OURS or THEIRS?

This Planet is All Ours

We cannot—we will not—settle for less.

By Ben Klassen, P. M.

In the confused milieu of the present right-wing conservative—Identity—White racist movement a number of strange and contradictory ideas are being bandied about. Some of these ideas are not only downright counterproductive and destructive but extremely dangerous to the very survival of the White Race. Whereas the racial movement has any number of kooks and aberrants hovering around the fringes, we are not particularly concerned about them. Every movement has them. What we are grossly concerned about is some of the destructive ideas that are being pushed by some of our more prominent and responsible leaders in the racial movement, people who should know better. It is our objective to explore and clarify some of the more vital positions that are being advocated.

1. **TERRITORIAL FRAGMENTATION** into a polyglot checkerboard of ethnic groups. (This includes the concept of **REGIONALISM**, a closely related defeatist approach.) Both

of these ideas, in my opinion, are some of the most bizarre and insane ideas that are seriously being discussed and advocated by several of our White Racial Comrades in their effort to compromise and appease our enemies—the mud races.

Basically, the fragmentation idea consists of slicing the United States into "ethnic areas" whereby literally scores of ethnic groups would theoretically be moved and shunted into their "alloted" territories, each presumably "receiving" (who will do the giving?) a choice piece of the United States real estate in accordance with their proportionate numbers. The process would be similar to what we did to the Indians in the 1800's, except now we would slice the entire United States into thousands of reservations and herd not only Indians onto them, but White people, niggers, mulattoes, Mexicans, Haitians, Cubans, Japanese, and everybody else, each into his or her reservation. Or another example would be the

South African Apartheid system where each ethnic group would have their own compound, with government police enforcing the law that they stay in their compound or "homeland". This whole idea is basically so insane, it hardly warrants our consideration, were it not for the fact that many of our leading groups and promoters are advocating just such an idea.

When we stop a moment and think about it, the whole idea becomes so bizarre and ridiculous that an endless number of unanswered questions begin to surface, questions which have not been answered and remain unanswerable. In the first place, there are an endless number of minority groups that have special interests and we could divide the population into not only dozens of groups but more like hundreds, or thousands, depending on which way we want to slice it, and who

(Continued on Page 2)

PLANET ALL OURS

(Continued from Page 1)

does the slicing. We could categorize by country of origin —

Vietnamese, Chinese, Japanese, Burmese, Pakistani, Mexican, Hindu, Mongolian, Fiji Islanders, on down the line. There are about 126 countries in the world to whom the United States is gratuitously dispensing foreign aid. Everyone of them has "refugees", immigrants, escapees who reside in the United States. They may number anywhere from tens of thousands (like the Haitians) to thirty millions (like the Mexicans). Surely, each and every one of them rates a slice of territory to call their own here in these United States? The Mexicans alone could reclaim all of the Southwest without a fight, territories our valiant forefathers fought and bled to win for the White Race. There are hundreds more that could also claim to be entitled to a chunk of territory on a nationality basis alone. Then we could subdivide all these hundreds of nations further according to their own ethnic groups. For instance, let us take Russia: There are the Ukrainians, Great Russians, the White Russians, the Poles, the Bulgarians, the Moldavians, the Letts, the Tatars, the Kazakhs, the Uzbeks, the Kirghezians, the Bashkars, the Kurds, the Kalmucks, etc., and on and on. In fact the Encyclopedia says there are over 175 DISTINCT peoples, speaking so many different languages that scientists have not yet been able to list them all. Undoubtedly there are any number of representatives of each of these people resident in the United States. Should each of them be "allotted" a territory? Then we go on to each of the other countries with all their multiplicity of ethnic groups, all of whom also have large numbers resident in the United States. Undoubtedly we are already into the thousands of ethnic groups, classified by nationality alone. But then we should (and must!) divide them further by religion—we wouldn't want to mix Catholic Irish and Protestant Irish in the same territory, now would we? Or Moslems, Hindus and Sikhs from India? The list is endless, and for anyone to rationally try to cut the United States into little bits and pieces for each ethnic, religious, national and racial groups would run into an endless nightmare, that could not be solved by the world's largest computer, nor the most intelligent grouping of brains, nor by any other means.

But supposing by an impossible miracle somehow it was done. Would we have peace and quiet, an

equitable solution to the world's turmoil in the United States? Far from it. It would be the scenario for endless strife, turmoil, revolution, anarchy and mayhem, not to mention thousands of "independence" movements. This is not just theory. Let us take a real-life example. We could pick almost any country in the world, but let us take a good look at Burma, for instance, as a small scale prototype and microcosm.

Burma has approximately 37 million people. It is divided into at least thirty important minorities, but basically it has approximately ten major ethnic minorities. Listing them alphabetically they are: the Arakan, the Kachin, the Karen, the Karenni, the Lahu, the Mon, the Pa-O, the Palaung, the Shan and the Wa. These have loosely banded together into a revolutionary group called the National Democratic Front, or the NDF. Then there are three more major groups: The Burman, the Chin and the Naga. Each of these thirteen groups are segregated into their own territories in a fashion similar to what some racial leaders here are advocating we do to the United States.

Has Burma had peace and tranquility? Has it enjoyed prosperity? Hell, no. Ever since it was "given" independence some forty years ago and the British moved out, continuous and unrelenting revolution, warfare and anarchy has been the lot of this fractured and fragmented country. Once relatively prosperous in the trade of teak, jade and oil, it is now rated as one of the poorest and most chaotic countries in the world. Its main stock in trade now is opium and the drug trade, most of which is funneled into the United States. But Burma is not the exception. It is more realistically a prototype, a textbook example of a nation fragmented by minorities. There are dozens of other third world countries in the same fix, and any number of others that are not third world such as South Africa, or Ireland or Nicaragua. In short, fragmentation is not a solution by any means. It merely compounds the problem. For us to even think of such a process in the United States is insane, utterly mad, and would only hasten the demise of an already shrinking White Race.

2. NATIONALISM. In this analysis, as always, we Creators are looking at all problems and solutions from the White Man's point of view. When we examine any idea, we ask the question—is it in the best interests of the White Race? In this respect there is

another idea that is being bandied about that is divisive and destructive from the White Man's point of view, and that idea is encompassed by the word Nationalism. We find any number of groups that head their designation with the word National or Nationalist. The foremost of these, of course, was Hitler's National Socialist Party, the NSDAP. We Creators deplore the word Nationalist per se as being counterproductive, divisive and destructive. When we review the history of the White Race over the last several thousand years, (and especially Europe during the last several centuries) we find an endless series of wars and White people being killed by other White people. Practically all of these wars were fought in the name of nationalism, one nation against another, or one group of nations against another group of nations. The War of Roses, the Hundred Years War, The Seven Years War, the Thirty Years War, the Crimean War, the Boer War, World War I, World War II, and hundreds of smaller wars in between and after. In many of these wars religion

As far as the White Race is concerned, there is absolutely no future for us in collaborating with the mud races.

entered into the picture, but even when it did, it was still by and large one nation, or group of nations against another. It was the GOVERNMENT OF A NATION that instigated, plotted and waged the wars, and they resulted in millions of White men, women and children being brutally massacred.

We Creators deplore and denounce nationalism as such. We espouse instead Racial Socialism (See Ch. 6 of NER, P. 317). We espouse and promote White Racial Teamwork. (See P. 20 of *Expanding Creativity*) If we must fight and wage war, let us make damn sure we unite and direct our forces not against each other, but against the mud races, and especially the parasitical Jews. Never again must we engage in war against ourselves, White men killing White men. This is the bottom line and a major segment of our creed and dogma.

3. POLYGLOT GROUPS. The idea has been bandied about that if we have a myriad of quasi-racial groups "deploring and lamenting" about their own narrow specialty, that we are then better off than if we join into one major powerful

movement. The argument is that "the enemy" presumably the United States government, or the Jewish network, or the C.F.R., or "the Communists", or the I.R.S., or whomever each group deems to be THE enemy, (there is no agreement) will not be able to destroy all of a number of polyglot groups in one fell swoop, whereas if we had one big movement, they might. This argument sounds good as far as it goes, but unfortunately it stops in the middle of a no-win mentality. What it is saying is that with thousands of little fractured and fragmented groups as we have seen operating for the past forty years, we will always have a few gnats buzzing at the enemies ears. Of course, we will never have a powerhouse with which to confront the enemy and destroy them, but we'll settle for being an ineffective annoyance.

We Creators deplore this insipid no-win attitude. We say—either we go all out to build a meaningful, massive, all powerful movement into which all our energies and resources are organized and integrated, and confront and destroy the enemy, or we go fishing. We see the enemy as the worldwide Jewish network as the target, not communism, or the IRS or any other tentacle of that Jewish juggernaut. We are out to destroy Judaism in toto, on a worldwide basis, nothing less. DELENDA EST JUDAICA! In order to do so we must build one powerful united battering ram that has the power and determination to destroy this worldwide Jewish pestilence.

Again, looking back into history, there is only one powerful movement that accomplished such a break-through in recent times, and that was Hitler's Nazi party in Germany during the 20's and 30's. As long as there were two thousand or more fragmented Nationalist parties, nothing was accomplished. When Hitler absorbed them all into his movement (we must remember he did not merge with any, he absorbed the members) then they had the clout to take over the government, and they did.

