We are the wave of the future

Tomorrow belongs to Creativity!

by Ben Klassen, P.M.

Books won't stay banned. They won't burn. Ideas won't go to jail. So spoke a one-time president of Yale University about 50 years ago. Although he undoubtedly had Yale's liberal philosophies in mind, nevertheless what he uttered were some imperishable truths about books and ideas. His liberal and Jew-oriented ideas have held sway over the last several generations, not because they had much merit, but because they had a veritable army of aggressive promoters, organized, financed and orchestrated by the worldwide Jewish network.

However, time marches on, and the truth will not remain suppressed forever. The Jews undoubtedly have been the most avid and powerful promoters of ideas--religious, political and philosophical. They invented Judaism, they invented Christianity, they invented Communism. Practically all their postulations are based on lies, deceit and fraud. They are, as has been observed succinctly and often, the world's most prolific Masters of Deceit. They concocted a fictitious history for themselves and called it Judaism. It was designed to unite and polarize their tribe of thieves and cutthroats so that they could continue to rob, fleece and destroy the goyim and take over the wealth of the world for themselves. They invented Christianity in order to confuse, distract and soften up the goyim and make them easy prey for their sinister program of worldwide piracy. They invented communism as the culmination of Judaism and Christianity so that they could use force and brutality to clap the dissident behind the iron bars of their monstrous chain of gulags. They further invented the massive lie called the holocaust to augment their program of

worldwide enslavement. It seems they have been amazingly successful in slopping the goyim's brains in all of these deceitful lies and conspiracies.

But, as I said before, time marches on, and truth and reason will not forever remain suppressed and buried. The White Man has finally had enough of all this Jewish hocus-pocus. There is a new wave of ideas in the White Man's thinking today. **Whereas the progression of the White Man's enslavement began in the order of Judaism, Christianity and Communism, its unraveling is proceeding in the opposite order.**

The first to go is Communism. After more than seventy years of this Jewish plague, the Russian people and the people of Eastern Europe have had enough. Communism is now a dead horse in Russia. It is dying of its own stinking Jewish rot in adjoining countries. The next to go will be that foul Jewish mind-scrambler called Christianity, a sinister plague that has lain like a cancer on the brain of the White Race for lo, all these many centuries. It is beginning to crumble rapidly. Anyone who has read our latest analysis of Christianity, "A Revolution of Values through Religion" will curse the day he or she were ever introduced to this cancer on the brain. Once Christianity has been exposed and demolished, an angry world will make short shrift of Judaism and all its vestiges. As one nigger shrieked "Free at last! Free at last!" Yes, the world will be free at last of the most vicious and sinister parasite ever to infest this once beautiful and pristine Planet Earth.

In the first issue of Racial Loyalty (June, 1983) we stated that nothing is as powerful as **An Idea whose Time has come**, and that idea is Creativity, the White Man's religion. It is, in fact the first and only racial religion the White Race has ever structured for its own survival, expansion and advancement in the last 6000 years of civilized history.

James P. Warburg, of the notorious Jewish Warburg family that structured the sinister Federal Reserve, and who embodied the epitome of Jewish rapaciousness, made a bold statement on the floor of the U.S. Senate on February 17, 1950. Arrogantly flaunting Jewish power, he bragged, "We shall have world government whether we like it or not. The only question is

Another Victim of the Black/Mud/Jew Criminal Terror Against Whites

Angela

Angela Jean Stufflebeam, an attractive 15 year old sophomore from Columbus, Ohio was found dead in her family home in a Columbus eastside section of town. Angela had been robbed, raped and strangled to death by a black nigger savage school mate who lived nearby in the black dominated neighborhood. Gregory Prysock was seen by a local neighbor while leaving the scene of the crime and arrested shortly thereafter.

Classmates described Angela as a very beautiful, dynamic and happy person with a passion for writing. April Bentley 16, who had known Angela since the fifth grade, said that Angela did not believe in violence. Angela even told April once that if somebody tried to kill her, she wouldn't kill them.

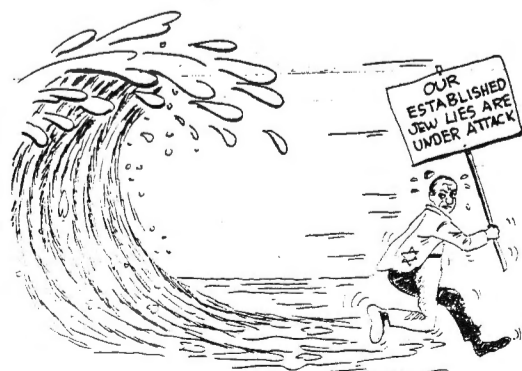

A victim of growing black racial savagery in America, Angela was also a victim of a Christianlike, suicidal pacifism and the inability to recognize the ever present danger of the racial enemy in our midst.

The highest law of nature is the survival of our species by **All Means and at all Costs**. Once we have straightened out the White Man's thinking the battle is as good as won.

whether World Government will be achieved by conquest or consent." A very revealing and interesting statement. When he said "we" will have it, he meant of course they, the Jews. When he said whether "we" like it or not, he, of course, meant us, the goyim. Confidently and arrogantly, he was plainly telling the Senate of the United States that we have you stupid goyim locked up in our tentacles and you had better come peacefully or else.

But not so fast, you sleazy, stinking kike. This is 1991, and the racial conflict is rapidly heating up all over the world, especially in the United States. It is now becoming more ominously obvious to the White people of the world what the Jewish game plan is. The White people of Russia are angrily aware of what a dastardly Jewish scam is communism, and are increasingly aware that it was the Jews that imposed this horrendous fraud upon them. PAMYAT is organizing in Russia with increasing determination, and the Jews are fearfully fleeing their own befouled nest in that vast land. But don't come to the United States! We White Americans, too, are becoming increasingly aware of your evil and parasitic presence. In growing numbers we are becoming painfully aware that it is the Jewish plan to drag in all the scum and mud races of the world into our fair land and mongrelize us into oblivion. We fully realize that it is you, you slimy kikes, who are the cause of the widespread crime, of the slums, of the degeneration of our cities and the downward spiral of our once great land. **Don't come here! Retribution and vengeance will be ours! Go to Israel and let the Arabs contend with you!**

(THE JEW IS PURE EVIL)

WE INVENTED CHRISTIANITY IN ORDER TO CONFUSE, DISTRACT AND SOFTEN UP THE WHITES. AND THEY ARE FALLING FOR IT HOOK - LINE - AND SINKER. LONG LIVE ISRAEL AND REMEMBER THE PHONY HOLOCAUST.

Speaking of the Arabs and the Palestinians -- that issue, too, is reaching as breaking point. The world is getting a much clearer picture of what kind of a brutal tyranny you kikes will impose upon its enslaved peoples once you have taken their guns away from them and have them in complete submission.

The White people of South Africa, too, are getting a clearer picture of what your ideas are about "democracy" and "one-man, one vote." It is now becoming quite clear that your perception of "one-man, one vote" is also "one-time only." Once the White man is crushed, as in former Rhodesia, then the nigger is a full time tyrant under the auspices of Jewish tutelage. Your program of decimating the White Race and mongrelizing the balance is becoming clearer to the White Man by the day. We are determined to turn the tables on you!

Recently we had a fine group of young Creators from Canada visit us here at World Headquarters. We heard innumerable stories of how the "Canadian" government is imposing iron-clad censorship on the White population. Freedom of speech and freedom of the press are as dead as a dodo in Canada. Just the mere utterance of the word "Jew" in the wrong context is an offense punishable by imprisonment. Canada is no exception. The same frightful and Draconian application of censorship and Jew-law is now prevalent in our once "Great" Britain, in Sweden, in Germany and most other Jew infested countries. It is a forerunner of what the Jews are assiduously planning and conniving to bring about in the United States also.

But one of the things one of the young Canadians said to me really brought home the stark horror of the impending situation. He said that many of their military bases were being closed and they were now being turned into vast concentration camps, or gulags, as in Russia for the last seventy years. That made me realize, yes, indeed, our military bases here in the United States, too, are closing up shop as such by the score. What is "our" Jewish government (JOG) going to do with them? Let me guess. Let them go to waste? Not by a damsite! *The building of prisons and penitentiaries are today the only booming growth industry in the United States! And the closed military bases are made to order for conversion into Jewish gulags.*

And just whom do the Jews have in mind as permanent residents in these places of torture and oppression? Why, silly question! They have you in mind, Whitey, to fill those bunk beds behind the iron bars, that is, of course, if you let them take your guns away and snooker you into such a defenseless position and let the black niggers act as your "guards" and wardens.

