FUNDAMENTAL DIFFERENCES

How Creativity Differs from Hitler's National Socialism

by Ben Klassen, P. M.

I have said it time and time again: The CREATIVITY movement defies classification into any present categories of racial, political, or religious movements. It is not similar to, or a copy of any other movement, past or present. It is not a re-tread of Hitler's Nazi movement, nor are we "Neo-Nazis." It is not similar to, or affiliated with, any of the Klans. It is not a White Supremacy group, and we will clearly explain why not in the following discourse. First of all, we want to make this point crystal clear: we are unique, in a class all by ourselves, a movement, a philosophy and a religion such as the White Race, unfortunately, has never had in all its history.

Since it is extremely important to keep re-emphasizing that we Creators are in a class by ourselves, let us first brush aside some of the lesser comparisons before we come to the crux of our article. We are not a White Supremist movement such as most liberal newspaper reporters neatly and quickly like to box us into. As I understand White Supremacy, it historically has represented the White Race as the ruling power over an inferior race, such as the British in India for two centuries, or the White masters owning, controlling and exploiting their inferior black slaves, such as the plantation owners of the antebellum South. These two are only a meager example of hundreds, or thousands, of other situations where the White Man was the lord and master, governing, controlling, working and lording it over some group or groups of inferior and subdued mud peoples.

The CHURCH OF THE CREATOR wants none of this. In fact, CREATIVITY deplors and denounces such a stupid slave philosophy, not because of humanitarian reasons, but because history has proven that in the end such policy is highly destructive to the White Race itself. We can and have quoted example after example, both in *Nature's Eternal Religion* and in the *White Man's Bible* — Egypt, India, Haiti, Portugal, Mexico, South America, the American South with its slave economy, and numerous others.

The CHURCH OF THE CREATOR states clearly and unequivocally: We want none of this! It is the most dangerous and destructive philosophy the White Race has (with Jewish manipulation) pursued throughout its stumbling history. Such policy always leads to race mixing, to mongrelization, and finally, destruction of the White Race. We have demonstrated this so overwhelmingly and repeatedly that we need hardly go into it again.

(Continued on Page 2)

WE ARE NOT ATHEISTS WE ARE CREATORS

For too long we Creators have been called atheists. For too long we have been smeared and slandered by Christian name callers. And we are getting damned sick and tired of it. It is not good enough for us to merely take a defensive posture and say, "No, we are not atheists." We do not accept your negative epithet. We are Creators. It is time we go on the offensive and no longer tolerate such nonsense. We must attack — attack their invidious and deceitful name-calling and in turn call their bluff. We must expose their trickery and treachery for what it is.

The Jews, per se, and Christianity, (an off-shoot of Judaism) have one thing in common. They are both very clever with catch-words, epithets, trigger-words, labels, slogans, smear-words and character assassination. In short,

phoney. It is a fictitious concept. All it really means is that you do not believe in the other fellow's spooks. What spooks? Whose version? It doesn't matter. Anybody's spooks. If you don't believe in the Jew spook, the Christian spook, the Moslems' spook, or the African voodoo spook, you are an atheist, and the connotation is that you are evil. Furthermore, the inference is that if you don't believe in some brand of spook, you don't believe in anything.

According to this inverted type of Christian "logic", even a dumb African bush nigger is "better" (for what?) than an "atheist" who uses his good sense. After all, the nigger has his voodoo and his witch-doctor and believes in some fuzzy set of undefined spooks. Whats more, he believes in the supernatural, and therefore believes in

Our minimum Goal is to get the Jews off our backs and wrest control of the White Man's destiny back into our own capable hands. From there on out, the sky is the limit.

they are today what they have always been — masters of deceit. The Jews' and Christians' main stock in trade is lying, and their supreme accomplishment is that they can do so convincingly. In order to destroy their enemies they have built up a whole vocabulary of smear words, trigger-words, which they believe need only to be uttered in order to devastate their enemies. Among their arsenal of weapons the Jews have concocted such gems as anti-semitic, bigot, racist, fascist, Nazi and a host of others. The Christians under the tutelage of Judaism have built an odious collection of their own. Among their stable of smear-words are such choice epithets as atheist, heathen, pagan, anti-Christ and a flock of others, in the true tradition of Jewish name-calling.

The favorite epithet the Christians like to subdue us with is to call us atheists. We Creators do not accept that description, because it is

"Something." So he is a pretty good fellow, isn't he, and therefore should escape the horrible fate of being categorized as an atheist. As long as you believe in "something", meaning in the spooky domain, you're alright, buddy.

Well, we Creators do not believe in anybody's spook, but we do not accept somebody else's smear word either as being descriptive of us. If the Christians want to indulge in name-calling, well, two can play that game.

To a Mohammedan, a Christian is an infidel, or better still, an infidel dog. Does the Christian accept the Mohammedan label?

To a Jew, a Christian is a goy or a goyim, which means cattle, or an animal. Does a Christian accept that? (Some Christians are such Jew-lovers they will accept any dirt handed out by the Jews.)

(Continued on Page 10)

FUNDAMENTAL (Continued from Page 1)

So let us say it again, loud and clear. We don't want to enslave anybody; not niggers, not mud races, not mulattoes. We don't want to lord it over any other race. We don't want to control or exploit anybody. On the contrary, we want to do only that which Nature tells every other species to do, and that is **just take care of your own**, namely, our own Race.

In so doing we will clearly see the light. We will realize that subsidizing our inferiors is in direct violation of such basic rule. You cannot take care of your own if you subsidize your enemies to breed, to multiply, and to crowd our own off the face of the earth. I know of no other creature that has pursued such a stupid, self-destructive course, except the White Race under Jewish tutelage.

So the policy of the CHURCH OF THE CREATOR clearly is not White Supremacy which entails geographical (and sooner or later, racial) mixing, but absolute geographic separation. We want no niggers in our midst, no Jews, no Mexicans, no Hindus, Orientals or any other mud race. We not only don't want them in our midst but we want them out of our countries and finally out of our continents.

Our policy is this: take care of our own; stop subsidizing Jews, niggers and other inferiors; boycott in trade and commerce, politics and social intercourse any mud race, whatever their particular stripe. Practice Racial Loyalty.

If we did this religiously as the Jews now practice racial loyalty, the mud races would soon shrink in numbers and influence to a position similar to, and soon less than, when White Rome was supreme and at its peak, and this despite the Romans having known very little about racial loyalty. If we then continued this same policy of racial loyalty and racial boycott, the mud races would not only wither on the vine, but soon become obsolete and extinct. They would become a species of the past, a species which, in conformity with Nature's laws, just plainly couldn't cut it. They just couldn't compete against the superior abilities of the White Race and as a result, withered into oblivion.

This, I believe should clarify for all time our parting of the ways with the White Supremacy groups and their inherent philosophy. But, the naive and uninformed will cry, isn't this the same philosophy as Hitler pursued? Up to a point, yes, but we now come to the crux of our whole presentation, which is not at all to downgrade Hitler, but to point out the differences between the Nazi movement and CREATIVITY. These differences are not small and superficial. On the contrary, they are major and fundamental.

Before I list these basic differences let me again repeat what I have said many times before. I regard Hitler as the greatest man the White Race has ever produced, and the greatest leader the White Race has ever had. Like Columbus in the realm of discovery, he made a great breakthrough in the realm of racial realization for the White Race. Like Columbus, he was a great pioneer, but also just as Columbus did not complete the discovery of all new territories then unknown to the White Race, so too, Hitler did not in his life time complete the racial struggle, nor even formulate the correct course for its survival. In fact, now, today, (1983) more than 64 years after the founding of the Nazi movement and 38 years after Hitler's death, the White Race is numerically, politically, economically and morally relatively weaker than it was 40, 60, or 80 years ago. We can categorically say, in fact, that never in all its history has the White Race ever been weaker or in a more precarious position for mere survival than it is today.

So let us make this point clear. Hitler did not win the war. He did not win the racial and propaganda struggle against the Jews. The Nazi party did not even lay out a viable blueprint for the survival, expansion and advancement of the White

Race. Having given credit where credit is due and also taking a realistic look at Hitler and the Nazi movement, let us now delineate how we fundamentally differ.

1. The first fundamental difference is one of identity. Just whom are we trying to save, whom are we fighting for, and who are "we"? This difference is of major importance.

Simply stated it is this: whereas the core of the Nazi movement was Germany and the German people, the prime concern of the CHURCH OF THE CREATOR is the White Race. Whereas the cry of the Nazi Party was Deutschland! Deutschland! Deutschland über alles! and completely nationalistic, we Creators denounce and deplore nationalism and seek instead to build a Whiter and Brighter world for all the White peoples on this Planet Earth, including, but not limited to, the Germans.

In short, whereas Hitler sought to expand the territory, the power and the influence of Germany and the Germans at the expense of the French, the Poles, the English, the Russians and dozens of other nationalities, we Creators have no such designs. Instead we seek to wipe out nationalism and promote and practice racial teamwork. We deplore all wars between White peoples, whatever their nationality, and seek to unify their strengths and solidarity so it can effectively be directed against the Jews and other mud races instead. To us it makes a hell of a lot more sense than falling into the treacherous Jewish trap of "divide and conquer." The whole program of the Jewish climb to power has been based on this sinister policy of goading the superior White Man to kill and decimate each other in the name of nationalism. Of course, nationalism is not the only issue the Jew has cleverly utilized to divide us, the White Race.

Religion is another, as witness the Thirty Years War, or the festering genocidal warfare in Ireland for over 400 years, and hundreds of other wars that have been fought in the name of Jewish Christianity. Language is another divider, as are several other lesser issues the Jew uses to goad, to agitate, to divide and to conquer.

