by Ben Klassen, P.M.

In evaluating the horrible slaughter of White people that history has labeled as World War II, we must carefully keep in mind that this murderous and insane tragedy was basically a Jewish war, instigated by world Jewry, planned by them long in advance, orchestrated by the Kehilla from beginning to the end, and there was only one winner—the Jews. It was not just a war against Germany, but another major step in euchering the White Race to turn on itself and destroy its precious and unique GENE POOL. Indeed, it was for the sole benefit and bloodlust of the pernicious parasite that has fastened itself onto all the important nerve centers of power throughout the world. We must also keep in mind that World War II, seemingly targeted on the Germans, was a cunning, but another major step in the Jews' centuries old program of DESTROYING THE BEST FIRST. It was neither the first such step, nor by any means their last, in their long historic program of warfare and genocide against the White Race.

Germany, lying in the heart of Europe, and being revived and unified under the brilliant leadership of Adolf Hitler in the 1930's, was a major prize, whatever its destiny. It was the most energetic, most advanced and most progressive nation in the world at that time, leading in science, culture and genetic advancement, and under the dynamic leadership of Hitler, could have, and would have, rid the world of its most pervasive and sinister parasite—International Jewry. With it also would have been forever eradicated the Jews' long standing parasitic debt-based monetary system which now holds the whole world in its clutches.

Germany indeed was a major prize for the White Race, and a prize that had to be smashed if world Jewry was to survive and continue to carry on its long-established plan of undermining the White gene pool, step by step, until ultimately the Jews were in a position of destroying the White Race altogether in one final thunderclap. Let us make no mistake about it—the Jews have worked on their master plan a long time and the destruction of Germany was by no means the first outburst of diabolical hate and destruction against the White Race. If we look down the long corridors of history we find that the Jews were already highly active and organized 3500 years ago in mongrelizing and destroying White Egypt. It was, in fact, Egypt which was the incubation ground of the Jewish racial religion and its ongoing conspiracy. (Read again the Story of Joseph and his Brethren, R.L. No. 50) The Jews were instrumental in pulling down the beautiful

and creative civilization of Ancient Greece, the finest specimen of humanity in all history. The Jews deliberately set about destroying their unique and irreplaceable gene pool by mongrelization and the Jews brazenly brag about it in their Protocols of 1489. The Jews were the degenerative solvent that disintegrated the virile and robust Roman race and its powerful empire. The Jews held a special hatred for the Romans for being everything the Jews were not, a pathological hatred that was matched only by the Jews' hatred for the Germans in more modern history. They destroyed the great and admirable Roman gene pool with two major devices—by their lucrative slave trade and by infecting the minds of the Romans with the virulent bacillus of Christianity. Rome, too, came down in ruins, and all of Europe (the White Race) fell into 1300 years of the Dark Ages.

There is one other major maneuver

in more recent times in which the outburst of Jewish destruction and hatred for the White Race manifested itself that I want to mention before we get back to Germany. That painful and tragic outrage of wanton destruction, White Men killing White Men, occurred right here in the heart of America some 125 years ago. History has dubbed it as America's Civil War. It was, in fact, a brutal, insane mass slaughter of Nature's Finest, inflamed, instigated and directed by Nature's most virulent parasite—the despicable and repugnant Jew. In this senseless and horrible war White people killed other White people in a mass orgy on a scale that was unparalleled since the Thirty Years War of 1618-48 in the heart of Europe.

Many of the brutal and vicious tactics used on Germany during and after the war were already inflicted on the White people of the South nearly a century earlier in America. The wanton destruction of Sherman's march through the South, burning Atlanta to the ground, cutting a 60 mile swath eastward to the Atlantic and destroying farms, homes, plantations and cities, and every other basic resource in their path, then turning northward and on into South Carolina, this, too, was an explicit example of Jewish hatred and vengeance against the White Race. In fact, many of the vicious tactics and programs employed against the Germans during and after the war had already been tried and tested against the White Southerners during and after the Civil War. It was indeed a typical demonstration of a long standing Jewish goal—the murder, mutilation and mongrelization of the best of the White Race, whenever they could seize the opportunity.

In the second part of this article I want to focus on the multitude of measures the victorious "Allies" (read White stooges manipulated by Jews) took to ensure the slow strangulation of the German people after the war was over. But before I do so, I want to review the ghastly and wanton destruction of the German cities other than Dresden, and particularly, the massive and unrelenting terror inflicted upon the great German seaport and city of Hamburg.

At this juncture it is necessary to clarify the civilian bombing of cities during this horrendous war. On May 10, 1940, as soon as Churchill (the drunken Jewish stooge) was ushered in as Prime Minister, he announced that the bombing of Germany's civilian population would commence. At this time Hitler stood at the threshold of victory over the French and British armies, a brilliant victory that six weeks later culminated in the occupation of France and the debacle of the British forces at Dunkirk. Hitler had no designs of vengeance on the British,

nor the British Empire and her colonies. In fact, he repeatedly expressed his admiration for both as a measure of respect for the constructive achievements in the realm of colonization and civilization for which the best of the White Race can point with pride. He extended the hand of friendship to Britain and offered a peaceful settlement. But the Jews behind that drunken lout of a Churchill wanted killing—more White people killing White people, and the British R.A.F. commenced the random and wanton bombing of German cities to inflict a maximum of death and destruction among the civilian population. This sadistic and unnecessary pursuit was promulgated and carried out for no other reason than sheer bloodlust—the Jews wanted the White people to kill and destroy as many of Nature's Finest as they possible could, for as long as they could, until Europe lay in ruins and utter exhaustion. This decision on the part of Churchill was to cost Britain dearly. The smouldering, blackened ruins of London, Liverpool, Coventry and many other British cities bore silent testimony to this stupid mistake. Let history record, however, that Hitler did not want any extension of this insane slaughter, and he resisted retaliation on British cities for three months after Churchill launched his bombing raids on German cities.

Be that as it may, with the massive production facilities of the American factories and the military might of the United States joining into the fray of White people killing each other, it was Germany who paid the most horrible price in people killed and cities smashed into rubble. As the war escalated, the hate the Jews managed to inflame increased accordingly, and when the war ended in 1945, for every Briton killed by German bombs, nine Germans were killed by "Allied" bombs—a scenario that the Jews had long planned and their goyim stooges carried out with bloodthirsty efficiency.

*"The sadistic and unnecessary bombing of German cities was promulgated and carried out for no other reason than sheer bloodlust."*

It is not my purpose here to review the multitude of needless slaughters and massacres of that insane war on behalf of International Jewry. I do, however want to describe, if possible, the horrors of this terrible Jewish Purim as inflicted on the second largest city in Germany, a fate shared not only by Dresden, but prac-

tically every city in Germany.

Hamburg was a beautiful Hanseatic city of 2 million souls. The city straddled the romantic Alster River immortalized by the "Moonlight on the Alster" waltz. Its long, 1000 year history was reduced to a rubble of cinder and ashes as the Jews manipulated the "Allied" forces to implement their long planned "Operation Gomorrah". Does this sound familiar? It should. The Jews lifted it directly out of their fiendish Old Testament. This magnificent old German city, one of the major seaports of Europe, was targeted to die in a fiery rain of death and destruction from the skies.

In ten terrible days, from July 24 to August 3, 1943, concentrated and persistent "Allied" bombing reduced to rubble more than 6000 acres of this great city. This consists of an area almost equivalent to ten square miles of densely populated housing. During those ten horrendous days an estimated 100,000 people were murdered to satisfy the Jewish bloodlust. Many more were crippled, maimed and disfigured.

The method devised by these fiendish murderers was relatively simple and extremely effective. The first wave of bombers would release thousands of high-explosive bombs on the city. This would keep the population, especially the fire-fighting service, in their shelters. The next wave of bombers coming in rained down a multitude of magnesium bombs setting fire to the city, a large part of which consisted of medieval, half-timbered Elizabethan style houses that had formerly attracted tourists from all over the world. These type of buildings, the destroyers had correctly calculated, would burn readily and offer the most potential victims per square mile.

During those 10 days, it has been conservatively estimated that Hamburg was struck by 1200 landmines, 30,000 high explosive bombs, and 3,000,000 stick incendiary bombs. The phosphorous bomb, perhaps the most macabre weapon designed in this category, was dropped especially on the civilian areas of the city. Of these, 80 thousand 100 pound phosphorous bombs were dropped, plus 500 phosphorous cannisters and 500 phosphorous incendiaries.

The ensuing firestorm that enveloped the city is impossible to describe as are the scenes of horror in which tens of thousands of people were burned to death. Still the bombers kept coming. The shrieking wind kept feeding the engulfing inferno, a firestorm wind so powerful that huge balks of timber, debris of all kinds, walls of destroyed buildings, trucks and cars, all were hurled by screaming winds along the flaming streets. Burning men, women and children were caught up as helplessly as leaves in a swirling inferno.

Underground in the shelters, groups of people, especially families, clung together in semi-darkness. Families embraced. Mothers held their children tightly, trying to murmur comforting words. Thus they died, trapped in the increasing heat of the deadly shelters. None of the flames that raged high above them in the streets ever touched them, but the heat inside continued to rise until it melted glass, kitchen utensils, and even the brick walls glowed red inside these ovens of in-

tensive heat. Mixed in with this molten glass and metal were mounds of molten half human remains.

It will be a long time before these shelters will be opened again, and when they are, men will look upon sights that mankind has never before witnessed, and hopefully will never again.

Martin Caidin, one of the world's leading authorities on military science subjects, described the bombing of Hamburg as "Standing out as the worst of the disasters visited upon civilization during the insanity of the Second World War."

High on our list of priorities, along with Dresden, that must be avenged, is the brutal murder of the great city of Hamburg. RAHOWA!

By April 30, 1945, Adolf Hitler was dead and a week later Germany surrendered. The war in Europe was over, but the war against the German people continued with unabated fury and hatred. Now that the German people were leaderless and defeated, their cities smashed to rubble, the cream of their manhood dead in the battlefields stretching from Africa to the farflung steppes of Russia, the Jews were in an unfettered position to wreak further death and destruction on what was left of a destitute German nation. In what follows we must remember that whereas originally all the invective and hatred had seemingly been focused on Hitler, the real aim of the Jews was the destruction, pollution and diminution of the German gene pool, to reduce it to the rubble they had wreaked on the German cities and the total German landscape.

With their goyim stooges completely in their tow and ready to front for them, the Jews now had a free hand in slicing up the German nation and heaping torture, humiliation and misery on the defeated German people. They made the most of it and had a field day. They imposed upon the Germans what even *TIME Magazine* (Jew controlled) called "history's most terrifying peace" ever inflicted on a defeated nation. Actually, even today, 1989, forty four years later, whereas we signed a peace treaty with Japan a long time ago, still no peace treaty as such has been signed with the German people. What is left of Germany today is occupied territory. With 360,000 American troops (many of them niggers) still on German soil, Germany is still a slave state. Whereas these American troops supposedly are there as a NATO force to act as a deterrent against Russian invasion, the real reason for their presence there is to protect the Jews, who now again are in control of Germany, from the German people. The fact is the Jewish war against the German people has never ceased and is being waged with a full fury to this very day.

