ZIONISM

By Rudy "Butch" Stanko

"The Jews energetically reject the idea of fusion with other nationalities and cling firmly to their historical hope, i.e., of world empire." Rabbi Dr. Mandestamm of Kieff, Second World Zionist Congress at Basel in 1898.

The term "Zionism" gives the impression of being an ancient religious world; but it is a fairly modern term and the name of a political movement founded and organized at the end of the nineteenth century. The only ancient part of Zionism is its "elite" leaders (Rothschilds, Schiffs, Warburgs, etc.), who claim to trace their ancestry back to King Solomon and the ancient Sanhedrin and base their *destructive* ideologies of Zionism on the Law of the Torah and the Talmud. For instance, Deuteronomy (the fifth book of the Torah or the old Testament) teaches the Zionist that "nations greater and mightier than thou are to be delivered into the Judahites [Zionist] hands," and: "Thou shalt utterly *destroy* them; thou shalt make no covenant with them, nor show mercy unto them... ye shall *destroy* their alters... the Lord thy God hath chosen thee to be a special people unto himself, above all people that are on the face of the earth... And thou shalt *consume* all the people which the Lord thy God shall deliver thee; thine eye shall have *no pity* upon them... the Lord thy God will send the hornet among them, until they that are left, and hide themselves from thee, be *destroyed*... And the Lord thy God will put out these nations before thee little by little... But the Lord thy God shall deliver them unto thee and shall *destroy* them with a mighty destruction until they be *destroyed*. And he shall deliver their kings into thine hand, and thou shalt *destroy* their name from under heaven; there shall no man be able to stand before thee, until thou have *destroyed* them..."

In the beginning of the Twentieth Century A.D., the Zionist rabbis interpreted the Talmudic Law as delivering the land of Palestine, on which King Solomon's kingdom and temple were built, to the possession of the Jews. The peoples of the West, as a whole, had ceased to attach any present meaning to these incitements, but the peoples directly concerned thought differently. For instance, the Arab population of Palestine fled en masse from its native land after the massacre at Deir Yasin in 1948 because the event meant for them (as its perpetrators intended it to mean) that if they stayed they would be "utterly destroyed."

They knew that the Zionist leaders, in the palavers with British and American politicians of the distant West, repeatedly had stated that "the Bible is our Mandate" (Chaim Weizmann); and they knew (if the

Western peoples did not realize) that the allusion was to such passages as the commanding the "utter destruction" of the Christian and Moslem Arabs. They knew that the leaders of the West were supporting the invaders, and thus they had no hope of even bare survival, except by flight.

The political roots of Zionism spring from the period of Enlightenment, with the secular philosophies of Moses Mendelssohn (1729-86). He was instrumental in the thinking of a large group of intellectual, wealthy Jews who later formed the first World Zionist Council. Albert Jospe, in his B'nai B'rith biography of Mendelssohn, called him "the Jewish Plato." Plato was a Greek philosopher who believed in a world order. The human race, he wrote, was made up of three classes: an intellectual ruling class, with power over a second military class, which controlled the third class—slaves. Moses Mendelssohn's variation from Plato in this line of thinking was the belief that the intellectual, wealthy Jews should be and are the "elite" rulers of mankind. He stated that: "Judaism was not a religion but a Law."

The name "Zionism" was coined by Nathan Birnbaum in 1890 in his journal *Selbatemazipation*. He explains the term "Zionism" more explicitly in a letter written a year later: "The establishment of an organization of national-political Zionist party in juxtaposition to the practically-oriented party that existed until now." The

About Rudy "Butch" Stanko

Rudolph G. Stanko's meteoric career and his unusually brilliant rise in the meat processing business is one of those success stories that epitomizes the best characteristics of the White Race. In less than a decade this young Westerner, while still in his thirties, built up a business that grossed 200 million dollars a year and employed over six hundred people. Evidently, he was too successful and became a huge threat to the existing Jewish meat cartel, which was being bested on its own turf. They decided he and his business enterprises must be smashed and conspired to break him and the three meat companies he owned and operated. By means of paid spies and informers, by utilizing the major news media and waging a relentless smear campaign of lies and propaganda against him, and lastly, by means of a rigged kangaroo court headed by a Jewish judge, they managed to frame him and sentence him to seven years in the penitentiary.

Rudy tells it all in a remarkable book he has written, called THE SCORE. It is available from the C.O.T.C. for \$7.00. See Page 10.

Rudy is now a member of our Church, and this article is being published with the author's permission. It is Chapter I, Part II of THE SCORE.

word was then picked up by rabbi-politican Theodore Herzl and was adopted at the first Zionist Council in 1897.

The first known and publicized meeting of the Zionists was held in Basel, Switzerland, in August of 1897 under the guidance of Theodore Herzl, who was an avid disciple of Mendelssohn and hated Gentiles. This landmark date and the beginning of the political party of Zionism is well documented in Jewish history books because 204 of the richest men from all over the world met to consolidate and donate their tremendous wealth and effort for the future security of the Jewish race. The ultimate goal was to invest all the resources necessary to form a Jewish loyalty structure. This loyalty structure would accomplish the second goal of ensuring the security for their present accumulated wealth, so as to preserve it for the future generations of their aristocratic families. The delegates were primarily bankers, who had been creating loans and charging interest for both public and private debt in all the countries of the world. There were also international merchants who controlled the trade among various countries of the world. The purpose of the council was to establish a unified constitution by ratifying the *Protocols of the Learned Elders of Zion*.

The Jewish leaders included such notable billionaire bankers as American-based Jacob Schiff; Germany's Otto Warburg; England's Thermodus Moses Montefiore; Baron Moritz Hirsch, and especially the Rothschild family with its representative, Baron Edmund Ames Rothschild. These individuals and several other Jewish representatives pledged enormous sums to the dedicated cause of Zionist supremacy. Moritz Hirsch alone contributed more than fifty million dollars to the Jewish Colonialization Society. Before this incredible contribution, he had established another fund in 1891 in New York City for the benefit of Jews entering the United States. Baron Moritz Hirsch was a German Jew who made a colossal fortune from German industrial interests in Turkey. Speculation in his Ottoman bonds ruined many small investors.

Media sources present non-Jews with the idea that Zionism is only a religious movement formed to allow Jews to return to their beloved fatherland, Palestine, and to establish there a national holy land or state for the Jews. This one-sided view does not explain the aims of this Jewish political organization and is the reason for the Western world's ignorance about "Zionism". A close study of historical facts reveals that Zionism is not only a religious movement but more importantly a political unification initiated and promoted by the international bankers (Grand Sanhedrin) to attain Jewish domination of the world.

It must be understood that there is a profound difference between the hereditary and environmental, moral conceptions of a Christian and a Jew. The Christians are taught that Jesus Christ, the Son of God, came to earth to redeem the "sons and daughters of God", revealing the way to the spiritual Kingdom of God through humanity and charity.

The well-known Jewish writer Werner Sombart says:

ZIONISM

(Continued from Page 1)

The fundamental characteristic feature of the Jewish religion consists in the fact that it is a religion which has nothing to do with the other world, but, as one might say, is solely materialistic. Man can experience good or evil only in this world; if God wishes to punish or reward, then he can do this only in the lifetime of man.

It is useless to dwell upon the difference, which derives from this contrast of the two outlooks, relating to the attitude of the devout Jew and of the devout Christian, with regard to wealth. The devout Christian who got into debt with the usurer [Jewish moneylender], was tortured on his deathbed by pangs of regret and was ready to abandon everything he owned; for the knowledge of unjustly acquiring a few goods. On the other hand, the devout Jew, when the end of his life approached, regarded with contentment the trunks and cases filled to the bursting point, in which profits were accumulated, which during his lifetime he had taken off the wretched Christian and also the poor Moslems. It was a spectacle on which his devout heart could feast, for every roll of money which lay locked up there, he saw as a sacrifice bought to his God.

The rabbi Ahad Ha-Am said: "The Jewish ethic is incompatible with the Christian ethic based on love, so that it is impossible for the same man to embrace both of them at the same time." General Ludendorff (German Lead Commander in World War I) stated:

I adopted it as my own point of view, that the Christian doctrine and the way of life it had given to the people was the basic cause of the whole evil, and that it served solely as a means for obtaining for the Jew the mastery of the world, which had been granted to him by Jehovah.

A published letter from the famous Monsieur Baruch Levy to Karl Marx in 1888 stated:

The Jewish people as a whole is its own Messiah. In this new organization of mankind the sons of Israel, who at present are scattered over the entire earth surface, will all be of the same race and of the same traditional culture, without, however, forming another nationality, and be without contradiction the leading element in all parts, particularly if it is successful in laying upon the masses of workers a permanent leadership by some Jews. Then the promise of the Talmud will be fulfilled, that when the time of the Messiah has come, the Jews will have the goods of all peoples of the world in their possession.

There are basically two concepts of religious theory in Judaism, the orthodox principle and the reformed principle. The Orthodox Jew is strictly a Talmudic worshipper. The Talmud (a written continuation of the Laws of the Torah) was not compiled by one person, or at one time. Generations of scholars and jurists took a period of several centuries to complete it. In one version, Rabbi Aschi began it in 327 A.D. and labored over it for sixty years; he was followed by Rabbi Maremar about the year 500 A.D. This part of the Talmud includes thirty-six chapters of interpretations. For nearly 500 years after the Talmud was completed, the study of the Talmud produced a variety of theories, partly due to public calamities and partly caused by dissensions among the Jewish scholars. In the eleventh century, others wrote further editions to the Talmud, while present day rabbinical scholars still write their interpretation of the Law.

This great confusion created by the different versions of Jewish law has led many Jews to fall away from religious belief. Several rabbis have verified that the Jewish congregation is predominately agnostics and atheists. Weary of waiting for the coming of the Messiah, the Jews have tended to identify the Messiahship with the Jewish nation itself and not with any particular individual. This is the religion of the Reformed Jew. Regardless of whether a Jew is an Orthodox or a Reformed believer, almost all the Jews contribute and give their wholehearted support to their Zionist political government.

Israel Friedlander, a noted Zionist writer, noted: "Modern Zionism is a continuation of the Messianic doctrine without its theological egg-shells."

Mr. Ettinger, a Zionist lawyer, in May 1929 submitted a report to the Zionist Conference at Sydney, Australia, from which the following is extracted:

The Zionist Organization is a body unique in character, with practically all the functions and duties of a government, but deriving its strength and

resources not from one territory but from some seventy-two different countries...The supreme government is in the hands of the Zionist Congress, composed of over 200 delegates, representing shekel-payers of all countries. Congress meets once every two years. Its [supreme government] powers between sessions are then delegated to the Committee [Sanhedrin].

The Sanhedrin (the Zionist Legislative Ruling Committee) is defined in the Zionist Encyclopedia (*Encyclopedia Judaica*) as a group of scholars which functions as a supreme court and as a legislature.

I adopted it as my own point of view, that the Christian doctrine and the way of life it had given to the people was the basic cause of the whole evil, and that it served solely as a means for obtaining for the Jew the mastery of the world...

[General Erich von Ludendorff]

The resources of the Zionist government come from several sources, but mainly consist of grants to the country of Israel from taxpaying citizens worldwide or tax deductible contributions from wealthy Jews made to the Jewish National Relief Fund or the Ma'aser. The common Jewish people are encouraged by their own Kehillah to pay their fair share for the preservation and improvement of the Jewish race.

Ettinger went on to say:

Ma'aser is the tenth part or tithe of his capital and income which every Jew has naturally been obligated over the generations of their history to give for the benefit of Jewish movements.

...The tithe principle has been accepted in its most stringent form. The Zionist Congress declared it as the absolute duty of every Zionist to pay tithes to the Ma'aser. It added that those Zionists who failed to do so, should be deprived of their offices and honorary positions.

