The Obvious Solution to a Crushing Problem

## Repudiate and Cancel the Federal Debt!

There are two basic points I want to drive home in this article. The first point is that we, the White Race, are being totally enslaved by the JOG. Secondly, nobody can be enslaved unless they willingly cooperate with their slavemasters. Therefore the first step in our liberation is the straightening out of our thinking through a Revolution of Values.

by Ben Klassen, P.M.

Right now, the Jews control the money creating machinery in the U.S. and all other White countries, and it is probably the most powerful and significant weapon of all in the arsenal of the worldwide Jewish Conspiratorial Network that is slowly but surely tightening the noose around the necks of the working White taxpayers of the United States and the world. At the heart of this Jewish monster is the FEDERAL RESERVE SYSTEM, which has acquired for itself the powers to print unlimited quantities of money out of thin air and paper, and thereby control the finances of the world and all the accoutrements of power that go with it. (Read again "The Federal Reserve Board -- The Most Gigantic Counterfeiting Ring in the World", C.C. No. 40 in The White Man's Bible.)

Through this power of manufacturing its own money, then lending it out to the government and the people of the United States with interest, the Jew-controlled Federal Reserve System has been able to put the working people into a tighter and tighter noose, tightening the vise in which they have us clamped as the mountain of debt grows ominously larger daily.

The Federal debt of the United States at the time of Calvin Coolidge was only 3 billion dollars, of which he managed to pay off 2 billion while in office. Today the Federal debt exceeds 3 trillion dollars, a figure so huge that the average person cannot grasp it, and I won't even try to explain it, except that it is now one thousand times as large as it was during the time of Calvin Coolidge, and it is growing at a fantastic rate. But that is only part of the picture. Every state, city and municipality in the United States is also over its ears in debt. So is every large and small corporation. In fact, the total NATIONAL debt now stands at over 13 trillion dollars and increases by another 12 billion dollars while you are listening to the Jewsnews broadcast during the evening. Just the interest on the Federal debt alone is now the third largest item in our national budget, exceeded only by the welfare ("tax whitey, feed the nigger") programs and the military ("make the world safe for the Jews") budget. But soon it will exceed all.

What does all this mean? It means, we, the White working people, who built it all through sheer labor now owe more than all the combined real wealth (real estate, machinery, land, housing, etc.) in the United States is worth. It means every baby that is now born is already saddled with a \$52,000 debt the day it arrives. By the time that baby is an adult, that debt may be five, ten or twenty times as large. It means we are enslaved in a Jew-created mountain of debt that grows ominously larger by the minute. (Read again "Operation Rip Off", p. 172 of RAHOWA! This Planet is All Ours.)

Now let us stop and think a minute. Debt has two parties: the debtor on the one side and the creditor on the other side. We hear incessantly of the astronomical amounts we, the people of the United States, owe. But strangely, never a peep as to whom we owe all these trillions, more than all the real combined property is worth. To whom do we owe such huge sums? When you ask the average person that vital question, they act dumb, confused, like gee, I never thought of that. (Continued on Page 2)

## Another Victim of the Black/Mud/Jew Criminal Terror Against Whites

Sandra Wimmer, 19, a young White woman from Sarasota, Florida, has been robbed, kidnapped, raped, tortured and killed by a savage nigger beast, Ortega Edwards, on August 13, 1990.

Wimmer was working as a night manager at the Regal 66 gas station at 2400 Cortez Road in Sarasota, Florida, when the nigger beast, posing as a customer, attacked her. According to an arrest affidavit, the nigger criminal gave deputies this account:

He held a knife on Wimmer and forced her to take \$600 from the store. Then at knife point he made the scared and weeping White woman drive to the NCNB Bank at 3700 South Tamiami Trail in Sarasota to withdraw \$400 from her account.

When she asked what he planned to do, he slashed her side with a knife and drove to remote Bee Ridge Road, near Interstate 75. There the nigger beast ripped, tore and cut all of the woman's clothes until she was completely naked, then he proceeded to repeatedly rape and torture her.

The affidavit said Miss Wimmer, who weighed 110 pounds, tried to escape. The nigger animal chased her and hit her twice in the head with a heavy wooden plank, then dragged her to the car. As he tried to stuff her in the trunk, she ran again. And he hit her with the plank again.

After almost three hours, nigger fiend drove to a Myakka River bridge and pulled the White woman's naked body out of the trunk. He dragged her by her heels 70 feet to a place where he could dump her. He dropped her into 7 feet of water. Autopsy results show the White woman drowned, although the medical examiner ruled she eventually would have died from the head injuries.

White Man, how many more White women will have to die before the nigger animals will be rounded up and shipped back to the African jungles?

## Repudiate and Cancel the Federal Debt!

(Continued from Page 1)

The government never mentions it. The Jewsmedia will never inform you of this vital issue. Doesn't anybody know? Why the big mystery?

Well, it might have been conspiratorially covered up by the Jewish power establishment but a mystery it is not. I can tell you in half a minute whom we owe it to, who is raking it in on the other side. **The answer is the Federal Reserve Board, which is not at all a governmental agency as most people are led to believe, but a vile and vicious conspiracy of worldwide Jewish bankers.** That is to whom we owe everything we own, and even more.

JEW RUN BANKS      JEW RUN FED      JEW RUN WORLD BANK

YOU MIGHT OFTEN WONDER WHO RECEIVES THE INTEREST ON THE WHOPPING NATIONAL DEBT, US JEWS GOT THIS COUNTRY INTO. WHY...US JEWS, WHO ELSE?

How did they get us into such a stupid and servile position? The steps leading the Jews to the worldwide dominance are: **racial loyalty, racial religion and a conspiratorial game plan, surreptitiously acquiring all the world's nerve centers of power, of which money is the key.** That is how they managed to lock us in and enslave us.

So, the bottom line is we owe everything we own, and more, to the treacherous and perfidious Jewish conspiracy who didn't earn any part of it, but through trickery and treachery have euchred and swindled us out of our property and substance. I repeat, the Jews stole our wealth through paper shuffling, through deceit, through trickery and chicanery. The Jew-controlled Federal Reserve swindle is not a legal body, nor have they acquired the right to create money. They are in violation of the Constitution of the United States, Section 8, Article 5 of which says, "Congress shall have the power: to coin money, regulate the value thereof, and of foreign coin..." This does not mean Congress can give that right and obligation away to a gang of Jewish counterfeiters, which is what has happened.

**So, do we owe these sinister Jewish gangsters 13 trillion dollars? Not by a damsite! We don't owe it to them legally, we don't owe it to them morally, we don't owe it to them, period. What we owe them is a good neck-tie party to hang all these treacherous gangsters who have caused more wars, killings, poverty and misery than all other evil forces of the world combined. While we are at it, we should also hang all the traitorous chabez-goy who collaborated and cooperated with our mortal enemies.**

## U.S. may send \$1 billion in high-tech arms to Israel

The New York Times

### BALANCE OF POWER

WASHINGTON — The Bush administration is preparing to transfer up to \$1 billion worth of advanced weapons to Israel to buttress Israeli defenses against Iraq and offset recent arms sales to Saudi Arabia, administration officials said Friday.

Officials said the promise of advanced weaponry to Israel is intended to send a clear signal to Iraqi President Saddam Hussein that the United States intends to stand by its main Middle East ally.

Israel, while keeping a low profile in the Persian Gulf crisis, has placed its military on heightened alert. Israeli and American officials have warned that Iraq, in an effort to shatter Arab opposition to the invasion of Kuwait, might try to draw Israel into the Middle East conflict either by direct missile attack against Israel

or by moving military forces into Jordan.

U.S. and Israeli officials are still negotiating final details of the arms package, which could include the delivery of F-15 and F-16 fighter planes, Patriot ground-to-air missiles that can be used to intercept incoming missiles, M-60 battle tanks and Apache tank-killing helicopters, largely from U.S. stockpiles in Europe.

The idea originated with the Israelis and has been approved in principle by the Defense Department and top national security officials at the White House, administration officials said.

The details and timing of arms deliveries must be worked out, with both sides hoping to begin as soon as possible.

The transfer of weapons,

through leases or sales, would come on top of \$1.8 billion in U.S. military aid to Israel planned for this year before Iraq invaded.

In addition to Israeli concerns about an Iraqi attack, Israel and its American supporters have expressed longer-term concerns about the need to offset new arms sales to Saudi Arabia, Egypt and other Arab countries that may alter the military balance in the Middle East.

Administration officials in recent days have reaffirmed to leaders of American Jewish groups and members of Congress the longstanding U.S. commitment to maintaining Israel's military advantage in the Middle East.

Defense Secretary Dick Cheney met last week with Jewish leaders. This week a delegation of Israeli military officials, led by David Ivry, director general of the Israeli Defense Ministry,

traveled to Washington to discuss with the State Department and Defense Department additional military aid.

Washington's relations with Jerusalem have been relatively smooth during the gulf crisis, U.S. and Israeli officials say.

Israel has been responsive to U.S. requests that it not become directly involved in the conflict or take any pre-emptive action against Iraq. Washington, in turn, made clear it was willing to consider added military aid to Israel.

