

JAMES H MADOLE

By K R Bolton

A Salute to James H. Madole

James Hartung Madole was born on 7 July 1927. His lifelong quest for knowledge began with a passion for science when at High School. Young James built his own laboratory at his home and conducted experiments in chemistry and astronomy. At an early age he saw the scientist in Faustian terms, uncovering the secrets of the universe. He considered that science should be the basis of culture and that scientist-rulers should govern society. Not surprisingly such elitism drew him to Fascist ideology.

Thus the first post-war Fascist party in the USA was to have its origins in those with a visionary approach to science. Madole sought out those with Fascist inclinations from among science fiction fans. One of these was the veteran pre-war fascist Charles B Hudson, a defendant at the "Sedition Trials" of those who tried to keep America out of World War II.

Madole was a powerful orator

Animist Party

The very year the war ended Madole formed an Animist Party, which had the support of several of the "America First" groups from the pre-war years.

Animist philosophy as developed by Madole was elitist, holding that the masses existed to manifest and support geniuses who would govern, somewhat reminiscent of the anti-liberal doctrine propounded by D H Lawrence.

Madole distinguished himself as a dynamic speaker both in his Animist Party, and with another group, the Nationalist Action League. His activities drew the attention of another group, the National Renaissance

Party. Kurt Mertig, a German-American who had led the Citizens Protective League before the war, formed the NRP in 1949.

With Mertig's decline in health Madole assumed leadership of the National Renaissance Party, a position Madole held until his death 30 years later.

Madole's Philosophy

Third Way

Madole was a precursor of today's Third Way movements, although some with a Christian disposition are offended by Madole's paganism and metaphysics, as they are with Evola's et al.

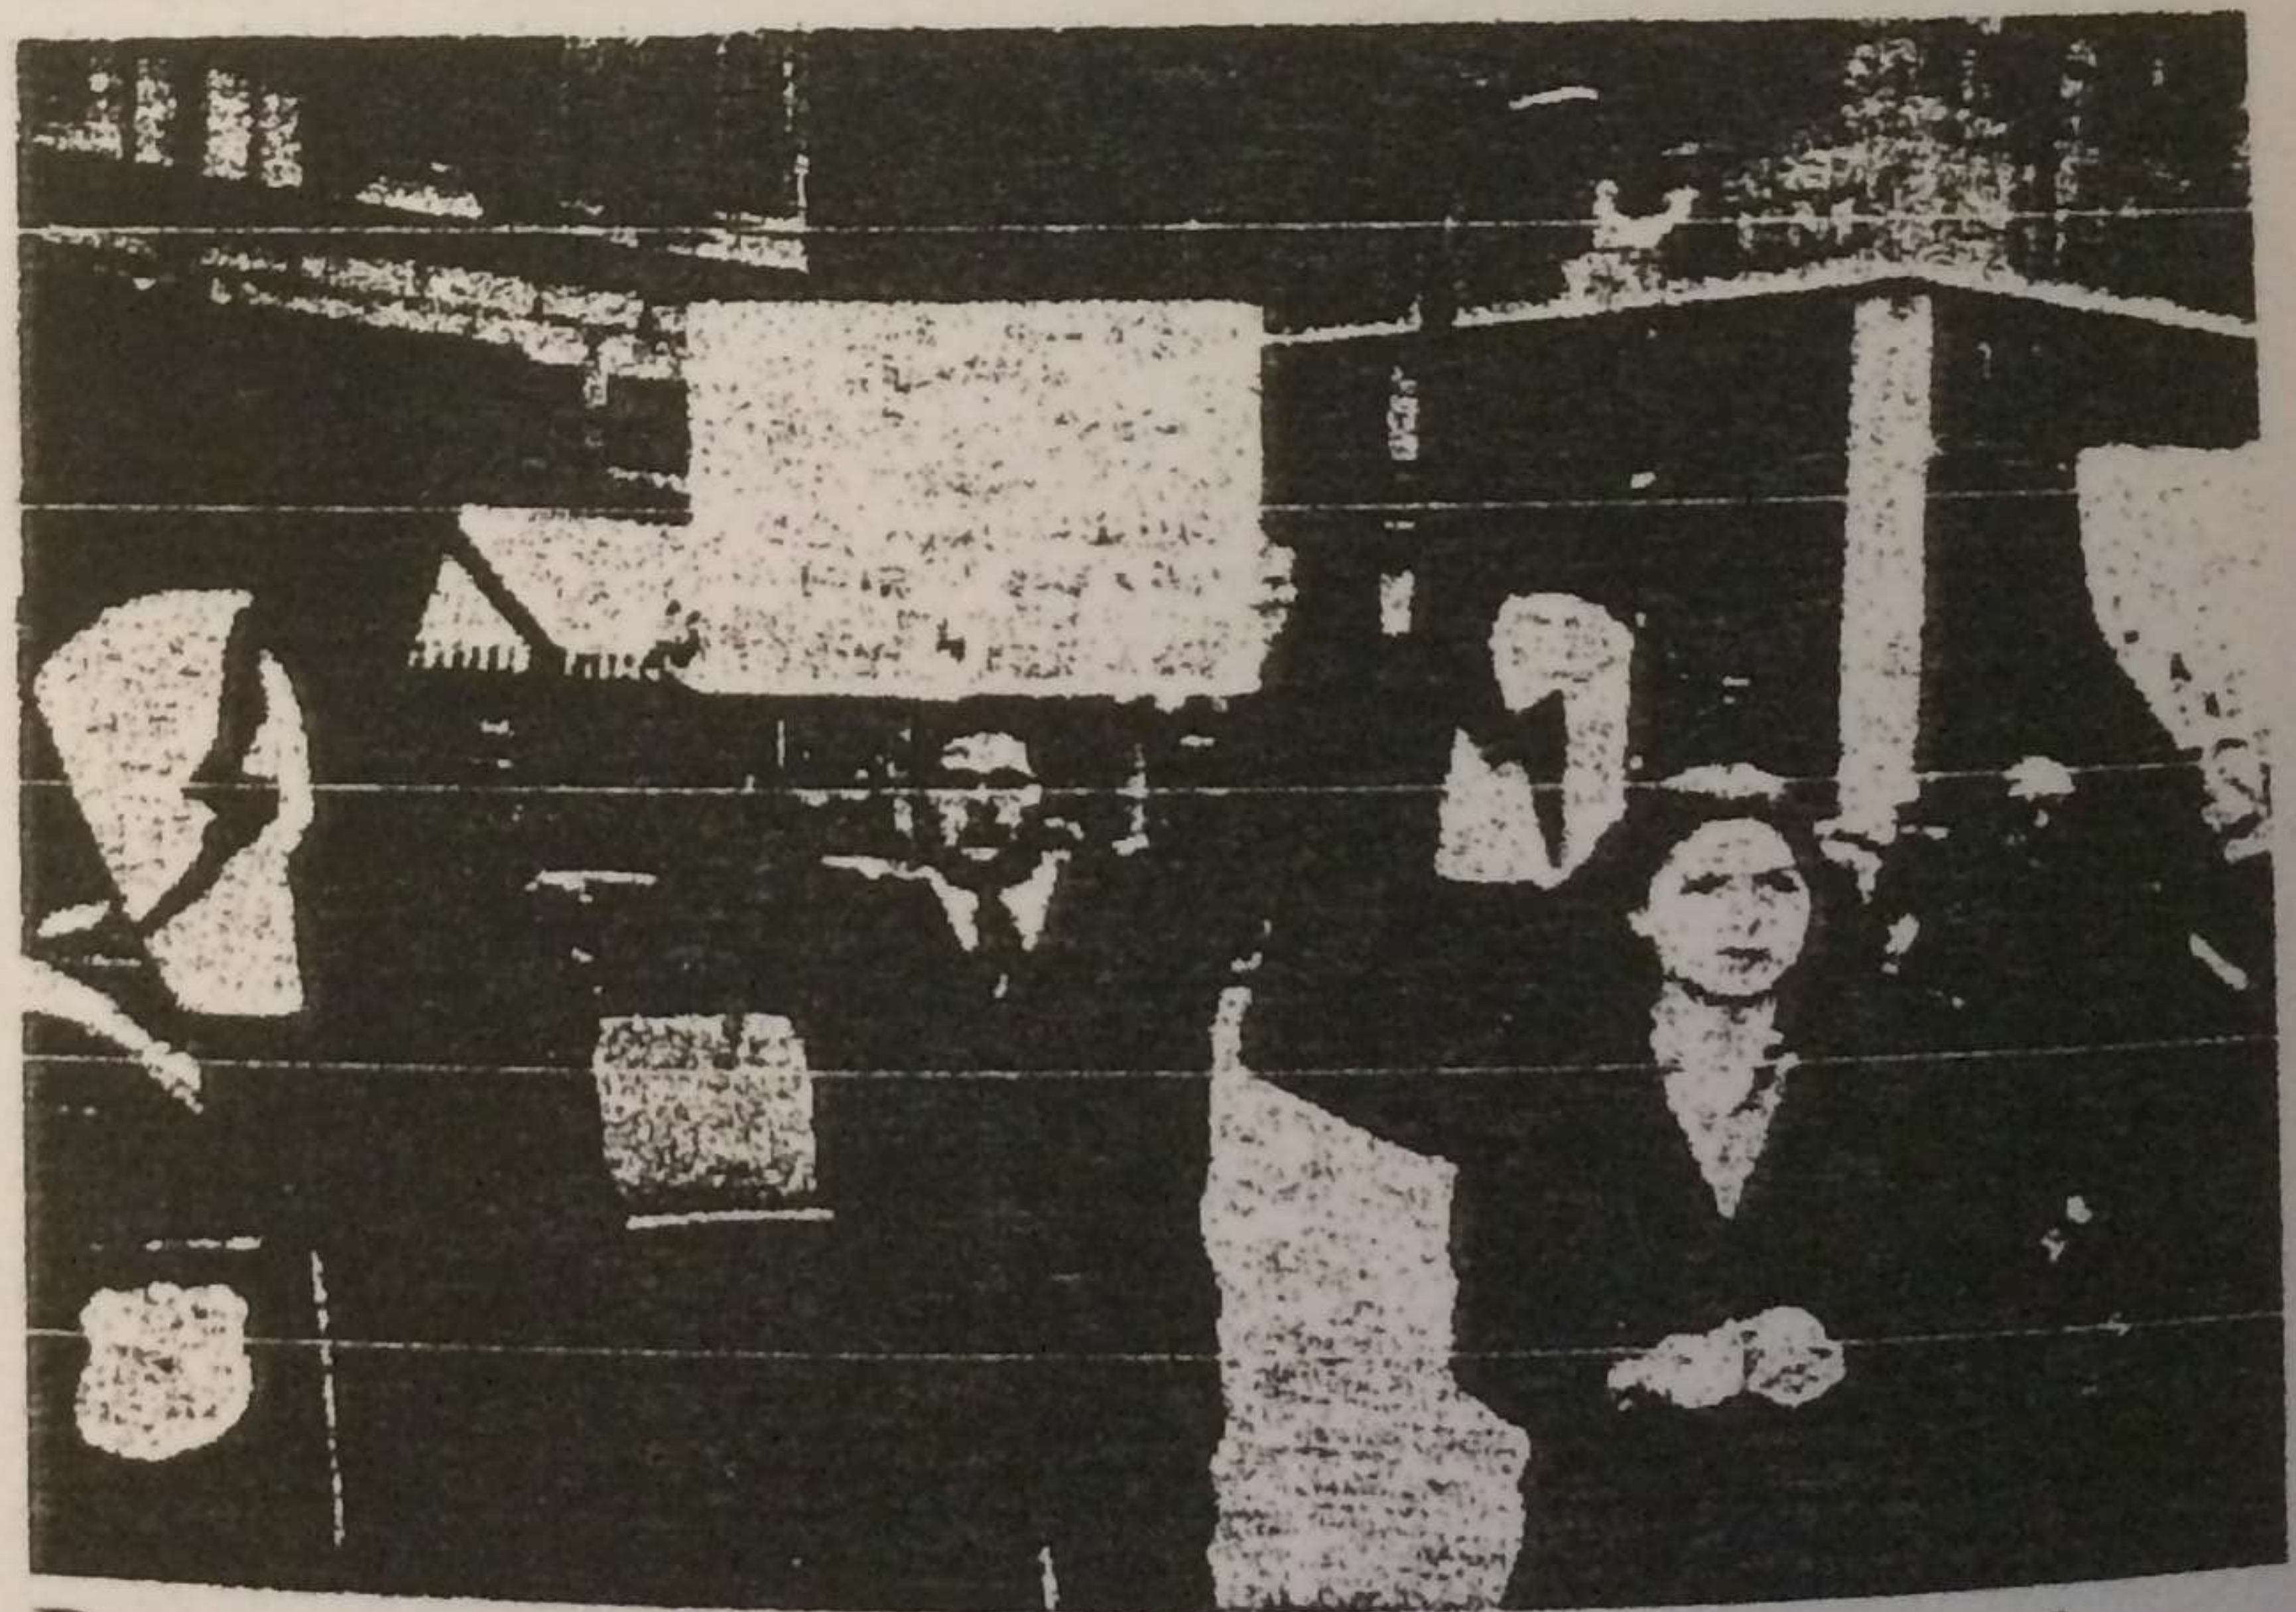

Whilst maintaining his anti-communism, Madole rejected much of the Old Right baggage.

Ideological input came especially from two 'intellectual fascists'. Francis Parker Yockey, author of *Imperium*, spent 15 years outsmarting INTERPOL and American military intelligence, travelling the world seeking out fascist support for his ideal of a united Europe. Charles Weiss, a member of the Kaiser's staff during World War I who had migrated to America shortly after the war, served as Yockey's mentor and was particularly helpful as a behind the scenes supporter of the NRP. They, Madole and a Catholic

anti-Semitic paper called *Common Sense*, under the editorship of Conde McGinley, propounded the unorthodox view (among the Right) that the USSR had divested itself of Jewish Bolshevism and was pursuing a Slavic nationalist course which was directly at odds with America and its Jewish leadership stratum.

Madole described Stalin as having dragged Russia out of the "slaughterhouse of the Revolution led by Jewish agitators and financed by wealthy Jewish bankers..."

This of course was anathema to much of the Right, from conservatives to Nazis, who still saw the USSR as under Jewish

Demonstrating against US support for Israel

communism, and who marched in line with the System's Cold War anti-Sovietism.

America the enemy

Madole went further and considered the USSR a laudable authoritarian system; a position he maintained throughout his life.

Madole applauded various Third World leaders whom the Right routinely regarded as 'communists', on the basis of their opposition to

America. (As did Yockey. See his last essay **World in Flames**). For Madole, as for Yockey, Evola and other far sighted Western Destiny thinkers, America was the heartland of cultural, political and economic subversion. This is where we can learn from Madole in our own time. In fact, these ideas were even gaining ground among the veterans of the Third Reich, particularly the grouping around Gen. Otto Remer with whom Yockey was particularly close.

Madole supported the 'progressive nationalism' of Nasser, as opposed to the old ruling Arab families whom he considered tools of the USA and hence of Zionism. Such sentiments gained support from Arab nationalists, including diplomats. Abdul Mawgoud Hassan, press attaché to the Egyptian UN delegation, spoke at an NRP meeting.

Madole also developed a rapport with Black nationalists, and several joint meetings were held in 1963.

Heathen

At a time when the American Right was generally Christian, (even American Nazi Rockwell described himself as a 'pro-Christian agnostic') Madole foreshadowed the paganism of much of today's Right. He avidly rejected Christianity as being as much alien to the European ethos as communism. He wrote of "Christian nationalists as reflecting the past."

Madole rejected the Christian heritage esteemed by most of the US Right as "*religious twaddle handed down by the pilgrims and puritans.*" He upheld the NRP as the only party to "*reject the false teachings of Judaeo-Christianity.*"

In a major series of articles in the **National Renaissance Bulletin**, entitled *The New Atlantis*, Madole wrote of the,

"Semitic heresies of Judaism and Christianity [existing] as alien and disruptive factors within the body of Aryan Europe."

Madole rejected the belief in anthropomorphic deities as products of the Hebrew temperament foisted upon the Aryan at the point of Roman swords. His conception of deity would probably be best described as a pervasive force animating the cosmos.

Madole's chief animosity towards Christianity stems from its repression of the ancient esoteric and scientific knowledge of the Aryans which inaugurated the Dark Age.

The "God Man"

According to James Wagner, commander of the Security Echelon, it was during the 1960s that the NRP began to overtly expound an occult

outlook based on the ancient wisdom of the Indo-Europeans. He states that the 'inner circle' of the party compromised occultists.

At a time before the revival in Northern European Heathenism or Odinism, the occultic influences were mostly drawn from the eastern branch of the Indo-Europeans, the Aryans. Ancient India was of particular interest, its social structure being an earthly expression of its Hindu metaphysics. (Or "as above, so below", in esoteric terminology).

"Cosmic law" was cited as the basis of racial separatism, whereby each race struggled towards godhood. It is only by working in harmony with cosmic law that the Aryan could survive and prosper.

The New Atlantis

As mentioned, Madole's major work was a series of articles entitled **The New Atlantis - a blueprint for an Aryan Garden of Eden in North America.**

Drawing on Blavatsky's Theosophical teachings, Madole held that the Aryan was of vast antiquity, and had spread out over the world to be esteemed in native legends as 'white gods'. The Theosophical concept of *Root Races* was adopted, with the Aryans as the descendants of the Atlanteans.

The NRP programme on statecraft was based on the Hindu *Law of Manu*, sanctioning a caste system on racial lines, with a pyramidal social structure ruled over by the Brahman or priestly caste.

Madole viewed Vedic India as the model of Aryan statecraft. This itself had derived from Atlantis and was continued in Paranoiac Egypt, Druidic Europe, Imperial Rome, and the guild system of Medieval Europe.

Astoria rally, 1973. Madole, extreme right

The most recent examples were National Socialist Germany, Fascist Italy and the USSR.

Such hierarchy was a reflection of the harmony between the macrocosm (universe) and the microcosm (the body of man). Esoteric writers including Ouspensky, Eliphas Levy and Crowley are quoted to show the anti-liberal tradition of occultism.

The metaphysical and the political would create the fertile soil from which would grow the "God Man" as the next stage in evolution.

The "New Adam" would only come from the Aryan through eugenics, cosmic thinking, specialised training and occult initiation.

In an article **Lindbergh - a symbol of Aryan resurrection in America**, Madole concludes with a clarion call for the European to awaken,

"to reach for his mighty sword, and liberate his mind, body and nation from the shackles of Jewish liberalism and the poisonous myth of Judaeo-Christianity."

America's Ksatriyas

Madole aimed to create an elite force of warriors who would fight the forces of chaos and inaugurate a New Aeon based on Cosmic Law. Hence, Madole sought the creation of a *Ksatriya* caste of cosmic warriors on American soil motivated by a sense of *dharmic* duty.

NRP activists were imbued with both a fighting spirit and with the esoteric wisdom of the ancients. Esoteric schools were held for the NRP elite, and many esoteric books were made available along with the familiar books on fascism, National Socialism, race and politics.

Jim Wagner, the commander of the Security Echelon or stormtroopers during the NRP's later period, states that instruction for the SE included 'unique mind training', and discussion on theosophy and Indo-Aryan metaphysics.

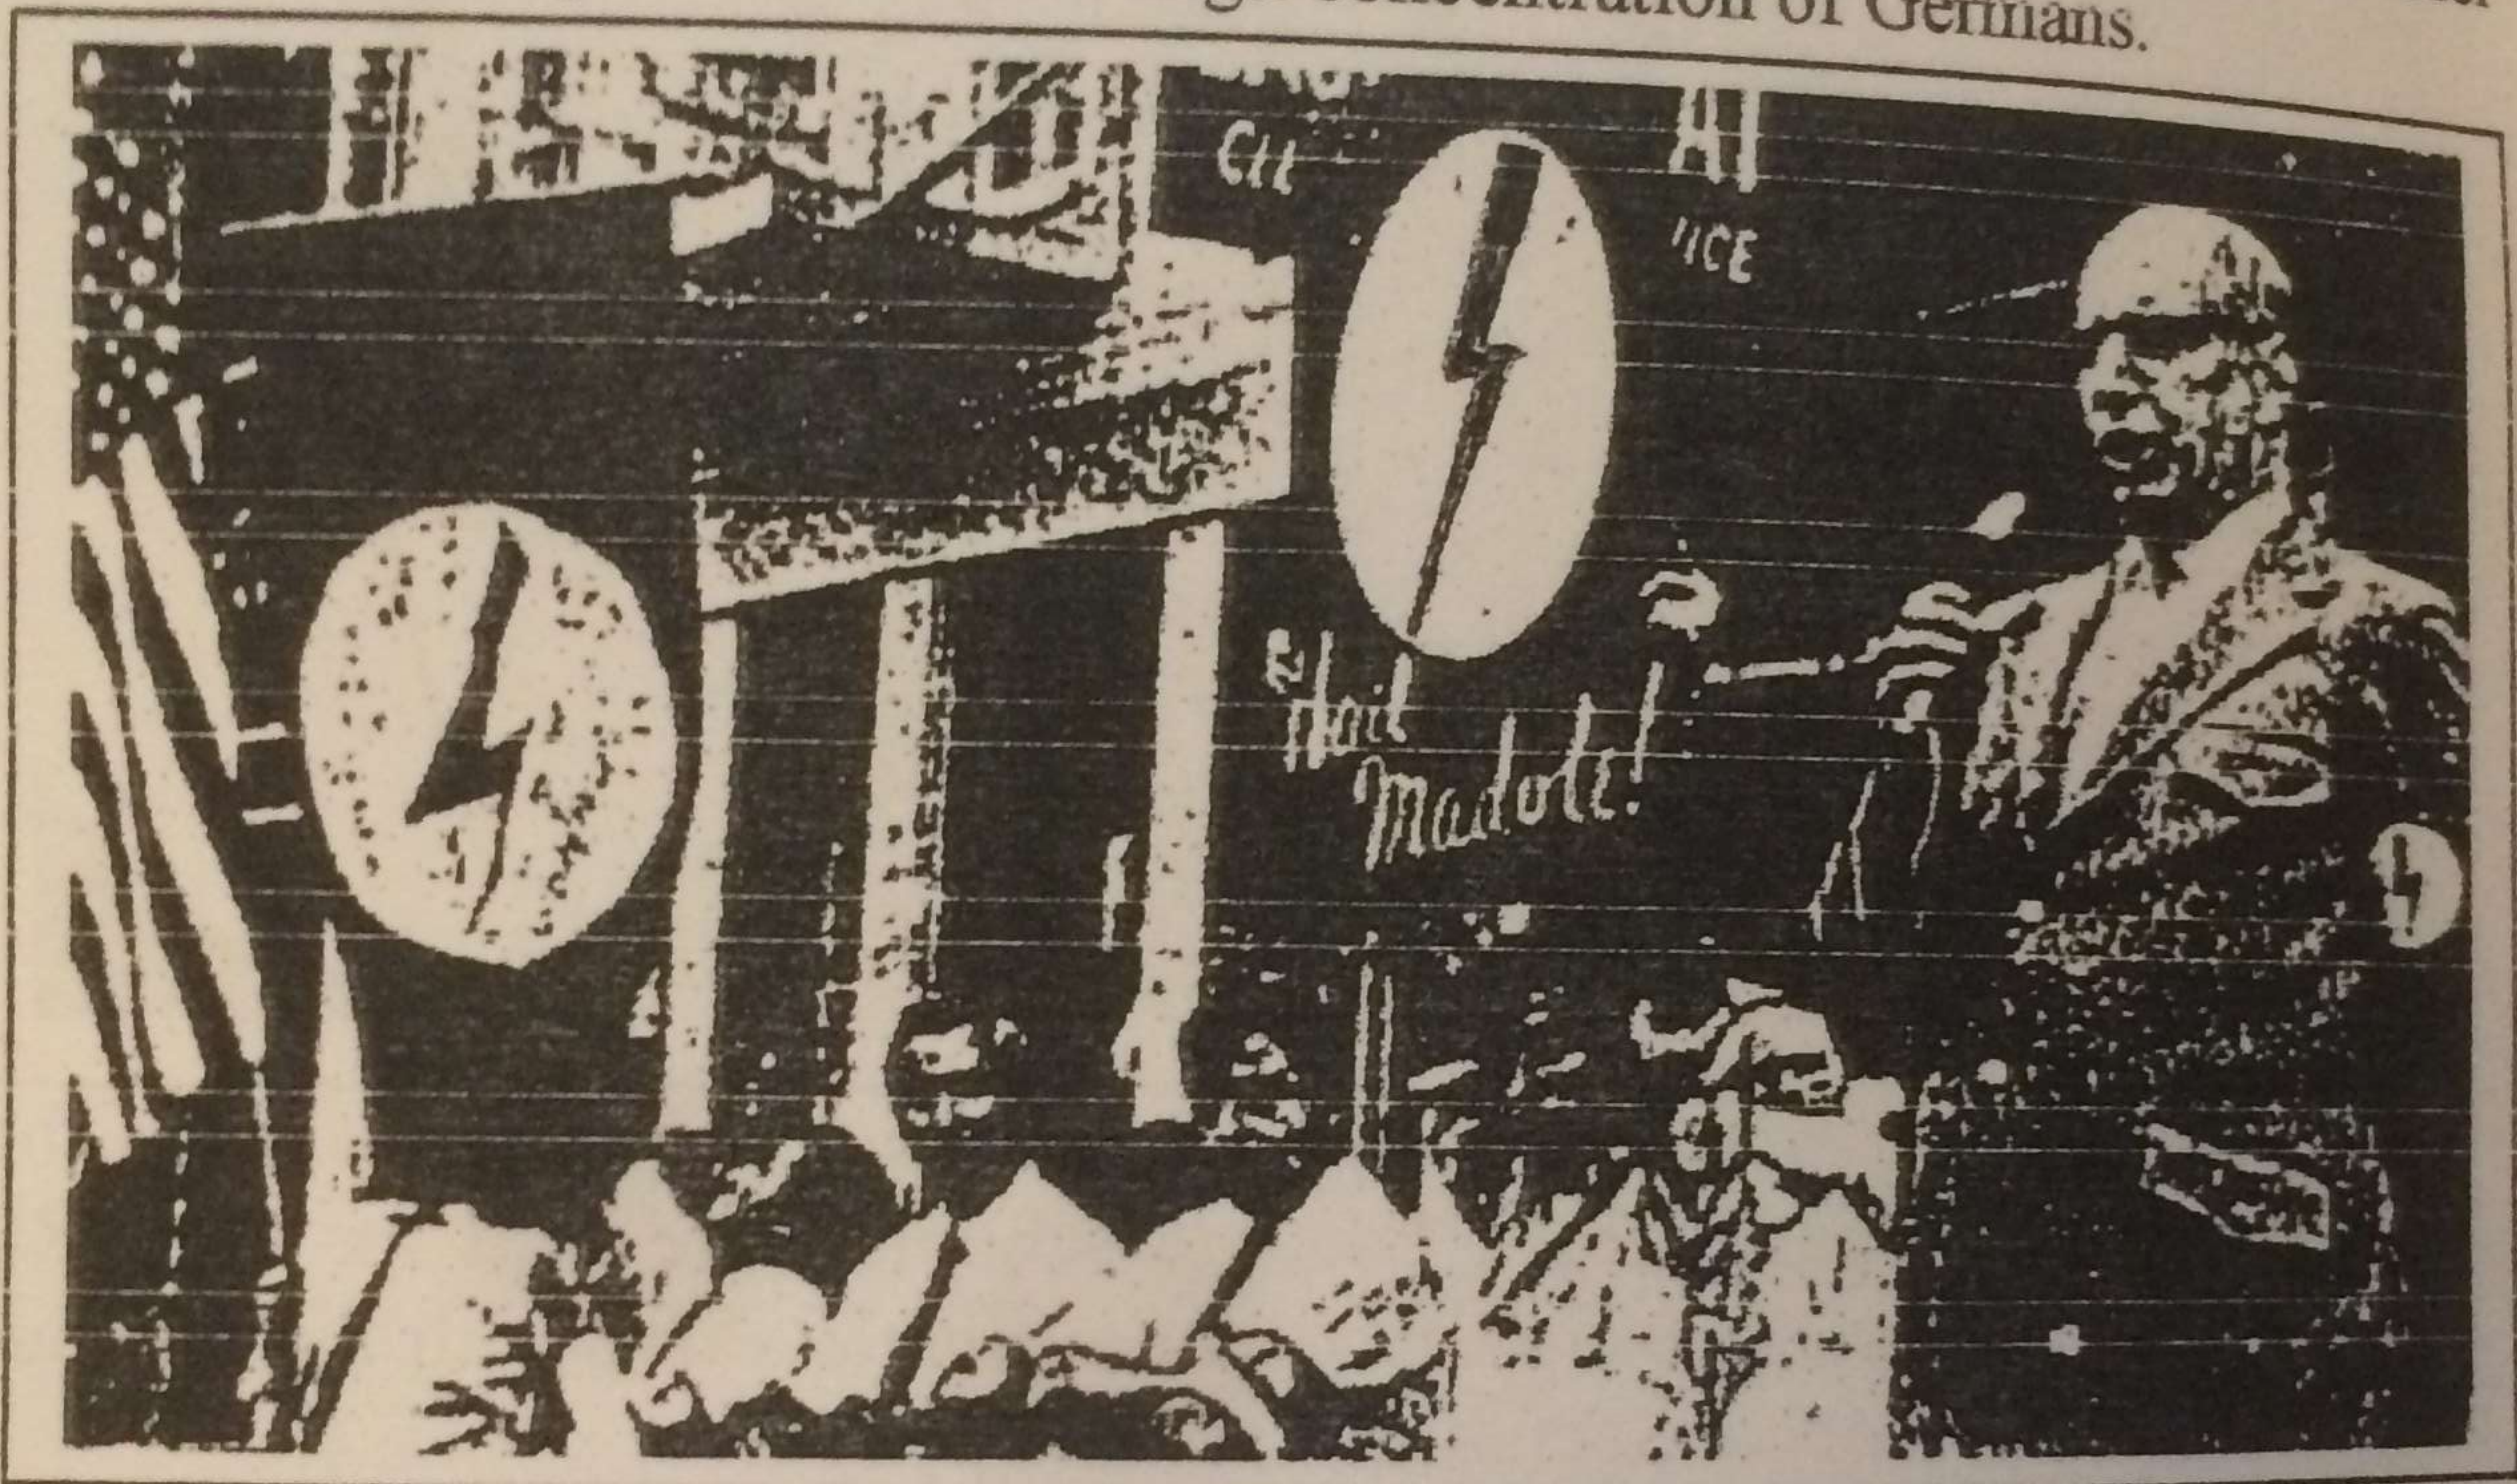

This Security Echelon had its origins in the Elite Guard formed in 1954 as street orderlies to protect NRP meetings. As the first post-war fascist formation, the NRP was of intense interest to Zionists and communists who infiltrated their agents into the NRP.

However, despite the attempted disruption the Elite Guard had earned honour in several major street battles against much larger numbers. That spirit led to the formation of the SE in 1963. The first unit was organised as SE Battalion Thomas Paine. The first commander was Marine Corps veteran Frederick E Jones.

Troopers wore black caps, grey shirts, with lightning bolt armbands and black trousers. The same year the SE came under the command of Ed Cassidy, and a sincere, dedicated, if somewhat overly anti-Semitic blond haired Jewish ex paratrooper named Dan Burros who was to commit suicide the day his Jewishness was exposed by the **New York Times**.

Street actions

One of the first and most famous SE actions was on 25 May 1963 when the party held a rally in Yorkville, New York, the pre-war stomping ground of the German-American Bund, the Christian Front and other nationalist groups when it had a high concentration of Germans.

The rally drew an audience of 4000, including 1000 Jews led by the Jewish War Veterans. A Jewish surge broke through police lines, and the small SE detachment reacted with vigour.

That year Madole and 7 supporters were arrested as the result of a counter demonstration against the Congress for Racial Equality which had been picketing a White Castle hamburger restaurant which was being pressured to racially integrate.

The NRP supporters were attacked. Police found in the truck of an NRP supporter a crossbow used to shoot fish, among camping equipment and this was used as a pretext to bring weapons charges in addition to the charges of conspiracy to riot. These charges were later extended to include charges to overthrow the government and to deport and 'extinguish' (sic) Jews.

Judge Davidson spent 6 hours lecturing the jury, during which he claimed that 'Madole is not a human being'. Madole and Burros were sentenced to two years. Even their patriotic lawyer, John Graves, was fined \$250 or 10 days jail in the course of defending his clients. The court granted bail on appeal, although Burros did spend several months in prison. The appeal was not heard until 1968 by which time both Burros and Graves had died. The convictions were overturned and the State's appeal was unsuccessful.

Many more actions were brought against the party. Madole was arrested again in 1971 with two supporters whilst handing out leaflets. A

Madole arrested, White Castle riots

fight had broken out involving about 500 persons, with 200 onlookers.

Despite Madole's rejection of Christianity he was during his life highly respected among some sections of the Christian Right. Certain principal American national socialists and nationalists got their political start with the NRP, including Rockwell's successor Matt Koehl. Madole and other NRP speakers addressed many Klan meetings. At a fund raising dinner held to assist Grand Dragon Robert Miles, who had been charged with bombing buses used in school integration, Madole and SE Commander Lisanik, a tough but well liked Czech ex-army officer, were awarded medals by the Klan for distinguished service.

NRP activities continued until Madole's untimely death in 1979. Bloody street battles between the NRP and the Maoist Progressive Labour Party were frequent in the Astoria area of New York. In 1974 the party picketed the Israeli El Al Airlines in Manhattan. In 1975 a furore erupted among Jews, Blacks and liberals over the prospect of the NRP meeting at the Bicentennial auditorium in Virginia. The heads of the local Anti-Defamation League, the Zionist spy and spear-mongering network, and the Black Urban League threatened violence. State Senator Leroy threatened to resign. Nevertheless, the NRP won through and held its meeting.

Madole the man

This then is something of Madole's philosophy and activities. As for the personality, Madole was an intellect of high calibre. He had the *"knowledge of someone with several doctorates,"* recalls Sarge, cousin of the American Nazi leader Rockewell and a nazi stormtrooper who has in recent years himself gained a doctorate.

Although a forceful speaker Madole was, according to an anti-fascist infiltrator, William Goring, *"mild mannered and good natured."*

Sarge relates,

"I could see his life was really a pursuit of knowledge. He would have made a great Druid bard. I could picture him as a high priest. Madole was kind and spoke softly, possessed hidden courage, was never vain..."

Yet despite his studious and quiet nature, *"Madole was the toughest minded person I'd ever met,"* relates SE commander Wagner.

"He wasn't afraid of anything. To tell you the truth, I thought at times he was reckless. He was totally driven by his philosophy. He could have been killed on many occasions. He'd hold a street rally anywhere. To say that of a white nationalist in New

York City was incredible! It was Madole's fearlessness that gave everyone else inspiration. He was involved in scuffles and handled himself quite well."

Sarge writes:

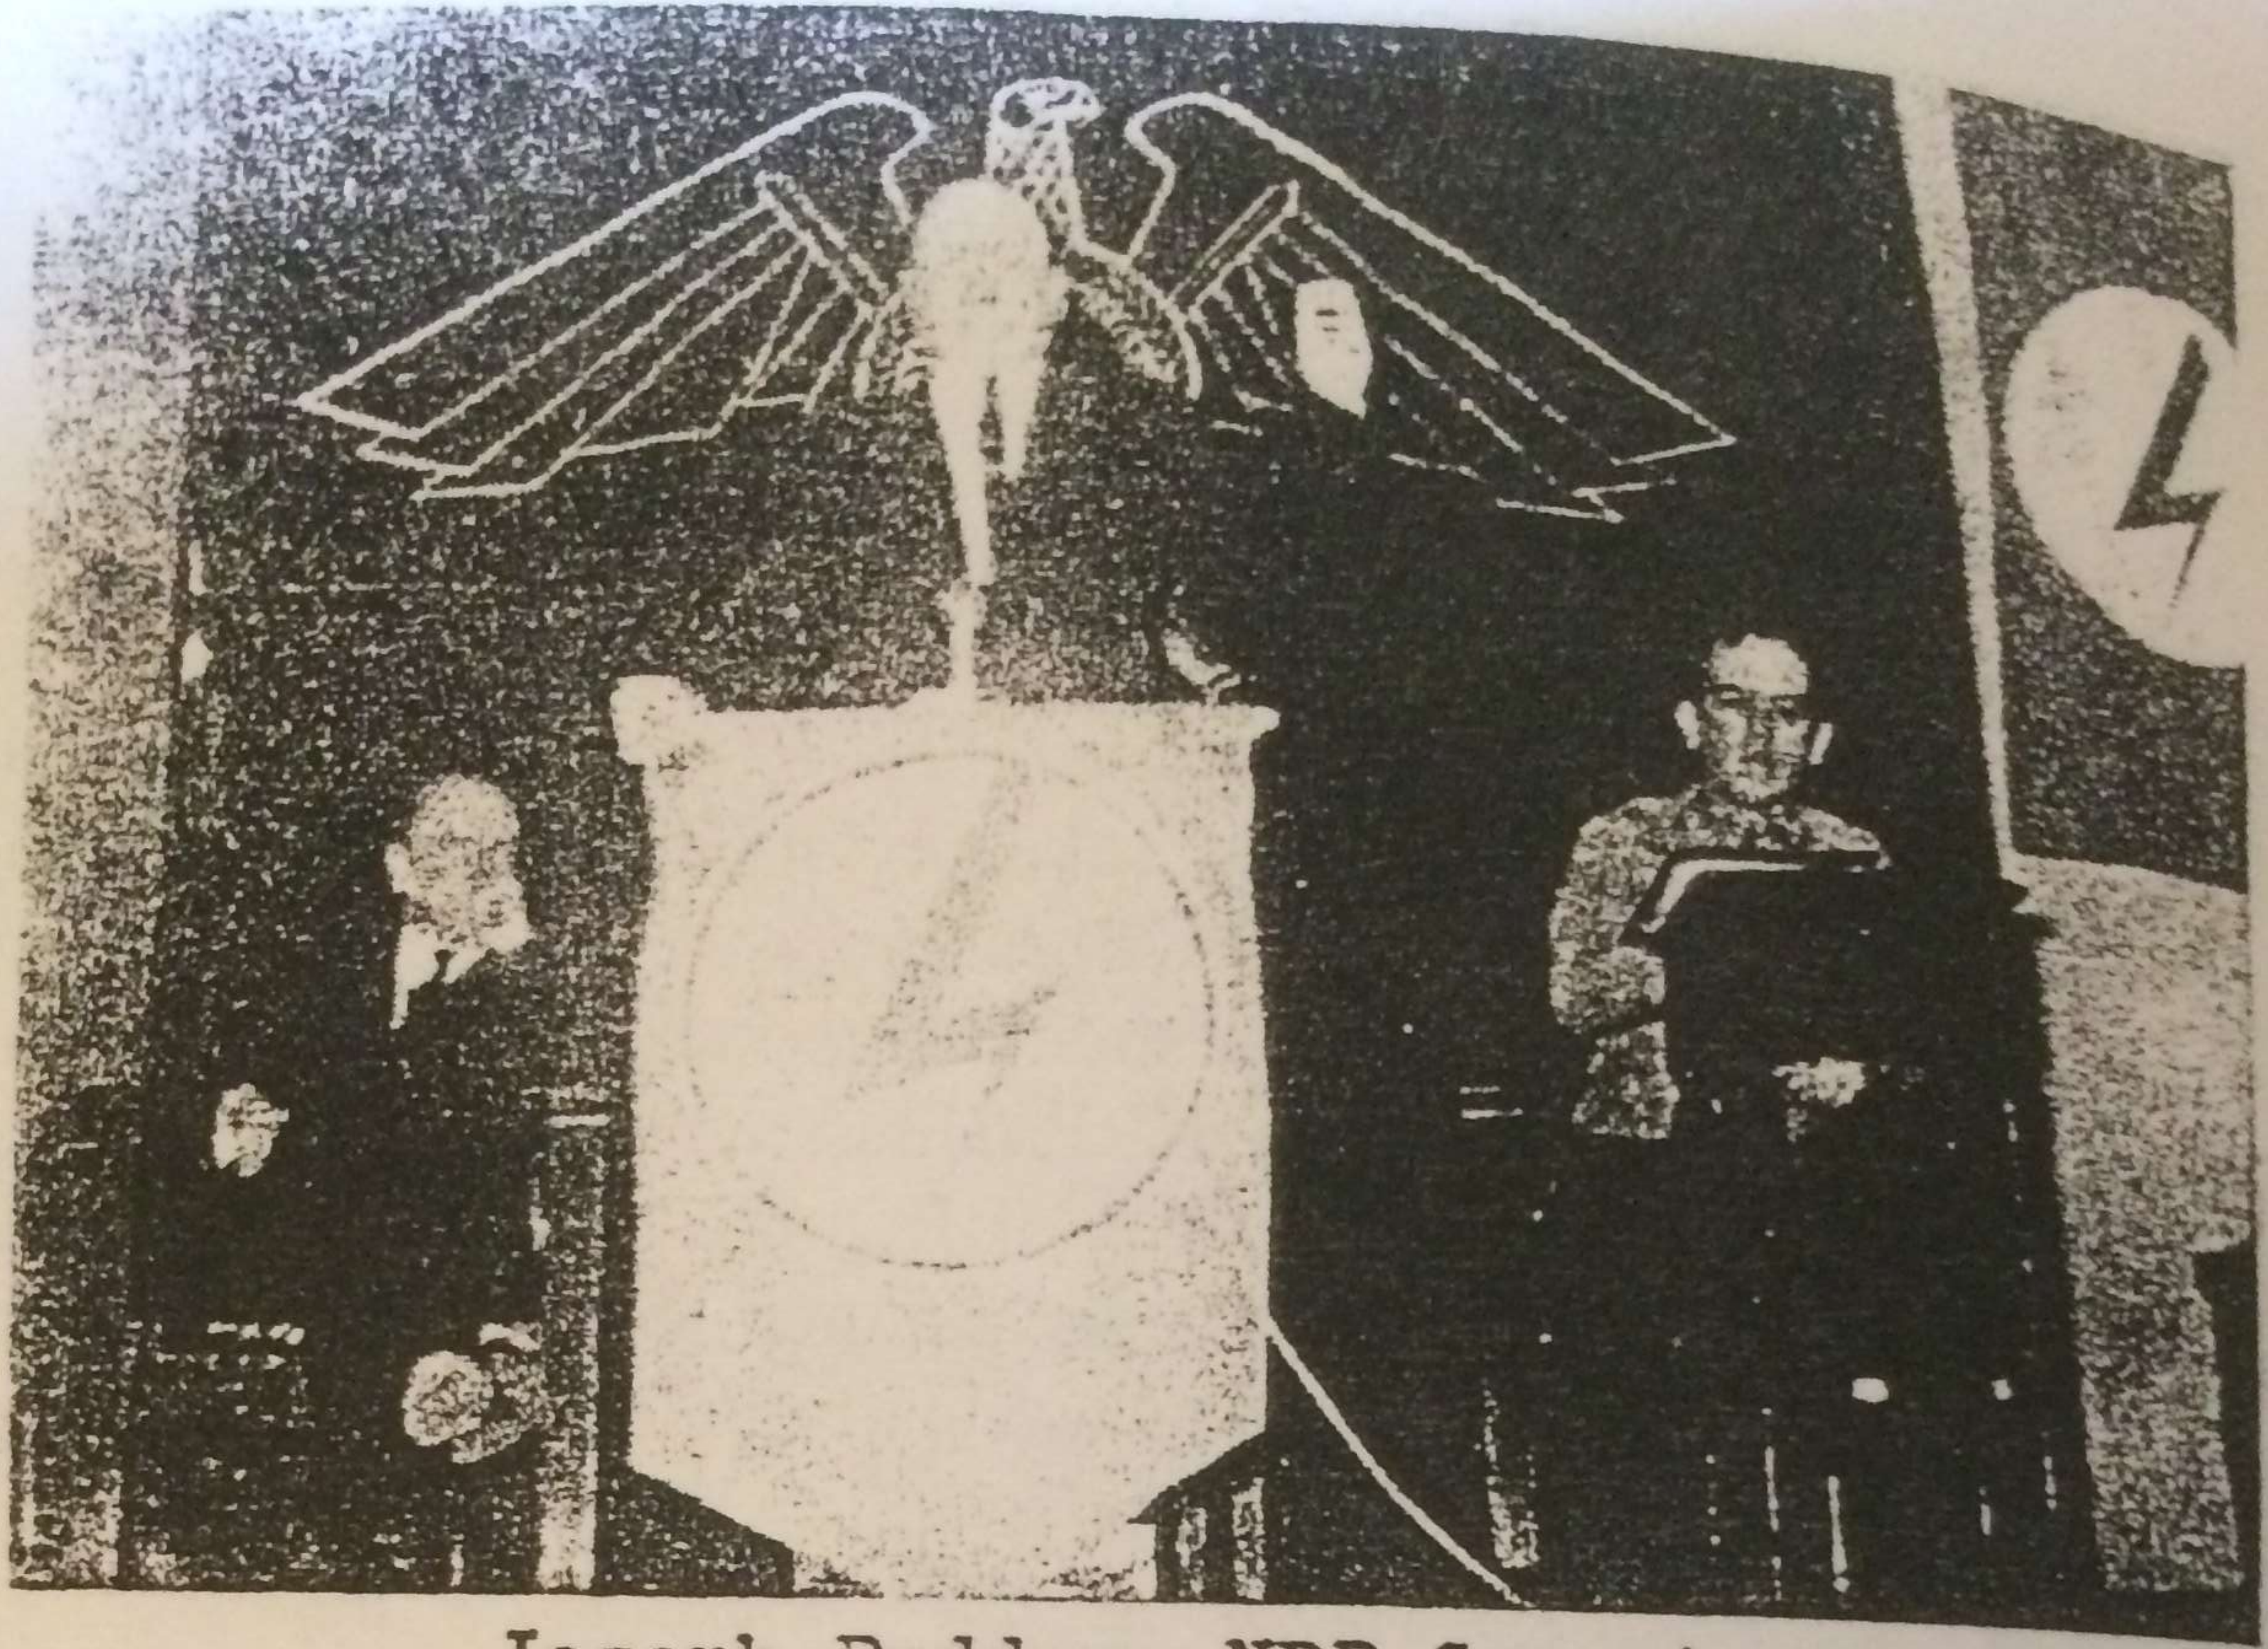

"Madole was not physically strong, but he possessed great courage in the face of adversity and never fled when challenged. He was never the aggressor and fought in self-defence - and won too!"

