The Pole Star Issue

Issue No. 20

The Time has come for The White Race to establish Its own POLE STAR

By Ben Klassen, P. M.

There is a fierce and as yet unresolved battle of ideas going on for the possession of men's minds. In order to survive the White Race must polarize its own goals.

In studying the history of Navigation, we find that during and immediately after the Fifteenth Century the White Man's progress in navigation on the high seas took a quantum leap. It was during the latter half of the 15th century that he became capable of making long forays down the west coast of Africa, discovering islands in the Atlantic formerly out of reach, and in 1492 Columbus was able to make his epic voyage across the Atlantic and discover the New World.

From there on out there were no limits on this our Planet Earth. The White Man was motivated by a burst of energy as never had been witnessed before. The Era of Discovery and Colonization set in, and it was the White Man exclusively whose brilliant energy and genius was the center of it all. South America was soon discovered, explored and colonized by the Spaniards. Magellan circled the globe and Captain Cook "discovered" Australia, the Hawaiian Islands and many areas of the Pacific heretofore unknown. This was the White Man at his best.

What sparked this illustrious burst of discovery and colonization? There were several key factors and we might say that it was an idea whose time had come. There was a partial improvement in the size and durability of the sailing vessels, but whereas this was a factor, it was not major. **The most important item was that the White Man was learning the art of navigation**, a pursuit that was strongly upgraded by **Henry the Navigator of Portugal**. He started a school for navigation, and collected, studied and improved the known arts of navigation as they stood in the middle of the 15th century. This provided the needed impetus and soon the White Man's ideas about the world began to change in conformity with reality. Once the White Man realized the world was round, not flat; that it spun about its axis; that that axis pointed at the Polar Star; discovered the magnetic compass; and that it pointed at magnetic north; discovered the sextant; Mercator drew his famous charts and innovated numerous other aids. From there on out the White Man was off and running and soon reached and colonized all the worthwhile territories of the world.

In the meantime, although technology, colonization and navigation were burgeoning, the White Man made no progress whatsoever in the vital areas of RACE and RELIGION, the most important issues in his existence. These two paramount issues underlie the very survival of the White Race, but have been totally ignored since the dawn of civilization. In fact, it is one of the ironies of history that the Age of Discovery and Colonization also greatly accelerated the practice of race-mixing and mongrelization, especially among the Spaniards and the Portuguese in their newly discovered territories, especially Mexico and South America.

He that hath truth on his side is a fool as well as a coward if he is afraid to own it because of other men's opinions.

— Defoe

Five hundred years after Henry the Navigator, the White Man is not only as unaware and ignorant of these two vital issues, (Race and Religion) as he was then, he is, in fact more ignorant, more confused, and even more fragmented. He is still woefully unaware of the issues, racially confused, without goal or direction, without any meaningful charts, without a Pole Star to guide his path. The White Man is, in fact, hopelessly floundering without direction or meaning, not even aware that the Jew is rapidly committing genocide on Nature's Finest, the White Race.

During this same era, the Jew, who is not a builder, nor a navigator, nor an explorer, nor a farmer, nor a producer, but an eternal parasite, he too, was extremely busy. Whereas the White Man

was honing his navigational techniques and innovating other new technology, the Jew was busily pursuing his racial plans, programs and blueprints, all of which he had established thousands of years ago. He knew exactly where he was going (racially), what his goals were, and how he was going to get there. He had fixated his racial Pole Star as far back as the time he was driven out of Egypt in the middle of the Second Millenium B. C. E. He had his Pole Star and never wavered from it. His Pole Star was his Judaic (or Mosaic) Religion, an intensely racial religion.

And just what were the goals of this inferior parasitic tribe? They were enormous, but also simple as hell. They were basically: **(a) To mongrelize and enslave all the peoples of the world, especially the White Race — the prime target of their hatred and revulsion. (b) To garner unto themselves all the gold, silver, precious gems, money and properties of the world. (c) To desecrate, down breed and degenerate all the goyim of the world, convert them into brainless brown zombies and hold them in eternal bondage.**

In short their goal, set thousands of years ago was, and is today: every Jew a King, every goyim a slave, his face in the mud with the Jewish jackboot firmly pressing down on the nape of his neck.

If you don't believe me, read last month's letter (printed in Racial Loyalty No. 19) from a kike on whose stationery was the name of Robert V. Rothman. If that doesn't convince you, read again what another Jew by the name of Marcus Eli Ravage says. He spells it out more succinctly, and we recapitulate his frank disclosure in Creative Credo No. 43 in the WHITE MAN'S BIBLE under the heading of "Confessions of a Jew", Page 286. If you need any further confirmation of what the Jews have

(Continued on Page 2)

POLE STAR*(Continued from Page 1)*

in mind for us, read that comprehensive epistle of hate — the Jewish Talmud itself. Even mulattoes like Louis Farrakhan have enough intelligence to recognize the Jewish religion as that of a destructive parasite and calls it “a gutter religion”.

So much for what the Jews have in store for us if we don't come to our senses and promptly get on with the job. **It is the awesome goal and program of the CHURCH OF THE CREATOR to arouse, unite and organize the White Race into one powerful battering ram that has the WILL and the power to demolish the Jewish behemoth.** This is what Creativity is all about and this is what we are trying to accomplish.

Standing in our path are an endless number of roadblocks, most of which have surreptitiously been conceived by the Jews, but the actual placing of many of these roadblocks are being done by members of our own race, most of which should know better.

Visualize the following scenerio: An old draft horse is pulling a heavy load up a long hill, heaving and straining at its traces. It is tired and sweaty and has had a long, hard day. Noisily yapping at its heels are a few mutts, and buzzing at its head are a small swarm of gnats.

If this old draft horse could talk, it would probably be saying something like this to itself: “I don't mind pulling the load, because that is what I am best at. But who in the hell needs the extra aggravation of mutts and gnats when I am trying to get this load over the hill?”

I have a confession to make. There are times when I feel like that old draft horse.

I know what we are up against, and it is a heavy load. We are trying to accomplish something that has never been done by the White Race in the last six thousand years of its illustrious but confused, and botched-up history. We are trying to give the White Race a racial religion of its own that will finally and comprehensively solve the problem of its degeneration and decline, and prevent its ignominious demise by drowning in a stinking sea of mud. I repeat, this has never before been done in all of the White Man's turbulent past, and whether or not it will come about in the future Christ only knows, and he won't tell because he is not around. I can't assure you that it will come

about. I cannot give anyone a guilt-edged Certificate of Guarantee for the future. But I can assure you of this much: It will either happen in the next 20 to 30 years or it won't happen at all. Why? Because if it doesn't happen now there won't be any White Race left to save.

I will also boldly make the second claim and that is in Creativity we now have the creed, program and religion with which to bring about the Salvation and Redemption of the White Race. We have, in fact, the whole ball of wax, and whereas it may not be perfect (nothing in life is) it is the best that is now available to the White Race in order to save its neck from the Jewish jackboot. Creativity is not a spectator sport. Whether or not we win this ultimate battle depends on how vigorously you and millions of other White Racial Comrades join into the fray and become militant activists. I repeat — this is not a spectator sport. We need White Racial Teamwork — all 500 million strong.

***We Creators
don't straddle issues.
We delineate and
resolve them.***

The White Race is now in the position of a pusillanimous old spinster who is nearing the end of the line. She could never quite make up her mind that she had found the “perfect” man and kept on looking and looking, little realizing that as the years went by her own charms to attract such a man, if he ever existed, were rapidly fading. Finally, in her declining years, as she becomes senile and is hustled off to a “convalescent home” the question of finding the “perfect” man that never existed becomes rather moot.

A similar situation exists regarding Creativity. We don't claim it is perfect, but it is powerful, dynamic, comprehensive, consistent and complete. Just as Hitler constructed the Nazi Party in Germany to demolish Jewish Marxism and lead the German people back to strength and unity, so also is Creativity designed to arouse, unite and organize all the White peoples of the world to demolish once and for all the Jewish monster that now threatens to devour us.

Most of our White Racial Comrades that want the Jewish monkey off our back believe that the main roadblock in accomplishing this awesome task are the Jews, the

niggers and the exploding mass of mud races. I used to think along these lines also, but experience has taught me that **the major problem resides within our own ranks** — the unbelievable intransigence of those who profess to be on our side but **because of hubris, jealousy, pettiness and plain stupidity are forever in the front and throwing roadblocks in the way of those who have the WILL, the MEANS and the PROGRAM to do something meaningful and effective.**

Let me state categorically: We Creators mean business. We are determined to do something meaningful, constructive and effective rather than eternally yak, yak, yak and fiddle around the fringes of the frivolous. We are not interested in either trying to impress you, nor are we here to entertain you. We want to arouse and motivate you to become a militant activist and enlist you into our army of racial teamwork.

This we are doing day by day, and although the process is accelerating, it is not fast enough to suit us. Time is of the essence, and, as in the case of the aging and pusillanimous spinster, time is running out for the White Race. If it won't grasp the opportunity now it will soon be too senile to ever pull itself out of the muddy mire.

Standing in the way of getting the job done are a number of buzzing gnats and yapping hounds in the ranks of the White Race itself, repeatedly throwing roadblocks in our way, roadblocks that were designed and fashioned by the Jews themselves. In this dissertation I want to make a file, a laundry list if you like, of the number of spurious and nit-picking charges, rumors and innuendos that have been thrown at us. Many of these people profess to be our friends and are “only trying to help us”, for our own good.

1. Although we are located in a beautiful natural setting in North Carolina, we are also located in what is known as the Bible Belt, and the “devout” and confused Christians not only denounce us as “atheists”, but some vociferously proclaim that we are “devil-worshippers”. Since we don't believe in demons, or spooks of any kind, or, in fact, any other kind of spookie malarkey, this charge, is, of course rather silly on the face of it.

2. Then there are those, including some Mormons who claim that Ben Klassen is, in fact, the devil himself. This too, is pretty stupid, for the same reason as point No. 1.

3. There are some (White people) who claim I am a Jew, I must be a Jew, and perhaps both a Jew and a devil, and that Klassen is a Jewish name.

In answer to the above, I can categorically state that (a) I am not a devil, and (b) I am not a Jew. The devil part is, of course, so silly I need not spend further time on it. The Jewish accusation is equally stupid, but since it has such vicious implications I will spend further time on it.

My ancestors both on my mother's side and on my father's side were Mennonites of unmixed White ancestry for at least the last four hundred years, originating out of Holland. In the 1700's a segment of Mennonites (due to religious persecution) migrated to what was then Prussia. Since the Mennonites were both industrious and also raised large families, they multiplied and took over more and more territory in that state.