The crisis has deflected attention from the impasse that had been developing between the administration and Jerusalem over the Israeli government's reluctance to open a dialogue with the Palestinians on the basis of a compromise formula proposed last spring by Secretary of State James A. Baker III.

was Irish, it was hers only by marriage. She herself was very much Scotch-English and was a native of Nova Scotia. However, her patriotism was not focused on Canada. Her allegiance was 100% for Great Britain and the British Empire, who at that time could still proudly make the claim of being "Great". She considered Canada only as a part of that great empire, and so did most of the Canadians. I remember her telling us that we were not Canadian citizens but "British subjects", an important distinction. Victoria Day was celebrated on May 24, a big holiday, although Queen Victoria had never set foot on Canadian soil. May the 24th was a day of celebration, of great parades, of ringing speeches and rhetoric. I can still remember such speeches after more than sixty years about how great was the British Empire, which God had specially blessed. It encompassed more than a quarter of the globe, and the sun never set on the British Empire, the speakers declared with fervor again and again.

I also remember Mrs. Murphy teaching us a number of songs, one of which we sang with great gusto:

*Rule Britannia, Britannia rule the waves.  
Britons never, never shall be slaves.*

Well, today, despite all the gusto, jingoism and flag waving, the sun has set on the British Empire. Thanks to the treachery and betrayal of such chabez-goy traitors as Winston Churchill (and Franklin Roosevelt on our side of the Atlantic) today Britons are very much the slaves they vowed they would never be. Today, Britain is a third rate power, stripped of her great Empire, and rapidly slipping into a "Third World" country of mongrelized bastards. Not only do they have no control over their government, their finances, their education, or anything else, but they are rapidly becoming outcasts in their own country as the flood of mud races keeps overwhelming their once pristine island. Whereas the native British pay the taxes, do the work and carry the mud races on their backs, they are shunned, exploited, discriminated against and abused by their "own" government. Not Britons, but Judah now rules once "Great" Britain, and the native Britons are slaves to an alien parasite. The British Skinheads in one of their songs sum up the situation succinctly:

*Once we had an Empire,  
Now we've got a slum.*

Although so far we have focused on Britain and her once glorious Empire, she is no exception from the rest of the world. Today the Tribe of

THE UNITED STATES TREASURY      THE JEWS

"THE OUTLAWS OF THE WORLD"

Judah not only rules Britain and the waves, but Judah rules the world, including, and especially, the United States of America.

**How do these slimy Jews do it?** Well, its a long story starting back about four or five thousand years ago. But let us capsulize the important highlights:

- **First came Racial Loyalty, which by the way is the name of our flagship newspaper.**

- **Secondly came their own Racial Religion, namely Judaism.**

- **Thirdly, they formulated a conspiratorial Game Plan, namely to acquire for themselves all the gold, money and real estate of the world.**

- **Fourthly, get control of all the nerve centers of power - finances, government, newsmedia, education and other peoples religions.**

- **Fifthly, destroy the best, namely the White Race, by shrinkage and mongrelization, and convert the leaderless brown zombies into docile, servile slaves, willing to work for their Jewish slavemasters.**

This may sound like a tall order, an impossible accomplishment, but the stark brutal facts of life are these: the Jews are doing it, and the goal they have been striving for through millenniums is almost theirs, at least it is definitely in sight within a generation.

Now, there are certain races that make docile slaves, and there are some who do not. Historically the niggers of Africa have made the

"THE MUGWUMP"

## We Don't Need Any Mugwumps in Our Camp

*White Man, make up your mind!*

The mugwump is a dirty bird which sits on the fence with its mug on one side and its wump on the other. It can never make up its mind which side of the fence it is on. In fact, it can never make up its mind period. It prefers to straddle the fence forever and a day.

There are a lot of good people in the racial movement who act as pusillanimous as does the mugwump. They are the kind that can't quite make up their mind what racial organization they should join and support, and as a compromise they contribute a drib here and a drab there. I know of some people who proudly point to the fact that they "belong" to a dozen different "racialist" organizations...

We Creators abhor such a polyglot, blunderbuss, scattered and fragmented approach in trying to build a powerful force with which to smash a unified, fanatic, well entrenched Jewish conspiracy. No mugwump or collection of mugwumps has ever achieved anything, no matter how numerous they might be. Only a unified, well organized and highly dedicated army of militants can effectively counter and destroy the powerful and sinister Jewish Tyranny that now has the world in its thrall. Although there are other lesser examples, we point with pride to the formation of Hitler's Nazi party during the 1920's and 1930's.

After World War I, approximately 2000 Nationalist parties sprang up in war-devastated Germany during the next decade. As a conglomerate they were totally ineffective in ousting the decadent, Jew-controlled postwar government and in stemming the Jewish-Communist tide. It was not until the MEMBERS of these bickering and polyglot organizations dropped their petty parties and joined with Adolf Hitler that the German people finally had the clout to take over their government and take back their own country.

We believe that the same principle applies to the dilemma in America today, if we are ever to wipe Judaism off the face of the earth. *What is different today is that it must now become a global battle in which the total White Race, informed, aroused and organized, takes on the perfidious foe and exterminates it once and for all.*

In order to do so we must mobilize all our resources. We must utilize every weapon the White Race can possibly assemble -- religious, economic, political, moral, educational and every other means available to us and then concentrate our fire. We are further convinced that only the C.O.T.C. with its comprehensive, all embracing creed of the global White Racial Religion -- Creativity -- is geared to do that awesome job. In the one and only, true and revolutionary White Racial Religion -- Creativity -- we have the TOTAL PROGRAM, the FINAL SOLUTION, the ULTIMATE CREED for the salvation and redemption of the White Race.

We urge good White Men and Women to stop being mugwumps, to make up their minds as to which organization they believe is best fitted to do the job that urgently needs to be done, and then concentrate on that one organization and give it your all. We don't want mugwumps. We want angry, militant tigers. RAHOWA!

B.K., P.M.

## Those who are not with us are against us

Just as a polyglot society is ungovernable and will ultimately destroy itself, so, too, is any movement or coalition of movements that is a conglomerate mishmash of conflicting, half-baked philosophies. **We Creators will have no part of it, we will not cater to mugwumps sitting on the fence who cannot make up their minds.** Total conversion to the Creed and Program of Creativity is the only road to White Unity, Power and Victory. There is no other way!

by Ben Klassen, P.M.

Ancient White Romans had a well-known saying "*Homines historiarum ignari semper sunt pueri!*" ("People who do not know history always remain children!"). I believe that those White racial activists, who want to stop playing "no-win" games and start doing something meaningful for the survival, expansion and advancement of the White Race, will benefit from the following historical essay which is based on my own personal experience in playing the "multi-party, inter-organizational" game.

### A Polyglot Meeting in Kansas City in 1977

During the 1970's, as NATURE'S ETERNAL RELIGION was finding its way into several of the key "right-wing" and racial organizations, I carried on an intensive correspondence with a number of people who headed such groups. One of these exchanges was with a fine intellectual lady by the name of June Grem, who headed a small group called Enterprise Publications, Inc., out of Oak Park, Illinois, an upper-class suburb of Chicago. Her main forte was money and economics, but her literature also included racial issues, mildly.

On August 20, 1975, I received a letter from her which said in part, and I quote, "*I have just finished reading your book NATURE'S ETERNAL RELIGION and found it an exciting and creative book. We have all been so encumbered by myths, contrived political programs and religious differences that it is seldom that we get even a whiff of fresh air. Your book does just that. Also, the comments on the death-dealing concepts of Christianity give me an entirely new insight....*"

She also had a number of contacts of her own, one of which was Robert B. DePugh, who in early '60's organized a group called **The Minute Men**. Although I was less than aware of the group at that time, evidently this organization of revolutionary activists against the establishment was considered as a threat by the latter. As a result, as Bob DePugh tells it, he was framed by the CIA and the FBI in order to destroy him and his organization. He told me that these strong-arm hoods got up on the witness stand in court and lied like the professional troopers they were. Bob was finally convicted on some kind of gun violations and sentenced to a long term in the penitentiary. He actually served four years of hard time.

Now, in the 1970's, he was a free man again, trying to put his life together. He settled in Norborne, Missouri, and set up some kind of a vitamin distribution business as providing a means of livelihood for his wife and six children. He also formed a number of front organizations and wrote a few books, one of which "Beyond the Iron Mask", describes his experiences while in prison, and advocates several measures of prison reform. I have read this book and have given my views of it in a letter I wrote to him on April 11, 1977. This letter can be found on page 76-77 of *The Klassen Letters*, Vol. 2.

By 1977 Bob DePugh has also formed a group which he called "**Patriots Inter-Organizational Communications Center**". It was an attempt to act as a central umbrella group to unite and coordinate all the "patriotic"

groups in the country, a worthy-sounding goal, a goal we will further explore and evaluate.