We in America must do the same. We must not settle for having thousands of fragmented ineffective gadflies buzzing about annoying the enemy, but we must go all the way. We must build that one concentrated organized movement that can and will take over the government. (Continued on Page 3)

PLANET ALL OURS*(Continued from Page 2)*

4. **THE TURNER DIARIES and THE ORDER.** Some ten years ago or so Dr. William Pierce wrote *The Turner Diaries* under the pseudonym of Andrew MacDonald. It is the story of a group of dedicated White revolutionaries who wage an underground war of relentless destruction in order to undermine and destroy the "establishment" and government in power. They blow up bridges, railroads, electrical power lines and generating plants, government buildings, and in general, wreak havoc and mayhem. It is written in the form of a diary by one of its fictional heroes, namely Earl Turner.

The *Turner Diaries* have one fatal and inexcusable flaw, a flaw that leaves the whole plot less than useless. Supposedly, a few generations after all this mayhem, the White Race finally finds itself in control of the government and its own destiny. What the *Turner Diaries* fail to explain is that the most important step—namely, how they got from Point A to Point B, how they managed to turn anarchy and revolution into control of the government. Whereas the story does describe anarchy, destruction and mayhem in great detail, it then leaves a huge gap, an unexplained lapse. The reader is left hanging in a vacuum as to how all this mayhem is supposed to be rewarded with control of the country.

Now Dr. Pierce is an honorable, highly intelligent and dedicated man whom I have met and talked to on a few occasions and for whom I have a great deal of respect. However, unfortunately the formula espoused in the *Turner Diaries* is not the answer to our present problem of getting the Jew off our back, and when I say this I look back to seventy years of observing history. I especially look back to the time and place I was born, namely the Ukraine in Southern Russia. When I was born in 1918, there was an abundance of anarchy, killing, destruction and warfare there in the Russian revolution, enough to last anyone a lifetime. Five million people died of starvation in the Ukraine alone. Did this wake up the people to the problem? Did it identify the enemy? Did it produce a righteous outrage to kill and destroy the enemy? Did it produce a meaningful creed and program to set the country back on the road to salvation? No, it did not. It did none of these things. People were killed by the millions (Twenty million White Russians were massacred). Millions of people starved. People suffered. The countryside was devastated. When

the dust finally settled the Jews were in firm control, and today, seventy years later they are still in control. Despite all the killing, suffering, bloodshed and devastation there were a number of essentials lacking for a White victory—(a) the White people did not know who the real enemy was; (b) they had no creed or program to unite them; (c) As a result they killed each other instead of focusing on the real enemies—the Jews. It is a situation that history is bound to repeat today in an America were we in our present uninformed state to resort to unlimited violence and destruction.

Nevertheless, a group of brave young White warriors under the leadership of Robert Matthews took the formula seriously and decided to form an underground group called *Brueder Schweigen* (German for *Silent Brotherhood*) or, also known as *The Order*. They launched into a program of criminal activities such as armed robbery and even managed to assassinate a filthy Jewish talk-show host by the name of Alan Berg. The end result of all this was that these brave young racial fighters, some thirty-five of them, are now behind bars, their energetic activities neutralized and thwarted, probably for the rest of their lives. Bob Matthews is dead, having died heroically in a fiery shoot-out against the overwhelming odds of a massive SWAT team launched against him by the Jewish establishment.

I believe this is an unduly heavy price to pay in terms of our young activists for the killing of one lousy Jew. If, instead they had each gone their own quiet separate ways, secretly planned and planned well a number of attacks on groups of Jews, they could, for the same price, have killed probably as many as twenty, or fifty or a hundred Jews each. The sum total price exacted for the thirty-five now behind bars could have been several hundred dead Jews, instead of one filthy talk-show host. The thing to remember is that we all have to go sometime anyway, but if we are ready to go, don't go out alone, and don't go cheaply. Exact a heavy price from the enemy. Make it fifty to one, or a hundred to one, but not thirty-five good White warriors for one filthy Jew.

Let us take a look at some of the strikes the Arabs, who generally are none too bright, have successfully executed. A classic example is the bombing of the U. S. Marine compound in Lebanon on October 23, 1983. There we find one lone truck driver (presumably an Arab) who willingly went to his death with a big smile on his face. But as he did so, he took with him

240 of his enemies (dead) as well as hundreds of wounded. Now if we compare that maneuver to the effectiveness of what *The Order* episode accomplished, we find that the lone Arab was approximately 35x240, or more than 8000 times as effective as were each of the 35 some members of *The Order*. Now THAT, my fellow White Racial Comrades, is one hell of a difference. Let's give this effectiveness a name. Let's call it the **ENEMY TOLL EFFECTIVENESS FACTOR (E.T.E.F.)**. That is an E.T.E.F. difference of 8000 to 1, comparatively. Nor does the difference in effectiveness really end there. The quality of the enemy destroyed also enters in. We must remember those

We say distributing WMB's will do a lot more good than blowing up bridges and powerlines.

killed and wounded were U. S. Marines, fighting men in the prime of their manhood, a much more meaningful action than merely killing an equal number of random riff-raff.

Or let us take a look at another successful execution by a (so far) unknown group or hit-squad who successfully executed 22 Jewish rabbis in one fell swoop. Two gunmen posing as photographers, on the morning of September 6, 1986 entered the prize new *Neve Shalom* synagogue in Istanbul, Turkey. They opened fire with automatic pistols, set their victims on fire and blew themselves (and their victims) up with hand grenades. (We reproduce an account of this episode as chronicled in the *New York Times* on Page 11 of this issue.) Going back to our *Enemy Toll Effectiveness Factor*, (E.T.E.F.), the score on this one is 11 to 1, but actually, because of the place and the rabbis, the ramifications are a thousand times greater.

This surprise action frightened the hell out of world Jewry, as nothing else can. This major episode has been suppressed and played down in the world (Jewish) press. Undoubtedly the Jews feared, and rightfully so, that any amount of publicity would give the same idea to other groups throughout the world who would then be inspired to emulate similar actions.

The Jews' fears are well founded. A few more actions like the one in Turkey and the paranoid Jews will be scared spittleless (they already

are) and will be taking Rabbi Meir Kahane's advice seriously—get out while you can—head for Israel before it is too late! Nothing would please us more. Once they are all congregated in Israel and the American people stop supporting, subsidizing and protecting them, I am sure the Arabs can and will make short shrift of them.

Conversely, the Palestinians have not been doing so well recently in their rebellion against the Jewish tyrants in the West Bank and the Gaza Strip. Since the escalation of that uprising December 8, 1987, 210 Palestinians have been killed in exchange for only four Jews, according to Jewish news reports as of June 21. (Actually, I'm sure many more Arabs have been killed). That is an E.T.E.F. of 52.5 to 1 in favor of the Jews, a very lopsided score indeed, and it should teach us a lesson, namely that sticks and stones are no match for machine guns. Let that be a lesson for all time! Never give up your guns!

There were several other ingredients missing in the agenda of *The Order*, as there were with *Turner Diaries*. The most flagrant item missing was a **POSITIVE** creed and program for the future of the world.

Both the *Turner Diaries* and *The Order* made it clear that they were **AGAINST** the Establishment and the present government of the United States, and they were determined to blow up the countryside and the physical plant in order to bring it down in flames and anarchy. The inference was that once the country (the U.S.A.) was in shambles and the "establishment" thereby destroyed, that the problem was solved and victory was ours. This is a rather naive conclusion, and not really any answer to anything.

What neither *The Order* nor the *Turner Diaries* made very clear was that the Jewish worldwide conspiracy was the real culprit and had to be destroyed. Nor did they spell out a format of what was to follow when it was destroyed. What kind of a world did they envision for our children and grandchildren? Were they for perpetuating the Jewish-Christian hoax? Evidently they were, since most of them were followers of Richard Butler's preaching that we, the White Race, are the real Israelites, and Christ was the Saviour. Obviously there is a schizophrenic and contradictory set of concepts in play here, a belief and attitude that is bound to produce nothing but disaster. On the one hand they are preaching Christian love and forgiveness, and on the other robbery, killing and

BRICKBATS & BOUQUETS

Dear Sirs:

Living in Atlanta is living hell. The only good thing the North ever did was when they burned this place. I would very much like to receive a copy of your newsletter, RACIAL LOYALTY. I NEED to receive a copy.

Your humble servant,
Glen Thrasher

Religious Victory

Dear Hasta Primus

Sir, recently you had sent me your White Man's Bible.

Well, upon being received at this institution it was sent back by the Warden. They had told me it was racial and a so-called "security risk".

Well, I followed by filing a grievance against the Warden and as of today I have been allowed to receive this WMB. Due to the fact I had received some lawsuit forms (1983 U.S.C. 42) stating they were violating my Religious Freedom (1st Amendment of the U.S. Constitution).

I would deeply appreciate it if you would send another White Man's Bible to me here. Thank you for your time and effort in this matter.

Sincerely,
Joe Vogelpohl
Georgia

Dear Hasta Primus:

Thank you for the book and other material you sent. You can expect a membership application from me within the next month.

Congratulations on your upcoming marriage. I wish you many happy years together. I wish that I could be able to attend the ceremony, but cannot because of my work schedule.

Of the material you sent, 50 percent has already been distributed, and the book RAHOWA! I will send to a brother I am corresponding with in Austria. I believe he has the potential to become a future Creator. He is a classical musician and sometimes works for the BBC. I met him through an ad in **Soldier of Fortune**. We both collect German WW2 memorabilia.

I think what you will do with the School For Gifted Boys is a very worthwhile project and unlike anything I have yet seen or heard of in the White movement thus far. The time has come to shun fear of death, imprisonment, persecution, intimidation, and proclaim the cause of our people like never before until our brothers awake from their sleep and unleash our fury on our enemies.

Our young men need physical training almost above anything else, and a military like discipline. You are an old soldier, you know that. With niggers involved in 95 percent of athletics is it any wonder young White men are reluctant to delve into athletics like they might academics? And is it any wonder because of this you see White women with blacks (excuse me, niggers)?