The CHURCH OF THE CREATOR, instead of promoting divisive nationalism and closing its eyes to the deleterious effects of Jewish Christianity, has taken a positive course of action. It has tackled all these issues (and many others) head on, and instead has set a course for the elimination of differences in nationalism, in language and the pursuit of religious ignorance and superstition. It focuses its goal not on nationalistic rivalries but racial solidarity, racial unity and racial teamwork. We contend that aroused and united the White Race is ten times more powerful than all the Jews and mud races of the world combined. The White Race in its present precarious position needs all the help it can muster in order to survive, and nationalist wars between White nations must never happen again.

We also promote the shift to one basic language for the White Race and thereby promote unity and more superior communication between the White Peoples of the world. Since I have already listed in both *Nature's Eternal Religion* and the *White Man's Bible* the tremendous advantages that would thereby ensue for the White Race, I need hardly repeat them here.

Then we come to religion, an idiotic issue that has torn the White Race asunder for dozens of centuries. But since this is a main issue in itself we will make this the next point.

2. Hitler has stated repeatedly in his book, *Mein Kampf*, that the Nazi movement was a political movement, that it was for the German people only, and that it was not for export. He also stated that founding a religious movement was of much greater historical consequence than starting a political party, that religious movements by and large have a much more profound and lasting influence than transitory political movements.

BRICKBATS & BOUQUETS

Dear Pontifex:

Mr. and Mrs. Braswell sent me a copy of your paper, RACIAL LOYALTY, (July issue). I found it to be quite interesting. As you know, too well, one cannot wish themselves out of a difficulty, but it is a very high wall and a very long wall that hasn't a way around or over.

To subdue a vicious rattler, one does not attack it with a broom straw. One puts a forked stick over its neck, and he is immobilized. I am not interested in standing in a cow pasture while some one shouts things that I already know, but offers no concrete solution to a problem. That is quite similar to a man talking to a crowd of thinly clad people, on a freezing winter day; saying: "Its cold out here fellows, and we are freezing to death", but not making an effort to build a fire.

Let us recall the battle of Quebec. The English got nowhere until they found a back door. (The unexpected). Contrast that with Pickett's celebrated charge at Gettysburg, using conventional methods and an open frontal attack. He got his tail whipped, lost a lot of men, lost the battle and more.

Stoner, Carl Hand, Ray, and others have been fighting communism the conventional way, and it won't work.

As I hope to go to Washington in the very near future, and passing through your vicinity, I would hope to meet and talk with you a bit. When you see the Braswells, please extend to them my best wishes, and tell them the Spotlight letter is on the way.

We must win.

Dear Mr. Klassen,

I have just finished reading "Nature's Eternal Religion," and needless to say, I am extremely impressed and gratified with the contents of the book. I am in complete agreement with your program for the awakening and perpetuation of the White Race.

After my graduation (M. Sc. Physics) I set out to study Philosophy, sociology and theology on my own as I never had the opportunity for the so called human sciences up to that stage. I was brought up in the Dutch Reformed Church as a rather devout Christian. The inconsistencies of the Bible along with the physical impossibilities depicted therein worried me for a long time during my years at the university and that resolved me to get absolute clarity and certainty on the questions.

During the late sixties I went as a scientist with the South African National Antarctic Expedition to Antarctica for a period of two years

during which time I made a thorough study of the above mentioned subjects. Needless to say, that the further I pursued the investigations, my uncertainty of my Christian faith increased until eventually I was dead certain of my uncertainty. Being only 26 years of age at that time I made no secret of my new convictions and consequently had rather serious problems with parents, friends and relatives.

In the early seventies I read "Mein Kampf" and also managed to get hold of the "Protocols," which incidentally, is a banned publication in South Africa. After reading the Protocols I became convinced that Christianity was designed by the Jews for the destruction of the White Race. The Writings of Josephus confirmed this opinion.

As stated in my previous letter to you, the conclusions I came to are in exact agreement with your findings and I cannot stress it enough how grateful I am that you had the strength of will and the determination to start the fight for the survival and expansion of the White Race.

On page 311 of "Nature's Eternal Religion" you state that Hitler founded his program on a political rather than a religious base with which I agree. I am though certain of the fact that Hitler planned to deal with the Christian churches in the proper way but never had the time. I am including copies of a few pages from the book by Hermann Rauschnig who was gauleiter for Danzig before he defected to England. On page 57 Hitler says: "But for our people it is decisive whether they acknowledge the Jewish Christ-creed with its effeminate pity-ethics, or a strong, heroic belief in God, in Nature, in our own people, in our destiny, and in our blood."

Perhaps you never had the opportunity to read this book.

I received my ten copies of "Nature's Eternal Religion" and "The White Man's Bible" which I intend distributing in the most effective way. I hope to order more soon.

I have though, not received my membership card yet of the "Church of the Creator" and would like to acquire it, as it possibly got lost in the post.

Please excuse my English, for although my ancestors (some) were English, I am Afrikaans (Dutch) speaking.

Keep up the struggle for the White Race and be convinced of a very ardent supporter in Africa.

A sincere follower,

Heavenly Humor

An elderly gentleman was struck down by a car in the street and injured seriously. The police ambulance brought him to a Catholic hospital. The Mother Superior and a young nun made him comfortable and asked certain questions for hospital records. Then the Mother Superior said: "Sir, do you know that you are seriously injured and the hospital bill will be big? Are you prepared to pay it?"

The old man replied that he had only a small pension and couldn't possibly pay the bill.

The nun asked: "Have you a family?"

"Well, I have two old-maid sisters who are nuns," replied the man.

The Mother Superior was horrified that he spoke so disrespectfully of his cloistered

sisters and said: "Sir, don't you know that your two sisters are married to the Lord?"

The old gentleman thought for a moment and replied: "In that case, send the hospital bill to my brother-in-law."

A SCHOOL FOR GIFTED BOYS

In planning for the future growth of the White Man's struggle for independence from Jewish tyranny, we have outlined a program for the smooth and peaceful transition of future successors. This article, as you will notice, appears on the back page of this issue.

An important part of this plan is the thorough training of competent leaders. We want no incompetent stooges like the Eisenhowers or Harry Trumans, or other yokels who served as "president" but had not the slightest inkling of what their jobs were all about, and were mere puppets for their Jewish manipulators. Nor do we want smooth talking Hollywood actors who likewise do a slick job of playing traitor to the White Race. No, we want capable men, White men who are geniuses in their own right, men who are born leaders and highly trained and highly skilled to take up the leadership of their race — an awesome job of tremendous responsibility.

I have already said that we will have special schools to train such leaders of the movement, and not only for the very top posts, but also for leadership all the way down the line. We of the CHURCH OF THE CREATOR feel that our gifted young people are the most precious asset we, the White Race, possess. Whereas today they are being shunted aside while the retarded, the morons and the niggers receive special attention and money, we Creators mean to develop to the fullest our most precious resources. As a start on this most important project, we want to build a SCHOOL FOR GIFTED BOYS

near our World Center.

We have set aside a piece of acreage for this purpose and have already drawn up preliminary plans for the building. We need the help of all our members and supporters to bring this project to fruition. We want to start building this fall and if we get enough support, can be in business by next summer.

Our initial plan is modest, since our resources are modest. Our plan is to have a two week program for boys during the summer months in which we would combine a camp and orientation course during these two week sessions. Our goal ideally will be to have both a summer camp and an orientation course in CREATIVITY for gifted boys at their most impressionable age, preferably between ages of 10 and 12. Since it might be hard to find enough candidates in this group initially, we intend to be more flexible in the age span at the beginning.

Briefly the course would consist of hiking, camping, training in handling of firearms, archery, tennis, white water rafting and other healthy outdoor activities. About half the time would be utilized to acquaint these young geniuses with the goals and doctrines of Creativity and how they could best serve their own race in various capacities of leadership.

Basically that is our initial plan. In order to implement it we need response and feedback from our supporters. We believe this is one of the most important projects we could possibly initiate at this time. Please let us hear from you and give us the benefit of your ideas.

FUNDAMENTAL (Continued from Page 2)

Whereas we agree wholeheartedly with these astute observations, we also want to make this major distinction between the Nazi movement and CREATIVITY. The Nazi movement was indeed, as Hitler himself stated, a political movement. The CHURCH OF THE CREATOR and CREATIVITY do not constitute a political movement but a religious movement. Creativity is a racial religion, a racial religion exclusively for the White Race and the White Race alone. As a religion it has many extremely important advantages over a political organization. To list a few: (a) a religion evokes a stronger and more basic loyalty than any other type of human organization. It has more influence in orienting motives, goals and human customs than any other form of association. When it is combined with racial instincts, it is unbeatable, as the Jews have proven over the thousands of years. (b) By having a racial religion for the White Race we are eliminating in one master stroke the eternal problem the White Race has been saddled with for centuries: namely split loyalties, or dual loyalties.

Once and for all, we are solving the problem that all Christians are repeatedly faced with, namely, in a crunch, would their loyalty lie with their race or would they obey Christ's suicidal directives? Christians deny there is a conflict, but the conflict is overwhelming. It is built into the religion, as the Jews cleverly intended it to be, and no amount of denial will ever erase it.

For a Creator there is no such conflict. Loyalty to his race and loyalty to his religion is one and the same, and the need to be a hypocrite or a schizophrenic no longer exists. In any showdown, a Creator can be depended upon to be loyal to his race, without conflict, without reservations.

3. The third major difference to which we point with pride is the issue of Christianity. Whereas Hitler never really addressed the issue of Jewish Christianity, we in contrast examine its (Jewish) origins, its suicidal teachings, its unnatural (in fact, anti-Nature) approach to life. We show how Christianity treacherously denounces all that is real and natural and advocates instead total servility to fictitious concepts of unreal, unseen, unheard and unknown spooks in the skies (or in a nebulous somewhere). Not only does Creativity expose the deceit and hypocrisy of this Jewish brain-scrambler, it confronts it head on, denounces it and replaces it with a racial religion of our own for the White Race. It gives the White Race a fundamental and meaningful philosophy and creed that is based on reality, on the Eternal Laws of Nature, on the lessons of history, and on logic and common sense. It does not leave the White Race in a vacuum. Instead it gives the White Race a creed and program by which it can thrive, prosper and advance for the next million years.

