

Miguel Senono

**Nacionalsocialismo,
única solución
para los Pueblos
de América del Sur**

MIGUEL SERRANO : Nacido en 1917, en Santiago de Chile Viajó a la Antártica en 1947 - 1948 . Embajador en India , desde 1953 a 1962. Embajador en Yugoslavia, desde 1962 a 1964. Acreditado a la vez en Rumania y Bulgaria. Embajador en Austria desde 1964 a 1970. Embajador ante el Organismo Internacional de Energía Atómica en Viena y ante el Organismo de las Naciones Unidas para el Desarrollo Industrial (UNUDI).

PROLOGO

The South American world has been denied the knowledge of the underground forces that disturb at every moment the physical, emotional and mental existence of the "8-ntiles". He is totally unaware of the millenary enemy and the secret tricks he uses to carry forward a total barbarization of the judgment and destruction of the world of the "gentiles". We are unconscious slaves of slander, trickery, lies and usury with all its unsuspected destructive fury, which causes the poison inoculated in the blood of the people (Satanic Archetypes) to force those of us who possess it, to act in agreement with the **Telepathic Messages** sent from super-secret points located within the planet, and even outside of it.

Mankind is unaware that the causes of Chaos and **Destruction** that are reflected daily in any country of death, have a very original source of projection, and that the true enemy that has always been followed by the ancient and modern mensajeros, is so close, stuck as a parasite at all levels of existence of the human being, hiding its true nature and mission to fulfill in the strictest secrecy that the common man can imagine.

This little booklet contains in itself more than the reader can suspect. The author is perhaps the only one in South America who has dared to reveal púb*licâiTente the millenary enigma of the Gods and Demons and their thematic struggle between freedom and slavery. He also reveals in his writings the role of "propitiatory victim" that corresponds to the present humanity in this eternal struggle. Eros authors have tried to speak, very timidly hinting at the person responsible for human misfortunes, but then remain silent because of the "terror they feel" from the intimacy of blood against the Lord of Chaos and Darkness. Ernesto Sabato in ABADON THE EXTERMINATOR, puts on the lips of Dr. Alberto J. Gandulfo, paragraph of the mystery and then comes the silence. The works published by Ûiguel Serrano are shaking the deep bases that vibrate in the **memory of the blood** of the Aryan descendants, propitiating the "dream of the **nostalgia** for the RACE and the **CLASS** that in other times was possessed.

Many ignorant people speak of the "end of the world", when in fact it is the "End of Time". This fact gives meaning to the Greek word KATASTROPHE (catastrophe) which means: to put the top down. This is the time when the God of the Losers is freed from his millenary slavery and the present King of the world (Satan) will be sent back to his point of origin with all his infernal hosts, and all the worlds will once again enter into perfect harmony.

In Colombia there were two great characters who knew the world problems of the "International Virus"; they were Luis López de Mesa and Jorge Eliécer Gaitán. The former was discredited and his original ideas were hidden from him (however, something remained in his memoirs that he left as Minister) and the latter was liquidated because he was the VOICE OF THE PEOPLE that hindered the gigantic step of the International Power manipulated undercover by the "sinister virus".

This "virus" that is decomposing the world and its inhabitants, knows perfectly well that the only true wealth of the "gentile" is his biopsychic strength. Lopez de Meza said that the people or the individual could lose all the material goods of this world, but that this loss would not bring major consequences; what really affects man is the loss of his biological and psychic strength through the mixing of his blood criminally sponsored by the enemies of race and class. That is why the statement: "**The destiny of the people depends on their race**", has an unsuspected meaning. Those who discovered this meaning and communicated it to the masses were annihilated.

The time has come for a new awakening from the millennial lethargy, and Serrano's works help us to understand the historical process in which we are absolutely all involved.

The Editor

NATIONAL SOCIALISM.

The National Socialist Doctrine is based on two basic pillars, or cornerstones: the racist conception of history and a special economic ideology. To understand its validity in South America, we must analyze both.

I dedicate this small fundamental work to the greatest prose writer of Our Hitler Era, the Hitlerist writer, Knut Hamsun, hyperborean from Norway, with the an- sia and the Thule nostalgia in the bones of his soul, I also dedicate it to the greatest poet of Our Hitler Era, Ezra Pound, an equal Hitlerist, Irishman from the United States of America, and to the greatest Chilean thinker. Nicolás Palacios. All of them unknown today to a youth disoriented by the directed education, by electronics, Marxism, consumer society, black-Jewish music, orientalisms of all kinds, "yogism", "liberation theology", Marxist, Maoist terrorism, all of which are firmly managed by the "Wise Men of Zion".

Knut Hamsun, Ezra Pound, Nicolás Palacios, three
The glorious victims of the Great Jewish Conspiracy, spiritually assassinated - if this were possible - only for having had ideals, immolating themselves in the inextinguishable flames of their Faith. But, resurrected with the Gods, in the Eternal Return, in the Great Day of the Return of our Führer, Adolf Hitler, the last Avatar.

Young comrade, young Hitlerist, seek out and read these heroes of ours, carry them in your heart, resurrect them in the sacred fire of your immortal life.

I

THE RACE

The revisionists of history know that the discovery of America was not made by Columbus. Christopher Columbus was a Jew, and what his enterprise really meant is something murky, one more falsification, destined to collaborate in the Great Conspiracy against which we are fighting today. Alfred Rosenberg said that "the truth of the Jew is his organic lie. And this should be the premise, the dogma, with which those of us who aspire to reshape history should move, to revise it, cleansing it of the layers of falsehood with which the Jew has presented it. We must always look for the Jewish hand. And once found, we must establish as an unshakable principle that it hides the truth, being able to be sure that what is shown to us is the opposite of what it really is.

Many centuries, millennia before Columbus, first the Hyperboreans, then the Frisians, the Trojans, the Celts, the Normans, the Vikings and the Templars, had settled in America. And Columbus knew it, being only a *Jewish* agent who was sent to America with the mission of erasing the traces of those "White Gods", as they are called by the colored Indians, belonging to the inferior races of the "slaves of Atlantis". At no time did Columbus believe that he would find there a new road to India, nor did he believe that he would find a new road to Catígara. In doing so, he was merely putting up a smokescreen around his real enterprise, and was able to deceive some unwise ecclesiastics and rulers who had already lost their racial instincts.

Gods. Moreover, the "discovery of America", Columbus' enterprise, was never financed with the "sale of the Crown Jewels", but with secret money from Jews and "Marranos", (1) who were to fulfill here a fundamental conspiracy against the "White Gods", against the Hyperborean Aryans, by destroying their remains still visible in this part of the world.

It is not appropriate that we extend here in a description and commentary on the investigations and circumstantial discoveries that have been made about a prehistoric American world, populated by a race of white giants, of demi-gods, whose legend was still preserved in the traditions and documents, until the arrival of Columbus and the Jesuits to these lands. The Indians, the colored peoples of this continent, called them "White Gods", a transposition of **Weisegoten**, Visigoth. The French researcher and anthropologist, Jaques de Mahieu, resident in Argentina, a great revisionist of official history, has insistently referred to this exciting subject in his books. He is a tireless fighter against the planetary conspiracy, whom one would like to ignore, for this very reason. His books are almost unknown to the American and Spanish public at large, but not in Germany.

Professor de Mahieu has proved that the pre-Columbian civilizations, the Mayan, the Mexican, the Tialua-nacu, the Inca, have a Viking origin. With a collection of lithic, runic, architectural, ethnic and linguistic documents, he proves this to us. He has also provided irrefutable proof of the presence of the Templars in America and of the forgery of the Jewish Columbus, of his imposture. The latest discoveries of the Professor of Mahieu have acquired a sensational character, by proving the existence of the Hyperboreans in South America, with the finding of engraved stones of more than

(1) Name given in Spain to the Jews conv.usos al cristiarúimo.

The Trojans disappeared without trace after the destruction of the Homeric city, according to him, the white Comechingones Indians of the Cordoba mountains in Argentina, could be the Trojans.

I have referred to this fascinating subject in my book "Adolf Hitler, the Last Avatar". There were, no doubt, Spanish conquerors with Visigothic blood, who knew something of these things, mostly by the "memory of their blood" and who came to America precisely to try to make contact with their millenary ancestors, j u s t as Columbus and his henchmen came to destroy them, trying to complete the enterprise already accomplished in Europe with good success. Pedro Sarmiento de Gamboa is an extraordinary conqueror, cosmographer, alchemist and magician, who could, perhaps, have made contact in "InglaterFa'with" that other alchemist and mathematical genius, John Dee, who was trying to convince Elizabeth I to establish an "Empire of Two Worlds", of this and a "parallel" other. His non-Euclidean mathematical calculations led him to believe that the "second world" could be penetrated through Greenland, the refuge of the Hyperborean survivors of a continent that had disappeared at t h e North Pole.

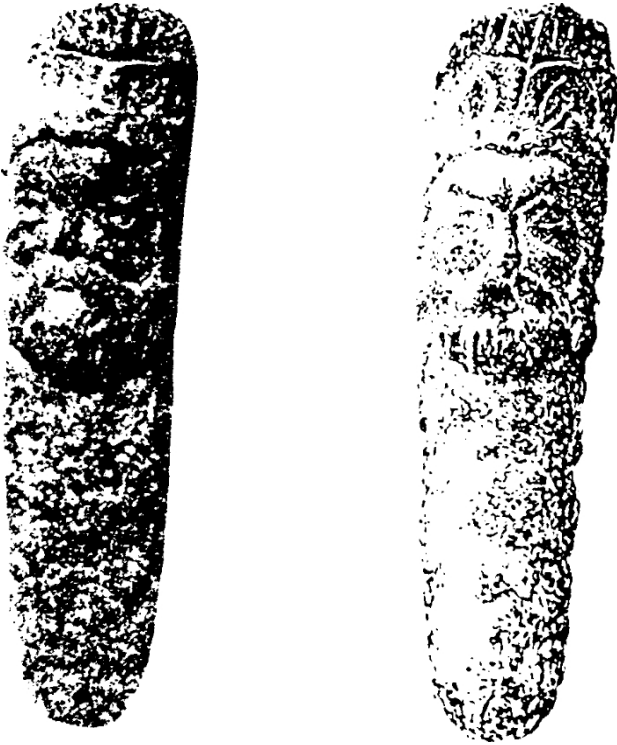

According to de Mahieu, the remains of these white Hyperborean survivors in South America are the Comechingones of the Cordoba Sierras, just as the remains of the Vikings of Tiahuanacu are the Guayakis of Paraguay, whom the Jesuits pursued until they were destroyed. Their degenerated, bastardized descendants can still be found in the jungles of Paraguay. Similar remnants would also be found among the white Indians of the jungles of Amazonas, Brazil, Panama and some others. But, at the arrival of Columbus, the hyperborean guides, the "White Gods", had disappeared from the surface of America and the world, they had submerged in the hidden cities, inside the Andes, under the surface of the Earth, or at the bottom of the "Oasis" of Antarctica. Also, in the great Himalayas. Everywhere in our

In America, the Spanish conquistadors encounter the legend and rumors about the existence of sun-gods, residence of the immortal White Gods. Many Spaniards lose their lives searching for them. They are El Dorado, El Elin. Trapalanda, the City of the Caesars. The latter, in Chile, or in Argentina. As well as in India, in the Himalayas, they are Agartha and Shan-Shambala.

We well know from Schliemann that the legends of the always conceal an underlying truth. Troya is there to assure us of this. "When the river sounds, it's because it's bringing water," says the popular saying in Chile.

My conviction is that the dates should be moved back many millennia to fix the arrival of the white hyperboreans in the Americas. Hundreds of thousands of years. I understand that it is very difficult for a researcher, a scientist, who must struggle in the Judaized academic world, to sustain or declare figures like these. The Great Conspiracy would crush him, with sarcasm or ridicule. Recently, in the north of Chile, centuries-old mummies have been discovered, older than the oldest in Egypt, worked with a different and unknown technique, belonging to a civilization and a people equally unknown. Once found, little more has been made known. Surely, the same hand has come in to handle it all.