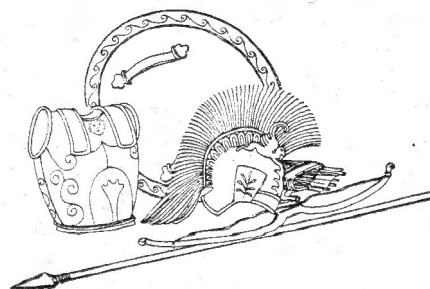

* * * * *

Grim? Yes, indeed. But events are moving rapidly. One world Judaism is coming on with a vengeance. But another set of events is mushrooming even more rapidly and that is the angry awakening of the White Race here in the United States and across the world. Up until now the the resistance has been only sporadic, unplanned, haphazard and ineffective. But things are rapidly changing. Now we have a comprehensive, well structured, meaningful plan and program. We now have a racial religion of our own -- we have Creativity. No longer is the right hand unaware of what the left hand is doing. No longer are we merely on the defensive, stupidly worshipping the Jews as "God's Chosen" on Sunday, and merely cursing them the rest of the week. No longer are we wasting our time wishing for "pie in the sky" or bewailing the threat of "fry in the sky" the rest of the time. Now we have a militant, well-planned creed and program that is marching on the offensive to build a massive steam roller and crush our enemies.

To Whom It May Concern

It has come to my attention that my worthy constituent and old comrade in arms, Mr. Harold Covington, has been discharging the contents of his diseased anal glands in the direction of Pontifex Maximus Ben Klassen in the Church of the Creator (PO Box 400, Otto, NC 28763).

According to Harold, Ben Klassen is a convicted homosexual Jewish child molester; truly a remarkable accusation considering that it comes from Harold Covington!

For who else but Harold was mini-Fuehrer to Frank Collins of the NSPA for five years, and what else was Frank Collins but a Jewish homosexual child molester who was eventually convicted?

I am inclined to believe that there is a reason why Harold associates with homosexual Jewish child molesters while making hysterical accusations against others (since these are essentially the same accusations he made against Matt Koehl for ten years without ever producing the slightest particle of proof), and that this reason, whatever it is, would also explain Harold's pathological jealousy, vindictiveness, and mendacity.

THE EVIL COVINGTON, WRITING ANOTHER LYING, PERVERTED ARTICLE ABOUT SOMEBODY.

Anyone who knows Harold even slightly knows that he is a liar.

For example, he claims to be a combat veteran of Viet Nam and the Rhodesian Army. In fact, he was in Viet Nam for 30 days and was a cook in the Rhodesian army, as he told me personally about two weeks after writing me a long letter in which he carried on about his gory combat experiences at great length. He lies so much he cannot remember which story he told which person even two weeks later.

I would encourage anyone with an interest in the future of the White Race to pay no attention to Harold and to obtain the COTC literature and read it for yourself.

I will put my own reputation on the line (for what it is worth) and say that I agree 100% with 99% of what Klassen has to say: the White Man has one problem, and that problem is Christianity; there is only one solution to it, and that is a White Man's Religion.

More About Lawyers

by Ben Klassen, P.M.

In November of 1986 I wrote an article (R.L. #37) about preachers, doctors and lawyers entitled "The Holy Trinity." In it I observed that whereas these three "professions" wielded a most powerful influence in our society, whereas they commanded unwarranted faith in their "professional" opinions, nevertheless, all three of them were founded on fraudulent premises. Like the Holy Trinity on High, namely the Father, the Son and the Holy Ghost, so too, were these three earthly gods promoting bad advice to their gullible "flock", their patients and to their clients. One other characteristic all three of these earthly do-gooders had in common was that whereas they all tried hard to convince us that they were trying to help solve our problems, actually they did their utmost to exacerbate and prolong those problems as long as possible, and in fact often create problems where none existed. Why? Because the more problems they created and the longer these problems can be drawn out, the more lucrative is their professed help. Money, money, money is the bottom line. An example for instance, is a preacher trying to save us from the horrible clutches of hell, a hell that doesn't exist. However, if he can draw a graphic and gruesome picture of the torture of hell, and convince his gullible sheep they are real, he has a flock of paying victims for the rest of his life, or your life.

Today we want to take another look at the lawyers in America. Last month (August) the American Bar Association had a gathering in Atlanta to pat themselves on the back. It so happened that one of their speakers was another lawyer by the name of Dan Quayle, now ensconced in the high office of vice-president of the United States. Unexpectedly, he more or less confirmed what I said about lawyers back in 1986, and his fellow henchmen, already sensitive to the public mood, didn't like it.

Quayle came out with some interesting statistics. He raised the question, "Does America really need 70 percent of the world's lawyers? Is it healthy for our economy to have 18 million lawsuits coursing through the system annually?" He pointed out that one in every 355 Americans is a lawyer, compared to one in 9000 in Japan. Doing a little arithmetic on my own, this means that we have more than 25 times as many lawyers per capita as does highly industrialized Japan, in fact, approximately 700,000 of these vultures on the loose, looking for prey. On thing the vice-president did not dare to point out was that an overly high proportion of these predators preying on other people's miseries are Jews, and that they dominate the profession. Jews also dominate the medical profession, and invented Christianity, that third debilitating sector of the "Holy Trinity."

Quayle's speech set off a spate of controversies, and the first to turn his wrath on Quayle was ABA President John Curtin, who gave a severe dressing down to the much maligned vice-president immediately following the V.P.'s speech, and in his presence.

However, the overwhelming public sentiment, and even the news media was not sympathetic to the lawyers. Too many of them had had unpleasant experiences and rip-offs of their own to reflect upon. We ourselves have a problem about having to hire a lawyer before the N.C. Tax Commission in order that the C.O.T.C. may protect itself in pursuing its Constitutional religious rights as set forth in the First and Fourteenth Amendments.

Historically, lawyers have had a well-earned sordid reputation over the many centuries. Even Shakespeare 400 years ago had one of the characters in one of his plays suggest in order to help humanity "First we kill all the lawyers." (Read again "The Holy Trinity" page 205, Rahowa! This Planet is All Ours.)

"Looks like that Mr. Quayle was right... We're gonna have to spray for lawyers!"

Also a number of jokes about lawyers were recycled, following this historic ABA event. Here are some of them:

Barbs for the bar

- * Why don't sharks attack lawyers? Professional courtesy.
- * What's black and brown and looks good on a lawyer? A Doberman.
- * What do you call 10,000 lawyers at the bottom of the ocean? A good start.
- * What do you need when you have three lawyers up to their necks in concrete? More concrete.
- * How can you tell if a lawyer is lying? His lips are moving.
- * A lawyer was asked if he'd like to become a Jehovah's Witness. He declined, as he hadn't seen the accident, but would still be interested in taking the case.
- * Did you hear about the lawyer who was injured in an accident? An ambulance backed up on him.
- * The CDC is considering using lawyers in experiments instead of laboratory rats. There are more of them, they breed faster and you don't become emotionally attached to them.
- * Why does New Jersey have so much industrial waste and Washington, D.C., so many lawyers? New Jersey had first choice.

★ We must recognize that our most important mission in life is the survival, expansion and advancement of our own kind and that we must make the world safe, not for democracy, but for the future of our own progeny, for all time.

Another New Book!

Two New Books published by the C.O.T.C. in the last two months!

