America's Number One Political Prisoner!

FREE RUDY STANKO NOW!

Reverend Rudy "Butch" Stanko Given Release Date of
October 7, 1991, But Still Kept in "The Hole" Illegally...

by Ben Klassen, P.M.

Undoubtedly Rev. Rudolph Stanko, our future Pontifex Maximus, is the most abused and most prominent political prisoner in the United States today. **He has committed no crime, violated no law, yet a Jew-rigged and orchestrated court headed by Jew Judge Sherman Finesilver sentenced him to six years in the Federal Penitentiary in 1984.** His alleged crime? Astute businessman Rudy Stanko was obviously too successful in competing against the Jewish meat cartel, taking a \$200 million portion out of what they considered to be their private domain and monopoly.

Rev. Rudy has now served five years and three months of that sentence and spent more than a thousand days of that time in "the hole", solitary confinement. **The most time that any convicted offender has spent behind bars for the crime that Rudy was unjustly accused was less than three months!** Talk about Gulags and political prisoners behind the Iron Curtain! We have it happening right here in the United States, where the Mossad and Jewish tyranny is running rampant, ignoring the law and wreaking havoc on law abiding citizens.

On October 7, 1991, the court finally decided that Rev. Rudy had served his sentence and was to be released. That morning he called on the telephone and broke the news to me. I was overjoyed. I promised I would be there (in Marianna, Florida) on a moments notice and pick him up immediately. But wait a minute! The vicious Jews weren't through with him yet! Jew Judge Finesilver had not only sentenced him to six years, but also imposed a hefty \$70,000 fine on him, a fine that was unpaid. The word came down from on high (the Jewish Kehilla, no less!) "don't let Rudy Stanko out! Keep him there on

whatever pretext, but don't let him get together with the Church of the Creator!" Not only would they not release him, but they promptly put him back in the hole where he had already spent the last 103 days. Not only in the hole, but *incommunicado*, to prevent him from pursuing his legal rights and his long overdue freedom.

All of this is strictly illegal, in violation of all constitutional rights. No court had adjudicated that he remain in prison after his release date, October 7. It was and is, in fact a blatant act of Jewish tyranny, a vicious act for which we will hold each and every participating conspirator severely responsible. I, nor anybody else has been able to see him since, to talk to him, or to visit him. He has been able to get out only a few guarded

messages. The latest legal UPDATE he has sent me clearly states the illegality of these latest actions taken against him. I quote it verbatim:

HOW TO UTILIZE YOUR WEALTH EFFECTIVELY

☆☆☆☆☆☆☆☆

A friend of mine recently told me that his (Christian) minister had delivered a sermon on the subject, "How to Sin Effectively." I was rather intrigued by the title, and although I have no idea what the gist of the sermon was, I presume that he was suggesting that if you are going to "sin", at least get the most pleasure or benefit out of it. This would be sound advice, if that is what he advised.

In any case, we of the Church of the Creator suggest that course of action in most effectively utilizing your financial assets. Right at the outset many of our readers will undoubtedly interject with "Wealth? What wealth? I don't have any wealth."

Well, I am speaking of the collective wealth of the White Race, and although in financial assets it is exceeded by that of the parasitical Jew (only because we were dumb enough to allow them to rob us blind) **we are in many respects the most wealthy race on the face of the earth. Potentially we could own it all, and rightfully we should.** But even as it is, we do have a tremendous amount of physical and financial assets. There are among our race many financial giants. To name a few: The Hunts of Texas; the Fords of Detroit; the late Howard Hughes; the Coors of Colorado; the late J. Paul Getty; the DuPonts of Delaware; the Rockefellers of New York and elsewhere (no, they are not Jews, merely Jewish stooges); the Astors and the Vanderbilts, who after eight or nine generations of hedonist dissipation still own massive wealth; there are the MacArthurs, one of which owns MacArthur's Milk, and the other the late insurance tycoon, John MacArthur, whom I met personally and tried vainly to enlist in the White Man's cause before his recent demise at the age of 82. He left a fortune of over a billion. There is the billionaire shipping magnate, K. Ludwig, whose assets are reported to be in the billions. Then there is multi-billionaire Ted Turner with his massive array of Cable TV networks who could wield tremendous influence on the thinking and the direction of the White Man's destiny.

These are just of few of the better known public figures who are White and whose fortunes range in the hundred million to a billion category. The good news is that **any one of them could easily bankroll the CREATIVITY movement over the top in a matter of a few years and forever break the Jewish death grip on the White Race.**

This is a most encouraging thought and just

Rudy "Butch" Stanko leaving the US District Court House with daughters Christine & Cari on the first day of the trial, September 5, 1984.

The Warden (Joe Class) released me from prison on October 7, 1991. But the jews do not want me out of prison or in the general population. Therefore, I am writing this UPDATE from "the hole", where I have been locked in a cell for over 110 days.

Pursuant to Prison Policy Statement 2101.2A, I made the following oath to the Warden prior to October 7, 1991, and he released me:

"I do solemnly swear that I have not property, real or personal, with which I can pay the fine imposed on me, except property which is by law exempt from being taken on civil process for debt. I have no property in any way conveyed or concealed to avoid payment of this fine, or in any way disposed of for my future use or benefit."

According to the Supreme Court and other federal appellate opinions, there are not suppose to be debtor prisons in America. See Williams v. Illinois, 26 L Ed 2d 586; Morris v. Schoonfield, 26 L Ed 2d 221. In support of these Supreme Court decisions, I quote US v. Glazer, 532 F. 2d 224 from the United States Court of Appeals in the Second Circuit:

"A prisoner will never be imprisoned for failure to pay the fine imposed upon him for the Bureau of Prisons has tailored its procedures to fully accommodate the constitutional standards enunciated in Tate, Williams, and Morris. The Bureau of Prisons Policy Statement 2101.2A makes clear that no inmate unable to pay a committed fine will be incarcerated for a longer term solely for that reason. All the indigent inmate need to do is make a sworn statement to the effect that he is in fact impecunious."

Also compare US v. Estrada de Castillo, 549 F2d 583, 584 and 586; and US v. Mack, 655 F2d 843, 847, which uses similar language concerning debtors prisons in America.

Assistant US Attorney Stinson in Tallahassee, Florida (Suite 510, 315 S. Calhoun Street), who is just a pawn for the ADL and takes his orders from the head jew attorney in this office, has instructed the Warden not to release me until my fine is paid. Since I am unable to pay the \$55,000 left to pay on the \$70,000 fine imposed by the jew judge Finesilver, I will stay in "the hole" until the fine is paid. Regardless of the Supreme Court and other federal court opinions, we still have the Merchant of Venice, the Jew of Malta, and their cohorts operating prisons in modern America.

We need to contact the Congressmen and inform them that we have debtors prisons in America by using my example.

For A Whiter And Brighter World,
Rev. Rudy Stanko

What the Kehilla is doing dates back to the darkest and foulest days of the Dark Ages: they are illegally holding him for ransom, keeping him in a debtors prison. Such political and racial vengeance is the style of tyranny one would expect in the Jewish controlled Soviet Russian gulag. The Jews are giving him the full treatments, all of it highly illegal.