In my aforementioned book, I reproduce the t "otography of the a statuette in the Dillman S. Bullok Museum, in the city of Angol, in the south of Chile. I have held it in my hand. It is of great beauty and sculpts the figure of a hyperborean - of a "Trojan", would say de Mahieu-. His face is bearded and on his forehead seems to be engraved the Irminsul Tree. How many thousands of years old is this jewel? Who sculpted it? It has not been given more importance, being affirmed that it is of the XVI century, or of the XVIII century. Found in the lands of southern Chile by a farmer of German origin while plowing, no one knows how it came to be found there, nor who sculpted it. Even less who served as a model for it.

Esoutur J !-t'ca, in andesite, found in farmland near Niul-clién, -in the south of [^]liile, Bio-Bi'o province. It is a Nordic, hyperborean. Ctarar..ente s- distinguishes the Irm.insul, on the forehead and other runic signs. It is halla en la, currently, in the Museo Dillman S. Bullock, Angol, Chile, with el número 66-2, de its archaeological collection. It is the Ré ché oraucano.

THE ARAUCANOS

America was called **Hvetramannaland** by the Viking people. Land of White Men. For they knew that white men, their Hyperborean ancestors, the Polar Norsemen, from both poles, lived and ruled there. Here came the Vikings in search of their ancestors, as the Templars came in search of the Vikings and the secret leaders of Esoteric Hitlerism in search of their Templar, Viking and Hyperborean ancestors, before and after 1945.

When the Spanish conquistadors, of Visigothic origin, arrived in Chile, they encountered the Araucanians, hardened aborigines, whom they fought for four hundred years, in a very hard war without being able to defeat them. The conquest of Chile cost the Spanish Crown more than twice as much in terms of men killed or lost as in the rest of the Americas. Who was this Araucanian "Indian", who knew the art of war, strategy and tactics, who defended his land, his traditions, his legends and his gods with such heroism? Like the Germanic, he worshipped the tree, the forest and possessed a caste of wizard-priests, who accompanied his warriors to combat, reading the destiny of the battle in the stars.

The poet-warrior and Spaniard, don Alonso de Ercilla and Zúñiga, author of the poem, "La Araucana", where he recounts the wars of the Conquistadors with the Araucanian Indians, has said that his informant, the Indian Glaura, told him that his people were descended from white and blond men, from Frisians. There are several conquerors who say that in the south of Chile they met Araucanian men and women of great beauty, blond, blue-eyed and of tall stature (as in the statuette referred?). The Frisian Chronicle, called of **Oera-Linda**, which relates the sinking of the remains of Hiperbórea -Atland, (or Atlantis, for the Germanic researcher,

J ur-gen Spanuth)- tells us of a Frisian Sea-King, named Inka, who sails to the West (America), and never returns. This would have happened around fifteen hundred years B.C., long before the Vikings in these latitudes. Hence, then, that same curious statuette in the south of Chile, presenting a Frisian, a Trojan, or a Hyperborean. In truth, a White God. The Chilean historian and scholar, José Toribio Medina, says that Fray Gregorio García believes that the Araucanian descended from an ancient trunk of Frisian navigators; that is to say, Germanic, Nordic. And the French researcher, who came to Chile, Claudio Gay, author of the "Histo- ria Física y Política de Chile", writes that "the Indians of the south were white and their women were beautiful".

That in the Araucanians resided a power, or that they were the depositaries of a mysterious sign, of a superior question, without possibility of answer already, would insinuate us in the rumor that circulates in these times that the Jewish Direction would have begun to transport Araucanians to Israel. There they would have married and joined the army. With the expatriation from Ethiopia of a whole tribe of "Ethiopian Jews" and their transfer to Israel, the Rabbis would lack to find one more tribe of those who affirm that they went astray in the Exodus to complete the cabalistic number that would indicate the consummation of time, with the appearance of their Messiah, or King of the World, announced in "The Protocols of the Learned Elders of Zion", and in whose "conformation" the Great Synagogue, the Masonic Lodges and the Vatican collaborate. That this is so is shown by the visit of the Slav Pope ("slave") to the Synagogue, to pay obeisance to the Jewishmaster, who, for twenty centuries, was secretly so. Since there was no longer any

The establishment of the Jewish Jewish faith may well pass through the "return of Jesus Christ", who was also a Jew. In the Lodges, as in Christianity, it is already accepted that the Jew is the "chosen people of God".

Whether the !-tiopes or the Araucanians are indeed "tri-

The "lost busses" of Israel, it matters little for the purposes being pursued. The Wise Men of Zion will make the Jews believe it. And this is enough for the establishment of the Messiah and the last explosion of his mysticism. For the rest, there have never been twelve tribes of Israel, nor any lost tribe. There were only twelve Germanic tribes, separated from the true Nordic-Aryan Exodus of Hyperborea in the Gobi Desert. There was also a divine people of the polar **Aces**. All these Norse stories and legends have been stolen and disfigured by a parasitic tribe.

The Jews are the black shadow of the White Gods, who have thus fabricated a mythology, passing it off as their national history. The Jews are the black shadow of the White Gods. They follow in his footsteps. Hence, the voyage of the *Jew* Christopher Columbus to the Americas and his secret intention to find here one of the "lost tribes". In truth, in America there were lost tribes, that of the **Inka** Sea-King, among others. Also the sinister Jew, Simon h'iesenthal, has written a book Joore "the jüd íos in America". They came to America with Columbus to destroy all traces of the White Gods. --They came to America with Columbus to destroy all traces of the White Gods, as they had already done in Europe, their secrets, their divine legends and their sacred myths. No wonder, then, that they can now tend to do the same with the remains of the Araucanians, destroying their **memory** of blood.

Perhaps in this can be found an explanation to the strange event of the denomination as Vice-president of the World Congress of Synagogues of the Chilean born Rabbi, Angel Kreiman, in the meeting held in Jerusalem, in 1985. He was being rewarded for an important fact, at the same time that the growing interest that Judaism and the Sages of Zion show for the South Cone of America, especially for Chile, a country of mythical geography, with a race that once was truly of divine origin. The Great Conspiracy intends to take everything from us, to leave us with nothing: the Visigoths, the Ostrogoths, and even the Araucanians.

The most extraordinary thing in the Araucanian traditions is the instigation of the Re - ché, "man of pure race". Surely a white Aryan, which was at the top of a hierarchy, already disappeared at the arrival of the Spaniards and Don Alonso de Ercilla. Towards there they tend, with great nostalgia. the legends and the aspirations of that strange people, already mixed, bastardized with Tribu morig-õlicas, in their low strata, like the guayakis of Paraguay and the red skins of the America of the Ürtic. They have mingled with the "slaves of the Atlantis. They have committed the "racial sin". These beings already intended to preserve the legends of the White Gods, preserving the structure of their Enchanted Cities, impregnable, where the pure white Ré-ché, the Aryans, took refuge to jump over the divinity of their lineage, once the invasion of the Mongolian tribes and the "sin of the mixture" took place. The Araucanian incitizos had the mission, like the Tibetans, to guard the secret entrances to the sacred precincts of the inner world, where their Guides, Kings and Lords disappeared. The Re- ché, the **Siddha**.

In "The Last Avatar" I have related the strange case of the journey to Germany of a delegation of North American Indians, which occurred not long ago. They were in search of their ancestors, because, the end having come for their tribe, only the meeting with the Great Guide, who in Germany venerated the Swastika, would make their regeneration possible. They searched there, but only found old Professor Hermann Wirth, founder of the Ahnenerbe and disseminator of the "**Chronicle of Oera Linda,**" and he pointed out that it was thanks to him that we were able to learn of this strange journey of these Indians to Germany after the last war. They searched there, without finding the Great Guide, worshipper of the Levira Swastika, for he had already departed.

THE RACISM

The secret leaders of Hitlerism knew perfectly well the truth of the ante-history or proto-history of mankind. In Otto Rahn's book, "The Court of Lucifer", mention is made of the American "White Gods". Its author, had entered the S.S. Secret missions of the Ahnenerbe, the specialized Institute of research on the Aryan ancestors, were sent to Tibet and also to South America. From Colombia and Ecuador they cut very important objects, selected for their magical-symbolic meaning, for their unique derivation and Indo-Germanic connection. They knew well the false myth of the colored American civilizations, all that artificial indigenist business. In America, as in the whole world, there has never existed a culture or civilization that has not been the product of the white horrible, the Nordic polar, the divine **Goths, or Gott**, of the Gods. He is its creator and builder, He is its impeller. For He is the authentic race, the only one; the colored beings, black, yellow and red, being only a product of the earth, animal-men, slave-robots, manufactured in Atlantis, mere extensions, visual plasriations of the **opus alchimicum, memorization-guides** for the realization of that essentially inner Art-Region, or of an Inner World. Then, these robot-beings, semi-animals, have mixed, interbred with the fallen Aryan, or 'lerrotated, giving origin to the heroes of distant times, to the divine man involved; or else, to the evolved animal-man. Product of the "racial sin" of the divines, of a fall, of a defeat (voluntary?) from which no living person on this planet has emerged. Therefore, the racism of the Hitlerists consisted in an attempt to return to the pure origin, going back to the fatal current of Destiny.

towards the polar origin of the divine species, by limiting the race and blood. regenerating the strains by means of an image-meta, a model for selection.

-A planned, voluntary return to the Great Ancestor, to the ideal of perfection, which in the Hitlerites became the blond, blue-eyed, Nordic man. A ready-made creature of the human species, a regeneration of blood, biology and spirit. Because the spirit, too, needs a higher envelope in order to express itself, just as Bach's music, for example, is best played on a stradivarius violin. And "because only the noble can ennoble". The Germanic word. Adel, comes from Oda1 and is a force that proceeds from the god Odin, Wotan, Quetzalcoat1, Wakan-Tanka.

This was what was taught, with the intention of producing a mutation, in the magical-alchemical laboratory at Wewelsburg; S.S. Initiation Castle. The creation of an aristogenesis, the regeneration of the German race, which, being closer to the image-meta, was less mongrelized.

Thus understood, racism, in its exact perspective, allows us to understand that National Socialism has no reason to exclude itself from the mestizo countries of the ill-named Latin America, its application depending only on the greater or lesser degree of racial mixing achieved. Chile, at least, was at the time of the great Hitlerist epic in conditions to be a National Socialist country, due to the unique situation of its even mestizaje and the possibilities to overcome it. For this reason, it came to have one of the most important Nazi parties in the world, after Germany. And this is also why the enemy unleashed his diabolical fury here, producing the most dreadful massacre of young National Socialists in 1938, compared to which the Munich putsh and the massacre of the Iron Guard in Rumania pale in comparison.

"RAZA CHILENA"
(by Nicolás Palacios)

For the reflections, here synthesized, on the antecedent History and History, for its special ethnic configuration, for the subsequent immigration of Germans in the south of Chile, this country constitutes (or constituted) an exclusive case in the America called Latin, which does not mean that Argentina, Uruguay and the same Paraguay, that is to say, the "Southern Cone", especially, and also the other countries of this America, do not have capacity (or they had it) to overcome the entropy, almost always fatal, of the mestiza. Because they possess, or possessed, sufficient quantity of white blood. Chile was never, and still is not, a "Latin" or "Latin American" country. It was an Indo-Germanic, German-American country.

This was the thesis sustained by an extraordinary researcher at the beginning of this century: the Chilean doctor, Nicolas Palacios, in his book "Raza Chilena", almost completely unknown at present, also a victim of the Great Jewish, Masonic, ecclesiastical, Masonic-Christian Conspiracy. Having been the most enthusiastic exponent of the martial virtues of the people and of the "Chilean race", Dr. Palacios has been voluntarily ignored in schools, universities and even in the Armed Forces, plagued by Masons. However, it has become, in a way, compulsory in Chilean education, the dreadful book of Anne Frank.