The Mennonites also had (and still have) a strange little hang-up in their religion about being opposed to going to war and killing other people. They are dedicated PACIFISTS. This did not sit too well with the then militaristic minded Prussians, and new persecutions ensued. A major segment of my Prussian ancestors then decided to move to a fertile area of the Ukraine just north of the Black Sea. This they did in about the year 1804, and Katherine the Great, who was eager to settle these empty areas with industrious, hard-working farmers, invited them in, even signing a pact with them that gave them special compensations, waiving any obligations of having to serve in the military.

The colony my ancestors settled in was called the Molotschna Colony, located on the banks of a river of the same name. Here they prospered and multiplied, two areas in which they were amazingly adept. My paternal grandfather and grandmother had 14 children, of which 12 lived to adulthood, and all, I believe, raised families of their own.

This was the situation in 1914 when W. W. I broke out. The colony had prospered, the Mennonites in Molotschna numbered 30,000 souls in 50 towns or villages. When the communists took over in 1917, all hell broke loose and the Mennonites were completely unprepared to defend themselves from the marauding criminals that were let loose upon them. Many were killed, some died of starvation during the planned famine of 1921-22, some migrated to other countries.

(Continued on Page 3)

POLE STAR*(Continued from Page 2)*

The latter is what my father did in 1924. Without going into more detail about the Mennonites and my personal history (which I have briefly covered in Chapter 22, Part II, Page 455 of NATURE'S ETERNAL RELIGION entitled "My Own Spiritual Awakening", suffice it to say that my ancestors were White, Protestant Mennonites, who carefully kept their genealogy clean, and there is not a Jew, a nigger or an Indian anywhere in my bloodlines, at least not for the last 400 years.

Now before some swine again rises up (I am using Herbert Hoover's words) and accuses me of being a Jew, I suggest that he, she or it first **put up a \$1000.00 security to cover a bet that I can prove otherwise, and I will put up my own \$1000.00.** A late uncle of mine, bless him, devoted a lot of time and researched and compiled an extensive genealogy of the Klassen family. I have a copy of it. I also have copies of numerous official documents, such as passports, (including my father's) church documents, family albums and a mass of other evidence, all of which confirms my White Protestant Mennonite ancestry. If that is not enough, I still have any number of living cousins, nieces, nephews and other relatives in Canada and the United States who can back up my statements, and would not take lightly to the inference that we might be Jews.

So, to the next swine that makes that accusation I say — put your money where your mouth is, or shut up. Klassen is a good Dutch and Mennonite name and has been for many centuries.

4. There are some who spread the rumor that I am in this "business" to make money, and that is my only concern.

This, too, is utterly stupid. I am 66 years old and have been concerned about the sinister Jewish menace since the age of 20 when I first read Hitler's MEIN KAMPF, in German.

Although my pursuit in trying to solve this problem was in the early stages confused, erratic and completely ineffective (since, like everyone else, I didn't know what to do about it) it has always been a simmering concern most of my adult life.

I came to the United States in 1945 as a poor immigrant boy, although not without a good Engineering degree and some practical job experience. In 1947 I decided to go into real estate (in

California), and by 1970 I was in a position where I could have retired comfortably. It was at this time that I began to see the light about the swindle that was Christianity and its ramifications regarding the whole racial problem. **It was at this time that I began to formulate and put together NATURE'S ETERNAL RELIGION.**

Since that time I have not only published NATURE'S ETERNAL RELIGION, but also written THE WHITE MAN'S BIBLE and published SALUBRIOUS LIVING, thereby completing our ideological creed and program. We now have a racial religion of which any White Man can not only be intensely proud, but to which he can actively dedicate his time, energy and loyalty for the rest of his natural life. He can now join in a White religious movement that can (and will!) lead us all out of the quagmire of Jewish slavery and eternal bondage TO A WHITER AND BRIGHTER FUTURE.

We cannot win a war of ideas if we have nothing more than a mixed bag of unresolved shibboleths to fight with and for. The White Race must polarize in order to survive.

I have also inaugurated a conveyor belt to spread the word and disseminate the message by launching RACIAL LOYALTY 20 issues ago, and have built the Church itself as a World Center for our movement. We are now in the process of completing the SCHOOL FOR GIFTED BOYS, and I am happy to announce that sooner or later we plan to build a Health Center in which to teach and practice Salubrious Living for those seeking a more ideal and healthful lifestyle.

Publishing all these books, building all these buildings, publishing the paper, buying a host of typesetting equipment, computers, copying machines and other sophisticated technical equipment, all this has cost a ton of money, hundreds of thousands of dollars worth. By and large, I have bankrolled it all out of my life's savings, and the response from supporters, as anyone in the White racial movement can well confirm,

has been (at best) discouraging, but I expected as much.

The point is — how can some people (some of which profess to be on our side) accuse me of enduring all the abuse, hassle and headaches connected with promoting an unpopular cause in order that I make a buck?

I repeat — I could have retired comfortably in 1970, but if I live to be one hundred I can never expect to recuperate a cent of all the financial sacrifices I have made, and am making, and will continue to make in the future in order to get this movement off the ground. I repeat, I don't expect to recuperate a penny, and have made no provision to do so.

I repeat a similar challenge I made in Point No. 4. Anyone who thinks I am making a killing out of trying to do my part in this racial struggle can readily buy all the potential "profits" I might accrue for the rest of my life. A mere \$10,000 will do it for you. Again, I challenge such purveyors of lies and slander to put their money where their mouth is. (I would gladly settle for \$100.00 or even fifty cents, but I set the figure at \$10,000 to keep out the cheap gadflies)

5. There are those who still insist my motives must be evil, and if none of the above charges hold water they are DETERMINED to find somewhere, somehow, some sinister and evil motivation. They come up with the following charge: I must be doing what I am doing in order to sow dissension and destroy "that little that we have", evidently in order that I might help aid the Jewish cause. This charge is so assinine that it hardly needs an answer, but answer it I will, and briefly.

The "little that we have" is so damn little and so counterproductive that if I wanted to see the Jews continue to successfully carry on their nefarious destruction of the White Race all I need do is comfortably sit back and do nothing, the same as the silly yokels who make such an outrageous charge. Why would I spend hundreds of thousands of my hard earned life's savings, when just sitting back and doing nothing would accomplish the same thing? Why would I spend thousands of hours writing books, organizing a movement putting out a monthly publication, etc.? How ridiculous can you get?

6. Then there is that strange group that comes up with a CATCH 22 rationale and says that I must be phoney, I must be a double agent, I must be a Jewish stooge, for if I was for real, and had said all the nasty things I have said

about the Jews, openly and publicly published books against them, even had a large picture of myself on the back pages, even used my own real name, why, anybody that did all this would long ago have been killed by the Jews. Therefore, ipso facto, I must be a Jew, or a double agent, or a stooge, or something, being paid by the Jewish powerhouse.

In short, these idiots say that no matter what you do there is no way to win the battle against the Jews. If you try, you're dead. If you're not dead, you must be a double agent. And of course, if you're dead, there isn't much you can do.

With this kind of accusation, what in the hell can anybody do? It's heads I win, tails you lose, the perfect Catch 22 no-win box, undoubtedly promoted by the Jews themselves.

I bring up these ludicrous accusations because they are more prevalent than most people realize and I want to take this opportunity to answer all of them and get these kind of people de-confused and de-contaminated, if such is at all possible.

Let me say categorically the only kind of help I have ever gotten from the Jews is threats and hate letters such as the one printed in last months issue No. 19. I can reprint a number of others such as the uproar I caused in the Jewish community when the Miami Herald (South Florida is becoming a bedlam of Jews, Cubans, niggers and Haitians) published a two page article on me in 1981. How I can possibly benefit the Jews by inaugurating a White racial religion that when (not if, but when!) successful, will spell the death knell of Judaism, nobody has yet rationally explained.

But let us look at the statistics, and the probabilities. It is true that there is always the possibility that a Jew fighter out in the open might be assassinated in the United States, and there have been a few cases, such as George Lincoln Rockwell, Sec. of Defense James Forrestal, Congressman Louis T. McFadden, and probably John F. Kennedy, who started issuing U. S. notes, instead of allowing the Jew owned Federal Reserve to have a monopoly in counterfeiting. But most of these cases are rare, and outside of Rockwell, most of these victims did not even attack the Jews openly, although they were a threat to them.

Now compare these paltry numbers with the 30 million White Russians that were massacred

BRICKBATS & BOUQUETS

Dear Mr. Klassen:

After I read and studied your Three Basic Books, I would also like to subscribe to the 12 page monthly periodical RACIAL LOYALTY. Enclosed is a money order in the amount of \$15.

I am a German-Canadian farmer, born in 1905. I grew up in Germany. After I finished high school I worked on a farm and in 1925 I joined Hitler's Storm-troopers. Several years later the Communists burned down our farm buildings. We went bankrupt and in 1929 we migrated to Canada, and started all over again on a homestead. But 8 years later I returned to Germany again, alone.

As the war started, I joined the German Army and by 1942 I was a lieutenant on the Russian front. After the capitulation in 1945, I was put in a Soviet prison. Three years later I was shipped to Moscow and put in the Butirka, then the Lubianka prison, and condemned me to 25 years of hard labor. So I worked for several years in the coal mines in Siberia, at Workuta in the Arctic Circle, and also in the Ural mountains. After nine years in prison cells and behind barb-wire, the Russians finally decided to ship me back to Germany. When I returned, I found I had been declared dead.

After 19 years of absence, I returned to Canada. But since I have returned, I have never again attended a church, or voted for any of these parties.

So I am real glad to have found a new true religion.

Yours truly,
G. W.
Canada

An Open Letter to Ronald Hand:

I have just finished reading your response to Ben Klassen's letter in the October 84 issue of LIBERTY BELL and would like to comment as follows:

You imply that Mr. Klassen is trying to make money off religion. For your information, Ben Klassen was a self-made businessman, and has made many personal and financial sacrifices in giving his total life for the White Race.

As far as your criticisms of the Church of The Creator's dietary recommendations, perhaps you might take a look at the American People: we are probably the most overfed and undernourished people in the world, but cancer and heart

disease are increasing catastrophically. I am on a semi-frugivarian diet (some meat and eggs, but a lot of fresh raw vegetables, nuts and fruits). I am in excellent physical condition. I have had one cold in three years, no other sickness; I run four miles every other morning (at 5 a.m.); and I lift weights regularly and feel fantastic.

As far as the incomes of farmers, and the hamburger chains go, we will have to shift our White Comrades over to a Salubrious diet and lifestyle on a gradual basis, and at the same time shift our methods of farming and employment. There will be a tremendous demand for fresh organic food once the White Race embraces Creativity.

Again, Klassen's dietary recommendations are based on scientific fact...look at the difference in the digestive systems of different species. Man was not meant to be a carnivore; and good health goes hand-in-hand with eugenics!

