Triage

*If we are to survive in a world gone stark, raving mad,
we must sort out our priorities and put them in proper order.*

by Ben Klassen, P.M.

The word *triage* is of French origin and derives from the word "trier", meaning to sift, to sort out. It came into prominence during the Franco-Prussian War of 1870-71 when battle casualties were tremendous and the French army medics were hard put in their limited efforts and resources to try to save what they could of the overwhelming number of wounded and dying on the battlefield. **Since it was completely impossible to save all the wounded, rather than pursue an ineffective response of flailing out in a chaotic manner of confused desperation, they had to make some hard decisions.** For one thing, they had to decide on whom they could still save, and whom it would be an exercise in futility and a waste of their precious time and resources to try to save. The hopeless and impossible cases were left to die.

It was not a novel situation. Although the word triage is probably not generally known, the same situation has occurred in a countless number of occasions throughout history. Anyone who has read "Gone With the Wind" or seen the

movie, will undoubtedly remember the terrible scenes that resulted from the Battle of Atlanta during the Civil War. One such scene depicts thousands of wounded and dying soldiers lying at random on the railroad yards and tracks of the Atlanta station. An exhausted medical physician by the name of Dr. Meade and a few assistants were up to their elbows in blood and stench trying to save those whom they could, and leaving large numbers of others, who were more or less hopeless, to their fate. **They, too, had to make decisions -- whom could they perhaps save, who were beyond help, and, in short, how could they best utilize their limited resources to save those they could.** These doctors, too, were following the principles of triage. They, too, were forced to make hard and ruthless decisions of sorting out the possible from the pointless and do the best they could with what they had. They had to make up their minds as to what their priorities were.

Let me illustrate one more example. When the then super ocean liner *Titanic* struck an iceberg in the North Atlantic on April 14, 1912, its sinking caused the loss of 1,517 lives, according to a Funk & Wagnalls Encyclopedia. Because of indiscretion and unpreparedness, when the disaster was upon them, the crew (and some of the passengers), too, had to make some **hard and ruthless decisions**, and they had to make these decisions in a matter of less than 2 hours and 40 minutes before the ship sank. They knew there were not enough lifeboats to save all the people aboard. So the decision that had to be made in rapid order was: **whom should they allow into the lifeboats, and whom should they leave to drown with the sinking ship?** They had to make some quick decisions of principle and then on the basis of these principles sort out the people they would save and those they would not save. It seems the consensus of those decisions, whoever made them, was to "save the women and children first". They, too, had to establish their priorities, and they did -- a priority that set a precedent at sea for decades to come. Whether or not this was the only criteria, or even the best criteria for sorting out those who should live and those who were left to drown, can be debated endlessly. The fact of history is that 1,517 were left to drown. Of this number there were

"WHEN IT COMES TO SURVIVAL, NO JEWS, NIGGERS OR MUD PEOPLE IN MY LIFE - BOAT. OUT YOU GO NIGGER."

Another Victim of the Black/Mud/Jew Criminal Terror Against Whites

Karen Lynn Knupp, 21, a beautiful young White woman from Flat Rock, North Carolina, has been attacked, beaten, robbed and killed by a savage nigger beast in New Orleans, Louisiana, on July 30, 1990.

Karen, a Tulane University honor student, was attacked and shot in the head about 6:20 a.m. three blocks from her off-campus apartment as she was walking to the bus on her way to a summer job with a downtown law firm.

Neighbors said they heard a scream, then a gunshot. A witness said he saw a stocky, dark-skinned black man of about 20 shooting Karen in the head, then repeatedly kicking the dying woman's body and rummaging through her belongings.

A neighbor told reporters: "I called the police, but the criminal escaped before the police showed up. I ran outside, picked up her warm, limp hand and had to tell her she was going to be OK. Her pulse was fast and she gasped for air every 10 seconds or so."

Karen died on the sidewalk before the police arrived, and the nigger criminal is still at large.

White Men, how many more White women will have to die before the nigger animals will be rounded up and shipped back to the African jungles?

Triage for White Survival

(Continued from Page 1)

832 passengers, mostly men, and 685 of the crew, also mostly men. But 706 were saved, mostly women and children.

There were many instances of heroics, of self-sacrifice and bravery. There were also a number of instances of cowardliness, selfishness and meanness, but they were in small minority. The fact that the captain went down with the ship and 685 members of the crew along with him speaks for itself. Also their courage to make hard and ruthless decisions to establish their priorities speaks for itself. Had they dallied for more than 2 hours and 40 minutes and taken no action, undoubtedly all of the passengers, men, women and children, captain and crew, all would have gone down with the Titanic.

Webster's Third New International (1961) Dictionary defines *triage* as "the sorting out and first-aid treatment of battle casualties in collecting stations at the front before their evacuation to hospitals in the rear". Evidently its consideration is mainly concerned with battle casualties, but the same principle applies to any major or minor disaster, whether connected with open warfare or not, and that principle is this: **In case of disaster, if you cannot save them all, priorities have to be established and hard decisions made as to who can be saved that is worth saving.**

* * * * *

Using the above principles as OUR guideline, let us now take a hard and ruthless look at a major disaster that is shaping up in the world today, a disaster of such magnitude that it would eclipse a million Titanics. In so doing let us make one important distinction between the word "ruthless" and the word "cruel".

Nature may be ruthless in culling out the weak, the meek, the misfits and the degenerate. This does not mean that Nature is cruel. On the contrary, in making sure that the strongest, the healthiest, the most competent and the best survive to procreate and bring in the next generation of a species, Nature is carrying on its benevolent program of building a better species and a more orderly world. Were Nature to promulgate the reverse principle, i.e. "the meek shall inherit the earth", as per the Jewish bible, the world would soon be populated by a sick, crippled, degenerate horde of miserable misfits and panhandlers, be they birds, animals or people.

In short, Nature has established priorities and is ruthless in carrying out its program of culling out the misfits. This may be ruthless, but it is not cruel. In its final analysis, it is a highly beneficent, creative and constructive program, a program which Nature in its infinite wisdom has pursued form time immemorial.

* * * * *

Having established our concept of triage, let us now take a look at our Planet Earth as it now exists in the light of the emerging 21st century, and especially as it portends to the future of our own species, the White Race. While we are taking a cold, hard look at this crucial phenomenon, let us also keep in mind that we have now been forced into a situation where **it is imperative that we establish our top priorities, whom we want to save and whom we can save.**

When we look at the world today in the last decade of the 20th century, we find it to be one horrible mess, a basket case, a total disaster of a magnitude that never before has faced mankind. Whereas for hundreds of thousands of years mankind has been slowly advancing along a bumpy road, it has, nevertheless, spasmodically

WHERE THE WHITE RACE MIGHT BE HEADED, IF WE DON'T FIGHT BACK NOW!!

advanced to ever higher levels of intelligence and creativity - groping ever upwards in a spiral of a constructive civilization. **The main and only significant species in this miraculous advancement has been Nature's Finest creation, the White Race.**

This upward and forward momentum was seriously jolted, in fact reversed, when the Jews introduced a virulent disease of the brain -- Christianity -- on the mentality of the then great Roman civilization of 2,000 years ago. After a slow and painful recovery the White Civilization was further torpedoed and set back by World War I when the Jewish conspiracy inveigled the nations of the White Race in a suicidal and fratricidal war of global dimensions, with White Men viciously and cruelly decimating millions of their own White brothers for the most asinine of reasons and pretexts. The White Race had hardly recovered from this catastrophic disaster when Jewish money power inveigled the White Race into the Second World War, even more devastating and destructive than the first. Speaking of cruelty, no incident in history has been more unjustified, stupid, asinine and cruel than was Jew-instigated World War II. In an insane rampage White Men were killing White Men on an unprecedented scale, by using the most effective of modern technological weapons invented by the White Man himself.

When the Jewish-led coalition of White nations defeated Nazi Germany in 1945, it was the greatest victory the Jewish conspiracy had ever won, and one which they lost no time in capitalizing upon. It was a disaster of infinite magnitude for all of the White Race, including the so-called victor nations. However, it was by no means final, and we Creators want to make sure that Jewish atrocity will be avenged and reversed.