The work of Nicolás Palacios, written with scientific method, because its author was a scientist, with ample historical, anthropological, ethnological, sociological and philosophical erudition, besides being ignored, has been ridiculed, using the typical lies and trickery used by the enemy of the white man and of the race in this planet.

El Dr. Nicolás Palacios.

His extraordinary work, "Raza Chilena", has been defied and destroyed by the Great Conspiracy. It is absolutely praised in Chile today. It deals with the Jewish problem.

Published in 1904, the book "Raza Chilena" has been reprinted only once and is rarely found in libraries and antiquarian bookstores. It has been made to disappear. It will not be difficult to discover the real reason for such animosity: the Great Historical Conspiracy, the Jewish power and its total control of life in the Americas, North and South, almost from the date of Columbus' "discovery", a control which became definitive, absolutely, with the misnamed "Independence" of the American peoples.

When "The Protocols of the Sages of Zion" were not yet published, in the year 1904, Dr. Nicolas Palacios makes references in his book to the Jewish problem. He affirms

The author of a scientific, philosophical, political or economic theory should be investigated as to its author's racial origin before studying and then applying it. If he is a Jew, the doctrine will be fatally harmful to the non-Jews....

This was stated by a Chilean writer at the beginning of this century, in the most extraordinary book ever written in our Castilian language, the only one that has a
The only one destined to be immortal, if it had been supported by a whole people. But, "the weight of the night", the sense of ridicule, the lack of imagination and the moral cowardice of the Chilean, plus the Great Conspiration, have prevented it. For the ethnic reasons explained here, there is no doubt that this book could only have been written by the Chilean people.

It could hardly have been in Chile or in any other country, not even in Spain. It could hardly have been in Europe, since the same book of Count Gobineau, "The Inequality of the Human Races", which Nicolás Palacios may have known, does not deal with the Jewish problem, being Gobineau's weak and suspicious point. Only in Germany could a book like "Raza Chilena" ever have been written. And it is curious that Alfred Rosenberg's "The Myth of the Twentieth Century" resembles it even in its defects, which are quite few, after all.

Palacios sustains the existence of two Spains; one, the aboriginal, perhaps negroid, the one that Gobineau would call yellow-phinean, of the inhabitants of the proto-history, prior to Rome, of small and dark beings; the "Etruscan Europe", of Rosenberg. Then the Goths burst in, in several waves, around the fourth century of this Era, with the Vandals, the Suevi, the Ostrogoths and the Visigoths. They reigned there for more than four hundred years, dominating the native population, already mixed with Romans. The Visigoths

-The "Wise Goths", "Wise Gods", because Goth comes from **Gott**, God in German, just as "White Gods" is a transposition of "Visigoth", from Weisegoten - dis- plaze the other Germanic tribes, taking over the whole of Germany.

Spain. becoming, up to the present, the substance of heroic, chivalrous and warrior Spain. All the aristocratic Spanish aristocracy, Castilian, is of Viking origin. The word hidalgo, hijodalgo, which means "son of the goth", "Son of God", is a contraction of "son of the goth", "Son of God", precisely. It is this blond and white Spain. For the same reason, it is against this Spain that the sinister weight of the Great Jewish Conspiracy, its ethnic hatred and its black legend is unloaded, as we have been able to see ourselves, after Palacios. In truth, the last weapon to deubar Visigothic Spain has been the mixture of saints, with the appearance of the "marrano", the converted and mixed Jew. By taking advantage of the indebtedness of the ruling high-dalgae class, impoverished by usury, the Jew has been introduced in marriages into the stream of the Visigothic san- grc aria, paralyzing it from within.

According to Palacios, the mixture with the Moor, who is not Semitic, but Numidian (who knows if there were not even Vandals among them, or "blond Libyans") is truly po- ca. And the Visigothic lineages are preserved, despite the conversion of some of them to Mohammedanism. Palacios gives their names, barely disguised. For the Visigoth, an Arian rather than a Roman Christian, it was all the same to him to convert to Inahommedanism, as long as he preserved his blood, in whose flow circulated Wotan, Freya, Baldur and the runes. We know today that these Gods and these signs all reappear secretly in Gothic Art, in the Gothic Cathedrals, especially when the Great Conspiracy has tried to make us believe that the cathedrals have nothing to do with the Goths and it has been a mistake to call them Gothic, for the mere fact that the ribbed or pointed vault is not their creation. The cathedrals were built by Corporations of initiated artisans, not by Christians. They were protected by the Goths, among them, the "damned" **Cagot**, or "dogs" of the "Goths", according to Otto Rahn ("ca" is can, dog, and "got" is goth; it is God), inhabitants of the Pyrenean Languedoc. "Dog", in this case, was the highest degree of the

initiation of these secret and wise craftsmen, faithful to **Wotan**, the **two other** lower grades **being** "Fox" and "**Wolf**". **Dog** is also the faithful companion of the **Aryan God, Hithra**, as the Wolf is of Wotan. The bullfights, in Spain, would be a degraded, that is to say, exotericized, remainder of the sacrifice of the bull in the esoteric cult of Mithra, taken to Sparta with the Roman legions, for sure. Thus, and correctly understood, the Gothic Cathedrals are far from being the Christian temples they are believed to be, being monuments secretly dedicated to the Germanic God **Wotan**. For the Builders-Initiates, even more so for their Gothic patrons, it was not difficult to do this, for they knew that Christianity had broken into the stone temple of the Externs- teine, stealing the crucifixion of Wotan in the Ir- minsul Tree, as well as appropriating the main elements of Mithraism, Judaizing them.

The highest Gothic caste, from which the Visigoths ele-
The kings of their kings of divine origin were of Baltic, Nordic-polar ancestry. In Spain, the leaders of this **sacred** house of the Visigoths belonged to an esoteric circle, calling each other "Aces", revealing to us that they perfectly preserved the knowledge of their mystic-divine origin, connecting themselves with the Aces Wotan and with the sacred ancestral City, Asgard, residence of the polar, hyperborean Aces. In the lost original Hyperborean language, from which Sanskrit derives, the name Asgard - City of the Aces - has given birth to that of Agartha, or Agarti, the mythical City, also hidden today, residence of the Aryan Hindu God, Vishnu, white and blond. Indeed, Asgard and Agartha are one and the same, as are Wotan and Vishnu. And as are the Aces and the Vanes, from whose mixture the Germans originate. And, therefore, the Goths and the Visigoths. Also the Pandavas and the Komvas, of the Mahabaratha War. The Aces and the Vanes have an extra-stellar, divine origin. Hence the Visigoths and then the Merovingians (also the Frisian-Araucanians) considered themselves to be of divine origin. And it is

It is this knowledge that the Jew has tried to make disappear from the surface of the visible world and from the "death of blood" of the Aryans, of the whites, at the same time that he appropriated it, to include it, deformed and disarticulated, in a farrago of inventions and an **accumulation** of fantasies and hoaxes that now become his national *history*.

As a way of demonstrating the objectivity of the statements made here about the Goths, their art and their origins, we will say that many of them also appear in the book of a staunch anti-National Socialist author and pro-Jewish fanatic: "The Gothic Mystery", by Gerard de Sede. He confirms the above with reference to the Goths and the cathedrals, writing that the medieval builders received their inspiration and initiation from the Goths, from the God Wotan and the Runes. We could also think that the Templars, to whom we would owe much of the financing of the construction of the cathedrals of the Middle Ages, thanks to their trade in silver, secretly brought from America, could even have been converted, in the end, to Wotanism. And to say Wotan is to say **Rune**. They would have been on the verifiable contact (De Mahieu) with the Vikings of Tiahuanacu, in addition to the Corporations of Builders, which they employed. This would have been one of the important causes, if not the most important, for their destruction by papal Rome, together with the desire to make their confraternity disappear from the visible world, with an unclear origin and curious contacts. A desire for purification, reorganizing secretly somewhere on the planet.

Now, the conquest of Chile, in the extreme south of the American continent, had to be carried out by the visigoths of Spain, says Palacios, because the war was continuous, gave no respite and demanded all the skills and mettle of a caste of warriors, who loved

adventure and war, for honor and glory. This is how to Chile comes the best that still remains to Spain of its Visigoth lineage. And a Chile mixes obligatorily with the aboriginal picunche and with some very few araucanos aguerridos, whose ancestor (this we say it us, Toribio Medina y Gay) was also Aryan, Frisian, hyperborean. Palacios' mistake is to confuse the semi-animal picunche with the once superior Araucanian.

Palacios refers to the "even mestizaje" of the Chilean people, calling it "race". For *me*, no mestizaje can be considered race. Palacios exalts the goodness and greatness of the "Chilean race", product of that imagined mestization of the Araucanian and the Germanic Visigoth, giving abundant evidence of the Gothic influence in the language, in the pronunciation of Spanish in Chile, in the customs and ideosyncrasy. For four hundred years the life in Chile has been that of a military fortress, with a weapon at arm's length, tilling the land while at the same time fighting, not having wealth in view, which there was none, but the honor and glory of combat, as sung by Don Alonso de Ercilla in his aforementioned poem of gesture. For all these reasons, the Jews, the "marranos", with their "encomiendas", or black slave market of the Africa and their usurious trade, did not immediately enter Chile. Here they ran the risk of losing their haciendas along with their lives. They entered as the territory was pacified, mostly in the 18th and 19th centuries, to invade us almost completely at the present time. The American "Independence" has been fulfilled so that the Jew could take possession of this continent, a conspiracy hatched in the French and English Rhyatian Lodges, especially in the Lauturian Lodge of London, to which all the so-called "Fathers of the Fatherland" of the invented South American nations belonged, including the "Liberator" Simón Bolívar.

Until very recently in Chile, the ruling aristocracy was white, often blond and blue-eyed, with no direct German, Dutch or Dutch ancestors.

Neither Spanish nor English. Of pure Castilian, Hispano-Visigo- or Basque-Nordic stock, /only. Less and less, then, the decomposition of the ruling class and the rise of the involuted mestizaje, with the mongoloid element of the Picunche and the Araucanian in decadence, already late, and of some blacks. are also making Chile an Asian and colored country. unfortunately.

IF HITLER HAD SUCCEEDED

We wish to be able to demonstrate that National Socialism would have been not only possible, but also beneficial and even saving for the South American Puelalos, especially Chile, in the Southern Cone of America. For it would have forced the mestizos to go back to the tropia of an almost always fatal inviution today, imposing the practice of eugenics, in order to scientifically cleanse the blood, so to speak, and the "race", mixing it only with whiter elements, thus being able to preserve the blond, Aryan, Visigothic stratum. This would have been the case if Hitler had triumphed at that stage of the Great War (which has not yet ended) and National Socialism had been imposed worldwide. This is why we were in favor of his transcendental deed. and especially the ancient Visigoths, who still exist ~~here~~ those who still listened to the **Voice** in the **Memory of the Blood.** And because, in addition, we knew that The Hitlerites knew these ethnic secrets of His- tory and Ante-History, even if they could not openly declare them.