They knew in the Waffen-SS that political indoctrination was just as important as military training. Our young men could be modeled after the Waffen-SS soldiers. This will be very beneficial in the trying times ahead.

I will see what can be done about organizing a convention and rally for White organizations, a show of "strength and unity". Please offer some advice in this direction and some addresses I may write.

My theme will be fearlessness, tenacity, determination, resiliency and downright obstinacy and tirelessness in carrying out this struggle.

I hope that our organization does not involve any 'agent provocateurs', infiltrators and the like, the White movement has had enough of that and must take stronger steps to guard against it.

Remember, my life is worth nothing without the White Race. Let us work together. I mean every word I have written to you, so please respond soon and let's get the ball rolling. The membership application and dues are forthcoming within the month.

Hail Victory!,
A.W. Reynolds

Dear Rev. Williams:

I wish to congratulate you on your new position as Hasta Primus.

I know you feel proud and you should, so onward with the fight for a whiter and brighter future. RAHOWA!

I just received the July issue of RACIAL LOYALTY along with an application for membership and/or renewal. I would like nothing more than to send financial support but I am presently incarcerated and don't have much of an income. However, I am very close to release and want to do at least my part.

Until about a year ago when I had the privilege of reading Mr. Klassen's first two books, I was a rebel without a real cause. I'm not proud of my past as a thug but to be honest with you I just didn't give

Report from South Africa

Dear Pontifex:

Our monthly meetings in Pretoria have not been interrupted since our "expulsion" by the Pretoria Technikon. There is a steady growth in support and a close comradeship is developing amongst us. Lectures mostly cover chapters from your books and other subjects of vital importance to the White Race.

The monthly invitation includes a copy of a lecture given at a previous meeting or a translation from your works. One of our members is working on a newsletter that we hope to circulate bi-monthly.

Although the intensity of mud violence has lessened to some extent compared to last year as a result of more determined police and army action, the situation in South Africa remains explosive. Jewish communists, Christian denominations of all varieties, "intellectuals" and equalitarian philanthropists are nevertheless working flat out to stir up mud dissatisfaction, mud "consciousness" and mud barbarity for the next round of violence and possible successful revolution.

The cowardly Jew-controlled government is doing its utmost to appease all mud dissatisfaction and demands. Billions of hard earned White taxpayers' money is poured down the black mud hole without any dividends. The Whites are taxed to such an extent that initiative and drive is no more extant. With the tax base eroded and over-exploited, the government has been borrowing money in stupendous amounts from the Jewish banks, local and abroad, to maintain and increase the avalanche of "aid" into the INSATIABLE AND BOTTOMLESS MUDHOLE, and to pay the interest on previously borrowed money. Technically, the country is bankrupt, bled to the bone in the mad quest for "upliftment" of inferior savages, but the slick Jew is feeding the White traitors more rope for the day of judgment.

The flustered White community is brainwashed daily by every conceivable method to accept, support and suffer these outrages as "just", "fair", and Christian.

Mud trade unions have become, since legalization by the surrendering regime, a massive, well organized (by Jews) force to contend with. With Jewish skill and ill behind them these unions' wages and other demands are met time and again with devastating effects on what is left of the staggering economy. The "equal pay for equal work" slogan of the government has now deteriorated (within a few

years) into equal pay for unequal work, as no kaffir, regardless of the amount of upliftment spent on it, can conceivably even "earn" its food.

The whole filthy set-up is at last having some sobering effect on (some) Whites despite massive brainwashing, as many are now fast coming to the conclusion that the only "just" thing the lowly kaffir deserves is total expulsion from the White Racial habitat. The effects of equalitarian dogmatism in practice is here for everyone to see—mongrelization, erosion and annihilation of order, harmony and White civilization.

With the recent by-elections a massive swing by the White electorate to the "right" has been recorded. In the constituency where I stay the treacherous Nationalist Party of P.W. Botha has been virtually annihilated by the Conservative Party.

Unfortunately the leadership of the Conservative Party has been totally sky-jacked by the S.A. Jewish Board of Deputies, with the leader having clandestine consultations with the Jews on a regular basis. His deputy has recently been to the U.S.A. on a grant from the U.S. State Department for "consultations" with the C.F.R. and other hideous and ominous organizations.

So the Jew has already captured most of the leadership on the "right" and cajoled them into subservience. Why are the "right" so stupid? Possibly not stupidity but the White Afrikaner's affliction by that Jewish mindscrambler—Christianity. The majority of White spookworshippers in South Africa still believe in the literal interpretation of the Jewish Christian bible, with, of course, the Jew as the "chosen" and all the rest of the ridiculous diatribe. So why shouldn't they consult and creep before god's "chosen"?

One of our comrades informed me recently of a ban having been placed on "Kerk van die Skepper", (Church of the Creator)—Ben Klassen and Jan S. Smith, according to a report in a local Natal newspaper. Following investigation I discovered that the ban was published in Government Gazette No. 11155 of February 26, 1988. The ban was on a pamphlet (a few thousand) we distributed in Pretoria following the Jewish Press's frenzy on the discovery of the existence of a racist, anti-semitic and anti-Christian church in Pretoria, the Church of the Creator.

A committee known as the
(Continued on Page 5)

(Continued from Page 4)

Publications Board, operating under section 11(2) of the Publications Act of 1974, has decided in their infinite stupidity to declare the pamphlet as undesirable (banned) within the meaning of section 47(2) of the Act. After setting eyes on this outrage against our Church I phoned the said board in Cape Town to demand an explanation.

I was informed that the pamphlet was banned on grounds of it being: (a) blasphemous (b) insulting to other racial groups (c) insulting to other religions and (d) as a threat to the security of the state, law and order, etc.

I was further informed that appeal against this outrageous ban was now impossible as it had to be done within 30 days after publication in the G.G. The pamphlet is now serving before the "Appeal

Board" which is considering making the mere possession of the pamphlet a punishable crime. Copies of the relevant matter are herewith included.

To follow-up on this reprehensible action, the Publications Board has now also put a ban on the importation and distribution of one of our most holy works, Nature's Eternal Religion. We have appealed against this hostile action against the Church of the Creator and the White Race. Further developments are being awaited and you will be informed in due time.

We are all looking forward to resumption of the publication of Racial Loyalty. May the Creative Force stay with you and onwards with RAHOWA!

For a Whiter and Brighter World,
Creatively Yours,
Rev. J.S. Smith

America the Enemy

Dear Kinfolk,

Wanted to thank you for your letter and for remembering a POW.

It seems there are people approaching the problem, i.e. (the survival of our Race), in many ways. As always, I criticize NONE and applaud ALL, who are in the struggle; With the exception of those who use their religion, (whatever it may be) for a fire escape. For them I have only disgust and revulsion.

I too have long taught that Nature's laws are the only divine, i.e. perfect bible. I do however approach the problem of the Roman residue from a different angle than you. I will have a copy of my booklet called "Life-Law" sent to you. Some are ready for meat, while others must first have milk, and then be weaned. I preach incessantly that there must be unity behind one creed, one cause, one motto, if you will. It is my *raison d'être*, and I term it, "Fourteen Words", to wit: "We must secure the existence of our people and a future for White children". In my estimation all else is insignificant at this juncture in history.

As to your question regarding errors that were made by the "Order" and how to profit from them, I would say the major errors were technical, and in recruiting. However in fairness one must understand that of the original nine members of the Order, not one had ever been in a prison or convicted of a crime. They were just nine middle class working men who had had enough of seeing their race destroyed and their culture trashed by this government and the Jews who run it.

On Sept. 22, 1983 nine men climbed the stairs to an upper room

in what came to be known as the barracks, on Robert Jay Mathews farm in Metaline Falls, Washington. In that room ten chairs had been placed in a circle. One chair remained empty except for a picture, and the spirit, of he who struggled to wake our people in Europe a few decades ago. A unanimous consensus was reached that drastic action was necessary to wake our people, even if it meant death or prison. At the end of the meeting a small White baby was placed in the middle of the circle and the nine men swore an oath that that child would have a future amongst her own kind. Such talk is of course the highest treason in the eyes of the Federal Government and the Jews who control it. So today out of the original nine, one is dead, murdered by the Federals, four are serving 600 years in the ZOG prisons, and four bent under the pressure. Never doubt for a minute that the greatest enemy the White Race ever had is AMERICA, and never doubt that the propaganda of the deed is the ONLY thing that scares the culture distorters and Race destroyers who, rule over us.

Well, since there is little of interest that happens in a cage, I'll close for now. Please give my regards to the loyal kinfolk. Also, feel free to publish this if you like. Enclosed is a copy of some poetry I wrote last month called 88 lines and 14 words. Feel free to use it also as you wish.

I remain yours for the survival of our people,
David Lane

Due to space limitations, David's moving poem "88 lines and 14 words" will be printed in Issue Number 42 of Racial Loyalty. Write to: David Lane No. 12873-057; P.O. Box 1000; Marion, IL 62959 and let him know you're thinking of him—Editor

Reply from NDF

Dear P.M. Klassen:

Thank you for the opportunity to reply to the article in this issue of Racial Loyalty entitled "This Planet is All Ours" as it relates to the National Democratic Front.

The problem with the article is that it sets up straw men which it then easily knocks down, but which have little to do with our ideas. Even a cursory reading of our program makes it clear that we are proposing completely independent nations for the various races in America, not an umbrella super-government that rules over various ethnic areas as in Burma or autonomous soviet republics as in the USSR. The relevant part of the program states:

Under a National Democratic government each race will be granted its own completely independent nation on the soil of America, as every people should have the power of self-determination. Each such state will receive an amount of land in proportion to the size of its population. Further, those who preach multiracialism will be given a multiracial state to live in.