You mention in your letter that Klassen may be a "traitor" or "Jew infiltrator", but I know otherwise. He is not peddling a bunch of hocus-pocus, but you seem to be. I have not seen any evidence of supernatural life (Yahweh or Thor!). Klassen has given us a workable program for the survival, advancement and expansion of the White Race based on cold, harsh REALITY.

I am very surprised at George Dietz's sudden turnaround. George has printed many excerpts over a two year period from The White Man's Bible and he had featured various publications of the Church of the Creator. I have personally met George Dietz (in fact, he introduced me to Creativity), and know he is a good White Man and very intelligent. The Jews must have got upset that someone of his caliber was collaborating with another White Man of high caliber...Ben Klassen. Perhaps this was too much for them, and at one of George's bad moments (i.e. financial resources shrinking), they sent along a Jewish infiltrator to break this great team up. Mr. Hand, are you this Jewish infiltrator?

In your response to Pontifex Klassen, you stated there are noble people of non-White races. Well, we of the Church of the Creator say baloney to this! We are only concerned about the White Race. To hell with the Jews and all the mud races...to hell with their collabor-

MAN OF LETTERS

The venerable nigger preacher had used the letters B.S., M.S. and Ph. D. after his name for years without ever having excited any comment from anyone in his congregation. Finally one particularly nousey biddie questioned him about it one day.

"Well, sister," he answered, "you knows what B.S. stands foh, don't you?"

"Of course ah does," was the rather indignant reply.

"Well den, dat M.S. jest means 'more of same', and Ph. D. means 'piled higher and deeper'."

Racial Ribaldry

A building contractor was showing Mrs. Jones through her unfinished house. They were determining the colors of the walls for the different rooms.

They came to the daughter's bedroom. "I believe a light coral would be nice," said Mrs. Jones. The contractor made a note of it in his notebook. Then he stuck his

head out the open window and yelled, "Green side up!"

They went to the son's bedroom. "A medium green would please him," suggested Mrs. Jones. The contractor duly noted the color. Then he stuck his head out the window and yelled "Green side up!"

Next they went to the living room. "I would like an eggshell white for this room," Mrs. Jones informed the contractor. Again he noted the color, then stuck his head out the window and yelled in a loud voice: "Green side up!"

By this time Mrs. Jones was becoming somewhat disconcerted. "Why do you yell 'Green side up!' after every room we have been in?"

"Oh, its nothing", replied the contractor. "I have a couple of niggers out there laying sod and I have to keep reminding them every so often."

ators! The mud races may outnumber us 12 to 1, but the odds are against THEM. We have the genes and brains. And I suggest you get out of the White Racial movement if you think otherwise, and go (return?) to Israel or Africa. But be forewarned... these places, too, will one day be inhabited by our White Race!

You close your letter with some nonsense about eliminating Jewish names. Well, for one thing, Ben Klassen's name is not Benjamin, it is Bernhardt. Also, when I was a kid, there was a little kike on my street (with a sassy mouth) whom I used to straighten out (with a couple shots to the head) every now and then. His last name was Levine... **his first name was Ronald!**

Dear Friend:

Recently, I sent out a flyer, containing a few FACTS that the Jews have infiltrated not only governments but also the Catholic Church.

Enclosed, you will find a most kind (?) reply I received from a reverend (?) of the

Catholic Ukrainian Byzantine Church of St. Elias, to whom I mailed one of these flyers.

Since you also are working to unmask the evil infiltration of the Jews in society, I thought that you might want to read and to circulate this "thank you letter", which I consider to be extremely interesting — to say the very least!

Dear Ben Klassen, P. M. and Carles Messick, H. P.:

Received my first allotment of 20 Racial Loyalty papers about ten days ago. I place one or more per day in special spots where sophisticated White people gather, and try to avoid the many surroundings where the races are badly mixed.

The Gullibility Quiz in the Nov. issue was so pleasing that I thought of obtaining your permission to circulate a batch of pamphlets, as the one herewith, and mail them to selected friends together with your flyer. But on second thought, I realized that each issue is full of dynamic, mind-expanding gems that will clear much Judeo-Christian daze. So will just mail the Racial Loyaltys as is.

Another small donation enclosed.

Sincerely,
Robert S. Ginger

Dear Editor:

Congratulations OLD GOLD and BLACK there is now an active unit of the WHITE STUDENT UNION operating on your campus.

The WHITE STUDENT UNION is working closely with our friends at the CHURCH OF THE CREATOR and MR. WARREN B. BROOKS to develop an underground chapter which will

eventually become more open as it directly enters your Student Government.

We note that you didn't appreciate the "racist leaflets" put on your campus, (TOO BAD, BECAUSE IT SHALL BE A VERY COMMON OCCURRENCE AT WAKE FOREST IN YOUR FUTURE) and that your Editorial Staff Writer, Mr. Noel Hunter in his article "Racist FALLACIES" went as far to say that there really is no such thing as a WHITE RACE in his rebuke to those leaflets.

Such ridiculous insults to people of NORDIC, ALPINE, DINARIC, BALTIC and CELTIC descent demands an immediate apology.

Mr. Hunter in his limited appraisal of the situation suggests that our Movement has no legitimate argument other than to say that we are "chosen" or "superior".

His transparent analogy of the facts seems to remove without question the most important fact of our creed: THE SURVIVAL OF THE WHITE RACE.

But I've forgotten, Mr. Hunter does not consider the Caucasian people to be a race. I suppose in his manner of thinking that he views most Whites as bastards without roots, as an aberration of twisted minds which vainly seek their past heritage, only to be illuminated by Mr. Hunter that in actuality they have none.

What if Mr. Hunter had said this of Blacks, that Black people are not an authentic race.

Many would come forth and say Mr. Hunter is engaging in a misinformation campaign, and that by trying to discredit the Black man's legitimate claim to his racial heritage he is in fact setting the framework for even more slanderous discreditation.

Regardless of what individuals such as Noel Hunter ramble about in their attempts to discredit the birthright of our people and our heritage as a race through their slanderous misinformation campaigns, WHITE STUDENTS now have a group that will speak up and defend them from such blatant untruths: THE WHITE STUDENT UNION.

Sincerely,

Spreading the Word on the Campus

On Nov. 3, representatives from the Church of the Creator distributed literature from both the White Student Union and C. O. T. C. on the campus of Wake Forest University, Winston/Salem, N. C. It evoked the following editorial reaction from the campus paper, under the column entitled "The Gadfly."

This week the OLD GOLD and BLACK received several pamphlets from local White supremacy groups. The documents bore the catchy acronyms of national right-wing organizations, the name of an area church, and the signature of a local political activist. While I am sure that no one in the Wake Forest community bears the hateful sentiments of these fascist racists, I nevertheless feel that it is necessary to explicitly expose the flaws of the White supremacists' arguments and the dangers of their tactics.

Most White supremacists base their beliefs on one of two assumptions: either that the White Race is genetically superior to other races, or that the White Race is somehow chosen by God as the master race. Those who claim the genetic superiority of the White Race usually base their arguments on intelligence scores. Research has shown that most intelligence tests in recent years have been culturally biased, and that White people naturally score higher because Whites prepare the tests. No I.Q. test will prove to me that one person is better than another.

There is no objective criterion I know of which can effectively determine the worth of a human being. Mental and physical ability may determine the value of a person in regard to the completion of certain tasks, but they have absolutely nothing to do with the value of the person as a whole. Personal worth is intangible. The smartest man is often the most evil, the man with the lowest I. Q. sometimes the most wise.

There is no biological evidence that the preservation of the purity of any one race is genetically beneficial. In fact, all biological evidence indicates that the combination of genes from various groups of people results in healthier offspring. Racial purity is nothing more than massive inbreeding.

Here is our response to Mr. Hunter:

To the Editor:

This letter is in response to the editorial opinion expressed by Noel Hunter in your Nov. 9 issue. The article was entitled "Racist Fallacies" and was aimed at bad-mouthing the Church of the Creator, whose headquarters are located in the area of Otto, N. C. Since we were the thrust of said abuse and since the article embodied so many fabricated fallacies of its own, I am led to wonder whether Mr. Hunter was simply uninformed about our church or deliberately malicious. I will give him the benefit of the doubt and presume he knows little or nothing about our church, our creed, or our philosophy.

Mr. Hunter presumes erroneously that we are a White Christian based church. He infers that we are closely aligned with the Klan, and/or the Nazis. In all these presumptions he is dead wrong, and before any good reporter spouts off with high sounding pontifications he should do his homework. In the first place, the Church of the Creator shuns Jewish-concocted Christianity. Instead of such mythical nonsense, the creed and philosophy of our religion (which is called CREATIVITY) is based on (a) the Eternal Laws of Nature (b) the experience derived from the study of past history, and (c) on just plain logic and common sense. Would Mr. Hunter like to repudiate these basics?

Furthermore, our goals are highly constructive, creative and salubrious. They are basically: A Sound Mind in a Sound Body in a Sound Society in a Sound Environment. Any argument so far, Mr. Hunter?

If Mr. Hunter would like to enlighten himself on the total creed, philosophy and program he may do so by reading the three basic books of our religion. They are NATURE'S ETERNAL RELIGION, (published 1973) THE WHITE MAN'S BIBLE (published 1981) and SALUBRIOUS LIVING (published 1983).

Yes, we are racist, and yes, you're damn right, we are for the White Race and proud of it. We don't wallow in such Jewish spawned shibboleths as prejudice, bigotry, etc., all of which are aimed at the mongrelization and genocide of the great White Race. Instead we talk about Racial Loyalty

Law and Order VS. Violence, Terrorism and Self-Preservation

(From *Creative Credo No. 64, White Man's Bible*)

Eternal Laws. Since the White Race is now under the heel of a tyrannical Jewish government whose relentless objective is to exterminate and totally destroy the White Race, it is of utmost importance that we be clearly aware of history's, and Nature's eternal laws of survival, hard though they may be.

To Be or Not to Be. Since the White Race has an almost fatal predilection for law and order, even when such law and order are in total control of its enemies, there is no room for confusion on this most vital issue. And **the issue is survival or extinction**, nothing more or less. In this issue as in every other issue, we **CREATORS** go back to fundamental Laws of Nature: and Nature speaks clearly on this issue: **survival at all cost!** The end justifies the means, any means!

We Must Decide. The issue we must resolve is this: if our survival is at stake, is so-called "illegal" terrorism justified? And the answer overwhelmingly is — hell yes!

The most "civilized" way to resolve a difference is by arbitration and persuasion. But what happens when these "civilized" methods break down, or are completely ignored and rejected by a vicious enemy who is implacably bent on your destruction?

No Substitute for Victory. Throughout history governments have gone to war and then settled such differences by force. Armies marched, armies fought. One side won, the other lost. The victor dictated the terms.