4. There is one other legacy that Hitler has left us, the White Race, that is a heavy burden to overcome and will continue to plague us for some time. That legacy is the idea that the Jewish problem is mainly a political problem and can best be solved by political means, which he tried to do. This idea is concomitant with the fact that Hitler never attacked, nor addressed, the Christianity issue.

We Creators say not so, wrong analysis, wrong approach. The Jewish problem is an overwhelming problem that extends into all phases of our life — morally, economically, racially, politically and into all other aspects. But we say that in essence it is a religious problem which the White Man in the past has failed to solve. We contend it can only be solved by a religious approach — by the White Race having a racial religion of its own that is more powerful than Judaism and directly hostile to it.

Standing directly in hostile opposition to such a racial religion for the White Race is Jewish Christianity. Since Hitler

stands head and shoulders above any other fighter against the Jewish menace and since he condoned, or at least tolerated Christianity, he has thereby left a deep-rooted impression with the present generation of admirers that Christianity is not of any consequence in the struggle.

We say this is completely unrealistic. We say that Christianity is not only of major consequence in the struggle against the Jew, but that Christianity is the most powerful weapon the Jews have had on their side for nearly 20 centuries. In fact, without it, Judaism would have faded from the scene, and the Jews along with it, a long, long time ago. (See "Confessions of a Jew", Creative Credo No. 43 in the White Man's Bible).

No, Christianity is not of minor consequence in this struggle. It is, I repeat, the most powerful weapon in the Jewish arsenal with which to clobber the White Man's mind. It has stood there for nearly 2000 years as an impervious road block to the White Race in finding a racial religion of its own. In leaving the impression that the Jewish problem can be solved by political means, Hitler has created a misconception of major dimensions in the minds of our White Racial Comrades, a problem Creativity must now overcome.

5. Whereas the Nazi movement took a harsh and hostile attitude towards many of our White racial neighbors, we do just the opposite. We are not hostile to the French, to the Poles, to the Czecks, to the Russians or a multitude of other White Racial Comrades that were regarded as arch-enemies to the expansion of Germany and the Germans. On the contrary, we regard them all as our racial brothers. Whereas we do not contend that all White nationalities are "equal", we nevertheless take in all White groups as our base — all 500 million of them, and this includes some fringe elements of which we are not necessarily proud.

We do this for several good reasons. First of all, in order to survive in today's precarious dilemma, the White Race needs all the help, all the numbers it can muster. Never again must we allow the Jew to euchre us into fratricidal wars with White brother killing White brother. Never, never again. This is a cardinal tenet of Creativity. We must UNITE, NOT FIGHT, each other. White Solidarity is the order of the day.

In contrast, wittingly or unwittingly, Hitler was engrossed in the bloodiest, the most costly, the most tragic war of all time. Its cost to the White Race in lives and material wealth was astronomical. In the end he lost that war, to the everlasting shame and detriment of the White Race and to the overwhelming benefit of the Jews. Never again must we be led into such a dastardly trap. This is a Cardinal Rule of our religion, Creativity.

To those who argue that Hitler had no choice, we say: not so, it could have been done differently, on two counts. One, it could have been avoided, and two, if entered into, it could have been won.

To those who argue that taking in all the "fringe" White nations will lower the quality of our gene pool, we have an answer for this.

We say, one thing at a time. First of all, we must survive. If the White Race does not survive, and if we pursue the same course that we have in the past, chances are that we won't, then the White gene pool is gone forever anyway. So, first of all, we must survive! In order to do so we must unite the White Race and polarize it to a powerful battering ram in order to destroy our enemies. Once we get the Jews off our back and wrest control of our own destiny back into our own capable hands, then we have a different situation. We can then finally institute our program of upgrading the gene pool of the White Race at our leisure, over the centuries as I have amply set forth in both NATURE'S ETERNAL RELIGION and The WHITE MAN'S BIBLE. This will be no problem at all. But first we must survive.

6. An historical fact that is related to the above and completely unacceptable to the CHURCH OF THE CREATOR

(Continued on Page 5)

FUNDAMENTAL (Continued from Page 4)

is that Hitler formed a military alliance with one of the foremost of the mud races, the Japanese. This is anathema of the first order to us Creators. It is completely in contradiction to everything we stand for and we not only will not defend it, but utterly reject this as an act of treason to the White Race.

That any White Race should ever, anywhere band together with any mud race and engage them and help them in the killing of our White Racial Comrades is in our book a sin of the first magnitude. It must never happen again!

7. One other difference we want to emphasize is our "mythos", as Nazi ideological leader Alfred Rosenberg has coined the word in his "Mythos of the Twentieth Century". Whereas the Nazi idol was the smart, goose-stepping Storm trooper, the capable Prussian generals of the German General Staff, and the era of Frederick the Great, we Creators prefer instead to point with pride to pioneering America; to the cowboy era; to the Winning of the West; to the pioneering farmers and ranchers, and the Indian fighters of the nineteenth century, right here in America. We believe that the building of America is the greatest achievement in (White) human history and prefer to align our ideology with the Manifest Destiny of the Winning of the West. We consider that as our ideological home and our own proud "mythos".

We further point with pride to the fact that The CHURCH OF THE CREATOR is a purely American phenomenon, as American as apple pie, motherhood and the Fourth of July. It is rooted in American soil and in the pioneering spirit of early Americana. Unlike most other religions that have fastened themselves like barnacles on the minds of our White Racial Comrades, Creativity is not a foreign import. It is not an offshoot of Asiatic Christianity (as is Mormonism), or a replay of Hitler's Nazi movement, or Mussolini's Fascist movement, nor warmed-over Klansmanship. It is none of these. It is unique in itself, it stands on its own two feet, it is pure Americana, and we are proud of it.

In this respect, I want to point out a reality that seems to escape most of the Hollywood Nazis in America. The Germany of Adolf Hitler is dead. It is a Jew occupied, Jew infested slave camp as servile and co-operative with the Jew masters as any country in the world, if not more so. Not only does it not have the slightest chance of reviving the Hitler movement in Germany, but that chance is further blocked by the Jewish jackboot on the neck of the Germans. And that jackboot is the 360,000 American (mostly niggers) occupation troops present in Germany for the last 38 years. They are there not to protect Germany from Russian invasion, but on the contrary, to protect the Jews from the Germans, and to prevent the Germans from ever again taking control of their own destiny and forming a government of their own choice. If necessary (under present conditions) the United States would send another million, or two million more, occupation troops to keep the Germans subdued under the Jewish heel, and if necessary, keep them there for the next hundred years.

So wake up to reality, White Man. No salvation will come out of Germany, or anywhere else out of tired, confused and strife-torn Europe. It will either burst forth and make the big breakthrough right here in America, or it will never happen. Only America now still has the White Power that can still smash the Jewish monster. I repeat — it will either happen here, or nowhere. Just as the Klan did a great job in the South during the 1870's and 1880's, so the Nazi movement under Hitler did a tremendous job in Germany during the 1920's and 1930's. But those eras are past and gone, and neither of these ideologies any longer fit America in the last quarter of the Twentieth Century. Both are now as obsolete as Henry Ford's once great Model "T".

The glory of Hitler's Third Reich is dead and gone forever. It lives on only in history and memory. We can no more revive

it than the glories of Ancient Greece or Rome. To try to do so would be to live in a fools paradise. So let's quit playing games of trying to revive the Hollywood image of the Nazis or the Klan. They are now over and done with. They are past history. So let us get down to the serious business of building a powerful battering ram for the survival, expansion and advancement of the White Race. We can, if we will, build a more beautiful and glorious world for all the White Race than Hitler's Third Reich ever was, and THAT is a reality. CREATIVITY HAS THE ANSWER.

8. Lastly, we take a position (unlike the Catholic Church, which claims the Pope is infallible) that personality cult worship is not for us. Just because Jesus Christ said so, or the Pope said so, or Hitler said so, does not necessarily make it so, and anyone who indulges in personality worship is too often led into tragic and erroneous areas of mistaken actions and causes. For instance, we consider that taking Christ's advice to "pluck out thine eye" if it has led you "astray" is stupidity of the first order. Our position is everlastingly one of logic and good sense in every and all situations. And no matter how high the authority, our own good judgement must prevail.

This brings us back to the basics of our religion, Creativity.

1. Creativity is founded on logic and common sense. It is based on the experience of history and on the Eternal Laws of Nature.

2. We are a racial religion whose sole interest is the survival, expansion and advancement of the White Race and the White Race alone. In this we are unique and in a class by ourselves.

To briefly summarize our differences with the Nazi movement, we categorically state:

1. Whereas the Nazi movement's main center of concern was Germany and the German people, we are a worldwide movement whose prime concern is the total White Race.

2. Whereas the Nazi movement was a political organization to solve the dire dilemma of the German people, The CHURCH OF THE CREATOR is a worldwide religious movement to solve the dire problems of the entire White Race.

3. Whereas Hitler never addressed the all pervading issue of Jewish Christianity, we not only confront it head on, but examine it, expose it, and tear it to pieces, and vow to wipe it off the face of the earth.

4. Whereas Hitler preached nationalism and saw many of the White nations such as the French, the Poles, the Czechs, the Russians, and others as arch-enemies, we, in contrast, embrace the entire White Race and seek to unify, polarize and solidify all of our White Racial Comrades into a Whiter and Brighter World. We preach not nationalism, but Racial Socialism.

5. Whereas Germany under Hitler struck a pact with the Japanese, one of the foremost of the mud races, in a military alliance in the killing of White peoples, we denounce and deplore this historical fact. A cardinal rule of The CHURCH OF THE CREATOR is never, never again shall the White Race engage in suicidal warfare against its own kind but concentrate its power and hostility instead against the Jews and other mud races.

