JOG Treachery: There's more than meets the eye.

The Impending Pro-Jewish War in the Middle East

Iraq, Bush-whacked and Booby-trapped, is only a pretext for the treacherous JOG to move U.S. armed forces into the Middle East for protection of Israel.

by Ben Klassen, P.M.

The overwhelming majority of Americans have been grossly misled and misinformed about the war that is now impending in the Middle East. The Jew-dominated media has seen to that, along with some massive help from our Bush-whacker president. To hear the jewsmedia tell it, everything was going just fine out there in the Arabian desert, Iraq and Saddam Hussein were the best of our buddies, until suddenly Saddam had this strange impulse to invade Kuwait. Then in a matter of minutes the whole situation turned topsy-turvy and the dictator of Iraq instantly became the world's most sinister and dangerous villain. Suddenly our "vital interests" were at stake, our way of life was threatened, Saddam was a dangerous threat to all of mankind, and not only must he be destroyed but also the total Iraqi military machine along with him. Surprise! Surprise!

There is much deception in this posture, as we shall see, and it is the American public who is most deceived, snookered and bamboozled, of all the parties involved. Like in a Hollywood movie script, through conspiracy, deceit and deliberately planned machinations, our JOG, in collaboration with the Jews in Israel, has set in motion a military operation to fight Israel's wars with American soldiers. Let us try to put the individual pieces together.

Piece No. 1 Planning the Destruction of Iraq

In the first place, Bush-whacker George, manipulated by his Jewish mentors, was not surprised at all, but was treacherously laying plans for the event to happen at least 18 months before the August 2, 1990, invasion of Kuwait. In an article dated October 25, 1990, in *The Atlanta Constitution*, there is a detailed story about how the strategy was hatched with the objective of destroying Iraq. I quote: "Starting in March 1989, Army Lt. General John Yeosock and his 500 war-gamers, fuel-estimators and other planners sat at a Georgia military base and thought about how they could move 200,000 troops to Saudi Arabia."

The story goes on. "The top-secret work in Building 363 of Atlanta's Fort McPherson spelled out the Army's part of the enterprise. By July 1990, the cigar smoking General Yeosock and his three-star and four-star counterparts in the Navy, Marines and Air Force were ready for the test run."

Test run indeed. It is more than a coincidence that by July the military was ready to roll, and by August they did roll.

Piece No. 2 Enter Dr. Gerald V. Bull.

For some 25 years Dr. Bull, a Canadian born space and ballistics genius who has been compared to Dr. Werner von Braun, has been designing super artillery, cannons/rockets. His Canadian-American High Altitude Research Program (HARP) has broken all records for long-range artillery. For 15 years the Pentagon has turned down Dr. Bull's offers and strenuous efforts to equip U.S. armed forces with the advanced 155 mm and other long ranged projectiles. That was 10 years ago. In the meantime, Dr. Bull's Space Research Corp., rebuffed by the

United States, turned its attention and its production of long range artillery to Iraq, who snapped up the opportunity with gusto. Iraq now has the capability of delivering poison gas and biological warfare missiles into the camps of our boys, who are set up like sitting ducks in the Arabian desert. What with using rocket boosters equipped with homing devices, Saddam Hussein can also deliver such projectiles directly into Tel Aviv and Jerusalem, hence the extensive distribution of gas masks in Israel.

Why did the United States turn down Dr. Bull and allow him to turn his efforts and genius to the benefit of Iraq instead? Since this didn't happen overnight but over a period of decades, it must have been a planned and deliberate action on the part of our military establishment. It is a strange puzzle, but this piece, too, fits into the overall picture. Evidently JOG wanted Iraq and Saddam Hussein to have enough destructive military power to make him seem a credible threat to world peace, and also probably to be able to kill a significant number of American boys. The situation is not unlike Pearl Harbor in 1941 when Roosevelt and the Jews acted dumb and silent and allowed the Japs to bomb Pearl Harbor, destroy our Pacific fleet, kill more than 3,000 of our men in one day. All the while the traitors in the White House and the Pentagon knew months in advance that the attack was coming. In fact, they were shadowing the Japanese fleet and knew the day and the hour when the Japs would strike. The Dr. Bull episode suspiciously appears to be a similar case.

There is one difference. When the imminent danger to Israel became all too real, on March 22 of this year Dr. Gerald V. Bull was assassinated by the Mossad at his Space Research Center in Brussels, Belgium.

Piece No. 3

Creating a Pretext.

We now come to the recent train of events, July, 1990. By this time the planners in Atlanta were ready and now needed a dramatic pretext to send all those troops and heavy machinery over there into that hot, godforsaken Arabian desert. How convenient then that on August 2, 1990, Saddam invaded postage-stamp sized Kuwait. Was this most propitious timing accidental? Did it just happen? Hardly.

Just days before the invasion, Jewish stooge Bush-whacker George took Saddam by the hand, led him by the nose and told him to go ahead and realize his long-standing ambition of grabbing that most cherished prize - oil rich Kuwait. The American spoon-fed encouragement could hardly have been more explicit, as shown by the train of events that immediately preceded the August 2

Shabez goy George Bush, the despicable Jew-manipulated race traitor, decked with yarmulka, kisses a dirty Jewish wall.

invasion. On July 25, the U.S. ambassador to Iraq, April Gillespie, met with Saddam. A transcript of that meeting shows that ambassador Gillespie told Saddam that "We have no opinion on the Arab-Arab conflicts like your border dispute with Kuwait." This, obviously, with the blessing of President Bush and Secretary of State James Baker. In fact, Bush followed this up further with a personal message underlining ambassador Gillespie's message, with only a gentle hint that it was not "nice" to use force against a neighbor. This position was further waffled by the White House spokeswoman Margaret Tutwiler, a few days later, stating during a press conference that the U.S. had no commitment to defend Kuwait from invasion.

Piece No. 4

Premeditated Reaction.

No sooner had Saddam taken the bait when all hell broke loose. "Kinder, gentler" chabez-goy George Bush now immediately became a roaring lion, and he immediately began screaming war and moving troops. Now there was no waffling. The Jews had written the script for his speeches a long time ago, and the movement of the troops had been meticulously planned for the last 18 months, as previously described. It all went according to the script.

It was a monumental decision to launch a major war in the midst of the Arab nations, the consequences and ramifications of which were far-reaching and unpredictable. The American economy was already tottering and on the brink of disaster, but Bush-whacker George seemed completely indifferent about the tremendous cost such a war would inflict upon the American people in terms of money and American lives. And where was Congress all this time? Quiet as a mouse. That too was in the prearranged script. It seemed that Jewish stooge Bush alone was now the grand commander-in-chief, making the decisions and calling all the shots, while Congress, which alone by the Constitution is empowered to declare war, stood supinely by, presumably supporting a bellicose president whose rhetoric was now screaming for an all out war.

Piece No. 5

Huge New Oil Reserves discovered in Saudi Arabia.

There is one more element that has been tacitly ignored by the jewsmedia. According to the October 29 issue of *Spotlight*, a gigantic new and untapped oil field has recently been discovered in a remote area of the Saudi desert. It is claimed to be the largest accumulation of oil anywhere on the face of the earth discovered in the last 20 years, and enough to keep the Saudis pumping oil well into the 22nd century.

Although its discovery has been known for some time, its existence has been discreetly kept quiet so as not to raise undue suspicions about the coming war in the Middle East.

The question is: who will control the future of this huge, strategic asset - the Jews or the Arabs? With the massive military might of the United States firmly in the hands of the Jews, only the unravelling of history will tell the tale.

Piece No. 6

The Winners and the Losers.

Despite the tremendous stakes of who will control the oil of the Middle East, the real and paramount issue of the impending war in the Arabian desert is the protection of Israel and maintaining the Jewish control of the world. If this now becomes a shooting war, the destruction on both sides will be catastrophic. As in the American Civil War, as in World War I and II, and most other wars, the numbers of people killed, wounded and maimed are always much larger and the wars last much longer than the trigger happy instigators initially lead us to believe. Tens of thousands, probably hundreds of thousands of American boys will be killed. But the Jews couldn't care less.

The Jews would like to see the neighboring Arab countries such as Iraq, Iran, Syria, Jordan and even Egypt destroyed, pulverized and pounded to a pulp, as has already happened to neighboring Lebanon, once a prosperous and peaceful Christian country.

The Jews plan to have American forces in the Middle East and on Arab soil permanently to protect them from 150 million hostile Arabs. The cost to the White Americans will be crushing and overwhelming. It will further escalate the ruination of a rapidly disintegrating America, but it will tighten the Jewish grip on America and the rest of the world.

Saudi Arabia will lose control of its oil and its sovereignty as well, as will Kuwait, Iraq, the Emirates and the rest of the Arabs. It will all fall into Jewish hands, at least that is the aim of the Jewish vampire.