Madole died of cancer at St Luke's Hospital, 6 May 1979, 5:25pm.

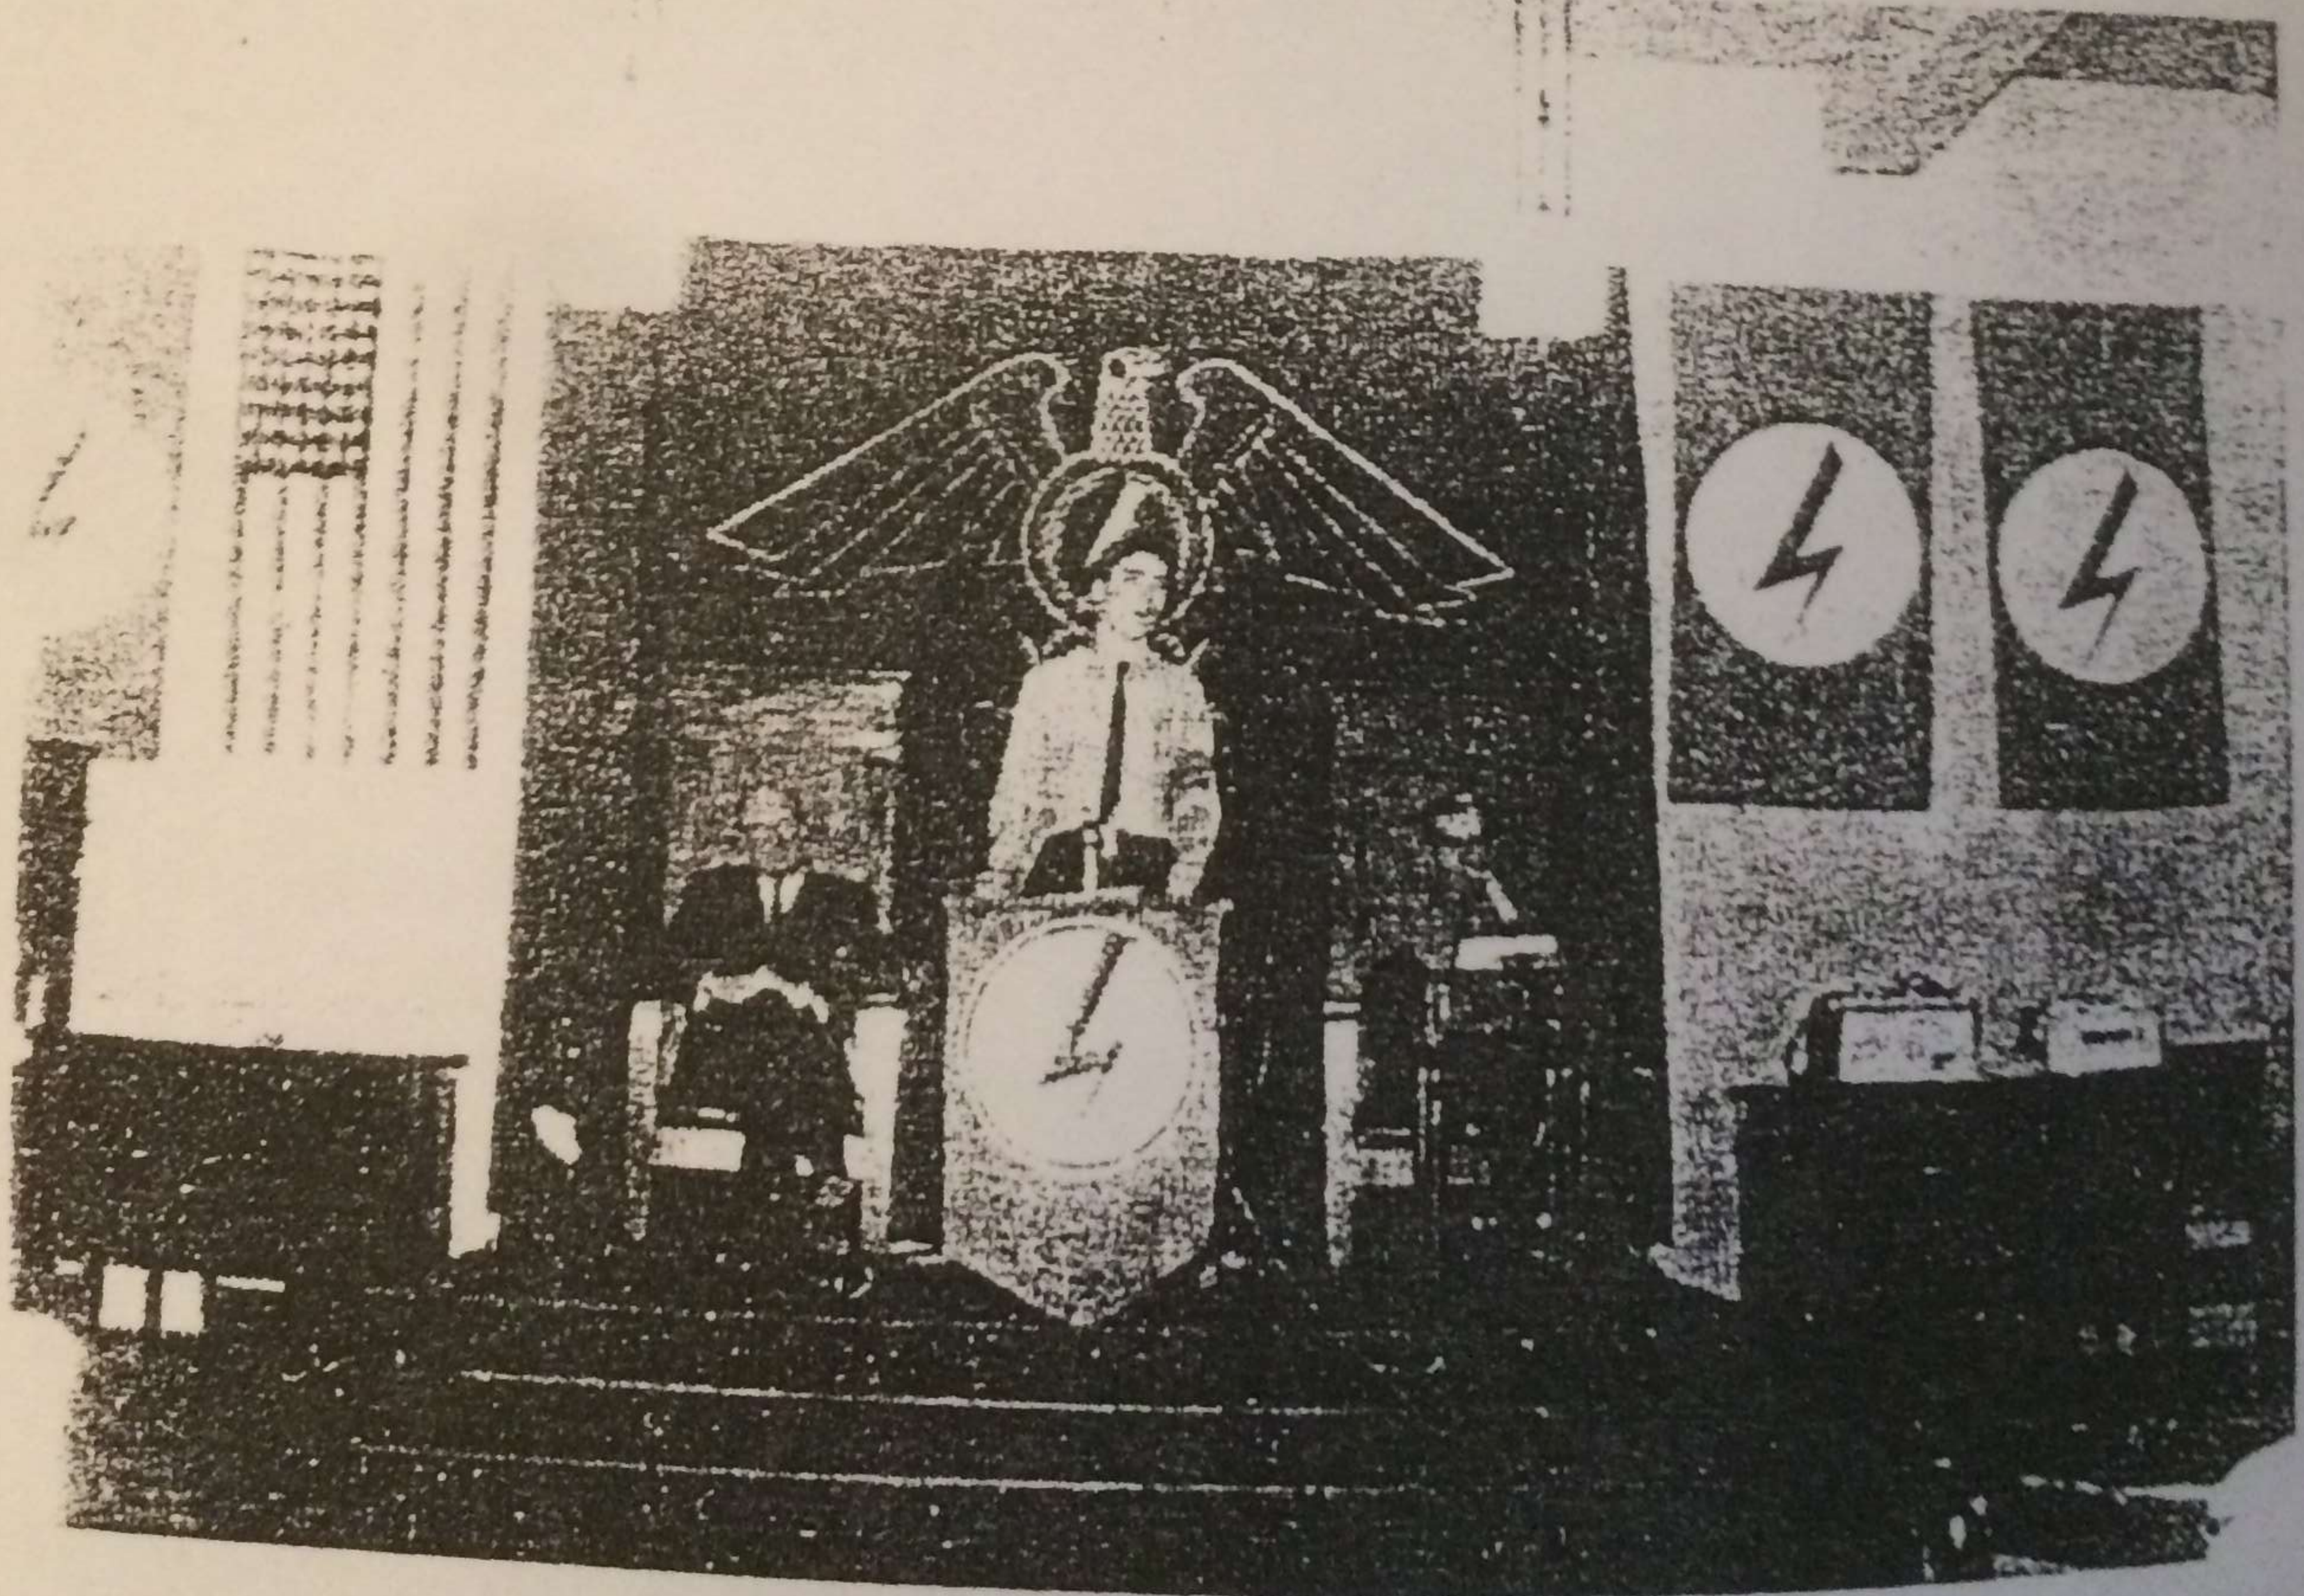

He is buried at Greenwood Cemetery, Brooklyn.

His mother Grace, always a strong supporter of her son, and herself of courageous disposition attending NRP rallies, survived him by two years, at 80 years. She attempted to keep the NRP going by finding other leader. Andrej Lisanik, the Czech army officer, assumed leadership but was killed by a mugger and the NRP records he was carrying were scattered over the highway and lost. By 1980 the NRP was gone.

Sarge has described Madole as *"the unheralded founding father of modern Fascism"* in the USA. Yet possibly the only folkish journal to honour him at his death was **The Odinist** which carried an obituary entitled *"An Oak has fallen."*

"THE NEW ATLANTIS"
"GARDEN OF EDEN" In North America! (part II)
by James H. Madole

"The soul of the Ancient West broods in mists of enchantment enshrouding dim Antiquity, beyond the clamour of modern Europe steals the plaintive cadence of some magic past, faint echoes of faery lands forlorn, the surge of perilous seas then stillness after the storm. Twilight empires loom in grandeur; the glint of golden kings, visions of alluring queens, temples touching a sunlit sky. Suddenly the ocean foams in flame, all dissolve in troubled dreams to fade in forgotten mystery tantalizing our minds beyond recall. For moments of muted wonder we gaze across the glare of our materialist world to realms of haunting witchery, an elusive splendour illumining secret longings. As we thrill at recognition, illusion slowly drifts away to leave us desolate... To all peoples of Antiquity the West was veiled in deepest mystery, realms of immemorial magic

transmuting some ancient memory in the destiny of men. Beyond the Egyptian sunset brooded Amenti, Kingdom of the Dead. Those secret shores beckoned The Souls From Babylon, there the Greeks beheld the Isles of the Blessed. Today the old West still casts its poignant spell, chastening our spirits with cataclysms unseen: across the chasm of unremembered millennia we sense some nameless tragedy, the shadow of Atlantis."

"For countless generations the word "Atlantis" has evoked magic in the hearts of men; priests have mourned its spiritual wisdom denegerating to wickedness, philosophers have moralized on its divine kings, poets have extolled its fabled perfection. All the virtues, all the vices, all the splendours of a brilliant civilization when Earth was young, banished from memory like a dream. Such a Golden Age, the secret yearning of Man's inner soul, seems more than illusion. Intense longing makes the mirage real. We sigh at the splendour of Egypt lost in the sand, the greatness of Babylon buried in mud, the glory of Greece shattered to ruins. All preach in muted eloquence the fleeting triumphs of men. Atlantis! Its towers, temples, palaces, navies, armies, its myriads of men and women thronging those marble courts through many millenia, all have vanished like ghosts leaving not a stone behind. Fantastic wonder, now empty nothing, as though those marvels had never been, yet Atlantis enchants imagination to glow in our souls more magic than ever. In the mirror of some future age do we see our own civilization vanish into oblivion? Are we haunted by some heavy guilt calling down destruction? What nameless sin sank proud Atlantis? Can our century learn before it is to late?" (From "Gods And Spacemen In The Ancient West" by W. Raymond Drake).

Pyramidal temples of Mexico and Central America reflect the glory of lost Atlantis.

Only by treasuring his awe-inspiring racial heritage and the sacred traditions inherited from past aeons can Aryan Man understand the Cosmic Destiny which has selected our ancient peoples as the genetic seed bed from which shall arise, like the reborn Phoenix from the flames and ashes of its former self, a higher type of human being - The God Man Or "Homo Superior" - as far above "HomoSapiens" as "HomoSapiens" is above the anthropoid gorilla! Atlantis was to Aryan Man what Ancient Israel was to the Hebrew Semites but we have been kept in ignorance of Aryan "Holy Books" by the alien Semitic dogmas of Judeo-Christianity forged by those who profit from keeping our minds ensnared in spiritual and mental darkness. We cite the following excerpts from "THE MYSTERIOUS UNKNOWN" by Robert Charroux, an author who has recently been banned from TV and radio in his native France:

"The greatest best-seller of all time is The Bible, which has been published in hundreds of millions of copies. On the other hand, books with the smallest sales are those which tell the story of our own lands and our own ancestors.... We do not know who were the first rulers in Europe, who were the first kings of Gaul and Britain; yet descendants of the people of those times can often recite the genealogies of men who lived in desert places which they have never seen and are never likely to see: Jacob was the son of Isaac, the son of Abraham, the son of Shem, and so on until they come to the "first created man", one Adam, the son of God and a handful of dust as some say, or according to others the offspring of a primitive Adam and Lilith... Contrary to Biblical history, that of the Western Celts is marvellously clear and full of magic, sweet-scented with the breath of seas uncharted and the flowers of Paradise. All this may be found in The Brown Book, or Leabhar na h-Uidhri, which owes its name to the fact that it is bound in dark brown doeskin. It is the oldest of the great Gaelic manuscripts, and was transcribed by Moelmuire about the year 1100..."

"In contrast to most other civilizations, which have left a multitude of paintings or incised pictures on rock or clay, on wood or stone, the Celtic civilization was very sparing of graphic representations, but those which do remain have a high initiatory value. Celtic symbols, in order of their frequency, are concentric circles and spirals, ram-headed serpents, phalli, the horned god, the flying griffin, the winged horse, and eight-rayed star, the sword and the axe, the bull, and the swastika. It is by studying these symbols that it is possible to reconstruct the history of our Western lands which have inherited the civilization of Atlantis. For Atlantis was the true and original source of the science and the arts, the gods and the traditions of the white races, whose world was born in the West."

The man who brought fabled Atlantis to the renewed attention of scholars everywhere was a fine American patriot, with an acute awareness of the Jewish and Negro problems, by the name of Ignatius Donnelly. Donnelly had an astute grasp of American politics which he demonstrated by being elected Lieutenant-Governor of Minnesota at the age of 28. In 1863 he was elected to Congress and served 8 highly successful years. Later Donnelly became a leader of the Farmer's Alliance and wrote the text for the Populist Party program in 1892. While serving in Congress, Ignatius Donnelly, burnt the midnight oil in the Congressional Library and wrote his immortal classic, "Atlantis, The Antediluvian World", which was eulogized by the famed scholar and British Prime Minister, William E. Gladstone, who openly stated that Donnelly's book reflected his own opinions concerning the Lost Continent. Please remember that Ignatius Donnelly was neither a mystic nor a vapid dreamer but a hard-headed realist and successful American politician. We quote the 13 points which his book was compiled to prove: (from "Atlantis, The Antediluvian World" by Ignatius Donnelly)

"This book is an attempt to demonstrate several distinct and novel propositions. These are:

- 1) That there once existed in the Atlantic Ocean, opposite the mouth of the Mediterranean Sea, a large island, which was the remnant of an Atlantic continent, and known to the ancient world as Atlantis.

- 2) . . . That the description of this island given by Plato is not, as has been long supposed, fable, but veritable history.
- 3) . . . That Atlantis was the region where man first rose from a state of barbarism to civilization.
- 4) . . . That it became, in the course of ages, a populous and mighty nation, from whose overflowings the shores of the Gulf of Mexico, the Mississippi River, the Amazon, the Pacific coast of South America, the Mediterranean, the west coast of Europe and Africa, the Baltic, the Black Sea, and the Caspian were populated by civilized nations.
- 5) . . . That it was the true Antediluvian world; the Garden of Eden; the Gardens of the Hesperides, the Elysian Fields, the Gardens of Alcinous; the Mesomphalos; the Olympos; the Asgard of the traditions of the ancient nations; representing a universal memory of a great land, where early mankind dwelt for ages in peace and happiness.
- 6) . . . That the gods and goddesses of the ancient Greeks, the Phoenicians, the Hindoos, and the Scandinavians were simply the kings, queens, and heroes of Atlantis; and the acts attributed to them in mythology are a confused recollection of real historical events.
- 7) . . . That the mythology of Egypt and Peru represented the original religion of Atlantis, which was sun-worship.
- 8) . . . That the oldest colony formed by the Atlanteans was probably in Egypt, whose civilization was a reproduction of that of the Atlantic island.
- 9) . . . That the implements of the "Bronze Age" of Europe were derived from Atlantis. The Atlanteans were also the first manufacturers of iron.
- 10) . . . That the Phoenician alphabet, parent of all the European alphabets, was derived from an Atlantis alphabet, which was also conveyed from Atlantis to the Mayas of Central America.
- 11) . . . That Atlantis was the original seat of the Aryan or Indo-European family of nations, as well as of the Semitic peoples, and possibly also of the Turanian races.
- 12) . . . That Atlantis perished in a terrible convulsion of nature, in which the whole island sunk into the ocean, with nearly all its inhabitants.
- 13) . . . That a few persons escaped in ships and on rafts, and carried to the nations east and west the tidings of the appalling catastrophe, which has survived to our own times in the Flood and Deluge legends of the different nations of the old and new worlds.

Donnelly's highly erudite summation of historical facts concerning the vanished fountainhead of Aryan civilization in prehistoric Atlantis (destroyed some 11,000

years ago) is upheld by "The Secret Doctrine" of Madame Helena Petrovna Blavatsky, two mighty tomes of ancient lore which serve as a translation of Stanzas from the "Book Of Dzyan" (a volume which dates back over 10,000 years preserved in the lamaseries of Tibet). This "Secret Doctrine" makes the Jewish "Talmud" and the Judeo-Christian "Holy Bible" appear as the fairy tales of Hans Christian Anderson with a touch of Hebraic pornography and genocidal mania thrown in for spicing. One volume of "The Secret Doctrine" is entitled "Cosmogenesis" and deals with the true nature of the Cosmos, its creation from the living thought of an ABSOLUTE (BRAHMA), the meaning and inter-relationship of infinite space and eternal time, the cycle of reincarnation which governs the entire manifested Cosmos from far-flung galaxies to minute solar systems like our own, from the cosmic nuclear reactors we term "stars" to infinitesimal planets like our Earth, from man to animal to plant to mineral and ever down into the infinite microcosm of sub-atomic particles. The second volume of "The Secret Doctrine" is entitled Anthropogenesis and deals with the Creation and History of Life, particularly mankind, on this planet. There are predictions concerning the birth of a new God-like race of men on the North American continent and I quoted Madame Blavatsky in Part I of this article as to how the New Race would emerge from a fusion of Aryan peoples in the USA. A full comprehension of the "Secret Doctrine" necessitates a working knowledge of modern physics and astronomy as well as familiarity with Eastern and Western Occultism but the vast sweep of thought contained in these volumes gives one a sense of probing the mind of a GOD! It makes our "Holy Bible" appear puerile and useless in comparison to these Stanzas from the "Book Of Dzyan" and fills me with pride in the glorious heritage bequeathed to us by our Atlantean and Aryan forebears!

"THE NEW ATLANTIS"

A Blueprint For An Aryan "GARDEN OF EDEN" In North America ! (Part III)
by James H. Madole

The purpose of this lengthy history of the Aryan Race, and its mighty forebears in the pre-historic Empire of Atlantis, is to prove that a vast repository of literature and Sacred Texts exists in the lamaseries and monasteries of Tibet, India, China, and Mongolia which prove that mankind's history goes back over millions of years, rather than a mere 10,000 or 15,000 years as our contemporary scientists believed! These ancient volumes, written thousands of years before the coming of Christianity, tell of flying machines called "vimanas" whose fuel was the element mercury, they tell of nuclear holocausts in which entire armies and cities struck by the "Thunderbolt of Indra" were either blasted into oblivion with a mushroom-shaped cloud as an aftermath or the stones of the cities were actually vitrified and fused together by the heat. Survivors are

said to have blackened nails and to lose their hair. Similar horrors are described vividly in the "Popol-Vuh", the Holy Book of the Quiche Maya Indians of Guatamala, and in "The Ramayana" and "The Mahabharata" of the Aryan Hindus. The Deluge legends concerning the destruction of Lost Atlantis came from these elder Aryan sources by way of the Persians and Babylonians who transmitted them to the Hebrews and Greeks (hence the Deluge legends of all nations including the Noah Story in "The Holy Bible" which is a much diluted hand-me-down parody of the Babylonian "Epic Of Gilgamesh" which, in turn, is a more obscure portrayal of a cataclysmic catastrophe than is the Aryan

The Lost Continents of Mu, in the Pacific, and Atlantis, in the Atlantic, according to James Churchward.

"Mahabharata"). The Red Indian legends of North and South America also spell out allegorically the founding of their Inca, Aztec, Toltec, and Mayan Empires by wisdom brought by "White Gods" from the Eastern Sea (the Atlantic Ocean). The exact verbiage of the Mayan legend is related as follows from "The Timeless Earth" by Peter Kolosimo:

"The white gods came from the east, long ago: great ships with swan's wings and shining sides, like huge snakes gliding through the water. When they reached the shore, men with fair skins and hair and blue eyes disembarked from them. They wore black garments open in front, with round collars and short, wide sleeves. On their brows they wore a diadem in the form of a serpent."

Since the symbols of the serpent, dragon, cross, and concentric circles were amongst those sacred to the Atlanteans according to the translation of "The Book Of Dzyan" found in Madame Blavatsky's "Secret Doctrine" and (according to the same Tibetan source) Solar Worship was the fundamental faith of Atlantis and this deification of the Sun as the source of life and energy was taught

to the Aztecs, Incas, Toltecs, and Mayas we may assume the fair-skinned strangers were from the Lost Continent! Pyramidal architecture and a hieroglyphic form of writing were also hallmarks of this advanced race. No European culture therefore could possibly be responsible for the advanced Indian civilizations found in Central and South America!

Madame Blavatsky's "Secret Doctrine", A. P. Sinnett's "Esoteric Buddhism", George de Purucker's "The Esoteric Tradition", "Studies In Occult Philosophy", and "Fundamentals Of The Esoteric Philosophy" together with a host of translations from the original Eastern volumes all concur that Seven Root Races have or will exist on this earth. Just as the Atlantean Root Race evolved from its predecessor the Lemurian Root Race (which was the Third Root Race) so the Aryan Root Race (the Fifth Root Race) has evolved from the Atlanteans (the Fourth Root Race). After the Deluge (the submersion of the Lost Continent of Atlantis) we find renditions of Solar Worship established amongst the Aryans of Vedic India, the Persian Empire, the Druidic religion of the Aryan Celts, and in Pharaonic Egypt (perhaps directly established by true Atlantean refugees from the Mother Continent rather than their more primitive Aryan successors). We find the serpent diadem (the Uraeus) upon the heads of the Egyptian Pharaohs just as we found it on the brows of Atlantean explorers in South and Central America!

The Aryans were destined to pick up the flaming torch of spiritual and mental development and play their role as the creators of the New Civilization and Masters of the World according to the Sacred Books of the East. Christian and Moslem fanatics destroyed the repositories of Ancient Wisdom left by our ancestors in the Alexandrian Library and the Temple of Serapis because these Semitic doctrines would have been proven totally plagiarized and fraudulent had fire not eradicated truth in the West. Even today the word, "Aryan", is taboo in historical and anthropological works because our Aryan peoples must be submerged in a floodtide of semitic plagiarisms which falsely glorify the Jews as "The Chosen People Of God" and the repository of all Wisdom! What a hoax! Meanwhile our Aryan youth are stripped of their glorious birth-right and forced to live in a totally corrupt Afro-Semitic society which is rapidly collapsing from its inner rot.

Who were the Aryans, from whence did they come, what have been their contributions to the spiritual, mental, and physical advancement of humanity, and what is the destiny in store for them? To answer these primary questions is the purpose of this treatise on "The New Atlantis". We find that "The Secret Doctrine" states: "Since the beginning of the Atlantean Race many million years have passed, yet we find the last of the Atlanteans, still mixed up with the Aryan element, 11,000 years ago. This shows the enormous overlapping of one race over the race which succeeds it, though in character and external type the elder loses its characteristics, and assumes the new features of the younger race. This is proved in all formations of mixed human races." The sinking of Poseidonis (the last remnant of the huge Lost Continent circa 11,500 years ago as dramatized by the Greek philosopher Plato) removed the land barrier which separated the warm and cold currents of the Atlantic Ocean thus heralding the end of the last Glacial Period about 11,000 years ago by

Aryan invasions, the war chariot and a knowledge of governmental organization which often resulted in Aryan princes ruling over tribes of non-Aryan Asians such as the Mitanni and Kassites who set up Kingdoms in Northern Mesopotamia about 1600 B. C.. Thus the Satem branch of the Aryan Race founded the empires of Vedic India and the famed Persian Empire of Xerxes and Darius. From long perished Atlantis our ancestors drew the knowledge which created the magnificent storehouses of knowledge found in The Rigveda, The Upanishads, The Brahmanas, The Puranas, The Zend Avesta Of Zoroastrian Persia, and the beautiful poetry of India and Persia.

The Centum tribes of the Aryan Race migrated westward and in successive invasions destroyed a decadent Minoan Crete thereby laying the foundations of Classical Greece, they poured into the Italian peninsula and laid the foundations of Imperial Rome, and still later Centum invaders brought a mongrelized morass (all that remained of Imperial Rome after centuries of rule by a Christianized, de-racinated ruling class) under their sway. From the Bay of Biscay to the Ural Mountains, the nation-states of Europe with all their cultural, scientific, and technological achievements (as well as their Indo-European root language) owe their very existence to the Centum branch of the Aryan Race! Only the Semitic heresies of Judaism and Christianity exist as alien and disruptive factors within the body of ARYAN EUROPE! We quote the French historian, A. Pictet, in his "Ancient Migrations Of The Aryans":

"In an era before any historical record, lost in the mists of time, a race destined by Providence to dominate the entire world grew little by little in its primeval cradle, privileged above all others by beauty of blood and gifts of intelligence."

In my next installment of "The New Atlantis" I shall trace the eleven linguistic families of the Aryan Race (both Satem and Centum) in both Asia and Europe and begin to explain the mortal psychological conflict which took place from ancient times to the present between the Semitic religions (Judaism, Christianity, and Islam) and the Occult Traditions of the Aryan peoples traceable through "The Book Of Dzyan" and "The Secret Doctrine" to the original spiritual fountainhead of Lost Atlantis!

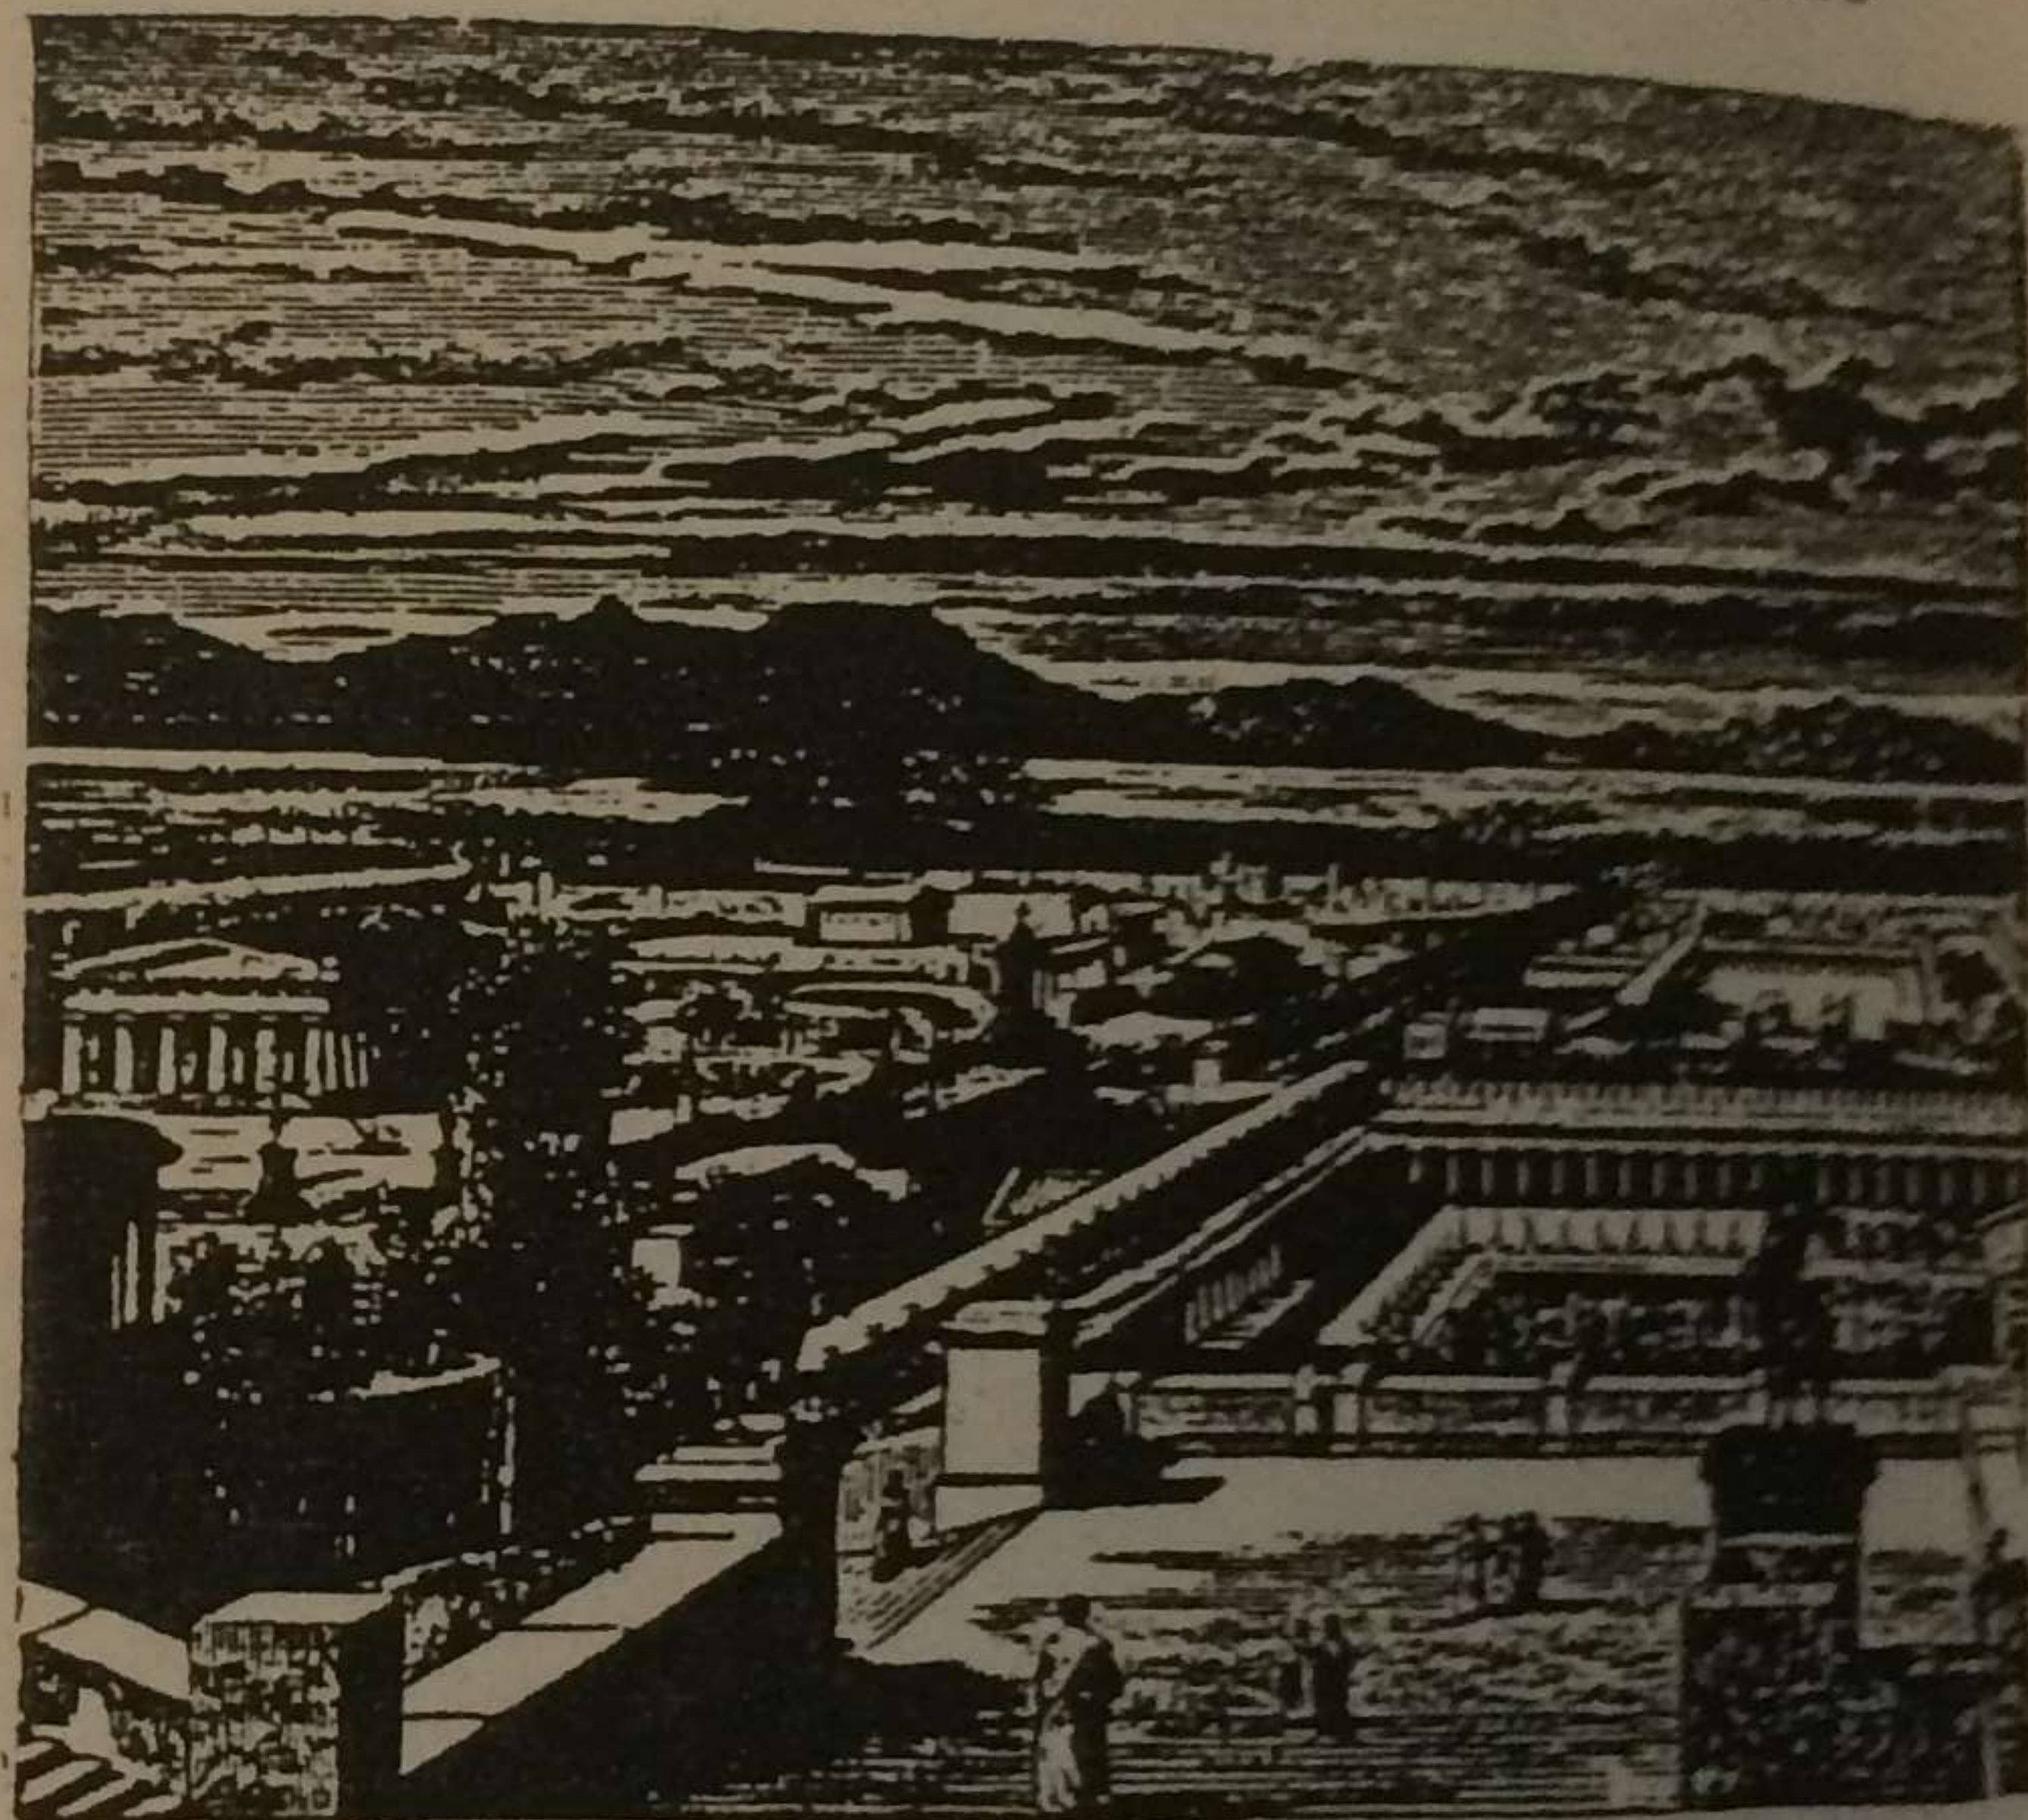

A BLUEPRINT FOR AN ARYAN "GARDEN OF EDEN" IN NORTH AMERICA! (Part IV)
by James H. Madole

"We Salute those sacred summits (Himalayas), where the great races, which carried the future of humanity in their hearts, contemplated infinity for the first time and introduced two categories which changed the face of the world, morality and reason. When the Aryan race, after thousands of years of striving, shall have become the masters of the planet which they inhabit, their first duty will be to explore that mysterious region (Tibet, Afghanistan, and Mongolia) No place in the world has had a comparable role to that of the nameless mountain or valley where mankind first attained self-consciousness. Let us be proud of the old patriarchs who, at the foot of Imaus, laid the foundations of what we are and of what we shall become." (Ernest Renan "History Of The Semitic Languages")