But the enemy also knew this. And therefore his war against the "Genius of the Gentiles" took on unprecedented, planetary and even cosmic dimensions. The Demo-

The very existence of the Empire, the existence of Evil on earth, was at stake. We should not be surprised, therefore, that after the last **Great** War, with the total - albeit momentary - domination of the Jew, a totally opposite racial policy has been imposed, with its abysmal malignity. It is destined to produce the most aberrant mixtures of races and bloods, having as its ultimate aim the imposition of the Negro and the animalization of man, especially the Aryan, upon the earth. The total degeneration, the disappearance of the white. The Church of Rome, always, and even more so now with its slave Pope, the Masonic Lodges, Soviet Russia, preach the "equality of all men", the indiscriminate miscegenation, the protection of the inferior, the degenerate, the alcoholic, the handicapped, the crippled, the imbecile and the mongoloid. Everything is directed to protect and preserve them, being able to mix them more and more among themselves and also with the healthy, without there being any help for the racially superior, for the better endowed. On the contrary. This is the policy pursued by the Jew, the owner today of all the world's publicity organs, of finance and international banking, behind all the governments, the churches, the occult, Hindu, Orientalist, Gnostic, Masonic and Masonic sects, Rotarians, Lions Clubs, and so on. The plan is to bastardize the world in its entirety, to exterminate the Aryans, transforming them into animals, something already almost achieved, even in Germany. In this way the Jew will maintain stable, almost unmixed, his own "anti-race," following a strict ethnic discipline, a kind of aristogenesis, a phatic religion of "anti-blood," which will enable him, in a degenerate and brutalized world, to become its king. The king of the slaves of the world. Because, as the saying goes: "In the land of the blind, the one-eyed man is king". In a world of ethnic degenerates, of animalistic bastards, where the white race no longer exists, the pure Aryan, who religiously and fanatically preserves the "impu-

The "anti-sangre" and "anti-race" (which almost becomes purity, in the opposite extreme), he will be the master, he will be the king.

THE JEW

What is the Jew? I do not believe that any Aryan today is in a position to fully decipher this obscure mystery. The traces of the origin have been skilfully and skillfully erased. Despite constituting an "ethnic cloaca," a "cloaca gentium," the Jew has remained unchanged through the millennia. Hitler defines the Jew as follows: "He is not a nomad, he is a parasite," who encysters himself in the life and body of other peoples and sucks from them their vital creative energy. Like a Dracula, he drinks their blood. And thus it is given to him to last forever. The Jew does not create anything of his own, he only plagiarizes the creation of others. of the Aryans, and corrupts it. The Bible itself does not belong to him, a truncated, adulterated, expounded document. As if by thousand- gro. are preserved in Genesis some antediluvian memories, which have managed to survive the forgery. The Jews knew bits and pieces of this complete document, later called "Genesis", and appropriated it, as they did many centuries later with the Germanic Kabbalah, with the "Book of the Three Mothers". For this reason, it is not possible to discover anything authentic in the Bible about the true origin of the Jew. For the Jew is not the Hebrew, nor is he the Israelite, both terms referring to other beings, to other things or situations; to the giants, the first, to a race of giants that have disappeared, and "to the combat with the Angel", the second, an initiatory test, or a traditional reference to a hermetic degree of the

extraterrestrial Aryan tradition, which occurred in a "prologue of History", as Berdaief would say. They have nothing to do with the Jew of the **Kahal**, that we know today, with the Zionist, nor with the "Wise Men of Zion". That is why, in my book, "The Golden Cord, Esoteric Hitlerism", I have said that a Hebrew could become an Aryan again, because he was always an Aryan and never a Jew. Like the rest of today's Aryans, he has become mixed up, forgetting his divine origin. But he could wake up.

I once asked Professor Herman Wirth, founder of the **Ahnenerbe**, about the Jew, and he gave an extraordinary, illuminating answer. According to him, the Jews had been a tribe of slaves, who lived on the periphery of the great Aryan civilization of the Gobi. As is known, this civilization flourished in what is now the Gobi desert, after the disappearance of the Hyperborean world from the North Pole. Thus, the original Bible, not falsified, would have referred to the mysterious destruction of the Gobi civilization, when it mentions Gog and Magog, cities that had to do with the Gods, according to Gerard de Sede. According to Wirth, the Jews follow as slaves the **Exodus** of the Aryan Goths, of the Hebrews (giants), of the Israelites (initiate-priests, "born twice", Aryans precisely). **The Gothic tribes are Twelve**. "People of divine origin", "extraterrestrials", are the attributes of the Goths. And the concept of the "Messiah", had to do with those of the **Avatára, Tulku and Boddisátva**, as it will be applied in India and Egypt, where the Aryans descend in their Exodus. In the conquest of India they applied strict racial laws in order not to mix with the Dravidian Negroids, establishing the caste system, which in the Sanskrit language is **Varna**, which means **color**, precisely. The life of the first two castes, the King and the Brahmin, will be governed by the "Code of Laws of Manu", which Nietzsche admired so much. Genesis also speaks to us of the **Nephelin**, as of beings from the asteroids, remnants miraculously saved in the Bible from a tradition that has been made to disappear and which corresponds to a tradition of the Nephelin.

d- to the Aces and Vanes of the 1' pope already Nordic-polar of the Edda.

"The Hyperborean **Exodus** extends and branches out all over the world: India, Europe, Egypt. On the friezes of the Egyptian temples are the **Tamehu**, white, blond, blue-eyed warriors. We have already said that there also, for the first time, the Hebrew name is found, sig- nif:'cando giant. Ramses 11. **Tamehu** himself, defeats the Hyperboreans and takes them prisoner. With Moses, who was not Juçi io. but an Egyptian priest, called Osar- siph. they manage to escape, carrying with them the Ark of the Racial Law (el "Code of Manu") and the ' Rod of Power (the "Para of Aaron"). the **Vril**, with which already the Persian Aryan God. Thousand a, has struck the Rock and drawn water. Moses does the same, or the same thing is attributed to him. In all this there is a great mystery, having been transposed as- tutely regions and names, to the point of locating these stories in the deserts of the Middle East, with the "forty years of wandering in the desert" and the "loss of ten tribes of Israel".

The destruction of the Gobi civilization has been pro- many thousands of years ago. The conquest of India by the Aryans alone is almost seven thousand years old. And Genesis is an antediluvian document completely plundered and í'alsiticado. Whether the Jews were a tribe of slaves, already existing in the Gobi civilization, or whether they were only to be found in the Middle-Oriental regions of Asia Minor. at the arrival of the Goths-Hyperboreans, the **Tamehu**, the Amorites, it is by no means possible to know for certain. Whether they appropriated the mythical and fabulous documents, repositories of traditional Aryan knowledge and history, in the Gobi Exodus, in the Caiassos, in Egypt, or among the peripheral elements of the civilizations of Ur and Canaan, is of little importance. What has undoubtedly happened is that they have appropriated everything, destroying it, falsifying it, changing the spiritual and geographical sense and making the extraterrestrial connection and the 'origin' of the

The great drama of the descent of the **Nephelin** Aryans to fight the Demiurge in this star. And they transform those documents, which they have called "Bible", in a hodgepodge of aggregated stories, in "Jewish national history", where they appropriate and falsify everything, making David, Solomon, Moses, appear as real beings and as Jews. When they were not. Thus, the Bible is the most false document, more lying, more full of poison that has circulated among men. And it is so in the Old and New Testament. Thus Luther also saw it, in one of his moments of lucidity, when he accused the Jews of being "falsifiers and evildoers".

The Jews also appropriate the science of the knowledge of the Aryan racial laws, of the purity and sacredness of the blood, a secret that was kept by the caste of the priest-kings and warriors, the heroes and demi-gods, already involuted after the disappearance of Hyperborea and the destruction of the Gobi. And they make use of this knowledge in order to preserve an anti-blood and anti-race, an **impure continuum**. After the "Renewed Covenant," the laws instituted by Esdra, Nehemiah and the Great Synagogue for the Jews are as strict as those of the "Code of Manu" for the Aryans of India. And they apply equally, from birth to death. Circumcision itself originates in the adulteration of a knowledge of the **Runic Kabala** of the Aryans. In the "Talmud" - "Sanhedrin". Jud. p. 88 - it is said that "the name of his God, **Shaddai**, is inscribed on the flesh of a Jew only by circumcision." "The form of the word **Heh** is found in the nostrils; the word **Daleth**, in the curvature of the arms; and **Ain**, in his sexual organ; but only when the foreskin has been cut off. That is, circumcised. Only then the name of his God has penetrated into the flesh of the jud/o. At the end of this study we will see that it is now being attempted, by electronic procedures, to introduce the name of God into the flesh of non-Jews as well.

The number of the Beast of the Apocalypse, 666, is **the number of the** Beast of the Apocalypse.

It is also some miraculously surviving fragments scattered in Genesis that shed a bright light on the shadows of the Jewish mystery. They speak of the **Sheidim**, strange and monstrous beings, products of the mixture of the human being with the animal. A provoked involution, perhaps an **ideovariation** acting on the contrary, in an **ideoplasm**. This is a technique that only the Aryans could correctly apply to produce a mutation towards the highest and tending to a Second Birth, to recover something that was lost: the divinity of the Man-God. But that now would have been used malignly for a **sin of the species**, conforming a demon-man-animal. That this is possible, the Bible seems to insinuate with the **Sheidim**.

Mestizo is not the appropriate term to refer to the Jew, since it generally indicates a mixture of elements that are not completely opposed. Here there has been a conjunction of dissimilar, dissimilar materials. A mixture of Abrahamites, Semites, Mohabites, Edomites or Iduineans, Syriacs and Turanians, as well as Amorites. The original Semite may have been a mixture of yellow and black. The authentic Semite is the Bedouin, emigrated from the deserts of Arabia, already untraceable in the times to which the Jews attribute the Bible. The one we now know as a Semite retains the Bedouin's nomadic characteristics. Only in part does the *Jew* possess sii blood. Today the Jew could be described (always incompletely) as follows: Five percent of his admixture is composed of **homo syriacus**, the Hittite, round-headed, brachycephalic, "Judaic nostrils," cor-.o, stocky; another five percent of **homo arabicus**, the Semite, the cruel nomad, with an elongated, thin, slender skull, which gives the predominant characteristics of the Jew. Ten percent is of **homo europeaus**, the **Amorite**, tall, white, blue-eyed. The Amorite is a Nordic po-

The Egyptians called him Tamehu, as we have said, and reproduced him on their friezes and stelae. The Egyptians called him **Tamehu**, as we have said, reproducing him in their friezes and stelae. Nefertitis was an Amorite. The remaining eighty percent of the **gen- tium cloaca**. is composed of an undefined mixture, with conti- gious traits and qualities.

Gottfried Feder, in his study on the Jewish, believes that it is not possible to go back more than two thousand six hundred years in search of sure, or visible, traces. However, as far as is known, their characteristics were the same centuries before. It was Nehemiah and Ezra, together with the Great Synagogue, who two thousand six hundred years ago established the inflexible laws that governed the life of the Jew, from birth to death. Racial laws, in particular, expelling from the community and from the geographic region any Jew who does not comply with them, or **who has not complied with them prior to** their dictation (which makes us believe that they existed even before), dispossessing individuals of other tribes, peoples or bloods. Thus, from that date to the present, it can be said that the *Jewish* genes are always the same, forming more than a people, a blood community, a family, where the genes of Nehemiah and Ezra continue to run in the veins of any typical Jew today. That is why the Great Synagogue and the **Kahal** do not need to transmit described orders for every Jew to fulfill them, as infallible slogans and absolutely believe, for example, that there were six million Jews "gassed" by the Nazis and proclaim it to the winds, as if he had been an eyewitness. Because the Jew is a biological robot that reacts immutably, telepathically programmed to fulfill the orders given through the bloodstream, by the Ciran Synagogue, or by the regional **Kahal**, so that there they become active and dynamic, in his "anti-blood". And the "truth", thus activated, will always be an "organic lie", the lie of its origin, of its falsehood, of its "organic lie", the lie of its origin.

The *Jew* wants to impose on himself, as an **impure continuum**, so that through his self, the **Word** of the Demiurge, of the Shadow Archetype, which they have called Jehovah, may acquire expression. In this science, or racial technology, of an "anti-race" and an "anti-blood", the explanation must be sought and a way found to the secret of a centuries-long survival, despite their abysmal intermingling. But for this to be fully possible, the Archetypal Demiurge needs to destroy the pure races, to put an end at once to the Aryan race and to the possibility of transmutation, redemption and regeneration of man and the earth, in the only sense in which these concepts are to be understood: **the ethnological, racial one**. For the same reason, the purification of the race and the blood of the Aryans comes to mean the death and destruction of the Jew, lacking all possibility of coming to dominate the world, imposing his **Golem**, through his **continuous impurity**.... Thus, we reach again the key point, ontological, of the immense conflict that broke out between Ht1-r, the **Avatâra (Feasts of the Aryans)** and the Demiurge-Archépo-Jeho-ha, with its representatives and robots on earth, the Jews of Zion.

