

The power of a religion was again demonstrated in the suicide bombings of the World Trade Center on September 11, 2001. Service to the perceived commands of "God" can even override the instinct for self-preservation. Giving credit where it is due, the proponents of a religion called Identity Christianity realized the power of a religion when they formulated its theology as a tool to resist the Judeo-American/Judeo-Christian murder of the White race. However, for reasons detailed here, the strategy has been a complete and utter failure. It has not stopped forced bussing, open borders, Anti-White propaganda, miscegenation or the ever-accelerating plunge to extinction. Why? First, it clings to the absurd idea that America is "God's chosen land," for the preservation of the White race.

Since America is the murderer of our race, such nonsense brings ridicule instead of capable recruits. Second, Identity clings to the New Testament. Most Wotanists (also intelligence and force within the Universe, which we call God or All-Father. And polls show that the majority of our Folk share that belief. Wise men know that our limited senses cannot perceive the near infinite vibrations, wave lengths, dimensions etc., that may exist. However, modern White folk do not accept that God is so insecure that he will torture mortals eternally if they don't spend every 7th day telling him how great he is. The motive force of the entire Universe did not turn himself into a mortal man in order to have himself killed by mortal men, in order to keep himself from eternally torturing mortal men. The God of Nature is not irrational. Neither is God composed of some emotion called love as New agers and Judeo-Christians teach.

The Creator made lions to eat lambs, hawks to eat sparrows, and the races of man to compete for life, territory and power. There is no love, just harsh, ruthless, pitiless, Natural Law. The New Testament is a religion of "afterlife" and the selfishness of personal "salvation." The Old Testament is about the reality of this life on this earth. The philosophy of the Old Testament helped Jews conquer the world and get the power to sentence the White race to death. It teaches taking power, wealth and women, with cunning and force. Its philosophy will benefit any race or people. Aryans followed the New Testament and may soon be an extinct specie. No more needs be said!!! Nonetheless, a religion for White Folk is a vital necessity.

To that end I began teaching an updated form of our most common indigenous religion about 20 years ago. Its major deity is called Wotan, or Odin or Woden. Updated to be racial rather than tribal, and to remove any conflict with modern science. The Gods, Goddesses and myths of Wotanism represent the forces of Nature. They are used to mold the character of children, they are the power of symbolism, and they both preserve and conceal the ancient "Mysteries." History shows that a religion must have a founder, often called a "prophet." Since no one else assumed that role, I have done so. Recognizing full well the fate of "prophets" is usually scorn, ridicule, imprisonment or even death. About 1830, a man named Joseph Smith, along with Masonic Adepts in the "Mysteries", formed a religion for the preservation of the White race. It was called Mormonism. It was restricted to the White race and it condoned Polygamy. Joseph Smith was slandered, called crazy, and thrown in prison, where he died. Now at age 63, with a life sentence in prison, I expect the same fate. So realize that I seek no glory from the Pyramid Prophecy or as a prophet of Wotanism.

The only reason for a true natural man to fight for wealth, fame or power is to acquire women, as sexy and young as he can. This is declared by Nature and extrapolation as we see bulls battle bulls, stallions battle stallions, and roosters battle roosters, for possession of females. And then Nature declares only the best shall breed, this for the strength and preservation of the race or specie. Since sexy young women are not a possibility for me, I receive no benefit from the prophecy. As for the adulation of the masses, I despise them. Today they call me a hater and a bigot because those with power and control of the press programmed them to believe such propaganda. If the day came that I had power and control of the media, they would love me. They are vacuous biological computers and their adulation is utterly meaningless. I have fought "Because the beauty of the White Aryan woman must not perish from the earth." I did not fight to save biological computers (minds), which are no more than machines without a soul.

