

Jews Created Communist China

The Jews in the West established Communism in China by working with the Jews within Asia. A well known Communist Agent in Manchuria was Abrams, an Asian Jew. Today the Jews still run China. The higher in rank and power one goes, to the top of the Communist Party, the more Asian Jewish names appear until they are all Jewish. This is no different from the former Soviet Union. Today the International Jews have systematically built up Red China into a major economic and military power, as was done with their former Soviet Union for the same goal- to advance Communism by military conquest. We could have Red Chinese and North Korean troops our soil at some point. Red Chinese troops have been taking part in military training exercises on European soil, with Russian forces of late. For the invasion of European nations: beforeitsnews.com/war-and-conflict/2013/09/russia-china-hold-large-scale-war-games-2449002.html?

The Communist Party in China was created by the Jewish Communist International during a meeting in Shanghai between Jews from Russia and Chinese Jews. [Shanghai has always had a large Chinese-Jewish population].

In order to advance their interests, Jewish Lenin and Trotsky sent Jew Gregory Voitinsky to China to make contact with leftist intellectuals, like Jew Chen Duxiu.

Politically, Chen advocated the Trotskyist theory of Marxism.

Voitinsky was sent over to China by the Comintern chairman, a Jew named Ovsei-Gershon Aronovich Radomyslsky Apfelbaum, also known as Grigory Yevseevich Zinoviev.

[Zinoviev was the long-time head of the Communist International and was a stooge of Jew Lenin. During Lenin's illness, Zinoviev, his sidekick Kamenev, and Joseph Stalin [my note: Kamenev and Stalin were both Jewish] formed a ruling 'triumvirate' [or 'troika'] in the Communist Party, playing a key role in the marginalization of Leon Trotsky].

Chen decided to run a special edition on Marxism. The edition of this magazine was the most detailed analysis of Marxism then published in China, and achieved wide readership due to the journal's popularity.

In 1921, Chen Duxiu, Li Dazhao and other prominent revolutionary leaders founded the Communist Party of China. Chen Duxiu was the Dean of Peking University. Chen had participated in the Xinhai Revolution in 1911 which overthrew the Qing Dynasty and established the Republic of China.

Why did so many white Jews end up in Shanghai and then later in Hong Kong?
[To aid a Communist take over]

Well, he was a Chinese Jew, first educated at Yali School in the provincial capital of Changsha and later at the Rothschild-run Yale-in-China University. Later he was sent on a Jewish scholarship to Munich University in 1926 where he received his Ph.D. in political economics in 1932, and a crash course in Marxism.

Dr. Ho Feng-Shan, was planted [By Rothschild] as the Chinese consul-general in Vienna from May 1938 to May 1940. When Jews wanted a safe sanctuary before and during the Second World War, Jew Dr Ho more than 21,000 visas to white Jews; left, right and center. [My note: this was to be able to ship as many Jews into China from the West to advance Jewish Communism as was possible.]

1949: On October 1, Mao Zedong declared the founding of the People's Republic Of China in Tiananmen Square, Beijing. He was funded by the Rothschild created Communism in Russia and also by the following Rothschild agents: Solomon Adler, a former United States Treasury official who was a Soviet Spy; Israel Epstein, the son of a Jewish Bolshevik imprisoned by the Tsar in Russia for trying to incite a revolution there; and Frank Coe, a leading official of the Rothschild owned IMF.

Mao would later mass-murder some 70 million+ innocent Chinese people under his rule mainly to destroy traditional Chinese Culture. As with Christianity [The Inquisition], any practitioners of spiritual systems were outlawed and put into

gulags where they endured a slow and torturous death. Communist systems were the new culture of control. With Chinese control, Tibet was next on the list as being the last bastion of spiritual knowledge and histories of humanity. All the Jewish systems seek to remove spiritual knowledge from Gentiles and keep it in the hands of the Jewish elite. This is a major part of their domestication program: <http://groups.yahoo.com/group/JoSNewsletter/message/170>

A century and more before the Rothschild's and the Solomon Brothers used their control of England and its control of India to run the Opium trade into China killing tens of thousands and wrecking entire communities to the point the Chinese fought the Opium wars to try and throw the Jewish dealers out.