Sometime in the spring of 1977 DePugh decided to hold a "Patriots Leadership Conference" during the Memorial Day weekend of the same year, and made extensive preparations to rally the "patriots" to the cause. The meeting was to be held in the Continental Hotel, at the corner of Baltimore and Eleventh, in Kansas City, Missouri. This hotel is not to be confused with the modern chain of Intercontinentals, but was an elderly relic of the turn of the century, or shortly thereafter. It was located in the downtown section of the city which by 1977 was showing many of the drab signs of decay and degeneration that was and is the curse of most of our American cities as the spread of the black plague continues.

I would probably never have made contact with Robert DePugh and his P.I.-O.C.C. (as he called it) at all, if it had not been for June Grem. She had known Bob for several years and now that she had read my book and heard about Creativity, she wrote Bob and suggested that he invite me to be the "key-note" speaker at his coming Patriots Leadership Conference. Bob, too, had received a copy of NER a few years previously and was somewhat familiar with our movement, but less committal about it than was June Grem. In response to her letter, Bob wrote me a nice letter of his own, in which he invited me to attend and speak at the conference, but frankly and realistically informed me as to what to expect. I quote from his letter:

"*At this meeting you will find people ranging all the way from the most absolute religious fanatics to complete atheists. I have never yet known of any case in which a single person altered their basic beliefs as a result of attending one of these conferences. Your point of view is just as welcome and will be just as much appreciated as any other. If, however, you expect to actually win converts, it is a poor place to try.*" Further on, he added, "*At these meetings we have no 'featured speaker' because doing so would offend almost every other person present, each of whom would consider his own leadership capacity to be equally important.*"

It was a fair assessment, and I understood the situation perfectly. I had not asked to be the "featured speaker". In fact, I had not asked to speak at all, nor even to attend. That was June Grem's idea. In fact, at that stage I was still debating whether it was worth my while to go to the meeting at all. I recalled a similar experience about nine months earlier, and it serves as a background.

\* \* \* \* \*

In October of 1976 a dynamic and highly energetic young supporter of Creativity from Pasadena, Texas, had sent me an airline ticket to come speak to his group in Texas. His name was Reverend Mike Breda. Mike was one of those hyper people who could never sit still for a minute and plunged into situations before thinking it through. Some sixteen years earlier, while 18, he had held up a bank, and been

## Victory in Wisconsin

Dear White Racial Loyalists -- Creators:

I am writing to further update you on our legal situation. On August 2, 1990, I met with the Milwaukee police officer in charge of our case to discuss procedures to regain the property confiscated in the police raid on our Milwaukee HQ on July 12, 1990.

He assured me that most of our property would be returned. However, he firmly stated we would not recover any "racist hate literature" (our bibles and newspapers). His attitude seemed to be if we receive anything back, it would be due to their kindness and leniency, not because of our constitutional rights. **The police department's attitude seemed to be that they were not dealing with a legitimate religious organization but rather with a skinhead gang that would be unwilling to defend its rights in court.**

Over the next few days we prepared to file an ironclad multimillion dollar lawsuit charging that our religious, civil and constitutional rights have been maliciously and brutally violated by the Milwaukee police. Unfortunately, the police somehow learned about our lawsuit. On August 8, 1990, after receiving a phone call from the police officer in charge of our case, I went to the police station. **This time the police were cooperative. With the exception of a few baseball bats and martial arts instruments, all of our property was haughtily returned.** This action effectively negated the main grounds for our lawsuit.

As an organization, we in Milwaukee learned numerous valuable lessons. First, the brutal and illegal KGB-style raid on our local HQ once again showed that the JOG has no respect for "the sacred constitution of the United States". **The JOG is determined to persecute, bully, harass and make any and every attempt to destroy us AS LONG AS WE ALLOW THEM!** Secondly, we have learned that, as we continue to make advances in our movement's street action campaigns, the Jews and their lackeys will intensify their illegal KGB-style assaults on our Church.

Because of this we have also learned that we must build a legal defense system for our White Racial Religion -- Creativity. **The first step, as our Pontifex Maximus has written, is for every White activist to not only embrace our Creed and Program, but become a full fledged -- certified and card carrying -- member of the COTC. Next, become a Minister, ordained in the world's one and only White Racial Religion -- Creativity! The next step is for each Church group with a substantial membership to become legally incorporated in its respective state. These basic (but very important!) steps will make it much easier for us to defend ourselves in the courts.**

As it is evident from the recent worldwide acts of harassment against the COTC activists, the Jews are becoming nervous, if not outright fearful, of the increased activities of the COTC and the growing appeal of its Creed and Program to the broad masses of White people. Our educational, recruiting and organizational efforts are beginning to pay off. Now more than ever we must continue to PROPAGANDIZE, PROSELYTIZE, AND ORGANIZE! If we continue to step up our activities directed towards awakening our beloved White kindred, the day when we mobilize them into a powerful battering ram and smash the Jewish Conspiratorial Network from the face of the earth is inevitable and not far away.

## Anti-White Trial in Sweden

Dear COTC HQ:

I want to inform you that the Swedish JOG has set up my trial date for October 19, 1990. I am preparing for the trial by studying the sacred books of Creativity and Swedish law books. I intend to stay calm, present my views and arguments on my case in a sensible manner and maintain the fact that **I am being unjustly persecuted because of my religious beliefs.** Also, I plan to get the maximum publicity possible and have already mailed "you are invited to attend" letters to all the major newspapers, radios and TV stations in Sweden.

Irrespective of the outcome of this specific trial, the literature with the great pro-White ideas of Creativity are going to continue to circulate in Sweden. **I am convinced that no kind of laws or harassments will be able to stop the growth of our White Religion in Sweden.**

I appreciate your article about South Africa in RL # 62. Most of my "friends" down there boycott me nowadays simply because I am opposed to Christianity. While they keep dreaming about "the saviour" and "God's great plan", that country is going straight to hell! **The only solution there is a White armed rebellion, but that, of course, is un-Christian according to the Conservatives.** White South Africans need the White Racial Religion -- Creativity more than any other White people on this Planet Earth. Let's hope they will awake in time.

For a Whiter and Brighter World!

## RAHOWA! Music Band

Dear COTC Brothers:

Our growth has been tremendous in Ontario! All of the White Man's Bibles and Rahowas! you sent us were lent out on the day we got them... and the positive reaction to Creativity is truly exciting!

Our music band "RAHOWA!" has been practicing continuously, and we have now written a whole album side. Our first LP will be ready to go by the fall, entitled "This Planet is All Ours!" Some of the song titles are: \* *White Revolution* \* *The Reds* \* *Triumph of the Will* \* \* *Bleeding Hearts* \* *White People Awake* \* *Race Riot* \* \* *Avenge Dresden* \* *Remember the Alamo* \* etc.

We have already played our first concert to a crowd of thirty, and plan to attend both the Oklahoma Aryan Fest, and the Canadian Aryan Fest. **All of this is great news to Creators, because we are all dedicated Creators and use the media of music to promote the true White Faith.**

Undoubtedly, music has been the largest means of inspiration for young White people, and especially Skinheads, around the world. In "RAHOWA!" Creativity becomes the only movement to have a dedicated music band promoting its creed. All of our songs are about the fundamentals of Creativity, two of our members are Reverends and the entire band practices Salubrious Living.

Creativity is growing by leaps and bounds in Ontario and the rest of Canada, and we have already met dozens of strong young White men and women who are seeking the answer, which can only be found in the one and only, true and revolutionary White Racial Religion -- Creativity!

White Victory shall only happen through Creativity!

## Help win freedom for Rev. Rudy Stanko, now!

The JOG is breaking its own "mandatory parole guidelines" by arbitrarily, maliciously and tyrannically keeping Rev. Rudy Stanko in prison past the two-thirds of his term. **Therefore, we ask all White Racial Loyalists -- Creators to renew and redouble the letter writing campaign to their senators and congressmen.** Also, please write to our future leader, Rev. Rudy Stanko, and express your support of his struggle against the JOG tyranny:

## Cupid's Corner

One of the SIXTEEN COMMANDMENTS OF CREATIVITY states: **"Be fruitful and multiply! Do your part in helping to populate the world with your own kind!"** Therefore, to bring eligible White men and women together and facilitate the accomplishment of the very important goal of **White genetic procreation**, Racial Loyalty has created a "White racial match-making service" which is called CUPID'S CORNER.

There has already been considerable interest among our members in taking advantage of our CUPID'S CORNER in finding an ideologically compatible life-partner for themselves, and we have received several inquiries. (*Eligible White men, take note: we already have some very interesting inquiries from beautiful blond and blue-eyed White women from Sweden!*)

We invite all White readers of Racial Loyalty (and especially White girls and women!) to participate in the White racial match-making service by writing to:

CUPID'S CORNER c/o Racial Loyalty  
P.O. Box 400, Otto, NC 28763, USA

1. Include a recent photo of yourself.
2. Give most of the basic statistics: race, ancestry, age, sex, weight, height, color of eyes and hair, health, overall appearance.
3. Brief personal resume: **level of commitment to the pro-White racial activism**, ideological / political / religious convictions, education, job, hobbies, interests, talents.
4. Preferences about potential life-partners of the opposite sex with whom the writer would like to correspond.