We envision not thousands of nations on the soil of America but only seven—one small multiracial country on the east coast and one on the west coast, a tiny country for the Orientals and a tiny country for the American Indians, a Black country, an Hispanic country and a large White nation which will encompass between 70 percent and 80 percent of the land mass of the present United States depending on how many Whites choose to live in the multiracial states. We believe that once given a real choice, the vast majority of the White population will choose to live in the White nation.

Why do we propose this political solution? Because the alternative is a bloody civil war in which the soldiers on our side will be all White, and the soldiers on the other side will be mostly White. We will be fighting the present plutocratic government which is dominated by White capitalists and Jews, and it will draft young Whites to save it. And unfortunately, as always, most of the young Whites who are drafted will serve the plutocracy believing that they are fighting for "freedom", "democracy" (a Greek word—not a Jewish invention), and the "American Way".

In order to avoid an internal conflict in which millions of Whites are once again killing millions of other Whites for the benefit of the White ruling class and its Jewish allies, we must propose a viable political solution that the vast majority of White Americans will see as fair and just. Only by propounding such a program can we hope to come to power bloodlessly as in the fashion of past nationalist leaders such as Mussolini and Hitler. If, however, we do have to take power through warfare as did Lenin and Mao, then it is "winner take all", and the other races will end up with whatever we decide to give them at the end of the struggle.

The second straw man that you attack is old nationalism or what we call petty nationalism. In fact, we are

White nationalists whose ultimate object is to unite the entire White Race under one government in a great nation. But the NDF is a political movement that must operate in the real world in a step by step process gaining intermediate objectives in order to accomplish our final goals. Just as Bismarck championed Prussian patriotism in order to unite Germany, so too must we build American nationalism to achieve worldwide White unity. We appreciate the efforts of the various religions—Creativity, Cosmotheism, Dualism, Identity Christianity, and New Order Hitlerism—that are now building a worldwide racial consciousness as this state of mind in our people is a prerequisite to the establishment of a worldwide White nation, but we recognize that none of these religions has a practical political program to attain victory in America, let alone the world.

We do not advocate occupation of the entire planet, as does the Church of the Creator, because this necessarily entails the genocide of the 4.5 billion non-White people who now populate it.

We are satisfied with the huge territories we now control—Europe, most of North America, most of Soviet Asia, Australia, Argentina, and South Africa. Under Democratic Nationalism the energy of our race will be directed into exploring and dominating the universe, rather than in exterminating other races. Our organization, science, industry and nationalism will make us secure from attack. The other races will assault each other as there will be no easy White target once we are united into one great nation.

Finally, that the time has come to unite under one organization, and so I invite the Pontifex Maximus to join the National Democratic Front and throw his great financial resources behind the only political party in America that has both a complete philosophy of life—Democratic Nationalism—and a practical program to establish a new social and political order in America and the world.

Sincerely,
Gary Gallo, Director

This unedited reply is part of an agreement reached between Mr. Gallo and the C.O.T.C. during his recent visit here. Although we have wide ideological differences, the visit was congenial and productive. He has agreed to print our unedited rebuttal to this reply in his monthly paper, The Nationalist. Write him for a copy. The purpose of this paper is not to offer a platform for all the fragmented views extant in the "White movement" today, but we feel that in fairness to those views addressed in this issue and to get it "all out on the table" for discussion, we will offer the same proposition we are affording Mr. Gallo to other "leaders". Come forth in an exchange and let the readers be informed of all sides and offer their own input. —Editor.

The Wildest Stories Ever Told Part V of a Continuing Series

The Sermon on the Mount The Cancerous Ulcer that Brought Down the Roman Empire

If there is one concise collective set of postulations that characterize and set Christianity apart from Judaism and other religions, it is certainly the much ballyhooed Beatitudes spelled out in the Sermon on the Mount. It is this suicidal collection of extremely bad advice that is the very heart of Christianity and it is, in fact, this very advice that has tragically set the White Race on a course that, if further pursued, will soon terminate in its demise on Planet Earth. Therefore, instead of blindly worshipping it from afar as an untouchable idol set high on a pedestal, let us look closely into this matter, let us examine just exactly what it says, and let us ask ourselves—is this really good advice, or is it absolutely insane? If it is good, for whom is it good—for us or our enemies? Furthermore, if such advice is taken literally, could its victims survive for long, or is it a poisonous recipe programmed for suicide.

The Sermon on the Mount is a long and unending menu of suicidal advice that is scattered in many parts of the New Testament. We are going to try to bring these poisonous dishes altogether on one table, examine what each one of these recipes says, and we are then going to ask the fundamental question that is the Golden Rule of Creativity: Is this good for the White Race? This is the bottom line of our philosophy—looking at it from the White Man's point of view, is it going to help or harm the White Race? As we go down the list I strongly urge the reader to repeatedly ask himself of herself the same question: Is this really good for the White Race, or is it harmful and suicidal?

The first salvo of the Sermon on the Mount is spelled out very close to the beginning of the New Testament, namely in Matthew 5, 6, and 7. The Jews wasted no time in coming out with their venomous bait. You will notice that in most of Christ's (a fictitious figure, of whom there is no historical record or evidence) arguments, the clincher always is an expansive promise that is cheap and easy to give, costs nothing, and is unverifiable. That promise is—your reward will be in the hereafter—heaven, supposedly, another fictitious concept that is unverifiable. Nobody has ever been there, nor has anybody even seen, heard, felt or smelt heaven.

The gullible yokels are asked to just take the scriptwriters' word for it—don't ask for evidence, in fact, don't even ask for a logical explanation. Just be a gullible chump and believe—believe—believe. And whom are we supposed to believe? A passel of Jewish scribblers, now long dead,

whose identity is never really historically established anymore than Santa Claus or Mother Goose. A pretty flimsy basis on which you are asked to stake the whole direction of your life, wouldn't you say? So let us now see what these Jewish scribblers have come up with and have prescribed for the goyim to follow.

MATTHEW 5

At the beginning of Matthew 5 these Jewish scribblers claim, (there are no known eyewitnesses) Verse 1. "And seeing the multitudes, he (Christ) went up into a mountain: and when he was set his disciples came unto him: 2. "And he opened his mouth, and taught them, saying, 3. "Blessed are the poor in spirit: for theirs is the kingdom of heaven."

Let's hold it a minute right there. What he is saying (purportedly, since there is really no evidence that he ever said it, or even that he ever existed) is that the Christian teaching favors the "poor in spirit", namely the feeble-minded, the morons, the idiots, the lazy and the shiftless, and we automatically have a special reward for them—they automatically go to heaven! Isn't that great? What this world needs is more morons, idiots and shiftless galoots. This is the same idea as "our" Jewish government is pushing under the guise of "affirmative action" favoring the niggers. Certainly neither of these ideas is good for the White Race but are heavily stacked against us.

Let me ask you—would you like to see yourself surrounded by such scum and have the burden of feeding, clothing, housing and taking care of such useless garbage? Is this good for

the White Race as a guiding principal, or would you rather see an increase of intelligent, productive, creative White people helping to build a Whiter and Brighter World as Creativity espouses?

We go on. "Blessed are the meek: for they shall inherit the earth". Same idea. Whereas the idiots and the morons shall be guaranteed heaven, the meek, on the other hand, who are more or less of the same ilk, but probably just a cut above the idiots and the morons, to them Christ would generously bequeath the earth. This Jewish ploy is evidently tailored to make militant White Men meek and submissive so that the Jews, who don't cotton to such garbage, will have an easier time of taking over this Planet, enslaving, exploiting and ravaging their victims. The meek inherit the earth? To which we Creators say—hell no! Not if we can help it!

Matthew 5 goes on in a similar vein "Blessed are the merciful: for they shall obtain mercy." Really? Ask the Mennonites in Russia (my ancestors) who lost all in their benevolent, pacifist and merciful approach to the Jewish onslaught. "Blessed are"—the pure in heart, the peacemaker, the righteous and a whole plethora of other submissive sheep. These are the preferred, the "blessed" the Jews uphold as models into which mold they would like to convert and pervert the goyim so that they would have a compliant mass of pacifist patsies to deal with, patsies they can easily milk, exploit and enslave.

In Chapter 5 of Matthew there is a mixed bag of further odd assortment of dire threats, warnings and admonitions to becloud and confuse the superstitious and the gullible. In verse 22 it says "whosever shall say to his brother Raca (Jewish for vain fellow) shall be in danger of the council (i.e. Judgment): but whosever shall say Thou fool, shall be in danger of hellfire." That's pretty drastic. If you have ever called your brother (and/or sister, I presume) a fool, why you are going straight to hell to fry, roast and sizzle forever and a day. At least that is what this little gem attributed to Christ says.

We go on to Verse 28. "But I say to you, That whosever looketh on a

woman to lust after her hath committed adultery with her already in his heart." Poor President Jimmy Carter. He admitted in a Playboy interview that he had perhaps at one time or another "lusted" after women. Evidently poor Jimmy is relegated for hellfire, since he has committed adultery, and violated one of the sacrosanct ten commandments. However, he is not alone. Since all marriages and sexual unions that are necessary to bring in the next generation start with Nature's sexual attraction, which is what the Jewish bible calls lust, I guess all our ancestors have lusted and ended up in hell. So has practically every one else who, were not and are not our ancestors. They, too, are destined for hell. No matter how you look at it, verse 28 is a pretty stupid piece of nonsense.

