegorically on how the Egyptians went in front of the gates, and if they knew the correct words, they would be elevated from "hades" to higher levels. The lower one is, the more one runs the risk of dissipation, enslavement by hostile ET entities, etc. This is allegorically "hell", and the "hell" the Abrahamic religions have subjected Humanity into.

Part of this "vibration" and where one "is", also potentially shows how much power one has, even in the physical realm. In the same sense, people with occult knowledge, can use it after they die. This is especially true with entities that some people call "poltergeists" or something like this. These ghosts are sometimes strong people (either by birth or by natal chart, or just people who were into the occult) and they seek to harm people due to fun, or other personal reasons. A good natural instance is people who do have a Scorpio stellium. These people can be natural adepts to magick without even really knowing it, or they have powerful willpower. This can cause things on its own, even change down the world of the living. However rare, these beings exist too. This ties into the above thing. These people can be arguably, more or less spiritual and more or less aware of what they are doing.

Now in regards to other matters on how to identify ghosts, it should be easy. First of all Ghosts can be really felt in some points. Especially if the person died a violent death, the life force of their body wasn't completely dissipated such as peaceful death in old age, and sometimes this affects the Soul, making these people really "dense". Some people are "dense" naturally, such as the beings above. Some people are very frail and they can hardly ever be noticed, or their effects. The list goes. One can pretty much identify them through power. There are some ghosts who are also powerful, like the categories above.

Normally these should be nowhere close to Satanists, same as astral entities with hostile intents. There is a chance they can also be crossed. That doesn't necessarily mean, they will be powerful or not. Power is a great definition though. When one grows competent enough, they can actually "discern" the Soul by its essence. Humans have a particular essence. The Human Soul can be more advanced, or less advanced. Power is the most accurate judge to begin with, but one should look for essence, personality, intelligence etc after this. Ghosts don't really deliver this electrifying serious power like the Gods.

To not mess the usual with a rare occurrence though, most ghosts are really weak. Mostly they are in the same power level as ordinary human beings that didn't quite meditate. The same goes for knowledge, intelligence and power in general. How one can deal with ghosts really has to do with the ability one has to deal with other people in general. The same goes for personalities in general. The fact that they are ghosts doesn't mean they don't think, they like or dislike everything, or that they necessarily pose a danger, or not. It's almost close to how one deals with people in real life. Nothing is certain. One can become a friend with ghosts, or drive them away, or anything else.

Normally, the Gods themselves will handle any Ghosts who are seriously a danger to people. Though ghosts are too many in number in many cases, with many ghosts being around in general. Having strange emotions, weak shivers, feelings of fear or worry, or other sorts of feelings that are not "yours" when you enter a place, is a sign of ghost activity.

Children many times do see "ghosts". This is why many children talk of "imaginary friends" and many times get the stories they share validated, on the account that real people with names and such existed in such places. Many times, ghosts are not evil people. Ghosts can also be serious murderers and stuff, or like to cause dismay, or get sudden emotional urges and stuff, like Humans. The only difference is that they don't have physical needs and quite a handful have figured out the hoax of christianity, since they died only to see it was a lie.

The enemy is also well aware of the existence of ghosts. This is why in mimicry of the Ancient Egyptian religion, they bless ghosts. Ghosts can be blessed, cursed or even subjected. The enemy has rituals and litanies upon which they attack ghosts that are not subjected to christianity and they try to send them to "hell". This is the case especially in Orthodox Christianity, where even if people are long dead, the clergymen keep "reading prayers" and "blessing" them to be judged by "God" or to enter "hell or heaven" if they were disobedient. Sometimes these curses work, sometimes not- the same goes for how the jews and others curse relentlessly people who have attacked them but according to them, "passed on", like Adolf Hitler.

The enemy also actively calls "angels" and other beings, or the Hebraic Thoughtform itself to "harvest" people. To what degree these work, is up to their power and the power the Goyim slaves give to the book of the bible, by worshipping the jewish thoughtform that is the root of all their occult power- what I want to show is that they actually attempt to subvert, destroy and enslave beings even after they have passed on. They literally enforce people into "hell" or in a dimension of a jewish Thoughtform and aliens, that subject these people and destroy them. This quote below is a blatant one.

Revelation 20:13-14

And the sea gave up the dead which were in it, and death and Hades gave up the dead which were in them; and they were judged, every one of them according to their deeds. Then death and Hades were thrown into the lake of fire This is the second death, the lake of fire.

You can blatantly see, the enemy affirms openly that "Hades" (who is a well known Pagan Ancient Greek God) is actually keeping the Souls of Humans in refugee. This is also analogous to being in a low level of astral, but this is not the case here, as the enemy talks about the actual God Hades. The Gods are known to take care of the Souls of people. Those who are in the low dimensions or haven't really dedicated are also taken care of as much as possible.

The enemy here blatantly admits that the Afterlife is not where this is "over". One goes to somewhere- the lower Astral level. They know it's not over. They also know the Gods protect the Souls of people as much as possible, and they want to obliterate BOTH of them, and take their "Souls" to be "Judged" by the Hebraic Thoughtform, and be harvested by the enemy ET beings. They want to subject them into a dimension where there is eternal fire and brimstone, in order for them to suffer eternally for not believing the jews etc. This is NOT the case, but something to be sought.

This "dimension" where they do these things, is actually something they also manipulate the mass mind in order to create, as everyone, even those in the Vatican know, that this is an invention of the Church. The mass belief into the fake tales of xianity, creates something similar to this place into the Astral, since thoughts become things in the astral in many ways. So the psychic energy of the Goyim, except of manifesting riches for the jews, death and anguish for all Humanity, disasters to the planet, they also create a metaphysical construct of "hell" for those that believe in this excrement, to actually burn forever.

As to not confuse people, the Torah and the Abrahamic programs, don't only create a reality that is physical, but a metaphysical one. Part of this is this pool of hellfire for the disbelievers, where all Humanity wants to end up in, except of the 144,000 elect jews who will rule the planet and become "Gods". Not only xianity wants to damn you now, but in the afterlife. That's how much it hates humanity.

This is part of cursing these beings and general scorn, defamation, but has deeper spiritual reasons. Its well known Kabbalists on the enemy cursed Adolf Hitler and the Nazis well after they "lost" this war or "died". This is for a reason. The same goes for any other Spiritual entity, or like our Gods, that they curse. There is a very famous jewish curse, that the jews use for the idea of "Gentile Jesus" as well (Because Jewsus, Rabbi Yashua is a Rabbi and the Goy are insolent to call this thing a Gentile) and this curse is "may his name (memory) be blotted out". This signifies their wish about death in the afterlife, and in history as well- not only physical death. The enemy knows nothing ends with mere physical death. This is what they hide from the masses of the Goyim, aside everything else. Its part of the deal in keeping Humanity blind and under strict alien control. With jews, you lose. Here and beyond.

I hope the above sums up the matter of Ghosts in general and it enlightens the whole situation around ghosts. More posts like this will follow. One last note,

those with Satan will never be subjected to anything vile like this, as the Gods, from all the times, take care of our Souls. This has been the meaning of the Egyptian and other Ancient religions. Eternal life is really possible both through the Magnum Opus and because the Eternal Gods help those who have passed away from falling into the jaws of danger and death. This is again documented into the Egyptian texts. Spiritual evolution assures survival both here and in one's general existence.

As for protecting one's self from Ghosts and other human spirits. Normally, cleansing one's chakras, aura of protection or a banishing Ritual should solve issues with Ghosts as most of them are weak. If there are more serious problems, one might require intervention by the Demons and one's Guardian Demon. After one has decent power, Ghosts can be driven away quite easily by one's own power and magick. Ghosts like all people may, or may not react to violence, may be sly, may not be sly and the list goes.

This is up to someone to figure out. One of the best things to do is to actually not really pay attention to them. When one raises higher astrally, these beings don't really "interfere" or can mess with anyone anymore. This is why sometimes its advisable for people to actually get stronger, before they just attempt "communication" and being "open" to all sorts of bizzare entities. The Astral is a vast place and some things in it is not fun, at all.

News, I successfully revoked Youtube's claims on "copyrights abuse" for "The Last Days of the Big Lie", which now I can display freely.

I alleged that historical imagery isn't deemed to have copyrights. I can also display Hellstorm under some conditions. I recommend every SS with Youtube channels to do the same:

Subject: JoS Down

Most of you are already aware the main JoS website and others are down. The entire server is down. This has happened before. Hopefully it will be back up soon.

For now the site is available on the internet archive:

<https://web.archive.org/web/20160501195247/http://www.angelfire.com/empire/serpentis666/HOME.html>

[https://web.archive.org/web/20160528133932/http://dawn666blacksun.angelfire.com/Satans\\_Library.html](https://web.archive.org/web/20160528133932/http://dawn666blacksun.angelfire.com/Satans_Library.html)

Both of the above links to the archive are working. I have every single page and PDF saved from all of the JoS websites, so nothing has been lost.

As most of you have seen, the Joy of Satan webpage has been down for approximately 2 whole days.

Now most people give reasons like its the Servers, which it may actually be. However, things seem to go deeper. The situation is enraging and all those who know how "magick" works, they can see this.

If one pays attention between the lines, this happened in Wednesday and Thursday, both of which are working days. This technically means, that the Servers could be as well, brought up. Lately, also, the Joy of Satan Forums have been falling on a consistent basis, which with promised "99.9%" uptime, is a difficult thing to happen. The same applies to the servers of the Joy of Satan webpage. As for the groups, all of you know they have been attacked to oblivion and they have been made into something much worse than what they once were, with the new layouts and everything, which are laggy and sluggish as never before.

A small offence it may be to some. To many of us here, this has been the longest that the Joy of Satan webpage has been down. These "coincidences" of late, do not fool the spiritually wise people. All of this is coded in the Torah, where there are severe curses for people who are against the enemy in anyway, shape or form. The enemy is \*NOT\* here as anyone's friend, but as a slaver of everyone. It is becoming apparent. They do not tolerate problems in their own "stable", or even THINKING from their "Goyim". Due to recent uprising in massive enlightenment of the people, their reactions have been rampant.

As all of you here know, we have said again and again. Salvage, save and store everything. This is not a fun deal, and the soap and sugar town the jews promise you with "stability" is only the West, which is right now crumbling below the lines. What we are doing here, hasn't been done in decades against them. We have serious, cutthroat enemies. Those who still doubt this need to be checked for their own sanity. They have turned a planet into oblivion, a whole billions of beings into oblivious ignorance. Just take a look around you and you will see that. They have suppressed the Truth, murdered the equal number of BILLIONS of people.

For those of you who are historically aware, a lot of "powerful Empires", however much of their power or their freedoms, they have been blown away and destroyed by the enemy and this has been ongoing over and over again. The enemy is not going to sit down and be defeated, same as nobody else that has committed all their crimes and curses against Humanity.

For those people naive enough to think everything will be here forever, while they will be sitting on the fat couch, I suggest they look at history. We have to be trustful, but we also have to be vigilant, and we have said the same thing for years. Taking things for granted, like that you know the Truth, you have the ABILITY to meditate, or anything like this, or being un-appreciative and un-protective of these things, show a human being of low quality, and base retardation intelligence, that cannot look in the historical continuum to draw on the apparent Truths from it. This chance many of you here possess is 1 in a billion or more. Use it, fight for it, defend it, or waste it. You have chances that your Ancestors have never, ever had before, neither most of Humanity. You appreciate this, put this in use, escape the level the enemy has locked you onto, or you are worthy of your own fate.

Freedoms are only won by blood. In order for all of you to be here and have this chance, blood, labor, tears and anguish has befallen many others. The fact that you live in a peaceful world now, and things seem "Stable" doesn't mean ONE thing. For those who are too sluggish and stupid to see this, I have nothing more to say. Their apparent retardation is something that nothing will ever fix.

Now going to our Comrades and people who are actively aware, fighting and destroying the enemy. For us many Truths are apparent. One of these Truths is that everything that happens has a cause. Attacks like this always have a same cause. Just take a look around to see how the enemy is trying to control and destroy this magnificent uprising against them.

I will tell you in simple words what happened. The enemy merely tries to bash their way into this house of Satan, and destroy it, same as us and Satan. This

has been a recurring phenomenon. We are really destroying the enemy, and they will not sit back idly and watch. Where most people see "coincidence", we know how to see better.

We are the biggest Satanic Community online, by a longshot. Others speak, we do. One just needs to look around into the hoards of people who are retarded cutthroats, the Islamic Invasion, the Attack of Europe and the constant Marxism of the USA, or the pushing of the enemy and their xianity- one needs to look no further. Freedom of Speech, Western sane countries. Europe is being censored and the same thing is happening into the USA. The enemy is willingly making their big advance, and most people cannot really see deep into this matter, which we know to be a Truth. There are causes, and then there are effects- then reactions. What is going on lately, is insane.

From all these people who are drowning in retardation, waiting for "Saviors", taking false flags like Trump, or going down in long lectures about how Judeoxianity will save the West, or the other pathological things they say that only a retard would, then the High-On-A-Horse-Know-It-All, "Satanists" who belong in Safe Satanism, only \*WE\* act on the \*ROOT\* of the problem. And apparently, the root replies back. One can see the uprising of the enemy like never, ever before, since we started our systematic advance spiritually against their empire of JEWISH ROT.

Statistically and logically speaking, its impossible for our Forums to fall down for days, and the Webpage for so long (even if its a server thing) in the same 10 days, with 99,9% uptime. The Groups have been sluggish and lagging too like never before. It is OBVIOUS we are BEING ATTACKED. This has manifested in many forms especially as of late.

What is also obvious, is that our recent rituals are setting fire on the back of the enemy, for which they reply with sly and underbelt attacks. What's usual of these beings of this Race, of course.

They control the Right with jewish puppets like Trump, or by pushing Judeo-Christianity vs the "Pisslamic hoards" while at the same time, they promote incessant Communism and Feminism, both of which wear down and destroy Nations. Christianity, Communism and anything else, all promote the same Agenda of wiping out the best, most prescious people who can turn matters around. Both lead down the same result- The jews stay in power, the jews become more powerful, the jews keep people in their clutches, the servitude and slavery continues until the inevitable end of this world.

The pile of Corpses and the massive Tyranny of the enemy has became obvious to all now. Its a slaver oligarchy that piles up corpses everyday, most of which are never known. It has shaped a whole reality for the slaves, yet the pile of its fruit is becoming apparent. As it piles up, everyone will see it.

Our duty is to show the naive people to this monument of the Jew World Order. Show them to the root. Only from the Joy of Satan, the rightful Father of Humanity has had the ability to finally speak for Himself and show the cause of our misfortune as Humanity.

Then one simply looks in Europe, where the European Parliament is passing down even more laws against Free Speech and people go to jail over Facebook and Twitter posts. Familiers are being evicted from their own houses, which is a Communist Practice, only to find themselves in the streets while illegal refugees are taking on their homes. You see all sorts of excuses, lies, justifications. These are part of the jew-trix reality of the enemy to blind people further. Somehow, this is deserved, there are reasons of this, its natural payback, it must go on. The list goes endless. The massive invasion of the 3rd World is continuing, the Media are lying 100%, people are being deported from their own countries and homes.

Christianity tries, like the enemy jew, to keep its ugly head afloat in the "right wing", as the enemy well predicted the "Goyim", in revolt to the second jewish program of Pisslam, will go swing on the first mother program of "christianity". The weak always need jews to do their thinking. However awakened Gentiles know the solution is the complete rebuke and complete REJECTION of ANYTHING jewish- A full spiritual, ethical and social revolution is needed, against the enemy jew. The astral jewish teddy bear is trying to be held by a lot of weak "Goyim" still- same as with the philosophies and watered down teachings of the enemy. It takes the vision of the intellectually and spiritually ascended to see what they are doing, and the imperative knowledge that both these marches are created by the SAME, INTERNATIONAL CLIQUE- THE JEWS.

But we my Comrades, \*WE\* are the FUTURE! We are the NIGHTMARE of the enemy. We are the fire and brimstone that falls from the skies in the form of the REAL DIVINE RETRIBUTION. \*WE\* are the co-writers of History, in the highest level. \*WE\* are the only INTERNATIONAL and up to now, HIDDEN element that can deal with the enemy where they are most powerful. \*WE\* are the only co-writers who are dragging the spiritual pen from the jewish hand, to write something better for the whole of Humanity.

Those who will understand, will understand. For the rest, they ought sit on the side and wait for the fight to end.

So this is our reply to them.

The educational and spiritual resistance will continue.

Gentiles are waking up and this game is not even close to over- this War has just begun. Satan will be the ultimate one prevailing. It will not be "Allah", "Jesus", the established jewish diseases who have long tortured Humanity. Satan will be the ultimate Winner.

This is where Anger, Might and Wisdom are a nessescity spiritually. This is where people need to be intelligent, ready for everything, and like spiritually like bloodthirsty wolves- this is where people must be beings with unending and unrelenting hatred and brimstone ANGER. Let your vibrations and spiritual powers rip the worlds apart, like the Ancient Might who is still alive, rampantly vibrant and strong.

Those who realize the height of this situation will never falter, will never grow weak, will never cease fighting and in the end, will NEVER SURRENDER.

We will not let up. We will not falter. We will NEVER quit.

Our war is a war of spirit, and the enemy and their cohorts know. Everything starts, ends and lives on by spirit.

For every attack, we will attack a billion times. For every insolence a trillion. And for all their wrongdoings, until eternity and until either party is spiritually destroyed.

AND THEY WILL BE DESTROYED.

Download, keep this PDF and keep firing the Rituals, more than ever before. The war is escalating for reasons conversed about in another reply. The one for the Communications and the one of the Gentiles Reacting against the Jews are the most important one's for now. The enemy pulled an attack in reply to our most recent doing of the RTR's, especially the one about the Gentiles Reacting against the Jews (Cursing the Jewish God), that of Tue Apr 05, 2016. This seems to have made them to backfire on the Server, which ties into the Communications.

The game must be stepped UP. The enemy is not going to sit idly and be destroyed. This is where Freedom is at hand.

If you do not have privacy issues, the above PDF should better even be printed. This knowledge must be kept to exist as this is straight from Satan.

There is also a Mirror Site of the Joy of Satan. You can now save everything. This Mirror site has been a few months old, so few things may be missing.

There is also the WayBack Machine, as HPS Maxine has said.

I just want to add here. Satan didn't just leave me high and dry here. For the past month, they let me know the site was no longer secure. They pushed me

REAL hard, working me hours and hours every day to get my files, PDFs and codes for the webpages all organized, which I did.

The JoS is massive and also the JoS affiliated websites. I will have a JoS temporary site up very soon, along with listing JoS mirror sites that can be accessed.

Given what I have heard, the server Lycos/Angelfire was attacked.

This definitely seems to be the case, as even for maintenance in the past, they always gave customers prior warning.

Also, there is nothing being said concerning this by the server which again indicates an attack. Many websites around the world hosted on this server are seriously down, many people are extremely upset and worse.

I am hoping it will be back up soon, but in the meantime, keep checking here as I will do my best to keep everyone up to date regarding this, and a temporary JoS website.

Again, Satan, Lilith, and our Gods didn't just let this happen. First of all, they don't have total control. This is why we are at war. Secondly, they foresaw this and let me know and pushed me real hard to get all of the codes, graphics, webpages, PDFs and everything else saved and organized.

I have experienced personal losses in my life, as this sort of thing is true to life, but I can tell you, Satan has always looked out for me. One time I remember, Tulsa was hit by a real bad ice storm which knocked out the power for close to 2 weeks. I remember the day before, Satan prepared me and saw to it that I had good hot meals for the entire time. There was no heat or hot water for most of the city which was declared a disaster.

That was one. Satan and Lilith have always been there for me and have always helped me whenever I experienced any problems.

Like I said, I knew ahead of time regarding the JoS sites that they were no longer secure. We will get through this.

Come on there must be a way that a demon can protect the server.

Another thing... Given information on the internet, some of it on different news outlets, the Jews are getting tired. Some high profile censors can no longer deal with the antisemitism online, as it is getting to be like trying to plug up holes in a dam.  
Too many people know. Not just  
Spiritual Satanists, but all kinds of different people of various beliefs and such.

Yesterday, HP Hooded Cobra made a post regarding the RTR communications ritual. He accidentally wrote it a bit backwards, as he was engaged at JoS being attacked. He corrected it, but I am reiterating, stay on top of doing the RTR communications ritual, as this has been causing them extreme damage of which they will never recover.

The winner is always the last one standing. If all the others fall 7 times, then stand up for the 8th time. There is a log of reliable information that the enemy is getting tired. Many can "no longer handle all of the antisemitism."

I saw the stupid movie. IMO, it was sick Jewish invented worthless trash.

I wrote about the topic of Jeweywood and the attempts to frighten the public away from Satanism. The shelves in the video rental stores are just lined up with loads of these types of movies. Most are nothing more than redoing the same plot over and over ad nauseum.

Because the truth is now out in the open regarding Christianity, Islam and other invented Jewish programs, the crumbling institutions resort to use their jeweywood industry to do everything they can to try to keep promoting their nefarious lies to whatever brainwashed imbeciles will believe them.

Read this post and read this VERY carefully... This is very important and IMPERATIVE for all of us, n are.

Satanists are the Spiritually Superior and its up to us to restore order, within our Races and within

This is a War of the Jews against all Gentiles of this planet. When people realize this, things fall in p their cohorts who create, force and CAUSE suffering in the world.

I seriously warn those with a weak stomach to NOT read to skim this sermon fast. There are grues pictures. Some pictures are gore. It will expose the gruesome reality behind the whole "refugee" th to things they have never imagined or even knew before. One though should take an uneasy stoma don't have the "time" to read, the "patience" or you generally suck and you are a murderous slime the responsibility of helping to set this whole thing straight, for ALL Humanity, then its none of my haven't been presented with the information. With that being said... Let's get going.

I will tell you in plain what is going on. In the European Jewnion, policies and laws and the rest of all in regards to the population is the most important factor. Turkey has 80 million population, whi as a whole has around 320 million people. This is a very- very small number. If Turkey enters the E million Population, the Pisslamics keep taking ground and cities, towns and are given free money- have the rights to elect their OWN people.

My comment: What is below will happen WAY sooner UNLESS THIS IS HALTED. When this process

They of course have done this over and over and not "all" of them are rotten, however- most of the where all this is going. They do this in unison with jews. Merkel is behind this and Merkel is Jewish Jew World Order:

Merkel is doing what Europe is supposed to do, leading this to the mission of her Ancestors. Wipe o World Take Over. Its well-known Merkel is a Communist Jewess.

This happens in unison with many, many other jews:

As this process goes, more and more countries get infiltrated. The jews push their fellows in high p

After all the purpose of the European Jewry is apparent and well known, as the Jews destroyed in

Want this to come in your country, or even city? If not, then it's a good idea to defend the West and the disaster of Race Mixing and "Cultural Enrichment" that is creating horrific civilizations upon which co-exist.

This is what these people are in their majority and this is what they bring. Let the tears for the tele naive and cucks. The Governments of the White people are against them. They are all the same Jew proved this with many of our other posts.

As for the "refugees", "liberals", "feminists" and the list goes... Don't buy the stories of "Muh Feels around to see the Statistics. Crocodiles cry the loudest in this case and in all cases. The biggest criminals are the biggest victims. You just need to put people in a range of their "victim "mercy", in order to understand what is up. Mercy is the means through which the weak, just weak order to destroy them. To evoke someone's mercy is an act of hatred and it shows a sign of aggress "mercy" the enemy has created is a generated, fake contextual thing that doesn't really exist. It ju incapable, lazy, disgusting beings that take down civilizations and decay anything. These are the o and professionally ask for mercy. The jew asked for the Gentile Mercy for centuries. All Gentiles go piles of corpses, parasism and endless slavery. Nothing as bad has ever befallen Humanity.

"Mercy" also implies that you see the other being as a useless, crap and excrement. Infact mercy is

recognition that the other person inherently sucks and they can't really do anything about the misdeeds, but they can't help them. This is underhanded in that it makes the "giver" feel superior and through this blindingly obvious, the "giver" asks for the "mercy" (like a Jew or Rapefugee) is getting the necessary time and means to sharpen their claws. People don't really want to accept this, but this is how reality is and this is the reality of matters.

The most major instance of "Mercy" being abused for power, domination and endless amounts of money, within Christianity and the recent religion of Rapefugee Cuck Worship, is actually the Holocaust:

Part of this "Transformation" is death, Rape and Slavery of European Women, Children, even infants.

Whites are merely being genocided by other people all the time. Despite of the media propaganda,

The jew has pulled genocide and slavery into all the other Races and they are constantly fanning the flames. Everyone is allowed to love their "heritage" and "protect" it, except of Whites, who are labelled as racists and bigots if they do. A jew is a jew everywhere, a black is a black everywhere, but as for Whites, they are Racists, Nazis, Bigots and evil monsters. All this understanding, "philosophy", reality and anything else is done for the jews for centuries.

Here are those who do this "labelling":

The jewish press has done decades of work to make things as they are today. Weren't it for Whites, we would have had "White Morals", most neighborhoods would be like the one above and life would turn into a nightmare. In their vision that all of theirs must own 2800 Goyim (non Jewish), Slaves. To their own word also, Whites are racists in order for this to happen.

If one merely even questions, then I will bring you some information in front of your eyes of what is happening in these countries and what ideas flow into their "midst". Certainly, these are not the great Arabs or the good Muslims, a minority even to their own people. We are bringing in murderous people with intentions of wiping out the Whites. They are sane and noble and they belong to these Races and are with the Noble Side, they will not even know firsthand and they are DISGUSTED by this behavior. I know many of you can testify here. Hold on for a lengthy look.

Of course, the jews try to pretend that they are good and innocent like any other time, and that Arabs are the bad. The jews made Arabs worse than they ever were. They are aware they created everything that destroyed the Arabs and now they also want to get on top and reap benefits. This is a common jewish tactic. The jews know the state, they know they are murderers, war criminals and filthy garbage- on the top level they know they have a "Alien" existential mission as well.

The jews want to destroy all healthy world powers that can potentially stand in the way of that. The United States, is Racial. By destroying this base, they destroy everything that can oppose them or has the courage to stand against this.

The jews did 9/11 in order to get help from the Americans in destroying and wiping out people in the way of the "Greater Israel". Part of this is to expand Israel so when they make the "Great March" into the West Bank (with their appointed Jewish Leader as "Messiah"), the "World State Capital" will be in "Greater Israel". This is their expansion and survival place, until the rest of the work is done by their cousins abroad. Israel is the center of these things. New York is called "Baby Israel" and most people know this.

<https://www.youtube.com/watch?v=NUbTe50UUgM>

Arabs who are Gentiles of course need to be used and then, after they serve the jews, they will also be destroyed.

The jews started all these problems to begin with, and their loyal slaves follow. Their slaves are from all over the world, willingly some less, some oblivious. One cannot divide hair right now and place feelings over facts. This has been so for a long, long time. Wishful thinking does NOT change this. Neither placating emotions nor

excrement. Things are what they are for all parties. All parties, for better or for worse, have to see destroy them to the last one. Only then everyone involved has a chance to actually advance. Knowledge, stupidities, pitfalls and other issues of one's Race, ties into this.

HOWEVER THE PEOPLE DOING THESE AND EXECUTING THEIR ORDERS ARE \*NOT\* VICTIMS AND NOT ANYONE'S MERCY OR RESPECT. Even their own people deny them, why should Whites even bother others pay the price of what the jews do. Those who see these criminals and state destroyers as so think that they have destroyed their Race, their own homeland and anything else. They are anything but refugees. They are actual male troops with the mission of outbreeding and destroying the White Race. The course follow later, like the poor Palestinians and others who have been wiped out by the enemy jews.

Before I go into this, I want to completely debunk the "Black Myth". Blacks are not a "warrior race" with a very high IQ as a normal, neither they do have the big genitalia many are pornified to believe they do. The industry and weak Black Slaves of theirs follow the paradigm, yet the jews know the Truth about a reap endless benefits from it, so don't believe in their crocodile tears.

Here is a video on the matter: <https://www.youtube.com/watch?v=gC9SkFDJGg4>

Most unworthy blacks who are inferior to the best people of their Race, love this system. It even puts them at the bottom, while promoting mindless apes and jewish slaves on the top, like everywhere else. They are "Equal" to everyone else. Only the jews are a bit more equal than others, while all other are just wanna-be, "Entitlement" melting pot- until they all die. These are cultural lies created by the enemy jews, turning blacks into empty creatures and whites into deceived slaves, that are frail and sickly- ready to die.

The creation of most of these myths have been based on porn, race traitor housewives (many of who are masking and parading as "White Women") and others. The whole "interracial is fun" thing is a huge

will never be. No longterm society has survived the test of time, being multicultural.

Every Ancient civilization, once they had issues with Race mixing, they started to perish and degenerate entirely well and they accept no Black Jews in Israel, even if they are mixed. They consider them a survival. For cultural, mental, spiritual and even physical differences, this not only isn't fun, but this survive into a jewdized, disgusting and destroyed civilization such as the present one. It's an act of anything else. Not even the jews have such aims for their state or country.

Where the situation is right now, even in the west, many of these people have unprotected sex, can even obvious and the general reality is far uglier than most can even comprehend. Most find out or women can testify on the fact that the accounts of men impregnating them and leaving them on the parasitically off of them, are insane. This phenomenon is widely practiced in the east and Pisslamic property and animals, after all- that's their mindset. The severing of the Clitoris, beating women sex without reasons, subjecting women and enslaving them are all "refugee" country practices.

So enough of words. One just needs to take a look around to find pictures like the ones I will post but very disturbing but people need to wake up to reality. Many of them are fake as well and the people even "impregnated". There is a hobby amongst the "Black Ghetto Community" in impregnating "White" them pregnant, or even spreading all sorts of other malignant shit to them. These below are created "pan-african" blogs. Obviously the jews have their own hand in this as well, same as the jewish porno savage porn industry and the list goes. Nothing beautiful about it. Only ugliness indeed.

I could go on and on as these pictures are literally in the thousands or more. The meaning is the same. That's all there is to it.

The Genius plan of these people are to exterminate us. Others don't really get "exterminated" by them down. Have babies like below- what an aim... JENIUS babies, yes.

This is exactly what the jews want bred. Anything possibly with the IQ of a dead potato.

This is the reality of what the "hot" guys had as a cultural practice all along. Once you go ape black neither to civilization, to reality or anything. The jew has won if they convince people otherwise.

The Reality for a lot of those who come to supposedly "enrich" the West, looks more like this:

Doesn't really seem like a worthwhile enrichment.

"An Orgy of Garbage & Feces of Unparalleled Proportions is Left Behind by Migrants in Austria":  
[topic11443.html](#)

The act of Race mixing, from whichever angle, is an act of destruction of nature and all diversity that mixing constantly will in the end produce one last result of people that will be all the same and alike. It creates everything to be ONE and the SAME. No identity, no culture, no difference in the body, mind, or soul. A clump of repetitive, nothingness. Easily controllable, low iq, empty and dull. Exactly what the jews want, that's what's Race mixing is about.

It's also easy to understand and everyone knows that the genes that are called "Dominant" come from the West. This is on purpose, again to impose the supposed television advertised pseudo "Dominant" genes. There is no real dominance and this can be seen into the countries they create. These people kill the good people, use chemical pesticide and the best of their own people want to live with Whites rather than this murderous excrement. They are not really the savages that many of these people are. As for the "Enrichers", they are not dominant. They have never been. Most of them are plagued by internal warfare for more than 1500 years, they haven't really advanced a civilization unless it comes from the West. The Jews put the icing in the cake with their programs. They will never seriously advance. This is evident in their present day civilizations as well. Everything around them is a lie to try to convince Whites into feeling inferior and historical cover ups.

We Whites however have been the civilizer Race, we have been the most Ancient Warrior Race of the world. We are the few Races that stand on the last ground for our own. All others are running from all directions, fleeing to us, who are coming into our countries because they failed theirs, leaving their wives and children behind. They will be the "Islamic Men" that will get laid with White Women. These people are very inferior in all ways, they are the excrement of the Arabic world. No decent creature leaves their own in order to get into a boat and flee. This is why "mercy" is utilized. They are not the Arabs of old, or the "brave people" many would call them. They are deserters and cucks who let their own countries rot in civil war, their women to be raped behind an enemy's back, unjust deaths, if they had any.

They are a bunch of weak, beta cucks that are the absolute lowlife and excrement of their own people. They are rapists without any discretion. For the "good fruits" amongst their midst, one just has to wonder where the good fruit, in the midst of other diseased and plagued fruits. Eventually, it will take its own way as well.

consider them a disgrace, this is why the Saudi Arabia didn't even bother taken any of these infidel Arabs, they consider them a total disaster and mess.

These people are so jewdized, they use "mercy" in the same way- to kill and destroy us. All of them "genes" are "dominant" and they take satisfaction in that fact that they outbreed the evil west. Of the manhood or decency to start any war, or anything like this, because everyone is afraid of the W the Asians or the Japanese. As thus, they utilized and mimic jewish methods in order to wipe us out of the Jews of course. Whites pay for their own death.

Why Christianity is a problem should be apparent. Love your enemies, give mercy to people who are self hatred, unspirituality that is materialism and makes people think of everyone as an "equal", or people weak- this is all Christianity. Pay them, because you "OWE" something, you Evil Whitey. You owe jewish god, to the "refugees" and the list goes. You owe always for things you NEVER committed.

Even the "Black Slave Trade" was JEWISH:

Christianity and Islam are both jewish programs. However, the West really struggles with Christianity what has opened the gates of decay, like in the times of Rome. The Vatican, same as the Orthodox are all Jewish Ganster religions meant to wipe out Europe and others:

This is the same about how sensitive and strong people deteriorate and weaken down themselves in dumb masses. All Satanists here are away and far from this cancerous thinking. Only Satanism will other Races, from all of this decay. Satanism is the original form of Paganism. Like the Jews have J Paganism.

One has to see above feeling and cultural indoctrination to see the Truth. Just look at which societies how mad, depraved and insane they come to be after incessant Race mixing, cultural assimilation, materialism, and murder culture imposed by the Jews, become the norm. You see nowadays a complete values. Christianity helped in this, weakened down civilizations and spiritually bound people- all etc understandings come from spiritual advancement. Christianity is the destroyer of values, power and

The lower this is, the lower the ethics of a civilization drop. Everything starts becoming colorless, and the same thing has happened in our present civilization. People are too empty, stupid and weak to understand many places. Strength, a fighting and noble spirit, are hated values. The values that are coming to servitude, being "average" and ignorance is bliss- of course, with the Jew at the top.

The Jew is behind endless promotion of criminality, Christianity which is a weakener and dumber of people have hang-ups, deprivations, emptiness and other existential problems that lead to murder. You need to see a "Christian and Happily Married" couple to see this and it's evident.

Due to inability for someone to be honest to one's self, one's society and one another, people make they deny their nature and the materialistic society gives the final blow into killing what is innocent. All this rhymes with the bottom line of Christianity. People are born like evil excrement, they are to their supposed creator, hates them. Misery, fear, ignorance are all welcomed. Supposedly this dogma and never has society been so inhumane, robotic, materialistic and mass brain controlled as it is to and this is what you are going to get.

The jews hate power. Power is not an evil thing. Emotionally powerful people don't need to validate crime, or any of these behaviors. They don't need to be parasites, they don't need to make anyone's they "Exist". They are alive, and they don't need a murder rush to escape from one moment from the Soul by Christianity and its cohort puppets.

Humanity has grown so dead in some cases, that people actually invite suffering and self-mutilation (spiritual) in order to give a share or a color into their nasty and empty lives- all stolen by the jews. vitality, their labor, their workforce, everything- lastly, they too demand their Soul and to judge it. Goyim- the life of the living dead, the life of a totally enslaved servant.

People are being born into a cage. Since infancy, countless programming's are passed into their heads the other filthy garbage of pacifism, weakness and its polar opposite- violence, crime and all the evil made life and survival so hard, which forces a lot of people down rotten routes.

Its about time life is reclaimed from the Jewish Enemy. Its about time people grow free.

[b]The jews will find us in front of them for once more:

As for Social Marxism going on in countries, which is the major reason on why people are actually in filth, same as "Christianity" which gives the "Love your enemies" values and promotes pacifism and "Race", again, these are Jewish Programs. Of course, the jews try to pretend that they are good and innocent like any other time, and that Arabs made Arabs worse than they ever were. They are aware they created everything that destroyed all want to get on top and reap benefits. This is a common jewish tactic. The jews know they have a b murderers, war criminals and filthy garbage- on the top level they know and they reveal their "Alie

some less, some oblivious. One cannot divide hair right now and place feelings over facts. It is, what it is, for a long time. Wishful thinking does NOT change this. Neither placating emotions nor sugar coating the truth are they for all parties. All parties, for better or for worse, have to see the Jewish enemy and destroy it, then everyone involved has a chance to actually advance. Knowing the weaknesses, stupidities, pitifulness of the White Race, ties into this.

HOWEVER THE PEOPLE DOING THESE AND EXECUTING THEIR ORDERS ARE \*NOT\* VICTIMS AND NOT TO BE HAD BY ANYONE'S MERCY OR RESPECT. Even their own people deny them, why should Whites even bother with them at the price of what the jews do. Those who see these criminals and state destroyers as something friendly are the ones who destroyed their Race, their own homeland and anything else. They are anything but poor and helpless. They lead male troops with the mission of outbreeding and destroying the White Race. Other Races will of course be destroyed. Palestinians and others who have been wiped out by the enemy jew firsthand.

Before I go into this, I want to completely debunk the "Black Myth". Blacks are not a "warrior race" and have a low IQ as a normal, neither do they have the big genitalia many are pornified to believe they do. The jews are the weak Black Slaves of theirs follow the paradigm, yet the jews know the Truth about all of that. They are not to be trusted from it, so don't believe in their crocodile tears.

Here is a video on the matter: <https://www.youtube.com/watch?v=gC9SkFDJGg4>

Most unworthy blacks who are inferior to the best people of their Race, love this system. It even puts them at the bottom, while promoting mindless apes and jewish slaves on the top, like everywhere else. They are not "Equal" to everyone else. Only the jews are a bit more equal than others, while all others are "equal" in a melting pot- until they all die. These are cultural lies created by the enemy jews, who want to turn whites into deceived slaves, that are frail and sickly- ready to die.

The creation of most of these myths have been based on porn, race traitor housewives (many of who parading as "White Women") and others. The whole "interracial is fun" thing is a huge hoax. It never longterm society has survived the test of time, being multicultural.

Every Ancient civilization, once they had issues with Race mixing, they started to perish and degenerate entirely well and they accept no Black Jews in Israel, even if they are mixed. They consider them a cultural, mental, spiritual and even physical differences, this not only isn't fun, but this practice could be disgusting and destroyed civilization such as the present one. It's an act against nature, health and have such aims for their state or country.

Where the situation is right now, even in the west, many of these people have unprotected sex, can be obvious and the general reality is far uglier than most can even comprehend. Most find out only too late to testify on the fact that the accounts of men impregnating them and leaving them on their own, or being insane. This phenomenon is widely practiced in the east and Pisslamics do this too. Women are products of their mindset. The severing of the Clitoris, beating women senseless everyday even without reason and enslaving them are all "refugee" country practices.

So enough of words. One just needs to take a look around to find pictures like the ones I will post below. Disturbing but people need to wake up to reality. Many of them are fake as well and the people in the "impregnated". There is a hobby amongst the "Black Ghetto Community" in impregnating "White Bitches" pregnant, or even spreading all sorts of other malignant shit to them. These below are created from porn blogs. Obviously the jews have their own hand in this as well, same as the jewish porn industry and the list goes. Nothing beautiful about it. Only ugliness indeed.

I could go on and on as these pictures are literally in the thousands or more. The meaning is the same, all there is to it.

The Genius plan of these people are to exterminate us. Others don't really get "exterminated" by the Jews, they are taken down. Have babies like below- what an aim... JENIUS babies, yes.

This is exactly what the jews want bred. Anything possibly with the IQ of a dead potato.

This is the reality of what the "hot" guys had as a cultural practice all along. Once you go ape black civilization, to reality or anything. The jew has won if they convince people otherwise.

The Reality for a lot of those who come to supposedly "enrich" the West, looks more like this:

Doesn't really seem like a worthwhile enrichment.

"An Orgy of Garbage & Feces of Unparalleled Proportions is Left Behind by Migrants in Austria":  
[topic11443.html](#)

The act of Race mixing, from whichever angle, is an act of destruction of nature and all diversity that constantly will in the end produce one last result of people that will be all the same and alike. The goal is everything to be ONE and the SAME. No identity, no culture, no difference in the body, mind or even

repetitive, nothingness. Easily controllable, low iq, empty and dull. Exactly what the jews want. Ma  
Race mixing is about.

It's also easy to understand and everyone knows that the genes that are called "Dominant" come o  
and this is on purpose, again to impose the supposed television advertised pseudo "Dominance" of  
dominance and this can be seen into the countries they create. These people kill the good of their o  
their own people want to live with Whites rather than this murderous excrement. Because Whites  
many of these people are. As for the "Enrichers", they are not dominant and they haven't ever been  
internal warfare for more than 1500 years, they haven't really advanced any serious civilization un  
The jews put the icing in the cake with their programs to ensure these people will never seriously a  
present day civilizations as well. Everything around these matters is to try to convince Whites into  
cover ups.

We Whites however have been the civilizer Race, we have been the most Ancient Warrior Race of t  
Races that stand on the last ground for our own. All others are running from all directions, like the  
coming into our countries because they failed theirs, leaving their wives and children behind, in ord  
Men" that will get laid with White Women. These people are very inferior in all ways and they are t  
world. No decent creature leaves their own in order to get into a boat and freeload all their life. Thi  
are not the Arabs of old, or the "brave people" many would call them falsely. They are actual deser  
countries rot in civil war, their women to be raped behind and their children to die unjust deaths, if

They are a bunch of weak, beta cucks that are the absolute lowlife and excrement of their own peo  
without any discretion. For the "good fruits" amongst their midst, one just has to wonder what is t

midst of other diseased and plagued fruits. Eventually, it will take its own way as well. Most of the disgrace, this is why the Saudi Arabia didn't even bother taken any of these infidels inside. Even to a total disaster and mess.

These people are so jewdized, they use "mercy" in the same way- to kill and destroy us. All of them "dominant" and they take satisfaction in that fact that they outbreed the evil west. Of course, they decency to start any war, or anything like this, because everyone is afraid of the West, or decent R Japanese. As thus, they utilized and mimic jewish methods in order to wipe us out slyly. With the Whites pay for their own death.

Why Christianity is a problem should be apparent. Love your enemies, give mercy to people who are hatred, unspirituality that is materialism and makes people think of everyone as an "equal", or self this is all Christianity. Pay them, because you "OWE" something, you Evil Whitey. You always owe. "refugees" and the list goes. You owe always for things you NEVER committed.

Even the "Black Slave Trade" was JEWISH:

Christianity and Islam are both jewish programs. However, the West really struggles with Christian opened the gates of decay, like in the times of Rome. The Vatican, same as the Orthodox Church and Ganster religions meant to wipe out Europe and others:

This is the same about how sensitive and strong people deteriorate and weaken down themselves in masses. All Satanists here are away and far from this cancerous thinking. Only Satanism will save them from all of this decay. Satanism is the original form of Paganism. Like the Jews have Judaism, Gentiles have Satanism.

One has to see above feeling and cultural indoctrination to see the Truth. Just look at which societies have become mad, depraved and insane they come to be after incessant Race mixing, cultural assimilation. The Jewish murder culture imposed by the Jews, become the norm. You see nowadays a complete destruction of all values, this, weakened down civilizations and spiritually bound people- all ethics and spiritual understanding. Christianity is the destroyer of values, power and freedom.

The lower this is, the lower the ethics of a civilization drop. Everything starts becoming colorless, empty. Nothing has happened in our present civilization. People are too empty, stupid and weak to understand. Strength, a fighting and noble spirit, are hated values. The values that are coming to pass are values of "average" and ignorance is bliss- of course, with the Jew at the top.

The Jew is behind endless promotion of criminality, Christianity which is a weakener and dumber of all. They have hang-ups, deprivations, emptiness and other existential problems that lead to murder and other crimes. Ask a "Christian and Happily Married" couple to see this and it's evident.

Due to inability for someone to be honest to one's self, one's society and one another, people make their nature and the materialistic society gives the final blow into killing what is innocent and good with the bottom line of Christianity. People are born like evil excrement, they are to be punished and hates them. Misery, fear, ignorance are all welcomed. Supposedly this dogma is all about "humanity inhumane, robotic, materialistic and mass brain controlled as it is today. You believe the jews and

The jews hate power. Power is not an evil thing. Emotionally powerful people don't need to validate or any of these behaviors. They don't need to be parasites, they don't need to make anyone's life worse. They are alive, and they don't need a murder rush to escape from one moment from the siphoning and its cohort puppets.

Humanity has grown so dead in some cases, that people actually invite suffering and self-mutilation in order to give a share or a color into their nasty and empty lives- all stolen by the jews. The jews steal the workforce, everything- lastly, they too demand their Soul and to judge it. This is the life of the Goy, the life of a totally enslaved servant.

People are being born into a cage. Since infancy, countless programming's are passed into their heads, a filthy garbage of pacifism, weakness and its polar opposite- violence, crime and all the evil things. Survival so hard, which forces a lot of people down rotten routes.

Its about time life is reclaimed from the Jewish Enemy. Its about time people grow free.

[b]The jews will find us in front of them for once more:

-----When human hearts break and human souls despair,  
then from the twilight of the past,  
the great conquerors of distress and care,

of shame and misery,  
of spiritual slavery and physical compulsion,  
look down upon them and  
hold out their eternal hands to despairing mortals.  
Woe to the people that is ashamed to grasp them!  
-Poem by Adolf Hitler-----

TAKE A STAND AND FIGHT!!!

This time, the whole of Humanity will Rise up against the Common Jewish Enemy.  
We Will Achieve Victory.

Subject: How To Win!

How To Win!

So I was Slothz'in around to discover the way of more winz,

And here is what I discovered on this quest!

On to winz!

Social Media winz!

I was watching a video in which the fellow stated how he is building a large twitter following is simply on a daily basis just follow as many people as the limit allows. Some of those people will start to follow you as well. This adds up fast.

Utube.....

Making video's by copying the methods that get the most popularity, reaction video's that mention celebrity news is popular, in general whatever is trending at the period. You don't have to show your face. People do this with animated images as well and all types of ways. Host viral video's, make video's on popluar subjects in general and put a link to the JoS in the description. Some people just make music video's for hit songs of all periods. And get millions of views on them. You will have to check with Utube on copy right.

Top Ten video's are huge look at this top ten video its just on WWE wrestlers and its got almost a million views in under a month....

<https://www.youtube.com/watch?v=2ECKg7Scgxk>

You can do these on any subject from urban myths to whatever be creative.....

Spiritual video's that mention things like Third Eye Opening How To, get big, always remember the Hash Tag is the key phrase that gets the results. Here you can use Spiritual Satanic methods to advertise the JoS and spread the message.

You can always monetize your channel if you want and make some passive income spreading the message!

WOW guys....something just happened that has made me want to share it with you all, hope you don't mind. Sorry its a big ass zola post :P

I'm a member of a grassroots art gallery. It's been in our community for 23 years, it has an awesome reputation as being cutting edge. I've been with them for 13 years. When I began doing portraits of the Gods I spent an evening sketching ideas for Enlil and Sorath. But, woke up the next day with a laundry list of elements - colors, symbols - along with a sort of mental image of how it will look coupled with a sense of directive: You are painting ME next. That was Satan. I'd planned to do Him towards the end, as by then I would be really warmed up and probably more skilled. I didn't feel I was ready to tackle Him as a subject, afraid maybe I wasn't good enough yet. But, He shouldered His way to the fore and essentially let me know: forget them, you're doing ME. I was so scared to paint Him! I was terrified I would fail to do a good job and that He'd be angry with me! I know how dumb that sounds to think but I was really insecure. All my life I've been pushed away and shut out. I guess I was afraid of Satan doing it too, if I failed. So I was scared but I went ahead anyway. I went to the Gallery and set to work on my Portrait of Satan. A few days later we got the bad news. Out of the blue and for no apparent reason, 54% of our gallery funding was cut! We only had enough money to keep the doors open for perhaps three months...so we had emergency meetings and brainstormed: How can we come up with money? Etc etc.

Finally one night at around three AM I'm alone at the gallery working on Satan's painting when I finished. Sitting

there in the quiet on the steps just staring at Him sitting on the big easel across the room. I said: "I wonder if you can see this? I hope you like it!" I suddenly wanted to get closer. So on impulse, I went to Him and knelt there looking up at Him. I talked to Him, I ended up pouring my guts out - suddenly recalled while kneeling there something from when I was a little girl. I saw it and felt it as vividly as if it had just happened. This really, really fucking hurt - I burst into tears, because suddenly I was that little girl all over again and the pain was so bad.

I'm not looking at the Portrait anymore. I got my face in my hands and I'm sobbing there all alone, just as sad and lonely as I was then. When I felt this energy enter the room. It was just suddenly there. It was really strong and really beautiful. I couldn't see it, though I felt the color blue. I know that sounds strange, but I FELT the color. It made me stop sobbing and look up. I look up. And as I look up everything but the portrait transformed before my eyes. Suddenly, in a twinkling, instead of a dirty, cold, rat infested space filled with stuff, I was in a beautiful, tranquil room with high ceilings. I'm still kneeling but now before me is a long, low, gorgeous handcarved dark wood altar. It had beautiful objects placed on it, everything was exquisite, everything was handmade, of the highest quality. Everything there was an art piece. On the wall above this - the walls were covered in deep blue silk - was my painting! To either side of the painting on the altar sat two tall fat red pillar candles. They were gently flickering. I heard a man's voice say: "Don't worry, just keep painting."

Then I was back in the cold dirty studio again and the wonderful warm presence was gone. I felt really comforted. I felt Satan had given me an image of where He hung the astral version of the painting I made for Him.

Well, we've been fighting like mad to keep our doors open here at the gallery ever since. I really need this space. So does this community. It's invaluable to many for many reasons. In my case I can't make my art to sell or work on my portraits of the Gods without it. Or at least, it would make how I eke out money in this world even harder than it already is. Put it that way.

We've been struggling month by month.

Well, one day about 8 weeks ago our finance admin was down to the last ten minutes to send in via e-mail the app for this major grant. That grant, if we could secure it, is so massive it would save us. All the staff there were stressing, they were asking people not to speak to them till this gets sent off, its vital. And so when I heard this, I went and sat in the back alone and I finally asked Satan...please Father, please can you help us get this grant? Please help save our

gallery...its really vital in a lot of peoples lives...I'm so sorry to bother you, I know you're busy. I painted three new paintings, the best and newest I donated to their fundraiser. We've all done everything we can here and now its all hanging in the balance...shes about to send in the application for a grant that can save this place.....so I'm asking you Father, please, if there is anything you can do? Have it land on the right desk? Something? Anything? I'd so appreciate it. Thank you, I love you. I sat there quietly for a few minutes, just listening and I got a warm feeling. So I went out to the office and I said to them: We'll get that grant. You'll see. Our finance admin laughed and said well, probably not, but, here's hoping. I said No, I know. We'll get it. You'll see.

And then as time went by I forgot this. Now, FF to today. I've been getting attacked hard by the enemy lately, centered around my fears of abandonment. I began to feel: Maybe Satan never accepted you? What if he abandoned you, what if you are tainted with jew blood and don't even know it? This made me so afraid, I didn't want to eat, couldn't sleep, didn't want to do the RTR's, didn't want to do my art, didn't want to leave the house! I was completely miserable and inconsolable. It didn't matter if I tried to tell myself this is an enemy attack. You KNOW Satan accepted you! Yes, I'm aware this is a common attack, yes, I'm aware I probably should have put more effort into an aura of protection. All I can say is this just ripped the heck out of me and sapped all my energy to even want to do THAT. What I know and what I feel can be two different things. And sometimes I put my foot in my mouth and I screw up.

Last night was bad. I was saying again (for the umteenth time) this morning: I really wish Satan, that you would send me some sign that you accepted me when I Dedicated. I'm sorry to pester you, but this is just making me so crazy scared, the thought of being Without you. I can't stand it! I can't go on like this. If I can't be with YOU.....then I want to die. Please, just kill me now. I can't live with this fear...I need to know. Then I went to the gallery.

I was just at the Gallery. The finance admin just said to me:

Remember that grant I applied for? The one you said we would get? Well, we GOT IT!!!

The Gallery is saved!!!

I suddenly remembered asking Satan for help for the Gallery all those weeks ago..last night asking for some sign...again this morning. Getting even MORE upset by His not answering me (so I thought)...then I realized: Father just answered you!

I felt like I should share this on this Solstice because always I am blown away by how wonderful Father is. He didn't give me shit or anything, didn't punish me for being doubting and fearful despite the many times He has ALREADY helped me. Satan didn't push me away or judge me as not good enough, like other humans have done. No, he helps me instead. I think maybe He sees stuff in me I can't even see myself.

So, if you are new and hoping for some sign from Father, maybe fearing he is ignoring you, or wondering if you ought to Dedicate and you read this, I am telling you, Dedicating will be the best, the greatest thing you can ever do. Satan is such an awesome God! You won't be sorry. He is the most compassionate, the most generous and kind Being! And He always answers. Just not always right away. In His own time. I love you, Father!!! Happy Solstice!!!

HAIL SATAN FOREVER!!!!!!

I know I posted a picture before of the painting but I'll attach another to this anyway. The cuneiform says: I was, am now, and shall have no end.

All 4 Gun Grabbing Bills Defeated Today Our Rituals at Work

Note (((Feinstein's))) amendment failed..... As we know the Jews are the total power behind all Gun Grabbing attempts in America its not even in question anymore its them..... As Ted Nugent posted before the Jews flipped out on him.....Because the Jews are the constant attempt behind removing freedom of speech and arms in America.....

The Jews who support gun grabbing in America all support the Jewish State of Israel were the average Jew is armed to the hilt. Because they want to disarm the Goyim as a warfare tactic. Like when they ran the USSR. It allowed them to murder 90 million Goyim, Talmudic style a lot easier. As the Jewish Talmud states:

Its easier to do that when the Gentiles are disarmed.....

Now note with the constant mainly Mossad false flags like Sandy Hook, to create the problem, reaction, solution of the Jews. All this has taught people is your safer armed as all these massacres happened in GUN FREE ZONES.....

Keep up the Reverse Torah Rituals as its saving your freedoms.....

Just over a week after the massacre at a gay nightclub in Orlando, Florida, the US Senate voted against four gun control amendments, with Democrats and Republicans entrenched in their respective corners.

All four proposals were offered as amendments to a Justice Department spending bill set to hit the Senate floor on Monday.

Senator Dianne Feinstein (D-California) sponsored an amendment that would allow the Department of Justice to deny a gun sale to anyone if the agency has a "reasonable belief" that the buyer is likely to engage in terrorism.

© Shannon StapletonUS Supreme Court turns down challenge to assault weapons ban in 2 states  
Feinstein's amendment failed in a 47-53 vote.

Sen. John Cornyn (R-Texas) is offering a competing amendment, which would require that law enforcement be alerted when anyone on the terror watch list attempts to buy a gun from a licensed dealer. If anyone who has been investigated for terrorism within the last five years tries to purchase a firearm, the DoJ would be able to block a sale for up to 72 hours while prosecutors go to court to show probable cause to permanently block the transaction. The National Rifle Association has offered its support for this measure.

Cornyn's amendment failed in a vote of 53-47.

An amendment proposed by Sen. Chuck Grassley (R-Iowa) tackles the issue of mental health and buying guns. His measure would clarify current language regarding mental health and make it more difficult to add mentally ill people to the background check database, which would give those people suspected of having serious mental illness a process to challenge that determination. The amendment would also boost funds for the National Instant Criminal Background Check System and ensure that the correct records are uploaded into the system in a timely manner.

Grassley's amendment failed 53-47.

Finally, Sen. Chris Murphy (D-Connecticut) sponsored an amendment that would close the so-called "gun show loophole" by requiring every gun purchaser to undergo a background check, even during private sales or at gun shows. The measure would also expand the background check database.

Murphy's amendment failed in a 44-56 vote.

Even Murphy admitted that it was highly unlikely any of the amendments would pass because they would need 60 votes to overcome a potential GOP filibuster. Instead, he focused on the public's response to his nearly 15-hour filibuster last Wednesday and Thursday.

"I admit that the background checks bill is going to be tough to get 60 votes on, but we still have hope that we can get Republicans to support the bill, stopping terrorists from getting weapons," Murphy told ABC's 'This Week'. "But in the final analysis, what may be most important is that our filibuster helped galvanize an entire country around this issue."

"It wasn't just that 40 senators came to the floor and supported my effort to get these votes but there were millions of people all across the country who rose up and who joined our effort," he said on Sunday.

Bills that would have closed the gun show loophole failed after the 2012 Sandy Hook shooting in Newtown, Connecticut and after the 2015 terrorist attack in San Bernardino, California.

The NRA is opposed to requiring private sellers to be licensed, which would require them to perform background checks on any sales even if a person only ever sells one firearm. The guns rights group is also opposed to cracking down on internet gun sales, saying that it would be a violation of both the First and Second Amendments, according to NBC News.

"We all agree that terrorists should not be allowed to purchase or possess firearms. We should all agree that law-abiding Americans who are wrongly put on a secret government list should not be denied their constitutional right to due process. These are not mutually exclusive ideas. It is shocking that the safety of the American people is taking a backseat to political theatre," Chris Cox, the executive director of the NRA's lobbying arm, said Monday.

"We look forward to working with those interested in real solutions to keep the American people safe, including their right to defend themselves in the face of government failure," Cox added.

Cornyn's amendment had the highest chance of bipartisan support, since it was backed by both the NRA and Attorney General Loretta Lynch. She told 'Fox News Sunday' that such an amendment would give the federal government the ability to stop a sale to somebody on the terror watch list.

Cornyn's amendment also has the implied support of presumptive Republican presidential nominee Donald Trump.

Another potential gun control option may be in the pipeline. Maine Sen. Susan Collins, a moderate Republican with a history of compromise and who is not up for reelection in 2016, is working with both her fellow party members and some Democrats to write a bill that would prevent people on the federal no-fly list from purchasing guns, Fox News reported. However, she does not have the GOP's blessing, so it's unclear if her bill would get a floor vote.

On the House side of Capitol Hill, Speaker Paul Ryan (R-Wisconsin) told NBC's 'Meet the Press' that he's in no rush to vote on gun control.

"We're going to take a deep breath and make sure that this is done correctly, so that the policy of making sure that the authorities know, and have time to respond to if a person who was on a terrorist watch list is trying to buy a gun, that they're notified," Ryan said Sunday.

UK Voted To Leave the Jewish EU, Jew Cameron Quits As PM

The EU was created by three Powerful, Jewish, Globalist Oligarch Banking Dynasties the Rothschild's, Warburg's and Baruch's. To centralize power over Europe to enact a Communistic super state, where 27 dictators appointed by Jewish elites force this agenda onto all of Europe. The final purpose to exterminate the Europeans on every level.

As stated the EU was created by the international Jewish dynasties of Rothschild, Warburg and Baruch. You can see right in the autobiography of their major Jewish, front man and political advocate, Kalergi what they planned:

[https://en.wikipedia.org/wiki/Richard\\_N ... ve-Kalergi](https://en.wikipedia.org/wiki/Richard_N...ve-Kalergi)

According to his autobiography, at the beginning of 1924 he came through Baron Louis de Rothschild in contact with Max Warburg who offered to finance his movement for the next 3 years giving him 60,000 gold marks; Warburg eventually remained sincerely interested in the movement for his entire life and served

as an intermediate man as to bring him in contact with influential personalities in America such as banker Paul Warburg and financier Bernard Baruch accompanying him there. In April 1924 Coudenhove-Kalergi founded the journal Paneuropa (1924-1938) of which he was editor and principal author. The next year he started publishing his main work, the Kampf um Paneuropa (The fight for Paneuropa, 1925-1928, three volumes). In 1926, the first Congress of the Pan-European Union was held in Vienna and the 2,000 delegates elected Coudenhove-Kalergi as president of the Central Council a position he held until his death (1972)."

Kalergi laded out the blue print for the destruction of the White European Race in such an order as the Jewish run EU in his book:

In his book Praktischer Idealismus (Practical Idealism),

"The man of the future will be of mixed race. Today's races and classes will gradually disappear owing to the vanishing of space, time, and prejudice. The Eurasian-Negroid race of the future, similar in its appearance to the Ancient Egyptians, will replace the diversity of peoples with a diversity of individuals. [\*\*\*] Instead of destroying European Jewry, Europe, against its own will, refined and educated this people into a future leader-nation through this artificial selection process. No wonder that this people, that escaped Ghetto-Prison, developed into a spiritual nobility of Europe. Therefore a gracious Providence provided Europe with a new race of nobility by the Grace of Spirit. This happened at the moment when Europe's feudal aristocracy became dilapidated, and thanks to Jewish emancipation."

Now its happening.

The UK leaving is the first domino to fall in the growing collapse of the Jewish Empire over Europe. Today Ethno Nationalism has defeated Jewish Globalism..... Even Cameron who bragged of his Jewish blood is quitting as Prime Minister of the UK.....

Our rituals are really working they have changed the course of world events just as they stopped the four gun grabbing acts of the Jewish lobby from passing in America....

Prime Minister David Cameron is to step down by October after the UK voted to leave the European Union.

<http://www.bbc.com/news/uk-politics-36615028>

In a statement outside Downing Street, he said he would attempt to "steady the ship" over the coming weeks and months but that "fresh leadership" was needed.

The PM had urged the country to vote Remain but but was defeated by 52% to 48% despite London, Scotland and Northern Ireland backing staying in.

UKIP leader Nigel Farage hailed it as the UK's "independence day".

The pound fell to its lowest level against the dollar since 1985 as the markets reacted to the results.

Labour 'must change' after EU campaign

Flanked by wife Samantha, Mr Cameron said he had informed the Queen of his decision to remain in place for the short term and to then hand over to a new prime minister by the time of the Conservative conference in October.

It would be for the new prime minister to carry out negotiations with the EU and invoke Article 50 of the Lisbon Treaty, which would give the UK two years to negotiate its withdrawal, he said.

"The British people have voted to leave the European Union and their will must be respected," said Mr Cameron. "The will of the British people is an instruction that must be delivered."

Well the West has had too much peace and civility as far as the normal population goes. It needs to start realizing the message of Mohhamed, the child molestor and really be tolerant to it. Because why not? We are all equals.

So if some people flail themselves out of existence, you ought do the same. I am sure many of you here are aware of this practice of Pisslam, the Jewish Program of Peace. Its about Piece and generally Piecing shit out of existence. Thanks Jews, who poor they, created this program, look what is happening and what we are getting into the West.

The kikes want suffering energy to achieve their ends. War, bloodshed and suffering are all useful. This is why these "religions" of theirs who all stem from the root of Judaism, are all about blood, death and the destruction of the World and all innocent life on the planet.

But wait guys, don't forget these are human beings too. Of course our "Humanitarian" West doesn't want to be bad to people. Well except if it means being "good" to people actually means, getting enslaved to them and wiping out one's existence because of mere ideas the jews project to people. Like how Whites are the fault of all Mankind, and Jews are the Blessing of the Planet. The blessing of death, slavery, subjection. The same blessing that created the Jewish Bible, destroyed all Ancient Pagan orders that advanced Humanity and finally, defiled civilization into a level lower than pigs. As the Jewish Bible says : "All people are equal under God". So who is anyone, to judge these actions of self mutilation, mass murder, or even the Chosen Race of JHVH, the Jews, in anyway?

Well luck has it that most people don't even give one fucking damn about these shitty books anymore. The numbers of these people increase. Yet the blinded masses still remain. Let's inspect what beautiful things we are getting in the Western Countries!

Let's not forget! Rapefugees always Welcome! The Jews said so. The jews are the Cheeze of G-d and they need to be listened to.

No matter what comes, "GOD" will save us All, Anyway! Yes, the Jewish God. The Pope said so after all. The Pope is a good Communist anyway. Christ is a Good, Jewish Thoughtform. Its sole purpose is just wiping out all other Human beings other than the 144,000 Chosen Elect Jews who will make it to heaven, after all. If you are not that GOOD, its YOUR problem, Goyims!

The thing is, that these people have been brainwashed to a degree that nobody can really fix up to this point. Except of the exceptions, the majority is on a very low level, where murder, death and daily humiliation are the RULE and NOT the exception.

LET THE ENRICHMENT COMMENCE!!!

LET THE GAMES BEGIN!!!

The Kikes said that if you silently protest and you take a big sign and get your titties out in public, you will change the Muslim Aggression. So whatever the kikes say must be true. They are g-d's CHOSEN!!

YES, Holding a sign like a stupid imbecile in the street is actually going to send a BIG message to those Mudslimes! Yay! Now Mudslimes stopped their advance to wipe out the West!!!

They will enrich us with New Laws. Its the well known, Sharia Law. Its imposed in European territories already!

The LAW is to be applied as such.

Severing hands for stealing:

Or just Flailing by a righteous mud faced jew, for not following Bordallah:

And Goyim, Fuck your Democracy. Its not Islam and therefore not allowed. Muslims Wake Up!! Establish the Sharia Already!!

Well look at the ENRICHED Muslims that are the source of CULTURAL ENRICHMENT! WE should be so GLAD they are around to rape us, pillage our hard earned money, rape women and K\*ll people for fun. They will CERTAINLY assimilate and ACCEPT THE WEST, saith the Liberal Cuck and the Feminist Punk agreed:

It seems apparently the West cares more about "Muslim Kids" and "Children" than the actual Muslims themselves, doesn't it?

## Advancing On Meditations and Delusions (Everyone ...

Now this has to be addressed. Over and over this is a recurring phenomenon.

Now this has to be addressed. Over and over this is a recurring phenomenon. Due to being oblivious on what it means to advance, how one advances, and what is to be expected from advancing, many people fall in certain loopholes that destroy them and delay them in advancement. People also loophole another one in many cases, because subconsciously nobody wants to really advance spiritually unless they deprogram themselves from filth and adhere themselves to it. Most people are stuck in different ways in regards to that. Then you have few kikes around who of course, push this to the edge until everyone is destroyed. This is what jews do- they destroy Satanists and people who can overthrow them.

One major allegory in regards to that is an allegory that the Buddhists have destroyed and perverted, thanks to the enemy. This allegory is about on how the "Devas" are going to "Deceive" you in the path of yours to become a "God". The Devas are not the "Demons" as many idiots say, but the Devas personify the powers of the Demons. When one meditates, one realizes they have powers. Powers to have sex, powers for wealth, powers to do anything (or so they think, and potentially it can be True).

This is where is a crucial stage and where most of people, when they find out about their ability to cause a few things (especially for new Satanists who are really backed up and protected by the Gods until they learn how to flap their own wings), they instantly think they are "Gods", someone "Important in their past life" and the endless list goes. While the powers may be actual and may be more or less, here, common sense is lacking.

The enemy has carefully lied that Satanism is about Egotism, being a sickening person of avarice, lazyness and all that stuff. One can fall in either category, it doesn't really matter. If you pay attention between the lines, this is what they cause. They carefully instigated the factors that make Satanists act in that way, so that they will never, ever be effective, or form a unity that will destroy the enemy. This ensures their cancerous jewish system will get going. Just look over to their side to see how much they cut this down short on their own, to understand this. Satanism by definition is for individuals that form a unity, not for a mass, however, the individuals have to adhere to the unity in order for the unity to adhere back to them. This can't go one sided.

These people are so easily controlled. One needs to just take a look around and see how these "selfish" people are so easily controlled, more than anyone "selfless" even. Its basically two sides of the same coin of a decayed personality.

Another thing. Many new people complain of serious "attacks" by the enemy when they are new. Little does it dawn to many people that its not really the

enemy doing these, but themselves- their own programmed fears, uncontrollable mind, and the programmings the enemy put inside their own mind. This is an allegory of how all prisoners were locked in a prison cells for their whole lives, in a circle around an eye that was watching their every move and thought. After they were released from prison their fears that they were being constantly inspected, monitored and pounded on demand. Like post traumatic stress, every sound to them sounded like a bullet. This is a typical thing happening to people and the enemy knows this, this is why they push totally the feeling of complete surveillance, or why "Jesus Monitors all your Thoughts" or "if your eye causes you to sin, pluck it out". People make this thinking part of who they are. The enemy does this on purpose. The for what the enemy kike "god" cannot punish, people self-punish themselves and think it was "God". Easy method for control.

There are also certain individuals who are new and cannot see this. By nature, as with any other type of serious jewish magick, they will never see past this. Why Satanism hasn't defeated the enemy still, is to be recognized, this exact problem. Many low level slobs who think themselves as almighty and mighty, but never pay attention or make sacrifices to actualize this vision, or can't work in unities. The enemy wants Satanism orderless, chaotic, a cult of egopathy and this way, nobody will advance.

This can be easily traced down to many reasons. Many people have been suppressed and subjected all their lives, so now they want to create a big idea about how they are superior to everyone else, just to finally feel superior for once. For others this manifests in some sort of ego-tripping until the end of time. Others also advance even further and in many advanced stages of advancement, this phenomenon is recurring. So many people get stuck into this, especially people who are "strong" or can be strong from nature. For others it can be other things. However, this sort of thing is largely coded in the Torah and is a major cause for many people to forget the purpose of this whole deal.

Your ego is sort of like a universal vehicle from which you are to experience reality. Infact, this is a tool and a beautiful one, made to be expanded and made into perfection. There is so much more beyond the "self" in the higher levels, but most people will never get to see these, or even the Gods themselves, because they choose consciously or not to live in the above paranoia. They just make this car a monster truck, add golden rims, try to step on other people's cars or something. Their monster truck ego is always better, they always know, they always have the solution. When faced with the reality behind all this, they are confronted and they fail.

This behavior ensures that people will never get actual contact with the Gods, and therefore, never advance. Their minds try to serve their own created delusion, and the "Gods" they see aren't even more intelligent than what they themselves are. Guess what, because they don't get in ANY actual communication with them, but are rather in a self delusion. Better ask for guidance and messages, and the Truth, than to rather misguide anyone else or yourself.

This ensures you will be stuck and never advance past a certain level. This is also the enemy. The enemy knows that real power is not in egopathy, creating a bratty self or thinking of yourself as holy. This is flack they sell to others. Power is power and in realizing Unity. Removing this pathological disease is also not "demoralization". This is from where REAL morale and REAL character are built.

In plain, a certain people try to fight delusions like xianity or the delusions of the kikes, by creating more delusion. Little do they know that kikes are actual masters of delusion. Satanists relate to Saty-an for a reason though...Delusions just hamper our effort. And they are intolerable in many cases, especially when they harm this effort.

Why this thing becomes almost pathological to many should be evident. Small people always think of themselves so superior, Godlike and amazing. I have met with people of exceptional IQ's, beings who have power to send people to the afterlife with the wave of a hand, the Demons and Gods. None of these beings had a so called "big ego" in the stupid human sense. Many times the "big ego" is not based on anything but consumerism, or just some sort of feeling or idea. In other words, its not based in one's productivity or actual usefulness, but delusions.

And no, this is not positive or wishful thinking in order to advance. This is a new reality where people who can't do or be, are and be. This is no different than a video game, or another reality. People who are serious, responsible, have families, children, or are responsible of others, know what I mean completely. As for the usual complainers...Don't say I didn't warn you. You ensure you will become a better being by actually becoming better. Your ability to fill up yourself should be used to create a better you. Not a monstrosity. Selfishness in the worst and degoratory self does NOT advance anything. Being loving to one's self, and respectful of other human beings, with everyone being aware of who they are, is exactly this. The enemy wants people to be delusional about who they are, so they will never discover themselves in anyway.

Keeping delusions in hand in trying to think one is perfect when they are not, is certainly going to just harm them in that they will never see and correct their mistakes. These people make easy prey for the enemy, alien and whatnot. Also, countless people have fallen into this trap, Satanists or whatnot. In the longterm, this creates strife, infighting and in the end, divisions. The ideas of capitalism are in this thing. Its just that money is now spiritual power, and instead of filling a bank account, people just fill themselves with delusion. This is not Capitalism, this is National Socialism. Labor, work and usefulness in the actual world are that matters, and the essence of the work and its weight. Not the illusions, comments, craps of ideas. Everyone in this world thinks themselves so overly important highly amazing, ineffable and irrefutable. This is what the jewish system has created, and through which the West is falling, while the people are getting slowly down the drain sink without even realizing anything.

The jews themselves are the ones who have created this behavior to fill in their gap for their apparent parasitism and uselessness. Others followed, like so many who were deceived into thinking that one builds a self by building lies around themselves, rather than their actual self. They think because they contextualized their crap in a "Superiority Complex" they actually became anything. They are still, no matter what they had, have or will ever have, excrement of existence. The death of anyone, or anyone's slavery, will NEVER change this fact. Its just who they are. A race of feces eating garbage that is now sitting at offices and trying to convince humanity that they are useful. Not an actual good idol to follow.....

Satan was dealing and is still dealing with World VIP persons, people with enormous IQ's, leaders, scientists and many other people most of which 'normal' people cannot, and will never, ever compare. Delusions of grandeur will not fill this gap. An average person with real understanding of who they are, and will to advance, will far surpass even the most talented people around who sit on their talents or illusions of grandeur.

No matter how close we are to the Gods and how much they love us, people have to get real and understand that the Gods are so far ahead, and take this chance we have with them with loyalty, humility and intensive unwavering faith. They don't have that much to gain from us, but we have so much to gain from them.

If the Gods were beings with a superiority complex and dumb selfishness, where would Humanity be at this point without any allies? People should mimic this paradigm of both might, strength, power and also compassion. The Gods show us compassion. Humanity has grown so retarded and yet, they are still here and they are knocking the door to help us. What is known for sure, is that they don't "need" anything from us, except of to be remembered and for us to understand their genuine love, and make worthy of the live they have given to us.

As for this gap many people feel, what will fill this gap, is actual work on one's self, advancing, and becoming the best one can be. Almost all the 20th, 19th centuries, did belong to Satan and Humanity advanced greatly. Only lately has been this insanity been going. Satan has guided Pharaohs, world commanders and many other important and really prominent beings. While I can't speak on His behalf, because his forgiveness and understanding is without bounds and his love without end for His people, I can tell you this, from years of work. Do not abuse this, don't waste this chance and don't try to pick on the Gods. So many people also take on their "Demon's" or "GD's" name for granted.

One last note. Seriously, certain people need to check themselves. Who do you think you are? Most people are just worthless Human beings who just believe what they see in Hollywood, that Satan will do anything just to buy them over, or that Satan is overly interested in crap. Guess what, he won't, and nobody has to tolerate incessant behavior like that. Satan needs workers, respectful people, people with heart and loyalty. These types of slob who can't see this, they have to develop, or they will develop after smacking themselves, an understanding of that.

Most of them want to THINK they communicate with the Gods, to puff up their ego that they advance fast. This is all in the context of Western stupidity. If one is really interested in what we do, they rather really build themselves up, really adhere to what we do, shed their old skin of ignorance, and understand the order of things. For the pathological scoundrels, you can go and leave. This is their destiny anyway, with their behavior, and we aren't getting involved in their personal sphere of choices and life. With all this being stated, everyone is free to make their choices. Your freedom of choice doesn't always imply it will be a good one, so use this wisely.

The Bible and the Hebrew bible as well, are books of Jewish Priests and other jews, who are meant to be read as manuals when one has a deep knowledge of the occult and they know what's really into the books. When these are given to the "Goyim" or people that don't know, they are given other interpretations, as they have created them in this way so the masses are deceived and accept this "tie-in" magick of the Jews. There are thousands of translations and commentaries, but there is only \*ONE\* TORAH. In the original Torah (Hebrew Bible) one letter is off, and its all void and useless. When it comes to translations and interpretations for Gentiles, everything goes. This is why you have millions of types of xianity, but only one deep and internal occult Judaism. Which is the root of it all.

Now as all of you here are familiar with, the Jews only consider THEMSELVES Human. This is a major understanding in reading the Jewish Bible and the Torah, without which, you will never understand its meaning as a supermacist "Book". "Adam" or "Adam Kadmon", while stolen from the Sumerian Adimu, and the general Sumerian Myth, is believed in the Bible to be the first and only "Actual man", while all others were excrement and non-humans.

Gentiles, or Goyim, are NOT HUMANS in the jewish mind, or internal jewish literature. Gentiles should STOP trying to compete in the jewish programs, as simply, as their creators already know, they aren't even considered "Human" in the first place. These are jewish Racial supremacy programs and not religions. Nobody else is allowed in, except of at the level of an ignorant slave, or a willing servant. This ties into the general understanding on how the jews are "Chosen" of "JHVH" while all others are the Goyim. According to their own word, all creation is supposed to "bow to them". This includes the whole planet, all Humans, all animals, the universe even.

Their mental sickness also tells them that even the universe, was created for their own enjoyment. Not only they believe this, but they implement this. This is the idea behind "Zionism" which is just what all jews believe, applied. There is no "Zionism", or "Zionists", there are only jews who just believe the average teachings of their culture. There are even worse teachings that I can't really go into now. The jews are so mentally insane that they really say, the "World Began 6000 Years Ago" just because THEY themselves emerged amongst our midst at this point. Imagine their insanity. Even the Earth is Flat, because they say so. They are universal rulers of the universe, according to their crap, after all. Everyone \*MUST\* believe this at all costs. Otherwise, this is VOID. Why though? Let's examine.

"The soul of the Jew is different than the soul of the non-Jew."- Rabbi Menachem Mendel Schneerson

"The entire creation [of a non-Jew] exists only for the sake of the Jews."- Rabbi Menachem Mendel Schneerson

"The difference between a Jewish and a non-Jewish person stems from the common expression: "Let us differentiate." Thus, we do not have a case of profound change in which a person is merely on a superior level. Rather, we have a case of "let us differentiate" between totally different species." This is what needs to be said about the body: the body of a Jewish person is of a totally different quality from the body of [members] of all nations of the world ... The difference in the inner quality between Jews and non-Jews is "so great that the bodies should be considered as completely different species.

An even greater difference exists in regard to the soul. Two contrary types of soul exist, a non-Jewish soul comes from three satanic spheres, while the Jewish soul stems from holiness. As has been explained, an embryo is called a human being, because it has both body and soul.

Thus, the difference between a Jewish and a non-Jewish embryo can be understood." -Menachem Mendel Schneerson

When the Jews talk about HUMANS in the Bible, they just talk about THEMSELVES and only THEMSELVES. This is an imperative understanding or else one cannot really understand the bible. Young jews are taught this truth when they are very young, and revealing it has the penalty of death. The whole hoax of Christianity was based on this cover up.

"Goyim were born only to serve us. Without that, they have no place in the world – only to serve the People of Israel."- Rabbi Ovadia Yosef

(In regards to the "Goyim" animals who are meant to serve Jews: "This is his servant... That's why he gets a long life, to work well for this Jew." - Rabbi Ovadia Yosef

So Satan was attempted to be "imposed" by the otherwise "All powerful", in their own lying story, by the "JHVH" thoughform, to be subjected to "Adam Kadmon" or "Adam" (The first jews) and Satan emphatically refused and waged "War with Heaven", mentioning that these beings are imperfect and lower and that nobody should be subjected than them. The fallacy in the story is apparent. While the jews have the lying complex in trying to portray their "God" as all powerful, he wasn't. This is why they came late, they have been trying for centuries and in many ways, to no avail. It required centuries of effort to their part to reach a "Competent" level. Their "God" didn't even have the power to pull anything off, so it just resorted to curses against Humanity and Satan, with the ultimate goal of "Winning the War in Time". The rest is gibberish. Also, the allegory of Satan being "created by God" is stolen from the Aether, which the jews try to personify in JHVH.

The Aether is the source of existence, but it doesn't reason, let alone its not an ugly jew sitting on a cloud on sky 9. Satan was the first antisemite and this is self-proven. The things about how Satan "Wants to Destroy Humanity" or how "Satan tries to lead Humanity Astray" or "Lead Humanity to Hell", these are from the Jewish Bible. The jewish Bible and jewish literature, only considers JEWS as Humans. In other words, Gentiles are NOT in this category, anymore than they are not in the category of the "144,000 Elect Jews" or anywhere else fitting. The jews themselves want Satan, as a being, destroyed in all ways and levels. This is how the average "Adamic Jew", or "Real Human" and "Perfect Creation" is actually looking, based on the jews:

Why should ever, a being as Satan, the Aryan God, or any other Gentile Gods, or any other "Non Jew" for that liking, be subjected into this crap excrement, because of merely the statements of "JHVH" who was created thousands of years after Satan existed? JHVH was nothing but a cheap powerless thoughform, until the jews rallied in the beaten and damned people and started gaining followers, they enslaved their souls and prayer energies. Satan was always in all ways, superior to this crappy thoughform. This is why the enemy chases followers, is an endless liar and hypocrite and they use all the animals needs of Humans to enslave them.

The "Angels" of "JHVH" all end up in "EL" (EL meaning Light) because they are thoughforms created by light energy and by mass belief into their existence. This is why Angels themselves are dumb, and why behind "Angels" all sorts of bizzare enemy alien ET entities do actually hide. The jews themselves use these thoughforms and each of them has a specific purpose, to attack and try to offset the influences of a particular God. This is why for instance, "Gabri-el" is supposed to counter Satan. Well, this thoughform miserably failed even though after thousands of years of charging and mass believe. Satan is still here. Satan exists with or without Human existence or acknowledgement, and this should be evident in how Satan kept existing long after the "Satanic Legacy" was

almost eradicated from the planet. Satan is not dependent on followers, as Satan is real.

Satan doesn't need to give gifts or anything, to get more followers, give money or mansions to buy faith. He exists anyway. As for the enemy, their thoughform is specifically designed to give them money and anything else, so that they remain spiritually oblivious, and serving this jew. Spiritual ignorance is what they buy for a cheap price.

Only then the thoughform of "JHVH" started getting any substantial power, and the "Torah" having any spell-power at all. Prior to this jews were what they are in reality, garbage, ugly excrement, hated by all Gentiles on Earth. Like anything else this can be easily explained. The "Goyim" were spiritually used to actually create this hoax, and their own creative power made this excrement strong. It didn't even exist before. The jews are insane in regards to the "Real Name of God", which is hidden and secluded by Rabbis, because its actually the name of this thoughform. Its just a thoughform created to help Jews and impose the Torah law. Nothing else. The Rabbis openly state that "God Serves them". And that if "Rabbis Argue with God, they can defeat God", in glorifying themselves of their lying ability.

"Why are gentiles needed? They will work, they will plow, they will reap. We will sit like an effendi and eat... That is why gentiles were created." -Rabbi Ovadia Yosef

Satan obviously "Refused". For this reason, then follow curses and everything else in the Hebrew Bible, and "JHVH" swears that "Satan will be destroyed" and that "He will burn in the lake of fire", with the elect 144,000 jews actually "saved" and everyone else that "Refused" the jews, burning in "Hellfire" forever. Given to lack of power, they didn't do this. They just try to systematically destroy Humanity in revenge against this being who stood against them and tried to destroy them. Satan is a Hero for all real, Gentile Humanity. He is the nightmare of the enemy and all these jewish beings of decay. The paranoia these people have about this being is insane, because they know their Race went into a straight attack against Him, and so they know about their alliance alliance. They know they are NOT of the same seed or creator, like the rest of Humanity.

You can see the "Lesser Key of Solomon" on how the enemy attempted to bind the Gods of the Ancients with binding methods. The Gods were hated for still trying to defend Humanity. The Gods themselves have been attacking the jews and they have destroyed their so called "legacy" and still kept fighting for Humanity, with certain people and through them, in order for us to re-advance. They never left us. The same goes for Satan.

As for their crappy spells against the Gods, others worked for a while, others didn't, others failed completely. The same that can happen with any human being that is cursed by millions of people. The energy of billions of people, with hate and negativity has been channeled to the Gods in order for them to be destroyed, and the jews did literally and completely fail at it, again. What the Gods have to state about this and is very revealing, is that this is nothing but a season for them.

One can imagine this like if one is cursed by millions, and they just get a flu, how weak are all these millions compared to the Gods, and also, how weak are the actual kike slaver oligarchs. This is not to have them underestimated, as Humanity they have really turned to animals. Humanity also needs to survive, and thrive. In destroying Humanity, they have done a very "wonderful" work. This is why you see them now going insane in trying to wipe out the White Race and with it, all the "Animals" who have "Satanic Blood" or whose "Soul is from the three Satanic Spheres". They are on a Race against Time, in order to destroy Humanity before the ticking bomb exploded on them and all their crimes. That doesn't meant they will succeed, but it doesn't meant its impossible either. We must fight and we will eventually win if we do this. Their apparent weakness in some areas will not make them stop in ANYWAY, so we must never

stop either.

"Hello Dear Goyim

Greetings fellow Rabbis, People of Slavery to the Jews, Cucking Lackeys who serve us. Another Cooking Lesson with Israel Cookstein!

For our Recipe we are going to need:

- Jews
- 6 trillion billions of lies
- Spiritual Ignorance Cooking Bowl
- 6,000,000 grams of Jewish Influence and Goyim Tears
- 120 grams of Feminism [Killary "Saudi Arabian" Clinton coated]
- 1,000 tons of Cucking
- 500 grams of Misplaced Love
- 350 grams of Pacifism / Acceptance / Tolerance
- 250 grams of Historical Ignorance
- 1000 Jewish Infiltrator Tree Roots

- 1000 grams of Muslim and Somalian Invasion
- 1000 grams of Pisslam
- 2000 grams of Jesus Vs Islam fake War Identity
- 500 grams of Alt Right
- 1 Giant Donut Trap
- 650 grams of Believing in the Jewish Media
- 650 grams of The Jewish Media is the Only Reality
- 1 ton of Ignorance
- Race Mixing Dust
- 100 tons of individualism, selfishness, self hatred, consumerism
- 100,000,000 pounds of "Don't be Nazis and Bigots, Goyim" root
- 100 megatons of Christian and Muslim prayer Psychic Energy going into the Hebrew God "JHVH".
- 1 magic wand
- 10 tomatoes of violence, misdirection and civil warfare
- 1 "forget it" pill
- Endless Immigrant Rapefugee Supply
- 6 grams of Jewish Preoccupation for the Goyim
- 100 tons of Gatekeepers, False Flags

The Recipe is called "Destruction of the West":

It goes as follows.

First we get the Jewish Infiltrators. We put them in the cookings "Spiritual Ignorance" bowl aside our base recipe ingredient, "Asleep Goyim". In order to do this, we pound the 6,000,000 Goyim Tears and Mercy, plinto the recipe. Then slowly we start mixing the Jewish Infiltrators with the Asleep Goyim. Slowly this will form its own lump. The Jewish Infiltrators we have coated with Christianity, while the Asleep Goyim have been pre-cooked in Ignorance and Historical Ignorance. Then we add pacifism, acceptance and tolerance, in order to make the mixture less problematic overall and less stiff. We then start pounding the megatons of Christian and Muslim prayer energy and we use the Magic Wand to mix. We mix until the Goyim have become all Christian and Muslim, but at the same time we crush the Tomatoes of violence into the mixture. The Jewish Infiltrators will create the nessescary preconditions for everything, including adding feminism later, media control, law control and everything we need. It all starts from here. Though the tomatoes of violence sometimes wake the mixture up. Because the mixture is hurt, we throw in it one "Forget it" pill and Crush it into the mixture. Then we put the Jewish Infiltrators on the top of the mixture, as they always stand out. What we are left with is tolerant, christian, pacifist Goyim on the bottom.

Then we proceed in adding one hundred tons of Individualism, Selfishness, endless Consumerism and Materialism. This is nessescary in order to balance "Christianity" which emphasizes living on the next life and like a slave. We add a Cherry of Feminism at the top. We enjoy and eat from the mixture until we become very fat. Then the jews who have become fat, infiltrate further and take the long march. Christianity and the Jewish Infiltrators taking all leading

positions make this really possible. We cook this for some years in the oven with the above, and then we put in the "Cucking". When the cucking gets strongly on the rest of the mixture, we leave this in the fridge to sleep for a some decades, with added the 6 grams of "Jewish Preoccupation for the Goyim", and "Consumerism and Materialism sugar", while steadily crushing any remaining values with teh Magick Wand and Jewish Infiltrators- and then after the mixture becomes solid and the Goyim are even lower in the bottom and weighted by the Individualism, Selfishness, endless Consumerism, we add a strong streak of Believing in the Jewish Media and The Media of the Jews is the Only Reality. We mix with a ton of Ignorance and 6 trillion lies.

Then we go to the Immigrant Supply Basket. We throw sugar to them in order to arouse them, then when they go erect, we take these out of the basket. When they revolt and don't want what's happening, we push them slowly into the mixture. Rabbi Shekelstein uses his magick wand and puts it further. The Prayer Megatones keep stacking up. The jews in the recipe tend to overreact and they try to seperate themselves from the mixture, so the Goyim in the mixture don't really like it either. This is the crucial stage in the recipe. But worry not for there is a plan.

When the Goyim are trying to come up, we put in the mixture: "Christianity Vs Islam" fake identity game, 1 Giant Donut Trap, the Pisslam and then we supply the Immigrants we fed with some "Consumerism and Materialism sugar" later. Each reinforces each other. For the Disobedient Goyim, we add the hundreds of millions of "Don't be Nazis and Bigots" for them. Mix the Misplaced Love with the Immigrants and the Goyim who have been affected by "Feminism", "Cucking" and "Christianity", then throw a tomato of violence to make the taste better. Pisslam and Muslim and Somalian invasion will make this possible. Then on top of this add the "Race Mixing Dust" in order to make the mixture grow weary. We keep mixing while steadily adding more and more Immigrants from the Endless Immigrant Supply. We mix these with the Magic Wand with the 100 tons of Gatekeepers, keeping our back while doing it, so nobody gets hurt. Then we take this mixture and we boil it hard until it all becomes a lump with no beggining and no end. Selfishness and Individualism matter a lot here. Then we slowly break the Goyim bonds by using the Immigrants and the rest of the mixture. We cook it in the oven, we take this out, we remove the Jews from the recipe, we transfer them to Pissrael, and they rule over the mixture.

One time though we lost this mixture on the crucial stage, and we had Hitler happen. The Goyim's bonds didn't break, and they all revolted against the cooks and the rest of the mixture. To our amazement. However we are God's Cheezen people and we know how to cook the world for centuries. Its quite easy anyway. We hope this recipe will continue so we can continue feasting, because we want our diet to be Divine. Aside Feces pie, which JHVH blesses, we want to feast on crushed communist, "all one" societies. Let's hope the Recipe works this time."

Subject: The Kehillah

The Kehillah

[My note the Protocols have been authenticated by Russian academics in the nineties and some brave Western academics as well. However its the original

The Protocols Of The Learned Elders Of Zion, Are Real

[topic14163.html](#)

The Catholic Church and Christian Program was created by Jews, who took over the Roman Empire from within a coup against the Roman Aristocracy. That put themselves into power under the cover of the Flavian Dynasty, this Dynasty created the Catholic Church and bible. And forced Christian on the population the same way the Jews forced Communism on the population later on.

Vespasian as the Roman histories stated built a statue to an Alexandrian JEW who through Titus was the reason he became the Emperor. This Jew was Philo Alexandria, who's money funded the Flavian Dynasty and who was made a core member of the Dynasty along with other Jewish power elites. This Dynasty created Christianity.

The Jewish Creation of Christianity

[topic542.html](#)

Take a look at Pope Paul the 3rd, who sanctioned the creation of the Jewish, Jesuit Order.

The Jewish Marrano, Borgia, Pope is obvious as well....

-----

From Chapter Seven in Ben Klassen's book 'Nature Eternal Religion'

(With thanks from Tom for bringing this information to my attention. And well done mate for your recent recovery)

The Kehilla, or Kehillah takes precedence over all other Jewish organisations and is controlled by a board of 300 directors who meet every few years to determine the policies to be carried out in their program of world dictatorship. These orders are then relayed to the Jewish leaders in control of this myriad of organisations, including the governments in the world.

In order to become a Kehillah Director a Jew must be at least sixty years of age and must have shown in his life's work that he has been an ardent contributor to the cause of the Jewish Race. On becoming a Kehillah Director he is honoured by being called a Jewish "Patriarch". He is permitted and expected to wear a full beard.

For more efficient control they have divided the world into two sections, the Eastern Hemisphere and the Western Hemisphere. The headquarters for the Western Hemisphere is in New York and that for the Eastern Hemisphere is in London, England. Over the entire world is their "King of the Jews" called ACHAD HA'AM. Over each hemisphere there is a "Prince" of Jewry known as a "Sponsor". Until his recent death, Bernard Baruch was "The Prince", the head of The Kehillah for the Western Hemisphere. Baruch, as we all know, was advisor to several Presidents from Woodrow Wilson to Herbert Hoover, to Franklin D. Roosevelt, to Harry S. Truman.

The Kehillah is a very efficient organisation and is organised around the number seven.

It is based strictly on the leadership principle, which I have described more fully elsewhere in this book. As I stated, the top leader of each Hemisphere is known as the "Sponsor". He has seven prominent Western Hemisphere Jews under him as his subordinates. This is the first echelon of leaders and each one of these knows each other and, of course, their leader.

The first echelon of seven is known as the 7th Kehillah degree and each one in the first echelon is known as an "Arch-Censor"

Each one of these seven leaders has seven men under him, making 49 in the second echelon or the 6th degree. Each one of these is called a "Minister".

Each one of these 49 has seven men under him making 343 in the third echelon or the 5th degree. Each one of these men is called a "Herald".

Each one of these 343 has seven men under him making 2,401 in fourth echelon or 4th degree. Each one of these men is called a "Courtier".

Each one of these 2,401 members has seven men under him making 16,807 in the fifth echelon or in the 3rd degree. Each one of these is called a "Scrivener".

Each one of these 16,807 members has seven men under him, making 117,649 in the sixth echelon or the 2nd degree. Each one of these is called an "Auditor".

Each one of these 117,649 members has seven men under him making 824,543 in the seventh echelon or the 1st degree. Each one of these is called a "Mute".

If we add up all the members of the various seven echelons we find that there are nearly one million members in each Hemisphere, all fanatically loyal and dedicated to carry out the Jewish program of subversion and intrigue in order to create the Jewish dictatorship for which the race has so ardently strived and connived during the last several thousand years. They are all sworn to carry out the secret program as is set forth in The Protocols of The Elders of Zion, although the Jews vehemently deny its existence over and over again.

The Kehillah is such a secret network that outside of the first echelon or the seventh degree of the seven Hemisphere leaders, none of the rest of the Kehillah members know who the others are.

With a secret, dedicated, fanatically loyal organization, with this kind of structure, it is easy to see how orders can be communicated and carried out with a minimum of delay or red-tape. When the Hemispheric head of The Kehillah gives orders to his seven, from there on there are only six steps down the line of command in order to have every one of the one million Kehillah members notified in short order.

All that is necessary is to make seven sets of telephone calls down the chain of command. Remember, each man only has to make seven calls to the seven men below him and in a matter of minutes the whole network of one million members has been given their marching orders. That is how the Jews manage to set in motion strikes, agitations, student riots, or whatever is the order of the day, all over the world at the same time. This is the leadership principle at work.

Among other things, Kehillah members are taught to infiltrate the management of our schools, colleges and universities in order to indoctrinate our younger and rising leaders with their false philosophies. If you wonder why we have so many Hippies and Revolutionaries come out of our colleges, there is the answer. It is also the answer as to how such vast student organisations "simultaneously" flare up in student riots on our college and university campuses across the land. These Kehillah members also infiltrate and take control of civic clubs, patriotic societies, business organisations, labor unions, farm organisations, women's clubs, church organizations, debating societies, fraternal societies, including the Masonic Lodges and other lodges. Radio and TV networks who carry out the Jewish program for the enslavement of the world.

We could go on and on as to the organisations that are under their control; the medical profession, newspaper publishing houses, the newspapers themselves, magazines of national scope such as Time, Life, Look, etc., are all under their control. It is interesting to note how far back this infiltration, organisation and control by the Jews goes and many devout Catholic will be surprised to learn that the Jesuit Order of Monks was set up by Loyola, a Spanish Jew, to further control the Catholic hierarchy, and through it the Catholic Church and the Christian Church as such already were under Jewish control long before that.

Please do not promote misinformation here. As for the decision whether to use drugs or not, this is up to the individual.

I posted my own personal opinion to the groups here regarding marijuana use. IMO, it is harmful in many different ways as are other mind altering drugs. I repeat, I saw firsthand how someone adept at witchcraft so to speak, had full control over the entire life, thoughts, attitude and will of a chronic marijuana user. Both wound up dead.

Marijuana makes one's mind open and vulnerable, no different from one who is "under" in a hypnotic trance and very open to being programmed. This is greatly enhanced with being much more open to psychic attacks.

Also, (I'm an old grandma), back in my day, one never even heard of Alzheimer's. Now it is a household word. The hippies were the first generation to have widespread recreational drug use. Now, they are the elderly senior citizens and like I just stated, Alzheimer's has become a household word. Large numbers of the hippie generation are afflicted with it.

You don't have a spare mind or spare body. I myself did marijuana as a teen and the effects were not in any way positive.

Now, do NOT put words in my mouth. This is MY OWN opinion. In Satanism, you can pretty much do as you please, with the exception of harming innocents, such as animals and children, whom are sacred in the eyes of our Gods.

But in regards to what you choose to put into your body, responsibility to the responsible. If you choose to use drugs, then be prepared, as mind altering drugs are NOT harmless.

In addition, Jewish agents, etc, have had a long history of putting Hollywood actors/actresses and Rock Stars under their control with recreational drugs. Ozzy Osbourne of Black Sabbath wrote in his autobiography how every morning, a guy dressed in a fancy suit would come to their residence in a nice van and supply the band members with drugs. Jews who remained sober, handled all their money, etc.

This is common practice in the movie and music industry. Black Sabbath got screwed out of millions of dollars while a Jew (alias "Jack Arden" real name

"Harry Levy"), pocketed their money. Another band ELO suffered the same fate.

There are countless others. Like it or not, recreational drug use can make you somebody's bitch. The controller stays away from drug use and stays sober. The drug user is the zombie that is under control.

I also want to add here, Satanism is very different in the way that Satanic meditation, yoga, mantra, etc, work to heal us in many different ways from the inside.

While the program of Christianity forbids drug use and many other things, the addict is punished and fights to stay off the drugs, alcohol, etc, BUT still has the cravings and remains vulnerable.

With consistent meditation and working on one's soul, the cravings go away on their own. This is not with just drugs, but in many different areas, even overeating.

Satan heals us from the inside out. This also applies to giving us knowledge through opening our mind through our soul and sensing the outcomes of intended actions.

This entire world is damned through a lack of knowledge. Most if not all victims are victims due to a lack of knowledge.

While the enemy twists the "karma" crap to conform to their agenda, in truth, we are all damned for what we DON'T know.

Christianity, which is nothing but vicious lies promotes the lie that all one need do is "repent" and "be sorry." In truth, and if you open your mind enough you can see this, whatever you have done stays on the soul. No one starts out in life with a clean slate. This can be seen in the astrology chart for one.

People we have interacted with in past lives often appear in our current lives for better or worse. Satan gives us the knowledge how we can overcome bad situations from past lives. Meditation, words of power, positive affirmations, affirmations to counteract so-called "karma." Astrology charts that are maps of the soul guide us to spiritual problems and past life obstacles that are hindering us in the present. Past life regression is also a help.

Satan isn't going to hit you with a goddamned bible for using drugs, etc. He let's us make our own choices, but he heals us from the inside so we are no

longer drawn to anything that is harmful for us.

The Christian and Muslim remains in a vicious circle of damnation with no real knowledge on how to get out of it and it keeps repeating through lifetimes.

Or is it computer generated? Which is fine, I'm just wondering cuz you mentioned you \*painted\* it. It looks great though :)

Subject: Re: For the Love of Satan

Oh, hey Lydia,

I do a combination of photo manipulation and collage with layers of painting (digital airbrushing) over and into. For example the cuneiform on Satan's seat is all digitally hand drawn and painted. Satan's face, hair, clothing, the seat he sits on, that's all painted. Even the sky is painted into. So that portion of the process is all digital.

I set out two years ago to teach myself how to work digitally though I am fully trained in fine art. A lot of that theory and so on translates very well into the digital medium. I also love to do landscapes (now I'm talking old school paint on canvas). I take JPGs of these, and for some portraits of the Gods I might use one of those as a backdrop for them. Like a Portrait of Nephthys I have done. it worked really well.

So then after the digital version is complete, then they go through a fine art technique and are translated back out of the computer, into acrylic paint and onto canvas. This also incorporates silver and gold leaf. I save money by building and stretching my own canvas. its also superior to anything mass made. Its a painstaking and time consuming process (my least fave thing is working with gold/silver leaf - its so DAMN picky) but the final results are lush and amazing. I've had other artists ask me how the HELL did you do that?

I developed this over the last ten years, on and off but it has really begun to come together in the last year. It was a lot of hit and miss and experimenting and fucking about to figure the process out. Now its clockwork but there is no way around the time investment. This is what I spend most of my time on. At least, as much as I can though day to day demands get in the way. My goal is to illustrate all of our Gods in this way and someday be able to share them with my fellow SS.

So each portrait has two versions, the digital and the physical. What you see here is the digital. But yeah, it was translated onto a canvas. They all will be in time. Satan's portrait graces the wall over my altar. But I am re-doing it one more time. I want to see if I can improve on it. Almost no other person has ever laid eyes on Him (the canvas i mean). Just a few of the other artists. It was pretty funny actually, I had this other artist guy, hes real old school painter, he came and took a peek at Satan's Portrait. he said it was really strong and then he laughed and said something to the effect that it reminded him of the Perfect Aryan God the Nazi's worshiped. he said: Hilter would have loved it! I almost burst out laughing. He of course has no idea I'm SS.

Right now I'm slowly putting Amon Ra, Andras and Sorath through this process and can't WAIT to see them on physical canvas's! I work on multiple canvas's at once. Its slow going as it isn't cheap to do but mostly it is time consuming. For me the reward is when the painting comes alive. They always reach a point where it feels like they animate (in my third eye I guess I mean) and come to 'life'. They invariably, literally reach a point where they seem to actually start breathing. And when that happens it's the biggest rush and the best feeling! Its so exciting! Like when Amon Ra came to life and was there in the computer staring out at me I screamed out loud (for joy)!

And when they come OUT of the computer and onto a canvas its even more amazing, the power and the presence....wow. I'm sorry I went on here but its

my art, I love it, and rarely get anyone wanting to ask me about it so I kind of grab the bit in my teeth and run on. My bad :)

sooooo.....yeah. Thank you and thanks for asking!

Hail Satan!

One thing to keep in mind is that a HUGE majority of the information about Hitler is completely jew-ed, meaning the jews fucked with it so he would seem worse. The actuality is that under Hitler, the German people had even MORE freedom, unemployment went down to almost nothing, Happiness increased exponentially, and despite what many say, there was NO gun control or anything.

I'd suggest reading ALL of this site and the links provided so you can have better information on Hitler and the Third Reich.

MERKEL'S WORST NIGHTMARE: Germany calls for Referendum as 'people want to be free of EU'

My note Germany is the core power of the EU and the loss of Germany with the Dexit is the end of the Jewish EU as a power structure. The Jewess, Merkel is not happy, neither are her fellow Jewish elites.....

The Germans disagree, Dexit is on the way, baby!

BELEAGUERED Angela Merkel is facing calls for a referendum to free German people of "EU slavery" in the wake of Britain's sensational decision to cut ties with Brussels

Far right figures in Alternative for Germany have promised to call their own vote if they clutch power in country's general election in autumn next year.

A party spokesman branded Brussels a "bureaucracy monster", before adding: "Next year the AfD will enter the German parliament and Dexit will be top on our agenda".

They called the vote a Dexit as it stands for a Deutschland exit from the EU.

Euroscepticism has swept across the continent after the people of Britain backed Brexit in the historic EU referendum on June 23.

AfD chairman Bjorn Hocke said: "I know the German people want to be free of EU slavery."

George Pazderski of Berlin AfD Berlin AfD added: "Germans must decided on staying in the EU.

"The AfD is the only part which speaks out clearly in favour of them deciding."

Party leader Frauke Petry, who caused controversy earlier this year when she called on German police to open fire on illegal immigrations, reacted with delight at Britain's decision to sever ties with Brussels.

She said: "This is the chance for a new Europe, one which maintains partnerships and respected national sovereignties.

"The Great Britain decision to leave the EU is a signal to the Brussels Politburo and its bureaucratic attachments. If the EU does not finally leave its wrong

path, and the quasi-socialist experiment of deeper political integration, more European Nations will reclaim their sovereignty the way British are

"The result would be more exits. At the very least the Brussels bureaucracy must be radically reduced and the centralist regulation craze ended.

"The time is ripe for a new Europe, a Europe of fatherlands, where we peacefully trade with each other, maintain partnerships and respect the will of the national sovereignties.

"One can only warn the German government not to fill the missing British net contribution with German tax money and thus continue the political fallacy."

However a chance of a German EU referendum may not be that simple.

The experience of Nazi manipulation of plebiscites has left a dent in the trust of polls on a national scale.

The country's post-war constitution currently only allows for referendums if the constitution itself or the territories of the states making up the republic are to be reformed.

Ralph Kampwirth of the Initiative & Referendum Institute Europe said: "Germany is one of the few EU countries with no experience of national referendums.

"In the Weimar Republic there were two national referendums; during the Nazi reign, three plebiscites were held, with biased questions and blatant manipulation of results.

"A referendum does not mandate an organised political opposition - it simply requires a yes or no answer - one reason why both Napoleon and Hitler were enamoured of them."

Mrs Merkel and French president Francois Hollande are said to be concerned that Brexit will lead to contagion and populist far-right parties would win support for their plans for the disintegration of the EU off the back of it.

So far far-right National Front party leader Marine Le Pen has called for France to host an EU referendum as she declared her support for Brexit.

The leader of far-right Danish People's Party says Denmark should now follow Britain's lead and hold a referendum on its membership.

Eurosceptic feeling is also surging in the Netherlands, with two-thirds of voters rejecting a Ukraine-EU treaty on closer political and economic ties.

Anti-EU politician Geert Wilders declared the result the "beginning of the end" for the Dutch government and the EU.

Greetings to all our Satanic Family and Comrades.

When Satanism comes in mind, one can observe certain things. The most major thing that exists now in the world in regards to Satanism, is that Satanism is largely despised or even hated. The enemies of Satan, those who want to defame, undermine and attack him in all ways, have made this to happen.

Spiritual Satanism, as all of you here know that have went into it, is more than a "Religion". Its \*THE\* religion. Its the actual practice of adherence to Truth. Truth naked, Truth outside a comfort zone, the Natural Truth. The things that inspire Satanists are mainly coming from Satan's inspiration and who He is. Not only what was written falsely by His enemies, but by deep contact with who He is. Satan meaning- Truth Eternal, from the Sanskrit Root Satyan. There are many people who are sworn enemies of Satan, especially those who have racially openly affirmed this old war or wanting to wipe out Satan and Satanism: The Jews. Then other Abrahamics follow loyally behind, as their kingly jews declare "good and evil".

In a world where lies have been ruling, Truth will of course be hated. Nothing is more an enemy to this world like Satanism, and nobody is more of a revolutionary than Satanists. Spiritual Satanists. Satanism has also been infested, misdirected and thrown dust on its legacy. One just needs to open the old dusty boxes of Humanity's spiritual inheritance to actually realize what Satanism is. Quickly one realizes that we have been lied to. This path is the most rewarding and the realization of this statement, is the most important thing. For so many people and Souls, they yearn for Satan, even though absolutely no concrete and real information existed about him, prior to the JoS.

Millions have flirted with the idea of Satanism. Rebellion, Freedom, fighting a war against the "All powerful" established- to do what is Just. This message resonates to many people who know Satan at heart. One just pays some time to listen to their "Pagan" and "Heathen" Ancestors and not much time will pass until one understands, that all that later existed in history in the category of "Satanism" is actually, what they collectively believed in. The same Jew-Talk that the Jewish "Jesus", the false acclaimed "Savior" and the "JHVH" Hebraic thoughform did, the same Jew-Talk do its ancestors. "Resistance is futile", "You will all be microchipped and enslaved", "No reason to revolt", the list goes.

While the enemy is the breaker of the Human spirit, Satan is the resistance of this breaking. Not only this, but the elevation of Spirit.

Satanism is how this legacy survived down to the Centuries. So many people of prominence with spirit of advancement, have been destroyed, desecrated, and tortured in accuse of "Satanism". Truth-ism. Critical thinking, knowledge, rebellion, everything is of "Satan" according to the enemy. All that is Satanic must be at all costs, be blotted out, according to them and their manuals of Race and Religious survival. The breathing, the life, the sexualiy, is also Satan- everything that builds up, empowers and procreates their enemies, or pushes them into the light of understanding. Everything that exists or does not exist, and is yet to be created, is Satan. Even after attacks that almost made this legacy eradicate itself, it lived within the hearts of people and it expressed itself in rebellious and worthwhile acts, that like the spirit of Satan, were meant to advance Humanity away from the dictatorship of "God", or better yet, an imposed Hebrew that wanted to rule over the whole planet with a rod of Iron against the unsuspecting masses.

Beautiful people, powerful people, all beings in which nature showed her defiance and her will to further life and existence, the forces of advancement and the human striving of development, were labelled as "Satanists" by those who never wanted this to happen. They made themselves blantly obvious throughout history. Times changed, names changed, terminologies changed, even bodies and lives were changed. However, the Ancient messages still echo inside what was behind certain identifications.

One just needs to look behind matters and let their mind break the time and space of what we see and what we believe. Satan's name is not just a Name, its a Title. The Being that hides behind this title, is the Father of Humanity. The one who fights against chances and wins. The overthrower of Tyranny. The spirit of Advancement and Human Pride, however at the same time, not vanity, as he is the God of Knowledge- not ignorance or blissful ignorance. He is also the Spirit of Order and at the same time, Chaos is withing his bidding. One just needs to understand the eternal and fundamental notions behind Satanism. Then you will see, the Eternal Meaning of Satanism. This meaning is beyond a beginning and beyond an end- like creation in herself.

In order for Satanism to be understood, one has to break the barriers of present time understanding and look upon Humanity as an eternal existence. Not only Humanity, but the Divisions therein. One has to raise above who they "Themselves" are and understand the manifold existence. The exposal to mighty forces, beyond one's conception and beyond one's understanding even. This is when one understands that all the people that serve Satan here, do actually serve for something Higher, that has only introduced Himself to us as Satan, the Name which we have to call in times of distress: TRUTH.

When one understands the meanings behind all we are and do here, and our teaching, they will shortly understand that beyond all the details, there is one Cosmic message. Its either the message to advance towards Immortality and Truth and Power, or the choice for one to give into the forces of decay and pasification. Its either the choice of life, or death.

For Humanity to be saved, chances seemed to be lacking. In many ways, they still are. There are billions of people who say they want to see this world be saved, but all they do is still repeat the circle that brings this world into destruction. So many they say they want to see the Truth, but they are afraid and they are ruled by fear.

The meaning of Satanism will be further realized in the generations to come. These generations will have the ability to know the meaning and the depth of life, in its essence and finally, its last purpose.

The purpose to Create one species of Man that will be the most formiddable creature this world has ever known. A New World, unlike the vain words

manifested and preached in the recent Historical times, except of this ONE Divine Architect Adolf Hitler. A Creature that will be a conqueror, a lover of freedom, the incarnation of a free Spirit. And how sweetly will his presence fall into the Eternal Nature! The personification of that Humanity has Ruled what it had to once Rule it, the embodiment of the defeat of the Jewish Abrahamic "God". The ultimate Rejection against the jews, is what Satanism personifies.

The Rejection of the Jew, in mind, soul, body and spirit- the complete and total refusing for the preachers of decay. The greatest thirst and love for life and existence, and advancement. Satan cannot, but represent these fundamental principles. The jews knew it always, Satan is their enemy. Now all that remains is for people to know that Satan is their rightful Father, Creator and Friend.

This massive rejection and the populist uprising of the ordinary Humans against the "Chosen" jews, is nothing of a coincidence. Its the forces of evolution piling up and wanting to destroy this tight slaver grip of this race, against the whole of Humanity. The final outcome of this battle will determine the end of Humanity, or the dawn of a new beginning.

I stand convinced that Humanity is going to win this war. So many others have fallen in this noble warfare, so that Humanity finally have the message. Now Humanity has the message, the means of advanced war, the powers to solve this matter. Also the tides of the times are pushing us to act. The enemy always stated, that those who take the route of honor and action are the ones that fail. Their vain prophecies will be void and wrong, and they will be brought into justice.

Those who have understood the Great Message of Satanism, will understand the dire historical need of its preservation, empowerment and cultivation. Satanism will not be preserved by stars, idols and primadonas, self proclaimed "Mythical" persons or even self proclaimed ascended masters that seek a following. The only one's of worth are the preservers-of, laborers and advancers of this Eternal teaching. Idols will never withstand this.

None of this is meant to survive for as long as Satanism is required to survive, which is as close to "forever" as possible. Satan wants to make Humanity into Gods. However so many now are not even human to begin with, but are groveling on the lower levels of even this. The enemy has made them crawl and grovel.