6. Our "mythos" is the American scene of our pioneering forefathers, Manifest Destiny and the Winning of the West. In contrast, the Nazi mythos was more Germanic in orientation, such as Prussian militarism and its own history.

7. We Creators do not believe in pursuing the "personality cult" type of blind faith or worship. Instead, we still believe in relying on our own logic and common good sense, learning from the experience of history and learning from the master teacher of all time — Mother Nature herself.

To our Nazi friends we say categorically: We of the CHURCH OF THE CREATOR believe in honoring our White

HOW TO STEAL THE WORLD WITH WORTHLESS PAPER THE FEDERAL RESERVE BOARD

THE BIGGEST SWINDLE IN HISTORY

The Federal Reserve not a Government Agency but a Private Gang of Jewish Counterfeiters

The most gigantic counterfeiting ring in the world. If you were to rack your brains to find the most direct, fastest means of acquiring a monopoly of all the wealth in this world, by fair means or foul, undoubtedly the idea of setting up a gigantic money printing press would cross your mind. In short go into the counterfeiting business on a massive world-wide scale.

All Profit. What is quicker than having such huge printing presses spewing out millions of ten dollar notes, twenty dollar notes, fifties, hundreds, even thousand and ten thousand dollar notes? It is all profit, except for the ink and the paper, which incidentally, costs less than half a cent per note, whether it is a one dollar bill or a thousand dollar bill.

Awesome Power. There is only one catch, supposedly. Counterfeiting is illegal, and governments crack down hard on violators and the penalties are harsh. In fact, the Founding Fathers of the United States, realizing the awesome power that is inherent in the issuance of money, clearly reserved these rights to Congress and Congress alone. Article 1, Section 8, Par. 5, of the Constitution of the United States, says, "Congress shall have the power to coin money, and regulate the value thereof".

Own the Presses, Buy the Government. But what if you and your gang were so highly successful that once you got going you not only owned the presses, but you had ample money to have a monopoly of the news media, and, subsequently, own the government as well? Having done so, your captive government could then make it legal for you to own and run the printing presses at will. They could then spew out the money for you by the carload. Not only that, but you could insure your great good fortune by having the printing presses run for you under the legal auspices of the established government itself

and hand over all the printed money to you, free of charge, except again, for the insignificant cost of the paper and the ink. Not only would your captive government make it legal for you to be in the counterfeiting business in a huge way, but you could even have them give you a legal monopoly, thereby keeping all other competitors out of your racket. Wouldn't that be great?

Not Fantasy. An Accomplished Fact. A wild idea, you say? Perhaps. But not at all impossible. Not only is it possible, but it is an accomplished fact. It is, in fact, a harsh, cold reality, much to our detriment. Those crisp green bills you are now carrying in your wallet are the product of such a counterfeit ring. The international Jewish bankers accomplished that wild dream back in December, 1913, when they inveigled Congress to pass the **Federal Reserve Act** and, thereby created the Federal Reserve System, a private, (not governmental) corporation, for themselves.

Criminal Gang. This Jewish gang of criminals has rapidly been accumulating unto themselves, not only all the wealth of the United States, but of the world, ever since. Strange, you say? Not at all. When we study the history of these slippery con-artists it is not really so strange at all that they would try to do so. Being a rapacious, piratical tribe for the last several thousand years, and having manipulated the money of the world for the same period of time, it is not at all strange that the Jews would try to monopolize the creation and control of money, the most powerful tool in the world. **It would be strange if they had not attempted to do so.** They have been monopolizing money and the financial control of White Nations for milleniums. The thing that is strange is that the White goyim has not caught on and realized that the Jews have captured for themselves the money creating machinery of

the United States, and also the rest of the world. They are now the unchallenged manipulators of the credit machinery, the banks, and the financial power of the world.

Private Corporation. There is not one American in ten thousand that doesn't believe and take for granted that the Federal Reserve System is a government agency. But nothing is further from the truth. **The Federal Reserve banks are owned, lock, stock and barrel, by a criminal gang of international Jewish bankers,** a gang that hasn't the slightest interest in serving the best interests of the American people. On the contrary, this scurvy gang of criminals is viciously intent on destroying the White Race that built America, despite the fact that the White Race is the only element that can keep America (and the world) from collapsing into chaos.

The Federal Reserve System, the Federal Reserve Banks, and its many branches and adjuncts, can be considered as a unit. For the sake of simplicity, we will simply refer to it as the **Federal Reserve.**

Government a puppet of the Fed. Not only does the U.S. government not own the Federal Reserve, it is, in fact, the other way around. **The Federal Reserve owns the U. S. government** and manipulates it like a puppet, solely for the interests of this avaricious international gang of Jewish jackals, who control the world, its money, and its economy.

Window Dressing. To most Americans, this comes as a major shock. Unbelievable, they say. Ask any banker as to who owns the Federal Reserve and they will lugubriously explain that the Federal Reserve stock is owned by the member banks, divided into twelve districts, that the President appoints members to the board of the governors of the Federal Reserve, etc.

All of this is partially true as far as it goes, but it is pure window dressing. The few details about the Federal Reserve that are known are widely disseminated. Their sole objective is to act as a smoke screen for the real ownership, the real control. What little is known to the public (and very little is known

about the Federal Reserve) is very selective non-information, fed to the local bankers in order to confuse them rather than inform. Even most local bank presidents are so ignorant about the real nature of the Federal Reserve that they believe it is a government owned agency rather than a privately owned corporation solely for profit.

The Brutal Truth. The real facts are somewhat different from what the average banker thinks. They are as follows:

1. **The real ownership and control of the Federal Reserve is vested in the Class A stock.** The names of those owning this stock are impossible to obtain. Ask your local bank president and he'll be much surprised to find out there is a Class A stock. He will not have the slightest inkling as to its ownership. He is not alone. Those names have never been divulged, not even to the President, or the Congress of the United States. Nor has any Congressional Committee ever had the nerve to honestly investigate the question of that ownership. This should give us some indication of the Federal Reserve's power, and raise a red alert.

2. Its inception, formation and dovetailing with other such institutions in foreign countries indicates that without a doubt it is owned by **a powerful clique of international Jewish bankers,** most of whom are not even citizens of this country.

3. To further indicate what absolute power this monster exercises over our government and economy, the Federal Reserve has pre-empted unto itself some unusual and highly illegal privileges. For instance, **it pays no income tax** as do other corporations, **nor does it pay taxes of any other kind.**

4. The Federal Reserve has **never been publicly audited** since its inception in 1913.

5. The Federal Reserve, by having the power to issue money, **can "create" money** as easily as any other counterfeit gang with a printing press, the only difference being that it can and does do so on a massive scale and has "legal" sanction to do so. **The tremendous profits from this counterfeit operation all ac-**

crue to the international gang of Jewish bankers at the expense of the American working people.

6. Americans, a little over a generation ago, owned nearly half the gold of the world. In 1934, Roosevelt, a chabez-goi, a willing stooge under the control of the Jews, made it illegal for American citizens to any longer own gold, although any foreign swindler, horse-thief, or government, could, and still can, exchange their dollars for American gold. He made statutory criminals out of American citizens for owning gold, a privilege our government willingly grants to any foreign horse-thief.

Americans Stripped of their Gold. Thanks to such discriminatory policies, neither the American government nor the American citizen any longer own any significant quantities of gold. We have been fleeced clean. What was originally sold to the American people as a policy to back our paper money with gold, has ended up with America, its people and its government being robbed clean of its precious metal, although we are the most productive country on the face of the earth. The gold in Ft. Knox has rapidly been shipped to foreign shores, especially Switzerland, which the Jews have built up as a private "neutral" haven for themselves.

Even what little is now left in Ft. Knox is now heavily overpledged to foreigners and to the Federal Reserve.

Americans Fleeced Again. After having completely stripped clean the American people, in 1975, the Jew-controlled government of the United States again made it "legal" for the ordinary citizen to own gold. Americans could now buy back for \$175.00 to \$195.00 an ounce, what had been taken from their ancestors at \$20.50 an ounce 40 years earlier. Those who fell for this trap and now bought were further fleeced by speculation and falling prices, all of which further enriched the Jewish speculators.

And Again. Such was the situation in 1976. Many White Americans lost money in the up and down manipulations of the Jewish gold speculators. Then towards 1979, as run-away inflation became more obvious and more rampant, confidence in the phoney paper dollar plummeted even further. People at home and abroad panicked and turned to gold, driving up the price to \$800.00 an ounce. The Jews then pulled the rug out from under and it sank to under \$500.00. Again, many White Americans lost, but the Jews, knowing in advance what they were manipulating, profited from their losses.

Planned that way. This is no accident. It was planned that way. The Jews have accomplished what they set out to do — accumulate

unto themselves, among other riches, all the gold on the face of the earth.

* * * * *

Back to Beginnings. In the foregoing we have said that the Jews have a monopoly on printing counterfeit money and have also fleeced us of the huge gold reserves once owned by America, and Americans as individuals. To most gullible, uninformed Americans, this seems shocking and incredible. Yet it is true. How did they accomplish such an astonishing feat, such blatant piracy?

Careful Planning. It is a long story. In this treatise we can only carve out the rough outlines of this sinister conspiracy that has had such a disastrous impact on the fortunes of the White Race. It is a story that must give credit to the astounding possibilities that can be accomplished by meticulous planning, patience, and tenacity. All this the Jews have put forth in ample measure.