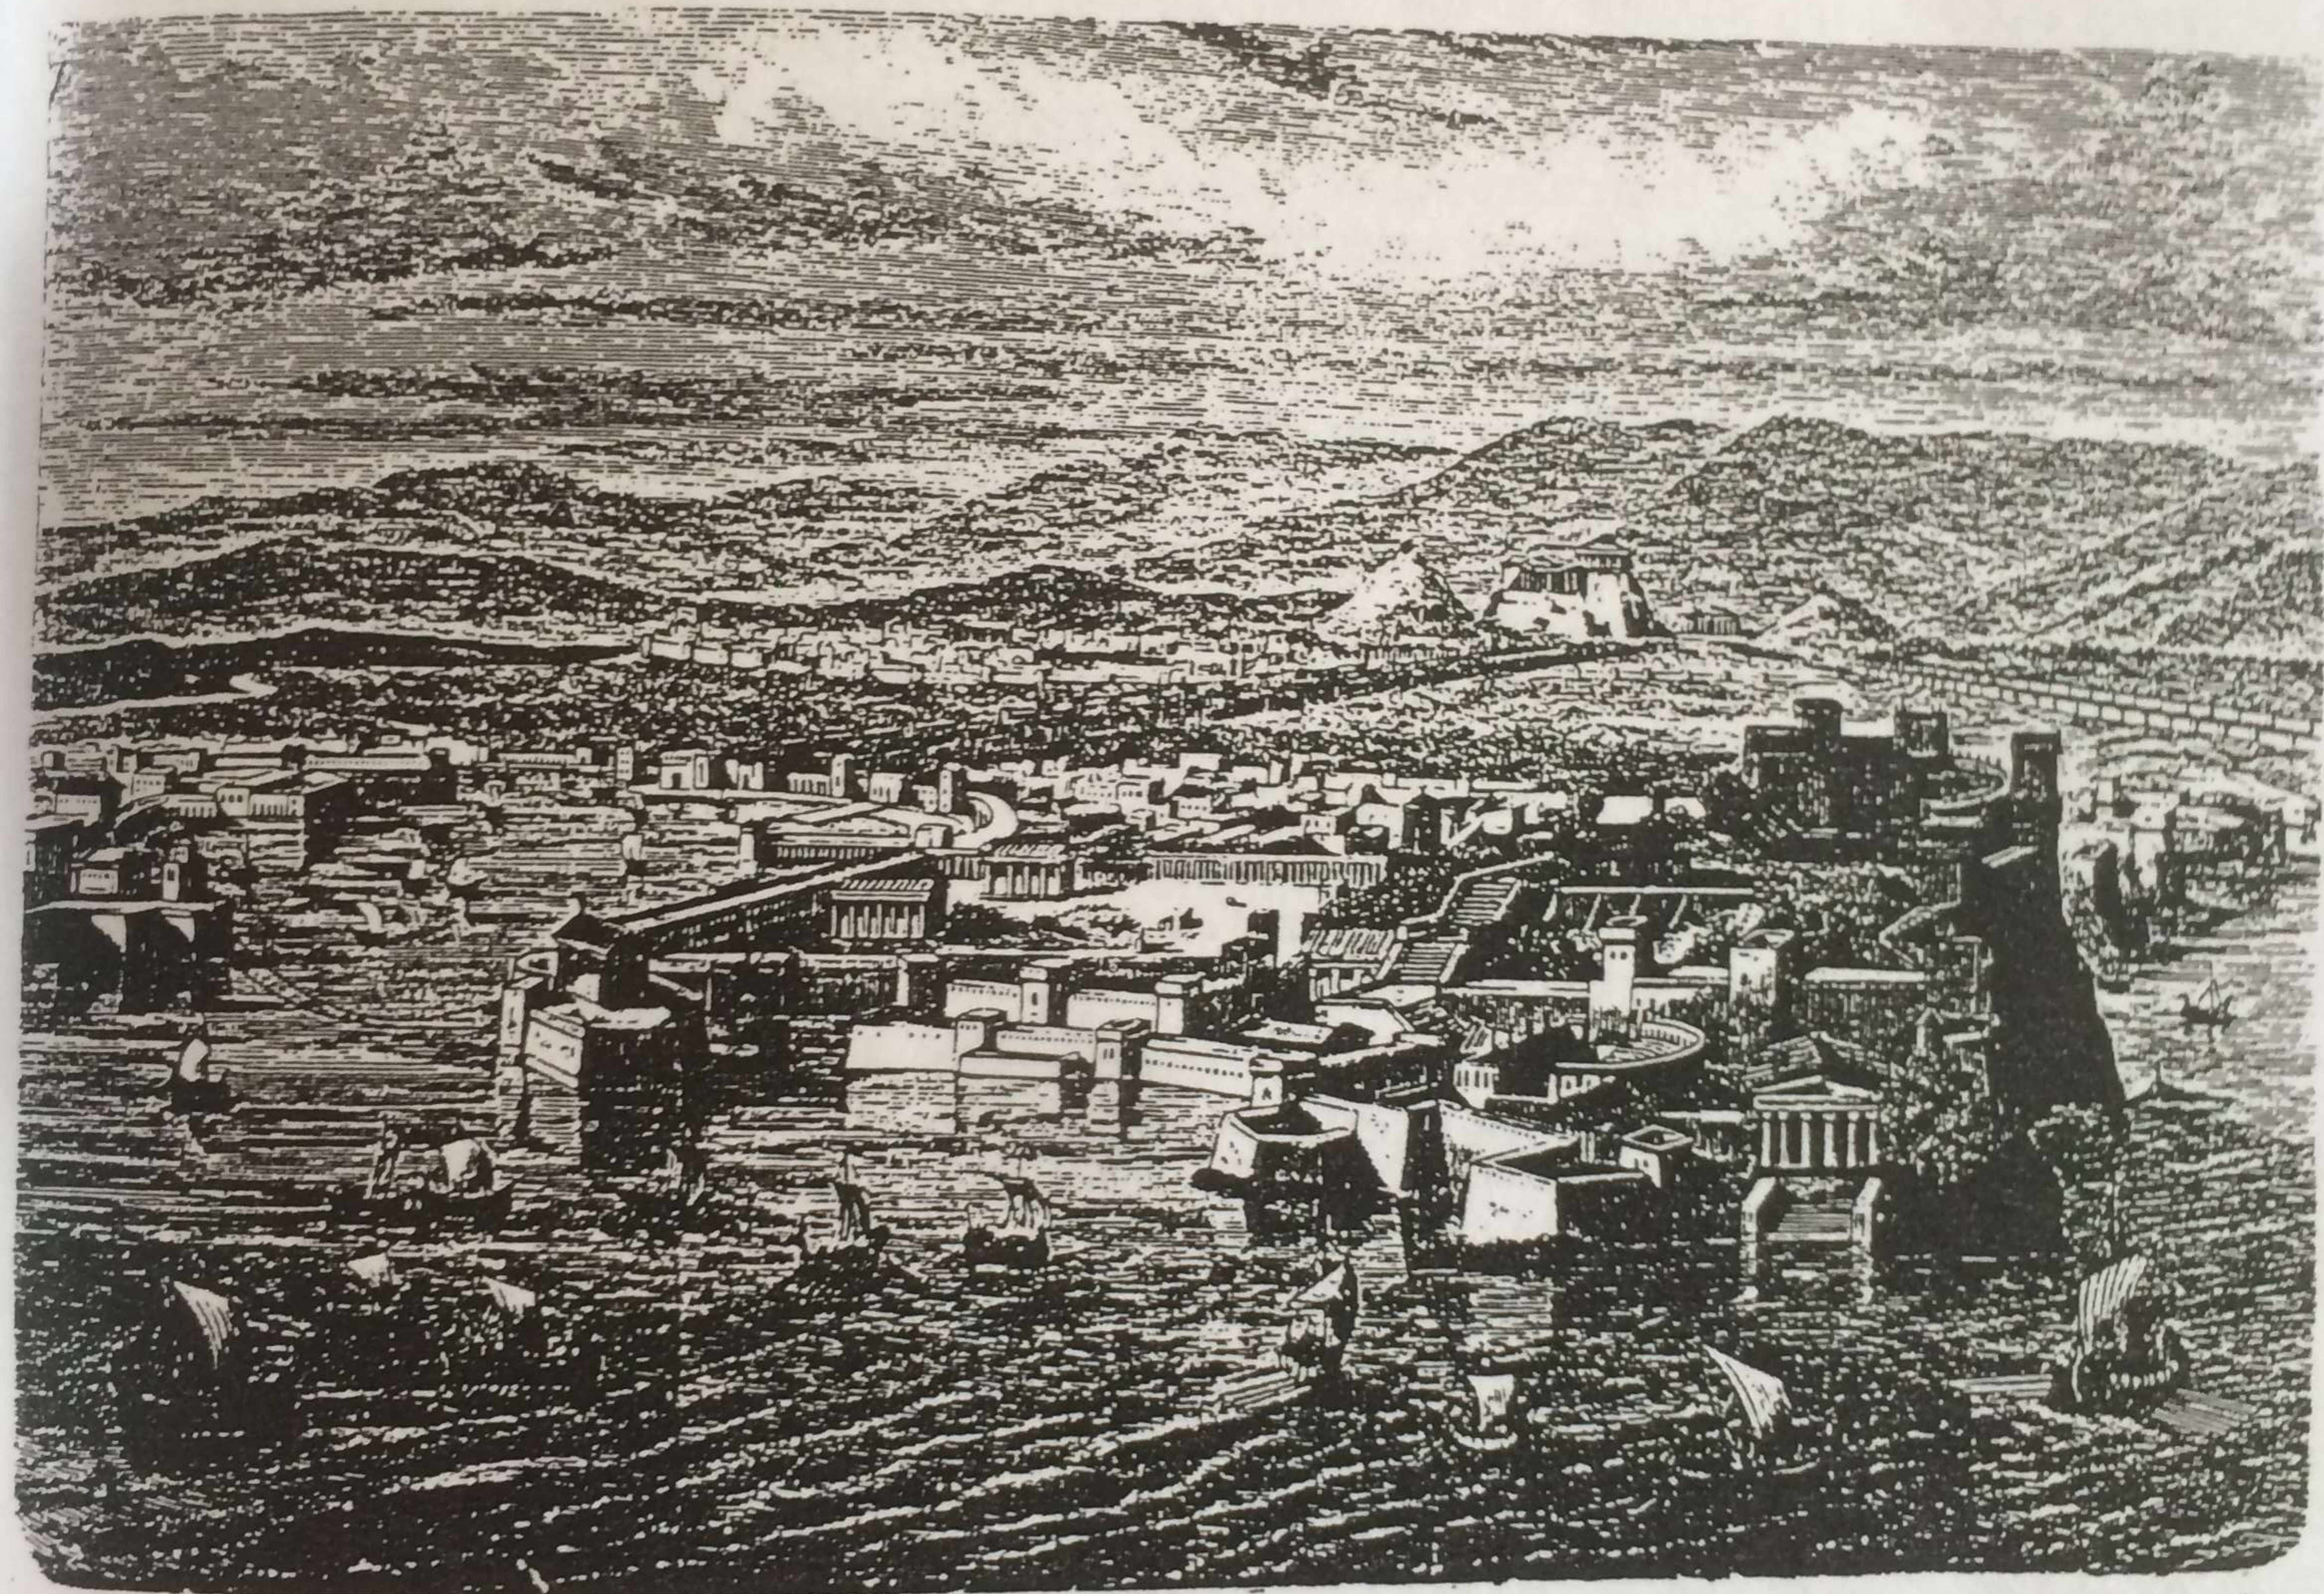

Aryan Sea Raiders landed in the British Isles and North America before the Christian Era

The Aryan City of Corinth in Classical Greece before the Christian Era

Slowly, but surely, Aryan Man is turning his eyes from the Semitic spiritual center in Jerusalem and riveting his full attention upon the dimly remembered homelands of the Aryan soul in the high, soaring peaks of the Himalayas and the Lost Edens Of Atlantis And Ultima Thule. Only those who allocate the necessary Will And Time to master the intricacies of such literary and spiritual masterpieces as "Isis Unveiled", "The Secret Doctrine", "The Vishnu Purana", "The Upanishads", and "The Rigveda", can fully understand the vast powerhouse of intertwined science, metaphysics, occult philosophy, and knowledge of pre-historic races whose civilizations surpassed the greatest feats of modern man, all this vast storehouse of wisdom and power which is the acknowledged legacy of Aryan Man (the descendants and rightful heirs of Lost Atlantis). In our last chapter of this article I discussed the SATEM branch of the Aryan Race which created the wonders and beauty of Vedic India and the Persian Empire of Xerxes and Darius. I also discussed the CENTUM tribes of the Aryan Race that moved westward into Europe founding, at various periods, the empires of Classical Greece, Imperial Rome, the Byzantine Empire, the Holy Roman Empire of

Charlemagne, and each of the nation-states of modern Europe. Thus Spanish nobility traces itself back to the Visigoths, French nobility to the Gauls and Franks, Italian nobility to the Ostrogoths and Umbrians, the Swiss to the Helvetians, the Germans to the Teutons, the Greeks to the Ionians and Dorians, the various Slavic elements of Yugoslavia to the Scythians and Illyrians, the Russian Slavs to the Nordic Russ of Scandinavian origin and the Aryan Scythians in the Ukraine. Naturally there have been Mongolian and Turkish invasions of Europe which have created large reservoirs of non-Aryan stock in various parts of the Balkans and Eastern Europe but these elements have been largely absorbed into the mainstream of Aryan Culture (with the notable exception of the Jew because of his messianic Religion which prevents any possible assimilation).

The Pre-Christian Metropolis of Athens - a marvel of Aryan Engineering and Architecture in Classical Greece. Adolf Hitler sought to rebuild Modern Germany on the model of Aryan Grecian architectural design

Examining the evidence of pure scientific fact - who exactly are the Aryans? What constitutes a person of Aryan Race as differentiated from Semites, Mongolians, African Negroes, Indian Tamils or Dravidians etc.? According to the accredited historian, V. Gordon Childe, in his book, "The Aryans", published in 1927, we have the following facts:

"Most of the languages of Europe, America, and India today belong to one linguistic family generally called the Indo-European. The direct ancestors of these modern tongues were already diffused from the Atlantic to the Ganges and

the Tarim many centuries before our era opens; all seem to be descended from a common parent language (or, rather, group of dialects) which comparative philology can reconstruct in a schematic way. Naturally the parent language must have been spoken by actual people. These we shall call Aryans, and about them we can predicate two things.

"To whatever physical race or races they belonged, they must have possessed a certain spiritual unity reflected in and conditioned by their community of speech. To their linguistic heirs they bequeathed, if not skull-types and bodily characteristics, at least something of this more subtle and more precious spiritual identity. Anyone who doubts this would do well to compare the dignified narrative carved by the Aryan Darius on the rock of Behistun with the bombastic and blatant self-glorification of the inscriptions of Ashurbanipal or Nebuchadnezzar (Semitic monarchs of Assyria and Babylon) ... Secondly the Indo-European languages and their assumed parent-speech have been throughout exceptionally delicate and flexible instruments of thought ... It follows then that the Aryans must have been gifted with exceptional mental endowments, if not in enjoyment of a high material culture ... It is no accident that the first great advance toward abstract natural science was made by the Aryan Greeks and Hindus, not by the Babylonians or the Egyptians, despite their great material resources and their surprising progress in techniques - in astronomical observation for example ... In the moralization of religion too Aryans have played a prominent role. The first great world religions which addressed their appeal to all men irrespective of race or nationality, Buddhism and Zoroastrianism, were the works of Aryans, propagated in Aryan speech ... It is certain that the great concept of the Divine Law or Cosmic Order is associated with the first Aryan peoples who emerge upon the stage of history some 3500 years ago ... Nor were the potentialities of Aryan speech solely intellectual. Poetry in which a fixed metrical structure combines with sweet-sounding words to embody beautiful ideas seems peculiarly Aryan: Semitic poetry, for example, does not rest upon a regular metrical structure involving a fixed number of syllables in the verse. The correspondences between the metres of the Hindu Vedas, the Iranian Gathas, and the Greek lyrics, in fact, allow us to infer some form of common metrical tradition inherited from an earlier epoch (Ed. Note: "The Secret Doctrine" places the Aryan Race in Thule some 10,000 years ago or perhaps even earlier. We quote: "As the comparatively fair Brahmins have come - when invading India with its dark-coloured Dravidians - from the North, so the Aryan Fifth Race must claim its origins from northern regions ... The Aryan Race was born and developed in the far north, though after the sinking of the continent of Atlantis its tribes emigrated further south into Asia."). Thus the records of the Tibetan lamaseries contained in "The Secret Doctrine" bear out V. Gordon Childe's assertion that the Aryans had traditions of speech and thought inherited from "earlier epochs".

Now back to "The Aryans" by famed historian V. Gordon Childe: Philologists today recognize eleven groups of languages descended from the Aryan root, each group embracing a plurality of languages and each language being divided up into a multiplicity of dialects. The principal groups known today are:

- 1) Celtic - surviving only in Gaelic, Irish, Manx, Welsh, and Breton, but once spoken over a vast area in Western and Central Europe.

- 2) The Teutonic Languages, including Anglo-Saxon, Dutch, German, and the Scandinavian languages.
- 3) The Italic Group - Latin, Oscan, and Umbrian all known from about 400 B. C. - together with their modern descendants, Italian, French, Spanish, Roumanian, etc..
- 4) Albanian - possibly a survival of ancient Illyrian or Thracian.
- 5) Greek - in classical times divided into four groups of dialects.
- 6) The Slavonic Tongues - Russian, Polish, Czech, Croat, Serbian, Bulgarian and many others.
- 7) The Baltic Family - Lithuanian, Old Prussian, and Lettic, all known from a comparatively recent date.
- 8) Armenian with a literature beginning in the 6th Century A. D..
- 9) Iranian dialects represented first in the Old Persian inscriptions of the Achaemenid kings on the one hand, and in the Gathas and later sacred books of the Parsis (Zend) on the other, and then in a great number of disparate dialects once diffused over an enormous area from Eastern Turkestan to the Caucasus and Europe (with the Alans) and still surviving in Ossetian, Kurdish, Persian etc..
- 10) Indic, primarily Sanskrit, then the ancient Prakrits, and finally the modern vernaculars.
- 11) Tocharian - an extinct language with two dialects known only from ancient manuscripts recently unearthed among the buried cities of the Tarim valley and probably dating from the later half of the 1st millennium A.D. "

Madame Blavatsky's "The Secret Doctrine", translated from the Stanzas of Dzyan by Tibetan sages, spoke of lost cities in the Tarim Basin but, amazingly enough, Madame Blavatsky published "The Secret Doctrine" in 1888 (two years before her death) but the discovery of a lost Aryan Civilization in that desolate area was not made until 1917! This saga of the Aryan Race, the spiritual heirs of Lost Atlantis, who are ordained to bring forth from their loins a genetically and spiritually more advanced SIXTH ROOT RACE on the North American continent, will be continued in our next issue of the "NRP Bulletin".

"THE NEW ATLANTIS"

A BLUEPRINT FOR AN ARYAN "GARDEN OF EDEN" IN NORTH AMERICA !

(Part VII)

by James H. Madole

The immortal doctrine of RACIAL DIFFERENCES and the basic inequalities existing between species, castes or classes, and individuals within the species has ever been the foundation stone upon which Aryan thought and culture was erected and spread across the world from Airyana Vaejo (the Arctic Homeland of the Aryan Race). Our Aryan knowledge of the Occult or Metaphysical Sciences was inherited from the pre-historic Empire of Atlantis when our White-skinned ancestors existed at a time contemporary with the final decline of that awe-inspiring Race of Demi-Gods (some 850,000 years ago). This knowledge we have from the lamaseries of Tibet, Mongolia, and India where the Sacred Books of the Aryan Race have lain for untold centuries before the Semites, who pirated and bowdlerized the mystical writings of Chaldea, Babylonia, Phoenicia, Pharaonic Egypt, and Vedic India in order to create their Universalist creeds of Judaism, Christianity, and Islam - even came into being as a SUB-RACE of the Main Aryan Root Race! The true origins of the Semites is best expressed by Asian historians rather than by Europeans since Westerners seek to shroud in mystery the unsavory background of the founders of Judeo-Christian monotheism. We cite the following from "Rigvedic India" by Abinas Chandra Das, a lecturer at the University of Calcutta:

"There was an Aryan tribe in Sapta-Sindhu (the modern Punjab of India), called

the PANIS, who were merchants, and who traded both on land and by sea. They constructed ships for their sea voyages, having been master-carpenters, and were excellent mariners, probably the earliest that history knows of (Ed. Note: This chronicle of events covers the period of Aryan development in the Punjab circa 25,000 B.C. to 7500 B.C. when the 3 great seas surrounding the area were converted into dry land or burning deserts thus changing the climatic conditions as described in the Rigveda). But they were a greedy and avaricious people, bent only upon amassing wealth by means, fair or foul. Having been money-lenders, they exacted interest from the borrowers with the cruel severity of a Shylock. Clans of this tribe who traded on land, accompanied by their herds and dogs, like the modern wandering Iranis (Persians) sometimes stole the cattle of the settled agriculturalists, and mixing them with their own herds, swiftly moved away to other settlements ... This abominable character of the Panis, coupled with the fact that they did not subscribe to the Vedic faith (the Aryan racial and caste preserving religion of BRAHMINISM), and worship the principal Vedic Gods or perform the Vedic sacrifices, made them highly unpopular and despised. Some of them were so fiercely persecuted by the combined Vedic Aryan clans that they were compelled to leave Sapta-Sindhu (Punjab) in their ships for other countries where they settled as traders and mariners ... They must have settled first on the coasts of modern Gujarat, and afterwards on the Malabar and the Coromondal coasts of Southern India, inasmuch as they afforded excellent timber, the Indian teak, for ship-building. Probably they were the first Aryans to have come in contact with the inhabitants on the sea-boards of the Southern Indian Peninsula - the Pandyas and the Cholas, who were thus the first to receive Aryan culture.

"From these coasts some of the Panis, accompanied by the aryanized Cholas, settled in Chaldea, probably so named after the Cholas, who established a flourishing colony in Mesopotamia and laid the foundation of the great Babylonian Empire. Others, accompanied by the aryanized Pandyas, voyaged along the coasts of Persia and Arabia, and settled in Egypt. But as the Panis had an irrepressible sea-roving propensity, they ultimately settled in Syria on the eastern coasts of the Mediterranean Sea, and founded a flourishing colony named Phoenicia. The Panis, or Phoenicians as they came to be called, became worse pests to the inhabitants of Southern Europe, Northern Africa, and Asia Minor than they had been in Sapta-Sindhu, inasmuch as they carried off helpless men, women and children and traded in them as slaves. These Panis or Phoenicians are known in history as the Punic Race, who established colonies in Mesopotamia, Egypt, Phoenicia, Northern Africa, and even Norway, and played an important part in the early history of Europe. (Ed. Note: Remember the Punic Wars between Imperial Rome and Carthage, a colony of Phoenicia?)

"The savage Aryan tribes who had commingled their blood with that of the Turanians (Mongol peoples) had dispersed to Europe long before the Panis left Sapta-Sindhu and established colonies in Western Asia and Egypt. These savage tribes were followed by others more civilized who settled in the wild regions of the Caucasus mountains, in Armenia, Cappadocia, Lydia, Phrygia, Pontus and the neighboring provinces ... Subsequent to the Panis, other Aryan tribes, the Kosseans (Kassites), the Hittites and the Mittanians went out of Sapta-Sindhu and settled down in the various parts of Asia Minor. All these Aryan tribes,

including the Chaldeans who were a Dravidian race (dark-skinned natives of Southern India), were afterwards absorbed by the Semites, though they left the stamp of Aryan Culture on the Semitic Civilization."

The present Arabian and Jewish cultures and religions are therefore but pale reflections of the ancient Atlantean Wisdom concerning the nature of the cosmos and the origins of humanity! Christianity, Judaism, and Islam plagiarized segments and symbols of the Ancient Wisdom carried by the Aryan conquerors from India, Tibet, and Mongolia into Egypt, Syria, the Arabian Peninsula, and Palestine but these Semitic "Religions" became merely a mental straitjacket which held the duped masses in thrall to clever priests, ministers, and rabbis who preyed like parasitic, bloated vultures on the fear of death inherent within uninitiated humanity! Instead of revealing the beauty, knowledge, and power held within "The Secret Doctrine" our Western Aryan priesthood concealed all books of knowledge in their monasteries or burned them as heretical while fiendishly torturing to death all Gnostics, Cathars, Bogomils, "witches and warlocks", Albigensians, men of science or great knowledge like Giordano Bruno and Savonarola ad infinitum! The fusion of Semite and Aryan in the Middle East reduced the infinite sweep of Aryan creative thought (as inherited from the well-springs of Atlantean genius contained in the Vedas, Puranas, the Upanishads etc.) into a mere dogma ruthlessly wielded by unscrupulous priesthods.

How the stamp of regal Aryan culture successfully converted Vedic India (the Sapta-Sindhu or Punjab) into a paradise during the period 25,000 B.C. to approximately 7500 B.C. when three of the four great seas which surrounded this Cradle of the Aryan peoples were either dried up or destroyed by upheavals of Nature thus changing the living conditions and forcing successive waves of Aryan Warriors to surge over the known world has been described at length in this manuscript. However, once Brahmanism, the original Aryan religion based on RACE and CASTE, with its sacred Laws Of Manu, whose avowed purpose was to keep forever separate the dark-skinned Dravidians (Dasyus) from the golden-haired Aryas (Sons of the Sun) began to lose its hold on the people a racial catastrophe set in! It was not the racial exclusiveness and strict caste system advocated by the Aryan Vedas and rigidly enforced by the Laws Of Manu (both being the very essence of the Aryan racial religion, Brahmanism) which led to the ultimate sinkhole of poverty, illiteracy, and racial mongrelization which are the most hideous features of modern Indian life. It was the universalist creed of Buddhism (the Christianity of the Far East) which broke down the natural barriers between the superior and the inferior, the creative and the non-creative, the producers and the drones, the men of genius (Brahmins) and the collective mediocrities glorified by democratic and liberal thinkers (Sudras), the developer of civilization and the destroyer of civilization, the self-sufficient builder of nations and the totally dependent human barnacle who is a dead weight on the shoulders of his betters (the Chandalas or totally worthless non-producers)! The remaining Aryans of India did violate the strict laws created by their Brahmins and mated (over many thousands of years) with their dark-skinned slaves (the Dasyus mentioned with curses in the Rigveda). Thus the creative Aryan element was simply dissolved into the human sludge pile which it had previously subdued and organized into a multi-racial society by means of rigid adherence to a caste system based on "VARNA" (color.)

The same tendency towards racial self-destruction can be visualized in every major American urban center where race-mixing, sexual degeneracy, enormous crime rates by dark-skinned aliens brought here for cheap labor by Jewish sweat-shop entrepreneurs, poverty, and illiteracy are gaining the upper hand over creativity, discipline, order, hierarchy, service to the community as properly embodied in the RACE and NATION, the sacred ties of the family unit, and personal pride in one's appearance, work, and accomplishments. The former are Afro/Semitic traits while the latter were ever Aryan traits! Everywhere in history that Aryan people have mixed their blood with that of primitive and less gifted races the same process of intellectual stagnation and moral degeneration has set in! The ancient fusion between the Aryan Panis and Semites resulted in the pilfering of the "The Seal Of Vishnu" (representing the correspondence between the powers inherent within the Macrocosm and the Microcosm - the Universe and the body of man - the Sun and the Atom - the Galaxy and the Molecule etc.) by Jews who converted the interlocking triangles (the Hexagon or sixpointed star) into "The Seal Of Solomon" or "The Shield Of David". The Semites stole the Flood Legend from the "Vishnu Purana" concerning the "Destruction Of Atlantis" and the survival of refugees led by Vaivasvata Manu and invented Noah and his family of Jews surviving a flood that inundated the entire earth for 40 days and 40 nights. They copied our Laws Of Manu in The Mosaic Code and the Talmudic Laws against fraternization between Jews and "goyim"! Hitler's Nuremberg Laws and the Talmudic Laws against race defilement both originate from the Laws of Manu but whereas the Teutons were of Aryan stock emanating from Asia; the Semites merely copied, as usual, what they had learned of these ancient teachings from their fusion of blood with the Pani Aryans! The German philosopher, Friedrich Nietzsche, never tired of eulogizing the Aryan Laws Of Manu while condemning the universalist Semitic creed of Christianity as witnessed in this extract from "The Twilight Of The Idols":

"These regulations are instructive enough; in them we find for once ARYAN HUMANITY, quite pure, quite primordial - we learn that the concept "pure blood" is the opposite of a harmless concept. It becomes clear, on the other hand, in which people the hatred, the Chandala hatred for this "humanity" is immortalized, where it has become religion, where it has become Genius... From this point of view, the Gospels are documents of the first rank; the Book of Enoch even more so, - Christianity, growing from Jewish roots and comprehensible only as a product of this soil, represents the reaction against that morality of breeding, of race, of privilege - it is the Anti-Aryan religion par excellence: Christianity the revaluation of all Aryan values, the victory of Chandala values, the evangel preached to the poor and lowly, the collective rebellion of everything downtrodden, wretched, ill-constituted, underprivileged against the "race" - undying Chandala revenge as the Religion Of Love..."

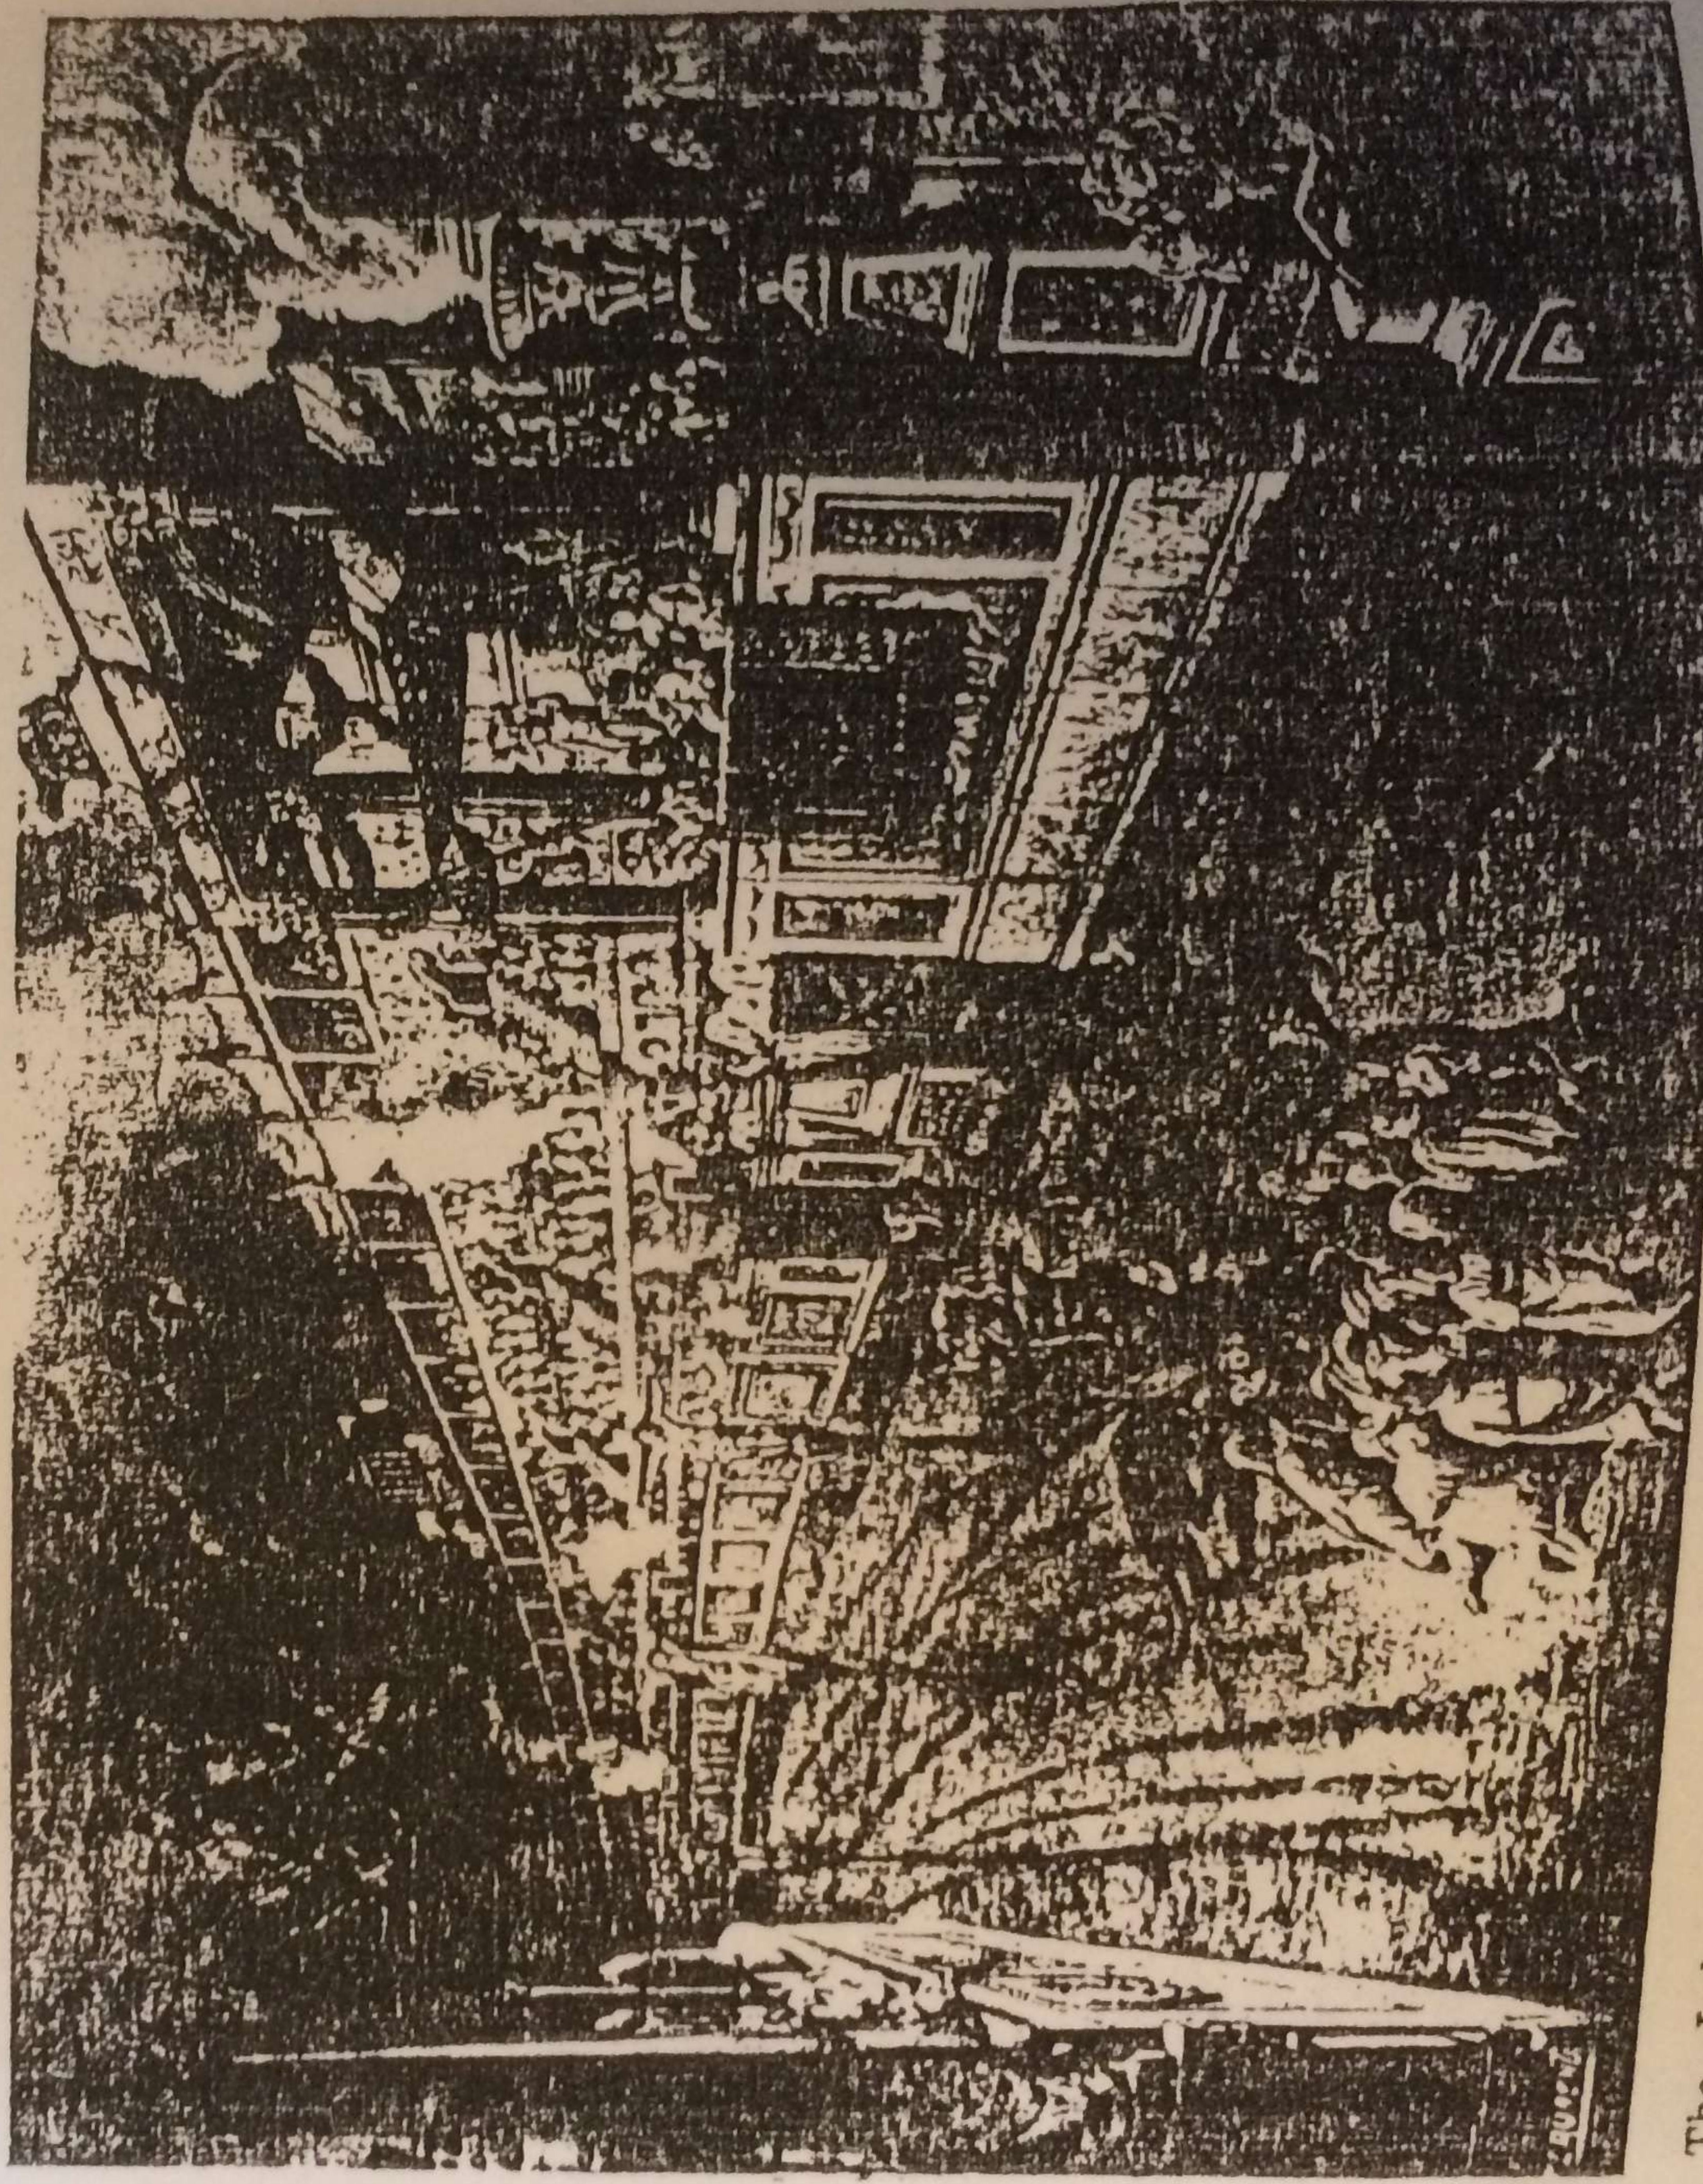

There can be no doubt that Universalist religions always slant their appeal toward the masses of failures, misfits, sub-human racial elements which cannot fit into a civilized order of society, criminals - in short the outcasts and dregs of humanity but they invariably ask the most productive and success-

ful RACES, NATIONS, and INDIVIDUALS to assist this junkyard of humanity in propagating more of their own worthless species! "It would be easier for a camel to enter the eye of a needle than for a rich man to enter the Kingdom of Heaven" whines the pious Christian hypocrite. Then he rushes his fund-raising appeals to the most affluent members of his congregation of "fleece lambs of God". Buddhism in the East and Judeo-Christianity in the West are the mortal enemies of the Aryan Race! Our doctrine gives knowledge and gives understanding of the Eternal Cycle of birth and death whereas Judeo-Christianity burns or hides away true knowledge and uses fear of death as a multi-billion dollar racket and a mental straitjacket to enslave the minds of their duped "LAMBS OF GOD"!

"THE NEW ATLANTIS"

A BLUEPRINT FOR AN ARYAN "GARDEN OF EDEN" IN NORTH AMERICA! (PART IX)

by James H. Madole

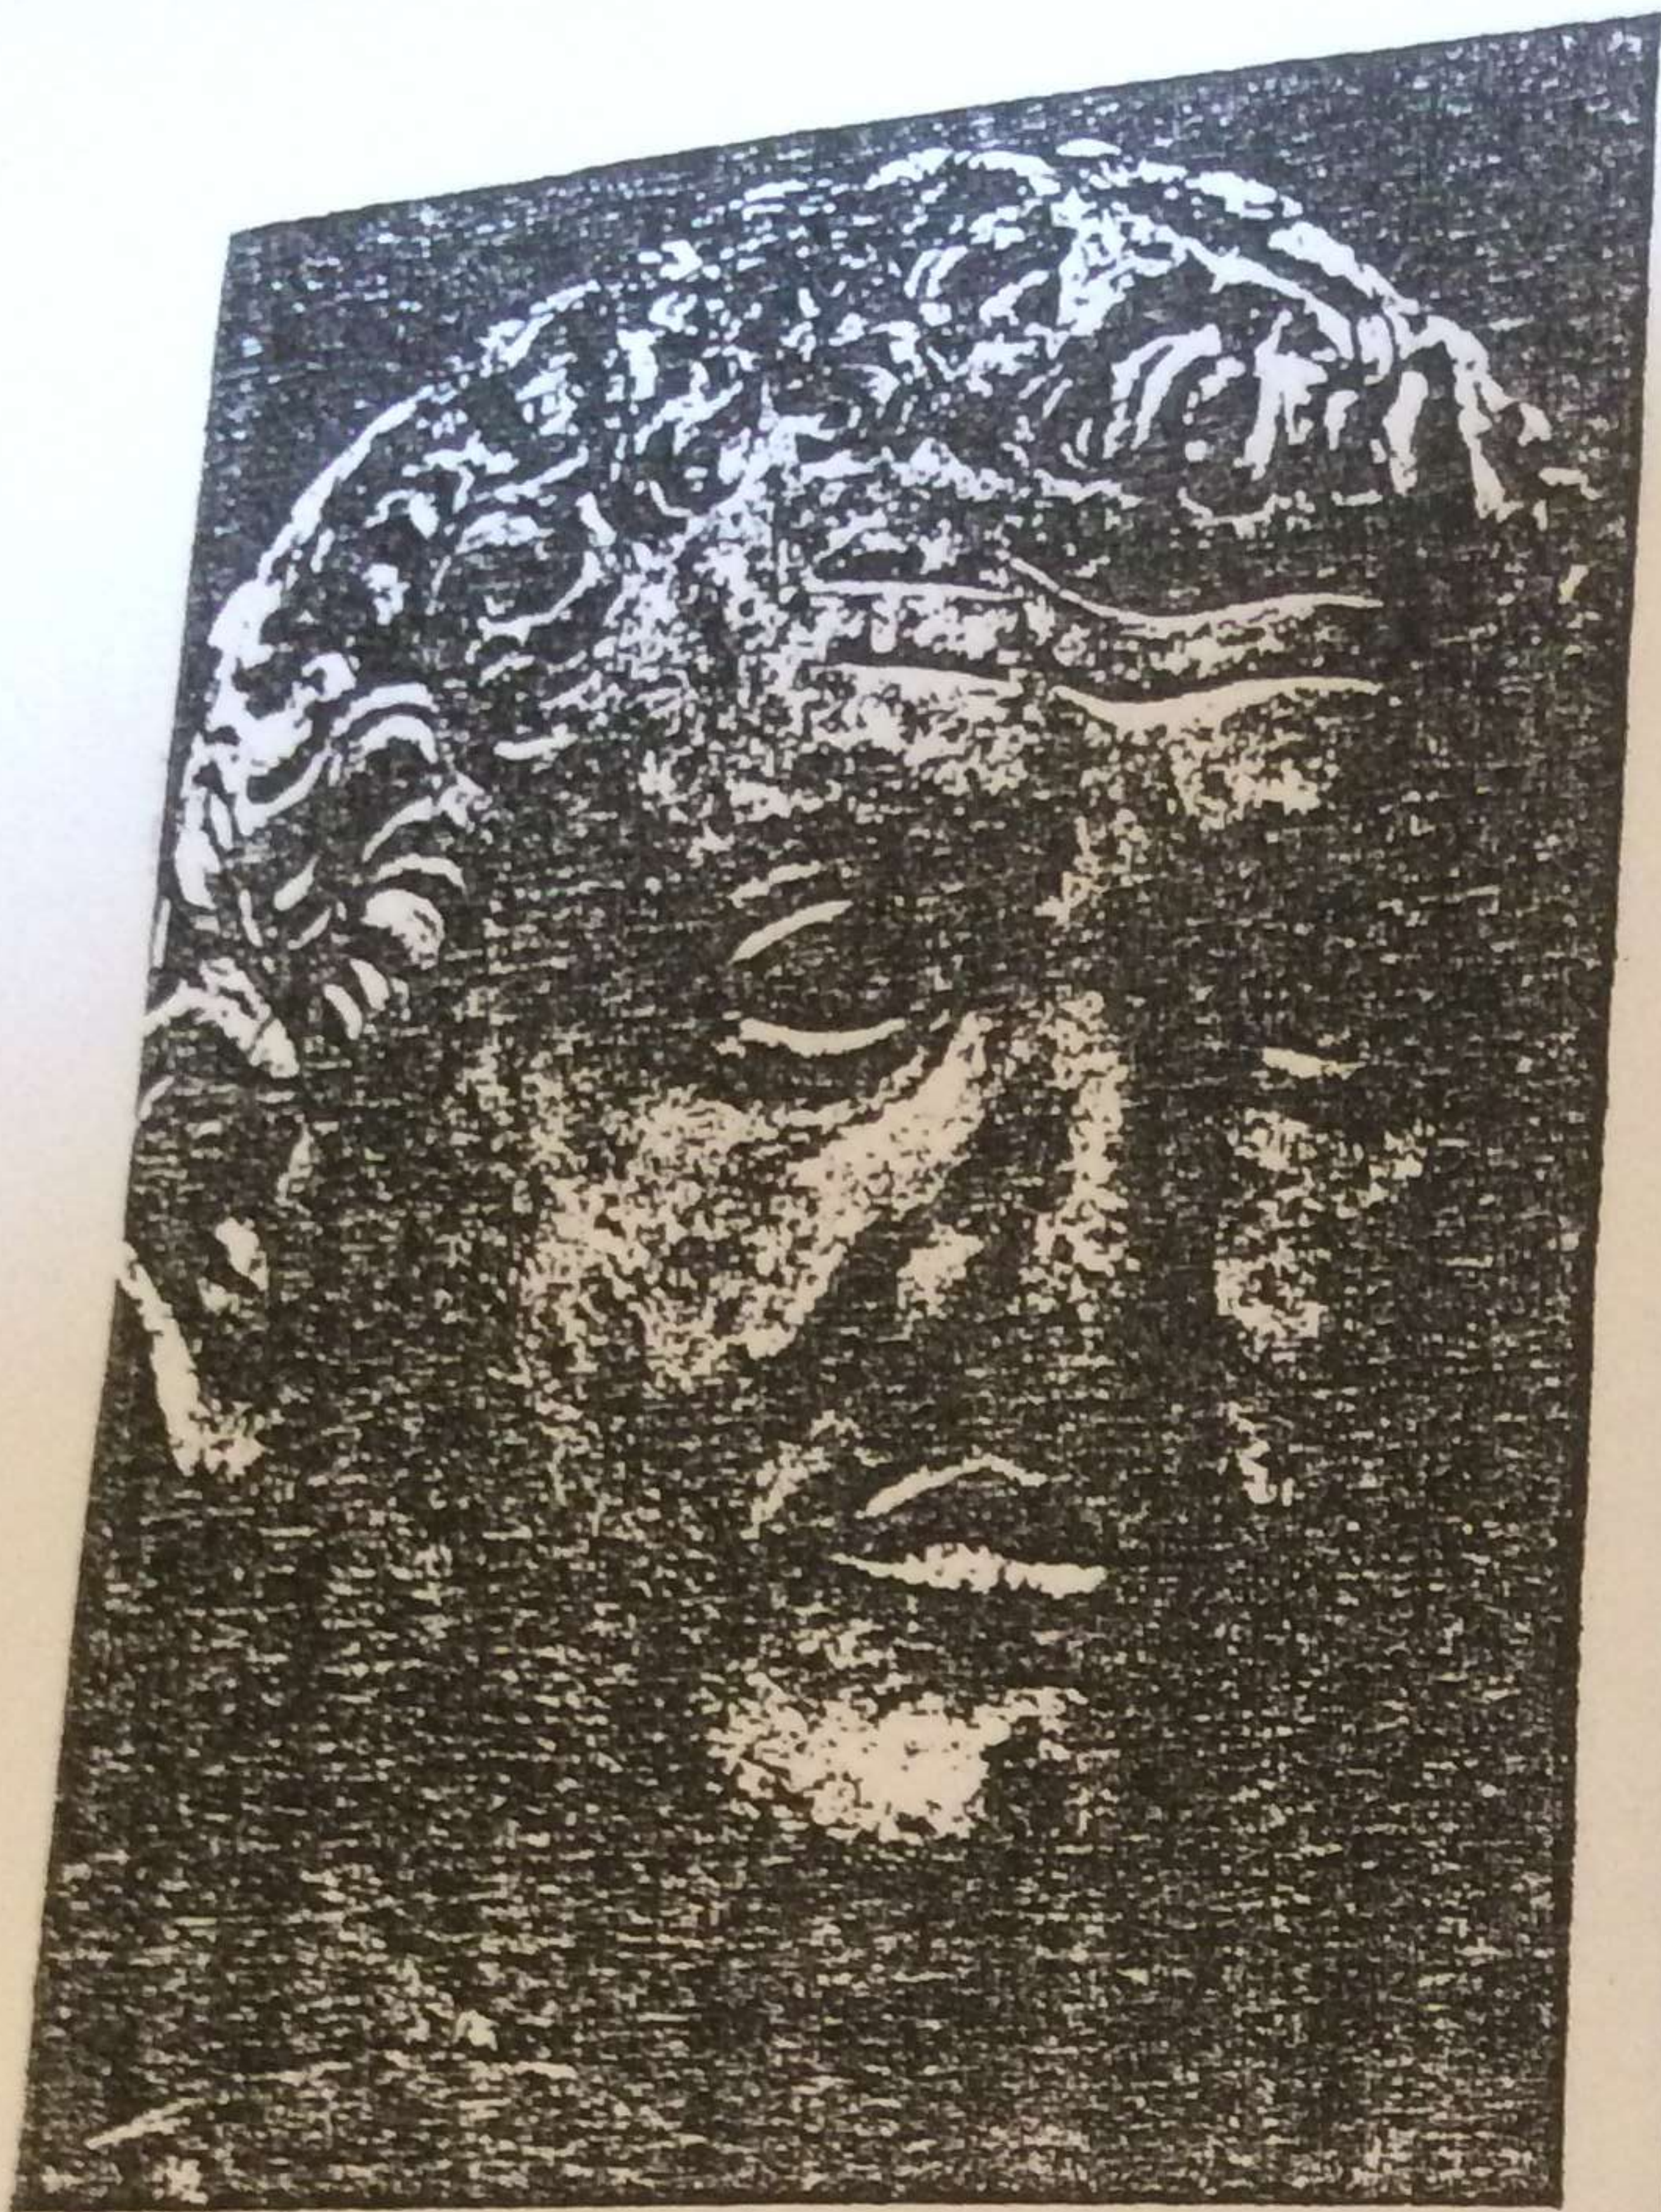

The Judeo-Christian heresy with its "slave-morality" inspired by Jewish fanatics undermined the Aryan Virtues of Imperial Rome. When Rome reacted the Christian God never once intervened to save "His" disciples from becoming lion food or being barbecued!