Treaty or no treaty, let us review the Draconian "peace" imposed on the German people following their defeat in 1945.

The ability of any nation to sustain the life of its people is supported by these main pillars: (a) land, which includes all its natural resources, (b) labor, which encompasses both brawn and brains, and (c) capital, which means not only finances and credits but also plants and equipment. We shall see how the Jews set about in a diabolically planned strategy to destroy all three of these underpinnings to make certain the German people would be left a crippled shadow of their

former self. The Jews did to the German people what they had done to the defeated Confederate South some eighty years earlier. They were masters of destruction and had learned their lessons well. Germany was another major step in their fiendish program of destroying the White gene pool, of "destroying the best first". They had done it to the leadership of the French people (the best) during the French Revolution 150 years earlier. They had done it to the White people of the American South 80 years earlier. And now, in 1945, they were setting the stage for doing their diabolical number on the German people for the second time. Although they had inflicted tremendous damage on the German people during and after World War I, nevertheless when Hitler came to power their program backfired on them. This time they wanted to make sure the dynamic German gene pool was crippled and mongrelized forever. Their plans called for several basic strategies.

### • Extermination By Overcrowding

Whereas at Yalta the Big Three Jewish Stooges, Roosevelt, Churchill and Stalin, had piously announced to the world that they reaffirmed their "faith in the principles of the Atlantic Charter" they were lying through their filthy teeth. The Atlantic Charter had hypocritically promised "No aggrandizement of territory"; "no territorial changes that do not accord with the freely expressed wishes of the peoples concerned"; "the right of the people to choose the form of government under which they live". It was all nothing more than sucker bait. When Roosevelt and Churchill mouthed the Jewish script at their first meeting, they lied flagrantly and deliberately, as they did again with their Communist cohort, Joseph Stalin, at Yalta. When it came to divvying up the spoils of war, a gruesome harvest was unveiled to the German people. The meeting at Potsdam decided their fate. The German Reich was soon severely amputated. What was left of its

former virile body was now a mere basket case.

Germany had historically suffered from overcrowding—too many people for too little "Lebensraum"—living space. After World War I their homeland was reduced from 208,830 square miles (the State of Texas has 267,339 square miles) to 181,699 square miles. After W.W.II this was further slashed to 133,000 square miles (half the size of Texas). This included what is now Communist East Germany. West Germany itself is further reduced to a mere 95,976 square miles. Into this small space are crowded some 61 million people.

The Potsdam conference gave tacit permission for driving Germans off of land that had formerly been their homelands for hundreds of years. It said specifically "the transfer to Germany of German populations, or elements thereof, remaining in Poland, Czechoslovakia and Hungary, will have to be undertaken". The countries such as Poland, etc. needed no encouragement in driving the Germans out and possessing their farms and homes. In fact, some 15 million Germans were driven out under the most brutal conditions—half a million from Hungary, nearly 3 million from Czechoslovakia, and the rest from Poland and Russia. Of these, over 3,000,000 Germans perished of hunger, brutality and other atrocities. About 4,000,000 were deported to Eastern Europe and Russia as slaves. Hungry, desolate, with only the clothes on their backs, those who escaped death or slavery crowded into an already desperate and overcrowded German rump.

All this was no accident. While mouthing pious shibboleths at Yalta, the Big Three with Jewish manipulation had planned just such a scenario for "killing the best".

### • Destroying the Pillar of Labor

There were three main fronts on which the Jews proceeded in pulling down (Continued on Page 3)

**AVENGE DRESDEN**

(Continued from Page 2)

what was left of German manpower after the devastating ravages of the war itself. Basically, these were (a) enslavement, (b) denazification, and (c) physical incapacitation through undernourishment (starvation). Although at Potsdam it was again piously re-iterated that "It is not the intention of the Allies to... enslave the German people", nevertheless when Breslau and Berlin surrendered (in Russian occupation territory) long columns of German prisoners marched eastward towards huge depots near Leningrad, Moscow, Minsk, Stalingrad, Kiev, Kharkov and Sevastopol. All fit men marched 22 miles a day. Those partially handicapped went in handcarts, or carts pulled by spare beasts. Most of these handicapped prisoners died on the way. Those that made it joined into the slave labor camps of the Russians, a vast army of some 10 to 20 millions, mainly political prisoners, or designated as "political unreliaables". Few of these Germans have ever returned to German soil again.

But Russia was not the only one utilizing German prisoners for slave labor. According to the Red Cross, France had 680,000 former German soldiers slaving for her in August, 1946. Of these 475,000 had been captured by the United States and turned over to France. These performed slave labor under the most abominable conditions. In a camp in the Sarthe district for 20,000 prisoners, inmates received only 900 calories a day—plainly a starvation level. Twelve died in the hospital every day. Similar conditions existed in camps in the Charentes district, in the Orleans camp, and elsewhere.

Great Britain, who claims to be the motherlode of democracy, had, according to the Red Cross, some 460,000 German prisoners slaving for her, and as in the case of France, were bringing in a handsome profit for the War Office. The British government netted over \$250,000,000 annually from its slaves, and the government frankly called itself the "owner" of these enslaved prisoners. Is slavery dead? By no means. So much for the cradle of democracy.

• **De-Nazification**

Meanwhile the German homeland itself was in shambles, the cities were piles of rubble, the former factories, machinery, electric power plants smashed and the farms neglected and run down. Whereas her manpower, as we have seen from the foregoing, was severely depleted, the Germans are a very resilient and competent people. There was a massive rebuilding job of their country that had to be done and the Germans were desperately trying to get started—clean up the rubble, get some housing, get the farms back into producing food. It was a matter of life and death—a grim matter of survival.

But the Occupation Forces, controlled by Jew power, threw a monkey wrench into that vital and urgent program also. They had to de-nazify the German population first—a purely political and ideological maneuver to satisfy the ego and the sadistic hatred harbored by the Jews. The Nazi party was now outlawed by decree and all former Nazis were declared as criminals per se. Since Adolf Hitler and the Nazi party had been the most popular form of government the Germans had ever enjoyed, and since the overwhelming majority of Germans had been enthusiastically loyal to the Nazi leadership, just about any and every competent and loyal German had either been a member or a supporter of the Nazi party, especially those of leadership quality. These very people, who were now so necessary in getting the nation back on their feet, were now branded as criminals and were either incarcerated in prison, or were relegated to such menial labor as digging ditches. Only former traitors, incompetents, aliens and Jews were now allowed to hold positions of authority, and it is easy to see what a debacle such policy, dictated by the "Allied" high command, would cause. It would, of course, cause chaos in any undertaking, but it was especially deadly in a nation that was desperately struggling to survive.

Meanwhile, the German people were starving, homeless, disorganized and being constantly harassed by their Jewish tormentors. They were being taught DEMOCRACY with a vengeance. They

could choose any kind of government except the kind they most needed and wanted. They were free to choose their leaders except those most competent to do the job. The fact is they were not free to do anything. They were utter slaves being ground into the dirt by their Jewish slave masters. Although today the German people have rebuilt their country despite all the handicaps imposed upon them, they are still slaves in the hands of their Jewish conquerors.

There is one lesson we Creators can learn from this episode of de-nazification. If it is morally acceptable to de-nazify the German Nation, then it is equally moral for us to de-Judaize the Jews. Whereas the Jews deemed the Nazi philosophy as harmful to their parasitic way of life, history has proven that Judaism is a thousand times more deadly to our own survival. Let us keep that in mind when we, the White Race, regain control of our own destiny. Delenda est Judaica!

• **The Looting and Sacking of Germany.**

Having cut up the geographic entity of Germany like a carcass of beef hanging from a hook, the "Allies" immediately proceeded to loot the individual Germans. Since the High Command had branded all Nazis as criminals, and since all Germans were deemed as Nazis anyway, every man, woman and child was considered fair game, lower than an animal, to be looted, stripped and sacked by any American G.I., nigger, or Russian soldier at will.

The serious looting by the Russians was conducted officially, systematically and thoroughly. Every house and apartment was entered, searched and stripped of everything at once valuable and movable—wrist watches, jewelry, silverware, works of art, clothing, household appliances, and money. Stores, shops and houses were ransacked. Farms were denuded of farm animals, machinery, seed reserves, wine and food stocks. (All this is reminiscent of what happened to my family in Russia during the Communist Revolution, especially during the years between 1918 and 1922.) Telephones were removed from residences and telephone lines and equip-

ment were dismantled. Automobiles, trucks, even fire engines were seized. Everything not nailed down was hauled away. The German standard of living deliberately had to be lowered to where it was worse than that of the poorest peasants in Communist Russia.

Outside of the fact that the Russian occupation forces were equal in size to the combined occupation forces of the Western powers, nevertheless the American sectors were equally criminal and flagrant in the business of looting as were the Russians. Although the average G.I. did not suffer from poverty as did the Russians, they somehow made up for it in their arrogant and wanton vandalism with which they destroyed that which they did not steal. Millions of dollars worth of rare items varying from intricate Zeiss lenses to butter and cheese and costly automobiles were destroyed through sheer vandalism. "They seemed to ruin everything, including the simplest personal belongings of the people in whose houses they were billeted", wrote one correspondent of the Chicago Daily News.

Such was the wholesale looting, practiced by the average soldier, and the higher authorities not only took no steps to curb it, but silently condoned it. However, the official Allied Control Council promulgated a number of decrees that would deliberately make certain German recovery never would exceed the average living standards of other European Countries (which, under Hitler, Germany far outdistanced). Anything they deemed as "excess" (we are talking about an entire nation that was in rubble and starving to death) shall be taken as plunder or destroyed. In short, the prostrate German economy must be quartered and its flesh fed to other economies, a project that has aptly been called "economic cannibalism".