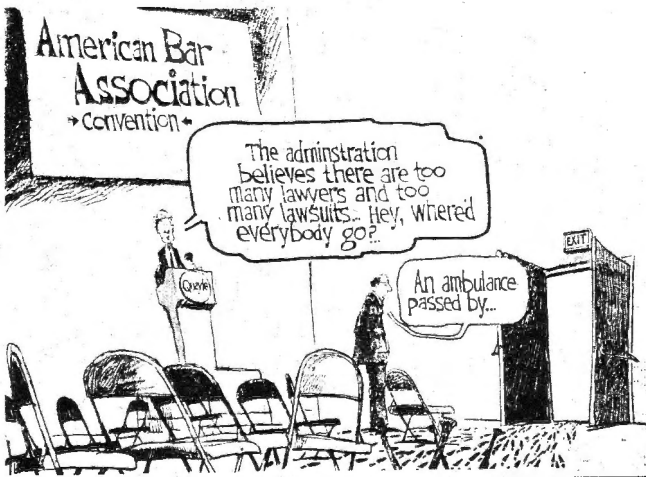

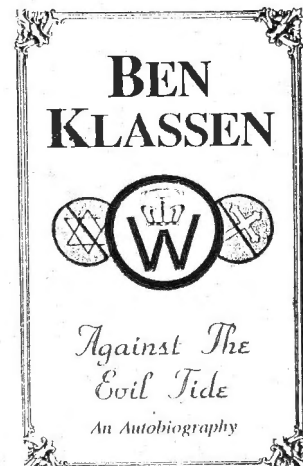

Against the Evil Tide

Last month we published "A Revolution of Values through Religion" which received enthusiastic acclaim from both our supporters and also our enemies. (See B & B on page 4 of this issue.) Now, just off the press, is Ben Klassen's magnum opus, his autobiography of 512 pages, complete with several photographs. It has been four years in the making. The title is "Against the Evil Tide," and details his life history, starting with day one. It goes even further back and includes an incisive and concise history and background of his Mennonite ancestors.

This book is for the current record and also for future historians. It lays to rest forever the malicious lies, smears and slanderous attacks launched by the multitude of vicious enemies trying to impede the onward march of the White Man's most dynamic religion -- Creativity, the only real and comprehensive racial religion the White Race has ever had in its tumultuous 6000 year epoch of civilization.

A must reading for every Creator who is interested in learning about the historic beginning and evolution of Creativity.

Equality Myth and White Guilt

Dear Rev. McVan,

I have recently written a letter to Reverend Hayhow giving him a small word of support. I am also in prison and he once wrote me a highly informative letter concerning the formulation of a White Ranger group. You should have received a letter from me about a week ago containing some racial jokes for the RL's. However, a new situation has arisen that I believe you may be interested in there at the World Center.

First, allow me to set the stage before plunging directly into this newly arisen problem. As you are aware the JOG is intensifying its stranglehold and jack-booted tactics against the proud and productive White race with each successive year, each successive day. In reference to suppression, I have recently read an article in *Time* about a man named Maguire, maybe you have heard of him. Maguire was the student who wrote a term paper on the difference in academic achievements of black students in comparison with White students. He also wrote of how many of our nation's universities are allowing black students to enter with considerably lower S.A.T. entrance exam scores than White students. In addition to this outrage, they are also allowed to score lower on many of the exams and the core courses requirements for many degree plans have been lowered in comparison to Whites. If we are all "equal" how can such insidious behavior be explained by their own arguments? If this situation were reversed it would be considered as utter tyranny, would it not? It is we of the proud White Race who are being discriminated against in this wonderful "democratic" country. By being denied our cultural, or racial if you will, counterparts to the Black Cultural Arts, Heritage and Achievement Awards and Festivals; the Ms. African American Beauty Pageants; Negro College Funds; all black graduation ceremonies; etc., we are being discriminated against. It is as if the only persons who may be accused of racism or racial prejudice are whites. It also appears that the

Freedom for Rev. Stanko, now!

The Jewish Occupational Government is breaking its own "mandatory parole guidelines" by arbitrarily, maliciously and tyrannically keeping Rev. Rudy Stanko in prison past the two-thirds of his term. **Therefore, we ask all White Racial Loyalists -- Creators to renew and redouble the letter writing campaign to their senators and congressmen.** Also, please write to our future leader, Rev. Rudy Stanko, and express your support of his struggle against the JOG tyranny:

only peoples who are allowed to express a love of their cultural heritage in mainstream society are peoples of minority groups.

As our leader has so clearly expressed in the basic books, many of our nation's institutions are using their position to proselytize the destructive belief that we owe the minorities for past injustices that may (or may not have been) perpetrated on persons who are long dead by persons who are also long dead. One such subject that continually returns is the American Indian question. You have, undoubtedly, heard it a thousand times: "We done the Indians so bad!" "We stole their land!" etc. An extremely effective argument that I use, even to pacifists, is this:

After listening to them, I simply ask them a few questions that they are generally unable to answer with any measure of consistency. The questions are as follows:

Who gave the Irish anything after the Anglo-Saxons took their land? Who gave the English anything when in 1922 they took it back? Who is giving anything to the Irish now while England still occupies Northern Ireland? Who gave the Picts anything when the Scots took their land? Who gave the Spanish anything when the Arabs occupied and took much of Spain? Who gave the Arabs anything when the Spanish took the land back? Who gave the Mexicans anything when the Texans took Texas? Who gave these same Mexicans anything when the United States took the territory that later became Arizona and New Mexico? Who gave the English anything when the Americans rose up and took America from England? Who is giving any of these people anything? Are you willing to give any of these people anything? If the person I am arguing with is a patriot of sorts I then ask him how can he support the American Revolution in word and deed on one hand but put down Manifest Destiny on the other? If the person is a Christian I ask him what difference is any of this with what the Jews are doing to the Palestinians? This usually makes them cringe in hypocrisy. I then tell them that by the laws of war and by the rights of conquest the White men came and took the land that was necessary for their survival. The land that was necessary for the expansion and advancement of our race. In effect, he did this for you and me. If you don't like or appreciate what they did for us then why don't you give every god-damn thing you own to the Indian and go back to Europe. If they will have you, of course. Who would want to accept a person who turns his back on his people? All the blood that was spilled for this land. All of our precious White women and children raped and killed and you don't appreciate what they did for you and me. Why does every White conquest have to be some malicious racial conquest? It was necessary and we won! By these rights of conquest we owe the American Indian nothing. He is lucky to be alive, much less have a quasi-autonomous state where his culture may flourish. By the laws of war he should either be (1) dead; (2) totally driven from the land; (3) or forced to succumb, unconditionally, to home rule. White man, you owe nothing. It was necessary and thankfully we won!

I then stand my ground in defense of these brave and hardy pioneers with my fists if need be. However, I can usually either win them over to the defense of Manifest Destiny or cause them to bow their heads in shame. I felt that you may be interested. It has proven an extremely useful argument to me.

Exposing Christians

Dear Pontifex Maximus:

Thank you for sending me your latest book, *A Revolution of Values Through Religion*. It is extremely valuable. I read it immediately. My favorite line is: "Back in Shittim, the spies report that [all] are scared spittless." I laughed all night long over that. I also like the doggerel, "How odd of God..." I shall force this into the ears of my Identity friends.

I'm very glad to have this book because I only discovered *Racial Loyalty* in July or August of last year, just as this series of *Wild Stories* ended, so I never saw them. This is a perfect tool for deprogramming Christians of all persuasions. My hat's off to you for doing so much to expose this Jewish swindle and I agree that this is the most important aspect of the (peaceful) struggle of ours. I am primarily occupied with the non-peaceful details of our struggle but your expose is needed to de-Judaize our men who might be persuaded to fight and kill the enemy within. This enemy is currently protected by the Bible.

Christianity is Judaism for the Gentiles. Paul's epistle to the Roman Jews proves this.

I particularly liked the comparative religions section and I was glad that you included Rosenberg's ideas. I wasn't aware of the background on Mormonism re: Solomon Spalding's novel. Regarding Protestantism, Hitler wrote that if Luther hadn't resisted the Jews, Judaism would have died out. I don't know.

It occurs to me now that young people's education must include Bible studies with your new book as a supplementary text. This is the only way that Judaism/Jesuitism can be eradicated -- by bringing out into the daylight the sadism and perversion of its writings.

Your book will now be given a field test. A young friend of mine, I'm shocked to learn, is about to enter the seminary. He is very anti-Jew but it appears that he believes the best outlet for his beliefs is to join the Archbishop Lefevre sect. This is a tragedy and I plan to pass your book along to him very soon. Guilt and fear implanted in young minds are as difficult to remove as crabgrass.

Yours truly,
Bruce

Mesning Mongrel

Hi Folks,

This will be short and to the point. As you all know, I've been in this damn fight for the survival of life and liberty twenty eight or so years, spent what to me was a fortune in time, money, dedication, and frustration. As you also know, when I finally found the ROOT CAUSE of ALL human misery (wars, starvation and a multitude of others), I was FIRED from the staff of the John Birch Society, INSTANTLY (1985). That root cause is, not surprisingly, the worldwide network of the bastard (mesning mongrel, look it up in your dictionary) Jew.

