WE SHALL PREVAIL THE SEARCH FOR THE GREAT PROMOTER

He's out there. It is our task to find him.

In CREATIVITY there is inherent a delayed time-bomb. When it's time comes it will explode in the face of our enemies with all the fury of an atomic bomb. It is our beholden duty to bring that day to fruition as quickly as possible. The blueprint has now been drawn. The foundations have also been laid. We must now search out the Great White Promoter and reap the benefits of our dreams and labors. With your help we will find him. Time is of the essence. The time is now ripe.

There is nothing more powerful than an idea whose time has come and when it has come, there is nothing that can stop it, neither armies, nor terrorism, nor lies, nor propaganda. I am convinced that CREATIVITY'S time now has come and we must mount a full scale organizational cadre to promote it, to implement it, to organize it, to build its muscle and to facilitate the White Man in again taking full charge of his own destiny.

There are many examples in history where one book, or one idea has lain dormant for a time, then stirred, then suddenly blazed forth into widespread recognition in the eyes of the world.

A recent example of that you may have read about, is a little 88 year old lady named Helen Hoover Santmyer. For 50 years she labored on her one and only book called, "...And Ladies of the Club." It is about a small southwest town in Ohio, covering a period from 1868 to 1932. It is a rather massive work, the book weighing 6 pounds, and consisting of 1,344 pages.

The point about this episode is that for 88 years nobody particularly noticed that this lady had any talent as a writer, nor did anyone particularly care. In 1982 the Ohio State University Press published the book. It still attracted little attention and only a few hundred copies were sold. Then, in 1984 the book was taken over by Putnams and will be published in August as the Book of the Month Club's main selection for that month.

Suddenly after 88 years, Mrs. Santmyer is recognized and acclaimed as a great author. She is publicized in the national press, a fortune awaits her financially and she is in great de-

mand. Undoubtedly, the story will be commercialized, and it will be turned into a movie, appear on television and be published in paper back. At the age of 88, Mrs. Santmyer will finally and suddenly be rewarded with all the accolades and honors of a great author.

A different case history is that of a Prussian author named Carl von Clausewitz, who now, more than 150 years after his death, is widely recognized as having written the greatest classic on military strategy in all of history. His magnum opus, ON WAR, is still regarded as the classic textbook on military

WHO NEEDS THEM?

A POLYGLOT MIND AND A POLYGLOT SOCIETY

One of the most persistent and perplexing aggravations that we CREATORS are burdened with is this basic question:

Since most members of the White Race are Christians (and/or loosely affiliated therewith) shouldn't we work with them instead of attacking them? After all, there are so many of them and we need them.

This is an important issue and one which we of The Church of the Creator resolved twelve years ago when we launched the CREATIVITY movement. Our real members are with us 100 percent in the resolve and decision made at the very founding of the movement. There are, nevertheless, a number of would-be members that like the junkie who can't make up his mind whether he should give up dope although he would again like to join the real world and become a respectable member of society.

In this article we want to bring up all the arguments the pro-Christian dissidents have brought up and answer them one by one, as far as possible. We want to answer once

and for all the question: **Can Christians help us build a White racial movement (any White racial movement) or is it part of the problem?**

In answering this question I am reminded of a country preacher who flatly stated that, "A religion without a hell ain't worth a damn." We CREATORS do not make any pretense of being without bias, and do not particularly agree with that assessment. Instead, we flatly state that: **Any White racial movement that fails to confront and expose Judaic Christianity isn't worth a damn.**

We further state that taking unreconstructed, born-again Christians into our movement is not only counterproductive, but creates dissention and anarchy in our ranks; that Christianity is not just a problem among many, **but is basically THE PROBLEM** that has crippled the White Man's mind through the ages and prevented the White Race from ever developing a strong White racial religion of its

tactics and strategy despite the fact that military technology has changed dramatically in the last century and a half.

Carl von Clausewitz was born in 1780, the son of a retired Army lieutenant who held a minor civil service position with the then State of Prussia. When Carl died in 1831 at the early age of 51, his masterpiece, *ON WAR*, was still unfinished. It was published by his loving wife a year after his death. The first edition, which consisted of a mere 1,500 copies, was still not exhausted 20 years later when a second edition was published. No further editions then appeared until 1867, when finally his works began to receive the recognition they deserved.

This classic, although still not widely read, has had tremendous influence on military history and on the history of the world at large. It was the basic text that established and nurtured the German General Staff into becoming the most efficient military organization the world has ever known. It was instrumental in shaping the ideas of the Prussian General von Moltke, recognized as one of the great military generals of all time. It was he who led the Prussian armies to the brilliant victories that culminated in the unification of Germany in 1870. This book did much to shape the military strategy and thinking of World War I and World War II. It strongly influenced Adolf Hitler's ideas on Blitzkrieg tactics so successfully employed. Even today, it is still one of the basic, if not the foremost, textbooks in most of the military academies of the world.

Now the two books mentioned are widely apart in subject matter, but they do have a common denominator, and it is this: A book or an idea may lie dormant and be ignored for years, but if it has merit, it will sooner or later attract public attention, whether it be through sudden favorable publicity, or whether it be the hard way through the sheer genius and power of the ideas organized and presented in them. "...And Ladies of the Club", will not change the world much, if at all, but it evidently has much merit as a literary piece. Von Clausewitz, *ON WAR*, on the other hand, did not have a particular sponsor or promoter, but rightfully earned the prestigious recognition it deserved by the sheer force of its powerful content.

But the main point is this: intensive promotion can bring a great idea to the forefront and the attention of the world in short order. It is our intention that when we have all our parameters on *CREATIVITY* put together, to launch a promotional Blitzkrieg the likes of which the world has never seen.

Now we Creators do not particularly relish playing the role of a braggart, nor do we have any particular desire to over-indulge in playing the role of a Casper Milquetoast, nor the biblical deviate who is shy, meek and poor in spirit. In fact, the 15th Commandment of our Sixteen says, "As a proud member of the White Race, think and act positively. Be courageous, confident and aggressive. Utilize constructively your creative ability." In short, we are interested in neither being the braggadocio, nor the shy retiring violet. We are basically interested in being as accurate as possible in our judgment, using our good judgment to the best of our ability and getting the job done.

I will therefore state flatly that it is my judgment, that for

the White Race, *CREATIVITY* is the most constructive, dynamic and beneficial idea that has come along since the beginning of civilization some 10,000 years ago.

Now remember, I said *FOR THE WHITE RACE*. The Jews will not agree to that assessment and will fight it tooth and nail, and will miss no opportunity to denounce it. The niggers and the mud races do not like it either, and never will, because it will doom their future as parasites on the coattails of the White Race. The Christians will attack, denounce and roadblock it every step of the way, imploring the name of their Lord to heap damnation, fire and brimstone on the head of anyone who embraces *CREATIVITY*. But, the White Race itself will love it and embrace it, because its very survival, resurrection and redemption depends upon it.

I further predict that *CREATIVITY* will prevail and embrace all the White people of the world, and that as a result they will inherit the earth. Not the meek, not the poor in spirit, not the Jews, not the niggers, not the mud races, but the Great White Race will inherit the earth and no entity deserves it more richly. It will be the greatest blessing "humanity" could ever hope for.

*To say the success of the
CREATIVITY movement will
mean so much to so many is an
understatement. Do your part.
Help bring it about.*

I further make this far-reaching prediction: Come hell or high water, *CREATIVITY* will make the big breakthrough before the end of this century, most likely before the end of this decade. And I have three good reasons as to why I believe this:

1. *CREATIVITY* is highly controversial, and as such, it cannot be suppressed. It is highly volatile, and like a powerful explosive it needs only a spark to set it off to flare up in the face of the world.

2. It is correct and true. It cannot be successfully refuted in open debate because it is based on fact, and on the Eternal Laws of Nature. The more it is attacked, or discussed, or debated, the more adherents we will win for the White Race.

3. The Jew, through his treacherous machinations, has brought this world to a horrible crisis, which is rapidly racing towards a climax. It cannot go on much longer without a dramatic collapse or explosion. In this calamity the White Race is targeted as the main victim. The closer the White Race approaches to this impending horror, the more dramatically the obvious conclusion will be impressed upon the minds of each individual: *CREATIVITY IS THE ANSWER!* The only answer! Not Christianity, not Communism, not more welfare, not more liberalism, not more printed Federal Reserve Notes, but a whole new approach. It will be either *CREATIVITY* and survival of the White Race, or it will be oblivion.

Let us be clear on another point: If the White Race goes down the drain, the best and only worthwhile characteristic of "humanity" will have been irretrievably destroyed, never to be restored. "Humanity" (and I use the term loosely) will

THE SEARCH*(Continued from Page 2)*

revert back not only to the Dark Ages of a thousand years ago, but back to a period of half a million years ago, to the level of cannibalism and that of the lowliest nigger in Africa. The stakes are indeed high.

Alright, we have delineated the alternatives. Where is CREATIVITY today?

Well, we are about 95 percent complete. We have the creed, the program and the religious base pretty well completed. We have a monthly periodical and we have our basic bibles. We have only one more piece in the puzzle to complete the picture. We need the Great Promoter.