This is the way Rome resolved its difference with Carthage — it utterly destroyed Carthage and wiped it from the face of the earth. Carthage was never again a threat to Roman survival and expansion. This is the way the Normans conquered England in the Battle of Hastings in 1066. This is the way America won independence from Britain in 1776-81. This is the way the struggle between the White Man and the Indians was decided in America. This is the way World Wars I and II were decided.

Need we go on? Throughout history thousands of wars have been fought, and to the victor belonged the spoils. Not only the spoils but the power.

Treachery Within. So far we have been talking basically about differences between countries — governments against governments — where it is presumed that the "legal" government of one country engages its people in wars against the government and people of another country. But what happens when a treacherous government without an open declaration of war wages a sinister and surreptitious war of extermination against a major segment of the people of that same country? What is that people to do then, since any act in its own defense would be a "violation of the law" imposed upon it by its hostile government?

Criminals are the Government. This is not a theoretical question. It is as real today as life and death itself. In the United States the Jew-controlled government is waging a secret but sinister war of destruction against the noble White Race, the race that built this country in the first place. It is very real not only in America but throughout the world wherever the White Man resides. In America, as elsewhere an alien hostile race, the tribe of Judah, is in full control, making and breaking "the laws of the land" at its whim and caprice. It is a vicious criminal government that is obsessed with the destruction of the White Race at any cost and will stop at nothing to reach its goal.

White Man Seems Unaware. There is nothing new about this situation except for the strange phenomena that the White Man pretends not to be aware of the situation, doesn't dare discuss it, and acts as if he doesn't understand it.

The fact is the White Man doesn't understand it, and in most instances joins with his enemies to help them destroy him and his own people. The strongest ally the Jews have in their arsenal for the destruction of the White Man is the confused and demented condition of the White Man's thinking. This they have brought about by a tremendous investment over the many centuries in plying the White Man with suicidal ideas and propaganda, of which Christianity undoubtedly has been the most effective.

The Ultimate Defense. There is an ultimate weapon that

such a beleaguered people can resort to against its "own" government that has been utilized for thousands of years when the situation has become desperate and intolerable. That weapon is terrorism and violence taking the law into our own hands.

There are basically two ways to direct the behavior of other people, including tyrants who would destroy you. One is persuasion and reason, and the other is terrorism. When persuasion and reason fail, the only recourse is violence, legal or illegal. As we shall see, the only difference between "legal" and "illegal" is only a matter of whose point of view — namely who is on top and who is at the bottom.

"Legal" and Christian Violence. Violence and threats of violence are universal and timeless devices used to control the behavior of other people. They are as homespun as the father who takes the rod to his children for misbehavior. Governments use them to control their citizens under the code name of "maintaining law and order." Courts condemn criminals and have them hanged, shot or electrocuted. This, too, is violence, termed "legal" by those on top. Even hypocritical (and seemingly pious) Christianity used the horrible threat of hellfire to club its victims into line, and failing such, has used physical torture, burning at the stake and other brutal means of persuading those who would not otherwise comply. (We have described this in a previous chapter.) This is terror imposed "from above."

Violence Effective Persuader. The thing about violence and terrorism as Christianity and others have realized through the ages is — it works!

Whereas the Christian-Jewish bible is replete with violence and terrorism throughout its pages, one of the earliest and most universal displays of terrorism was when the "Lord" drowned all those that displeased him en masse in the "Great Flood." He thereby solved the problem of those people who displeased him.

Violence Growing in 20th Century. But let us dispense with this mythical nonsense and get back to the reality of, say, the twentieth century. We find that terrorism that upsets the established order in society comes from below — those that do not hold traditional or "legal" power. We find that terror and violence was used in the Russian revolution by such criminals as Lenin, Trotsky and Stalin and they ended up as the "legal" government of Russia. Their successors have held power ever since, a gang of Jewish criminals

who are not only recognized by the U. S. government, but are being subsidized and toadied to by "our" Jew controlled government as well.

Recent History. Similarly, by sheer terror, murder and violence Broz Tito became dictator of Yugoslavia, with similar benevolent blessings from "our" Jew-controlled government. Terrorist Menachim Begin helped usher in the bandit state of Israel by heading up the terrorist organizations of Irgun Tzevai. His gang of criminals dynamited the King David Hotel in Jerusalem, killing 90 people, mostly British military personnel. They used murder, ambush, dynamiting and every other means of terror and violence. Their methods were highly successful and "created" the bandit state of Israel. By 1977 Begin himself was Prime Minister of that foul bandit state, making numerous cozy visits to the White House of the U. S., showered with approbation, as well as huge amounts of financial and military aid.

Criminal Rebels become Legal Rulers. Similarly, through sheer terror and violence the governments of Kenya, Algeria, Cyprus, China and dozens of other countries have established themselves as the "legal rulers." All this and more in the twentieth century. But the same process has worked for thousands of years previously in thousands of different circumstances. The obvious conclusion is: Terrorism and violence works and has been used repeatedly since the beginning of history.

From Above and From Below. Yes, terrorism is bloody, cruel and victimizes innocent people, but it is a traditional power device and has been used consistently "from above" by politicians in power, and "from below" by those who would like to be in power. The latter have succeeded surprisingly often, and even the American Revolution itself was a power play of violence "from below" against the British who used terror "from above."

This brings us to the question of the position which the White Race finds itself in today. It is imperative that we **CREATORS** take a firm stand in this most crucial moral (and pragmatic issue.)

No Price Too High. The following is the position of the **CHURCH OF THE CREATOR:** We **CREATORS** are not interested in Christian morals or any other theoretical shibboleths. We are realists and keep our eyes firmly fixed on the hard facts of reality. Our primary and uppermost aspiration is the **survival, expansion and advancement of the White**

race, no matter how hard the road, no matter what the cost. To us no cost is too high, no effort or risk too great, since we consider that the White Race itself is the ultimate and most precious value on the face of the earth.

Survival First. In order to expand and advance, **we must first survive.** Today our very survival is in dire jeopardy, in grave danger. We are being assaulted from all sides by the hatred and vicious machinations of the Jewish network, who, through their diabolical conspiracy, have fomented and enlisted the hatred of all the mud races of the world against us. What is worse, they have also enlisted many traitorous and befuddled Whites against us. Therefore, like the Jews throughout the centuries, we will tolerate no laws, no customs, no tradition, no morals, no religion, or any other obstacle that will in any way, shape, or form hinder us in our struggle for survival. This is especially so since most of our present ideas, laws and religious creed were foisted on us by our deadly enemies, the Jews, in the first place.

Remember, the time to invoke Article No. 8 might not be too distant: Prepare for it.

The Heart of Our Religion is the Survival of Our Own Kind, First and Foremost, then its expansion and advancement. Any laws or ideas to the contrary, we declare null and void. In this struggle we are presently at a tremendous disadvantage, since the Jews now occupy all the nerve centers of power — the news media, financial power, government, law enforcement, education, religion and every other meaningful weapon for the physical, legal and psychological control of the White Race.

Listing Advantages the White Race has. However, this is only temporary. The White Race has certain massive natural advantages that the Jew can never attain unless and until the White Race is completely exterminated. These natural advantages are:

(a) **The Jew is a Parasite and Needs the White Race** to exploit and produce for him. He would die out without victims to exploit.

(b) **The White Race**, on the other hand, **does not need the Jew.** In fact, the White Race is wonderfully capable of organizing itself, feeding itself and building a beautiful civilization and society without help from any outsider. Furthermore, freed from the blood-sucking Jews, the White Race would even be tremendously more successful, productive and healthy in every way.

(c) The Jews have been successful **only through deceit, trickery and conspiracy.** They have been the most successful master-sneaks in all history. **The weakness of any conspiracy is that it is extremely precarious,** for if too many victims begin to realize and understand the conspiracy, it blows up in the conspirator's face. This is the greatest fear and nightmare of the Jews — that the White Race will wake up, organize and turn against them.

(d) **The further along the conspiracy is pushed, the more apparent it becomes to the victims,** and the more receptive they become to information and leadership in order to turn on their tormentors.

(e) **The Jews need deluded White traitors** (in government propaganda, education, etc.) **to front for them.** The White Race on the other hand needs no such alien fronts, no trickery or deceit in order to wage its battle against the Jews.

(f) We have not only a **major advantage of numbers over the Jews,** but also intelligence and **fighting ability.** Aroused, united and organized the White Race would be ten times more powerful than all the Jews, niggers and mud races combined. It is the work and objective of the CHURCH OF THE CREATOR to accomplish just that — **Arouse, Unite and Organize the White Race** and wrench control of our own destiny back into our own hands.

Our Unswerving Program. Our program to overcome the tyranny and violence against us must proceed in the following order, from one emergency to the next:

1. It is not our objective to declare a war of violence against the Jews, niggers and other mud races. We will assert ourselves non-violently but **be adamant in our pursuit to freely practice our religion as guaranteed by the First Amendment to the Constitution.** We will demand, as everyone else, the right to peacefully assemble, as guaranteed by the Constitution, and the right to organize.

2. As we organize our churches, **we will distribute**

NATURE'S ETERNAL RELIGION and this, our WHITE MAN'S BIBLE, until we have placed a copy in the hands of a majority of our White Racial Comrades. We will make sure every White Man, woman and child understands the Jewish conspiracy that is now upon us.

3. As the White Race becomes **united, informed and aroused we will boycott every Jew and every aspect of Jewish influence** in our society. This includes boycotting the Jews in business, in their professions, in their political activities, in education, in religion, in the news media, theatre, etc. Not only will we boycott them, but **we will expose them, point them out** and wage propaganda warfare against them, just as they are presently doing against the White Race. This we can do legally and very effectively once we get our religious structure organized.

4. We thereby intend to **drive them from our society in all phases of influence and power,** just as Hitler did in Germany. We will **let them peacefully "wither on the vine"** or let them peacefully migrate to Israel where the Arabs can contend with them. In no case will we any longer subsidize them, do business with them, or allow our White Racial Comrades to be used as victims to promote the welfare of these parasites on our backs.

5. Once we have driven them from political office, **we will follow this up with legal measures to forever exclude the Jews from positions of power or influence in government, education, propaganda, arts and theatre** or any other meaningful influence in our society, as did Hitler in Germany, and as did the Byzantine Empire over a thousand years earlier, and as the bandit state of Israel has done to all peoples who are not of Jewish birth.

6. In the meantime, while we are still in the process of regaining control of our own destiny, in no case will we ever surrender any of our guns or weapons, under any pretext, ruse or semblance of law whatsoever. Never, never, never, not even one gun. The Second Amendment gives us the constitutional right to keep our guns, and we damn well mean to exercise that right at all costs.

7. **So far everything is legal.** We have demanded nothing more than our Constitutional rights, the same as every other citizen. We hope we will need go no further.