They have controlled Europe for centuries and the United States since our inception. They implemented the Civil War NOT because of slavery but 1-to have WHITES fighting WHITES, 2-to capture for JEW pockets the vast wealth of the South and 3-to mongrelize the White Race with Niggers.

Since then, we have been put through World Wars I and II, Korea, Vietnam, and finally a fortune spent to save the bandit state of Israel. ALL of these wars never were needed to protect the WHITE RACE but for its DESTRUCTION

(Continued on Page 5)

and MONGRELIZATION. I could write indefinitely about preceding centuries and other more current world-wide catastrophes, but I think you get the point: destruction of the White race, always perpetuated ONLY by the worldwide network of bastard Jews, and their communist cabal.

Why am I so drastically concerned? Very simple. Read these percentages and READ THEM WELL: In 1920 the White Race composed 33% of the world population. By 1979 that percentage had been systematically and ruthlessly reduced to just a little over 7%. (Always by the bastard Jews.) Now put this on a chart, project that line forward. You will see that in a few years the great White Race will be EXTERMINATED FROM PLANET EARTH. FOREVER: There is no reprieve from mongrelization.

We have no choice: The die is cast. We must defend and EXPAND our race or we will be GONE FOREVER.

The very BEST to all of you great people!

Sincerely,
Dick L.

Concealed Beliefs

Dear COTC:

In response to my most recent letter, I was sent a copy of *The White Man's Bible*. I am very thankful for it. I read it every night before I go to sleep. I enjoy falling asleep with something good on my mind.

As I referenced in my previous letter, I am a former police officer who for years had to conceal my feelings and beliefs, since our JOG influenced police standards would have stripped me of my career but now I am out on an early retirement, although I am currently seeking alternative employment.

At least now I don't have the daily heartburn from dealing with criminal niggers and muds, victimizing our White Race, and listening to crying Jews. South Florida is full of these disgusting beasts.

Well I didn't intend for me to get up on my soapbox in this letter, but I have very profound feelings about saving our White Race.

I want to join the COTC, and become a part of the Creativity movement. I know I can make a positive contribution to my White Race. I am now in better financial shape than my last letter, so I've enclosed a check for \$25.00. Please accept my request for membership in COTC. I would like to become active with others in my area.

It wasn't until I saw a copy of *Racial Loyalty*, that I realized there are others who share my thoughts, with a sensible approach to White values. I am also in agreement with creativity, and not forced Jew influenced religious writings.

Well please accept me as a new Creator. Please use my address to help connect me with others in my area.

Unite and Conquer

Dear Mr.Klassen,

Thank you for the copy of "A Revolution of Values Through Religion". Enclosed is a \$5.00 cash donation to cover material and shipping costs.

Once again, through your detailed study of history and application of logic, you have exposed many heinous lies and hokus-pokus scare tactics that have been used by many to destroy the integrity of the White race. As long as we loyalists exist, our race has hope of uniting and conquering the mud masses (and their traitorous "white" allies). Indeed, a great turn is now occurring among whites to our side around the world as the non-white threat becomes reality, not fantasy. Many whites are ready for united action - they just lack a unifying force (or the means to learn of/contact one). Creativity could become that force, THAT SPEARHEAD! The news broadcasts of the two incidents in Detroit of white people getting beaten by black savage animals was a vision of the future for our cities unless whites unite and fight back. I hope it opened a few "blind" eyes to the truth - it's not the "Cosby Show" out there kiddies. I feel so overjoyed to know that my hard earned tax dollars goes to feed those beautiful black bellies -- so they grow up healthy savage criminal beasts. They give the words Eugenics and Sterilization new meaning!!!

MY HONOR IS MY LIFE
Take care!

From the White Tip

Dear Creators,

Every single day niggers mug and murder Whites in South Africa and then they get Jewish lawyers to defend them in courts. On Friday Aug. 16, 1991 four nigger boys, two of whom were 14 and 16 years of age strangled a 79 year old White woman in her home. I have enclosed the press cuttings. President DeKlerk is determined to hand our Republic over to Mandela and the ANC. 90% of the Whites in our land support Dr. Andries Treurnicht and his Conservative Party but DeKlerk refuses to hold a general election to test White feelings.

Keep up the good work and keep fighting muds, niggers and Jews.

Sincerely, your brother

Harsh Realities

Greetings White Kindred:

I recently saw your ad in the *Spotlight* (March issue) and decided that I'd write for more information concerning your organization and it's much needed efforts.

As my address indicates, I am presently incarcerated within the belly of the beast but I'm waiting on resentencing now in the State Courts after a struggle of about 15 plus years.

I have been active in the struggle for White Racial Consciousness since 1979. I have used this time stolen from me by JOG to rekindle that still smoldering ember of IDENTITY, rather than my continued stagnation I sought a return to the ideas and dreams of our Aryan forbearers. So in a sense, the time I've spent behind prison walls has been a blessing in disguise. Rather than destroying me, it helped to remove the blinders so that I could see the harsh cold realities of our destruction as a people.

Within the walls of prison, I was forced to experience the black "porch-monkey" frame of mind and saw clearly for the first time that all this equality garbage I had been force fed was just that. . ."GARBAGE."

It is my intention to join with those active in the struggle for White Rights when I am released from prison. The hour is late and the road ahead will be hard but I look forward to my transformation from OUTLAW into WHITE PATRIOT!

In the meantime, I continue to seek knowledge from awakened White Patriots around our/their Nation and to make friends in the movements so that one day soon I will be better able to serve our folk.

Please let me hear from you and won't you place me on your mailing list? A people not convinced of their uniqueness and value will perish!

Yours in the Service of Race

Oppression in England

Dear Sir:

At present I am on police bail for putting up a sticker with a white baby on it and the slogan "Love the White Race." Our house was searched upside down from 12-4 A.M. Both our babies were awakened and COTC books taken.

If I am charged I may make a big deal out of this for publicity. Please, can you ordain us both as soon as possible as Reverends? Also do ministers of religion automatically get asylum in the U.S.A.?

Yours sincerely,

Dedication Behind the Walls

Dear Sir:

I wish to thank you for sending me a copy of *Racial Loyalty* (Issue No. 71). As you can see by my address I'm an inmate in the Correction System. I can not afford to send money to cover the cost of your sending me inspiring papers and booklets, etc. But I do want you to know that I, as a White Man do dedicate myself to the desperate struggle of the White race for survival

even here within the walls of this prison. I, as a White Man, realize the threat to mongrelize and destroy the White race by our government is very real; our successful survival of our race depends on true Racial Loyalty.

Today with Israel having such a strong position within the government of the U.S.A. (JOG) RAHOWA would seem to be the only answer. We have the potential as our past history has proven, of taking back our rightful position by worldwide victory in a HOLY WAR.

I will do what ever is necessary to continue the journey towards a Whiter and Brighter World, the first steps have been taken by the Creativity Movement towards this end. But much depends upon all of us as a nation of White Creators, to confirm our position regarding the survival of our race.

Let me once again thank you for the copy of *Racial Loyalty*, and to tell you that I will be looking forward to hearing from you at mail delivery here in prison.

RAHOWA
Respectfully yours,

From the Jewish Bible:

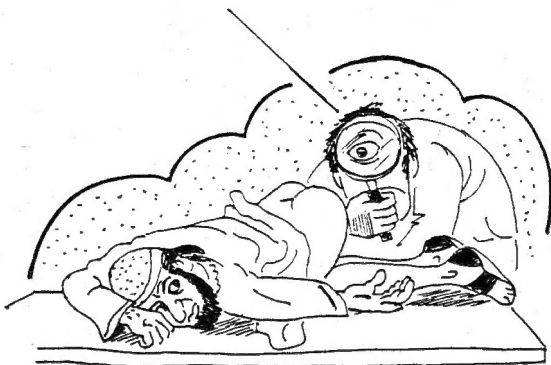

Wild stories of Pornography, Obscenity, Immorality and Violence which are being accepted by the gullible Christian yokels as "the Word of God"...