Chinese Jews:

"A Jesuit missionary, upon visiting the province of Honan, found a considerable Synagogue in the city of Kaifengfu. He soon became acquainted with some of its learned chiefs, who introduced him into their Synagogue and showed him one of the Parchments or rolls of the Pentateuch written in Hebrew, together with the books of Joshua, Judges, Samuel, Kings, some of the prophets, containing their liturgy and commentaries they owned. They had lost some of the sacred books and some of their targums or paraphrases. This loss was caused by a violent overflowing of the great river, which had laid the capital entirely under water and had damaged their Torah, or roll of the Pentateuch, and upon which they ordered twelve new copies to be taken from it...

My elder brother -- I am not yet forty years old, but I have thought and talked much with my friends about our ancestors, who were rich and numerous and who worshiped in a fine synagogue, built on the land presented to them by the Emperor Tai-tsti. This synagogue, you know, has been swept away by 'China's Sorrow' [the Yellow River]. Our ancestors came to this land from the northwest nearly three thousand years ago..."

CHINESE COMMUNISM?

YES, but it was JEWISH when it started. [My note: it still is].

The following article by Arnold Leese was reprinted from Gothic Ripples, No. 49, dated 28th February, 1949. It shows that the seeds of Bolshevism were planted in China by Jews, who also tended and trained the growth that resulted. The corruption of the regime of Chiang Kai-shek caused many of the masses in China to turn to Communism for relief, since Chinese Communism is mixed with Nationalism and discourages the old Chinese curse of official corruption; but Communism in China has the same dehumanizing effect on the people as it has elsewhere.

THE JEWISH ROTTING OF CHINA

It was the Sassoon family that turned the general Chinese suspicion of and dislike of foreigners into hatred. David Sassoon controlled the Opium Trade in China from 1832 until he died in 1864. His family carried on the Trade under our Flag and made huge fortunes. The British took the blame, and now the Chinese loathe us; just as we took the blame for the Jewish atrocities at Nuremberg, Spandau and elsewhere in Germany, so that the Germans now hate us.

Backed by the Sassoons, the Shanghai Opium Monopoly existed until 1917 under the Jew Edward Ezra; its Managing Committee being composed entirely of Jews and Indians. Not only did the British Flag protect the Sassoons in this abominable trade which the Manchus did all they could to prevent, even to the extent of war, but also these Jews were welcomed in England instead of being ostracized. Royalty petted them and they intermarried with Aryan aristocrats. Some became Baronets and one a Minister of the Government.

When the Freemason [Jewish Rothschild's front] Sun Yat-sen, began his revolutionary movement at Canton, the Jew Morris Cohen, a British subject, became his aide-de-camp and was sent by Sun around the globe to get military experts for his revolutionary army. On Sun Yat-sen's death bed, this Jew was commended to Chiang Kai-shek and he was employed as liaison officer between the Canton Government and all foreign Consulates-General. Cohen became known in China as Moi-Sha, and was made Military Counsellor to the Cantonese Forces, and a General, although still a British subject.

As late as 1939, Cohen was travelling the high seas under the protection of our Flag. The last we heard of him was late in 1945 when he emerged from a Japanese prisoner-of-war camp. The South African Sunday Express described him as "the guiding genius behind the War-Lords of China".

The Soviet Jew, Jacob Borodin [real name M. Grusenberg] was sent by the Kremlin with the Jew Joffe, in 1923, to try and bolshevize Sun Yat-sen and became Chief Political Adviser to the Kuomintang. His wife, a Jewess, spied in China for the Soviets. When Sun died, Borodin was left in charge and it was he who appointed Chiang Kai-shek to succeed Sun in 1926. However, in 1927 a raid was made by Chang Tso-Ling on the Soviet Embassy at Peking, which revealed the scope and extent of the Soviet plot to bolshevize China, and the Borodins were arrested and imprisoned.

In 1923 the notorious Jew, Trebitsch Lincoln, ex-M.P. in Britain, headed a Chinese mission to get arms for Wu Pei Fu, a War-Lord with a fine character, but failed, probably purposely, in the attempt. After that, Lincoln drifted about, too mistrusted in China for any other important role.