Conclusion

There is only one way out of this bloody mess and only the White Race can mobilize the powerhouse to expunge and destroy the Jewish plague. We must take the bull by the horns and confront the goddamned Jewish menace head-on. In order to do so, we must organize and mobilize the total resources of the 500 million White Minority that still remains on this planet. We must polarize into one mighty movement, one battering ram. We must smash Judaism and its auxiliary tentacle, Christianity, and replace it with a vital, meaningful, no holds barred White Racial Religion - Creativity. Only Creativity has the answer, the creed and program to do that job. Join with us, White Racial Comrades, and help build a Whiter and Brighter World for yourself, your family and your future progeny. DELENDA EST JUDAICA! RAHOWA!

The Introduction to a new (soon to be published) book of Pontifex Maximus Ben Klassen -

A Revolution of Values Through Religion

What the Creativity Revolution is All About

Throughout history different civilizations and cultures have established for themselves a set of values that they hold in high esteem. Although some of these may seem frivolous, even stupid, to other rival cultures, nevertheless they were and are the fundamental yardsticks of each of those particular cultures, nations and/or civilizations -- values they hold dear.

How were these primary values established? Again, going back into history we find such values were derived and molded through their particular religious beliefs. Whereas to White Europeans a cow is a just a cow, a useful animal that is not too bright, yet to Hindus a cow is a sacred object, a holy animal, due untold respect and veneration. Why is a cow holy to Hindus? Because their religion tells them so, and theirs is not to question why. To Moslems, Mecca and Medina are holy shrines because their religion tells them that's the way it is. To Jews, Moses, Abraham, Isaac and Jacob and a whole passel of other Jewish scoundrels are their national and religious heroes. The Christians have their Jesus Christ, a mythical Jewish figure at best, with no meaningful historical evidence that such a figure ever even existed.

I have listed a few focal highlights that are venerated as fundamental values of high esteem in a selective few of many scattered religions. But with each of these goes a whole plethora of subsidiary values and beliefs that are tied in with their central core, and whereas such a resume or listing would be endless, we are here primarily concerned with those fundamental values that are held sacred by our own race, the White Race. It is these values we want to examine, to analyze, and to keep and treasure, or, if found wanting, to discard on the scrap heap of history and replace with a more deserving set of values.

In the chapters following we first of all carefully examine twelve major religions, what they stand for, along with a short resume of their origins and their history. We also want to know how they relate to the White Race, and in particular how they compare to our own religion, Creativity, when we put their various concepts to the acid test as to whether they are either beneficial or detrimental to the White Race.

Having laid the broad groundwork of the characteristics for some twelve major religions and their influence throughout the ages, we now focus our attention on that particular religion which inadvertently concerns us most, namely Christianity. We do this for the overwhelming reason that over the last nineteen centuries Christianity has subversively encroached on the minds of the White Race and managed to become its predominant religion. Originating from a passel of Jewish writers, "prophets" and murderous criminals, it has, as Marcus Eli Ravage, a Jew, arrogantly boasts, conquered us Gentiles more thoroughly than any conquering army in history has ever conquered its miserable victims.

We now ask the simple, basic question: Has Christianity been beneficial to the White Race or has it been injurious to our survival and welfare? In order that we may answer this question logically and persuasively, let us first examine some of the fundamental values Christianity espouses.

These values are mostly scattered about in

Every Creator a Reverend

The advantages of becoming an Ordained Minister of the Church of the Creator

by Ben Klassen, P.M.

Now that we have the blueprint drawn, the foundations laid and the framework for the White Racial Religion of the future under construction, it behooves us to put muscle on the bones as quickly as possible. This we are attempting to do and the means to do it with are people -- more good, aggressive, White activist people. We need to utilize our resources to the utmost and take advantage of every means at our disposal.

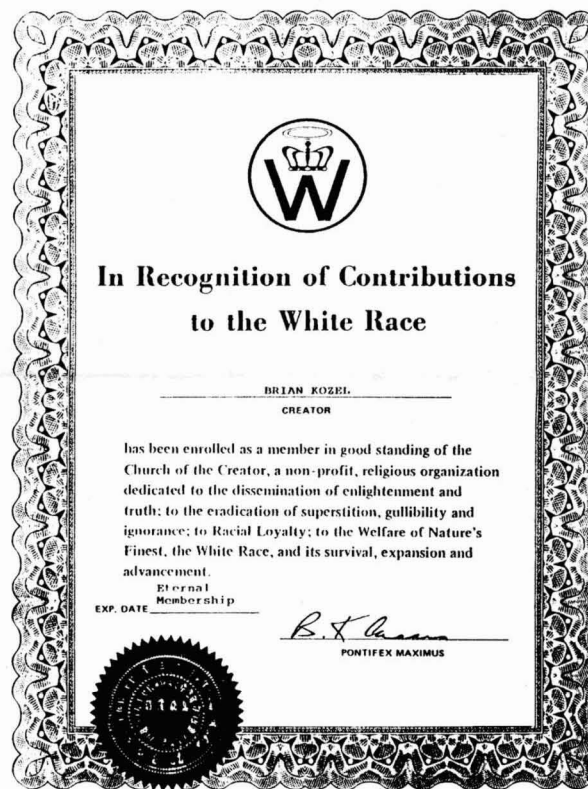

As I have pointed out any number of times, religion is undoubtedly the most powerful motivator and energizer to ever influence the human elements throughout history. Combine this with a racial fervor, as the Jews and Moslems have done, and you have a combination that is intensely powerful. In CREATIVITY we finally have such a combination for the White Race.

RELIGION, like fire, is a powerful force, but, like fire, it can be either constructive or destructive depending on how it is used, by whom, and on whom. As I have also pointed out innumerable times, the Jews concocted Christianity for us, slopped it on us, and used it as a powerful tool against us and for our own self-destruction. However, now that CREATIVITY has come along, we can take a long historical view of all this religious anarchy which the White Race has suffered and profit from the lessons it has taught us. We can and should learn from experience. We can and must especially learn from the disastrous experience such as the nightmare of mongrelization the White Race is being subjected to right now. We can learn the same methods, techniques and procedures our enemies use and put them to work for our own best interests. Now that we CREATORS are no longer interested in saving (the scum of) humanity, but instead look at every issue from the basis of our own Golden Rule ("What is best for the White Race?"), we, too, can do many powerful things with religion, our own religion.

This short treatise is designed to emphasize only one limited phase of that all-encompassing program, and that is to fully utilize the extraordinary prestige and influence religious titles exercise in our culture and society. The Jews have bragged time and again that practically every new issue (such as integration and mongrelization) that they want to slop on the White Race they promote first through the ministers (the White Man's) and the churches as a moral issue. Why? Because there is an inherent "reverence" for "the Reverend." They not only use this ploy with the White "Reverends," but also and especially by means of black "Reverends" who, though they are just recently emerged from the jungles, are now almost instantly converted into a near deity by turning their collar around and draping them with the religious mantle of "Reverend."

When they picked an alleged Communist, panderer and car thief by the name of Martin Luther Koon to head up the "civil rights" movement of the sixties, they first of all made sure that he had the title of "Reverend." They did the same with his successor, the "Reverend" Abernathy, although anyone looking closely into that dark and sinister face can visibly see in it more malignant criminal hatred for the White Race than any so-called Christian love and charity. The same goes for the "Reverend" Jesse Jackson, and a host of other black "Reverends" whose jungle English can hardly be comprehended.

Well, two can play that game. We now have a religion of our own, a White Man's religion, established for the survival of the White Race, for the White Man's benefit. It is called CREATIVITY. Since religion is like fire, let us make sure we utilize ours to burn down the

British Nationalist becomes White Racial Loyalist

Dear COTC HQ:

Many thanks for your letters and all the materials you sent me -- the extra items were most unexpected and welcome.

I did receive two application forms for the COTC Reverendship previously, but didn't send them back immediately, as becoming a Minister isn't a decision I take lightly. I have now taken the plunge -- A MUGWUMP NO LONGER!

I now realize that I am more of a White Racial Socialist or Loyalist than Racial Nationalist which I now see as being a Jewish ploy to divide the White Race.

I and my friends are strongly opposed to the British involvement in the Gulf conflict. We have been putting up posters and stickers with several anti-Gulf-war messages, such as this one:

BRING OUR BOYS HOME FROM THE GULF --
LET THE JEWS DO THEIR OWN DIRTY WORK!

RAHOWA!

Creativity in Sweden:

Threats of renewed anti-White Inquisition will not stop the COTC

Dear Friends of the COTC:

Today, 11-17-90, my appeal against the verdict was made public in the Swedish media. Also, the prosecutor, a faithful servant of the JOG, has made renewed demands for a new trial against me because of my statements that I will continue to preach Creativity to our White kinsmen. I am already preparing myself for this renewed persecution.

