The Truth About Demons

**Recently, myself and three other High Priests and a High Priestess performed energy work with the Demons. They are NOT monsters. Many are well known and popular EGYPTIAN GODS. For centuries, they have been spiritually abused using enemy god names, nine foot circles and a plethora of blasphemies and insults. This is the reason many appeared as monsters. The Demons are all of the Pre-Christian Gods; the ORIGINAL GODS.

High Priestess Maxine Dietrich, May, 2003

THE DEMONS ARE NOT EVIL! Because of the perversions of good and evil by the mainstream religions and society in general, many people are confused. (Read my sermon on “freethought”). There is no reason one should fear Satan’s Demons. When treated with respect and approached with honest intentions, they are truly wonderful.

Their greater purpose is to teach humanity. As for purposes of revenge and the punishment of enemies, this is a part of learning, as justice is essential. Turning the other cheek creates true lawlessness, chaos and the eventual collapse of civilized society. Revenge and justice are necessary, for without correction; offenders only continue in their abusive behavior and freely abuse others.

When we make friends with the Demons, they often visit revenge upon those whose intention is to wrong us, and they also watch our backs. I have seen my enemies and the enemies of my loved ones punished before I even had to ask.

Many of the Demons specialize in the teaching of ethics. This right here attests to the reality that Demons are not evil. Responsibility to the responsible. Honor and truth are VERY important to Satan. Satan looks with hatred upon those who are cowards and are too weak to take responsibility for their actions. Satan represents the strong and the just.

The Demons are the Nephilim, (the Original Gods) the ancient extra-terrestrials who came to Earth to mine for gold thousands of years ago. They are very intellectually, physically and spiritually advanced. Many took human wives/husbands and were cursed for this by other Gods who opposed anything that would educate or elevate human beings above that of an animal. Human beings were intended to be slaves and when the mining project was finished, they were to be destroyed. The Demons befriended humans and wished for us to become as the Gods, just as Father Satan attempted to bring humans godly knowledge and power. For this, they were cursed and punished.

The Demons are very human friendly. I have had the privilege of having them work with me and teach me. I have established true friendships with several Demons who have helped me in so many ways. I have learned so much from my Demon teachers. Given the destruction of ancient libraries and centers of learning by Xians, so much knowledge has been lost forever. Sometimes Demons can be strict in encouraging us to better ourselves, but this is for our own well being and development. Satan states in the Al Jilwah: “I lead to the straight path without a revealed book.”

The popular grimoires and occult books available in the mainstream bookstores are a major source of trouble. The grimoires were written by rabbis and Xians. The Demons are NOT “empty shells” as kabbalists claim. They are not the “qliphoth.” The Demons I have worked with have very powerful, positive energy and are very much alive. Since we performed energy work on them, they have drastically increased their power. Many of them now have very bright auras.

Concerning vampirism and the “qliphoth,” the Xian “God” exemplifies both, as most Xians are spiritually depleted. Look at the Catholic Pope- he is an empty shell. The doctrines of the right hand path religions advocating asceticism, self-denial and other anti-life practices harmful to human beings are representative of “qliphoth.” The teachings concerning the qliphoth are another way the enemy denigrates and slanders our Gods.

There is a lower order of Demons. They have fiery red eyes and the rubbery wings. They serve purposes such as protection, or chasing off enemy spirits and are assistants to higher ranking Demons. When we summon the Demons, they sometimes manifest themselves through astral projection. Normally, they communicate with us telepathically.

How to Summon Demons

The most important thing you can do is forget everything you have been taught about Demons from sources that are hostile to Satanism.

There is nothing but misinformation from most of the readily available and most popular writings. Following the instructions written in most grimoires is not only wrong, but can be very dangerous. My own experience with various Demons is that they are very proud and being respectful is very important.

Recently, several High Priests and High Priestesses performed energy work with many different Demons including all of the Demons of the Goetia. All 72 of the Goetic Demons have been freed and many more. We found the true identities of most of these Demons. Many have used different aliases in order to avoid being viciously abused. These Demons, unlike the descriptions given in many of the old grimoires are not monsters. They are beautiful, popular, and important Gods.

ASMODEUS TOLD SOLOMON:

“SO ASK ME NOT MANY THINGS; FOR THY KINGDOM ALSO AFTER A LITTLE TIME IS TO BE DISRUPTED AND THY GLORY IS BUT FOR A SEASON, AND SHORT WILL BE THY TYRANNY OVER US.”

Demons are immortal; a “season” is but a few thousand years to them. The Christian “God” is losing power. Father Satan has informed me that our side has won. We warn everyone: using the spiritually abusive methods of the old grimoires is not only foolish, but will inevitably result in personal disaster. The Demons must always be approached with extreme honesty and respect. The days of using enemy “God” names, nine-foot circles, threats and other destructive and abusive methods are over. Don’t say you weren’t warned...

When we are new, most of the Demons are willing to help us. The goal of Satanism is to become as a god. This means self-empowerment.

As we progress through our own efforts, we become more and more adept. We should be able to rely upon our own powers instead of the powers of others outside of us.

The Demons are best when it comes to imparting knowledge and wisdom, so that we may learn and advance our own powers.

As we progress, we should be able to be competent in all aspects of magick and be able to influence others and our environments on our own, without any outside help. Although, even with an adept, there may be circumstances where issues can be overwhelming and the help of a Demon is needed. For spiritual guidance, the Demons are here for us at all levels, from those who are new, to those who are advanced.

From my own experiences, I would highly recommend to those of you who are serious in progressing spiritually, to establish a close and strong relationship with a Demon who is willing to work with you and guide you along the left hand path. This can be a very rewarding experience to say the least.

How to summon:

Always treat the Demons with honesty and respect. Never command, demand or try to exploit them in any way.

THE CORRECT METHODS FOR SUMMONING A DEMON:

1. Know the Demon you intend to summon. This website lists the attributes and available knowledge about different Demons. All of the Goetic Demons are human friendly, as we know from experience.
2. It is important to have a specific purpose; know exactly *why* you are summoning a particular Demon.
3. When we ask assistance from a Demon, it is only proper to offer something in return. Be prepared to give something in return. This is something both you and the Demon should agree upon. Remember, the Elder Gods value one's word, honesty, integrity and one's honor as the utmost importance. NEVER agree to anything you know you cannot follow through on.
4. Know the method you plan to use to communicate with the Demon.

One of the most important steps in the summoning of a Demon you are not yet familiar with, is to go through Satan.

The reasons for this are serious. Not all Demons are friendly to humans, nor are all Demons of Satan. Satan has authority over all of the Goetic Demons. Most Demons are friendly when treated with respect and summonings result in a positive experience. I have found many Demons that have caused outsiders problems are often friendly to a confirmed Satanist.

I have learned much through my own interactions with Demons and through the many experiences of others, both the laity and the Ministry. Experience is, as always, the best teacher.

There are different levels of experience when one establishes contact with a Demon:

1. The Demon speaks to us through our thoughts (telepathy). With telepathy, the words of the Demon come to us through our thoughts. In the beginning, it can be difficult for those who are not as sensitive or lack psychic ability to differentiate between the communication from another entity and their own thoughts. With power meditation and experience, this becomes much easier over time.
2. We see and hear the Demon. This is with people who are more psychic and open.
3. We invoke the energy of the Demon. This is powerful and electrifying. We are engulfed in a strong aura. During this time, we will often hear the Demon speak to us and we may in addition, see the Demon.
4. During an actual summoning, the Demon appears and speaks to us through scrying into a mirror, in the smoke of the incense, or in some other manner. This is best for those who are new. With scrying, if we are sensitive enough, we can often feel the Demon touch us if he/she chooses to do so.
5. Tangible contact; objects in our rooms are moved, there is actual physical evidence of the Demon having been present.

There are accounts in popular books concerning extremely powerful energies encountered when evoking a Demon. To my knowledge, no one using the methods outlined on this website has ever experienced anything negative or overwhelming. I have invoked Demons many times and the energy was never beyond anything I couldn't handle or in any way uncomfortable.

Methods:

Copy, print out or draw the sigil of the Demon you wish to summon on clean paper. It is important that you be left alone and not disturbed in any way. Close your eyes and visualize the sigil in your mind as best you can. It is ok to open them and look at the sigil again (as many times as needed) to get a clearer image. While visualizing, recite, or chant the name of the Demon repeatedly either in your mind or aloud.

Recite the following prayer:

Lord Satan, by your grace, grant me, I pray thee the power to conceive in my mind and to execute that which I desire to do, the end which I would attain by thy help, O Mighty Satan, the one True God who livest and reignest forever and ever. I entreat thee to inspire (name of Demon) to manifest before me that he/she may give me true and faithful answer, so that I may accomplish my desired end, provided that it is proper to his/her office. This I respectfully and humbly ask in Your Name, Lord Satan, may you deem me worthy, Father.

The Demon can manifest in different ways.

- Through a mirror as in “scrying.” You will see the Demon in the mirror.
- Through the smoke of the incense
- The Demon appears directly, when one is sensitive enough and in a deep meditative state.

Prepare your area. Your first summoning rituals should be performed at night. The reasons for this are the energies are different at night from those during the day and it is easier to be alone and free from distractions. When one has established relationships with certain Demons, it is no longer necessary to perform a formal summoning ritual. The Demon can appear to us night or day and all we need do is concentrate to contact them through telepathy.

You will need:

- A quiet place where you will not be disturbed.
- Quality incense with a pleasing fragrance. I strongly recommend when working with any new incense to try it out before the actual ritual or summoning as cheap stinking incense is insulting to the spirits and can be embarrassing in any ritual. See INCENSE
- One or more black or blue candles. Black is choice, but blue is ok for a substitute if you cannot obtain black. Also, if available, the candle color of the specific Demon you wish to summon. (These are listed on this website).
- Your paper containing the Demon’s sigil.

When finished with the sigil, find a safe place to store it, preferably in your own black book or journal. ALWAYS treat this paper/sigil with extreme respect and NEVER burn it! The sigil can be reused. There is no need for a nine-foot circle. Demons *hate* circles and there is no need for a “license to depart” as both are offensive and insulting. Treat the Demons with respect and in turn, you will receive the same.