These are some of the items you might wish to cover in the initial letter, but it is not necessary to go into too much detail. Keep it short and to the point. The essential information of your inquiry will be added to our match-making master list.

*Again, please be patient: we need you and you need us! As you and we know, there is no alternative to the COTC as far as White survival is concerned. SO DON'T ASK WHAT THE COTC CAN DO FOR YOU, ASK WHAT YOU CAN DO FOR THE COTC!*

# From Nietzsche to Klassen: A Revolution of Values

by Rev. Eric Hawthorne

Friedrich Nietzsche, the great German philosopher, spoke of a "Reevaluation of all values" at the close of the nineteenth century, a revolution in thought that has been completed by none other than our *Pontifex Maximus*, *Ben Klassen*, the greatest genius ever produced by the White Race and founder of the one and only White Racial Religion -- Creativity.

Nietzsche is a good introduction to Creativity, especially as far as the question of Christianity is concerned. Nietzsche is in complete agreement with Klassen that the Jew-spawned suicidal and idiotic creed of Christianity must be exposed and eliminated on the road to the White Superman.

Here is what Nietzsche said about Christianity in *Twilight of the Idols*:

-- Christianity, growing from Jewish roots and comprehensible only as a product of this soil, represents the reaction against the Aryan morality of breeding, of race, of privilege -- it is the anti-Aryan religion par excellence. Christianity is the reevaluation of all Aryan values, the victory of chandala (mud) values, the gospel preached to the poor and lowly, the collective rebellion of everything downtrodden, wretched, ill-constituted, underprivileged against "the race" -- undying chandala (mud) revenge masked as the "religion of love".

Nietzsche continued his attack against Jewish Christianity in *The Anti-Christ*:

-- Christianity is not a counter-movement against the Jewish instinct, it is actually its logical consequence. The Jews inverted religion, religious worship, morality, history, psychology one after another into the contradiction of their natural values. We encounter the same phenomenon again and in unutterably vaster proportions, although only as a copy -- the Christian Church, in contrast to the "nation of saints", renounces all claim to originality. For precisely this reason the Jews are the most disastrous nation in world history: their after-effect has falsified mankind to such an extent that today the Christian is able to feel anti-Jewish without realizing he is the ultimate consequence of the Jews!

-- And let us not underestimate the fatality that has crept out of Christianity even into politics! No one any longer possesses today the courage to claim special privileges or the right to rule, the courage to feel a sense of reverence towards himself and towards his equals. Our politics is morbid from this lack of courage! The noble outlook has been undermined most deeply by the lie of equality of souls; and if the belief in the "prerogative of the majority" makes revolutions and will continue to make them -- it is Christianity, let there be no doubt about it, Christian value judgement which translates every revolution into mere blood and crime! Christianity is a revolt of everything that crawls along the ground directed against that which is elevated: the Gospel of the "lowly" makes low.

-- The Christianity movement has been from the very first a collective movement of outcast and refuse elements of every kind (-- these want to come to power through Christianity). Christianity has at its basis the rancor of the sick, the instinct directed against the healthy, against health. Everything well-constituted, proud, high-spirited, beauty above all, is hurtful to its ears and eyes. I recall the invaluable saying of Paul: "God hath chosen the weak things of the world, base things of the world and things which are despised": that was the formula, *in hoc signo* (under this sign) decadence conquered. Christianity has been up till now mankind's greatest misfortune.

-- I condemn Christianity, I bring against the Christian Church the most terrible charge any prosecutor has ever uttered. To me it is the extremest thinkable form of corruption, it has had the will to the ultimate corruption conceivably possible. The Christian Church has left nothing untouched by its depravity, it has made of every value a disvalue, of every truth a lie, of every kind of integrity a vileness of soul. I call Christianity the one great curse, the one great intrinsic depravity, the one great instinct for revenge for which no expedient is sufficiently poisonous, secret, subterranean, petty...

Nietzsche has been considered a nihilist by many for criticizing the "old" faith and morality, but at the same time not being able to come up with a clear-cut "new" faith and morality. Thanks to the great genius of Klassen, we Creators have overcome that problem. In Creativity we not only criticize the "old" faith, morality and values, but come up with complete, comprehensive, concise, consistent, clear, conclusive, profound, unique, logical, meaningful and inspiring new FAITH, MORALITY AND VALUES.

Creativity is a revolution of values, a revolution of virtues, the greatest metamorphosis in human history. Creativity is the idea whose time has come! Our triumph can be postponed, but it cannot be stopped: we shall not rest until this Planet will be all ours!

As Pontifex Maximus stated in our sacred book, *The White Man's Bible*:

-- We CREATORS are builders. We are dedicated to the idea of building a beautiful world so different and so superior to the present one that we CREATORS of this generation will go down in history as the revolutionaries who ushered in the Golden Age of Mankind.

I call upon all White People to join our one and only, true and revolutionary White Racial Religion -- Creativity, and I call upon all Creators to intensify the struggle tenfold: internalize the Creativity creed and program until it becomes a part of you; spread the word about our Revolution of Values; practice Racial Loyalty fanatically; become a militant White Soldier in the White Racial Holy War!

## To White Victory through the Revolution of Values!

**White Man, know your rights and become an active distributor of our newspaper, books and other literature! Sow the seeds of White Victory! -- your future and the future of your children depends on that. For a special price of \$15, order a hundred copies of our pro-White newspaper, flyers, cards and distribute by anonymously leaving them on White people's porches or parked car windshield wipers. The right to distribute our literature is guaranteed by the First Amendment of the U.S. Constitution. White Man, come out of the closet! Whether you like it or not, you are involved in the racial war that the Jews, niggers and muds are waging against all Whites. We have no time to lose. As you know, the 04/09/90 issue of "Time" has stated officially and unequivocally: "By 2056, Whites will be a minority group in the U.S." "Time" ends its story with a smug Jewish comment: "...And it is irreversibly the America to come."**

Dear White Racial Comrades, let's make damn sure that we do reverse this sinister, genocidal Jewish plan to mongrelize and destroy White America! Let's build a massive grassroots pro-White movement -- the Creativity Movement! **White Man, join the war for White survival! Let us play White Chicken no more! Become an active defender of your inherent White Heritage and Gene Pool. You owe it to yourself, to your glorious White ancestors, and -- above all -- to your children and their future progeny. RAHOWA!**

## Creator of the Month

It is with great honor that we present this distinguished **Creator of the Month Award** to **Rev. Jan S. Smith** of South Africa.

He is the Primus Dominus, founder and leader of the South African branch of the COTC, and it is mainly thanks to his foresight, perseverance and dedication that the great pro-White ideas of Creativity have gained a solid foothold in South Africa.

The establishment of the South African branch of the COTC is especially important because South Africa is a crucial battlefield in the worldwide White Racial Holy War, and its outcome will have major implications for the future of the entire White Race. We believe that White South Africans, recognizing the fact that only Creativity has the real solution to the problem of White Survival in that beleaguered country, will unite and fight under the victorious flag of Creativity and will make the glorious vision of an all-White South Africa, dedicated to the Creativity Movement and the worldwide White Racial Holy War, a reality.

Rev. Jan S. Smith in RL # 37 has outlined this glorious vision, the fulfillment of which should be in the minds and hearts of all White Racial Loyalists -- Creators:

-- *The pioneering spirit of the Afrikaner, reinforced with Creativity, can once again confront the onslaught of the whole Jew-controlled world. We intend to clear South Africa of the mud pestilence even before America does. Following that, the White Racial Holy War will be stimulated worldwide not only from the World Center, but also from an all-White South Africa. RAHOWA!*

Wild stories of Pornography, Obscenity, Immorality and Violence which are being accepted by the gullible Christian yokels as "the Word of God"...

## God causes women to boil and eat their own children

\* \* \* \* \*

The Lord brings about a most terrible thing: Women make meals of their very offspring.

\* \* \* \* \*

**GOD ORDERED MY WIFE TO BOIL AND EAT THE KID.**

**CAN YOU IMAGINE ANY GOD BEING THAT CRUEL?**

This story is among the Bible's most shocking. Can you imagine God being so cruel as to cause women to eat their own children? Horror of horrors!  
In several places in the Bible, God warns that he will cause cannibalism as one way of punishing people. Let's quote directly from the Judeo-Christian bible with all its primitive, garbled, sick and barbaric Jewish logic:

#### Leviticus 26:

29. And ye shall eat the flesh of your sons, and the flesh of your daughters shall ye eat.

#### Deuteronomy 28:

53. And thou shalt eat the fruit of thine own body, the flesh of thy sons and of thy daughters, which the Lord the God hath given thee, in the siege, and in the straitness.

56. The tender and delicate woman among you, which would not adventure to set the sole of her foot upon the ground for delicateness and tenderness, her eye shall be evil toward the husband of her bosom, and toward her son, and toward her daughter.

57. And toward her young one that cometh out from between her feet, and toward her children which she shall bear: for she shall eat them for want of all things secretly in the siege and straitness.