Now let me explain a vital point that most people are not aware of. There is a wide difference between an inventor and a promoter. Seldom are they incorporated in the same person. Why? For the same reason that you will seldom, if ever, find that the world's heavyweight boxing champion is also the world's greatest violin virtuoso, is also the world's finest artist, is also the world's greatest writer, is also the world's foremost poet, etc. Need I go on?

Hardly. Only very few ever enter the ranks of "the world's foremost" in any category and seldom, if ever, do two or more of these talents reside in the same person, no matter how high their intelligence. I found this out quite clearly about 30 years ago when I invented a push button electric can opener and obtained a number of patents on the device. I was told quite emphatically that an inventor and a business talent seldom go together and that usually inventors are the poorest of businessmen.

Whether this is true in all cases is not the issue, but in general the point is well taken.

Whereas I have considered myself a fairly good business man over my lifetime and have accumulated a fair amount of assets to back it up, and whereas I have during most of my business life promoted one project or another more or less successfully, still, I do not consider myself qualified to be the Great Promoter we are looking for, and shortly I will tell you why.

In the first place, I am basically a writer and a philosopher, and even at that I have arrived at a rather late stage in life. Would that I had known at the age of 20 what I know now! But the realities of life are that during the prime of my life I didn't know nor give it a second thought, and did not see the whole picture clearly until I was well past 50.

On February 20th I will be 66, twice as old as I would like to be in order to take on the arduous duties of leading and administering as huge an enterprise as leading the White Race back to sanity and order in a hostile world gone stark-raving mad. The fact is that at any age, I was never cut out to be such a leader, speaker, administrator and organizer as are necessary to take charge of such a portentous movement. As I said before, I am basically an inventor, a writer, a philosopher. The promotion of the movement will now have to come from some fireball, half my age, whose identity at this period of time is still unknown.

But he is out there. And we will find him. We are looking for some fireball similar to Adolf Hitler, only better. He is out there. In fact, there are at least 10,000 young men in America who could potentially do the job. They have not heard of us yet. But they will. It is our job to expand our movement to the point where there is hardly an intelligent White Man or woman in America who has not heard of us, and either re-

I am Honored (I think)

It seems I have the dubious honor of being listed in the A.D.L.'s Handbook of their most hated enemies. So I am flattered. A man is not only to be judged by his friends, but also by the enemies he keeps. Here is what they have to say about me in "A Handbook: Extremism on the Right":

Ben Klassen, 63, was born in the Ukraine and emigrated with his family to Mexico, to Canada, and eventually to the U.S. He is a semi-retired real estate salesman who

settled in Florida in 1958. Klassen initially came to media attention in 1966 when he was elected a member of the lower house of the Florida State Legislature. He campaigned against busing and the federal government. One month after his election, he was introduced at the John Birch Society's eighth annual birthday dinner in New York by the Society's founder and leader, Robert Welch.

In the late 1960's, Klassen was active in the John Birch Society. Indeed, he opened and ran an

jected us or joined us. The more we expand the more we will attract some of those 10,000 we are talking about.

Unlike Adolf Hitler, the Great White Promoter we are seeking does not exactly have to start from scratch. He will not have to formulate a new philosophy, or creed, or program from scratch. He will have a going concern. The solution and the organization is already there and waiting for him to put into high gear. Like Lee Iococca, he will not have to invent the automobile from scratch, or even start the Chrysler Corporation from scratch. The Great White Promoter will literally fall into history's greatest opportunity, 95 percent complete, ready made to promote, and the sky is the limit. The whole framework is already there ready to run, only waiting for the right man to promote the hell out of it.

Was there ever in history such a golden opportunity offered to any young man on a silver platter? Hardly.

Now the Great Search is on. You who are reading this are an important part of that search. Perhaps you are a potential candidate, or if not, at the very least you are part of the organizational mosaic that is necessary to build up a multi-million member movement. The process is self fueling, the bigger the membership the more recruiters. The more recruiters, the bigger the membership.

So, we have our work cut out for us. Build, build, build! Recruit, recruit, recruit! Propagandize! Proselytize! Organize! Promote the hell out of the greatest idea for the White race since civilization began. Save the White Race from suicide and genocide! Promote! Search for the Great White Promoter!

So what kind of a man are we looking for? Well, undoubtedly, he will be an extraordinary man, as was Adolf Hitler. Undoubtedly, he will be a genius. He will be super intelligent, have a dynamic, winning personality, be an excellent and persuasive speaker, and at the same time be a man of tough decisions and sound judgment. He will be a great orator and a man of tremendous energy.

When we find him, I will consider my life's work as pretty well completed. I will then relax, take life easy, and enjoy some of the perquisites of life that I am entitled to at my age. I will do more traveling, catch up on my reading, make a few audio and video tapes for the church, do some amateurish oil paintings, publish a few more books, write an article now and then, and in general piddle along on my homestead in the Blue Ridge Mountains at my own particular speed.

But the movement must go on. It must accelerate at a tremendous velocity until it envelopes the world. It will be done by The Great Promoter, by the Pontifex Maximus No. 2. We will find him!

BRICKBATS & BOUQUETS

Dear Pontifex —

It's been a few short years since I was a regular member, active, and sat in the pew of one of the larger Baptist churches here in my home town. Though I tried to "give it my all", and commit myself totally to Christian teachings, something inside of me wouldn't accept total subservience. At that time, though, I "felt sorry" for my father, who wasn't a Christian and who really upset my mother when he once proclaimed, "I guess I'm an atheist." I know now what it was inside me that questioned the seemingly "foreign" ideas the church preached; it was INSTINCT. It now turns out that that INSTINCT saved me from a lifetime of slavery, existing as a programmed robot, giving a substantial portion of my income to my own slave-masters. When "our" Church readily accepted a family of niggers for membership; when I had to listen, in my own "Sunday School" class, to a Mexican stand up and defend the Hollywood Jewish smut-peddlers with "brotherly love", I had had enough. I knew something wasn't right, but up until that time I couldn't put my finger on it. Though my wife was devastated when I "quit the church", my RACIAL INSTINCTS dictated that I do it, for my own survival as a person.

Shortly thereafter, I was handed copies of your books, *The White Man's Bible* and *Nature's Eternal Religion*. As I read them, things began to fall into place and my understanding was most heightened. You put into words what I had been subconsciously THINKING for a long time. Your exposure of the anti-Nature doctrines of, "resist not evil", "turn the other cheek", "give what thou hast to the poor", etc., was music to my long deafened ears.

My father who died in March, 1981, was first and foremost, a racist. Fortunately, my "awakening" came before he died, and I realized how much I was indebted to him and my ancestors for transmitting to me the genetic quality of racial preservation. (Dad died of cancer — that man-caused illness of which you are so aware.)

Hand-in-hand with this break from Christianity's shackles came a renewed awareness of Nature's Eternal Enemy — the JEW. I was also much in the dark on this issue. But years of research, which continues to this day, have prepared me for the BATTLE which I know

will have to be waged. An understanding of the TRUTH of the mission of Adolf Hitler opened my eyes even further. My pursuit of knowledge about the nefarious activities of the Jews has centered around that particular era, though not limited to it. A realization of how long we have been jousting with windmills fills me with much consternation. But what is of much more importance — is how long will we CONTINUE to do so?

This entire story was written to exemplify why I'm now writing this belated "thank you" to you, Mr. Klassen, for your part in helping me to rid myself of the mental shackles of Christianity and to help me learn to think for myself. I, as an individual, am much better off for it now (having left the "Church"), though the price was admittedly high and the cost of becoming an individual in the service of my RACE a great one. My wife, devout Christian that she is, has finally accepted my beliefs for ME — though not fully for her; the strain on our marriage was indeed heavy.

My three young children were the crux of the problem, as she wants to keep them in the Christian church and make them "firm believers in the salvation of Jesus Christ" and "going to heaven". I, at the same time, constantly keep in the forefront their racial inheritance and responsibilities. No doubt the two will come into such conflict someday soon and they will have to make their own decisions then. Also, many of my "friends" now feel sorry for "poor, lost soul", ME! I'm no longer at home in the crowd; I'm out of the mainstream of thought; I'm feared and avoided by many. But to me, these things are badges of honor rather than something to be sorry over. I, not they, understand the real meaning of FREEDOM.

You may use this story (all true) if you wish, Mr. Klassen.

I obtained from a friend, Issue Number 3, of your new publication, RACIAL LOYALTY. I was unaware of its existence. Its very well done. I would like to be included in your list of subscribers.

I've written many racist-oriented poems and essays, a few of which have appeared in Mr. Dietz's, "Liberty Bell". I realize that you are a busy man, but I may occasionally send one of my writings to you for your evaluation. (My audience around here is very limited.)

Again, thank you, for the services you've performed for our peo-

CUPID'S CORNER

Dear Cupid,

Since Nature continues to impress me with the need for a helpmate in all areas of life's venture, and since finding a suitable partner these days is next to impossible, your Corner is the logical medium through which to appeal.

I am a White, Male, of German descent; a youthful 41; blond, blue eyes; 6' tall; 150 lbs.; native of the rural Northwest; currently, but not permanently, residing in suburban Houston, Texas.

