## Introduction

The interpretation of your astrology chart begins on the following page.

You will find that the interpretation of your chart is written in simple language, uncluttered by astrological jargon. If a statement appears to contradict another statement, then you exhibit these opposite qualities at different times in your life. For example, a statement that you are highly sociable and gregarious and a statement that you prefer solitude seemingly contradict each other; this means that you vacillate, and need both sociability and solitude at different times.

The astrological factor that the interpretation is based on is also given. The astrological factor is given for the benefit of astrologers and students of astrology. If you are not a student of astrology, then obviously the factor will not be meaningful to you, and you can ignore it.

If you find this interpretation of your birth chart interesting and informative, you might want to discuss your birth chart with a professional astrologer to learn more about the astrological influences on your life.

Your birth chart interpretation is based on the positions of the planets at the time of your birth. For the benefit of students of astrology, these positions, along

with other technical information, are listed below:

## Chapter 1: How You Approach Life and How You Appear To Others

The following is a description of your basic stance towards life, the way others see you, the way you come across, the face you show to the world. In Chapter 3 you will read about the 'The Inner You: Your Real Motivation', which describes the kind of person you are at heart and where your true priorities lie. Read this chapter and the next one and compare them - there may be significant differences between them, in which case 'the inner you' may not shine through and others are in for some surprises when they get to know you at a more than superficial level. This chapter describes the costume you wear, your role in life, while Chapter 3 talks about the real person inside the costume.

### **Ascendant in Libra**

You are a natural diplomat, reasonable, tolerant, fair, always willing to listen to varying viewpoints, and ready to see the other side of an issue. Even if you strongly disagree with someone, you will try to find points of similarity and agreement rather than emphasizing the differences. You often avoid taking an extreme or one-sided stance on anything. You have a strong desire for harmonious and pleasant relationships, and express a spirit of cooperation, compromise, friendship, and fairness. You very much want to be liked and because of your need for approval and acceptance, you are easily influenced by others' opinions, especially when young. You so much want to please that often you will suppress your own intense or unpleasant feelings in order not to offend others. Sometimes your politeness is interpreted as being phony or wishy-washy.

Your need to create harmony extends to your physical environment and personal appearance as well. You appreciate beauty and have a natural sense of balance, symmetry, and proportion. You do everything in good taste, with a sense of style and art. From your home furnishings to your choice of clothing, everything must be aesthetically appealing, not simply functional or utilitarian.

You also feel that relationships are an art, one that especially interests you and one that you are usually quite skilled at, for you possess tact and acute awareness of other people. Marriage is very significant to you and finding the right person to share your life with is extremely important. Being part of a close couple seems natural to you - you are not an independent loner. Having a partner increases your self-confidence. You do have a tendency, however, to become overly dependent on your partner and perhaps not to develop a clearly defined identity outside of the relationship. Finding the balance between being yourself and blending and uniting with another is a challenge for you.

Others see you as an agreeable, smooth, harmonious, and 'nice' person. Though there may be much more to you, this is the sort of face you show to the world. You possess personal charm and an understated, noncombative manner. Your motto could be 'you catch more flies with honey than with vinegar' for you usually take a friendly, cooperative approach rather than a strong, forceful, I'm-

going-to-conquer-the-world attitude.

## 📌 **Chapter 2: The Inner You: Your Real Motivation**

### **SUN in Capricorn**

Serious, disciplined, and quietly ambitious, you are driven to prove yourself and to achieve material accomplishments and success. Your work, your position in the world, and your contributions to society are very important to you. You will persevere through enormous hardship and frustration in order to reach a goal you have set for yourself, and you often sacrifice much in the area of personal relationships and home life in order to do so.

You have a thoughtful, quiet, and self-contained disposition and do not readily show your inner feelings and needs. You seem to be always in control, capable, efficient, and strong. You are often the person in the family or group who is given more responsibility (and more work) than the others. You are highly conscientious and even as a child you possessed great maturity, soberness, and worldly wisdom.

You are basically a pragmatic realist, and though you may have all sorts of dreams, ideals and colorful theories, you feel that the ultimate test of a concept is its practical usefulness. You have an innate shrewdness and business sense, and there is a bit of the cynic in you as well.

You are clear-headed, detached and objective, and are not swayed by emotional dramatics. Often you are authoritarian - strictly fair, but without mercy. You have a great respect for tradition and even if you do not agree with certain laws, you will abide by them or work to change them, but never flagrantly disregard them. Careful and conservative, you play by the rules.