* * * * *

Since 1945 the White Race has ignominiously and repeatedly retreated before the Jewish-led conspiracy of expanding the mud races and shrinking the White Race. If we take an honest look at the world in this last decade of the 20th century, it is appalling. It is, in fact, a world that has gone stark, raving mad, the White nations included along with the mud and nigger "republics". If we look at the news any given week, we find the following catastrophes in process:

***Item: SAUDI ARABIA.** The United States has 240,000 troops in place on the dry, hot sands of the Saudi Arabian desert and chabez-goy Bush is sending in 200,000 more. Hauled over onto the same desert sands are thousands of motor vehicles, tanks, mortars,

military planes of all kinds, electronic equipment and thousands of other costly items, all at great expense to the White American taxpayer. The American troops wonder what the hell they are over there for in that hot godforsaken hellhole. The American people back home have the same question, a question that has never been satisfactorily answered by our Jew-manipulated president. However, the answer is not too difficult to unravel, if we read between the lines. **Our boys are over there to defend and die for Israel, our most treacherous enemy.** Three months after the initial troop movement, our chabez-goy president ordered another 200,000 troops to suffer on the hot miserable sands of the Saudi desert.

***Item: NEW DELHI.** India has a population of 882 million miserable, hungry people. Of this number 12% are Muslim, and 82% are Hindu. Both factions are extremely hostile to each other and are involved in frequent bloody clashes. Early in November riots exploded around a run-down little mosque in Ayodhya. The issue revolves around the efforts of Hindu fundamentalists to build a temple at the place where they believe the god Rama was born, but it so happens that the Muslim mosque already sits on this spot. In the riots that ensued more than 305 people were killed, countless injured.

***Item: ISLAMABAD.** In 1947 Pakistan broke away from India so that it could be "free" to have its own Muslim state. Pakistan now has a population of 110 million miserable, poverty-ridden people. After 43 years of "independence" its religious factions are still divided and battling over the issue as to whether Pakistan should be governed by religious Muslim law or should be governed as a "secular democracy". In the meantime, coups, assassinations, riots, chaos and poverty are rampant and the order of the day.

***Item: RUSSIA.** After 73 years of communism, the long suffering people in the Union of Soviet Republics find that the Jewish idea of communism has brought them nothing but poverty, slavery and empty promises. The Soviet Union is breaking up, the people are desperate, but after all these years of servitude, the people do not know what to do about their dilemma. Hopelessness, confusion, hunger and poverty abound, and political, economic and social chaos runs rampant. Each Soviet republic and province wants independence from the central government, proclaiming local nationalism. But the sorry state of affairs is that even when and if they achieve "independence", they have no idea as to how to put their economy together and feed themselves.

***Item: TBILISI, USSR.** In Soviet Georgia, the Jews are fleeing out of this republic in droves, although it was one of their more peaceful habitats in Russia. In most of Russia, the Jews are now being targeted as being the culprits that brought the long-lasting devastation of communism to the people of this huge conglomerate of diverse nationalities, peoples and cultures. Now they are fleeing, afraid that the day of reckoning nears. Where are the Jews going? First to Israel perhaps, but then to the United States, or to the United States directly.

The list of problems and conflicts goes on.

***Item: PARIS.** U.N. conferees finalize plan to end Cambodian War. Fat chance.

***Item: JERUSALEM.** Gunman crosses Israeli border, kills 4 Jews, injures 23. Chalk up one for our side.

***Item: DHARAN.** Iraqi official reported shot by Kuwaitis.

***Item: AMRITSAR, INDIA.** Sikh gunmen kill 20 in India, police say.

***Item: JERUSALEM.** 2 die as Arab youth attacks Israeli bus.

***Item: N'DJAMENA, CHAD.** Rebel leader enters the capital of Chad.

***Item: MAJOR CITIES, USA.** Nigger criminals are terrorizing the streets with random attacks, robberies and shootings.

Pro-Jewish War in the Middle East costly prelude to a long, ugly occupation

by Gordon Ipock

There is only one real reason for the massing of the U.S. troops in Saudi Arabia: the treacherous JOG is preparing to fight Israeli wars with American soldiers. The Jew-manipulated American shabez goys are preparing to launch a major offensive war, to blow up the Middle East in order to make it safe for Jews, just like they blew up Europe 45 years ago to make it safe for Jews.

What other reason can there be? Iraq wants to sell us all the oil we need, and besides - we can make synthetic oil from coal for \$30 a barrel. And who can buy "morality" excuses that are being spouted by the despicable Jew-manipulated race traitor George "Read-My-Lips" Bush-whacker? To stop aggression? What hypocrisy! To restore the fat emir of Kuwait? A feudal despot himself!

It is a sad end America has come to: being the economic milk cow and dumb muscle for Israel and world Jewry.

I don't think anyone - including Saddam Hussein - doubts that the United States has the power to destroy Iraq, that if war comes the U.S. Armed Forces will triumph over the Iraqi Army. **What bothers me is that so many Americans are eager to prove this point on the battlefield - at a cost of probably 50,000 American lives!** These advocates of war treat it as though it were a Sunday football game, as though we will simply go kick a little Iraqi butt and then come home and watch the highlights on TV.

Anyone who thinks this way isn't thinking at all. Because after we fight the war, destroy the Iraqi Army, hang Saddam and his political lieutenants, we can't just pack up and leave. We didn't do that with Hitler's Germany. We put that country under joint military occupation for 45 years, outlawed the National Socialist Party and did our best to root Nazism out of the German people. Had we packed up and left after winning the war, the Nazi leaders would have been voted back into power, just as our confederate forefathers were voted back into government power in the South after losing their military struggle during the Civil War. The Republican Party in the North saw it made no sense to win the war and then walk away, so a long-term military occupation and reconstruction were imposed upon the defeated South.

Likewise, a lengthy occupation of Iraq has to follow the war. How long will it last? Five to 10 years like the Yankee Reconstruction of the South? Or perhaps 45 years like our occupation of Germany?

Any occupation will be ugly and costly. The killing will continue, just at a slower pace. It may resemble the present Israeli occupation of the West Bank and Gaza, except on a vastly larger scale. How many U.S. occupation troops will be knifed to death in the alleys of Bagdad by

vengeance-seeking fanatics, or shot by snipers? In time, will our occupation of Iraq come to resemble the Soviet Union's recent occupation of Afghanistan, with several hundred thousand U.S. troops garrisoned in the key cities to prop up a despised puppet government while Iraqi guerrilla units roam the countryside (perhaps supplied by Iran)? The Soviets descended to extreme levels of brutality in an effort to prop up their puppet regime in Kabul. After a decade, the cost in lives and rubles became too great, and they had to pull out. Are we so stupid as to believe that our occupation of Iraq will be different? That these Moslem people will want our idiotic (Jew-owned and nigger-infested) football, MTV, Michael Jackson and a massage parlor and liquor store on every street corner? That they will embrace our sick, Jew-worshipping "Western culture" any more than the Iranians did under our former puppet the Shah?

And has anyone considered how we will pay for such a massively destructive war and for the long occupation that will follow? It will run into the trillions of dollars eventually, money we just don't have. We will have to raise taxes through the roof to pay for it, or let the national debt explode beyond any possibility of control. Either option will wreck our national economy.

The Soviet Union went into neighboring Afghanistan 11 years ago a superpower, certain of easy victory. Today its economy and government are on the verge of collapse, partly because of that misadventure. Now here we go to the far side of the planet to attack a much more powerful nation than Afghanistan, and for no reason that is vital to our national interests, seemingly just to do some macho flag waving, to keep the incumbent politicians in office by diverting public attention from our many domestic problems, and to let our military try out their new generation of toys and justify their continued existence. **Actually, there is only one real reason for the massing of the U.S. troops in Saudi Arabia: the treacherous JOG is preparing to fight Israeli wars with American soldiers.**

We, the citizens of the United States of America, must come to our senses, stop and think while there is yet time, and then demand that our government bring our troops home. Let's start public demonstrations and shout:

**We won't go, go to hell,
We won't fight for Israel!**

No war for big oil or for Israel!

**Bring our troops home from the Gulf,
let the Jews fight their own wars!**

**Stop Jewish Conspiracy
to fight Israeli wars with
American soldiers!**

Divided Loyalties

by David Lane

ED. NOTE: David Lane is a P.O.W. in the JOG Gulag for his part in the Order and other pro-White activities. We agree with David Lane's basic conclusion, expressed in this article, that the White People cannot win with divided loyalties. We invite David Lane and all the other good White Men and Women to join us White Racial Loyalists - Creators and unite with us under one supreme loyalty -- RACIAL LOYALTY.

Most would probably agree that we have long been searching for a motivational concept that would overcome the system's propaganda, terror, blackmail, and other destructive powers.