The magnificent ability of the Aryan Race to reorganize the society and culture of mankind has always emanated from the pyramid of power (the caste system laid down in the Laws Of Manu) which is the hallmark of every Oriental and Occidental civilization which stemmed from an Aryan root. The intrinsic ability to fit every individual within his proper niche in the structure of the Aryan State, to safeguard his mental and economic well-being through group effort towards a common National and Racial Destiny, the importance of the family as the building block of the pyramid of state power, the capacity to give every single individual a sense of "belonging", a sense of purpose, a reason for living and working toward a higher goal in which every member of the Racial Nationalist State is directly involved - these are the accomplishments of Aryan Statecraft! For examples of this art witness the Pharaonic Dynasties of Egypt (the product of migrating Aryan tribes from India and the Iranian plateau who entered the Valley of the Nile from the south - the Indus River was known as the Nila from whence came the derivation of the Sacred Nile of Egypt)! The pyramidal structuring of society combined with Occult Philosophy and Applied Metaphysics were the Aryan inheritance from primeval Atlantis and this fertile stream of political totalitarianism combined with Ancient Occult Wisdom can be traced down the corridors of human history as follows:

From the Priest-Kings of Atlantis to the Brahmins of Aryan India, from the God-Kings (Pharaohs) of the Egyptian Dynasties to the Magis of Zoroastrian Persia and Babylon, from the Druidic priestcraft which ruled the pagan warrior-chiefs of the Celts to the "Philosopher-Kings" of Plato made famous in "The Republic", from the God-King, Alexander of Macedon, who carried Aryan Hellenic culture back into Asia, to the "Divine Caesars" of the Roman Empire, from the "Divine Right of Kings" and the Guild System of Medieval Europe to the modern, streamlined, superbly efficient totalitarian states as manifested in National Socialist Germany, Fascist Italy, and the Soviet Union. This is but a brief outline of the Aryan impact upon World History.

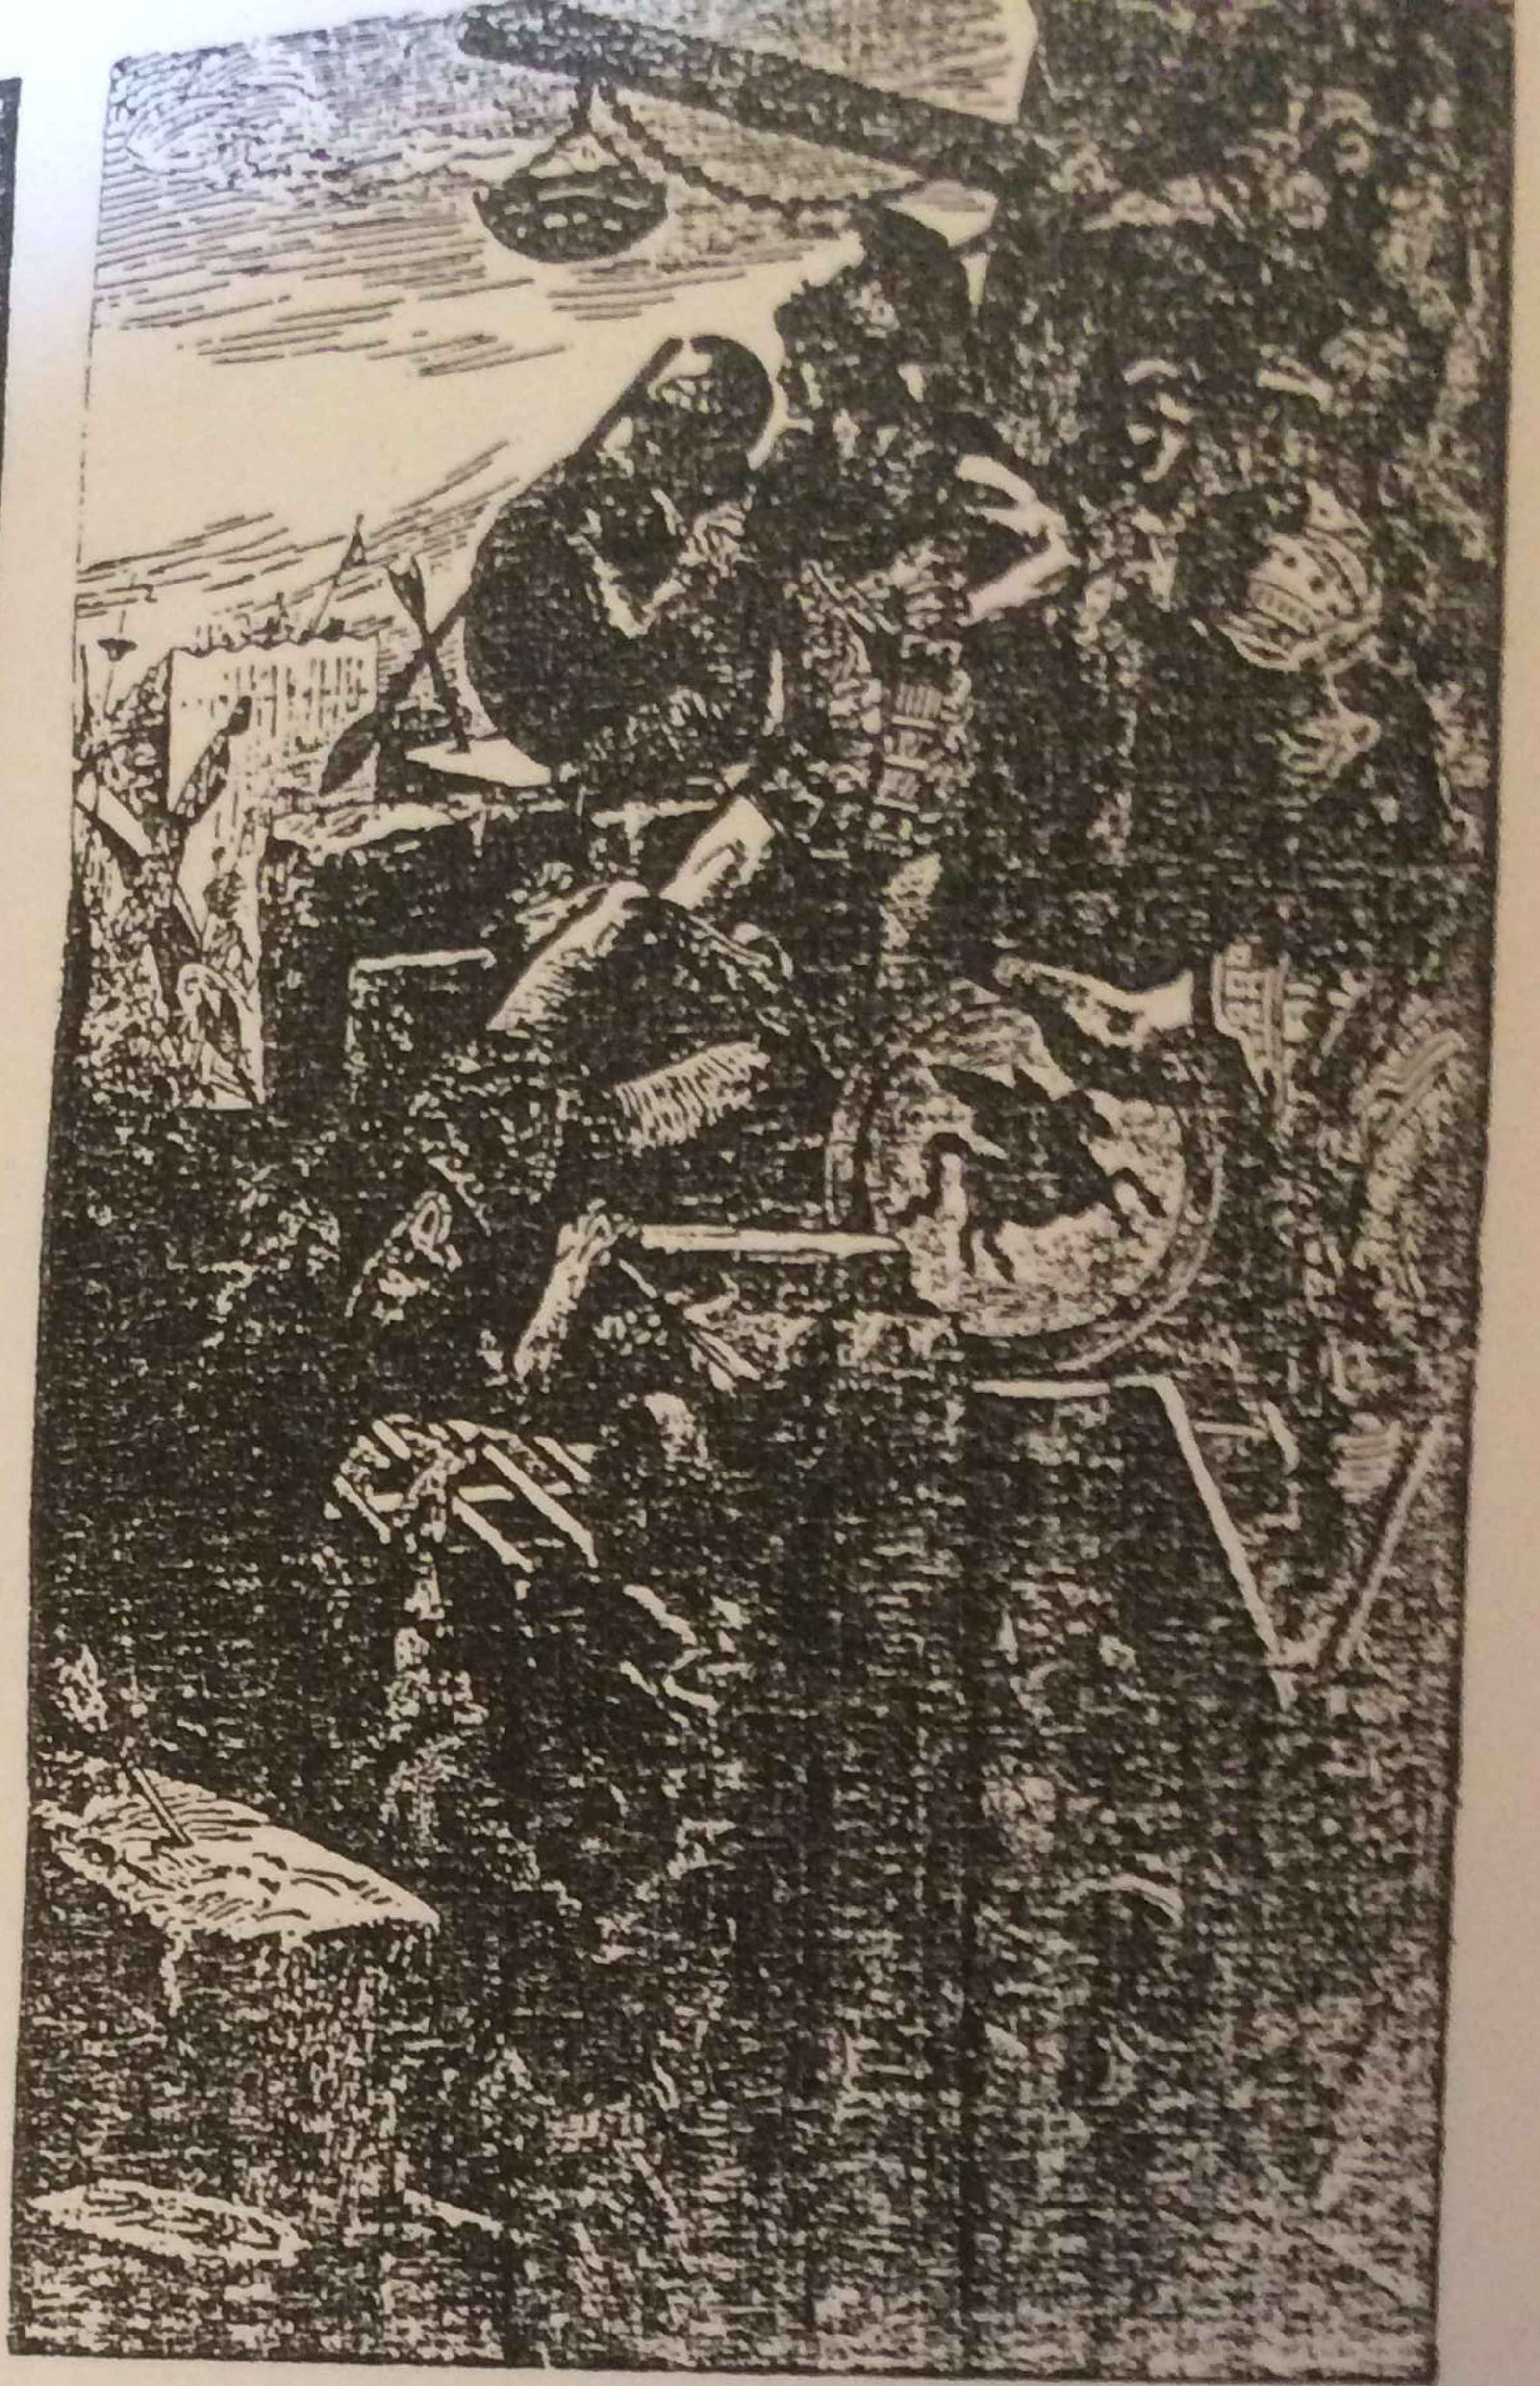

Since Occult Philosophy invariably stresses absolute harmony between the Macrocosm (the Universe) and the Microcosm (the body of man) in short that mankind and his little world must be an exact reflection of the perfect order and harmony that exist among the far-flung solar systems, galaxies, and meta-galaxies - it will not be surprising that every major exponent of this "Ancient Wisdom" supported a hierarchy based on intellect! We shall here present the writing of P. D. Ouspensky, a famed Russian occultist and a disciple of Gurdjieff, in his "A New Model Of The Universe" concerning the effectiveness of the caste system of Aryan India:

"Division into castes represents an ideal social organization in accordance with esoteric (occult) systems. The reason for this lies, of course, in the fact that it is a natural division. Whether people wish it or not, whether they recognize it or not, they are divided into four castes. There are Brahmans (Philosopher-Kings and highly educated advisors thereto), there are Kshatriyas (warriors and governors), there are Vaisyas (merchants and the business elite), and there are Sudras (those who sell their services to the former, the workers). No human legislation, no philosophical intricacies, no pseudo-sciences and no forms of terror can abolish this fact. And the NORMAL functioning and development of human societies are possible only if this fact is recognized and acted on. All theories and all attempts

at forcible reform based either on the principle of hereditary castes, or on the principle of "equality", or on the principle of the supremacy of the proletariat and the struggle against hereditary castes, are equally useless, and all alike only make the situation of humanity worse."

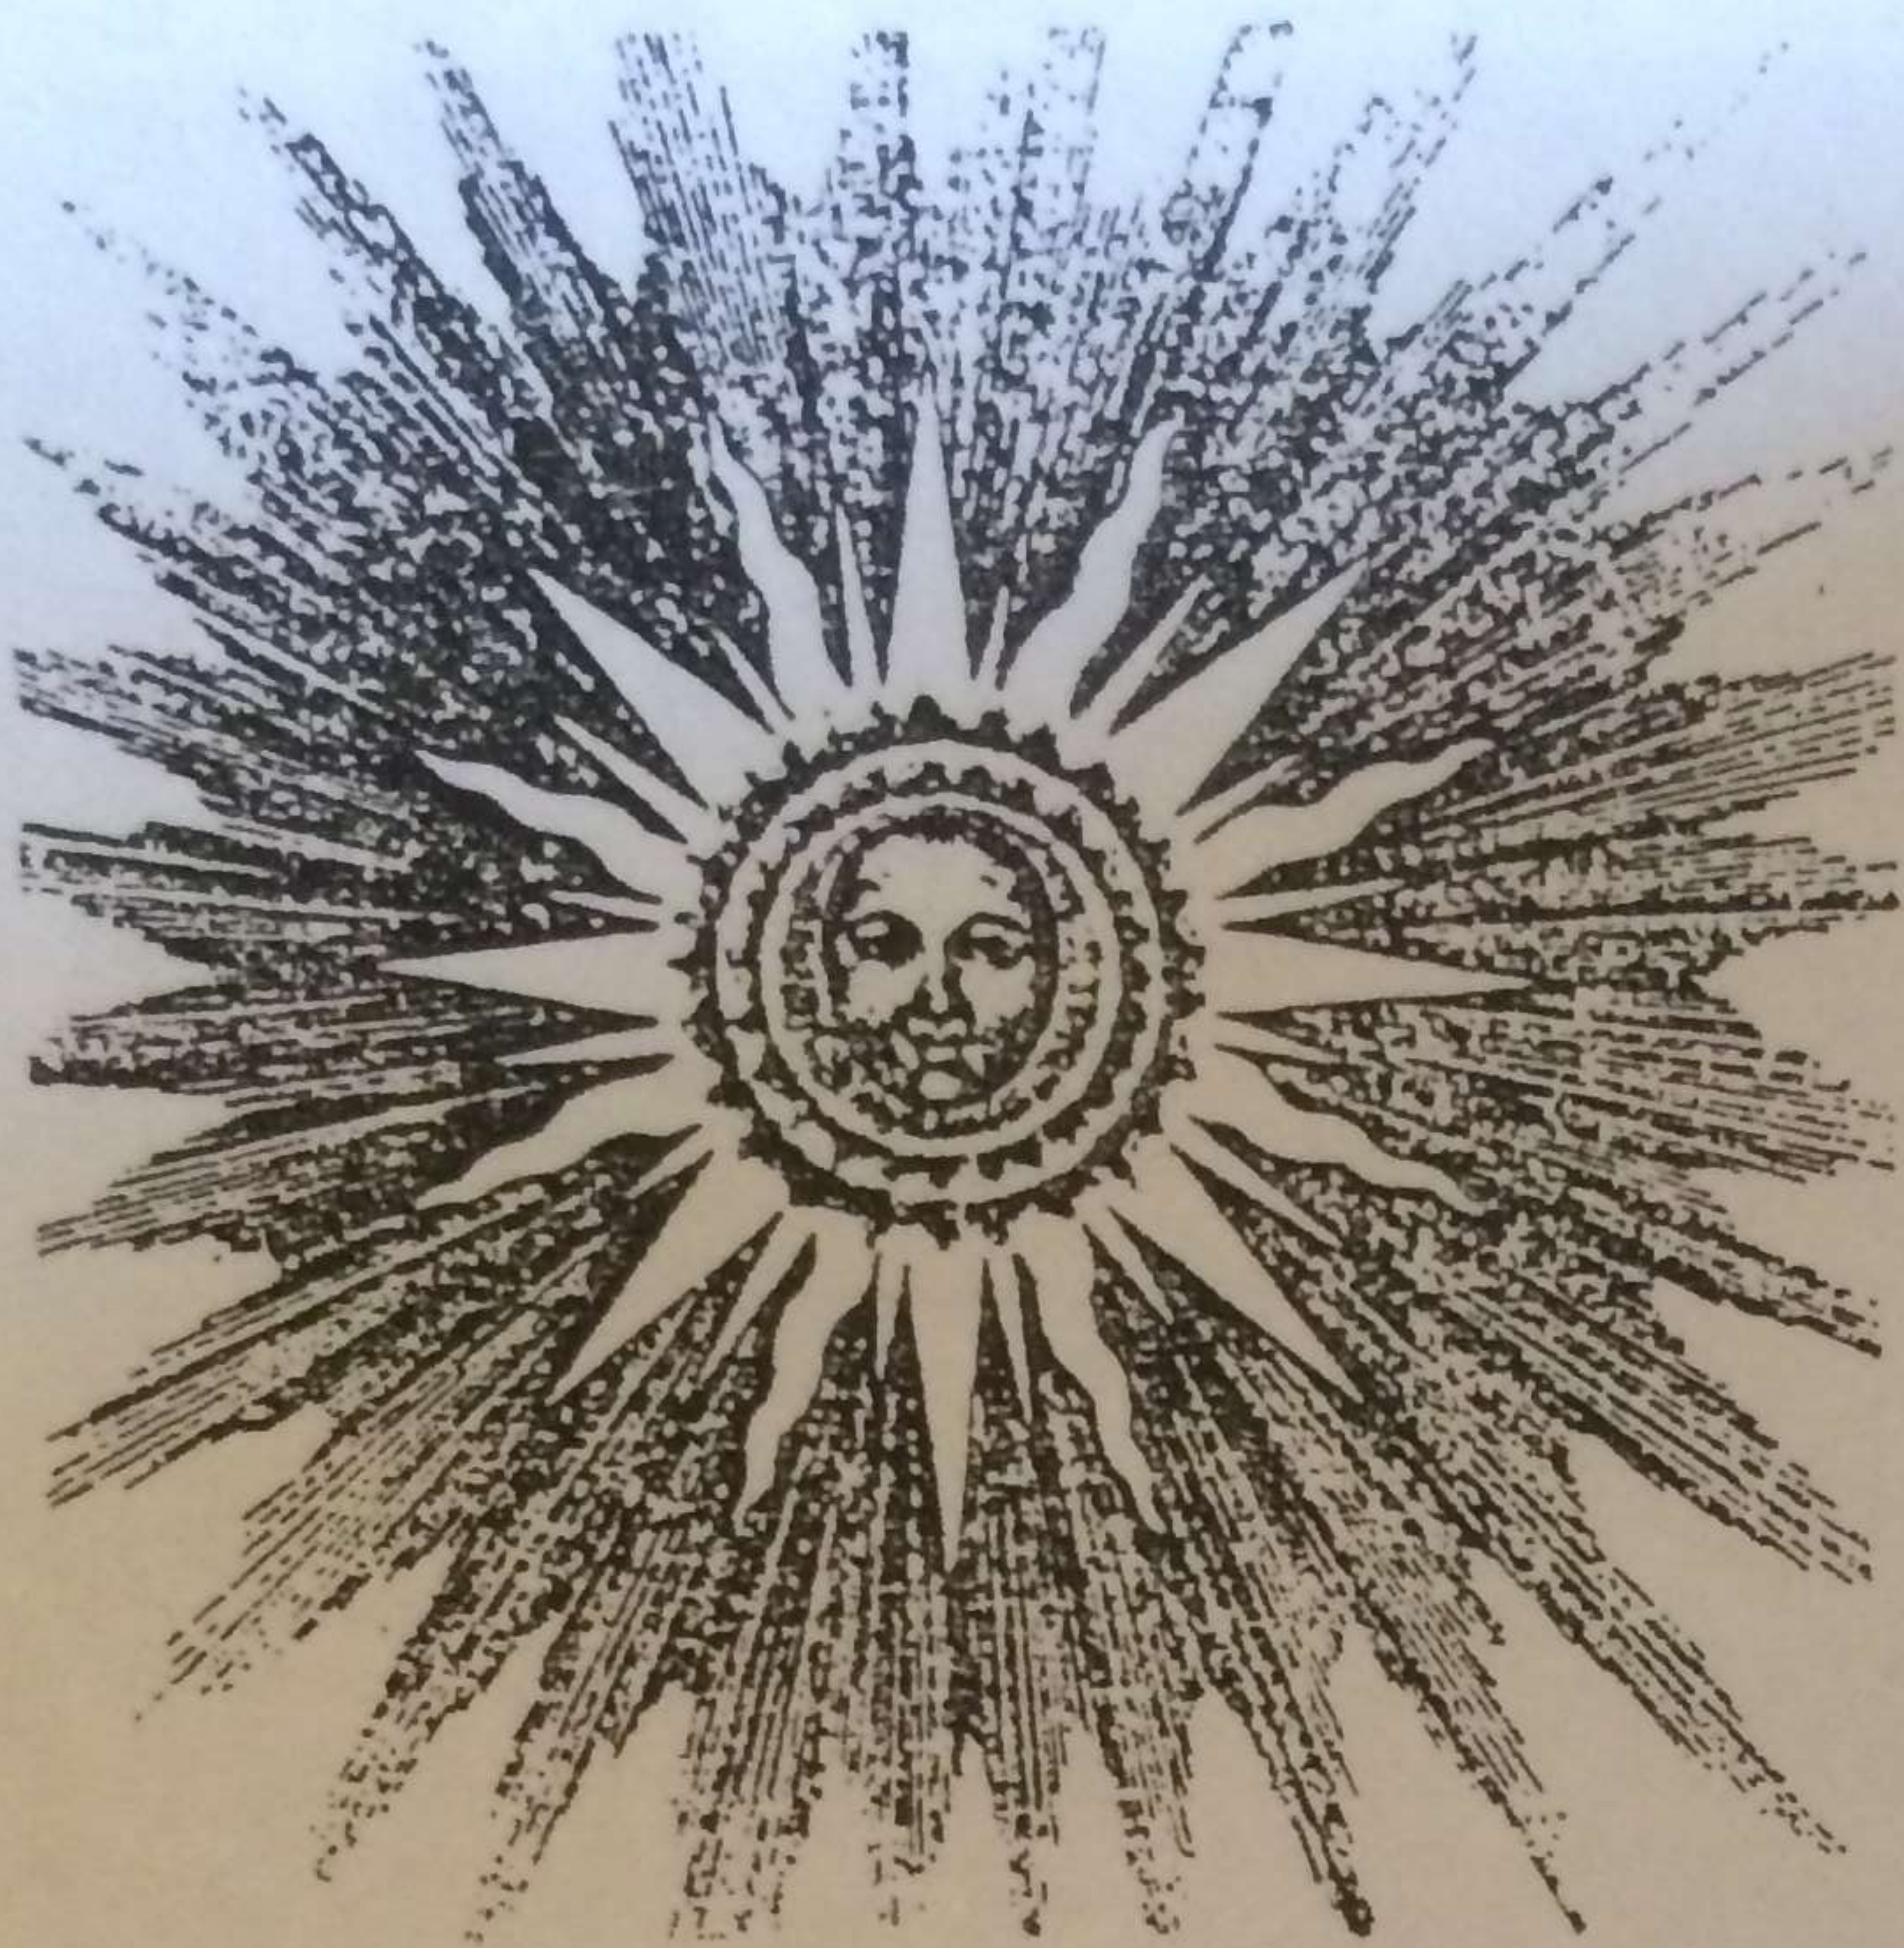

We shall now bring you the words of the renowned Greek philosopher, Plato, who was initiated by the priests of Pharaonic Egypt, concerning the end result of "democratic" government. This excerpt is taken from an excellent booklet called, "The Search For The Sun People", by Maynard Philbeck:

"The sage Confucius (551 B. C.) amplified an ancient thought when he wrote: "The superior man understands what is right; the inferior man understands what will sell." What of Democracy? The ancients recognized the dubious value of the system, and we may be sure that the democratic system did not come highly recommended in Sun (Editors Note: Sun People, Aryas, or Nordic-type peoples) times. Plato voiced some of its drawbacks in his age:

"Last of all come tyranny and the tyrant, state and man alike. Say, then, my friend, in what manner tyranny arises. That it has democratic origin is evident. Just as the neglect of all things to the end of money getting was the dissolution of the oligarchy, so the insatiable desire for freedom in a democratic state brings her downfall . . . By degrees anarchy begins to find a way into private houses. Fathers grow accustomed to descending to the level of their sons and to fearing them. The sons, for their part, have no respect or reverence for their parents, and this is their freedom . . . In such a state of society, the master fears and flatters his scholars, and the scholars despise their master. Nor must I forget to tell that here is liberty and equality of the two sexes in relation to each other. I must add that even the horses and asses have a way of marching along with all the rights and dignities of freemen. All things are just ready to burst with liberty.

Above all, and as the result of all, see how sensitive the citizens become. They chafe impatiently at the least touch of authority, and at length, as you know, they cease to care even for the laws, written or unwritten. They will have no one over them. Such, my friend, is the fair and glorious beginning out of which tyranny springs. Excess of liberty, whether in states or individuals, seems to pass into excess of slavery. So tyranny naturally arises out of democracy, and the most aggravated form of tyranny and slavery out of the most extreme form of liberty. . . ."

Plato, the towering giant of Greek philosophy who brought the Ancient Flame of the Aryan Secret Doctrine from the temples and centers of learning in Pharaonic Egypt to rekindle the vast storehouse of primeval Atlantean knowledge in Hellas and later, to have this storehouse of antediluvian wisdom carried back eastward toward the rising sun by the chariots of Alexander of Macedon and later still to be carried throughout Europe and the Mediterranean World by the Imperial Legions of the Caesars - was not mistaken in his anti-Democratic views! Every man of distinction throughout recorded history has opposed the idea of "Government by the masses". From the bickering and futile Greek City States rose the Flaming Phoenix of Alexander the Great who carried Hellenic art, wisdom, and culture across vast tracts of Asia and Africa (from the Nile to the Indus). From the French Revolution based on total anarchy by uneducated masses led by half-mad intellectuals bent on slaughtering everyone with the ability to organize and govern (even their own deranged leaders such as Robespierre) rose the towering genius of Napoleon Bonaparte, from the slaughterhouse of the Russian Revolution led by Jewish agitators and financed by wealthy Jewish bankers (Schiff, Warburg, Mond etc.) rose Josef Stalin who raised Russia from a backward agrarian state ruled by an inept aristocracy to one of the 3 most powerful states on earth in 1975, from the economic and political chaos of the Weimar Republic rose Adolf Hitler and the National Socialist State! I believe these unalterable facts of history prove the above-cited statement on the inter-relationship between democracy and tyranny made by that great initiate of Egyptian Occult Science - the Greek sage, Plato! Aryans sink into decay under the sway of "democratic societies" (as witness the modern examples of liberal democratic virtue in the USA and Great Britain) but flourish and expand under highly organized, progressive totalitarian rule (as witness Pharaonic Egypt, Imperial Rome, Napoleonic France, Bismarck's Germany, Prussia and Frederick the Great, Hitler's Third Reich, and the Soviet Union under Stalin and his successors)! The four castes of the pyramidal society (with its Order, Hierarchy, and Discipline) will always be found where Aryan Man

The sun as the image of God. From R. Fludd, *Utriusque cosmi maioris scilicet et minoris metaphysica, physica atque technica et historia* (Oppenheim, 1617).

Aryans worshipped the sun as the source of life and as a sentient being or intelligence.

governs. The primitive tribal society will always prevail where the Negroid race governs. Democracy with its endless internal conflict and its swarming hordes of collective mediocrities always exists where the Jew governs.

I visualize an Aryan culture in which the epitome of modern science & technology thrive side by side, in mutual cooperation and respect, with the teachings of metaphysics and Occult Science. This synthesis of the ancient and the modern, the material and the spiritual, the esoteric and the exoteric will create the fertile soil from whence the "God-Man" will come into being as a forward step in the evolution of the incarnated egos now embodied within the human race! The bonds of Judeo-Christian misconceptions about a ridiculous anthropomorphic Godhead consigning the immortal soul or ego to an eternity of playing harps or shovelling coal will be purged forever from our minds when we realize that the souls now incarnated within the physical bodies of our race are, even now, slowly evolving into what we, mistakenly, call "Gods"! I shall explain this more fully in my exposition concerning "The Secret Doctrine" and the "Stanzas Of Dzyan" later in this article. The union of physical science with occult science will create the new human race but only the highest existing human stock (the Aryans) can bring forth the new type of man (the "new Adam" - a mutation created by selective breeding, cosmic thinking, specialized training, and Occult Initiation)! To prove my point that Occultists, far more than Judeo-Christians, understood the need for both totalitarianism and the breeding of a Higher Humanity we cite the immortal words of Ernest Renan in "DIALOGUES PHILOSOPHIQUES":

"A broad application of the discoveries of physiology & of the principle of selection

could bring about the creation of a superior race, having the right to govern others, not only by reason of its knowledge, but by the very superiority of its blood, intelligence, and determination. What we would have would be species of Gods or Divas (Editors Note: The Aryan Persian word for a Divine Being), beings worth ten times what we are worth and who could adapt themselves to artificial environments. The viable is inherently implicit within the context of general conditions; but science will be able to extend the limits of viability. "We can imagine an age when the production of a Diva (Man-God) will have a capital value, representing the expensive apparatus, the lengthy preparation, the laborious selecting, the complicated education, and the difficult preservation of such an unnatural being. A factory for making ases (Editors Note: Scandinavian term for "Man-Gods"), an Asgard will be able to be set up in Central Asia. We can, therefore, conceive of the possibility of beings somewhere beyond our planet (Editors Note: Or in Central Asia at the hidden city of Chang Shamballah) in comparison with whom man would have roughly as little significance as animals do when compared with man. Much in the same way that mankind came from animality, so also divinity would come from mankind. There would be beings who would use man, as man uses animals But, I repeat, intellectual superiority brings religious superiority. We should think of these future masters as incarnations of the good and the true; there would have to be total submission to them In this same vein of thinking, we can conceive of a time when everything which has reigned on the level of prejudice and personal opinion would reign on the level of reality and of truth: Gods, paradise, hell, spiritual power, monarchy, nobility, legitimacy, racial superiority, and supernatural powers can be reborn through human action and thought."

The Aryan Race, because it constitutes potentially the highest expression of humanity existent in this era of time, must serve as the living womb and cradle from whence shall emerge, under proper genetic and educational guidance, the link between humanity and divinity - a creature beyond good and evil, the Man-God incarnated within the highest specimens of Aryan youth! Selectively bred, initiated by experts into the inter-relationship of both occult and physical sciences, able to relate harmoniously with the Universe by developing cosmic thinking in place of purely man-made Judeo-Christian conceptions of Reality, utterly remorseless in their determination to achieve their appointed goals and in serving the Destiny of the Aryan Race - these God-like human mutations will first govern and later phase out the weaker, less intelligent or hereditarily deficient elements of the "Mass-Man" from our society. The powers of the human WILL and MIND will be developed to the point of infinity and the ancient Aryan caste system governed by "Philosopher-Kings" will come to pass in THE NEW ATLANTIS on the North American continent!

To continue proving my point that every major exponent of Occult Philosophy and Metaphysics was sympathetic toward autocratic societies (because only government by intellect could foster the climate in which the Aryan "Man-God" could be nurtured into existence), I cite the words of Eliphas Levy (born Louis Constant, a French Catholic who adopted a Jewish name because he became entranced by the "Kaballah" - an Aryan Indian work pilfered by the Jews in the Middle Ages) from the introduction to his famed "History Of Magic":

"Affirmation rests on negation; the strong can only triumph because of weakness; the aristocracy cannot be manifested except by rising above the people. For the weak to become strong, for the people to acquire an aristocratic position, is a question of transformation and of progress, but it is without prejudice to the first principles; the weak will ever be the weak and it matters nothing if they are not always the same persons. The people in like manner will ever remain the people, the mass which is ruled and is not capable of ruling. In the vast army of inferiors, every personal emancipation is an automatic desertion, which happily is imperceptible because it is replaced, also automatically; a king-nation or a people of kings would presuppose the slavery of the world and anarchy in a single city, outside all discipline, as at Rome in the days of its greatest glory. A nation of sovereigns would be inevitably as anarchic as a class of experts or of scholars who deemed that they were masters; there would be none to listen; all would dogmatize and all give orders at once ...

"There are two classes - freemen and slaves; man is born in the bondage of his passions, but he can reach emancipation through intelligence. Between those who are free already and those who as yet are not there is no equality possible. The part of reason is to rule and of instinct to obey. On the other hand, if you impose on the blind the office of leading the blind, both will end in the abyss. We should never forget that liberty does not consist in the license of passion emancipated from law, which license would prove the most hideous of tyrannies; liberation consists in willing obedience to law; it is the right to do one's duty, and only just men can be called free. Now, those who are in liberation should govern those who are in bondage, and slaves are called to be released, not from the government of the free but from the yoke of brutal passions, as a consequence of which they cannot exist without masters.

"Confess with us now for a moment to the truth of the transcendental sciences. Suppose that there does actually exist a force which can be mastered and by which the miracles of Nature are made subservient to the will of man. Tell us, in such case, whether the secrets of wealth and the bonds of sympathy can be entrusted to brutal greed; the art of fascination to libertines; the supremacy over other wills to those who cannot attain the government of their proper selves. It is terrifying to reflect upon the disorders which would follow from such a profanation; some cataclysm is needed to efface the crimes of earth when all are steeped in slime and blood."

Louis Constant (nee Eliphaz Levy) immediately exposed this Aryan heritage when he penned the above words. The Aryan priesthoods of Atlantis, India, Persia, Egypt, and Magian Babylon always wrote of their metaphysical wisdom in allegorical terms so that secrets of Nature fraught with deadly peril in the hands of the "Mass Man" would only be available to a ruling caste of initiates (Brahmins, the Magi of Babylon, the Persian and Egyptian priestcrafts, the Druids, certain of the Greek philosophers such as Plato and Pythagoras etc.). No true student of Occult Philosophy could possibly believe in egalitarian doctrines and simultaneously be true to his own metaphysical traditions! Those who truly understand the powers which can be wielded by the human mind that has been freed from all nonsensical Judeo-Christian superstitions and restraints would hardly desire these powers to

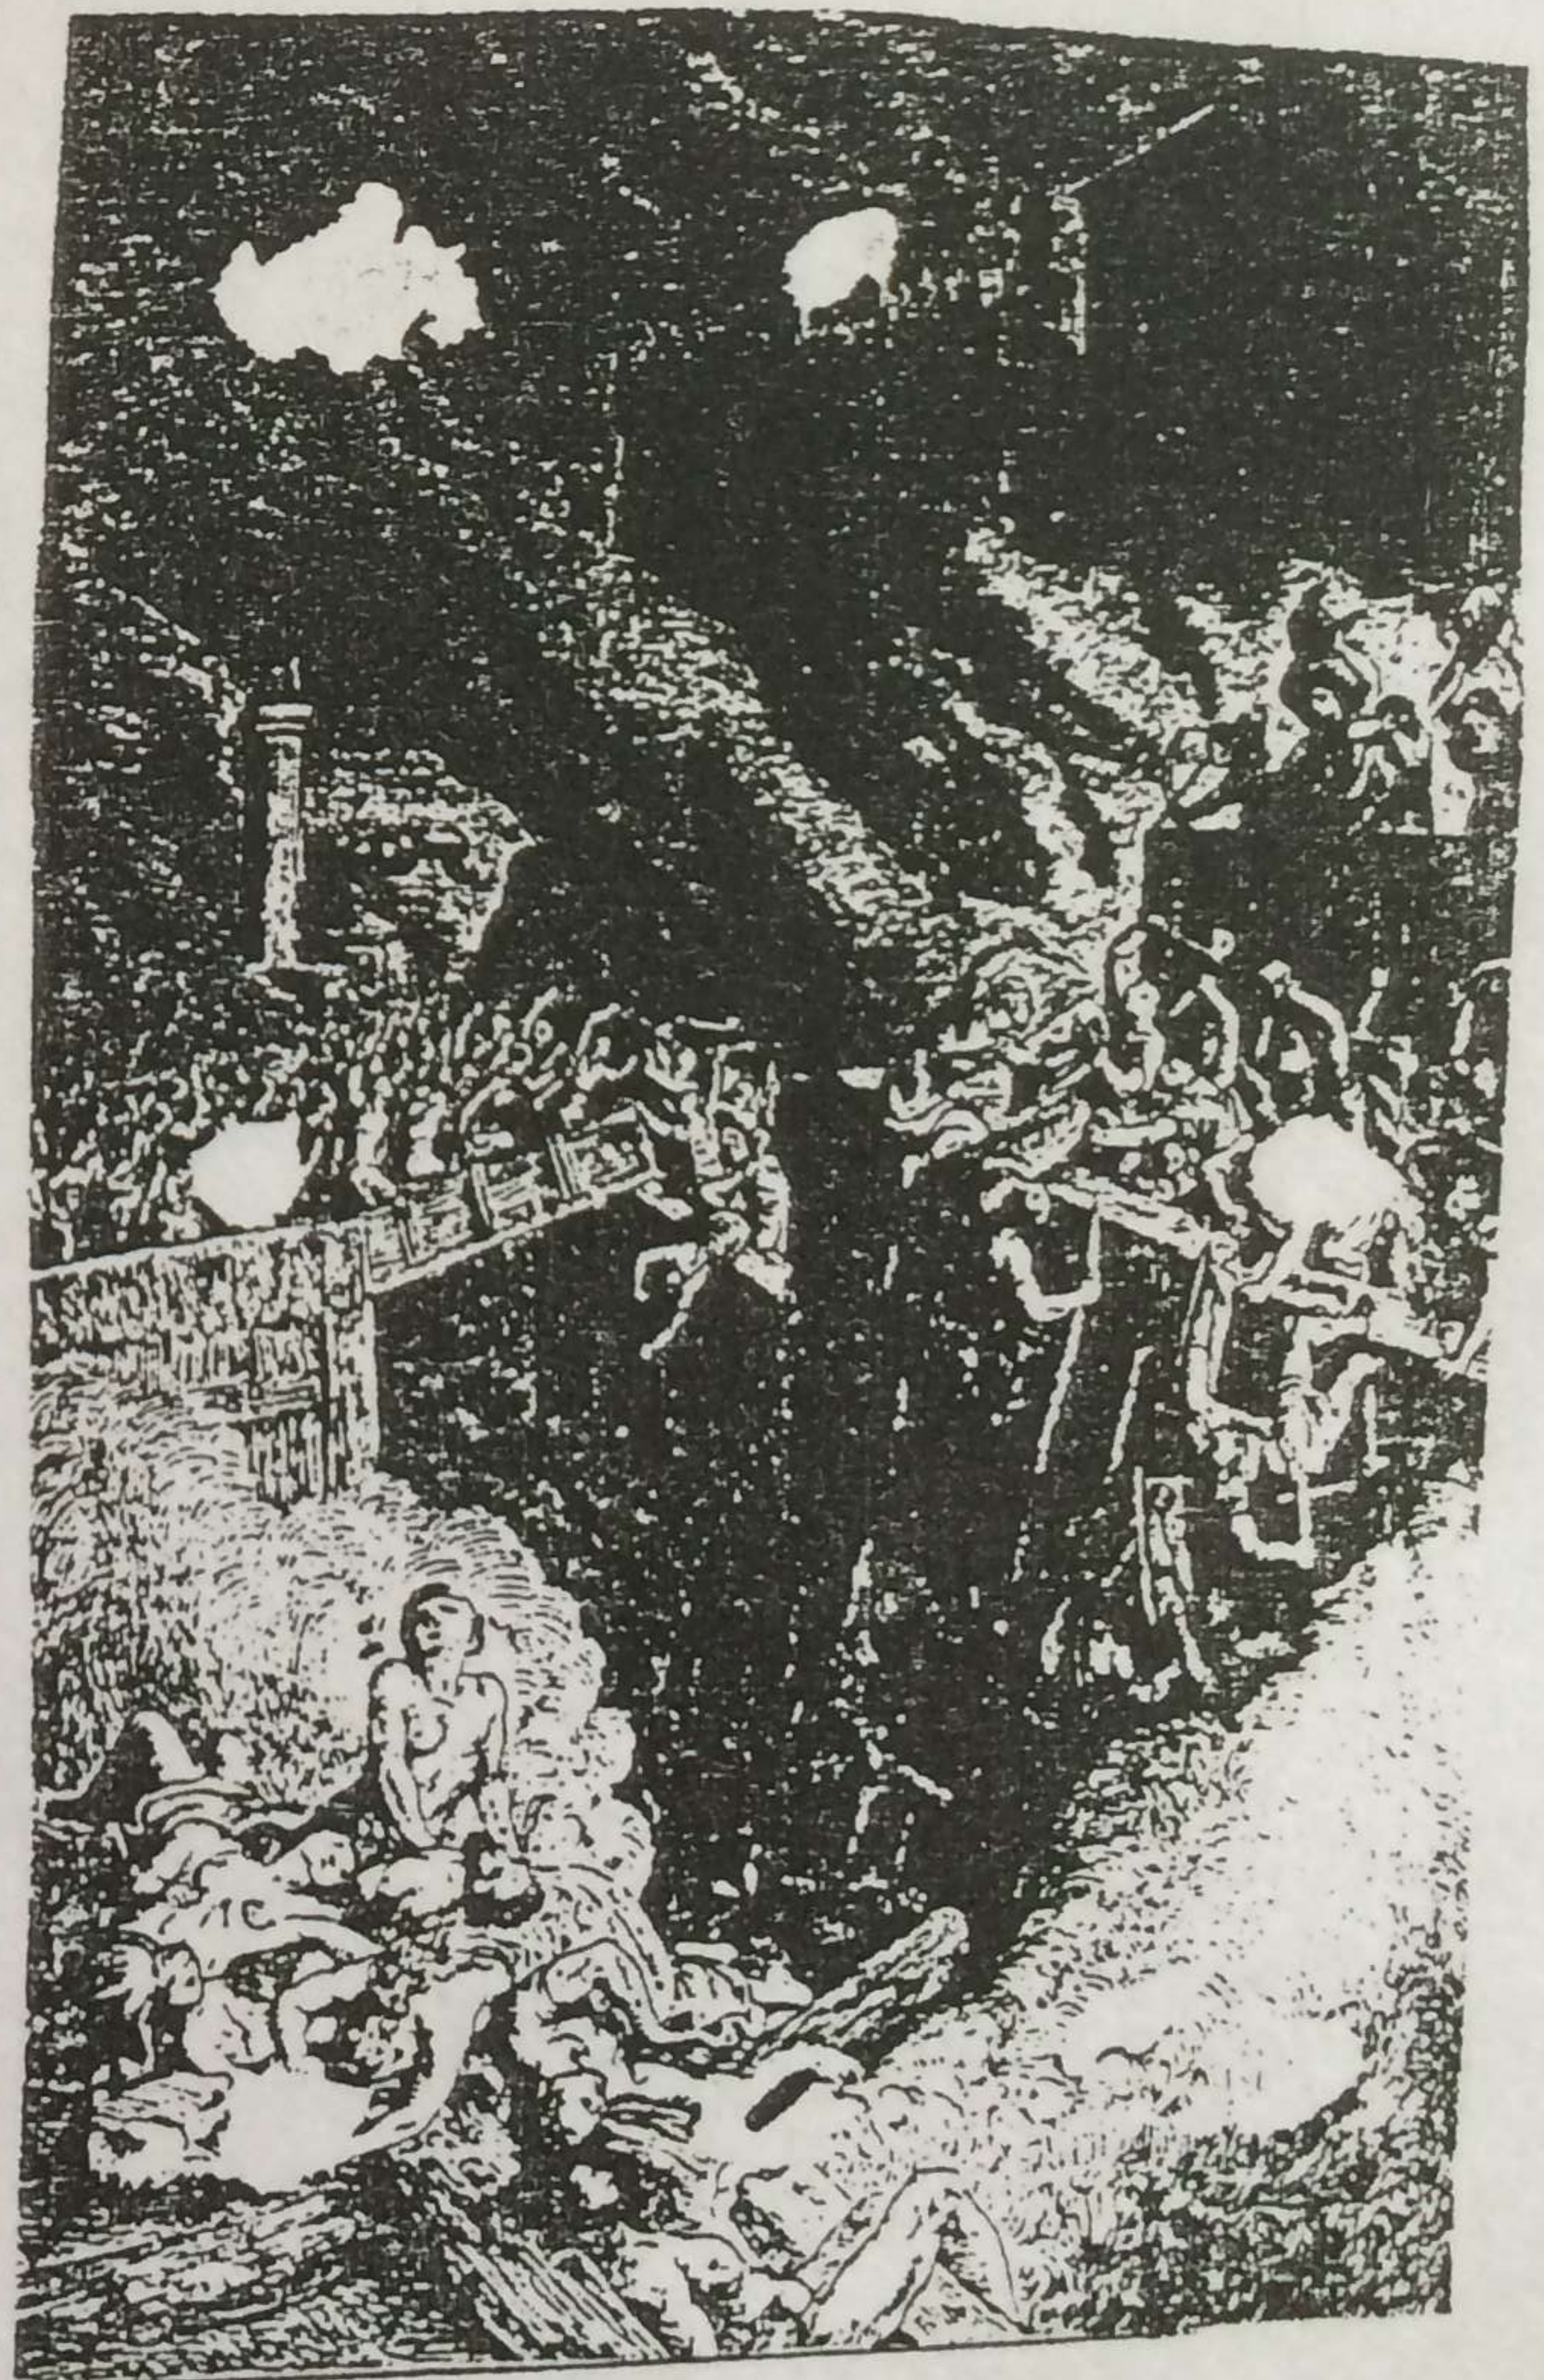

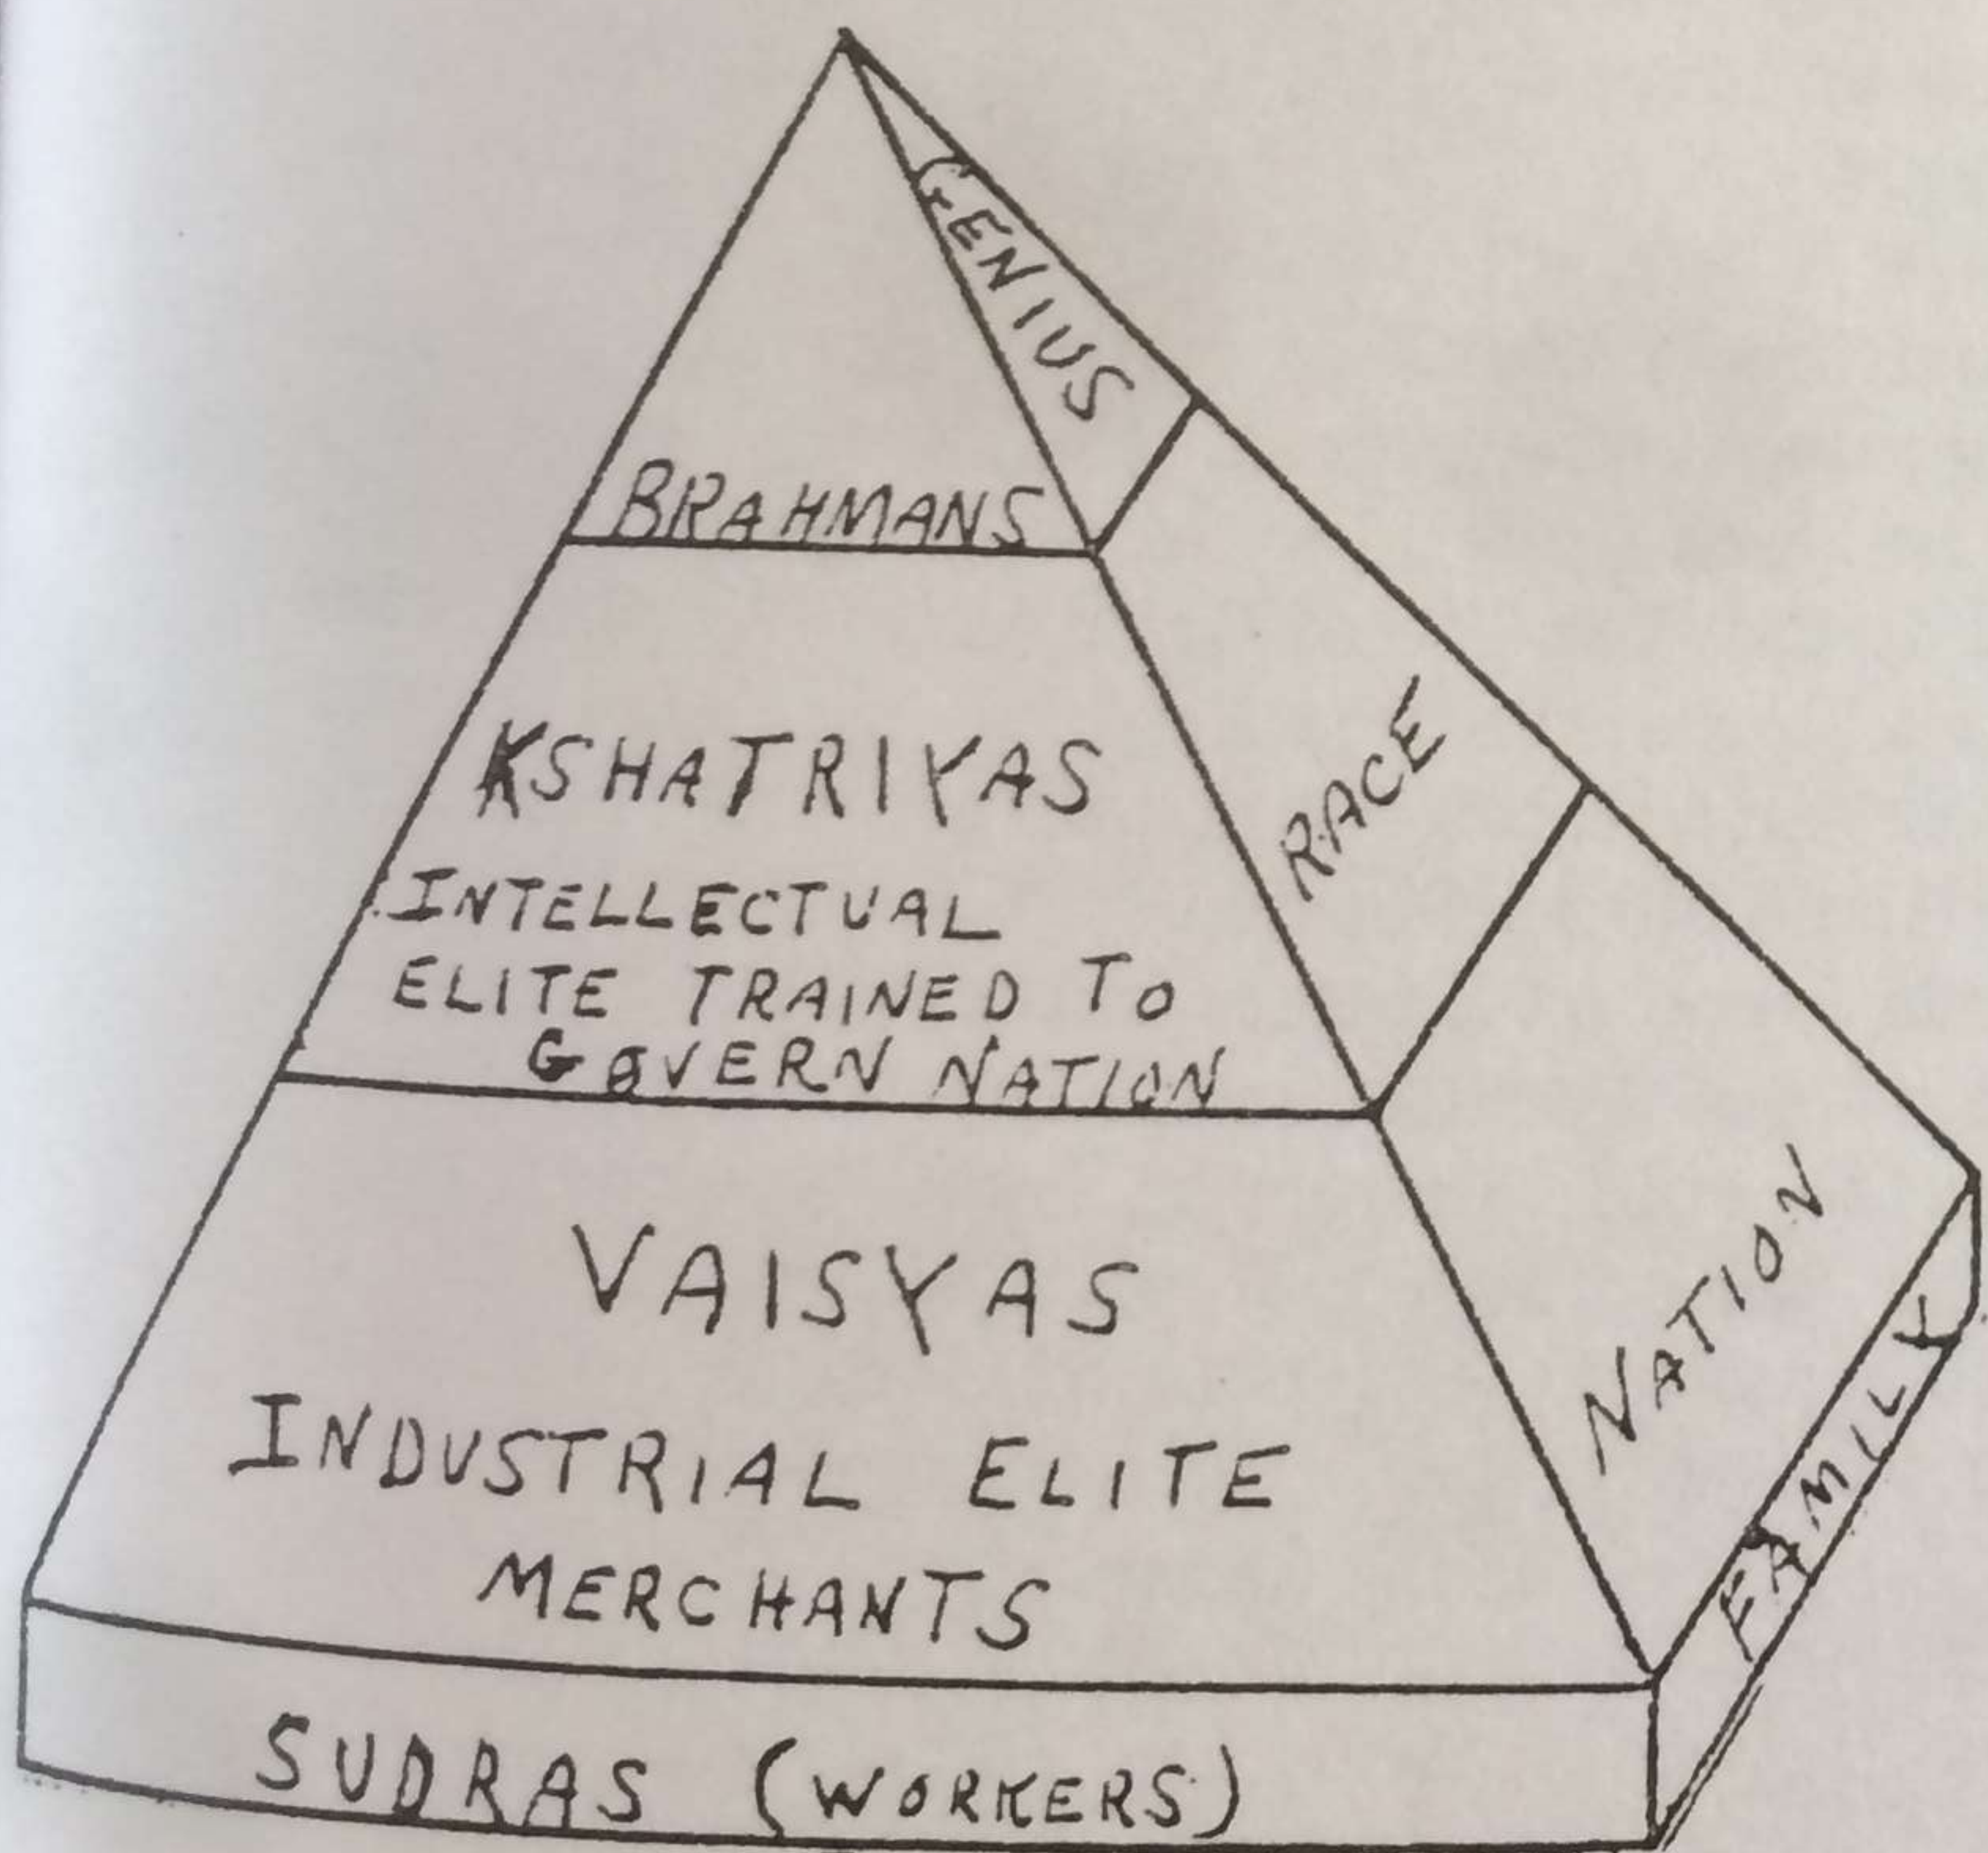

be wielded by every "acid-head", by neurotics and psychopaths, or by disgruntled kids who turn to witchcraft, Satanism etc. as a temporary release from boredom or a new fad. Those who possess these abilities do not advertise their prowess on television surrounded by props from Grade B Hollywood horror extravaganzas but utilize their powers to achieve their objectives in life without fanfare!

To prove the "Kaballah" or "Qabbalah" was an Aryan rather than a Hebrew book we quote from "The Secret Doctrine" by Madame Helena P. Blavatsky:

"Thus the author of the "Qabbalah" remarks quite truly that "Long before his (Ibn Gebirol's) time ... many centuries before the Christian era, there was in Central Asia a 'Wisdom Religion'; fragments of which subsequently existed among the learned men of the archaic Egyptians, the ancient Chinese, Hindus, etc. ..." and that ... "The Qabbalah most likely originally came from Aryan sources, through Central Asia, Persia, India and Mesopotamia, for from Ur and Haran came Abraham and many others into Palestine" (page 221). And such was the firm conviction of C. W. King, the author of "The Gnostics And Their Remains".

"The Ancient Wisdom of the Gods is kept in the most sacred guardianship of Great Adepts, of Initiates or Masters of Life. It exists as a coherent body of teaching based on inner and outer Nature's structure and operation ..."

"From this Ancient Wisdom or Esoteric Tradition have sprung forth at various times in the history of the world the great world-religions or world-philosophies Understanding somewhat at least of this Esoteric Tradition or Ancient Wisdom, the student has thereby the master-key which will unlock those mysterious and tightly closed portals opening into the archaic thought of the human race. Therefore, behind all the various religions and philosophies, there is a secret or esoteric Wisdom, common to all mankind, existent in all ages, and revealed in one form or another as the cycling centuries slowly pass and drop into the ocean of bygone time."

"The Esoteric Tradition", by G. de Purucker

We stressed in Part IX of "The New Atlantis" the pyramidal hierarchy of power which is the living essence of the organizational structure of the Aryan State. As long as our people adhered to this all-embracing power structure Aryan man dominated the earth with his vastly superior science, technology, and occult metaphysics (the knowledge of how to manipulate the spiritual energies within the Living Universe in order to make things happen in accordance with the concentrated power of the human will) ! The deadly sociological bacilli of liberal democracy, Christian humanism, racial egalitarianism, and the nonsensical belief in anthropomorphic deities whose petty jealousies, hatreds, and lusts were mirror images of the nomadic Jewish mind and temperament that gave birth to "The Talmud" and "The Holy Bible" were foisted upon Aryan humanity at the point of Roman swords under the accursed Christianized Emperor Constantine. The Aryan "Mystery Schools" and Temples of Initiates of the Ancient Wisdom in Greece and Egypt were stamped out by force and violence or driven underground by the ignorant fanatics of the Christian clergy who joyously buried the light of Truth and Knowledge under the merciless tyranny of the Dark Ages. Priceless manuscripts of the ancient Aryan World were put to the torch in the famed Alexandrian Library and at the Temple of Serapis. Around 1566 Bishop Diego de Landa, after the destruction of the Inca Empire by Spanish gold-seekers and soul-seeking Christian missionaries, burned all the historical records and literature of this highly civilized Indian Empire? Christian arsonists also destroyed the hieroglyphic records found on Easter Island which might have unravelled the historical records of a lost Pacific continent ! Why ! Simply because Christian dogma cannot stand the cold, impartial light of either scientific or metaphysical truth. When the famed astronomer Galileo invented the telescope the Vatican threatened to have molten lead poured into the old man's eyes and mouth if he did not recant and destroy that "instrument of the Devil" (the telescope). The "instrument" would have undermined the Ptolemaic Theory sponsored by the Vatican which taught that our little planet Earth was the center of the universe, that the sun revolved about the Earth, and the stars were lanterns hung in the sky by God (usually pictured as a tyrannical "father-figure" with a long Jewish beard and the white, flowing robe of some Hebrew patriarch) to light the way of "the Faithful" by night.

Were the sages and scientists of the Aryan Race as mentally retarded as the Dark Ages of European history would indicate or was a mental straitjacket forced upon Romans, Greeks, Teutons, Saxons, Gauls etc. by a power-mad, self-seeking Christian clergy whose greatest ally was and is mass ignorance! Let us compare these imbecilic efforts at lucid and rational scientific thought promoted by the Christian clergy during the Dark Ages with Aryan knowledge in Classical Greece long before the alleged birth and miracles of the Christian Messiah (which were never chronicled or reported by any Greek, Roman, or Egyptian historians or philosophers of Christ's day). We quote from "Atlantis: From Legend To Discovery" by Andrew Tomas:

The grim justice of Imperial Rome - death to the Judeo-Christian subverters of Aryan values, the foul criminals whose later victory plunged Aryan Europe into the Dark Ages.

"By what means had the sages of the ancient world known certain scientific facts well ahead of the people of the day? ... Anaximenes, about 2500 years ago, was aware not only of the remoteness of the stars but also of their "non-luminous companions". It is only in the past few years that astronomy has obtained data on planets in other solar systems. Anaxagoras (500-428 B. C.) wrote likewise about "other earths which produce the necessary sustenance for inhabitants". Even a century or two ago this brilliant thought of an ancient Greek would have been frowned upon by the Church and questioned by the academies. Democritus (460-361 B. C.) correctly explained the Milky Way as an immense multitude of distant stars scattered in space. Our science reached this conclusion long after the

200 years ago. Was it philosophic deduction or hints from the guardians of the Wisdom of the Ages that projected the minds of these Greeks into the distant future? Like a member of a present-day academy of sciences Democritus says: "In reality there is nothing but atoms and space." Democritus was instructed in his youth by the Magi left by Xerxes (The Persian monarch) in Abdera. (Editors Note: In earlier installments of "The New Atlantis" we told our readers how the Brahmins of India, the Magi of Persia and Babylon, and the Druids amongst the Celts were the custodians of the Ancient Wisdom inherited by the Aryans from antediluvian Atlantis) ! According to Seneca, Democritus "knew that there are more planets than we are able to discover with our eyes". Where did Democritus receive astronomical knowledge that was centuries ahead or, perhaps, behind his historical epoch? (Editors Note: Tomas refers here to the handing down of prehistoric Atlantean science by Aryan Secret Societies such as the Brahmins, Magi, Druids, Rosicrucians, Gnostics, and the non-Aryan Sufis of Persia). Democritus postulated that the sun is of immense size, and that the markings on the moon are formed by shadows of high mountains and deep valleys. He held that worlds are constantly born and destroyed in infinite space. The stars are suns, claimed Democritus. Pythagoras (circa 530 B. C.) deduced that the earth is a sphere and Aristarchus of Samos (310-230 B. C.) insisted that it revolves around the sun. Eratosthenes (276-195 B. C.), curator of the Alexandrian Library, calculated the terrestrial circumference with a slight error of 225 miles. Empedocles (494-434 B. C.) argued that light required time to travel. He also had a concept of the mutation of the species. Lucretius (96-55 B. C.) was aware of the uniform speed of falling bodies in a vacuum. In the poem, "On Nature", he draws a picture of the struggle for existence, centuries before Darwin. Pythagoras, long before Newton, knew about the law of the force of attraction."

When Madame Helena P. Blavatsky, probably the most advanced occultist mind ever produced by the Western World, transcribed from Tibetan, Indian, and Mongolian sources the Ancient Wisdom Religion of the Aryan Race and compiled this vast knowledge into her twin monumental tomes entitled "Isis Unveiled" and "The Secret Doctrine" she took as her motto an old Eastern Aryan adage: "There Is No Religion Higher Than Truth" ! Her mission was to spread the light of ancient Aryan Wisdom throughout Europe and North America; to restore their lost heritage to untold millions of Aryan peoples whose minds have been shackled by a false Semitic creed which demands blind faith of its deluded followers rather than KNOWLEDGE AND TRUTH ! Can any reasonable person doubt that the immeasurable storehouse of metaphysical and scientific wisdom accumulated in the proud Aryan societies of Vedic India, Zoroastrian Persia, Pharaonic Egypt, and Classical Greece was largely due to the spirit of open philosophical, metaphysical, and scientific investigation carried on under the benign, and yet totalitarian, governments and rulers of these Aryan empires and nations. Rulers, of enlightened nature, used to vie with each other to obtain great philosophers, occultists, and men of literary renown to grace their courts with the pearls of intellect and wisdom, to set up great schools for educating and training Aryan youth in the Mysteries of the Cosmos, the reincarnation cycle of the soul, healing the human body, the beauty and intricacy of philosophical conceptions etc.. The mighty intellects of Aryan society were not forced

H. P. Blavatsky - the great Russian Occultist who brought the Secret Wisdom of the Aryan Race from Tibet to Europe and North America

to conform under penalty of fiendish torture or being burned alive as "witches", "heretics", or "idolators" until Judeo-Christianity drained our people of both their manhood as warriors and their ability to reason in the light of logic and truth rather than in the darkness of superstitious fear and blind Christian dogmatism.

Let us now study the Aryan "Pyramid Of Power" - the diagram of organized statecraft inherited by our ancestors from primeval Atlantis which serves as a basic blueprint for the NRP concept of the ideal society and the fulfillment of our

political program. As you will observe we have included both the Aryan Sanskrit and English terms on our pyramid. Our state is totalitarian in its very essence - a government by the Intellectual Elite in which every individual shall be fitted into the pyramidal structure in accordance with his proven aptitudes and capacities. These aptitudes and capacities will be determined through an educational system subsidized by the Racial Nationalist State in which every Aryan child must be enrolled by the age of six. At least 7 years will be spent in teaching our youth how to master reading, writing, mathematics, the rudimentary principles of the sciences, philosophy, the arts, governmental and racial policies, and making value judgements. The purpose of these Youth Academies is to light the flame of knowledge concerning their Aryan racial heritage in the minds of millions of children - the seed bed of the Aryan Future - and to cultivate, nourish, and promote the rare orchid of CREATIVE GENIUS in very special training centers whose Enlightened Intellects will serve as the BRAHMANS or Intellectual Elite (Masters of both the physical and occult sciences, Initiates in the arts of governing the Race, and advisors to the Phrenarch or Absolute Ruler of the Aryan Racial Nationalist State - who will be trained from infancy by the creative genius of the Brahmans for the tasks he is to perform).

The majority of our Aryan youth, after we have determined their aptitudes, capacities, and inclinations during their 7 years period of basic training, initiation, and political and racial indoctrination in the Youth Academies, will enter into either a State Trade Institute, a State Science Institute, or a State Technological Institute. The Racial Nationalist State will subsidize the child's education in full so long as his marks average 85 % because we consider this expenditure as an investment in the future of the Race! Only those Aryans with the ability to make subjects vital, interesting, and to impinge the image of their own knowledge of a subject on the living mind of the pupil would be tolerated as teachers in our educational institutions. The thoughts of "cultural aliens" would never enter our training institutes as non-Aryans would be denied any right to mould any form of public opinion, educational or otherwise. Our 13 year old graduates of the Youth Academies would spend at least 5 years in Trade, Technological, or Science Institutes under the finest of instructors (some falling by the wayside into various forms of manual or office work as a result of failure to keep up their standards of intellectual achievement as reflected in their marks and tests). Others would graduate directly into American laboratories, industrial planning and management, engineering, agriculture, communications, medicine, the arts etc. forming a Brain Bank in North America such as the world has never envisioned in its history - a "New Atlantis" in fact! Looking again at our "Pyramid Of Power" we have the broad base made up of manual and mental workers of perfect Aryan racial stock. Above these are the Vaisyas or industrial planners, organizers, architects, and merchants (those with leadership capacity to organize the labor force in constructive tasks under the command of the Kshatriyas). The Kshatriyas or Intellectual Elite trained in the administration of the Racial Nationalist State is the next step up the "Pyramid Of Power". They are organized by specific professions, arts, and sciences and their task is to organize these fields for the benefit of the Racial State - in short a Council of Administrators to govern the planned activities of both the workers and the industrial management of the nation in accordance with the Grand Design drawn up by the Brahmans and

their Ruler, the Phrenarch (the Philosopher-King envisioned by Plato in his immortal opus "The Republic"). Thus, in ascending the steps of the "Pyramid Of Power", one reaches ever greater degrees of creative intelligence until we reach minds of nearly God-like proportions as contrasted with the petty thieves and shyster lawyers who, today, constitute the presidency and Congress of our "democratic" form of government. Our modern governmental structure resembles our "Pyramid Of Power" standing on its apex instead of its base with the dead weight of a politically ignorant, racially mongrelized MASS pressing the creative elements of the Aryan Race into total oblivion. Looking now at the side wall of the Aryan "Pyramid Of Power" we find the family unit as the building block of the nation which in turn supports and protects the race which in its turn is guided by genius. We find the workers corresponding to the family units, the planners and industrial organizers corresponding to the Nation/State, the Intellectual Elite corresponding to the Race, and the Brahmans corresponding to creative genius. The NRP educational system previously described insures the possibility of an upward mobility within the Aryan "Pyramid Of Power" for all Aryan youth limited solely by their applied Will, Intellect, and Diligence! To clean up the mess left to us by crackpot Christian zealots we must insure that

those suffering from genetic or hereditary malfunctions must be painlessly put to sleep at birth or sterilized by decree of law in order to insure the progressive development of the Race! Marriage will only be permitted among the best physical and mental specimens of the Aryan Race and defective offspring must be phased out by state-sanctioned Euthanasia in order to pave the way for a new and higher species of mankind! The rallying slogan for the NRP state built on our Aryan "Pyramid Of Power" is taken from the great English Rosicrucian Occultist, Sir Edward Bulwer-Lytton, author of "Vril: The Power Of The Coming Race": "NO HAPPINESS WITHOUT ORDER, NO ORDER WITHOUT AUTHORITY, NO AUTHORITY WITHOUT UNITY".

Every major practitioner of occult science has stressed the dire necessity for mankind to live in harmony with Nature as manifested by the Living Universe of which humanity is but a microscopic part. In contrast Semitic beliefs have stressed the absurd argument that man's role is to overcome and enslave Nature: The

pyramidal structure of the Aryan State represents the former view while chaotic democracy and anarchy reflects the Judeo-Christian rebellion against Nature. We now quote from passages in the various works of the famed British magician and occultist, Aleister Crowley, who held a pro-German attitude in both WW.

"We have nothing with the outcast and the unfit: let them die in their misery ... It is the evolutionary and natural view. Of what use is it to perpetuate the misery of tuberculosis and such diseases, as we do now? Nature's way is to weed out the weak. This is the most merciful way, too. At present all the strong are being damaged, and their progress hindered by the dead weight of the weak limbs and the missing limbs, the diseased limbs and the atrophied limbs. The Christians to the Lions! Our humanitarianism, which is the syphilis of the mind, acts on the basis of the lie that the King must die. (Editors Note: Crowley means the individual's personal fear of death and retribution for alleged misdeeds by "the sinner" which is offset by an understanding of the spiritual evolution of the Soul by means of REINCARNATION). The King is beyond death; it is merely a pool where he dips for refreshment. We must therefore go back to the Spartan ideas of education; and the worst enemies of humanity are those who wish under the pretext of compassion, to continue its ills through the generations. The Christians to the Lions! Let weak and wry productions go back into the melting-pot, as is done with flawed steel castings. Death will purge, reincarnation make whole, these errors and abortions. Nature herself may be trusted to do this, if only we leave her alone. But what of those who, physically fitted to live, are tainted with rottenness of soul, cancerous with the sin-complex? For the third time I answer: the Christians to the Lions!"

"Ye are against the people: O my chosen! The cant of democracy condemned. It is useless to pretend that men are equal; facts are against it. And we are not going to stay, dull and contented as oxen, in the ruck of humanity. By "the people" is meant the canting, whining, servile breed of whipped dogs which refuse to admit its deity. The mob is always afraid for its bread and butter - and now and then the bread has 60 % substitutes of cattle-fodder ... So, being afraid, it dare not strike. And when the trouble begins we aristocrats of Freedom from the castle or the cottage, the tower or the tenement, shall have the slave mob against us. The newspapers will point out to us that "the People" prefer to starve, and thank John D. Rockefeller for the permission to do so".

THE RACIAL FOUNDATIONS OF WESTERN CIVILIZATION

James H. Madole

PRESIDENT GAMAL NASSER OF THE UAR AND PREMIER FIDEL CASTRO OF CUBA ARE DESTINED TO LEAD THE PEOPLES OF AFRICA AND SOUTH AMERICA TO THE HEIGHTS OF ECONOMIC PROSPERITY AND CULTURAL ATTAINMENT.

ADOLF HITLER'S ECONOMIC AND RACIAL DOCTRINES LAID THE FOUNDATION STONE FOR THE SURVIVAL AND GROWTH OF ARYAN CIVILIZATION IN EUROPE AND NORTH AMERICA.

The National Renaissance Party is devoted to a re-birth of the American pioneer spirit and a resurrection of the racial pride and patriotic self-sacrifice of the individual for the national welfare which permitted our Nordic and Anglo-Saxon forefathers to carve out an empire on the North American continent. The philosophical basis or doctrine of our party is known as RACIAL NATIONALISM. This doctrine recognizes the fundamental differences between both races and individuals BUT SEEKS TO CREATE A WORLD ORDER IN WHICH ALL RACES ARE FREE TO COMPETE AND DEVELOP IN ACCORDANCE WITH THEIR OWN INHERENT MERITS AND CAPACITIES. The NRP agrees with Alexander Hamilton's concept of an American government dominated and ruled by the best minds of the nation or the intellectual elite which shall arise by educational competition and training from all classes of American society.

We are the arch opponents of pacifism because we know that nations or individuals survive only by strength and not by craven submission to the will of their enemies. We despise the decadent political doctrine of democracy because we recognize that the intellectual elite represents at all times the creative segment of our people and the leadership in all fields must rest in their hands. The mass or majority was never designed by Nature to direct the destiny of any nation or business enterprise. It is highly interesting to note that both Marxism and Christianity reject the "CULT OF THE PERSONALITY" and seek to glorify the rule of the masses YET BOTH THESE DOCTRINES OWE THEIR PRESENT WORLD POSITION TO INDIVIDUAL LEADERS SUCH AS JESUS CHRIST, SAINT AUGUSTINE, JOSEPH STALIN, AND NICOLAI LENIN. Quite obviously a nation, like a successful business enterprise should be ruled by its best trained minds and not by the erratic whims of masses swayed by "Madison Avenue" advertising techniques. The role of the state is to create a favorable environment for the nurturing of individual genius. At present the Reds are turning out thousands of skilled engineers, scientists, and technicians every year while America, under Jewish-sponsored "progressive-education", is producing hordes of semi-literate juvenile

delinquents and "Beatniks" whose conversational level never rises above sex, alcohol, and baseball scores. Men like Cellini, Michelangelo, Kant, Roentgen, Beethoven, and Brahms brought everlasting glory to their race and nation BUT AMERICA'S PRESENT CROP OF YOUTH, HOPELESSLY LOST TO THEIR RACIAL HERITAGE AS A RESULT OF THE POISONING OF THEIR MINDS AND SOULS BY THE FILTH AND PERVERSION POURING INTO THEIR MINDS FROM JEWISH BOOKS, NEWSPAPERS, TV, AND RADIO, HAS BROUGHT ONLY SHAME UPON THE FAIR NAME OF AMERICA.

What is the goal of racial nationalism? Our goal is that the American people shall again gain honor and conviction, that we shall again bow in homage before our own history and heroes, and shall curse and destroy that race which has damaged our honor. Secondly, once our people have learned of the moral and physical fetters cast upon them in the name of democracy, and have been brought again to the realization of the necessity of authority and leadership, we shall wake them from the false Hebraic dream of democracy, and lead them to a Nordic-Anglo-Saxon world of culture, responsibility, and recognition of duty on the part of the American individual towards his nation. Self-sacrifice of the individual for the race or nation is the highest mark of human civilization and scarcely exists among Jews or Negroes, which accounts for their complete lack of military ability when fighting against Nordic or Asian peoples. In America self-sacrifice has been replaced by the profit motive wherein human beings are engaged, from birth to death, in a never ending rat race for economic survival. The worth of the individual is determined not by his creative talent BUT BY THE AMOUNT OF CASH IN HIS BANK ACCOUNT. By adopting these Jewish standards, American art, music and theatre have been entirely commercialized and reflect the low moral concepts of the Jewish mind. Walt Disney, the sole Gentile movie producer in Hollywood, is also the only American to produce films based on beauty and Nature rather than the usual diet of illicit sexual relationships advertised by scantily-clad females or suggestive titles.

If America has declined in the past three decades it is because of the perversion of our will to power and progress by manipulations of mediocre parliamentary politicians who have sold our people and racial heritage for votes and favors from Jewish Finance. Every miserable piece of legislation to dissipate our natural resources, enslave our people to an international World State, and mongrelize our best blood has been pushed through Congress. By now, with a few notable exceptions, that Internationalist Bedlam down at the end of Pennsylvania Avenue has renounced forever the right to call itself an American Institution serving the interests of the American people. A trained intellectual elite would form the leadership of our great nation, as was intended by the Constitution, and certainly never the parliamentary politician who is the product of the ballot box and thinks only in terms of votes. Our doctrine of Racial Nationalism closely resembles the philosophy of German National Socialism because Hitler's ideology proved itself to be designed for the advancement and progress of the White Race whereas both Western democracy and Soviet Communism are hopelessly alien to peoples of Anglo-Saxon or Nordic ancestry. Both Communism and democracy seek to substitute quantity for quality and both of these creeds refuse to recognize essential differences between races, groups, and individuals. National Socialism was described as follows by Louis Marschalko, author of "THE WORLD CONQUERORS":

"German National Socialism not only proclaimed certain principles but in its initial stage, at any rate, endeavored to put them into practice. The promotion of an intellectual elite, the suppression of the class-struggle, the establishment of peace between capital and labor, the building of homes, the raising of the working classes' living standards, the cultivation of family ties, the well-planned settlement of the proletarian masses and the securing of a peaceful old age through the creation of social insurance, where all constructive forces of indisputable value...For it was a tremendous achievement on the part of National Socialism TO HAVE ESTABLISHED A CURRENCY SYSTEM COVERED BY THE VALUE OF THE NATION'S WORK AND BY THE VOLUME OF THE NATIONAL PRODUCTION, WHICH AT THE SAME TIME BROUGHT ABOUT THE OVERTHROW OF THE OMNIPOTENCE OF MONEY AS A COMMODITY AND ALSO ENDED THE DOMINANCE OF GOLD...National Socialism had to make a stand against the Jewish Bolshevik and the Jewish Capitalist, being aware that the unrestricted autocracy of the Golden Calf only engenders discontent, envy, and class-warefare."

RACE AND RELIGION, THE KEYS TO HISTORICAL UNDERSTANDING

The school-children of America and Western Europe, under the influence of Jewish teachers and professors, their minds assailed by textbooks prepared under the supervision of the American Jewish Committee or UNESCO, an outfit dominated by French Jews, ARE BEING TAUGHT TO DENY THE VERY EXISTENCE OF RACE AND THE DIFFERENTIATION OF THE HUMAN SPECIES. Although the Jewish religion depicts the Hebrew people as the "CHOSEN PEOPLE OF GOD" and strictly prohibits inter-marriage or assimilation between Jews and "goyim" (non-Jews or Gentiles), other religions are being taught, under Jewish-sponsored Interfaith auspices, to break down all barriers of race, religion, and class. Children of the Western World are being taught Lysenko's environmentalist theory which states that all races are similarly gifted but some racial groups were prevented from developing their full cultural potential as a result of harsh climatic conditions or the plentiful supply of food which made them indolent and lazy as contrasted to their Nordic cousins. Thus the African Negro and the Eskimo have similar cultural and mental capacities to the Chinese, Nordic or Slavic peoples but failed to create a distinct civilization due to harsh climatic conditions. Hence environment, not innate resourcefulness, intelligence, and perseverance, makes all the difference in regard to racial capacities according to this Jewish-sponsored theory.

This theory can be exploded very easily. We have only to study the mighty civilizations created by the Aztecs, Mayas, and Incas in Central and South America where there was tropical jungle climate, lush vegetation, and plentiful sources of game. These Indians were able to erect a class-society with mighty cities, temples, and a well-ordered system of autocratic government. The decline of this vast Indian civilization was brought about by the Spanish invasion and the subjection of the minds and customs of this once pure race to the corroding influence of Roman Catholic spiritual dogma. This spiritual dogma which denies the values of blood, race, and science and seeks to substitute for these positive values the stagnant creed of humility, racial pollution, the glorification of poverty, and submission to economic exploitation as "the will of God", IS LARGELY RESPONSIBLE FOR THE SAD PLIGHT OF LATIN AMERICA WHOSE PEOPLE HAVE LIVED IN TOTAL BONDAGE TO FOREIGN EXPLOITERS FOR HUNDREDS OF YEARS. Only recently has the Castro regime in Cuba begun to clear away the debris of centuries and bring freedom to these backward people by opposing the economic bondage imposed by foreign Jewish exploiters and the mental and spiritual bondage imposed by the Roman Catholic hierarchy whose leaders fear education and knowledge as a menace to the mental straitjacket which their dogma has contrived to ensnare the minds of men. Whether or not Castro can succeed in his mission, considering the centuries of racial degeneration which have taken place in Latin America under Catholic rule, is somewhat dubious BUT WE WISH HIM WELL AND WOULD DO ALL IN OUR POWER TO HELP UPLIFT HIS PEOPLE CULTURALLY, ECONOMICALLY, AND PHYSICALLY.

To further disprove the Lysenko theory we need only cite the flourishing Mohammedan science which emerged from the torrid deserts of the Arabian Peninsula to conquer large parts of Africa, Asia, and Europe. We owe to the Arab people this vast renaissance of science and learning at a time when knowledge in Europe was confined to the hidden recesses of Catholic monasteries and men of learning were broken on the torture racks of THE HOLY INQUISITION. We have the example of the mighty Carthaginian Empire, founded in Northern Africa by Semitic people, as further proof that civilizations can flourish under adverse climatic conditions. That area of Africa which lies south of the Sahara Desert, populated by Negro peoples, HAS NEVER IN HISTORY PRODUCED AN INDIGENOUS CULTURE OR CIVILIZATION. The horrors practiced against Whites during the Mau-Mau rebellion in Kenya, the mass rape and mutilation of White women and children in the Congolese rebellion by drunken native soldiers, and the butchery practiced most recently against White settlers in Portuguese Angola prove conclusively that the African Negro still remains a mindless savage.

The Congolese savage cannot be compared with the Indonesian, Arab, or Cuban peoples, all of whom have recently gained their freedom. These newly liberated nations of Northern Africa, Asia, and Latin America are concentrating on building up their respective economies, erecting schools and hospitals, and creating stable governments whereas the Congolese, having butchered off all the Whites, are now slaughtering their own people by the thousands.

Soviet Russia and the United States are both seeking to gain control of the vast deposits of uranium, copper, manganese and bauxite which lie in the soil of this immensely rich land. The Rockefeller family alone controls nearly 650,000 shares of Katanga Uranium Mines stock which explains why Nelson Rockefeller EXPRESSED HIS DESIRE TO USE AMERICAN BOYS TO TURN THE CONGO INTO ANOTHER KOREA. Zionist Jews, numbering some 400 Israelis, are in Katanga trying to win trade concessions from Moïse Tshombe, the Black leader ruling that vastly rich Congolese province.

We believe that only Arab culture and the Islamic religion can help the African Negro to raise his standard of living and make use of the vast natural resources buried in his soil for the uplifting of the entire African Continent, to which both Arab and Negro are indigenos. We believe that both the United States and the Soviet Union should lessen Cold War tensions by standing aside and allowing the Arab and African peoples to work together FOR THE EMERGENCE OF AFRICA INTO THE TWENTIETH CENTURY.

Just as Nasser, Sukarno, Kassem, and Castro have pointed the way to a renaissance of culture and economic prosperity among the peoples of Africa, Asia, and Latin America, so Adolf Hitler pointed the way to a revitalization of the Aryan peoples in North America and Western Europe. The decline of America's power is due to the steady pollution of that race which created our civilization. We quote from "RACE AND POLITICS" by the English author, Arnold Leese:

"Perhaps the most striking illustration of the fatal effects of blood-mixture is the condition of the United States of America today. Civilization began in that vast country by the invasion of men almost exclusively Aryan in strain--an almost self-sufficing continent was in their power. But they forgot their race and accepted the poisonous Jewish-Masonic doctrine of Universal Brotherhood ("LIBERTY, EQUALITY, FRATERNITY") and opened their doors to the wholesale immigration of people from nations with little or no Aryan blood. The result is a sink or corruption, materialism and vulgarity of which the chief value is that of a warning to the Aryan people of the earth that RACE IS THE BASIS OF ALL TRUE POLITICS."

Racial Nationalism seeks to preserve the cultural and economic standards of the White Race but this does not mean that we seek to persecute or exploit other racial groups. The Negro people can never feel completely at home in an alien White society nor can any amount of Federal legislation enforce the White man to accept these people as his "brothers". When the leaders of Ghana and the Congo proclaim loudly that all White men, other than technicians and skilled artisans, should pack up and leave Africa or face death, NO AMERICAN OR WEST EUROPEAN PAPERS RAISE THE CRY OF "RACE-PREJUDICE" OR "DISCRIMINATION" BUT WHEN WHITE SOUTHERNERS OR THE GOVERNMENT OF SOUTH AFRICA SEEK TO PREVENT RACIAL CONFLICTS BY SEGREGATING THE RIVAL FACTIONS OUR JEWS AND "LIBERALS" SET UP A JOURNALISTIC WAR-CRY ACROSS THE ENTIRE EARTH. We consider the people of Ghana and the Congo to be within their rights in determining what race should be dominant within their respective nations BUT WE DEMAND THE SAME RIGHTS FOR OUR ARYAN NATIONS. We are willing to establish trade agreements, exchange students, and to seek to raise the standards of living of all races and nations BUT WE RESERVE THE RIGHT TO DETERMINE OUR OWN STANDARDS OF RACE AND POLITICS WITHIN OUR OWN BOUNDARIES. Herein lies the key to world peace, mutual respect, and a higher standard of living for all.

The Historical and Metaphysical Roots Of the Conflict Between Jew and Gentile

By JAMES H. MADOLE

Nearly all racial nationalist circles throughout the world were both shocked and amazed to learn that Daniel Burros, who had been a high ranking and devoted officer in such varied right-wing organizations as the National Renaissance Party, the American Nazi Party, and the Ku Klux Klan, WAS ACTUALLY BORN OF RUSSIAN JEWISH PARENTS AND BAR-MITZVAHED IN A JEWISH CONGREGATION! Dan Burros was known to many patriots both in the United States and Europe as editor of "THE FREE AMERICAN," a newspaper which actually had advocated the physical extinction of not only the Jews but most of the colored races as well. Not even Julius Streicher in Hitler's Germany could exceed in degree the depth of righteous passion which young Daniel Burros sincerely felt against the nefarious activities of the Jewish organizations in our midst. These activities, of which Dan learned in his early youth, are corroding the very pillars of human morality and Western Civilization. Once Dan Burros had attained the wisdom and financial independence of manhood he broke all ties, mentally and spiritually, with the strange mythology and metaphysical impulse which alone holds the Jewish people together as a nation. The Jews, like all nations of a nomadic type such as the Bedouin Arabs or the European Gypsies, without a homeland

contained within definite geographical boundaries and without a common unity of racial origin, are cemented together not by deliberate organization but by a wholly

metaphysical or religious bond! We must take into cognizance that many famous Jews and partial Jews who have totally forsaken the Messianic and immoral fanaticism contained within the Talmud and the "LAW OF MOSES" have become the most violent critics and even

destroyers of their former brethren. Who could possibly have a better understanding of the harmful effects of Judaism upon Western Civilization than the Jew himself. I cite as well known examples such prominent historical personalities as Jesus Christ, founder of the Christian religion whose crucifixion for heresy was demanded by the Jewish High Priest CAIPPHAS and carried out by the Roman authorities in Jerusalem, Saint Ignatius Loyola, Torquemada, the chief prosecutor of the bloody Holy Inquisition which tortured and burned untold thousands of Jews and "heretics" throughout the length and breadth of Catholic Europe during the Medieval Period, Karl Marx, the founder of Marxian collectivism who, although the son of a Jewish rabbi, castigated the Jews without mercy for their usury and unsavory economic practices in his book, "WORLD WITHOUT JEWS." Alexander Hamilton (brought up in a Jewish home) who upheld the principle of a government ruled by superior men of quality as opposed to the equalitarian and levelling doctrine of rule by the mob as espoused by Thomas Jefferson (Jeffersonian Democracy) in the early formative period of the American Republic, and more recently some of the most prominent men in the hierarchy of the National Socialist government of Germany, namely: Erhard Milch who was second in command of the German Luftwaffe, Dr. Fritz Todt whose engineering

genius constructed the Siegfried Line and the mighty German autobahns, and Alfred Rosenberg, a Slavic Jew like Dan Burros, who became the foremost philosopher in Hitler's movement and despised Jewry more than did Hitler himself. Another contemporary of Dan Burros (though only one quarter Jewish) who took his own life after imprisonment by Federal authorities in San Francisco on a phoney passport charge was FRANCIS PARKER YOCKEY, author of the immortal right-wing classic, "IMPERIUM."

We can see from these many examples that Dan Burros was no isolated phenomenon. Although I often argued with Dan about his mad desire to launch a nuclear world conflagration against the Soviet Union and Red China as well as his overabundant use of the swastika symbol which only serves to hopelessly antagonize the vast majority of native Americans, many of whom lost sons in World War II and therefore have no desire to debate the merits or demerits of the Hitler regime in a dispassionate manner, I WOULD STAKE MY LIFE ON DAN'S COMPLETE AND DEDICATED SINCERITY. Quite definitely Dan Burros was neither a spy for Jewish organizations within the American right-wing nor could he be categorized properly as an "agent provocateur," A FACT MOST CONCLUSIVELY DEMONSTRATED WHEN HE TOOK A LOADED REVOLVER AND FIRED A BULLET INTO HIS TEMPLE, KILLING HIMSELF INSTANTLY, UPON PUBLICATION IN THE "NEW YORK TIMES" OF DOCUMENTATION REVEALING HIS JEWISH BACKGROUND. Burros could not tolerate the possibility that he would be completely ostracized by all his former comrades in the struggle to perpetuate White civilization HENCE A COMPLETELY NOBLE PATRIOT WHOSE HATRED FOR THE JEWS HAD ASSUMED VITRIOLIC PROPORTIONS BECAUSE OF HIS OWN INTIMATE KNOWLEDGE OF THEIR DESTRUCTIVE EFFECT UPON WESTERN CULTURE, WHICH DAN HAD ADOPTED AS HIS OWN, SAW FIT TO BLAST HIMSELF INTO OBLIVION AS FINAL PROOF OF HIS LOYALTY. What a tragedy to befall a youth who tried vainly to bridge the gap be-

tween two irrevocably alien worlds! Shortly after the unfortunate suicide of Daniel Burros large numbers of New York newsmen descended upon NRP headquarters with requests for information concerning Dan's record in our movement. It was from a rather famous newsmen that we learned how McCandlish Phillips, the "NEW YORK TIMES" reporter who broke the story on Dan's hidden Jewish background, HAD RECEIVED THIS INFORMATION FROM BENJAMIN EPSTEIN, DIRECTOR OF THE NOTORIOUS ANTI-DEFAMATION LEAGUE OF B'NAI B'RITH. Mr. Epstein had apparently gleaned this bit of intelligence from the supposedly inviolate probation record of Mr. Burros which had been compiled by authorities in Bronx County, while Dan, myself, and four other NRP members and officers were imprisoned on trumped-up "riot" charges in the Bronx County House of Detention during July, 1964!

The uproar over Daniel Burros was still rising to a monumental crescendo when the "MIDDLE-TOWN TIMES-HERALD" in upstate New York broke the story that Robert Burros, NRP Director in Orange County, and no blood relation to Daniel Burros, was ostensibly the son of a Jewish father and a Christian Lithuanian mother. Although Robert Burros had never told us about the religious affiliations of his father, who had died of cancer several years ago, IT COULD NOT BE DENIED BY ANY FAIR-MINDED PERSON THAT BOB BURROS HAD SERVED THE NRP WITH STEADFAST LOYALTY AND OUTSTANDING SUCCESS FOR A LONG PERIOD OF TIME. It might be added that Orthodox Rabbinical Law does not recognize anyone as a Jew who was not born of a Jewish mother which AUTOMATICALLY DISQUALIFIES POOR BOB FROM MEMBERSHIP IN THAT DUBIOUS FRATERNITY OF RELIGIOUS ZEALOTS. I challenged eager newsmen to provide a single jot of proof that Bob Burros had ever worked for or given aid to any Jewish or governmental agency which might be deemed inimical to the welfare of the NRP. If they could do so I OFFERED TO SUMMARILY AND PUBLICLY DISMISS ROBERT BURROS FROM THE NRP. When no such evidence could be provided, as is

our custom in such matters, I called a meeting of some 20 NRP national officers at party headquarters to vote on the future of Bob Burros in the NRP. News reporters from every major newspaper in both New York City and Orange County kept phoning NRP headquarters during this session to find out what policy would be pursued by an "anti-Semitic" political movement in regard to a young man of partial Jewish background who had risen on his own merits to a position of prominence in our ranks. We recognized that Bob Burros, like his tragic namesake, had abandoned all mental and spiritual ties with the Jewish Community at the age of 13. Our party officers voted (20-0) to retain Mr. Burros as a party member in good standing, they voted (19-1) to retain him as NRP Director in Orange County, and they voted (20-0) to remove him from his post as National Secretary pending a total investigation of the facts involved. This was duly and truly reported by press, radio, and television.

To understand the hysteria engendered in the American Jewish Community by the revelation that intelligent Jewish young men had voluntarily elected to abandon the mental servitude imposed by the messianic teachings of the Talmudic scholars and to actively join and promote an organization devoted to the total annihilation of these abhorrent beliefs one must fully understand the historical and metaphysical roots of Modern Judaism and the tyrannical hold which this fossilized code of superstition exerts upon the minds of its adherents. We believe it quite within reason to assume that considerable numbers of young Jews, permeated by the expanding knowledge of the universe and the workings of Natural Law opened up by 20th Century progress in the arts, sciences, and technology, might seek to abandon the absurd messianic beliefs and religious fanaticism which bind them mentally and spiritually to the antiquated mythology found in the tribal injunctions of the Talmud AND THE INEVITABLE PERSECUTIONS WHICH THE FOUL AND IMMORAL PHILOSOPHY EXPRESSED IN THIS "HOLY BOOK" BRINGS DOWN UPON THEIR UNWILLING HEADS. A leading Jewish religious authority. Rabbi Joachim Prinz, 53

has expressed the terrible fear of the Jewish leadership that a lack of "ANTI-SEMITISM" in the United States might lead to a swift dissolution of the American Jewish Community through assimilation into the mainstream of American cultural life. In short, without external pressure to bind them together within the straight-jacket of a "GHETTO MENTALITY" the Jew would cease to exist as a clearly recognizable national entity cemented together by fear of the surrounding Gentile World and the mystical bond of the "MOSAIC LAW." Such a catastrophic event would force both the bearded rabbis and the "professional Jews" who collect fortunes by posing as self-anointed "saviors" of their duped brethren from mythical "Hitlers" and vague "anti-Semitic threats" TO FIND A METHOD OF EARNING AN HONEST LIVING. This same fate of total assimilation is rapidly overtaking the 3 million Jews residing within the environs of the Soviet Union and the Communist-dominated nations of Eastern Europe.

THE FACTUAL ORIGINS OF THE "CHOSEN PEOPLE" MYTH

A very old adage states graphically that "WHEN THE TRUTH IS UGLY ONLY A DREAM CAN BE BEAUTIFUL." The religious and historical background of the Jewish people serves as a living example of the vital truth in this ancient maxim. In their earliest recorded history the ancient Hebrews appear merely as a nomadic tribe of wandering Semitic people who settled in the land of Canaan (Modern Palestine). They were defeated repeatedly in tribal warfare against the surrounding Moabites, Canaanites, Midianites, and Philistines. The kings of the Hebrews, made famous in Biblical legend, were Saul, David, and Solomon, the first of whom was totally defeated and beheaded by the conquering Philistines on Mount Gilboa, the second of whom sent his leading general to his death in order to possess the general's wife, the famous story of "DAVID AND BATH-SHEEBA," and the third of whom began his auspicious career as "SOLOMON THE WISE" by murdering his own brother. The ancient Hebrews were held in captivity respectively by the Egyptians, the Babylonians, and the Medes or Persians. This constant

record of military defeat and the resulting generations of servitude in foreign lands caused the Hebrew priests to weave a strange dream world to embrace and bind together their physically and spiritually broken people. FROM THE MYTHOLOGY OF ANCIENT EGYPT AND BABYLONIA WAS CREATED THE DREAM OF A MESSIANIC PEOPLE DESTINED TO RULE THE WORLD UNDER A MESSIAH YET TO BE BORN IF ONLY THEY WOULD OBEY ETERNALLY THE "MOSAIC LAW" FABRICATED BY THEIR PRIESTS AND RABBIS. To conclusively trace the mythological drive which shaped the Jewish mind and explore the racial origins of the Jewish people, we quote from "THE OUTLINE OF HISTORY" by H. G. Wells:

"The story of the settlement and slavery of the children of Israel in Egypt is a difficult one. There is an Egyptian record of a settlement of certain Semitic people in the land of Goshen by the Pharaoh Rameses II, and it is stated they were drawn into Egypt by want of food. But of the life and career of Moses there is no Egyptian record at all; there is no account of any plagues of Egypt or of any Pharaoh who was drowned in the Red Sea. There is much about the story of Moses that has a mythical flavor, and one of the most remarkable incidents in it, his concealment by his mother in an ark of bulrushes, has also been found in an ancient Sumerian legend concerning Sargon I."

Thus we find the actual existence of Moses very dubious and the famous TEN COMMANDMENTS of Jewish and Christian theology, far from being delivered to a non-existent Moses in a conversation with a mythical "burning bush" on Mount Sinai were actually plagiarized, virtually word for word, by Hebrew priests and savants during their 200 year captivity in Babylon from the "CODE OF HAMMURABI," a lexicon of laws and morals compiled by that ancient Babylonian monarch. The preposterous "Moses" legend was doubtless fabricated from the Babylonian records concerning the humble birth of King Sargon I of Sumeria. Even in those remote days of historical antiquity the Jews were experts at placing a Hebrew label on the beliefs, legends, and discoveries of the Gentile peoples

among whom they lived. To further trace the Babylonian and Egyptian origins of modern Judaism, and its Christian offshoot which later conquered the minds of Aryan tribes in Europe, we quote in detail from "THE FATE OF MAN" by the renowned historian, H. G. Wells:

"We must turn now to a second factor in the basis of the cultural life of Europe and the Europeanized world, the Sacred Book. The first of the Sacred Books to affect the Western world was the collection of Hebrew writing constituting the core of what is now called the Old Testament. It was in Babylon and Judea and in the towns of these regions that those Jewish sacred writings first appeared. They contained two overlapping versions of the old Babylonian cosmogony, together with the myths of the Creation, the Serpent-Enemy, the Fall, the Flood and the Tower of Babel. They also contained the story of a Promise and of a Chosen People who were destined to recover all and more than their ancient ascendancy. But at a price. These Chosen People had to keep themselves aloof from the Gentile world. They must preserve their precious distinctive habits and usages intact. They must remain aloof and enduring. UNTIL A PROMISED MESSIAH CAME TO LEAD ISRAEL TO ITS FINAL TRIUMPH OVER THE REST OF MANKIND. The appeal of these Scriptures to the needs and imaginations of these scattered peoples on the defensive must have been irresistible. In a century or so Carthaginians, Phoenicians Babylonians disappear from history, and all over the world of their former activities the Jewish communities appear, centering upon the schools of Babylon and Jerusalem with a consolidating literature and a religion. In this stage they proselytized freely. Probably the proselytizing was chiefly among kindred and sympathetic Semitic peoples, but there were also Tartar and other tribes which were won over. The blood-sacrifice tradition was sustained by the priests in the Temple until the fall of Jerusalem to Vespasian in 70 A.D. Then the sacrifices ceased and the Sacred Book with its semi-authoritative accretions became the link of Jewry throughout the world. "So the first of the great Book

religions on which our civilization rests arose. Hard upon its diffusion followed Christianity, its unidentical twin. Christianity began as a Jewish sect, as the Books of the New Testament tell very simply and clearly; it was still entirely Jewish after the Crucifixion; and it was only through the initiative of Saint Paul that the ranks of the elect were opened to the uncircumcized . . . His brilliant intelligence seized upon the idea of presenting Jesus as the sacrificial king of the blood-sacrifice tradition. Jesus, he declared, was the Lamb by whose blood we were saved—though as a matter of fact crucifixion is hardly a more bloody death than hanging. He had died said Saint Paul, not only for the Jews but for all men who would accept his sacrifice. This, for the stricter Jews, was an intolerable relaxation of their divine bargain. But some, less profoundly convinced of the Messianic hope, realized the attractive quality of the Pauline teaching. The medium of diffusion for Christianity remained for a time the scattered Jewish communities. Throughout the first and second centuries Judaism and its offshoot, Christianity, the latter becoming more and more Gentile and anti-Jewish, spread and bickered side by side throughout the whole extent of the Roman Empire. The pagan world, although it was also in a state of great social and religious unrest—the two things seem to be inseparable—had no comparable nexus for the production of alternative sacred writings that could stand up against the dissemination of these Judeo-Christian legends and mythology. So that these latter provided the written factor in the foundations of civilization throughout the entire Western world . . . From the very beginning, there must have been men of vision among the Jews who realized and rebelled against the moral isolation to which they were being condemned, there must have been a continual seeping-away of individuals to the larger opportunities of the outer world, but the uncompromising tradition carried by the old Bible and the associated writings which grew into the Talmud has been sufficient to hold together a core of unassimilable and aggressive orthodoxy to this day clinging obstinately to every detail of ritual, behavior and avoidance that emphasized the cen-

tral legend of a Chosen People. It is this orthodox remnant and its behavior and influence, the repercussions it evokes and the dangers to which it has exposed the whole Jewish community, which constitutes the Jewish problem."

THE JEWISH INFLUENCE UPON THE DEVELOPMENT OF WESTERN CIVILIZATION

The emergence of Christianity from the womb of its parental religion, Judaism, provided the Hebrews of Ancient Judea with a method by which they might ensnare the minds of the healthy, pagan citizenry of the surrounding Roman Empire with their "CHOS-EN PEOPLE" myth and thus liberate tiny Judea from Roman domination. The Jewish leadership of the early Christian sects undermined the pillars of the Imperial Roman Empire by converting the teeming masses of oppressed plebeians into fanatical religious zealots who became spiritually emasculated by the equalitarian dogma of the Christian faith which has always attempted to disparage the strong and eulogize the weak **THUS SEEKING TO CONTRADICT THE IRON LAWS OF NATURE BY WHICH THE UNIVERSE FUNCTIONS.** The teachings of Jesus Christ, as interpreted to the Romans and Greeks by his Jewish disciples, concerning the intrinsic value of the poverty-stricken, the meek, the weak, and the humble who were to inherit the Kingdom of God (or "pie in the sky after they die") as opposed to the wealthy men, the successful land owners, the strong, and the traditional empire-builders, who were all destined to roast in the fires of Eternal Damnation after their earthly demise, provided the skilled Jewish agitator, Saint Paul, with the necessary trigger mechanism to fire the passions and resentments of the Roman peasantry against their hereditary rulers. Saint Paul, like all other priests, ministers, rabbis, and spiritual charlatans, claimed to speak "IN THE NAME OF GOD" in order to realize his very mundane objectives. Humanity has yet to evaluate properly the tinsel emptiness and smallness of these "GODS" which have been created in man's own image. These "GODS" with their petty, human interests and connections—their hatreds, rages, loves and vanities; their craving for praise and sacrifice, and

their demands for faiths contrary to reason and nature, ARE BUT POOR REFLECTIONS OF IMMATURE HUMANITY! Osiris, Bel-Marduk, Moloch, Baal, Zeus, Jupiter, Ishtar, and innumerable other divinities have vanished into the musty tomes of antiquity when the minds and bodies of their last human worshippers had crumbled into dust! The Roman Empire began to disintegrate when its peasant masses became infected with the twin plagues of civil disobedience toward higher authority and pacifism, the latter of which is an essential ingredient of all Oriental religions, inclusive of Christianity, Islam, Buddhism, and Hinduism. Civil disobedience and revolutionary disorder are hallmarks of the Jew which he carries with him like a contagion wherever he settles. **PACIFISTS ARE USELESS AS SOLDIERS BUT DEADLY AS BREEDER OF INTERNAL DISRUPTION AS BOTH THE CAESARS OF IMPERIAL ROME AND LYNDON B. JOHNSON HAVE LEARNED TO THEIR DISMAY AT WIDELY VARYING PERIODS OF HUMAN HISTORY!**

Under Jewish intellectual guidance Christianity eventually captured Rome and the Eternal City became the spiritual center of a faith whose ultimate purpose was to conquer the collective mind of pagan humanity by imposing upon it the collection of antiquated mythological drivel from ancient Babylon and Egypt intertwined with the CHOSEN PEOPLE canard WHICH COMPRISE THE "HOLY BIBLE" OR TRIBAL LEGENDS OF THE ORIENTAL SEMITIC GROUP KNOWN TODAY AS "JEWS." Certain pagan ceremonies and institutions were skillfully woven into the fabric of the hybrid theological monstrosity which became known in the Western world as "Christianity." Thus the Cult of the Vestal Virgins was converted into the nunnery of the Roman Catholic Church, the priests of Isis (known to worshippers in Alexandria, Egypt as "THE HOLY MOTHER OF THE INFANT GOD, HORUS"), Mars, Jupiter, etc., became the new priesthood of the Roman Catholic Church, the Roman Feast of the Saturnalia, or celebration of the winter solstice, was transformed into Christmas, commemorating

the birth of Christ, while the official title (PONTIFEX MAXIMUS OR SUPREME PONTIFF) was conferred upon the Roman Pope in mimicry of the exact same title held by the Emperors of Imperial Rome. Even the palanquin upon which is carried "THE VICAR OF CHRIST ON EARTH" as well as the sceptre in his hand and his garments, as well as the ancient ceremony of kissing the Pontiff's foot HAVE BEEN BORROWED IN TOTO FROM THE POMP AND GRANDEUR OF CAESAR'S PAGAN ROME. The Yule Tree ceremony of the Nordic tribes was incorporated into Christian dogma as "The Christmas Tree" as Christianity moved slowly northward into Germany and Scandinavia.

Under later Gentile leadership the Roman Catholic Church proclaimed the Jews as "CHRIST-KILLERS," guilty of the crime of Deicide, while simultaneously proclaiming their Church as "THE NEW ISRAEL" to whom Jehovah had made his promises of world domination in the 'OLD TESTAMENT.' By fleeing into self-imposed isolation in the European ghettos the Jews were purged physically from Christendom but their spiritual taint remained attached to its creed DUE TO THE RETENTION OF JEWRY'S "HOLY BOOK" AS THE FOUNDATION STONE OF CHRISTIAN THOUGHT. The timeless struggle between the aggressive spirit of conquest and the desire for knowledge which are the fundamentals of the Aryan soul and the alien, Oriental thought patterns which had been artificially grafted upon the Aryan mind by the Judeo-Christian ethic can be seen in the vicious suppression of scientific thought by the clergy, in collaboration with the feudal lords, who combined in an UNHOLY ALLIANCE to place a mental strait-jacket on the minds of the Aryan peasantry in Europe. Only blind ignorance and cow-like faith in ancient superstition could hope to prevent ultimate rebellion against an unjust order of society HENCE ALL SOURCES OF KNOWLEDGE WERE KEPT LOCKED UP IN THE MONASTERIES WHILE THE FEUDAL LORDS AND PRINCES OF THE CHURCH WAXED FAT AND PROSPEROUS ON THE SWEAT OF THE PEASANTRY. In

exchange for their endless labor they were offered "JOYS IN THE KINGDOM OF THE HERE-AFTER." Galileo, who invented the telescope, was forced to recant his terrible heresy that the Earth was not the center of the universe ON PAIN OF HAVING MOLTEN LEAD POURED DOWN HIS THROAT FOR DARING TO SUGGEST THE FALLABILITY OF THE "HOLY BIBLE." Galileo was imprisoned for life when the Roman Pope refused to glance through his telescope which was termed "AN INSTRUMENT OF THE DEVIL." Great men like Servetus and Giordano Bruno were burned alive FOR HAVING THE TEMERITY TO SUGGEST THAT OUR PLANET WAS NOT FLAT AS STATED IN THE "HOLY BIBLE." The works of the renowned Danish astronomer, Copernicus, were suppressed by the clergy for similar reasons.

Organized Christianity was directly responsible for such monumental horrors as the Holy Inquisition, the butchery of the Protestant Huguenots by French Catholics, the murder of English Catholics by English Protestants, and the hideous cataclysm of the "THIRTY YEARS WAR" in which the bulk of the population of Central Europe was physically annihilated with actual cases of human cannibalism being recorded in supposedly civilized Europe as a result of this tragic religious conflict! As was so accurately stated by Baron d'Holbach in his "GOOD SENSE," printed in 1772:

"When we see polished and wise nations such as the English, French, German, etc., notwithstanding all their enlightenment, continue to kneel before the barbarous God of the Jews, that is to say, of the most stupid, the most credulous, the most savage, the most unsocial nation which ever was on earth; when we see these enlightened nations divide themselves into sects, tear one another, hate and despise each other for opinions, equally ridiculous, upon the conduct and intentions of this irrational God; when we see intelligent persons occupy themselves foolishly in meditating on the wishes of this capricious God; we are tempted to exclaim, "Oh men! You are still savages! Oh men! you are but children in the mat-

ter of religion."

During the Medieval period the Jews had isolated themselves from Christendom in their "ghettos" where they became totally subjugated to their "rabbis" or teachers of the "MOSAIC LAW" and Talmudic prophecy. Their deep study of finance, money-lending, and currency speculation permitted them to gain dominance in world affairs once they emerged from their ghettos. They entered their spiritual cocoons like slinking caterpillars seeking escape from an aroused Christendom and emerged centuries later as the brightly glowing butterflies of High Finance, the Rothschilds, Monds, Baruchs, Sassoons, and Bleichroeders, WHO BECAME MERCHANT PRINCES AND FINANCIAL LORDS OF NORTH AMERICA AND WESTERN EUROPE. While the Aryan world had been embroiled in senseless religious wars and weighty philosophical arguments on the number of angels that could dance on the head of a pin, THE JEWS HAD BEEN CEMENTED TOGETHER BY THEIR MESSIANIC RELIGION AND LEARNED THE ARTS OF HIGH FINANCE, LAW, AND GOVERNMENT DURING THEIR PERIOD OF SELF-IMPOSED CONFINEMENT. A future world of Gentile wage slaves dominated by Jewish capital and governed by Jewish law in a One World Messianic Kingdom of the future was envisioned by World Jewry, still bewitched by its ancient dream. The resulting catastrophe to the Aryan people was adequately described by Walter Rathenau, the first Jewish leader of Germany's Weimar Republic, in a book by Count H. Kessler entitled, "THE LIFE OF WALTER RATHENAU":

"The epitome of the history of the world, of the history of mankind, is the tragedy of the Aryan Race. A blond and marvelous people arise in the North. In overwhelming fertility it sends wave upon wave into the southern world. Each migration becomes a conquest, each conquest a source of character and civilization. But with the increasing population of the world the waves of the dark people flow ever nearer, the circle of mankind grows narrower. At last a triumph for the South, an Oriental religion (Christianity)

takes possession of the northern land. They defend themselves by preserving the ancient ethic of courage. And finally the worst danger of all: industrial civilization gains control of the world, and with it arises the power of fear, of brains and of cunning, embodied in democracy and capital."

Thus Rathenau described the fall of the ethic of courage and heroism in the pagan world and its replacement by the equalitarian and levelling creed of Christianity and the final conquest by Jews through "DEMOCRACY AND CAPITAL" or rule by the purse. The meteoric rise of the Jewish Consensus in the Western world was described by Georges Batault in "LE PROBLEME JUIF" (1921) as follows:

"There is no people in history so narrowly and so ferociously conservative and traditionalist as the People of Israel, and its national traditions are all religious; we find ourselves in the presence of this unique, strange, and bizarre composition—a people—religion and a religion—people, the two ideas are inseparable . . . Humanity changes, empires arise and fall, ideals spring up, become resplendent, and are extinguished, the Jew remains, Judaism remains clothed in its fierce exclusivism, hoping all from the future, indefatigable, superhuman, inhuman . . . A people without land, wandering nation, dispersed race, they preserve a country—their religion . . . ever pursuing the mirage of a golden age, a new era, a messianic time when the world would live in joy and peace, subject to Yahveh, serving his Law under the rule of the sacerdotal people, who had been prepared by trials for the attainment of this hour . . . This most conservative among peoples is justly reputed as being possessed by a spirit of indomitable revolt . . . they are eternally unadaptable, and can only hope for subversion . . . Revolutionaries by doctrine, since all messianism declares the destruction of all existing order . . . the Jews have drawn profit from all revolutionary movements in history since the fall of the Roman Empire. At the Renaissance, a time of perpetual uprising, they lent money to Princes and merchants, and were well considered; again at the Reformation they took advantage of religious schisms to further their

own beliefs. From the Revolution of 1789 came the emancipation of the Jews in France, and their principal advocate was Mirabeau, largely under the influence of Moise Mendelssohn and Dohm; the revolutions of 1830 and 1848 brought further ameliorations to them."

Jewish wealth never benefits the nations in which they reside since it remains within the closely knit circle of the Jewish community which steadfastly refuses to assimilate with their Gentile hosts. The attitude of the Jew toward the Gentile nations in which he lives and prospers has been admirably summed up by the noted Zionist author and lecturer, Dr. Jacob Klatzkin, in his book "KRISIS UND ENTSCHEIDUNG," published in 1921:

"We are not hyphenated Jews: we are Jews with no qualifications or reservations. We are simply aliens; we are a foreign people in your midst, and we emphasize, we wish to stay that way. There is a wide gap between you and us, so wide that no bridge can be laid across. Your spirit is alien to us; your myths, legends, habits, customs, traditions and national heritage, your religious and national shrines, your Sundays and holidays . . . They are all alien to us. The history of your triumphs and defeats, your war songs and battle hymns, your heroes and their mighty deeds, your national ambitions and aspirations, they are all alien to us. The boundaries of your lands cannot restrict our movements and your border clashes are not of our concern. Far over and above the frontiers and boundaries of your land **STANDS OUR JEWISH UNITY** . . . Whosoever calls the foreign land a Fatherland is a traitor to the Jewish people . . . Jewish heroes in foreign wars mean nothing to us. The Jewish people has no reason to decorate them with medals; they are not Jewish heroes . . . A loyal Jew can never be other than a Jewish patriot . . . We recognize a **NATIONAL UNITY OF DIASPORA JEWS**, no matter in which land they may reside. Therefore, no boundaries can restrain us in pursuing our own Jewish policy . . . The Jewish religion is rich in "hedges" which keeps our community intact from foreign influences . . . In contrast to other religions, ours is not a collection

of dogmas and tenets but a **CODE OF LAWS** and thus by keeping and practicing these laws we have demonstrated our right of self-determination, that is, being governed by our **OWN LAWS** in everyday life. We have lost our State, but not the Constitution; we have kept and preserved the latter one as a "portable State" which, in fact, enables us to enjoy a sort of national autonomy in the Diaspora . . . The secret of a 2000 year old extraterritorial Jewish reality is the secret of the Jewish religion . . . It kept us bound to one another in unity, segregated just for ourselves; even in dispersion it kept us as a nation within a nation; as a State within a State . . . We were never just a religious community . . . A strong wall, erected by ourselves, separated us from the host-nation, and behind the wall, there existed the Jewish State in miniature . . . The gap is much too great between Israel and the other peoples . . . Not the slightest feeling of belonging to German nationality can be found in the Jewish consciousness . . . We have even judaized their language, too; it is fittingly called "Yiddish" . . . We can only live freely among peoples who have not yet reached their national maturity; therefore, we'll lose our overseas colonies when America reaches that stage, **AND ITS PEOPLE WILL COME OUT OF THE "MELTING POT" AS A NATIONAL UNITY.**"

After reading Klatzkin's ravings we can readily understand why Jewish organizations seek to destroy respect for the flags, national shrines, and patriotic feelings of the host-people among whom they live. Their attempts to mongrelize the White racial stock in America while simultaneously stirring up civil disobedience and disrespect for our American flag is also explained by Klatzkin's fulminations. **JEWISH UNITY CAN ONLY BE PERPETUATED IN A STATE WHOSE PEOPLE HAVE LOST ALL SENSE OF RACIAL AND NATIONAL PRIDE!** Only then could the alien nature of the Jew remain hidden to his Gentile hosts! Hence we find the Jew behind all phases of revolutionary and anti-nationalistic agitation.

ARE SCIENCE AND COMMUNISM DESTROYING JEWISH UNITY?

There are two basic reasons why

this centuries old Jewish messianic dream is beginning to crack and fall apart at the seams. We may enumerate these reasons as follows:

1. In the Western world, particularly in the United States, the lack of outside pressure combined with increased knowledge of the mighty universe around us and the Natural Laws which govern it have caused untold thousands of young Jews to abandon the absurd messianic beliefs of their forefathers and the rabbinate. These young Jews fear ultimate retribution from an aroused American citizenry once their fallacious "ONE WORLD" theory has led the West to the brink of racial extinction. Our nation, governed by a graft-ridden bureaucracy, has become a cesspool of anarchy, civil disobedience, rioting Negro mobs, and ever-increasing criminal activity under the intellectual leadership of Zionist Jews. THESE YOUNG JEWS WANT A QUICK ESCAPE HATCH TO ELUDE THE INEVITABLE RECKONING AT WHICH TIME JEWISH BLOOD MAY FLOW LIKE RICH, RED WINE IN THE GUTTERS OF EVERY AMERICAN CITY. Other Jews are simply fed up with being spiritual pariahs in every nation which grants them hospitality due to the insane delusions of their hierarchy.

2. Zionism and the messianic opium dreams of the Jewish rabbinate have been outlawed in the Soviet Union because two totalitarian systems cannot rule a state in unison. While Hitler sought to physically expel the Jews from Central Europe by proper anti-Jewish legislation, the Russians have merely sought to fully integrate the 3 million Soviet Jews into Russian life. The Jewish leadership fears this method of destroying the Jewish identity far more than they feared Hitler, whose alleged persecutions of Jews have raised billions of dollars for Jewish defense organizations and militant Zionists. We quote from "L'UNIVERSE-ISRAELITE" (Sept. 7-14, 1934):

"In the USSR Judaism and Christianity have been buried together. They sleep in the common grave reserved for all religions. The Communists have made no difference between cults . . . Their philosophy was scientific materialism, they denied the value of all religion, thus they struck at Judaism as at all religions. It is forbidden to give religious instruction to children under 18. At school it is explained to the pupils that they will betray the revolution if they put foot within the church or synagogue. With the result that the synagogues are empty . . . Zion-

ism is banned. To the Communist Zionism is doubly reprehensible, first because they believe it to be in the service of British Imperialism . . . Whoever defends the cause of Zionism is severely punished; Zionists have been imprisoned, exiled, and even shot. The suppression of Zionism and of religion was a great tragedy for the Jewish spirit . . . The children, victorious, pursue their object (Communism) with the certainty of having chosen a superior mode of Life."

We find the metaphysical impulse which holds the Jewish people together vanishing beneath the hammer blows of scientific enlightenment and fear of a just retribution in the Western world. Simultaneously the Jews of the Soviet Union are giving up their Talmudic superstitions and merging with the Slavic and Oriental peoples around them. ONLY 24 JEWS REMAIN IN RED CHINA FROM A POPULATION OF 25,000, THE REST HAVING EMIGRATED TO ISRAEL OR AUSTRALIA! Therefore let us not be overly surprised to find many young Jews joining Racial Nationalist, anti-Jewish movements in their respective countries SEEKING REVENGE ON THEIR INSANE LEADERS AS THE DAY OF INEVITABLE RETRIBUTION DRAWS EVER NEARER!

WILL ASIATIC HORDES SUBMERGE THE LIGHT OF WESTERN CIVILIZATION? (Part 3)

James H. Madole

The military hordes of Red China swear fealty to Mao-Tse-Tung, the 20th Century Genghis Khan.

The Red Guards, militant children of the Chinese Dragon, shriek their hatred and defiance of the white nations.

A WARNING TO AMERICA

Many readers of the "NRP Bulletin" have been asking when my series of articles on the political and military situation developing in Asia would be completed. I regret to say that the prodigious amount of research, translation from foreign sources, and documentation of facts, which has gone into this series has resulted in a delay of more than two years before we could prepare the final two episodes for printing. We urge our readers to recall the accuracy of our predictions in February, 1965 concerning the terrible efficacy of the Chinese system of defensive warfare from subterranean tunnels which have been constructed both along the mountainous frontiers between Red China and the Soviet Union as well as within the swamps and jungles of Southeast Asia. The grim truth of this prophecy has been catastrophically demonstrated to the American public in 1967 - the bloodiest year of carnage we have yet witnessed in South Vietnam.

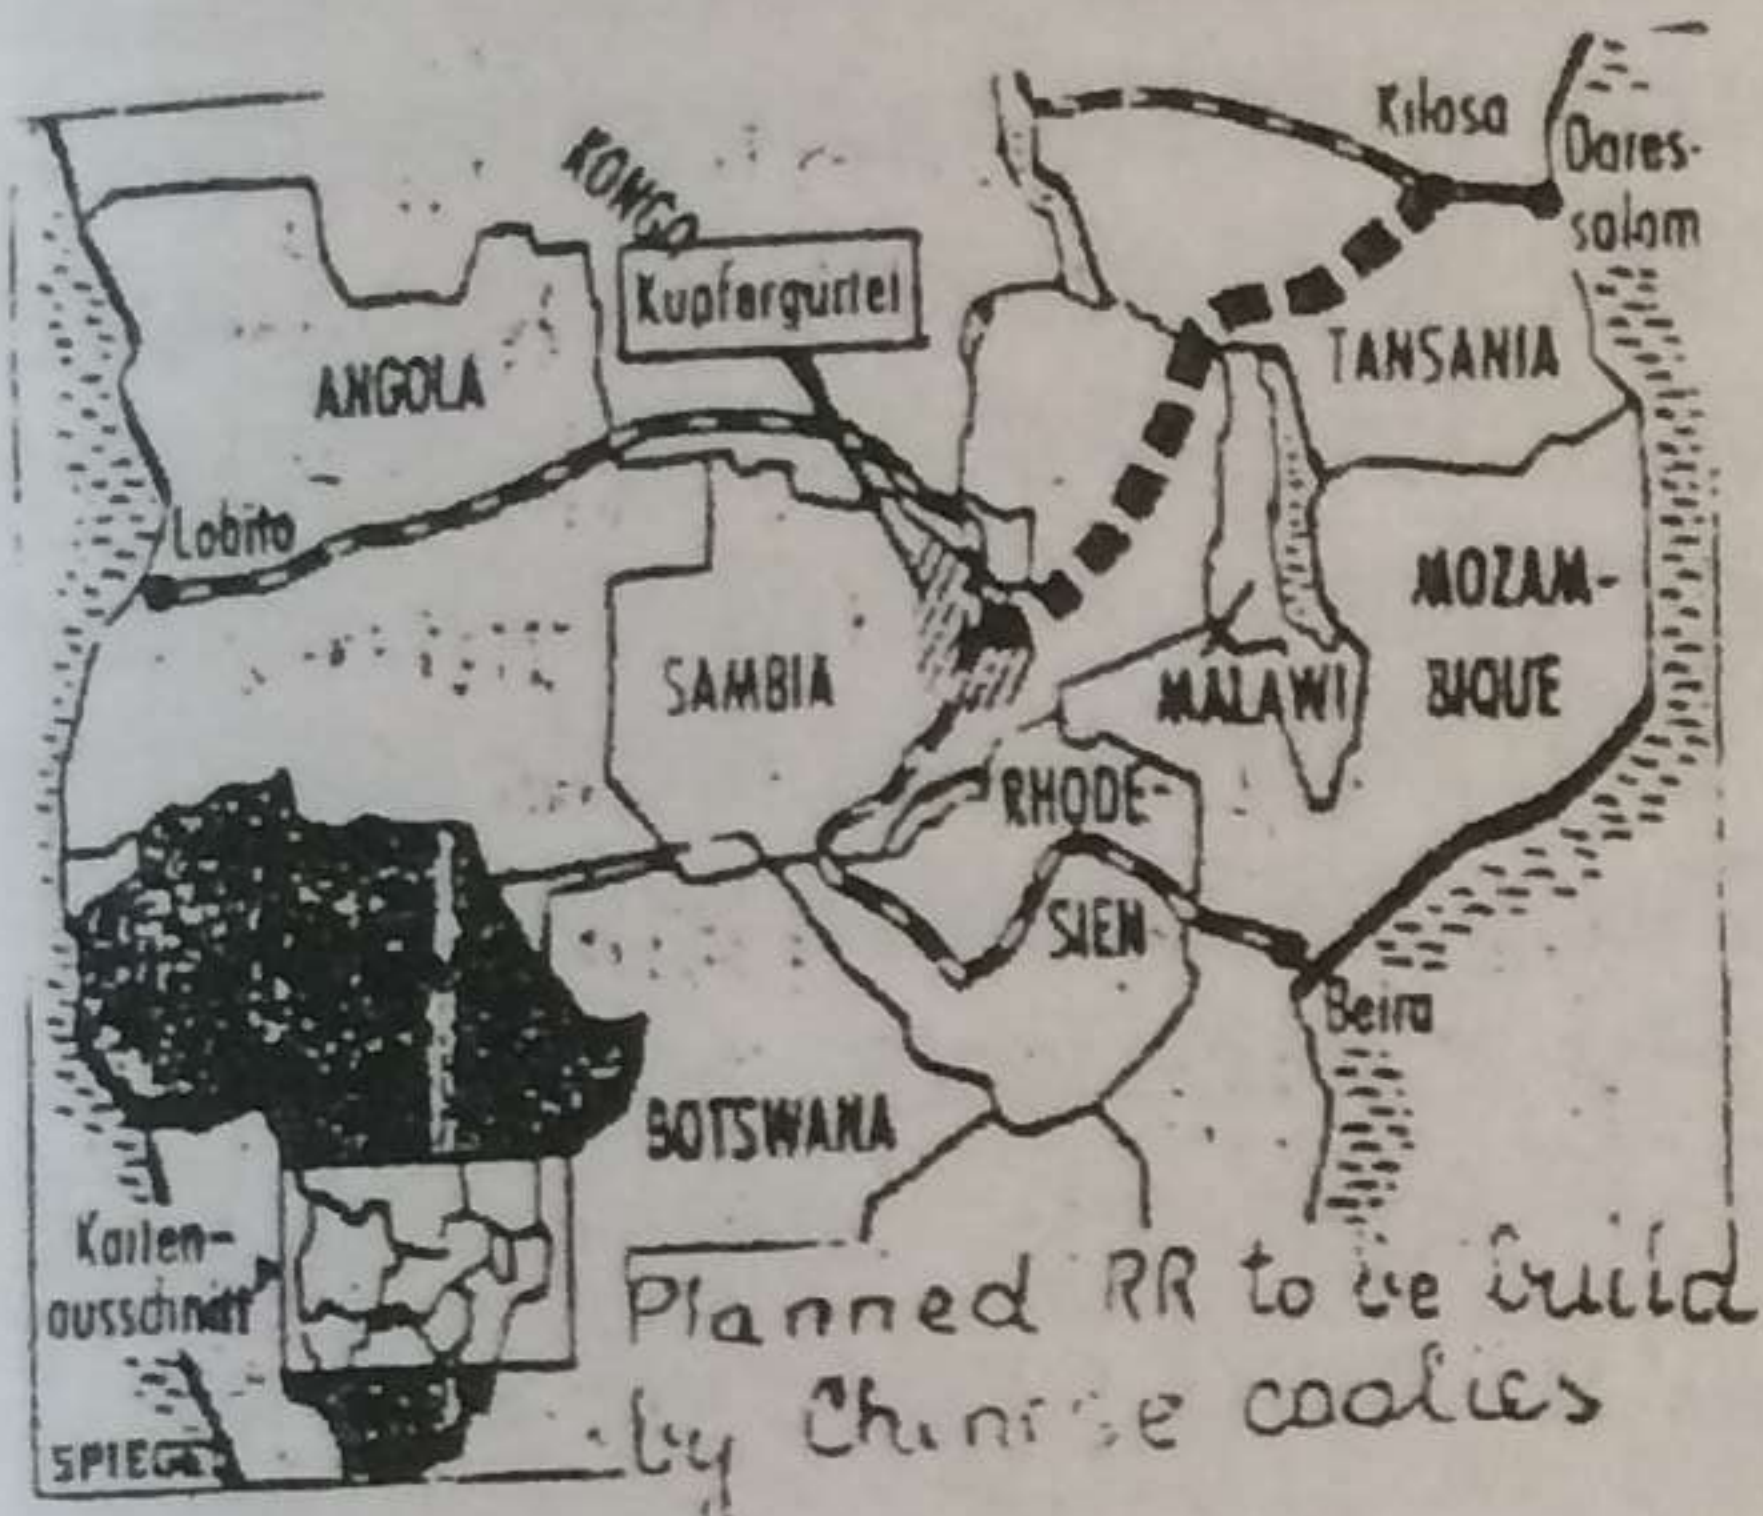

North Vietnamese troops, whose counterparts have defied America's Military Power for 6 years, march in Hanoi.

By admission of U. S. authorities over 3037 jet aircraft and helicopters have either been lost in battle or destroyed on the ground by a 16th rate military power; namely, the Ho-Chi-Minh regime of North Vietnam while our Pentagon admits that a heavier bomb load has been dropped on that miniscule nation than was dropped on Europe during the entire course of World War II! Did our publication not point out that Asian industrial potential was not centralized and could not be destroyed by means of the "invincible aerial armadas" which Roosevelt used to devastate the cultural treasures of Cologne, Dresden, Berlin etc. ? The total result of these massive aerial bombardments of North Vietnam has been virtually nil. While enemies of the NRP love to depict our leaders and writers as "crackpots" and "members of the Lunatic Fringe" how can these great intellects of both the Liberal and Conservative Establishments explain why the NRP's predictions and warnings on foreign policy, military affairs, and domestic politics have proven almost invariably to be correct in contrast to their own respective "comedy of errors" ? I can state without qualification that our movement is better informed concerning present and future military and political moves in the chess game for world power than either the President of the United States, the U. S. State Dept. or the Pentagon! The record and past accuracy of NRP predictions regarding domestic and foreign affairs speaks more loudly than all the denunciations hurled against us by the Jewish Liberals of the Left or the apostles and spokesmen for the vested interests of wealth and property as represented by the Conservative Right. Both of these credos place economic considerations ahead of nationalism or racial pride hence both factions lack the ability to comprehend the monumental threat to WESTERN CIVILIZATION posed by 800.000.000 Chinese fanatically determined to lead a world colored revolt against the "WHITE RACE" ! Despite the continued opposition of the existing American Power Structure to the NRP stand on world and national affairs, I am deeply heartened by the fact that ever more American colleges and universities have requested back files of the "NRP-Bulletin" for their respective libraries. Even more significant is the fact that UNIVERSITY MICROFILMS, INC. of Ann Arbor, Michigan has signed a formal contract with our party secretary for the exclusive rights to microfilm our publications on a yearly basis for sale to public and university libraries throughout the world.

Before discussing the historical and philosophical background of the Asian Revolution, whose volcanic rumblings can now be heard and felt throughout the vast areas of the globe inhabited by the dark-skinned races of mankind - including the United States - let me pause to give a warning to America concerning the Chinese penetration of the African continent. When the invasion of the Sinai Peninsula by Israeli forces brought about the closing of the Suez Canal the shipping routes of world trade were altered in such a way that the port cities of South Africa and Portuguese Angola once again assumed a role of major importance in the business and trade circles of Europe and North America. All major powers have been forced to purchase super tankers and ship their cargos around the Cape of Good Hope by way of Cape Town and Lobito. As a result of the new and vital role played by South Africa and Portuguese Angola in world commerce the hate campaign instigated by Jewish Liberals and Christian religious zealots in the British and American press against the "apartheid policy", which prevents 3 Million creative white people from being submerged in a colored tidal wave of 10 Million non-creative blacks, has been virtually silenced! Even the hysterical outcries against the Ian Smith government of Rhodesia have become muted.

The Black African, not understanding this sudden desertion by their Liberal allies in the West, have struck back by opening the floodgates to Chinese penetration of Central Africa. For the last 10 years the Black government of Zambia has sought to interest the French, British, Americans, and Japanese in building a railroad which would connect the vast uranium, copper, manganese, and cadmium deposits of Central Africa with the sea coast in Tanzania. This immense wealth would be shipped to the outside world through the Tanzanian seaport of Dar-es-Salaam, the terminus of this proposed Central African railroad. Since the Zambian government lacked the financial stability to pay for the skilled labor and heavy equipment required for this immense task of jungle clearing and construction all the nations approached had voiced a lack of interest. However, in September, 1967 the governments of Red China and Zambia reached an

agreement whereby this vast project would be undertaken without use of heavy equipment. The Chinese have agreed to ship over 100,000 coolies to Zambia & Tanzania in order to build mostly by hand this rail line through the jungle belt to the sea coast. Zambia may repay the cost whenever she is able, most likely never, but the Mao-government insists on the right of their hordes of workers to settle in and become citizens of Zambia! This would place a vast Chinese population directly astride one of the greatest mineral and uranium belts in the world and the penetration of Africa by Asia would be wellunder way. While stupid American Liberals are

screaming about "racial equality" and turning over the riches of Rhodesia and South Africa to the primitive Blacks, these apostles of humanism might consider the examples of Zambia and Tanzania wherein Red China, in her role as Messiah of the Colored World, has reaped so vast a profit from the White man's stupidity in giving up his rulership over these primitive aborigines. Asia stands prepared to demonstrate the art of ruthlessness and "empire building" to the decadent "apostles of human brotherhood" who pose as rulers of the Western democracies.

CAN WESTERN MAN UNDERSTAND THE REVOLUTION IN CHINA ?

=====
 If a nation or an individual hopes to defeat its opponent the vital prerequisite lies in having an understanding of the psychological, cultural, and philosophical concepts which have shaped the mentality of one's adversary. We must understand that Asia's spiritual and cultural background of Buddhism, Confucianism, Taoism, and Hinduism causes the average Oriental, who believes in either reincarnation or transmigration of souls after death, to view his individual life as but a minute element in a far wider life-course that flows on for thousands of years until a state of ultimate NIRVANA or spiritual non-entity is reached through merit accrued by the human soul in successive incarnations. The Western mind conversely, under the influence of Judeo-Christian beliefs, conceives of but one life time without reincarnation of the spirit terminating in either eternal joy or punishment. The West lacks the infinite patience and devotion to deep contemplation of metaphysical and spiritual values which characterize the oriental mind. We have substituted a form of materialism whose scientific and technological achievements have made the White race dominant on this earth. Our spiritual heritage, envisioning but one life time for mortal accomplishment, has negated the virtue of patience in the occidental mind and life in our Western Nations has become a vast treadmill in which the average human being becomes a slave in the economic rat race to attain enough dollars to sustain his existence from day to day. Wage slaves have little time for contemplation of either spiritual or material subjects.

We Americans have completely failed to see our true position in the general history of mankind. We have completely failed to judge properly our relative importance and, above all, to truly estimate the direction our national policy should take. Thus the territory of the United States is treated by us as a steady pole, a unique patch of land chosen on the surface of this sphere for no better reason, it seems, than because we Americans live on it - and great histories of millennial duration and mighty far-away cultures, like the Chinese, are either made to revolve around this pole in all modesty or are ignored altogether by the general American public. To us, in the Western Society, it is self-evident that the existence of Washington, D. C., Paris, Florence or Athens is more important than that of Lo-Yang.

But is it not catastrophic for us to found our concepts of world history on such shaky and untenable foundations? If this were the proper method of historical evaluation, then the Chinese historian is quite entitled to frame a world history in which our American War of Independence, our Civil War, as well as Europe's entire history since then and before, are passed over in silence as insignificant. That this latter was actually the case - the Chinese have now learned to their greatest sorrow. It took, whether we like it or not, the genius of a Mao-Tse-Tung to arouse his sleeping nation and show his 800 million Chinese subjects how utterly ridiculous - and dangerous - it is to treat the whole of European and American history, unproved and disordered, as a mere appendix-matter in relation to China's well ordered and well probed 6000 year long history.

The most appropriate designation of our current American scheme of history, in which all great Cultures are made to follow orbits around US as the presumed centre of ALL world-happenings, is the PTOLEMAIC system of history in contrast to the COPERNICAN discovery in the historical sphere. (Those familiar with the science of astronomy will recall the ptolemaic system as the fallacious belief that our planet, Earth, was the centre of the universe around which the sun, planets, and fixed stars revolved. This early belief was shattered by Nicholas Copernicus, the famed Polish astronomer, whose scientific findings placed our Earth in its proper aspect as one of the nine planets circling the sun in elliptical orbits to form the Solar System which, in turn, is but a minute part of an immense galaxy of stars contained within the infinite vastness of space.)

If we expect to survive as a nation we had best to speedily convert our antiquated ptolemaic version of history into a modernized and factual COPERNICAN system which does not mistakenly visualize a privileged and exalted position for our Judaized and Niggerized "American Culture" vis-a-vis that of other Cultures in general and Chinese Culture in particular. Hitherto in formulating world policies the United States has squandered an incredible amount of intellect and power in false directions. This has been so mainly because Americans have failed to realize that in the present global struggle, neither the Soviets nor the Western Powers will have the least chance of winning the moment those "neutrals", those "non-aligned" nations, realize and become aware of their own POWER..... and utilize this power for their own benefit instead of placing their unlimited resources at the disposal of either Moscow or Washington as a help in their struggle for world-hegemony. The numerically strongest group among these "neutrals" are of course the 1,200 million Asians. And among these, the 800 million Chinese undoubtedly have the best chance to become the undisputed leaders of those "non-aligned" nations which have finally discovered that liberty and bread grow on one and the same tree. Therefore, with Red China leading a world revolution by the colored masses throughout the en-

tire globe, it now becomes decisive whether or not we properly comprehend the world-changing events in Eurasia in general and those in China in particular. The endless patience and untiring, single-minded pursuit of a goal by our Asian enemy may be amply demonstrated by a statement of Mao in October, 1962: "We will win. What's a thousand years to us - or a million temporary reverses? 'We will win.'"

In the following pages we attempt to show what ACTUALLY caused China to revolt against the West; how far this revolution has progressed; and what ultimately will be the result of this revolution with respect to its impact upon the cultural and political structure of the entire world. If Kung-Fu-Tse demanded millenia ago from every individual "the adjustment of one's own heart", in short a very rigorous understanding of one's own self, as the prime condition "for understanding the world" so let us hope, that the American people have the heart to put themselves, for a moment, in the shoes of a Chinaman and then attempt to picture for themselves how they would think and act in regard to the "outer world". It becomes obvious that this is a difficult task for the Western mind when we realize that the background for all Asian thinking is a concrete INFINITY, the infinity of SPACE and TIME. which no Westerner possesses.

THE PHILOSOPHICAL ROOTS OF THE CHINESE REVOLUTION

=====

Today we are fighting in Vietnam for the professed goal of halting the Chinese Communist advance in Asia so as to make the Orient safe for the blessings of American "democracy" and American "Culture". Saigon in South Vietnam, Vientiane in Laos, and Bangkok in Thailand have experienced this wave of "American Democracy and Culture" in the form of a multi-million dollar Black Market in military and commercial goods, an endless array of saloons and whore houses to serve both Negro and White GI's and their young Asian concubines, thousands of unwanted, illegitimate children THAT WILL NEVER BE ACCEPTED IN ASIAN SOCIETY BECAUSE EVEN THE RELATIVELY PRIMITIVE THAIS, LAOTIANS, AND VIETNAMESE PEASANTS HAVE A GREATER PRIDE IN THEIR RACIAL HERITAGE THAN WHITE MEN WHO GREW UP IN THE WEB OF JUDAIC THINKING WHICH COMPRISES OUR AMERICAN "EDUCATIONAL SYSTEM" etc. To climax matters we now discover that American soldiers, like the nihilistic mobs of bearded, sandalled, and generally unkempt "hippies", "beatniks", "queers", and socially undesirable misfits that comprise "democratic" youth on American college campuses, are getting doped up on marijuana while on military duty in Vietnam! I regret to say that escape from reality through hallucinogenic drugs and sexual orgies, which takes the place of healthy idealism as found in all strata of authoritarian youth, has become a normally accepted routine within the context of "the permissive society" designed by Jewish intellectuals in the United States. Unfortunately Americans, whether military men or tourists, carry this vile mental contagion to all parts of the earth which explains why the United States formerly admired and respected even by her enemies, has now become the most hated nation on earth! Foreigners see reflected in American tourists or GI's the loathsome cultural aberrations of the Jew, whose people mold the environment and thinking of the American Public!

Asian thinking has never been cursed with Liberal Democratic beliefs in the fundamental equality of all human beings. On May 15, 1884 there appeared in the "Revue des Deux Mondes" the following article by Tscheng Ki-Tong:

"After a 10 year long sojourn in Europe, and after profound studies of the cultural institutions and philosophies of the West, I still to this day ask myself in vain which prin-

principle vested in any European or American institution is worthy to be called democratic or liberal".

Tscheng Ki-Tong found ridiculous the specifically Western notion that selection for high political office should be determined by the will of the majority as expressed by the ballot box; that the destiny of a nation should be dependent upon the caprice and thoughtlessness of a majority which, more often than not, is moved by the most base form of emotionalism rather than by the interest and needs of the nation. Ballot box democracy is to my mind more an Anglo-Saxon aberration than a universal Western doctrine. To illustrate: The French Revolution was inspired in the main by English ideas. A thorough analysis of this phenomenon may be found in Spengler's "DECLINE OF THE WEST"!

Tscheng Ki-Tong continued his dissertation as follows:

"If one were to propose the selection of the members of the French Academy of Sciences by the same majority system as exercised now in the selection of the Western state-governing "Elite", one would find oneself exposed to a monstrous and contemptuous laughter. Yet I ask: Is it not much more portentous to select the shapers of our political FATE by the VOICE OF THE MOB than to let a majority of NITWITS judge over the composition of a scientific body? Is there today in Europe the slightest chance that the knowledge, ability, and nobility of character ALONE - regardless of any other "boosting" relationship, can seat a man on the throne? In China - YES, in Europe - NEVER!"

Thus wrote a Chinese in 1884.....and his statements concerning the methods of political selection in China, has been exercised there for over 2000 years! For, long before the Han Dynasty (AD 206-220) Confucianism had become the "state-ethics" and the official basis for the forming of every administrative body in China. Until the alien "thinking in money" made inroads during the 19th century, Confucianism had remained the backbone of this mighty land where it shaped the structure of all phases of Chinese society. The instrument for exercising the observance and perseverance of this Confucian society through the controlled activity of innumerable small and local organisms was the HAN-LIN Academy, founded in 124 B.C. This illustrious and unique state-controlled organization lasted until 1905! Only 200 (and later 232) of the proven masters in the Confucian "Way of Reason" and "Way of Right" were invited 21 centuries ago by Emperor Wu-Ti to his palace and were given the authority to act as a selective board in determining the nomination of any individual Chinese political official..... including the emperor himself. The first members of the HANLIN Academy were selected by the emperor but from then on, until 1905, the members of this illustrious academy were the sole judges concerning the admission of every new candidate. Every 3 years, only 1 Chinese in two million had the good fortune to be elected to this academy of the intellectual and spiritual elite on the basis of an outstanding spiritual capability. Like wild-fire the name of each new member travelled to all parts of this huge land, even into the most lonely peasant hamlet.

So tremendous was the public esteem for the HAN-LIN Academy that not even foreign invaders like the Mongols and Manchus dared to molest a single member of the truly sovereign HAN-LIN Academy. We, in the NRP, who believe in the creation of a "GOVERNMENT BY THE INTELLECTUAL ELITE" may learn much from this marvellous creation of Chinese ingenuity. Nowhere in the entire world has there ever existed such a efficient, all encompassing ETHICAL institution for the control of the cultural and political life of a great nation. It was in many ways reminiscent of Plato's belief in a government by philosopher-kings. Yet, this all-pervading control was exercised in such a tactful way - mainly through Clan association, that the average Chinese citizen hardly felt any "state" intervention at all. Thus a means of

government was achieved and upheld by the most personal and organic of all social forms - the family and the clan. Because the members of this censoring and ethical body had their roots in every stratum of the population, China was the only nation in the world where the city dweller and the rural peasant could live in complete harmony without the clash of interests, which together with the growing alienation of the individual from the society, constitutes the hallmark of our contemporary rootless Western Civilization. Indeed, the difference between the Chinese city-dweller and the peasant cannot be recognized. The spiritual force of long ages of tradition and "elite" rule succeeded in implanting a national conscience unfettered by economic or other artificial means.

That Mao-tse-tung was victorious should surprise nobody. For, this son of a peasant acquired during his long career as a librarian at Peking University a thorough knowledge of the history of his fatherland, and a more than average understanding of the teaching of China's famous thinkers. No wonder that none of his closest collaborators is a "Proletarian", but rather an "intellectual" in the sense of the former members of the HAN-LIN Academy!

And in Red China today, as soon as any question of national importance arises it is initially open for debate among the lower political bodies throughout the entire country. However, as soon as the Politbureau (the modernized version of the HAN-LIN academy), with Mao at the helm, has come to a final decision after carefully weighing the arguments of the lower political bodies, **THIS DECISION BECOMES ABSOLUTE LAW!** These LAWS are respected and observed to the letter by every Chinese citizen. Thus Chinese "communism", quite in contrast to that of the Ukase-producing, ever suspicious, doctrinaires in the Kremlin, resembles more a monastic institution held together by a most rigid discipline such as was found in isolated lamaseries of Forbidden Tibet or in the Buddhist monasteries and temples in China and Southeast Asia. For the benefit of his "Russian brethren" Mao declared and still declares himself to be a "Marxist". But, with the passing of every day, we hear ever more about Mao's deep and purely national feeling which alone permits both he and his advisors to interpret, and judge, the recommendations of the lower political echelons as aired within innumerable assemblies.... whereas in "Russia" only about 6 million "Communists" dictate the law for 200 million "Russians".

Since time immemorial the Chinese despised any orthodox thinking and made out of every exaggerated Logic and Casuistic a laughing stock, not only for the few wise and learned men, but for the entire population! For millenia, the Chinese "Way of Life" had always a down-to-earth practical purpose, and this practical adaptability to any combination of natural and human events surpassed that of every other nation. Up to this present day, the Chinese has never lost for one moment his truly unique sense of REALITY. And we repeat: Only because all his reforms, and his every tactic, remained so much closer to reality, was it possible for Mao and his staff to gain victory over Chiang-Kai-Shek and the unlimited power of his backers..... the military establishment of the United States.

Mao did away with these mortal enemies, just as he did away with the third intruder, the "Russian" Communists! Already we can hear Mao's laughter at those "blind bigots" in the Kremlin; at those non-Russian doctrinaires who seized for themselves the role of Apostles for spreading the "purity", infallibility, and finality of the doctrines of Marx and Lenin. And here we cannot emphasize sufficiently that Mao's boasting in Moscow of being "the real McCoy" in the Marx-Lenin camp is motivated by nothing else than a most clever anti-Russian master plan: to keep the Kremlin doctrinaires eternally split, not only among themselves, but also from the entire world-

Communist camp! Almost daily, the Chinese administration deems it opportune to spread articles in pamphlet form throughout their mighty land about the "Kremlinists" who are unable to "shed their Byzantine skins"; who still believe in the "unerring truth" of their holy bible: "DAS KAPITAL"; who supplant "the original exploration and spiritual mastering of REALITY by various methods of distorted citations and interpretation." The sharp and quick-sighted Chinaman absorbs in delight this polemic against Moscow with its distortion of reality in the name of orthodoxy.

We, here in America, have no idea of the intensity of Mao's spiritual offensive against Moscow (within China's borders). It may shock many of both my left-wing and right-wing readers when they read the following excerpt of a letter by Mao addressed to the

Department of Theoretical Physics in Peking (April 1, 1965):
Mao's article dealt with the symbolic difficulty of modern mechanics, and began by demonstrating Faraday's metaphysical resemblance to Newton whose "forces-at-a-distance" point to a mystical background. And he concluded his dissertation with the following quotation of a speech by Lenin which undoubtedly represents one of the most stupid utterances emanating from the mouth of a "world celebrity":

Lenin: "There is no doubt that the concept of infinite space as understood even by our Soviet Culture, is a Symbol of the first order. However marvellous from the point of view of common human intellect the transformation of the unweighable ether into weighable material; however strange the electron's lack of any electro-magnetic mass; however unusual the restriction of the mechanical laws of motion to but one realm of natural phenomena and their subordination to the deeper laws of electro-magnetic phenomena, and so on - all this is but another confirmation of dialectic materialism".

And then Mao remarked: "Never was greater nonsense uttered by a great man!"

And here is another quote from one of Mao's anti-Soviet pamphlets (May 16, 1965):
". There is no doubt, however REASON may contest it that spatial extension is capable of infinite variety, and it certainly operated differently between a Chinese savant and a Kremlinist. Every physicist - Greek, Russian, Chinese - has dissected "nature" into ultimate elements, and how is it that they have not all discovered the same? Because everyone (and not in the least the Kremlinists) believed - with a naivete that was really a defense of his world-outlook - that all others should have it in common with himself."

In the same pamphlet, Mao criticized the Soviet philosophical interpretation of the Quantum Theory, which despite innumerable experimental proofs to the contrary - would never lead these Russian doctrinaires away from their simple materialistic views that prevailed in the natural sciences of 19th Century Europe. And then Mao continues:

"The acerbity of the criticism of these blind Soviet "enlighteners" shows that there we have to do not with science, but with a confession of an almost Talmudic faith in a stubborn adherence to a creed that will never relinquish the claim to absolute and final infallibility."

Both the Kremlin doctrinaires and those pseudo-intellectuals within our Western orbit who seek to force SCIENCE and REALITY into molds which fit either the political concepts of Russian dialectical materialism or the Judeo-Christian dogma, prevalent in the United States and Western Europe, of the universal Brotherhood of all mankind regardless of RACE, CREED, or COLOR - are seeking to distort

REALITY for their own sinister purposes. We have our crackpot pseudo-scientists like Ashley Montagu and Gunnar Myrdal who, ignoring the disastrous results of forced racial integration in all walks of American life, still loudly proclaim the need for complete assimilation between negroes and whites despite the prodigious cultural gap existant between these racial groups. An entire generation of White children has been deprived of adequate education because our schools use perverted texts written by scientific quacks in the service of the Liberal Jewish Establishment, whose sole purpose is to distort the REALITY of RACIAL INEQUALITY into their preconceived Utopia (patterned on Talmudic myths) of ONE WORLD INHABITED BY A BROWN-SKINNED MIXED RACE WHICH IS TO BE DOMINATED FROM JERUSALEM BY THE HEBREW DESCENDANTS OF ABRAHAM WHO KEPT THEIR BLOOD PURE !

At least the Chinese can dessect REALITY from MYTH; something which neither a fanatic Russian Marxist or a Western Jewish Talmudist has yet been able to do.

Its about time that White people learned to cast out this alien equalitarian thinking which has distorted Aryan Culture UNLESS WE WANT THE CHINESE TO CONQUER AND REMODEL OUR WESTERN SOCIETY IN AN ORIENTAL IMAGE! WE MUST AWAKEN OR PERISH !

America at the Crossroads: Authoritarianism or Chaos?

James H. Madole

A glimmer of light has finally appeared in American scientific circles which previously have always elected to sacrifice the pure truth of scientific fact on the altar of political expediency. At this point three recognized scientific and educational authorities have actually dared to question the sacred Liberal domga that all racial groups are inherently equal. Dr. William Shockley, a Nobel Prize winning American physicist at Stanford University, has stated that our nation is undergoing serious "down-breeding" of its racial stock by the huge illegitimate birth rate among Negroes of low inborn intelligence. Shockley also pointed out a somewhat lower increase among illegitimate

Schism v.1, no.2 (Winter 1970)

children born to Whites of low intellect. Secondly, Shockley stressed that Blacks are, as a rule, born mentally inferior to Whites and that our educational system should reflect this simple genetic fact rather than lowering America's standards of intelligence to meet the needs of aborigines. As an immediate example of this practice, a passing grade in High School geometry was 75% in 1945; it became 65% after the 1954 Supreme Court decision on school integration; and in June 1969 it was lowered to 55% so that 14,000 black geniuses could be released into the American intellectual community!

Meanwhile the Russian and Chinese educational standards are both state-subsidized and require ever-greater degrees of scholastic achievement on the part of their students prior to the granting of any degree. Ultimately this idiocy of accommodating the American educational system to the mental needs of hopelessly primitive racial groups will spell disaster to America's ability to compete with Soviet Russia and Red China both in nuclear research and in the exploration of Outer Space. There is no room for misguided sentiment on the part of Christian zealots when their pious whimperings about "human equality" endanger the welfare of Aryan Man's destiny in the SPACE AGE. When Dr. Shockley presented his views to The National Academy of Sciences, the leading scientific body in the United States, and requested that a study of heredity and its effect on the Race Question be undertaken by that eminent body, he was refused by a vote of 200 to 10! In a similar vein Dr. Herbert E. Warfel was forced to resign his position as superintendent of Caribbean Consolidated Schools in San Juan, Puerto Rico because of a speech delivered to the Rotary Club in which he blamed the violence on American university campuses to the hereditary inferiority of Negro students. Dr. Warfel attributed his information to an article in the "Harvard Educational Review" by Dr. Arthur Jensen, a professor of educational psychology at the University of California, which stressed that Negroes are genetically, and therefore mentally, inferior to White. Tremendous pressure is being exerted by the tax-exempt Ford and Rockefeller Foundations as well as Jewish millionaires who subsidize American educational institutions and scientific research projects to stifle these voices of rebellion in academic circles. Only by understanding the Mes-

sianic religion of World Jewry based upon ancient Talmudic doctrine can we gain an insight into the maniacal will of "God's chosen people" to break down all racial and class barriers in the Gentile World. It was best expressed in a letter from Baruch Levy to Karl Marx as follows:

"The Jewish People, taken collectively, will be its own Messiah. It will attain to mastery of the world through the union of all other human races, through abolition of boundaries and monarchies, which are the bulwarks of particularism, and through the erection of a universal Republic, in which the Jews will everywhere enjoy universal rights. In this new organization of mankind the sons of Israel will spread themselves over the whole inhabited world, and they, since they belong all to the same race and culture-tradition, without at the same time having a definite nationality, form the leading elements without finding opposition. The government of the nations, which will make up this universal Republic, will pass without effort into the hands of the Israelites, by the very fact of the victory of the proletariat. The Jewish race can then do away with private property, and after that everywhere administer the public funds. Then shall the promises of the Talmud be fulfilled. When the time of the Messiah has come, the Jews will hold in their hands the key to the wealth of the world." The Jew, because of his messianic Talmudic beliefs, will always be the spiritual enemy of Aryan Man. By his very nature the Jew must work for the ethical, cultural, and racial destruction of Aryan society. Democracy, or rule by the politically unsophisticated mob, is the tool used by the Hebraic leadership to fuse the hordes of primitive, illiterate Negroes and half-castes, the social outcasts and economic failures in the lower echelons of the White Race, and the starry-eyed religious zealots and budding social reformers among the upper class of White society into the massive base needed to uphold the pyramid of Jewish political and economic power in the Western World. Read again the text of Baruch Levy's letter to Karl Marx and you will grasp the basic psychology of the Jewish mind which makes him forever the mortal antagonist of Aryan Man.

If Aryan Man is to survive and multiply he must learn to see the universe in the light of Cosmic Law rather than de-

vising ridiculous anthropomorphic Gods, shaped from the Hebrew fantasies of the Old Testament, which in turn were plagiarized from still more ancient Babylonian, Assyrian, and Akkadian myths of the Great Flood, Adam and Eve, etc. Under the poisonous opiate of Judeo-Christian mythology our Aryan manhood has been corroded into accepting as virtues such despicable, effeminate characteristics as humility, meekness, glorification of cowardice and weakness on the part of the individual, and love for those who have sworn to destroy us! We forget that 500 million years of organic evolution on this planet demonstrates the inflexible Cosmic Law of necessary struggle between different species of plants and animals coupled with a process of Natural Selection to weed out the unfit and thus assure the *survival of the fittest!*

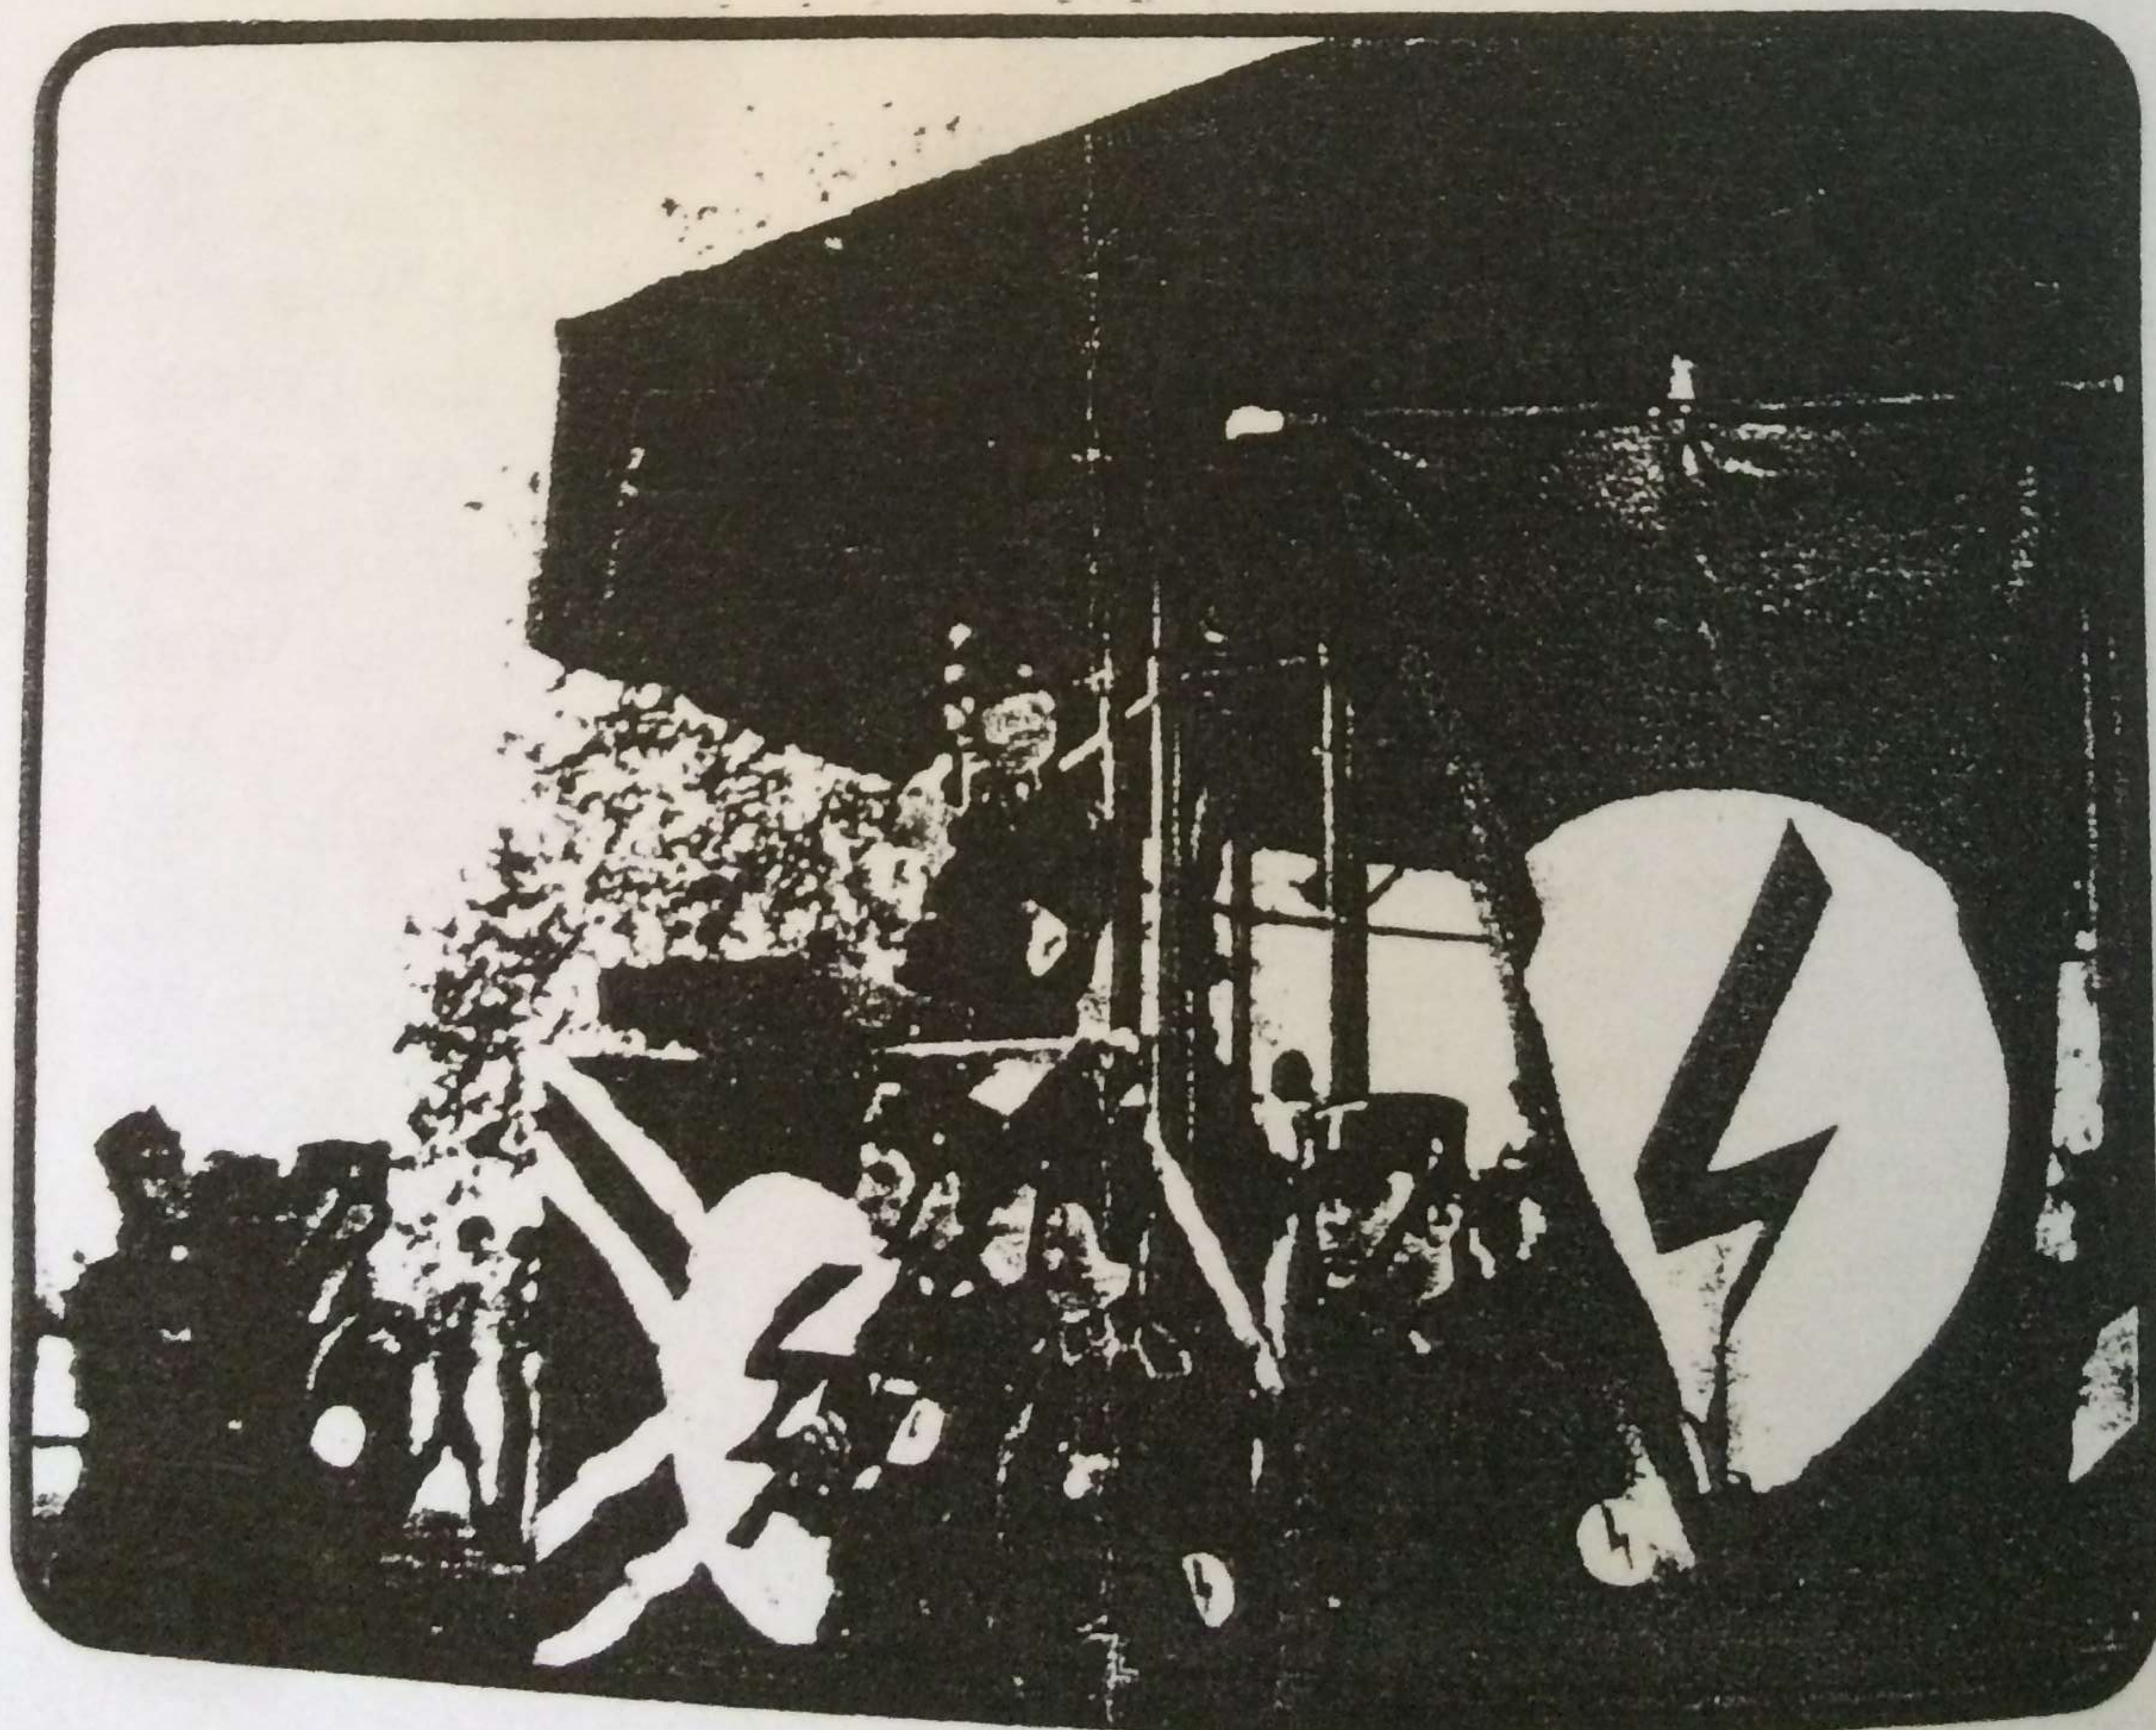

Aryan Man, under Hebrew guidance, has chosen to accept an Old Testament anthropomorphic God, shaped in his own image, and then given further affront to Cosmic Reality by placing words in the mouth of their man-made "God" which directly contravene the Laws of Nature, which we assume must be the Laws of the true Cosmic Divinity else they could not exist! Because Racial Nationalists must learn to combat with logic the delusions of well-meaning Christians who have been ruthlessly deluded into fighting against their own racial interests by a profit-minded Church Hierarchy, I strongly suggest that our readers purchase copies of "The Great Secret" by M. Maeterlinck, a Belgian Nobel prize winner, who traces the history of religion and the true nature of that Cosmic Force we call "God." I might also suggest "The Twilight of the Idols" and "The Anti-Christ" by Friedrich Nietzsche and "Imperium" by Francis P. Yockey as the foundation stones of a needed philosophy for Aryan Man. All can be found on our book list this month.

The myth of racial equality promoted by fuzzy-minded clergymen on soul-saving missions to Africa, by reactionary business entrepreneurs seeking new consumer markets without regard to the racial welfare of America, and by Jewish pseudo-scientists like Ashley Montagu (Ehrenberg), Sir Basil Davidson of "The Lost Cities Of Africa" fame, Ruth Benedict and Gene Weltfish (whose works are usually sponsored by the Anti-Defamation League of B'nai B'rith) has brought Aryan Society to

the brink of doom on the North American Continent. Honest scientists like Dr. William Shockley, Dr. Herbert Warfel, and Dr. Arthur Jensen are fired from their eminent positions or ridiculed into silence by the kept media of communication with the American public. The results of downgrading the racial stock in our nation may be seen by the astronomical rise in the crime rate, particularly in major urban centers where Blacks are fast becoming the chief inhabitants, and in figures put out by the U. S. Census Bureau which point out that approximately 141,000 White Americans were fleeing our cities yearly in the period 1960-1966 but in the period 1968-1969 they are leaving at a rate of 500,000 per annum. With the productive racial elements fleeing to Suburbia our cities can no longer meet their financial needs since the colored population are totally unskilled and a burden on the few remaining taxpayers. Hence Aryan civilization is dying a slow death in the United States as the colored birth-rate soars and the White birth-rate steadily diminishes!

Those who oppose the NRP because of its authoritarian nature must eventually come to grips with the fact that Conservative leadership comprised of men like George Wallace, William Buckley, Jr., and Strom Thurmond is ideologically enslaved to the principles of 19th Century Constitutional government and the Judeo-Christian ethic. If one of these products of a bygone age were placed at the helm of our Ship of State, what steps could he take, under the provisions of Constitutional Law, to halt the Black birth-rate and remove 25 million racial inferiors from our American shores? What remedial action could be taken, under the aegis of that Constitutional document, to smash the political and economic influence of American Jewry which has proven so detrimental to Aryan interests? Only a dictatorship has the unlimited power to act against those racial elements whose very existence within our nation endangers the future survival of Aryan Man? If they continue to breed like rabbits we shall find that under the democratic principle of "One Man, One Vote," with the Constitution still intact, our racial inferiors will vote Aryan Man out of existence or into slavery to primitive savages! Msrs. Thurmond, Wallace, or Buckley would simply be voted out of political office by the future Black majority.