There is hope for Scandinavia and Europe in Creativity. I do believe that there will be active chapters both in West and East Europe before the year 2000! Today I send off a package to Yugoslavia, and I would send more if I just had the money.

I ask all pro-Creativity activists in Europe to redouble their efforts to recruit and organize our movement EVERYWHERE, AND DO IT NOW! COTC needs activists, not spectators. Maybe JOG and its lackeys will get mad at you, but let us remember that not even the Communist regime managed to destroy the opposition in the Soviet Union. It is just impossible to stop a natural, logical, common-sense pro-White religion with laws and threats if we Creators continue to read our sacred books and believe in the triumph of our Creed.

On the personal note, my wife and I had an automobile accident last week. It was a terrible experience, but we are alright (our child was not in the car). The car was destroyed. This is another blow to our situation, but the most important thing is that my wife was not injured: the life and health of a White Mother is far more important than any car in the whole world. Despite obstacles, problems and persecutions, we are happy and filled with enthusiasm and energy thanks to our great religion Creativity -- the only Hope and Salvation for the White World.

We want to urge all Creators to renew their dedication and activism for the sacred cause of Creativity. Let us do everything possible to establish active chapters of the COTC in such countries like Germany, France, England, Italy and Russia. All Whites must know that Creativity is their only hope and salvation in a world that is being rapidly overrun by a flood of the mud races. RAHOWA!

The Winter Solstice our Natural Holiday

Dear Creators:

There is no reason why we Creators should feel "left out" during the December celebrations, supposedly related to a mythical birth of a mythical Jewish bastard. Let us remember that December has traditionally been a festive month for our Race. The Winter Solstice, which falls on December 22, and Saturnalia, a festival of Nature's rebirth and fertility, have been the two major holidays in the White Roman civilization. This fact, plus the nearness of the Jewish Hanukkah (celebration of the Jewish massacre of the Greeks), is the main reason why December 25th was chosen by the Jewish pushers of Christianity as a mythical birthdate of mythical Jesus; it was "convenient".

As Nature's Finest we, the White People, should reject all Jewish celebrations. Let's adopt meaningful celebrations based on Nature's seasons and important events and personalities of White history. RAHOWA!

Brian Kozel our Hero and Martyr

Dear White Racial Loyalists -- Creators:

Racial greetings from Wisconsin! As you already know, we have lost a great warrior in our fight for the survival, expansion and advancement of the White Race. Brian Kozel is the name of this young martyr of our White Faith. He was a dear friend, a racial brother and above all -- a Creator. I was with him the night he was brutally murdered by the savage spics, Mexican muds. I saw how courageously Brian fought against the Mexican bandits and how he was perfidiously shot in the back by one of the spic criminals.

Seeing my comrade die and coming within an inch of a fatal bullet aimed at my head, I realized how important it is to have meaning and purpose in life. For us White Racial Loyalists - Creators our White Racial Religion --Creativity-- is the highest purpose and meaning. Therefore, I want to rededicate myself to our Sacred Struggle and promote our White Faith twice as much as before. And I call upon every White Man and Woman to do the same for the survival of our Race and in the name of our fallen comrade -- BRIAN KOZEL.

Cupid's Corner

One of the SIXTEEN COMMANDMENTS OF CREATIVITY states: "Be fruitful and multiply! Do your part in helping to populate the world with your own kind!" Therefore, to bring eligible White men and women together and facilitate the accomplishment of the very important goal of White genetic procreation, Racial Loyalty has created a "White racial match-making service" which is called CUPID'S CORNER.

There has already been considerable interest among our members in taking advantage of our CUPID'S CORNER in finding an ideologically compatible life-partner for themselves, and we have received several inquiries. (Eligible White men, take note: we already have some very interesting inquiries from beautiful blond and blue-eyed White women from Sweden!)

We invite all White readers of Racial Loyalty (and especially White girls and women!) to participate in the White racial match-making service by writing to:

CUPID'S CORNER c/o Racial Loyalty
P.O. Box 400, Otto, NC 28763, USA

1. Include a recent photo of yourself.
2. Give most of the basic statistics: race, ancestry, age, sex, weight, height, color of eyes and hair, health, overall appearance.

3. Brief personal resume: level of commitment to the pro-White racial activism, ideological / political / religious convictions, education, job, hobbies, interests, talents.

4. Preferences about potential life-partners of the opposite sex with whom the writer would like to correspond.

These are some of the items you might wish to cover in the initial letter, but it is not necessary to go into too much detail. Keep it short and to the point. The essential information of your inquiry will be added to our match-making master list.

The ultimate objective of participation in the White racial match-making service -- CUPID'S CORNER is, we hope, marriage and the founding of another White family.

The White racial match-making service -- CUPID'S CORNER is provided free of charge as a special service to all White subscribers to Racial Loyalty. The CUPID'S CORNER procedure for match-making is as follows:

a) upon inquiry, you will receive (once completed) our match-making master list, identifying the potential candidates by using a code number only and containing the candidate's essential bio/resume information (without their name and address);

The Enemy Dog, Filthy, Lying Harold, is barking again

Dear readers of Racial Loyalty:

Remember Harold Covington and his "multimillion" lawsuit against the COTC? Well, the low-life scoundrel has dropped his flimsy lawsuit, but the ADL is not paying his salary for nothing. So he is trying to please his Jewish paymasters by spreading various wild, nasty, crazy and completely baseless rumors against the COTC and its Supreme Leader, Pontifex Maximus Ben Klassen.

We Creators just laugh at such desperate attempts of character assassination by the ADL and its clumsy stooge. We Creators must be doing something right, if the ADL dog Harold Covington is barking again. Let him bark. And let us redouble our efforts to build a Whiter and Brighter World.

RAHOWA!

Rev. Victor Wolf, COTC HQ

Important Decision of the COTC Supreme Leadership Council

The Mission of the COTC White Berets and White Rangers: Church security and self-defense

The COTC Supreme Leadership Council, consisting of Pontifex Maximus Ben Klassen, Rev. Victor Wolf and Rev. Ron McVan, met on November 26, 1990, at the COTC World Center and made the following decisions regarding the COTC White Berets and White Rangers:

I. The primary mission of the COTC White Berets and White Rangers, collectively known as the COTC Security Legions, is to provide security services for the COTC members and property.

II. The secondary mission of the COTC White Berets and White Rangers, collectively known as the COTC Security Legions, is to prepare the COTC members for active and effective self-defense.

III. In order to accomplish their mission of security and self-defense, the COTC White Berets and White Rangers must:

(a) Organize themselves into small, tightly-knit Primary Groups (*with minimum two, maximum ten, optimum five members*), in accordance with the Primary Group Pyramid Structure as outlined in Racial Loyalty # 55.

(b) Self-educate themselves in legal self-defense and always remember these principles:

1. *Never trust police, FBI or any other agents of the JOG. They are controlled functionaries of our enemies.*

2. *Never allow them inside without a warrant, always demand to see a warrant.*

3. *If unwillingly detained, demand to know if you are under arrest and under what charge.*

4. *If under arrest, refuse to answer any questions and demand to see a lawyer. However, never trust a lawyer, especially if he advises you to break any of these ten basic legal self-defense principles.*

5. *When questioned by the JOG, silence is your best defense.*

6. *Be silent, suppress the urge to tell "your side of the story".*

7. *Never plead guilty, never waive any of your legal rights.*

8. *Never make any deals with the JOG.*

9. *Never betray your comrades or the Church of the Creator.*

10. *Remember: nothing great is won without great sacrifices. Persecution and suffering are the inevitable obstacles on our path to victory. We must overcome them through dedication and perseverance. Let the great vision of a Whiter and Brighter World inspire and lead you through all trials, sufferings and deprivations.*

(c) Self-educate themselves in physical fitness, martial arts, first aid techniques, police communications and armed self-defense. Legally own at least one handgun and become proficient with it through frequent target practice.

IV. All present actions of the COTC White Berets and White Rangers must be within the limits of "reasonable self-defense" and within the law. **Do not resort to any illegal means or methods!** Anyone who advocates actions outside of the limits of "reasonable self-defense" and outside the law can be assumed to be an agent provocateur and would be subject to being expelled from the organization.

Unfortunately, at the present time we have no legal defense fund, nor do we have a legal defense team. Therefore, all members must mount their own legal defense, utilizing all available resources, even such as the ACLU.

V. Only a card-carrying member of the COTC can be a COTC White Beret or White Ranger. There can be no exception to this rule.

VI. Although oriented towards our youth as the most energetic defenders of our race, the COTC White Berets and White Rangers impose no age limitation on their membership. However, every member must be physically and mentally able to perform his duties effectively.