My interests are myriad and experiences are legion. I am always anxious to explore new avenues for potential benefits to future generations. I am actively involved (and for years) in wholistic health and the tax freedom movement. Also, reason finally returned to my mental faculties after a decade of intense brainwashing by various brands of Christianity. Most definitely, I desire a Nordic/Germanic, female, of childbearing age to join me in pursuing our roles as CREATORS.

Dear Pontifex —

It is very difficult to find a woman who hasn't had her mind and body destroyed by our present Jew-oriented culture. I would count myself blessed a thousand fold if ever I could find such a rare jewel

Heavenly Humor

We goofed in last month's issue in telling the story of how the Protestant, Catholic and Jew each spent Christmas day. The typesetting department left out the punch line! (Sabatoge?) Here is the whole story:

A few days after Christmas, a Protestant, a Catholic and a Jew were sitting at a bar, recalling how they each had spent Christmas day.

The Protestant said, "Well, we started celebrating on Christmas eve. We went to our local church and listened to a short sermon and

ple; for assisting me, as an individual, out of the quagmire of inanity; may success continue to be yours.

There are probably more people out there who have shared my experiences almost exactly. Therefore, I hope my story will help them.

as a woman who's interests are in raising superior White children and fighting for what's left of our culture, maybe through Cupid's Corner I'll get lucky. So here goes!

White, male, of German descent, age 32, receding light brown hair, blue eyes, weight 180 lbs., height 6' 1".

Interests: weight-lifting, running, distance swimming, hiking, Karate, politics, reading (especially stories of Ancient heroes and warriors of history fighting for chivalry and noble causes), studying Ancient civilizations, scuba diving, camping and mountain climbing, although I haven't done much of it, (no mountains in Delaware), and (being that I have been a vegetarian-fruitarian for 7 years) organic farming is another extreme interest of mine.

I would like to meet a White, female, of German or Anglo-Saxon descent, between the ages of 18 to 30, with similar interests, interested in a life-time partnership.

She should be a woman of strong character, who wants to inspire success in her man and who is dedicated to raising strong, healthy children for the future glory of the White Race.

sang some Christmas hymns. Then on Christmas morning we gathered around the tree and opened presents. Then later, we had a few highballs and about 4 o'clock in the afternoon, we had our big Christmas dinner."

The Catholic said, "Well, by and large we did the same thing, except we didn't celebrate Christmas eve, but got up early the next morning and we went to Mass. Then, about 1 p.m. we had our big dinner, after which, we opened our presents."

The Jew said, "Well, we have a different approach altogether. On Christmas day we invited all of our relatives and co-religionist to come together at the Department Store. We opened a case of Slivovitz, then we rubbed our bellies and looked with glee at the empty shelves and full cash registers. Then, we knelt down and gave thanks to our own boy, Saul, who invented this clever gimmick and made it all possible in the first place, **and then we all joined hands and sang, "What a Friend We Have in Jesus."**

THE SCHOOL FOR GIFTED BOYS

Why the Need is Urgent

We all know that the worldwide Jewish network is hell-bent on mongrelizing, decimating and utterly exterminating the White Race as such. This we have shown time and again in the various chapters of our White Man's Bibles and in numerous articles written in this paper. The proof is so overwhelming that any White Man would have to be blind, deaf and dumb not to see it happening all around him.

To achieve this mass genocide, the Jew has for centuries used every treacherous technique and weapon available to him. Today he is stepping up that program into a shrieking crescendo. Besides the power of money, government, the propaganda networks, (and many other powerful weapons) the Jew has, with sinister cunning, enlisted the White Man's religious leaders themselves into the virulent campaign to destroy the White Race. **Besides the Jewish Theological Schools, in which they train their own Talmudic leaders, there are Presbyterian Theological Seminaries, Lutheran, Baptist, Catholic and every other stripe of theological seminaries in which the future religious leaders of the White Race are taught to hate their own race, to love the Jew, and promote race-mixing with a vengeance.**

Where in the whole wide world is there an organized counterpart for training our young people to become leaders in the defense of the White Race?

The brutal truth is that there is none, absolutely none.

The Church of the Creator seriously intends to do something about this. Since no one has done anything in the past, we are virtually starting from scratch. We have already started, albeit in a small way, **but we have started.** We have started building a School for Gifted Boys, where we hope to initially orient gifted young boys to at least start studying and thinking about the future of the White Race and their own future in this polyglot world.

Whereas the start may be small, we hope that it will be a burgeoning seed bed for the future leaders of our religious movement, CREATIVITY. We further hope that it will be the wellspring of our future leaders in the defense of our race, leaders in government, in industry, in the arts and in the White

Man's culture. **We want to teach them to think White, to look at the world through the White Man's eyes, from the White Man's point of view and enlist them in the exciting struggle of BUILDING A WHITER AND BRIGHTER WORLD.**

Our most precious asset is our own White racial genes and the cream of the crop is that 1 or 2 percent of the gifted, both boys and girls, at the top of the intelligence ladder. It is the geniuses at the top that hold our future in their hands

What have you done for the White Race today?

and we either build a framework within which these gifted can fully develop their latent genius or we will find ourselves rapidly going on a downhill toboggan slide to chaos, anarchy and oblivion. With the onslaught of our enemies now in high gear, that day will not be long in coming. **Only an aroused, united White Race fanatically polarized around a racial religion can stop it.** To build such a powerful organization, we need leaders, brilliant leaders and we need them by the thousands. We need to get started, now! The Church of the Creator has indeed started.

When I was in high school some 50 years ago, the "exceptional child" was the bright child, and although there was jealousy and prejudice against such a child even then, at least he or she was grudgingly recognized as gifted, as "bright", as exceptionally intelligent, and respected as such. Even then, however, little was done to help develop the latent gifts inherent in such a child.

Today, the term "exceptional child" has been completely reversed, and now it means the exceptionally dumb child. The retarded, the idiots and the morons today are fondly enrolled in schools for "exceptional" children, and money seems to be no object. The bitter fact is, the government, the churches and the welfare agencies lavish many times the funding (extracted from White taxpayers, of course) on the derelicts of society, the morons, and the retarded who have no future, than they do on the gifted. **In fact, no effort at all is**

made to develop the best, the finest, the gifted. It is the lower dregs who will be a problem and a burden on society to the end of their lives that our governmental and religious establishments love to lavish with attention and money.

What happens to our White gifted children today? Well, usually if they are "processed" in our public schools they will be placed in a class of mentally inferiors, with niggers, Mexicans and other mud races, and taught the joys of integration and race-mixing. Like a fast ship in a slow convoy they will be tied to the snail's pace of the slowest learner in the class. The few latent geniuses, not even realizing their own worth, will be bored, frustrated and for good reason become bitterly anti-social. They will become rebellious, belligerent and develop serious personality problems. Chances are extremely high that in today's drug infested environment they will turn to drugs as a cop-out. Senator Paula Hawkins of Florida has stated flatly that there is hardly a school in the United States above the fourth grade that is not already permeated with drugs.

Remember, these are every individual's most precious, most formative years, the years of their childhood and their youth.

In such a sick, torpid school environment the chances are high that instead of a brilliant future towards which such a bright child could contribute so much to our race, will instead turn to a wasted life of frustration. Most likely such individuals will end up in a life of crime, behind bars.

This is terrible. It is horrible how the Jew is forcibly (by force of law) taking our children away from us, funneling them into their meatgrinder and turning them into drug junkies, juvenile delinquents and finally, adult criminals.

What is the alternative? To ask the question is to already imply the answer. We must build our own institutional structure — schools for orienting and educating our children. The Church of the Creator has decided to start first with our gifted — the most precious — and finally all our children in our own White schools **where they will be oriented first and foremost to respect and cherish the value of their own race.**

This is the program The Church of the Creator has in mind and we are making a start — the most important step. Small as that start may be, it is a beginning — a

beginning whose potential knows no bounds.

We are building a school that we hope will accommodate 24 boys for 2 week sessions during the summer months. It will be designed to be a combination of a summer camp and an orientation center towards White Racial awareness. The boys will be housed in the school itself, in the style of a summer camp building. There will be six rooms accomodating four boys to a room with upper and lower bunk beds. There will be three sets of bathrooms. There will be a large dining room in the same building and a kitchen to service the hungry horde. The total area of the building will be a modest 2,500 square feet (slightly enlarged from our previous plans.)

It is our intention that each 2 week session be a pleasant summer outing and a memorable experience for each boy. Of even greater importance will be a program of orientation that we hope will leave a lasting impression. We therefore plan to have a mix of fun and games with study and orientation, giving about equal time to each side of the coin. We intend to run as many consecutive 2 week sessions as time allows and as we have candidates to fill the sessions.

Now we realize, that in two weeks the opportunity to orient and educate are strictly limited, but **WE CAN DO SOME VERY SIGNIFICANT THINGS, even in two weeks.**

What we want to accomplish is this: **we want to make these young impressionable minds aware of the value of their race, instill in them racial loyalty, and start them on the road to studying the basic Bibles of our religion. We want them furthermore, to become aware of the fact that their first duty lies with their race, to inculcate racial loyalty and a sense of responsibility. Before they leave we want them to start thinking about their own roles as future leaders in the racial struggle for survival and advancement. We want them to realize that their only future lies with the White Race and outside of the racial framework only a polyglot future of racial chaos awaits them.** This much we believe we can do in two weeks.

