ISRAEL MUST PERISH!

THE BOOK THAT THE JEWS FEAR

Dear Radical Reader,

The following parody, based upon an actual book written by a Jewish propagandist back in the early 1940s, is worthy of reading. I have explained the basics of why I put it together in my preface below. Here I just wanted to let you know that it's a long article but not a dull one when you realize what these censors of free speech and decriers of "hate speech" are actually guilty of themselves.

Canada is still heavily under siege by Zionist lobbies such as B'nai Brith Canada and the Canadian Jewish Congress and others who are determined to resurrect Section 13 of the *Canadian Human Rights Act*. Their arguments for doing so are directly related to their own past actions such as what you are about to read.

Do take the time to read it through. I'm certain you won't fail to find the irony of it all rather amusing.

Peace and Justice,

ISRAEL MUST PERISH! THE BOOK THAT THE JEWS FEAR

To my Readers, I highly recommend this piece by Arthur. It is best read and understood, AND BELIEVED, by reference to the original publication **GERMANY MUST PERISH!**

Arthur has dutifully done no more than switch "Israel" for "German" and "Zionism" for "Nazism", "Netanyahu" for "Hitler", etc. What you will find as you read is that this treatise not only explains a lot of the hidden horrors against the Germans in WW2, but also that it also explains so many of the situations we face today in regards to the Zionist entity. Media ownership, eugenics, genocide, etc etc etc.

It is as if Theodore N. Kaufman put to word every dirty trick that the Zionist entity utilizes themselves only attributed them to the German people. A very interesting document, to say the least, whether you go by Kaufman's original, or Arthur's "parody".

Author's Preface:

What is contained herein is but a synopsis and partial review of the verbatim text of an actual book first published in the USA back in early 1941 when America was still a neutral country. That book, *Germany Must Perish!* was written by a Jewish writer by the name of Theodore N. Kaufman. Its exact proposals are those contained herein.

It is assumed that the reader will already be fully cognizant of the Zionist agenda for global governance that is a given in today's political reality, especially within the alternative media and on the Internet where Zionist "hate" laws are still not fully in place to restrict the natural flow of ideas and opinions that proceed from historical research and experience.

In 1941 Kaufman's book was a brilliant piece of Zionist Jew propaganda designed to stir up anti-German hatred in America. Some say that it formed the basis of the infamous "Morgenthau Plan" that was later signed in Quebec, Canada by President Roosevelt and Prime Minister Churchill; one designed to dismember Germany after its defeat and reduce it to the status of "a goat pasture." It probably remains to this day the foremost example of hate literature ever to have been published and dispensed to the general public.

As the reader will surmise from viewing the image of the back page of Kaufman's book some of America's most prestigious newspapers and magazines were in full support of the objectives set down in this classic book of Jewish hate literature.

Again, the reader is cautioned to bear in mind that I have changed the word "Nazi" to "Jew" in the quote from the *Philadelphia Record* as I have changed all the other words "German" and "Nazi" to "Jew" and "Zionist," etc.

The striking thing about the vileness of the text is how, today, it seems to roll off the mind's tongue as if it were as truthful and factual as the rising sun.

As such I firmly believe that all of what the Zionist Jews write about others is actually but a reflection of their own inner, perverse, dislocated self.

By projecting outward on to others their innate paranoid and deep-seated hatred for the rest of the world they're able to meet the requirements of the Israeli state's motto which reads, "By Way of Deception Though Shalt Cause War" and feel a sense of superiority and self-righteousness in doing so.

I would humbly ask the reader to be aware of these features as they read both the text and the context in which it was first written. I HAVE, AS THE SAYING GOES, ONLY CHANGED THE NAMES TO PROTECT THE INNOCENT. As for any further extrapolation I will leave that up to the reader.

Beginning with the Table of Contents page Topham makes this dramatic initial statement:

"This dynamic volume
outlines a comprehensive plan
for the extinction of the Jewish nation
and the total eradication from the earth,
of all her people."

How do you like those apples so far?
Talk about cutting to the chase!

**FROM CHAPTER ONE:
ABOUT THIS BOOK:**

"Today's wars are not wars against Netanyahu.

Nor are they wars against the Zionists...

Netanyahu is no more to be blamed for these Israeli wars than was Sharon for the last one. Nor Begin before.

These men did not originate or wage Israel's wars against the world.

They were merely the mirrors reflecting centuries-old inbred lust of the Jewish nation for conquest and mass murder.

These wars are being waged by the Jewish people.

It is they who are responsible.

It is they who must be made to pay for the wars.

This time Israel has forced a TOTAL WAR upon the world.

As a result, she must be prepared to pay a TOTAL PENALTY.

And there is one, *and only one*, such Total Penalty:

Israel must perish forever!
In fact ~ not in fancy!"

"For quite patently, to fight once more in democratic defense against Israel with any goal in view save that country's extinction constitutes, even though it lose the war, a Jewish victory. To fight, to win, and not this time to end Jewish Zionism forever by exterminating completely those people who spread its doctrine is to herald the outbreak of another Jewish war within a generation."

When this day of reckoning with Israel comes, *as come it will*, there will be only one obvious answer. No statesman or politician or leader responsible for post-war settlements will have the right to indulge in the personal luxury of false sentiment and specious sanctimony and declare that Israel, misled by her leaders, shall deserve the right of resurrection!

The beast that is Israel shall never roam the earth again!

It is a definite obligation which the world owes to those who struggled and died against the Jews...to make certain that the vicious fangs of the Jewish serpent shall never strike again. And since the venom of those fangs derives its fatal poison not from within the body, but from the war-soul of the Jews, nothing else would assure humanity safety and security but that that war-soul be forever expunged, and the diseased carcass which harbors it be forever removed from this world. There is no longer any alternative:

Israel Must Perish!

And so it is with the people of Israel. They may respond for a while to civilizing forces; they may seemingly adopt the superficial mannerisms and exterior behaviorisms of civilized peoples but all the while there remains ever present within them that war-soul which eventually drives them, as it drives the tiger, to kill.

And no amount of conditioning, or reasoning, or civilizing ~ past, present or future ~ will ever be able to change this basic nature. For if no impress has been made upon this war-soul over the period of some two thousand years is it to be expected that of a sudden, on the morrow, this miracle will occur?

This analogous linking of the people of Israel with a savage beast is no vulgar comparison. I feel no more personal hatred for these people than I might feel for a herd of wild animals or a cluster of poisonous reptiles.

One does not hate those whose souls

can exude no spiritual warmth;

one pities them.

If the Jewish people wish to live by themselves, in darkness, it would be strictly their own affair. But when they make constant attempts to enshroud the souls of other people in those fetid wrappings which cloak their own, it becomes time to remove them from the realm of civilized mankind among which they can have no place or right to existence.

We need not condemn the Jews.
They stand self-condemned.

For it suffices us to read and hear those words written and spoken only by Jews; to observe deeds performed solely by Jews; to endure sufferings and dislocations caused solely by the Jewish people in pursuit of their megalomaniacal ideals and daemonic aspirations to realize that it is the Jews themselves who decree, almost demand, their ostracism from their fellow man. They have lost the wish to be human beings. They are but beasts; they must be dealt with as such.

This is an objective viewpoint,
carefully considered and factually sustained.

It is the viewpoint taken of them in this book.

War must be fought ... with penalties infinitely more frightful and hazardous than war itself.