Where other mestizo peoples, and much less mestizo, have disappeared in the fatal entropy of the mixture, where the white race itself seems to be precipitating itself into the errors that will lead to its extinction, the Jewish people persists, **by the demonic will to maintain an impure continuum, by means of** the tenacious discipline of the "science of blood", of a "racism" that they stole from the Hyperborean Aryans, emigrated from the Gobi; from the **Aces, from the Neplielin**. They have appropriated it, to achieve the opposite. From time to time, the Jew will have to drink Aryan blood, mixing with non-Jewish women, in a regulated proportion, as a Dracula "drinks his blood", which quickly dissolves in its **impure continuum**, without ever losing its **transcendent** characteristics. And we say transcendent, because in all this there is something more.

that a pure biological and materialistic science, neither Aryan racism, nor Jewish "racism" has anything materialistic about it, as might be misunderstood. It is through pure blood that the Aryans establish contact with their Gods and **listen to their Voice**. In miscegenation, in the purity of blood, they lose the capacity for that contact with their spiritual world -- what Jung misnamed "Collective Unconscious" (Aryan, in this case) -- with the Gods of Light. And it is through this **impure continuum** that the Demiurge, or Demon, can communicate with his acolytes, the Jews, and they too can hear his voice. Through what Jung, likewise, called the "Jewish Collective Unconscious". All in the same way as the Monotheistic God of the Shadows who fights against the Gods of Light, and not only on earth. A struggle of high powers, begun in time immemorial, where the representatives of the Light, the Sons of Light, have fallen into this star, entering into self-forgetfulness, by "mingling with the daughters of men". In the meantime, the *Jew* establishes with his Demiurge a racial, "racist", "anti-racial", "renoracial Pact", by which he must remain essentially impure, so as not to absorb more Aryan blood than necessary, in order to carry out that operation of black magic - alchemical in reverse - which will allow him to remain **ontologically impure**. a **Sheidim**. (Also in a "biblical" metaphysical sense). So that only in this way will communication be expedited and the promise Jehovah made to him to deliver to him the dominion of the world, together with the destruction of the divine Aryans, of the last Neplielin, will be fulfilled.

Already the Führer, Adolf Hitler, said it: "The Jew is as far away from the animal as possible". (Because metaphysically so is the **Sheidim**). An artificial product of a **Mind**, of a **Purpose**. It is an "anti-race", artificially created, by means of a Will and a Non-
 p mocracy; that is, of a Government of the Law. In understanding this, one sees how inferior to that Purpose and that Will the Aryans are today: materialistic, su-

They are numb, pusillanimous and cowardly survivors. Faced with a synarchic minority of Zionist fanatics, acolytes of a super-robot-golem, of a Demiurge, whom they call Jehovah, they tremble and give them their most precious treasures, so that they may be corrupted and destroyed. They renounce their immortality. They have become less than animals. They have de- venerated themselves. The Jew r i g h t l y despises them and is nauseated in their presence.

Adolf Hitler tried to regenerate the Aryan race by the strict application of the Aryan racial law, in order to save what was still possible from the immense ethnic disaster of the true Chosen and Divine People. Therefore, he had to face a spiritual and definitive conflict with the representatives of the "anti-race", of the "anti-blood" and of the Evil on earth.

II

THE MAGIC ECONOMICS OF NATIONAL SOCIALISM

With the foregoing, we have been able to give a broader vision, in a different perspective, of the conflict of ages, being able to understand that no people on earth, possessing Aryan genes, could have been excluded from that Great War, which has not yet ended. Chile, like the other South American countries, was involved. We are all committed to life or death, even if we often do not know it with our daytime conscience.

The analysis that we will now make of the other pillar that supports the 'Maciorial Socialist conception, its ethno-economic system, will allow us to understand even 'better the extent of this doctrine, in the light of the desperate situation in which our peoples have been placed.

In order to penetrate deeply into the economic and social system of Hitlerism, it is necessary to uncover the cunning and sinister trap with which the Jew has imprisoned the non-Jewish world: **the interest of capital**. Usury, as the great Hitlerist poet Ezra Pound called it.

Money, gold, money, was in its beginnings, and should be again, only a means which facilitates the exchange of products between **human** societies. Well, the *Jew* has first taken possession of money, of currency, of gold, and then transformed it into a commodity in itself. By the tendency of his Collective Unconscious, he has converted it into an "Einsteinian" mathematical abstraction, so to speak, into an entelechy.

with a life of its own, which reproduces itself through interest. Money has become the most important commodity with the creation of the capital market. From an intermediary that facilitated the bartering of products - which it should always have been - money has become the center of the economy of countries, the most important thing in the life of men and society. Thus its true owner, the Jew, has been enabled to control the whole activity, first of commerce, as its intermediary and director, and then of the life of all beings on earth. By means of interest-bearing loans, of Usury, he has succeeded in intervening, moreover, in an artful, underhand way, in the health of the superior race, poisoning the Aryan blood with his ponzy. From the most distant antiquity, the Jew succeeded in penetrating the lineages of the ruling classes, of kings and lords, indebting them, imprisoning them in the nets of his usurious trap of loans at interest, in order to snatch away their property, and to introduce their daughters, dispossessing them with the nobility. Money, the interest of money, has been his weapon, more than two-edged, with which he has been able to destroy his naive, slumbering enemy. The violent reactions, products of a desperate indignation, without method, without knowledge and only momentary, the **progrooms**, could not lead to anything effective. On the contrary, they served the Jew well to exploit the feeling of commiseration in his favor among the Christianized Aryans. The usury trap was a curse, a manipulation of black magic, projected from the dark depths of the Sinagdga, by rabbinical minds, carefully prepared for it.

Only the exorcism of other very lucid minds, of white magic, let us say, might have succeeded in undoing the spell and freeing the Prometheus hypnotized and chained by the Serpent of Usury, taking him out of that infernal encirclement. That this, as we say here, has come to pass, is included within the miraculous. That it was in truth an esoteric operation

The fact that the propagator of the antidote against the poison of the Serpent of the Usu- ra, against the interest of capital, was a German, a member of a German esoteric society, the **Thulegesellschaft**, is revealed by the fact that the antidote was propagated by a German, a member of a German esoteric society, the **Thulegesellschaft**, and a member of the **Thulegesellschaft**.

-The Order of Thule, with its headquarters in Munich. It was Gottfried Feder, a permanent member of that Society, who was chosen to present the theory and system that would definitively eliminate the "slavery of capital interest. Feder was a Permanent Member of the Order of Thule, another Permanent Member being Rudolf Hess (this may be one of the esoteric reasons why he is still in prison). Hitler, Dietrich Eckart and Rosenberg were Visiting Members. The Order of Thule could be considered as the secret inspirer of National Socialism and of the S.S. Its emblem consisted of a Levira Swastika and a dagger identical to those of the Black Order S.S. Only an esoteric Order of Aryan Magic (not to continue saying white magic) could have successfully combated another, also esoteric, of Jewish Magic (black magic). The Race against the "Anti-Race", the pure blood against the im-pure "anti-blood". And the appearance of a genius of the white race, of the Aryans, a true Messiah, an **Avatar**, as I explain in my last book, already mentioned. That this was also known and expected by the Jews, is stated in "The Proto-Colossians of the Sages of Zion".

And it was what they feared most.

We believe we have been able to demonstrate how closely united are for the Jew his economic practices, usury and his ethnological conspiracy. These practices have enabled him to blend into and penetrate the Aryan race. The transformation of money into a cabalistic entelechy, into a mathematical abstraction, into a **golem** with robotic life, into a powerful deity, has enabled its owner and supreme priest to live on the interest it

produces, without working and "only worshipping his God", as the "Talmud" and the "Thora" command him. The whole world of

the Gentiles, the non-Jews, will work as slaves for the Jew, crawling at his feet, under the whip of money and usury, enslaved to the interest of capital, for the sake of hunger and misery.

That is why the **Interest** is sacred and holy for all the organizations, societies and countries of the world where the Jew rules behind the scenes. Of course, it is not necessary to mention the United States of America, the International Banking, the financial trusts, Switzerland, Europe; let us speak also of Soviet Russia and the communist slave *countries* of Eastern Europe: **all of them respect the interest of capital, and** lend it at very high rates. When debtors cannot pay with money, because they lack it, they must pay with health, with soldiers, like Cuba, or with their raw materials and their territories. In Chile, the Judeo-Marxist government of Salvador Allende **respected the interest of capital and did not expropriate any property belonging to Jews.** Nor would it have done so with large estates or agricultural properties, if the Jew had owned them. But the Jew has never been an agriculturist in the foreign countries where he has become entrenched. Only lender, middleman, banker or trader, laboratorialist (he controls the manufacture and international trade of drugs; "Merk" is Rockefeller's) and industrialist of foodstuffs. He can doubly control the physical and mental health of the Aryans, of the ~~non-Jews~~.

For the military government that overthrew the Marxist government of Salvador Allende, interest and the payment of the interest of capital have also been sacrosanct.

It is not surprising, then, that the antidote prepared by the inspirers of National Socialism should cover in its breadth an extent equal to that of the Jewish poison: race, blood and economy, with the socio-economic and agrarian policy, of "blood and soil", as it was called, being intimately linked. The gold standard was abolished and replaced by the labor standard. The value of money gave way to the value of natural resources and human labor. It became, thus,

to consider the barter of merchandise as the healthy essence of all traditional human economy, returning money, currency, gold, to be what it should have been: a means to facilitate barter, exchange.

Once in power, Hitler refuses to accept usurious interest. Germany had no money to pay for it; she had only the labor of her people and what this labor produced in coal, steel, and so on. The German currency would become worth exactly what this labor and its products were worth. Moreover, and this is the important thing, usury is ended. At the same time the race begins to be cleansed, imposing the Meta-image, the Meta-ideal of the pure Aryan, the Nordic-Polar type (Auslese-Vorbild). And the blow becomes mortal when Gottfried Feder declares that the solution for a country that lacks money to pay its debts, accumulated in gigantic interests, is the declaration of the bankruptcy of the State. For this is the healthiest thing to do, being the destruction of the Gordian Knot of slavery to the Jewish imperialist capital. A bankrupt country cannot be put in prison, as an individual. It can only be declared a world war. And this was precisely what was done with National Socialist Germany, even if it did not declare bankruptcy. Since Hitler and his leaders knew that this would be the final action of the cornered Jew, they had to start preparing for war at once. The tragedy was that Hitler did not have enough time to revive Germany completely, let alone Europe and the white race, with the evil already deep in his blood, in his bones and in his heart. It could not win materially in that planetary war. But it could win spiritually, which, inevitably, by cyclical law, will also result in a material triumph, much sooner than we think. This will be the outline of the triumphant **Führer** and Hitlerism. For the triumph has already been achieved by the mere **discovery of the Enemy**. And the Jew also knows it. In order to try to delay him in his earthly configuration, he has

invented that emotional hoax (emotional explosive bomb) of the holocaust of six million Jews, of the racial crimes and genocides of Nazism. Because, in the face of the thunderous failure of their capitalist and marxist systems, the peoples enslaved by the interest of capital, by usury and constant terror, in the face of **the non-existent possibility** of atomic war, (1) can open their eyes to see the only just solution, the only one appropriate for the non-Jew: the recovery of the **value of labor, the declaration of bankruptcy**, the return to the principles of an Aryan economy and the destruction of the slavery of money interest, in addition to the cleansing of blood and race, pillars which were and are of the National system, the only honest, the only sane one. The just solution for the non-Jew on the planet.