We want to START LAYING THE GROUNDWORK NOW for the future LEADERSHIP CADRE of the WHITE RACE.

MANUAL FOR ORDAINED MINISTERS

HOW TO ORGANIZE A CHURCH GROUP OF YOUR OWN

When J. Pierpont Morgan was asked, How much does it cost to own a yacht? He replied, "If you must ask, you can't afford it."

Similarly, it has been stated that if you must ask how do you organize your own group, you probably aren't qualified for the job.

I do not take this position at all. Forming a Church of the Creator group of your own is not anywhere as expensive nor as difficult as owning a yacht. The fact of the matter is, any White Man or Woman can do it, and no special talents or resources are needed. **All you have to have is the 2 D FORMULA — Dedication and Determination.**

Let us state one obvious fact right at the beginning. Every White Man, Woman and Child has a tremendous stake in the success of the CREATIVITY movement, whether they now realize it or not. Never in history has the welfare of the WORLD'S FINEST depended so much on the success of a single movement. It therefore behooves every White Man, Woman and Child whose eyes have been opened to reality to get into the act, to become a promoter and to do something.

So let us set forth a few simple guidelines, step by step.

A. Initial Phase.

1. The first and most important step is to GET STARTED Now! Not tomorrow, next week or next year. Get started forming a Church group of your own, whether you have been ordained as a Minister by our Church or not.

2. Getting started is fairly simple. Read *The White Man's Bibles*, all three of them, become well versed in the creed and the program. I presume that you have already done this. So you are probably ready for the next basic step in becoming a leader, a promoter and an activist.

3. Draw up a list of your contacts — friends, relatives, acquaintances, or even people that are important (such as state legislators, city councilmen, etc.) that are not personal acquaintances, but should be contacted.

4. Send (or give) them a copy of

our basic flyer, such as we have recently printed and is enclosed with this issue. Or, send them a particular copy of RACIAL LOYALTY, or a copy of NATURE'S ETERNAL RELIGION, or *The White Man's Bible*, or SALUBRIOUS LIVING. Use your discretion as to which would be most effective as a lead-in.

5. Follow up later and find out whether (a) you have sparked interest, or (b) discovered a goldmine, or (c) contacted a "dud".

6. The real secret of success is the follow-up, and don't be discouraged.

Cultivate the partially interested (the (a) type), but feed the information to them in moderate amounts with timely spacing. Don't overwhelm them in the first rush and turn them off. Your pay-off might come in a week, a month or maybe years later. You never know what will develop. You have sown the seeds and the ramifications may exceed your fondest expectations.

The type (b), the go-getter, is of course our main objective. Help him obtain a Membership Certificate, subscribe to the RACIAL LOYALTY and have him become part of your Church group about which we will have more to say later.

Even the "dud" is not a total loss. If you have supplied him with one or more flyers, or other pieces of literature, or one of the Bibles, likely as not he will pass it on to a friend or an uncle, or someone in his circle of contacts that he believes will be interested.

So remember, any literature you put out is productive. It is like planting seeds. Some will take root and flourish, others may fall on barren ground. But the bottom line is this — the more seeds you plant, the bigger the harvest.

7. If you do not have a Ministerial Certificate from The Church of the Creator yet, write for an application, and we will have you ordained shortly. But, don't let this delay you in getting your group started. (See next page of this issue.)

CONCLUSION: Propagandize to the limit of your resources, whether you are a Minister or not. Become a Minister as soon as possible. It will give you additional prestige and authority.

B. The Mechanics of Setting Up an Organization.

One of the major misconceptions that many, or perhaps most would-be organizers harbor is that you must have an elaborate framework for forming your own group or organization. They ask — should we incorporate? Do we need a charter? Do I need to apply for a permit from the county, state, or I.R.S.?

1. The answer is, you need none of these. You are exercising your civil and religious rights under the guarantee of The FIRST AMENDMENT.

The most important move is step A 1. Get started! Enlist contacts. Get a group going even if it consists of only you and a second member.

2. When you get the operation moving, the next formal step would be to select a name for your group, such as, "Hooper Valley Church of the Creator", or "Church of the Creator No. 54", or "Jackson County Church of the Creator", or any name that strikes your fancy, but include Church of the Creator with it, so that you have a definite identity with our Church.

3. Next, **get a Post Office box** in that name, and probably **open up a bank account** in the name of your group also.

4. As you get more members and more muscle together you might want to get some stationery printed up with the name of your group prominently displayed on it. However, if you would rather utilize limited funds for the distribution of more literature instead, a rubber stamp on your envelopes will do just as well.

5. As your membership expands beyond 3, delegate specific duties to different members, such as secretarial work, mailing, fund raising, telephone calling, etc., and bestow titles on such people so that they get "the feel" of being a specific and important member in the organization. There is nothing more conducive to results than keeping each member busy doing something constructive, and making such members feel that they are accomplishing something positive.

6. Recognition of each member's work is extremely important. We all need to be encouraged, recognized, and rewarded for dedicated work, in one way or another. Having such recognition brought out at each meeting whenever possible is one of the most appreciated rewards in itself.

C. Regular Meetings.

It is important that each group establish a regular time and place for meetings.

To begin with, when the group is still small, this could be in the Minister's home, or if more convenient or suitable, in a member's home. An alternative might be to rotate to several member's homes, but not necessarily every member's, since some for family reasons might find this highly impractical.

As the group grows, it might decide to meet as a breakfast group in some restaurant. This could be done on Saturday mornings, or if they prepare for an early meeting, such as 7 a.m., this could also be arranged during week days. In fact, when I was in the Toastmaster's Club (some 20 years ago) we had such early Breakfast Meetings in one group and Dinner Meetings in another group.

As the group grows larger, a meeting hall can be rented at such places as Holiday Inns, or other hotels, or certain restaurants. Some can be had without meals, in other cases meals are mandatory.

It is preferable to have such meetings without meals, if possible, since these are becoming increasingly expensive and will exclude many prospective members. It is advisable to have light refreshments at the end of the meeting. This generally allows for more personal fellowship and acquaintanceship, and also a warmer feeling of kinship — the idea of "breaking bread together."

D. Suggested Procedure at Meetings.

It is preferable to have a set general agenda for all meetings and also a specific agenda for each particular meeting. Each group should have their own procedural rules and character.

1. One of the first standard procedures might be to re-iterate at the beginning of each meeting that the purpose of these religious meetings is the survival, expansion and advancement of the White Race. That we must, as White Racial Comrades, get the Jewish parasites off our backs and regain unconditional control of our own destiny. Impress upon the membership at each meeting that this is serious business, that the future of our children, of their children, and the survival of civilization and the White Race itself is at stake; that the only way to regain control of our own destiny is to organize a

EVERY CREATOR A REVEREND

The Advantages of Becoming an Ordained Minister of The Church of the Creator

Now that we have the blueprints drawn, the foundations laid and the framework for the White Racial Religion of the future under construction, it behooves us to put muscle on the bones as quickly as possible. This we are attempting to do and the means to do it with are people — more good, aggressive, White activist people. **We need to utilize our resources to the utmost and take advantage of every means at our disposal.**

As I have pointed out any number of times, religion is undoubtedly the most powerful motivator and energizer to ever influence the human elements throughout history. Combine this with a racial fervor as the Jews and Moslems have done and you have a combination that is intensely powerful. **IN CREATIVITY we finally have such a combination for the White Race.**

Religion, like fire, is a powerful force but like fire, it can be either constructive or destructive depending on how it is used, by whom, and on whom. As I have also pointed out innumerable times, the Jews concocted Christianity for us, slopped it on us, and used it as a powerful tool against us and for our own self-destruction. However, now that CREATIVITY has come along, we can take a long historical view of all this religious anarchy which the White Race has suffered and profit from the lessons it has taught us. We can and should learn from experience. We can and must especially learn from the disastrous experience such as the nightmare of mongrelization the White Race is being subjected to right now. We can learn the same methods,

by polarizing the creed, purpose and philosophy of the organization as a whole into a cohesive, powerful battering ram can we ever hope to overcome a powerful and entrenched enemy.

Please note: The above are INITIAL GUIDELINES to getting started. As the organization grows in numbers and in influence, they will be added to, revised and supplemented.

techniques and procedures our enemies use and put them to work for our own best interests. Now that we CREATORS are no longer interested in saving (the scum of) humanity, but instead look at every issue from the basis of our own Golden Rule, "What is best for the White Race?" we too, can do many powerful things with religion, our own religion.

This short treatise is designed to emphasize only one limited phase of that all-encompassing program, and that is to fully utilize the extraordinary prestige and influence religious titles exercise in our culture and society. The Jews have bragged time and again that practically every new issue (such as integration and mongrelization) that they want to slop on the White Race they promote first through the ministers (the White Man's) and the churches as a moral issue. Why? Because there is an inherent "reverence" for "the Reverend." They not only use this ploy with the White "Reverends", but also and especially by means of the black "Reverends" who, though they are just recently emerged from the jungles, are now almost instantly converted into a near deity by turning their collar around and draping them with the religious mantle of "Reverend."