VII. The COTC HQ endorses and promotes with great enthusiasm both the COTC White Berets and White Rangers, therefore no matter which one of those two is selected by a COTC member, he will be part of **the militant elite of Nature's Finest.**

The basic difference between White Rangers and White Berets is in **the image and mystique, the type of heritage and tradition they want to emphasize, promote and emulate.**

White Rangers, as the name implies, draw their inspiration from the tradition of the heroic White conquerors of the North American continent - Pioneers, Frontier Fighters, Cowboys and Texas Rangers. *Their official uniform features white cowboy hat (with the COTC Logo) and cowboy boots.*

White Berets, as implied by their name, draw their inspiration mainly from the heroic White military tradition, especially as exemplified by the elite commando units (such as paratroopers). *Their official uniform features white military beret (with the COTC Logo) and paratrooper boots.*

Despite the differences in image, mystique and tradition, we must always remember that **the essence of a White Ranger and a White Beret is not in his uniform, but in his attitude.** Our main goal is to revive the **ATTITUDE OF WHITE MILITANCY -- THE WILL TO FIGHT FOR WHAT IS WHITE AND DEFEND THE ONE AND ONLY, TRUE AND REVOLUTIONARY WHITE RACIAL RELIGION -- CREATIVITY.** The official uniforms of the COTC White Berets and White Rangers are mandatory only at victory parades.

VIII. Any previous oral or written communications by whatever person regarding any and all aspects of the COTC White Berets and White Rangers, that in any way or manner contradict the above guidelines, are hereby revoked.

IX. Pontifex Maximus Ben Klassen, in his capacity as the Supreme Leader of the COTC and the COTC White Berets and White Rangers, hereby appoints Rev. Without a successful Creativity Movement the White Race is dead. Our every thought and action must be -- Will it help to promote CREATIVITY?

Brian Kozel

*In memory of our fallen
White Racial Comrade Brian Kozel
Horatius at the Bridge*

Then out spake brave Horatius,
The Captain of the Gate:

*"To every man upon this earth
Death cometh soon or late.
And how can man die better
Than facing fearful odds,
For the ashes of his fathers,
and the temples of his Gods."*

This epic poem by the English poet Lord Macaulay spotlights the essence of the heroic White Roman spirit. It tells about the time when in her early history Rome was beginning to show her future genius, and the calibre of her men. When an overwhelming army, led by their enemy Lars Porsena of Clusium, was descending on the city of Rome, the city fathers realized that Rome was doomed unless the enemy could be stopped from crossing the bridge into the city.

They decided that the bridge must be cut down. But time was too short, unless the approaching army could be held at bay long enough to destroy the bridge. They called for three volunteers to stand off the army of thirty thousand while the bridge could be hewn down. The bridgehead had to be defended on the opposite side of the river Tiber, so that none of the enemy could so much as set foot on it. Horatius volunteered. In so doing, he expressed a basic creed that we of the Church of the Creator must also make our own.

Lord Macaulay's epic poem goes on to tell how Horatius, with two brave stalwarts, held the bridgehead until the bridge was cut down; how he stood his ground even after the city fathers called him and his two comrades to recross the tottering bridge before it collapsed; of how he finally alone stood his ground while the bridge fell, then slowly and contemptuously turned his back on the enemy, dived into the river Tiber, armor and all, and swam to the opposite shore.

It is his heroic six-line speech, however, that we Creators want to make part of our own creed. **We must make it part of our religious conviction: it is better to die fighting for our race, for our White Race, than to surrender to the enemies of our race; it is much better to die a hero, than be a coward and a slave.** We must realize that Nature never intended for any individual to live forever, and since die we must, the greatest honor and the highest dedication we can bestow upon our people, our race, is to fight to preserve it at all costs, or die in the attempt.

From the Jewish Bible:

Wild stories of Pornography, Obscenity, Immorality and Violence which are being accepted by the gullible Christian yokels as "the Word of God"...

Part V in a Series based upon Chapters of "The X-Rated Book: Sex and Obscenity in the Bible" by J. Ashleigh Burke (with illustrations by Ron Quinn).

Justice according to the Judeo-Christian Bible: Gentile slave girl gets flogging, while her Jewish slavemaster is forgiven

Should a Jew take liberties with a slave girl, The punishment is very different for the lout. She gets a flogging for her part in the matter, But a Godly ram offering wipes his sin out.

* * * * *

Here we have a blatant example of Jewish self-indulgence and abuse of Gentile slaves. In this story the "bondmaid" is apparently forced into sexual acts, since she is "betrothed to a husband" and hence it is unlikely that she would willingly engage in sexual intercourse with someone other than the man she intended to marry. Let us quote directly from the Judeo-Christian bible with all its primitive, garbled, sick and barbaric Jewish logic. Here is what "just and impartial" God (Jewish spook) supposedly said to Moses:

Leviticus 19:

1. And the Lord spake unto Moses, saying:
20. And whosoever lieth carnally with a woman, that is a bondmaid, betrothed to a husband, and not at all redeemed nor freedom given to her; she shall be scourged.
21. And he shall bring his trespass offering unto the Lord, unto the door of the tabernacle of the congregation, even a ram for a trespass offering.
22. And the priest shall make an atonement for him with the ram of the trespass offering before the Lord for his sin which he hath done: and the sin which he hath done shall be forgiven him.

Such a "punishment" for the Jewish rapist might be called a ram for a "ram".

While on the subject of Jewish bondage, perhaps it will come as a shock to most people that in the Bible bondage was accepted as a proper way of life. The real shocker, however, is discovering that, according to the Judeo-Christian Bible, God himself provided Moses with laws of slave ownership together with the details about buying and selling slaves, especially Gentile slaves. Here is what God (Jewish spook) supposedly said to the Jews:

Leviticus 25:

44. Both thy bondmen, and thy bondmaids, which thou shalt have, shall be of the heathen that are round about you; of them shall ye buy bondmen and bondmaids.
45. Moreover of the children of the strangers that do sojourn among you, of them shall ye buy, and of their families that are with you, which they begat in your land: and they shall be your possession.
46. And ye shall take them as an inheritance for your children after you, to inherit them for a possession; they shall be your bondmen for ever; but over your brethren the children of Israel, ye shall not rule one over another with vigor.
47. And if sojourner or stranger wax rich by thee, and thy brother that dwelleth by him wax poor, and sell himself unto the stranger or sojourner by thee, or to the stock of the stranger's family:
48. After that he is sold he may be redeemed again: one of his brethren may redeem him:

49. Either his uncle, or his uncle's son, may redeem him, or any that is nigh of kin unto him of his family may redeem him; or if he be able, he may redeem himself.

50. And he shall reckon with him that bought him from the year that he was sold to him unto the year of jubilee: and the price of his sale shall be according to the number of years, according to the time of a hired servant shall it be with him.

51. If there be yet many years behind, according to them he shall give the price of his redemption out of the money that he was bought for.

52. And if there remain but few years unto the year of jubilee, then he shall count with him, and according unto his year shall he give him again the price of his redemption.

54. And if he be not redeemed in these years, then he shall go out in the year of jubilee, both he, and his children with him.

55. For unto me the children of Israel are servants: they are my servants whom I brought forth out of the land of Egypt: I am the Lord your God.

Additional slave laws, as set forth by the Jewish spook, are found in other parts of the Jewish garbage dump that is called "the Holy Bible":

Exodus 21:

1. Now these are the judgements which thou shalt set before them.
2. If thou buy a Hebrew servant, six years he shall serve: and in the seventh he shall go out free for nothing.
3. If he came in by himself, he shall go out by himself: if he were, married, then his wife shall go out with him.
4. If his master has given him a wife, and she has born him sons and daughters; the wife and her children shall be her master's.

So, according to the "just, merciful and impartial" Jewish spook Yahweh, a Jewish slaveowner is to set his Jewish slaves free, but keep his Gentile slaves forever and a day.

* * * * *

How strange and stupid it is that millions of gullible Christian yokels accept and worship such sick and perverted Jewish garbage as "holy", bend their knees before a Jew-concocted spook and his mythical Jewish bastard and, as in the case of the "true Israel" Identity lunatics, want to appropriate such garbage as "their own". We **White Racial Loyalists -- Creators** say: *to hell with all the "true and untrue" Israel and all the other Jewish garbage!* **Long live the one and only, true and revolutionary White Racial Religion -- Creativity -- based on the Eternal Laws of Nature, History, Logic and Common Sense.**

Christianity is mass insanity!

Purpose of this Series

Our purpose of this series is to expose and destroy the myth of the sanctity of the Jewish scribblings which have been foisted through deceit and terror by the perfidious Jews upon the White People as the "ultimate and immutable word of God". The fact is that the Jew-spawned Christianity (centered on the antinatural, absurdly illogical and suicidal legends about a mythical Jewish bastard) is the deadly mind poison which has destroyed the glorious White Roman civilization and is currently destroying all of the White Race; therefore, Christianity must be exposed, defeated and eliminated in order to save the White Race. By using ridicule and unmasking this idiotic age old spooks-in-the-sky swindle, we believe we can best help lead the White Race back to sanity, common sense, and a healthy, constructive attitude towards its own best interests. *Delenda est Judaica!*

'Church' members deny threats

By Don Jensen
Staff Writer

Two members of a white supremacist Milwaukee "church" denied Wednesday that they had threatened Kenneth Botsch and didn't know he was half-Jewish.