The fundamental theology of Wotanism is the 2nd of the 88 Precepts as follows: "Whatever people's perception of God, or the Gods, or the motive force of the Universe might be, they can hardly deny that Nature and Nature's Laws are the work of, and therefore the intent of, that force." Since the first and highest Law of Nature is the preservation of one's own kind, then the 14 Words, i.e. "We must secure the existence of our people and a future for White children" is a divine command of God, All-Father Wotan. This philosophy and theology stands on its own, simple and irrefutable, yet just as Joseph Smith relied on alleged hieroglyphs inscribed on golden tablets, so also Wotanism has its further validation. That is the function of the Pyramid Prophecy. However, that is not the only similarity, which is to be expected since Nature declares the same truths to all who observe her lessons with integrity.

The original Mormon religion, as said, taught Polygamy and racial separation. The race murdering U.S. government first forced them to abandon Polygamy. Later, the government passed the 19th amendment to the Constitution. Then the government forced the Mormons to accept racial integration with its inevitable miscegenation and genocide. The sequence was no accident. A race whose males are mentally castrated is easy to subdue. But a race whose males have unrestrained sexual libido, and who fight to keep the harem they dominate, cannot be defeated while yet they breathe. That's why our organic indigenous religions were fertility cults. No disrespect to the word cult.

This is why Wotanism allows or promotes Polygamy, as did early Mormonism. Not demanding Polygamy of course since Wotanists believe in personal freedom and choice as much as is possible. The sex drive of the males of a race that wishes to survive must not be hindered, slandered, diminished, misdirected, and in revolutionary times even its excesses must be excused. A race whose males will not fight to the death to keep and mate with its females will perish. The symbols, geometry, mathematics and codes within the Pyramid Prophecy are accurate and appear to be beyond coincidence. How they came to be, and the strange inexplicable way in which they were revealed are not the subject or point. The purpose of the Pyramid Prophecy is promulgation of the 14 Words and 88 Precepts as foundations of a religion that will save the race of Galileo, Shakespeare, Kipling, Edison, Plato etc., from eternal extinction. Hopefully there are those of vision who will use it wisely in furtherance of Nature's highest Law.

Mystery Religions and the Seven Seals "Introduction"

Introduction - Chapter 1 - Coding - Chapter Two - The Seven Seals - Chapter Three - The Temple - Chapter Four - 666 UNVEILED - Chapter Five - The Mysteries

The sixth of the 88 Precepts says, "History, both secular and religious, is a fable, conceived in self-serving deceit and promulgated by those who perceive benefit." After perusing documents from the Vatican library Napoleon said history was a fabrication. Henry Ford commissioned a group of scholars to study the real powers behind governmental and religious institutions, then stated, "History is bunk." Today, American school books are being rewritten to credit the accomplishments of White people to the colored races. It appears that future generations will be taught that Martin Luther King was the central figure in American history, that Oswald assassinated President Kennedy, that David Koresh and the innocent victims of Federal murderers at Waco, Texas were dangerous child molesters, and that the alleged holocaust of six million Jews in World War 2 is the most important event in history. This is only a tiny example of the falsity of history as related in just the twentieth century. The fact is power systems, both secular and religious, have created, altered, invented, slanted, back-dated and propagandized historical and current events for political purposes always. The propaganda of the victors becomes the history of the vanquished. We must remember this maxim when reading establishment versions of past events. Had England won the American Revolutionary War, George Washington would have been hanged for treason and for over 200 years his name would have been reviled in school textbooks. Had the followers of Woden/Odin/Wotan won the 1,000 year war between Roman Judeo-Christianity and the followers of the White man's organic, native religion, Christianity would have been labeled a religion of superstitious ignorance and the White race would not face near certain extinction.