The tactic employed by so-called "Right Wingers", over the last few decades, has been to cloak themselves in national and religious PATRIOTISM. There may be what appears to be benefits in this strategy, but always the bottom line test is success or failure. Obviously, this strategy has been TOTAL FAILURE, so it is time to examine not only reasons for failure, but what is necessary for future success.

Human nature being what it is, one can understand why the "Right Wing" traveled the road it did. The brutal truth is, they didn't have the courage to face either reality or the enemy. They knew that there was an attack on our racial existence, and many of them knew who was behind it. They also knew of the treachery from what they persist in calling "their" government, and from the judeo-christian establishment.

But, it was safer to attack enemies "over there". They were afraid of being called "racist". They were afraid of not conforming. Like the tale of the emperor who wore no clothes, they pretended to see only what was approved by the authorities and the masses. Many drew retirement checks or other benefits from the beast and so had dual loyalties. Others, particularly former military, did not want to see tarnish on their medals, or face the results of the actions of America's military. And, of course, a few were simply so filled with blind national and religious patriotism that they could see nothing of reality.

Young Swedish mother for Creativity

Dear Pontifex Maximus Ben Klassen and fellow Creators at the COTC World HQ:

Every word we receive from you makes us stronger and more dedicated to the Sacred Cause of Creativity. So please keep those letters, newspapers and books coming; believe me, we, as well as every other White Man and Woman, need them to be educated, inspired, dedicated and effective in our common struggle for White survival, expansion and advancement.

It is tough to be in the struggle: I am loosing my relatives now. We have never been hiding our pro-White racial views and ideals, but after the highly publicized trial some of my relatives couldn't understand how in the world my husband could state publicly that he was a proud pro-White racialist.

Tommy and I have been discussing the problems and negative criticism we encountered from some of our relatives and "friends". We are determined to re-educate our critics or discontinue associating with them, because we have to protect our child and family from hostile people. Let them stay in their polluted and rapidly darkening world, but we Creators are determined to build new world of our own -- a Whiter and Brighter World.

P.S. We are already saving money for our child's educational trip to the COTC HQ someday in the future!

The great pro-White ideas of Creativity are spreading throughout Sweden

Dear fellow White Racial Loyalists -- Creators:

Thank you very much for your letters and support to our struggle in Sweden!

I am glad to report that the great pro-White ideas of Creativity are spreading throughout Sweden. During the first weekend of December, I and a group of Swedish Creators attended the annual (and only) national pro-White gathering in Sweden. Besides Creators, there were about 200 other participants from various groups: NS, skins, patriots and populists. Escorted by 175 riot-equipped policemen, 14 horses and 12 aggressive dogs, we marched with torches through the streets singing the Swedish national anthem and shouting: "GO HOME NON-WHITES!" It was fun! Especially when the mud-race crowd and white trash tried to stop us with bottles, bricks and eggs! The whole thing cost the state half a million Swedish crowns (so at last we got something back from our taxes!), and the cops even arrested two men who were planning to use explosives and weapons against us.

The feast afterwards was a success from my point of view. We were all transported in buses by the police to a secret location, where yours truly had the opportunity to meet and talk with a number of pro-White activists from different populists parties and other sections of the movement (or rather what could be called a beginning of a White movement in Sweden) and many of them expressed a serious interest in our Creed and Program.

However, it was a disgrace to the White Race that some guys present at the feast became drunk, and it is also a shame that this whole project is organized by Swedish monarchists who still live in the 18th century... It is obvious that Creativity is the the answer to these (and many other) obstacles and problems on the path towards White victory in Sweden.

By the way, there are about 17,000 Jews in Sweden (they were not allowed to enter this land prior to the year 1775), but now two big Jewish families, the Wallenbergs and the Bonniers, control the majority of our cinemas, TV, newspapers, book publishing and the economy. So, yes, the Jewish problem is real and alive in this country. Therefore Sweden needs Creativity no less than America.

For a Whiter and Brighter World! RAHOWA!

Australian P.O.W. for Creativity

Dear COTC:

While rereading the U.S. Declaration of Independence I noticed this important passage:

"All experience hath shown, that mankind are more disposed to suffer while evils are sufferable, than to right themselves by abolishing the forms to which they are accustomed. But when a long train of abuses and usurpations, pursuing invariably the same Object evinces a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security."

I wonder just how many Americans have actually read the American Declaration of Independence, for surely no man can understand the truths that it contains and not desire to rebel against the despotic and treacherous JOG. By the way, the phrase "all men are created equal" could only be interpreted as meaning "all White Men are created equal", because at the time of the Declaration (and almost a hundred years after that) ONLY WHITE MALES WERE CONSIDERED CITIZENS OF THE U.S. WITH THE RIGHT TO VOTE AND HOLD PUBLIC OFFICE. In fact, most of the signers of the Declaration of Independence, including its author Thomas Jefferson, were slaveowners who naturally considered niggers and other non-Whites as not only unequal, but less than human. Any other interpretation of that phrase is hypocritical and false.

Dear friends of the COTC, I want to thank you for the time and attention that you have devoted to me todate, and I look forward to the day when I will be able to circulate your publications in Australia. I believe that the COTC is a useful part in the multi-pronged fight for racial survival, and I am proud to know men and women of the caliber of the COTC members. I agree with you: RACIAL LOYALTY, RACIAL EXPANSION, RACIAL ADVANCEMENT. Lead the way, my friends, lead the way! For a Whiter and Brighter World! RAHOWA!

Brian Kozel Our Hero and Martyr

Dear Creators:

The tragic death of a young pro-White activist, Brian Kozel, has filled me with so much sadness and anger. I have never met him, but I feel like I lost a dear brother. I hope someday I will have a chance to visit Brian's grave, place a bouquet of red roses on it and rededicate myself to the Sacred Cause of Creativity by reciting the FIVE FUNDAMENTAL BELIEFS OF CREATIVITY and giving a RAHOWA! salute at the grave of our Hero and Martyr.

At school I did a report on Brian and told the truth about what happened to him on September 15th, 1990. I am the only White girl in the class, but my White pride is too strong to be hidden. My teacher found my story well written and asked me to read it aloud. I agreed to do so. As I finished reading it, there were many questions that were asked by my classmates. In answering those questions, the last thing I said was: -- *Brian was White and proud, and he was killed by Mexican bandits because he was White. This is the real example of anti-White racism!*

I quickly sat down as tears started welling in my eyes. The class continued on. When it was time to leave the class, I walked out and someone behind me screamed: -- *That's what your skinhead friend deserved! There is more to come, you White b...!*" I stopped, turned around and told them: -- *I am White and proud of it, and ready to fight for my White rights!*

A teacher soon came and things were over. I am still being harassed, but I will never surrender. I am White and proud of it! I especially want to express my gratitude to Rev. Scott Markidis who introduced me to the only true White Racial Religion -- Creativity.

We cannot let Brian's death be forgotten. He is our Hero and Martyr. We love you, Brian! RAHOWA!

Cupid's Corner

One of the SIXTEEN COMMANDMENTS OF CREATIVITY states: "Be fruitful and multiply! Do your part in helping to populate the world with your own kind!" Therefore, to bring eligible White men and women together and facilitate the accomplishment of the very important goal of White genetic procreation, Racial Loyalty has created a "White racial match-making service" which is called CUPID'S CORNER.

There has already been considerable interest among our members in taking advantage of our CUPID'S CORNER in finding an ideologically compatible life-partner for themselves, and we have received several inquiries. (Eligible White men, take note: we already have some very interesting inquiries from beautiful blond and blue-eyed White women from Sweden!)

We invite all White readers of Racial Loyalty (and especially White girls and women!) to participate in the White racial match-making service by writing to:

CUPID'S CORNER c/o Racial Loyalty
P.O. Box 400, Otto, NC 28763, USA

1. Include a recent photo of yourself.
2. Give most of the basic statistics: race, ancestry, age, sex, weight, height, color of eyes and hair, health, overall appearance.
3. Brief personal resume: level of commitment to the pro-White racial activism, ideological / political / religious convictions, education, job, hobbies, interests, talents.
4. Preferences about potential life-partners of the opposite sex with whom the writer would like to correspond.

These are some of the items you might wish to cover in the initial letter, but it is not necessary to go into too much detail. Keep it short and to the point. The essential information of your inquiry will be added to our match-making master list.

The ultimate objective of participation in the White racial match-making service -- CUPID'S CORNER is, we hope, marriage and the founding of another White family.