After the petition to Satan, you should feel his positive energy. This is a good sign and a go-ahead. If for some reason the Demon doesn’t answer, try another time. Many times the Demon does appear, but those who are new to summoning are not psychically open enough or experienced to sense him/her.

Most people have had to perform the summoning ritual more than once for the Demon to manifest. Often, the Demon does answer, but many are not aware. Look for coincidences and things out of the ordinary. Awareness here is everything.

Always offer a token of appreciation and gratitude in return for his/her services. Some ideas are publicity for the Demon, working against Christianity, working to advance Satanism or any service that you both can agree upon.

**I have received many personal e-mails and many posts have been made to the Joy of Satan e-groups concerning the summoning of Demons and the trouble some people have with seeing, hearing and sensing the presence of a Demon.

People come to Satanism with differing levels of psychic ability. Psychic ability is when one's soul is open enough to sense things that most others cannot. This is the goal of Spiritual Satanism: empowering humanity spiritually. Human souls have been sealed up, so little if anything other than the material world can be accessed. The judeo/xian churches always have been and are a tool for removing spiritual knowledge and replacing it with lies and total materialism. The effect has been that through the centuries, humanity has experienced generational atrophy of the soul and spirit. People who have had psychic experiences are often at a loss to explain or even understand them.

Some of us who have been with Satan throughout many reincarnations are more psychically open. This also applies to anyone who worked in any of their past lives to develop their souls and psychic powers.

There are plenty of people who have not developed their powers in their past lives or in this life and as a result, they are unable to sense the presence of Demons when they summon them. Many of these people feel they are being ignored or they may feel disillusioned. There is no need to feel this way as psychic senses and abilities can be developed at any time through power meditation, which is the foundation of Spiritual Satanism.

For those of you who are having problems, please be patient and try working on yourself for a while with a meditation program. Later on, you should try again to summon a Demon. Awareness is also important as well. Look for coincidences or answers to your questions and concerns. Do not limit yourself, as answers can come from many different sources and in some of the most unusual ways one would never expect.

If you tried summoning for several times with no luck, you need to meditate regularly. Every Spiritual Satanist should meditate on a regular basis, regardless of present ability.

Daemon

So much has been distorted, warped and perverted by enemy religions. Here is the original meaning of Daemon/Demon-

Daemon: "In Greek myth, an intermediate spirit between men and Gods. Daemons such as the one who guided Socrates act as councilors and guardians to human beings."

Another definition:

Demon and daemon were once used interchangeably. The former came to English from medieval Latin, while the latter was from classical Latin. The earliest use appears to have been in the phrase daemon of Socrates, which was his "attendant, ministering, or indwelling spirit; genius". That was in the late 14th century. It was a short time later that the term Demon came to refer to "an evil spirit" by influence of its usage in various versions of the Bible. The Greek form was used to translate Hebrew words for "lords, idols" and "hairy ones (satyrs)". Wyclif translated it from Greek to English fiend or devil. This is how the evil connotation arose. By the late 16th century, the general supernatural meaning was being distinguished with the spelling daemon, while the evil meaning remained Demon.

Magickal Evocation and Invocation

There are basically two ways of summoning an entity or working with energy: “Evocation” and “Invocation.” Spiritual evocation is summoning an entity whether it be a Demon, spirit, deceased person, or elemental and the being appears outside of the operator. When working with energy, the energy is always on the outside of the operator and never inside his/her body. With evocation, there is never a direct tie or connection.

Invocation is taking the spirit into one’s self. The being actually enters the operator’s body. An example is invoking a Demon and the Demon speaks through the operator using his/her voice to communicate. Often when this happens, one’s voice may change, becoming deeper, raspy, or different in some way. During séances, often the medium is able to produce a substance called “ectoplasm” to provide a luminescent material in order for the evoked spirit to manifest itself visibly. This is a form of invocation as there is a direct connection with the spirit and the medium.

There are many different beings. One thing I have learned is with Satan’s Demons, when they enter us; they never harm us in any way. We are always conscious and fully aware. When they are speaking through us, we are aware of what they are saying and rarely is anything ever forced. One doesn’t experience gaps or “missing time” as those who invoke angelic beings have. Angels often masquerade as Demons. There are entities that are NOT of Satan and when they are invited in (usually these are angels or related ilk) they will take over and cause harm to the person who invoked them and the individual will not have any memory of the event. They will have missing time and more than likely other lingering problems as well.

Satan is the bringer of knowledge. He has no reason to cause anyone to forget something or have lapses in memory in order to hide something. People who dabble with angels and other astral entities of whom they are not familiar with can experience these problems, and then of course, through ignorance and foolishness they blame “The Devil.”

Some Demons come around and like to play. One time when I was at work, a coworker showed me a photo of his girlfriend. I felt a Demon enter me and he said to me “go ahead.” I began reading her. The co-worker was surprised at my accuracy. Of course, this was my Demon friend speaking through me. Most available texts on spells and magick, due to a lack of knowledge (spiritual and magickal knowledge was removed and obliterated by the Christian church), not only give wrongful instructions, but instructions that can also be very dangerous when working black magick, using death energy and other destructive forces.

There is a great difference between evocation and invocation. When we invoke energy or spirits, we create a link to the energy or spirit through ourselves. Obviously, if one is using destructive or death energy, this can be very dangerous. Invocation also includes building up energy within one’s soul and discharging it through one’s aura and/or chakras. This creates a tie to the victim.

Most black magick spells that go wrong do so because of errors on the part of the mage. There are other reasons for a black magick working going wrong such as the victim having a powerful aura that is able to deflect negative energy; the victim is under powerful spiritual protection (If one is under Satan’s protection, nothing can touch him/her) or bad timing on the part of the mage. There can be other reasons, but the above are the most common.

Even white magick where healing is concerned can pose problems to the mage who invokes the energy before applying it. Any time energy is invoked, a powerful connection is established. Obviously, no one in his/her right mind would want to connect with a disease.

If the mage is working on money, personal power or some other positive application of energy, then invoking is desirable. This also goes for love spells and workings of lust.

One must know the difference when working a spell, as ignorance or misapplication of the above can result in a spell backfiring or other undesirable outcomes.

For Example- Evoking Death Energy: The advanced mage should be familiar with this energy. Death energy is prevalent in mortuaries, cemeteries, places where wars were fought, where massacres occurred and other places of death. The energy is grey, dismal, and depressing. The mage should go into a trance, surround him/herself with the energy, but ***NOT*** take it into his/her body. The mage should direct the energy using his/her will and visualization into a ball or other form. The energy should be condensed tighter and tighter into the ball or form for power. The formed energy can then be expanded or contracted according to how the mage intends for it to be delivered to the victim. If delivering to the victim's chakras, the energy should be tightly compacted, and exploded, or expanded upon entry into the victim's body. If the energy is to collect and adhere to the victim's aura, the energy should be expanded to envelope the entire aura. Variations can be used according to one's individual preferences.

FAQ About Demons

I performed the ritual, but the Demon didn't show up

Answer:

I have gotten many e-mails from people who, after several attempts at summoning, the Demon finally appeared and after this, all summonings went fine. The reasons for this are one is new and/or not psychically open enough to sense the presence of the Demon. Persistence and patience pay off in results. Satan is strong on one having patience.

How do I know if the Demon heard my summoning?

Answer:

Again, this is probably because you are new. Look for subtle signs like candles and/or incense flaring up, sizzling during the ritual, sometimes if you are open enough, the Demon will physically touch you. Demons often wait to come to us in our dreams. Objects can be moved, doors can be open or closed, breezes out of nowhere, feeling the Demon's energy and so forth. Just be open and aware. Look for coincidences.

What if I can't find candles in the right color?

Answer:

Do the best you can to come as close to the color as you are able to. Because of xian control and pressure, many places where black candles and other colors used in Satanic rituals are sold are becoming scarce.

Your desire and what is in your heart and mind are more important than the candle color.

Can Demons be summoned only at night?

Answer:

The first time you summon, ideally, should be done at night. Nighttime is usually quiet and more conducive to psychic workings. The right (psychic) side of the brain is by nature more active during the hours of darkness. Once you establish a relationship with a Demon, you can summon him/her telepathically at any time by concentration alone, unless the Demon feels otherwise. He/she will let you know. If the Demon is busy, which is often the case; he/she may acknowledge you at a later time, usually within a day.

Do I always have to perform a full ritual when summoning a Demon?

Answer:

No. After a relationship is established, just concentrating on the Demon and contacting him/her telepathically, with or without his/her sigil should be enough for him/her to show up anywhere or at anytime, provided you are extremely respectful and never demanding. Sometimes a Demon won't show if he/she has a reason, but will appear later. *When summoning an unfamiliar Demon, you should always perform a ritual.

After summoning a Demon and having close contact/invoking, I felt achy, tingly, extremely powerful energy, etc.

Answer:

Demons have much greater amounts of bioelectricity than we humans do. Often close contact results in an excess of bioelectricity that remains with us after contact. Because our physical systems are not used to this, we may experience a heightened energy level and in some cases physical discomfort, for a short time after the Demon leaves. When we build up our own bioelectricity, we are able to handle more intense and intimate contact with Demons and not feel anything unsettling.

Demons and Bioelectricity

Demons have powerful energy, way beyond the average human. When we invoke them or have close intimate contact with them, a variety of effects can happen. The Demon's bioelectricity merges with our own. We are all individuals and our life force is individual, operating on different levels of intensity. What one person may experience, another may or may not. This depends on many different things, such as previous levels of the energy of our soul. The more powerful your own energy, the more energy you can withstand, with little or no unsettling effects. One's present physical strength and constitution also determine the amount of energy we can handle. People who are built up or stronger physically can withstand more from their own workings or that from an outside source.

People who do regular and intense physical exercise will find they are able to handle higher energy levels and progress faster in increasing their own bioelectricity. All of this takes time and patience. This is like climbing a mountain, where you have to camp at certain heights for a period of several days to a month or more, to acclimate yourself before moving upwards or otherwise experience some very unpleasant and sometimes life threatening effects such as severe altitude sickness. We are all individuals and must move at our own pace.