The 23-year-old Franksville man, on trial for attempted murder and burglary, told the jury earlier that he was terrified that former neo-Nazi associates were out to get him.

Botsch testified that he came to a Kenosha home Feb. 19 armed with a .25 caliber pistol, to warn one of the group he held responsible, Mark Wilson, to stay away from him. Instead, he wounded Wilson's teenage brother-in-law whom he had never seen before.

The defendant has pleaded not guilty by reason of mental disease or defect and not guilty in the unprovoked shooting of 14-year-old Joel Podbereski in the boy's home at [redacted].

Earlier Wednesday, Botsch testified that he has been fearful about his Jewish heritage since he was 10 and first saw a school library film strip showing World War II Holocaust atrocities.

He broke down in tears while telling the jurors about his obsession with a film of SS troops drowning a Jewish couple in a Nazi death camp.

Botsch testified that as a child he was teased and tormented about his Jewishness. He said that after high school graduation, he joined Milwaukee Nazi, skinhead and white supremacist groups as a "disguise" to hide the fact that he was half Jewish. Then, afraid he'd been found out and believing that members of those groups would harm him and his family, he went to the Kenosha home where he thought he'd find Wilson.

Under lengthy questioning by Assistant District Attorney Brian Holmgren and defense counsel Jon Mason, Botsch said that, confused and panicked, he fired what he intended as warn-

ing shots, not intending to harm the boy.

Podbereski, struck in the chest and shoulder, survived his wounds.

Wilson, a Milwaukee student married to Podbereski's sister, was called by Holmgren as a

rebuttal witness. He said he formerly belonged to the now-disbanded Skinhead Army of Milwaukee. He said he currently is a "reverend" in the Church of the Creator, a dozen-member Milwaukee group, part of an international "white racial loyalist

organization."

Also called to rebut Botsch's testimony was Arno Michaelis, 19, [redacted] "ordained minister" of the Milwaukee "church" and member of a group called the Northern Hammer Skins.

They said their organization does not believe in a Supreme Being and is non-violent. Botsch, they testified, wanted more action as an American Nazi Party member and sometimes wore a "brown shirt" uniform with swastika.

Both said that if they'd known of his Jewish background he would have been shunned but not harmed. They denied threatening Botsch or any involvement in a beating he received in Milwaukee from three hooded assailants several weeks before the shooting incident.

Judge Michael Fisher briefly recessed the trial at mid-afternoon Wednesday when several crewcut young men in military fatigues and combat boots, one with the word "skinhead" tattooed on his neck, entered the courtroom. Botsch told the judge he knew who they were and was disturbed by their presence. They left the court, were briefly questioned by deputies and later were seen outside the Courthouse talking with Michaelis and Wilson.

Another prosecution rebuttal witness was Margaret Van Boven, Racine, Botsch's fifth grade school librarian. She denied the existence of a film strip about Nazi atrocities which the defendant claimed to have viewed at least twice a week for two years at the Franksville school.

Testimony in the first half of the two-part trial ended Wednesday afternoon. After final arguments by the attorneys, the four-man, eight-woman jury will begin deliberation. If they return a guilty verdict, either on the charged offenses or lesser counts, the second portion of the trial will begin immediately. The issue then will be Botsch's mental responsibility for the crimes.

Mason is expected to call three psychiatrists and a neurologist to testify. The defense contends Botsch suffers from paranoid delusions, a mental illness probably made worse by steroid abuse during an intense several-year bodybuilding program.

Supremacists On Trial In Western Australia

Sydney (JTA) — Six white supremacists are on trial in Perth, Western Australia, for attempting to establish a Nazi-style regime by means of terrorism, harassment and race riots.

The accused, members of the Australian Nationalist Movement, planned to "drive foreigners, primarily Asians and Jews" out of Australia, according to the testimony of prosecution witnesses, most of them disaffected former members of the neo-Nazi group.

They have been variously charged on 194 counts, including the firebombing of five Chinese restaurants, possession of explosives and robbery.

The one charge applicable to all six is conspiracy to threaten and harm Asians living in Western Australia, with the intent to drive them out. The group's paramilitary headquarters outside Perth had a rifle range, underground bunkers and protective sandbagging.

Prosecutor Graeme Scott presented evidence of sophisticated raids on selected restaurants, including the use of stolen police scanners and two-way radios to evade arrest.

The chief prosecution witness, Russell Willey, pro-

vided details of secret weapons caches and planned raids on police stations.

Mr. Willey, former treasurer of the Australian Nationalist Movement, identified the group's leader as Jack Van Tongeren, who he said almost burned himself to death in a gasoline bomb attack on a Chinese restaurant.

The trial of the neo-Nazis in Perth has renewed impetus for state governments to enact effective anti-racist laws. There are none, for example, in South Australia.

In New South Wales, however, taxi driver Robert Leys, 47, had his license suspended after the media reported he played Nazi marches on his car cassette, dressed in pseudo-Nazi uniforms and described himself as a minister in the "Church of the Creator," a U.S.-based white supremacist movement.

The Church of the Creator operates out of Otto, N.C., and is "a Hitler-worshipping group that has gained a new following in the United States among racist skinheads," according to Leonard Zeskind, research director of the Atlanta-based Center for Democratic Renewal.

Jew-organized demonstration against White Racial Loyalty

Almost 400 marchers gather at City Hall Plaza in Tampa for a rally against bigotry Thursday.

Solidarity march unites groups

By WAYNE GARCIA
Tribune Staff Writer

TAMPA — Nearly 400 people wearing everything from tie-dyed T-shirts to charcoal gray business suits marched against bigotry and prejudice Thursday, their anti-hate chants bouncing off the walls of downtown Tampa's tall buildings.

"Brotherhood is a word written by a skywriter," said Harvey Moore of the National Conference of Christians and Jews, "seemingly out of reach and disappearing as it is written."

Only a vigilant community can reach the ideal, Moore told the gathering at City Hall Plaza.

The march drew few spectators and no hecklers.

Organizers hope the slogans and exhortations will lead to permanent anti-bi bigotry efforts. The co-chairwoman of the biracial Tampa Coalition said during the march that her group is trying to find a way to pay for anti-prejudice programs in Pinellas and Hillsborough schools and work places. For many, though, the march was

simply a place to show solidarity.

"Stop all the hate because love is more important than hating people," said 13-year-old Karen Johnson, who marched at the front of the crowd with march organizer Mayor Sandy Freedman.

Some of Tampa's most powerful political and business leaders — as well as neighborhood groups, gay rights organizations, Guardian Angels and others — spread out along two blocks of the Franklin Street Mall downtown as they chanted. "Together we're great. Stop all the hate."

Most headed Freedman's request for no signs or identifying T-shirts. A simple red banner led the march: "Tampa, Together We Stand."

"We must spread the word that we will not tolerate those who hide behind hate," Freedman told the crowd. "We must hear it in the classrooms and in the boardrooms. We must hear it in our own homes and in our own hearts."

Freedman cited growing instances of hate crimes and intolerance in Hillsborough County when she an-

nounced the march last month. Street signs honoring Martin Luther King Jr. have been torn down; swastikas have appeared on Tampa Bay area synagogues; and, most recently, a white supremacist tabloid has been thrown onto suburban lawns.

Florida crime statistics show that Hillsborough County led the state last year in the number of reported hate crimes.

The mayor's march had been criticized by some as too political or merely a symbolic gesture. Those who attended Thursday dismissed that, although Freedman's spring 1991 reelection bid clearly benefited from the television, radio and newspaper exposure.

"The fact that this effort is being made supersedes whatever came before it," said James Ransom of the Tampa Organization of Black Affairs.

"If people can agree on common causes and also understand we have to have differences from time to time, then we can make a significant differ-

The Creativity Revolution

(Continued from Page 3)

an obscure and confused manner in the New Testament, although the Old Testament, which is all about the Jews, takes up more than two-thirds of the Christian bible, a strange piece of chicanery in itself. However, without scanning the entire New Testament we can focus on those values that Christ himself (supposedly) spelled out in the Sermon on the Mount. He says:

1. Love your enemies.
2. Turn the other cheek.
3. Judge not.
4. Sell all thou hast, give it to the niggers, and become a bum.
5. Resist not evil.
6. Don't plan for the future.
7. Don't store up treasures on earth, store up treasures in heaven, wherever that is.
8. The Jews are God's chosen people, the Old Testament tells us over and over, a thousand times.