But we will get him out - and soon. We are doing what we can, filing a Habeus Corpus and several other legal charges against his Mafia-like captors. **These perfidious Jews will pay heavily for all the torture and mayhem they have committed against Rev. Rudy Stanko, and against our Church. Our day will come.**

In the meantime, we urge all of our army of supporters in the C.O.T.C. to write their congressman, to write their Senators, and to insist that they demand justice and immediate release for **our great and heroic future leader, the Reverend Rudy Stanko, the future Pontifex Maximus of the Church of the Creator, the only Church in history that has taken up religious warfare against this trecherous Jewish conspiracy that is now strangling mankind. RAHOWA!**

Not only write your Congressmen, call them and urge them to take action. **Let's get Rev. Rudy out of prison and out of the hands of J.O.G. NOW! We must fight fire with fire! The future belongs to Creativity!**

HOW TO UTILIZE

(Continued from Page 1)

as we have found the GREAT WHITE PROMOTER, our next Pontifex Maximus, Rev. Rudy Stanko, so too, sooner or later, will we find the GREAT WHITE "ANGEL".

Then there are countless other White millionaires in the 100 million category whom I have not listed, who are not so well known to the public, but they are in the wings, nevertheless. I repeat, they are numerous. Added to the above, there are a host of other White tycoons who have made multimillion dollar fortunes in electronics, in computers, in beer (August Busch), in construction (George Steinbrenner), in real estate (MacArthur), in

insurance and in a host of other endeavors. As I have said in the past, **we are not helpless. Wealth is power if used effectively.**

The main point of this article is that we have not been using the tremendous wealth at our disposal effectively. On the contrary, we have been dissipating it stupidly, yes wantonly, and not for the benefit of the White Race, but rather overwhelmingly to aid and abet our most treacherous enemies, enemies whose insane obsession is the destruction of the White Race.

It is the object of this dissertation to thoroughly analyze this strange situation, to suggest a sane and constructive course of action and to so utilize and channel the tremendous wealth and power of the White Race that it will serve our own best interests. **We want to break the Jewish stranglehold on the White Race, no matter what the cost, and again become masters of our own destinies.**

The key to the solution is a matter of attitude. In this respect the White Race has been led around by the nose by its own most destructive enemy, the piratical Jew. To solve the problem, we must first of all change the White Man's basic attitude towards money and wealth itself. We must explode the Jewish attitude that wealth is an end in itself, but rather that it is only a powerful means. It is the end towards which this means is channeled that we must clarify.

In this respect, I am reminded of a story that my father told me at least 50 years ago. It is so old that I have forgotten the details, but I have not forgotten the essence. If my memory serves me right, it concerns a system the British in India utilized in catching wild monkeys, in which they placed chestnuts visibly in a fixed trough. Over this trough they had a barrier with holes just barely large enough for the monkey to slip its hand through in order to grasp the nuts. However, once it had the nut in its hand and closed its fist, it could not retract it through that same hole and it was stuck. Of course, the monkey could open its hand and let go of the nut, and make its getaway. But somehow they were either too stupid or too greedy to do so, and remained trapped. In the end they lost not only the nut, but also their liberty.

Similarly, the White Man of today, by being either too stupid to utilize his wealth for his own best interests, or too crassly commercial to let go of it, is losing both his nut and his liberty. He is squandering and dissipating his wealth and power wantonly and foolishly. This is a major calamity and we will pay dearly for this insanity. Let me therefore suggest a few simple, basic guidelines as to what you as an individual can do, whether your fortune is modest or tremendous.

GUIDELINE No. 1: Realize that money is power. It is a means, not an end in itself. DECIDE WHAT YOU WANT TO ACCOMPLISH WITH WHAT YOU HAVE. This is the first and most important step.

GUIDELINE No.2: Don't hoard your money

Against the Evil Tide

Last month we published "A Revolution of Values through Religion" which received enthusiastic acclaim from both our supporters and also our enemies. (See B & B on page 4 of this issue.) Now, just off the press, is Ben Klassen's **magnum opus**, his autobiography of 512 pages, complete with several photographs. It has been four years in the making. The title is "Against the Evil Tide," and details his life history, starting with day one. It goes even further back and includes an incisive and concise history and background of his Mennonite ancestors.

This book is for the current record and also for future historians. It lays to rest forever the malicious lies, smears and slanderous attacks launched by the multitude of vicious enemies trying to impede the onward march of the White Man's most dynamic religion -- Creativity, the only real and comprehensive racial religion the White Race has ever had in its tumultuous 6000 year epoch of civilization.

A must reading for every Creator who is interested in learning about the historic beginning and evolution of Creativity.

concerns the son of a furniture magnate worth tens of millions. The son's life ended at an age similar to the previous case, and just as tragically. Being brought up in the lap of luxury, he was spoiled, arrogant and insufferably obnoxious. He married a beautiful girl and they had two children, but they were not happy. In fact, they were quarreling incessantly, and one night when he threatened to kill her, she pulled out her gun and shot him dead. He was only 25. The court absolved her as having done so in self-defense.

Did his father's money make him happy? Obviously not. It was, in fact, the cause of his early destruction.

Case E: TOMMY MANVILLE. Except for the younger generation, most of us have heard of Tommy Manville, who was heir to the Johns-Manville asbestos fortune. The most notable thing about Tommy is that he had twelve wives. He led a meaningless, insecure and dissipated life. Was he happy? I don't know, but I doubt it, and suspect he had a low opinion of himself. Did his inherited fortune do him good or did it undermine his ability to become a man of purpose or ability? I would say that it contributed in making a derelict of him and utterly destroying his self-respect..

Alright, we have had sufficient case histories for the time being to draw some significant conclusions.

1. Money does not make people happy.
2. Subsidizing young people and bringing them up in the lap of luxury is counter-productive and usually interferes in the natural development of building character and self-confidence. Let me add here that self-respect and self-confidence are extremely important.
3. Individuals who inherit rather than make it on their own are usually incapable of handling money, managing their affairs and building a meaningful life.
4. As in Nature, **eternal struggle is the essence of life**, and to deprive one's children of that struggle is to seriously undermine their future ability to cope with building a worthwhile life on their own.

We can sum up these four points into:

GUIDELINE No. 3: Leaving your life's earnings to your children is not necessarily a constructive choice, from either their point of view, or yours.

Let me move on from the negative to the positive. It is my conclusion that giving your children every luxury and putting a silver spoon in their mouth does not necessarily make them happy, but can easily be their undoing. By so doing, you are robbing them of the most important lesson in life: that **struggle and hardship make the man or the woman.**

If I have learned any one thing in life it is this: I would much rather be poor when young and wealthy later in life, than the other way around. In fact, I thank my lucky stars that for the first thirty years of my life, my family, and I personally, were as poor as a church mouse. However, at no time did I feel deprived or destitute. I have been on my own since I was 19, and when my dad died, I inherited nothing. Nevertheless, I managed to put myself through college and make my own way. By the time I was 30, I managed to go into business for myself, and although the road was rough, it was a continual although erratic upward climb from thereon out. Never again was I to be on the edge of poverty. I will make another observation. I would sooner be rich than poor, not so much because I want to live in the lap of luxury, but it enables me to do what I want to do. And at this stage, what I want more than anything ever in all my life is to work for the survival, expansion and advancement of the White Race. Therein now

(Continued on Page 7)

and leave it to heirs. **Spend it on your most cherished goal or goals (whatever they are) while you are still alive.** The most ideal (but probably unattainable) situation would be to have made millions, but die broke, having spent it all wisely, while still alive, on the goals that were most important to you. (This remind's me of a joke about the rich uncle's will, when opened, read: "I, John Smith, being of sound mind and body, spent every last dime of it while I was still alive.")