When they picked an alleged Communist, panderer and car thief by the name of, Martin Luther Koon, to head up the "civil rights" movement of the sixties, they first of all made sure that he had the handle of "Reverend." They did the same with his successor, the "Reverend" Abernathy, although anyone looking closely into that dark and sinister face can visibly see in it more malignant criminal hatred for the White Race than any so-called Christian love and charity. The same goes for the "Reverend" Jesse Jackson, and a host of other black "Reverends"

(Continued on Page 12)

The main idea is to get started. Remember, we have nothing to lose and the world to gain by taking meaningful, aggressive action. Every White Racial Comrade can be a promoter and recruiter whether they are ordained, or whether they have an organization or not. We need more dedicated activists!

massive organization to steamroller the enemy — Jews, niggers and mud races — out of our country, out of our lives and out of our cultures. We have everything to lose and nothing to gain if we don't take action; that we have nothing to lose and the world to gain if we embark on aggressive organized action; remind the group that this is what we are gathered here for, and that we shall procede.

2. The next procedure might be for the Minister to read a select text or perhaps even a major part of a Chapter from either NATURE'S ETERNAL RELIGION or The WHITE MAN'S BIBLE and discuss the ramifications of said text and amplify upon it as to how it pertains to the situation they, the group, are now facing.

3. Proceed on to constructive suggestions as to what action to take, and how to effectively recruit, organize, propagandize and expand the size and effectiveness of the organization. **Keep stressing the importance of distributing Bibles and literature, proselytizing and recruiting.**

4. Review what work the members have done since the last meeting and praise and encourage each member whenever possible.

5. Discussion of current local and national events, and how the group can take advantage of any given situations to further promote our CAUSE.

6. **CAUTION: Do not fall into the favorite no-win clap trap of endlessly re-hashing the problem.** Instead, emphasize constructive and meaningful plans and action, with the positive conclusion that we are not helpless, we are not without resources, that we can and we will overcome all obstacles. **Talk and preach Success! There is no substitute for VICTORY, and no substitute for the White Race!**

E. Organizational Format.

1. We must always keep in mind that we are a religious organization, not a meek, pious group of spineless handwringers, but an aggressive fanatic group of Racial Comrades, the core of whose religion is the survival, expansion and advancement of the White Race; that our purpose is and always will be to build a Whiter and Brighter World for ourselves and our future progeny. But we must keep in mind that we are a religious organization.

2. It is our Format that each religious group be headed by an ordained Minister of our Church. We presume you already are an ordained Minister of our Church, but if

not, we suggest you apply to our World Center for ordination as a Minister. But don't let that delay you in starting your group. We have cited elsewhere in this issue the requirements and all of the advantages of becoming an ordained Minister of the Church.

3. Also remember, that all our organizational procedures are along the lines of the Leadership Principle, that as such, the minister is the Captain of his ship and of his organization. He can appoint and delegate duties to various members. He can also change these as he sees fit and even expel members if it is his mature judgment that they are an impediment to his organization.

4. In this latter respect it is important to investigate the background of each prospective new member as much as possible. We can take it for granted that the hostile establishment will try to infiltrate our membership with race traitors — C.I.A., F.B.I. and other undercover agents. This is a problem we face and will continue to face for some time, but we must not be intimidated, nor can we allow ourselves to be slowed down, in our aggressive campaign to expand the organization.

Please keep this manual on file for future reference or to give to a friend.

The best we can do therefore, is to know as much as possible about a prospective new member and use our good judgment. This is the Minister's responsibility. Should he find he made an error, that a member is either a threat to the organization, or just a plain troublemaker, or a detriment to the organization, or perhaps even a paid agent of the Jewish establishment, then such member must be expelled promptly and with dispatch.

5. Each group may have their own membership rules, fees and procedures as they deem is best in their judgment, or the judgment of the Minister. However, in order to qualify as a member of The Church of the Creator, each member must apply to the World Center and obtain from the Headquarters a Membership Certificate and Card in accordance with the requirements of the Church. This is necessary in order to provide for the funding of the central organization itself, and also give cohesiveness and unity to the movement. Only

A POLYGLOT MIND

(Continued from Page 1)

own; that it is the most powerful weapon the Jew has forged throughout the ages in getting a grip on the White Man's mind and channelling it down the road to self-destruction and genocide.

We further state that **Christianity is the Jew's Maginot Line**; that it must be cracked before we can get to the enemy and destroy him. (The French Maginot Line was breached and outflanked.)

We further state that Christianity and the survival of the White Race are incompatible. **Either one or the other will survive, but not both.** It is the sacred goal of The Church of the Creator to see to it that the White Race survives, expands and advances ever upward.

As to why we take this position, we have already clearly defined in Issue No. 6, of RACIAL LOYALTY, entitled, "The Self-Imposed Handicap — The Idiotic Impossibility of being a Jew Fighter and a Christian at the Same Time." In that article I list five basic reasons why the two are incompatible as is the marriage of a nigger with a White, and that any attempt to compromise the two result in a mongrelized abomination that is bent on self-destruction.

Briefly recapitulated these 5 points are:

1. Christianity is a demeaning, self-destructive slave philosophy, designed to break the spirit of those who succumb to it.

2. In contrast, Christianity sells the idea to the Gentiles (mostly Whites) that the Jews are great, a special people, that they are God's Chosen.

3. Christianity teaches its followers to love their enemies, but hate their own kind, a most destructive no-win philosophy.

4. Christianity is highly divisive and contradictory, with verses in the text that will take both sides of every issue, leaving the "believer" in perpetual confusion, self-doubt and emotional conflict.

5. Christianity makes impossible demands and leads to frustration and mental breakdown.

(To review the details of these arguments read again Issue No. 6, of RACIAL LOYALTY.)

But there is much more to this issue and the fundamental question we raised at the beginning of this article is whether we should take lukewarm Christians, gung-ho Christians, born-again Christians or any other kind of Christians into our White racial movement and work with them. **Our answer is a loud emphatic, No!** We will

first of all give further reasons why this is impossible and then later answer the proponents arguments one by one.

REASON No. 1 — Probably the most overriding reason that we can list is that Christianity is and remains the most serious roadblock in the way of the White Race from ever building a White Racial religion of its own. As I have pointed out time and time again, **it is the Jew's racial religion that was at the core of a numerical and genetically inferior tribe gaining control of the world. Conversely, it was the lack of a racial religion that led to the downfall, disintegration and mongrelization of such superior great White civilizations as the Egyptians, the Greeks and the Romans.**

REASON No. 2 — You can't fight something that you are afraid to identify and attack. If we want to take into our movement even lukewarm Christians, then we must stop attacking Christianity in order "not to offend them." If we stop attacking Christianity, then we can not destroy it. Then the next conclusion is that the 2,000 year old problem remains with us, and **we are right back at Square One again.** A no-win Catch 22 proposition.

REASON No. 3 — If we followed the reasoning suggested by our enemies that we take in Christians because (a) they are White (b) there are so many, and (c) it would greatly broaden our base, then wouldn't it reasonably also follow that we broaden our base further, and take in "White" homosexuals, "White" liberals, "White" communists, "White" drug addicts? There are millions of them. That would certainly "broaden our base" and increase our numbers, now wouldn't it?

In fact, if we forget our basic principles and put on a Rock 'n Roll fest, combined with a drug orgy in the style of Woodstock, New York of a decade ago, why, we could attract hundreds of thousands to "Our Cause" in one meeting. Of course, we would have to be careful "not to offend" the homos, queers, liberals, commies, Jews and the drug pushers.

But would we still have a creed, a program, or a CAUSE? Hardly.

The same thing goes for Christians. They are inherently hostile to the racial integrity of the White Race and always will be. The only thing we can do with them is reconvert them and restructure their thinking. Since their minds are so warped by the Jewish mind-

scrambler, they are the least receptive of all possible prospects. So why waste our time with a most difficult subject when there are so many other White Racial Comrades who are both receptive and eager to find the answers to today's racial dilemma?

REASON No. 4 — The Jews have proven that **their racial religion is the center of gravity, the pivotal point, the "sun" around which all the other satellite organizations gravitate.** They not only have their A.D.L., the A.J.C., the J.D.L., but thousands of Jew-inspired organizations that help promote the Jewish conspiracy and keep the Jews in a controlling position. **But without the pivotal Judaic religion as its center of gravity, all these other organizations would be nothing, in fact, they wouldn't even exist. There would be no cause, no creed, no loyalty, no program to polarize around. The Jews would, as the late Golda Meir, when she was Prime Minister of Israel, stated, "Have briefly existed and disintegrated long ago."**

The reason the White Race has been such an easy prey, is that a major segment of the White Race is promoting its own self-destruction and the overwhelming moral force behind it has been none other than Christianity itself.

This RACIAL RELIGION is what the White Race has lacked throughout its history. It has been the downfall of all the White civilizations that have come and gone. Now, finally, with CREATIVITY we have such a racial religion, a religion that the White Race can gravitate around, rally around, and finally polarize its struggle for victory. Now that we have it, by Jupiter, we will be damned if we are going to let the Judaized Christians in to the act to confuse, disintegrate and destroy it. Not on your life! Which brings us to the next point, namely, the issue of A POLYGLOT MIND.