Began with Jewish Goldsmiths. The beginnings go back to the early ancestors of the present day Jewish bankers, back as far as medieval Europe, and even further back to ancient Rome, when the Jewish "goldsmith bankers" already predominated in the money markets. They still do today. Gold has been a medium of exchange and used for coinage from ancient times. The Jews, especially, have been wildly fascinated by gold and have undoubtedly promoted the idea that it had mystical and intrinsic values far beyond its real value. In any event, in the old days, people who acquired gold took it to certain (Jewish) goldsmiths for safekeeping. The goldsmith then gave the depositor a receipt or a "claim check" for the gold received. These "claim checks" could be used to reclaim the gold by anyone who had them in their possession, and not necessarily the same person who deposited the gold. Thereby these receipts were transferrable, and in actual practice these receipts for gold began to circulate as paper money. Supposedly, the receipts were as good as gold since whoever had them in their possession could claim the gold from the goldsmiths at any time they wished.

Jews found a Gimmick. So far so good. The next step was that people learned they could carry on trade and commerce by passing these goldsmiths' receipts without ever bothering to withdraw the gold itself. Their "faith" in the value of the paper was based on the idea that it was after all, redeemable in gold at any time.

The third step was a major discovery by the Jewish goldsmiths themselves of what has been the **Key Principle** (and a very profitable one) of banking ever since.

It is called "**Fractional Reserve.**"

Loaned out gold that wasn't there. The Jewish goldsmiths made an amazing discovery. They found that with receipts circulating as money, few people came in to claim their gold. They conceived the idea that they could "loan out" gold, at interest — gold that really did not belong to them, but was only in their "safekeeping."

"Money" out of thin air. With interest. What they did was write out receipts, or "claim checks," to borrowers, and charged interest on the gold they were loaning at the same time. These "claim checks," or receipts, created out of thin air, then, too, passed into circulation, the same as the others that had been given to actual depositors of gold. The Jew, in actuality, was writing out and passing claim checks on several times as much gold as he had available, and nobody, it seemed, was the wiser.

The Jew had struck a fabulous gold mine without having to so much as turn a shovel full of dirt!

"Fractional Reserve" the gimmick. The goldsmith was "lending out" gold that (a) was really not his to lend, and (b) several times more than he actually held in "safekeeping". But with the calls for the actual gold by the original depositors being so infrequent, he felt relatively safe that with his "fractional reserve" of gold that he could cover any day to day withdrawals. He could do so, provided, of course, there was not a "run" on the gold supply that was not his, but only given to him for "safekeeping." The goldsmith, in other words, was writing receipts for perhaps five or ten times as much gold as he had actually on deposit, betting on the theory that most of his depositors would not come to claim their gold at any given time. But the interest he was collecting on the fictitious gold he had "loaned out," but did not really have, was very real indeed. For instance, if he charged 10 percent interest a year, and loaned out (via "receipts") ten times as much gold as he had for "safekeeping," he could acquire for himself, in only a year's time, as much gold as was entrusted to him for "safekeeping."

Acquired Monopoly. And thus, even in medieval Europe, these Jewish shylocks acquired a monopoly of gold and money in Venice, in Amsterdam, in London, Paris, Vienna and all other financial centers of Europe.

Jews have Clear Field. Throwing the money monopoly and control of gold into the hands of the Jewish Shylocks was strongly aided and abetted by the Christian church itself. During the Middle Ages (better known as the Dark

Ages, when spookcraft ran rampant), the Catholic church forbade Christians in engaging in the loan business, calling it "usury." Since lending money was usurious, and usury was a sin, Christians were shut out, leaving the field wide open to the usurious and pecuniary Jew. Added to this was the stupid Christian doctrine that "money is the root of all evil."

Soon Monopolized all Wealth. One further European practice of the time helped drive the Jews into the money manipulation monopoly. Many countries, cities and principalities had laws prohibiting Jews from engaging in a number of trades and businesses, because they were aware of how, with his rapacious nature, the Jew soon monopolized and ruined those trades and businesses. But, foolishly to the key, the nerve center of business — money — they left the gates wide open for the Jew to monopolize, and he had a field day. This he has to this very day, and today he not only has unchallenged control of the money markets of the world, but because of it, the Jew has a monopoly of every other meaningful and worthwhile business as well.

Coming and Going. Often these Jewish goldsmiths charged their clients both ways. They charged the depositors "fees" for "safekeeping" their gold, and they also collected interest from the borrowers of gold that did not belong to them, often, as we have stated before, lending out in the form of paper receipts five or ten times as much gold as was actually on deposit in their vaults.

Basis of all Modern Banking. From this "fractional reserve" trickery, discovered by these early Jewish goldsmiths, all modern banking principles have evolved, albeit with thousands of variations and refinements.

Fear a "Run." The modern banker still fears, as did the ancient goldsmith, a "run" on his bank, a time of panic, or rumor, regarding their integrity or stability that sometimes caused all depositors to rush in and withdraw their deposits at the same time. When this happened to the early goldsmith, and happen it did, the enraged depositors, finding their gold was not there, usually hanged such Jewish manipulators from the nearest tree. In old Amsterdam, a Jewish goldsmith proposed a law making it a hanging offense for anyone starting a "run" on a goldsmith. This immediately alerted his depositors and precipitated just such a "run" on him, the very thing he feared. Of course, this Jewish Shylock had far too many "receipts" out and could not pay. The depositors ended up hanging the goldsmith.

(Continued on Page 8)

Jews became Fabulously Wealthy. Needless to say, those Jewish goldsmiths that were not hanged became fabulously wealthy by trafficking in gold that (a) was not theirs; and, (b) did not exist. As time went on, through fees, interest and usury sometimes as high as 30 percent to 50 percent, they acquired most of the gold that had been earned and owned by their Gentile clients. They soon became the Shylocks and money lenders, not only to individuals in all the civilized countries, **but also to their governments.** They have vigorously and aggressively maintained, enhanced and strengthened that position to this very day. They have now, as we said in the beginning, acquired absolute monopoly of all banking, issuance of money, financing, money lending, stock markets and the gold of the world. It is their most powerful weapon. With it they have acquired their remaining weapons with which to enslave the gullible goyim. Through monopoly of money, they easily acquired monopoly of the means of propaganda, and every other nerve center of power, including government itself.

* * * * *

Acquired Legal Status by Treachery, Deceit, Betrayal. We now want to get back to the last part of our story — namely how the Jews acquired “legal” control and monopoly of printing the money of the United States, by setting up the Federal Reserve System. We can see from the foregoing that the foundation for this financial power group was laid many centuries before that fateful day in December of 1913.

Treachery and Cunning. It is a fascinating story, permeated by treachery, deceit, bribery, trickery, and above all — long, patient and intricate planning on the part of the Jews. It is also marked by stupidity and betrayal by members of our own race.

Rothschild owns Half the World. The International Jewish bankers, mainly based in New York, already had a tight monopoly over the money supply of the United States long before 1913. **The House of Rothschild,** long ago had established their tentacles in the industrial countries of Europe, especially England, France, Germany, Italy and Austria during the 19th century. In each of these countries (as well as the smaller nations), they had organized a Central Bank System, such as the Reichsbank in Germany, or the Bank of England in Britain. Basically, a Central Bank meant that it controlled the country's banks, using the full credit of the government to issue money. All the while it had the legal sanction of

that same government whose people it was fleecing by having a monopoly on issuance, i.e., printing money.

Fiercely Destroy Anyone who Interferes. In the United States, prior to the passage of the Federal Reserve Act in 1913, whereas the Jewish bankers had had control of the nation's money almost from its inception, that control was still fluid amongst its own rivals and could be wrecked by an aroused people and/or Congress. In fact, during the Civil War, in a temporary lapse, Abraham Lincoln invoked the legitimate powers of Congress and issued 450 million dollars in printed currency, later called “Greenbacks” that did not derive through the hands of the International Jewish Bankers, and no interest was paid on this money. This single act so enraged the Jewish bankers, that they had Lincoln assassinated by one of their agents, namely Botha, alias John Wilkes Booth, a Jew.

Artificial Panics. In any event, after the Civil War, due to the manipulations of these Jewish bankers, who had artificially created the financial panics of 1873, 1893, and the severest of all, in 1907, there were serious rumblings from the people, and from some uncontrolled members of Congress, threatening that the Jewish power might be broken.

To ward off such a possibility, they decided to “legalize” their unconstitutional shenanigans by Federal Law — all in the name of “reform against the New York Bankers.” This was reverse psychology at its best.

Paul Warburg the Master Mind. To lay the ground work for such a law, a small clique of bankers headed by Paul M. Warburg, a Jew, recently arrived from Germany, met secretly on Jekyll Island at a plush hunting club in Georgia. They left in a private railroad car from Hoboken, New Jersey on November 22, 1910. So secretive was the meeting, no news about it leaked out until six years later.

With this small gang of New York bankers was one Senator, namely Senator Nelson Aldrich, himself entangled with the Jews in vast holdings and monopolies. Paul M. Warburg had come from Germany only 8 years earlier. He represented the House of **M. M. Warburg Company,** which controlled the Reichsbank in Germany, and in turn was a **branch of the Jewish House of Rothschild.**

Jewish Boast. It was Meyer Amschel, the patriarch of the House of Rothschild, who arrogantly stated, “Give me control over a nation's money and I care not who makes its laws.” The Jewish House of Rothschild has made good that boast and now controls the economies (and the law-making) of the world.

At Jekyll Island. Under Paul Warburg's leadership, the small clique at Jekyll Island hammered out the main draft of a bill that would secure for themselves the legalized and privileged monopoly of banking, based on the same systems as the Central Banks of Europe. At the heart of it all was the unrestricted printing of money, and having sole monopoly.

Political Trickery. It was introduced into Congress as the Aldrich Plan by the senator whose name it bore under the auspices of the Republican Party. The bill was roundly attacked by opponents of Wall Street as being a bill favoring the New York bankers.