The next two verses are even sillier, in fact, completely insane. Verse 29 says "if thine right eye offend thee, pluck it out, and cast it from thee."

The Sermon on the Mount—a poisonous recipe for self-destruction.

Verse 30 says "if thy right hand offend thee, cut it off and cast it from thee." The message is that if either your eyes or your hands are instrumental in leading you into sin, pluck them out, cut them off, and throw them to the dogs. Now since the eyes and the hands are practically always instrumental in just about everything we do, and since (according to the Jewish book) we are all a bunch of no good sinners who sin perpetually and repeatedly, therefore, ispo facts, just about everybody should pluck out their eyes and cut off their hands (right or left, or both). Yet somehow I don't seem to know any of "devout" Christians who have followed this advice, and they would have to be completely insane to do so. Would following this kind of crazy suggestion be good for the White Race? (I have heard of some people who have actually been crazy enough to put out an eye or cut off their hand at the instigation of this idiotic counsel.)

Matthew 5:39 says: "Resist not evil: but whosever shall smite thee on thy right cheek, turn to him the other also." Perfect advice for caving in to the enemy without even putting up a fight. Perfect advice for turning the naturally militant White Race into a horde of pacifist milksops so the Jews can take over, as they have in Palestine, and rape, murder and loot their victims. Is this good advice for the White Race as they are being confronted by the Jews and mud races in a treacherous war of extinction?

The bad advice continues. Verse 40 says "And if a man will sue thee at law, and take away thy coat, let him have they cloak also." Verse 42 says "Give to him that asketh thee, and

(Continued on Page 7)

Purpose of this Series.

The overriding goal of the Church of the Creator is the survival, expansion and advancement of the White Race, and the immediate goal is to free the White Race from the worldwide yoke of Jewish tyranny. In order to achieve both goals it is necessary to build a massive powerful movement that can smash the Jewish monster. Before the White Race can ever be in a position to unite, polarize and build such a power structure it will first of all have to get its thinking straightened out. This it can never do as long as it entertains in its innermost thoughts that most diabolical of all mind-scramblers, Jewish Christianity. By using ridicule and exposing this idiotic age-old spooks in the sky swindle, we believe we can best help lead the White Race back to sanity, common sense, and a healthy constructive attitude towards its own best interests.

(Continued from Page 6)

from him that would borrow of thee turn thou not away."

All this might be great for the thieves, vultures, freeloaders and scoundrels, but it is pretty devastating advice for the honest, hard-working citizens at which this is targeted. If the good citizens were silly enough to follow such stupid instructions, society would soon break down into anarchy and wholesale looting. Nobody would produce, work or save. It would become a criminal horde of leeches trying to get what they could from other parasites, by stealing, begging or borrowing. Is this the kind of society we have in mind in building a Whiter and Brighter World?

Now we have been dredging up one barrel full of garbage after another in the precious "advice" supposedly dispensed by a fictitious "Christ", but we now come to the most suicidal piece of poisonous garbage of all in verse 44. "But I say unto you, love your enemies, bless them that curse you, do good to them that hate you, and pray for them that despitefully use you and persecute you."

How crazy can you get? Did the Christian "democracies" adopt this policy when they decided to smash Germany (at Jewish instigation), bomb Hamburg and dozens of other great German cities into rubble and ruin, including the terrible genocidal firebombing of Dresden? Are God's chosen pibble in Palestine following this precept as Shitsack Shamir vows he will crush the Arabs like they were insects (grasshoppers)? Should we idly sit by and let the Jews destroy the White Race and turn the other cheek while they do so? Is this good for the White Race? Or should we turn our wrath and vengeance on the Jews for the millions of White people they have murdered, looted and destroyed? Should we avenge Dresden? We Creators say yes, a thousand times yes!

We are not inclined to be so idiotic as to love our enemies, but on the contrary, we follow Nature's laws which say—destroy your enemies before they destroy you. THAT makes one hell of a lot more sense.

Let us pursue Matthew 5 to the bitter end, the last verse of which says, "Be ye therefore perfect, even as your father in heaven is perfect." Really? Let us examine this piece of double talk and see how perfect is "the father in heaven." As I recall the story in the Old Testament, when he didn't like all the millions of people he had created, he became a mass murderer and drowned them wholesale like a bunch of rats. When he didn't like what Judah's first-born son ER had done, he just simply slew him as a Mafia gangster would rub out his enemies (Genesis 38). As I further recall the nice bible stories I was taught in Sunday school, despite all the Lord's admonitions against adultery, he himself "descended upon" a married woman, namely a Jewess named Mary who was already married to a man named Joseph and got her pregnant. I could

cite dozens of other criminal and immoral attributes to the "perfect" Jewish God, but I want to stick with the Sermon on the Mount. Strangely, if we mortals are to do any of these acts committed by the "perfect" spook, we are condemned as sinners, targeted for hellfire and brimstone. All I can say is what a lot of hypocritical double talk is contained in the so called "Holy Scriptures", which are neither holy nor even moral.

MATTHEW 6

In this chapter the fictitious Christ on the Mount rambles on with a lot of other nonsense of little consequence, including a smattering of the suggested "Lord's prayer". Most of this is not worth spotlighting, and I will only touch on a few items.

Whereas it gives a detailed and cumbersome prescription as to what and how you should pray, in verse 8 it tells you, frankly, why bother at all—your father in heaven already knows what you need so save your breath, don't bother him with a long a repetitious song and dance.

But some real nasty, destructive advice that would undercut any productive society is spelled out between verses 25 to 34. These say in effect: Take no thought for your life. Don't plan anything. Don't worry about what you shall eat or drink or what you shall wear. Be like the fowls of the air: they neither sow nor reap, but the heavenly father will feed you as he does them. Be like the lilies of the field: they don't worry about what to wear—the heavenly father will clothe them. (One stupid clincher it throws in as an argument is that these are the kinds of things the Gentiles seek and you don't want to be like those horrible Gentiles, now do you?)

It ends up saying "take no thought for the morrow: for the morrow shall take thought for the things of itself." Now isn't that a brilliant piece of advice for a perfect cop-out to turn us all into a horde of shiftless, irresponsible bums? This, too, is not for the good of the White Race.

MATTHEW 7

This final chapter to the Sermon on the Mount goes on in a similar vein of nonsense, not coming up with much that hasn't already been said. There are only two verses that I will mention.

Verse 1 says "Judge not that ye be not judged." This is another piece of foul advice that if followed would turn the victim into a blithering idiot. As anyone in their right mind knows, good judgment is the hallmark of an intelligent person. We are called upon repeatedly every waking moment of our life to exercise good judgment—not only in judging other people—employees, associates, etc., but all our actions and decisions that involve solving the problems that confront us every day of our lives. If we are to forego using our good judgment, we might as well throw our brains out the window along with our discarded judgment. What else can we use our brains for if not judgment in making decisions? Not very good advice for the survival of the White Race, to say the least.

ST. LUKE

So much for Matthew 5, 6, and 7. There is more trash in the rest of Matthew, but it is not worth pursuing nor ferreting out of the continuing mixed garbage. A somewhat similar version of the Sermon on the Mount is repeated in several chapters of Luke, except this time Christ purportedly is preaching on a plain with a multitude around him, or he is in the synagogues of Galilee, or by the Lake of Genesaret, or in Capernaum. Regardless, the message is as stupid and destructive as ever, and no thinking White Man would take it seriously. Here are some of the gems he dispenses:

LUKE 12:51 "Suppose ye I am come to give peace on earth? I tell you, Nay; but rather division." Verse 52 "For from henceforth there shall be five in one house divided three against two, and two against three." Verse 53 "The father against the son, and the son against the father; the mother against the daughter, and the daughter against the mother; the mother-in-law against her daughter-in-law, and the daughter-in-law against her mother-in-law."

The Jews invented Christianity to bring down the Roman Empire. They were so successful they have used it to effectively destroy the White Race ever since.

So that's how it is. Not peace, but endless dissention and disruption. Where did I hear that garbage about Christ had come to bring us the Good News—Peace on Earth and Good Will to all Men?

We come to Luke 14:26. "If any man come to me, and hate not his father, and mother, and wife, and children, and brethren, and sisters, yea and his own life also, he cannot be my disciple." Wow! Really? Talk about insane and insatiable haters! We racists are always being denounced as haters for no other reason than that we LOVE our race and our own people. We Creators say—love your own family, love your own kind, love your own race, and hate your enemies. That, I believe, makes a hell of a lot more sense than loving your enemies and hating your own family and your own kind.

One more item and we will leave this whole can of worms, and that is Luke 18:24 & 25 where this dispenser of all these great wisdoms purportedly says: "How hardly they that have riches enter into the kingdom of heaven. For it is easier for a camel to go through a needle's eye, than a rich man to enter the kingdom of God."

What a treacherous statement designed to appeal to the slave mentality—the poor, the shiftless, the jealous, the freeloaders and the bums.

Our whole constructive civilization was built by energetic, industrious,

hard working men and woman who were thrifty, aggressive and intelligent.

If we are to condemn them as the culprits, who would there be left to build families, roads, cities, farms, railroads, businesses, etc., etc., and all the other accoutrements of a progressive, thriving civilization? Bums, freeloaders and Jewish parasites? No, they don't build, they only destroy. But, if you have followed the gist of practically every piece of foul and destructive advice dispensed to the readers of the New Testament, it all leads in the same direction—namely to glorify and exult the idiots, the morons, the free loaders and the parasites on the one hand, and condemn and denounce the intelligent, the workers and the producers on the other hand.

That, my friend, is the kind of advice that destroys civilizations and societies.