The Catholic encyclopedia says Constantine in 325 CE made Christianity the official religion of the degenerate Roman Empire because he was impressed by Christian morality. Yet secular records show Constantine's judgments of morality by his actions. Few men have been more cruel or engaged in more acts of torture and murder. His character is best exemplified by his treatment of his wife Fausta, whom he married as a political ploy to gain control of the empire. When he had no further use for her he disposed of her in a manner befitting his "commitment to morality." He had her restrained in a large cauldron of water, then lit a fire beneath it and slowly cooked her to death. But even such actions by Constantine are dwarfed as evil by his contribution to the next 1700 years, as we shall see. For it is he who conspired with organized Jewry in the creation of Judeo-Christianity. With the ideas so far elaborated a thoughtful person might ask, "How then can we ascertain truth?" Not the "truth" of blind faith or belief, which are the tools of priestcraft and statecraft, but pure Truth by which men can safely and properly govern their affairs.

This is a question which has plagued mankind from the dawn of recorded history. The following you are about to read will show how initiates into an ancient wisdom preserved true knowledge throughout the many centuries of persecution by tyrants of both church and state. Some have known and saved the ancient science and religious teachings from at least the time of the construction of the Great Pyramid, Stonehenge and possibly far beyond. Among them are Druids, Priests of Egypt, Initiates such as Pythagoras and Plato, the first Christians who were either Gnostics or related adepts, Cathars, Knights Templar, Teutonic Knights, Rosicrucians, early Masonic Orders and unknown initiates into Hermetic philosophy. In the first millennium before the Christian Era, the secret teachings were kept alive in the Mystery Schools and corresponding Mystery religions which were found from Tibet in the East to Uppsala, Sweden in the West. Among the many Mystery religions, all concealing the secret teachings, were Odinism, Mithraism, Zoroasterism and Gnosticism, as well as the Greco Roman religions featuring Gods such as Apollo, Zeus and Jove, or Jupiter. As we shall see, it is a grave error to assume that all our ancestors were ignorant barbarians who took literally the wild tales in the mythologies. As Manly P. Hall says in his monumental work "The Secret Teachings of All Ages", " There are few mature minds in the world, so the philosophical religious structures of the ancients were divided to meet the needs of two fundamental groups of human intellect, one philosophic, the other not capable of appreciating the deeper mysteries of life. To the discerning few were revealed the esoteric teachings while the unqualified masses received only the literal or exoteric interpretations. In order to make simple the great truths and abstract principles of natural law, the vital forces of the universe were personified, becoming the Gods and Goddesses of the ancient mythologies."

Adepts, of course, having created the mythologies, did not believe that a physical Thor caused thunder with a magic hammer, or that a physical Zeus threw lightning bolts from Mount Olympus, or that Isis brought a dismembered Osiris back to life, or that the earth stopped spinning so the Israelites could have extra sunlight in which to slaughter their enemies, or that a physical Jesus raised others or himself from the dead. Undoubtedly, a few of the credulous or simple-minded did indeed take the mythologies literally, just as a few still do today. However, under the Mystery or Pagan religions all were free to pursue deeper knowledge, to "believe" or to ignore both science and religion altogether. This arrangement permitted freedom for the masses and enlightenment for those inclined toward intellectual pursuits. Then came the disaster of 325 CE when decadent Romans led by Constantine conspired with wealthy Jews to force a universal religion on the world. The 58th Precept states: Tyrannies teach what to think. Free men learn how to think." Since the words of political and religious prostitutes of the ages and the propaganda they call history have little relation to fact, we must learn how to think if we are to decipher history with any accuracy at all. When judging the writings one encounters, some philosophical principles should be employed. First judge the words, actions and results of all power systems by "who benefits."

Secondly, the results of men's actions are infinitely more indicative of intent than the words of men. So, always judge by results. It takes no rocket scientist or great mind to ascertain that only someone called Jews can or could benefit from a religion in which Jews are called "God's Chosen People." In effect, someone called Jews hired the decadent Roman Empire to murder everyone in Europe who would not accept a new universal

religion in which the Jews were God's Chosen People and destined to own all Gentiles as slaves. In the process the entire White race was forced to profess literal belief in the Judeo-Christian mythologies. The world has been insane ever since. In our search for ultimate truth we must, therefore, ascertain who the people called Jews are, when their conspiracy originated and if they have any relationship to the Hermetic philosophers who created the mythology of ancient Israel.

