White Potential

February 1984

Let us use our muscle

WE ARE NOT HELPLESS

The White Race is not using even 1 percent of its tremendous resources. Properly organized and harnessed, our potential is beyond comparison.

A tourist was travelling through the Ozarks. As he stopped in front of a ramshackle dwelling, he heard a hound dog howling banefully as if in considerable pain. Somewhat perplexed, he asked the nearby hillbilly the question:

"Why is that dog howling?"

"Because he is sitting on a burr", nonchalantly replied the hillbilly.

"Well then, why doesn't he get up and get off of it?"

"Because he's too lazy", drawled the native.

The moral, if any, of this story is that the hound dog could easily end his misery and stop howling if he would only make the effort to do the obvious.

The White Man today is in a similar position. Although the problem may be somewhat more complex, the solution is as obvious as that of the hound dog. He could easily get out of his misery and stop howling if he would only have the guts and the will power to make the total effort. He has the means.

He has the power. He has the overwhelming resources with which to do so. He has the preponderance of numbers over that of his basic enemy, the Jews. Strangely, he is not using even 1 % of the resources available to him to do the obvious.

Let us examine this strange phenomenon and chart a course of action to solve the problem.

* * * * *

Let us summarize the miserable position the White Race unwittingly finds itself in today. When we take a cold, hard, realistic look at our overall situation we find that despite all the talents, energy, intelligence and other extraordinary gifts with which Nature has so lavishly endowed the White Race, it could hardly be in a worse position.

So let us take stock — let us sum up our assets and our liabilities. Let us do so honestly and fearlessly, though the truth may hurt.

* * * * *

Ask any White Man why he allows himself to be taxed to death; why he allows his children to be bussed around like so many cattle; why the niggers are taking over city after city; why we are subsidizing Israel and 126 other hostile foreign countries; why the Jews dominate our finances, news media, government and just about every other nerve center of power, his reply will be of a whining, helpless nature. He will howl like the hound dog sitting on a burr. It will go something like this:

"There is nothing we can do about it. The Jews have all the money. I have a family to feed. If I say anything I'll lose my job. You can't buck the establishment. You can't fight city hall. There is nothing we can do about it."

WHAT IS CHRISTMAS ALL ABOUT?

THE DAY AFTER

Twas the day after Christmas, and throughout every house, the creatures were stirring, especially The Louse.

A few days after Christmas, a Protestant, a Catholic and a Jew were sitting at a bar, recalling how they each had spent Christmas day.

The Protestant said, "Well, we started celebrating on Christmas eve. We went to our local church and listened to a short sermon and sang some Christmas hymns. Then on Christmas morning we gathered around the tree and opened presents. Then later, we had a few highballs and about 4 o'clock in the

afternoon, we had our big Christmas dinner."

The Catholic said, "Well, by and large we did the same thing, except we didn't celebrate Christmas eve, but got up early the next morning and we went to Mass. Then, about 1 p.m. we had our big dinner, after which, we opened our presents."

The Jew said, "Well, we have a different approach altogether. On Christmas day we invited all of our relatives and co-religionists to come together at the Department Store. We opened a case of Slivovitz, then we rubbed our bellies and looked with glee at the empty shelves and full cash registers. The Jew knelt down and gave thanks to our own boy, Saul, who invented this clever gimmick and made it all possible in the first place."

I heard this story many years ago, and have forgotten who told it to me. However, the more I thought about it, the more I realized there was probably more truth than poetry in this story.

NOT HELPLESS*(Continued from Page 1)*

This is the standard reply. It is nothing more than a common, most shameful, cowardly cop-out. You hear it all the time. It is all wrong. It is, I repeat, a shameful, cowardly cop-out, an excuse to avoid coming to grips with reality. Like the hound dog sitting on the burr, the White Man is howling, but too stupid to get off the burr. He is either too stupid, or too lazy, or too cowardly. Take your choice. In any case, he continues to howl, but won't get off the burr when obviously he has the means to do so.

The question screams to high heaven: Like the hound dog sitting on the burr, why in hell doesn't he get off of it?

In order to resolve that question we will go down the line, A, B, C, D, and E until we have the answers.

Let us go back to what we said we were going to do — let us take stock. Let us first of all assess the situation we are in.

A. ASSESSMENT OF THE DILEMMA.

1. The first glaring fact to stare us in the face is that although the White Race genetically is still holding all the trump cards, it is a dying species. Not only endangered, but dying. Yet with all its intelligence, very few of its members are aware that our race is on the road to oblivion, and the overwhelming majority act like they couldn't care less.

2. The White Race, which at the beginning of the 20th century, was regarded as the undisputed lord of the universe, is now running from his inferiors. He is running before inferior scum, the mud races, despised, scorned and heaped with contempt. Joining in this attitude and fully collaborating with his inferiors, the mud races, is the White Man himself.

3. The White Man, who over the last several centuries, (in fact, going back to Ancient civilizations) harnessed the man power of his mud-colored slaves, now is himself the world's foremost slave, carrying all the parasites of the world on his back.

4. Not only is the White Race shrinking while the populations of the world's mud races are exploding at an unprecedented rate, but the White Race itself is being mongrelized and dragged down into a shameful, ignominious cesspool of miscegenation. What a disgraceful way to go! Not only is the White Man not going out in a blaze of glory, but he is shamefully ending his existence on this planet with an apologetic whimper.

5. The White Man is actually groveling before a treacherous but totally inferior enemy — the perfidious Jew. Not only is the Jew inferior in all major categories of productivity, creativity, art, science, intellect and other attributes of civilized man, but he is also vastly inferior in numbers. Yet the White Man not only tolerates the Jew, but through Christinanity, actually engages in Jew worship, fears the Jew, panders and toadies to him in a way to turn an honorable man's stomach. Similarly, he now will fawn over some stupid nigger, paying lip service to some crude ape as if the ape were now the master of the man.

6. The White Man no longer is conquering and occupying new territory on this planet. In a direct reversal to the 15th, 16th, 17th 18th and 19th centuries, the White Man is now retreating like a wimp and allowing the niggers and other mud races to invade and occupy his home territory. Like the hound dog sitting on the burr, he makes no effort to correct the situa-

tion, but merely whimpers.

7. The White Man is being robbed of his own inherent and greatly superior culture and is adopting the jungle-bunny "culture" of the African nigger, relentlessly being slopped on him by the aggressive Jew. Again, no resistance from the White Man.

8. The White Man is being financially robbed, looted and pirated on a scale never before observed in the history of civilization. Overwhelmingly, it is the working White American who produces for, and subsidizes the parasites of the world. He carries all the scum and freeloaders of the world on his back.

B. WHY DOES THE WHITE MAN TOLERATE SUCH AN OUTRAGE?

1. Basically, the reason is similar to that of the hound dog who is too lazy to get off the burr, but, of course, the White Man's situation is much more complex.

Inherently, the White Man is not lazy, but as he is being frustrated and stymied at every turn by "the system", he is becoming increasingly more so. When he sees the niggers, Mexicans and other parasites on welfare (for which the White Man's labor provides) he resigns himself to the attitude — why should I work? And throws in the towel.

2. Increasingly, as the White Man's position is relentlessly undermined, the average White Man has reached a state of hopelessness and despair. He is confused. He no longer sees a solution. He is to the point of desperation.

C. POSITIVE ASSESSMENT OF OUR RESOURCES.

It is the proud and glorious mission of The Church of the Creator to bring the White Man back to reality by (a) bringing home to him the gravity of the situation and (b) bring about a reversal in the attitude and thinking pattern of the White Race. **We must make the White Man realize that he is by no means helpless! That he has the power and the potential to shake off his parasitic enemies and again take charge of his own destiny.** In fact, the power and the potential of the White Race, once organized for its own benefit, is so awesome that it staggers the imagination. Consider the following facts.

1. The White Man outnumbers the Jews, his prime enemy, by a ratio of 30 to 1, fairly formidable odds, by any standard, I would say.

2. Although the White Race is rapidly shrinking and the mud races mushrooming, nevertheless, the White Race still has a membership of 500 million from which to draw its strength, organize its awesome potential, and begin upgrading its gene pool.

