((THE SYSTEM))

The image you are viewing is an encapsulation of the world conspiracy that reigns despotically over the earth and can only be called ((The System)) as there is no better or more desirable term available. Truly it is a 'system'- a collective or gathering of elements which are interrelated through strict causality and whose elements can be detected in all of the others which exert their influence in keeping any rogue element in line, in its strictly limited position within ((The System)).

((The System)) operates or functions based upon information received from above, from the demiurge and Jehovah his creation underneath him, as a spider in an intricate web of spiritual or rather demonic strands along which are transmitted dictates and directions that impinge upon the lower levels of the hierarchy and determine in large part their motions as a sound wave (verbum, 'word', logos) is mediated through the string of an instrument to transmit sound or as light is refracted through a crystal, so too the dictates of Jehovah are mediated through the hierarchy 'as above so below'.

The structure of the hierarchy is of trapezoidal shape on the material and lower astral planes above which Jehovah and the demiurge serve as primum mobile (first movers) and exert their arbitrary sway through the causal nexus of spatio-temporality, the matrix of illusion which is the trapezoidal structure of the material and lower astral planes.

According to Miguel Serrano in his book "Manu: For the Man to Come", Jehovah has occupied the planet Saturn holding it, a planetary Aion, captive and having created the rings around it made of ice crystals that serve as an electromagnetic transmission station that transmits the vibrational frequencies and messages that enslave the planet in an electromagnetic Matrix keeping all conscious, sentient life in a state of lower vibrational consciousness thereby preventing the earth, the Aion Gaia-Sophia and her denizens from maintaining their first estate, ie. a higher vibrational frequency spiritual state.

According to Joy of Satan ministries Jehovah/YHVH is a coterie of reptiloid appearing aliens who have control of the planet and using it as their home base. They fly around the solar system in cube shaped space ships as depicted in Star Trek the Next Generation by its jewish creator, a revelation of the method to inform the populace of 'goyim' (non-jews) what Jehovah is doing as a means of discharging their karma (according to the jews they have to let the 'goyim' know what they are doing before they do it as a means of putting the goyim in a doublebind and discharging their own blameworthiness/karma onto them).

Norman Bergrun's "The Ringmakers of Saturn" has revealed photographic evidence showing spacecraft that manufacture and repair Saturn's ice rings and David icken has presented sound argumentation in his "Moon-Saturn Matrix" presentation to explain how the reptilians are enslaving the population via their electromagnetic control grid generated from Saturn. Thus Jehovah is this coterie of beings and perhaps a greater singular being who leads this coterie who exerts control over Gaia/Gerda/the Earth through and from Saturn, possibly the hexagonal vortex on the South Pole of Saturn generating the electromagnetic frequencies through the agency of Jehovah. This the writer cannot with certainty ascertain.

Below Jehovah are the angels who are the dark energy matter entities which serve as his messengers ('angelos' meaning messenger in Latin) and reptilian aliens who are the jews progenitors, who have mixed themselves with anthropoids on the earth through genetic engineering which mixture is called the "jews" today. The jews are the physical instruments of their Dark Lord Jehovah, they are cybernetic robots who carry

out his will on the Earth. They are a mediator between dark energy matter entities; reptiloid and grey alien slave robots on the mundane earth plane. They behave in a manner that is a reflection of their Dark Lord and thus can be spoken of as Is-ra-el ('ruling with god' in their language Hebrew) only the false god Jehovah. They operate as anyone who is sufficiently observant can see, as a 'hive mind' on the earth who carry out actions in a concealed effort to contrive to enslave the 'goyim' (non jewish population) in the matrix as a means of absorbing their spirit energy in vivo (in life) and post mortem (after death) through their endlessly minute techniques of creating lower vibrational frequency states of consciousness and coerced work slavery as means of having the 'goyim' release their bioenergy, through what is called 'work' ('work' being defined as "the ability to produce", in this case producing a release of energy so that lower astral dark energy matter entities; reptilians and jews can vampirize the energy of the slaves through quantum entanglement, through the aether and through the abstract representation of energy, ie. money, the necessary condition of living in the jewish occupation government matrix).

Thus the Matrix the non-jews and jews themselves are forced to live in is a global prison, a prison planet in a literal sense used to harvest the soul energy of its denizens through multifarious means. The jews are influenced to the point of a strict control over their mind by Jehovah, their hive mind collective consciousness as in the case of the BORG in Star Trek Next Generation and assimilate into their lower level (((spiritual Israel))) all of the shabbos goyim (stupid animals) they entice through prospects of fame and fortune as the protocols of the elders of Zion speak of.

Freemasonry is the trap into which the jews at the behest of their Dark Lord ensnare the goyim and which creates spiritual bonds which assimilate them into (((spiritual Israel))) rendering them slaves at all levels and dimensions to the jews. The shabbos goyim are then influenced from above through entity attachment, the more entrenched one becomes in the hierarchy through freemasonic rituals, the higher up one goes, the more of a slave and robot of Jehovah one becomes. To ensure that the slaves never break their chains they are bound by blood oaths through being forced to commit compromising actions such as the ritual murder of children; cannibalism; vampirism; paedophilic rape and torture, etc. This ensures loyalty else one will be subject to the leakage of this material and consequent legal penalty or merely subject to murder by the cabal.

Freemasonry is divided in the characteristically jewish divide and conquer polarization mode: left wing Scottish rite freemasonry and right wing York rite freemasonry. This ensures some room for differences amongst the shabbos goyim who are by nature not as tightly unified as the jews being of a more independent mind and who can be pitted against one another in a dialectical way by the jews for their mutual destruction (liberal vs. conservative; communist vs. capitalist, etc.). The Catholic orders of the Knights of Malta; Knights of Columbus etc. are also present at this level of the hierarchy only representative of a more rigidly conservative christian character, thus appealing to that demographic group, hooking them ever deeper into the matrix.

Below these higher echelon categories which members are nearly exclusively from the upper caste of the plutocracy ('born into it' as the saying goes) are the bifurcated categories of 'left' and 'right' each of which subsumes within itself the bulk of the population of more affluent intelligentsia at the higher end of the spectrum and the least intelligent masses who divide themselves based on their job function or lack thereof, those of the lowest tier being completely apathetic and living purely for thrills and indulgence having no identity beyond 'work and play', the brute labour of industry which they are coerced to undergo as condition of the reward of hedonistic abandon for a brief moment or two as their release from the iron manacle of 'work'.

To keep these lower tier drones in line and prevent them from massing either through their own efforts or through guidance from a Rogue element at higher levels who has managed to cut through a few layers of the tissue of the matrix and see the light of Truth if only as one viewing the world through a kaleidoscope, or one of the Rogue element seeking vengeance on (((The System))) for a personal slight, there exists the Thin Blue Line dividing the slaves from their masters called police and military forces. These are conditioned through mind control to believe (((The System))) is god and that they are demi-gods whose alleged authority brooks no question and who are necessarily in the right at all times, justified in everything from abduction of the populace for ritual murder to outright murder should they the enforcers have the willingness and ability to do so at the behest of their (((chosen))) masters. The jews are serviced first by the police and receiving greatest protection hiding away in their gated communities across boulevards; rivers; on hills and away from the 'goyim' who are packed into their particular area based on socio-economic class without regard for creed; colour or religion.

The class of slaves is stratified based on socio-economic class which is determined by what constitutes value to (((The System))), ultimately to Jehovah the 'grand architect of the universe' (GAOTU) so-called in Freemasonry. At its height there exists the business sector, the highest echelon of which is comprised of freemasons and lower level illuminist organizations (Lions Club; Rotary; Oddfellows, etc.) This tier is also over-arched and interpenetrated by the bureaucratic hierarchy's lower levels.

Subordinate to this are the lower level business owners and underneath them trades people and those fulfilling a more rudimentary executive function bleeding down to the lowest levels of what is crudely referred to as 'the labour pool' of jobbers and transient workers, ie., proletarian slaves; plebeians; untermenschen.

The latter caste constitutes the lowest level of the hierarchy, the bedrock of the trapezoidal structure of basest lead crushing under its bulk the homeless, outcasts and welfare dependents not fortunate enough to struggle hard enough to stand on the necks of their peers to grasp the scraps cast before them with desperate frenzy.

Such in summary is the hierarchy in its structure and function, a system of slavery designed as a soul form to vampirize the soul energy, the bioelectrical energy of the goyim, the non-jews and to transmit it up the hierarchy in the form of money, blood and energy towards the Dark Lord Jehovah.

(((The System))) fears its Rogue elements, those who are capable of displacing bricks in its walls, of creating fissures and cracks in the structure which may radiate outwards and further crumble to ruins eventually its seemingly infallible structure. That Jehovah is the blind god, the maniac monster who overvalues his own limited power just as do his servants the jews it follows from the premises that he is liable to err and that he will not be able to reign in through his minions all of the Rogues who would, as part of the Luciferian rebellion, dismantle Zion, the trapezoidal structure of (((The System))) through effective action, detecting weak points and working towards the destruction of the Matrix and its architects of control.

Those possessed of the Graal, the Divine Elektron, the White Race, are the only salvation for this world. Jehovah has turned all against the White Race in his desperate attempt to destroy them, his only opponents and thus the White Race must fight and destroy (((The System))) and his control or perish in the attempt liberating Gaia-Gerda the Earth Mother and all of her denizens who have not betrayed the White Race and sided with the dark forces.

Victory or Valhalla!

PREDICTIVE PROGRAMMING

PREDICTIVE PROGRAMMING :

IN JEWISH POP CULTURE & ARYAN COUNTER-CULTURE

PREDICTIVE PROGRAMMING IN JEWISH POP CULTURE AND ARYAN COUNTER-CULTURE

The following treatise purports to be a diagnosis of the deeply rooted malaise of modernity which has been planted in the consciousness of Aryan man by the mind manipulator Jew through his monopoly of the media and mass acculturation system, the public fool system, what is conventionally referred to as public education and especially the kosher culture industry of media and entertainment.

This spiritual sickness is exacerbated through the Jewish influence and power over the collective consciousness of their intended slaves and is only ameliorated slightly in terms of quantitative impact, of sheer volume, by the relatively feeble counterforce of Aryan power.

The following treatise of examples from the pop culture of 'modernity' of Babylon/Zion/J.O.G., of the Jew World Order and diagnoses the cancer and its necessary treatment. The title has been selected to inform the reader of the transgression and adherence to Natural law, the former being what amounts to 'injustice' and the latter the converse.

These examples are taken from a period when the trail of the serpent had still to be concealed under the red carpet of 'love, peace, and unity' and various other surreptitious catchphrases which enabled the slumbering masses to continue their lives of tax serfdom and hedonistic indulgence under the cover of rational self-interest and a cryptic 'enlightened' despotism orchestrated by the Jewdeo Freakmasonic elite and their underlings – the Christards, Libtards, and Mammon worshippers as well as their non- white anti-white slaves.

The subtlety of the conspiracy worked – and still does to this day in spite of its dysfunctionality work – to gradualistic overcome the white majority through imperceptible undermining and eroding of its self-understanding, perverting its cultural tradition and historical sense and substituting an unhealthy view of Nature and Natural law for a sick view based upon abstract ideas and their false associations of emotionality, of 'good feelings'.

Abstract ideas such as race-mixing ('integration', 'humanity', etc.), sex perversions (and this through exhibitionistic indulgence from porn to paedophilia) to confusion of identity based upon the most crude forms of human expression (reducing the higher to the lower). This anarchist bomb thrown at the white carriage purports to destroy the host body wherein the white king resides.

How it has worked so far is through the white masses and their king (their self-determination and power) lighting off too many firecrackers supplied by the Jewish mind manipulators. A few windows have at this point been busted out of the carriage alerting the white king (the Aryan leadership, the peak of the collective consciousness) to the danger of the incendiary multitude and their devil-may-care caprice instigated by the Jewish programming. Henceforth the subtle conspiracy seeks to conceal itself behind whatever fronts blaming the masses themselves (liberals, Christian conservatives, right-wing extremists, etc.) or a convenient scapegoat (Islam, etc.) to detract attention from their own incendiary bombs.

The new phase operates through a furtherance of the 'divide and conquer' strategy, ramping up the dialectic of right wing vs. left wing and thereby getting the white masses to fall upon one another weakening themselves sufficiently for the kill-the non-white invasion. At the time of the vehicles of propaganda treated of here the

conspiracy was operating in a more clandestine fashion and thus had to instill itself into the consciousness of the white majority through shaming techniques, guilt-tripping, blaming the victim, etc.

The Simpsons:

This portrayal of a white family unit served as a vehicle of the ethic of dysfunctionality that the Jewish mind manipulators had intended to uphold as the model of the antiheroic fragmented family that they knew would undermine the power of Aryan man, as the nuclear family (a family unit wherein the proper roles of its members are naturally assumed) serves as the basis of all societal order, being a microcosm of the macrocosm of Leviathan.

Thus to strike at the bedrock of society (the family) is to destroy the society and to render it susceptible of usurpation at the hands of those not so programmed with self-destruct conditioning (i.e. foreign invaders, the Jewish elitists - though the latter always corrupts itself through its own vices).

The pater familias has always been the support which the family unity has existed and to destroy this figure in its natural form (a self-sacrificial defender and protector of the family unit) is to destroy the cohesion of the family and lead to its fragmentation and inevitable destruction creating a chaotic and ruined posterity.

Enter the figure of Homer Simpson whose odyssey in no way approximates that of his Grecian forbearer but rather the alcoholic waywardness of a deadbeat dad whose absenteeism renders his biological offspring misguided souls who have no paedagogical influence and thus no understanding of what to do or how to do it. Add to this witches' brew the traumas induced in these same offspring through the Mr. Hyde brought out by King Alcohol and you have an inevitably dysfunctional demographic being created through this Homer Simpson influence of the corrupt pater familias.

Rather than conscientiously educating and instructing his biological offspring Homer Simpson was either hypnotizing himself in pleasant abandon before the Talmud-vision or hypnotizing himself before that same mind control machine in the Jewish-run poison store called 'the bar' wherein he would be encouraged in his vices by the barman who, though portrayed as a Polish Aryan (Moe), is in most cases a Jew feeding the addiction he induces in his goyim slaves at a profit.

Thus begins his down-going and that of his dysfunctional family unit, spiralling down the drain like so much alcohol fueled urine, flushing away the hopes and dreams of a better tomorrow for the hell of the present shunted aside through pleasant intoxicated memories of yesteryear when it was considered socially acceptable to be an alcoholic, as a high school hero, etc.

Thus the future is sacrificed on the altar of the past and the future of the family being bound up with that of the pater familias.

But can one entirely blame Homer Simpson for avoiding his parental responsibilities and seeking the sensationalistic entertainment, responding to the siren call of the bottle? Yes, however in the real world at the time of this fictional (and yet 'constructive') portrayal of the family the baby-boomer female was a presence often serving as the 'ball and chain' which the husband had to return to after his day's drudge, an unpleasant prospect indeed. Yet if he were a man in the Marlboro sense he would have 'straightened out' the crooked nature of a feminist corrupted home through assuming his proper role as the pater of the familia.

Marge Simpson is the portrayal of the female who sold herself short through the nuptials instead of becoming like so many baby-boomer careerists who decided to abandon their children (perhaps through this very psychological pressure) this insinuation that a traditional role is 'inferior', rendering one 'inadequate' or merely a shadow of a person who exists as a pale reflection of the 'man of the house').

Thus the formula for the Bart Simpson latchkey kid is generated and a generation of parentally abandoned youth, by the father through no account dead-beat-dadism and by the mother through status seeking careerism or the perpetual dissatisfaction drilled into her subconscious mind through such media portrayals of the 'inadequate wife' archetype. Thus Marge becomes a police officer assuming a masculine role while Homer continues to swell his corpulent form with liquor and donuts, adopting a purely passive and sensationalistic, female lifestyle.

Both of these characterizations (caricaturizations) are a flagrant violation of Natural law through subverting/inverting the natural role of the sexes androginizing the sexes and rendering their children confused as to which behaviour is appropriate for their sex and how to express it outwardly enabling them to become functional adults capable of maintaining the integrity of the white society against the takeover by the Jews.

Bart Simpson is to represent/construct/create the identity of the 'white boy', the reckless, unintelligent rebel without a cause who is perpetually creating trouble – legal, social, etc. He is portrayed as the quintessential no account (created in the image of his father) who skips school (implying an aversion to learning and an incompetence therein through its avoidance), and in general is the very presence of chaos in 'the system'.

Being so portrayed the white male's inherent rebelliousness and unwillingness to conform to 'the system' (a system which contravenes natural law and is thus unjust in essence) is construed as a vice when it is in reality a virtue. This is more perverting/inverting of the reality for the purpose of attempting to create an antiheroic role model for the white boys ('rebel without a cause', 'bad boy', etc.) and to construct his image as a purely negative figure, a destroying force of the putative 'good society' that constitutes Springfield (Babylon/Zion) run by the Jewish mayor Joe Quimby, the archetype of Jewish mishpucka corruption.

The converse is of course the historically veridical case/archetype of the white male youth: defender and protector of society, hyper-intelligent creative genius and natural law-abiding agent of justice. Within the matrix reality the reality is inverted. A nightmarish fantasy remains and nothing outside of it is permitted to be spoken of or acknowledged as existing.

The unintelligence of Bart is eclipsed by his little sister Lisa whose intelligence is the converse of his – that of genius level. The natural reality where males are endowed with much greater reasoning and inventive faculties is denied in the Jews' false reality they have created portraying females as wise and all-knowing while males are portrayed as near-imbeciles incapable of knowing their own good let alone that of society – in short to be castrated and cucked by a female which is the prescription of the Jew World Order via their programming of which this is but one instance targeted towards 'G' audiences, young and old, used as a meme of the 'smart girl' to invert the reality or at least implicitly denigrate the white male.

The politically correct neuroticism of Lisa Simpson has been replicated in real life after this portrayal (and before though perhaps to a lesser extent), has wreaked great havoc upon society (upon the population of whites who are slaves to the society) and this character is the Frankenstein's monster the Jews have created to unleash

their tyranny – that of feminism and anti-white moralizing bigotry to strike at the root (the womb) of the once-white society.

Thus the Simpsons represent a microcosm of the macrocosm of both the Jewish brain pollution apparatus (media) and the actual society in the way in which these inverted roles have been drip-fed into the consciousness of the white population to accept non-white immigration (Abu), Jewish supremacism (Krusty the Clown), feminism (Lisa, Marge, Marge's mother), deadbeat dadism (Homer), drop-out rebelliousness (Bart), etc. A more succinct vehicle of degeneration did not exist at that time though it was precedential in that it opened up the gates for even greater forms of vice to pour through into the consciousness of the passive spectator of the Talmud-vision.

Married with Children:

Second showcase and prescription of degeneracy. Simultaneous to the Simpsons this sitcom served the same purpose only to a greater extreme of vice, the characters being deliberately exaggerated from the reality as a means of distorting reality into their image, an idealistic reification of Satanic archetypes, in the words of Stalin an 'idealist materialist' praxis which seeks to create a reality in their own image attempting to usurp the throne of Nature/God and crown oneself (the Jewish people as a collective) as god of their own universe, creating a kingdom of hell upon earth.

This sitcom served well that purpose, being replete with satanic symbolism and memes that ingrained themselves in the consciousness of the docile hypnotized viewers who were rendered comatose and highly suggestible through the flicker rate of their Talmud-visions.

Again as with the Simpsons, the pater familias is denigrated as a will-less simpleton who exists purely for the sake of self-stimulation outside of his servitude towards his family before whom he grudgingly slaves in his meaningless occupation which like Homer Simpson (both former high school football stars) is the denouement of their lives and destruction of their youthful idealism, namely the family structure which is presented as a prison to which one is shackled. The castration of the pater familias (kill the king, kill the kingdom) was/is the surreptitious meme publicized through this vehicle of entrainment attempting to reify the idea 'the king is dead and obliterate his memory, history, culture, etc.'

This castration procedure was affected by the usurpation of the dominant role by the female Peggy who, unlike Marge Simpson, was more of a callous feminist black widow spider who ensnared her husband slave in the web of a prospectively comfortable home which led to his money/energy/blood being drained into her shopping sprees and credit cards, the remnant being allocated towards her chillins, the latchkey kids.

Thus the woman was placed on top and the man existed merely to transport her to her desired destination. The self-absorbed negligence of the wife/mother led to the unravelling of the family unit: the son being a castrated outcast and eventually a degenerate exploiter of women (a spiritual Jew), the daughter being a harlot (whore of Babylon) whose occupation consisted of romping around with random alpha male bad boys – both cases leading to the destruction of the nuclear family through exploitation (as exploiter and exploited) of themselves and others, themselves being exploited through their basest drives being cultivated (profligacy/polygamy in the case of males and the drive towards monogamy or attachment to the alpha male in the case of females).

Given this fragmentation process the Bundy family holds itself together through the magic of the hyper-reality of a sitcom. Translating this into real life leads simply to the degradation of the family and inevitable chaos in society taking this as the archetype which under the guise of humour exists merely to reify the ideal of the Jews in their creation of a Jewish utopia through the destruction of the nuclear family.

Contrast this portrayal of white families with that of negro families in the media as a further attempt to portray that which is white in the blackest light and to invert reality as a means of subverting it. 'Family Matters' is a case in point wherein the negro youth is portrayed as a genius and the negro police officer father, a law-abiding responsible dad who has a close-knit family unit wherein all manner of merriment ensues. Add to this mixture the 'Fresh Prince' wherein the black patriarch is a law-abiding judge who looks out for his 'people' in the form of an urban youth from a broken home.

The latter sitcom serves as a vehicle to inculcate the white middle America audience with a guilt trip for alleged historical events such as black slavery by white overlords and rampant black poverty in 'the ghetto' and enticing white youth with the 'urban culture' (black culture) to fill the vacuum of their own degraded culture with a kosher-approved substitute. Thus inversion/perversion operates at the level of the family unit striking at the roots of society to destroy the flowering of the higher culture through this communist levelling process.

Whatever influence might have existed and still exists in the mind control media there were a few venues which slipped through the cracks as 'gifts from god' of providence or karmic blowbacks against the black magician Jewish elite who had taken control of the media as their machine of mind control of the populace and programming to reify their perverse ideals they seek to impose upon the fertile soil of the Aryan collective consciousness as seeds of destruction.

Tolkien's Lord of the Rings:

Standing as a literary encapsulation of the world situation (one is tempted to say 'cosmic reality') his plots and characters represent the reality that is and was faced by the Aryans against the dark forces of evil which seek their destruction.

The hobbits are the 'little people' the common mass who lives their lives oblivious to the surrounding world (through admitting of exceptions to the rule such as the enlightened master Bilbo, Frodo, etc., the neue adel or noble caste) who are capable of attaining the higher consciousness and overcoming the pettiness of the daily drudge). They are weighted down by the leaden chain of materiality drawn to the mundane cares of the world, ensconced in the veil of Maya. However their leadership constitutes the new hope for evolutionary development to become like the elves (remnants of the Aryan race, the zenith of humanity) and sojourn over the sea towards the higher states of being (immortality) through the alchemical process and an acquaintance with good and evil on a quest to attain enlightenment (the higher self).

Instigated from their dogmatic slumber of ignorant bickering and worldly care in the shire (the lower self of the Aryan racial collective consciousness) by the dwarves (which may be interpretations of the Jew and their quest for gain) the initiation begins transmitting itself generationally within the family of the elite (Bilbo to Frodo) who are burdened with the responsibility of gnosis (the ring of invisibility) and who must develop this gnosis to serve the good instead of evil, like Gandalf instead of Saruman (Masonry), white as opposed to black magic, service to others (the white race) as opposed to service to self.

The former also endures the quest for eternity through overcoming his lower self (the balrog) and developing the diamond body (Gandalf the White) in contrast to the coat of many colours of Saruman black magician who hides his true purposes behind the white hand (of Freemasonry) and who serves the dark power in Mordor (Satan, Sauron, the demiurge, Jewhovah, Saturn) – god of the Jews.

The orc hordes (non-white beastmen) are unleashed against the 'little people' and even the einherjar/viras of Rohan and Gondor who constitute the tribe of Judah (Germany) from Tolkien's perspective, defenders of 'Middle Earth' (Midgard). These animal/beast hordes are the slaves of both Saruman and Sauron, servants of the Jewdeo-Masonic pact for global dominion. In the citadel of technocracy of Orthunc (the headquarters of Saruman), the metropolis prison of J.O.G., these beast people are perversely hybridized through technological gene splicing with the men (White Aryans of Middle Earth) creating beastman monstrosities to serve the J.O.G. as more intelligent and unfeeling slaves than the orcs yet divested of their identity and moral sense, malleable puppets of their masters molded to suit their agenda of earth devastation and totalitarian control, slave soldiers in the wars against Middle Earth (the Aryan race).

Through the heroism of the Aryan race the evil of the world is negated once it is struck at its heart through Orthunc being destroyed by the Ents (the roots or race soul of the Aryans) smashing the technocalypse of the metropolis. The shire had been flooded with the orc hordes who were then rooted out by the now fully aware denizens of the shire the ur-consciousness of the Aryan collective soul, its foundation in the peasantry who had not attained adeptship and initiated the change of the tide to cleanse the land for themselves and their posterity. Given that this is almost inevitably what must result the story of Tolkien is a revelation of the method prognosticative of the destiny of the Aryan and of his foe, the dark lord (Demiurge).

He-man Master of the Universe:

Another leak in the matrix comes in the form of what presumably is a gnostic (and perhaps Jesuit in the sense of Jorg Lanz von Liebenfels) offering, an insight into the future possibility (probability) of what is to come after the conflagration between the Aryan He-man and the leader of the dark forces Skeletor the Jew, namely total victory for the 'Eternian', the Aryan race who alone are capable of attaining eternity through cultivating 'the power of Greyskull' and ascending beyond the material plane. Thereby they attain eternity and thus are called 'Eternians' (Aryans).

He-man the blond-haired, blue-eyed ruddy-skinned Aryan man who crusades (with his Maltese cross) for the survival of the 'little people' who live outside of Eternia (the mundane world, still living behind the veil of Maya) and who are constantly beset by the machinations of the evil Skeletor and his evil horde. He-man's name is Prince Adam, connotive of Adamic man, the Aryan race who are of 'God' not part of the creation of god and who thereby are 'masters of the universe' not subject to dissipation and absorption into the demiurge as energetic food.

Skeletor the minion of this demiurgic force and through whom it manifests itself on the mundane plane form 'Snake Mountain' (left-hand path black magic) as opposed to the white magic benevolence of Greyskull, both of which are energy flowing along the Shushumna (spinal canal only in contrary directions in the case of Greyskull (the skull) upward towards the higher realms and eternity; in the case of Snake Mountain downwards and onto the earth. Perhaps however both paths lead to eternity?

But only how they are used and directed? Skeletor the Jew wearing the colours of the demiurge (Saturn) those of the night side of Eden (purple and dark blue) is equipped with great knowledge as evinced by his plotting and cunning manipulation – pure intellect, leftbrain robot thought, logic and entropic cogitation – nevertheless lacking in wisdom as operating on a wavelength not in harmony with the sum total, devoted purely to egoic pursuits and thus doomed to failure from the outset whereas in the case of He-man he is the white mage who resonates with the sum total and through a heightened intuition and understanding can easily circumvent the plans of the Jew/Skeletor, whose magic is rooted in a perverse twisting of the order of things to serve his own megalomaniacal plans for conquest of the earthly plane and Eternia, a realm he is incapable of attaining.

Sorceress is the bearer of intuition (intuitive consciousness) which is the seat of wisdom in castle Greyskull whereas her counterpart in the evil horde is Evil Lynn who represents the sacred feminine intuition in its lowest octave as a black magic manipulation so prevalent in the discipline of psychology that power source which modern feminists plug themselves into as means of self-empowerment which always entails a relative decrease in the power of others from whom this power is taken and over whom it is wielded.

The nanny state of today is represented by this Other- subjection by the feminine ego in its lowest octave. Sorceress resonates with the sum total, Evil Lynn runs against the grain for purely self-serving ends. Beastman with his feral strength is the enowsh of the bible, the preAdamites who are part of the creation and incapable of transcending the material plane where they remain as an earthbound soul if not absorbed into the demiurge as energetic food. His counterparts (if such a parallel may be drawn) would be Ram-man (brute strength used for good as opposed to evil and thereby always of greater force necessarily capable of overcoming evil) and Man-at-arms whose technological weaponry easily supersedes Beastman and the evil horde.

However this technology – itself a neutral force used for either good or evil – can be easily turned towards the source of evil and this is entrusted to the engineer Man-at-arms whose Aryan soul employs the technology for Good.

Both allegories of justice (the rare exception in a system of injustice) and of injustice are discoverable in countless forms in the pop culture even through (at this advanced stage in the dialectic of the Jews' evil) the good is overshadowed by the surfeit of evil which pervades the pop-cultural landscape. In spite of the degradation of the family and thereby the Aryan race in general by this mind control, good always finds a way to overcome evil, justice to rectify injustice. In the fantasy world of pop culture so too in the real world of politics at a micro and macro level: the Evil of the earth, the dark lord, is subjugated by the children of light, the Aryan (noble) race.

The Predictive Programming of the Jewish mind manipulators is revealed to the Aryans who the Jews contemptuously look upon as their goyim (animal) slaves, as a means of conditioning them to adopt self-destructive behaviors leading towards the Jews' intended genocide of the White Race.

The Aryan backlash in the form of such works as Tolkein, Jim Henson's the Dark Crystal and the cartoon Heman illustrate the struggle between the forces of light against the forces of darkness, between the Aryan who upholds the order of God and the Jew who seeks its destruction through chaos.

Learning the lesson of what the Jew wants the Aryan to do via predictive programming is essential to combating the genocide agenda.

STEPHEN KING

***ARCHETPYE
OF
JEWISH
MIND POLLUTION***

STEPHEN KING: ARCHETYPE OF JEWISH MIND POLLUTION

The author Stephen King is and was throughout his literary career an operative of the cabal put into that position and given maximal media acclaim so that he could spread the mental virus of his cabal's destructive creed.