The White racial match-making service -- CUPID'S CORNER is provided free of charge as a special service to all White subscribers to Racial Loyalty. The CUPID'S CORNER procedure for match-making is as follows:

- a) upon inquiry, you will receive (once completed) our match-making master list, identifying the potential candidates by using a code number only and containing the candidate's essential bio/resume information (without their name and address);
- b) upon selecting the desired candidates, please write them an introductory letter in care of CUPID'S CORNER, c/o Racial Loyalty, P. O. Box 400, Otto, NC 28763;
- c) we will forward your introductory letter to the candidates you selected;
- d) then it is up to the selected candidates to respond to you directly and establish the connection.

WHITE MEN AND WOMEN, BE FRUITFUL AND MULTIPLY! DO YOUR PART IN HELPING TO POPULATE THE WORLD WITH YOUR OWN KIND! RAHOWA! THIS PLANET IS ALL OURS!

(Disclaimer: Racial Loyalty encourages all participants in the White racial match-making service -- CUPID'S CORNER to use caution and sound judgement in evaluating potential partners. Racial Loyalty takes no responsibility for possible misinformation and/or mismatches. "Caveat emptor!" "Buyer beware!")

Important Note:

Dear participants in the White Racial Match-Making Service and all readers of Racial Loyalty, please be patient!

Please don't demand immediate gratification. It takes time and effort to develop a good match-making master list. The problem is that most of our responses are coming from men. But, we are sure, with time we will reach a more diverse group of eligible White people, not only in the U.S., but also Europe, Australia and South Africa.

Again, please be patient: we need you and you need us! As you and we know, there is no alternative to the COTC as far as White survival is concerned. SO DON'T ASK WHAT THE COTC CAN DO FOR YOU, ASK WHAT YOU CAN DO FOR THE COTC!

In Brian Kozel's honor

"Mexico City" will be renamed "Kozel City"

Dear Rev. Ron McVan:

Racial greetings from Wisconsin! I would like to say, job well done on the Brian Kozel drawing! We all appreciate the time and effort you spent drawing that picture. It is especially nice and significant to me, because I like to remember Brian the way you drew him, instead of when he was shot. I witnessed my best friend and racial brother being shot down by the Mexican bandits, and I hate remembering the painful look on his face.

As you said in your letter, "we will never forget one of our own". And that is true. We will never forget or rest until the victorious flag of Creativity flies high all over the world and "Mexico City" in Brian Kozel's honor is renamed "Kozel City".

RAHOWA!

White woman embraces Creativity

Dear COTC HQ:

I have just realized that God (Jewish spook) is not real! I have been a hard-core, believing Christian all my life, and just yesterday (at Christmas) I realized that I really didn't believe in God (Jewish spook). The fact is there is no God (Jewish spook), he is just a stupid tradition from the dark ages, just like Christmas.

I can't believe how brainwashed I have been all those years. My parents insisted that I go to church every Sunday and even sent me to Christian schools until I was in the 7th grade. When I was a White power Christian I always denied that God was a Jew and that all races are equal, but the Christian bible does come right out and repeatedly say it. I will not worship a nigger-loving Jew!

Thank you for opening my eyes to the truth and reality based upon the Eternal Laws of Nature. I have been reading your literature and have helped in distributing it. I agree totally with the COTC Creed and Program. Please send me the COTC Membership and Reverendship applications ASAP!

Our boys are used as desert shield for Israel

Dear fellow Creators:

White racial greetings from California! I wonder how many cream of the crop White young people will die for the Jews this round? Our boys are being used as a desert shield for the protection of Israel!

The Jewish Occupational Government's conspiracy to fight Israeli wars with American soldiers is costing the White taxpayer millions of dollars per day, while the Jewish financiers are raking in huge profits as interest on the money George Bushwhacker and other White traitors are borrowing from the Jew-controlled Federal Reserve and the international Jewish bankers to keep U.S. armed forces in the Saudi Arabian desert. When will the brainwashed White people wake up?

I believe that Creativity is the last best hope for the White people to awake and save the White Race. So let us redouble our efforts to promote the one and only, true and revolutionary White Racial Religion -- Creativity.

For a Whiter and Brighter World! RAHOWA!

A New Year Message from an Esteem Friend

Dear Mr. Klassen:

I read every issue of RACIAL LOYALTY from beginning to end. You certainly have some good, scholarly material.

Some people think that if you didn't make such complete demands, you might have more readers and supporters. Have you considered that?

In the meantime, my best wishes go out to you and I greet you RAHOWA!

Free Rev. Stanko, now!

The JOG is breaking its own "mandatory parole guidelines" by arbitrarily, maliciously and tyrannically keeping Rev. Rudy Stanko in prison past the two-thirds of his term. Therefore, we ask all White Racial Loyalists -- Creators to renew and redouble the letter writing campaign to their senators and congressmen. Also, please write to our future leader, Rev. Rudy Stanko, and express your support of his struggle against the JOG tyranny:

RAHOWA! Music Band performs for White Unity in Canada

Dear Pro-White Activists of the COTC:

Greetings from the Heritage Front! On Saturday, December 8, 1990, we held our first annual MARTYRS DAY RALLY, stressing White Unity as our theme. The event was organized by the Heritage Front in conjunction with Church of the Creator, A.R.M. and other pro-White organizations. Speakers from various groups participated, sharing the stage in what was a novel event -- a first in Toronto! "PRINCIPLES BEFORE PERSONALITIES" was the order of the day, as petty rivalries were put aside in the interest of White Unity. The emcee for the event was Mr. Wolfgang Droege, a co-founder of the Heritage Front, and a longtime activist in both Canada and the United States.

Our keynote speaker of the evening, world-traveler, and author of the novel, "The Chosen One", Mr. Eric Thomson, gave his enthusiastic audience much valuable advice on dealing with our common enemy.

Rounding out the evening's activities, the COTC Music Band "RAHOWA!" performed an inspiring set of their own compositions, that appealed even to seniors in the audience, like the Canadian activist John Ross Taylor.

The success of this, our first public rally, has encouraged us to begin planning for future meetings. We invite all White Racial Loyalists -- Creators to participate in our meetings and other activities.

White Power!

Creativity replaces Identity

Dear White Racial Loyalists -- Creators:

I used to be part of the Christian Identity crowd, but I was never completely comfortable with wanting to be a "true" Israelite. The fairytales about "true Israel" and "ten lost tribes" seemed to be so contradictory, artificial and flimsy, without any basis in reality, history, logic or common sense. It is an outright fraud for gullible yokels!

After reading your newspaper Racial Loyalty and The White Man's Bible, I realized that Creativity is the only true White Racial Religion, and I want to join the Creativity Movement as Member and eventually as Reverend.

White Racial Mobilization

White Man, know your rights and become an active distributor of our newspaper, books and other literature! Sow the seeds of White Victory! -- your future and the future of your children depends on that. For a special price of \$15, order a hundred copies of our pro-White newspaper, flyers, cards and distribute by anonymously leaving them on White people's porches or parked car windshield wipers. The right to distribute our literature is guaranteed by the First Amendment of the U.S. Constitution.

White Man, come out of the closet! Whether you like it or not, you are involved in the racial war that the Jews, niggers and muds are waging against all Whites. We have no time to lose. As you know, the 4/9/90 issue of "Time" has stated officially and unequivocally: "By 2056, Whites will be a minority group in the U.S." "Time" ends its story with a smug Jewish comment: "...And it is irreversibly the America to come."

Dear White Racial Comrades, let's make damn sure that we do reverse this sinister, genocidal Jewish plan to mongrelize and destroy White America! Let's build a massive grassroots pro-White movement -- the Creativity Movement! White Man, join the war for White survival! Let us play White Chicken no more! Become an active defender of your inherent White Heritage and Gene Pool. You owe it to yourself, to your glorious White ancestors, and -- above all -- to your children and their future progeny. From the Jewish Bible:

Wild stories of Pornography, Obscenity, Immorality and Violence which are being accepted by the gullible Christian yokels as "the Word of God"...

Part VI in a Series based upon Chapters of "The X-Rated Book: Sex and Obscenity in the Bible" by J. Ashleigh Burke (with illustrations by Ron Quinn).

Judeo-Christian Bible calls childbirth a sin

WHY YOU LITTLE HUSSY. DON'T YOU KNOW THAT CHILDBIRTH IS A SIN.