You are subtle, understated, quiet, deep, not easy to know intimately, and never superficial. You are a modest person and sometimes overly self-critical. Giving yourself (and others) permission to feel, to play, to be spontaneous and silly, and to be weak and vulnerable sometimes, isn't easy for you.

Your strong points are your depth and thoroughness, patience, tenacity, and faithfulness. Your faults are a tendency to be rigid and inflexible, and too serious.

### **SUN 3rd house**

The urge to learn and to communicate is essential to you, and you express yourself very well through writing, teaching or sharing ideas and information. You are persuasive and fluent with language.

Restless and inquisitive, you enjoy being mobile and taking short trips and excursions in order to see for yourself what is going on in the world around you.

### **SUN SQUARE ASCENDANT      Orb 0° 20'**

Despite the fact that your core self is quite a bit different from the face the world generally sees, you have a strong desire to be seen and recognized, to be acknowledged, and to have a significant influence on people in your environment. You may do remarkable things in order to be noticed. However, you often don't get the full recognition you wish for.

---

## **Chapter 3: Mental Interests and Abilities**

### **MERCURY in Aquarius**

You are a progressive thinker, open and receptive to new technologies and breakthroughs in science, and the latest discoveries in any field. You have high expectations and a deep belief that mankind's problems can be solved through the use of our creative intelligence and inventive mind. You have no patience for those whose conservative, unimaginative outlook limits their capacity to find solutions and envision a better future. You also like to keep abreast of current developments in world affairs, for you instinctively know that what happens in one part of the world affects everyone. You have a strong humanitarian impulse. Practically speaking, you have an aptitude for organization and enjoy being involved in cooperative endeavors or businesses that are contemporary and innovative.

### **MERCURY in 4th house**

You have an introspective turn of mind and may enjoy keeping a journal or a record of your dreams and personal experiences, or learning about psychology, history, and the inner workings and emotional foundations of your own life. You are studious and something of a bookworm.

### **MERCURY CONJ VENUS      Orb 2° 51'**

You appreciate aesthetics and have a fine sense of form, design, and beauty. You could develop considerable technical skill as an artist, designer, craftsman, or creative writer. You could also sell objects of beauty - artistic products, cosmetics, jewelry, etc.

You have the ability to please and harmonize well with others and tend to ameliorate relationships between people. Your sense of humor, tact, and personal charm are of great benefit to you in any work with people on a one-to-one level.

**MERCURY SEXTILE JUPITER      Orb 0° 15'**

You are mentally restless, intellectually thirsty, and immensely curious. You may study and travel widely in order to satisfy these urges and you're even happier if you share your journeys with companions. Your gifts lie in your capacity for learning about the beliefs of a broad spectrum of people, making long-distance connections, opening up channels of communication and understanding, bringing people together from foreign lands, promoting social and cultural exchange.

**MERCURY SQUARE SATURN      Orb 0° 55'**

You have an aptitude for solving difficult mental problems due to your careful, methodical approach, attention to detail, and tenacity in following a matter through to its conclusion. You have good powers of concentration and enjoy studying and thinking in solitude. You can get wrapped up entirely in your own thoughts and completely engrossed in some small detail. You are slow and cautious, but extremely thorough in your work. Conservative and something of a skeptic, you may be narrow-minded or closed to any idea which has no concrete proof or scientific verification. You prefer dealing with facts rather than abstract speculation. You may also be distrustful or fearful of anything you cannot understand with your rational mind. You are well-suited to work in research or any field that requires careful study and thought.

**MERCURY SEXTILE URANUS      Orb 4° 53'**

Your intellectual interests tend toward the offbeat or unusual. Anything 'alternative', innovative, experimental, creatively inspired, or new is right up your alley. You may not have the patience to study these things in depth, but you have an instinctive grasp of them. The esoteric sciences like astrology, numerology, and the like are subjects you could pick up quite easily.

**MERCURY SQUARE PLUTO      Orb 2° 57'**

Never satisfied with the face value of anything, you are always probing beneath the surface for deeper reasons and hidden motives - though you rarely reveal your own. You have a very suspicious, even paranoid, side. Your mind is

penetrating and deep and you have an aptitude for research, investigative reporting, or private investigation. You are keenly interested in the deeper aspects of the human psyche, with a sort of 'x-ray vision' regarding the inner motivations and intentions of others. You are drawn to anything secret, hidden, or mysterious, and may pursue esoteric or occult studies. You are also a forceful and convincing speaker or writer, with the ability to influence people's thinking by the sheer power of your conviction.