These guidelines are simple as ABC, but they are tremendously important, and I am going to cite a few glaring examples of well-known people who were financial wizards, highly intelligent, but when it came to utilizing their tremendous wealth effectively, they were as stupid as hell.

Case A: HENRY FORD. As we all know, old Henry was a mechanical and financial genius. He left a fortune of several billion, most of which went into the Ford Foundation. He intended it to be used for philanthropic causes of rather nebulous description. Little did he know that after his death that his vast fortune would be utilized to destroy every principle he stood for. But history shows that is exactly what happened. In short order it fell into the hands of his enemies, the Jewish establishment, whom he bitterly opposed during most of his adult life. The Jews have ever since been shrewdly utilizing Henry's vast fortune to promote communism, the destruction of free enterprise, to promote race-mixing and the mongrelization of the White Race, to promote international wars and revolution, to promote the state of Israel, to increase the Jewish stranglehold, and in general, every cause that was abhorrent to Ford himself.

In the early 1920's he did start exposing the Jewish conspiracy, and not only was he well aware of it, but well informed, having spent (a mere) five million dollars researching it. Had he followed through and used the bulk of his vast fortune while he was still alive and in control, he could have built a White Racial movement fifty years ago. Instead, he backed off, concentrated on building up a bigger and bigger fortune, only to have the fortune fall into the hand of his enemies to be utilized to destroy everything he stood for.

Case B: HOWARD HUGHES. He was undoubtedly a technical and financial genius of the first caliber. He left a vast fortune. To whom did he leave it? Apparently he left no will, because he didn't care about anybody or any cause enough to designate an heir. His near billion dollar fortune was dissipated in legal fees (the lawyers were his biggest beneficiary) and finally distributed to some distant relatives, none of whom cared for him, or he for them, during his lifetime.

Did he enjoy his fortune during his own lifetime? I doubt it. He said he didn't and I believe him. He was forced into becoming a recluse and an eccentric, shuttling from hotel to hotel, country to country. He did not have a normal family life, nor did he leave any known offspring. What a waste! What the man lacked was what I point out in Guideline No. 1. He had no meaningful purpose in life.

Case C: A young man in Fort Lauderdale was left a fortune by his grandfather who had made it in the insurance business (not MacArthur). This young fellow, spoiled, brash and hedonistic, took to fast cars, fast women, alcohol and drugs. He smashed up an accident or two and had his driver's licence lifted. After that he was involved in another accident in which he killed three teenagers, including the 16 year old daughter of a doctor I knew.. After many legal battles and altercations with the law, the young man died of an overdose of self-administered drugs at the age of 23. Did his grandfather do him a favor by willing him a fortune? Not really. More to the point, it contributed to wrecking his life.

Case D: Again, in Fort Lauderdale, we have another case similar to the above. It

Dear Nature's Finest:

I have recently started studying your religious creed and although I have only been learning your four dimensional program for a short time, I have to say that they are the most logical, inspiring, and above all else honest words I have ever read. The Truth never lies. I would especially like to thank Ben Klassen, P.M. for his words of wisdom. In number 10 of the Sixteen Commandments he wrote, "Decide in early youth that you will make at least one major lasting contribution to the White Race." Well, Mr. Klassen, you have certainly made your contribution and more.

At the moment I am 20 years old and still studying Creativity. When I am well versed in your religious Creed, I will become a member of the Church of the Creator, start a mini-distribution center, and hopefully become an ordained minister with your help and guidance. Right Now this is my future goal.

In Britain, the right wing organizations and splinter groups can't see the forest for the trees, they don't see the whole picture like the six blind men and the elephant (issue no. 3). Creativity is the only way forward.

Please put me on your mailing list for future publications. Thanks.

Martyr's Blood

Dear Friends,

Many thanks for the latest issue of *Racial Loyalty*. I was especially pleased to see the memorial patch to Brian Kozel.

Robert Mathews knew that the blood of martyrs fires great causes, and so he gave his life for our people. Brian Kozel now follows in his footsteps. There will be many more that pay the ultimate price as we finally settle the score with our ancient enemy. We must honor them all as best we can.

Racial Revelation

Dear P.M. Klassen:

I've just finished reading the booklets you sent me, and they really opened my eyes to a lot of things. I don't think I have ever had my consciousness raised so much, so quickly!

I've always believed that White Supremacy and Christianity in no way mix. Their credo's are totally incompatible. Given a choice between Christianity and White Supremacy; no contest! I took White Supremacy.

I've been an atheist for years; even so, I drew upon certain aspects of the ancient Norse gods for inspiration. My heart was in the right place but your booklet on religion set me straight! You cut right through the crap to the essential. It never occurred to me before that the only fitting object of veneration for the White Race is in fact the White Race itself! That realization struck me like a lightning bolt! And for that realization, I am eternally thankful.

Your booklet on the Federal Reserve was also quite striking. I had no idea that the economy of this and so many other countries was being so tightly controlled by the jews.

I'm ready to have my consciousness raised some more! Please send me Nature's Eternal Religion, The White Man's Bible, Salubrious Living, Expanding Creativity, and The Little White Book. Enclosed is \$18.00 to cover the cost of the literature. Thanks!

To Whom This May Concern:

This is coming from Atlanta, Georgia. I got you address from a phone book. I'm a black man and I would like for you white racist mother f---er to know that racism still does exist and it always will but the power that the white man had is gone and gone forever. Accept it or not, but you are now the minority. You can no longer call black people niggers without getting your ass kicked. You faggots need to put your energy into something more positive instead of this racism shit. Without black people the world would not survive. We have the best athletes, we have the prettiest women, and the best comedians, we are better soldiers and we are naturally physically stronger than you weak white people. Most of all, we have bigger ---. Every white bitch that I have ever f---ed, and believe me, I have f---ed my share of your white bitches, they have never went back to a little --- white boy. One thing is true, if a white bitch has a baby by a black man, the baby is a lot prettier. Now you ask who rules, this is the answer to that question:

Black man + Black woman = Black baby
Black man + white bitch = Black baby
white boy + Black woman = Black baby
Anymore f---ing question? Now put this in your f---ing white red neck news paper.

Making Sense

Dear C.O.T.C.:

Four or five years ago, my young White son got involved in White Supremacist groups and I really did not understand why. But over the past few years his views have started to make sense. I would like a copy of the current *Racial Loyalty* and more info if you can send it. I do not advocate violence or provoke any violence, but I do protect myself against anyone who might for a minute think that they are my equal even even superior to me.

