WE HAVE GOOD REASONS

Selection of Racial Terms Deliberate

By Ben Klassen, P. M.

In the field of propaganda, programming, education and enlightenment, certain key rules come into play. The battle in which the White Race is now involved and in fact, is fighting for its very survival, is basically a battle for the mind. Overwhelmingly, it is a battle for the White mind, a mind that is now sorely polluted not only with chemical drugs but psychological mind benders as well.

We are sorely besieged not only with drugs but even more so by a poisonous onslaught of ideas.

We are at the mercy of a deadly siege of psychological warfare, yet, the White Race is hardly aware of it. Call it propaganda, mind warping, mind scrambling, programming, or whatever you like, the White Race is mostly on the receiving end, practically defenseless and not returning so much as a volley.

It is the psychological warfare I want to zero in on in this treatise, and the fact that the main issue of this warfare is racial. In short, we are at the losing end of a psychological war that is being waged against us, the White Race, by our deadly enemies, the mud races in general led by the cunning Jew. In this field, these master sneaks of all time are the unchallenged experts and have been such from time immemorial. No other race has even come close. They have been overwhelmingly successful and although inferior in numbers and creativity, they now control the human and material resources of the world.

As in every other endeavor there are a number of key ground rules that must be followed that spell success, and contain boo-boos that are just plain dumb that must be avoided. This applies to tennis, to business, to education, to politics, or to our subject at hand — propaganda and enlightenment. You have to follow certain ground rules to be effective; you have to avoid known pitfalls or else fail.

All this brings us back to our main subject at hand: effective psychological tactics in the racial warfare being aggressively pushed upon us by the Jews and the mud races — a war we are losing.

I am now going to list some of these basic ground rules

that apply to this particular warfare, though some of these apply equally to any type of warfare.

1. Clearly identify your enemy. You can't fight an abstraction or a ghost (such as a devil).

2. War against enemies can only be successfully waged if it is first preceded by a successful propaganda campaign of hatred for the enemy, implicating them of all the sins and transgressions that can be brought against them. The Jews spent thirty years aggressively conditioning the British people to hate and loathe the Germans before they were ready to fight World War I. After World War I was over they feverishly continued that program of hate and vilification, changing their theme only slightly, from the Kaiser to Hitler as being the villain of the peace. (This is only one example of hundreds pursued by the Jews.)

Report from Guatemala

By Rex Tiro

Mr. Tiro is a veteran world traveler and recently visited war-torn Central America. Here is his report on conditions in Guatemala.

In Guatemala's capital city, banks are all protected by armed police and soldiers. Rifles, machineguns, revolvers, pistols, and billy clubs are what you first see when you enter a bank. Banksters have reasons to protect themselves as do our legalized thieves. It is a problem of no end to negotiate with a bank; you must show a passport and on an exchange basis one dollar is worth one quetzal. But they never tell you, that anywhere on the streets you can legally get \$1.35 for one American dollar. Personally, I lost approximately one hundred dollars for not knowing where to go for better exchange.

In another area that disgusted me to the quick, was the presence of soldiers almost everywhere. Even churches in some areas are protected by the military. Even more disgusting on my way to the jungle in Tikal, was the eternal presence of soldiers in many places along the road. The government is afraid of

guerrilla attacks. Soldiers guarding the highways come mostly from farmers with little or no education and have little knowledge of soldiering while those in the cities are trained men to defend the country.

The American embassy and other embassies are all guarded by special military groups. They are located much in the same area outside of the city where they can make a quick getaway if something comes up. These ambassodorial idiots have precedents over all citizens of the country.

Even more disgusting to an appalling degree are spies everywhere. There are at least half a dozen innocent people who disappear each day from their homes. Talk against the government and you are marked to disappear.

Still, the criminal "born again Christian" President of Guatemala insists publicly that "human rights" are carefully observed. A blasphemous lie! My few contacts filled me in on what is really going on in the country. The CIA still uses

Racial Terms

(Continued from Page 1)

3. All is "fair" in warfare. Only survival matters. This is stated in a different manner by General Douglas MacArthur who said: "There is no substitute for victory". But we Creators have even stronger justification for our position, and we go back to fundamentals: THE ETERNAL LAWS OF NATURE. And Nature says loud and clear: Take care of your own, no holds barred. The bottom line is survival of your own species and Nature ruthlessly punishes those too stupid or too laggard to obey that law with the ultimate punishment: extinction. (For further details on this subject see Creative Credo No. 61, "The Guilt Complex and the "Fairness Neurosis — Two Fatal Foibles in the White Man's Make-up" in The White Man's Bible.)

4. Organize and polarize your own forces to prepare them for the oncoming (or on going) battle. In order to do so you have to have an entity, a treasure that you love and cherish that you want and must protect from a vicious and loathesome enemy. This entity, too, must be identified and we of the Church Of The Creator clearly do so. To us the most precious treasure on the face of the earth is the White Race, and the White Race alone. To it we give our total allegiance, our total loyalty, our total love. We state further that protecting our White gene pool is our highest obligation, and failure to do so is the ultimate crime. This means protecting it not only from threat of extinction, but also, and perhaps even more so, from pollution and contamination. Under no circumstances can we any longer tolerate the Jews sitting arrogantly at the master switch and pumping the black blood of Africa into the veins of White America, or any other White peoples, for that matter.

That the above is now becoming a flagrant reality and that the White racial gene pool is being polluted and contaminated, of that there is no doubt. That the White Race is idly sitting by and indifferent about this calamity unfolding before its very eyes, is the unmitigated horror of our times.

The Church Of The Creator is in the forefront of battling this treacherous catastrophe, is committed to exposing it and reversing the tide.

In listing the above four points of warfare we have, of course, only listed a few basics but these basics apply directly to the racial and psychological warfare with

which we are now counter-attacking and intend to wage in the future.

We see the main problem in this fight is not so much the strength of the enemy — the Jews, niggers and mud races — but the needless and self-imposed weakness of our own White Racial Comrades in the willingness (or unwillingness) in defending themselves.

So badly has the White Man's brain become polluted and scrambled by the enemy's propaganda, that it seems he can't, or he won't think straight. This is our main problem and it is the target of our campaign.

It is our unswerving and sacred goal to place 10 million White Man's Bibles in the hands of our White Racial Comrades. Once we have accomplished that much the war against the Jews, niggers and mud peoples will be as good as over, and it will be the best bargain the White Race will ever have invested in. Help bring it about! Do your part.

We are therefore giving the White Man a creed, a program, a religion he can polarize around. It is a highly aggressive racial religion based on honor, on pride, and confidence in our own race. It is a creed that advocates hostility, derision and contempt towards, and for, our enemies. And we do this for good psychological reasons. When we call niggers what they are, we do so not because we are uncouth and uneducated, but exactly for the opposite reasons. We are neither uncouth nor are we uneducated. On the contrary, we take this approach because on the racial issue especially we are far, far better educated than the average yokel, who doesn't know the difference between Nature's Finest, and a nigger or an orangutan. We want to hammer home to the White Race a few facts that all Nature is fairly screaming at us — and they are these:

1. All men are not equal. On the contrary, there is no equality in Nature.

2. We, the White Race are at the very top of the Racial spectrum and the niggers at the very bottom. A huge chasm separates us — a chasm wider than that separating the niggers from the apes.

3. The White Race is unwittingly involved in a racial war of extinction, a war that the enemy is waging savagely and relentlessly, yet the White Race is almost totally unaware of it.

4. In order to save the White Race from uncontested extinction we must rally and polarize the White Race, we must clearly delineate the issues, and clearly identify the enemy. This we have done, over and over.

5. We also want to emphasize that it is not enough to just identify the enemy, but we must also attack, heap accusations and charges against the enemy (all of which are true) and condemn, vilify and heap contempt and derision upon our enemy, just as they are doing to us.

We must arouse the emotions on our side and bring forth all the racial instincts with which Nature has endowed us if we are to survive. And we mean for The White Race to survive, at all costs. No price is too high, no road too long.

6. We realize this war involves all aspects, all resources — racial, psychological, economic, physical, mental and above all, a war of semantics. It is the psychological and semantic war that we are particularly focusing on in this examination, and in this respect cliches, slogans and catch-words are of particular importance, as the Jews have amply demonstrated over the centuries.

Just as in George Orwell's 1984 the Establishment was surreptitiously phasing out certain words, memories and events "down the memory hole", so, too, the Jewish powerhouse is now turning our language and our thinking around and phasing out all that which would preserve the White Man's heritage and identity. To illustrate how well he has succeeded in the short period of less than one generation let us look at the Big Webster's Dictionary.

I have three books around. One Webster's Third New International Dictionary (Unabridged) 1961. The other two are *New Webster's Dictionary of the English Language* 1981.

In the last two (1981) the word "nigger" does not even appear. In the 1961 Edition there are seven-teen different entries of which the word nigger is either the basic word or the stem of a word or phrase.