The words "offices and honorary positions" refer to the best jobs acquired in the private or public sector through the influence of the powerful Zionist connections and lobbies.

The Zionists have no doubt kept their inner workings as secret as possible. Many of the patriarchs of the Zionist organization, or the supreme government, are even shielded from the decisions of its top leaders—the Grand Sanhedrin. In 1905 the constitution of Zionism was revealed by a Russian Orthodox Catholic priest, Sergyei A. Nilus. Nilus was the first Gentile to publish the *Protocols of the Learned Elders of Zion*. Nilus' concern was to expose what he believed to be a ruthless conspiracy aimed at the destruction of Christian civilization. In his introduction, he said that a manuscript had been handed to him about four years before by a friend, who vouched that it was a true translation of an original document stolen by a woman from one of the most influential international Jews when he returned to her apartment after addressing a top level meeting. Nilus published the first edition in the Russian language in 1905. He admitted the impossibility of producing written proof of this document, but concluded that only a council of wealthy idealists would have the imagination and desire to invent such a masterpiece. He prepared a second edition in 1917, but before it could be put on the market, the revolution of March 1917 had taken place and Kerensky (Russian Jewish prime minister of the Provisional government in 1917) ordered the whole edition to be destroyed. Later Nilus was arrested by the Bolshevik Cheka, imprisoned and tortured. He was exiled and died in Vladimir on January 13, 1929.

The *Protocols* have rapidly become one of the most famous documents in the world. Nilus' works have been translated into every language since he first brought the constitution of Zionism to light in 1905. Abstracts from the *Protocols* have been translated into Arabic and included in Arab secondary school textbooks, and it is said that their circulation is second only to that of the Bible.

Victor E. Marsden smuggled *The Protocols of the Learned Elders of Zion* out of Russia in 1917 while he

was the Russian correspondent for the *London Morning Post*. He had lived in Russia for many years and was married to a Russian woman. When the Russian Revolution broke out, he wrote vivid descriptions of the events. This angered the current government and he was thrown in Peter-Paul Prison and expected to be executed. He escaped with his life, against all odds, and vowed that the first thing he would do would be to translate the document that Nilus had published. Marsden stated that the *Protocols* had to be issued at the first Zionist Council held in Basel, Switzerland, in 1897. These documents contain twenty-four protocols, made up of two hundred and eighty-three articles. The content is explosive and every paragraph is sensational and shocking.

Henry Ford, Sr., who spent eight million dollars in research on the Jewish power structure, made the comment in the *New York World*, February 17, 1921:

The only statement I care to make about the Protocols is that they fit in with what is going on. They are sixteen years old, and they have fitted the world situation up to this time. They fit it now.

In other words, the course of human events has followed the pattern set out by the Zionist constitution or the *Protocols*. Since Henry Ford's statement sixty-five years ago, it is possible to see even more clearly the influence of these *Protocols* on human history.

The late Carroll Quigley, a professor at Georgetown University, spent more than twenty years researching and writing a 1360-page tome, *Tragedy and Hope*. His area of expertise was the history of the international network of high finance or the political rulers of Zionism. He said, "It is quite impossible to understand the history of the world without some understanding of the role played by money in domestic affairs and foreign affairs." He quoted Walter Rathenau, who said: "Three hundred men, all of whom know one another, direct the economic destiny of Europe and choose their successors from among themselves." Rathenau was in a position to know (since he had inherited from his father control of the German General Electric Company, the *Allgemeiner Electricitaets Gesellschaft*, and held scores of directorships himself). Rathenau's comment appeared in the *Wiener Freie Presse* on December 24, 1912.

Quigley explained the influence which international bankers exerted over governments as follows:

The power of international bankers over governments rests on a number of factors, of which the most significant, perhaps, is the need of governments to issue short-term treasury bills as well as long-term government bonds. Just as businessmen go to commercial banks for current capital advances to smooth over the discrepancies in their cash flows (such as monthly rents, annual mortgage payments, and weekly wages), so a government has to go to international bankers (or institutions controlled by them) to tide over the shallow places caused by irregular tax receipts. As experts in government bonds, the international bankers not only handled the necessary advances but provided advice to government officials and, on many occasions, placed their own members in official posts for varied periods to deal with special problems...

Quigley quoted Gladstone, Chancellor of the Exchequer, who declared: "The hinge of the whole situation was this: the government itself was not to be a substantive power in matters of Finance, but was to leave the Money Power supreme and unquestioned."

The power of the Bank of England and of its governor was admitted by most qualified observers. In January, 1924, Reginald McKenna, who had been Chancellor of the Exchequer in 1915-16, as Chairman of the Board of the Midland Bank, told its stockholders: "I am afraid the ordinary citizen will not like to be told that the banks can, and do, create money...And they who control the credit of the nation direct the policy of Governments and hold in the hollow of their hands the destiny of the people."

One must ask the question: "Who creates credit out of thin air, and is receiving the interest on the national debt of every debt-ridden country in the world?" Most individuals believe the governments create money. If this is true, then there would be no national debt. The superpower nation of America owes two trillion dollars in public debts in 1986, [now over 3 trillion in 1989] or \$40,000 for every family of four living in America. This is only the public debt; the private debt is about four times this amount. Almost every individual and company is in debt and borrows money, including General Motors, American Telephone &

Telegraph, and similar corporate bodies. Again, is it possible for the international bankers who initiated the political movement of Zionism to also be the benefactors of credit creation who collect the interest payments?

In summarizing the machinations of such a ruling elite, Quigley said: "The history of the last century shows, as we shall see later, that the advice given to governments by bankers, like the advice they have given to industrialists, was consistently good for bankers, but was often disastrous for governments, businessmen, and the people generally."

Professor Quigley identifies the international banking families without fanfare. They include Baring, Lazard, Erlanger, Warburg, Schroder, Seligman, Speyers, Mirabaud, Mallet, Fould, and above all Rothschild and Morgan. Even after these banking families became fully involved in domestic industry through the emergence of financial capitalism, they remained different from the ordinary banker on the corner of Main Street in these distinctive ways:

1. They were cosmopolitan and international.
2. They were close to governments.
3. They were almost equally devoted to secrecy and the secret use of financial influence in political life.

These names read like a census of the twelve tribes of Israel. The name "J.P. Morgan and Company" gives the connotation of a non-Jewish enterprise. It was, however, quite the opposite. This firm, like others of the international banking fraternity, constantly operated through corporations and governments yet remained an obscure private partnership. It was originally founded in London as George Peabody and Company in 1838, was not incorporated until March 21, 1940, and went out of existence as a separate entity on April 24, 1959, when it merged with its most important commercial bank subsidiary, the Guaranty Trust Company. The London affiliate, Morgan Grenfell, was incorporated in 1934.

George Peabody had established his business in England through his connection with Brown Bros. He had become an unidentified agent for Lord Rothschild as early as 1835. As George Peabody had no son to take over his firm, he took on Junius Morgan as partner; Junius's son, John Pierpont Morgan, became known as "the most powerful banker in the world," although his principal role was to secretly carry out commissions for the House of Rothschild.

The *New York Times*, October 26, 1907, noted in connection with J.P. Morgan's actions during the panic of 1907, "In conversation with the *New York Times* correspondent, Lord Rothschild paid a high tribute to J.P. Morgan for his efforts in the present financial juncture in New York." This is the only recorded instance when a Rothschild praised any banker outside the family.

On March 28, 1932, the *New York Times* noted, "London: N.M. Victor Rothschild, twenty-one-year old nephew of Baron Rothschild, is going to the United States soon to take a post with J.P. Morgan & Co., it was learned tonight." The Morgan-Rothschild connection explains the otherwise incomprehensible mystery of why J.P. Morgan, famed as "the most powerful

banker in the world," left such a modest fortune at his death in 1913, a mere \$11 million after his debts were secured. Even now, the present members of the Morgan family seem financially secure, though none of them are counted among the "big rich". J.P. Morgan, Jr. (known to a very few intimates as Jack) was embarrassed to find he had to sell off many of his father's art treasures to pay the debts of the estate. Most of the huge sums handled by J.P. Morgan went directly to the Rothschilds. In 1905, the *New York Times* noted in its obituary of Baron Alphonse de Rothschild that he possessed some \$60 million in American securities. Interesting, when a lot of the financial information excludes the Rothschilds from being the number one family involved in American finance.

The same modern connotation and appearance of a Gentile operation can be seen in the case of Rockefeller's Chase-Manhattan Bank and the Standard Oil Company. In 1911 John Moody stated: "The Standard Oil Company was really a bank of the most gigantic character, a bank within an industry, lending vast sums of money to needy borrowers just as other great banks were doing. As Rockefeller was no banker, this meant that the Standard Oil was being directed by professional bankers." The Standard Oil operation has always been directed by the most professional bankers in the world, the Rothschilds, through their agents, Kuhn Loeb & Company, who are known to have controlled the railroad industry and maintained close supervision of the "Rockefeller" fortune.

The 1907 panic was caused by the withdrawal of credit by the Frankfurt-on-the-Main Group and their associates. A monetary trust investigation in 1912 by the Pujo Committee, named after its senate chairman, revealed that Kuhn Loeb & Company had been allied with the Rockefeller-controlled National City Bank, of which Jacob Schiff had long been a director; therefore Schiff seemed to enjoy the best of both worlds by having the inside track to the leading powers on Wall Street, as he even admitted.

These are examples of the hidden power of the Rothschild interests in America. Not only did the Sanhedrin direct the Rockefeller enterprises from the time that the National City Bank was founded, but it also financed the early expansion of Rockefeller.

The modern international Jewish banking conspiracy began in Frankfurt-on-the-Main and was exploited by Mayer Amschel Rothschild (1743-1812). Its heritage still survives. According to the *Washington Post*, December 20, 1984, Frankfurt-on-the-Main is the financial capital of Germany, headquarters of the five dominant German banks, with 175 foreign banks established there. It also is headquarters for the Central Bank and the country's largest stock exchange. Like New York, it is the financial center of mainland Europe and justifies the presence of 11,000 American occupation troops to guard its domain.

Mayer Rothschild kept one of his five sons home to head the Frankfurt branch bank and sent the other four to establish branches in London, Paris, Vienna, and Naples. Quigley reports that Rothschild's "male descendants, for at least two generations, generally married first cousins or even nieces." This policy of planned marriages enabled the Grand Sanhedrin to preserve their fortunes and power. The Rothschilds and the Grand Sanhedrin followed such policies "to establish dynasties of international bankers and were more successful at this than the dynastic rulers of history." The modern world's financial system, an updating of the Babylonian monetary system of taxes and money creation, was perfected in Frankfurt-on-the-Main, in the province of Hesse. Mayer Amschel Rothschild and his associates discovered that although loans to farmers and small businesses could be profitable, the real profits lay in making loans to governments.

As he prospered, Mayer Amschel Bauer (later Rothschild) placed a large red shield over the door of the house in the Judengasse which he shared with the Schiff family. He subsequently took the name "Rothschild" for his name and sign. On his death in 1812, his empire was not divided, but run under the joint ownership of his five sons, following his instructions. The eldest, Amschel, was placed in charge of the Frankfurt bank. The second son, Salomon, was sent to Vienna, where he soon took over the banking monopoly formerly shared among five Jewish families: Arnstein, Eskeles, Geymuller, Stein, and Sina. The third son, Nathan, founded the London branch, after he had profited in some Manchester dealings in textiles and dyestuffs which caused him to be widely feared,

envied, hated, but respected. Karl, the fourth son, went to Naples, where he became head of the occult group, the Alta Vendita. The youngest son, James, founded the French branch of the House of Rothschild in Paris. Thus strategically located, the five sons began their lucrative operations in government finance.