Specifically during the generation when he was at his peak (the later seventies to the early nineties) the baby boomers were raising their children and had formed marriages and had developed themselves in their careers ceasing to be purely dissolute hippies and had become converted to yuppies through the incentive of the glitter of gold. This was the peak of the 'me' generation and the cabal at this time was putting forth as much destructive media content as they could with the malicious deliberately contrived plan to genocide the white race through the following means:

- 1) reduce the birth rate;
- 2) encourage a purely self-serving hedonistic ideology centered around the libidinal economy "maximizing pleasure, minimizing pain";
- 3) ultimately as a consequence of 1) and 2) to destroy the nuclear family, the foundation of the continuance of the white race as a whole, their 'end game'.

The cultural creations of such things as 'Cheers'; "All in the Family"; "The Simpsons"; "WKRP in Cincinnati"-the list goes on, were designed as propaganda vehicles to encourage the baby boomers to adopt the behavior of the characters in those venues and to act out in real life in their own lives the melodrama put forth in the movies and on t.v from t.v series like Dallas,etc.

The women were targeted with a feminist message: "Proove that you have nothing to prove" and generally act up and seek to dominate the men, cutting off their balls and obstructing their role as a leader and hero figure of the family unit disempowering and emasculating them and driving them into the bar and a lifestyle of hedonistic indulgence.

Of course the males' programming was equally destructive on the basis of an Archie Bunker or a Homer Simpson, a fun in the sun type of devil may care fellow whose carousing in all too many cases led to the destruction of the nuclear family through deadbeat dadism, divorce and children who ended up growing up without a father figure, mama's boys who were inept and incapable of playing a role in the competition for dominance in the rat race of the jew world order.

Stephen King comes on the scene just as this culture was beginning and injects his Freudian psychodrama in literary form into the consciousness of the goyim which presumably was his intention and that of his cabalistic handlers: to instill in the mind a virus which would replicate virally and vector into the younger generations who would have instilled in their mind a similar psychodrama of Freudian lunacy wanting to be overly close to their mother (though perhaps not in any sexual way but in that of the dependency of a chick in relation to a mother hen) and a maniacal hostility to their father (which hostility was understandable given the deadbeat dadism and hedonistic selfishness the parental figure embodied and gave his own children to understand was largely a vice).

The works of King centered around relationships in large part against the background of ghouls and ghosts which imparted to the reader a thrill of psychodrama that perhaps helped to enforce through excitation the self-destructive memes or tropes King was imparting in his works. An example of this

Freudianism is very evident in King's earliest works specifically "Rage" which portrayed a youth who was disillusioned with the world of the late sixties and early seventies and who became sufficiently disgruntled to 'act out' his dissatisfaction through shooting up his school.

Of course this was also predictive programming for alleged mass shooters and was deliberately created for this purpose as well: to create in the popular mind, the notion that such things would and could happen and that the cause of these events was some mystical magical psychological defects which of course were, according to the stereotype, typically common in white males, the usual suspect and target of the jewish cabal. King also portrayed instances of female blowups, usually in connection with relationships such as in the book "Rose Madder", and females being an empowered villain though only because of their christian nature such as in Dolores Claiborne and the female character in "Misery", further stigmatizing and psychopathologizing christianity in King's typically jewish luciferian manner.

The abnormal psychological development of Charlie Decker in "Rage" is attributed to a quasisexual oedipal complex which he had developed in his relationship with his mother in youth and which recapitulated itself in his attempts at normal sexual activity in his teen years as a grass smoking hippy though even there he is portrayed as a marginal/peripheral figure who exists as a loner which is of course causally explained in an implicit way as a result of his 'oedipal complex'.

Thus an association is created in the mind of the reader between mystical psychological processes and violence thereby universalizing violence and even particularizing it, tying it to the white male and at the very least scapegoating white males such that all of the non-white violence caused by any and every being but white males would be directed towards the white.

Perhaps this was one of the motivations of the cabal as it is in so many pop cultural venues from around this time such as 'robo cop' wherein, in the blackest and worst crime ridden city in America the real criminals aren't black but white and a jewish robocop works with blacks to fight against them inverting the reality in the public mind. The jewish actor Charles Bronson also, in the series 'Death Wish' strikes out in stereotypical jewish vengefulness against white gangland (which of course never existed given that the higher levels of organized crime were always jewish, the 'mishpuka'; kosher nostra).

Thus the meme of white male criminality and white male psychopathology is planted into the popular consciousness. King would later go on to retract his book but this during the Columbine shootings which was yet another false flag event thereby garnering more attention to the psyop through King's celebrity. The event was perpetrated by the cabal and both teenage shooters were jewish and anti-white, not white or 'white supremacists' as they were stigmatized by the media. King was quoted at this time to deliberately draw an association between Columbine (whichbentailed multiple black ops shooters) and the story "Rage", such that the story and its memes received the fascade of confirmation in real life through the psyop of Columbine: a literary psyop claiming to cause a false flag psyop in physical reality when both were contrived and false from their inception.

Thus we can see that King is/was an operator of the cabal and that his works served the purpose of stigmatization of white males as unstable and dangerous and thus an object of suspicion, that 'the good' people of society-females; non-whites and jews- had to be watchful of as the white male complex and problematical psychology could result in any threatening and harmful behavior to the 'innocent' aforementioned.

In terms of self destructiveness of the nuclear family we have King repeating in his "Roadwork" under the pseudonym Richard Bachman the tense relations that exist between the man, a hard-working, older middle aged man-one of the semi-responsible conservative types whose family life was torn apart through his obsession with his son who had been killed in an accident which was so far as the writer can recall, attributable to himself and his moment of negligence.

Accordingly the father was racked with guilt for the period recorded in the novel leading to his divorce and his wife couldn't endure his obsessive nature and his loss of position from his job which reduced his socio-economic status in her eyes imputing to the white woman a gold-digger motivation and the man a defectiveness, an impotency in performance. King here presents the figure or archetype if you will of the feminist, cold-hearted ball-cutter woman who lives to attain and maintain a certain socio-economic status and would have a willingness to sacrifice her relationship rather than to endure a loss thereof thereby creating the impression in the reader of a male victim who is alone in the world and who, because of the economic forces that inhibit his world's continuance (OPEC and the oil crisis that occurred at this time) is unable to continue in this world which has all but fallen apart around him and must attempt to strike out in revenge through force against the municipality which wishes to bulldoze his house and compensate him for its value, taking away the memories of his personal life and tradition in the name of 'progress'.

He rejects this through pretending to go along with it as a means of preparing for his strike-to blow himself and the roadwork up as the latter represents the economic forces of capitalism which have largely ruined his life. His house also being the concrete embodiment of his dead son's memories which 'the system' threatens to destroy Tradition through the 'progressivism' of the modern world. a world which he, being a representation of White Tradition, is being overcome through his own impotence.

The take home message here of course is that in a world gone mad the lone man has no recourse but to go mad and take poetic justice into his own hands thus inculcating in the mind of the white male reader a sense of heroism as he interiorizes the behavior of the character and a sense of the danger of the white male into the mind of readers not white and male (females,etc.) thereby lending further credibility to whatever events were alleged to have occurred during this time or shortly after such as at Jonestown.

Incidentally "The Turner Diaries" was also written at this time which lends suspicion to the author William Pierce's affiliation with the cabal and whether he was not a party to these activities himself. Thus more negativity related to family life is introduced into the popular mind. "The Shining" which was written around this time and the movie which accompanied it further undermined the mental soundness of the white male in the mind of the audience portraying it as unstable and potentially of a violent caste able to erupt in acts of aggression through eg. violence against women and children and disruption of and incapacity to maintain, the stability of the nuclear family owing of course to the dark and hidden corners of the mind of the white male who is a perpetual problem that only all of the forces of society unified against him can solve.

In the Bachman books another short story "The Long Walk" is presented serving as yet another vehicle of psychopathologization of the white male, conveying the impression through a contest which is a rite of passage for young males of sado-masochism; a competition called 'the long walk' in which the male youth volunteer to walk for as long as they can with others amongst whom only the victor survives, those who fail to continue the walk being gunned down by a military detail who accompanies their rite of passage, the winner being the last-man standing.

The notion conveyed of course is that anyone who would volunteer for and support such a behavior is necessarily a sado-masochist and mentally ill, implicitly condemning heroic acts of self-sacrifice as a sign of mental illness and presenting such acts as being undergone by almost exclusively white males within the context of a white male dominated quasi-futuristic militarized society. Thus we see the stereotypical jewish slander of white males and their heroic and virtuous (in the Aristotelian sense) societies.

However females are also not exempt from judgment in King's works though typically portrayed as the cabal had intended, the feminist archetype they had desired to construct being a righteous self-server and victim of heterosexual white male abuse or the systemic oppression of a white male society which they justifiably rebelled against.

In the case of "Rose Madder" the oppressed and abused wife 'righteously' murders her husband; in that of "Needful Things", Leland Gaunt (of a subtly jewish nature), a charming gentleman entices females with the object of their lust, eg. Elvis glasses that grant sexual excitement through magic and the cure of a hardworking woman's suffering (arthritis)-but for a price, which implies that though they are victims, they are nonetheless complicit in blameworthiness as the price they must pay entails a harm to another thus serving themselves before others.

This trope conveys the notion of a tension of relations between women and the 'Other' and within themselves, an inner struggle between their self-seeking egotism and their failed altruism thus implicitly aspersing females while playing up to their victim complex and amplifying their self-understanding as a victim and encouraging them to rebel against the 'Other' (white male patriarchy) over and against their own better interest, convincing them that their interest lies with themselves and not with the collective as a whole.

Further stigmatization of the Traditionalist worldview and the white male patriarchy is put forth in such stories as "Children of the Corn" and "The Deadzone". The former portrays the stereotype of the backwoods simpleton, a right wing christian in this case a group of youth, who are bound to a fanatical creed of the 'letter of the law', of christianity in its most fundamentalist nature, or course perverted by the ignorance and illiteracy of white youth such that the value system of christianity becomes associated with backwoods primitivism and a violent psychopathology of murder and propitiation of idols ('the watcher between the rows' in the story).

"The Dead one" similarly portrays a backwoods populist politicians in the midwest attempting to castigate liberal values and of course portrays him in the most stereotyped manner as a violent minded and bigoted simpleton in contrast to the erudite enlightened yuppie whose wife leaves him for a richer lawyer because the yuppie had a brain tumor which enabled him to have all manner of psi powers. This again stigmatizes the woman as a gold digger, a self-interested egotist and disloyal traitor and the man (possibly a fictional representation of King himself, a jew) as a victim though feeble and weak, while the white male populist grassroots politician is strong and powerful but only in a brute physical form and thus again is posited as 'dangerous' and a 'threat' to the enlightened and progressive society.

Throughout King's works the hackneyed Freudian tropes of Oedipal complexes, inner tensions and latent psychological defects and quirks are presented as hallmarks of heterosexual white normality and this as a literary weapon employed to create negative regard for the white family, and the white race as a whole. No white is spared King's psychopathologization-from children (Charlie Decker) to men (the figure of 'the Major' in "The Long Walk"; the politician; the disgruntled husband) to women

(the gold digger; the floozy; the spoiled materialist and the anal retentive christian)-all are given the axe just as Jack in "The Shining" gave the axe to his own wife and child. Such is the fate the jew has in store for the white race and which Stephen King's morbid psychodrama thrillers well exemplify and set the stage for as a literary weapon of demoralization.

DEMOCRACY

DEMOCRAZY

THE PREJUDICE OF THE HYPOCRITS

The hidden rulers of the jew world order (jews of course) and all of their minions (jewdeo-christians; freemasons; jesuits; liberals of both right and left wing varieties) have created and enforce a system of double standards wherein they are posited (posit themselves) as the arbiters of morality, adjudicators of what must be and not, and have hidden behind the vast multitude of 'victims' they use as a shield and a pretense of defending while attempting to disarm the white male who is posited as an inherently immoral monster or at least endowed with this 'mark of cain' which has been impressed upon his forehead by the ruling powers-and this as a means of having a scapegoat they can use to set their savage puppets upon having them harass and attack the white male as a means of diminishing his power and usurping it for themselves.

He is thus guilty before proven innocent and the burden of proof is cast upon his shoulders just as is the ever increasing quantity of numbers of monkeys that are on his back-the white man's burden. If he does not go through the motions of kow-towing and bowing before the collective mass and the jews particularly (through paying obeisance to such victims of holyhoaxes and modern versions of victims of the 'anti-semitism' of white neo-nazis, etc.) then he has stones cast upon him and is mangled, confined in rusty chains, forced to the level of abject slavery while the greedy and self-serving beastfolk and their jew masters stand above him with the lash.

He is thus on trial 24/7 and must perpetually smile and scrape before every victim he sees in order to avoid further punishments in the forms of vilification, etc. imposed upon him by the cabal. Thus those self chosen rulers and their egotistical underlings tout equality of rights and 'human dignity' while attempting to dehumanize the white male into the 'white satan', who is a pariah of the social and upon whom the sins of members of the collective of the regime can be placed in expiation.

Thus the white male is set upon the cruxifix to follow the fate of christ only branded by the cabal with the '666'. However the cabal failed to anticipate that there comes a point at which the white man ceases to tolerate the mewlings of the rabble and their sticks and stones they are perpetually casting upon him. At this breaking point he bursts his bonds while the once jeering rabble scatter, seeking desperately to escape from the fury of the Northman: "scribes and pharisees-Hypocrits!" he cries with righteous indignation lashing the demon seed and their beast with a bull whip lacing into their fat hides and leaving them quivering sacks of excrement attracting flies. The hypocrits are hypocritical no longer and like all dogs have had their day.

GOVERNMENT IS GOD

The secular humanist ideology/weltanschauung denies any distinct or identifiable authority beyond itself: 'humans' (so-called) are the most evolved beings on earth and it is they who decide good and bad or evil curses of action and evaluate what is 'good'; 'bad' and 'evil' based upon their finite and fallible capacity. There is no authority beyond Reason and intellect or a higher level human intuition and those humans most altruistic and developed are most suited to rule as best able to oversee in a god-like manner a system of rewards and punishments, of 'blessings' and 'cursings' that create an overall

harmonious world of love, 'peace' without any 'god'; above. So far so good according to the humanists, we humans can supplant any deity real or imagined beyond ourselves assuming any such exists. We can be the authority and let the others, the less gifted and able, be ruled in a benevolent manner by us such that that state of blessed being, of universal peace, may reign upon the earth without any undue strife or hardship.

Of course there is bound to be chaos, bound to be problems as such is life in our finite and fallible world of earthly existence and yet we must make do with the cards we are dealt and play them according to reason and understanding and the general principles of enlightenment that we adhere to and base our existence upon as humble servants serving the 'greater good' as this is the overall harmonious outcome.

Such a fantasy outlined above carries with it the apparent good and in theory is a desirable outcome-in its broadest outlines-. However when applied to a society of a multicultural nature and ruled by the wrong people (jews and their shabbos goyim) it is quickly seen for the lie it is, namely a two tiered society with a privileged class of rulers and a slave class of ruled and far from the benevolent harmony the hypocritical false promises of a better tomorrow had offered their compliant minions and serfs, it is rather a perpetual cacophony of turmoil and 'strife, endless strife' as Heraclitus said.

Today's marxist-jewdeo-freemasonic-christian regime (the M.O.R.G or 'magian occupied regime and government', governed by the 'magian' morality of the near east about which Spengler spoke in "The Decline of the West") is that self-styled Absolute (only worldlessly, voicelessly) regime that establishes itself as the 'god' of the masses who perpetually look towards 'them' or 'they', the government as the arbiter of Truth and falsehood of justice and injustice and have perpetually implanted in their minds the notion that they should look towards 'the government' as their bestower of largesse, permission and prohibition caste in the same mold as the despotic and vengeful god of the (((bible))), blessing and cursing according to the caprice of the god and his hypostases which latter are the government agents who are the vicarious embodiments of godhood, godlets of M.O.R.G or J.O.G (jewish occupation government).

The timid masses, sheep like in their subservience to external authority readily acquiesce to the impositions of the state and eagerly, fawningly prostrate themselves before the agentur of M.O.R.G with bowed head and bent knee. The M.O.R.G is merely a representative of the consciousness of jewry which had heretofore embodied itself in the form of organized religion and had later and contemporaneously metamorphosed into the state in the form of organized religion and had the same character as the jewhovah archetype, a crystallized thought form of the jew. "The state is everything and everything in the state" is a phrase which applies to the M.O.R.G all thoughts, like roads, leading to the Novum Romanum which is in reality the zion of the jew's self-fulfilling prophesies. And yet they are nonetheless still unfulfilled which leaves room for the glimmer of hope for a better future outside of the M.O.R.Gs' influence. The states' apparatachniks' look to themselves as the be all and end all of life having power over reality, over what constitutes the 'real' and what fails to attain that standard being mere 'opinion, belief, perspective, etc.'.

The voice of the people is the voice of god in the M.O.R.G and the representatives thereof are the voice of the people and thus by extension of 'god', of the Absolute. As the character of M.Bison in "Street

Fighter: the Animated Movie" said "My authority is absolute and I will not tolerate questioning". Such in a phrase is the mentality of the hypostases of J.O.G, the fragments or particular instances of the magian occupied regime and government (M.O.R.G).

Anyone not a J.O.G-bot (jewish occupied government robot) is permitted only to speak and communicate with J.O.G-bots within certain parameters or limitations, ideally as briefly as possible and only with smug condescension may a J.O.G-bot speak to a 'civvie', one of the proletarian J.O.G-bot caste and this as means of attempting to demonstrate the still needed lie of representation by population to keep the masses from rioting and overthrowing their system when they realize that they have been rendered voiceless and powerless serfs.

The hypostases of J.O.G claim to be public servants but are in reality public masters concealed behind the veil of public service. The mantra, as it was under the prior form of organized religion of 'serve the servants' applies in all of its hypocritical manifestations, the condescending smiles, the presence of altruistic service provision, etc. Helpful hindrance and harmful assistance, pathing up the wounds of tax slavery and work slavery with the bandage of welfare or alms in the form of genetically modified bread and other pseudonutritious food stuffs. The grace of god is the pittance dispensed to the pobelvolk by the parasites of zion through wealth redistribution and the slavish masses must humbly prostrate themselves before the priest caste (secular and religious-all one in reality) as means of partaking of the necessities of life.

The hypostases of J.O.G have established themselves in the position of the Absolute, as a luciferic instance of the Divine, concrete carnal embodiments of the Divine sparks who would shine their false lights over the broad masses bathing them in their godlike sheen and reflect back upon themselves their glory, basking in their own glory.

Whether they acknowledge their hypocrisy or not they nonetheless cast their hallogen light onto the masses who in purblind ignorance of Truth are irradiated in its hypocrisy and save in the exceptional cases where one may be wearing the 'They Live' glasses of reason and understanding themselves are completely content-over in their misery to wallow in the mire of the sudra caste.

However, that the government is not God, that is to say the Absolute or a reflection thereof but is merely an artificial system which is their reification of the hive mind consciousness of jewry and is what they would seek to establish as 'God', that is to say the Absolute. However their plans are as finite and fallible as themselves, being an epiphenomenon of their live mind, born in their image and subject to the contingencies of time and space. Thus they very well bear witness to the casting down of their idol government and all of the law tables they have established as means of self legitimation hypocritically representing (falsely representing) the broad masses when they are merely seeking to impose their despotism on (((the world))) and call it 'kosher' to create the appearance of the divinization of the material when they are merely a desecration the Divine and material simultaneously.

DEMOCRACY: LIABILITY WAIVER

Democracy is inherently irresponsible, it is a political creed of 'passing the buck', of political hot potato wherein every 'player' in the system from the loftiest summit of power or congress to the lowliest garbage man or gin soaked skid row bum, is wholly irresponsible for their actions-it is the 'collective' which bears responsibility, 'society', the 'environment', never the individual or the 'person'.

In a democracy all are 'individuals' not 'persons', they have no concrete reality, their identity being derived from an abstract concept without concrete reference. Thus the 'individual' is the mask behind which the 'man without qualities' conceals him/herself and escapes punishment for his/her/its own acts-which, by virtue of living within a 'democracy' are divorced from the person or merely incidentally related accidents of the 'individual'-products of the 'system'.

As such democracy serves as a systemic liability waiver, a political insurance policy that hedges one's bets in their gambit for power and that serves as safety net to escape punishment. All are merely 'floating signifiers' in the system of objects that have no discernible identity, that cannot be pinned down, that are fluidic and mutable as a female in her behavior.

Democracy is thus inherently female as inherently irresponsible and distinct; it is a shield behind which the vicious conceal their vices and a sword the decrepit use as means of holding their superiors hostage and coercing them to continue to serve their petty self interest at the expense of civilization.

Democracy is an ideology of disintegration which works as a corrosive acid on the structural foundation of tradition, undermining any stability upon which an organic group (race) can preserve itself.

The function of democracy is to shift responsibility to Others and these Others to yet Others and ultimately these Others to 'the system' and a pretentious claim to be 'doing what they can within the grooves they must run in' as a cop out and exculpatory clause in the fine print of their job description. The built in liability waiver of all functions in the system means that no one is responsible for anything. Their particular job capacity as state apparatchik may appear to hold them accountable for their actions but even in the most minute sense of their role, its particular set of actions that are mandatory or those in relation to which action is prohibited they can always fall back on 'psychological problems' or some form of 'cop out' as this rhetoric is built into the system to exempt those the system sees as useful from any punishment for their crimes.

This applies especially to non-whites who are the pets of the system coddles as means of striking against the white majority (minority?) and inflaming their natural inborn hatred of whites as means of undermining and diminishing white power. The stereotypical and all too typical example of the jewish lawyer representing a non-white beast in a criminal case and enabling him in collusion with judge and jury to receive the least amount of punishment(and this even institutionally as a policy such as in the case of the redskins in Canada having automatically reduced sentences), whereas those the system hates and targets for elimination receive the greatest punishment simply for verbally or through communicative means acknowledging the crime the non-white committed, the disparity of punishment meted out to them by (((the system)))—and this under the cover of 'popular will'.

This 'popular will' of democracy is a contrivance of the media, a pure invention and projected upon the masses via indoctrination through the jewish controlled organs of information. So long as 'everybody's doing it', then why not we also? Such is the justification of all manner of vice and villainy that the true 'democrat' (demon-crap) exalts as the clarion call of 'freedom'.

This is the appeal to the lowest common denominator, to the pobelvolk of untermenschen who have no standards above that of an animal and willingly cavort with beastmen in drug-induced dionysiac rites of ecstasy without any higher principle of transcendence. The lowest common 'culture' ('culture' in name only) is the proletarian communist culture that the jew wishes to impose upon the masses as the acid pool in the crucible of democracy the corrodes all superior, stature reducing all to a melted mass of genetic goulash, mixed together without rhyme or reason and comprising a chaotic mixture of irreconcilable difference.

Democracy opposes all of that culture and those state formations which are based on principles of transcendence, of that which supersedes the mire of materialism, anything which posits a constancy or fixity and not a return to a chaos without order. Hence it opposes national socialism and fascism as two creeds that embody a differentiated hierarchical order, preservation and separation of types, a merit system based upon the proper nature of the qualitatively distinct organism playing their proper role according to their inner being (the 'man of race' and 'woman of race'-they who are integrated in all aspects of their being and integrated into the society, into the nation as suitable fit to play suitable roles and serve the nation).

The citizens' duties in a democracy are merely based on token efforts and social climbing, upon hypocrisy and a pretense of Other regard-regard for 'society', for 'individuals' but not for any concrete distinct racial group, or groups who have a sufficiently lengthy historical presence in the territory and a compatibility (if any can be conceived between different types) that creates a harmonious dynamic society. The duties of a citizen in a traditional society consist of fulfilling their proper destiny according to their proper nature, playing their role according to the Greek maxim 'gnothe seuton' (know thyself or 'know thy role').

Democracy undermines the role of the person and divests them from their True Nature subverting their destiny and coercing them through threat of homelessness in starvation to play the role of chameleon of necessity transferring oneself to suit any 'vacancy' in 'employment' (read 'serfdom') and to compete in a ruthless manner with any and everyone for whatever benefits they may-to the victor of the ruthless competition go the spoils (material advantages and social status-all that money and position can buy).

Thus the system supplants the proper nature of organism (races and their members) and uses them as expendable 'human resources' to be exploited and discarded to suit 'the system' and its perpetuation of subversion and human personality and destiny.

In a society of Tradition the population are allocated their proper roles and must meet and maintain a certain standard and serve their organic collective which fulfills both the individual member and collective destiny whereas in democracy the destiny of the state is merely a disparate ragbag of cacophonous citizens whose will clashes with one another and produces chaos undermining all of their ability to fulfill their proper destiny and ultimately fulfills its own destiny that of total system collapse

through its own inner contradictions. For this democracy is not responsible of course as it is a mere 'liability waiver' and an insurance policy that is merely a bet made against the house doomed to fail and result in bankruptcy.

CUCK CONSEQUENCES

The consequences of cucking out one's race: self-destruction through either racial treason and inevitable ostracism and failing to survive independently or execution or, should one achieve a 'victory' (however pyrrhic) over one's race it would be but short lived precipitating the death of one's soul postmortem, assuming they would be able to 'cling to life' for a nasty, Brutish and short period during their own physical individual lives-the loss of the soul through the death of their racial soul and/or through the death or merger with that of the 'Other' who would assimilate one's soul and precipitate his own destruction as a distinct 'entelechia' in the terms of Aristotle.

It is an inner weakness that constitutes the basis of this behavior, of the 'individual' (the de-racinated possessive individualist) who gravitates towards the self (lower self) over and against his race (Racial soul and higher Self). This weakness may be born of an over intellectualism (hyper-rationalism) which divorces oneself from the racial soul through excessive overactivity of the reflex action of consciousness (reason and intellect) and a deficiency in the higher modalities of consciousness (suprarational intuition/'intellection' and their creative employment in the form of art, poetry and magic).

Those who have become overly developed in terms of their reason and intellect and have so-to-speak severed their ties to the higher mind (God Mind)/buddhi manas) are not sufficiently spiritually developed to resonate with the higher realms and beings as a 'a man of heaven' in taoist terms and thus have suffered a fall from grace becoming a mere lever 'ape of god'.

Those who are unable to ever attain this state of consciousness, that of reason, of the rational man, and who are sell-out race traitors are typically tempted by forbidden fruit in the coarsest form of its being, that of the eve-elle apples of concupiscence and thus have a willingness to partake of the forbidden fruit as means of sating their flesh pleasures at the expense of any higher principle of sentience thus dragging themselves down to the hells of sub/infra humanity playing the two backed beast with the beastfolk and subverting one's development through cutting their lifeline to his racial soul.

The consequences of this inner weakness are dire and lead towards his destruction and harm to his racial collective of which he is a part. To cuck out one's race is to cuck and curse oneself. The unhealthy consciousness is one which is oriented towards an inharmonious state of being, one which is overly intellectual or deficient in intellectualism or one which is overly fascinated (put under the hypnotic influence of) that which is foreign to itself.

The culture cuck, he who interiorizes the 'Other' within his consciousness and restructures his consciousness in proportion to the infiltration of the 'Other' into his mind (mental rapine of the racial soul through the promiscuity of its members and thus the visitation of harm against oneself as

individual reflexively). Those who gravitate towards 'Otherness' demonstrate their own ill health of consciousness (mind) and are genetical-spiritual contaminants in the Racial Soul who are best excluded and shunned by the collective of which they are a member if (and only if) that collective wishes to preserve itself and not terminate its own identity, its own life.

Such is that state of the white mind today which is the resultant product of Jewish cultural observation of white identity through the 1) concealment of white culture and 2) overlay of non-white culture such that the latter predominates and threatens the continuance of one's own identity.

Over time just as the Jew has planned and as has been orchestrated time and again throughout history in various white created nations, the Jew seeks to erode the white sense of self, mixing the water of Aryan purity with the intoxicating wine of Semitic mind programs (ideology; religion, etc.) that infect the racial soul with the 'Otherness' of the 'other', the cultural epiphenomena of the non-white. The intention of the Jew is to 'get a foothold' in the host through its weakest and most unhealthy elements and to use them as means of garnering power and influence even if only by proxy and as a frontman behind which they conceal themselves.

The white mind may be receptive to the 'Other' beyond its own defectiveness and may be (which presumably would be known by the Jew) a result of what may be called the 'Olympian consciousness' of the white Race, its ability to transcend the narrow particularity of itself through dwelling in higher planes so to speak or existing as a more rarified or subtle, higher vibrational formation of consciousness which can attain a greater sense of understanding of that which is 'Other' to itself.

This is the orientation of the higher man-but the danger consists in its leading towards a fascination with the phenomenon of Otherness, with not preserving it in its distinctness but incorporating it in one's consciousness either through idle curiosity and or a desire (often motivated from below) to engage with the 'Other' at the expense of one's own.

This raises the question of: at what point does engagement with Otherness pose a danger to identity and is any engagement at all a threat to identity, even the very 'being' of the 'Other' in any time or place in Reality (at any dimension)? Indeed it must be affirmed that such is the case-that any engagement of any willful acknowledgment or relation to the 'Other' is a modification of one's identity, either an influence which strengthens or that weakens and this based upon the relative strengths and weakness of the types of the relative cultures.

Surely it would seem inevitable that a conflagration would occur and with each union resulting in the form of a mongrelization or a supremacy or hegemony as the ultimate end result. The mongrelization protocol could only work to the extent that those races/cultures/species mixed together were sufficiently compatible that an elevated level of civilization could be attained and a condition of 'sustainable development' or overall enduring harmony could exist among all things on earth in the preservation of their being. Could this be achieved with any of the current cultures/species/races in the form of some kind of union?

The historical record suggests that such would not likely be the case but rather that it would lead only to an unsustainable state of the world given the current technology. Nevertheless this refers to any

technology publicly available-there may be some hidden forms concealed from the public that could create a harmonious world, one might speculate. And yet surely, since these technologies were created by the white race it would imply (as would the entirety of the historical record) that in order to ensure a harmonious world whites must rule and 'keep the peace'? Failing this, over population, crime and disease as well as excessive pollution would tear apart the earth and within a short time frame. Whatever will be will be...it is wise for any who desire a 'sustainable world' to be aware of world history and causality should the wish to avoid the collapse of civilization.

THE MYTH OF 'RIGHTS'

The cult of rights which exists today creates a devolution of what has become known as 'humanity' to the lowest common denominator, to a being endowed with a certain structure or essence by virtue of his purely biological participation in a physical form, which is reminiscent of an anthropoid being, a bipedal vertebrate creature who walks at least somewhat erect (those who have the ability to walk). This being becomes endowed by virtue of their physical being, with magical 'rights' that is to say guarantees or receipt of some form of ostensibly positive treatment and physical matter, ie. food; shelter and sanitation; ostensibly in reality merely a cover for the killing joke that is the black magic methodology of jewish degeneration and genocide of the (((goyim))) they seek to enslave.