So the first message that is to be brought in front of you, is to first be Human. Be as much Human as possible. Not what you have seen, from the other people who act like animals, nor the "Human" presented in the Bible, that of spitefulness, animalistic consciousness and apparent retardation. But this ancestral message that sort of rings in your head and you always told you to "be better" until the voice was shunned down by the jew who always told you "Become the Worst you can be".

The enemy lies and talks against Idols, but all they are an raise is idol after idol, lie after lie, persona after persona. They are the true "religion" of Idololaters. Another jewsus, another primadonna, another jew, another robust liar, entertainer, monkey or "Truther", another misguided Gentile who has never went past themselves to see the greatest meaning of existence. However the jews behind this nefarious clique of Jewish World Dictatorship, in their inner core, they don't channel on idols- they channel on effort and labor, even if it means to promote lies.

Satanism must therefore be Immortalized, in order for it to in turn, Immortalize and Guide Humanity into the New Era of its existence, and away from pastime, jewish ignorance. It will be preserved by labor, work, spiritual advancement and realization of its members. In plain, Satanism will be made eternal, only if Humanity succeeds in the effort of revitalizing itself and giving a new birth to itself, by fighting the Jewish Infection and the Jewish System, in all its

forms, manifestations and norms. As the Jewish spirit will descend, so will the Satanic Spirit ascend.

Satanists need to be able to look beyond what they have known before, what even is expected. Only the Truth can defeat death. The fact of one's eternal survival comes only down to one question: How much in alignment are you with the Eternal Truth? When the alignment becomes complete, in Mind, Body, Soul and Spirit, then the actual immortalization occurs.

Satan is Life, Satan is Truth, Satan is God.

Spiritual Satanism is from where He Teaches- His House and His Religion. Like Satan, his legacy must be made immortal and finally be immortalized. People who know that Satanism is Good, and not "Bad" merely because some psychopathic yids and insane infiltrators declare it as such, know the meaning of it. Those who have seen the larger message in Satanism, realize of the height of this historical duty to uphold the last values of resistance of Humanity, in the midst of the Jewish instigated despair.

May Satan's Name forever be glorified, and may all Satan's people be blessed now and for all eternity!

Greetings to all our people and Comrades.

Now I am totally aware this is treading on some waters and it might strike as "not normal" for many, because there are many lies and cultural indoctrinations, also many lies by the enemy in regards to the Serpent. What I will do is just relate the fundamentals as to debunk certain myths that lead people into serious misunderstandings and failures in regards to the Serpent. This will also unavoidably go against other myths that have been purposefully created around in order for certain individuals to make themselves Divas in front of other people. This is especially True amongst many practitioners of the East and many others, who claim things highly questionable and just make this seem like unicorn hunting indeed. I will try to make the middle route and relate what is for sure. As for the rest of stuff, people can find out by personal experience.

While advancement in the Serpent is one of the most great shows of spiritual advancement and the list goes, and it should be the aim of all spiritual Satanists (DEFACTO), there are other things that need to be cleared out in order to get a clear view in regards to the Serpent, and what it does, what it is, what can be done etc, what are the 'limitations', how they can be surpassed etc. Also, people always need to take their OWN considerations and experiences in regards to this. I just merely have to debunk these self claimed "gurus" who, "Risen" or not, require a following and preach without doing, dumb people to deceive and the list goes. In other words, plain charlatans who blaspheme Satan's Serpent and what it does. This is very much the method of the enemy in making the whole thing seem like something its not.

First of all I have to debunk the "Harry Potter mode" which is the expectations many people have from the Serpent. Somehow, many people, consider that the Serpent is some sort of entity that when raised, all one's life problems go away, everything goes perfect, you get all you ever desired, things fall from the sky magically, you suddenly go to the Astral, all your hang-ups disappear, you can fly to Orion and get back, and the list goes. While this is partially True, this is not the whole Truth. While the leaps made by progress and advancement of the Serpent can be like this (especially if one's Soul can take it after many years of practice) this is not always the case. Yes, to a normal person many of the Serpent abilities can seem like Godlike, or otherworldly. There is more into it. This is what pushes many people to want to push it with the Serpent. This is the dialectic of the enemy that once this is raise, like a magical wand, you can chill with the Gods, attain so called "equality" with them or that you become equal to them or some other garbage. This is not the case and anyone with a decent understanding can figure this out. Nothing in nature is created equal.

The most accurate way to understand the Serpent is as an energy of consciousness that is amplifying. The more one's body can gauge, the more it can take. The more it can take, the more it can do with this. The more it can take and gauge inside, the bigger become the powers of creation within a person. Creation as quantum mechanics show and we have scientifically discovered, largely has to do with the Consciousness projected onto forces of the universe, which then manifest as matters. Everything is sound and vibration. The more upgraded is the body and the system, and the more this natural energy and fills one like a battery, the more this ability to "create" increases. It revitalizes, empowers and advances whatever it touches.

This is the creative force of the Universe, and also, "God". "God" is nothing more than the creation and destruction principle. In plain, NATURE in this case, or as people call it rightfully, MOTHER nature. The same creative principle of Nature, the Divine Mother, is actually inherent here. The representation of this is represented by the Serpent. This is a generic term. Satan in the same way, like all other beings in existence, was created by this spark of creation (which evolves all living species that are alive, from bacteria, to Humans, to every living being), which is this certain and particular energy- in plain "God" in this

sense as in "the first creator". It takes billions of years for species to go from bacteria, to finalization into a human being, and the list goes, and there are infinite outcomes on how much they can turn out to be. The message of life is to keep life alive, going and evolving. For the things that can't be put in words, its better they aren't, as we will disgrace their meaning. But let's hope that along these lines, these are understood.

When one is given birth, the purpose is to "awaken god" inside, and then advance on this force of evolution the self. One then becomes "higher" than God which sort of on its own is an energy. This energy is internalized and one becomes "God" themselves and consciously. The "mother" or "creative principle" is then attained and re-connected. This is the "Unity with God" and this is achieved through the Serpent. Satan is Higher than "God", as "God" is in his bidding and usage. This is the myth of Shiva, that is born but then understands reality, and therefore can understand, negate and control the "laws" of Nature, plus the "given" direction by nature, which is "Karma". This is the teaching of establishing control onto what once controlled the practitioner. As for the energy itself, a good name, can be living potentiality (?). It can be used for creation or destruction equally.

This is why Satan even in the enemy texts, is called 'The greatest angel of God'. This is not literal in that he was "created" by any space jew Thoughtform, but it just means the ascended ones actually are advanced in the use, power and understanding of this very energy. With "God", all is possible. Lilith is equally slandered as the Wife of Satan who is the mother of Humanity, but the enemy hides this in many of their texts, in order to hide the root of religion which is actually, a two sided Paganism. God and Goddess must become "One" in order for them to become "God". The very same goes for the parts of the Soul, the Ida and the Pigala. The Serpent also personifies the "Child" or the Second Birth, as thus the shedding of skin and it personifying the hermaphrodite element. This is why Satan in the "bible" affirms himself higher than "God". Because he is, was and will forever be. In all the Ancient Texts, the Gods are in the one's who command "God" or this particular energy.

In the same way, the Kundalini energy makes things grow, improve and advance. This energy can be indeed be painful and a very big strife to raise, and for the weak it can crush them, this is why its very important for people to have broken all their blockages and flaws before proceeding in pushing this energy upwards. Even the Egyptians talked about this. If this force touches hang-ups, mental issues, unstable mental grounds, incessant fears and the list goes, the same growth will be created on this. If it touches a golden mind and Soul, the growth will be similar. This is why its important people clean their "garbage" before they proceed. This is why I put emphasis on delusion and stuff on the other message. All desires to delude one's self, or to achieve power without wisdom, or to leave hang-ups hanging around, can be amplified. The nature of this energy is to not leave any of these "around" and it will almost violently try to break through these, which will eventually lead people to create a soap land or just guide themselves into failure.

This is the "One God" and the "One God" being a kike, is a rip-off from the context of this energy. The jews are trying to pretend they are the "Gods" because they "Create and Destroy" similarly to this energy. When one awakens, raises and achieves this energy, they can too become "God" or in other words, partake in the use of this energy for creational or destructive purposes. The active and the passive parts of the Soul unite, which allows creation with this particular energy. As the enemy claims openly, the achievement of this energy is the most threatening thing to their agenda, while they themselves really. It expands, empowers and evolves, all of which the enemy jews do \*NOT\* want Humanity to have in any way. Why they do this is openly claimed by them:

Because they are an alien species in war with the Human species, meant to enslave and destroy us. The enemy alien hive banished and attacked this power of Humanity, as to halten its advance and destroy it.

The most important thing is to know, that even "without" the Serpent one can really become an exceptionally powerful Siddha. The bioelectricity or life energy in itself, or the Sexual energy, is enough for this. This is how many martial artists sever boulders in half. The Serpent will just make everything even more powerful and alive. This is its role. It builds, advances and evolves the grounds upon which its activated. Another lie in regards to the Serpent is that it creates "All Knowing" in that people think they can know everything, or do anything etc. The Truth is, that even after one raises the Serpent, they still have to advance. The hard thing to explain, is that while everything can be made possible with it, it doesn't mean that upon its rising, everything is miraculously possible. It takes time, persistence and growth, and above all, KNOWLEDGE. The Serpent increases the capability of all of that, and brings the spiritual labors one takes, into a whole new level of effectiveness. The Serpent is by itself given by Satan to Humanity in order to hasten its evolutionary process and its process to perfection. I repeat, hasten. Its not a magical button that one presses and poof they are on cloud 9. It is not a magical genie that many want to make it to seem, but its powers are unlike anything else.

Many people want easy solutions for everything and this is placed upon the Serpent, or they think they will become the Super Saiyan from television that is supposed to fly and levitate on the first day. While the energy compared to "normal" energy can be catapulting, there is more into it. Again the myth of "No labor" and holocaust potter of secrets is perpetrated.

In plain words, what many people mistranslate of what I say, I will put simply. If you are WEAK and you are not dealing with improving on your weak spots, don't expect the Serpent to come like a magic wand and make you suddenly the hulk hogan of spirituality. All weaklings like to believe that with the push of a button, they will suddenly swing into a state of existence where they are all powerful over others, everything will kiss their nasty feet and the list goes on. The jew has carefully instigated this myth which is also the myth behind drugs. Many naive new people who have read texts of people around and questionable sources, believe this to be the case.

It doesn't mean that you will never have to study or do anything anymore, either. Many people want to escape from "Trying" and "Working" on things, just because this is what the lazy ass jewish system promotes as genie solutions, There is nothing bad with working, laboring, creating, learning and surpassing obstacles. Indeed, this is the reason of living and the manifestor of evolving. Even the kikes know this opposite thinking is an outrageous lie and deception, which they push on the masses to never do shit with their existence. Well, it probably is not. You will have to be something close to being your own spiritual hulk hogan before. Then, it comes and slowly evolves you further into the path of spiritual hulk-hoganism of multiplied progress and strength. It amplifies you.

Now to see something even more obvious. In Norse Mythology, we have the Yggdrasil which is actually a shape of the Soul. The Eagle/Hawk sits on the top of the World. The Eagle/Hawk was chosen by Adolf Hitler to personify the Reich. The highest state of Human development, the Crown chakra that is open and fully functional. The "Serpent" must be snatched by the Eagle/Hawk on the Crown and must be brought on the "Top of the World", to rise the path of Yggdrasil. This is the symbol of the Eagle catching snakes in emblems.

One guru when talking in regards to advancement that it can be like a trampoline effect. He was entirely right. The Serpent can be like a trampoline. While the energy of the body and the Astral body can be dramatically increased by the rising of the energy, that doesn't necessarily mean this raises wisdom, or makes one intelligent, or that they will get the muscles of hulk hogan, unless there is a healthy basis for this. Imagine this like you are on a trampoline and you jump in order to see what lies past beyond the a wall. Beyond this wall is enlightenment. The Serpent is sort of like what raises you high enough to see beyond the wall, but the purpose is to finally overcome the wall. It can raise you high, but you have to successfully cross the wall and finally be able to do what you are supposed to do.

Energy, maturity, wisdom and knowledge, must all come hand in hand and must be balanced. This ongoing struggle does not end with the rising of the Serpent, and NEITHER SHOULD IT. An imbalance in any of these places will just have the adjusting outcomes. Using the trampoline to get into outerspace shouldn't amaze anyone. What matters is one achieves the goal of finally awakening their Spiritual self and actual power.

Now make no mistake, the using, rapid advances and anything else made with the Serpent can be potentially painful sometimes, like a spike in one's bioelectricity. This is the same on how the presence of Demons and Gods can actually make one feel pain or rushes of energy for days after contact, especially when they are new. There are certain stages of advancement that can indeed be "painful" if one has blockages. If they don't, the whole process should be empowering, and generally smooth, but this is not always the case. In many texts the Serpent is called the Dragon Of Chaos for a reason. If the mind is cluttered and is unclean, it will make it bad. There are people who by accident or by misusing meditation will arouse the Serpent and not have the desired outcomes. This is why we are telling newbies to strive for balance and steady steps, and gradually go with the flow. Many people see the tree but they don't see the forest. Power is one aspect of everything. Let's say one has a broken car and they put the strongest engine and rocket fuel on it and turn it on... If the car is not in a good condition, it will just break down. And then of what use is the engine, the driver and anyone else.

Though rest reassured, Satan our Creator has thought about this too. Before one proceed with the actual Serpent, they are to awaken the Sexual energy and make it rise, which has (almost) the same effects with the Kundalini energy. The sexual energy in itself and its control can make people do miraculous feats. Its an energy of growth, unites the Soul and actually, does everything the Serpent itself does in order to prepare the Soul with the necessary buildup until more and more of the Kundalini energy can flow. This reassures people can build powers, Siddhis and everything else. When the Soul is united with the forces of the Serpent, all the powers can rise, all the powers can amplify and everything else. In other words, one can grow insanely powerful by control of this force.

Then slowly, the similar but stronger Kundalini energy will come up gradually and later. It doesn't need to be forced, and all bodies need to be caught up. One must steadily and ambitiously work towards this goal and feverishly. One has to aim to succeed and not just puff their ego about it. Success is what's important here. Imagine this as amplified sexual energy. Like sexual energy, this is live and conscious. Many people mistake the Sexual energy for the actual Serpent. While they are co-bound and co-operational, and almost the same, the intensity is different. The Sexual energy has to be risen and mastered first before the Kundalini kicks in. The Kundalini has to do with understanding of the Natural laws of the universe. The Risen Masters of the Pagan civilizations co-created civilization with understanding and on the basis of these eternal and irrefutable laws.

In short, you still have to work, do magick and everything. Its just that with amplified powers this can be far easier than before and as one goes, they can advance past of the point of having to strive as much. However, I repeat, this is not a magical genie, it doesn't mean one instantly becomes all knowing, it doesn't even more one is an actual, immortal God, it doesn't even mean one cannot descend back to a state of decay. It must be actively cultivated, kept up

etc, and one has to reach checkpoints to get the whole system to adjust and make the energies become permanent and fix. The "all knowing suddenly" fake hoax and pill was stolen from the initiated state of Gnosis or Samadhi, upon which one drifts into a deep realization of the cosmos, themselves and reality in general. Its beyond intellectual and emotional knowledge, but emotional and intellectual knowledge are the decoders of this state which make the "infinite" capability of this understanding, manifest physically. This can't really be explained in any simpler way than this.

Now as for the "age" or "when" this is supposed to happen, there is no defining age or time, at all. This would depend on the Natal chart, past lifetime condition, physical condition, work put in meditations and everything else. People who have advanced in this regard in their past lives, can have faster progress. Power in itself that is "Above the ordinary" in this life can be traced back to strong and powerful bloodlines, a strong and advanced Soul into this energy etc. This is imprinted in the actual Soul and when one reincarnates, part of this is carried with one, same as the general condition of the Soul /Consciousness at the point of reincarnation. When one re-awakens the Serpent, they can proceed further. The power one has is not to be taken for granted as Serpent energy, it could be discipline from other things, like yoga and advancement, which works around the clock in the same way. Tie this into what was conversated in the part 2. In simple terms, more life, the better. Less life, frailer, weaker, etc etc.

The other hoax going around is that somehow, "someone has to be deemed worthy" by some external Source to have been granted the Serpent. This is not True...In a sense. While in one sense, the knowledge in regards to this is given by the Gods and close contact with them, they key to everything is knowledge. You don't need to be "graced" or something like this, as the enemy states to build this hoax around the Serpent so nobody advances. You don't have to whip yourself in the ass for a million times, to receive "mercy" from the jewish thoughform, or Archangel Kike-nael in order to advance. It doesn't have to do with if one is a "bad" or "good" person either. It only has to do with the amount of labor one puts in meditation, persistency, ability to "take it" and the ability of one to deal with it. This is the whole "judgment" and it's not really "ethical" as the enemy claims on how much bible you follow, or how many degenerate mimicking of "mother Teresa" you did in order to attain "grace". One other hoax is that the Serpent must happen in a very particular way. While some rules are followed, this is not always a necessity. This adjusts on one's personality and everything else. Lack of expectations is the best route one can take. The only key is to ADVANCE SPIRITUALLY.

Another large hoax in regards to the Serpent is that people understand the "Non Duality" of existence. This is a spiritual concept of understanding the creation and destruction of nature. While people understand this internal and spiritual concept, that doesn't mean all the crap like the enemy says that "All is one" and pushes communism and pacifism behind all this nefarious crap, or that "All Races must be assimilated because we are 'one' anyway". It also doesn't mean that there is "One God" and "One Unity" or "One brain" that controls and has everything under its control, either. The jews want to pose as this, but remember, they are \*NOT\* in reality. Its a massive hoax. In a world where nobody else can do anything spiritual, of course, they are the "one authority" . The fact that there are beings with whom we are "partaking" into the same physical plane or place, doesn't mean we are all "one" or all from the same "root".

In the same stupid fashion, one should "become one" with feces and garbage, or deadly parasites and die. Oh wait, nobody wants this, do they? Because this is not the case of existing in general and it's a blatant, hardcore, lie. One doesn't mean assimilated into one big clump, as the enemy states over and over again to dumb-ify the masses. The enemy throws dust into the eyes of people that they will "understand" this crap and in order to pacify people who make it to some level, they preach the "peace and love" crap in order to hide their nefarious agenda and alien parasitic existence. "Love for all" is analogically nefarious and deadly as "hate for all". It's the same imbalance and insanity, in a better cloak.

As for how the Serpent links with Ancestry, this has to do with the Race, family etc. This also ties into to the alien jews, and how they too themselves have some sort of "Serpent" but is not in any way related to Satan, in any way, shape or form, as they are not his offspring. Races that are largely spiritually

advanced, family lines that have been practitioners and the list goes, do also tie into this. As thus the Pagan obsession with family lines. This is why all Ancient Civilizations had castes of people, and not because they were "Racist". Its just that for the betterment of civilization, the people who labored themselves in spiritual advancement, had to marry with others who did this, for the betterment of civilization. Even the enemy practices it now. This is why we have "King families" and all these things. However, the case of Spiritual evolution doesn't really exist as of late, but only the economic differences. In plain, no real Aristocracy of old.

Another myth that needs be debunked, is in regards to the kikes being inferior or the other retarded circulated myth that they don't have any spiritual power. While this is sort of accurate in that Satanists and awakened Gentiles are far more powerful, and even they themselves know it, this doesn't mean anything on its own. If millions of fleas feast on a lion, it will die and that is for sure. While they may be inferior to Gentiles in many, many ways, one has to be a realist and look at reality. Just look the damn around and not in your own head. They are destructive, they are parasites and they are deadly. They have put a whole planet in chains, at least they did completely at some point. Whomever is stupid and underestimates them, or lives in soap land that they think that with the wave of the hand, or "alone" they will make this go, sorry, but once again I come with a pin to burst your delusional bubble in order to make you actually effective in this struggle as we \*ALL\* are OBLIGATED to be. If we are not, bye bye Humanity. We need all the forces we have available, all the powers and wisdom we can muster, and we need to be united and relentless if we want to make it and free Humanity. People who are retarded and overly estimate themselves on no grounds, should ask themselves of something simple. Leave baseless feeling aside and grow up for a second.

Let's say there was only one person in the world like that.

How much would they be able to "Create" on their own? Would the Pyramids be possible or anything great that well over-extends the powers of "one" person? Humanity is powerful in unities with strong persons and the enemy knows this too. This is the Brotherhood of the Serpent. One understands after a point that there is no point in this useless loneliness and division that makes many people think in these unfruitful ways. Only then can great things can be created. The enemy works on active division of people into one hand, as hyper-individualism, while on the other, they promote assimilation of humanity into "oneness" and a large feces or garbage equality without any order. Capitalism and Communism should ring a bell. Both methods of approach do result in absolutely no outcome and fail miserably to achieve anything long lasting. The Satanic Gods taught humanity the art of civilization in order to advance themselves.

They didn't plant people in mountains to emphasize on senseless hyper individualism, neither they created everyone in "one" slaver mass. Even the countless and infinite multitudes of the Natal Charts can show this evidently. One person is good in art, one is good in fighting, one is good in music, the list goes. All these people put their talents together and they make something that surpasses what every one of them alone could create. The enemy follows a strict, working, caste system, where everyone gives the power bestowed to them by nature and this is in mimicking the old system. This gets stuff done and advances EVERYONE. With that related to the Serpent, everyone becomes amplified and stronger, and as thus, the whole of civilization advances. The collective hatred and attacks on the Serpent, do in turn, attack civilization in general, which is advanced by the Serpent of Satan. The people advance, the civilizations advance. The people stagnate, the civilizations stagnate. The people de-evolve, the civilizations de-evolve. Racial mixing and bastardization causes and amplifies issues in this. The further one advances spiritually, the more one is meta-genetically purified. This has an impact on the physical

existence, the mental existence and all planes one exists.

Satan is the Master Civilizer and he is the original "Mason God" that was worshipped as the "Architect" before the stupid Shilluminati of the Jews took over the original one. The Serpent and the realization of creative capability was the capstone of the Masonry, that made people aware of the laws of nature, and as thus, able co-creators in the side of "God", as "Gods" and potential "Equals" with Gods (in the ability to create like them).

With these being stated, there are always exceptions in the rules and for this also ties in the natal chart and as stated, the general condition of persons, families and Souls, Races, Ancestral past and the list goes. What we had to explore was the general middle line in this all. The Serpent of Satan is the key to infinity and the key to finalizing Satan's Work on Humanity.

"Europe" is nothing but a Jewish Superstate that created by the Jewish Banking Dynasties [All Jew Blooded, Baruchs, Rothschilds etc] in order to steal Race and State Sovereignty and put people under total and full control, with the ultimate object to biologically wipe them out. Don't wonder why London and other places were taken over, or why people with murderous intent do actually have a hand in "Politics". It was part of "THE PLAN".

While the larger purpose remains to enslave the whole planet and establish the "Kingdom of Israel", this is done in gradual steps. As for the European Jewnion, the ultimate purpose, it is and was, and certainly will be as long as this place exists, European Genocide. Adolf Hitler knew of their plans long before

all of this and made a heroic intervention to unmask this previously unknown global clique. So this clique waged a world war against Him and his people, in order to destroy them. This didn't stop there, though, even after all the dead people of jewish instigated WW2.

"European" Union of Jews against Gentiles, Brexit etc:

[topic15137.html](#)

The jewish Banking Dynasties do what they always did best. Secretive International operations and forcing people and Nations through debt, rotten politics, mass media, deficit and other problems, to be forced into the direction that they want. They also used to do the carrot method, but this worked only for a few decades, until this whole thing was revealed for what it was in reality where it bore no fruit whatsoever.

The European Union, not to go into a long talk about it, steals the Sovereignty of Nations and basically this is why many people opt to leave now. Most officials who partake in this whole thing are not even elected. They are nothing, but a murderous jewish clique. Except of the funding that goes in furthering the Banking Dynasties, Guiding Europeans to extinction and openly welcoming all sorts of deadly people within its midst, to create the "Kalergi" plan into reality. That of the EXTINCTION and GENOCIDE of White Europe. The European Union is in the end, another Communist party. This had ideally to happen swiftly and before anyone found out.

The root of all these plans can be observed in the Hebrew Torah and the "New Testament" all of which are jewish religious text books that act as guides for the whole of the Jewish Race on what to work and impose on the Goyim (Non Jewish) Slaves. This was done in conjunction with the left, the femmies, the pacifists, and pretty much, everything that was jewish created and instigated. How does this happen so quickly and "globally"? By phonecalls and the international jewish system.

It can't be such a coincidence that the same "movements" that show up and burst in one place of the world, do the same in another place, can it? How can the internet and everything else as well be equally controlled, televisions and everything pushing into the exact same direction? Simply, because we have a jewish system. The jews themselves largely admit it. All of them KNOW. The only one who doesn't know, is the respective Goyim who "Can't digest the information". Millions of millions of jews in positions of power are on the phone everyday to further their global racial slaver oligarchy over the unsuspecting masses.

One of these networks is the Kehillah. Then you have the Sayanim Network and hundreds of othersm such as the Jewish Freemasons and the B'nai Brith. From the excrement of these do hang other "organizations" and many prominent and less known bussisnessmen. All work and are directed from the same central source. There are no "Zionist jews", just jews. As for the jews who are incapable of high usury and leadership, they just reap of from the work of their fellow "Patriarchs" who had ruled their midst since the dawn of their existence. They willingly and happily accept them everytime. There is no rejection in this and even the opposing groups are equally controlled mostly by the same networks. This ensures the "Chosen" don't have any real opposition.

The Kehillah:  
[topic15151.html](http://topic15151.html)

The Sayanim Network:  
[topic136.html](http://topic136.html)

So the most people follow this line and the more they devote fevershly in order to destroy the White European Continent, they do actually get honor and prizes. Its just jews, Jewing and ruling over the Goyim, robbing their state power, finances, vitality and in the end- their life and biological existence. The Jew "Kazmierczak-Angela Merkel" and many other crypto's and non Crypto's are just the racial oligarchy over Europe, who are loyally following the Ancient Jewish dictates on how to bastardize one's enemies, control them by their finances, and pretty much, going "Torah mode" all over the European Populace. The same goes everywhere else.

Merkel is Jewish:

[http://www.angelfire.com/wizard/pixie66 ... ewish .pdf](http://www.angelfire.com/wizard/pixie66...ewish.pdf)

As for the Reward of Genocide of Europeans in behalf of Jews:

This is the "Coudenhove-Kalergi" Prize. Most of you here know about this living excrement that holded once this name, and its goal of establishing the European Jewnion in order to actually destroy White Europe and turn it into a dictatorship banking state with "one" mongoloid/black race mix. In their terminology, these were called "Kalergi's Children". The more of these mixed people existed and found home in Europe, the more Europeans that were force to extinction by their policy, the better. This is rewarded as a honorary reward.

More in the words of Kalergi the Jew, who acts in defence of his race. He openly stated Whites must be destroyed and obliterated, in a war against Jewry vs Whites.

G. Brock Chisholm, former director of the World Health Organization (WHO) and a good disciple of Kalergi, said [in 1955]:

"The man of the future will be of mixed race. The races and classes of today will gradually disappear due to the elimination of space, time, and prejudice. The Eurasian-negroid race of the future, similar in appearance to the Ancient Egyptians, will replace the diversity of peoples and the diversity of individuals. Instead of destroying European Judaism, Europe, against her will, refined and educated this people, driving them to their future status as a leading nation through this artificial evolutionary process."

Note: Space- Time- Prejudice. No "Prejudice" = Feminism, brutal effemination of people and the list goes, allow every kike to be thought of as "equal" and

welcome to one's self and one's contry. The results can be evidently be seen. No space- Invasion of the outside Races that multiply endlessly. No time- The jews usher all means in their arsenal to make people toil and work their whole lives, without and significant outcome by slavery. The American Dream was intended by the Satanic Creators of it, to be that people finally liberate themselves after years of successive labor and be able to live and co-exist in their spiritual and menial task of work. Europe being White was supposed to follow in these footsteps. The Jews never allowed this to happen in either country.

The jews destroyed this by Bank-ization of America and through the wizardy of debt. The Goyim must not have ANY freedoms whatsoever. Children, Women and Elderly are all and must all be forced to work for a always lessening pennies, or otherwise they will slowly starve to death. The jews are large on child Labor. In many European and American families or states, people are born in hoarding debt. In plain, they ought be forced to work forever to repay this invisible chain placed upon their neck from elder and stupid selfish generations, that didn't bother waging war against the Jew.

This was why the enemy created some years of "peace" after WW2. Not because they are peaceful, like anyone, but to recuperate from damage, increase their powers and push the final march towards world bastardization and Jewish Worldwide Communism. For this to happen, the Races that resisted the Communist advance, such as the Europeans, have to be wiped out. Then the "Long March" is supposed to be successful.

According to the Jew, Karl Marx [Son of A Rabbi], father of Communism and the creator of Communism:

"Goyim were born only to serve us. Without that, they have no place in the world – only to serve the People of Israel. [...]In Israel, death has no dominion over them... With gentiles, it will be like any person – they need to die, but [God] will give them longevity. Why? Imagine that one's donkey would die, they'd lose their money. [...]This is his servant... That's why he gets a long life, to work well for this Jew. [...] hy are gentiles needed? They will work, they will plow, they will reap. We will sit like an effendi and eat... That is why gentiles were created." -Rabbi Ovadia Yosef.

The jews remember their primordial purpose is to kill the Whites and to never forget of their constant "war". The jews think and believe that their racial peace will come when everyone else is bastardized and stupid, incapable of revolt, and Whites extinct from the planet. This way, they will be undisputed slaver overlords of the whole mankind. Meanwhile, Whites are oblivious on this relentless war waged against them by the jews.

White Race vs Jews:

[topic14634.html](#)

As for the Kalergi Prize, there have been people rewarded with it. This also includes Kazmierczak-Angela Merkel in 2010.

Of course, no Goyim is ever going to really know about it. Most don't even know about the European Jewnion; after all to be a Goyim, said the jews, is to be naive and a slave.

More on the Kalergi Plan and Prize:

[https://www.youtube.com/watch?time\\_cont...c2IN4C2Z5k](https://www.youtube.com/watch?time_cont...c2IN4C2Z5k)

President of the European Council Herman Van Rompuy. A face that can be trusted, just look at this goblinoid:

"I would like to express my sincerest thanks to the European Society Coudenhove-Kalergi for awarding me the European Prize. It is a great honour for me to be awarded the European Prize for 2012 and I consider it a special honour to receive this prize from your Society. I am conscious of the Society's continuous efforts to promote European integration, and I owe you a debt of gratitude for this work.

I am also aware – and I now have Presidents Mr von Habsburg and Mr Terrenoire in mind – that you also deserve congratulating, as you are celebrating ninety years of the Pan Europa movement today, tomorrow and on Sunday. What a milestone, and what an achievement! Please accept my warmest congratulations!

Count Coudenhove-Kalergi is a familiar figure for me, or should I say a familiar face. I was first introduced to his thinking when a fellow student in Leuven devoted her thesis to his works. And today, every morning, I enter the building of the European Council and I pass along a gallery of portraits, and it opens with a portrait of the very first winner of the Karlspreis, Richard Coudenhove-Kalergi.

Back in 1922, when this Tokyo-born young aristocrat living in Vienna started to campaign for the European idea, it was just that: an idea. Hapless, it seemed, and utopian. But in the uncertainty of the times, right after the worst war in the history of mankind, the idea struck a chord.

The young Coudenhove-Kalergi deeply believed that the cycle of destructive wars could be stopped, that the power of persuasion – including his own sense of persuasion – could change the course of history."

Ending wars: Ie, COMPLETELY wipe out Europeans who revolt against the Jew World Order. This is the "peace" the jews talk about. Its \*THEIR\* peace and nobody else's.

So what are the rewards for this glorious undertaking of the feces to destroy the European. [Of course, not adding the millions upon millions the jews in this biz of State destruction do reap from the unsuspecting work class and citizens]:

<http://www.telegraph.co.uk/news/worldne...thing.html>

Herman Van Rompuy will be paid more than £500,000 by the EU to do nothing

"Herman Van Rompuy will be entitled to more than £500,000 for doing nothing at the taxpayer's expense over the next three years, after finishing his term as president of Europe. After standing down on Monday, the former president of the European Council will be paid £133,723 a year, 55 per cent of his basic salary, until December 2017 - to ease him back into life outside the world of Brussels officialdom. The Telegraph has established that Mr Van Rompuy will also receive a one off payment of £21,000 and, aged 67, he will be able draw a lifetime EU pension worth £52,000 a year, taking his earnings to £578,000 over the next three years. The "transitional allowance" does not require Mr Van Rompuy to do any work at all and the cash will be paid under reduced rates of EU "community" tax, which are far lower than taxation in his native country of Belgium. "

"He was widely criticised four years ago for using his official motorcade of five limousines as a taxi service to take his family on 325-mile round trip to Paris airport en route to a private holiday in the Caribbean. Nigel Farage, the leader of Ukip who was fined £2,700 by the European Parliament in 2010 for describing Mr Van Rompuy as having the "charisma of a damp rag", attacked the payments. Van Rompuy's term in office has seen millions driven into poverty and unemployment by the eurozone crisis but he himself has hit the jackpot. The EU is a racket which looks after its own," he said.

MERKEL'S WORST NIGHTMARE: Germany calls for Referendum as 'people want to be free of EU'

My note Germany is the core power of the EU and the loss of Germany with the Dexit is the end of the Jewish EU as a power structure. The Jewess, Merkel is not happy, neither are her fellow Jewish elites.....

The Germans disagree, Dexit is on the way, baby!

[http://www.express.co.uk/news/world/684 ... pean-union](http://www.express.co.uk/news/world/684...pean-union)

BELEAGUERED Angela Merkel is facing calls for a referendum to free German people of "EU slavery" in the wake of Britain's sensational decision to cut ties with Brussels

Far right figures in Alternative for Germany have promised to call their own vote if they clutch power in country's general election in autumn next year.

A party spokesman branded Brussels a "bureaucracy monster", before adding: "Next year the AfD will enter the German parliament and Dexit will be top on our agenda".

They called the vote a Dexit as it stands for a Deutschland exit from the EU.

Eurosceptism has swept across the continent after the people of Britain backed Brexit in the historic EU referendum on June 23.

AfD chairman Bjorn Hocke said: "I know the German people want to be free of EU slavery."

George Pazderski of Berlin AfD Berlin AfD added: "Germans must decide on staying in the EU.

"The AfD is the only part which speaks out clearly in favour of them deciding."

Party leader Frauke Petry, who caused controversy earlier this year when she called on German police to open fire on illegal immigrants, reacted with delight at Britain's decision to sever ties with Brussels.

She said: "This is the chance for a new Europe, one which maintains partnerships and respected national sovereignties.

"The Great Britain decision to leave the EU is a signal to the Brussels Politburo and its bureaucratic attachments. If the EU does not finally leave its wrong path, and the quasi-socialist experiment of deeper political integration, more European Nations will reclaim their sovereignty the way British are

"The result would be more exits. At the very least the Brussels bureaucracy must be radically reduced and the centralist regulation craze ended.

"The time is ripe for a new Europe, a Europe of fatherlands, where we peacefully trade with each other, maintain partnerships and respect the will of the national sovereignties.

"One can only warn the German government not to fill the missing British net contribution with German tax money and thus continue the political fallacy."

However a chance of a German EU referendum may not be that simple.

The experience of Nazi manipulation of plebiscites has left a dent in the trust of polls on a national scale.

The country's post-war constitution currently only allows for referendums if the constitution itself or the territories of the states making up the republic are to be reformed.

Ralph Kampwirth of the Initiative & Referendum Institute Europe said: "Germany is one of the few EU countries with no experience of national referendums.

"In the Weimar Republic there were two national referendums; during the Nazi reign, three plebiscites were held, with biased questions and blatant manipulation of results.

"A referendum does not mandate an organised political opposition - it simply requires a yes or no answer - one reason why both Napoleon and Hitler were enamoured of them."

Mrs Merkel and French president Francois Hollande are said to be concerned that Brexit will lead to contagion and populist far-right parties would win support for their plans for the disintegration of the EU off the back of it.

So far far-right National Front party leader Marine Le Pen has called for France to host an EU referendum as she declared her support for Brexit.

The leader of far-right Danish People's Party says Denmark should now follow Britain's lead and hold a referendum on its membership.

Eurosceptic feeling is also surging in the Netherlands, with two-thirds of voters rejecting a Ukraine-EU treaty on closer political and economic ties.

Anti-EU politician Geert Wilders declared the result the "beginning of the end" for the Dutch government and the EU.

Subject: The Nazi War Against Christianity In Three Parts

Although I will be tackling the issue of how to get the third sex ["gay," "bisexual," "lesbian," and hermaphrodite] taken off of the list of "undesirables" among today's so-called "Neo-Nazis," Satan, himself, wants me to also awaken the third sex population to his truth regarding Nazism, even if it steps on toes and hurts the feelings of the meek, the effeminate, and the cowardly. This sermon is divided into three parts for the reader's convenience.

Today is the 4th of July, the official birthday of the USA. The USA is also known as "The Great Satan."

In spite of Jewish filth and other rot trying to destroy this wonderful country, we still have freedoms here that many other countries do not. Thanks to our Satanic Founding Fathers, we have this most wonderful country.

Idiots and those who are too weak to live in reality, those who lack the knowledge and the education and other ignorants, are unaware.

Life in many other countries is abominable. One woman who was taken to the USSR as a child, was trapped over there for some 50 years and risking her life and placing herself in extreme danger, finally made it back here. She knelt down and actually kissed the ground when she exited the ship.

We have libraries, open schools, modern conveniences, open bookstores, fun, recreation, and so many things to be grateful for here in the USA. You can get just about anything here. Many necessities, modern conveniences, recreation and fun are often either banned, prohibited or just unavailable in many other countries.

In the world of Islam, life is brutal. The rotten and most negative attitudes, along with slavishly worshipping and prostration before total rot has taken its toll. Endless violence, bombs, sick and debased hatred of women, "infidels" desertification and bareness of the land, total indifference towards domestic animals and overall misery. Prostrating before and worshipping pure evil attracts ugliness, misfortune and violence, as what the mind and soul dwell upon, even more so with the masses, they attract. I recently saw a photo of an older Islamic woman. Her eyes looked so sad from a lifetime of brutal slave labor and misery.

Even worse is how the Muslims, as they slavishly worship that total rot they are deluded into believing is "God" work to spread the worst imaginable misery to Europe, the USA and other countries that have not been afflicted by that most vile plague that creates violent murderers who are depraved, capable of anything, spiritually debased and criminally insane.

I just finished reading a book how young girls are kidnapped from the USA and Europe and sold as brides to Islamic men and boys in places such as Yemen. Life in these places is horrific. The girls wind up being slaves who are brutality worked under the most heinous conditions, and raped. All of their rights and freedoms are gone. Pedophilia is rampant in Islam as it is with all the Jewish invented programs that have the audacity to call themselves "religions." Another fact is no one is just free to leave these places.

Most of these countries are stuck in the Dark Ages. The populace is forced to attend those rotten mosques and those caught eating during the fasting time for Islam, Ramadan, are severely punished.

Freedom must be fought for. Here in the USA, we still have many freedoms, though the Jewish filth that has infested and taken control of our government, our press, corrupted our legal system and our educational systems, working to promote their injustices, and bent on destroying this wonderful country, using racial tensions, lies and their malignant "religious" programs in attempts to make us fall to their communism.

I'm proud and very grateful to be an American. Hail the Great Satan!

We will have the last 2 RTRs later this month. Repeatedly doing these rituals is destroying the enemy. The Christian churches are crumbling, though there are

still pockets of stupid, deluded individuals, but these will also cease to exist in time.

After these next RTRs, we will then be working on the worst plague to ever afflict humanity, outside of the Jewish root... Islam.

I have been dedicated for some time now, but it never ceases to amaze me how liberating the truth can be.

It has set me free from a lot of prejudices, and it is a never ending process. I was weighed down and held back by all the "shit" out there about Satan and Hitler- boy have I had my eyes opened!

Never stop reading guys, even if you think you know enough; I learn something new every day.

I can't thank Father Satan enough for saving me and revealing the truth to me!

If you have not done so already, perform the Dedication Ritual when you feel ready. If you cannot find the right candle color, forget the "so mote it be" at the end, or make some other minor error, that will not derail your Dedication Ritual. Satan is extremely understanding, unlike the christian god who will throw you into a pit of fire for every little thing, and is not going to come after you for extremely trivial errors. As long as your blood is on the paper and you genuinely want to dedicate yourself to Satan, your Dedication Ritual was valid.

The goal of Spiritual Satanism is to spiritually empower yourself and obtain powers that humans are supposed to have like healing and telepathy. The final

goal is to complete the Magnum Opus and become a god. Consistent meditation is key to those goals. A good place to start with meditation is the 40 Day Self Empowerment Program available in Satan's Library. Some links in the 40 Day Self Empowerment Program PDF are broken. PDF copies of the hatha and kundalini yoga routines from the broken links are in Satan's Library.

And, participate in our reverse torah rituals. We are in a war here and need to do what we can for our creator, Satan. But do these only after you have dedicated, so you have protection against the enemy.

Europe's Burning

Migrant terrorism has become normalized across Europe further as Europe literally burns. Right now the migrants invading are burning the areas they are temporary contained within. But we can see the future of Europe as they spread out into the already immigrant dense regions of Europe as its already occurred and has become a yearly event....

The immigrants riots in Britain, staged in the major migrant communities that burned down whole regions of cities and unleashed a violent crime wave right

out of its inferno. Which targeted the native White citizens solely. The local Whites organized their own racial defense forces to protect their communities and push the migrants, terrorist race mobs back as the Police were helpless to do anything...

This was a major reason Britain wanted out of the Jewish run EU:

[topic12011.html](#)

Now onto France which has been forced to absorb some of the largest immigrant waves. The violent riot's in France have become normal. As the migrant mobs terrorise the White population openly on racial grounds. Whole regions of migrant Europe are openly no go zones for Whites.

Paris in bathed in flames.

Sweden which is overwhelmed by migrants from the third world, like Britain and France, exact same problem, the larger migrant populations have regular uprisings against the Native population.

Stockholm riots leave Sweden's dreams of perfect society up in smoke

The terrorism that is being contained in the migrant camps, once unleashed will ensure that Europe burns, annually till nothing is left to destroy.....

No doubt it has gone viral. When I first saw this yesterday afternoon, I thought it had happened only minutes before, but according to the news, the incident occurred at 21:00 (9 pm), the night before.

I lived much of my life in Minneapolis. St Paul (where this allegedly happened) is right across the Mississippi River.

My point here and something I want opinions on is this- the video appears to have a bright sky, like it was filmed in the mid-afternoon. The sky is blue.

As I already stated, I lived there for a long time and I know, it should have been dusk, if not dark by that time. Look at and notice the sky. This doesn't make sense.

Also, IMO, both the woman and the child were way too calm. Especially in the beginning.

What are your opinions on this? Do you think this is a hoax to start a race war?

Out of everything, my biggest question is the brightness of the sky and the sky was blue. Not dark, and there was no evidence of the sun setting, like pink or

purple hues and such.

This doesn't make sense to me unless someone can explain.

Hi HP Maxine, I hope you don't mind me throwing my two cents in about this.

Colour and atmospheric light is something I've studied for a few years and this is what I can tell.

It's July so it's one of the longer days of the year, from what I can see the sky is not a bright blue as much as it's a dark blue, the further the sun gets to the horizon line, the darker the furthest part of the sky is and the pink hues will happen closer to the horizon, so it's very plausible this happened at 21:00 as long as the skies were clear.

As for the woman and the child, my only guess would be shock, I've seen people in car crashes who were so in shock that from the outside they were completely calm, this could be the case.

@High Priestess Maxine Dietrich. I think the Jews are working for a bloodbath style revolution and mass murder of Whites, the same as what happened to Aristocrats in the Bolshevik and French revolutions. That Jewish professor Noel Ignatiev who called for "the abolition of the White race" also wrote this:

"We do not hate you or anyone else for the color of her skin. What we hate is a system that confers privileges (and burdens) on people because of their color. It is not fair skin that makes people white; it is fair skin in a certain kind of society, one that attaches social importance to skin color. When we say we want to abolish the white race, we do not mean we want to exterminate people with fair skin. We mean that we want to do away with the social meaning of skin color, thereby abolishing the white race as a social category. Consider this parallel: To be against royalty does not mean wanting to kill the king. It means wanting to do away with crowns, thrones, titles, and the privileges attached to them. In our view, whiteness has a lot in common with royalty: they are both social formations that carry unearned advantages". [https://en.wikipedia.org/wiki/Noel\\_Ignatiev#Views\\_of\\_race](https://en.wikipedia.org/wiki/Noel_Ignatiev#Views_of_race)

But of course we all know exactly what happened to the royalty wherever the Jewish revolutionary movements occurred....

Here is a video on youtube over an hour long where Conservatives discuss Cultural Marxism, you may already have seen it though. [Why are we in Decline - Cultural Marxism](#)

They do not mention Jews, but it's still a very informative video if you put two and two together. What one former Jewish Marxist (Now NeoCon) said was,

people were happy with Capitalism because it spread more money to more people, so they had to find other sources of revolutionary energy, gender, race, sexuality etc. They knew the White working class was not going to go for Communism.

That is how I have always seen the race issue, the same way you described, problem reaction solution. The Jew creates the problem then they offer their solutions to the problems they created. First they ran the Negro slave trade, then they force their "solutions" about civil rights and forced integration with Whites. The same as everything else, poverty and the like.

You know, about a month ago I've watched this movie at the cinema, called "Bastille Day." In this movie there's a scene where some fake police men filmed with a phone a fake act of "police violence." They then upload it on the internet in order to instigate the masses. They succeed in the movie and people went on riots because of it. When I watched that scene I knew right there that they were going to do that in real life. And that this movie was just another movie done to collect energies for their filthy plans.

I don't know how sky is supposed to look like in that area. This movie just came to my mind when I read this news and I thought I should share it. Also, the name of the movie, Bastille Day, should ring a bell. Because that day marked the beginning of the French Revolution from which the joos benefited massively

The kikes have been pushing this fake "racism" against blacks for years now in America. You can see this in what happened in Baltimore not too long ago, where a hoodlum tried to grab a police officer's weapons after robbing people on the street and the officer shot him. This sparked riots in the city and the officer lost his job, and had to flee the city because he was in so much danger there.

This is my opinion on it :

The jewz have been trying for many years now to turn the black population against the White one here is the US. This is why they push the disgusting "black lives matter" campaign which supports White genocide. The jews want the blacks to think that they are being oppressed, so the jews can use them to attack White America.

It's most likely that the whole scenario that played out was either 1. faked, or 2. Staged by mossad. The goal of this is to just stir up anger in blacks against Whites.

Subject: steel plant

I spent today working on doing finishing touches (painting) on a baby grand piano in a massive steel plant, of all places. This has been an ongoing project. The people who had commissioned me for this job had given me their vision of what they wanted the painting on the piano to be about; I took that vision and reworked it into a depiction of the dawn right before sunrise with the morning star hanging in the sky. A depiction of Lucifer. Satan. Star of the Morning. How glorious. How beautiful!

This steel plant has been in the same Aryan family for four generations and it was a wonder. It was incredible! I was looking around and it just hit me: THIS is what we do! We are the doers, the shapers, the ones who create, who do the actual work. WE possess the skills and the vision. The Jew parasites off the sweat of our brows, it takes our products and then barter and sells them. But it is WE who actually create! It was so evident all around me. No Jew could ever work in here: they don't like to get their hands dirty. They don't know what it is to honestly create for the sake of creation, to make something beautiful for the love and joy of a job well done, to put their all into the craftsmanship, to take pride in doing the best possible job for the simple love and the joy of it.

I was upstairs in the offices and it was packed with the most astonishing, beautiful, handmade things crafted out of steel. They were works of art. Working with this material is not like working with clay. You have to be so precise and there is NO room for mistakes. It is a very unforgiving medium. The level of skill to work it is incredible. The owners son took me on a tour and showed me the tools his great, great Aryan grandfather crafted, 100 years ago all hung on the walls with love and care and it just overwhelmed me:

How amazing, how astonishing, how incredible are the works of art that we Aryans can make! The works of such beauty that we make with our hands! I am a painter. I can't work with steel. The level of ability these people possess blew me away. It was fine art. It was amazing. It made me want to cry. How beautiful, how astonishing, how magnificent are the works that we Aryan people can do! We are so incredible! I was in awe. It was an amazing experience.

Hail Satan!

Hail the Aryan God!

Hail the Aryan Race!

We will NOT be exterminated by the Jew!

They are miserable cockroaches. WE are eagles!

I was just going to comment, it may have been daylight at 9:00pm in areas of the world at a greater distance from the equator as the location on Earth would be farther away causing longer days, such as my parent's town in Canada, the sun is currently not setting until after 10pm and rises at 5am. Go even farther north and the sun is not setting at all for the summer, you can see the sun 24/7 in the northern Canadian territories for about 6 months of the year. But in areas closer to the equator, such as America, the sun sets earlier even in summer.

So with that being said, yes, the sky should have been much darker at 9:00pm in St Paul.

The story below is most revealing and shocking. The crimes of the Jewish Vatican are enough to make anyone cringe. Some people still talk about this Jewish excrement whom they once used to call "God", who does nothing but produce followers that are retarded, social menaces, murders and animals.

Especially his "holy ones" and "chosen" are the greatest criminals this world has ever seen following in the footsteps of the actual Jew "JHVH". These disgusting businessmen, dealers of fake hope and a Jewish "god", have done it again. Except of rape, murder, torture, civil war, wanting to wipe out Whites, there is more.

Many people will remember the story that was here of a similar incident, having to do with Children and innocent women. These are like 1 in the hundreds, or more. The enemy is a brutal rapist, slayer and destroyer of children since the dawn of time (see the latter end of the post):

Death, Humiliation, Slavery in "Christian housing" and more.

[topic4582.html](#)

Do you all remember all the alleged "bad stuff" the "Nazis" were supposed to have done to people and innocents, and all this crap, in the supposed 1940s? Apparently, this was again projectionist propaganda by the enemy Jews, who behind the Vatican rapist, murderer and criminal institution, again was projecting things against people who never did anything remotely close to this.

The Nazis put the Orphans in the power of everyday women to take care of, they were adopted by families and the list goes. Children were taken care of. Orphan people have to undergo insane treatment, torture and destruction. These people are considered worthless by the enemy slaver Jew, who considers these people nothing but straight "Goyim" who are supposed to be drugged, beaten, destroyed, rather than rehabilitated or loved in anyway.

A face you can trust, filled with love:

"Duplessis Orphans"

More on this story:

<https://www.rt.com/shows/in-the-now-sum...-children/>

In the 1940s, A scheme reportedly launched by the ((CATHOLIC CHURCH)) and ((Canada's government)). The Church deemed kids "mentally

deficient™ and orphans sent to MENTAL HOSPITALS.

“We’re talking about children that were tortured, that we kidnapped, that were put into cells, that had to take tons of experimental drugs, chained and whipped.”

“The Duplessis Orphans were used as human guinea pigs for medical experimentations.”

“More than 100,000 Duplessis Orphans have disappeared or [have been] murdered. Innocent children were falsely labelled mentally retarded, and illegally warehoused into psychiatric hospitals.”

Clarina Duguay survived this horror:

“The evening when they forced me into an ice water bath, afterwards she [a nun] put a straightjacket on me by force, while I was still crying about finding my mother and returning back home. This is why they tortured me.”

“... The Catholic Church DENIED responsibility and REFUSED to apologize.”

## The Forgotten Case of Duplessis Orphans

More on this story:

[http://sputniknews.com/world/20151215/1 ... hurch.html](http://sputniknews.com/world/20151215/1..._hurch.html)

[...]

The Catholic Church and the provincial government of Quebec, then led by Maurice Duplessis, a strict Catholic himself, made a deal, which falsely certified 300,000 orphaned children as mentally-ill, confining them to psychiatric institutions.

The deal was beneficial for the Church and psych wards, as they received funds from the government for "taking care" of orphans. These children later became known as the Duplessis orphans.

Thousands of children died in these institutions. Those victims who survived in mental-health hospitals told horrifying stories of how unspeakable things were done to them when they were young.

[...]

In 1962, Landry managed to escape from that clinic. Soon he found a job and began a normal life. Eventually, Landry was able to find his mother at the age of 48. He didn't even know where he was born, until a Quebec social agency, which helps former Duplessis orphans, told Landry he was born in Quebec City.

"I know many Duplessis orphans and trust me they're definitely not mentally challenged. One of Quebec's renowned novelists Bruno Rua is a Duplessis orphan," said Alain Arsenault, a Montreal-based lawyer currently working on the case of orphans.

The lives of these people are permanently damaged by the Church and the Quebec government, which took away their childhood and filled it with pain, abuse and other dark memories.

Imagine adults who suddenly realize at 40 or 50 that they couldn't receive any education simply because someone wrote on their personal file that they had a non-existent mental disability. And for what? Well, because the Catholic Church of Quebec wanted to receive an extra dollar and a half for each child per day, Arsenault told Sputnik."

Shocking? It shouldn't be. They are following in the footsteps of their Hebrew savior and messiah, the one who destroys and kills babies for fun.

This is why people need to RIP THEM APART SPIRITUALLY WITH OUR RTR's. We must hit them like a battering ram. Thousands of people die, get tortured, raped and destroyed every day because of the jews and their works of terror. These criminals have to be spiritually destroyed. This is nothing more than the Torah, which in itself is just EXACTLY what is practiced by the enemy jews in the Vatican, in Pissrael, in World Governments and everywhere else.

According to their own JEWISH BOOK:

“Now go and attack Amalek, and utterly destroy all that they have, and do not spare them. But kill both man and woman, infant and nursing child, ox and sheep, camel and donkey. (1 Samuel 15:3)

“The people of Samaria must bear their guilt, because they have rebelled against their God. They will fall by the sword; their little ones will be dashed to the ground, their pregnant women ripped open. • (Hosea 13:16)

“Happy is he who repays you for what you have done to us. He who seizes your infants and dashes them against the rocks. • (Psalms 137:8-9)

They are following exactly what the Torah and their Jewish "god" tells them, in the end. They just follow the Jewish dictates. That's all.

What does it mean to be a Jew, and thus to identify ones self as Jewish.....

Shall we open the Talmud and Torah for you to read and discover this for yourself.

Here one of the Jewish leaders will inform of us what it means to be Jewish.....Everything he stated is right in the Talmud and Torah this is nothing of his own creation. He is repeating the core meaning of total Jewish identity from the holy texts of Judaism, taught to him as child sitting on his Rabbi's knee.

That is what the Jewish ideology is so that is what it means to be Jewish. Do you think that is good? If not, then by your admission there can not be a good Jew.

## Veganism, Ownership, Workers Class, Animals... And.. Jews PART1

### Part 1:

Looking around, one can see why some people turn to Vegans, which is because of the insanely evil treatment of animals in slaughterhouses and the list goes. This is exactly practiced not because there is a "need" or a "necessity" as many claim, but for extremely high profits for the (((Plutocracy))) who wants animals to be grown up fast, modified and the list goes. This sort of thing is highly not necessary at all.

As the Jews write in the Protocols:

The intensified struggle for superiority and shocks delivered to economic life will create, nay, have already created, disenchanted, cold and heartless communities. [9]

### Jewish Run China Forcing Veganism On Populations

[topic15284.html](#)

But let's be honest now, its not like suddenly the Governments that control the world, push the Jew World Order Agenda, such as in Communist China, who force-feed deadly vaccines to people, questionable cures, endless fluoride, extremely powerful psychedelic drugs, don't emphasize on physical well being, pay people lower than cattle, and grow people into fat missiles...Suddenly started to "Care" about people in any deep level. It should be evident to all people in the planet that there is an ulterior motive in the forceful pushing of Veganism, and not some sort of "interest" or any real concrete "help" reason this theme is coming up strong as of late. Also, its not "coming up". Its re-emerging, as it did exist before.

This is also, nothing new.

Thing is, though, most people don't really try to pay attention on what Veganism is actually. In the Bible itself, one can see the prohibitions of eating meat, and in the "lore" of these jewish systems, the "Goyim" (animals) are not allowed to feast on other "Animals" such as pigs and the list goes on. The jews themselves have strange murderous fetishism on "How" these animals are to be killed. They have to be killed in the most bizarre, torturous and damaging ways. They don't really just slay an animal quickly for the food, they literally sacrifice the animal slowly, and mercilessly, in a very specific way "approved" by the jewish "God".

While people try to "Eternalize" Veganism, I am sorry, but the Jewish Xian Church had you first:

"Unless a fast-free period has been declared, Orthodox Christians are to keep a strict fast every Wednesday and Friday. The following foods are avoided:

-Meat, including poultry, and any meat products such as lard and meat broth.

- Fish (meaning fish with backbones; shellfish are permitted).
- Eggs and dairy products (milk, butter, cheese, etc.)
- Olive oil. A literal interpretation of the rule forbids only olive oil. Especially where olive oil is not a major part of the diet, the rule is sometimes taken to include all vegetable oils, as -well as oil products such as margarine."

From the same site:

'Fasting is one of our greatest weapons against the Evil One. I will repeat what Father Lazarus told me once. In 1962, I went to the USA. I stayed there a long time and travelled to many states. The letters of Father Lazarus were a great help... He used to say: "Go anywhere you like, do whatever you like, as long as you observe Fasting"... Because not a single arrow of the Evil One can reach you when you fast. Never.'

â€" Ascetic of Love, the biography of Mother Gavrilia, pub. Series Talanto. pg. 200." [1]

The "Evil One". I.e, Satan. Satan is linked with meat eating, aside all the other "sins", such as meditation, and rebelliousness against the Jewish Hebraic Zombie "god". In this website, there are also other feasting "periods" that must be observed by the Good Goyim, in order for the Hebrew God to be "happy" and allow them into Heaven. Which, oops, but sorry, only exists for 144,000 elect Israelites who are chosen since the beginning of time, so don't bother Goyim. Just waste your life serving jews, hoping it might happen...

Why so much hate in regards to meat, that it had to even be associated with the Devil himself? Keep reading and we will see the problem unfolding.

The obvious was obviously, pushed in all Orphanages, Church towns, and the list goes. Even many universities used to be Christian Schools in the same way. Wherever Xianity had power, this rule was imposed. Disobedience to fasting, results in lovely hellfire after one is dead, eternally.

However the rules of the church no longer have any power on people. So new methods were invented.

So back to Jewish Slaughtering.

This is nothing new for the Jews who are accustomed to this for centuries and of course, do the same to even human beings and children- one just needs to read their history. . This is the reason why they have been driven out more than 100+ times from all decent and civilized countries in the world. After all, the "jew" is the only "Human being" and it is the only thing that deserves "Human treatment". Beasts are beasts and they are here to serve, and this includes Gentiles who are "beasts in Human form" [2]. Jews feast equally on other animals, or on "Goyim Animals". They keep the "Goyim Animals" for special celebrations, however.

To feast on Gentile people is actually part of their celebration and relationship with "God". As written in the Talmud:

Everyone who sheds the blood of the impious [non-Jews] is as acceptable to God as he who offers a sacrifice to God. -Yalkut 245c

[3]

The blood drinking gore was given rise to by the jews. As for animals, the jews are commanded in the Torah to eat...Animals without blood. Which requires them to suffer and to be left bleeding for days, until the blood comes out from their body. This is why a lot of this insane industrial farming is going on.

But now you must not eat the flesh with the life, which is the blood, still in it. For the blood is the life."(Genesis 9:3-4) [4]

Bear the above in mind.

When people think of Veganism, they most of the time do really forget about our animal friends and familiars. To my present knowledge, our animal friends and pets \*NEED\* meat from protein, same as all Humans do but disregard this. Also, while people can pretend to be living "Vegan" while shoveling supplements, vitamins, custom proteins and the list goes, our animal friends can't really do the same. Neither Humans can do this, but anyway. Its necessary to kill.

Another Vegan hypocrisy is the supposed suffering of Animals. Plants do also "suffer" and its scientifically observed that they can pick up on sound, emotions and moods. Also, plants are equally exterminated everyday, thank jews, such as forests and the list goes. Plants do also get severe experimentations of them. The whole "merciful" thinking is highly tied into xianity, and the severe guilt complex a lot of people do acquire for not wanting to accept the laws of existence and life. You have to kill to eat. However, what defines a person as good, or a civilization, is how the growth and killing of these animals or plants that are to be eaten, is carried out. Is it "Kosher"?

Many people try to make eating meat sound like another "Shoah", try to guilt trip others, and all sorts of other insane methods. The awareness that non-vegans are some sort of criminals is also lurking around the corner. This is nothing less than the bible, and sometimes, this also escalates into actual full blown Xianity, where people just say ugly shit like "God doesn't allow meat eating" and they quote the bible in quotes like this....

â€œBlessed are the merciful, for they will receive mercy.â€• â€œMatthew 5:7 [4]

â€œI will make for you a covenant on that day with the wild animals, the birds of the air, and the creeping things of the ground; and I will abolish the bow, the sword, and war from the land; and I will make you lie down in safety.â€• â€œHosea 2:18 [4]

Oy Vey, apparently, nobody will have to die anymore... In the "next life". Only an actual Vegan, or Xianized nut would believe this sort of un-scientific and unrealistic joke. In the meantime, the jews kosher slaughter and enjoy in the suffering of billions of human beings, animals and general life. This is exactly the line many people do follow in regards to this thing... Xianization...Of the diet. Hoping they are somehow doing some divine mandate on the planet by helping it. Even when breathing, you produce CO2 which actually, unless the trees were around to make oxygen, is a pollutant. Should we kill humanity now

in order to stop this "suffering" from spreading? Let's get actual, shall we.

The ideal "Communist Society" is a worthless society, which of course is totally pacified and "Vegan", aside technologically enslaved and everything else. Supposedly, this is the "Future". What do the jews have to say about this "Utopian Future", same as Vegans, Bible Trumper, and all sorts of other unrealistic servants of the jews?

"We have in our service persons of all opinions, of all doctrines, restarting monarchists, demagogues, socialists, communists, and utopian dreamers of every kind. We have harnessed them all to the task: Each one of them on his own account is boring away at the last remnants of Authority, is striving to overthrow all established form of Order. By these acts all States are in torture; They exhort to TRANQUILITY, are ready to sacrifice everything for peace: We will not give them peace until they openly acknowledge our international super-government, and with submissiveness. The people have raised a howl about the necessity of settling the question of Socialism by way of an international agreement. "[9] -The Protocols of the Learned Elders of Zion, Protocol 9, "Jewish Superstate"

Part of this "ideal" society is also pacification of the diet for bizarre reasons. It should be evident. As it can be seen in the part 2 of my reply, itâ€™s not just "diet", as the average worker thinks of it today, being a money consumer that doesn't have land ownership etc. Its about ANIMALS and the FREEDOM people have in being in control of their own food, to grow their own food, and have ownership. This is also an underhanded attack to farmers themselves. Animals also in turn produce wealth, or at least, freedom. The Rune for Wealth is Fehu, which literally means, CATTLE. Cattle even in the bible also symbolize wealth.

One member not long ago came to the groups and wrote one lengthy message about how he and his wife followed the strict "Vegan" diet, without supplements and anything. At around one month, his wife started losing the hair from her head. It may take different times for different people, but the danger is there and once one's body starts running on its reserves, this is bad as it means its depleted. Proteins are named Proteins from the Greek [Protes Ines] which means first essences. These are the first essences upon which the body is built.

Now as about non necessary stuff like, furs for jewish grannies and whores, leather seats in some car, or something like that, these are IMO completely worthless and they are no longer needed. They can be modified and with the technology we possess now, these can be made custom. There are also better materials. As for animals who are killed for food anyway, this is nothing bad as their skin is not needed after their death (which let's hope has been humane and noble). The jews are told however to skin animals and that this is a command from "God". This must happen, or otherwise, ritual tools of the jews such as the "Tefilin" cannot be created. [2]

However this ugly thing corporations do in Communist China, wiping out the skin of live animals, because they don't want to euthanatize each one due to high cost, is a practice that is deplorable and of the ugliest ever.

Animals are Skinned Alive on Chinese Fur Farms

<https://www.youtube.com/watch?v=sLcgxIGTFRs> [6]

The Ancient Pagans did in fact respect animals a lot. This is why in all of our Pagan cultures, you see animals everywhere. Animals weren't slaughtered without thoughtful measures and without paying tribute to the Gods that were protecting the Animals. A dead Cat in Egypt would result into the death of the offender. The animals had an equal footing to Humans and were considered beings in their own free will. The enemy abhorred this respect of animals and this can be seen in the bible, who uses the term "dog" as a derogatory term for Pagans and others. No animal is disgraceful, let alone the animals that help us survive (like dogs, cats and cattle), except of the jewish cockroach who is a useless parasite. Gods are portrayed AS animals, or WITH animals. [7]

What does the Jewish Bible say about this, though?

"In the Torah, humanity is given dominion over animals (Gen. 1:26), which gives us the right to use animals for legitimate needs. Animal flesh can be consumed for food; animal skins can be used for clothing. The Torah itself must be written on parchment (animal hides), as must the scrolls for mezuzot and tefillin, and tefillin must be made out of leather. " [5]

"They shall no longer sacrifice their slaughtered beasts to the demons whom they wantonly follow. This shall be a rule binding on them and their descendants for all time." (Leviticus 17:7). [4]

In the quote of the Genesis above, we see JokeHova the jew, affirms basically what the jews follow as the "Kosher" process of eating food, NOT the old process. Its part of following the commandments of this being.

Apparently, we Gentiles aren't allowed to "sacrifice" anymore, ie, Consecrate our animals with Divine Respect if they are to be eaten. The jews are the inventors of the term "sacrifice" in the first place. The sacrifices of Oxen and other creatures weren't the grotesque process the jews affirm they are, to actually hide their murderous psychopathy as "normal". The accurate term for the Pagan people was "Consecration". Meat was considered holy already in these times. In the kike religion, it had to be "cleansed" in the "Kosher" ritual. But lo and behold, we are allowed by "God", like the Jews, to just go "Kosher" mode on animals.

The 3rd Reich stood for all these rights. Animal rights, worker's rights and abolishing of Jewish Influence in general. Hitler himself was capable to be a vegetarian, while not a "vegan". However, this is for the people who are possible to do this without implications.

Below a video of this "holy" procedure, and how the Nazis educated and attempted to annihilate this monstrous practice [Warning- Gore]:

Hitler Saves Animals From Barbaric Kosher Slaughter

<https://www.youtube.com/watch?v=StWoPBRRs9U>

One thing to also look for is how JHVH gets jealous on the supposed "Jews" worshipping him in the form of a Golden Calf. Animals are lower than God, the same goes for the Goyim animals that came up with this "conclusion". Jews are as thus told to degrade animals in general, and dishonor them if their image every receives "honor":

Exodus 23:8 They have been quick to turn away from what I commanded them and have made themselves an idol cast in the shape of a calf. They have bowed down to it and sacrificed to it and have said, "These are your gods, Israel, who brought you up out of Egypt."

Exodus 23:9 "I have seen these people," the Lord said to Moses, "and they are a stiff-necked people. 10 Now leave me alone so that my anger may burn against them and that I may destroy them. Then I will make you into a great nation."

As for home grown animals, free range, nice animals, who have had their life so to say, aren't unhappy animals at all. Their death is painless and fast. Not all animals are meant for farming in this way. Industry farming is the worst, as these animals suffer all the time and without any reason in particular. One should not let these lines blur however.

## Veganism, Ownership, Workers Class, Animals... And.. Jews \*PART 2\*

Meat doesn't need to be abolished, as many naive people say. This is the same shit like when idiots say, "Money is the root of all evil", so we must go in a "Non Monetized society" (ie, Communism). Its not money that is evil, its not meat, and these are scapegoats. The jews just force these logical dilemmas to get people penniless, in control, and to wipe out their freedoms. A gun doesn't kill unless there is a finger behind the trigger. That's the fact. Its the how and why behind these matters that matters. The jews always make how and why very ugly, perverted and evil. The jews hate it when the Goyim have similar "freedoms" to them. This is very "ungodly" in their eyes.

One major Vegan thing is like the Communists, which both pretend if they do their "personal change" (one abolishing money, the other abolishing meat) they sort of stop this thing from going out worldwide. Not only they do not, but they further this.

In fact, the less demand, the more experimentations will take place, the more murder of animals, all in vain: The food will just be thrown in the garbage cans, or re-fed to pigs and other innocent animals, that simply get cancer from this recurring process that will happen over and over again. The jews will not stop meat production, or their tribal ethics, just because few Goys stopped eating meat.

They will just further Genetically Modify meat, experiment on it, and add even more chemicals to attract more customers. Maybe if these retards actually had money, and were decent meat eaters with a rebellious nature, or know about the Jewish Terror, they \*WOULD\* cause some impact. Nobody cares about your "diet" habit and how many "Holocausts" of Chickens you are going to save by this abstience... and you must deal with it. Infact, demand for \*BETTER\* meat and \*BETTER\* methods of killing the animals, would make things better.

Communists, like Vegans, behind closed doors practice the contrary of what they preach to the stupid masses who believe their lies. Commies want to steal all ownership from others, they have wet dreams about it, while Vegans do shovel Vitamin B12 and bloody steaks down their throat. Only the "Goyim" follow letter by letter the Jewish crap and lies.

**THE JEW TEACHES TO PEOPLE THAT BY LEAVING THEIR RIGHTS, THE PROBLEMS GO AWAY (such as in the case of money or meat or salaries). THE PROBLEMS DO \*NOT\* GO AWAY. THEY GET BIGGER. THE ONLY WAY THINGS BECOME "BETTER" IS WHEN PEOPLE FIGHT FOR THE BETTERMENT OF THEIR HARD EARNED, RIGHTS. THIS PACIFISM AND QUITTING NATURE IS EXACTLY WHAT XIANITY PREACHES.**

The message is not to get into the toy dialectic of which diet is the most "important", either. I suppose the answer is simple, the one that makes you function

better. IMO, its just the BALANCED diet that is the best. One just has to practice moderation, avoid junk food, avoid trash, listen to their body, and they ought be fine. Writing huge novels about bizarre diets and how these will magically change a person entirely, from a stick to Hulk Hogan, should knock as bunk to people who think about this.

Let's not get on the other grounds of the new age, which also include that eating only greens somehow...Makes you an ascended master... Or that by eating a steak, you will become a spiritually weak person. This sounds like Christianity 2.0, yet again. "Don't eat meat you will burn in hell". "Don't eat meat, you will spiritually not advance". Pure, LOL's.

Another thing in regards to the governments. The jews who at the present have taken hold on most world governments, they think about the matter way simply. It doesn't matter what their dis-info agents in the biz, or their "doctors" or other crapsters say about all that stuff, as they are on orders to do so. They think it simply. Why should the Goyim animals, have meat in the first place? Meat gives vigor and power, which in turn might result in disobedience. People that are frail, weak, and have to deal with deadly health issues, not only they cannot revolt, but they can't do anything against anyone indeed. The jews also think it even more simply and to their interest.

The Goyim is a supposed worker. A worker must not demand meat, and luxuries, let alone diet luxuries, let alone ownership. If you can convince people that by eating weeds and stuff, they are OK, while they serve you, all the better. More money for the jewish pockets, more profit for them, more docility and in general, only gains for the jews. The narrative also about the "mercy" about animals sounds like Christianity 2.0, because paradoxically, the "Goyim" (consumers) are blamed, for what jews and their animal farms are actually causing. The pain is not caused by the consumer, but by those who make these products.

Salary or whatever few bucks a worker in the jewish system is supposed to get, are supposed to go to food and shelter (in advanced countries only). Gradually, people are reduced to "no home" incomes as well. Which in fact again accounts to Communism. The cheaper the food, and the worse the shelter, the better for the jew. If these two can be closely abolished, even better, for the people are approaching better the Communist "ideal" society.

The jews wouldn't even pay workers if they could. They are animals after all, in the jewish mind, created by "God" to serve the Jew. They don't deserve the freedom of getting a pay. This is why in their "ideal" society, people are nothing but cattle, and they just need to eat grass, completely pacified and servile. And that's it. Work, eating grass, and not even having a territory one owns.

A Jew need not pay a gentile the wages owed him for work. Sanhedrin 57a [10]

Gentiles are \*NOT\* entitled to \*ANY\* ownership. This obviously included animals, luxuries and anything else:

All property of other nations belongs to the Jewish nation, which consequently is entitled to seize upon it without any scruples. An orthodox Jew is not bound to observe principles of morality towards people of other tribes. He may act contrary to morality, if profitable to himself or to Jews in general.

A Jew may rob a Goy, he may cheat him over a bill, which should not be perceived by him, otherwise the name of God would become dishonoured. -Zohar, Vayshlah 177b

What many people really forget is that owning animals, and eating animals, does actually produce freedom, such as having your own milk, your own land and the list goes on. This creates an independent caste of people who are not dependent into the hand of anyone for their survival. Animas+Land = Survival, Freedom, Independence. The Jew hates both of these rights, that tie one on another.

As Jews let us know in their "Talmud":

Declares that agriculture is the lowest of occupations. Yebamoth 63a. [10]

The Jews make everything Communism, including Capitalism which is just Communism in the long-term in many ways, as it can be observed in the Capitalist collapsing dream.. Just take a look around at all the young unemployed people, and people who have supposedly high educations, but will never get a job- in contrast to naked invaders that enter with the desire to kill natives, while the Governments only help the latter find work. They also give them free housing, food and shelter. A native person in most of these countries, is supposed to die on the streets and helpless unless they mind their own business, or unless there is some sort of welfare for them. The migrant invader will survive because they will receive help. Quite the justice.

One can see the Jews attack the worker's rights of the Goyim, all the time. Just look on the USSR. No rights, no ownership, no nothing. People were stacked up in factories and work camps like pigs, illiteracy was rampant, and nobody had access to meat and other "luxuries". Only Stalin and his clique. Naturally, the Jew who is all about misery, affliction and death, doesn't want the slave Goyim to ask for anything. In their mind, an animal is not supposed to have anything anyway. The Workers class is not a human class with dignity. Its nothing but a low slime, like a donkey or any other animal, in the Jewish mind. This is why the worker's class, is the most productive, and the most punished and the least entitled than all other "classes" of the Jewish system.

This is apparent in Europe. People that worked their whole lives, are pretty much living it really average for the scope of their "country". Swindling Jewish politicians, "entitled muh feelers" who jump from the country borders and get insane pensions/welfare, and general parasites that do nothing, get rewarded the most, from worker's class taxpayer money. The money goes to alien people that never did anything to build the actual country, or at least belong to the citizens of this country. The same goes for the elderly, which in many European countries stricken by recession and migrant problems, get all the blunt of the Jewish policies in the last years of their life. All these "luxuries" such as retirement, are abhorred by the Jews, this is why the Jews constantly undermine and destroy these in politics. The animal is too old to serve? Why keep him around? Kill the animal - this is how the Jews think of Humanity. Just read their writings.

One of the reason "JHVH" (personification of the Jews) destroys the "Babel" tower, is because people were reaching "God". In plain, because a civilization became too advanced. The same goes for Egypt, Rome and elsewhere, and the same went for the National Socialist Germany. Too high standards of living, and the Jewish parasitic policy and Soul, cannot get people into this, because its contrary to their hardwiring and existence. The Jew is a slaver and produces pleasures only for the sake of further enslavement in the longterm, not so that people can have a good time or survive better.

This forces the Jews to have a "higher standard of living" and this comes from White countries, where people bled for generations so that now people can eat meat everyday. The asking for higher standards of living, for any civilization that wants to advance, calls for the eradication and removal of the Jewish pest

and influence that keeps civilization behind. I recall one very old member of my family, told me that in WW2, they would eat meat twice a month, or once a month, and they were thankful for it. Meat was as rare as gold. Now people somehow don't appreciate this and they want to turn into the narrative on how useless it is. These people however, did appreciate it.

As for the USSR, I asked one person living there in the late 60's, and what they told me is that once a month, someone would kill one pig in a whole village, and everyone was making a party on how they could get one piece of the pig. Normally, people just ate whatever else. Let alone, when the USSR bloc fell in 1985, all these women had to become hookers in order just to survive. More profits for the jews who sold them around as "White Meat". This was due to illiteracy and due to the fact that this slave state was only closed and within itself. Most of these people couldn't write their own name properly in their own supposed "language".

Remember, slaves don't need luxuries, and they must always work for the jew- that's the jewish thought. In the Jewish Mind, Animals and Gentiles are in the same boat, and they deserve, by Divine mandate, nothing more than the roughest and most ugly treatment.

“Goyim were born only to serve us. Without that, they have no place in the world” only to serve the People of Israel. •

“In Israel, death has no dominion over them! With gentiles, it will be like any person” they need to die, but [God] will give them longevity. Why? Imagine that one’s donkey would die, they’d lose their money.

“This is his servant! That’s why he gets a long life, to work well for this Jew.” •

“Why are gentiles needed? They will work, they will plow, they will reap. We will sit like an effendi and eat! That is why gentiles were created.” •

Subject: The Bible, Numbers, and Recent Shootings

This YouTube video I have linked below is about an hour long. Special thanks to High Priest Don for sending me this.

The Minnesota shooting, of which I watched the video, smacked of being a hoax. The sky is just too bright for this to have occurred at 21:00 (9 pm).

According to this, it should have been completely dark by 21:00 (9 pm):

<http://www.timeanddate.com/sun/usa/st-paul>

Also, here is the astronomical definition of "sunset time."

"The time of sunset is defined in astronomy as the moment when the trailing edge of the Sun's disk disappears below the horizon."

<https://en.m.wikipedia.org/wiki/Sunset%20%a0>

I also noted, as the guy who made the following video, the woman is way too calm and emotionless for that type of a incident.

The Jews know now that too many people are into them. What they do, with their control of the media and Hollywood experience, they create wars, as these are a major distraction for the populace and wars also create chaos.

The USA stands as the last bulwark of freedom. If the USA falls, then all freedom will be lost worldwide.

Right now, the Jews are pushing hard for gun control and a full blown race war, in which Marshall law would be declared and civil rights would no longer exist.

Now, the man who made this video makes his personal opinions blatant. He bashes the police, and makes a lot of other personally biased statements, BUT,

his knowledge of Jewish gematria (numerology), is extremely informative. This is what runs the Bible and why the Bible has numbers. I already wrote about this in my article The Holy Bible: A Book of Jewish Witchcraft. Life as we know it is about time and numbers and who controls these, controls events and people's lives.

I also want to add, the Jews control Freemasonry. Freemasonry was at one time Satanic, but not anymore. There are articles about this on 666blacksun.com

As for his mentioning how police stations are often near Masonic lodges, is because they control the police at the upper levels, as they do the government, etc.

This video is close to an hour long, but is extremely informative. Just watch and take the information. He also proves at the end how the St. Paul shooting was a hoax and play acting.

For those of you who are new and/or still have hangups about Christianity, this gematria/numerology all ties in to the Bible and what it really is...A hoax of catastrophic proportions.

I strongly encourage everyone to watch this YouTube video:

That's not true. Some of the most powerful are Lilith (She will destroy communism and the enemy), Astaroth, Mastema, Maat, Nephthys, Sekhet, Seshat, Agares, Byleth, Bune, Crocell and many more.

In Ancient Paganism (Satanism), both men and women worked together.

Unlike the Judeo/Christian/Muslim excrement that in its fear and hatred of women, has nothing but male angels, a male "god" etc.

In the legends of our Gods and Goddesses, the females had every bit as much power as the males. Our Gods were never insecure or fearful about our Goddesses having power.

Also, never in our Pagan Pantheon, did our male Gods treat our Goddesses condescendingly, or as inferiors. They worked together.

In addition, they never covered their bodies in shame like those abominable Muslims.

It is glaringly obvious just how much the alien vermin that promotes and runs those foul programs that are ignorantly called "religions" fears anything human.

In addition, all of the Kosher institutions that are against homosexuality, but treat women as less than dirt, indirectly PROMOTE homosexuality, but only in a Kosher way. The truth, however, is that being against homosexuality and hating women, come from the same Jewish, Christian, Islamic, and Communistic root. While many so-called "gays" deserve the way many people feel about them, the fact of the matter is that being against the third sex for the sake of being against the third sex is the same as casting a woman who cannot conceive out of one's race, when, perhaps, she was meant to be a mother figure for our entire race, rather than specific children of her own. And so it is with homosexuality and its occult potential when used properly. I know that there are not many people here who want to hear this, but I am speaking for Satan, himself.

It must also be said that many of the women who complain about "the Patriarchy" and "male chauvinism" are usually the most sexist of them all. Unfortunately, many lesbians are like this; castrating bitches who claim they want "equality" with men, but only want to turn men into castrated, quivering slaves who will talk about hair-styles, stay home and nurse a couple's children while the mother is out and about living the life of a male. Like High Priestess Maxine Dietrich stated, in pre-Christian, Pagan times, the sexes worked together, regardless of sexual orientation, although, the Spartan males are stated to have hated women. It is also unfortunate that many of the masculinist homosexuals of NS Germany were brainwashed by the Jews into hating women. "I despise all bitches!" -- Ernst Rohm.

The important thing to realize is that Satanism will crumble if the sexes and the sexual orientations are at war with each other like they are in the Kosher programs. It isn't just men and women against each other; it is also the false dichotomy of "gay" versus "straight," and vice versa. This isn't political correctness, like the Jewllywood promoters of "homosexuality" make it out to be, but Satanism, which recognizes the inequalities of race, biological gender, and sexual orientation, which sees the differences between each as STRENGTHS, NOT WEAKNESSES!

The fear and hatred of homosexuality comes from the same Jewish source as the hatred of non-feminist females. The people who have a problem with this reality need to take it up with Satan, as he is behind what I am saying here, 100%.

My whole life I always felt like I relate better to guys, just the way they see the world most of the time I just get. Most girls are just baffling to me a lot of the time.

I have always been very race conscious, or a so called "racist". I really felt like I wanted to stab my teacher during history class sometimes because it was nothing but anti White propaganda. I don't know many other girls who react to things like this, even girls who agree with me usually aren't as enraged by it as I get.

On the other hand, I never really been able to relate to other girls in the same way with things like fashion or just the way other girls tend to socialize, the kind of things they care about or are impressed by I just never been able to relate to.

I even tried to change myself because guys usually prefer women who are feminine. But I just can't.

Ashley I am the same. I have always mostly preferred the company of men and can't relate to girly girls. Not all women though, I don't mean that but....I was always the one out there climbing trees and getting my hands dirty, or grabbing the garter snake while exclaiming oh, how cute! while other girls would squeal and scream :P

I caught a garter snake once and that night snuck into my older brothers bedroom and let it loose on his bed. He used to love making me scream in surprise as he ambushed me so this was my revenge. Oh how sweet it was! he screamed like a girl!

I don't think ALL men prefer girly girls. A woman can be feminine and lovely without that stereotype. A girl can be hot in a lumberjack shirt and steel toed boots. I think that girly ultra feminine girl and the other of the butch macho man are both extremes and were created by the jew. Its not the reality of how we are. We are a spectrum. There is nothing wrong with you I'm sure :) Don't feel bad or discouraged.

Someone will appreciate you just as you are and if they don't its their loss, not yours.  
Just my 2 cents :)

Something that ties into this post:

In the Ancient Civilizations, you had 12 Gods, like let's say, the Greek Pantheon. You had an equal number of Gods and Goddesses. This was out of respect to the Female element and the union of it with the male. This is because women were seen as equals to men. One gender completed the other. Despite of what your Marxist historian is going to tell you.

For instance, there were all the Natures of women into these 6 Goddesses. First, you had Athena. Athena was the Goddess of knowledge, justice, war, ethics, education, calculated warfare. Then, you have Artemis. Artemis was the goddess of the hunt, more brutal warfare, nature, even gardening and anything else, growth, some could even relate her to athletics. Then you have Aphrodite, which was the Goddess of beauty, lovemaking, affection, relationships, literally, the Goddess of love, union of opposites.

Then you have Hestia, which was the Goddess that had to do with home, homekeeping, everything that has to do with the country or state, taking care of the family (the state being a big home etc). Then, Goddess Demeter, having to do with the harvest, the Earth, food and grain, also Goddess of Law and Justice as well. Because without homes, erm, evidently, there is no civilization. And without family there is no existence. And without food death. Lastly you have Hera, which was the equal wife of Zeus, other than in the part that Zeus is supposed to be the "Father of the Gods". Hera is the Goddess of Magick, literally, the woman who is a woman that is wife, but at the same time, a stern mother, a literal boss if needed. The Goddesses associated with Magick, like Hecate, were of the highest power in these pantheons.

But of course, you just know about Aphrodite most probably. Because she was so beautiful. And yes she was. But this is not the conversation point here. Because if the kikes try to talk about the above in depth, then you understand that your freedom is not quite expressed by twerking your ass, or doing drugs, but actually minding the important stuff in life. And actually living life. Because if you were to live like "YOLO", you should better make your life worth it, at least. OR the real healthy and pleasurable stuff. Or the spiritual stuff, which is EVEN worse for the jew. Then the kikes have a lot of questions to answer, and they are just like "oy vey, these women were suppppreseed!! Truzt uz!!"

Its like women basically had the most important things of civilization placed on their own hands. Or equally, the things that were super important. We are talking about thousands of years of evolution in this way. Its not like the word of the jew is most important. People who go against this are plagued by nature and rightfully so. So the above were in rough lines, the . Now they throw it away to get the Madame Figaro, which teaches them how they should further their inner emptiness.

You can see this in Hypatia, Cleopatra and other prominent figures of the Ancient world. The Egyptians had Pharaoh women now and then as, it could be more rare, but some women came up with indispensable abilities and leadership. We are obviously not talking about feminist, cuck and such. We are talking about natural occurrences of gifted people. Women were also priestesses in Egypt, Greece and elsewhere. There are no priestesses in the enemy religions. Why? Because women are considered dirty, unclean and whores.

The massive hatred on the enemy has been towards Lilith, same as their attempts to objectify women such as, the 72 virgins the kikes told to Arabs they will get after they explode to the mall. Women though are actually, spiritual creatures. This is all over the paintings of the West. Such as the Virgin Priestesses of Artemis. But your Marxist Historian is not going to teach you that these women were entirely free and they were treated as equals, even though as Goddesses in the flesh such as in the case of Pythia. Which women weren't even whores or anything degenerate as the enemy forcefully jams down people's throats.

My mother is the EXACT same! Cancer AC, 10th house Moon in Aries. She is not at all comfortable around me lol. And I'm not even all that girly.

Just be yourself. Completely, you. You will find people who suit you perfectly, if you are exactly yourself. There are many men who prefer the type of girl who is "one of the guys". Men with Venus in Aries, as one example.

Subject: Levi TICK... Just found it, hilarious!

<https://en.wikipedia.org/wiki/Woodtick>

Woodtick or *Levi Lego* is the common name for several ticks, including:  
-Dermacento, also known as the *American Levi tick*.

Quote from [Nature's Eternal Religion](#):

Knowing that his parasitic activities of fleecing, robbing and plundering the Gentile community will eventually result in violence against his person, he prepares for it in advance. We go back to the quotation from Proverbs in which the Jews are advised "where there is no vision, a people perish." So as he sinks his tentacles deeply into the body of the community that he is about to ravish, he prepares in advance to nullify, neutralize and minimize the opposition from the Gentile community that he knows sooner or later will develop into hostility against him.

In this respect the Jew is very similar to other parasitic creatures of Nature. When a woodtick crawls up the leg of an individual he does so very stealthily and usually completely unnoticed. The woodtick is searching for an appropriate place on the body of the host he can dig into and suck its blood for its own nourishment. The woodtick knows that when he digs in, normally it would be painful to the host, therefore attract its attention and result in its being picked off and destroyed. But the woodtick has a remedy for this. Before digging in he carefully anesthetizes the skin surface of the victim host. Having done this, it then carefully begins to chew and suck, all this time anesthetizing the area so that the host will feel no pain. Meanwhile, the head bores in deeper and deeper and the parasite begins to bloat itself on the blood of its victim without the host having felt any pain whatsoever, or even being aware of its presence. By the time the victim finally discovers the tick, it is thoroughly rooted into its flesh. The host is no longer in a position to remove it without causing pain and infection to himself and the death and destruction of the parasitic tick. Even though the victim now tries to remove the parasite, he cannot do so. He can pull off the bloated body and destroy part of the tick but the head will remain imbedded and cause infection and perhaps blood poisoning. At this stage it becomes a major operation to remove the infectious tick, which he could have easily flicked off with a finger at the beginning, had he realized that the parasite had designs upon his blood. The parasitic operation of the Jew upon the body of his unfortunate host is very similar.

This "spell" is a bunch of useless, new age bullshit. Rose water, candles, and other props have no power. The power of a spell comes from your soul. There are many money spells on the Joy of Satan website and in Satan's Library.

You need to meditate and do yoga to empower your soul. The power of your soul determines how strong your magic is. A good place to start with meditation is the 40 Day Self Empowerment Program available in Satan's Library. Some links in the 40 Day Self Empowerment Program PDF are broken. PDF copies of the hatha and kundalini yoga routines from the broken links are in Satan's Library.

Boiling Third Sex people alive in xian families

Family Unit and Love are the worst enemies of xianity and all enemy religions. Both islam and xianity actually disallow any love and unity between people of the same blood or sexual partners (see quotes below). Hard porn, sexual violence, epidemic divorce – all this is the direct result of enemy programs such as xianity, islam and social marxism, because they attack the cement of all the units – The Love for Your Own.

Xianity:

Matthew 10: 37

37 He that loveth father or mother more than me is not worthy of me; and he that loveth son or daughter more than me is not worthy of me.

Matthew 10: 34-36

34 Think not that I am come to send peace on earth: I came not to send peace, but a sword.

35 For I am come to set a man at variance against his father and the daughter against her mother and the daughter in law against her mother in law.

36 And a man's foes shall be they of his own household.

Psalm 139:7

Blessed shall he be who takes your little ones and dashes them against the rock!

Islam:

Quran (4:34) – “Men are the maintainers of women because Allah has made some of them to excel others and because they spend out of their property; the women are therefore obedient, guarding the unseen as Allah has guarded; and (as to) those on whose part you fear desertion, admonish them, and leave alone in the sleeping-places and beat them”.

Quran (38:44) – “And take in your hand a green branch and beat her with it, and do not break your oath...”

Abu Dawud (2142) – “The Prophet (peace be upon him) said: A man will not be asked as to why he beat his wife.”

Abu Dawud (2126) – “A man from the Ansar called Basrah said: ‘I married a virgin woman in her veil. When I entered upon her, I found her pregnant. (I mentioned this to the Prophet).’ The Prophet (peace\_be\_upon\_him) said: ‘She will get the dower, for you made her vagina lawful for you. The child will be your slave. If she has begotten (a child), flog her’”

Social marxism:

“Women who have sex with men are traitors to their sex.”

“The history of marriage is not about love and living together, it's about ownership.”

– Tiina Rosenberg, author of “campaign to abolish marriage”.

“The nuclear family must be destroyed... Whatever its ultimate meaning, the break-up of families now is an objectively revolutionary process.”

Linda Gordon

“Freedom for women cannot be won without the abolition of marriage.”

– Sheila Cronin, the leader of the feminist organization NOW

Does not matter \*whom\* you are taught to beat, kill or abandon – be this person your wife, child or parent – this is always a FAMILY MEMBER. These pro actually about one same thing: destroy your family, crush your procreation over the stone, do not sleep with your partner, destroy your future. Here is the u of this enemy propaganda.

President Barack Obama has condemned the 'horrific terrorist attack' that has left at least 80 people dead and more than 50 injured after they were mowed down by a truck in Nice, France.

Obama said America's 'thoughts and prayers' were with the families of the victims, who were watching Bastille Day fireworks when they were killed on Thursday night.

'We stand in solidarity and partnership with France, our oldest ally, as they respond to and recover from this attack,' he said in the statement released by the

White House.

At least 80 people have been killed after a truck ploughed through a large group of people in Nice, France during a suspected terrorist attack

The president said he has directed his administration to offer any assistance French officials may need to investigate the massacre.

'On this Bastille Day, we are reminded of the extraordinary resilience and democratic values that have made France an inspiration to the world,' Obama said at the end of his statement.

'And we know that the character of the French Republic will endure long after this devastating and tragic loss of life.'

The attack prompted Donald Trump to postpone the unveiling of his running mate, expected to be Indiana Governor Mike Pence.

'In light of the horrible attack in Nice, France, I have postponed tomorrow's news conference concerning my Vice Presidential announcement,' Trump tweeted on Thursday night.

Anti-terror police swooped in as Nice was put on lockdown and residents were warned to stay indoors for their safety, as French authorities revealed they were searching for a second suspect.

The large white truck plunged into the crowd at around 11pm Thursday night as hundreds of people were on Nice's beachfront Promenade des Anglais to watch the fireworks for France's national day.

Local deputy mayor Christian Estrosi said the truck ploughed 1.3 miles through the crowd.

Eyewitnesses said they could hear gunshots ringing out in the street after the truck driver then opened fire on hotels and cafes before police shot him dead.

Guns and grenades were later found inside his truck. Identity documents belonging to a 31-year-old French Tunisian were also found.

The recovered documents indicate that the man is a resident of Nice.

He was alleged said to have shouted 'Allahu Akbar' — God is greatest — before being shot dead by police.

Pro-ISIS groups have been celebrating the attack but as yet the terror group has not officially claimed responsibility.

French police riddled the truck with gunfire in an effort to kill the crazed driver, who opened fire after crashing into a crowd of people watching Bastille Day fireworks

One witness called Antoine said: 'We were at the Neptune beach and a firework display had just finished. That is when we saw a white lorry. It was going quickly at 60 kilometers (40 miles) an hour.'

Wassim Bouhlel, another eyewitness, said that he saw a truck drive into the crowd and then saw the man emerge with a gun and start shooting.

'There was carnage on the road,' Bouhlel said. 'Bodies everywhere.'

Anti-terrorist police have taken over the investigation into the attack, according to the French interior ministry.

France's ambassador to the United States, Gerard Araud, also called last night's incident a 'terrorist attack'.

Addressing a Bastille Day reception in Washington, Araud said: 'Our democracies - France, the United States, our other partners, we are besieged, we face a terrible threat.'

Stunned eyewitnesses prayed over the bodies of their friends and relatives who were killed in the massacre

The Paris prosecutor's office opened an investigation for 'murder, attempted murder in an organised group linked to a terrorist enterprise'

Interior Ministry spokesman Pierre-Henry Brandet said the gunman was killed by police and that authorities were continuing to investigate whether he acted alone or had accomplices who fled.

The Paris prosecutor's office opened an investigation for 'murder, attempted murder in an organised group linked to a terrorist enterprise'.

The probe is being handled by France's intelligence agency and judicial police.

Bodies could be seen lying on the floor by the beach, as the police and other emergency services tried to deal with mass panic.

British holidaymaker Esther Serwah, 59, was staying in a hotel a short walk from the scene.

She said she had been on her way to the Promenade des Anglais for dinner with her daughters when people started screaming at her.

Mrs Serwah, from Surrey, said: 'I was just walking to the Promenade and then I saw everybody running and I just didn't know what was going on.'

'People were screaming at me in French but I didn't understand. Some people were lying on the streets dead and people were running over the bodies.'

Fireworks were filling the night sky as the drama unfolded while a crowd of thousands enjoyed the country's biggest public holiday.

Regional newspaper Nice Matin quoted its own reporter at the scene saying there were many injured people and blood on the street.

It published a photograph of a damaged, long-distance delivery truck, which it said was 'riddled with bullets' and images of emergency services treating the injured.

Damien Allemand, the paper's correspondent, was quoted as saying: 'People are running. It's panic. He rode up onto the Prom and piled into the crowd.'

'There are people covered in blood. There must be many injured.'

The attack began just as the fireworks display ended as thousands of people were milling around the waterside.

'A fraction of a second later, an enormous white truck came along at a crazy speed, turning the wheel to mow down the maximum number of people,' Allemand said.

'I saw bodies flying like bowling pins along its route. Heard noises, cries that I will never forget.'

The area around the Promenade is full of hotels and restaurants, all currently packed at the height of the holiday season.

France is still under a State of Emergency following last year's attacks on Paris, when almost 150 people were murdered by ISIS and Al-Qaeda operatives.

Both groups are well known for driving vehicles into innocent people, prompting fears that tonight's incident could be linked to their activities.

Anti-terrorist police have taken over the investigation into the attack, according to the French interior ministry

Not too many people are aware of the danger we are in.

Another goddamned criminally insane Muslim murdered over 84 people and injured over 200.

Islam, which is a branch of the 3 TRULY EVIL Jewish programs, that ignorant fools call "religions" creates and breeds the absolute worst of criminal insanity.

Most of you here are familiar with Christianity. Christianity as we all know is absolutely rotten. Islam is 100 times worse. As I've stated before, there aren't even any words to describe the extent of the pure evil and hideousness of this foul odious rot beyond the imagination.

Christianity has done its job unfortunately in making its followers open to accepting Islam.

Europe has become a war zone of unimaginable savagery. The islamic scum is not civilized. If they gain enough power, civilization will cease to exist. Islamic countries like Yemen, and Afghanistan are in the Dark Ages.

The USA is also becoming more and more infested with the moslem plague. Once this criminally insane vermin get into the government (which they are

working overtime trying to do), they will remove all freedoms and impose sharia law.

I know there are idiots who are completely oblivious to this and believe it won't happen here in the USA. If we don't work to stop this, it will. The Jew relies upon distraction. Create events such as war, sensational news stories, a race war... Anything to divert the attentions of the populace until it is too late. Hitler exposed the Jews and as much of Europe was catching on, the Jews started WW2 and it worked. They took control with this and hundreds of millions of Gentiles paid the price.

Here is an example of Sharia law. This excerpt was taken from the book "Cruel and Usual Punishment" by Nonie Darwish, pages 56-57:  
"...the most shocking sexual privilege Sharia grants to men is that they are allowed to seek sexual gratification with children."

"A man can quench his sexual lusts with a child as young as a baby. However, he should not penetrate. Sodomizing the baby is halal (allowed by Sharia).

" It is not illegal for an adult male to 'thigh' or enjoy a young girl who is still in the age of weaning; meaning to place his penis between her thighs, and to kiss her."

"Mohammed was practicing thighing with Aisha at age six and consummated the marriage at age nine."

This is sick depraved savagery in the extreme. There have been certain idiots in the JoS groups over the years who have excrement for brains, who advocate "tolerance." They are way too ignorant and profoundly stupid to see reality. Idiots don't take this seriously.

I will have the last two RTRs later this month. Please check the groups, the forum and/or the main JoS website for updates. After this, we will begin working on rituals to destroy Islam.

I know there are many VIPs in the groups here. As should be, you are quiet. We all have to fight this most vile of plagues, which has already infested Europe, and is growing like a malignant and aggressive cancer in the USA and other parts of the world.

If you have political power, work to stop this. Those of you who are in the movie industry should do the same. We must all unite against this deadly plague to annihilate it from the face of this earth. If we don't fight, no one else will. If you are confused as to what action you should take, ask Satan. He will guide you and send Demons to help you. This is extremely serious.

The stupid liberals and many others, are standing in awe that Turkey had a coup forming exactly right now. Little has it dawned to them, that Turkey is the most major power in the Middle East, that silently promotes Jihadism and pushes the Immigrant Troops into Europe. All of this is staged.

<https://www.theguardian.com/world/live/> ... ire-ankara

Not only this, but it should be apparent "why" this happens. The Turkish "government" has a need for decisive measures right now. This typically happens in countries in times of severe problems, or in times where war is about to prepare. The enemy obviously wants to push their "Caliphate" further. The (((Caliphate))) is the will of the jews of the Middle East, and they are actively pushing of its creation. Part of this deal is the takeover of political positions, in Europe and elsewhere, by Pisslamics or Chaliphatans. This coincides and joins with the major agenda of the Jews, that of wiping out the White Race. The details aren't all that necessary, what is important is the whole Jewish Goal. The jews are trying to make an advance against the West, and this is becoming majorly obvious. Through internal opposition groups (Black Lives Matter), and other terrorist organizations and groups. The jews are behind everything and they are pushing their cards on fold, on the dumb Goyim.

Internally, the Gentiles in Europe are ruled by soft-core, stupid and degenerate (((leaders))) (most, but not all) that will just force matters to the end to

further immigration, force all these Islamic hoards inside, and then, who knows, maybe even arm them. In Mosques and in many of these places, they were opened and found chock filled with guns. The average "poor immigrant" would rather ally with the Pisslamic Haliphate, than with the idiotic supposed "Europeans" or "Westerners". IN SIMPLE WORDS, in the belly of European countries are now nurtured the deadly immigrant hoards and the future of the Islamic Chaliphate Warriors. While wiping out the European people, depriving them of rights, jobs and anything else.

Little does that dawn to the "governments" of the otherwise, White Nations. However, as bombs after bombs, hits after hits, and terror will reign, people will have to finally understand this. On other other hand, the (((governments))) are entirely aware of the whole agenda. This is to cause the biggest and most massive genocide in White Europe. This is all systematic, and has only one brain. There is a common plan.

Why the terrorist organization, "Black Lives Matter" announced its allegiance with other Terrorist organizations worldwide?? The answer is by far, very simple. Like in Pisslam, "Blacks" and "Easterners" always make an alliance, which is mainly, over "color". The term "Racism" is just a term for White Genocide, and the banner under which the enemy pacifies Whites from replying or defending themselves justily, against this violence. Through the banner of "Racism" and "Muh Oppression", they connect the masses they want to connect, and march them against Whites, the Whites being the original enemies of the Jews, the jews who torture the Blacks and others worldwide. This is especially easy because they own the governments of the world.

In this particular case, the situation is masked. However, this is instigated by the jews and the jews know what they are doing. Shaken as they are, from all that is happening, they are however moving on with their plan. The jew has placed their bet on the East (Pisslam), and on Race War, then attempt of Communization if Pisslamism fails. They know they will lose Europe, maybe a bit too early, too late, or just in time. In the meantime, they march their hoards to attack America which is, the only world power that can really stop the Pisslamic Chaliphate. As for Russia, Jewcy Putin will get a phone call from a Rabbi, and he will sit on his own eggs, or just do as he's told. According to jewish prophecy on the matter, "Russia and Turkey will go to war". This is supposed to trigger WW3, and then, Communism follows.

They are however calculating the situation without the Satanic intervention that will take place...

The Kill Switch

"An Internet kill switch is the cybercrime and countermeasures concept of activating a single shut off mechanism for all Internet traffic. The theory behind a kill switch is creation of a single point of control for one authority or another to control in order to 'shut down the internet to protect it' from unspecified assailants; however, many on social media have criticized this, fearing that it may be used to restrict Internet users' freedom of speech."

One thing the coup in Turkey has shown is the fact the government in Turkey was able to shut down all online social media within the country, literally they pulled the switch on the net there. Once MARTIAL LAW WAS DECLARED.....

The Jewish Elites have openly declared their plans to start a race war in America to get martial law declared.....

[topic15404.html](#)

"Soros goes on to say that as the crisis in the Eurozone only worsens, the American financial system will continue to be hit hard. On the way to a full-blown collapse, he cautions, Americans should expect society to alter accordingly. Riots will hit the streets, says Soros, and as a result, "It will be an excuse for cracking down and using strong-arm tactics to maintain law and order, which, carried to an extreme, could bring about a repressive political system, a society where individual liberty is much more constrained, which would be a break with the tradition of the United States."

Once Martial Law arrives in America, guess what say good bye to the Internet. All freedom of communications and speech will be over. It will be all shut down for good.

The Jews have put this into motion in America:

The Supreme Court has refused to hear a petition concerning the Department of Homeland Security's secretive internet and cellphone killswitch program.

[http://theantimedia.org/the-us-governme ... -business/](http://theantimedia.org/the-us-governme...-business/)

(ANTIMEDIA) United States — On Monday the Supreme Court declined to hear a petition from the Electronic Privacy Information Center (EPIC) that sought to force the Department of Homeland Security to release details of a secret "killswitch" protocol to shut down cellphone and internet service during emergencies.

EPIC has been fighting since 2011 to release the details of the program, which is known as Standard Operating Procedure 303. EPIC writes, "On March 9, 2006, the National Communications System ('NCS') approved SOP 303, however it was never released to the public. This secret document codifies a 'shutdown and restoration process for use by commercial and private wireless networks during national crisis.'"

EPIC continues, "In a 2006-2007 Report, the President's National Security Telecommunications Advisory Committee ('NSTAC') indicated that SOP 303 would be implemented under the coordination of the National Coordinating Center ('NCC') of the NSTAC, while the decision to shut down service would be made by

state Homeland Security Advisors or individuals at DHS. The report indicates that NCC will determine if a shutdown is necessary based on a 'series of questions.'"

Despite EPIC's defeat at the hands of the Supreme Court, the four-year court battle yielded a heavily redacted copy of Standard Operating Procedure 303.

The fight for transparency regarding SOP 303 began shortly after a Bay Area Rapid Transit ("BART") officer in San Francisco shot and killed a homeless man named Charles Hill on July 3, 2011. The shooting sparked massive protests against BART throughout July and August 2011. During one of these protests, BART officials cut off cell phone service inside four transit stations for three hours. This kept anyone on the station platform from sending or receiving phone calls, messages, or other data.

In July 2012, EPIC submitted a Freedom of Information Act (FOIA) request to the DHS seeking the full text of Standard Operating Procedure 303; the full text of the predetermined "series of questions" that determines if a shutdown is necessary; and any executing protocols related to the implementation of Standard Operating Procedure 303, distributed to DHS, other federal agencies, or private companies.

After the DHS fought the FOIA releases, a district court in Washington, D.C. ruled in EPIC's favor, but that ruling was later overturned by the court of appeals. The appeals court told EPIC the government was free to withhold details of the plan under the Freedom of Information Act because the information might "endanger" the public. In 2015, the digital rights group asked the Supreme Court to review the ruling by the federal appeals court.

With the Supreme Court's refusal to address EPIC's petition, the issue seems to have reached a dead-end. The American people are (once again) left in the dark regarding the inner-workings of another dangerous and intrusive government program. It is only through the hard work of activists and groups like EPIC that we are at least aware of the existence of this program — but knowing bits and pieces about the protocol is not enough. In order to combat such heavy-handed measures, we need to have access to the government's own documents. Hopefully, there is already a whistleblower preparing to release these details.

What we do with the information we do have is up to each of us as individuals. We can sit back and watch the United States further devolve into a militarized police and surveillance state — or we can spread this information, get involved locally, and create new systems outside of the current paradigm of control and exploitation.

What I forgot to mention in my other post.

In Turkey there are around 3 million Syrian "refugees" supposedly, and many, many others.

I am certain the jews did this in order to destabilize Turkey, so Turkey being the last barrier into this, they would flush the immigrants into Europe for their "Protection". This would mean insane amounts of millions of people pushed into Europe, in one full swoop. The American jews wanted to overthrow their

button Erdogan, because he is not proceeding with the plan as they intended. They have tried so many times, but this time they just launched a full coup.

Erdogan loves his chair so much to just "leave" it and it seems the plan is not going in accordance to how it "should". Erdogan is probably a crypto himself, but the eastern faction of Jewry has other plans in regards to the whole deal, and they would rather look into "Islamification" as a means to conquer.

In plain, the boat didn't set asail.

Our RTR's have prevented it and it seems the enemy has internal issues they will not be able to fix anytime soon, no matter their attempts.

This is a scored VICTORY of TEAM SWASTIKA!!!

Turkey Coup

This is from my reply on the subject on the forum.....

From investigating the coup, and going back to the history of the Turkish Republic, it seems the coup was between two factions, Gulen who is in exile and might be Jewish Washington's new puppet. And Erdogan, who could have been slowly pulling out of supporting the agenda in Syria. This coup might have been launched out of Washington and planned a year or two before. As Erdogan has gone off the leash it seems or has become difficult. The coup seems to have failed. If Turkey pulled out the entire agenda in Syria will fall and the ISIS and other groups will fold. From Assad's statements in a matter of weeks.

It seems the jews might have really over estimated. The fact the thing lasted three hours, fell apart and this has made Erdogan more powerful then before. As it has allowed him to eliminate the remaining opposition from inside the establishment. And probably pushed him further against the Jewish plans as he is ever egotistical and views himself as Sultan, he has shouted down Obama and others before, maybe he is fed up with being bossed around. And after trying to take him out. He will give them the finger totally.

If Erdogan is part Jew, this also represents a break and infighting between the Jewish elites that is wrecking their power holds. As Erdogan's ideal for Turkey goes against what the front Jew who founded the Turkish Republic stated. Kemal's extreme secularism was a move to dismantle the Imperial feelings of the now dismantled Ottoman Empire, to stop a revival of such. Which at the time was needed for Israel's assured creation. The Gulen faction in the Army wants to maintain the Kemalist, secular ideology. And resent Erdogan's Islamist direction. This caused them it seems to launch the coup within Turkey working with bigger elites outside. However Erdogan's purging of the Gulen-Kemalist's faction out of the Army leadership when he came into power. Weakened them it seems, enough so they lost.

Now if Erdogan is not Jewish as it's also been rumored.... From what I have studied from the situation, this represents a move away from the Jewish control in Turkey and a Gentile claim to regain power within the Turkish government. Or if he is Jewish it still represents a weakening of Jewish power as the factions eliminated are of Doenmeh blood it's been reported by those in the know. Meaning they are destroying each other for power.

So our current RTR is massive at work.

The leader of the coup in Turkey the former Air Force General, is a well known life long Mossad asset. And had openly worked with the Israel Military in the past. Gulen is a known CIA asset for Turkey and this coup was planned in advance by the CIA and Mossad.

The people who own the CIA are the Rockefeller's and Rothschild's at the top which is why Bush senior was the director of the CIA his family came to fame running cover operations off Jewish Wallstreet for the Rothschild's acting as the front for sending Rothschild money to the Jewish Bolsheviks in Russia. The CIA at the top is the praetorian guard for the Jewish elites. Just like how the NSA is run out of Israel.

This coup should have worked but didn't. This is due to how the RTR have changed things.

Subject: Note on the Upcoming RTR Rituals

<http://josministries.prophpb.com/post76960.html>

Greetings to all our Satanic People and Comrades.

This has to be written now, as to avoid much "clutter" when the RTR's will arrive.

What's important to be stated, is that NO MATTER the new Rituals, we \*ALWAYS\* have to go over, and repeat and re-do the old ones. None must ever be quitted or left alone, as the enemy attacks all these frontiers we have covered (Such as Communications, or forcing the people to be docile and not revolt, etc). The Rituals will need to be done, however, we will have to go back and re-do the other ones. The last Ritual we did, plus the others, all these have wrecked the enemy really bad. This is also manifesting physically. The enemy knows this, and they are terrified, especially on the higher levels. Of course, no word for this is "coming down" just yet, but this can be seen on its own.

Our RTR's have to never, ever be stopped, or be replaced with prior workings. These had their time, now, we are doing the RTR's. We have to prioritize, put on program (This will happen down the road again as many of us benefit from this, I will do this down the road again) and we will make them suffer.

Now for people who get some "negative" energy from the RTR's, what you can do, is that after or prior to doing an RTR, do the one of : "Those Who Bless Israel Are Cursed, Those who Curse Israel are blessed". This on its own will make your RTR's a literal blessing for you, while it doubles the pain for the enemy. Make sure to keep your energies high, maintain a strong Aura of Protection, and do these daily. Work daily done, is very strong. One can do big amounts of reps, but daily work with an amount of reps that makes it possible to be done daily, delivers damage everyday. Daily damage, is daily downfall.

They must not be given any time to recover. The enemy's magick is by definition different and this has to do with the jewish Soul, which thrives in parasitism, enslaving entities, using others and the list goes. The Gentile Soul is not limited to this kind of parasitic magick, and therefore we have its power. Systematically attacking the enemy, non stop, like a battering ram- this will guarantee our freedoms, and our positive and non-bloody transition to the next Age of Satan, which is the Aquarian Age.

Also, the more power Satan's side gains, the better the lives of all Satanists will become. The more you do for Satan, the more he will do for you. The Powers of Hell offer protection, help and assistance, let alone they are closeby to help everyone spiritually advance, guard our groups, and the list goes. Satan and the Gods themselves work overtime, all the time, to destroy the enemy. Its only sensible if one calls themselves a Satanist, to do something for Satan everyday. IMO, one must do everything they can for Satan everyday. Failure sometimes doesn't matter. All that matters is that this is the aim and that you approach this.

The gaze, attention and force must be focused on two places to guarantee our success. One is the unending spiritual offensive (and advancement of our side) and the other is physical work for Satan and promotion of \*HIS\* interests and Agenda. As I told you before, this will create better and more favorable conditions for all Satanists, and all people on the planet. The less the power of the slaver enemy, the more the good for the world.

In a final note, the enemy is of course pushing us as well. They are not stupid, and with all they have done, they will not sit idly and receive judgement. They will invent new types of lying, new types of misdirection, and possibly, more panic attacks on Humanity etc. The rule of thumb is simple: Never-Trust-A-Jew. This is to be expected, but the more our RTR's push, the less they will be able to do. The jews will lie in ways that may confuse the most intelligent of people. The key is to Never-Trust-A-Jew. Or the jewish bible, or their crap for that liking. The jewish opinion is not meant to be universal mandate, because some psychotic yids said so.