3. The major trump card the White Race has, however, is this: Without the White Race the parasitic Jew would be nothing. He would be helpless to even so much as to structure a viable society, or to feed himself. Without the White Race subsidizing the niggers and other mud races, they, too, would be nothing. Their numbers would rapidly shrink and stabilize where they have always been — on the dire edge of hunger and starvation. Without the food and other subsidization being unwittingly transferred from the White Race to the mud races (through Jewish manipulation and White stupidity) there would be no population explosion, no ominous threat from the mud races.

(Continued on Page 3)

NOT HELPLESS*(Continued from Page 2)*

On the other hand, the White Race does not need the Jews or the mud races. On the contrary, it will be a thousand times better off when it gets these parasites off its back, cleanses its own ranks of traitors and takes charge of its own affairs. As soon as the White Race takes hold of its own destiny it will blossom forth into new dimensions of grandeur such as the world has never seen before.

This is the glorious advantage the White Race holds, and no other race can ever take its place.

This is the bottom line and the sooner we realize it, the better.

In order that the White Race may realize its tremendous potential, it must change its course. It must straighten out its thinking. It must get back to reality, to the Laws of Nature, which are unbending and eternal.

It is the mission of The Church of the Creator to bring this about. In so doing, I want to bring home some basic attitudes, some fundamental realities.

D. FUNDAMENTAL ATTITUDE AND POSITION THE WHITE RACE MUST REALIZE AND ADOPT.

1. Power and survival go hand in hand. Nature does not favor the weak, the stupid, the poor in spirit, the meek and any other creatures with biblical weaknesses. Nature favors the strong, the swift, the keen, and relegates the misfits to the scrap heap of evolution.

2. Power is not something that is granted by a third party. It is an attribute that the movers and shakers of this world grasp into their own hands by sheer aggressiveness and will power. It is fought for and earned, and only held as long as the holder has the will and the energy to do so.

3. For centuries the "moral" White Man has been programmed (through Jewish Christianity) to shun and fear the obvious fact of Nature — that might is right — and that Nature has only one basic morality — SURVIVAL. Behind the traditional mind derailment of this important fact has been our archenemy — the Jew. He has been more clever at mind-manipulation than any other species that has ever lived.

4. Like the dog stupidly sitting on the burr and howling, why has the White Race tolerated all the atrocities, abuses and indignations heaped on him by the Jew? Is the White Race merely lazy, or stupid, or cowardly, or has its collective mind been hopelessly manipulated beyond possible recovery?

This is a long question, but I will try to briefly answer the imponderables as I see them.

Undoubtedly, that the White Race would tolerate such outrageous atrocities at the hands of a parasitic inferior is not only strange, but a shameful blemish on our racial character. It must be examined, exposed and exorcised like a cancer. The Church of the Creator will use every means at its disposal to do so. We cannot rest until the power of the Jews is broken, until we get this parasite off our backs and the White Race again takes charge of its own affairs.

5. In follow-up of the above, the White race, like an alcoholic or drug addict, must first of all frankly and openly acknowledge, then identify the disease. We must openly admit: our White society is sick — we are the victims of Jewitis.

6. Having recognized our malady, we must take a page from the Jew himself. We must learn to scream loud, long and

publicly. We must learn to scream like a banshee and kick like a country mule whenever we consider ourselves affronted by our enemies. Whenever we believe an indignity, and abuse, or an atrocity has been heaped upon us, we must never again ignore it, or suffer it in silence. We must let the world know! More to the point, we must arouse our White Racial Comrades and organize them into action. Never again will we suffer alone, or in silence. We will use our muscle, we will organize, utilize our resources and take the offensive. We have the power! We must use it to the hilt.

7. We must no longer be a "closet racist". We must come out loud and clear and aggressively claim our rightful heritage.

8. We must unstintingly take our predominant place in Nature's scheme of things, and that place is at the top. Nature has ordained it, we must claim it. We are entitled to it, and Nature has offered it to her elect. Nature does not ask: Were you fair? Were you charitable? Were you humble? Were you sweet about it? Nature has only one yardstick: Does your species have the will to survive and aggressively utilize its full potential to that end? If not, oblivion is the exacting penalty.

E. THE OBVIOUS SOLUTION.

The White Man is not utilizing even 1 percent of his available resources. Did I say 1 percent? That is way too high.

He is not even using 1/10 of 1 percent, not even 1/100 of 1 percent. In fact, he is utilizing a million times more of his resources to collaborate with the Jew in the destruction of the White Race than he is in helping to save the White Race. This must stop!

I look at the morning paper and read an item in a Denver, Colorado paper about ski resorts. It says on Page 78, that three ski resorts are planning to expand their facilities. CRESTED BUTTE is planning to spend more than 200 million dollars on a second ski mountain. PURGATORY is breaking ground for a 250 million dollar village at the foot of the mountain, and TELLURIDE is making way for a 30 million dollar village and ski gondola.

Now to me, this is a lot of money. But, let us get the picture into proper perspective. The article goes on to say that of the 13 major "destination" ski areas in the state of Colorado, the three mentioned above are the least known, and they want to change that situation. In other words, the three least known ski areas of 13 in the state of Colorado alone are going to spend an additional 480 million dollars to expand and become better known. But this is not all. Colorado boasts of a total of not less than 30 ski areas inside its borders.

To further get the picture into perspective we must realize that there are also all kinds of ski facilities in the states of Vermont, New York, California, Utah, Nevada, Maine, Pennsylvania and several other states. So 480 million dollars spent on expanding 3 minor facilities is only a drop in the bucket in the ski industry of Colorado, not to mention in the United States, not to mention Switzerland, Germany, France, Italy, Austria and many other White countries.

Let us focus the picture by stating that the ski industry is only one of several extravagant sports for the White Man, an indulgence, something he did little of 50 years ago, and would not suffer in the least if he had never discovered this healthy pastime in the first place. Now don't get me wrong. I have

BRICKBATS & BOUQUETS

Dear Pontifex:

Please send me 8 copies of your inspiring, powerful book, THE WHITE MAN'S BIBLE. Check is enclosed.

What worries me, as one who lives in a mixed, quite Negroid, downtown neighborhood is, the LACK of WILL POWER of WHITES, even when they are informed of their dangerous plight.

What in hell, what on earth can save our people from themselves? Are they cowards or fools or both!!!

I firmly believe that your book and your movement can start to make a difference.

Best Wishes,

Charles G. Blackmer
Wisconsin

Dear Sirs,

I am just now reading a copy of your book "Nature's Eternal Religion", which has been lent to me by a friend.

I am very impressed, so much so, I would like to acquire a copy for my own collection.

If this is still obtainable will you please advise me as to cost and carriage and whether you can accept a National Giro cheque (British Post Office Bank), or would you prefer a British postal order.

We are refugees from a London immigrant area!

Yours sincerely,

Dear Reverend Williams,

Just a brief note to let you know I am still in the struggle. I have been talking with a few people about The Church of the Creator. I sincerely hope they become members.

By the way, I haven't received my January issue of RACIAL LOYALTY as of yet. Is there some kind of delay? Or, is it due to the Snail Department (Post Office)?

I always enjoy RACIAL LOYALTY and draw much inspiration from the newspaper. I have been re-reading NATURE'S ETERNAL RELIGION AND The WHITE MAN'S BIBLE and SALUBRIOUS LIVING. I have it down to a fine art now. I try to read as much as I can. I try to stay on an intellectual level as much as I am active in Our White Racial-Religious Movement.

Give the Pontifex my best racial regards. Look forward to hearing

from you sometime soon.

Would you please send my issue of RACIAL LOYALTY, January issue, soon.

I remain,

Yours in the struggle,

Dear friends:

I am a handicapped citizen and I was almost killed 2 years ago by some illegal aliens that attacked me with a deadly weapon, namely a bumper-jack.

Ten days ago, I was on my way home when I was attacked on a side street by a black man. He attacked me from behind, we fought on the ground, he put a chokehold around my neck and he punched me all over my face. Finally, he was able to get my wallet. The noise, however, woke up some people who went after the nigger with a gun. A shot was fired in the air and the nigger gave up my wallet and ran away. I got my wallet back.

The nigger that attacked me was very tall and rather clean-cut. He was well dressed and well fed. Probably he was armed.

Unfortunately, too many niggers are coming into our area at night to attack White people. They come from other areas which are miles

away. Those blacks play a waiting game. They wait for a victim to walk or to park the car on a side street. Those animals do not like to work, they like to make money the easy way by robbing or killing White people. They are, moreover, miserable cowards. There can be no excuse for their criminal actions. What do nigger lovers say about niggers usually attacking the handicapped, women or the elderly people?