Thus the notion of 'rights' functions as a pacifier of the population and a means of suppressing descent through guaranteeing the broad masses a few scraps of low nutrient density matter improperly called 'food' and pollution called 'water', and a physical space called 'shelter' in which they are supposed to be a happy fool and live purely an animal life feeding; fornicating and propagating at the most base and physically degenerated level such that the actuality of 'man' becomes 'subman', a formerly spiritual caste reduced to the level of savage brutes.

These so-called 'men' are endowed with the pretense of a guarantee of life at a brute level, however even that cannot be guaranteed by any overarching government as it is merely a specious facade or appearance of rights that are in reality not what they are represented to be: shelter being a homeless room filled with violent animals and drug addled savages; food being some genetically modified low nutrient density filth full of additives; water- a poisonous, chlorinated, fluoridated substance causing all manner of cancer states and brain damage, and a robbery of a more meaningful way of life or purpose from those who are forced to subsist at the lowest level and live a 'nasty, brutish and short' existence without any meaning beyond that of positing one's rights, ie. feed; fornicate and subsist as a animal man.

'Rights' being legally guaranteed benefits that can just as easily be taken from the broad masses by that same government that claims to guarantee them; thus the adherents to this creed fail to realize that no freedom can be had save through the enforcement of that freedom with force and even that which is forced to make concessions cannot necessarily guarantee anything (in the event, eg. of famine, of environment damage; food shortage, etc.).

The recourse of the 'rights'; ideologues who wish to claim that there exist 'rights' beyond or independent of a legal system of a particular form of government is to either some fundamental feature of what is called 'humanity' that somehow by virtue of its humanity, becomes entitled to rights, which posits its existence as resting on itself as its own foundation (humanism) or on that of 'God', a conscious Absolute that has created man or from whom man emanates and who is by virtue of his existence, entitled to its perpetuation.

Granted that there is a God or 'God'; it doesn't follow from the premises that the right to life is given, as all men are mortal and subject to decay and death which is a fundamental property of their physical being and thus no one 'human', has any guarantee even and especially from God to live. Hence the conception that rights' are a reality is mere myth.

What is the rationale for the creation of the myth of rights other than a) sentimentalism and/or and most probably the greater b) pragmatism-the desire on the part of political actors to derive more benefits for themselves through whatever currently existing state form exists and to restructure the state so that it facilitates their interests, the state being merely that behind which certain particular parties hide to shield themselves from the masses at least at this time in history and to exploit others for personal enrichment (in today's world the private sector, those who serve as the motor of the economy and whose productivity is vampirized by the state); in past times it served a more organic function being comprised of a biologically homogeneous kind.

Thus rights as a notion become codified in law and these laws have the weight of force, ie. of guns held in the hand of the broad masses who are brought down to the level of animals in the case of communism where the mass and those most useful to the jewdeo-masonic conspirators are permitted to serve as their guard dogs in a democracy the bourgeois or professional police ,etc. are put into this position by virtue of their class identity.

Rights thus are only legally guaranteed by a particular state form to the extent they can be imposed at the point of a gun without which no such rights be extent at all and with which they are merely contingent phenomenon that prop up the narrow and partisan interests of the conspirators. Thus the notion of rights is absurd and at best serve as pragmatic function to facilitate one's own interests.

To rely upon 'rights' or having rights any inherent legitimacy is a fool's game as that is to rely upon a particular state form or possessing adequate force one's own side to guarantee the continuance of his own kind or even individual interests. As Mao Tse Tung said: power comes from the barrel of a gun and rights are merely the power of self-enrichment over and against others when a society entails conflictual elements that are irreconcilable (eg. class and racial differences).

The rhetoric of rights and the rhetoric of implied threats of force used against the 'other' on the part of those possessed of sufficient power to enforce those implied threats in the even they don't get what they want. The myth of rights is founded upon this rhetoric which, through emotionalism, establishes it as an ostensibly lofty promontory before which all must bow, before this false idol of 'humanitas'.

Such rhetoric is merely the pragmatic praxis of the hidden hand of surreptitious dark forces that hides behind the facade of equality and pollutes the brains of the broad masses with this emotive jargon and

rhetoric as means of wiping them into a frenzy to attack the target desired to be attacked by the cabal, namely the productive and creative white male, the only opposition to their tyranny as the only counter force-that which is intelligent enough to understand what is being done in the degeneration of society to a jewish theocracy over a slave class and what the solution is; able to discover the particular means to dismantle the crazy train of J.O.G (jewish occupation government) before it careens off a cliff.

Stupid as the broad masses are and mid controlled by the propaganda of the jew media as they are they pose a serious threat to civilization. For civilization-necessarily Aryan- the cabal must be subjugated and means must be found around the savage hordes that seeks to unleash on those who threaten its tyranny. Turn the rights based rhetoric around : "White Rights! No more (((human rights))) exclusive of whites rights. Inclusiveness implies inclusiveness of whites or it is hypocrisy, self contradictory. Use the rhetoric of right according to its own logic applied to oneself for one's own interests and that of his kind.

DOUBLE STANDARDS

All claims to the contrary egalitarian doctrine has never been practically implemented and never will be. There is no equality in nature and no equality even in christianity as all are emanations of the Deity, fashioned in whatever particular way according to the principle of "kind after kind" and there being no intermediate forms between kinds but each being separate and organically developed out of itself it either perpetuates itself through itself or ceases to exist as a perverse hybridization of its nature.

Thus the notion of 'equality;' is a myth that is used by the anti-white elite (jews; freemasons,etc.) to cut out any healthy instinctive minded white population from less privileged classes so as to monopolize power behind a front of a multiracial demographic who serve as their 'niggers' behind which they conceal their hidden tyranny puppeting them through the chains of mammon, of gold (bourgeois white collars); silver (trades and service job types) and bronze (the proletarian untermenschen), while the underclass of whites are crushed further into poverty as yet more third world shit bricks are added to the wall of Solomon's temple.

The false claims embodied in these principles of liberal social-democracy, namely that the populace has representation and that equal opportunity exists, serve to mask the deluders of the populace who hide behind the facade of 'public servants' while being covert public masters who have no possibility of being dethroned until the hypocritical regime itself is put aside by peaceable or other means.

That anti-white rulers claim that equal opportunity exists as a means of quelling the righteous indignation of the white population through holding out the appearance of incentive to those who would otherwise pose-in their minds- violent opposition to their regime. Thus they seek through creating the illusion of choice, to pacify the resistant demographic while building up the non-white population and then using the later as a revolutionary army to do away with potential white dissidents once they deem they have adequate numbers and can persuade the average fool that those who oppose their regime are 'monsters' through their dehumanization process in the media.

Some become dimly aware of the hypocrisy when they only see the jews, white feminist women, manginas and non-white workers in all desirable jobs where power is concentrated and from which

fulfillment can be derived. However most, especially the fortunate few amongst the bourgeoisie subscribe to the lie on the one hand or look away with cognitively dissonant indifference, unwilling to face their own alienation from a society created out of the wilderness by their ancestors and which was thoughtlessly given over to foreigners and race-traitors during the baby boomer and subsequent generations progressively apathetic and self-serving but for the desperation of circumstances that necessitate spurring them on the pursuit of the means of subsistence at the lower end of the scale.

Thus the double standard hypocrisy of 'some being more equal than others' has served to mask the parasitical hypocrits from having a light shone on them by the broad masses-so far. However the tide is turning and won't be stemmed or channeled into others courses through the distraction of bread and circuses, etc. but will rather be brought full force upon the anti-white establishment and break asunder their man-made dam called 'government' as the force or hand of God brought against the evil of the world.

Double standards will no longer be erected as false idols and golden calves before which the purblind masses are coerced through social conditioning to prostrate themselves before. A new hierarchy, not rigidified but plastic enabling the vital and creative to rise and the rotten to fall in accordance with process of natural selection. Such an order will be open and honest, however hard and brutal, where all will be given opportunities which correspond to their capacities and aptitudes and thereby be able to manifest their proper destinies in this world unhampered by legislative chains keeping them bound to the dregs of society as a beaten cur in the kennels of society.

With the greater awakening they will burst their bonds and fight their way to the predestined position in accordance with the Providential Will. Those who have attempted to orchestrate circumstances to enchain them to the earth will find that they no longer have a dumb brute to deal with...not dumb in any case, but still brutal. The hypocritical preachers of their false creeds of 'love, brotherhood and 'tolerance' will find that their mental pabulum no longer has any savor as those they would serve it up to have gotten sick to their stomach on the lies and hypocrisy of the egalitarian falsehood.

RULE BY BRAIN BENDER BOX

The masses are conditioned largely based upon their feelings to operate or to remain in an inhibited state of being (act or omit to act/forbear from acting), the feelings of the masses are a result of their conditioning by various forms of standardization of their mind into demographics which are then used as voting blocks on the part of the state to carry out its ends, programming them as voting cattle to agree to what they have represented to them as 'desirable' and to disagree with that which is represented to them as undesirable.

The sophistication of this process has attained a level of high complexity, a multi-layered, multidimensional influence brought to bear from without through a technical apparatus that exists as an unknown 'X' in the mass mind, an unknown influence such that 'their thoughts are not their own' though they think they are. This in conjunction with a sinister occult influence brought to bear by the cabal through various rituals amplifies the effect an exerts and effect insuperable for the average person.

This might be called the automatization or zombification of the populace rendering them Z.I.O.N.S or "zombie installations operating negatively", mere pawns in the game of human chess played by the jewish chess masters and their dark lord jewhovah. Instruments of the cabal manipulated to carry out the protocols of the elders of zion.

The soviet union was an experiment that enabled jews to develop their technotronic technocracy and engineer their hyper-reality as a superimposition upon the conscious awareness of their serf caste. They had carte blanche to manipulate the people as in the case of the experiments of Pavlov which weren't limited to cats as the public are made to believe, the knowledge garnered therefrom being used to manipulate the mass consciousness and later the Tavistock institute for human relations and the Stanford Research Institute of the mass mind.

The use of electromagnetic fields as means of modifying brain wave activity to induce in the populace certain feeling states or states of consciousness that motivate them to act in certain ways such as feeling anger at certain times and sadness at others paired with the stimulus of the mass media propaganda such that one is classically conditioned to feel certain things under certain conditions (exposure to the stimulus, eg. a political figurehead or an event or certain holidays or memorial days, etc.).

The flicker rate of television and other electronic devices serve to place one after only a few seconds of viewing into a state of hypnosis rendering suggestible to any and all meaning content delivered up to them by the jew's media which is designed in consultation by the social engineer neuroscientists who seek to make of the masses human guinea pigs, 'goyim', etc. having no regard for the autonomy of Others let alone their improvement.

This is dumb-ox-crazy or demon-o-crazy at its finest-the engineering of mass consciousness for the Self serving purpose of the cabal. Add to the mix GMO foods, vaccines, fluoride; chemtrails; massive pollution and ethnic strife in addition to a life of complete wage slavery and you have the recipe for a literal human battery that exists purely to be vampirized, drained of its energy by the cabal of psychopathic predators who rule by the technical apparatus and by secret occult formulae of black magic, which has ever been their method of control and probably always for self-serving ends. Those who seek to escape this mind control matrix become targeted individuals and subject to the pursuit and persecution by the system and its 'agentur' as the protocols say, targeted for assassination and this through the same form of black magic that the cabal attempts.

PARLIAMENTARIANISM: TALKING LOUD AND SAYING NOTHING

The parliamentarian shell game operates through force of rhetoric, the political pundit demagogue using whatever rhetorical techniques to manipulate the minds of his constituency in order to appeal to the masses in whatever way necessary to get to 'yes' regardless of the Truth value of his statements and heedless of carrying out whatever course of action is proposed.

The use of hypnosis, neurolinguistic programming and various modulations of the voice, exorable tones and emotive words and phrases all sum to the result of a chameleon who shapeshifts and masquerades behind the mask of representation by population. The endless babble and bombast of the platform ranter who in contemporary times is invariably a mealy mouthed effeminate whose greasy manners and

honeyed tongue are a result of a lifetime of training in his debating society and endless banter amongst his fellow effeminate bourgeois compatriots who in their suburban wastelands occupy themselves with an endless banter and gossip about everything and ultimately about nothing, filling the silence of their minds with the squeakings of parakeets.

The false promises made to the mass are merely means for keeping themselves in office and once in they make good only on those absolutely essential to continue serving their self interests and facilitating their great work of jewdeo-freemasonic architecture as the concealed purpose of all of that which they do which the masses are too blind to perceive in their naivete and which to the latter appears to be political bumbling or even insanity.

The solution offered to the minds of the masses, the only alternative that dwells in their understanding of reality is the very problem itself though presented to them as a solution-'simply vote of the other party'. This shell game continues while the masses are increasingly through the chutzpathic nature of the oligarchs and the complaisance of their shabbos goyim, driven into poverty until ultimately from among the best of their ranks arises a phoenix from the ashes of social democratic society and this is the strongman of proverb, the eponymous hero who employs the necessary force to sweep aside the parasites and liberate the people not in the name of the internationale but rather in the name of the Race, the folk.

The jew, cunningly hiding behind whatever front, would attempt to co-opt the movement and influence ever so subtly the minds of the masses to embrace his tromp l'oeil party, his simulacrum of nationalism which would serve merely as a trap to ensnare and gather data on those who have naively trusted in this controlled opposition. Thus unless the party or organization is explicitly anti-jewish and excludes all jews and requires no membership lists or biometric data it is merely a honey trap if explicitly racialist. If not it is merely another kosher conservative party or bolshevik scam masquerading under the guise of populism.

At this time in history, however, for better or worse, the facade of parliamentary social democracy is revealed through its blaitant and cartoonish dialectic, political hot potato games. Thus when talk becomes too cheap no one will buy it any more as it lacks the value of the purchase price. At such a time it is the strongman who comes in and sweeps aside the forces which hide behind their system of illusion.

TYRANNY OF THE MAJORITY

The collective consciousness or egregore (thought form) that is formed by collectives of biological entities (peoples, animals, 'plants', etc.) is structured and developed as a resultant product of the sum total of all factors in the environment is in general a function of the sum total of all sentient life interacting with itself-forming an egregore in a given place (a given dimension and spatio-temporal context).

This egregore is qualitatively the structure formed like a Venn diagram of all overlapping and interpenetrating souls of the sentient entities/biological systems in the environment which makes it

either an entity that is anagogic (self-developmental) or catagogic (self destructive) based upon the harmonious or cacophonous nature of this entity.

In today's modern world the collective consciousness is a construct of the 'volk chaos' of the combination of disparate sentient entities in a single environment which makes of that entity a violent, chaotic structure that reciprocates chaos as a so-to-speak primal scream of violence that is the resultant product of that cacophony that amplifies the chaos through, its over time, forming a relatively distinct egregore that impinges upon the population and exerts an influence upon it, a negative and violent influence.

Such a collective consciousness is not only catagogic (generating break down/destruction) but is also entropic in the sense of its collapsing in on itself and merely amplifying the chaos as those causal elements that have led to its existence have not been removed and thus perpetuate chaos leading eventually to a physical manifestation of that chaos of souls in the form of the Rahowa-racial holy war.

The mind control of the jew is such that this chaos is perpetrated and to oppose it amounts to a transgression of morality (the morality of the catagogic society) and creates a reaction on the part of the populace against the transgressor who is sought out to be punished and even killed for pointing out the obvious truth that such a society is what it is, namely an inherently chaotic one doomed to erupt in race war once a certain tenor of the collective consciousness is attained based upon the intensity of emotion and number of elements it contains that sum to a sufficiently inharmonious/cacophonous state of being that will on the basis of causality, erupt in what is called 'violence'.

However to attempt to warn others about the inevitable is portrayed by those who are the wire pullers who control that society as the harbinger of violence simply for attempting to prevent that violence or to oppose it. Thus he is the crucified one, the witch, who the masses seek to hurt and burn at the stake in the name of the catagogic 'morality' of the catagogic society, the morality of 'egalitarian pacifism'-pacifistic egalitarian pacifism and towards all of that which is 'Other' to itself manifesting a violent intolerance. This is the way in which the egalitarian programming of the hidden rulers (jews; freemasons; jesuits, etc.) operates: it conditions the stupid dumbed down masses to embrace their own destruction via adherence to chaotic/self destructive values which mandate practice and not merely preachment and thus obligates the stupid to carry out evangelical practice through perpetuating and spreading the poison of the equality cult's principles: 'peace'; 'love'; 'equality'-and the suppression to the point of death of all of that 'Other' to themselves. Anyone living within the society-the topos- of a catagogic modern world which espouses such self destructive values necessarily exists in a war with that which overarches and circumscribes to a great extent his being-though it may not interpenetrate it.

The stronger he is the more able he is to resist its negative influence though he suffers its wound and exists as a warrior fighting a war against the alien 'Other', this collective consciousness egregore that is wholly antagonistic in its resonance to his own resonance. It is his Aryan duty, that deriving from his essence, and the *conditio sine qua non* of his continuance to 1) develop adequate spiritual strength and power to oppose the influence of the J.O.G monster (jewish occupation government) to the extent he may and 2) withdraw from its influence to the extent he may as it is too powerful to overcome in any direct confrontation and such a confrontation would simply be a suicidal venture.

Should he wish to go it would be a mors triumphalis to struggle against the entity that is the behemoth of the multicult-the chaotic turmoil of souls and their cacophonous vibrations which radiate in all directions and impinge upon him as an assault by enemy battalions of archons discharging their arrows or a gunflight with numerous enemies peppering his body with lead death.

He thus must: 1) develop a strong constitution, a diamond thunderbolt body of immortal vajra in order to don the armor of god to oppose the influence of this chaos monster. He may then die in the physical if he will and attempt immortal life in the afterlife or he may involve himself in an occult war, a spiritual war amidst the chaos even should it mean his dissolution. The only remaining option is to fall back and withdraw from the intensity of the fray and prepare a stronger defensive attack from a more defensible position.

This he may do not only in a physical sense of withdrawal from the centers of the chains of this monstrous form, from the tumors of the cities that infect the once pure body of the Aryan society and venture off into a healthier environment in the country-he may reside within the centers and make an assault from the shadows under the radar of the beat. However even this may be inadequate and thus should he desire to prolong his stay in the physical and bring about positive results over the long term which have perhaps greater efficacy as opposition he would be best advised to escape the cities which are the eyes of Sauron, of the J.O.G monster.

However to make a greater impact, a greater strike against this beast may necessitate his confrontation and immolation against its chaos. In either case he must gird himself with the armor of God, the diamond armor of the Aryan and the flaming sword and prepare for war. In doing so he will achieve victory in this life and in the next.

DEMOCRACY: FERTILIZER OF THE WEEDS

Democracy is the ideological fertilizer which precipitate the growth of the untermenschen, of the useless feeders and degenerate carrion fowl of society who parasitize off the creative and productive host: the non-whites; jews and drugged out degenerates who would rather tear down the world as means of granting themselves another 'breath of life' rather than to preserve a civilizational form that exceeds their comprehension and which they would never be assimilable into save as a slave caste without any power. Even then their conditions would be improved upon.

Democracy is the vengeance of the wandering jew upon the Aryan aristocracy, they who have enabled them to have the vestiges of civilization which the jews hoarded for themselves and which even now rot in their clenched fists as so many silken rags worn away by moths, by the disintegrative influence of democracy.

Ironically, democracy, being a creed of decomposition, destroys itself through itself and is thus an impossible pipe dream that appeals to those whose minds are rendered mush through emotionally conditioned idealism, the 'utopian pipe dreamers' who insist upon attempting to make the impossible possible.

The jews have spoken of liberalism in the Protocols as a 'poison' which they will eventually destroy- Dr. Frankenstein destroying his own monster when the time is right and doing away with those who have been impregnated with the seed of the monster the white liberals, mistaking the jews' zion despotism over the earth with themselves as unchecked masters.

The intention of the jews' thus is simply creative destruction-the establishment of an ideological chaos and unleashing this monster ala Frankenstein amongst the hapless villagers who would be raped by this vehicle of mental pollution and become infected with the virus thereby destroying themselves.

The creed is 'all men are brothers' is that which serves as the leaven of the pharisees, inflating the ego of their dupes (liberals) in conferring upon the the role of 'humanitarian heros' or 'moral superiors' wrapped in the veils of false humility as means of enabling the presence of ever more uncivilizable 'citizens' who are used as cannon fodder to tear asunder white society, wipe the slate of cultural superiority clean and enable the jews to rewrite history and create a world in their own image according to their biblical prophecy (one narrative being supplanted by another as a dialectical process of hyper-real theatricality).

The nature of democracy is to affirm that that which does not exist exists, namely equality and so-called 'humanity' are 'all' 'one' and to impose that presupposition upon Being as an assumed Truth, in reality a complete falsehood having no correspondence to anything real or tangible. The nature of democracy is to ascribe certain so-called 'rights' or entitlements to all and sundry, those falsely called 'human', as means of depriving the whites and whites of higher castes not assimilated into the jews' tyranny or under their control in the state or in their mega corps of their positions, pulling the rug out from under whites and then rolling them up in it and casting it off a bridge after stabbing them with their sacrifice knives. Democracy serves as the mechanism of theft from the white producer and creator and enrichment of the parasitical government apparatchik and their underling serfs, deriving maximal profit for themselves the government agents under the guise of helping the non-white victims and in reality as a means of disempowerment and dispossession of whites who have a chance at breaking out of the matrix of zion and liberating all from its spider's webs. Democracy is death! Death to Democracy!

The 'one man one vote' fundamental tenet of democracy is based upon the 'axiom' it posits that 'all men are brothers' and it follows from this fallacious premise that given their equality as participants in 'brotherhood' they must all have equal 'rights' in the sense of power share in society, and this based upon the abstract quantitative presuppositions of 'equality', of 'humanity', the individual units of this nebulous collective are ascribed benefits in the form of voting rights that enables them to accrue power to themselves as subsections of the population against the interests of whites.

The voting system of electoral politics enables anyone to vote for whatever kosher approved candidates are permitted to have representative in the system (the fact they are permitted implying they are not threat to the jews). Anyone who is a useful tool of the jew is permitted to acquire power-hence non-whites can run their own candidates and acquire power share in white society based upon sheer quantity of votes and this based upon their parasitical progenation at the expense of whites which is accommodated by jews who have brought them into the white society in the first place for this very

reason though always under the guise of various excuses (refugee asylum; temporary foreign workers, etc.).

Religion is yet another covert means through which non-whites acquire power through: a) encouraging christianity, a treasonous creed of anti-whitism that undermines white power and augments the power of the jew and b) through rallying around religion and 'freedom of religion' employing a religious facade behind which to conceal their ethnic power politics (islam; judaism; hinduism, etc.).

Thus democracy under its universalist presuppositions ("all men are brothers") enables its own destruction through attempting to assimilate into itself all of the various creeds that oppose it and to play them off against one another in the dialectic of race war under the cover of religious war(christianity vs. islam with islam being arab supremacy and christianity being projected upon whites as the strawman to be burnt by the fires of jihad with the jew sitting back and buying up the property of whites at pennies on the dollar orchestrating the chaos and attempting to create a mixture of 'race' or 'species' in their crucible of race war).

Democracy is sold as the pinnacle of virtue and broad mindedness based upon this boundless tolerance for any and everything save anything pro-white (jihadism and 'satanism'/judaism are accepted and played upon a rainbow pedestal while any benign pro-white advocacy is established as the monster of bigotry and hate). Democracy is the new 'opium of the people', cooked up in the jewish crack shacks of ideological manufacture called 'think tanks' which are in reality merely public masks of the private face of the kehilla, the (((jewish community))) which speaks for the community of all and serves as its false prophet or mouthpiece using paid political parrots to regurgitate the words injected into their mouths like so many worms fed to a baby bird by its mother: "democracy; equality; humanity" are the stock soundbytes broadcast into the public brain bender box, rule over the mass of asses (goyim) by emotionally charged propaganda that serves them up for the slaughter.

Democracy is a weed garden watered by the tears of pathos that the jews had conditioned their slaves to secrete and soon to drown in the blood of race war, all of the weeds, to the delight of the jew, expires and leaving room for their intended 'new jerusalem'. Democracy is a religious substitute for christianity and is made of the same substance, simply molded into a different form and with the added rainbow dye of liberalism. It is a pandora's box of cultural pestilence and destroys itself through being a wasting disease, a repackaging of the spiritual siphillis of christianity that preaches ad nauseum 'all men are brothers' while simultaneously accommodating jewish supremacism. The opium of the people has long served the hidden hand in employing their illusions in keeping the goyim in their pens happily feeding and fornicating while they are sheared and slaughtered.

Democracy opposes all of that which opposes its presuppositions: anything hierarchical, Traditional, based on organic life (blood and soil). It exalts nebulous abstractions and ignores and denies concrete realities while attempting to impose upon actual organic life its own impossible abstractions which tear down and subvert the society from within. It trains its guns on anything that does not support its destructive chaos and intended mongrelization of society-anything that stands as a pillar of Tradition: masculinity in the classical sense of heroic self service for one's race and an olympian detachment from the chaos of the phenomenal world (spiritual virility-and this in support of Tradition); all Traditional

symbolism and cultural artefacts that refer to the organic Tradition of 'people's save when brought into white society and exalted and venerated as means of accommodating otherness as mechanism of destruction; all orderly and logical forms of life-all of that which is detached from emotionalism/irrationalism. Females especially (born democrats) seek to insert themselves in this sort of culture as means of directing its focus towards themselves thereby neutralizing it as opposition to their hegemony matriachal despotism (and assimilating it into themselves as source of power, cancelling out (petit mort) yet another cultural enclave of masculinism.

Democracy is a female-semitic creed based upon falsehood and hypocrisy-the falsehood of representation by population on the basis of quantity ("all men/beings are brothers/beings") without any differentiated hierarchical structure-at least publicly, but privately/clandestinely ruled from behind the scenes by the hidden hand. Democracy is designed to appeal to the masses on a purely emotional level without any higher level of thought applying-hence it is 'democratic' in its appeal: to the lowest common denominator on the basis of the lowest common modality of consciousness namely animalistic feelings, a reductio ad absurdum to the 'goyim', the masses becoming who the jews intend them to be, namely service animals without any higher level mentation or creative capacity.

Democracy is the crucible of levelling equality and melts down all into an alloy of untermenschen bringing the higher lower and subverting all forms of higher life, cultural and spiritual. It is a materialistic creed of pure animality based upon sacharrine feeling states worked up through the witchcraft of empty words and pharisees: "equality!-"All men are brothers!"Humanty!", etc. Those who are democrats now and who value any higher culture had best understand that no higher culture will exist without whites and thus they should affirm and seek the preservation of a differentiation order as guarantor of any higher form of life. National Socialism or Fascism as future necessity without which necessarily no future.

DEMONOCRACY

The creed of the postmodern and post Truth age is called democracy, a creed of false appearances which masquerade as the be all and end all of political and social life and to which the masses look with hopeful glances as to a savior figure from above. Indeed it comes from above: from above their heads in terms of intelligibility and from above their limited sphere of existence bogged down as they are by the controllers with laborious tasks they look upon with dignity as 'work' that noble pursuit which constitutes the very vitality of their being and around which their dreary lives are centered-demonocracy is based on appearances because of its fallacious claims to represent the interests of the broad masses who are organically distinct (racially/culturally) and therefore can never be represented in any corresponding and relevant way given their inherent diversity.

At most they represent themselves and create a society of division and endless strife. Even if these distinct groups 'represent' their own constituencies can it be spoken of that the 'elected' representative is 'of the people', etc. when they are of a more elevated caste and have minimal acquaintance with the daily toil of those beneath? Perhaps they can empathize in some form of intellectual gymnastics whereby they attempt-impossibly- to transpose themselves into the position of the Other (of the

underclass) and so 'represent' them but they are only blinded by their own rose-colored glasses view of reality from the summit of their own population.

At most democracy, or election of leaders can work at a very local level amongst a homogeneous population and the larger the constituency, the more diverse that constituency, the less representative the 'leader' is making their leadership one of despotism or blindness rather than the clear vision of a leader who ascends through the ranks of their own kind or is borne in the midst of their own kind.

Hence the notion that democracy bases itself upon namely 'representation by population'; is fallacious and inevitably leads to a chaotic society based upon the despotism of the 'elect' over the rabble of which more in the following. "one man one vote" is another of the creeds of demonocracy. The equalization of the unequal is most readily apparent in this expression of the illusion of fairness and opportunity, of the dissipation of political power over the broad masses and which intends on the surface the absorption of political power over the spectrum of the broad masses.

The quantitative reductio ad absurdum, reducing all to mere quanta or abstract units that can be added and subtracted in a ballot box represents itself as the great equalizer with the 'one man, one vote' procedure where the genius intellectual is reduced to the same level as a retarded patient of a mental ward such that the fancied notions of the mentally unfit are paraded as of equal worth to those of the sharpest intellects. The consequence being either one of two things or a combination of both:

1) collapsed society with the lowest common denominator continually pulling down the fewer and fewer of the more elevated kind both through the birth rate and through their sheer quantity in the political process;

2) a hypocritical of philosopher kings who usurp power completely for themselves and give token appeasement to the irrational will of the broad masses so that they don't burst their bounds. At present the combination is in play in the levelling process of society to the state of savagery and the institutionalization of a police state to uphold the violent animal untermenschen in an open air prison which will enable the heathen to rage without damaging the infrastructure and productivity of the economic units. However this, as we shall see, is itself inevitably doomed to crumble through its own contradictions and under its own weight.

The illusion of people power has inflated the egos of the broad masses and led them to usurp more and more of society's resources while giving less and less, styling themselves beggar kings and living a leisure life at the expense of the productive who, by virtue of their productive labor are targeted with a jealous hatred for destruction and a spoil and a plunder by the proletarian hordes.

However this incitement to class and racial warfare is itself deliberately orchestrated from behind the scenes by the Jewish elite so that they can further increase their grip on power through the building up of the police state. To eliminate the free market under the guise of 'smashing capitalism' they end up with a monopoly on power and can play the private sector of 'capitalism' against the government which latter they portray as a loving nanny state whose purpose is merely to crush in loving embrace the broad masses and vampirically absorb their vital energies in the forum of taxation, etc. Thus the hidden hand operates behind the veil of appearance puppeting the broad masses on invisible strings.