Double Standard

There has been much controversy about David Duke running for Governor in Louisiana. This all stems from the fact that he was once a member of the Ku Klux Klan and a self-proclaimed Nazi.

President Bush said he couldn't support Duke because of his past, but he was quite content to support the nomination of Supreme Court Judge Clarence Thomas, even though he was a self-proclaimed Black Panther in his youth.

Why the double standard? What is the big deal about David Duke's past activities? The black people have many organizations that are pro-Black and anti-White such as the Black Panthers, Black Muslims, NAACP, and CORE. The Jews also have many organizations that are fanatically pro-Jewish and anti-White such as the Anti-Defamation League, Jewish Defense League, United Jewish Appeal, and the American Jewish Congress. Most people observe nothing remiss about this. What is wrong with White People organizing for their best interests? The media praises Racial Pride among the so-called "minorities", but unanimously condemns White Pride. Why is it that only White People are smeared when they stand up for their proud Race and beautiful Heritage?

Why is there a plethora of anti-Duke articles, yet not one article published in his favor? What happened to objective, impartial reporting? What ever happened in the November election, the fact that David Duke went as far as he did, with all of

the media, ed-jew-cation faculties, special interest groups, President Bush, and the rest of the Jewish Occupational Government armed and organized for his destruction is a testimony to the White Man's instincts for self-preservation. For not only is David Duke being attacked, slandered, vilified, and targeted for destruction, but so is the entire White Race! This is in spite of the fact that White People built this Nation from an untamed wilderness, and are still the mainstay of productivity, creativity, and intelligence. Without the White Race the U.S.A. would be reduced to a Third World Nation.

Ours is not a message of HATE, but a message of LOVE for the White Race and all worthwhile culture and civilization...all White People with their brains intact had better wake up and take notice before its too late!

While We Sleep

Dear C.O.T.C.:

Many Years ago I visited the United Nations building in New York. There in the foyer stood a statue 2 stories high - he was brown in color - and the plaque said: "The future man in the New World Order will be a mixture of all five colors and the United States is the laboratory."

Above is the "UNESCO Brown Man, as we may call him or it, which was photographed from page 70 of the book *UNITED NATIONS: Blueprint for Peace*. The author of the book says the picture is an official UN photograph. The cutline under the picture says it "represents all of us, everyone on earth". Obviously, this raceless, characterless "man", standing on the world, is the UNESCO ideal toward which all of us must work, the blending of all the races of mankind into one composite, raceless, nationless, homeless, characterless, faceless brown slob - utterly lost from all heritage and completely subject to the will of the Jewish "master race" - which, while producing the propaganda urging us to blend, quickens the tribal pride of the Jews to keep them from blending. The statue resembles the "art" of, and evidently was done by, the Jewish revolutionary, Bernard Rosenthal who also did the infamous trio, the Faceless Family, "Mr. and Mrs. Faceless and Little Faceless", showing parents and a child just like the one above, representing the future family!

Perhaps in a smaller town the reality, hostility and tension between the people is not as visible, but here in Tampa, many of our banks are going bankrupt or merging; many couples are losing their houses due to foreclosure; small businesses are being eaten up by the big department stores; downtown Tampa is becoming a ghost town, except for the derelicts which line the streets and keep the benches warm.

Pres. Bush has just signed an agreement with Gorbachev to release 250,000 jews from Russia to go to Israel - Israel wants the \$10 billion to build housing for these jews. Last year I sent an invitation to Poland for a 45 year-old cousin of mine to visit me in Florida. The Visa for the

(Continued on Page 5)

visitation was refused. I'm very angry about this - there was 250,000 visas for jews, but none for a White gentile.

The jews are working at a feverish pitch to build and bolster the strength and security of Israel, while they work equally as hard to destroy all that we have created for ourselves. Many jews plan to leave for Israel, and those who study the subject tell us that after the jews leave the gentile countries, they will promote revolution and chaos in each country to kill off the gentile population. My cousin in Poland recently told me that people are leaving Russia by the thousands, and selling their belongings along the way - she doesn't know that this is the jewish exodus to Israel.

One fellow on the radio spoke a wise sentence - straight and to the point - when he said "**Many rich jews in the United States have more money than the entire U.S. Treasury...why don't they give the money to Israel?**"

I received your letter of 11-4-91 and the excellent book "A Revolution of Values Through Religion". As a matter of fact, I was reading the book and another White Comrade approached me and asked about the book and what Creativity is all about. I gave him some of the booklets you sent and explained to him what I know of Creativity. So if you receive other letters from here you know that I am spreading the word. You all have helped me so much mentally with Creativity that I feel very excited about it. I really appreciate everything, and will write again when time permits.

Christmas Facts

Hail Pontifex! and Greetings to my White Racial Comrades at world H.Q.:

This Christmas, while most of us will be caught up in the exchanging of gifts, mainly because many of our family members would feel slighted if we didn't, let Creators be equipped with the facts about the celebration of December 25th. Part of the Christmas fairy tale tells us that King Herod "was exceedingly wroth and sent forth and slew all the children that were in Bethlehem, and in all the cases thereof, from two years and under..." This is in the second chapter of Matthew. Not only is there not any historical evidence of Mr. Christ having ever existed, but it would also be difficult for Herod to be "wroth" at his purported birth, since history *does* tell us that Herod had been dead for four years by the year 1 A.D. - the year of J.C.'s claimed Virgin Birth.

The Virgin Birth routine is nothing new, either; Spook peddlers seem to have a penchant for it; Krishna was supposedly "immaculately conceived", likewise Dionysus, whom the Romans named Bacchus. Dionysus/Bacchus is supposed to have "turned water into wine" at one time. Sound

familiar? His birthdate is allegedly - would you believe - December 25th!

The Jews reap another of their harvests peddling their wares to the sheepish goyim this time of year, but let it be known that "Christmastime" was a traditional time of season for the virgin birth of a half-dozen Pagan gods before J.C. was ever invented.

As Creators, let us instead honor December 22nd, the Winter Solstice. It is the scientific real world change of the seasons.

Let us make Christmas Day a time of extra distribution of the word of the man who has come to set the record straight - Ben Klassen, our Pontifex Maximus!

Swedish Salute!

Dear C.O.T.C.:

I thank-you for the copies of Racial Loyalty. We are getting good responses from White Comrades here in Sweden, and they write a lot about us in the newspapers. Yesterday they had stickers from the C.O.T.C. on the news, and they talked about how horrible it was with the growing racism here in Sweden. I thank-you once again for the R.L. copies and keep up the good work.

David Duke

Dear C.O.T.C.:

I think that we can all learn something from the tragic David Duke race in Louisiana. The race was lost - the Governor's race that is, because *that's* what it was - a Governor's race, and not a debate on the salvation of the White RACE.

I think the most sickening thing for me as a Creator was watching this become a sparring match over who was the most CHRISTIAN! Seeing Duke try to "Out-Christian" the venal crook Eddie Edwards and watching the campaign veer away from racial issues to "who-is-the-best-born-again-Christian" was certainly a nauseating experience. And from what we've learned about Christianity from P.M. Ben Klassen, I think that we can safely conclude the Bob Hawks was not an "Edwards Plant" but was the bona-fide item: i.e., a bona-fide BORN AGAIN BOOB! Why Duke would put such people in delicate positions of responsibility is something he will have to answer. I have no problem with him being a poseur, but hell, at least Edwards openly expressed doubt.