Our area without blacks or other minorities, would be heaven and there would be no crime at all.

A few days after this unhappy experience, I worked part time during a National Convention sponsored by the U. S. Department of

CUPID'S CORNER

Dear Pontifex,

It is very difficult to find a woman who hasn't had her mind and body destroyed by our present Jew-oriented culture. I would count myself blessed a thousand fold if ever I could find such a rare jewel as a woman who's interests are in raising superior White children and fighting for what's left of our culture, maybe through Cupid's Corner I'll get lucky. So here goes!

White, male, of German descent, age 32, receding light brown hair, blue eyes, weight 180 lbs., height 6' 1".

Interests: weight-lifting, running, distance swimming, hiking, Karate, politics, reading (especially stories of Ancient heroes and warriors of history fighting for chivalry and noble causes), studying Ancient

civilizations, scuba diving, camping and mountain climbing, although I haven't done much of it, (no mountains in Delaware), and (being that I have been a vegetarian-fruitarian for 7 years) organic farming is another extreme interest of mine.

I would like to meet a White female, of German or Anglo-Saxon descent, between the ages of 18 to 30, with similar interests, interested in a life-time partnership.

She should be a woman of strong character, who wants to inspire success in her man and who is dedicated to raising strong, healthy children for the future glory of the White Race.

Racial Ribaldry

President Reagan, Jesse Jackson, a Catholic priest and a "hippie" were riding in an airplane when the motor caught on fire. There were only three parachutes on board.

Well, Reagan took the first parachute and said, "Since I am the President, I am indispensable". So out he jumped.

Jesse Jackson then took the second parachute and said, "Since I am the smartest nigger in the world, I am indispensable", and he jumped out.

The Catholic priest said to the "hippie", "Take my parachute and jump, because as a priest, it is my duty to go down with the plane."

The "hippie" answered, "That's cool man, but there are enough parachutes for the both of us. The "smartest nigger in the world" just jumped out wearing my back pack."

Pat was confessing his sins to his priest.

"Father, I have sinned. I have been stealing hay."

"How much hay did you steal, Pat?"

Well, Father, I might as well confess for the whole stack, 'cause I'm going after the rest of it tonight."

LATEST VIETNAMESE COOKBOOK: "Twenty Ways to Wok Your Neighbor's Dog." 

We, of The CHURCH OF THE CREATOR, have not the slightest interest in saving and uplifting "HUMANITY" with all its niggers, scum and parasites. Our entire goal is: the survival, expansion and advancement of the White Race, period.

NOT HELPLESS*(Continued from Page 3)*

nothing against skiers or skiing. In fact, I did some of it myself when I was a kid in Canada, and I think it is great.

What I am trying to do is compare our resources, how we can throw millions and billions into non-essential channels, yet squeal like a stuck pig when asked to participate in such matters of life and death as the survival of the White Race. **Let us examine how much of an effort we are making in that direction.**

Alright, let me think of how many millions we are spending to assure the survival of the White Race, the survival of civilization and the future opportunity of our progeny living in a compatible world.

Did I say millions? Most of the contributions we get are in terms of \$5, \$10, \$25 or sometimes \$100 or \$200. When we get a \$1,000.00 contribution to help build the School for Gifted (White) Boys, that is a news item, an event to be highly commended.

Ask not what CREATIVITY can do for you, but ask what you can do for the WHITE RACE. Do Something Meaningful. Distribute 100 copies of RACIAL LOYALTY each month.

So there you have it. When it comes to the ultimate priority items such as saving the White Race from ignominious disaster, the White Man cries poverty, but nevertheless, when it comes to expanding ski facilities, night clubs, Disney Worlds, beach resorts and other indulgences of fun and games, why no problem, the sky is the limit.

But! Some cop-out artists will exclaim, the Jews have all the money. It is they who are spending these vast sums and it is they who are controlling these palaces of pleasure.

Not so, my friend. They may be controlling it, but it is really the White Man who is supplying all the resources. Without the White Man catering to the Jew's ski resorts, night clubs, watering holes and what have you, the Jew would not be in business. Not only does the White clientele supply most all the business, but it is also the White Man's labor that builds the Disney Worlds, the Vails, the Crested Buttes and every other constructive endeavor on the face of the earth.

It is we who have the brains, the manpower, the muscle, the resources to build and run the world. **It is time we realized this. It is time we smashed the controls out of the hands of the Jews.** It is time we utilized the tremendous resources in our hands and at our disposal and channeled them to our own benefit. It is long past time.

Every human achievement has some ideological spark plug behind it that acts as a dynamo, a driving force.

How did the Jews get their power? How did the Communist movement get the tremendous drive to engulf most of the modern world? How did the Catholic church do it? The Mormon church? The Mohammedans?

When we examine each of these we find that there was an ideology, a creed, a belief, that polarized and fueled each one of these (and numerous other) movements. In each there was a **creed** that a number of followers embraced, around which

they polarized, organized and generated the power to move the world. Whether such belief was based on reality, or on a lie, or a fictitious concept, hardly seemed to matter. They all had a core around which they polarized, organized and set things in motion.

The White Race in its 6,000 years of civilization, has never had such a core to polarize around that concerned the White Race as such. Never, that is, until a little over a decade ago, CREATIVITY appeared on the scene.

Remember, everything that is good and constructive on the face of this planet was done by the White Race. Remember that without the White Race the Jew would be nothing. Without subsidization by the White Race, the niggers and mud races would be nothing. We have it all. Now let us do the sensible thing and channel our resources to our own use, to our own benefit. **Let us first of all stop subsidizing our enemies. Let the Jews, niggers and mud races fend for themselves. They will soon wither on the vine and no longer pollute our world. To that, we of The Church of the Creator say: GOOD RIDDANCE!**

Now let us get down to business and get the job done. Tell yourself again: we have the brains, the muscle, the intelligence, the numbers and the resources to do the obvious: get the goddamned parasites off our back once and for all and take charge of our own affairs. We now also have the creed, the program and the racial religion to polarize around and move the world. We must utilize what we have and do the obvious: **TAKE CHARGE OF THE WORLD.**

The CHURCH OF THE CREATOR has provided the Bibles and the religion to change the course of history, and for once in the White Man's direction, for the White Man's benefit.

There is still much to be done, but with your dedicated help they will be done. The most important step, now that we have all the parts of the movement put together, is to promote the hell out of it. We now need the GREAT PROMOTER, a man like Hitler, to do the job. I have said it before and I will say it again: there are at least 10,000 young men in the United States that have the genius to do the job, young men that are less than half my age and are just reaching the prime of life.

It is our duty to find the GREAT PROMOTER. Help find him! We will find him.

In the meantime, distribute, promote, speak out and organize. Distribute our new flyer by the hundreds and by the thousands. Distribute this paper. You have the tools to do it with. Don't just sit on a burr and howl. We Creators have little use for the DEPLORE AND LAMENT crowd. Become an activist. Become a mover and a shaker.

It has been said that one machine can do the work of 50 ordinary men, but no machine can do what an extraordinary man can do.

Be an extraordinary man, and then let us harness all the White Man's resources, modern technology and machinery to amplify our extraordinary creativity. In that way, in no time at all we can and we will build a Whiter and Brighter world for ourselves.

So go to it! **Remember, there is No Substitute for Victory, and there is No Substitute for the White Race!**

There is No Substitute for Victory

LAW AND ORDER VS. VIOLENCE, TERRORISM AND SELF-PRESERVATION

Eternal Laws. Since the White Race is now under the heel of a tyrannical Jewish government whose relentless objective is to exterminate and totally destroy the White Race, it is of utmost importance that we be clearly aware of history's and Nature's, eternal laws of survival, hard though they may be.

To Be or Not To Be. Since the White Race has an almost fatal predilection for law and order, even when such law and order are in total control of his deadly enemies, there is no room for confusion on this most vital issue. And **the issue is survival or extinction**, nothing more or less. On this issue as on every other issue, we **CREATORS** go back to the fundamental Laws of Nature: and Nature speaks clearly on this issue: **survival at all costs!** The end justifies the means!

We Must Decide. The issue we must resolve is this: if our survival is at stake, is so-called "illegal" terrorism justified? And the answer overwhelmingly is — hell yes!