It is high time we expose this highly touted Sermon on the Mount as a piece of rotten Jewish advice designed to turn the White Man's brains into mush and the fighting militants into cowardly pacifists. In this they have succeeded beyond their fondest dreams. The "Beatitudes" are the very essence of mind scrambling Christianity and it was Christianity that brought down the once virile Roman Empire. This same dialectic poison has crippled the mind of the White Race ever since and along with two other Jewish tools, communism and "democracy", is driving the White Race into genocide. The antidote to all this Jewish venom is Creativity. Let's get those ten million White Man's Bibles out, build our movement into one powerful battering ram and smash Jewish Christianity and Judaism into total and final oblivion. 

Many times stories are told merely to make the teller seem important, and how many times have men said that they had themselves seen things of which they had but heard?

criminality. Schizophrenic is the word indeed.

Furthermore, what did they have in mind about the rest of the world—Africa, Asia, South America, Australia, Europe? There was no program, no clear philosophy, no consensus. Only the negative drive—blow up the countryside, bring down “the establishment”. What about using criminal means to fund their program? Was this any different than the train and bank hold-ups Stalin used to fund the Bolshevik program? In fact, many members of The Order were outright criminals before they ever joined the movement. Was criminality to be the basis of our future society? Were we going to replace one set of criminals in government with another set of criminals? Were we going to continue to hypocritically promote and espouse the Jewish-Christian blather?

In conclusion, neither The Order nor the Turner Diaries had, or have, a meaningful, comprehensive answer to the dilemma that sorely befuddles the White Race of today. At best, The Order was a group of dedicated White militants, a group to be admired. We need more dedicated White militants, and cannot afford to have them wasted ineffectively. Their intentions were noble, but their thinking was extremely confused. They reacted bravely in a violent, half-baked, knee-jerk reaction to a complex worldwide conspiracy they did not completely understand, especially the treacherous role played by Jewish-Christianity in this life and death struggle. Because of this, they reaped disastrous consequences in an ongoing racial war, a war that is going to demand millions of further White casualties. What we must make sure of is that when we do sacrifice our gallant warriors in the battle, we extract a much, much higher E.T.E. Factor, and not sacrifice ours wantonly.

However, we of the C.O.T.C. do not espouse violence, not at this time. Before we can launch open warfare or even covert warfare, we must first straighten out the confused thinking of our White Racial Comrades, and we must do it by the millions. Putting ten million White Man's Bibles in the hands of our White Racial Comrades would put us well over the top. It would cost us less than it now costs us to subsidize the niggers and the mud races for as little as half an hour. It would be the best bargain we had ever bought for ourselves. We certainly have the resources to do so.

By the time we did so, violence would probably not even be necessary. After all, Hitler and his Nazi party took over the German government without blowing up a single bridge or power plant, and with very little bloodshed. We can do the same. The C.O.T.C. has the creed and the program to do the job. One part of it is getting those first ten million White Man's Bibles out.

5. POLITICAL OR RELIGIOUS MOVEMENT? There are any number of people in the racist movement who claim that the solution is purely political, and we should leave religion out of the picture. This is a shallow, naive and incomplete analysis of both the problem and the solution. History over the ages has taught us that religion comes first. We may call it by other names—Weltanschauung (German word for “world-view”) or philosophy, or ideology, or creed, or an idea to which we are dedicated. But religion is really the best all-encompassing word that embraces all. All major movements in history were motivated by their religious core, whether it was Marxism, or Catholicism or Protestantism, or Mohammedism or Judaism. These religions then found political, economic, cultural and nationalistic apparatus with which to convey their goals and ideas. But remember, religion was, is, and remains the prime motivator that provides the force, inspiration and direction to make those goals and motivations become a practical reality.

We see glaring examples of this in the world today. Communism or Marxism, which directly dominates three-fourths of the world today and indirectly perhaps all of the world, is a prime example. It is based on an ideology called Marxism. Then there is Zionism. It is based on an idea spawned by Theodore Hertzl, as espoused in his book “The Jewish State.” It combines with, pervades and overrides Marxism. But back of it all is Judaism, the Tribe of Judah's original Mosaic religion. Marxism, Zionism, Christianity and thousands of lesser organizations, creeds, ideologies and movements have their seeds in Judaism.

So, the problem is not purely political, nor is the solution. The root of it all lies in ideology or religion. The great White Race could have had the world, a beautiful world, all to itself a long, long time ago, had it only created for itself a racial religion to rally around, a religion that could and would unite it, give it concrete goals, direction and the inspiration to pursue those goals and directions for its own undivided benefit.

6. IN CREATIVITY we now have such a racial religion. Only as recently as 50 years ago, before the devastating and suicidal event of World War II, the White Race was supreme and unchallenged throughout the world. The mud races in India, Africa and even China were either in the control of, or controlled by, the White nations of Europe. The only threat to the White nations were other White nations (manipulated by Jews.)

Today the White Man has been driven out of all these areas, not by force of arms, but through treachery of their own Jew-controlled governments. We can look at Britain, France, Belgium, the United States (especially the United States) and find that betrayal and treachery turned over most of the land areas of the world to the mud races. But the treachery did not end there. The White Man (especially in the United States) is now feeding and subsidizing most of the mud races of the world, and the mud races are exploding in numbers at a rate unprecedented in all history. Not only have the mud races exploded and taken over most of the land masses of this Planet Earth, but they are invading and colonizing the home territories of the White Man himself—England, France, Germany, Holland, Belgium, Canada, Australia, and the United States, (again, especially the United States!) and the White Man is not lifting a finger to stop them. The United States is now becoming the dumping grounds for all the scum, criminals, free-loaders and mud races of the world. They are invading us by the millions—from Mexico, from Central America, from South America, from Indonesia, from Vietnam, from China, from Africa—you name it. “Our” government is not only not stopping this massive invasion, but rabidly encouraging it, providing the means and the wherewithal. It is all part of the Jewish program to mongrelize the White Race into extinction and replace it with a mongrelized mixture of brown zombies, dumb, subservient and thoroughly enslaved.

7. Before we come to the solution of this abominable situation, there are **A FEW MORE MISDIRECTED IDEAS** that are being bandied about by our polyglot White racial groups.

(a) The word “**DEMOCRACY**,” which appears in several nomenclatures. Let me remind these people that “democracy” is a Jewish invention, along with Christianity and communism. It is an extremely useful vehicle in manipulating their treacherous “divide and conquer” technique.

Divide the White race into two opposing groups—then with a small leverage, control the outcome. We Creators denounce the idea of Jewish “democracy”, and strongly support and advocate the **LEADERSHIP PRINCIPLE**, as did Adolf Hitler, and as has been successfully demonstrated by all viable organizations throughout history, whether it be the Catholic Church, or governments or financial organizations. (See “*The Leadership Principle*” P. 327 in *NER*)

THE CHRISTIAN IDENTITY IDEA. We have belabored this stupid claim that we, the White Race, are the real Israelites, on numerous occasions, and will not take the space here to review it again. It is so ridiculous and so contrary to any meaningful evidence in history that it hardly needs to be re-examined. (See *Issue No. 32 of Racial Loyalty* reviewed on Pages 124 to 138 of *RAHOWA!* on “*British-Israel Identity*”.)

Any White Man who would want to be a descendant of these fictional Jewish swine (who at best are moral reprobates) must be clear out of his cotton-picking mind. (See “The Story of Abie, Ikie and Jakie, in R.L. No. 39)

(c) **THE CONFEDERATE FLAG.** This outdated relic from the Civil War is not an adequate symbol representing the hopes and aspirations of the White Race today. At best, it recalls a tragic blunder, instigated and manipulated by the Rothschild Jews of large armies of White Men killing other White Men in a stupid and disastrous war that never should have been fought. It was a shameful, cruel, tyrannical war presumably fought over the emancipation of niggers, but in reality it was a war between Eastern Jew power and money power to destroy the wealthy White Southern plantation owners. In either case, it is a war of which we are not proud, and the Confederate flag represents the losers, just as the Christian cross with a Jew hanging on it represents a loser. All the Confederate Flag does is recall a shameful and tragic episode in our history, of White people of the north hating and killing White peo-

(Continued on Page 9)

PLANET ALL OURS*(Continued from Page 8)*

ple in the south, a divisive, no-win "cause" that does absolutely nothing towards focusing on the real enemy—the International Jew.

The Confederate flag also symbolizes the defense of black slavery, an idea we Creators deem highly repugnant. We do not want to enslave anybody, nor exploit the inferior races. What White Man or Woman today would favor the importation and exploitation of black slaves? In fact, we curse those greedy White exploiters who combined with the Jewish slave-trader and dragged the scum from black Africa onto our shores, only to now leave us with the consequences of an ever spreading black plague.

How much better to replace the Confederate flag with the Creativity Logo—which says loud and clear—We, the White Race, are the crowning glory of Nature's Realm, and we cherish, honor and defend our racial good fortune as our most sacred treasure. This, far more clearly represents the goals and sentiment of the White Race on a global basis than does the Confederate flag.

(d) The no-win "DEPLORE AND LAMENT" approach of most racial groups. For the last forty years more than 20 thousand groups have come and gone deploring the effects of the Jewish onslaught but never coming to grips with the real cause—the Jewish master plan to mongrelize and destroy the White Race so that they can enslave the world without any threat from a (formerly) intelligent, vigorous, aggressive White Race. Few of these organizations ever really identified the enemy (the Jews), nor the means by which we were being destroyed (Christianity and communism) nor did any of them ever come up with a comprehensive plan as to how to overcome this sinister menace. (See *The Flat Tire Syndrome Issue No. 1 of Racial Loyalty of Expanding Creativity*.) All we have heard from these groups is—deplore and lament! Deplore and lament! A rehash of past history (for the umpteenth time) of how we got into this mess! Having thoroughly depressed and discouraged our White Racial Comrades, these Jeremiahs then leave the reader hanging in his misery, never coming up with a viable solution.