---

## 📌 **Chapter 4: Emotions: Moods, Feelings, Romance**

### **MOON in Libra**

Your desire for harmonious relationships and surroundings is so strong that you avoid personal confrontations or any expression of intense, unpleasant emotions. You are an idealist who would like to paint the world in pastel colors, and live in peace and harmony with others at all times. You are able to see points of similarity and unity with people who are vastly different from yourself, and befriend many different types of people. You are a considerate and thoughtful friend, and have a real flair for making others feel accepted and appreciated. Inwardly you are often torn with indecision and are much more at odds with yourself than others would ever guess from your smooth, even disposition.

### **MOON 12th house**

Your own feelings and emotions are something of an enigma to you, and it is often difficult for you to share with others what you are feeling.

You frequently withdraw from contact with the world, and need a healing, peaceful environment in order to blossom and come out of yourself.

You identify with the oppressed, disenfranchised or underdog in any situation and want to help them or care for them in some way.

### **MOON TRINE MERCURY      Orb 1° 6'**

You would be an excellent teacher or counselor for you listen sympathetically, and encourage others to express their inner thoughts and feelings. People trust and confide in you, and you are able to read between the lines and to sense what their feelings are as well as what they are saying. You work well with and understand women, and the emotional, feminine side of life. You are articulate on personal (rather than factual or technical) subjects. Keeping a diary or journal would be satisfying for you. You also have a talent for learning

languages.

### **MOON TRINE VENUS      Orb 3° 57'**

You feel that little, daily acts of caring and thoughtfulness are essential to the happiness and success of a relationship and you know how to make others feel accepted, loved, and cherished. You enjoy good relationships with women.

### **MOON SEXTILE JUPITER      Orb 1° 22'**

Generally sunny and optimistic yourself, you have a cheering effect on those around you. You like and need people, and others genuinely like you too. You enjoy a wide circle of friends who are like family to you. Entertaining, partying, social activities, and fellowship are essential ingredients for your emotional well-being.

### **MOON SEXTILE URANUS      Orb 3° 47'**

Your emotional attitudes and instincts tend to be quite liberal. You do not want to be caged or dictated to, and you feel everyone is entitled to do as they please in their personal and emotional affairs. You tend to surround yourself with people who are unusual, creative, open-minded, unpredictable, restless, and changeable, and your relationships, with women in particular, may be somewhat unstable as a result. However, you enjoy an element of surprise and unpredictability.

### **MOON SQUARE NEPTUNE      Orb 5° 58'**

You are a dreamer, attracted to the inner, mystical side of life, and may have trouble distinguishing the real from the imagined or illusory. You do not enjoy confrontation and become very evasive when problems in your personal life arise, escaping into your imagination in order to avoid dealing with them directly. You are also rather gullible and naive about people, especially if your sympathy has been aroused. You are very sensitive to music and can use it to bring yourself into emotional balance and harmony.

### **VENUS in Capricorn**

You are definitely not one to wear your heart on your sleeve. You care very much about others' opinions and crave love and appreciation as much as anyone, but one would never know it from your reserved and seemingly detached

appearance. Casual, superficial relationships don't interest you at all. You are cautious and serious about love and really desire a deep, genuine, lasting love. You are old-fashioned about courtship and love, and will remain faithful to your loved one in good times and in bad.

You may be attracted to persons older than yourself, someone who is emotionally mature and reliable and who can provide the security you desire.

### **VENUS 4th house**

A warm, loving, and comfortable home is very important to you and you invest a lot of your energy into beautifying, decorating, and creating a lovely home. Also, you share your affection with the people in your family very generously and having close family ties is a major priority for you. Being at home makes you happy.

### **VENUS SEXTILE JUPITER      Orb 2° 35'**

You love to laugh, celebrate, and enjoy yourself with your companions. Emotionally open and easygoing, you consider just about anyone a friend or potential friend. Your good humor and friendliness make you quite popular and well-liked. At times, you overdo the festivities, but you rarely regret this.

### **VENUS SQUARE SATURN      Orb 3° 46'**

You are serious and find it difficult to enjoy yourself in a lighthearted, open and playful way with others. You rarely do something purely for pleasure, and can be very close-fisted and parsimonious. Perhaps due to painful separations in your early life, you are very cautious about becoming close to people and sharing your feelings. Though you crave love and affection, intimacy is difficult for you. You may become romantically involved with people who do not value you or treat you well. You need to learn to love and value yourself before you will find happiness in love.