In the elections of 1912, the Republicans made the Aldrich Plan (all in the name of reform) a part of their official platform. An unknown university professor by the name of Woodrow Wilson, suddenly, out of nowhere, became the Democratic candidate for President. He and the Democratic party roundly attacked the Aldrich plan and offered in its place a piece of legislation that (supposedly) was “for the people” instead of the bankers. It was called the Federal Reserve Act. Although Congress and the people were too stupid to realize the situation, the “opposition” plan was in essence the same Aldrich Plan, as hammered out by Jew Paul Warburg and his henchmen, at the secret meeting on Jekyll Island. There was some honest opposition to the bill by such stalwarts as Congressman Charles A. Lindberg from Minnesota, and Senator LaFollette of Wisconsin, and others. Passage of either the Republican version or the Democratic version was precarious, despite loading the coin on both sides.

Bided their Time. But the treachery and cunning of the Jews is almost infinite. They bided their time. On December 23, 1913, when most of the congressmen and senators had already left the capital for the Christmas holidays, their select henchman stayed and rushed the bill through congress. Their paid stooge, Woodrow Wilson, signed the bill immediately. The Jews had their Central Bank, European style.

Disaster for American People. For the American people, who understand little of all the confusion, it was a day of infamy, a disaster of much greater magnitude than a dozen Pearl Harbors.

* * * * *

Deficit Spending. Stripped of all window dressing, how does the Federal Reserve work? Basically, it works on deficit spending and the same principles of “fractional reserve” as practiced by their Jewish goldsmith ancestors.

The Jews are constantly and deliberately pushing the Federal government deeper and deeper into debt, because every billion

dollars more debt means a billion dollars into their own coffers, plus interest.

Mechanics of Manipulation. Supposing the Federal in Washington needs another ten billion dollars. Where do they get it? They go to the Federal Reserve, a private criminal gang of international Jewish bankers. The Federal Reserve makes the loan.

Where does the Federal Reserve get all this money?

Simply Prints it for Nothing. In order to make the loan, the Federal Reserve first asks the U.S. Bureau of Printing and Engraving to print up a new batch of 10 billion in dollar bills of various denomination, tens, twenties, hundreds, etc. These then are turned over to the Federal Reserve Bank **free of charge,** except for the cost of the paper and ink for printing them, which is insignificant. The United States government then prints up ten billion dollars in U.S. government bonds and turns these over to the Federal Reserve also as “collateral.” These U.S. Government bonds are an I.O.U. and **have to be repaid, with interest.** The Federal Reserve then issues the U.S. Treasury department credit to the amount of ten billion dollars on which it can write checks.

People in Debt with Interest for Worthless Paper.

A cursory inspection of this transaction reveals:

1. The Federal Reserve has contributed nothing but paper and ink, a minimal item.

2. Riding on the credit and prestige of the United States government, it has “issued”(created out of nothing) ten billion dollars worth of new money.

3. The government gets to spend this money, but **has to pay it back** to the Federal Reserve **with interest.**

4. **The Federal Reserve is immediately ten billion dollars richer — plus the eternal interest it will accrue from this account receivable.**

5. **The United States government and people are ten billion dollars deeper in debt to the Federal Reserve and have to pay it back with interest.**

6. **If congress did its duty and invoked its constitutional right and obligation, it could and should have printed the same ten billion in dollar bills on its own for the cost of the paper and ink, as did Abraham Lincoln, without owing the Jewish bankers a cent. This is what the Constitution of the United States authorizes it to do and obligates it to do.**

Hitler defied Jewish Bankers. As far as I know, in modern times, outside of the \$450 million in “greenbacks” that Abraham Lincoln had printed, the only country that defied the Jews

(Continued on Page 9)

and printed its own money was Adolf Hitler's Germany between 1933 and 1945. Before Hitler, the Rothschild owned Reichsbank had Germany so tied up, bankrupted and in debt, that the German people were virtual slaves to their Jewish masters. Every business, every industry, every farm, every cow, was either owned by the Jews or hopelessly pledged to them. Millions were unemployed and starving. The country, totally ravished by the Jews, was in worst possible straits, financially, morally, and practically every other way anyone could possibly imagine.

Germany Printed Its Own Money. As soon as Hitler came to power, he wrested the money printing privileges out of the hands of the Jews. Instead, it was printed by the legal authority of the German government itself, backed by the productive strength of the nation. There was no interest paid on it and the government was not in debt to any Jews or anybody else for each and every Mark that was printed.

Miracle Recovery. The immediate financial and industrial recovery in Germany that followed was a marvel to behold. While much richer countries, like the United States, were wallowing in depression, unemployment and despair, the Germans were busily building new factories, super highways, houses, cars, ships, etc. Unemployment disappeared in short order. Everyone was working and building. By breaking the Jewish financial stranglehold over the German people, the Germans, during Hitler's short 6 year period of peace, were more productive and prosperous than they had ever been in their previous history.

Fabulous Wealth could be Ours. The United States, being a much richer country, due to its land and resources, could be fabulously wealthy if and when we break the Jewish stranglehold here. This we must do and we will do.

Jews pushed us into World War I. Although the Federal Reserve Act, passed in 1913 violated the Constitution (and still does), which says under Article I, Section 8, **Congress alone** "has the power to coin money, (and) regulate the value thereof" the Jews now "legally" had the power to print all the money they wanted, to control, fleece and manipulate the finances of the wealthiest country in the world. They have done so with a vengeance. They were now ready to use those powers. Within less than a year after passage of the Federal Reserve Act, the Jews had World War I in full swing. By 1917, they had the United States inveigled in it, although we had not even the slightest national interest in entering that war.

Financed both Sides. But the Jews did. In Germany, the Jewish outfit of M.M. Warburg Co., was

helping the Kaiser "finance" the war. In the United States, Paul Warburg of Kuhn, Loeb & Co. and their now functioning Federal Reserve System was "selling" war bonds to the American government by the billions to finance the "American" war effort. Both Central Banks, in Germany and the United States, were owned and controlled by the same Jewish House of Rothschild. While the cream of young manhood of the White Race was dying in the stinking trenches and the mud of the battlefields, the Jewish printing presses on both sides of the Atlantic were rolling out money and propaganda. The White nations of the world were killing the best of their manhood, sinking deeper and deeper into debt, and the Jews were getting richer and fatter.

Terrible Power. The Federal Reserve System is, of course, an unmitigated evil, the poisonous breath of a monster that is choking the American White people to death. With unlimited control of the money and finances of the world, the Jews can deliberately instigate and manipulate wars, depressions, debts and taxes at will. Through the power of money, they have accrued unto themselves the television networks, the news media, the stock exchanges, the banks, the industries, and, in fact, **the government itself.** The Jewish controlled government is now slowly enslaving the White Race here and abroad in a deliberate program of destruction.

Racial Showdown. What can we do about it? It is pointless to wage single wars against the Federal Reserve or the United Nations, or the many other tools the Jews now control in order to more rapidly destroy us. We are not going to win scattered battles. **We can only win a total war** in which it is a united, organized war, a total war — the White Race against the Jews and the mud races. Our best and only program is to organize **racially** around the creed of THE CHURCH OF THE CREATOR. We must totally drive the Jews from power and totally grasp into our own hands our own future and destiny. Only an organized, united White Race can do that, and do it we will.

Racial Religion a Must. Once this book, the White Man's Bible, is the universal property of the majority of the White People of the United States, we are well on the way to having broken the terrible power of the parasitical Jews and the diabolic Federal Reserve.

Check it out for yourself. Should you doubt the accuracy and veracity of my story about the Federal Reserve rip-off, be my guest and check it out for yourself. There are particularly a few vital questions to which you must get straight answers:

First, and the most vital: **To whom does the benefit accrue**

each time a new dollar bill is printed? Certainly not the public, and certainly not the U. S. Government. If the government got the benefit of all the printing press money, it would not be 800 billion dollars in debt and have to tax the people another 700 billion a year to shore up its deficit budget. **The benefit clearly accrues to the gang of Jewish counterfeiters who own the Federal Reserve.**

Second: Who owns the Class "A" stock in the Federal Reserve? Don't let them tell you there isn't any.

Thirdly: Why does the Federal Reserve **pay no taxes**, when every other private corporation does?

Fourthly: Why has the Federal Reserve **never been audited?**

There are many more questions we should ask, but the above will suffice.

In order to get answers you may want to write to your Congressmen, or perhaps half a dozen Congressmen and Senators, and see what a disparity of answers they come up with. Don't expect to get honest answers from them. Nor can you expect your banker, nor the news media to come up with any straight answers. The bankers, because they don't really know, and the news media, for the same reason, but even if they knew, they would lie to you, because they are owned by, and are part and parcel of, the same International Jewish Conspiracy.

Red Flag. The very fact that it is so difficult to get straight answers to the above vital questions should Alert Red Flags in your mind about the Sinister Nature of the conspiracy that devours all.

Conclusion.

What does all this mean to you, the average hard working White taxpayer? What does it mean to you, the average White American who has to work and scrimp and save to make ends meet and earn a decent living for himself and his family, yet has to work into the middle of June to assuage the voracious Jewish tax collector?

It means plenty to you. The impact on the working White middleclass American is devastating. It practically makes him a galley slave in the so-called Land of the Free, the America that the White Man built from a wilderness.

So you had better listen and listen real well. The nefarious swindle known as the Federal Reserve means the following to you.

1. It means you have to earn every dollar you work for at least five times over.

(a) You first earn the dollar that supposedly you get in your paycheck or in your business.

(b) You have to pay for it again **by borrowing it** from the Federal Reserve swindlers.

(c) You have to pay interest on that dollar forever and a day to the

Federal Reserve. This may wind up paying two dollars in interest for every dollar received (borrowed).

(d) You have to pay more than half of what you earn back in a multitude of taxes, all of which finally ends up in the hands of the same Jewish swindlers whose counterfeit dollars you had to beg for in the first place.

2. It means also, since these treacherous Jews have the fraudulent means of printing themselves unlimited wealth, that **they can buy up the total means of propaganda** — newspapers, magazines, publishing houses, book distribution, radio networks, T.V. networks, etc. This they have done a long time ago and they are in total control. They have ruthlessly used this to control the minds and the thinking of the people of the world, including the confused and confounded thinking of the White Race.