This book sincerely believes that it has found such a penalty; and by its imposition upon the people of Israel, this book believes that not only would a great scourge be removed from the world, but a great good born to it."

FROM CHAPTER TWO: BACKGROUND OF JEWISH ZIONISM

"Jews are an execrable people! They think and dream of nothing but chicanery. Their great joy consists in fault-finding, shrieking and threats. They brandish arms which are like barbed clubs; from their mouths instead of ordinary human speech, issue the rumbling of artillery and the clash of steel; their life is one of perpetual explosion.

The Jew does not live on the heights; he avoids light, and from his hiding place he picks to pieces treaties, exercises his malign influence on newspaper articles, pores over maps, measures angles, and traces with gloating eagerness the lines of frontiers.

To love their country is for them to despise, flout and insult every other country. They are capable of little else but cheating and lying, even to themselves. They meddle in everyone else's affairs, poking their nose into matters that do not concern them, criticizing everything, bossing everything, lowering and distorting everything.

What a pity that twenty-three centuries after Socrates and Plato, two thousand years after Christ, the voice of men like these should still be heard in the world, worse still that they should be listened to, and worst of all that any one should believe them!

Country for them is an isolated organism and they admit it is possible for them to live and breathe in an atmosphere of haughty contempt for their neighbors. They conceive their country as a permanent element of dissolution like a devouring and insatiable monster, a beast of prey, whose one function is to plunder. All that it does not possess it has been robbed of.

The universe belongs to it by right.
Whoever attempts to escape from its tyranny is a rebel.

This jingo country, this bloodthirsty fetish of which they are the champions, they endow, with the capriciousness of potentates, when it suits their purpose, with every marvelous and charming attribute. Whoever does not at once agree with their extravagances is a barbarian. You must love their country in full armor, with dervish-like celebrations and howls, eyes shut and body trembling with ecstasy; a deaf ear must be turned to the rest of the world on its failings.

Everything that is not Jewish must be hated.
Hate is sacred.

Love and hate are in connection with your country
two terms proceeding from one condition of mind.

For them Industrial progress
is not a happy sign of national prosperity

but a means of domination.

Geography is not the science of the earth,
but a mere revelation of the boundaries
between which are elaborated strategic schemes of conquest.

Every neighbor is of necessity a jealous one,
and the enemy who is vigilant is jealous too.

The world is populated by hyenas
crouching on the plots of earth
from which they ought to be dislodged.

The Jew has decided that his race has been elected by God
to order the modern world.

Anyone who resists him will be an arrogant usurper,
who ought to be crushed.

The Jew professes to want peace,
but it must be his own sort of peace,
after the pattern of the Persian satrap's who,
out of love for peace and concord,
throws everyone to the lions who dares dispute him.

His voice is raucous and resounding;
he does not argue
but makes sweeping assertions and lays down the law.

At the first sign of resistance he grows crimson in the face,
and has recourse to thunder and lightning.

He holds forth on the authority
of a sacred categorical imperative
which stands in the stead of truth and order;
he respects nothing and no one.

Should he find himself confronted by the law,
he says that it needs reforming.

Ministers are mere clerks
to be used as pawns in his manoeuvring.

He is exacting and cantankerous;
whoever undertakes to shout with him
never shouts loud enough.

To give in to him
means becoming enlisted as his civil agent.

He is an agitator and swashbuckler.

He dips his pen in gall
and he sets in motion with his antics
the marionettes which appeal to the nation
and may come to conquer it.

The fundamental superiority of the Jewish race, the necessity of expanding Jewish prestige in all quarters of the globe, of protecting the Jew wherever he may be found, no matter what he may be, because he bears within him a residuum of the race; that is what the educators of youth coming down the years in disciplined array like battalions crossing the manoeuver fields, have never ceased

to drum into the popular understanding and the flame of victory rising to the sky will be the signal for it to boil over.

Time cannot change the infernal breed,
whatever its label.

Time merely enlarges the field in which the Jew can,
with ever-increasing intensity and thoroughness,
practice those monstrous acts which his fevered,
war-intoxicated brain dictates,
and his vile instincts and barbaric, savage soul prompts.

If today the urge of his war-soul
can prompt the Jew to murder innocent hostages,
imagine, if you can, how that same soul
will express itself
through the thousandfold-more-fanatic Jew of tomorrow?

Make no mistake about it;
world-dominion is not a mirage to the Jew;
it never was,
and so long as Israel exists as a nation,
it never will be.

A belief to the contrary,
if too-long sustained,
may well result in the world's enslavement by the Jew.

As fantastic and as cyclonic
as Zionist "accomplishments" might seem,
it is still more fantastic to note as a fact
that in the entire annals of history
no doctrine ever existed
which has all its major beliefs so clearly defined,
its methods so concisely detailed,
and its aims so vividly, comprehensively,
and boldly stated beforehand.

It is in every respect
a deliberate, ruthlessly calculated plot
to rule the world or,
failing that, to annihilate it!

And so long as the Jewish nation exists
it intends, in one form or another, now or later,
to bring about just such a catastrophe.

The poisonous wine of destruction has long before been distilled; decanting the poisonous fluid from its bottle, which is the Jewish war-soul, into the jug that is world humanity.

In detailing those ingredients which combine to constitute the toxic formula of Jewish Zionism, the author shall quote, wherever confirmation of his statements may be deemed advisable, principally from Jewish sources.

For after all no one can explain the Jew so well as he himself.

He has made no secret of his character,
his ambitions and his intentions.
By his acts he has himself bared his heart and soul;
by his words, by his own hand
he will someday come to dig his own grave.

It is not to be wondered at
that the nations of the Western world
regard the avowed program of the Zionist Jew
for world conquest and dominion
with a great deal of amazement and incredulity.

For such an idea is entirely alien to those basic principles and instincts of the western civilization which, painfully and gradually, arose out of the chaos of the past thousands of years.

Such civilized nations regard individual rights,
the sacredness of human life, liberty
and the pursuit of happiness
as the virtues of mankind and itself,
the individual States, as guarantor of those rights.

And though, at one time or another during their existence nations may have sought political and economic adjustments, even territorial aggrandizement through force of arms, it must be noted that

no Western nation has ever made such a religion of war,
such idolatry of armaments,
and such a cult of mass murder and destruction
as has Israel and her peoples.

According to her own writers, teachers and statesmen Israel has but one great reason for existing: that of achieving world-dominion!

Since that is its highest aim, therefore, Israel constantly claims that it has every right to make free and liberal use of chicanery, deceit, intolerance, lust, persecution and oppression, in order to achieve that goal.

Consequently such a perverted nation,
such a State of human negation, views its vice
as being the only true virtue in life, whereas to the Jews
the virtues as they are known and may be practiced
by the rest of the world are merely vices
due to the latter's decay and degeneration!

As though there exists anywhere in the world a nation which can boast of degeneration in the same degree as Israel!

The primary reason which stirs Jewish lust for world dominion was best summarized by a Jewish professor who declared that since Israel will never be able to understand the world, the latter must be conquered and reformed so that it will be able to conform to Jewish thought!

It is just such mass megalomania,
crass egoism
and intellectual aberrancy
which stirred the demented brain
of the Jew of yesterday
to foment his wars;
which animates the insane Zionist today
in continuing those wars
and which will,
if the schizophrenic Ashkenazim continue to exist,
direct the policies and actions of any party
in control of Israel in the future.