### **VENUS SQUARE PLUTO      Orb 0° 6'**

You experience powerful, compelling emotional and sexual attractions, and you may feel that you have little choice or control over your desires. You have an intense need for love and may be emotionally greedy or insatiable. Your love life is passionate and often tumultuous and painful as well. Jealousy, power struggles, or possessiveness can become areas of conflict in your relationships. Positively, you can be unusually creative and bring about beneficial and healing changes in

the lives of others, motivated by your deeply felt love.

---

## **Chapter 5: Drive and Ambition: How You Achieve Your Goals**

### **MARS in Aquarius**

You are very socially oriented and work well in cooperation with others. You may be active in community affairs or unite with others of similar ideals and intentions to work toward a common goal. Progressive and democratic, you are not concerned with hoarding personal power or having authority over others. You are a team player.

New, unconventional methods appeal to you, especially ideas that involve bringing people together or creating fairer working conditions - such as networking, profit sharing, job sharing, etc. New technologies also interest you.

Your energy level is high but somewhat erratic. You can be impatient, rebellious, and inconstant in pursuing your aims.

### **MARS 4th house**

It is not easy for you to show the world at large your angry or competitive side, but your family sees this side of you more often. Temper tantrums, tumultuous family relationships, or a great deal of competition between you and one or more of your relations is likely. You like to be the one in charge in your home and you put a lot of energy into making it the way you want it.

### **MARS TRINE ASCENDANT      Orb 5° 40'**

You are direct, honest, and to the point -- some might say excessively so. However, no one has to guess who you are or what you want -- you're pretty much up front. You radiate a refreshing enthusiasm and vigor when you're at your best. You seem to enjoy competition without taking it terribly seriously.

---

## **Chapter 6: Growth and Expansion: Areas That You Enjoy**

### **JUPITER in Sagittarius**

Your strength lies in your ability to see the whole, rather than only the parts

which compose it. You have a deep need to explore the world and to develop your own philosophy of life and sense of personal meaning. You vacillate between being open-minded and tolerant of differing views, and being dogmatic or overly zealous about your own viewpoint.

### **JUPITER 2nd house**

Wealth, material well-being, and prosperity are very important to you, and you would never choose a profession that didn't offer you great promise and opportunity for growth (financial and otherwise).

You are very generous and sometimes careless with money; you don't want to hold on to it, you want to enjoy it and use it to enrich your life. Whatever you do with your money, you do in a big way - making it, spending it, or blowing it! You may accumulate elegant, high quality things (art, jewelry, etc).

### **JUPITER CONJ URA      Orb 5° 9'**

You are very enthusiastic and high-spirited. You inject a positive, optimistic note into any endeavor, and others enjoy your fun-loving and enterprising attitude.

---

## **Chapter 7: Areas That Challenge You Or Are Difficult For You**

### **SATURN in Scorpio**

You both yearn for, and fear, being emotionally vulnerable with others and experiencing deep emotional intimacy. Trusting others and letting yourself be known in a deep way doesn't come easily to you, and sexual inhibitions may result from this. You are very self-protective and may be compulsively secretive. Learning to relinquish control in personal relationships, and to be completely open, are important tasks for you.

### **SATURN 1st house**

You have a mature, disciplined, serious attitude toward life which colors everything you do. Caution and realism are your virtues though you limit yourself at times by being too careful, shy, or fearful, and not believing in yourself enough or being assertive when necessary. Others find you difficult to get to know intimately, as you tend to distance yourself from them or to put forth a rather stern, 'adult' face to the world.

## **SATURN CONJ PLU      Orb 3° 52'**

You are suspicious of groups, crowds, and social organizations. You are quick to notice social games and insincerities, and you avoid the limelight and glamour. You are direct and to the point in speech and manner, stubborn and inflexible, and often unwilling to communicate your innermost feelings and thoughts.

---

### **📖 Chapter 8: Originality and Imagination Areas Where You Are Creative, Unique, Unstable, or Compulsive**

#### **URANUS 2nd house**

You have a reckless, impulsive, or very unconventional attitude toward money, material things, and ownership. Above all, you do not want to be possessed by your possessions. The obligations of owning things are likely to feel oppressive to you.

Also, you may make your money in a field that is unconventional, highly unstable, or very inventive and innovative. Your fortunes are likely to fluctuate widely throughout your life.