They are as follows: *nigger*, *nigger baby* (either of two herbs: a sanicle (*Sanicula bipinnatifida*) with purple flowers: a blue-eyed grass (*Sisyrinchium bellum*) with purplish blue flowers.), *nigger bug* (Negro bug.), *niggerchaser* (a small firework that shoots about on the ground.), *nigger daisy* (a black-eyed Susan.), *niggerfish*, *niggerhead*, *niggerhead cactus*, *nigger heaven* (the highest balcony or row of seats in a theater.), *niggergoose*, *nigger in the woodpile* something (as a concealed motive or obscure factor) contrary to appearances in a situation.), *nigger pine*, *nigger-shooter* (slingshot.), *niggertoe* (Brazil nut.), *niggerweed*, *niggerwool*.

This demonstrates how in a short period of 20 years they have phased out "down the memory hole" of our language a major racial distinction that is vital to the survival of the White Race.

Just think of it! If our White ancestors had not had racial pride, recognized racial identity and practiced racial loyalty and racial segregation you and I would now be a miserable mulatto as the Jew is viciously determined our future progeny shall be.

For the above reasons it behooves us to use such terms of derision as niggers and mud races to distinguish them from Nature's Finest. Just to bring these words back into common usage by our White Racial Comrades is already a big step forward in fortifying our own ranks, polarizing the White Race and identifying the enemy. We recommend that this consistently be done among our own members and all White Racial Comrades in general.

In this respect we find that although at this time our own membership is still relatively small (but growing) we are having widespread ripple effects, and much of our verbiage, such as the usage of the words "niggers", "mud races" are beginning to creep into general usage in papers, magazines and literature of other White racial groups. So are such phrases as "spooks-in-the-sky", the "cut, burn and poison" reference in cancer treatments, and several other distinctive words and phrases brought into play by The Church Of The Creator.

So take heart. What we are doing is not happenstance. It is planned, it is deliberate, and it is effective. Not only are we growing but we are influencing and setting the pace of the whole White racial movement. Remember, Rome was not built in a day, and neither was the Jewish-Christian movement.

Gullibility Rating Quiz

In order to get your friends to stop and think about the mental trap they have been led into by Jewish Christianity and other propaganda, we have prepared a set of leading questions. It should be instrumental in not only exposing their gullibility, but also realizing how their minds are cluttered with archaic superstitions. In short, it should serve as an initial antidote in the long process of de-toxifying the mind of long accumulated garbage and debris.

Here are some pointed questions you might ask:

1. Did you once believe in Santa Claus?

(a) Where did you get such an idea?

(b) How long has this concept been kicking around?

(c) Is Santa Claus real, or just a figment of the imagination?

(d) When did you stop believing in Santa Claus?

(e) What made you change your mind?

(f) Were you angry at the kid who set you straight?

(g) Should you have been?

2. Did you once believe the story about the Easter bunny laying Easter eggs?

(a) Where did you get the story from in the first place?

(b) Do you still believe that story?

(c) As a thinking adult, don't you think it would be childish gullibility to persist in believing in such fantasies when the evidence of the real world has long demolished such myths?

(d) As a child, were you gullible to believe in such fantasies?

(e) Do you think it is good for adults to remain as gullible and superstitious as a little child?

3. Do you believe in spirits or ghosts?

(a) If so, where did you get your first conceptions about spirits?

(c) Could you describe precisely what a spirit is, what it does, where it resides, etc?

4. Do you believe in evil spirits, demons, lucifers of devils?

(a) If so, have you ever seen, heard, felt or smelt any? Has anybody else you know?

(b) If you believe in evil spirits, from where did you get your first impressions of them?

5. Do you believe in holy ghosts, spirits, angels, etc.?

(a) If so, where are they?

(b) Have you ever seen, heard, felt or smelt any? Has anybody else you know personally?

(c) If not, how do you know they exist?

6. In India there are hundreds of millions of people who believe cows are holy. A large number also believe rats are holy, monkeys are holy, snakes are holy.

(a) Do you believe there is any evidence to substantiate such beliefs?

(b) If not, how do you explain their persistent belief in such nonsense for thousands of years?

(c) Do you believe that such superstitions have been beneficial or harmful in solving the real problems of the world?

(d) Would you say these people were gullible and superstitious to believe such nonsense?

7. Do you believe there are gods or spirits looking over your shoulder directing your destiny?

(a) Have you ever seen, heard, felt or smelt any? Has anybody else?

(b) Do you believe they are keeping track of your every move, every word?

(b) Do you believe it is a big hoax?

(c) If the latter, how do you explain hundreds of millions of Mohammedans believing such a hoax?

(d) Do you believe they could be gullible?

(e) Could it be possible that millions of people have been deluded for thousands of years?

12. Do you believe in hell?

(a) If so, isn't this the most horrible, fiendish concept ever conceived by either man or spirits?

(b) Do you know of anybody that has ever been there to bring back a meaningful report about it?

(c) If not, how do you know it exists?

(d) If you believe it exists, just where is it located? How do you know?

13. Don't you think the idea of burning, roasting and barbecuing people for all eternity as a form of punishment is the most horrible, heinous, macabre, fiendish, cruel and idiotic concept ever invented by evil minds?

(a) Would you punish your own children by hellish torture if they didn't believe your mythical story of Santa Claus as they got older and more sensible?

(b) Don't you think any spook in the sky, holy or otherwise, would be extremely cruel and fiendish and idiotic for inflicting such horrible punishment on "his children" for not believing a collection of garbled myths without furnishing some meaningful evidence?

14. Do you believe it possible that like the Mormons, Mohammedans, Brahmans, and thousands of other existing religious cults, you too might be hoaxed, deceived and deluded into gullibly accepting the "spooks-in-the-sky" story about "pie in the sky when you die" or "fry in the sky when you die?"

priests and missionaries to do it's dirty work. They (missionaries) are more or less respected by all. It is my honest opinion and that of my friends that missionaries share in the responsibility of the disappeared.

I met a young American missionary (enclosed is his flyer) who is out to conquer the world for Christ. An American priest with many years of experience in third world countries told me of his many experiences.

From these two idiots for Christ, I can see why so many innocent people disappear — they are mostly young people who hate the government.

The trick that spies use is to open a conversation with a stranger saying how they hate the government. If the stranger agrees with the spy, he, too, is marked for a cheap trip to heaven or some other place. In the lobby of my motel I talked with a friend. He reminded me that there were two men sitting at a distance feigning to read the newspaper. All the time they were listening to my denunciation of the crooked government in Guatemala supported by our crooked U. S. government. "Careful, my friend," he said, "Those men are spies." So we moved outside into the streets to talk freely.

When I was in Guatemala in 1956 and again in 1965, the population was smaller than now: fewer buses, motorcycles and less noise. Now the noise pollution is absolutely incredible. Nobody does

evasion charge. My husband, as I've informed you many times before, is a man of the highest morals — an honest, decent, God-fearing patriot, father of three and grandfather of eight precious grandchildren. He is a veteran of World War II and was willing to lay down his life for his country.

When he returned from the war, he worked diligently to establish a business and was very successful through hard work and determination. In 1963, the IRS pounced on him and hasn't loosened their grip on him since.

YOUR ACTIONS gave the government and the IRS complete dominion over my and my husband's civil rights, his liberty, and our hard-earned possessions and property. You allowed the U. S. attorney and the IRS agent to pry into our very private affairs, our personal papers, our private phone, our private mail and our personal friends and relatives. As a result our name was smeared from here to kingdom come in the newspapers, in the courts, allowing our long-standing friends to suspect all kinds of untrue stories about him. Via this case, my husband has been in the custody of the government for FIVE YEARS now, preventing us from enjoying the civil rights granted us by our dear God and Saviour. We've not been able to enjoy our marital rights, our friends whose friendship we had cultivated over a period of many years were brain-washed into believing that somehow we had done something unlawful and planted doubts into their minds about us. I was forced to go out and work to keep body and soul together since the IRS confiscated everything we had worked all our married life together for — at a time when I should be enjoying my children and grandchildren.

Harassment upon harassment has been heaped upon us through these years by IRS agents, U. S. attorneys, judges and you name it — including the lawyers. We tried to inform you of this in your courtroom, but to no avail — you didn't want to hear it. I still have nightmares about the "hell" on earth we've been put through.

You sent your taped message at the end of the trial into the jury room, thereby assuring him of a "guilty" verdict.

Instead of unleashing your misdirected anger, venom and hatred on my husband you should

What do you call a monkey in a tree full of niggers?

Answer: **Branch Manager.**

A black guy knew he had it made when the old brass bottle he found in the back yard turned out to have a genie in it. Any three wishes he had would be granted, the genie informed him.

"I wanna be rich," said the nigger. The back yard filled up with chests of gold coins and jewels in the blinking of an eye.

"I'm no fool," said the nigger. "I wanna be White." And there he stood, White, blond-haired and blue-eyed.

"Thirdly, I never want to work another day in my life."

And he was black again.

Hon. Judge John Feikens
Chief Judge
Federal Building
Detroit, MI. 48226

Dear Judge Feikens,

May I take a few minutes of your time to inform you of the following:

I wonder if you ever take the time to realize how devastating your actions on the bench were when you UNJUSTLY sentenced my husband to 2-1/2 years on a tax-

TO THE EDITOR:

"Only the rare taxpayer would be likely to know that he could refuse to produce his records to IRS agents." So said the United States Court of Appeals in the case 'United States v Dickerson' in 1969.