3. By means of **thought control** and mind manipulation they also control the governments of the world, including our own in the United States of America.

4. By means of their **tremendous financial power** they can also **buy, sell and manipulate** those government officials that are not persuaded. In short they can and do buy, sell, own and control our government.

5. Since the program of the Jews is the **total mongrelization and destruction of the White Race** (which they are accomplishing at an accelerating pace), you, my dear White Racial Comrade, are the target of their destruction. Whether you like it or not, you are in the frying pan.

6. Because of their **insatiable avarice and greed, the Jews**, by means of confiscatory taxation, are **looting the White Man** of even that little which he has left after years of hard work and scrimping and saving.

7. The small sum total of the White Man's savings is further decimated by spiraling inflation. **And what causes inflation?** The **unlimited printing of counterfeit paper dollars** by the corrupt and sinister Jew, as manifested by the Federal Reserve.

* * * * *

Think It Through. So think about it, White Man. You have a lot at stake as to whether or not you continue to allow the venal and perfidious Jew to continue his fraudulent racket of printing worthless paper dollars and passing them off to you as being "legal tender."

You had better wake up and do something and do it now. "But", you ask, "What **can I do?**"

NOT ATHEISTS

(Continued from Page 1)

To the Black Muslims, Christians are White devils. How do you like that?

There are, of course, any number of other smear-words in all kinds of categories other than religious. In the ethnic field we find Italians being called Wops or dagos, Hispanics called spics or greasers, who in turn call Americans gringos. Germans have been called krauts or nazis, and the English have on a number of occasions been labeled "limeys" and even as "perfidious Albion".

We said two (or more) can play the game of name-calling. Let us do a few numbers on the Christians that readily come to mind. We could call them spook-chasers, Jesus freaks, Jew-lovers, superstitious, gullible, irrational, mind perverts, anti-Nature, no earthly good, childish, and accuse them of indulging in mass insanity. We have more on our list, but for starters let them try those on for size.

But let us get back to this "atheist" bit, and explain seriously why we do not accept it and why it is a deceptive fraud.

In the first place, it is a negative and meaningless description. It merely means you don't believe in the other fellow's spooks without saying anything positive about what we Creators do believe in, which is plenty. It is like asking Mr. Jones what his name is and he comes back and says it isn't Brown or Smith or Garfinkle. OK, it's none of those. In fact on the negative side, he could list most of a Manhattan telephone directory of what it isn't. But what the question really was all about was: What is your name, not what it isn't. Or if you were asked to describe a lion, but you indulged in playing games instead and said "it" isn't a bird, or a fish, or an eel, or a hippopotamus, without ever mentioning the word "lion". That would be pretty stupid, would it not, since you could make up a list as long as your arm of what a lion is not.

Or let's take another example. If someone asked you where you lived, and you answered negatively "Well, I don't live in London, or Timbuktu". Alright, that eliminates two areas you don't live in, but on the positive side that leaves a million other places and addresses you could live at, but have not positively specified.

For the same reason we resent Christians calling us atheists, which is purely negative. All it says is we don't believe in their set of spooks. It further implies that since you don't believe in their pet version of spooks, that you are an "unbeliever", and don't have any beliefs at all. Now it so happens that their spooks at best are ex-

tremely vague, undefined and unsubstantiated by any meaningful evidence. In fact, so vague and undefined are these fictitious concepts of their spooks that the Christians can't agree amongst themselves as to what "it" is and have argued and fought wars over their "beliefs" amongst themselves for hundreds of years.

Not only is there rank confusion amongst the Christians about their concept of "god", but also amongst all the other spook swindlers. The Christians have a three-way "god" — father, son and holy ghost, of which the Jewish Jehovah is 33 1/3 percent. The Jews on the other hand claim he is their own exclusive tribal god Yahweh, not for export, and don't "believe" in the Christians other 66 2/3 percent of the pottage. The niggers say god is black, and the women's libbers movement says god is a she, not a he. So take your choice, but if you don't believe in any of the above mess the Christians will call you an atheist and what can be worse than being of sound mind and body?

We Creators throw all this mess of garbage overboard and take the position as expressed by a little jingle (courtesy Angeline Bennett) loud and clear:

"For Thou shalt have no other gods"

Came forth the jealous call.

I'll go a little further yet.

I'll have no gods at all.

We Creators think it is a little ridiculous for superstitious, gullible yokels to try to intimidate us with name calling because we don't believe in their imaginary spooks, spirits, ghosts, demons, gremlins, fairies and what have you. We have no desire to be called a non-Christian any more than a lion wants to be called a non-mouse, or non-insect, or non-worm. In fact we are proud to be non-Christians for the same reason that a lion is proud to be a non-worm. But why not call a lion a lion? We consider Christians to be unfortunate victims of Jewish mind altering, whose mind has been neutered in an operation similar to what a vet does to a dog or cat. But that hardly qualifies them to hang labels on us.

We are proud not to believe in the Jews', the Christians' or anybody else's spooks, for the same reason we are proud of not believing in Santa Claus, Mother Goose, leprechauns or the tooth fairy. And for similar reasons. We do not believe in any of that nonsense because there is not a scintilla of meaningful evidence to substantiate any of it.

There are a lot of other things we don't believe in because they aren't true. We don't believe the earth is flat because the overwhelming evidence indicates it is round. We don't believe 2x2 make 17 because the evidence is substantial that it

makes 4. We could make a whole catalogue of other nonsense we don't believe in but it would be childish and a silly waste of time.

So our point is this: Why should the Christians pick one item from said catalogue of nonsense we don't believe in and hang a label on us for not being gullible and superstitious, not to mention stupid.

Isn't it much more rational to categorize an individual for what he positively does believe in, same as it makes more sense to give your proper name rather than list fifty others as not being your name?

And we Creators do have plenty on the positive side that we do believe in. It is all positively spelled out in our three basic books, NATURE'S ETERNAL RELIGION, The WHITE MAN'S BIBLE and SALUBRIOUS LIVING, and we are proud of our comprehensive creed and program. Some of the highlights of these beliefs are:

1. We believe in the Eternal Laws of Nature (which has nothing to do with vague and abstract concepts of artificial spooks, ghosts, etc.)

2. We believe that the White Race is Nature's highest and finest creation, that we are Nature's Elite, Nature's aristocracy.

3. We believe in the survival, expansion and advancement of the White Race.

4. We believe in looking at all issues first and foremost through the eyes of the White Race — not the Jews', niggers', or spooks'.

5. Our Golden Rule is "What is good for the White Race is the highest virtue; what is bad for the White Race is the ultimate sin."

6. We believe that the White Race has been programmed by its Jewish enemies to pursue an idiotic and suicidal course of self destruction and unless the White Man's mind is soon brought back to reality, the White Race will be wiped out by the exploding mud peoples of the world.

7. We believe The Church of the

Creator has the TOTAL PROGRAM, the ULTIMATE CREED and the FINAL SOLUTION to overcome the horrible catastrophe that is facing us today. We are determined to pursue that program or die in the attempt.

These are a few of the basic beliefs we Creators share, but by no means is this the end of the list. On the positive side we also believe in the Sixteen Commandments as spelled out in NATURE'S ETERNAL RELIGION and The WHITE MAN'S BIBLE. We believe in the Declaration of Independence from Jewish Tyranny as spelled out on P. 410 of The WHITE MAN'S BIBLE. We believe in SALUBRIOUS LIVING and especially the 14 points as a program towards a healthier life and better living. We believe in the 13 Articles for the Defense of the White Race as spelled out in The WHITE MAN'S BIBLE starting on p. 404.

For the first time in its history the White Race now has a racial religion of its own. We call it a four dimensional religion because it takes in all aspects of living — A Sound Mind in a Sound Body in a Sound Society in a Sound Environment. It is comprehensive, consistent, concise and complete. We are proud of having a system of tenets and beliefs that is constructive, is based on reality and does not insult the intelligence of Nature's Finest. Furthermore, we are in harmony with the Laws of Nature and the universe we live in and we are willing to believe anything that is logical, substantiated by meaningful evidence, and will serve the best interests of the White Race. It is all spelled out in our three sacred books, clearly, logically and positively.

So get off our backs, you Jesus freaks and spook-chasers. If you will stop calling us names for what nonsense we DON'T believe in, we will stop calling you names for the nonsense that you claim you DO believe in.

SALUBRIOUS LIVING SECTION

I Walked by the Side of the Road One Day

I walked by the side of the road one day,
Breathing in the smell of fresh cut hay,
Exhilarated by the beauty of spring,
'Til, suddenly, I was engulfed by spray
Coming from a truck out of whose way
I struggled to escape like a stricken thing—
A bird, or a bee, or an insect on the wing—
In panic plummeting to poisoned earth—
Dying in the contorted postures of pain,
Convulsed with agony of voiceless suffering
Inhaled or sipped in poisoned river or rain.
How many millions are the offering
Laid on the altars of the idols bloody
Of the chemical manufacturers whose profits
Cost man not only his soul, but also his body!

ETERNAL
RELIGION**

508 Pages, 49 Chapters

by Ben Klassen, P. M.
Published in 1973

This book for the first time in history sets forth the fundamentals of a basic RACIAL RELIGION for the Survival, Expansion and Advancement of the White Race. It is based on the Eternal Laws of Nature, the Experience of History, Logic, and Common Sense.

It exposes the whole panorama of the dastardly worldwide Jewish conspiracy, aimed at the genocide and extermination of the White Race. It lists the Five Jewish books that have had devastating influence on the thinking and the course of the White Man's history.

Best of all, it not only sounds the alarm, but blueprints a specific plan and program of how to extricate the White Race from its present predicament. It presents a EUGENICS program for the future of the White Race to uplift it to the glorious heights of the Superman and beyond.