Lastly, we follow orders in regards to the RTR's and everything else. These are strictly in accordance to Lilith's guidance and help. As HPS Maxine said, Lilith will destroy the enemy and Communism, and this has been well known to the enemy. This has been "prophesized" and the enemy Rabbis and everyone else knows this too, but they tried to "prevent this" by ushering the spiritual powers of the deceived populace, outright violence, murder, crimes etc. They have lied, as with everything else, but they always knew that they were playing with fire and this is also documented in their own texts. The jews are really aware of what is coming on for them, especially after all they have done. Eradication of proof, lies, further deception, and anything else is to be expected.

All people can see for sure...Humanity is getting really, really fed up...

They used to laugh about it, but the more we go, the more Gentiles will be the one's laughing.

When you see the massive Awakening of people, and how people rise up and fight for a better tomorrow, be proud, push harder, smile and know...:

**HAIL SATAN!!!!!!!**

**HAIL LILITH!!!**

**HEIL HITLER!!!**

**HAIL TO ALL OUR PEOPLE AND WARRIORS IN SATAN!!!**

(Yes, I put the pictures together, had to add a necessary addition...)

They already were designing the new plans for the new WTC to be built after 911, in April of 2000.

"Pull it" is the term that is used in controlled demolition companies for controlled demolition of buildings. Which Silverstein also works with such companies and knew what the term he used meant.

No plane even came close to Tower 7 on 911. Yet it collapsed the exact same way the Twin Towers came down. And the Jewish owner of the WTC, Silverstein admits HE TOLD THEM TO BLOW [pull it] TOWER 7.

The Twin Towers came down by controlled demotion, just like Larry admits Tower 7 was controlled demolition.

Subject: Mossad Involvement In Munich And Nice

Mossad Involvement In Munich And Nice

My note just like 911, the Subway and Bus bombing's in Britain and on. Mossad, the hand of the Globalist Jewish Elites. Has its involvement in what might be total false flag attacks run by the Mossad in Nice and Munich.

The Jews are pushing things toward a dictatorship of permanent martial law in France by total destabilization of France, this is the plan all across Europe and in America with Jewish Elites like Soros admitting creation of a race war for the same purpose. Total chaos is the normal weapon of the Jew out of which they use to create their agenda of a Jewish dictatorship.

The Jews will use this permanent dictatorship to shut down all remaining freedoms in Europe, ban all Political Parties, media and movements they don't like along with arrests and disappearing dissents. Along with bringing in the Orwellian surveillance state technology they have developed and ready to use.

And with this the Jews will keep open the gates to Europe from the third world till nothing is left. Which was the purpose of the Jewish run and built EU from the start. This ending of Europe is part of the creation of a Jewish Global Dictatorship they already tried to create with Communism.

The reason the Jews are jumping so fast into this now. Is they see the writing on the wall. The Nationalist's in Europe are rising due to their increased invasion from the third world and they need to have a dictatorship now on the ground to stamp out all European resistance. Its no mistake the Nice attack happened around the same time the special police in Germany were arresting dozen's of German Nationalists.

Martial law is not about the Muslim, the Jews are the ones who brought them in, they are the weapon and distraction for the big move. Its about shutting down the European reaction to the finalization of White Genocide and Jewish World Government.

The Nice Terror Attack: Towards a Permanent State of Emergency?

<http://www.globalresearch.ca/the-nice-t...cy/5536046>

The death toll from the Nice attacks on the 14th of July, 2016 is rising.

Latest reports suggest 84 deaths and possibly one hundred more injured. There have been reports of gunfire and the driver of the truck which drove into the crowd near the beach in Nice is reported to have been shot dead.

Once again (as with the Charlie Hebdo and Bataclan attacks) there is no-one to stand trial and truthfully answer the questions that need to be asked – who and why?

At this point, there is not much that can be verified about the attack.

One cannot exclude the possibility that it may have simply been the action of an insane individual. Atrocities of that type are rare but have happened in the past. But there is, however, the strong suggestion and indeed likelihood that this atrocity is a terrorist attack by 'Islamists'. So, what does all this mean?

French domestic intelligence (DGSI) chief Patrick Calvar warned on the 26th of June 2016 that an 'Islamist' attack on French children would be the trigger for a civil war. He said France was currently on the brink of that civil war. Calvar also predicted that ISIS (Da'esh) would use trucks as weapons. It is not unusual in the never-ending war on terror to hear accurate predictions by intelligence officials before attacks, with the same officials seemingly powerless to prevent them.

This 'uncanny coincidence' could be the defining event of our time.

French Prime Minister, Manuel Valls is on record stating that the state of emergency in France would be permanent.

There has been increasing pressure on the Hollande regime in France to change course in the Middle East. Attempts to reconcile with Russia and lift the

sanctions have been blocked by Hollande and Valls.

I believe this is the trigger for a civil war French intelligence warned us about. The question is whether the war will become high intensity or continue on a relatively low-intensity trajectory. There have been police 'whistleblowers' in France who have warned of huge caches of arms in major cities, capable of arming hundreds of thousands of men. However, one must be cautious in referring to such 'whistleblowers' as they have proven to be highly unreliable and may be spreading disinformation.

In any case, the public's belief that we are in a 'state of war' and that all military interventions abroad are therefore necessary will be enough to make citizens look to the state for protection – an oligarchic state which is currently pursuing a brutal class war against workers.

As 90 percent or more of intelligence operations today involve media disinformation, we cannot possibly assume that any of the reports we are hearing are accurate. However, it is hard to see how a psyop could have been carried out in the Promenade des Anglais which is so central in Nice. What we can say for sure is that the attack serves the two constants of the war on terror dialectic. The narrative would read as follows:

1. Make the state of emergency permanent, empowering the oligarchic state and further demoralising citizens by dividing the working class along religious and racial lines. This is part of NATO's 'strategy of tension' in accordance with the longstanding intelligence operation Gladio. Citizens must turn to the anti-social state for 'security', thus precluding social revolt.
2. Justify an all out attack on Syria to finish the job of destroying Arab civilisation, in accordance with US-NATO-Israel geopolitical interests. Only the willfully ignorant could possibly believe that ISIS is an enemy of France when the French have never had better relations with the country which openly backs them – Saudi Arabia. The intelligence reports, declassified documents and admissions of the highest officials of the French and American governments all confirm that ISIS is Israel's Arab legion

Both those two above-mentioned goals serve the interests of US-NATO-Israel and until the French people liberate themselves from its yoke, Zionism will continue to poison the minds of men, making them consent to policies that no honest and compassionate human being would countenance.

An awakening of working-class militancy is occurring but the labour movement in France remains divided and led by social-democratic reformists. Now, more than ever, seeing the link between terrorism and class war is essential if any political and social change is to occur. In an era of high-finance treason, oligarchy, austerity, and the triumph of avarice, terror increasingly becomes a feature of the normal rather than an exceptional exercise of state power.

To quote Mossad agent Richard Gutjahr this video is like something "out of a bad movie" Gutjahr is married to Einat Wilf. Richard Gutjahr who filmed the Nice France Bastille Day Staged attack is married to Mossad agent and Knesset member Einat Wilf.

Wilf is a member of Ehud Barak's breakaway HaAtzma'ut or Independence Faction in the 18th Knesset. She served as a lieutenant with the IDF's 'Shmoneh Ma'atayim' or Unit 8-200 in signals intelligence and decryption, holds a BA in Government and Fine Arts from Harvard University an MBA from SEAD in France and a PhD in Political Science from Cambridge University. She was a foreign policy adviser to Vice Prime Minister Shimon Peres. She replaced MK Ophir Pines-Paz as the 13th member of the Labor faction of 2009. MK Wilf has found herself at the center of controversy over Ehud Barak's recent decision to break from the Labor Party.

<https://www.youtube.com/watch?v=0gNAnqILTKO>

Munich reporter Richard Gutjahr was the cameraman who filmed the now iconic footage of a Truck just before hitting a crowd in Nice. He just happened to be on a Westminster Hotel balcony at 10:30 PM and thought it was a good idea to film a truck driving past.

Less than a week later he is back home in Munich and just happens to be at the Munich McDonalds Shooting.

I VERY MUCH DOUBT HE TOOK ANY FOOTAGE IN MUNICH AS OTHER CHANNELS ARE STATING.

Whether he took the footage or not it would be the greatest coincidence that he would be right at both scenes 6 days apart in different countries.

One can only assume he knew beforehand what was to happen in both instances.

Greetings to all our Satanic People and Comrades.

When one goes into the essence of the jew and penetrates into it, they can see what is "modern" is not modern at all. The same includes for their lies. In the universe, there is the principle of multiplication. As power increases, all the more does it increase, the same goes for Wealth, misery, and affliction, whatever else. This can be paralleled to a domino effect. Repetition is in many ways part of this circle. In very plain and simple language, not only "like attracts like" in some ways, but "like attracts multiplied like" in this case. The jew always lied and they lied big, and now they just lie even more. What is to come, is even more lies. As time goes, more and more, and more lies will follow. Truth cannot by definition be a multitude of lies.

People in these days, thanks to the jews who have made everyone unspiritual, are easily amazed, afraid, duped etc. Life has become either boring and a mundane task of paranoid anxiety (Colorless West), a bongoloid hallucinogenic sleep with drugs (LSD Colorful West), illusions or whatnot, or like a slaver islamic or impoverishment battlefield such as in the "East". The enemy is somehow trying to process into the mind of people, whom they consider animals (Goyim in Hebrew), that things nowadays are somehow so much better, and that civilization is very advanced. Their lies go as far, that if Humanity accepts the jew and their "globalization", all problems will magically disappear with a wand for everyone. Equality, fraternity and the rest of that stuff. However, the more the jews gain power, the more the opposite happens- as it always did. Humanity is not becoming more fruitful, but more frail. Reality is not becoming better, but faker. The list goes.

Of course, all others do, make, envision and create the advances with which the jews are trying to push their Jew World Order Agenda. The jews just adjust them to their "Torah" and destroy their innate meaning, turning them into the polar opposite and reverse. That's something that is ancient, and has been happening since forever.

While everyone else dies and perishes in delusions, paranoia, a meaningless existence, crappy socially destructive ideas, the jews stay as close as possible to nature and what they know of it. The "Goyim", according to the jews, are defined by having the consciousness of an animal. This includes all non-jews. The jews are the ones causing this, and they live by that rule.

The jew creates the people like this, based on what they see and believe humanity is supposed to be.

So, "Naturally" for the jews, a "Goyim" is supposed to be played with a carrot, or with a stick, be afraid all the time like an unknowing animal, be exploited their whole life, and then killed for its meat. The jews actually feast on human beings...And see beings as literal cattle...

The jews want to present depravity such as any other product. "New, Revolutionary, Will Change your Life" etc. For instance, one takes Race Mixing. Race mixing is nothing new existentially. It has happened for thousands of years, and it has weeded out many civilizations. Nothing "new" or "taboo" in it, or "recent". Its just the same old, boring garbage, that existed for thousands upon thousands of years. Globalization is also, nothing recent. The Ancient Empires practiced something similar, and one just needs to see how huge they were in order to understand this. The jews however, do adjust these ideas to fill in for their Agenda and benefit from them, with all the new provided means that come from their times, plus all other powers and new things involved in Humanity's forward-going.

In this world, people are intensively unaware of a lot of things. This includes emotion, how it is to live a spiritual life, how it is to live in a good country, the list goes. As thus, the standards of the "Goyim" are really low. Most people have very low standards, and the jews make sure these are lowered by the day. In the same way, the jews create intensively fake and unrealistic standards, which are not "standards", but excuses for inaction, justifications of weakness and the list goes. The jew is unaffected by these programming they put into the Goyim's minds, and they proceed just with what is natural, such as work, labor, repetition and the list goes- things that pay off, spiritually or materially. The jew's work and labor is intensive parasitism. The same goes for all their intellectual pursuits and everything else.

When people are self-hating, animal behaving, historically unaware "Goyim" as the enemy intends them to be, they are blind, easily controllable, frail, weak and without many expectations, neither a past nor a future. The destruction of racial, national and cultural identities, is also, nothing new. This is tens of thousands of years, century old, warfare tactic. Not only this damages the people, but this damages their Race, their Soul, their Nation and everything else. This gives fertile grounds for the jews to do their work.

The jew is a civilization destroyer. All civilizations have drastically deteriorated from the jews in a level of low sense materialism, or fake spirituality. What is common in this "seemingly" antithetic thing, is that both things are lies and worthless and equally useful to the jews. Both "otherworldly spiritualism" and "incessant materialism". However, since people have nothing anymore, not even their own Souls, they don't make "demands" anyway, neither they will figure it out (and so the jews hope). Something however keeps "nagging" them all the time. "Its just how life is supposed to be", said the jews. "It always was like this", said the jews.

The "Goyim" who have accepted the jews as the ultimate source of "ruling", bow their little heads and get on with their way. Too afraid to lose their meaningless, bizarre, mundane survival "life". Others however persist into a chasing of Truth or at least, to discover "What" is this thing that nags them. Then people naturally become "Satan's", in that they are revolting consciously or not against the jewish order. Whatever opposes this order, from the mouth of the jews themselves, is by definition OF SATAN. This way, people end up here.

If one gets to observe civilization or its notion beyond the space time continuum of our "present" lifetime, they will see other values and other things unfolding. Values and anything we have today, "art" and anything else, will quickly reek as inferior, because in many way, it \*IS\* inferior. A lot of people have lost the sense of what is really "superior" or "inferior", thanks to the jew, the masters of lies and illusions. One just needs to look at Egypt, and then look at some disgusting "feces on a canvas" by a jew, to understand this.

The same goes for the jewish terrible singers, "Artists", "Academics" and everyone else. The jews are masters of subculture of the lowest grade. These people are chock filled with "autotune", "feces on a canvas", fake surveys done in Tel Aviv and promoted as legitimate "science", and assisted by all sorts of

machines, because they simply cannot do anything concrete. Yet, because the "Goyim" who can do better, in their self-limiting behavior of accepting the jew and their remarks on how "Worthless" they are, they self-limit themselves into being lesser elements in many ways. So the talentless, idiotic, lowest grade jew can reign supreme.

Nowadays civilizations are built on entirely stupid values. The jews try to pass ancient problematic that were known to be of decay, which were always known as being the crap and excrement of existence, as "new and good". Part of this is Race mixing. Even the Egyptians in the Pyramid texts, warn against this, as the "Essence of the Creator God Tem" deteriorates as people Race Mix, and people lose the "Eye of Ra"- the pineal gland deteriorates. The pineal gland is responsible for astral sight, insight, maturity of the mind and soul, creativity, imagination, and finally the Godhead. The same goes for living overly physically (which causes Race Mixing in the first place), people accept life in an imbalanced materialism, without spirituality. Since the visualization skills, or the Soul, are not activated and needed, this deteriorates the Soul and the being and according to the laws of evolution, the gifts given for higher understanding are lost forever. When one loses this capability, then, they are easily controlled and enslaved. This in a nutshell is in the category of general stupefaction of the masses.

The jews just need "Goyim" around to execute menial tasks for them and nothing more. This is the essence of what is politically called "Communism", but is a very ancient practice of the jewish mind and psych (read the Torah and the Talmud)- base existence for everyone else, "God World" for the jews. This is the formula of the Jew World Order. Another overly placed value is "money". Money is good and great in itself, however, in today's overrated world, nobody even gives a damn about anything else but "money". This creates a civilization that is in accordance to the materialist jew, and the lackeys who want to profit from this to hide their inner inferiority. In this way, the useful people are in the bottom, while the worthless kikes are in the top, merely because of their ability to do usury, steal and parasitize. The same goes for lying in history, as the jews re-write history to make everything seem that it "always was that way". It wasn't that way, and there is documented evidence in all Ancient Civilizations.

The enemy is perverting and lowering the standards of living of people all the time. This is gradually done by lowering wage, hoarding people in debt, and the list goes. That way, people welcome always the "lesser of the two evils" when they are faced with a choice. This is obvious in politics and everywhere else. Now, the same goes with technology.

People consider amazing a cellphone, or "Virtual Reality", or whatever else. It may be, for this totally materialist civilization that beings live nowadays. If people knew about telepathic communication, astral travel, and the list goes, they wouldn't be so amazed. However, in a materialistic society the jews beat the drum on the unspiritual "goyim", and they instantly fall for it. No wonder, technology is a gift from the Gods (partially), is here to serve us, which the enemy desecrates in order to suit their agenda. For instance, little people penetrate into the inner notion of things. A cellphone tracks you down. Why does it even have this ability? People nowadays make big deals out of nonsense, such as a jew sitting on a cloud or something. Did it ever dawn to you that a Cellphone is not really "yours", in that is always belongs to the company from which you buy it? And google and everyone else? However, if people developed these powers in themselves, or the powers of the spirit, they would really by \*THEIRS\* and nobody else's, let alone any jew's.

As I have said tens of times, the Tech is not the problem and in itself can be a blessing or a curse. I tried this "VR" thing myself, and saw not any substance to it. It could also be used for constructive purposes. It wasn't amazing either and the one that I was shown in this display, was the high end of what is circulating in the market. It's just senseless "revolutionism". So a screen is in your face, so what. A good imagination can do a lot more than any headset. Instead of living in reality, people are clapping loud for being fed with lies and illusions. On one hand people are sexually repressed by the jewish bible, on the

other hand, they want to "escape" and the jews give them their "sexual escape", the same goes for any other desires such as wealth, knowledge, or a life in general- (with a price of course, are coupled the deceptions...). What a happy day for civilization. But well, of course- a lot of people are also too bored to even visualize, or strive for any goal. They may just live it digital instead.

Why live an actual life that is amazing, or at least try, isn't the question? So for the billions of people who live in fear and control, there had to develop some sort of "other" system to fill in. No guys, its not like the jews created these things for your good or your fun. Maybe things produce "fun", when they destroy you and they brainwash you, or make you lose your Soul. Otherwise, how can they be accepted? Nobody likes obvious suffering, or at least the majority.

After all, the enemy has studied the "Goyim" and all this tech race is happening so that infinite data (and infinite control) is exacted upon the Goyim populace. Little does anyone see that behind all these things that are given like this, there may be other purposes. In the same way the jews promoted a lying afterlife, upon which people burn in some hellfire- a hoax and a lie, they promote the same lies in some sort of afterlife in tech. Its nothing new. Its just oldtime, Talmud. With the help of tech, they produce these lies in front of the people's eyes.

The same goes for Robotics. While Robotics could be used to help Humanity, the main line behind robots are built again, from the same insecurities and fears, or vain dreams. "Robots will work for us so we can sit our asses until eternity", "Your favorite sexual robot" and the list goes. The promotion that artificial intelligence can make "friends" and the list goes, or even think and act on its own, is a major thing in movies. Movies are actively used to brainwash the populace and make people open into any "sort of advances" in any department. The idiotic average joe, who saw a movie in 2005, is gladly going to accept what is happening in 2015 and was in that movie. "Sooo Futuristic Muh Bro...", is the line. Or in other ways, "Oh the godly jews again predicted the future! Hooray!". Bottom line, the jews "create" this future and this is not "nature", "reality" or even "god" or anything.

The jew has for centuries promoted a useless, meaningless and garbage life of slavery for the "Goyim". Why do these people need to sit, anyway? What is there to really do for them? The jews are duping humanity real bad. Little does Humanity know, that "Robotics" is an ancient will of the jews. It may sound insane, but it was always their idea to enslave other lifeforms or other inanimate objects to do their "bidding". There are actual records of mentally insane Rabbis trying to make "clay idols" like "god" in order to serve them. While Gentiles like to co-operate, and live life, and build the greatest things with their civilizations or people, the inferior jews in some basement in Spain in the Middle Ages, were trying to create "Golems". In sort, effigies that served the jews in their wills.

Now, thanks to having the Gentiles enslaved for centuries, they can finally manifest their will. Of course the carrot for the Gentiles will be the usual: "its going to be fun.", "don't worry its for the good of humanity.", "they will serve you too not only us.", "imagine the possibility.". The list goes.

Like with anything else, unless we intervene, Humanity will again invent these things, and they will be taken over by the psychotic jews for their demands. The tool in itself doesn't matter. What matters is what is done with the tool.

I am not talking "against" this, as tech is always neutral, but so long these are on the hands of the jews, one should better think twice on what they do. What you do with your life now, not only will determine the world's condition, but it will also determine what is the eternal part of yourself. No matter how many "VR" realities you visit, even if you went into a damn computer and became heidi, no matter how much heroin the jews tell people to put in their veins, no matter how many trillions the jews tell you your "desires" are worth, the Human being is designed by definition to be a spiritual being and to live in an

actual world. No amount of pills, genetic engineering, stupidity, Christianity, denial of reality, is going to change this. The jews always created illusions and bluffs for people, to keep them away from any particular purpose in their life. This way, the jews win their so needed time, in order to further their agenda. They don't give you fun because they love you, and this is not even fun in many ways.

The Jew misdirects the collective future of Humanity and its Races. They are misdirecting it and attempting to misdirect it in a full blown Torah, Middle Ages, Communism, just with modernized technology.

Instead of Tesla being allowed to exact his Soul upon the World and elevate it to a higher level (Which he did, because we have electricity etc), jews just kept the oil bussiness going.

Instead of devoting money to actually elevate the health level of Humanity, all the money is spent on furthering or hiding the sicknesses of Humanity by just covering symptoms.

Instead of creating multidimensional tech, or multidimensional travel, billions are spent in creating wasteful fake realities in "VR" for people to play. Instead of doing the necessary teaching to Humanity so that people are sexually gratified in reality, the jews develop fake systems so that they can co-join into some "online haven" and have sex with some sort of computer program.

Instead of making Mankind God, they make Mankind into a LIE!

While all this happens "down here", the jews are preparing Race Wars, famines, WW3, corporations and the list goes.

What more needs to be said?

Doesn't that reek like some sort of alien conspiracy?

The jews always preach depravity and their "Torah" like its some sort of a "New" thing. New Lies, New Cloth, ancient Jewry- that is as it always was and will NEVER change. For instance, the "University theorems" about how Whites need to be wiped out (from (((Doctors))) like Noel Ignatiev) are nothing but old Torah, fabricated with some survey or some crap. What's the news in all of this?

Nothing will nurture a Soul in a deep level, than some spiritual practice. Like a hungered who has hungered for decades, people are presented with spiritual information and they cannot really digest it. This is normal.

I know this message might sound a bit "strange" to a lot of people. Maybe even uncomfortable. However one must look behind these matters. "Comfort" should not be more important than Truth. Comfort will not save your ass, or anyone else's. Comfort will not make you immortal, and comfort is not a legit measure of what is good and what isn't. It never was.

Humanity must change it course. If it however doesn't do this, there will be a problem from which Humanity will not be able to recover. We are here to make

sure that there will be a spiritual war against this, an awakening, and above all, a resistance and a hope for freedom for Humanity.

Humanity has a bright, Aquarian Satanic future to live and exist in potentially. We must not allow the enemy, or any other being to rob this from us and turn this into a nightmare. This chance must not be wasted and the best has to be made out of it. For this reason, we must fight and finally destroy the enemy, who has kept Humanity back and shackled into spiritual, material and existential bondage.

Jew Medical Scams

The drug and vaccinations multinational companies are owned by the Jewish Rothschild's and Rockefellers as Mullins pointed out in his work.

Bayer is a Rothschild company. They purposely dumped AIDS infected drugs onto the global market. Why..... When more people have AIDS they will need more AIDS medications and the Jews sit back and make more shekels. Problem, reaction, solution.

Makes you wonder if they didn't just create the AIDS virus in the start as evidence points to and injected it into the populations by injected vaccines..... They already got caught deliberately infecting millions of people with AIDS here.....

Makes you wonder what else are they putting in those vaccines they are trying to force onto the public by force of law....

<https://www.youtube.com/watch?v=cphkD-9NUe8>

Drugs company Bayer realised their product had been contaminated with AIDS, so what did they do, they still sold it because they didn't want to lose money, and when the US officials found out, they knew they couldn't continue, so they sold it to the Europeans, with full knowledge of US officials.

Now another drugs company, Baxter got caught shipping vaccines with live bird-flu virus in them to 18 countries, and when caught out were calling it an 'accident' !!!:

How far will the Jews who run these scams go to make shekels, they will even make something that its common sense that its not a disease into being a disease like.....Being fat.

The American Medical Association has officially recognized obesity as a disease, a move that could induce physicians to pay more attention to the condition and spur more insurers to pay for treatments.

In making the decision, delegates at the association's annual meeting in Chicago overrode a recommendation against doing so by a committee that had studied the matter.

"Recognizing obesity as a disease will help change the way the medical community tackles this complex issue that affects approximately one in three Americans," Dr. Patrice Harris, a member of the association's board, said in a statement. She suggested the new definition would help in the fight against Type 2 diabetes and heart disease, which are linked to obesity.

To some extent, the question of whether obesity is a disease or not is a semantic one, since there is not even a universally agreed upon definition of what constitutes a disease. And the A.M.A.'s decision has no legal authority.

Still, some doctors and obesity advocates said that having the nation's largest physician group make the declaration would focus more attention on obesity. And it could help improve reimbursement for obesity drugs, surgery and counseling.

"I think you will probably see from this physicians taking obesity more seriously, counseling their patients about it," said Morgan Downey, an advocate for obese people and publisher of the online Downey Obesity Report. "Companies marketing the products will be able to take this to physicians and point to it and say, 'Look, the mother ship has now recognized obesity as a disease.' "

Two new obesity drugs — Osymia from Vivus, and Belviq from Arena Pharmaceuticals and Eisai — have entered the market in the last year.

They also say that "medicalizing" obesity by declaring it a disease would define one-third of Americans as being ill and could lead to more reliance on costly drugs and surgery rather than lifestyle changes. Some people might be overtreated because their B.M.I. was above a line designating them as having a disease, even though they were healthy.

The Jewish Texts Admit Satan Is the Father of the White Race And Orders Extermination Of All Whites

In the Jewish writings Samael [Hebrew word for Satan] is called the father of the Aryan race openly. The White race is also called Amalek in the Jewish writings and Samael is stated to be the White race's father here. Here in the Jewish writings we note the Jews heap blasphemy upon Gentiles and Satan. And gives the direct order to exterminate the White Race, along with all Gentiles, the "mixed multitude" it describes the different Goyim but puts the White Race into a special category to be "bolted out" forever as it states below we are the children of Samael/Satan, directly.

The Jewish Zohar volume one, pages 28b to 29a states:

"At that time the mixed multitude shall pass away from the world. The mixed multitude are the impurity which the serpent injected into Eve. From that impurity came forth Cain who killed Abel. For they are the seed of Amalek. Whom it said "thou shalt blot out the memory of Amalek." Gentiles who are compared to the beasts of the field another from the mazikin [goblins] for the souls of the wicked are literally mazikin [goblins] of the world: and there is impurity from the side of the demons and evil spirits: and there is none so strange among them as Amalek who is the evil serpent "the strange God." He is the cause of all unchastity and murder and his twin soul is the poison of idolatry, the two together being called Samel.... This side of the serpent is accused above all."

## Anti-Racist 'Heathens': So Pagan They Want to End Our Bloodlines

<http://www.renegadetribune.com/anti-racist-heathens-so-pagan-they-want-to-end-our-bloodlines>

*"The Germans, I am apt to believe, derive their original from no other people; and are nowise mixed with different nations arriving amongst them..."* – Tacitus, Germania\*

*"For myself, I concur in opinion with such as suppose the people of Germany never to have mingled by inter-marriages with other nations, but to have remained a people pure, and independent, and resembling none but themselves. Hence amongst such a mighty multitude of men, the same make and form is found in all, eyes stern and blue, yellow hair, huge bodies..."* – Tacitus, Germania\*\*

### Anti-Racist "Pagans" Are Hypocrites

Apart from the conspicuous presence of feminists, faux-anarchists, marxists, jews, people of "color" (brown?), homosexuals, and self-hating White beta males amongst them, the thing that is most amusing about so-called anti-racist Heathens is the inherent hypocrisy of their comments on our pre-christian forebears in relation to the issues of racialism and politics. Anti-racists (read: anti-Whites) will scream at the top of their lungs that our Pagan ancestors "were not racist!", doing so in such a way as to give the impression that they surely must have been staunchly racially

egalitarian, pro-multiracialism, and that not only did they have no beliefs or collective tendencies which would suggest they would have opposed race-mixing, but they would even likely have considered such a position shameful, dishonorable, immoral, and unkind.

Before going any further let it just be stated that the so-called Wicca movement is made up mostly of feminists (including any "men") who hate men along with universalist "Pagans" who bash christians while trying to outdo them in their attempts at signaling universal moral righteousness. They have merely secularized the judaic slave morality found within judeo-christiansity. In reality they are nothing but a bunch of secular christians who have turned "God" into a woman, replaced misogyny with misandry, and who adhere to a modern "progressive" morality and worldview. Much of the founding for the historical perspective of the anti-racist "Pagan" is tainted by contemporary jewish myths emanating from academia [Think Franz Boas, Ashley Montagu, Richard Lewontin, Jared Diamond, Stephen Jay Gould, etc.]. As a result, they are very often dogmatic when it comes to imposing a subversive, modern morality onto our forebears. Anti-racist "Heathens" have a notably egalitarian, i.e. judeo-christian, universalist morality and conception of good and evil. When they speak of racialism and anti-jewish sentiment [they sound like christards](#) neurotically seeking to instill in others the impression that their ways are sinful and that their fate shall be cruel lest they repent and atone. It is funny (yet sad) and truly ironic that so-called witches and Heathens are now taking on the role of the christian in their attempts to burn us at the stake of public moral opinion.

Let us not be reactionary and delude ourselves into believing that we are able to be exactly as our predecessors were, i.e., come to imagine that we are capable of experiencing being in no way different than they themselves, in the sense of how they interpreted and perceived their existence. Our own lives will be unique, adapted to the reality of our current collective circumstances, and not identical to the situations we faced thousands of years ago. Naturally, we must adapt to our present existential truth as it pertains to our race's future life. As a race, as a people, we must deal with today's conditions, just as they undoubtedly would have done.

Another point of incoherence coming from anti-White persons calling themselves Heathen or Pagan is the notion that there is a rational argument to be made that racialist Pagans are not *real* Pagans because they have an interest in politics. Everything is political at the collective level. Our forebears certainly were not apolitical. The political landscape and realities were surely different, but apoliticalness is collective impotency. They would have defended their interests as a people. The notion that these cultural marxists better represent our ancestors' worldview is completely absurd, since if they were listened to we would eventually go extinct.

A lot of this is just common sense; or, should be, and most assuredly once was. It really is simple logic. Also, how do they explain the hypocrisy of their charge that Pagans who mix racialism with Paganism are abusing Paganism, and misusing it as a cover for politics, when they themselves have organizations such as "Heathens Against Hate" and "Heathens United Against Racism"? Are they themselves somehow not political, also?

Apart from Varg Vikernes, or those who point to Tacitus, not many racialist Pagans make the claim that they find explicit justification for their racialism in the myths, or recorded pre-christian European history, or any such thing. And so, this is yet another point of irrationality on the part of these so-called Heathens. They always feel the need to state that Pagans who adhere to racialism do not represent authentic Heathendom, as if somehow their opposition to it makes

them more qualified representatives. Again, very few racist Pagans claim they find explicit justification for racism in the myth, rather they simply use reason, natural instinct, and common sense in their affirmation of its righteousness and just cause. It is not a coincidence that many racists gravitate toward our ancestral ways. We do not use Paganism to justify our racism, we use racism to justify our Paganism.

If, based on the belief that there is no explicit mention of or dictate on race in the Lore, racist Pagans are abusing and misusing their ancestors' Pagan myths, symbolism, and imagery simply by being racial, then by that same line of reasoning so too are anti-racist Pagans abusing and misusing these myths and aesthetics by being so aggressively anti-racial.

Lastly, our pre-Christian kin of days long past did not practice a dogmatic faith where their religion was separate from their everyday life. It was not unchanging, and its intended function was to advance and improve the collective life of the folk, not hinder it. Did they even have a name for their particular spiritual world conceptions, or did they just have terms to describe merely some of their beliefs and practices? If a clan member were to stop believing in certain things, would they no longer be treated as kindred peoples, or would they still be seen as kinfolk? Regardless, we see no commandment to race-mix, to remain apolitical, to not defend our racial inheritance, to be submissive, suicidal beta males, nor to be so anti-Nature as to consider our ancestors' biological truths to be of arbitrary significance. We are them. They are us. We are our Pagan forebears, and in the most literal and meaningful sense, for if our Blood becomes mixed there shall be no return to the state of being which produced Paganism to begin with, but so long as the Blood remains pure there remains hope and the potential that future offspring – even those of the most degenerate members of our race alive at present – will one day achieve individuation in conjunction with Nature-derived enlightenment accorded them by whatever the divine force is which animates the cosmos.

*“Óðinn actually sends Heimdallr to Earth to create a better human race. His first attempt is called Trel (Thrall), but he is black, ugly and stupid, so Heimdallr pays no attention to him and keeps trying. The next result is Karl (Free Man), who had red-brown hair, is tall and strong. He is still not satisfied though, so he keeps trying. Then finally he gets a son called Jarl (Proto-Norse \*EirilaR, English Earl), that is fair-eyed, intelligent, beautiful and fair (European). Heimdallr had finally created a man who is good enough for Óðinn and Valhalla, so he teaches him – and only him – the runes (secrets) of the gods and Valhalla is opened up to his kin. His kin is the only one that will be let over the bridge that leads to Ásgarðr (“the court of the Æsir” or “the yard of the Æsir”). The others will ignite and fall down like rocks if they set their foot on this bridge, that is guarded by Heimdallr.*

*To enter at all you need to be of Jarl's kin and be innocent and not bring anything impure, but to be able to leave again after visiting you need to be alive too. Naturally it doesn't really matter what you say as the guardian of the bridge already knows all the answers (he is after all Heimdallr, the white god or “Santa Claus” if you like, who knows everything there is to know about his children already), but if you try to lie to him you will certainly be surprised by what happens (just ask King Arthur and his knights...). *"We cannot possibly get beyond our present level of culture unless we receive a powerful impetus from our primitive roots. But we shall receive it only if we go back behind our cultural level, thus giving the suppressed primitive man in ourselves a chance to develop. How this is to be done is a problem I have been trying to solve for years... The existing edifice is rotten. We need some new foundations. We must dig down to the primitive in us, for only out of the conflict between civilized man and the Germanic barbarian will there come what we need: a new experience of God..."*

[...] In fact, I venture the heretical suggestion that the unfathomable depths of Wotan's character explain more of National Socialism than all three reasonable factors put together."*

-Dr. Carl Gustav Jung, Wotan

*"When, for instance, the belief in the God Wotan vanished and nobody thought of him anymore, the phenomenon originally called Wotan remained; nothing changed but its name, as National Socialism has demonstrated on a grand scale. A collective movement consists of millions of individuals, each of whom shows the symptoms of Wotanism and proves thereby that Wotan in reality never died, but has retained his original vitality and autonomy. Our consciousness only imagines that it has lost its Gods; in reality they are still there and it only needs a certain general condition in order to bring them back in full force."*

*"One form of Odin is dead, that is, the Odin who was the highest of the many gods who appeared as the embodiment of a generation still given up to natural symbolisms. *"As long as a people lives, its gods are immortal."*

-Dr. Alfred Rosenberg, *The Myth of the Twentieth Century*

*"Through the racial question alone, i.e. through the eternal laws of blood, of type, of nature, we can understand life and history. The results of the inquiries of natural science in the field of racial science disprove the fundamental concepts of the past. The Folkish Movement is the first political consequence of the more recent findings of science. National-Socialism deliberately places race at the center of political thought. Blood and Soil are the two most important foundations of life. "Blood" and "soil" are however not material, but the highest ideals. As our Germanic forerunners already recognized, blood and soil are eternal and holy values. For eternal is the bloodline which manifests itself from the past through the present into the most distant future. And eternal too is the soil, hallowed by the blood poured forth in its defense. These highest core-values place a great obligation upon us: remember that you are a progenitor! Only a people that observes the eternal laws of the preservation of the type, that believes in its own racial strength, has a future!"*

-Hansjoerg Maennel, *Race According to the NSDAP*

*"...behind me I see the path of my race passing back through the distant millennia until it is dimmed by the mist of time - [...] My race's entire path through time I do not know - but, I do know that I live and that I am only a link in the chain in which no link must fail, so long as my people live. Otherwise, I never would have been."*

-Wulf Sørensen, *The Voice of the Ancestors*

*"The idea of metagenetics may be threatening to many who have been taught that there are no differences between the branches of humanity. But in reflecting, it is plain that metagenetics is in keeping with the most modern ways of seeing the world. A holistic view of the human entity requires that mind, matter, and spirit are not separate things but represent a spectrum or continuum. It should not be surprising, then, that genetics is seen as a factor in spiritual or psychic matters. And the ideas put forth by those who see consciousness as a product of chemistry fit into metagenetics as well - for biochemistry is a function of organic structure which in turn depends upon our biological heritage. We of Asatru are concerned about our ancestral heritage, and we consider our religion to be an expression of the whole of what we are, not something that we arbitrarily assume from without. It also explains why those who do not understand us accuse us of extreme ethnocentrism or even racism - for it is clear from metagenetics that if we, as a people, cease to exist, then Asatru also dies forever. We are intimately tied up with the fate of our whole people, for Asatru is an expression of the soul of our race."*

-Stephen McNallen, *Metagenetics*

*"Our religion is a function of who we are, not just what we believe. Since the human being is a holistic entity, our spirituality cannot be considered something apart from our physical ancestry. In terms of both genetics and metagenetics, our ancestors are encoded into our very beings. From values and temperament - which have been shown to correlate statistically with heredity - to the deeper issues of spirit, our forefathers and foremothers continue to influence us. It seems reasonable, then, to predict that people will tend to be most fulfilled by the religious and spiritual paths of their ancestors. Properly presented, the ancient ways of one's people should exert a powerful draw on the individual."*

# Anti-Racist 'Heathens': So Pagan They Want to End Our Bloodlines

<http://www.renegadetribune.com/anti-racist-heathens-so-pagan-they-want-to-end-our-bloodlines>

*"The Germans, I am apt to believe, derive their original from no other people; and are nowise mixed with different nations arriving amongst them..."* – Tacitus, Germania\*

*"For myself, I concur in opinion with such as suppose the people of Germany never to have mingled by inter-marriages with other nations, but to have remained a people pure, and independent, and resembling none but themselves. Hence amongst such a mighty multitude of men, the same make and form is found in all, eyes stern and blue, yellow hair, huge bodies..."* – Tacitus, Germania\*\*

### Anti-Racist "Pagans" Are Hypocrites

Apart from the conspicuous presence of feminists, faux-anarchists, marxists, jews, people of "color" (brown?), homosexuals, and self-hating White beta males amongst them, the thing that is most amusing about so-called anti-racist Heathens is the inherent hypocrisy of their comments on our pre-christian forebears in relation to the issues of racialism and politics. Anti-racists (read: anti-Whites) will scream at the top of their lungs that our Pagan ancestors "were not racist!", doing so in such a way as to give the impression that they surely must have been staunchly racially

egalitarian, pro-multiracialism, and that not only did they have no beliefs or collective tendencies which would suggest they would have opposed race-mixing, but they would even likely have considered such a position shameful, dishonorable, immoral, and unkind.

Before going any further let it just be stated that the so-called Wicca movement is made up mostly of feminists (including any "men") who hate men along with universalist "Pagans" who bash christians while trying to outdo them in their attempts at signaling universal moral righteousness. They have merely secularized the judaic slave morality found within judeo-christiansity. In reality they are nothing but a bunch of secular christians who have turned "God" into a woman, replaced misogyny with misandry, and who adhere to a modern "progressive" morality and worldview. Much of the founding for the historical perspective of the anti-racist "Pagan" is tainted by contemporary jewish myths emanating from academia [Think Franz Boas, Ashley Montagu, Richard Lewontin, Jared Diamond, Stephen Jay Gould, etc.]. As a result, they are very often dogmatic when it comes to imposing a subversive, modern morality onto our forebears. Anti-racist "Heathens" have a notably egalitarian, i.e. judeo-christian, universalist morality and conception of good and evil. When they speak of racialism and anti-jewish sentiment [they sound like christards](#) neurotically seeking to instill in others the impression that their ways are sinful and that their fate shall be cruel lest they repent and atone. It is funny (yet sad) and truly ironic that so-called witches and Heathens are now taking on the role of the christian in their attempts to burn us at the stake of public moral opinion.

Let us not be reactionary and delude ourselves into believing that we are able to be exactly as our predecessors were, i.e., come to imagine that we are capable of experiencing being in no way different than they themselves, in the sense of how they interpreted and perceived their existence. Our own lives will be unique, adapted to the reality of our current collective circumstances, and not identical to the situations we faced thousands of years ago. Naturally, we must adapt to our present existential truth as it pertains to our race's future life. As a race, as a people, we must deal with today's conditions, just as they undoubtedly would have done.

Another point of incoherence coming from anti-White persons calling themselves Heathen or Pagan is the notion that there is a rational argument to be made that racist Pagans are not *real* Pagans because they have an interest in politics. Everything is political at the collective level. Our forebears certainly were not apolitical. The political landscape and realities were surely different, but apoliticalness is collective impotency. They would have defended their interests as a people. The notion that these cultural marxists better represent our ancestors' worldview is completely absurd, since if they were listened to we would eventually go extinct.

A lot of this is just common sense; or, should be, and most assuredly once was. It really is simple logic. Also, how do they explain the hypocrisy of their charge that Pagans who mix racialism with Paganism are abusing Paganism, and misusing it as a cover for politics, when they themselves have organizations such as "Heathens Against Hate" and "Heathens United Against Racism"? Are they themselves somehow not political, also?

Apart from Varg Vikernes, or those who point to Tacitus, not many racist Pagans make the claim that they find explicit justification for their racialism in the myths, or recorded pre-christian European history, or any such thing. And so, this is yet another point of irrationality on the part of these so-called Heathens. They always feel the need to state that Pagans who adhere to racialism do not represent authentic Heathendom, as if somehow their opposition to it makes

them more qualified representatives. Again, very few racist Pagans claim they find explicit justification for racism in the myth, rather they simply use reason, natural instinct, and common sense in their affirmation of its righteousness and just cause. It is not a coincidence that many racists gravitate toward our ancestral ways. We do not use Paganism to justify our racism, we use racism to justify our Paganism.

If, based on the belief that there is no explicit mention of or dictate on race in the Lore, racist Pagans are abusing and misusing their ancestors' Pagan myths, symbolism, and imagery simply by being racial, then by that same line of reasoning so too are anti-racist Pagans abusing and misusing these myths and aesthetics by being so aggressively anti-racial.

Lastly, our pre-Christian kin of days long past did not practice a dogmatic faith where their religion was separate from their everyday life. It was not unchanging, and its intended function was to advance and improve the collective life of the folk, not hinder it. Did they even have a name for their particular spiritual world conceptions, or did they just have terms to describe merely some of their beliefs and practices? If a clan member were to stop believing in certain things, would they no longer be treated as kindred peoples, or would they still be seen as kinfolk? Regardless, we see no commandment to race-mix, to remain apolitical, to not defend our racial inheritance, to be submissive, suicidal beta males, nor to be so anti-Nature as to consider our ancestors' biological truths to be of arbitrary significance. We are them. They are us. We are our Pagan forebears, and in the most literal and meaningful sense, for if our Blood becomes mixed there shall be no return to the state of being which produced Paganism to begin with, but so long as the Blood remains pure there remains hope and the potential that future offspring – even those of the most degenerate members of our race alive at present – will one day achieve individuation in conjunction with Nature-derived enlightenment accorded them by whatever the divine force is which animates the cosmos.

*“Óðinn actually sends Heimdallr to Earth to create a better human race. His first attempt is called Trel (Thrall), but he is black, ugly and stupid, so Heimdallr pays no attention to him and keeps trying. The next result is Karl (Free Man), who had red-brown hair, is tall and strong. He is still not satisfied though, so he keeps trying. Then finally he gets a son called Jarl (Proto-Norse \*EirilaR, English Earl), that is fair-eyed, intelligent, beautiful and fair (European). Heimdallr had finally created a man who is good enough for Óðinn and Valhalla, so he teaches him – and only him – the runes (secrets) of the gods and Valhalla is opened up to his kin. His kin is the only one that will be let over the bridge that leads to Ásgarðr (“the court of the Æsir” or “the yard of the Æsir”). The others will ignite and fall down like rocks if they set their foot on this bridge, that is guarded by Heimdallr.*

*To enter at all you need to be of Jarl's kin and be innocent and not bring anything impure, but to be able to leave again after visiting you need to be alive too. Naturally it doesn't really matter what you say as the guardian of the bridge already knows all the answers (he is after all Heimdallr, the white god or “Santa Claus” if you like, who knows everything there is to know about his children already), but if you try to lie to him you will certainly be surprised by what happens (just ask King Arthur and his knights...). As we know, only the*

*good children get presents from "Santa Claus" on the Yule Eve, and the rest get their stockings filled with ashes (and that ashes is all that is left of other "bad" children who tried to cross the rainbow bridge) from the chimney.*

*This is the mythology, a pretty unmistakably racist statement left to us from our forefathers. So are people like me "blind", and do we "misuse" the symbols and religion of our forefathers when we spread racism?*

*"We cannot possibly get beyond our present level of culture unless we receive a powerful impetus from our primitive roots. But we shall receive it only if we go back behind our cultural level, thus giving the suppressed primitive man in ourselves a chance to develop. How this is to be done is a problem I have been trying to solve for years... The existing edifice is rotten. We need some new foundations. We must dig down to the primitive in us, for only out of the conflict between civilized man and the Germanic barbarian will there come what we need: a new experience of God..."*

*"Because the behavior of a race takes on its specific character from its underlying images, we can speak of an archetype 'Wotan'."*

-Dr. Carl Gustav Jung, Wotan

*"We are always convinced that the modern world is a reasonable world, basing our opinion on economic, political, and psychological factors. [...] In fact, I venture the heretical suggestion that the unfathomable depths of Wotan's character explain more of National Socialism than all three reasonable factors put together."*

-Dr. Carl Gustav Jung, Wotan

*"When, for instance, the belief in the God Wotan vanished and nobody thought of him anymore, the phenomenon originally called Wotan remained; nothing changed but its name, as National Socialism has demonstrated on a grand scale. A collective movement consists of millions of individuals, each of whom shows the symptoms of Wotanism and proves thereby that Wotan in reality never died, but has retained his original vitality and autonomy. Our consciousness only imagines that it has lost its Gods; in reality they are still there and it only needs a certain general condition in order to bring them back in full force."*

-Dr. Carl Gustav Jung in a letter to Miguel Serrano

*"The past of human existence as a whole is not a nothing, but that to which we always return when we have put down deep roots. But this return is not a passive acceptance of what has been, but its transmutation."*

-Dr. Martin Heidegger

*"One form of Odin is dead, that is, the Odin who was the highest of the many gods who appeared as the embodiment of a generation still given up to natural symbolisms. But Odin as the eternal mirrored image of the primal spiritual powers of Nordic man lives today just as he did over 5,000 years ago."*

-Dr. Alfred Rosenberg, The Myth of the Twentieth Century

*"As long as a people lives, its gods are immortal."*

-Dr. Alfred Rosenberg, *The Myth of the Twentieth Century*

*"Through the racial question alone, i.e. through the eternal laws of blood, of type, of nature, we can understand life and history. The results of the inquiries of natural science in the field of racial science disprove the fundamental concepts of the past. The Folkish Movement is the first political consequence of the more recent findings of science. National-Socialism deliberately places race at the center of political thought. Blood and Soil are the two most important foundations of life. "Blood" and "soil" are however not material, but the highest ideals. As our Germanic forerunners already recognized, blood and soil are eternal and holy values. For eternal is the bloodline which manifests itself from the past through the present into the most distant future. And eternal too is the soil, hallowed by the blood poured forth in its defense. These highest core-values place a great obligation upon us: remember that you are a progenitor! Only a people that observes the eternal laws of the preservation of the type, that believes in its own racial strength, has a future!"*

-Hansjoerg Maennel, *Race According to the NSDAP*

*"...behind me I see the path of my race passing back through the distant millennia until it is dimmed by the mist of time - [...] My race's entire path through time I do not know - but, I do know that I live and that I am only a link in the chain in which no link must fail, so long as my people live. Otherwise, I never would have been."*

-Wulf Sørensen, *The Voice of the Ancestors*

*"The idea of metagenetics may be threatening to many who have been taught that there are no differences between the branches of humanity. But in reflecting, it is plain that metagenetics is in keeping with the most modern ways of seeing the world. A holistic view of the human entity requires that mind, matter, and spirit are not separate things but represent a spectrum or continuum. It should not be surprising, then, that genetics is seen as a factor in spiritual or psychic matters. And the ideas put forth by those who see consciousness as a product of chemistry fit into metagenetics as well - for biochemistry is a function of organic structure which in turn depends upon our biological heritage. We of Asatru are concerned about our ancestral heritage, and we consider our religion to be an expression of the whole of what we are, not something that we arbitrarily assume from without. It also explains why those who do not understand us accuse us of extreme ethnocentrism or even racism - for it is clear from metagenetics that if we, as a people, cease to exist, then Asatru also dies forever. We are intimately tied up with the fate of our whole people, for Asatru is an expression of the soul of our race."*

-Stephen McNallen, *Metagenetics*

*"Our religion is a function of who we are, not just what we believe. Since the human being is a holistic entity, our spirituality cannot be considered something apart from our physical ancestry. In terms of both genetics and metagenetics, our ancestors are encoded into our very beings. From values and temperament - which have been shown to correlate statistically with heredity - to the deeper issues of spirit, our forefathers and foremothers continue to influence us. It seems reasonable, then, to predict that people will tend to be most fulfilled by the religious and spiritual paths of their ancestors. Properly presented, the ancient ways of one's people should exert a powerful draw on the individual."*

\*Alternate translation: *"The people of Germany appear to me indigenous, and free from intermixture with foreigners, either as settlers or casual visitants."*

\*\*Alternate translation: *"I concur in opinion with those who deem the Germans never to have intermarried with other nations; but to be a race, pure, unmixed, and stamped with a distinct character. Hence a family likeness pervades the whole, though their numbers are so great: eyes stern and blue; ruddy hair\*\*\*; large bodies..."*

\*\*\*The original Latin term is *rutilae comae*, which Google translates literally as *red hair*. It can be seen rendered, in yet more translations of *Germania* (which was originally titled *On the Origin and Situation of the Germanic Peoples*), as red-blond, reddish yellow, and also golden red.

Subject: Anton Holzner, the Ex-Priest

Does anyone have more information about this ex-priest, Albert Hart aka Anton Holzner, who left clergy and turned to be a SS Officer? He is quoted in the book [Himmlers Glaubenskrieger](#) together with Reinhard Heydrich about the Reich's work against Christianisty.

<https://third-reich-books.com/product/hitlers-priest-the-anton-holzner-collection-4-book-set>

*Anton Holzner (the pseudonym for SS-Sturmbannführer Albert Hart!) was a former Catholic priest (!) who left the priesthood and the church and became an SS officer! Two of his books, Eternal Front and Master Life, present the non-Christian religious attitude often referred to as "gottgläubig". His other two books, Priest Power and God's Law, reveal the methods of the priesthood. God's Law provides a fascinating portrayal of the six stages of his evolution: from fun-loving little boy to rebellious cloister school pupil to exemplary theology student to idealistic young priest to disillusioned older priest who leaves priesthood and church to National Socialist!*

Excerpt from "Priest Power":

For millennia the German tribes lived according to the laws God's order of creation showed them. They shaped their life in the close bond to great and glorious nature, with the stars in the sky, with the endless sea and the deep forests. Their greatest pride was to always act honestly toward friends and foes, true to the hereditary nobility of their blood.

That a God ruled in and over the world was self-evident to our ancestors. Nature, life and history showed them day by day the traces of the divine. They felt especially close to the Almighty during the festivals of the annual cycle, at summer and winter solstice, and spring and autumn harvest, on the holidays of the clan, at happy events and in the serious and difficult hours. The oldest clan members and the tribal chiefs also represented the community entrusted to them before God.

The holy places of nature and of the festival grounds of the folk were simultaneously also the places for their plain, natural religious service. Long, formal prayers and unnatural cult ceremonies were alien to them. They expressed their relationship with their Lord God with a few words and natural symbols. They did not feel like slaves toward him, after all. For them, he was much more their great, good friend. But they also knew that they could not force his help with magical means, rather that they could only then expect God's help, if they themselves concentrated all their energy.

But much has slackened over the course of the millennia in this natural life-structure of the Germanic world. Much that was clear has become dull and much that was fresh has become rotten.

In the period of the fourth to the fourteenth century A.D. – through the church – a foreign world penetrated our folk's life and permeated it more and more with its spirit.

Under the influence of the New Testament doctrine of Jesus, the church separated itself from Old Testament Jewry. The church began its special life as a Jewish sect. Its apostles and priests originally still celebrated the cult festivals with their believers in the synagogues in harmony with the Jews.

Back then, influences – in part still intertwined today – of other oriental doctrines flowed together with the flood of North African spiritual bearing into the structure of doctrine of the so-called church fathers, with the world of faith of Christianity gradually assuming its independent, firm forms.

The actual scientific foundation for the oriental-African world was then supplied by Greek philosophy. Plato and Aristotle, as different as both are, became the chief witnesses of the new church theology and have remained so to this day.

If the church wanted to conquer the world of that time, it had to go to Rome. Certainly, at first the Christians could only lead an illegal existence as burial and funeral associations. But the few centuries of their illegal existence in Rome was for the church simultaneously the most fruitful learning years in its whole history. The church took the whole apparatus of its own hierarchy and communal order from the radiant juristic structure and the excellent organization of the Roman world.

The church embarked on its campaigns of conquest in the world of that time with this mixture of Asia Minor's and North Africa's view of life and of the beyond, of Greece's philosophical teachings and the strength of the organization of the Roman world empire.

The doctrine of the salvation of people from the world's sinful valley of woe to a better beyond had to form the foundation for the erection of a priest rule precisely over this world.

The North African Augustin, Bishop of Hipo, supplied with his publication "De civitate dei" ("Of the God-State") the most important building-blocks for this priest empire and simultaneously showed in his publication "De doctrina christiana" ("Of the Christian Doctrine") the best methods for the propaganda of this God-State.

It took almost a millennium until the church had the Germanic world almost totally under its external power. It worked toward that with the most manifold methods. But it has never succeeded in the total inner Christianization of Germans. Nonetheless, it

will always have to be acknowledged in the history of the German folk that the German tribes found external union in a Reich under the firm bond of a strict church organization placed by the church over the Reich of Karl the Great [aka Charlemagne]

The contrasts between Germanic and church world led to the centuries lasting conflict between German Kaiserdom and the Roman Popedom, between kings and priests. In these conflicts, the church made use of the most important forgeries in world history, which have become known under the name pseudo-Isidorian decretals and Constantinian donations. The papal church in the whole Middle Ages built its claims for rule toward Kaiserdom, above all, on the Constantinian donation. According to this falsified document, Kaiser Constantine was supposed to have bestowed all rule over the cities and lands of the occident to the Pope in the fourth century and limited himself to power in the orient. Today even the most zealous and talented church scientists must admit the fact of these forgeries.

Although numerous schisms had taken place in the orient, although, above all, a large occidental church had separated from the Roman church, protests against clerical priest rule became ever louder especially in the Germanic region. They finally took place in the Reformation, which through its depth is separated by a whole world from oriental sectarianism and from the great eastern religious schism.

This Germanic protest against the Roman Church also did not, admittedly, bring the return to God's natural laws. But it showed the way to a further decline of priest power. Today it is splintered in hundreds of sects and church groups. The ground is again free for the life-order prepared by Providence, for the healthy further development of God's work of creation.

In the life of folks, millennia often play a tiny role. Seen from this view, denominationalism resembles a healing poison that clots the forces of decay in the Germanic world and stimulates the natural forces of the blood to new work and development. Germans can now put aside this poison with gratitude toward Providence. It has fulfilled its task and again brought recovery; further use could lead to death.

Subject: America, Germany And National Socialism

America, Germany And National Socialism

This my answers from a conversation on the subjection.....

America is suppose to be a Republic not a democratic state. The Founders abhorred Democracy. The Greeks stated Democracy was for City states of ten thousand people or less. Anything else would need a Republic or Monarchy. Plato already addressed the problem with Democracy.

The American Republic failed because it did not set up a proper Political class they didn't go all the way in following the Platonic idealism. Such as Plato's ideal of a Gold caste who are trained to rule properly. This is actually a aristocracy of the best of the race which forms a political governing body. Who operate within a republican system as Kings are elected by the council of such advisors and then retied after they were no longer able to govern or were removed if incompetent. That is how the Aryan government was run for thousands of years. The elected King governed over a constitutional system.

Now because of the current system we don't have individuals of superior ability and a life of training in the needed arts of statecraft and personal honor. We have business men who create their own persona political brand and sell out to the Jewish Plutocracy to build their own personal wealth and status up.

Because in a society built upon Jewish values such as money and materialism. That is the only real meaningful and ruling value. And thus dominates the political sphere as it dominates the essence of all social value. Monetary value and the artificial status that is assigned to it.

It should be noted much of National Socialist idealism came from America and the general Anglo-sphere. Hitler wrote the American, Grand Madison and thanked him that his book "The Passing Of The Great Race." Was a personal bible to him. Here your looking at a major core of National Socialist Ideology. Hitler also had a bust of Dr. Ford on one of his desks. Ford was a major funder of the National Socialist Party. Hitler had a lot of friends in America and Britain.

The best outcome would have been the British Union Of Fascist's along with pro-Nazi elements of the Monarchy such as the Royal Family of the time created a new government in Britain that arrested the jewish elites and their allies in England and stripped them of their power. And then recreate the British Empire while banning all jews again. And form into European alliance with Nazi Germany and used their power in America to bring America out from under jewish control. And America, the British Empire and Germany become a world fortress against Jewish Communism.

But the Jews started WW2 to destroy such an alliance and rebirth of Western civilization with the aim of creating a World Jewish Dictatorship of Marxism:  
[topic15258.html](http://topic15258.html)

America, England and Germany are cousin nations.

The Nazi's and the American Founders both used the same source to create their governments and National ideals. The ancient Pagan Greeks. Hitler had created a Platonic Republic in Germany. The Founders of America the same. Washington and Jefferson didn't want there to be separate political parties as they foresaw the problems with this and their warnings have come to pass. And their statements are exactly like Hitler's on the subject.

The Founders of America also stated the basis for American citizenship was one had to be of wholly White European racial origin and of good moral character. This was put into the Alien and Immigration Acts in the late eighteen century by the Founders. Ben Franklin's writings on race and immigration are exactly the same as Grant Madison's.

The Founders of America also created free hospitals, universities, libraries, schools and other racial socialist programs to uplift the Aryan American People. The Founders of America were Nazi's by another name. And both the Founders like the Founders of National Socialism were Satanists. Its funny when the people under the evil spell of jewish libergtaranism pretend the Founders were, lie-berg-tarians.

The American Founding Fathers were Satanists:

Happy Lammas Day to All JoS Members!

There are several things here I want to mention. There will be new pdfs for Satan's Library in several more days. Because of the extreme importance of the latest RTR, I am holding off on uploading these.

For the new RTR:

<http://www.angelfire.com/wizard/pixie666/72.htm> [Webpage]

<http://www.angelfire.com/wizard/pixie666/72.mp3> [Mp3 Audio]

<http://www.angelfire.com/wizard/pixie666/72.pdf> [PDF Copy]

Lilith told me this is the most powerful we will be doing so far. If the webpage doesn't load properly, keep refreshing it.

Things are getting worse and worse in this world. The enemy is really stepping up their war against humanity, and all worthwhile life on this planet. As I mentioned before, those criminally insane Muslims "pray" 5 times a day. They consistently put forth their spiritual energies into the most

abominable filth imaginable that needs their slavish worship to endure and to keep inflicting extreme violence and depravity upon this world.

Now, my point here is if each and every one of us does spiritual exercises 5 times a day, the efforts are very well rewarded.

For example:

1. Mantras do not have to be recited 108 times to be effective. Just vibrating SATANAS, or any other mantra the first thing you wake up from your regular sleep, even 13 times is effective. Sun mantras are excellent to do. For a listing of planetary mantras:

[http://web.archive.org/web/20150823032320/http://www.angelfire.com/empire/serpentis666/Planetary\\_Squares.html](http://web.archive.org/web/20150823032320/http://www.angelfire.com/empire/serpentis666/Planetary_Squares.html)

Choose a mantra and stay with it. Afterwards, affirm a positive statement towards a goal or for protection.

2. Kundalini Yoga Basic Spinal Energy Series:

<http://www.pinklotus.org/-%20KY%20Kriya%20Basic%20Spinal%20Energy%20Series%20fp.htm>

This exercise can be effectively performed sitting in a chair. Just one round of 108 repetitions will keep your life-force and energies high.

3. Do a Yogic Breathing Exercise of your choice:

[http://www.angelfire.com/empire/serpentis666/Yogic\\_Breathing.html](http://www.angelfire.com/empire/serpentis666/Yogic_Breathing.html)

4. If you can do physical [Hatha] Yoga, this is great, if not then substitute one of the above exercises.

5. Same as number 4.

Given the hectic pace of life now a days, many of us cannot do the full 5 every day, but try to make this your goal.

Given the rapidly worsening situation in the world, this is not the time to neglect your meditations. Learn to heal. Many medications are now coming from China and are not only toxic, but can be deadly. In addition, a lot of them do not even work. They are placebos. This also includes veterinary. Just because something reads, "Manufactured in USA " for example, this does not mean they do not use ingredients from China .

Use the powers of your mind and soul to work on goals and to solve problems and above all to protect yourself and your loved ones before it is too late. The more you use your mind, the stronger it gets. Be patient and consistent. Positive indications that your energies are working are opportunities, ideas, and other circumstances that present themselves. In the way of healing, there might be some nutrient you or a loved one needs. Your mind will lead you to ways of solving problems.

It has been said that "In the end the truth will come out and many will want to join on at the last minute, but it will be too late." This has to do with meditation and empowering your soul. This does not come over night.

In closing, I want to add a powerful exercise here that is highly effective and that takes very little time:

1. Breathe in through the entire front of your body. [You don't have to sit any certain way, I do this half lying in bed and it really works]. On the exhale, vibrate your mantra.
2. Breathe in through the entire back of your body and have this energy meet with the energy you breathed into the front of your body, in the middle. On the exhale, vibrate your mantra.
3. Breathe in through both sides of your body at the same time and have the energy meet in the middle. On the exhale, vibrate your mantra.

4. Breathe in through the top and bottom, your head and feet and have the energy meet in your solar plexus [666 chakra]. On the exhale, vibrate your mantra.
  
5. Breathe in through your front, back, sides, top, and bottom all at the same time. On the exhale, vibrate your mantra.
  
6. Repeat the above once or twice.

Subject: August 1st Full RTR

I'm posting the full ritual here, as the webpage has had trouble loading, and people have already emailed me requesting this:

## CURSING THE JEWISH GOD, RITUAL TWO

### Cursing the 72 “Names of God”

**This is THE most important and the most powerful Reverse Torah Ritual we will be doing.**

Because of the length of this ritual, I added in superscript, the number of each of the three letter names to eliminate confusion. The following are also divided into 4 sections; lines 1, 2, 3 and 4.

Lilith explained that each of the former rituals was like “peeling an onion” in the way of stripping the enemy of their power.

**This ritual can be repeated as many times as you wish. You can begin this ritual at any time.**

The words below are to be vibrated. By vibrating these words, this will strip the Jews of both protection and power. The more people we have who will be doing this ritual, the better, as there is both strength and power in numbers.

This ritual should be done as often as you are able to, and is a very good cathartic when you feel anger and hatred towards the enemy. All you need to do is vibrate the 4 lines [72 three letter names] below at least one time, preferably three times.

Please read through the pronunciation directly below. Most of the letters here are repeats. I have included an mp3 of the words for you all to download.

#### **Key to pronouncing the words correctly:**

- AH as in the American English word father

- Ah the lower case h indicates a very small H sound, like *H-* a small exhale
- 'AH Glottal stop as in the American English word *hour*
- AI as in the American English words *day, say, made*
- AY as in the American English words *day, say, made*
- AYh – you will see this often, the vowel sound is between a long A as in *case*, and a short e as in *pet*.
- EE as in the American English words *seek and week*
- EH as in the American English words *pet, set, and let*
- KH is guttural and the sound is made in the back of the throat
- OH as in the American English words *oh and go*
- OI as in the American English word *oil*
- 'OH Glottal stop as in the American English word *hour*
- OHy The lower case y indicates a very short Y sound
- R's should be rolled
- TH soft TH as in the American English words *thin, thick*
- TH [underlined] hard TH as in the American English words *the, there, that*
- TS, as in the American English word *oats*, or as in *pizza*
- UU as in the American English words *sooth and tooth*
- VW The V and W together is a cross between the letter V and the letter W. This is biblical Hebrew. Listen to the Mp3, or do the best you can. You can substitute the letter W and this will still be valid.

- The Jews are fully exposed to the world

- The Jews have lost all protection
- The Gates of Satan have permanently opened wide
- The Jews have lost all of their influence and power over Gentiles
- The Jews have lost all of their power, control, and influence over the world
- Gentiles are powerfully and effectively reacting against the Jews

Subject: New racial theory? Reliable or Bullshit?

Hallo Leute!

So I found this article that supposedly gives a new interpretation on the genetics, psychology and anthropology of the groups composing the White Race:

<https://europasoberana.blogspot.ca/2013/05/the-new-racial-classification-i.html>

|                                                    |

| Europa Soberana: The new racial classification (I) |

All truth passes through three stages:  
first, it is ridiculed. Second, it is violently  
opposed. Third, it is accepted as self-  
evident. (Arthur Schopenhauer).

It's premise is that the old model of "6 sub-races within the Aryan race" was in the right track but is now obsolete in the light of new genetic studies, given the old model by Hans Günther was based on visual observation solely.

[Ignore the dude wearing the Jewish stuff lol]

I'm not skilled at genetics but most arguments are IMO good enough in comparison to Günther, plus the conclusions aren't enemy biased. What's your folks' opinions?

In addition to Christianity, Islam and related enemy programs creating extreme suffering for this world in their intent to destroy worthwhile life; these programs have succeeded in spiritually dumbing down humanity. The effects have been masses of spiritual cripples.

I learned Satanism on the job. I came to Satan as an atheist. I didn't even believe that souls existed, though I was an astrologer and into the occult.

Satan has kept me and the JoS ministry very busy at accomplishing different goals for our side over the years. Several experiences I've had, I later read about in books, after the fact. These books are not in the mainstream exactly.

A major experience was working with and empowering human souls who were deceased from this world. HP Hooded Cobra also worked with me and the project was a success.

Satan and Lilith instructed us as what to do.

My point here is where the majority of people are at in regards to having spiritual knowledge and abilities. Virtually nothing.

The enemy has used enforced ignorance, stupidly, mass murder of our Pagan Priests/esses and others who had spiritual knowledge and abilities to screw humanity to the wall.

This has cut everyone off from spiritual reality and has set us up as victims. Sadly, this has gone on for centuries, and the dumbing down has taken on a life of its own.

The soul, the afterlife, so-called "karma," knowledge of past lives, knowledge of the consequences of actions and their possible outcomes, healing and so forth.

Christians are indoctrinated to an extreme to be spiritually helpless and dependent. This sets the foundation for a damned soul in many different ways.

This has also shut off the second sight in most people. Few can see the souls of others. As Thoth stated, there are differences in the soul according to race. Also, the Gods are tribal. Communist Christianity and the one size fits all, in reality does not apply.

Spiritual reality is definitely not what Christianity and its malignant related programs have forcibly indoctrinated the populace with.

By enforcing spiritual ignorance and pushing their lies, the enemy has put the earth in grave danger. This is their spiritual warfare.

Through Satan, we can learn, grow and empower ourselves to fight back and to take control of our own destinies.

Its actually frightening where the majority of people are at. Even here in the egroups.

We hope they are, but using "Satan" or "Satanism" as a description is yet to be seen. I left them (Renegade) over that issue along with some other significant issues. They have always known what was right. Kyle interviewed me on the topic of Satanism before forming Renegade when he was on the Oracle Broadcasting Network. I was on their social network as well. They have known from day one of Renegade's beginnings. I suspected they were manipulated into skirting the bottom line facts. SATAN & SATANISM. Money was most likely behind it. SPLC? ADL? Kyle to this day has no visible means of support & spends all day dealing with the network & it's other related web sites, etc. He has no job. Like David Dukewitz, he is making his living off of the movement or drawing a salary from the enemy to skirt the most vital issues.

Two shows specifying why I left:

All shows done for these issues are listed below (including the 2 above shows in order) with the prerequisite shows:

Judge for yourself. They are always asking for money now. When I was there, they weren't. They also tolerate christardism now even though some profess to be against it. It wasn't when I was there as I did show after show after show demonstrating it to be a lie.

Again, you be the judge.

I'm not here to judge anyone as I don't know their private lives or personal motifs, nor yours. According Sinéad her family was receiving death threats and it's not to be amazed due the level of anti-christian criticism they are making (only now? I don't know) together with promoting WN. Fact is some people delay more to grasp Satanism, others to grasp National-Socialism and Hitler all at once, people don't necessarily need to be paid to deny SS, most time their own programming do so.

If once you had negative experiences in showing SS to them doesn't mean they - and Whites in general - will never learn a thing or overcome the current state of programming they are in. Perhaps her latest 2 videos about 'Induced Neurosis' shows some great personal advancements in regards to being open to learn more truths and the mystical aspect of NS. Would it be so easy, not only them but many Whites in general a while ago without our rituals? I don't think so, this is direct impact of our efforts.

After all I am Pro every White who is not an enemy of our White race. Any White who is a decent person and doesn't work against our race has my moral support and vote of trust, let alone Whites who are "1 level above" the crowd, like anti-Xtian NS.

Jew York Times, Jew, Gloats Over Death Of White America

Now the Jews, are the most racist, supremacist group on earth, lets just take a look at what Jewish identity is based on....

Its obvious the Jews don't believe in any of the liberal, radical, racial egalitarianism they created, promote and push on the rest of us. Especially in America and Europe.

So why did the Jews open the borders of White America to the third world....

Well for the same reason they have done the same to White Europe....

And the same reason they promote a program of racial extermination for the White Race as a whole....

Its not about equality its about extinction, the Jews are promoting their Racist agenda of genocide and world government under the guise of a bunch of ideological buzz words that amount to White Genocide. The opposite policy of what they promote for their own fellow Jews. Israel is a race state.

The Jewish ideology of White Genocide came from their Frankfurt school...

Because Judaism orders the extermination of the White Race....The Frankfurt school just put the Jewish religious text into a pseudo secular appearance....

In the Jewish writings Samael [Hebrew word for Satan] is called the father of the Aryan race openly. The White race is also called Amalek in the Jewish writings and Samael is stated to be the White race's father here. Here in the Jewish writings we note the Jews heap blasphemy upon Gentiles and Satan. And gives the direct order to exterminate the White Race, along with all Gentiles, the "mixed multitude" it describes the different Goyim but puts the White Race into a special category to be "bolted out" forever as it states below we are the children of Samael/Satan, directly.

The Jewish Zohar volume one, pages 28b to 29a states:

"At that time the mixed multitude shall pass away from the world. The mixed multitude are the impurity which the serpent injected into Eve. From that impurity came forth Cain who killed Abel. For they are the seed of Amalek. Whom it said "thou shalt bolt out the memory of Amalek." Gentiles who are compared to the beasts of the field another from the mazikin [goblins] for the souls of the wicked are literally mazikin [goblins] of the world: and there is impurity from the side of the demons and evil spirits: and there is none so strange among them as Amalek who is the evil serpent "the strange God." He is the cause of all unchastity and murder and his twin soul is the poison of idolatry, the two together being called Samel.... This side of the serpent is accused above all."

-----  
The Jews are gloating their age old agenda of racial warfare and extermination is in effect that's all.

Listen to the Jew Paul Krugman of the New York Times gloat over White Americans losing their country. He can just barely contain his glee...

[The "Magical Systems" of the Jews - One and the Same](#)

<http://josministries.prophpb.com/topic15631.html>

Greetings to all our people and Satanic Comrades.

The enemy endlessly creates a supply for lies. People instead of using their creativity into finding ways into the Truth, because they have taught to hate it, or value comfort above Truth, they use their so called "creativity" in order to create all sorts of lies. This is especially True in spirituality. In order to clean this one cannot but get a very strong sweeper.

With so many jewish cucked-outs, "Christendoomer" Racial and Global Sellouts, people who have been only living and existing thanks to the hoax of christianity, or many others who are just born to be weak and slaves (thank jews), the enemy always has a literally endless supply of people that will make up, invent and create lie after lie to hide, and hide the tracks of the jews for them. Because let's admit it, at the current point of humanity, much of it is only meant to end up as slaves. So like good slaves, they wash the feet of the jews, they hide their tracks, and they kiss their hands for every deadly blow they get into their face from the (rotting) "authority" rod of the jews.

Now for the people who are unfit to be slaves, this is in the Soul. I don't mean you average idiot outside the street who "denies the status quo", joins the FBI (Sorry, meant "Anonymous Hacker Group") and talks about the next "Revolution of Bitcoin", while masturbating to Alex Jones, or how bad the Jews treat "Palestine" while at the same time, Hails Karl Marx the Jew, as the superior source of Social and Economic Wisdom...

We are talking about individuals who are on their sane brain and don't want to accept this silly game going on around. The halflings and those who fence-hop on the fence of "revolting", are worst than the slaves themselves. These people are plain idiots and they don't have insight in themselves or anyone else. In these categories go the "Anti-Jewish Christen Doomers" and anyone else kike or lackey of theirs that blends the Truths for the jewish liking, or covers and protects the jews better than their own mother, country or state.

Truth is like a shot. You either take all of it, or you will never take it. Bit by bit, Truth plus lies and the list goes, one can go the Jewish Enemy, and they will get trillions times trillion of lies.

In the light of the above apparent retardation, there have risen strange spiritual theories. One spiritual theory that has risen, is that the jews don't worship

"Jesus" but they worship someone else, some "Old God" or even some "Ancient Pagan God", weak imbeciles trying to divide the Jewish hoax of the Bible in parts, because they don't have any culture anymore, or intelligence to see through. The Jews worship nobody else but their own thoughtform, created by the Ancient Rabbis, which has a secret name, but it also has socket names such as "Jehova". This thoughtform is meant to "materialize" here below as "Jesus", in the form of a humanoid being, and help the Jews take over the planet. The "New Testament" is for the Goyim to read a supposed text as this scenario did "happen", so that it will happen again.

Expectations+Subliminal Brainwashing+Spiritual Ignorance= The Goyim act in the ways that they "Should" = The Goyim on their own manifest their own damnation = Jews Win.

Now in the rhyme of the next Aeon or Age, where there is "Spirituality" coming up, worry not fellow Rabbis, said one Rabbi, we are going to use all our agents in decay to get billions of theories that will nevertheless belong all to us. The Rabbis laughed and made their "Kehillah" and "Sayanim" phonecalls. Shortly, the "Goyim" were supplied with New and "Spiritual" Fates. Some "Goyim" were also allowed to join "Judaism". Well in such a low level that they were made into whores that basically crawl before the Rabbis and pay their life fortune to get a spiritual dime. Or some new glorifying prayer to "JHVH".

This is a complete and total degradation. The worst things are though the deeper and spiritual things, or even worse, things that are tied into spiritual practices. This goes to the "Illuminati" and anyone else, whom the (((Media))) calls "Satanists", but they do infact praise "Jehova" and his "Lucifer Jesus" all the time. The Illuminati worships Jesus as a "Serpent". Lucifer is a generic term meaning light bringer. The same goes for the so called retarded "Satanists", who are using Jewish Kabbalah and Jewish Magick, and then somehow try to pretend they are not cucked and slaves to the Jews, or that they "No longer believe in any "God". Not only they do believe in a "God", but this "God" is the Jewish God, Jehovah, and his son the Jew, Rabbi Emmanuel, or known as "Jesus Christ". Or just "Messiach" of the Jews.

When it comes to retards and defenders, the Jews have bred a never ending supply. Then you have the "Gnostic Christians". Who are supposedly against the "Demiurge JHVH", but do infact use the same "Kabbalah" and "Tree of Life" as the Jews, all of which tie into the Jewish Soul. These meditations, same as the "Invocations of the Archangels" and all other garbage in the "New" Age (Old as the Jews, Age) is the same crap. The same goes for the average "Christian" praying in the Vatican and everywhere else. Freemasonry is just wanna-be Rabbinitism, made for the lower castes of the enemy. All these are levels and castes. The enemy has a caste system when it comes to Magick. The same goes for other idiots such as "Pagan Christians" and the endless drivel or insanity and retardation has no end.

The common points: You don't advance spiritually, you worship the Jews, and your highest salvation is to become a wanna-be Rabbi. Now that we said "Wanna Be Rabbi", one brings in the mind the supposed 'Satanist' Aleister Crowley, who was doing sacrificial rites and was talking in his books (Named after the Jewish Letters) on the greatness of the "Holy name of JHVH" and the list goes endlessly. Doesn't matter what "Ancient" things you will mix into it. So long the Jews are here, you are fine and with them. Just don't attempt to remove the Jew like the Joy of Satan has done...This is where problems begin.

"Why do these Goyim, do reject our teaching", think the Jews?

The answer is easy and simple. Because Gentiles and Aryans have endless spiritual inheritance and they don't need to follow any Jew, on a stick or whatnot. Now as for these sorry "Aryan" births that took place and use their Aryan Life to protect the Jew Christ, or are wanna-be "Crusaders that want the Holy Grail" upon which the Rabbi Emmanuel Yahushua was drinking the excrement of his midwife, Jewish hooker Magdalene, we are talking of people who are either

purposeful liars, or just retards that are beyond curing. This is the unfortunate Truth, that with Racial degradation, so does weaken the Soul, and so does weaken the Pagan spirit. The same goes for all Races, and the same can be observed in all Races.

Satan in the Jewish texts, if looked on as a "force that must be exorcised" (according to the enemy) is the "Spirit of Rebellion" and the "Spirit of the Forgotten Gods" or Paganhood. In plain, its the lifeforce, the insight and the power of the instinct that runs within the blood, and forces people to not adhere to the slaver religions of the enemy or the jewish culture. When enough Race Mixing, bastardization and retardiation has come in a Race of people, they leave their Pagan roots and can go fine by existing and kissing the ass of the jewish excrement. This directly ties into the gene pool and anything else. Spiritual and metaphysical weakening does have this particular effect in everything. This causes downfall of civilizations. It goes from the simpler thought, to the beings life purpose. This is why the "Christians" say, that when one "doubts" or even THINKS against "Christianity", then it must be Satan. In that sense, to have questions like a human being, its Satan.

People are such imbeciles and of such ability to lie to themselves, that they all deny that all this spiritual garbage accounts to the same thing. "Fighting off Evil Satan", attacking or attempting to enslave the "Demons" in some way, worshipping the Jews, Rabbi Emmanuel Yahushua (Jesus) and its rotten cheezen father "Jehova". Or shoveling down to one's throat supposedly "Ancient Teachings" that have OBVIOUSLY been corrupted, or xianized, or mistranslated. This is the eternal context of the jews rewriting history to make it seem that this race of disturbing trashers, does have actual history.

Then you end up with these enlightened "Philosopher" idiots, who even pretend to be spiritually advanced, until you tell them to move a toothpick on the desk, or predict anything, or just do the most minor display of power. "In the Next Life, Brother". Or some other, weed-bro answer, you are going to receive.

Now for the people who want to keep hailing the jews until eternity...I would say good luck, but Gentiles who follow the jews will only be punished, both by nature and by the jews, in the worst imaginable ways. Its not me that says that, its them.

If Gentiles want real spiritual power, a hope to spiritual salvation, and to actually become anything more than a stronger or weaker Jewish puppet, or get NOWHERE on their spiritual pursuits but damn themselves by following the jews...They ought follow the advice given in the JoS. The JoS is not here to do anything else, but provide the Truth on the matter, and advance Humanity out of this misery. Exactly as Satan Commanded and Intended for Humanity.

"Why do these Goyim, do reject our teaching", think the jews?

The answer is easy and simple. Because Gentiles and Aryans have endless spiritual inheritence and they don't need to follow any jew, on a stick or whatnot. Now as for these sorry "Aryan" births that took place and use their Aryan Life to protect the Jew Christ, or are wanna-be "Crusaders that want the Holy Grail" upon which the Rabbi Emmanuel Yahushua was drinking the excrement of his midwife, jewish hooker Magdalene, we are talking of people who are either purposeful liars, or just retards that are beyond curing. This is the unfortunate Truth, that with Racial degradation, so does weaken the Soul, and so does weaken the Pagan spirit. The same goes for all Races, and the same can be observed in all Races.

Satan in the Jewish texts, if looked on as a "force that must be exorcised" (according to the enemy) is the "Spirit of Rebellion" and the "Spirit of the Forgotten Gods" or Paganhood. In plain, its the lifeforce, the insight and the power of the instict that runs within the blood, and forces people to not adhere to the slaver religions of the enemy or the jewish culture. When enough Race Mixing, bastardization and retardiation has come in a Race of people, they leave their Pagan roots and can go fine by existing and kissing the ass of the jewish excrement. This directly ties into the gene pool and anything else. Spiritual and metaphysical weakening does have this particular effect in everything. This causes downfall of civilizations. It goes from the simpler thought, to the beings life purpose. This is why the "Christians" say, that when one "doubts" or even THINKS against "Christianity", then it must be Satan. In that sense, to have questions like a human being, its Satan.

People are such imbeciles and of such ability to lie to themselves, that they all deny that all this spiritual garbage accounts to the same thing. "Fighting off Evil

Satan", attacking or attempting to enslave the "Demons" in some way, worshipping the Jews, Rabbi Emmanuel Yahushua (Jesus) and its rotten cheezen father "Jehova". Or shoveling down to one's throat supposedly "Ancient Teachings" that have OBVIOUSLY been corrupted, or xianized, or mistranslated. This is the eternal context of the jews rewritting history to make it seem that this race of disturbing trashers, does have actual history.

Then you end up with these enlightened "Philosopher" idiots, who even pretend to be spiritually advanced, until you tell them to move a toothpick on the desk, or predict anything, or just do the most minor display of power. "In the Next Life, Brother". Or some other, weed-bro answer, you are going to receive.

Now for the people who want to keep hailing the jews until eternity...I would say good luck, but Gentiles who follow the jews will only be punished, both by nature and by the jews, in the worst imaginable ways. Its not me that says that, its them.

If Gentiles want real spiritual power, a hope to spiritual salvation, and to actually become anything more than a stronger or weaker Jewish puppet, or get NOWHERE on their spiritual pursuits but damn themselves by following the jews...They ought follow the advice given in the JoS. The JoS is not here to do anything else, but provide the Truth on the matter, and advance Humanity out of this misery. Exactly as Satan Commanded and Intended for Humanity.

Without going into many and non-necessary details, let's just remind people of the fundamentals upon which this post will be based.

First of all, "Jesus" is nothing but a thoughtform, a psychic link towards something. "Jesus" is nothing but a "Jewdized" allegory of the Serpent power. The Serpent power "Ascends to heavens" (7th Chakra), will come into a "Second Coming to save the 144,000 Chosen" [144,000 are the Nadis in the Human Soul], "Gives birth to the dead" [opens up the Soul], "Carries 12 Disciplines" (12 Zodiac Signs that represent the 12 parts of the Human body) and the list goes,

"Jesus" will also "Judge" (without Serpentine energy, one cannot maintain themselves in the afterlife and the list goes)...

All in all, this is nothing but the Jewish Kundalini Serpent talked to as "Leviathan" or simply, "Jesus". When people pray to the Jew on the stick that never answers any prayers, it's because the energy is not going towards any real entity or "God", but just goes to charge and empower the Kundalini of the Jewish Race. Through "Jesus", or the Serpentine energy of the Jews, the Jews create the world as they see fit, and they use the power of "God" to enslave the dumb Goyim and the list goes endless. With this accumulated energy, they hope to materialize a chosen "leader and Messiah" which will lead them to the new age upon which the Jews will have the whole planet enslaved.

The writings of the past in regards to that are very revealing and they, on their "own" do say the evident. As all people know, "Moses" was a patriarch of the Jewish Race in the Bible. There was an Ancient Sect in Rome, at the starting historical point of Christianity, which knew the Truth about the "Jesus" being nothing but a serpentine allegory. They were named the "Ophites" which mean, those of the Snake. One of course knows the Ancient Egyptian Brotherhood of the Serpent and the endless list of Serpent Worship in the Ancient Civilization. Due to lack of information, one cannot know if they were actually full blown "Christians" or that if, like all Pagan sects, were lied about, taken over by Jews and later destroyed.

From the few writings that survive of them, it's enough to exact the Truth:

"Christ did not exist in the flesh (Christum autem non in substantia carnis fuisse; 2.4); that they extolled the serpent and preferred it to Christ (serpentem magnificent in tantum, ut illum etiam ipsi Christo praeferant; 2.1); and that Christ imitated (imitator) Moses' serpent's sacred power (Num 21:6-9) saying, "And just as Moses lifted up the serpent in the wilderness, so must the Son of Man be lifted up (John 3:14)" (Haer. 2:1). In addition, Eve is said to have believed the serpent, as if it had been God the Son (Eua quasi filio deo crediderat; 2.4).

The name "Jesus" is not mentioned in the account. Epiphanius' account differs from that of Pseudo-Tertullian only in a few places. According to the former, the Ophites did not actually prefer the snake to Christ, but thought them identical (Pan. 37.1.2; 2.6; 6.5-6; 8.1)

Here we can see it blatantly. "Jesus Christ" is nothing but an allegory of the Serpentine force, linked to "Moses", from where all the prayers of the "Goyim" (Animals in Hebrew) are going to. These are siphoned and the Jews call it a day.

The Jews who know the truth behind their hoax, cannot "worship Jesus Christ" as this is for the Goyim, who feed the energy into the Jewish serpentine energy, thinking of it as some sort of real deity. The Jews will only "Worship Jesus" if they ever manifest an incarnation of this imbecile, in the Flesh, which will be the Messiah of Israel, as a materialization of this "force" of the Jews. The Jews themselves openly mention in the protocols that their "Leader" will be "Of the line of David", and that he will be of the Jewish Priestly Caste. I.e., an attempted Jewish "Godman", "Jesus Christ". A "Risen Serpent" in that case, like the Kings and Philosophers of the Ancient Pagan civilizations. 2000+ years and they are still waiting for this dumbo to show up....Billions of people feed it...All to no avail... However, they will still hope.

If now, Jesus, is the Jewish Serpentine force, then what is going on with the eternal "Nemesis" of it, "Satan", which is who "Jesus" and "JHVH" are set to "Defeat" after all, in a cosmological "Battle" that will define the victor over one or the other?

As for Satan:

Satan: proper name of the supreme evil spirit in Christianity, Old English Satan, from Late Latin Satan (in Vulgate in Old Testament only), from Greek Satanas, from Hebrew satan "adversary, one who plots against another," from satan "to show enmity to, oppose, plot against," from root s-t-n "one who opposes, obstructs, or acts as an adversary."

So, Satan opposes the...Christ. Who is what we proved earlier. And technically keeps the Jews from going all out, and destroying Humanity in their genocidal plan.

However, the Greek Name of Satan, is SATANAS. It's not Satan. Satan is cut short, English, and the Satanas is written in the New Testament, which is in Greek. This last syllable of the "NAS" makes everything come full circle, and the enemy removed this from non-Greek testament for a purpose. "SATAN" is difficult on its own to connect the final dots behind this enemy work. So the SATANAS is where the analysis should be based, as its the original one.

Easily, we can break this word in SAT-A-NAS. Now, as for the Sat, everyone knows. In Sumerian, the world's most Ancient Language recorded to date, "Sat" is a prefix for Perfect, Truth, Brilliant and the list goes. Only positive and most exalted things. The jews have stolen, perverted and destroyed languages as they saw fit, and stolen all sorts of endings and mannerisms which they brought together and altered later, or reverse their meanings in hebrew.

The same goes for the "Alphabet" which starts from the Alef, which is the Greek letter Alfa, Dalet, which is the Greek Delta, Vav is stolen from the Egyptian Letter "Vav" and the list goes endless. Shin is also stolen from the Akkadian and Sumerian languages. All these end up in the same basket when it comes to hebrew, and then we have what we call "hebrew".

The Jews stole from \*ALL\* The languages, and corrupted in \*ALL\* of them accordingly. This created "Hebrew". The jews never had a land or a place, and they were always scattered and moving from nation to nation. Chances are, they became aware of the "Satan" thing by being accidentally exposed to Sumer, or the Hinduists who in the high levels do chant "SATANAMA" in order to arouse the Serpentine force. As genuine haters of all Gentiles, they found this, perverted this, and destroyed this.

Nothing could be more of a generic, name of connecting point, but the Serpent, which was common to \*ALL\* Pagan Civilizations and revered beyond everything else.

So the SAT-A-NAS as its broken down, means Truth (SAT), plus something else. This also relates to the "HA'SATAN" of the Jews. "HA'SATAN" is an related with the Hebrew "Na ash", snake), that lacks a syllable but becomes full when one adds the "SAT", which is the Sumerian Prefix and the root mantra of the Serpent in Hinduism. The one is left with... SAT-NAHASH. Or in Greek, SATANAS. The Greek language has it that the "H" is not roughly pronounced and in this case, nor written, and the Greek also adds vowels for easier sounding words. SATANAS- Snake of Truth.

The "NAS" comes from the Hebrew, Naas (Hebrew nahash, meaning "serpent"). Related to this is the Greek "NAOS" which means Temple. People were doing the Divine Rites in order to raise the Serpents, in their Temples.

More on this:

Every temple, "naos", shows by its title that it is intended for the honour of the serpent naas as "the Moist Essence," of the universe, without which "naught at all of existing things, immortal or mortal, animate or inanimate, can hold together." Furthermore, "all things are subject to Him, and He is Good, and has all things in Him ... so that He distributes beauty and bloom to all that exist according to each one's nature and peculiarity, as though permeating all."[14] [My note, Sata-Nas] does this, the Serpent of the Garden of "Eden" etc.

G.R.S. Mead has suggested that all of this is in reference to the Kundalini:—

This is the cosmic Aksha of the Upanishads, and the Kūalin, or serpentine force in man, which when following animal impulse is the force of generation, but when applied to spiritual things makes of a man a god. It is the Waters of Great Jordan flowing downwards (the generation of men) and upwards (the generation of gods); the Aksha-gangā or Heavenly Ganges of the Purānas, the Heavenly Nile of mystic Egypt.[15]

"Jesus" is the Rival, and destroyer of the Gentile Serpent, which is also named as a honorary title as "Satanas". As in the Hindu Mantra, Satanama, with the deity personifying this serpent itself is called "Satan", who is the God of Truth which we worship.

The Jews technically, have told people to hate the Serpent of Truth (The Kundalini of the Gentiles) and instead glorify and follow the rotten, Jewish "Serpent" which is represented by "Jesus" to which the idiotic sheeple prays. The same goes for reversing faith against the one and only, REAL Creator God of Humanity.

As thus, Humanity has completely fallen spiritually and degenerated, into worshipping the "Demiurge" or the Jewish Imposter "God" of the Jews- Instead of Satan, the Real Serpent of Truth and Enlightenment.

Greetings to all our Satanic People and Comrades.

This message is very serious. Those who undermine its importance, will only see this later in the years to understand it.

I have kept saying again and again, that we are in this against time. Many people may not understand the intention or our teaching, and will have a hard time ingesting what is going on. However, people at the same time wake up massively. The walking dead zombies, who are sucking from the jewish tit, will unavoidably clash with the people who are waking up to this danger. What is what will be revealed blantly in the future, for better or for worse.

There is a storm brewing, and if one raises "above the clouds" of their small and personal life, they will see this. This doesn't mean anything negative or positive in itself. Storms are not peaceful, that is for sure. There will be much friction involved on many levels.

While people are living their daily life, vacations, and live their actual circle of life, the enemy is preparing and brewing other things. Many of which people never really notice. Everything is hidden from sight, until the problem, like a deadly blade that was ignored has went to deeply. Like a deadly disease, only

when it has grown too deep the symptoms do show up.

The enemy is doing the same now. With the tech they possess and everything, and how everyone else is in "Deep sleep", the enemy is trying their best to plant seeds into the subconscious and unconscious mind of Humanity. Much of this has been prepared decades ago, through movies, brainwashing, "Expectations", "bible" etc. These "expectations" which many people see as "god's plan" are actually brewing and the enemy feeds them to manifest them. Successfully or not, that's another case. Thing is, they try. Because nobody else does that, or people don't bother to spiritually counter attack (or even KNOW how) the enemy has success. If people fought back, the enemy would crumble on the ground.

Humanity is at this point going down a very dim road. The jewish infection has went deep, and it will need to be cured radically. The jews have stacked the deck against humanity, and the average person. The deck is simple. Keep the Goyim sleeping spiritually and in all ways until the necessary technology and powers exist, to wipe them out and enslave them, then take over the world as an undisputed power. Those who are watching and seeing along the lines, can see this. The jews themselves openly admit it and I have went with this in depth. Where serious technology is involved, numbers, wills and anything else doesn't really matter. The same goes for the massive robbing of freedoms. (((Mark Zuckerberg))) and other obvious and non-obvious jews, do possess dangerous means that can enslave the planet. Here and now.

Without wanting to go into many, and potentially scary details, I want to tell people what has been revealed by Satan. This is nothing new, but added information. The reason I keep talking about technology is because there is something more into it. The jews aren't investing into all of this for no reason. Many of the things they do are complete bluffs, and they are playing on many places on the same time. Our RTR's are undermining, destroying and sealing their fate.

If these stop, Humanity is doomed. The enemy must not have the first say in technology. People recently saw what this "Pokemon Go" thing did. This in itself is a show of how much people are willing to be brainwashed and they will give up all their rights in being tracked and everywhere else, only to have fun. Take it from my other replies about the "digital worlds" and "VR Glasses" and anything else. Multiply it accordingly.

Add nanobots, and all these technologies that are emerging and will emerge, then understand the simple thing: If these are on the hands of jews and they are not destroyed up until a time, Humanity will have a real bad time. The enemy in their "Texts" mentions of a paradisial land. They promise the same shit to the "Goyim", but this is only to bluff them. They are the ones that will enjoy the power and anything else of these machines. Take facebook for instance. While little you can scout on your friends, or whomever, the kike Zuckerberg can spy on all people on Earth. They get you to agree with their terms because, you want the power to scout on your friends. In exchange, they get power to monitor and spy on everyone.

Tesla refused openly to advance technology further up until a point, because he knew, humanity was not on this particular level at his time and era. Right now, it still, isn't. The fact that a monkey can use a cellphone, doesn't make a cellphone a thing a monkey should use.

Anyone that loves the Aquarian future, technology and wants for a good future of Humanity, but has a decent mind to understand the potential of where this can end, they will understasnd why this message is as that.

Satan and the Gods take the chance to tell people \*NOW\* and to push everyone to action \*NOW\*. The Gods are with us and the Gods are helping us. We

have powers on our side that can shake the planet and then furthermore.

I don't say that to sound like a doomsday preacher, but this is how it is going to go. The moment our pressure is left up, the enemy will be freely and undisputed the victor in this war. They have no other enemy but us. Everyone else that professes "disagreement" with them can easily be dealt with, as these people do not have any spiritual power. Our persistence and our warfare can and will turn this around.

I will also not go into any details, as I know the graphic imagery and many other things will scare people to the death. This is beyond shocking, and the enemy plans shit "normal" or sane people, will never even imagine.

Take George Orwell's 1984. Multiply this by hundreds of times.

This is what the enemy is planning. They are making sure enough time is wasted, until past generations like those in their 40's, 50's and 60's are wiped out, because these are the people that know how life is in reality. The same goes for the elderly. These people have known war, work, soil, real sex, relations, natural living (to a degree), and pretty much what life is about. The enemy sees natural and sane people as enemies to their agenda, that is a multicultural, techno party of spiral downwards under-evolution. For all other "new" generations, many people are living in the fakest of bubbles, that the enemy has created.

These newer generations are very easily manipulated, and they are forced into digitalism since infancy and they haven't fought for any rights to understand their deadly importance. This will keep escalating on the future, but the obstacles are the sane, healthy and elder people who realize the dangers and uselessness behind all this surveillance and anything else.

The privileged ones of these "newer generations" will write history for better or for worse. The enemy pushes these generations to be poisoned, weak, docile, tech-slaves, multicultural garbagers, defy nations, states, borders, that have absolutely no connection to life or how it operates in reality, how a living is made, or how anything works in reality. These will be easily malleable and ready to become slaves in the hands of the jews. This process has gradually began since the end of WW2.

The enemy is passing new "normals" into the heads and new generations of people, that have been opening them up in multiplies of insanity, in which the "elder generations" couldn't even understand. We don't speak of "sex boom" or anything like this, we speak about stuff like having a digital girlfriend instead of a real one, or a digital house instead of a physical one, digital coins instead of money in one's pocket. This will keep going until the final generations will basically, become slaves.

This is gradual and a systematic process, that happens worldwide in gradual steps. The enemy always wanted to hasten this and finish with this "Goyim planet", and rule over everyone quickly. The practices used are similar ones like in the past (such as merciless use of drugs), but the end result will be even worse if the enemy makes their way. The means do exist, and will exist, that will make this far worse.

People who can see along the lines, with some imagination just in between, will understand that this is not "progression", but the actual downfall and degeneration of society in the deepest level. This must be changed.

IN our hands rest the means and powers that all the Ancient people possessed in order to fight and resist all these things. We possess the highest weapons of wisdom and these have to do with spirituality.

Whomever doesn't act on, spread on, and enlighten on the knowledge we possess, is literally affirming a \*YES\* into the destruction and eternal slavery of Humanity.

What Future do you want?

A Future of slavery, a technological nightmare?

Or an Aquarian, Spiritual future, upon which Humanity- free from jewish paranoia, reaches once again the highest pinnacles of knowledge, civilization and existence?

The Future is not set in stone.

The Future is in your hands.

## The Mini Handbook of Satanic Propaganda

---

Greetings to all our people and Comrades.

Now I think it's imperative we cover some fundamental things, because as I know all of you want to spread the Truth in realization of how dire the situation is. Unfortunately, we are faced everyday with people who are slob, too lazy to think, live and let be, ignorant people, and other who simply are programmed past the point of any repair. These range in all, and from all backgrounds and beliefs.

There are however good news. Our Rituals and the tide of the world is turning to our benefit. Slowly and steadily, it will climax in the future and come ever harder.

For those of you who are aware of the deeper facts in Satanism, you will be able to see or you will be able to think, that there is something more in "why you are here". Some treat what we do here as a positive coincidence, others may be feeling grateful or ungrateful, but what remains is the simple truth: We are all here to do our part in advancing Satan's agenda and power.

The Gods and Satan are actively helping us personally, and impersonally as in the whole of Humanity. Literally, people at a level such as low as this, should understand that this chance we have right now is just ONE in the recent 2000+ year history of Humanity. Those who fail to understand this, just have no idea of the real world. We are blessed beyond any words.

Going back to the post itself, the essence of this post is not easy. As it has been stated before, the best way is to reach people massively, without doing anything but spreading the message everywhere, and letting people take this on their own from there on. This is a most fruitful and powerful method, and with just a few hours of your time, you can turn tens or hundreds of people into realization if done correctly. Correctly in this case means impersonally, to know where you spread the info (internet is the best place), avoiding any back and forth and pretty much, letting the people do their thinking, and the Truth to do its thing. This is potent and deadly to the enemy.

In order to understand the root on the problem, one must not always look at others and their weaknesses, but one's own ability to transfer the all-important messages. I know many people here in their passion, or in their rush, they forget some fundamental things. For instance, if you act like a forceful bible trumper (which may be caused by passion and because you understand how dire the situation is) you will simply lose a person, that if approached in another

way, could turn out to be fine. Never push people past their limits and learn to read people, if you are to do this personally. This is the Truth and the teaching has to be valued. Most people literally live into a never-ending web of lies. Do not spread it to people that are considered "too much of an idiot" to do anything with it, on the expense of your personal time. Your personal time can go on the method above, in the internet, and wield amazing results.

So in looking at one's self, one cannot teach, unless they are first taught. One must really KNOW what they are talking about, or just not take the "teaching" role. Pretending will not work either, as when one is confronted with questions etc. This will make Satanism look bad. The enemy by promoting wrong and false teachings, they have desecrated Satanism. Same as representing them in the wrong way.

I myself learned Satanism over the years, by devoting tens of hours daily, and pretty much, aligning everything with what I learned here. Irrespectively of if I studied some things or not, this came naturally, as this rises on its own through spiritual advancement. This is where the serious and potent power of Satanism is. Satanism is Truth. If people spiritually advance, they will unavoidably see it. This is especially True of people in India or the Far East, all of which came to understand the Truth by meditative practices. This is why for instance Japan is still friendly to Hitler, Racialist and everything else. Spiritual advancement unavoidably makes one aware of nature, which in turn lights up the obvious in one's existence and life. The motives of existence that cannot really be "explained" do just open up on their own.

The same goes for the advanced knowledge of our knowledge and the deeper and darker web of the enemy "program" which they call "reality". People in the East for years of meditating, they come to the same understandings as us, with some differences here and there, with the central meaning remaining the same. We don't talk on religious charlatans, but real loyal spiritual people who adhere to the practices. The same goes for people who know real Ancient history, or just do observe reality as it is. The "normal" people are taught to see in a very closed and specific way. Unless the jews raise the bars, or direct them, many people cannot think and they don't possess a brain of their own. Then you have laziness or anything else.

Remember, if you go into the race of "Truth Bending" you are lost. Satan doesn't want Truth bending. This is his teaching and that's it. Satan is not bound to act in the realm of one's personal security or demands. Satan is not "god" in the sense of "Jewsus", who thrives on attention, worship and slaves in order to achieve a following. Satan can be with only one person or the whole planet, what matters is the truth and how many people make it into realization.

What can be done is that you become a master in all that is taught here. You don't need to bring your own aspirations in this, or try to become a self-proclaimed whatever. The highest adage in Satan's eyes is not your technique or style, its your ability to pass down the Truth as clearly as possible. Imagine what is going to happen if everyone injects their problems, wishes and aspirations into the Well of Truth. This will shortly become a garbage party, like the Chameleon Christianity. The same goes for trying to push things like a mad xian fundamentalist.

In plain, arouse curiosity, do not force yourself as all knowing. Arise security instead of the feeling of fear. Focus on the easy, instead of the hard. Like a teacher teachers children the alphabet first, and then advanced writting, one cannot force children to read Shakespeare on their first day at school. In the same way, don't go to some and be like "Hello, did you know, the Reptilians control the planet. You need to do something about it".

Not only this is bizarre to listen to for all people, but also, the jewish gatekeepers like (((David Icke))) have done their job in desensitizing and making all people dismiss all this crap as "Tinfoil hats" and "Bizarre Conspiracy theories". This is to desensitize the masses to the Truth and discourage people from seeking information. The same is done through movies, where people have seen alien invasions so much that it doesn't hit a nerve anymore. This is a well-

staged thing by the enemy to keep their conspiracy going. They have agents that are paid millions to execute this exact job.

Your arguments and knowledge must be crystal clear. Know what you are talking about and be absolutely ready to answer. You need to be able to answer all sorts of questions, or for a better say, you don't have to mis-represent yourself in this endeavor if you don't know. If you don't know, be open to specify this. We are not supposed to play "all knowing" and more so especially to people who don't understand. Just be who you are. If you know the basics, teach the basics.

Normally, you should never go past this, or especially try to force the "heavy pills" down the throats of people. You will only meet with the opposite reactions in many cases. Everyone nowadays is taught that their "opinion" is larger than facts, and in the nightmarish dreamy "West" a lot of people think this to be the fact. Also, do not relate sensitive topics that are of a deep nature. In other words, know what to present. Unless you have these skills and the time or will to execute these, go with method one.

Important it is also to give people their time. If people procrastinate too much, then it means they are probably unwilling, but this is not always the case. In whatever sense, you have advancing, empowering and education to do, and to advance your life and everything else through your own journey- do not waste your time on wasteful randompeople.

Now there are some of you who might possess a charismatic personality and a charisma in turning other people around and making them see your points, or make them follow you etc. This is natural leadership, or even scholarly, or teaching ability. One can use the talents at their disposal. Art is a highest form of massive appeal. The same goes for teaching. People underestimate the power of what they are able to do with just a simple, timed, and well calculated move, work of art etc. It could be whatever.

For those that possess these skills, it will not be hard for you to do this. You only need to get yourself down and do this. Even then, you have to follow these rules, but what I said about you consciously or subconsciously already apply. Part of this charisma is to put one's self below the Truth, while this may seem like a paradox, as this is how you will best work your talent. This is the same as a musician that surrenders to the music.

Another one, do not reduce the Truth to the level of idiots, but explain it. Make it simple, but not retarded.

As the Jewish Inbred Psychology the enemy has created in the minds of the masses say, people don't want the Truth. In many ways, this is accurate, just because people are cultivated by this through the jewish system. Many people are though literal "Truth" hungry and they are willing to absorb the Truth, in every and all possible ways. Then you have curiosity. You can go on curiosity.

In regards to people who are the worst of the worst, like, the "pretenders" who supposedly "want to know" but they in fact waste anyone's time, avoid them like pesticide. These people are not worth one minute of your time and they are the literal cancer that keeps the enemy thriving and going. From these supposed underlings that kiss the ass of jewish "truthers" the enemy has made fortunes and feeds their whole matrix of false opposition. Be aware that many people know these things are flawed, but they serve anyway for monetary and whatnot, gains. Chances are these people will fight you the most in this struggle.

As for leaflets and other methods, one has to make sure these are done in "legal" ways. One does not want to place themselves, or their lives in danger. Also, these have to be simple, attract curiosity and make people see evident facts. Those talented in this department will understand. The use of CD's, spreading them etc, is also a good idea. Of course, according to the "law", and with you being safe. If the Truth was welcome to this world, the average IQ wouldn't be 65, neither would the planet go down this road. We are not dealing with a majority which can easily "understand" as far as non-SS are concerned.

In closing, Humanity does not have to "believe" in Satan in any such way. If it would, then it would have the necessary chances of saving itself from the impending dangers Satan has alerted us. Humanity was moving and is moving, towards its collective doom. One doesn't need to have read or studied much to understand this, one just needs to have a logical mind to see this.

Satan wanted the Truth out and this feat has been achieved. Satan depends upon nobody in this sense.

It's up to Humanity to save itself, and the Gods will assist us every inch of the way. However it's a natural rule of existence that life forms have to act in such as in a way that allows, furthers and empowers their survival. Otherwise, doom ensues and we will not be the first, nor the last. Satan wants to help us, empower us and advance us, to where not only individual human beings take care of their existence, but Humanity as a whole elevates itself into becoming "As the Gods". It's up to us to make the work and choices, because after all, we are the ones who make the choice and choose the routes.

"Satanism and the word Satanic has been corrupted."

<https://youtu.be/BKpd4b8p5jw?t=8m56s>

Our workings have been paying off. Like HP Hooded told in his latest sermon, be sensible and learn the correct approach to people and you will have success in spreading the message of Satan: <http://josministries.prophpb.com/topic15734.html>

Now I'm quoting her but there are plenty of other people, even in "mainstram" NS, who are coming to the truths about our Gods and Satanism.

After reading the quote she stops on the "Satanic" conspiracy part and tells:

*"Now I wouldn't necessarily call it 'Satanic', I would call it, I don't know, 'dark semitic abrahamic', but Satanism and the word Satanic has been corrupted for a long time, may be I talk about it in my future videos. Sure, I'm triggering a lot of xtians right now..."*

Subject: Re: Nazis going spiritual - Our rituals at work

I can't see christards as reachable. Have them on both sides of my family. No matter what you say to them, it is the usual deer in the headlights. Gentiles are innately pagan & christardism creates a divided mind. I see it as a disease. *Night of the Living Dead* or *Dawn of the Dead* comes to mind. They are zombies & it is spread by the mouth.

I have used a foxhole analogy. I can't trust one in my foxhole.

I get the arguments that they were racially aware in the past & so it should be a nonissue. BUT it is because they have never fully practiced it as preached until the last 50 years or so. Most of those who defend them don't understand that. I can see how someone who has been one their whole life & are in their 70s, 80s or 90s now can't be reached. And they are lost to us

completely. But those under that age have access to information showing it to be bullshit even if they don't discover Satanism. I see them as either incapable of critical thinking or weak minded for not researching what they believe. I see it as 'there is no excuse'. I personally have no tolerance for them.

As far as Renegade goes, they knew what I was talking about from day one going back to September/October of 2012 with show appearances as a guest. I was on their social network, etc. I can see a delay in researching further for whatever reason, but to totally reject it? They don't have an excuse in my book. I was hitting nerves from the enemy's perspective by attacking christardism from the angle of my own research and what we know from here. THAT was possibly the real issue at Renegade. Had I simply attacked christardism from ONLY the usual mainstream avenues, everything 'possibly' would have been fine. For a little while anyway. Possibly. However, there were too many issues that popped up (on purpose in my book) they could use as a cover in order to get me to leave. So there WAS a real reason. Almost everyone who followed my shows regularly were either never serious christards or christards at all. I was told by only 2 people (& personally thanked) that I had actually convinced them to leave christardism. There may have been more, possibly. I will never know. To this date, my most popular show is called "All Christians are Retarded". I have well over 26,000 downloads for that one. And that is just on my personal Blogtalk account. There is Renegade's web site as well as their Blogtalk account & also those who have heard it on youtube by those who uploaded my shows.

I am confident the rituals are working, however, Renegade may simply be responding to the effects elsewhere that are certainly a DIRECT result of these rituals. Keep in mind that Renegade intentionally removed my show archives for a while recently until someone complained that Renegade was trying to hide the truth, so they put them back up. I was blind carbon copied the email sent to Kyle accusing him of that. That was only a few weeks back from now when they put them back up. They had no intentions of keeping them around otherwise.

Subject: Iceland's underground civilization

This documentary give us hints of the presence of our Gods in Iceland, where lives the purest Whites on Earth who stayed Pagan for the longest period, who relate clairvoyant experiences with spiritual beings, "elves" saving their lives (which could be a misinterpretation of our Gods), elementals, and where there are many signals of underground cities and physical presence of them, taking in consideration Iceland is the country of Vulcanos and the many accounts of a passage to "Hell" there:

<https://www.youtube.com/watch?v=gRjatXe5bis>

From an answer by High Priestess Zildar Raasi here:

<http://josministries.prophpbbs.com/topic11286.html>

I've read a few accounts from people who believe they experienced these underground civilisations in some way or another. These accounts have been lodged over decades and by many different people, so by no means were isolated occurrences. Like quite a few people have claimed to have heard unexplained chanting, that they described as sounding like the repetition of Sanskrit Mantras, coming from deep within the ground in the Himalayan Mountain Range. As if there were somehow people within the mountains themselves.

Others claim they saw other-worldly looking Beings, which they described as looking like Humans but too perfect to be quite Human, tall and blond and almost shining, in the region of the Himalayas, as well as the Mountain Ranges in Germany, particularly Untersberg and Obersalzberg. There were even age-old stories going back decades and decades, multiple different accounts of "bizarre" experiences people had in the Untersberg Mountains with strange but beautiful Beings, hidden places that looked different to anything seen on Earth and also unexplained Sounds like music and chanting coming from inside a seemingly solid mountain.

Interesting too that these mountains were a favourite of Hitler and the Third Reich, and was the location of Hitler's Berghof Home.

This mountain was also said to be home to the Goddess Isis, who kept the Holy Grail. There are stories about Untersberg almost identical to the Legends of King Arthur. Of course much of this is Allegory. The Grail is not an actual object, but refers to achieving GodHead. But these connections do indicate the deeply Spiritual Connection with this area and the possibility of it having been an Ancient Centre of the Spiritual Schools. Templars and Occultists throughout the years claim to have been visited by the Gods in this area.

I really find this fascinating! Thank you so much for the beautiful new site!!

| Subject: Sermon 8/August 2016: Regarding Affirmations |               |                          |                |

I learned through experience that affirmations are a must after raising energies. Energy always takes the easiest way out. If it is not directed, it can dig up so-called "karma." Now this is not what New Age idiots keep promoting. That is false and is nothing more than a vehicle for conforming to Big Brother and the current agenda.

Most New Age people aren't much beyond Christians in the way of reasoning and intelligence.

All of us, including animals have certain issues on our souls. For example, in certain cases, people born with physical disabilities, were worked to death, slave labor, for example in a past life, and now in this life, the disability prevents this from recurring, but the individual only suffers, not knowing why.

Other aspects of so-called "karma" can be caused by interactions with others in past lives. My point here is this crap stays on the soul until it is removed.

When you raise your energies, you are amplifying your soul. If the energies are not directed through stating affirmations, whatever is on your soul and ready to manifest, will manifest.

I have read where New Age people had some very negative experiences, especially through activating their serpent. This doesn't always happen, but it all depends upon what is on one's soul. This is individual.

Say for example your doing a healing for someone. Giving him/her energy and not stating any affirmations. The loved one instead of healing, becomes worse. This can happen.