Nobody can be required to submit to an IRS audit, because such an audit is also part of "voluntary compliance" with the IRS system. The IRS wants to conduct audits to get information that can

be used against the taxpayer, either to collect more tax, or for criminal prosecution if necessary. But such information must be obtained from the individual voluntarily. If persons do not hand over their records voluntarily, they cannot be audited.

The IRS admits the foregoing in one of its own publications, which says: "An individual may refuse to exhibit his books and records for examination...." (Hand-

(Continued on Page 5)

(Continued from Page 4)

book for Special Agents, Section 342.12). There is the official proof that no one need submit to an IRS audit.

However, IRS AGENTS will attempt to trick individuals into complying with their demands for an audit. This is usually done by sending a letter worded something like this: "I will be at your residence to discuss your tax liability for the years 19-. Please have your income, expense, and deduction records available."

Notice how cleverly the letter is worded. Most citizens would assume that the agent is legally entitled to inspect their books and records. Of course, this is exactly the false impression which the IRS hopes to convey.

This type of intimidation can be dealt with in two ways. One method is to telephone the IRS agent the day before the audit and break the appointment, using any good excuse. This can be done repeatedly. A second approach is to demand that the agent put into writing the questions he wants to discuss.

When the long-awaited meeting with the agent finally takes place, the agent will say, "May I please see your books and records?" If you voluntarily hand them over, you would AT THAT MOMENT waive your Forth and Fifth Amendment rights. Instead, you should ask THE TWO MAGICAL QUESTIONS: "Mr. IRS agent, if I turn over my books and records to you, can the government use any of the information against me?" Of course his answer must be "yes." Then you ask the second question: "Do I have any legal obligation to give you information that can be used against me?" END OF AUDIT, BECAUSE THE ANSWER MUST BE "NO."

In the rare case that the IRS sends you a summons, that does have the force of law. Failure to appear can result in criminal penalties. But not to worry: just show up with your records in sealed boxes and ask the TWO MAGICAL QUESTIONS. You will get the same answers, after which you can leave with your records intact. You will have complied with the summons, and you will probably NEVER BE AUDITED again, because the IRS will be aware that you know your constitutional rights. Your rights to act as advised above are confirmed in the IRS's own publication, 'Handbook for Special Agents', see Sections 363 and 342.12.

Consider what could happen to those who help the government by

voluntarily sending in 1040 forms. They figure their own taxes, swearing under oath that the information is correct. Then the government has the audacity to tell John Q. Citizen that it doesn't BELIEVE HIS SWORN STATEMENT and will therefore put him through the wringer of an IRS audit. John Q. thus runs the risk of being charged with income tax evasion (a felony). If John Q. had never filed, he could not possibly be charged with evasion of taxes. But by filing he has placed himself in jeopardy of a hefty fine and imprisonment. Too bad, isn't it, that John Q. didn't know that the government is legally required to determine his tax liability without any help from him! A U. S. Court of Appeals has conceded:

"Who would believe the ironic truth that the cooperative taxpayer fares much worse than the individual who relies upon his constitutional rights!" (U. S. v Dicker-son, 1969).

No better summary of the matter of IRS audits has been written than the words penned by Irwin Schiff in his best-selling book, 'How Anyone Can Stop Paying Income Taxes': "In the final analysis, filing a tax return is a little like voluntarily putting your head into a noose offered by the IRS and trusting them not to hang you. If you don't want to worry about IRS audits — then just stop filing. The choice is yours to make!"

LETTER TO IRS

have directed it at the real culprits — the murderers, thieves and rapists who are being allowed to go free because the jails are crowded — but there's always room for my husband!!! We're very tired of the government running roughshod over our rights. Enough is enough!!! The IRS has pauperized us and as if that wasn't enough, they had to take away my husband's liberty, have him thrown in jail, confiscated our property. They spent 5 TIMES OVER the amount they claim he owned them to force him into court to take away all his belongings and his freedom!!!

The IRS agent flew all over the country, quizzing friends and relatives about my husband's private affairs.

The government can NEVER undo all the damage they've done to our lives — all the grief, the frustration and heartaches they've caused us and our children, our relatives and friends. They'll never be able to repay us fully for the anguish, the fright, the nightmares which continue, the DEEP DOWN

hurt of the INJUSTICE of it all.

It's very frightening the awesome power you judges wield over people's lives. The judges and cohorts are able to turn an honest God-fearing man of high morals into a convicted felon in one court case — a cloud hanging over his head the rest of his life — a cloud that is heartbreaking to his family — his children and grandchildren.

Things are very wrong in this country when this is allowed to happen. Today, right is wrong and wrong is right.

I've appealed to congressman after congressman about this and only to have them turn a deaf ear or to send my letter back to the very place I was complaining about — IRS. They've certainly been a lot of help.

I pray that some day this thing will be turned around and the government will not be able to ruin a man's life over his honest earnings. (That's what this whole thing amounted to — the IRS didn't agree about what my husband should do with his earnings) so they wrecked his life!!!

I pray God that some way somehow my husband will be vindicated and his honor and respect will be returned to him. I do believe in prayer, Judge Feikens.

No — I'm not a ranting and raving nut!!! I'm a very hurt wife, mother and grandmother. The pain continues every day.

I could go on and on, but as I write this the pain goes deeper and deeper, so I think I'd better close and leave the rest to your conscience.

God be with you.

Sincerely
Ida Varani

anything about it. At times when walking the streets I'd cover my mouth with a handkerchief and cover my ears with the palm of my hands in protest to noise pollution. I didn't give a damn if the cops arrested me. One day inhaling fumes equals to smoking two packs of cigarets. I don't smoke.

Needless to say I was happy to get back home for peace and quiet. Your Racial Loyalty was there waiting for me. And to make this letter short, I liked the information given in Brickbats & Bouquets. It gives one the feeling that something, at last, is being done to awaken people to the White plight: that there is hope for the survival of the White Race.

I am enclosing a check for the School for Gifted Boys. Keep up the good work! Leadership in this mighty movement to save the White Race is what is needed and you've gotten the right start.

political creed and program that fitted the needs of the times and with it he did the job that needed to be done. We now need a creed, a philosophy and a program that meets the exigency of the sorry mess the White Race is in today, on a total global basis. CREATIVITY has it. It has the whole ball of wax. Why then revert to past failures and indulge in silly childish games? In CREATIVITY we have the Total Program, the Final Solution, the Ultimate Creed. Why try to ignore or suppress it? If you are really more interested in saving the White Race than nurturing your own private and transient little hubris, why not latch on to and promote the real solution and help build a Whiter and Brighter World.

Superstition and Gullibility

The Achilles Heel of the White Race

CREATIVE CREDO No. 45 from *The White Man's Bible*

Strange Weakness of the White Race. Over the last two thousand years, two negative characteristics in the minds of the White Race have perhaps caused it more damage than any other. These two defects are its vulnerability to (a) superstition, and (b) gullibility. Not that the White Race is more susceptible to those flaws of the mind than the mud races. Not at all. It is even probably less so, but the consequences of these shortcomings for the highly advanced White Race have been a thousand times more disastrous than for the mud peoples. These two childish and stupid characteristics are especially strange and humiliating for the noble White Race, whose mental, cultural, creative and productive capabilities have proven so far superior to those of any and all the mud races, there is no comparison.

What is superstition? What is gullibility? Are they interrelated?

Gullibility Comes First.

Taking the last question first, we find that in order to be superstitious it is to be gullible per se. However, a person can be gullible in certain other areas without being superstitious.

The World of Spooks.

Superstition basically is believing in a supernatural "world," that is, a world outside of Nature and its laws. Primarily these beliefs revolve around a "world" of spirits, ghosts and spooks, which mean basically the same thing, and as a term of derision we will refer to this whole mess of spirits and ghosts as "spooks." This world of spooks is further expanded into good guys and bad guys; into "holy" ghosts, gods, goddesses, angels, seraphins; and the "bad" spooks, lucifers, witches, demons, devils, and a host of other lesser spooks. The field of demonology is a whole subject unto itself about which whole volumes of idiotic books have been written. Needless to say, no one except perhaps a refugee from a nut-house has ever seen a "demon." As far as the gods in this spook world are concerned, certain authors have catalogued as many as 30,000 individual gods that a superstitious and gullible mankind has con-

cocted, worshipped, and foolishly believed in, over the millenniums.

A Concocted, Unreal World. Evidently this "second world" is a world that has its own set of jumbled laws reserved for the spooks and spirits. Obviously, they contradict and defy Nature's Laws. Nobody seems to have bothered to define under what kind of laws these spooks operate, and anything goes, it seems. Like in all fairy tales, these spooks can pull whatever "miracles" out of a hat that an over-active imagination can conceive. They apparently exist in a world apart from the real universe, apart from the real world.

Let us permit nature to have her way; she understands her business better than we do.

— Michel de Montaigne

Not a Shred of Evidence.

The most incredible fact about this whole spook world of gods, demons, angels, and what have you, is that there is not a shred of evidence to substantiate their existence, except as fantasies in the minds of the superstitious and gullible.