The most "civilized" way to resolve a difference is by arbitration and persuasion. But what happens when these "civilized" methods break down, or are completely ignored and rejected by a vicious enemy who is implacably bent on your destruction?

No Substitute for Victory. Throughout history governments have gone to war and then settled such differences by force. Armies marched, armies fought. One side won, the other lost. The victor dictated the terms.

This is the way Rome resolved its difference with Carthage — it utterly destroyed Carthage and wiped it from the face of the earth. This is the way the Normans conquered England in the Battle of Hasting in 1066. This is the way America won independence from Britain in 1776-81. This is the way the Civil War was resolved between the North and the South. This is the way the struggle between the White Man and the Indian was decided in America. This is the way World Wars 1 and 11 were decided.

Need we go on? Throughout history thousands of wars have been fought, and to the victor belonged the spoils. Not only the spoils but the power.

Treachery Within. So far, we have been talking basically about differences between countries — governments against governments where it is presumed that the "legal" government of one country engages its people in wars against the government and people of another country. But what happens when a treacherous government without an open declaration of war wages a sinister and surreptitious war of extermination against a major segment of the people of that same country? What is that people to do then, since any act in its own defense would be a "violation of the law" imposed upon it by its hostile government?

Criminals are the Government. This is not a theoretical question. It is as real today as life and death itself. In the United States the Jew-controlled government is waging a secret but sinister war of destruction against the noble White Race, the race that built this country in the first place. It is very real not only in America but throughout the world wherever the White Man resides. In America, as elsewhere an alien hostile race, the tribe of Judah, is in full control, making and breaking "the laws of the land" at its whim and caprice. It is a vicious criminal government that is obsessed with the destruction of the White Race at any cost and will stop at nothing to reach its goal.

White Man Seems Unaware. There is nothing new about this situation except for the strange phenomena that the White Man pretends not to be aware of the situation, doesn't dare discuss it, and acts as if he doesn't understand it.

The fact is the White Man doesn't understand it, and in most instances joins with his enemies to help them destroy him and his own people. The strongest ally the Jews have in their arsenal for the destruction of the White Man is the

confused and demented condition of the White Man's thinking. This they have brought about by a tremendous investment over the many centuries in plying the White Man with suicidal ideas and propaganda, of which Christianity undoubtedly has been the most effective.

The Ultimate Defense. There is an ultimate weapon that such a beleaguered people can resort to against its "own" government that has been utilized for thousands of years when the situation has become desperate and intolerable.

That weapon is terrorism and violence, taking the law into our own hands.

There are basically two ways to direct the behavior of other people, including tyrants who would destroy you. One is persuasion and reason, and the other is terrorism. When persuasion and reason fail, the only recourse is violence, and "legal" or "illegal" is only a matter of whose point of view — namely who is on top and who is at the bottom.

"Legal" and Christian violence. Violence and threats of violence are universal and timeless devices used to control the behavior of other people. They are as homespun as the father who takes the rod to his children for misbehavior. Governments use them to control their citizens under the code name of "maintaining law and order." Courts condemn criminals and have them hanged, shot or electrocuted. This, too, is violence, termed "legal" by those on top. Even hypocritical (and seemingly pious) Christianity used the horrible threat of hellfire to club its victims into line, and failing such, has used physical torture, burning at the stake and other brutal means of persuading those who would not otherwise comply. (We have described this in a previous chapter.) This is the terror imposed "from above."

Violence Effective Persuader. The thing about violence and terrorism as Christianity and others have realized through the ages is — it works!

Whereas the Christian-Jewish bible is replete with violence and terrorism throughout its pages, one of the earliest and most universal displays of terrorism was when the "Lord" drowned all those that displeased him en masse in the "Great Flood." He thereby solved

the problem of those people who displeased him.

Violence Growing in the 20th Century. But let us dispense with this nonsense and get back to the reality of, say, the twentieth century. We find that terrorism that upsets the established order in society comes from below — those that do not hold traditional or "legal" power. We find that terror and violence was used in the Russian revolution by such criminals as Lenin, Trotsky and Stalin and they ended up as the "legal" government of Russia. Their successors have held power ever since, a gang of Jewish criminals who are not only recognized by the U. S. government, but are being subsidized and toadied to by "our" Jew-controlled government as well.

Recent history. Similarly, by sheer terror, murder and violence Broz Tito became dictator of Yugoslavia, with similar benevolent blessings from "our" Jew-controlled government. Terrorist Menachim Begin helped usher in the bandit state of Israel by heading up the terrorist organizations of Irgun Tzevai.

His gang of criminals dynamited the King David Hotel in Jerusalem, killing 90 people, mostly British military personnel. They used murder, ambush, dynamiting and every other means of terror and violence. Their methods were highly successful and "created" the bandit state of Israel. By 1977 Begin himself was Prime Minister of that foul bandit state, making numerous cozy visits to the White House of the U. S., showered with approbation, as well as huge amounts of financial and military aid.

Criminal Rebels become Legal Rulers. Similarly, through sheer terror and violence the governments of Kenya, Algeria, Cyprus, China and dozens of other countries have established themselves as the "legal rulers." All this and more in the twentieth century. But the same process has worked for thousands of years previously in thousands of different circumstances. The obvious conclusion is: Terrorism and violence works and has been used repeatedly since the beginning of history.

From Above and From Below. Yes, terrorism is bloody, cruel and victimizes innocent people, but it is a traditional power device and has been used con-

and No Substitute For the White Race

sistently “from above” by politicians in power, and “from below” by those who would like to be in power. The latter have succeeded surprisingly often, and even the American Revolution itself was a power play of violence “from below” against the British who used terror “from above.”

This brings us to the question of the position which the White Race finds itself in today. It is imperative that we CREATORS take a firm stand in this most crucial moral (and pragmatic) issue.

* * * * *

No Price Too High. The following is the position of The CHURCH OF THE CREATOR. We CREATORS are not interested in Christian morals or any other theoretical shibboleths. We are realists and keep our eyes firmly fixed on the hard facts of reality. Our primary and uppermost aspiration is the **survival and advancement of the White Race**, no matter how hard the road, no matter what the cost. To us no cost is too high, no effort or risk too great, since we consider that the White Race itself is the ultimate and most precious value on the face of the Earth.

Survival First. In order to expand and advance, **we must first survive.** Today our very survival is in dire jeopardy, in grave danger. We are being assaulted from all sides by the hatred and vicious machinations of the Jewish network, who, through their diabolical conspiracy, have fomented and enlisted the hatred of all the mud races of the world against us. What is worse, they have also enlisted many traitorous and befuddled Whites against us. Therefore, like the Jews throughout the centuries, we will tolerate no laws, no customs, no tradition, no morals, no religion, or any other obstacle that will in any way, shape, or form hinder us in our struggle for survival. This is especially so since most of our present ideas, laws and religious creeds were foisted on us by our deadly enemies, the Jews, in the first place.

The Heart of Our Religion is the Survival of Our Own Kind, First and Foremost, then its expansion and advancement. Any laws or ideas to the contrary, we declare null and void. In this strug-

gle we are presently at a tremendous disadvantage, since the Jews now occupy all the nerve centers of power — the news media, financial power, government, law enforcement, education, religion and every other meaningful weapon for the physical, legal and psychological control of the White Race.

Listing Advantages the White Race has. However, this is only temporary. The White Race has certain massive natural advantages that the Jew can never attain unless and until the White Race is completely exterminated. These natural advantages are:

(a) **The Jew is a Parasite and Needs the White Race** to exploit and produce for him. He would die out without victims to exploit.

(b) **The White Race**, on the other hand, **does not need the Jew.** In fact, the White Race is wonderfully capable of organizing itself, feeding itself and building a beautiful civilization and society without help from any outsider. Furthermore, freed from the blood-sucking Jews, the White Race would even be tremendously more successful, productive and healthy in every way.

(c) The Jews have been successful **only through deceit, trickery and conspiracy.** They have been the most successful master-sneaks in all history. **The weakness of any conspiracy is that it is extremely precarious,** for if too many victims begin to realize and understand the conspiracy, it blows up in the conspirator's face. This is the greatest fear and nightmare of the Jews — that the White Race will wake up, organize and turn against them.

(d) **The further along the conspiracy is pushed, the more apparent it becomes to the victims,** and the more receptive they become to information and leadership in order to turn on their tormentors.