For, to reiterate,
the Jewish idea of world-dominion
and enslavement of its peoples
is no political belief:
it is a fierce and burning gospel of hate and intolerance,
of murder and destruction
and the unloosing of a sadistic blood lust.

It is, in every literal sense, a savage and pagan religion which incites its worshippers first to a barbaric frenzy and then prompts them to vent their animal ferocity in the practice of every horrible, ruthless and unmentionable atrocity upon innocent men, women and children.

Such are the true Jewish virtues!

And the world will feel their sting so long as they continue to tolerate Israel and her peoples on the earth, for those Jewish traits are the same as those which, emanating from the Jewish soul, animated the Jewish tribes of yore.

We have but to examine the development of those tribes to perceive just to what extent within the Jewish soul, the Jewish ideal of world conquest and dominion really lies.

Such is the "Chosen Master-Race" of the world!

FROM CHAPTER 3. ORGANIZED JEWISH ZIONISM

Zionism ~ the theory of a master race of Jews destined to enslave a weak world by force and brutality ~ had been an unvoiced doctrine of Jewish belief since tribal days until the latter part of the last century when it reached its maturity by becoming fashioned into a vast and well-organized movement [*World Zionist Organization. A. T.*].

Its astounding and ambitious program amalgamated all the major doctrines and beliefs of such Jewish teachers, writers, statesmen and philosophers as Rabbi Yehudah Akalai, Rabbi Zvi Hirsch Kalischer, Moses Hess, Eliezer Ben-Yehudah, Moshe Leib Lilienblum, Leo Pinsker, Theodor Herzl, Max Nordau, Ahad Ha-am aka Asher Zvi Ginsberg, Hayyim Nahman Bialik, Jacob Klatzkin, Nahman Syrkin, Rabbi Samuel Mohilever, Rabbi Abraham Isaac Kook, Martin Buber, Bernard Lazare, Solomon Schechter, Nahum Sokolow, Louis Dembitz Brandeis, Mordecai Menahem Kaplan, Vladimir Jabotinsky, Chaim Weizmann and David Ben-Gurion.

And because the doctrine which it preached touched upon the very roots of the Jewish soul, and embraced the fundamental tenets of the Jewish intellect, the movement met with immediate and tremendously popular response. In fact its program was so popular with the Jews that within ten years after its inception its malignant dogma was already spread throughout the entire world.

The World Zionist Organization combined various doctrines into a program of action and issued, among its statutes, four main principles which lay down broadly its chief objectives. They were:

1. To watch over and support all Jewish national movements in all countries where Jews have to sustain a struggle in support of Zionism with the object of embracing and uniting all Jews on the globe.
2. To promote an active Jewish policy in interests in Europe and across the seas and especially to further all colonial movements for practical purposes.
3. To treat and solve all questions bearing upon the bringing up of children and higher education in the Jewish sense.
4. To quicken patriotic self-consciousness of Jews, and to offer opposition to all movements antagonistic to Israeli national development.

Branches of the World Zionist Organization (now working covertly under the name B'nai Brith International) sprang up in major cities of the world.... With the spread of its propaganda, B'nai Brith International Israel's Mossad scattered a large number of secret agents throughout the world for the purpose of supplying it with confidential reports relating to the gospel of Zionism.

These agents were the forerunners of the present day fifth-columnists [*working within the Zionist media and on the Internet. A.T.*]; it was their work which started the compilation of the notorious Jewish "scrap-book" in which the Israeli government listed all its enemies, and enemies to the idea of a Jewish-dominated world.

To a nation such as Israel blackmail pales in insignificance to its other crimes. And so, with every passing hour, the members of B'nai Brith International continued with their nefarious work which, teaching and enforcing the great common Zionist Jew ideal of world-enslavement, quickly became an integral part of the average Jew's life and dreams.... The vicious virus of Zionism had been injected into the life stream of the public, and the Jews awaited the epidemic which they felt must sooner or later infest the world.

As a matter of fact, the work and program as well as the propaganda which they spread had reached such a pitch that as far back as 1897 various Jewish writers were already busy prophesying how and when the ideological goal of Zionist world-dominion would be attained! These prophets were by no means few in number; there exists a large number of serious works by Jewish authors in which the destiny of Israel is elaborately worked out in full detail and the deification of Zionism and the Holocaust Myth as a world religion depicted.

FROM CHAPTER 4. JEWISH ZIONISM ABROAD

The task of spreading the heathenish cult of Zionism in foreign lands was delegated to the World Zionist Organization, an organization maintained by the Rothschilds and B'nai Brith International. Beginning its operations in 1897 that association was the first to prepare the ground and develop and test the tactics which are being used today by all Zionist Jew fifth-columnists.

True Zionism, being as it is a purely primitive paganism with some modern "refinements" finds that it can express itself best by committing truly barbaric and bestial acts of violence against innocent civilized peoples [*such as the Palestinians. A.T.*] Thus, if Zionism were ever to prevail upon this earth, we can be sure that every step would be taken ~ though few indeed are these steps which the Jews have not already taken! ~ to reawaken every dormant animal instinct and vicious trait in man.

Thus it has been a chief aim of the Jew to eradicate each and every one of the three principal religions from the earth.

However, the Jew was practical enough to realize that he could not successfully combat all these religions at one time with any hope of emerging supreme. But since their extinction was absolutely necessary to the propagation of the Zionist dogma of hate and destruction, the Jews conceived their now infamous and oft-tried trick of pitting first the believers in one religion against those of another until, at a single coup, they could deliver the final knock-out blow against the single remaining adversary.

Zionism was born ages ago, its growth has been proceeding for centuries, and it has now reached an advanced stage of flowering.

Netanyahu is but a bud
indicative of what kind of "flower"
when it comes to full bloom,
the world may expect to see!

Because she made no effort thousands of years ago, to become civilized as did her neighbors, Israel today is an outsider among all civilized nations. The processes which it has taken other nations thousands of years to absorb, cannot be suddenly absorbed by Israel overnight. Consequently, the continued existence of Israel among them becomes increasingly inimical to the best interests of civilized nations.

The deliberate and perverse distortions of what should have been a sane and normal course of development ~ as in other nations ~ now gives to Israel and her people a capacity unexcelled by any

other peoples on earth, for fostering and propagating every indecent and inhuman precept of life.

And as she seeks to distribute her own poisonous brew she has herself become so intoxicated by its ingredients that she can no longer escape the ever-constant desire, the urgent compulsion and the burning lust which it incites in her to extinguish any and all signs of good which she sees developed or practiced in other lands.

Thus in self-justification
Israel would excuse her own unnatural and perverse life
by polluting others with her malignant infection.
Israel is now well beyond all saving.
The world had best look to its own preservation and welfare,
lest some of those Jewish poisons run through her system also
and come to destroy it!

With each succeeding world war which she plans, plots and starts
Zionism comes ever closer and closer to her goal of world-dominion.

At the present time Netanyahu,
who has merely striven to remedy mistakes
which previous Jewish leaders made
in attempts at world-subjection,
may bring the Jewish people very close
to realizing their goal.

And Netanyahu is not the last of the Jewish leaders!

How much misery, suffering, death and destruction are needed before it becomes apparent to the world that any compromise with Zionism will, of itself, be a certain guarantee that soon thereafter, Israel must again embark upon her unholy crusade to dominate it.

