

Sephardic Surnames Reference List

As of June 5, 2005, there are 5,220 names on the list.

Source and Codes Used

All names in this list are a result of a compilation by four researchers. The codes after each name indicate the source for that name. Notice that some names were verified by more than one researcher. For further information on a name in this list, check the letter in parenthesis next to it and visit the researcher's website at:

- L**=Compiled by LusaWeb (<http://www.lusaweb.com>) where you can also search your Portuguese and Sephardic genealogy. The Sephardic portion credit goes to Harry Stein.
- O**=Compiled by Jeff Malka. <http://www.orthohelp.com/geneal/names.htm>
- T**=Compiled by B. Nahman. <http://home.earthlink.net/~bnahman/TOLEDOhtm.htm>
- I**=Compiled by Rabbi Haim Levi. <http://www.ifmj.org> or <http://www.bethisraeltampa.org>

Purpose of the List

This surname list provided as a service to anyone wishing to research their Sephardic Jewish heritage. It is not for the purpose of trying to mislead anyone into changing their beliefs.

Blessings and best wishes in your genealogy research!

By: International Federation of Messianic Jews