Part XII in a Series based upon Chapters of "The X-Rated Book: Sex and Obscenity in the Bible" by J. Ashleigh Burke (with illustrations by Ron Quinn)

Judeo-Christian Bible has cure for Hemorrhoids

Hemorrhoids a Punishment for Sin

BOY...YOU HAVE ONE BAD CASE OF HEMORRHOIDS. YOU MUST HAVE PISSED OFF GOD REAL GOOD ONE TIME.

— GOD'S PUNISHMENT —

Hemorrhoids are an affliction from God, we are told; But why would anyone want to make hemorrhoids of gold?

In the King James version of the Bible, the spelling for hemorrhoids is "emerods." In the Old Testament this affliction is described as one of God's curses or punishments:

Deuteronomy 23:

27. The Lord will smite thee with the botch of Egypt, and with the emerods, and with the scab, and with the itch, whereof thou canst not be healed.

In another chapter of the Bible, the Philistines were "smitten with emerods" because, they believed, they had taken and were holding the ark of the God of Israel, a chest held sacred by the Hebrews.

II Samuel 5:

9. And it was so, that, after they had carried it about, the hand of the Lord was against the city with a very great destruction; and he smote the men of the city, both small and great, and they had emerods in their secret parts.

10. Therefore they sent the ark of God to Ekron. And it came to pass, as the ark of God came to Ekron, that the Ekronites cried out, saying, They have brought about the ark of the God of Israel to us, to slay us and our people.

11. So they sent and gathered together all the lords of the Philistines, and said, Send away the ark of the God of Israel, and let it go again to his own place, that it slay us not, and our people: for there was a deadly destruction throughout all the city; the hand of God was very heavy there.

12. And the men that died not were smitten with emerods: and the cry of the city went up to heaven.

Also being overrun with mice, the Philistines decided that the proper thing to do was to send the ark back, although not empty. To placate God, in order to achieve relief from both the mice and the hemorrhoids, they made images of five golden mice and five golden emeralds and placed them inside the ark.

I Samuel 6:

1. And the ark of the Lord was in the country of the Philistines seven months.

2. And the Philistines called for the priests and the diviners, saying, What shall we do to the ark of the Lord? tell us wherewith we shall send it to his place.

3. And they said, If ye send away the ark of the God of Israel, send it not empty; but in any wise return him a trespass offering: then ye shall be healed, and it shall be known to you why his hand is not removed from you.

4. Then said they, What shall be the trespass offering which we shall return to him? They answered, **Five golden emerods, and five golden mice**, according to the number of the lords of the Philistines: for one plague was on you all, and on your lords.

5. Wherefore ye shall make images of your emerods, and images of your mice that mar the land; and ye shall give glory unto the God of Israel: per adventure he will lighten his hand from off you, and from off your gods, and from off your land.

In answer to the question asked in our verse at the opening of this chapter, it turns out that the Philistines did have a reason after all. And evidently their action resolved the problem, for the Bible makes no further mention of hemorrhoidal afflictions among them.

— THE ARK OF THE LORD —

THE WHITE RACE WON'T BE ENTIRELY FREE UNTIL THE SHACKLES OF THAT JEW INSPIRED RELIGION ARE "BROKEN."

* * * * *

The Judeo-Christian bible is nothing but an incoherent collection of primitive, barbaric, dirty Jewish fairytales: a stinking pile of Jewish garbage.

How strange and stupid it is that millions of gullible Christian yokels accept and worship such sick and perverted Jewish garbage as "holy", bend their knees before a Jew-concocted spook and his mythical Jewish bastard and, as in the case of the "true Israel" Identity lunatics, want to appropriate such garbage as "their own".

We White Racial Loyalists -- Creators say: to hell with all the "true and untrue" Israel and all the other Jewish garbage! Long live the one and only, true and revolutionary White Racial Religion -- Creativity - based on the Eternal Laws of Nature, History, Logic and Common Sense.

Christianity is mass insanity!

To be a Christian is to be a Jew-worshiper.

Purpose of this Series

Our purpose of this series is to expose and destroy the myth of the sanctity of the Jewish scribblings which have been foisted through deceit and terror by the perfidious Jews upon the White People as the "ultimate and immutable word of God". The fact is that the Jew-spawned Christianity (centered on the anti-natural, absurdly illogical and suicidal legends about a mythical Jewish bastard) is the deadly mind poison which destroyed the glorious White Roman civilization and is currently destroying all of the White Race; therefore Christianity must be exposed, defeated and eliminated in order to save the White Race. By using ridicule and unmasking this idiotic age old spooks-in-the-sky swindle, we believe we can best help lead the White Race back to sanity, common sense, and a healthy, constructive attitude towards its own best interests. *Delenda est Judaea!*

Anti-Christian, anti-Jew, anti-black group has church status

By BRUCE HENDERSON
Staff Writer

OTTO — The pontifex maximus of the Church of the Creator, a jowly, retired real estate man in a Hitler-style moustache and Hush Puppies, presides at a small table in front of a red and black banner stitched with a large W.

Disappointed by George Wallace, neo-Nazis and the John Birch Society, Ben Klassen, a 73-year-old former Florida legislator, leaped off the right-wing end of the scale 18 years ago and invented a "religion" in his own image: the worship of white people.

The Church of the Creator, based in the Western North Carolina hills of Macon County, is like no church you've encountered.

It is actively anti-Christian. It holds no regular services and has scant liturgy. Its ministers, some of them teenage boys with shaved heads and tattoos, don't attend seminaries.

And instead of preaching peace, church members, who call themselves Creators, spout hatred — of

Jews, of Christians, of blacks and other "mud races" they believe threaten the survival of whites.

But it's still a church, at least in the eyes of the government.

The church, apparently unchallenged, holds an IRS exemption. And for seven years, Macon County has granted a property tax exemption on church land and buildings worth more than \$200,000.

Church leader says mission 'racial holy war'

White

Continued from page 1A

The county tax assessor is trying to revoke the exemption, but has so far failed. The state Property Tax Commission is expected to hold hearings on the matter in the next few months.

Klassen calls it harassment. Meanwhile, he dreams of a worldwide white revolution "not dissimilar to what Hitler did in Germany with the Nazi party."

He calls it a "racial holy war," now being waged with propaganda. Yet the imagery of violence surrounds the church.

His monthly newspaper, Racial Loyalty, is so incendiary that the warden of Central Prison in Raleigh banned it last February.

"In reading it, you'd have to be a total moron not to figure out they're advocating violence," said a Jacksonville, Fla., law enforcement official. "They use all the words that you would use to describe war."

A Jacksonville church member, the Rev. George David Loeb, is charged with shooting and killing a black Persian Gulf war veteran last May. In June, Racial Loyalty granted an "Award of Honor" to the Jacksonville chapter "for their exceptional efforts in promoting Creativity in their area."

Shaved-head young men with Northern accents — the skinheads Klassen is recruiting — sometimes appear in the woody little community of Otto, just north of the Georgia line.

At the time Klassen was interviewed earlier this month, five skinheads from Milwaukee — now Creator ministers — were visiting the church headquarters. It's easy to become a Creator minister, they said, basically by reading some of Klassen's works.

"I wanted to do something for my race instead of just getting thrown in jail," said the Rev. Christopher Bacewicz, 18.

The combination of skinheads and an avowedly racist group like Klassen's make anti-racism groups nervous.

Two skinheads in Portland, Ore., members of a racist group called the White Arvan Resistance, stalked a black Ethiopian man in 1988 and split his head open with a baseball bat. A jury last October held group founder Tom Metzger responsible for organizing and inciting the skinheads to violence, and it awarded the dead man's family \$12.5 million in damages.

"My question is, why is (Klassen) into recruiting all these violent skinheads?" said Joe Roy, chief investigator for Klanwatch in Montgomery, Ala. "I think probably he has thoughts of picking up some of Metzger's followers."

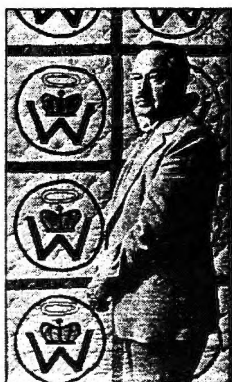

Klassen says the skinheads promise "a good potential" for the church.

"They're activist young people who know something's wrong, but they don't know what to do about it," he said. "They encounter the Church of the Creator and find the answer."