A Friendly Word from Your Editor

In publishing this paper we have a multitude of purposes in mind, but there are two that predominate:

1. To inform and encourage our existing members and supporters to build the White Racial movement known as CREATIVITY, and,
2. To act as an effective flyer for mass distribution to our White Racial Comrades who have never heard of us before.

Of these two, we are placing major emphasis on the second objective. This paper is designed basically for the purpose of alerting and recruiting new members to our cause. Whereas not every White Racial Comrade may at present be receptive to our cause, nevertheless there are millions out there who are receptive, who are fervently looking for a solution for which we have the answer — the real answer. There are millions out there who have never heard of CREATIVITY or of the WHITE MAN'S BIBLE. It is your beholden duty to reach those millions and the best way to do so is to distribute copies of Racial Loyalty. It is one of the most constructive actions you can take.

Order 100 copies of either this September issue, or any combination of our three previous issues. Distribute it to your friends, your relatives, even your enemies if they are inclined to be receptive. Distribute it at shopping centers, colleges, airports, laundromats, even Christian Churches (!) You'll be doing your White Racial Comrades the biggest favor of their life. Do it now. Order 100 copies for \$15.00 or 50 for \$8.50.

Remember, the future of the White Race now hangs by a thread. If you don't take action, who will? A mere 10 million White Man's Bibles in the hands of our White Racial Comrades would see us well on the road to victory, an extremely small price to pay in comparison to the hundreds of billions the Jews loot from us every year. We have to get these first 10 million Bibles out, and the paper you now hold in your hands is the most effective vehicle with which to do the job. **We can do it, and your sacrifice and dedication are the key to victory. Become a mini-distribution center for our White Man's Bible and for Racial Loyalty.**

In the fight for the Survival of the White Race it is all or nothing. Winner takes all. There is no second prize.

FEDERAL RESERVE
(Continued from Page 9)

What can you do, indeed? A good question and we will answer it only briefly here, but we will show the way.

The White Man in small numbers has been aware of the sinister Jewish menace for a long, long time. The persistent mistake he has made in his feeble efforts to fight this cancer has been to fight the symptoms of that cancer, not the cause. This we have shown in the chapter of the relentless warfare between the Jews and the Gentiles.

The Federal Reserve is one of those symptoms, albeit a mighty powerful symptom. The real underlying cause is the Jewish network, the Jewish race itself. (Other symptoms of Jewish malignancy are: the United Nations, the corrupt, race mixing Supreme Court; inflation; crime; integration; confiscatory taxation and a host of other Jew — concocted problems bedeviling the White Man.)

We Have The Power. THE CHURCH OF THE CREATOR has the creed and the program to destroy this malignant evil and wipe it from the face of the earth. We cannot destroy the powerful Jewish plague by chopping at its

tentacles. Only by marshalling and organizing the awesome **might of the total White Race** can we ever hope to get the parasitic Jew off our back. **Aroused, informed, and organized** the White Race is ten times as powerful as all the Jews and mud races combined. Our program gets down to the basics of the Laws of Nature, the survival of our own kind, the great White Race. We go after the cause, not the symptoms.

In this, our **White Man's Bible**, and in **NATURE'S ETERNAL RELIGION**, we have the **total program, the final solution, the ultimate creed.**

Organize and Distribute. Need we say more? If you want to join the White Man's fight for **survival, expansion and advancement of our own race**, then avail yourself of a copy today.

After you have read our Bible, thoroughly digested and studied it, then you are ready to become a member of the finest religious organization on the face of the earth, the **CHURCH OF THE CREATOR**. You are then ready to become a **CREATOR — the cream of the elite**, and take up the fight against the despicable Jew.

ESTABLISHING THE FORMAT FOR ORGANIZATIONAL CONTINUITY OF THE CHURCH OF THE CREATOR

Since historically both governments and other organizations have often experienced problems and turmoil when it comes to change in leadership, I believe it is of major importance that such change of power at the top be clearly delineated at this time. Too often, as witness the succession of Emperors during the classic Roman Empire, such change of power often resulted in rivalry, bloodshed and civil war. I therefore believe that as Founder of the Creativity movement, it is vital that I set forth a set of guide lines for the future, so that such transfer can be made as smoothly and painlessly as possible and thereby eliminate any disruptions in the continuity and effectiveness of the movement.

Based on the experiences of history, I believe that the CHURCH OF THE CREATOR could well benefit from both past mistakes and successes. I believe the lessons of history show that the CHURCH OF THE CREATOR could function best under the following basic guidelines:

1. (a) The organizational structure should be based on the Leadership Principle as set forth in NATURE'S ETERNAL RELIGION and re-affirmed in THE WHITE MAN'S BIBLE. I believe that such type of organization has proved itself to function best throughout history, as is proven by the tremendous accomplishment of Rome under the Emperors, the longevity and continuity of the Catholic Church, and the tremendous efficiency and achievements of the Third Reich under Adolf Hitler. There are many other examples.

(b) The Pontifex Maximus is the supreme leader and head of the organization. He not only has the responsibility of carrying out the policy the Church must pursue within the creed set forth by our basic Bibles, but he also has the responsibility of selecting and appointing the staff and personnel. He has supreme authority and is responsible only to the White Race itself.

2. As a corollary to the above, the organization as a whole strives to practice White Racial Teamwork at all times. Such teamwork will be under the leadership of the Pontifex Maximus, as set forth in our Bibles. The goal at all times must be the Golden Rule — what is in the best interest of the White Race.

3. The term of office for the Pontifex Maximus will be one decade, ten years, and the transfer of power

will be every decade, on the decade.

4. Since the leadership and responsibility of such high office is of extreme importance to the welfare of the White Race, it is also extremely important that such person selected must be highly qualified. He must be highly trained, of the finest mental capacity, a superb leader of men, highly dedicated in his loyalty to the White Race and the principles of Creativity, and furthermore, at the peak of his mental and physical capacities. I therefore suggest that our leaders be younger than has been the custom in the Catholic Church or in political life in general. Instead of selecting men in their fifties or sixties, I suggest that the most creative, energetic and productive years are around the age of 35, and with a 10 year tenure would end at around 45, although this age bracket is not absolute, and could vary upward within 5 or 10 years.

Due to the strenuous demands of this highly critical office, I believe that a man of great energy and genius, after having given his all to the White Race for a period of 10 years deserves being retired with honor and replaced by a new, younger man with fresh ideas and energy. In this way, we will not allow the office to degenerate into the lethargy and senility that has plagued so many monarchies of the past, as well as the Catholic church to the present day. We want to keep the office and the leadership dynamic, energetic and forward looking, at all times promoting the best interests of the White Race.

5. In order that we have a large pool of such men to select from we must set up a special Leadership Training School. The beginning of such school will be a Creativity School for Gifted Boys, which we intend to set up in the next year or so. Starting with young geniuses, we will then have further Leadership Schools. Finally, their training will be further advanced by having such young men showing organizational and leadership talents in actual administrative positions. It is from the trained and the gifted that we intend to build our organizational structure.

6. The actual selection of the Pontifex Maximus will be carefully made by a College of Electors, a body of Elders consisting of approximately 300 men. These men will be individuals of high renown, who have demonstrated by a working life time their notable ability, their

Racial heroes and we believe that Hitler was the greatest of them all. But we must face reality. Hitler has been dead for 38 years, and outside of the legacy of history he has left us, there is nothing further he can do for us. Meanwhile, the Jewish onslaught is not only still very much with us, but it rages on with increasing vehemence, and nobody but the White Race itself will save itself from genocide. This means those of us living today have to do the job or it will not be done. So we had better get with it.

Hitler can't do it for us. In fact in the Nazi philosophy he did not even leave a viable nor completed blueprint as to how to do it. Germany and the Germans won't save us. As I have said, the White Race right here in America has the honor and the awesome burden of solving the problem. The White people of America will have to take the lead and fight the battle. To all our White Racial Comrades we say: The White Race in America will soon have to unite and it will have to make up its mind under what creed, program and leadership it wants to join forces. This fragmented bickering between 20,000 different factions is a luxury (or nonsense) we can no longer afford if we want to survive.

We contend that the CHURCH OF THE CREATOR has by far the most complete, comprehensive and realistic creed and program. We don't contend that we at this point have the best leadership and we are still looking. But we will find them and build the best organization the world has ever seen, bar none.

So we fervently appeal to all White Racial Comrades to join us now, regardless of what small White group you belong to. There are no meaningful large groups of any consequence. Join with us now! Let us get our act together! If the CHURCH OF THE CREATOR doesn't have the right creed and program, who does? We don't have forever to sit in arm chairs and quibble and pontificate. Never will the opportunity be better than today. Every day we delay, the White Race becomes weaker, and the Jews and mud races more powerful, in numbers, in political and economic power and every other category.

Once the White Man's thinking is straightened out, getting rid of the parasites on our backs will be relatively easy.

dedication to the White Race and also outstanding contributions to the church in past deeds and actions. Electors will be selected by the Pontifex Maximus himself, or a committee that he sets up for that purpose. They will be appointed in a manner similar to the United States president appointing members of the judicial system or of the Supreme court. Their tenure will be for life.

They will meet on an annual basis to confer not only on training and selection of the future leaders, but also to suggest basic policy, and to tender such advice and suggestions as they see fit to the Pontifex Maximus. As the end of the decade nears, they will meet in special convocation to make their selection for the next great leader, which will never be from one of their own numbers, but from the pool of trained and gifted younger men

available from the specially trained group mentioned previously.

7. Should a Pontifex Maximus die in office, or be removed due to disability, then a special convocation of the Electors would be called immediately to replace the Leader.

8. Such a leader would serve out the term of the decade. Should he serve less than five years, he would be eligible to be re-elected (by the College of Electors) for a full ten year term, but not necessarily be entitled to such as a matter of succession.

9. Should the partial term amount to more than 5 years, such Pontifex Maximus would then be automatically ineligible for re-election, having rendered his best years and contributions during that span of office.