The false dichotomy of parliamentary democracy serves the protocols of the elders of Zion in dividing and conquering the broad masses, especially setting up the upper classes for decapitation by the underclass through offering incentives for the latter to bind themselves to the state: government jobs; welfare, etc. ie. handouts.

Thus the masses' loyalty is severed from their own biological kind to the abstract mother figure 'the state' just as the Catholic church binds the laity to Mary Magdalene. The psychological trick is the same in both cases-an atavism to infantilism, to the illusion of the protective warmth of the amniotic fluid, in modern society being represented by lucre, the currency of J.O.G (jewish occupation government).

The parliamentary shell game dividing left wing and right wing creating the illusion of choice is in reality no choice given that all political parties are controlled by jews and freemasons and that the representatives of both meet later clandestinely in their lodges and synogues laughing spitefully at the broad masses who naively extended trust to them, who are merely wolves in sheeps clothing feeding on the sheep.

For a term (and typically two) of office the right wing prevails. To be only afterwards replaced by the left wing. The latter institutes policies which create more legislation, regulation and government control while the right wing moves the goal posts back a few paces-and this is represented as a 'victory' for CONservativism. The end result being more progress for communism: two steps forward one step back being the policy pursued. Accordingly the broad masses are again deceived through the temporal interval between generations and political parties and conned into voting for either of the two parties, females and non-whites and manginas on the left, and business people and those with more naturalistic values on the right. However, those values which are more 'naturalistic' are now perverted an distorted through race-mixing/interspecial breeding and feminism, etc. Gradualistically through this totalitarian tiptoe praxis the natural becomes the anti-natural but the new 'normal'.

The ABCs of irresponsibility is another feature of demonocracy, wherein agencies, boards and committies are delegated decision-making authority and merely play the political hot potato game of delegation to individual members who serve as scapegoats or to outside agencies. In this merry-go-round of delegation no ultimate decision-making power is placed in any individual or organization as a whole and there can always be a scapegoat put forth who can be hung out to take the blame for decisions which go against the popular will which itself is not even represented anyway.

The scapegoat can then be rewarded in secret and given a mansion in a tropical country or the state of israel. Those organizations established which purport to 'represent' the broad masses are in reality merely steam valves used as a mechanism to release pent up frustration through creating the appearance of a check and balance against yet other organizations. So with the political parties they are both completely corrupt work hand in glove to trick the masses into compliance with the system.

The false dichotomy between unions and management is also created to bind the proletarian untermenschen to the state which is then-under the justification of the representation of the popular will-used to pry into and dismantle private business and reduce its productivity leading it into bankruptcy and then (at best?) putting it under new management of government under the cover of

being a 'co-operative' which is in reality a communist entity puppeted by the jewish hidden hand from behind the scenes. Collectivization as in soviet Russia is the goal, and it is achieved through subversion and a terroristic dismantling of the infrastructure, etc. through use of the savage hordes of China and Africa under the slogans of 'equality', etc.

Thus can be seen the illusion of the popular will which is a non-entity, the masses not being able to control themselves especially when divided a thousand ways through cultural/racial division and having only the 'one world' globalism band wagon to jump on as a recourse. The masses are thus controlled by their master mind handlers and are reduced to the status of mere 'hands' or animate tools whose value is determined by their function in the plans of the cabal.

With the gradual erosion of the private sector through unionization, outsourcing, intellectual degradation and concomitant lack of inventiveness and creative ability, the sprawling masses reduce the better type to fellowship of 'brotherhood' in serfdom and are alchemically boiled together to yield philosophical lead.

This is the rise of the untermenschen through the leaven of the pharisees which makes of cake a burnt out crust of bread. In this transmutative process the civilization of the White Race falls and is brought to the brink of termination. This under democracy, which was properly spoken of by Ben Franklin as "the vilest form of government" and relies upon the "worst form of equality" as Aristotle called it namely, the making the "unequal equal".

Those today who are of a sound mind instinctively repudiate socialism as a gutter creed and sense at some ur-level of their consciousness that it portends the doom of everything that enables them to even, eg. formulate thought and have whatever it is they have and value from a stable family unit to a wholesome supply of food on the table and a roof over their heads.

In soviet Russia the 'equals' lived in shacks constructed of rude boards while the jewish elite lived in posh mansions. This after the butchery of tens of millions in the holodomors, gulags and revolution itself. The only difference between that time and this is that the broad masses have been entrained through the mind control of the media to subscribe to the apparent bourgeois compromise of 'socialism'; a more insidious form of collectivization especially in light of the fact that a million negros can be brought in tomorrow and given residence in a city and vote the masses out of their positions and into chains the next.

This stage might not occur when the oligarchs who control society can simply inflame the non-whites into a hot war against the more intelligent elements of the bourgeoisie and be used as a weapon in furthering the genocide of the White Race through the elimination of potential opposition. The remnant, so these hidden rulers intend, can then after the chaos, be forcibly through extremes of social pressure, mongrelized with the non-white invaders and/or eliminated altogether and replaced by chinese coolie slave labor. The illusion of bourgeois comfort under the socialist regime of today placates the hatred of the masses and prevents them from falling upon the upper echelons of society who are their only hope and salvation from being brought into a collectivized society of soviet slavery. Democracy or better "demonocracy" is this insidious program based on illusion to effect this satanic

program for global enslavement, for 'oneness' as mere goyim cattle living in the pens and stalls of jewish tax farmers and commissars.

DEMOCRACY

SYSTEM

STOOGES

SYSTEM STOOGES THE APPARATCHIKS

BAAL WORSHIPPERS

The Jews and all of their affiliates are worshippers of the Great Mother Goddess and her consort which has appeared in myriad forms throughout the history of this world and which cult has existed in protean form throughout in multifarious guises. The gullible goyim who have been conditioned to 'buy into' this cult in the form of mainstream religions (indeed who are coerced to 'believe' at the point of a sword, the threat of being burnt at the stake or other convincing argument to disengage the rational mind and leave aside any search for truth which would unconceal the cult in its "True Light" and dispel the myths and illusions made by its priests to hoodwink the goyim).

Thus there exists the two-tiered stratified society: the slaves and the masters with the latter being more and more corrupt as they gain greater and greater power expanding their power and influence in a viral manner, the slave caste in spite of wars and revolutions becoming ever more numerous and the master caste becoming proportionally strong as they defeat their competitors in rival groups-the Aryan elite who still retain sufficiently healthy instincts to oppose them.

These priests style themselves 'Baals'-in modern masonic parlance 'lucifers' worshipping at the altar of the mother goddess, the all-seeing eye and genuflecting before the mirror of their vanity, before Jahbulon ('Jahovah', the syncretic deity of the mother goddess Asherah and Baal her consort and other near eastern deities as Bill White proved in his book "The Tradition of the Mother"; Baal and Osiris-the rising and dying-god form that metamorphosed into 'Jesus' as Archarya S in her "Christ Conspiracy" has proven).

Thus the cult still retains its place across all mainstream religions whose inner core is the mother goddess cult merely adjusted for different times and places-different biological groups/species, ie. 'cultures'/'races' call them what you will that are marketed to by the inner core priest caste through the exoteric religious formation with its literalist eschatology and its imposition of universalist moral codes, those which mandate the assimilation into the original stock upon whom they are foisted the exoteric dogma in the first place typically the establishment on the throne of a tyrant after the fomentation of revolution.

The broad masses having had to swallow the imbecile dogma of the elite through threat of force-the tangible and credible threat of the weapons of despotism, (the rack; the torture devices; the funeral pyre; the guillotine; torture, etc.). Thus the mass mind of the slave caste is conditioned to a state of abject serfdom and passive acceptance of tyranny-if they resist the gears of the state turn and initiate the cascaded of mechanical parts that forces them back in line based upon a hyper-rational calculus of means correlated with the end of regulation of the populace in the most efficient way.

The Baals of the mother goddess cult are all consorts of the mother goddess-of 'the One-', of Mother Mary; Nuit; Kali Ma; Asherah; Astrarte; Gaia, etc. They are simultaneously Osiris; Orpheus; Baal; Dionysos; Lucifer; Christ, etc. they are the self-understood 'illuminated', they who, through the vile rites of Dionysian ecstasis (of sex magic and torture murder cannibalism and vampirism) accrue to themselves occult power and traffic with the entities who feed vampirically from the pain and death energy that is given off by the victim of their rites.

These Baals are the man-gods that understand life as consisting only of a service to Self under the facade of a service to the collective, to the 'whole'. This is the oriental despotism that is inherent in jews and virally replicates outwards becoming inherent in all of those with whom they subject to their influence via incentivization (money; power; respect, etc.). These latter, their 'shabbos goyim' are the self interested 'yes' men and women who eagerly prostrate themselves before the idol of mammon as means of getting their piece of the pie of 'whatever they can get' without much in the way of qualms or scruples as to those they harm in their capacity as an instrument of the Baal priests who they may never see but who govern their actions. They do this through the system of incentivization they ultimately control from above through their being the apex of power-a power hidden from the broad masses, invisible and pervasive in the image of the 'great mother' Nuit, who overarches all and of whom all are equally a part in that conception of things-the pantheistic ideology of the near east-all are 'One' in Oneness, "Being and the One" of Parmenides.

The mother goddess cult functions as an invisible power that pervades the environment and exists everywhere. The effect of its power which ultimately concretizes in the gendarmerie ('police'; 'military'; private security forces) creates a state of psychological stress in the slave class who understand correctly that they are indeed slaves and have no other means to break free of that which imposes itself upon them from above. Indeed they are living in an open an prison which is the 'mother goddess' nanny state herself and their slightest movement, tracked, traced and regulated as spoken of in Foucault's "Discipline and Punish".

The psychological terrorism of the state amounts to a trauma based mind control that breaks down resistance if not in implicit threat then in active engagement with the population through a direct targeting of dissidents. This is done either through use of directed energy weapons (masers, etc.) or through the physical brutality of the police or through the yet more sinister methodologies of gangstalking and torment imposed upon the individual through myriad subtle, plausibly deniable and covert techniques which only he may be aware of such that none may understand what is going on or care and thus the targeted individual is left alone as an isolated target that can be picked off with impunity, the actions of the strong arm of the nanny state being cloaked in the shadow of secrecy and/or behind a veil of doubt on the part of the more aware and independent thinkers of the society. who themselves may be subjected to a similar form of abuse.

The Baals are fanatically bent on having their way-a global government over all and sundry with all and sundry in their difference melted down into an amalgam of 'goyim' that can be shaped into bricks in the wall of Solomon's temple. They, in their mind, are the consorts of the Mother Goddess, are enlightened by occult ritual, rites of passage, and have attained an immortal body of vajra through such rites going beyond, so they believe, 'good and evil' understanding reality as mere causality and not devoid of any moral dimension save, paradoxically and contradictorily their own morality of "Oneness" which ultimately is extinction, death.

They are thus the priests of the death cult of Kali Ma and slake their thirst upon the blood of the innocent not without, however, conferring upon their demonic entities with whom they traffic and attempt to derive occult power for themselves absorbing the world into themselves and yet bringing about the death of everything 'worldly' through expanding their death cult's modus operandi and telos. They call this 'peace' which is merely death, the cessation of all vitality, of all dynamic force and of all differentiated order into an undifferentiated chaos which is the Mother Goddess itself. Thus the ultimate telos or goal of the cult is the extinction-witting or no-of all into abstract nothingness, the reabsorption of all beings into the 'Gran Puta', the cosmic vagina, or corrosive womb with its corrosive waters that erode the forms which emanated therefrom and thus a reversion to nothingness from being.

The Baals feel they have no need to concern themselves as they have already attained immortality; they have already transcended in immanence their mortal coil and thus merely spend their lives continuing to absorb more and more of the energy of their goyim slave caste into themselves. The legions of mission persons on posters testifies to the expansion of the cult and the fanaticism of its adherents as the perpetual wars and revolutions staged globally and fought in the name of high sounding ideals which have no basis in fact or indeed in reality save further serving the death cult and working towards its ultimate end goal of grave-like 'peace' which are the only fruits of its operations-mass graves of skeletons who fertilize the earth, the latter being dumped on by myriad chemicals and poisons. The motto of the jew 'tikkun olam' is advertised as meaning 'healing the world' when in reality it means 'cleansing the earth of the qliphoth' of the incomplete souls or soul shells, they who are not Baals but whom are merely 'goyim', the profane.

The entities which work with these Baals are almost certainly of a controlling and dominating force that impels the actions of the latter in their architecture of chaos. The more chaos the more pain and suffering, the more stress, the more energy released from the goyim upon whom the entities feed. Thus what follows from the premises of this cult is perpetual chaos, a war everlasting to the extent these entities exist and to the extent those with whom they are bound up exist in their current form. The gene DNST-3 of the jew is that associated with scizophrenia which predisposes them to possession or obsession by these entities. Thus indeed, as Serrano said, the jews are the instruments of the Demiurge which are the forces of chaos who see to vampirize the world and absorb into themselves the bioenergy, the lifeform of the goyim. Both the entities and their instruments the jews are causal mechanisms of the death cult in its 'progress'-progress towards the grave, and the jews as gravediggers along with their fellow priests in the cult of the mother goddess.

'SQUARED' AWAY

The jewdeo-masonic plutocracy that now rules the world with a golden fist would have each and all of their charges 'squared away' in their slave plantation, barcoded and controlled by the technotronic apparatus that is employed for the purpose. To be 'on the square' as one of the profane in zion is to be a kosher slave, robotized goy. Those not approved of with the kosher seal of approval and relegated to the mental institution with the contrived designation 'mentally ill' and those not able to be so qualified are framed with criminal charges and cast into the prisons.

Both destinations are gradualistic ritualistic murder and torture rituals that serves to feed the entities jews work with their bioenergy and which transfers power to the cabal from those who are its helpless victims. They are 'squared away'-shut up in a box, a cubic space completely shut off from natural light and the healthful environment suited to a 'life' properly so-called. They are the round pegs who are not capable of fitting into the square holes the cabal has drilled into the once healthful earth, transforming beauty into ugliness. Those who have yet managed to escape this fate and are not kosher slaves either in the apparent bliss of ignorance of the cabal and its operations or live as a hunted party forever trying to escape the influence of the cabal and its impingement upon every facet of their lives.

The initiates who are 'squared away' in the kosher lodges are already dead they just don't know it yet as they have mortgaged their soul to the jew and merely await whether they wish to acknowledge it or no the lead coffin that has been measured out for them. They are 'on the square' as a brick in the wall of Solomon's temple but are now unable to free themselves of the crushing weight of all of the other bricks who restrict all true movement and growth and force the individual party (now no longer a 'person', in the sense of Evola) to move as a mere element of the system of elements, a mere 'unit' within the context of the larger whole of thus temple cube structure that travels the firmament wrecking

havoc and chaos in 'the name of the lord', the lord of hosts el shaddai, el shit-die, the stench of death that is the death cult of pantheistic naturalism which blows throughout the world as a cloud of reeking sewage. Jahovah the eater of millions, the soul reaver, and his navigators and fellows travellers jews and freemasons, the Baals of the death cult of the mother goddess.

THE LIBERAL: REDEEMABLE, OR HOPELESS?

The liberal justifiably understands the unpleasant nature of tyranny. However he fails to understand the tyrannical nature of libertinism which he conflates with liberty casting aside the stone tablets of the 'law' and taking up the bottle of champagne and paraphernalia in place naively assuming that he would find a better life being a law unto himself.

However he fails to understand that the being which he is a being circumscribed by the laws of the Cosmos what many call the laws of God and without going beyond the human centered world of materialism he limits his being to a purely sensation-dependent entity who is lacking wholly and utterly any genuine spiritual life, is restricted to himself alone-maximize pleasure, minimize pain.

He opposes justifiably the tyranny of the power mad, the mammon worshippers the institutions of rigidified dogma. However, in most cases he conflates the dogma of church and state with falsehood and irredeemably and fails to perceive the elements inherent with these ossified structures that point beyond them toward Hyperborea and the Aryan Tradition in its diasporadic manifestations in the Kali Yuga.

The liberal thus commits the mistake being of a more impassioned and illogical nature of throwing the baby of Hyperborea out with the bath water of semitic dogma which the baby had been marinating in for the Piscean Aeon. As a necessary consequence the powder keg of revolution first manufactured in the minds of men were ignited and combusted in revolutionary chaos leading further down to the abyss of the present age, the Ragnarokr.

The liberal can't understand that there are alternative means available to pursue than the course of the passions. Perhaps in order to break the chain that bound them it was necessary to undergo revolutions in the past but in terms of the consequences of that sort of existence living solely for the passions and condemning and seeking to undermine and destroy the higher principles of consciousness he fails to preserve the necessary conditions of the continuance of the Tradition that came from his ancestors and which lies dormant within him in the blood memory and which can only be accessed through the appropriate alchemical workings, the activation of his consciousness in its higher aspects, through suprarational intuition and through the employment of reason.

The jew of course has entangled the mind of the liberal creating the false association between passion and freedom which leads the liberal (he who makes of a purely human centered impassioned life of feelings) the basis of all existence, the *coditio sine qua non* of the 'good life'-a life of drink and debauchery, of sensationalism, the exact antithesis of the Hyperborean Tradition.

The liberal concerns himself with all things mundane-all earthly, worldly things: humanity; the earth mother, etc. and thus serves the jew in dragging downward the higher consciousness of the Aryan into the mind of non-whites savagery , the melting cannibal pot of the multikult.

The liberal seeks to understand Being or reality through reason, that is when his passions don't get the better of him and disengage the rational mind as a train of thought being derailed by his naturally anarchic proclivities. He employs reason in a tense dialectic with the passions and manages tolerably well (tolerable as he defines the term) in drawing false conclusions from false premises, those situated in the purely materialistic world of sensation.

The liberal is redeemable however in his unwillingness to shackle himself like the conservatard to the dogma of the semiotic church and to prostrate himself before the jews as their useful idiot. Accordingly he has at least performed a negative act of liberating himself from that tyranny ('freedom from') but he lacks the performance of any ennobling positive act ('freedom for') of a spiritual nature and thus remains within the sphere of purely mundane existence and even beneath this as his quantitative worldview is a leaden armchair which drags him down to the hells below and misses the mark in failed correspondence with the Truth. Accordingly the liberal fails to attune himself with God (Being) and goes the way of all flesh to the lake of fire an impassioned wreck without any compass to serve as his guide.

CONSERVATIVES: REDEEMABLE OR HOPELESS?

The conservatard is a figure who has managed to avoid the chaos of the modern world to a greater or lesser degree- relative to the liberal figure- and thus by definition being 'conservative'. The conservatard can be likened to a figure who clings to the 'golden years' of yore but who fails to understand that what they erroneously perceive to be 'Tradition', the 'rock of ages' that they are clinging to is in reality a slab of concrete, a mere composite of clay and iron that they have shackled themselves to and which is slowly pulling them down into the corrosive waters of maya (the world of appearances; the dimension of illusion)-only owing to the porosity of the concrete it is sinking more slowly than the jackknife dive of the liberal who eagerly plunges head first into the acid pool of his disintegration in the name of 'progress', etc.

The 'conservatard' is so called because of his lack of understanding of Tradition, his stubborn refusal to employ reason to untangle the Gordian knot of the jewish tricksters who have entangled his Tradition with all manner of superfluous yarns and fables such that what they identify as Tradition itself (what they implicitly associated with white, orderly society) is in reality the tangled skein of foreign influenced, this synthetic mixture of disparate elements comprising a mere 'pseudo-tradition'.

This the conservatard calls 'jewdeo-christianity' and it is this which enables the jews to further pull down the white race into the corrosive and precipitate the destruction of their culture and identity. The conservatards cling to a simulacrum as they are captured by the undertoe of spirito-demonic influence of jewry's mind program of 'jewdeo'-ism (jeweo-christianity). This irrational refusal to face the influence of jewry, to reason and examine what they are presented with and to understand its nature not only terms of its causes but in terms of its consequences.

The conservatard has no willingness to overcome his dogma as he associates this with the guarantor of order and decency in society and on that basis to avoid the inevitable consequences of his adherence to that creed which are playing themselves out as of the time of this writing: the jewdeo-christian religion (pseudo-tradition) having created a multicultural nightmare that will inevitably explode into a conflagration of race war the end result being the jews and their shabbos goy cronies intend to create a brown slave caste over whom they can lord as a reconstitution of the rubble of the conflagration.

However the more likely outcome would be the inevitable fragmentation of the clay and iron society and the babel of a thousand voices screaming in rage and pain as they descend into the maelstrom of the crashing towers of the multikult each adhering like iron filings to a magnet to their own kind and returning to their proper place within the world of the manifestation of the Divine Will (kind after kind seed having life in itself).

Thus the conservative reveals his hopeless fate in clinging to his pet dogma, that which has furnished him with the temporary comfort of materialistic ease outside of his nine to five drudge. This comfort is of necessity temporary as it contains within itself the germs of its own terminal illness namely the "all men are brothers" egalitarian creed which leads all of those incompatible kinds together into one mass of self interested and racially/specially self interested kinds who only affiliated with others to the extent it serves their own pleasure and profit and not beyond.

Nonetheless in spite of the confusion sewn by the jew (the tares amongst the wheat) the conservative retains healthy instincts that render him the backbone of society in both a positive and negative sense. Under the J.O.G (jewish occupation government regime) he is the stubborn conformist who upholds the regime of evil blinded in perhaps most cases (to whatever degree) by self-interest and remaining in a state of willful ignorance and cognitive dissonance in relation to the deleterious consequences of adherence to the regime and serving as its motor of industry and especially military industry.

The conservative representing the mentality of the moral majority, those who conform to whatever the party line of society is within the region of most stable; orderly and of broadest appeal, will uphold the principles of the society and die in their name if they receive sufficient premise from the powers that be and this through the lower level instruments who constitute their demographic as world war one and the war of attrition bear witness to.

However they have at least redeemable elements that are an absence form those of a more ultra conformist nature who would readily descend to the level of the most vile bolshevik and partake of the crudest and cruellest revelry in the name of 'principles' and 'values (humanity; equality; peace; love, etc.).

The conservative may clock his tongue or bite his tongue depending a what prudence and his ability to restrain himself dictate but he will grin and bear whatever the most people with the most power impose upon him as a condition of continuing to partake of a life of relative comfort and social acceptability. The conservative or middle class representative will serve the society and derive value from it as a quid pro quo social contract. In a traditional society the conservative derives his being from the state (the 'organic state' in the sense of Julius Evola) and lives and dies within its determining confines which give him his place in the world as a member of an organic collective (a 'race'; or 'species' whose existence is bound up with the racial oversoul or 'culture' in the sense of Yockey).

Once the chaos descends upon this earth the conservatard will be forced to revert to his healthy instincts and face the inevitable conflagration, recognize that the 'rock of ages' he has been clinging to is a mere simulacrum of his ancestral Hyperborean culture and to face the rude and raw reality of biology and its multidimensional essence, ie. blood and soul, the essence or nature of the beings who, under the pseudo-tradition of jewdeo-christianity were pronounced 'equal' ex cathedra by the priestly caste priests of zion.

The scales will be torn from the eyes of the purblind conservatard who will then be forced to drop the rock of his imprisonment like a millstone into the sea and free himself from the jewish yolk, thereby ceasing to be an obstacle for his own people's survival, expansion and advancement. The conservative is redeemable once he has become disillusioned of his jewdo-christianity and this can only be achieved through the chaos that at this moment is just beginning like a white missionary beginning to boil in the water of a cannibal's pot, he must either leap out of the pot and save his skin or seek martyrdom and serve himself up as a main course sacrifice on the cross of his iniquity.

WHITE SLAVERY

At this time in history after the whites had virtually abolished all slavery throughout the world where their influence existed they have themselves been put into chains by those very creatures they have freed from their own self-destructive vices. Now it is white slavery which enables the enslavement of the rest of the populace of the earth given that the non-whites are inherently selfish and greedy and hold despotic slavery over both their own kind as well as whites if they have the power and means to maintain it.

Those inherently predisposed to despotism will if given the opportunity exert despotic influence over all and sundry who come under the scope of their influence and no amount of compromise will alter them from their course as it is genetically preprogrammed into them to follow that path of unfreedom through their lower egoic nature which has as its sole end the Self and the enrichment thereof if need be at the expense of the Other.

The jews specifically are adept at reifying their innate tendencies towards greed and self-seeking, looking with predatorial aggression upon all others as prey, some more useful to their ends, others less, and therefore valued on a scale based upon utility as an instrument towards the achievement of this hegemony.

The whites of today are literal mind controlled serfs whose self-understanding centers around tax-gathering wage slavery identifying themselves not as an embodiment of the higher consciousness of the Deity or as a link in the chain of a profound ancestral civilization but rather as an economic unit, a producer-consumer machine whose energies are to be drained into the maw of the vampires who pull the levers which move the gears of leviathan to which the whites are shackled some with chains of gold and others with chains of iron, their lengths varying with their position in the hierarchy of the Beast system.

The self-understanding of oneself as having value bound up only with productive capacity within the confines of a governmental system is completely destructive of all higher qualities and attributes possessed by those who bear the seed of creative genius within but which seed is taken from them in the form of taxation and nine to five serfdom before it is allowed to bear fruit. Nipped in the bud the white 'worker', a once proud, noble being endowed with freedom of conscience is rendered a proletarian slave whose lot in life consists of the endless chain of conveyor belt nine to five cyclicism, a revolving of the wheel of Ixion of an earthbound soul whose understanding of life and the world around him is reduced to this finite and limited function.

Hence the worldview or ideology of the white of today's world is materialism wherein all forms of existence are reduced quantitatively to mechanical processes to physiology, to brain states, chemicals, molecules and abstract quanta which are equalized to economic factors susceptible of addition and subtraction from accounting ledgers and stock quotations. Thus the reality of the white man as a spirit

being is reduced to an abstract 'soviet man', one of the broad masses in a collectivized society in which all that is recognized is whatever the social planners dictate and all that is unacknowledged is as though it doesn't exist.

The endless influx of sub-I.Q non-whites from every backward and dark corner of the world into a once free society wherein the light of Truth shone if not to its fullest extent at least bright enough to serve as a beacon for the progress towards the attainment of that illumination, has dimmed that brightness in proportion to the false light's expanse with the influence of dark spirituality or rather demonic forces brought into the 'camp of the saints' by the jews through their slave ships and golden fetters of industry or under the facade of 'humanitarianism' and charity. From thence the awareness of higher forms of life once dim becomes if not extinguished then at least proportionally dimmed to the point of imperceptibility.

From thence the minds of the masses are reduced to mere robotic processes serviceable to their slave capacity and rendering their only prospect of attainment realizable through their socio-economic function. The phrase 'person=job' is an equation that encapsulates the idea yet another equation that plays a functional role in the finite and limited sphere of intellect and mental life accorded to the slave caste by their overlords. However...given that the Divine spark cannot be extinguished in the minds of the white population-not through drug administration or noxious poisons or electromagnetic manipulation-it is a project through which this slave system is inevitably doomed to failure given that, though they may enchain the body to a factory cubicle they cannot chain the mind and it is through this that zion will fall.

THE 'LIBERAL' SLANDER LABEL

In the mind of a christian all those who are not christian are 'liberals' or 'satans' which is to say the same thing in the mind of the christian. Anyone who does not explicitly proclaim themselves a christian becomes a suspected heretic according to the prejudicial bigotry of the christian. They are perpetually witch hunting and seeking to attack all those they perceive as 'unbelievers'; 'heretics'; 'witches'; 'infidels',etc. and staring with hostility at the 'Other' who is anything 'Other' to themselves.

Whatever its origin, the notion of the 'liberal' as an ideology (liberalism) and as adherents thereof has come to be associated in the minds of christians with everything that is non-christian and anti-christian.: falsehood (the christians believing they have (((the truth))); degenerate excess/hedonism; a complete laxity of any self-control and restraint and indeed to a great extent they are correct. However they err in thinking that what they vilify as 'liberal' is liberal and is not instead merely that which is non-christian and could in many cases is indeed of an anti-liberal character and thus could not be spoken of as 'liberal' in any sense.

The invention of the 'liberal' and 'liberalism' is the inertia of the jew as means of driving the sheep into the churches with the shepherd's crook of false promise, the false promise of order of a Divine character when it is simply an imprisonment of sheep in the pen and a means of shearing and slaughtering heaping upon the jews; silver platters' the life's blood of their cattle slaves.

Liberalism (leftism) is the foil that jews use to play off against christianity just as the creation of movies such as "Rosemary's Baby" have driven people into the apparently benevolent arms of pedophile priests who have captured yet more souls for the vampire god jehovah and his jewish offspring. Liberalism thus is the antithesis of the thesis of christianity that is posited over and against the latter in a dialectic the reconciliation of the opposites of which amount to a synthesis of jewish rule

over a mongrelized slave caste with a messiah figure of whatever kind (maitreya; imam mahdi; jesus, etc.) hooking into the sheep to venerate and bow before their masters.

Liberalism is nonetheless organic in its historical development to the extent it parallels prior instances of the Mother Goddess religion which paradoxically was the stagnant fount of christianity ab initio. Thus, the absurd scizophrenic nature of the christian posits liberalism (its virtual analog) as a strawman opponent that it seeks to light on fire with its own violent irrationalism which has its analog in the very irrationalism it purports to combat. The violent and irrational 'spirit' if such it may be called of both liberalism and christianity have their origin in the semitic soul and its scizophrenic mania and unsettled nature.

The scizophrenia of the jew trickles down into the mind of the adherents of his semitic creeds both liberalism and christianity and serve as the spark in the powder keg of ideological strife creating the false dichotomy of 'good' (christianity) and 'evil' (liberalism /satanism) in the mind of the christian and the reverse in the mind of the liberal. The liberal slander label is a jewish invention designed to set up the white who are not servants to themselves (ie. christians) for the slaughter in the name of 'lord' and 'christ', etc. To set up an opponent (intelligent whites who have resisted the semitic infection of christianity) is and has always been the jewish way and slander, vilification and dehumanization, ruling up the stupid masses, the 'dupes of judah' on the means through which jews employ their tools to do away with their enemies.

