

Little White Book - 10 **Lessons of Nature for White Survival**

1. We must recognize and separate our own biological species, our own precious White Race, from that of the mud races.
2. We must recognize our natural enemies, namely the mud races, of which the Jews are the most vicious, treacherous and deadly. DELENDA EST JUDAICA!
3. We must recognize that our most important mission in life is the survival, expansion and advancement of our own kind and that we must make the world safe, not for democracy, but for the future of our own progeny, for all time. 4. Instead of accepting and succumbing to sick and degenerative Jewish ideas such as Liberty, Equality and Fraternity; Christianity, Communism and Democracy; race mixing and the promotion and subsidization of the scum and the inferior mud races, we must have a complete revolution of those values we hold dear, values that are promulgated by the White Race, for the best interests of the White Race and the White Race exclusively.
5. To do this, we must have a clear, consistent, comprehensive creed and program of our own, based on those values that are in our own best interests. Such a creed and program must embrace such key values as Racial Loyalty, White Racial Teamwork, Racial Purity, the Leadership Principle, the practice of eugenics and the upgrading of our racial species, and many other vital concepts as set forth in our own NATURE'S ETERNAL RELIGION, THE WHITE MAN'S BIBLE and other religious books of CREATIVITY.
6. We must realize that whether we like it or not, we, the White Race, are embroiled in a deadly racial war, a war not of our making, but contrived and orchestrated by the worldwide Jewish network. We are now in the precarious position of being exterminated, a crisis that is coming to a rapid climax. Unless the White Race soon becomes aware, aroused, organized and militant, we will soon be an extinct species.
7. We must also realize our own worth: that we are Nature's Finest, and also we must recognize our own strength and resources. Aroused, united and organized the White Race is the most powerful force on the face of the earth.
8. We must realize that we cannot save all of humanity, and that we have no obligation to do so. We must get our priorities straight and save our own precious White Race in accordance with the principles of TRIAGE. (See RL No. 67.)
9. We must now muster and mobilize those forces we possess and wage an all out war to destroy our enemies and save the White Race from extinction. We must mobilize and polarize around one powerful, comprehensive and militant creed to save ourselves and our future progeny. That creed and program is Creativity and Creativity exclusively.

We must realize that we are now in a dire and crucial crisis in the life span of our race, and we must dedicate ourselves to winning this crucial battle for White survival at all costs, no matter what the price or the sacrifices required. We are Nature's Finest, and in accordance with the Highest Law of Nature – survival of the species – we must and will use any and all means to secure the survival of our species.

The end (White Survival) justifies the means (any and all means deemed effective and necessary).
RAHOWA! WHITE POWER!