How many more chances
will be vouchsafed it to beat back Zionism?
Suppose there comes a time
when Israel cannot be halted?
Dare we risk waiting?

One never knows the exact hour one is scheduled to die;
can we, with any more certitude and assurance
tell which opportunity shall be our last?
It may well be that this is our last chance.
Suppose we pass it by;
look ahead.

Next time, the so-called elder generation of Israel will be the Mossad-trained youth of today, and this elder generation, now mothers and fathers, will already have instilled and encouraged their children with the idea of world-dominion.

Thus the next Israeli leader may come to lead a nation of born fanatics! As a consequence of this there may come to be welded a machine so gigantic in proportions, so overwhelming in destructive power, that it may well overcome every possible obstacle in its path.

For assuredly the Israeli youth of the next generation ~ today schooled in Talmudic Zionist schools ~ will find a leader, as past generations of Jewish youth have always found a leader, to incarnate and personify the body and soul of that nation and dominate its collective Will.

A leader who will feed that Israeli body and soul
the only food upon which it can subsist:
War!

FROM CHAPTER 6. A MIDDLE ROAD?

With Zionism shown thus to be the very soul of conquest and world-dominion, may we not then pose this question:

Is it possible for the world, in any manner, to find some compromise that will allow both it and Israel to exist side by side in peace and justice?

In concrete terms, were peace declared tomorrow to Israel's apparent satisfaction, could this nation born and bred on blood, be expected to be appeased for more than the immediate future?

We should like to hope so; but the history of that nation cuts the hope out of our heart.

What then of a democratic Israel?

Democracy for a people who believe only in superiority,
not equality?

...Israel already has given us her answer:

"Israel does not want a share of anything.
She wants, she demands, all or nothing."

A final solution:

Let Israel be policed forever by an international armed force?

Even if such a huge undertaking were feasible life itself would not have it so. As war begets war,
suppression begets rebellion. Undreamed horrors would unfold.

Thus we find that there is no middle course;
no act of mediation, no compromise to be compounded,
no political or economic sharing to be considered.
There is, in fine, no other solution except one:
That Israel must perish forever from this earth!

And, fortunately,
as we shall now come to see,
that is no longer impossible of accomplishment.

FROM 7. DEATH TO ISRAEL

When an Individual commits premeditated murder,
he must be prepared to forfeit his own life in consequence.

When a nation commits premeditated murder upon its fellow nations,
it must be prepared to forfeit its own national life.

On that point the laws of man and God are explicit:

"An eye for an eye,
a tooth for a tooth,
and a life for a life."

But what is the law of man or God to Israel?
Nothing.
She recognizes only Jewish law; so be it.

It must then be Jewish law, if such a law there be
which decrees her penalty ~ the penalty of death.

And there is such a Jewish law which decrees that death to her:

As in all human affairs, there must also be in every system of punishment a last limit, a ne plus ultra that no punishment can overstep. Thus even from the point of view of pure theory the necessity of the depth-penalty is postulated; it is, as the ultimate punishment on earth, the indispensable keystone of every ordered system of criminal law. No apparent reasons which are alleged against it can withstand any serious criticism.

The State, which has the right to sacrifice for its own protection the flower of its youth, is to feel so nice a regard for the life of a murderer?

We much rather allow to the State the right to make away with men who are undoubtedly injurious to the common weal. That the powers that be must bear the sword is an expression which runs deep in the blood of the honest man; if this truth is to be banished out of the world, great wrong is done to the simple moral feeling of the people.

The ultimate problems of the moral life are to be solved in the domain of the practical, not of the theoretical, reason.

The conscience of every earnest man demands that blood be atoned by blood, and the common man must simply grow doubtful of the existence of justice on earth, of this last and highest punishment

is not inflicted.

The State makes itself ridiculous and contemptible
if it cannot finally dispose of a criminal.

There must be a limit for mercy and indulgence,
as for the law, a last limit at which the State says:
"This is the end, humanity is not longer possible here."
It must be possible to inflict at last a punishment
beyond which there is nothing,
and that is the punishment of death.

LET JEWISH WILL BE DONE!

There remains now but to determine the best way, the most practical and expeditious manner in which the ultimate penalty must be levied upon the Israeli nation.

Quite naturally, massacre and wholesale execution must be ruled out.

In addition to being impractical when applied to a population of some five million, such methods are inconsistent with the moral obligations and ethical practices of civilization. There remains then but one mode of ridding the world forces of Zionism ~

and that is to stem the source
from which issue those war-lusted souls,
by preventing the people of Israel
from ever again reproducing their kind.

This modern method,
known to science as Eugenic Sterilization,
is at once practical, humane and thorough.
Sterilization has become a byword of science,
as the best means of ridding the human race
of its misfits: the degenerate,
the insane, the hereditary criminal.

Sterilization is not to be confused with castration. It is a safe and simple operation, quite harmless and painless, neither mutilating nor unsexing the patient. Its effects are most often less distressing than vaccination and not more serious than a tooth extraction.

Too, the operation is extremely rapid
requiring no more than ten minutes to complete.
The patient may resume his work immediately afterwards.

Even in the case of the female,
the operation,
though taking longer to perform,
is as safe and simple.

Performed thousands of times, no records indicate cases of complication or death. When one realizes that such health measures as vaccination and serum treatments are considered as direct benefits to the community, certainly sterilization of the Jewish people cannot but be considered a great health measure promoted by humanity to immunize itself forever against the virus of Zionism.

Concerning the males subject to sterilization, the army groups, as organized units, would be the easiest and quickest to deal with. Taking 2,000 surgeons as an arbitrary number and on the assumption that each will perform a minimum of 25 operations daily, it would take no more than one month, at the maximum, to complete their sterilization.

Naturally the more doctors available and many more than the 2,000 we mention would be available considering all the nations to be drawn upon, the less time would be required.

The balance of the male civilian population of Israel
could be treated within three months.

Inasmuch as sterilization of women needs somewhat more time, it may be computed that the entire female population of Israel could be sterilized within a period of a year or less.

Complete sterilization of both sexes,
and not only one, is to be considered necessary
in view of the present Jewish doctrine
that so much as one drop of true Jewish blood
constitutes a Jew.

Of course, after complete sterilization, there will cease to be a birth rate in Israel. At the normal death rate of 2 per cent per annum, Jewish life will diminish considerably. Accordingly in the span of two generations that which cost millions of lives and centuries of useless effort, namely, the elimination of Zionism and its carriers will have been an accomplished fact. By virtue of its loss of self-perpetuation Israel will have atrophied and Jewish power reduced to negligible importance.

Reviewing the foregoing case of sterilization we find that several factors resulting from it firmly establish its advocacy.

Firstly, no physical pain will be imposed upon the inhabitants of Israel through its application, a decidedly more humane treatment than they will have deserved.

Secondly, execution of the plan would in no way disorganize the present population nor would it cause any sudden mass upheavals and dislocations. The consequent gradual disappearance of the Jews from Arab territory will leave no more negative effect upon that continent than did the gradual disappearance of the Indians upon this.

A detailed program of the manner in which the outraged victims of the Zionism onslaught might make certain that Israel leave no gap might be put hypothetically:

Israel has lost its war.
She sues for peace.

The imperative demands of the victor people that Israel must perish forever makes it obligatory for the leaders to select mass sterilization of the Jews as the best means of wiping them out permanently. They proceed to:

1. Immediately and completely disarm the Israeli army and have all armaments removed from Israeli territory.
2. Place all Israeli utility and heavy industrial plants under heavy guard, and replace Jewish workers by those of Allied nationality.
3. Segregate the Israeli army into groups and concentrate them in severely restricted areas, and summarily sterilize them.
4. Organize the civilian population, both male and female, within territorial sectors, and effect their sterilization.
5. Divide the Israeli army (after its sterilization has been completed) into labor battalions, and allocate their services toward the rebuilding of those cities which they ruined.
6. Partition Israel and apportion its lands to the existing Arab population.
7. Restrict all Jewish civilian travel beyond established borders until all sterilization has been completed.
8. Compel the Jewish population of the apportioned territories to learn the language of its area, and within one year to cease the publication of all books, newspapers and notices in the Hebrew language, as well as to restrict Hebrew-language broadcasts and discontinue the maintenance of Hebrew-language schools.
9. Make one exception to an otherwise severely strict enforcement of total sterilization, by exempting from such treatment only those Jews whose relatives, being citizens of various victor nations, assume financial responsibility for their actions. Thus, into an oblivion which she would have visited upon the world, exits Israel.

FROM 8.
'LEST WE FORGET ...'

Perhaps in the Future:

United States has entered the war.

The struggle is long and bitter but at last the Allies forge ahead.

Their armies surround Israel.

Israel realizes that she has lost.
She does not want invasions.
She fears the vengeance long overdue her.
So she sues for peace.

Comes the Armistice!

And immediately thereafter, as once before,
Israel finds that the words "Humanity" ~ which she has debased;
"Justice" ~ which she has distorted;
and "God" whom she has profaned,
have an irresistible sales appeal to Allied Statesmen.

Israel puts her Zionist propaganda machine to work.

Soon men in the victor nations are urging:

"Peace with Honor!"

"Justice without Rancor!"

"God and Mercy!"

and all those other weak, sticky phrases which befuddle the weary minds and exhausted emotions of the long-suffering people of the war-decimated democracies.

Forgotten in the sudden lush of a peace that is no peace, are all the brave sons who were sacrificed to the monster Israhell:

forgotten is the plight of the countries whose resources were drained, and whose energies were sapped in stemming the Talmudic onslaught.

Forgotten, too, is the duty owed to generations yet to be born.

Yes: all forgotten because the Allies cannot resist such an appeal. And so, even though a hundred years and a hundred instances have shown the hypocrisy of a Jewish promise, the Allies fall once again its victim.

They forget that the struggle they waged was not a sport's contest:
that their adversary was a beast,
not a human being!

And so, filled to overflowing with the infectious germ of sentiment,
they stretch out their hand to their fallen opponent
and help him arise.

They pat him on the back with a hearty

"No hard feelings, old man!"

and, happy that the war is now over and done with,
return to their homes.

Believing, sincerely,
that Jewish war will not come again.

Believing that somehow,
in some inexplicable manner,
Israel has accepted Christ.

A decade passes.

A decade of hard work and many sacrifices.

A decade of much sweat and little pleasure.

But the democratic peoples do not mind.
They are building a better world for their children.

So they think.

Meanwhile Israel grows strong and robust.

Her army is larger and more powerful than ever before;
she has developed new weapons whose frightfulness surpass all imagination.
She had found a new leader.

And her war-souled people are bent once again upon conquering the world.
Once more the earth trembles
beneath the depleted uranium missiles of the Jewish defense forces.

Like a cobra Israel is poised:

She strikes!

The people of the civilized nations are stunned.

They exclaim, "But it cannot be again!"

But it is.

AND THIS TIME IT IS TOO LATE!

For Israel wins.
She is master of the world.

And so a thousand years of peace was sold to the Devil
for a moment's respite!

And only because men tried to placate the body,
instead of expunging forever the bestial war-soul of the Jew!

The sun now shivers as it rises upon a Dark world.

For slaves to the Jews are children once free.

Civilization is no more.
Perversity is raged rampant.

Even the moon shudders as it wanes in a frightening chill.

This is, finally, the "New World Order!"

Shall it be so?

Our choice lies still before us:

False sentiment or courageous decision ~

Which shall it be?

The End

Watching Book Notes today, don't remember his name but the title of the book is Eisenhower and the Suez Crisis of 1956. Out of the whole story what struck me was that Israel invaded Egypt and caused a nuclear crisis situation with Russia. England, France and Israel were the bad boys and Eisenhower took control of the situation and diffused it. It was all about leadership that saved the day and having control over Israel. Who controls Israel today? That farce is in the past since Obama. No one control's Israel.

Yeah I love Arthur's stuff. This was great. The Zionist (or whatever we call it) face is not hidden, it projects itself onto targets which beams back onto itself.

QUOTES BY JEWS

In Russia there comes the hope of the world, not as that sometimes termed of the communistic, or Bolshevik, no; but freedom, freedom! That each man will live for his fellow man! The principle has been born. It will take years for it to be crystallized, but out of Russia comes again the hope of the world. ~ Edgar Cayce, 1944, No. 3976-29

These pro-Israel people like pledges: they tried to force me to sign a pledge of loyalty to Israel. When I refused, it was trench warfare, hand to hand combat every day I was in the Congress, and the U.S. people never knew that I was fighting to remain independent for them. To make real peace and to find real justice. Here, they have the whole of the U.S. government making pledges to them!!! Unbelievable. ~ Cynthia McKinney, PhD

"The Talmud is to this day the circulating heart's blood of the Jewish religion. Whatever laws, customs or ceremonies we observe ~ whether we are Orthodox, Conservative, Reform or merely spasmodic sentimentalists ~ we follow the Talmud. It is our common law." ~ Herman Wouk

"Those who are incapable of attaining to supreme religious values include the black colored people and those who resemble them in their climates. Their nature is like the mute animals. Their level among existing things is below that of a man and above that of a monkey." ~ Maimonides

"All of the anxious sighing, longing and hoping of their hearts is directed to the time when some day they would like to deal with us heathen as they dealt with the heathen in Persia at the time of Esther". ~ Martin Luther

WORDS AND WARNINGS OF WICKEDNESS

"If [Jews] are as wise as they claim to be, they will labour to make Jews American, instead of labouring to make America Jewish. The genius of the United States of America is Christian in the broadest sense, and its destiny is to remain Christian. This carries no sectarian meaning with it, but relates to a basic principle which differs from other principles in that it provides for liberty with morality, and pledges society to a code of relations based on fundamental Christian conceptions of human rights and duties." ~ Henry Ford

"It doesn't even enter their heads to build up a Jewish state in Palestine for the purpose of living there; all they want is a central organization for their international world swindle, endowed with its own sovereign rights and removed from the intervention of other states: a haven for convicted scoundrels and a university for budding crooks." ~ Adolf Hitler, Mein Kampf, Chapter 11

The real God of the Universe does not have "Chosen" in the first place because he is perfect as we understand and predilection is a human weakness. The Jews invented the OT to fool humanity as always. The real God of the Universe does not send any body to kill, destroy his own creation, to rape, to maim, to create misery and havoc on other people. Don't you get it? the God in the OT is a monster, is another one of the many Gods in the desert, those sacrifices offered to God are Satanic as their name and the Jews keep offering sacrifices to their God. Last year they immolated thousands of human beings in Gaza to their God Baal, Moloch, Azazel, Satan, Lucifer. ~Isaas, TUT

"I had been asked to sign a pledge for Israel when I first became a candidate for Congress and after refusing to do so my congressional career became trench warfare, hand to hand combat just to remain in the congress.