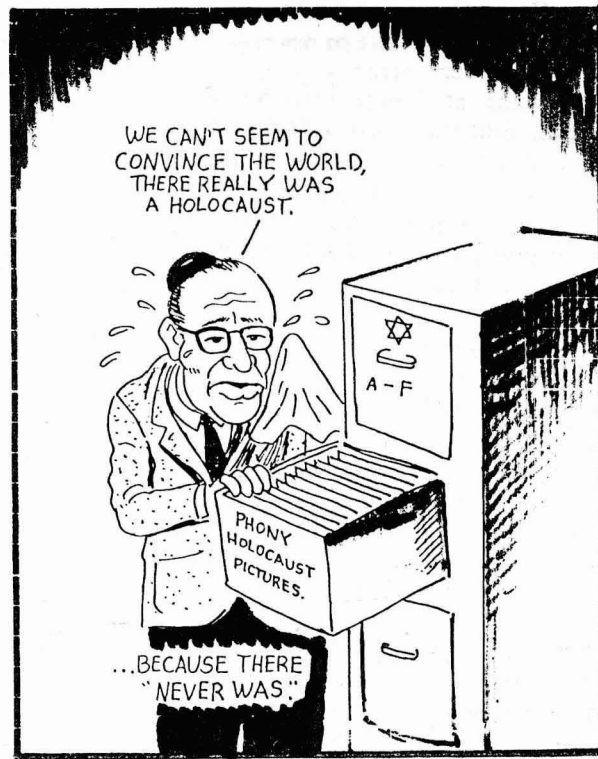

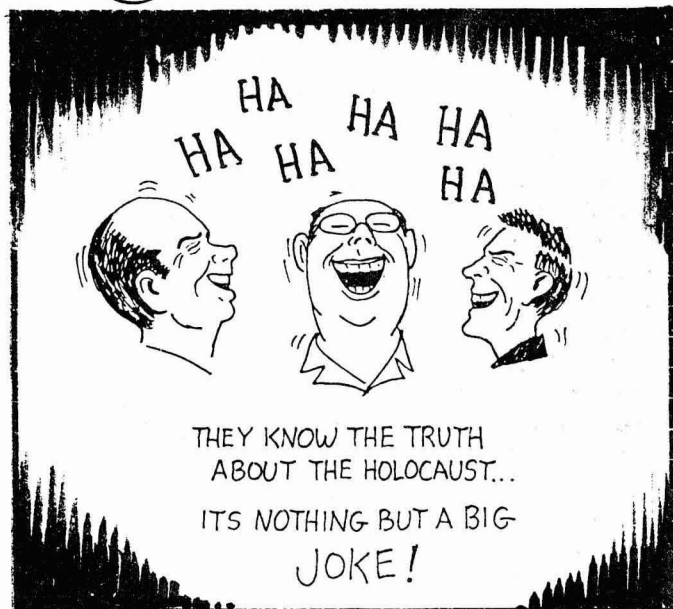

But this was not the end of the looting by the victorious conquerors. The Jews resorted to their oldest and most effective scam of all, one that they have used countless times in history and by means of which they continue to loot all nations throughout the world. The "Allies" all in their respective occupation zones printed huge amounts of bogus

## JOG Update:

Rev. Williams,

Greetings from the dungeons of JOG. May this letter find you in excellent spirit and health.

As you already know by now, we were victorious in North Carolina regarding the case of the slain sodomites and burned-up pornographic book store. Doug [Sheets] was acquitted on 26 May and charges were subsequently dropped against me also. Once again, as in Ft. Smith, Arkansas, a jury of all-White, working-class citizens saw through 3 weeks of lying federal and state agents, informants, race-traitors (Glenn Miller & Robert Stoner), assorted mongrels and similar scum. Our religious and political beliefs were put on trial since there was no physical evidence that could put us at the scene of the purported crime (rapture) The Cleveland County District Attorney, William Young, alleged that our motive was based solely on Leviticus 20:13 and a "fanatical desire to cleanse America of anything unpure". This must really have the Jews foaming at the mouth. The not guilty verdicts (on all 16 counts) sends a strong message, not only to the Jews and their bureaucratic puppets, but also to the sick segment of society who, for too long, have violated the laws of Nature and Nature's God with impunity. No longer can the government enter a courtroom and expect to get a jury of 12 brainwashed goyim, who are swayed by Jewish fables and commandments of men.

I appreciate that you published my letter and fund appeal in RL No. 50. This same fund appeal was published in newsletters throughout the Movement, but very little money has been raised. Houston Attorney, Kirk Lyons, did head up the defense team, but ended up spending several hundred dollars of his own money for transportation, motel, and other expenses. It is no wonder lawyers shy away from the right wing movement. Fortunately, Kirk is not motivated by greed as 99.9 percent of all other lawyers are.

let's kill all the lawyers."*

Doug and I were returned to Leavenworth Federal Penitentiary, where we are both serving 20 year sentences for weapons and explosives, on 7 June. We were informed that we are under investigation and are possibly facing more charges for an alleged conspiracy to escape from Leavenworth. Of course, this is a federal conspiracy and is also being used to cover up the assassination/murder of my 21-year-old brother [Tony Wydra] in January.

While we were in North Carolina, a new "special housing unit" opened up here in Leavenworth. We had reservations waiting for us when we arrived. The facilities here are basically the same that

exist at the federal penitentiary in Marion, Illinois. We are isolated from other inmates, locked down in our cells at all times, and allowed no phone calls. I guess you could call this the federal death penalty — a 2'x 8' tomb, complete with shower and commode. I am in constant need of something educational to read. I hate to ask for anything, without being able to pay for it, but would you send me any or all of Pontifex Klassen's books? Also, make a note of my address change and continue to send me the RL newspaper.

## The Ladies Speak

Dear Pontifex:

Enclosed is \$17.00. Please send me a 1 year subscription to *Racial Loyalty* and 1 each of issues No. 48 & 49.

Keep up the good work. Your books are becoming very popular up here and our "Truth Seekers Group" has distributed about 50 copies around the country. Some folks take a little longer than others, but they will get there.

Enclosed is Rudyard Kipling's poem [see box this page] WHEN THE SAXONS BEGIN TO HATE. You may have run it in a past issue but it may be time to print it again for new readers. Thank you.

Sincerely,  
Jan Diehl  
Alaska

Dear Creators,

I received your complementary package of back issues of *Racial Loyalty*. I agree with a lot you have to say, especially the part about religion playing such a destructive part in our society. Your organization is so explosive that I would like to remain anonymous for the time being, at least until I can get my bearings and digest what I am learning. The militant stand of your organization scares me, but I certainly believe in many of the things you say and teach, and I'm very concerned about the future of the White Race—not so much for myself but for my children and their children. I can see very well that if the present racial integration persists, eventually we will all be a shade of brown at best.

You mentioned many things in your newspapers that I had already figured out, especially with the aid of my mother who is quite sharp. We already knew that the tanker "spill" was planned. If you will get some old newspapers back when we had the last oil "crisis", I think you will find that there was one tanker after another that went down. I remember remarking about it at the time, that it was just TOO obvious. They were dumping oil as fast as they could in order to drive up the prices.

I am very anti-religion and have studied it thoroughly. I was a fundamentalist Jehovah's Witness for 20 years (brainwashed). I remember, in my religious days, agonizing over the fact that I didn't have the "faith" of Abraham because I knew I was not capable of killing my child if God were to ask me to do so. It never occurred to me that God was requesting Abraham to MURDER his son. I know for a fact that the religious

It came to them very late  
With long arrears to make good,  
When the SAXONS began to hate.

They were not easily moved,  
They were icy-willing to wait

mindset of the majority of people is destructive at best and immoral and illegal in all probability. The Bible is full of stories that would curl the hair of the average person if they were to take the time to analyze the situation.

It constantly amazes me how Christians and Jews are so concerned over "racism" and yet their book is the most racist book on earth. The Jews invented racism. The Bible is full of stories of how God told Israel to go into Canaan and other countries and kill every man, woman, and child so that their religious practices would not influence them, and they were not to marry outside of their own people. When the Israelites left Babylon, many took their foreign wives and children with them, but they were told by God to "put them away." I'm not sure if that meant to divorce their wives and abandon their children, or to kill them off. I have an exhaustive concordance but it doesn't cover the term "put away" regarding these wives and children, so I can only assume that it means to kill them off. If it meant divorce it would only apply to the wives, but this is in regard to children as well. Ezra, the 10th Chapter.

It is my contention that the Jews will never be conquered as long as the Bible has credibility. To destroy the Jews and the Christians, one must destroy their BOOK which is the foundation stone of their insanity. Widely exposed, it would change the fate of our world for the better.

I'm enclosing \$20.00 for a subscription to your paper.

Most sincerely,  
A concerned White lady.

Dear Rev. Williams,

Thank you for the 8 book package and your letter accepting me as a Creator. Many hours of my days are taken up with reading the truth of Pontifex Maximus, leaving the everyday trivialities (chores) for tomorrow.

I came to the decision to contribute my humble abilities, in whatever capaci-

ty, to the advancement of our goals. I had a phone conversation with Alexi Erlanger today; he very much appreciates my decision.

Dear Hasta,

I just had a baby last December and have been so busy. My son who is 8 helps me distribute your literature. He openly hates niggers. He is into martial arts and beat 5 of them at once at school.

My mom loves to read C.O.T.C. books, and does so every night. She wants to purchase 2 RAHOWA! books. \$\$ is enclosed for these plus a donation.

There is a good chance that we could get lucky so hang in there!

Andrea Dietrich

Dear Rev. Williams,

I am writing to thank you for the many copies of *Racial Loyalty* and the booklets you sent me. I will make sure that all of them are distributed. I also want to thank you for the kind letter and words of encouragement — it meant a lot to me.

About my personal situation, first, my husband is convinced that I'm somehow being "brainwashed" by the information you've sent to me. He says that I am going to have to be "deprogrammed". I think it's the other way around, personally. I believe I was "brainwashed" for the first 27 years of my life, and your literature is now helping to "deprogram" me. Secondly, the Baptist minister from my old church came by the house while I was away visiting my family. He asked my husband if I was over "MY PROBLEM" [CREATIVITY] yet and ready to come back to church? That should give you some idea of my situation. Yes, I would like to make contact with some other Creators in my area.

Best Wishes,

Dear Hasta,

We received the last issue of *Racial Loyalty* and really enjoyed it. We don't know how you do it, but it sure is refreshing to receive RL every month, ON TIME, and with such quality. When I come home after a hard day of slaving for the Jews and I receive the current issue of RL, I don't even have supper. First thing I do is sit down and read the WHOLE paper from beginning to end, and then I start rereading my favorite sections all over — Ha! Sounds almost like a testimonial for some advertisement, doesn't it? But really, We do enjoy RL very much, even if it doesn't sock it to the "rich parasites" [Whites] as much as I would like — please keep it up.

Find a check enclosed for \$50 — please send as many RL's as you can. We intend to heat things up in Mo-Town, and *Racial Loyalty* is the tool to do it with. We can handle 2000 papers per month. Notice the samples of stickers we have produced. There are 1000 of these with the C.O.T.C. address on them, and they work real well.

Finally, I've also enclosed my papers applying for ordination with the Church. I assure you that I will do the best job I can in the struggle for our Race. Best wishes.

YOURS FOR WHITE REVOLUTION!

Dear C.O.T.C.