Now we come to the crux of our position: **Should the Jewish government use force to violate our Constitutional rights** to freely practice our religion; to peacefully assemble; to peacefully organize; to distribute our White Man's Bible; to use the mails and any other prerogative in promoting and expanding our legal religious organization and the full practice of our religion, **then we have every right to declare them as open criminals violating the Constitution and the highest law of the land. They then obviously are the criminals, and we can then treat them like the criminal dogs they are and take the law into our own hands.** This is the obvious, logical thing to do. We must then meet force with force and open warfare exists. It will then be open season on all Jews.

We now come to

ARTICLE 8.

8. Should the Jews use assassination against our members, or our leaders, then the White Race must meet fire with fire, and **retribution and vengeance will be our answer.** For every one of ours they kill we will exact ten times their number, starting with the rabbis. When law and persuasion no longer protect our rights to survival then we must — as all free, courageous, intelligent people have done through the ages — turn on our tormentors with a furious vengeance and destroy them down to the last man.

ty, which is the name of our publication, and **view with disdain and contempt that lowest form of all human cretins — the race traitor.** If you are White, Mr. Hunter, which category do you fit into?

Furthermore, let me ask you one last question. If it is so great for the blacks to be loyal to their race, to promote and espouse Black Pride, for the Jews to be fiercely racist and vociferously scream to high heaven about their loyalty to the bandit state of Israel, why should the great White Race, which has built practically every civilization in history not have the same rights, privileges and prerogatives in the United States of America?

I am breathlessly awaiting your informed and dignified answer. For A Whiter And Brighter World,
Creatively yours,

when the Jews exercised their racial hate orgy, or the 50 million White people that were killed in W. W. II, or the more than a million White people that were killed in the Civil War, not to mention the overwhelming devastation of property. Or the 57,661 Americans who were killed outright in the recent Vietnam War, a senseless Jew-instigated war that was perpetrated on the gullible American public for no other reason than to kill, maim and promote drug-addiction on the cream of American manhood in their finest young years.

The list is endless, but my point is this: NO ONE IS SAFE, whether fighting Jews or whether they try placating the Jews, or whether they are trying to play it safe as an innocent, uninvolved spectator. Like it or not YOU ARE INVOLVED, you are boxed in. If White, you are target designated for destruction, and trying to play it safe will not make one tittle of difference. Ask the parents of the 57,661 young Americans that are now dead and buried if any of these slaughtered victims ever so much as raised a finger against the Jews, or even had the slightest inkling as to what the hell it was all about. The answer is zero, zero, zero. But the Jews managed to get to them, and in a treacherous round about way managed to get them killed anyway, did they not? And they will get to you, whoever you are, wherever you are, if you are White. You don't have to be militant or hostile towards the Yids, or even knowledgeable. Look at what happened to my pacifist Mennonite ancestors in Russia — dispersed, dead, rooted out, and every last beautiful farm, village and community wiped out.

So wake up, my dear White Racial Comrade! As individuals, we all have to die sometime anyway, but our RACE lives on. The best defense against the Jews hastening our untimely demise is to inform and arouse the SLEEPING GIANT, OUR OWN GREAT WHITE RACE. It is our beholden duty to unify and to organize our people into a massive fired-up RELIGIOUS WAR based on race. (The Arabs have a word for it. It is called Jihad). Therein lies our best defense and our only salvation. Some of us will be killed in the process no doubt, but believe me, it is much, much better to die fighting (How can a man die better than facing fearful odds — (See Horatius at the Bridge, P. 485, NER) the enemy and taking a hundred or so of them

with you than to die a snivelling coward on your knees, alone and in miserable anonymity. In any case, you are safer fighting than snivelling.

I repeat, the best way to die is a heroic death, or a martyr's death, in the cause of your race. Whereas we all die anyway, if we organize and fight our glorious future progeny will have a chance to live in a beautiful, Whiter and Brighter World.

7. We now come to that group that is more sophisticated, more intellectual and more intelligent, but whose intelligence does not quite extend to the point where they know how to help save the White Race and subsequently don't realize that if the White Race goes down the drain, they and their progeny (present & future) will go down with it. Many of these are the heads of one of the fragmentary 20,000 or so "right-wing" movements, albeit some are no more than an organization comprising of one member — themselves.

Although there are undoubtedly many phonies in this group, many of them Jews parading as White racists, or parading as White Christians, these are probably the exception. Although it is hard to tell the players without cards attached, I presume most of them are White, sincere, but somehow have some hang-up or quirks they inherited from being slopped with too much Jewish propaganda most of their life and have not quite gotten their pieces put together.

This group effectively throws more roadblocks in the path of our movement than any other, for two reasons (a) there are more of them, and (b) their argument is fairly persuasive to the average uninformed yokel.

Their argument goes something like this: We need a large variety of polyglot organizations to do the job (whatever that "job" is, this polyglot group does not seem to be able to agree on). If we had one major organization, they argue, and if the Jews (or the U. S. government, or the IRS quashed it, we would be through, whereas if we have thousands of little polyglot groups "they" can never get to us all, and we can keep on going. Therefore, the more polyglots the merrier and let us never make the mistake of uniting. When the "showdown" comes, they further argue, we will all unite and we will beat the hell out of "them".

Well, this all sounds good, but experience teaches us that this kind of approach is a fatal mistake. We have been pursuing this line of thinking for the last 60 years and

it has gotten us exactly nowhere. We have had at least 20,000 polyglot "organizations" that have come and gone since W. W. II and none of them have so much as made a dent. (Read again: A Polyglot Mind & a Polyglot Society Who Needs Them?" in RACIAL LOYALTY No. 10).

We neither want to impress you nor entertain you. We want to inspire you to become a militant activist.

Let us learn from history and let us learn from experience. The best historic era we can possibly draw from is the German phenomenon between W.W. I and W. W. II.

As we all know, there was great distress in Germany after W.W. I. The Jews had beaten down one of the finest, most progressive and productive people in the heart of Europe. The Jews were having a field day ravaging the nation and heaping humiliation on top of misery, hunger and chaos. Desperation and confusion was rampant in the land, and the Jews, who created it all, made the most of it. However, they overplayed their hand (as they are doing in the U. S. today) and the resilient German people started to organize a counterforce.

Hundred, then thousands, of small organizations of all shades and stripes sprang up, with the alleged purpose of solving the problem. There too, many were Jew-instigated to divert, mislead and further confuse the German people. Many of them were sincere, but led by people who neither understood the problem, nor knew of a solution even if they had understood the problem.

As those of us know that have studied the Nazi movement, in 1919 Hitler joined a small, insignificant group called the German Worker's Party and became member No. 7. By sheer genius, drive and leadership ability he was soon in charge and started building the party into a formidable political force. He also changed its name to the National Socialist German Worker's Party.

He was opposed by just about every meaningful power group in the Reich. Not only was it deemed unpopular to be a Nazi, but it was also dangerous. A number of them were beaten, brutalized and/or kill-

ed. The opposition the Nazi party encountered came not only from the Jewish power structure, but also from the churches, the "German" government, the Masonic Lodges and various other indigenous groups, all of which was bad enough. But he was also fiercely opposed by rival racist German groups, who fought him and road-blocked him as effectively as did the Jewish establishment.

Throughout it all Hitler did not compromise his goals nor his principles. He never "merged" with any other group and warned in MEIN KAMPF that to do so weakens and destroys both parties to the merger.

Instead, he kept building the party, and by demonstrating the superiority of his movement, converted members of other groups to his movement, including thousands, yes, millions of former adherents of the Communist party.

But the individual leaders of the rival parties kept opposing him as long as they could, all the while professing the same goals. For example, even after Jan. 30, 1933, when Hitler was already Chancellor, Alfred Hugenberg did all he could to maintain his group, the Nationalist Front, and acted as a destructive roadblock until his group was dissolved by the more powerful Nazi party. **Such are the eternal human foibles of maintaining their egotistical hubris.**

Even after Hitler was supreme ruler of Germany, there were a number of dissidents in the ranks of the S. A. (Sturm Abteilung) who now, that they were on top, wanted to dump the Leader who had built it all and take charge. Again **hubris** coming to the surface. Egotists like Ernst Roehm thought they knew better than the Fueher as to what to do with that "success" now that they had it, and arrogantly wanted to run the show in their own direction. As we know, in July of 1934 there was a "purge" of the party and Roehm, and approximately 70 others, were executed. As Hitler said "the iron laws of history are eternal and unbending". Had he not done what he did, there would again have been division, dissension and chaos in the land, and the Jews, being masters of the "Divide and Conquer" technique, would soon have been back in the saddle.

I cite this as a most exemplary era in the White Man's fight in driving the Jews from power because we have a number of cogent lessons to learn from that experience which apply very directly to the dilemma we find ourselves in in the United States of America today. We have the same odious problem as did the Germans in the 1920's, namely,

(Continued on Page 9)

POLE STAR*(Continued from Page 8)*

how to get the parasitic Jew off our back, and for the White Man again to take charge of his own destiny. Believe me, it is no child's game, and the iron laws of history are grim indeed if we fail.

The lessons we can (and must) learn are these:

(a) A powerful movement must be built around an ideology, a faith, a creed, a belief. Nothing fits this description better than a religion.

(b) If such a religion is built on the foundation of race, it is all the more powerful and meaningful, as the Jews have proven over the thousands of years of their existence.

(c) A "democratic", polyglot society is unstable, weak and chaotic, and a perfect tool for the deceitful Jews with which to manipulate a numerically superior, (potentially) more powerful enemy, such as the White Race. In a polyglot society the Jew can expertly exercise his deceitful genius — the Divide and Conquer technique, at which he has no peers.

(d) The White Race is now nearing the end of its existence as a species on this planet. Whether it likes it or not, it has some urgent and hard decisions to make, and time is rapidly running out. If it does not change course, if it does not abandon the haphazard, polyglot, no-win approach that it has carelessly pursued in the past, it will soon be finished and there will be no second chance.

In order to survive, the White Race must choose the one creed, program and ideology under which to marshal its awesome powers. Playing mawkish, childish games, and being fragmented into thousands of babbling debating societies will no longer suffice. We must polarize around one movement, and soon make up our minds which is the best, the most powerful, complete and comprehensive creed and program to pursue.

(e) We must then close ranks and do the job that has to be done as quickly, and as thoroughly as possible, no matter what it takes, no matter what the sacrifice. As I have said a hundred times before, the survival of Nature's Finest is so important that **the end justifies the means, any means**. Only a fool or a traitor could deem otherwise.

We now come to the key issue, the 64 thousand dollar question. Which creed or program should the White Race choose, and having made its choice, close ranks behind it?