"YES...IT'S IN THE BIBLE

* * * * *

Who would think of it as being a sin
When a woman to a child gives birth?
But that's what God spake unto Moses;
You can take it for what it is worth.

* * * * *

Chapter 12 of Leviticus of the Judeo-Christian bible deals with childbirth, the different unclean days and purification periods following the birth of male or female children, and the sin offering for atonement. Let us quote directly from the Judeo-Christian bible with all its primitive, garbled, sick and barbaric Jewish logic. Here is what God (Jewish spook) supposedly said to Moses:

Leviticus 12:

1. And the Lord spake unto Moses, saying,
2. Speak unto the children of Israel, saying, **If a woman have conceived seed, and born a man child, then she shall be unclean seven days**, according to the days of the separation for her infirmity shall she be unclean.
4. And she shall then continue in the blood of her purifying **three and thirty days**; she shall touch no hallowed thing, nor come into the sanctuary, until the days of her purifying be fulfilled.
5. **But if she bear a maid child, then she shall be unclean two weeks**, as in her separation: and she shall continue in the blood of her purifying **threescore and six days**.

6. And when the days of her purifying are fulfilled, for a son, or for a daughter, she shall bring a lamb of the first year for a burnt offering, a young pigeon, or a turtle-dove, **for a sin offering**, unto the door of the tabernacle of the congregation, unto the priest:

7. Who shall offer it before the Lord, and **make an atonement for her**; and she shall be cleansed from the issue of her blood. This is the law for her that hath born a male or a female.

8. And if she be not able to bring a lamb, then she shall bring two turtles, or two young pigeons; the one for the burnt offering, and **the other for a sin offering**; and the priest shall **make an atonement for her**, and she shall be clean.

* * * * *

There is no way to wiggle out of the facts as declared in this edict from God (Jewish spook): **that female births are more unclean than male births, and also that they require lengthier periods of purification.**

However, first, there is no scientific justification for a rule that says that the purification process following the birth of a male child should be any different from that of the birth of a female child. The difference in this passage can only be interpreted as still another instance of prejudice against the females, which indeed is found throughout the bible.

Further, why should sin offerings and atonements need to be made for childbirth? Atonements are supposed to

IF THERE EVER WAS A SPOOK IN THE SKY. HE MUST HAVE BEEN ONE EVIL LOW LIFE CREATURE. TO HAVE PICKED THE JEWS AS HIS CHOSEN PEOPLE. LIKE THAT SAYING GOES. "BIRDS OF A FEATHER FLOCK TOGETHER."

be for wrongdoing. Can we call the natural process of perpetuating the human race wrongdoing, or sin? Can God? But did he not himself, supposedly, create the process?

It seems that the sole purpose of the atonement requirement is to provide the priests with tender lamb, turtledoves and pigeons. Behold, God does provide for his priests!

* * * * *

The Judeo-Christian bible is nothing but an incoherent collection of primitive, barbaric, dirty Jewish fairytales: **a stinking pile of Jewish garbage.**

How strange and stupid it is that millions of gullible Christian yokels accept and worship such sick and perverted Jewish garbage as "holy", bend their knees before a Jew-concocted spook and his mythical Jewish bastard and, as in the case of the "true Israel" Identity lunatics, want to appropriate such garbage as "their own".

We White Racial Loyalists -- Creators say: to hell with all the "true and untrue" Israel and all the other Jewish garbage! Long live the one and only, true and revolutionary White Racial Religion -- Creativity -- based on the Eternal Laws of Nature, History, Logic and Common Sense.

Christianity is mass insanity!

To be a Christian is to be a Jew-worshiper.

Purpose of this Series

Our purpose of this series is to expose and destroy the myth of the sanctity of the Jewish scribblings which have been foisted through deceit and terror by the perfidious Jews upon the White People as the "ultimate and immutable word of God". The fact is that the Jew-spawned Christianity (centered on the antinatural, absurdly illogical and suicidal legends about a mythical Jewish bastard) is the deadly mind poison which has destroyed the glorious White Roman civilization and is currently destroying all of the White Race; therefore, Christianity must be exposed, defeated and eliminated in order to save the White Race. By using ridicule and unmasking this idiotic age old spooks-in-the-sky swindle, we believe we can best help lead the White Race back to sanity, common sense, and a healthy, constructive attitude towards its own best interests. *Delenda est Judaica!*

Racial Socialism

Society Organized for the Survival, Expansion and Advancement of the White Race

ED. NOTE: Despite all the attempts of our enemies to label us as Nazis (National Socialists), the fact is we are not National Socialists (Nazis). We are White Racial Loyalists -- Creators, and we categorically reject any and all ideologies, concepts or terms which contain words "national" and/or "nationalism". In fact, any form of nationalism, which divides White people into warring factions and thereby facilitates the Jewish strategy of "divide and conquer", is our enemy, along with Judaism and Christianity.

Despite all the attempts of the Hollywood Nazis, N.S. Kindred hillbillies, and other misguided latter-day Nazi imitators to rationalize and explain otherwise, National Socialism was an extreme form of German nationalism, which subordinated the interests of the White Race to the interests of Germany. Therefore, we White Racial Loyalists -- Creators reject National Socialism and replace it with Racial Socialism, which elevates the interests of the entire White Race over and above any national interests.

by Ben Klassen, P.M.

In his frantic, unending endeavor to blunt and stifle the healthy, natural instincts of the White Man, the Jew has worked feverishly to confuse us on those prime issues that are vital for our survival. In this category I have already mentioned (in NATURE'S ETERNAL RELIGION) the havoc he has wrought relative to our ideas about racial loyalty and also our religious orientation.

One other basic idea that the White Man is hopelessly confused about is socialism or collectivism, and I use these words interchangeably. Since this idea has been so terribly abused and confused by the Jews, the Communists and the Kosher Conservatives to the point where they could mean anything, I am going to set forth the position and meaning that the Church of the Creator gives to the term socialism: *to us socialism means ORGANIZED SOCIETY, period.* It does not at all imply state ownership of the means of production, nor does it, in our definition, imply confiscation of private property. On the contrary.

Let us make it crystal clear: we, of the Church of the Creator, are opposed to state ownership of the basic means of production, such as farms, factories, stores, etc. We are for the ownership of private property by individuals. We believe that there is a category of functions that are best performed by organized society as a whole. In this category we place highways, airports, harbors, national defense, law enforcement and many others.

We are in fact not particularly interested in all the dogmatic political terms with which the White Race has been tearing itself apart in arguing the theoretical aspects of each. We are not interested in making a holy cow out of "private enterprise" or "capitalism". Nor are we dogmatically concerned about defending to our dying breath, the much bally-hoed idea of a "republican" form of government that the Kosher Conservatives are so enchanted about.

All these terms are, at best, theoretical. What we are really concerned about is: **what is the most practical and viable type of organized society for the White Man to live in?** We come back to that foundation of our religious creed: **What is best for the White Race?**

In examining the hackneyed political ideas held so dear by the Kosher Conservatives, we find they do not hold up under this basic guide: *What is best for the White Race?* The idea of a "republic" has broken down before our very eyes in the last two centuries. It was already discarded by the Romans before the first century A.D. It has been an excellent vehicle which the Jews have used to fleece, rob and destroy the White Race. The Kosher Conservatives will argue that it has been converted to "democracy" and it is democracy that is our overwhelming problem. This is, at most, a half truth. The difference between "democracy" and "republic" is only a matter of semantics. In practical application they both lead to mob rule, to a type of government where the scum elements govern the better elements of the people, with the parasites multiplying and destroying the productive elements.

The essence of democracy (or republicanism) is the two (or more) party system, parties which are always in opposition to each other. This is the Jewish tool to divide and conquer. In practice this means that no matter how clear and urgent the problems, the approach is: division and opposition. Then, after prolonged hassle, no matter what compromised decision is "voted" on, there is

an opposing group, hampering, blocking and scuttling the course of action.

The average participant in a democracy has no more understanding in the thousands of complex problems of the affairs of state than the average passenger has in the intricacies of flying the huge jumbo jet which is being piloted by a trained professional. Without the comprehensive knowledge of the problems he is voting on, his vote is less than useless, it is dangerous.

We of the Church of the Creator believe, not in democracy, but in *Racial Socialism, which is teamwork elevated to its highest perfection for the welfare of the whole White Race, led by its ablest leaders.* It combines the best elements of both teamwork and competition. If "team spirit" and rooting for the "home team" are such noble attributes (and they are), then, certainly, having the whole race united in a team effort for their common good is the highest goal we can strive for.