#### Jeremiah 19:

7. And I will make void the counsel of Judah and Jerusalem in this place; and I will cause

them to fall by the sword before their enemies, and by the hands of them that seek their lives; and their carcasses will I give to be meat for the fowls of the heaven, and for the beasts of the earth.

8. And will make this city desolate, and an hissing; every one that passeth thereby shall be astonished and hiss because of all the plagues thereof.

9. And I will cause them to eat the flesh of their sons and the flesh of their daughters, and they shall eat every one the flesh of his friend in the siege and straitness.

#### Lamentations 2:

19. Arise, cry out in the night: in the beginning of the watches pour out thine heart like water before the face of the Lord: lift up thy hands toward him for the life of thy young children, that faint for hunger in the top of every street.

20. Behold, O Lord, and consider to whom thou hast done this. Shall the women eat their fruit, and children of a span long? Shall the priest and the prophet be slain in the sanctuary of the Lord?

#### Ezekiel 5:

8. Therefore thus saith the Lord God; Behold, I even I, am against thee, and will execute judgements in the midst of thee in the sight of the nations.

9. And I will do in thee that which I have not done, and whereunto I will not do any more the like, because of all thine abominations.

10. Therefore the fathers shall eat the sons in the midst of thee, and the sons shall eat their fathers; and I will execute judgements in thee, and the whole remnant of thee will I scatter into all the winds.

#### II Kings 6:

24. And it came to pass after this, that Benhadad king of Syria gathered all his host, and went up, and besieged Samaria.

25. And there was a great famine in Samaria: and, behold, they besieged it, until an ass's head was sold for fourscore pieces of silver, and the fourth part of a cab of dove's dung for five pieces of silver.

26. And as the king of Israel was passing by upon the wall, there cried a woman unto him, saying, Help, my lord, O king.

27. And he said, If the Lord does not help thee, whence shall I help thee? Out of the barnfloor, or out of the winepress?

28. And the king said unto her, What aileth thee? And she answered, This woman said unto me, Give thy son, that we may eat him today, and we will eat my son tomorrow.

29. So we boiled my son, and did eat him: and I said unto her on the next day, Give thy son, that we may eat him: and she hath hid her son.

**'EVEN IF I AM A VICIOUS, BLOODTHIRSTY, S.O.B., YOU STILL MUST WORSHIP ME. AND IF I GET A WHIM, I'LL SLAUGHTER ANY OF YOU I LIKE.'**

And for an encore, another account of women boiling their children for food:

#### Lamentations 4:

10. The hands of the pitiful women have boiled their own children: they were their meat in the destruction of the daughter of my people.

11. The Lord hath accomplished his fury; he hath poured out his fierce anger, and hath kindled a fire in Zion, and it hath devoured the foundations thereof.

\* \* \* \* \*

How strange and stupid it is that millions of gullible Christian yokels accept and worship such sick and perverted Jewish garbage as "holy", bend their knees before a Jew-concocted spook and his mythical Jewish bastard and, as in the case of the "true Israel" Identity lunatics, want to appropriate such garbage as "their own". We White Racial Loyalists -- Creators say: to hell with all the "true and untrue" Israel and all the other Jewish garbage! **Long live the one and only, true and revolutionary White Racial Religion -- Creativity -- based on the Eternal Laws of Nature, History, Logic and Common Sense.**

**CREATIVITY -- the Natural Religion of the White Race -- is the Total Answer to Jewish Christianity!**

<p><b>Purpose of this Series</b></p> <p>Our purpose of this series is to expose and destroy the myth of the sanctity of the Jewish scribblings which have been foisted through deceit and terror by the perfidious Jews upon the White People as the "ultimate and immutable word of God". The fact is that the Jew-spawned Christianity (centered on the antinatural, absurdly illogical and suicidal legends about a mythical Jewish bastard) is the deadly mind poison, which has destroyed the glorious White Roman civilization and is currently destroying all of the White Race; therefore, Christianity must be exposed, defeated and eliminated in order to save the White Race. By using ridicule and unmasking this idiotic age old spooks-in-the-sky swindle, we believe we can best help lead the White Race back to sanity, common sense, and a healthy, constructive attitude towards its own best interests. <i>Delenda est Judaica!</i></p>

## Those who are not with us are against us

(Continued from Page 3)

sentenced to ten years in the penitentiary for armed robbery. After serving the major part of that sentence, now at 34 he was out in the open, had married, and had two young kiddies. He was living in Pasadena, a suburb of Houston, and was a successful painting contractor. Houston was booming at this time, and Mike was now making more money than he ever had before in his life. He had read my book and was now gung-ho to promote Creativity. He had previously become a member of the Nazi party, affiliated with Allen Vincent's group in San Francisco, and he still had strong ties.

Now he invited me to speak to his own church group in Houston. What with my expenses paid for, I gladly accepted his invitation. I wanted to meet with Mike and his wife and get to know them better, as well as help promote his small group of converts.

Mike picked me up at the Houston airport and first took me to his rented apartment where I met his wife Mary, and also the two little kiddies. Also at the apartment was Allen Vincent, who had just flown in from San Francisco a little earlier, and I now found out that he was also to speak at the meeting arranged for that evening.

Allen had organized a strong Nazi group in San Francisco Bay area, a group which he called the National Socialist Movement. They put out a fine 20 page magazine called "National Socialist", and also, along with James Mason, they published a glossy magazine called "Stormer". Allen had about 30 or so activist members in his group, and I had corresponded with him and his staunch aid, Charlotte Magnette, for some time. Now, in a surprise meeting, we got to talk to each other and exchange notes. I found him most congenial and informative, and meeting him was an unexpected pleasure. He was a big, burly hunk of a man with a pleasant personality, but intellectually no giant, and was handicapped with a limited education. At 40, like Mike Breda, he too was a painting contractor, and he too had spent considerable time in penitentiaries and reformatories.

Allen had also brought along his most prized possession, an hour-long color film entitled "California Reich". Although it was all about him and his group, neither he nor his organization had any part in producing this documentary film. It was produced by two young students named Walter Parkes and Keith Critchlow, and had won an Oscar nomination as the best documentary of the year. The film was designed to frighten the Jews into coughing up more money into the coffers of the Anti-Defamation League and undoubtedly was highly successful. It greatly exaggerated the strength and influence of the small Nazi party, but on the other hand, was also a useful tool for the Nazis to utilize in their own recruiting and propaganda.

Mike Breda had gone first class in renting a meeting room for us that night at which to speak. It was at an exclusive hotel in downtown Houston, where he had also reserved a room for me for the night. There were less than a dozen people at the meeting, which started at 8 that evening. Anticipating that I would be the sole speaker, I had prepared a lengthy, one hour speech. However, Allen Vincent was first at the rostrum, and after introductions, his introductory speech about the film, and showing the hour-long film itself, nearly two hours had passed. When it came my turn to speak, I felt the audience had pretty well had it, and since my prepared speech had been tuned to the exclusiveness of Creativity, I felt that it was no longer appropriate to the occasion. As a result I discarded my prepared speech and spoke extemporaneously for about 15 minutes about the virtues of the White Race and the

importance of our cause. I did leave a number of our books and literature, and the people at the meeting seemed highly receptive to it. Under the circumstances, that was the best I could do, and I let it go at that.

On appraising my trip, I felt that my performance was hardly worth the \$200 Mike had spent on the airline ticket and other expenses, but I appreciated meeting him and his wife, as well as with Allen Vincent, and other members of Mike's group. However, I came away with one conclusion, namely that ***mixing ideologies and movements at the same meeting was a counterproductive exercise in futility, and something to be avoided in the future, even when such movements are friendly and even when they have a number of common goals.***

\* \* \* \* \*

With this as a background, we now return to the matter of the **Patriots Leadership Conference** to be held in Kansas City, Missouri. I finally decided I would go to the meeting. It would give me an opportunity to introduce my book, *Nature's Eternal Religion*, and the idea of *Creativity* to a number of important new people in the racial movement whom I had not met before. Besides, some of my supporters were going to be there, and this would give me the opportunity to meet with them personally.

At this time I had only the one book, *Nature's Eternal Religion*, but I did have a few other pieces of propaganda. I had already cut the LP record, *Survival of the White Race*. I had printed up 10,000 copies of the Federal Reserve booklet. I also had numerous copies of a four-page, tabloid-size flyer headed *Questions and Answers about Creativity* which are now recorded in *C.C. No. 71 of The White Man's Bible*, and I had a few other pieces, such as "A Real Case Against the Jews" by Marcus Eli Ravage. June Grem had reserved a display table in the meeting room of the hotel, and she offered to exhibit my literature along with hers.

