

Brass 65

Rubust, Universal and Reliable

Brass padlocks are being used a lot in everyday life. The material itself offers a good level of corrosion resistance which can be further improved by coating the lock or by adding plastic covers. Our brass padlock range includes many different sizes, shapes, shackles, and other additions. Therefore, you are very likely to find exactly what you are looking for in a solid padlock.

Key Features

- Body made from solid brass - offers maximum corrosion resistance
- Hardened steel shackle with NANO PROTECT™ coating
- Inner components made from non-corrosive materials
- Precision pin tumbler
- Available keyed-different and keyed-alike

Item	Shackle Height	# Pins	Body Material	Shackle Material	Shelf Pk Qty	Weight kg