#### **NEPTUNE 3rd house**

Daydreaming, lack of concentration, and inattention to your surroundings can be problems for you. Your mind tends to wander unless you are using it in an imaginative, creative way. Dry facts and cold logic hold no appeal for you, and unless a subject has a colorful or personally inspiring element, you won't stick with it for long. You have a sensitive, intuitive bent.

#### **PLUTO 1st house**

You are an intense person, inclined to be wholeheartedly and passionately involved in whatever your current interest is. You easily go to extremes and you make more moderate, easy-going souls feel uncomfortable.

You may have unusual charisma and also be profoundly influenced by powerful, charismatic figures whom you model yourself after. Learning to use personal power appropriately is an issue for you. Negatively, you can be manipulative and obsessed with personal aggrandizement. Positively, you can be a potent force for change, growth, and healing in the world.

---

## 📌 **Chapter 9: Generational Influences: Your Age Group**

In this chapter we will discuss characteristics and traits of your generation. Of course, you may not share all of the characteristics of your generation, but you are greatly affected by the tone that is set by your generation.

The first topic is 'The Subconscious and Emotional Drive of Your Age Group'. In this section we will describe a deeply felt urge, even compulsion, of your age group. This deeply felt drive comes to the surface with great force and power, and consequently leaves in its wake considerable upheaval and change. The second topic is 'The Ideals and Illusions of Your Age Group', that describes the dreams, fantasies, and spiritual aspirations of your age group. The third and last topic is 'What is New and Different in Your Age Group', which describes areas in which your age group tends to be innovative, inventive, unusual, and also where it may be unstable and unreliable.

The characteristics described below may affect a group of people for anywhere from a few years to about 30 years. There are one or more different astrological factors described in each of the three sections below.

### **The Subconscious and Emotional Drive of Your Age Group**

#### **PLUTO in Libra**

You are part of a 12 year group of people who are deeply interested in personal relationships. Your age group has a deeply-rooted yearning to see people relating and communicating with each other effectively and harmoniously. There is little egotism and a willingness to hear the other person's side of the story and a readiness to compromise and arbitrate different points of view. In fact, the need for harmonious, peaceful relationships is so strong that there is a tendency to overlook real differences and to focus only on the similarities in an attempt to bring different parties into harmony with each other.

Interest in psychology and sociology is high in your age group. There is a tremendous heightening of awareness of social skills. Your age group will experiment with different marriage styles, family relationships, and even business relationships in an attempt to bring fair treatment and effective communication between people. Interest and appreciation for other cultures is also strong, and your age group will work hard to preserve and support the cultural heritage of all ethnic groups.

Your strong yearning for equitable and harmonious relationships is also reflected in major advancements in trade agreements, arms control, and international cooperation that are designed and implemented by your generation.

These agreements and policies foster a much safer and more cooperative environment for all, although there is also a tendency for greedy individuals to take advantage of the conciliatory atmosphere and twist situations to their own ends.

In short, you are part of a generation of individuals who are deeply interested in other people; you are a humanistic and humanitarian group. You will struggle and experiment with personal relationships, and forge new models for how people can relate as friends, family members, and members of nations as well.

## **The Ideals and Illusions of Your Age Group**

### **NEPTUNE in Saggitarius**

You are part of a 14 year group of people that are extremely idealistic and farsighted in their dreams. Your age group is very liberal and expansive in outlook, and consequently churches become much more flexible and more eclectic in their approach during your life time. Religions that do not adapt to the broad- minded attitude of your age group simply are unable to attract very much interest and involvement from you.

A great deal of metaphysical musing and speculation is evident in your age group, and there is a very strong interest in all manner of psychic phenomena, UFO's, prophecy, etc. This interest will open many new doors and insights, but will also often lead to a great deal of fantasizing and speculation that is taken more seriously than it should be.

### **NEPTUNE SEXTILE PLUTO      Orb 1° 54'**

The entire generation to which you belong has tremendous opportunities for spiritual rebirth and awakening. This will not be forced upon you or precipitated by unavoidable events, rather it comes from an inner yearning and a natural propensity to seek the depths.

## **What is New and Different in Your Age Group**

### **URANUS in Saggitarius**

You are part of a 7 year group of people who are extremely enterprising and forward-looking. You are optimists and explorers. Your age group shoots for the stars, figuratively and literally. Space exploration takes on new dimensions as your age group pushes fervently to the next frontier. There is a buoyant and youthful optimism and enthusiasm in your group, and you have your share of

great discoveries as well as pipe dreams and disillusionment. The discoveries and contributions, however, are many, and more than compensate for the failures.