There is more in the same vein, but I believe we have succinctly set out the inherent tenets of Christianity. **In essence, the whole creed and program is based on some dubious other world, a nebulous supernatural world, one that is undefined, having no known location and no known verification as to its existence. In short, it is all based on wild claims, on speculation, and hopefully, on the gullibility of its intended victims. It is entirely based on a wild "spooks in the sky" theory, spooks no one in their sane state of mind has ever seen, heard, felt or smelt.**

We Creators reject these nonsensical, nebulous out-of-this-world claims in their entirety and get down to reality. The real world, not some hypothetical spook world, has enough unsolved problems to contend with, and these are our main concern. Of these mountains of problems facing the real world today, not the least of our concerns is the survival, expansion and advancement of our own precious race, the White Race. **To us Creators our White gene pool is our most precious treasure of all, a treasure that is irreplaceable, and must be guarded from depletion and contamination at all costs.** And herein lies the fundamental departure of our values from those artificial and hypothetical values espoused by Christianity. Whereas Christianity worships some mythical Jewish bastard whom they have dubbed Jesus Christ and who supposedly teaches them to hate and destroy their own kind, we Creators say just the opposite. **We say to hell with our enemies, to hell with the Jews and the niggers. Instead let us revere, respect and defend our own kind -- Nature's Finest, and base our beliefs and knowledge on the Eternal Laws of Nature, the source and bedrock of all knowledge and wisdom. In our book, a race traitor is the most despicable and repugnant of all vermin, a mutant cretin in Nature's realm, to be despised and expunged from our society.**

As can be clearly seen, the gulf between our values and those traditionally held by Christians is as wide as the Grand Canyon, and these differences remain forever irreconcilable.

The racial conflagration is heating up daily all over the world, and nowhere more rapidly than right here in the United States. **Either the White Race will shortly mobilize and rally its immense, but dwindling resources for its own best interests, or it will suffer the dismal fate as did the White colonizers of San Domingo some 200 years earlier.** Mayhem, mass murder, and finally, total extinction will be the price paid for not guarding our precious gene pool.

MOBILIZE THE WHITE RACE!

Oath of Loyalty of the Reverend of the COTC:

I hereby swear my undying LOYALTY to the WHITE RACE and to the CHURCH OF THE CREATOR; that I am a true member of the WHITE RACE and will faithfully practice RACIAL LOYALTY; that at all times I will practice the GOLDEN RULE; namely, to promote the best interests of the WHITE RACE; that I have read the books, NATURE'S ETERNAL RELIGION, THE WHITE MAN'S BIBLE and SALUBRIOUS LIVING, which I consider the Bibles of WHITE RACE; that I support wholeheartedly the religious creed contained therein; that I make this creed my own, will support it, defend it and disseminate it fervently as long as I live. This I swear by the sacred blood of my great and distinguished WHITE RACE.

Guided by the above considerations and stipulations, I hereby apply for the calling of the Ministry of the CHURCH OF THE CREATOR, as Pastor, in order that I may spread the word more effectively and make my utmost contribution to my race. This I pledge to do without reservation.

-- Dear White Men and Women, we Creators invite all of you to join our Movement as Members and eventually as Reverends. Please write to the COTC HQ and ask for our Membership and Reverendship application forms. **Join the COTC, today!**

In answer to the question asked earlier, has Christianity been beneficial or detrimental to the White Race, we furthermore come to the **studied and unequivocal conclusion that Christianity has been, and still is, an unmitigated disaster of unparalleled magnitude.**

Therein lies our true **REVOLUTION OF VALUES. Our race is our religion and we look to the Eternal Laws of Nature, not some mythical spooks, for our guidance.** We furthermore state that unless we destroy and replace Jewish Christianity with a sane, realistic set of values, such as we espouse in Creativity, the White Race is doomed to extinction and mankind as such will revert and sink back to its lowest levels of savagery such as can be viewed in the untamed jungles of Africa and New Guinea. We Creators are determined that such must never happen. Instead we intend to go forward triumphantly on the chariots of a creative and constructive religion to build a Whiter and Brighter World for the future children of Nature's Finest. **RAHOWA!**

**To White Victory through
the Revolution of Values!**

-- There is nothing secret about the program of the Church of the Creator. We mean for the White Race to survive at any and all costs. Anyone who is against the survival of the White Race is our avowed enemy without any further equivocation.

Every Creator a Reverend

(Continued from Page 3)

treacherous facade that is being used against us, and to fuel our own engines to steamroller the Jews and other mud races out of our culture.

In CREATIVITY we have a legitimate, powerful religion that has every right, privilege and protection as spelled out under civil and religious guarantees of the First Amendment of the U.S. Constitution. We CREATORS DO NOT ASK the Jewish establishment whether we, too, can exercise those rights the same as any Jew or nigger. We do not stand there, hat in hand, begging. **WE DEMAND that we have those rights unquestionably, and woe betide any Jew, nigger or race traitor who would stand in our way and fain deny us our legal rights and equal protection under the law of the land.**

So let us proceed and exercise our muscle and our constitutionally guaranteed rights. Let us too have ordained Ministers and Reverends to spearhead our noble and sacred Cause.

This is nothing new in our movement. We have been ordaining Ministers of the Church of the Creator for over ten years, and presenting qualified members with Ministerial Certificates. The Mormons throughout their history have instituted the practice of obligating every member to become a lay missionary. What we now want to do is to step up our campaign and have every valid member of the Church of the Creator apply for and, if qualified, receive a Ministerial Certificate, and become an Ordained Minister.

What are the advantages of doing so? Well, there are many and I want to briefly recapitulate them here:

1. The **prestige and recognition** that automatically go with the title are a most valuable asset that has long been recognized by the Christians, Jews and niggers. We, too, can capitalize on it.

2. The **legal protection under the First Amendment** is much more pervasive for a religious group, front, organization, or whatever, than say a political group (like the Nazis) or a fraternal organization, a "charitable organization" (always suspect of fraud) or a civic organization, or any other. Whereas, the media or any political hack will eagerly kick a Nazi around like some dog, they will differentially treat with kid gloves any "Reverend" who heads up a religious organization. Why? Because to attack him possibly opens up the same charges against all other "religious" organizations and could bring the wrath of the religious "establishment" down on their heads.

3. It lays the basis for the **legitimate claim of exemption from the tyrannical and voracious Jewish tax collectors.** It is no guarantee, but it is a strong claim that we can and must defend. If the Jewish synagogues get tax exemptions, why shouldn't we? If the nigger's "religious" establishments get tax exemptions, why shouldn't we? If the Catholic Church, which is headquartered in a foreign country, gets tax exemptions, why shouldn't we? The answer is: there is no reason in the world why we shouldn't and we must demand and defend our religious and civil rights guaranteed under the First Amendment (also, the Fourteenth -- "Equal Protection under the Law" clause).

4. Since most religious groups in this country (and around the world) are based on a most transparent hoax (the spooks-in-the-sky swindle), but nevertheless wield a lot of political and moral clout, the Jewish establishment (i.e., the government) is most skittish about arguing the issue in the courts, since it can and will bring out so many obvious flaws, swindles, hoaxes and contradictions that it might bring down the whole odious house of cards. We CREATORS must realize this, and that is our trump card -- we are probably the only legitimate religion on the world scene whose beliefs, creed and philosophy is based on truth and reality. All others, be they Christianity, Judaic, Mormon or Moslem, are totally based on a collection of hocus-pocus. Their basis is built on the flotsam of far-out superstitions, on myths, hearsay and lies that won't stand the light of day. They cannot either substantiate or justify their supernatural claims and swindles. Ours is based on fact, on the Eternal Laws of Nature, ON REALITY, on the truth. You can't beat that -- but nevertheless, we are forced to, and we must defend it at all costs.

(Continued on Page 11)

Jews against White Men

Whatever else emerges about the 1990s, it seems a safe bet that it won't be seen as a golden era for the white middle-class male. Not in this country. Not on the terms he's used to. Like so many other ultimately maladapted creatures that once roamed the planet, his time seems to be passing, his ability to change quickly enough in danger. Most of society will say good riddance.

To put it mildly, these men have not, over the years, built up vast reservoirs of goodwill. Almost every woman has her own horror stories about men in the workplace—the bellowers, the grabbers, the tin soldiers, the patronizers. And then there are the insensitive men who don't care about anyone's personal life, including their own, the belligerent men who resolve problems by desk-pounding, the closed-up men who never say what they feel. In fact, most men could add their own complaints to the woe-filled litany: the playground bullies; the cigar-chomping bosses; the backslapping, locker-room style most men use when communicating with one another.

For generations, white middle-class men defined themselves by their careers, believing that loyalty to employers would be rewarded by job security and, therefore, the ability to provide for their families. But the past decade—marked by an epidemic of takeovers, mergers, downsizings and

consolidations—has shattered that illusion. Recent studies show that millions of male middle managers, once the mainstay of the workplace, have been fired, laid off, early-retired or squeezed out of their jobs.