Alright, I will not be devious, or try to be coy. We don't have an

unlimited shopping list to choose from, and the answer narrows down to Creativity, the only meaningful racial religion that has evolved from the ranks of the White Race in the last 6000 years of civilization. It is complete, it is comprehensive, it is consistent, it is cohesive. It is designed to cope with a crumbling world situation as it exists today in the last quarter of the Twentieth Century, a time when the White Race is rapidly nearing its death gasp. It may not be perfect, but like the old maid that wasted the best years of her life looking for the perfect mate, the White Race had better get its act together now.

If in 6000 years no other meaningful White racial religion has appeared, it is not likely that in the next decade such will appear out of Aladdin's Lamp, nor that it will be able to match the dynamic and comprehensive creed inherent in Creativity. So let's not waste our time all the way to the Convalescent Home (or the slaughter-house) eternally searching for perfection. In Creativity we have the Total Program, the Final Solution, the Ultimate Creed. Not perfect, but the best that has come along in 6000 years. So let's get with it, let's get going and promote the hell out of it and WIN.

The time has come to get down to serious business and wage meaningful warfare. The time has come to fix on a definite Pole Star and chart a specific course of action. We have got to freeze the dies and get into production.

The time is long gone when each individual White Man can indulge in his own little game, playing with his pet spooks and massaging his own hubris by indulging in silly day dreams. We have to unite, build an army under a unified command and fight like men. We have to have a clear dynamic and powerful plan of battle, and in Creativity we have it all.

The Church of The Creator is going to pursue this course of uniting all the White peoples of the world into one powerful army come hell or high water. We are going to pursue the same course as Hitler did — to build one massive movement, now, as quickly as possible. This might disturb some people, but that is unfortunate and cannot be helped. From here on out we are no longer interested in quibbling about the finer points of creed or philosophy or pontificating endlessly and explaining for the hundredth time that we don't care how it all started fifty billion years ago. We are now interested in only one thing — building and promoting the movement into one massive army, crushing the Jewish menace and wresting control of our own destiny

CAMPUS*(Continued from Page 5)*

Even more ridiculous than the claims of genetic superiority are claims of divine favoritism. **The Church of The Creator** may be surprised to know that Jesus was not White, never spoke English, and never attended a Protestant Church service. I think it is safe to say that God had been extremely fair in his distribution of prophets and messiahs, spreading them from China to India to Italy to America to remote and extremely non-caucasian islands of the Pacific. The Bible rarely mentions the virtues of a fair skin or barbaric speech, and never, in fact, states that the White Race is in any significant way different from any other race.

AWAKENING*(Continued from Page 11)*

The more I dug into this, the more all the mosaic pieces began to fit together. I began to get a multitude of answers to questions that had eluded me throughout my life. Studying Nature's laws, studying religions and studying past history and adding this to the experiences of my own lifetime, I found that I had finally made a breakthrough. My search had been rewarded by a multitude of answers — including the big one — namely, what is our purpose in life.

The more I studied the Jewish plague, Christianity, religion, and the laws of Nature, the more compellingly the solution thrust itself upon me. I suddenly realized that I had achieved a devastating breakthrough that was sweeping in its implications, compelling in its simplicity, and so overwhelmingly obvious that I wondered why I hadn't seen the picture a long time ago.

It became abundantly clear to me that what the White Race needed was a completely new approach to the whole problem of extricating itself from the sinister Jewish conspiracy. And in order to get this new approach it seemed overwhelmingly clear that the White Race really needed a new religion, a new philosophy of life and a new Weltanschauung. It also occurred to me that my whole life experience

back into the hands of the White Race while we still have time.

We are determined to build a Whiter and Brighter World, or die in the attempt. JOIN WITH US.

Racists ignore many more obscure flaws in their arguments. **There is, for example no such thing as the "White Race." People with white skin come from all over the world, speaking many widely varying languages and achieving vastly different scores on American I. Q. tests. Not only is there no such thing as a "White Race," there is actually no such thing as a "Jewish race." Jewishness is not, I'm afraid, a genetic trait, but is, according to most research, a religious preference.**

Because modern racists have chosen violent tactics to express their political views, we must ignore the ridiculousness of their

had taught me and prepared me to do this fundamental job, namely, of formulating the new religion that was so necessary to the survival of the White Race. It also became overwhelmingly clear to me that to found a new party based on race while trying to co-exist with Jewish Christianity was impossible. Every weapon that we needed in such a struggle was already undermined and neutralized by the basic concepts of Christianity itself.

I began to discuss my ideas with friends. In short order, it seemed that they, too, could see the picture when it was laid out to them. Even some former "born again" Christians, to my surprise, did a complete turn about, and became exceedingly hostile to the Christian religion with which they had been duped and were won over wholeheartedly to the doctrine of loyalty to their race.

I argued and debated with Christian preachers. To my further surprise, I found them completely at a loss to explain the numerous basic questions I threw at them, and usually they became hopelessly trapped in their own set of lies.

I corresponded with former K kosher Conservative friends of mine and they, too, either conceded my position on Jews and Christianity, or were hopelessly driven to the wall.

It was then I decided to compile my creed into a book. I decided to formulate a new religion for the White Race that would lead it out of the quagmire of Jewish entrapment, out of despair and degradation, and into the bright light of greatness, to the heights of the wonderful destiny that Nature herself, in her great wisdom, had destined for this magnificent race.

THE THREE BASIC BOOKS OF CREATIVITY

NATURE'S ETERNAL RELIGION

508 Pages, 49 Chapters

by Ben Klassen, P. M.
Published in 1973

This book for the first time in history sets forth the fundamentals of a basic RACIAL RELIGION for the Survival, Expansion and Advancement of the White Race. It is based on the External Laws of Nature, the Experience of History, Logic and Common Sense.

It exposes the whole panorama of the dastardly worldwide Jewish conspiracy, aimed at the genocide and extermination of the White Race. It lists the five Jewish books that have had devastating influence on the thinking and course of the White Man's history.

Best of all, it not only sounds the alarm, but blueprints a specific plan and program of how to extricate the White Race from its present predicament. It presents a EUGENICS program for the future of the White Race to uplift it to the glorious heights of the Superman and beyond.

A Friendly Word from Your Editor

In publishing this paper we have a multitude of purposes in mind, but there are two that predominate:

1. To inform and encourage our existing members and supporters to build the White Racial movement known as CREATIVITY, and,

2. To act as an effective flyer for mass distribution to our White Racial Comrades who have never heard of us before.

Of these two, we are placing major emphasis on the second objective. This paper is designed basically for the purpose of alerting and recruiting new members to our Cause. Whereas, not every White Racial Comrade may at present be receptive to our Cause, nevertheless there are millions out there who are receptive, who are fervently looking for a solution for which we have the answer - the real answer. There are millions out there who have never heard of CREATIVITY or of The WHITE MAN'S BIBLE or any of our other publications. It is our beholden duty to reach those millions and the best way to do so is to distribute copies of RACIAL LOYALTY. It is one of the most constructive actions you can take.

Order 100 copies of either this issue, or any combination of issues. Distribute them to your friends, your relatives or anyone who is inclined to be receptive. Distribute them to places such as, laundromats, airports, colleges, shopping centers etc. You'll be doing yourself and your White Racial Comrades the biggest favor of a lifetime.

Do it now! Order 100 copies for \$15.00 or 50 copies for only \$8.50.

Remember, the future of the White Race now hangs by a thread. If you do not take action, who will? A mere 10 million White Man's Bibles in the hands of our White Racial Comrades would see us well on the road to victory, which is an extremely small price to pay in comparison to the billions of dollars the Jews loot from us each year. We have to get these first 10 million Bibles out, and the paper which you now hold in your hand is the most effective vehicle with which to do the job. **We can do it. Your sacrifice and dedication are the keys to victory. Become a mini-distribution center for our material, including RACIAL LOYALTY.**

arguments and treat them as viable political opponents. Some liberals cry "intolerance" at any attempt to squelch fascist political activity. The A.C.L.U. has even defended Nazi's rights to demonstrate in Jewish neighborhoods.

While I agree that we should be tolerant of people, I believe we must be more careful with ideas. While we cannot deny White supremacists' rights to public expression, we must severely limit its scope. The Nazi parade in a Jewish neighborhood was a direct violation of the neighborhood residents' peace of mind. Furthermore, if the events of the Klan-Communist shootout in Greensboro are considered, such demonstrations are a violation of the public's safety. The expression of racist views is by nature a violation of the rights of those being oppressed. At present, minorities' rights in this respect are not being protected. We must try to find a balance between tolerance for the expression of racist views and protection of people in the minority.

going to go to hell. I told him the whole thing seemed absurd to me. He was one of these liberal preachers also in his middle thirties at the time.

What he told me came as a surprise to me. He said he had no way of answering that question, and if that was my belief, I should stick with it. He confessed that he was pretty unsure about the whole thing himself. Not much to my surprise, a few years later he left the ministerial profession and began to earn an honest living.

In the early 1960's, then living in Florida, I became more and more concerned about the shameful way in which this country was being destroyed by the Jewish-Communist conspiracy. When I was twenty years old I had already read Adolf Hitler's "Mein Kampf." I was well aware of the Jewish role in the communist conspiracy, but like most Americans, I was occupied with taking care of my business activities and taking little or no part in the political affairs of the country, abdicating those to the scoundrels and the traitors. Nor did I know any activity or organization that I could turn to in order to do something, despite the fact that now I was becoming most desperately concerned.

It was at about this time that I first heard of the John Birch Society. I understood that they were "fighting communism." After spending five dollars sending for an introductory packet and reading their literature, I decided to join.

For six years I labored assiduously and energetically within the confines of the John Birch Society before it began to dawn on me what the real nature of the Society was. In any case, I recruited dozens of members; for several years I headed up a speaker's bureau sponsored by the Birch Society; I even opened an American Opinion Bookstore which sold, distributed and promoted books sponsored by the Society. In order that I could devote more time to this activity I even closed up my real estate business. In 1966 I was impatient with the Society's program of "education is our only weapon" and I ran for the State Legislature.

It was at this time that I began to notice that something was curiously wrong with the Birch Society. Instead of whole-heartedly supporting somebody who openly came out as a Birch member and ran for public office, I noticed instead their support was going to some phoney that wasn't even a member and whose program would

lead them down a dead end street. I furthermore noticed that the Birch members were the most pessimistic of all my supporters in prognosticating my chances of being elected. When I did get elected, they were the first to throw cold water on the event by coming up with such lame rationalizations as, well anybody could have done it in this election year, and it was probably a fluke, etc.

When I got to the Florida State Legislature and began to propose some radical opposition to the Jewish controlled Supreme Court and other matters, the Republican Party, on whose platform I had run, turned solidly against me and in the ensuing fight that developed I received next to no support from the Birch Society itself. It was at this time that the Supreme Court ordered a reapportionment election. In the next go-around I was defeated. My multitude of labors and strenuous efforts had accomplished little, both in the political activity and in the framework of the Birch Society. I came out of it, however, poorer in the pocketbook, but richer in experience. I had learned two things:

(a) that it is impossible to accomplish anything within the framework of the old political parties, and (b) that the John Birch Society was a phoney.