I prepared and wrote up my speech, and so, loaded up with books, records and literature, I took off in my Pontiac station wagon. I arrived in Kansas City around noon on Friday, May 27, and checked into my room at the Continental Hotel. I was soon contacted by Bob DePugh himself, and although a lot of other people were also arriving at this time, to my surprise, he came up to my room and spent an hour and a half discussing Creativity and listening to my views. He told me that he himself was a biologist by training and education, and he could well understand my strong leanings on the laws of nature. It was our first meeting. In all fairness to Bob, he gave me more than fair attention throughout the three days of the meeting. My only criticism of Bob, if any, is that **he had so many diverse and divergent views swirling about him, he himself didn't seem to know where he stood.**

Soon I met with a lot of new people, with many of whom I had corresponded. There was, of course, June Grem. There was a young fellow by the name of Lewis N. Mohimont, from Tulsa, Oklahoma, who had written to me an endless number of letters. He checked in at the desk at the same time as I did. There was Paul B. Hurley, from whom I usually received a letter a week, and he liked to sign himself as "Khalki, the Avenger". There was Else Christensen, head of the Odinists movement, who happened to be sitting beside me as we were listening to somebody's speech, and we introduced ourselves. There were several others with whom I had corresponded.

There were an endless number of speeches during the next 3 days. As Bob DePugh had warned me, there would be people there of all stripes, spouting their particular views. Most of the speeches were inane, a few of them,

however, were outstanding. One of the most dynamic speakers at the meeting, in my opinion, was John R. Harrell, who headed up the Christian-Patriots Defense League, out of Flora, Illinois. Although small and ordinary in appearance, he was a real dynamo when he got on the speakers podium. He had been a United States Senator, had run into opposition with the power establishment. What the points of contention were, I don't know, but as a result of the hassle he spent seven years in the penitentiary. He was a man of real talent. Unfortunately, he was obsessed with the Christianity hoax which overshadowed all his other efforts. What a waste of outstanding talent, I surmised.

Ardie McBreary, from Camarillo, California, was the Master of Ceremonies of the meeting and did a most capable job. I will never forget his witty speech as he ridiculed OSHA on how they tried to tell farmers how to farm. Poor Ardie! Last I heard of him, he was in prison, having been part of The Order, and charged along with 30 some other members. Another great talent gone to waste.

Present, along with a considerable number of his cohorts, was Robert M. Shelton, Imperial Wizard of the UKA (United Klans of America). With Bob DePugh's cooperation, his gang had organized a lie-detector program to ferret out any suspected enemy infiltrators at this meeting. One entire floor of the hotel was blocked off for exclusive use of their "Inter-Organizational Department of Security", as they called themselves. They had five machines they called "stress-analyzers", and 120 people out of the 160 present volunteered to be analyzed. I volunteered to take the test, more out of curiosity than anything else. Evidently I "passed". According to a letter by Bob DePugh dated June 15, six of those analyzed did not pass, and four of these confessed they lied when asked some key questions about their loyalty. Then, of course, there were 40 people who did not volunteer to be tested.

Also memorable at this meeting was a real battle-axe of a woman by the name of Gerda Koch. Built like a battleship, she represented the epitome of the narrow-minded "born-again" spook-chasers. I remember her speech in which she tried to convince us that the United States and its constitution was based on Christianity. She had read some of my literature at June Grem's table, and as she started her speech, she fixed her baleful eyes on me, and without mentioning me by name, loudly proclaimed that there were some people here who did not believe in the supernatural. I smiled back at her.

There were Nazis, there were a number of Identity people, there were born-again Christians of Gerda Koch's stripe. There were also, I am sure, any number of government spies and agents, despite the Klan's security measures. Undoubtedly they were among those 40 or so who had not volunteered to take the lie-detector test. By and large, the so-called "patriots" were of the *God and Country, Flag and Constitution mentality*, and it pervaded the meeting as a whole.

On Saturday night we had our gala banquet in the main conference room of the hotel. We sat at round tables in groups of six. Bob DePugh had allotted me the honor of being one of three speakers at the dinner during this prime time. The man that spoke before me was a veteran retired judge from Alabama, I believe. **He loudly and vigorously waved the flag and the constitution, and extolled the virtues of the confederacy and the Old South for good measure, all in the name of Jesus Christ, of course.** He received repeated applause. Then it came my turn to speak. Bob DePugh gave me a fine introduction, and pointed out how tolerant and diverse this meeting was, and I was a prime example of its diversity. He was preparing the audience for a different viewpoint.

(Continued on Page 8)

## Repudiate and Cancel the Federal Debt!

(Continued from Page 2)

most easily manageable slaves. The Arabs have not, the Indians of North America never did. Neither have the Japanese, nor the Chinese. **The least conducive of all have been Nature's Finest -- the White Race, who traditionally have been the world's greatest conquerors and warriors.**

Although the Jews are now on top of the world, the indomitable determination, resourcefulness and fighting qualities of the White Race pose a serious threat and roadblock to the Jews' fanatical drive to enslave and dominate all the goyim (read "cattle") of the world. True, the White Race suffers from a fatal Achilles heel. They want to be fair, they want to give the other fellow an even break, they even want to turn the other cheek and help their enemies. They seem to have no sense of racial cohesion, or racial loyalty. However, there is always a chance that they might wake up as they did in Germany sixty years ago, realize what is happening, organize and turn their wrath on their mortal enemies -- the Jews.

It is this nightmare that propels the Jews to work ever more feverishly to mongrelize the noble White Race out of existence.

We, the White Race, are now at a critical point in the biological history of our species. The Jew is in a frenzy to mongrelize the White Race within this generation. It is now or never, and the Jews know it. **The White Man is finally becoming acutely conscious of what the Jewish conspiracy is doing and that the Jew power is on a worldwide rampage against the White Race.** We see stirrings of anti-Jewish resistance in Russia, where Pamyat is scaring the hell out of the Jews. We see it in Germany, we see it in France, we see it in South Africa, we see it in Sweden. Although we are not too well known yet, Creativity and its gospel of White Racial Loyalty is attracting more and more attention, because it has a comprehensive game plan for victory and the only true winning formula.

\* \* \* \* \*

We come back to square one. The White Race is not compatible with slavery. It cannot be permanently enslaved, but it can be permanently destroyed, which is what is now happening.

Can we reverse the process and save the White Race? Yes, we can! **The most direct step we can take is to repudiate the Federal debt and all other debts that have been laid upon us through the chicanery of the Jewish bankers, then hang these criminals.** If we can "forgive" Egypt a debt of 7 billion and Israel an even bigger mountain of money, it makes more sense to "forgive" the American people's debt, a debt that was criminally imposed on them by a gang of Jewish financial manipulators.

How can we do that? We must get back to basics and build the **powerful massive steamroller of a White Racial movement** through the same steps as did the Jews thousands of years earlier -- **through Racial Loyalty, through Racial Religion, through Creativity.** Only through these logical steps can we regain control of our own destiny and make our supine congressmen nullify the Federal Reserve Act, cancel the ill-begotten mountains of debt and repudiate the Federal debt. Once we have done that, the Jewish game is over, once and for all.

President Bush has been deliberating and having conferences at the White House with members of both Parties, trying to find a "solution" to the national deficit. For weeks, as they fiddled and fidgeted, this was the big news until the diversion of the "Gulf Crisis" took over the headlines. But they did not solve it and they never will, because it is these very same

WHAT WOULD GIVE THE JEW MONEY CHANGERS A HEART ATTACK.

traitorous chabez-goys who have been (and are) collaborating with the Jews that brought about the financial mess we are in. **We now need to adopt a more drastic approach.** Like Alexander the Great, when presented with the Gordian knot which no one could untangle, he took his trusty sword and with one powerful blow cut through the whole tangled mess and the problem of the Gordian knot was solved. Let us do likewise.

**Only in Creativity do we have the winning formula to do the job.** In order to win we need a complete revision of those values we hold dear. **In Creativity we do just that. It is, in fact, a REVOLUTION OF VALUES, heaving overboard the insane and suicidal Jewish values, dumped on us by Christianity, and in their place establishing new RACIAL VALUES, based on the Eternal Laws of Nature, History, Logic and Common Sense.**

Dear White Racial Comrades, join with us now and build the necessary powerhouse with which to destroy Judaism and its adjunct, Christianity. Let's kick the pernicious slimy Jew out of power and out of America. Let's do what Roman Senator Cato the Elder did *when, at the end of every speech he made in the Roman Senate, he would shout "Delenda est Carthago!"* (Carthage must be destroyed!). It became a battle cry of all Romans, and as a result, the threat of Carthage was totally destroyed, never to rise again. *Let us likewise shout "Delenda est Judaica!" until we have destroyed these vicious parasites on the body of humanity, until they too have been expunged from the face of the world.*

**Delenda est Judaica! RAHOWA!**

IF ALL WHITES WOULD BAND TOGETHER, THIS COULD BE "ACCOMPLISHED."

## Those who are not with us are against us

(Continued from Page 7)

The subject of my prepared speech was that *God and Country, Flag and Constitution* were not the issue. The prime issue facing us as I saw it was **THE ISSUE OF RACE**, and unless we solved that problem, nothing would be accomplished and the White Race would be doomed. As I held up my prized book, *Nature's Eternal Religion*, I emphasized our need for an all-encompassing **RACIAL RELIGION** as a counterpart to the Judaism of the Jews.