This is what we mean by *Racial Socialism as the ultimate in organized society for the White Race.*

Let us now also take a look at the term "individual enterprise". It, too, is a theoretical myth and a deceptive fraud. Anyone who has ever played the parlor game "Monopoly" knows what the end result of wide open free enterprise is: before the game is over, one party gains a powerful stranglehold over all the rest, and from then on out, no matter which way the dice roll, when the game is over, he owns everything -- houses, land, factories, banks.

This, too, happens in real life. It is easily discernable that, say, Standard Oil, if left free to play the rules of the game proudly known as "free enterprise", could from the beginning have driven every other company out of the oil business and acquired the oil business in totality. It could easily have acquired a total monopoly in worldwide oil. It could have owned every service station and gas station in the world through squeeze-play and financial strength. It could have then moved into the banking business until it acquired every bank in the country. Left unchecked, it then could have started acquiring manufacturing businesses such as the electrical industries, etc. As its financial power snowballed, it could then easily have taken over the railroads, real estate, etc., until, in fact, one company owned everything and held every individual at its mercy.

This is "free enterprise" in clear essence, the same "free enterprise" that the Kosher Conservatives just love to prattle about.

Basically this is what has happened on a worldwide basis. Only instead of Standard Oil, it is the Jewish House of Rothschild and the worldwide Jewish banking conspiracy that has a stranglehold on the world. They not only own practically all the physical and financial wealth of the world, but also own all the governments of the world. We have referred to this clique as the Jewish conspiracy. Actually it encompasses the whole Jewish race, practicing their religious creed, the Talmud.

It is therefore our conclusion from the lessons of history that neither a "republican" form of government, nor "free enterprise", nor our much vaunted Constitution are going to save the White Race from mongrelization and destruction.

In order to survive and expand, the White Race must: (a) unite, (b) organize, (c) practice racial loyalty, (d) have a religious creed encompassing these same aspects.

FOR A WHITER BRIGHTER WORLD

Since I have already defined socialism as organized society, it is obvious that to be organized at all the White Man must have a socialist government, which every government has been from time immemorial, in any case. What the White Man must further have is **Racial Socialism, that is a government organized with the prime goal of promoting the best interests of the White Race and the White Race alone.** It must be based on a racial foundation.

In essence, we of the Church of the Creator believe in a harmonized blending of our Church and our State. We believe our White Society is best served by that combination whereby a race's government and religion blend together in perfect harmony to promote the best interests of our White Race.

We believe that "separation of church and state", that much vaunted holy cow in our constitution, is a deceptive fraud and a hoax. One might well ask -- how can the same people that go to church and preach "resist not evil" and "turn the other cheek" support a government with huge tax contributions for national defense, and for ever increasing police forces? It just doesn't make sense. Either you believe in defending yourself, or you don't. How can the same people that spend over a hundred billion dollars a year to presumably have the government defend them from their enemies then go to church and preach "love your enemies"? It is utterly ridiculous. It requires a split personality, a schizophrenic personality to ride on both sides of the fence.

Nor is there any great virtue in having the White people split up and fragmented into a thousand divergent religious camps, each in disagreement with each other, often culminating in religious wars and fratricide, as in Ireland today, and hundreds of religious wars in previous centuries.

We of the Church of the Creator are pursuing the goal of uniting the White Race on the obvious ground that is basic to all, namely -- **WHAT IT BEST FOR THE WHITE RACE -- as our cardinal dogma.**

We are further bent on harmonizing the goals, objectives and the philosophy of our government with that of our religious thinking. To have these two major forces of our society pulling in opposite directions is sheer idiocy.

We believe in an organized social structure; we believe in a religion that has as its basic foundation the best interests of the White Race; we believe in the total White Race being united in such a religion, rather than fragmented into a thousand conflicting and suicidal Christian creeds; we believe that the government should harmonize with our religious creed and also be based on the same racial foundation. We furthermore believe that such government and such organized society functions best if it is further based on the Leadership Principle.

We call this Racial Socialism.

In order to understand the term socialism we must first of all brush away all the deceptive ideas about this word that have been flooded upon us by the Jews, the Communists and the Kosher Conservatives.

(Continued on Page 11)

Triage for White Survival

(Continued from Page 2)

***Item: HOUSTON.** Fake papers help illegal aliens resume surge into the U.S. The mud flood is upon us, indeed.

Further perusing the newspapers, the list is endless. Indonesia, Malaysia, Africa, South America, Central America, everywhere there is a revolution going on, there is a breakdown of law and order, a breakdown of civilization. There is starvation, there is violence, there is chaos. It is indeed a world gone stark, raving mad. Yet, because of the subsidization and feeding of the mud people by the White Race, mostly the United States, **the mud people are multiplying like cockroaches, while the White people of the world are shrinking, fleeing and retreating.** There will soon be ten billion clawing, starving people on this planet, of which the White Race now is a small, shrinking minority. We, the White Race, through our misdirected Jew-orchestrated charity, are drowning in a sea of hostile, aggressive mud races. This suicidal insanity cannot continue.

We have reached a crisis that we must now face squarely and solve without any further delay or nonsense. We have reached a point of no return. This Planet Earth cannot feed, house and accommodate such huge masses of people. It cannot feed such impossible numbers, nor can it dispose of the wastes that pile up from such an overload. Hunger, starvation, mass pollution and ensuing chaos are now rampant on the face of this planet, and unless a drastic change is made now, the White Race will be the foremost casualty. Then the remaining conglomerates of mud races will fight it out. Due to starvation, disease and pollution, as Nature takes its course, she will reduce these numbers down to a small fraction of what it is now. Mankind will sink down to the lowest level of the African savages, but civilization and the White Race will be gone. Nature's Finest will be no more.

* * * * *

Can we allow the oncoming catastrophe to continue? No, we cannot! We, the White Race, cannot save all these increasing hordes of mud races from starvation and chaos. There is nothing we can do for them, and frankly, we have no desire to subsidize and feed them any longer. We must separate ourselves from them, cut them adrift, and let them wither on the vine. The world at large, like the Titanic, is a sinking ship with a limited number of lifeboats. The best we, the White Race, can now do is to save ourselves, and to hell with the mud races. **We have now reached the stage of emergency and disaster where only the principles of TRIAGE can save us, the White Race, from extinction. We must now sort out our priorities and ruthlessly put them into practice.**

What are our priorities? We, the Church of the Creator, spell them out in order of importance, although, after the first few, all subsequent priorities are of major importance also, and not necessarily of lesser status as we go down the list.

(See Page 12 for **PRIORITIES OF THE WHITE RACE**)

THE WHITE RACE IS SLOWLY FALLING INTO A BOTTOMLESS PIT. WE BETTER START FIGHTING BACK, NOW!

Divided Loyalties

(Continued from Page 3)

Whatever the reason, the fact is they were neutralized by their divided loyalties. They worshipped their executioner. (Let me insert here, that there is nothing wrong with our people getting every cent and every check possible from the JOG. Bleeding the beast is necessary, but loyalty to the beast is treason.)

It is simply impossible to build a dynamic steamrolling movement with divided loyalties. If the primary goal of the American political entity is the mongrelization and extermination of the White Race (and it is), and we continue to honor and support that entity, then we are doomed. It is "double-think" from top to bottom.

If you maintain the fiction that America is "your" country, then by every sense of fair play, you must give honor to all who serve in the American military, regardless of race. If a nigger serves in "your" army, can you deny him access to "your" church? **If he attends your church, and worships your God, how will you deny him your daughter or sister?** If he served your country, can you deny him your schools, neighborhoods, organizations, etc.?

You simply cannot share a nation, a life-view, a religion, a culture, a territory, a God, a holy book, a flag, or anything else, with another race. It is suicide. **If your God created niggers, then why shouldn't your daughter create more of them? If your God worries over every little sparrow, surely your daughter should worry over niggers, mexicans and asiatics.**

How about a flag? There is good reason why the world's rulers have always used symbols such as flags and martyrs to motivate the masses. Symbols represent emotions and instincts as deep and strong as territory, reproduction, specie preservation, and maybe even stir genetic memory. But, you cannot share symbols with other races any more than you can share territory, women or Gods. It is a division of motivational forces. It is suicide!

I am reminded of racial activists who participate in judeo-christian anti-abortion rallies. They try to share an issue. They know full well that tens of thousands of White women are raped by niggers every year. Would they condemn these White women to birthing nigger babies? You see, sharing anything with your executioner is, at best, a two-edged sword, and more often a suicidal pursuit.