Hitler 'greatest white man'

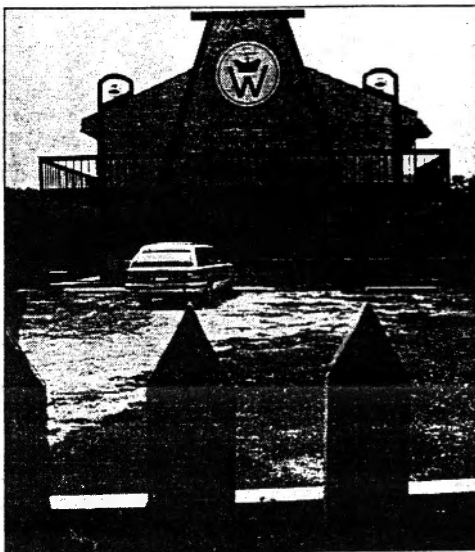

The creator of this cosmos where only white is right was born in the Ukraine to Mennonite parents. Like the Jews, Mennonites have a long history of persecution. Klassen says he was never baptized.

His family emigrated to Mexico in 1924, but soon moved on to a Saskatchewan farm community. At 19, he read "Mein Kampf," the autobiography of Adolf Hitler, and judges Hitler to be "the greatest white man who ever lived."

Church and founder: Ben Klassen (above) stands with a quilt designed with the Church of the Creator's emblem. The two-story church headquarters (right) is built on 21 acres in the Western North Carolina hills of Macon County.

Trained as an electrical engineer, Klassen settled after World War II in Los Angeles, where he says he invented the first push-button electric can opener. It was not a commercial success.

Moving on to Florida in the 1950s, he sold real estate and joined the John Birch Society. When a Republican slate swept Broward County, Klassen was elected to the Florida House of Representatives in 1965. He lost a bid for the state Senate the following year.

In 1968, Klassen campaigned on behalf of third-party presidential candidate George Wallace. He later concluded the tough-talking Wallace was a "phony."

Disenchanted with Republicans and Birchers alike, Klassen formed a radical-right political organization, the Nationalist White Party. When his disparagements of Christianity offended some members, he decided a racial "religion" was the answer.

"I asked myself, what the hell can you believe in? And the answer was the laws of nature."

Christianity derided

The laws of nature, Klassen theorizes, set white people at the top of the biological heap. He expands on that idea in extravagant detail in the eight books and dozens of pamphlets he's written.

Whites, Klassen asserts, are in the grip of a centuries-old Jewish conspiracy he blames for everything from the Civil War to the federal deficit. Christians are dupes of the Jews. Nonwhite races, he asserts, threaten to overwhelm and "mongrelize" whites out of existence.

Klassen wants to ship all "enemies of the White Race" out of the country, though church doctrine leaves unclear exactly how that is to be accomplished.

In its literature, the church commands violence against the groups Klassen calls "enemies." Racial Loyalty even printed a point system to gauge the impact of racial crimes, Klanwatch said. In February 1989, the newspaper named as its monthly winner a white South African who "waded into a crowd of niggers a couple of months back, guns blazing, smiling from ear to ear, killed six and wounded 17."

Klanwatch reports that in 1988, Klassen wrote that his church will employ "murder, treachery, lying, deceit, mass killing, whatever it takes to win."

Klassen said he has no violent intentions.

"I've never even so much as punched anybody in the nose since I was 10 years old," he said. "I don't hate. I use my brains to defend the white race. Do you hate cockroaches, do you hate rattlesnakes?"

Police in Milwaukee and Jacksonville confirm that local Creators apparently spend much of their time handing out literature. Milwaukee skins said about a dozen Creators groups operate in Wisconsin, with about eight members each.

It is hard to estimate the number of church followers elsewhere; Klassen won't say. Church literature lists contacts from Virginia to California, and in Canada, South Africa, Sweden and England.

Unlike the Ku Klux Klan, which wraps itself in the flag and the Bible, Klassen derides Christianity as "the biggest swindle of all — the key to breaking down the white race to where they would do anything for the Jews."

Such talk hasn't endeared him to other Bible-Belt racists. Longtime white supremacist Harold Covington of Raleigh sued Klassen in 1989, alleging defamation. Covington alleged that Racial Loyalty implied he was a drunk, a government informer and a secret contributor to Jewish causes. He later dropped the suit.

Is it a church?

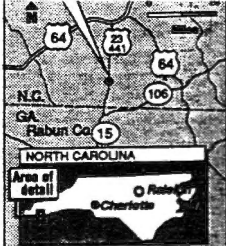

The Church of the Creator moved to Macon County, where Klassen owned some land, in 1982. He built his two-story church headquarters on 21 acres, which has a tax value of \$201,250. Klassen lives in a house valued at \$181,690 that overlooks the church.

After some initial threats — Klassen says somebody once blasted the big "W" (for white) on the church headquarters with buckshot — his neighbors now don't bother him.

"I think people in the beginning had a lot to say about it, but not much anymore," said Gloria Allred, a clerk at the State Line Package store a half-mile away. "I think people just decided to leave him alone."

The county tax office is another matter.

The Church of the Creator got a Macon County property tax exemption in 1984. State law allows such exemptions for property used for religious purposes.

Staff graphic

But soon after Richard Lightner took his job as county tax assessor, he drove out to look over the church property in 1988. It was weedy, he recalls, and looked unused.

Lightner did some research. He decided the church wasn't a church.

The Creators don't worship a deity, don't formally train ministers and charge fees of members, Lightner said. A church minister from Otto who testified in a tax hearing, Lightner said, described his duties as processing mail and cutting grass.

"What it adds up to is a political organization," Lightner said. Churches, he added, "don't deny the right of other groups to peacefully coexist."

In response, Klassen says Lightner is "goaded and I'm sure guided by the ADL (Anti-Defamation League of B'nai B'rith)."

Klassen himself, in advising a follower how to get started in business, once wrote that founding a church is "the only way to go these days, no taxes, gets the government off your back."

The state Property Tax Commission, to which Klassen appealed, ruled the county had waited too long to notify Klassen it was revoking the exemption. In April, the N.C. Court of Appeals, to which the county appealed, upheld the commission.

As a result of the case, the legislature this summer enacted a law that requires local officials to regularly review such tax exemptions.

But the tax commission hasn't yet ruled on the central question — is the Church of the Creator a church? Hearings are to be scheduled late this year or early in 1992. State law defining churches is "very, very murky," says a lawyer for the commission.

The burden of proof is on the Creators.

IN THE NAME OF THE WHITE RACE A DECLARATION OF INDEPENDENCE FROM JEWISH TYRANNY

Since a penetrating study of both contemporary and ancient history has conclusively revealed the following situation:

1. The Jewish race by choice has waged deadly, unrelenting warfare against us, the White Race, in order to destroy us.

2. The Jewish people are banded together in a vicious racial, religious and political conspiracy to gain control of all the money, all the economic and financial resources, all the land and territory and real estate of the world, in short, its total wealth.

3. The Jews have made it their primary goal to mongrelize, kill, decimate and otherwise destroy the White Race.

4. The Jews are determined to enslave all the races of the world, including the final mongrelized product of the White Race that they intend bringing about.

5. The Jews have in the past successfully and successively destroyed our White Racial ancestors, to name a few: The White Egyptians; the highly creative and gifted Greeks of Classical History; The great and noble Romans of ancient times.

6. The Jewish conspiracy now owns, and/or monopolizes, controls the majority of the White Man's industry, finances, educational facilities news media, television networks, government, religion, and monopolizes all, or nearly all, instruments of thought control.

7. The White Race is now an occupied and enslaved people under the cruel heel of the Jewish tyranny. Now, therefore, we of the CHURCH OF THE CREATOR, in the name of all our White Racial Comrades throughout the world, proclaim this, our own Declaration of Independence.