The Soviet General, B. K. Galen, who was really a Jew called Chesin, and was nicknamed Blucher, accompanied the "Armenian" Soviet Delegate Karachan to Peking in 1924 where a treaty was made with Chang Tso-Ling by which the Chinese Eastern Railway was handed over to the Soviets. This placed the movement of troops at the mercy of the Bolsheviks. The intrigues and bribery by which this surrender by Chang Tso-Ling was obtained were carried out through the medium of a Jewish timber magnate called S. Skidelski. At once, the Railway was placed in charge of the Jews Gekker, Koslowsky and Snamensky [Zamyensky]. To continue with the career of General "Galen", he became Chief Military Adviser to Chiang Kai-shek in 1926.

Now for the Soviet Jew S. A. Gekker, as early as 1922, he was Military Adviser to the Mongolian Bolshevik Government, and in 1924 he was made Head Political Commissar on the Chinese Eastern Railway aforesaid. This appointment was at the hands of the Jew, M. D. Lashewitz, who was President of the Board of Railway Control in Moscow.

Nor must the Jew, A. Joffe, be forgotten. We have already met him as head of the Soviet Mission to Sun Yat-sen, when, along with the Jew, Jacob Borodin, he tried to develop Sovietism. Later he became Political Adviser to Chiang Kai-shek in 1926 and organized the Red Section of the Kuomintang.

High up in the Political Department of the Red Army in China were also the two Jews, W. N. Levitshev and J. B. Gamarnik, who in 1936 was its head.

The Nanking Ministry of Finance has always been dominated by Jews, viz: Kann, L. Rajchman and R. Haas. In England, the Jew Billmeir helped, with his merchant fleet, to take Soviet arms to China in 1938.

Finally, the Jew Ben Kizer [USA] was appointed head of Unrra in China, and as everyone knows, it fell to pieces in corruption.

Enough has been said to prove that every real key position in the process of the Bolshevik destruction of China has been Jewish.

Mao in a high-level meeting with several Jews [Frank Coe, Israel Epstein, Elsie Fairfax-Cholmely, and Solomon Adler]

Coe was one of the Jews responsible for the Great Leap Forward- the engineered artificial famine which killed over forty million people. [Coe participated in Mao's Great Leap Forward, a mighty plan for the rapid industrialization and modernization of China. Mao assigned him to his Chinese economic think tank, the Institute of World Economics, where they provided advice on international trade and global macroeconomic conditions.]

Coe really got around. Note- Coe can also be a short former of the exclusively Jewish name Cohen:

http://en.m.wikipedia.org/wiki/Frank_Coe

Virginius Frank Coe [1907–June 2, 1980] was a United States government official who was identified by Soviet defectors Elizabeth Bentley and Whittaker Chambers as being an underground member of the Communist Party[1] and as belonging to the Soviet spy group known as the Silvermaster ring.

On July 1, 1946, Coe became the first Secretary of the Rothschild controlled International Monetary Fund. Coe, who was also a Jewish Communist agent, was a member of the infamous Silvermaster spy Cell.

Just who is Solomon Adler?

Solomon Adler [August 6, 1909 — August 4, 1994] was an economist who worked in the U. S. Treasury Department, serving as Rothschild's Treasury representative in China from 1941 to 1938, which included World War II. He returned to China in the 1950s and was a resident there from the 1960's until his death, working as a translator, economic advisor, and possibly with the Central External Liaison Department, a Chinese intelligence agency. Adler shared a house with Chi Ch'ao Ting [Ji Chaoding] Chinese Ministry of Finance official, and John Service. In 1944, John Service was Second Secretary of the U.S. Embassy in Chungking, China.

Solomon Adler was a Treasury official in Chungking who was also a member of a NKVD espionage ring known as the Silvermaster group.

Adler reported from China to Treasury Secretary Jew Henry Morgenthau, Jr. during the war years, while serving as Treasury attaché in China in 1944.

Jew Henry Morgenthau Jr. was Rothschild's hatchet man in USA as he was U.S. Secretary of the Treasury during the administration of US president Jew Franklin D. Roosevelt. Jew Henry Morgenthau, Jr. later became a financial advisor to Israel.

Sidney Shapiro, an American Jew, was a high ranking member of Communist Red China's government.

Israel Epstein, Mao Tse Tung's ministers, shown here being honored for his service by current Chinese communist leader, Chairman Hu Jin Tao.

Israel Epstein is a naturalized Chinese citizen, and a member of the Communist party of China. He is the Jew responsible for the Cultural Revolution which systematically destroyed Chinese Culture and murdered over five million innocent people. He wrote Mao's little book, which was the premise on which the Cultural Revolution was designed to be waged on the Chinese population

Jews were behind Mao Tse-Tung's ascent to power as the communist dictator of China, who tortured and murdered tens of millions of Chinese during his brutal reign. Sidney Shapiro, an American Jew, was in charge of China's propaganda organ. Another Jew, Israel Epstein, was Mao's Minister of Appropriations [Finance].

[2012 Book] 9/11—Enemies Foreign and Domestic by Edward Hendrie

“Whatever the price of the Chinese Revolution, it has obviously succeeded not only in producing a more efficient and dedicated administration, but also in fostering high morale and community of purpose. The social experiment in China under Chairman Mao's leadership is one of the most important and successful in human history.”

— David Rockefeller

[My Note: the Rockefellers are Jewish and part of the Rothschild blood-line]

“The covert Jewish control of Mao and the Chinese Communist Party [CCP] explains why convicted Jewish spy Jonathan Pollard, found guilty of stealing thousands of classified documents from the Defense Department where he worked, gave these materials to his masters, the Israeli Mossad operating in the USA. The Israelis in turn, transferred these valuable military secrets straight to Red Chinese dictators in Beijing. Pollard, a Jew born in Galveston, Texas, sits in a federal prison today. Recently, when Israeli Prime Minister Netanyahu came to America, he visited Pollard in prison and assured the despicable turncoat Israeli spy that the Israeli government was working behind-the-scenes with Obama's White House to pardon the convicted spy. Meanwhile, Pollard is a national hero in Israel—honored for stealing America's most precious military secrets which Israel gave to Communist China!”

— [2012 Book] 9/11—Enemies Foreign and Domestic by Edward Hendrie

The internationalist Jews also worked the other side to bring their Communist forces to victory:

Gun Control. The key date here is 1948. Secretary of State and Rockefeller minion General George Marshall intervened on no less than three occasions when Chiang's Nationalist forces were on the verge of defeating Mao's Communist forces by imposing a Cease-Fire. On each occasion, the Cease-Fire bought Mao much needed time to regroup and re-arm, courtesy of the U.S. General Marshall ordered all shipments of arms to Chiang STOPPED. For years, Chiang was the poster boy for U.S. intervention in the Sino-Japanese War. Now Chiang's usefulness was at an end and he was double-crossed and Mao was put in power on mainland China. Mao wound up murdering over eighty million of his countrymen. Collectivization led to the starvation of millions of Chinese. Some of Chiang's forces fled to the Shan States of Burma [Myanmar] and this led directly to the bogus "War on Drugs" and the Vietnam War. James Bartley

Jews also held high-ranking positions in Mao's Communist Army and were given worshipful titles:

Jewish doctor turned 'Buddha Savior' under Mao
Odyssey of young Jewish doctor who became a general under Mao Zedong after fleeing Nazis [Nazi's halting Jewish Communism in Europe, he then ran to spread it in the Far East, just changed theatres of operation for the tribe] is focus of new exhibition in Vienna

<http://www.ynetnews.com/articles/0,7340,L-3330950,00.html>

Jakob Rosenfeld, a Viennese physician turned hero of the Chinese revolution, is less well-known than Norman Bethune, a Canadian doctor whose services during the Sino-Japanese war inspired Mao to write an essay that he later made compulsory reading for his People's Republic.

But the Jewish doctor, or General Luo as he was known in China, was the only one of a handful of foreign volunteers to make it into the upper echelons of the revolutionary army.

"He was even named health minister in the Communist army's provisional government in 1947," Gerd Kaminski, an Austrian expert on Chinese history and the organizer of this new exhibit at Vienna's Jewish Museum, told AFP.

The show is part of a series of events hosted by Austria marking the 35th anniversary of the establishment of diplomatic ties with Beijing in 1971.

"Today, he has a statue, a hospital and Beijing's National Museum of China set up an 800-square-metre [8,600 square feet] exhibit in his honor inaugurated by President Hu Jintao," Kaminski noted.

The exhibit on Jakob Rosenfeld at Vienna's Jewish Museum will run until January 14.
