[Three building (WTC 1, WTC2 and WTC7) on 9/11 were destroyed by controlled demolition. Over 2,000 architects and engineers have come to that conclusion. Just look at the pictures below. The only people capable of doing that and many other necessary steps were insiders, not 19 Arabs. The Arabs were bit players in a massive crime, that has since killed millions, carried out by organized jewry for the purpose of creating a Jew World Order — KATANA]

# The Basics

When any crime is committed the most important thing is obviously to find out **who** did it. **How** the crime was committed and **why** it was committed are usually secondary issues unless those aspects are critical in determining who did the crime.

With 9/11 the "*Who did it*" part can be easily figured out by looking at only "*one event*" that occurred that day. That "*one event*" is the method used in the destruction of the World Trade Center's twin towers, **WTC 1** (north tower) and **WTC 2** (south tower) . We can also include the destruction of **WTC 7** as part of that.

The official story that these three buildings were destroyed by the consequences of aircraft hitting two of the buildings is childish in the extreme for anyone not mesmerized by "*authority figure*" pronouncements.

It should be obvious to anyone with average intelligence and commonsense that the buildings were brought down by some form of **controlled demolition**. Look at the pictures and look at the videos. There are also over **2,600 architects and engineers** who have stepped forward and risked their careers and reputations by defying the official story and going public in supporting this commonsense view.

Once you understand that some form of controlled demolition was carried out on the twin towers on 9/11, then that is basically all you really need to know about the events of that day. The reason I say that is because the **ONLY** group of people capable of carrying out a controlled demolition of those buildings and subsequently covering up that crime, **MUST** be a group that is **IN CONTROL** of the US government and the media.

Any honest and informed person of politics will of course understand that the US government is, behind the scenes, fully controlled by **ORGANIZED JEWRY**. The

politicians on both sides are mere puppets taking turns to do the bidding of organized jewry and those non-jews (shabbos goys) that have been co-opted.

Now, there are several other roads one can take about 9/11 that will lead to the same conclusion.

But the "*controlled demolition road*" is very simple and obvious, so I would recommend that.

We do not really need to know any of the details of that event, for example, what kind of explosives, whether there were planes or not, whether they were remotely controlled or how they were piloted, how many "*terrorists*" were involved, what happened at the Pentagon, what happened at Shanksville, and so on, ad nauseum.

All we essentially need to know about 9/11 is that the buildings were brought down by controlled demolition and that the only group capable of carrying out that and the subsequent cover-up, has to be in control of the US government: in other words, ORGANIZED JEWRY!

**Why did ORGANIZED JEWRY carry out 9/11?**

It was to create the pretext, a new "*Pearl Harbor*" in their words, to launch **The War OF Terror** against the rest of the world, starting with the Middle East, but eventually expanding to include anyone or any entity that opposes the establishment of a world tyranny known as the **Jew World Order**.

Case closed, as they say.

Watch this short (5 minute) video by physics teacher David Chandler. He gives a brilliant exploration of the North Tower (WTC 1) being blown to bits in an unconventional (top down) controlled demolition.