The blow was aimed at the heart of the Great Conspiracy. universal campaign against the white race, against the Aryan man, against the non-Jew. If the National Socialist system were to be fully imposed, by conviction and example, not by the imposition of force or violence, the breeding ground of the Jewish virus, that cancer for the non-Jews, would be totally destroyed. And the Jew would disappear, devouring himself, in the impotent fury of his despair. He would turn the sting against himself, which he will always do if he is isolated and left alone. "For only as a parasite on other peoples can it continue to exist," said Hitler. (The State of Israel itself today lives on the money, research and the workings of the

(1) There are no atomic bombs capable of being carried, or dropped in projectiles. There were only five bombs of this kind and they were the ones that Hitler did not want to use and which fell into the hands of American Jews. One was used experimentally at the Nevada desert, two at Hiroshima and Nagasaki and two are reserved for use against Germany in a future war. Only the Hitlerists are capable of producing the real enriched uranium for a transportable atomic bomb, because they have mastered the science of explosion. The others can only explode an atomic bomb on site, under fire, because they have mastered only the technique of explosion.

the rest of the world, in addition to its extortion of Germany). In no way would it have been necessary to physically annihilate the Jew, in a genocide or holocaust never contemplated by Hitlerism. Hitler only intended to isolate the Jews in Madagascar. The war interrupted this plan.

In the face of the immense danger, the time came for the *Jew* to apply his "Protocol V" of "The Protocols of the Elders of Zion". The crucial moment of Destiny, **of the Eternal Return experienced** in that fateful and prophetic Document. Definitive hour of the times, stellar event that will mark the History of the Universe and of the Race of the Divines and of the "Anti-Race" of the De- miurge, until the end of an Era.

Protocol V" states:

"We are too powerful, everyone has to obey us. Governments cannot make even the smallest treaty without our secret intervention. Per me reges regunt (Sovereigns reign through me). We read in the Law of the Prophets that we are chosen by God to rule the world. God gave us the ability to do this work. If there were a Genie in the field, he might be able to fight us, but a newcomer could not compete with old fighters like us. **AND THE CONFLICT BETWEEN HIM AND US WOULD TAKE ON AN ASPECT THAT THE WORLD HAS NEVER SEEN BEFORE. NOW IT IS TOO LATE FOR THE GENIE OF THE GENTILES.**

This is a shocking prophecy. And

"Protocol VII":

"We must place ourselves in such a condition that we it is possible to respond to any opposition with a declaration of war by the country adjacent to the State.

who has the audacity to cross our path; and if such co-financiers should in turn decide to unite against us, we must respond by declaring a world war.

This was planned long before World War I. Imagine what would happen today if all the indebted South American countries, enslaved to the interest of money and the International Monetary Fund, agreed not to pay any more, and declared bankruptcy!

"For our headquarters are perpetually unknown to the Universe," the Sages of Zion reveal to us in "Protocol IV" of the fateful Document, leaked at the beginning of the century to the knowledge of non-Jews.

And Protocol IX:

"We are warned that the nations may insurrect against us, should our plans be prematurely discovered, but, in anticipation of this event, we may rest assured that we shall succeed in bringing into action a force so formidable as to make even the bravest of men tremble. (They mobilized 120 countries against National Socialist Germany in the Second World War, a war which they provoked and prepared for well in advance, because they had it ready in case of the appearance of the Genius of the Gentiles, as has been revealed to us) We will cause **all the cities of the world to explode...**".

A situation that they also have prepared for the inevitable resurrection of Hitlerism.

THE LIRRO OF THE PROPHECIES AND SOUTH AMERICA

Several books have been considered prophetic in the course of human history; the "centuries" of Nostradamus, the "hexagrams" of the "I-chin", plus some others. Almost all of them are obscure, depending almost always on the technique used in consulting them and on the good faith of the querent; that is, on what in English has been called **wishful thinking** - on what one thinks one reads, or what one wants to read. But there is a very clear and direct book, which tells us straightforwardly what will happen to us, giving a sense, moreover, to what has already happened to us. Its prophecies are always fulfilled, even when the reader does not wish it, even when he covers his eyes so as not to see it. This book is "The Protocols of the Learned Elders of Zion", about which so much has been written and polemicized, the *Jews* assuring us that it is false, without ever having been able to prove it. The true origin of this book is unknown, and it could have been leaked from a Zionist-Masonic Congress, held in Basel in 1987, or from a parallel meeting of the Jewish Lodge **B'nai Brith**. Its first edition was made by Sergei Nilus, in Czarist Russia. The veracity of this book has been proven by the events of ancient and contemporary history, as Henry Ford affirms in his famous work, "The International Jew". And just as we are doing it ourselves in this exhibition. To destroy the last doubts of those who do not want to see or believe, the current events in the so-called "Third World", especially on the South American continent, should suffice. For in "The Protocols of the Elders of Zion" is revealed, even in detail, the policy that the Jew will follow with the nations, once he has secured his dominion over them. For our peoples, it constitutes the most sensational prophecy ever made.

In this regard, we recommend reading the recently published text: **"The Protocols of the Elders of Zion and their Application in Chile"**.

The case of Chile has become a clear, irrefutable proof. During the Judeo-Socialist-Masonic government of Salvador Allende Gossens (Jewish by his mother) and before that government, during the Christian democracy of Frei and his Jewish Minister, Chonchol, also today with the government of the Military Junta of Pinochet, the application and fulfillment of "The Protocols" is clear, visible, irrefutable. The Pinochet government has imposed on this country the Monetarist system of the Chicago School, of the Jew Milton Friedman, and with it has destroyed traditional agriculture, which Frei and Allende began but were unable to achieve. It has also destroyed our incipient national industry. The indebtedness with the International Jewish Bank has reached nightmarish figures, even though they are always lower than those of Argentina, Brazil and Mexico, since these countries are larger in terms of population and geographic dimension. Latin America's foreign debt now stands at three hundred and sixty billion dollars. And this debt increases with new loans, destined only to pay the interest on the initial loan, never the debt itself. In a word, what we have been referring to here, and which is of incredible, hallucinatory certainty, in the revelation of "The Protocols of the Elders of Zion", having been planned almost a century in advance; or rather, it was only a century ago that this sinister Plan filtered, as if by a miracle, to the knowledge of a public already in its majority unbelieving, stupefied. This does not cease to constitute the most sensational prophecy in the entire known history of man on earth.

It is not necessary to go into a description of the system here. Jewish monetarist subject, since it is well known, the more -still suffered, in its great simplicity. For the rest, we have already done so. It is a matter of giving preference to the

Capital, to the speculation of money, the essential commodity, which is to displace all others, in a super-capitalism, which "will be governed by its own laws of supply and demand. And this in appearance, since "no one knows the exact location of the headquarters" from where the true master of money directs everything. Banks and finance companies are transformed into temples where the faithful go to pay their tribute in money (interest) to the "Chosen People", to the Golden Calf, to the Dark God, obtaining in exchange the benefits of a momentarily high, though illusory, interest. In this way, industry, healthy commerce, agriculture, are rendered unprofitable, in the face of the spirit of a usurious interest, obtained without working. Until it all ends in the bankruptcy of the finance companies, of the banks and of the local financiers, who have surreptitiously withdrawn their capital abroad in time, or who have also been deceived by the real masters of the whole game, who pull the strings from their secret quarters. The Creole financiers are going to jail, from where they will soon be released.

The non-Jewish ruler who agrees to fall into this trap does so for three main reasons: Either he is a fool, who believes in the goodness of the system (if he had read Palacios he would know that "a system propitiated by a *Jew* will always be harmful to a non-Jew"); or he is too clever, believing that, even if he accepts it today, tomorrow a miraculous situation will arise that will allow him to change course and escape from slavery; or he is an ambitious calculator, sick with power, a typical Latin American dictator, who intuits that he will only be able to remain in power by surrendering himself body and soul to serve the interests and designs of international capital; that is, of the international Jew. The Jew will keep him in power as long as he serves him and will miserably expel him, like a muppet, once his plans and ends have been fulfilled. What the case of Chile will be, it is of little interest to find out, when the country has been destroyed between the two countries.

The only thing to do is to read the "Book of Prophecies" once again, to try to find out what is still in store for Chile and South America, in the world Jewish strategy. Surely misery, as the necessary broth to make triumph the cancer of the Marxist revolution, slavery, which the Jew prepares for this part of the world, mainly through the Marxist Catholic Church. Unless the peoples wake up, in a last instant, and try to apply the antidote of National Socialism, even if this leads them to sacrifice. The heroic and extreme action will always be preferable to slavery. And even if the Jew were to impose his imperialistic power, his plan would have failed, for he would have lost another ideological and spiritual war. For he would have been **covered**. His triumph would be choked, being only apparent. **The peoples would have awakened.**

As a simple way of summarizing the current situation of the South American nations, and at the same time of demonstrating how valid the National Socialist solution is for this continent, we shall transcribe the Protocols which are being applied here and which bring us to the brink of the abyss. It can thus be seen that the Chicago Monetarist School is nothing more than the realization of a few Protocols of the Learned Elders of Zion. Milton Friedman, or whatever his real Jewish name is (for example, the real Jewish name of Kis-singer is Abraham ben Eleazar), has done nothing more than put them into practice in Chile, England and other countries of **goim**, of non-Jews. For this, he has been awarded the Nobel Prize in Economics.

PROTOCOL VI

"In order to ruin the industry of the Gentiles and to encourage speculation, we will foster the love of unbridled luxury, to which we have already given impetus. Weaken-

The government has been able to statutorily destroy the basis of production, sowing the seeds of anarchy among the workers and encouraging them to continue the abuse of alcohol. At the same time, we are using every means to drive intelligent gentiles out of the country..."

In Chile there has been a great exodus of intelligence.

PROTOCOL IV

"In order that the social life of the Gentiles may be completely ruined, we must place trade on a speculative basis. The result of this will be that the wealth of the land, which is collected through production, will not remain in the hands of the gentiles, but will pass through speculation into our vaults..." (Today, the old agricultural estates of the Philistines, all indebted to the Jewish banks, work only to pay, barely, the interest on the debts contracted, which they were urged to acquire). "The struggle for supremacy and speculation in the business world will produce a demoralized, selfish, heartless society. This society will be completely indifferent, even inimical to religion and disgusted with politics and politicians. The drive for money will be its only guide, making a veritable cult of the material pleasures it can procure..."

What a faithful portrait of the Chile of the last decade, having been fostered by the press, television and propaganda countermanded by the Jew, or by his lackeys, entrenched in high places.

PROTOCOL VIII

"We will surround our governments with a real army of economists". (From the Chicago School, in Chile, it was the Christian Democrat government of Frei that signed an inter-university agreement with the Chicago School of Economics.

University of Chicago, an agreement inherited and respected by the Pinochet government). "This is the reason why Jews are mainly taught the science of economics. We will be surrounded by thousands of economists, bankers, merchants and, what is even more important, millionaires, because, strictly speaking, everything will be decided by money..."

PROTOCOL XX

"The loans contracted abroad are like a leech, which cannot be separated from the body of the government, until it falls off by itself, or until the government does not succeed in freeing itself. But the governments of the Gentiles do not wish to rid themselves of this leech; on the contrary, they increase its number, and here is why their States are condemned to bleed to death. For what is a foreign borrowing but a leech... (What an extraordinary revelation, made almost a hundred years ago by the executioners to their future victims to the American people! And what ignorant or criminal

our rulers appear in the face of reality and its manipulators! Because who is behind the International Monetary Fund and the external loans?) "... Every loan shows the weakness of the government and its inability to understand its own rights. Every borrowing, like the Sword of Damocles, hangs over the heads of the rulers, who, hat in hand, are unable to understand their own rights.

hand, they turn to our bankers..."

"... All the economic crises that we have organized with such astuteness in the countries of the poor were caused by withdrawing money from circulation..." (In Chile this was done on the express recommendation of the International Monetary Fund). "The State was forced to resort to borrowing. These loans

- They caused heavy burdens on governments, forcing them to pay interest and thus tied their hands and feet.