Victims of Gullibility. The latter sentence pretty well explains the meaning of gullibility, as if it needed any explaining. Gullibility, essentially, is believing, having faith in something that isn't so, and furthermore, something for which there is no evidence, or at least insufficient evidence to warrant our credibility. Yet, strange as it may seem, in today's modern and scientific world, neither gullibility nor superstition has abated much over that of the Dark Ages when these twin aberrations of the mind ran rampant.

Intelligent Not Immune. Nor are gullibility and superstition the exclusive domain of the stupid and uneducated, although there is a strong relationship to the "poor in spirit." Christians, who will pity

the "poor, deluded" Hindu for believing cows are holy, will themselves hold fast and unquestioning to their "faith." And basically their faith consists of their belief in their own brand of spooks, "holy ghosts" and demons. They will swear on the "holy" bible and their belief in all the ludicrous stories of their favorite spooks in the sky, of "pie-in-the-sky-when-you-die," or of how you will "fry-in-the-sky-when-you-die," and all the rest of this silly nonsense. Strangely enough, even some otherwise intelligent men and women fall prey to this kind of superstition, even brag about how great and wonderful is their "deep and abiding faith" in this silly nonsense, when they should know better.

Unfounded "Faith" No Virtue. So let us examine the word "faith" in its inherent essentials. Webster has a number of definitions. The one most cogent to our discourse is the one that describes "Faith: a firm or unquestioning belief in something for which there is no proof." That pretty well says it all, but we will tie it down further. Since "proof" is really a debatable conclusion and exists (like beauty) only in the eyes of the beholder, we would say that faith is having a firm or unquestioning belief in something for which there is little or no meaningful evidence, and therefore, neither deserves or warrants our acceptance. For instance, there is good and sufficient evidence to believe that two and two makes four. There is no evidence to believe it makes seventeen. Therefore, a person coming to the conclusion that two and two makes four arrives at a rational conclusion. A person "preferring to believe" as a "matter of faith" that it makes seventeen is irrational and a person believing two and two makes seventeen because he was told to believe it by his priest is both gullible and irrational.

Fertile Field for Con-men. Around these miserable flaws of the human mind — superstition and gullibility — have been built vast empires and unholy superstructures called **religions** that have plagued the human race since the dawn of history. It is partially understandable that the primitive savage, being dumb, ignorant and devoid of understanding and whose reasoning powers were extremely limited, would make **bumbling attempts** to explain the phenomena of Nature, phenomena he could not understand. Since he had neither accumulated sufficient facts nor had the intelligence to properly interpret and correlate what little semblance of facts he had, he took short cuts to explain the phenomena of the world around him. Through fear of

the unknown, because of his lack of reason and understanding, because he was naturally superstitious, primitive man conceived of gods and spirits about him that he believed controlled events and controlled his destiny.

30,000 Spooks. The primitive savage invented a god or spirit or spook for all the whims of Nature. There were rain spirits, lightning gods, sea gods, spirits in waterfalls, gods of war, gods of fertility — gods — spooks and spirits — of which at least 30,000 have been catalogued by some enterprising souls. The fertility of the human mind to conjure up spooks is almost endless and has been one of his most enduring and abiding passions over the ages.

Became Slave to his Own Concoctions. Unfortunately for mankind, the primitive savage also believed that these spooks had arbitrary, capricious and unlimited control over his welfare and destiny. Inevitably the next development was that through fear and awe of these spooks — spooks he himself had created in his own mind, he began to supplicate to these imaginary spooks. He tried to flatter them, to talk to them, to appease them, to kow-tow to them, pray to them and in general, let his obsession with them dominate his life. Some primitive societies, (and some not so primitive) became obsessed with the fear and appeasement of their innate spooks, that they became the main preoccupation of their thoughts, time and energies.

Organized Swindle. Unfortunately and inevitably, there are always those scoundrels who were shrewd enough to see through the hoax of the spooks and take advantage of the situation. As a result, organized religion developed, manned by a tightly organized priesthood who were now in a position to amplify their subjects' fear of the mysterious spooks, perpetuate such superstitions, and thereby organize, control and fleece their hapless victims.

Christianity the Biggest Swindle of all for White Race. Basically, this is the development of the "Spooks in the Sky" swindle to this very day. It holds true not only of the savage Fiji Islanders of today, but equally so of the Christian religion. Unfortunately, the latter is the basic religion of the White Race today, fractured and splintered as that religion may be.

The Jews had a Purpose. It is especially hard to believe that the White Race, being as intelligent and advanced as it is, that it would still be enmeshed in the same superstitious belief in the spook

(Continued on Page 7)

The White Race long preceded civilization. The second thing we must remember is that the White Race had established itself biologically as a racial entity not only thousands, but tens of thousands of years before it was ever civilized. And this is the crux of the matter: We, the White Race, were a biological entity — **We were the White Race** — long before either civilization or Christianity appeared on the face of this planet. And that, my dear White Racial Comrades, is the most important, the most precious, the most enduring fact of our existence.

* * * * *

Never trust a Christian. Any hypocrite who will lie to himself will also lie to others.

Disease of the Mind. We have already told the story elsewhere in this book of how the Jews invented Christianity and foisted it on the Romans in order to destroy them. It is the purpose of this chapter to show what part superstition and gullibility have played in helping the Jew bring about this disease of the mind called Christianity. It is our further purpose to make our **White Racial Comrades** aware of the fact that intelligent as they may be, they are not immune from this historical flaw that has plagued mankind from the primitive savage to the advanced civilization of the **White Man** today.

Therefore, let us realize that the “spooks-in-the-sky” story as presented by Christianity, Mormonism, or any other religion, is a vicious hoax and fraud; that it is a primitive throw-back to the superstitions of our savage ancestors; that it is a dangerous affliction of the mind.

Must draw a Distinct Line. Let us get our thinking crystal clear and distinguish between **reality** and **fantasy**. Let us draw a sharp, distinct line between the real world and the world of fantasy. It is this ability to distinguish between reality and fantasy that distinguishes sane, rational people from the insane. Many inmates of insane asylums once might have been highly intelligent people. But once their rationality has broken down to where they no longer know the difference between what is real and what are daydreams, fantasies, illusions, nightmares, spirits, spooks phantoms and other figments of the imagination, then they are insane.

When we speak of the insane, we must realize that there are different degrees and that some people are strangely insane only in certain areas. We must also distinguish between those people who have normal intelligence or better, and those who were born idiots or imbeciles in the first place. We are not here concerned with the latter, for whom there never was any hope or future in the first place. We are concerned about our White Racial Comrades who have an abundance of intelligence but through the Spookcraft religions (such as Christianity) have had their minds warped to where they cannot distinguish between the real world and the world of fantasy (spooks-in-the-sky).

Mass Insanity. We CREATORS categorically deem the “spooks-in-the-sky” story as crazy and unreal, and Christianity, per se, **as mass insanity, a wholesale swindle.**

Millions of Fictitious Claims that Can't be Disproved. To this charge our Christianized victims will throw this challenge back at us: you can't prove that there aren't any Holy Ghosts in the sky, that there isn't a god, or a heaven or a hell, or that Jesus Christ didn't live on earth, was crucified, arose from the dead, was resurrected, went back to heaven, etc.

Burden of proof on Party Affirming. To which we CREATORS reply: We don't have to prove that the world of spooks, ghosts and demons doesn't exist. **If it exists, the burden of proof is upon you,** and in five thousand years that the human race has been building civilization, you have not produced one shred of proof that any court of law would consider valid evidence for the existence of a spook world. Courts of law (and rational people) have realized the core of the argument that the **burden of proof is on the party affirming** (that is, making the claim) not the party denying. For example, if somebody accuses you of being a sexual deviate, it is up to the party affirming (making the claim) to show evidence, rather than you to go to great lengths to prove their claim isn't so. Even if you did go to great lengths of character testimony, etc., you still couldn't **prove** their charge was false. Why should you be put to the burden of trying to disprove their claim? Isn't it more logical that before any claim needs to be even considered, much less be disproven, that **the party making the claim should first present meaningful evidence to**

substantiate their claim?

Romans recognized this Principle 2400 years ago. Yes, every honest court in the world agrees on this self-evident premise. The burden of the proof is on the party affirming (making the claim) not the party denying. So logical and self-evident is this principle that the early Romans, who were practical, intelligent and realistic, as early as 450 B. C. E. imbedded this principle in their basic code of laws. The Twelve Tables, the basis of Roman law for a thousand years, said in part: **The burden of proof is on the party affirming, not the party denying.** That principle is still as sound today as it was over twenty-four centuries ago when the Romans laid it down as a basis of law and common sense.

Belief Meaningless Without Evidence. Applying this principle to the crowd that claims there are spooks in the skies, **it is up to them to provide hard evidence, rather than make a wild claim,** and challenge us to “disprove” it. When we CREATORS face these pie-in-the-sky Christians with the logic that it is not up to us to disprove their hocus-pocus claims about their spooks in the sky but to them to present hard, meaningful proof, they then retreat to a new line of defense.