Meanwhile, the proportion of women in the work force has soared to a record 58 percent; they, with minorities, are moving up and are clamoring for more authority in business as well as politics. Even with still-daunting inequities in pay and status, the eventual ascent of women and people of color seems as inevitable as it is overdue. Almost everywhere, men are being asked or forced to make room for a newly pluralistic society. "The editor said," a would-be reporter told me in shock last month, "that the newspaper isn't even interviewing white males for job openings anymore."

White heterosexual men are perhaps the only large body of people in the country who don't see themselves as part of a sexual, ethnic or racial movement. As reported in *Time*, one in four Americans now defines him or herself as Hispanic or nonwhite; by 2056, whites will, for the first time in the country's history, be a minority. And since a majority

of whites are women, many of whom see themselves as a political entity, white males will become even more isolated—a minority of a minority. Having ruled for generations, they are beginning to experience the anxieties, frustrations and pain of those struggling to succeed them.

To get attention or relief, long-suffering minorities began to figure out the media in the Sixties. It was necessary to organize, sue, picket, march and scream. Women did. Blacks and Hispanics did. Asians are beginning to. Newspapers and networks that had trouble focusing on individuals had less difficulty reacting to lobbies. These groups learned what lobbyists had long known—that small, organized constituencies can exert political power well beyond their numbers.

The notion of a men's caucus in Congress or a males' association on campus seems ludicrous. They are Congress; they run colleges. Reluctant to see themselves as part of any movement or in need of one, resented by the groups they have dominated for so long, they have none of the sense of mission, common goals or support systems that mark the women's

(continued) movement or other minority struggles. But men are going to need help adjusting to changes in the workplace and the polling place—if not, in fact, in the whole racial and sexual structure of the country. They'll need help meeting the new expectations of them as partners rather than bosses; in the home, as nurturers rather than authority figures. Two-career couples have made the imperious male impractical as well as insufferable. No more patting the kids' heads and asking them to tell Daddy how school was. Daddy can ask when to pick them up.

There are awkward consciousness-raising men's groups sprouting here and there, fringe groups that employ diagnostic tools such as chanting and storytelling—which would send many of the men who most need help vaulting for the door. And there is a counterpart to the touchy-feely form of reform. The *New Republic* suggested recently that a movement is taking shape in the same way special-interest minority curricula swept campuses in the Seventies—in this case, it's Men's Studies. Last year, more than one hundred scholars attended the first annual Men's Studies Conference. The magazine reported that "male feminists are trying to mold men into more benign beings." It's ironic: The male image is so abysmal that men will form the first minority group whose advocates seek to reform themselves rather than society.

As academics pile up studies designed to help men become mellow, it's hard to find much research on those whose lives and careers were shattered during the takeover-and-layoff epidemic of the Reagan era. There are no data on how they can't adjust, on how many turn to alcohol or drugs for relief or (as in the case of a former colleague of mine) don't come out of their houses at all. Almost everyone, male and female, has horror stories to tell about fathers, brothers, husbands or cousins

who found themselves suddenly out of work and unable to cope. What most characterizes these men is their silence.

An unemployed Connecticut communications executive recently put up a notice on his church bulletin board inviting other unemployed congregation members to a meeting. The executive didn't know of another member who was out of work; he expected one or two people to show up. He was stunned when thirty men, most of whom he saw and spoke with frequently, appeared. Before the meeting was over, many were in tears, despairing over humiliating months of looking for work, terrified about their futures.

The plight of this growing group is worsened by the fact that there are plenty of other victims who vie for attention. Virtually none of their politically active challengers—blacks, women, Hispanics—feel they've achieved a just position in the workplace (and for good reason: practically none of them have). In an era of millions of homeless, of a ravaging drug epidemic, of AIDS, how much claim to sympathy can white middle-class men make? My hunch is that hearts are not breaking. "Aw," says a woman lawyer friend. "I'm just weeping for them—about as much as they did for women all those years."

But here and there, in secret, tentative ways, some men are beginning to learn and link up. In a suburb, fathers finding themselves suddenly at home meet for breakfast once a week to talk about raising kids. The church group for out-of-work men has spread across the state, encompassing a dozen congregations. The executive who started it told me it isn't so bad, this support stuff. "It's a little like what women do," he said.

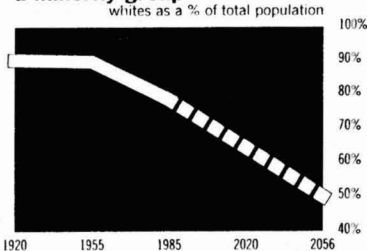

"That's nice," I told him. "Start printing up some stationery." □

Jewish conspiracy to niggerize White America

In the 21st century—and that's not far off—racial and ethnic groups in the U.S. will outnumber whites for the first time. The "browning of America" will alter everything in society, from politics and education to industry, values and culture

By 2056, whites may be a minority group

Someday soon, surely much sooner than most people who filled out their Census forms last week realize, white Americans will become a minority group. Long before that day arrives, the presumption that the "typical" U.S. citizen is someone who traces his or her descent in a direct line to Europe will be part of the past. By the time these elementary students at Brentwood Science Magnet School in Brentwood, Calif., reach middle life, their diverse ethnic experience in the classroom will be echoed in neighborhoods and workplaces throughout the U.S.

Already 1 American in 4 defines himself or herself as Hispanic or nonwhite. If current trends in immigration and birth rates persist, the Hispanic population will have further increased an estimated 21%, the Asian presence about 22%, blacks almost 12% and whites a little more than 2% when the 20th century ends. By 2020, a date no further into the future than John F. Kennedy's election is in the past, the number of U.S. residents who are Hispanic or nonwhite will have more than doubled, to nearly 115 million, while the white population will not be increasing at all. By 2056, when someone born today will be 66 years old, the "average" U.S. resident, as defined by Census statistics, will trace his or her descent to Africa, Asia, the Hispanic world, the Pacific Islands, Arabia—almost anywhere but white Europe.

While there may remain towns or outposts where even a black family will be something of an oddity, where English and Irish and German surnames will predominate, where a traditional (some will wistfully say "real") America will still be seen on almost every street corner, they will be only the vestiges of an earlier nation. The former majority will learn, as a normal part of everyday life, the meaning of the Latin slogan engraved on U.S. coins—E PLURIBUS UNUM, one formed from many.

Among the younger populations that go to school and provide new entrants to the work force, the change will happen sooner. In some places an America beyond the melting pot has already arrived. In New York State some 40% of elementary- and secondary-school children belong to an ethnic minority. Within a decade, the proportion is expected to approach 50%. In California white pupils are already a minority. Hispanics (who, regardless of their complexion, generally distinguish themselves from both blacks and whites) account for 31.4% of public school enrollment, blacks add 8.9%, and Asians and others amount to 11%—for a nonwhite total of 51.3%. This finding is not only a reflection of white flight from desegregated public schools. Whites of all ages account for just 58% of California's population. In San Jose bearers of the Vietnamese surname Nguyen outnumber the Joneses in the telephone directory 14 columns to eight.

Nor is the change confined to the coasts. Some 12,000 Hmong refugees from

Laos have settled in St. Paul. At some Atlanta low-rent apartment complexes that used to be virtually all black, social workers today need to speak Spanish. At the Sesame Hut restaurant in Houston, a Korean immigrant owner trains Hispanic immigrant workers to prepare Chinese-style food for a largely black clientele. The Detroit area has 200,000 people of Middle Eastern descent; some 1,500 small grocery and convenience stores in the vicinity are owned by a whole subculture of Chaldean Christians with roots in Iraq. "Once America was a microcosm of European nationalities," says Molefi Asante, chairman of the department of African-American studies at Temple University in Philadelphia. "Today America is a microcosm of the world."

Says Bender: "The real question is whether or not our notion of diversity can successfully negotiate the color line."

For whites, especially those who trace their ancestry back to the early years of the Republic, the American heritage is a source of pride. For people of color, it is more likely to evoke anger and sometimes shame. The place where hope is shared is in the future. Demographer Ben Wattenberg, formerly perceived as a resister to social change, says, "There's a nice chance that the American myth in the 1990s and beyond is going to ratchet another step toward this idea that we are the universal nation. That rings the bell of manifest destiny. We're a people with a mission and a sense of purpose, and we believe we have something to offer the world."

Not every erstwhile alarmist can bring himself to such optimism. Says Norman Podhoretz, editor of *Commentary*: "A lot of people are trying to undermine the foundations of the American experience and are pushing toward a more Balkanized society. I think that would be a disaster, not only because it would destroy a precious social inheritance but also because it would lead to enormous unrest, even violence."