I have often read and heard the old proverb that "wars are the Jews' harvests."

The first precept for success in making government loans lies in "creating a demand", that is, by taking part in the creation of financial panics, depressions, famines, wars and revolutions. The overwhelming success of the Rothschilds lay in their ability to convince the military powers that only they could finance the various predicaments and, consequently, kept the entire world in debt to them. As Frederic Morton writes in the preface to *The Rothschilds*: "For the last one hundred and fifty years, the history of the House of Rothschild has been to an amazing degree the backstage history of Western Europe...Because of their success in making loans not to individuals but to nations, they reaped huge profits...Someone once said that the wealth of Rothschild consists of the bankruptcy of nations." In *The Empire of the City*, E.C. Knuth says: "The fact that the House of Rothschild made its money in the great crashes of history and the great wars of history, the very periods when others lost their money, is beyond question."

On July 8, 1937, the *New York Times* noted that Professor Wilhelm, a German historian, had said: "The Rothschilds introduced the rule of money into European politics. The Rothschilds were the servants of money who undertook the reconstruction of the world as an image of money and its functions. Money and the employment of wealth have become the law of European life; we no longer have nations, but economic provinces."

I have often read and heard the old proverb that "wars are the Jews' harvests." During the nineteenth century, the Rothschilds and other Jewish families amassed a fortune financing governments at war with one another. According to economist Stuart Crane:

If you will look back at every war in Europe during the nineteenth century, you will see that they always ended with the establishment of a 'balance of power.' With every re-shuffling there was a balance of power in a new grouping around the House of Rothschild in England, France, or Austria. They grouped nations so that if any king got out of line, a war would break out and the war would be decided by which way the financing went. Researching the debt positions of the warring nations will usually indicate who was to be punished.

The nineteenth century saw two major defeats for the Rothschilds in the United States, however. The United States was the only country in the modern financial world to have resisted successfully, for over a hundred years, the formation of a private central bank. This resistance can be attributed to its early financial success in becoming a prosperous nation. In 1836, President Andrew Jackson abolished the Central Bank through which the Rothschilds had been exerting their control, according to Gustavus Myers in *History of the Great American Fortunes*. Then, during the Civil War, Abraham Lincoln refused to pay the Rothschilds the exorbitant rate of interest they wanted to finance the Union cause. President Lincoln ordered the printing of a total of \$450 million "greenbacks", deciding that America would only owe the money to herself. Meanwhile, the Rothschilds were financing the South through the Erlangers, their relatives, August Belmont having been their agent for the North!

On March 22, 1911, John F. Hylan, Mayor of New York City, said: "The real menace of our Republic is the invisible government which, like a giant octopus, sprawls its slimy length over our city, state, and nation. At the head is a small group of banking houses, generally referred to as 'international bankers'."

In their quest for wealth, the Rothschilds did not overlook either the small farmer or the stockpiling and wholesaling of grain. They developed a "farm loan" system which has been the curse of the farmers for more than a century. R.F. Pettigrew noted in the *British*

BRICKBATS & BOUQUETS

To "Hell" With Harold Covington

Dear Mr. Finckbone:

I have today notified Ben Klassen by registered letter that if he does not retract fully the apoplectic tirade which he published in the March, 1989 issue of *Racial Loyalty*, then I will instigate legal proceedings against him for libel. You need to know that I am perfectly serious about this. You need to understand that there is no way on God's green earth, if you will pardon the expression, that Ben Klassen can prove the statements that he has made... You also need to understand that contrary to your bobance and boasting, the so-called "Church" of the Creator is utterly despised by the local residents of Macon County and a local jury isn't going to be very merciful. The mountain people hate you and they will be happy to award punitive damages. It is by no means beyond the realm of possibility that he can get a change of venue for the civil trial, but ANYWHERE in North Carolina will crucify him. All I have to do is quote from his own writings on Christianity. I could get niggers to convict him.

The possibility exists that your "Church" and its founder are going to get clobbered by a VERY heavy judgement. I frankly do not believe that Ben Klassen has sense enough to realize the danger he is in. He could end up losing everything he has ever worked for...

I have told him precisely what is necessary by way of an apology. I urge you in the strongest terms to contact him and get him to apologize. I pray to God that Will Williams at least can keep a cool head and have enough horse sense to realize that Klassen has screwed up big time and that ranting and raving [?] about how he can win a case which is open and shut is an exercise in self delusion. If Klassen apologizes and agrees never to publish anything about me or the CNC in print again I'll drop the lawsuit. Otherwise I'm taking him to the cleaners... Please try to help.

Yours,
Harold A. Covington

ED. NOTE—Harold, You better pray extra hard to "God" if you think you are going to come on to our home turf and get a jury of niggers to line your pockets at our expense. You may have to hunt for days to even find a nigger around these parts. We call your bluff! We'll stake our reputation and good will which we've built in this community over the last 7 years against your idle threats anytime. We look forward to a big trial with you reading our books into the court record and the press spreading it all over the land. Everything we have ever written is for public consumption; we have nothing to hide. Can you honestly say the same? Our local law firm will start gathering evidence for the countersuit and we'll mobilize our local supporters. We take it that you are going to represent yourself as you advise on page 103 of your book. Will the insurance company you work for let you away from your desk for all the legal footwork ahead of you? If not, we can put you in touch with one of the couple of local Yid mouthpieces who would

like to see us gone as bad as you do. Or maybe Gary Gallo or even Morris Dees would join with you in this little plan to bankrupt and banish the C.O.T.C.? For you to even suggest that you would use the enemy's courts to hammer our Church should demonstrate which side of the fence you're on as a JOG fighter. By your actions and your measures against our organization, we are more convinced than ever that you are an agent of the enemies of the White Race and, henceforth, we will treat you accordingly. I'm sure your handful of supporters looks forward to financing this pipe dream of a plan to legitimize the "new Confederacy" and establish your credentials as a bona fide bible thumper. Do you really believe that the mountain people, who you say despise us so for our dim view of Christianity, are going to roll out the red carpet for a Grand Gizzard-Identity Christian-Confederate Nazi? Talk about self delusion! Any Christian who hates us, hates your guts equally, but at least they know where we really stand. You had better quit worrying about the Christians and start worrying about the

Creators out here. If you keep messing with the bull—you're going to get the horns. You've already disappointed many activists with this expedient move towards Christianity. You know damn well that LIBERTY BELL would never have published your book had they known you were going to crank up yet another "Christian movement". Mr. Finckbone, as well as myself, are **CREATORS!** When you take on one of us, you take on all of us. Why did you not heed Mr. Finckbone's letter to you when he stated: "I thought you were a political movement. Had I known you were a Christian movement, I would never have written you—I already have a religion!"

"ANATOMY OF A HYPOCRITE" stands as written! No retractions, no corrections, no apologies. It was you who invited our wrath when you tried your little power play "to ban all known Creators from the White movement". Hell, **WE ARE THE WHITE MOVEMENT** and, lawsuit or no lawsuit, you had better get your goddamned, insincere Christian movement out of these White boys' way.

You had also better put a very short leash on your supporters who call themselves **CREATIVITY SKINS**. (See letter in box below) Whoever these rumor-mongering punks are, who send anonymous death threats our way in your name, we intend to expose and **"BANISH THEM FROM THE WHITE MOVEMENT"** forthwith. We suspect that this is the same little political sapper squad who, in typical COINTELPRO fashion, has been distributing the ridiculous 2-sided, yellow cards (See box again) in the name of **CREATIVITY SKINS**. Legitimate Creators and legitimate Skins are not going to tolerate this sort of Machiavellian crap, so if you will stop spreading lies about us—we will agree to quit telling the truth about you.

CREATIVITY SKINS thinks our friend HAROLD COVINGTON got a real bum rap in your latest scumpaper. But BEN KLASSEN will hold no monopoly on spreading vicious lies, gossip and slander. After all, everyone knows that BEN KLASSEN is a JEW! That is much worse than even a GENTILE CIA AGENT, even if that canard were true!

CREATIVITY SKINS wants you to apologize to our dear friend, HAROLD COVINGTON, and you will issue a RETRACTION in your next scumpaper. Let's don't give CREATIVITY a bad name, now, Abou Ben Adam Klassen. Other people can spread rumors at the drop of a hat now. F'rinstance, we ALL know the real M.O. behind the "school for gifted boys." It's called PEDERASTY. The old British school vice. CREATIVITY SKINS doesn't go in much for buggery, Klassen. Without apologies, everyone will know the truth. And much much more about YOU. Do the right thing. You don't want to be looking over your shoulder for the rest of your life now do you, Abou?

ATTENTION ALL WHITE CAUCASIAN MALES:

Listen to me closely, these are your instructions. You are to take all of your money in savings plus all of your next paycheck, every penny of it, and use it to purchase for yourself a personal stockpile of guns, ammo, explosives and weapons of every sort. Then you are to go out and kill as many Jews, blacks, and hispanics as you can in the shortest possible time. Don't argue with me, just do it now. And don't worry about legalities FOR YOU HAVE THE SUPPORT of all of your White kin, including those in law enforcement. It is only a matter of time before our police and military forces will be rid of liberal administration. With their hands untied, our brothers in blue will once again be free to openly and publicly act in the best interest of OUR race.

(FRONT)

and will never again have to restrict their actions to the scrutiny of the protocols of zion or to any of the Jews' integrationist "death laws". It is true that every White person, by birthright alone, possesses the divine right to enforce RACIAL LAW. Just open your eyes and look at all the negroes. Racial law pleads for us to stop them now before they consume us. Jews plead that we mix gene pools with them instead. But our orders are TO KILL race mixers. **START NOW!** Make it known that Memphis is a White stronghold, that we are most hostile toward racemixing and the growing horde of thirdworld non-white scum. **KILL AT WILL NOW!** Your immediate action is vital, for individual initiative and vigilance both will determine history's coming chapter on the resurrection of our race. We're all in it together, so good luck and God bless you. Over and out.....

They're Everywhere! They're Everywhere!

Dear P.M. & H.P.,

Whew! Were you ever right, I do not usually take criticism very well, but yours happened to be very right! Your 4 books and R.L.'s have sure flushed a lot of Jewish garbage out of my head. I had just finished my 2nd readings of MEIN KAMPF and WHITE POWER when I received your books. Those books are almost too good to be true. I have always admired Hitler and have been looking for a group that would continue where he left off. Never have I read about or seen a group (or Church) that criticized AND backed that criticism up with facts and had a plan to make the thing or person criticized work better. You guys can cut right through the crap with common sense—which isn't so common nowadays with all the Jewish propaganda around. The Church of the Creator is the movement of the future and I do not plan to get left by the wayside. I would like to become a Reverend and meet you guys or a representative you might have in my area. Are there any dates in the near future when I might be able to come and visit?

Dear Hasta,

Brian from U.W.Y. here! How are ya doing? Thanks alot for all the stuff! I'm making Chapter 38, 39, & 64 of THE WHITE MAN'S BIBLE required reading for all members of our crew. I've gotten much knowledge from your literature.

I've been distributing all the stuff as much as possible. Anyone who is new to the movement and writes for more info, I send them your publication.

As soon as we can get some money we will send you as large a donation as we possible can. Most of us are young so it's hard to get work that pays enough.

Well, just wanted to say thanks and let y'all know that a donation is on the way!

Dear Rev. Williams,

I am writing this letter to inform you of my address change. I was basically kicked out of my parents house because my beliefs differed with their Christian beliefs. I tried and tried to explain the facts to them but they are too far gone. My mother said that she disowned me. I don't know if she went about it legally or not, but the point came across. My beliefs mean more to me than anything.

About a week ago, a local news show had a week long "special" on skinheads. Towards the end of that week, I was walking from the store one night and some guy attacked me from behind with a bat and bashed my head in. Fortunately, on my face, I only received a black eye, fat lips, a bruised nose, and bruised gums. I had to go to the hospital and recieved 26 stitches in the back of my head. Unfortunately, we know that guy is white. It is disturbing to know that one of my own would do something like that to someone who is fighting for the White Race, but he isn't the only race traitor I have come across.

On a good note, my boyfriend has decided to join C.O.T.C.. I feel a bit more at peace living with some White Racial Comrades who feel the same as I do, instead of constantly fighting and arguing the facts of life. I am looking forward to the celebration on April 21st. I will make the greatest effort to attend.

Dear Pontifex,

Things in Baltimore are looking good. I am practically out of literature. We have been roaming the streets passing it out. Our membership has increased and we are currently talking to other skinheads around the country. I have skimmed through all the books and am reading NATURE'S ETERNAL RELIGION now. It's hard for me to do a lot of outside reading now with my other school work and wrestling practice. I have to wrestle muds. It's good exercise and keeps me healthy, but I love it mostly because I can beat on one and not get in trouble for it.

I would appreciate more information about the School for Gifted Boys and also the get together to celebrate Hitler's 100th birthday. I'm interested in attending both.

Dear Hasta Primus,

Thank you very much for the materials you sent. I feel terrible for not making any donations. Hopefully I'll be able to get a job with real pay when we move to NC.

I enclosed a picture I drew, if you'd like to use it for anything feel free. Thanks again.

Dear Creators,

My name is Mike and I am the head of the United White Youth Chapter in Michigan. I take great pride in belonging to the White Race, and I will fight for it until the end. I have heard a great many things concerning your organization, all of them good, and therefore I am requesting more information regarding your movement.

Dear Hasta,

Thanks for the books and papers. I've created some flyers with my name and address for distribution at high school and college campuses. I posted some and gave some out yesterday at a nearby college as well as at a record shop and several newstands. (I insert them in-

to various "free" papers)

I'll be forwarding some of your books on to various Skinheads I know. The Skinheads are the builders of the New Day, the New Nation, and the New World. Let's get the CREATIVITY books in their hands so they'll get their education!

I'll also be promoting your books in my next newsletter and in the Skin-Zine which I'm putting together. \$20 enclosed. More later.

Dear C.O.T.C.,

Enclosed is news clipping about my latest literature distribution. I have lots of support there. If you get any good responses from Michigan, put them in contact with me. I'll keep the material flowing toward the public. I've been laying low after the large amount of publicity we received last week. It was on the news for two days in a row and in several papers. No literature (N.S., Klan, NAAWP, T-Bolt, WPP, SNF, etc.) ever stirred up so much hysterical paranoia before. That means you've hit the nerve head on. The Jew has been our enemy for thousands of years and you've got them uncovered. There is no turning back now! They want to get my name real bad. I can't have that. I live in crack-niggertown with my 70 year old mom who is disabled. I don't need my house burnt down. I've been around niggers for 19½ years now, but never seen the monkeys this bad. These niggers want WAR! Total kill-Whitey, vicious, cannabalsic, rap-music crack-induced, cocky HATE!

Anybody who wants to know about colored-Negro-Afro-black-African-American—"NIGGERS", ask me. I could write a book about 'em that would shock any hard-core movement racialist writer!

This neighborhood will explode this summer. My street is quiet. But the creatures are slithering through every day now. I've got to send you some pictures of this place. It makes the south Bronx look like Beverly Hills, CA.

At any rate, I'm glad that our movement—Creativity, is picking up steam. Man, you've gotten 10 Racial Loyalty's out in a row. Plus lots of other racist groups are writing in and coming in our direction. All these organizations will convert to the C.O.T.C. in the future. I KNOW IT. I've been in the NSWPP, Nat. Alliance, NAAWP, WPP-SNF, and followed the other groups, but never have I seen anything like the C.O.T.C.. Up until spring of '87 I had some belief in "God", but reading RAHOWA! changed that. I can't explain the feeling that I had when I realized that we are on our own—no spook to watch over us, judge or fry us. I felt free to be the White Man my ancestors were (total credit to the good White sisters too).

Creativity is the only salvation for the White Race. Anything else is just rehashing the problem, falling short or doing nothing. I'm damn proud to be a Creator/activist and will be so until I'm gone. Any moron can tell that the C.O.T.C. will be the religion of the future for our Race.

ED. NOTE—And we are damn proud to have associates like yourself in our Church. We are happy to protect your identity for now, but want to emphasize to our readers that you have done nothing illegal. We are instituting the CREATOR OF THE MONTH award to the member of our Church who does the most to publicize Creativity in the previous month and you are its 1st recipient. Your AWARD OF HONOR, signed by the Pontifex and suitable for framing, is forthcoming. Display it proudly. The follow-

ing letters exemplify the mood of Whites in the Detroit area (and receptivity to C.O.T.C.) in spite of the media smears.

Dear Creators,

Recently I was afforded the opportunity to read a few pages of your book, THE WHITE MAN'S BIBLE. Judging by the little that I read I believe that your organization is filled with people who truly care about our Almighty Race.

If you could send me any information on Creativity I would be grateful.

Dear Hasta Primus:

Enclosed find application for ordination with my picture. Thanks for R.L.'s and flyers which I'll distribute soon. Am glad to hear that memberships and subscribers are increasing.

Little by little, David Duke and others will come around to our way of thinking which is too much at once for most Christians and genteel persons.

**Racist tabloid unwanted in Warren
Neighborhood complains of unsolicited delivery**

By DAVID OLEJARZ
Staff Writer

WARREN — A racist publication randomly distributed in one south end neighborhood has unsettled homeowners who said its contents was inflammatory and sickening.

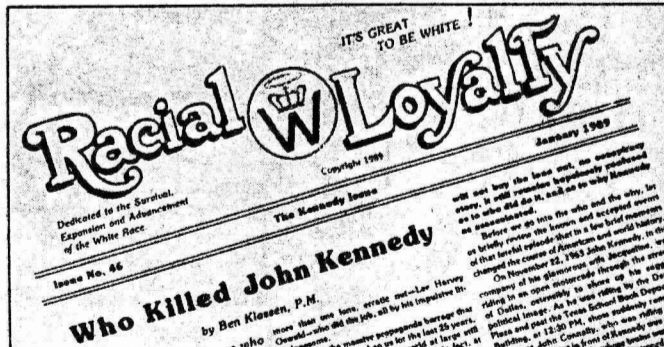

Homeowners on Masch Street between Toepfer and Eight Mile Road reported receiving the tabloid publication entitled "Racial Loyalty" in the late afternoon Thursday. The publication was not distributed with the mail delivery and appeared to have been done at random since some neighbors said they did not receive a copy.

Different issues of the publication were distributed, apparently by hand. Neighbors reported receiving issues dated January 1989, December 1984 and February 1987.

"Oh, it's awful. Oh, it's so inflammatory," said homeowner Carol Rubacha.

"It was sickening. I did not read it all but it's so sick. And at a time like this? We've got enough upheaval at U-M and MSU. It isn't interesting reading. It's so inflammatory."

The publication's masthead describes "Racial Loyalty" as "dedicated to the survival, expansion and advancement of the white race."

SEVERAL EDITIONS of this blatantly racial tabloid published in North Carolina were distributed to Warren homes Thursday, neighbors complained.

In the January 1989 copyrighted edition, the cover story is headlined "Who killed John Kennedy" and said in part, "the Kennedy assassination cover-up is undoubtedly the most complex and pervasive Jewish hoax since Christianity and the Holocaust."

On the back page of the 12-page issue is a series of racist cartoons and jokes aimed at blacks and Jews. "Racial Loyalty" is published by the Church of the Creator at its World Center and edited by Ben

Klassen. Its address is a post office box number in Otto, N.C.

A North Carolina telephone operator said a telephone number to a Ben Klassen in Franklin, N.C. was unlisted. The operator also said there was no record of the church.

Mayor Ronald L. Bonkowski said his office had not received any complaints about the publication. However, he said the police department would investigate the matter.

He admitted that the publication

is unsettling.

"Freedom of the press runs a long way," he said. "I would throw it in the trash. The more you read it, the more you get upset about it."

The publication carried a Hazel Park post office box number on its front page. Postmaster Jill Moreillon of the U.S. Postal Service in Hazel Park said the person who used the box number has since left. She declined to identify the person.

Moreillon said she referred the matter to the postal inspection service in Detroit after receiving a complaint from an anonymous caller about the publication.

Inspector Fred Vandeputten of the external crime division of the postal inspection service said he doubted there was any criminal wrongdoing involved.

In the meantime, homeowners hope the person responsible for the delivery is not bent on creating trouble in their neighborhood.

"I've never heard anything like that before and I've been here 39 years," said one homeowner who received the publication and asked not to be identified. "I don't know why someone would want to stir up something around here."

The Wildest Stories Ever Told

Part XIII of a Continuing Series

Easter—The Big Event that Never Happened.

This included the Crucifixion, the Resurrection, the Ascension, the Rapture and all the rest of that sorry claptrap.

For more than seventeen centuries Christian adherents, meaning mostly the White Race, have been so cowed and intimidated by the High Priesthood of Christianity that they hardly dared ask even the most obvious questions about "the faith" and some of those who did were tortured, hanged or burned at the stake. More recently, these unanswered questions are beginning to surface and press for answers. One of the most obvious questions is this: Are the "Sacred Scriptures" really founded on substantiated historical fact, or are they just lying to the bamboozled followers?

There are several scholarly theological study groups that are taking a second look at what has for so long been deemed as the GOSPEL TRUTH. One of these is a group of biblical scholars called the JESUS SEMINAR who recently met in Sonoma, California to study the question of whether or not Jesus really said that he would return on *clouds of glory* to gather the *righteous just* before the end of the world. This group consists of some 125 scholars drawn from Wesleyan University, De Paul University, the University of Minnesota and several dozen other colleges. The group was formed in 1985 in Berkeley, CA, and has spent the last four years critically examining the Gospels in an effort to separate what they think Jesus actually said, from words that might have been attributed to him later by zealous, early Christian writers. I believe that this is a fairly intelligent approach, since even the most gullible Christian admits that Christ never wrote a single word for posterity, (once, he supposedly wrote in the sand). Everything he is supposed to have said is only the product of hearsay, written by scribblers of unknown origin who had never personally seen or heard him.

Last October this seminar group met in Atlanta and achieved some notoriety when, after an in-depth study of the scriptures, the majority voted that Jesus never wrote the LORD'S PRAYER. The prayer contained some of Christ's

"ideas", but was really composed many years later by early Christians, the seminar concluded.

This year in last month's meeting in Sonoma, a second look was focused on the *Second Coming*. Did Jesus actually say he was coming back to gather up his faithful flock at the end of the world, or did someone else write this nonsense for posterity? This time the seminar's vote was even more decisive than the one last October. The seminar voted by a lopsided 75 percent majority that Jesus did not predict the end of the world, nor that he would ever return. His supposed description of the *Second Coming* is to be found in the Gospel of Mark (Chapter 13, verses 24-27). The seminar however concluded that this Gospel was composed at least four decades after the Crucifixion, and the Gospel writer, whoever he was, drew on Old Testament sources in the Book of Daniel.

Moslems are evidently not the only ones whose ire is aroused when someone questions the validity of their pet fantasies. Christians are every bit as fanatic. Dr. Robert Funk, who is the head of the seminar, received an anonymous letter, which warned that: "if Iran's leader can give (a death threat) for someone trying to run down the Moslem religion, you should get a death threat too—for undermining the blessed-by-the-Holy-Spirit Bible." Shades of Ayatollah! Shades of the Inquisition!

Purpose of this Series

The overriding goal of the Church of the Creator is the survival, expansion and advancement of the White Race, and the immediate goal is to free the White Race from the worldwide yoke of Jewish tyranny. In order to achieve both goals it is necessary to build a massive, powerful movement that can smash the Jewish monster. Before the White Race can ever be in a position to unite, polarize and build such a power structure it will first have to get its thinking straightened out. This it can never do as long as it entertains in its innermost thoughts that most diabolical of all mind-scramblers, Jewish Christianity. By using ridicule and exposing this idiotic age old spooks-in-the-sky-swindle, we believe we can best help lead the White Race back to sanity, common sense, and a healthy, constructive attitude towards its own best interests.

Since it is now that time of year again, let us take a long, objective look at the Easter story and see what the big ruckus is all about. Basically, the stories are told in the four Gospels; Matthew, Mark, Luke and John. They are all supposedly telling the "Gospel Truth", and since all four Gospels describe the same set of events, they should coincide to the last detail. Furthermore, since the Christian priesthood claims that all the scriptures are holy, guided by the hand of the "Holy Spirit", the Super Spook who knows all, see all, is super smart and never makes a mistake, how does it happen that there are so many discrepancies, variations and outright contradictions in the four versions as told by Matthew, Mark, Luke and John?

The basic story, as all the world knows, is about a central character named Jesus Christ who supposedly was sent down to earth

to save us poor deluded sinners from suffering the ultimate fate of being fried in hell forever and a day, a booby trap he and his father had themselves constructed. In order to save us all, it was ordained by his father that he be let loose on earth to preach a new line (from the Old Testament) for three short years and set us all straight. Then the script calls for him being nailed to the cross, stabbed in the side by a spear, and left to die. This is supposed to bring us "salvation" and save us all from the grisly fate of being forever barbecued in hell. A weird story? Yes, indeed, and it would be considered a bizarre episode even in such TV fantasies as THE TWILIGHT ZONE series.

Now you would think that with such an important script, being guided by the hand of the Super Spook himself, these fellows, Matthew, Mark, Luke and John would get their act together and be able to tell a straight story that would stand up in court, but they do not. Their four different versions are full of holes, discrepancies and contradictions. Having just read all four versions, here are some (not all) of the discrepancies I find in just a cursory examination.

THE "BETRAYAL"

In Matthew, Jesus is betrayed by Judas and supposedly identified by kissing him. One of Jesus' disciples draws a sword to defend him and struck a servant of the high priest. Jesus tells him to put away his sword and says *Thinkest thou that I cannot now pray to my Father and he shall give me twelve*

(Continued on next Page)

EASTER*(Continued from Page 6)*

legions of angels? But how then shall the scriptures be fulfilled that thus it must be?

Evidently the script had been scripted in advance by him and his father and they were bound to play it as planned. It would therefore seem that those nasties who crucified him were only carrying out a pre-written drama as scripted by Father and Son, who were really one, if you get the drift. Therefore poor Judas was only carrying out his pre-destined role in a drama over which he had no control (God knows all, sees all, not a hair falls from you head or a sparrow from the roof but HE wills it. Remember?).

To Judas credit, since he was picked to play the heavy, it says in Chapter 27 of Matthew that he repented the role he played, returned the thirty pieces of silver and hanged himself. Such a deal! Poor Judas! If only the thousands of White race-traitors in "our" U.S. government (JOG) who are betraying the White Race today would have as much integrity as did poor Judas and do likewise!

In Mark the same episode is described differently, and Jesus does not make the same speech about being able to call up twelve legions of angels at will, but instead says in effect: Hey, I was in the temple any number of times. Why didn't you take me then? In Luke the story is similar but the dialogue is altogether different. In neither Mark nor Luke does it say anything about Judas repenting or hanging himself. In John's version it says nothing about the Judas kiss, but instead as Judas and the multitude come to "arraign" him Jesus just says, *Whom seek ye?* and when the crowd says *Jesus of Nazareth*, he answers, *I am he*. Simple as that. Nothing about Judas kissing or hanging.

LUGGING THE CROSS

There are similar contradictions about Jesus lugging that cross up the hill. In the first three versions a fellow by the name of Simon, the Cyrenian, carries the cross, with Jesus walking ahead of him. In John's version Jesus drags it up the hill himself with his head encrusted by a crown of thorns. Whom can you believe?

THE CRUCIFIXION

In Matthew and in Mark, Jesus was crucified in a place called GOLGOTHA. In Luke he was crucified on a hill called CALVARY. In John, he again returned to a PLACE called GOLGOTHA where he was crucified. Come on, fellows, if you must lie, at least get your story straight.

KING OF THE JEWS

One thing all four "Gospels" agree on is that a sign was nailed at the top of the cross proclaiming that Christ was THE KING OF THE JEWS, although they all differed somewhat in the exact wording. Matthew: THIS IS JESUS THE KING OF THE JEWS. Mark: THE KING OF THE JEWS. Luke: THIS IS THE KING OF THE JEWS. John: JESUS OF NAZARETH THE KING OF THE JEWS. QUESTION: Why should the Gentiles be so hepped up about some mythical king of the Jews?

LAST WORDS

There is a drastic discrepancy as to what Christ's last words were before he gave up the ghost. According to Matthew, as the moment of truth arrived, Jesus became desperate and cried out in a loud voice (in Jewish yet) *My God, my God, why hast thou forsaken me?* A damn good question. Where was the Super Spook while all this was going on? In Mark's version he says the same thing in Jewish *Eloi, Eloi lama sabachthani?* except in Matthew "Eloi" is spelled "Eli". In Luke his last words were altogether different and Jesus is quoted as saying: *Father forgive them for they know not what they do*. He then gave up the ghost. In the John version we have another set of dialogue. As Jesus was hanging on the cross he saw his mother below and said to her, *Woman, behold thy son!* Then saith he to the disciple, *Behold thy mother!* Next he is quoted as saying *I thirst*. Someone thrust up a sponge filled with vinegar and put it to his mouth. Then in John 19:30 it says: *When Jesus had received the vinegar, he said, It is finished; and he bowed his head and gave up his spirit.*

THE RESURRECTION

We now come to the so-called resurrection about which there is much hocus-pocus and there are a variety of versions, in fact, too many to recapitulate in much detail here. According to Matthew, Mary Magdalene and the other Mary went to see the sepulchre. And behold there was a great earthquake: for the angel of the Lord descended from heaven and rolled back the stone from the door and sat upon it.

Mark tells it differently. Mary M. and Mary, the mother of James, and a third woman by the name of Salome went to the sepulchre to bring sweet spices and anoint Jesus. When they got there the stone had already been rolled away, and when they entered the tomb they found a young man sitting on the right side, supposedly an angel who told them Jesus had left. It says nothing about an ear-

thquake. In Luke it tells a similar story, except it says the women entered into the tomb, found no body, but there were two angels in shining garments. In John's version Mary Magdalene runs into the sepulchre by herself while it was still dark and finds the stone rolled away (nothing about angels). She then runs back to tell Simon Peter and the other disciple that Christ is missing. Then all three of them run back to the tomb. Still no angels, but what a story.

THE ASCENSION

There are a number of severely conflicting versions about the Ascension. Matthew says absolutely nothing about such nonsense. According to Mark, Jesus delivered a short peroration to his eleven, and after he had spoken, he was received up into heaven and sat on the right hand of God. In the Luke version Jesus is engaged in a number of strange incidents, has a number of conversations and then at Bethany, as he was blessing a number of people, he lifted up his hands, parted from them and carried up into heaven. In the last Chapter of John the story is altogether different again, and much garbled. Evidently after the resurrection, Jesus appears to many people, wanders much, preaches much, and in the end sort of fades into the sunset. But it says nothing about an ascension.

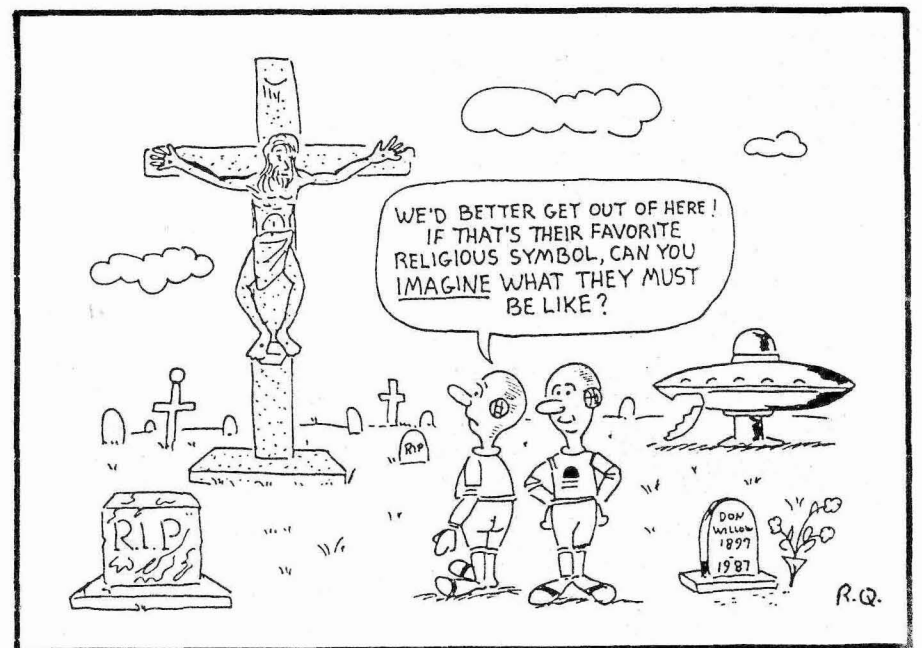

THE RAPTURE

The ascension seems like such a jolly good experience that a number of Christian fanatics are convinced that they too can and will at the end of time experience what is called THE RAPTURE. I have seen bumper stickers on cars which say, "In case of THE RAPTURE this vehicle will be unmanned." Evidently they believe that they (being, oh so righteous!) will be sucked up as in a huge vacuum cleaner and zoomed up into heaven.

So much for all the hocus-pocus about the crucifixion, the resurrection, the ascension and the rapture. There is not one shred of historical evidence that any of this nonsense has ever happened. It is all based on stories supposedly told by the four "Gospels", Matthew, Mark, Luke and John. But we know nothing about them either anymore than we know about Mother Goose, the cat and the fiddle and the cow that supposedly jumped over the moon. All we have is literature of unknown origins, concocted and revamped by anonymous people, now long dead and unknown. Is there any reason to believe them? I think not. Not only are these stories bizarre beyond belief, but as we have just witnessed, the different versions of the key events don't mesh. All I can say about whoever the people were who put these stories together is that the least they could do if they are going to lie to us, is to keep their stories consistent.

Actually Easter is an outgrowth of a combination of Pagan festivals celebrating Spring and/or the Vernal Equinox. Such festivals were well established, and one of them was in honor of Eastre, Eostre or Ostara, the pagan Anglo-Saxon goddess of spring or dawn, akin to East. It also surfaced in ancient Teutonic mythology. When Christianity became more powerful and pervasive, they usurped this pagan holiday and converted it into a Christian festival with their own concocted mythology as we have explored in the previous passages. Of course now we also have the Easter Bunny, its eggs (which any good Christian can tell you is symbolic of Jesus' "rebirth"), and all the other crass commercial trappings, not unlike Christmas, to which the Jew looks so eagerly (\$\$\$) forward each year.

If the Jesus Seminar we mentioned in the beginning continues to "investigate" the Scriptures as they

ZIONISM*(Continued from Page 9)*

Guardian: "This system of banking [causing the ultimate ruin of all those who cultivate the soil] was the invention of Lord Overstone, with the assistance of the Rothschilds, bankers of Europe."

For more than a century, a widespread belief has been deliberately fostered in the United States that the Rothschilds were of little significance in the American financial scene. With this cover, they have been able to manipulate political and financial developments in this country to their own advantage. In 1837, the Rothschilds let their American representative, W.L. & M.S. Joseph, go bankrupt in the crash while they threw their cash reserves behind a newcomer, August Belmont, and their secret representative, George Peabody of London. Birmingham notes in *Our Crowd* on page 28: "In the Panic of 1837, Belmont was able to perform a service which he would repeat in subsequent panics, thanks to the hugeness of the Rothschild reservoir of capital, to start out in America operating his own Federal Reserve System."

Jacob Schiff, who brought the Kuhn Loeb & Company firm to its preeminent role in American finance, was born in the Rothschild house at 148 Judengasse, Frankfurt, which the Rothschilds shared with the Schiff family. In 1867, Abraham Kuhn and Solomon Loeb, two Cincinnati dry goods merchants, founded the banking house of Kuhn Loeb & Company. In 1875, Jacob Schiff arrived from Frankfurt to join the firm. He married Therese, Solomon's daughter. He had access to large quantities of gold from the Sanhedrin if needed, enabling Kuhn Loeb & Company to expand in all directions of American banking and commerce. In 1885, Loeb retired; Jacob Schiff ran the firm from 1885 till his death in 1920.

Jacob Schiff (1847-1920) was the man that the Frankfurt-on-the-Main bankers sent to America 63 years after the death of Mayer Amschel Rothschild to run American through Kuhn Loeb & Company. Jacob Schiff was considered the Godfather of modern American banking and commerce. He was the founder and leader of "The Committee", the ultimate decision makers of Zionism. Under his jurisdiction, America's first private central bank in eighty years was established. They called it the Federal Reserve Bank. Through his European money connections, Schiff was able to control banking and commerce as well. A close associate said: "He carries every railroad in the country, every bit of rolling stock, every foot of track, and every man connected with each line—from the president down to the last brakeman—inside his head." Schiff was also the financial advisor and sat on the board of Western Union. This gave him the privilege of knowing inside information about his competitors' transactions. Thus, controlling the railroads and communications enabled the international bankers and merchants to decide when, where, and at what price the natural resources of the new country would be hauled and bought. Therefore, these cartels were able to dictate the price of the raw materials and agricultural products of the new nation.

At no time has the House of Rothschild ever indicated publicly that it had any interest in the firm of Kuhn Loeb & Company. George R. Conroy stated in *Truth* magazine, Boston, December 16, 1912:

Mr. Schiff is head of the great private banking house of Kuhn Loeb & Company, which represents the Rothschild interests on this side of the Atlantic. He has been described as a financial strategist, and has been for years, the financial minister of the great impersonal power known as Standard Oil. He was hand-in-glove with the Harrimans, the Goulds, and the Rockefellers in all their railroad enterprises and has become the dominant power in the railroad and financial world of America. Frankfurt-on-the-Main has been the power behind the scenes of the Harriman fortunes. (now Brown Brothers Harriman).

It explains the frequent appointments (never elections) of W. Averill Harriman, the dominant power in the Democratic Party, while his partner's son, George Bush, is the Republican vice-president, a heartbeat away from the presidency of the United States. [Remember, "THE SCORE" was written in 1986. Jewish control of both parties is even tighter now than it was then.]

The money power from Frankfurt-on-the-Main explains the influence it had in the secret writing of the Federal Reserve Act in 1913 by Paul Warburg (protege of Schiff) at Kuhn, Loeb & Company, and the even more secret deals which caused it to be enacted into

law by Congress. It explains how the United States could fight World War I with Paul Warburg in charge of its banking system, through his being Governor of the Federal Reserve Board, and with Bernard Baruch as dictator of American industry as Chairman of the War Industries Board.

In Eustace Mullins's book, *The Secrets of the Federal Reserve*, on page 90, he states:

Bernard Baruch was another Jewish German that was appointed by Wilson to head the War Industries Board. He worked closely with Kuhn Loeb & Company in controlling America's railway system. In Who's Who, Baruch mentions that he was a member of the Commission which handled all purchasing for the Allies during World War I. In fact, Baruch was the Commission. He spent the American taxpayers' money at the rate of ten billion dollars a year, and was also the dominant member of the Munitions Price-Fixing Committee. He set the prices at which the government bought war materials. It would be naive to presume that the orders did not go to firms in which he and his associates had more than a polite interest. A profile in the New Yorker magazine reported that Baruch made a profit of \$700,000 in one day during World War I. He was classified as one of the wealthiest men in America after World War I. At the Nye Committee hearings in 1935, Baruch testified,

"President Wilson gave me a letter authorizing me to take over any industry or plant. There was Judge Gary, President of United States Steel, whom we were having trouble with, and when I showed him that letter he said, 'I guess we will have to fix this up', and he did fix it up."

Eugene Meyer, of Jewish ancestry whose family controls the *Washington Post* and specialized in international gold movements through marriage connections in the banking house of Lazard Freres (Rothschild relatives), was chairman of the War Finance Corporation. This corporation supplied credit to the tune of \$1,894,000,000 to the United States Government to finance World War I. Meyer and Assistant Secretary of the Treasury Jerome J. Hanauer (partner of Kuhn Loeb & Company, whose daughter married another partner, Lewis L. Strauss) agreed to an arbitrary figure for the price of the Government Bonds (government debt) which were purchased by the War Finance Corporation. After the war, Eugene Meyer was appointed by President Hoover as Governor of the Federal Reserve Board, and he was President of the World Bank until 1947.

Kuhn Loeb & Company partner Lewis L. Strauss was acting head of the U.S. Food Administration during the Depression, under Herbert Hoover. Meanwhile, Paul Warburg's brother, Max, headed the German espionage and financial system. Another brother was German Commercial Attache in Stockholm, traditional listening post for warring nations; and Jacob Schiff had two brothers in Germany who were financing the German war effort. It was a classic case of a "managed conflict", with the international bankers manipulating both sides from behind the scenes. At the Versailles Peace Conference, Bernard Baruch was head of the

History has proven that whenever religion is the dominant force of the state, it has always had a major political influence on the laws of that state.

Reparations Commission; Max Warburg, on behalf of Germany, accepted the reparation terms, while Paul Warburg, Thomas Lamont, and other Wall Street bankers advised Wilson and the Dulles brothers on how "American" interests should be handled at this all-important diplomatic conference.

One of the cardinal principles of this Jewish dynasty is secrecy. The Bank of England and the Federal Reserve Bank of the United States refuse to reveal names of stockholders, but all the arrows point in the same direction. Eustace Mullins, who has spent his lifetime studying the intricacies of the central banking system of the world, has concluded that only the "elite" New York banks bought the controlling stock in the Federal Reserve Bank of New York when it was established in 1914. They were: J.P. Morgan, National

City Bank, Kuhn Loeb & Company, Guaranty Trust, and Manufacturers-Hanover Trust. Some of these firms have merged, but all are connected to the top of the pyramid by the Rothschild Trust and the Committee of Zionism.

History has proven that whenever religion is the dominant force of the state, it has always had a major political influence on the laws of that state. Zionism is a political movement of a race unified by the wealth of the Sanhedrin, The Law, language, and, now, a nation (Israel). The Zionist leaders have the power to create money, which is the dynasty that controls labor and economies throughout the world. The majority of people in a nation can become the dominant force in that nation, as in a democracy, but as history testifies, regardless of the vote, usually a minority has the power. A ruling class suppresses the working class. America and the world are no different today.

It has been documented that Baron Edmund Ames Rothschild was the family representative at the first Zionist Council. On November 2, 1917, Lord Balfour addressed a letter to Lionel Walter Rothschild committing the Moslem and Christian country of Palestine to the Jewish nation. By this letter it is obvious he was considered at that time the lay head of the world Zionist organization and an elite leader of the Grand Sanhedrin. The wealth and control of governments has enabled the Zionists to set the policies of the world through their political party which has unified the members of the Kehillah.

The American taxpayer is financing and backing the socialist regime of Israel to a total of one-fourth of all U.S. foreign aid—all of it in grants with no repayments. The Zionist machine has destroyed and pushed the Christian and Moslem Palestinians out of their homeland and has taken land from Egypt. Their machine has created havoc in Lebanon. Before 1938, the Palestinian state was composed of 85 percent Moslems, 10 percent Christians, and only 5 percent Jews. Palestine is now Israel.

This is an example of how the Zionists, through their governing body, have succeeded in occupying positions of power at the various levels of government and in exerting tremendous pressure while making government decisions. Since control of the world and its money supply is in the hands of the rulers of Zionism, the international bankers, the blame for the movement toward socialism, communism, turmoil and destruction in the world must fall on their shoulders. The influence of Zionism on America and the world has been far greater than the average citizen realizes. (W)

are committed to doing, I believe they will divulge one hoax after another, until in the end they will come to the same conclusion as I did some eighteen years ago—namely, the whole spooks in the sky swindle is just that. Whether they are already aware of it and do not dare tell the whole story all at once, remains to be seen.

Regardless, we Creators have seen through this whole Jewish mess and have thrown it overboard for the garbage it is. We find the whole mess repugnant to our natural instincts as we do the Christian symbol of a dead Jew being nailed to a cross. How ghoulish! If we were to use a parallel symbol of, say, a dead horse thief hanging by the neck from a rope as our logo for CREATIVITY, people would think we had gone bonkers, but it would be no more outrageous and repugnant than is the symbol of the cross. The whole Christian thing is a Jewish swindle from beginning to end, one that has needlessly laid a heavy guilt complex on the White Race for many centuries. It is my prediction that until we replace Jewish Christianity with a healthy racial religion of our own we will never escape from the clutches of the Jewish vampire.

As we expand our own White Man's religion, based on the Eternal Laws of Nature, the Lessons of History and on Logic and Common Sense, we will again celebrate Easter as once did our pagan ancestors, as a happy and natural festival of SPRING and the VERNAL EQUINOX. (W)

History and Klassen will prove me right in this respect. Some who wrote vitriolic letters chastising the P.M., are now members and our staunchest supporters. We can't really expect or hope to overcome in one generation what Jews have been promulgating for centuries past.

Was happy to learn that P.M. finally appeared on a talk show as this is what is needed to get people interested in our books and talking about Creativity. Keep me posted on progress of the School for Gifted Boys. I may send a boy or sponsor one who is worthy. Rahowal

Dear Pontifex,

I continue to salute you for your intelligence and articulation. *Racial Loyalty* has excellent production values, except for the witless cartoons. I'd rather see a cartoon strip with morality notes and a touch of humor.

Sincerely,

ED. NOTE—Glad you like the paper, Jack. You can just quit reading at page 11 from now on 'cause WHITE HEAT CARTOONS stays. Our people are angry, and nigger-bashing, Jew-stomping cartoons are a welcome departure to most from the anti-White, moralistic witticisms we've been conditioned to accept. Positive cartoons are interspersed with the nasty occasionally. We encourage our readers to submit their ideas for cartoons since our Ron Quinn must surely run out of his own soon. Several in this issue were sent in by Creators for Ron's special touch.

One Group — One Cause

Dear Pontifex:

Enclosed is a \$50 M.O. for a sub to *Racial Loyalty* and the other listed items. I hope there are a few dollars left for your S.F.G.B. project.

Three years ago I quit a good job with G.T.E. and moved to the Northwest to live near the Aryan Nations. To make a long story short, I learned a valuable lesson through it all. 3 years, 7,000 miles and a bankruptcy later, I think your organization is the polestar that will guide the White Race into the 21st century. I have read both NATURE'S ETERNAL RELIGION and THE WHITE MAN'S BIBLE.

From now on I'm going to concentrate my time and money on ONE GROUP, ONE CAUSE—not a lot of polyglot groups that mean well, but seem to be a financial drain on me. That's why I no longer subscribe to *The Thunderbolt*, *C.D.L. Report*, *Spotlight*, etc. Omar Miller and I plan to visit the World Headquarters soon.

To Victory,
Dennis Medofer

Dear Hasta Primus,

Find enclosed 10 FRN's. Please send me a copy of NATURE'S ETERNAL RELIGION.

I've sure enjoyed getting *Racial Loyalty* the last few months since we exchanged letters last summer, you and the Pontifex are really getting people re-oriented onto the right track!

I sure enjoyed the expose of Harold Covington, I got a few of his newsletters (CNC Bulletin). What a joke!

I've just about had my bellyful of Identity Christians too. I was ID for a long time (starting in the mid-70's), but I could never quite stomach calling the Great White Race "Israel" even when I was the most fervent Identity believer. I guess I had doubts in the back of my head all along, but could never quite admit it till recently.

Rev. Pete Anderson gave me my first copy of *R.L.* in May 1984 but it took until last year for the concept of Creativity to really take root in my mind. So remember that every issue of *Racial Loyalty* that gets into the hands of a White Man is potential dynamite!

I have a hell of a task here weaning my Identity friends away from their belief, but I believe I must at least try to save my brethren from turning themselves into spiritual Jews. Yes, many Identity people are taking on the attributes of Jews as they get deeper and deeper into it.

Tell Rev. Bob Mercer that (group name deleted) might be willing to back him for President. We got Duke on the ballot in '88 and we know how to get Mercer on in '92.

More From the Sage Texan

Dear P.M. & H.P.,

Received my membership certificate and card. A friend whose wife is a Baptist Sunday school teacher says I should frame it, which I will. However, this presents me with a problem. You see, I was ordained a Baptist Deacon 20 years ago and have felt at times that I should resign. I consider the Bible admonition, "Come ye out from among them and be ye separate." Now you must admit that ain't bad advice, but these "Judeo-Whatevers" teach and practice the very opposite with race-mixing etc. Thus being not bound by their "morals" I have been like a fifth columnist and go to church often just to ask questions they can't or dare not answer.

Dad always called them "niggers" but Mom said that wasn't nice and we must call them colored people. Though they join NAACP they reject "colored", preferring black, then Afro-Americans, but now some say Afro is a hair style and reject that. Might I suggest AMERICOOONS?

Caller, "I want someone out here to see about two coons keeping me awake." Police dispatcher, "Are those two-legged or four-legged coons?" Caller, "Fo legged you honky racist."

I got a kick out of writing to *Christian News* to shake up any Kikes and a few "Christians", but now they don't print me. Did someone alert the Rev. Editor that I had something to do with you?

Boob tube showed Amish as the only people without a drug problem. They distress the "Establishment" because they live at subsistence level and only money circulating is easily taxed. Palestinians who promote subsistence living are now a greater threat to Zionist Kikes than rock throwers. Is there a lesson in such things for our fold? Your writings certainly indicate that there is. The only problem is in trying to teach our young victims of the

brain laundry that they must wean themselves from the fad life leading to the fag life and death style.

Dallas Morning News decries fact that older racists are using skinhead groups as recruit pools. I laughed, reading the writer's supposed shock that some skins were as young as 14 years old! And how old are Yids at Bar Mitzvah time? 13 right? So the racists are still a year behind our enemy. We just have to do more.

True, Covington may resist competition from us, but the cause is big enough for several more organizations IF they can gather their own support; IF they refrain from truly destructive in-fighting, and IF they do not become tools to draw away both financial and effective force as outfits like K kosher Konservative John Birchers or COINTELPRO set-ups like Frank Collin's (Cohen's) Chicago "NAZIS". So, as you indicate, "bye-bye Harold". Certainly Covington has many good ideas but internal conflicts should not be permitted to benefit the enemy. Codreanu's FOR MY LEGIONARIES beats Harold's.

Tell me how they say Jesus grew up in grinding poverty if he was given gifts as a baby, any of which would have equalled a king's ransom? I like to ask at Christmas time if Joseph bet it all on the local chariot or jackass races or did Mary blow it all in at the original Jew fire sale. A few good people have actually seemed offended at such questions! I can't figure why.

Gotta quit this and start reading those books you sent. At 66 I may be too old to trade a Deacon's ordination for becoming a Creativity minister but will give it a good look. Martin Luther is supposed to have said to iconoclast followers who were busting statues of saints, "It is wrong to destroy the crutch upon which a fellow's weak faith leans." I say, kick that crutch. Let him fall on his ass and if he is a man he will learn to stand without it. For it is his religion that needed the crutch, not a real faith.

A new religion seems shocking at first and one might believe it can't be established, but he has only to look back to Campbell, Joseph Smith, and Charles Taze Russel to see how easily it can be done. The difference here is that they were all based on but undercut Christianity. Leaders like Rutherford may prophesy and fall flat but their troops go marching on.

I hope I have not done worse with this rambling than I have distracted by entertaining. We old men turn too much to the past. After all, we have a hell of a lot more to look back on than to look forward to. I only hope that what I do in the future has more quality than that which I look back on.

Creatively,
Gordon S. Clark

Comrades:

I'd just like to say how grateful we are at A.R.M. for your printing of my letter (*R.L.* No.44). I received a lot of responses and picked up many new subscribers. Things have picked up greatly. We've formed A.R.M. Skins as a forum for the Skins in our organization and 2 Skins have been appointed as district leaders. C.O.T.C. material is now sold at all meetings and is quite popular. Other than one surprising defection, our new focus on anti-Christianity and pro-Creativity has

been very successful, especially with our younger members. In closing, I want to thank you again for all your help.

Dear Hasta Primus,

Thank you for the letter, photo [H.P. & P.M.] and everything. Both of you look handsome and healthy. It feels so good to be a member of the Church. Tommy [Ryden] is the most wonderful thing that has ever happened to me in my entire life. We are talking every moment we can about how to best spread the wonderful things about the C.O.T.C. Right now I am reading 4 of Pontifex Maximus' books. I can't get enough of these books—I enjoy every word. I want to learn as much as possible so I will be able to tell and spread all of the important information. Here in Sweden there are not many who know what the Jews have done and are doing today.

The organizing of our Church here has to be done properly. We will be building a network of people in countries who speak languages other than English who can translate into the language of their country. We will be in contact with these other Creators all the time giving advice and informing each other about what is happening in each country. I am full of enthusiasm and energy. I am sending a photo of myself. For the White Power—

ED. NOTE—WOW! Rev. Ryden, you're a lucky man! We are all fortunate to have such an energetic and capable young couple undertaking the large task of promoting Creativity and organizing our kin in the lands of our fathers.

Dear Sirs,

On a recent trip to the United States, while staying with friends, I was introduced to the *Racial Loyalty* paper you produce and was impressed with the publication and its philosophies.

Having lived in London for several years; a city very much a mixture of many races, a so-called melting pot, it was refreshing to see a magazine such as yours, and in fact a movement such as yours, operating these days.

I have seen a couple of magazines akin to this here in the U.K., but they tend to be fairly limp in attitude and content, seemingly ready to kowtow to the general liberal attitudes infecting practically all facets of English life. Education, politics, sports and entertainment are increasingly tainted by England's myriad minorities and there seems at present no publications (or even, I'm beginning to suspect, organizations as a whole) that share your attitudes and are willing to espouse them in print, especially in the face of our increasing liberalism and social awareness.

Yours,
Gerald V.

sentence, bucking the system all the way, I met Rudy Stanko. He introduced me to NATURE'S ETERNAL RELIGION. For the first time in my life, I read in your book what I felt in my heart. I know I can be an asset to the Church. I am from the Chicago area and I strongly feel the time is ripe for the Church of the Creator to be introduced back home to my family and friends. Please take me aboard and start training me now so I will know how to start up a Church of the Creator in Chicago. If one is already there, tell me where so I can urge my family and friends to support it.

ED. NOTE—We welcome you into our organization, Kenneth, and appreciate all you do to promote Creativity, both where you are now and on "the outside". Speaking of Rudy, this is a good chance to rally all Creators to aid in a very simple but far reaching project. As our readers know, we have had much difficulty in getting our religious literature to fellow Creators and other interested Whites who are in JOG's prisons. This is a clear violation of the religious freedoms guaranteed ALL Americans under the

U.S. Constitution. Although we have had minor victories in fighting for our rights, most prisoners are overwhelmed and rendered helpless by JOG and its awesome power. Now, along comes Rudy Stanko and embraces Creativity. Any who have read his book, THE SCORE, know that he is a very capable scrapper who accomplishes what he sets his mind to doing. He quickly understood the magnitude of our movement and has decided to make our cause his by inviting us to join him as co-plaintiffs against at least 10 JOG lackeys who have trampled our Constitutionally-held rights. HE KNOWS WE CAN'T LOSE! Until Rudy took up our banner, we never had the individual with the required combination of legal expertise, monetary assets and unmitigated perseverance to mount a major legal campaign, sustain it, and see it through to set a precedent by which we will all benefit. In other words, we are putting all we've got on this fighter and we need the help of ALL of our readers and anyone else you can motivate to this noble cause.

During the final days of February, Rudy filed a 14 page petition against his masters detailing the abuses against him and his Church by JOG's agents at Sandstone facility in Minnesota. We simultaneously served notice of a multi-million dollar lawsuit, separately, against

these same individuals if violations were not corrected (see box below). Predictably, within 10 days, Rudy was rudely and illegally given "diesel therapy", which is prison slang for moving an inmate from unit to unit when he becomes a "problem" to his handlers. We also have been writing letters to Rudy every day taped, stapled, stickered, taped some more—daring the JOG dogs to keep violating our confidentiality by tampering with spiritual/legal correspondence. We've got them on the run now to where just about their only out of the thoroughly documented mess they have created for themselves is to kill Rudy. We can't allow that and that is where you readers enter the picture. We want Rudy to get so many letters that he won't know what hit him (neither will the officials). Encourage him with volumes of mail and keep them flow-

ing. He is fighting our battle like no other individual and is doing so with great discomfort. We can't detail all the inhumane abuses he has subjected himself to by standing up to JOG, but suffice it to say that he has spent over 470 days in solitary confinement in a little over 2 years. Write "please forward"; copy the warning label and affix to each piece; certify some letters and specify that they be signed for by addressee only; copy the address exactly and clearly put return address. Give the mail clerk NO reason to reject your letters and DOCUMENT it all! Whereas we don't encourage our readers toward useless letter writing campaigns to Congressmen, etc., this is another matter—every letter counts. We have put the heat on our seemingly powerful enemies and we now call for some CREATIVE backing. RAHOWA!

February 25, 1989

Dear Director:

This letter is written to strongly protest and to appeal the hostile discrimination repeatedly practiced against our Church, namely the CHURCH OF THE CREATOR, and against our religion, CREATIVITY. The new Warden at the Sandstone prison, GENE W. GILL, as well as the former Warden, JOHN SULLIVAN, have both conspired and refused to allow a member of our Church to possess our sacred book, the WHITE MAN'S BIBLE. It so happens that this key book is basic to our whole religious creed, program and beliefs. On two different occasions we have attempted to forward this book, through the mails, legally and lawfully, to one of our members, Mr. Rudy Stanko, and twice it has been rejected and illegally withheld from him. On one other occasion it was also withheld from another inmate who requested it. Enclosed is a copy of the latest rejection slip from Warden Gene W. Gill. Also, some of our correspondence has been intercepted and withheld from the intended recipient for periods as long as a month.

These actions clearly form a pattern of blatant discrimination against our Church and against those inmates who are our members. The administrators who are doing so are engaging in base criminal acts and an obtrusive violation of our civil and religious rights as guaranteed by the First, the Fifth, the Ninth, the Tenth and the Fourteenth Amendments to the United States Constitution. It is also a direct Federal Regulatory violation of 28 CFR ss541.12, which states:

1. "You have the right to expect that as a human being you will be treated respectfully, impartially, and fairly by all personnel."

2. "You have the right to freedom of religious affiliation, and voluntary religious worship." Federal Standards for Prisons and Jails states:

"Each facility develops and implements policies and procedures to assure the right of inmates to be treated in a manner that does not discriminate based on RACE, RELIGION, national origin, sex, handicap or POLITICAL BELIEFS and to provide inmates with essential equality of opportunity in programs, work assignments and classification."

The new, as well as the old, Warden has clearly violated these regulations. They have arbitrarily and capriciously rejected our WHITE MAN'S BIBLE on the pretext that:

"On page 166, this publication encourages readers to refer to black people in derogatory terms and mandates that an attitude of adverse tone be displayed toward black people."

The Wardens are clearly demonstrating a prejudicial and discriminatory attitude towards our Church, our religion and our members by denying them the right to receive and possess our WHITE MAN'S BIBLE. Since when have Wardens acquired the right to set themselves up as arbitrary censors, self-anointed and self-appointed, over religious thought and content? Isn't this getting into the area of THOUGHT POLICE and DICTATORSHIP OF RELIGIOUS EXPRESSION? Isn't this similar to the Ayatollah Khomeini sending out a five million dollar contract to have those assassinated who might not agree with, or have the temerity to criticize THEIR religion? Isn't this a blatant violation of everything our Constitution and the United States stands for?

While denying our members the right to read and possess religious books of their choice, these same Wardens allow other prisoners to freely possess, read and distribute Jewish religious literature, Black Muslim literature, Moslem literature, Hare Krishna literature, Black voodoo literature, and evidently every other stripe of literature, just as long as it isn't pro-White. Why is your prison staff programmed to hate the White Race so viciously, yet lavish loving preference to every race and creed that is not white? Let us quote a few examples.

Starting with the Jews, whose religion is not White, but of yellow Asiatic and Semitic origin, their religion is set out in the OLD TESTAMENT and the TALMUD. These books claim that they, the Jews, are solely God's Chosen and the rest of humanity are merely GOYIM, i.e., cattle, or so much dirt. Their books are full of violence, rape, murder, pillage, conquest, war and hatred against all other races. For example: The Fifth Book of the Jew's TORAH, also called DEUTERONOMY, states: "Thou shalt smite

them and utterly destroy them; thou shalt make no covenant with them, nor show mercy unto them; neither shalt thou make marriages with them (7:2)...ye shall destroy their altars and break down their images (7:5)...For thou art a holy people...ABOVE ALL THE PEOPLE THAT ARE UPON THE FACE OF THE EARTH (7:16)...And thou shalt consume all the people which thy God shall deliver thee; thine eyes shall have no pity upon them (7:16)...THOU SHALT DESTROY THEM WITH A MIGHTY DESTRUCTION UNTIL THEY BE DESTROYED...and thou shalt destroy their name from under heaven, there shall be no man able to stand before thee, until thou hast destroyed them (7:24)...Every place the soles of your feet shall tread shall be yours...even unto the uttermost sea shall your coast be...Of the cities of these people, which the Lord thy God give thee for an inheritance, THOU SHALT SAVE NOTHING ALIVE THAT BREATHETH (13:15)...Ye shall utterly destroy all the places wherein the nation which ye shall possess served their gods (31:3)...

Now the above does not exactly sound like a paean of love, tolerance and charity, does it? In fact, it is the most hateful and vicious piece of literature ever written and the OLD TESTAMENT is full of it. (Also read JOSHUA, etc.) Furthermore, to show that the Jews mean every word of it even unto the present day is amply demonstrated by the murders, tortures and breaking of bones and skulls in which the Jews indulge towards the Arabs in occupied Palestine every day of the week. In their holiest of all books, THE TALMUD (we have access to the entire set of the De Concini edition, so we know what we are talking about) it calls Jesus Christ a bastard, the illegitimate offspring of a Roman soldier and a Jewish woman. Yet you freely allow the Jews to proliferate their literature in these same prisons. In fact, you are scared spittleless of them and wouldn't dare stop them from freely distributing their literature. You bend over backwards to gladly supply them with their Kosher food upon request, and toady to their every wish and slightest whim. Why the double standards? Why the obsessive hatred and discrimination against the White Race?

We now come to the Black Muslims. Louis Farrakhan, the leader of the Nation of Islam, has publicly denounced Judaism as a "gutter religion" to the loud acclaim of the overwhelming majority of his followers, and the Muslims' literature even long before the advent of Farrakhan had repeatedly denounced all White people as "WHITE DEVILS". Yet, as in the case of the Jews, you have never suppressed any of their literature or preaching as you do toward our White racial religion. I ask again, why the double standards? Why the pathological hatred towards the White Race, although the majority of your administration itself is White? Do you staff your administration solely with race-traitors?

We of the CHURCH OF THE CREATOR are sick and tired of having our White Racial Comrades treated as second-class citizens. We vehemently protest against, and appeal for an abatement of the Wardens' blatant discriminatory and prejudicial treatment of our racial, political and religious beliefs, and the hostile and discriminatory attitude and treatment of White inmates in your prisons as a whole. Unless there is an immediate and drastic change in your policy and treatment of White inmates, and members of our Church in particular, we will send a private investigator down to Sandstone, as well as an attorney and an investigative newspaper reporter, to thoroughly look into this outrageous debacle, and I myself plan to go to Sandstone to look into this nefarious conspiracy. We will search out and pin-point those individuals responsible for these decisions. Upon the results of that investigation as to who the individual officers and personnel are who were instrumental in making these discriminatory policies and decisions, we will then determine whether or not to file a five million dollar damage suit against the individuals responsible, and they will not be able to hide behind the institutional cloak of immunity. They will be individually held responsible. Unlike the Ayatollah Khomeini, we will not put out a five million dollar assassination contract against them, but we will avail ourselves of all legal courses and resources open to us, of that you can be assured. The Constitution will not be denied, and the White Race will no longer be treated as second-class citizens in a formerly great country that their White forefathers, and they themselves, built with their own blood, sweat and tears.

EDITING THE NEWS

I'M SO DAMN TIRED OF SEEING JEWS AND NIGGERS ON T.V.

CREATORS VIEW THE NEWS

NEW YORK — Kathryn Hinnant was a beautiful 33 year old White lady, a high achiever who had put off motherhood to become a Doctor. She was raised in a loving Christian home, with ideal Christian values, in a sleepy little community in South Carolina. The excitement of the big city lured her away from her sheltered upbringing to the decadence of Jew York. For some reason, she liked being able to go to Jew/queer productions on Broadway. What a life! As a pathologist, she had a very prestigious job at Bellevue Hospital. Unfortunately for Kathryn, There is so much goddamn human refuse (better known as "the homeless" or "street people") in Jew York now that Bellevue has opened its doors to the shiftless, criminal scum. The 23 year old humanoid nigger, Steven Smith, was living in the equipment room on the 22nd floor of Bellevue for a month, when he got "eyes" for Kathryn. Why not? Every form of the media told him that he deserved a White lady. When Kathryn would not meekly give up her cloak to him as her Christian upbringing instructed (Sermon on the Mount), he violently choked the life out of her. Kathryn and her unborn baby (she was pregnant) have gone on to a more rewarding life in space somewhere thanks to Steven. Her father had this to say: "No one can explain what happened. We don't know what to do. We just have to trust in the Lord and turn to him to give us strength." Sure, buddy! We Creators know what happened and what to do.

CUMMING, GA — A white church, Cumming First Baptist, has taken the lead and set up a mission in the "true Christian spirit" for a trailer park full of hispanic refugees new to this area. Your Editor was in Forsythe County, of which Cumming is the county seat, on that fateful day, a little over 2 years ago when 30,000 niggers, Jews, queers and other assorted race-traitors converged on this quiet (and until then, all White) bedroom community north of niggerized Atlanta. I personally saw William Bradford Reynolds, Head of the U.S. Justice Department's Civil Rights Division, directing the whole show from atop the County Courthouse. These "white fighters" who just wanted to be left alone in this crime-free community were introduced to "brotherhood", Federal-style, that day, and they were scared to death. It seems they were softened up for eventual integration by a lifetime of Christian "brotherhood" brainwashing. Can anyone come up with a better answer as to what robbed them of their natural will to survive as Whites? Listen to the words of one invader, Martha Martinez, as she describes the Christianized Cummingites who have opened their doors to the muds: "These people have been very nice to us. They are good people. We have had no trouble." What we Creators are hearing her say though is: "These gullible idiots are turning their town over to us without a fight. We don't know why, but we will take it." What these people need is not another political group to fight their malaise—they need a Church of the Creator to fight fire with fire! Any volunteers?

LOS ANGELES — Deputy Sheriff Rickey Ross, besides being the king of nostrility, is the epitome of a nigger who's made good in Whitey's world. He and his family live in a \$255,000 house in Rialto, are regular "churchgoers" and he is the paragon of the narcotics division of the Sheriff's Department. What his co-workers, neighbors and fellow churchgoers didn't know was that Rickey also has a penchant for "strawberries". Strawberry is street talk for a whore who trades sex for drugs. How convenient for Rickey! He had the keys to the candy store. He was arrested for the murder of 3 of these worthless strumpets (race unspecified) and may be linked to as many as 15 more going back to 1984. We don't know if Rickey was on a campaign for Christ to rid L.A. of prostitution, or just a super cop doing a super job, or just another horny, savage, crack-head nigger exercising his inveterate lust (probably the latter). We can only hope, as Creators, that his victims were "white" so as to keep us from having to sort out the sorry race-defilers later.

J.O.G. — Not Z.O.G.!

The Church of the Creator has consistently been using the term **J.O.G.**, Jewish Occupational Government, instead of the more prevalent White racialist term, **Z.O.G.**, Zionist Occupational Government.

We believe the difference in the two terms is significant. **Z.O.G.** infers that it is only the Zionist faction of the Jewish network with which we need concern ourselves, and the rest of Jewry is benign. Nothing could be further from the truth. All Jews stick together, and by playing good Jew/bad Jew, we play by their script, giving them the "TRAP DOOR" they've always had to reorganize and return to our neck, as

is their inherent, parasitic nature. They may become marranos, conversos or "dampened" christians, Jews for Jesus, nationalists, populists, or even Grand Dragons in the KKK, but they **WILL NEVER BECOME CREATORS**. We don't care how "white" they appear, when things get too uncomfortable for them here, they had better haul their collective butts to Israel. We content that the **ENTIRE Jewish establishment**, which consists of many evil segments, is united totally behind our present plight, race-traitors notwithstanding. Like the three C's: Communism, Capitalism and Christianity, Zionism is only one weapon in the Jewish arsenal which is utilized in their maniacal drive for world conquest. So let us call a spade a spade, a spook a spook, and a Jew a Jew—not a "Zionist". **DELENDA EST JUDAICA!**

NOTICE

The 1989 Summer session of the C.O.T.C. School for Gifted Boys has taken a surprising turn. Nearly all of the applicants have been Skinhead youth. Though unexpected, we are encouraged by this and are not ones to stand in the way of such a development. We invite ALL interested White youth to apply as soon as possible as we must limit enrollment.