(e) **The Jews need deluded White traitors** (in government, propaganda, education, etc.) **to front for them.** The White Race on the other hand needs no such alien fronts, no trickery or deceit in order to wage its battle against the Jews.

(f) We have not only a **major advantage of numbers over the Jews,** but also intelligence and **fighting ability.** Aroused, united

and organized the White Race would be ten times more powerful than all the Jews, niggers and mud races combined. It is the work and objective of The CHURCH OF THE CREATOR to accomplish just that — **Arouse, Unite and Organize the White Race** and wrench control of our own destiny back into our own hands.

Our Unswerving Program. Our program to overcome the tyranny and violence against us must proceed in the following order, from one emergency to the next:

1. It is not our objective to declare a war of violence against the Jews, niggers and other mud races. We will assert ourselves non-violently but **be adamant in our pursuit to freely practice our religion as guaranteed by the First Amendment to the Constitution.** We will demand, as everyone else, the right to peacefully assemble, as guaranteed by the Constitution, and the right to organize.

2. As we organize our churches, **we will distribute NATURE'S ETERNAL RELIGION and this, our WHITE MAN'S BIBLE, until we have placed a copy in the hands of a majority of our White Racial Comrades.** We will make sure every White Man, woman and child understands the Jewish conspiracy that is now upon us.

3. As the White Race becomes **united, informed and aroused we will boycott every Jew and every aspect of Jewish influence** in our society. This includes boycotting the Jews in business, in their professions, in their political activities, in education, in religion, in the news media, theatre, etc. Not only will we boycott them, but **we will expose them, point them out** and wage propaganda warfare against them, just as they are presently doing against the White Race. This we can do legally and very effectively once we get our religious structure organized.

4. We thereby intend to **drive them from our society in all phases of influence and power,** just as Hitler did in Germany. We will **let them peacefully “wither on the vine”** or let them peacefully migrate to Israel where the Arabs can contend with them. In no case will we any longer subsidize them, do business with them, or allow our White Racial Comrades to be used as victims to

promote the welfare of these parasites on our backs.

5. Once we have driven them from political office, **we will follow this up with legal measures to forever exclude the Jews from positions of power or influence in government, education, propaganda, arts and theatre** or any other meaningful influence in our society, as did Hitler in Germany, and as did the Byzantine Empire over a thousand years earlier, and as the bandit state of Israel has done to all peoples who are not of Jewish birth.

6. In the meantime, while we are still in the process of regaining control of our own destiny, in no case will we ever surrender any of our guns or weapons, under any pretext, ruse or semblance of law whatsoever. Never, never, never, not even one gun. The Second Amendment gives us the constitutional right to keep our guns, and we damn well mean to exercise that right at all costs.

7. **So far everything is legal.** We have demanded nothing more than our Constitutional rights, the same as every other citizen. We hope we will need go no further.

Now we come to the crux of our position: **Should the Jewish government use force to violate our Constitutional rights** to freely practise our religion; to peacefully assemble; to peacefully organize; to distribute our White Man's Bible; to use the mails and any other prerogative in promoting and expanding our legal religious organization and the full practice of our religion, **then we have every right to declare them as open criminals violating the Constitution and the highest law of the land. They then obviously are the criminals, and we can then treat them like the criminal dogs they are and take the law into our own hands.** This is the obvious, logical thing to do. We must then meet force with force and open warfare exists. It will then be open season on all Jews.

8. Should the Jews use assassination against our members, or our leaders, then the White Race must meet fire with fire, and **retribution and vengeance will be our answer.**

For every one of ours they kill we will exact ten times their number, starting with the rabbis. When law

THE ABOMINATION OF RACE-MIXING

by John Westphal

Race-mixing is a sin against Nature. It is an irreversible sin. It is the completely opposite path Nature intended. Instead of breeding within one's own species and improving one's race genetically by culling out the lesser and promoting the healthier and more intelligent, we see the growing and continued practice of race-mixing. This mongrelization favors the destruction of the members of all races involved, but what is of most concern to us, is the destruction of the White Race.

When a genetically superior White and a genetically inferior black breed, the offspring will be less inventive, creative, innovative and less hardworking than the superior White. However, he will be more creative and hardworking than the black. But this offspring — this mongrel — this result of a sin against Nature, does not have pure blood. For this reason alone he is inferior to the White or the black of pure blood. They lack identity. They have no common heritage or culture.

In a dog and horse breeding shows we see how they value purebreds. Purebreds are the most beautiful — the most prized. Pure blood has always been valued. We see special certificates to register newly born pure-bred puppies. And the mixed breeds are generally valueless.

All civilizations have come about due to one race — the White Race.

It is the White Race that built Greece and Rome, that went to the North and South Poles, that built submarines to travel beneath the seas. It is the White Race that built rockets and actually put a man on the moon. What a dynamic Race!

Comparatively, the black race has built no civilizations, invented nothing of significance. They barely survived above a hand-to-mouth existence.

When the White Race came to the black race, it set up civilizations. But, when the White Race left, these blacks were not even capable of maintaining it. They are genetically incapable.

The mongrelized offspring of these two races lacks the ability to

maintain this civilization also. Only a pure White Race can succeed. A typical example is Rome, or Greece, or Egypt.

These were fantastic civilizations, founded and built by the White Race. The White Race not only founded them, but maintained them and advanced them. The levels of Utopia they could have reached is only hindered by our imagination. But upon the introduction of different blood into their white bloodstream, these civilizations all perished. We now look at the remnants of Rome, Greece, or Egypt. We can see a mongrelized people. When the pure White blood of these people was destroyed, so were their civilizations. A society of mongrels cannot even maintain a White civilization.

Only a pure White Race can succeed in this world to form civilizations and advance. When all White blood is made impure — ALL HOPE WILL BE LOST!

America is a good example. Founded by White Men, America

Only by building a better race of people can we build a better world, and only the White Race can do it. Help build a Whiter and Brighter World.

was strong. The Whites were hardworkers, intelligent, innovative. Even with the Jew parasite clinging to it, it was strong. But, with the injection of black and mud races into its White bloodstream, its downfall looks imminent. If race-mixing continues, one of the last great White societies will be destroyed FOREVER. A mongrelized society cannot stay a society very long. This is a fact that has been proved throughout history. Without a constant injection of money, goods, food, help and services from White societies, these colored (so called emerging) societies will all fail.

Something that seems very odd at first, is the fact that different races and even sub-races prefer to be separate. They prefer to be with their own kind, their own culture. They may like to experience other cultures and people, but they all generally prefer to get back to their own kind. Yet, they are always mixed with others. It seems odd that

The Sixteen Commandments of Creativity

1. It is the avowed duty and holy responsibility of each generation to assure and secure for all time the existence of the White Race upon the face of this planet.

2. Be fruitful and multiply. Do your part in helping to populate the world with your own kind. It is our sacred goal to populate the lands of this earth with White people exclusively.

3. Remember that the inferior colored races are our deadly enemies, and the most dangerous of all is the Jewish race. It is our immediate objective to relentlessly expand the White Race, and keep shrinking our enemies.

4. The guiding principle of all your actions shall be: What is best for the White Race?

5. You shall keep your race pure. Pollution of the White Race is a heinous crime against Nature and against your own race.

6. Your first loyalty belongs to the White Race.

7. Show preferential treatment in business dealings with members of your own race. Phase out all dealings with Jews as soon as possible. Do not employ niggers or other coloreds. Have social contacts only with members of your own racial family.

8. Destroy and banish all Jewish thought and influence from our society. Work hard to bring about a White world as soon as possible.

9. Work and creativity are our genius. We regard work as a noble pursuit and our willingness to work a blessing to our race.

10. Decide in early youth that during your lifetime you will make at least one major lasting contribution to the White Race.

11. Uphold the honor of your race at all times.

12. It is our duty and our privilege to further Nature's plan by striving towards the advancement and improvement of our future generations.

13. You shall honor, protect and venerate the sanctity of the family unit, and hold it sacred. It is the present link in the long golden chain of our White Race.

14. Throughout your life you shall faithfully uphold our pivotal creed of Blood, Soil and Honor. Practice it diligently, for it is the heart of our faith.

15. As a proud member of the White Race, think and act positively. Be courageous, confident and aggressive. Utilize constructively your creative ability.

