

Beware The Parasitic Tribe

Behold, I will make them of the synagogue of Satan, which say they are Jews, and are not, but do lie; behold, I will make them to come and worship before thy feet, and to know that I have loved thee. – Revelation 3:9

For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places. – Ephesians 6:12

Behold, I am sending you out as sheep in the midst of wolves, therefore be wise as serpents and innocent as doves. – Matthew 10:16

The people we speak of are not **truly** 'Jews'. They are **liars and deceivers** attempting to hide from criticism using a **false identity**. Let us **be aware** and **expose them** for what they are: a **tribe of parasites**.

"The question remains, as it always shall:

Is he a member of that 'parasitic tribe'?

Is he the 'black sheep'?

A member of the so-called 'inside manipulators'?

Everywhere these people go, they infiltrate the media, they hijack the central bank, and they infect the body politic like a parasite.

These people, they walk among us, and you could walk right past them on the sidewalk. You wouldn't think twice about it.

While we focus our attention on our brothers and our sisters who are with us, not against us, these 'black sheep' hide and they perpetrate and they pull the strings.

And they laugh about it.

And they watch us.

And we fight each other.

And they profit from our wars.

And they seek to control and demoralize us in every aspect of what we try to do.

It's their world and we're just a number to them. If they had their way, our entire way of life would be eradicated. They don't like us. Infact, they despise us because of what we are and the spirit we represent. They cannot coexist with it.

And what we need to do, perhaps more than anything, is remove these people, once-and-for-all, from our country."
