[BACK TO INDEX](#)

This is a comprehensive list of Jewish surnames (last names). While this list is

extensive, it is not complete. NOTE- THERE ARE A FEW NAMES WITHIN THIS LIST THAT ARE ALSO USED BY SOME NON-JEWS. Usually, when enough Jews take certain Gentile names, more and more non-jews stop using those names, but there are cases when old family names survive. The original names were not jewish. There are also **exclusively Jewish names such as Levi, Cohen, Stein**; variations, prefixes such as "**Eisen**," "**Lev**" "**Rabin**," "**Roth**," suffixes such as "**baum, berg, witz, feld, lieb, thal, stein**, and middle, (before the last name)- "**Ben**" and "**Bar**" to cite a few examples. Most of the names listed below are almost exclusively used by Jews. In addition, many Jews take Gentile names in order to hide their Jewish identity. Many Jewish names also have to do with extreme wealth, money, "**Gam**" (**tax collector**), "**Goveh**" (**treasurer**), "**Gold**" "**Goldberg**" (**mountain of gold**), **Silver, Silverstein (silver stone), Greenberg**, and so forth.

Here are the most common Jewish names likely to be encountered by non-jews:

- Names ending in "-berg" (Goldberg, Weinberg, etc.)
- Names ending in "-man" (Goldman, Lightman, etc.)
- Names ending in "-stein" (Einstein, Perlstein, etc.)

## History Speaks

"A nation can survive its fools, and even the ambitious. But it cannot survive treason from within. An enemy at the gates is less formidable, for he is known and carries his banner openly. But the traitor moves amongst those within the gate freely, his sly whispers rustling through...all the alleys, heard in the very halls of government itself."

For the traitor appears not a traitor; he speaks in accents familiar to his victims, and he wears their face and their arguments, he appeals to the baseness that lies deep in the hearts of all men. He rots the soul of a nation, he works secretly and unknown in the night to undermine the pillars of the city, he infects the body politic so that it can no longer resist. A murderer is less to fear. The traitor is the plague." - Marcus Tullius Cicero