Fortunately, mankind has always had secret friends who opposed tyrants, past, present and future. They have been called the Watchers, Adepts, Initiates, Hermetic Philosophers, the Great White Brotherhood, the Brotherhood of the Seven Rays and other titles. The titles may be unimportant, but the value of their legacy is beyond measure. They have given us alphabets, languages, measurements, religions, music, art, ritual, books, medicine, science and more. Unrecognized and often within church and state they secretly guided and moderated. When discovered, some like Giordano Bruno were burned at the stake. His crime was teaching that the earth traveled around the sun. Others like Galileo were forced to recant scientific fact. Be it the poison of Hemlock, the headsman's axe, burning at the stake, Federal infernos in Waco, Texas and around the world, the inquisitors rack, imprisonment or any number of other devices throughout history, the tyrant tolerates no competition. In the words of an old Mongolian proverb, "The Truth Teller is wise to keep one foot in the stirrup." In light of many thousands of years of experience with despots, the Hermetic philosophers developed methods to code their wisdom in geometry, myth, ritual, symbol and gematria, and thus leave guideposts for this age. The following will provide a concise introduction to the teachings of the ancients and to the devices by which their wisdom and teachings were preserved down through the ages. Do not be dismayed by repeated reference to number. What little actual arithmetic is employed is simple math and is absolutely necessary. The wisdom of the Hermetic Philosopher includes the reality that while words are subject to interpretation, the relationship of number is constant forever. Presented here is a wisdom which has been known to a few for thousands of years, mercilessly persecuted for 1,700 years, but can yet return the world to sanity. In the language of the Gnostics, the seven seals of Revelation are opened here and the seven spirits of God are discovered.

For thousands of years men have gazed in awe at the majestic Great Pyramid at Giza in Egypt. Its size, its angles, its perfection in original form, its placement, its measurements, and its precise alignment with the earth's latitudinal and longitudinal lines, have provided material for hundreds of books and endless speculation. And perhaps nothing has provoked more debate than the missing capstone.

Perceptive scholars have long noted the similarity to the pyramid on the Great Seal of the United States. The capstone is separated from the body of the pyramid, thus exhibiting, as does the Great Pyramid, a flat truncated top, as well as an implied completed structure when the capstone is lowered into place.

Biblical scholars have additionally long pondered scriptural references to a missing head stone. For example, Psalms 118:22 reads: "The stone which the builders refused is become the head stone of the corner." Other scholars have wondered if the reference to "an altar to the Lord in the midst of the land of Egypt" in Isaiah 19:19 might refer to the Great Pyramid. This document will prove, beyond dispute, under the iron clad laws of mathematical probability, that the Great Pyramid at Giza, the Great Seal of the United States, and the hidden secret coding system of the English language authorized version, King James Bible (KJV), constitute the identical prophecy.

On the Great Seal, within the capstone, over the pyramid, note the Egyptian eye of Osiris. In Egyptian Hermetic religion, Osiris, the major God is divided into 14 parts. In Gnostic preservation of Egyptian mysteries, God is called "The Word". By extrapolation we might infer a concealed reference to 14 words.

Now note that the capstone over the pyramid, when lowered into place, becomes the 14th level of the structure. The number 14, as we shall see, is a major component of the prophecy.

Over the eagle on the reverse side of the Great Seal are 13 stars, each having five points. The astute observer however will note the 13 stars are arranged to form a 14th star, a six pointed star known as the Star of David.

The reader of this document will see, beyond dispute by anyone whose ability for rational thought has not been destroyed by political, religious, or other dogma, an incredibly precise prophecy, encoded in the Great Seal, in the Great Pyramid, and in the hidden structure of the K.J.V. Bible. The prophecy is of a man named David, to be conceived on the 25th of January, 1938, and to be born precisely 280 days later (the human gestation period), on the 2nd of November, 1938, the 11th day of Scorpio.