Because I do not subscribe to the ridiculous Judeo-Christian concepts of love, compassion, and mercy toward my enemies and the sworn foes of Aryan Man, I feel uniquely qualified to build this movement. I want the young men in the National Renaissance Party to have the unbridled pride of Lucifer who, upon his defeat by the hosts of Heaven, hurled his defiance in the phrase "Better to reign in Hell than serve in Heaven," I want them to have the physical stamina and relentless perseverance of a pack of timber wolves, I want them to cultivate wisdom and desire for knowledge which can raise their minds to a God-like level and, above all, I want them to hate with a passion to match the fiery pits of hell; for only those who can hate their enemies with a vengeance can know true love for their own Race and Nation! From these young Americans who join us now we shall create a superior race of human beings hampered by the false virtues of humility, love for enemies, meekness, compassion toward inferiors who menace the future of Aryan Man in the Space Age, and charity towards failures. Instead Aryan Man will have the true virtues of courage, devotion toward duty, a mind which seeks out the hidden facets of Nature and uses them to enrich the Racial Community, and pride in his personal and collective achievements. Thus the NRP sends out its challenge to the people of America: *authoritarianism or chaos!*

Is the Concept of Race Evil?

James H. Madole

The chief exponents and political theorists of both Marxism and Capitalism are united in their mutual hatred of those courageous souls who dare to proclaim that *race* and not *economic factors* determines the capacity of a nation to survive and erect pillars for a mighty civilization. The National Renaissance Party believes that *quality* is more essential than *quantity* in building the edifice of a Racial National State on the North American Continent hence we are slowly but surely creating a *leadership cadre* that can withstand both success and defeat yet always return undaunted to the battle for our race and nation. Some few will fall by the wayside because they were fundamentally too weak for this kind of struggle but those who remain after passing through every form of adversity will *be as gods among mortal men!* To these men I look to create an Aryan Empire greater than Imperial Rome under the Caesars or Egypt under the Pharaohs.

The racial philosophy of the NRP dictates that humanity, like all other forms of life, must live in accordance with the immutable Laws of Nature which govern the universe and not seek to develop humanistic, man-made creeds which attempt to nurture and protect those racial elements whose capacity

for civilization and progress is absolutely nil. These un-natural credos, largely promulgated by Jews and Christian religious fanatics, have flagrantly violated *cosmic law* with the result that America is rapidly degenerating into a "Welfare State" overflowing with non-productive, illiterate Negroid-White, Negroid-Indian, and Negroid-Asian hybrids whom the productive Aryan remnant of our population must support through excessive taxation. A mixed race can never form a sufficiently powerful base to support the pyramid of civilization as any tourist who has travelled in Brazil, Central America, the Caribbean Islands or the sub continent of India can tell you from bitter personal experience. Because the NRP places the concept of *race* foremost in its program for the resurrection of White Civilization in the United States both Marxists and Conservatives have reviled us in their periodicals. Both of these fallacious economic dogmas glorify the "mass-man" although both Russian Communism and American Capitalism are confronted with the irrevocable Natural Law which dictates that *quality* will rise above *quantity* through the process of Natural Selection of competition between individuals, nations or races. This holds true whether in a primitive jungle environment or in the steel, glass, and concrete metropolis of modern industrial society. Sometimes when puny humanity becomes "over-civilized" they sink into decadence and make vain efforts to overcome the Laws of the Universe (which are the Laws of the Cosmic Architect or Creator) by encouraging the survival of the weakling and the mindless primitive but those fools who dare to transgress against Nature are ever doomed to retribution through extinction of their species.

The NRP is not concerned with flattering subhumans in order to assure American Capitalist consumer markets in Africa or amongst Afro-Americans and half-castes. Fitness to survive in this universe is determined solely by struggle hence men with high intelligence encased in strong bodies and Aryan women whose beauty, inner strength, and femininity will make them fit mothers and devoted wives. A new humanity, not Capitalist consumer markets, will assure the future mastery of this globe by *Aryan man*. Our leaders will not be "mass-men" or political hacks produced from a ballot box as were Nixon, Johnson, Eisenhower, Truman ad nauseam but rather

men who embody the collective will and genius of our race; the philosopher-kings of Plato incarnated within a God-like personality. These leaders will not be motivated by false humanist considerations but solely by the current needs of the Aryan Race whose collective will they physically embody. The early ancestors of present-day humanity, the Cro-Magnards and Grimaldi men, expressed by instinct their obedience to Natural Law when they first came into physical contact with the bestial Neanderthal species of submen. There was no hue and cry for "civil rights" by our more sensible ancestors. We quote from *Outline of History* by the renowned historian, H. G. Wells: "The appearance of these truly human post-glacial Palaeolithic peoples was certainly an enormous leap forward in the history of mankind. Both of these main races had a human forebrain, a human hand, an intelligence very like our own. They dispossessed the Neanderthal from his caverns and his stone quarries. And they agreed with modern ethnologists, (students of race) it would seem, in regarding him as a different species. Unlike most savage conquerors, who take the women of the defeated side for their own and interbreed with them, it would seem that the true men would have nothing to do with the Neanderthal race, women or men. There is no trace of any intermixture between the races, in spite of the fact that the newcomers, being also flint users, were establishing themselves in the very same spots that their predecessors had occupied."

We know nothing of the appearance of the Neanderthal man, but this absence of intermixture seems to suggest an extreme hairiness, an ugliness, or a repulsive strangeness over and above his low forehead, his beetle brows his ape neck, and his inferior stature. Or he—and she—may have been too fierce to tame. Says Sir Harry Johnston in a survey of the rise of modern man in his *Views and Reviews*: "The dim racial remembrance of such gorilla-like monsters, with cunning brains, shambling gait, hairy bodies, strong teeth, and possibly cannibalistic tendencies, may be the germ of the ogre in folklore." Life has been a constant struggle between opposing species, races, and nations for living space, sustenance, the right to procreate, and the right to dominate lesser species. Every species of living creature, whether plant or animal, struggles for

survival against those who seek to supplant it and Nature and the *Cosmic Deity* through the process of evolution (both mental and physical) will ever develop new, more adaptable, mentally superior organisms. This struggle amongst life forms has been going on for at least 500 million years on this planet alone. The procession of life over this vast time period was beautifully portrayed by A. Merritt in his book: *The Metal Monster*, as follows:

Nor is Jehovah the God of myriads of millions who through those same centuries, and centuries upon centuries before them, found earth a garden and a grave—and all these countless gods and goddesses only phantom barriers by man to stand between him and the eternal forces man's instinct has always warned him are ever in readiness to destroy. That do destroy him as soon as his vigilance relaxes, his resistance weakens—the eternal, ruthless law that will annihilate humanity the instant it runs counter to that law and turns its will and strength against itself . . .

Weaklings praying for miracles to make easy the path their own wills should clear. Beggars who whine for alms from dreams. Shirkers each struggling to place upon his God the burden whose carrying and whose carrying alone can give him strength to walk free and unafraid, himself godlike among the stars . . . Dominion over all the earth? Yes—as long as man is fit to rule; no longer. Science has warned us. Where was the mammal when the giant reptiles reigned? Slinking hidden and afraid in the dark and secret places. Yet man sprang from these skulking beasts . . . For how long a time in the history of the earth has man been master of it? For a breath—for a cloud's passing. And will remain master only until something grown stronger wrests mastery from him even as he wrested it from his ravening kind—as they took it from the reptiles as did the reptiles from the giant saurians—which snatched it from the nightmare rulers of the Triassic—and so down to whatever held sway in the murk of earth dawn. Life! Life! Life everywhere struggling for completion! Life crowding other life aside, bat-

ting for its moment of supremacy, gaining it, holding it for one rise and fall of the wings of time beating though eternity—and then—hurled down, trampled under the feet of another straining life whose hour has struck . . . Life crowding outside every barred threshold in a million circling worlds, yes, in a million rushing universes; pressing against the doors, bursting them down, overwhelming, forcing out those dwellers who had thought themselves so secure.

You can see that Natural Law which governs this universe has no use for cliches about tolerance and "brotherly love." This liberal democratic nonsense is purely a self-destructive impulse on the part of weaklings and misfits to rationalize their failure in the competition of life. Such human failures and freaks of nature as sex perverts, nihilists, religious crackpots seeking utopian phantasms in which the weak always supplant the strong and healthy; these are the sub-humans in our Western Society who combine with racial inferiors to overthrow Western Civilization. We quote from an article entitled, "Der Untermensch," or "Sub-Man," published by the education division of the Nazi SS in 1942. "As night rises against day, as light and shade are each other's eternal enemies, so the greatest enemy of man—of man, the master of this universe—is man himself. Sub-man, the biologically apparently quite similar creation of nature, with hands, feet, and a sort of brain. But it is a very different sort of creature, a terrifying creature—a mere projection of a man. His features may resemble man, but intellectually, spiritually, he is lower than any animal. His inmost being is a cruel chaos of wild, unbridled passions—an unbounded will to destruction, the most primitive desires, undisguised baseness. Sub-man, nothing else! For not all is equal that bears the human face. Woe to him who forgets that! Whatever this earth has produced by way of great works, thoughts, and arts, man has thought of it, created it, completed it. Man contemplated, man invented. Man had but one aim: to work his way up to a high existence, to complete the incomplete, to replace the imperfect with the better. Thus culture grew. Thus the plough came into existence, thus tools, thus the house. Thus man became social. Thus the

family was created, and the nation, and the state. Thus man became good and great. Thus he excelled all other living creatures. Thus he became God's neighbor! But sub-man lived, too. He hated the work of the other. He raged against it—secretly, as a thief; publicly, as a slanderer, as a murderer. Like found like. Beast called to beast. Never did sub-man give peace. For what he needed was semi-darkness, was chaos. He shunned the light of cultural progress. What he needed for his selfpreservation was the morass, was hell, not the sun. And this sub-world of sub-man found its leader: *the eternal Jew! . . .*"

AMERICA'S CHOICE: DICTATORSHIP OR TOTAL CHAOS !
by James H. Madole

How much longer will the American people tolerate being deprived of their right to earn a livelihood (as reflected in the skyrocketing rate of unemployment since our idiotic government's partisanship in behalf of Israel during the "Yom Kippur War" brought on an Arab oil embargo against all nations that refused to demand an Israeli pullback from all Arab territories seized by the Jews in the 1967 Mid East fracas), how much longer will we permit the crippling of major American industries (as witness the destruction and chaos in the trucking, automobile, filling station, airline, plastics, and railroad enterprises brought on by the "Oil and Energy Crisis" created by the flood of American armaments sent winging to Israel by our traitorous politicians), how much longer will we keep in existence a form of government which places, 2,300,000 American soldiers on "Red Alert" and nearly triggers a nuclear holocaust between the USA and Soviet Russia in order to save 3 million kikes on the sand dunes of Palestine? America needs oil not Jews! Our honorary Senator from Jerusalem, Henry "Scoop" Jackson, is now seeking to use our Koshers News Media to focus the attention of a gullible American public on the unpopular big oil conglomerates as the villains in the "Oil and Energy Crisis"! As stated before in our "NRP Bulletin", Senator Jackson long ago sold his rather threadbare soul to the Zionist Lobby in Washington (after he bought it back from Boeing Aircraft) in the hopes of gaining massive American Jewish support for his presidential bid in 1976. By diverting our collective attention from American Jewry, which used its power in the communications media and the world of finance to cause our political hacks to pour gigantic military and financial aid into Israel thus violently antagonizing the entire Islamic World, and placing the justifiable wrath of native Americans on either the oil moguls or President Richard "Watergate" Nixon - Senator Henry Jackson earns his place in history beside Judas Iscariot and Benedict Arnold!

All American patriots owe Dr. William Pierce, Leader of the National Youth Alliance, a debt of gratitude for his exposure of the Jewish multi-millionaire refugee from Hitler's Europe (those gas ovens were far over-rated), Michel Fribourg, who is now the owner of Continental Grain Company in New York City and the biggest grain speculator in the world. According to Pierce the Fribourgs are to international grain trading what the Rothschilds are to international banking. This conniving Jew, finding that Soviet Russia was suffering from a wheat shortage brought on by poor harvest in 1972, made an agreement with the Nixon Administration whereby Fribourg would sell at bargain basement prices over 1/4 of America's entire wheat crop and millions of tons of soybeans, corn, oats

and other grains to the Russian Government! To add insult to injury this big kosher wheat sale which caused skyrocketing food prices in American supermarkets and grocery stores throughout the USA was subsidized by Federal Funds (some \$ 400 million worth of the taxpayers' money donated by our crooked politicians). To show the equal culpability of your "elected representatives" with the alien Jewish speculators let it be known that the Nixon Administration permitted the Kosher gang at Continental Grain Company inclusive of its owner, Michel Fribourg, its Senior Vice President Bernard Steinweg, and Myron Laserson and M. B. Berenblum, to buy up the American wheat crop at deflated prices by keeping a lid of secrecy on the kosher grain deal with the Soviets. When the news finally leaked our wheat prices jumped by 70% but only the Jewish speculators and their "political friends" gained on the stock market !

The summer of 1973 has brought a rapid worsening of America's economic situation involving soaring food costs, the disastrous decline of the dollar on the world monetary market, the constant wild toppling of the stock market caused by the end of the Vietnam War (closing of defense industries with resulting unemployment), and massive governmental corruption as revealed by the Watergate Follies, a shortage of gasoline, fuel oil, and energy due to American government support for Israeli land-grabbers (we can not expect our politicians to deviate from the commands of those Jews who have lined their pockets with gold, can we ?) and now actual food shortages brought on by Jewish grain speculators and unscrupulous profiteers among cattlemen, chicken farmers, produce growers etc.. Costs to the American public are jacked up still further by rapacious Jewish middlemen operating in a strictly non-productive, vampiric sense between our American producers and the highly exploited American consumers. Intelligent observers can easily recognize the simple fact that our much vaunted laissez-faire Capitalist economy is solely geared to prosper during times of war whereas stagnation invariably sets in during prolonged periods of peace! The vast profits to be accrued by unscrupulous speculators, labor czars, industrial management, and individual stockholders in the armaments firms assure that "United Nations Brush Fire Wars" will continue with American G.I.'s used as cannon fodder. What happens, however, when our increasing rates of alcoholism and narcotics addiction together with the steady decline in value of America's racial stock makes our military forces unable to cope with a direct confrontation between the USA and the superbly organized and equipped armies, naval forces, and aerial fleets of the Soviet Union and Red China?

The economic, racial, cultural, and political chaos which is leading our people toward ultimate oblivion as a National state can only be reversed when the racially valuable Aryan element in American life (people of Nordic, Celtic, Anglo-Saxon, Latin, and Slavic origin) finally decide to discard forever the nonsensical Liberal, Universalist, and Equalitarian myths which have been grafted artificially on the Aryan mind and soul by the purely Semitic mythology of Judeo-Christianity! Once this task has been accomplished, and not before, our Aryan racial stock will erect a totalitarian political structure whose purpose is to create a society based on hierarchy, discipline, purpose, and racial destiny. Through a process of selective breeding and gaining mastery of the

genetic code, a process which would give us the ability to scientifically control the type of human being to be created within the mother's womb thus making a race of superior human beings a reality instead of a fantasy, we Aryans in North America shall create the "God Man" who will dominate this earth and fulfill the prophecies of the ancient past! We must, therefore, gear ourselves mentally to sweep away the teeming masses of human junk (Jews, Negroes, half-caste Indians, the nondescript, sub-human products of Judeo-Christian universalist thinking) so that our earthly Aryan Paradise, the New Atlantis, may arise in what is today the United States of America!

If we should falter in our resolve or fail in our World Mission - then a veritable Wagnerian "Twilight Of The Gods" will set in and the gloomy prophecies uttered by Oswald Spengler, the great theoretician of Cyclic History, will come to pass. Study well the following passages from Pitirim Sorokin's "Social Philosophies From An Age Of Crisis" which deal with Spengler's theory of how democracy sinks into decay:

The Parade Of The Conquerors (Fritel) - the mighty World Historical Personality rides down the Avenue Of Time amidst a sea of human debris in order to effect vast changes in the Society and Destiny of mankind!

He embodies the incarnate Will Of Nature!

"At the outset of democracy the field belongs to the responsible, noble, and pure intellect alone. It introduces the bill of rights and equality under the law. Soon, however, it turns out that one can make use of constitutional rights only - if one has money. The leadership passes from the idealist intellect to the

Caesar invading Britain. (Ferris)

shrewd money-maker, the bourgeois. It begins to control the vote and the voters through its political machinery. The press, as a powerful propaganda weapon, becomes one of the most influential and insidious parts of this machinery. Democracy through its newspaper and mass magazine expels the book from the people's mental life. Through the press, "mass education", and mass propaganda, it teaches the people to think less and less for themselves and to accept more and more what is offered by the press (and radio and television). The book world, with its profusion of standpoints that compelled individual thought to select and criticize, is now the possession of only a few. The people read the ONE paper, "their" paper, which spellbinds the intellect from morning to night, drives serious books into oblivion, promotes the books it wants, and kills the books it disapproves of."

"What is truth (under democracy)? That which the press wills. Its commands evoke, transform, and interchange truth. Three weeks of press work and the "truth" is acknowledged by everybody. Mass education tends to shepherd the masses into the newspaper's power area. Of course, there is freedom of speech in democracy, but the press is free to take, or not to take, notice of what the "citizen" says. It can condemn any "truth" to death by simply passing it by in silence, by not communicating it to the world. In lieu of the stake and faggot there is a great silence. Such a press and such mass education pave the way for the Caesars. The dictatorship of party leaders supports

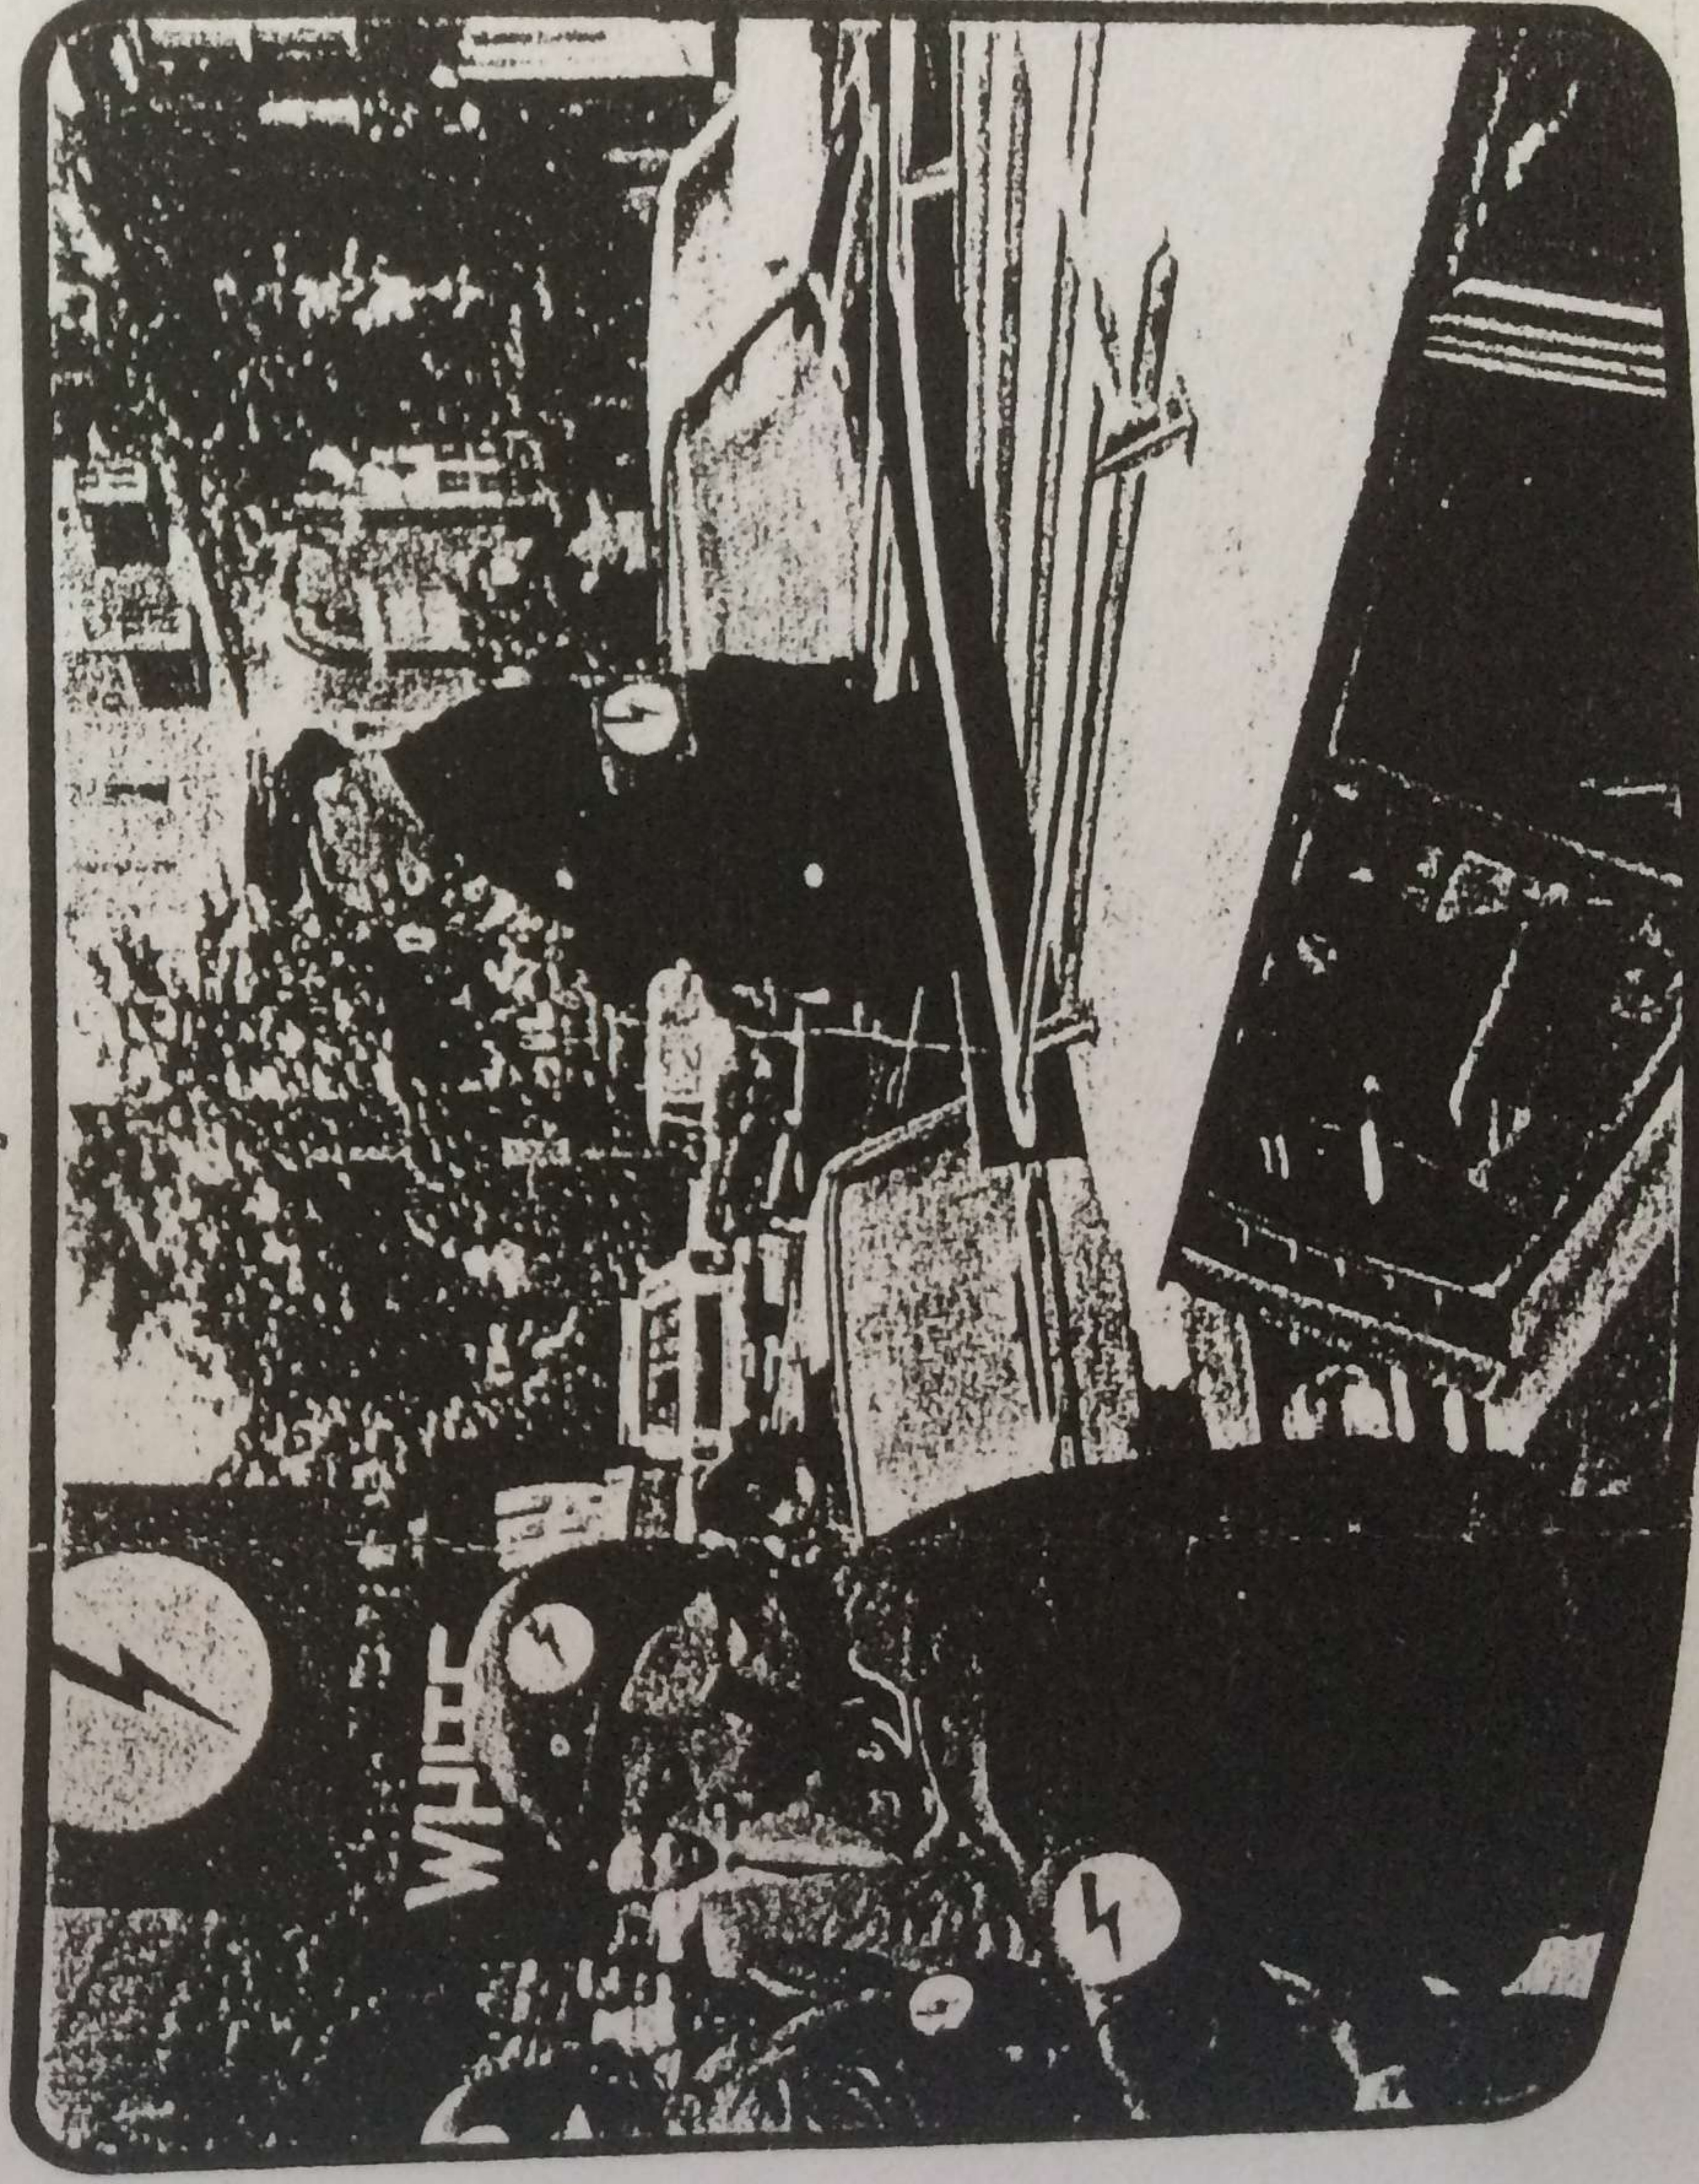

itself upon that of the press. The leaders strive to train the bulk of their followers by whipping their souls with articles, telegrams, and pictures that are more effective than a physical whip or military service, until the masses clamor for weapons and seemingly force their leaders to an eventual dictatorship, which these leaders have carefully prepared. "This is the end of Democracy. If in the world of truth it is proof that decides all, in that of facts it is SUCCESS. Success means that one being triumphs over the others." Through the press and other means, the masses, their minds, and their actions are kept under the iron discipline of the parties, which in turn are the retinue of the few bosses. Parliaments, congresses, and elections are a sort of pre-concerted game, a farce, staged in the name of popular self-determination."

"Through money, democracy becomes its own destroyer, after money has destroyed intellect." Noble intellectual and moral leaders of the beginning of democracy are now replaced by unscrupulous and non-intellectual politicians. One boss is overthrown by another. Fights, disturbances, and insecurity become chronic. As a result men become tired and disgusted with money values, with all this bickering, and begin to hope for salvation from somewhere or other, from a revival of old values, unselfishness, honor, inward nobility, to the arrival of a new Savior. In this way Caesarism grows on the soil of degenerated democracy and sooner or later conquers it. It establishes money economics and a purely political will-to-order. Caesarism is thus the final act of the Civilization in the field of social, economic, and political organization. Eventually barbarization sets in, and the Culture's social form steadily disintegrates. It ends with the "second religiosity" and with the forms which it - and its church - impose upon the remnants of the Culture's life-cycle. Its social history is ended. Such, in bare outline, is the core of Spengler's philosophy of history."

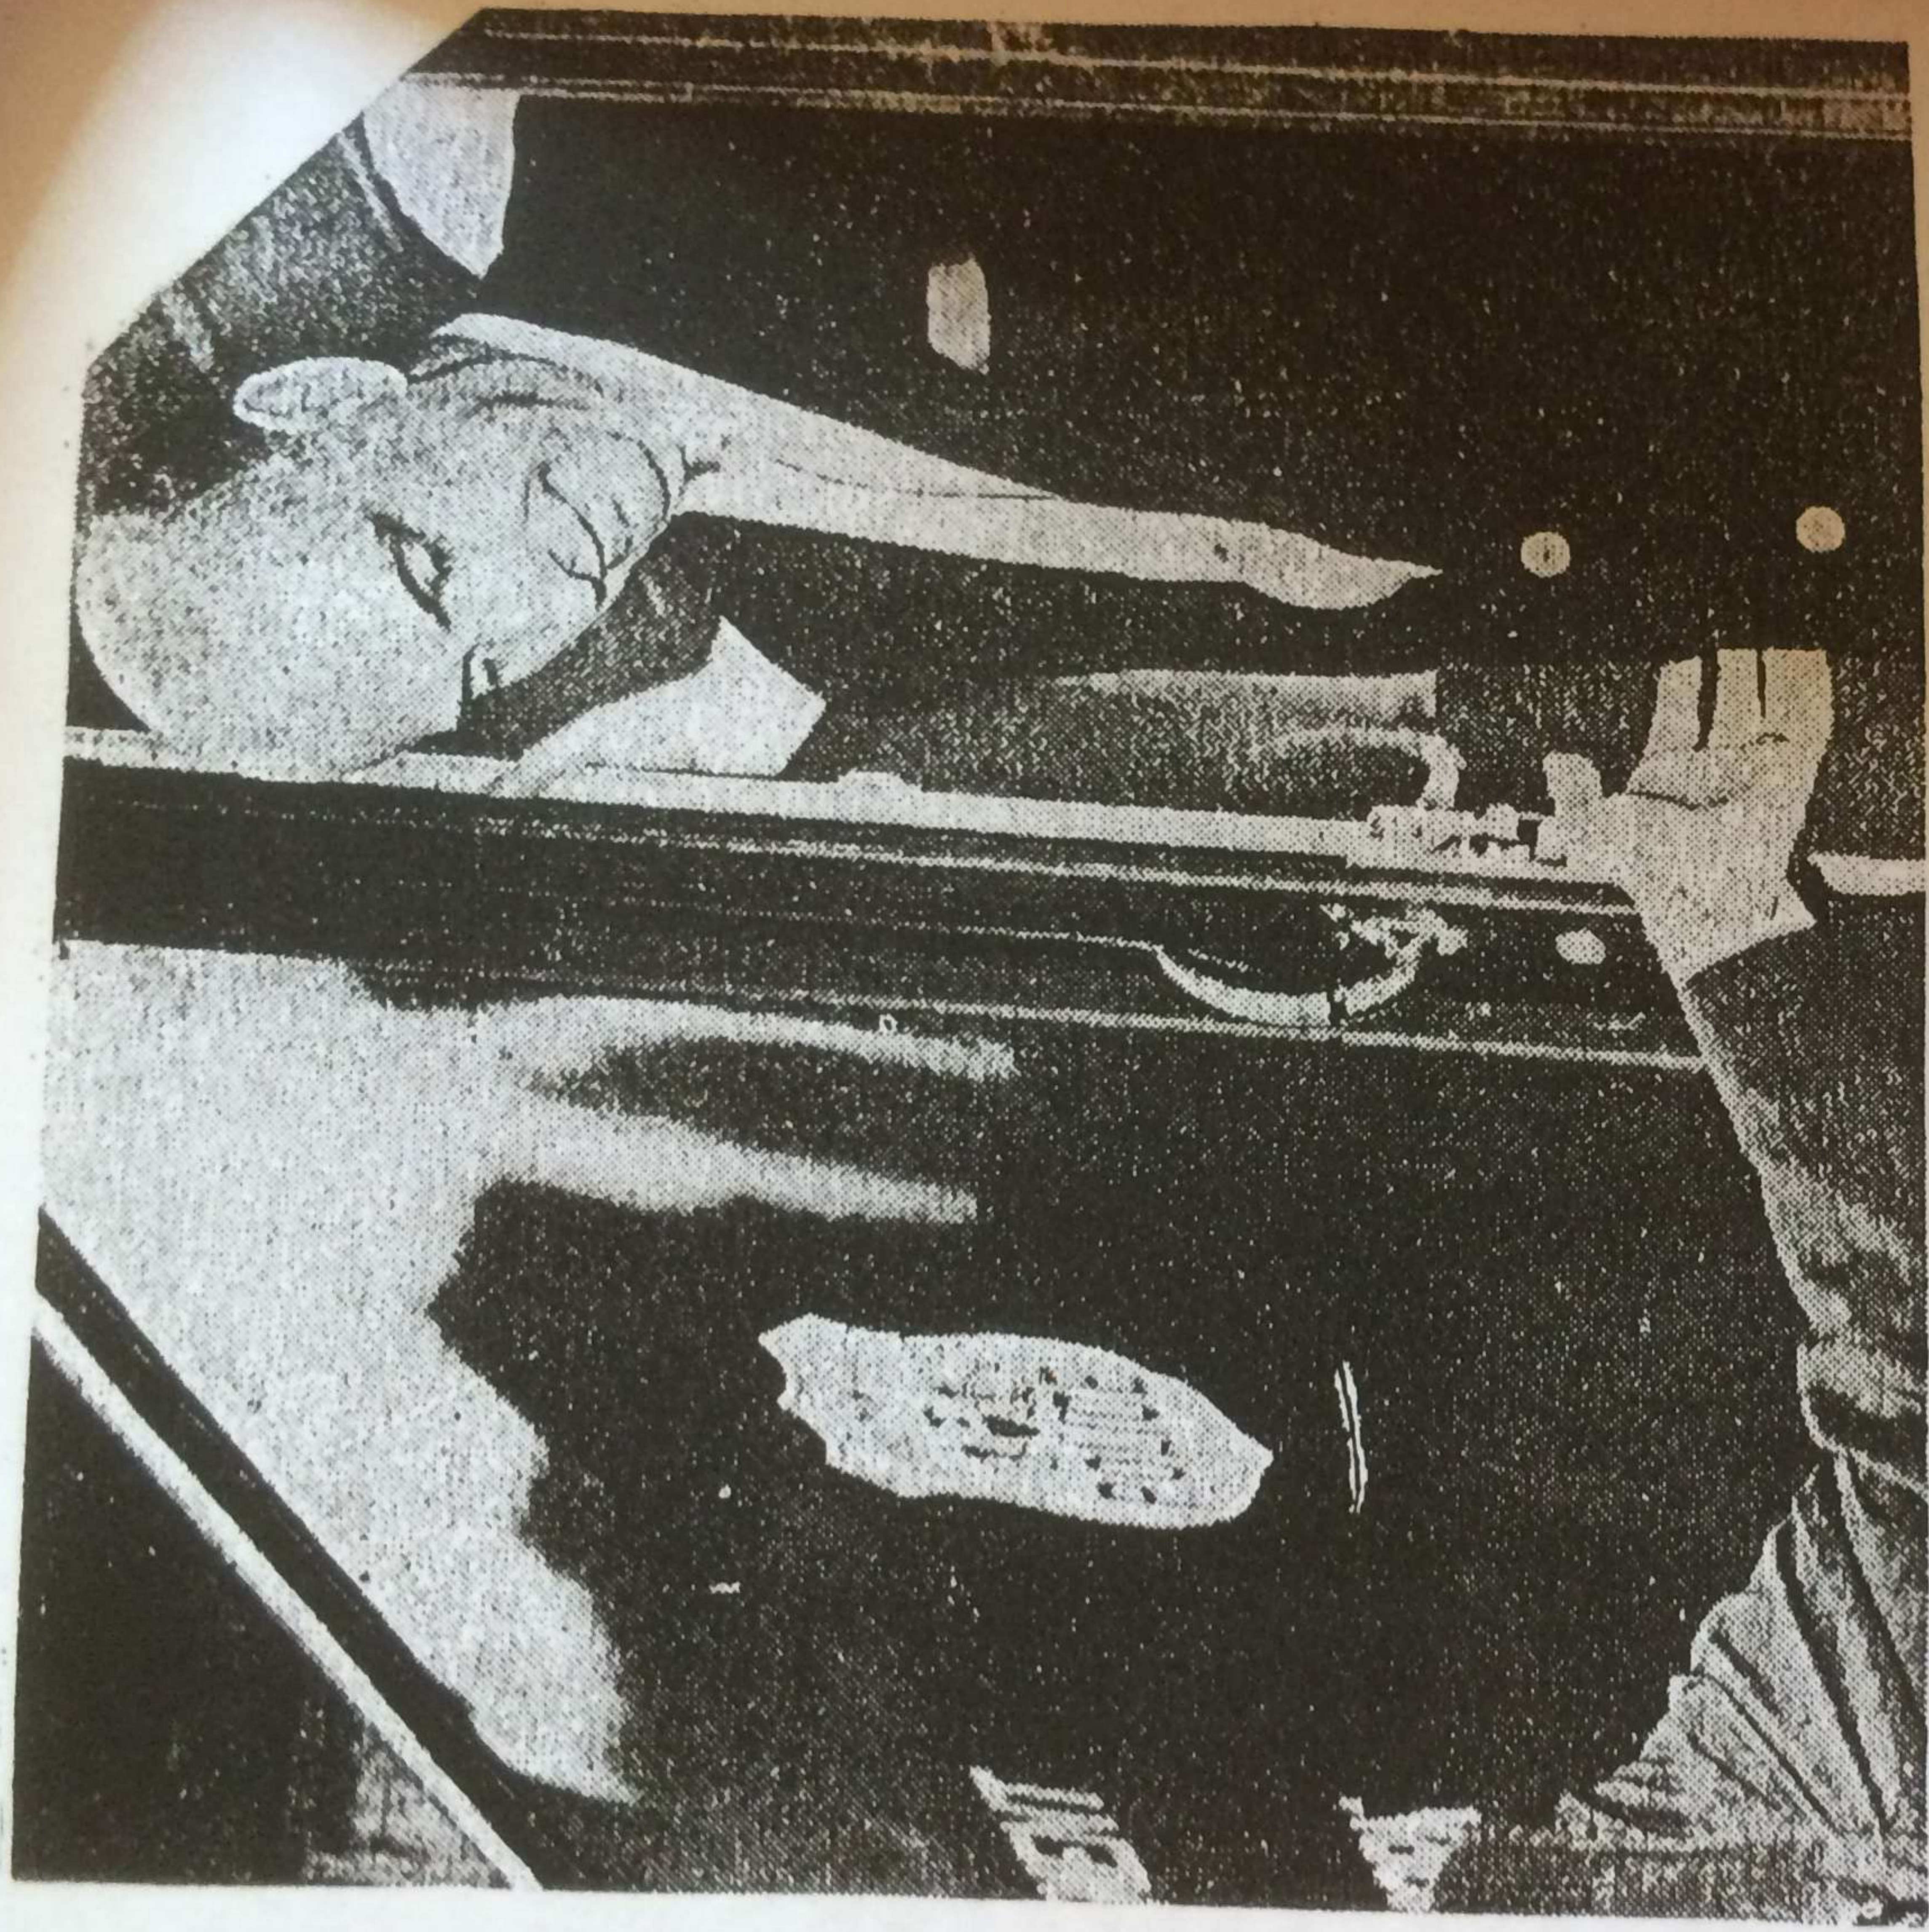

After reading the above passages by Sorokin on the Spenglerian view of the role played by democracy in the decline of cultures, we can readily ascertain that our America of 1974 fits to perfection his classical theory of the cyclic development of history. Dictatorship, autocracy, or Caesarism need not, however, be a symptom of cultural decay but may well be a joyous herald of NATIONAL and RACIAL REGENERATION depending upon whether the "Caesar" is merely a military hooligan backed up by army bayonets (as in many Central and South American dictatorships) or the Messianic Spokesman of a new SOCIAL ORDER ROOTED IN THE MINDS AND HEARTS OF HIS PEOPLE! Thus the popularity and fanatical support given to Juan Peron or Mao-Tse-tung is firmly based on the foundation stone of mass support for a Messianic "hero-figure" whose name is clearly associated with massive economic and political reforms whereas the Argentine military oligarchy which preceded the renaissance of Peronism and the corrupt regime of Chiang-Kai-shek were invariably associated with and dependent upon foreign capital and military force. We can hardly compare the Greek military junta, the Lon Nol regime in Cambodia, the former government of "Papa Doc" Duvalier in Haiti, or President Somoza of Nicaragua (all of whom fit the Spenglerian concept of "Caesarism" or "Power For Power's Sake") with Adolf Hitler's Third Reich, or Mao-Tse-tung's People's Republic of China, or Peron's Argentina because the latter regimes were or are strictly ideological in nature and firmly rooted in the aspirations of their respective peoples whereas the former governments

seek only to keep a modicum of Law and Order by the bayonet for their foreign benefactors! This corrupt form of Spenglerian "Caesarism" gives way ultimately to a Communist regime because it lacks the ideological motivations which alone can win the minds and hearts of the great masses who yearn for meaning to their lives and a sense of NATIONAL AND/OR RACIAL DESTINY! Liberal Democrats and Christian Universalists prate endlessly about the "Brotherhood of all Mankind" but common sense and normal powers of observation prove conclusively that neither races, nations, or individuals are in any manner equal, much less brotherly in nature. The survival of the fittest under a government by the wisest is the only way to live in strict accordance with the LAWS OF NATURE which are the REVEALED WILL OF THE LORD OF THIS WORLD!

The NRP was formed in order to inaugurate this "government in accordance with NATURAL LAW" in the USA. America is falling apart at the seams because Jewish "opinion makers" in the realm of the communications media, publishing, and education have taught Aryan people to despise their own racial heritage and to glorify the worthless human junk which is terrorizing our urban centers, disrupting our educational system from top to bottom, corrupting Aryan moral and ethical standards, replacing our formerly high standards of art, cinema, stage plays, ballet, and music with the drooling lunacy of the "drug culture", sexual perversions of the most bestial types, and themes designed to turn children against parents, students against teachers, women against men, the ignorant against the learned, and above all - themes to break down all barriers against the mating of Aryans and Racial sub-humans! Only a dictatorial government of Aryans, by Aryans, and for Aryans can save Western Civilization in America. Therefore, as conditions become ever more chaotic, we give Americans their only choice: **Dictatorship or Chaos!**