There is some negative factor on the soul and it is programmed in some way from a past life to cause illness and bad health. This can come from the person themselves, or from another person, like a parent who was abusive and hated that person intensely, for example.

The solution here takes replacing that bad destructive energy with positively programmed healing energy. The healing energy, when backed up with positive affirmations, and when it is powerful enough, will replace the so-called "karma."

Affirmations are extremely important, as these direct the energy raised.

I also want to add here that the affirmations should be short and to the point phrases. They should be in the present tense, as the word "will" in the future tense is not understood by the subconscious mind and soul. The light should also be used with the affirmations, as this is also essential in directing the energies. Visualize the light engulfing yourself or whoever or whatever you are directing the energies on.

Affirmations as I already stated should be short and to the point. The subconscious mind and soul and the energy do not respond to long sentences. If this is a problem, then spilt the affirmation and use one part for one working and the other for another working, but both would need to be done consistently.

Fate can screw one to the wall. Be aware of your wording. For example, I read of a professional athlete who used the visualizations and affirmations. She kept affirming she won. Oh yes, she did win. She was the best in the contest by far, BUT, the judges were corrupted and gave first place to someone else. After the contest, disappointed fans came to her telling her she was cheated and even yelling this out of their cars when driving away.

Make sure you cover details. Like I said, energy will take the easiest way out. Again, this has to do with fate being more powerful, and a lack of knowledge.

If the athlete I mentioned in the above affirmed in her workings that the judges are chose her to be the winner AND that she won the contest, along with enough power in her soul and consistent workings, she would have won.

The founding fathers of the United States must be spinning in their graves to see what has happened to the greatest country on Earth!  
They stated the "problem" of international Jewry, yet made no provision against it the Constitution.  
The situation might have been well salvageable until Franklin D Roosevelt and his croony Jewish mates used the great depression and the world war2 to infiltrate and redesign the "military industrial complex" to usher in a new era of deception upon the white races of the world and slowly plunge humanity into a new "dark age".  
That "son of a bitch" George S Marshall (chief of staff, American armed forces) under Roosevelt, should have been put against the wall and shot for treason against the American people!  
All presidents since have know, but not had the "balls" to do anything about it (except Kennedy) and the world has been to suffer because.  
Father Satan give us all, the will and strength to stand against and move forward to a new dawn of freedom as the world has never seen before or since, a place of truth and freedom!

Hail Satan!  
Hail all the Gods of hell!

Interestingly, when I copied paris at war address to show you here, I saw the most recent comment and I thought: WOW! I wanted to make a copy of it so I go back to it a few minutes later, what do you know, its been removed! The person said something to this gist: "This is the result of mixing barbarians into the most advanced of cultures. The two do not mix. The only way to stop this is to seal the borders and hunt down every one of these fucking animals."

Well, I happen to agree with that sentiment.

Greetings to all our People and Comrades.

This is part one of the matter in the series. I have not forgotten the requests made in the other parts of these series. These will be conversated about when the time has come as they need to be explained aside other things. Now that knowledge comes from Satan, so it doesn't have a copyproof, but an existential right. Those who desecrate this knowledge will be met with the eventual rotting and disasters this action does. No "tomb raider" ended sane. Without further due, let's continue.

Satan wants no more lies about "Karma" and people can stop being deceived now and forever. This will also solve all these "Questions" created on by the enemy, who make everyone self-guilty, confused, and misguided. Satan = Truth. Truth can be rationalized and made into understandable pieces. The jews always say the contrary in an attempt to hide this from the masses.

This time we are going to cover on the topic of "Karma". Contrary to the preachings of the enemy, the "Karma" is one of the least understood concepts. They do this on purpose.

The enemy has purposefully lied and totally misdirected people in regards to what "Karma" is, and thanks to lack of knowledge in regards to Spirituality and Astrology that both unveil "Karma", people are slavishly ignorant in regards to this concept. The enemy of course lies to people that "Their life is the outcome of how good Goyim" they have been, or that "They will be punished in the afterlife for disobeying the Jewish "God", or that "What they do to others will be done against them threefold" and the list goes endless."Karma" we can define as a set of forces that guides personal life.

Let's focus on the personal realm first so when this easier matter is understood, we can explain the more difficult matters. What is accurate of "Karma" is the term "residue". Now this is a tricky word. For those of you who know of Spirituality, you can easily figure out what this term means.

The Soul, or the individual essence reincarnates over lifetimes and changes bodies. However, this a very simplistic and definitely does not have to obey to stupid buddhist or other rules.

Karma is neither "good" or "bad". Its better desired by humans that Karma is not "suffering" but suffering in itself is not always "bad". What matters is the Purpose. The Cosmic Mandate for all beings is for them to explore themselves and understand "what is why they exist".

Let's say one is to have a surgery that will save their life. Now, this is "painful" and may also be "bad". However, the surgery can be life saving. On the other hand, one drug addict does drugs and "feels good" while doing these. Their lives will shortly be ruined. "Good or Bad" is not how one shoud approach "Karma" in anyway. Nature doesn't reason it that way.

This why is existential and not opinion based. Now, people have lost the language of understanding and translation, so everything has fallen into a total materialism. Karma is also not always pletted with gold. There is a Saturn (Responsibility, reality, limitations), there is a Jupiter ("good" influences,

"Oneness" and "Peace"

FourthReichBerserker wrote:

goddamn kikes are pushing to actually become "nothingness" to surrender to oneness, "blackness" to literally let the soul "die". And then with the forced agenda of "astrology is bullshit" and all the materialism and stay away from spirituality.

---High Priest Hooded Cobra 666 Replies:

"Oneness" is a concept for the Soul who has connected Ida and Pigala. Oneness does not imply "Race Mixing", "Cultural Oneness", or accepting the Jews as universal saviors, and accepting the "One and Only" BordAllah or Rabbi Emmanuel Jewsus Krayst. Oneness does not imply "One World Government", or does give ANY justification for slavery of all under "One". Oneness doesn't imply Communism ("Equality" and flattening on the political level and individual life) either. Oneness does not imply there must be only one type of heritage, "God" or Nationality. This also has nothing to do with "Equality". The reasons why are easily self-observed by anyone with a pair of eyes and a brain that functions.

Oneness is just a spiritual concept that has to do with how the whole universe is in relationship with the whole in itself. "Oneness" can only be explained as "Wholeness" in these lower levels. One Race is a "Whole". A "Whole" can have the same culture, the same beliefs, the same system, the same religion and the list goes. Mixing "Wholes" is not "Oneness". For something to be a "Whole", there have to be the same "members" of the same "kind" in it. The same goes for instance for all your cells that constitute your body, for instance. If these were uneven, problems arise. Cells are not "equal" and they are not the "same", however they create (in desirable situations) a healthy and happy whole.

Like Karma and all other spiritual concepts, the jews are reeking these over in society to misguide the "Goyim" into thinking that the actions of the jews, their ideas and their depravity are somehow backed up by universal rules. The same goes for their pseudo-dualism. "Satan cannot exist without "God" and the rest of the garbage. "God" if anything cannot exist without Satan, because he was made thousands of years after Paganism, only so the jews can have an enemy. Satan did exist thousands upon thousands of years before they even existed, and Satan will forever exist after even everything is said and done on this so called "Planet" with its fancy beliefs of nowadays. The same goes for Satanism, which as the enemy openly states as well, existed long before the Abrahamic Programs.

Its desired and wanted by the Gods that Humanity does not fall on this disease and wrongdoing, and that we fight back, however. The Gods fight for this too, so we can be saved.

In the same way any animal gets rid of unwelcome fleas, in the same way some things have to be removed. In the same way there are "natural enemies" and "natural antagonism" in all Natural species, the same is the case with the "Jews" and the Gentiles. There is no "Oneness" in that sense. "Oneness" is just the first and most primal state of "Existence" upon which everything is on "Square one". Oneness is just the natural law that all "Creation" is connected in some way, and this is the Aether and spiritual, this is the understanding of "Non Duality" in Yoga, when one understands the creative way of fusion of male

and female.

This is not enemy garbage of "Oneness" as one can readily see in nature, nature intends division in the same way it wants "connections", or it severs these. For instance, bodies of humans are separate. You are not "One" with your table or desk, and you are happy when you are not "One" with some deadly virus or cancer. "One" can only happen in consciousness, and is a concept that has been bastardized.

There is no evolution or de-evolution here, and absolute "Nothingness" if we can say this, in this "level". There is only potentiality. This is the same as sperm. Sperm is useless, unless it is fertilized. It carries information and power, but if its not fertilized, then it becomes nothing worthwhile. This is why Satan's Number is 2 and 11 and not "One" as the enemy "Oneness" garbage preaches. One evolves and becomes a worthwhile being that advances and expands after they are born, they grow up, and advance from this "Potentiality" into something decent. This is the way of the Cosmos and not the reverse. The enemy is preaching this crap in reverse, in order to get people to regress back to a prior stage of existence.

"Oneness" is also behind "Race Mixing", "Globalization" and everything else. These have nothing to do with the spiritual/natural concept, and they are just bluffs to deceive the blind Goyim slaves. Race Mixing is the degeneration of Nature's blueprints into a more primitive and "same" state, where there is actually a backwards movement from natural evolution. Its de-evolving incarnate to engage into this practice.

This if occurs over too many generations, all humans on earth will become completely "One Humanity" with the baseline of everything set as low as ever before, since all original blueprints deteriorate accordingly from admixture. Both the "lower" and the "higher" too deteriorate.

Then we have the notion of "Peace" the enemy talks about all the time. "Peace" can only come from when someone is safe and sound, and in this natural environment, there is always warfare, more or less obvious. One can only be safe within their "Own", be this the family, or the "Whole" they belong to, or any other unit that protects all members etc. This is why the enemy has forced people into herds and accepting social hoaxes such as "Christianity".

This is exploitation of this rule of life. Peace can never come without power. While for everyone else "peace" means pacification, marijuana, deadly beliefs such as "non violence" and all this garbage, the jews are waging relentless, visibly or not visible warfare to undermine everyone. One needs to look no further than "Islam" who always talks about "Peace". Then "Pieces" the way out of everybody. Peace when the enemy speaks of this, means pacification, living in one's fake bubble, ignoring reality, and disregarding all meaning and purpose bestowed by nature.

All Human beings like peace, because peace is a beautiful and welcome state in where life can advance, evolve and flourish. The enemy wants none of this for their enemies. Peace is also a spiritual concept, and peace is attained when one flushes out their negative Karma and mental problems, through meditation, and they achieve enlightenment. Which literally means, the filling of the Soul with light. This manifests into mental serenity, clearness of thought, and an elevated state of existence where one is no longer bothered by the problems of a disobedient and problematic "mind".

The enemy loves "war" and they are warmongers, but because they are few and they are afraid of straight up warfare (or being revealed to Gentiles), they just blind others with "Peace" so they can exploit them while they roam undisturbed. There are actual passages in the bible, where all "Nations" of Gentiles, do all revolt and attack Israel together. They know this is a grave danger for their agenda, as everyone of the Gentiles is extremely exploited.

"Multiculturalism" and all the other trends the enemy forces upon Humanity, looking to gradually weaken its livestock down beyond the level of retardation,

are many times based on pseudo-philosophical and pseudo-spiritual concepts, which the enemy bases off on the spiritual ignorance of the masses, caused to them by the programmes that the jews created.

The jews literally curse all of Humanity with rituals and blood sacrifice, the Hebrew "Bible", in order that all Souls will remain without any "peace" or "light" whatsoever. Since spirit is matter and matter is spirit, they also take physical actions such as causing wars, fanning ignorance, promoting death etc. They curse everything and damn everything. The same goes for knowledge, life necessities, undermining of civilization and everything else that makes life worthwhile and possible.

The climax of this hatred is when they curse Satan, which as we all here know is the Father of Humanity, Truth and also, relates to the Serpent which is the advanced genetic blueprint Satan implanted in Humanity, so that we can advance and evolve throughout our whole existence.

None of these concepts are spiritual, or based into "Spirituality", or Truth, in any way, shape or form. Truth can only mean life, and the best for life, and these are deadly and all are in tune with death, desolation, destruction and degeneration of Human life, all of which are against Nature's Will.

Most of us who are full adults know life is hard. There is unimaginable suffering in this world. Humanity tries to cope in many different ways, through religion, and many other programs that offer hope in alleviating, and explaining suffering. Live a certain way, behave a certain way, abstain from this and that and so forth...

All of these different programs exist with claims that following them will put an end to suffering.

I've asked Lilith about life as we know it here on earth and how bad things are. She told me there is always suffering in the universe, but much less in better worlds. There are degrees of suffering and here on this earth, its pretty awful. This affects most people and animals, the environment, etc.

When I was growing up in the 1970s, there was surge in books on witchcraft and the powers of the mind being published. This was never before available like this in what we know of history.

My mother had cancer and after reading a couple of these books, she healed herself totally. I remember she would always tell me when I was a teen, to watch my thinking; to always think positively. She warned me that what one always dwells on and thinks about, one attracts into their life.

I learned as I got older, this also has to do with the strength of one's soul. The stronger one's mind (focus and intent) and soul, the more powerful in attracting what one dwells upon into one's life, whether one is aware of this or not. A strong soul is from previous lifetimes, regardless of what one may believe or adhere to in this lifetime.

Lilith has me studying Islam now. One of the biggest problems facing humanity is the lack of knowledge. Even worse, the most rotten programs that are of the enemy intentionally remove and restrict knowledge in order to brutalize humanity into a slave state. Slaves must be kept ignorant.

I was raised Catholic. Compulsory church, the confession box, Catholic school, etc. When I was 14, I attended a Halloween party at a school. There was a girl dressed up like a gypsy reading palms. She read mine. She gave me a bad reading. Of course at 14, this really upset me. This was a turning point in my life. After this reading (she was totally wrong), I began studying palmistry, astrology, the Tarot and more on my own.

To make a long story short, this knowledge exposed the lies of Christianity to me. Idiots were always pushing prayer, but I could see from an early age in knowing astrology, whether "god" would answer those prayers or not. I became an atheist. My mother also left Christianity as well.

Victims are warned and threatened to "have faith" "don't question" and so forth. This "all knowing" "all powerful" so-called "God" MUST have continuous slavish worship, recognition, promotion, and total devotion in order for it to survive. Now that doesn't sound very powerful to me. To need all that help from humans.

Though the average person by him/herself isn't powerful alone, the mass mind is. What a people together dwell on, they draw into their lives. The Middle East for one is an example. As I've stated before, even as hideous, odious and repulsive as Christianity is, there isn't anything more rotten than Islam. The Koran is full of the most profound rot imaginable. To say it's "sick" is a gross understatement.

Most people here in the West don't read it and the authentic is in Arabic. Now, when you have millions of people believing in, pushing, and putting their energies into this sick abominable filth every single day, this spiritual pollution and toxic filth affects the entire world and everything in it. The only thing in the way of being spiritual is spiritual toxic filth. There is nothing truly spiritual about it.

In addition to this, many Muslims like Christians do a lot of memorization. While Christians are in many cases forced to memorize scriptures, many Muslims memorize the total Koran.

This spiritual pollution becomes imbedded in the mind and soul. This in turn affects the entire world as there is strength in numbers. I remember reading, in regards to Christianity, one murdered, a devout Christian, who delighted in torturing and murdering "witches" read the Bible some 54 times, in its entirety.

Violence begets violence. The Middle East is a hot bed of it. Islam is violence. They attract violence as well as promote it. Islam doesn't have a structured priesthood like Christianity from what I've been learning, but there are prominent recognized leaders.

I read where one, who runs a mosque in the UK, has both hands missing and only one eye. Courtesy of a bomb. There are differing accounts of what actually happened, but most agree this Islamic leader when attempting to construct the murderous device, got some wires crossed the wrong way. The Koran is known for its advice on cutting off hands. What he dwelt on, he attracted.

Judaism, Christianity and Islam, three of the most abominable and completely rotten programs spew their spiritual filth into the minds and souls of unsuspecting humanity, along with creating toxic waves of this malignant life hating fear filled energy on the astral, that has engulfed this planet in death energy of the ugliest kind.

The earth is dying. For centuries and centuries, Christianity has viciously and brutally attacked and held back science (so has Islam, though they lie and deny it), yet the average fundamentalist Christian makes full use of technology and modern conveniences to spew their foul lies all over this planet.

We have been held back dangerously. The enemy Greys who are behind these truly evil programs (in the Koran, it reads "We" many different times for that swine excrement Allah). The human hating Greys are way ahead in their technology. Our most advanced technology is like antiques in comparison. This is where we are at because of programs of toxic suicidal indoctrination murdering scientists, and viciously suppressing scientific thought and learning.

Spiritual pollution of the most toxic kind, spreads and permeates everything. The people of the Middle East for one, have suffered extreme violence, ugly wars, bombs, skulls blown open, grave injustices (like the Palestinians at the hands of the Jews), and this has its foundation in the Koran. They dwell on the Koran, the vile verses in it, that murderer and liar Allah, and this is where it gets them. The grave injustice and oppression of Sharia law, and they are forever having injustices perpetrated against them, as they bow down before injustice, violence, extreme hatred and negativity and worship it.

These programs permeate everything with their spiritual toxic filth. This entire world is so saturated with this spiritual pollution, that everyone suffers, even animal life.

Unless something is done to completely annihilate and destroy this spiritual vermin, no one has a chance.

In closing, I use the term "spiritual" to convey waves of toxic energy that is sent out on the astral through belief, slavish worship, dwelling on and promoting. In these programs, there is actually nothing spiritual. Just histories of fictitious assholes, advice on killing and warfare and related degenerate suicidal advice for humanity.

Grey's Involvement In Ancient America

Take a look at just who appears all over these ancient Mayan Temple artifacts.

From the Aztec codex Chimalpopoca:

"The Toltecs were engaged in battle at a place called Netalpan. And when they had taken captives, human sacrifice also got started as Tolecs sacrificed their prisoners. Among them and in their midst the evil YAotl followed along. Right on the spot he kept inciting them to make human sacrifices. And then, too, he started and began the practice of flaying humans...Then he made one of the Toltecs named Zihcozcatl wear the skin and he was the first o wear a totec skin. Indeed, every kind of human sacrifice that there used to be got stared then. For it is told and related that during the and under his authority, the first

Quetzlcoatl, who's name was Ce Acatl, absolutely refused to perform human sacrifice. It was precisely when Huemac was ruler that all those things that used to be done got started. Huemas sacrificed a human streamer, thus making payment."

In the Codex's it makes mention of the fact the original civilization given by the Gods described as Blond haired and blue eyed. Ordered them to never commit human or animal sacrifice. In the Codex the Quetzlcoatl here is a title not of the Nordic God [Satan] but of the Priest King of the time. Who kept the law given. We see in the Codex other rulers latter on started to make deals with these other beings described as being evil. In return for power and earthly favours. They offered blood sacrifices. Note the name of this being is YAh-olt, Jau of Yau, Yao, is also a spelling of Yahweh who is also called Yah by the jews. Yahweh is a collection of enemy aliens. Yahweh orders human sacrifice and animal sacrifice in the Torah.

You can see the arrival of the Greys-Reptilians at later date in the South American histories:

[Fixing/Improving the Forums and Groups](#)

Greetings to all our People and Comrades!

The link to our Forums for those that don't know of their existence:

<http://josministries.prophpb.com/>

I know this comes of a bit late due to many requests (And serious lack of time on our behalf), however, its going to finally happen. The issue with this is that there was no real way to "Correct" the announcements thing, however, due to help from other members, we had some solutions presented (Thanks everyone-

) and now we decided that we are going to let everything as it is (Nothing will change on the Forum except the clutter will be removed, so the forums can load easily and be more user-friendly). Nothing will be lost, no post, sermon, views count or everything, but the majority of the space will belong to the members from posting.

I again and again attempted to make this change, but the forum panel is not very "allowing" of such. It is also more complex than it may seem in many ways. However, this will seriously organize and tidy up everything, to the point where I presume everything will be flawless and user experience will be better.

So from now on:

1. There will only be around 15 of the latest Clergy announcements/sermons/posts in the announcement panels. This will remove clutter from all our multilingual groups as well.
2. All posts that have been posted here, will move to the Forum of "JoS Newsletter". For that reason, if anyone wants to find older posts, they can use the search function as usual, and they will have to go to the JoS Newsletter Forum. Also, these will be uploaded in the Library and will be easily found by anyone who wants this.
3. There will be enough space for all members to post and do everything they want in the poster section. This will give anyone more freedom to have their posts noticed and answered.
4. No more phone loading lag-time. Even the JoS Newsletter (where all the announcements will go) will be in pages, so therefore, no lag whatsoever.

One favor I need to ask is that from now on people should use the JoS Newsletter and JoS Library, to direct people into finding the older posts. The dates of the posts, their views, aside everything else, will not be affected.

Now, as for the Yahoo Groups, few things can be done, as Yahoo has really wrecked the groups. We will try to reduce spamming and get as many people as possible to make an account here as well, as this benefits everyone to be in two places at once.

The changes will be gradual and will probably \*NOT\* affect anything, so everything proceeds off as normal.

Satan Is The Divine Name

In Kundalini yoga SATNAM means "The Name of God is SAT" SAT is the highest name of god in Sanskrit. However as the Kundalini yoga texts state SATNAM is a shorter version of SATANAMA. This mantra means "Homage to the God who's name is SATA". This is because SAT in Sanskrit is also SATA with the T

letter spelled out fully. Which gives the letter its full power.

In ancient Sumeria:

As Laurence Gardener showed in his book: Genesis Of The Grail Kings that....

"The Serpent Lord was Enki, but in parts of Chaldea[ my note Sumeria] He had been called Shaitan."

ENKI was called: "The Lord Of The Sacred Eye." But was also called Satan. Here Satan is actually also SATA, some times in Sanskrit they put a nasal sound on the end of mantra's. Satam/Satan also means One Hundred in Sanskrit which relates to the crown. Where SAT is also placed in the east as mantra. Which is also SATA. To this day in India there are Hindu's with Satan as their Sanskrit surname. As this is a spiritual name. You will also find many Hindu's with other spiritual names in their surnames and full names.

The reason ENKI was also called SATA of which SATANAMA would be the full expression of this mantra in the proper. Is because as the Kundalini yoga texts state. SATANAMA is the mantra to open the third eye-pineal-crown chakra. In Kundalini yoga this process releases the Amrita which is the nectar of immortality or Soma. Which fills the body activating the serpentine system along the spine and purifying all the nadis, removing the dross and this process is the key to raising the serpent in Kundalini yoga. Fully opening the sacred eye of SATA which also means Truth as the Truth is the All Knowing State of super consciousness this power brings.

As the Kundalini Yoga instructions for this mantra are:

"â€œBegin to Chant the Mantra now. Slowly chanting the sounds Sa Ta Na Ma repeatedly. Do the following visualization as you chant. Visualize the sound S, T, N, M entering through the top of the head through the crown chakra, while visualizing the sound â€œAâ€• leaving through the center of the forehead through the ajna chakra"

This is the reason why in Kundalini yoga SATANAMA is the mantra of the five elements, the Akasa which is the element of the Ajna chakra. The All Seeing Eye.

This is why the Jews hate this word of power so much. Its the key to awaking super conscious, the serpentine power which takes one to full enlightenment, opening the Eye of Truth. Where one can no longer be lied to or deceived. They put this message in their Genesis in their Torah. The ultimate sin was humanity awaking this power. And achieving the enlightened state. Of which Yahweh [the Jewish race collectively and their reptilian masters of which the Jews

are racially part of] could no longer make them slaves. This is a direct instruction to the Jews, the key to the enslavement of Humanity [they call us the Goyim meaning cattle, what do you do to cattle...] is the removal of all spiritual knowledge.

The enemy organization the Catholic Church has a ritual on Ash Wednesday where the Priest crosses out the third eye with dead ash to create a subliminal of this power the Eye of SATANAMA being closed off forever. Where in the east in Hinduism they still put a special paste on this spot which is supposed to help simulate the nerves at the Ajna point to help activate the third eye.

It was Ash Wednesday the Jewish Elites chose purposely to Holocaust Dresden, connecting this attack into the ritual death energy of their Christian Program. What does that tell you about what the energy the Catholic Church uses on this day is about?

Sanatana Dharma the name of the Aryan Religion, Sanat is another spelling of Satan. Sanatana is made up of the same letters of SATANAMA the N and M are both nasal sounds in Sanskrit. The third eye is called the eye of Dharma in the east as well. When the Jews smear ash to cross out the third eye in their death ritual, they are trying to blot our memory out of our spiritual origins, purpose and Creator. They are trying to murder the Truth.

Note:

Aryan People are originally from the East. The Sumerian's came from the east.

The Blonde Blood Line, the Yedizi state in their own records they came from India first then into ancient Sumer and Babylon, they were Chaldean's This group was the Aryan spiritual class. The Chaldean's from their own history came from the region of the Himalaya's near the Pamir Plateau. Chaldean is related to the word Kula meaning Klan of the sacred blood. The royal blood, Aryan blood. You can still note the Yedizi's religion is practiced in Southern India around Sri Lanka with Skanda, Shiva.. Were this survived and also in parts of Tibet with Bon whom the Tibetan's stated they got from ancient Aryan People. Shambhala is mentioned in the Yedizi texts as well. Which relates to the Himalayan region.

The Yedizi still call their God, Shaitan as well. They brought this out of the East with them. Enki/Shaitan in the Sumer texts created a second race of ascended beings into whom he put the blood of the Gods into and thus the secrets of the Gods into their blood. This was the race the texts stated Enki created in its own image, the first blue eyed people. This second race in the image of Enki was called the Ari in the Sumer texts, literally Aryan's. This is the race that was physically birthed by the Gods. The White Race is of the race of the Gods as our ancestral texts the Jewish program of Christianity tried to destroy, stated. We share the same racial soul with the Aryan Gods our first ancestors. This is why the Jews hate us. They even call us "Satans" and state we are from the Seed of Shaitan, in their texts. They are right.

Thank you, this has cleared up much for me, as well. I had been reluctant to look deeper into my Aryan blood line (due to the Jewish filth and their creation of racism, of course), but recent strides in my enlightenment have helped me much in this. I'll continue to research deeper into the subject.

HA these hooknose whiny voice freaks are so full of it as well. All of their own culture and religion is nothing but plagiarism, stealing and corrupting other ancient traditions to suit their own supremacist kike-centric agenda and claiming them to be their own.

Some (hair raising) details,

1. The 20 refugees were instructed, before they left for the bath house, that sexual attacks and rapes are not allowed. (?!)
2. Some public baths have signs that say, "rapes will be reported to the police".
3. The police said, "this is a place where temptations are great". (Really, is it "tempting" to rape 11-year olds?)
4. The cost for the taxpayers to house each refugee is US\$150 000.00 per year.

It is far too easy to get a Swedish whore girl, I mean; says Hamid, and laughs over his own choice of words. - I don't have too much respect for Swedish girls. I guess you can say they get fucked to pieces.

Good thanks for \$150 000.00 per year, isn't it?

Qur'an (9:3) - "...Allah and His Messenger are free from liability to the idolaters..."

In this article I want to analyze who [as not Allah is creating real resources] and how much spends on those rapists to create a safe haven where they can rest and recover.

Germany will spend around \$6.6 billion to cope with some 800,000 migrants and refugees expected to have crossed into the country by the end of 2015, the government said early Monday.

The announcement by Chancellor Angela Merkel's coalition government came after Germany and neighboring Austria threw open their borders to the wave of refugees making their way north and west from the Middle East, Africa and elsewhere. Hungary has been letting the human tide move on after holding it up for days.

Posted Sep 7 2015

So, Angela Merkel is going to steal more \$6.6 billion of German people to feed their rapists, beaters and murderers [in short, cultural enrichers]. Let's see how much Germany spends already to be raped, filled with garbage and genocided.

Germany prices refugee effort at 17 billion euros

Spending on refugees by Germany's 16 states next year could exceed 17 billion euros, according to "Die Welt" newspaper. For the 300,000 children among them, 25,000 extra teachers are needed, reckons the trade union GEW.

"Die Welt" said that its tally, found while surveying Germany's regional states or L nder, could end up even higher than the 17 billion (\$18.6 billion) estimated, because its calculations had been based on 800,000 refugees.

Refugee influx to cost Germany 25 to 55 billion euros annually

Date 11.12.2015

<http://www.dw.com/en/refugee-influx-to-cost-germany-25-to-55-billion-euros-annually/a-18912600>

Depending on the number of refugees coming to Germany over the next few years, the annual cost to Germany could range between 25 (\$27.5 billion) and 55 billion euros, according to a study by Kiel Institute for the World Economy (IfW) published on Friday.

With a million refugees expected in Germany this year, the annual cost would be 55 billion euros, the study found. But under the assumption the number drops to 360,000 refugees from 2018, annual costs could drop to 25 billion euros annually. 

17 billion on 800 000 rapists is 21 250 for one rapist. 1770.83 per month. 55 billion euros on 1 million rapists is 55 000 per year for one rapist! 4583.33 each rapist gains per month. 4583.33 euros/month is a very good income!!!

Qur'an (8:69) - "So enjoy what you took as booty; the spoils are lawful and good."

Thanks, Merkel!

I will not quote all the article it is long and already used in another topic on this site. But this article quotes some wonderful Jewish text written to show how "poor refugees" are hungry... these 2 paragraphs are worth quoting, because they brilliantly reveal actual level of life of rapists. What exactly rapists call "hungry"....

"An article published in the *Suddeutsche Zeitung* on October 14th 2014, states that Syrian refugees in Turkey are going hungry due to lack of funds for their upkeep. It states that 280 million euros more are required to feed the refugees. In other words, pocket change. While other reports in the German media indicate that the German state will have to dish out **46 billion dollars per annum** to finance immigration....."

In other words, Mr Rothschild has *NOT ENOUGH MONEY* to feed rapists in Germany as much as they want, so German rape victims pay taxes to help him do it.

[EU Refugee Crisis 2016: 10 Million More Asylum Seekers Heading To Europe, German Official Warns](#)

By Bruce Wright on 01/11/16 AT 8:57 AM

"It is the European Union's fault that as many as 10 million more will come to Europe because its countries' borders have not been regulated, the German development minister said, pointing in part to the areas in Europe that do not require any documentation for people to freely pass through."

\$46 billion / 10 million = \$4600 for every single rapist!

Guess what? THEY ARE STILL HUNGRY!!!!!!!!!!

Let's see what other countries do to be raped.

"This has created crises for countries," said Elizabeth Collett, director of the Migration Policy Institute Europe, noting that in 2014 when **the Swedish government** tried to adjust its budget to address asylum needs, it was blocked by far-right groups. "It's difficult to find money for immediate response, but it's something we have to recognize isn't going to be a short-term financial challenge."

"To deal with the steady stream of refugees, EU members should increase their payments to the EU budget by 1 percent while also cutting spending by 1 percent, **Hungary Prime Minister Viktor Orban** proposed Wednesday. "We should repeat this as many times as necessary to have the amount of money that we need to handle the crisis," he said.

**The Finnish government** has proposed increasing capital gains taxes on the country's highest earners to help the Nordic state deal with a tenfold increase in refugees this year. Taxes would increase by 1 percentage point, and residents who earned more than 81,000 a year would have to pay what is being called a solidarity tax to support the influx. As of Aug. 31, Finland had received more than 7,000 applications for asylum, according to the Finnish Immigration Service.

For the short term, **European Commission President Jean-Claude Juncker** announced Wednesday an increase in funding to help the EU cope with the crisis.

We have almost doubled the resources to tackle the refugee crisis -- from 4.6 billion [\$5.1 billion] to 9.5 billion [\$10.6 billion], Juncker said. He listed several other funding measures, including **100 million euros for emergency assistance** to the EU states that have been hit hardest by the refugee crisis, **600 million euros in 2016 to support EU agencies dealing with the crisis**, **200 million euros for the World Food Program this year** and **300 million for humanitarian aid** in 2016.

With many different budgets, funding could come from different sources in the EU but would still likely need approval from the parliament. What's happening now is an effort to look holistically to see how funds can be used. **Where can we find pockets of money?** Collett asked.

Juncker said an additional 1 billion euros would be provided for Turkey, which has shouldered a large population of refugees in the region, and 700 million euros for Serbia and Macedonia.

There will be a lot of going back and forth, but I'm hopeful it will be approved, **Constant** said, referencing the proposals put forth by Juncker.

So where are the pockets ready to pay for murderers?

In the short term, funding could be made available from EU funds, but we asked the national leaders to meet this with national funds, **Martin Schulz, president of the European Parliament**, said Wednesday.

On 09/23/15

So both EU will rob European countries and themselves need to pay? So pay twice then through taxes and beyond??..... \$10 billion from EU + 55 billion euros from Germany alone, 700 million euros from Serbia and Macedonia, 200 million euros to feed rapists, 300 million - to give them medicine and toilet paper, 600 for agencies serving them (rapists has their personal agencies), 4 billion from Sweden [see below] to have this in your country:

And don't be fooled by their savage look. The fact that they do not wash, clean territory after themselves or bother to look like humans does not mean they are  
pour .

Guess what? They still complain and demand more money.

Money! Money! Money!

I want money because I want smoke

We go to Germany because their money is good

\$1145.43 for rapist per month - yes, it's good.

This video shows muslim rapist telling White journalist he is not content with Denmark anymore, he wants only Sweden. Because "salary of a refugee" is better there [as far as refugee is a business] and he does not want to wait to procreate.

<https://youtu.be/rAFYlynkJOA>

- What do you want?

- Sweden.

Sweden, muslim paradise

**One typical refugee**, Natanael Haile, barely escaped drowning in the Mediterranean in 2013. But the folks back home in Eritrea don't want to know about the perils of his journey. As he told The New York Times, they want to know about **this secondhand car**, the government allowances he receives and his plans to find work as a welder once he finishes a two year language course. **As a registered refugee, he receives a monthly living allowance of more than \$700(U.S.)**. Wow!

Sweden's generosity costs a fortune, at a time when economic growth is stagnant. The country now spends about **\$4-billion a year on settling new refugees** up from **\$1-billion a few years ago** Mr. Sanandaji said. And they keep coming. (Published Friday, Sep. 11, 2015)

Sweden takes in more refugees per capita than any other European country, and immigrants mainly from the Middle East and Africa now make up about 16 per cent of the population.

\$4 billion for 16% Let's do some calculations. The total population of Sweden 2014 was estimated to be 9 743 087 on 30 November 2014. How about \$4 billion / (9 743 087\*0.16) = \$2565.92 per rapist!

\$2565.92 per rapist in Sweden is going to be stolen from every Swedish taxpayers by Swedish government in 2015 on settling new ones only!

+ "Sweden automatically accepts unaccompanied minors [future rapists]. "We used to take in 500 unaccompanied minors a year," he said. "This year we are expecting 12,000."

So what we have here?

$$9\,743\,087 \times 0.16 \times 700 =$$

**1 091 225 744 spent monthly on rapists in Sweden which makes \$13 094 708 928 per year.**

2015: 6,2% unemployment in Sweden, mostly among immigrants. But even if we roughly put 6,2% unemployment for native Swedish, we will have:

$$9\,743\,087 \times 0.84 \times 0.938 = 7\,676\,773$$

$$\$13\,094\,708\,928 / 7\,676\,773 = \$1705.76$$

Every working Swedish paid \$1705.76 in 2015 and \$521.05 every month ONLY for Swedish blood to be shed.

No wonder they prefer Sweden to go to rape.

[http://whitedeathofislam.weebly.com/uploads/5/4/9/9/54991683/1051118\\_orig.png](http://whitedeathofislam.weebly.com/uploads/5/4/9/9/54991683/1051118_orig.png)

Not only this, EU also kicks native Swedes from their houses to save place for rapists:

Sweden Elderly Kicked Onto The Street By EU: Jew Demands To Make Way For Invaders

<http://deathofcommunism.weebly.com/sweden-elderly-kicked-onto-the-street-by-eu-jew-demands-to-make-way-for-invaders.html>

But as well as German rapists, these are also **not content** with the bounty they have and demand more:

When they aren't raping Swedish women, Somali Muslims are demanding more welfare benefits and more free housing. <https://youtu.be/01H6IHM7Fyk>

And they also have some demands regarding their "asylum" itself, it should 7-star. Not only have they refused Denmark for Sweden! They will not accept any town in Sweden either, only big city. They will not quit the bus till you drive them to the city they want. And your buss will have to travel till they choose their paradise.

Refugees protest rural Sweden relocation:

<http://www.thelocal.se/20150101/refugees-protest-rural-sweden-re-location>

Also, disbeliever, the food you feed them should be specific, that food you yourself eat will not go, you must travel to their country and bring them their food or better learn how to cook it yourself for them:

Refugees protest against 'monotonous' Italian food

<http://www.thelocal.it/20140827/refugees-protest-against-monotonous-italian-food>

â€œServing [the believers] will be immortal youths with jeweled and crystal cups filled with the purest wine which will neither give them headache nor hangover, with fruits and meats of their desireâ€ . (56:17-24)

<https://youtu.be/44vzMNG2fZc>

â€œThis food is too bad, even for a dog.

This is for women.

Fruit juice with 15% sugar!â€

You know, disbeliever, raping your women is a hard work, you have to pay well.

---

The sums collected in this article does not include money spent on rapists with â€œcitizenshipâ€ , on rapists with no â€œrefugeeâ€ status, and on massive propaganda of tolerance, diversity, multiculturalism, â€œWhites do not procreate thus need all those apesâ€ hoax, â€œEurope has no its own native cultureâ€ hoax, and many other hoaxes, lobbies etc. â€ and a lot of parasitic jews, like Sahlin and Spectre, who work on this day and night and of course demand salaries for it.

â€œWhere can we find pockets of money?â€ Collett askedâ€

Letâ€™s seeâ€ most propagandists are jews and make their living parasitizing on the budget of the host-nation.

[http://whitedeathofislam.weebly.com/uploads/5/4/9/9/54991683/9039969\\_orig.png](http://whitedeathofislam.weebly.com/uploads/5/4/9/9/54991683/9039969_orig.png)

Average monthly wage in Sweden in 2014 is estimated as 2 825.57 euros net (clear of taxes). Average taxes are 60%. So it means that average working Swedish profited his/her government about 4238.36 euros per month during 2014, i.e. 50 826.26 - per year. And only 4 billion spent on rapistsâ€ more rapists can arrive to such paradise.

In conclusion I wish to relate here some signs of gratitude Allah and his followers show those who try to help them:

The funny thing is the content isn't...I see worse shit than this on mainstream programming. Its clearly because these red ice people are telling it like it is and Jewtube is trying to discourage people from seeing it. This shit is seriously so gross, this massive Jewish push to turn us all into one

blended mess and to kill the white race. Absolutely infuriating. One thing they said that I took heart from was that this education attempt by the govt is them backpedaling as there is a massive resistance arising to this (enforced and pushed cross breeding attempt to make fucking brown babies). Something to that effect. Anyhow, check it out. It ought to get you good and angry and ready to do another RTR! It sure did me!

Genocide through mass rape:  
Full proof that the muslim immigration has a goal of the full extinction of White Europeans.  
Answer of a muslim  
<http://whitedeathofislam.weebly.com/genocide-through-mass-rape.html>

â€ There is a well-known hoax all over the net that jews and muslims are "worst enemies". This hoax is based on jews nuking Arabs in ME. While Jews are a race not a religion, and they really nuke Arabs as far as their goal is Gentile racial genocide. Fact is Arabs are not only Gentiles,

they have some Aryan / Satanic (Arya = Satan) roots which are now almost totally gone due to rampant race-mixing on their territory - under the influence of islam. Islam is not an Arab religion, but jewish, forced on Arabs centuries ago to destroy their White genes. The truth that Aryan ME was destroyed by islam is easily proved by the fact that those ME peoples who have not been muslimized, Yezidi for example, still have a lot of blond and blue eyed people among their tribes, because their religion protects racial preservation.

Now what we see from the below, is that ISIS is the main jewish instrument of racial purge / islamization [which is the same] of the East:

ISIS is needed to destroy Aryan bloodlines

<http://whitedeathofislam.weebly.com/isis-is-needed-to-destroy-aryan-bloodlines.html>

Found and run by the jewish Mossad agent:

“ISIS” and related terrorist groups created and run by jews!

<https://exposingthelieofislam.wordpress.com/isis-and-related-terrorist-groups-created-and-run-by-jews/>

While immigration floods serve the same thing in the West, moreover they let ISIS pass the gates of Europe with them to spread White racial purges there also. Fact is, Europe is the main seat of the White Race in the world as it the ME was thousands years ago, and the islamization of it will be the end of the White Race in this region as it was in ME. And as well as the kikes of the old, that greedy Rothschild is ready to pay a lot to keep those immigration floods going, so that as many Whites as possible are murdered, raped and islamized:

ISIS Europe Infiltration: ISIS stated they are sending their people into Europe in the refugee flood

<http://whitedeathofislam.weebly.com/isis-europe-infiltration.html>

Rape, which is the main muslim tool of war against the White Europe right now, is a very old, a very effective, and a very well-known in the Ancient World tool of racial genocide as it destroys the genetics. It was always used by bestial wild tribes against higher civilizations to destroy them. And is nothing new.

“The oldest mummies found in China are DNA-confirmed Whites, some with red hair and even blonde hair. One mummy is 6' 6" inches tall! Here, have a look at what is known as 'the Beauty of Loulan.' This indicates that the Whites shared their creative discoveries with the Mongoloids, before being mass murdered and blended out of existence by marauding mixed race Turkic Huns and genocidal Mongols. And yet, early Mongol Emperors retained some Aryan genes. Genghis Khan, who slaughtered many millions of Aryans and then personally raped many of their women, had green eyes and reddish hair. Even today, northern Chinese still possess traits such as height, square jaws, and in rare cases, blue eyes!”

The mass rape of the Russian and Eastern-European people is best proved by their DNA. The further in the West “ the less mixed White blood we see. Is was a Mongolian tradition of that time very well shown in The Secret History of the Mongols and the Genghis Khan (2004 TV series) based on it. Is to kill all grown-up men of the enemy family, marry all women of procreational age [forced marriage of course] and sell into slavery everybody else.

The Secret History of the Mongols says Genghis Khan had a servant who asked him for 30 000 wives for his aid in raids. Wonder what for. Human can’t need such amount of mates for love, relationship or even sex for pleasure. Basically such amount of mates is collected to make them bear only your children and cut them from other males. Legends say he was given after one of the raids.

The legend says Genghis Khan himself collected about 3000 wives, wonder what for. To understand what for, one only need to see what kind of

women he took. He married young princesses of the royal families in all conquered countries, males of which he killed. So the only inheritors of the royal blood of those families – the young women – could bear only Mongolian kids from specific Mongolian males and their daughters of the next generations too – in other words those royal families went extinct.

Basically all forced marriage thing has a genocidal sense in its core, as there is no need in force when men and women of one Race, one Culture and of procreational age are intuitively attracted to each other. Muslim tradition of capturing and taking many wives also serves a purpose that no other man but a –believer– procreates.

Forced extinction of the royal families through forced marriages is not only a –women– problem like feminists like to claim. It's a well-known historical fact that Russian Princes who surrendered were MADE to take brides from Golden Horde, so were their sons and grandsons etc. Thus Russian aristocratic lineages were also destroyed by Genghisids. And not only aristocratic ones.

Proof:

"[...] In the present study of the variation of the Y chromosome pool of ethnic Russians, we show that the patrilineages within the pre-Ivan the Terrible historic borders of Russia have two main distinct sources. One of these antedates the linguistic split between West and East Slavonic-speaking people and is common for the two groups; the other is genetically highlighted by the pre-eminence of haplogroup (hg) N3 and is most parsimoniously explained by extensive assimilation of (or language change in) northeastern indigenous Finno-Ugric tribes. Although hg N3 is common for both East European and Siberian Y chromosomes, other typically Siberian or Mongolian hgs (Q and C) have negligible influence within the studied Russian Y chromosome pool."

"Here, we see that (in our analysis) modern Russians appear to be the result of two admixture events: one event a few hundred years ago between a population best represented by modern Eastern European populations, and one best represented in our sample by the Oroquen [a Tungusic-speaking people of northern China]; and a second, much older event. [...] very ancient East Asian ancestry prior to 500BC, in the case of Russia at least, and a recent event, consistent with approximately Mongol-empire era admixture, together contributing ~10% of DNA in [ethnic] Russians [...]"

"[The results are] consistent with our detecting a genetic legacy from invasions of peoples from the Asian steppes [...] during the first millennium CE [...]"

"Mitochondrial DNA (mtDNA) polymorphism was examined in three Russian populations from the European part of Russia (Stavropol krai, Orel oblast, and Saratov oblast). This analysis showed that mitochondrial gene pool of Russians was represented by the mtDNA types belonging to haplogroups H, V, HV\*, J, T, U, K, I, W, and X. A mongoloid admixture (1.5%) was revealed in the form of mtDNA types of macrohaplogroup M."

–During the Mongol invasions of 1200, much rape took place and many of the Polish population was killed. The Mongols suddenly withdrew, due to death of their Khan in Mongolia. History has it that over 300,000 + mixed Mongol/European Polish children were born. – A bit over 1 million people only lived in Poland that time. So you can imagine the proportions of the demographic tragedy.

The above is how the best tool of racial genocide of mass rape works.

With all DNA proof Russian internet is flooded with horrific unpatriotic lies that "there was no Mongolian empire" and all rape and genocide was waged by "Pagan Scythian Russians" [who were already genocided at the moment] against "Asian Russians". All methods of inspiring WW3 will be exposed in another article, just I can't not mention it here as a blatant example of the coverage of the real crimes with 100% fantastic lie. Real crimes being:

Forced christianization of Russia that costed 75% genocide of White Russians.

Mongolian invasion that destroyed White Russian lineages and made Russia actually a non-White country till nowadays.

All these lies are needed as a propaganda to push WW3 against the West.

But for this article I will just add that it is not only Russia that is attacked with this epidemics of Marxist lie.

One European decedent questioned most popular companies for his DNA-text as the results of jew-paid and non-jew-paid companies did not match. The answer he got was actually that his Indigenous blood can also be called "European", "German" etc due to ancient times' race mixing they simply do not count, and what they call European can actually be close to Korean.

It's difficult to determine which of the matching populations are more recent and which are less recent. By way of example, many Germans and others in Eastern Europe are descendants of Genghis Khan's Mongols who invaded portions of Europe in the 13th century [Mongolian invasion existed - admitted by one of the major testing companies!]. So, do we recognize and count their DNA when found as "German", "Polish", "Russian", or "Asian"? The map below shows the invasions of Genghis Khan. Based on this, Germans who descend from Genghis's Mongols could match Koreans on those segments of DNA. Both of those people would probably find that confusing.

Reading this blog I understood it as the most popular DNA testing companies answered him that they simply do not count Mongolian invasion, they just count everyone living on the territory of Europe at that time as "Europeans", doesn't matter if they invaded there, raped his female ancestors and genocided his nation.

Basically it means that Mongolian invasion which was the most horrendous non-Jewish mass crime against the Whites is now being simply ARAISED from our memory ' both Russian and European. Wonder what for!

Jews knew very well this ancient and very effective tool of racial purge and used it widely during the WW2 against Germany from both fronts ' eastern and western, because WW2 was actually a jewish opportunity to purge as many Whites as possible.

Americans used Moroccan troops to rape thousands of Italian women and slit their husbands' throats at Monte Cassino during World War II.

<http://en.wikipedia.org/wiki/Marocchinate>

Soviets used mongoloid troops to rape almost all German women from 8 to 80 during the end of the war and after war:

"Heroes" of the Soviet Union

<http://deathofcommunism.weebly.com/heroes-of-the-ussr.html>

Jewish owned ISIS uses it right now against Yazidi:

ISIS is needed to destroy Aryan bloodlines

And the same jews use muslim refugees in Europe for the same thing and both muslims and jews admit they know their goal is destruction of Europe. Actually liberal suicidal fools are the only ones trapped into the jews vs muslims game, pour refugee hoax, Europe does not procreate hoax, mutual respect will solve the problem hoax etc. Their rapists and murderers very well understand what they are doing and what for even on the lowest level of their hierarchy.

The second part of this article will collect the compilation of quotes and events that proves they know it, they boast it, they tell it openly into our own eyes.

Exposing the jews vs muslims game:

Muslims are Jews' natural allies in Europe - Rabbi Pinchas Goldschmidt, the president of the Conference of European Rabbis

[https://www.youtube.com/watch?v=wb\\_4U2UJucE](https://www.youtube.com/watch?v=wb_4U2UJucE)

Interview with Rabbi Pinchas Goldschmidt:

Oksana Boyko was speaking about clash of ostensibly secular and ostensibly religious worldviews aka reason and faith Goldschmidt:

- I would not call it Dark Ages, like some people call it, it is repeating of the 1930s in Europe. It's not so. Because Europe is in the different place, Jewish people are in the totally different place. State of Israel used to be it. Then, when jews wanted to flee, wanted to leave, they had no place to go, all countries were closed to them.
- But many jews are leaving Europe. Many jews are leaving France to Britain for example...
- When I speak to our people [jews] from Paris, for example, I ask them: why do you immigrate, be it to London or to Israel? The answer I get is, we do not see a future of our children here. But in the 1930s they immigrated not because they didn't see a future for their children, but because they did not see the future for themselves. So it is different. Now returning to your question about the clash of secular, post-Christian Europe and the new immigration. This is what exactly is happening: this is a clash of civilizations, and we, jews, we are in the middle of this clash of civilizations. On the one side this is what is to happen in Paris and Brussels and children that walk with jewish cap and being attacked. On the other side, what we have is contra reaction of Old Europe: we have laws against and limiting religious freedom: in Switzerland - against the minors, in France against the burka, attempted law in Germany against circumcision, attempted law in Holland and in Poland against Halal and Kosher meat. So this is direction of Old Europe against the new wave of religious expression.
- So the essence of what you are saying is that in this boat you are together with both muslims and
- Yes, yes, yes. And we see ourselves fighting together with our muslim brothers, who want more free more peaceful want to integrate like our [jewish] forefathers once integrated into West Europe 120 years ago. And they are our natural allies.

â€ Excerpt from the interview with Rabbi Pinchas Goldschmidt, the president of the Conference of European Rabbis.

So what we see here:

Jews are quiet happy with muslims in Europe (the very important detail, he interrupted her when she was specifying where exactly are jews immigrating â€ to Brittan. So they immigrate from Europe to Europe) and it is actually not a big deal â€ several jewish boys with jewish caps â€ if the extinction of the White Race is available for this cost.

Jews and muslims are natural allies in Europe: they are in one boat fighting together for Halal, Kosher (that we pay taxes for), burka (so muslims could beat European women for not wearing it), circumcision (so the European womenâ€™s organs were mutilated) and other â€religious freedomsâ€ .

Here is a full version of this interview 27 min. where both the end and the beginning are not cut, video was called â€Civilized extremism? (ft. Chief Rabbi of Moscow & Europe, Pinchas Goldschmidt)â€ <https://www.youtube.com/watch?v=UOzIza34Hag>.

Where Oksana Boyko makes it look like it is a â€clash between extreme reason and extreme faithâ€ which according her should have somehow equal rights and Europe high civilization and high level of free speech is also a â€kind of extremismâ€ , so too much civilization, free speech and logical thinking should â€also be restraintâ€ in regards to not insult religious feelings of women-beaters.

Itâ€™s quiet notable how Russian liberal actually propose to ban of free speech in Europe, as in Russia we also have laws protecting feelings of women-beaters, both christian and muslim, as well as feelings of â€hollyhoax survivorsâ€ and rapist â€heroes of soviet unionâ€ â€ all those laws being passed by Putin in the later years of his presidency proving he was going to it through all his career. This brilliantly destroys all pathetic illusions of White Nationalists about Russia and its â€white nationalismâ€ .

Rabbi Baruch Efrati very well shares the sentiments of the â€ostensibly religious worldviewâ€ of muslims, i.e. burkas, circumcision and women-beating:

â€Rabbi Baruch Efrati believes Jews should 'rejoice at the fact that Europe is paying for what it did to us for hundreds of years by losing its identity.' He praises Islam for promoting modesty, respect for God.

Rabbi Baruch Efrati, a yeshiva head and community rabbi in the West Bank settlement of Efrat, believes that the Islamization of Europe is actually a good thing.

"With the help of God, the gentiles there will adopt a healthier life with a lot of modesty and integrity"â€ .

It is very notable how a jew openly speaks about the â€godâ€ as both jewish and muslim god proving it is actually a one god and they are just 2 different national groups but their religion is the same.

It is notable how the sentiments Rabbi Goldschmidt expressed are shared by ordinary everyday jews in Europe: they are very comfortable with muslims and see the danger to â€the future of their childrenâ€ coming not from muslims at all but of Whites. Here is a proof Goldschmidt does

not lie, but reflects his people's sentiments very correctly:

To Combat the 'New Anti-Semitism,' Europe's Jews and Muslims Must Work Together by Harrison Akins (excerpts)

"In Marseille, Dr. Clement Yana, president of the Jewish Association of Provence, told us that the "new anti-Semitism" emerging from the Muslim community is tied to the conflict between Israel and Palestine. This international conflict, Dr. Yana said, has, in Marseille, become a local battle. He emphasized that the problem was political, not religious, as the two communities are so close to each other culturally. A young Jewish woman working at the Jewish Museum in London similarly told us that the suspicion and mistrust between Jews and Muslims is "inherently ridiculous" because Judaism and Islam are "identical" and "sister religions."..."

"These include significant efforts by Muslims to preserve synagogues. Zulfiqar Karim, the senior vice president for the Bradford Council of Mosques in northern England, told us about his efforts to save their city's last remaining synagogue. In 2013, the synagogue for Bradford's small Jewish community was facing closure as a result of the community's inability to raise funds to sustain their house of worship. Hearing of this dilemma, Mr. Karim worked with the Council of Mosques and local businessmen in order to raise enough money to make essential repairs for the synagogue and cover its operating expenses. Mr. Karim was pleased that this had a tremendously positive impact by building a strong relationship between the two communities.

We found a similar effort in London. In a visit to the East London Mosque in the borough of Tower Hamlets, Dilowar Khan, the mosque's executive director, pointed out that directly next to the mosque is a synagogue from 1899, a time when the neighborhood was largely Jewish. He told us that the mosque has helped the synagogue financially in essential repairs to its roof and has developed good relations with the Jewish community. He told us with a big smile and a laugh: "I don't think anywhere else you will find an example where the synagogue is almost inside the mosque!"...

Here are some more jewish hoaxes exposed by jews themselves.

â€œEurope need immigration to surviveâ€ hoax

Promoted by Jewess Barbara Spectre

<https://www.youtube.com/watch?v=rA7Ymki71fM>

â€ â€œEurope has not yet learned how to be multicultural, and I think weâ€™re going to be part of the throes of that transformation, which must take place. Europe is not going to be the monolithic societies that they once were in the last century Jews will be in the center of that. Itâ€™s a huge transformation for Europe to make. They are now going into a multicultural mode. And jews will be resented for our leading role. But without that leading role and without that transformation Europe will not surviveâ€ .

In the interview she says that â€œwithout immigration and mass rape Europe will not surviveâ€ though the history discussed in this article proves the opposite. While in social networks she says the mass rape she promotes is needed to not let Europe survive:

â€œWe can do it, Kamauâ€ journey begins with a first step, we must end the so called white raceâ€ .

Here is an answer on what exactly transformation "MUST" take place.

"- I don't understand people who try to tear down [some video]

Spectre:

- they are xenophobic racists scared of competing in a multicultural society, when they become a minority the world will be free

"We can't let lone nutters get in the way of progress"

"Diversity is our future" hoax

Promoted by German JEW politician Gregor Gysi.

While openly congratulating everyone with White Europeans' extinction:

[https://www.youtube.com/watch?time\\_cont...iQh4Qpvxm4](https://www.youtube.com/watch?time_cont...iQh4Qpvxm4)

"I hereby prompt you to participate in a protest "Live better without Nazi " diversity is our future" . We have to stand against Nazi. Due to our history 1933-1945 we are obliged to treat refugees properly. We also have to save their life in the Mediterranean. There must be legal [non-bureaucratic] way to get asylum in Europe. Countries like Poland " very catholic by the way " have to be willing to accept more refugees. Oh, by the way. Every year more native Germans die than there are born. It's very fortunate. It's also because Nazi are not very good at having offspring. This [decline of Germans] is why [also translated as what for] we are so dependent on immigration from foreign countries."

Diversity is his jewish future not ours, actually diversity is an ABSENCE of our future and that this kike knows damn well what he is fighting for.

Btw, Poland, you remember the mongoloids killing your men and raping your women? Jew Gysi want it repeated. With one difference: muslims have no "khan" in the distant country to die and distract their attention. If you also have a "Genghis Khan was Scythian Rus" hoax propagandized in your country, then I guess what for " it is harder to make you take more colored rapists into your country if you remember your being genocided by them already.

"European Union" hoax fully exposed by its creator:

Richard Nikolaus Eijiro, Count of Coudenhove-Kalergi (German: Richard Nikolaus Eijiro Graf von Coudenhove-Kalergi; a pioneer of European integration, the founder and President for 49 years of the Paneuropean Union.

How many times at school and university we were fed with lies that "The European Union was set up with the aim of ending the frequent and bloody wars between neighboring countries of Europe" (from EU official site), that it was needed to diminish taxes and thus increase the trade, rebuild the economy, end bureaucracy, etc. rosy lies. While here is the truth from the mouth of EU's actual creator on what for exactly is was created:

â€œThe White Races of Europe should be destroyed and replaced with a race of Eurasian-Negroids who can be easily controlled by the ruling elite.â€

- Judeophile and EU â€œfounding fatherâ€

Richard Nikolaus Eijiro, Count of Coudenhove-Kalergi, 1924

Coudenhove-Kalergi in his autobiography:

â€œAt the beginning of 1924s we received a call from Baron Louis de Rothschild [jew]; one of his friends, Marx Warburg [jew] from Hamburg, had read my book and wanted to get to know us.

To my great surprise, Warburg spontaneously offered us 60 000 gold marks, to tide the movement over for its first three yearsâ€.

Max Warburg, who was one of the most distinguished and wisest men that I have ever come into contact with, had a principle of financing these movements.

He remained sincerely interested in Pan-Europe for his entire life.

Max Warburg arranged his 1925 trip to the United States to introduce me to Paul [jew] Warburg and financier Bernard Baruch [jew]â€ .

"The man of the future will be of mixed race. Today's races and classes will gradually disappear owing to the vanishing of space, time, and prejudice. The Eurasian-Negroid race of the future, similar in its appearance to the Ancient Egyptians, will replace the diversity of peoples with a diversity of individuals. [\*\*\*] Instead of destroying European Jewry, Europe, against its own will, refined and educated this people into a future leader-nation through this artificial selection process. No wonder that this people, that escaped Ghetto-Prison, developed into a spiritual nobility of Europe. Therefore a gracious Providence provided Europe with a new race of nobility by the Grace of Spirit. This happened at the moment when Europe's feudal aristocracy became dilapidated, and thanks to Jewish emancipation."

- Kalergi, from his book Praktischer Idealismus (Practical Idealism).

â€œEurope does not procreate and will die out without non-white immigrationâ€ hoax fully exposed â€œ here is what non-white immigration is really for:

One of the more common meme that I've seen white supremacists spread around recently has been "diversity is a code word for the white genocide". The concept here is that diversity is only promoted in white nations and that the end goal is to eliminate white people altogether by flooding all white countries with non-white people until there are no white people left. Well, guess what, white supremacists? This is exactly right. Diversity IS about getting rid of white people and that's a good thing.  
- Emily Goldstein, Jewish professor

She says "The concept here is that diversity is only promoted in white nations" and here we come to their last and strongest proof that the goal of non-white muslim presence in Europe is genocide, not survival. Israel has the most strict immigration laws in the world, they check your racial code, DNA, if you come and tell them you want live there. They preserve their ancient laws of not mating with goyim. It proves that the survival of the people PROPORTIONALLY depends on the preservation of the purity of the race and DIRECTLY correlates it.

While race-mixing, diversity and such is the direct way to extinction. There is a great amount of scientific proof of this:

But I want to share some jewish news to show how it works:

Israel is shipping its deported Africans off to Sweden

<http://www.europeanguardian.com/81-uncategorised/immigration/635-israel-is-shipping-its-deported-africans-off-to-sweden>

It should be noted that Saudi Arabia [jew-run and jew-owned] just deported 120,000 illegal aliens from Ethiopia in one month's time. They simply rounded them up, fenced them in, and forced Ethiopia to come get them at their own expense.

፩፣፩፡፩፥፫፣፭፡፮፥፱፣፳፡፴፥፵፣፶፡፷፥፸፣፻፡

Israel is transporting an undisclosed number of Africans to Sweden in a deal brokered by the UN. "Dozens" have already arrived in Sweden. Each is given a \$3,500 "grant" by Israel.

Swedes, who already face massive immigration problems, fear that this will only be the tip of the iceberg.

Sweden is a tiny nation of only 9.5 million. Already, a shocking 2 million are non-Swedes. Swedes also have one of the lowest birthrates in Europe. About 530,000 are non-European immigrants. In 2013 Muslims rioted in Sweden for a week straight causing massive amounts of damage.

Allah ska med (Swedish) = Allah is with you (English)

I hate everything that is genuine, typical Swedish.

If two equally qualified persons apply for a job in a company with few immigrants, the one who is named Mohammed shall have the job.

â€œThe White Majority is the Problemâ€

â€œThe Swedes must be integrated into the new Sweden, the old Sweden will not return.â€

- Mona Sahlin, a Member of Swedish Parliament, representing Stockholm County, from 1982 to 1996 and again from 2002 to 2011, leader of the Swedish Social Democratic Party from 2007 to 2011, held various ministerial posts in the Swedish government from 1990 to 1991, from 1994 to 1995 and from 1998 to 2006, a Jew.

For Putin to learn.

â€œThe Interior Ministry said the migrants left for Sweden in the context of a government incentive scheme and were granted \$3,500 each upon departure. They are encouraged to leave Israel voluntarily and to promise not to return.

The Jewish Supremacists argue that having non-Jews in Israel â€œthreatens the Jewish nature of the state.â€

Israeli Prime Minister Binyamin Netanyahu warned in May 2012 that his country needed to prevent â€œillegal infiltrators flooding the country.

â€œIf we donâ€™t stop their entry, the problem that currently stands at 60,000 could grow to 600,000, and that threatens our existence as a Jewish and democratic state,â€ Netanyahu said.â€

Jews: â€œNo Limitâ€ on Invasionâ€™Except in Israel

<http://newobserveronline.com/jews-no-limit-on-invasion-except-in-israel/>

â€œThe head of the â€œJewish communityâ€ in the German state of Thuringia has officially warned Germany against putting any limit on the number of Third World invaders pouring into Europeâ€™while at the same time supporting Israel which builds walls to keep them out, crams successful invaders into concentration camps, and then deports them all.â€

â€œAccording to a report in the Focus news service, Reinhard Schramm, the officially elected head of the Jewish community council in Thuringia, has â€œagain warned against any ceilings on the number of refugees to be received in Germany,â€ and that â€œany limitâ€ on the number of invaders would â€œundermine the right of asylum.â€

â€œSpeaking during a recent Hanukkah celebration in Erfurt, Schramm said that â€œAsylum is a right irrespective of religion or origin, and there is no limit to it.â€

â€œHe added that he was not concerned about anti-Semitism being imported along with the Muslim flood, saying that this could be dealt with through â€œlinguistic, humanistic and vocational training, and the further strengthening of dialogue between Muslims and Jews.â€

â€œIn Israelâ€ the Jews-only country which Schramm and his community council fanatically supportâ€ there is no such â€œtolerationâ€ for invaders, and all non-Jews are specifically barred by law from settling, either as refugees or ordinary immigrants.

â€œThose Third Worlders who do manage to smuggle their way into Israel past its border fences and army-patrolled borders, are promptly arrested and placed in concentration camps prior to deportationâ€ back to Uganda, no matter what their actual country of origin might be.

â€œThe concentration camp, which the Times of Israel coyly describes as a â€œdetention center for migrants and asylum seekers who entered Israel illegallyâ€ now contains over 3,300 Third Worlders.â€

â€œThe Jewish stateâ€ which controls immigration by race, DNA, and biological ancestry, and which legally bars non-Jews from settling in the countryâ€ has officially received some 47,000 illegal immigrants, almost all from Eritrea and Sudan.

â€œThe Times of Israel boasted that the â€œinflux has slowed dramatically of late, as Israel has sealed off its border with Egypt more effectivelyâ€ â€ meaning that Israel erected a huge concrete barrier wall to stop the invasionâ€ exactly the policy that Schramm and the â€œJewish communityâ€ opposes for Germany.

â€œThe Times of Israel added that since 2009, less than 0.15 percent of â€œasylum seekersâ€ had been granted asylum in Israel, a figure which is the â€œlowest rate in the Western world.â€

â€œIt is the old rule once again: one law for the Jews, another law for the non-Jews. Jews can have racial laws, and have an ethnically homogeneous nation, but any Europeans who seek that same right are attacked and smeared by the controlled media and the â€œJewish community.â€ â€

End of the quote.

Another old rule once again: note how he is calm about â€œmuslim anti-Semitismâ€ because such thing blatantly does not exist and is only a cover up for their real deal with muslims.

And right now we came to the most interesting hoax that â€œthose refugees are just little poor victims â€ of politics, of war in ME, of Jewish plans etcâ€. just little pussies who come Europe just to honestly earn their living, asylum, survival etcâ€. and donâ€™t know anything about the aboveâ€ â€ who need our money, our lands, our homes, our women, our livesâ€ just to survive. Donâ€™t they?

ISIS fighters laugh at the Swedes - promise to bring the war to Sweden

<http://speisa.com/modules/articles/index.php/item.1411/isis-fighters-laugh-at-the-swedes-promise-to-bring-the-war-to-sweden.html>

[about ethnic Swedes]

- A spineless people, men and women born without pride. Allah has given us a safe haven in the infidel country, so we can rest and recover. Soon we will also destroy this place, God willing, says 23-year-old Abu-Ibrahim.

Abu-Ibrahim is interviewed by the Swedish news outlet vs, and he promises that the borders of Sweden will be conquered as in Syria, Libya and Iraq.

He has fought in Syria for two years, it is amazing he describes - to feel alive and to fight for something so sacred and so right as the Islamic State's empire in the world can not be described. In battle we feel Allah's presence, he is at our side and in our hearts, He gives us the courage and the strength to continue.

He says it's not his real name, but purports to be called Abu-Ibrahim, a name given to him when he started to fight for IS.

"How does it feel to leave everything behind to fight?"

He says nothing at first but only puts one hand over the other.

- We are on the path of Allah and we who follow His holy word have nothing to fear, we are not afraid, we die with a purpose - a purpose that gives us the ability to smile when life leaves us. In battle, it is just as much honor to die by the side of our brothers, as the honor it is to live by their side until the hour of Allah and even in jihad. In the heat of battle we feel it, while we see the prophecy being fulfilled, that every second is an opportunity to serve, and if it means death, it is only Allah's will. There is the fear in you that will make you lose, with fear in your hearts you can never win.

"What do you mean lose?"

- This battle is already won without a struggle, you have without a fight already surrendered to us because you lack the fight in your heart. You have no army, you can not defend yourselves without help from others and who wants to help a people that never stood up for themselves? While the world is laughing at you as they talk about the "Submissive people" down there in Syria, "a place for mobilization and rest." For us you have opened a sanctuary where the brothers can rest until they return.

"How would you feel if the war comes to Sweden?"

- The Swedes do not seem to understand that we fight for Islam and justice, the war is already here and everywhere. Your politicians are trying to tell you something else, but we do not hide why we exist and what we intend to achieve. Whereas you sit in your homes and continue to live life like nothing is going to change. You turn a blind eye to reality, which will soon be knocking on your door.

- You infidels are undisciplined people. You drink, you are dishonest and selfish. You have people who steal and commit crimes without proper punishment. Under Sharia law we chop the hand off thieves or we crucify them. Mark my words, when we get past the borders of Iraq, we will come for yours. We have men, we have the resources and the firepower needed - but most of all we have faith.

- We have conquered territories larger than Sweden already and we will continue.

"But how do you feel about a war against Swedes?"

- It is not in me to sympathize with the skeptics and non-believers regardless of their nationality or my own history and upbringing, for it is not Allah's will. Islamic State will impose Sharia laws and this can only be done with weapons, those who do not follow our path will ultimately still get an honorable death because, we are at least so merciful, in comparison to the Europeans and Westerners. Allah is the greatest, and Allah's willing, he will lead us to victory.â€

Bali, Australia & The Mossad  
Commentary  
By Rose Cohen  
Sydney, Australia  
10-17-2

It could be that Moslems really did the Bali bombing, but I doubt it, itâ€™s too perfect.

To be honest, I speculated that something would happen against the Australians after our PM broke the total international isolation of Bush and Blair. EVERY SINGLE AUSTRALIAN whom I talked to, disagrees with our government â€ AND I MEAN EVERY SINGLE AUSTRALIAN including the Editorial of the Sydney Morning Heraldâ€..this has NEVER happened before!

As ABC National Australia Radio and many Australian papers mentioned, our government practically invited such a terrible event by â€sticking our neck outâ€™ far beyond ANY international codes of behavior. As a result, we lost a one billion dollar Wheat deal with Iraq, while our â€friendsâ€™ the Americans are increasing their taxes on Australian farm products!!! Outrageous? NO, Mister Rense, this is the â€normalâ€™ international code of behavior which selfish Bush and his NWO mob are trying to impose on the rest of the world.

Israel, IMHO tricked Australia, and forced our government into supporting Bush blindly in order to generate Islamic hatred towards Australia. Once this hate is established the rest is "clear sailing" and they can use their Mossad contacts among radical Moslem groups to blow up Australians. These are CLASSIC MOSSAD PROTOCOLS. Now Bush can easily request the Indonesian government (which is in his pocket to the tune of \$600 million dollars at least "and Australia trained Indonesia's military) to "join the war against terrorism". This tactic is NOT a speculation, it is written almost word for word in the Protocols Of The Elders Of Zion. <http://aztlan.net/protocols.htm> Many efforts have been made to dismiss the Protocols as a hoax"frankly, it matters not whether they are or aren't because of their astonishing reflection of reality. Read them and decide for yourself.

Israel has an advantage that NO other country has (not to mention unlimited, free American money): Israelis can SPEAK Moslem languages just as good as the local Moslems do. Mossad networks inside Moslem countries have had a lot of publicity in the past, but whatever we heard is just the tip of an iceberg. The Mossad can "motivate" any Moslem group to become "terrorists"since they have all the "spiritual" justifications for it: THE AMERICANS ARE REALLY THE BASTARDS. The Mossad does not have to work hard to convince the Moslems about the "bad" Americans: Bush, Giuliani, Condoleezza and Fox News are doing it VERY well.

The poor, unsophisticated Moslems will never realize who is really pulling their strings. And the whole thing is, of course, being financed with unlimited American taxpayer money. Saddam got his BioChem WMD supplies and instructions from America and the Mossad is using American money to control the

US. It is all quite brilliant and few will ever figure it out. Make NO mistake about itand if you want to sugar-coat it to quiet your conscience.do it, and call it what you wish. And don't forget, Sharon is the only current head of state who was found responsible for war crime massacres (Sabra & Shatila, 3000 dead Palestinian women and children) by a commission of his own Israeli government !!!

Israel has a network of spies worldwide among Jews living in these countries too. I MEAN IN ALMOST EVERY COUNTRY WORLDWIDE. Think carefully about that. Read what an ex-Mossad agent has disclosed:

[http://www.mideastfacts.com/ostrovsky\\_111097.html](http://www.mideastfacts.com/ostrovsky_111097.html)

Israel has a SPY INDUSTRY which is unparalleled worldwide. Israel is leading the world by its nose towards WW3 and most gentiles have no brain to realize it:

<http://www.rense.com/general25/you.htm>

As Sharon and Bush just reaffirmed in the White House, Israel will let Bush and the US fight a war for it, removing Saddam and taking Iraq's oil. Bush said he expects Israel will retaliate if attacked by Iraq. Who knows, Israel may nuke Iraq AND the Americans in the upcoming Desert Storm II "EXACTLY as it did with the USS Liberty. <http://www.rense.com/general26/ally.htm>

"

The reason I continue to maintain that it was probably a Mossad-involved operation in Bali, is because of the perfection of the "job" it takes a Jew to understand the Zionist mind as reflected in the reviled "Elders". Without reading this officially scorned and hated book, no one can EVER understand the Mossad and/or Israel. This is why we in Israel have been always forbidden to read the Protocols and the government maintained a 50+ year campaign among Israelis to discredit the Protocols as a fraud. I had an Israeli professor as a guest in my house recently here in Sydney. He, too, was absolutely certain The Protocols are a fraud, but he readily admitted that he has NEVER read them! When I commented that whether the Protocols are legitimate or not, we Jews have actually behaved and accomplished almost 100% of what is written in them. He could not believe it. Ignorance is bliss, I guess he can sleep at night. However, in the interest of fairness to the professor, I should add that in the last 45 years of my research in this subject, I have yet to meet a single Israeli who actually read the Protocols.

'

The Moslems are often emotional and unsophisticated—rather lousy "material" for terrorists. They bomb and then usually declare to the whole world that they did it.

WHICH IS EXACTLY WHAT THE MOSSAD WANTED THEM TO DO! Or, instructed them to do.

Most of what we read about al Qaeda and bin Laden is a CIA/Mossad fiction, always based on fictional "informed sources". Al Jazeera is now a CIA asset (based on my research). IMHO, they are designed to funnel hatred towards bin Laden and stimulate the fictional "terrorism" mania gripping American now.

BIN LADEN IS JEWISH, full stop. A very close friend and a MOST eminent Israeli journalist told me recently, that according to Jewish law bin Laden is Jewish, as his mother is Jewish(!).

AND ' if that is not enough, this irrefutably honest Israeli journalist, disclosed to me personally that bin Laden's mother's family lives in Israel (I will not print here the exact address which he provided me). I knew that bin Laden was Jewish long time ago, but with the current war hysteria I never mentioned to anyone except to my husband. The fact that bin Laden is Jewish, is known in Israel, but the "free" "democratic" "press" of Israel will NOT publish it, as we have to continue to promote the myth that he is a "villain".

Actually, I will not be surprised if bin Laden is living now in Israel, and the Mossad is "laughing all the way to the bank" ! When Israel and Bush finally will control all world's countries, I am confident that bin Laden will be invited as an honored guest.

We (should I say they?) the Jews NEVER brag about what we are doing, and the public (here and in Israel) is totally innocent and uninformed about the amount of terror that we are manipulating and releasing on the whole world at the moment.

The strategy is simple: attempt to make our enemies suspect each other and then

fight it out. It saves us the work. Keep in mind that our enemies are ANYONE WHO IS NOT JEWISH.

The "USS Liberty" nearly happened again in the attempted bombing of the Mexican Congress some months ago and the Jewish-controlled American "press" never even reported it. Only you Mister Rense, saved the honor of America, by being the only one in the American-English press to post it.

<http://www.rense.com/general17/mossadagentsarrested.htm>

The Mossad was somehow involved in the 9-11 attacks "another "USS Liberty" ? and NO ONE WOULD BELIEVE IT. (Even when those Mossad kids were caught dancing with glee on Manhattan roofs! What more do you want?). As usual, "by chance", both Barak and Netanyahu, former Israeli Prime Ministers, "just happened" to be in the USA at the time. They conducted a massive speaking tour all over the USA and appeared on every TV program which agreed to accept them. THEY, NOT Bush, launched the "war on Terror" when the WTC iron was still hot. But then, Americans never realized what was happening under their noses because they never read the Protocols!

NO ONE WILL EVER BELIEVE IT IF THE ZIONIST PUPPET MASTERS WOULD BE INVOLVED IN NUCLEAR TERROR ATTACK ON LOS ANGELES, PARIS OR SYDNEY. just wait. Americans will jump like lemmings off the cliff. believing every word they hear on Fox News and CNN.

"

As I always said, we are now in a neverending cycle of destruction, a proven recipe for world Zionist domination:

1. We are always told to trust the "news media".
2. The "news media" tells us to trust the politicians.
3. The politicians are always using the old trick of saying that they base their decisions on information from the "intelligence agencies". IMHO, most American politicians are on the Mossad payroll or are certainly otherwise compromised by Zionist/Israeli lobbies and power brokers.

The vote in the Congress giving Bush war powers over Iraq is INDISPUTABLE EVIDENCE for those who maintain American "representatives" are nothing more than American traitors. Consider that the few who have the integrity to discuss it admit phone calls to their offices are running about 90% against the Iraq war. One honest Congressman admitted last week that his phone calls are 99 to one AGAINST Bush's war.

4. The "news media" NEVER tell the public that the Intelligence agencies are usually at the core of the problem as these agencies are the ones which invent such trickery as "The Gulf of Tonkin" and the vile "Operation Northwoods". These treasonous acts and many others like them are done at the behest of the NWO-Zionist-Banker-Transnational cartels.

5. Spending tremendous time on search engines, I can sense that the Mossad is spending a LOT of effort to remove much data about the Mossad from search engines and the Internet in general.
6. The Mossad is reading every single email around the world, including this one, and they can manipulate politicians and journalists to their best advantage with ease. While many joke that Bush's speeches seem to be written by Sharon and the Mossad, I am not sure that it is not actually a reality in some cases. Just look at who his closest advisors are.
7. The NSA refused to release the satellites photos of Manhattan during 9/11. If they would, I am confident we could see the dancing Israelis on the top of the Manhattan roof.
8. There are rampant accusations over the internet that the Maryland Shooter could be only a CIA or Mossad-trained, since he is so professional. AGAIN, the NSA was requested to release satellite videos of Washington DC area, and they refused. It is no secret that the NSA is monitoring that area by satellites and reviews of the tapes could show the "White Van" and its destinations. If the NSA could read a coin on the ground from a satellite, as they boasted, they should be able to identify the White Van, too.
7. In short, events will only escalate downhill for as long as we let the fox guard the chickens.

Al Queda may be a Jewish organization and Osama bin Laden may be Jewish. These are the two points I will try to make in this essay. This is not an attempt to foist blame on the Jews, to victimize them or scapegoat them, something that has occurred throughout history. It is not intended to be an attack on Jews or an exercise in anti-Semitism. It is however, intended to raise questions.

If indeed my contention is correct, that bin Laden is Jewish and al Queda is a Jewish organization, then it is also true that some conclusions can be drawn about Jews in general and about the religion, the ideology, and the social structure of Judaism vis-À-vis or from the perspective of non-Jews, especially about world Jewry as an organized social and political phenomenon which revolves around the modern-day nation-state of Israel, a country physically situated in the Middle East. It also says something about a social milieu that would allow such a phenomenon to occur within Judaism and world Jewry, again from a non-Jewish perspective. This is by no means intended to be all-inclusive. It is intended to equip non-Jews and Jews with a realistic perspective on the realm of the possible as well as provide a convincing argument that much of what is possible here in fact exists. This will no doubt be read, interpreted, and analyzed by Jews and non-Jews alike. Thus, what may prove to be a persuasive argument to some may well also fail to resonate entirely with others. Nor is this simply an exercise in rhetoric. I have written this piece to attempt to provide insight into the social ills of our present time. Caveat lector. The reader beware.

Much of the material for these conclusions was drawn from two books written by former counterterrorism security chief Richard A. Clarke. The two books are entitled *Against All Enemies* and *The Scorpion's Gate*. I have also drawn from several other sources including *Worse Than Watergate*, by John W. Dean, III, *The Two Faces of Islam*, by Stephen Schwartz, and *Ghost Wars*, by Steve Coll.

### The Living Are Here

In a book, audiocassette and video by Ayn Rand entitled *We the Living*, [link] the author captures the indomitable will to survive of the Jewish people [link] in the title, and then in a series of books, attempts to codify this "will" into her own philosophy, called Objectivism [link]. This came about in the aftermath of the Nazi Holocaust of World War II, when Jews in Europe were systematically rounded up and slaughtered by Adolf Hitler's Third Reich. One of the reactions to this event is a slogan we've all heard, "Never Again." Never again would the Jews be slaughtered in such a fashion. But this is not the only by-product of the Holocaust. In my personal experience, it has also engendered a desire for revenge. My guess is that this occurs both on a conscious and an unconscious level, among many Jews, especially prominent Jews in the United States. Where does the anger go? In contrast to the Christian and Muslim teaching of "forgive and forget," the Jewish mantra in this case is "never forget." But that still does not answer the question, "Where does the anger go?"

While not forgetting, the task of the Jewish philosopher is to "enjoy" and to "live life to the fullest," "Lâ€™chai-em!" The existence of Jews today is thus celebrated by the phrase "We the living," or the phrase, "The living are here."

But the phrase "the living are here" is a declaration that can be made in several different languages. Putting aside the question of how many

languages there are today on this planet, the principal languages of the Jewish people are relatively few. In addition to the principal world languages of English, French, German, Russian, Spanish, and Latin (now a "dead" language), one notices a prominence of Yiddish, Hebrew, Greek, Arabic and Aramaic in Jewish cultural history today.

So when we say, "The living are here," or "We the living," we can say this in one or all of these languages or a combination thereof, and this can still be a contemporary proclamation of Jewish existence in the world today. Thus, for example, we might combine Hebrew and German in making the same utterance. Hebrew is of course the language of Israel. German is the language from which the survivors of the Holocaust emerged. Thus, the Hebrew-German combination makes the declaration, "The living are here," all that much stronger. It is to say, in other words, "We, who are the children of Israel, and who have emerged out of the persecution of Nazi Germany, have once again emerged triumphant and steadfast, and we are here to claim what is rightfully ours, both as ordained by God and wrested with our own hands, in spite of Nazi Germany. We claim the right to be here "both in Israel and in Germany "and anywhere else we choose to be. We have conquered our adversaries. We will survive. And not even Nazi Germany can stop us!" This would be a strong statement, especially when made in German, because it also carries with it the tacit declaration, "In your face, Germany!" So if the statement, "the living are here" were translated into a combination of Hebrew and German, what would it look like? What would the utterance be?

Upon visiting the public library and consulting a Hebrew-English dictionary, I learned that "al chai" (pronounced "al-khai" ) could mean "the" plus "living," or, "the living" in Hebrew. I also learned that "da" translates "are here" in German. Thus, the phrase "The living are here" would be "al chai da." Al Queda is also written "al-Qaida (Dean, Schwartz), which carries with it the same pronunciation as "al chai da." Thus, depending on how you pronounce it, al Queda can mean "The living are here."

My thesis is that al Queda, or al-Qaida (Dean, Schwartz) is a phrase that has a double meaning.

On the one hand, the meaning of the phrase "al Queda" is the conventionally understood meaning. It is a terrorist organization that is responsible for the September 11 attacks "or so we were told "and Osama bin Laden is its head. It means "the foundation" in Arabic. This al Queda of course represents an international underground network of Arab Muslims who are involved in a jihad, or holy war, against the United States, Israel, and their allies. Or so we are told.

In reality, however, this is only partly true and it is only part of the story. The name al Queda is a recruiting tool. Yes, it is used to convey the name of an organization that in Arabic means "the foundation." But it is what the phrase does that is important, not what it means. This phrase is used to induce, entice, and suborn young Arab Muslim males into joining a jihad and engaging in acts of terrorism. Both the phrase and the organization thus succeed in channeling hatred into violence "organized violence.

According to Richard A. Clarke in *Against All Enemies*, this al Queda is a Jewish organization created and operated by Jews loyal to Israel. This al Queda recruits, tempts, engenders hatred in, and then uses Arab Muslims. It engenders and then manipulates and channels this hatred in young Arab Muslim males and then directs it against targets of its own choosing in the form of violence. It uses religion "Wahhabi Islam, an aberrant form of Islam rejected by 90% of the Muslim world, to accomplish this end. Clarke argues that Wahhabi Islam was begun by Arab Jews and has been nourished, fostered, and promoted by the house of Saud since the 1700s.

Clarke suggests that the Saudis are actually Jews living in Saudi Arabia under complete secrecy and under the cover of being nominally and outwardly Arab. Although it might sound like a contradiction in terms, Clarke also suggests that Osama bin Laden is a Saudi Arabian Jew. So is Saudi Prince Turki Al-Faisal, the former head of Saudi Intelligence, Saudi Prince Bandar, the Saudi Ambassador to the United States, and Bandar's father, the Saudi Minister of Defense, as described in Richard A. Clarke's books, *Against All Enemies* and *The Scorpion's Gate*.

Clarke implies that this "al Chai da" could possibly be the Israeli Mossad's answer to anti-Israeli Arab terrorism. Instead of running away from or fighting Arab terrorism, the strategy here is to "take the bull by the horns," to re-channel it, and control it. This strategy is to lead others into temptation, a notion that would be considered un-Christian because it conflicts with the part of the Lord's Prayer which says, "Lead us not into temptation, but deliver us from evil, Amen." But let's not forget that the Jews are not Christian and Israel is not a Christian nation. Since the Lord's Prayer assumes that Jesus is Lord, and Jews do not, there is no conflict. This is something most contemporary Christians and so-called Christians fail to realize. In rabbinical teaching, (rabbinical law), it is not considered immoral or contrary to God's laws to lead someone else into temptation especially when that "someone" is your adversary. The teaching is simple and clear: If you're against me, I'll take you down any way I can. Period. The craftiest way is to use someone else's energy against him, like in Tai-Chi. In this way, it is possible to lead someone to bring himself down rather than to have to resort to bringing someone else down yourself. The best part about doing it this way is, this method escapes the attention of the public view. To all appearances, you didn't do anything; "they did it to themselves. In this way, the purpose of al Queda is to use the hatred of Arabs toward Israel against themselves in such a way that they bring themselves down. Thus, al Queda leads others into temptation and then uses or re-channels their hatred to kill others who are enemies of al Queda's choosing. It uses the hatred of others (Arab Muslims) to induce or suborn them to kill and carry out acts of terrorism, and this killing is thereby done to serve those who control the organization or think they control the organization. At least, that was the purpose of the organization when it was created.

When was al Queda created and how did it come about? Ah, that is another question, which I shall get to in a moment. But first, I wanted to show that there are two meanings of the phrase al Queda. This is the first: Al Queda is the terrorist organization behind the September 11 attacks. Or so we've been told.

The second and less well-known meaning of al Queda is "al-chai da," The living are here. It is a proclamation of the indomitable Jewish spirit, from Abraham to post-Nazi Germany, and then to say "In your face, Germany!" This phrase holds a special significance when understood to mean, "The living are here" for contemporary Jews. Many uneducated Jews, however, have no clue of this meaning. The difficulty for Jews is that this meaning of the phrase can only be taught in a cult of secrecy. That certainly puts a damper on "spreading the word" to other Jews, especially to those who do not believe Jews need to live in secrecy. But for many Jews, living in secrecy is no big deal. Jews have been doing it for thousands of years for fear of persecution. And Saudi Arabian Jews (not a contradiction in terms) still live in secrecy today. To one extent or another, Jews live in secrecy everywhere, for the more Orthodox one's views, (if one is Jewish), the more one lives at a variance with the prevailing views of society as a whole, except in Israel. As the world becomes more Orthodox, however, this of course is changing.

Osama bin Laden: The Saudi Arabian Jew?

Immediately after the September 11 attacks, President Bush let Osama bin Laden get away (along with over a hundred of his immediate relatives all Saudi Arabian.) How is this possible? (See *Fahrenheit 9/11*).

President Bush then gave Osama bin Laden a two-months head start before going after him by invading and bombing Afghanistan. How is this possible? (See Richard Clarke's recorded CNN interview on Fahrenheit 9/11).

At some point in the "hunt for al Qaeda," President Bush adopted the attitude that he really didn't give that much thought to Osama bin Laden or his whereabouts or apprehending him. Instead, the President insisted that, "He's been marginalized." How is this possible? (Fahrenheit 9/11). How is it possible that the man who is the head of a terrorist organization responsible for the September 11 attacks can somehow no longer be on the mind of a "war president"? (Fahrenheit 9/11). How is it possible that the President, the nation's top law enforcement officer, can no longer feel it is important enough to keep this in the forefront of his mind? It is utterly incredible, but this is not only possible but actually the case.

The question then becomes, what motivations would George W. Bush have for doing these things? There are many. But few have managed to attract the public notice. The most logical explanation for President George W. Bush's behavior with respect to these questions is: Osama bin Laden and George W. Bush were working together.

Now it is worthwhile to take a look at how al Qaeda originated and when it came into being. As Clarke explains in *Against All Enemies*, Osama bin Laden and his original "Army of Arabs" came into being when the USSR was occupying Afghanistan in 1986. At the time, they were called by various names: the Afghan Arabs, the Afghan warriors, the Afghan freedom fighters, the Afghan resistance movement, and the mujahedeen (or "muj" for short). They were armed by the CIA to repel the Soviets.

Richard A. Clarke, under the direction of several prominent American Jews loyal to Israel in high positions of the United States government during the Reagan administration and assisted by then-Vice President George Herbert Walker Bush, armed Osama bin Laden and his "Army of Arabs." (See Clarke, *Against All Enemies*). At the time, Richard A. Clarke was working in the State Department under the direction of Leslie Gelb and Morton Abramowitz. In the Department of Defense, Richard Perle and Caspar Weinberger were the decision-makers. William Casey was the head of the CIA. In *Against All Enemies*, Clarke describes how the United States government under the direction of these individuals, provided Osama bin Laden and his mujahedeen fighters with Stingers, U.S.-made shoulder-launched infrared seeking anti-aircraft missiles. Clarke says this tipped the scales in favor of the mujahedeen. The missiles were used to shoot down Soviet attack helicopters that were terrorizing the mujahedeen.

Clarke makes a conclusive case in *Against All Enemies* that the only way for these four prominent American Jews in the federal government at the time "Gelb, Abramowitz, Perle, and Weinberger" to have covertly equipped an "Army of Arabs" with Stinger missiles "is if the entire operation of mujahedeen fighters "the "Army of Arabs" "was run by Jews. The person at the top of the mujahedeen organization was Osama bin Laden. In the 1980s, prominent American Jews were obsessed with Arabs. Israel was deathly afraid of them. My thesis here is that in this scenario, there is "no way in hell" that Leslie Gelb, Morton Abramowitz, Richard Perle, and Caspar Weinberger would have armed an "Army of Arabs" unless the Jews were in complete control of the entire operation.

Richard A. Clarke reveals in his book *Against All Enemies* that the idea for putting Osama bin Laden in charge as well as creating an "Army of Arabs" came from Saudi Intelligence Chief Prince Turki Al-Faisal. Since the idea came from Prince Turki, in this scenario, Prince Turki would have also had to have been Jewish, and a Jew loyal to Israel.

At the conclusion of the "Arab Afghan War," the Soviet occupation of Afghanistan, Osama bin Laden and his Arab Afghan freedom fighters (the mujahedeen) made off with the remaining Stingers under the cover of an explosion at the munitions site that "hook the nearby city of Rawalpindi for hours." (My emphasis added -See Clarke, page 50, Against All Enemies). Clarke cautions the reader at the beginning of Against All Enemies by saying, "The close reader will note" (Page xii.), but this also alerts the reader to the fact that he has concealed juicy details within the text that require a close reading to be fully understood. Obviously, if it was an explosion, it would not have "hook the nearby city of Rawalpindi for hours." Clarke is careful to reveal facts that were reported "as they were reported. This protects him from the accusation of divulging classified material. The only explanation for ground-shaking to have occurred for hours is either a) there was an unusually long earthquake, or b) this shaking of the ground was caused by heavy trucks that were used to transport the artillery "including the Stingers. Clarke says on page 50 "some were not accounted for." The only entity capable of making off with this cache of artillery in heavy trucks was the Soviets. The only logical explanation for this is that the KGB was behind it. Clarke says, "I could never prove that Soviet KGB had ordered these two acts" but I knew in my bones they had." (Page 50). Two things. First, he all but says it was the Soviets. Second, he provides himself with an "out" by saying, "I knew in my bones." This is an expression, but it can't be taken literally for obvious reasons. (The locus of human knowledge is the brain, not one's bones.)

This passage in Against All Enemies also contains a reference to U.S. Ambassador Arnold L. Raphel, who, along with the "military ruler of Pakistan" was killed in an "unexplained aircraft crash" immediately following the explosion that "hook the nearby city of Rawalpindi for hours." Clarke explains this in The Scorpion's Gate. He reveals by inference that the CIA retaliated against Arnold Raphel and the Pakistani ruler for the theft of the munitions dump, especially the Stingers. That means the CIA determined that they were also involved. Now we have Arnold Raphel, a very Jewish name, involved in the disappearance of the remaining Stingers. We have the KGB involvement. We have the military ruler of Pakistan involved. Here is my analysis on that: According to Clarke's scenario, The KGB also had to have been controlled by Jews loyal to Israel, who aided the Jewish-controlled mujahedeen in making off with the weapons. The military ruler of Pakistan also had to be Jewish, and a Jew loyal to Israel. The CIA, smelling betrayal, assassinated both the military ruler of Pakistan and Ambassador Arnold Raphel in retaliation, as Clarke says in Against All Enemies.

Clarke reveals later in Against All Enemies how the Stingers turned up in Somalia and were used to shoot down a U.S. attack helicopter in the infamous "Black Hawk Down" incident. By then, bin Laden was helping Somali warlord Farah Aideed. The implication or suggestion here is that Farah Aideed was also a Jew loyal to Israel, pretending to be Muslim.

Al Qaeda may be a Jewish organization and Osama bin Laden may be Jewish. These are the two points I will try to make in this essay. This is not an attempt to foist blame on the Jews, to victimize them or scapegoat them, something that has occurred throughout history. It is not intended to be an attack on Jews or an exercise in anti-Semitism. It is however, intended to raise questions.

If indeed my contention is correct, that bin Laden is Jewish and al Qaeda is a Jewish organization, then it is also true that some conclusions can be drawn about Jews in general and about the religion, the ideology, and the social structure of Judaism vis-à-vis or from the perspective of non-Jews, especially about world Jewry as an organized social and political phenomenon which revolves around the modern-day nation-state of Israel, a country physically situated in the Middle East. It also says something about a social milieu that would allow such a phenomenon to occur within Judaism and world Jewry, again from a non-Jewish perspective. This is by no means intended to be all-inclusive. It is intended to equip non-Jews and Jews with a realistic perspective on the realm of the possible as well as provide a convincing argument that much of what is possible here in fact exists. This will no doubt be read, interpreted, and analyzed by Jews and non-Jews alike. Thus, what may prove to be a persuasive argument to some may well also fail to resonate entirely with others. Nor is this simply an exercise in rhetoric. I have written this piece to attempt to provide insight into the social ills of our present time. Caveat lector. The reader beware.

Much of the material for these conclusions was drawn from two books written by former counterterrorism security chief Richard A. Clarke. The two books are entitled *Against All Enemies* and *The Scorpion's Gate*. I have also drawn from several other sources including *Worse Than Watergate*, by John W. Dean, III, *The Two Faces of Islam*, by Stephen Schwartz, and *Ghost Wars*, by Steve Coll.

The Living Are Here

In a book, audiocassette and video by Ayn Rand entitled *We the Living*, [link] the author captures the indomitable will to survive of the Jewish people

[link] in the title, and then in a series of books, attempts to codify this "will" into her own philosophy, called Objectivism [link]. One of the reactions to this event is a slogan we've all heard, "Never Again." Never again would the Jews be slaughtered in such a fashion. But this is not the only by-product of the Holocaust. This would be a strong statement, especially when made in German, because it also carries with it the tacit declaration, "In your face, Germany!" So if the statement, "the living are here" were translated into a combination of Hebrew and German, what would it look like? What would the utterance be?

Upon visiting the public library and consulting a Hebrew-English dictionary, I learned that "al chai" (pronounced "al-khai") could mean "the" plus "living," or, "the living" in Hebrew. I also learned that "da" translates "are here" in German. Thus, the phrase "The living are here" would be "al chai da." Al Queda is also written "al-Qaida" (Dean, Schwartz), which carries with it the same pronunciation as "al chai da." Thus, depending on how you pronounce it, al Queda can mean "The living are here."

My thesis is that al Queda, or al-Qaida (Dean, Schwartz) is a phrase that has a double meaning.

This strategy is to lead others into temptation, a notion that would be considered un-Christian because it conflicts with the part of the Lord's Prayer which says, "Lead us not into temptation, but deliver us from evil, Amen." tipped the scales in favor of the mujahedeen. The missiles were used to shoot down Soviet attack helicopters that were terrorizing the mujahedeen.

Clarke makes a conclusive case in *Against All Enemies* that the only way for these four prominent American Jews in the federal government at the time — Gelb, Abramowitz, Perle, and Weinberger — to have covertly equipped an “Army of Arabs” with Stinger missiles “is if the entire operation of mujahedeen fighters — the “Army of Arabs” — “was run by Jews. The person at the top of the mujahedeen organization was Osama bin Laden. In the 1980s, prominent American Jews were obsessed with Arabs. Israel was deathly afraid of them. My thesis here is that in this scenario, there is “no way in hell” that Leslie Gelb, Morton Abramowitz, Richard Perle, and Caspar Weinberger would have armed an “Army of Arabs” unless the Jews were in complete control of the entire operation.

Richard A. Clarke reveals in his book *Against All Enemies* that the idea for putting Osama bin Laden in charge as well as creating an “Army of Arabs” came from Saudi Intelligence Chief Prince Turki Al-Faisal. Since the idea came from Prince Turki, in this scenario, Prince Turki would have also had to have been Jewish, and a Jew loyal to Israel.

At the conclusion of the “Arab Afghan War,” the Soviet occupation of Afghanistan, Osama bin Laden and his Arab Afghan freedom fighters (the mujahedeen) made off with the remaining Stingers under the cover of an explosion at the munitions site that “hook the nearby city of Rawalpindi for hours.” (My emphasis added -See Clarke, page 50, *Against All Enemies*). Clarke cautions the reader at the beginning of *Against All Enemies* by saying, “The close reader will note” (Page xii.), but this also alerts the reader to the fact that he has concealed juicy details within the text that require a close reading to be fully understood. Obviously, if it was an explosion, it would not have “hook the nearby city of Rawalpindi for hours.” Clarke is careful to reveal facts that were reported “as they were reported. This protects him from the accusation of divulging classified material. The only explanation for ground-shaking to have occurred for hours is either a) there was an unusually long earthquake, or b) this shaking of the ground was caused by heavy trucks that were used to transport the artillery — including the Stingers. Clarke says on page 50 “some were not accounted for.” The only entity capable of making off with this cache of artillery in heavy trucks was the Soviets. The only logical explanation for this is that the KGB was behind it. Clarke says, “I could never prove that Soviet KGB had ordered these two acts” but I knew in my bones they had.” (Page 50). Two things. First, he all but says it was the Soviets. Second, he provides himself with an “out” by saying, “I knew in my bones.” This is an expression, but it can’t be taken literally for obvious reasons. (The locus of human knowledge is the brain, not one’s bones.)

This passage in *Against All Enemies* also contains a reference to U.S. Ambassador Arnold L. Raphel, who, along with the “military ruler of Pakistan” was killed in an “unexplained aircraft crash” immediately following the explosion that “hook the nearby city of Rawalpindi for hours.” Clarke explains this in *The Scorpion’s Gate*. He reveals by inference that the CIA retaliated against Arnold Raphel and the Pakistani ruler for the theft of the munitions dump, especially the Stingers. That means the CIA determined that they were also involved. Now we have Arnold Raphel, a very Jewish name, involved in the disappearance of the remaining Stingers. We have the KGB involvement. We have the military ruler of Pakistan involved. Here is my analysis on that: According to Clarke’s scenario, The KGB also had to have been controlled by Jews loyal to Israel, who aided the Jewish-controlled mujahedeen in making off with the weapons. The military ruler of Pakistan also had to be Jewish, and a Jew loyal to Israel. The CIA, smelling betrayal, assassinated both the military ruler of Pakistan and Ambassador Arnold Raphel in retaliation, as Clarke says in *Against All Enemies*.

Clarke reveals later in *Against All Enemies* how the Stingers turned up in Somalia and were used to shoot down a U.S. attack helicopter in the

infamous "Black Hawk Down" incident. By then, bin Laden was helping Somali warlord Farah Aideed. The implication or suggestion here is that Farah Aideed was also a Jew loyal to Israel, pretending to be Muslim.

These are the full set of Reverse Torah Rituals we will be doing. Yom Kippur begins in October. This will set off an entire new year for the enemy again and we must follow behind them and reverse their malignant filth. These rituals are doing their job! We must stay onto them. Even when we begin to fight Islam through spiritual warfare.

EVERYONE should be doing these rituals. Unless one has a serious reason, such as being underage and not free to do so, anyone who is fully capable and not doing these rituals, is a parasite. Few here really can appreciate just how lucky we are to be able to be with Satan. Those of us who are free to be with him, such as in the US where we are free to worship as we please [in the way no one can bust down your front door and execute you for your choice of religion, legally].

Next, we will be concentrating on destroying and annihilating Islam. As I have stated repeatedly, I have never encountered anything [not even fundamentalist Christianity], that is as rotten as Islam. Islam is pure evil. In addition [and this includes Christianity], as these sick and most vile programs use fear, the energy that is put into them from deluded believers creates an aura of [through fear], making these lies credible to the populace. This rotten filth has an aura and for those of us who are psychic, we can easily detect it. This is how these programs thrive, as they are so stupid and insane. Any thinking person who is not under their spell would laugh. Also, like that rotten Bible, there are many contradictions within that foul Koran.

I also want to add, just as with Christianity, in Islam, everything is also stolen and corrupted from Pagan religions preceding it.

With studying Islam, which is totally ugly and sick beyond belief, I, myself am more and more grateful to Satan every day. Each and every one of us should be very grateful that no one here, who has found Satan, has been DAMNED into Islam. Millions of people who are DAMNED into enemy programs such as Islam [where there is widespread illiteracy amongst much of the populace where that foul program thrives], have no choice. Books, writings and information is heavily censored and the only available written material is that GODDAMNED Koran, and millions of people are literally damned into it.

In addition, as I've stated before, many are forced to memorize that entire piece of literary toxic filth. Even studying about this is not good for one's mental health, it is so sick, but saturating one's mind and soul with it is spiritual poison. This is why so many Muslims commit heinous crimes against innocents. Their so-called "god" is a murderer and a liar. This comes out in the deluded believers, who for centuries have perpetrated nothing but violence, bloodshed, slaughter, torture, and mass murder. Like Christianity, the goal of Islam is to turn civilization and society back into the Dark Ages.

This is NOT something to take lightly. Lazy parasites here who are fully capable and who do nothing WILL eventually be affected. Look what is now happening in Europe . Unless we fight, this hideous poison will succeed in destroying the entire world.

Greetings to all our People and Satanic Comrades!

With much happiness I announce that from now on, we are going to have documentaries and videos from our side coming up. These will include information, knowledge, revelations and they will be able to be used in spreading the Truth online.

The enemy has had all the means, ways and literally billions of places to spread their lies. For this reason, our bulwark and information must be spread and protected.

I am not the most well versed in editing, but since the job is able to be done, it will be done. There will be advancement. Satan wants things out so everyone can finally know the Truth.

This took me a full 55 hours total, maybe a lot more.

This is a Joy of Satan Movie! So grab the popcorn, take one hour of your time, and enjoy yourself. Aside from educational (and not ed-jew-cautional) we want these videos to be fun and show what we stand for.

There will be more videos, so stay in touch.

Don't forget to Comment, Share, and Subscribe to my (our) channel. We need to spread the truth everywhere.

I ask of all of you to relate your feedback. Also, the next videos will be of course improved.

I proudly present to all of you...

## "Exit The Jewtrix" - The Most [Dangerous] Youtube Movie Documentary

I want to thank all the contributors, with their music, and everything else for making this video possible. There are also pieces of famous videos from other people who are in our cause, so irrespectively of if we know each other or not, a thanks must go to them.

Greetings to all our People and Comrades.

This Ritual must be prioritized for the 11th, 12th and 13th of September.

The Muslims on this day, celebrate their "Eid al-Adha", which is nothing else but slaughtering and living blood sacrifice of closely millions of innocent animals, in order to empower the enemy ET hives they call "God". Obviously, this is no different than the Jewish "Yom Kippur" and on the Kosher Slaughtering of animals. What is Kosher to the Abrahamic Kikes, is "Halal" for their Jewish Slaves, the "Islamic".

The Jews of course practice the same exact thing, and all of this happens behind closed doors. Guess who owns the (((Media))) anyway.

All of this is directed loyally to the destruction of "Satan", any and all occult resistance, people, countries and states alike. In plain, this is massive and horrendous death and suffering energy, and also life force, directed into the Jewish hoaxes these idiots believe.

In the same way "Allah" commanded "Abraham" to kill his own son (but supposedly, oy vey, in the lying books he didn't- but wait, he didn't even exist anyway in the first place), in the same way "Jehova" commands "Abraham" to kill his own son. Oy Vey, Islam and Judaism and Christianity are by far different.

Getting serious, all these programs are 100% Jewish. Slaughter is needed to give energy and power to these hoaxes and keep them going. The same goes for incessant and unceasing "prayer", especially towards idols such as the "Kaaba Stone", or the Jew nailed on the Stick, Rabbi Jesus Krayst.

The Mudslimes, like their Jewish overlords, do also do full blown "Rituals" to destroy Satan, all of which have inside them blood sacrifice. It's the Abrahamic Jewish Hoaxes that do living blood Sacrifice, and of course, this is just being projected to Satan.

Our plan for these days is to decimate the enemy, by returning and rendering their blood sacrifice onto themselves. This will destroy them and halt the increase of power they were expecting for this year, drastically wearing that excrement down. This will destroy them.

It's also advisable that people keep their energies really high up and through these days. This will make sure their curses will backfire at them and destroy them. Like the enemy always does, these dates are power dates, and are stolen in order to effectively attack us. They can be used both ways if someone has the knowledge. These energies of death are sublimated and channelled all over the world, in order to inflict death, misery and affliction. These fools raise the energy, and they need it on themselves. Otherwise, this goes to your children, countries, states and souls, and to the whole planet. We need to put a stop to

this. This will also manifest in Europe and elsewhere and further tensions.

Below the Ritual, additional information will be put in regards to this malicious and nefarious death ritual they are doing.

Eid al-Adha (Arabic: عيد الأضحى، *ʿĪd al-ʿAḍḥā*, [ʔi·iʔ·d ʔ Ĥ| IĔ^Ĕ" É'dĔꞡĂŞĂ| Ĕ• ], "Festival of the Sacrifice"), also called the "Sacrifice Feast" or "Bakr-Eid", is the second of two Muslim holidays celebrated worldwide each year, and considered the holier of the two. It honors the willingness of Ibrahim (Abraham) to sacrifice his son, as an act of submission to God's command, before God then intervened, through his angel Jibra'il (Gabriel) and informs him that his sacrifice has already been accepted. The meat from the sacrificed animal is preferred to be divided into three parts. The family retains one third of the share; another third is given to relatives, friends and neighbors; and the remaining third is given to the poor and needy.

I am left with no other choice but to provide pictures and information of this, which will definitely be gore. I will do this below, after the Ritual:

The Islamic holy book tells how Allah demanded that Ibrahim sacrifice his first son, Ishmael, in an act of subservience to his god.

According to the Koran, Ibrahim was wrought with indecision, but resolved to do Allah's bidding - and even put the dilemma to Ishmael himself, who said the right thing to do was slaughter him.

However, as Ibrahim slashed the throat of his son, he found that an angel had replaced Ishmael with a goat. The animal sacrifices still carried out today are meant to symbolise and celebrate Allah's act of mercy.

After the act: Two butchers are pictured tending to the carcass of a calf which they just slaughtered in El-Kalubia, Egypt

Ceremony: A butcher shows off his bloodied hand after participating in the ritual, which is a central part of the holy day celebrations

Cows, sheep and goats are the most usual animals which are taken to slaughter, but other livestock - including camels - also feature depending on the region. In Britain the ritual killings have to take place in a slaughterhouse.

Families are expected to sacrifice good-quality animals. There are no absolutely binding rules on what to do with the remains, but one tradition sees families divide the usable meat into three. One part they consume themselves, another goes to friends, and the final third is given to the poor.

The exact date of Eid al-Adha on the Western calendar changes every year - in 2015 the festival was held on September 24. The festivities coincide with the Hajj pilgrimage - which was struck by tragedy this year when more than 700 people were crushed to death on the outskirts of Mecca.

Subject: Re: PRIORITY REVERSAL TORAH RITUAL FOR 11-12-13th of September

Thanks for posting, HP Hooded Cobra. I'll be doing this RTR on these days

Some thoughts I had about this

People might be tricked into believing that this is somehow acceptable because "we need to eat meat too, and in order to eat meat, an animal has to die somehow"

This seems to be where the trick is. "Sacrifice for food". But it can be easily seen that their focus is not on the food. It's on the sacrifice itself (they even show off their blood-stained hands) and the negative energies from it.

The "sacrifice for food" part is an easy excuse they have handy, should this killing festival ever be questioned.

About the story of Ibrahim and his son turning into a goat, my interpretation is this is subliminal to killing the knowledge and wisdom represented by the horns of Mercury, as well as balance of the soul, and fertility (and consequently the life force) which is also represented by the goat in Pagan tradition, where the goat was commonly worshipped. The Goat of Mendes, the Satyrs, etc. No coincidence only in RHP "religions" is the goat abused and sacrificed such as with this killing festival and that ritual where jews curse a goat with their own sins. I think this is all probably a direct reaction to the traditional Pagan worship of the goat.

Now while these sacrifice rituals are accepted by law because it's "religious" and this is their granted permission to carry these without being questioned, Satanism is looked upon with disapproval and so called "witchcraft" is even outlawed in many cases.

On a side observation, I once knew a mudslime girl whom I'd talk to on the Internet. Don't know how loyal of a follower she was, but she knew I was a Spiritual Satanist and we wouldn't go much into this subject, but one day I mentioned our goal of becoming Gods through power meditation. And she was like "wow, do you really believe we can become Gods? I'm sorry for you for believing in such things". Had I known about this story of Ibrahim before, my answer would have been "so you think this is absurd, but you don't think it's absurd at all for Ibrahim's son to be 'turned into a goat'?"

Also, is it any coincidence that the starting day of this killing festival coincides with 9/11?

Hail Satan!

I wrote in another reply about this, and thanks for your observations. What you state is definitely correct. As for the Kosher and lies behind such, there are laws in regards to lying and making up lies in order to justify what cannot be justified, etc.

Of course, the 9/11 was focused on this date of slaughter and terror, to reinforce the event itself, which was supposedly done by Muslims, but it was the jews who are behind this all and reap the benefits from this host program. There was a definite connection. This also connects to the "Yom Kippur" which is the high holiday of Judaism.

In tradition, the Goat also symbolizes disobedience and Satan, while the lambs being more stupid and controllable, symbolize the slaves etc. The Goat is deeply symbolic and also symbolizes things you stated.

Subject: Important for Whites to Know

This is important and something to be aware of. Not too many people know of the power of Islam. Over the years, we have attacked and exposed Judaism

and Christianity. Directly attacking Islam is another matter. That shit is pure evil. Enemy ETs really take notice, if you get what I mean. However, we will continue to work relentlessly to destroy this worst of plagues upon humanity.

High Priest Hooded Cobra mentioned how Christianity was basically created to deter Whites and forcibly remove our spiritual knowledge and abilities, while mass murdering our Pagan peoples. He also brought to our attention the connection between that Kaaba black box (which was originally Pagan, and was hijacked by Islam), and the black box orthodox Jews wear on their foreheads, again, creating a channel for slavish energies.

Islam, not Christianity, is the major bulwark for the Jews and enemy ETs. Muslims "pray" 5 times every single day. The energy that goes into Islam (mostly nonwhites), is way beyond that of Christianity.

Notice how Islam is being pushed real hard now on the populace? What was once White Europe? The more the nonwhite population continues to explode, the more the White population dwindles, and Islam is the enemy program of choice. The entire world of nonwhites, every single day, slavishly providing an energy supply to these assholes.

Most people here can see this. This Islam SHIT is more than most people have been aware of. My point is when we start getting into fighting it spiritually, we find it has much more purely evil power than we ever suspected.

Yom Kippur is coming up soon. We will be posting reminders to all of the groups for specific RTRs to do.

For some 16 years now, we have focused on exposing Christianity and its vile Jewish root. Islam is hundreds of times worse in destructive and totally evil energy.

Never underestimate this foul, rotten Islam or take it lightly. This is very serious. We must work to destroy it at all costs. I can't impress upon everyone here, the deadly seriousness of this. Islam was the latest in coming from enemy ETs, which reared its ugly head in the 7th century. Like Christianity, everything it has was hijacked and corrupted in order to create a massive energy producing slave state for the Jews and enemy ET parasites too feed off of.

Islam put the cap on Christianity. We Whites are by nature, rebellious and we are NOT, servile. Nonwhites are servile by nature. Islam has targeted nonwhites for centuries. The enemy feeds off of them.

The more the White population dwindles, the more the enemy will push an Islamic takeover.

I also want to add here in closing, communism was aimed at mostly Whites. This stepping off point from Christianity finished the job of spiritual disarmament for Whites.

Subject: This is an answer I gave to the question of the end of Israel.....

This is an answer I gave to the question of the end of Israel.....

Israel has really fucked up in Syria. They failed to destroy Assad and the war has gone on to the point where Iran was able to intervene for Assad, as Iran knows their next if Syria falls. And now there is huge Iranian forces in Syria, the nation which borders on Israel. The only reason Putin ran in when he did was right after Assad had totally handed total control of all Syria operations over to Iran openly. And Iran was shipping in tens of thousand more troops. Putin all of a sudden then cared enough to do something other than talk about caring. Which the condition of Russian intervention was total control was to be given from Iran to Putin.

This is an old tactic, the Jewish Soviet Union would be the leash on the Arab world by proxy. And betray the Arab cause to Israel the whole time while pretending to be their ally. From giving them worthless military aid at robbery costs which had no chance against Israel military hardware. To having Russian generals purposely train Arab troops with tactics they didn't have the military base for and tactics which were suicide in the ME terrain, ensuring their defeat. While the Jewish run KGB always made sure the Mossad had all the intelligence on the Arabs. The Jew Stalin did create Israel after all.... On orders from his Rothschild King of the Jews, [they call themselves this in their own publications] masters. Then the USSR after being the first superpower to recognize Israel as a nation in the UN. Then all of a sudden ran off to buddy up to the Arabs to control that half of the ME, and denounced Israel as part of the Jewish tricknology. The Rothschild's also put the Dohmen Jews and Baghdad Jews into power in Saudi Arab after the end of the Ottoman Empire. When the Jewish run British Empire created the new ME. Which the new Middle East plans had been laid by the Jews before the first war. The aim of which was to carve up the Arab world to weaken its unity, so they couldn't oppose Israel's creation and expansionist plans in the region. While the Jews ran the Ottoman Empire from 1909 and on. And before dominated it with major financial control. Which is why the Armenian genocide was committed by the Jews. The Armenians were the powerful class of banking, wealth and political leadership in the Ottoman world. So they had to go for the Jews to dominate the Ottoman world. Which they then used to put the Ottoman government under their control to destroy the Ottoman Empire and the unified Arab world.

Out of this came Israel and the Jewish Saudi's who run the Sunni world which is now the Arab Legion of Israel via proxy. Divide and conqueror. The Wahhabist sect of Sunni Islam the Jews created is just a weapon to further the divide in the Islamic Arab world to help this out.

Putin did meet with the leader of Israel in person for an hour before moving into control Syria.....Wonder why. Putin is the leash on Iranian, Leb and Syrian forces at this point for Israel. The jews are trying to control both sides of the conflict as its become a Frankenstein monster. But are dealing with trying to keep Iranian escalation in the region from happening and getting rid of Assad. The Mossad wanted the leader of Turkey gone as he was winding down the support. As the Kurds were getting too powerful in the region and starting to threaten Turkish control over Kurdish regions. Which might start a civil war in Turkey. The Turks are starting to realize Assad is better then Islamist chaos and Kurdish ascension in the region.

Now with Israel openly bombing Iranian, Syrian forces and having a mission creep into Syria. Its only a matter of time before this probably escalates. With a open war between Israel and Iran. Israel has the nukes but Iran has enough convention weapons to flatten Israel. Their ally Hezbollah has enough two thousand pound rockets with orders from Iran to level the Israel capital with if war happens between Iran and Israel. The Israeli's know this and have chosen war by proxy to attempt to destroy the Shia crescent via ISIS and other Islamist proxy armies. The same they used on Libya.

But just as Frankenstein's monster turned on him. I think this conflict in Syria might be the end of Israel.

Putin expressed his Jewishness at the Wailing Wall in Israel.....Kippah and all.

Subject: Re: Important for Whites to Know

Also it needs to be added in this, that the White Race has never really been devoutly "loyal" to christianity in anyway, or en masse. Also, the "Islamics" have again and again attempted to invade the "European Fortress" to destroy us many times. Islam is an enemy and one of the deadliest around.

From researching deeper into this "Islam" we have also found that the enemy has funnelled more spiritual knowledge and power into this. This is because all these people were hopelessly servile and illiterate, and would never figure it out anyway.

The "audience" of this religion was different, non-white, totally illiterate, and the list goes endless. Therefore, they could put in front of them whatever they wanted. The enemy has really been shifting their best to Islam, as this is the ideal "religious program" for the brutality many of these people have inherent.

Christianity is too pacified, weak, and never really got roots in the White mindset, and it will never work to en-masse control these people. The jews know this, and they created a different program for them, and adjusted this accordingly. Its almost as if these people need blood, brutality, murder and frequent negativity, and they tolerate and accept this mostly.

The enemy ET's have well studied both the races and their weaknesses and strengths. While the Islamic religion appeals to brutality, murder, bloodshed etc, the "Christian" program of the jews does appeal more to "Spiritual Life after death", "Helping all of Humanity"- the list goes on, even "heroism" for the fools that believe in the "Crusader" bullshit still. The enemy knows this and they laugh at us, as they use our higher instincts against us. This is because these things are inherent into the mind of the White people, and they abuse these.

Meanwhile, down to these regions, nothing of these is needed. Not much logic, not much conversation. They just command the cattle, and so they do. While Whites cannot accept "God" being a psychopathic murderer, these people can and have accepted it, and many are also just fine with it. This is the sad Truth. The Islamic program is by far more "straight forward" and doesn't have all this "Apologetic" crap in it, like xianity, which has a harder time bypassing White Logic and Ethos. Islam is just one step before Judaism, and is a literally brutal program, and the enemy wants THIS program to survive.

Xianity will be blotted out, as it served its purpose in opening up the Whites to all sorts of jewish drivel, making them "accepting" to all sorts of retarded ideals, and opening them up to Communism etc. Xianity will fall, and the enemy wants to synchronize this fall of christianity with incessant bastardization, and gradual islamification. This will gradually prepare everything for the enemy, the "Communist Society" and also has a double benefit in that the naive idiotic "Whites" who believe in jewish drivel, will attempt to become "Christendoomers" again to "Save their Culture". Part of which Culture CHRISTIANITY NEVER WAS.

With that being stated, the solution is spiritual warfare and education of fellow Whites. Do not respect their disgusting xian opinions, destroy this excrement pestillence for the jewish filth it is, and be spiritually forceful. We need all the forces we can muster. Put them into use.

I just really liked this red ice video as they actually called out the jews and put it out there that they are behind the european invasion and white genocide. it made me feel really great to hear someone calling a spade a spade, is all.

Alt Right Scam

Three points to remember:

The jews know there is a major event coming that will cause the reaction from the population that might unseat them from power.

The jews such as Marx stated the ideal of synthesis the blending of opposites which allows a new form to emerge that is now controlled by the jews. The key principal of jewish subversion. Christianity a jewish political movement for jewish control, was a synthesis of Paganism into Judaism.

The Alt Right is the synthesis to control that reaction.

Trump as already mentioned is a jewish owned operative who owns companies that are fronts for the jewish elites the Rothschild's and Rockefeller's. Trump is the new mascot of the Alt Right, who is an open neo-con, that is the placing of a kosher, neo-cohen, civic nationalism based on jewish values, dissolving out the emerging awakening. The jews are seeking to control the right with a synthesis as they know the values of the right are a threat to them.

Now the jews are inserting their operatives into the growing awakening this way to misdirect people and put the jews in charge. This was done before during the Cold War when the jewish Rockefeller's as Mullins stated created the John Birch Society, the same Rockefeller's who created the America Communist Party and funded it. This disarmed the Right of the time and allowed for Communism [jewish globalism] to advance.

Now as the population is about to swing to the Right, they are pushing the new synthesis to control this. The Alt Right. Anyone who promotes the Alt Right is to be considered suspicious. They are probably an operative.

Subject: This All Ties into that Black Cube

The article below is old. It is from the Luciferian Liberation Front.

As I've stated before, that black cube the orthodox Jews wear on their foreheads, the black cube Kaaba the Muslims swarm around like flies on fresh shit, and below is further information on that black cube. These all tie in. The odious program of Christianity was intended to do a job. Islam is the enemy's ultimate goal.

The article below may not be 100% accurate, but it does contain certain blatant truths that everyone ought to know:

<http://web.archive.org/web/20070916093051/http://www.luciferianliberationfront.org/borg.html>

The Kingdom of Heaven...UNCOVERED!

"That they all may be one; as thou Father art in me, and I in thee, that they also may be one in us..." -- Jesus (John 17:21)

"You will be assimilated...made ONE with the Borg...Freedom is irrelevant...Self Determination is irrelevant...You will comply...Resistance is Futile." -- The Borg.

The New Jerusalem

Something big is out there and it's on its way toward us right now. An object of enormous size is on a direct intersect course with planet Earth. This object is not a natural phenomenon but is under intelligent control and will bring about cataclysmic change to the world as we know it. This object is not an asteroid or a comet although it will use these things as tools to help it achieve its goals. This object is powered by the psychic energies of billions of life forms but it has only one mind, one will and one desire; the enslavement of the human race. What sinister force is behind this object and its agenda of complete annihilation of humanity? The same force that has attempted to thwart every effort man has made to achieve autonomy and technological advancement throughout history. Only now, as the final days of the struggle for man's freedom draw to a close, has this highly classified information, concerning the most hideous deception of mankind's history, been fully revealed. This object has been designated the Galactic Obliteration Device (G.O.D.). In mythology it has been given various labels, the most familiar of which in our modern death culture is "the kingdom of heaven." In the Bible this object is called "Zion", "Holy City of God" or "The New Jerusalem" (Rev. 14:1, 21:2, 10).

We can get a glimpse of how this object is constructed and the place that human souls will play in it by doing a study of the book of Revelations in the Bible. When we take a look at the New Jerusalem that is spoken of in the Bible we see several things. First we see that it is similar to a giant mothership and that it will descend from space (Rev. 21:2) The dimensions of this ship are 1,500 miles wide by 1,500 miles long and 1,500 miles high. It's a giant cube (Rev. 21:16). The writers of Star Trek the Next Generation were being prophetic in their visions of the Borg ship when they portrayed it as a giant cube. The inspiration of the Lightbringer; Lucifer, is manifest in their attempts to show humanity the connection between the amorality of collectivism and the New Jerusalem but no one seems to be listening until now.

When we dissect the cube of heaven we see that it is constructed like a living cell with its own system of energy circulation and metabolism. (See diagram above) From all appearances it is a giant solar battery/generator which allows the ONE mind of the collective G.O.D. to be able to feed off the life essences of the enslaved souls held within its "temple pillars" and redirect their energies according to the will of the ONE. When a human being dies, his life essence, spirit, or soul is scanned by the Soul Collectors who patrol the dimension between physical time/space and the finer dimension of subspace and these Collectors project an image before the just deceased soul of a life form that will be recognizable to the deceased, such as a relative or friend who had died before they had (a grandmother, religious figure, etc.). In this manner, the Soul Collector is able to get the newly deceased soul to lower his defenses. The Collector takes on the role of guide and attempts to lead the soul to the gates of the Holding Ship. In this Holding Ship, the spirit essence of the dead person is scanned again to determine its degree of purity of energy (its lack of resistant character traits) and its potential to provide nourishment to the collective mind of G.O.D. This potential is based on the degree that this spirit has been subdued through fear and dependence or how effective religious programming had been on this soul during its physical lifetime.

Those spirits which have little or no self-will and have been sufficiently programmed to serve G.O.D. during their lives will have the highest nourishment potential. The Bible tells us what will happen to those who are selected as purest and most worthy to provide sustenance to G.O.D. They will be made "pillars" in the temple of God (Rev. 3:12). They will become a PART of the New Jerusalem and will nourish G.O.D. and "their tears will be wiped away and there shall be no more death neither sorrow nor crying neither shall there be any more pain for the FORMER THINGS are passed away." (Rev. 21:4) Sure, there won't be any more crying! All their memories will be wiped clean. They will no longer exist in a form that is recognizable to them or anyone else. They won't remember their past, they will only be sources of energy/nourishment to feed the will of the ONE.

Those stronger souls who do not blindly follow the Collector or who have used reason rather than blindly relying on faith during their lifetimes will not be as desirable to the ONE because they represent a threat to its control (just as Lucifer, the self-thinker was able to spark a rebellion which convinced over one

third of the hosts of heaven to see the reasoning of freethought and self-reliance (Rev. 12:4, 7,9). This New Jerusalem is a doomsday machine with no room for possible dissent. Those who follow the Collector of Souls will be accessories after the fact to all the injustices and immorality which God has heaped upon mankind since the beginning of time.

## The Real Truth About Heaven

"Accept Jesus as your personal savior and you'll get to fly up to heaven and be with him after you die." This is the battle cry of Evangelical Christianity, but how many Christians have actually taken the time to really think about what this heaven will be like? Most people are attracted to heaven through fear of the alternative: HELL! That pit of everlasting fire. Certainly anything would be better than THAT! Or would it? Since heaven is the place where the saved will be spending the rest of ETERNITY, you better make sure it is where you want to be before you go buying your one-way ticket there. What is heaven like? Ask different people this question and you'll get different responses. Some will say that heaven is a place of eternal joy and love where you will live in peace with no needs or pain. Traditional heavenly scenes show the spirits of deceased humans as angels with wings, white robes, and halos, sitting on clouds, strumming on harps and singing praises of hallelujah to God. Is this what you want to be doing for the rest of ETERNITY?Â

Many believe that heaven is a place where you will be reunited with your dearly departed ancestors and that the family unit and memory of past experiences will continue on in this place, while others believe that all family ties become severed at the grave and in heaven there is only one big family. After learning about God's approaching "New Jerusalem," it's apparent that God has different plans for those who join his collective than what they have been taught.

Jesus claims that in heaven, all tears will be wiped away and all things will be made new (. As human individuals we must have memory of our past experiences for our lives to have any meaning to us personally. If your memories were taken away, the person you were would cease to exist to you, so conscious memory of who you are (self-realization) is what gives your life true meaning. Some believe that when we die we are reincarnated into another life form and thus continue to recycle throughout time. If this were true the past lives we lived wouldn't matter to us without a conscious memory of those past lives. There is no point in being reincarnated if we can't remember and make use of our past lives. Will you maintain your self-realization and memories in heaven? Not if you plan on having a life with no pain or suffering. Who we are is based on our past life experiences, both joyful and painful, and the memory of a painful experience causes a re-living of the pain that memory involved. To live a life of no suffering would require that all memory of suffering be erased. Who you were would have to be altered drastically in order for you to never suffer again. The person you know yourself to be right now could not exist in heaven. And what good does it do you to live for an eternity in harmony and peace if you can't remember your life experiences, the beauty of diversity, or the exquisite pleasures of the full spectrum of human experiences because you have lost awareness of who you were as an individual? As individuals, we find pleasure in various ways, most of these involving the expansion of our knowledge and life experiences. For some of us that means learning as much as we can about a topic of interest or several topics of interest. For others it means getting out and experiencing the world; exploring the wonders of nature, space, sports and whatever else which may bring us slack. Humans become weak if they are not challenged. Muscles atrophy if not stressed, so does the mind and the will. How long do you think it would take for strumming a harp and singing praises of hallelujah to become dull and boring? Eventually, if we don't have a continually challenging and diverse environment, we will die, yet in heaven you cannot die. You will continue to live the dull existence of being a servant of God's will, unable to think or feel for yourself for year after year after year, ENDLESSLY. This stagnation would not be heaven for human individuals it would be hell. Some religions believe that we do get to continue to progress into the eternities but even then we would eventually learn all there is to know and then what? One episode of Star Trek Voyager addressed this dilemma when it had a member of the Q Continuum (a group of eternal, god-like beings) who had grown tired of the endless eternities because he had experienced all there was to experience and just wanted to commit suicide and not exist any longer. Eternal stagnation is inevitable whichever path you take, but isn't it better to follow your own will into eternity instead of being a slave to some other being's

will? There are worse fates than the sleep of the dead. Eternal stagnation as a slave of the collective will of God would certainly be worse than death.

God's heavenly goal is to surround himself with beings that are submissive, ignorant, dependent, blindly trusting (child-like) and committed to his will alone. (Matt. 18:3, 19:14, Mark 10:14-15, Luke 18:16-17) What do you think God is REALLY planning to use these "sheep" for? Jesus revealed what will happen to individuality in the collective of heaven when he prayed to God the Father, saying: "let them be ONE as you and I are one." (John 17:11,21-23) Individuality must die in the hive collective that will be heaven. Recently, the Star Trek series has shown the hideous and inhuman prospects of this collective mentality in their portrayal of the cyborgenic collective life form called "The Borg." The Borg have no individual wills or consciousness, they live only to serve the collective just as those in heaven will exist only to serve God. (Rev. 7:15) When we examine what God's intentions must be if all he wants are beings which will praise him ceaselessly with no resistance we discover that his plan is to develop an efficient energy device. The psychic/emotional energy which minds create in states of passion and submission is used by God as nourishment and power. The Bible reveals this throughout and shows us this fact in Revelations each time God is getting ready to display his power. Before he displays power, the members of the collective praise him and give him this power (Rev. 4:9-11, 7:9-12, 11:16-17,19, 14:3, 15:3-5,8, 19:4-7). In fact when John attempts to worship the angel of prophecy, the angel tells him "don't do that!" and says he must send his worship energy toward the Godhead collective (Rev. 22:8-9). Any sort of resistance which would make the transmission of energy less efficient is forbidden in heaven (Rev. 21:26-27) because God wants as much efficiency as possible in his nourishment matrix. The reason Jesus says that you must be poor and humble to gain entrance to heaven is that the rich know self-dependence and self-worth and would not be as easy to drain of their energy as those who are ready to give their all to the triune collective of the Godhead. The poor shall be first because they will provide the most efficient energy without resistance. All the teachings of the Bible point to this conclusion: God is preparing an efficient energy source for his collective will. Will you be a willing cog in the feeding machine that is JHVH-1? "But won't I go to hell if I don't get into heaven?" Fortunately, the evidence shows that hell is nothing but a threat that the God of the Bible has used to try to attract those who are easily manipulated by fear, lack of self-worth and dependence.Â

God doesn't want self-aware and self-reliant individuals in his heavenly matrix. Lucifer was able to see the error of following God and departed from the deceptive ways which God had planned for the earth. God didn't cause him to "fall" he left of his own accord as any self-respecting individual would do in the face of tyranny. If God had the ability to cast Lucifer into hell or destroy him he would have done that when he had the chance instead of allowing Lucifer to supposedly torment God's chosen people throughout history. The fact that Lucifer is free to upset the plans of the Collective New World Order of JHVH-1 shows that God doesn't have the power needed to contain him or other self-willed individuals. Lucifer was never afraid of the empty threats of Hellfire and damnation, you shouldn't be EITHER! No, friends, the God of the Bible is NOT the creator of all things, he just wants you to believe he is. He wants you to think he is infallible so you won't question his actions. He has created a "heaven" for those who blindly submit to his manipulations so that he can continue to drain energy from them as a source of nourishment into eternity. If you believe that God is the father of all mankind and that he really loves us as a father, you should also know that a truly loving and just creator would never allow for his children to be punished beyond what they deserve. Any offense that men can commit in this finite existence can be paid for in a finite amount of time. Therefore the idea of an eternal lake of fire where people burn in anguish and torment forever is contradictory to the concept of a just, merciful and loving creator. If you want to believe in hell then you must admit that God is not just and definitely not very merciful or loving. And if you can admit that, then how could you live with yourself knowing that this is the being you will serve ETERNALLY? The light of truth and reason tells us that the God who created the hive-colony energy-matrix called "heaven" has no power to put people into any lake of fire. The goal of the God of the Bible is to form a collective of same-minded life forces which he can use to strengthen his energy base and to expand the single will of "God" to all the universe like a cancer. The end result of this would of course be a void of sameness. When all you have is an endless collective of sameness you have a void. Think about that for a minute. Without any diversity, all that exists is sameness. A void of sameness. The same as the void which the Bible claims existed before God poofed us all into existence. The ultimate goal of God is thus ANNIHILATION! We must resist returning to the annihilation of this void of sameness at all costs!

Rejoinders to the moral fallacies in "Your Vegan Fallacy Is" (YVFI) + PDF

Now this is going to trigger a lot of ideological Vegans! Any suggestions will be appreciated.

Rejoinder to "Eating Meat Is Natural Because We Are Omnivores" , "Canine Teeth Make Me A Meat Eater" and "Animals Eat Animals, So I Will Too"

<https://yvfi.ca/omni>

YVFI: *"The claim that humans are natural meat-eaters is generally made on the belief that we have evolved the ability to digest meat, eggs and milk. This is true as far as it goes (and!) This reasoning depends on the claim that if a thing is natural then it is automatically valid, justified, inevitable, good, or ideal."*

Yes natural is indeed valid, justified, inevitable, good and ideal. They not only admit that being omnivore is natural for human beings and a handful of other species but also that the UNNATURAL ways of the industrialized farming are dangerous and harmful.

Humanity and the planet as a whole suffered a lot for the adoption of unnatural behaviors and denial of traditional and natural values. Industrialized farming, multiculturalism, denial of family and the list goes.

It's not an unrealistic expectation of what natural is that invalidate what is natural for each species of beings: omnivores, carnivores and whatever each one is. No peoples in ancient mankind who lived better lives than today's degeneracy adopted something vegan-like as diet and yet they cared enough for animal welfare, as in Ancient Egypt and Vedic societies. Veganism is a modern and unneeded sophism.

The answer is to put an end to the Jewish monopoly of industrialized farming and to eat organic food, while slaughtering the animals in the most humane ways possible. This being said, it also debunks the chapter trying to demoralize people who love animals and aren't vegans, as that section is nothing but pushing the falsehood that the abuse existing in animal farming is the only way of meat consumption.

Hitler and other the Nazi leaders were the first to effectively apply animal rights as a State police and put a ban on cruel Kosher slaughter, Jewish industrialized farming and usage of animals in experiments, while natural farming was encouraged and balanced in order to avoid the over industrialization of society.

YVFI: "But we are capable of digesting the flesh and secretions of other species, which means that we can choose to eat plants, animals or both."

This is self-answering, our dentition and digestive systems again proof we are omnivores. As for "choosing" and that "dogs can be vegan" is paradoxical, since we don't actually "choose" our nature, we adapt ourselves to her dictation, and we must not go against her.

<https://yvfi.ca/carnivores/r>

YVFI: "Non-human animals do many things we find unethical; they steal, rape, eat their children (") Each is an individual species with individual needs and capacities for choice."

While the first sentence is a laughable lack of common sense as an attempt to, again, demoralize people for being omnivores, the second sentence is obvious and is not a proof that the "natural argument" is unethical or nor applied to we humans: We are following our own nature as omnivores as well as lions are following their own individual nature of being carnivores. Because we are omnivores and many animals eat meat does not mean our nature is the same as every animal.

Rejoinder to "You Cannot Be 100% Vegan" and "Vegans Kill Animals Too"

<https://yvfi.ca/perfect/r>

YVFI: "The meaning of the word 'vegan' excludes the possibility of perfection, and vegans themselves understand they cannot hold their philosophical position absolutely."

<https://yvfi.ca/veganskill/r>

YVFI: "It is pertinent to note that the idea of perfect veganism is a non-vegan one. Such demands for perfection are imposed by critics of veganism..."

This is self-answering. The critics are based by the standards Vegans themselves invented. While trying to prove it is possible to live as Vegan, their argument is that for being Vegan... It's to be a non-100%-vegan (thus not a vegan) by their own standards, and so veganism is not the answer, as all of our ancestors and also many animals could live in a "100% omnivore life" while as the website itself proves you cannot be 100% vegan, and plant farming does kill animals. So the question is not if you will kill animals or not " or how much of them you will kill " but again, how much of their suffering you can avoid while slaughtering them.

Rejoinder to "Eating Meat Is My Personal Choice"

<https://yvfi.ca/choice/r>

YVFI: "Simply because a thing is not condoned by law or society does not make it ethical or moral."

What is "moral and ethical" is defined by a society, veganism makes up its own moral bias summing up animal rights within an unrealistic and unpractical perception of it, while demoralizing everyone else who does not conform to its standards.

Like the point made before, vegans are still "killing" animals through plant farming, but this is not unethical. The attempt of calling the act of eating meat "unethical" is recurrent and hypocritical "holier than thou" vegan fallacy. Since in both wildness and human societies " by vegan admission " animals will be slaughtered either in plant farming or animal farming, the solution

is to find humane ways of doing so, independent it will be in large or smaller scales.

Rejoinder to "Vegans Cannot Get Enough B12", "Vegan Parenting Is Brainwashing" and every other misinformation attempting to give a pseudo-scientific base on the moral outrage of vegan ideology

By Don Danko: My note Veganism is part of the Social Marxist paradigm, Animal Liberation is another wing of the Social Marxist movements to overthrow society such as Women's Liberation, Social Marxist feminism which is the psycho pathologizing of the family unit.

The pseudo nutritional science Veganism pushes

Veganism is built on lies, nutritionally humans are omnivores, that is why Vegans have to take supplements to be able to be on a all plant based diet, otherwise they couldn't physically do this for long. Its not just B12 either. When Vegans pipe up with just B12 they don't know what they are talking about and prove you don't want to take any advice from them nutritionally. Long term Vegans have cupboards full of different supplements they have to take to try and avoid paying the price of their abnormal diet. Note how dangerous B12 deficiencies are. Vegans take artificial B12 all day long from injections, pills its mixed in their Vegan food products like Almond Milk and on. And still as a demographic Vegans are 70% B12 deficient. Trying to totally replace organic nutrition compounds with artificial vitamins is not wise. Many long term Vegans end up with degenerative diseases of the spine due to their body leeching amino acids from the spine to keep them alive. Nervous system disorders, mental disorders, high heart disease and cancer rates due to this diet. So the health claims are lies.

The pseudo social science Veganism pushes.

Carnism is also a social construction, we are omnivores, Vegans prove this fact by having to stay alive on artificial vitamins. Since Veganism is a cultural Marxist paradigm they foolish believe anything they don't like they can label as a social construct. And ignore any counter evidence with name calling like "Carnist" but this abnormal diet takes its toll.

Speciesism is another bogus construct created and popularized by people such as the insane, Communist, Jewish pervert, Singer who believed bestially was normal. This is where you get the militant Vegan SJW's. Speciesism is based on the psycho pathologizing and dehumanize of all non Vegans as Speciesist. Don't like something just put a ism or ist on the end of it and start the name calling....

â€œIn a 2001 review of Midas Dekkers' Dearest Pet: On Bestiality, Singer argues that sexual activities between humans and animals that result in harm to the animal should remain illegal, but that "sex with animals does not always involve cruelty" and that "mutually satisfying activities" of a sexual nature may sometimes occur between humans and animals, and that writer Otto Soyka would condone such activities.[40] This position is countered by fellow philosopher Tom Regan, who writes that the same argument could be used to justify having sex with children. Regan writes that Singer's position is a consequence of his adapting a utilitarian, or consequentialist, approach to animal rights, rather than a strictly rights-based one, and argues that the rights-based position distances itself from non-consensual sex. [41]â€•

Veganism is part of the anti-White, Jewish Social Marxist movements. Which the Jews who created such themselves in their own writings, as Professor Kevin McDonald pointed out in his work "Culture of Critique" admitted, the same Jews stated their goal was the destruction of Western society and the White Race.

Vegan is another word for Communist... Its not about being Plant Based, its about destroying the White Race. The Jews admit in their documents they want to use malnutrition as a weapon against the Goyim and in the Jewish Noahide laws which are what the Goyim are to be forced to live under the yoke of... The Goyim are to be forced onto a Vegan diet.

â€œAccordingly, any non-Jew who adheres to these laws because they were given by Moses[4] is regarded as a righteous gentile, and is assured of a place in the world to come (Hebrew:  $\times\text{C}\times\cdot\times\text{œ}\times\cdot\times'\times\cdot$   $\text{â€Ž}\text{â€Ž}$  Olam Haba), the final reward of the righteous. Vegan toddler admitted to ICU for malnutrition, parents could face neglect charges

<https://www.rt.com/viral/349049-italy-vegan-child-hospitalized>

Two Italian parents could face criminal charges after their daughter was found to be suffering from malnutrition - and their vegan diet is being blamed.

When the unnamed couple brought in their two-year-old child, identified only as Chiara, to a pediatric hospital in Genoa for a check-up, she was immediately transferred to intensive

Doctors found the little one to be underweight and suffering from a number of complications, including low levels of hemoglobin, poor responsiveness and slow movements, as well as a B12 deficiency, according to The Local.

READ MORE: No meat, we're British! Vegan population up 360% in 10 yrs

While doctors are investigating if there are any hereditary diseases that may have contributed to the child's health problems, it's thought the root cause is linked to the lack of animal products in her diet.

Of course, both parents are vegan as well, so no "spicy meatballs" or Parmesan cheese at the family dinner table.

The child was also breastfed while mama was eating vegan.

"The lack of B12 causes irreversible neurological damage," pediatrician Alberto Ferrando told La Repubblica. "If action is taken fast to rebalance the conditions, the more chance you have of recovering the health of the child. Unfortunately, the damage is much greater in the youngest."

The young girl was removed from intensive care after seven days and is understood to be recovering in a convalescence ward.

While raising a child on a vegan diet isn't regarded as mistreatment in Italy, social services have been notified of the child's well-being and the parents could face charges of neglect with a

case likely to appear before the Juvenile Court.

Police in Florence launched an investigation last July into vegan parents whose 11-month-old child had to be treated for severe malnutrition.

Also last year, a judge in Bergamo in northern Italy ordered a vegetarian mother to incorporate meat into her son's diet after the boy's father complained his son's health was being put at risk.

Subject: "A Time for All of Us"

A time when all seemed right and fulfilled.

A time when it was finally the right moment.

A time when it should have been done!

This was not the final moment, but it came close!

A man stood up and proclaimed the right of the Aryan to rule in his natural right; a man who shined above all around him, and asserted what was the birth right of a people who were born to rule!

The Gods sigh in disbelief that such a man failed!

They ask, "how can this be"?

Father Satan has made the beginning and the end;

No man can know His wisdom - who knows His heart?

He has chosen us to be with Him at the time of the great "fall out" when all shall be known!

Change You Can Believe In

The little things are the all things.

In society at this point everyone knows smoking tobacco, eating fast food, drinking alcohol is bad. Yet millions do this anyway. And the price they pay is they murder themselves and millions of others. This acceptance of what is bad creates the environment for its continuation.

The immediate pleasure of the act of consuming such is what is real to them, the consequences down the road are not. They know its wrong to do such but they don't care. They know what is right, but they can't commit to what is right. So its meaningless to even know. This promotes a social reality in which people are murdered by the thousands yearly by such products. Yet just committing to stop promoting them by stop consuming them does not happen. The backlash against anyone who does believe such should be banned is heavy. Because the average person feels this to be a loss of personal pleasure and the selfish freedom to engage such, they are spiritually weak they would rather pay their poisoners for their own destruction in the little things . Your life and theirs for the petty pleasure of a booze buzz or a rush off tobacco. Most people need to feel the whip of the consequences before they will change.

Now think about this basic behavioural psychology of the masses of people for the small things and factor everything else in the social-political order of life going on.

There however was this one man, who realized that smoking was bad for him and his People as a young soldier and threw his cigarettes into a certain river called the Rhine. He one day changed society and the world for the better. Because he committed to what is right on the little things so he committed to righteousness on all things.

Who was that man again.....

Swastika Awesome. It starts one step at a time.

Subject: Library of Lucius

Greetings my Brothers and Sisters in the House of Satan,

I have recently finished building my website "Library of Lucius" in it's momentary entirety, however, as with all good websites, I will continue to add new content when I am able to. I have copied every page from Exposing Christianity individually onto my website along with many other pages from JOS written by High Priestess Maxine and our ministry.

Let it be known I am not taking credit for writing those pages and I clearly express I am not HP Maxine or a HP in general for that matter. We all have our

parts to do in this war and with JOS and other affiliated sites being taken down so frequently as the Kikes reach their appending end, I took it upon myself to copy many pages to my website.

I have included user friendly PDF downloads of:

Meditations PDFs;

"Volume I", "Volume II", and "Volume III"

Witchcraft PDFs;

"Satanic Witchcraft Table of Contents", "Satanic Witchcraft", "Azazel's Astrology for Satanists Volume I", "Azazel's Astrology for Satanists Volume II", "Satanic Rituals" and "The Devil's Keys".

Nation Socialist PDFs;

"Mein Kampf [1933]", "The Nazi Primer", and "Understanding National Socialism".

I strongly encourage everyone who reads this to at least visit my website as I have put literal months worth of time into making it as perfekt as I could.

[To the Ministry- I would be extremely honored if you would add "Library of Lucius" to the links section on JOS.]

UN to battle online anti-Semitism

UN forum on global anti-Semitism outlines plan for fighting online anti-Semitism and limiting its presence in social media.

<http://www.israelnationalnews.com/News/News.aspx/217482>

A high level forum on global anti-Semitism took place in the United Nations on Wednesday.

Convened by the ambassadors of Israel, the United States, Canada and the European Union, the forum brought together leading experts from academia, NGOs, and social media companies to discuss the growing phenomenon of online anti-Semitism.

Following greetings from UN General Assembly President Mogens Lykketoft, the ambassadors from the host missions addressed the gathering.

<https://www.youtube.com/watch?v=3hFYgGGLDOo>

Professor Deborah Lipstadt gave the keynote address and senior executives from Microsoft and other social media companies contributed to the various panels.

The forum resulted from close cooperation between the organizing missions and the UN, and followed up on last year's special General Assembly session on anti-Semitism. The participants discussed practical solutions for tracking anti-Semitic activities online and proposed solutions for battling this phenomenon by utilizing the latest technologies and industry best practices.

At the forum's conclusion a joint plan was issued by the four missions outlining their recommendations for fighting online anti-Semitism and limiting its presence in social media.

"Twenty-first century antisemitism demands twenty-first century experts to confront this hatred," said Israel's Ambassador to the UN Danny Danon.

"We plan on implementing the recommendations presented here today and utilizing them in the fight against Palestinian incitement which includes many antisemitic elements," Ambassador Danon continued.

In her remarks welcoming the participants, U.S. Ambassador Samantha Power noted that, "When governments and leaders stand up and speak out in the face of anti-Semitism, even the hatemongers take notice. Imagine how much violence against Jews and other minorities might have been avoided if similar measures were taken in the past. Imagine all the hatred and suffering that we can prevent if we come together with such an effort like today."

Professor Lipstadt, the forum's keynote speakers and the subject of an upcoming film based on her battle with Holocaust denier David Irving, spoke of the connection between Holocaust denial and modern antisemitism.

"While anti-Semitism is one of the oldest forms of racism known to the world, it is constantly reinventing itself and finding new ways to spread hatred and violence against the Jewish people," added Ambassador Danon. "We must be vigilant and ensure the international community stays focused on this important issue."

Sandy Hook, Hoax

Take a look at how many of these propaganda actors in this hoax are jewish...all of them. The fact is the jews staged this Sandy Hook, holocost. To manufacture an event and already have the needed propaganda actors on hand to act as lobby power for gun control which is population control. This town might as well be called jewtown not Newtown as its basically a jewish population. And the jews who control the media to the jews in the top level of government worked together with local jews to push this.

Further notice how the jews used predictive programming in their Hollywood for Sandy Hook. Showing they planned this staged event:

Note the character Adam Lanza the fake shooter was cast to be a major Batman fan. This ties the subliminal from the Batman movie into the mass mind. The jews have gone far and wide to shut down all investigation into Sandy Hook.

Our rituals are working as this hoax is now being exposed in a trillion dollar lawsuit.

Dr. James Fetzer, whose 35 articles on Sandy Hook for Veteran's Today qualify him for the highest investigative journalism awards, and School Safety Consultant, Wolfgang Halbig, whose investigative expertise as a former Florida State Police officer, and loving attention as a former principal, makes this case's particulars comprehensible to all, will be called as expert witnesses.

This fraud involved lying to the public, faking news, publishing one-sided news reports, censoring reality, suppressing facts, and deliberately skewing the news to shift public perceptions.

The true costs of this breach of integrity and trust to society are unfathomable. Instead of fulfilling their Constitutional Role as the People's Surrogates and being honest brokers of information, the Plaintiff will show how the men and women who dominate the TV news industry in the United States broke laws, besmirched the First Amendment, their Constitutional role as government watchdogs, and forfeited the right to report the news, and thereby profit from news production and distribution.

The sine qua non of journalism is the search for truth. Our Fourth Estate chose a different path. Punitive damages of one year's annual revenue from each Defendant are being sought to establish a News Trust, that will free journalism and restore trust and integrity to our communications sources. A democracy cannot survive this tyranny over human consciousness.

The whole idea of "racism" as some morally evil thing I need to avoid or I am a bad person is quite possibly the stupidest thing I have ever heard in my entire life. The world is racist! Kinship defines human relations almost everywhere. The only thing "anti racism" does is make individuals and nations gullible enough to fall for it easy victims to savage sub-human invaders like Negroid mudslimes and the parasitic Jews.

Libertarianism, Molyneux And Old School Jewing

National Socialism is your answer. The Libbootardism of jews like Molyneux is simply a Hebrew scam on the Goyim. All the liebertarians were jews who worked for the Chicago and Austrian economic schools which are think tanks for the global jewish banking dynasties. Friedman also worked for the San Francisco branch of the jewish Federal reserve. Rothbard was an apologist for Marx. Rand who is Moelyneux's much mentioned heroine was a jew who's proper surname was Rosenbaum. She also was working for the jewish bankers via the Trust.

Rand's perfect world in her opus, Atlas Shrugged is the world ending with a one world government of international banks and multinational corporations in a new world of deracinated, cultureless, cosmopolitan consumers [Goyim] who live to toil in the factories, farms, and economy owned by the jews. Its actually Communism. Of course Rand did an about face on her nonsense when it came to defending.....Israel.

Rand's promotion of the destruction of race, nation, culture is based on the jewish lie of pure individualism were the Communist lie for the same is based on

pure collectivism. It ends the same way as its intended. The dissolution of all Goyim societies with the jews taking up total control by total ownership. Communism is state capitalism in a global state. Which is what the reality of Rand's ideal is as well.

Anarchism, liberalism, Communism all came out of the jewish movement of their French revolution. The uniform of the French revolution and the slogans were that of the Rabbi Weishaupt's Illuminati, Hebrew Weishaupt who worked for the same banking jews the fellow Rabbinical Rothschild's, who in their own writings call themselves the "King of the Jews". Are the same jews who paid the creators of Libbootardism and are attempts to achieve the above. Promote dissolution of the Goyim host and a system that allows for the jews to walk in and take over.

Molyneux is an admitted jew, his mother was jewish. He will do some tell some facts in some places but then rush to defend his own tribe and shift the blame onto straw men while bragging about how supreme jews are. Thus keeping people from the truth about the jewish problem and White Genocide. He likes to blame the victims of jewish propaganda the Whites themselves, because he is a jew. He is also obsessed with his jewy defooing concept that ruins families and then check out how he lied without missing a beat to Joe Rogan on his show. Typical jew, look a guy right in the face and lie with ease. He also pushes the jewish ideology of xianity intensely and Libjewtarianism. He is gate keeping and promoting the jew agenda. If you refuse to name the jew, then the jews win.

Molyneux is what is called "A limited hangout". Otherwise called a jew being a jew.

I used to listen to this person named Stefan Molyneux but I have recently found out that he was just another filthy jew. What do Satanists think/know regarding this?

What I am curious about is what is a healthy system for humanity and what does it look like. Is it the tribal system? Should the world be so globalized? Even if its good for the economy should cultures be globalised? Should there always be wars and conflict to keep countries divided and independent of each other so that they would all grow and advance on their own without the dependence on other countries etc. Is conflict mostly destructive or is it necessary to strengthen humanity?

Thanks. I've been hoping for a word on Molyneux from the clergy for a while now. Professional wrestler "Kane" aka Glenn Jacobs is another such Jew pushing Libertarianism. Kind of disheartening for me as well since I always enjoyed his character. One thing I have noticed about Jews, any famous Jew, they will never ever just remain neutral on anything, they will nearly always use their popularity to push some Jewish political agenda, usually it's the leftist, SJW stuff but sometimes it's Libertarianism.

I dislike individualism too, but I have heard several academics on the subject of White identity such as Prof Kevin McDonald say that Whites as a culture have always been somewhat more individualistic compared to most other cultures such as the middle east or far east. Is this true?

Another thing that I HATE about the Stefan Molyneux types is how much they blame White women for the problems faced by the west, problems the Jews created! Stefan Molyneux also ties into the insecurities the media tries to push on White men, the idea that they're weak and emasculated and that we prefer Black men and all that typical boring bullshit we've heard all before. He does it in a subtle way, blaming it on feminism, of course without mentioning it was Jews who invented feminism. I don't even let Black men or anyone who isn't White touch me! Since when did this kike become a mouthpiece for me and other White women? Fuck this guy.

I have noticed Whites are actually a well balanced race. White men and White women are both balanced in masculine and feminine characteristics, this is one of our many great qualities as a race. Compared to others such as Blacks who are hyper masculine even the women and east Asians who are hyper feminine even the men. :P Whites are perfectly balanced. Especially when we are united and spiritually evolved we can do some amazing things.

It is NOT a bad thing or unattractive that a lot of White men have feminine sides to them and the people like Molyneux who try to make out that it is, are tying into this typical RHP religious dogma that feminine = weakness. Which is the opposite of the truth. IMBALANCE = weakness! The Jew always works to create imbalance.

This trick Stefan Molyneux is using is actually the exact same game the left plays with White women and the Libertarian cuckservative right is doing the opposite to White men. Pushing us against each other. As HP Maxine has wrote many times the Jew always controls two sides and plays them against each other. Gentile vs Gentile.

Time for all of us to turn off the Jew tube. Date our own race, listen to leaders and teachers of our own race (like the clergy), worship the Gods of our race and embrace each other in a bond of unity just like the Al-Jilwah instructs. And also like the Al-Jilwah instructs not even associating friendly with outsiders and definitely not accepting any of their teachings!

Subject: Bear Cult and Yule; Neanderthals

What are your people's opinions on this? I was reading Marie Cachet's *Atala.fr* website and I'm finding the reading very interesting. I'm still trying to figure out all of this and what the hybridization of the Neanderthal [theory] connects to the origins of our White race by Satan.

It's seems this "Ape worship" of modern science is just another form of Negrophilia and our White ancestors related themselves better to (Fore)Bears, and the below depicts how this symbolism was stolen by the xtian church.

-----

"Why the Bear?" <https://atala.fr/2013/10/25/b-the-cult-of-the-bear-the-key-to-paganism-en>

"The womb of the Shebear, the matrix of the universe"

<https://atala.fr/2013/10/27/2-the-womb-of-the-shebear-the-matrix-of-the-universe-en>

I must first, for introduction, tell you a story, a seemingly well-kept secret ...

Once, there was a long long time ago, before the appearance of all all known myths ; all children, boys or girls, did not have any names, they were nobody, just an evolving being, an immature being, just like the newborn the cubs of the bear.

When they get brave enough, an autumn, in late October for modern times (Halloween), usually between 6 and 10 years, they had to find and follow a bear until her den. This episode was terrifying, they went there alone. They brought her honey, or honey cakes (that is to say honeycombs). They went there either masked or disguised as bird, so that the bear does not see them as a threat.

ForeBears, honeycombs

ForeBears

ForeBears

They had only one oil lamp or torch to light, and were entering an unknown cave. They descended into the womb of the world, carved by groundwater, the amniotic fluid of the world, to be revived as a real being, a full person, to find a name.

ForeBears

These caves were decorated with animal drawings, which, with the fire that children held in their hands, were dancing, moving, galloping. All these animals accompanied them in the underworld.

Lascaux

There were also traces and footprints, and water, as they entered the water, to be reborn.

Symbol of water, river, Lascaux,  
France

Horse in water, Lascaux, France

Splashed horses, Pech Merle, France  
(We will see later why this is particularly the horse that is associated with water)

The first who has drawn on the walls of caves, was the bear himself, who used to do claw marks, visible on the limestone. These marks indicated to the child that the bear had been there, and that he/she followed the right path. Over time, these prints or marks were engraved and painted on the walls by humans. The child descended into the underworld, to find his/her dead body, and especially his/her heart. He/she chose who he wanted to be, his/her hero, who he/she was. It was the one whose exploits recounted by his/her family was the most impressive, it was the most honorable of all, that one he/she would revive, as he/she was himself/herself the admired person (children today, genetically programmed, always have a period where they are "fans to" .... this desire for resemblance is unique).

...

When he/she was out of the cave, he/she had to go dig up this person. He/she took his femur (thigh bone, where is the femoral artery) because this is the femur, which symbolically carry the person ; he/she took his/her heart, materialized by a drop of water or heart-shaped stone, resting on his chest ; and so he/she took the head.

He/she became so a dwarf, that is to say, a child with the head of an old man, who lives in caves and dig precious metals (we shall see later that the children would seek increasingly sophisticated treasures of in the graves).

Throughout the whole following intermediate period, he/she will be fed like a fetus with fruits hanging on the winter tree: the placenta, which gives blood, small red bubbles full of nutrients in the cold winter.

Placenta, fetal face

Placenta, fetal face

Placenta, fetal face

Placenta, maternal face

Pomegranate

The child confided these objects to the shebear, and he (or she) recovered them when the cubs were born at Yule (Christmas). So he hit his stone heart with a pyrite, a firestone, as the shebear do by licking her cubs when they get born, and he lit the fire to symbolically revive his heart itself. At that time, he took the name of his ancestor, he was himself again, he was a person.

ForeBears

## ForeBears

By blowing on the fire, he gave back his breath, life, the air, to the dead. He blew into the mouth, and also in the femur of his ancestor, or symbolically in the femur of a bear, or in... a flute. Thus, he made again the blood flow in the veins of the leg. Himself again, he received beverages: milk, such as bear cubs, and later mead : the shebear's milk : the shebear made it with the same honey that he had brought to her in October (Halloween). The honing had macerated in the shebear when she hibernated (the fermentation of the mead lasts about two months, as the effective pregnancy of the bear). He ate and drank, because finally he could, and because he had to gain strength, to become itself, to go.

That is why today the small children have teddy bears, so long they fear (so long they are not ready to that ritual that is to say up to an average of six or seven years, the age of reason) these teddy Bears are their littermates until maturity.

That is why we today find painted caves. This is why the only human footprints found in these caves are footprints of children (Pech-Merle : about eight years old child, Chauvet : about eight years old child), so the hands are often "women" or "adolescents" hands: the hands, which often must be small, are painted, often in negative, because they represent the child in the womb, touching the walls of the womb, before it is delivered at Yule/Christmas, the same for the bear scratches and bear tracks, made either by the bears themselves, or symbolically by human.

[This is why the Neanderthals used bird feathers as ornaments](#) (fact that can be found among native American, direct descendants

of the Neanderthal -Asian-hybrid-, but also in Egyptian mythology as we will see later). The bird has a wider role and symbolic that we will discuss later, it will be our transition. This is why the Pharaoh was called "the favorite of bees" and this is why his headdress is scratched, as both the dress of the bee, and as the headdress of the golden pheasant.

Golden pheasant

This is why children (!) disguise themselves for Halloween as dead, and why they collect candy, which the shebear is terribly fond of. They will bring them to her. That's why you still prepare honey cakes at Yule/Christmas, and why you leave some for Santa Claus, who is actually a woman, a pregnant mother, both terrifying and caring: huge, invisible and very greedy. Very greedy in sweets, certainly, but she also has a great need to be fed, because, as mentioned in the previous article, without adequate food, it will be no birth, and then no reincarnation.

This is also why you decorate in midwinter a tree with red fruits (or orange: the famous clementines). These are apples (originally pomegranates : a fruit full of « blood clots ») of the Garden of Eden, these are the golden apples of the Esperides or the red apple in Snow White, as we will see later.

These fruits are both nourishing and poisoned. Nourishing as it is in the womb of the bear, the only beneficial food you will have, but also poisoned because these fruits will make you sleep (or die!) until your birth / awakening at Yule/Christmas. By decorating the Yule/Christmas tree, you create the placenta, as the bear in her den and into her womb, during pregnancy.

This is why, of course, children today receive gifts at Yule/Christmas. They receive the buried gifts from the dead they awakened, these who were placed in his grave and discovered. For smaller children, below the age of six, who were unaware of the ritual, it had a magical effect, these treasures were like coming out of nowhere, while the eldest knew how these gifts had been "packaged" (watched over, and hidden in the earth) from Halloween to Christmas by the bear itself.

*This is why Christians baptize children (they soak them again in water, id est the amniotic fluid, the water in the cave, before reviving) before giving them the name of a famous person (a saint, in this case). That is why, more generally, our parents always gave us the name of an ancestor they admired. This is also why Perceval has no name, but we will come to that subject later...*

This is why we often find a water drop-shaped stone (biface or spearhead) or even heart-shaped, on the chest of prehistoric skeletons (Neanderthal first), buried in a fetal position of course. Missing stones have probably been taken. That's why it sometimes/often misses the head of buried Neanderthals individuals, and... their femurs .... (Kebara, Le Regourdou).

This is why the oldest flute discovered today (the Neanderthal flute from Divje Babe, Slovenia) is made in a cave bear cub femur. Later, children will seek substitute objects in tombs, such as gold artifacts, masks, useful objects, etc.. It is for this reason that

gold became a sign of wealth, it is for this reason there are still gold medals. Indeed, gold represented the honor of the man who was buried, as it represents the honor of the one who wins a medal.

A child would not dig up a "rich" man for his gold, but for his honor, represented by gold. All this, gradually has changed a lot, and the meaning of things has been lost ; the symptoms have replaced the causes.

We will discuss in the following sections the evidence, and the details of obvious (archaeological, historical and mythological) signs that support this story, and you will also know much more, of course.

It seems there is a wealth of knowledge that was deliberately destroyed by the Jews and their programs. The Jews consider themselves superior and having a divine right to exploit and abuse all gentiles and indeed all other life. But their hatred and fear of the White race borders on irrational. Or so it would seem to those without. The Jews will do anything to cover up our ancient history and origins and it's because they know Enki and the Gods are with us and they know what our ultimate potential really is. And we are going to cost them EVERYTHING! We're going to destroy their Torah and their state of Israel and all of their wealth and power. We're going to leave them a hated despised impoverished group in this world before they are ultimately destroyed entirely. And they will go down in history as the most hated people ever to exist! In fact they're almost there already.

Some time ago I came accross a blog dealing with Slavic stuff (in Polish). Comparing the info on Atal and there, the bear cult, and the preception of the animal was quite the same. Human-like, but stronger.

In Poland, on the Sleza mountain (Lower Silesia Province / Voivodeship) - the mountain itself was a Pagan Solar cult centre - there is a bear statue. Pagans were erecting statues of things they revered, or not?

Subject: Flat Earth

Flat Earth

As Mullins wrote the CIA was created by the jewish Rothschild's who in their own writing call themselves "The Kings of the jews" and with the jewish Rockefeller family over seeing such from out of the OSS and British intelligence after the 2nd war. The Rockefeller's ordered and oversaw the MK Ultra program which is based on running psychological operations against the public. This is why old man Bush got to be the Director of the CIA. His family as Mullins showed got their start working for the Rothschild family on Wall street running fronts to ship Rothschild cash to fund their communist agents in Russia.

Part of this MLK Ultra was the infiltration of the movement of investigative journalism that exposed the criminality of the establishment and their narratives. This is the birth of the term "Conspiracy Theorists" they created it as part of the psychological operations.

The book: Conspiracy Theory in America (Discovering America) by political scientist Lance deHaven-Smith goes into this from the book description:

"Lance deHaven-Smith reveals that the term "conspiracy theory" entered the American lexicon of political speech to deflect criticism of the Warren Commission and traces it back to a CIA propaganda campaign to discredit doubters of the commission's report."

Its known those magazines back in the day with the President shaking hands with the aliens [ a lot has gone into attacking disclosure as well, the jewish run Vatican and Soviet Union both worked to remove all ancient and current truth of Extra terrestrials from society] and such were funded by the CIA as memetic warfare on the populace.

Now they are at it again with the Flat Earth, the original and main pusher of Flat Earth, Eric Dubay has direct connections to Washington and the highest levels of the Military Junta ruling Thailand that was put into power by the CIA. He has also been caught lying numerous times on such connections and exposed. Its no mistake any video's exposing him get disappeared from the internet quickly as we know who runs (((Google))) which owns Utube. Exposing this Dubay character here:

La verdad Absoluta:

<https://www.youtube.com/channel/UCCKQeX... YhPbi3qixw>

There are three important things here. This is the pushing of what is christian creationism, the Flat Earth Society was founded as a christian creationist society in the early part of the Twenty Century. And why this is being pushed now as psychological operations.

Mainstream psychological papers back into the nineties noted flat earth was a point of insult among the Truthers. This a way to cause conflict and polarize debate quickly and suck people up into a distraction with total emotional energy. Which it has done. Divide, distract, conqueror.

This happened just as the Truther movement was starting to understand the jewish question is the source of everything and the jew naming was starting to take off. This is proven by the fact Dubay attempts to target people with exposing the jewish issue. But then attempts to suck them in with dangerous

misinformation on the subject setting them up for standard tactics of jewish infiltration. Its a poisoned apple he is offering. This is a standard technique of the "Limited Hangout". Alex Jones is the more popular example.

Dubay is as mentioned and this is important has been tasked with promoting the enemies christian program via the Truther movements he also has another video promoting the arguments of christian creationism past the flat earth creationism he promotes. This works to keep people under the spell of the jews program of christianity.

Note the jewish operated CIA with their Rockefeller bosses and their MK Ultra was doing the same running psychological operations on the public with their christian program before, here is an example:

Subliminal message hidden in an old 1960's station sign-off:

<https://www.youtube.com/watch?v=wofs8ZpcXIM>

Note in the above youtube video, the Jews are using the terms with god repeatedly:

"God is real, God is watching" = 22 letters

"Believe in government God" =22 letters

"Obey Consume Obey Consume" = 22 letters

Romans 13: 1-2

1 Everyone must submit himself to the governing authorities, for there is no authority except that which God has established. The authorities that exist have been established by God.

2 Consequently, he who rebels against the authority is rebelling against what God has instituted, and those who do so will bring judgment on themselves.

The government is god in the jewish bible and the jews run the government. This is also the basis of jewish communism the jewish communist state is god.

22 is the number of the Hebrew Alphabet which is the Hebrew god in Kabala as word. The 22 letters of the Hebrew alphabet are the 22 names of god. The jews chant these 22 letters during their holy days to recite the 22 names of their god.

With the consume there is subliminal here. What word is on the American money supply?

See how their tying their order to consume and obey god the jewish run government into their control of the money. Its also telling you money is god and the jews control the money.

How did that word god get on the money?

The Founders wanted the Great Seal put upon the dollar for a good reason, but they never put anything about the Jewish "God" on there. Reference to the Jewish "God" was put on American currency by Jewish President Dwight David Eisenhower.

"July 30th, 1956, two years after pushing to have the phrase "under God" inserted into the pledge of allegiance, President Dwight D. Eisenhower signs a law officially declaring "In God We Trust" to be the nation's official motto. The law, P.L. 84-140, also mandated that the phrase be printed on all American paper currency." 1 Eisenhower was a Jew by his own confession; the name Eisenhower is taken from Eisenhauer a Jewish surname.

"In Eisenhower's West Point Military Academy graduating class yearbook, published in 1915, Eisenhower is identified as a "terrible Swedish Jew."

Alex Jones, we all know he is a fucking jew. He works for the jews, and we all know they play both sides and then they pull out the "remedy" after creating the crisis.

Hillary is a fucking reptilian, she has been seen with the bilderberg's, among other videos already exposing her as the reptilian enemy she is.

Our RTRs are making a huge impact on the enemy, people all over the world are knowing the TRUTH.

Let's see who will be replacing her when she is definitely out of the elections.

Subject: 3rd Reich Swastika

I was talking to someone online the other day, we were discussing the third reich. They were very open to many points, we even discussed the original nature of the swastika. However, they mentioned Hitler turning it on its point, and called that a perversion (we hadn't gotten to the holoHOAX point yet). Of course, I disagreed that it was a perversion, however, I realized I don't actually know WHY it was turned on its point for the Third Reich. Any insight?

Adolf Hitler chose to have the Swastika of the Third Reich turned on its axis to let those with eyes see that, unlike the New Agers, Christian mystics, and others of the right-hand path, the Providence/God of Adolf Hitler and the Third Reich wasn't the right-hand path "Gnostic Christos-Lucifer" or the "Pagan Christos," but was of the official and literal Satan, himself. Anytime the top leading Nazis had to play politics with Christianity and related filth, the Left-hand path Swastika was a constant reminder of the Satanic struggle for White Aryan victory against the Jewish forces, including Christianity and Islam.

In addition, Germany, regardless of whether some of these people were on the right-hand path or Left-hand path, were waiting for the German Messiah. The Christians and the New Agers were waiting for the "second coming" of Christ, while the Left-hand path was waiting for the Anti-Christ. The fact that Hitler chose the Left-handed path Swastika for the resurrection of a fallen Germany due to Christianity and war, made the Christians and New Agers panic immediately because the Swastika that is tilted on its axis is the symbol of He Who was Chosen by Satan.

There is a book written by Michael Fitzgerald that was originally published in a hardbound edition titled Storm Troopers of Satan, which was later republished in paperback form as Hitler's Occult War. This book discusses how there were anti-Nazi pre-Wiccan, but very much Wicca-like covens that were using "magick" to sabotage Hitler's "dark side" Satanic occultism.

And people wonder why so many occult societies were banned in NS Germany...

Israeli Organ Harvesting: From Moldova To Palestine

<http://www.wrmea.org/2009-november/israeli-organ-harvesting-from-moldova-to-palestine.html>

In this photograph taken March 22, 2007, Vasile Dimineti holds a picture of his 24-year-old son, who died a year after selling his kidney. The family lives in the impoverished Moldovan village of Mingir, where about 40 of its 7,000 residents are thought to have sold a kidney. AFP photo/Daniel Mihailescu/Files

In August Sweden's largest newspaper published an article suggesting that Israel had been taking Palestinian internal organs. The article, by veteran photojournalist Donald Bostrom, called for an international investigation.

Israel and its partisans immediately cried "anti-Semitism," and Commentary's Jonathan Tobin asserted that the story was "the tip of the iceberg in terms of European funded and promoted anti-Israel hate."

The fact is, however, that Israeli organ harvesting—sometimes with Israeli governmental funding and the participation of high Israeli officials, prominent Israeli physicians, and Israeli government ministries—has been documented for many years. Among the victims have been Palestinians.

Nancy Scheper-Hughes is Chancellor's Professor of Medical Anthropology at the University of California Berkeley, the founder of Organ Watch, and the author of scholarly books on organ trafficking. She is the pundit mainstream media call upon when they need expert commentary.

While Scheper-Hughes emphasizes that traffickers come from numerous nations and ethnicities, including Americans and Arabs, "Israel," she states, "is at the top. It has tentacles reaching out worldwide."

In a lecture last year she explained that Israeli organ traffickers "have a pyramid system at work that's awesome...they have brokers everywhere, bank accounts everywhere; they've got recruiters, they've got translators, they've got travel agents who set up the visas."

But this is no ordinary business. Organ traffickers prey on the world's poorest, most desperate citizens, promising them what seem like astronomical sums of money (\$1,000 to \$10,000) in return for vital internal organs. As Scheper-Hughes points out, organ trafficking consists of "paying the poor and the hungry to slowly dismantle their bodies."

Organ sales have been illegal in most countries for years, and the Convention against Transnational Organized Crime includes in its definition of human exploitation the extraction of organs for profit. Until very recently, however, the Israeli government not only permitted organ trafficking, it funded it.

Israelis are the leaders in “transplant tourism”—traveling to other nations to buy internal organs. While affluent individuals from numerous countries engage in this practice, Israel is unique in several ways.

First, Israelis partake at an extraordinarily high rate. According to a 2001 BBC report, Israelis buy more kidneys per capita than any other population.

Second, Israelis have the lowest donor rate in the world—one-third to one-fifth that of Europe—due in part to beliefs that Jewish religious law prohibits organ removal as “desecration of the body.”

Third, the Israeli government has enabled it. In testimony before a congressional subcommittee in 2001, Scheper-Hughes described what she termed Israel's “national ‘program’ of transplant tourism.” For many years the Israeli health system subsidized its citizens’ “transplant holidays,” reimbursing Israelis \$80,000 for medical operations abroad, with the remaining costs largely covered by government-subsidized insurance plans. In addition, Israel's Ministry of Defense has been directly involved, as members of the ministry or those closely related to them accompany transplant junkets.

Israeli traffickers have utilized people from diverse locations—the West Bank and Gaza, the Philippines, Eastern Europe. A BBC report described the situation in Europe's poorest country—homeland of Foreign Minister Avigdor Lieberman—where 90 percent of the people earn less than \$2 a day: “Hundreds of Israelis have created a production line that starts in the villages of Moldova, where men today are walking around with one kidney.”

In China not long ago an Israeli paid a broker \$100,000 for a kidney transplant from an 18-year-old girl. She herself received \$5,000, and died following surgery. In Brazil a legislative commission found that Israeli traffickers no longer were content with just kidneys; they had begun inquiring into additional body parts—lungs, livers and corneas.

In her testimony, Scheper-Hughes pointed out that “The sale of human organs and tissues requires that certain disadvantaged individuals, populations, and even nations have been reduced to the role of ‘suppliers.’ It is a scenario in which only certain bodies are broken, dismembered, fragmented, transported, processed, and sold in the interests of a more socially advantaged population...of receivers.”

In a 2008 lecture Scheper-Hughes discussed the motivations of Israeli traffickers. One was greed, she explained. The other was “revenge, restitution, reparation for the Holocaust.” She said some Israeli brokers and doctors had told her: “It's kind of ‘an eye for an eye and a tooth for a tooth.’ We're going to get every single kidney and liver and heart that we can. The world owes it to us.”

## Organ Theft

At times traffickers coerce reluctant sellers. Levy Izhak Rosenbaum, the alleged trafficker recently arrested in an FBI sweep in New Jersey, reportedly carried a gun; when a potential organ seller wanted to back out, Rosenbaum would use his finger to simulate firing at the person's head. Rosenbaum, believed to be part of a ring centered in Israel, is the first case of trafficking to be prosecuted in the U.S.

More often organ theft involves dead bodies—or those alleged to be dead.

Israel's very first successful heart transplant, in fact, used a stolen heart.

In 1968 Avraham Sadegat unexpectedly died two days after being hospitalized for a stroke. When his family was able to retrieve his body (the hospital initially

refused to release it) they found his chest covered with bandages—odd, they thought, for a stroke victim. Upon removing the bandages they discovered that the heart was missing.

During this time, the press was announcing Israel's first heart transplant. The family began to raise questions, but the hospital denied any connection. After the family raised a media furor, petitioned three cabinet ministers, and signed a document that they would not sue, the hospital finally admitted it had used Sadegat's heart.

An Israeli newspaper quoted Sadegat's tearful wife: "From the moment he entered the hospital, they apparently saw him only as a potential source of organs and not as a man in need of treatment. They only thought about how to do the deed without us knowing." Sadegat's medical condition pre-organ removal is unclear. According to an Israeli media report, "Once a heart stops beating, it is no longer fit for transplantation."

Sadegat's family was Israeli. Had they been Palestinian, it is doubtful they would have been able to force a hospital confession—and suggestions that the first Israeli heart transplant utilized a stolen organ would, quite likely, be termed blood libels.

Yehuda Hiss, Keeper of the Morgue

Perhaps one of the most long-term and high-level cases of organ theft concerns Dr. Yehuda Hiss, Israel's chief pathologist and, from 1988 to 2004, director of Israel's state morgue, the Abu Kabir Institute of Forensic Medicine.

One of the first indications of malfeasance occurred in 1998 and concerned a Scottish tourist named Alisdair Sinclair, who died under questionable circumstances after being taken into Israeli custody.

His family brought his body home and found that it had been autopsied. They commissioned a second autopsy at Glasgow University and discovered that Alisdair's heart and a tiny throat bone, the hyoid, were missing. The British Embassy filed a complaint with Israel.

A heart was then sent to Scotland, but when the family requested a DNA test to confirm its identity, Hiss refused, citing prohibitive cost. DNA tests were eventually conducted but proved inconclusive. According to several reports, a researcher had put in a request for a hyoid bone around the time of Sinclair's death and eventually received a bill for shipping costs.

Over the following years Hiss was often the center of accusations. An Israeli newspaper published an investigative report charging that diverse body parts—"legs, thighs, ovaries, breasts and testicles"—had been removed without permission and sold to medical institutions. The bodies were stuffed with broomsticks and cotton wool.

Although government investigations confirmed the main facts, little was done, and complaints continued—often from parents of dead Israeli soldiers. Finally, in 2004, Israel's health minister removed Hiss as director of the morgue, while retaining him as Israel's chief pathologist.

Hiss had been involved in previous controversies concerning the Israeli government. In one he was suspected of falsifying a DNA test in an investigation into the "Yemenite Children Affair," in which a thousand children of immigrants disappeared. (Many believe that some, at least, were adopted out, for pay.) Hiss has also been accused of falsifying evidence to the commission investigating the assassination of Prime Minister Yitzhak Rabin.

## Palestinian Victims

For decades Palestinians have charged Israel with taking organs from Palestinians its soldiers wounded or killed.

In her subcommittee testimony Scheper-Hughes stated, "Human rights groups in the West Bank complained to me of tissue and organs stealing of slain Palestinians by Israeli pathologists at the national Israeli legal medical institute in Tel Aviv."

A 1990 article in the Washington Report on Middle East Affairs, for Middle East Affairs reported "widespread anxiety over organ thefts which has gripped Gaza and the West Bank since the intifada began in December of 1987," and quoted a forensic physician: "There are indications that...organs, especially eyes and kidneys, were removed from the bodies during the first year or year and a half."

Such statements were largely ignored, often portrayed as anti-Semitic exaggeration. According to The Forward magazine, however, the Israeli government corroborated them in 2001. The Forward reports that an investigation into Hiss revealed that he "seemed to view every body that ended up in his morgue, whether Israeli or Palestinian, as fair game for organ harvesting."

Over the years a great many Palestinian bodies have "ended up" in the Israeli morgue.

Israeli forces have frequently taken custody of Palestinians they have wounded or killed. Sometimes the bodies were kept in Israel, buried in unidentified graves in what are known as "cemeteries of numbers." In other cases they were returned late at night days later with crudely stitched naval-to-chin incisions, and Israel requiring the bereaved families to bury their children, husbands, and brothers immediately—sometimes with the electricity shut off—and Israeli soldiers overseeing the funeral.

In 2005 an Israeli soldier described a military doctor who gave "medics lessons" using the body of a Palestinian killed by Israeli forces. Haaretz reports: "The soldier said that the Palestinian's body had been riddled with bullets and that some of his internal organs had spilled out. The doctor pronounced the man dead and then "took out a knife and began to cut off parts of the body. He explained the various parts to us—the membrane that covers the lungs, the layers of the skin, the liver. "I didn't say anything because I was still new in the army. Two of the medics moved away, and one of them threw up. It was all done very brutally. It was simply contempt for the body."

Palestinians, of course, are an unusually vulnerable population. Human rights reports have documented a situation in which Palestinians have few real rights: Israeli forces have killed civilians with impunity, imprisoned massive numbers without charges or trials, abused prisoners, and strip-searched children. And just as Palestinians have little ability to protect their bodies when they're living, they're equally unable to prevent their desecration when they're dead. By Israel's own admission, Israeli authorities cut open Palestinian corpses without permission of the families, without public transparency, and without, it appears, normal autopsy reports.

At the same time, some Israelis hold extremist views regarding organ extraction. In 1996 Jewish Week reported that Rabbi Yitzhak Ginsburgh, a leader of the Lubavitch sect of Judaism and the dean of a religious Jewish school in a West Bank settlement, had stated: "If a Jew needs a liver, can you take the liver of an innocent non-Jew passing by to save him? The Torah would probably permit that."

Ginsburgh elaborated: "Jewish life has infinite value. There is something infinitely more holy and unique about Jewish life than non-Jewish life."

While the Israeli government briefly arrested Ginsburgh, and most Israelis decry such beliefs, an Israeli scholar on Jewish scriptural views and ethnic chauvinism said: "The sad thing is, these statements are in our books." He pointed out that while such Talmudic texts were "purely theoretical" at the time they were written, now they're being cited "in circumstances where Jews have a state and are empowered."

Dr. A. Clare Brandabur, an American professor, writes that information in the Swedish article resonated with reports she heard during the first intifada.

She described interviewing the head of the Red Crescent in Gaza, mentioning "reports of shootings of Palestinian children at times when there were no "clashes' going on—a solitary 6-year-old entering his schoolyard in the morning with his book-bag on his back. The soldiers abducted the wounded child at gunpoint, then his body would be returned a few days later having undergone an "autopsy at Abu Kabir Hospital."

She asked the director "if he had considered the possibility that these killings were being done for organ transplant, since...it is not allowed to take Jewish organs to save a Jewish life, but it is allowed to take the organs of non-Jews to save Jewish lives."

He had "suspected such things," he replied, "but since they had no access to the records of Abu Kabir Hospital, there was no way to verify these suspicions."

The Swedish newspaper's call for an investigation into Israel's treatment of Palestinian bodies is now being echoed by others. Such an investigation could dispel inaccurate suspicions, absolve the innocent, and discover the guilty.

Israel and its powerful advocates abroad are doing their best to prevent that from happening.

Alison Weir is executive director of If Americans Knew. An Internet petition calling for an investigation can be viewed by clicking this link. An expanded and footnoted version of this article can be viewed on the Washington Report on Middle East Affairs' Web site.

Dracula's Origin's in the Satanic Order of the Dragon.

There were many royal groups in Europe at this time that were interconnected with the Templar Order which was made up the European royals and general aristocracy. The Templar's were Satanists. They maintained the ancient Aryan religion in which the head God from Sumeria to India to Europe is called "Satan" [meaning The God Eternal]. The Templar's had also been formed by the Pagan Nobility of Europe in the Levant after they came together to push the Mohammedians out of the Levant to created a needed military buffer zone to halt the waves of attacks coming from Islam. Which it did for several centuries.

The Templar's were Satanists:  
[topic8240.html](http://topic8240.html)

"In 1431, at the fortress of Sighisoara in Romanian, Vlad III was born into the Wallachian princely House of Barsarab the Great (1310-52). Vlad's father, Prince Vlad II of Wallachia, was the appointed military governor of Transylvania and on 8 February ( in the year of his son's birth) he was inducted into the Society of the Dragon by Zsigmond von Luxembourg, King of Hungary. This installation was directly responsible for the Vlad III (who inherited the Dragon office at his father's pledge) becoming 'Dracula' (son of the Dragon). The original fraternity that was resurrected to become the Hungarian Society of the Dragon can first be identified as the Dragon Court of ancient Egypt under the patronage of the priest-prince Ankhfn-Khonsu in about 2170 BC....The Court provided a foundation for priestly pursuits associated with the teaching of Thoth..."

"Having inherited the ancient legacy in 1397 [ my note King Zsigmond of Hungary] drew up a pact with twenty-three royals and nobles who swore to observe 'true and pure fraternity' within the Societas Draconis (Society of the Dragon)."

"Along with Zsigmond, other officers of the Court were his wife Barbra Cilli (daughter of Duke Hermann II of Styria) and their daughter Elizabeth, thereby achieving the traditional overall standard of twenty-six member (two covens of thirteen). Others prominent in the Societas Draconis were King Jagello of Poland, King Alfonse V of Aragon, Grand Prince Vitovd of Lithuania, and Duke Ernest of Austria, also with Christopher III Duke of Bavaria and King of Denmark, Sweden and Norway. . Later, in 1439, Thomas de Mowbray, England's Duke of Norfolk, was admitted to the Order."

Note their symbol is the ancient image of the Dragon who is always given the Devil, Satan in the Christian religion. The Rose Cross was originally what the Templar's renamed themselves in England and ruled the English Court in the Steward period. Francis Bacon was the Grand Master of the Rose Cross.

"The founding document of Zsigmondus dei rex Hungariae confirmed that members of the Court might wear the insignia of a dragon incurved into a circle, with a red cross-based upon the original emblem of the Rosis-crucis."

The Rose Cross goes back to the Goddess Isis. Who was the Madonna or Mary of the Templar's, Meri, Mary was the name of Isis. Isis Mary. This is were the enemy stole their fake Mary from.

"Shortly after this foundation, Zsigmond was crowned Holy Roman Emperor in 1411...Pope Gregory XII was obliged to approve his Emperor's NON-CATHOLIC ESTABLISHMENT."

Vlad had attended the mystery school system in Austria here he graduated in a great ritual called "Riding The Dragon".

Of this school it was wrote: "This was considered to be a 'Devils school'. where the secrets of nature, the language of animals and all magical spells are taught."

Some notes on Vlad. He took over a region in which the Boyar's the local aristocracy of the land owners. Had sold out to the Turks for power. Had taken the free land ownership of the Peasants and taxed them beyond reason [but kept Church lands tax free] and imposed upon them feudal slavery. The regime of the Jew run church. The Boyar's committed treason by murdering Vlad's, Father and brother for attempting to morally reform the region and they refused to pay the tax of Romanian children to the Sultan. The Boyar's probably murdered them on orders from the Sultan. As this move was to protect their own power with the Sultan.

This is why Vlad had them all arrested, most were sentenced to hard labour to pay back what they had stolen from the people. Other's guilty of treason and murder were executed. Most tales of Vlad such as blood drinking and nonsense were invented by merchants and MONEY-LENDERS from the German regions. Keep in mind this business was dominated by Jews and money lending was exclusive a Jewish trade. It was banned for non-Jews to engage in. Who...Jew, would make up tales of blood drinking....We know which group loves to project on the Goyim after all. This lying propaganda of Vlad's claimed evil. Was due to the fact Vlad banned their criminal economic rackets in his region. Like how Hitler killed sixty, billion Jews, wait the Talmud claims it was the Roman's who killed sixty billion Jews. They took a couple of zero's off for their Hitler claims....Oy veh! Ashkenazi Jews, Ashkenazi means of Germany.

Vlad Dracula is still a beloved hero of his People in Romanian to this day.

Vlad created a new leadership mainly from the common People mainly from those who proved themselves knightly and brave on the battlefields fighting for the People. He brought in schooling, welfare, ended poverty and improved living standards and brought the rule of law by ending political corruption. He also ended the feudal enslavement of the People and gave the people back their property and lands that had been stolen by the Boyars working with the church. This was the Templar mission that lived on into the Free Mason's before the Zionist Illuminati took over the Mason's which had before banned Jews from being members by law.

Vlad from his own letters stated the reason he used such tactics as impalement against the Turks was because the Turkish forces numbered over 150,000 and his own army maybe 10 to 16,000 at the most. And that from understanding the Turkish mind from being raised as a hostage in their court he needed to break their will to fight. The impalement was a form of execution used in the Turkish court and it held the fear of a Sultan, over the Turk mind.

Vlad also executed the beggar's after first giving a chance for any man in the kingdom without land or trade to obtain land and trade training for free, and thus end poverty in his kingdom. After this the only ones who stayed beggar's did such on purpose for criminal reasons. Vlad had them executed because he knew war with the Islamic Empire of the Sultan was coming. He stated all the agent of the Sultan has to do is place a gold coin in the hand of the beggar and the beggar will sit there and spy for the enemy.

Vlad was fighting a desperate war to keep Europe free of Islamic domination. Vlad refused to hand five hundred children of his People over to the Sultan as the boy tax, to be enslaved and raped by the Ottoman's.

Vlad's opponent was Mehmed the Conqueror, the Sultan who took Constantinople. And wanted to conquer Europe for Islam. The Ottoman Empire was an Islamic Caliphate, a Islamic theocracy that was aimed at conquering Europe.

Prince Vlad, refusing the Sultan's tax, to the Sultan's officials, legend has it when they insulted him, his People and demanded they had over their children for slavery to the Sultan. Vlad, had them killed by having their turbans nailed to their heads and sent them back to the Sultan as his message. As this refusal was an act of war. But Jihad was coming anyway from the Islamic Empire.

It was Vlad who with a small army totally defeated the entire Islam Jihad against Europe by the Ottoman Empire. When the Sultan finally reached Vlad's capital from the writings of the Greek historian who was with the Sultan. Upon witnessing the forest of the impaled, some twenty thousand Muslim troops on stakes. The Sultan remarked he couldn't fight a man who knew so well the mind of the Turks. The Greek historian also wrote, the final battle came that night. Vlad entered the camp with several thousand of his men all dressed in the uniform of the Turk. Vlad slipped by the massive guard into the Sultan's tent and personally killed the Vizier of the Sultan and then screamed in Turk, the Sultan has been killed and the enemy is in the camp dressed as Turks. His men started attacking the Turks and then slipped out of the camp. By the morning as wrote the historian, when the sun rose it dawned over the bodies of a hundred thousand dead Turks. As the Turks in the chaos started fighting each other.

The Sultan only lived because he switched tents that night. After that what was left of the Turks army not even fifty thousand, ran all the way back to their capital.

Vlad rode to the then Hungarian king who was supposed to be waiting with an army to aid in the battle against the invasion but had spent all the money elsewhere. Vlad was shocked to find there was no Army waiting to fight the Turk. Vlad told the king about the victory and was expecting to use the massive army which was supposed to be there to drive the Turk out of Constantinople and back across the Bosphorus, this would have kept the future attacks of the Islamic Jihad's from the Ottomans out of Europe.

The king put him in jail on false charges. He had no intention of leaving the kingdom and he didn't raise any army needed to fight the Sultan. Then king spent the money on his wedding. And was also afraid the Austrian Royals might take his throne when gone.

Without Vlad the Satanist Prince and protector of Holy Aryan Europe. The Islamic Sultan would have butchered, burned, raped and enslaved his way through all of Europe and imposed Islam over all of Europe. Vlad was the one leader who fought, when many other leaders made back door deals with the Turks to allow them passage through their lands through Europe.

The banners of the most powerful army on earth, the undefeated Islamic Ottoman's, the very banner of Islam itself fell in defeat before the "Son of the Dragon".

An excellent documentary I found on Communism and its crime against humanity. (Note there is some anti Nazi propaganda featured in this) It explains Communism to perfectly those who may still be unaware.

This is also the same documentary where the excerpt of Karl Marx describing White Europeans as "racial trash" (origins of the term White trash which the Jewish media popularized btw) was taken from.

Karl Marx's plans for the genocide of Whites in eastern Europe are described in detail in this documentary

This video does have some decent bits and pieces about our Communist enemies, but the video doesn't just contain \*some\* anti-Nazi bias; the entire video

is just another anti-Nazi scam, and it is yet another documentary that tries to pull "similarities" between Jewish Socialism and Aryan National Socialism out of thin air, citing forged quotes from Adolf Hitler and Josef Goebbels, no less. Videos like these are only for those of us who are Elite Aryan Satanists who KNOW the truth, and are rooted in this truth, as those who are below us would be able to be knocked out of supporting National Socialism because the "wind" of falsehoods was blowing them around too hard within their comfort limits. My criticism of this video is not about you, Ashley, but just some advice about only sharing it with those who cannot be swayed when it comes to the Satanic Truth of Adolf Hitler, which is supported in living, fertile Aryan blood and soil, all the way to Satan, himself, being the root of our Aryan Pagan identity.

@hammerofthegods\_666 yeah I see your point. I actually had second thoughts about whether I should have posted it here after I did but it was too late. I won't share any material like this again except for with elites where there is no risk like that involved. I kind of took it for granted everyone in this group was given the awakening level on the JoS and 666Blacksun.

I am speaking only for myself now I am not advocating this be the JoS position but even if the content of the video is true I wouldn't care. I have little to no empathy with the Jews whether the holocaust is true or not and I would have supported an authoritarian regime of NS because to me freedom is a privilege not essential for survival and survival is the most important thing when faced with enemies like the Soviet Union. In my opinion Satanists though they may have been, the US founding fathers placed too much emphasis on freedom and not enough on blood and kinship.

Jews don't look at Communism and say to themselves "hey, what my fellow Jews did there was really wrong, mass murdering all of those innocent Whites in Russia and eastern Europe. I shouldn't support it". No they don't even admit what they did and probably are proud of it secretly. They're still trying to pull the same trick in America only this time using race instead of class.

So why would I or any sane Whites look at NS and care what they did to Jews even IF everything the Jews claim Nazis did to them is true? Which we know it isn't anyway but regardless. To me it's a fraction of what the Jews deserve. I know too well if the Jews could they would do the same thing to White Americans that they did to White Russians and eastern Europeans. 65 million + dead and millions more condemned to lives of poverty and slavery. So fuck their holocaust. I'm more concerned with our people the same as Jews care only about their own people.

I am an Aryan High Priest of Satan for the Joy of Satan/Black Sun/Thule Society. You misunderstood. I never told you that it wasn't wise to post the video to \*this\* group, but I was simply discouraging you from posting it to outsiders and other vulnerable dolts who don't know truth from falsehood. However, I do not have any say in what you "can" or "cannot" do.

This e-group, as well as the Thule e-group [for third sex people who can take NS seriously], \*are\* for the highest Elite of the Elite--Aryan Pagan Satanists.

The only problem with what you are saying is that like Christianity and Shitlam, Holocaustianity is a religious program to trick would-be Aryans into believing in and tying into the third dimensional, Satunian MerKaBa that keeps the non-Jewish White Race trapped within the frequencies of the Jewish powers that pull the strings behind the Jewhovah and Christos thought-forms and the Marxist One World Government.

The "Maybe the Nazis killed some Jews, maybe they didn't, but who cares since the Jews would have gotten what they deserved?" still ties in with Holocaustianity. Likewise, the only remedy to Holocaustianity is Aryan Whites who wake up from Christianity and related Jewish filth and join those who make it a part of their lives' work to DEBUNK and DESTROY ALL JEWISH HOLOCAUST MYTHS!

I'm not shouting at you, Ashley, and I'm not even telling you that you are wrong. We all know that the Jews deserve everything they claim to have experienced and that Satan's New World Order's War against the Christos, Christendom, Shitlam, the Jewish kikes, and the White Race-traitors will make the stories about a Jewish holocaust look like child's play. I'm just reiterating the importance of having nothing to do with Holocaustianity, whether you believe their was a Jewish holohoax or not.

People who are more on the vulnerable side are more likely to give in to Holocaustianity, but this e-group is here to educate and enlighten those of our people who Satan sees to have hope, value, and worth. The lower, degenerate scum [like many of the "community" of people who Satan has assigned me to help free from Marxism] who cannot tolerate the truth will not be tolerated by us any more than race-mixing.

Again, Ashley, my additional statements have nothing to do with you, so please don't take anything personally. These are just statements for the greater community here.

@ hammerofthegod\_666 I understand. No problem brother was just a misunderstanding. I agree with you on everything you say here. Whilst I would leave the Jews on the floor crying all day about their holohoax, I am aware most Whites out there are nowhere near as cynical as me and are vulnerable to the age old Jewish guilt tactics "crying as they strike you" as the kikes are known for. I don't doubt for a moment the importance of debunking holocaustianity or any of the enemy programs.

I don't take it personally I am glad you posted this actually. I appreciate the advice and the clarity you have gave me and respect your wisdom my priest. Thank you taking your time to respond to me on this.

This video is under 5 minutes and definitely worth watching. Under Jewish communism, the Jew run government takes control of all of the food in whatever country they take power. The "store" in the video is for Gentiles. Jews and other high ranking communist officials don't have to "shop" in such places. They have private well stocked elite stores.

Here in the USA, there has been a trend of trying to introduce shortages in certain cities in order to try to condition people to get used to this sort of thing. Of course these are minor steps, and from what I have seen, thankfully not consistent here, but this is what it leads to...

Greetings to all our people and Satanic Comrades!

The enemy is naturally worried. I want to first and foremost thank and hail to all our Comrades and people of Satan that gave anguish, pain and misery to these criminal buttons of the jews named "Muslims", who slaughtered thousands of animals as a sacrifice to "Allah" in their "Eid" celebration.

As many of you have commented before, the 9/11 was done on the "EID" celebration of the Pisslamic, "Abrahamic" followers of Pisslam. It was a manifested spiritual attack with the consequence of plunging the west into Israel's wars. Our people die, we pay them, they just enjoy safety, expansion and further their parasitic relation.

Our efforts have been crowned with victory and we will just continue. The next impending attack against us that we have to fend off together, by might and unwavering dedication is the jewish pinnacle of a celebration: The Yom Kippur.

This is the date where thousands of Gentile Children will be abducted, butchered and will be decimated by the enemy jews in yet another "holy day" of theirs. Animals will not be in a different position either, as they are considered to die necessarily in torturous ways for these bizarre rituals. This is the date where the jews have for centuries upon centuries have sacrificed, attacked and messacred Gentile life, and the same is for the "Purim" where the "Big Feast" takes place.

AS WE HAVE FOILED THEIR ADVANCES ON THE "EID", where SATYAN, the ETERNAL TRUTH is stoned and thousands to millions of innocent animals are ritualistically sacrificed to kill all the enemies of the hebraic thoughform, "ALLAH", then so at this time we need to be relentless and hold a stand against this impending attack.

So I expect of all decent people and Souls to take a stand finally. This is the year and day that the Jews will pay for this monstrous crime against Humanity. Those who do not lift a finger to solve this injustice are detestable, and deplorable. Their memories must be washed down in the sewer. Those who see this misery, wrongdoing and injustice and they can sleep at night peacefully by doing nothing, are detestable and they are not worthy sons and daughters of Satan.

Yes, the war will get hard. The jews will get even. They will not go down by logic, or flowers, or peaceful conversation. They will raise blades and try to pierce hearts with them. They will use their eternal slaves and march them against humanity. They will use their politicians and their traitors to backstab and destroy us. They will persecute in every way possible.

They may even attempt attacking us, putting us down, and depriving us. But it is too late for them, for the ship of Retribution has been set asail. In every

home, and in every neighborhood, and in every country, one soul rests that knows of their filth and what kind of danger and evil they have caused. Soon, this phenomemon will grow and will take over the planet, and their murderous rampage will come to an end.

For all the children that died in WW1, WW2, for all the famines, for all the wrongdoing, impoverishment and injustice on this planet, they have to be dealt with. We curse their voices to never be heard into the aeons, their destinies we curse to fall, all their heinous crimes are backfiring into this race of murderers who has plunged humanity in an existential cage.

HUMANITY HAS HAD ENOUGH!

SATANISTS WE MUST APPLY JUSTICE AND BRING THEM DOWN TO JUDGEMENT. THE DAY OR RECKONING HAS LONG BEEN OVERDUE!

---

Also, give this to idiots who assume that the kikes hate "Jewsus" or "Rabbi Yahushua". If they do, why do they attack the "Devilish", "Satanic Demon" AZAZEL, who is a BABYLONIAN GOD and a PAGAN ENTITY, to "REBUKE HIS AUTHORITY" on a NATIONAL WORLDWIDE JEWISH HOLIDAY?

Because they hate Rabbi Yahushua or "Jesus"? Or because they are opposed to him?

Rabbi Jewsus Yahushua, Son of "Jehova", speaks straight in the ficticious bible, to his fellow Jews on the binding of "Demons":

Luke 10:16,17,18

Whoever listens to you listens to Me; whoever rejects you rejects Me; and whoever rejects Me rejects the One who sent Me."

The seventy-two returned with joy and said, "Lord, even the demons submit to us in Your name."

So He said to them, "I saw Satan fall like lightning from heaven....

See, I have given you authority to tread on snakes and scorpions, and over all the power of the enemy. Nothing will harm you....

More Rabbi Yahushua speaking:

Matthew 5:17

Do not think that I have come to abolish the Torah [Jewish Law] or the Prophets; I have not come to abolish them, but to fulfill them.

For I tell you truly, until heaven and earth pass away, not a single yod, not a vav, will disappear from the Torah [Jewish Law] until everything is accomplished...." [Yod and Vav are Hebrew Letters].

Little do kikes know that these games only lasted for a season, and that the Original Gods are now free and will wreck them to oblivion. Their lies and crap of how "strong" they are will collapse under their own lying weight. They have messed with forces beyond their "control". So long humanity leaves their hoaxes, so will their power deteriorate, as the "Goyim" or "Believer Animals" are those from whom the jews funnel the power to cause anything at all.

So \*WHY\* do the jews, and their most prominent Rabbi Yahushua also known as JEWSUS, all mention the destruction, the binding of the Gods, the upholding of the Torah into eternity, and why do the jews, thousands of years after the fictitious death of the fictitious and allegorical jewsus character, do have a NATIONAL HOLIDAY on destroying and smearing the Aryan/Pagan Gods?

OBVIOUSLY, BECAUSE THEY HATE SATAN AND THE PAGAN GODS OF GENTILES!!!! In the text below as in all the jewish texts, they are obviously mentioned as REAL ENTITIES that were existing side by side with Humanity, teaching them the arts of warfare, beauty, meditation and witchcraft.

As its known, Azazel is Satan's literal son and a real being, same as Satan Himself.

---

On the "Yom Kippur"

"Azazel Personification of Impurity."

Far from involving the recognition of Azazel as a deity, the sending of the goat was, as stated by Na manides, a symbolic expression of the idea that the people's sins and their evil consequences were to be sent back to the spirit of desolation and ruin, the source of all impurity."

"This is confirmed by the Book of Enoch, which brings Azazel into connection with the Biblical story of the fall of the angels [...]"

Azazel is represented in the Book of Enoch as the leader of the rebellious giants in the time preceding the flood; he taught men the art of warfare, of making swords, knives, shields, and coats of mail, and women the art of deception by ornamenting the body, dyeing the hair, and painting the face and the eyebrows, and also revealed to the people the secrets of witchcraft and corrupted their manners, leading them into wickedness and impurity;

"There has been much controversy over the function of Azazel as well as over his essential character. Inasmuch as according to the narrative the sacrifice of Azazel, while symbolical, was yet held to be a genuine vicarious atonement, it is maintained by critics that Azazel was originally no mere abstraction, but a real being to the authors of the ritual—as real as Yhwh himself.

This relation to the purpose of the ceremony may throw light upon the character of Azazel. Three points seem reasonably clear. (1) Azazel is not a mere jinnee or demon of uncertain ways and temper, anonymous and elusive (see Animal Worship), but a deity standing in a fixed relation to his clients.

Necessarily their environment subjected them in a measure to superstitions associated with the local deities, and of these latter Azazel was the chief. The

point of the whole ceremony seems to have been that as the scapegoat was set free in the desert, so Israel was to be set free from the offenses contracted in its desert life within the domain of the god of the desert.

Azazel would therefore appear to be the head of the supernatural beings of the desert. He was thus an instance of the elevation of a demon into a deity. Such a development is indeed rare in Hebrew religious history of the Biblical age, but Azazel was really never a national Hebrew god, and his share in the ritual seems to be only the recognition of a local deity.

Moreover, as shown, the symbolical act was really a renunciation of his authority. Such is the signification of the utter separation of the scapegoat from the people of Israel. This interpretation is borne out by the fact that the complete ceremony could not be literally fulfilled in the settled life of Canaan, but only in the wilderness. Hence it was the practise in Jerusalem, according to Yoma vii. 4, to take the scapegoat to a cliff and push him over it out of sight. In this way the complete separation was effected."

Alterations Of The Ancient Texts,Veganism

As stated the in the article: Evil. The people imprisoned in the catholic church were put on a vegan diet of bread, black coffee and vegetables. They were given skim milk once in awhile. To the point when the lady was able to have her first meal after escaping she was given a cup of normal milk and she couldn't hold it down. The enemy created christian religion, forced vegetarianism and veganism on the populations as much as possible.

This article is revealing as to how much the ancient religions have been corrupted on so many levels. They forced this vegetarianism on the populations later on and tried to rewrite history to conform to this lie what else did they corrupt....

Remember Rama was a hunter and so was Shiva.

<https://perichandra.wordpress.com/2010/...-ramayana/>

There are a significant number of passages in Valmiki Ramayana where the principal characters used meat in their religious rites and daily diet. Here are some of the passages with original quotes. It was meat that would not be acceptable today to a typical Hindu. It included wild boar (wild pig) and reptile meat (mangoose or varamus)!

Please note that the Tamil poet Kamban (around 11th century CE) completely sanitizes his Ramayana from meat diet for these characters. So much so that the first thing Rama utters when he scolds Sita after defeating Ravana is " ("you enjoyed meat eating") and scolds her again a few verses later as having eaten the bright flesh of beings. Shows how much values had changed in the intervening thousand years and caused imbalance in the value system resulting in the loss of priorities.

Onto the Valmiki passages:

•Sita promising Ganga meat-rice on safe return:

From Ayodhya Kandam:52: As Sita crosses Ganga she promises to Ganga what she will offer on safe return: "thousand pots of spirituous liquor and jellied meat with cooked rice (basically briyani)"

[http://www.valmikiramayan.net/ayodhya/s...\\_frame.htm](http://www.valmikiramayan.net/ayodhya/s..._frame.htm)

89. devii= "Oh, goddess! Upaagata= After reaching; puriim= the city (Ayodhya); punaH= again; yakshhyye= I shall worship (you); suraaghata sahasreNa= with thousand pots of spirituous liquor; maamsa bhuutodanena cha = and jellied meat with cooked rice; prayataa= well-prepared for the solemn rite."

"Oh, goddess! After reaching back the city of Ayodhya, I shall worship you with thousand pots of spirituous liquor and jellied meat with cooked rice well prepared for the solemn rite."

•Lakshmana and Rama hunting deer and wild boar (wild pig):

Then on reaching the other shore Rama and Lakshmana hunt four types of animals including wild boar, antelope, spotted antelope and another species of antelope and take their flesh and hurry in hunger to a tree as it was getting dark. Also makes one wonder how much meat they ate in one go as it is too much for three adults even for warriors.

This is the last sloka in the same chapter as above:

tau tatra hatvaa caturaH mahaa mR^igaan |  
varaaham R^ishyam pR^iSatam mahaa rorum |  
aadaaya medhyam tvaritam bubhukSitau|  
vaasaaya kaale yayatur vanaH patim || 2-52-102

102. hatvaa= having killed; tatra= there; chaturaH= four; mR^igaan= deer (namely); varaaham= Varaaha; R^ishyam= Risyaa; pR^ishhatam= PR^isata; mahaaruru= (and) Mahaaruru; (the four principal species of deer); aadayaa= and taking; tvaritam= quickly; medhyam= the portions that were pure; tou= Rama and Lakshmana; bubhukshhitou= being hungry as they were; yayatuH= reached; vanaspatim= a tree; vaasayaa= to take rest; kaale= in the evening.

Having hunted there four deer, namely Varaaha, Rishya, Prisata; and Mahaaruru (the four principal species of deer) and taking quickly the portions that were pure, being hungry as they were, Rama and Lakshmana reached a tree to take rest in the evening.

•Sita telling Ravana in the disguise of a Brahmin that Rama will bring back deer, reptiles and wild boar for meal:

From Aranya Kandam: The different types of meat Sita offers to the Brahmin guest (in which disguise Ravana is) once Rama brings them from his hunt. Note Deer, Wild Boar and a reptile ( ?) are offered.

“Such as you are, oh, Brahman, you may make mention of your name, parentage and caste, in their actuality. For what reason you are wandering in Dandaka forest lonesomely?” Thus Seetha questioned Ravana. [3-47-24]

So the upshot of all this is that having forgotten all this modern Hindus overreact to people from other religions eating pig meat or reptile meat as if they were strange animals or demons and bias their interreligious attitudes in a very negative way. We have seen that even Brahmins of Valmiki's days (about 2000 years ago) took it normally and so modern association of vegetarianism with Brahmins is much later.

For a solid book on how meat eating including beef eating thrived in Vedic period and continued much later see D.N. Jha's "The Myth of the Holy Cow" which was originally banned by the BJP administration.

Another Ayurvedic text the Bhava Prakash, states 'Sadyohatasya Mamsam Syadbyadhidhatiyathaamritam', which translates to 'the meat of freshly killed animals is like Amirt (the ultimate life-giving fluid that sustains the Divine)' We have the Bagabhatt (Astanga Samgraha) stating nothing equals meat for promotion of health and substance of the body." The Vedic text Satapatha Brahmana states 'Paramam Annadyam Yan Mamsam', meaning "Meat is the best kind of food." Meat is listed under the sattvic category. "The life substance."

Subject: Regarding "White Privilege"

I stumbled across this article:

[http://everydayfeminism.com/2016/08/told-white-friend-black-opinion/?utm\\_source=facebook&utm\\_medium=social&utm\\_campaign=SocialWarfare](http://everydayfeminism.com/2016/08/told-white-friend-black-opinion/?utm_source=facebook&utm_medium=social&utm_campaign=SocialWarfare)

I read it, and I realized something. The writer (a Black woman) keeps mentioning how, if someone doesn't experience being judged by their skin color, it's "white privilege".

But....

If White people moved to Africa, we would then experience, what, "black privilege"? Because if a white person is a minority, we sure as hell would be getting stared at and judged. I've been a minority before. Everybody stared. Did I make a big fuss and throw a temper tantrum and write articles about it? No, because I understood that this is what happens when you are a minority. People belong with their own people. If you see a giraffe among a herd of elephants, you're going to be staring at the giraffe and wondering what's up.

And you know what happened, in my short time in a non-white country? I realized, truly deeply realized, that I belong with my people and I never want to leave my lands (Europe, Canada) ever again.

So why aren't African Americans also coming to that conclusion? They do not realize that America was founded by White people, for White people. Europe was settled by White people, no Black person had even been to Europe until very recently in history. If anyone accuses you of having "white privilege" or being racist for thinking Europe is for White people, just point this out. Africa is for Black people, right? So how would they feel if White people migrated there in hoards and demanded to be treated the exact same way as them. By their logic, they would have to be completely fine and happy about that. No? Oh, well then! Who is the racist now?

From the article:

"If it's unclear in any way, the point here is if you've never had a defining moment in your childhood or your life, where you realize your skin color alone makes other people hate you, you have white privilege."

No, that's what happens when you are a minority, away from your lands and people.

"So if you have never experienced or considered how damaging it is/was/could be to grow up without myriad role models and images in school that reflect you in your required reading material or in the mainstream media – that is white privilege."

No, this is what you get for growing up away from your lands, people, and culture.

"The point here is if no one has ever questioned your intellectual capabilities or attendance at an elite institution based solely on your skin color, that is white privilege."

If you were completely surrounded by your own people and only your people, this issue would never arise.

"Six years ago, I started a Facebook page that has grown into a website called Good Black News because I was shocked to find there were no sites dedicated solely to publishing the positive things black people do."

Why be shocked? There's no such site for only White people.

"The point here is – not having to rewrite stories, headlines, or swap photos while being trolled by racists when all you're trying to do on a daily basis is promote positivity and share stories of hope and achievement and justice – that is white privilege."

If a White person in Africa tried to do this, they would also be trolled. Or murdered, actually. So be thankful you're only being trolled.

She ends by insisting White people stand up for fair treatment and justice, all the crap that we White people are "supposed" to do, to further the jews agenda of White Genocide.

We as a race that is currently under genocide have to stand up for our race. Any other thoughts on ways to pwn this "white privilege" lie/hoax/scam?

The climate naturally cycles and always has. Climate change is not man made. Its a lie made up by the jew. They have used this hoax to guilt people out of

millions of dollars for 'carbon tax' and such. Its just another way to pull in the shekels. Not surprising, as they even harvest our body parts and sell them on the black market. They create a problem, have people react and then put forth their 'solution'. This is classic jew behaviour. They are using this as an excuse to dump tons of poison into our atmosphere and I don't believe its to 'help' us. I think they are doing it to kill a lot of us. Subject: Re: Regarding "White Privilege"

Even though the non-White races are exalted, while the hated White Aryan Race of Satan is dragged through their piss and shit, the very fact that Satan's People exist on planet Earth is so-called "White privilege." Our people are going to have to wake the fuck up and realize that in order to have any chance at being a threat to the Jews and their colored slaves, we have to get into the survivalist frame of mind: "US OR THEM!" The Jews won't have it any other way, and we cannot afford to have it any other way. It is us or them. However, everything that can be done that is LEGAL and won't land you in prison, or Satan only knows what else, it is important to keep the fight against these evil forces spiritual and manifesting into tangible reality from the astral plane. As long as spiritual warfare is legal, there is no excuse for an adult Satanist not to partake in this war. As we know, it is unfortunate, that in many White places that are being invaded by degenerate racial scum that spiritual warfare isn't feasible because when one's body is in complete "kill or be killed," magick isn't an option, and what was once only a nightmare has become a terrifying reality. White Europe and the White Yezidis speak for themselves.

There are quotes from a Christian website that I found a long time ago that explain where "hatred against Blacks" comes from. I have no "racist" intentions,

but REALISTIC intentions in posting this here, although, it is my opinion that WITH OR WITHOUT THE JEWS, BLACKS ARE STILL, NATURALLY...NEGROES, AND SINCE WE WERE WARNED THOUSANDS OF YEARS AGO BY SATAN AND HIS DEMONS THAT THIS RACE CANNOT BE CIVILIZED, THEY MUST BE KEPT UNDER CONTROL, OR ELSE WE WILL DIE. In all fairness, so-called "hatred" can perform miracles and can move mountains when channeled properly, but this reply isn't about my "hatred" towards Negroes, but my love for my White Aryan forefathers who see me not as "gay" or some "dirty queer" who cancels his membership in the White Race because he shares his life with another wonderful Aryan man whom he loves, but as a White Grandson and Great Grandson [extending as far back as my ancestry goes back] that makes them proud and is helping to make the dreams that they had come true in all ways that I am capable.

In the quotes below where the Judaeo/Christian Bible claims that child sacrifice is a "Satanic practice," just remember that everything that the Jews accuse the God of the White Man [Satan] of, is exactly what they are and all the things that they do. Due to many misguided and extremely deluded and confused individuals who thought they knew what Satan wanted but were wrong, Satan, himself once told High Priestess Maxine Dietrich that she would literally vomit in her lap if she knew what has been done in his [Satan's] name. Anyways...

From the Christian website:

"...blacks have certainly suffered their share of hatred and persecution. But I reminded her that it is not entirely true that blacks are the only people in the history of the world that have been hated as a race. The Jews have also suffered their share of hatred and persecution. As I said this, the force of this realization hit me like a sledgehammer. No other people on the face of the earth have suffered such intense hatred and persecution, as have the Negro and the Jew.

I believe that everything going on in the world today, even political and social-economic issues, can be explained from a biblical perspective. I further believe that God is firmly in control of everything—the good and the bad. If it is good, it comes from God and is a blessing. If it is bad, it is of the devil and is allowed by God. Racism is bad, therefore, racism is of the devil. This means that the root of racism—specifically hatred of blacks and Jews—is of the devil. Satan must hate blacks and Jews. And if Satan hates blacks and Jews, then we should be able to find the genesis of this hate in the Bible.

But before we discuss the genesis of Satan's hatred of Blacks, let us dispel the popular myth that God hates blacks. God does not hate blacks, as this verse of Scripture clearly shows:

**"Are ye not as the children of the Ethiopians unto me, O children of Israel?" (Amos 9:7).**

The Ethiopians are the Negro race—the Blacks. The name Ethiopian has come to mean those black Africans from the country of Ethiopia. But when the Bible was written, Ethiopia, as a country, did not exist. The Masters Study Bible defines Ethiopia as the "region of Nubia just south of Egypt, from the first cataract of the Nile into the Sudan; modern Ethiopia is further to the southeast."

Christian historian Alexander Hislop in [The Two Babylons](#), tells us that the name Ethiopia means "Land of Ethiops." Ethiops, which means "The Black One" (Hislop, 48), was another name for Cush, a son of Ham and grandson of Noah (Genesis 10:6). Cush was also known as Al Khem, "The Burnt One," as was his father Ham (Hislop, 25). Cush was the father of the black race. For centuries, Africans were known as Cushites and Khemites. So, when the Bible speaks of Ethiopians, it is referring to all blacks.

Notice that Amos 9:7 compares God's chosen people, the Jews, with the Ethiopians, the blacks. This is proof that rather than hating blacks, God loves Blacks: so much so, that He compares His love for them with His love for His beloved Jewish people.

Noah's son Ham, the father of Cush, was the father of all dark-skinned people, including the Egyptians. The Bible calls Egypt "The Land of Ham" (Psalms 105:26-27, 106:21-22). Ham was also known as Al Khem "The Burnt One."

Even further proof of God's love for the Black race is the fact that Moses, the prophet of God, married a black woman:

*"And Miriam and Aaron spake against Moses because of the Ethiopian woman whom he had married: for he had married an Ethiopian woman" (Numbers 12:1).*

The question, therefore, is not if God hates blacks, as we have just seen biblical proof to the contrary. Neither is there a question of Satan's hatred of blacks, as the historical record of atrocities towards blacks bears sufficient witness that this is the case. The question, therefore, is "Why does Satan hate blacks?"

The short answer is that Satan hates blacks because God loves blacks, just as Satan hates the Jews because God loves the Jews. But this answer does not sufficiently explain the world's intense hatred of the black race. There must be a particular biblical incident that we can point to that explains the enmity between Satan and the Blacks.

And there is. But before we look at it, it is important to our discussion to understand that Satan's hatred of Blacks has its origin in the Garden of Eden. Subsequent to Satan tempting Eve to eat the forbidden fruit, God pronounces the undying enmity between Satan and the Jews:

*"And I will put enmity between thee (Satan) and the woman (Israel), and between thy seed and her seed" (Genesis 3:15).*

Now the woman, Israel, has two seeds: physical and spiritual. The physical seed are the descendants of the twelve sons of Jacob: the Jewish people. The spiritual seed of the woman are Christians and non-Jewish proselytes to the Jewish faith, who worship the God of Israel. With regard to Christians, the Bible says that all who believe on the name of Jesus Christ are saved by faith, and are thus the spiritual seed of the woman:

*"And if ye be Christ's then are ye Abraham's seed (spiritual Jews), and heirs according to the promise" (Galatians 3:29).*

It is the spiritual seed that concerns our discussion regarding Satan's hatred of Blacks; for the first spiritual seed of Israel just happened to be a black man. That's right: a black man.

Understand that God and the Israelites had just scored a major victory over Satan and the powers of darkness. Tradition has it that Noah's son, Shem, the father of the Jewish people, killed Nimrod because of his abominable practices like child sacrifice. Satan then took revenge on the descendants of Shem, the Jewish people, and He used Pharaoh and the Egyptians to do it. Pharaoh was Satan's man, the new Nimrod, and Satan used him to persecute God's people, Israel. But Moses, the mighty man of God, went in and by the power of God, led Israel out of that land and forever destroyed Egypt as a world power.

But Satan never rests. He still had a plan to destroy the Jews. His plan was to wear Moses out and kill him by having the people come to him with all of their problems and complaints. The Israelites numbered more than six hundred thousand men, not including women and children (Exodus 12:37). A very conservative estimate of their number could very comfortably be placed at one million. Moses sat alone in front of all these people and listened to their problems from morning until evening. Most professional counselors and psychologists can handle no more than ten clients per day and retain their sanity. Any more and they run the risk of becoming a casualty themselves.

*"And Jethro rejoiced for all the goodness which the Lord had done to Israel, whom he had delivered out of the hand of the Egyptians.*

*"And Jethro said, Blessed be the Lord, who hath delivered you out of the hand of the Egyptians, and out of the hand of Pharaoh, who hath delivered the people from under the hand of the Egyptians.*

“Now I know that the Lord is greater than all gods: **for in the thing wherein they dealt proudly He was above them.**

“And Jethro, Moses’ father in law, took a burnt offering and sacrifices for God: **and Aaron came, and all the elders of Israel,** to eat bread with Moses’ father in law before God” (**Exodus 20:7-12**).

Did you see that? Moses’ father in law, a Black man, worshipped God. And not only that, but he worshipped right along with all the elders of Israel. This would make Jethro the first spiritual Jew! Jethro was the very first non-Jewish “seed of the woman.” And Satan’s hatred of Jethro and his seed is a literal fulfillment of the prophecy of Genesis 3:15!

But there is something else very important here that we ought not miss: Jethro ate bread with the Jews before God. Perhaps the significance of this escapes you for the moment, so let me unpack it for you. Moses took the trouble to point out that these men ate bread together before God. He wanted us to know that they weren’t just eating to be eating. This was an act of worship. These Jewish men and this Black man were eating bread together in fellowship and worship of God.

Saints, this was a foreshadowing of the Lord’s Supper. This was a picture of the Christian church! Understand that these were Jews and a non-Jew (Gentile) partaking of bread together as an act of worship. Thousands of years later, Jews and Gentiles would again eat bread together before God in the person of Jesus Christ (Acts 2:42,46; 20:7).

This was a picture of the Lord’s Supper, and the first non-Jew to eat it was a Black man. Is this not glorious? If you understand that nothing is trivial, accidental, or coincidental with God, then you must also understand that this was very intentional on His part. God loves the Blacks.

This is very significant. Understand that all the other nations feared and hated the Jews. But the Blacks loved the Jews—and their God. This is why God loved the Blacks and still loves them, and why Satan hated them and still hates them to this very day. [Though not His chosen people](#), Blacks are also beloved of God. This is the only possible explanation for why of all the nations that were hostile towards the Jews, the Blacks are not numbered among them, though they lived as closely to them as many of the other nations. The Blacks knew God.

There is New Testament proof of this. Remember that in Acts Chapter 8 the Holy Spirit specifically tells Philip to go speak to the Ethiopian eunuch. Listen to this:

“And he (Philip) arose and went: and behold, a man of Ethiopia, an eunuch under great authority under Candace queen of the Ethiopians, who had the charge of all her treasure, and had come to worship,

“Was returning, and sitting in his chariot read Esaias (Isaiah) the prophet” (Acts 8:27-28).

Did you see that? The Ethiopian was reading from the book of Isaiah. Blacks still worshipped God!

Is it not strange that the Black race is the first race, other than the Jews, recorded in the Bible as having worshipped God? Again, this would make Blacks the first spiritual Jews. Can you now see the significance of the Black race in biblical history? Do you now understand Satan's intense hatred for Blacks?

Isn't it also strange that, according to the Bible, all the other nations to which the Gospel went were pagan EXCEPT the Africans (Ethiopians)? One need only read the book of Acts and Paul's epistles to see how pagan the Gentiles were. But remember that when Philip preached the Gospel to the Ethiopian, he was reading from the Book of Isaiah. He was already a believer.

This is extremely important. This Ethiopian—this Black man—WAS READING THE BIBLE. Do you know that this is the only instance I know of where the Bible records a non-Jewish, non-Christian person reading from the Bible? And he is Black! This is huge! Many believe that the Europeans brought Christianity to Africa, but according to the Bible, the Africans knew God long before the first white man ever set foot on the Dark Continent.

God does not hate the Black race. As a matter of fact, they have a cherished place in His heart. Satan does not want us to know this. He wants us to believe that God hates Blacks when, in fact, it is Satan himself who hates Blacks. Satan doesn't want Blacks to realize the special love God has for us. Satan doesn't want us to know that his hatred of Blacks is a fulfillment of God's prophecy of Genesis 3:15 concerning the enmity

between Satan and the "seed of the woman." Now you know the truth.

\*\*\*\*\*

The quotes kind of jumped around a bit, but you get the gist. In my final words for this reply, racial Jews, regardless of their skin color, will always rightfully be at the center of Satan's wrath, but the Negro race is also the Chosen of God, which is why they must be controlled before they can rape, loot, trash, and kill us--Satan's own flesh and blood permanently.

My partner and I do not have cable. We just have a large collection of movies and TV series on DVD. When I was visiting my parents for Xmas in 2015, on nearly every cable channel, Negroids with Whites was the norm, and this brainwashing, which isn't in any way anything new, makes anything that promotes racial loyalty as "bigoted" "out-of-date," "hateful," and "backwards." I was so glad to not have cable when I returned home.

## [MacDonalds or KFC? Jews or Jews?](#)

This is how the jews gamble on the world. However, due to powerful spells the meek souls cannot see this and even confronted with the Truth, they can never quite understand it. Let's just call it a lack of intelligence above all because this what it is.

For instance, one looks into the "immigration crisis". On one hand, the jews have their bets on Islamic hordes who want to destroy, assimilate and racially mix the European people into oblivion and take over europe. Jews put one bet here.

Then, the Europeans and everyone else will revolt. Like a predictive weather forecast, with social knowledge, one can see what is going to happen because of this. 1 - the Europeans will have an "Identity" backlash against the intruders. Ie, the "Identity" backlash is what the jews know: Since the "Goyim" do not really have an identity aside of "Christianity" which is dying in the West, but nevertheless still exists, the jews place their bet here.

So with placing these bets like this, the jews win double time. On one, they win that the European people are assimilated and destroyed, bred out of existence. On table two they win the naive slaves who due to fear return to the feet of Rabbi Jewsus Krayst. This way, jews win and manipulate two sides again. Both incidents in the longterm lead to the same benefit: the jews have the upper hand, mind, soul and body over the European people. While on one side they suppress them, on the other side, they have spiritual shackles upon them. So every "resistance" will be again controlled in some way.

On both incidents the jews win in all cases. Even if the European crisis ends with the invaders being kicked back, it will make sure Christianity will too survive as a pseudo culture. So the jews will of course later again, infest and destroy in due time what they wanted to destroy. At worst they will just lose their "Souljas" from here and nothing else. Due to Christianity and its false kike morality, the jews will be left unsatched and will be completely safe not only to remain in Europe, but damage people accordingly and even "run" the movements of the "revolts". Win-win all over the place.