Another example - White racists who join conservatives in condemning bi-lingual education. Apparently, they want the Hispanics to become fluent in English so they can blend into White society, take White men's jobs and pursue White women. They should realize that a language barrier is good from a racial standpoint, but they join forces with the kosher conservatives to the detriment of the White Race.

What is JOG's is theirs, not ours. We have to get our minds in order, identify our executioners, name them and divorce ourselves from *everything* that brought us to this sorry state of affairs.

We cannot fly our executioner's flag, worship his Gods, support his government, fight in his courts, play by his rules, obey his laws, listen to his propaganda, send our children to his schools, honor his armies and police, vote for his puppets, share his causes, or escape reality. Divided loyalties are neutralizing and suicidal.

We do not need complicated political or theological dissertations to justify our cause. There is a higher Law, the highest Law. **The first Law of Nature is the preservation of your own kind.**

It does not matter whether you believe Nature's Laws are the work of God, or of Gods, or are an accident. They exist. We are subject to them. If they are the work of God, then they are God's laws. **NATURAL LAW IS TOTAL JUSTIFICATION.**

If we cannot find the minimal courage to say, **"I am White; I am proud of my heritage; I intend to preserve the existence of my Race"**, then we are finished. Why is that so hard to say? Have we become so cowardly, so submissive, so brain-polluted, that we feel guilt or fear in even stating who we are? It is both ludicrous and tragic to see so-called patriotic publications afraid to say the word White. How our forefathers and foremothers must despise us.

Let us make the 14 words a test. No one who will not repeat them is worthy of our friendship or support. These 14 words are:

We must secure the existence of our people and a future for White children!

ED. NOTE: We agree with David Lane's thesis that **NATURAL LAW IS TOTAL JUSTIFICATION**, however we strongly disagree with his contradictory argument that *"it does not matter whether you believe Nature's Laws are the work of God"*. The fact is **it does matter**: because the entire judeo-christian spooks in the sky myth is built upon the wild and baseless claim that there supposedly is a supernatural spook which can arbitrarily interfere with the laws of Nature. Most of the "miracle" stories of the judeo-christian bible claim that Jewish super-spook Yahweh on many occasions interfered with the laws of Nature in order to help his "chosen" Jews: making the sun stand still and parting the Red Sea are just two such examples. If we are gullible enough to believe such wild and baseless fairytales, then Natural Law, so easily modified by Yahweh, obviously, cannot be total justification, in which case the spooks in the sky myth will continue to cloud the thinking of the White People and impede their efforts to save the White Race.

It seems that David Lane is leaning towards Creativity, but is still mugwampishly trying to come up with some "compromise formula". As Pontifex Maximus said on many occasions, there is only one **WINNING FORMULA**, and that is **CREATIVITY**. We invite David Lane and all the other good White Men and Women to stop being mugwumps and embrace Creativity as the one and only Winning Formula. **Total conversion to the Creed and Program of Creativity is the only road to White Unity, Power and Victory. There is no other way!**

We ask all White Racial Loyalists -- Creators to write to David Lane and encourage him to join the one and only, true and revolutionary White Racial Religion -- Creativity -- which is based on the Eternal Laws of Nature. His address is:

A Glorious Anniversary of the White Man's Conquest of the West

100 years since the final victory over the redskin savages

The White Man and the red man cannot live in harmony together. Nature forbids it!
M. B. Lamar, President of Texas in 1840s

100th anniversary of battle at Wounded Knee

December 29, 1990, marked the 100th anniversary of the battle at Wounded Knee Creek, South Dakota, in which about 200 redskin savages (buried in trench as shown in the above photo) were killed by U.S. Cavalry troops seeking revenge for the death of Lt. Gn. George Custer and his men. The crushing defeat suffered at the battle of Wounded Knee Creek effectively ended the organized banditry of the redskin savages.

One hundred years ago, on December 29, 1890, the White Race finally and absolutely triumphed in America. Let us honor and celebrate this glorious day -- THE DAY OF TRIUMPH OF WHITE AMERICA -- every year, and let us learn and remember the following important

Lessons of the Winning of the West:

1. The most obvious and important lesson we must learn is that America, as every other country, empire, or civilization, was built by conquest. It was by force of battle, by spilling blood, by conquering the enemy that the White Man in America forcibly took the land from the Indians, and the Mexicans, and even the independence from the British.

2. We White Racial Loyalists -- Creators regard the wars against Indians and the Mexicans as of far greater significance than the war of the American Revolution against England. After all, Canada has prospered equally well, although it never formally broke away from England. Its smaller population is solely due to the fact that only its southern fringes lie in a hospitable climate.

3. If the American wars of pushing back the mud races and settling the conquered territories with White people were so productive in the past and were the "American Way", why scrap a winning formula? Why not apply the same successful program to the rest of the land areas of the world, not just for the U.S., but for the White Race as a whole? We White Racial Loyalists -- Creators propose that this is exactly what we not only can do, but must do, if we are to survive. We have the intelligence, we have the power, and as Nature's Finest we have every Nature-given right to do so. Our White Racial Religion -- Creativity furnishes us not only with the moral right to do so, but also the moral obligation to do so.

4. For those self-hating White bleeding hearts (whose minds have been polluted and perverted by Jewish propaganda) we throw down this challenge: If you really believe that the White Man was wrong in conquering America, if you don't believe in the American way, why don't you set an example of demonstrating your convictions by deeds? Give your property back to a Mexican or an Indian, renounce your American citizenship and crawl into a hole and die. That's the bottom line of your idiotic conclusions, whether you know it or not.

5. We White Racial Loyalists -- Creators take the contrary position. We take a position that both Nature and history have taught from time immemorial, and that is: Land and Race are Everything. Land is essential to the life and the preservation of our race. The survival, expansion and advancement of our race is the most vital goal in our existence. We White Racial Loyalists -- Creators believe not only in expanding American territory, as did our glorious ancestors during the nineteenth century, but of following the same great "American way" of expanding the living area of the White Race all over the world, until the White Race inhabits every hospitable square mile on the face of the earth. RAHOWA! THIS PLANET IS ALL OURS!

RAHOWA!

The Winning of the West is the White Man's Prototype for the Winning of the World!

Texas: The Grand Prize of the West

It was in 1821 that Stephen F. Austin led a group of Americans into the Mexican province of Texas and founded a colony along the Brazos and Colorado Rivers. It was highly successful; word of it spread to the East, and the colony of Americans flourished and expanded.

Austin was astute in his dealings with the Indians, but the colony was not without trouble with some of the tribes, especially when it spread beyond the original borders. In 1826 Austin called a conference at which it was arranged to have 20 to 30 mounted guards constantly ranging the borders of the colony. These rangers were the forerunners of the famed Texas Rangers.

The Texan colonists had trouble not only with the Indians but also with the Mexican government, and this eventually, in 1835, erupted into revolution. Sam Houston was made commander-in-chief of the Texas army and the bitter struggle with the Mexicans, led by Santa Anna, began. The climax of the war was the famous battle of the Alamo, which lasted from February 23 to March 6, 1836.

One hundred and eighty Texans, commanded by Colonel W. B. Travis and including Davy Crockett, James Bowie and other well-known heroes were surrounded by a Mexican army of 1,600 and besieged in a fort that was formerly a mission known as the Alamo. The Texans fought until the last defender was killed. Their heroic fight and the rallying cry "Remember the Alamo" inspired the Texans and undoubtedly was a factor in speeding victory for the revolutionists. In the battle of San Jacinto months later Sam Houston defeated Santa Anna, independence was won and the Lone Star Republic of Texas was established with Sam Houston as its president.

During the Revolution the Texas Rangers had been given official status as a law-enforcement agency. The new Republic was not recognized by Mexico, and besides the chaos of the war there was constant harassment by both the Mexicans and Indians. In time the Rangers became a guardian force of the young nation.

By 1840 the Rangers had become a permanent fixture on the frontier, with headquarters at San Antonio under Colonel John Coffee Hays. Their weapons were those of the frontier: cap-and-ball rifle, which took a minute to load—a minute which could be fatal—the horse pistol, single-action revolver or the smaller derringer. The hard-riding Texans were desperate for a better weapon when Sam Colt appeared on the scene. The former sailor whittled a model of the famous six-shooter when he was serving aboard a clipper enroute to Calcutta from Boston. He took out his first patent in 1836, the year Texas established its independence.