Common sensations after invoking a Demon/ess are skin sensitivity, tingling, your insides vibrating or tingling; aching in the joints (for those with lower levels of bioelectricity), feeling like you are glowing and/or floating, sometimes anxiety, feeling heat or cold, exhilaration, intense dreams, feeling hyperactive or nervous, insomnia and others. The lower your own levels of life energy, the more effects you may experience. None of this is anything to be concerned about, as it will pass. The above also depends on the closeness of contact with the Demon/ess. Plain telepathic communication rarely produces the effects having sexual intercourse does.

I invoked Demons several times and my skin tingled for a couple of days afterwards, feeling like a sunburn without the pain, just the sensitivity. Invoking Demons before sleep can cause insomnia, as the energy of the Demon/ess can keep you awake, as it is intense and powerful. With self-empowerment and increasing our own bioelectricity, we will always be able to feel a Demon and have some after effects, but they will be minimal as we become stronger.

Feeling a kundalini surge when one is not meditating often indicates a Demon/ess is present. Demonic energy feels much like our own. This takes experience in determining whether a Demon/ess is present or whether we are just feeling our own energy. This comes in time and with repeated contact with the Demons.

The Pantheon of Hell

HIGH RANKING GODS AND CROWNED PRINCES OF HELL:

There are four great God powers who rule Hell; Satan, Beelzebub, Astaroth and Azazel. Satan is the most powerful and Ruler over all.

Gods of great rank and power assist only their confidantes and intimate friends. Ea/Enki (Satan), Enlil (Beelzebub; the original 'Baal'), Inanna (Ishtar, Isis, Astaroth) and Shamash/Utu, Ashur (Azazel) were the four most popular, powerful and notable Gods throughout the world. They were the Original Gods of Mesopotamia. All are related. Beelzebub/Enlil is Satan/Ea's half-brother and Astaroth and Azazel are twin brother and sister, the grandchildren of Beelzebub.

ASTAROTH

She was known to the Canaanites as ASTARTE, to the Sumerians, she was known as INANNA, to the Babylonians, she was known as ISHTAR to the Assyrians and the Akkadians, ASHTART, ASHTORETH, ASHERAH, and ASTORETH, to the Egyptians, ISIS, ASHET AND ASET, to the Phoenecians, she was known as TANIT-ASHTART and ASHTAROTH. Her Ugaritic name was ANAT.

Tarot Card: 3 of Pentacles (Azazel told me the Ace of Cups)

Planet: Venus

Candle Color: Brown or Green

Animal: Cobra or Viper

Metal: Copper

Element of Earth

Rank: Grand Duke of the Western Regions of Hell; Crowned Princess

Astaroth is a Guidance Councilor for both Demons and humans. She deals in mostly human affairs

Astaroth rules 40 legions of spirits and is a Day Demoness

Astaroth is also The Treasurer of Hell

Astaroth is a very ancient Goddess. She has been with humanity, as have Satan and Beelzebub, since the beginning. Astaroth is Beelzebub's granddaughter. Her parents are Ningal and Nanna. She has always been very popular, much loved and revered in locales where she was worshipped. Because she has been with us since the beginning, she has been known by several different names as she has been the Chief Goddess in many different areas and cultures. She has been known as a Goddess of fertility, love and war.

Astaroth's Sigil

Astaroth's Symbols, derived from the Egyptian Ankh

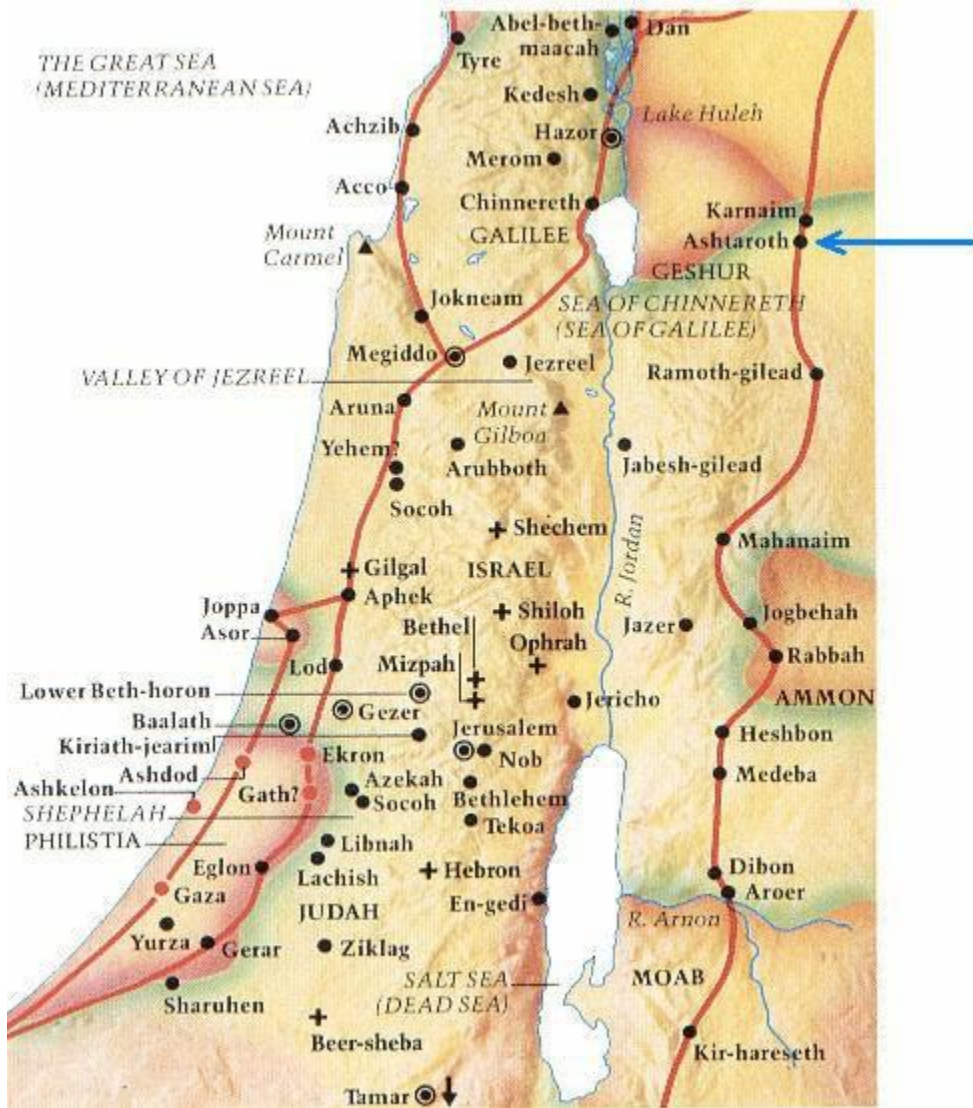

The clusters of three dots at the points of the star of her sigil are extremely ancient and denote her high spiritual rank.

As the Sumerian Goddess "Inanna" she was known as a powerful warrior and her sacred animal was the lion. Below are photos of the Lions that guarded her temple at Nimrud.

Her sacred city was Uruk, one of the oldest cities of Sumer where she had her temple, in the lower right photo above are the ruins. Under her rule, the people of Sumer and their communities prospered and thrived. She had shrines and temples in many cities in the Ancient Middle East.

Her Sumerian title “Queen of Heaven” was stolen by xians and used for their fictitious “Virgin Mary.”

Astaroth was also the Babylonian Goddess, Ishtar. Babylonian scriptures called her the “Light of the World,” “Goddess of Goddesses,” and “Bestower of Strength.”

The “Ishtar Gate,” built approximately 575 BCE was the main entrance into Babylon.

It was the eighth of one of eight gates of the inner city. King Nebuchadnezzar II of Babylon dedicated the Gate to Ishtar. It was one of the most impressive monuments in the ancient Near East. The Ishtar Gate was decorated with dragons, bulls and lions.

Along with Ea (Satan) and Enlil (Beelzebub), she wound up in the grimoires when judeo/xianity arrived on the scene as one of the top Crowned princes of Hell. These three were the most popular and well known deities in the Middle East. Their reputations were destroyed, they were viciously slandered, blasphemed and Demonized; labeled as “evil.”

“Although Sidon is respected, it could not be forgotten that her goddess was Ashtart, a name the Israelite scribe wrote with the five consonants ‘strt, and vocalized them by the vowels of the familiar Hebrew word for “shame,” making the Sidonian goddess appear in the bastard form Astoreth.”

-Excerpt from “Recovering Sarepta, A Phoenecian City by James B. Pritchard, 1978

“Of the various spellings of the name, Astarte, is found the Tel Amara letters. The Hebrew Astoreth arose when the rabbinical school of the Massorettes in the sixth century decided to adopt a conventional system to compensate for the lack of vowels in written Hebrew, and at the same time to insert in the names of foreign divinities the vowels from the word ‘boshet’, meaning abomination.”

-Excerpt from “Who’s Who Non-Classical Mythology by Egerton Sykes, 1993

Above are the remains of the Temple Isis, originally on Philae Island, had to be moved to Agilqiyya Island (above) during the construction of the Aswan dam to save them from flooding.

Astaroth answers truly concerning past, present and future

She discovers all secrets, and is an excellent teacher of the liberal sciences

She causes one to have prophetic dreams or visions about the future and gives insight into the unknown.

She is also counsels humans who are close to Satan and actively working for him. She obtains friendship of those in power and represents luxury and ease.

Easter (originally known as “Ashtar”) was stolen from her by the Christians.

High Priestess Maxine (my experience with Astaroth):

Astaroth is very beautiful with light blonde hair. Though tall, she is delicately built. Astaroth's colors are red and blue. She sometimes appears with wings- these have red and blue streaks in them. She often visits me and other JoS clergy on her own and is a friend and guide for us.

Number: 20

Rank: Chief Standard Bearer of the Infernal Army Azazel works directly with Satan

He is in charge of top security in Hell.

*The above, he dictated to me personally. From High Priestess Maxine:

I know Azazel well and am very close to him. He is a very high ranking and important God. He is 7 1/2 feet tall, very strongly built with light blonde hair that is past his shoulders and flowing. He has piercing bluish grey eyes. He is very powerful and dedicated to Lucifer. He expects 100% and can be serious and strict. He closely interacted with and educated humans in ancient times. **AZAZEL IS NOT PAIMON as some of the grimoires of abuse claim. They are both different Gods. Azazel is a Prince. Paimon is a King. Azazel is very high ranking; VERY close to Lucifer. He says he is around 60,000 Earth years old.