On the worst incident, the Europeans will gradually perish under the pressure of the Islamics, while the few idiots will be hanging from Rabbi Jewsus's balls to be saved. All in all, the jews win again. They also laugh more in this instance.

France goes to war with England. Well, they bet on both. On the end of the war they put higher bets on the winner. Profit is made. The destroyed and the destroyer both have to pay. Pay them Goyim. Who won from the war? France or England?

Jews.

Fuck KFC! Very jewish! Let's Go to Macdonalds!

He owns both though.

As Plato said 2500 years ago, all humans judge by what they see, very few judge by what is real. People take for real all they see. For instance, History is tampered to the point that Hitler had a murder fetish, was a lunatic and all sorts of other disgusting lies that make everyone want to vomit. While all this GARBAGE is written and taken as "real", naive people think that you know, why should the Jews ever dub Hitler's speeches or anything like this so he is a Christian to the masses? "Impossible", "lies". Well, nothing is impossible in this world, and the only limitations are in the respective brains of the people who believe there are limits.

Is it impossible for Jews to have 90% of the world's wealth? For a bunch of Jews to plunge and play the world like a play-toy? And own 60% of real estate directly or indirectly by owning all major businesses? Well, apparently it is possible. The impossible is already here. So what's impossible. Dubbing Hitler's speeches to make him into someone else?

Why should the "rulers of the world" promote Christianity so relentlessly? Why is the Vatican, a known pedophile organization of criminals and smugglers who made unimaginable wealth, based on human naivety and on the hoax of Christ, not use this everywhere else too? Apparently because Rabbi Jesus must be a decent person. After all he chose the rapists, child molesters, inquisitors and criminals to represent it.

The average Jew is far more cunning than most people out there. While Gentiles have learned for thousands of years to live based on limitation, from philosophies around weakness and deprivation, the Jews have learned the exact reverse as they are parasites on our back. We reduce, they grow. We grow, they become smaller.

The weak expect to be saved by someone else. They don't want to labor, they don't want to work, they don't want to discover. This is a serious disease and it shows weakness. This is the most anti-life conception to ever be. The fundamentals of human existence, if they were based on this pretence, all life would go extinct. No life can become successful by any of this practice. Due to this weakness, suffering, and false belief in Harry Potter's magic wand that will save everyone at once like a Rabbi descending to the clouds, this is always the weakness in which the Jewish parasite feeds upon humanity.

It feeds on the weak, the servile, those who lack knowledge, the misinformed. But above all it feeds on those who are unwilling to see things for what they are.

So they double bet on the fears of humanity and on the failed promises they give, and profit. Let's say you had a business and you had found a magic wand that makes everyone fall under your control, with the push of a button. This is what Jesus is to the Jews. Why should they ever give him up, or let him go down?

When the National Socialist Germany went against the Rabbi and started "violating" the Christian church within Germany, with the ultimate plan of destroying and uprooting it and turning the faith of the Germans around, the Jews instigated all the world empires against the Germans. The Jews attempted extermination of Germans at the same exact moment where the Vatican and their "Jesus" were being un-nailed from the Hebrew cube shaped stick. This meant immediate global war.

Do whatever you want in this life. So long you don't have a soul and you remain within the spiritual chain, you will be ok. Its when you break out from the SPIRITUAL chain, that deals with the eternal existence, that the jews have a problem with.

Otherwise one is locked in duality, and the jews always bet on both sides and win two sides.

So where are you going tonight? KFC of MacDonalds?

Of course the jews guarantee that nothing of these will be the majority. These are not real "Blacks". They are "actin' White" of course.

That's what the Jewish, "Black Identity" shapers want of black people [Black Jew Lil Wayne]:

The jews never want Gentile Races to reach an understanding and assist one another in healthy co-operation to get a society forward. This is pesticide to them. So they always work to destroy relations between people, cause misunderstandings and fights, and fund both sides against one another to win double bets.

Here is a White Bigot, Racist etc etc, who is talking openly about what the Jews did to his country. And that Germany was only Germany in name before THEY rose in power. With judges, media, communication, parliament and anything else controlled by a minority of 2% jewish people.

By the way his country was forced to pay 6,600,000,000,0 [treaty of Versailles] in payback money after it was messacred in WW1. What a number, isn't it? Reminds you of 6 trillion lampshades that were lit after the second world in which his country was plunged, for driving out the jews, WW2.

According to Streicher, the Jews have wrecked their country and it was ruled by alien elements through finance. In 1933 all that stuff.

But let's leave on the side HoodedCobra and so many people in history have said, and let's see what a real Black Leader has to state on this thing. This way we can see what's up clearly.

Well guess what. Ugandians have driven away the jews as well. Because they wrecked their country too. Their leader is called here a "psychotic killer" as well of course. 6,000,000,000,000 Lampshades History again. Tens of years later, same-exact-deal. This never stops.

Jews Kicked Out Of Uganda

<https://www.youtube.com/watch?v=YPVXP73xOVE>

Also, did you know that one of the places the Jews wanted to have their state on, was in stealing Ugandian land? But finally they decided to massacre Palestine instead.

The jews started intergrating the Black people whom they massacred financially, into the White society, by things like "Please donate 1\$ in Jewnicef so that Jews can buy a Rolls Royce, thank you". Unicef is a well known fraud organization whose CEO is moving around with a Rolls Royce. I guess my 1\$ didn't quite go to Black people in need did it. Well gradually things emerged and the jews wanted to "get it done with" with Europeans and others.

Here the Jews admit that "France has been destroyed by the Black Immigrants" and that it has wrecked their financial, educational, healthcare, and welfare system. Because well this is a FACT. This is only THOUSAND TIMES WORSE now.

The Jews are shilling into this video as well, but the points should be conveyed.

"Let's bomb the Negroes" are part of the Slogans in Israel. Because welcome to reality, Israel doesn't want 3rd world party in it. It wants to remain as unaffected as possible from this global catastrophe. Where are my SJW's now? I guess blowing Rabbi Dick again and Eating Vegan. To produce good feces for the Rabbis to feast upon. The Poo people.

<https://www.youtube.com/watch?v=HigvH07JyWg>

So suddenly we have a "black uprising" and a "black realization". Well this realization happened only now, as George Soros wants the Black Troops to engage on the White Goyim. So the jews now tell the blacks how great and superior and manifold they are. Just some years after eradicating their race of course. Now that "muh Racism" is climaxing, the jews are pushing the extremist groups of blacks and even arabs against Whites. The jews have account to settle with all the Races, so they control them behind and from within. This is why they use racial infiltration above all.

The jews largely want to be done by arabs fast, and they figured out the faster way to exterminate them is not by bombs that will be pinned on Israel, but by sending them as "shock troops" in Europe, so they will be used in another way. Some of course will die, because, do the jews even give a shit? They have fun killing anyway.

The Jews who destroyed the ego and self-consciousness of the Black people (even Europeans treated the Blacks who were worth of good treatment fairly) now they sell them the exact opposite: "You are Chosen Gods, kill Whites to reclaim your throne, Black Goyim".

Jews created the Ghetto, slave culture, and the social crap that suppressed and worked Whites and Blacks alike from centuries. By promoting hoaxes, they prey on the low self-esteem of Black people, to destroy them, while using them of course.

The Jews who were responsible for slave trade, and they won't allow Blacks to even cross their borders in Israel, even "Black Jews", are now working overtime to promote the Blacks as the source of all civilization of the planet. They even tell them, they are the "Chosen" people. They even fabricate Hitler quotes without any evidence and now they are too making webpages aside with the Rabbis in exterminating the White Race.

The things that exist out there are plain out insane. They even say that Asian Aristocracy was Black, and I kid you not. You can find these around. Obviously, these are all created by Jews. Then aside from this we have the (((Porn Industry))) which puts Whites and Asians to ridicule, as they are portrayed as sexually worthless, while the "Black Beasts" are the "Animals" the Jews like to shoot their porn with. With Asian and White females of course by the way. In the Jewish mindset, it's intelligent and good to make shekels from these "animals". The Jews call the Black animals in their texts, and Rabbis admit that anything non Jewish or dark skinned is to be put to death. At least in the Holy Israel.

Jewesses, Jews, and "Black Jews" such as the infamous pornstar that is named "Prince Yashua". Incredibly is this world moving forward. Asians are equally in the pot of having their history stolen, to the point that Jews and their pawns even state that Asian civilization is Black. Except of outrageous stupidity on the end of the receivers of that crap...The Jews must be laughing very badly. Go tell that to Tibetans and all these people in the East, let's see what they say?

Remember, the Jews hate both Whites and all other Races as well. As far as Asians go they have specific hatred for some people, they hate more than anyone, specifically Korea and Japan, or other places like the Phillipines (all Asia except of China whom they butchered), as they are their old opponents and they never had an opening to destroy these countries. The Chinese they consider harmless and assimilated, because their (((Communist leaders))) massacred them. Jews exercised enough hatred on the Asians to kill 50,000,000+++ of them in one historical instance. This is unparalleled in human history.

Those of you who are around youtube, you can see all these videos of "Thugs" of the Jews, who talk about "Wiping out Europe" and "Killing all da Whites" and all of this. Many of them have thousands upon thousands of "subscribers" whom believe they are the Gods incarnate. In the hundreds of thousands. Openly calling for the extermination of Whites and black uprising to kill all White people off of the place of the planet. Of course, none of these characters are banned by JEWTUBE.

They are doing just what the Jews say, and like the Jews, they are hanging upon the cross of the oppressed. Of course, all intelligence Blacks HATE this behavior and they attempt to move away from them, running the risk of being called a "White Wanna Be". Which is just meaning for Blacks to act like human creatures instead of Jewish Subhumans as the Jews indicate.

Dr. Tony Martin & David Irving - The Jewish Role In The African Slave Trade

<https://www.youtube.com/watch?v=vAb4DLVZOW8>

Don't be like Dr. Tony Martin Black people. Don't have high aspirations. A country robbing thug and criminal is all you ought aspire for your existence. And

don't forget, we wuz kings of da planet.

Also, screw reality. Who needs reality when reality doesn't suit one's emotions. Somehow messed up so much in their existence, but it's okay, like we blame the Devil, let's blame the Whites now. The jews who enslaved, messacred africa with their "stock market" and have bound America with their Rothschild Rabbinical banking institution (which is private and jew owned) has everyone fighting over paper, and also, they eradicated the Black Race by experimenting on them all along.

However now, they need them to destroy "Whitey", so they are best friends ever. Look at "Drake Graham", the Rabbi Rapper, or the "Lil Wayne" who is just part jewish after all. And "DJ Khaled" who is another jew in the company as well. And all the "Black Jews" or Xian narcissists like Kanye West (Jewsus Walks with him). They are now eligible to become kings, under jewish eulogy though.

So we went from "give one dollar to help blacks in Africa", which Whites in good heart wanted to help blacks anyway, into a massive plan of extermination of Whites, invading our borders, and raping White women to death. Fuck statistics and reality. Whatever goes bad, its the White Race. Like Satan, the White Race is the cause of all evil in the world. This is why the White Race was the race who owned the less slaves, with Blacks and Jews owning more black slaves than anyone else. While the Satanist Benjamin Franklin abolished Slavery. And Hitler treated Owens as an equal to all other atheletes, personally congratulated him, while the prez of the USA didn't even bother speaking with him and while the jew-taken-over USA, didn't even give Owens a pair of shoes.

As you can see by our opening of our borders, sharing our Nations, giving free land, free luxuries and all sorts of reparations and free stuff to the "Black Race", we apparently must hate them. Well that's what the jews say. This is why we invented Welfare for these people after all. Because we are bigots. But well, you know what comes with charity where jews are involved. Pay for your murder is the motto. People pay the jews, and jews kill them with the money they have paid. The same they want to do here. They are teaching certain blacks and black jews in the community of blacks to play the professional victims as them. I have zero doubt these are jews. So the blacks remain the Ghetto mama Boi the jews want, who murder each and everyone else for a bag of chips.

Somehow, the jews tell them, they are the most superior Race on the planet. So for that reason they need to get a White Wife. Well being superior as they are, why do they need a White wife in the first place? Because its a trophy against the hated, "White" men, that's it.

The plan is to use the Black people, exterminate their enemies with them, and of course, wipe the Black people in the end as the Torah indicates. Or just keep some few as cattle. And at this point, even your favorites Jay-Hova (Jehova) Jay-Z, or Kanye "Jesus Walks" West, will be just cattle in the farm of a jew. So no worries whatsoever.

In anyway, the Black people have been equally been infiltratred and subverted by the jews, who are now promoting them as their "best friends". Only to damn them again later after they are done with "Whitey". Gentiles have no reason to fight, but the jews profit from war and from playing on all sides against one another.

They can write history as they want, they can lie as they want, they can rally everyone they want, but don't expect Humanity to go down without a fight. The jews are getting revealed and when all Gentiles will see that behind wrongdoing rests the jew, it will happen as in their "prophecy" in the jewish Bible:

Zechariah 12:3

"It will come about in that day that I will make Jerusalem a heavy stone for all the peoples; all who lift it will be severely injured. And all the nations of the earth will be gathered against it."

Only that in disappointment of the jews, Israel will not be an immovable stone. It will be a pile of feces, excrement and garbage, to be blotted out in the universal and existential history of humanity.

Which after their seclusion and isolation of their alien infection, will arise again into an ever greater existence.

To all our Comrades,

SIEG HEIL!!!

True, it's a case of survival and not about if we will make other cry for not wanting our race to be hunted to extinction, or fearing being called "racist".

The website below is just too gruesome to be fully reposted here with images and all, so I'm letting just the link, but it's the brutal truth of what is happening in South Africa, and being repeated in Europe and other areas. Just ignore the xtian biased bullshit. It's still informative and a punch in stomach on liberal race-traitor Whiggers.

**DO NOT CLICK** on it if you can't handle really sick stuff, or still stubbornly insist on clinging to stupid beliefs about diversity and multiculturalism. Blind idiots deserve to personally find out what you've wrought on the rest of us!

# “I Killed Them Because They Were White”

Posted on March 13, 2010 by INCOG MAN

Police sketch of unknown White girl, horribly burned to death by blacks in South Africa. She was still alive when the black bastards lit her up. Look at her: This could be your own wife or daughter!

IF YOU'RE NEW to this website and, like many Whites today, wondering what's now happening to America, then I ask you in all honesty to think about what's going down in South Africa (Zimbabwe, too) when it comes to White people. The mainstream media is keeping deathly silent about any of it, since they know if White Americans had any straight-up info, they would surely start questioning the whole PC deal.

“Well, what's all this got to do with me?” You might ask. Plenty! Besides any last shred of humanity you might still harbor for members of your very own race — after all the White guilt trips instilled by the Jew media — what's happening in South Africa is coming your way, if not already. Think that's so impossible? Ask the shades of Channon Christian and Christopher Newsom, gang-raped and tortured to death in Knoxville, Tennessee.

What do you think the real power structure has been doing to America over the last 50 years? How about the last 10? Our race has been purposefully and gradually rendered powerless; our brains are now pickled by a continuous drip-drip of multicult propaganda, while at the very same time they're exporting our jobs and filling our countries with the flotsam and jetsam of the planet!

## **The Silent Genocide of Whites in South Africa**

These kind of murders are not some random occurrence, or anomaly. No way. Over 68,000 White people have been viciously killed since the end of apartheid. Proportionally, it would be like hundreds of thousands in the US. One way to put it all in perspective is to imagine living in a US state that had these kinds of brutal crime specifically directed at your race; what would you think? Would you still keep your mouth shut and just watch more nonsense on Jew TV, hoping it never happens to you or your loved ones?

If the races were reversed in any of this, we would see the liberal media and black race hucksters screaming bloody murder on the airwaves 24 /7. Hell, they would be demanding we invade the country!

In addition, this whole situation should be a wake-up call to the White race on how these people really are, how they act once they gain real

political power over us.

For example: Black South Africans hold political meetings where they literally chant “kill the Boers! kill the farmers!” Julius Malima, the Youth League president of South Africa’s ruling political party, the ANC, recently held a outdoor rally of thousands of black Johannesburg University students where he led the crowd chanting this very thing. Whites tried to get Hate charges filed over the event, but President Jacob Zuma backed up Malima and the Whites only got the runaround by the majority black government. They don’t care!

Blacks in South Africa are openly racist against Whites. The more you study the matter, the more you’ll get pissed off at all those Hollywood liberals who go around kissing Nelson Mandela’s ass and holding telethons to drum-up more money for blacks, like they did for Haiti recently. Did they even think to do all this for the survivors in recent earthquake in Chile? It’s not fashionable to help out Whites.

Whites in South Africa are not only getting violently murdered, but are also being fired from jobs to make way for blacks and they end up living in shantytowns. Meanwhile, the country’s infrastructure is falling apart, blackouts and urban blight are common, corruption is rampant. The SA is quickly descending into a typical African nation.

ANC political boss and South Africa’s current President is a polygamist with 5 wives, and has numerous children with other women. He was once tried for rape of a HIV-positive woman but, not surprisingly, acquitted, forcing the accuser to flee the country for her life. The former Soviet Union trained him in military, intelligence and subversion tactics. This corrupt bastard has over 750 charges brought against him so far, but remains unscathed.

This kind of person is represented through-out the South African power structure, all the way down to the police on the street. Corrupt and often anti-White. White people frequently get no justice, sometimes the police don’t even show up to the scene of a crime for hours. Last year, a White man was actually held at gunpoint while black policemen took turns raping his wife. Merely reporting a crime puts Whites in serious danger from the police.

White men incarcerated often face gang-rape at the hands of black prisoners, organized by the black police!

And Whites everywhere in the country can end-up as victims, not just farmers in remote rural areas (the actual number of White dead over-all is even higher). One of the commonest sights in city neighborhoods are all the enormous security precautions taken by White families. The homes are like fortresses: High walls with barbed wire and embedded broken glass, klieg lights and attack dogs. Black criminals use markers and spray painted symbols on the walls to alert other blacks to the defenses and crime potential of the residence.

Folks, these South African Boers, or Afrikaners, are White people just like you and me. They may speak a different language but they are our kinsfolk. Also, Whites don’t usually behave like this — never have. Regardless of what the Jew organization SPLC tries to say and all the old photos from a hundred years ago they endlessly play-up on the “History” Channel. It’s all a part of instilling White guilt so the real power

structure gets away with turning our countries into profitable third world slave states.

From an article on a South African trial case for one of the few black animals brought to justice (watch videos below):

“I killed them because they were white.” These famous words were spoken last year by William Kekana, who participated in one of the most horrendous incidents in which the entire family of Mr. Clifford Rawstorne was wiped out, consisting of his fiancée, baby, as well as his own mother. Even this massacre of an entire family would not have made headlines, were it not for the fact that one year-old Kayla was executed on her very first birthday with a shot in the head. Needless to say, the two adult women were first raped before being killed.

Read that paragraph back and think deeply on the kind of animal who would shoot a one-year old baby girl in the head. And it was on her very first birthday, too! These filthy animals have little or no compunctions about doing things like this (some Negro did this to a black baby in my “news region” just a couple of years ago).

These “people” will also have a little fun before they kill their White victims by raping and torturing them. Imagine suddenly finding yourself at the hands of such animals without any means to defend yourself?

What don't you get White people, for crying out loud? Look at these photos of Whites victimized:

(DO NOT click it if you are sensitive)

<http://incogman.net/wp-content/uploads/2010/03/THE-SURVIVORS-II.jpg>

The survivors. These South African Whites came within inches of losing their lives at the hands of brutal White-hating animals.

The dead. The last thing these White people experienced, before their world turned black forever, were brutal animals beating, raping, stabbing, shooting, or even burning them to death. This is only a bare few of the White victims.

Whites horribly victimized by insanely evil black killers: 1) Woman raped and throat cut in her own bed. 2) Woman gang-raped, hung-up by the feet and gutted out like a fish. 3) Woman gang-raped, slashed and finally killed by a broomstick jammed way up her vagina and into her body. 4) Little boy literally beaten to death against a wall. 5) Old White woman killed with a broken bottle jammed up her rectum (blacked out because it's so grotesque). Can you believe this shit?

(DO NOT click it if you are sensitive)

<http://incogman.net/wp-content/uploads/2010/03/NEW-SA-MURDER-MONTAGE.jpg>

Blacks in South Africa are so sick, they still believe in a form of demonic witchcraft called "Muti." Teenager, Anika Smits stayed home from school because she was sick and blacks broke into the house, gang-raped her and then cut off her forearms while still alive. They wanted her hands for voodoo crap. She bled to death and her father discovered her body when he came home from work. The black boy chopped up in the photo above right was discovered in a witch's hut by SA police. On the bottom right, is a close-up shot of a White baby's toes tightly wrapped by a black maid with stolen strands of the mother's hair, so they would fall off and give her some powerful amulets. SICK!

The Jew media in the US never reports on any of this. Why? Simply put: They don't want Whites to get wise, that's why. They definitely don't want us to get angry and start demanding answers. It's already bad enough with all the rip-offs and wars they have going on.

And think a minute here: Why do they constantly broadcast news on White murderers in the US; some of them not even arrested or the bodies even found? Like that missing sheriff's wife, the Caylee Anthony case or this recent White pervert named Gardner in California whom they suspect of killing 2 young girls. The media goes on and on about these crimes, but somehow cannot find any time whatsoever for crimes against Whites, no matter how horrible!

Compare and contrast this media treatment of White criminals with what's really going down, not only in South Africa but America, Canada, Britain and all our formerly White nations.

Are you pissed yet?

**Who's responsible for bringing all this horror to White people in South Africa and Western countries like America**

Winnie and Nelson Mandela with the Marxist Jew, Joe Slovo.

The International Jew and his owned liberal media, that's who.

From civil rights activism, Marxism, media brainwashing and immigration of non-Whites, the Jew has always been at front and center to the destruction of White people. South Africa is but a glimpse at what these people are taking America, or any White country for that matter.

If you were old enough in the late 1980's, you will surely remember the non-stop media propaganda campaign against Whites and apartheid in South Africa. Funny, how this same media hypocritically and completely ignores the apartheid going on in Israel against the Palestinians; or the openly Jewish racism against the few black Ethiopians still living in Israel after being wooed into going there in the 1970's on the pretext they had Jew blood (Queen of Bathsheba and liberal Jew crap).

The International Jew worked for years to bring down Whites in South Africa and he succeeded. Whites are a now a powerless minority, constantly at the mercy of being victimized by roving bands of Negro criminals. Whites are being turned into shantytown beggars and fired from employment to make way for blacks.

The Jews in SA never see this discrimination and keep their jobs, because they serve as the "White faces" for any of those too stupid not to know what's going on.

Jews are even allowed to immigrate from South Africa into the US (never do the hypocrites ever move to another African country), while White European Afrikaners almost invariably cannot. White South Africans who do make it to the US illegally, often get deported, even when children are involved.

All this is NOT coming to America — it's already started!

Subject: Re: Regarding "White Privilege"

And because of this "white privilege" the minorities have their own "privileges" that they don't want to acknowledge. For example In America, minorities get favored over whites for jobs strictly because of their skin color. You have many large companies trying to meet minority quotas and thus don't hire a white even though he/she may be better for the role. Now if the minority is better for the role, it's understandable. But hiring to meet a quota gives minorities this "privilege". Often you'll see it as "minorities are encouraged to apply". Like wtf? No non-white is shying away from a job opportunity because of their skin color.

And BLM, they do these riots and they aren't shot or arrested for destroying property! Business owners have to put up with this destruction because it is "blacks protesting for their rights". Now if whites did this? There would be a shit storm coming from BLM and other white hating groups. Call that "black privilege". You can even say welfare is "black privilege" since such a big portion of those receiving welfare are black.

About white privilege and ridiculous made-up terms, Feminists and transgender activists do this as well. They all seem to blame their issues on whites by making up these new terms that fit nicely (or so they think) into their agenda. Just as minorities use "white privilege", the counterpart "male privilege" is used by these people. This term however is mainly targeted at white males. Like you mentioned, these people don't come up with rational reasons for the way things are. They use data that supports them strictly through the numbers and don't want to acknowledge the reason behind those numbers. For example, the "gender pay gap" and transgender suicide rate. With the transgender suicide rate, they state the numbers and claim it's because of bullying, or they feel out of place, or not accepted by society, and whatever other reason they may claim, but don't consider that suicides could be resulting from the psychological imbalance from forcing the human body to switch from a male to a female or vice versa. Because that would prove there is something wrong with what they're doing. Fighting nature.

They don't understand that the laws of nature still apply to us. Just because our species are advanced over animals, doesn't mean we can scrap the laws of nature and create our own. You're supposed to be with your own people naturally, like you said. So of course there are going to be issues when you try to mix these communities. They don't want to see this.

I came across a another term through watching a video last week. "White fragility". Here's the definition:

"White Fragility is a state in which even a minimum amount of racial stress becomes intolerable, triggering a range of defensive moves. These moves include the outward display of emotions such as anger, fear, and guilt, and behaviors such as argumentation, silence, and leaving the stress-inducing situation."

Now the video was from a University in Kansas, where a group of students came together to talk about the issue.

<http://m.youtube.com/watch?v=5a6gYIIAAPA>

You'll see that the whites are not the ones exhibiting "white fragility" through outward display of emotions.. It is the other side. They're having meltdowns because they were misgendered and are emotional about their safe spaces. You'll see this behaviour displayed by feminists, transgenders, and blacks.

I read it, and I realized something. The writer (a Black woman) keeps mentioning how, if someone doesn't experience being judged by their skin color, it's "white privilege".

But....

If White people moved to Africa, we would then experience, what, "black privilege"? Because if a white person is a minority, we sure as hell would be getting stared at and judged. I've been a minority before. Everybody stared. Did I make a big fuss and throw a temper tantrum and write articles about it? No, because I understood that this is what happens when you are a minority. People belong with their own people. If you see a giraffe among a herd of elephants, you're going to be staring at the giraffe and wondering what's up.

And you know what happened, in my short time in a non-white country? I realized, truly deeply realized, that I belong with my people and I never want to leave my lands (Europe, Canada) ever again.

So why aren't African Americans also coming to that conclusion? They do not realize that America was founded by White people, for White people. Europe was settled by White people, no Black person had even been to Europe until very recently in history. If anyone accuses you of having "white privilege" or being racist for thinking Europe is for White people, just point this out. Africa is for Black people, right? So how would they feel if White people migrated there in hoards and demanded to be treated the exact same way as them. By their logic, they would have to be completely fine and happy about that. No? Oh, well then! Who is the racist now?

From the article:

"If it's unclear in any way, the point here is if you've never had a defining moment in your childhood or your life, where you realize your skin color alone makes other people hate you, you have white privilege."

No, that's what happens when you are a minority, away from your lands and people.

"So if you have never experienced or considered how damaging it is/was/could be to grow up without myriad role models and images in school that reflect you in your required reading material or in the mainstream media – that is white privilege."

No, this is what you get for growing up away from your lands, people, and culture.

"The point here is if no one has ever questioned your intellectual capabilities or attendance at an elite institution based solely on your skin color, that is white privilege."

If you were completely surrounded by your own people and only your people, this issue would never arise.

"Six years ago, I started a Facebook page that has grown into a website called Good Black News because I was shocked to find there were no sites dedicated solely to publishing the positive things black people do."

Why be shocked? There's no such site for only White people.

"The point here is – not having to rewrite stories, headlines, or swap photos while being trolled by racists when all you're trying to do on a daily basis is promote positivity and share stories of hope and achievement and justice – that is white privilege."

If a White person in Africa tried to do this, they would also be trolled. Or murdered, actually. So be thankful you're only being trolled.

She ends by insisting White people stand up for fair treatment and justice, all the crap that we White people are "supposed" to do, to further the jews agenda of White Genocide.

We as a race that is currently under genocide have to stand up for our race. Any other thoughts on ways to pwn this "white privilege" lie/hoax/scam?

Mossad Agent Was A Hollywood Producer

'Fight Club' producer Arnon Milchan: I helped Israeli spy agency

Now that its admitted the jewish Mossad is operating in Hollywood as its run by jews.

The jewish Mossad was behind 911:

[https://www.youtube.com/watch?v=3qFa9\\_JjYc](https://www.youtube.com/watch?v=3qFa9_JjYc)

And we have a jewish Mossad Agent as the producer of "Fight Club".

Remember what was in the "Fight Club" Movie, note the towers in the movie that went down 911 style and are related to the financial sector as well, just like the World Trade Center.

That is not all, this is stands out side the World Trade Center....

In the movie, "Fight Club". They attack and blow up this the same art that stands at the World Trade Center.

We can note again another noted example of the jews using their media for such agenda....Sandy Hook:

<https://www.youtube.com/watch?v=KnDVjyAHT8Y>

Note the character Adam Lanza the fake shooter was cast to be a major Batman fan. This ties the subliminal from the Batman movie into the mass mind. The jews have gone far and wide to shut down all investigation into Sandy Hook.

<http://www.cnn.com/2013/11/26/showbiz/h...py-agency/>

Hollywood producer Arnon Milchan confirmed what has been rumored for decades -- that he secretly helped Israel develop its nuclear weapons program.

Milchan, who has produced dozens of major movies and worked with the biggest stars, worked for Israel's now-defunct spy unit Bureau of Scientific Relations, he told Israeli television's Uvda "Fact 14" show.

A 2011 book detailed Milchan's secret work, but until now he has not talked openly about his life of espionage.

Milchan, whose films include "Fight Club," "Pretty Woman," and "L.A. Confidential," set up and operated dozens of companies that helped Israel obtain parts and plans for its nuclear project in the 1980s, he said.

"I did it for my country and I'm proud of it," Milchan told interviewer Ilana Dayan in a report aired this week.

His spy work was a rumor in the 1980s when Milchan was producing movies, including "The King of Comedy" and "Once Upon a Time in America" with actor Robert De Niro.

De Niro sat with Milchan for an interview with Dayan for the show. He said he suspected something about the producer's "ventures" decades ago, but "I wasn't sure."

He didn't question his producer about the rumors because "it wasn't my business," he said. "He didn't ask me certain things and I don't ask him. "

Subject: Re: Climate Change

Science is a joke right now. The jews have been viciously suppressing science and run it like a religion in order to cover up our true history and keep people from advancing to the point they can free themselves from the jews. Any scientific paper that contradicts the current story of "there was an ice age 10,000 years ago," "the events listed in the bible and other religious texts were historical events," and "there is no such thing as influencing the environment through non-physical means, like telepathy," is suppressed and the scientist responsible for the paper loses their career. The Earth was a subtropical climate and the oceans were substantially lower prior to the flood 10,000 years ago.

High Priest Mageson explains more here: <http://josministries.prophpbb.com/post72436.html#p72436>

The environment is in extremely bad shape right now. The Earth is dying and we will need help from the Gods to repair the damage caused by the jewish infestation of the planet. Not only is the Earth being drained of her energy, but many areas are completely unlivable due to pollution. There are villages in China where a majority of the population has died from cancer and people in their 20s are dying from cancer.

Many problems are only going to get worse as long as the jews suppress technology. When a forest is destroyed and land is cleared, that area receives less rainfall as trees bring rainfall. As more and more land is cleared, rainfall in an entire region decreases and the land starts dying. Dry areas become drier and previously wet areas become dry. Poor land management in agriculture causes topsoil to be lost, if the land is cleared or over-grazed to the point of being barren, and all that is left is infertile sand and stone that cannot support plants. What was once a lush grassland becomes a barren scrub land after years of over-grazing.

The same happens when areas are intensively farmed with large amounts of added nitrogen fertilizers and pesticides. Adding large amounts of nitrogen fertilizer increases the population of microorganisms that feed on the organic matter in soil and those organisms degrade the organic matter in the soil. As organic matter is lost, the soil becomes less and less able to hold water and nutrients. Most pesticides destroy the myriad of beneficial microorganisms that keep disease-causing pathogens from growing out of control. Because the beneficial microorganisms are destroyed, harmful pathogens can take over and become a perennial problem that can barely be controlled with frequent fungicide or nematicide applications. It is like when someone is treated with antibiotics. The beneficial bacteria in the person's intestines are destroyed and as a result the person is stricken with diarrhea, becomes susceptible to intestinal infections, and develops deficiencies of nutrients that are normally produced or absorbed by the beneficial bacteria.

The list of environmental disasters going on right now is endless. Acidification of the oceans, salinization of the soil, acid rain, contamination of land, air, and water with lethal toxins that do not degrade over time, depletion of the ozone layer, and many other issues can be directly attributed to suppression of science by the jews. For example, if the jews had not suppressed Nikola Tesla and his quest to give free electricity to the world there would be no coal or nuclear fueled power plants, no gasoline-burning cars, no oil spills, and other related disasters.

What Needs To Be Done, We Are Winning

This is an answer I gave on a thread:

Valontuoja wrote:

Even kosher boy Alex Jones had to make a video about Israel... The following video obviously contains bullshit like separation between "good jews" and those "evil askenazi zionists". The video is supposed to make the goyim think that there really are some good jews who would never want to enslave the goyim and rule over the World.

Jews Speak Out Against Israel:

<https://www.youtube.com/watch?v=ywBoNi1VC6M>

It is interesting to note thought that even Infowars and other jew-funded conspiracy channels dare to talk about jews nowadays. Due to our rituals the jew is now forced to take control of anti-semitic movements and try to them into anti-zionism.

-----  
My reply:

This is because the jewtrix is coming undone and in order to stay relevant as a leader in the mainstream Truther world you have to start mentioning the jew issues somehow or your sunk and the jews need the gate keeping. Icke already jumped into this gate keeping mode and now the king of the conspiracy world, Alex Jones is forced to as well.

We are winning the rtr's are hitting them and this is their desperate attempts.

This is what needs to be done to address the good jew vs bad jew, this argument is their last stand tactic after this they are fucked:

Always ask people one question....."What does jewish identity mean?" That's the one question that sinks the whole argument. To be a jew means you believe in and practice the Torah and Talmud.

To be a jew means you believe.....[note Xian was code for Goy]

The above is what it means to be jewish..... So how can there be anything as a good jew?

You can't be both a jew and a good human being.

Harold Covington is some real bad news. He's a known associate of David Dukawitz, who is both Christian and part Jewish. He's a self serving online writer. He's been at every location where effective leaders have suddenly passed, first and foremost Ben Klassen. Secondly, Dr. William Pierce.

He has been involved in the shady Northwest republic boondoggle. Run for the hills mentality. In which they sold the same properties to unwary Whites with no infrastructural support.

Every time he has gotten involved with legitimate organizations, people have gone to jail.

He ran for Attorney General of North Carolina. When the White People's Party was successfully advancing, he emerged in the WPP, and there was a subsequent cointel operation against the WPP resulting in dozens of arrests involving Marine Corps recruits to the WPP. This was blatantly a FED operation involving stolen weapons, from Marines.

Covington was invited to attend the "Nazi/Klan" protest against the communist workers party, who were trying to break the owners of a textile industry in Greensboro. Covington declined. This was at a time when he had high profile in the media. Subsequently, the Klan and Nazis confronted the communists who fired first. Nazis/Klan returned fire, killing 4 New York communists.

The trials that followed resulted in hung juries or acquittal. In subsequent federal trials an unnamed informant testified against the defendants. Covington was forewarned, which leads one to question who the informant was.

The bottom line is...Covington is BAD news.

The NW survivalist deal is a replay of the 1970s and 1980s by the FED to weaken White resistance in the cities. And furthermore, plays into the hands of the

Jewish enemy in fragmenting the United States.

The above is a direct quote from my husband Clifford Herrington, who has been actively involved in National Socialism for over 50+ years.

I also want to add here, heading for the hills is aiding and abetting the enemy.

For one thing, it brings groups together so they are easily found and wiped out by the FEDS.

For another, this "underground" shit works to keep people isolated and out of the media... No contacts, the average people cannot find them to join on and thus, these groups are kept small and the FEDS know their whereabouts and monitor them, waiting for the day when they will attack and annihilate them. Since they are all together, it makes things much ease for the enemy.

This same "underground" suicidal advice was pushed by idiots, and of course their Jewish masters regarding Satanism. This way, the enemy does not have to worry about any competition or organized mass resistance to their lying and deceiving death dealing agenda.

Joy of Satan, by being very open and public on the internet has ripped them another asshole. Millions (yes, literally) now know Satanism is not a small group of lunatics that commit occult crimes, blood sacrifices and other nonsense.

By being up front and visible to the world, we have really done major damage to the Jews and their plethora of nefarious programs intended to enslave the world.

In Ancient India, many Buddhists were systematically mass murdered by Muslims, but the Hindus survived. The reason being, the Buddhists had many temples. This was where they congregated. In contrast, the Hindus worshipped in their homes and it was impossible to locate them all. Above is an excellent example why NOT to run for the hills and gather in communes.

You know what I find most disturbing about all this is these videos offer everything else as a solution to white genocide except the one thing that will truly save our people, and that is pulling up stakes and relocating to a land area where our people can isolate in order to repopulate. A few years ago I tried to introduce you people to the Northwest Front headed by a white nationalist named Harold Covington. Covington has been pushing the Northwest Imperative, an idea which is nothing new. The Pacific Northwest is one of the few remaining areas on the planet which is mostly white. Not only that it is strategically

perfect because it's close to a large ocean, because if you're trying to create a new nation it's stupid to be in a place which is landlocked and surrounded by enemies. BUT as soon as I mentioned Harold Covington some asshole from the JOS decided to attack me for my support of Covington because apparently he thought Covington was a Jew, he even called him "Rabbi Tubs", because he apparently struggles with a weight problem. I guess Covington had a falling out with some other white nationalist named Ben Klassen the author of a book called "White Man's Bible". Well I did the research and first of all Covington IS NOT Jewish. Secondly Klassen turned out to be a fake just like a lot of so-called "white nationalist leaders" have turned out to be in years past. That all being said I'm here to tell you that getting white people to wake up and become racially aware isn't going to completely solve the problem. Also doing spiritual warfare rituals against the Jews can only do so much. We have got to physically take action. Get off the internet and get on our feet.

Don't get me wrong, I'm not asking anyone to join forces with Harold Covington and the Northwest Front, but what I am saying is that he has a workable plan, and it should strongly and seriously be taken into consideration, because I'm telling you it's about to go from bad to worse real soon!

For Kenny, if you have the time and you are able to recruit that much people that is enough needed to scare the Jews, then go ahead, however how much practical and quick you think you can have enough Whites with this mindset right now, before the non-Whites come and turn the near town the next South African-like bloodshed. Otherwise this is a fantastic and suicidal idea whose reason for being so was covered not only here in JoS but also other NS groups like Renegade Broadcasting.

What we are doing right now is the most effective warfare ever. Do rituals, awake more Whites - and since you tell about an army AWAKELOW RANK MILITARY PERSONEL - THEY ARE ALSO WHITE GENTILES, learn self-defense, learn not to be dependent, like the channels I recommend, or use military service for this purpose. The possibilities are immense that are not gather in a small community to be slaughtered easily like cows in a farm.

My response honestly really had nothing to do with Harold Covington and everything to do with the fact that I see no visible resistance by white people anywhere, whether they're Satanist, Christian or anything in between. I personally have gotten to the point where my race is my religion! Hell why not? The fucking Jews did it! They made their race their god and religion. They even have a so-called homeland called Israel. What do we have? Nothin! Where is the white resistance army? Why aren't we going into the ghettos of Detroit and Chicago and taking back the modern civilization our ancestors proudly built? Our racial enemy the Jews have successfully organized an army of angry savages against us. When are we going to organize OUR army? I mean a real physical army! Covington or no Covington I'm ready to get together with a couple thousand of my white brothers (Satanist, Christian, or otherwise) and kick some ass here. The militant blacks don't see me as a Satanist, they see me as a white man and all white men in their minds must die! Period! HP Maxine I definitely think what you have said in the past is 100% correct that far too many people underestimate Jews and Jewish power. They are so devious and it is almost like they are obsessed with education and knowledge as well. Not only that but then you factor in the amount of money they have and also the psychic energy that has been feeding into them through the enemy programs. Usually I am careful in talking about the power of the enemy to comrades because I don't like to demoralize people on our own side but I think it is important that people realise we can never be too careful in dealing with the enemy. If I have a question about anyone or anything I bring it here because my fellow SS and the Gods have never let me down.

I would also like to add here just how spiritual this is.

There are racial differences in the soul. The Jews have completely alien souls. Their koshas (layers of the soul) for one are not normal. The Vijnanamaya, which has to do with conscious feeling in the way of healthy compassion for worthwhile life is more than likely missing. This would be necessary in order to have a mind hive, which they are. Ever know a Jew who isn't a communist?

Many, many years ago, I worked a Halloween party as a psychic, Tarot reader, etc. It was in this expensive condo in the penthouse. There were other

psychics with me. The party was nothing but Jews. I was very young, but I knew.

The Jewish aura is flat and sucks energy like a parasite. I could feel this. This definitely indicates certain parts of the soul are missing.

I left very late and got on the bus to go home. I spotted a Gentile woman on the bus ride home dressed in a Halloween costume and she was vibrant with positive energy. After getting out of that Jewish party, this was blatant and I will never forget it.

HP Hooded Cobra told me how Satan told him that one normally reincarnates into the same race. The enemy has been destroying our White race through genocide, and this impacts that there will be drastically fewer White bodies for White souls to reincarnate into.

In addition to this, Lilith told me more than once, that the ability to achieve physical immortality has to do with how White one is, in the way the White race has genes and potential from the Nordic Gods, that is not present in the other races.

Thoth also stated "People of the Blood" meaning Whites. Once the White seed is lost, what is remaining will be damned.

Subject: Re: Regarding "White Privilege"

The Jews who control the media and academia have pulled off quite a remarkable feat of managing to convince average Whites that human rights and international law are all in favor of open borders and unlimited immigration. But it is not so. The fact is the right of self determination for ethnic groups is a

principle which is universally recognized for all other peoples of the world, it is also what the Jews used to justify their ethnic state of Israel. People of European descent (Whites) are the only ones being denied the right to self determination and condemned as "racists" when asking for it. <https://en.wikipedia.org/wiki/Self-determination>

Lydia the thing you have outlined here is partly why there is actually a strong international consensus that ethnic groups have a right to self determination, that is to say their own land and nation state. Because if a people has to live in a situation where they're a minority that is a disadvantaged placed on them, where at best they'll be marginalized and discriminated against and at worst face persecution or even genocide and that is what will happen to Whites once we become a minority in our own countries unless mass immigration is put to a stop.

It's not about Negroes being good or bad, or Whites being good or bad, or any race being good or bad, it is just the reality that humans are tribal creatures and that blood and kinship are what create a nation not flag and dirt. All the problems of race that have happened in America for the past 400 years would never have happened if Blacks and Whites would have had their own countries, regardless of who is right and wrong. For arguments sake, we can even pretend all the problems are 100% White peoples fault, even if that was true, none of it would have happened without two different races sharing one territory. Bottom line.

Armenians as a minority in Turkey had genocide committed against them.  
Armenians in Armenia where they are the majority are completely safe.

Indians as a minority in Uganda were ethnically cleansed and mass murdered by Idi Amin.  
Indians in India where they are the majority are completely safe.

Whites as a minority in South Africa have been placed on Genocide Watch by the UN because of how much they've been murdered. <http://www.genocidewatch.org/southafrica.html>

Whites in Iceland where they are the majority are completely safe.

Blacks as a minority in Libya were being hunted down and lynched by rebels after they took out Gadaffi,  
Blacks in Nigeria where they are the majority are completely safe.

These are just a few examples. And it is not because Turks or Arabs or Blacks or whoever are all inherently bad, it is just that this is what happens in multi-ethnic/multi-racial societies. They don't work. We also have counter examples of racially homogenous countries like Japan and they don't face anything like the social problems America does.

The point is in light of the above why would any sane White person want an immigration policy that will make them into a minority in their own country? And notice also nobody else in the world is going for that, Japan, Turkey, Korea, Nigeria, Sudan, Saudi Arabia can you name me even one non White country which is allowing immigration to the point they'd make themselves a minority in their own land? It is just common sense not to allow that.

Liberia has a "Negroes Only" nationality law [https://en.wikipedia.org/wiki/Liberian\\_nationality\\_law](https://en.wikipedia.org/wiki/Liberian_nationality_law)

Remember we've all had it pumped into our heads our whole lives that any form of White identity is "racist" or "bad" or "evil" or "ignorant" or whatever. But it is all guilt tripping, it's all propaganda. Identifying with your people and wanting what is best for them is the most natural and normal thing in the world. Something the Jews themselves take to an extreme. Lydia be sure to never believe you are a bad person for loving your race and wanting what is best for them or wanting to have a place to call home as a White person where you are safe.

Subject: Satan, Aryanism, and The Al-Jilwah

Satan is Sanat Kumara/Melek Taus, the Peacock King of the Sanatana Dharmic Aryans of Vedic-Hindu India. India and Tibet were populated by the Native Aryan Race before the uncivilized mud races came and waged war against Satan's people--our people. This was when our Race went west to Sumeria, Babylon, and Egypt, as well as Northern and Western Europe.

As other Joy of Satan/Black Sun High Priests have stated, Satan means Eternal Truth in Sanskrit--one of the earliest languages, common among both humans and the White Gods. However, it is Vedic Sanatana Dharma Hinduism that is Satanic, and it predates the non-White, Kosher, corrupted piss and shit that we see associated with "Hinduism" today. Regardless, unlike the labyrinth of mystical paths with only a flickering candle that is offered to light the way on the cobwebbed path to enlightenment in the Western Mysteries, the Far East, where there are still very strong Satanic Aryan energies, there are answers that are readily available for the Aryans who have eyes to see and ears to listen.

The point of this statement, is that, like Thoth's statements about "those of the blood" and how certain mud races are completely hopeless when it comes to any attempt at civilizing them, Satan gave us the same warning in The Lost Book of Enki. I am currently writing a sermon that briefly mentions how the White Aryan Race used to be Gods and Goddesses, but the \*true\* "Fall" occurred when inter-breeding occurred between Aryans and the lesser races. This is Satan's message in The Lost Book of Enki.

For those of you who don't already know, or had guessed, but weren't sure in regards to what Satan says in the Al-Jilwah... Yes, the three things that Satan says are against him are the Jews, the Christians [deluded White Gentiles, mostly], and Muslims [mostly Islamic racial scum], Satan told me that, in the Al-Jilwah, when he states that he does not allow friendly association with other people, this was a warning to us that if we get on friendly terms with outside races other than for public relations, then miscegenation and race wars, as well as the eventual complete extinction of our bloodline that originated from Satan, himself will be the result, and it would be the Jews who are once again the victors, with their Jewish King, the equivalent of the fictitious Jesus of the Gospels ruling from his Jerusalem headquarters. When Satan clarified that statement from the Al-Jilwah, is when he told me that when people reincarnate, the souls of each individual choose a body that is of the same race and gender, as from their previous lives. The corrupted concept of "Karma" can try to say that some people can reincarnate as animals or a tree branch or a stone, but none of this is true. Satan knows what he is talking about.

The most important thing that I can state for this message right now is that any White Aryan person who is against the Jewish people and will fight to the death for Satan, is themselves, \*a Satan,\* since the name that means Eternal Truth in Sanskrit means Enemy and Adversary of the Jewish people in Hebrew. While it is HaSatan [the Satan/Enki-Samael] whom the Jewish people fear the most, it is a united White Aryan Race that has returned to its Pagan roots that bring out the Satan that is within all of us--the enlightened Serpent, if you will. It is the Fuhrer who will rise again, not the fictional messiah of the Jewish people.

Do you want to be \*a Satan\*--an enemy and adversary of the Jews? Fight for Satan, but do what Satan would do... PUT YOUR RACE FIRST AND EVERYTHING ELSE SECOND!! This does NOT mean to skip meditations and other methods to perfect your individual soul, but it does mean that there may come a time that you will have to put away the amusements and distractions that the Jews have hooked us into their domestication "farm" with for two goddamned seconds, such as iPhones, iPods, nicotine, drugs, alcohol, porn, and related guilty pleasures and vices. While I would never personally wish to treat such vices as "sinful," I am speaking about the health and well-being of one's entire race, rather than just the individual. More about this in just a short while...

While the homosexual population has a lot of work to do in order to detoxify from the egalitarian, politically correct Christos-Marxist lies, as well as behavior that puts the White Aryan Race in danger because of animal-like promiscuity [not all third sex people are like this], and drug and alcohol abuse, it is just as much the fault of "White Evangelical Christianity" that is to blame for the third sex to leave their posts of protecting the Family and grow up to learn how to be father and mother figures for entire Nations. There will also be some third sex individuals who will be able to procreate, but pressure cannot be put upon a person to perform such a task. It would be just like trying to force a person to meditate under gunpoint. The people who call themselves Satanists, but see ALL homosexuals to be "dirty subhuman queers" are NOT Satanists! They are the Christians who still have moral and religious issues about homosexuality, but grasp at invisible straw men "arguments" to come up with a fake "racial" reason to be against it. Regardless, like I have already stated, all of this is two-sided. The homosexual population needs to wake up just as much as the Christos evangelicals.

In response to something High Priestess Maxine Dietrich stated earlier in a reply to someone here, RACIAL BLOOD IS SPIRITUAL!! The Jews have trained our people to have sympathy and compassion towards inferior races. I used to be open about some of my knowledge [as opposed to "beliefs"] with certain friends and relatives, but needless to say, that didn't go over to well. However, my father is a Patriotic, pro-White, but also, unfortunately, pro-Christian atheist. I just ordered a copy of The Emerald Tablets of Thoth and The Lost Book of Enki for him so he can compare and contrast what he thought he knew in comparison with the facts. Luckily, he is open-minded.

When I finally read Alfred Rosenberg's The Myth of the Twentieth Century, despite his bullshit about "Negative [Jewish/oriental] Christianity" versus "Positive Aryan [Pagan] Christianity," last February, I was in complete awe because I knew from the depths of my deepest soul that he was in communication with Satan about many of the things that he did get right, namely many events of Aryan history, and the FACT that we DO have a collective Aryan soul.

It is my Satanic inner knowing that Satanic hedonistic individualism can only go so far unchecked without there being a penalty. This isn't about "sinfulness versus righteousness" or any other Christian SHIT! What this IS about is the fact that every individual Aryan is like a "stream" while the actual Aryan Race is more like an "ocean." Each individual stream pours into the ocean...the larger picture. With drugs, miscegenation, rape, violence, murder, pedophilia, and related vices are acted upon enough times by individuals of a race, these vices CONTAMINATE/POISON/TAINT our collective blood. When it comes time for an Aryan soul to reincarnate, there are fewer and fewer Aryan bodies to choose from. As this degeneration progresses, eventually, the very memory of planet Earth's Race of Creators, Civilization-builders and Culture-bearers gets utterly blotted out.

We still have Satan and we still have hope on our side. There is still enough for us to go around, but if we keep wasting it, we will never get it back. For anyone who says, "But High Priest Jake Carlson is a homosexual! What could his sex life possibly have to offer our race when he speaks of putting Race first?" Well, that is easy. I am an Aryanist. Aryan = [White] Satanist and I will be accepting my rightful place as an Aryan Leader. While I am in a life-long relationship, I still would have more time on my hands than a heterosexual couple who has their responsibilities including children to raise. Although none of this is anybody's business in the first place, many people forget that although Adolf Hitler is heterosexual, he was a Leader and a father for an entire Nation, rather than a father of biological children. Such will be the position of some individuals who are what the Hindu scriptures refer to as "impotent with the opposite sex."

Satanism is the Racial Religion that many of us here know to be called ARYANISM. If you know anyone who is racially alert, but is a closed-minded asshole when it comes to Satanism, press their buttons subtly, but surely, until they KNOW that Satanism and Aryanism are not in any way separate, but are 100% identical.

Always remember that while Satan is flesh and blood \*real,\* as well as is to be taken literally, he is also the foundation of the Aryan Race. Putting your Race first and foremost is to put Satan first and foremost, and putting Satan first, in an Aryanist context, is to put your Race right where it's supposed to be...FIRST!

HEIL TO ALL OF MY SATANIC ARYAN FAMILY!!

666/88!!

High Priest Jake Carlson

Subject: Re: Satan, Aryanism, and The AI-Jilwah

Thank you once again for a beautiful sermon my priest. I have always lived by what you are saying here about putting our own race first, I did that almost instinctively even as a 10 year old girl I felt that way. I know that's hard to believe but you can thank my dad for that, he's like your dad pro White but Xian. I was pro White before I even came to Satanism I had no idea the JoS would be pro White when I first discovered it but I couldn't have asked for anything better than a pro White, Aryan Pagan/Satanic group.

That being said, for my own emotional well being I have had to start drawing a distinction between Whites who also put their own race first and those who don't. I consider true Aryans like you and others in this group to be my brothers and sisters and to some extent other pro Whites even if they aren't SS, I will always put them first. But my love and commitment to our people is not indiscriminate. I will not make the same sacrifices for White liberals, leftists, race mixers or Whites who are just plain lazy and ignorant. Whites who care nothing for their race and would happily shit all over us if they benefited from it. I am completely detached from these people emotionally. I used to feel repulsed and enraged by race mixing Whites, now I just ignore them.

Don't get me wrong I give everyone a chance, if they're willing to listen to us and let us educate them and become SS or at least a White nationalist. But if after that they wish to remain ignorant or worse still actively work against our people, such as the politicians and leftists, Nope. Not only will I not put them first I will be happy to watch them burn because as I see it, in a just world, Whites who are pro multicultural would be tried with treason and sentenced to death and those who wish to benefit from the group but contribute nothing back, well I think you know what would be done with them.

What the internet has taught me though is that there are actually far more Whites who are genuinely concerned for our race than the media would have you believe or that you'd know just from socializing in general. The anonymity of the internet allows people to express their true feelings far more than in public and there are millions of pro Whites using the internet. So we have no reason to be pessimistic about the characters of many of our people. I believe with the right guidance we can reach them.

HAIL SATAN!

Thank you everyone for your replies. I grew up in northern Canada and never saw a non-white (other than natives/amerindians) until I was in my 20's. This is all still quite new to me.

I love what you wrote, Ashleyslade. The other replies too, I took to heart. Thank you.

Keep It Real, The Truth Of What's Happening Now Election Time

About the Trump and Hillary, election circus in the Big Top of controlled kosher politics'.

Trump is a typical Neo-Cohen, and Hillary is a typical Neo-Liberal.

Trump is tied to the hip to the Rockefeller's and Rothschild's, the Clinton's are tied to the Rockefeller's and thus Rothschild's. The actual Jewish elites who run America at the top.

Trump Works For The Global Jewish Elites:

[topic14453.html](http://topic14453.html)

Neo-Conism was created by communist jews to turn the rightwing into a jewish hangout and push communism by the right. Neo-Liberalism, used to just be called Cultural marxism.

The left and the right are the same sides of the ideology of judaism.

Hillary is a marxist jew, (((Rodham))) who was writing letters of worship to the jewish communist leader, Saul Alinsky. Obama is another jew from his mothers side who is a marxist as well and was associated with marxist groups when he was younger. Sanders another jew is called "communist Bernie" lived in a Stalinist commune in Israel when he was younger and worked for the America communist party most of his life. And was allowed to run for President of America. The Democratic leadership is all criminal jews who push the same talmud of communism under new banners.

The Republicans are lead by communist jews and funded like the other side the Democrats, by the same jewish oligarchs the Rothschild's, Rockefellers and such. Who organized the creation of communism and funded the revolutions which is take over for the jewish elites. The Rockefellers who Trump is tied to. Created and funded the America communist Party.

The communist ideology is the talmud of political judaism, its the way the jews attempt to create a globalist dictatorship under the torah. Wrapped in a hammer and sickle. Why do you think it was all jewish rabbi's who created this communist plot in the first place. Rabbi Marx and Hess both admitted the aim of communism is to create a global jewish dictatorship. That is why jews always push this, its the way to actualize their jewish scheme into the world fully. Reality is communist is the new word for jew.

The jews are busy promoting as much chaos in our society as possible under new terms for the same jewish agenda. Create as much chaos in the name of freedom till the host is destroyed from within. And then build the communist dictatorship of the Jew World Order on the ruins.

The jews will continue to use their control in America to do this. Till nothing is left and America is destroyed and absorbed into a globalist dictatorship.

So why are you voting for them blue or red to do this to you?

Blue or red, its the same old jews who want the Goyim dead.

I found this quote online and it struck a chord for me. Made me want to sit down and write about what it was making me feel:

*"There are a thousand hacking at the branches of evil to one who is striking at the root..."*

•

Henry David Thoreau

This quote made me think....how there are so many people trying in different ways to resist the Jew, most of them without even realizing their true enemy...like people trying to expose the systematic chemtrailing/poisoning of our air, or people resisting Monsanto's frankenseeds, and countless other groups. All striving for normalcy in a world of madness. They don't know who is behind all of it but still, they fight in their ways to try to help the world. But there is only ONE organization that is going for the root. And thats US.

Doesn't that make you proud? Isn't that something so very special and wonderful, what an honour it is, what an opportunity to do something REALLY meaningful and worthwhile, to take some affirmative action and DO something to help this poor world, what a GIFT it is, to be one of the few who are part of JOS, Dedicated to Satan and here right now??

WE are going after these monstrous evil fuckers and fighting them spiritually, as they have done to us for so long! Taking their curses upon Gentile Humanity and turning them around and back upon them! Thanks to the direction of HOW to do this provided by our HP MD, Satan and Lilith! It's a wonderful thing, a wonderful time to be alive; here, on this battlefield! To be witness to this pivotal moment in our history!

Yes, its ugly and foul, yes there is so much abominable pain, suffering, misery, all wrought by the enemy of mankind. There is a terrible push on to exterminate our white race and horrible atrocities perpetrated upon us. This is all true but...there is a brilliant light that exists in our darkness. We are not alone. Satan, Lucifer, Light Bringer! Oh Father! We are not forsaken! Father is here with us, the Gods are here with us and so long as we can fight with them there is hope for a final victory. I believe we WILL prevail in the end.

*"Rather than love, than money, than fame, give me truth."*

Jesus Is Jewish Witchcraft, Based On Stolen Knowledge

All Stolen And Corrupted From The East

The oldest community of jews are in India, in Kerala. The jews are originally from India and judaism is corrupted from ancient Hinduism into something that looks like a typical jew, hideous.

The jews created Christianity as a weapon:  
[topic174.html](http://topic174.html)

In the torah it states that Abram came from the lands beyond the river Euphrates from the land of the Chaldeans, this was not Iraq but the Indus Valley.

The land of Kashmir was called Ur of the Kuladeva's, Ur is Sanskrit and means From or land, place, kingdom. The images the Chaldeans left of their own home land show it was in the region of the Himalayans, the Indus Valley. Chaldea is Kaula as well.

Megagasthenes the ancient Greek historian who lived in India and wrote a historic account of that place

stated: The jews were an Indian tribe or sect....

We know the founders of Judaism are actually Abraham [Brahma] Abraham's father is Terah, Terah is a title of Visnu the father of Brahma and Sara is Abraham's half sister and wife. This is Saraswati the half sister and wife of Brahma and Issac, Issa is the name of Shiva.

Abraham is also spelled Abram, which is Father RAM....Father RAMA. The sun god in Hinduism.

The jewish school the Yeshiva is a Sanskrit word. Yeshiva in the east means "The Shiva." Which in English means "The Destroyer". They literally call their academes: "The Destroyers." Were they learn how to destroy the Goyim.

The ancient U and V are interchangeable.

Another spelling of this in the east is Yeshva, which becomes Yeshua the name of the jewish messiah, from their torah, Yeshua is Joshua in English who conquerors the promised land and puts the Goyim nations to the sword and makes the survivors slaves to the jews. No mistake Jesus is called Yeshua its their thought form to conqueror the earth. The name of their school were they learn to conqueror the Goyim nations is named after their messiah occult wise.

The name jew in Hebrew is Yehuddi this means warrior of Shiva, in Sanskrit. They are at war with the Goyim, so Yehuddi, warrior of their god The Destroyer.

Yesh is a word of power for Shakti in Tibet.....Yesh...va.....ua, YESHIVA/YESHVA is the name of the Shakti power. This is the Para Shakti, which the jews call Shekinah which is close to Shakti in spelling still. Which is the power of their god in kabala. This is the collective energy of the jewish race and the messiah they created. The thought form, Yesh...ua.

This is also stolen name of Krisna, Krisna's mother is called Mari-yah which means the mother of Yah. Yeshua is also YAshua, the god Yah note the ua is VA.....Yahveh or Yahvah the name of the jewish god. Is just stolen from YASHVA. The god Shiva. They tied this in with their christan thought form to damn the Goyim. The whole tale of jesus krist was stolen from that of Yesu Krisna.

In the east, Saturn is the last day of the week traditionally so its the seventh day not the sixth. Sunday is the first day originally in the east.

Saturn's number is Seven. SHIVAN....so Shiva,[SHIVAM is another spelling of Shiva in the east] means also seven in Hebrew. And the jews Sabbath is on Saturday. Sabbath is from the east its Saba which relates to god as sound, this when they read their Hebrew prayers and curse the Goyim. On the day of THE DESTROYER. Saturn rules such in the negative aspects. The image of the Grim Reaper is from the card that rules Saturn in the Taro.

El Shaddi the name of the jewish god, is also another name of Shiva in the east.

The mezuzah the jews put on their door post, mezu means Moses in Arabic such as Syrian. Moses properly is Musa in Sanskrit and Arabic, as well which means Messiah in Hebrew and such. Musa is the name of the animal totem of the god Ganesha. The rat how ironic considering what jews are. The Shin letter is put on the Mezuzah and spells the name of the jewish messiah as this mezuzah means messiah in hebrew. The Shin

letter contains three letters within it. Which in kabala can and are spelt as the following. In the Shin on the mezuzah is the Yod, which becomes YA, Shin goes to SHI, VAV to VA. This spells YASHIVA and the Shin letter is the power of their god to destroy all the enemies of Israel in the torah. And the Shin letter is the trident symbol the symbol of Shiva and represents the power of their god as destroyer.

Note this Mezuzah spells the name of their messiah on it. YESHIVA is also spelled YESHUA. The name of Jesus is the occult name of THE DESTROYER, of the Goyim. As this is what the mezuzah represents. The jews also attach their Shema prayer school to this. Which is a Hebrew curse on the Gentiles. This Mezuzah is a symbol of jewish witchcraft and black magic against the Gentiles. And it spells the name of JESUS in Hebrew.

Their messiah is: The Destroyer.

YESHVA-YESHUA in Kabala is the three powers of the throne of the jewish god, which he uses to rule and destroy the Goyim.

YESHUA [Jesus] is the power of the jews to destroy the Goyim and create their global kingdom promised to them in the torah.

In the east such as Japan in Shinto which is the ancient religion of Japan. A important festival is done in what is called Mt. Moriyia for the Moriyia-no-kami, The God of Moriya. The name Moriya is Moriah the mount Moriah of the jews in their torah. This is the menorah in judaism.

The Shinto Priest also wear the same black box on their head the jews do when they pray and in Shinto they call it....."Tora-no-maki" which means:" THE SCROLL OF THE TORAH".

The Japanese Shinto also carry the Omikoshi, its a Shinto ark carried the same way the jews carried the ark in the torah. They also call this the "Harainusa" in Japan, note Haraim....usa. The builder of the Temple of Solomon, Haraim. Which is also Haram, THE RAM. RAM is the name of the sun god in Hinduism.

Amenominakanushi-no-cami. Is the name of the original god of Shinto in Japanese. Note the AMEN.

You can find the Hebrews letters in the east, such as Peh, Vav, Shin, Kap, Ayn, and such. The hat the jews wear, the kippah, is in the east. They refer to it as the Kappa. Its known that many jews who got into Hindu esoteric knowledge and Buddhist tantra ended up leaving as they just observed they were practicing Kabbalistic judaism. Which is the fourth and highest level of judaism. The star of David was stolen from the east as well its the star of Visnu.

Note David is also stolen from the east. DA is a title of Shiva and Vid mean knowledge, DAVID=knowledge of Shiva. Remember Yeshua [Yeshva] is from the line of King David in the bible. This King spent all his time destroying the Goyim nations and making them slaves. Hence DAVID the knowledge of the Destroyer. Which is the goal of the jewish messiah.

As the jewish Talmud states:

"Kill the Goyim by any means possible". Choshen Ha'mishpat 425:50

"When the Messiah comes every Jew will have 2800 slaves". Simeon Haddarsen, fol. 56-D

Latin is Sanskrit in its origin as are all Indo-European languages. Angnus comes from the Sanskrit Agni.

Agni is the first word in the Veda, AGNI means fire but is also a god who is shown riding a lamb or ram. This is the Angnus Dei of the Catholic church, The Lamb of God. This was the original banner of the Catholic Church. Their literal emblem and motto is Agni is god. The church even has a saint Angnus..... Its all stolen and corrupted.

@ satansdemons there are close to 1 billion Whites world wide at this point. Yes we're declining as a PERCENTAGE relative to the growing number of muds around the world and lower White birthrates. But we're NOT dying, in fact in terms of the pure numbers of Whites, there are more Whites on the planet today than at any other century. I'm not trying to start shit with you so sorry if I seem argumentative but I'm just getting a bit sick of all the doom sayers about how Whites are dying. The Yezidi survived for hundreds of years as a tiny minority under oppressive Islamic governments actively trying to eliminate them and they survived. Roma Gypsies who have an average IQ of 80 and are a minority in every country in the world have also survived to this day. And as we all know the Jews survived as a tiny minority, we know because they love to brag about it non stop.

But Whites who are one billion in number and have survived ice ages, the dark age, two world wars,

communism and not only survived but we are still a pretty wealthy and successful group relative to many populations of the world despite everything that has been thrown at us, you're telling me we can't survive? What a weak willed group of people we must be if we can't survive a fucking bad immigration policy. Seriously, I don't like our governments or agree with its immigration policies anymore than you but you really got to have more faith in our people than that. That's not to say there aren't bad times ahead or that the current system is good for us because it's not, but it will take a LOT more than this to destroy us. Above all else we are going to survive because White racialists and SS like me and the Gods have made the decision we ARE going to survive and that's the first, second and last of it.

Subject: Re: Regarding "White Privilege"

The problem is that the population of non-mixed Whites is much less than one billion people. Because of Jewish interference in our affairs and our underestimation of these goddamned lizards, we have been rushing headfirst to our extinction and subsequent damnation.

Optimism is important, but so are regular reality checks, sleeping with one eye open [so to speak], and being armed. It is better to expect the best, but to always be prepared for the worst. To be completely honest, our Race has been going down the shitter to the extent that our minority can only do so much without the Gods of Hell stepping in at some point in the future to turn things around.

Satan gave me a future army of homosexuals [the third sex] to train, and one of the Jewish lies that these people have been fed is that reproduction is a "sell-out" and is the "refusal to be true to oneself" because reproduction is supposedly only for heterosexuals. What a filthy lie when the death of the Aryan Race or reproduction are the only choices! These Christian left-wingers follow the Jesus of the Gospels but not the Christ of the Moral Majority or the Christian Coalition. The Christian Right versus the Christian Left is a ridiculous mock war that I don't understand how blind most people are to it and how they can't see that the Jews are the marionettes pulling the strings for both sides. The point is that I have to pound these lies out of this "community" so the Jewish scums can stop pitting "White heterosexual" against "White homosexual" [and vice versa] because this division of the Aryan family is the work of the Jewish forces between Jesus Christ, the ultimate proto-Marxist. But this is neither here or there; this is just one example of my work for the Joy of Satan Ministries that affects not just the third sex, but all Aryans.

Anyways, during post-World War One Weimar Germany, the Jews were pushing anything BUT reproductive intercourse and the importance of family life. While the Nazis acknowledged that there are a population of Aryans who are naturally third sex, they had to restore order because the war dead and the dead who had starved to death on the streets during the Weimar Republic had to be replaced. The Jews, including the likes of the sexual subversive pervert, Magnus Hirschfeld, worked overtime to create a climate that didn't prioritize the birthing and raising of children to replace the war dead.

Not only that, but since the earliest days of the Thule and Vril Societies, as well as even before that, Prophets of Nazism, such as Friedrich Nietzsche, Jorg Lanz von Liebenfels, and Guido von List were influenced by Satan and his Demons because even though they, themselves, were not blonde, they were alerted by the Nordic Demons to the necessity for the Aryan Race to experience a new mutation where we are once again Nordic Gods and Goddesses like we used to be during Atlantis and before we mated with the inferior races, which led to the loss of our immortality gene. From this mutation will emerge the Aryan Master Race once again, and the MAN-GOD who Adolf Hitler saw in Satan and his Demons. For people who are Aryan, but not blonde, this is proof that Satan and his Demons still find many of us worthy of being vessels for his will.

In a recent post I made, I think I came off the wrong way. I said that we have hope and "enough hope to go around," but the absolute truth is how much hope we have depends on us. In Satan's New World Order, Race-traitors will be sent to prison camps and/or will be executed as examples, as far as I know. We can never let this hell [not sure of a better word] manifest among us ever again.

Because of Christianity's leniency for race-mixing between Aryans and non-Aryans, we are officially a minority, but do we get any coverage to show that it is the non-Jewish Whites who are the victims of the

other races who are supposedly "persecuted minorities" but they outnumber those of us Whites who are the least mixed? What about coverage for anti-White violence? HELL NO!!

We are Satan's. If our side wasn't still a minority that is deprived of power, things would be a whole lot better, and this is why we cannot follow the suicidal advice of Jesus Christ to plunge our swords into plowshares and make love, not war. Our future depends on us and the reservoir of power that we build and maintain through spiritual warfare and Racial Loyalty.

When you say pure White Aryans, how can I identify them? Do British and Anglo Americans count as pure White? I have dark blonde hair and blue eyes but I don't have Nordic features like the long head or straight nose. I have freckles and a kind of flat snub nose, common in people with British ancestry.

I know that there are lots of Whites who are actually mixed even in Europe like I notice a lot of Finns and Icelandic people have east Asian type eyes and wide round faces. True I have seen very few people who are tall, slender, with light blonde hair and blue eyes and even if I do meet someone who looks like that, their parents usually aren't and it came about from a random shuffling up of genes, not from a pure Nordic bloodline most of the time.

I am not an actual expert when it comes to identifying how much or how little blood a person has, but Satan wanted me to answer the message. The point of the message is that the White Aryans who are the least mixed and are the most pure are dying left and right, but what I forgot to say is that for those of us who may have small amounts of non-White mixture can ameliorate our race through Satanic disciplines such as meditation for spiritual power and evolution and selective breeding. A point that I was trying to make, but I

don't think I got that far was that the people who try to make "excuses" for race-betrayal such as "Most of us are already mixed and don't even know it" or related cop-outs, will experience the wrath of Satan because when one neglects their race in favor of others, they are rejecting Satan in favor of the Jewish and Negroid "gods." Anyways, I still have a lot more to study as far as specific racial features are concerned. I'm just aware of Satan's wishes.

As far as the White Aryans who feel that they might have some foreign blood, the idea is to breed the foreign elements out. It is willful miscegenation that will get individuals punished by the law.

I had a few questions I was hoping someone in this group could answer. I will preface this by saying that I am in full agreement with the JoS' stance on Race, and I do warfare everyday for Father Satan. I am very grateful for the knowledge that Father Satan, the Gods of Hell, and the JoS have given me.

I have had some concerns over my racial makeup lately. I am White, and I look White, but I do not look very Nordic (I have very light skin, but I have light brown hair, greenish eyes, and am pretty short in height.) I am mostly Polish, and I keep on worrying if I am White enough. It's like there is a voice whispering in my head that I am racial trash and will be purged once the Fourth Reich comes. How do I know if I am White enough? It seems that many Easter Europeans have some mixed blood, and I am worried that this has destroyed my blood. I want to work for a Whiter tomorrow, but struggle with near-constant worries over if I am worthy. I would greatly appreciate if someone could provide some clarity on this. I do not want a watered-down answer, I want the truth, even if it is difficult. Thank you.

I apologize for any uncertainties I may have caused for some people. Although I can be very "anal" when it comes to my spelling and grammar, I am far from being the greatest orator. The purpose of my words is to weed out the dross and separate the wheat from the chaff. I don't think you have anything to worry about. It is usually nine times out of ten that the most Patriotic White Satanists start doubting themselves because of enemy influences and spiritual attacks. The remaining one percent are usually the people who are either Jews or muds that will eventually betray Satan and his Demons, due to the unbearably conflicting spiritual enemies, and because they can't handle that they are inferior.

Anyways, I myself am fairly short, and I have the blue-gray eyes, but brown hair when my head isn't shaved. I come from Irish, English, Swedish, and German. Although the Irish Druids also used Runes, I feel much more of a "magnetic" pull coming from my German ancestry, even though it is less in comparison to my abundance of Irish and Swedish blood.

I don't think you have to worry, so please rest your mind.

First of all, ignore the voice. It is an enemy entity that is telling you crap to try and undermine your spiritual progress or make you upset enough that you try to hurt or kill yourself. Small amounts of racial admixture can be cleaned out through yoga and meditation. Void out the thoughts as they are not yours. You should also do a Banishing Ritual daily to keep enemy entities out of your room/house and keep them from harassing you. You can visualize Satanic electric-blue fire filling your room/house or burning an enemy entity directly to banish it.

+funnyfred1932 What I am wondering though is are there naturally sub-types of Whites who are not Nordic but yet not mixed? Because I don't know of a time in history when Slavic or Celtic Whites did mix in large numbers with other races, I think we could just be naturally different breeds of Whites. Also what about things like red hair? That's not a Nordic trait but it definitely doesn't come from any of the Muds.

I don't have many Nordic traits either. I have blonde hair and blue eyes but my hair is a dark blonde. I am 5 ft 10 which is tall for a girl but I don't have any Nordic features, I have a small forehead, short snub nose, round face and a full jaw.

My ancestry is mostly British, though I have some other great grandparents who are White Americans and I don't know where they are descended from.

From what I have read, pure Nordics are tall, slender, light blonde hair, blue eyes, with long heads, slightly high foreheads, an oval face and have straight average sized noses and a kind of a golden white skin. In other words physical perfection. x3 They resemble the Gods.

I've noticed a lot of people who are uncertain about Aryan vs non-Aryan and so on, or how Aryan they are based on their appearance.

I hate to promote facebook and twitter, but there is one woman who has a very talented eye for Whites. She has a page called Nordic Beauty, where she has posted thousand of pics of men, women, and children. She gets a lot of comments about people mentioning how some pics aren't of "nordic" people and she always replies, pointing out the vast differences our beautiful race has. She had to use the word "nordic" to not get banned for so-called "racism".

There are Whites with blond hair, brown hair, red hair, and even black hair. All eye colors, and varying skin

tones. Looking through her pics gave me a sense of how diverse (in the true sense) our beautiful race is.

She also mapped out the differences between genetic groups of whites and where they are natively distributed across Europe and explains things in depth.

She's also Pagan and hates jews. I'm not sure if she's one of us.

Subject: The Real Meaning Of Demon.

The Real Meaning Of Demon.

Daemon is also Demon, the Daemon of the Greeks was the inner divine spirit, the serpent power. Note Dae, Day from Dyaus the sun god. Mon means Moon in the ancient world. Deamon means Sun-Moon. We see this in the Dagaz and Manaz rune as well. Dagaz means Day. Man or Mon, moon. Dayus is also Deus from Zeus.

The serpent was both sun and moon, male, female.

We see this with Agathodaemon, the name of the Androgynous God, Dionysus.

Agathodaemon means: Good serpent or sacred serpent.....The Good God.

"In the Bacchanalian rites there was remarkably, a Cup of the Agathodaemon. This serpent-consecrated cup of wine was handed around and received with much shouting and joyousness. The hymn sung thought the serpent to the Supreme Father[my note Zeus] was just the same as the one sung in the memory of the Python at Delphi on the seventh day of the week.[1]"

The ancient name of our Gods was the "Radiant Serpents" and "Heavenly Serpents" which is what Anunnaki means. Demon, Daemon is an ancient title for our Gods. The enemy turned into a negative. As Sat-an is the ancient name of our Creator God. Which the enemy turned into a negative.

In ancient Sumeria:

As Laurence Gardener showed in his book: Genesis Of The Grail Kings that....

"The Serpent Lord was Enki, but in parts of Chaldea[ my note Sumeria] He had been called Shaitan."

ENKI was called: "The Lord Of The Sacred Eye." But was also called Satan. Here Satan is actually also SATA, some times in Sanskrit they put a nasal sound on the end of mantra's. Satam/Satan also means One Hundred in Sanskrit which relates to the crown. Where SAT is also placed in the east as mantra. Which is also SATA. To this day in India there are Hindu's with Satan as their Sanskrit surname. As this is a spiritual name. You will also find many Hindu's with other spiritual names in their surnames and full names.

I have all these years received all these countless mails that ask questions, or complain about, situations that arose from people meeting offline with other "Satanists". I have received from "predictions" to how's this is supposed to happen.

To settle the issue as it needs to be settled, I tell you first of all that this right now simply cannot work in any fruitful way. Satan will and may bring certain people together for certain purposes. However, massive things at this point are at least retarded. I know in your hearts there is longing for love, companionship, mutual relations, friendships and everything else. This will come on its own time, but now, things are different. This is a different time, phase and circumstance. Do not let this act in a negative way. You can associate online, and do this carefully as well.

Your decisions and anything else are your own business. I am not controlling your mailboxes, or your choices. What is in my control is the ability to WARN you of this. I also do not rule this out, but for the majority it can and will be a disaster. And you will be paying for this, so this is to explain some things. The few others who can and should, they will KNOW beyond any doubt- but bear no deceit on this, this is going to be different.

I will explain the rough facts as to why this is the case for the time being.

The first fact is the negative and murderous presence of jews. They have spent centuries killing and burning and witches alive, putting spiritual inclined people who have lost control in asylums, destroyed and desecrated spirituality to the ground. They made Satan the most despised figure in the west. Also, then you have their Shabbos who would easily harm or damage anyone if only if they knew what these people are.

And many people are naive and totally incapable of handling any such situations, which is also understandable. The jews have worked tirelessly to siphon and manage all the information and knowledge on the Goyim, as to control them. Jewbook and everything goes into this. They HATE you with passion. While you may be mediocre, they don't have any ethic of stabbing a blade or putting a bullet through your head. All that keeps them is the results, the law, and other things. Its not their innate ethic as they have none.

The second fact is that many people have zero respect, and understanding, let alone the ability to work with others. This comes from their own lack of certain things, especially self-knowledge, which implies

basically the same mode as to what every "Goyim" out there has. They don't have anything, but they somehow think they are entitled to the planet. This exact behavior is exploited by the jews to make them even more weak, poor, disabled and incapable.

Satan wants serious people. People with vices, those with the innate desire to poison others, reduce and harm and anything else, Satan knows this too. These weeds of the jews need to be weeded out from one's soul in order for a better communion to be formed.

There are people who have their issues to deal with so to say, personal life, karmic, and anything else. These do not imply ill will, but they imply other issues. Satan gives you the ability to deal with is for your own existence above all. Coming together with others is not going to improve your power in this case, but make issues that are already present larger. There are combinations of people who can just go down the drain, while others can just get to the top. This can create irrelevant rivalries, disrespect, and anything else from hangups from your own upbringing, hangups, confusion and anything else. Satan wants order, and he wants obedience. There is a maturing process that must be going on.

Those who do not obey, because its for their OWN good, they will not be able to work in unities and as thus increase their powers millionfold. They will remain alone like so many rebels without a cause. This is not jewish cattle-ization, but the realization that unity is strength. People build wonders by unity. Unity does not mean assimilation of ego or anything like this- this is what the jews intend of it, and this is not unity, its slavery.

We are living during a tactical war against an enemy of monstrous influence. Without order and obedience, and without intelligent rebellion where this is needed, this effort will go down the drain. Its not some fellow SS that made you jobless, or even homeless, or makes you not have the mates of your choice, or anything else. This is the enemy and rebellions should be focused on the sources. Satan wants individuals that can work together. If he wanted cattle, he would have made a faith similar to pisslam or xianity. Satan is unworthy of cattle saviors. He is God and God doesn't need cattle.

Those who do not obey will never be able to lead, because this is exactly from where one learns to be in the position of those who obey, whom they later lead. I have obeyed Satan all my life that from when I knew him, and I am proud of it. You obey things even if you don't really pay attention to it. Obeying the Gods is always to one's benefit as the Gods do not have to gain anything from anyone's failure, but lose. They are guides, honest and the most decent friends, and many rightfully so call them FAMILY and Satan is a FATHER. Only a perfect one- they will guide you, instruct you, and you will be able to grow in extreme ways that way. This is not evil, this is how nature works. I know there are others who want to call Satan a "friend", or even an "Equal". I would never do this as I know the Gods are not equals to humans in anyway. I am not an SJW and I need not confront myself by reducing the Gods down. The universe is aristocratic, and this is how this works.

Every person that grows can realize that there are other beings of terrible power, far more grown. The wisdom of the Gods is terrible and immense. Check the enemy and their rigid system of obedience. One spits at a legit rabbi and they die. Why is this the case? Because the Rabbis are literally the spiritual vanguard of their existence, and not even the politicians. They have taken over the world with these methods. The bible is chock filled with allegories and fake fables on how those who do evil against the enemy's soul group of Israel, even their own, will be obliterated. This is not to say we work in the same way as we don't, but it should give you an idea on how this is the case in general.

What's the result? Everyone enjoys luxury, power, and there is an infinite supply of anything they need. That simple. Life is easier and flows for them. Your egotism should go to your meditations and your rage to surpass your obstacles. The more obstacles you surpass, the more you can help others surpass. Everyone benefits. Those who don't want to help themselves and as thus others, are just weight and chains on a bird that attempts to fly and be set free.

Those who consider obedience 'shame' have no insight in the power it can bring to someone. Obedience

does not mean ridicule of those below, bullying, or anything evil- this is only what the psychopathic jews have taught to humanity. If your body goes without obedience, and your hands keep moving on their own and anything else, this is then called an epileptic seizure. Not a good thing apparently. This model is built upon Nature's will on how things should operate.

Unities far outweigh the power of the "individuals" in many ways, especially if these are strong and based on mighty individuals. Humanity hasn't built states and communities for no purpose. Satan wants you to be strong and mighty. Not an isolated fool surrounded by jews that does DMT and thinks they are 'god' with a divine right to rule any other person in the planet. Does that even sound SATANIC? Satanism is about TRUTH. Not illusionary states induced by hebrew pills. Be strong and mighty and you will be able to build confidence, and all these states on your own.

As simple question. You have 1 million soldiers who go anywhere, are disorganized, do whatever luck brings, and you are going to lose against 1/10th of soldiers who are capable, severely intelligent, and in a formation. Who is going to win?

In closing the second point, you need to change your tune in a tune of increase, power, strength and get rid of as much damage and negativity as possible. You need to be in a position to build others and yourself up, not tear others down. The enemy does the same thing. If people consciously or not, or even by mistake, tear others down, its better they are not together and seperate. For those of you who don't have serious problems or issues- still, MORE POWER is required. In all levels.

The third fact is the most important. Satan wants Satanism to re-emerge as it was in the past and live eternally. You being not known and in the shadows helps, as many of you are. As High Priestess Maxine has mentioned one time, when the jews attempted to exterminate the Hindus they were not really able to do it like they did with other Satanic Pagans. Why? Because they were all over the place and worshipped privately. This ensured their survival.

At a point such as this, it would be suicide for any legitimate spiritual danger to the Jew World Order to "band together" in a physical place. Look what the enemy did to the National Socialists and learn. By the time Christianity was being abolished in National Socialist Germany, the reptilian and ilk company of aliens commanded their fellows to wage war on these Nordic people to exterminate them.

This has been repeated in the past and is a well known method of extermination by the jews. While this has extreme benefits, the losses can also be extreme if a solid basis is not formed. The jews have lasted so long because they have never had a physical location where they were. Only after circumstances matured and they have messacred their enemies, they attained one physical place to be. This is only normal and took thousands of years in their case.

Our power lies in that we are an international, organized, racially organized and respectful, entity. We are a family, within all families, with the same Satanic Soul. We can rival and destroy the enemy in this way. We are anywhere, and as we grow, we will be everywhere too. This way your peoples, nations, states, families and the individuals can all be saved. We have Gentiles and awakened people everywhere. This is our power and it should always be.

The fourth point for those who may be working physically together, is to avoid and obliterate as much as possible all the above issues and help each other surpass these. Work together in productive and useful ways, as to attain all the more for yourselves and Satan. As it has been said, in covens or anything like this, there must be no bad weeds. Weed thees out wherever you see them, and make sure to do what's possibly best. Work for a higher level.

When the Good will come along, it will be known.

To close this message I will quote the enemy bible. This is a story of extermination of Gentile Pagan people. What does this hebrew maniacal story tells us is self-evident.

Here is a kike king in this fable, and just read what it does to people from the supposed "land of Israel" (Claimed Palestine Area -there was never a land of Israel so we are obviously talking about Gentiles here). So they exterminated all the Pagan worshippers in the area. It should convey my points:

2 Kings 10:17-

17. When he came to Samaria, he killed all who remained to Ahab in Samaria, until he had destroyed him, according to the word of the LORD which He spoke to Elijah.
18. Then Jehu gathered all the people and said to them, "Ahab served Baal a little; Jehu will serve him much.
19. "Now, summon all the prophets of Baal, all his worshipers and all his priests; let no one be missing, for I have a great sacrifice for Baal; whoever is missing shall not live." But Jehu did it in cunning, so that he might destroy the worshipers of Baal....
20. And Jehu said, "Sanctify a solemn assembly for Baal." And they proclaimed it.
21. Then Jehu sent throughout Israel and all the worshipers of Baal came, so that there was not a man left who did not come. And when they went into the house of Baal, the house of Baal was filled from one end to the other....
22. He said to the one who was in charge of the wardrobe, "Bring out garments for all the worshipers of Baal." So he brought out garments for them.
23. Jehu went into the house of Baal with Jehonadab the son of Rechab; and he said to the worshipers of Baal, "Search and see that there is here with you none of the servants of the LORD, but only the worshipers of Baal."...
24. Then they went in to offer sacrifices and burnt offerings. Now Jehu had stationed for himself eighty men outside, and he had said, "The one who permits any of the men whom I bring into your hands to escape shall give up his life in exchange."
25. Then it came about, as soon as he had finished offering the burnt offering, that Jehu said to the guard and to the royal officers, "Go in, kill them; let none come out." And they killed them with the edge of the sword; and the guard and the royal officers threw them out, and went to the inner room of the house of Baal.
26. They brought out the sacred pillars of the house of Baal and burned them....
27. They also broke down the sacred pillar of Baal and broke down the house of Baal, and made it a latrine to this day....
28. Thus Jehu eradicated Baal out of Israel....

Reichsführer SS, Heinrich Luitpold Himmler, is one of these persons in history that have shaped its course. To us Gentiles he should be a vision of a Satanic Grandmaster that has been slandered and has been defamed by the Jews to no end, for his effectiveness and the massive setbacks he caused to this race of parasitic criminals. According to them, he has been a heartless monster.

You know the Jews, always honest by nature- 6 trillion Jews were killed in the Swimming Pool and Opera's of the "Camps", One person might also have died by panting as well, who knows? One also swallowed a Golden Shekel maybe?

Himmler and the National Socialists did the most "insane crime" on the planet, worthy only of total extermination of their race according to the Jews who dictate as "god" the decrees.

They got Jews to actually work the soil for a few months, until with the "Havara Agreement" they were to be transferred to Palestine with their wealth intact. "What a bad fortune, let's whine about it and completely kill the Germans for not accepting to be our slaves", said the Jews. The Jews for the first time in their life were 'punished' to do real work. Oy vey, how is that even possible? Jews are instructed by "God" to live by usury, stealing, and putting others down like parasites. They literally believe it's a divine right of theirs.

For one time the Jews have met justice from someone. This was unheard in for the Jews who were used to rob states, cause wars as they saw fit, and exterminate everyone they wanted.

SOME PEOPLE CHANGED THIS BECAUSE THEY REFUSED! Heinrich Himmler was on the lead of these people.

Himmler however has not been new to any soil. He worked his living and was honest and noble. He practiced his own "Blood and Soil" ideology, by being a Farmer. Heinrich Himmler was a farmer, another thing the enemy considers "degenerative" but is honorable about an Aryan personality. He lived decently and honestly, close to the earth, and he was modest in the most positive sense. Himmler never bragged, and only worked to build his people up. He was a real noble Soul and leader, focused only on his Divine purpose.

Yebamoth 63a. Declares that agriculture is the lowest of occupations.

The lies on this being can only rival those said about Hitler. But all of us here know the Jews. Rumors, lies, and slander are their way of warfare. They are parasites at a war of extermination for all other people in the planet.

Humanity has learned the Jewish game anyway. As thus people are searching for answers at rates that the Jews will never be accepting of. And it is only getting worse day by day. Thank Satan and thank the WWW [666].

Nothing could be further from the Truth in regards to the lies heaped on Heinrich Himmler. This will be revealed in an upcoming video documentary that is being prepared.

Himmler loved his people and his people loved him back. He had to be stern to keep his people safe, like a parent that must protect his children. Nobody with a sane sense can blame him, especially at this historical time they lived in and with all these intense dangers. The Jews who force themselves as "Germans" were the only eternal parasites that had anything evil to say about this man. What good Jews have to say about anyone, anyway?

When Germany was going down and was about to be overtook by Jewish Bolsheviks and the Jew World Order, Himmler was of the key players that saved their country and gave more time to the world in order to save itself. Himmler was one of the reasons Adolf Hitler made it to the end of his mission. He was of the most loyal people to Hitler. He was destined to do what he did, and he did it faithfully. Himmler eliminated the Rohm Putsch that was supposed to overthrow Hitler from power only some months after they struggled against the jews and won. Himmler eliminated this backstabber who has been payed double digit millions in order to exterminate Germany's savior for personal gain.

In his early 20's, where most people are busy wasting their life, frying their brain with drugs, play games, or whatever else imaginable, Himmler was busy fighting as a revolutionary to save Germany from the dark forces of the jews. He has been their lifetime enemy.

Not only he was a Grand Master Satanist, but he is one of the most well-established occult researchers in known history. Of course, the 6 gorillion hoax has been equally placed onto him as well, to destroy his legacy. What this man did nobody has done for centuries: He found successfully an order of millions of racially strong, warriors, who were like the Pretorian Guard. Only even better since they were spiritual warrriors as well. Unrelenting, without fear, without cowardice, and also, one of the most feared units in Europe at the time. Not only this, but these warriors also had developed psychic abilities. This unit was known as the SS and they were the most powerful unit in WW2.

To give an idea of what this man attained, he was head of the Hitler's Elite Bodyguard, head of the police of all Germany, head of the Secret Intelligence Services (akin to today's FBI), head of the Pagan religious order of Germany at the time, Grand Master Spiritualist.

Himmler had no illusions. He knew that the destiny of His people and all Races depends on wether or not they are spiritually advanced, wether or not they can drink from the Divine Grail- the Spiritual Force or Kundalini Serpent, Satan's gift to Humanity. Himmler created the first worldwide Spiritual-Warrior Unit aimed to this purpose, and also the most powerful military unit of his time. Himmler was not only fighting for Germany, but the whole of the White Race. Irrespectively of if jewish-taken over counterparts fought against them, they defended Whites to the bitter end, as much as historical jewish inflicted (((circumstance))) allowed these people.

They were the Knights of the Grail, the grail being the spiritual essence, or Satan's Grail. They were the guardians of their people's destiny. He restored the spiritual caste that has been missing since the Ancient times, that only the jews really have at this point, and with which they can boss around and destroy humanity as they do.

Himmler intended the best for the White people, in that not only he played a major key in defending the Whites from complete extermination by the jewish bolsheviks and puppet states, but also almost completely obliterated the judeo-christianity. Himmler knew the whole Truth about this disgusting institution and almost completely obliterated it within the borders of Germany. Of course, the jews and the alien company were severely worried that their lifeline was going out of the window, so aside anything else, they waged a gamble to exterminate the White people off of the face of the planet, something they still want to do and force to happen every single day.

Himmler was a psychic and knew that the Jews wanted war, and that there was to be a millenial conflict between the Jews and the Aryans of his time. With all the attempts of Hitler to keep peace and avoid a

second catastrophic war, the Jews have decided to do everything in their ability to cause this. The Jews after all had minimal losses, as they never fought. The only people that suffered in this war were Gentile people, Europeans, Russians, and many others alike who were exterminated by one another due to external force. This opened the door for the Jews to exterminate the Palestinians and many other Races in the upcoming decades. Something that a European Anti-Jewish, Aryan power would have prevented from happening. The Jews knew this and they decided to pull the war as fast as possible.

Not many people have fought for the White Race like Heinrich Himmler did. Love him or hate him, he has been one of the most important figures of the last centuries. A beast of intelligence, organization, and a spiritual grandmaster. He literally formed the greatest Pagan order in centuries.

Contrary to the immense lies of the enemy, Himmler never hated other Races of Mankind. According to him, "the Germans were deserving of life since they were a royal race among Mankind." Himmler himself sent expeditions of research, with respect to other civilizations, in all corners of the Globe, to respectfully learn more about them to teach Germans, while at the same time searching for the lost legacy of the White Race within many areas. Otto Rahn, Himmler's personal choice in the SS, after decades of research does conclude:

"For them [Jesuits] there are only people who struggle under the flag of Lucifer and people who fight under the flag of Christ. Concerning my own faith, I am fighting under the flag of Lucifer."- Otto Rahn

Himmler, at the prime of his mission, he was one of the few most well occult-knowledgeable men of his time. Above all, Himmler knew what the "Catholic Church" of the Jews wanted to do with the White people: Exterminate them. He also knew about their Bolshevik agenda, and all their heinous crimes, child molestation, mass genocide. He knew them well.

He did not stand idly to see his people get destroyed and decay under Jewish influence. He put all his abilities and skills into service, in order to defend their existence.

Himmler and all of his close people knew that this was a divine spiritual war against the Jew, who wants to exterminate and enslave all other Races after being done with the Whites, who were the backbone of the civilization that proved the most "disturbing" to the Jewish plans.

In the era where humanity hardly has had any spirituality, Himmler started developing a spiritual elite to wage war against the Jewish alien enemy. This of course left the Jews with serious scars and insane contempt, that is still obvious today, everyday. The boat has been set afloat for the complete destruction of Christianity that we are living today, aside a massive awakening.

At the end of the war, Himmler, in a letter to his family, told them that him to whom he referred to as the Ancient One, the God of Germany [Satan], will not forsake these people in the end. And Satan did not forsake them. Almost a century from this time Satan is still waging the war against these deranged criminals known as Jews. He will not let Humanity give in to the Jews and be destroyed. Humanity is still standing. Nobody has ever, or will ever quit.

Himmler's life was a life of duty, industriousness, mission, and deep work for his people. Almost nobody worked as hard as he did. His days, nights, and even sleep were all devoted to his mission and the cause. He gave everything he had and was, completely.

In the end of the war, Himmler, after being tortured for two days in the hands of the British intelligence, is killed in a feat of rage by the "British" officers. His death is passed down as "Suicide" for the public, but it was apparently cowardly murder out of sheer hatred and dishonoring revenge.

And this is how one of the Greatest Aryan Knights passed to Valhalla in memory and Spirit Eternal.

Those who suffer for my sake I will surely reward in one of the worlds. - Satan, Al Jilwah

May Satan Grant You Revenge!

Another Aryan Hero whose memory will be Eternal.

HEIL HEINRICH HIMMLER!!!

MAY HIS MEMORY LIVE FOREVERMORE!!!

@Ashley, I'm glad it helped. Her page really gave me hope for our race, and made me realize how unique we all are. There are so many different types of beautiful.

The map is probably hiding somewhere in her thousands of pics lol. Actually it might be a full album, where she describes about every sub-group of Whites in Europe.

The Secret Name Of The Jewish God And How To Defeat Them

The jews make a important deal out of the hidden name of their god, as we know this is actually their god from they have created with centuries of parasitical black magic which Christianity and islam are designed to feed into.

However this hidden name of their god is the key to their power.

This book "The Gnostics And Their Remains" by a scholar who studied kabala from rabbi's back in the 19th century. Is revealing and no wonder he got a lot of trouble for publishing it in his time.

The jewish rabbi's call the subistue name for the hidden name of their god, Ha Shem. This book shows the other half they are given in private and is kept hidden. Its whispered into the ear of the new rabbi by the elder rabbi upon their initiation into the office of rabbi. They dare not speak the whole thing out loud.

From the book:

"The regular jewish synonym for the Ineffable Name Jehovah, Ha shemhamphorash , The Holy Word which the Rabbi's compress into the Name or The Word." The Ha Shem is short for Ha Shemhamphorash.

In the jewish kabala the Ha Shemhamphorash is the 72 names of their god. So this shows the 72 names of the jewish god, Reverse Torah Ritual is actually demolishing their god. Their god is the 72 names. The Talmudic magic texts makes a big deal out of the 72 names and how it gives their rabbi's whatever they want.

So keep up the RTR's of the 72 daily.

Its also good to keep up the communication RTR, the entire jewish media empire is collapsing due to this as well.

CURSING THE JEWISH GOD, RITUAL TWO:

Cursing the 72 "Names of God"

This is THE most important and the most powerful Reverse Torah Ritual we will be doing. Because of the length of this ritual, I added in superscript, the number of each of the three letter names to eliminate confusion. The following are also divided into 4 sections; lines 1, 2, 3 and 4. Lilith explained that each of the former rituals was like "peeling an onion" in the way of stripping the enemy of their power.

This ritual can be repeated as many times as you wish. You can begin this ritual at any time.

The words below are to be vibrated. By vibrating these words, this will strip the Jews of both protection and power. The more people we have who will be doing this ritual, the better, as there is both strength and power in numbers.

This ritual should be done as often as you are able to, and is a very good cathartic when you feel anger and hatred towards the enemy. All you need to do is vibrate the 4 lines [72 three letter names] below at least one time, preferably three times.

Please read through the pronunciation directly below. Most of the letters here are repeats. I have included an mp3 of the words for you all to download. Please Click Here

For a PDF copy of this ritual Please Click Here

Key to pronouncing the words correctly:

AH as in the American English word father

Ah the lower case h indicates a very small H sound, like H- a small exhale

'AH Glottal stop as in the American English word hour

AI as in the American English words day, say, made

AY as in the American English words day, say, made

AYh – you will see this often, the vowel sound is between a long A as in case, and a short e as in pet.

EE as in the American English words seek and week

EH as in the American English words pet, set, and let

KH is guttural and the sound is made in the back of the throat

OH as in the American English words oh and go

OI as in the American English word oil

'OH Glottal stop as in the American English word hour

OHy The lower case y indicates a very short Y sound

R's should be rolled

TH soft TH as in the American English words thin, thick

TH [underlined] hard TH as in the American English words the, there, that

TS, as in the American English word oats, or as in pizza

UU as in the American English words sooth and tooth

VW The V and W together is a cross between the letter V and the letter W. This is biblical Hebrew. Listen to the Mp3, or do the best you can. You can substitute the letter W and this will still be valid.

What kind of people does David Duke support? Nothing less than a Communist appologist, the anti-White founder of the National Bolshevik Party, of who he shows support in his site:

"I am a supporter of blacks. White civilization; their cultural values, false, dehumanizing model of the world, built by them – did not pay off. Everything goes to the beginning of the anti-white pogroms on a planetary scale. Russia saved only by the fact that we are not pure white. Predatory multinational corporations, oppression and suppression of all others, MTV, gays and lesbians – this is the fruit of white civilization, from which it is necessary to get rid of. So I am for reds, yellows, greens, blacks – but not for whites. I wholeheartedly on the side of the people of Zimbabwe."

Subject: A Lesson From Our Ancestors On Power And Truth

A Lesson From Our Ancestors On Power And Truth

I have wrote before about how the Bhagavad Gita has been corrupted. But there is still great wisdom and a message in there for people. Originally this book is about the perfection of the soul, Krisna is the god of love, love is the union of opposites in the ancient meaning. The union and perfection of the soul by the

serpent. In Hinduism, Krishna is the serpent on the tree, the serpent energy, which is the divine spark, the literal Deamon. Even his name means "Serpent".

A war is about to start between the forces of the Pandava's and the Kaurava's who are cousins but the Kaurava's are evil and want to take total power over the planet. This is a global conflict in Hindu literature. The Pandava's are the opposite and wish to take their rightful rule but the Kaurava's are trying to violently seize power by murder, lies, threats, bribery and general deceitfulness, they are criminals.

The Kaurava's assemble a massive army from around the world their allies come from everywhere. The Pandava Prince, Arjuna outnumbered and losing hope goes to seek help from his family member Lord Krishna who has a massive army and massive amounts of gold and great allies.

When Arjuna arrives to Krishna's court he finds so has one of his evil cousins seeking the same. Krishna tells them both, he will not fight either as they are family but they both have a choice. One can have his massive army and gold all the material power at his command as a great ruler. The other can simply have him as an advisor. He tells them to arrive in the morning of the next day to give their choice.

The next day the evil cousin runs in first thing in a hurry and is agitated that Krishna is not awake yet and sits down angrily waiting. Arjuna wakes up and takes a morning bath then sits down to his daily morning meditations. Then calmly goes into Krishna's room and sits before his feet at Krishna's bed. Then Krishna awakes and seeing Arjuna first asks him what will it be his material forces of his troops or him. Arjuna states: "I choose you Lord". The other cousin runs away happy.

Arjuna with Krishna as his charioteer and advisor goes on to totally crush the Kaurava's in the war and wipe them out of existence with a smaller army against all odds he is victorious.

The message is simple. Arjuna is a spiritualized being. The bath he takes is the purification of the serpent power the rebirth, also he practices meditation the tapas of the kundalini energy that transform and spiritualize the being. When he walks into Krishna's room and sits at his feet. This is easy the lotus feet of the Guru [god] is the thousand petal lotus of the crown. Arjuna rose the serpent of Satan. His power was spiritual power the real power behind the cosmos. Krishna also represents the open crown and third eye as well.

The chariot is the symbol of the soul the seven horses that pull it the chakra's and the Surya [Krishna] is the power of the soul radiating thought the spiritualized, perfected being. The advice Krishna gives is the Buddha the transcendental mind, the Deamon as good advise and counsel.

His cousin was not spiritualized he was purely of materialistic mind and filled with greed, murder and lies for it. He was basically just a Jew.

Arjuna was victorious because he chose true spirituality his cousins were evil in mind because they rejected it. In the end they with all the armies of the earth at their command were no match for one ascended master and his loyal men.

Spiritual power is the ultimate truth and power.

Remember the advice that Krishna gives Arjuna, its one is supposed to struggle in the world for what is good against what is evil. And that Pacifism is simply spiritual weakness and evil, and allows evil people to take over and destroy the planet. And that one has a divine, spiritual duty for truth and to struggle for its victory on earth. This is why the Jews always encourage and promote pacifism to the Goyim.

"Good article.

Let us never forget, Duke plead guilty to defrauding its own supporters in court. And was sent to prison for such. But got a slap on the wrist and was out fast. That tells a person something. Just like his involvement in operation Red Dog that had CIA connections and his CIA asset position he had as a English teacher in Indo-China back in the day. Classic operative cover.

We know who runs the CIA the same jews that run the Mossad, the Rothschild's and Rockefellers. Which is why the CIA is always hand in glove with Mossad.

Mullins stated Duke ripped him off as well. Duke raised a thousand dollars for Mullins to come to the New Orleans meeting. And when Mullins showed up he was left stranded in New Orleans. Duke pocketed the money. A lot of WN's have stated Duke sells the personal information of his members to the ADL and other jewish orgs. That can get people fired from career's. Its known Duke spent a million dollars in donations of his supports in Casino's.

Mullins stated Duke was a operative for some group or another the SPLC, ADL or whoever. Duke's job is to run a limited hangout it seems. He won't mention certain very important subjects and misleads people from them and as always push the good jews and its just some Zionists bad jews. Show all his jewish friends and push Christianity so the jews have control on the soul. Never mention the holohoax either.

There are jews with the last name of Dugin. Duke and Dugin are idols of the Alt kike."

Subject: Re: David Duke's Friends (Dugin, Eurasianism, Nazbol)

Just incase anyone was still in any doubt as to what this "White nationalist" David Duke's friends and their ideology of National Bolshevism and Eurasianism is really about we need look no further than their own website. Keep in mind, this guy Alexander Dugin has been one of the most influential figures in modern Russian politics and on Putin and has even been noted by western authorities for his involvement in the Russian occupation of Ukraine. Read the following and you'll see Nazbol is just another form of Communism wrapped up in patriotic packaging: <http://phalanx.niceboard.com/t1516-national-bolshevism-faq>

#### ARE YOU NAZIS OR FASCISTS?

Of course not. A National Socialist bases his whole emphasis on the question about his nation's race purity /race characteristics, which we National-Bolsheviks doesn't give a damn about. A National-Bolshevik doesn't want to enslave other people, or proclaim one superior to another, but instead liberate them from the yoke of the Novus Ordo Seclorum: the New World Order. Neither are we Fascist, because these defend the existing Capitalist system (just as the Nazis do) as long as the State and the people of a Nation is intact. A National-Bolshevik got no pardon towards the Capitalist system and would never sacrifice ideals for the conflictlessness in a Corporatitist society, as the Fascists do.

## ARE YOU RACISTS?

No. NBP in Russia have Jews, Blacks and Asians in the party, some in leading positions, and everyone is welcomed as National-Bolsheviks, regardless of ethnicity or origin. But we do recognize a Nation's or ethnicity's historical and cultural traditions and everything that it means. The system is the cause of problems, not the Immigrants; they're victims of the purges by the World Capitalist dreadnought. We fight for them, for their right to a prosperous homeland. When the World Order is smashed (may that day dawn soon, inshallah) and the Third World countries liberated. About 'race mixing': We National-Bolsheviks believe it's an individual choice whom a Comrade or Citizen decide to spread his or her offspring with. It isn't a political matter.

## SO WHY IS YOUR FLAG SIMILAR TO FLAG OF NAZI GERMANY?

On the banner of the National-Bolsheviks is a stylized "[Hammer](#) and Sickle" - symbol of Soviet Russia; not a swastika. The colors are just punk-style provocation.

## ARE YOU COMMUNISTS / MARXISTS?

We are very positive about the Communism Idea but not pleased too much about realisation of it especially represented by opportunists like Khrushchev, Gorbachev and co.

Marxism is an interesting Philosophy which, among other things, explain the laws of Economics, and as an interpreting tool of history. As a political dogma, Marxism is an anachronism. No, we are not Marxists, but we proclaim the rights of the working class against the plutocrat Elite, and is thereby 100% Socialist.

## WHAT IS YOUR POSITION ON RELIGION?

NBP is secular Party, but National-Bolshevism is mystical and metaphysical ideology. We respect all religions: Christianity (especially Orthodoxy), Paganism, Islam, Buddhism. Atheists are respected.

## WHO ARE YOUR ENEMIES?

Foreign enemies of National-Bolshevism: the large Satan - USA and mondialists of Europe, incorporated in NATO and UN. Internal enemies: bourgeoisie class - capitalists and bureaucrats.

## WHAT IS YOUR PURPOSE?

Global purpose of National-Bolshevism is the creation of Eurasian Empire from Vladivostok up to Gibraltar. National-bolsheviks want to become the creators of the New Civilization. The new nation will take only the brightest, the most heroic, the most ingenious results of inspiration from the past.

White People Living Into The Future Declared Evil By Jews

Jews the great genociders of all Peoples which is all their Torah is about, exterminating Goyim nation after nation, robbing people, raping people, enslaving people as cattle property. Their Talmud is just a detailed manual on how to do what the Torah is about including allowing the raping of children. And the Kabala is how to set this up on the spiritual plane into the material.

The jew is the architect of White Genocide why? Cause its part of Judaism to exterminate the White Race and always has been.

In the Jewish writings Samael [Hebrew word for Satan] is called the father of the Aryan race openly. The White race is also called Amalek in the Jewish writings and Samael is stated to be the White race's father here. Here in the Jewish writings we note the Jews heap blasphemy upon Gentiles and Satan. And gives the direct order to exterminate the White Race, along with all Gentiles, the "mixed multitude" it describes the

different Goyim but puts the White Race into a special category to be "bolted out" forever as it states below we are the children of Samael/Satan, directly.

The Jewish Zohar volume one, pages 28b to 29a states:

"At that time the mixed multitude shall pass away from the world. The mixed multitude are the impurity which the serpent injected into Eve. From that impurity came forth Cain who killed Abel. For they are the seed of Amalek. Whom it said "thou shalt bolt out the memory of Amalek." Gentiles who are compared to the beasts of the field another from the mazikin [goblins] for the souls of the wicked are literally mazikin [goblins] of the world: and there is impurity from the side of the demons and evil spirits: and there is none so strange among them as Amalek who is the evil serpent "the strange God." He is the cause of all unchastity and murder and his twin soul is the poison of idolatry, the two together being called Samel.... This side of the serpent is accused above all."

The jews also call us Gentiles "The Synagogue Of Satan" in the spell book of the bible. It means The Temple Of The Gentiles:

[topic16224.html](http://topic16224.html)

This rabbinical leader is just telling us what the jewish texts already state:

Hence the jewish leaders who run the world banking houses created the EU, the Rothschild's [who call themselves The Kings Of The Jews in their own writings] the Warburgs and Baurch's created the EU and appointed the 27 dictators that rule over the murder of the entire European People.

The jewish EU was always about genocide of the European People and jewish world government as the front man of creating the EU tells us in his own words:

Everything the jews are running from the Frankfurt School to the EU is just making what their holy texts of judaism states into reality. There just being jews. Anti-Semitism is not the problem, Anti-Semitism is the solution to the jewish pollution. Hate these kikes White Man and Woman, because they hate you and wish to murder you all, literally, they are not sparing your children either.

What it means to be jewish, .....[note Xian was code for Goy] In their bible witchcraft they openly call xians the fake jews and the Synagogue of Satan as their are of GENTILE BLOOD, THE BLOOD OF SATAN, JEWS ARE A RACE:

This is what Hitler and many good people fought to save us from. The jews attempting to murder, rob, rape and enslave us.

The Truth About WW2:

[topic15258.html](http://topic15258.html)

Hate might be the only thing that will save us. We are paying the price with our lives for allowing the jew to dwell amongst us.

Proposal to "Ensure Continuation of the German People" REJECTED as "Racist and Nazi" in Parliament

<https://www.youtube.com/watch?v=MDfhVbfZHfo>

In 2011, the Nationalist Party of Germany (NPD) made a proposal in the State Parliament of Mecklenburg-Western Pomerania that was intended to "ensure the biological continuation of the German people". It contained measures such as providing a salary for women who choose to be mothers, increases in child support, provide interest-free loans as well as pension raises for parents.

Stefan Köster, state chairman of the party and speaker for family affairs, explained the desperate need to increase birth rates among Germans as high immigration rates, low fertility and emigration of natives who lost hope in their country imply the eventual extinction of the German people. He stressed that healthy families are the very foundation of a society and all of Europe's wealth stems from the diversity of different peoples in their respective nations. No amount of consumption and materialism can ever replace a child's laugh, which has sadly become a rarity as Germany now has the lowest birth rate in the world.

He explains that if current trends continue, native Germans will be minority in their own major cities within decades, as it is already the case in other European capitals like London. Liberal politicians, like Stefanie von Berg, openly celebrate this.

Throughout the speech he is mocked, heckled and interrupted with insults like "Nazi" or "racist".

By 2030, 30% of the native German population will be older than 65. 1 in 2 Children born in Germany is born to a migrant family.

The Nationalist party called out the grave importance of reversing this trend to avoid Germans losing their homeland and future.

The proposal to ensure the continuation of the German people met unanimous rejection by all parties.

A speaker for the Social Democrats explicitly states in a rebuttal that all democratic parties show nothing but utter contempt for the proposal and will unite to make sure nothing like this will ever get passed. According to the Social Democrats, the German people has caused nothing but death and destruction by causing two world wars and the mere concept of securing a future for German children in Germany is inherently racist, inhuman and a Nazi ideology.

According to the ruling parties, rather than funding German families, "all" families must receive financial support to avoid being racist. The lack of children among Germans has been equalized through mass immigration from Africa and the Middle East.

Since the latest amazing post by High Priest Don, and our writings on this excrement the jews have as "God", I have to make some further comments that I have written about months ago.

Behold the New Meme:

Everytime you do an RTR, this is what happens:

The "Jewish God", this name, is hidden by the Rabbis on purpose, because they literally KNOW it to be a thoughtform. As one Rabbi stated "God" is nothing but a servant on the leash.

The decisions of the Talmud are words of the living God. Jehovah himself asks the opinions of earthly rabbis when there are difficult affairs in heaven. -Rabbi Menachen, Comments for the Fifth Book

Jehovah himself in heaven studies the Talmud, standing: he has such respect for that book.

Tractate Mechilla/Me'ilah

So what does this alien read in this "Talmud":

Kill the Goyim by any means possible.

Choshen Ha'mishpat 425:50

Things like that.

Sounds more like a sad, average intelligence reptilian, with a scat loving, bad reading habit, doesn't it. That's it because that's what it is.