8. WE HAVE A SOLUTION! We not only have a solution—but in a powerful comprehensive racial religion, we have the only solution. Our program reads as follows.

(a) *Territory.* We Creators are determined that the winner take

all—that the White Race colonize, occupy and inhabit all—we mean all—the beneficent territory of this Planet Earth. It is too late to play Santa Claus and divvy up territories to our enemies. It is a stupid idea today, and it was a suicidal idea in the past. We do not need the mud races to survive. We don't need the Jews to survive. Our unswerving attitude must be—to hell with the Jews! To hell with the niggers! To hell with the mud races! We will either take all, inhabit all, or we will drown in a sea of mud races. The world is becoming far too crowded to support both us and them.

In so doing, we do not want to ever again make the mistakes of past history. We do not want to exploit or enslave any of the mud races. Nor will we further subsidize, educate them nor support them in any way. We just want to get rid of them by boycotting them and letting them wither on the vine and reach their own demise. (See *A Planet Devoid of Mud Races P. 65 of "Rahowa! This Planet is All Ours."*) In this approach we are following the good American Way, the same program our illustrious ancestors pursued in building America and The Winning of the West. (See *Creative Credo No. 32 of The WHITE MAN'S BIBLE "We shall be Masters of Our Own Destiny—Winning of the West—The Prototype for the Winning of the World"*.) Anyone who is proud of America, proud to be White, proud of our forefathers' building of America and conquering a continent, should have no problem with the program of Creativity.

(b) We Creators are against a polyglot world of chaos, destruction and anarchy. We do not want to destroy, we want to BUILD a Whiter and Brighter World, to unite the White Race under one powerful all-encompassing religion where the bottom line is THE BEST INTERESTS OF THE WHITE RACE and the White Race alone—its survival, expansion and advancement.

(c) Placing ten million copies of the WHITE MAN'S BIBLE in the hands of our White Racial Comrades will be a major step in accomplishing this magnificent goal of world supremacy.

9. CAN THE WHITE RACE ACCOMPLISH THIS GOAL? You bet we can. We have the numbers (there are still 500 million White Racial Comrades on this planet), we have the intelligence, we have the energy, and yes, we even have the financial means. Just one White multimillionaire like one of the Hunts, or a Ross Perot, could bankroll the whole Creativity movement all the way to victory. (See again *"We are not helpless" P. 148, and, "How to Utilize your*

Wealth Effectively", of Expanding Creativity.)

10. Let us now draw some far-reaching and comprehensive CONCLUSIONS. We Creators will neither accept nor tolerate a program that would Burmaize or fragmentize our greatest of all White homelands, namely the United States of America. Nor will we condone or tolerate such a program of Apartheid for any other country on the face of this planet.

We have no intention of being either overly modest nor being braggarts. We are determined to stay on target and hit the enemy straight between the eyes.

10. Let us now draw some far-reaching and comprehensive CONCLUSIONS. We Creators will neither accept nor tolerate a program that would Burmaize or fragmentize our greatest of all White homelands, namely the United States of America. Nor will we condone or tolerate such a program of Apartheid for any other country on the face of this planet. We are determined to pursue a course of UNRELENTING EXPANSION for the White Race until we have colonized and inhabited all the benign and benevolent lands and territories of this Planet Earth. For us it is either all or nothing. This planet is now too crowded for the White Race to survive in a sea of mud races, even if we wanted to, and we do not. We sure as hell will not be so cowardly as to condemn our future progeny to be relegated to a horde of stupid brown bastards. We are determined and committed to a program of not only survival, but to insuring that survival by expanding to the limit of our ability. We want it all, and by Jupiter, we will have it all.

In order to do so we are determined to follow our unswerving program as previously stated and spelled out in *Rahowa!*

1. First we must straighten out the confused, suicidal and scrambled thinking of the White Race itself.

2. This must be done by replacing the suicidal religion the Jew has foisted on the White Man's brain, namely *Christianity*, by a militant, yet logical religion, dedicated to the survival, expansion and advancement of our precious race.

3. We must then arouse and unite all our White Racial Com-

a damn until I lost my wife and two kids to Jewish Christianity. I'm still young though (29) and I'm still in very good health and I want very much to be an active member of the Church of the Creator.

Perhaps you can accept my life as payment to use as you choose to accomplish the ultimate goal of making our planet free of muddy problems that "talk" has failed to do. I decided to turn my back on crime after reading Mr. Klassen's books and started training myself both physically and mentally for the cause with the sincere hope that I can be of some "REAL" help to the White Race.

When I was taking A.I.T. at Fort Rucker in 1979 I noticed then that race mixing was being promoted by the U.S. armed forces and I got my ass out of there ASAP. I've had my fill of muddy rivers, and "CREATIVITY" is the only hope we have for a whiter and brighter future.

If you will accept my offer as payment and send me one copy of all the church literature I would appreciate it very much and I will be looking forward to a monthly issue of RACIAL LOYALTY. I would be VERY proud to be a member.

I also wish you and your new bride the very best of luck and good health.

Thank you for your time and may the force stay with you always.

rades on a worldwide basis, polarizing them into one mighty battering ram and first of all, Priority No. 1, smash the Jewish behemoth.

4. From thereon out, the rest is easy. We will then be able to control our own affairs, our own destiny, our own government, our own finances, our own education, and all the rest of the accoutrements that go to make up a brilliant, prosperous White society.

The rest of the mud races will then be of no particular problem, though they outnumber us 20 to 1. All we will then have to do is have the good sense to stop feeding and subsidizing these hungry freeloaders and they will wither on the vine and quietly shrink back into oblivion.

We now have the means, we have the intelligence, we have the numbers. We now also have the religion, the program (See Page 401 of *The White Man's Bible, "Our Unswerving Program"*) and the fighting word to do the job. **We are determined to meet Fire with Fire. RAHOWA!** 

Help us put Ten Million WMB's in the hands of our WRC!

When we do, the war is as good as won, and the enemy destroyed.

The Nigger,

Nature's Most Dismal Failure

Istanbul synagogue where 22 were slain reopens

The New York Times

ISTANBUL, Turkey — Subdued and with some tears, the Jews of Istanbul reopened Wednesday the synagogue in which 22 of their number died in a terrorist attack in September.

As the scrolls of the Torah were set back in their place, some worshipers said the reopening was a sign that Turkey's 20,000 to 22,000 Jews had overcome their grief and shock.

But the prayers offered other reminders, too: the planners of the attack have never been publicly identified or apprehended, and some Jews said the emotional scars remain.

"The community has drawn into itself," said Salomon Bidgerano, an editor of Shalom, a Jewish weekly newspaper. "The people feel a little more Jewish than they did before."

In a brief address to the worshipers, Jak Veissid, the president of the Jewish congregation, said: "It is impossible to bring them back to life. It is also impossible to eliminate the grief of their close relatives."

As if to reinforce that point, the faces of the widows, stilled at first in the memory of loss, became torn and tear-stained as the roll call of the dead was chanted by those leading the prayers.

On Sept. 6, 1986, two terrorists apparently posing as photographers entered the Neve Shalom synagogue — the name means Oasis of Peace — on Buyuk Hendek Street, near the Galata Tower. Then they opened fire with automat-

ic pistols, set their victims on fire and blew themselves up with hand grenades.

A clock stopped by the explosions on the morning of the attack has been returned to the synagogue, but its hands have not been moved from the time they showed, 9:17 a.m. Those who repaired the synagogue, moreover, have left one rust-shaded bloodstain on the raised platform of pale marble known as the Teva.

The gray imprint of a grenade blast, close by the Torah scrolls, has been framed in gold piping, recalling the mayhem of the attack that wrecked the synagogue with its stained glass of red, blue and yellow and great central chandelier.

Some Western diplomats say they believe the shadowy terrorist group led by the Palestinian extremist known as Abu Nidal planned the attack. Others dispute that idea and trace a con-

nection with Iran, while Syria and Libya have also been cited as possible sponsors of the killing.

Interior Minister Yildirim Akbulut, in an interview last week, said that "unfortunately, we have had no positive results" from investigations by police and others into the killing. "We do not have any proof or indication that any organization or person is involved in this incident," he said. "We don't know why this was done, or by whom it was carried out."

Veissid said, "I think the investigation is probably closed without a solution."

Istanbul's Jewish population has been dwindling since the 1940s, when it numbered 80,000 before the founding of Israel, Veissid said. But, "We never suffered hostility from Moslem Turks," he said.

Most Jews here are Turkish citizens, but many of the older generation, according to the editor, Bidgerano, prefer to speak Ladino in their homes while using Turkish at work.

Many Jewish institutions here have been fitted with double security doors. "It is very difficult," Veissid said, "to live in constant caution."

The Neve Shalom synagogue is Istanbul's biggest, used largely for celebrations such as weddings. Its regular prayers are not well attended since it is in a part of the city, regarded as a Jewish quarter a half-century ago, that many Jews have left.

Q. How can you tell the difference between a dead animal on the road in Mississippi and a dead nigger?

A. There are skid marks in front of the animal.

I don't brake for niggers!

Have you heard about the reports of that Alabama daredevil, Ku Klux Knievil? He tried to jump 50 niggers with a steamroller. He didn't make it, but has promised to practice very hard in the future and hopes to go for 75 next time.