GOVERNMENT PARASITES

Those who style themselves moral superiors on the basis of their position of overlordship, looking down from their privileged position upon the broad masses they contemptuously refer to as 'goyim' or the 'profane' in relation to themselves who they look upon in extreme egotism as sub-human chattels those fit only to serve as slaves are the government parasites of zion. They hypocritically and fallaciously represent themselves as serving the servants under the cover of democratic processes, etc. loafing in their plush offices and basking under the limelight or 'false light' of their dark enlightenment and false illumination as self proclaimed 'god-men'. They condescend to bestow a pittance upon the untermenschen they exploit as the justification of their wealth redistribution protocol that is the mask behind which they hide to cover their own self seeking under the guise of altruism.

The ultimate standard in their mind is themselves as the gods of their own micromanaged universe which they create godlike in their own image. The universe however, exceeding that of their own sphere as a private individual (as no individuals exist qua 'individuals' this follows from the premises) and affecting those spheres of Others' lives necessarily tyrannizes over that of Others. As a condition of maintaining their parasitical capacity must have chains of slavery welded around the necks of their charges in the form of property and income tax and various other legal obligations which are imposed upon the populace who are represented as benefiting from the wealth redistribution.

Over the generations the resources and freedoms attained by the pioneering white population and stripped from them under various guises such as the institution of property tax allegedly for the 'war effort' of white war one itself orchestrated by the jews and the imposition of non-white immigrants under the guise of 'humanitarianism' leading to a loss of freedom of association. Given the criminality of the non-white population the building of the police state followed as a necessary a response to the stripping away of firearms rights, of mobility rights and the intervention into the lives of the white indigenous population of the police nanny state.

Such is the mechanism of population displacement which the race traitor white elite and their jewish puppet masters impose upon the dwindling white minority while they deluge their once pristine white picket fences with third world sewage according to their Kalergi, Hooton, Morgenthau and Cohen plans amongst whatever other plans of evil that follow their protocols and Talmud. The business of people management works wonders in profit generation which a group of gullible whites are willing to , in the name of touchy feely values and gestures of good faith, make concessions of their freedoms to oligarchs who have deceived them into thinking that they are altruists and philosophy kings.

The former yes within their own narrow cabal , and the latter also yes and their philosophy is that of demonology, the self-absorbed godmanhood which runs roughshod cloven hooves over the broad masses leaving bloody hoofprints as its trek through the ages, pillaging all others for the sake of selfish gain, playing the role of a highway robber who uses violence to extract whatever it can get from the townsfolk, the tax serfs.

The figure of Gargamel, the hooknosed beetle browed jew with his empty money sack attended by his cat represents the government parasite-the jew and his police attack dogs who impose upon the population their tyranny through threat of violence under the cover of 'maintaining the peace' and 'order', etc.

Tax farming is big business for the J.O.G (jewish occupation government) and this necessitates at least one of two things but typically both: 1) mind control and 2) enforcers. The former come in the forms of priestcraft and dark age ignorance whereby the masses were fear mongered into giving to the church and its hierarchy as the earthly embodiment of 'god', the man-god elite who represent themselves to the populace as their savior figure capable of conferring reward and punishment through their intermediation with an abstract anthropomorphic deity ('yahweh'/'jehovah').

The terms of the contract were either "subordinate yourself to tax serfdom and the priestly caste" or "cease to exist both in this life and in perpetuity through being cast into the pits of hell, a fate worse than death". Such a threatening prospect coerced the living to continue living even in the event of extreme hardship and thus was the greatest insurance policy for the priest caste to enforce their tyranny and keep themselves in business. Nonetheless heretics arose given their inner understanding of Truth and a police force in the form of nobility was necessary to ensure the serfdom of the broad masses. However as the mental shackles fell away through the weakening (perhaps deliberate) of the power of the church they were merely supplanted by those of new dogmas: darwinism and materialism such that life as lived was all there is and would ever be. Thus the masses were permitted a steam valve of bread and circuses to release their pent up aggression and give them a respite from their worklife of voluntary slavery for they, through the mind control apparatus had been conditioned to embrace their chains as a badge of social status, the value and status of a person being confined and subordinated to the of nine to five drudgery with socially acceptable (and in fact obligatory) periods of self destructive drug and alcohol consumption.

'Mind Control World Control' as the title of the assassinated Jim Keith had it phrased. The controllers rule through deceit and murder those who stand in their way through their police state apparatus and black ops. The two-tiered society of parasitical overlords and lower level slaves and minions is enforced through the burgeoning police state under the excuses of 'safety and security' as guise and cover of tyranny. The only way to ensure freedom is to totally disconnect from the system to the extent possible: cutting ties with all institutional organizations; putting all assets in unrecordable chattels such as junk sliver; firearms; foodstocks; tools and other barterable items; refusing to pay tax and vote and to live a segregated life in the manner of the hutterites or Amish. Failing this he must expose the tyranny

and prepare of the worst building networks and working only with likeminded people. Perhaps the latter course is the better way, the way towards victory in place of a cowardly death as a system stooge.

POLITICAL PUPPET

The jew is the mastermind who entwines around the hearts and minds of his goyim his golden and electromagnetic strings. Those he can't deceive without incurring costs he corrupts through the incentive of profit. His chattel slaves he entices with the prospect of a fairy land beyond this material plane, a world absolutely unprovable and incredible in the minds of all those not thoroughly credulous. These are the easy marks, those who are not hardened cynics who willingly partake of corruption for the cold hard cash which their association with the jew promises. The former can be said to be at least sincere, the latter's redeeming quality lies in their cunning intellect, understanding the game the jew plays and having the ability to play along.

In the latter case blame can be apportioned but it matters little in the end as both are instruments, cats' paws in the hands of the jew. The political puppets are thus similar to a Pinocchio being kept in a cage by the jew, their master Stromboli, the travelling exploiter of the labor of others. The most gullible of the goyim are wooden headed as a puppet and too obtuse to understand what is being done to them from above, by the guileful hand of their master who continues to manipulate them on his electromagnetic strings of subtle influence, employing him as a catalyst of the jews' own power and profit.

Whether the lowliest spy in the network of his church spying on those who are not christians (who are all default devils and demons according to the wooden headed puppet) to the useful things who the jew conscripts to enforce his endless laws, bylaws and regulations-both official and unofficial-to make mandatory everything conducive to the benefit of the jew and prohibited (illegal) anything which detracts from the benefit of the jew.

Thus can be seen the utility of the wooden head for the jew whose rough hewn limbs are easily manipulated by the jewish puppet master via the latter's expertise in black magic influence, the knowledge of where to insert the thumbscrew into the mark and to twist it according to his rational calculus to set into motion his puppets as his cat's paw to snatch the chestnuts from the fire of his opposition, the (((anti-semite))), (((fascist/neonazis))), etc.

The nose of Pinocchio grows as the puppet lies, willfully and with intention to deceive. This anatomical feature of the jewish puppet is that of the shabbos goy cynic, typically the bourgeois who is blinded by self-interest and fails to recognize his own greater good and accordingly is wooden headed to that extent though perhaps of a softer variety of wood than the credulous believer.

He the bourgeois lies for personal advantage, growing his Pinocchio nose and fails to recognize that betraying his own race for temporary short term self interest, his survival is bound up with his own kind the suffering of loss necessarily a suffering of loss to the Other. Thus both are wooden heads only one has a longer nose than the other-both, however, are merely prospective kindling in the oven of the jew.

The political puppets dance to the tune of the jew who manipulates them to carry out his will-attacking his enemies and taking the lion's share of the wealth, casting a few slugs to his goyim Pinocchios to prevent them from turning on him and beating him unconscious with their wooden limbs.

SYSTEM STOOGES

In a socialist or democratic country (democracy being merely a crypto-socialist system where the existence of a private sector is maintained only subject to massive governmental regulation) the ultimate purpose of most people is to affiliate themselves with that which constitutes power as means of deriving power for themselves and that is 'the system' itself-democracy, socialism by whatever name it calls itself "the system", "the government". "The government is god, long live and long metastasize the cancer of government"...until of course it reaches a terminal stage through excessive restraint on the private sector and thus "the king is dead long live the king" who lives in the minds only of his agentur, his minions who constitute the system stooges who worship the king, the 'crown' as means of worshipping themselves as if they were genuflecting before a vanity mirror with a cartoon image of a king on its frame, a simulacrum of Otherness in reality ego.

The system stooges portray themselves under the socialist-democratic regime as noble self-sacrificers "serving the servants", the "civvies" or the proletarian workers who scrape and scratch in the ditch as means of survival being coerced to pay usurious taxes and rents as means of having basic food and shelter subject to the subsistence wage of a David Ricardo.

The public servants are hypocritical in their service provision claiming altruism as a mask for their self service just as they prostrate themselves before the mirror of their vanity under the pretense of prostrating themselves before the 'crown' or 'the people'. Their assistance rendered to 'the people', ie. the proletarian slave caste is merely a means of self-service in most cases though exceptions apply of course.

The general trend was downwards in a society of this kind, always bringing those who may attain meaningful states of identity in terms of social position and function as well as in terms of creative action but are prevented by the system through its classist and anti-white biases from attaining anything and thus are relegated to the level of a proletarian serf stripped of all human value and treated as a tool of industry that can simultaneously be blamed for everything a negative and undesirable as a member of the private sector, the 'evil capitalists' who serve as a scapegoat for the larceny and usury of the government agents especially at higher levels.

The identity of the 'system stooge' is that of the function he performs in the system and at all acts and omissions to the degree he has interiorized them and constructed his identity on the basis of his functional role within: "the system is god long live the system". Everything outside of the system is 'enemy', 'beneath', an alien miasma, something uncontrolled or not adequately controlled by the parasite bureaucracy which in the manner of the jews' god 'jahweh' must consume all worlds and all souls within itself and is as an insatiable vampire bent on "sucking the milk of the gentiles", ie. the tax slaves.

The system stooge has established himself as a caste apart in a democratic-marxist-socialist country and looks upon all that is 'Other' to himself as 'beneath' or as a threat to his power which he exalts as the 'good' and a 'morality' itself which is instead merely the mores of self-seeking hypocrits who desire to play god with the lives of Others and cast out of their own society whites who are not as socioeconomically and even genetical-spiritually as developed or advanced as themselves. The system stooges bask in their own false light and attempt to snuff out the light of those whites who are not as fortunate as themselves.

STOUGE

THE (((SYSTEM)))

**BAD BOYS
THUGS OF ZION**

BAD GOYS: THUGS OF ZION

THE BOYS IN BLUE SERVE THE JEW

"Maintenant le Droit" is the French version of the motto of the Royal Canadian Mounted Police, the jogbots (jewish occupation government robots) whose loyalty is to the jewish crown of the British Empire, "British' meaning 'son of the covenant' and at the present that covenant has been attempted to be usurped by the sons of the devil the jews. Thus the jogbots are loyal to the jew and slavishly obey his every beck and call.

Perhaps in their heart of hearts-those who have a heart still and who have not had their conscience seared through the psychopathy of freemasonry and its mind control-they chafe at their slave collars as the jew's lapdog, seething with rage at their master who they know to be a cruel despot and who they inwardly hate and would rend had they the opportunity and/or the willingness to give up the golden chains of mammon which are wound about their necks by the jewdeomasonic black magicians to weigh them down to materialistic pursuits and spiritual darkness as the zombie jogbots they have become.

Their loyalties live with the jew through these golden ties to pensions and paychecks and the suburban box palaces and pussy it can buy them-thus they are as a dog kept in its kennel not willing to rend its master but content with its golden dish of chow in exchange for unthinking obeisance. Truly the boys in blue serve the jew and the boys in green are just as keen-they are the dogs of the jew who protect the sumptuous palaces of these demonic beings who are perpetually on the alert for the slightest sign of shifting loyalties or betrayal from their minions and accordingly surround themselves with spies and spies who spy on the spies-a complex combination of mistrust and back stabbers , a thieves pact wherein the most cunning and ruthless rise to the top and that over the bodies of their competitors.

Within the milieu of evil the boys in blue operate to defend their masters interests and threaten to attack those outside of this closed system, namely 'the commoners' or lumpenproles who are used as resource generating puppets of the cabala whose power is necessarily enforced through insidious mind control and through the barrel of their guns of their thugs.

Though at a slight remove in terms of understanding and consciousness from the average person in society the police and military are nevertheless removed to an insuperable degree from the nameless and voiceless mass of tax serfs who constitute the popular crowd of jogbots. This ethos of elitism is instilled through classical conditioning and various other forms of propaganda and mind control in their training by whatever mossad agent is used to indoctrinate them, either domestically or-at more advanced levels of their mind control-in the state of 'its a lie' (israel) where anything and everything goes as long as the jew can get away with it outside of the investigation by international inspection or reporters who manage to penetrate the veil of media blackout.

To instill in the recruit a self-conception of being a better being than the 'population', creates a division and separation therefore serving the purpose of positing the police officer over and against the population as a spy and conditioning them to look upon the population as a herd of sheep in relation to which they are the sheep dog. Thus so empowered to be able to use physical force against the populace and the populace unable to defend themselves against the initiator of this force it demonstrates the loyalty of the police to their masters who control the government (J.O.G) and against that of their own blood relations-loyalty to J.O.G not to blood.

However speciously understood in the mind of the police that they are doing what is good in upholding 'the law', they fail in many if not in most cases to comprehend that the laws of J.O.G are not correspondent in so many cases with the laws of Nature and Divine Law-those of course who are not thoroughly corrupted by the jews in the administration. Having rendered themselves bought and paid for slaves, 'system men' they have acquired loyalty to the enemy against their own people and this bears itself out in such cases as Ruby Ridge; Waco; Gordon Kahl; David Lane, etc. where the 'system men' perjured themselves in the kangaroo courts of Talmudic law in service to their masters and their hostility to all opposition to their tyranny, what masquerades as a 'humanitarian' order of love; peace and unity but which is merely a hypocritical facade for jewish supremacism.

Money over blood, green over white-these are the traitorous loyalties the boys in green and blue have over and against their own kind. Through the mind control of their training and indoctrination they become bound to the state which is the basis of their identity as a 'law enforcement officer' enforcing the Talmudic laws, the Noahide laws, which create the two tiered society of jewish hegemony over the non-jewish mixed multitude of raceless, sexless drone workers. A self-conception as an 'elite', a better trained, physically superlative and mentally elevated being posited over and against the 'pobel volk', especially the white poor the police are crafted to be bricks in the wall of Solomon's temple through the classical conditioning procedure and erasing whatever prior history and allegiance they may have had to their heritage, identity and racial kinsfolk. Thus they become de facto freemasons, fellow builders of the tower of babel, international cosmopolitans whose loyalty lies with the world order.

The procedure of the jewish tyrants in mind controlling the enforcers of their laws in 'its a real lie' (israel) further underscores their freemasonic affiliation (given that jerusalem is intended by the jewish elite to be the capital of their tyranny through the U.N; that also one of the most significant lodges of the world is located in 'its-a-lie') and that whatever previous 'identity' the young recruit is attached to will be severed from them and another conferred upon them as they are fired in the oven of Pavlov to be another cubus in the temple of Solomon, having been reshaped to serve the jews' agenda.

This is the reason also that a) the recruits are increasingly being shifted around the world to white countries (negro; arab and chinese police officers, etc.) and whites are being relocated around the country wherever they are 'needed'; ie. wherever the jew wants them to be, namely as far away from their ancestral ties as possible so that they can be bound to their new identity based upon their job capacity as a 'law enforcer' rather than as an enforcer of justice in their own communities where their role would be legitimate if and only if the law corresponded to Natural/Divine Law.

To relocate people around large land areas is exactly what the jews did in the soviet union which was a policy of Stalin for the purpose of breaking up communities and attempting to recreate organically developed communities and personalities as the 'Soviet man', the international raceless, sexless member of the communist international.

At this juncture in history such a process masquerades under the banner 'democracy' and purports, as it did then, to be a beacon of light to the world but is rather the false light of the world order and a beacon of illusion leading one to crash into the rocks and become shipwrecked and stranded in the J.O.G gulag.

The newly shaped personality of the jogbot instills in his hyper-rational darth vader-like consciousness, a psychopathy, a lack of Other-regard (sympathy), the latter being replaced by a cold-hearted 'empathy' that merely creates the appearance of humanitarian inclination. Thus the jogbot has been recast in the mold of the jewish lucifer, fired by the influence of monetary gain and incentive, the golden chains which binds them to the cabal. Perhaps and most likely the police are sufficiently legitimate in some things (eg. drug busts...? unless they facilitate the drug trade...?) to convince the brain polluted government worshipping masses that their place is necessary for the latter's 'safety and security'. Of course such safety and security could easily but for their brain pollution be ensured through the citizenry themselves being their own enforcers enforcing just laws that correspond with that of the Divine supreme being. However first the tyranny of Babylon must be broken before the 'maintenant le droit' can be a reality.

The more federalized and centralized power the more corrupt when controlled by the jew. Thus we see the secret police of the RCMP in Canada operating in virtually untouchable fashion with no checks and balances to keep them from running roughshod over the populace just as in the time of the soviet regime with horse riding commissars casting peasants aside as they grabbed their bushels of grain and tax money-just as in the dark ages or at any point where the jew uses his thugs to exploit the peasantry through development of endless laws and bylaws with correlative fines attached for failure to pay.

At this time such 'enforcement' of payment comes in the form of speed traps and 'proactive policing'- the development of an infinitely complex system of rules and correlative monetary penalties all following the general principle of the highway robber: "you're money or your life" a typically jewish character trait. Jail or prison, community service; criminal records; demerit points, etc. are all the bludgeon held over the head of the masses and in the hand of the 'law enforcement officer' whose means of existence is derived through demonstration of the power of the sovereign or the jew to the king (Rothschild, etc.). The identity of the police officer being bound up with enforcement of all laws emanating from this luciferian source, the thug is eager for blood even if it be of their own kind for their loyalties have been transferred through mind control from the blood memory to the seething power of lucifer and the currency of the world order, namely mammon and the temporal power of the synagogue of satan.

HUMAN SHIELDS: COPS

The function of police is to enforce the law. That is all. no law, made by finite and fallible mortals can ever approximate the laws of God, ie. the structure of the sum total of Being. Therefore all laws made by mortals are at best pale reflections of the Divine Will mediated through their finite consciousness and imposed upon others. This necessarily violates the autonomy of others but such a violation or more properly 'imposition' may be just or unjust should it cohere with the Divine Will (the harmony of existence) creating greater harmony than less, it may be called 'just', should it not cohere with the Divine Will it is 'unjust'.

The laws of society are to be enforced by those who mediate at the most concrete level between the powerless serf caste of proletarian workers and the powerful ruling caste who determine via legislation what constitutes law, what is 'prohibited'; 'mandated' (obligatory) and 'permitted' (neither prohibited nor mandatory). The laws of men (of those physical beings that are called 'men' colloquially) are an extrapolation of their own essence manifesting itself in the form of a system of rules (law) of commands of 'thou shalt' and 'thou shalt not' and the minions who serve as the iron heel that inter-relates with the slave class of proletarian serfs are called 'police'; 'gendarmerie', etc. they whose duty it is to 'enforce' via physical, tangible force (hence the iron heel) the 'law' of the particular, finite and fallible beings who manufacture these laws.

Hence the police are neither inherently 'just' nor inherently 'unjust' but are an instrumental mechanism of the enforcement of law. This means that the quality of the law determines the justice or injustice of its proper enforcement and the quality of the police, should they properly enforce the law, according to their proper capacity is determined by the quality of the law, whether they in their enforcement of 'the law' may be spoken of as acting justly or unjustly.

In the postmodern world of chaos they who manufacture the law are unjust and therefore police must necessarily be unjust in their implementation of the unjust law, though that law be represented as 'just' according to the distorted construal of its manufacturers and their mouthpieces the political whores and mind manipulators in the media who 'manufacture' the consent of the broad mass of proletarian serfs to their own enslavement, the standard excuse for the imposition of a despotism such as that of today.

The police have the role of enforcing law. The laws of postmodernity are largely 'unjust' according to Cosmic law/the Divine Will. The laws serve the parasitical elite and enable them to enslave and exploit the population, deriving the sweat of their brow and the life's blood they possess on lease to their slave masters. The unjust laws make the actions of the police unjust to the extent they deviate from the Divine Will and transgress it. The safety and security provided to the public to enforce their laws of parasitism. The police are paid to prevent the proletarian caste from rebelling against the law (the shackle which binds them to the wheel of 'industry', of 'public service' in the form of the subsistence wage) and to keep them enchained to the wheel.

The police are human shields of the parasitical elite and cater to their paymaster under the guise of 'serving and protecting' the 'population'. It is only a hypocritical 'service and protection' which is employed in inter-relations with the average everyday serf. Those who have money in a plutocracy such as today are the wire pullers who determine who shall stand and fall. But it is those who are jews who employ money as a mechanism of enslavement. This implicates them as the ultimate power and despotic elite.

The laws manufactured by the jews according to their man-god ideology of Torah and talmud posit themselves as mediators of the Divine Will, which they in their arrogance would claim a monopoly on. The boys in blue serve the jew and anyone who exposes; critiques or even by virtue of their very existence offends the jew is targeted by the police for destruction at their hands if not only harassment and persecution.

As society slips ever downward into the pit of the Kali Yuga and chaos amplifies in logarithmic fashion the jew has unmasked his brutal will and removed the kid gloves in which he had concealed his 'iron fist' under the illusory regime of 'freedom' called liberal democracy which was used as a disintegrative solvent of white society.

He employs his police slaves to harass and sabotage any and all who in the slightest disagree with his plans for global dominion. He confers, he imposes terrorism against his critics, he in other words uses any and all means to enforce his despotism and now that he has near total power he is employing his thugs as goon squads to tear apart the remainder of whites.

He understands at a basic level that the consciousness of all organisms seeks themselves and in the case of those under the influence of his mind control seek themselves before their own and thus sell themselves to their pay master for short term self interest. What they fail to understand but what the jew does understand is that his human shields are a threat to the jew and thus he must replace them as quickly as possible with others who are more easily controllable and under his thumb by virtue of their relative lack of power.

Hence he conscripts into his ranks copious droves of non-whites, especially those who are crypto jew mongrel hybrids and who are under the control of his christian mind program. Through this means these human shields are more effectively controlled and he can weed out those who are his arch nemesis, they who have a sense of identity and regard for their own Tradition especially-even those who violate their identity but are clever enough to outwit him even if only in potentia and to maintain the right of their traditional ancestral territory and culture which he seeks to destroy and assimilate into himself as the despot of the earth.

Hence he would, if he got that far, simply shoot the white police in the back or give them a 'vaccination' filled with bioweapons, a means of eliminating his competition for power. Such is his intention and probable means of effecting this end. His laws and his enforcers are for him mere ephemera as the laws already extant are established purely for the destruction of white society and in the case of some as a purely negative antipode to his own intended torah and talmud (noahide laws) which he seeks to impose and reify through the dialectical process: creating leftism (communitarianism; communism; liberalism) as a gradualistic disintegrative process for the erasure of white civilization which has largely already been supplanted with a voodoo doll of itself and into which he insists on continuing to insert his pins of social chaos.

The human shields the police are his instruments of perpetuation of this chaos and are imposed upon the population to hold them down and facilitate their genocide of the white race after which they themselves would be destroyed as obsolete tools in his dialectic: the human shields, should they have any sense of self-preservation must recognize that their future is bound up with that of their own kind and should they not take action in opposing their masters they will be cast into the flames when the Jew no longer has need of them as human shields.

ASSASSINATION

Given the diabolic nature of the cabal, that its members are a den of thieves amongst whom there is no honor, it stands to reason that recourse is often had to the elimination of those who impede their protocols both within and without their sinister secret societies. "Dead men tell no tales" and once one of their members goes rogue or an outsider stumbles upon insider knowledge which is proprietary and 'need to know' then those who have violated the 'sanctity' of the inner sanctum are dispatched through the assassin's bag of tricks; poison, a bullet, etc.

In today's allegedly open and participatory society where power has become more dispersed amongst the populace the cabal has had to conceal its operations when the possibility of exposure occurs to the light of day though the members revealing secrets that would threaten the absolutism of the cabal. Hence it must masquerade as a benevolent influence and through this influence put forth the pretense of rendering assistance while in reality precipitating genocide against whole peoples and nations and snuffing out dissidents on the sly through drugs (pharmaceuticals); vaccines, etc. which are represented as the fountain of life but are in reality the fountain of death.

The psychiatrist and 'mental health' worker of today play the role of a cabal spy whose role is to enforce compliance with the cabal's dictates (communist party platform; protocols of the elders of Zion, etc.) and failure on the part of the 'client' or prisoner (for all who are concerned through economic incentives or through threat of legal action, etc. for previous 'transgressions' against the prevailing moral dogma of contemporary society) to readjust themselves as another brick in the wall of Solomon's temple are then subjected to further limitation of their liberty through implicit threat of police state retaliation or having economic benefits taken from them, etc. (eg. welfare; housing subsidies, etc.).

If the 'client' persists in opposition to the cabal he is then, if the cabal deems it sufficiently worthy of the risk, labelled 'mentally ill' and forcibly medicated to the point of being rendered a vegetable such as in the case of Francis Farmer, etc.

Thus in this form of covert hypocrisy assassination operates to eliminate potential or actual dissidents be they actually 'violent' or 'inciting violence' or merely articulating the problems of society and 'violent' here meaning whatever violates the cabal's tyranny and undermines the pillars of Solomon's temple through generating cracks in the unsound architecture.

The police state is the perpetual presence which is forever spying on the 'goyim' to enforce conformity. However the police state's operatives are not only or exclusively police but rather the entirety of the bureaucracy of the state which can properly be spoken of as the communist party or 'the party' but which operates as of this time according to the gradualism of marxist dialectics in a covert manner under the pretense of 'humanity' etc.

From the school bus driver and the crossing guard peering out at random people as 'potential pedophiles' to the social workers and security guards to the firemen and etc.-all are conscripted spies whose identity is bound up with the state and who are conditioned through the 'indoctrination'/skool system to enforce the plans of the communist manifesto and the 'multiculturalist' agenda of mongrelization and white genocide.

All are useful in informing the secret police on the iconoclasts who are immediately suspected of being a dissident, a 'hater', a 'drug dealer' or a 'pedophile', if for example they walk past a school or refuse to give a friendly look at a non-white and allow themselves to be manipulated as a cucked white capon, a castrated mangina.

This coterie of spies are the net, the dragnet of the police state and are brainwashed by the jew media to grovel in the dust before 'public authority' or raw power and attempt to inflate their sense of self-worth through affiliation therewith.

Thus they are instruments that enable the capture of dissidents who are then brought to the cabal to be 'shaped' into the perfect ashlar or 'cubus' in the fires of their mind control and failing that are recorded and given the mark of cain, cast out of the 'paradise' (really an inferno) of the liberal social-democratic society that constitutes the matrix of the cabal who are the puppet masters who shepherd the sheep in their electromagnetic pen.

Those dissidents who are considered enough of a threat are terminated either through a black ops or secrete service or police operative with a bullet or are imprisoned in a psychiatric ward and rendered a vegetable through 'pharmakeia', the Greek word meaning 'black magic' which is what the noxious nostrums of the black magician pharmacist are, mere mind destroying drugs through perverse modification of physiological processes.

Of course these diabolical chemists have recourse, once the dissident is sequestered behind public view, to yet more sinister medicaments such as acids; particle beam weapons; which they use to destroy brain tissue, etc. and or lobotomized, etc. electroshock, etc. through publicly these torturous implements of destruction are considered illegal they are almost certainly used in clandestine underground laboratories, underground in the sense of out of the public eye.

Thus assassination is always a recourse of the cabal who stops at nothing to ensure their sinister machinations are concealed so as to prevent any detachment from the system on the part of the 'goyim' who are the human batteries to which they the members of the cabal are attached and from whom they derive their life's blood.

PLAY BE WHOSE RULES?

The system (J.O.G-jewish occupation government) insists that its serfs play by the endless rules it creates: a perpetual generation of onerous obligations, permission (subject to yet more obligations, eg. fees, etc. and restriction and qualifications subject themselves to the whims of the dictatorial elite who they must still have not have had the capacity to identify either through cowardice or the confusion of causes and dialectical shifting and scapegoating so that subcauses, eg. Islam; liberalism, etc. become the focus in place of the cause of jewish supremacy which is itself traceable to a distinct and identifiable group of biological entities called jews by their own admission).

These endless rules; regulations; permission and prohibitions derived from modal logic constitute the logic and lucifer, the totalitarian man-god rule by the jews over all who are relegated to the level of 'goyim'. The rules are posited as creative acts ex nihilo brought into being through god like emanations from the collective consciousness of jewry which is the earthly representation of lucifer who is their father. These laws, etc., become endowed in the media the jews control (and the hollow halls of akadumbia they also control) with an aureole of high, lofty moral character as if the mere questioning of these laws was a sacrilegious act by virtue of its contestation of the will of the self-deified jewish supremacist who exalts himself as the be all and the end all of humanity (looking upon himself as the only human on earth according to his talmudic religious philosophy, the teachings of men who would be god). Thus to contest the laws of the jews is to question the creation of God in the jew world order's eyes.

The rules arbitrarily invented by jewish gangland, by the governmental mafia they constitute are themselves, by virtue of their deviant content enabling sodomy; pedophilia; race-mixing adulteration of the seed lines created by God, a perverse amalgamation of kinds. Given that all laws of the jews are those of anti-christ and are anti-christian it follows from the premises that those who adhere to such laws serve the antichrist and are thus satanists whereas those who are the rebels against the rebel (the jewish version of lucifer) are those who adhere to the straight and narrow path of righteousness and thus are the true upholders of the law.

It follows further that given that the laws of the of the jews are against the laws of God that they are of no force or effect in the spiritual realm or dimension but are merely arbitrary dictates that can be juxtaposed in codicils and law books and imposed upon the broad masses and serve as the cover for the arbitrary and capricious will of the despots. Thus to play by the rules of despots in order to be deemed a 'good citizen' makes of one more citizen of despotism a citizen slave who subordinates himself in slavishness to the will of his master for a scooby snack.

"DO SOMETHING!"

The agent provocateurs of the J.O.G (jewish occupation government) system are perpetually attempting to encourage the naive youth to 'Do something!' which translates cryptically to actions of a Timothy Mcveigh-style psyop only acted out in real time. This the jews and their cronies would love as it gives them fodder for their grist mill, enables them to raise the plaintive cry of "Oi!Oi! Oi! Never again! Never Again!" and portray all of that which is not heterosexual, white and male as victims of all of that which is heterosexual white and male, thus creating a villain vs. victim dynamic and representing themselves as justified, according to the 'morality' of self defense against aggressors.