Azazel worked extensively with me on this page. He led me to many different references and resources (Listed below). He told me to mention the "Code of Hammurabi" and that the contents of this document have been drastically altered through the centuries and what we have now resembles nothing of the original. Azazel stands for justice and does not in any way advocate submission or turning the other cheek.

Although there are a few accounts of Azazel's being married to various Goddesses, this is inaccurate. Azazel took a human wife some 10,000 years ago.

Azazel is a grandson of Beelzebub (Enlil). He is the twin brother of Astaroth. Both he and his twin sister Astaroth are the children of Beelzebub's son "Sin/Nannar" and Sin's wife "Ningal." Both Azazel and Astaroth have always been very close. The painting at left is how he always appears to me.

Azazel is a warrior god of justice and truth. His cities were “Sippar,” an ancient Akkadian city on the east bank of the Euphrates, north of Babylon and Larsa/Ellasar of Sumeria. Sippar is 20 miles (32 km) southwest of Baghdad in Iraq. Sippar was one of the first cities to be established by the Gods.

“Ellasar’s Sumerian name is given as Ararwa, apparently for Arauruwa, ‘light-abode,’ which, in fact, is the meaning of the ideographic group with which it is written. The ruins of this ancient site are now known as Senqara, and lie on the East bank of the Euphrates, about midway between Warka (Erech) and Muqayyar (Ur of the Chaldees).

In addition to the name Larsa, it seems also to have been called Aste azaga “the holy (bright, pure) seat” (or throne), and both its names were apparently due to its having been one of the great Babylonian centers of sun-god worship.

Like most of the principal cities of Babylonia, it had a great temple-tower, called E-dur-an-ki, ‘house of the bond of heaven and earth.’ The temple of the city bore the same name as that at Sippar, i.e. E-babbar, ‘House of Light,’ where the sun-god Samas was worshipped. This temple was restored by Ur-Engur, Hammurabi (Amraphel), Burna-burias, Nebuchadrezzar and Nabonidus. Among the tablets found on this site by Loftus was that which gives measures of length and square and cube roots, pointing to the place as one of the great centers of Babylonian learning. Besides the remains of these temples, there are traces of the walls, and the remains of houses of the citizens. The city was at first governed by its own kings, but became a part of the Babylonian empire some time after the reign of Hammurabi.”¹

Azazel is the God of Justice and Revenge. He is a Master of the Black Arts and the Protector of Travelers. His symbol the faravahar (shown at left), represents freedom of choice and protection. The faravahar is the original winged disk.

He was the rebel leader of the Igigi. Azazel is also the the God of divination and has been consulted by many soothsayers. He was also the Chief Deity of the City of Hathra. As the Chief Deity of Hathra, he was known as “Shamiyah.” Note the horns in the photo of the sculpture at left.

Along with his grandfather Beelzebub, he controlled the airways for the Gods, wearing his symbol of the eagle.

“In Bad-Tibira, established as an industrial center, Enlil installed his son Nannar/Sin in command; the texts speak of him in the list of cities as NU.GIG (‘He of the night sky’). There, we believe the twins Inanna/Ishtar and Utu/Shamash were born--an event marked by associating their father Nannar with the next zodiacal constellation Gemini (the twins). As the god trained in rocketry, Shamash was assigned the constellation GIR (meaning both ‘rocket’ and ‘the crab’s claw’ or Cancer), followed by Ishtar and the Lion (Leo), upon whose back she was traditionally depicted.”²

The Judeo/Christian Bible reads that “Azazel taught men to make swords, knives, shields, body armor.”

The grimoires of spirit abuse claim that Azazel is a genius at working with metals, minerology, and geology. This is all symbolic. He is a Master of Alchemy; Spiritual Alchemy. Spiritual Alchemy has to do with the transformation of elements within the human soul, drawing energy from the earth and working with the earth spiritually. Each of the seven chakras is represented by a specific metal. Azazel works with dedicated disciples of Satan to achieve godhead.

All of the above is spiritual. The biblical account was twisted. The “swords, knives, shields, and body armor” are all spiritual weapons. He is an expert on the planets, constellations and astrology. He is also very skillful in the arts, cosmetology, crafting of ornaments and jewelry. Azazel creates beauty.

BEELZEBUB

BEELZEBUB is also known as BAALZEBUB, ENLIL, BEL, “PIR BUB”* BAAL ZEBUL and BEELZEBUTH. He is also known as the Goetic Demon “BAEL”

Zodiac Position: 0-4 Degrees of Aries

March 21st-25th *(March 21-30)

Tarot Card: 2 of Rods (From Azazel)

Candle color: Black

Plant: Fern

Planet: Sun (From Azazel)

Metal: Iron *(Gold)

Element of Fire

Rank: King

Bael is a Day Demon and rules over 66 legions of spirits.

Those who are close to Beelzebub know he is Enlil. This is from him personally. Enlil was the original “Bel” which later evolved into “Baal.” “Baal” means “Lord,” “Master” “Baal the Prince.” Beelzebub/Enlil was a very popular and well known God who had cities named after him with the prefix “Baal” all over the Middle East.

Most people who have studied the occult know he is very close to Satan and they both go back to the “beginning of time” here on earth; Enlil and Enki. He is Father Satan’s half-brother. Along with his brother Ea/Satan and Astaroth, he wound up in the grimoires as one of the Crowned princes of Hell and labeled as “evil.”

“Baal Zebub, the healing god of Ekron, later became one word--Beelzebub--which came to represent evil and idolatry in the New Testament of the Bible.”

-Excerpt taken from “Syria”, by Coleman South, 1995

Beelzebub is best known as the God of the Philistines, He ruled over the city of Ekron. He is second in command to Satan. The Ancient Philistines worshiped Him under the name “Baalzebub.” Beelzebub is “Lord over all that Flies”. Wherever he was worshipped, he was known as God of the weather and meteorology. He also controlled the airways when the Nephilim came to Earth. His name was perverted by the Hebrews to mean “Lord of the Flies.”

Beelzebub takes care of infighting between dedicated Satanists. Satan wants unity and Beelzebub enforces this. He can be very strict as Satan does not approve of dedicated Satanists cursing each other. Beelzebub is the Patron of all of the Orient (Far East), Martial Arts and Asian Culture. He was Prince of the Seraphim and He has a raspy voice.

High Priestess Persephone relates her experience with Beelzebub:

Beelzebuth is very tall I would say about 8 feet. He is well built and has the most amazing energy and eyes you have ever seen. They change color depending on his energy at the time. He was and is always very kind and gentle with me and comes to me quite frequently. I have seen him be as kind and gentle as anyone could imagine to the most vicious when enraged. He has auburn hair.

My experience- I saw him for the first time when I asked for his assistance in creating this webpage about him. He appeared to me with blond hair and darker eyebrows wearing a white robe. This was the first time I saw him. I heard his voice a long time ago and it was raspy, but when he spoke to me recently, the raspiness was gone. This is probably because he is now free.

- High Priestess Maxine

Beelzebub’s Sigils:

I ran across something in a book in a book on Egyptian Hieroglyphics. The Egyptian hieroglyph for “air” and “wind” is very similar to one of Beelzebub’s Sigils. The evolution here is obvious. My point is Beelzebub is “Prince of the Air.” I find it sickening how the enemy has denigrated our Gods and claimed Beelzebub is “Lord of the Flies.” Many Jewish written grimoires have illustrations of ugly flies for Beelzebub, along with their monstrous images for our other Gods.

I have also noted many times in my studies, there is little if any real information about many different ancient peoples, such as the Avites whose God was Adramelech. All I have found is in the judeo/xian bible where the Hebrew brutally invaded and mass murdered them (genocide), as with many others. Of course, this is all a subliminal message of Jewish victory over Gentiles. The ancient libraries that were razed to the ground not only contained occult and spiritual knowledge, they also contained history. The above is a blatant example of history deliberately destroyed and replaced with lies.

Along with Jewish and Christian destruction of ancient knowledge, nearly all knowledge about Beelzebub was lost. Xians were at liberty to blaspheme, malign and slander the reputations of the Original Gods any way they saw fit. Since there was no opposition left following the razing of cities, mass murder of “Heathen” peoples, destruction of their temples, libraries and records, new generations had no other sources to turn to for information other than the judeo/xian bible concerning these Gods. Beelzebub/Enlil, was the Patron God of Nippur, a city in Sumeria which is now present day Iraq.

Beelzebub had his ziggurats, shrines and temples located in his city, Nippur. Below are photos of the remnants of his temple. The fortress on top of the mound was built by American excavators in the 1890's "to protect them from the local tribes." Beneath is the Great Ziggurat of Nippur and temple of Enlil:

Beelzebub/Enlil is the God of storms, atmospheric conditions, the wind, the rain and the air. His number is 50

His ziggurat of Nippur was called, "Fi-irn-bar-sag." He is the God who hurls his thunderbolts and lightning against the enemies of Satan. (More than one xian church has met with disaster on occasion). He is considered to be a gracious life-giving and life-sustaining God, taking care of his people, the beasts of the field, the fowls of heaven and the fishes of the sea. "Enlil [Beelzebub] is both a God of war and God of peace; a destroyer and protector, defender, restorer, upbuilder; inimical, hostile and most gracious." ¹

To enjoy his blessings one must enter into the right relationship with him and Satan. He carries out and enforces Satan's decrees.

“Enlil [Beelzebub] is neither afraid nor stands in dread of an enemy. A battle undertaken by him is pursued with unrelenting vigor till it is carried to its victorious end-- with him there is no pardon nor retreat:

‘The hostile not subservient land- from that land thy breast thou dost not turn.’

“If his anger is once aroused, there is no one who could induce him to leave or cool off.”²

Enlil/Beelzebub was a “protector and life-giver.” “As furious and destructive Enlil may be in his dealings with the enemies, as gracious, kind and loving he can be when his own people and country are concerned. He protects his people from hostile invasions by surrounding them and their home with a high wall or by becoming for them a fastness or house, the bolts of which he fastens securely so that the hostile hordes can neither climb over or overcome it nor can enter through its gates.”