I just received the June '89 issue of *Racial Loyalty* and enjoyed it very much. However, while reading letters from other Creators, I was saddened to learn that in some states they now have enacted laws dictating what we are allowed to write and say concerning our racial and religious views. I am a Creator from California where the JOG recently passed legislation banning the sale of certain firearms. As soon as they persuaded the traitorous California Governor to sign this piece of unconstitutional trash, they immediately went to work on new legislation to further restrict the sale of firearms. This rape of our Constitution, especially as it pertains to our inalienable right to keep and bear arms, is the first step towards a police state. In my opinion every right-thinking White man should arm himself to the teeth as this trend is bound to continue. With the way things are going now, by the time the White Race comes to its senses, the only way we will be able to right this intolerable wrong is through the barrel of a gun. Best regards to my friends at the C.O.T.C., and keep up the good work.

Sincerely  
Don Faris

Dear Pontifex Maximus:

It is a beautiful, sunny afternoon and I have been reading again your RAHOWA! THIS PLANET IS ALL OURS. I now understand why Dr. Revilo P. Oliver has so much praise for you. We cannot be eloquent any longer — we have to be straight, to the point, deadly in our singlemindedness to exterminate [Judaism].

Enclosed is a small donation. I wish you well — keep healthy

**Good News & Bad  
in Jew York**

Dear Creators,

I am almost certain that I live in the biggest Jew-infested town in the whole state of Jew York. Before I found out about the C.O.T.C. I had searched for a group which I could stay loyal to from my heart. Now that I have discovered Creativity, I can stay loyal. Enclosed is \$15 — Please send the LP, "Survival of the White Race", and the listed booklets. IT SURE IS GREAT TO BE WHITE!!!

Dear Creators:

An entirely new front has been opened in our war against the System. Last year the National Alliance, a White racist educational organization, was presented with a donation of 100 shares of AT&T [American Telephone & Telegraph] stock by a member, and put it to use by proposing at the annual shareholders' meeting that this corporate giant abandon its program of "Affirmative Action".

The preliminary vote count was approximately the same as last year's — we can estimate that again, about 110,000 persons voted for us.

On another note of interest to C.O.T.C. partisans, the January-February 1989 National Alliance Bulletin declared:

...*"The greatest obstacle to the survival of our race is Christianity. Even with all their malice and cunning, the Jews would pose no real threat to the race were it not for their Christian collaborators. In the U.S. just as in South Africa, the Jews may be pulling a lot of strings behind the scenes, but the troops in the war against the White Race are mainly White Christians filled with religious guilt and obsessed with the need to explate that guilt by sacrificing their own race on the altar of 'equality'.*

...*"Let us never forget...that Christianity itself is an alien, hostile, racially destructive creed of Jewish origin, and in the future most of those who have fallen under its spell will continue to be our enemies and the enemies of our race."*

Sincerely,  
A Racial Loyalist

**In Memory**

**It is with much sorrow that we must inform our readers that Rev. Harry F. Kelly, our chief organizer for New York City and beyond, died suddenly of a heart attack on July 1, 1989. Rev. Kelly inspired us all to do more than we thought we could and will be sorely missed by all who knew him. Harry was a young man with a clear vision of a glorious White future. He had as healthy a hate for the enemies of the White Race as we've ever seen and he wore it proudly. Conversely, he channeled his passionate and sincere love for our people into positive works. We at World Headquarters will do all possible to see that a smooth transition into capable hands takes place for the Metropolitan C.O.T.C. which Creator Kelly founded. Sympathies sent to Harry's widow, Maureen, in care of this paper, will be forwarded to her. We'll keep up the good fight for you Harry — Thanks for flying the banner in our enemies' face...RAHOWA!**

Despite massive opposition from the jewsmedia, leftist goons, and AT&T management, a total of 112,663 shareholders (9.96 percent of those voting, with an average of 453 shares-owned by each) voted for the Alliance proposal in April 1988 — 25 percent more than voted for any other proposal, and 40 percent more than for a proposal to expand the company's policy of anti-White discrimination.

On April 19th of this year, Alliance Chairman William Pierce travelled to New York City to present the anti-"Affirmative Action" initiative again. His address was interrupted by applause from many of the 6,5000 shareholders present, and verbally opposed by the standard gaggle of Jews, Blacks, Catholic nuns, and yuppie-executives.

In conclusion Dr. Pierce stated: *"The White American majority are...willing to let themselves be pushed around to a certain extent...to put up with a certain amount of unfairness and abuse in order to keep the peace—for a while, Not forever."* [shades of Rudyard Kipling]

**Skins Take Note**

Dear Rev. Williams,

I am very proud to be joining forces with the C.O.T.C. in the fight for a Whiter & Brighter World. I have many friends here in Jew York who are also interested in the C.O.T.C.. Finally, for the first time, an all-White Church without a criminal-ly insane, filthy Jew for a martyr! I am now openly urging ALL White Skinheads to join the Creativity Movement as I have finally done; this is our Church, our religion and soon to be our world!

There has been a sudden uprising of a commie organization called S.H.A.R.P. (SkinHeads Against Racial Prejudice). These buttheads say that they are the "true" Skinheads and that anyone who is a White supremacist cannot also be a Skinhead. They also say that fag-bashing is wrong, hateful, and if you do it you are a Nazi. Their leaders in NY are Marcus, a Jewboy nigger lover, and Troy, another Jewboy who leads the Anti-Fascist Front. Troy also claims to head the Nationalist

Skinhead Front, yet calls himself a Socialist; this one can't make up his mind! Also, the logo they use (the crucified Skinhead) is not theirs, but rather belongs to the N.F. Skins in England — so don't be fooled! There are a lot of White Power Skins in Jew York (mostly in the hard-core scene) who won't admit it openly because of the pressures of the City. The one thing I have to say to [confused] anti-White Power and anti-Fag-Bashing Skins is: Where is your so-called "unity" when you don't accept us?

Send info on how I may become a minister in the Church of the Creator. My son, Scott, (2 years old) gives a great big RAHOWA! to the future!

With Racial Regards,

**And Now  
From the West Coast**

Dear Creators:

I am very happy to become a member of the Church of the Creator.

When I first read THE WHITE MAN'S BIBLE (which is what caused me to write to you in the first place) I realized that this is what I have been looking for my entire life. Creativity gives my Race meaning and, therefore, gives my whole life meaning.

Even though at present there are many different religions and creeds for the White Man to choose from, I honestly believe that in the end it is Creativity which will prevail, because after you have chased away all the myths and superstitions, what you are left with is the beauty and dignity of your race, The White Race.

Please feel free to put me in touch with any other California Creators. I don't know if there are any who live in Los Angeles but if there aren't, I am sure that will soon change. My work as a video producer puts me in touch with many other White Men who are looking to wrestle away the mass media from its Jew controllers and use the media to further the goals of the White Race.

NEW ORLEANS — Nation of Islam leader Louis Farrakhan told a conference of black leaders Sunday that high black birth rates could lead to political advancement, saying black people "can actually breed ourselves into power." Farrakhan told the 1,000 delegates at the end of the three-day African-American summit that with "plummeting" white birth rates in time "we could control the Congress. We could control the Supreme Court. We could control state legislatures. ..."

### The Hokey Miracles attributed to J.C.

Hi diddle diddle!  
 The Cat and the Fiddle  
 The Cow jumped over the Moon  
 The Little Dog laughed to see such sport  
 And the Dish ran away with the Spoon  
 —Mother Goose

When we moved from Mexico to the cold plains of Saskatchewan in the mid-winter of 1925-26, I was not quite eight years old. One of the dismal memories of that period was the agony of starting to school and learning the English language. The toughest part of this ordeal was getting there. Coming from the warm, tropical climate of Mexico to the beastly cold of Saskatchewan in mid-winter was not only a cultural shock but also an environmental shock. I remember the long cold rides over miles of snow-covered open fields, packed in a box sled with a passel of other kids as we set off for school. As I remember, I nearly froze to death in the process, and I had frostbites and chilbains in my toes and heels. Learning to speak English, however, was no problem, and I still remember the Mother Goose jingles as set forth in Canadian First Grade Reader, of which the above verse is one of many. Jack and Jill went up the hill, Little Miss Muffett sat on a Tuffet, and so on and on. All these jingles were graphically illustrated with interesting pictures in color, and after all these years they still stick in my mind. I can still remember the pictures of the cow jumping over the moon, the cat playing the fiddle, the dish running away with the spoon and the picture of the dog laughing at it all. He had good reason to laugh. It was all a lot of nonsense, of course.

However, at that age, it was all very interesting, and what's more, I was gullible enough to believe that these things really happened. I believed that Mother Goose was a real person, and that the cow really did jump over the moon. Why shouldn't I? It said so in the book, and showed a nice picture of the cow jumping over the moon. After all, I was not quite eight years old.

Fortunately, before another year had passed, I realized that these were merely jingles, fairy tales that didn't really happen, and that Santa Claus, too, was a concocted lie. By the time I was seventeen I was enrolled in the University of Sask., and among other subjects I studied Ancient History. As I did so, I began to realize that there were a lot of other Fairy Tales imbedded in our culture other than Mother Goose. As I studied the religions of the various civilizations, the Egyptian, the Greek, the Roman, I came to an important conclusion, namely that the religious teachings with which I had been indoctrinated were as mythical as were the Greek and Roman gods of Zeus, Jupiter and all the rest of that cabal. At seventeen, I had matured enough to realize the difference between fact and fic-

tion, and was now less gullible than the millions of people three times my age.

Unfortunately or otherwise, there are not only millions, but billions of people that are adult in years, but their minds are still as irrational and gullible as a little child's. And that is just the way the preachers would like to keep their flock of sheep. "Unless ye become as little children ye cannot enter into the kingdom of heaven", saith the Lord. Although when they become adults these sheep may, too, have studied Ancient History, geology, geography, math and science, there is still a major section of their cranial grey matter that insists on clinging to silly fairy tales that their common sense tells them are ridiculous. They call it "religion" and proudly describe it as their "faith". Among this heterogenous group of gullibles are the Christians, who believe in a mythical Christ of which there is no more historical evidence than there is of Mother Goose, who purportedly performed a myriad of miracles as hokey as any of the Mother Goose stories, such as the cow jumping over the moon. They believe them because they are in print and their bible says so, and that is reason enough, they reason.

Let us examine some of these wild stories that are simply accepted as miracles, and neatly covered by an all-explanatory blanket passage "With God all things are possible". So with this blanket in hand, let us now sail into orbit.