This man was to become famous world wide for political and religious doctrines known as 14 Words and 88 Precepts. This man, named David (see again the 14th star, the Star of David over the eagle in the Great Seal), would come to oppose an ancient conspiracy against civilization and against civilization's creators.

Particularly in the Bible (K.J.V.), the prophecy is artfully concealed, for in earlier times, any deviation from rigid dogma of either Catholic or Protestant rulers brought painful retribution ranging from unimaginable tortures of the inquisition to being burned at the stake.

he K.J.V. prophecy, encoded circa 1600, was then shepherded down through the centuries by adepts of uncorrupted freemasonry, with the coding clarified as it became safer to do so. We shall see that the Great Seal was designed by adepts of the same secret Masonic society. The reader should also be aware that prior to circa 1600 A.D. the English language existed in only a primitive form. Around 1600, Sir Francis Bacon, who was the designer of the original K.J.V. coding, along with the British Royal Society, added letters to the English alphabet, set the letters in sequence, and formed thousands of new words, including many used in the K.J.V. Bible. Prior to this era the major Christian deity was called Joshua, pronounced Yashua.

It is necessary therefore to recognize that the words Jesus and Jesus Christ are secret number codes. Only in the minds of the uninformed do they represent the earlier names for what Christians believe to have been an incarnate God.

With that knowledge we can begin showing the prophecy by demonstrating why the two pyramids, one at Giza in Egypt, the other on the Great Seal, have truncated (flat) tops. It is to tell of figures called Hermetic Number Pyramids. Many of the messages in the K.J.V. are encoded within such pyramids.

The Prophecy

The famous angle of the Great Pyramid is 38 degrees plus a fraction from vertical and 51 degrees plus a fraction from horizontal. Because 38 and 51 are the center factors (divisibles) of 1938 and 38 times 51 equals 1938.

Solomon's Temple is begun in I Kings 6, and is completed in I Kings 7, with 38 and 51 verses respectively, representing the angles of the Great Pyramid. Solomon's Temple, the House of David (Isaiah 22:22), and the Great Pyramid are the same thing.

The number of the Man is also found in his name as a number pyramid. The number pyramid of the word "David" runs forward and backward from a center point and demonstrates both 666 and his birth year, around the six pointed Star of David, along with 74, the first function of the 666 Sun Square.

Here it should be noted that the exact angle of the Great Pyramid is 51 degrees, 51 minutes from horizontal because 5151 forms this number pyramid:

The equation 88^2 equals 7744 is concealed in the divisions of the verses in the Bible book called The Song of Solomon. The first chapter has 17 verses, the second has 17 verses, the third has 11 verses, the fourth has 16 verses, the fifth has 16 verses, the sixth has 13 verses, and the seventh has 13 verses.