REASON No. 5 — In Creative Credo No. 17 of The White Man's Bible entitled, **"Only a Homogenous Society Can be governed and Can Endure,"** I have shown conclusively that a polyglot society is continuously at war within itself, breeding anarchy and always ending in self-destruction. **The same thing can be said about a polyglot mind, and also a polyglot movement or organization.**

Most people think that the more they read, the more they know, the more they will be capable of solving a problem or of accomplishing something worthwhile.

This is not necessarily so. In fact, history proves the opposite. If you read every book in the Library of Congress you would have so many diverse and conflicting opinions on every subject that you would not be able to make up your mind on anything. You would most likely be paralysed with confusion, finding a dozen arguments as to why you should not, in fact, can not, come to a definite conclusion, a specific decision or take any meaningful action. You would be saddled with a **polyglot mind**, the ultimate Jewish dream for every goyim. (This reminds me of an incident going back to my college days, when we used to joke about a professor who was so broad-minded his head sagged in the middle.)

It is the same with movements and organizations. Just like an individual who can not afford to disperse and dissipate his energies and efforts in a hundred different directions, so too, an organization cannot embrace a hodge-podge of causes and ideas and hope to be effective.

Rather than spraying a shotgun blast, an organization must concentrate on rifle fire, be specific in its goals and not allow itself to be mongrelized by a bastardly collection of loose and meaningless ideas.

You cannot hope to accomplish anything with a movement that is floundering and wallowing in a sea of empty platitudes. You must be specific. You must concentrate. You must polarize both your ideas and your goals.

A polyglot mind, or a polyglot movement is as hopeless and as confused as a polyglot society.

Having laid this foundation, let us now proceed to examine some of the arguments advanced by the confused but well meaning White racial Comrades who advocate that we join hands with the Christians in order to save the White Race. Here are some of their arguments:

(Continued on Page 9)

ARGUMENT No. 1 — One of the choicest arguments of the proponents is that "Religion is a private affair with each person, and that it has little to do with the racial movement, or any other movement."

I take strong issue on this point, and contend that there is no factor in life that has a stronger influence in shaping the ideas, motives and loyalties of a person's life than does religion, if he or she has one. A Christian has a religion alright, a perverted Jew-oriented religion at that, and his every idea, emotion, motivation and prejudice is strongly influenced by it. The tragic consequence of this is that in every one of these categories it is biased in the wrong direction, hostile to the White race, hostile to himself and hostile to a constructive society of any kind.

So it is not a matter of indifference to me whether a prospective member of our Church "happens" to be a Jew-Christian oriented White Man. Actions move events, and every person's action is primarily motivated by his attitude, how he or she thinks, or feels, where their innermost loyalty lies. In the final crunch when it comes to the question of where does such a (Christian) member's loyalty lie, with the White Race or with the Jew-spook, he or she will opt for the spooks-in-the-sky swindle.

ARGUMENT No. 2 — "There are any number of Christian organizations, such as the Identity movement, the British Israel movement, the Christian Vanguard, the National States Right Party, etc., who are Christian oriented and also fighting the Jews."

This may be true, or at least appear to be so. The question really is, have they actually helped the White racial cause, or have they confused it?

When the Thunderbolt or the Christian Vanguard use the phrase, "White Christian" in every other sentence as if White and Christian are synonyms, they are indulging in some pretty drastic and misleading hocus-pocus, and since they are doing so repeatedly, I presume they do so deliberately. They are thereby putting across a deliberate lie, namely, that to be White is to be Christian and vice versa. **Anyone with a modicum of common sense and a knowledge of history knows that the Egyptian, Grecian and Roman civilizations all of which at the height of their glory were White, were not Christian.** By the time they turned Christian they

were on a downhill slide into the Dark Ages.

Also, there are 50 million niggers who can loosely be classified as Christians, as well as hundreds of millions of Latin American mongrels. So, let's get off of it. "White" and "Christian" are not synonyms. They are antonyms. They are opposites, and entirely incompatible.

The other aspect of this argument is this question: Are these Christian "pro-White" organizations trying to convert Christians to become White racists, or are they trying to infiltrate the ranks of the White racists and convert them to Christianity? There is a big difference, and it is my judgement their main effort is promoting Christianity, not the survival of the White Race.

And the bottom line about these organizations is this: in a crunch, in a show-down, where does their basic loyalty lie, with the White Race, or with the spook-in-the-sky myth? Again, it is my judgement that in any conflict or a show-down most of these "White" Christians will opt for "THE RAPTURE" and hope to fly to their pie-in-the-sky. They will take the easy way out and to hell with the White Race.

Christianity is the Jew's massive Maginot Line. It must be cracked before we can annihilate the enemy.

ARGUMENT No. 3 — "Even Hitler knew better than to take on God."

This is a good point and I am glad the opposition has brought it up so we can deal with it once and for all.

In the first place, we are not taking on God either. **We are not fighting God, challenging God or declaring war on him, anymore than on Mother Goose. You can't take on or make war against something that doesn't exist, unless you want to play childish games.** This is not our purpose. Instead, **we want to bring those who do so back to reality, enlist them in the cause of the White Race and straighten out their Jew-scrambled thinking.**

Since there is not the slightest shred of evidence either in Nature or in history that there are any spooks in the sky to who we must

kow-tow, before whom we must cringe (fear God!) and pay lip service, **we come to the logical conclusion that this is a gigantic swindle.** Further investigation shows that it is a Jew-concocted swindle that is not only swindling the White Race out of 40 billion dollars a year, but is also poisoning and scrambling its collective mind and has been the most effective mind-manipulation tool the Jew has ever invented.

To let such a swindle go by unchallenged and unrecognized would be a cowardly deception and a serious dereliction on our part. It would further preclude the establishment of a sound White racial religion for as long as the swindle remained unexposed.

I could expound endlessly on this subject, but I believe it has been amply covered before. Therefore, I will at this time explain only how our position in this respect differs from that of Hitler. Even this I have done in depth in Issue No. 4 of RACIAL LOYALTY under the title of, "Fundamental Differences." Therefore, I will only add a few important points.

True, Hitler compromised with the churches because he had little choice. He was crowded for time, he was crowded for space, he was crowded for resources, he was crowded by the events of history in trying to save Germany from the Jewish-Communist onslaught. He had to deal with a Germany of the 1920's and 30's, a far different situation from the America of the 1980's. Neither the time nor the place were ripe to tackle the Jewish spook-in-the-sky swindle that had been slopped on the White Race for 1,800 years. He realized this and tried his best to ignore the issue, compromise with it, even pretend to be part of it, although he thought altogether differently. He couldn't possibly have done otherwise. He was only trying to save Germany and expand the German's base eastward.

Today, in the last quarter of the twentieth century, we have a completely different situation, especially in America. The world is rapidly being mongrelized, the mud races (subsidized by the White Race) are exploding at an astronomical rate. Not only is the White Man on the run, but even Christianity is rapidly shrinking and in bad disrepute throughout the world. Even in the United States, Whiteness is turning to stupid alien creeds such as Mooneyism, Hare Krishna, Zen, and hundreds of other far-out alien cults, all divisive and destructive of the White Race.

Hitler himself said time and time again, that National Socialism was a political movement, for the Germans only, and not for export. Had he won the war he would have destroyed the Jew and undoubtedly restructured the world under Germanic hegemony and leadership.

This is not exactly the kind of "Whiter and Brighter World" we CREATORS have in mind, although it would have been a thousand times better than the Jew and nigger infested world we are now getting. Be that as it may, the point is, Hitler lost the war, and the chances of a new and similar revival coming out of a shrinking Germany occupied by 360,000 American troops are less than that of a snowball in hell.

The result of these events is that Hitler left no viable blueprint, religious, political or otherwise that is applicable to America today, the only place in the world the White Race can now make a stand for its own resurrection and survival.

I repeat, the Nazi ideology will not do the job. It is as dead as a door nail on a worldwide basis. At best, it was incomplete. It did not create a creed or a movement or a religion that could be applied on a worldwide basis without a militarily triumphant Germany.

The only thing that will save us now is a dynamic, powerful racial religion for the White Race on a worldwide basis and it has to come out of America.

In CREATIVITY we have it. It is comprehensive, complete, consistent and universal for the White Race throughout the world. We must now rally around it, polarize around it and build, build, build!

ARGUMENT No. 4 — "The more pro-White organizations we have the better. As long as a man will serve his race and nation, I don't care if he prays to Odin or Howdy-Doody. Once the Jews are gone and the niggers are on a boat, we can then deal with the churches and Christianity."

There are a number of loose and polyglot ideas in this argument, and it is hard to sort them out.

In the first place, as I have pointed out it makes a great deal of difference as to whom a man prays, since his religion is also the most powerful motivator of his actions.