So the "God" of the universe does read things like:

What is their "God" about anyway, even as an ethical entity? Please jewsus give me a new car, please jewsus save my soul because I am lazy, jewsus this, jewsus that, Jewsus could you please save me because I am too bored. Jewsus, could you please bring me my flip flops? Jewsus, could you please destroy this guy because he pisses me off? Jewsus can you prepare me some pancakes? Jewsus and their thoughtform are servants alike. They have no essence. To the jews their idea of "God" is either a universal pool of scat, or a servant that serves the kikes.

The Gentile idea of "God" has never been that of a servant. Its derogatory to the person and to the "God" alike to act in this way. Satan teaches us that "God" is within, and how to become our own "Gods", self reliant, non-parasitic entities. The jews are universal parasites and this is reflected into that even "God" is to them a playtoy, that they hope will do their shit for them. Divinely lazy as they are, even GOD serves them.

The Rabbis openly state that if this name is found out (which it has) it will result in the killing of "God". Now, how can "God" die? Simply because, this is not "God" in anyway. This is just a charged mantra, that makes things happen.

As many of you would have noticed this 72 name ritual really aggravates the greys and all the retarded lifeforms of the astral-poo side. This is because this rapes them. The names of "Angels" who all end up in "EL" just mean LIGHT. These all end in "EL" for a reason, as these are created aliases for thoughtforms. Now behind these thoughtforms, except of the thoughtform itself, do hide real entities. These are not real beings, and they are thoughtforms within this "matrix" of the enemy, meant to keep the Gods out from communicating with us, and exercising influence over the world. Mass belief of the "Goyim" (Gentile Cattle in Hebrew) reassures this will be the "reality" in this reality bubble the jews have enforced onto this planet.

The analogy is like relative reality, versus reality. For instance someone believes the Sun doesn't exist, to them its real that it doesn't, and if they are brainwashed enough, it will be as if the sun doesn't exist to a large extent, enough to even deny its existence. The sun however exists, and the only thing that's required is a shock to shake off this programing.

The prayer energy of the "Goy" charges this relative reality of the jews, same as "Jesus" and anything else into this nefarious Torah, into a larger 'matrix' that shrouds this world and forms what is called "reality". From there on since this is living energy, and also there are other alien lifeforms behind this, this whole thing has a life of its own. The Rabbis openly admit the "Torah" is a possible reality, not any reality given by 'god'. Now to them, their nefarious, scat eating, alien company, are 'god'. Well these are not my God, neither anyone else's who is not a universal retard. Rabbi Jewsus is not my "lord" neither I consider this sly scat-eating, cowardly jewish, as a legitimate "savior" of myself.

Now, in this "reality" that is created by the Goyim (Enslaved Gentiles) prayer energy, the jews have power, enjoy luxuries, decide kings, and are literally "God". Every magick works with a point of focus. The point of focus is Rabbi Jewsus, where the prayer energy goes, the other one, is the Kaaba cube. In the enemy fable grimoires who have been stories written by jews who were high on their own scat, it is written, that they envision that the "Demons" do "Bow" to the "Seed of David, the King" (Jewsus). The Demons are the Gods of the Gentiles, and they hope they enslave them in this matrix and through this idea.

Christianity is the murderer of our Gods, civilization, and legacy.

Treat people open and accepting to this garbage as you would deal with infected that need to be purged with pesticide. These people have been the reason of our downfall. They were the ones who opened the gates to the hebrews in order for them to infiltrate and destroy us. This is how the Vikings got eradicated- they accepted this little jew amongst their own pantheon, and some centuries later they burned them to death thanks to it. Infiltration.

As for the pseudo-history in the bible...This is why they wrote a full false history in the bible, and for occult reasons. To show that "since it always was, it will forever be" with their hoax. This opens up the logical mind to accept things so that one is parasitized easily. If the jews were like "HEy Goyim, pay us your whole existence and accept us as your motherfucking kings, thank you", who the hell would accept them? So like an advanced parasite, they have new and advanced methods. Oy vey, we are the chosen scat-men, give us 6 trillion shekels now, amen.

Then, the obsession with numbers in this book is bleeding occult as well. Why the 24, the 42, and the 6 play such a big purpose in "G-d's plan"? Because its the plan of some kike scatmen that's why. Don't forget to pay in 24 turns, and cry the 6 trillion Holohoaxed. These things are all spells upon the populace.

This has been the ruling "reality" that is imposed upon the world and against which many people have attempted to revolt against. This is why all this "secrecy" in regards to "God", why all these strange and occult texts, the fear of "God" being found out etc. This conspiracy further extends to their alien counterparts as well, as the jews openly state.

The Demons all of them have a different name. These are not their "real" names. They can listen to these names, but the real thing is that this is a telephone line, or an alias. These names have existential importance and they are not a "coincidental" thing. The jews in their attempts to usher the power of these names, they changed a few letters here and there in order to use these for their own purposes. This has turned into a disaster for them, as the real beings behind these have grown extremely furious on them, and they are not like their own skrawny retarded thoughtforms. In the same way, behind these magical words of the "angelic" names, there hide nefarious and ugly enemy forces and ET's. Many of which have been encountered as greys, reptilians, and company of astral excrement. This is sort of like calling on a telephone (saying a name) and someone will pick up the phone.

Now Satan has been working with the Clergy to make it known what this "cube" is, what the plans of the enemy are, and what is "upcoming". As with everything, Satan provides solutions. This matter has been touched by occultists in the past, and many were unable to figure out the case with this cube thing. Others have called it the "Glove", that is all around the astral and physical and doesn't let anything really work on it normally.

There will be a ritual upcoming when the time is right, that will completely annihilate the "Cube" of the enemy, or for lack of better term, the "Jewtrix". It will fall apart, same as all its rules, and all that it produces for the jews. The "torah" will collapse and no amount of "reading" will save the enemy, as this has already been done largely and will only increase by the 72 names of God Ritual. We will not deviate from the RTR's in anyway, but we will add icing on the cake that will make everything even worse for the enemy.

Needless to say, the enemy neither their alien counterparts are fond of this, as this will result in their total failure.

One last note. There are uneducated people around that mention that somehow, Demon Names and Satan are somehow tying into Hebrew. While this is OBVIOUS to anyone with a peanut for a brain, that this is not the case. These names in these grimoires are literal names of actual entities that predated the jews by thousands of thousands of years. Many of these names are Divine Concepts, such as Abrasax, whose name is a concept of the eternity of the universe.

These are honorable titles, with deeply occult and spiritual essences, and these started in Babylon and in other White Civilizations, such as Sumer. The Jews found these and clumped them together for reasons of binding and defamations. Astaroth has been Ishtar, or Ostara. Austria's name is OSTER-REICH. The Reich of Ostara, Astaroth- whom the Nazi Occults and Psychics were in communication with. These beings openly told the National Socialists that it all began in the East. Adolf Hitler wanted to develop White people into a race such as these people who have been our progenitors, and also, literal saviors. These are Nordic Aliens of the Nordic Race, whom the people we have physically here actually resemble to a large extent. There are also other Gods from their Race, that resemble others.

All these names and titles are far more Ancient, Eternal and they are also important in building the Soul. They also act as a telephone line through which we can "call" our Gods astrally. Also, these have zero to no relation with the jews, no more than a stolen object has a link to the thief rather than the creator of it; the same goes for the jewish alphabet and the jewish "occult" which is nothing but a pile of gibberish and stolen divine knowledge that has been reduced to excrement.

Greetings to all our People and Satanic Comrades.

We have wrote extensively on the matter, there is much knowledge in the Joy of Satan website, but this research here will put the put the coffin tomb on the hoaxes that "Satanism" or "Demonology" has anything to do with Jews. Quite intrestingly, the jews admit on their own, that this has nothing to do with them, and that their existence is contrary against all of this. However, naive people with not much capacity to differientate, and those with hangups with christianity, cannot see this, but evidence can speak for itself.

To begin with, one can NEVER take the "English" bible as a reliable, occult text. It has been dumbed down for "Goyim" (Enslaved Gentiles, meaning animals in hebrew) consumption.

If one reads the Greek Texts, or the Ancient Hebrew (Torah) one easily understands that not only there is no "God", but many other details that I will only touch here but will be on their own enough.

God is nothing but the Atman [The all-presiding consciousness] of the universe, personified as Brahma (Abraham is actually an anagram of this to tie in the hoax story) and the jews pretend THEY are the atman, or as thus "God", who supposedly dictate the decrees etc. From the line of "Abraham". Anyone can use "God" or this force to create, destroy and do anything alike, if one knows the means [magick].

Those who are completely adept to the use of this force are called "Gods" themselves, and the jews try to blame him of "wanting to rise above God". The Demons and anyone else are above "God" in this case, and as thus they are Gods. "God" is a generic superconsciousness that doesn't do harm or good, and it just manifests here as natural laws. Nature can destroy or create and this is irrespectible to human beings. Animals are just as ruled by "God" completely, while Humans have the capacity to "re-unite with God" or the Atmic level of consciousness. The jewish programs ensure this will never happen for the Demonic Gentiles, and they are an injection to destroy this capability of humanity.

This is why Satan "rebelled" against "God" in the bible, and enslaved "God". The jews just however place themselves and their alien company as "God", while they claim the "all-powerful" powers of the Atman, but apparently, they are not and they never were all powerful. As thus they are on a war with "Satan" and this ties into the ET stories that humanity has come to understand in this age, but always knew.

What is the Torah? Admittedly, its a spiritual weapon given to the jews by an alien intelligence, in order to wipe out the Gentile people.

From the book "Bible Code", "The Sealed Book", p.113 (translations may vary in pages) [1], in regards to the alien writers of the Torah:

"The God that helps Moses (The jew), says Mails, "was powerful enough to know what would happen

in the future, but not powerful enough to dictate what was to happen".

In another place of the same book, it openly stated that the Jews were in communication with aliens (which will be proven later are hostile to us, as all of us here know):

"The Bible (Torah) that God instructed to Moses, wasn't anything but a computer program. To begin with it was written on a rock, and was written then on papyrus. Then it became a book. In the Codex (of the bible) it is however mentioned as "The Ancient Computer Program". [...] What this Bible Code (Torah) proves is that it was a communication with another intelligence, something that scientists nowadays seek, but it has already happened [...] the discovery of an alien device or of one alien message on or near the planet Earth."

So what are "Angels" all in all? Let it be explained by a Rabbi what they are. Aliens, and for those that are not aliens, they are sort of like astral computer programs or astral borg thoughtforms, that are part of the Jewish Torah program, generated into a reality by the faith of the "believers":

[2]"This second method is how the entities, which Torah refers to as angels, come to Earth. In most cases when these entities appear, as was the case with Avram, they are referred to as men. They look like human beings and act like human beings; they even partake of a meal, eating human food. Their identities are somehow intuited, but if not for such "spiritual" sensitivity, their true identities would go unnoticed, as it was in Sodom.

When messengers from G-d come to Earth from whatever domain, abode or planet of their origins, they use some means of transportation that transports their essence, and enables that essence to materialize in a compatible form for life, here on Earth. As such, their perceived form would be that of a gaseous or plasma form, or possibly just mere matter-less energy. Yet, while we see them as they are embodied here, and while we may perceive them in their gaseous or plasma mode of transport, this by no way concludes or confirms that their indigenous form in their domains of origins are anything of the kind. To us, an angel is a messenger sent for a reason to accomplish a purpose, but then what? Is the angel/messenger no more than a computer program, designed to mindlessly perform a function and that's it, then to return to the oblivion from which it came? Are angel/messengers no more than some super advanced form of "alien" artificial intelligence, merely programmed and limited by the boundaries of such programming? If this is so, it would explain why some Sages have commented that angels have no free will. Yet, we see through Biblical example, and later Midrashic teachings, that angels do rebel against Heaven, and challenge the accepted order."

[My note, they put everything in the same box and why will be explained later. Satan doesn't have anything to do with "Angels" and this is a jewish label for all astral beings irrespectively of if they are thoughtforms, aliens, or whatever else.]

### So what about the Demons who are the Gods of the Gentiles?

1 Corinthians 10:20

"No, but the sacrifices of pagans are offered to demons, not to God. And I do not want you to be participants with demons. "

The Greek word for Demons, is called "Demonia". As we have stated many times in the past, and in the works of Plato such as Timaeus, we have "Agathodemonia" and "Kakodemonia". Agathos means Noble, Good, Light, Beautiful, Perfect, while "Kakodemones" means bad, evil and nefarious, or even dangerous to mankind. Agathos Daimon, the God of Dionyssus and the God of the Dionyssian Mysteries, is actually the Kundalini Serpent, which is the source of the ultimate Good, Good in itself. The beings who are of the Serpent, are called "Agathodemones" and guide humanity, protect humanity, and guide humanity to spiritual elevation.

The Kakodemones are nothing but thoughtforms, apparitions, possibly even negative aliens, created thoughtforms by humans and the list goes endless, no different than how one creates an egregore or servitor, or are elemental beings created by hatred and the list goes on. The banishing and exorcism of these beings is important for the safety of humanity. The Greek Gods and the original Gods (The Demons) are not this, as the enemy loves to claim, and all of this is in reverse. They just reversed this to create their own "Culture". Infact, the jews are in alliance with these evil and despised entity and carry out their purposes such as extermination of all the Ancients etc.

These in the hebraic literature are reversed identities, and the "Agathodemones" of the Gentiles/Greeks (their Gods etc) have been turned into heinous monsters and labelled as 'demons' whom the enemy tries to convince everyone are inferior. For instance, the Demon Andras in the Goetic Demons, means in Greek "MAN". "Andrelaphos" is an Ancient Greek Name and so are many others, so is Asmodeus ( ἄσμοδος ). Daimon or Demon just means knowledgable one, and Demon also means Spirit or Astral body. For a Demon to be called a God, they have to be of supreme power, influence and strength as Iamvllichus states. There are grades. The Demons are also sent by the Gods (the superior Demons) to help Humanity and elevate them to the highest levels of spirituality.

The jews call themselves their "god" by the honorary title "Adonai" which comes from the Greek Adonis-meaning Beautiful, noble, and all of this. As with anything else, the jews have stolen this and adjusted this to fit their own ends, from the Greek demi-god Adonis. Ang-EL, like "Uriel" and the rest of the Angelic Garbage, is identifications of mostly jewish origin. These are identifications of the Jews mostly. EL comes from the Egyptian " " that just means light. " " means Sun in Greek, also known as Helios. The shiny one. Anything can be shiny, and this doesn't mean that this is not nefarious of us or friendly. Anything on the astral that has light. This also implies that the angelic thoughtforms were generated by jews, through light, and they were literally created by them. What their own "Angels" are, they project to the Demons and the Gods.

Its the same pattern in everything they do. Make no mistake, jews haven't only stolen from Greeks, but from thousands of millenia from all Gentiles. This is how they ended up with this system where Asiatic, Greek, Persian, Middle Eastern, Syrian, Hindu etc, entities are shamed alike. However, the jews know, that all these entities are technically the same. What the Ancients also knew to be a fact.

It goes WITHOUT saying that the dreamy, ficticious and lying "Grimoires" that are written by jews of BLOOD, RACE and RELIGION, are based on the backbone of ABRAHAMIC/JEWISH faiths, and are nothing more than their racial hatred expressed in an occult system to enslave and obliterate Gentiles. Those who follow this abominational crap are not only offensive to the real Gods of the Gentiles, but also are creating their own eternal tombstone. The authors of ALL defamations against the Ancient Gods and cultures, were nothing else but jews. Not evolution, not history, not even coincidence. A calculated attack by jews waged on another races, due to this jewish race's alien origins, which is self-admitted by the jews themselves and proudly upheld.

Thomas Hobbes, the "Philosopher" of the 1600's, writes openly in his work, the infamous "Leviathan" [3] : [Book IV, CH 45-46]

Hobbes admits here that what is nowadays known as "SATANISM" (he calls it Demonology) is the par-excellence religion of the Gentiles.

"Of Daemonology and other Reliques of the Religion of the GENTILES. [...] And by that means they feared them (the Demons, the 'heathens of old') as things of an unknown, that is, of an unlimited power to doe them good, or harme; and consequently. given the occasion of the Governours and the HEATHEN (my note GENTILE) Common-wealths to regulate this their fear, by establishing Deamonology (in which the poets, as Principall Priests aof the HEATHEN Religion, were specially employed or revered) to the Publique Peace, and to the obedience of Subjects necessary thereunto; and to make some of them GOOD Daemons, and others EVIL; the one as a spurre to the observance, the other, as reins to withhold them from violation of the

laws. [...]

The Graecians, by their Colonies and Conquests, communicated their Language and Writtings into ASIA, EGYPT, and ITALY and therein, by necessary consequence their DAEMONOLOGY or (as St.Paul calles it) their DOCTRINES OF THE DEVILS: and by that means, the contagion was derived also to the Jewes, both of Judea and Alexandria, and other parts, whereinto they were dispersed. But the name of Daemon they did not (the jews) (as the Graecians) attribute to Spirits both Good and Evil, but to the evil onely: and to the Good Daemons they gave them name of the Spirit of God; and esteemed those who entered the bodies of their prophets (The jews)."

What does this tell us... The evident. The "Gods" of the Gentiles were turned to "Demons", and the generic title for those beings "Benefic" to the jews were labelled "Angels". Just for coverups. What else does it tell us...DAEMONOLOGY IS THE RELIGION OF THE GENTILES. Also, this came from the Aryans, Greeks, and extended into their regions. Egypt was part of this, and jews, have stolen everything from Egypt, to reverse it, corrupt it, and create their own alien "anti-religion" against the one of the Gentiles. Angel means nothing else in hebrew but messenger of "god", and "angels" can be good (nice to jews) or bad (against jews).

In the same way the Greeks and Romans may have worshipped their divinities, fondly believing them to be good. But the Christian Scriptures declare that all the gods of the Gentiles are demons. -Catholic Encyclopedia: Devil Worship

Those who are against Jews, are equated with the Demons, and the Demonic Gods, and they are "remains" of the Ancient Religions, who oppose the jews every step of their way. The leader of which is Satan, Samael, the creator of the White Race as admitted by the jews. All the Gods of the Mixed Multitude, and the "Amalekites" same as other Gentile Races descended from the "Fallen Ones" are to be obliterated and destroyed. To us Gentiles these entities have always been "Agathodemons" like Satan or more blantly, even Zeus:

Revelation 2:12

"To the angel of the church in Pergamum write: 'I know your works, and where you dwell... where Satan's throne is.'"

The throne in the Pergamum is the Throne of Zeus, the Ancient Greek God, who ended up in the grimoires as a "despised" Demon, God of the Greeks. For more details check here, and to also read how this relates to xianity and the jews (who created christianity in the first place, from the root of Judaism):

<http://www1.cbn.com/700club/seat-satan-ancient-pergamum>

For those who are still naive and think the jews have any problem with "Christ", then I wonder why they have a NATIONAL HOLIDAY in smearing the Ancient Pagan God that is in their literature known as "AZAZEL", or the Demon Azazel. While openly claiming Jesus, as the most important Rabbi Kaduri wrote in his deathnote, is the SAVIOR of the JEWS.

"Matthew 5:17 - Rabbi Jesus Talks:

Do not think that I have come to abolish the Torah [Jewish Law] or the Prophets; I have not come to abolish them, but to fulfill them.

For I tell you truly, until heaven and earth pass away, not a single yod, not a vav, will disappear from the Torah [Jewish Law] until everything is accomplished...." [Yod and Vav are Hebrew Letters]."

So, This National Holiday is mentioned as the Yom Kippur. Now, what did "AZAZEL" do that was worthy of him to being cursed in a NATIONAL HOLIDAY of the jews, and like "SATAN" (whose real name is Satanas from the Greek New Testament) be accursed and attacked until forever by the jews? Azazel is also known as "Semihaza" in the hebraic literature.

In the Book of Enoch, Samyaza is portrayed as the leader of a band of angels called the Watchers that are consumed with lust for mortal women and become fallen angels.

And Semjâzâ, who was their leader, said unto them: "I fear ye will not indeed agree to do this deed, and I alone shall have to pay the penalty of a great sin." And they all answered him and said: "Let us all swear an oath, and all bind ourselves by mutual imprecations not to abandon this plan but to do this thing." Then sware they all together and bound themselves by mutual imprecations upon it. (Enoch 6:3-5)

In the book, "Books of Enoch, Aramaic Fragments of Ourman Cave 4", edited by J.T Milik" it writes in translation of the original text of the book (p.178):

[These will be my notes]

"And to Gabriel the Lord said: Go to the bastards and the children of fornication, and destroy the children of the Watchers [Those who from the Heavens came to Earth, our literal forefathers known as Demons] from among men, and send them into a war of destruction; and length of days they will not have. And no request from their fathers on their behalf shall be granted that they should expect [binding astral communication] to live an eternal life or that each of them should live for five hundred years [this was the lifespan of the Demonic Seed back then, before humanity was "cast down" in this alien attack]. And to Michael the Lord said, "Go Michael and make known to Semihaza and to all his companions who associated with [human] women to defile themselves with them in their uncleanness, that their sons shall perish [Gentiles] and they shall see the destruction of their beloved ones' and bind them unto seventy generations in valleys of the earth unto the great day [the 'apocalypse' or judgement]."

So in this passage we see the binding, extermination of the White people, and also that "God", this alien intelligence that is of the enemy, wants to wage a war of destruction against both humanity, and the Sons of the Gods.

More on the extermination of the White Race by the Jews, the Sons of the Giants:

[post73004.html?hilit=amalek#p73004](http://post73004.html?hilit=amalek#p73004)

From the same book, the Rabbis openly admit that their ET company has bound the Gods of the Gentiles:

"And what did Semihazai do? He repented and suspended himself between heaven and earth, head downwards and feet upwards, because he was not allowed to open his mouth before the "Holy One - Blessed be he - and he still hangs between heaven and earth. [My note they cannot communicate with Humanity because humanity is spiritually bound by "God"] Therefore, when the Israelites used to bring sacrifices on the day of atonement (YOM KIPPUR) they cast one lot (animal) for the Lord that it might atone for the iniquities of the Israelites, and one lot (goat) for Azazel that he might bear the burden of Israel's iniquity. This is the AZAZEL (Semihazah) that is mentioned in the scripture. [but the Gods are also cursed as well by the Jews and their "God"/Alien company]"

More on Azazel as posted here, and what Jews celebrate in their NATIONAL holiday for THOUSANDS of years, and who they smear against:

"This is confirmed by the Book of Enoch, which brings Azazel into connection with the Biblical story of the fall of the angels [...]"

Azazel is represented in the Book of Enoch as the leader of the rebellious giants in the time preceding the flood; he taught men the art of warfare, of making swords, knives, shields, and coats of mail, and women the art of deception by ornamenting the body, dyeing the hair, and painting the face and the eyebrows, and also revealed to the people the secrets of witchcraft and corrupted their manners, leading them into wickedness and impurity;

"There has been much controversy over the function of Azazel as well as over his essential character. Inasmuch as according to the narrative the sacrifice of Azazel, while symbolical, was yet held to be a genuine vicarious atonement, it is maintained by critics that Azazel was originally no mere abstraction, but a real being to the authors of the ritual—as real as Yhwh himself.

This relation to the purpose of the ceremony may throw light upon the character of Azazel. Three points seem reasonably clear. (1) Azazel is not a mere jinnee or demon of uncertain ways and temper, anonymous and elusive (see Animal Worship), but a deity standing in a fixed relation to his clients.

Necessarily their environment subjected them in a measure to superstitions associated with the local deities, and of these latter Azazel was the chief. The point of the whole ceremony seems to have been that as the scapegoat was set free in the desert, so Israel was to be set free from the offenses contracted in its desert life within the domain of the god of the desert.

Azazel would therefore appear to be the head of the supernatural beings of the desert. He was thus an instance of the elevation of a demon into a deity. Such a development is indeed rare in Hebrew religious history of the Biblical age, but Azazel was really never a national Hebrew god, and his share in the ritual seems to be only the recognition of a local deity.

To Conclude, not only the Demons are the Gods of the Gentiles, but also they are good, beautiful, intensively powerful, and have been our guides and literal creators and progenitors. Only with the dawning of the Jewish programs have they been ridiculed, defamed, and reduced to evil or nefariousness.

The Jews are sworn enemies of Eternal Truth (Satyan in Sanskrit, or the Yezidi Shaitan, known to the Abrahamics as the "Devil" or Satan), they call the Truth of the Gentiles eternal Adversary (Ha Satan in Hebrew) and all beings who are our Gods, positive for us, and have helped, or want to help humanity, are sworn enemies of the Jews, their "God's" and everything the jews stand for and represent.

I became a Satanist 5 years ago. After few weeks since i started i started to suffer. Enemies are constantly attacking me. I suffer every day for 5 years. Im fighting but it works slowly. I have a problem, where i cant control energies, so i put gray energy, or any other negative energy to myself, or to those who i love. I have more similar problems like this. I do void meditation every day, but it works slowly. Satan said: "Those who suffer for my sake i will surely reward in one of the worlds". I put this sentence in my mind, and i remember it every day. The biggest gift from Satan would be, that i reach Magnus opus in this life, and become a god. I hope Satan will reward me with this gift. If anyone has any advice, that would help me i will be happy.

Hail Satan/Lucifer!

Hail Leraje!

Hail Andras!

Hitler Was A Satanist His Own Card Proves It

Adolf Hitler purposely put his personal id card at 555 for his membership of the National Socialist Party.

Hitler's party id card:

The Party was a lot smaller then this, this fact is well established in history books. So what does this symbolic number mean, why was it chosen for his personal number?

As known the National Socialist Party was created and run by the Thule Society a Satanist Order.

555 is RA the fifth rune. RA means darkness in Sanskrit. Which is what 555 is called in gematria which was stolen from the Greeks [even the word is Greek]. The black sun. The black sun symbol is just the Zodiac wheel with the lighting emanating from the center point the RA. In fact the entire black sun is nothing but the circle with the dot in the center. Which is the symbol of god in the Aryan mysteries and the symbol of the Black Sun was called RA by the ancient Egyptians, Greeks and Vedic's. The Radius of the circle is Ra deus, God RA. The god of the hidden or black sun is RA. And in Hebrew RA means "evil".

The symbol of the circle with the dot is the glyph of the sun and the symbol of the gold in the work. This symbol was given to Osiris whom the Egyptians called Lucifer. The Black Sun is also shown as the Oroboros serpent, the symbol of the Magum Opus in Hermetic doctrine.

RA is fire, the element of the sun and its by RA, spiritual fire the soul is made perfect in Hermetic doctrine. Its by fire that matter is transformed to spiritus. The Black sun is the symbol of the 12 signs of the Zodiac which the sun, RA journeys thought purifying the soul. This is the Atum of the Egyptians who they also called Lucifer, the Morning star. The Black sun also relates to the zodiac wheel the stars of the constellations shining in the night sky. Showing the path to immortality. The Egyptians and other Aryans were stellar worshippers, the night sky. Which makes the body of Sophia/Lucifer. This is why ancient Temples were made to resemble the night sky.

555 is the number of Venus, who is Lucifer, the Black Sun and is shown as the Pentagram. The symbol of the fire of spirit perfecting matter, the Agathos Demonia. The Aryan god which is shown as the serpent, Satan. Which transforms the elements of the soul to gold, to luminous spirit.

Himmler had the Black Sun put into the SS castle at Wewelsburg. SS is well know to have the esoteric meaning of Schwarz Sonne, Black Sun.

For those in the know this was the same as waving a neon sign in people's faces. 555=Satan.

Subject: "Two Fateful Decisions"

Attachments :

All can be basically determined on the "downfall" of Hitler and Nazi Germany by two major fateful decisions.

1. The German forces Invading the Soviet Union on 22 June, 1941 (Operation Barbarossa) when there was really no immediate reason to do so. Hitler had conquered France, in a magnificent show of arms (Blitzkrieg) that had "shocked" the world, in only a few weeks, and Britain was alone, struggling to prepare for what was an expected seaborne (Operation Sealion) invasion of her shores.

All Hitler had to do was build up his eastern defences and wait for the inevitable attack from Stalin - which would have brought world opinion on his side and prevented the USA from coming into the war. The result of invading the Soviet Union was to "galvanize" the Russian peoples will and determination against him, and involve Germany in a "titanic" struggle that slowly "sapped" her strength - and her eventual destruction.

2. Aligning himself with Japan, when there really was no political or strategic reason (in his favor) to do so. It obligated him to declare war on the USA after Japan bombed Pearl Harbor on, 7 December, 1941, which we know now, was caused by Roosevelt's embargo on Japan's natural resources.

In conclusion, that is what settled the fate of the Nazis - but we know that there is more to it than that! It allowed us a chance to "stall" the eventual takeover of the world by the international Zionists, and gave us the chance to "comeback" and destroy them with Satan and the Gods!

I was always an unusual kid, especially for a girl. I didn't talk to people or make friends and I went through some very awkward stages growing up but it was worth it because it brought me into my psychic awareness and power.

The truth is I just don't have much of "conscience". I just went with my natural tendencies and here I am. My attitude my entire life always was, me and my people, right or wrong. I'm not saying that's what SS represents or advocating that as a message to recruit Whites, just that is how I felt.

I grew up with all the same anti White propaganda shoved in my face as everyone else "HOLOCO\$T HOLOCO\$T HOLOCO\$T SLAVERY SLAVERY SLAVERY! WHITES ARE BAD! FEEL GUILTY!" But somehow it never worked on me, not that I never believed it, I used to believe it before coming here. I just didn't care. I still naturally cared about my race the most and hated being in a multi-racial environment as a young child and never cared if I was called "racist" or "bad". Thank the Gods.

I think it's because Cancer and the Moon are strong in my chart as is Pluto. I was born both innately tribal or "racist" and also psychic. I found the Joy of Satan ministries and it confirmed many things I had an intuitive sense of my entire life but wasn't sure about.

Before that I was Pagan and close to some of the Gods or Demons that are worshiped here also. Particularly Baal, Asherah and Nergal and also a God named Qos. I love them all and was also happy to welcome father Enki and Ninlil (Lilith) as Gods of mine when I dedicated.

## Reverse Torah Rituals for 2016-2017

These rituals should be done after the dates given below. This is how it works: The enemy reads specific verses from their Torah on specific dates. This is done in synagogues all around the world on the same days and creates powerful astral energy that is used to enslave the world, create unimaginable wealth from the blood, labor and sacrifices of Gentiles, and to ensure their success and their escape from any justice.

By reversing certain verses after they read them from their Torah, this works to destroy the energies they raised. We will wait one day and then go behind them, destroying this most evil energy.

Please keep this and download all of the rituals. If anything should happen to the internet, it is very important to keep doing these!! No matter what!! Our workings ARE exposing and destroying them.

Yom Kippur, the enemy New Year begins on the 11<sup>th</sup> of October 2016. This is when they recite the Kol Nidrei "prayer" that absolves them from any of their grave injustices committed against Gentiles [and even their own, as they prey upon their own, being the parasites they are], and also clears them from having to keep promises and keep their word. It is a criminal working that needs to be reversed. Gentiles pay for this!!

The dates change from year to year, but are pretty predictable and can easily be found online by typing in "[year] Weekly Torah Readings." For example: "2016 Weekly Torah Readings" into Google.

**Though the times given include "anytime thereafter" these should be hit the hardest immediately following the dates given below.**

Greys... Those damned things, they are cyborgs that got out of control. Technology gone haywire.

Because they are mostly artificial, they are dependent on spiritual energy to thrive and to carry out their agenda. So, this is the main reason behind Christianity, Judaism and Islam.

These hosts supply the energy, and the stupidity and the ignorance from the human hosts keep feeding them. This is why they have to maintain and push for a slave state... To feed their lacking energies. Wars, suffering and misery supply the energies for their black magick.

They cannot create. No different from how they have been abducting living beings for centuries, to provide the necessary DNA, etc to create their offspring in tubes.

Here's another piece of information...

"The kosher butcher shop in Old Havana seems to have survived however and is one of the few places in the city that regularly has meat. The government has kept its commitment to supply meat to the shop. Occasionally food products are donated by Jewish communities abroad to help those trying to maintain a strict kosher diet."

Taken from "Insight Guide Cuba"

The Jewish communist government takes control of all the food, the housing and other necessities. They don't have to shop in places for non-jews. They have their own. Food produced on slave labor farms and such is sold to other countries. The jews then reap the wealth. The Gentile slave labor is left with endless shortages and excuses.

Gentiles are forced to go to places like in the videos below:

Warning About The JWO In this Music Video?

The Masons were taken over by the Zionist Illuminati and are now a Judeo agenda and have been for centuries.....

Note the masonic symbolism the checker board floor the symbol of the Temple of Solomon, with the masonic pillars in the background, the jewish global agenda, this singer states "Ask one who knows me, if Iam really that bad.....IAM" This IAM is the name the jewish god calls itself in the bible, Torah. Very interesting. A play on words? This song might just be about the jewish world order. What group has a criminal mind?

IAM the name the jewish god gives in the Torah when asked what its name is....In kabala is called this passage the Iam is given the Ayn letter in Hebrew, which image of this letter is given the All seeing eye of the Judeo-Masonic god. IAM....Yahweh. Ayn if vibrated long enough sounds like IAM, its a play on this name. The 22 letters are the name of the jewish god in Kabala. The YHVH adds to 8 and 888 is the number of the alphabet in all systems.

A criminal mind is all Ayn ever had. A criminal mind is all the jews ever had.

You know what? I can't stand in the sun (white as a sheet) for more then 10 minutes without burning!

What does that mean to you?

Does that mean- I'm a "goyim" - a people that no longer has a culture and heritage?

No, that means I'm an Aryan! And proud of it!

Excuse me, but I don't apologize for what I am! I come from the blood of a God - most ineffable, loving, and greatest being this universe has ever known - the God this universe always had, and needed! He has always been with us!

When? I look in the mirror every morning- and sometimes - see Him there!

Satanas!

## Escaping Suffering, Rising in the Ladder of Light

Greetings to all our People and Satanic Comrades.

Now, in regards to "suffering". Suffering has many levels. The purpose of this post is to just touch on the major "suffering" people self-induce upon themselves, and not largely get into other types of suffering.

A lot of people I have noticed in general are in a "suffering" mode 24/7. Needless to say this is tied to the fact that they do not meditate, then "walking life issues" or any other reason they can create. In fact, most people create fancy and unreal reasons as to why they suffer or feel uneasy, anxious etc. Most of the time, the real causes are well hidden and secluded from the masses, because as you can see there is a whole planet profiting and playing around suffering. All major jewish and jewish-inflicted religions are built upon this concept. There is also endless self-blame, victimization, self hatred as a rule. This is the natural state of any being that is on a low existential level.

The enemy creates misery and profits from suffering, no more than a tick of flea profits from an open wound. This is the de-facto, factor of a parasitic relationship. These exist in nature like ticks and fleas.

There are many people who complain. Well, "God", your "Higher mind" or the "Universe", you name it, doesn't really listen to "complaints". At best complaints are aimed to be listened by other human beings, who then are put on the decision to help or not net help another individual out of their "Misery" or a situation where they are weak. This has altruistic purposes, and the deep need for this is based on the fact that human beings by nature do not want suffering for themselves and others. Suffering reminds one how it is to suffer. People, normally being in the same natural team (Race) have to master the outside forces of the cosmos and advance.

The universe will be your friend if you put work into things. Also, your own self must be your own friend, and you must have your strong friends of Light around you- the Gods. Its good to relate and be close to them for they desire only good for us. Nobody on their level desires suffering, or anguish, for their own progeny. They have NOTHING to gain or lose from our suffering. They don't work like this. They are Divine.

They are calling you to ascend the ladder of light and liberate yourself. In all cases, this is your own choice. The ladder is cutting and collapsing, and many beings fall eternally into the abyss of non-existence, or an existence of fear and slavery. This will be the destiny thousands of millions have created for themselves, by ignorance. You must NOT be one of them. Great things await for those who ascend the ladder of the light. Endless anguish will be the prize for those who let themselves fall into the pit of jewish doom.

We must get in a higher level, and this is an purpose versed to us by existence.

One cannot get there without suffering, or without correcting, learning, trial and error, and saving others from despair. This is because Races work as unity. Within any eco-system, different animals can exist. These animals are not necessarily antagonistic or aggressive against one another, given their needs are met. Humans can deal, through wisdom and knowledge, and also awareness (all these Satanic Traits) to create an "Ecosystem" or reality, that is not plagued by things that plague other places in existence. Suffering can be minimized. However, we have parasites living amongst our midst, and this is a real fact. They don't want anyone to advance. It seems to be the natural dictate of a vengeful parasite.

Parasites, wealkings, jew mimics, and all those who simply cannot and are unwilling (because its a matter of unwillingness most of the time nowadays with all these means everyone possesses) to keep up with the pace of any advancement, have actually just exploited this force of "mercy" by pretending to be sufferers and also pretending to be units deserving of help. As thus, those stronger, they have given them mercy. Jewish Christianity was based on this. The poor jew, by the systematic use of misplaced mercy, has become now a temporary rat-master of the planet, and behind him rally and follow other worthless retarded lifeforms that mimic his own footing.

By the march of all of this inferiority, people who may be decent, or even average, or exceptionally superior, or even lower than average, are plagued and destroyed by those who are unwilling to do anything, or be anything, but a universal sensation-ist parasite, that eats, sleeps and consumes on the labor that the strong make into taming everything else.

The jews have never labored to fight for anything, create anything, or anything at all. Through "mercy" or let's say accurately, a giant spell that causes misplaced mercy on the behalf of their victims, they have survived and they have now conquered them.

In simple terms, suffering has become an disgusting bussiness, quite profitable in the age of pisces. Its no longer a state of a problem. Its sort of like a bussiness that fullfills needs from attention, to one's need for controlling the brain of other people, to even exercising control over others by being a whinny entitled brat and the list goes on. The jews themselves are also based on this "entitlement" crap. How parents teach their children plays a role, how all the lazy idiots do actually get countless benefits compared to those who work hard- a general inversion of the laws of nature. This is how the jews have conquered. Well, if a law exists, it can be turned into something else. Maybe not forever, but it can happen for a while. Until society collapses that is.

And it is going to happen if things go down that road.

Now to go into "personal" suffering, suffering has grades. At least how I see it, I believe there is real suffering, and fictitious suffering, and then, what was described above, purposeful suffering for some benefit. Yes, some people are suffering for a purpose. It's called sadomasochism. Love of gloom is a negative thing. Infact, people love gloom because the body in the attempt to save its own self from destruction produces a high to save the person from this self destructive loop of death. You can need not go into a downwards spiral. Gradual, steady, and uplifting steps towards being a Sun. Not a gloomy Jew.

Some people also have actual health issues and this is not what I am touching here anyway. Its kind of a sensitive subject. Although I really think the "Medical" issue is also something that has given in and can be fixed as well, like anything else. One can also rise above the stuff they cannot really "manage" at this present time. So nobody is quitted from the empire of power, consciousness, RTR's and LoL's.

As for those complaining about issues (many of which are definitely life consuming and real) even then, a good disposition and a better mental and spiritual health deal with these better. You only win if you go against suffering, and you don't lose anything. You also make others better and indirectly fight the Jews. By the way, ignorance is not bliss. Knowledge and Spiritual advancement produce real, conscious bliss, in light of one's constant advancement towards the Divine.

Well...

First of all, many people get tortured because they are torn in the world of "idea" and "desire". In plain, the Jewish gibberish that has been created nowadays to keep anyone eternally pre-occupied, as if in a magickal spell so the being reaches no self-realization. This is the point where a human lifeform if they died tomorrow, their "soul dream" would be the new iPhone 7. Their innermost desires and aspirations have become empty, dull and materialistic, and infact, the soul doesn't like this. At least the Gentile one, and the soul of decent beings. So we have one reason of suffering- boundless desires that are ripping the self apart and must be brought into a sense of balance and respect towards the higher and lower part of the being.

Then we have another thing. Many people just make wrong estimations. To be more correct, by denying spiritual laws such as the laws that are known as "Karma" (that have been corrupted but I have explained in a way to help everyone find their own way in this) people are blind. For instance someone always whines about how they do not have friends, or good friends. This society teaches to either blame one's self completely, either blame others completely. Most people go towards the second solution until they breakdown, and swing to the other one- both equally unhealthy. Thing is, sometimes its good to use Satan's ability vested in you that is called thought and logic.

If you go to a skyscraper and have a drunken, LSD, dancing orgy of dancing, then if you fall down and you die, was it your karma, the Gods, the universe, or just your retardiation? What I try to say, some things can be just avoided by making it a rule in your existence to apply logic where it is needed. You don't need to be going as fast as 160km an hour in a populated road to go to work. Or when you are drunk to make it 1 minute earlier in your house or something. Much negative karma manifests only because of lack of awareness and retardiation, or lack of attention.

Then to escape suffering, one must weed out any programmings that induce needless suffering to the individual. To see the matter more correctly, someone is not a useless being, infact they are a nice person, and they are not a plague to the planet, but they are plagued by feelings that cause suffering. This is a mind out of control. Whatever the purpose of this is, it doesn't really matter, as most of the time this is just something that lingers from another condition. I

underline here, unless there are PHYSICAL reasons to support this, or factual problems, it can be just the result of a stuck mind. Like someone with PTSD- the war is over, but anything that makes a sound of explosion, makes one experience the same fear or agitation. This can be understood, controlled and removed from the mind. For instance someone has had parents who have been negative to them all the time.

To be even more exact, sometimes you don't need a new brain, or a 40 day working, to just have some fun. Just turn off the switch, and let yourself go a bit and indulge.

The Pharaoh is the one who is cheery all day. Pharaohs are on their tomb and their mask is of an imprinted smile, showing they have been, and are going to the astral, happily. They are not professional victims, or suffering experts. If you are not cheery then you are not Pharaoh even if you are Pharaoh. Pharaohs are careful and considerate by the way, and they know the importance of situations, but they LoL too. You can't be your own Pharaoh unless you are a cheery one. I also impose a new law and divine regulation about all wanna-be Pharaohs. The RTR's and LoL's must be mastered. Nobody who hasn't mastered the RTR's and laughter is to be High Above. And nobody that doesn't say in vigor : "Those who bless Israel are Cursed and those who Curse Israel are Blessed". And then laughs again.

The Pharaoh Lol's everytime the jews say that this world is about suffering. He RTR's them. The Pharaoh lol's and then does a Ritual against the jews, and bounces back their suffering millionfold. Jews cry on the Yom Kippur and Pharaoh LoL's hard while doing just another RTR.

Learn where and when, what is necessary. Learn and keep learning, but learn worthwhile things. Learn to divide information in what works and is good for you and good in general. In simplicity, realize the negative patterns that cause you suffering and apply new habits to solve these. Your different habits will slowly form a new you, which if you want to escape suffering, must be a more liberated, stronger, more intelligent and capable you. Largely now you are nothing but your habits or lack thereof, which is still a habit to have no habits that make you better. This eradicates suffering in its own accord. Once this reaches big proportions, you can help others escape too.

But as to not confine ourselves in talking too much, let's just remember some "rules" that apply to all times, generations, situations, and anything else, without attempting to write a new bible crap. These are just based on natural laws and have been around for millenia, and you don't need a jew to tell these to you. The Ancients have been screaming it everywhere.

- Moderation in all things (know how to judge)
- Have temperence (control your passions and thoughts, and know when to let them control you)
- Know Thyself (Meditate attentively)
- Be persistent (Never Quit)

The Rising of the Ladder is analogous to the rising of the Serpent. From dormancy and being terminally spiritual blind, you are supposed to get higher in the ladder by acting in all the levels of existence, until you finally actualize the finishing of the ladder, from where you will be reborn as a pen-ultimate being of

realization. This doesn't happen overnight. This happens through struggle, persistence, and fortitude, and work. The universe doesn't give freebies.

Let Satan's light illuminate you. Let him give you consciousness over your own mistakes and the reasons of your gloom. Then, let him give you power, consciousness and knowledge to save yourself. And become a greater entity. All of us begin from somewhere, and irrespectively of that, any life that is on this struggle to advance is accepted and helped to advanced if so it desires. There is no greater joy, than the joy of self-overcoming. Only when one self-overcomes, they really become one with the only and highest, but most forgotten Truth of this universe- everything must advanced.

Those who rise in the ladder of light, the ladder of consciousness, will wear the crown of eternal life and bliss. This is not an empty promise. This is a reality the ancient masters of our side have achieved, and many live amongst our midst, soon to also rise the Ladder of Light.

Make it your aim to rise on the ladder, to shine as a star to be seen. Never dare pretending this, but only strive to become a REAL Sun.

To all the Sons, Daughters, the almighty Family of Satan, who are Satanists in heart, mind and deed, know that your suffering, from wherever you are now, you will succeed in conquering it. There is no doubt. Open up your mind to HIS Greatness and victory will be yours.

Like in the allegory of Osiris, everyone can rise above suffering if only they let their inclination towards the Satanic Divine, rule their spirit.

HAIL SATAN!!!

Greetings to all our Warriors and Comrades in our Satanic Army!

As HPS Maxine instructed in her schedule, we are to be doing these Rituals:

---

2016

12 October and anytime thereafter

Kol Nidrei –

<http://www.angelfire.com/wizard/pixie666/KN.htm>

Lev 16: 22 – Reversing the Curse upon the Goat

[http://www.angelfire.com/wizard/pixie666/Lev\\_16\\_22.htm](http://www.angelfire.com/wizard/pixie666/Lev_16_22.htm)

---

Until the end of the month, we will have priority as following:

Until the 31st of the Month, we must be doing the Kol Nidrei and the Curse Upon the Goat daily. These ideally do not take much time and should be repeated as often as possible.

For those who want to do a third Ritual, we can add this one, that literally nukes the enemy unlike no other and is of the most toxic:

Cursing the 72 “Names of God”: [Exceptionally powerful and destructive against the enemy] - A MUST DO RITUAL because this is the literal CORE of things

Greetings to all our People and Satanic Comrades!

So...Dear Family of Satan!

I am very happy to announce to all of you, that we have a New Documentary for all of you to watch.

The real Story and Struggle of Satanic Grandmaster Heinrich Himmler:

<https://www.youtube.com/watch?v=sA5kBEIaDQ4>

The Rise to Power of the Fuhrer, Adolf Hitler, the National Socialists and WW2 - all of it, in ONE documentary, without jewish filthy garbage, lies and propaganda that has been written by paranoid yids for centuries.

This is 4 hours long so prepare a lot of popcorn and fun.

This is also the medicine for all the "Christiandoomers" and other naive and uneducated ones still who believe the hebrew myth of a "Christian" 3rd Reich that was borne out of prayer to some jewish Rabbi or other excrement like this. The 3rd Reich was 666% Pagan, and all proof and evidence is within this documentary. Also, the savagery of the Jewish USSR is also arrayed in its Talmudic and Torah nature as well. This is what the USSR was. Jewish Biblical law implemented on reality.

With so many jewish lies, censorship, and endless slander, we can honestly say that after Satan, the Gods, and Adolf Hitler, Heinrich Himmler is literally one of the most defamed and misunderstood men in history. He was an extremely noble, spiritual natured person, and he was definitely one the Greatest Satanists of his century and in the whole history of the world.

This slander and outright paranoia of the Jews has also become "Law" in the literal hard sense of the word. To where now for instance my other Documentary (The Exit the Jewtrix) got nuked by "legal complaints" by actual and real persons and can therefore no longer be watched in Europe because it conflicts with "State Law". This was NOT a copyright infringement.

There is no question as to (((Who))) did this thing obviously. The documentary was amassing a steady of 100 viewers from all over the world since the day it was published. Many of them from America and Europe, but also from many other countries. As many of you know, the jews have been gradually turning State law into Talmudic law and a second Torah. Where you cannot speak your mind for any reason, especially on these 'touchy' subjects where the jews as self proclaimed gods of the planet must SOLELY talk on their own.

This Documentary is also no different, as unfortunately, it is blocked in France, Italy and Germany. I will see for a way around this. Those of you who are from these countries can find a method online to watch this. There are methods.

Greetings to all our People and Satanic Comrades!

So...Dear Family of Satan!

I am very happy to announce to all of you, that we have a New Documentary for all of you to watch.

The real Story and Struggle of Satanic Grandmaster Heinrich Himmler:

<https://www.youtube.com/watch?v=sA5kBElaDQ4>

The Rise to Power of the Fuhrer, Adolf Hitler, the National Socialists and WW2 - all of it, in ONE documentary, without jewish filthy garbage, lies and propaganda that has been written by paranoid yids for centuries.

This is 4 hours long so prepare a lot of popcorn and fun.

This is also the medicine for all the "Christiandoomers" and other naive and uneducated ones still who believe the hebrew myth of a "Christian" 3rd Reich that was borne out of prayer to some jewish Rabbi or other excrement like this. The 3rd Reich was 666% Pagan, and all proof and evidence is within this documentary. Also, the savagery of the Jewish USSR is also arrayed in its Talmudic and Torah nature as well. This is what the USSR was. Jewish Biblical law implemented on reality.

With so many jewish lies, censorship, and endless slander, we can honestly say that after Satan, the Gods, and Adolf Hitler, Heinrich Himmler is literally one of the most defamed and misunderstood men in history. He was an extremely noble, spiritual natured person, and he was definitely one the Greatest Satanists of his century and in the whole history of the world.

This slander and outright paranoia of the Jews has also become "Law" in the literal hard sense of the word. To where now for instance my other Documentary (The Exit the Jewtrix) got nuked by "legal complaints" by actual and real persons and can therefore no longer be watched in Europe because it conflicts with "State Law". This was NOT a copyright infringement.

There is no question as to (((Who))) did this thing obviously. The documentary was amassing a steady of 100 viewers from all over the world since the day it was published. Many of them from America and Europe, but also from many other countries. As many of you know, the jews have been gradually turning State law into Talmudic law and a second Torah. Where you cannot speak your mind for any reason, especially on these 'touchy' subjects where the jews as self proclaimed gods of the planet must SOLELY talk on their own.

This Documentary is also no different, as unfortunately, it is blocked in France, Italy and Germany. I will see for a way around this. Those of you who are from these countries can find a method online to watch this. There are methods.

Subject: Muslim Brotherhood is jewish

**Hassan al-Banna is a jew and Muslim Brotherhood is jewish front to undermin...**

Hassan al-Banna is a jew and Muslim Brotherhood is jewish front to undermine Libya, Egypt and other Gentile Nations of the East

After these news spread ADL burst with critics and any source providing proof was silenced. It was presented as “these Arabs are so corrupted with intolerance and antisemitism that they just can’t have their inner conflicts without calling each other a jew”. I would say Arab world is not that corrupted with tolerance... so if smb is really a jew their media are just not yet so corrupted to keep silent about it. Unlike the West.

So the story presented in liberal media as “yet another normal Arab/Egyptian antisemitism” is:

The founder of the Muslim Brotherhood, Hassan El Banna, is a Jew. Both his parents are Moroccan Jews, and he was implanted by Zionists in Egypt in order to form the Muslim Brotherhood, as another government newspaper claims. As proof the newspaper offers numerous facts such as Banna’s being born in Behira governate, where most Jews lived; his being a Sufi and most Jews being Sufis; and his father’s profession of watch repair, which craft traditionally was exclusively Jewish. Nine months earlier, a former military general explained to Al Ahram that Banna is indeed Jewish and that establishing the Brotherhood was part of a Jewish conspiracy to create disorder among Muslims and divide Egypt so that Jews can occupy it.

Now is it so unproved? Let’s see. In Wikipedia we read:

The first Jews migrated to this area [Morocco] after the destruction of the First Temple in Jerusalem and settled among the Berbers. They were later met by a second wave of migration from the Iberian peninsula in the period immediately preceding and following the 1492 Alhambra Decree, when the Jews were expelled from kingdoms of Spain, and soon afterwards, from Portugal as well. This second immigration wave deeply modified Moroccan jewry, who largely embraced the Andalusian Sephardic liturgy, making the Moroccan Jews switch to a mostly Sephardic identity.

Now, investigating site [www.sephardicgen.com/](http://www.sephardicgen.com/) Surname Albanna is listed many times as Sephardic and originating from Spain..... “They were later met by a second wave of migration from the Iberian peninsula in the period immediately preceding and following the 1492 Alhambra Decree, when the Jews were

expelled from kingdoms of Spain, and soon afterwards, from Portugal as well. This second immigration wave deeply modified Moroccan jewry, who largely embraced the Andalusian Sephardic liturgy“.....

Medieval Sephardic Surnames [from the same source] are The Jewish Surnames in Medieval Spain That Survived in the Sephardic Diaspora originating from Spanish jews.

Surname Banna (for those who consider “al” Arabic prefix for “from” like French “de” and such) is also listed among Jewish surnames of Egypt Directory 19... as being popular in the area of Egypt.

Now let's see if it IS a jewish movement to undermine Egypt and Libya.

From Wikipedia:

“It is financed by members, who are required to allocate a portion of their income to the movement,[17] and was for many years financed by Saudi Arabia, whom it shared some enemies and some points of doctrine...

...The Arab Spring brought it legalization and substantial political power at first, but as of 2013 it has suffered severe reversals. The Egyptian Muslim Brotherhood was legalized in 2011 and won several elections... after the 2011 Egyptian Revolution”.

Well, Saudi Arabia IS jewish owned and works together with other jew powers in the East: Israel, Islamic State, Turkey:

Osama is Jewish and Al-Qaeda is a Jewish front [Osama is Jewish and Al-Qaeda is a Jewish front – White Death of Islam](#)

**Osama is Jewish and Al-Qaeda is a Jewish front – White Death of Islam**

Arab Spring was the Jewish answer to Qaddafi, who opposed the Jew World Order.

Actually Arab Spring, so aided by Jew-owned puppets Obama and Clinton, started the main Jewish terrorism and subversion of the East.

“NATO, you are bombing the Wall that protects you from terrorists of al-Qaeda. If Libya falls, Europe is the next. You are fools!”

– Qaddafi

Yes Libya was this Wall, and this was the main reason they bombed it. They are not fools, they are Jews. Thanks to them, now we have terrorism and Arab Spring in our countries: Europe, Russia, USA.

Muslim Brotherhood brought to action and produced Arab Spring which destroyed the Wall that protected White Nations of the West from terrorism. Which clearly means that the goal of Muslim Brotherhood is the elimination of the White Race. As well as ISIL, as well as al-Qaeda, as well as KGB, ADL... and the network of proxy Mossad in this world.

However, Al-Banna's personage is not the only Jew in the story of so-called Muslim Brotherhood. Most prominent Islamist Jew Simon Elliot [aka “Abu Bakr al-Baghdadi”] who is involved in both Islamic State and Al-Qaeda on top positions [see:

Youssef Qaradawi Says ISIS Leader Abu Bakr al-Baghdadi Was Once Muslim Brotherhood; First English Translation Of Statement

The Global Muslim Brotherhood Daily Watch 22 October 2014

“The GMBDW has discovered what appears to be the first English translation of the video in which Global Muslim Brotherhood leader Youssef Qaradawi can be seen referring to what is almost certainly Abu Bakr al-Baghdadi and explaining that he was once a member of the Muslim Brotherhood.

At time 0:44 of the video, posted on the Brotherhoodwatch.co.uk website, Qaradawi refers to “this youngster” who once belonged to the Muslim Brotherhood but desiring leadership and after a period in prison (al-Baghdadi is thought to have spent five years in an American detention facility) went on to join the Islamic State of Iraq and the Levant (ISIL/ISIS).

It would appear that al-Baghdadi joins the ranks of other infamous terrorist leaders such as Ayman al-Zawahiri, Khalid Sheikh Mohammed, and Khalid Meshalal who once belonged to the Muslim Brotherhood before going on to joining leading terrorist organizations. In the video (time 1:12), Qaradawi also refers to unidentified “youngsters” from Qatar who also joined ISIS.”

Qaradawi: “Abu Bakr Al Baghdadi used to be with Muslim Brotherhood”

## Anti-Establishment' Trump Plans to Appoint Goldman Sachs and George Soros Insiders

November 4, 2016 renegade 1 Comment

[http://www.renegadetribune.com/anti-est ... -insiders/](http://www.renegadetribune.com/anti-est...-insiders/)

By Claire Bernish of The Free Thought Project

Contrary to his anti-establishment stance — which supporters readily boast as a viable alternative to Hillary Clinton — Donald Trump's establishment roots run so deep, the billionaire real estate mogul plans to appoint a former Goldman Sachs partner and George Soros Fund manager as Secretary of the Treasury should he win the election.

Steve Mnuchin came on board Trump's campaign as finance chair in May, raising eyebrows of many who felt his 17-year history with Sachs — and affiliation with liberal globalist George Soros as an Investment Professional of Soros Fund Management — conflicted directly with the then-presumptive nominee's conservative stance and criticisms of establishment politicians.

"It is difficult to see how a second-generation Goldman Sachs partner would secure such a prominent position in an administration delivered by a populist wind," Compass Point analyst Isaac Boltansky told Politico of Trump's curious choice for Treasury Secretary.

According to Fox Business Network, Trump's confidence in winning the White House has fomented enough to begin picking Cabinet members, and besides the anomalous choice of Mnuchin for the Treasury, sources said he's considering New Jersey Governor Chris Christie for Attorney General and former New York City Mayor Rudy Giuliani for Homeland Security Secretary.

Trump has, of course, expended great efforts in criticizing opponent Hillary Clinton's deep ties to the banking and Wall Street elite; and prior to garnering the Republican nomination, extended that critique to competitor Ted Cruz, saying in one debate:

"I know the guys at Goldman Sachs. They have total, total control over him. Just like they have total control over Hillary Clinton."

Zero Hedge noted when Trump hired the left-leaning hedge fund manager and financier as finance chair that Mnuchin had previously donated multiple times to various Democrats, including Barack Obama and none other than Hillary Clinton.

Further substantiating his establishing banking insider status — the precise profile Trump claims publicly to loathe — Mnuchin worked at Goldman Sachs for 17 years, headed OneWest Bank prior to its purchase by CIT Group in 2015, and now sits on CIT's board while also serving as chairman and chief executive

of Dune Capital Management, a private investment firm with a focus on financing big-time Hollywood movies, like "Avatar."

If Mnuchin's Wall Street ties don't trouble Trump's supporters enough, the hedge fund manager's links to George Soros — an ardent Clinton fan — certainly will.

In fact, in terms of opposition, Soros has spent billions influencing global politics by inserting his brand of leftism wherever possible — and earlier this year even pledged, with others, some \$15 million specifically to mobilize Latinos and immigrants to defeat Donald Trump.

"Steven is a professional at the highest level with an extensive and very successful financial background," Trump said upon bringing Mnuchin into his campaign. "He brings unprecedented experience and expertise to a fundraising operation that will benefit the Republican Party and ultimately defeat Hillary Clinton."

Indeed, Trump's campaign, quoted by the Daily Caller, said Mnuchin "has previously worked with Mr. Trump in a business capacity and brings his expertise in finance to what will be an extremely successful fundraising operation for the Republican Party."

While business dealings certainly bring ordinarily clashing personalities into contact on occasion, these details about the relationship between Trump and Mnuchin evidence the former's links to the left.

Despite the nominee's many diatribes excoriating Hillary Clinton as out-of-touch with the American populace, Trump's own status as a billionaire belies both their decades-old friendship and striking similarities — particularly as darlings of the establishment.

Should you choose to vote on the 8th, it would be prudent to keep in mind blustery campaign rhetoric — from any politician — only constitutes so much hot air.

Spirit Cooking

Spirit cooking is not some hidden order it was already on Utube before this and was doing public shows. This is simply a jewish performance artist, Abramovich, being a jew in public. This "profession" is a jewish one and always full of jews. That jewess who paints in period blood, to that other jewess who shits in public as art. Spirit cooking is a modern art show with some spooky trappings for shock effect. Abramovich even wrote a book on herself she is not hiding from the public with this stuff. Get it now as to why Hitler and the National Socialist's banned this garbage and brought back spiritually healthy art.

As for the christards, they are getting a look into the soul of the chosen people they worship and ape. This is simply a modern art torah show [Old Testament]. Why are they bitching about the fake cannibalism and murder in this show. What do they celebrate as the core of their religion, again? Ritual murder of a jew on a cross then they ritualistically eat his flesh and drink his blood, as their most holy ritual. Ritual murder and cannibalism is the core of the Christian religion. Now you can go to a show and watch another jew celebrate the same.

The blood and sadism in Sprit Cooking how is that different from the Judeo-Xian religion? With its obsession on the blood of Christ being spilled and a person being saved by being washed in the blood of a ritualistic murdered man, the fetishism of his suffering and all this sadistic, death worshipping nonsense? That is the evil heart of the Judeo-Christian faith.

The Bible-Torah, is the original spirit cooking, cook book. This is just the jewish soul on display, its Judaism. Which is also xianity.

As HP Don has already covered, this is to cover some more into this 'case' and in general.

This is to clear this with evidence over what is what...For those who still believe in the jewish memes about Satanism or Satan.

All the 'alleged' spiritual crimes of Hillary Clinton are nothing but in fact jewish magick, no different than the Rabbinic and Illuminati Rituals which all go to Christ (Yahshua, the God of the New World Order of the Jews). These are written in the grimoires of jewish spiritualists, and in all of over the bible as jewish occult in the Old Testament and elsewhere.

Hillary RODHAM Clinton (Jewish surname) is actually the name of the Jewess. She is a full blooded jewess most probably. Her daughter married a jew as this is a custom for jews who go undercover to deceive "Goyim", then re-marry back in the 'tribe'. As for the child molestation scandals with the common friend of theirs with "Trump", Mr 'Epstein' and his "lolita Island" where jews can go to indulge in pedophilia freely, this is again nothing else but Talmudic and Jewish Law implemented in how they live and behave:

From the Holy "Talmud" of the Jews, part of the Oral Torah, which is the basis upon which the Old Testament was written...

Raba said. It means this: When a grown-up man has intercourse with a little girl it is nothing, for when the girl is less than this [three years old], it is as if one puts the finger into the eye; but when a small boy has intercourse with a grown-up woman he makes her as 'a girl who is injured by a piece of wood.'... - Sanhedrin 54b

They decreed in connection with a heathen child that it should cause defilement by seminal emission so that an Israelite child should not become accustomed to commit pederasty with him.... It is therefore to be concluded that a heathen girl [communicates defilement] from the age of three years and one day, for inasmuch as she is then capable of the sexual act she likewise defiles by a flux. This is obvious! -Avodah Zarah 36b-37a

Wait, there is more...

The Jewish Blood Sacrificing Couple of Hillary Clinton and her husband, Bill, crying to the wailing wall of the Jews for the coming of the jewish Messiah. As Rabbi Kaduri the greatest Rabbi of the jews has stated, his name is "YEHOSHUA" or "JESUS". Yes, the same idiotic non-existent thoughtform the masses are fooled to believe will 'save them'. While it openly states its the Savior of the Jews. Well and hasn't it really been their savior...Just look where they are now due to this extreme lie.

And apparently, mass belief into this hebrew lie has served the jews really well indeed! Just LOOK where they are in your countries and societies now. Running to rule them, and rule your fates to drive them into creating a jewish World Empire, also known by the Shills afraid of the term as "Globalism".

They practice nothing different but what their ancestors have practiced for centuries.

If people really looked into these texts, instead of just listening hear-say, they would see that in fact, all these "Rituals" are nothing but in fact jewish Rituals,

that have been going on for a long while in Israel and elsewhere . All these go to Jewish Angels, Jehova, Jesus, and the nefarious Hebraic company. This is the thing behind the blood libel of the Jews, which is a classic in jewish thinking. All Abrahamic religions are blood sacrifice cults, and in wanting to blame this to Satan (like everything they are and do) they project this to Satan or Satanism. This is not, and was never the case.

This is no different than how all those who are responsible blame the innocents of what they are and do. This is a common, jewish method.

AS for the "Spirit Cooking" "Abraam-ovich" jewess, (notice the name is actually ABRAAM, the jewish patriarch of the jewish Race, she clearly has stated that she is...FAR FROM SATANISM. Of course, she is far from Satanism. She is doing Rabbinical magick and feces on camera, and nothing "Satanic" in anyway. This is nothing but a jew that has made their tribal rituals in "Art" for the rest of the jews down Jew York to "admire". Hillary clinton is part of this, and more than likely takes part in the rituals of her tribe as well.

So where can we find instructions about...Rituals of the Jews like "Spirit Cooking"...Right in the Bible of Course:

(LEV 1:1) The LORD called to Moshe, and spoke to him out of the Tent of Meeting, saying,

(LEV 1:2) "Speak to the children of Yisra'el, and tell them, 'When anyone of you offers an offering to the LORD, you shall offer your offering of the cattle, from the herd and from the flock.

(LEV 1:3) ""If his offering is a burnt offering from the herd, he shall offer a male without blemish. He shall offer it at the door of the Tent of Meeting, that he may be accepted before the LORD.

(LEV 1:5) He shall kill the bull before the LORD. Aharon's sons, the kohanim {priests}, shall present the blood and sprinkle the blood around on the altar that is at the door of the Tent of Meeting.

(LEV 1:10) ""If his offering is from the flock, from the sheep, or from the goats, for a burnt offering, he shall offer a male without blemish.

(LEV 1:11) He shall kill it on the north side of the altar before the LORD. Aharon's sons, the kohanim {priests}, shall sprinkle its blood around on the altar.

A picture of Marina Abraam-Ovich...And her applied art in regards to this...A murdered and skinned Goat, that HAPPENS TO BE ONE OF SATAN'S HOLY ANIMALS. THIS IS A STRAIGHT JEWISH OFFENCE OF THE MANY IN REGARDS TO SMEARING SATAN!!! Just look at this disgusting, ugly looking jewess, holding the head of Satan's animal, skinned, with BLONDE hair, as a totem of the victory of her "tribe" over our Pagan God Satan.

Blood Rituals are a jewish invention mainly, especially when it comes to jewish sacrifice of children and even toddlers or animals. Cats, for example were mass massacred in the middle ages, by "Christians" for belonging to the Devil.

Christians torturing "Devil Worshippers" and "Pagan Witches" in the Middle Ages, also known as "Inquisition". Butchery, slow torture, and bleeding deaths are what characterized the inquisition. Children were of course targeted as well. All this under the service of "God", who is none but Jesus. Of course, as Gentiles awakened during the centuries, the jews toned it down and created the "Good Christian vs Evil Jews meme":

Christians are the ones going to drink the 'flesh and blood' of jewsus every sunday, emulating Torah Ritual Sacrifice, in a watered down version for non-jews, or "Goyim" as the jews mention for those enslaved under their program of 'christianity'. The jews also desire Gentile children for these rituals, and they are in fact doing this for their own, Jewish "God" named as Jehova, whose son is the expected Messiah "Jesus".

So why is there christian pedophillia so rampant from the 'good guys' of the church...Well, because obviously, they follow Talmudic and Rabbinical law, and worship the same god, the same angels, the same Abrahamic Culture. Its all the same deal, the same clique, and the same propaganda machine. Playing the Goy from all sides.

Well, look with who they dine together after all...They seem really comfy and nice together, don't they. The billionaire bishop of the child molesting institution, and the two alleged child molesters sitting side by side, all under the Jewish Haven System that made them..."Jesus Bless"!

They also together and in deep reverence pray to Jesus by the way...

Here is George Bush, holding the 'Divine Talmud'. Yes, the one that claimed that "GOD" of the jews and Christ has appointed him leader of America. To destroy it as nobody else has done before. Bush was a well known, devout Christian, always mentioning himself as a "Born Again Christian". Which is a fact, since Judaism is nothing but Christianity, although Christianity is watered down for massive Gentile consumption. That book he holds and he does revere so highly, has quotes in it such as the following:

Kill the Goyim by any means possible. -Choshen Ha'mishpat 425:50

He made state law exactly based on this book. The list is endless.

Here is Bnai Barry, also known as "Barack Obama" (Barack Obama is a JEWISH name, Barack means THUNDER from the jewish word "Birkat" or "Barakat", O'bama means something topological, "Heaven")

As the Jews state, "Satan" or the one known as "Satan", is actually "HA-SATAN" in Hebrew, which means ADVERSARY. This being is their adversary, and is also the adversary of their Messiah, "JESUS" and their father "Jehova". This is their mortal enemy, whose name they don't even want to pronounce. Of course, for confusion reasons, they try to pass it by that their practices are somehow "Satanic" to the gullible Goyim who don't do their studying, but in fact, all they do is nothing less than hebrew magick, and kabbalistic spells, all which call upon Jehova, or even Christ, or some other nefarious angel of the Angelic Hebrew Host. These are the beings xians worship in Churches.

What do Jews have to state about "Jesus Christ", aside from the memes they have created to control people through Hegelian Dialectic of memes such as "Christianity Vs Evil Jews"?

<http://www.hebrew4christians.com/Gramma...f/kaf.html>

The Lord Jesus is the One who possesses all the crowns of Israel and the Church. As Melekh HaYehudim He wears the Crown of the Kingdom; as Kohen HaGadol He wears the Crown of the Priesthood, as Devar Elohim He wears the Crown of Torah; as Ben Elyon He wears the Crown of the Good Name; as Sar HaChayim He wears the Crown of Life; as the Tzaddik after the order of Melkhi-Tzedek, He wears the Crown of Righteousness, as HaRo'eh HaTov, He wears the Incorruptible Crown, as Adon HaKavod He wears the Crown of Glory, and so on. Indeed, crown Him with many crowns!

- Keter HaTzedakah - the crown of righteousness (2 Tim. 4:8), given to those who anticipate the coming of our Lord by living righteous lives before Him.
- Keter Olam - An incorruptible crown (1 Cor. 9:25), a picture of eternal life (chayei olam).
- Keter HaTiferet - the crown of glory (1 Peter 5:4), given to those who faithfully shepherd God's people.
- Keter HaKotzim - Crown of thorns (Matt 27:29, Mark 15:17, John 19:5). This is the crown that only Yeshua is worthy to wear as our great High Priest who offered Himself up for our sins.

Sorry "Goyim" or deceived ones, but Hillary, Jews and your Church are all Jewish Tools of the same jewish coin.

Rabbi Jesus is a fictitious creation based on Pagan Myths predating him by thousands of years, belongs to the Jews, and is the king of the Jews in all his jewish "Glory". This is who the jews love, respect and expect to return, but of course publicly may claim otherwise to confuse all of you half "anti-semites" to go in church and become their slave, build their Israel with your money, brainwash yourself with their prophecies, channel your life into service of the jews without knowing it, and sustaining this hoax that keeps all Gentiles enslaves and as thus, totally INCAPABLE of revolting or reacting against the jews.

What are you going to do now? Join real Satanism and the spiritual Resistance of the untainted Heathens and Pagans, who don't use any jewish gimmick for their spirituality, OR go in the feet of Rabbi Jesus and cry to be absolved from the jews and their parlor tricks. Well, knowing the TRUTH now, do you think that he will listen..? He has his own children to tend to. His beloved Jews, and he has prayers to listen to, such as the prayers of the Jewish Tribal Witch Hillary. Maybe the jewish Brother Nathanael will help you out in staying another day in the Jewtrix and under half, or total jewish control?

This would not be the first time the Jews have pushed America into Civil War...

Thus Bismarck, who knew the game of the Jews, spoke in 1876, [\*\*\*] According to Bismarck the awful Civil War in America was fomented by a Jewish Conspiracy...

[topic581.html](#)

The Jews manifest the Civil War in America President Lincoln appeals to large New York based banks for loans for the war (Rothschild and the Jewish Banker mafia are behind many of and have influence over these banks) the criminal deal they make him is 24% to 36% on all monies loaned. Another attempt to regain control over American people by debt. Lincoln angry and not stupid simply prints his own debt free money instead outwitting the Jews. Lincoln states of this fact "We gave the people of this republic the greatest blessing they ever had, their own paper money to pay their own debts."

In 1863 Lincoln discover the Tsar of Russia Alexander the II' is having identical problems with the Jewish banks mainly the Rothschilds and was also resisting their attempts to create a Central bank in Russia. The Tsar then comes to the aid of Lincoln by ordering that if England and or France (both under the domination of Rothschild/Jewish banker families) actively came to the aid of the South he would consider this an act of open war. And take up arms on the side of President Lincoln. The Tsar then orders a major part of his Pacific fleet to San Francisco and New York.

In 1865 President Lincoln states: "I have two great enemies the Southern Army in the front of me, and the financial institutions in the rear. Of the two, the one in the rear is my greatest foe." In the same year on April 14, Lincoln is assassinated by Jew John Wilks Booth:

"John Booth, a Jewish silversmith whose ancestors had been exiled from Portugal because of their radical political views. In London the refugees had continued their trade and free thinking, and John had married Wilkes' cousin. This Wilkes was the 'celebrated agitator John Wilkes of Westminster, London...John Wilkes Booth's father was Junius Brutus Booth." (The Mad Booths of Maryland)

Major General. Count Cherep Spiridovich showed just how it was the Jewish bankers created the Civil War, why they opposed Lincoln:

"To pay the soldiers the Government issued its Treasury notes, authorized by act of Congress, July 17, 1861, for \$50,000,000, bearing no interest. These notes circulated at par with gold. The Rothachilds' agents inspired the American banks to offer to Lincoln a loan of \$150 million. But before they had taken much of the loan, the banks broke down and suspended specie payments in Dec. 1861. They wished to blackmail Lincoln and demanded the 'shaving' of government paper to the extent of 33%, an extortion which was refused. A bill drafted for the Government issue of \$150 million, which should be full legal tender for every debt in the United States, passed the House of Representatives Feb. 25, 1862, and was hailed with delight by the entire country. But the Wall Street bankers were furious.

Sen. Pettigrew reprints the so called 'Hazzard Circular' sent in 1862 by the Bank of England (ruled by the Rothschilds):

Bismarck knew the truth and revealed it in 1876 to a German, Conrad Siem, who published it ('La Vieille France,' N-216, March, 1921). Bismarck said: 'The division of the United States into two federations of equal force was decided long before the Civil War by the High Financial Power of Europe. These bankers were afraid that the United States, if they remained in one block and as one nation, would attain economical and financial independence, which would upset their financial domination over the World. The voice of the Rothschilds predominated. They foresaw tremendous booty if they could substitute two feeble democracies, indebted to the Jewish financiers, to the vigorous Republic, confident and self-providing. Therefore, they started their emissaries in order to exploit the question of slavery and thus to dig an abyss between the two parts of the Republic. Lincoln never suspected these underground machinations. He was anti-Slaverist, and he was elected as such, But his character prevented him from being the man of one party. When he had affairs in his hands, he perceived that these sinister financiers of Europe, the Rothschilds, wished to make him the executor of their designs. They made the rupture between the North and the South imminent! The masters of Finance in Europe made this rupture definitive in order to exploit it to the utmost. Lincoln's personality surprised them. His candidature did not trouble them: they thought to easily dupe the candidate woodcutter. But Lincoln read their plots and soon understood, that the South was not the worst foe, but the Jew financiers. He did not confide his apprehensions; he watched the gestures of the Hidden Hand; he did not wish to expose publicly the questions which would disconcert the ignorant masses. He decided to eliminate the International bankers, by establishing a system of Loans, allowing the States to borrow directly from the people without intermediary. He did not study financial questions, but his robust good sense revealed to him, that the source of any wealth resides in the work and economy of the nation. He opposed emissions through the International financiers. He obtained from Congress the right to borrow from the people by selling to it the 'bonds' of States. The local banks were only too glad to help such a system. And the Government and the nation escaped the plots of the foreign financiers. They understood at once, that the United States would escape their grip. The death of Lincoln was resolved upon. Nothing is easier than to find a fanatic to strike.'

'The death of Lincoln, was a disaster for Christendom. There was no man in the United States great enough to wear his boots. And Israel went anew to grab the riches of the World. I fear that Jewish Banks with their craftiness and tortuous tricks will entirely control the exuberant riches of America, and use it to systematically corrupt modern civilization. The Jew will not hesitate to plunge the whole of Christendom into wars and chaos, in order that 'the earth should become the inheritance of Israel.'

Thus Bismarck, who knew the game of the Jews, spoke in 1876, [\*\*\*] According to Bismarck the awful Civil War in America was fomented by a Jewish Conspiracy, and Abraham Lincoln, the hero, and national Saint of the United States, was killed by the same Hidden Hand, which killed six Romanov Czars, ten Kings and scores of Ministers only to easier bleed their nations. [\*\*\*] Lincoln was reinaugurated on March 4, 1865 and was shot on April 4th, 1865 by an actor Wilkes Booth, who cried: 'The South is revenged.' He was a Jew, but this has never been mentioned!" For those of you who are still experiencing any doubts and confusion, it is very important that you work on opening your third eye.

There is a very strong reason the Judeo/Christian bible warns and threatens against this. The third eye of the soul is where we can discern truths from lies. When fully open, we can see what is the truth and what are lies, so it is no wonder the enemy wants our third eyes to remain sealed.

This also factors into how completely oblivious to one's actions are and how they affect others. Take a Muslim for example. The Muslim is capable of

anything... No matter how depraved, no matter how rotten, totally brutal and degenerate. He/she cannot 'see' and is unaware.

The enemy psychology, as with their communism, is to blame the victim. This is a common and most sickening theme. "You're responsible" "you choose" "your choice" and so forth. New Agers, who push blatant injustice, the phoney "3-fold" crap, the turn the other cheek mentality and their twisted, corrupted explanations of "karma" are stupid fools.

In other words, whatever appalling and grave injustice the Jewish-controlled system heaps upon the populace, whatever certain other assholes have done to you throughout your life, and so forth, they tell you, that YOU are responsible.

What is on one's soul and sufferings in succeeding lives, is NOT in most cases "one's choice." This also includes domesticated animals. Myself and HP Hooded Cobra know this from experience. Together, we worked and healed and set an innocent soul free.

Just know the current Jewish psychology of blaming the victim for everything is another fraud to destroy humanity. Blaming one for something out of his/her control is absolutely rotten, and induces low self-esteem, depression and other serious psychological problems. Then the Jew profits by pushing antidepressants. This is no different from the endless pharmaceutical ads and TV commercials that are not only subliminal, but keep repeating certain phrases like "ask your doctor" "call your doctor" along with a grizzly detailed description of the often lethal side effects if one takes the drug.

Given 96 percent of the media is controlled by Jews, most if not all of those New Age books are authored by Jews. The name is irrelevant. The Jew can use pen names, even going so far as using exclusively Gentile names such as "Murphy" "McDonald" and so forth.

They do this often. They change their names so the average person who is not onto them, thinks they are the same. In truth as most people know here, Jews are a totally alien race and soul.

In addition to controlling 96 percent of the media, they also own nearly everything of importance. Many people are homeless and/or living in substandard living conditions, as Jews have an 'inside' with property, no different from their stock trading, to where they buy up property, houses, land, etc, dirt cheap and then charge exorbitant rent, or sell at many times the price they originally paid for it.

This is nothing new and has been going on for centuries. This is one major reason the Third Reich prohibited them from owning any property.

Only through Satan can the enemy be defeated.

After doing the preliminary opening of the third eye meditation, you should wait about a week. Afterwards, you can work in your sixth chakra and third eye as often as you wish. Below is a link for various meditations:

Satan is truly wonderful, as is Lilith and our other Gods. They genuinely care. I am so grateful I found Satan many years ago. He has always been such a helpful and most positive influence in my life, beyond words. And when I say Satan with this, I also include Lilith and the many Gods who have worked with me.

Satan's miracles go way beyond the material. Most people, because of enemy propaganda, are deluded into believing Satan is just supposed to be the material.

Satan blesses us with so many spiritual gifts and also spiritual experiences, that those who are without cannot comprehend.

Recently, Satan and Lilith blessed me with a spiritual miracle, to where I am beyond words. I've been working for Satan and have been lucky to have a close relationship with him and our Gods for over 16 years. They have been absolutely wonderful in so many different ways.

Hail Satan!! Hail Lilith!!

Hail all our Gods!!

Subject: Jewish Control of Third Sex Rights: Queer Culture

Since our Nazism is Satan's Nazism, which includes third sex Satanists just like heterosexuals, I am posting this sermon here for those who are third sex, but have trouble reconciling this part of one's self with Nazism, due to the Jews and their Marxist brainwashing against potential third sex Nazis. The kikes are scared shit-less of the third sex Aryans who wake the fuck up from cultural Marxism, just like they fear the rest of our White Race from waking up from the more traditional, repressive forms of Christianity and Islam. This is why I am posting my most recent sermon here.

Jewish Control of Third Sex Rights Part Two: Queer Culture and the Destruction of the Pagan Family by High Priest Jake Carlson

**\*\*NOTE! THERE IS ABSOLUTELY NOTHING EVEN REMOTELY WRONG WITH HOMOSEXUALITY, IN AND OF ITSELF [ESPECIALLY IN SATANISM], SO ANYTHING THAT MAY SEEM TO IMPLY OTHERWISE WITHIN THIS SERMON ARE QUOTES FROM OTHER SOURCES, AS WELL AS MYSELF, BUT I'M NOT PUTTING HOMOSEXUALITY ITSELF DOWN. I'M SIMPLY EXPOSING HOW THE JEWS ARE USING AND ABUSING HOMOSEXUALITY IN THEIR QUEST TO PREPARE THE WAY FOR THE COMING OF THE JEWISH MESSIAH [YESHUA /JESUS CHRIST] WHO WILL UNITE ALL OF THE SCATTERED JEWS AND ANNIHILATE EVERY LAST WHITE ARYAN OF SATAN SO THAT PLANET EARTH WILL ONCE AGAIN HAVE NOTHING LEFT THAT IS WORTH ENJOYING, SINCE TRUE CIVILIZATION AND CULTURE ON PLANET EARTH DEPEND SOLELY ON SATAN AND HIS DEMONS--ALSO KNOWN AS THE WHITE GODS--AND THEIR WHITE ARYAN PEOPLES. THE JEWISH-CHRISTIAN-ISLAMIC "KINGDOM OF GOD" = NO MORE WHITE PEOPLE ONCE THE WHITE ARYAN RACE WAKES UP FROM ITS CHRISTIAN COMA, BECAUSE ONCE OUR PEOPLE RETURN TO THEIR SATANIC PAGAN ROOTS, THE JEWS KNOW THAT THEIR TIME IS OVER, AND THAT EVERYTHING THAT THE THIRD REICH HAS BEEN ACCUSED OF WILL MAKE THE FOURTH REICH LOOK LIKE CHILD'S PLAY!!\*\***

In all of the White Aryan Pagan religions, also known as Satanism, that existed before the Jews and Judaism came along, there was no such thing as "sexual orientation" or any reason to feel the need for labels such as "straight," "gay," "lesbian," "bisexual," or "transgender," etc. During this Satanic Golden Age, sexuality was much more fluid and wasn't divided by rigid, but hallucinogenic, and therefore, non-existent lines of sexual identity. However, the divisions that existed then were male and female. That will never change, but the Jews have used *their* corrupted forms of homosexuality to blur the lines between the different biological genders and their functions.

Nonetheless, since only heterosexuality can produce offspring, the Jews turned non-heterosexual unions into a sin against Nature and against the Judaeo/Christian/Islamic "god" [which is ironic when you think about it because the Jewish "god" has been one of the only bachelor gods ever concocted]. In addition, depending on which faction and which tradition of Jews and Judaism, certain portions of the Jews have forbidden homosexuality for themselves and have cut homosexuals off from their people

because they view the existence of third sex sexuality as a Pagan excess. For centuries, the Jews have even gone as far as to claim that their people, by their very nature, are incapable of homosexuality. Even so, since they try to hide it and cover it up when it does happen, they promote \*their\* corrupted version of homosexuality for the White Aryan Race because now, not only does homosexuality function as a form of birth control for the White Race, but with the Christianized Whites believing that homosexuality is "wrong," this divides the family unit and promotes chaos. The third sex gets the blame for destroying the family, but it is not homosexuality, as is commonly believed by those who are either directly or indirectly influenced by some of what they see to be Christianity's non-existent "better points," but in reality, it is the Jewish Talmud and The Protocols of the Learned Elders of Zion in action. Contrary to the blind-folded Christians' belief that the Jewish Talmud and Protocols are "anti-Christian," the Talmud...yes, the BABYLONIAN Talmud, and the Protocols are actually very affirming of Christ and Christianity.

The central theme of The Protocols of the Learned Elders of Zion is to undermine and abolish private property, heterosexual marriage, White Aryan children, and the home. Although the Jews have taught our White Race that homosexuality is "wrong" for nearly 3,000 years, the fact that the destruction of the traditional family can occur by promoting the Jewish, politically correct, re-packaged form of homosexuality, they use this golden opportunity to push homosexuality as a means to an end of White Civilization. The only third sex Aryans who are to blame are the ones who full consciously KNOW that they are helping the Jewish people destroy our Race. The other third sex Aryans who aren't pretending to be asleep can be rehabilitated through re-education with the racial religion of our Aryan people--Satanism.

What not many people know is that human sexuality is much more fluid than is commonly realized. Third sex attraction could occur at any point in a heterosexual's life, and heterosexuality could occur at any point in a third sex's life with or without any explanation. Although many people are born with a sexual preference or orientation, the debate of "born that way" or "preference" becomes pointless, and in some ways, laughable. Just because a male or female can remember experiencing third sex or heterosexual attraction from their earliest of memories doesn't mean a same-sex or opposite sex relation or even marriage will never occur. The Jewish people know the psychology behind this all too well, and in order to promote the destruction of the family, they brainwash homosexuals into believing that they cannot or should not have children through an opposite gender sex act. The Jews teach these slaves of theirs that the Aryan homosexual who has fought so hard for the tolerance and acceptance of their sexual preference is selling out by continuing our species.

In addition, the Jews are encouraging many White heterosexuals that the birthing and raising of children is not as important as it really is. Just as damnable, the Jews are promoting degenerate inter-racial sexual relations and its multicultural decadence for both heterosexuals and homosexuals. This is a dead-end for the birthing and raising of truly White children, and for homosexuality and other non-procreative sex, inter-racial couplings still pollute the collective Aryan Racial Soul. Indiscriminate abortion is discouraged for non-White women, but the Jews incessantly promote it for White Aryan women.

The underlying message from Satan revolves around how we, as Satan's White Aryan Children, can reverse these suicidal, self-

destructive trends and make sure that we have a future. In Satanism, the White Aryan family unit forms the foundation of Satanic Pagan Civilization, as opposed to Christianity's inclusiveness and universal love and brotherhood that is open to ALL people--regardless of race or caste--and discourages the natural, nuclear, biological family, at least for Aryans--the greatest threat to the Jews there ever could be, besides Satan and the Anti-Christ, themselves.

Cultural Marxism is the bastard child of Christianity that gave birth to the Jews who wrote The Protocols of the Learned Elders of Zion. Where do "the gays" come into the picture? The Frankfurt School, the Jewish, alternative Christianity of the Weimar Republic, and the birth of the myth of "Queer culture." To go straight to the Jewish horse's mouth in regards to the dramatic hoax of Queer culture, let's see how successful the Protocols have been at manipulating the minds of Satan's Aryan third sex through Jewish scum...

From his article, Roger Goodman [Jewish], M. Mus., M. Div. are the following excerpts:

"The greatest threat to Queer culture is the desire of so many LGBTQ people to "fit in" to be "just like them," to "not antagonize the straight community," to "not make any waves," to "not put any fear of Queer people in the hearts and minds of the straight world."

Quite frankly, I wonder when LGBTQ people will come to the proud realization that we are not like straight people, and I, for one, celebrate that difference with great joy and jubilation. We are distinctly different from them. We have our own culture and our own aesthetic.

Queer Liberation Theology which says that both body and spirit are, indeed, very, very good, and that our sex celebrates that truth as well as the deeper truth of the body/spirit connection that is inexorable. Our uniquely Queer spirituality is one of both/and rather than either/or. It is rooted in the complete destruction of dualism and the embracing of a mutuality that is thoroughly feminist.

Assimilation smacks of Gay shame and a powerful unconscious internalized homophobia. It is not any different than the words "straight acting, straight appearing" in Gay personal ads. Why would I want to appear straight? Why would I want to act straight? Acting Queer is a most beautiful thing and thoroughly authentic to my identity as a self-loving Queerman. There is a great deal of difference between being Gay and being Queer. For me, "Gay" is an adjective that defines what I do in bed with another man. "Queer" is a noun that identifies who I am in my entirety. Being simply Gay allows one to assimilate, to blend in, to be "just like everybody else", that is, to be invisible. Gaymen often say, "I am so much more than my sexuality" or "I don't define myself by my sexuality". To be Queer requires that one identifies one's Queerness as a core definition of one's self, as one who is connected to the Queer collective unconscious, as one who understands completely that everything we do, everything we say, all our relationships, our livelihood, our spirituality, our gestalt are filtered through that core definition as Queer."

Source:

<http://healthygaylifestyles.com/the-demise-of-queer-culture/>

It is radical homosexuals like the Jew Roger Goodman's article about his imaginary idea that there is such a thing as "queer culture" that exists outside of White Aryan culture and Civilization that makes the things that radical Christians and Muslims say about homosexuals look plausible. Thanks to radical queers like Roger Goodman, Satanists and other Pagans who reject cultural Marxism will find allies with the Christians and Muslims because of how these homosexuals who DO deserve to be called "queer," but in a derogatory manner, are dramatizing a sexual preference by making an identity out of one's private life, and by claiming that anything that doesn't force homosexuality into everybody's face is "internalized homophobia." How interesting it is that this queer doesn't accuse heterosexuals of "internalized heterophobia" if they don't push their private lives into the faces of everyone else. This hypocritical double standard will be outlawed like Christianity, Islam, and the existence of the Jewish people in Satan's New World Order. Cultural Marxism, which is Liberal Christianity, and Judaism, itself, will be completely eliminated. Even non-Liberal Christians who follow politics that may have some Pagan origins will be forced to either "crap or get off the pot" if they want to survive as part of Satan's White Aryan family, as all things Christian [whether Jewish or Pagan] thoroughly pollute our Aryan blood. ENOUGH IS ENOUGH!!!

THE REAL INTERNALIZED, AS WELL AS INTENTIONAL HOMOPHOBES, ARE THE QUEERS AND OTHERS WHO INSIST ON FORGING A NON-EXISTENT QUEER CULTURE AND A POLITICALLY CORRECT IDENTITY THAT REVOLVES AROUND WHAT GOES ON BEHIND ONE'S DOORS. THE REASON THESE PUSHERS OF CULTURAL MARXISM ARE SO USEFUL TO THE JEWS IS BECAUSE BY DESTROYING THE OH-SO-REPRESSIVE WHITE ARYAN FAMILY IS THE GOAL OF THE PROTOCOLS OF THE LEARNED ELDERS OF ZION. DO THESE WHITE RACE-TRAITORS HAVE ANY CLUE WHAT THE JEWS WHO WOULD RULE PLANET EARTH WOULD DO TO THESE USEFUL IDIOTS ONCE THEY HAVE OUTLIVED THEIR USE??? THE JEWISH NOAHIDE LAWS PUNISH THOSE EVEN SUSPECTED OF SODOMY WITH THE DEATH PENALTY BY DECAPITATION! SO, WHO IS GOING TO WAKE UP BEFORE IT'S TOO LATE??

The truth, even if some people can't accept it, is that the White Aryan Pagan family unit is the foundation of our Civilization and is the fuel behind our coming New Order of Satan. The second part of this truth is that homosexuality and the third sex will be accepted and even embraced--not BECAUSE of who they sleep with or for their so-called "gayness"--but for their merit of character and what they can offer to an organic Pagan society and culture that doesn't pit "gay versus straight." If queers like Roger Goodman want to accuse us of "internalized homophobia" for assimilating, so be it, but he is the REAL homo-hater for creating the "us" versus "them" mentality, which thrives on making homosexuals into Nazarene-like, blameless victims of "hate," "discrimination" and "prejudice." The entire Gay Rights movement depends on the lie that one's sexual preference is their entire identity, as well as the myth of an independent "gay culture" that is disconnected from Aryan culture. In ancient Paganism and in

the Satanic Paganism that we will see the revival of, as long as it is between legal, consenting adults who are of the same race [the anti-miscegenation laws will be put back into the law books], SATANISM HAS NOTHING TO DO WITH THE SEXUAL PREFERENCES OF HUMANITY!! GET OVER IT!!!

Before the arrival of the Jewish people and Judaism, Christianity, and Islam, like heterosexuality, homosexuality and the third sex were so free because it was LEFT ALONE. When such things are left alone, there is no reason to celebrate, nor condemn a non-existent identity. It just is. This is the Satanic way. Due to the curse of Liberalism and political correctness that so many who identify as "gay" or "queer" are in a coma from, I realize that many will feel like they are getting nailed to a cross and made to suffer and die when they realize that the only answer to ending the destruction of the Satanic Aryan Pagan family is to give up on "gay" or "straight," and function as Aryan men or women. This is the only way our Civilization will be able to rise from the ashes and thrive once again.

It is of no coincidence that queer "spirituality" focuses on the Judaeo-Marxist concepts of "equality," oneness, and non-duality. This ties in to the extra-terrestrial greys of the fifth and higher dimensions ["heaven"] who promote unnatural "unconditional love," and the other kind of assimilation...Christianity's assimilation of souls into "the Light" where they are greeted by a grey who assumes the role of Christ who absorbs all traces of one's identity. Perhaps this is one reason why the teachings of Jesus and the Apostle Paul state that there will be no race, caste, gender, marriage, or sexual preference, etc., in the kingdom of heaven.

Here are some Bible verses straight from the Jewish New Testament that confirm Christ's primordial Marxism that is meant to destroy the Aryan Pagan family and replace it with the worship of the human-hating greys who exist on the other side of the blinding white light on the astral plane that many people see in Near-Death Experiences. Read these verses very carefully, and ask yourself, "Does Jesus really focus on the family?"

The Cost of Following Jesus, Luke 9:57-62

57 As they were walking along the road, a man said to him, "I will follow you wherever you go."

58 Jesus replied, "Foxes have dens and birds have nests, but the Son of Man has no place to lay his head."

59 He said to another man, "Follow me."

But he replied, "Lord, first let me go and bury my father."

60 Jesus said to him, "Let the dead bury their own dead, but you go and proclaim the kingdom of God."

61 Still another said, "I will follow you, Lord; but first let me go back and say goodbye to my family."

62 Jesus replied, "No one who puts a hand to the plow and looks back is fit for service in the kingdom of God."

In regards to Jesus' Mother and Brothers in Mark 3:31-35:

31 And his mother and his brothers came, and standing outside they sent to him and called him.

32 And a crowd was sitting around him, and they said to him, "Your mother and your brothers are outside, seeking you."

33 And he answered them, "Who are my mother and my brothers?"

34 And looking about at those who sat around him, he said, "Here are my mother and my brothers!

35 For whoever does the will of God, he is my brother and sister and mother."

Note how Yeshua/Jesus Christ destroys the family for Aryan Pagan Gentiles while saves it for Jewish families to keep their bloodlines pure and intact.

Matthew 10: 34-37

Not Peace, but a Sword

34 "Do not think that I have come to bring peace to the earth. I have not come to bring peace, but a sword.

35 For I have come to set a man against his father, and a daughter against her mother, and a daughter-in-law against her mother-in-law.

36 And a person's enemies will be those of his own household.

37 Whoever loves father or mother more than me is not worthy of me, and whoever loves son or daughter more than me is not worthy of me.

According to Jesus, the Christian family is supposed to be about sharing one's bloodline with other races and breeding out the White Aryan Race of Satan to extinction through universalist doctrines. There are few Christians who take these teachings from Christ seriously without sugar-coating them as parables, and etc., but it still doesn't change a damn thing that the Jews had intended for forceful subconscious indoctrination for the more stubborn Christians.

The Judaeo-Marxist LGBT Rights movement is a Christian movement, not an anti-Christian movement, as militant Southern Pentecostalism would have you believe. Liberalism's attacks against Christianity are not really against Christianity; they are against the organic Pagan politics that Christianity has absorbed in its desperate attempts to stay alive. This is why bleeding heart Liberals and proto-Marxists for centuries have stated things like "I have no problem with Jesus, but I despise your Christian bigotry" or "I am a Christian, not a Churchian."

There will be forthcoming rituals to reverse the Bible curses against homosexuality when the time is right. These will destroy the hold that the Jewish people have over our Aryan people based on sexual preference. This will subsequently improve the lives of non-third sex people, as well, with the restoration of the Aryan Pagan family no longer divided in disunity.

Greetings to all our People and Satanic Comrades.

As it seems from the results, we have been right, and HP Don's forecast was accurate, Trump has won the elections, or at least the popular vote and many of the states.

Now, our interest lies not in which puppet has won, but what we can do with this puppet, and what does a puppet represent to us and in general. We are above all, Satanists, and above anything else; so those who do not feel that way, they should better think about it. Satanism is in the Soul, where everything else falls subservient. This is a point to keep in mind, because if you are a child or son/daughter of Satan, this is a reality everyone has to accept. The Gods love us and we owe them to take care of situations that are threatening to our species.

Behind Hillary, there were marching hordes of 'immigrunt lovers', people who basically want the USA to go to shreds by promoting illegals (as such complete

destruction of Law), complete abolishment of borders, jewish media, and the list goes endless. All the jewish rot and cancer has been rallying behind her, and of course, behind Hillary are the ideas of ruling cuckoldry, justification of wars in Iraq and elsewhere, the list goes endless.

Hillary was also a pedophile that conducted full blown rituals to Jehova, her tribal 'god', with the greasy kike "Abraamovich" which happens to have the same name as Jewcy Putin's right hand con-man. With this grease-bag in the 'presidency', it would be harder for us to influence things. Hillary is a full blown Jewess, and an old rat in the supposed 'establishment'. She would not deviate not even by mistake from the teachings and the art of "Gregory Swartz", also known as George Soros...She has been trained for that job of communizing for decades...

She is the spiritual daughter of Gregory Swartz, who claimed he is "GOD" lately in the news as well. Expressing the same rotten opinion all the 'chosenites' harbor about themselves anyway. Very intelligent, kike Soros, proves us right in how the pathetic and insane alien jews literally think you are all their cattle, want to own you as such, and want to turn everyone into a 'one race' mixed monkey-oid humanity in order to rule easily.

Now on the other side of the fake game, from all points of view, we are to profit from Jewcy Trump. This is not an argument of who is more or less jewcy, as both are jewcy to the bone in different ways. As the Rabbinical law believes, those who are more mixed are more prominent both to "mistakes", and both to 'foreign influences'. Our Rituals and our RTR's have been ripping the enemy apart. The complete unveiling of the jewish criminal 'media', to their supposed 'poll tracking' and the rest of the garbage has been exposed really badly. Same as what is going on behind the scenes in many ways, such as rigging elections, and the list goes.

People have completely lost their trust, and this reverberates in all of Europe as well, where the systematic attempt in turning us Whites into sissified, forced immigrunt marrying mudslime identity-less hordes is taking place. This supposed victory of 'Trump', this is a step in the right direction to an extent and shows resistance in the popular mind. The jews cannot turn us into identity-less, multicultural borgs yet, and then feed us to their alien friends. People are resisting, in an unconscious and even conscious way.

Satan bless our RTR's, things escalated a lot in this are without much jewish control, or through jewish mistakes that were fatal.

What is behind the puppet Trump situation lies pretty clear: people are tired of forced immigration, 'muh feels, we wuz kang's', 'i'ma cam in ur country and kill u and steal ur wife' and all the rest of the garbage and excrement the jews push relentlessly. Bnai Barry or Jew-bama, the infiltrator Mudslime racial Jew, ruined America pretty much. And gave rise to all of these ideas who want to wipe Whites out.

He is also a beacon of hope to all of the Mudslime hoards and the "u can do anyffin cuz muh dick's" who literally come in Europe and rape baby children in the name of Allah, or drug White women in order to impregnate them for a fast one, or just beat them senseless to death even if they are grandmas for not wanting to be raped by the chosen of Allah. The situation has grew out of hand, and on top of this the jewish media does not show even 5% of it. After all, the hordes must be protected, as these people mimic the jews and their Chosenism, albeit on an lower level, and exactly as taught by the jews.

This is chaos, and chaos must be brought into an end. Bnai Barry has been a systematic propaganda for the uprising of Mudslimes, and those of his likes, and nothing more. Other than that he was a wrecked of American civilization.

Whites don't want garbage and criminals anymore, forced intermarriage, immigration, and 'muh racism so gimme ur house and land' anymore. No Gentile who is worthwhile wants this JEWISH extremism of the jews channeled in our society anymore.

The jews have been revealed to be turning their wheels.

We must always remember, that jews are behind and do reinforce all these incidents, and not "Gentiles" on their own. Most Gentiles are OK in their brains and not mortally psychotic criminals who want to enslave others. As for their foot soldiers, black, white, asians, and all races alike, they will meet the fate of their masters, no compensation required for them. They are all the same jews and shabbos. Normally however, Gentiles just fall victims to their jewish brainwashers and agitators. This will also change by our RTR's as people will wake up.

Behind this 'Trump' incident have also rallied all the anti-semites of the planet, to a more major or less major extent. Now, this doesn't mean anything for Shabbos Trump, but it means a lot of things for us who try to get the Truth on the enemy out. We are very far from winning this struggle, and those who think that jewsus or some jewcy greasebag or slave of these, is going to save us, should just lobotomize themselves.

The jews have pulled this stunt many times, what changes now though, is our historic spiritual resistance, which did not exist ever before. As such their stunts will turn into a further disaster.

SAVE-PRINT- KEEP SAFE- AND SPAM THE RTR's that have been instructed in the schedule. [We are going to co-ordinate with a new program as well].

All worthwhile people on the planet should be disgusted by this systematic jewish agenda to wipe us all out and enslave us into a massive, multiracial, rootless jewish communist dictatorship. This is PURE EVIL and the essence of destroying Nature's work upon all the beautiful Gentile Races. Whites ARE waking up, same as many other Gentiles who are sensible and intelligent and at our side. They are angry and disgusted by this attempt to be turned into hordes, and what the jews have done to their people who after all were innocent. This has been ongoing for thousands of years.

Even in the jewish bible it is admitted that one day all the Nations of the World will raise against the jews. According to the skrawny jews that wrote this excrement, Humanity will die out of this insolence. But isn't this the same book that says if you don't kiss jewish ass you are going to die...Well, everyone who is against them is very well in their spot, and the jews are losing and will just keep losing. The 'flawless' years are over for them.

Satan will spiritually destroy them. On the antipode of the prophecy of the jews, we have the more Ancient, Pagan Prophecies of our Ancestors. The light will defeat the darkness, and the imposter 'kings' and 'rulers' and their hoaxes will be destroyed. Satan is the Author of these prophecies, and they will materialize in the inevitable destruction of the jewish spirit in all levels.

On a more physical level, these things manifesting are positive news that show that all of us are standing a chance against the Jew, who seemed to possess omnipotent power in all our Nations and States, minds etc. The poison is slowly being extracted, and when people heal, the enemy will reap what they sowed.

Consider the vote of Trump of a measure of around 20% of populist awakening. Trump is the last gamble of the jews in power, and look that they were forced to put a seemingly "White" person in order to be able to grasp power. This means we are in the first stages of awakening of the White people. Make

no question, the jews will be at the White House again, what is only different is not in the government, but in the will of the people. The jew albeit their dreams of microchipped, multiracial, zombified cattle to rule of all of us, is failing.

Their exposal has been the worst. Also, people are figuring out the largest hoax on our history, which is (((Christianity))) and the more people detach from this spiritual, moral and ethical slavery of xianity, civilization can and will be saved.

It seems we are moving on the right direction, and by abolishing any retarded thinking that wants anything to happen on its own, one can see a few things that are self evident.

First of all, Trump may attempt swinging in the opposite direction of what he was elected to do. In that sense, be even worse than Hillary, or at least engage in shady behavior behind scenes to further the jewish Agenda. Now that the enemy is well disorganized and had their heap of attacks, they will be forced to part in sides, let alone the major populace really hates them and if Trump becomes another Bush, the masses will not tolerate it, as they have built a very close tie with "Trump" being a savior.

The jews thanks to our RTR's are on a lockdown situation. On one hand their favored shill and blood cousin, Hillary the child molestor, failed the "Hawly Talmud" and went down despite of the closely billions focused on her. Total disaster and financial loss for the enemy as well.

On the other hand, the jews are again in lockdown, because their philo-jewish Trump, who is no question fed from their jewish mother's tit, has the issue of the masses being extremely agitated to the jews, rejecting of their policies etc. They will more than likely be forced, at least to an extent, to act 'good' towards the people. If they don't, which understanding jewish nature, they cannot by definition, the people will become even more enraged, and down the years things will hit the fan so violently, that their Virtual Reality, Sissification Blackz-ization Immigrunt-ification xian cuck-ization agenda will go down the drain by blood and destruction.

Even the (((Muslim))) Jew Bama, Bnai Barry and his disgusting wifey were all campaigning of Hillary, same as the JEWISH media, jewish means of propaganda, and even hollywood and anything else. All the money was on Hillary. Trump was the second, and dangerous solution for the jews, and this is what happened. While the chances of foiling the jews on Hillary would be zero, now at least there are chances. Our RTR's will make sure the Roulette will turn on our direction, and we will win 1/36, by the grace of 666. Trump is left with few choices but to act in the direction to he has 'promised' at least to an extent. If Trump turns into what Hillary was afraid to become, he will also get ripped off equally as bad.

Now Trumps chart and the person in general is very open to our influences. Make sure to save the RTR's, and be ready for anything, as with what we have achieved now,

We have altered history of mankind with our RTR's, to where Gentile people who are worthwhile are now waking up and going to the right direction. The RTR's are in control, and may Satan BLESS our RTR's to success.

Do not forget however, the jews are still in control. They are still in Google, trying to snatch all the knowledge of your life, still on facebook, still everywhere.

WE WILL NOT TOLERATE THIS. HALFLINGS, QUARTERLINGS AND ANYTHING MUST BE OBLITERATED, SAME AS SHABBOS UNDER THEIR RULERSHIP. We Satanists are perfectionists and we don't want people with interfering with the affairs of the planet of Satan, who is the original Father of Mankind. They are still in extreme control at the top, and as Asmodeus said two things will happen:

1. 'The enemy will manifest blatantly as we reach the Climax of our cause' (Just see what the jews have been trying to pull in our home, the JoS, or even down the media etc)
2. 'Their rule is but a season. Short will be the Tyranny Over US' (Asmodeus in regards to the destruction of the enemy rule on the planet by the enemy aliens and ilk)

And to fill in with a third quote "ISRAEL WILL GET WHAT SHE DESERVES" -Satan, on the inevitable destruction of Israel and all it represents.

So to close this message, this breath of 'hope' and the fruit of our work should just motivate us to work even harder, with even more ruthlessness, and with even more extreme devotion to Satan and the Powers of Hell, to completely overthrow this jewish system that wants to turn humanity back into the Middle Ages, Orwellian style.

Satan's Will will dominate, whether the jews want it or not.

Did they hear that?

The the Clock's ticking, Jews.

Lilith is from the Sumerian term LÍL-TI, which means "spirit of life".

This makes me chuckle, because it is true. You've heard it here first Hahaha. Anyways, there was a time that I was going completely against reproduction but everything is in order now, thanks to the Munka and Ansuz soul healing energies. Thus, I decided on extremely serious conditions to not only contribute to our biggest enemy's extinction but to contribute my Aryan third sex warrior blood line as well. Finding the perfect vessel for my blood line after I am completely and permanently risen. Indeed, it is decided. I am just very focused on my spiritual advancement and warfare at this moment. Everything in small steps but huge intensity.

For my people's future,  
Hail our eternal father and his children!

Jewish Control of Third Sex Rights Part Two: Queer Culture and the Destruction of the Pagan Family by High Priest Jake Carlson

\*\*NOTE! THERE IS ABSOLUTELY NOTHING EVEN REMOTELY WRONG WITH HOMOSEXUALITY, IN AND OF ITSELF [ESPECIALLY IN SATANISM], SO ANYTHING THAT MAY SEEM TO IMPLY OTHERWISE WITHIN THIS SERMON ARE QUOTES FROM OTHER SOURCES, AS WELL AS MYSELF, BUT I'M NOT PUTTING HOMOSEXUALITY ITSELF DOWN. I'M SIMPLY EXPOSING HOW THE JEWS ARE USING AND ABUSING HOMOSEXUALITY IN THEIR QUEST TO PREPARE THE WAY FOR THE COMING OF THE JEWISH MESSIAH [YESHUA /JESUS CHRIST] WHO WILL UNITE ALL OF THE SCATTERED JEWS AND ANNIHILATE EVERY LAST WHITE ARYAN OF SATAN SO THAT PLANET EARTH WILL ONCE AGAIN HAVE NOTHING LEFT THAT IS WORTH ENJOYING, SINCE TRUE CIVILIZATION AND CULTURE ON PLANET EARTH DEPEND SOLELY ON SATAN AND HIS DEMONS--ALSO KNOWN AS THE WHITE GODS--AND THEIR WHITE ARYAN PEOPLES. THE JEWISH-CHRISTIAN-ISLAMIC "KINGDOM OF GOD" = NO MORE WHITE PEOPLE ONCE THE WHITE ARYAN RACE WAKES UP FROM ITS CHRISTIAN COMA, BECAUSE ONCE OUR PEOPLE RETURN TO THEIR SATANIC PAGAN ROOTS, THE JEWS KNOW THAT THEIR TIME IS OVER, AND THAT EVERYTHING THAT THE THIRD REICH HAS BEEN ACCUSED OF WILL MAKE THE FOURTH REICH LOOK LIKE CHILD'S PLAY!!\*\*

In all of the White Aryan Pagan religions, also known as Satanism, that existed before the Jews and Judaism came along, there was no such thing as "sexual orientation" or any reason to feel the need for labels such as "straight," "gay," "lesbian," "bisexual," or "transgender," etc. During this Satanic Golden Age, sexuality was much more fluid and wasn't divided by rigid, but hallucinogenic, and therefore, non-existent lines of sexual identity. However, the divisions that existed then were male and female. That will never change, but the Jews have used \*their\* corrupted forms of homosexuality to blur the lines between the different biological genders and their functions.

Nonetheless, since only heterosexuality can produce offspring, the Jews turned non-heterosexual unions into a sin against Nature and against the Judaeo/Christian/Islamic "god" [which is ironic when you think about it because the Jewish "god" has been one of the only bachelor gods ever concocted]. In addition, depending on which faction and which tradition of Jews and Judaism, certain portions of the Jews have forbidden homosexuality for themselves and have cut homosexuals off from their people because they view the existence of third sex sexuality as a Pagan excess. For centuries, the Jews have even gone as far as to claim that their people, by their very nature, are incapable of homosexuality. Even so, since they try to hide it and cover it up when it does happen, they promote \*their\* corrupted version of homosexuality for the White Aryan Race because now, not only does homosexuality function as a form of birth control for the White Race, but with the Christianized Whites believing that homosexuality is "wrong," this divides the family unit and promotes chaos. The third sex gets the blame for destroying the family, but it is not homosexuality, as is commonly believed by those who are either directly or indirectly influenced by some of what they see to be Christianity's non-existent "better points," but in reality, it is the Jewish Talmud and The Protocols of the Learned Elders of Zion in action. Contrary to the blind-folded Christians' belief that the Jewish Talmud and Protocols are "anti-Christian," the Talmud...yes, the BABYLONIAN Talmud, and the Protocols are actually very affirming of Christ and Christianity.

The central theme of The Protocols of the Learned Elders of Zion is to undermine and abolish private property, heterosexual marriage, White Aryan children, and the home. Although the Jews have taught our White Race that homosexuality is "wrong" for

nearly 3,000 years, the fact that the destruction of the traditional family can occur by promoting the Jewish, politically correct, re-packaged form of homosexuality, they use this golden opportunity to push homosexuality as a means to an end of White Civilization. The only third sex Aryans who are to blame are the ones who full consciously KNOW that they are helping the Jewish people destroy our Race. The other third sex Aryans who aren't pretending to be asleep can be rehabilitated through re-education with the racial religion of our Aryan people--Satanism.

What not many people know is that human sexuality is much more fluid than is commonly realized. Third sex attraction could occur at any point in a heterosexual's life, and heterosexuality could occur at any point in a third sex's life with or without any explanation. Although many people are born with a sexual preference or orientation, the debate of "born that way" or "preference" becomes pointless, and in some ways, laughable. Just because a male or female can remember experiencing third sex or heterosexual attraction from their earliest of memories doesn't mean a same-sex or opposite sex relation or even marriage will never occur. The Jewish people know the psychology behind this all too well, and in order to promote the destruction of the family, they brainwash homosexuals into believing that they cannot or should not have children through an opposite gender sex act. The Jews teach these slaves of theirs that the Aryan homosexual who has fought so hard for the tolerance and acceptance of their sexual preference is selling out by continuing our species.

In addition, the Jews are encouraging many White heterosexuals that the birthing and raising of children is not as important as it really is. Just as damnable, the Jews are promoting degenerate inter-racial sexual relations and its multicultural decadence for both heterosexuals and homosexuals. This is a dead-end for the birthing and raising of truly White children, and for homosexuality and other non-procreative sex, inter-racial couplings still pollute the collective Aryan Racial Soul. Indiscriminate abortion is discouraged for non-White women, but the Jews incessantly promote it for White Aryan women.

The underlying message from Satan revolves around how we, as Satan's White Aryan Children, can reverse these suicidal, self-destructive trends and make sure that we have a future. In Satanism, the White Aryan family unit forms the foundation of Satanic Pagan Civilization, as opposed to Christianity's inclusiveness and universal love and brotherhood that is open to ALL people--regardless of race or caste--and discourages the natural, nuclear, biological family, at least for Aryans--the greatest threat to the Jews there ever could be, besides Satan and the Anti-Christ, themselves.