16. We the Racial Comrades of the White Race, are determined to regain complete and unconditional control of our own destiny.

they should somehow always be socially mixed. But when we see that the Jew forces this integration, we understand how it happens.

After World War 1 the different peoples of Europe were all mixed-up. Cultures and sub-races were thrown together by the victors creating unsolvable problems, and insuring a future war. (From this example we can see how the Jewish "One World" idea cannot work with a free people, only under a Communist government where dissension is punishable by death.)

By separating the races, (something we ALL prefer) we guarantee ourselves against race-mixing and all social problems as well.

In conclusion, a separation of the races is a must. To continue race-mixing means to destroy all present civilizations and guarantee no

future civilizations as well. For once blood is destroyed, it cannot be repaired. It is an IRREVERSIBLE SIN.

NO SUBSTITUTE

and persuasion no longer protect our rights to survival then we must — as all free, courageous, intelligent people have done through the ages — turn on our tormentors with a furious vengeance and destroy them down to the last man.

This is the thing the Jews fear above all — violence directly against their race, and rightfully so.

With our superior numbers and fighting qualities, the Jews would be wiped out mercilessly, should they violate our Constitutional rights and inflict violence against us.

THE DAY AFTER
(Continued from Page 9)

Now that Christmas is over, it is time we again collect our senses and ask some serious questions. Why do we celebrate Christmas? What is it all about?

Well, supposedly we goyim are all overcome with deep religious awe and sentimental gush and are celebrating the birthday of Christ, our Saviour, who supposedly came down from heaven (via Mary's womb) to save all of us poor rotten sinners from a fate of fire and brimstone and we supposedly are all thankful as hell that he was so charitable.

Save us sinners from hell? Really?

There are so many flaws in this whole fictitious fairytale that it would make your head swim when we go beyond the first gushy, childish euphoria as to what Christmas is all about.

In the first place, there is no evidence, no claim even by the gullible Christians that they "know" what date Christ was born. It is only a date picked at random, since the adulators wanted to celebrate his "birth" and had to have some date, any date.

Why did they pick December 25?

Well, there was a good reason for that. Many pagan (White) peoples already had a long standing tradition of celebrating the Winter Solstice at about that time of year, and it was a well established traditional holiday.

The Romans, for example had had a long standing religious tradition of celebrating December 25 as the birth of the sun god.

The Catholic church wanted to do away with this "pagan" festival, but Emperor Constantine refused the church's request, claiming it was too popular. He finally did accede to the church's request for a law freeing all slaves who accepted Christianity, and renounced the sun fest. However, these converts continued to celebrate the sun festival and in 345 A.D., under Liberius, the bishop of Rome, the December 25 date was declared a Christian holiday honoring the birth of Christ. Previous to this the church had taken the stand that it was sinful to celebrate Christ's birthday, since the date was unknown.

The Christian oligarchy, being led by the Master Sneaks of all time, decided it was more expedient to turn an existing tradition to the glory of their movement, than to try to fight it and set up a completely new tradition. This they succeeded in doing with overwhelming success.

They did the same thing with Easter, which was already a well-established tradition. For years the White peoples had celebrated the Spring Equinox, the fertility of new crops and new growth, the Rites of Spring, and similar ideas.

So we, the White pagans, were hoaxed from a long standing custom of celebrating traditional White holidays, and converting them into (Jewish) Christian holidays, including honoring a Jew from the seed of David whose birthdate we do not know. But let us move on. There are many more deceptions in this picture.

Not only does nobody know what day of the year the Jewish Saviour was supposedly born, but nobody even knows what year, either. And that isn't all. The fact is, nobody "knows" whether he was born at all, or whether "he" is just another hocus-pocus myth, like Santa Claus, or Mother Goose and hididdle-diddle the cow jumped over the moon.

Now considering the tremendous impact Christianity has had on the fortunes (or rather misfortunes, to be more correct) of the White Race, you would think that some researchers and historians would go to some considerable trouble to track down this mighty historic event and resolve once and for all: did this Jewish teacher, preacher, "Son of God", "Saviour", (or whatever) actually live or didn't he.

We CREATORS think of the White Race not in terms of what they now are, but the tremendous potential they have every right of becoming.

I would like to think this one point would be rather important — no Christ, then all is a hoax. It's similar to somebody giving you a million dollar check. I believe it would be damned important to determine if the check were for real, or if the check were a phony, without a cent in the bank to back it up. I would think any sensible person would want to determine this issue as quickly as possible.

Well, I for one have spent a lot of time and research to do just that. I have already written any number of chapters on the subject such as, "Christ's Existence not substantiated by Historical Evidence", and

"The Spooks in the Sky Swindle", and many others. Many other historians and researchers have done an even more thorough search into the genuine annals of history and they have come up with the same answer as have I: there is not a scintilla of evidence that such a figure as Christ ever existed; that the stories told by Mathew, Mark, Luke and John are phony as hell. Not only phony, but contradict each other on dozens of important points. Not only are their garbled stories as fictitious as Santa Claus, Mother Goose and the Tooth Fairy, but there is no historical evidence throwing any light on who Mathew, Mark, Luke and John were, where they lived, when they lived, or if, in fact, if they ever lived at all.

All we have are myths, stories, hearsay, much gullibility and deception. In fact, the oldest "documents" regarding the authenticity of their scripts date no further back than about 400 A.D.. Four hundred years between an event and a report is a pretty hefty gap.

Alright, no Christ, no Saviour, no Christmas. But nevertheless, we, through repeated mind-manipulation and programming are stuck with a traditional holiday that really moves billions of dollars worth of merchandise every year. It also has a multitude of other significant ramifications.

So let us probe further as to what kind of a traditional holiday we are stuck with, what are we really celebrating.

Well, for one thing we are celebrating a hoax, and a Jewish hoax at that. And the joke is on us.

The Jewish mind-manipulator, Saul of Tarsus, the Christian's St. Paul, did more than any other man in history to put this hoax across and sell it to the goyim. That is why the Jews are so grateful to him when they count their shekels the day after Christmas. And well they should be.

There is no other event (or non-event) in the business world (mostly monopolized by Jews) that generates as much force-fed business as does Christmas. It is the biggest shot in the arm any department store (or thousands of other stores) get to hype their business. To many stores it means the difference between making money and staying in business or going broke. Many stores do half their volume of business before the Christmas season and many make the total year's profit just from Christmas sales. So the gimmick the Jew boy, Saul, stirred up is not

to be sneezed at. No wonder his co-religionists are eternally grateful to him for this innovative gimmick.

Now let us look at it from the White Man's point of view, as we Creators are inclined to do on every issue, and ask a few questions.

1. Should an intelligent White Man join in promoting a Jewish hoax, any Jewish hoax, of which the White Race is the prime target?

2. Even though we realize that Christ per se is a myth, should a proud and race conscious White Man join in glorifying a mythical "hero" who is Jewish?

3. If you know the truth, do you think that under any circumstances it is morally justifiable to lie to yourself (and/or others) if you think that nurturing the deception will make you (and/or others) happier?

From The Church of the Creators point of view the answers to each of these questions is a resounding no!

Looking at it from the White Christian's point of view i.e., one that "believes" these Jewish stories, we would like to pose the following unanswered questions:

1. Did Christ's supposed dying and being nailed to the cross really "save" all the sinners?

2. If so, why are there thousands of varieties of confused preachers running around imploring you to come to their church and put money in their collection plate?

3. If Christ did the job 2,000 years ago, why do we need all these bumbling preachers today to do the job all over again?

4. According to the criteria of all these blubbing preachers, and according to the New Testament itself, just about everybody in the world today, 2,000 years later, is going to hell anyway. How do you explain that?

5. If Christ and/or his pappy are so anxious to "save" us all from hell, why did he/they construct the abominable monstrosity in the first place?

6. If the Devil is the root of all evil, why doesn't the all-powerful Lord wipe him out once and for all, instead of relentlessly and repeatedly putting the monkey on our back? (See "The Phony Fight Ruse" in January, 1984, issue of R.L.).

What sensible answers any intelligent Christian can come up with I haven't the slightest idea. I have never heard them do so, since all their premises at best are based on superstition and gullibility, on mawkish myth and hocus-pocus.