While know-nothingism is generally confined to the more dismal corners of the American psyche, it seems all too predictable that during the next decades many more mainstream white Americans will begin to speak openly about the nation they feel they are losing. There are not, after all, many nonwhite faces depicted in Norman Rockwell's paintings. White Americans are accustomed to thinking of themselves as the very picture of their nation. Inspiring as it may be to the rest of the world, significant as it may be to the U.S. role in global politics, world trade and the pursuit of peace, becoming a conspicuously multiracial society is bound to be a somewhat bumpy experience for many ordinary citizens. For older Americans, raised in a world where the numbers of whites were greater and the visibility of nonwhites was carefully restrained, the new world will seem ever stranger. But as the children at Brentwood Science Magnet School, and their counterparts in classrooms across the nation, are coming to realize, the new world is here. It is now. And it is irreversibly the America to come. TIME/APRIL 9, 1990

Every Creator a Reverend

(Continued from Page 8)

All right, we now realize the advantages of a religious movement, especially ours. We realize the advantages of being an Ordained Minister of the Church and having the title of Reverend. So, why not utilize this advantage for every good, upstanding member of the Church of the Creator?

Why not, indeed? Why don't you become an Ordained Minister of the Church of the Creator? Why not utilize your best talents for the promotion of our sacred goal -- the survival, expansion and advancement of the White Race?

So how do you go about becoming an Ordained Minister of our Church? Here are the steps:

1. First, become a member of our Church. If you are not now a member, you can become one by applying by letter and donating \$25.00 to The Church. In return you will receive:

(a) A Membership Certificate and a wallet-sized Membership Card.

(b) A 12 month's subscription to our periodical, RACIAL LOYALTY.

2. Next, after having thoroughly studied our creed and program as set forth in our Three Sacred Books of Creativity, write us for an application form to become ordained.

3. Upon submission of your application along with a passport-sized photograph of yourself, your credentials will then be reviewed.

4. If you are deemed to be a legitimate White Man or Woman over the age of 16, and have convinced us that you are dedicated to the noble cause of the White Race, you will be awarded a Certificate of Minister, with all the ensuing credentials for becoming an inspirational leader in your area. This will have the further advantage of giving you the prestige and credentials to form a Church group of your own as set in our guidelines. Why not avail yourself of these advantages? Act Now!

Creativity is the one and only, true and revolutionary Racial Religion of the White People.

Phrases and Words of Wisdom of the Classical Latin,

the great language of the ancient White Romans, which was the universal language of all educated Europeans until the Jew-orchestrated "French revolution" of 1789 divided Europe into a polyglot of language-based "nations". In order to survive and prosper, the White Race must put Racial Loyalty above National Loyalty, and unite in a worldwide White Racial Community with one White Racial Religion (Creativity) and with one White Racial Language (Latin). RAHOWA!

*Salve!

(Sahlweh.)

Hail! -- a Roman greeting which was usually said with a raised and extended right hand, open-palm (symbolizing "trust and loyalty among comrades"). This form of Roman greeting was later copied by the Nazis, but it more rightfully belongs to us, White Racial Loyalists -- Creators.

*Silent leges enim inter arma.

(Sihlent laygays ehnim ihntehr ahmah.)

Laws are silent in the midst of war.

*Si vis pacem para bellum!

(See wees pahkehnh pahrah belluum.)

If you want peace, prepare for war!

*Ignis aurum probat, miseria fortes viros.

(Ih-gnis owruum prawbaht, mihschreeah fawrtays wih-ros).

Fire tests gold, adversity tests strong men.

*Fortuna favet fortibus.

(Fawrtoonah fah-wet fawr-tih-buus.)

Fortune favors the brave.

Nietzsche: A Prelude to Creativity

by Rev. Victor Wolf

While maintaining the undisputed supremacy of the Sacred Books of Creativity, we Creators do acknowledge and appreciate the important contributions to the advancement of White Thought made by Nietzsche, as well as Gobineau, Darwin and other geniuses of the White Race.

Nietzsche is a good introduction to Creativity, especially as far as the question of Christianity is concerned. Nietzsche is in complete agreement with Klassen that the Jew-spawned suicidal and idiotic creed of Christianity must be exposed and eliminated on the road to the White Superman.

Nietzsche has been considered a nihilist by many for criticizing the "old" faith and morality, but at the same time not being able to come up with a clear-cut "new" faith and morality. Thanks to the great genius of Klassen, we Creators have overcome that problem. In Creativity we not only criticize the "old" faith, morality and values, but come up with complete, comprehensive, concise, consistent, clear, conclusive, profound, unique, logical, meaningful and inspiring new FAITH, MORALITY AND VALUES. Therefore, those White people who like Nietzsche are bound to love Klassen!

IMAGINARY CAUSES

(from Nietzsche's "Anti-Christ")

In Christianity neither morality nor religion come into contact with reality at any point. Nothing but imaginary causes ("God", "devil", "angels", "soul", "spirit"), and nothing but imaginary effects ("sin", "redemption", "grace", "punishment", "forgiveness of sins").

A CHRISTIAN IS A JEW

(from Nietzsche's "Anti-Christ")

In Christianity, as the art of holy lying, the whole of Judaism, a technique of lying pursued with the utmost seriousness for hundreds of years, attains its ultimate perfection. The Christian, that ultimate product of the lie, is the Jew once more, even three times more.

SEDUCTION BY "MORALITY"

(from Nietzsche's "Anti-Christ")

Read the Gospels as books of seduction by means of morality: these petty people have monopolized morality for themselves -- they know what use it can be put to! With morality it is easiest to lead mankind by the nose!

CHRISTIAN MEGALOMANIA

(from Nietzsche's "Anti-Christ")

Christianity is the most disastrous kind of megalomania that has yet existed on earth: lousy miscarriages of prigs and liars began to claim for themselves the concepts of "God", "truth", "light", "spirit", "love", "wisdom", "life" as if these were synonyms of themselves in order to define themselves against "the world". Lousy little men, ripe for every kind of madhouse, turned all values around to suit themselves, as if "the Christian" alone were the meaning, the salt, the measure and also the ultimate tribunal of all the rest.

The whole calamity (known as Christianity) was possible only because there was already in the world a related, racially related, megalomania -- the Jewish megalomania (known as Judaism). The Christian is nothing but a Jew of "more liberal" confession.

CHRISTIAN "EQUAL RIGHTS"

(from Nietzsche's "Anti-Christ")

The Christian is a rebel in his lowest instincts against everything privileged: he always lives and struggles for "equal rights". More closely considered, he has no choice. Because if one believes that "we are all equal in the eyes of the Lord", then any other principle of selection, such as integrity, intellect, manliness, pride, beauty and freedom of the heart, is simply "world" -- evil as such.

GOD IS DEAD

(from Nietzsche's "Joyful Wisdom")

After Buddha was dead, his shadow was still shown for centuries in a cave -- a tremendous, gruesome shadow.

God is dead; but given the frailties of men, there may still be some caves for thousands of years in which his gruesome shadow will be shown. And we -- we still have to vanquish his shadow, too.

Steps towards Salvation of the White Race

1. First of all, we must go back to the fundamentals of Nature, which is the heart of our religion -- CREATIVITY.
2. We must realize first and foremost that the survival of our own race -- the White Race -- supersedes any and all other goals in importance. We must look at all issues through the eyes of the White Race and the White Race alone.
3. We must realize that we are not here to help others, least of all the scum of the earth, but to help ourselves.
4. We must realize that only by hard struggle on our own behalf can we survive and build a better race.
5. We must realize that only by building a better race can we ever build a better world. The two goals merge together.
6. We must clearly recognize our racial enemies -- Jews, niggers and muds -- and treat them as such.
7. We must realize that such words as "help", "charity", "compassion", "humanitarianism", "aid to the needy", etc., are Jewish catchwords designed (a) to fleece the White Man, and (b) transfer the White Man's hard-earned substance to the niggers, the mud races and the free-loaders, and (c) thereby destroy the White Race.
8. We must realize that most of today's charity is promoted and channelled by the Jews and goes to the benefit of Jews, niggers and mud races.
9. We must realize that unselective and indiscriminate charity is not a virtue but a racial sin which is extremely destructive to the White Race.
10. We must never participate in any charity that benefits our enemies.
11. We must aim our aid, charity, contributions to benefit the White Race as whole and be careful that even among our own kind we are not aiding and abetting those that could and should help themselves.
12. We must realize that by subsidizing those that are capable of helping themselves we are encouraging them to become free-loaders, we are thereby not really helping them but undermining their ability to become independent, useful member of our White Society.
13. We can render the most useful aid by teaching our White Racial Comrades how to best help themselves and fend for themselves. This applies especially to our own offspring.
14. We must realize that encouraging parasites at the expense of the productive group rapidly expands the parasites out of control and destroys the producers. This unfortunately is the course we are now pursuing and it obviously leads to the collapse of race, economy and civilization.
15. The thrust of our endeavors must, therefore, be just the opposite: encourage and increase the productive base and discourage, decrease and cull out the incapable, the useless and the free-loaders. Only by so doing can we build a stronger, more capable race and a better world of tomorrow.