However, I continued to stay in the Birch Society for some time thereafter, with the feeling that perhaps I was at least doing some good. The more I looked into it though the more it began to dawn on me that the whole Society was a smoke screen for the Jews. It began to become clear to me that their whole effort was designed to scatter the efforts of their members on a myriad of ineffective projects, keep them busy, keep them paying, but never, never let them so much as get to the root-cause of it all — the perfidious international Jewish network.

In 1969, after six years, I sent in my resignation to Robert Welch, the founder of the Birch Society, and demanded back my \$1000.00 life membership that I had so foolishly given them a few years earlier. Of course, the chances of this Jewish outfit refunding my thousand dollars were next to nil. Instead I got a many paged letter from Welch giving me a lot of double talk and what a big mistake I was making in accusing the poor little innocent Jew of being behind this whole big communist conspiracy.

This was a rather important turning point in my life. Whereas I had been somewhat aware of the whole Jewish conspiracy for most of my life, I had been diverted by

the Birch Society and had pushed those ideas into the background. Now I began to realize that the Birch Society itself was just another Jewish program to confuse the White people regarding both the cause of the conspiracy, and the cure thereof. I realized that the Society was something like a research group pretending to find the cause of yellow fever. Every time the researchers came to the inevitable conclusion that it was carried by the mosquito, the Top Brass would protect the mosquito, throw out the researchers, and start out all over again with a new team.

Now I began to realize that the whole basis of this age old struggle was race. It was the Jewish race using all the weapons at its command, and it did have a huge arsenal, to destroy, mongrelize and enslave the mongrelized product of the White Race.

If the White Race is ever to revert back to sanity, Christianity will HAVE TO GO. To again regain its sanity, it will first have to dump Christianity.

At this time I had not yet suspected that their most powerful weapon of all was their skillful use of Christianity on the White Race.

I decided to form a new political party polarized around the issue of the White Race. This I did, and formed the Nationalist White Party.

I had the immediate hostility of the Birch Society, which did not at all surprise me. What did surprise me was when I found that the strongest opposition now came not from the Jews (as I had expected) but from the Christians. Every time we would discuss the issue of race, somehow or other Christianity and Christian principles would crop up so that in the end we wound up in a hassle about religion rather than trying to get down to the basic issue of the struggle against the Jews. This despite the fact that I had taken a pro-Christian stand. Continually I was told that the Jews were God's chosen people; that the niggers, too, were God's creatures; that racial discrimination was un-Christian, that "our Savior" was Jew, the bible said "I will curse them that curse thee, and bless

them that bless thee," etc., etc.

This was a surprising new development. Whereas up to this time, I had regarded Christianity as something rather innocuous, and perhaps a time-consuming nuisance, it now suddenly hit me like a bolt out of the blue that Christianity was one of the most powerful weapons that the Jews had in their arsenal.

Now I began to study the bible all over again and particularly focused on the Sermon on the Mount. To my surprise I found that it contained nothing but real bad, suicidal advice. Whereas before, I had heard and read all the bits and pieces of it, it had never occurred to me to examine what this kind of advice would do to a nation and to a race. Now I began to realize that such suicidal advice as "turn the other cheek", "love your enemies", "sell all that thou hast and give it to the poor", "judge not lest ye be judged", and "resist not evil", was real suicidal advice.

I now dug deeper into it and I found that so-called Apostles, as well as the man purported to be Christ himself, were all of Jewish origin. Strangely, though, they had never sold their suicidal ideas to the Jews — on the contrary, they had sold it to the greatest civilization of ancient times, namely the Romans.

Then a lot of other things began to fall into place. Looking at Roman history it became clear to me that whereas Rome had established a great civilization, had conquered the world, was completely supreme, that when Christianity hit it like a plague, it began to crumble and fall apart. And after studying the underlying suicidal ideas that Christianity had perpetrated upon the Romans, I could easily understand why the Romans no longer cared to defend their Empire, nor to meet their responsibilities. It became clear to me why the whole great White Empire disintegrated under the influence of this new Jewish poison.

I now felt like an excited detective who unexpectedly had stumbled on the greatest mystery, the most sinister conspiracy in the history of mankind. I began to look more and more towards the eternal laws of Nature for the solution. I began to study the Old and New Testament with feverish and renewed interest. I studied the history of the races — the great White Race, the Jews, the niggers. I traced the rise and decline of civilizations. Like a detective, I began to feel that all the pieces, at last, were beginning to fall into place.

My Own Spiritual Awakening

(From Nature's Eternal Religion)

A brief resume of the experiences and background of the Founder of Creativity up to the time of writing NATURE'S ETERNAL RELIGION.

My parents were members of the Mennonite religion, a Protestant sect originating in Holland during the Middle 1500's. This faith was founded by a man named Menno Siemens, who, like Martin Luther, broke away from the abuses of the Catholic religion of that time, and was originally a Catholic priest.

The Mennonites were severely persecuted by the ever-loving and broad-minded Christians of the times, both the Catholics and the Lutheran Protestants. As a result, a large number of them were dispersed to several of the neighboring countries, some settling for a while and then being driven further again. My ancestors originally came from Holland, then moved to Prussia, where they settled for several generations. Due to hostility from the government, a large group of these moved into the unsettled area of the Ukraine, Russia. The year was 1804. There, like many pioneers that settled the West, my ancestors pioneered the wild steppes of Russia. Within a generation or two they were doing well and were becoming rather prosperous in comparison to the Russian peasants. By the beginning of World War I this particular small colony had grown to 58 small towns comprising of about thirty thousand souls.

They were a hard working and frugal type of people, intensely religious. They took good care of their own. By the beginning of World War I they had become an extremely prosperous island in a rather backward sea of peasants in that part of Russia. Their farms, their standard of living, their general well-being, and their educational level, was far above that of the Russians themselves. The Mennonites kept their native German language, they ran their own schools, and neither fraternized, socialized, nor intermarried with the Russians. In fact, they would no more think of marrying a Russian than the White Man in American would think of marrying a nigger.

Their prosperous and peaceful

existence was shattered with the Russian revolution when a hellish reign of terror burst loose upon them. They hardly knew what hit them. Suddenly they were overrun by the revolution, were pulverized, robbed and looted. Many of them were murdered. Like millions of other Russians, many of my people starved to death in Stalin's brutal program of forced famine. One of my own earliest recollections of this time is hunger and starvation.

"All the world suffers from the usury of the Jews, their monopolies and deceit. They have brought many unfortunate people into a state of poverty, especially farmers, working-class people, and the very poor."

— POPE CLEMENT VIII, 1592

By 1924 the situation stabilized somewhat and my father decided to take advantage of the situation to migrate.

We moved to Mexico. I think things were a little too wild for my mother there and just too uncivilized. In any case, by the end of 1925 we moved to Herschel, Saskatchewan, Canada, where some of my dad's relatives had preceded us by a year.

I started going to public school that winter. I was eight years old. We were pretty destitute and my clothing situation was less than adequate. As I remember it, I nearly froze to death that first winter. On top of that I couldn't speak a word of English. Things were rather rough.

Nevertheless, by the time I was twelve I had learned to speak English fluently and I had finished the first eight grades.

Mennonites as a whole are quite religious. I personally was brought up in a fairly religious home and received a rather thorough grounding of bible studies at Sunday school. The Mennonites had no sooner settled at Herschel,

when one of their first acts was to build a community church. We went to it regularly.

My mother's religious influence upon me was strong and I was somewhat troubled by the ideas of heaven and hell, but not overly so. In my thirteenth year I had the opportunity to go to a German English Academy away from home, where I took the tenth grade. Besides taking all the full regular tenth grade curricula we were loaded down with extra German language subjects and religious instruction.

It was at this time that my religious thinking began to crystalize somewhat.

One of the things that I particularly remember from this period is a nineteen year old fellow student who was taking the eleventh grade. He told me that he had been quite a rousing reprobate and sinner in his teenage years, but now he had gotten religion. He told me that he was now converted, and not only that, but he was born again, and gee, wasn't it all wonderful. As these newly converted sinners always do, he did his utmost to try and have me converted also. I strongly resisted the effort.

The thing that he was particularly stressing was how wonderful it was; what great peace of mind he now had since he was born again in Christ, etc. Since he lived just a door or two down the hall in the same dormitory as I did, I had plenty of opportunity, of course, to observe his activities during the entire year.

It soon began to appear to me that he did not have nearly as much peace of mind as he professed to have. In fact, it seemed like he had a lot more worries on his mind than did the rest of us. I observed that throughout almost the entire day his conscience was being racked by the question of sin.

I remember particularly one cold blustery Canadian winter night, at about one o'clock in the morning, his conscience began to get the best of him. The story came out that during the day he had told some friend, to whose house he had been invited, that he brushed his teeth up and down. As he lay in bed, his conscience began to nag him. He had lied to them. He really brushed his teeth crosswise.

So heavy did this weigh on his conscience that he got up in the middle of the night, jammed open the icy double storm-windows, crawled out, and walked two miles to his friend's home in the middle of the night. There he rapped on the door, and awakening them out of their sound sleep, confessed to them that he had told them this

dreadful, shameful lie.

This episode, among many others, did not at all convince me that these so-called born again Christians went around with more peace of mind than did any of the rest of us. On the contrary, it convinced me that they were guilt-ridden and conscience-stricken over trifles. I observed further that they were encumbered with a series of mental blocks in their normal thinking that severely interfered with their solving the problems of the day.

From there on out my interest in religion became less and less personal and more and more academic. When I was seventeen I first entered the University of Saskatchewan. One of the subjects that I studied that first year was Ancient History, covering most of the older civilizations. It was during this period that it became clear to me that there were a vast number of religions other than Christianity on the face of this earth. I realized that many had come and gone, and thousands of varieties of religion were still floating around today.

I began to put Christianity in a different perspective. It seemed to me that Christianity was just another man-made religion, albeit one of the major religions.

I began to look at the concepts of Christianity from a more analytical point of view, i.e., just what did it say, just what were some of its ideas and what evidence was there to substantiate these claims. Nevertheless, for me religion remained for decades an unresolved puzzle. For a long time thereafter I pursued the normal course of getting an education, getting married, and establishing myself in a business. Religion as such was of minor importance and I seldom ever went to church. I never did join the Mennonite church.

When I was in my middle thirties I was somehow influenced to join a Presbyterian church and began to attend somewhat more regularly, although with very little enthusiasm. The fact was I was immensely bored in church and could hardly wait to get out after hearing the same nonsensical platitudes repeated over and over again, ad nauseum.