THE THREE BASIC BOOKS OF CREATIVITY

NATURE'S ETERNAL RELIGION

508 Pages, 49 Chapters

by Ben Klassen, P. M.
Published in 1973

This book for the first time in history sets forth the fundamentals of a basic RACIAL RELIGION for the Survival, Expansion and Advancement of the White Race. It is based on the Eternal Laws of Nature, the Experience of History, Logic and Common Sense.

It exposes the whole panorama of the dastardly worldwide Jewish conspiracy, aimed at the genocide and extermination of the White Race. It lists the five Jewish books that have had devastating influence on the thinking and course of the White Man's history.

Best of all, it not only sounds the alarm, but blueprints a specific plan and program of how to extricate the White Race from its present predicament. It presents a EUGENICS program for the future of the White Race to uplift it to the glorious heights of the Superman and beyond.

THE WHITE MAN'S BIBLE

451 Pages. 73 Chapters

By Ben Klassen, P. M.
Published in 1981

This book expands and extends the Creed and Program of CREATIVITY and includes the following:

*Goals for the World of the Future from the White Man's Point of view.

*Nine chapters on Salubrious Living - how to regain super-health and keep it.

*Restoring the White Man's control over his own destiny - in religion, government, education and culture.

*How to stop the racial pollution of America and in fact, reverse the process.

*This book establishes a Powerful Religious Creed and Program for the Survival, Expansion and Advancement of the White Race.

*It proclaims our FOUR DIMENSIONAL PROGRAM.

*It sums up the Total Program, the Final Solution and the Ultimate Creed based on the Eternal Laws of Nature.

A Friendly Word from Your Editor

In publishing this paper we have a multitude of purposes in mind, but there are two that predominate:

1. To inform and encourage our existing members and supporters to build the White Racial movement known as CREATIVITY, and,
2. To act as an effective flyer for mass distribution to our White Racial Comrades who have never heard of us before.

Of these two, we are placing major emphasis on the second objective. This paper is designed basically for the purpose of alerting and recruiting new members to our Cause. Whereas, not every White Racial Comrade may at present be receptive to our Cause, nevertheless there are millions out there who are receptive, who are fervently looking for a solution for which we have the answer - the real answer. There are millions out there who have never heard of CREATIVITY or of The WHITE MAN'S BIBLE or any of our other publications. It is our beholden duty to reach those millions and the best way to do so is to distribute copies of RACIAL LOYALTY. It is one of the most constructive actions you can take.

Order 100 copies of either this issue, or any combination of issues. Distribute them to your friends, your relatives or anyone who is inclined to be receptive. Distribute them to places such as, laundromats, airports, colleges, shopping centers etc. You'll be doing yourself and your White Racial Comrades the biggest favor of a lifetime.

Do it now! Order 100 copies for \$15.00 or 50 copies for only \$8.50.

Remember, the future of the White Race now hangs by a thread. If you do not take action, who will? A mere 10 million White Man's Bibles in the hands of our White Racial Comrades would see us well on the road to victory, which is an extremely small price to pay in comparison to the billions of dollars the Jews loot from us each year. We have to get these first 10 million Bibles out, and the paper which you now hold in your hand is the most effective vehicle with which to do the job. **We can do it. Your sacrifice and dedication are the keys to victory. Become a mini-distribution center for our material, including RACIAL LOYALTY.**

Pres. Reagan who wants the votes of those people was the main force behind the Convention. This is what I learned after several of Reagan's messages were read. (Let me stress that my work had nothing to do with the goals of the Convention.) I was, however, present and I learned that Mr. Reagan is giving and promising to give huge amounts of financial help to minority businessmen. In other words, Pres. Reagan is giving our money to the so-called minorities in order to get their support. It is a disgrace!

The niggers that took part in that Convention were very abusive and extremely rude. They did not look as if they were businessmen; they looked and behaved like thugs.

The blacks and other minorities are moving ahead because they are armed and are willing to use force. The White Americans — especially the wealthy and the able bodied — must wake up and start fighting before it is too late.

Wealth is no protection and the minorities are going into wealthy areas to rob and kill. There are no more safe havens, not even for the rich.

Wherever a person moves today, they will be faced with the same problem; i. e. crime by blacks and minorities against White people.

Concerning the attack against my person, I must say, that the police came after a good hour and that the officer who wrote the crime report was a **BLACK OFFICER**.

Sincerely yours,

P.S. It is very easy to be killed, especially after dark. Many people are extremely afraid and rightfully so. The answer is: Let us unite and defend ourselves!

Dear Pontifex:

I have just read your most recent issue of **RACIAL LOYALTY**. It is very, very good. The excerpt taken from **MEIN KAMPF** on Philosophy and Organization is excellent. Also, the man in Canada who is searching out a young "Creative" Man — I think is fantastic. The man really has a strong character it seems. Most men wouldn't ever do anything about it.

And the biggest thing I have to mention is your School for Gifted Boys. I believe that to be a **MAJOR** step in our movement. I believe the

organizing you are doing for our race is invaluable, and you will **ALWAYS** be remembered. From your first book, **NATURE'S ETERNAL RELIGION**, through **THE WHITE MAN'S BIBLE**, to **SALUBRIOUS LIVING**, and now with the community you are founding, how can we thank you? You have been the foundation of a beginning. The backbone has come from we members ourselves. Now we need the head — the leader. And with that school we may just find him.

I have been a firm believer in **CREATIVITY** for a few years now, thanks to my Fathers guidance. It took him a while before I accepted it to the point I am now.

I am 20 years old, presently working with my father as a carpenter and partner in his General Contracting business. In a couple of years I hope to attain an Electrical Contractors license, and then a General, but not without plenty of hard work and studying.

When I am with someone who isn't aware of **CREATIVITY**, I usually try to help them see the light. If I don't, its because its useless anyway. I find that with the **FACTS** there is no one who can argue back effectively. Most people that **WILL** think, can be turned around. They are usually the ones still searching. I sure wish I had Hitler's or even Rockwell's speaking abilities. Anyway, as you have said, "We must not waste our breath on people who cannot be saved." There are plenty of people who can be. The ones searching for something are our best targets.

I find that the only ones that think I'm an idiot are the idiots themselves. When most people disagree with me, they generally believe its because my facts are wrong. But, by constantly talking with them and showing them the right direction, they slowly will change.

I recently sat down and wrote a short paper on Race difference. It parallels your thinking pretty much, I believe. Please comment on it.

The copies of **RACIAL LOYALTY** I have been reading are my Fathers which I borrowed. I would like to get my own copies of such. Is it possible to include me in the mailing list?

Enclosed is a check for \$50.00. Use it to cover the paper and mailing — and apply the balance towards the school construction. It's not much, but I hope it helps.

Good luck with all your endeavors. Sincerely

John Westphal

Why the Need for A School for Gifted Boys is of Extreme Importance

Until the founding of The Church of the Creator, the White Race had done next to nothing in order to safeguard its survival, expansion and advancement. True, it had built illustrious empires, glittering cities, astounding cultures, huge war machines and accomplished a multitude of other astounding feats.

But it had never so much as taken Step One in the direction of pulling the White Race together, uniting it and putting up a united front against the world of parasites and mud races.

On the contrary, most of the

tremendous energies have been consumed in destroying its own racial brothers and nurturing and expanding the scum of the world.

Now, with **CREATIVITY**, we have the huge task of reversing this whole trend. The White Race as such is now practically starting from scratch. We now have to do the whole job from the bottom up, from its very foundation.

In order to do so we have to found a leadership cadre, to organize, to build, to educate and to lead. The very finest of our White Race will not only be needed to do this job, but they will also need to be oriented and to be trained.

THE DAY AFTER

(Continued from Page 9)

Nevertheless, I would be interested in hearing some, but will not hold my breath in the meantime.

But the key question I would like to ask these befuddled Christians is this:

7. If it came to a showdown of either defending the White Race, or the Jewish myth of Christianity, which side would you choose?

This may sound like a hypothetical question, but I want to assure you that most decidedly it is not. Before this century is over, in fact, even this decade, many a White Man is going to be pushed to the wall in the upheavals of our society and will have to come to grips with that question.

* * * * *

Just about now I can hear some bleeding heart slopped with mawkish sentimentality exclaim, "Aw! Aw, Gee! Aw! Aw! Do away with Christmas? Klassen wants to kill Santa Claus!"

Well, no. Relax. I'm a good sensible and sentimental fellow myself. I don't want to kill anybody, least of all Santa Claus, and for two good reasons.