Distinguishing between Reality and Fantasy. True. We are not denying anybody their right to believe in anything they want to. They can indulge in any fantasy about spooks in the sky if they see fit. On the other hand, if we think they have overstepped the bounds of sanity in their obsession about the non-existent spooks in the sky, we are going to pass judgment on them, the same way we would about any other inmate in a nut-house who unfortunately **can no longer distinguish between reality and his world of fantasy.** And this is the real dividing line between the sane and the insane. There are any number of people in asylums who have, or had at one time, a high intelligence. The main derangement of their mind is that they **can no longer distinguish between reality and fantasy.** And this is exactly the case with the spook-loving Christians. They babble about their Super-spook in the Sky, implore him to grant them special favors, protect them from evil, save their souls from the (also imaginary) fiery pit, pray and hold long (one way) conversations with their imaginary spook (or spooks) in the

(Continued on Page 8)

world as are the most primitive savages of today, or as were our aborigine ancestors of past millenniums. It is even more unfortunate for the White man that this control over his mind through belief in spooks should be foisted upon him by his mortal enemies, the treacherous Jew. Yes, it was the eternal parasite upon the back of mankind, **the Jew,** who wrote the White Man's so-called “Holy Book,” invented his religion for him, disseminated and propagated it first among the Romans, and now has poisoned the White Man's mind with this primitive, poisonous superstition in order to control his mind, control his destiny, and to destroy the great White Race itself. As we have shown in the previous chapter, the Jew Marcus Eli Ravage even brags about it.

More than 20 Billion Dollars per year to Perpetuate this Swindle. How ironic! How tragic! How stupid of us to succumb to this silly spooks-in-the-sky story, for the perpetuation of which the White Race is fleeced to the tune of more than 20 billion dollars a year in the United States alone. This does not include the indirect damage done to us in impairing our ability to think straight, the damage done in loss of time spent in these Jewish houses of spook worship called churches, in damage done in diverting us from our main purpose in life — the survival, expansion and advancement of our own race — and promoting our own best interest.

* * * * *

Christianity a relatively Recent Affliction. In keeping the Christian religion in its proper perspective, we must first of all remember that the White Race had created civilization long before Christianity ever came along. The great (White) Egyptian civilization had existed fully three thousand years before Christianity raised its ugly head. In fact by the time of the appearance of Christianity the Egyptians were well on their way to disintegration because they had allowed their gene pool to become poisoned by mixing with the black Nubians to the south.

The Phoenician civilization, the Persian, the Mycenaean, the Greek and the great Roman civilization, all White, all flourished long before Christianity intruded on their beauty. Christianity certainly did not create civilization, but rather pulled it down and disintegrated it into that long and wretched period known as the Dark Ages.

ODINISM

(Continued from Page 11)

Forget about wet-nursing your private little hubris! If we lose nobody will remember you anyway. But if we win, what a glorious White, bright world this would be. Yes, The White Man knows how to govern the world, Mr. Hand, contrary to what you claim in your desultory appraisal of the White Race. The Romans already did so beautifully 2000 years ago, and Pax Romana with its 200 years of peace and prosperity was undoubtedly the finest epoch in the White Man's history. It lasted until Jewish Christianity came along and infected the White Man's mind with a running sore that has persisted to this day.

But we Creators are not nearly as much interested in that the White Race "govern" the world, as that the White Race POSSESS IT IN TOTAL. In an increasingly contaminated, poisoned, and polluted world of exploding mud races, we are now at a point of no return. Either the White Race inhabits it all

and exclusively or it will be crushed, stifled and exterminated. It is now all or nothing, and we Creators want to make damn sure it is the White Race that survives. Succinctly, it is only the White Race that can reverse the avalanche, clean up the planet again and build a world worth living in.

But our program does not stop there. Through our program of Eugenic up-breeding we mean to advance the quality of life, health and happiness to levels never before even dreamed of by the Greeks and Romans, much less the brutish Vikings.

We further believe there is no real obstacle in accomplishing this lofty goal as far as the Jews and mud races are concerned. The real obstacle is the confused and cluttered thinking of the White Race itself, and the most pervasive clutter of all is the spooks in the sky obsession that contaminates the minds of so many of the White Race.

We do not find that our lofty

SUPERSTITION

sky when they would get equivalent response if they were talking to a hot rock.

Sanity — Attuned to Reality. We CREATORS take the position that some of the fundamental earmarks of sanity is to be able to **distinguish between reality and fantasy**, to be able to think logically and rationally, and to base all this thinking and logic on **meaningful evidence**. We furthermore take the position that we will oppose, expose and denounce those who in our good judgment are behaving and expounding about a fantasy world of spookcraft, the same as if they were insane about any other subject. The fact that they dress their insanity in the all inclusive cloak of "religion" is not going to buy them any immunity, as far as we are concerned.

Spooks in the Sky is Mass Insanity. We deem these spooks-in-the-sky stories as **mass insanity** whether they go under the guise of Christianity or any other pretext. We will be especially aggressive and articulate about our opposition if we see that indulgence in such nonsense is harmful to our precious White Race. We CREATORS believe that this world is the only one that our breed of man has ever inhabited, and for the foreseeable future, ever will. We believe this world and the universe is real and that in this universe this Planet Earth is our home and our only

home, and it behooves us to make the most of it. We believe all this because the evidence is real, meaningful and overwhelming that this is so. On the other hand, there is not a scintilla of evidence for the Christians' farfetched claims that there are spooks in the skies flitting about, lurking over our shoulders, taking notes on our every move and controlling our destiny on earth. Nor is there a shred of meaningful evidence to support the claim that these spooks in the sky will relegate our souls to a fiery pit or some vague heaven after our death. Such idiotic claims are only based on myths, lies and hearsay that would be thrown out of any court of law as meaningless and inadmissible hearsay. Nobody, least of all the Christians themselves, knows who wrote all this silly trash about the spooks-in-the-sky.

Disastrous to the White Race. The spooks in the sky story would be ridiculously funny to us CREATORS, had not the consequences of this sickness of the mind been disastrously catastrophic to the welfare of the White Race, as Marcus Eli Ravage has pointed out in the previous chapter. Whereas nobody knows who wrote the Jewish-Christian bible, we do know it was written by our deadly enemies, the treacherous Jews. How and why they used Christianity to destroy the great and noble Roman civilization we have already detailed in a previous chapter — a tragic story that makes interesting reading indeed. 

goal of uniting the White Race in a powerful White racial religion as either "cold" or without purpose, as Mr. Hand seems to. (In fact, he reminds me of the nigger who said, "boss, even if it's good, I don't like it.") We find the challenge exciting, exhilarating and the most intelligent and meaningful ever proposed in any religion, creed or philosophy. It sure beats the hell out of chasing non-existent spooks, be they Roman, Viking or Jewish.

Our members feel the same way. They are excited, filled with hope, determination and purpose now that they have a meaningful, constructive goal in life. Let me quote to you just a small part of a four page letter I received just last week. It begins with . . . "Dear Inspirational . . ." and here are a few excerpts: "I have sworn an oath and have dedicated my entire being, heart and mind and what years of my life remaining to just those ends . . ." Referring to our basic books: "For it IS my Bible, it IS my belief and although you, sir, are the author, its every utterance reverberates throughout my very being as if it were I whose pen raced across the paper for fear of losing a word." There is more. You can read the full letter in the September issue of Racial Loyalty. We have thousands of other letters in our file that reflect similar emotions and sentiments. Cold, Mr. Hand? If you need a spook to keep you warm I again suggest you go see your Jewish psychiatrist, or are you perhaps yourself part of the confusion creating apparatus that is inherent in the tribe of the Hidden Hand? I hope not.

In conclusion I say to Mr. Hand and all our good White Racial Comrades — don't knock us, but instead, join with us. We are the best friend you have in a confused, crumbling and disintegrating world. For A Whiter And Brighter World,
Creatively yours,

Conclusion: In his Editorial Policy on the inside cover of *Liberty Bell Magazine* Mr. George Dietz, the editor, states categorically the following noble words:

"Freedom of Speech — Freedom of Thought — Freedom of Expression.

"The editor-publisher of *Liberty Bell* does not necessarily agree with each and every article in this magazine, nor does he subscribe to all conclusions arrived at by various writers; however, he does endeavor to permit the exposure of ideas suppressed by the controlled news media of this country.

"It is, therefore, in the best

tradition of America and of free men everywhere that *Liberty Bell* strives to give free reign to ideas, for ultimately it is ideas which rule the world and determine both the content and structure of culture. . . . No effort will be spared and no idea will be allowed to go unexpressed if we think it will benefit the *Thinking People*, not only of America, but the entire world." *George P. Dietz, Editor & Publisher.*

In the past Mr. Dietz has fairly well followed this policy. When several years ago he saw the light about the gigantic fraud Jewish Christianity had perpetrated on the White Race he fearlessly came out and said so, despite the vituperative backlash from the misguided fanatics.

He, too, after much soul searching came to the conclusion the Church Of The Creator had been preaching for years, namely, that the spooks in the sky swindle spelled the death knell of the White Race.