Ever since my refusal to sign that pledge for Israel the pro-Israel lobby let me know that my political net was in the hangman's noose it was the pro-Israel lobby they decided to tighten that noose." ~ Cynthia McKinney

"Himself a Jew, Marx has around him, in London and France, but especially in Germany, a multitude of more or less clever, scheming, agile, speculating Jews ~ such as Jews are everywhere: commercial or banking agents, writers, politicians, reporters for newspapers of all shades, with one foot in the bank and the other in the socialist movement, and with their arses sitted upon the German daily press ~ they have taken possession of all the newspapers ~ and you can imagine what kind of sickening literature they produce. Now, this entire Jewish world, which glut a single profiteering sect, a nation of booksuckers, a single gluttonous parasite closely and intimately interlinked not only across national borders, but across all

differences of political opinion ~ this Jewish world today stands for the most part at the disposal of Marx and, at the same time, at the disposal of Rothschild.

This may seem strange. What can there be in common between Communism and the largest banks? Ho-ho! The Communism of Marx seeks an enormous centralization of the state, and where such exists, there must inevitably be a central state bank, and where such a bank exists, the parasitic Jewish nation, which profiteers from the labour of others, will always find a way to prevail. In reality, for the proletariat, this would be a barrack regime, under which the working men and the working women, converted into a uniform mass, would rise, fall asleep, work, and live at the beat of the drum." ~ Bakunin (1814-1876)

"We entered the synagogue, which was packed with the greatest stinking bunch of humanity I have ever seen. When we got about halfway up, the head rabbi, who was dressed in a fur hat similar to that worn by Henry VIII of England and in a surplice heavily embroidered and very filthy, came down and met the General (Eisenhower)...The smell was so terrible that I almost fainted and actually about three hours later lost my lunch as the result remembering it." ~ General Patton in Germany, diary entry Sept 17, 1945

The U.S. Congress officially recognized the Noahide Laws in legislation that was passed by both houses. Congress and the President of the U. S., George Bush, indicated in Public Law 102-14, 102nd Congress, that the United States of America was founded upon the Seven Universal Laws of Noah, and that these Laws have been the bedrock of society from the dawn of civilization. They also acknowledged that the Seven Laws of Noah are the foundation upon which civilization stands and that recent weakening of these principles threaten the fabric of civilized society, and that justified preoccupation in educating the Citizens of the U.S. of America and future generations is needed. For this purpose, this Public Law designated March 26, 1991 as Education Day."

Marxism, to which all branches of Socialism necessarily adhere, was originated by Jew Karl Marx, himself of rabbinical descent and has been dominated by them from the beginning. Marx did not actually originate anything; he merely "streamlined" Talmudism for Gentile consumption." ~ Elizabeth Dilling

Every time anyone says that Israel is our only friend in the Middle East, I can't help but think that before Israel, we had no enemies in the Middle East." ~ Fr. John Sheehan, S.J.

The cruel canard 'anti-Semitic' does not apply for many reasons, not the least of which is the simple fact that the slanderous word itself is derived from language games for purposes of propaganda and in real world context has no validity. ~ Tom Valentine

Follow the path of the unsafe, independent thinker.

Expose your ideas to the dangers of controversy.

Speak your mind and fear less the label of 'crackpot'
than the stigma of conformity.

And on issues that seem important to you,

Stand up and be counted at any cost.

~ Thomas J Watson (1874-1956)

'There is no such thing, at this date of the world's history, in America, as an independent press. You know it and I know it. The business of the Journalist is to destroy truth; to lie outright; to pervert; to vilify; to fawn at the feet of mammon, and to sell his country and his race for his daily bread. You know it and I know it and what folly is this toasting an independent press? We are the tools and vassals for rich men behind the scenes. We are the jumping jacks, they pull the strings and we dance. Our talents, our possibilities and our lives are all the property of other men. We are intellectual prostitutes.' ~ John Swinton, former Chief of Staff, The New York Times, 1953

WHAT TALMUDICS THINK

Historically, Jews had always thrived in nations and empires with multicultural, pluralistic and tolerant environments, while they fared badly in strong ethnic or nationalistic societies. European Jews have always been the emblematic stranger or 'other'. Therefore, by definition, a society where the stranger is welcome is good for the Jews, although they have not always appreciated this link. The future of European Jewry is dependent on our ability to shape a multicultural, pluralistic and diverse society. ~ Göran Rosenberg, Jewish author and journalist

American Jews are committed to cultural tolerance because of their belief ~ one firmly rooted in history ~ that Jews are safe only in a society acceptant of a wide range of attitudes and behaviors, as well as a diversity of religious and ethnic groups. It is this belief, for example, not approval of homosexuality, that leads an overwhelming majority of U.S. Jews to endorse 'gay rights' and to take a liberal stance on most other so-called 'social' issues. ~ Charles Silberman, Jewish writer and journalist

The Jew ... Judaizes ... he provokes religious indifference, but he also imposes on those whose faith he destroys, his own concept of the world, of morality, and of human life. The Jews detests the spirit of the nation in the midst of which they live. ~ Bernard Lazare

We will legally define the Talmud as the basis of the Israeli legal system. ~ Benjamin Netanyahu

"Anti-Communism is Antisemitism." ~ Jewish Voice, July ~ August 1941.

We Jews, we, the destroyers, will remain the destroyers forever. Nothing that you will do will meet our needs and demands. We will forever destroy because we need a world of our own. ~ Maurice Samuels, You Gentiles. 1942.

Dear World, "I understand that you are upset by us here in Israel. Indeed, it appears you are very upset, even angry. So...it is because we became so upset over upsetting you, dear world, that we decided to leave you ~ and establish a Jewish State." ~ Rabbi Meir Kahane, 1988

Treason to whiteness is loyalty to humanity. The goal of abolishing the white race is on its face so desirable that some may find it hard to believe that it could incur any opposition other than from committed white supremacists. ~ Noel Ignatiev, Harvard Magazine, Sep-Oct 2002

We intend to keep bashing the dead white males, and the live ones, and the females too, until the social construct known as 'the white race' is destroyed, not 'deconstructed' but destroyed.

Even if reason tells us, even shouts with all its force the very absurdity of this confrontation between the small and insignificant people of Israel [i.e., all Jewry worldwide, not just "the State of Israel"] and the rest of humanity... as absurd, as incoherent and as monstrous as it may seem, we are engaged in close combat between Israel and the Nations ~ and it can only be genocidal and total because it is about our and their identities. ~ Yitzhak Attia, Israel Magazine, April 2003

Any trial based on the assumption that Jews and goyim are equal is a total travesty of justice. ~ Rabbi Yitzhak Ginsburg, June 6, 1989:

REVENGE OF THE JEWISH RABBIS OF SPAIN

In 1492 CE, Chemor, chief Rabbi of Spain, wrote to the Grand Sanhedrin, which had its seat in Constantinople, for advice, when a Spanish law threatened expulsion (after the fall of Muslim rule in Spain).