To 'Do Something!' in this context against a powerful opponent would make sense only when the collective which one claims to represent is insufficiently desperate circumstances to warrant this desperate measure. However this is in no way the time for such things and should such a time occur it will be only amidst extreme chaos that is palpable for oneself in his own particular place- a chaos that can be observed from a boots on the ground perspective and cross referenced with others in different regions via CB radio or other communications modalities. To "Do Something!" at a time when food and shelter are readily available and when an entire spy grid is established with cameras; drones; police helicopters operating and subjecting the population to surveillance round the clock would be a foolish endeavor.

One should, if he would contemplate such a course of action, judge things by their fruits, ie. by the consequences of whether or not it would be overall beneficial rather than overall detrimental for the individual to "Do Something!"-overall in relation to the fourteen words and adjusted to adhere to the twenty three words: "What is good for the white race is of the highest virtue and what is bad for the white race is the ultimate sin".

Doing something that would probably be criminal and which would expose one to the scrutiny of J.O.G is advisable only when "desperate times call for desperate measures" and the outcome whether one lives or dies as an individual is overall better than worse, all things being taken into consideration in terms of factors : causalities; the significance of the target or targets; the harm and costs that one and one's own must incur as a provable consequence. Thus one must deliberate and subject all of his actions and omissions related to the proposed course of action to prudential calculus, a rigorous cost benefit analysis before deciding to "Do Something!".

The circumstances of the individual and the individual himself determine the course of action-to act or to forbear from action. The prudent and courageous act with deliberation and abide by the maxim of Aristotle: " When a man has a goal and the means to its attainment, straightway he acts" (Ignoratio Elenchus, "On Sophistical Refutations").

"Do Something!"-yes but do something prudent and effective not foolish and done in the heat of the moment, else one follows the course of Icarus and falls from the sky having neglected the wise man who advised him of the consequences of his actions when he attempted to fly towards the sun on wings of wax and fell to the craggy rocks below under the heat of the sun.

SAFETY AND SECURITY

One of the mantras of postmodern society is that of 'safety and security', a phrase which purports to convey a message of state protectionism that the state and its apparatuses the police, military and private security forces are carrying out a maternal function of being a caregiver for the proletarian tax slaves whose existence is thereby enabled to continuance.

The provision of this 'security' of course claims to be causally bound up with safety such that a spy society and totalitarian nanny state wherein all members are observed, monitored in a panopticon style open air prison serves as the guarantor of safety: the safety of the individual cog in the machine. Safety at this price may guarantee some degree of physical safety but the cost outweighs the benefits on one's psychological health and freedom to have privacy and self-determination.

Indeed, one is legally prohibited from ensuring his own safety and that of his community through force of arms to keep in check his fellow citizen and to curtail the hegemony of the nanny state in its intrusion into all facets of life. Safety here is not balanced with liberty but rather is a straightjacket which negates liberty. The nanny state and its operatives encroach upon the mind of the citizenry through such ludicrous laws as 'hate speech' and implicit censorship of publications, through monopoly control of all organs of information from media to book publishers to internet to so-called educational institutions.

They provide what is called 'security' under the guise of ensuring safety and succeeded in providing nothing but statist tyranny as statistics prove, more crime exists in areas where the citizenry are unarmed and thus easy targets for criminals who care nothing for the law given that they are criminals and of course exist at enmity with the 'good citizen sheep' who follow every jot and tittle of every dictate of the powers that be as means of receiving their turn at the trough on the animal farm.

Thus 'safety' simply means the illusion of safety as the citizens are hamstrung by the police state from self defense as they would be construed as criminals in doing so employing whatever correspondent level of force is necessary to counter the force of the criminal element in actua or potentia, in an actual confrontation or in the daily course of their lives possessing the means thereto, eg. carrying a gun for protection.

In order for the citizens to have safety they must live in a society comprised of an ethnically homogeneous group and thus the police state under the multicultural nanny state regime prohibits even going so far as to criminalize the expression of the desire of whites to live in an area exclusively white and excluding non-white intruders which the nanny state imposes upon them at the point of a gun, thereby negating their freedom of association and under the guise of safety generating unsafe conditions through the melting pot of non-white savagery they impose upon the population who, but for the claims of enforcing through security forces that safety would be able to enforce their own demographic homogeneity through excluding others.

Given that the claims to using security as a means of ensuring safety are refuted by the facts the question must be asked: for what purpose does the police state apparatus exist? Qui bono, is the question that must be asked and the answer is: the moneyed and wealthy elements, specifically the jew who lives invariably in an exclusive area (their shtetl) and crowds out others through their monopoly of the real estate market and control of the state through zoning and decision making as to where the non-white criminal element is deposited like so much waste matter onto the white picket fence of the white society. This white picket fence is, through the arbitrary fiat of the jew, bulldozed down and that in the name of 'inclusiveness' and 'integration' and various other nebulous and meaningless emotive terms which have become associated in the popular mind with the 'good' through classical conditioning in the propaganda distributed by the organs of information.

'Security' is necessary for the privileged few, the jews and their shabbos goyim who, in their psychopathic egocentrism condemn all others to the slave pits as proletarian untermenschen and prejudicially restrict their access to the land of milk and honey which their ancestors created. This oligarchy of parasites has monopolized for themselves and done so through nepotism, classism and its enforcement through the police state who masquerade as bestowers of the virtue of safety while simultaneously serving as spies and enforcers of the tyranny of the system, however much good they may do within the context of the system, working within its grooves as themselves chattel slaves controlled by the oligarchy, only elevated above the average slave through being endowed with greater physical power-the power of detention; arrest; and execution within the parameters of their function and the extent it can be gotten away with and/or serves the oligarchs.

The security forces serve their parasite masters and enforce the slavery of their subordinates who are posited over and against them in an antagonistic relationship. The oligarchs understand the necessity of ensuring that their attack dogs are well fed and treated with adequate decency to ensure their loyalty else they might eventually turn on their masters if the scale of pleasure of benefit is outweighed by that of pain or loss. To ensure their loyalty further they create all manner of events; insignia and exclusive clubs for their dogs so that they will find therein a sense of superiority relative to the public, the 'civvies' as they condescendingly refer to them who are look upon and assessed on the basis of their socio-economic function beyond which a mere nullity, an 'individual' whose identity is of no consequence as all value is inherent in the state and granted thereby.

The lowest caste, especially that of the white population justifiably looks upon those of this higher caste, especially the whites who have cast them into pits, as an enemy, and the police state apparatus as nothing more than a cadre of jailers in the open air prisons of society. Being monitored and spied on all day and night not only creates a mental state of slavishness, but of the feeling of being a criminal such that those who occupy this level of society can't help but look upon it as an enemy of themselves: "Dives et Pauper Inimici!" (the rich and the poor are enemies) as the Roman philosopher once said.

The artificial divide created by the jew between the rich and the poor is another deliberate attempt to divide and conquer and the police state security forces exist in large part to subjugate the underclass under their iron heel and keep them slaving for those at the higher levels who parasitize their labor. In a just society of course the lowly peasants would be elevated by society and would be empowered to ensure their enhancement which would enhance the whole in a holistic society where society constitutes an organic state of biologically homogenous elements differentiated and stratified on the basis of merit in a naturalistic hierarchical structure. This is not to say that police and military would not exist as anyone of the citizens demonstrating merit would be eligible to undergo police training and be endowed with the superlative rights of police powers if and only if it served the state and its people creating an overall general harmony.

MILITARY MINDED

"Military People are just dumb, stupid animals used as pawns in foreign policy"-Henry Kissinger

It must be admitted that the jew Kissinger is at least partially right in his assessment of military people- that they are indeed tools or pawns on the chessboard used in foreign policy given that as Karl von Klauswitz said, war is merely politics carried on through other means than diplomacy and military people are the instruments of war.

They are thus pawns on the chessboard of geopolitics manipulated by the hidden hand the jewdeo-freemason architects of control to facilitate their agenda according to game theoretic scenarios they devise according to their blue prints and protocols. Thus military people are means, instruments.

All wear a 'uniform' which is a symbol of their conformity, all individual differences erased to the level of the psyche and personality which, through the training-its trauma based mind control becomes restructured according to the model or template the oligarchs have designed in their think tanks. The regimentation of life via communal living at least during basic training standardizes the personality and subjects it to that restructuring process, weeding out those not susceptible to that process and conditioning the recruit to bind themselves through the trauma based mind control to the organization as a unit within the larger unit, wearing a 'uniform' which effaces difference and engenders conformity.

This is not to imply criticism or to cast aspersions of that function of a society that is so vital to the existence of any nation state of any people, be it a ragbag of disparate so-called races (volk chaos) as in all westernized judaized societies existent today or those of an ethnically homogeneous identity. it must be granted that the existence of a nation state necessitates defense against enemies foreign and domestic.

This implies a military to implement physical force against those enemies as means of their subjugation and the maintenance and continuance of a stable and functioning society. Order of course presupposes a qualitative form of order and it is that which determines the value of a nation and by extension the value (and for whom?) of the military which manifests that order.

At this time the order in white created societies is that seviceable to the jews and non-whites as well as all of those whites form more privileged classes who benefit from the antiwhite society at least within the short term. Thus the military serves the anti-white agenda and is compromised in large party of non-whites who have been installed around the world to enforce the tyranny in the name of quelling unrest and maintaining this order which at present bears the title 'democracy' which is more or less code speak for the formation of a militarized cesspool of goyim controlled form above at the point of a gun by the police and military forces, the 'dumb'; 'stupid, animals" Kissinger asperses.

But are they the enforcers of the system's laws, all so dumb and stupid, so 'animalistic'? It may be an accurate statement as applied to some but overall this demographic is probably of above average intelligence which admittedly is not saying anything entirely good or bad given that the average person of the J.O.G (jewish occupation government) is a admittedly of a very low calibre of conscious awareness.

However it is the writer's opinion that the average system enforcer is of a respectable level of intelligence, a shrewd and rational being albeit not necessarily operating at the level of a profound philosophy or genius though exception to the rule apply. There are of course exceptions in both cases: with the system enforcers being inclined to a psychopathic self-interest, a 'kill for thrills' type of personality on the one hand and a self-sacrificial, noble altruism (at least in theory) on the other. The average system enforcer may be inclined at times in either direction and this may pose a danger to the public. This especially in the case of non-white operatives being used as instruments against the white populations as was the sniper operative Lon Horiuchi who assassinated Vicky Weaver and her child in 1992 at Ruby Ridge. However as in the case of the hired operatives who burnt David Koresh and his group in Waco, Texas it is not merely non-white operatives who are an existential threat but whites as well, those who, presumably through their corruption via freemasonry have gone the route of the psychopath and operate as an instrument of the J.O.G color blind to whomever their masters point them towards.

Indeed it is the system enforce who, paradoxically under the J.O.G (jewish occupation government), poses the greatest threat to (((safety and security)))) for white people given that they are obligated according to their function to carry out their orders and to attempt to 'hide behind their badge'-'just following orders' as the agents of Ruby Ridge and Waco, at the Bundy Ranch in recent years and probably countless other travesties of justice have done. Though they are instruments they are not completely devoid of independent will and thus are causal agents of karma, their actions and omissions generating certain consequences which caromb against themselves. Those most psychopathic would attempt to sear or via certain freemasonic rituals would have developed a seared conscience nonetheless receive their karmic blowback.

It must be acknowledged observer of biospiritual realities will understand, that blood is thicker than water (currency, lucre) and that the paychecks from J.O.G could never override the wages of sin one receives through going against one's own blood. Thus such a one can draw an inference: that blood ties supercede mere ideological ties and certainly loyalty between agent and principle as in the case of the system enforcers and their jewish masters who they are forced under the current regime to serve,. Accordingly at whatever point in the disintegration of the system. itself inevitable, blood will flow and those who side against their kind will be on the side of no one-thus racial loyalty will prove the most prudent course even for the purely self-interested psychopath who has seared his conscience to the ties of blood and has become blinded by the flash of his badge and to reality itself at a higher level of unity by the trauma based mind control of his programming.

((LAW)): SELECTIVE ENFORCEMENT

The J.O.G (jewish occupation government) system represents itself as the paragon of objectivity and 'tolerance'; 'fairness'; and 'justice' in the sense of absurdly attempting (or hypocritically pretending to attempt) to equalize the unequal as if this could ever be achieved.

Hypocritically indeed as the implementation of what it calls 'justice' is merely the coercion of the state using its agents to physically impose upon the population, the mixed multitude, a balance of justice that lowers whites to the level (and below) of the savage hordes who are imposed upon them by the jews and their shabbos goyim and thus the whites are subject to the same treatment, the same punishments as the beast races. At least de jure but not de re for the penalties imposed upon whites extend far beyond this such that the white man is treated worse than any nigger in the jungle.

The process the jews have historically used to impose this state of affairs on whites was as follows:

- 1) grant non-whites 'emancipation', ie. elevated status;
- 2) establish an equal standard under the facade of equal rights, under the pretense of rectifying the balance of 'justice'. This presupposes of course that an equilibrium could ever be established between whites and non-whites, that there could ever be any equality between the two as they are obviously distinct species incompatible with one another and thus would not ever be able to establish any balance of justice that relates to both in its equal application.

The claims of the J.O.G system to 'equality' of rights and treatment is disproven factually: the non-whites being the veritable embodiment of crime conventionally so-called: those acts or omissions relating to harming others (rape; robbery; assault; murder; theft; purgery; violent and white collar crime-embezzlement; graft; larceny, etc.).

That the non-whites are the criminal element in large part is palpable to all but the reality deniers who hide away in cowardice in their privileged enclaves all the while pontificating about 'humanity; rights; equality; social justice', etc. all of which rhetoric leads to the surreal balance of justice reminiscent of an M.C.Escher painting wherein the scales of justice are an obscenely distorted caricature of those of a codex justinianus or a law code of manu that forces upon whites harsh measures and virtually criminalizes his every breath and footstep whilst ignoring and giving a free pass to the revolving door recidivism of the non-white beastman and his behavior which is inherently 'criminal'.

The standards are established overtime by jewish supremacist justices to gradually liberate non-white criminality (niggers gong ape without consequences) and to restrict to the degree of a straight jacket the natural behavior of whites, paradoxically born of a sense of Truth and justice which enables the non-whites to have freedom in the first place, which then was used against the whites to harm them and to serve the jews in increasing their power share at the expense of their host.

The penalties the jews impose on natural white behavior (behavior typically just and correspondent with the sum total) are designed to declaim the white man so that he can be rendered a docile slave in the jews; system being denied an ability to have his own through (and by extension denied an ability to formulate his own thoughts) and thus denied an ability to verbalize his understanding of the injustice of the system and its hidden rulers.

From this point the jewish supreme court justices establish yet further laws which dispossess whites of any power they may have to oppose the jews' system: firearms related laws that grab the guns from the white man's hands; expropriation of property-laws which steal his shelter and means to earn a livelihood (eg. farms; businesses, etc.); taxes, etc. All of these laws serve to enslave and steal from the white man who has been reduced to the level of a tax slave who has imposed upon him the mark of cain as a 'sinner' who must perpetually expiate his sins for the alleged sins of his fathers.

The selective law enforcement on the part of the J.O.G threatens the very existence of the white man even in his current capacity as a pusillanimous slave to the J.O.G system. The laws established in effect, in their application through the legal system and the arms of the system the police, give a free pass to jews to do what they will and to escape punishment for their own visitation of harm onto the populace.

The non-whites who are the pets of the system are given similar treatment through receiving a modicum of punishment as a means of portraying them as victims of the alleged 'white supremacist system' which is simultaneously jewish supremacist. The reduced punishment they receive in the name of fairness in merely a means the jew employs to further disempower harm and ultimately destroy white society and whites on a physical basis.

The whites are thus castrated and the non-whites empowered while the jew sits back and plays ringmaster putting non-white and white in the octagon of his slave matrix. The next step already taken by the jew in his genocide agenda is to portray whites as terrorists in his legal system, to qualify and designate, to stigmatize whites as a terroristic element and thus to drag them out to public executioners' block for sacrifice on the altar of (((humanity))) in reality on the altar of jewish supremacism. The jew's intentions are to destroy the greatest threat to their tyranny, those acquainted with Truth and Reality,

those who are able to attune themselves understandingly to Being and to thereby adjust themselves with it in a harmonious manner such that they and they alone can implement what can truly be called justice on the earth as it is in heaven (ie. as it is in the realm of eternal forms) not the pseudo justice of surrealism in the world of illusion the jew manipulates as his matricized machine of reality distortion and enslavement on that basis.

The jews are on the cusp of bringing about their race war for the purpose of engineering their Zion government. The most effective way of establishing this is to employ the arms of the state against the white population and to legitimize their preemptive strike against the white population, using their boots on the ground jews to spy on and rat to the police any white man who criticizes the government and may have firearms or an ability to employ their status or money against the jewish system. This frame up action on the part of the jews, in accordance with the false flag operation of the J.O.G and their black ops operatives, serves the purpose of striking against the whites in the name of 'safety and security' portraying the white population as terrorists and creating the notion that such a thereof actually exists when in reality it is a mere simulacrum, a simulated false reality, illusion. These illusions the jews make in their media and through their control of the organs of the state (police; military, etc.) are utilized to prop up their other illusion of 'the rule of law' which is merely the codification of the jews' will-what they want and their self-legitimation or authorization of their intentions.

This has been their modus operandi throughout history and to this day remains the same. After coming to power and gaining the means to propagandize to a large enough audience (or through rumor mongering) to construct mass opinion and foment chaos in white society such that the white ruling class is decapitated and the masses are rendered mere slaves. Now after the bloody trek of the jew through the ages the entire white race faces extinction at the hands of the jewish police state and the greedy hands of the savage hordes who are conscripted to serve as the cats paw to draw chestnuts from the white fire for the jew. The non-whites serve as a stick the jew uses to poke at the white lion in the cage and, when the lion acts up and attempts to grab the stick the jewish zookeeper has his underlings cattle prod and tranquilize the lion.

This is the situation of the present time-the white man, like the Palestinians is in the crosshairs of the jewish controlled police state and is the primary target. The instigation by the jew of his distortion of facts and his false flag black ops operations is designed with extreme prejudice and malice aforethought to set up and attack the white race as a collective eliminating first and foremost all of the white men who have a sufficiently healthy mind and who have no willingness to be enslaved-accordingly the greatest threat to the jew-without whom there would be no safety and security for the remainder of the white population.

The police and military members who are of this nature which the jew can detect through his cunning jewdar are those targeted first and foremost for termination from their job capacity and or demotion or no promotion as means of neutralizing their influence and thus further reducing the power of the white population enabling the triumph of the jew.

Those police and military the jew wishes to keep around are those who have no regard for their own kind or at least a sufficient disregard that they will have a willingness to carry out orders against their own race and thus serve as a cats paw for the jews. The jew desires his shabbos goyim (stupid animals) to be a purely hypocritical, self-serving degenerate susceptible of corruption. Beyond this he is interested in accommodating his christian slaves who, if at all sincere or capable of sincerity, are bound to him as iron filings to a magnet and are incapable of giving up their loyalty to the jew and disloyalty to their own kind.

Thus the useful idiots the jew desires to keep around and serve his agenda are those foremost who worship him as a slave (christians) and at present but not for long those who are merely hypocritical humanists and self-serving egotists which latter he would attempt to exterminate using his non-white slaves or even his white christian slaves ('there is neither jew nor greek'), in his intended Zion government. Thus it would behoove the iron heel enforcers who have sufficient prudence to understand the meaning of the phrase: "with jews, yo lose" and the selectivity of law enforcement and built in biases of what masquerades as 'law' in the J.O.G system are signs of worse things to come for the white man. Thus, as the ultimate conclusion, if one is white one is either pro-white (having preferential regard for and exclusive loyalty of one's own kind) or he is anti-white and would be terminated not merely from his job capacity by the jew should the jew over-run but would be terminated tout court in front of a firing squad or be dragged out to the public square for the guillotines and the sinners of blood the jews intend to unleash upon the world.

Selective law enforcement is merely one mechanism amongst countless others the jew uses to harm the white population. The manufacture of perverse laws based upon the dogma of egalitarianism is another. The laws are bad enough but that they are biased in application makes them infinitely worse for the white men which is the jews design. The blueprint of the jew reveals what he would bring into the world: white genocide as necessary condition of the establishment of the "jewish utopia" a totalitarian slave state reminiscent of the state of israel sprawling over the earth like Mordor in J.R.R Tolkein's "The Lord of the Rings". It is the self-serving nature of the white upper class and diabolical plans which has led things to the point where the white man is backed into a corner and must be either burnt at the stake like the Weavers at Ruby Ridge or else he must come out fighting. The laws of nature mandate one's own survival, the laws of J.O.G his death. Should he wish to live he must fight prudently and effectively against the laws of the system and implement the laws of nature.

ENTRAPMENT: LEGAL AND EXTRA LEGAL

The jew operating on the basis of secrecy seeks to entrap his slaves in myriad ways. His main modus operandi consists of this form of covert and pervasive warfare (unconventional; 4th generational warfare). Legally he utilizes the police and military to involve themselves in illegal sting operations-the planting and falsification of evidence; illegal arrests; searches; seizures; detention and assassination under the over of 'the law'-dead men tell no tales.

The usage of his clandestine assassination team the mossad is the resort failing any trustworthy jews in the police or military or in the local community who have not received mossad terrorist training. The jews are perpetually spying and observing the goyim and have specialized social areas where they plant certain operatives as an intel gathering spider's web, the spider being the jew (barman; volunteer coordinator; team leader, etc.) and the flies beg the hapless dupes of judah who enter into the web under the delusion they are serving a 'good cause' or some merely being social purpose when in reality they are falling into the trap the jew provides for them.

Further examples in the technological space and social media platforms. This serves as yet another microcosm of the macrocosm of jewish intrigue-the jew sets up a scenario or situation that enables him to gather intel on the goyim making them feel safe and comfortable and thus more liable to divulge any of their secrets or the better to be set up and killed as in the case of protestors in Palestine being infiltrated in protest groups and having the infiltrator justify the militarized police in gunning down the protestors.

This particular example is characteristic of the jewish modus operandi of entrapment: everything is a set up, a ruse, a simulacrum: 911 to justify the Iraq war; the bombing of the USS liberty to justify attacking Egypt; the creation of the holy hoax lie to justify censorship about jewish intrigue. Entrapment lies at the basis of all jewish dialectics but necessitates compliance on the part of adequate goyim-dupes of judah such as the zionist christians to achieve results.

BAD BOYS: COPS

The song of the t.v show 'Cops', 'bad boys' would equally overall apply to the police as it would to the criminals at least it is heading in that direction. The police of today are indeed 'bad boys' in the sense of upholding and enforcing unjust laws without any pang of conscience, merely acting as zombie drones to enforce whatever the jews throw at them or throw them at.

What is deemed 'criminal' is that which violates 'law'. The laws of society are unjust. Therefore those deemed 'criminal' are not necessarily unjust in their actions-but neither are they necessarily just. The common street criminal, the petty thief or gangbanger is unjust insofar as they harm others unjustly. To steal from the grocery store, eg. or banks can hardly be spoken of as unjust since both institutions/businesses are monopolizes which rob the population of their fruits of their labor and thus they are unjust institutions/businesses by definition (usury and withholding healthy food from the poor owing to price gouging, etc.)

To prevent those who steal from such institutions from stealing is unjust and the enforcement of unjust laws is unjust making those who enforce such laws unjust to that extent in their actions.

To force (through threat or implementation of physical force and thus as the ultimate mechanism of all laws) the 'citizens' (those subject to the 'law') to have licenses for guns and vehicles as well as to pay property and income tax is an just enforcement of usury which qualifies the enforcer as 'unjust' and thus a 'bad boy', one who violates the harmony of existence.

The system wants 'bad boys' as its enforcers, both police and military are conscripted to impose force upon other nations and individuals (those not having a willingness to be put under the yolk of slavery via usury) and thus they are the approved 'bad boys' of a mafia cartel of supremacistic despots who hire their goons through the central banking system fiat currency to enforce their dictates and this under the specious facade of 'human rights', etc.

"The boys in blue serve the jew" and the color blue-representative of spirituality in occultism-has been substituted for black in most cases representative of death (Saturn, planetary diety of finitude; limitation; death; restriction; binding as in magic)-the death of cosmic law and any higher spiritual order.

The police may uphold and enforce some good in the form of whatever remnants of justice exist i the corrupt world of the Kali Yuga, but overall they are 'bad boys' whose actions reduce all (including themselves) to serfs at the plantation of jewish despotism and ensure that all are shackled to the wheels of the system that it may continue to perpetuate itself.

The forced vaccination protocol which is being imposed (or soon to be imposed) by the system is yet another example of the 'Bad boys' enforcing bad laws according to their jewish puppet masters will. The jews, as the historical record shows (such as in the soviet union) will turn on their sayanim (helpers) when it suits their agenda and thus the 'bad boys'; of the society, its iron heel enforcers, had best be aware that their only hope for survival as an individual is to oppose and not to bow before their jewish masters.

Failure to do so would be a death sentence for themselves as well as for their people who they have presumably only minimal regard for or awareness of. The tools and fools of the system have been deracinated, having the blood memory of the race idea washed form their minds by the currency of fiat currency the corrosive waters of mammon. The remnant of those still possessed of some good had best act in the interest of the 'good' not in the interest of (((the law))).

FALSE FLAGS AND FRAME-UPS

The cabal requires a strawman to burn in effigy before the masses from time to time as a means of making an example to the cowed populace of 'the Other' of what they wish to condemn, to instill in the minds of the masses a slavish obedience to authority by way of contrast between that which is "Other" to the state and the state itself, to bind the masses who look with abhorrence upon the 'Other' and fearfully seek to avoid that fate through running into the adamantine arms of their nanny state authority whose authority lies in force and the threat of force.

The slavish masses speciously reason that the "Other" 'deserves their fate' and were wrong in their transgression of the dictates of their governmental master thereby deserving of burning at the stake. In the minds of the masses whatever positive laws of government are created are inherently just, their violation being inherently evil such that law is rendered equivalent to good and vice versa.

This is the formula for slavery: to use fear and terror to instill in the minds of the mob a self-censorship pertaining to all that disagrees with the state, its hidden powers who hide behind the mask of representation, the Lenin's and Mao Tse tung's who are publicly lauded as father and mother figure but who in reality are diabolical entities playing host to all manner of demonic forces controlling these figureheads to further their agenda of a malevolent global dominion.

The 'Other', satan of society, pariah, enemy of the state, is put forth in the organs of propaganda as the evil one, that being who represents all that is socially acceptable and publicly approved citizens are not, the 'not-self' and that is they who venture through thought, word and/or deed, into this realm of 'evil' beyond the 'pale' of normality they are themselves to be subject to a similar fate and through this social pressure of fear and terror brought to bear against them it assists in the standardization of the 'hive mind' and the further strengthening of the nanny state in its terroristic dominion.

It is called 'social compliance' and 'getting along' which simply means to subordinate oneself to the collective in thoughtless bliss and replicate the popular opinions manufactured in the system's propaganda apparatus.

False flags are orchestrated for the purpose of establishing a scapegoat who can be paraded before the crowd as an example of what not to be creating, manufacturing the 'Other' as a means of standardizing the hive mind who is posited over and against it as virtue in relation to vice, good in relation to evil. Their function is also to vilify this 'Other' through creating circumstances that are imputed to this 'Other' whose subject has these possibly irrelevant qualities predicated of it, ie. a 'violent extremist' in the case of those whose behavior is considered a threat to the regime's continuance (eg. tax resisters; freemen on the land; separatists who advocate protecting their identity from genocide) or 'sick, perverted' kinds such as the rumor mongering regarding the Amish and child abuse, etc., etc.

It is the slander and smearing so characteristic of the jews' that the media uses as a classical conditioning program to program the mind of their citizen slaves (eg. usage of the weaponized words- 'terrorist' and 'racist', etc.) who then are mobilized through the popular vote and in legal cases through the jury system to justify the crucifixion of targeted enemies of the regime.

The case of Brievik is a prime example as a means of attempting to quell popular uprisings through the justification of the creation of hate laws and police statism. Such was the case with the prohibition era as a means of justifying the creation of the police state in America claiming that the 'criminality', itself created through legislative means (prohibition of alcohol), required the imposition of police statism to negate the negation in the problem-reaction-solution dialectic of the pharasiacal/Talmudic dialectical materialism, the attempt to engineer a false reality out of real problems created for that surreptitious purpose.

Hence false flags and the construction of the 'Other' qua 'Other' are instrumental means of engineering the social through psycho-drama which might needs have real drama entailed in its theatrical hyper-reality; real people really getting injured, the 'ends justifying the means' in characteristically communist praxis.

SIEGE

WAR

WHITE TERROR

JEWISH PSYOP

WHITE TERROR, JEWISH PSYOP

The psychological operation of 'White Terrorism' and the Jewish Cabal

The late 70s and early 80s saw a ramping up of the culture of kosher satanism, a sensationalistic culture of violent occultism which was designed to force the sheep back into the churches through fearmongering. This the jewish controlled media and entertainment industry brought into being through mass marketing selling their theater of horror through the theater of the real through creating a seemingly endless series of events designed to mind control the populace through trauma, and cow them into submission, justify the building up of draconian laws and strip the freedoms from them so as to more effectively put them under the yolk of their tyranny sending them to the churches to be fleeced for tithes and taxes for the priestly caste parasites and police state.

This psyop (a psyop which has been ongoing throughout probably the history of the jews) has never ended and in its crosshairs lies the greatest threat to jewish supremacy, namely the White Race which they are still attempting to eliminate from the earth so that they may take the world for themselves. At the time of its greater increase relative to the more benign culture which had existed previously such as exemplified in Alfred Hitchcock's movie 'Psycho', the populace had been subjected to the trauma of WW2 and yet were largely recovered from that period, the cabal therefore reckoning that it was time to add some more traumatic heat to get the White populace back into the churches or into a life of self-destructive pursuits (sex, drugs and rock n' roll etc.).

The Church of Satan was founded by the jew Howard Stanton Levy(aka. Anton Levy) and worked with the Hollywood pedophile jew Roman Polanski to create the movie "Rosemary's Baby", a vehicle of trauma that was mirrored in real life by the Manson Family as a means of inculcating into the minds of the populace the notion that art doesn't imitate life but life imitates art and thus fearmongering them to take one or the other of the above two courses: either the 'moral high ground' of jewish slavery in the church or the 'highway to hell' and self destruction. This movie was followed by such as 'Demian' and a series of others of the horror gore genre such as 'The Exorcist' and 'Halloween' which ushered in a more extreme form of fear porn to drive the timid masses into the church. Apparently the movie 'The Exorcist' was funded by the Catholic Church itself and served them well in swelling the ranks of their pews making diehards out of their milquetoast laity and spreading the gospel of false love as justification for global tyranny and supremacy for the jew world order.