Heavenly Humor

Fiction is Stranger Than Fact

I am frequently amused by the sign in front of a Jewdeo-Christian church that was recently built near our home. A few weeks ago the church sign proclaimed: "Jesus is Real!" By such a desperate proclamation the church was admitting that for most people Jesus isn't real, simply because he isn't real. If it was a certified fact that he was real, they would not have to make such a desperate issue of it. Then this week the church sign really hit the nail on the head when it proclaimed: "The Bible, the world's most unbelievable story!" No doubt, they intended this as a boast; I took it for the literal truth.

chasing, state approved Russian Orthodox Church picking up the pieces of this development.

There is no mention of this in the U.S. press for obvious reasons. Pandora's box is about to fly open on world Jewry as it is, without telling us these juicy tidbits. The best news worldwide comes to us from the dark continent by way of the European papers again. First, the French paper, *Le Monde*, tells us that locust swarms will wipe out 500 million niggers in Africa and if nature fails to correct its most dismal failure with bugs, the April issue of a Swiss periodical, *International Defense Review*, has this bit of additional good news:

"Several nations, especially the U.S., the Soviets, India and the White government of South Africa, are watching attentively whether AIDS will depopulate the Black Continent. If during the next 10 years, 80-150 million Africans should die, this vacuum would be a new area for settlement."

Now be realistic. Are the Whites in Russia, the U.S. and South Africa going to let the muds of India have this nigger-free paradise? Not when we get those first ten million WHITE MAN'S BIBLES in their hands they're not! The Jewish mind-scrambling, egalitarian philosophies of Marxism, Democracy and Christianity will soon be history. Not to mention the widespread hunger and drug-trade related plagues of Latin America and much of Asia, and the wonderful job nature will do culling out the misfits (queers, needle-pushers, and race mixers) of our own species with AIDS. Our future generations will enjoy a glorious future and this planet WILL be all ours, indeed! (See "A Planet Devold of Mud Races", *RAHOWAI*, P. 65)

Despite the Jews' present stranglehold on our people, that hold is very precarious and will be ripped apart and reversed once and for all through militant exposure. The CHURCH OF THE CREATOR has lit the fuse to the powder keg. Help us to keep it dry and burning by distributing those first ten million

WHITE MAN'S BIBLES.

HITLER WAS RIGHT!

World Jewry Sitting on a Powder Keg

by Rev. Will White Williams, H.P.

Things are looking up all over for the White Race. The "phoney fight" between communists and anti-communists appears to be about over as the curtain is slowly being pulled back to expose the Jewish manipulators behind both "combatants" in the ruse. The Jews are squirming all over this planet like baited worms ready to be cast into a school of hungry piranha. Not only has their mask of persecution and sensitivity slipped due to their brutal treatment of the "grasshoppers" (the term Shitsack Shamir used to describe Palestinian refugees), anti-Jew literature is rampant in Japan and has become "best selling". Lack of enthusiastic support for the persecution and smear of Waldheim in Austria; the down play of hard news stories of the type shown on Page 11 of this paper relating to the Jew slaughterings in Istanbul for fear of "copycat" actions against other Jews. The Adolf Eichmann-style kidnapping and subsequent silencing of Jew expatriate, Mordechai Vanunu, after he blew the whistle on Israel's extensive nuclear capability. In Canada, show trials have backfired on the Jews and more people than ever know that the Anne Frank story is a fairytale and that the "holocaust" is truly the "hoax of the twentieth century". Now that White people can admit that they have been lied to all of their lives by their controlled media, their schools, churches, government, even their parents about these myths, it makes them very receptive to questioning the greatest hoax of all time, namely Jewish Christianity and "the chosen pipples" lie.

With mention of some of the racist and nationalist rumblings in the far reaches of our globe, let's get back to the two "superpowers". The arrogant Jews still control the information nerve centers of the world but have squeezed the "holahoax" for all it is worth and now must invent some new lie to generate the much needed sympathy required to prop up Israel and keep the goys from questioning their "chosen" status. But now in the U.S. they are still so powerful and confident that the ADL has co-written a 96 page booklet with the U.S. Department of Defense called "Days of Remembrance of the Victims of the Holocaust" with which to brainwash the GI's who

might be having doubts about the 6 million lie. Printed below (in actual size) are the symbols of the co-sponsors which are gleaned from its back cover. We won't waste space here detailing the putrid Jewish miasma contained in the book. The statements, not to mention the portraits, of Ronald Reagan and Secretary of Defense Frank Carlucci alone, are enough to make even the strongest of us Creators puke. Don't take our word for it, order your own copy. It's free (at whose expense?). Use it to convince doubting Thomases that the Jews are controlling and subverting the U.S. Government at the expense of the productive White taxpayer. Write to: Colonel Harvey T. Kaplan, USA; Executive Director, Defense Equal Opportunity Council; Office of the Assistant Secretary of Defense (Force Management and Personnel); The Pentagon; Washington, DC 20301-4000. First, you've got to figure out how to get this Jew's title and address on just one envelope.

According to **Forbes** magazine, the dream sheet of the upwardly mobile in America, at least half of all millionaires in the U.S. are of the Jewish persuasion. This is odd considering that the Serpent Race constitutes less than 3 percent of the population. It's not so odd when you study the cohesiveness of those of the Mosaic racial religion, Judaism. Whether they are atheists, orthodox, reform or conservative, they are millionaires due to the power of secret knowledge (read "insider trading") and their consensual devotion and charity to world Jewry first and foremost! One of the keys to our struggle is that the other half of American millionaires is primarily made up of racially brain-dead Whites who are so anesthetized by their money that we haven't been able to wake them to the advantages of a White racial religion. We will get to these people eventually, one at a time, by putting this paper

and our books in their hands and shaming them to read. Do you understand now why our books are being banned all over the "free" world?

The Jews' use of money, sympathy and fear will be for naught as their house-of-cards conspiracy keeps crumbling. I'll list a few other items in the news of the last year or so in the U.S. alone which have snowballed against the Jews:

(1) The Jewishness of not only the "Iran-Contra hearings" but the entire Mid-East guns-for-hostages scenario from start to finish.

(2) The Jonathan Pollard spy scandal and the sheer number of Jews exposed at such high and sensitive positions in our "White" government.

(3) The Jew-engineered Ft. Smith sedition trial against White supremacists totally backfiring with not-guilty verdicts.

(4) Ivan Boesky and his "greenmailing" and money manipulating buddies (every name in the scandal was Jewish) are exposed and Wall Street is also exposed as Jewish for those who didn't already know.

(5) Jew puppet Ed Meese, Attorney General, (top law enforcement official in U.S.) loses all credibility as his connections with money grubbing Jews in the Wedtech scandal are exposed, not to mention his fanatic support of Israel, along with other cabinet level officers, to the detriment of all other U.S. foreign relations.

(6) State Department cooperation and subordination to Israel's rabid demand for the hides of Karl Linnas, John Damjanuk et al, supposed Nazi war criminals who were naturalized U.S. citizens.

(7) The current crop of Jew-approved presidential candidates has predictably been whittled down again to two "useful idiots" who openly wish they were Jews (see *Racial Loyalty No. 40, P. 3*).

The list could go on and on but these examples are enough to make the point. These stories appeared daily in the Jews' own papers and every night went unavoidably into every White home through the Jewish mind-bender, the "glass teat" our people have grown so accustomed to suckling. The diversions away from racial politics in general and the "Jewish question" in particular just don't work like they used to. The sheer magnitude of the worldwide Jewish conspiracy is such now that even the more rational followers of Jewdeo-Christian televangelist hypocrites like Reverends Falwell, Bakker, Swaggart, Robertson, Roberts, et al, are coming around to White Racial Loyalty and CREATIVITY when confronted with the obvious contradictions of

a creed rooted in superstition and gullibility. It reminds me of a man trying to keep a dozen ping-pong balls submerged in water and they keep bobbing up through his fingers. As the Pontifex has been saying for years, "The bigger the conspiracy, the harder it is to maintain it without exposure".

Consider the other bully on the block, the U.S.S.R.. The White Russians have, for the most part, wrested control of the "evil empire" from the Bolshevik Jews and have a relatively young and extremely intelligent White man at the helm in Mikhail Gorbachev. This is the same man, who a year ago, when visited by the U.S. Congressional Black (read nigger) Caucus with demands about human rights violations, told these arrogant anthropoids that the problems of the U.S. were due to the fact that there are too many niggers and other mud people in America. We had better start translating the WHITE MAN'S BIBLE and RACIAL LOYALTY into Russian, don't you think? An even better indication of growing White Racial Loyalty from the Russian front is found in an article on June 9, 1988 in **The London Times**. It tells of a group called "Death to the Jews Organization" which is circulating leaflets in Moscow which read as follows:

"Comrades! Russian patriots! How long can we put up with the dirty Jews brazenly penetrating our entire society, especially in profitable places?...How can we accept that the dirty ones have made our wonderful country into a Jewish mob? Why should we outstanding, intelligent, beautiful Slavs consider Jews among us to be a normal phenomenon? Why should Jewish cattle be able to acquire Russian surnames and sign Russian as their nationality as do these dirty, stinking Jews, hiding under such heroic and proud names as Russians? Russia to the Russians."

Sounds like the poor "refuseniks" finally have some real persecution to whine about. Suspicion has it that an openly anti-Jew, pro-White Russian group named Pamyat (translation—memory) is responsible since they have 20,000 members in Moscow alone. But they have denied authorship while admitting Jew-hating has become popular sport throughout Russia. Ah! The universal parasite. Does anyone out there have Pamyat's address? We could trade notes and make them a mini-distribution center for The White Man's Bibles. We certainly don't want the spook-