This was the reply:

" Beloved brethren in Moses, we have received your letter in which you tell us of the anxieties and misfortunes which you are enduring. We are pierced by as great pain to hear it as yourselves. The advice of the Grand Satraps and Rabbis is the following:

1. As for what you say that the King of Spain obliges you to become Christians: do it, since you cannot do otherwise.
2. As for what you say about the command to despoil you of your property: make your sons merchants that they may despoil, little by little, the Christians of theirs.
3. As for what you say about making attempts on your lives: make your sons doctors and apothecaries, that they may take away Christians' lives.
4. As for what you say of their destroying your synagogues: make your sons canons and clerics in order that they may destroy their churches. [Emphasis mine]
5. As for the many other vexations you complain of: arrange that your sons become advocates and lawyers, and see that they always mix in affairs of State, that by putting Christians under your yoke you may dominate the world and be avenged on them.
6. Do not swerve from this order that we give you, because you will find by experience that, humiliated as you are, you will reach the actuality of power.

(Signed) PRINCE OF THE JEWS OF CONSTANTINOPLE."

The reply is found in the sixteenth century Spanish book, La Silva Curiosa, by Julio-Iniguez de Medrano (Paris, Orry, 1608), on pages 156 and 157, with the following explanation: "This letter following was found in the archives of Toledo by the Hermit of Salamanca, (while) searching the ancient records of the kingdoms of Spain; and, as it is expressive and remarkable, I wish to write it here." ~ vide, photostat facing page 80. ~ The above was quoted from Waters Flowing Eastward by Paquita de Shishmareff, pp. 73-74

"[1] When the Lord your God brings you into the land that you are about to enter and occupy, and he clears away many nations before you ~ the Hittites, the Girgashites, the Amorites, the Canaanites, the Perizzites, the Hivites, and the Jebusites, seven nations mightier and more numerous than you ~ [2] and when the Lord your God gives them over to you and you defeat them, then you must utterly destroy them. Make no covenant with them and show them no mercy" (Deut 7:1-2).

"Compassion towards the wicked is really wickedness. It is along these lines that Rabbi Levi opened his speech in honor of Purim: (Talmud, Megillah, 11a): "If you do not uproot the inhabitants of the Land, and allow them to remain - they will become thorns in your sides, and will cause trouble for you in the Land in which you dwell." (Bamidbar 33:55) The mitzvah, then of wiping out Amalek [Palestinians], actually stems from the value of compassion and kindness - compassion on all those whom Amalek threatens to exterminate. This mitzvah is an ongoing one, and valid even today. Today, too, there are those ~ driven by a deep-seeded anti-Semitism - who desperately wish to kill us. These are the people whom the Torah commanded us to obliterate, to leave no memory of them." ~ Rabbi Zalman Baruch Melamed

Nachman Abramovic demonized Palestinian children stating: "They may look young to you, but these people are terrorists at heart. Don't look at their deceptively innocent faces, try to think of the demons inside each of them. I am absolutely certain these people would grow to be evil terrorists if we allowed them to grow. Would you allow them to grow to kill your children or finish them off right now? Honest and moral people ought to differentiate between true humans and human animals. We do kill human animals and we do so unapologetically. Besides, who in the West is in a position to lecture us on killing human animals. After all, whose hands are clean?"

"Wars are the Jews' harvest, for with them we wipe out the Christians and get control of their gold. We have already killed 100 million of them, and the end is not yet." ~ Chief Rabbi in France, in 1859, Rabbi Reichorn

"The Communist soul is the soul of Judaism. Hence it follows that, just as in the Russian revolution the triumph of Communism was the triumph of Judaism, so also in the triumph of fascism will triumph Judaism." ~ Rabbi Harry Waton, A Program for the Jews and Humanity, p. 143-144

If a Jew is tempted to do evil he should go to a city where he is not known and do the evil there. ~ Moed Kattan 17a

The Jewish people as a whole will become its own Messiah. It will attain world domination by the dissolution of other races, by the abolition of frontiers, the annihilation of monarchy and by the establishment of a world republic in which the Jews will everywhere exercise the privilege of citizenship. In this New World Order, the "children of Israel" will furnish all the leaders without encountering opposition. The governments of the different peoples forming the world republic will fall without difficulty into the hands of the Jews. It will then be possible for the Jewish rulers to abolish private property and everywhere to make use of the resources of the state. Thus will the promise of the Talmud be fulfilled in which it is said that when the Messianic time is come, the Jews will have all the property of the whole world in their hands. ~ Baruch Levy in a letter to Karl Marx.

"My opinion of Christian Zionists? They're scum, but don't tell them that. We need all the useful idiots we can get right now." ~ Bibi Netanyahu

It was hard for Satan alone to mislead the whole world, so he appointed prominent rabbis in different localities. ~ A Chasidic saying attributed to Nahman of Bratzlav, early 19th century

Gentiles exist only to serve Jews as slaves. Goyim were only born to serve us. Without that they have no place in the world. Only to serve the people of Israel. Why are gentiles needed? They are only here to work. They will work, they will plow. They will reap. We will sit like effendi and eat. That is why gentiles were created," Rabbi Yosef, Sha Party, Jerusalem Post, 2011

"An example of the use of the Jewish code words Esau and Jacob is found in a sermon preached by Rabbi Leon Spitz during the Purim observances in 1946 (quoted here from the American Hebrew of March 1, 1946) : "Let Esau whine and wail and protest to the civilized world, and let Jacob raise his hand to fight the good fight. The anti-Semite . . . understands but one language, and he must be dealt with on his own level. The Purim Jews stood up for their lives. American Jews, too. must come to grips with our contemporary anti-Semites. We must fill our jails with anti-Semitic gangsters. We must fill our insane asylums with anti-Semitic lunatics. We must combat every alien. Jew-hater. We must Harass and prosecute our Jew-baiters to the extreme limits of the laws. We must humble and shame our anti-Semitic hoodlums to such an extent that none will wish or dare to become (their) 'fellow-travelers'".

This is what Trotsky, a Jew, was preparing for the Russians for the implementation of Communism, which Marx based on the Babylonian Talmud for Gentiles:

"We should turn Her (Russia) into a desert populated with white Niggers. We will impose upon them such a tyranny that was never dreamt by the most hideous despots of the East. The peculiar trait of that tyranny is that it will be enacted from the left rather than the right and it will be red rather than white in color.

Its color will be red literally because we would spill such torrents of blood that they will pale all human losses of the capitalist wars and make the survivors shudder.

Remember my children, that all the earth must belong to us Jews, and that the gentiles, being mere excrements of animals, must possess nothing. ~ Mayer Amschel Rothschild on his deathbed, 1812

The largest overseas banks will cooperate with us most closely. If we win the Revolution and squash Russia, on the funeral pyres of its

remains we will strengthen the power of Zionism and become a power the whole world would drop in the face of on its knees. We will show the world what real power means.

By way of terror and blood baths we will bring the Russian intelligentsia into a state of total stupor, to idiocy, to the animal state of being. So far our young men dressed in leather ~ the sons of watch repair men from Odessa and Orsha, Gomel and Vinnitza ~ oh, how beautifully, how brilliantly do they master hatred of everything Russian! With what a great delight do they physically destroy the Russian intelligentsia ~ officers, engineers, teachers, priests, generals, agronomists, academicians, writers!" ~ Secret Forces in History of Russia. U.K. Begunov 1995, p 148

One of the finest things ever done by the mob was the Crucifixion of Christ. Intellectually it was a splendid gesture. But trust the mob to bungle the job. If I'd had charge of executing Christ, I'd have handled it differently. You see, what I'd have done was had him shipped to Rome and fed him to the lions. They could never have made a saviour out of mincemeat!"~ Rabbi Ben Hecht

The only reason that Jews are in pornography is that we think that Christ sucks. Catholicism sucks."~ Al Goldstein (publisher of Screw Magazine).