It is therefore extraordinarily strange that Mr. Dietz has turned to and embraced another, an ersatz spooks-in-the-sky swindle, namely, Odinism. The cop-out that — well, at least the spooks are White, is really a poor excuse. It is still a hoax, an escape mechanism, a child's game. One thing we do not need at this critical stage in the fight for the survival of the White Race is another cop-out, another childish game to divert us when we should and must come to grips with stark reality and do battle with a ruthless enemy. We do not need more meaningless splinter groups to go off on pointless tangents. The last thing we need is to dredge up ancient failures from the scrap heap of history and substitute such nonsense for a comprehensive, meaningful creed and program. We have to make up our cotton-picking minds on what is best and polarize into one solid battering ram.

Mr. Dietz has admitted to me that in Creativity "we have the whole ball of wax." He has also admitted that reading Nature's Eternal Religion and a few years of contemplative thinking straightened out his former confusion about Christianity.

In the light of the above, it is hard to understand why, after seeing the whole picture, Mr. Dietz would now backslide from one set of spooks to another such piece of nonsense. When Hitler tackled the Jewish-Marxist mess in post-war Germany he did not dredge up some ancient political party that was a relic and failure from the past, but instead constructed a completely new, hard hitting

(Continued on Page 5)

ment is true, then the single greatest task we have before us is not a negative program of indicting Jews, but of examining ourselves to discover foibles, weaknesses, excesses, indulgences, grossness, callousness, insensitiveness (to certain things) casualness, foolishness, etc., which have become the bane of our survival. So, why or how can we even talk of expansion and advancement of White people when their very survival is in question? You see, there have been too many White suckers in the last two thousand years who took the Jewish bait, to land all the blame on Jews. We need to start looking at ourselves, too. Why and how did we let it happen? So you see, I doubt the present "capability" of the White Race to govern and rule the world in its present dilemma. The White Race needs to be purged, disciplined, and nurtured back to health before any of our leaders will be able to grasp the helm of our destiny with confidence and certainty.

And now in my own defense.

Neo-Odinism is not a naive acceptance of ancient Nordic Gods. It is rather a personal quest, a search for Life's meaning, as can be sifted out of our own religious past as it is understood through a demythologized and psychologically researched examination of that religion. My paganism is new, but it is based upon the few extant runes which have become to me a bible for my race. Modern historiography, philology, etymology, literary criticism, and study of comparative religions can make possible some very enlightening discoveries of the White psyche, when applied to our knowledge of our racial and natural Gods. For our Gods are not unlike ourselves. As Jehovah is nought but a big Jew in the sky, so Thor, Odin Tyr, and Freya are nought but big Aryans in the sky. By studying them, we are studying ourselves. Thus, self-knowledge becomes a way to health and a remedy to our foibles.

Odinism, unlike "Creativity," can say "we do believe in God." But what God? *Fimbulvetr* is here, the *Gotterdaemmerung* is now. And the Norse eddas, sagas, and epics have told us that the old Gods who ruled so long would die. But in the process, the wolf Fenrir will also die, and the great Serpent (Judaism) shall be slain. Baldur will be released from Hel, and Heimdall shall prepare a new age with new Gods. Ragnarok is now passing, and new things are in the making. Are we to be many Baldurs and Heimdalls, who will squeeze

through the fjords and crevasses of time to reach the other side of the great catastrophe? We shall see!

In the meantime, "Creativity" will have accomplished its task of confronting Judaeo-Christianity with its own absurdities. "Creativity," to be sure, is not detrimental to White racism. But, neither is Odinism. Both have specialized tasks to perform and both work on different kinds of problems. The strength of Creativity is its poignant factualism, its matter-of-factness, its loquacious logic, and its stymying criticism. Its weakness is its coldness and emotional dryness. It doesn't go to our own soul, to answer our heart's cry. It remains heady and cerebral. It provides much light, but doesn't warm our hearts. On the contrary, the strength of Odinism is that it is ours. It came from our gene pool before miscegenation set in. It remains a record of poetic wisdom, humor, and truth, containing both tragedy and comedy, loyalty and treachery, heroism and cowardice. We can read epic stories of our ancestors instead of Jewish ones, i.e., the Bible. Also, we can read about our past, the now-alien, pre-Christian culture, or when Semitic religion was still kept at the periphery of Nordic borders.

On the other hand, Odinism has weaknesses, as you pointed out. But these are not insurmountable. The fact that several thousand neo-Odinists can be counted shows that it is no "dead horse," but a rising phoenix. Perhaps what is needed in both Creativity and Odinism is a thoroughgoing eclectic theology which can better ground our ideas in an eternal constancy, and consistency.

In any case, Odinism has this edge over non-religion: It allows for after-life, continuous life, or reincarnation, or combination of the two. Odin was, among other things, God of the dead, especially warriors. Thus Odinism becomes an affirmation of the continuity and stability of existence, however you wish to explain it. Odinism allows us to speak of God in very general terms also; in fact, the High God is still unknown. The High God is spoken of as though the Aesir Gods are much inferior to it. The High God is the cosmic force, the stuff which glues the universe together; the medium of all sympathetic and intellectual communication, the buffer between the antagonistic forces and rivalries. The High God cannot be named, for to do so would denigrate him to lower status by means of limitation and mislabeling. The High God remains aloof because of his presence everywhere, and he also remains

aloof because of his immediate presence in the lowest of matter. His highest or greatest manifestation is when he is active in the process of evolution, i.e., the act of surpassing himself. The greatest experience we can have of the High God is when we participate in the evolutionary process by intent (eugenics, cultivation, organization) and communicate in circles of concentrated intelligence by cooperation. Persons who accumulate both historical and technological knowledge may unconsciously be serving the purposes of the High mind, and may be affecting the historico-evolutionary process. Mental ability, or capacity in itself is not indicative of any special blessing of the Super Intelligence of Universe. This is a mere genetic combination. But, when mental energies are aimed at improving, correcting, adjusting or perfecting the already good, then we may say that the evolutionary process is still at work. And, by way of extension, we may suppose the subtle activity of infinite intelligence joined to good will.

This notion of an almost pantheistic God is hard for many people to swallow. But, any sympathy man may have for Nature must be grounded in an earthy, naturalistic type of God. And man's concern for the future of his race and family is bound up with his hope for his personal survival after death, and eventual reunion with his Comrades.

On the other hand, Communism and nihilism, which are based on mere biology and sociology, cannot lead people to long term hopes and plans. Neither can capitalistic materialism promise anything of lasting quality. Adherents of the two materialistic cults just mentioned can have only a "ball-game" attitude toward racial cohesiveness. If a man's life ends with biological disintegration, then it would be futile, unnecessary, and wasteful to try to improve, perfect, adjust, or correct anything that did not serve an immediate materialistic purpose.

So we need a spook, but not Jewish hell fire and brimstone. We need the "Awe," the "Mystique," the "wonderful," and the "elusive," if for no other reason than to make us probe further, to discover, to uncover.

Sincerely,
Ronald S. Hand
Odinist Church of God

Your Editor then took note of Mr. Hand's letter and decided that a number of Mr. Hand's statements about both Odinism and Creativi-

ty were grossly naive and incorrect. He sent the following letter to the *Liberty Bell*, but Mr. Dietz refused to print it. Here is the full text of my letter:

Dear Mr. Dietz:

In the July issue of LIBERTY BELL, Mr. Ronald S. Hand, in answer to Rev. Charles C. Messick's letter of the same issue, makes a broadside attack on CREATIVITY, the White Racial religion of The Church Of The Creator. Since I am the founder of this church, I believe I have a vested interest in answering these charges. In so doing I almost feel like a mosquito in a nudist colony, I hardly know where to begin. Since Mr. Hand makes so many ridiculous statements, he leaves himself wide open, and all I can say is — he asked for it.

In his attack, Mr. Hand uses (among others) two sleazy tactics at which Jews and Christians are especially adept: (a) he misrepresents our position and then attacks that false position (b) he attempts to discredit us through guilt by association and links us with reprehensible entities such as the Jews and the Hindus, when we have absolutely nothing in common with them.

So let us start with our position regarding Salubrious Living which is spelled out in considerable detail in our classic text of the same name and embodied in its 244 pages. I am sure that Mr. Hand has never read it, since he seems completely ignorant of its contents. In the first place we are not vegetarians as Mr. Hand seems to think, but frugitarians, a considerable difference. If Mr. Hand does not understand that difference he is invited to educate himself at leisure by reading the book. I don't have the space to do so here. He will probably also find out that meat is suitable food for dogs and other carnivores, but highly unsuitable for humans. He might even find out that charcoal broiled meat is carcinogenous (cancer causing) and after he gets his facts straight, might even want to dispose of his much prized charcoal broiler that he so hates to give up.

The facts are that the wealth of advice given in Salubrious Living for living a healthier, happier and longer life is based on solid scientific facts, and has nothing to do with the primitive superstitious hocus-pocus of Hindus or the Jewish Leviticus with which Mr. Hand so surreptitiously seeks to associate us.

Furthermore, proper diet is only one of the 14 cardinal points that

The Three Basic Books of Creativity

NATURE'S ETERNAL RELIGION

508 Pages, 49 Chapters

by Ben Klassen, P. M.
Published in 1973

This book for the first time in history sets forth the fundamentals of a basic RACIAL RELIGION for the Survival, Expansion and Advancement of the White Race. It is based on the External Laws of Nature, the Experience of History, Logic and Common Sense.