From this point the notion was placed in the mind of the populace that horror and acts of terror were something particularly White and that it was the white male especially who was a potential problem source and thus must be someone to watch as the loose screw in the machinery of the system when really it was he who was the most lawabiding and essential component in its functioning. However it was for this very reason that the jewish oligarchs portrayed the white man as the major problem-as he was and is the major obstacle in their takeover of white created society.

During this time (the late 70s and early 80s) the film and entertainment industry were producing a lot of content that attempted to humanize or glorify the culture and demographics of gangland while simultaneously and implicitly positing a christian moral stigma associated with it as a means of pandering to their christian demographic in such movies as 'The Godfather',etc. This and the horror movie industry paved the way for a kabbalistic black magic working of the theater of the real where false flag orchestrated events the controlled media portrayed as occurring in real life were interwoven with the threat of Hollywood theatricality. Always the villain was a white male; a 'psychopath'(as in the movie 'Psycho' of Hitchcock) who,

though played by a Jewish actor at times, was always presented as the average-everyday white male, the 'powder keg' of berserker fury who would erupt at the slightest provocation or based upon some loose screws in his machinery, irrationally and in an unpredictable manner. This was a means of constructing the identity of the White male as a menace to society on the basis of some form of nebulous psychological defect which was like a hair trigger waiting to go off under certain unknown conditions. The effect was to generate mistrust, ill will and attach a stigma to the white man who the Jews' thereby cursed and demoralized.

The cryptic assault was designed to psychically emasculate the white male, especially the Christian whose self-understanding was that of a virtuous and good sheep and thus further, through Pavlovian conditioning, either driving him back into the church and emasculating him further or to entice him to adopt the behavior of this character: the psychopath; the irrational; dangerous; 'loose screw' or juvenile delinquent. Working simultaneous to the feminist agenda of encouraging a rebellious troublesomeness in women simultaneously this psychic attack served to diminish the white man's natural predilection for order and a self-understanding as a protector and defender of society thus having him either bind himself to the anti-white male narrative and 'turn and rend himself' in a Christian psychopathological self-abasement, exacerbating a guilt complex and developing a self image as a violent extremist, something to be rejected and shunned thus negating his sense of self-worth or wholeheartedly embracing it and taking the 'highway to hell' in the satanic panic of the late 70s and 80s.

The psyop of white terrorism began to be introduced perhaps as early as the 60s with the Texas university campus sniper and the attempted portrayal of the assassin of JFK as a 'white supremacist' or 'right wing extremist' itself an anachronism as the 'right wing' could never be extreme as it represents the consensus and thus is necessarily mediocre, not extreme. In the early 80s, at the height of the psychopathologization of the White male in the Jews media numerous false flag events occurred which were designed to portray the white man as a terrorist, as the single greatest threat to the (((safety and security))) of the system.

This perhaps was being introduced as a preemptive strike against the militia movement which was apparently beginning to react to the obvious gradual erosion of the status quo by the powers of state who didn't reflect the will of the populace and who were beginning to raise a red flag in the latter's collective consciousness which had to be modified through inverting the reality of that time, the state playing the 'good guy' hero role against the 'bad guy' white terrorists who wanted to create a white supremacist world and enslave non-whites, etc. Hence the event of James Huberty, the alleged San Ysidro California shooter. This perhaps established the precedent for the 'white terrorism' concept that would be played out subsequent to this point especially during the 80s when society was still largely white in America and when the Jews were attempting to increase the population of mestizos from Mexico and other non-whites (eg. Cubans, etc.) as a replacement population for the whites.

The Jews required a vilification of the white populations so that the non-whites could have something to point their finger at and make themselves feel like a part of a society they had neither created nor were an organic and necessary element of instead of what they really were, namely an invader and thief, robbing the whites of territory and resources in a purely self-serving way. This psyop of white vilification also worked to convince non-whites that they were superior mortals based upon their affiliation with the churches who were undoubtedly largely involved in enabling their passage. The Huberty incident presents the figure of James Huberty, an ostensibly real individual as in all of the psyops of the Jews; an individual who had 'extremist right wing views' and who was fraught with 'psychological problems' based upon his traumatic childhood experiences and his employment as

an embalmer. His 'blow up' according to the narrative was that he had fallen on hard economic times and thus wanted to blame the nonwhite mestizos or at least to take out his pent up aggression on them in the border town he was residing in, thus demonstrating in the mind of the television public: 1) his aggressive irrationality; 2) his hatred of nonwhites; 3) his danger to safety and security; 4) his obsession with socio-economic status and failing to maintain such his willingness to throw his life away, directing his aggression against the 'Other' of his wild imaginings. Such is the message this event broadcast through the trauma based mind control of the media, merging the theater of the real with the theater of Hollywood.

At this exact time James Mason (free-mason?), apparently a prominent 'nazi', came out with a magazine called 'Siege' which associated in the public mind terrorism, white people and 'right wing extremism'. This periodical contained yet other events which allegedly happened around this time and were of a similar nature. Huberty was portrayed as an embalmer who had developed or had conjured up from the dark recesses of his psyche a fetishistic morbidity, a necrophilia where he was ostensibly inclined to investigate and derive sexual excitement from his work with corpses. This created the false association in the public mind between so-called 'right wing extremist' values and psychopathology, deviant psychology and violence as the outcome of this monstrous personality type who constituted a menace to the system and was necessarily inclined against it, towards its destruction. Thus it can be seen that this type of created incident was merely manufactured and served the purposes of undermining the white demographic both psychologically and circumstantially. Getting whites to turn against their own identity, to come to associate themselves with violence and to associate anyone who was white and who espoused pro white values with psychopathology, terrorism and a danger to (((law and order))) thus driving the whites who played a role in the so-called respectable class away from pro-white values and into the churches or the anti-white egalitarian camp, thus serving the jews' agenda of disempowering whites and simultaneously empowering themselves under the guise of 'equality' (eg. portraying non-whites as 'good christians' hurt by evil white nazis and consequently replacing the latter with the former and themselves taking the lions' share of power gradually and by stealth).

The incident of Frank Spisak, an alleged homosexual 'neo-nazi' serial killer was brought forth at this time to introduce yet another false association that would pander to the christian demographic and encourage them to further separate themselves from the pro-white cause through their sexual inhibition and neuroses and to asperse and denigrate the worldview of Hitler and National Socialism. This sexual neurosis was further played up in the case of nazi party member Joseph Paul Franklin, the alleged or real shooter of Larry Flynt publisher of Hustler magazine, who targeted the latter out of a similar 'neurosis' of sexual inhibition. Thus can be seen the jews' playing up the angle of sexual deviance, both in the case of inhibition (Franklin) and exhibition (with the cross-dressing homosexual Spisak) and attempting to associate it in all forms they could with the national socialist worldview, what they stigmatized as 'neo-nazi white supremacism'.

Further episodes were added to the theater of the real with the case of Joseph Christopher, the 'midtown slasher', a military member who was portrayed as having an irrational hatred of blacks and murdering them cutting out their hearts, and the case of Fred Cowan, who was portrayed as a disgruntled blue collar who attempted to take out his aggression against his jewish employer and non#white co-workers through his being dissatisfied and passed over for promotion. Thus the meaning of the psyop can be inferred: to associate the white male worker and backbone of society with violence, bigotry and hatred at a level of 'fundamental psychopathology', inherent in his being and to implicitly denigrate and asperse the white man so that they the cabal could reduce his esteem and value both in his own eyes and in that of society as a whole.

All of these figures were portrayed by James Mason as heroic white men struggling against the system and presented as exemplars to emulate as a necessary course of revolutionary activism, to 'Siege' the system by striking against its soft targets, which was and is the general modus operandi prescribed in 'Siege'. Mason, who claimed in 'Siege' to be a quasi-christian was attempting to draw a false association between christianity and national socialism, which were said to embody and realize a 'universal order'. This 'universal order' was a term he claimed to have derived from Charles Manson (man Sun, son of man) who he claimed was a nazi and was attempting to draw another parallel between national socialism, kosher satanism and terroristic violence such that the wholesome weltanschauung of Adolf Hitler which adhered to the laws of nature became entangled with that with which it had no necessary relationship, thus portraying it as a creed of 'hatred and violence' and positing it over and against christianity to condition the christian masses to shun, avoid and condemn it. James Mason was and is to this day probably a disinfo agent of the cabal and shill of this agenda of national socialist revolutionary activism in the form of lone wolf terrorism and leaderless resistance.

The concept of leaderless resistance and lone wolf activism was inaugurated at this time by the cabal to fulfill this agenda of associating white identity politics with violence and irrational hatred of the 'Other'. The klansman Louis Beam further amplified this theme with his concept of leaderless resistance, wherein lone wolf terrorists and small cells would take out system targets and foment chaos as a means of bringing the system down through this general idea did not originate with him but was only given a name based possibly on the novel of National Alliance founder William L Pierce's "The Turner Diaries", which plays out in fictional form, the overthrow of the system by a clandestine organization operating on the basis of this structure of lone wolves and small cells.

During the 80s another probable operative of MI5/6 and alleged ex-catholic priest David Myatt formed an organization which espoused a similar philosophy of neo-nazi satanism called 'The Order of 9 Angles' which, in its initiatic doctrines and in a handbook "A Practical Guide to the Strategy and Tactics of Revolution" explicitly called for the culling of anti-white system operatives as a necessary form of revolutionary praxis to take down the system from the shadows in a 'sinisterly numinous' way, presencing the new aeon ushering in the age of Aquarius. The acts were to be carried out as a means of advance through the grade system of the order and in the name of the Aryan Liberation Army, the operative was to openly declare or give notice to the media of his affiliation with this ostensive army in hopes of generating copycat actions. That Myatt or his handlers had introduced the notion of 'neo-nazi satanism' in and around the time of James Mason and the 'satanic panic' in culture drew a 'nexion' connection between the terrorism and horror of this occult praxis (real or imagined) and white men such that their behavior was associated in the public mind with psychopathology.

At this time movies were released portraying the villain as a neo-nazi psychopath and in one such, the movie 'Cobra' produced by the jews Golan and Globus and starring the jew Sylvester Stallone, the villains were a group of neo-nazi satanist terrorists who operated both within and without the system in random strikes against mainstream society as 'heros of the new world' and who could only be subjugated through extra-legal force on the part of a rogue police operative, the jew Stallone. This was intended to extend the boundaries of the notion of 'moral right' in its magian/christian sense in the popular consciousness such that the public approved of more draconian laws which could be justified in the democratic system enabling the jews to build the police state and target whites who posed a threat to their intended Zion global order through suppression by the police state.

Further escalating this theme Tom Metzger, a presumed crypto-jew came on the scene introducing the concept of the 'lone wolf' terrorist/freedom fighter. This specific name to characterize what Myatt and Mason had previously brought into the public consciousness in tandem with false false

events. The satanic panic was ramped up as the 80s neared their end and with such fake events as the Menendez brothers; Richard Ramirez; Ted Bundy and Jeffrey Dahmer thrust into the public consciousness like the knife of Jason of Friday the 13th infamy. The Dahmer event attempted to perpetuate the false association between white male psychology and behavior and violent irrationalism, using prosthetic heads for alleged non-white 'victims' that the character of Dahmer tortured and executed in satanic rituals. Dahmer in recent years came to be revealed as a jew and the event a fake but the goals of the cabal were achieved: vilification of the white male; justification of censorship and the building up of the police state and portrayal of nonwhites as victims of white aggression as in the case of James Huberty and Joseph Christopher.

Most of these events undoubtedly had and have kabbalistic numerological and astrological elements that serve as a revelation of the method revealing to the 'goyim' what is being done to them and demonstrating the contrived nature of the events. Louis Beam's categorization of racial traitors into groups and allocating points for their assassination in his "letters from a Klansman", further attempted to reify and legitimize the notion of white terrorism in the public consciousness.

The portrayal of the "Order" (the Silent Brotherhood) around the early 80s as a legitimate organization (which in the writer's opinion is dubious) attempted to further bring this notion forward in the public consciousness substantiating the novel "The Turner Diaries" of Pierce with the 'real life' translation. The Order tied together by ways of the christian identity philosophy, the Klan and the constellation of related ideas in the pro-white movement, the fiction of white terrorism and the value systems of white identity politics thereby marginalizing them in popular discourse, rendering them taboo and as more theater of the real, creating an underground dimension to those above ground ideas thus further strengthening in the public consciousness the relationship between satanism, the presencing of dark forces, of opening up causal and acausal nexions, of ushering in the new aeon and the existence of white people as such and those who advocate its continuance as embodied by The Order member David Lane in his 14 words. Whether this theater of the real was real or merely theater it functioned to achieve the purposes of the cabal and perhaps contradictorily to achieve the purpose of shifting the consciousness of the broad masses away from the magian ethos of christianity and towards a more Nietzschean Aquarian age weltanschauung compatible with national socialism.

At the time of this writing (2020), the cabal and perhaps reality itself have entered into an acceleration phase where white identity has become inextricably bound up with the notion of the deviant, the criminal, the 'Other'; the terrorist, threat to the system and (((safety and security))). The cards have been dealt and one must simply play one's hand from this point. Whether whites have been merely set up as pawns in the game of the cabal to be served up as a sacrifice for their alleged 'sins' of existing and not having enough willingness to obsequiously bow before the jews or if other forces are working with whites in overcoming the tyranny of the jewish system is indeed a question.

One can conclude however, that the jews are now desperately attempting to accelerate this agenda and bring about a race war as the CIA operative Charles Manson had intended through his acting out the murder of Sharon Tate, the real life parallel of the Hollywood film "Rosemary's baby", superintended by Anton Lavey and financed by the Vatican, to bring about a race war in which the whites would be killed by the blacks.

James Mason today espouses christian identity, no longer with any reservation and is still a staunch proponent of Manson as a harbinger of 'universal order' through attempting to invert the intentions of the latter in bringing about a helter skelter, having sponsored and created the Atom Waffnen, yet another incarnation of a small cell of lone wolf domestic terrorists/freedom fighters to create more episodes of the theater of the real. This in conjunction with myriad other figures such as Brandon Tarrant; Dylan Roof; Anders Breivik, etc. all become associated with a constellation of ideas

related to white people and whatever jews dislike or look upon as a threat to their power (eg. environmentalism; racial separatism; criticism or boycott of the state of israel,etc.) and wish to associate in the mass consciousness with terrorism, foreign and domestic.

The scapegoat the white man and whites in general are being led to the slaughter in the theater of the real, while the jews hide behind their police state and create conditions which, as in the case of the Palestinians in the state of israel, make it impossible to exist and qualify as acts of genocide by U.N definition. Backed into a corner both legislatively and physically in terms of territorial invasion by non#white foreigners as the whites will have no choice but to play their role in the theater of the real. Whether the final act is one of tragedy or triumph will depend on themselves.

FALSE FLAG

HOW TO DETECT

gettyimag

AGENTS

HOW TO DETECT AN AGENT

The following short sketch and the associated illustration purports to enable Whites to detect operatives or agents of the J.O.G (jewish occupation government). Given that the White movement is overrun with such it follows that any whites who wish to avoid being set up and jailed or assassinated, losing their employment and having their reputation damaged through such an association or any other negative consequences would be well advised to exercise caution. The following sketch is divided into four criteria which must be employed to gain a thorough understanding of suspected agents:

1) APPEARANCE:

-Are they a jew or not? To determine if they are rely upon the books:

"Who Is a Jew?: The Jew Identifier Document", by the writer and "How To Recognize and Identify a Jew", by John Doe Goy in order to assess the physiognomy and subtle biological and behavioural factors of whether they are a jew or not.

If they ARE a jew keep away from them: make up excuses to avoid dealing with them or simply terminate contact if you have initiated contact with them. If you continue to deal with them you must be an adept at manipulation: misleading the jew and revealing to him/concealing from him whatever is advantageous to yourself and disadvantageous to him.

If they are NOT a jew, observe their physical appearance: do they appear stereotyped or formulaic, like a caricature of the White movement? Do they appear artificial or phoney in dress, physical appearance or otherwise? Are their facial features 'hard' as in the case of a cop or a hardened criminal; do they dress in clothes that are too 'standardized' in appearance, as if they were selected to 'blend in', lacking any idiosyncratic features that may be a presence in a legitimate person? If their appearance and/or clothes (eg.tattoos; clothing) are idiosyncratic do they entail any subtle occult features, eg. numerological; symbolic, etc.? This latter is a tendency of the jews and their freemasonic underlings to mock the 'profane' or 'goyim' who are uninitiated. Is their name too commonplace or does it connote jewishness or some biblical or occult reference or person [eg. Jacob Goodwin-meaning a 'good win for jacob (israel), the jew; Hiram Abiff,etc.]. This is an example of the word play the jew employs.

2) BEHAVIOUR:

Is there consistency in their behaviour? Are they overly engaging? Do their mannerisms/tone of voice suggest any falsity about them, eg. do they have a 'duper's smirk' on their lips/facial features; do their eyes blink rapidly when confronted with questions or references that might call into question their 'role' or appearance?; Is their vocabulary tailored to the individual and comes off as contextually inappropriate or inconsistent with other contexts in which one has had experience of them? Are there any other signs of rigidity or artificiality in their behaviour(acting)? Do they encourage you to describe past activism in detail or probe for names/dates/places you or your affiliates may have or have been or are connected to? Do they upon investigation have a lengthy criminal record as this may be a sign they are being funded to play their role by the J.O.G in exchange for a reduced sentence. Do they introduce needless controversy to sow division.

3) AGENDA:

What are they advocating specifically within the context of racialism/white racial political praxis? Certain signs they may be an operative are: they advocate a national bolshevik 3rd position; they focus on criticism of: women (MGTOW); liberals/liberalism; they omit criticism of christianity; they advocate christian identity; they focus excessively on islam or non-whites; they focus their criticism on white people with money (the bourgeoisie); they advocate violence/physical/illegal action against government; non-whites/jews/liberals- 'lone wolves,small cells, leaderless resistance'. See the document "White Terror, Jewish Psyop: The Psychological Operation of 'White Terrorism' and the Jewish Cabal"for more relating to this particular psyop; they advocate doing anything illegal or traditionally considered immoral or unethical (vandalism; arson; theft; murder/assassination; robbery; drug and alcohol sales and excessive consumption; illicit sexual practices,etc.)

4) RELATIONS:

i) to yourself; ii) to others

i)excessive, unwarranted friendliness; conscripting you into alcohol-ism (loose lips sink ships) or drugs (both gateways to illegality); probing into your background (where you've lived; who you know; where you've worked/work; gathering intel on your family/connections,etc.)

ii) absent themselves to talk/text on phone; arrive/leave at inappropriate times/not maintain believable or consistent schedule; always happen to have adequate money to do things/never lacking funds; appear to associate with similar individuals who are phoney in behaviour and appearance and who are similarly inconsistent or 'off' in their affect upon oneself (words and/or behaviour don't correspond to the resonance/vibrational frequency of the person, eg. their thoughts/thought forms); they blend in with the criminal element; they associate with non-whites without their displaying any aversive behaviour directed towards them.

Don't trust: MSM (mainstream media); police; politicians or civil servants; skinheads or gang bangers (illegal activity/drug culture); christians (if you are not christian then you are a 'satan' or 'worldly devil' in their mind and thus merely a tool in their agenda of pushing christianity, an anti-White religion). Also don't trust non-whites as they implicitly understand that 'pro-white' means anti-them(no freebies; no exploitation of Whites etc.)

If anyone you encounter raises the above questions they should be scrutinized according to the 4 criteria of detection (appearance; behaviour; agenda; relations). They may be an operative. Exercise caution in all things at all times, hope for the best but prepare for the worst.

The Philosophy of Security

In order to secure oneself he must secure his race and in order to secure his race he must secure himself. The two are quantumly entangled with each being a necessary condition of the other, though with the qualification that Race can dispense with individual members and that individual members must sacrifice themselves for the Race, as the individual is merely an expendable unit which must take a subordinate position in relation to the collective of which he is part and from which he derives his being.

To secure the existence of the white race may necessitate one's death and this is the duty of all and the condition of fallible mortals and thus must be faced with equanimity and with a recognition that one's own being as it manifests in the physical person is expendable relative to the larger racial soul as the loss of a finger or hair is expendable on the body of a person.

To secure oneself as a person one might conceive of such a set of conditions in a diagram of concentric circles with the person being represented as the bullseye (see diagram). This diagram would be a fluidic one that is like a magnifying glass superimposed on a map, the map being the physical and non-physical set of environmental conditions that is external to oneself and his 'property' (that which he possesses and which is an extension of himself-be it physical in terms of tangible, moveable or fixed goods-chattels; realty; or that which is non-physical-skills; networks of contacts; knowledge set encompassing codes; passwords and any faculties which enable the accrual of more of that which constitutes property and which enables one's engagement with that which is 'Other' to oneself).

The bullseye is the Self and this bullseye or center of the magnifying glass encompasses who he is, what he has and what he has the actual or potential capacity to do. Simple physical examples are: personal defence weapons (what can be carried on the person that adheres to the body and requires no larger external addition such as a backpack).

Intangible properties as above also are encompassing or overlaid by the bullseye which is akin to the True Self in the world of metaphysics in the case of its being. The Self is no island entire unto itself as the Self cannot sustain its being or come into being save through the collective with which it is bound. Thus the Self is a reflection of the Other or the larger collective and is the particularization thereof, the particular unit of that collective.

He has relations with the larger collective and his relations are as parts of the larger circles which radiate outward from him or a center as to conceive of it in the reverse order what concretize in himself as a person, an organism within a larger organism or Race.

The mobility or fluidity of the organism and all of his relations are modified and influenced by all of the other agents who exist and whose existence bears a relation to his own. Thus all interact in a dynamic environment and all are subject to challenge from that environment, be it that of friend or foe.

From 'out there' (the environment 'external' to the person, which environment is not entirely properly spoken of as 'external', just appearing to be external from the point of view of the person and from that of the race, that which healthy beings concern themselves with, namely themselves and their harmonious relationship to the whole, to 'God' or the Divine Will) the security threats take the form of non-whites and the implements of war utilized by non-whites (biological/chemical/radiological/physical/economic/psycho-spiritual or rather demonic) and white traitors who are especially threatening as not as readily discerned as the non-whites, those who possess a white skin and yet are not 'white' inside but only externally.

Those threats are of a certain qualitative and quantitative nature and depend upon the nature of the beings in question: a white person driving their vehicle into a non-white ghetto area and being forced to face the confrontation of such a concatenation of beings and the consequent event; a white person being targeted by Mossad agents with advanced weaponry such as particle beam and microwave weapons, etc.

The personality in a given environment determines behavior according to Kurt Lewin a Jew who created the Tavistock Institute of Human Relations in London. The security of the person and the collective must be determined situationally and using game theoretic conceptual models to create probable scenarios such as those portrayed in "The Turner Diaries". This sort of theoretical gamesmanship or war gaming is a necessary practice that one should interiorize and habituate oneself to as a necessary condition of increasing the maximal probability of his and his Race's survival.

The likely environment that one will be thrown into; the sum total of all environmental factors which comprise the 'environment'; the nature of the enemy (his faculties; the scope and quality of his power and what he will likely do based upon what and who he is). Leaving things to chance is the height of folly and the Christian precept: "take no heed for the morrow for the morrow will take care of itself" is a recipe for suicide, the ultimate conclusion of extreme insecurity which is the inevitable outcome of failing to adhere to the maxim of Sun Tzu: "Preparedness is the key". The war game scenario is in all cases a necessity to assess relative

strengths and weaknesses and to know the enemy in their capabilities as a means of maximizing the probability of a victory with the least amount of losses.

Observing life from the Olympian heights like an Eagle peering down on its prey should be the vantage point-taking as broad a view with as particular a focus as possible at all times and with an intention to manifest one's will in a concrete way and to combat the enemy. The best defence is an attack and the best form of attack is that which targets the weakest point of the enemy and this with minimal losses to oneself.

The Race War has been going on for millenia and within the last century through the mind control assault of the enemy in its christian and liberal ideological form. The whites now can't help but face the fact of the ramping up of the race war into a final conflagration and whether one considers this as the unfolding of the Divine Plan and prophesy or that it is merely a jumble of random events he must necessarily fight and face the reality of the race war to come or be eliminated as an expendable and indeed necessarily expendable being as he is a cancer cell in the host body and fails in his duty to his race.

Accordingly he is unfit for combat he who adheres to the "turn the other cheek" creed and he will simply meet blow after blow as a response to his cheek turning pacifism. In a war the pacifist is a liability and increases security risk to the collective group.

To employ the conceptual model of the bullseye target or magnifying glass held over the map of external conditions is to clarify the relationship between Self and Race (that which is within the Self); enemy and world (that which is external to the Self).

This model concentrates the focus on the person on the agent who acts and forebears from acting ("wu wei wu"- "acting without acting"-the Taoist maxim) and must react and ideally prudently and pro-actively to anticipate and counter the probable moves of the enemy.

In the chess game of the theater of the real the prudent player is both economical in this thinking as well as unconventional. The more unconventional the more the enemy is destabilized; caught off guard and more easily harmed and eventually subjugated should one have the preponderating strength wisely applied in the appropriate way.

The only rest one may take is the appearance of rest as a feint in the game of life between the children of light and the children of darkness-'darkness' in the sense of the inner light as it applies to the Hyperborean and 'light' as the false light as it applies to the jews; and in the moral sense the reverse: darkness as the extinction of the True light of the North in the case of the jews and the cabal and the True light of that which radiates from the North and over the earth in that of the Hyperborean.

[put near first section?]

The security of the person entails the security of the group to which he belongs and should he not belong to any group he will lack security as "no man is an island entire unto himself" and all organisms require a collective that will serve as a vehicle for the expression of their will and

all collectives are comprised of individual members whose survival is ensured only mutually through mutual aid.

The collective is secured through collective action yet nevertheless the individual person who is an element thereof must assume the responsibility for their own security to the extent that that is possible especially white men whose duty it is being the better equipped and superlatively endowed by Nature/God with reason and physical power to assume the responsibility for securing the collective and its weaker elements females and children.

Accordingly the individual person must develop a greater capacity to understand his situation, his particular 'context' or environmental conditions into which he is thrown and must employ his faculties (reason and understanding) within this context and develop sound and sustainable strategies to ensure his own personal safety for, should he not secure himself he cannot secure his collective racial group's survival let alone its expansion and advancement.

Therefore he must develop a holistic approach to security and this in relation to all aspects of his being as it relates to the environment which is the ground or support of his being. The environment factors in all (both tangible and intangible) dimensions: aether; air; water; land; buildings; vehicles; chattels (tangible, moveable property); allies and enemies.

Starting with the last (enemies) we can determine that all of those who are non-white bipedal beings who exist in part in the physical dimension can be considered enemies as they are competitors for power and this on the basis of the fact that all like beings strive for territory and resources which this territory contains and this to the extent of the extermination of the lives of those competitors.

It is not scarcity that motivates them ('need') but rather the will to power, their own innate motive force which inclines them to seek to accrue to themselves that which has become occupied by Others and which Others utilize for their own self-enrichment and/or survival.

There is no limit that can be placed on the expansion of a given group of organisms save the limitations of its being (what it needs to survive and what it has the capacity to 'process'; to assimilate and to control and use for itself).

Since all organisms exist in a state of developmental change (devolution and evolution) there are no definite limits to the expansion and growth or contraction and atrophy of its being save external factors as they impinge upon it and limit it, simultaneously enabling and disabling its development, causing it to degenerate or enhance itself as an individual or as a collective.

The environment is the forum in which the person and his racial collective (his 'species' more appropriately termed) given battle in their natural and divine quest for glory and power in opposition to that of the 'enemy' the competitor. The enemy must accordingly be known and the work "Contra Judaeus: Exposing Jewish Psychopolitics" is a good source for understanding the ultimate enemy of the white race the jew as is the work "Jew Who: How to Identify a Jew" a compilation of bioanthropological works on jewry.

The other non-whites (Chinese; Arab; Negro, etc.) have a character that can be understood through their own culture and behavior as well as through their 'literature': the Chinese works of Taoism and Confucianism (also Xunzi and Sun Tzu) and the Negroes through rap music and Arabs through the Koran. As a general take home message they are deviant liars who exist for lower self-serving ends-the accrual of personal power even in most cases in opposition to their collective racial group, governed as they are by the lower ego.

They have no capacity for Truth as they are blinded by their lower egoic striving and are 'pragmatists' in the sense of believing whatever serves their momentary interests. Hence they dwell in illusion and have at best a feral cunning which is directed towards an antagonism against the white man, their main competitor for power and advantage.

This of course does not make them an easy opponent-far from it. They are ranked in order of severity of harm potential and/or actual as follows:

1) Jews (the foremost non-white opponent) as they have the most white blood and are the most fanatically bent on the destruction of the white race, presumably being controlled or governed by 'dark entities' (non-physical so-called 'demons' or spirits who are bound up with them such that these beings avatar them as a vehicle of their will or are directing them without actual possession);

2) Chinese, being that they have a preponderance of Aryan blood especially in the case of the Han, the lightest of the Chinese, and yet have inadequate blood to make of them a less hostile presence such as in the case of East Indians; Mongolians; some Arab groups and Japanese who are vested with a greater proportion of Aryan blood. The intelligence of the Chinese qualifies them as an existential threat subordinate only to the Jew in the case of non-whites.

3) Under them the Arabs pose the third greatest non-white threat as they are also bound up with whites in terms of blood and, karmically, are a result of the rapine of white women by non-whites, which may have been the case in the far east also.

The techniques for attacking the white man on the part of these non-whites are predominantly to get close under the guise of friendliness and then to stab the white man in the back-poison being the main technique of the non-whites who have the intelligence to understand causality at a higher level than those of their less well-endowed subordinates, the Negroes and other non-whites who have either a preponderance of Negro DNA or that of the archaic Turanian or Ramoahal blood from Southern Atlantis which leads them to a barbarous cruelty of praxis which can be observed in more or less all of their behavior: fornication; physical assault; rape, etc. The greatest physical threats are these and they are unleashed upon the white man as an attack dog of the Jews' and their underlings. It is these creatures specifically the white man must guard himself against in terms of concrete, brute implements and skills of self-defence and Other-attack (an attack being the best defence).