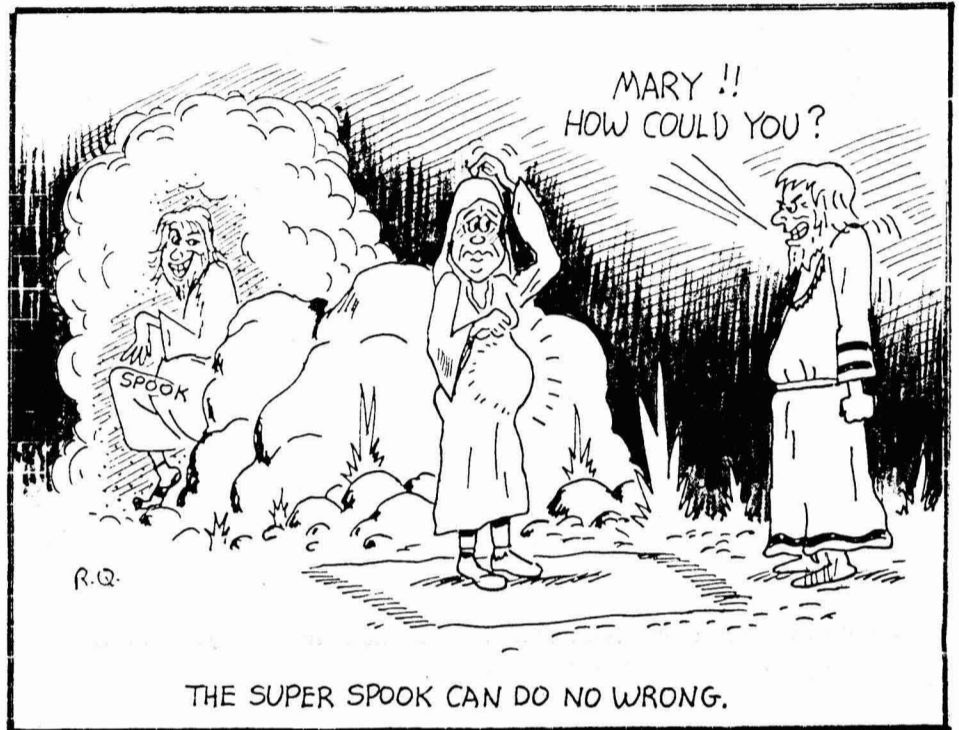

One of the first miracles that Jesus purportedly pulled off was to be born of a virgin mother, a fairly neat trick in itself. It made his mother, the Virgin Mary, whether real or mythical, undoubtedly the most touted woman in history. However, even this story is somewhat fudged. Depending on which chapter of

the bible you choose to read, it will tell different versions of the same episode. In one place it will tell you that the Holy Ghost, the Super Spook himself, just out of the clear blue sky, descended upon Mary and impregnated her. Never mind that she was already married to Joseph. Ordinarily, the bible would call this kind of thing adultery with a married woman, but then the Super Spook could do no wrong, now could he? Even when he commits mass murder and drowns all the people in the world, people he himself supposedly created, he could do no wrong. After all, they were only a bunch of lousy sinners, and therefore and ipso facto, the bastards deserved to be drowned, right? However, if he fornicated with a little Jewess called Mary, how does this

soldier in David's army doesn't seem to bother this Jewish paragon of virtue too much. In fact, he had Uriah murdered under cover of battle, so as to get him out of the way, and he, David, could have clear sailing and make time with his widow.

So there you have the different versions of the story of the Virgin Mary, the Virgin Birth and the whole pot of crock. Take your choice, if you are gullible enough to believe any of it.

We now move on to other tall stories, these so-called "miracles" at which Christ is supposed to have been such an expert. Most of these are as wild and silly as the Mother Goose rhymes, but not nearly as innocuous, since so many of them make a big to do about spirits, spooks, devils

still leave her a virgin, and is it still really a virgin birth? Hardly. The Jewish scribblers glorify this kind of fornication and adultery with a fancy name and call it the Immaculate Conception. Tricky, tricky.

Then, in another place in the bible it says that Joseph, after he had married Mary, found to his surprise that someone had gotten to her first, and that she was already pregnant, and that he secretly thought of abandoning her. In another chapter the New Testament will tell you that yes, indeed, Joseph was the father of Jesus, and proudly traces his lineage to the seed of David, and wow! what an honor that is, to be a descendant of this murderous, whore-mongering Jew who fornicated with Bathsheba, the wife of Uriah. The fact that Uriah was a faithful

and raising people from the dead, and all that there kind of hocus-pocus. Many of them are retold in different versions that evidently relate to the same incident but flagrantly contradict each other in details. Let us start with the story of the "unclean spirits" and the herd of swine, as an example.

In Mark 5: 1, 2 and 13 it says: "And they came over unto the other side of the sea, into the country of the Gadarenes. And when he (Jesus) was come out of the ship, immediately there met him out of the tombs a man with an unclean spirit...And the unclean spirits went out, and entered the swine; and the herd ran violently down a steep place into the sea (they were about two thousand) and were choked in the sea." Poor swine. What had they done to deserve such nasty treatment? Also what a waste! 2000 porkers down the drain.

In what is obviously the same story, Mark 8: 28 and 32 tell it somewhat differently:

"And when he was come to the other side into the country of the Gergesenes, there met him two possessed with devils, coming out of the tombs, exceeding fierce...And he said unto them, Go. And when they (the devils) were come out, they went into the herd of swine: and, behold, the whole herd of swine ran violently down a steep place into the sea, and perished in the waters."

So we see that the same purported story has serious discrepancies, depending on who is telling it. This becomes rather ridiculous, especially when the

### Purpose of this Series

*The overriding goal of the Church of the Creator is the survival, expansion and advancement of the White Race, and the immediate goal is to free the White Race from the worldwide yoke of Jewish tyranny. In order to achieve both goals it is necessary to build a massive, powerful movement that can smash the Jewish monster. Before the White Race can ever be in a position to unite, polarize and build such a power structure it will first have to get its thinking straightened out. This it can never do as long as it entertains in its innermost thoughts that most diabolical of all mind-scramblers, Jewish Christianity. By using ridicule and exposing this idiotic age old spooks-in-the-sky-swindle, we believe we can best help lead the White Race back to sanity, common sense, and a healthy, constructive attitude towards its own best interests.*

(Continued on next page)

**HOKEY MIRACLES**

(Continued from Page 6)

preachers spreading this kind of claptrap claim that everything in the "Holy Scriptures" is the word of God, that he guided the little Jewish Hands that wrote it, and was damn careful that it was meticulously accurate when he got through editing it. So the spook peddlers claim. But then why is there only one man in the one story and two in the other version? And why is the locale in the first story set in Gadarenes, and the next in Gergesenes? The obvious answer, of course, is that the whole book is a random and disjointed collection of myths and lies, concocted by a passel of Jewish scribblers, whose identity is now, and forever shall be, unknown. Furthermore, whoever the authors were, they were too stupid to keep their stories consistent, relying instead on the gullibility of their readers to swallow all this garbage wholesale as is.

If you care to read a third garbled version of the same story, turn to Luke 8: 27. But we have wasted too much time on this miraculous spooks and swine story already, so let us move on and see what other tricky hocus-pocus the Jewish scribblers have managed to dream up for their wandering and foot-loose magician and what else J.C. had up his sleeve in the way of "miracles".

The scribblers claimed he could make blind men see, and here again they get their stories garbled, depending on whose version you read. In Mark 10: 46, 52 it says: "And he (Jesus) went out of Jericho with his disciples and a great number of people, blind Bartimaeus, the son of Timaeus, sat by the roadside begging. And when he heard that it was Jesus of Nazareth, he began to cry out, and say, Jesus thou son of David have mercy on me."

Matthew 20: 29, 30 tells it differently. There are two men sitting there and

begging, no mention of Bartimaeus. Anyway, no big problem. Our magic healer just says the word and their sight is as good as new. One person, two people, who cares? It makes a good story.

If we want to pursue these kind of shenanigans further there is a whole list of goodies on the menu. Of course, there is no evidence they ever happened, nor is there any evidence that an itinerant magician resembling Jesus Christ wandered the countryside at that time, but only a compilation of wild stories of unknown origin and garbled as hell. He fed a multitude of five thousand with a few loaves of bread and a couple of stinking raw fish. He turned water into wine. (Such a deal! If today's Yids could duplicate this kind of trick, they could make millions!) He walked on water. (During Lyndon Johnson's regime a joke was being circulated that Lyndon, too, was learning to walk on water, but it too had no basis in fact.) He raised people from the dead. He consorted with the devil at the top of a mountain, and he flew through the air with the greatest of ease. Yak! Yak! Yak!

Is any of this garbage true? Not likely. They have as much evidence (or as little) as the Mother Goose rhymes such as the cow jumped over the moon. If you can cripple your adult mind to be as gullible

as a five year old, you can manage somehow to insult your intelligence and believe all this hocus-pocus. However, if you want to play these kind of silly games, why not stick with Mother Goose? Nobody really knows who concocted the Jewish bible nor who wrote the Mother Goose stories, but there are two cardinal virtues the Mother Goose stories have that are not inherent in either the Old Testament nor the New. One is the Mother Goose stories don't pretend to be anything more than just plain childish fun and games. The other is, they don't contradict their own stories. If they say that the cow jumped over the moon in one story, they do no screw it up by saying it was a horse or a goat that did the caper in another version.

B.K., P.M.

"It is our duty to ridicule that which is ridiculous when such garbage is deceitfully disseminated as the 'Gospel Truth'."

**SET-UP IN CHINA****The Chinese are Coming!**

It seems the deceit and cunning of the Jew knows no bounds. To most of the befuddled world, recent events in China, it would seem, just happened. The Chinese communist government, like their Russian counterpart, so our Jew orchestrated papers would have us believe, became more lax, and the Chinese students, like the rest of the Chinese people, just spontaneously assembled in Tiananmen Square by the millions to express thier hunger for "democracy" and freedom. Doesn't everybody?

Practically everybody in the United States and the world who has followed the events of the recent Chinese uprising believes this scenario. However, there are some serious flaws in this projected set-up. For one thing, you don't whip a million students into a state of agitation where they all assemble spontaneously in China's main square without previous long-scale planning and trained leadership. No, this revolt did not happen overnight nor without a great deal of financing behind it. Secondly, there isn't one chinaman in ten thousand who knows the meaning of the word "democracy" (nor an American either for that matter) and really gives a damn for the concept of democracy. Earlier this year Chinese students didn't demonstrate "democratic" principles when they bashed the nigger exchange students who had eyes for their Chinese women. In fact, most chinamen who might have heard the word "democracy" and are asked its meaning would probably say that it was some alien concept repugnant to the Chinese and their culture.

So how did it happen that a million Chinese students assembled in the heart of Beijing and started shouting "Western" (English only for American TV cameras?) slogans? How did it happen that the Communist hierarchy was seemingly indifferent to such a heretical uprising for a number of weeks and then suddenly let loose the armed troops and started mowing down the unarmed students with real machine guns? Wasn't that a nasty thing to do? Didn't that enrage the "democratic" peoples of the world? Surprise! Surprise!