The Jews and the Christians have many things in common and one of them is DUAL LOYALTY. "The Spotlight" keeps pointing out

THE THREE BASIC BOOKS OF CREATIVITY

NATURE'S ETERNAL RELIGION

508 Pages, 49 Chapters

by Ben Klassen, P. M.
Published in 1973

This book for the first time in history sets forth the fundamentals of a basic RACIAL RELIGION for the Survival, Expansion and Advancement of the White Race. It is based on the Eternal Laws of Nature, the Experience of History, Logic and Common Sense.

It exposes the whole panorama of the dastardly worldwide Jewish conspiracy, aimed at the genocide and extermination of the White Race. It lists the Five Jewish books that have had a devastating influence on the thinking and the course of the White Man's history.

Best of all, it not only sounds the alarm, but blueprints a specific plan and program of how to extricate the White Race from its present predicament. It presents a EUGENICS program for the future of the White Race to uplift it to the glorious heights of the Superman and beyond.

A Friendly Word from Your Editor

In publishing this paper we have a multitude of purposes in mind, but there are two that predominate:

1. To inform and encourage our existing members and supporters to build the White Racial movement known as CREATIVITY, and,
2. To act as an effective flyer for mass distribution to our White Racial Comrades who have never heard of us before.

Of these two, we are placing major emphasis on the second objective. This paper is designed basically for the purpose of alerting and recruiting new members to our Cause. Whereas not every White Racial Comrade may at present be receptive to our Cause, nevertheless there are millions out there who are receptive, who are fervently looking for a solution for which we have the answer — the real answer. There are millions out there who have never heard of CREATIVITY or of The WHITE MAN'S BIBLE or any of our other publications. It is our beholden duty to reach those millions and the best way to do so is to distribute copies of RACIAL LOYALTY. It is one of the most constructive actions you can take.

Order 100 copies of either this issue, or any combination of issues. Distribute them to your friends, your relatives or anyone who is inclined to be receptive. Distribute them to places such as, laundromats, airports, colleges, shopping centers etc. You'll be doing yourself and your White Racial Comrades the biggest favor of a lifetime. Do it now! Order 100 copies for \$15.00 or 50 copies for only \$8.50.

Remember, the future of the White Race now hangs by a thread. If you do not take action, who will? A mere 10 million White Man's Bibles in the hands of our White Racial Comrades would see us well on the road to victory, which is an extremely small price to pay in comparison to the billions of dollars the Jews loot from us each year. We have to get these first 10 million Bibles out, and the paper which you now hold in your hand is the most effective vehicle with which to do the job. **We can do it. Your sacrifice and dedication are the keys to victory. Become a mini-distribution center for our material, including RACIAL LOYALTY.**

Klassen went on to found The Church of the Creator in 1973 and to publish a book entitled, NATURE'S ETERNAL RELIGION, a 511-page anti-Jewish and racist tome promoting White supremacy. In it he proclaimed: "We completely reject the Judeo-democratic-Marxist values of today, and supplant them with new and basic values, of which race is the foundation." In 1981, Klassen published a sequel to NATURE'S ETERNAL RELIGION called, THE WHITE MAN'S BIBLE. It proclaims, among other things, "To hell with the niggers, to hell with the Jews."

In addition to his books, Klassen has from time to time published other anti-Jewish and racist materials. Since mid-1979, he has mailed to individuals around the country, unsolicited, copies of an anti-Federal Reserve booklet entitled, "The Brutal Truth About Inflation and Financial Enslavement — The Federal Reserve Board — The Most Gigantic Counterfeiting Ring in the World," which bears the name of The Church of the Creator, of Lighthouse Point, Florida. It charges that "the Federal Reserve Banks are owned, lock, stock and barrel, by a criminal gang of International Jewish Bankers" and adds: "The Federal Reserve owns the U.

S. Government and manipulates it like a puppet, solely for the interests of this avaricious international gang of Jewish jackals, who control the world, its money, and its economy."

Klassen concludes his anti-Semitic booklet by declaring: "Now that you understand the Jewish program of piracy, looting and enslavement by means of the Federal Reserve and money manipulations, now get the rest of the story and the program of The Church of the Creator by reading the White Man's Bible: NATURE'S ETERNAL RELIGION."

In May, 1982, the Associated Press reported that Klassen was supervising the construction of his church, The Church of the Creator, in the community of Mulberry in the mountain area of western North Carolina. Klassen said that Mulberry, located less than three miles from the Georgia-North Carolina line, was chosen for the church site because Florida had become too dangerous. He declared: "I think South Florida is due for a lot of turmoil when bloody fighting breaks out." Klassen added: "Actually, I expect the financial collapse of the entire country, and blood will be flowing in the streets."

In January, 1983, the Franklin

the Dual Loyalty of the Jews, and correctly so, charging that the Jews' loyalty is split between their loyalty to the United States and their loyalty to Israel. This may be so, but it is not split on an even 50-50 basis. It is more like 95 percent for Israel and somewhere between 0 and 5 percent for the United States.

It is the same with the few Christians who even profess to be loyal to both Christianity and the White Race. Theirs, too, is a split Dual Loyalty, and like the Jews, it is unevenly divided. Like the Jews, it is more like 95 percent for the spook mythology and 5 percent for the White Race.

There is one other important point about Christians being with us in the racial cause. The overwhelming majority of professing Christians like Jerry Falwell and the rest of his ilk, the National Council of Churches and their cabal, profess no loyalty to the White race whatsoever by falling all over themselves in their admiration and love for Israel, for the Jews, for the "Holy Land" and the rest of that tripe.

Here are a few excerpts from the mouth of Jerry Falwell: "It is our duty as God's children to fight side by side with the Israelis against the nations who support anti-Israel forces like the P.L.O...." "...and as God promised, He will continue to bless our nation because God is on the side of the Jewish people and his Jewish nation, Israel."

Then he duns the White goyim to send funds for Israel:

"Please, don't delay in your reply. God's people need your help now more than ever and America needs to continue her support of Israel, if we are to remain a blessed nation. Please rush your gift of at least \$20.00 today."

So much for the Christians and their loyalty to the White Race.

All I can say for them is I hope they will fry in their own concocted hell, lousy traitors that they are!

Next, "Once the Jews and niggers are gone" — ah yes, happy day! But that day will never come unless and until we polarize and unite under one banner and forge a powerful battering ram to overwhelm the Jews and the racial mud tide. It will never happen under the dissention of ten thousand or twenty thousand splinter groups, all aimlessly meandering in different directions and as hostile to one another as they are to the "common enemy", whoever that is.

Germany did not get their act together until Hitler managed to unite the thousands of splinter groups into one big powerful steam roller. Then things began to move.

We, the White Race, will never get the Jews, niggers, and mud races off our backs until we unite and polarize under one mighty movement. This is a fact, and cannot be refuted. We do not need more splinter groups. Twenty thousand splinter groups in America alone have aimlessly come and gone since Germany was crushed and they have accomplished nothing.

So the question is: **under what aegis should the White Race unite?** A political party? An educational group like the Birch Society? A fraternal organization like the Klan? A quasi-religious revival of ancient Norse myths like the Odinists? **The White Race will soon have to make up its collective mind, and the sooner the better, since we are reaching the end of the line.**

Before completing this subject, which I will do in THE CONCLUSION, I want to air another sub-argument that keeps popping up, and it is this:

ARGUMENT No. 5 — "I have always been impressed with the Odinist creed, based on Nordic culture and expressing a reverence for our heritage."

There are several positive things that can be said for the Odinists. The first is that the modern people who have tried to revive this long defunct Norse religion are highly intelligent and some of the finest White people we have, but the same thing, of course, can also be said of millions of White Christians.

The second positive thing is, that undoubtedly the Vikings were great fighters and marauders, fine physical and genetic specimens of the White Race, a race of people we can be proud of.

From there on out the picture is not too bright. In the first place, the Vikings were, by and large, highly illiterate, and in comparison to the Greeks, Romans or Jews, left little of their religion, history or poetry in writing. Most of it comes to us second hand from other people's descriptions, most of whom were by then Christians. In short, culturally and religiously they were on a level with, "Hagar the Horrible", as portrayed in the Sunday comics. They did not leave any great literary, artistic, philosophical or religious heritage for us to either emulate or admire.

The second fault is that at that time (around the eighth to the tenth century) when they were at their

physical apex (in military might) they did not possess the psychological acumen of being able to stem the tide of Judaic-Christianity in their own ranks and as a result finally succumbed to it themselves. Today the Norse (Swedes, Norwegians and Danes) are as submissive, subdued and Jew-loving as any people on earth.

Now the question is this: if Odinism was no match for the treachery of Jewish Christianity a thousand years ago when the Vikings and Odinism were at their height, what would convince any White Man that a hodge-podge of Norse myths can today reverse the tide after a thousand years under much greater disadvantages?

The answer is, it can't and it won't. **The people that are embracing it are basically playing games** just like the Hollywood Nazis, trying to revive a past that is dead and gone. It is purely a vicarious ego trip in which they are trying to emulate and relive a mythical past much the same as Civil War buffs who get dressed up in the "Blue and Grey" and fire cannons and play war games.