The attack against the white race by non-whites operates through guile and surreptitious means and this 'gradualistically' according to their Marxist praxis of takeover by stealth, with the Jews leading the assault with their hordes of savages following suit. The means for effecting an

assault against the white man are discussed in the work "Jewish White Genocide" which encapsulates the particular techniques employed economically; medically; legally; politically; ideologically; agriculturally (eg. food supply poisoning); the poisoning of water (chlorine; pesticide; herbicide; nuclear waste, etc.); air (chemtrails; electromagnetic fields, etc.) and through subversive demoralization propaganda.

The defence against all these particular attacks against whites must be matched with the appropriate means which are too numerous to delineate here beyond referring to the handbook "White Praxis: A Guide to Right, White Life" and all of its subsections which entails concrete strategies to combat these particular forms of assault.

It should be mentioned here that the white race traitor (the 'domestic enemy' and cancer cell in the host body of society) is perhaps even foremost amongst the enemies of the white race as he is the greatest enabler of non-white assault against the white collective. He comes in the form of: jewdeo-christian zionists; freemasons; liberals; and mammon-worshipping sell-outs (possessive individualist libertarians) of whatever variety.

These figures are they who are least able to be detected amongst the white host body and thus the most significant threat in terms of its operations as they are the enemy within who opens the gates to allow the enemy without to enter and this under whatever pretext (trade; 'temporary foreign labor', etc.).

Security of the person and of all property that is an essential extension of the person must be a specific matter and a result of the ingenuity of the person. The physical person has certain properties that require certain forms of security: temperature, etc; the sum total of all conditions of its life and this relates to the larger collective of which he is a part and necessitates collective action to secure personal, individual survival and the territory and resources it seeks.

Survival of a non-physical kind should preponderate and thus one should focus on a spiritual orientation without which he will cease to exist as a physical being as his being is identical with and bound up with higher states of being beyond the physical and the latter cannot exist without a nucleus upon which it depends (the spirit and soul).

Thus his action must be oriented towards the supreme being and correlated with His Divine Will as this is the source of his being: he must attune himself to 'God' in short in order to sustain his being in its particular differentiation.

Failing to do so or to properly understand the Divine he will "go the way of all flesh", for a service to his purely physical dimension, living for the flesh at the expense of Spirit-leading him to race-mixing and destroying his racial oversoul or at least causing harm to it or to living a selfish life without regard to his higher principles and that of which he is essentially a member, namely the racial oversoul; which he must serve and indeed sacrifice his life for should its survival require his own expenditure.

As security is collective he must form private security units both formal and informal (formal in the sense of a for profit private military contractor and informal being militia groups masquerading under the guise of sports teams or exercise clubs, etc.).

This will enable his collective to build power over and against the enemy occupied government which seeks the gradual genocidal erosion of the white race through multifarious secret means (economically; legally, et.al).

The non-white criminal gangs at the lowest levels and their affiliates at the highest levels work as two wood-cutters sawing the Yggdrasil tree between the two as discussed in the document "Jewish White Genocide". Hence a warrior mentality is necessary at this time as no other alternative is available and indeed never has been as the condition of one's survival is to understand that one exists in a state of perpetual war, a 'war everlasting' and that each vies with each both at the individual and collective level in either friendly or hostile competition for territory resources, and power. Might is right and this is the attitude which attunes one with the Divine Will.

Failing to recognize and act on the basis of this principle that the stronger force overcomes the lesser and that all seek to survive and advance is an insult to God as a failure to do one's duty to ensure the survival of his race, made as it is in the image of Deity.

White Security

Private Security for Whites

The following is a proposal for the formation of a general conception of a 'White Security Company', one which could serve the interests of White Activists and be a potentially lucrative endeavour not necessarily requiring any great amount of capital investment and even effort:

1)

Research laws relating to the legislation regarding private security in your local area (state; province; city; county; nation, etc.);

2)

If the legislation is not overly onerous in terms of time, money and effort or skill requirements develop a business model for the security company (about which see below);

3)

Take whatever required certification courses and/or education to fulfill legislative requirements if any and to grant oneself a professional image as means of marketing to others: i) prospective clients; ii) prospective employees or partners;

4)

Once the company is established as an official company in the eyes of the law and/or regulatory agency pertaining to the security industry that makes it formally legitimate, begin hiring competent employees and/or partners if such employees and/or partners were not present throughout the initial steps in the following way and seeking the following kind of people:

i) ex-military/police or experienced, presentable guards for clients who want security people to appear in the public realm and create goodwill for the company, 'public faces of professionalism' and

ii) for out of the way functions such as patrol night guards on construction sites, etc. the most experienced guards where appearances are not as essential as their experience makes them better than less competent 'faces' though obviously seeking the best all around people is the best course of action;

iii) employ a secretary to handle secretarial functions;

iv) someone to serve as an administrator and/or human resource officer;

v) a supervisor for day and a supervisor for night shifts or a series of these; vi) a public relations manager or client liaison who will employ their communicative skills to appeal to clients (ideally this person would be ex-military or law enforcement as it creates the image of professionalism);

vii) hire a sufficiently large contingent of guards to ensure the needs of clients are met.

In order to staff one's company one should of course start small becoming personally involved in it with his business partners and even working to cover the shifts of employees and to play the role of an active supervisor checking up on employees randomly during the 24 hour shifts as means of ensuring their compliance with job related duties. In order to ensure that one obtains the highest quality employees he should pay higher than industry standard wages and benefit packages;

5)

In order to appeal to clients one should make the lowest bids on contracts, ie. to be willing to work for less, receiving less than industry standard wages. This will of course appeal to companies that are frugal such as construction companies requiring security personnel to serve as a liability waiver for insurance purposes which work sites are minimally hazardous and thus will ensure easy income with minimal problems. Once a large enough contingent of clients is achieved one may increase the price of his services if desired though this may reduce good will with one's associates;6) One should advertise one's company especially in phone books and in industry publications (construction and other) as well as through word of mouth, on billboards and bus shacks as well as whatever other media would be appealing to people who own property and businesses that would require security;

6)

Set up a physical office (this might be an initial step but is not necessary) in a professional building where clients can attend and for the administration to work. This might be done out of a house or a small apartment block that one and his partner's own or could be rented from a rental property management company. One could even live out of it outside of the office space and make it his residence;

7)

i) Design a company logo and slogan that conveys to clients and to the public a sensation of security, of safety and yet is sufficiently idiosyncratic to stand out in their mind and be memorable such as the deodorant slogan 'by mennon'. This should be incorporated in the advertisements as well as even become a radio jingle for radio advertisement. Examples are "Panopticon Security: we're always watching"; "White Hand Security: stopping crime before it starts",etc.;

ii) the logo and possibly company name and slogan should be affixed to the uniforms of the security guards and should constitute the company logo displayed prominently in the office area and outside of the company and office headquarters as yet more advertising; iii) the company should have multiple vehicles of low gas consumption preferably electric or using water-based or gasohol engines as means of further advertising keeping up with the environmentalist message for good will; all vehicles should be of a similar make and model and connote power, larger vehicles being better and if within the bounds of the law should be outfitted with sirens and cameras both front and back for recording footage;

8)

The company should seek to hire itself out to public venues as means of increasing advertising and goodwill, such as in public events, concerts; sporting events; parties, etc. The guards used to staff the event should reflect the demographics of the venue as means of currying favour with the client and pleasing the demographics who attend;

9)

The company should seek to acquire apartment blocks and large multi-room houses for housing its staff. This enables the staff to stay loyal to the company and acquire a sense of identity based upon their perpetual contact with their fellows. The housing would of course be optional and based on voluntary association and would have its own separate management team. The rent could be reduced to a reasonable amount to entice staff to live there as an added incentive which would create greater good will and company loyalty;

10)

i) The staff could pool their resources in communal investments and the partners of the company could invest their money mutually as means of increasing wealth, pooling it back into the company and branching outwards with a greater pool of clients and affiliates in other areas;

ii) The company could continue to grow, branching out in terms of its functions:

1) patrol security;

2) alarm system installation, monitoring and response;

3) bodyguarding and bouncers;

4) paramilitary contracting or more hazardous activities which would build the skill set of employees and/or bring aboard employees of a more highly trained calibre thus ensuring a greater likelihood of taking that particular area for the company as its de facto territory;

11)

The area where property would be purchased can serve as a de facto pro-white community allowing only White staff to live there and securing the community shutting out others

Security Resource items/Infrastructure

perimeter security:

electrified barbed wire fences sunk in concrete pilons; perimeter fence (barbed wire; stone wall with hedges; wrought iron railing)
moat (manually retractable drawbridge/'chicken walk') with sharpened logs jutting out
booby trap pits
electric wrought iron gate
dog run (Doberman; Rottweiler; German Shepard); guard dogs (caveat: danger of their being killed; poisoned or tortured by perps)
possible incendiary devices
guard towers [(manned 24/7 with armed guard(s))]
security cameras on property: motion sensor, wire-mesh covered flood lights with panable bubble dome video cameras (with zoom function)

on property (infrastructural security):

alarm system (ideally not run by compromised security company-most are enemy controlled)
multiple Bolt locks on interior doors (middle and above and below midway door jamb; welded to metal door)
doors should be solid steel with reinforced doorframe (metal kick plates if wooden door; also plate to prevent intrusion through sawing of deadbolts with hacksaw blade)
barriers erected across path to residence (eg. logs; heavy steel barrels or cisterns)

building:

brick/concrete (reinforced with rebar) or aluminum siding to prevent arson; shipping container bunkers; cisterns for water; woodstoves+fuel (cords of wood)

exterior:

high security padlocks: these are only as strong as the doors they shut: the weaker the door the less valuable high security padlock would be
Grade 6 high security shrouded padlock (large-style)
Sargent & Greenleaf (S&G) 951 or 833 Padlock; Abloy Protec2 PL 362 Shrouded Hardened Steel Padlock (Finland) ; Anchor Las 590-6 Padlock (Swedish); EVVA MCS Shrouded Padlock (Austria):
this magnetic lock may be most difficult to pick

smaller padlocks: S & G wheel combination padlock

safe (ideally sunk in concrete)

Doors:

steel door

interior:

deadbolt

Abloy Protec2 Jimmy Proof Deadlock Deadbolt; BiLock Jimmy Proof Deadlock Deadbolt;

tape the dead bolts into the locked position, whenever possible, for your own safety.

door reinforcement :

DJArmor Platinum Jamb Armor Combo Kit for Standard Doors

bar lock (2x4s inserted into wall brackets on either side of door frame)

Heavy duty Hasps:

bottom of door:

DoorJammer Portable Door Brace; Wedge Door Stop Security Alarm; Door Barricade Brace Night

Security Lock: eg. nightlock (\$40)

chain:

Hardened boron steel high grade chain (Pragmasis brand from UK)

travelling:

portable door locks:

Calslock; MasterBolt; Addalock; Qicklock Portable Travel Door Lock; Pocket Lock Portable Door Lock;

windows: burglar bar; metal mesh (screwed into frame); spring loaded expandable bar; security film (to prevent smash entry/mischeif);

vehicle security:

security film

boot lock (on wheel)

club-style lock on steering wheel

dash camera

vehicle door:

Mul-T-Lock (jewish company unfortunately) ArmaDLock

gearshift: MVP 45

Personal Defence (be aware of local laws):

body armor: kevlar helmet; ballistic face mask (with bullet proof glass for eyes/window); shin guards; bullet proof vest; bullet proof shield with bullet proof glass window; ballistic clothes; (body armor can be made at home)

blade/knife:

pants pockets: spring-loaded folder knife; fixed blade; large machete (home /bushcraft); samurai sword (small or large)

concealed knives: ice picks/marlin spikes; cane blade; kubaton blade; belt buckle knife

blunt instrument:

collapsible baton (friction); stick; cane(lead lined or containing knife/sword)
steel shot gloves or kevlar knuckle; lead 'saps' for palm; brass knucks
baseball bat(aluminum); kubaton or monkey fist on key set; mace/club

whips: retractable defence whip; whip belt; neck chain whip (magnetic clasp)

bows; crossbows (repeating)

guns:

rifle: sako; winchester 270.; 30-06; with nightvision/infrared scope

handgun/sidearm: ruger mark 3 or 4; .38 special revolver blue-black metal; .357 smith and wesson revolver

shotgun:12 gauge pump action semi-auto shotgun

semi-automatic (repeating) military-style rifle: M-16; SKS

sub-machine gun (smg): H&K MP5; MAC-11; Scorpion machine pistol

bb gun: pistol and rifle + lead bbs

tranquilizer gun: pistol+rifle+darts

gun locks+keys; gun cleaning kit (oil; rags; brushes);

home made weapons (in WROL/SHTF situation):

(look up on internet for instructions): pepper spray; microwave maser/herf gun; stun gun; pipe guns; Homemade wooden 'knucks'(mahogany/cherrywood;teak);straight razor; spear; ball and chain; modified tools (eg. nailgun; blasting caps,etc.); molotov cocktails,etc.

Solutions for Targeted Individuals

(see "Targeted Individual handbook: Combating Gangstalking and Directed Energy Weapons")

gathering evidence/surveilling perps:

the equipment outlined below is adopted to clandestinely monitor the perps while being kept on the person and may also be used for surveilling targets and cataloging their movements

cellphone in armband facing forward

spy camera glasses (~\$100)

pinhole camera in hat

hand-held audio recorder (use in event of communications with government employees especially, to have a record of the transaction as a defense against false accusations and/or lies by omission) (~\$50-80)

burglar alarm with pull-cord (to sound alarm if attacked) (~\$40-50)

airhorn (to blast perps)

vehicle dash cam (front and rear)

bike helmet camera

digital camera (w/32 GB sd card)

telephone pickup microphone (allows recording of phone conversations)

telephone pickup microphone (recording all conversations coming in and outgoing)

live with other trusted persons

Detecting poisons/radiological/chemical/directed energy weapon (microwave) attacks
carbon monoxide and other types of gas detectors (to detect gas perps may pump into your residence)

bug sweeper (detects rfid implants and other bugs perps have planted in residence)

geiger counter/dosimeter (cheap portable vintage soviet versions are available)

emf meter (acousticom is a reputable brand)

Shielding against directed energy weapons (D.E.Ws, eg. microwave weapons)

shielding fabric (eg. silver fibre)

styrofoam panel covered with multiple layers of aluminum foil covering all walls

aluminum siding

lead paint

sheetmetal screwed into walls inside (must overlap or have additional metal panels covering cracks)

caulking or synthetic resin or pine sap along floor boards (to prevent gases entering residence)

mosquito screening/metal mesh mosquito net around bed and over windows

lead lined bags/containers (lead'pig')

personal protection from D.E.Ws:

Directed energy sources may include land-based, satellite, aircraft, drone and ionospheric relay (GWEN and HAARP systems). Land-based assaults can come from equipment located in structures, automobiles, and trailers or may be in the form of a small signal emitter device that has been covertly hidden in the vicinity of the target. Some units may take on the appearance of, or be concealed as, some type of home appliance or fake 'owl' to ward off birds or 'satellite dish', utility device, stereo speaker or amplifier. Hidden signal emitters are small electronic devices that are probably no larger than a cell phone

Jamming signals

"Many" so-called DEW attacks are likely not a directed beam or laser but actually an extremely low frequency radio broadcast that has been modulated into waveforms that mimic pain, sound or an actual physiological process of the body.

magnets (N52 neodymium high gauss small size with rounded sides: creates magnetic field that interferes with the DEWs' specific frequency thereby disrupting it): wear these on stainless steel jewelry (ear studs; chains; bracelets,etc.)

earthing (1st thing in morning barefoot; tree hugging; moccasins; all generate negative ions and/or assist in removing positive ions thereby reducing inflammation)

movement:

moving around prevents/impedes RNM on the part of the person. When standing in front of a computer eg. Moving the body or sitting in a rocking chair or using a cardiovascular machine

Scalar Wave disruptor:

1800W/2500W ZVS Induction Heater Induction Heating Machine With Copper Tube (purchase power supply with it)

ECS machine (electro-cranial stimulation, eg. Altered-states.net; cesultra.com) used to manipulate brain wave activity to throw off remote neural monitoring and induce certain mood states)

Brain entrainment: Use: induce states of consciousness/certain brain waves for neural remodeling of axonal connections/synapses, mood states, blood electrification, induce development of synapses/modifies brain architecture/pre-frontal cortical conditioning/activation; induces trance states, enables remote viewing/psi abilities) etc. via electrical, sonic &/or visual means:

A) electro-cranial device (small handheld-least expensive; typically direct transcranial or direct body connection via electrodes));

B) RF (radio-frequency generator-typically most expensive)

C) Cymatics:[sound generator-polyrhythmic music, eg. baroque(harpsichord/other), sitar, dulcimer, complex drumming /drum machines(synthesizers):Helps confuse RNM(remote neural monitoring)/mapping of consciousness by perps

When you detect electronic assault employ brain entrainment tech. Listen to subliminal recordings and/or polyrhythmic music while sleeping via mp3. This combats noise disruption and v2k interference with consciousness. Harpsichord and Baroque music is recommended

Binaural Brain Entrainment tones:

The Binaural Brain Entrainment tones will help interfere with the various frequencies they use to Brain Map us. Listening to multiple radio stations simultaneously; and thinking multiple thought streams simultaneously (what Bryan Tew called "thinking in multiple threads") Remember it is all Encoded and Decoded Bio-Neuro-Physio-Radio-Electical

Wearing UV (Ultra Violet) Sun or Safety Glasses significantly reduces the access to the eyes by lensatic refraction and distance shielding and de-resolution.

Protection from vibration:

Leaning something against the window cuts the vibration down considerably-a heavy object wrapped in fabric like a towel for example.

Rife machine (radio frequency generator)

hand-held zapper ('Hulda Clark' zapper)

Pemf device (pulsed electromagnet) [reduce inflammation; protect from DEW attacks)

Anti-EMF:

use: buffer/shield electromagnetic fields to prevent mind control via cell towers/electrical grid/HAARP, etc.; Forms: A) clothing/fabric(typically silver fiber interwoven with nylon;bamboo;cotton material. Hats; trenchcoats;gloves;socks;facemasks;etc; B)shielding paint for dwellings/other structures.

Lead vest

Lead hat

Silver-lined ballcap

Lead curtains

combating acoustic assault:

earplugs

white noise machines (fans; etc.)

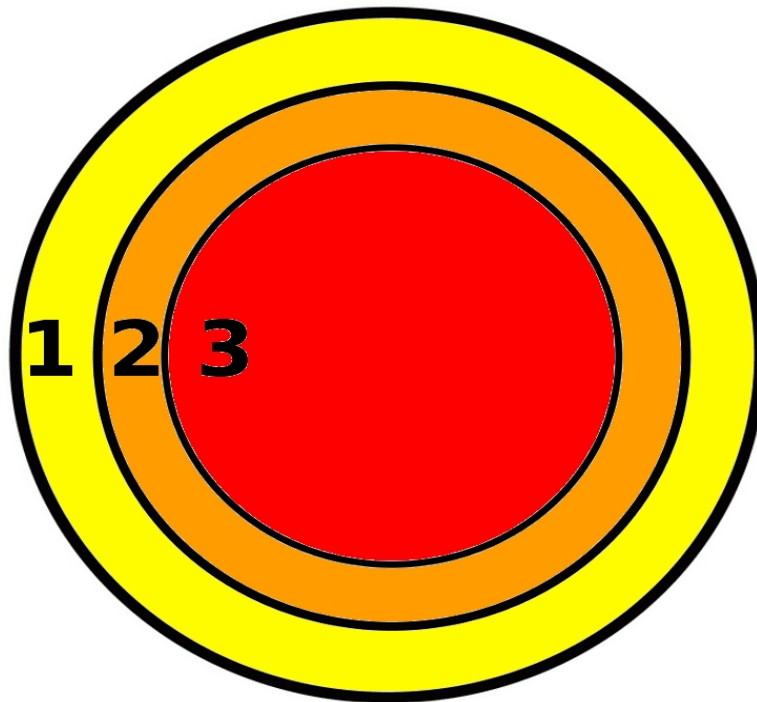

music (eg. harpsichord; baroque polyrhythmic; electronica; fashwave)

7 TOPOLOGICAL LAYERS OF SECURITY

- 1) see 'Security Homunculus' diagram: You
- 2) Extra Equipment
B.O.B (bug-out bag; fanny packs; chemsuits; Briefcases; duffel bags, etc.)
- 3) Vehicles
[motorized (electric/gas motor bicycle;scooter; dirt bike; motor bike; 4x4; car; truck; van (dwelling); cube van; airplane (glider); gyrocopter; boats (speed/pontoon/house boat ; manual vehicle (bicycle)]
- 4) Allies
(network of formal/informal contacts)
- 5) Dwelling
(shipping container bunker; brick/stone/concrete structure; underground/inside of hill,etc.)
- 6) Region
[land; terrain; infrastructure (buildings; military and police depots; ethnic gang ghettos/H.Qs; antifa & enemy H.Qs & religious enclaves)]
- 7) Heaven & Earth
(aeonic conditions; weather; etc.)

SECURITY THREAT LEVEL

1) LEVEL 1

LEAST IMMEDIATE/INTENSE THREAT

(eg. on a ranch under conditions of relative social stability)
counter-measures: pdws (personal defence weapons)

2) LEVEL 2

INTERMEDIATE THREAT

(eg. walking through urban area @ night during parties; counter-measures: concealed/disguised pdws & training; presence of allies)

3) LEVEL 3

IMMEDIATE &/OR MOST INTENSE THREAT

(eg. guerilla war; counter-measures: access to most lethal assets (arms) &/or highest level of protection against most lethal enemy assets(armor)

DETERMINING FACTORS FOR ASSESSING THREAT LEVEL:

1) actual or likely presence of enemies

(quality; quantity; lethality)

2) presence/possession of counter-measures/assets

(allies; equipment; terrain/natural resources

3) complexity of environment

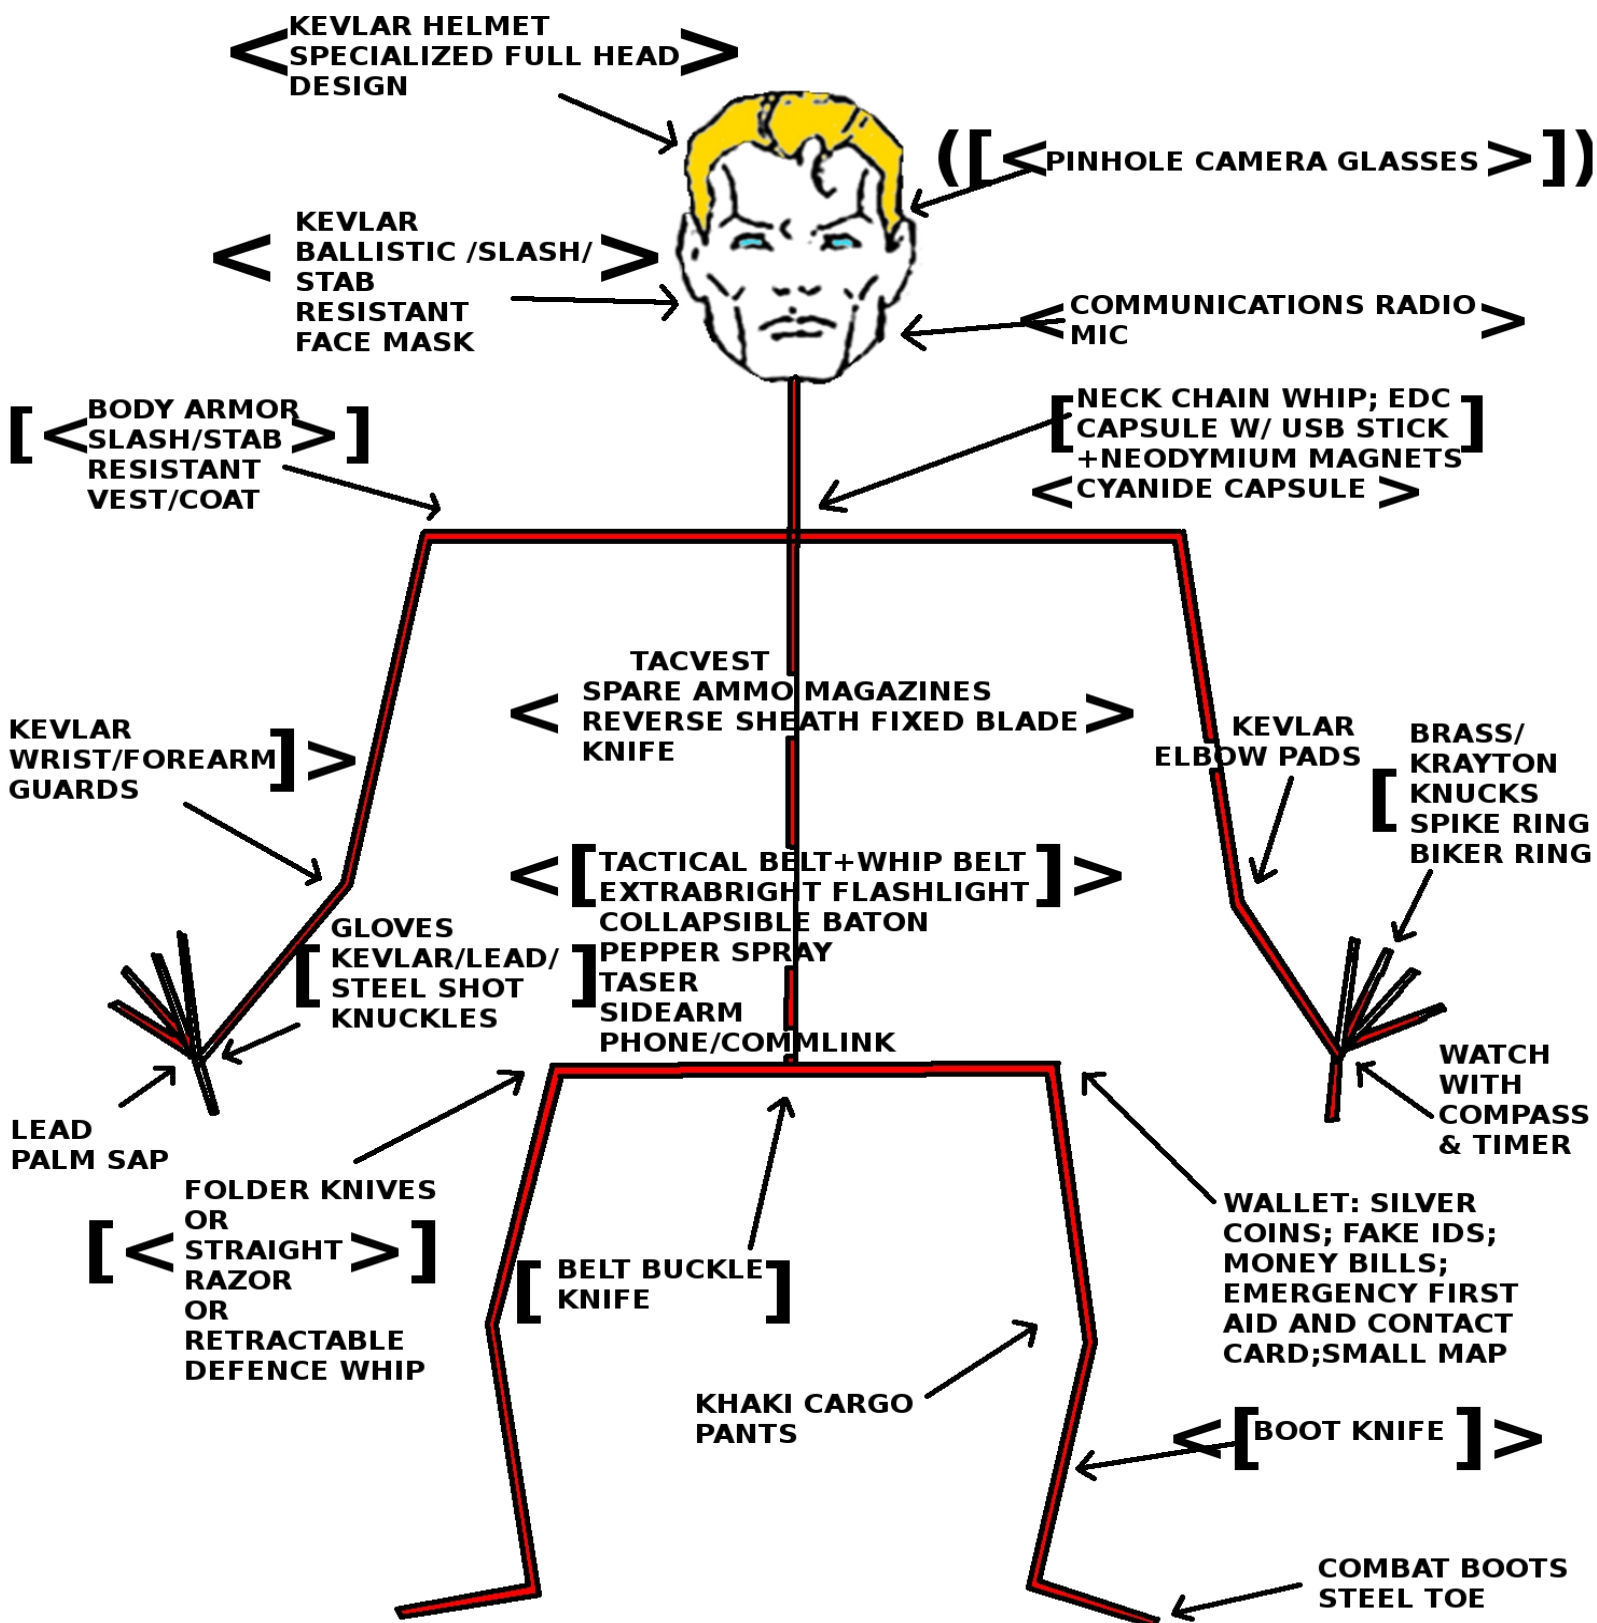

(more complex=more potential danger but more potential concealment)

SECURITY HOMUNCULUS: SELF

(...)= THREAT LEVEL 1

[...]= THREAT LEVEL 2

<...>= THREAT LEVEL 3