Cultural Marxism is the bastard child of Christianity that gave birth to the Jews who wrote The Protocols of the Learned Elders of Zion. Where do "the gays" come into the picture? The Frankfurt School, the Jewish, alternative Christianity of the Weimar Republic, and the birth of the myth of "Queer culture." To go straight to the Jewish horse's mouth in regards to the dramatic hoax of Queer culture, let's see how successful the Protocols have been at manipulating the minds of Satan's Aryan third sex through Jewish scum...

From his article, Roger Goodman [Jewish], M. Mus., M. Div. are the following excerpts:

"The greatest threat to Queer culture is the desire of so many LGBTQ people to "fit in" to be "just like them," to "not antagonize the straight community," to "not make any waves," to "not put any fear of Queer people in the hearts and minds of the straight world."

Quite frankly, I wonder when LGBTQ people will come to the proud realization that we are not like straight people, and I, for one, celebrate that difference with great joy and jubilation. We are distinctly different from them. We have our own culture and our own aesthetic.

Queer Liberation Theology which says that both body and spirit are, indeed, very, very good, and that our sex celebrates that truth as well as the deeper truth of the body/spirit connection that is inexorable. Our uniquely Queer spirituality is one of both/and rather than either/or. It is rooted in the complete destruction of dualism and the embracing of a mutuality that is thoroughly feminist.

Assimilation smacks of Gay shame and a powerful unconscious internalized homophobia. It is not any different than the words "straight acting, straight appearing" in Gay personal ads. Why would I want to appear straight? Why would I want to act straight? Acting Queer is a most beautiful thing and thoroughly authentic to my identity as a self-loving Queerman. There is a great deal of difference between being Gay and being Queer. For me, "Gay" is an adjective that defines what I do in bed with another man. "Queer" is a noun that identifies who I am in my entirety. Being simply Gay allows one to assimilate, to blend in, to be "just like everybody else", that is, to be invisible. Gaymen often say, "I am so much more than my sexuality" or "I don't define myself by my sexuality". To be Queer requires that one identifies one's Queerness as a core definition of one's self, as one who is connected to the Queer collective unconscious, as one who understands completely that everything we do, everything we say, all our relationships, our livelihood, our spirituality, our gestalt are filtered through that core definition as Queer."

Source:

<http://healthygaylifestyles.com/the-demise-of-queer-culture/>

It is radical homosexuals like the Jew Roger Goodman's article about his imaginary idea that there is such a thing as "queer culture" that exists outside of White Aryan culture and Civilization that makes the things that radical Christians and Muslims say about homosexuals look plausible. Thanks to radical queers like Roger Goodman, Satanists and other Pagans who reject cultural Marxism will find allies with the Christians and Muslims because of how these homosexuals who DO deserve to be called "queer," but in a derogatory manner, are dramatizing a sexual preference by making an identity out of one's private life, and by claiming that anything that doesn't force homosexuality into everybody's face is "internalized homophobia." How interesting it is that this queer doesn't accuse heterosexuals of "internalized heterophobia" if they don't push their private lives into the faces of everyone

else. This hypocritical double standard will be outlawed like Christianity, Islam, and the existence of the Jewish people in Satan's New World Order. Cultural Marxism, which is Liberal Christianity, and Judaism, itself, will be completely eliminated. Even non-Liberal Christians who follow politics that may have some Pagan origins will be forced to either "crap or get off the pot" if they want to survive as part of Satan's White Aryan family, as all things Christian [whether Jewish or Pagan] thoroughly pollute our Aryan blood. ENOUGH IS ENOUGH!!!

THE REAL INTERNALIZED, AS WELL AS INTENTIONAL HOMOPHOBES, ARE THE QUEERS AND OTHERS WHO INSIST ON FORGING A NON-EXISTENT QUEER CULTURE AND A POLITICALLY CORRECT IDENTITY THAT REVOLVES AROUND WHAT GOES ON BEHIND ONE'S DOORS. THE REASON THESE PUSHERS OF CULTURAL MARXISM ARE SO USEFUL TO THE JEWS IS BECAUSE BY DESTROYING THE OH-SO-REPRESSIVE WHITE ARYAN FAMILY IS THE GOAL OF THE PROTOCOLS OF THE LEARNED ELDERS OF ZION. DO THESE WHITE RACE-TRAITORS HAVE ANY CLUE WHAT THE JEWS WHO WOULD RULE PLANET EARTH WOULD DO TO THESE USEFUL IDIOTS ONCE THEY HAVE OUTLIVED THEIR USE??? THE JEWISH NOAHIDE LAWS PUNISH THOSE EVEN SUSPECTED OF SODOMY WITH THE DEATH PENALTY BY DECAPITATION! SO, WHO IS GOING TO WAKE UP BEFORE IT'S TOO LATE??

The truth, even if some people can't accept it, is that the White Aryan Pagan family unit is the foundation of our Civilization and is the fuel behind our coming New Order of Satan. The second part of this truth is that homosexuality and the third sex will be accepted and even embraced--not BECAUSE of who they sleep with or for their so-called "gayness"--but for their merit of character and what they can offer to an organic Pagan society and culture that doesn't pit "gay versus straight." If queers like Roger Goodman want to accuse us of "internalized homophobia" for assimilating, so be it, but he is the REAL homo-hater for creating the "us" versus "them" mentality, which thrives on making homosexuals into Nazarene-like, blameless victims of "hate," "discrimination" and "prejudice." The entire Gay Rights movement depends on the lie that one's sexual preference is their entire identity, as well as the myth of an independent "gay culture" that is disconnected from Aryan culture. In ancient Paganism and in the Satanic Paganism that we will see the revival of, as long as it is between legal, consenting adults who are of the same race [the anti-miscegenation laws will be put back into the law books], SATANISM HAS NOTHING TO DO WITH THE SEXUAL PREFERENCES OF HUMANITY!! GET OVER IT!!!

Before the arrival of the Jewish people and Judaism, Christianity, and Islam, like heterosexuality, homosexuality and the third sex were so free because it was LEFT ALONE. When such things are left alone, there is no reason to celebrate, nor condemn a non-existent identity. It just is. This is the Satanic way. Due to the curse of Liberalism and political correctness that so many who identify as "gay" or "queer" are in a coma from, I realize that many will feel like they are getting nailed to a cross and made to suffer and die when they realize that the only answer to ending the destruction of the Satanic Aryan Pagan family is to give up on "gay" or "straight," and function as Aryan men or women. This is the only way our Civilization will be able to rise from the ashes and thrive once again.

It is of no coincidence that queer "spirituality" focuses on the Judaeo-Marxist concepts of "equality," oneness, and non-duality. This ties in to the extra-terrestrial greys of the fifth and higher dimensions ["heaven"] who promote unnatural "unconditional love," and the other kind of assimilation...Christianity's assimilation of souls into "the Light" where they are greeted by a grey who assumes the role of Christ who absorbs all traces of one's identity. Perhaps this is one reason why the teachings of Jesus and the Apostle Paul state that there will be no race, caste, gender, marriage, or sexual preference, etc., in the kingdom of heaven.

Here are some Bible verses straight from the Jewish New Testament that confirm Christ's primordial Marxism that is meant to destroy the Aryan Pagan family and replace it with the worship of the human-hating greys who exist on the other side of the blinding white light on the astral plane that many people see in Near-Death Experiences. Read these verses very carefully, and ask yourself, "Does Jesus really focus on the family?"

The Cost of Following Jesus, Luke 9:57-62

57 As they were walking along the road, a man said to him, "I will follow you wherever you go."

58 Jesus replied, "Foxes have dens and birds have nests, but the Son of Man has no place to lay his head."

59 He said to another man, "Follow me."

But he replied, "Lord, first let me go and bury my father."

60 Jesus said to him, "Let the dead bury their own dead, but you go and proclaim the kingdom of God."

61 Still another said, "I will follow you, Lord; but first let me go back and say goodbye to my family."

62 Jesus replied, "No one who puts a hand to the plow and looks back is fit for service in the kingdom of God."

In regards to Jesus' Mother and Brothers in Mark 3:31-35:

31 And his mother and his brothers came, and standing outside they sent to him and called him.

32 And a crowd was sitting around him, and they said to him, "Your mother and your brothers are outside, seeking you."

33 And he answered them, "Who are my mother and my brothers?"

34 And looking about at those who sat around him, he said, "Here are my mother and my brothers!

35 For whoever does the will of God, he is my brother and sister and mother."

Note how Yeshua/Jesus Christ destroys the family for Aryan Pagan Gentiles while saves it for Jewish families to keep their bloodlines pure and intact.

Matthew 10: 34-37

Not Peace, but a Sword

34 "Do not think that I have come to bring peace to the earth. I have not come to bring peace, but a sword.

35 For I have come to set a man against his father, and a daughter against her mother, and a daughter-in-law against her mother-in-law.

36 And a person's enemies will be those of his own household.

37 Whoever loves father or mother more than me is not worthy of me, and whoever loves son or daughter more than me is not worthy of me.

According to Jesus, the Christian family is supposed to be about sharing one's bloodline with other races and breeding out the White Aryan Race of Satan to extinction through universalist doctrines. There are few Christians who take these teachings from Christ seriously without sugar-coating them as parables, and etc., but it still doesn't change a damn thing that the Jews had intended for forceful subconscious indoctrination for the more stubborn Christians.

The Judaeo-Marxist LGBT Rights movement is a Christian movement, not an anti-Christian movement, as militant Southern Pentecostalism would have you believe. Liberalism's attacks against Christianity are not really against Christianity; they are against the organic Pagan politics that Christianity has absorbed in its desperate attempts to stay alive. This is why bleeding heart Liberals and proto-Marxists for centuries have stated things like "I have no problem with Jesus, but I despise your Christian bigotry" or "I am a Christian, not a Churchian."

There will be forthcoming rituals to reverse the Bible curses against homosexuality when the time is right. These will destroy the

hold that the Jewish people have over our Aryan people based on sexual preference. This will subsequently improve the lives of non-third sex people, as well, with the restoration of the Aryan Pagan family no longer divided in disunity.

Subject: Satanism and Holidays

This is for new people here. We Satanists DO celebrate the Yule Season. Xmas is NOT a Christian holiday. Xmas is PAGAN. If you doubt this, pull up some Jehovah's witnesses websites.

The Jehovah's witnesses and some other Christian sects know Xmas, Easter, one's birthday, etc, are Pagan holidays and do not celebrate them. They know it is all Pagan, except they are deluded as to that stupid Nazarene. The Nazarene was also stolen and corrupted from a Pagan CONCEPT, made into a fictitious Jewish character for Gentiles to slavishly worship.

Pagan holidays are meant to be joyful times of intense celebration and indulgence. That thoroughly rotten Nazarene has NO place in any of our Pagan Holidays and the only purpose of that goddamned thing is to draw off even more energy, so the Jews can reap even more profits in our Yule Season.

---

## The Yule Season

The Yule season is a season of enjoyment, indulgence and feasting.

Cooking, Baking, Gift giving, Decorating,  
Building snowmen and winter sports in places where there is snow  
Tree decorating  
Partying  
Santa Claus for the kids  
Shopping and more.

The Nazarene as you can see has no place in the Yule season. December 25th is actually the Persian deity Mithra's birthday, for one. The Yule was stolen from the Pagans and incorporated into the Christian religion as Xmas. Pagan peoples were celebrating the Yule long before the false program of Christianity forced itself onto the scene. We need to take back our holiday!!

Celebrate and Indulge!!

HAIL SATAN!!

---

The Yule holidays for Satanists are times of indulgence and taking pleasure in the physical and material aspects of life. Actually, Xmas trees and wreaths are Pagan in origin, so there is no reason not to celebrate this holiday with our families with gift giving, baking, and decorating. This is what the TRUE Yule season is about, not that filthy worthless Nazarene.

Subject: RTRs Working...

In all honesty, I haven't paid much attention to the presidential campaigns. All Jewish bullshit. But, from what I read in the Jew York Times and other mainstream news sources, the Jews really didn't want Trump to be elected. They bashed him incessantly.

Now, I saw an old photo of Trump recently and I have no doubts he is part Jewish. He dyed his hair blonde to look Aryan. He has the nose and the long Jewish jaw.

Anyways, behind all of this... This is what I'm seeing. White America still has some power. This was seen in the elections.

I also believe he was put in that position to draw White people out. In this I mean so the Jews have an idea of how many, etc, are against their agenda. This let's them know if it is safe for them to try to pull off their "revolution." They do things like this.

I can't say for sure, but IMO, they were confident Hillary would win. That's what I'm seeing. Another Angela Merkel.

They have the same MO. Mostly subliminal. They keep promoting through the media, movies, news, etc, that White people who are racially aware are all alone, small in number and hated.

In nearly any war, the enemy will try to impress upon the populace that those who do not agree with their propaganda and their agenda are very small in number. They try to isolate you. Make you feel you are all alone and the majority does not agree with you, is hostile to you, that your beliefs are the reason for any unhappiness or problems you have (Christians really play on that one).

Thanks to the internet, they can no longer do this.

With the Jewish controlled media, movies about Nazi Germany, depict the Nazis as being hated, just a small group (try to convince the audience most Germans were against and did not agree with Hitler), and keep repeating their defeat in WW2.

Same thing with what Trump supposedly represents. Hated, defeat, small in number, isolated, vast majority does not agree and so forth.

I know the guy is no good. My point here is Jewish plans were thwarted. They are pulling their hair out.

I will have a ritual within a couple more days to awaken our White Race.

There will be an exceptionally powerful full moon very soon. The next one like this will occur in the 2030s. This is rare.

### What Can America Expect on Day Two : JoyofSatan666

Now that the "Jew/Shabbos Trump Savior of OyVeyism" will slowly start to go into a 'normal mode', people will be gladly 'surprised' to see their 'savior' Trump going down certain routes, which may be shocking to those who expected him to act in any other way, believing in his vote-buying "promises".

One of these routes Trump will take at first is the route of 'normalization'. In plain words, he will become the full jewish president he is intended to be since the beginning, that is to the extent and by the mode through which his masses will not have a violent revolt. In simple words, methodically, he is probably not going to do half of the things he has (((promised))) based on some or any (((Excuse))). In the same way after the 'elections' he rushed to kiss Bnai Barry's feet, and hugs and kisses with Hillary, his supposed enemy, so will be the case with all jews. As we have told you before, nothing changed, except of the perception of the masses in regards to the rigged systems and everything.

One possible option is that Hillary's hordes will be used, so that the jews can cause civil unrest, and also keep "Trump" from acting in any of his "Promises". As thus Trump will be put as the "Victim" in order for the jews to gain more momentum etc. There are many routes the enemy may or may not follow, less or more evident, what I want is to just give everyone an idea, and make everyone more aware of that its not going to be White or Black. There may be undertones. Now if the people are going to sink-in that crap, that's another matter, and probably our RTR's will make sure this will again boomerang into the face of the enemy. The jews are highly skilled in doing things that win them time.

As Mossad says, "By the Art of Deception you shall wage war". This is stolen from Asian warfare manuals, and this is real. As such our education of the masses should be focused to obliterate the 'two side' meme of the enemy, which is the Hegelian dialectic of supposed 'opposites'. The jews have controlled the planet with this for centuries. "Good Christians, Bad Muslims". Who owns them both? Jews. The list goes. Left or Right? Capitalism or Communism? The

jewish dipolar game goes on eternally.

These elections as we have argued before were a waste of time, and a social experiment to see where the popular mind is at, and re-plan the jewish struggle based on new conditions. Humanity does not sink in the JewWorldOrder as easily as jews would like. Now of course our Rituals brought the enemy extreme casualties, such as random scandals, populist uprising against the hebrew media, the list goes endless. The jews also revealed themselves as the nefarious people they are from all sides.

This became mainstream, and this is our only benefit, as with Trumps imminent betrayal of the White people and All Americans, people will finally wake up as to the jewish control, and tha Shabbos solutions (who are in fact Jewish) will never work out for us. The Jews are in Washington again. Operation Trump had a boomerang effect that the jews thought they would minimize, and they played again two sides against the middle, but when the Trump Hype dies out, this will escalate even worse. Now people are more informed, and Trump was like a plan B in order to manage their problems and win them time. Trumps natal chart is the chart of a con-man, front-man, the same TV persona that is to sell lies to naive people.

As I said in the other post, there is a slight chance, Trump might swing to become a most obnoxious person ever, and really anti-White, without building any walls, or doing anything in particular. Its obvious in servant Trump's natal chart, he is a loudmouth. Trump was nothing but a jewish product, on a seemingly "Gentile" seath, that was just spewing out 'politically incorrect' things, so the jews would win the elections for once more since people KNOW about the jews and their time is running out. After this person, there won't be much more to pull as a stunt for jews. As for the other skill, it went really down. This was a lose-lose situation for jews, at least where the public is concerned.

The "Two Sides Against the Middle" is a classic one. In my replies on the subject before, I have stated again and again, that people shouldn't be looking at PROMISES. Everytime (((Elections))) happen, everyone listens to the promises, and they defend these jewish servants as if they are so amazing, because of the (((promises))) they give. These are almost always complete and total lies, that only win the jews further and more time. Trump was on the edge of what the jews can do, to still keep the dissatisfied people in the Jewish System. Alex Jones, Andrew Anglin and the rest of the Shabbos or Jewish company. Alt-Right is the New Left. And its going to act really left-y so be prepared.

Even in the imaginary scene that Trump was supposedly really with the people in anyway, you will be surprized to see in his next months his gradual demoralization, change and how he will become the jewish cuck he always was, only in the change that it will be different. Trump lacks knowledge and many skills to run office, and as with anyone else, the jews aren't going to leave him do it. As for Pence, Pence is an Evangelical christian and a super decent choice for Israel. Trump of course has talked both sides of his mouth for the whole campaing. What is to our benefit is that one side of his mouth is beneficial to our own narrative. What we can do and look forward is that we can educate people more openly, since Trump in order to be elected opened up the 'taboo' regions we are dealing with, and on jewish losses brought them on their gamble to keep people enslaved.

Infact, a trick like Trump was necessary at this point. Trump is not any miracle, or anything that wasn't supposed to happen. Now HOW it happened, and with what casualties and revealing of the Jew World Order, well, that is a miracle caused by those fighting against them. Trump was a safety net, plan B for the jews, but nobody guarantees it will not rip as well.

On the fantasial instance that "Trump" shows any disobedience and stuff, and if we want to place our bets on a more positive side for us, the RTR's can make jewish counselors and many other jews fall in vain. In short, if they don't have anything substantial to offer, their influence will become lesser and the

enemy will generally be demoralized. In the even more fantasial occurrence where Trump does things for our side, given he is mixed, so he may unconsciously press on landmines like he did in his election campaign, this is what we can bet for most. Now, do not be deceived- otherwise nothing would happen. Our RTR's will cause the necessary 'coincidences' so that they will be forced to act in a certain direction.

So its to be considered to remember whose tit Trump has been sucking, and who made him, and not to be considered as anything else than he is. If he is put to use by our means and our side, for anything, and protected for it, in an unconscious way for him, that's a different issue. In this case, the jews could potentially threaten Trump with economic collapse or something like this, but this scenario is the most highly unlikely. Trump will also be surrounded by jews, and at this point, his Jewish family lot is in the White House, of which he is himself no different.

The jews however will be forced, thanks to our RTR's, pressure, and the Gods, to throw some of their people/ideas/achievements or undertakings under the bus, because of the fear of populist uprising from the masses, who thanks to the 666[www] have been waking up. This is to protect themselves, and this is encoded in the Torah. They are willing to go to any lengths to maintain power, and Trump is one of these scheduled plans. They would rather have power, at least to a degree, even if things don't entirely go their way, as they devise plans on the back to regain full rulership.

This 'throwing under the bus' should not be considered an act of 'good jewry' or 'good jews', as this is a plot, neither any of our victories as 'friendship' or 'backing down' or 'goodness' of the jews. Its just because jews cannot do better at this point, and a product of spiritual force is compelling them to act in certain ways. Whomever thinks of things differently, they need to wake up and see their thousands of years of history.

I will explain in depth what is going on in my part 2, which will be titled "The White and Black Brotherhood of Jewish Rulership". People will then get the game of Trumpey, and the general 'system agents' like him, and how we can benefit from it.

me personally, i feel very strongly that they stole this planet from Father Satan and our people given the endless list of things theyve done, their goals from the beginning to now, etc.... my goal is to not only take back what was unjustly stolen from Father, akl of our people who ever lived and still do, but also to make those callous rabbis wish they never existed, hence why im as focused on my RTRs, power

Veteran's Day

This is an answer to a thread that I gave on the subject:

There is really nothing to celebrate. When I think about my family members some who never came back as in the case of the Great War. What did they fight for? The first war was started by Imperialist, Zionist Banking interests as working together and one backstabbing the other for the agenda of creating a jewish, world communist dictatorship. And we have been suffering ever since from the events it unrolled. I am sure if all the lost soldiers of the Great War could come back and tell us something it would be..... Don't get fooled by the jews into another war again.

Since Veteran's Day is a cult of jewish propaganda, mainly to cover over jewish crimes of starting these wars and for what reasons.....

World War 2 was Zionist interests pushing the world into war so they could use it to build a world communist dictatorship. Which almost gave us WW3. Hitler did everything humanly possible to avoid a war and have peace. He knew what war was like from having fought as front line soldier in the last one. But Germany was attacked by Jewry from their Empires of America, Britain and the USSR. Poland declared war on Germany first by violently attacking the German population in the region they had conducted an illegal military occupation of since the end of the first war. On orders from Churchill and the American Secretary of State, Bacon. In promise of starting a war with Germany. England and France would then declare war and attack Germany from two fronts and Poland would get more of Germany. Of course the Polish government never looked east to the massive military build up along their eastern boarder from the USSR. And seemed to have forgot the last time they were invaded by the Red Army. Hitler offered them peace numerous times. Stalin's plan like fellow jewish masters was to get the west to bleed themselves out so the Red Army would have less opposition. To their coming invasion. Which would be the second time the Red Army invaded into Europe with the goal of taking the whole continent. The jew Lenin who the jewish global bankers, Warburg's got into power. Stated in 1918 there would have to be a second world war to finish the aim of creating a jewish globalist dictatorship of communism and he order the Red Army to invade all of Europe in 1920 to start such.

To be honest the only people to celebrate is those who fought against the USSR in Jew War two. As they were legitimately fighting for a holy cause. Being forced to attack Stalin's world army before Stalin could invade the rest of Europe which Stalin's date for was July of 1941. This event destroyed the USSR and halted the major thrust of the jews plans. Stalin had been the one invading numerous other nations before this date in aggressive wars. To open up the channels for the major invasion coming in 41. Were Hitler's invasions were defense attacks on those who had already declared war on Germany first.

Soros goes on to say that as the crisis in the Eurozone only worsens, the American financial system will continue to be hit hard. On the way to a full-blown collapse, he cautions, Americans should expect society to alter accordingly. Riots will hit the streets, says Soros, and as a result, "It will be an excuse for cracking down and using strong-arm tactics to maintain law and order, which, carried to an extreme, could bring about a repressive political system, a society where individual liberty is much more constrained, which would be a break with the tradition of the United States."

Billionaire Globalist Soros Exposed as Hidden Hand Behind Trump Protests — Provoking US 'Color Revolution

[http://thefreethoughtproject.com/soros- ... evolution/](http://thefreethoughtproject.com/soros-... evolution/)

Washington, D.C. – Billionaire globalist financier George Soros' MoveOn.org has been revealed to be a driving force behind the organizing of nationwide protests against the election of Donald Trump — exposing the protests to largely be an organized, top-down operation — and not an organic movement of concerned Americans taking to the streets as reported by the mainstream media.

Wednesday saw protests in the streets of at least 10 major U.S. cities. Chicago, New York, Los Angeles, Philadelphia, Boston, Washington, D.C., Portland,

Ore., St. Paul, Minn., Seattle, and several other cities saw protests, according to USA Today.

In light of the protests and rioting that have transpired since the election of Trump, a closer analysis of the dynamic at play is warranted to gauge whether it's an organic grassroots movement, or something much more organized, sophisticated and potentially dangerous.

Soros' affiliated organization MoveOn.org released the following press release yesterday afternoon:

-----  
This is not the first time the Jews have created Civil War in America:

Bismarck knew the truth and revealed it in 1876 to a German, Conrad Siem, who published it ('La Vieille France,' N-216, March, 1921). Bismarck said: 'The division of the United States into two federations of equal force was decided long before the Civil War by the High Financial Power of Europe. These bankers were afraid that the United States, if they remained in one block and as one nation, would attain economical and financial independence, which would upset their financial domination over the World. The voice of the Rothschilds predominated. They foresaw tremendous booty if they could substitute two feeble democracies, indebted to the Jewish financiers, to the vigorous Republic, confident and self-providing. Therefore, they started their emissaries in order to exploit the question of slavery and thus to dig an abyss between the two parts of the Republic. Lincoln never suspected these underground machinations. He was anti-Slaverist, and he was elected as such, But his character prevented him from being the man of one party. When he had affairs in his hands, he perceived that these sinister financiers of Europe, the Rothschilds, wished to make him the executor of their designs. They made the rupture between the North and the South imminent! The masters of Finance in Europe made this rupture definitive in order to exploit it to the utmost. Lincoln's personality surprised them. His candidature did not trouble them: they thought to easily dupe the candidate woodcutter. But Lincoln read their plots and soon understood, that the South was not the worst foe, but the Jew financiers. He did not confide his apprehensions; he watched the gestures of the Hidden Hand; he did not wish to expose publicly the questions which would disconcert the ignorant masses. He decided to eliminate the International bankers, by establishing a system of Loans, allowing the States to borrow directly from the people without intermediary. He did not study financial questions, but his robust good sense revealed to him, that the source of any wealth resides in the work and economy of the nation. He opposed emissions through the International financiers. He obtained from Congress the right to borrow from the people by selling to it the 'bonds' of States. The local banks were only too glad to help such a system. And the Government and the nation escaped the plots of the foreign financiers. They understood at once, that the United States would escape their grip. The death of Lincoln was resolved upon. Nothing is easier than to find a fanatic to strike.'

'The death of Lincoln, was a disaster for Christendom. There was no man in the United States great enough to wear his boots. And Israel went anew to grab the riches of the World. I fear that Jewish Banks with their craftiness and tortuous tricks will entirely control the exuberant riches of America, and use it to

systematically corrupt modern civilization. The Jew will not hesitate to plunge the whole of Christendom into wars and chaos, in order that 'the earth should become the inheritance of Israel.'

Thus Bismarck, who knew the game of the Jews, spoke in 1876, [\*\*\*] According to Bismarck the awful Civil War in America was fomented by a Jewish Conspiracy, and Abraham Lincoln, the hero, and national Saint of the United States, was killed by the same Hidden Hand, which killed six Romanov Czars, ten Kings and scores of Ministers only to easier bleed their nations. [\*\*\*] Lincoln was reinaugurated on March 4, 1865 and was shot on April 4th, 1865 by an actor Wilkes Booth, who cried: 'The South is revenged.' He was a Jew, but this has never been mentioned!" If to become aware is to become enlighten, then please dear Satan-ic warrior, enlighten me. All matter is composed of octaves, or light or energy of different frequencies; vibrations. Thus, everything comes from the dark or void or akasha. What our enemies desire is to set our temples into lower octaves, where the strong is condemned and the weak is appraised. To fully comprehend this... is indeed a huge obstacle for them. An obstacle in which with all their hate they destroy without haste. So this is why they want to destroy us all and killed all of our ancestors. Their matrix programmed us to fear ourselves and most importantly, fear the dark, fear to create and vend light... because our real enemies are not in the dark, they are in the light.

The Internet Inquisition has already begun!

The new inquisition is happening right now. This is a war on information. The jews know that the internet is their weak spot and trying desperat

.....

First Point... "Hate Speech Policy"

You're not allowed to hate on social media...

"Facebook, YouTube, Twitter and Microsoft Sign Hate Speech Agreement"

<http://fortune.com/2016/05/31/hate-speech-code/>

From the above article...

"Based on a 2008 piece of legislation, the code of conduct describes the illegal material as "all conduct publicly inciting to violence or hatred directed at a group defined by reference to race, color, religion, descent or national or ethnic origin." "

Take a guess. The truth that we currently fight to spread, it will be "illegal" and considered "hate speech".

So... channels in youtube that spread the truth are being closed on that premise. Spreading the truth over facebook or twitter is "hate speech".  
Windows 10, that is updating automatically and spying on your every move, is for your own benefit?

Think again...

Take note and find alternatives to the jew owned social media and Operating Systems.

.....

Second point. Internet inquisition...

The new inquisition of the internet already has a name "Anti-Piracy Groups". They're supposed to protect the copyrights of the companies they represent. If your country protects you, they will find a way to make you pay, even if these attempts are unlawful (with the law turning a blind eye).

"Anti-Piracy Group FACT Expands Reach Beyond Hollywood"

[https://torrentfreak.com/anti-piracy-group-fact-expands-reach-beyond-hollywood-161110/?utm\\_source=feedburner&utm\\_medium=feed&utm\\_campaign=source=fedburner](https://torrentfreak.com/anti-piracy-group-fact-expands-reach-beyond-hollywood-161110/?utm_source=feedburner&utm_medium=feed&utm_campaign=source=fedburner)

The point is that they are ignoring every legislation that exists in order to "fight piracy"!

They try to close the providers that hold the content... even if they are lawful in their country

See the megaupload trial [https://en.wikipedia.org/wiki/Megaupload#Counter\\_arguments\\_advanced](https://en.wikipedia.org/wiki/Megaupload#Counter_arguments_advanced)

Then they try to close the torrent sites... even if they aren't doing anything illegal (the users of the site are allegedly illegal)

See kickass torrents closing... <http://money.cnn.com/2016/07/21/technology/kickass-torrent/>

But it doesn't end there...

They also harass all the search providers (also jew owned, so they comply), in order to remove results from the search engines (if you can't find something meaning "you have using copyrighted material, i can shut down your site if you don't remove it". So the jews can falsely accuse a site of copyright infringement).

(irregardless if it's illegal), and in order for the site to appeal you have to file a lawsuit (meaning cost money).

And don't get me wrong. Piracy IS Illegal! But the way they are pursuing this IS ALSO ILLEGAL. There is no way to protect the rights of the defed care about their money.

So... whose to tell if these copyright trolls will stop there. If they play dirty and unlawfully now, why stop here? They're getting away with it already. I'm sure they'll try to use these "Anti-Piracy Groups" to police the internet.

.....

You don't think so? Take a note at my first point.

Youtube/Facebook/Twitter etc. a few years back were the new revolution of the internet. Free video hosting, Social networking, Global publicity, these services. And then they police it.

What about Windows 10? Wow, what a revolution. FREE UPGRADE? WOW! Amazing. Guess what buddy, if the product is given for free, then "YOU" are in. Why? Maybe, just maybe, in this new operating system, there are routines that see if you visit the "wrong sites".

They won't do anything about it. They'll just gather data. They won't do anything for years. But then after a decade, like the Year Zero in Cambodia, it's a threat for their agenda.

[http://dawn666blacksun.angelfire.com/Year\\_Zero.html](http://dawn666blacksun.angelfire.com/Year_Zero.html)

.....

Imagine the same thing in a different way. They feed the sheep to come closer. They take them into the slaughterhouse and close the door (and start slaughtering).

The same thing happened with the European Union 20 years ago. A new united economic power. Feed the countries with money. Bring them into the EU. Start policing the countries (slaughtering). See Greece.

Guess what they're gonna try in the US by closing the borders with Jew-owned Trump?

.....

We have to keep fighting strong!

The enemy is not stupid. They are trying to cut us off our sources of information. They will succeed, ONLY if we stop fighting.

We have to keep doing the RTRs.

also, ive decided the first step in that is wiping out the jews along with all of their fake inventions they used to put people where they are now. as far as i know, if the rabbis never existed to begin with, we wouldn't have the planet in the mess that its been in all these years, and everything would be as Father intended for humanity. my goal is to return earth to that state and pull it out of the abyss--one day at a time, one RTR at a time. i do what i must.

I proved it. joos communicate via bacteria in their feces. The primary aggregation hormone found in joos is feces.

Coby Schal, an entomologist at North Carolina State University (NC State) in Raleigh is now studying whether every population of cockroaches (even the ones living in your kitchen versus the ones in your basement) makes its own special aggregation pheromone.

Schal and his colleagues hope to develop a synthetic aggregation pheromone that works for all jewish cockroaches. Such a compound would help lure roaches to insecticides, baits, and traps.

LOL. Because it means "Parasitical Feces Fungus" in hebrew as best as I can tell, and that's the group to which I refer. You know they read this. Well...that's why I wrote it in hebrew.

I don't understand why you are disgusted by my use of the enemy's language. Every group of people at war I've ever come across finds great value in a soldier that understands the enemy's language.

Maybe you have a good reason for being disgusted about it. It doesn't seem readily apparent to me why that would be.

One of the reasons it could be, is that I'm really not all that interested in your agenda regarding the jews, so, I don't pay much attention to what's going on with regard to that. Maybe in the future that will change.

"My agenda" is to infiltrate, destroy and exterminate all jews, everywhere, permanently. On all their various levels of existence. Forever. Literally. Where it may very slightly, is I want them to experience torture that sets new precedents, and I want them to be used in the most horrifying manners comprehensible and I want them to beg for their death. And that means all of them. And the reason its "my own" agenda is because I have no intention of compromising with anyone.

I haven't considered what Satan thinks about it, or what the High Priests and High Priestesses think about it. It's not that I don't care about you or like you or something, it's because, I'm taking responsibility for it myself. It's entirely my own agenda. Maybe I'm overlooking something that you have going on for that reason. If so, I apologize.

This just seems really weird to me. I'm sure you have a good reason, so why are you disgusted about the hebrew language? Does it have some magickal influence or something? That's the only thing I can think it would be.

yes thats very true, i couldn't agree more perfectly. maybe i dont always feel completely consciously aware of that, but when i use my deep thinking and thoughts i almost always find myself able to figure almost anything out provided i maintain control and stay focused.

what i want to do after the war though is hopefully have children and start a satanic clan (i know coven is the more common word but i want it to be more family focused) which i know what i will name but wont post here as precautions (going back to recent infiltrators ive noticed here, i defiantly refuse to leave any open space for them to foil my plans/ goals), and my reason for this is to both help advance our white race as much as possible and also make certain there is no chance of the enemy's return (act as protectors to prevent anything nasty from having any time or chances to take place. i know there are RTRs for this, but im one to be take extra cautions and have so-called "reinforcrments" prepared to pulverize anything malignant. such a

miraculous return is very unlikely given their helplessly desperate struggle at the present time \*what i like to call it personally\* but this is still an idea).

i know there is more than likely other actions i can take to secure our advancement and prosperity post-war, but this is something i know i should sit down and think about thoroughly whenever possible. i dont want to act carelessly or anything related. i feel strongly there are other things i can do, but it has yet to surface as of now. i admit i might be looking too far ahead here, but i like to be prepared for everything as best i can.

as of the present, i intend to continue my regular routine and just do as i taught myself: take it one day at a time. maybe im overthinking it since im looking kinda far ahead there, but i dont like to kram last minute (sorry if i spelled that wrong, speech and the related are not my best skills). kramming last minute just puts a heavy burden on people and doesn't end well for most, i know this very well having had the same problem prior to my hardcore meditation and related. i was a complete mess then by the way... then just somehow woke up and shouted with pure determination in my mind saying its time to stop fooling around and get super strong. from that day on id been meditating a LOT. as of the present, i am very certain im in somewhere of advanced phases with meditation, even though im having minor trouble pinpointing exactly where im at here.

regarding the mess id been in before i started meditating, the story is a bit long and repetitive, but to keep it short id had bad habits which only caused me more suffering and pain (i used harmful substances for recreational reasons and so forth), and i almost lost it completely before i just sat down and it hit me like lightning that it was time to get serious and become as strong as possible. from that night on, id kept my focus on that as best i can and continue to.

and it was only recent that id awakened so to speak about what was going on during my personal struggle, who or what was responsible, and what was really going on: the enemy was trying kill me! and i know exactly why: because they knew what was coming if they failed to get

rid of me. they knew theyd be powerless to do anything noticeable harmful to me if they didn't just exterminate me right then and there. its just so obvious to me now... why else would they have incited depression in me, given me frequent and horrible nightmares that had tormented the heck out of me, physically attack me through xtians and jews to cause me to break down emotionally and continue crying for 1-2 hours straight, tempt me to use harmful substances by fooling me into thinking it will resolve everything, etc? the rule of thumb is this always: the enemy targets those who are the biggest threat to them as much as possible! all i have to do to know all of that is correct is remember that simple sentence.

im eternally grateful to Father for snapping me out of it, he reached out to me while i was in that mess, even though i wasn't psychically open or aware enough then to know that i know now that it goes without question.

my current situation and inner state is the complete opposite of the above chaos the enemy had on me then, i very rarely break down at all now.... i cant remember the last time i had a desperate struggle like that or at all, but i know good and well its been several months.

and its just as i realized: the enemy had tried to drive me to death because they knew that id become too formidable and intelligent for them to have any chance against if they failed (which they did! hence im here writing this...), which is exactly the case for me now.

even enemy spirits, i can do banishing rituals daily and wipe them out of my quarters so to speak with little effort. furthermore, its easy to make me laugh so i simply watch funny youtube videos after performing the working (enemy spirits seem more active at night in my case, but again im too powerful and given the above that i do its almost impossible for them to last long or seems that way).

as for the exact amount of time ive been actively meditating, it felt like 4 months (but i know thats wrong, again it just felt that way), but after enough time and persistence all the problems and bad habits id had before began fading and resisting the temptation to use harmful

substances for pleasure has been very easy for quite some time also.

im also noticing that even while im asleep, the enemy's efforts to do me harm are almost always completely fruitless (if theyre doing it at all... i sometimes feel theyre not even trying since all they seem to muster is some random spirit being sent or unusual dreams that dont even make any sense but i know are designed to spook me. sure, my speech isnt perfect, but im no fool, i am quite skilled at seeing who/ what is behind the glass and identifying what is being done/ attempted and why. nobody can throw a pile of jewish garbage at me and deceive me and so forth, let alone get any results from it (a quick way to waste time with me, throw that and try to fool me is no different than talking to a wall. \*it gets nowhere).

its glaringly obvious they knew damn well i was going to get this strong and they made attempts to stop this from happening by putting me through misery while i was weak enough for them to get results. i was too lost and confused to know this then, but what matters most is im aware of it now.

Trumps mouth looks like he's performed a colonoscopy by putting a hydraulic suck lock on every jews ass from here to Palestine.

Kind of why Trump is going to save our souls with the book "The Power Of Positive Thinking" written by that psychopath, zion pedophile, asshole, Vicent Peal. I hope that fucker gets ass-raped by a walrus.

When HP Mageson6666 said Trump was a jew puppet, I didn't think he meant literally.

Trump sat in the same pews as Peal at Marble Collegiate Presbyterian Church in New York for fuck sake and worshiped the idiot.

Trump is but a plastic shell filled with alien feces. In September this freak met with 3-dozen evangelical and pentecostal leaders, including televangelists Kenneth and Gloria Copeland, pastor David Jeremiah, broadcaster Jan Crouch, Paula white and pastor Darell Scott. According to the xian jew broadcasting network, the meeting ended with "a laying on of hands" – a pentecostal practice of physically touching a person being prayed for.

Pence doesn't know what the hell a condom is or how contraception works. No shit! If you're a woman are dealing with abortion – you are so fucked! Pence signed a contract in Pennsylvania which took 3.5 million from the states "Temporary Assistance For Needy Families" and gave it to anti-abortion group "real alternatives". He's considered the "one-man crusade" to end patients access to care at planned parenthood centers.

He could best be described as a disturbed, gynophobic theocratic who would be better suited to a homeless, alcoholics, public park, milk-crate-podium ministry than a manager of a world power.

Trump collects bibles because he has a deep connection to their black magick (he's afraid of them). And that's more proof that he's a zion shell filled with feces.

I wouldn't doubt it that he had to give his daughter to the jews and that's how she ended up with the freaky looking bastard she married after converting to judiasm. Does anyone know "what" the fuck that thing is she married?

But I'm convinced that Trumps jewish roots go back to around 960 a.d. where he was part of Khazaria, which makes him a Khazarian jew. I was curious if anybody knew more about that.

If anyone wants to cast his natal chart, I'm pretty sure it's; Donald John Trump; June 14. 1946 at 10:54 am, even though many fakes have been posted.

I recently have been informed that the government stole from my family's land and now this has been

surfaced and going to the cout an indispensable amouth of wealth will HOPEFULLY be coming my way. I only

have one dream where I can create a safe hidden comminity for all Satanist where we can learn how to FIGHT with our gods help and show those fucking parasites what a grave mistake it was to burn people alive.

Without the BS jooz government that systemically but there to steal peoples times and keep them from advancing we can do so much more and advance way faster without having to eat poisoned food

My question is with moon being powerdul today, my plan is do Jupiter Square at the hour of Jupiter

HOWEVER do more experienced people think it would be benefical to do a Sun Square since its longer and I can start the working on a Sunday.

Im a Scorpio, so by nature I love over-killing my workings do think after taking an hour of rest in between should I start both squares

the (((khazar theory))) is proven to be jewish bullshit.

The jews made that up so people wouldn't realize they are a RACE and not a religion.

(((Trump)))s family has been rich jewish merchants for at LEAST the last 300 years.

I haven't been able to find anything dating further back than his JEWISH great grandmother kober (JEWISH name)

Even HP Maxine said in her last sermon that Trump is clearly a JEW

You should start a sun square. Starting a Jupiter square on any day except a Thursday is a waste of time.

Subject: Ritual to Incite White Awareness and Action

Attachments :

You can begin this ritual at any time, preferably immediately. This ritual can be done as many times as you wish. The more the better.

13-14/November/2016, the Full Moon is in an extremely powerful aspect. This will continue for the next 2-3 days.

## Ritual to Incite White Awareness and Action

Either write or carve the following Runes:

**Óðal Sól Óss**

The Runes can be carved into wood, or written on paper. If you carve the Runes, vibrate each Rune while you are carving it.

To increase the power of the Runes, when performing this ritual for the first time, you can stain them with your blood. Given the dire situation of our race, this ritual needs all the power we can give it. If staining in blood, this should only be done one time. You should be continuously vibrating the name of the Rune when staining it.

There are different ways of vibrating the Runes. Feel free to use whatever suits you. The combinations of everyone performing the ritual will come together in power.

To repeat this ritual, just focus on your carved or written Runes and vibrate them as follows below. Your Rune board or paper should be securely stored in a safe place and only taken out when performing this ritual.

---

## THE RITUAL

Raise your energies. [See link below], and recite the following prayer:

*In The Name of Satan, we call forth the Powers of Hell, the Original, and True Gods of the White Race to come forth and manifest themselves. Satan, True God, Almighty and Ineffable, Who hast Fathered the White Aryan Race that reflects in Thine own image and likeness, we ask you to bestow your powers upon us.*

*Awaken all of our White Aryan People to the Jewish menace that works to destroy us. Incite our White Aryan People into action. Instill our White Aryan Ancestral Pride. Awaken our White Aryan Brothers and Sisters to the Menace of Christianity, Islam, and related Jewish programs so that they all may be completely and thoroughly destroyed forever.*

*Bestow the Power of Your Protection to our White Race and White Children worldwide.*

*Praise, Honor and Glory be given to You, Our True Father and to Our Original Gods!! We are Your Direct Descendants and Children!!*

The above prayer can be either recited out loud or in your mind.

Now, vibrate **Óðal, SóI, Óss**, 88 times, while focusing on your Runes. You vibrate these together, not separately. **Óðal, SóI, Óss** is one round, then **Óðal, SóI, Óss...**

When you are finished, recite the following with intent:

- All White People are now racially aware
- All White People are critically aware of the Jewish problem
- All White People are taking action to secure the existence of our White Race
- All White People are working towards a secure future for our White Children

Vibrate SATANAS

Then close the ritual by stating:

HAIL SATAN AND HIS WHITE RACE FOREVER!!

---

For those of you who are experienced, you can raise your energies doing whatever works for you.

That Khazar bullshit wasn't something I even bothered to look into. See Photo.

I'm having a hard time learning jew racial history and jew historical perversion and still disciplining myself to do what I'm suppose to do with my meditations and studies. I just want to infiltrate, destroy and exterminate all jews. I don't care that much for the details.

But, I know it's important to know in order to expose them. I'm working on my Jew Insect Race - Gentile Food Poisoning Program expose, so I'm starting to realize the significance of learning and knowing the false history produced by the joos.

Anyway it didn't take long to find scientific proof of this Khazar nonsense. See Attached PDF's. About 2-minutes, I think it was.

A little bit of blood is literally nothing compared to the amount of suffering and bloodshed our people has gone through... The question is, how serious are you for this fight? The question is, how longer do you wish to linger in this spiritual and material filth? I'd say we all raise our energies enough to shatter this matrix! For our eternal father and our people!

Most of us go through this types of hardships in our path. Sometimes we rise, sometimes we fall, some come back up and some don't come back.... What matters is the present. It's time to walk the walk, my brother/sister. Your actions determine how serious you are for freedom, so serious it drives the enemies' fear your soul, it's like them seeing a shining star in the astral. The Aryan warrior places no limits upon him/herself, the Aryan warrior looks beyond the stars.

yes thats very true, i couldn't agree more perfectly. maybe i dont always feel completely consciously aware of that, but when i use my deep thinking and thoughts i almost always find myself able to figure almost anything out provided i maintain control and stay focused.

what i want to do after the war though is hopefully have children and start a satanic clan (i know coven is the more common word but i want it to be more family focused) which i know what i will name but wont post here as precautions (going back to recent infiltrators ive

noticed here, i defiantly refuse to leave any open space for them to foil my plans/ goals), and my reason for this is to both help advance our white race as much as possible and also make certain there is no chance of the enemy's return (act as protectors to prevent anything nasty from having any time or chances to take place. i know there are RTRs for this, but im one to be take extra cautions and have so-called "reinforcrments" prepared to pulverize anything malignant. such a miraculous return is very unlikely given their helplessly desperate struggle at the present time \*what i like to call it personally\* but this is still an idea).

i know there is more than likely other actions i can take to secure our advancement and prosperity post-war, but this is something i know i should sit down and think about thoroughly whenever possible. i dont want to act carelessly or anything related. i feel strongly there are other things i can do, but it has yet to surface as of now. i admit i might be looking too far ahead here, but i like to be prepared for everything as best i can.

as of the present, i intend to continue my regular routine and just do as i taught myself: take it one day at a time. maybe im overthinking it since im looking kinda far ahead there, but i dont like to kram last minute (sorry if i spelled that wrong, speech and the related are not my best skills). kramming last minute just puts a heavy burden on people and doesn't end well for most, i know this very well having had the same problem prior to my hardcore meditation and related. i was a complete mess then by the way... then just somehow woke up and shouted with pure determination in my mind saying its time to stop fooling around and get super strong. from that day on id been meditating a LOT. as of the present, i am very certain im in somewhere of advanced phases with meditation, even though im having minor trouble pinpointing exactly where im at here.

regarding the mess id been in before i started meditating, the story is a bit long and repetitive, but to keep it short id had bad habits which only caused me more suffering and pain (i used harmful substances for recreational reasons and so forth), and i almost lost it completely before i just sat down and it hit me like lightning that

it was time to get serious and become as strong as possible. from that night on, id kept my focus on that as best i can and continue to.

and it was only recent that id awakened so to speak about what was going on during my personal struggle, who or what was responsible, and what was really going on: the enemy was trying kill me! and i know exactly why: because they knew what was coming if they failed to get rid of me. they knew theyd be powerless to do anything noticeable harmful to me if they didn't just exterminate me right then and there. its just so obvious to me now... why else would they have incited depression in me, given me frequent and horrible nightmares that had tormented the heck out of me, physically attack me through xtians and jews to cause me to break down emotionally and continue crying for 1-2 hours straight, tempt me to use harmful substances by fooling me into thinking it will resolve everything, etc? the rule of thumb is this always: the enemy targets those who are the biggest threat to them as much as possible! all i have to do to know all of that is correct is remember that simple sentence.

im eternally grateful to Father for snapping me out of it, he reached out to me while i was in that mess, even though i wasn't psychically open or aware enough then to know that i know now that it goes without question.

my current situation and inner state is the complete opposite of the above chaos the enemy had on me then, i very rarely break down at all now.... i cant remember the last time i had a desperate struggle like that or at all, but i know good and well its been several months.

and its just as i realized: the enemy had tried to drive me to death because they knew that id become too formidable and intelligent for them to have any chance against if they failed (which they did! hence im here writing this...), which is exactly the case for me now.

even enemy spirits, i can do banishing rituals daily and wipe them out of my quarters so to speak with little effort. furthermore, its easy to make me laugh so i simply watch funny youtube videos after performing the working (enemy spirits seem more active at night in my

case, but again im too powerful and given the above that i do its almost impossible for them to last long or seems that way).

as for the exact amount of time ive been actively meditating, it felt like 4 months (but i know thats wrong, again it just felt that way), but after enough time and persistence all the problems and bad habits id had before began fading and resisting the temptation to use harmful substances for pleasure has been very easy for quite some time also.

im also noticing that even while im asleep, the enemy's efforts to do me harm are almost always completely fruitless (if theyre doing it at all... i sometimes feel theyre not even trying since all they seem to muster is some random spirit being sent or unusual dreams that dont even make any sense but i know are designed to spook me. sure, my speech isnt perfect, but im no fool, i am quite skilled at seeing who/ what is behind the glass and identifying what is being done/ attempted and why. nobody can throw a pile of jewish garbage at me and deceive me and so forth, let alone get any results from it (a quick way to waste time with me, throw that and try to fool me is no different than talking to a wall. \*it gets nowhere).

its glaringly obvious they knew damn well i was going to get this strong and they made attempts to stop this from happening by putting me through misery while i was weak enough for them to get results. i was too lost and confused to know this then, but what matters most is im aware of it now.

In the hopefully not-too-distant future, I will have a sermon concerning the importance of the Blood for the Dedication ritual, and what this means for the White Aryan Race of Satan. This will be added to the Thule website when it is completed. I have so much in front of me to complete, but I will try to get it done as soon as possible. This will answer so many questions.

Subject: Re: RTRs Working...

thank you for understanding, and youre definitely right about that. i also had a rather unexpected turn of events tonight, and what im about to describe here is a bit difficult to explain perfectly but i will do my best.

im not sure how this happened, but for some reason i just went to the Black Sun homepage, not even thinking or being aware of what led me to do this since i just send from gmail or why i even did that to begin with since id already signed up, and when the page loaded the strangest thing in the world happened (sorry to exaggerate so much but everything here was completely unexpected for me): i glanced at the picture towards the top of Adolf Hitler and locked my gaze on it completely, this was all i could see as i was totally focused here. out of nowhere, some memory that was buried for i dont know how many years had just hit me right that instant--and i had suddenly remembered being close to him (what i believe was similar to a family kind of bond, not saying thats exactly what it was but very much alike). this hit me VERY hard. i did not take this lightly at all in any way, as i remember reading the truth about who he really was and that he truly did care for the people, all the unspeakably gruesome and horrible things the jews did (and continue to), and once this all hit me here i just lost it and started crying heavily. i had felt id lost a very big part of me when this happened, i was so heartbroken here that i just could not avoid crying from both sorrow and hatred at the same time; this was one thing that was just too much.

i got so deeply hurt here that i drew an astral scythe and started shouting mentally at the enemy saying "why?! why did you have to kill him?! you monsters.... you killed my brother..!" i had called him my

brother here because id remembered my bond with him and that at some point we really cared for each other, even though i dont remember the detailed specifics i still knew we were extremely close some number of years ago. i wanted to lash out at them. i wanted to shout no as loud as i could. but i knew i wasn't able to; i was too hurt here, as id felt my own brother was unjustly killed by a bunch of spineless, sick, savage maggots who are and always were beckoned by destruction and corruption for the most evil of reasons (if i said that right, but im sure most people here understand what im trying to say). nothing could be more hurtful to me than to know someone i was close to was killed

by rotten savages or forced to suicide because of their filthy deeds. i rarely cry at all: this was the first time id felt so hurt in at least a few months. usually if someone does something and/ or loses control on me i can handle it with amazing and surprising stability and control, but when i love and care for someone as i did him, thats a bit much. i remember being close to him as though he was family (even if he wasn't, im just comparing/ relating here, not being exact per say). this is obviously worse in nasty cases as with jewish crimes and filth being responsible for this loss, i know what theyre all about and its an endless list of very gross, hideous and sadistic trash as most people here probably know.

im ok now, Father helped calm me down and get myself back together, but this is not something i will ever forget for obvious reasons.

They will pay up for this and everything else they did; they will pay for their very existence!

Thus the Aryan warrior becomes something... super-natural, rising above nature but still respects nature. Shattering through the burning land of the Earth and ascending towards the heavens.

i really love your writings youve sent here... they always help me be at peace and relax... its a bliss/peaceful sort of emotion i get thats hard to describe perfectly (for me anyways).

very glad to read this after seeing this random ad in an app i was running that showed "black america". happened twice, the second time i nearly lost it; all i wanted to do was sit there and scream as loud as possible because i was unspeakably infuriated by this and its also something im obviously against as such this sparks hatred within me (this sort of thing always has ever since i entered my serpent's awakening, and it grows more powerful each day as i meditate regularly thus growing stronger). i know it might sound childish to feel the urge to sit here and scream from that, but this is one of the few things that will push to that point, especially since ive had a rather exhausting night and so forth (which doesn't help either for obvious reasons).

anyhow, i wanted to compliment you because i love your messages and they put me quite at peace, they are unspeakably beautiful regardless of length. to put something so beautifully in minimal words... thats a skill id love to have! maybe i dont, but i like seeing people who do!

To clarify, I was thinking about what you wrote a while back about blood being important in a dedication ritual.

Subject: RITUAL TO INCITE WHITE AWARENESS

This was Posted by HPS Maxine Dietrich. All White Satanists need to do it!

EVERYONE, SAVE YOUR PEOPLE FROM THE JEWISH MENACE! WE HAVE HAD ENOUGH!!!

For people who are Black there is ALSO an ongoing Ritual: Here is the link.

[http://www.angelfire.com/wizard/pixie66 ... Ritual.pdf](http://www.angelfire.com/wizard/pixie66...Ritual.pdf)

—  
You can begin this ritual at any time, preferably immediately. This ritual can be done as many times as you wish. The more the better.

13-14/November/2016, the Full Moon is in an extremely powerful aspect. This will continue for the next 2-3 days.

Ritual to Incite White Awareness and Action

Either write or carve the following Runes:

Óðal Sól Óss

The Runes can be carved into wood, or written on paper. If you carve the Runes, vibrate each Rune while you are carving it.

To increase the power of the Runes, when performing this ritual for the first time, you can stain them with your blood. Given the dire situation of our race, this ritual needs all the power we can give it. If staining in blood, this should only be done one time. You should be continuously vibrating the name of the Rune when staining it.

There are different ways of vibrating the Runes. Feel free to use whatever suits you. The combinations of everyone performing the ritual will come together in power.

To repeat this ritual, just focus on your carved or written Runes and vibrate them as follows below. Your Rune board or paper should be securely stored in a safe place and only taken out when performing this ritual.

## THE RITUAL

Raise your energies. [See link below], and recite the following prayer:

In The Name of Satan, we call forth the Powers of Hell, the Original, and True Gods of the White Race to come forth and manifest themselves. Satan, True God, Almighty and Ineffable, Who hast Fathered the White Aryan Race that reflects in Thine own image and likeness, we ask you to bestow your powers upon us.

Awaken all of our White Aryan People to the Jewish menace that works to destroy us. Incite our White Aryan People into action. Instill our White Aryan Ancestral Pride. Awaken our White Aryan Brothers and Sisters to the Menace of Christianity, Islam, and related Jewish programs so that they all may be completely and thoroughly destroyed forever.

Bestow the Power of Your Protection to our White Race and White Children worldwide.

Praise, Honor and Glory be given to You, Our True Father and to Our Original Gods!! We are Your Direct Descendants and Children!!

—

The above prayer can be either recited out loud or in your mind.

Now, vibrate Óðal, Sól, Óss, 88 times, while focusing on your Runes. You vibrate these together, not separately. Óðal, Sól, Óss is one round, then Óðal, Sól, Óss...

When you are finished, recite the following with intent:

All White People are now racially aware

All White People are critically aware of the Jewish problem

All White People are taking action to secure the existence of our White Race

All White People are working towards a secure future for our White Children

Vibrate SATANAS

Then close the ritual by stating:

HAIL SATAN AND HIS WHITE RACE FOREVER!!

For those of you who are experienced, you can raise your energies doing whatever works for you.

I also want to add here, I highly recommend this book:  
LAabyrinth by Randall Sullivan.

<https://www.amazon.com/LAabyrinth-Detective-Investigates-Notorious-Implication/dp/080213971X>

If you decide to purchase it, don't just read a few pages. Read ALL of it! Too many White people out there have their heads up their asses, especially the middle and upper classes.

Lilith brought me to that book in a used book store. She insisted I read it right away, which I did.

Also, there is a movie "Straight Out of Compton" which compliments the book, both are nonfiction and factual.

In order to really understand the movie, I strongly encourage you to read the book first. Then the movie makes a lot more sense. Both highly educational.

Also, another movie to watch, though fiction is Menace II Society. Though fiction, it is factual as to what is happening to America.

Don't be lazy. Read the book and then watch the movie. WAKE UP!!

Truth be known, the Jews are behind ALL of this, as they control the law enforcement, the legal and court systems and work relentlessly to push crime, encourage injustice and everything and anything else to destroy White civilization.

Race mixing is an abomination!

Ashley the ritual was begun before the moon went void. Because it was already begun, we can all continue it, regardless of the moon sign

yes, i too cannot stress enough on that. never do any rituals or forms of magic during a void of course moon! this can spoil the entire thing no matter what the working (and inevitably will cause it to fail as such). the reason for this is explained main site, but im kind enough that i will write it here for you in my own words. :D

the golden rule so to speak during a void of course moon (note: i may write VoC as a short to save time as best i can) is this: anything begun or started at that time is prevented from being completed. even something brutal or large scale like homicides or other crimes that

are committed at this time are rarely solved or brought to justice. this may be why there were past killings and people who were not involved with the crime in any way were falsely convicted and imprisoned (or for simpler terms, falsely punished). only decades later, these people are found innocent and finally released, but as you can see the real criminal is still undiscovered/ undetected entirely. things even as serious and large scale as the above have more than a possibility to go wrong, others are go completely unresolved.

the same rule applies with everything else: anything started at this time is prevented from being completed, or goes completely wrong otherwise.

this is a time to get away with things, which is the more positive aspect here with certain things, but do not do any spells or rituals during a VoC moon, you will be wasting your time and energies.

i also want to thank HPS maxine for writing an article on the main site regarding this, i feel its right to give her credit for my ability to explain this. if i hadn't read that, i wouldn't have been able to write this, so courtesy of her here also.

hmm... alright, i had guessed it was an accident.. anyhow,

i too am highly aware of what you described regarding blacks blaming us whites for crimes and all kinds of bad things (which i am well aware is actually caused by jewish witchcraft/ curses, the jews create these problems in the first place). i have a rather strong feeling they do this along with race mixing (which im very strictly against) to drive us to extinction, possibly along with blacks here but im still a bit foggy there as to whether they use that so called weapon against blacks since im strictly focused on our race's end and all i remember observing concerning this is black-oriented groups ranting in the news about that rotten "group" titled "black lives matter" which had enraged me since i happened to see them rambling hatred at us and with false and unspeakably rude "speech". i was already very suspicious about that group from the get-go, even though i wasnt consciously aware enough at the time to know exactly why. what has me furious here, is they get to go on and on all they like, say what they like, yet they go unpenalized for any of it. im not sure if this sort of thing is linked to past so called "hate crimes", but i feel its very possible given the fact jews are and have been working to exterminate us (most likely in every way they possibly can). damn maggots.

This is a group ritual and the energies were put in motion before the moon went void. You can participate in the ritual even if the moon is void.

Subject: The "White and Black" Jewish Rulership (Very Important)

The "White and Black" Jewish Rulership

<https://josministries.prophpb.com/topic17173.html>

This is the part two that was promised on the other post in regards to "What America Can Expect in Day Two".

<https://josministries.prophbb.com/topic17156.html>

This is IMPERATIVE that this is taken seriously.

Those who don't get this can join the parties of the New Emperor, in the Alt-Right (New-Left) Headquarters, and have some tea or a session of backside massage with Milo Yiannopoulos, thinking the jews are now (not) defeated. Milo Will Tell you about on the Unicorn Ride™ Over the New Great Wall of USA! The Change We can believe In is Here! Unicorn Rides for Everyone! Trump has promised every American will get a Flying Unicorn to fly over the Great Wall of USA! "Believe it!". It also has a warranty, AND a security agreement!

If you fall don't worry, Obama Care will be here to save you and compensate for the damages. Also, make sure not to fall into Muslim Jihad Territory, because apparently, the Muslim 'hate-talk' just disappeared from Trump's webpage. Well you know accidents happen...

Seriously now...

For those who want some harder facts and want to be awake...This topic will deal with the real reason as to how the jews rule and consolidate power, and what has saved them for CENTURIES on the political level and everywhere else. Those who cannot get it through their thick skull, rest reassured, are going to get humanity down the drain.

Scoring Victories for Satan and the Gods, same as our Freedoms, means the setback of the Jewish World Order. Rest reassured, we are nowhere close to finally or completely dealing with the program. As the accursed and damned psychopath named "Cohen" who died recently (Satan bless), said in one in his songs of bragging in front of the face of the Goyim, "First We take Manhattan, Then We take Berlin". Cohen here talks openly about the plans of jewish world

domination, and his chosenism, while adding some random excrement and tears about a jewess with a scat fetish, most probably. Not long ago another member of the tribe openly came out to say they are a "god" amongst the Goyim as well. His name is gregory swartz or george Soros. The "God" of immigration, wiping out whites, destroying massively the west and the list goes. A rabbi yahushua/jesus he is indeed!

As to get to the point, which is very serious now.

The Satanic Revolution is becoming more powerful. This does not come for free, and we get extreme damage done both ways. As everyone of you here, knows, this world is like a ship that both our forces and the forces of the enemy excrement are trying to turn into different directions. Satan and the Gods, same as us who have been building the spiritual foundation of what is to come, know that at least the ship is turning more into our direction, slowly but gradually. The attacks and strikes are consistent of both sides. The enemy of course, has for thousands of years, massacred, destroyed and annihilated extremely much. Do NOT have the memory of a jellyfish, as this is the first and most major problem. When this memory of a jellyfish is abolished (this ties into knowledge of one's root and identity) the enemy's attempts are really undermined a lot.

As everything will be turning over to our side, the enemy, as all of you here know, and as its written in their Torah, will start the begging, the tears, the excuses, the extreme shilling, and will also provide even SERVICE to us. After thousands of years time of trying to exterminate us to the last woman and child, they will suddenly play it was all just a game, and that everything is OK now.

Jew-talk will be like this:

"We are friends Goyim you can trust me! I just wanted to pretend to want to kill your children to make you more protective of them, 'hehe', as you can see, it was g-d's plan! Would never do it my Goyim friend! I am also innocent, it was done under g-d's will of which i was just a victim of!", said Rabbi Shlomo to the guard, on the train to the losing Israel. "Please just let us in your countries and states, you know I have done a lot of charity when I was young! I have been honest all my years! The Torah was written by evil jews! Yesh yesh those of the Synagogue of the Iblis! Because as all of us here in Europe know Satan is not a bad guy and Satyan means Truth Eternal now! Well what a dupe this Synagogue of the evil have done! Not one of them am I! What an evil thing this synagogue of evils have done! I myself have never believed it to be true! I was fooled into working 70 years or more against Satan! Oy vey! I will give you 6.000.000\$ so you can forgive me! Will Satan accept 6 million or should I give more? I can give like 600.000.000!

Always liked Satan \*jew almost chokes while saying the name\*, very nice guy eventhough I fought to exterminate him for all my life, hehe! Well Whites have

also been my real friends! I had one White friend once, didn't kill him at all! Fuck g-d indeed my Gentile friends, praise the other one! I can help you defeat them Zionists! Its the Zionsits not me! I am victimized by everyone in the universe including g-d himself! Well ok I used to be friends with Zionists and killed a dozen Gentile Children on Yom Kippur, and infact I liked it \*laugh escapes rabbi's mouth\* but you know my friend I repented later! IT was g-d's plan so that I would learn, bleeding is my innocence!", Rabbi Shlomo continued... "Please leave us around somewhere to lick your toilets with our tongue, our natural scat-lovingness is to your benefit! We can co-exist together. Did you read the Washington Post lately, it gave all of you much praise hehe! We are friends now, tell that to Mr beloved \*jew chokes\* Antichrist! 'hehe'"-. The story of Rabbi Shlomo in 2024 or something.

So long they are kept around, and some slime down some dark alley, or some pathetic xian nut reads the bible like a crazy nut at night, know the enemy is just TIME away from consolidating and gaining power again.

As it all started with a SMALL HOLE named christianity at some point, so will it begin all over again, and the jews if left spiritually un-destroyed, will reconsolidate power. The same thing happens now that they have been feeling the heat. They still feel powerful enough to wage open war, which they definitely are in some ways. However, as they will drop into the abyss of powerlessness, they will really do ANYTHING to just stay "in our midst" somewhere. Expect everything. AS the Torah says openly, they will even come begging to join into Paganism or elsewhere.

They wish it would be possible, but the Gods know this race of blapshemous rats and the Gods do NOT forget. In the Torah, the jews join Paganism (Start falsely worshipping Baal our Beelzebub) to fool the followers of the Pagan Gods, and after they grow powerful enough from practicing aside with their enemies (Gentiles), they stab them in the back and re-organize to destroy them again. All of these, according to the Torah, were killed by the jewish King in the same day. The jews lived happily ever after.

How did the Vikings go down? Well they managed to accept a small Rabbi to live amongst their Godhead. Its name was "Jesus". Some shills told them that if they worship it, nothing bad will happen. One century later, the Vikings who ruled the seas and worlds, went extinct. Little Rabbi Jesus ascended over all other Gods, and of course, destroyed their inheritence. On top of the chapels and worship places of the Vikings, the small and harmless jewsus created its temples, and of course, the children of the Vikings were taken captive by the jewish church that slowly turned them into Christendoomers, who destroyed the rest of their race, culture and temple. I have now summed up the story overall.

This is why xianity messacred Whites, jews became the court and then the political leaders, and now we are under the threat of grave extinction. The same thing happened in all White cultures. IT was just a little, harmless, nice jew, named Jesus. What's so bad about letting him in our culture? Are you xenophobic or what? Let some cancer get in your body! IT will be harmless!

To check nowadays though, these ancient methods are always and forever the same, unchanging, and they apply in the present conditions more than ever...

Where history is now, we will have ONE chance. With the technology and everything else that exists, things are moving to where the head of the spear will be touched so to say. Whomever will use the spear wrong (Like the jews have done by opening up about their extermination agenda for us Gentiles) they will be destroyed. The jews have already done this.

Now to continue from the other post in regards to America and elsewhere, you will see where I am going with this.

The Jews have two types of 'branches' in their secret societies and anything else. One branch is the "Dark" branch. Here we have the hated henchmen like Soros, and anything else morbidly imaginable like Merkel, and all these criminals who are in open sight and go straight forward to destroy the world, states, communities, economies and everything else. These are the 'evil' ones who do the work straight up, without asking. Normally, this is the beautiful scenario where the jews have extremely consolidated power (Like they did in the last 30 years) and have total/unrivaled dominance everywhere. This is the "all systems go" of the jewish system. This is what has been active as of late.

Then we have the thing that we will be facing soon, and EVERYONE has to be aware. 90% of the retarded population always buys the trick, and as such the jews have been ruling for thousands of years as a result. We have the "White" branch. When shit is about to hit the fan for the jews, or when jews are trying to pull (or after they pull) extreme operations against the Goyim, that would cause revolts (Like now), the "White Branch" slaves of their (Such as Trump) are passed down to the populace as saviors etc. What ultimately is done is that the "White Branch" is always the plan B, and from this have come the largest misfortunes, and freedoms for the masses. Unable to restore and go back to the 'beautiful' flawless ages, the jews go a bit 'positive' on the masses, while maintaining total power and are still in control, to regenerate forces and go again full throttle to destroy them.

This has been active for tens of years after the defeat of Hitler and the National Socialists. (((Free money))) everywhere, (((funny life))), mainly nice things everywhere, jobs, very small unemployment, and everything else. This is also a very dangerous step of the jews as most of the accidents that revealed them and destroyed them have happened under those "White Branches" of theirs. "Misfortunes" such as the internet, freedom of speech, end of slavery, freedom of information, the list goes endless.

This is MORE DANGEROUS than the "Dark branch", because this is where 90% of the masses fall to sleep again, thinking they have won, or at least, that things turned better. This is however NEVER the case. When their sleep has climaxed, the enemy pulls again the dark branch, to destroy them completely and in their sleep. This is what happened recently with the merciless immigrant crisis, mass unemployment, and anything else. These are tricks and top level shilling of the jews to stay in power.

Here is the make it or break it point in a civilization: IF PEOPLE AGAIN ACCEPT JEWRY, THEY REMAIN SLAVES! What they have won is nothing but a few petty years, and mind you, with the new means and the power the jews will re-grasp, the suffering of the masses will be TENFOLD than if they had rejected the jewish offer.

Look what happened at the older generations who took the jewish bait and were victimized by jews. While half of them fought for freedoms and were civilization creators, all of them were rallied by the same 'invisible hand' into just re-creating a better Goyim Farm program for all people.

They are still the jewish system incarnate, christendooming idiots, civilization wreckers, who had a bit of money and the lowlife as their one and only morality. After the fall of Hitler, the jews went "White Branch" completely on the populace, as the jews were afraid of a resparking of National Socialism, and their revelation as the aggressors and murderers of a race they are.

So what they did is overfeed the masses to no end, while of course bringing them under the condition that Hitler and Satan hate will become the Norm. "Hate Satan, Hitler, And avoid anti-jewish religions, thoughts and spiritual pursuits and everything will be fine Goy! We promise!", was the line. SO the majority followed. Until one day, the jews again pulled the dagger on Humanity out of nowhere. Oy vey! But we had made a contract, with the jews haven't we?

So long you (((fitted in))), you could go somewhere, had promised the jews. So slowly their victimized generations started seeing the facts for what they were... And were later swindled into a life of suffering, debt, and moral and mental defilation by the jews, because with jews you lose.

A striking majority of these 'well-fed-ings', are the generation of the fun-pills only to make life more intresting (since it was the life of slaves anyway), the people who were so bored as to stone themselves out of existence, their greatest aim how to own the best car in the neighborhood, or just pacify themselves to death by being a commie-hippie, and those who pray to jewsus to find the keys to their car and if they find it, they consider it a divine miracle from heaven and the whole jewish angelic host alike. "Heaven conspired"! Jews told them Jesus can save you and find your keys for you, now please buy him as your lord and savior!

From the sleeping and deceived half of this generation emerged the cuck leftist generation, many asleep shabbos, and of course all these generations have had an extremely hard time acting against the jews and their beloved Rabbi "Christ" who after all think has fed them bread. Generations who instead of life just want to live in virtual reality with Rabbi Christ, and that are so rootless that the jews have literally thought they could pull the plug to humanity and make the "Great March to Communism". Now the jews carried these elections to get the "Big Yes, Communize us! Fuck us up! Fill us with the 3rd World!", and as the jews celebrated in their mega-win over the USA...Here the Gentiles come again with resistance...

HERE SATAN RAISES HIS HEAD AGAIN...

Thankfully, Shabbos Trump was under them, so they are not done or anything yet. People are waking up, and another intellectual "Shoah" is being committed. Now that the West is being dragged to destruction, vomiting of the jewish crap is necessary, and adhering to the real ancient Gentile values, not jewish ones. Those who cannot choke and vomit the jewish propaganda, will just follow their fate chosen for them. Because with jews, you lose. On whatever conditions, you will just lose.

This seems to be the card the jews are going to pull now, albeit slowly, and only for illusionary purposes. In plain slang, their carrots will be rotten and digital now, non-existent. Just smoke and mirrors in the media to seclude that really Trump Dump didn't really do anything. This is because they have been losing so they have to waste the time of the populace, or so they think, with parlor tricks. The populace and general masses are educated, and ENRAGED.

While they planned economic collapse almost two years ago, now they keep the economy alive, afraid of revolts from the people. Trump has been a controlled by the jews, but major loss for the jews, losing spree. The jews have got a clear message that the majority of the people haven't become the cucks they wanted them to be, and as thus, they will be faced with extreme resistance that may go out of control. There is still resistance the jews cannot break straight up, so they decided to 'control it' to just wear it down.

The jews are running out of time, and all this is thanks to our Rituals. With our Rituals we can exploit the benefits they may try to confer above the masses now, and by exploiting the transition of this 'black to white' thing, we can destroy them even more.

THIS MUST STAY IN YOUR MIND FOREVER - Tolerating them, leaving them around to even lick your shoes or serve you, will mean your DEATH. Societies,

countries and civilizations need to AIM HIGHER than the jews, and finally leave them hanging in the abyssal levels of excrement they were born to dwell. While Hitler could have sold out, he didn't, and he achieved paradise on Earth. Hitler did not settle down to be Vice chancellor, kiss jewish ass for (((benefits))) and become another Shabbos Goyim leader- he went for the maximum and the full of his National Socialist, jew-less revolution, and won all of it. Hitler was TRUE to his principles.

What can people expect to see now for at least a year, is an in-between hanging between good and evil from the jews. ACCEPT NO EVIL AND NO GOOD FROM THE JEWS, AS BOTH ARE THE SAME COIN THAT WILL DESTROY YOU AND WITH WHICH THEY WILL INDEBT YOU FOREVER.- PERIOD.

This is the simple, carrot and whip. When the whip fails, jews retreat back to the carrot. Sometimes they use both. We are going through the phase they use both. Only with jews, the carrot is ROTTEN, DISEASED and will KILL YOU. You die from both the whip or the carrot.

Now that Trump got elected, the jews are trying to cause civil war, the Jew world order is divided as to how to act, and everything is heard, from the Russia-USA friendship, to the illusion that the things will turn better, and the list goes. We are not dumb masses, or dumb slaves. We know what's up, and we know we are the moving catalyst and why they act that way. It's not like those who want to EXTERMINATE all of us, suddenly became 'good' and gave in. It's just they cannot accomplish their goals. With that being stated, after they pull extreme attacks akin to those of a last stand, then will follow extreme shilling, and the more victories we score, they will even turn to begging. To the jew all of this is the same- even begging or asking for mercy is not real, but a last gamble to get power over their slaves. Only to backstab them again and destroy them.

In closing, NO DUST IN YOUR VISION, NO RECONCILIATION, AND AS HILTER STATED "NO CAPITULATION"! HUMANITY HAS SUFFERED ENOUGH AND WE DON'T HAVE THE TIME OR THE FUTURE SPACE FOR HUMANITY TO SUFFER EVEN MORE! TOO MANY PEOPLE HAVE DIED, TOO MANY SOULS HAVE BEEN LOST FOREVER, SO MANY CULTURES, STATES AND CIVILIZATIONS HAVE SUNK, SO MANY HAVE WENT EXTINCT!

NO MORE JEWISH WARS, NO MORE JEWISH INFLUENCE, NO MORE JEWISH LIFE, NO MORE JEWISH "GOOD" OR JEWISH "EVIL"! NO MORE JEWISH CARROT, NO MORE JEWISH WHIPS AND CARROTS!

GENTILES MUST CLAIM THEIR DESTINY AT LONG LAST!

We are Satanists, children of SATYAN (Truth Eternal). We can see, where others don't. We can act, where others cannot. We have been changing, what others never would or could. We must stay focused on the real points, and not be lost in the details or jewish parlor tricks.

OTHERS CAN BOW, BUT SATANISTS MUST NEVER SETTLE DOWN OR BOW! EVERYTHING OR NOTHING, FOR LESS THAN EVERYTHING \*IS\* NOTHING!

im pretty sure everyone here knows the jews take who knows how many routes they can in order to make sure they are successful in wiping us out (and probably non-whites also, but i haven't looked that part of this as im solely focused on our end of the struggle so to speak). however, i thought i might write about and explain what they work to keep "hidden" so to speak to keep us from awakening, thus granting them even more open space for their filthy work.

i know very well the list is practically endless regarding everything they do to dilude, confuse, and keep people weak as much as possible, but what im specifically going to write here is what ive observed personally and come to a conclusion on so to speak. anyhow...

now, the most glaringly obvious thing they use against us is what is often called blame shifting. this has caused all kinds of bad things and the list of scenarios/ court cases where the jews used blacks (probably other non-whites too, but it seems more common with blacks) as puppets/ manipulated them in order to confuse them and also ascertain that the one being fooled is deceived into thinking the person in question is white (a tactic used to make it extremely difficult to near impossible for them to differentiate a white person from a jew, its very evident this problem is very serious as the

average person is not racially or psychically aware to identify the difference efficiently, hence why this nasty tactic has worked for the jews for so many years). this is used to bring about the necessary confusion the jews need in order to rage a race war against even more brutally (as though they dont do enough already... this is as callous as you get...).

the above (i feel strongly) is used to drive us to extinction, possibly may be the same for blacks but again im focused on our situation; so i dont know. but anyhow, i will explain another tactic ive personally observed and give my best at that.

we all know race mixing isnt much (or any) better than the jews using direct confuse/ delude tactics as described above, but there are still obvious reasons and notable details to be aware of that could even make this rotten invention just as bad as jewish-enforced confusion and everything its capable of (this list is also long, but anyways..). there are many reasons that this is also a threat to our precious existence, but i will try to keep it short as possible while still doing this right here (its late, im super tired and didn't get my nap today so im trying my best here. im still writing though because i dont want to wake up and forget what i wanted to write here).

as many of you more than likely know, love is one of the strongest of human emotions. with the endless curses the enemy works to keep on the serpent, this again leaves open space for someone to be totally unaware of whats really going on and a lot of other things. love being the strong emotion it is, people all over the place being deceived by jewish invention programs... this again deludes people which grants the enemy even more room to wipe out all valuable life and ultimately (what i feel) to wipe us out. another notable weapon the jews use to encourage race mixing is their false teachings that give lost/ confused people racial hangups (this is worse for some than others, i too had that growing up in a xtian family and it took me several months to even become aware of it... you can thank them for that. this weakened in me more and more as i awakened through meditation and my work here is finally paying off) which further encourage this among the masses. i believe the hangups are a more threatening barrier here,

but like many other things that may vary from person to person. both these combined though, this can be very messy for some in more severe cases.

the next thing that im highly aware of is critically insane muslims who "kill in the name of Jashin" (Japanese equivalent for evil god, a label i give that rotten Jesus Krisst and Jehova... going back to the horrible living/ blood sacrifices the jews do and advocate calling their nazarene that is very synonymous as far as im concerned). that exact wording isnt common around here, but the difference is very minimal here by terminology (i live in the US so im not surprised here). these homicidal maniacs are by far 100 times worse than what i described above for obvious reasons. they "masquerade" and claim what they did was "meant to be", "god's will", etc... im pretty sure all of us get the idea here. to say they are 100 times worse than whats above is not even close overstating it; my own personal observations, muslims are by far the most rotten of the enemy's maggots. from me personally, its clear they dont hesitate to kill relentlessly and then say "it was god's will" (or anything related) which we all know is the dumbest excuse (and quite possibly the oldest) in the book as id say it... there is clearly no such thing as a excuse for killing 80+ innocent people and injuring 200+. thats the bottom line and thats just it. its obvious enough: what could possibly be even close to a valid excuse for such a heinous act? especially given the rotten reasons there are behind these crimes!

put this altogether like one full jigsaw puzzle, and you know what brutality we are truly facing. yes, what i wrote there isnt every little detail, but im quite certain its enough to get the led out so to speak.

there was a time i once said "The Jews are trying to eat the entire Earth". im pretty sure most of you know i wasnt speaking literally there. for those who are new or confused by what i mean when i say that, im referring to the entire vortex of jewish curses, filth, false teachings and everything related that they use to enslave humanity and make sure nobody gains any noticeable amount of power and everyone has to be a victim and take abuse without being able to do anything about

it. their goal is very obvious here: world domination (if i said that right, but im sure people understand what im getting at here).

there was something else i wanted to write but im too sleepy to think about it so i apologize for that

If you decide to purchase it, don't just read a few pages. Read ALL of it! Too many White people out there have their heads up their asses, especially the middle and upper classes.

Lilith brought me to that book in a used book store. She insisted I read it right away, which I did.

Also, there is a movie "Straight Out of Compton" which compliments the book, both are nonfiction and factual.

In order to really understand the movie, I strongly encourage you to read the book first. Then the movie makes a lot more sense. Both highly educational.

Also, another movie to watch, though fiction is Menace II Society. Though fiction, it is factual as to what is happening to America.

Don't be lazy. Read the book and then watch the movie. WAKE UP!!

Truth be known, the Jews are behind ALL of this, as they control the law enforcement, the legal and court systems and work relentlessly to push crime, encourage injustice and everything and anything else to destroy White civilization.

Race mixing is an abomination!

Oh, my apologies then. I didn't think you could do any rituals during VoC moon even if they were started before the void moon... I thought doing any rituals / spells during a void moon was useless even if the working was started prior to the void of course... Does the same apply with everything else related to magic? Im a little embarrassed not knowing that until now... My apologies for that...

Many void moons last for over a full day, you can't quit a working just because the moon is void.

Also, a tip that I've mentioned before in the main groups: the void moon tends to give us more privacy and less distractions. It is easier to do meditations and Rtrs when the moon is void as there will be less distractions. This isn't 100%, but it is noticeably different.

Okay I will do it now in that case. Another thing everyone should do is repeat the ritual when the Moon enters Cancer in a few days. Cancer is the sign of family, tribe, race, kinship etc.

yeah, thats very true... im quite aware that they can last an entire day (especially in recent days/ weeks lately), but didn't think any workings were still valid during that time (that theyd work even if begun prior to the void)... thank you for clearing that up, though.

Yeah, I am sure we walk about this ritual from years to come... Though it is never too late to squeeze every inch of energy, time and opportunity for this desperate situation. No wonder that the battle gets stronger with the Spear of Lugh.

i couldn't agree more. thats exactly what has driven me through all my spiritual endeavors: the will to never give up. i dont give up until my enemy does; i dont accept defeat, i aim for victory. there were times even after id been actively meditating where i got a little sad/down, yet i still had enough will and desire in me to keep going: because of the will to never give up.

ive learned its very important to set aside my fears, and proceed fearlessly regardless of how bleak the situation is with full force. i cant stress enough how important this skill really is, especially given the nasty situation we are in and working to get out of with as much force as we possibly can. the same is just as crucial regarding advanced meditation: force your fears aside and proceed with full

force (going back to side effects that often come with this). this comes easier for some than others, but regardless of how difficult it is whats most important is you do the best you can.

But regardless of how bleak or nasty the situation gets, just remember what ive chosen to call my Aryan way: never give up! give it all youve got, and give those jewish scum a taste of their own medicine!

Jew York Times Forced To Admit Fraudulent Reporting

The fact the Jews are having to openly come out and admit this is because the Trump election with the wiki leaks together have proven to the entire population the Jewish media is a propaganda, lie machine for their Jewish, globalist agenda and nothing else.

The Jewish globalist Media Empire which control's 96% of the global media is on the ropes due to our Reverse Torah Rituals. The way things have turned have caused their ratings to drop into the dirt. Just as Kennedy was the first President elected by the Television. Trump was the first President elected by the online media the internet. The Mainstream Jewish Media is finished all the information is online and with this massive exposure with the Fraudulent coverage of the election campaign it just sped things up.

Keep doing the Reverse Torah Ritual's for the Communications and the Media daily. The entire Jewish media is on the ropes and falling fast we need to keep

this up on them. When they lose control of information they lose control. The Jews have used this power to ruin our nations and start wars. When they lose it, they lose.

<http://truthfeed.com/breaking-the-failing-new-york-times-issues-an-apology-to-its-readers-for-biased-reporting/35225/>

The New York Times, along with the rest of the North Korea-style propaganda media, made a mockery of journalism by shamelessly shilling for Hillary Clinton. Now that she has lost, the media is terrified that they're doomed (they are) and are issuing apologies for their "biased reporting."

-----  
<http://www.politifact.com/truth-o-meter/statements/2016/nov/15/donald-trump/donald-trump-says-new-york-times-apologized-bad-co/>

Trump spokesman Steven Cheung said Trump was referring to the fact that the letter includes an admission that the New York Times underestimated Trump's chances. The letter said the outcome was "unexpected" and posed the rhetorical question: "Did Donald Trump's sheer unconventionality lead us and other news outlets to underestimate his support among American voters?"

At times during the election, the New York Times presidential poll forecast predicted Hillary Clinton had more than a 90 percent chance of winning the election, and that turned out to be incorrect.

"Doesn't that speak volumes about the coverage?" Cheung said of the inaccurate predictions at the New York Times and elsewhere. "It wasn't just a disservice to President-elect Trump, but it's also a disservice to the voters looking for reliable coverage — which they obviously didn't get during the election."

Reverse Torah Ritual Schedule [16 to 21 Nov]

Greetings to all our People and Satanic Comrades.

This is the New Schedule we are going to follow and apply.

These five days we will focus on the media, fending off attacks, while also empowering ourselves as a group. Then we will go on full assault mode again. This is as necessary as is the full assault mode.

The enemy is really down especially on the media. We have destroyed them a big deal. We need to keep destroying them, as information is power. Due to our Rituals the jewtrix of the news and the (((Information))) and (((Communications))) have been falling apart. We need to keep up this RTR.

The Curse Israel is self-relevant.

The Serpent Rituals funnel intense power in the workings and are also good at the Soul, as the enemy has done their best to keep this creative force of humanity down so they go unthreatened. As thus these secondary Rituals are good to 'fuel' us again with the necessary power, while renewing the removed curses of the jews.

After this short 5 day schedule, we will go full assault mode with the other Rituals, whose power will be very big due to this preparation and renewal of removing Serpent bindings etc. Not only this, but the enemy will have everything they try to pull up, go straight onto them. This is to generally refresh our energies, backfire their nasty curses, as a group and spark them even stronger.

Below will be the Rituals.

We are doing this on the line of this schedule, with a different addition:

<http://josministries.prophpbbs.com/topic16880.html>

Priority 1 Ritual for the dates of this schedule we are doing is going to be the Curse Israel RTR. This should help those who feel aggravated and have much on their tail so to say, to fend off the attacks they may have been receiving:

<http://www.angelfire.com/wizard/pixie66...Ritual.htm>

Priority 2 Ritual will be the Communications RTR:

[http://dawn666blacksun.angelfire.com/11\\_9\\_Ritual.htm](http://dawn666blacksun.angelfire.com/11_9_Ritual.htm)

Now, after these Rituals that are prioritized are done, we can go for either of these three, in that order:

Secondary Ritual 1: Reverse Torah Ritual: Serpent Empowerment for Gentiles

<http://josgreece.angelfire.com/E712.html>

Secondary Ritual 2: Reverse Torah Ritual: Removing the Obstacles That Prevent the Serpent from Ascending

## The internet Inquisition Part 2

This is a continuation on a previous post

<http://josministries.prophpbb.com/post85456.html>

The corporations are already hunting down ISPs (Internet Service Providers) and are accusing them to being accomplices in piracy. In layman's terms, the ISPs want to protect the privacy of their clients (as any respectful business should do) and refuse to give data to the corporations in order to identify the internet usage (what you're doing on the internet) and identify the pirates.

The corporations then take a stance against the ISPs "if you're not with me, you're against me" and file a lawsuit against the ISPs, trying to bully them to comply with unlawful inquiries.

"An Internet service provider does not infringe copyrights merely by providing households access to the Internet," the CCIA and CTA write.

"Yet the district court allowed such a case to go to the jury, and asked the jury only whether Cox 'materially contributed' to infringement in any of the millions of households to which Cox offered Internet access," they add.

SEE?! The jewish corporations are bending everything in their power to slaughter anyone that provides access to the internet with privacy. This isn't about alleged pirates, but about the rest of us that are mixed in all this.

"The decision [...] forces ISPs like Cox and USTelecom's member companies to restrict consumers' access to the internet based on nothing more than unproven allegations of copyright infringement in the form of invalid DMCA notices.

"It upsets the careful balance of the interests of copyright holders, internet users, and ISPs that Congress struck in the DMCA," the Telco association adds

RESTRICT CONSUMERS' ACCESS TO THE INTERNET  
ON FALSE CLAIMS!!!

We have to be aware of this and fight in all levels.

First contact your state representatives and do something about it on the physical level. Put some pressure on this level.

Next and most important one, we have keep doing the RTRs.  
Freeing communications is gonna help a lot with the internet!

## Widespread Protest Against Dangerous "Repeat Infringer" Piracy Verdict

By Ernesto on November 15, 2016

A broad range of industry associations, academic institutions, libraries and digital rights groups have submitted their opinions on the landmark piracy case between Cox Communications and BMG. They all warn the court that the district court's decision to hold the ISP available for pirating subscribers can have disastrous implications.

pirate-runningLast December a Virginia federal jury ruled that Internet provider Cox Communications was responsible for the copyright infringements of its subscribers.

The ISP was found guilty of willful contributory copyright infringement and ordered to pay music publisher BMG Rights

Management \$25 million in damages.

Last week Cox filed its appeal arguing that the district court made several errors that may ultimately restrict the public's access to Internet services.

This week it became apparent that the Internet provider is not alone in this assessment. Today, several industry associations, academic institutions, libraries and digital rights groups submitted amicus briefs to the court of appeals, voicing their concerns.

The submissions total roughly 200 pages, and the overall theme is that if the current verdict stands, many Internet providers and services will unjustly face similar liability claims based on an incorrect interpretation of the law.

The CCIA, which represents global tech firms including Google, Facebook, and Microsoft, submitted a brief together with the Consumer Technology Association (CTA). According to both groups, the district court ignored Supreme Court rulings which limit contributory infringement for service providers.

"An Internet service provider does not infringe copyrights merely by providing households access to the Internet," the CCIA and CTA write (pdf).

"Yet the district court allowed such a case to go to the jury, and asked the jury only whether Cox 'materially contributed' to infringement in any of the millions of households to which Cox offered Internet access," they add.

As expected, several stakeholders from the telco industries have also chimed in to support Cox's appeal.

The U.S. Telecom Association, for example, urges the appeals court to reverse the verdict as it would require other ISPs to disconnect subscribers based on one-sided piracy accusations.

"The decision [...] forces ISPs like Cox and USTelecom's member companies to restrict consumers' access to the internet based on nothing more than unproven allegations of copyright infringement in the form of invalid DMCA notices.

"It upsets the careful balance of the interests of copyright holders, internet users, and ISPs that Congress struck in the DMCA," the Telco association adds (pdf).

Similar arguments were submitted in separate briefs by the American Cable Association and the Internet Commerce Coalition, with the latter highlighting the dubious nature of the millions of standardized copyright infringement claims some copyright holders send.

"If the decision [...] is not reversed, conduit ISPs, when they receive unverified, machine-generated infringement claims from

profit-seeking agents of copyright holders, will be strongly incentivized to cut off vital Internet service to users, rather than face costly damages suits.

"This is not the system Congress intended when it enacted the DMCA, and it should not be one imposed through a misinterpretation of Congress's plain words," the Internet Commerce Coalition adds (pdf).

The Amicus Briefs submitted today

coxsupp

In their submissions, digital rights groups the Electronic Frontier Foundation (EFF) and Public Knowledge highlight the risk the verdict poses for Internet users at large.

"Just as a tenant's water should not ordinarily be cut off when a landlord alleges nonpayment of rent, a subscriber's connection to the Internet should not be terminated in response to alleged copyright infringement except in the most extenuating circumstances," the groups note (pdf).

The district court's interpretation of ISP obligations under the DMCA was too strict, they argue, and should be reversed. Not doing so could ultimately violate the fundamental right of people to have Internet access.

"Termination impedes the subscriber's ability to exercise one of our most cherished liberties, the right of free expression. And termination potentially imposes those far-reaching effects on an entire household sharing the subscriber's Internet connection."

Finally, there is a detailed brief from several academic groups and institutions, including several library organizations. The American Council on Education and the American Library Association, among others, fear that educational access to the Internet may become restricted if the verdict stands.

"It could force educational institutions to restrict student access to the Internet unreasonably. Similarly, it could require libraries to limit broadband availability to people who have no other way of accessing information they need," they write (pdf).

"The DMCA does not mandate a uniform repeat infringer policy, and such uniformity would conflict with the flexibility afforded under the Higher Education Opportunity Act," the groups add.

The barrage of submissions clearly shows the importance of this case, and it's likely that many more will follow. It is now up to the appeals court to decide if and how these opinions should be factored in.

With the stakes being this high, it would be no surprise if this case went all the way up to the Supreme Court, to clearly define

ISPs' obligations when it comes to processing DMCA notices and dealing with repeat infringers.

Interestingly, no amicus briefs have been submitted in support of copyright holder BMG thus far.

ive learned its very important to set aside my fears, and proceed fearlessly regardless of how bleak the situation is with full force. i cant stress enough how important this skill really is, especially given the nasty situation we are in and working to get out of with as much force as we possibly can. the same is just as crucial regarding advanced meditation: force your fears aside and proceed with full force (going back to side effects that often come with this). this comes easier for some than others, but regardless of how difficult it is whats most important is you do the best you can.

But regardless of how bleak or nasty the situation gets, just remember what ive chosen to call my Aryan way: never give up! give it all youve got, and give those jewish scum a taste of their own medicine!

Subject: The Truth About The Book Of Daniel

The Truth About The Book Of Daniel

This is from a question I answered on the subject.

The jews stole their Daniel off the Phoenician god of divination and dreams Danel, Dan-el, which means The God Dan. Which also is Danu to the Irish who their Ogham is also Phoenician. In the Torah Daniel interprets the Babylonia Kings dreams which is divination and gives him prophecies. Which is the role of the Phoenician god Danel. The Jews after stealing this from the Gentiles then used it as weapon to attack Gentiles with. In a tale of Jewish bullshit artistry of Jewish supremacy over the Goyim and their Gods and spiritual Empire which Babylon was, the Alexandria of the time. Were their gawd makes the Babylon Emperor bow down and worship the Jews and enthrone the Jewish race and their god over the Gentiles. Which is just Jewish supremacism, racism and bigotry at its normal. Note the Babylonia Emperor was the High Priest of our Gentile People and Gods, and is made to live seven years as wild beast in the fields by the Jewish god. The Jews call Gentiles.....wild beasts of the field, animals. Just a tale of Jewish racism which is based on the Jews dehumanizing non Jews as animals and then claiming we are their cattle [Goyim] property put here by their god to serve them as two legged beasts. To which the Babylon Emperor is made a slave and servant to the Jews along with all the Goyim in his Empire. Its a tale of Jewish conquest and enslavement of the Goyim. Any wonder the Jews created and ran the entire Trans Atlantic slave trade from start to end.

This is the hateful garbage Gentile Children are taught in Sunday Skulle, by brainwashed morons. Jews are their masters and we are their cattle.

Subject: Recreational Drugs...

Quote from Swami Rama Bharati:

"Want to expand your consciousness? Try meditation--not drugs. Yogis say that drugs weaken the will, damage the subtle body, and stupefy consciousness. One yogi stated he'd seen heavy-duty drug users so internally damaged, they would need lifetimes to detoxify their subtle body."

"Hallucinogens like LSD can do irreparable harm to the impressionable energies of the subtle body. Aspirants are advised to avoid mental crutches like drugs. Instead, they need to develop mental clarity and strength-- something drugs can't give."

I want to add here that Satanism has its roots in ANCIENT Hinduism, going back to the beginning. Sadly, through the centuries, Hinduism has, like other religions, been seriously corrupted. Slavish worship of so-called "Gods," rejection of anything material, promoting poverty as a virtue, physical mutilation, rejection of desire (of course, this excludes the fanatical desire in slavish worship), and other crap.

A REAL GOD does not need or require slavish worship in order to exist. Also, books on Hinduism, and other religions of the Far East, one can see through the lies in these areas, as the authors contradict themselves endlessly.

Myself and HP Hooded Cobra worked together empowering important souls for Satan and Lilith. Lilith worked directly with us. I will tell you, a spirit without a physical body cannot progress or advance in power. We had to empower them, as we are in the physical world. This is why most souls reincarnate. Being dead is intensely boring. The dead cannot make any sounds themselves, as they have no physical voice to change their vibration.

Your home is where your material possessions are. Often, when one leaves one's seat and wishes to come back to that seat, one will leave a sweater, jacket, etc, as this shows one still is using the seat.

Where would we be without books for example? Without the material, life is empty and meaningless. The Jew has relentlessly attacked the material by promoting that poverty is a virtue on the one hand and on the other, pushed materialism ad nauseum, just like they do with sex, to create a backlash, where as with communism, one owns nothing and the Jews own everything.

Material possessions should be respected and appreciated. There should be a healthy balance between the spiritual and the material.

In closing, some Christian idiot was blabbing on his stupid website how in spite of the Hindu Gods and Goddesses, India is extremely poor. He only revealed that he is a deluded ignorant fool.

This is the result of corrupted Hinduism. Most just slavishly worship their "Gods" and have no knowledge how to apply the spiritual, such as workings, stating affirmations, directing energies, properly using the energies they've raised and so forth.

Only through Satan can we really advance. Lilith told me more than once, that "Books are sacred."

In a nutshell, rejection of the material, slavish worship, "moral" control, dietary control, poverty is a virtue, and turn the other cheek mentality, and related, are all of the enemy and lead to nowhere. Just like in the movie "The Ninth Gate," at the end of the maze, the doorway is bricked up.

Reverse Torah Ritual Schedule [Nov 21-29]

Greetings to all our People and Satanic Comrades.

This is the New Schedule for the New Date of Nov 21 to Nov 29.

These days will be focused on relentless warfare against the enemy, and then we will follow a period of other things, again in cycles for our best interest.

The communications RTR does remain, because this is crucial now. More and people are waking up, and this must not stop.

As all of you have observed more or less, the enemy is trying to pass it out that everything will be fine with Trump and the list goes on, so people will stop being militant. That doesn't mean that on the back, the jews are not instigating further plans, which they definitely are.

We need to foil them, and hit them spiritually now that they are down. Do not trust any skill of the enemy, as all of this can be a giant joke and smoke-screening into the eyes of the masses. The jews unless they are absorbed by some black hole and go to another place in the universe, will never let out on their plans of world domination. Their jewish crankpot thoughtform is really going down the drain, and this will leave the jews powerless, as all their dominance over Gentiles is tied into this criminal thoughtform that humanity is duped to worship. In fact their thoughtform also represents the jewish race as a whole.

What we will be focused now is driving their 'godform' into the sands of history even deeper. This is a lie, and the fast destruction of this lie in some few years of our work here, is self-revealing. The enemy fights Satan for thousands of years, and Satan hasn't moved one inch. Their 'godform' is giving up on them and will be destroyed. Everyday, as deceived Gentiles leave this hoax, its power will drastically deteriorate everywhere. The Real Gods have nothing to fear, but this nasty hoax hangs from the slavish fear, terror, and worship energy of the believers.

This crappy fear mongering entity in the mind of humanity must be destroyed. With it, doomsday (((prophecies))), jewish power, wealth and riches will all follow out of the window. When we attack their 'godform', we dispell the illusion itself. This manifests in the mass mind as people breaking out from the filthy jewish spell of christianity.

Below will be the Rituals.

We are doing everything within what this context allows:

<http://josministries.prophpbbs.com/topic16880.html>

Priority 1 Ritual is the 72 Names RTR:

<http://www.angelfire.com/wizard/pixie666/72.htm>

Priority 2 Ritual will be the Communications RTR:

[http://dawn666blacksun.angelfire.com/11\\_9\\_Ritual.htm](http://dawn666blacksun.angelfire.com/11_9_Ritual.htm)

Now, after these Rituals that are prioritized are done, we can go for either of these three, in that order:

Secondary Ritual 1: CURSING THE JEWISH GOD, RITUAL ONE [42 Name]

[http://dawn666blacksun.angelfire.com/Ritual\\_42.html](http://dawn666blacksun.angelfire.com/Ritual_42.html)

Secondary Ritual 3: Reverse Torah Ritual # 1 to Prevent another War [EXTREMELY SHORT SO WE WILL DO 3 SECOND PRIORITY RITUALS]

Subject: Enemy Attacks WHILE Doing the RTR: My Experiences

Hello!

This message is for sharing my own experiences with enemy attacks while doing the Reverse Torah Rituals and to **let you know, if you've been experiencing the same things, to simply be aware** that the enemy is behind this and **you should not let their foolish attacks influence you.**

When I am **not** doing the RTRs, throughout the day, or when I am thinking "time to do an RTR" I may have retarded thoughts of:

"what if it's all in vain?" or

"what if I'm not strong enough, and I'm just wasting my time here?" or

"well, why should I do it? **I am sure there are so many Spiritual Satanists out there doing the RTR, and there will be no difference if I don't do it!**"

<-- all of these thoughts are absolute crap and very veery fucking stupid. An infinite amount of stupid.

The **ONLY WAY** we can WIN this war is by **COMBINING OUR STRENGTHS AND FIGHTING TOGETHER!!!** It's not "him" or "her" or "you" or "I"... It's **us**. Our unity is what makes us strong. Well, some among us are also very-very strong individuals (like our High Priests and High Priestesses for example) but when we **COMBINE** our strengths, there is really **NOTHING, AND I FUCKING MEAN NOTHING** THAT CAN STAND IN OUR WAY!!!!!!

**ALWAYS** remember that!!!

It's not me, you, him, her.... It's us. It was always us. Even back in the Pagan days... We were all united. We fought together, we bled together, we died together... Don't stand alone. In this war we are **ALL** together. We have the same ethics, we have the same ideology and most of all, we have the same goal. To annihilate the enemy. If we're not united in order to fight together, then really, what is our purpose here? What is one's purpose to this world, to this planet, to this life, if not to fight in order to protect what's precious to them?

And **as for the ones among us, who desperately wish there was no war**, who desperately wish that people would have woken up already, that there was no bible, koran, and all that shit, that children wouldn't be raped for the sake of religion, that people wouldn't be worked to death in communist countries... For all those among us who wish that we lived in peace, and we didn't have to fight, I can only give you Satan's Own words on the matter. As Satan Himself has said:

*There is always another way to do a thing. That way is far away. But it is still a possible way. Destruction and terror will not always be the other way. But until the time comes when destruction and terror are removed the world you must work how the world works.*

<https://web.archive.org/web/20160304113201/http://hailtosatansvictory666.angelfire.com/Message-From-Satan.html>

Now, moving on... **These are the attacks I've received while doing the RTRs.** I never experience these attacks throughout the entire RTR and I don't ALWAYS experience an attack. There are many times when I did the RTR and did not experience any of the following.

Nevertheless, for my reference, as well as yours (just so that, you can learn to distinguish an enemy attack, from an actual physical discomfort), here are the retarded ways that the enemy has tried to stop me, while I'm doing the RTR:

1. **While vibrating the words** (or even while saying the affirmations in my mind; but mostly while vibrating) **I'll feel like I'm chocking.** This is never too serious, and it simply comes and goes. If I have to vibrate 9 repetitions, I may feel it in the 2nd rep, and then again in the 4th rep... or the 1st one, lasting for 2-3 reps... It's not constant. It doesn't always happen. I always have a bottle of water next to me, but the truth is that, since it is **not** an actual physical discomfort (even if I drink water, it doesn't go away), I just go on with the vibrations, and the feeling eventually stops (the fuckers understand, they simply can't stop me).

2. **My eyesight becomes blurry.** This one happens ALWAYS when I need to read the words. If it's an affirmation and I know it by heart, it doesn't happen. **This thing can happen in two different ways.** One: I will either just be unable to look clearly... Literally looking blurry. Or two: it will feel like the atmosphere in the room I'm in has changed (it will either feel dry or humidity, whatever, but ONLY at my eyes), and so I'll have to shut my eyes many times (to blink) so that my eyes feel comfortable and not itchy and whatnot, and I can continue reading. That is a very inconvenient attack lol... I deal with it, simply by... continuing the RTR. I need to concentrate on vibrating and then heading to the affirmations which I will state with the utmost passion. I can't, at that moment, try to put electric blue in my aura and whatnot. Maybe some others can do it, and maybe it has results, but I'm not able to concentrate on something else at that moment, other than doing the RTR. So I just keep at it. The annoyance with the eyes also fades as I keep doing the RTR.

3. **I become so so so confused and dizzy, and it's almost like I have dyslexia.** This is SO ANNOYING when it happens! Basically, **I will be reading the vibrations and my brain will literally need 1-2 seconds to comprehend what I just read..I may look at the letters funnily, or vibrate a word and then go back and check "was that right?", and I just become terriblyyy confused.** The only way I've managed to deal with it was by: keep doing the RTR! :D

Hahaha, I'm not giving you many advises here, but in all honestly, all these attacks are really sporadic; they come and go.

The best way I've dealt with these attacks, is simply, by not giving them my attention.

Imagine that you're driving with a bicycle down the road, heading towards your dream location (your goal, your desire, whatever that is; a great destination!) and there are some bumps in the street. Your bicycle will jump a bit. So what? The bumps are never too deep or too tall; you will NEVER crush as long as you wear your aura of protection. You simply go over a bump and the bicycle jumps for a single instant.

Will you stop the bicycle, and go back to look at the bump and go furious about it, while staring at it? Will you stop the bicycle, and go look at the bump, and call the government or whoever (lol) and yell at them for not fixing the freakin' roads?

Well, it's understandable that you'd be mad. Who wouldn't? You wanna enjoy your journey, you're heading to a beautiful destination! Imagine a world without jews, without the bible, without wars and pain... Without famine.. Imagine a world where everyone has a home, and everyone is happy. You walk down the streets and you can laugh and greet whoever stranger you see in front of you. Everyone is enlightened, everyone is meditating, they are all (we are all) heading towards Godhood. Everyone is living in harmony. People do mass awakening rituals and even healing rituals towards our planet... Imagine a world like that... No hunger, no "third world" countries. There's more than enough money to feed our own people! Can you imagine a world like that?? Just sit where you are, and imagine it. Vividly, inside your head. On the hot Summer nights, you can

sleep on the yard if you want, on a beach or wherever, you will feel the cool Summer air, and you won't be afraid that you'd be mugged, or murdered, or worse... We can all be free. You can simply knock on your neighbor's door, and you will join each other for a coffee and whatnot, and discuss about meditations, about the Gods, about your experiences... Can you imagine something like that? **HOW BEAUTIFUL WILL OUR WORLD BE??**

### **THIS IS OUR DESTINATION!!!!**

This is where we're heading!!

But it's a loooong journey... And until we reach that destination, the road has a lot of bumps. Will you stop in each one of them, in defeat? In despair? In frustration?

No!

**FUCK THEM!**

**THEY'RE JUST BUMPS!!! KEEP MOVING FORWARD!!! HEAD TOWARDS YOUR GOAL!!! IT IS OUR COMMON GOAL HERE!!! We are ALL UNITED! We are united.**

Don't let the fucking bumps be an obstacle to your journey.

You will notice, the more you drive, the road will be getting smoother. At some point, it will only be grass, flowers, greenery all around you.

No more bumps, no more ugly cement surrounding you... And as the trees ahead of you will start blocking your way, you will simply get off the bicycle, and start walking on foot. You will only be a step away from your destination.

This is where we're heading. To the Eden we will rebuild on Earth, with our people, all together, united...

This is our goal.

HAIL SATANAS!!!!!!!!!!

HAIL BASTET!!!!!!!!!!!!

HAIL TO ALL THE GODS OF HELL!!!

HAIL TO OUR CERTAIN VICTORY!!!!!!!!

Greetings to all our Satanic Comrades and Warriors.

I spent quite the time making this documentary, researching and getting deeper into what's going on in the Black community. What the jews have done is insane. These people are tormented by jews from all sides. This is informational for both Black people who need to know the jewish menace, and also for White people who need a few insights in regards to that. Many Black members here know this already, and this is horrible. Whites and Blacks suffer similarly in so many ways, but jews gas confusion into the minds of everyone, and due to lack of knowledge, people fall in for jewish lies.

Black people have been severely attacked by the jews. What I found by looking around stuff, they have infiltrated Black people very severely, no different than how they attack all race oriented groups who oppose them, like Whites etc. They hijack these groups, and either destroy them, or turn them into a second Judaism. This is a major source of the 'we wuz kangz' beliefs, thug culture, and all sorts of other insanities and con-men who are paid by the jews to betray their own race.

I think a guy that deserves a comment is Dr Tony Martin. Martin had the guts to go open about all that stuff, and expose many shills and infiltrators who try to subvert the black race. Martin had the courage to actually speak openly about the jewish menace, and what his research found is also interesting for White people as well. As a result the racist ADL put a bounty on his head as well if I am correct. This is because his researches openly talk about the race that loves to enslave all others: the jews. The jews have done a lot of shit, and they have a lot of crimes on their head as a race. Wise Black people know this, no different than Wise White people. Its striking how Blacks have fallen under the exact same destruction of the jews, as Whites have done. The jews are fucking vicious.

This documentary goes from the rap culture, to the ghetto culture (all created by Jews and traitor Blacks who are on the payroll) and this is systematic to destroy and subvert Blacks and turn them into beasts. This is purposeful, and jews do this according to plan. It didn't happen coincidentally. It happened cohen-cidentally.

I also touched on the subject on who really attacked Africa. Jews attacked Africa. Soros is one of these people who destroy whole countries in Africa just for his own fun, and for his own tribe. The jews hate Blacks and this is in the bible, in the form of a 'biblical curse'. Blacks according to the bible, are supposed to be eternal slaves to the jews, by mandate of 'Jehova'. This is what created the jewish slave trade, as usually, the jews, doing their Torah and Christianity.

Blacks are also bought in the price of food, or others in gold chains, to destroy their own Race, and never allow anyone to advance. This is no different than how many Whites are sell outs to the kikes, and backstab their own people and race for the price of shekels or just out of fear/lack of knowledge. The jews also own the pseudo-philanthropy (my ass), and the CEO of unicef goes around in a Rolls Royce, because apparently your 1 dollar goes to black people for certain.

The jews also attack and undermine education, telling young black people that this is 'acting white' and other things. With lack of education, lies lack of freedom, and people fall easy prey to control.

There are however jew aware and bright blacks, but the enemy of course will always promote the majority of the dumb and idiots. This is two sided, and this is to to criminalize these people and make them act sub-human. These people who are created into mindless beasts and fanatics through christianity, Islam, and jewish propaganda, are then pushed into the White countries by the backdoor, in order for the jews to walk away without the consequences of their deeds.

The jews claim to be 'white', but genetic evidence, and jewish culture, talks otherwise. The jews are extremely racist, and they are basically the only racist race of the planet. While Abraham Lincoln, a White man, stopped slavery, jews created it and profited from it from centuries. Like all other crimes, these are thrown to the "White Man" who gets all the blame for what the jews do, like for instance who the christian and jew infested (((White))) Ku Klux Klan attacked Black people etc. Blacks have their own ideologies etc, and their own skills, who engage in the same actions.

I created this not to make everyone seem like a 'hopeless victim' in the xian sense, but to show what the jews are doing to these people, so they can wake up and fight alongside White people. We have suffered terribly under jews, and this must stop.

<https://www.youtube.com/watch?v=sKR8BxErSM>

The return to the roots can help Black people set themselves free, away from jewish influence, so this insanity will end.

African people have a African land, an African heritage, and a future- if the jews are driven away and allow them to have this. They don't need jewish history or lies.

This must be claimed, and fought for.

I'm white; .but I've had the opportunity to live around quite a few black people and I understand that they're being manipulated by a force that is evil and perverted and disgusting. I know it is the Jews. I watched the entire video that you made and thought it was really good. It really helped me to put the entire situation into perspective and to not fall for the program that the Jews are trying to create.

There are however jew aware and bright blacks, but the enemy of course will always promote the majority of the dumb and idiots. This is two sided, and this is to to criminalize these people and make them act sub-human. These people who are created into mindless beasts and fanatics through christianity, Islam, and jewish propaganda, are then pushed into the White countries by the backdoor, in order for the jews to walk away without the consequences of their deeds.

The jews claim to be 'white', but genetic evidence, and jewish culture, talks otherwise. The jews are extremely racist, and they are basically the only racist race of the planet. While Abraham Lincoln, a White man, stopped slavery, jews created it and profited from it from centuries. Like all other crimes, these are thrown to the "White Man" who gets all the blame for what the jews do, like for instance who the christian and jew infested (((White))) Ku Klux Klan attacked Black people etc. Blacks have their own ideologies etc, and their own skills, who engage in the same actions.

I created this not to make everyone seem like a 'hopeless victim' in the xian sense, but to show what the jews are doing to these people, so they can wake up and fight alongside White people. We have suffered terribly under jews, and this must stop.

The return to the roots can help Black people set themselves free, away from jewish influence, so this insanity will end.

African people have a African land, an African heritage, and a future- if the jews are driven away and allow them to have this. They don't need jewish history or lies.

This must be claimed, and fought for.