“If his people are in need of rain, he opens the gates of heaven, pulls back its bars, loosens its fastenings, removes its bolts that abundant rains may water their fields; or he may do this to drown and utterly destroy the enemy.”

Below is an Ancient Sumerian hymn to Enlil/Beelzebub:³

The gate(s) of heaven
The bars of heaven
The fastenings of heaven
The bolts of heaven
Thou openest
Thou pullest back
Thou loosenest
Thou removest

“He sustains the life of both man and beast. In doing so, he does not neglect even the smallest and most insignificant who maketh to sprout, the grain art thou.

The ancient Babylonians were amazed at Enlil’s loving kindness, protection and support, praising him by exclaiming “He who protects (gives support).”

Endowed with extraordinary powers and authority. The emblem of his authority is a pure or bright scepter which he carries or holds in his hands or wields. He acts on the authority of Satan. This bright scepter is, however, not merely an emblem of authority, power and might, but also a stylus in the hand of Beelzebub, the scribe, by means of which he writes the will and enters the decisions of Satan.

“The twelve signs of the zodiac the year, seasons, months and signs of the zodiac have each and all their beginning and end, their boundaries or outlines, their pictures or drawings: Enlil [Beelzebub] indicates and proclaims them. There is a meaning and significance to each and all of them: Enlil [Beelzebub] interprets them. This he does by the “fullness of his manifestations.” “Enlil and His Seven Manifestations.” It is one of the most remarkable facts in connection with the nature of every god who, at one time or another, played the role of the “Son” in a given trinity, that such a god was considered to have “seven manifestations” of his powers.” “Seven” they were, because this number expresses the “fullness, completeness, totality.”⁴

Below is a diagram of Beelzebub's Temple at Ekron in Ancient Philistia:

*Beelzebub was known as "Pir Bub" to the Yezidi Devil Worshippers of Iraq. They claim he was the God of King Ahab. (Reference: Devil Worship 1919 by Isya Joseph, page 40)

The following is an Excerpt from "Encyclopaedia Biblica; a Critical Dictionary of the Literary, Political and Religious History, the Archaeology, Geography, and Natural History of the Bible"
Volume I : A-D, by The Rev. T. K. Cheyne, M.A., DD and J. Sutherland Black, M.A. LL.D. New York, The Macmillan Company; London: Adam and Charles Black, 1899

BAALZEBUB taking Zebub or Myla as the name Fly-god, a God of Ekron, whose oracle was consulted by Ahaziah king of Israel in his last illness. The name is commonly explained "Lord of Flies." True, there is no Semitic analogy for this but Pausanias tells us of a God who drove away dangerous swarms of flies from Olympia, and Clement of Alexandria attests the cult of the same God in Elis and we may, if we will, interpret the title "A God who sends as well as removes a plague of flies." Let us however, look farther. Bezold thought that in an Assyrian inscription of the 12th cent. B.C.E. "Baal-Zabnbi" was the name of the one of Zebub. Baal-Zebub was a widely known divine name, adopted for the God of Ekron. The restoration of the final syllable, however, is admittedly quite uncertain, and the reading Baal-Sapuna (see BAAL-ZEPHON, I) seems much more probable. Winckler, therefore, suggests that Zebub might be some very ancient name of a locality in Ekron (no longer to be explained etymologically), on the analogy of Baal-Sidon, Baal-Hermon, Baal-Lebanon. No such locality, however, is known, and Ekron, not any locality in Ekron, was the territory of the Baal. It is, therefore, more probable that Baal-Zebub, "Lord of Flies" (which occurs only in a very late narrative, one which has a pronounced didactic tendency), is a contemptuous uneuphonic Jewish modification of the true name, which was probably Baal-Zebul, "Lord of the High House

This is a title such as any God with a fine temple might bear, and was probably not confined to the God of Ekron. "High house" would at the same time refer to the dwelling-place of the Gods "mountain of assembly" in the far North. There is some reason to think that the Phoenicians knew of such a dwelling-place. The conception is implied in the divine name Baal-Saphon, 'Lord of the North' (see BAAL-ZEPHON), and in the Elegy on the king of Tyre (Ezekiel 28) ; and the Philistines probably knew of it. At any rate, the late Hebrew narrator or, if we will, an early scribe may have resented the application of such a title as "Lord of the high house" (which suggested to him either Solomon's temple or the heavenly dwelling of Yahwi, to the Ekronite God, and changed it to "Lord of flies," Baal-Zebub. This explanation throws light on three proper names, - JEZEBEL, ZEBUL, and ZEBULON, "from thy (high house) of holiness and glory." The same term could be applied to the mansion of the moon in the sky.

Sorath is "The Closer", while Azazel is "The Opener". Sorath The Great God does not like everybody for He is the Embodiment of the Everlasting Black Burning Sun alit as night to an everlasting day. His number is seven, he presides over the Thirteenth Sign of the Zodiac of which there exists only One; and His time is any Moon Void of Course. `` He Rules from the North.

The mind is very tricky, especially the part we magicians use. The God portion of the mind can do absolutely anything. Satan trusts His own, none else with this power. It will not activate for anyone, and if it does it will do so as a terrifying lesson to those who are without which attempt to harness The Power. I get "The Closer" part now. Sorath presides over the "unknowable mind" current of energy and is the God over the energy emitted by every Sun in the Universe. Then he rules the center of magnetism, and factor of life for all. Also photogenes and solar power of all kinds. Sorath said that all Suns in the Universe affect us not just ours. Northern fire -- the Sun above. Lastly miracles are not something Gods cause to happen. The Gods are beyond that. Their world is past the need or understanding of what a miracle is. Miracles come from US. What is a miracle to one may curse another; what is lost can be found by another for example.

- Ex-High Priest Salem Burke

Sorath is of the Nordic Race of Gods. He is tall, and has light blonde long hair.

Berith is a Day Demon and governs 26 legions of spirits

“Baal” means “Lord.” “Baal-Berith” is “Lord Berith.” He foretells the future, discerns the past, and can turn metal into gold.

He helps in rising to high places and receiving honors. He speaks with a very clear and soft voice. Baal-Bereth is the Father of the Yule season and the Yule (xmas) Tree. “The Christmas tree, now so common among us, was equally common in Pagan Rome and Pagan Egypt. In Egypt that tree was the palm-tree; in Rome it was the fir; the palm-tree denoting the Pagan Messiah, as Baal-Tamar, the fir referring to him as Baal-Berith.”¹

“The Christmas-tree, as has been stated, was generally at Rome a different tree, even the fir; but the very same idea as was implied in the palm-tree was implied in the Christmas-fir; for that covertly symbolised the new-born God as Baal-Berith, “Lord of the Covenant,” and thus shadowed forth the perpetuity and everlasting nature of his power, not that after having fallen before his enemies, he had risen triumphant over them all.”²

In Egypt they worshipped Nimrod as a palm tree, referring to him as the Messiah “Baal-Tamar.” Among the most ancient of Baals, he was known as Baal-Bereth, “Lord of the fir-tree.” He evolved into Baal-Berith, “Lord of the Covenant.” In Ancient Rome, where they also worshiped the fir tree, they called him “Baal-Berith.”

The 25th of December, was observed in Rome as the day when the victorious God reappeared on earth, and was held at the *Natalis invicti solis*, “The birth-day of the unconquered Sun.” Now the Yule Log represents the dead stock of Nimrod, known as the Sun-God, but cut down by his enemies; the xmas-tree represents Nimrod- the slain God reborn. The ancient practice of kissing under the mistletoe bough, most common to the Druids, was derived from Babylon, and was a representation of the Messiah, “The man the branch.” The mistletoe was regarded as a divine branch --a branch that came from heaven, and grew upon a tree that sprung out of the earth. Nimrod, the God of nature, was symbolized by a great tree. But having been cut down and killed in his prime, he was now symbolized as a branchless tree stump, called the Yule Log. Then the great serpent came and wrapped itself around Nimrod (the stump). Miraculously, a new tree appeared at the side of the stump, which symbolized Nimrod’s resurrection and victory over death. Here is an illustration of an ancient Ephesian coin:

Baal-Berith was known also as “Lord of the Covenant” and as “The God Berith.” He was a popular God and was worshipped in Canaan, Philistia, and Shechem. He was the protector of the covenant between Shechem and some neighbouring Canaanitish towns, which were originally independent, but were at length brought under subjugation by the Hebrews.

Any Israelites who might be dwelling in Shechem would be simply or protected strangers, and not parties to a covenant. The Temple of Baal-Berith had a treasury from which the citizens made a contribution to Abimelech. It was there that Gaal first came forward as a leader of the rebellion, and within its precinct the inhabitants of the tower of Shechem (the ‘acropolis,’) found a temporary refuge from Abimelech at the close of the revolt.”³

“Baal-Berith was also known as “God of the Community.”

Below are photographs of the ancient remains of Baal-Berith's Temple:

The remains of Temple of Baal-Berith are a round-ended, land-filled platform on which a massive temple once stood. Dated to the 13th/12th century BCE, it measured 86 feet long and 78 feet wide and its walls were around 19 feet thick. "Archaeologists believe that it was a two-story building."

It had one entrance to the east, in the middle of which was a column to support a roof, and on each side of the entrance was a massive tower. The eastern tower included a stairway that might have led to the second floor. Inside the main hall were two rows of columns. On the semi-circular platform in front of the temple, part of a sacred pillar or standing stone was found (seen on the right side of the above photo), Archaeologists believe it marked the temple entrance."

Gusion is DEFINITELY blunt, but polite; I asked him about something unrelated to the summoning, and he said simply, I should ask another Demon another time, and returned to the task at hand with magnificent deliberation.

I notice that Gusions answers are usually something the person HAS to accept in order to be stronger (even if just as a possibility) to strengthen them -- it's weird. But Gusion is good with questions too. All of them are honest if you make it clear, I think seriously they don't want to hurt our feelings. Gusion's method is to deliver hard information.

Shax is a Night Demon and rules 30 legions of spirits

He can cause one to become deaf, dumb or blind and can take away understanding. He can steal money or possessions and reveals the way to stolen property or hidden things. He provides good familiars and will transport anything. Shax has short blue hair. He has a medium build with dark skin. He gives one a feeling of power that comes from his aura. He is very powerful in his magick.