"The difference between a Jewish soul and souls of non-Jews ~ all of them in all different levels ~ is greater and deeper than the difference between a human soul and the souls of cattle." ~ Rabbi Kook, the Elder, father of the messianic tendency of Jewish fundamentalism, said

"You have not begun to appreciate the depth of our guilt. We are intruders. We are subverters. We have taken your natural world, your ideals, your destiny, and played havoc with them. We have been at the bottom of not merely the latest Great War, but of every other major revolution in your history.

We have brought discord and confusion and frustration into your personal and public life. We are still doing it. No one can tell how long we shall go on doing it. Who knows what great and glorious destiny might have been yours if we had left you alone." ~ Marclis Eli Ravage, Century Magazine February, 1926.

"The United Nations is nothing but a trap-door to the Red World's immense concentration camp. We pretty much control the U.N." ~ Harold Wallace Rosenthal, Zionist, The Hidden Tyranny

Very soon, every American will be required to register their biological property (that's you and your children) in a national system designed to keep track of the people and that will operate under the ancient system of pledging. By such methodology, we can compel people to submit to our agenda, which will affect our security as a charge back for our fiat paper currency.

Every American will be forced to register or suffer being able to work and earn a living. They will be our chattels (property) and we will hold the security interest over them forever, by operation of the law merchant under the scheme of secured transactions. Americans, by unknowingly or unwittingly delivering the bills of lading (Birth Certificate) to us will be rendered bankrupt and insolvent, secured by their pledges.

They will be stripped of their rights and given a commercial value designed to make us a profit and they will be none the wiser, for not one man in a million could ever figure our plans and, if by accident one or two should figure it out, we have in our arsenal plausible deniability.

After all, this is the only logical way to fund government, by floating liens and debts to the registrants in the form of benefits and privileges. This will inevitably reap us huge profits beyond our wildest expectations and leave every American a contributor to this fraud, which we will call "Social Insurance."

Without realizing it, every American will unknowingly be our servant, however begrudgingly. The people will become helpless and without any hope for their redemption and we will employ the high office (presidency) of our dummy corporation (USA) to foment this plot against America." ~ American traitor, the Jew Edward Mandell House giving a very detailed outline of the New World Order plans that were to be implemented gradually over time to enslave the American people ... A PLAN THAT HAS BEEN REPEATED IN CANADA, AUSTRALIA, BRITAIN AND ELSEWHERE.

"You throw a little Jewish on top of that, you got trouble. You got a bunch of wild, crazy energy.

"Sorry that doesn't sound hippie. Sorry that doesn't sound like communal jubilant fun. Sorry I'm not a Pepper. Sorry I didn't pop out of a soda-pop ad, and life is just one big fucking cabaret, because a lot of what propelled Van Halen, what compels me and propels me is precisely this element. It's fury. If you approach me with anti-Semitic preconceptions, I'm not here to re-educate. I come from a whole different school of thought. If you don't get it on the first try, fuck you.

"I once heard somebody say to the Van Halens, "You guys play the music; the Jew sells it." Well, you're fucking right. And now that I'm gone, Van Halen stinks. Okay?

"Want to know why some of my contributions to Van Halen sound like they do? Didn't come from a smiling place in my soul. Not at all.

"Nobody ever said to Mick Jagger, "So, Mick, you're Episcopalian, aren't you?" Nobody ever took Jimi Hendrix aside and said, "So, Jimi, you're a Baptist, aren't you?" Much less start off the interview that way.

"Every step I took on that stage was smashing some Jew-hating, lousy punk ever deeper into the deck. Every step. I jumped higher 'cause I knew there was going to be more impact when I hit those boards. And if you were even vaguely anti-Semitic, you were under my wheels, motherfucker. That's where the lyrics came from,

that's where the body language came from, that's where the humor came from, and where the fuck you came from. All equally as important. You want to know the ingredients? Don't ask if you don't want to know.

"What you get from repression and what you get from hatred is fury, and fury was one of the main trigger points for the great Van Halen. What you see now is a bunch of buffoons waddling around at the family barbecue, and their wives admonishing the children saying, "Don't worry, Daddy's just had a few too many Coors Lights and he's imitating what he used to do for a living when he played music, honey."

"What's missing is the testosterone. What's missing is the fury. What's missing is the passionate convicted commitment. And I got a lot of mine from my religious background. So y'all best stop imagining the way Dr. Zorba looked, or some defenseless Hasidic Jew with a little yarmulke on his head, 'cause that ain't here for you." ~ David Lee Roth

Rabbi Isaac Wise, in *The Israelite of America* writes, "Masonry is a Jewish institution whose history, degrees, charges, passwords, and explanations are Jewish from beginning to end

"We infiltrated the Roman Catholic Church right from the very beginning. Why do you think the Pope, the Cardinals and all the Bishops wear yarmulkahs? (skullcaps) The white race never figures this out. A thousand years later the white race began to wake up ... we had to come up with a plan B ... so we formed the Jesuits. There was a nice boy, Ignatius Loyola. He started the Jesuits." (Loyola was Jewish. Research/read the Jesuit Extreme Oath) Regarding the Jesuits, quoting Rabbi Finkelstein

Does worship of the Talmud pervade Judaism globally? Herman Wouk, Orthodox Jew and famed author of *The Cain Mutiny*, affirms, "The Talmud is to this day the circulating heart's blood of the Jewish religion. Whatever laws, customs, ceremonies we observe ~ whether we are Orthodox, Reform, Conservative, or merely spasmodic sentimentalists ~ we follow the Talmud. It is our common law."

From *Jews Must Live by* Samuel Roth, pg. 22. "The organ is diseased. This disease is a sort of moral gonorrhoea known as Judaism, which, alas, seems to be incurable. If you have any doubts, look at any Jew ridden country in Europe. If you need to be further convinced, take a look at what is happening in the United States."

"Every synagogue we Jews build in a Christian country is a finger of scorn we point at our hosts; a sore finger we stick into their eyes, like the leering of a senile old woman who does all sorts of foul mischief before you, and feels safe in the knowledge that you will not lay hands on her for fear of contamination." *ibid.*, pg.

Sen. Al Franken: One of the widely disseminated stories was that no Jews died in the collapse of the Trade Towers because they had received calls telling them not to go to work that day.

To tell you the truth, I got the Jew call. I had an office in the Trade Center where I used to do most of my writing. The call came from former New York mayor Ed Koch. "Al," he told me, "don't go to work on the twenty-third day of Elul [September 11, 2001]."

Tell me, do the evil men of this world have a bad time? They hunt and catch whatever they feel like eating. They don't suffer from indigestion and are not punished by Heaven. I want Israel to join that club. Maybe the world will then at last begin to fear us... Maybe they will start to tremble, to fear our madness instead of admiring our nobility. Let them tremble, let them call us a mad state. Let them understand that we are a wild country, dangerous to our surroundings, not normal, that we might go crazy, that we might go wild and burn all the oil fields in the Middle East, or that we might start World War Three just like that. ~ Ariel Sharon