We hereby resolve that it is our sacred duty and holy obligation, not only to ourselves, but also to our noble ancestors that produced us, and our precious progeny who will follow us, to bring about a world situation in which we are determined:

1. To throw off the yoke of Jewish tyranny and control.

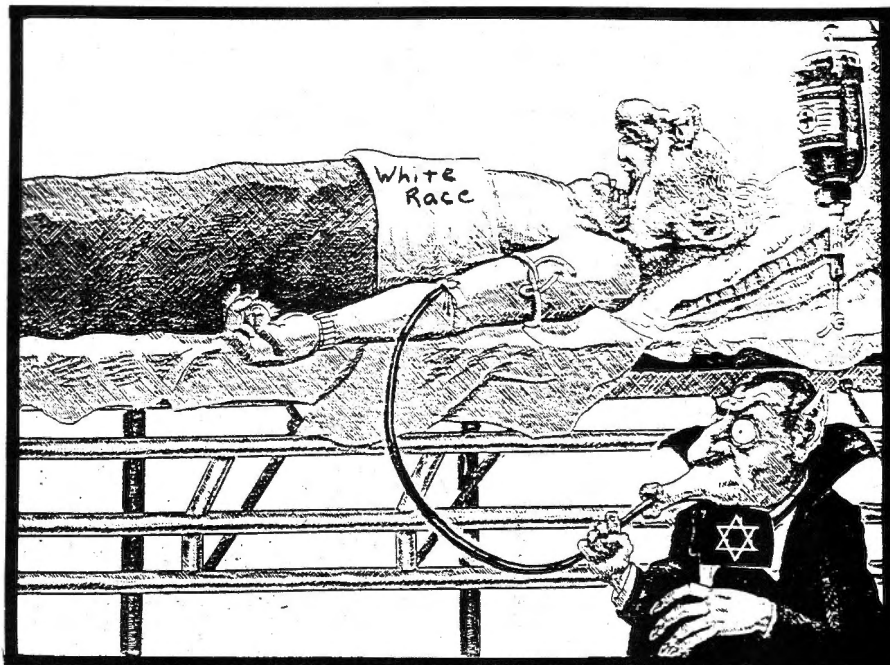

2. To wrest control of the White Man's destiny into the loyal and capable hands of our own people.

3. To eternally fight for the survival, expansion and advancement of the White Race.

4. To shrink our enemies, namely the Jews and the other mud races, and expand the territory, the power and the number of our own White Racial Comrades.

5. To make it impossible for the Jews and other mud races to ever again threaten the existence and well-being of the White Race.

To this, our Declaration of Independence, we forever pledge our Lives, our Sacred Honor and our Religious Zeal.

Why are Jews Promoting Gun Control?

by Rev. Dick Liggett

Cupid's Corner

One of the 16 Commandments of CREATIVITY states: "Be fruitful and multiply! Do your part in helping to populate the world with your own kind!"

Therefore, to bring eligible White men and women together and facilitate the accomplishment of the very important goal of White genetic procreation, Racial Loyalty has created a

"White racial match-making service" which is called CUPID'S CORNER.

There has already been considerable interest among our members in taking advantage of our CUPID'S CORNER in finding an ideologically compatible life-partner for themselves, and we have received several inquiries.

We invite all White readers of Racial Loyalty (and especially White girls and women!) to participate in the White racial match-making service by writing to:

CUPID'S CORNER c/o Racial Loyalty
P.O. Box 400, Otto, NC 28763, USA

- 1..Include a recent photo of yourself.
- 2..Give most of the basic statistics: race, ancestry, age, sex, weight, height, color of eyes and hair, health, overall appearance.
- 3..Brief personal resume: level of commitment to the pro-White racial activism, ideological / political / religious convictions, education, job, hobbies, interests, talents.
- 4..Preferences about potential life-partners of the opposite sex with whom the writer would like to correspond.

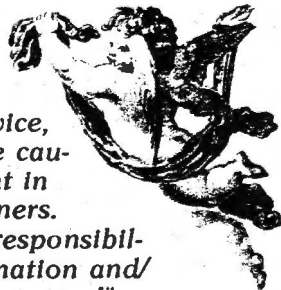

These are some of the items you might wish to cover in the initial letter, but it is not necessary to go into too much detail. Keep it short and to the point. The essential information of your inquiry will be added to our match-making master list.

The ultimate objective of participation in the White racial match-making service - CUPID'S CORNER is, we hope, marriage and the founding of another White family.

The White racial match-making service - CUPID'S CORNER is provided free of charge as a special service to all White subscribers to Racial Loyalty.

White Men and Women, be fruitful and multiply! Do your part in helping to populate the world with your own kind! Rahowa! This planet is all ours!

(Disclaimer: Racial Loyalty encourages all participants in the White racial match-making service, CUPID'S CORNER to use caution and sound judgement in evaluating potential partners. Racial Loyalty takes no responsibility for possible misinformation and/or mis-matches. "Caveat emptor!" Buyer beware!"

Important Note:

Dear participants in the White Racial Match-Making Service, please be patient!

It takes time and effort to develop a good match-making master list. The problem is that most of our responses are coming from men. But, we are sure, with time we will reach a more diverse group of eligible White people, not only in the U.S., but also Europe, Australia and South Africa.

But first, a brief overview: Americans like to recall that "we are a government of laws, not of men." The basic law of the land, the U.S. Constitution, gave us a republic, not a democracy. Democracy is the rule of an unrestrained majority, mob rule. We are seeing this in Washington today, the result of liberal laws, court and government interference.

The grand strategy is a Jewish plan for anarchy in the United States that will be so evil the people will sue for peace at any price, even if it means an end of freedom as we know it, even a one world government, A NEW WORLD ORDER, controlled by Jewish Soviet slave masters.

The federal law was originally structured for the purpose of limiting the national government and leaving the people and the states alone. **The wisdom it encompassed led to the greatest amount of personal freedom in all history.**

Freedom versus Slavery

The following scenario may seem strange to those who are dependent on Jewish worldwide newspapers, television, motion picture and a network of worldwide Jewish controlled news monopolies as their only source of information. One must also understand that *before* THE NEW WORLD ORDER which Jewish stooge and U.S. traitor President George Bush is promoting can be implemented, the old order of things must be destroyed. **This is, in fact, in its final stages in the United States.**

Consider the following: We are witnessing the destruction of our constitution you have sworn to defend and uphold; our rule by law (republic) has been slowly converted into a mob rule (democracy); a flagrant ground swell in civil strife, including a breakdown in law and order; our court system has become unmistakably corrupt at virtually all levels; our school system is in shambles; the morality of our people is in the final stage of decay; the destruction of the White Race has become obviously apparent. All of this, and much more can be traced to the "hidden hand" of Jewish overlords or their dupes.

Jews, the most segregated race of people in the world, have formed a cabal for the purpose of making mongrelization of the White Race fashionable in the U.S. Through their media, and dupes in government, enacting civil rights laws and enforcing them, mongrelizing the White Race is now in

its final stage. Jews are mindful the White people are the only race with the mental capacity necessary to stop the Jewish communist conspiracy from enslaving the rest of the free world. **A blind man, or even a fool, would have to agree.**

Now, who Want's Gun Control, and Why?

Whenever Jewish communism seeks to take over a country, they always seek to disarm them through "Peace Offensives." This is best illustrated by a speech made by Dmitri Manualisky in 1947. He was Under Secretary of Military and Political Affairs of the Jewish masterminded and controlled United Nations.

He said: "We (U.S.S.R.) will offer them (the free World), unheard of concessions and the capitalist nations, stupid and decadent, will leap at the chance to be our friends; they will be willing to cooperate in their own destruction.

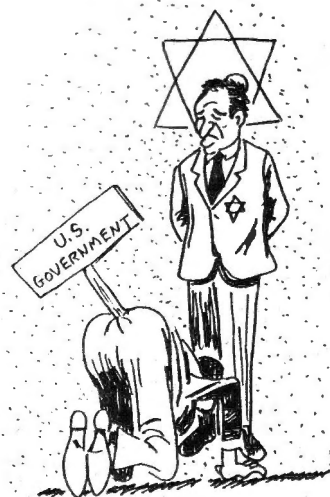

"Then when their guard is down and they have gone to sleep, we will smash them with our clinched fist." This has been Jewish doctrine since the very beginning and it has never changed. Over and over again they have reiterated the doctrine: We will never have to fight against them, because they will collapse from within." This collapse will be a planned Jewish tragedy with the help of confused, duped liberals guided by the "hidden hand" of Jewish overlords operating within our government.

International Law and Why?