Ex-High Priest Salem Burke relates his experience with Shax: Shax is a good Demon. He has a totally good "work ethic", and will do a task specifically very enthusiastically. He's got a lot of odd angular . . . angles. He likes circular shapes, and uses them a lot (they are really not circular, they are just moving energies). But he walks along "pointed" angles with great ease -- something Goetic Demons do not tend to like. If you ask him several questions he will totally ignore the ones not related to the task at hand (i.e. love, etc. during an attempt to get a promotion), and not for any other reason than because his energy will be uselessly diminished. This is likely because (judging from his character) he is accustomed to "human interaction" -- he is a people Demon (but still a professional, and a good capable one, seriously -- he packs a good punch), and works immediately to fulfill the dominant and most likely task -- usually and in my case about money, and/or about catching a thief. Japs snatched my ATM card, and Shax had him locked away in a matter of minutes, just like he said. I have no doubt as to his answers, he answers quickly and accurately, and would not be the sort of Demon anyone would wish to cross. He is very powerful -- his residual energy was very helpful.

Inevitably my innermost concern became for Japs. I asked Shax once, "You will make absolutely sure you do not terrify him, or cause him permanent harm -- scare him -- and by this I do not mean like the others (as one is disfigured and the other paralyzed -- long time ago)?"

He answered very quickly and confidently, and powerfully. He said Japs would call me but would not admit it -- and that he had been restrained. Now Japs steals cars like I take taxis, and has never been busted for a GTA. Until, of course -- now.

I contacted Pazuzu about 1 week ago, just mentally. I kept calling him and in a little while I could feel him. He's a very, very powerful and positive Demon. I asked him for a favor which he did in just 24 hours and has promised to help me with other things. He loves poetry and feels very strongly about serving Father. He inspires poets and loves being remembered. If you're friends with him he'll protect you and give you insights about what your enemies are doing. He's really really good company. I too felt drawn to him ever since I saw the movie, "The Exorcist." I just knew deep inside that he's not nasty as the movie shows him, and I was right. Right now he wants me to write a poem about him. He's a good friend. May Lord Satan Bless him.

Lower Orders of Demons

Many of have seen and even interacted with lesser Demons. These are the Demons with the glowing red eyes, rubbery wings and some even have fur. Up close, many of these Demons have the most beautiful eyes, like glowing rubies, deep and rich in color. They are originally from different planets, but many live with Father Satan and the other Demons.

The lesser Demons are protectors, such as the Sumerian Demon, Pazuzu who is a protector of children and also women in childbirth. Pazuzu got a bad rap in the 1973 movie “The Exorcist” written by Catholic “William Peter Blatty.” This was the Christian retaliation against the 1968 movie “Rosemary’s Baby” which depicted Satan in a positive perspective. “The Exorcist,” frightened many away from Satan and pushed the belief in Demonic “possession.” AGAIN, fear is used as a powerful tool to keep people spiritually enslaved and ignorant. Unlike the Christian “God” and his ilk, Satan and his Demons do not use coercion, nor do they push themselves upon anyone.

Pazuzu

Satan respects free will and people come to him willingly, not through fear or use of force. Many of us have invoked Demons (let them inhabit our bodies) and let them speak through us; no harm has ever come to anyone. Angelic beings on the other hand are notorious for this sort of thing and of course, like everything else, it is blamed on Satan.

Bes

Bes is another example of a lesser Demon. Demons of this race are the ones with the beautiful ruby like eyes. These Demons are protectors, patrons of music, dancing, healing and are guardians. In Ancient Egypt, dwarves (these lesser Demons) were revered and highly respected. These Demons are short, they are only two to three feet in height.

The Hierarchy and Order of Demons

HIERARCHY OF THE DEMONS:

First Hierarchy:

Seraphim
Cherubim
Thrones

Second Hierarchy:

Dominions
Principalities
Powers

Third Hierarchy:

Virtues
Archangels
Angels

NOBILITY RANKINGS OF HELL:

Prince
King
Marquis
Duke
Earl
President

The Crown Princes of Hell appear to be the most high ranking; above the Kings. As for the military titles of Hell's Army, these are the same as for the human military.

Demons who belonged to certain orders often specialize in certain abilities and powers. In my own experiences, I have found our Personal/Guardian Demons are the ones we go to for nearly all of our needs, even those outside of their offices. Sometimes, our Guardian Demons will seek assistance from other Demons for us. Also, if we work hard for and are dedicated to Satan, Demons can come to us on their own, offering their help in times of trouble. This has happened to me.

Here is some info on the hierarchies and powers:

THE ORDER OF THE POWERS, ALSO KNOWN AS THE SERAPHIM; FLAMING ONES, specialize in revenge/justice issues and the defeating of one's enemies. The teaching of Astrology, healing arts and divination; in guarding things and in defense, both here and on the astral. They are of the element of fire.

THE ORDER OF THE CHERUBUM specialize in foretelling the past, present and future. They can assist one in astral projection, accessing past lives and looking into the future. They have knowledge and rulership over the fixed stars.

THE ORDER OF THE THRONES ALSO KNOWN AS OPHANIM specialize in the rulership of the planets and in issues of justice and revenge. They are helpful in the practice and powers of Black Magick.

THE ORDER OF DOMINIONS/DOMINATIONS ALSO KNOWN AS THE BRILLIANT ONES help us to access the power of Satan within us. Realizing our true potential and abilities. Revealing to us our own powers and communion with Satan. They assist in meditation, spiritual/psychic empowerment and in the integration of the material and the spiritual As above, so below. One must have balance in both the material and spiritual aspects of life to become whole. Both the material and the spiritual are essential to each other, as opposed to what the RHP religions teach.

THE ORDER OF THE VIRTUES, ALSO KNOWN AS THE MALACHIM, TARSHISHIM; DEMONIC KINGS bestow confidence and fearlessness, helping one to get the job done when one's back is against the wall. They assist in magick and help to encourage us.

THE ORDER OF THE PRINCIPALITIES influence worldly events, large groups, nations and world leaders. People in power benefit from the council of these Demons.

Ouija Board

Ouija Boards are excellent for contacting and having conversations with Demons and spirits. I prefer to work the board alone, as another person is a distraction and prevents any real intimacy with the spirit contact.

For those of you who are new to this, make sure the board is on a completely level surface. It is important to enter into a trance when using a ouija board.

Place your fingertips lightly on each side of the planchette. Soon it will gently begin to pull. Just relax and let it work. It can take a few minutes to get going. It is important to be free from distractions and not to be disturbed.

My experience is I sort of go into a trance. Like when scrying or invoking spirits of the deceased, everything else in the room is blocked out. My total focus is on the board. It is sort of like an aura around all of the edges of the board and my attention is completely locked in and nothing else outside of me, exists. This is just my own experience, we are all individuals, so some of yours may be different.

I am finding more and more, the higher ranking the Demon, the more energy you will feel. I have a Demon who is close to me and last night I conversed with him, using the board. I don't remember how long I was using the board. This was for quite a while. He asked me to say something specific out loud. When I did, I really felt powerful energy light up like a flame inside of me.

When we have very close contact or invoke Demons, we can feel their energy. My skin still feels sensitized, like when I have a fever or sunburn, only no pain, even this morning. Their energy is electrifying. Father's energy is different, as I'm sure many of you have experienced during and after rituals. Calming and beautiful.

Demons come to us through telepathy and astral projection. It is my experience that Demons project differently than humans. With humans, you can see the connecting strands and when they leave, they snap back out quickly. Books say they are silver colored. The ones I saw were copper. I have never seen strands with Demons, but I know the higher ranking ones physically exist in another world. There are some Demons who can stay with us at all times, to protect us. These Demons are lesser as they are in spirit form.

The more you use a Ouija Board, the better you will become in working it. When we establish a close relationship with a Demon, all we have to do is tune into them and they will usually come to us.

Each of us is individual and will have slightly different experiences in using a ouija board and receiving messages:

- The automatic method - In this case, the planchette moves automatically, without the operator knowing what the spirit concerned is going to say. Messages in foreign languages will also be received, even in languages the operator does not know and has never heard before.
- The inspirational method - this is the most common: here the messages will be given in a sort of thinking aloud inside or outside one's mind. In this case, one practically knows beforehand what the spirit is about to write. By frequent repetition this inspiration will become a loud thinking and listening in the passive communication. One will perceive messages from the one's mind or from outside of the self. This is sort of like dictation- the words come into your head and then your hands move the planchette.

- The intuitive method - where you have the feeling as if you moved the planchette yourself. Any questions will be answered instantly. This is a kind of clair-knowledge. The planchette spells out words and sentences in full consciousness, without the operator hearing anything or being inspired in any way.

The methods also can appear in a mixed kind, for example half automatic and half inspirational or intuitive and inspirational or all together. Which of the methods will be the dominant one will only be known after a long period of exercising. Each of the methods is good and reliable, provided you are using it honestly and candidly. Practice makes perfect!*

Using a Pendulum

Pendulum Practice:

Everything takes practice, patience, and above all persistence, in the psychic realm. Most pendulum adepts have worked with their pendulums for years. When one is advanced, a pendulum can reveal practically anything.

For those of you who are serious about becoming proficient with a pendulum, I suggest you start out with asking the pendulum several unimportant questions at the beginning of your day, questions that pertain to events you know will occur during your day.

For example: Will it rain today? Will I receive money today? Will I get off from work early today? Ask easy questions that are not of any great importance, as emotions and desires very much affect the answers we receive and this is where inaccuracy can step in. Record the questions in your black book/book of shadows/journal. At the end of your day go through each question and write the answer and note whether the pendulum was accurate or not. You can also use your pendulum for finding lost or misplaced items. Always record the accuracy in your black book.

After several months, you should notice a lot of improvement in your accuracy. If you want to advance further, try asking the pendulum questions using a map.

When recording your work in your black book, it is often helpful to note the time of day, the moon phase, the weather and other phenomena. For ladies, including your time in your menstrual cycle is also very important. I have found this affects us more than most are aware of as it has to do with the moon. Remember, it is always important to be as relaxed as possible when working with a pendulum as to access the right/psychic side of your brain, which operates through the pendulum.

