

### **cainite commentary 3**

Nimrod de Rosario was an agent of... Yes, he was an agent of the gods. Of the loyal gods. But yes, I know there are many misinformations about this topic.

Completely predictable. As we know what it is, this reality. The whole conspiracy is against the spirit in reality.

It is normal and it is predictable that a work of such magnitude... ..completely in favor of the spirit... ..and completely against the materialistic order... ..would be persecuted or defamed and so on. Nimrod de Rosario was an agent? Yes, but from the gods, not from the Synergy. Or from the Hebrews.