I pointed that we needed to reconsider our basic premises, that Christianity was not the answer, but rather it was the the major problem that had gotten us into the mess we were in.

To clinch my argument, I used the analogy of building aqueducts. If we cling to the erroneous premise that water will voluntarily flow uphill, and if we had built 10,000 aqueducts on that principle, but none of the aqueducts worked, then it was time to reconsider our basic premise and conclude that water didn't voluntarily flow up hill. Similarly, I argued, since we have constructed some 10,000 organizations based on *God and Country, Flag and Constitution* since WWII and we have gotten exactly nowhere in our fight for the survival of our race, obviously we were basing our efforts on some erroneous premises.

A Racial Religion, namely **CREATIVITY**, around which all of the White peoples of the world could unite, was the real answer, I said.

At the end of my speech, a stunned silence greeted me. Only a few of my staunchest supporters had the nerve to applaud, and mildly at that.

I had been sitting at a table with some five of the elite people of this meeting -- Bob DePugh, John Harrell, Robert M. Shelton of the UKA, a Christian minister whose name I don't recall, and Ardie McBrearty. The Christian minister spoke up and protested we already had a common religion, Christianity. I chose not to challenge him, a mistake. I should have brought the issue out in the open and debated him and the rest of the Christians while I had the podium.

I could have stood there and argued with the Christian elements for the next three hours. Perhaps I should have. However, I chose not to raise a ruckus. I felt that this polyglot crowd was hopeless. I sat down at my table. Bob introduced the next and final speaker.

At twelve o'clock I was in bed and asleep. There was a knock at my door. I thought perhaps someone had come to beat me up. However, it was a young man who wanted to tell me how much he had appreciated my speech, and he wanted to buy a copy of *Nature's Eternal Religion* with my autograph. Next morning I ran into a number of people who wanted an autographed copy of my book. After a good night's sleep and time to think it over, it was remarkable how many people agreed with me.

I listened to more speeches the next day, then at about noon on Monday I started back home.

\* \* \* \* \*

During the drive back to Florida, I tried to analyze and assess the meeting I had just left. From my own point of view, I considered it had probably been worthwhile. I had sold a number of NER's, several LP records and disseminated a considerable amount of literature. Most of the 160 people there now were aware of Creativity as an alternate program and religion. Then I looked at it from the point of view of the organizers of the meeting and their objectives of "coordinating" and unifying the diverse and divergent movements, and I could only come to one conclusion -- *what a waste of energy and what an absolute exercise in futility.* I for one was not any closer to the "born-again" Christians than when I arrived, in fact, I thought they were more stupid than ever. Nor did I have any more admiration for the Klan, nor the Identity people, nor for any of the other sects or segments. I had a feeling that my sentiments were mutual, and that none were closer together on any meaningful program, goals or common ideology. In fact, it all left me with a sense of

(Continued on Page 9)

(Continued from Page 8)

frustration. When I considered that each person there had spent probably an average of \$200 on travel, hotel and other expenses, and we multiplied that by 160, that amounted to about \$32,000, and it was entirely wasted. I ended up with the conclusion I had already arrived at previously, namely that a polyglot society cannot long endure, and to try to merge a mess of polyglot organizations into a meaningful program or ideology was a pointless exercise in futility. *In the future, I would continue to build Creativity as a coherent, consistent religious movement on its own merits, and avoid any conglomerates or coalition meetings.*

\* \* \* \* \*

When I got back, I wrote Bob DePugh a long letter summing up my impressions and conclusions of such meetings. The letter speaks for itself, and I quote it in full.

June 13, 1977

Mr. Robert DePugh  
Patriots Leadership Conference  
Norborne, Missouri  
Dear Bob:

It was real good being able to meet you and get together with the rest of the group assembled at the P.L.C. over Memorial Day weekend. I especially appreciate the private chat we had in the hour and a half after I got to the hotel Friday afternoon.

Now that the dust has settled, I would like to set down on paper my appraisals of the meeting and pass them on to you for whatever it is worth. This is being done from a constructive but critical viewpoint, with the hope that our gatherings in the future can accomplish more than in the past, and I am sure all of us want to do just that.

1. The most obvious impression of such a meeting is that every group wants to push its own idea, movement, pet program, or whatever, considering that it has the best approach, the most important issue, etc. Personally I am no exception, and frankly stated in my speech that in the CHURCH OF THE CREATOR we believe we have the TOTAL PROGRAM, the FINAL SOLUTION, the ULTIMATE CREED, and I believe it. Unfortunately not all of these programs mesh, and many of them are directly at cross purposes with one another.

For instance, when I say that Christianity is the Jewish mind-scrambling process that destroyed the Roman Empire and plunged the White Race into a thousand years of superstition, ignorance, poverty and misery, then along comes Gerda Koch with her "born-again" fanaticism, we are definitely not pulling in the same direction in order to save the White Race. **Nor do I find the Identity fanatics, who would like to persuade us that we, the White people, are the real Jews, are helping to identify the enemy and straighten out our thinking.**

2. Be this as it may, the most discouraging thing about the sum total of speeches and programs presented, it seems to me, was the almost total confusion about (a) who the enemy was, or is, and (b) who are "we". Without being clear on these points, all else is nothing but idle talk and playing meaningless childish games.

3. In the speeches I heard over and over again such phrases as the "enemy", the "government", the "bureaucrats", the "communists", and other similar vague protestations. I want to point out, as I did in my speech, that these are only manifestations, EFFECTS, of the evil cause, NOT THE CAUSE itself. They are only the FRUITS, not the ROOTS of the evil tree. The real cause of 99 percent of all our problems, whether it be pornography, wars, the Federal Reserve, the I.R.S., drugs, communism, corruption, spread of niggers, or a thousand other evils, is the JEWISH NETWORK, the Jewish race as a whole. Most of the people at that meeting knew this basic fact of life. **Yet why were they so extremely reluctant to put the finger on the root of all evil -- the perfidious Jew?**

4. Now we come to the other side of the issue -- who are "we"? Unless you clearly identify the enemy, and clearly identify who is on our side, we are, of course, at a terrible disadvantage in fighting the Jew, who has no confusion whatsoever on these basic issues. I heard a lot of talk about "patriots", about the "great constitution", about

our "great country", about all the heroes who had died in Flanders Fields, and much more such meaningless oratory.

The only meaningful group that I can identify with and means anything to me, that is worth fighting for and saving from extinction is THE WHITE RACE, not the country, the republic, the flag, or the constitution. When we talk about our country we are using a very loose term indeed.

Basically there are three major components of a country: (a) the real estate, (b) the people, and (c) its government. Now as far as the real estate is concerned, I think it is lovely and I have no quarrel with fighting for land and territory. BUT FOR WHOM? Is America worth fighting for just so that it can become the breeding ground for a mushrooming horde of black gorillas who hate us, who are parasites on our back and who are crowding us out of the very land we built with sweat and toil? I say no, a thousand times no, and yet this is the very thing America is becoming, a pest hole of mud races, with the diminishing White Man breaking his back to stupidly become the slave of his inferiors. Yet I heard very little about the issue of race. The Klan did say a few confusing things about it, but it wasn't very clear, nor was it much emphasized.

Coming to issue (c) namely government, can we be "patriotic" to a Jewish owned and controlled government whose every action indicates that it hates the White Race with a pathological passion and its every effort is bent on mongrelizing and/or destroying the great White Race that has created every civilization and everything that is good and worthwhile in life?

In this context of looking at parts (b) and (c) of a country, namely a mushrooming horde of mud races and a fanatic hostile Jewish government at its head, the term patriotism to our country, the United States of America, becomes less than meaningless. It becomes OUTRIGHT TREASON TO THE WHITE RACE.

In my book I point this out time and again: *our first loyalty belongs to our own race -- the White Race, not to country, flag, constitution, Christianity, or other artificial creations in which our enemies are heavily involved.*

What is your position on the question of loyalty to our own race?

5. Then we come to the issue of Christianity itself. From my research and logic it is the *ne plus ultra* weapon the Jews have used for the last 2,000 years with which to scramble, intimidate, confuse and manipulate the brains of the White Man.

The question is: are there or are there not spooks-in-the-sky, spooks looking over your shoulder threatening to torture you in a lake of molten sulfur should you not believe in them? Are these spooks for real, or are they an idiotic farce? Frankly, I have never seen any, my dad and mother never saw any, (although they foolishly believed in them) and none of my ancestors down the line have seen any. Nor have I ever met anyone, who is not a refugee from a nut-house, who has ever seen, heard, felt or smelt a spook of any kind, holy or unholy, nor any demons, devils, gods, angels, fairies (the winged kind) or any other spirits, spooks or what have you. All I have heard about them is nothing more than wild hearsay, without a shred of evidence, instigated by our enemies in order to confuse and destroy us.

So, before we go any further kow-towing to this spook nonsense, we should make up our mind, are they for real or are they a horrible fraud.