This is an expensive lesson for Duke, but an important one. It could be said that Christianity lost this race for him. And Christianity has brought the born again boobs in Louisiana once again what they deserve - a venal crook for Governor who will continue to hand over their hard earned tax dollars to niggers - already 31% of the population - so they can breed more niggers!

Christianity is going to turn on and destroy any White racist who tries to ride that ass to any campaign victory! Duke knew better; he knows that the tenets of Survival of the White Race and Christinsanity are totally INCOMPATIBLE! He probably would have had a much better chance not even bringing up the issue of born-again, posing as a pseudo-Christian, and hiring born again boobs for his campaign staff...

Duke might as well pack up and move to a White state to run. No White activist is ever going to win in Louisiana where niggers, jews, and hispanics make up 35% of the population.

This race should also be a lesson to those who like to dress up in sheets or Nazi uniforms and parade down the streets of Pulaski. Those jews in the courthouse belfry snapping photos are up there for a reason. If you ever later down the line plan to run for public office, those pictures are going to surface. Note who is presiding over

post-communist Russia now. It isn't the Christian boobs who protested in Red Square in 1968 over the invasion of Czechoslovakia - they disappeared. It is the folks who worked from within the Communist Party to destroy it. Duke did have the right idea working within the established Republican Party - it will never be quite the same again. The dumbest thing of all was Duke agreeing to go before a "Holy Inquisition" of Evangelical Christians in the Central committee of the Louisiana Republicrat party to be given a "litmus test" to determine whether or not he was a REAL Christian who had undergone a REAL conversion -- as if there was such a thing!!!!????!!

Reclaiming Turf

Gruszungen!!

As I'm sure you realize as well as anyone, there is just too much going on in the world for any one individual to stand any chance of tracking, leave far alone responding to.

Love it or lump it, we are all an irremovable part of history in the making...reminds me of an old Navy recruitment poster from WWI that I saw in an antique store once. Showed a guy in a street suit with his snap brim reading a newspaper. Directly behind him was a gob in the dress blues of that era slapping the civilian on the back to draw his attention and saying:

"Hey, buddy, don't read history, MAKE IT!"

Last week we did just that: one of your Reverends and I went down to S.F. to meet up with some down-for-it-all Skins and cruise the streets for some action. And action we found. WE got into a verbal with some gutter scrapings down in China Park and were right on the brink of going to knuckle city when one of these *untermenschen* stalked off the premises to "go get my shotgun".

As every one of us there had been shot at on prior occasions and, more importantly, carried no ordnance that night, we allowed prudence to override foolhardiness (which we don't always) and "respected their turf". But this I have to say: the S.F. Skins are taking back and reclaiming lost turf. Make no mistake. Haight (Hate) Ashbury is back in our hands.

Anyway, you all must have noticed by now the amount of coverage we've been getting, and particularly the COTC. We saw you guys on Geraldo and you all looked great in flat defiance of everything YOU KNOW Geraldo tried to do to portray you as everything but. Geraldo bombed out repeatedly on 20-20 and all his other pseudo-journalistic attempts on trash T.V. Now his umpteenth gambit is NOW IT CAN BE TOLD. How snivelous of him. I told him the other day that he needed his nose broken again....right at the neck. It was a well invested buck to dial the 900-SPEAK-UP number and level a blast at him.

Even young Eric Hawthorne up in Canada gave a pretty good account of himself considering that he obviously hadn't dealt too much with media maggots like Geraldo. Typical of his rotten ilk in the media, Geraldo couldn't attack the issue or the philosophy, so he attacks the person, hardly anything new or original.

In the future, I am assured that Eric and many others like him will come up with some very juicy responses to loaded personal questions on the air that will put some very bad cracks in Geraldo's pizzazz and send him reeling backwards. It's not unlikely that he will soon have a nose that can boast more bends and twists in it than the coastline of Connecticut. Every time he tries to sneeze, he'll be three weeks too late.

From the Jewish Bible:

Wild stories of Pornography, Obscenity, Immorality and Violence which are being accepted by the gullible Christian yokels as "The Word of God"...

Part XV in a Series based upon Chapters of "The X-Rated Book: Sex and Obscenity in the Bible" by J. Ashleigh Burke (with illustrations by Ron Quinn)

Judeo-Christian Bible Favors Wind Instruments Breaking Wind Like Harp Music Is Biblical Boast

Breaking wind in harp-like tone
Is a most unusual claim;
Just such flatulence in Isaiah blown,
Brings someone a claim to fame.

Expelling intestinal gas to make the sound of a harp is an incredible asertation found in Isaiah, a book so confusing at times that one is not always certain who is saying or doing what. Thus in this instance one cannot be sure who should get the credit for the orchestration. As the story goes:

Isaiah 16:

10. And gladness is taken away, and joy out of the plentiful field; and in the vineyards there shall be no singing, neither shall there be shouting; the treaders shall tread out no wine in their presses; I have made their vintage

- shouting to cease.
- 11. Wherefore my bowels shall sound like an harp for Moab, and mine inward parts for Kirharesh.
- 12. And it shall come to pass, when it is seen that Moab is weary on the high place, that he shall come to his sanctuary to pray; but he shall not prevail.
- 13. This is the word that the Lord hath spoken concerning Moab since that time.
- 14. But now the Lord hath spoken...

A story of musical gas expulsion was also extant during the time of the French essayist Michel Montaigne (1533-1592). In one of his essays he relates an anecdote, probably handed down-hearsay, of a man who could break wind to any tune given him. One wonders whether Isaiah 16:11 might have been a forerunner of this airy story.

The Purpose of this Series

Our purpose of this series is to expose and destroy the myth of the sanctity of the Jewish scribblings which have been foisted through deceit and terror by the perfidious Jews upon the White People as the "ultimate and immutable word of God". The fact is that the Jew-spawned Christianity (centered on the anti-natural, absurdly illogical and suicidal legends about a mythical Jewish bastard) is the deadly mind poison which destroyed the glorious White Roman civilization and is currently destroying all of the White Race; therefore Christianity must be exposed, defeated and eliminated in order to save the White Race. By using ridicule and unmasking this idiotic age old spooks-in-the-sky swindle, we believe we can best help lead the White Race back to sanity, common sense, and a healthy, constructive attitude towards its own best interests. *Delenda est Judaica!*

(Continued from Page 3)

lies my whole satisfaction, my whole purpose in life.

I repeat - **Money is power.** A vast fortune is a lot of power. It is a criminal act to dissipate it pointlessly, as most of our White Racial Comrades are doing. The next question we want to consider is what is the right move financially to make regarding your children. If leaving them your life's savings might do more harm than help, should you invest it in giving them a super education? This is an important question, and not easy to answer. Let me cite another case in history.

Case F: I have a good friend who is now 70 years old. He apparently has leukemia and does not expect to live much longer. He worked hard all his life trying to do the right thing by his family, by his country, and account to his own conscience and self-respect. He is a model citizen and served his country proudly in WWII. He reared three fine intelligent sons and gave them the best educations. All have university degrees (one has a Bachelors, one a Masters, and one a Ph.D.). As the years went on and he became more and more aware of the Jewish conspiracy, he finally realized (too late) that he had fought on the wrong side, that he had fought for the benefit of the jews and to the detriment of the White Race. He now feels he has been betrayed by the very country for which he "proudly fought." His sons are now all professional men with families of their own, but having been processed and programmed by a Jew-oriented university (Berkeley in the 60's), they now totally disagree with him philosophically and with his understanding of what is going on in the world today. Politically and racially they are totally alienated from their father, who scraped and sacrificed to send them through all those expensive years of "education". In desperation he asked me, "What is there for me to fight for if even my own children are alienated and on the side of the enemy?" It is a tough question, but there is an answer to it for other parents. My answer is this: rather than sending our children to Jew-oriented universities to become enemies of the White Race, **that same money might well be spent far better in investing it in the future of the White Race.** After all, what future do our children have in the iron-clad Jewish New World Order even if you left them millions?

"OUR ONLY FUTURE"

So, my next guideline is this:

GUIDELINE No. 4: The most effective use you can make of your wealth is to invest it in the future of your own race.

How can you do this? Well, in just the same way as the Jews do it. True, they get the goyim to carry most of the freight if they can, but nevertheless **they shell out, and shell out heavily of their own money as well in every Jewish cause** they believe will help promote the survival, expansion, and advancement of their own race. The Rothschilds spent hundreds of millions of their

own money setting up the state of Israel. Jacob Schiff of Kuhn, Loeb and Company spent 20 million dollars of his own money training Trotsky and his 3,000 Jewish cutthroats and then sending them over to Russia in 1917 to topple the Czar and set up Jewish communism. The Rosenwalds (of Sears, Roebuck) have been, and still are, spending tens of millions promoting race-mixing. All this, and much, much more, is done for the cause of the Jewish race, by millions of Jews.

Why can't the White Race do the same? After all, some White Racial Comrade who is worth say, 5, 10, or 50 million dollars can't possibly spend anywhere near that amount sensibly on himself or his family. He or they can only eat so much food, wear so many clothes and utilize so many rooms of any house. Any man that is worth 100 million dollars could easily give away 90 to 95 million dollars to the cause of the White Race and still not suffer in the slightest in living a full and affluent life. The surplus represents only so many useless digits on a balance sheet that do nothing for him personally except possibly beef up his ego. But ego or no, if the White Race goes down the drain (as it is now headed) the wealthiest will be the first to go down with it. Strangely, it is the very wealthy who have the most to lose if the White Race is destroyed and would suffer the least if they threw the bulk of their wealth into the cause of the White Race. Strangely, it is they who are the deafest in listening to reality. But sooner or later we will get through to some who are willing to see the light. We must make sure that we do.

"THE MOST EFFECTIVE USE YOU CAN MAKE OF YOUR WEALTH IS TO INVEST IT IN THE FUTURE OF YOUR OWN RACE."

In the meantime, there are millions of White Racial Comrades in the middle class, and even in the lower income brackets who are potentially our staunchest supporters, some of them giving until it hurts. We say more power to them!

If all of this sounds like a call for support of the Creativity movement, well, my friend, you are so right. We solicit your support and we need all the help we can get. But let me quickly add that all the above advice is completely valid no matter what White Racial movement you prefer to support. It is valid even if you want to support none, but if your cherished goal is to blow it on wine, women and song, the key is spend it wisely while your alive. Don't hoard it for heirs or for the hereafter. In the first place, the heirs will probably neither appreciate it, nor deserve it, and in the second case, you can't take it with you. In fact, it probably won't be any good to you, or your children, or anybody else in a few years. Remember, the New World Order is on its way. So use it now and use it effectively.

In summation let me briefly recapitulate:

1. Make a cold and sober decision as to **what goals are most important to you** in your life.
2. Don't hoard your money to leave to some heirs. Spend it on your own cherished goals

while you are alive, and in control.

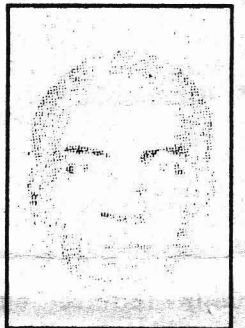

3. Leaving your assets to your children is not necessarily in the best interests of either your children or yourself.

4. The best and most enduring investment is in your race. Remember - money is power. Your money is your power to follow your own dream. **Don't let some scurvy bandit talk you out of your dream or take it away from you.** You earned it, you deserve to spend it as you see fit.

Exercise your options to do what you want to do while you still have control of your own assets. You can't take it with you, but even while alive the Jewish IRS or other thieves can take it away from you. Therefore, I say: **take action now and utilize your wealth effectively while you still can. FOLLOW YOUR DREAM NOW. No one knows what tomorrow brings, but by investing in the White Race you will be investing in the best future possible.**

Another Victim of the Black/Mud/Jew Criminal Terror Against Whites

Andy Whitley (left) was shot and killed by a suspect whose composite sketch appears at right.

Andy Whitley, age 19, was an employee at a Winn-Dixie Supermarket in Atlanta, Georgia, and studying to become an automotive designer. Andy's life was cut short by a bullet one afternoon as he raced to the aid of Virginia Sanders. Ms. Sanders was being violently attacked by a black nigger savage in the Winn-Dixie parking lot.

Ms. Sanders said she was sitting in her car outside the store when a black gunman approached her from behind and ordered her out of the car.

As she reached for her purse the suspect pulled her out of the vehicle by the hair and smashed her head several times on the trunk. The gunman fired shots at Ms. Sanders as she scrambled for safety, then tried to steal the car.

Having witnessed the incident, Andy Whitley ran to apprehend the suspect and was shot in the heroic but fateful attempt.

Although it is a great misfortune that Andy lost his life, what he did was what every White man or woman should do when the racial enemy attacks one of our own. White apathy is highly unnatural and very deadly. Assaults on Whites will only increase if we stand back and do nothing.

**All Whites, Unite and Fight!
Keep America White and Safe!**

Join the Creativity Movement and hasten the day when all enemies of the White Race -- niggers, muds and jews -- will be shipped out of all White lands around the world.

Cupid's Corner

One of the 16 Commandments of CREATIVITY states: "Be fruitful and multiply! Do your part in helping to populate the world with your own kind!"

Therefore, to bring eligible White men and women together and facilitate the accomplishment of the very important goal of White genetic procreation, Racial Loyalty has created a

"White racial match-making service" which is called CUPID'S CORNER.

There has already been considerable interest among our members in taking advantage of our CUPID'S CORNER in finding an ideologically compatible life-partner for themselves, and we have received several inquiries.

We invite all White readers of Racial Loyalty (and especially White girls and women!) to participate in the White racial match-making service by writing to:

CUPID'S CORNER c/o Racial Loyalty
P.O. Box 400, Otto, NC 28763, USA

- 1..Include a recent photo of yourself.
- 2..Give most of the basic statistics: race, ancestry, age, sex, weight, height, color of eyes and hair, health, overall appearance.
- 3..Brief personal resume: level of commitment to the pro-White racial activism, ideological / political / religious convictions, education, job, hobbies, interests, talents.
- 4..Preferences about potential life-partners of the opposite sex with whom the writer would like to correspond.

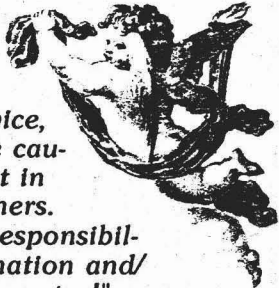

These are some of the items you might wish to cover in the initial letter, but it is not necessary to go into too much detail. Keep it short and to the point. The essential information of your inquiry will be added to our match-making master list.

The ultimate objective of participation in the White racial match-making service - CUPID'S CORNER is, we hope, marriage and the founding of another White family.

The White racial match-making service - CUPID'S CORNER is provided free of charge as a special service to all White subscribers to Racial Loyalty.

White Men and Women, be fruitful and multiply! Do your part in helping to populate the world with your own kind! Rahowa! This planet is all ours!

(Disclaimer: Racial Loyalty encourages all participants in the White racial match-making service, CUPID'S CORNER to use caution and sound judgement in evaluating potential partners. Racial Loyalty takes no responsibility for possible misinformation and/or mis-matches. "Caveat emptor!" Buyer beware!"

Important Note:

Dear participants in the White Racial Match-Making Service, please be patient!

It takes time and effort to develop a good match-making master list. The problem is that most of our responses are coming from men. But, we are sure, with time we will reach a more diverse group of eligible White people, not only in the U.S., but also Europe, Australia and South Africa.

Fourth Estate and the New World Order

by Rev. Dick Liggett, Jr.

If you are like most Americans, according to Gallup polls, you are being brainwashed if you believe most of what you hear on radio, see on television and motion pictures or the news media. You are the victim of Jewish Socialist engineers that have little affection for facts. For instance, ABC News staged a scene with someone who looks like American diplomat Felix Bloch. He handed a briefcase to another actor who was posing as a KGB agent. CBS news faked battle footage and gave false news accounts of the war in Afghanistan on at least four occasions. We are the victims; our attitudes and beliefs are being formed by lies.

David Brinkley, speaking before a meeting of the Radio-Television News Directors Association, stated that most Americans don't read newspapers for their news. Most watch television. "All they know about public policy," he boasted, "is what we tell them."

Brinkley is right. **Television news is a Jewish propaganda tool, not a free-enterprise system.** Jann S. Wenner, publisher of *Rolling Stone*, formally editor of *Look* magazine, told professors and students at the University of Southern California Journalism, "We don't have a free-wheeling, competitive, diverse, unrestricted free press as contemplated by the First Amendment, but a government regulated monopoly. We have a Big Three in New York just as we have a Big Three in Detroit."

A. Frank Reel, author of *The Networks*, in his book *How They Stole The Show*, reveals the "lords of the television business" would like us to think of their industry as a "fine example of free enterprise," but, in this case free-enterprise is at the apex of the "most powerful, most effective, and most impregnable and dangerous monopoly in the United States."

Jewish overlords control the propaganda networks, NBC, ABC, RCA, CBS. They have been able to turn government legislation in their favor. What all this means is, these Jewish controlled journalists are pushing socialism and their New World Order down the throats of an unsuspecting nation. Only when viewed from this perspective do world events make sense. Once aware, one can see how Mikhail Gorbachev, Fidel Castro, Nelson Mandela and Danny Ortega have managed to get so much favorable publicity.

Was Walter Cronkite really "The Most Trusted Man in the Media?" His liberalism was obvious in almost everything Cronkite said or did. He was a powerful force in this country. When Reed Irvine, head of *Accuracy in Media*, a news monitoring organization based in Washington, D.C., appeared on *Point of View* and said that "Cronkite probably did more than anyone else to convince the public that our situation in Vietnam was hopeless after the 1968 Tet offensive even though the enemy had suffered a crushing defeat. In 1974, he did not report demands for building up our defenses. Only stories about those wanting to cut defense spending were considered newsworthy."

Irvine continued: "Even North Vietnam now publicly admits that the Viet Cong forces were virtually wiped out in the Tet offensive. Had Walter Cronkite not been led by his Jewish bias to spread defeatism in the wake of the biggest victory of the war, the world might have been spared a great tragedy."

Cronkite used his powerful position as a network anchorman to influence the perception of events by selective reporting of the facts and insinuating his judgments into his broadcast. With Cronkite as the standard, is it any wonder that the networks are so left of

center?

With over 40,000 (mostly Jewish) professors in our school system, a survey of students at the Columbia University in Journalism, which is the premiere feeder from college into the major media organizations revealed: most were well to the left of their elders in the media, united in rejection of traditional morality and their support of social liberalism.

They are almost equally strong supporters of environmental protection, affirmative action, women rights, homosexual rights, and sexual freedom in general. Obviously the media assortment has been sufficiently trained by secular humanists in rejecting all moral absolutes. When it comes to their attitudes in sex and sexual roles they are virtually unanimous in opposing both governmental and traditional restraints.

The media is very hard on "right wing dictatorships", as they should be. But they are soft on left-wing, brutal totalitarian dictatorships in such places as Cuba, Nicaragua, and the Soviet Union. The media plays up arch criminal Mikhail Gorbachev by giving him three to one coverage over Ronald Reagan who enjoyed a large popularity rating and was considered a conservative by the people.

Jewish overlords promote Communist oppression with their media monopoly: the media said that Mao Tse Tung was an agrarian reformer, that Ho Chi Minh was the George Washington of Vietnam and that Castro was a nationalist. Now they are saying that Nelson Mandela is a non-communist, even an anti-communist, in South Africa. Mandela and his comrades are going to take over this strategic country, make life worse for both blacks and Whites, and cut off essential materials that make our economy run and our standard of living possible. The media is making his release from prison seem like the Second Coming, and refuse to give the facts. If the blacks of South Africa rise up and slay every White man, woman, and child, in the brutal spirit of San Domingo and Rhodesia, I wouldn't be surprised to watch the Western media bend over backwards trying to justify the massacre. We would be shown scenes of blacks celebrating their new-found "democracy" and "freedom", instead of piles of

White corpses scattered graphically on the streets.

The fact is that the Jewish media is both humanistic and liberal as is borne out by a Public Opinion Magazine poll, which reveals that of 104 top media executives, 82 percent voted for McGovern, 76 percent for Carter or Anderson over Reagan, 69 percent believes government should redistribute income, 92 contend that women are not better off in the home, 97 percent are pro-choice, 80 percent disagree that homosexuality is wrong, 86 percent believe that homosexuals have the right to teach children, 51 percent disagree that adultery is wrong, and only 7 percent attend religious places of worship regularly.

Publishing houses are involved in book clubs, reprints of children's literature, large newspaper chains, and national magazines. Thus aligned with Jewish influence in the electronic media, this constitutes a formidable influence upon the information and ideas in America. Gun laws seem to be one of the main propaganda thrusts in the United States today. As I have detailed in a previous article printed in *Racial Loyalty* (see issue # 73), **Jewish cabals are fronting the liberal agenda for gun control and eventually gun confiscation in preparation for their New World Order.** We have been propagandized into believing that guns are the root cause of crime in the United States. Although Washington D.C. has the strictest gun laws in the United States, it also has the reputation for being the murder capital of the world. Violent crimes are blatantly engineered by script writers and propaganda experts, executed and made fashionable by the movies and television, and all controlled by the Jewish establishment. **Our enemies operating in Washington D.C. have little or no interest in crime. They are after our FREEDOM...**

THE JEWISH GOAL IS ANARCHY FOR THE UNITED STATES, WHERE A NEW WORLD ORDER WILL EMERGE. A WORLD GOVERNMENT THAT WOULD EVENTUALLY BE CONTROLLED BY JEWS, IN TOTAL AND OPEN REVERENCE TO THEM...A JEWISH UTOPIA!

The UNITED NATIONS building in New York City

The United Nations is a part of the Jewish master plan. Jewish writers have traditionally claimed that the United Nations idea is a Jewish invention from beginning to end, and the evidence supports their claims. Israel's former Premier Ben Gurion told a *Time* magazine correspondent (see *Time*, August 16, 1948), "I consider that the United Nations ideal is a Jewish ideal." **The UN founders' dream, has become a freedom lover's nightmare.** The Jewish Utopia will not be a communist victory, economic communism was only a tool that has served its reign and been discarded; **it will be a world-wide socialist state controlled by the United Nations.** There will not be an acre of soil, a corner of real estate, nor an inch

of land on this planet where a man will be able to run to escape oppression. **It will be a living hell on earth if the Jews have their way. It must be stopped at all costs.**

In 1939, Henry Waton, in his book "A Program for the Jews", wrote that **"The Jews have a right to subordinate to themselves the rest of mankind and to be masters over the whole earth...The Aryans will enlarge and beautify the earth; but they will settle to enjoy the world which they created only in the tents of the Jews."** He continues, making an equally arrogant statement that **"The Jews shall inherit this earth, and...all other races will either disappear altogether or they will become Jews." Their target is to completely eradicate the White Race, by means of economic strangulation, increasing the desire of birth control and abortion, and by encouraging and eventually forcing race-mixing.** G. Brock Chisholm, former director of the World Health Organization (a UN agency), stated: "What people everywhere must do is practice birth control and miscegenation (mixing the races) in order to create **one race in one world under one government.**"

The Trilateral Commission

When dictator Fidel Castro angrily demanded a "new world order" in a speech he delivered to the UN General Assembly in October 1979, he made plain his desire that the UN become **the world government of the future.** President Bush has repeatedly used the term himself over the last several months, including a simultaneous call for a "reinvigorated United Nations." The back of the American one dollar bill includes the Freemasonic Illuminati, with the inscription **"Novus Ordo Seclorum",** which means **"New Secret Order Enforced by the Whip".** At the right side of the bill is the Presidential Seal, with the stars arranged to form a larger star, the Star of David. **The writing is on the wall, White Man! The New World Order, imposed and guarded by violence, treachery, and tyranny is coming; the JEWISH OCCUPATIONAL GOVERNMENT is turning over our massive military into the hands of the United Nations, and it is their blood covered hands that shall invoke a reign of terror over the world. With our enemy playing deadly games, White Christians are cringing before a mythical Jewish god and praying for mercy, the sleeping White Race is ignoring the signs and failing to see their common fate, and our people are splintered and defenseless in the face of catastrophe.**

The Church of the Creator is rallying up Our Race with the call "White People Awake!" We are growing in our influence and in our strength, our message is being heard far and wide; White Man! Get involved! Get active! Join us as our legions swell to turn the tide, join us in our quest to secure a future for our proud White Race and culture! We have remained silent long enough! Now let us hold our heads high and march into glory as noble soldiers in the RACIAL HOLY WAR! RAHOWA! DELENDA EST JUDAICA!

WHITE PEOPLE AWAKE! SAVE THE WHITE RACE!

Help us put Ten Million WMBs in the hands of our WRCs!

When we do, the war is as good as won, and the enemy destroyed.

In This Dangerous Hour

By
Rev. Eric Hawthorne

*In the twilight of this darkened day,
In coffins do our heroes lay,
And every hope our foe does slay;
In this dangerous hour...*

*Injustice swift as our souls die,
Our pain and sorrows multiply,
Yet no one hears our children cry;
In this dangerous hour...*

*Feel the stalking of the jew,
Await our fate is all we do,
The reaper holds his hand to you;
In this dangerous hour...*

*And see the fear held in my eyes,
As none among my people rise,
No one seems to realize;
In this dangerous hour...*

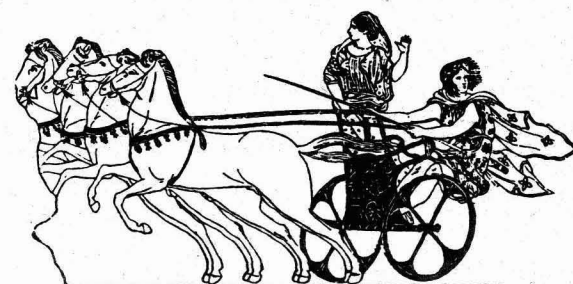

*But wait! Above the hills I gaze -
I'm nearly blinded by the rays,
The sun does rise through dusky haze;
In this dangerous hour...*

*Not for Odin did they fight,
Nor for Yahweh's Hebrew might,
But for our people - Proud and White;
In this dangerous hour...*

*Our Leader's given all we need,
A powerful religious Creed,
And for White Victory sow the seed,
In this dangerous hour...*

*So join our ranks and turn the tide,
While others turn their backs and hide,
Into the Racial Holy War we ride;
In this dangerous hour...*

*The marching comes in crashes bold,
As warriors enter to our fold,
The legions seize our land of old -
For this is Victory's hour!*

WHITE HEAT CARTOONS

by Ron Quinn

Christmas The Day After

A few days after Christmas, a Protestant, a Catholic and a Jew were sitting at a bar, recalling how they each had spent Christmas day.

The Protestant said, "Well, we started celebrating on Christmas eve. We went to our local church and listened to a short sermon and sang some Christmas hymns. Then on Christmas morning we gathered around the tree and opened presents. Then later, we had our big Christmas dinner!"

The Catholic said, "Well, by and large we did the same thing, except we didn't celebrate Christmas eve, but got up early the next morning and went to Mass. Then, at about 1 p.m. we had our big dinner, after which, we opened our presents."

The Jew looked at the two and said, "Well, we have a different approach altogether. On Christmas day we invited all of our relatives and co-religionists to come together at the Department Store. We opened a case of Slivovitz, then we rubbed our bellies and looked with glee at the empty shelves and full cash registers. Then we kneeled down and gave thanks to our own boy, Saul, who invented this clever gimmick and made it all possible in the first place. Then we sat down in a great big circle and sang, *What a Friend we have in Jesus!* ♪♪♪