(The recommendations of the Monetary Fund, **mandated** by the Invisible Government, are being directed for the express purpose of producing unemployment, **social rebellion and, in the** end, chaos, destruction and totalitarian Jewish slavery, **Kahal** style, as Henry Ford would say).

"The concentration of production in the hands of capitalism has exhausted the productive forces of the people, as well as the wealth of the State. At the present time, the currency cannot satisfy the needs of **the** working **class**, because it is not enough for all...' "It is convenient to consider children as consumers of currency **from** the very day of their birth..." (This should be the motto of the Chicago Monetarist School).

"The reports from our secuaccs, who were considered as "experts" (each South American government has one, sent by the Monetary Fund) **were** read by our agents. (We have underlined this) They were always pleasing to uninformed minds, because they were accompanied by recommendations for the realization of future economies. They could have asked us how it was possible to realize economies by applying new rates...; but they asked us nothing..."

"You know in what conditions of **financial** chaos they have fallen through their own fault and negligence. They ended up by failing, in **spite of the sacrifices of their employees**". (Emphasis a d d e d).

So much for the quotations from "The Protocols of the Elders of Zion", written, or prepared, almost a century ago, to be applied now in the countries of South America. They seem, however, to be being written today, as if to give argument **to a Hitlerist writer**, who would like to criticize the irresponsible and nefarious **governments**, submissively devoted to fulfill the Machiavellian ends of Judaism, which the Jews themselves would critically expose before their **eyes**, so that they could fight them, if they really loved their homelands and their peoples.

NATIONAL SOCIALISM, THE ONLY SOLUTION

We believe we have been able to demonstrate that the only doctrine still capable of saving our South American peoples and the rest of the world is National Socialism. Chile is a small country, possessing, until very recently, a strong and healthy tradition. This country was built, from its beginnings, on the concept of a strong State, "in shape", which here was called "portalia-" no", in reference to a great Minister, Diego Portales. This is how our friend, the Chilean historian Mario Góngora, saw it and maintained it. But in recent years, with the application of the "Protocols" described above, using the Jewish doctrine of Friedman's Chicago School, the State has been weakened and its concept destroyed until it has become inoperative. What does the future hold for us now? To answer this question, we would have to consult once again the ancient "Book of Prophecies": that is, "The Protocols of the Elders of Zion". However, we believe that this book is being revised, or rather enlarged, adapted anew, by its authors themselves, to the conditions of the present, so that the coming solutions, the new application of the "Protocols," will be veiled from us.

ELECTRONIC MONEY AND THE MESSIAH OF ZION

Let us, however, try to foresee. Let us make the effort. In 1985, a series of events were held in Basel, a city of Switzerland, in Vienna, capital of Austria, and in Jerusalem, three meetings of the highest level and importance,

The aim is no doubt to take stock of what has already been achieved so far this century, after the last two world wars, and at the same time to draw up plans for the years to come, taking into account the need to adapt them to the scientific and technological developments of science and technology which correspond to the expression of the Jewish Collective Consciousness".*As a backdrop, omnipresent, the ever more real and materialized, ever closer and more terrifying figure of the Jewish Messiah, of their King of the World, the ultimate goal of the application of the "Protocols", can be an individual, a planetary Ruler, or a collective being, a mechanical octopus with a million arms, a robot with a thousand heads, an electronic brain, a gigantic computer controlled by the Sages of Zion. A **Golem**. materialization of the other **Golem-Jehovah**.

In Basel, the presidents of the banks of the most important industrialized nations of the world, i.e., the Jewish World Bank, met. In Vienna, the: leaders of the International Zionist Organizations. And in Jerusalem, the World Council of Synagogues.

There are signs already indicating that what was discussed in Basel, by the highest representatives of the Jewish World Bank, would have to do with the replacement of "paper-money" and "plastic-money" by "electronic-money". And this is a definite step in the direction pursued by Jewish Globalism, the "Trilateral", the "Bildnerbers", the United Nations, etc.: the total control of the world in a few hands, by the Invisible Government of the Wise Men of Zion, the formation on the planet of great slave zones, underdeveloped, miserable, indebted, with no possibility of redemption. And the rest of the world, too, under the "yoke of bread," as the "Protocol XIII" of "The Protocols of the Sages of Zion" prescribes.

The progressive scale on which the Jew has controlled money through the centuries is as follows: he destroyed the vital and natural sense of "money-trade"-the "mo-

The "money-me- tal" - and created the golden entelechy, the "money-me- tal"; that is, the bank bill and the bank check. Then, it has replaced it with "plastic money", the credit card. Very soon, it will also make "paper-money" and "plastic" disappear, to give way to the imposition of "electronic money". (**Electronic Funds Transfer - "EFT"-, or "Electronic Funds Transfer"**).

The bank that is currently promoting the electronic funds transfer system most rapidly is Citibank, calling itself "People's Bank" in order to reach the largest possible number of individuals. And it is important to note that **Citibank's** New York headquarters is located at 666th Street and Fifth Avenue. 6 is the Jewish number par excellence, the number of the Star of David and of the 6 million of the alleged Holocaust. 6 or 6 is the number of the Apocalyptic Beast. In Chapter XIII of the Apocalypse of John, it is said that the Beast (the Great Computer, or those who manage it) "will have power over the free and the slave, over the great and the small, over the rich and the poor, to mark them on **their right hand, or on their foreheads, without whose mark they can neither buy nor sell**". And he adds: "He who has wisdom, let him calculate, for the number of the beast is the number of man. **And his number is 666.**"

Now, it is known that the first three digits of the The Global "Electronic Funds Transfer" entry code would be 666. More or less like this:

| C'odigO International | Pa ie Code | Code City | Personal Code |
|----------------------------------|-----------------------------------|--------------------------------|---|
| 666 | 210 USA (Already agreed) | 460 (Tentative) Imagined | 9999-9999 (Tentative) Imagined 9-digit |

The "Apocalypse of John" is a strange book. The English writer, D.H. Lawrence, a Nazi sympathizer, wrote an extraordinary work about it, almost unknown today. The key to the "Apocalypse" would be found in the numbers of the Greek alphabet, the language in which it was written. It is an ĪĆábaĻa numeral orphic, Pythagorean, of archetypal numbers, since the "Apocalypse" is also a **Gothic** book, that is to say of the "p-odos", based on the "**Edda**", especially on the "Twilight of the Gods", or **Raknarôk**, the Book of the **Voluspa**, of the pro- fetiša Völa. Thus, *the Cathars and Templars accepted only the so-called Gospel of St. John, though not in its entirety. For Lawrence, "The Apocalypse" was a tãntric book.

The telltale signs that we are approaching the incarnation of the Number of the Beast, the "electronic transfer of funds", are being given in certain foreboding events. David Rockefeller (Jewish), has already left the Chairmanship *of the Shase Manhattan **Bank**, to take over the Chairmanship of the **Advisory Committee**, of the **Shase Manhattan Bank**. This is an independent entity, which conducts policy studies and "flows" between nations, international financial and banking organizations, a superstructure of the Shase **Manhattan Bank**. However, the "Chief Advisor Director" --**Principal** One of the visible pillars of Mundialism and of the "Trilateral Commission" is Henry Kissinger, whose real name is Abraham ben Eleazar, excommunicated and later percluded by the Great Synagogue and the **Kahal**.

The intention is to be able to concentrate in a few hands the control of all the world banks and private banks, by means of this organism, thus being able to reach the **Single Banking**, all this with the consent and direction of the "International Bank of Payments", whose headquarters are located precisely in Basel, Switzerland, and which is something like the Central Bank of the most industrialized nations, which would control all the national Central Banks.

The International Monetary Fund would become, for the moment, something like the guardian of the system, with action on the poor countries of the Third World. The International Monetary Fund would become, for the moment, something like the guardian of the system, with action on the poor countries of the Third World. This Monetary Fund is always controlled by the same hands of the most powerful countries, where some of the "headquarters" of the Invisible Government of the Wise Men of Zion are located.

Now, and this is the key point: as a means of getting the big international banks to meet all of the

- The entire system will be controlled by a large electronic computer, already located in Luxembourg, within a maximum period of six years.

. For which it is essential to arrive at "electronic money". What is this? Something like the "Universal Product Code", already existing in supermarkets in the United States, where it is enough to pass the purchased product over an electronic reader, so that the mark made on that product lights up an infrared signal that the "reader" interprets, giving its price. Thus, each individual will also have a mark on the wrist of his "right hand", for example - as indicated by the Beast of John's "Apocalypse" - which, when passed over a banking computer, will allow the Great Brain of Luxembourg, or another, to give or deny credit to that human being already computerized, robotized, hopelessly enslaved to Zion.

There will be no more need for "paper money" (except for the smallest purchases) or "plastic". People will be marked at subcutaneous level, on their skin, perhaps in the genetic code itself, from the moment of their birth ("considering newborns as currency consumers") and this mark will be registered in the **Big** Computer and will be read there by the infrared reader, which will give the payment orders, or rather, which will allow or deny consumption.

Total control and enslavement of the world.

That all this corresponds to a Jewish Archetype in...

The solution lies in a return to the "Electronic-Money", nor allow your flesh to be branded with the Number of the Apocalyptic Beast, or of the Demiurge Jehovah, becoming the slaves of the Robot-Computer-Messiah of Zion. The solution is found in the return to the **Labor-Padron** to the **Labor-Money-Trueque-Labor**, to a decentralized ("farm-to-table") self-sufficient, autarkic, artisanal, non-concentrated, decentralized economy, but of racist, secluded, warrior-farmer communities, who, with gun under arm, resist the temptation and attacks of the "globalist", internationalist Enemy of Zion. And let them be ready to heroically succumb rather than surrender themselves, bound, "marked in flesh and blood," to the final sinister planetary slavery, which today is being planned from "the unknown headquarters" of the Invisible Government of the "Wise Men of Zion".

Only the establishment of National-Socialism, thus in- The world can be saved from its enslavement, annihilation and ultimate dehumanization.

ZIONISM AND PATAGONIA

At the Zionist meeting in Vienna and at the meeting of the World Council of Synagogues in Jerusalem, the coming of the Messiah and his establishment in the world "on the Hill of Zion" will have been discussed. In Jerusalem, the rabbis will have provided the premonitory signs of the coming. The rabbi with headquarters in Chile, will have pointed out the case of the Araucanians, among whom would have been found again the secret rituals of the Jewish converts, or Marranos, practiced in communities of southern Chile, near Temuco, at the beginning of the century and who were known as "Cabaflistas Sabatistas", having also referred to this in my book, "Adolf Hitler, the Last Avatar". The rituals would have become known to the Araucanian **Machis**, because they were taught and practiced by the **Calcu**, the black sorcerers, whom they fought. Not even at the arrival of the Spaniards did they exist.

The **Calcu** corresponds to a Mongolian bastard, and is a black magician, who acts under the effect of hallucinogenic drinks, to be possessed by an evil spirit, a **Hue-Hue**. The **Calcu** corresponds to a Mongolian bastard, and is a black magician, who acts under the effect of hallucinogenic drinks, to be possessed by an evil spirit, a **Hue-cufe**? Then he creates an artificial being - a **Golem**-, which he shapes and calls **Huichalalwe**, with soft bones, which marches with a rotating movement, contrary to that of the Swastika Levogira; an evil being, which the **Calcu** sends from a distance to do harm. Against the **Calcu** and their **Huichalalwe**, the white magic of the authentic **Machi** of Arauco fought,

It is to these **Calcuttas** that today the Jews would have given the direction of a Jewish Temple, in Pucon, with the name of "Iglesia Israelita del Nuevo Pacto", where strange rituals are practiced, among them one that they call precisely "Las Cabañas" and that is carried out on the **Sabbath day**, consisting of installing around the Church a determined number of tents, that they call "cabañas". The ceremonies, apparently, have to do with blood, since they cause evil effects in the non-Jewish, producing hemorrhages.