One day I discussed with my minister some of my ideas about religion and some of the questions I had in my mind. I told him that the whole thing didn't make much sense to me. In the first place if God was such a loving God, why is it that he would create all these millions of people who according to the rules and regulations laid down in the bible, by and large, were all

It seemed a funny place for the savior of the white race, a Naughahyde booth in a Lighthouse Point hash house.

Yet there he was, Ben Klassen, former Florida state representative, author of *The White Man's Bible* and maximum enchilada of the Church of the Creator.

He wore a checked polyester sports coat, ate his lunch and talked quietly about his program to destroy the blacks and the Jews.

As a semiretired real estate salesman pattering around his cushy Broward canalside home, Klassen is mild, bland and benign — a smallish, quiet man who looks a bit like Walt Disney.

But as the self-appointed "pontifex maximus" of his church, the 63-year-old Klassen is a modern Adolf Hitler, "that greatest of all white leaders."

Here is a sampling of Klassen's beliefs, taken from the bible he published in 1981:

- "Today's Black Plague is spelled niggers. . . . We regard them as subhuman or humanoid."

- "The most deadly threat the White Race faces is the tremendous expansion of the mud races led by the archenemy — the treacherous Jew."

- "We must ship the niggers back to Africa."

- "We . . . declare everlasting war on

the Jews, a war to the finish, until we have expelled them from all the lands inhabited by the white race."

- "To hell with the niggers, to hell with the Jews."

But, Klassen said, don't get the wrong idea.

"Actually, as far as I'm concerned, I'm not at war with anybody," he said, taking another sip of coffee. "I'm more a philosopher at work at promoting what I think is a logical and intelligent policy."

It is unclear how strong or well-organized Klassen's church is. Klassen is vague, saying only that members number in "the middle three figures."

He won't say how many ministers he

Ben Klassen: He founded the Church of the Creator.

has ordained, and he refuses to disclose where — or whether — church members meet.

Money is something else he won't talk much about, except to say, "This is not a profit-making racket."

Although the church is advertised through California neo-Nazis, and Klassen recruits distributors for his material, he

keeps a low profile in South Florida. Few political, religious or ethnic leaders in the community say they know of him.

His activities, however, have come to the attention of the Anti-Defamation League of the B'nai B'rith.

"In our judgment, those activities have clearly been the work of a racist and anti-semitic propagandist whose materials have been circulated throughout the country," said Arthur Teitelbaum, the Anti-Defamation League's southern area director.

Klassen's beliefs began in a Russian childhood, progressed through the embrace and ultimate rejection of the John Birch Society and George Wallace and coalesced during the late 1960s with his conclusion that the Sermon on the Mount, with all that blessed-are-the-meek stuff, was the work of a wimp.

Klassen concluded that the Sermon on the Mount, with all that blessed-are-the-meek stuff, was the work of a wimp . . . 'That's the Christianity that . . . has disarmed us and left us naked.'

Miami Herald Article (Continued from Previous Page)

"Immediately, I put my finger on it, and said, 'There it is!'" Klassen recalled. "That's the Christianity that . . . has disarmed us and left us naked and defenseless before our enemies."

So Klassen formed the Church of the Creator, incorporated in Florida as a non-profit religious organization in 1973.

Its dogma is social Darwinism taken to the furthest extreme, calling for the white race to reject nationalism and Christianity and unite in a desperate struggle for survival against the Jews and the "mud races."

Its creed calls for violence: "You have no alibi, no other way out, white man!" writes Klassen. "It's either fight or die!"

And its worldwide headquarters is in Lighthouse Point, Broward County, U.S.A.

Klassen was born in the Ukraine, the son of a farmer, as World War I was ending. His devout Mennonite parents sheltered him during the Russian Civil War with soldiers "fighting in my backyard."

Left Presbyterian Church

In 1924, they emigrated to Mexico. Less than two years later, the family moved to a farm in Saskatchewan.

Klassen became an elementary school-teacher in Canada, and then an electrical engineer in California. "I invented the world's first push-button electric can opener," he said.

Along the way, he joined and then left the Presbyterian Church. "I found it was hypocritical," he said. "It wasn't based on any logic or facts."

Looking for a place to pursue his boating hobby, Klassen came to Lighthouse Point with his wife in 1958 and began to sell real estate. He also began to see, he writes, "the shameful way in which this country was being destroyed by the Jewish-communist conspiracy."

So he joined the John Birch Society, plunking down \$1,000 for a lifetime membership and opening an American Opinion Bookstore to distribute society literature.

In 1966, Klassen ran for state representative as a Republican, campaigning against busing and the federal government. He won, but he didn't last long in Tallahassee.

The next year, before Klassen had a chance to file a single bill, a special election was called after Supreme Court-ordered reapportionment.

Klassen decided to run for the state Senate. He never made it out of the Republican primary, finishing third in a field of five.

By 1968, he was working for presidential candidate George Wallace, eventually becoming Florida chairman of Wallace's American Independent Party.

But with the end of the '60s, Klassen found himself in the same shape as thousands of others: He was losing faith in those things he had believed in.

Wallace, for example, began courting black support — "a complete betrayal of what he represented," Klassen said.

The John Birch Society, Klassen suddenly discovered, was nothing but "a smokescreen for the Jews."

He quit the society and demanded his lifetime membership fee back. "Of course, the chances of this Jewish outfit refunding my thousand dollars were next to nil."

Klassen was at spiritual rock bottom. He tried reading the Bible and discovered that

the teachings of Jesus were "real bad, suicidal advice."

"I finally asked myself the question, 'What can I believe in?'" he said.

The answer came back: the white race. The Church of the Creator was born.

In 1973, Klassen wrote and published *Nature's Eternal Religion*, a 511-page treatise on white supremacy, the fallacy of Christianity and the treachery of the Jews.

He continued eight years later with publication of *The White Man's Bible*.

Whites are 'master race'

Basically, this is what Klassen preaches: Whites — even though they are the master race, the products of "divine seed" — are an endangered species, because for centuries the Jews have plotted world domination and are now in league with communists and the prolific blacks.

To survive, Klassen believes, the white man must "rouse up his ire in holy vengeance to destroy his tormentors."

The best way to do this, according to Klassen, is to send the Jews to Madagascar and Israel and the blacks to Africa.

If the Jews resist violently, whites "must meet fire with fire," Klassen writes. "For every one of ours they kill we will exact 10 times their number, starting with the rabbis."

As for relocating the blacks, Klassen said, it's just a matter of getting enough ships and jumbo jets to move them all.

Doing such things are within the white man's constitutional rights, Klassen said. "All we want to do is pursue our constitutional, legitimate rights in the best interest of the white race."

Hitler was the model

Under Klassen's plan, once the whites have constitutionally demolished the lives of millions of blacks and Jews, a government modeled after Hitler's National Socialist movement will be established.

English, a "mongrelized" tongue, will be abandoned in favor of Latin — an alarming prospect to anyone who ever wrestled with the ablative absolute.

And whites will strengthen themselves through a program of "salubrious living," which includes a meatless diet.

Despite his contention that "we are not designed to be meat eaters," Klassen eats meat. "I know what the right program is," he said, taking a bite of braised beef tips. "However, to make a complete changeover at my age, late in life, is not particularly easy."

Klassen denies he suffers from any sort of messianic complex. "I'm not trying to set up any kingdom. I'm not one of these people that's stuck on an ego trip or anything."

Yet he is planning for his church to continue after his death, and says he is grooming an unidentified successor for the pontifex maximus throne.

Meanwhile, he continues to keep out of the public eye. Even his neighbors say he is quiet, reserved and polite, and rarely mentions his church to them.

But inside his well-kept house, Klassen labors intently — writing new treatises, selling books by mail and dreaming of the day the white race will banish its enemies and rule supreme under the banner of the Church of the Creator.

"It is," Klassen said, "my abiding passion."

Correction Sent to "Miami Herald"

Dear Editor of the Miami Herald:

In your newspaper's article about me and the Church of the Creator there are some blatant errors that I would like to correct.

1. Meeting was over lunch in a new Denny's restaurant, neat, clean and hardly a hash house. The meeting was at their request, not mine.

2. "Maximum enchilada" is an irrelevant invention of the reporter, meant as a put-down, and shows his bias.

3. When asked the number of ministers we had ordained, I said approximately 40.

4. I never used the word "wimp", don't know what it means and could not find it even in the Big Webster.

5. When I asked myself "What can you believe in", the answer was loud and clear "You can believe in the Laws of Nature", not the White Race as the article states.

6. I did not say English was a mongrelized language. Rather I suggest that the White Race unify and eventually settle on one universal language, and in this respect a revised Latin would be the best choice.

7. I was not a real estate "salesman" even before coming to Florida. I have been in business for myself for 34 years.

8. I am not a "smallish" man, being of medium height and weight — 5 ft. 9 inches, 160 lbs.

9. We are not a replica of the Nazi movement nor neo-Nazi. I went to considerable length to point out at least 6 significant differences such as:

(a) The National Socialist movement stresses nationalism — German nationalism. We deplore nationalism as a highly divisive element dividing the White Race. We stress the biological bond — the White Race — as a powerful basis for unifying the entire White Race on a worldwide basis.

(b) Whereas Hitler stressed Pan-Germanism, we stress the White Race and eventually Latin as the basic language of the White Race.

(c) We stress the American origin of the White Racial Religion — Creativity — and associate it closely with the winning of the American West.

(d) Hitler never addressed the problem of Christianity, whereas we expose it as a Jewish promoted disease of the mind that pulled down the Roman Empire and is still virulent today.

(e) National Socialism was a German POLITICAL movement (and, as Hitler said, not for export!), whereas we are a worldwide RELIGIOUS movement, embracing the entire White Race.

In the course of the conversation I pointed out several other differences between Creators and Nazis, all of which the reporters (one of them was black) chose to ignore. So much for "objectivity" and "truth" in reporting.

10. Our religion is not a "message of hate" as you seem to imply, but one of love for our own race — Nature's Finest.

A Barrage of Hate Letters: The Jews are Mad!

After the above articles about me and about the White Man's Bible was published, I immediately anticipated some violent reaction from the Jews. Although I had intended to unlist my telephone about this time, it was nevertheless still listed in the telephone directory. The response was not long in coming. As the first hostile Jew called I hang up on him, and left the phone off the hook for the next several days.

However, the response in the Miami Herald's *Letters to the Editor* columns was something else again. Never had I seen an article or an issue that provoked such a volume of outrage and hate as was evidenced in that page for the next week. Whereas the Jews are most vociferous in accusing every one else that doesn't go along with their conspiracy as being haters (notice the word twice in the headlines of the article about me), they are in fact the world's most vicious haters, and their letters oozed with venom. (On the subject of love and hate we have available a 12 page booklet entitled "How to Overcome the Real Haters".)

Evidently, we must be doing something right, since the Jews certainly took notice.