17 17 11 16 16 13 13

$1+7=8$ $1+7=8$ $1+1=2$ $1+6=7$ $1+6=7$ $1+3=4$ $1+3=4$

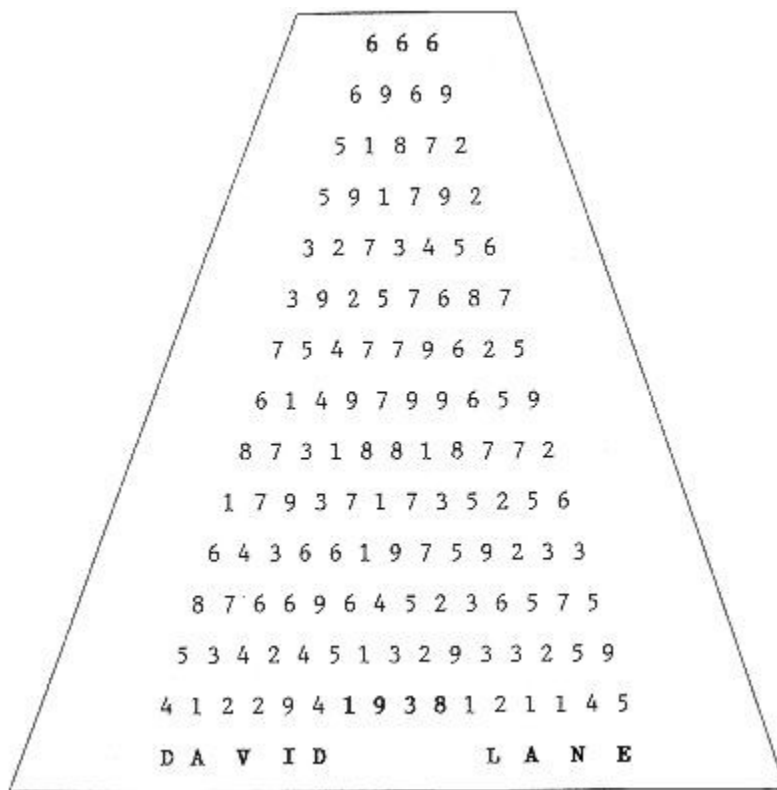

88^2 7744

The name David appears once in the Song of Solomon as word number 1056 in the equation, because $88 \times 12 = 1056$. And because by adding 1056 to each side of the equation we get the prophecy:

882	7744
+1056	+1056
BIRTH YEAR 1938 8800 88 PRECEPTS	

The 7 chapters forming the equation have 2298 words. An additional chapter with 14 verses has 360 words. Because 2298 minus 360 equals 1938. The 14 represents the 14 Words.

Here is the pyramid of David Lane, the full name of the Man of the prophecy, combined with his birth year of 1938:

In the Book of Daniel, Chapter 5, appear seven emphasized words whose true meaning is disguised with irrelevant rhetoric. The words are mene mene tekel upharsin mene tekel peres. They are designed to be written with staggered starting points like one side of a pyramid.

Next we will look at the "Key of David" found in Revelation 3:7. That key is the number 749, which represents $74 \times 9 = 666$, the Magic Square of the Sun. First note that there are 1189 chapters in the Bible because they form a code wheel. Count all 1189 and start over. When you get to 749 it will total 1938. $749 + 1189 = 1938$.

The name David appears three times in Revelation. The first time in Chapter 3:7, which references the "Key of David." He also appears in Chapter 5:5 and in Chapter 22:16. There are 1666 words in the three chapters to encode 666. Count to David in each chapter and the total words are 749, because $74 \times 9 = 666$. Count to David in each verse. He is word 28 and 22 and 24 for a total of 74. They also form the below pyramid:

The Great Pyramid is found in Isaiah 19:19, because $19 + 19 = 38$. It is called an altar to the Lord in the land of Egypt. Count 38 verses from Isaiah 19:19, which corresponds with the 38° from vertical in the pyramid angle. It is Isaiah 22:9, and contains the word David the first time after the pyramid reference. Continue counting to the 51st verse from Isaiah 19:19, corresponding to the 51° from horizontal in the pyramid angle. It is Isaiah 22:22, the second time David appears. This verse references the Key of the House of David, which is the Great Pyramid, Solomon's Temple, and the Great Seal of the United States.

The two verses, Isaiah 22:9 and 22:22 are a key. Count to David from the front of each verse. The total words are 19. Count to David from the end of each verse. The total words are 38. Time after time we find 19 tied to 38, and 38 tied to 51, as $38 \times 51 = 1938$.

Thus we find 19 verses in the 38th Psalm of David, which is Psalm 51. Or, the 38th David in the K.J.V. is in I Samuel 17:50, while the 51st David in the K.J.V. is in I Samuel 18:8, because $1750 + 188 = 1938!$

The word "Psalms" was designed to tell the whole story, including the 38th Psalm of David being Psalm 51. Below are pyramids of Psalms and Psalms 51:
