

Paris Terror Attacks Kill At Least 160 (+Comment)

-High Priest Hooded Cobra 666

My note: The jews are again machinating the killing of innocent Europeans. The jews are staging, enforcing and pushing by all means this "Immigration Crisis". Israel's wars and the head banking criminals are creating the conditions so that "Immigration Crisis" will keep happening, with mortal effects for all the parties involved. Jewish ideas, political ideologies, philosophies and social frontiers are forcing matters in every way, so that people will be subjected, their mouths will be shut and they will be demoralized to never react against the, everyday more obvious, Jewish World Dictatorship. Jewish art keeps up the brainwashing of the masses to keep them docile, obedient and brainwashed to the jewish demands. The Jewish Press is backing up everything, by reinforcing public opinion, making Israel and this criminal race again, the victims. They are using all powers in their Arsenal to censor and destroy everyone who even CRITICIZES them, without even minding to "hide" anything about these brutal actions, anymore. Yet the internet has given us all the knowledge we have had to know and the people had to know. The WWW (666) is the only real and plausible means, for however long, to actually get educated about the Truth.

Jews have, by their own words, segregated themselves from the rest of "Humanity" ie, Gentiles, which they are openly calling as the "Goyim" (=Animal in Hebrew). To genocide us, destroy us, kill us, censor us- its all nothing but a cleansing of a stable in the eyes of the jews. The Jew World Order is putting in place this stable and firmly assuring that the "animals" will be eternally controlled. To resist this is to resist for the future of all Humanity. To deny this call is analogous to not only personal suicide, but also approval of the "Jew World Order" of the enemy, which will be built upon billions of Gentile corpses and tons of blood, and would eventually result to an ultimate and TOTAL Global Slave State, with the jews at the leading top. To deny resistance is to kill one's self and anyone else, accept the jewish supremacy and equally indirectly kill and enslave everyone else, under the jewish goals.

As we have proved beyond any doubt, the jews are behind everything of these things and they are trying to make a win-win situation by bathing the European (White) people in their own blood. The ISIS, ISIL and the other "Terrorist" organizations are in the high level either jews or jewish agents on their payroll. All this has the highest aim to eradicate Europe, destroy the White Race, force the big Powers to do the Ethnic Cleansing in the Middle East so the jews can create the "Greater Israel" and genocide all their enemies, while weakening down to their knees the countries that were foolish enough to help them. Everything one needs to read about this is either in the news feed, or Virtual Library of Satan. Salvage and download everything TODAY. Tomorrow it might be too late.

NOW ITS THE TIME TO ACT!

If you note this terrorist attack, it has happened in Friday, 13th. Some of the first notices were about how 6 attacks happened, with the central one having 60 people dead. The root of all this is in the Bible, which is nothing but a tool of massive brainwashing and manipulation, meant to control the people from their subconscious mind and make them willing slaves since the age of infancy, while teaching them to succumb to every jewish demand. The use of the Number 6 and Numerology here is evident and this shows this was again the jewish work of Magick and Kabbalistic work behind bars, except of anything else. Most people do remember the... 6 "Million".

The jews are attacking us and the jews are killing us not only Ethically, not only Culturally, but Physically from their owned and run puppets. Where this will go, its a whole another matter, but as things show, Europe will be tortured. Every civilized country is receiving endless attacks with the higher jewish will to be that they will collapse, therefore, the jews will be able to reign when their Civilized enemies are gone. The jews will nevertheless be faced with the reactions of what they are causing, and their genocidal puppet plans are actually pushing our side in the top again. Its a double cutting knife and it cuts them equally deep.

How many people do need to die, until the people realize that the jews have been attacking us, subverting us and trying to destroy us for centuries? How many people have to suffer so that people will realize that being "Politically Correct" is only just a weakening of our character and morale, so that we will die silently and without resistance? How many more deaths, occupations and savage acts have to be machinated by jews so that people can understand that Hitler Was Right? How many more dead people have to come so that people will realize that "Mohammed", "Jewsus" and all these ficticious programs that portray as "religions" are of the same jewish root, with one purpose to eradicate our True Faiths and our source of Power to revolt against the jews? How many do the jewish plans for Jew World Domination have to drag down to the pit of doom and death?

What will solve this and the REAL solution the Joy of Satan provides, is *SPIRITUAL* warfare and *EDUCATION* of the masses of the people, so that they will wake up. Every great change has to occur by the people who have woken up and know the Truth. This is where every real revolution begins and this one has began. By Reversal Torah Rituals and destruction Rituals, all of which act on the Spiritual level, are COMPLETELY legal and have MAJOR impact, the enemy can be brought down. These are meant to work on a very deep level, at the same level the jews are always creating their own work for world enslavement.

"The worst terrorist attack on a Western city since 9/11 unfolded in France on Friday, leaving the nation in a state of near-martial law.

Terrorists killed more at least 118 people at a music theater in Paris and more than 40 at several other sites on Friday, according to police.

More than 100 people were held hostage in the Bataclan theater after a performance by American rock band Eagles of Death Metal. French police stormed the theater around 12:30 a.m. local time, killing two terrorists. Hostages inside said people were being killed one by one.

The attack is the deadliest terrorist attack on a Western city since September 11, 2001, according to Intelcenter, a jihadist-monitoring site. The Paris attack is also only the 28th terrorist attack to kill more than 100 people since 2001.

French President François Hollande issued an emergency decree in a midnight address to the nation. Hollande said he has closed France's borders, restricted travel internally, and mobilized thousands of troops. All Paris residents have been ordered to stay indoors for the first time since 1944.

The French cabinet has authorized authorities to temporarily close places of public assembly, impose house arrest on anyone considered dangerous, confiscate weapons, and conduct searches with more leeway.

A senior U.S. official tells The Daily Beast's Kimberly Dozier that there are "no specific credible threats to the homeland" at this time. President Obama said the terrorists have attacked "all of humanity."

According to the French daily Liberation, a witness to the Bataclan shooting heard one of the shooters shout "Allahu Akhbar." A concertgoer told CNN that two terrorists entered the theater and began firing randomly at people for ten minutes.

"They didn't shout anything. They didn't say anything," Julien Pearce said. "They were in masks and wearing black clothes and they were shooting at people on the floor, executing them."

Pearce said he carried a girl who was bleeding through an exit backstage.

The attack has killed more than 10 times as many people as the al-Qaeda attack on Charlie Hebdo, whose offices are a seven-minute walk from the Bataclan.

Eyewitnesses have described bodies lying dead in the street in what U.S. officials are already suggesting is another coordinated series of terrorist attacks—the worst in the French capital since the Hebdo shooting, which was followed a day later by an ISIS-inspired shooting at the Hypercasher kosher marketplace on the outskirts of Paris.

"There were two or three individuals—two for sure—who... started pulling blind with automatic weapons, one with a Kalashnikov," one witness told Le Monde. "It lasted at least ten, fifteen minutes. They reloaded, they had all the time he needed. They charged three or four times... They fired pointing down with the butt on the shoulder... When the shooting stopped we took advantage of the lull to take the emergency exit, and there we saw lots of people on the street that were covered in blood, who had gunshot wounds."

"I lay against the sound console," a second witness told the paper. "Then 20-30 bullets were fired, they fired randomly. I saw assault rifles. I stepped on the body, there was blood. In the street there were dead."

The first known attack was on the Petit Cambodge restaurant in Paris's 10th arrondissement.

Almost simultaneously, two suicide bombers attacked outside the Stade de France, just north of Paris, where France and Germany were playing in a soccer match. Hollande was in attendance and safely evacuated. At least three people were reportedly killed and 80,000 evacuated.

Gunman are still reportedly on the loose. It is not known who they are or what terrorist group, if any, they are associated with.