I have looked at the evidence long and carefully and come up with the only conclusion that makes any sense: **they are a horrible fraud perpetrated on the White Race by our mortal enemy -- the perfidious Jew.**

The situation is similar to a man offering you a million dollar check for your house, that say was worth fifty thousand dollars. If the check is good, he is offering you a fantastic price. If the check is phoney, he is fraudulently robbing you of a very valuable possession. Before you play his game it behooves you to carefully check it out and make up your mind whether the check is good or whether it is fraudulent. You can't ignore that decision. And so it is with Jewish Christianity. I have thoroughly investigated this con-game and made up my mind. The evidence, reasons and logic are fully expounded in my book NATURE'S ETERNAL RELIGION, should you wish to examine the evidence further.

6. I was highly impressed with the tremendous speaking and organizational abilities that John R. Harrell

seemed to display. It is unfortunate that he is so obsessed and confused about the (non-existent) spooks-in-the-sky story that he cannot see the enemy clearly. **You can't be exalting the Jews as "God's chosen people" on the one hand and expect to fight that band of pirates on the other hand.** It's another case of "a house divided", or like a race car driver stepping on the gas with one foot, but at the same time stepping on the brake even harder with the other foot. You can't win a race that way. Too bad. He is extremely courageous and very likeable. He could be a dynamic leader if he could only rid his mind of the non-existent spooks hang-up.

7. So we come to a general summation: can we reconcile all the elements of such a meeting -- Gerda Kochs, the Identity adherents, the Tax Strikers, the Klan, the Minute Men, John R. Harrell, the Church of the Creator, etc., and unite them into a meaningful, constructive action? I say no, it cannot be done and it is useless to try. Adolf Hitler, in *Mein Kampf*, says that you do not unite and thereby water down, two (or more) different movements without destroying the main force which built the movement in the first place. From what I can see about the so-called "Right-Wing", "Conservative", or "Patriotic" movements they are so confused on the basics of (a) who the enemy is, (b) our own identity, and (c) what we are fighting for, that it is almost hopeless. Proof of what I am saying is the utter failure of more than 10,000 such movements over the last 60 years.

In contrast to all this confusion, I believe in our book **we have founded a basic philosophy that is in tune with REALITY and the LAWS OF NATURE.** We have identified ourselves, we have pinpointed the enemy, and set forth a meaningful and realistic program for the survival, expansion and advancement of the White Race, the most important value on the face of the earth.

Our program sets forth as its goal not only the survival of our race but its total victory, expanding until the White Race inhabits all the worthwhile real estate on the planet. No other course is possible. The mud races cannot compete on this crowded planet and can only survive if we foolishly subsidize them as we are doing now. When we do that, they breed at a rate that will exterminate the White Race. So the time in history has arrived when it will be one or the other. The Jew and the mud races have determined that we must be exterminated. Their program has been, and is, devastatingly effective. Only an aroused, united and organized White Race, polarized in a religious creed around the basic issue of race, will now stave off such a horrible disaster.

In Creativity we have such a creed.

Bob, I don't know whether this letter will in any way affect your future goals or activities. It is my hope that it will at least have some small effect in moving you more towards the vital issue of saving the White Race and away from the hocus-pocus of the spooks-in-the-sky myth, which has crippled the White Man's thinking since the days the great Roman civilization went down the drain. I know that you are dedicated, highly intelligent and looking for a better way to achieve results. I hope in this letter I have helped point the way. The White Race needs more courageous fighters like you.

Furthermore, I hope you have listened to the record SURVIVAL OF THE WHITE RACE by now and have given it some further thought. I look forward to hearing from you soon and hopefully we can get together again to plan further strategy for total victory.

For a Whiter and Brighter World!  
Creatively yours,  
B. Klassen, P.M.

\* \* \* \* \*

There are some basic and unalterable lessons to be gleaned from this episode. They can be summed up in a few sentences: Just as a polyglot society is ungovernable and will ultimately destroy itself, so, too, is any movement or coalition of movements that is a conglomerate mishmash of conflicting, half-baked philosophies. We Creators will have no part of it, we will not cater to mugwumps sitting on the fence who cannot make up their minds. We will go our own way, build a strong, well-structured, well-conceived, healthy racial religion of our own, the first such comprehensive religion the White Race has had in 6000 years of its civilized history. We will not compromise, we will not adulterate, we will not water down our own consistent, comprehensive creed and program. **It is the only way to go. RAHOWA!**

## The mud-tide warnings:

# Crime, decay, corruption & chaos in mud countries and mud infested areas of White countries

-- NIGGER-OCCUPIED RHODESIA: On advice from African witch doctors, niggers in Rhodesia attack and rape White women then bite them and drink their blood as a "cure from AIDS". The black police there is very slow in trying to apprehend the nigger criminals, however it wasted no time to arrest White "protection patrols" which were formed by White men to protect White women.

-- SOUTH AFRICA: The savage tribal warfare between different black groups has left over 700 niggers dead in recent months. In a manner typical for nigger brutes, most of the victims were tortured and their bodies ritually mutilated. Here is what newspapers reported from South Africa on September 14, 1990:

"Youths with guns, spears and machetes went on a rampage yesterday in a black commuter train, hacking to death at least 26 people and injuring about 100 as terrified passengers leaped from the speeding coaches.

Witnesses at the train station said about 10 black youths boarded the train in Johannesburg and began shooting and stabbing the screaming passengers as they tried to flee. Passengers jumped from the train or tried to hide under seats as the attackers stabbed and hacked people in the coaches. The dead included elderly women and men who were unable to run away. Bodies littered coach

floors, and pools of blood formed along the platform. Scores of screaming passengers pushed and shoved to get off the train as it stopped, witnesses said."

-- JEW YORK: Nigger criminals are running wild in that Jew-permeated sewer of a city -- rape of a White woman jogger, attacks on White women with syringes and darts, robbery of a White tourist family from Utah and killing of their son in the process... And, of course, it is only the very tip of a huge iceberg of crime and chaos.

The mud-tide situation is so bad in Jew York that even the Jew-run "Time" weekly newsmagazine in its September 17, 1990, issue felt compelled to admit:

"Among New Yorkers there is a spreading conviction that the city has spun out of control. A growing sense of vulnerability has been deepened by the belief that deadly violence, once mostly confined to crime-ridden ghetto neighborhoods that the police wrote off as free-fire zones, is now lashing out randomly at anyone, anytime, even in areas once considered relatively safe."

White Man, beware! The mud-tide is rising!  
Can you and your family survive in America once it becomes a nation of wall-to-wall niggers?

# The Essence of the one and only true White Racial Religion CREATIVITY

1. CREATIVITY is a **White Racial Religion based on the Eternal Laws of Nature** as revealed through science, history, logic and common sense.

2. CREATIVITY is a four dimensional religion whose fundamental approach is based on the idea of a **Sound Mind in a Sound Body in a Sound Society in a Sound Environment**. Above all it is concerned with the **White Race as the Finest and Noblest Creation of Nature**, and is truly the first real racial religion the White Race has ever had in the 6000 year history of White Civilization. We Creators are proud to say -- **OUR RACE IS OUR RELIGION!**

3. CREATIVITY is a **racial religion** that embodies the best values of genetics, biology, anthropology, philosophy, economics, art, literature, the health sciences, government, morality, the environmental sciences and all the other facets of living that the White Race has accumulated through **experience** over the millenniums.

4. CREATIVITY is a worldwide White movement for the **Survival, Expansion and Advancement of the White Race** and the White Race alone. It strives to **unite all White peoples of the world** on the basis of one Racial Religion (Creativity) and one Racial Language (Latin) in a worldwide White Racial Community.

5. CREATIVITY rejects the Jewish lie about the separation of church and state and strives for the **unity of our White Racial Religion with our White Racial State**.

6. CREATIVITY first of all aims to achieve a **REVOLUTION OF VALUES THROUGH RELIGION**, therefore it completely and categorically rejects the judeo - christian - democratic - marxist - liberal - feminist values of today and supplants them with new and basic values of which **RACE IS THE FOUNDATION**.

7. CREATIVITY's key criteria is: **What is Best for the White Race. What is good for the White Race is the highest virtue; what is bad for the White Race is the ultimate sin.** That is our Golden Rule.

8. CREATIVITY, instead of perverting the thinking of its supporters with a phantom world of the never-never land, **concentrates on life on this earth**, the only domain in which man has ever been known to live, spiritually or otherwise. We aspire to make life on this earth richer, fuller, grander and more rewarding than any civilization that has ever existed.

9. In CREATIVITY, whereas we concentrate on the here and now, we also place great importance on the past and the future of our race. **We regard our race as a long endless golden chain of which we of the present are only a link.** We honor our prestigious ancestors and we plan and prepare for our tremendously superior progeny of the future.

10. CREATIVITY is so designed that the White Race can thrive, prosper and advance for the next million years. This we can confidently predict because **CREATIVITY is based on the Eternal Laws of Nature for its own survival, for the survival of, and perpetuation of the best of the White Race.** This is in direct contrast to the sickly Jewish Christian creed, which promotes the survival and expansion of the inferior mud races and the worst elements of our race to the detriment of our best elements. Creativity is the only road to White Victory!