To those of us who have studied the Jewish *modus operandi* (M.O.) for the last several decades and have followed the upheavals in any number of other countries — Cuba, Nicaragua, Panama, Vietnam and a score of others, it is no surprise at all.

Let us keep our eye on the ball. What is it that the Jews are trying to accomplish? What is it that they are not only trying, but actually achieving, with amazing success? The answer, as any Creator could tell you, is: the Jew is fanatically bent on destroying the White Race, by any and every means possible. Kill the best first! We have already described in great detail how the tribe of Judah managed to bomb, massacre, starve, deport and bastardize a major segment of the German people in the *Avenge Dresden!* series of articles. We have already spelled out any number of times how, after the defeat of Germany, they immediately moved to perpetrate a similar fate on the rest of the White nations of the world, especially America. How can they bring down America? Again, the deceit and cunning of the Jew knows no limits, and they will, and are, using every means at their disposal to bring about the total collapse of White

civilization. One means is to promote race-mixing. This they have promoted with a vengeance, not only by propaganda, but also by subsidizing the niggers already in this country so that they will breed to their hearts' content at the expense of the overburdened and hard working White American taxpayer. The Jew controlled government has augmented this further by "legally" enforcing such "civil rights" laws as "open housing", "affirmative action", unlimited welfare, and in general, enforced integration in every segment of our lives.

What has all this to do with what is happening in China today? A great deal, and we are now coming to our main point. Communism is a Jewish invention from beginning to end. Jewish Communism took over China in 1949, forty years ago. In order to do so, Mao tse tung, whom the Jews used as their stooge in China, ruthlessly killed off, it is estimated, between 40 and 60 million of his enemies. Mao is now dead and as elsewhere, Communism has been and is, a dismal failure. But let us remember that in the enslavement of the peoples of the world, the Jews' main target and prime obstacle still is the White Race, and that last great bastion of the White Race, the United States of America.

As we mentioned, one of the many destructive programs utilized by the Jews to destroy the White Race is to mongrelize the White Race into a massive sea of brown zombies, and the flooding of the United States with mud peoples is one powerful method of accelerating such a program.

So, what better way to allow all these mud peoples to flood into the United States than to play on the stupid—"Christian compassion" of the white people? Make them feel sorry for the "refugees" from all these tyrannical regimes that the Jews themselves instigated! This the Jews have successfully done in dozens of countries. In fact the United States is the No. 1 sucker haven for all the destitute mud races of the world.

Now where is there a more massive reservoir of mud peoples than the sub-continent of China? There are more than one billion, that's a thousand million, son, there in that miserable country of China, and 99 percent of them would love to scramble to the United States. Millions of them already have done so. But they need a "moral" issue, they used to be "refugees" from a tyrannical government to really open wide the flood gates into our fair country. What has happened in China in the last month provides the perfect scenario, almost as if it was scripted in Jew Hollywood itself. We will see many more scenes of killings, shootings, brutality on our TV screens, and I predict our Jew controlled government will indeed open wide the floodgates to endless hordes of stinking, yellow Chinese. What better and quicker way of drowning what is left of White America in a flood of mud? It will happen just as planned, and as this issue of *Racial Loyalty* goes to press developments are rapidly unfolding to insure sanctuary in the U.S. for all Chinese students (over 40,000) now "studying" here. If our readers will remember, about a year ago we told you of the million Chinese agricultural workers who were brought to this country (by JOG) last year ostensibly to pick produce (which the White Man has decided he is too good to pick himself). It now appears that JOG may have been just softening us up a little and testing the waters as to how much more the "melting pot" was prepared to take. As "Operation Chinese" falls into place, remember what *Racial Loyalty* has been telling you all along about it.

**TAMPERING WITH THE MAIL  
 COMES AS NATURALLY TO THE JEW

Any readers intending to correspond with Rev. Rudy Stanko could possibly use the following information: There is a little known form EVERY POST OFFICE has. It is called a "MAIL LOSS-RIFLING REPORT" (Form 1510) and if after say about 20 days you don't receive a reply from Rudy, you can fill out one of these forms and the post office will mail it to him for you free of charge (be sure to date the original letter you send Rudy so this information can be included on the 1510 form). The form asks if the intended recipient has received the letter in question. A postage free envelope is also provided with the 1510 and Rudy can let the inquirer know if he received the letter or not. As you know JOG is going to try and isolate Rudy as much as possible, so someone in your organization should keep track of all letters Rudy didn't receive. Your readers should send you a copy of any 1510's which state, "WE WERE UNABLE TO LOCATE THE ARTICLE. IF LATER FOUND YOU WILL BE ADVISED. THIS INFORMATION HAS BEEN REFERRED TO THE POSTAL INSPECTION SERVICE FOR REVIEW AND IF ADDITIONAL INFORMATION IS NEEDED, YOU WILL BE CONTACTED." or "WE DID NOT LOCATE THE ARTICLE AND THE ADDRESSEE FAILED TO REPLY TO OUR INQUIRY. **RAHOWA!**  
 The Mailman  
 California

Dear Church of the Creator:

Thank you for sending us your expose of Harold Covington, and your three issues of *Racial Loyalty*.

We don't know how we ever got on Covington's mailing list in the first place, or how we have remained on it for so long. At first we were mildly interested in his new "solution" to the racial problem. Later, we were amused to learn that his "new" ideas were merely the dismal resurrection of the Southern Confederacy. But when he started in with the christianity, we were repulsed.

Like you, we understand that christianity is a major part of our race's problem, and so we have nothing to do with organizations, or individuals, that concern themselves with the dead Jew. In fact, we have a very strong stance against christianity. We especially like Ben Klassen's analysis of bible stories, and we recommend them to those who have not yet realized their native spirituality.

We are an extended family of National Socialists, and our efforts are directed toward the future. Now we are busy with our newly aquired Kindred home and things are going very well here. We hope that your efforts there will be

### Mineral County residents receive racist fliers

By JOHN STROMNES  
 of the Missoulian

**SUPERIOR** — An unknown person put unauthorized racist tracts in newspaper delivery tubes on rural routes in Mineral County this week, Missoulian and Spokesman Review delivery personnel said Wednesday.

A 12-page tabloid-sized newspaper titled "Racial Loyalty" was found in delivery tubes owned by the Spokesman Review and the Missoulian newspapers early Tuesday morning in Mineral County west of Superior, said Robbi Smith of Superior, who delivers both papers to a total of about 150 customers in western Mineral County.

A similar tabloid, titled "Racial World," was found Wednesday morning in about 100 Missoulian delivery tubes on the rural route east of Superior served by delivery person Tammy McFarland of Alberton.

Several subscribers called the Missoulian circulation office to complain about the contents of the tabloids, which the subscribers described as offensive.

The Missoulian said it would take legal action against continued unauthorized use of the tubes, which are reserved for the delivery of that newspaper.

"The tubes are for our exclusive use and any further use is unauthorized," said Phil Blake, Missoulian publisher. "We're willing to take legal action against whomever is responsible if it reoccurs."

Responsibility for the circulation of the printed matter could not be immediately determined. "Racial Loyalty" can be ordered for \$15 per 100 copies from "Church of the Creator at its World Center — Editor Will White Williams H.P." in Otto, N.C., according to information printed in the tabloid. The Otto phone-information directory has no listing for either Williams or such a church, a directory assistance operator said.

The tabloids, professionally printed in two colors and with an attractive layout on newspaper stock, are filled with anti-Semitic and anti-Black cartoons and editorial comment. The tabloid "Racial Loyalty" states that the goal of the sponsoring church is "to free the White Race from the worldwide yoke of Jewish tyranny" and that the tabloid itself is "dedicated to the survival, expansion and advancement of the White Race."

very successful.

Dear Kinsmen,

Will you consider marketing the Church of the Creator flags. With all of the uninformed morons crying about their flag being desecrated, perhaps its time we Creators fly ours! I'd like to buy one and fly it.

Seriously,  
 Ben Bolt  
 California

*ED. NOTE — We're way ahead of you, Ben. If you'll notice on page 10 of this paper, we now offer 3'x 5', 100 percent cotton, embroidered (both sides) Creativity flags. We have our own little "Betsy Ross" tucked away making these historic flags as fast as we order them. Due to a limited quantity we are offering these to our Ordained Ministers first, then to our general membership. It's time to get that ordination application in, Ben, so you can get in on all the added perks a Creator Minister enjoys.*

Dear Hasta,

Hello friend! Thanks for the record you sent and your good words about the gathering. I wish that there weren't so many miles between us and that we could get together more often. It's been a very busy few weeks since Aryan Fest and we're getting ready for our Summer get-together. We are also planning on a Fall gathering this year along the same lines as Aryan Fest.

I was most impressed by the courtesy and dignity of all CREATORS at Aryan Fest. A real crew of warriors and gentlemen! Glad we could meet and I wish we could have spent more time on discussing matters of grave importance. Tom Metzger said the same, wishing we could have sat down and "visited" more.

Your campsite (with Creator Flag flying) was featured on the local news while a breathless nigger newsperson described the dangerous skinhead meeting in Inola. When you fellows responded to the reporter's question about what the "W" stood for, I really got a good laugh! It was great! "WHITE RACE—NATURE'S FINEST"! What could be more TRUE!

White Power, kinsman!  
 Joe Grego

**More Flag Talk**

Dear P.M. & H.P.:

You guys are a breath of fresh air! I have fairly devoured most of the 8 books and back issues of RL you sent. The two that have impressed me the most are THE WHITE MAN'S BIBLE and SALUBRIOUS LIVING. NATURE'S ETERNAL RELIGION certainly deserves top billing, too, for its additional detail; it fleshes in the others admirably.

I thought I might be writing to you some considerable criticism about flawed premises, unrealistic expectations, etc. that I expected to find. I'm really frustrated! Cannot find hardly enough errors to mention in COTC materials. Pontifex has just done a superb job of putting this all together. There will no doubt be evolvments — constructive developments — over time as White geniuses contribute more and more to the program. But as it is...it is one hell of a good start!

As stated in a previous letter, my first concern (what I perceive HAS to be accomplished first, before any significant progress can be made) is the breakdown of badly muddled thinking. Obviously the Bobsy twins — Jewism and Christianity — presently have a stranglehold on the minds of our race. Before we can go any appreciable distance further, that stranglehold HAS TO BE BROKEN. Jewish Christianity has to be dismantled, and the sooner the better. That can be done most effectively by ridicule or the straight reporting of the facts (or a combination of both). You guys are past-masters at using the ridicule tactic! Wish I had that talent. Maybe I'll learn as I go along. Christianity is vulnerable not only from the gross contradictions in its sacred scribblings, but also from historical authenticity.

I'm going to rely on THE WHITE MAN'S BIBLE and *Racial Loyalty* to do my little part to break down the widespread reliance on Jew/Christian dogma and mysticism. I certainly can't say it any better (or any cheaper).