Whereas Odinism has the advantage over Christianity in that at least it represents White myths and traditions, yet no intelligent adherent of it today really believes in the fairy tales of Thor, Odin, Wodin, etc., any more than they do in Mother Goose. In short, it is not any solution to any thing at all, but a naive exchange of one set of myths for another of the pie-in-the-sky type. It will not do the job. Whereas we do need a strong White Racial religion, Odinism is not it. It is about as naive and shallow as the story of Hansel and Gretel in taking on the wily conspiracy of the treacherous Jew.

There are any number of arguments presented by our detractors, but I believe I have covered the main points and I want to bring this analysis to a conclusion and move on to a positive and comprehensive answer to the problem of how can we best promote the

survival, expansion and advancement of the White Race.

CONCLUSION — The best way to find that answer is to look at the experience of history and see what worked and who was successful.

The answer fairly shouts from the pages. The tribe of Judah has been most successful in not only surviving over the longest period of time as a racial and cultural entity, but they have also been by far the most successful in gaining control of the world for themselves.

How did they do it?

That answer, too, is obvious: they did it by polarizing around a powerful and fanatic racial religion.

What is the answer for the White Race?

Here too, the answer shouts loud and clear and we can take it directly out of the pages of Jewish history. **We need a dynamic and powerful racial religion for ourselves. Once we have it, all other organizations can gravitate around it, feed into it, polarize around it and make it by far the most powerful and constructive instrument in the history of the White Man's civilization.**

My fellow White Racial Comrades, we now have such a White Racial religion in CREATIVITY. It is complete, comprehensive, and concentrated. If you know of a better one, tell me about it. We do not need more polyglot organizations or more polyglot minds. **We need to unite, polarize and build the massive structure on the foundation we now have in order to accomplish the job. The blueprints are there and are finished.**

Why not do something meaningful? Become a Minister of The Church of the Creator as recommended on Page 6 of this issue and form a powerful Church group in your area. Help the survival, expansion and advancement of the White Race and build a Whiter and Brighter World.

(N.C.) Press, the newspaper serving the Mulberry community, reported that construction of Klassen's church appeared to be completed. Beneath a photograph of the Church, the Press, in part, noted: "Klassen, an avowed White supremacist from Lighthouse Point, Florida, who owns land in Macon County, said he plans to use the Mulberry site as a center to

disseminate his pro-Hitler, anti-Jew, anti-Negro and anti-Christian literature."

The only thing that irks me is that they keep calling me a salesman. I haven't been salesman for anybody for 37 years, but have been in business for myself practically all my adult life. So, put that in your pipe and smoke it, A.D.L., and be sure you correct that little tid-bit in your computers in Tel Aviv also.

EVERY CREATOR A REVEREND

(Continued from Page 7)

whose jungle English can hardly be comprehended.

Well, two can play that game. We now have a religion of our own, a White Man's religion, established for the survival of the White Race, for the White Man's benefit. It is called CREATIVITY. Since religion is like fire, let us make sure we utilize ours to burn down the treacherous facade that is being used against us, and to fuel our own engines to steamroller the Jews and other mud races out of our culture.

In CREATIVITY we have a legitimate, powerful religion that has every right, privilege and protection as spelled out under civil and religious guarantees of the First Amendment of the Constitution. We CREATORS DO NOT ASK the Jewish establishment whether we, too, can exercise those rights the same as any Jew or nigger. We do not stand there, hat in hand, begging. **WE DEMAND that we have those rights unquestionably, and woe betide any Jew, nigger or race traitor who would stand in our way and fain deny us our legal rights and equal protection under the law of the land.**

So let us proceed and exercise our muscle and our constitutionally guaranteed rights. Let us too have ordained Ministers and Reverends to spearhead our noble and sacred Cause.

This is nothing new in our movement. We have been ordaining Ministers of The Church of the Creator for over ten years, and presenting qualified members with Ministerial Certificates. The Mormons throughout their history have instituted the practice of obligating every member to become a lay missionary. What we now want to do is step up our campaign and have every valid member of The Church of the Creator apply for, and if qualified, receive, a Ministerial Certificate, and become an Ordained Minister.

What are the advantages of doing so? Well, there are many and I want to briefly recapitulate them here:

1. The prestige and recognition that automatically go with the title are a most valuable asset that has long been recognized by the Christians, Jews and niggers. We, too, can capitalize on it.

2. The legal protection under the First Amendment is much more pervasive for a religious group, front, organization, or whatever, than say a political group (like the Nazis) or a fraternal organization, a "charitable organization" (always suspect of fraud) or a civic organization, or any other. Whereas, the news media or any political hack will eagerly kick a Nazi around like some dog, they will differentially treat with kid gloves any "Reverend" who heads up a religious organization. Why? Because to attack him possibly opens up the same charges against all other "religious" organizations and could bring the wrath of the religious "establishment" down on their heads.

3. It lays the basis for the legitimate claim of exemption from the tyrannical and voracious Jewish tax collectors. It is no guarantee, but it is a strong claim that we can and must defend. If the Jewish synagogues get tax exemptions, why shouldn't we? If the nigger's "religious" establishments get tax exemptions, why shouldn't we? If the Catholic Church, which is headquartered in a foreign country, gets tax exemptions, why shouldn't we? The answer is: there is no reason in the world why we shouldn't and we must demand and defend our religious and civil rights guaranteed under the First Amendment (also, the Fourteenth — "Equal Protection under the Law" clause.)

4. Since most religious groups in this country (and around the world) are based on a most transparent hoax (the spooks-in-the-sky swindle), but nevertheless wield a lot of political and moral clout, the Jewish establishment (i.e., the government) is most skittish about arguing the issue in the courts, since it can and will bring out so many obvious flaws, swindles, hoaxes and contradictions that it might bring down the whole odious house of cards. We CREATORS must relize this, and that is our trump card — **we are probably the only legitimate religion on the world scene whose beliefs, creed and philosophy is based on truth and reality.** All others, be they Christianity, Judaic, Mormon or Moslem, are totally based on a collection of hocus-pocus. Their basis is built on the flotsam of far-out superstitions, on myths, heresay and lies that won't stand the light of day. They cannot either substantiate or justify their super-

natural claims and swindles. Ours is based on fact, on the Eternal Laws of Nature, ON REALITY, on the truth. You can't beat that — but nevertheless, we are forced to, and we must defend it at all costs.

All right, we now realize the advantages of a religious movement, especially ours. We realize the advantages of being an Ordained Minister of The Church and of having the title of Reverend. So, why not utilize this advantage for every good, upstanding member of The Church of the Creator?

Why not, indeed? Why don't you become an Ordained Minister of The Church of the Creator? Why not utilize your best talents for the promotion of our sacred goal — the survival, expansion and advancement of the White Race?

So how do you go about becoming an Ordained Minister of our Church? Here are the steps:

1. First, become a member of our Church. We sent out renewal and new membership forms last month and we are enclosing them again this month. However, to recapitulate: If you are not now a member, you can become one by applying by letter and donating \$25.00 to The Church. In return you will receive:

- (a) A Membership Certificate and a wallet-sized Membership Card.
- (b) A 12 month's subscription to

our periodical, RACIAL LOYALTY.

(c) Your choice of either a packet of: the 3 basic books of CREATIVITY: NATURE'S ETERNAL RELIGION, The WHITE MAN'S BIBLE and SALUBRIOUS LIVING; or, 100 copies of this issue of RACIAL LOYALTY (or, any previous issue.)

2. Next, after having thoroughly studied our creed and program as set forth in our three sacred books, write us for an application form to become ordained.

3. Upon submission of your application along with a passport-sized photograph of yourself and a further donation of \$15.00 (for which, again, you will have a choice of literature and materials sent to you) your credentials will then be reviewed.

4. If you are deemed to be a legitimate White Man or Woman over the age of 16, and have convinced us that you are dedicated to the noble cause of the White Race, you will be awarded a Certificate of Minister, with all the ensuing credentials for becoming an inspirational leader in your area.

This will have the further advantage of giving you the prestige and credentials to form a Church group of your own as set forth on Pages 6 and 7 of this issue. Why not avail yourself of these advantages? Act Now!

SCHOOL FOR GIFTED

(Continued from Page 5)

On the recreational side we plan to have the boys enjoy the outdoors, the pleasures of hiking, organized games, practice sessions in archery, firearm safety and also how to use such, (if necessary, for defense) organized games such as baseball, tennis and other sports. Since we are in the close vicinity, here in the Blue Ridge Mountains, to streams that are ideal for white-water rafting, we will also try to work this in, depending on expense.

The Appalachian Trail is only 6 miles west of us, and will be a favorite hiking repast, you can be sure. There are many other activities that will be available to us, but the above is at least a partial curriculum.

As in everything else in our far-reaching programs, we can do very little without the unstinting support of people — thousands of good racially conscious White people. Without supporters like you, we can do nothing. Therefore, we ask that

you give us all the help you can. We need it.

What you can do at this time besides making financial contributions is to start looking for can-

didates for our school this coming summer. (Yes, we hope to start this summer.) We don't have a fee schedule as yet, but I'm sure it will be in line with other summer camps. If you know of any young boys between the ages of 10 and 16 that could appreciate such a 2 week program, start talking to them. If you have a nephew, or a cousin, or a friend of a friend, tell them about it and let's get the ball rolling.

SO LET'S GET STARTED! The Sooner the Better!

What have you done for the White Race today?
