

# A Patriot Speaks

“There is a great danger for the United State of America. This great danger is the Jew...

“If they are not expelled from the United States by the Constitution within less than one hundred years, they will stream into this country in such numbers that they will rule and destroy us and change our form of Government for which we Americans shed our blood and sacrificed our life, property and personal freedom...

“I warn you, gentlemen, if you do not exclude the Jews forever, your children and your children’s children will curse you in their graves. Their ideas are not those of Americans, even when they lived among us for ten generations. The leopard cannot change his spots. The Jews are a danger to this land, and if they are allowed to enter, they will imperil our institutions. They should be excluded by the Constitution.”

*From the diary of C.C. Pickney writing Benjamin Franklin’s statement during the framing of the U.S. Constitution.*