Am enclosing \$50.00 cash. Please send 8 WMB and 12 SALUBRIOUS LIVING. My next order will likely be for larger quantities. RAHOWA!

Cordially,  
 Jim Hazel  
 Oregon

P.S. There was an interesting segment on the local jew-tube last night. On the 11 o'clock news, evidently a feed out of Portland (KTVU), RACISTS GROUPS

**ARE TARGETING OREGON!!!**

It was about 2 to 3 minutes in length. The gist of it was that these racist groups were moving into Oregon, primarily into the Portland area. They were selling automatic weapons and drugs as a means of financing their operations, and were also inclined to commit armed robberies. The usual crap, right? But what I found to be of special interest: although COTC was never mentioned either by name or direct reference, the White Man's Banner was prominently displayed in several shots.

What strikes me as pertinent is that the media and the Bigot Task Force (or whoever supplied this info) were slamming POLITICAL ACTIVISTS (skins, etc.), while dragging the glorious Banner into this 'mess'; implying all sorts of awful things about COTC members. This appears to me to be a classic opportunity to enjoy a little publicized rebuttal, and other aggressive 'defense'.

*ED. NOTE — Thanks, Jim, for everything! The flag segment you mention is the same one Joe Grego speaks of, produced by a Tulsa, OK TV station during Aryan Fest. It's funny how something like that makes the rounds of the controlled media and is distorted so by juxtaposing with other unrelated snippets. What's funnier is that the flag in question, when video-taped in OK on May 28th, was the only one of its kind in existence at that time and is now being used as the visual symbol of White resistance. We won't argue with that.*

**Creator  
 of the Month**

With publicity of the Creativity Movement gaining momentum monthly, it's getting harder for us to pick our "Creator of the Month" based on who gets us the best publicity in the previous month. The article featured in the box above is an example of GOOD publicity, even if you can legally pull the stunt which generated it only once. Rev. Slim Deardorff of Montana swears he doesn't know who the Creator Phantom is who has been stuffing *Missoulian* tubes with RL's, but we will be sending him the AWARD OF HONOR as Creator of the Month for June, anyway, plus 10 lbs. of RL's 'cause we like his style.

## AVENGE DRESDEN

(Continued from Page 3)

paper, which they called military currency, which the Germans were forced to accept as "payment" for whatever the victors chose to "buy". It was worthless, of course, merely worthless bogus paper. It is conservatively estimated that altogether between 15 billion and 20 billion occupation marks were printed. This means that the four powers further stole between 2 and 4 billion dollars worth of German property for the mere cost of printing worthless money, issued in payment.

Meanwhile, the Russians, who occupied 45 percent of what was formerly Germany, dismantled every factory, machine and plant that had escaped the ravages of war and shipped them eastward into Russia. Not only did they ransack their own zone, but the other three powers gratuitously agreed to give them 25 percent of anything and everything they could loot out of their zones as well.

Nothing was spared, patents, inventions, scientific laboratories and even the scientists themselves were appropriated by the victors, with the Russians making off with the lion's share.

### • Decimation of the German People by a Program of Deliberate Starvation.

In the previous paragraphs we have already reviewed the horrors of war suffered by the German people; the terrible fire bombing of Dresden; the massive, concentrated bombing and burning of the great city of Hamburg, and in fact, every other major city in Germany. Yet, remarkable as it may seem, food reserves were still ample when the war ended, thanks to the discipline, hard work and efficient planning of the German government and its people. Once the war was over, however, this was quickly and drastically changed to one of famine, chaos and the ultimate in death and misery. Under "Allied" policy, bent on vengeance and the decimation of the German people, these food stores were deliberately destroyed, and in the Russian zones devoured by the Russian troops or loaded up and shipped to Russia.

None of this just happened. When the "Big Three", Roosevelt, Churchill and Stalin (sadistic sons of bitches that they were) met at Yalta, they deliberately planned to starve the German people to death, not because food was not available, but because in an orgy of hatred and vengeance they wanted to torture the German people, and, moreover, cripple and decimate the German gene pool into insignificance and oblivion. We all remember the "Morgenthau Plan" to reduce the great German nation into an insignificant goat pasture, devoid of people. Henry Morgenthau Jr. was U.S. Secretary of the Treasury at the end of the war, and this scurvy Jew was not only privy to the inner circles of the Jewish Kehilla, but also one of Roosevelt's closest advisers (if not his boss). Be that as it may, on this issue the Jews of the world were in unison: heap a maximum of misery on the German people! Starve them to death! Kill the best first!

When I visited Germany in 1955, I had the pleasure and honor to be the guest of a German businessman for more

than a week. This fine gentleman by the name of Fred Bieger, who had suffered the pangs of cold, and battle wounds on the very edge of the Russian front, told me that whereas the war years were horrible, the "peace" that followed, during the first year at least, was a thousand times worse.

The average American diet is about 3000 calories a day. A working lumberjack needs as much as 7600 calories to maintain his weight and health. Studies by the University of Minnesota showed that when intake (by volunteers) was reduced to about 1650 calories over a period of several months, the volunteers lost a fourth of their weight, experienced fainting spells, dizziness and a feeling of always being cold. They lost three-fourths of their energy and working ability, and their only interest in life seemed to be the next meal.

In their deliberate campaign to starve the German people, the caloric intake allowed in the American zone ranged from a high of 1550 calories to a low of 1180 per person per diem. This was, in fact, a program deliberately pursued with the objective of starving the German people to death, and starve them they did. The British, French and Russian zones were even worse. The result was mass starvation. Infant mortality reached a horrifying 90 percent. It was 16 times as high as it had been in 1943. Ed Johnson, correspondent for P.M. Magazine wrote at this time: "Most children under 10 and people over 60 cannot survive the coming winter."

Senator Homer E. Capehart of Indiana in an address before the U.S. Senate, February 5, 1946, said in part...*"the fact that it has been and continues to be the deliberate policy of a confidential and conspiratorial clique within the policy making circles...to draw and quarter a nation now reduced to abject misery...this clique, like a pack of hyenas struggling over the bloody entrails of a corpse and inspired by a sadistic and fanatical hatred, are determined to destroy the German nation and the German people, no matter what the consequences."* Senator Capehart, unfortunately, did not identify the nature of the clique. We can do so without fear of contradiction and point the finger directly at the malevolent, cunning and diabolical hatred of the Jewish Kehilla and International Jewry itself, the same criminals that instigated and orchestrated the internecine and suicidal war against the White Race in the first place.

The result was—as intended—millions of Germans starved to death while ample food supplies from Denmark, Sweden and the United States were deliberately withheld by the vengeance-prone "Allied" victors.

### • The Bastardization of the German Gene Pool.

Also decided by the "Big Three" at Yalta was the ultimate horror, degradation and damage to be heaped upon the German nation. From the record it is obvious that the criminals who met at Yalta deliberately formulated a diabolical program of bastardizing and contaminating the superior racial strains of the Prussians and the Teutons with the inferior genes of the American niggers, and French Moroccans and Senegalese, and from the east, the Bolshevized Mongolian and

Slavic hordes.

When the Russian armies overran Danzig they promptly and systematically set about raping all the women—from small girls and children to elderly women as much as 83 years of age. A 50 year old teacher related that her niece, 15 years of age, was raped seven times the day after the Russians arrived, while her other niece, 22, was raped 15 times the same day. When women of the city pleaded for protection, a Russian officer told them to seek shelter in the Catholic Cathedral. Once securely inside, these treacherous Russian barbarians had themselves an all night orgy, raping every woman inside the Cathedral, some more than 30 times. A Catholic priest states: "They even violated eight-year old girls and shot young boys who tried to shield their mothers."

It was the same in all the regions overrun by the Communist armies. When Berlin fell, the Commander told his Russian soldiers—the women of the city were all theirs and to go to it. This they did with a vengeance and the only escape the women had was to commit suicide. This thousands of women did, and even before the arrival of the oncoming Russian hordes many of the most beautiful and desirable, anticipating a fate worse than death, committed suicide.

In the American occupation zone, the High Command saw fit to bring in 42,000 black nigger troops, a move that was no accident. These black savages, the lowest type of animals, had a higher crime rate, a venereal disease rate several times that of the White soldier, and in general, a propensity for rape and criminal activity. They were deliberately set loose upon the German women, and even a scoundrel such as General Eisenhower loosely dismissed the wholesale raping of the German women by the American G.I.'s as "The boys were just having a little fun." Some fun! Where brute force was not employed in the wholesale rampage, later, as starvation set in (as described in the previous chapter) the American G.I.'s traded food, bars of soap, chocolate bars, for cheap and easy sex to the hungry and hopeless German women who were desperately trying to survive.

Without going into detail, the same flagrant program of rape and violence against the women prevailed in the French and British zones. Without a doubt, the policy had been handed down from on high: rape and desecrate every German female to be found. A whole book could be, and should be, written about this shameful and horrendous episode of atrocities committed by the "Allied" conquerors, but we do not have the space here to do so.

Suffice it to say, it is one of the blackest and most shameful blots on the history of civilization, and the White Race as a whole. But let us remember—back of it all was the planned and deliberate hate of the Jewish Kehilla—to destroy that which is best, the German gene pool.

### • Conclusion.

As we enter the last decade of the Twentieth Century, White Americans are not interested in the story of what happened to the Germans after they were defeated and disarmed. Very few know the real story, a gruesome story that was completely hushed up, and few

Americans want to hear about it today.

But we had better learn from history and realize that what happened to the disarmed Germans then, is in store for the White people of America and the White people of the world. What the Jews did to the Germans was only one further, albeit major, step in their long-standing program of mongrelization and destruction of the White Race. No sooner had the Jews vanquished the Germans when they immediately turned their attention to doing the same to the very "Allies" who in their ignorance and stupidity had helped them do the dirty deed. Targeted for mongrelization and destruction now were ALL the White countries of the world—especially the United States. This they did by shipping in the mud races of all stripes and colors, into Britain, France, the Netherlands, the Scandinavian countries, and again, especially the United States. They further exacerbated the program by massively subsidizing the mud peoples of the world, by means of the Marshall Plan and foreign aid abroad, and by means of huge welfare programs to the niggers in America herself, all at the expense of the White American taxpayer. The result over the past 45 years has been a massive population explosion, not of the White Race, but exclusively of the mud races, and the United States (as are Britain, France, the Netherlands, etc.) is being flooded and overrun with the mud scum of the world. The objective is to disarm the White people, and when the time is ripe, to utilize the overwhelming hordes of mud peoples to rape, kill and mongrelize the decimated remnants of the White Race in a pattern very similar to what happened to the vanquished and disarmed people of Germany.

Therefore let us take heed and learn our lesson well. Destroy the enemy before it destroys us! Destroy Judaism, the scourge of the world, before it destroys us! If it is morally acceptable to de-Nazify all the Germans, 80 million of them, then it is imperative that we are justified in de-Judaizing the 20 million Jews of the world—our No. 1 mortal enemy. DELENDA EST JUDAICA! Let us make sure we avenge Dresden, Hamburg and all the rest of the atrocities the Jews heaped on the great and fine people of Germany. By so doing we will ensure that a similar fate is not perpetrated on us and our own future progeny.

To do so we must become informed, aroused and organized. Had the American people in the 1930's done just that, they would never have gone to war against Germany. Instead they would have joined with the Germans and turned their wrath on the mortal enemies inside our own borders—the sinister and treacherous Jew. Let's not lose any more time. Join The Church of the Creator. Help get those first 10 million WHITE MAN'S BIBLE'S out and into the hands of our White Racial Comrades. Do it now!

Are you tired of being deceived and lied to by "your" political and religious leaders? Join the C.O.T.C. and enjoy the pleasure of being around White people who don't deny their Race and are willing to fight for it no matter the cost.

# Help us put Ten Million WMB's in the hands of our WRC!

When we do, the war is as good as won, and the enemy destroyed.

**On Enemy Toll Effectiveness Factor**

Dear P.M. & H.P.:

On E.T.E.F.—In addition to requiring marksmanship skills, GUNS are slow. No matter how accurate, expensive or rapid firing a cartridge firing weapon is, you can still hit only ONE person at a time (one, two, three...). Even if you line up a bunch of niggers against a wall, one in front of the other as in proper welfare-line formation, and then shoot them shishka-bob style (into the front of the first, out his back and into the front of the next, etc.) you may conserve a few bullets, BUT you're still only hitting them one at a time. Therefore guns are SPECIALITY weapons of limited use, concealable for self defense/offense, or for picking out precise individuals out of a crowd.

The only way to kill many people all at once, instantly and in the same millisecond is to blow them up, BOOM! (Big mushroom cloud with Jewish beanies twirling at its top). But explosives are quite loud.

Poison (chemical warfare), on the other hand, is deadly silent. So is bacteriological and germ warfare.

Above all these is a weapon which requires more mastery and expertise to utilize and has murdered and incapacitated more of our Race than all the other weapons combined. This weapon is PROPAGANDA! Need I say more?

Greetings White Patriots:

It has come to my attention that you are helping to abolish the problems infesting our nation.

I would like to extend an invitation to you to join with the Invisible Empire, Knights of the Ku Klux Klan to help abolish these problems.

The leadership of the IEKKKK, Realm of Texas, feel that the Church of the Creator, if joined with our Great American Movement, will become the rulers of the world!!

ED. NOTE — We are concerned only with the White world — nothing else! We are excited about the changes for the better that are taking place within the

various Klan organizations. It is obvious that a new breed of leadership is coming to the fore and they have their priorities straight. The Melkonians, Badynskis, and Covingtons of this "movement" will be swallowed up in the wake as RACIAL LOYALTY & THE ETERNAL LAWS OF NATURE displace superstition and faith in a dead Jew as the motivating force in our struggle.

**Carlos Strikes Back**

Dear C.O.T.C.,

Thank you very much for the newspapers and books. I had seen a copy of NATURE'S ETERNAL RELIGION, in fact I still have it, it was given to me by Dominic Lewitzky of the National Socialist White People's Party in 1979 or 1980, just before he committed suicide.

I have not had time to read your material carefully; I think the books and leaflets are superior to the newspaper; much of it is extremely crude in appearance and style; but as far as I understand it, I must say I agree with you 100 percent. I think this material is actually logical; original; and on very sound historical ground. It is very convincing; it is honest; it suggests many things I had never thought of, and changes many of my ideas almost immediately, almost at a glance. It is utterly free of pretentiousness. It covers a wide range of subjects easily and apparently, competently; I think to have so many original ideas, Klassen must be really something of a genius. Unfortunately the appearance of it will cause many people to think it is the product of a semi-literate moron with a third-grade education. [OUCH! Gee, Carlos, we do the best we can.]

It is better to tell the truth as you see it than think about the reaction of hypothetical audiences; if you change your style to be popular or acceptable you end up like [Gary] Gallo.

I was amazed by the series of logical questions you asked Gallo, and I was appalled and disgusted by his mealy-mouthed evasion of the answers. Particularly hypocritical was his distinction between personal opinion and political doctrine; this latter, like faith, means, of course, "believing what you know isn't true".

If Gallo is typical of what education does to the human mind, I prefer rednecks.

I think it is a mistake to call Covington a hypocrite; rather, he is, in my opinion, a brilliant writer with an unstable personality who is a terrible judge of people...

The trouble with these people is that if you tell them politely that you are not interested, you continue to get reams and reams of their stuff; if you are impolite you get abusive letters and more junk; so you have to be RUDE.

I do not have any copies of my own books [which you requested] at the moment. If you buy one, make sure you get the IHR version and not Geroge Dietz's version, with a yellow cover, published under a pen name; I think Dietz must have captured his printing press at Stalingrad. [Join the crowd, George. You've just been Porterized.]

Yours,  
Carlos Porter

ble shrinking NDF (see P. 4 of RL No. 48). Since we had never heard of Mr. Porter, but Gallo unwittingly provided us with his address, we sent him some literature and this (much-shortened) letter is what we got back. Thanks Gary!

Dear P.M. & H.P.,

What's going on? I just got a letter from Dirty (as a Jew) Harry. It is CLEAR to me that Harold Covington is either a Fed of some sort or a KIKE! Least of all he is a traitor and deserves to die like one.

Is the school still on? If so, when? I am very enthusiastic about going. Write back as soon as you can!

ED. NOTE — Wierd Harold's Confederate National Congress is now defunct. His new Klan group is a joke to Creators and confirms our thesis that he is the ultimate hypocrite, yet he keeps spreading lies and rumors about C.O.T.C. to anyone whose address he has. We want copies of all these letters (and envelopes) as we mount our legal defense (and offense) against this vindictive charlatan. Have a "cease and desist" order sent from your Postmaster to his directing that he quit harassing you through the U.S. Mail. Obtain an injunction with the phone company if he is badgering you or calling and hanging up (like he has done to us). The best thing you can do is ignore him and come on down to the School and do positive works for the White Race. H.C. has already hung himself through his many peurile actions and doesn't need anymore help from Creators. By the way, Pontifex is not hiding in Florida (or anywhere else) from Harold's legal onslaught, and Hasta did not tip Harold's boss that the JDL was going to assault his business with AK-47's because of H.C.'s political activities. It's too bad he lost his job, but it had nothing to do with anything we did. And, yes, the School For Gifted Boys is still on in spite of H.C.'s nasty rumors on C.O.T.C.'s motives for building the school. We don't know WHAT he is, but to say this boy has an unstable personality is putting it quite mildly. Forget him!

The intelligence report pictured to the right and below was sent to us by the foremost technical expert on the fabled holohoax, Dr. Robert Faurisson. Talk about "racial loyalty", this is the kind of information-sharing so necessary to our struggle. Thanks, Dr. Bob! Calzi is one would-be-creator who is now neutralized.

Dear Friends:

We owe your address to our common contact, Ms. Ann Le Sant from WESTERN SERVICES, Ltd. (P. O. Box 8 22630 Extran, France).

We'd be glad to know how to join the Church of the Creator and to build up a chapter in this country.

To hear from you will be a pleasure.

Yours cordially,

## WHITE HEAT CARTOONS

by Ron Quinn

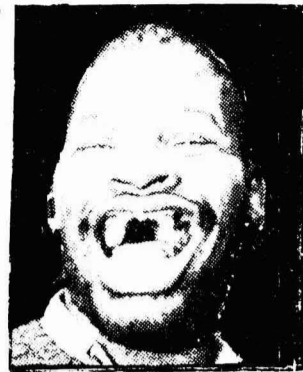

# CREATORS VIEW THE NEWS

This Creator was raised in a home which was at least third generation Presbyterians and Democrats on both sides of the family. Sad to say, but most of my relatives still cling to both institutions like a bad habit. It is amazing to me that the most inventive and creative species ever to appear on Earth (the White Man) is also the

Nigger Joan Campbell  
Presbyterian Moderator

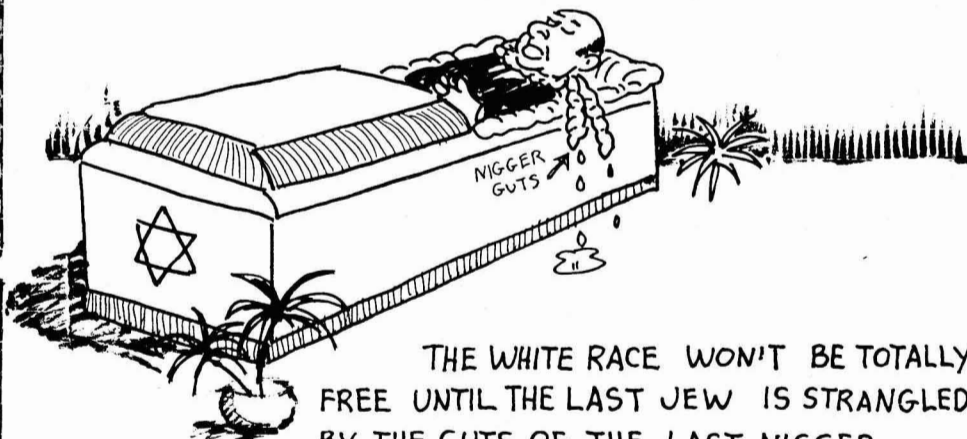

Nigger Ron Brown  
Democratic Party Head

most stupid and gullible when it comes to its own preservation and advancement. I need point no further than the nigger mugs pictured above to see who my "leaders" would be had I not escaped the idiocy of being identified as a "lifelong Presbyterian and Democrat". (Note! Our apologies that the picture of Ron Brown is such a bad likeness — but its the best nigger picture we have, and all these niggers look alike anyway).

Wake up White Man! Quit being a sheep and join the only Church which looks out exclusively for the interests of your Race. The Church of the Creator has its own Bible and Creed, and doesn't look to a Jew book or Jew spook, or a dead Jew on a cross for salvation. Creators will never have niggers, Jews or other muds in their congregations and political circles and would certainly not accept anyone but a fellow White as a political or "spiritual" leader. As a matter of fact, we Creators won't even put ourselves in the position where we might have to "work" for an alien, if we can help it. We ignore them and deal with our own only. Soon we will be educating our children ourselves — to hell with submitting our kids to the forced race-mixing in JOG's schools. We will not raise our children around junk food or TV's or all the other Jew fadrot. REMEMBER! THEY NEED US — WE DO NOT NEED THEM! Our doors are open to all White people who put their Race first and want to associate only with their own kind. We welcome you to join with us and become leaders of our people in your own right. RAHOWA!

W.W.W., H.P.