It exposes the whole panorama of the dastardly worldwide Jewish conspiracy, aimed at the genocide and extermination of the White Race. It lists the five Jewish books that have had devastating influence on the thinking and course of the White Man's history.

Best of all, it not only sounds the alarm, but blueprints a specific plan and program of how to extricate the White Race from its present predicament. It presents a EUGENICS program for the future of the White Race to uplift it to the glorious heights of the Superman and beyond.

Do something meaningful and constructive for the White Race. Distribute 100 copies of this periodical each month.

A Friendly Word from Your Editor

In publishing this paper we have a multitude of purposes in mind, but there are two that predominate:

1. To inform and encourage our existing members and supporters to build the White Racial movement known as CREATIVITY, and,
2. To act as an effective flyer for mass distribution to our White Racial Comrades who have never heard of us before.

Of these two, we are placing major emphasis on the second objective. This paper is designed basically for the purpose of alerting and recruiting new members to our Cause. Whereas, not every White Racial Comrade may at present be receptive to our Cause, nevertheless there are millions out there who are receptive, who are fervently looking for a solution for which we have the answer — the real answer. There are millions out there who have never heard of CREATIVITY or of The WHITE MAN'S BIBLE or any of our other publications. It is our beholden duty to reach those millions and the best way to do so is to distribute copies of RACIAL LOYALTY. It is one of the most constructive actions you can take.

Order 100 copies of either this issue, or any combination of issues. Distribute them to your friends, your relatives or anyone who is inclined to be receptive. Distribute them to places such as, laundromats, airports, colleges, shopping centers etc. You'll be doing yourself and your White Racial Comrades the biggest favor of a lifetime.

Do it now! Order 100 copies for \$15.00 or 50 copies for only \$8.50.

Remember, the future of the White Race now hangs by a thread. If you do not take action, who will? A mere 10 million White Man's Bibles in the hands of our White Racial Comrades would see us well on the road to victory, which is an extremely small price to pay in comparison to the billions of dollars the Jews loot from us each year. We have to get these first 10 million Bibles out, and the paper which you now hold in your hand is the most effective vehicle with which to do the job. **We can do it. Your sacrifice and dedication are the keys to victory. Become a mini-distribution center for our material, including RACIAL LOYALTY.**

Rome wasn't build in a day

If you wanted to put a bend in a piece of wood — not a temporary bend but a permanent one — how would you go about it? Would you give it a few hard whacks or apply sudden, violent pressure? Not if you know something about woodworking, you wouldn't. You would apply steady, gradually increasing pressure, and maintain it over a considerable period of time.

Putting a bend in people is the same kind of problem. Getting them to break old habits and learn new ones is a slow process. If you expect too much too soon, people get discouraged and disgruntled. It takes steady, gradual pressure. It also takes time. If you slack off on your efforts too soon, people quickly spring back into their old way of doing things.

Tenacity is the answer.

RACIAL LOYALTY

we list in "Salubrious Living" (See Page 9) for creating our desired goal of a **SOUND MIND** in a **SOUND BODY** in a **SOUND SOCIETY** in a **SOUND ENVIRONMENT**.

Does Mr. Hand object to such goals? If so, that is mighty strange, since in his letter he roundly denounces and insults the White Race in scathing terms, such as, quote: "Untermenschen, race traitors, scum and worse." When we Creators have a well-planned, thoroughgoing program to upgrade the health, eugenics, and environment of our White Racial Comrades, he stupidly denounces that too, because, to his own detriment, he is totally ignorant of what we are talking about in Salubrious Living.

One final point and that is this: We do not **INSIST** that anyone **HAS** to follow the beneficial guidelines laid down, even to be a member of the church. We do not twist anyone's arm. We offer a set of constructive, scientifically proven guidelines for anyone to follow in order to live a healthier, happier and longer life. Whether they do so is each individual's own choice, but, again for the benefit of a better race and a Whiter and Brighter World, we hope that every White man, woman and child will learn to practice a life style that is far superior to the drug and junk food infested world of today.

So much for Salubrious Living, which, although extremely important, is not the main thrust of our religious program, and was not even mentioned in "Nature's Eternal Religion", our first corner stone. Let us get down to the "spooky" business in which Mr. Hand seems to take such primitive delight. He says in Odinism "we do believe in God." He then immediately trips himself up and says, "But what God?" He is not sure. He then lists such absurdities as Thor, Odin, Tyr and Freya, all of which are presumably dead, and resting somewhere in Lower Slobbovia. Then there are the Baldurs and the Heimdalls sneaking around the fiords (somewhere) and oozing out of, and squeezing through the crevasses (somewhere). Supposedly, somehow, somewhere, they will finally come to our rescue. Big deal! But we Creators are not holding our breath waiting for such nonsense to materialize. How any rational, grown man can believe in, and spout such ridiculous nonsense is beyond me.

But, Mr. Hand says, we have to worship something, and why not spooks, they're good for us, we need them. Well, we Creators don't

need any such idiotic and artificial props. If you need them, Mr. Hand, you had better see your Jewish psychiatrist. He will confuse you even more, and make you like it in the process.

Speaking of worship, Mr. Hand asks categorically: What God do we Creators worship? He then goes on to accuse us of worshipping our own White Race, which he next proceeds to roundly denounce, abuse and insult as viciously as would any Jew or nigger. I therefore want to set Mr. Hand straight on two points. (a) We Creators do not "worship" anything, not even the White Race, as he implies, and (b) To us the whole idea of "worship" is stupid, ridiculous and demeaning. It implies that the "worshipper" willfully places himself in an extremely inferior position in relation to some stupid abstract "Quantity X" that he or she has set up to worship. This may be something as ridiculous as a cow, a cat, a spookie, or a hot rock. He or she then proceeds to jabber some meaningless, yes, insane praise at said inanimate or imaginary object, in order to completely humiliate himself or herself. To us the whole idea is primitive, repugnant and reflects a throwback to our primitive and barbaric stoneage ancestors. So when someone asks us — "if you don't worship God, what do you worship?", it reminds us of the patient in the doctors' clinic, who when told that a cancerous tumor would have to be cut out, asked, "But doctor, what are you going to replace it with?" No, Mr. Hand, we don't need spooks or anything else to worship, nor do we need a pacifier to suck on, either. You can have the whole messy passel, gratis and wholesale.

We now come to the Odinist admission that, well yeah, we admit all this Norse mythology is hocus-pocus, but at least it is White, not Jewish hocus-pocus. Big deal! If we must deal in hokum at all, why not pick a higher grade of hocus-pocus, when the White Race has such an excellent selection to choose from? The Vikings were neither the first nor the best in that category. If I were to indulge in playing games with White spooks, why, I would choose the Greek or the Roman gods ten to one over the Viking's. Their stories are much richer in classic lore, mystique, wealth of characters and any other critique that may tickle your fancy. Compared to them, the Vikings were crude, brutish and bordering on the dense. In fact, on the intellectual level the Vikings were on a similar level to Hagar the Horrible as portrayed in the Sunday comics. They were, in fact, illiterate, and most of the Norse

myths the Odinists bandy about today are only through the gratuity of being preserved in Christian writings. The Vikings, in turn, slaughtered the Christians wholesale, but in the end the latter conquered the Vikings by the insidious application of their Jewish B-bomb (brain bomb). So what we have of all this Odinist hocus-pocus today is really only a more or less Christian recording or residue, and who needs more primitive hocus-pocus.

Mr. Hand claims the Odinists are not a "dead horse", nor a relic from a primitive past, but a "rising phoenix", because, see, we have several thousand already yet. Well, if he wants to play the numbers game, I am not impressed. It is no substitute for quality. "Where is the beef?" indeed, (his quote). There are any number of cults, religions and insanities that have far larger numbers than "several thousand". The moonies have millions, Jehovah's Witnesses number in the millions, The Moslems number in the hundreds of millions, and the Christians claim to embrace 750 million "souls". So what are a paltry few thousand in comparison? And anyway, with all those billions of believers in the old spooks in the sky swindle, the bottom line still is that the world is in one hell of a mess, is rapidly screeching towards a traumatic cataclysm, is still in the hands of treacherous Jews, and Odin, Wodin, Blynken and Nod will do damn little, if anything, to save us. I would rather be a minority of one who was set on the right course than be a polyglot part of a multi-million member cult that had its thinking all screwed up.

We need something much more realistic, tough, well planned, thoroughgoing and comprehensive than a rehash of a few primitive and warmed-up myths to do the job. In Creativity we have the whole ball of wax. Just as Adolf Hitler found it necessary to chuck overboard all the old political parties in Germany because they were inadequate to do the job, and devise a completely new philosophy and political party to cope with a major catastrophe, so too, we Creators find it necessary to devise a completely new philosophy and religion for the total White Race of the Planet Earth. In so doing, instead of rummaging around in the debris and garbage heap of old dead religions of the past, we instead go to the greatest teacher of them all — Mother Nature. Her laws are eternal, they are real, they have the innate wisdom of the eons embodied in them. There is our source, and there is our answer.