1. You can't kill somebody that doesn't exist.

2. I don't even want to do away with the mythical Santa Claus either, since (a) at least he is not a Jewish character (b) his origins are a derivation from the German, Kris Kringle, as explained earlier, and therefore, White.

But, I do want to: abolish all this Jewish commercialism that sur-

rounds Christmas; to explode the Jewish hoax of celebrating the birthdate of a Jew, any Jew, for the same reason I will not celebrate the birthdate of Martin Lucifer Koon; to expose the outrageous nonsense about a non-event that never happened and try to get the White Race back to sense and reality, back to their own rich heritage and values.

In this context, I make the following suggestions in building up our own healthy White racial religion:

1. Let us keep the events of Christmas and Easter at the Winter Solstice and Spring Equinox respectively, but let us turn the tables on the Jewish hoaxsters: Let us turn them back into White holidays. Let us give them new names, names completely removed from any Jewish taint.

2. As far as Santa Claus is concerned, let future custom and preference decide, but let us separate this myth from all Jewish and Christian connotation.

3. Let us take the commercialism completely out of these and any other holiday, and emphasize instead the spiritual, traditional and genetical strength of our own White culture.

4. If we are going to celebrate and honor folk heroes, let us make certain they are White, of our own race and culture, whether such characters are mythical or historical.

5. Let us begin now in building traditional holidays for the advancement of the White Man's culture, and shun all others.

6. Boycott all Jewish businesses, whether they be stores, real estate agents, lawyers, doctors, politicians, writers or whatever.

Salubrious Living Section

The Suppression of Fever

by Dr. Herbert M. Shelton

Dr. Herbert M. Shelton is undoubtedly the Dean of living practitioners in the field of Natural Hygiene. He has written more books and more articles on the subject than any other man in history. Now in his 90's, Dr. Shelton still continues to contribute to this important work.

Natural Hygiene is similar to our program of Salubrious Living, except that we include Racial health and Eugenics, whereas Natural Hygiene ignores the racial issue.

Fever is a remedial process, said the early Hygienists. This fact was being taught by Dr. Trall as early as 1851. It was not until after the ending of World War I, that the medical profession theoretically recognized the constructive character of fever. They have never made any practical application of the fact that the fever serves a definitely useful function in the processes of life, but are still repressing fever as they did a hundred years ago.

Before going on with this, however, it should be pointed out that when Dr. Trall contended that fever is a remedial process, he meant the entire symptom-complex that was labeled a fever, and not merely the increased temperature.

In those days, with classification in a hopeless muddle, there were such fevers as typhoid, typhus, lung, ship, remittent, continued, dengue, congestive, slow, scarlet, yellow, etc. These were names for different or thought to be different symptom-complexes, of which the increased temperature was a prominent symptom. When Dr. Trall declared that these "fevers" were remedial processes, he meant that the whole complex — the rise in temperature, the inflammation, the pain, the vomiting, the diarrhea, the prostration, the eruption, etc., etc., — constituted a remedial process. The need for the rise in temperature was recognized but it was never thought this alone constituted the remedial process.

When I was young, the most popular antipyretic (fever reducer) was quinine. Later this was forced to share honors with acetanilid and phenacetan. Fan baths alcohol

rubs, hot and cold baths and other means of reducing temperature were also in vogue. It hardly mattered how one reduced temperature so long as it was reduced. Most of the drugs occasioned a slowing down of heart action. Some of them occasioned a dilatation of the surface blood vessels thus re-establishing surface radiation. Hot baths occasioned the same dilatation of the surface vessels. Cold baths and fan baths extracted heat from the body.

Today aspirin is, perhaps, the most popular drug employed in reducing temperature. We are informed that prolonged fever dehydrates the body, especially if accompanied by vomiting or diarrhea. Of course, it is possible to drink water and replace the water that is lost but this is not enough. It is thought that the temperature must be reduced and kept down.

It should be understood that the increased temperature automatically occasions the operation of other processes that are essential to recovery and that when the temperature is reduced, these remedial processes are checked or suspended. The life of the patient is actually jeopardized by the reduction of the temperature. Aspirin is certainly a dangerous substance with which to reduce temperature, although, perhaps, not as dangerous as was quinine. At any rate, aspirin accounts for the death of many children each year because of its use in reducing temperature.

This is the result of what is called "therapeutic overdosage." What is overdosage? It is described as the "accidental giving of too much" of a drug, aspirin in this case, to a patient. But how much is too much? Certainly the dose has been standardized for the various ages, but as the patients have not been standardized, the standardized doses may be "too much" in many cases.

Let us glance at what a popular medical writer has to say about how a "therapeutic overdose" may be given.

He supposes a two-year-old child to have a "heavy virus infection" with a temperature of a hundred degrees, hardly enough to make the child realize he has a rise in temperature. The writer assumes

Jews on the Run

The Jews are beginning to become mighty nervous about their precarious position throughout the world. And well they might be. With or without the help of The Church of the Creator, the Gentile world is slowly beginning to wake up to the parasite they have in their midst. Here is an article that appeared in the Establishment press, THE ATLANTA CONSTITUTION on January 14, 1984.

"Guards posted to ward off attacks on Jews

"BUENOS AIRES, Argentina — The Argentine government Friday posted police guards at about 20 synagogues and Jewish schools to prevent anti-Semitic attacks. Luis Comisarenco, vice president of the Commission of Argentine Israelite Associations, said Interior Minister Antonio Troccoli ordered the special protection for synagogues and schools in Buenos Aires and the provincial city of Rosario. Comisarenco met with Troccoli earlier Friday to express concern about fire bombings at the main synagogues in Buenos Aires and Rosario, 250 miles to the northwest. No one was injured in the pre-dawn attacks, but temple doors were damaged."

Let us help speed the day when the White Race no longer "guard" these treacherous pirates and killers, and they will be left to the mercy of an outraged world.

Do your part to bring that day closer. Promote CREATIVITY.

that the mother administers aspirin in "correct dosage" as perscribed by her physician and as she had previously been instructed. The fever "responds" by dropping a degree or so. But as the infection becomes severe or complications "set in," the temperature begins to rise again. He says that "if the fever rises again in spite of adequate aspirin dosage, there is the mistaken idea that more and more aspirin should be given to control the fever." But he asks his readers to remember one fact: namely, "a very sick child cannot tolerate large amounts of aspirin nearly as well as a healthy one."

Now this is a confirmation of our oft-repeated contention that if a drug will make a well man sick, it will make a sick man sicker. The very fact that a healthy child can take aspirin with less danger than the same child when sick indicates that the sick organism has less power to protect itself. He further confirms this fact by adding: "A child who is not ill can chew up several aspirins with only a mild case of poisoning resulting, but the same number to a sick child might be fatal." I would suggest that if you must poison your sick child, you should give it less poison than you would give to your well child, lest you kill the sick one. Certainly "a mild case of poisoning" would not help the sick child, as it does not help the well child.

There is simply no safety in taking poisons of any kind at any age of life and for any purpose at all. Fever should not be suppressed. Nothing should be done to force temperature down. Let it alone and let it serve its purpose.

Why try to restore health with

agents that are well known to destroy health? Temperature rises when the sick child is fed, it does not rise so high when its distaste for or repugnance to food is respected and no food given. Let the child fast and give all the water demanded by thirst. This is the only sensible means of "controlling" temperature in acute disease. Keep the feet warm, have plenty of fresh air reach the patient, keep noise away and let him recover.

In discussing the alleged actions of drugs, which we deny that they have, I have repeatedly pointed out that the so-called action of a drug varies with the dose. This same medical authority says that: "Normally aspirin will lower a fever, but strange as it may seem, when large amounts are given, aspirin will make the temperature go up. This might also result in more aspirin being given to the child." Giving more aspirin to reduce the temperature occasioned by the prior dose of aspirin is an example of the practice of treating the effects of drugs with more drugs. It is like taking a cup of coffee to relieve the headache caused by the prior taking of coffee; it is like taking a shot of morphine to "relieve" the pains caused by the taking of morphine.

Aspirin is used in colds, not only to reduce the fever, but also to "relieve" the discomfort of the cold. The greatest evil of the "relief" as a substitute for the removal of cause is that we spend our time seeking "relief" and do not give any thought to cause.

It is "relief" that is sought when aspirin is administered to reduce temperature. It should be known that this "relief" is responsible for a large harvest of death each year.