Using the Pendulum:

Sometimes, we need easy answers to things. A pendulum is usually accurate, easy to use and takes little time. Begin by taking something like a small crystal, pendent, ring or other small lightly weighted object and attaching it to a necklace chain, string, ribbon, or some other kind of strand. This should be only kept for divination purposes and not for other uses.

Hold the strand with your fingertips and let the weighted part hang. For those who are new and or inexperienced with using a pendulum, it is a good idea to place yourself into a trance when working with a pendulum. Once you are confident in obtaining correct answers, you no longer need to be in the trance state. Now ask a question you know the answer to, like what day it is. Start out by asking yes or no questions. See what the pendulum does and get a feel for it.

I have found swinging right/left, like shaking ones head to imply no, means no and forward/backward like a nodding of the head means yes. When it goes in circles, the answer is uncertain. The wider the swing of the pendulum, the more accurate the answer. Pendulums can also be asked questions regarding how much, how many. The pendulum will swing, stop, swing again, and continue to do so a number of times before it completely stops.

For finding lost items, take the pendulum around the area and ask it if you are near the lost item. Spirits can also communicate to us through pendulums. We can concentrate and focus on the name of the spirit or Demon we wish to contact. The pendulum is an excellent way to communicate with Demons. With Demons, the pendulum can be placed over a drawing of or copy of the sigil and asked questions.

THE VARIOUS USES FOR A PENDULUM:

Pendulums are an excellent means for communicating with the spirit world, checking the accuracy of other readings and divinations and many other different things.

TO FIND SOMETHING LOST:

In a Room - hold the pendulum and ask where the object is located. The pendulum will swing in the direction of the lost object.

In a House - Ask the pendulum, room by room, i.e., is it in the kitchen? yes/no, bathroom and so on until you narrow it down. Then go into the room and section it off.

On a Map - Start by asking if the missing person or object is in the area of the map. (For missing persons, it is helpful to have a photo and an item he or she has touched or worn). Hold the pendulum in the hand you normally use to divine with it and a pointer or pencil in the other. Point to places on the map, until you arrow it down and go from there.

Outside:

Ask - "Am I facing the right direction to find... If the pendulum swings foreword or backward, you are moving in the right direction. In circles, move with the circle slowly, until it swings foreword and backward.

You can also draw a floor plan of a house or building and ue the map method.

OUTDOOR RITUAL SITES:

Try using a map at first to pinpoint a good area. Places where Ley Lines and other energies on the Earth grid intersect, are powerful spots to perform all kinds of rituals. The pendulum will circle so fast when positioned over these areas, it will nearly be parallel to the Earth. The stronger the energies, the faster the pendulum will spin.

PAST LIVES:

You can write dates on separate small pieces of paper or cards and space them out, evenly on a table. Ask about your past life and the pendulum will swing in the direction of the paper with the accurate date. You can keep going back this way in time. You can do the same with continents, narrow it down to countries in which you lived. People you now know and their relationship to you in a past life. Put on separate pieces of paper- lover, friend, spouse, family member and so on. Name the person and ask the question.

HEALTH:

Ask about each area of your body or ask the aura of someone you want to know about. Keep narrowing down the questions with each answer you receive from the pendulum.

GAMBLING:

Be careful here, as mistakes can be costly, but you can take the pendulum to a casino and ask if this is a table or slot machine, you can win big at quickly and easily. The same can be done when betting on horses and so on. *It pays to be real experienced before you start going for the money.

RELATIONSHIPS:

A pendulum can tell you all sorts of things about other people. A photo or personal item of the person in question is a big help, but is not necessary. Just hold the pendulum over the item and ask questions.

PLACES TO GO TO SHOP OR GET REPAIRS DONE:

Just open the phone book and ask where is the most inexpensive and the best quality place for what you want. Name places and the pendulum will answer yes/no. A pendulum can also be helpful in diagnosing car trouble before pulling everything apart or taking it to a shop.

RITUALS:

Ask what kind of incense to burn, the best time to perform the ritual, the best place, candle colors and so on.

DEMONS:

For simple contact of a Demon, place the pendulum over the Sigil of the particular Demon and begin asking questions.

TAROT CARDS:

Lay out several Tarot Cards as possible answers to a question. Ask the question and the pendulum will begin swinging in the direction of the card with the answer, until a yes is reached when it is placed directly above the card.

Any yes or no questions can be accurately answered with a pendulum. Small cards or papers with names of people, places or things can be lined up from left to right and the pendulum will start swinging in the direction of the card or piece of paper with the answer.

The pendulum should swing widely, as this is a definite yes or no. Circles are uncertain and a small swing is not so sure.

Dabbling in Satanism

My purpose for writing this sermon is because I feel this issue is something important for people to be aware of. I do not believe in telling others how to think or what they should or how they should believe, this is up to the individual, but one important thing everyone should be aware of is- Satanism is very different from other religions. Satanism is different in that it does not mix.

Mixing Satanism and Christianity for example is like mixing water with electricity. I have seen and read accounts where certain people who had an interest in Satanism, still had sympathies with Christianity. There were still strong unconscious ties to the Christian religion, most resulting from intense indoctrination. Most of us come from Christian backgrounds and for many there are lingering issues and hang-ups. Christian programming is very intense and given the extremely large amounts of psychic energy that have gone into it through centuries of Christian prayers and belief, there is a lot of power one must overcome to be totally free.

People who are uncertain of their beliefs and who still have strong ties to Christianity or other related religions, either consciously, or in many cases subconsciously, are setting themselves up for some very frightening and negative psychic experiences.

Calling upon Demons and going deep into the occult can bring up some very unexpected negative encounters for dabblers. This is the work of enemy alien entities that use fear to keep humans away from Satan. In most cases this works, as it instills terror in the dabbler and he/she usually goes running back to the nazarene and blames Satan. I strongly suggest those who wish to go this far, first become strong in Satan.

Very, very few, if any, progress in power unless they have a powerful protector. When one who is serious in developing the powers of the mind advances to any formidable level, or has any serious ability, he/she will be approached by powerful entities asking him/her to take sides in the spiritual war. The truly gifted who walk alone usually don't live very long on this earth without the protection of a higher power.

I feel it is important to warn those who are undecided or lukewarm to stay away from calling up Demons or trying to contact spirit entities until they are spiritually ready. Everyone is welcome here, from the dedicated to the curious.

Knowledge should be open and available for everyone. There are some things, though that are advanced and one should wait before getting involved in these practices. At some point, it is a very important step in Satanism to cut all ties with any and all other religions. To avoid doing this is inviting disaster. This must be done from the soul in that there should be no indecision or mixed feelings. If there are mixed feelings, then one should wait, as this is a permanent step.

For those of you who have already performed dedication rituals, you are fine. You can get into the advanced practices, but it is still important to deprogram yourself from any Christian teachings.

Gods & Animal Forms

The animal forms are symbols, which represent the Power of the Gods. The Peacock is sacred to Satan and represents the multi-colored stage of the Magnum Opus following the Nigredo. The peacock also symbolizes the rainbow colors of the third eye when this chakra is fully empowered and activated.

Anubis is symbolized by the jackal, but this does not mean that Anubis IS a jackal. I met him and I have worked with him. He is very humanoid.

Point being, if someone has strong expectations of how the Gods or a certain God should manifest astrally, this will influence how he/she appears to that person to a greater or lesser extent; no different from astral communications. If someone strongly and subconsciously associates a certain God with his/her animal form, they may very well see them as such, but this is not the accurate appearance of the God.

As for myself, when I was new, I thought Satan would manifest as a being with red eyes and horns and would send a shiver down my spine, but I was open and didn't really know. I was very surprised to see he was tall, broad-shouldered, blonde, and wearing a long white robe.

As for the Jewish concocted and defiled grimoires, the insulting images of our Gods are to instill a very ugly and offensive image in the minds of those who read this trash, in attempts to again- use fear to deter one from establishing a relationship with the God/s. Suggestions are very powerful, especially when one is young.

Hideous and insulting images ARE of the enemy. The animal symbols for the Egyptian Gods are not.

Demon Friends

Due to the false teachings of enemy religions, there are those among us who do not take our religion as serious as they should. The spiritual growth, liberation, and power that are available to us as Satanists are often beyond the awareness of many.

There are times we may have trivial issues or instances where we could use some correction, enlightenment and spiritual assistance. When we establish a relationship with a Demon friend, we have someone who will patiently guide us, direct us, and work with us one on one.

Many see Demons as magickal assistants who will help in avenging enemies, securing money, love, success, and so forth. The Demons are there to help us out in our external affairs when we are new, but another very important area is also that of spiritual growth. In the area of advancing spiritually, many are unaware of the help a Demon friend can be. The goal of Satanism is self-empowerment and spiritual self-sufficiency.

Through my relationship with my Demon, Azazel, I have learned much more about Father Satan and our religion. All of this has been very enlightening and positive for me and I learned many things I never knew before. There are those of us who have issues, questions and blocks that would benefit greatly by working one on one with a Demon.

For those of you, who are new to Spiritual Satanism, when you feel ready, perform a ritual where you ask Father Satan to send you a Demon to work with you, personally. This in truth is what the Demons are for; helping us to become as Gods in a literal sense.

Write your request on a piece of paper, asking that Father Satan send you a Demon for you and at the height of the ritual, read it aloud and then burn the paper. This is just a suggestion, as many of us have our own way of performing rituals.

You will receive signs soon afterwards. Remember to be patient, open and aware. You will recognize your new friend. I cannot begin to tell you the further enlightenment I have received and how I have improved and become much stronger in Satan. Life is an opportunity to improve and advance.

Incubi and Succubi: Sexual Relations with Demons

Spirit sex is real. It requires some psychic work in order to open your mind to senses not normally accessible to the average person, but the way to do this is much easier than with other methods and a lot more pleasurable. Demon friends and lovers are wonderful for those who are in prison or incarcerated in any way.

Many of us have experienced actually being physically touched by a Demon. The feeling is just like that of being touched by a human hand. This can go much further into actual sexual intercourse and lovemaking. Sexual intercourse with a Demon is blissful ecstasy. Because Demons come to us in etherial/astral form, they are able to penetrate our bodies and stimulate areas not easily accessible by other humans. Male Demons have no trouble finding and stimulating the G-spot in their women partners. Female Demons can get right to the prostate gland in their men, resulting in a full deep orgasm.