If Mr. Hand finds that being natural, logical, realistic, organized and deliberate leaves him "cold" and without purpose, I again suggest that he see his Jewish psychiatrist to confuse him further. Evidently there are some maladjusted people in this world, in fact, millions of them, who are so hopelessly confused that they cannot face reality in a disintegrating world. So they seek an escape mechanism of some kind. Some resort to alcohol, some to hard drugs, some to the spooks in the sky fantasy. But it is no solution, and reality will have to be faced and problems have to be solved. To try to escape them with all these trick escape mechanisms does not solve them but makes the situation only more disastrous and the end of the line for such "escape" artists is usually similar to that of a John Belushi, or a David Kennedy.

We Creators do not seek to hide our heads in the sand, or on cloud nine in the sky. We are problem solvers and we have answers, meaningful, comprehensive and realistic answers. Just as Adolf Hitler sought to unite the Whole German nation under one political party, so we Creators seek to unite the total White Race and the White Race alone. Just as Hitler succeeded in uniting all the Germans under National Socialism, so we Creators believe (yes we DO have faith!) that we can and will unite the present 500 million White peoples on the face of the earth into one powerful, solid battering ram that will crush and demolish the narcotic poison of Judaism. We believe it because it is the only way for the White Race to go, and once the White Race is united there is no power on the face of the earth that will ever again be in a position to threaten its existence or survival.

At this point I would like to make a highly encouraging and optimistic observation. The White racial movement in America has now advanced far enough to win over and smash the Jewish establishment. It could do it now in 1984, if the different factions would unite and polarize under the banner of The Church Of The Creator, the most comprehensive thoroughgoing, effective weapon it has to work with. Standing in the way is the hubris (overweening ego) of the leaders of the individual groups. They take the position that "if I didn't think of it first, I'm going to torpedo it, and to hell with the White Race", and I think Odinism is a prime example. But think of it! We could win now!

Odinism: A Rising Phoenix or a Dead Horse?

Foreword: For the last decade or so Mr. Dietz has published the *Liberty Bell Magazine*, which is pro-Nazi, pro-White, anti-Christian and anti-Jewish. In the last several years Mr. Dietz, the Editor, has also published any number of articles taken directly out of the chapters of *Nature's Eternal Religion and the White Man's Bible*, with our permission and approval. A few issues ago Mr. Ronald S. Hand published a letter which ended with the fervent hope there be fewer Identity Christians and more Odinists. If so, we would stand a better chance of wresting our destiny from the hands of the Jews. He concluded his letter with the offer that he would be glad to answer any questions.

Rev. Carles C. Messick III, *Hasta Primus of the Church of The Creator* took note of this letter and wondered why, if Mr. Hand was really so interested in overcoming the Jews, he completely ignored CREATIVITY which is solely dedicated to breaking the Jewish stranglehold and wresting the White Man's destiny back in his own hands. The following correspondence ensued, the first two letters of which Mr. Dietz published in *Liberty Bell*, but the third one he refused. It is because Mr. Dietz refused to print this third letter that we are now publishing all three letters in this forum.

Rev. Messick had been a long time subscriber to the *Liberty Bell* before he discovered the *Church of the Creator*. He then joined the *Creativity* movement because he was convinced that *Creativity* had the answer, the TOTAL ANSWER.

First of all, here is Rev. Messick's letter, as published in the *Liberty Bell*:

Dear George:

This letter is in response to that of Mr. Ronald S. Hand, Odinist, which appeared in the May issue of "Liberty Bell." Whereas I have little criticism of what Mr. Hand says, it is what he doesn't say that is somewhat disturbing. In the last paragraph he comes to the conclusion that "if we had in America 'Odinists' instead of Identity Christians we would stand a much better chance of wresting our destiny from the hands of Jews."

With this, too, I do not disagree, but he seems to completely ignore a racial religious movement, CREATIVITY, that is well known to the readers of "Liberty Bell," a religious movement that

is solely dedicated to the survival, expansion, and advancement of the White Race. It is a religion of this era, not a moldy relic from the past. It is already doing just what Mr. Hand claims he desires to see happen — wrest the destiny of the White Race from the hands of the Jews and into the capable hands of the White Race itself.

Mr. Hand adds that he will answer questions. Here are a few vital questions to which I would like to have a few reasonable answers.

1. After all the articles Mr. Dietz has published in "Liberty Bell" that came directly out of the pages of "Nature's Eternal Religion" and "The White Man's Bible," the basic books of the CREATIVITY movement, surely Mr. Hand must have heard of it?

2. Since Odinism failed to hold it's own against the treachery and cunning of the wily Jew a thousand years ago when the Vikings were the fiercest and the most feared warriors in Europe, what makes Mr. Hand think that today Odinism, when it has been a dead horse for a millennium, can now turn the tables?

3. Isn't Odinism merely trading one set of spooks, namely the Norse gods, for another set of spooks, namely the Jewish passel, and can any intelligent and educated man in the 20th century really believe in either without insulting his own intelligence?

4. True, the Odinist gods are at least our own brand of fantasies, but since they do not have (and never had) any defense or understanding of the insidious Jewish perfidy, how can you expect them to be a solution to anything?

5. Why does Mr. Hand deliberately choose to ignore CREATIVITY when it has a comprehensive racial creed, program, and religion, that is geared to the eternal realities of Nature, to the 20th century, to exposing the Jewish fraud that is Christianity, and to blasting the Jewish menace from the face of the earth? Just how serious is Mr. Hand or any other White Racist group in dealing the most effective blow against the Jews and mud races?

It would seem to me that we would do much better to forget our own small fragmented individual hubris and combine forces to build a mighty White Racial Movement under the only aegis that has a chance of success, namely the CREATIVITY movement. It is the only White Racial religion in the

White Man's history that was designed to exactly do the job that now overwhelmingly needs to be done if the White Race is to survive.

I am not attempting to insult or demean any White Racist, but only to point out the obvious lessons of the past. We need something that has a better than average chance to succeed. If something failed us in the past there is a good chance that it will do so again.

We do not need to play games with such weak and meaningless props as the existence or non-existence of Atlantis, nor Norse gods, nor Mother Goose tales in order to forge a powerful racial religion. Nature is very real and says it all, but some of us are not paying attention. "Creativity" is based on and embodies the Eternal Laws of Nature for the survival, expansion and advancement of our own kind — Nature's Finest — The White Race. All we have to do is stop playing games of fantasy and get back to using the good sense with which Nature endowed us.

I fooled around with several White Racist groups — Posse Comitatus, Euro-American Alliance, Aryan Nations, etc. — most were hung up on Christ being our only hope and were really ineffectual. They have been around for years and practically accomplished nothing except to get themselves killed or jailed without dealing an effective blow at any Jew. Once I realized the absurdities of spooky religions, "CREATIVITY" became the only logical answer. I am, myself, as the *Hasta Primus* for the *Church of the Creator*, accomplishing more now than ever I could hope to do in a hundred years of practicing spookcraft with whatever religion. I am serious as hell about ridding the world of the Jewish menace.

I don't play games anymore.

Rev. Carles C. Messick III
Hasta Primus for the
Church of the Creator

Before publishing Rev. Messick's letter, Mr. Dietz, however, first sent a copy of that letter to Mr. Hand so that he could prepare a rebuttle to it, which he did. Mr. Dietz then published both letters consecutively in the same issue. Here is Mr. Hand's letter:

Dear Rev. Messick:

Thank you for your letter of 7 June, 1984.

I am glad that you have opened to me a door of opportunity to

answer some vital questions concerning "The Church of the Creator." Yes, I am aware of "Creativity," and have read most of "The White Man's Bible," and "Nature's Eternal Religion." I find in both a certain evangelical concern for enlightening White people about the subtle insinuations of Judaeo-Christianity, and a style of logic which is convincing and intellectually spicy. However, I did not find in "Creativity" a religion which offered any really compelling reasons why I should become a part of it. My reasons are as follows:

"Creativity" is, after all, a modern innovation which attempts to meet certain needs of the Aryan community in its juxtaposed antagonism to Judaism and Communism. With this I feel comfortable. But, at several points I am made to sense a kind of lostness in it. Let me call it an alienation. I refer to the chapters on "Salubrious Living," for not too long after I was reading about dietary regulations I came to the conclusion that I would have to part company with my charcoal grill and barbeque pit. I am, after all, not a vegetarian as was Adolf Hitler. Furthermore, I don't think that an Aryan counterpart to Leviticus chapter 11 is of central importance to the survival, expansion and advancement of White people. Yet the gist of "Salubrious Living" was tilted heavily in favor of vegetarianism and Hinduism. "Where's the Beef?" If White people came to embrace this practice generally, then I suspect that Steven Spielberg will send Indiana Jones to rescue the Jews from the newly passed Nuremberg Laws which forbid Jews to eat mutton or gefillte fish. I'm being facetious of course.

Nevertheless, there is another one or two objections. How often I have thought about "Creativity," "what God is revered, or worshipped?" And all I could find out was that "White people," who are the building race, are the creators. Do White people then worship themselves collectively? I hate to say this, but there are some White people that I regard as *Untermenschen*, race traitors, scum, and worse. So, a *Carte Blanche* approval of White people is both naive and false insofar as their interests is concerned. One reason for Jewish triumph is not Jewish genius, but Gentile stupidity and lack of backbone. And if this state-