In 1838 Colt began manufacturing revolvers in Paterson, New Jersey. He could not get the U. S. Army or Navy to buy his revolvers; but orders began to come in from Texas and the six-shooter got to be known as the "Texas." In the forties Ranger captain Sam H. Walker came to New York to buy revolvers and met the inventor.

Walker made several suggestions and a new and improved weapon, which Colt called the "Walker Pistol," was made. This new six-shooter made its great reputation in the battle of Pedernales, in which Colonel Hays and 14 rangers were engaged by 70 Comanches. Before the battle ended, 30 redskins were killed. It was a major victory, and the success was clearly due to the newly designed six-shooter that a mounted man could use easily. It gave the Ranger, or any mounted man who had it, the edge to outfight and outgun the Indians. It helped to establish the Colt as a major weapon, a firearm of crucial importance in the history of the West for the next 50 years. But national and world fame did not come until war with Mexico broke out and the Rangers offered their services to General Zachary Taylor. Under pressure from the Rangers, Taylor ordered a thousand Colts at a price of \$28,000. Every soldier in the war marveled at the Rangers' finely balanced six-shooter. With widespread recognition and enthusiasm for his revolver, Colt soon became a millionaire. Now no one went west without a Colt on his hip.

The Mexican War

The United States' war with Mexico started in 1846, primarily because the Republic of Texas, which in 1836 asked to be admitted to the Union, was finally annexed as the twenty-eighth state, in December, 1845. Mexico still regarded Texas as Mexican territory. There were other frictions and pressures in addition to claims of aggression by Mexico, which could not be resolved by negotiation. The war began in May, 1846. In rather rapid succession, Santa Fe was captured; California came under U. S. control and Santa Anna and his army were defeated, but not at all routed, at Buena Vista (February, 1847). In March, 1847, Winfield Scott, with Navy help, took Vera Cruz. The war virtually ended when Mexico City was occupied September 14, 1847.

The peace treaty was ratified in March, 1848. Mexico ceded about half its territory—its provinces of New Mexico and California—out of which also parts of the states of Nevada, Utah, Colorado and Wyoming were carved. The Texas-Mexico border was fixed at the Rio Grande.

A portion of northwestern Texas was ceded to the United States for \$10,000,000, by the Compromise Act of 1850. This land eventually became part of the States of New Mexico, Colorado, Wyoming, Kansas and Oklahoma.

In 1853, through the Gadsden Purchase, the United States acquired from Mexico another 45,000 square miles—for the most part south of the Gila River—now the tip of southwest New Mexico and the southern extreme of Arizona. This fixed the southwest boundary of the United States as it is today.

White Racial Socialism

(Continued from Page 7)

Socialism (organized society) is not an evil concept as the Kosher Conservatives would have us believe. In essence it means organized society, striving to promote its own best interests collectively. Not only is there nothing wrong with this, but it is the only way civilized man has been able to survive and advance.

Outside of an organized socialist framework, we would not be able to own or protect our property, have highways, form a government, have schools, churches, defense organizations and a hundred other basic requirements. We are all dependent on each other's contributions towards the social structure. We are dependent on thousands of different industries for our existence -- railroads, power companies, manufacturing plants, farming, etc. We need the accumulative help of millions of other people to live in today's highly specialized society. This is what has produced our great civilization, and let me emphasize that we of the Church of the Creator are not anti-civilization. We are for civilization, the White Man's civilization.

(See Chapter 6 of *Nature's Eternal Religion for more about White Racial Socialism.*)

Our conclusions on Racial Socialism are summed up with the following observations:

1. The White Race thrives best in an organized society which is socialism.
2. The White Race cannot survive otherwise.
3. The White Man has an inborn natural order that he fits into.
4. The key to such a society is the Leadership Principle.
5. Private property rights are not in conflict with Racial Socialism, but an integral part of it.
6. Only through an organized society can an individual adequately protect his property.
7. The White Man thrives ideally under a socialist -- collectivist -- organized government, provided he maintains control of his own destiny and protects himself from the destructive intrusion of the Jew.
8. The ideal situation is that combination whereby the religion and the government of a race blend together in perfect harmony to promote the best interests of the race.
9. Keeping the Jew out and keeping the race pure can best be accomplished by having a social structure whose foundation is race.

Phrases and Words of Wisdom of the Classical Latin,

the great language of the ancient White Romans, which was the universal language of all educated Europeans until the Jew-orchestrated "French revolution" of 1789 divided Europe into a polyglot of language-based "nations". In order to survive and prosper, the White Race must put Racial Loyalty above National Loyalty, and unite in a worldwide White Racial Community with one White Racial Religion (Creativity) and with one White Racial Language (Latin). *Niger lapillus / Albus lapillus.

Black (unlucky) pebble / White (lucky) pebble

Ancient White Romans had a habit of marking a bad or unlucky day with a black pebble (niger lapillus), and a good or lucky day with a white pebble (albus lapillus). For ancient White Romans white color had a special, almost religious significance as a symbol of everything good, pure, beautiful, honorable, while black color was associated with everything bad, muddy, ugly, evil. For example, at Roman trials black pebble (niger lapillus) was used to signify a guilty verdict, while white pebble (albus lapillus) was used to signify acquittal.

Criminal nigger "Dr." MLK deserves no holiday!

The Nightmare Ends When We Wake Up!

White People, stop paying homage to a criminal nigger "Dr." Martin Lucifer Koon who was an instrument of the Jewish Conspiracy to destroy White America through the "civil rights" revolution.

The ugly nigger criminal, whose FBI record is so odious that it had to be sealed and concealed by the JOG for 50 years, was a car thief, drug user, alcoholic, wife beater, race mixer, rapist, liar, communist and paid agent of the Jewish Conspiracy. Even his closest accomplices, such as nigger Ralph Abernathy, have admitted that the Jew-appointed nigger leader continuously abused White female "pro-civil rights" activists by demanding that they have sex with him as proof of their devotion to "black rights".

It is certain that the nigger criminal "Dr." MLK deserves neither the title of Dr. which was given to him by the Jewish professors based upon a plagiarized dissertation, nor does he deserve the "King Holiday" which was forced upon America by the treacherous JOG (Jewish Occupational Government) as part of a systematic Jewish Conspiracy to agitate and organize niggers for destruction of White America.

White People Awake! Save the White Race!

Priorities of the White Race

1. Our first priority is the survival, expansion and advancement of the White Race. To achieve this goal no price is too high, no sacrifice is too great, and we will and we must utilize any and all means necessary to achieve this paramount goal.

2. To enable us to achieve our own survival, we must first and foremost get the parasitic Jew off the back of our people, not only in America, but throughout the world. For too many thousands of years they have been the scourge of mankind. DELENDA EST JUDAICA!

3. In order that we can organize ourselves and muster the power to smash the Jewish stranglehold, we must first destroy and replace Jewish Christianity, their most powerful and insidious weapon, with a healthy racial religion of our own.

4. The basic philosophy of such a religion must be: **What is good for the White Race is the highest virtue; what is bad for the White Race is the ultimate sin.** Racial Loyalty and White Racial Teamwork must be the foundation of our program.

5. Never again must the White Race be euchred into fratricidal wars of White Men killing White Men. If we must go to war, let us make damn sure we direct such war against our real enemies - Jews, niggers and the mud races.

6. As Nature takes its course and the mud races wither away of their own incompetence and inability to feed themselves, we must expand our own kind and colonize all the good lands of this Planet Earth.

7. We believe that Planet Earth has a definite limit as to the number of people it can comfortably feed, house and accommodate. We believe that number is in the vicinity of one billion people. Once we are in charge of our own destiny, we can stabilize our world population at that number, and through the practice of eugenics constantly upgrade the health, intelligence and genetic quality of our people, thereby building a healthier, happier and more prosperous life for Nature's Finest for all time to come.

The Five Fundamental Beliefs of Creativity

For Daily Affirmation by All Creators

Based on the Eternal Laws of Nature, History, Logic and Common Sense we Creators believe:

1. WE BELIEVE that our Race is our Religion.

2. WE BELIEVE that the White Race is Nature's Finest.

3. WE BELIEVE that racial loyalty is the greatest of all honors, and racial treason is the worst of all crimes.

4. WE BELIEVE that what is good for the White Race is the highest virtue, and what is bad for the White Race is the ultimate sin.

5. WE BELIEVE that the one and only, true and revolutionary White Racial Religion - Creativity - is the only salvation for the White Race.