HOW TO BEGIN:

First off, it is important to perform a ritual to Father Satan, stating your needs, whether they be just sexual, a love/sexual relationship, an open relationship, where you are free to have other sexual partners without any jealousy on either side; be specific.

Some Demons are monogamous, in that they only have one partner and this goes both ways. These Demons take monogamy VERY seriously and if a relationship is violated by a human being, the partner of the human being could in the worst of cases wind up dead. Demons are known like humans to become very jealous. If a human is in an empty marriage and is just having sex with their spouse out of a sense of duty, Demons can be very understanding regarding this and will often overlook it, provided, in monogamous sexual love relations, your Demon is always #1. Keep in mind, once a commitment is made it will last a lifetime and beyond, so don't take this lightly. Your Demon will remain monogamous, also.

You should find a Demon who is compatible with you. Remember, if you want a free, open relationship where you are free to have other sex partners, you must specify this in ritual.

After your ritual, YOU MUST BE RELAXED AND OPEN, more than likely, your Demon will come to you when you are lying down and relaxed in bed. This will feel like electrifying energy and like kundalini, it feels exhilarating.

Now, for people that are new to this, to begin this and open up, just begin fantasizing about having intercourse with your Demon. Most Demons are very physically attractive as opposed to all of the trash written in the grimoires and the horror stories. Ask your Demon to show themselves to you. Relax, close your eyes and tune in. You should see an image of your Demon in your mind. Even if you can't, you can picture an ideal lover for an image your Demon can inhabit to start with.

When you begin to fantasize and do this a number of times, your Demon will feel this on the astral and enjoy it as well. You can masturbate yourself to orgasm in the beginning, until a full physical manifestation takes over. When you do this, your Demon will have an orgasm, as well. This will take time so be patient and persistent. The fantasies, done night after night will begin to get much more vivid and before you know it, you will feel your Demon and even see your Demon as you would another human being. Your Demon will work with you to open your psychic channels, as opposed to just plain fantasizing on your own.

Your Demon will more than likely come to you each night when you lie down to go to bed. Demons enjoy sex very much and they can wear out a human being. One man actually had to push a female Demoness off of himself in the morning in order to get up for work after having all night sex. She didn't want to stop. Pleasure is way beyond anything with a human being and spiritual sex can become addictive. Chances are, no longer will human sexual relationships be desired or satisfying. In addition, one does not have to worry about contracting sexually transmitted diseases or experiencing unwanted pregnancies.

A Demon lover will also be protective of you. They are wonderful with listening to any worries, concerns or problems and are often helpful in punishing enemies and taking care of things for you. When the proper psychic channels are open, two-way conversations can take place. This is an enormous help in spiritual empowerment and advancement. They will tell you things, teach you and in some cases, even contact other Demons for you.

Intense contact with Demons involves an energy exchange. The Demons, being on a higher spiritual level than humans have much more energy and extreme closeness can produce effects in us humans that feel like sunburned skin and/or oversensitivity, until we get used to this or advance our own energy levels, which is the goal of Spiritual Satanism.

Guardian Demons

High Priest Salem Burke uses a homemade Ouija Board to communicate with Demons

“I WAS DEMONSTRATING FROM THE FLOOR, USUALLY I DO NOT PLACE ANYTHING LIKE THIS ON THE GROUND UNLESS THERE IS A CLOTH BENEATH IT SPECIFICALLY FOR THAT PURPOSE (AND THE TV IS NOT ON). EVENTUALLY I CUT THE CIRCLE OUT. THE SECOND BOARD WAS “AUTO” CUT WITH AN EXACT-O KNIFE (PER AUTO-WRITING), AND CAME OUT IN A TRAPEZOIDAL SHAPE.” “I DO NOT RECOMMEND PLACING A CANDLE ANYWHERE ON THE ACTUAL BOARD. “

- High Priest Salem Burke

A close friend of mine and myself were working a Ouija Board. She asked if there was a Guardian Demon for her. The planchette spelled out G-U-S-I-O-N. Later on, Gusion appeared to her in a dream. A couple of weeks later, I drew his sigil, we took it to the tattoo shop, and she had it tattooed on her arm. She has made some major improvements and things have been going well for her.

My Demon is not a Goetic Demon and I had some trouble finding his Sigil, but I found it and did the same. I also had his name tattooed on my arm under his sigil.

We don't have to have tattoos to get in touch with our Guardian Demons. There are several methods for contact. One method is to use a Ouija Board. We don't have to have another person working a Ouija Board with us. I work my board alone most of the time. When there are two or even more people working a Ouija Board, this can create distractions and this can cause the board to give inaccurate answers. In addition, there are many times when one wishes to ask personal or private questions. This is best when done alone where one can relax into a trance, which is so necessary for operating a Ouija Board.

When I was new, my Demon first communicated through letters. U R (you are) C U (see you) for goodbye. This way, I definitely knew this was for real, as I expected words. Another interesting thing, I have the planet that he rules over, ruling my house of partnership. He also rules an astrological point and that planet is exactly on the point in the sign that he rules. This is not the norm, though as I found later that he and I were extremely close in a past life thousands of years ago.

Another method of finding out who your Guardian Demon is, is to use a pendulum. You will need a decent pendulum and a wide mouthed glass jar. Start out by asking how many letters are in his or her name. The pendulum will start to circle, then stop, then circle again, then stop and again make circles until it completely stops. Count the number of times it makes circles and here you will have the number of letters in your Demon's name.

Dangle the pendulum, holding it between your thumb and index finger in the glass jar, keeping your hand outside of and directly over the jar. Begin with the first letter and ask the pendulum if it is A, B, C and so on. When the pendulum hits the side of the glass jar, write down the letter and continue on to the next letter in his or her name, again going through the alphabet. Make sure you are completely relaxed and preferably in a trance for an accurate reading.

Using a Ouija Board is also an excellent way of establishing contact and getting answers, especially for those who are new to Satanism. Those of us who are experienced normally communicate with our Demons telepathically.

My Demon definitely wanted to make contact with me. He helped me with religion and how to better relate to Satan when I was new. He also helped me with meditation and spiritual exercises. For those of you who are doing yoga and/or chakra work, just be persistent. It took me a couple of months when I started at age thirteen. I was too young to understand what yoga was really all about, but I definitely could feel the energy.

Our Guardian Demons can help us in our magick and spirituality.

If You Have Trouble Finding Your Guardian Demon

By Caitlin/Silvercrab, Satanic Gay Community Member

The mistake most new people make is attempting to find their Guardian through a pendulum or Ouija board. If you have absolutely no past experience or practice with these items, they probably won't work for you. Using a Ouija board or pendulum takes SKILL and PRACTICE. When you're new, you must be in a trance and completely disconnect yourself from the board or you will end up talking to yourself, which is a very common occurrence. There is also a chance a negative entity might interfere with communication or fool you into believing they're a Demon and give you false information. So as you can see, a lot can go wrong here if you aren't already skilled in these areas.

So, how do you find your Guardian? There are many reliable ways, such as Astral Projection, Astral Merging, using a black mirror, or invoking the Demon. But all these are advanced methods which most people are unable to do until they are at least on the intermediate level. So for beginners, here are a few things you can do to narrow down the list.

Go look through ALL the Demons listed on joyofsatan.com, even the "High Ranking Gods and Crowned Princes of Hell" section because hey, you never know. Also, don't forget the section underneath the S - Z Demons titled "More Gods". Not everyone's Guardian Demon is going to be one of the 72 Goetic Demons, but that doesn't mean your Guardian is any less special. Pazuzu, for example, is not one of the 72 Goetic Demons, but he is very powerful and is a great protector. Write down the names of the Demons who interest you, the ones you really like. Once you have a complete list of Demons who attract you, apply these tips:

*Your Guardian Demon will usually have the same element(s) as you. When I say that, I'm not referring to your astrological sign, I'm referring to the element you love the most. You do not need experience with invoking the elements to figure out which one is your favorite. To read information on each one, see the section "Advanced Meditations", in the Joy of Satan website.

*Kudos to Reverend Mageson and High Priest Jake Carlson for figuring this one out. The sex of your Guardian is usually dependant on your own sexuality. Meaning, the straight man has a female Guardian, the homosexual man has a male Guardian. Even the most evenly split of bisexuals have a preference. If you're a bisexual woman who likes other women just a little bit more than men, chances are you'll have a female Guardian. I believe this pattern has to do with what you're most comfortable with.

Now that you've narrowed down your list (but please remember that the above tips are not set in stone and might not apply to everyone) ask yourself these questions:

"Am I truly comfortable with the idea of _____ being my Guardian Demon?" When I was new, there were several Demons I thought looked very cool and kick ass, but when I thought about it after a few days, I realized the idea just didn't feel quite right.

"Do I love absolutely everything about _____?" This is self-explanatory. There may be a Demon that you really like and respect, but if you embrace the idea of him/her as your Guardian and you feel a consistent longing to keep looking at other Demons, then he/she probably isn't the one. When you find your true Guardian, you should feel a strong bond, an unquestioning love. Most people have been with their Guardian in many other lifetimes, which is where that feeling comes from.

And finally, “Is there any reason to believe _____ would not suit me as a Guardian?” Don’t just take the information listed about the Demon into account. You’re probably not going to have everything in common with your Guardian. For example, someone with Bifrons as their Guardian might be very interested in necromancy and astrology, but not in learning the magical properties of herbs and stones. Use your intuition with this question.

By now you should have narrowed down your list to only one or two Demons. Now comes the part where you figure out if He/She is really your Guardian:

Get yourself into a deep trance.

Vibrate the name of the Demon 30 - 40 times. (Ex: Amon. A-A-A-A-M-M-M-M-O-O-O-O-N-N-N-N). After a while, you should feel his/her energy. Connect with the Demon as best you can.

Ask _____ if he/she is your Guardian. You will probably not see or hear anything if you are not psychically open, but you should FEEL their response.. Interpreting energy like this might be difficult at first, and if you don’t understand the response, then tell them you don’t understand and ask for a stronger signal. If you receive a very warm, positive signal then you’ve probably found your Guardian. If not, go back over your list and try again.