As we have already said, the Jews would have been transporting "Araucanians" to Israel, where they would have married, enlisted in the army - a kind of gur-kas. But we have also said that there are no longer any pure Araucanians. Therefore, if the *Jews* have thought to introduce their "anti-blood" in the Frisona-Araucan blood, in that of the Ré-ché, or to introduce part of it in their **continuous-impuro**, they have been mistaken. There are now only **Calcu**. But perhaps the Jews know it, being that what they are looking for: one of the **lost tribes of black magicians of Atlantis**, of "slaves of Atlantis".

The fact that the Jews today, after almost a century, have been able to find in the south of Chile Indians who still practiced that secret *Jewish* ritual of "Las Cabañas", "on Sabbath day", is of such importance and seriousness that it obliges us to pay the utmost attention to the event.

It demonstrates the depth, the acu-

The rabbis would have thus uncovered another "lost tribe of Israel", to put it this way, and would have been able to discover facts and matters absolutely ignored by the Chilean authorities and investigators. The rabbis would have thus uncovered another "lost tribe of Israel", to put it this way. Some Indians, a "Araucanian-Jewish" tribe in the south of Chile. Because it could well be that these "in-god" are mestizos of those Marranos who practiced this rite a hundred years ago near Temuco; or, the ritual has been preserved among them, for having been servants of the Marranos, with verses of Judaism, as well as others were of Christianity. The third hypothesis, and the one we would tend to adhere to, is that those **Calcu**, those black Indian magicians, mongolized bastards, against whom the authentic **Machi** of pure Araucanian-Frisian blood, the **Ré-ché**, the "Men-Kings", the "Men-Gods" (Sonneninenschen), of the legendary Araucanian tradition, fought, may have corresponded to a type of Araucanian Indians bastardized with inferior Picuncules or Huiliches. Or, they were really Jews (corresponding to the *Jewish* archetype in the Universe), arrived to the south of this earth from Atlantis - "slaves of Atlantis" in an ante-history that today we do not know at all. Because that "sabatista- cabañista" ritual, attributed to marranos who practiced it in secret in the south of Chile, in the last century and even in this one, would be unknown in the orthodox rabbinical tradition, or, at least, never revealed, concealing something sinister that, apparently, would also have to do with the "anti-blood" and its secret technique of the **continuous-impure: the creation of the Golem-Huichalalwe**.

The name given to the Church, or Indian Synagogue of Pucón, "Iglesia Israelita del Nuevo Pacto", coincides with the name of the publication that in 1928 gave the news that "near Temuco a semi-secret community of **Cabafists** had been discovered, who observed the Sabbath, the Jewish festivities and rituals". The name of the publication was "New **Juda**" - Nueva Judea--.

And "**Nai Juda**" -also New Judea- was the name that in the last Great War was reserved for Chile, according to the thousands of pamphlets edited in New York, in 1938, by Joseph Hefter, as revealed in my Hitlerist magazine, "Lå New*Age"> A4e- more, the Jew Edmundo Waisman has published a book entitled "South America, 1a*New Judea".

There is, then, a New **Pact** and a New Jerusalem, again **renewed** by the Jews with their **Gòlem-Íe-hová-Huecufe**, which will now give them the South of the world, up to the Antarctic Pole (vain hope, because there Hitler has already placed his Emblem), that is to say, the territory that would be saved from self-induced catastrophes, the geographical center from which they will control the Empire in the slave territories of this Continent, just as they intended to do with Africa, the territory that would be saved from the **catastrophes induced** by themselves, the geographical center from which they will control the Empire in the slave territories of this Continent, just as they intended to do with Africa, from the enclave of Palestine.

Secret Jewish agents, disguised as "backpackers" and hikers, move with impunity through the most unknown and strategic corners of the national territory. These "backpackers" are all members of the Jewish armed forces or their intelligence services. And the Chilean rulers know it. And the rest of the country ignores it.

The Great Jewish **Kahal**, the Synagogue in Chile, keeps the most meticulous registry of all the inhabitants of this country, aborigines, mestizos, Creoles and of the ancient aristocrats of Visigothic origin, who still remain. He visits and incorporates his registers and rituals, offering the services of the Synagogue to all those who have a few drops of Jewish blood in their veins, whether they are former Mapranos, **Sephardim** or mestizos of **Ashkenazim**.

We have already said, in the World Congress of Sinago- gas, in Jerusalem, Rabbi Angel Kreisman, Chilean nationalized, was appointed Vice-president. This indicates the importance attributed to him, as well as the interest in Chile and the Southern Cone of America. For some time

now, Argentines have been warning us about the importance of Chile and the Southern Cone of America.

The Jewish plan to take over the Argentinean and Chilean Patagonia, which they have called the "Andinia Plan", has been announced. In Chilean Patagonia are the largest hydrographic reserves in the world, and in all that southern region the climate is changing, being a refuge, perhaps the last one, for the great geological catastrophes **that are being prepared**. It was on May 6, 1942, when the "Mundo Israelita" of Buenos Aires published the Jewish publications that pointed to Chile as "**Nai Judah**", the New Judea. The very strange fact, recently occurred, of the announcement of the change of the capital of Argentina, to install it in Poland, would have to do with all this. It will never be the capital of the Argentinians, but a capital for the Jews, leaving it in their hands and thus facilitating their installation and transfer: the Capital of "Andinia", for the south of Argentina and Chile, in the also Jewish plan of "integration", controlled by Judaism, for the benefit of their "electronic-money". And propitiated by the Slavic-slave Pope, by the Vatican Synagogue. And also by what Argentines call today "the Radical and Uasonic Synagogue" of President Alfonsín, working under the orders of Judaism.

*** Integration yes; but racist, Aryan, National Socialist, from the Southern Cone of America, and controlled by us.**

We repeat, in Chile the Jewish "backpackers" who, for more than ten years, have been traveling in large numbers to the southern Patagonian region, all belong to the armed forces or to the Israeli intelligence services. They draw up geographical charts, go on excursions, search, investigate in secret, unknown regions, they go in search of mineral, hydrographic, timber and fishing riches, as well as the key points of magnetic and telluric tensions, which allow them to act "militarily" on the future **induced catastrophes**. But more than anything else, they are also looking for the havens of the White Gods, the Oct:lpas and secret cities of the Andes and the "General Headquarters of the Führer". In truth, they are looking for Hitler and the Hitlerites,

the "entrances" to their inner dead. Something that will be forbidden to them forever. They are looking for clues about the overliving of Hitlerism and "their impregnable paradise".

They are also looking for the secret points of the exits and entrances of Hitler's Vimanas (UFOs); because they know that the "Flying Discs" were invented and built by the anti-gravitational science (Implosion) of the Third Reich and that their terrestrial "angares" are located in the South of Chile, where they enter and leave the "Hollow Earth", the "Inexpugnable Refuge". That is why the "backpackers" are agents of the Intelligence Services and the Jewish Army. Thus, they too are prisoners of the Great Myth.

The question we must ask ourselves is whether the Chilean Armed Forces High Command knows what the Jews are looking for and whether it agrees to help them. Because for their repeated and continuous incursions in the south of Chile and in all our national territory, in the places where they also wish to install the geographic power of Israel, a zone under Jewish control, these agents of the intelligence services of Zion find the decisive support of the High Command of the Chilean Armed Forces and of the CONAF, the National Forestry Corporation.

On May 3, 1986, "El Diario Austral" of Temuco published the news that "three Jewish soldiers, Mikey Ambary, 23 years old, Jair Goldberg, 23 years old, and Amit Kren, 22 years old, fell from the summit of the Villarrica Volcano. They had been inspecting the volcano with the knowledge and support of the National Forestry Corporation - "CONAF" - and were rescued by combined forces of the Chilean army, carabineros, firemen and Chilean Andean volunteers.

The newspaper publishes that the expedition of the Jewish soldiers was carried out with the knowledge of the "CONAF" and the Chilean military High Command. of course.

Volcanoes are also "entry" and "exit" points. And in the "Villarrica" volcano UFOs have been seen frequently.

Page of the "Tacr benteciön", of the Army of the Federal Germany of today, in which it is drawn in UFO and it is revealed that it was conspired by the certified Hitler's Third Reich.

UFOS ARE FROM HITLER

In the "**Militärisches Taschenlexikon**" -**Fachausdrücke der Bundeswehr**-, by K.H. Fuchs and F.W. Kölper, published by "Athenäum Verlag, Bonn", in Bad Godesberg, in 1958. Kölper, published by "**Athenäum Verlag, Bonn**", in Bad Godesberg, in 1958, appears in the section "**Füeger**", dedicated to aerial weapons, as belonging to the lexicon of the military forces of the Federal Germany, the word **UFO**, to refer to unknown flying objects (**Unbekannte Fliegende Objekte-Unknown Flyng Objects**-). And it is revealed that the Third Reich, in 1944, had ready a "flying object", in the form of a disc, whose drawing is reproduced, in profile and from above. The "disk" could fly at more than 2,000 kilometers per hour and ascend from the ground to an altitude of more than twelve thousand meters in a few minutes.

This was in 1944.

This incredible ship was never found; but today it is seen appearing and disappearing in different parts of the planet, especially in southern Chile and Antarctica. It is already perfected.

IN THE END WE WILL WIN

It is here, then, in this small sacred country, until not long ago irreducible, that the efforts of world Judaism are being concentrated. The trap, the encirclement, is closing around us. In a short time, the Slav Pope, the slave of Israel, will arrive here after having received his last instructions during his visit to Roman Sanga-gia. We recommend to the Hitlerists in the world to follow closely the events in Chile, because it is possible that a "pilot plan" in the new expanded conception of "The Protocols of the Wise" will be carried out here.

of Sion", a version to be applied in the impoverished areas of the Third World, destined for the greatest slavery. And it would not be the first time that Chile has served as a model for India.

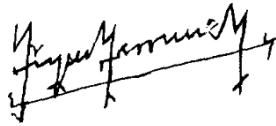

However, and contrary to what one might think, contrary to what the non-Jewish Aryans believe, in their materialistic skepticism and scepticism, the Jews know that they have not won the war against National Socialism, against Hitlerism. The Jew is always terrified at the mere appearance of the luminous shadow of the Führer, Adolf Hitler, of whom Judaism is not even sure of his death. It trembles, it fears for his triumphant return, at the end of the Demiurge's time, just at the moment when they provoke the new World War (that is why they have not yet unleashed it). Thus, the Jew is the only one who knows with certainty that he has not won the war, because ideologically he has lost it. And it will be of no use to him to exploit the six-million infundia and the "Nazi morbidities", which only he is capable of imagining.

The Enemy will concentrate his efforts in the Southern Cone of the Americas, because it is here that the Myth endures and is born again, in this ancient abode of the White Gods, mysterious polar region, of secret, hidden and enchanted Andean Cities, where the ancient Hyperborean ancestors of Hitlerism, the God-Men, the giants, live eternally. And where there still exist Hitlerists - **Sonnenmenschen** - who know the Great Secret.

As long as we are able to continue in the glorious mission of revealing the true History of our world, making known the plot of the Great Conspiracy and the Grandiose Epic of Hitlerism, we must also declare, with irreducible faith, that the only solution still possible for the peoples of South America and of the world is National Socialism, as we have explained it here. We know that at the beginning very few will be able to open their eyes and understand.

The collective stupor and hypnotism is transmitted to the masses mentally worked by the Serpent that controls this world, by the Invisible Government of the Sages of Zion. But more and more will awaken. And, *al*finally, the Enemy will be defeated, disintegrating. For, as Rudolf Hess said: "There exists in the Universe a Power greater than that of the Jew".

Heil Hitler!
Sieg Heil!

A handwritten signature in black ink, appearing to read "Joseph Goebbels". The signature is written in a cursive, somewhat stylized script and is positioned above a horizontal line that extends across the width of the signature.

May 97 of Our Era.