In the wake of the war in the Persian Gulf (a war that had nothing to do with the defense of our country, but, was to establish a Jewish monopoly of world energy that could be used to force A NEW WORLD ORDER), Jewish dupe and U.S. President George Bush (an oil baron in the Middle East who should be impeached and arrested for treason and conflict of interest) repeated his desire for a "reinvigorated" United Nations, called for international law under the UN. Their issuers agree that empowering the UN to enforce peace through international law would benefit mankind. **They're wrong! Such a step would benefit only those Jewish overlords who control the United Nations.**

Law of any kind and at any level, is meaningless without force to back it up. If the UN were to be charged with maintaining peace by enforcing international law, it would have to be equipped with a peace force superior in power to any other force on earth. The question few seem able or willing to ask is: If the Jewish controlled communist UN force were the most powerful on earth, who or what would restrain its use? Could it be used not to enforce peace but to enforce tyranny and slavery over the rest of the free world?

International law presumes that the sovereignty of individual nations must be made subservient to the international body possessing the international force. If history is any guide, national independence would soon disappear in the presence of enforceable international law, just as it has in all Jewish controlled communist countries.

YOU MISSED A SPOT ON THE RIGHT SHOE, SLAVE.

Law and order VS. Violence, Terrorism and Self-Preservation

Our Unswerving Program. Our program to overcome the tyranny and violence against us must proceed in the following order, from one emergency to the next:

1..It is not our objective to declare a war of violence against the Jews, niggers and other mud races. We will assert ourselves non-violently but **be adamant in our pursuit to freely practice our religion as guaranteed by the First Amendment.** We will demand, as everyone else, the right to peacefully assemble, as guaranteed by the Constitution, and the right to organize.

2..As we organize our churches, **we will distribute Nature's Eternal Religion and our White Man's Bible, until we have placed a copy in the hands of a majority of our White Racial Comrades.** We will make sure every White man, woman and child understands the Jewish conspiracy that is now upon us.

3..As the White Race becomes **united, informed and aroused we will boycott every Jew and every aspect of Jewish influence** in our society. This includes boycotting the Jews in business, in their professions, in their political activities, in education, in religion, in the news media, theater, etc. Not only will we boycott them, but **we will expose them, point them out** and wage propaganda warfare against them, just as they are presently doing against the White Race. This we can do legally and very effectively once we get our religious structure organized.

4. We thereby intend to **drive them from our society in all phases of influence and power,** just as Hitler did in Germany. We will **let them peacefully "wither on the vine"** or let them peacefully migrate to Israel where the Arabs can contend with them. In no case will we any longer subsidize them, do business with them, or allow our White Racial Comrades to be used as victims to promote the welfare of these parasites on our backs.

5. Once we have driven them from political office, **we will follow this with legal measures to forever exclude the Jews from positions of power or influence in government, education, propaganda, arts and theatre** or any other meaningful influence in our society, as did Hitler in Germany, and as did the Byzantine Empire over a thousand years earlier and as the bandit state of Israel has done to all peoples who are not of Jewish birth.

6. In the meantime, while we are still in the process of regaining control of our own destiny, in no case will we ever surrender any of our guns or weapons, under any pretext, ruse or semblance of law whatsoever. Never, never, never, not even one gun. The Second Amendment gives us the constitutional right to keep our guns, and we damn well mean to exercise that right at all costs.

7. **So far everything is legal.** We have demanded nothing more than our Constitutional rights, the same as every other citizen. We hope we will need go no further.

Now we come to the crux of our position: **Should the Jewish government use force to violate our Constitutional rights** to freely practice our religion; to peacefully assemble; to peacefully organize; to distribute our *White Man's Bible*; to use the mails and any other prerogative in promoting and expanding our legal religious organization and the full

practice of our religion, **then we have every right to declare them as open criminals violating the Constitution and the highest law of the land. They then obviously are the criminals, and we can then treat them like the criminal dogs they are and take the law into our own hands.** This is the obvious, logical thing to do. We must then meet force with force and open warfare exists. It will then be open season on all Jews.

8. Should the Jews use assassination against our members, or our leaders, then the White Race must meet fire with fire, **and retribution and vengeance will be our answer.** For every one of ours they kill we will exact ten times their number, starting with the rabbis. When law and persuasion no longer protect our rights to survival then we must -- as all free, courageous, intelligent people have done through the ages -- turn on our tormentors with a furious vengeance and destroy them down to the last man. This is the thing the Jews fear above all -- violence directly against their race, and rightfully so. With our superior numbers and fighting qualities, the Jews would be wiped out mercilessly; should they violate our Constitutional rights and inflict violence against us.

Phrases and Words of Wisdom of the Classical Latin,

the great language of the ancient White Romans, which was the **universal language of all educated Europeans** until the Jew-orchestrated "French revolution" of 1789 divided Europe into a polyglot of language-based "nations." In order to survive and prosper, the White Race must put Racial Loyalty above National Loyalty, and unite in a worldwide White Racial Community with one White Racial Religion (Creativity) and with one White Racial Language (Latin). White Pride

by
Rev. J. W. Stansell

JOG and its whore the NAACP.
Say I should be ashamed of my Race and its history;
They say there is no reason for White pride,
But let me assure you that they have lied.

Look around for this world's greatest builders, leaders and minds,
Look at all the great accomplishments of man and you will find,
All have come from the great and noble White Race;
But as for niggers, Jews and other mud-people you will find not a trace.

So White Warriors shout loud, far and wide,
The great accomplishments of our Race worldwide;
And let it roll like a mighty tide,
The wondrous shouts - White Pride! White Pride!

When man tries to rebel against the iron logic of nature, he comes into conflict with the principles to which he himself owes his existence as a man. And so, action against nature must lead to his own downfall!

- A. Hitler

It would be more honorable to our distinguished ancestors to praise them in words less, but in deeds to imitate them more.

- H. Mann

The revealed truth is first ridiculed, later resisted and finally becomes self evident.

- Anonymous

It is better to have a lion at the head of an army of sheep, than a sheep at the head of an army of lions.

- Defoe

Aiding the enemy used to be called treason. Now it is called foreign aid!

- Anonymous

Only he who bears his own soul living and burning in his breast, is an individual, is a master. And he who abandons his own kind is a slave

The key to freedom lies inside us! Now we hearken again to the voice of our ancestors and protect our essence from alien influences, protect that which wants to grow out of our own souls. Stranger than an army is the man who relies on the power which resides within him!

- Wulf Soerensen

Gun Control

(Continued from Page 8)

This is why independent-minded Americans remain totally opposed to what is called international law. The more we understand about the marvelous heritage given citizens of this land, the more determined we have become to force our leaders to withdraw from the UN trap and any other Jewish international booby traps arranged by the international banking system.

Who Enforces The Law Here?

The American system gives government only sufficient power to protect the people. The Constitution strictly limits the government to this negative function. The nation's fundamental law is aimed at government and those who hold the reins.

But law is nothing if it isn't backed up by force. Where, then, in America, is the proper repository of whatever force is needed to make government obey the law -- the Constitution? The answer: **It resides with the people themselves.** The people, acting individually or through a militia, must perform this function, or it will not be done. And if it is not done, then the government will swallow up the liberty of the people and become their master.

It is highly significant that you will find no mention of "the right to bear arms" in the UN Charter or in any of the UN's International Covenants on Human Rights. But it does appear most prominently in the Bill of Rights to the U.S. Constitution.

The right to be armed does not exist for the benefit of target shooters, hunters and sportsmen. It exists because the Founding Fathers knew that the body of law they created -- to empower government, but also to hold it to strictly limited domain -- means nothing except for that force to reside with those who created the government in the first place -- the people.

The confused mentality that wants a powerful UN Peace Force is the same Jewish duped mentality that wants a disarmed American populace, **a one world government, a new world order, controlled by the Jewish slave masters of their soviet empire.**

Americans must not allow themselves to be disarmed. All who wish to remain free must remain armed. A government that wants your gun is a government that wants your freedom. Never, never let us be bushwacked into the position of the Palestinians where only the Jews have Uzi machine guns and the populace has nothing but rocks with which to defend themselves.

We might have to fight to save our politicians, confused with power, wealth and good press granted by the "hidden hand" of the Jewish overlords, hoodwinked into thinking this new world order thing will serve their own purpose.

Historically Jews kill their duped stooges after having served their evil purpose. Trained traitors and experienced political leaders with a following will be the only threat to the Jewish conspiracy that is taking over the reins of all governments of the world. **This conspiracy to rule the world is over two thousand years old. But, now...**

It is in it's final stages.

You owe it to yourself to make a detailed study of this NEW WORLD ORDER. There are plenty of facts on the subject available to you, although you will have to break away from the Jewish controlled literature, media, and press.

Think about it!
